UNRIVALLED!

During this summer hiatus, the Historical Society's Board of Directors examines our resources and anticipates membership needs as we book presenters for programs and plan projects and events.

If you have been a member before, we need you back; if you have never been, now is a great time to join; current members, please renew your membership now and help in the Historical Society's mission to preserve local history.

HISTORICAL SOCIETY OF RIVERTON

RIVERTON IS UNIQUE!

How many times have you heard that phrase? For any citizen of Riverton, that characterization is something to be cherished as the national landscape becomes indistinguishable with its tract housing developments, malls, and national franchises.

Through its treasured monuments and memorials, institutions, clubs, and organizations Riverton commemorates its heroes, leaders, founders, and influential persons, thus preserving memories of our collective pasts and providing a deep sense of community.

Even as we search for overarching meaning in the activities of our predecessors, the Society recognizes that the citizens and leaders of today continue to write new pages of Riverton history daily.

As our valued member you become our partner in the Historical Society's mission to preserve our local history through public exhibitions, compelling and informative programs, and educational events that bring Riverton history to life for people of all ages.

Visit **rivertonhistory.com** and see current and past articles, video clips, vintage images, back issues of our newsletter, and digitalized files of four historical newspapers.

The Historical Society of Riverton Board of Directors invites you to join us and help ensure that the Society can continue to preserve and pass on our rich cultural heritage to future generations of Rivertonians.
