TIMES CHANGE BUT HISTORY

Won't ...

Carol Smith

CLASS HISTORY

Introduction

Our class theme is "Soaring with the Class of '81". We went through each grade and gave it a name of a football team. We will make certain stops along the way to draft new ideas and students. With teachers as our coaches to guide us to new places and adventures, we will now begin climbing to the Super Bowl.

Kindergarten

We were drafted to Riverton School in September of 1972. Our kindergarten started out as the Seattle Sea Hawks. Our coaches were Mrs. Ragone and Mrs. Haag. The members of our team were John Adams, Aimee Averill, Christine Bailey, Julianne Bandine, Stephanie Bossem, Debbie Buser, Patty Cahill, Jay Campbell, Becky Ford, Maren Gaughan, Mary Gross, Brie Gertler, Karen Heck, Penny Horter, Katie Johnson, Jennifer Kearney, Mary Pat Laverty, Holly Luce, Melissa McDermott, Cheryl McGee, Susan Meunier, Hillary Moore, Holly Parker, Christine Schlindwein, Carol Smyth, Melanie Thorton, Missy Traynor, Suzanne Wentz, Marcey Wittmeyer, Geoffrey Albertson, Andrew Biddle, Joseph Brumbaugh, Carl Colozzi, Wesley Ellis, Joseph Hines, Tommy Kuensel, Michael Laffey, Andrew Lamb, Tommy Pollock, Jimmy Richardson, John Robinson, Christopher Starks, Andrew Tweedley and Keith Woods.

During our season, we watched workmen build us a new club house (the open space).

Between halves we visited the firehouse, the Philadelphia Zoo, and Klipple's Bakery.

We also held a Mini Field day at the park.

Our team's clowns were Carl Colozzi and Andrew Tweedley.

At the end of our season we traded Michael Laffey to the Sacred Heart team, Melissa McDermott to Delran, and Holly Parker to Palmyra.

Having successfully completed our season, we will all be drafted to the Tampa Bay Buccaneers in first grade.

First Grade

We started out the year with 46 players. Our team was the Tampa Bay Buccaneers, and the coaches were Mrs. Harker and Mrs. Tilmont.

The team members we traded were John Adams, Jennifer Kearney and Hillary Moore, and our new team members were Stacey Bradley, Ralph Byrdson, Tim Cole, Scott MacKenzie and Craig & Roy Weedon. Near the end of November, Jennifer Kearney rejoined our team and later, Scott MacKenzie left.

For our first grade trip we went to Story Book Land and the referees were Mrs. Kuensel, Mrs. Gaughan, Mrs. Campbell, Mrs. Wittmeyer and Mrs. Pilewicz.

We had many folk dances and we sang in our first Christmas concert.

We enjoyed a class picnic and completed the games of Mini Field Day at the Riverton Park on Wednesday afternoon June 12, 1974.

After a very successful first grade, we are looking forward to being the Detroit Lions next year in second grade.

Second Grade

In second grade we became the Detroit Lions. Our coaches were Mrs. Nelson and Mrs. Styer. Our new players were Diana O'Callaghan, Carolyn Burke, John Adams and Thomas Ray. The players that were traded to another team were Geoffrey Albertson, Chris Starks and Wesley Ellis.

On our second grade trip we went to Washington's Crossing State Park and the Canal Barge Ride.

On Halloween everyone on the team got dressed in our costumes and walked in the Halloween Parade.

We not only had a Halloween Party, we enjoyed Christmas and Valentine's Day parties, too. Refreshments were supplied by the room mothers, Mrs. Kuensel, Mrs. Kearney, Mrs. Bandine, Mrs. Campbell, Mrs. Luce and Mrs. Colezzi.

We all participated in a Science Fair and we all did very well.

We went on a class picnic on Tuesday, June 3, 1975.

On Friday, June 6, 1975, we had a Mini Field Day. Mrs. Styer's class won both blue ribbons - one for the tug-of-war and one for the egg on the spoon race.

