Vol. 77, No. 5

RIVERTON, N. J., THURSDAY, FEBRUARY 3, 1966

PRICE FIVE CENTS

SALESGIRLS ON SLEDS — Susan Davidson and Debbie Stanford, Palmyra Junior Girl Scouts of troop 101, didn't let snow stop them from selling cookies on the first day of the annual Girl Scout drive which will continue for three weeks.

Riverton Budget Holds Tax Rate

Riverton borough council approved on first reading Thursday night a budget for 1966 that will retain the present tax rate of 69 cents for each \$100 of assessed valuation.

The spending schedule, which receives its public hearing March 10 at 8 p.m., is \$6668 higher than last year, but the amount to be raised by taxation rises only \$1332 as revenues go up from \$82,891 to \$87,733.

Higher franchise taxes and an expected \$2500 gain in receipts from delinquent taxes provide most of the revenue rise, while \$17,000 is appropriated out of surplus compared with \$15,000 last year.

The budget total is \$186,205, of which \$147,853 is for municipal operations, an increase of \$8406 over 1965. Of the rise, only \$948 is in the payroll accounts;

the rest comes from non-personal service items, chiefly insurance, which goes from \$4650 to \$7285. Of the \$2635 boost, \$1900 is on workmen's compensation insurance.

Debt service drops slightly from \$15,650 to \$15,185 all of it in interest on bonds and notes. Re-

Memorial Gift Given Cinnaminson Library

The Cinnaminson branch of the county library has received the 54-volume set of "Great Books of the Western World" in memory of Henry Maerz given by his friends in Cinnaminson.

This is the first memorial gift received by the new branch library and will be available for public use when the library opens.

School Budgets Put to People Tuesday; All Districts Have Contests for Boards

Tuesday is election day in all school districts of the area, with polls open from 2 to 9 p.m.

Not only will budgets prepared for the school year 1966-67 as approved by the respective boards of

education be submitted to the electorate at that time, but members will be elected to serve on all the boards.

In every case, there are contests. Riverton has seven candi-

dates vying for three full 3-year terms and the 2-year unexpired term of Mrs. Doris Lippincott. Contending for the remainder of her term will be Mrs. David Wright and Mrs. Margaret Wagenknight.

William Hall is the only one of the three incumbents whose terms expire this year who is running for reelection. Dante Mento and Mrs. Virginia Wagner did not file. Those who did, in addition to Hall, are Mrs. John Lewis, a former PTA president; John Law, Elton Catoe and William Devaney.

All three incumbents whose terms expire at Cinnaminson seek reelection, with a fourth contender in the person of Robert Davidson. Present members running again are Joseph MacAllister, board president; Allister H. McCree and Richard J. Serfling, Jr.

Palmyra has two incumbents and five newcomers seeking three full terms. Albert Sacca did not file for reelection but William E. Bauer and R. J. Gill, Jr., did. Also filing were Robert F. D'Autrechy, Floyd B. Carey, Stanley T. Smith, Mrs. Janet Johnson and Phillip S. Talbot.

Delran has Herbert Mathias and Robert Benton seeking new 3-year terms with Frank Killano and Mrs. Ruth Bachman also having filed for one of the three vacancies.

Parking Banned in Cinnaminson When 4 Inches of Snow Falls

Cinnaminson residents were warned today to remove their vehicles from public streets and roads during snowfalls.

In a joint announcement, the departments of public safety and public works said the parking ban is provided by ordinance 1962-2 which spells out what constitutes a storm serious enough to ban parking.

"The ordinance states," explains the announcement, "that a

state of emergency will be declared to exist whenever there shall be a snow fall of four inches or more and shall continue for a period of 72 hours after the cessation of said snowfall and shall continue beyond the 72 hour period provided that such snow has not been removed.

"Residents who ignore the provisions of the ordinance by parking their vehicles in public streets and roads are in violation and the police department of the township may remove such vehicles, the owners of which will be required to pay cost of removal and storage charges.

"The parking or standing of vehicles in public streets and roads during snow storms impede the passage of emergency vehicles and snow removal equipment."

