Palmyra - Riverton AA
Opening Day

Xpper 10 001//

APRIL 12, 2014

Take Me Out to the Ball Game
Take me out to the crowd celebrating
the newly built grandstand at Riverton
Memorial Park. Made possible chiefly by
a grant from the Burlington County
Municipal Park Development Program, it
replaces the original 80-year-old
Depression-era structure that witnessed
countless baseball games before its
demolition in early 2013.

Plans for the new grandstand began in 2008, when it became clear that renovating the original wood and cinderblock was not practical. The masonry and brick grandstand now features a wheelchair-accessible elevator, bathrooms, and storage space.

Onlookers cheered as boys and girls of the Palmyra-Riverton Athletic Association in colorful uniforms paraded in from Palmyra's Legion Field and lined the baseball diamond.

Joe Creighton, Chairman of the Riverton Parks and Recreation Committee, and Mark Morris, opening day ceremony coordinator, thanked the many volunteers who made the building of the grandstand a reality. Taking the mound, Mayor Bill Brown, aided by a young player, threw out the first ball. Members of the Riverton School Chorus sang the Star Spangled Banner as the Palmyra-Riverton panther mascot looked on.

Connor

Hot dogs and baseball never gets old!

The festive day included raffles and prizes, games, face painting, and a pie-in-the-face event featuring Head Coach Steve Falicki as the target of enthusiastic pie-throwing ball players. Hot dogs and hamburgers sizzled on the grill as all enjoyed the fine spring day.