After a very successful second grade as the Detroit Lions, we are looking forward to being the Washington Redskins next year in third grade.

Third Grade

In third grade our coaches were Mrs. Kathy Kiehner and Mrs. Nancy Checetto, who guided us as the Washington Redskins.

Last year we traded two players who were Wesley Ellis and Melanie Thornton, but fortunately we drafted six new players. They were Dawn Weber, Todd Litten, Sara Potts, Patrick Scott and Michael and Richard Laffey.

Our class trip was to Liberty Village in Flemington, New Jersey, in October. This was the Bicentennial year so it was especially interesting to see craftsmen at work like it was years ago.

This year we also had four assistant coaches who were also acting as student teachers.

The Science Fair winners this year were Marcey Wittmeyer, 1st place; Christine Bailey, 2nd place; and Andrew Tweedley, 3rd place.

Soon May came along and our coach, Mrs. Checetto, left us to have a baby. Mrs. Schlindwein took her place as coach for the rest of the season.

We ended up the year spending an afternoon in the park. Mrs. Kiehner's class won two of the races, and Mrs. Checetto's class won one, plus the kick soccer game.

For an ending activity, Mrs. Kiehner's class put on a Bicentennial Play called "Fifty Stars for Old Glory".

The year went very fast, but we were ready to go on to our new team called the New England Patriots in fourth grade.

Fourth Grade

In fourth grade the team captains of the New England Patriots were Mrs. Melody Fattere and Mrs. Pat Ragone. Our team started with 33 girls and 23 boys. We only traded one player, Tommy Arnott, but we drafted seven new players. They were Eric Arnold, Jamie Cattell, Pieterjon Hoffman, Robert Flynn, Sheila Moran, Patty Sims and Effie Murphy.

We elected managers for each class. The managers for Mrs. Fattere's class were as follows: President - Becky Ford, Vice-President - Karen Heck, and Secretary/Treasurer - Tim Cole. The managers in Mrs. Ragone's class were: President - Kara Pilewicz, Vice-President - Tom Pollock, and Secretary/Treasurer - Aimee Averill.

We had our Halloween parties on the 22nd of October and they went very well, thanks to the room mothers who were Mrs. Colozzi, Mrs. Smyth, Mrs. Ford, Mrs. Wentz, Mrs. Pilewicz, Mrs. Meunier and Mrs. Robinson. They also helped in giving us a Christmas and Valentine's Day party.

On March 1st, Ronnie Hollins' football contract ran out so he was no longer with us. After he left we had an assistant captain also acting as a student teacher. Her name was Mrs. Cupp. When she left, we gave her a farewell party.

In May we had a Curriculum Fair. The people who entered from Mrs. Fattore's room were Joey Hines, Maren Gaughan, Brie Gertler, Sheila Moran, Chrissy Schlindwein, Carol Smyth, and Sue Wentz. From Mrs. Ragone's room those entered were Mary Pat Laverty, Marcey Wittmeyer, Sara Potts, Mary Gross, Susie Meunier, Kara Pilewicz and Christine Bailey.

We also went on a class trip to the U. S. Mint in Philadelphia. Later in the afternoon we went to the Living History Center.

On June 2nd, we had a Recorder Concert. The next morning, Christine Bailey left for another team in Colorado.

On June 3rd, we had a Fourth Grade Colonial Fair. More than 100 adults, children in the school and teachers came to view it. It turned out to be a great success.

Perfect attendance awards were given to Julianne Bandine and Penny Horter.

We also gave a special thanks to Mr. Weedon for dissecting a rat for us in health class.

After a very successful fourth grade, we all were looking forward to an even better year as the San Diego Chargers of fifth grade.

Fifth Grade

In fifth grade we began our year as the San Diego Chargers. Our coaches were Mr. McCormick and Mrs. Nelson.

Our new players were Jenny Carrol, Jessica Okin, Patrick Cochran, George McShea, Dave Dungee and Tammy Belasco.

We traded Ralph Byrdson and Bob Flynn during the season.