-0-

MUNDT NOMINATED FOR AF ACADEMY

Randall S. Mundt of 17 Dartmouth dr., Delran, an outstanding student-athlete at Riverside High School, has been nominated by U.S. Sen. Harrison A. Williams for appointment to the Air Force Academy.

In announcing his selections for the four service academies, Williams revealed candidates were chosen from more than 500 applicants.

Mundt, winner of numerous awards for his athletic prowess and for scholastic achievement, was named first among six for the Colorado school, the other five being listed as alternates.

Freak Accident Hurts Workman at School

Pinned between his car and a cyclone fence near Cinnaminson High School, Edmund Burke, 58, of Mt. Holly, was admitted to Burlington County Hospital with a broken right knee.

Cinnaminson police said Burke was working on the installation of sewage lines behind the school. They added that brakes failed on a front-end loader operated by Clay Gamboe, 30, of Mt. Holly, which ran into Burke's car and it, in turn, shoved him against the fence.

FUTURE NURSES — Palmyra High School students are shown after their acceptance into three different nursing schools; from left, Judy Van Santen, West Jersey Hospital; Marilyn Youngblood, Pennsylvania Hospital, and Joanne Murphy, Cooper Hospital.

Delran Rate Unchanged For 5th Straight Year

Delran township committee has passed on first reading a budget for 1966 that for the fifth successive year will avoid increased local purpose taxes, Mayor Edward Lipinsky said.

The budget, to get its public hearing Feb. 24 at the Riverside Park fire house, maintains the municipal rate at 24 cents per \$100 of assessed valuation.

Actually, the budget total is \$30,000 lower than last year's but it was explained that an \$87,000 item which appeared last year is non-recurring. It concerned funds to which builders contributed for

school development use and was transferred to the board of education.

Lipinsky announced that township officials will meet with representatives of the Delaware River Water Co. in an effort to speed the laying of water lines. Originally scheduled to be installed this spring, the delay has led to complaints of dry wells, he said.

A report from the zoning board of adjustment listed officers chosen at its reorganization meeting as Albert Plizga, chairman; Daniel McDermott, vice chairman, and Mrs. Marian Jackson, secretary.

School Board Adopts Budget at Riverton; Levy is Up \$24,159

Riverton's 1966-67 school budget providing for an increase of \$17,709 and a tax rate rise of 17.9 cents was adopted on final reading Monday following a public hearing which produced considerable discussion.

The budget, totaling \$378,183 of which \$311,511 is to be raised by local taxation, gets its final test Tuesday when the borough's citizenry votes at the annual school board election. The tax levy is \$24,159 higher than the current year, producing an estimated rate boost of nearly 18 cents for each \$100 of assessed valuation.

Present for the public hearing were Mrs. Barbara Lewis and Mrs. Kathleen Wright, candidates for election to the board; Gardner Crowell, Robert Lundstedt, president of the Riverton Parents group,

and Dr. Earl Schroeder, former school board member who questioned several budgetary items, including the appropriation for an art teacher.

The board engaged Mrs. Rosanna H. Bowers of Cinnaminson to serve the rest of the year as kindergarten teacher, and contracted with Mrs. Ann Knight Ruff to drive the school bus until June.

Riverton Budget

(Continued from Page 1)

Retirement of principal remains stationary at \$10,000.

Statutory expenditures show an increase of \$300 for the Social Security system and \$100 for the police and firemen's retirement program, but a non-recurring item in deferred charges was last year's \$3000 in bond anticipation notes paid without an appropriation.

The reserve for uncollected taxes is higher this year, \$11,052 to \$16,725, so that the total of all appropriations is \$186,205, against \$179,537 last year.

With anticipated revenues rising from \$42,891 to \$47,733 the tax levy thus becomes \$98,472, compared to last year's \$97,140.

Palmyra Civic League Installs Officers

At the January meeting of the West Palmyra Civic League, the newly elected officers were installed. — past president, Mrs. Magdeline Austin. They are:

President, Mrs. Janet Johnson; 1st vice president, Mrs. Beatrice Johnson; 2nd vice president, Mrs. Samuel Tunali; recording secretary, Mrs. Dolores Roy; corresponding secretary, Mrs. Irl Flourey; treasurer, Mrs. Mildred Hill.

