## Dear Neighbor,

Welcome to Riverton 4th of July 2013!

This year, we are fine tuning our events. We will be doing all of our great festivities, only better.

PayPal is now available to become a patron or advertiser in the 4th of July Booklet. It is now easier for you to support the 4th. Check out the website: [riverton4thofjuly.com](http://riverton4thofjuly.com).

Once again, there will be a concert in the park on Sunday evening, June 30th. We are bringing in some help with the sound in the park so that all concert attendees will be able to enjoy the music to its fullest. Riverton's own Mark Brown will open the concert this year. He will be followed by John Byrne and his band. Bring your lawn chairs and bug spray. Food will be available for purchase during the concert.

Our 5K Run and 1 Mile Run for Fun will be timed electronically to insure that our run stats are available quickly! The course has been recertified with the US Track and Field Association!

Please don't miss the camel rides at the Riverton Park following the parade. The camel is coming along to join the ponies and the petting zoo! Camels, most certainly, are patriotic, don't you think?

And, last but not least, there is an amazing group of people working on the 4th of July to make it the best yet. If you see a committee member, give them a pat on the back for their hard and devoted work.

Happy 4th of July!