The managers for 5M acting as class officers were: President - Joey Hines, Vice-President - Karen Heck, and Secretary/Treasurer - Suzanne Wentz.

Managers for 5N acting as officers were: President - Thomas Pollock; Vice-President - Mary Pat Laverty; and Secretary/Treasurer - Craig Weedon.

We had three parties during the year on Halloween, Christmas and Valentine's Day.

In May the fifth grade went to Philadelphia for their class trip. It included the Visitors Center (with a movie), Ben Franklin's Court (also a movie and phones you could use to call historic characters), and the Penn Towers Building. The Towers Building included a ride in a glass elevator up the side of the building. This produced a lot of excitement in the class. Is it true that Katie Johnson wanted to kneel on the floor and hide her eyes? Mrs. Weedon kept telling her it was safe.

May also brought the Color War. The fifth grade color captains were Blue - Becky Ford and John Robinson, and Gold - Mary Laverty and Tom Pollock. Gold won!!

On June 15th a kick soccer game was held between 5M against 5N with 5N winning the game. They returned to school for a treat for being a good class in the year of 1977-78.

Now we are ready to move on to the Dallas Cowboys in the sixth grade.

Sixth Grade

Having arrived in the sixth grade, the coaches of the Dallas Cowboys were Mrs. Koppenhafer and Mr. Cosgrove. During the pre-season, there had been a draft, and we received three new students - Waverly Smith, Kathy Thomas and Trudy Morrison. The trades were Waverly Smith and Missy Traynor.

There was no class trip, but with all the team spirit, we got together a picnic at Riverton Park. There was a big cookout plus many games - softball, frisbee, football and much more. A good time was had by all despite a little rain at the end.

The class program was the spring concert, which, as usual, was "A Spring of Notes".

On Field Day, as the Cowboys were all charged up with vigor, we had quite a few ribbon winners. Joe Hines, 2nd in the 440; Rusty Adams, 2nd in shotput; Debbie Buser, 1st in standing broad jump and 2nd in the softball throw; Tom Ray, 3rd in the 440; John Robinson, 2nd in triple jump; Aimee Averill, 1st in the 440 and 2nd in 100; Karen Heck, 2nd in the 440 and 3rd in softball throw; Penny Horter, 1st in the triple jump; Jim Richardson, 3rd in 100; and Tom Pollock, 3rd in triple jump and 3rd in the standing broad jump.

Class Officers for 6-C were President - Aimee Averill, Vice-President - Tom Pollock, and Secretary/Treasurer - Carol Smyth. 6-K officers were President - Eric Arnold, Vice-President - George McShea, and Secretary/Treasurer - Mary Gross.

Amusing incidents included Sarah Potts non-stop corny jokes during too many workouts with the team, sales pitch speeches for Mrs. Kloos which were wacky, but great, Trudy Morris on falling into the mud at the class picnic, and the rained out Frisbee football game.

We had a very exciting and crazy season, but we were ready for seventh grade and the Philadelphia Eagles.

Seventh Grade

Our team, the Philadelphia Eagles, had drafted some new teammates. They were Wes Ellis, Wendy Getz, Michael Seltzer, John Cappa, Lloyd Percell, Vincent Cavallero, Harold Goodley and Matt Weed. The players who were traded from our team were Jenny Carroll, Carl Colozzi and, later on, Michael Seltzer.

The number of players on our team was 52. Our coaches were Mr. Mayer and Mr. Leven.

The managers for Mr. Mayer's class were President - Jessica Okin, Vice-President - Karen Heck, and Secretary/Treasurer - Carol Smyth. Mr. Leven's managers were President - Joey Hines, Vice-President - Sarah Potts, and Secretary/Treasurer - Chrissy Schlindwein.

In the fall some of our teammates tried out for the basketball team. They were Wes Ellis, Tom Pollock and Mike Laffey. The cheerleaders were as follows: Joy Campbell, Becky Ford, Sheila Moran, Aimee Averill and Carol Smyth. Our record was zero out of fourteen.