Guest speaker at the Feb. 17 meeting will be retired Major Thomas Rivers, an administrator of the anti-poverty program in Camden, who will explain the projects in operation there. The public is invited.

School Election

(Continued from Page 1)

Two unexpired terms also will be on the ballot, and Nick Sarlo and Albert Mount are unopposed for them.

At Riverside all three incumbents whose terms expire are seeking reelection, including President P. Budd Tursi, but three others have challenged them, and among these are Morris D. Murphy, who served on the board 18 years before resigning in 1961, and Thomas E. Harrington, principal of Burlington Township High School.

Charles J. Oligatti is the other contender while the incumbents are Robert J. Marshall and Jesse Welsh, along with Tursi.

LIKE DAYS OF OLD — The 1200 block of Parry ave. in Cinnaminson reminded residents of turn of the century pictures as snow blanketed the whole area. Motorists still are digging out.

Palmyra Passes School Budget With Lower Total, Higher Tax

Palmyra's lower school budget that nevertheless raises taxation was approved by the board of education Thursday and will be submitted to the electorate next Tuesday.

The 1966-67 budget total of \$1,032,894 is \$19,093 under this year because of an end to the flow of high school pupils from Cinnaminson. By the same token, tuition revenue from that town has dried up now that Cinnaminson has its own high school, and the result is a tax levy of \$579,045 compared to this year's \$554,498.

Mrs. Irene Heister, board president, estimated the hike will mean a tax rate boost of between 18 and

21 cents above the present \$2 rate. Based on an expected 390 tuition students, anticipated revenue is set at \$249,600, down \$68,400 because of the loss of 134 Cinnaminson students.

William E. Bauer, board member, said three teachers would not be replaced to offset the drop. He added that the loss figure is enrollment.

IMPORTANT NOTICE
In case of EMERGENCY where a physician's services are required between 5 p.m. Sat., and 7 a.m. Monday, call Dr. Dickinson, 829-2295 or 829-0349.

For EMERGENCY ambulance service call 829-0191.

Dogs Over 6 Months Must Be Licensed

Owners of dogs six months or older in Cinnaminson must obtain licenses for them, Administrator John T. Hughes warns.

Cost of the license for a year is \$3, and it can be purchased at the municipal building, 1621 Riverton rd., on weekdays between 9 a.m. and 5 p.m.

Higher School Budget Passed In Cinna.; Double Sessions Seen

Cinnaminson's school budget for 1966-67 with appropriations \$359,855 higher than this year and a 30-cent increase in the tax rate was adopted by the board of education last night and now goes to the people in the school election Tuesday.

The amount to be raised by taxation to support the \$2,240,118 budget is \$1,806,531, or \$27,039 more than this year. The rate was estimated at \$1.56 by Harold Cooper, board secretary.

Cooper said the budget is based on an enrollment of 4100, compared to this year's 3534.

Few residents were present to speak on the budget and most objection came from Dr. Richard Marsten who claimed the \$3000 appropriated for science equipment is inadequate. Joseph MacAllister, board president, said it was the amount requested by department heads and teachers.

MacAllister announced that some elementary grades will have to go on double sessions next fall. He said the Phillips, Strabel, Memorial and Rush schools are involved.

The president added that members are hopeful the projected elementary school on New Albany rd. will be ready by the end of 1967. The board is awaiting state approval, and if forthcoming this month, ground will be broken in March, he explained.

Roger Williams founded the colony of Rhode Island, Feb. 5, 1631. The University of Wisconsin was founded, Feb. 5, 1849.

PROMOTED — Mayor John Karakashian pins sergeant's badge on William Peters after Harold O'Connor had his turn at last week's Cinnaminson township committee meeting. The two led the Civil Service list of patrolmen who took the test to become the community's first police sergeants.

Higher Budget That Cuts Tax Levy Passed in Palmyra

A 1966 budget for Palmyra that is \$1089 higher than last year but requires \$1312 less in taxation to support it was approved on first reading Monday night by borough council.

The budget, which will receive its public hearing March 14 before action on final reading, totals \$428,113, compared to last year's \$424,124.

However, Mayor Edward Werr-

8 Flee Fire That Damages 2-Family Riverside House

Five children and three adults fled to safety Thursday when fire destroyed the upper floor of a 2-family dwelling at 208-210 Pavilion ave., Riverside.

Fire Chief Bernard Orle said the fire, apparently caused by faulty wiring, broke out in a third floor front bedroom about 11:12 a.m. in the side of the building occupied by the Donald R. Vandergrift family.

The flames burned out the third floor but were brought under control half an hour after the arrival of firemen, Orle said. They remained on the scene for four hours, however, extinguishing sparks trapped under the eaves, and finally removed the roof. Orle estimated damage at \$6000.

Mrs. Vandergrift left the building with her children. Her husband was at work at Wood Conversion Co., Delanco, at the time. Mrs. Ada Lipkin and her mother, living in the other side of the house, were unaware of the blaze until they were led to safety by Ptl. William Helling.

Man Hurt in Accident At Palmyra Plant

An employee of Roto Cylinder Corp. at 701 Public rd., Palmyra, was taken to Zuberburg Hospital after a heavy crate fell on him while at work, injuring his foot.

Ronald Steer, 25, of Clayton, was first reported to have a broken instep but doctors said later he was only badly bruised.

Four fire trucks from Riverside and one from Delanco fought the flames. Equipment blocked busy Pavilion ave. for two hours.

The fire was discovered by Peter Basilio, operator of a service station next door, who said he saw smoke rising from the roof while serving a customer. He telephoned the alarm.

Safe Fails Thieves, Found Unopened After Break-in in Delran

Intruders who broke into the Riverside Lanes bowling alley in Delran late Saturday night found themselves unable to open the heavy safe which they took with them, and it was found stashed in a wooded area off Rt. 70 near Upton Station.

Police said the strong box foiled the would-be thieves who gave up without getting the \$944.46 in cash and checks which it contained. They theorize that at least four or five men must have been in the group to have lifted the safe, which weighs between 450 and 500 pounds.

Joseph Kutski of 305 Chester ave., a janitor at the lanes, found the safe gone when he reported for work Sunday morning. Entry was gained through a front window, and a double door on the side of the building was jimmied to remove the box.

BOY SCOUT WEEK

During the week of February 7-13, the 56th anniversary of the Boy Scouts of America will be observed by more than 5,665,000 boys and adult leaders in 143,300 Scout units throughout the United States. Scouting is a tremendous force for good in the lives of millions of boys, broadening horizons and creating an inbuilt sense of responsibility and duty that can never be forgotten in later life.

Today, over 93,000 organizations use Cub Scouting, Boy Scouting and Exploring as a part of their own youth programs for boys 8 through 17. They are religious groups, schools and PTA's, service clubs, fraternal orders, veterans, governmental groups, business and industry, labor unions and other civic and community organizations.

Every Scout takes the following Oath: "On my honor I will do my best - To do my duty to God and my country and to obey the Scout Law; To help other people at all times; To keep myself physically strong, mentally awake, and morally straight." Any boy who makes this Oath an important part of his life in his formative years will grow to be a man of which his family, his community, and his nation may justly be proud. The Boy Scouts of America deserve the recognition, support and thanks of all of us during their anniversary week.

NEWS FROM ABROAD

Two recent news stories with foreign datelines found their way into a folder on the desk here. One reads: "PANAMA CITY — A peaceful street demonstration capped by the burning of a U.S. flag marked the second anniversary of the riots in which 21 Panamanians and 4 Americans were killed. About 200 marchers paraded to the National Cemetery and made a brief stop just outside the U.S. controlled (canal) Zone." Better read that first sentence again. "A peaceful street demonstration capped by the burning of a U. S. flag." What in the world is considered peaceful these days?

In Washington a few weeks back policemen in our nation's capital were ordered to remove small replicas of the American flag from their uniform lapels while they were keeping the way clear for a bunch of demonstrators who paraded on the Washington Monument grounds behind the flag of the enemy Communist Viet Cong. That was a "peaceful" demonstration, too. At least the policemen were not ordered to burn the American flag.

And then there is this story, quoted in toto: "Bogota, Dec. 20 — Colombia got \$102.5 million in aid from the United States for budget-balancing purposes. The total included \$65 million from the International Development Agency, \$15 million from the Export-Import Bank, \$12.5 million from the U. S. Treasury and \$10 million from the Food-for-Peace Program."