In May, Wes Ellis, Suzanne Wentz, Jimmy Richardson and Brie Gertler were our team representatives in the Spelling Bee.

Later in May, many of our players participated in Field Day and brought back many awards.

Some of the wild things that happened were John Capps had his nose broken when Pieterjon Hoffman's fist tackled him. Our coach, Mr. Mayer, warned Tom Pollock not to kick the window but to kick the football. Instead Tom missed the football, and his foot went through the window!

We finished a fun year, but we were ready for a new season as the Oakland Raiders in eighth grade.

Eighth Grade

Having arrived at the Super Bowl playoff with our team the Oakland Raiders, we drafted four new players. They were Tracey Hardman, Larry Norman, Peter Donovan, William Medor and William Rudolph. Brie Gertler and Harold Goodley were traded to different teams during the year.

Our new coaches were Miss Judy Jacobsen and Mrs. Mabel Kloos.

This year our managers for Miss Jacobsen's class were President - Joe Hines, Vice-president - William Rudolph, and Secretary-Treasurer - Timothy Cole. The managers for Mrs. Kloos' class were President - George McShea, Vice-president - Tracey Hardman, and Secretary-Treasurer - Joy Campbell.

The assistant coaches, our Student Council officers, were President - Eric Arnold, Vice-president - Sheila Moran, Secretary - Sarah Potts, and Treasurer - Becky Ford.

Shortly after school started, Rusty Adams got mad in science class and put his foot through Mr. Mayer's wall.

Out two fund-raisers, candy and popcorn, raised enough money for Mt. Misery. We made enough to pay for our team graduation pictures.

In January, we had Eagles Day. All our teammates dressed in green and white for the day. We decorated our locker rooms as a contest, and Mrs. Kloos' room won.

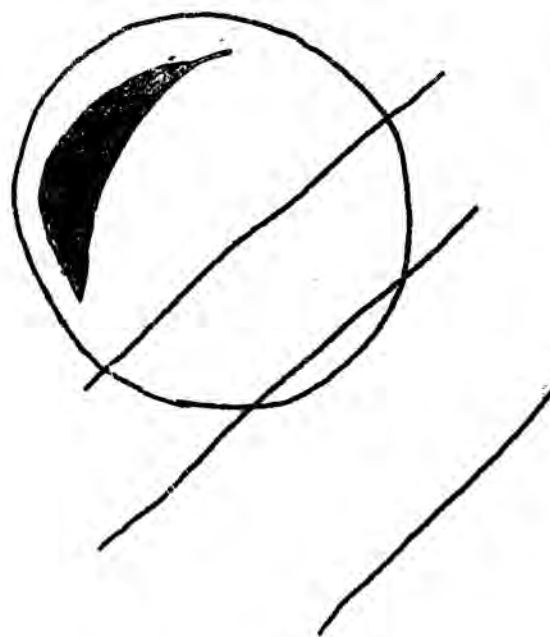

The Student Council took up a collection for Children's Hospital in memory of Jeffrey Kline, our principal's son. The Student Council also cleaned up the school yard in early April and later that month, assisted with the Easter Egg Hunt for grades Kdg. to 3. On May 1, the Safety Patrol and the Student Council went to Great Adventure.

Early in the morning on May 22, our team began the Color War. All day long, Gold was winning everywhere. Some school records were broken and some bones! George McShea sprained his ankle and Wesley Ellis broke his wrist. By the end of the day, Gold had won with 419 points. Blue lost with 327 points. However, George McShea broke the record for the 800 meter run.

On May 27, our team picked out its best spellers and had a Spelling Bee. The players from 8J were Suzanne Wentz - champion, and Becky Ford and Holly Luce - runners-up. From 8K the players were Mary Gross - champion, and Cheryl McGee - runner-up. Billy Scoby, a seventh grader, won. Mike Gilbert, also a seventh grader, was runner-up.