For "budget-balancing purposes" the government of Colombia gets \$102.5 million from the United States? Pardon me, but are we giving Colombia one hundred-and-two-and-a-half million-dollars for budget-balancing purposes? Of our money?

Somebody must be joking. Is that part of the deficit the President was talking about the other night when he held forth on the State of the Union? That kind of money sounds more like a down-payment on the purchase of the country than "aid" or goodwill assistance.

Well, it goes to show you that reading a newspaper still is a great education, every day of the year.

Maybe you know someone who ought to be reading this one?

"...communism alone is the enemy of freedom and dignity and good will. The enemy is hatred wherever it festers. Hatred is the enemy of man and of God — hatred which may have been created by unjust and prolonged oppression, hatred calculatedly stepped up as a force behind violence, contagious hatred glorified and spread as only modern man can spread ideas and emotions." — Juneau, Alaska, Alaska Empire.

Boy Scout Week

LETTERS TO THE EDITOR

APPRECIATIVE

Editor, New Era:
On behalf of the Burlington County Chapter of the National Foundation, March of Dimes, we wish to thank the volunteers who so willingly assisted in the Mothers' March Jan. 25, and to the residents of Riverton for their kind reception of the callers and their generous responses.

Additional volunteers who helped in the Mothers' March were Mrs. Hugo Cutler, Mrs. Morris M. Zimmerman, Mrs. Nicholas B. Fagan and Mrs. M. S. Cucchiello.

RACIAL PROBLEMS?

I was amazed when I read last week that Riverton's racial problem is going to be straightened out by two of our local ministers. I never knew such a thing existed in Riverton. I can say that we have a fine group of colored citizens. They are a credit to any municipality. I have known most of these people much longer than either minister.

I think most all of our citizens of Riverton will agree with me. I cannot understand why these ministers want to stir up something which does not exist. I think they should stick to doing good in their churches.

GOOD FOOD — GOOD GRADES
A study of breakfast habits of school children showed that those who ate a poor breakfast, or none at all, were inclined toward a late morning drowsiness and lack of ability to concentrate. This can cause grades to go skidding downhill.

65,000 Have Happier Holiday Thanks to Salvation Army

The Salvation Army made the Christmas season happier for over 65,000 persons throughout the state, according to a report from the New Jersey divisional commander, Lt. Colonel W. Arthur Bamford.

"The assistance to the needy is measured not only in the number of persons aided and financial expenditure, but also by the hand of friendship and the concern for others of this humanitarian organization," Col. Bamford said.

"This program is supported through contributions made by persons in all sections of the state to the Salvation Army Christmas mail appeal and by young people and adults, who drop their money into the red Christmas kettles in major cities in New Jersey.

"League of Mercy 'Sunshine Packs' of toiletry items and candy and a copy of 'War Cry' were distributed to 24,352 persons in 207 hospitals, nursing homes and institutions in the immediate area of the 24 Salvation Army Corps centers and to 8,460 persons in 37 hospitals, state schools and homes for the aged in the 173 Service Unit areas of New Jersey.

"For the first time the Salvation Army was able to bring cheer to persons at the Vineland State School for the Retarded, Woodbridge State School and Johnston Training Center at Bordentown, all in Service Unit areas.

"Christmas dinners were served at the Salvation Army Red Shield Club at Wrightstown to 229 men and women of the armed forces, each of whom plus 641 others at the club during the holiday season received a League of Mercy gift package. "The five Men's Social Service centers in Newark, Atlantic City, Paterson, Jersey City and Trenton served 518 Christmas dinners to homeless men permanently residing at the social and to transients or lonely men, who had no other place to go on Christmas Day.

Medicare Confusion Seen by Physicians

The Burlington County Medical Society says that since the inception of Public Law 89-97, "there has been much confusion as to the provisions of this law as well as how it will be instituted for the public welfare." Many details and considerations remain to be clarified prior to the time that the law becomes effective on July 1, the society declares, adding:

"It has been noted in several areas since the bill's passage that many elderly people have been approached by persons representing themselves as agents of the government who seek to enroll the elderly in the 'medicare' program. It is of importance for everyone to realize that no one is authorized to do this in any fashion unless requested by the elderly themselves. The citizens of this community should be clearly warned that no one is empowered to accept payment or sign contracts for provisions of medicare for patients and that this is done solely by registering with the Social Security Administration. In the event that an elderly person is unable to report to the Social Security office for registration he may, upon request, have a representative visit him in order to accomplish this purpose.