Our team finally made it to Mount Misery. The weather wasn't so great but we had a blast! We had competitions, races, a scavenger hunt, and we went swimming. We also had a canoe trip. By the end of the week, group A - 8J had won.

On June 10, we had our graduation. Everyone will miss old R.P.S. We made it this far and had a "Superbowl" year. However, we plan to keep soaring higher.

The Class of 1981

1981

We the undersigned, have attempted to prophesize in this statement the futures of the members of the Class of 1981.

In this ceremony, we will sign, tie, and place this document in a corksealed bottle to be buried in the schoolyard of R.P.S.

Twenty years from this date, the Class of 1981 will gather to unearth this time capsule and see how near the prophecies come to actual truth. The following is but a hint of what the future may bring. We hope the students to which it refers receive its contents in the same jovial tone in which it was intended.

Here we are at the house of John Adams, well-known owner of Adam's Oil Company. Walking into the ballroom of their gorgeous mansion is his eccentric millionairess wife, Julianne Bandine Adams.

At the door waiting for the guests to arrive is butler, Tom Kuensel.

The door bell rings, and the first guests enter. They are Jennifer Kearney, the new producer of "Rocky 6", accompanied by her associate, Joy Campbell.

Here comes another group. First we see designer Jessica Anne Okin, with her sexy models Sarah Potts and Andrew Biddle close behind.

Karen Lee Heck, a horse trainer, is on her way up the driveway on her horse.

Driving up is chauffuer, Matt Weed, with the Flyer's captain, Tim Cole, and his agent Eric Arnold.

The last person inside is Chrissy Schlindwein, a pro basketball player for the Celtics. She is late, because she just got done her basketball practice.

As we enter the dining room, we see three well-known lawyers, Tracey Hardman, Suzanne Wentz, and Roy Weedon. The cook, Marcey Wittmeyer, is now serving anchovies for the appetizer. We thank our prize fisherman, Richard Laffey, for the delicious fish.

As we go into the ballroom we see famous rock star, Bill Rudolph, with Wes Ellis and John Robinson as back-up singers. Pete Donovan is at the keyboard.

Dancing to Bill's music is disco queen, Stacey Bradley. Stacey is trying to teach Mike Laffey, escaped convict, to do the Worm.

Unfortunately, Mike is caught off balance and lands on photographer, Aimee Averill, smashing her \$5,000 camera containing valuable photos of fashion model, Susie Meunier, and fashion designer, Shelia Moran.

The guests are now entering the dining room for the main course. Standing up to give a toast is pro football player, Tom Pollock. He makes his toast to a few of our firends that are unable to come - Vincent Cavallaro, astronaut, who is on a space mission to Jupiter, and Joe Hines and Katie Johnson, scientists, who are working on a scientific break-through that is extremely top-secret. For dinner we have scrumptious chicken - compliments of Mary Pat Laverty, chicken raiser. Caterer, Mary Gross, slips on a chicken wing. Doctor Cheryl McGee and partner Dr. Maren Gaughan come rushing to her side to check for broken bones.

Dinner is over, and while waiting for dessert to be served, Nurse Becky Ford accidentally drops her tongue depressor onto weatherman Larry Norman's snow cone.

While the others are eating dessert, Jim Richardson, Carol Smyth, and Penny Horter, all salespersons, are exchanging sales' tips as they watch Craig Weedon, Governor of Iowa, and Patty Cahill, his public relations manager play pool.

The party has lasted longer than expected. Hotel owners, Holly Luce and Debbie Buser, have invited everyone to their hotel for the night.

Minister Bill Medor is giving his good-night blessings to everyone, because he has to get back for his twilight service.

We finally find Kathy Thomas, artist, in the den. She is painting a portrait of George McShea, Olympic gold medalist. All of a sudden the crowd rushes to the den where Kathy and George were. Then we see General Tom Ray, head of demolition, and his demolition expert, Andrew Tweedley, making their late entrance through the back wall of the den.

Because of this accident, we all must say good-bye, and we hope to see everyone again in five more years to celebrate our twenty-fifth class reunion.