"As developments occur which clarify the provisions of this law as well as the means by which it will be instituted, the Burlington County Medical Society will make available to the public, through news releases to the local papers, every bit of information which is available in the hopes that people will be clearly informed as to what is taking place as well as how to avail themselves of the benefits of this law."

Mental Health Association Organizes for New Year

Mrs. Mary J. Scranton, Maple Shade mother of three, was elected president of the Burlington County Association for Mental Health at that organization's annual dinner Thursday.

The new president succeeds Dr. Thomas R. Houseknecht of Moorestown. A member of the board of directors of the association since 1960, Mrs. Scranton was fund raising chairman for two years and vice president last year. She is a member of the board of directors of the New Jersey Association for Mental Health. In addition to her work in mental health, Mrs. Scranton is active in school affairs. She is a member of the Maple Shade board of education, budget finance chairman of the State Federation of Boards of Education, a member of the Burlington County Association of Boards of Education, and vice president of the Elizabeth P. Hais School PTA, Maple Shade. She is the wife of Neil J. Scranton.

Seventy-five persons attended the dinner, which was held in the Merion Inn, Cinnaminson, and heard talks by State Sen. Edwin B. Forsythe, Dr. Lloyd McCorkle, state commissioner of institutions and agencies, and Mrs. Fitzhugh Borge, vice president of the New Jersey Association for Mental Health, and a member of the national board.

Following the dinner, members elected officers and directors to the board. They were Mrs. Clara Bothen, Moorestown, first vice president; Phillip Gallagher, Mt. Holly, second vice president; Mrs. Raymond Moore, Willingboro, secretary, and Mrs. Preston Richards, Vincentown, treasurer. Mrs. William Hest, Moorestown, and Robert Hutton, Mt. Holly, were elected to the executive committee for two-year terms.

Dr. Houseknecht presented awards in recognition of voluntary service in the field of mental health to Mrs. Herbert L. Adams, Edgewater Park, Mrs. James Q. Alkinson, Medford Lakes; Mrs. Everett Cox, Burlington; Louis Badat, Edgewater Park; Sheriff Francis P. Brennan, Cinnaminson, and Michael Chant, Roanoke.

Those chosen to serve as delegates to the N. J. Association for Mental Health for one year were Mrs. Ezra Evans, Medford; Rev. William A. Downs, Willingboro; Mrs. Lionel Jackson, Moorestown; Mrs. Moore, Mrs. Scranton and Miss Margaret Keating, Roanoke, alternate.

Re-elected to a second term on the board of directors were Mrs. H. Becker, Mt. Holly; Mrs. Bothen, Mrs. Louis Badat, Edgewater Park; Downs, Gallagher, Miss Keating and Mrs. A. M. Veneziale, Mt. Laurel.

Elected to the board for a first term were Mrs. Raymond Aarons, Mrs. Reuben Greenberg and Mrs. Robert W. Pohl, all of Mt. Holly; Louis Badat, Mrs. John Bracy, Beverly; Mrs. William K. McDaniel, Wrightstown and Mrs. George W. Weist, Medford Lakes.

THREE LOCAL MEN ENLIST IN ARMY

Three area men are among 18 from the county who enlisted into the Army under the guaranteed school before enlistment program, according to Sgt. Harold D. Jones, recruiter.

Michael R. Hatalavsky of 611 Adams st., Riverside, a former Marine, has joined the Army to make a try for the noted Special Forces outfit. Francis W. Felice of 644 Monroe st., Riverside, chose administration and Leo Zick of Leconey ave., Palmyra, enlisted for Alaska assignment.

County GOP Committee In Thursday Meeting

The County Republican Committee will hold its monthly meeting Thursday at 8 p.m. at the Flying W Ranch, Lumberton.

The Lincoln Day dinner committee with Freshwater Fred Norcross as chairman, will make its report to the general membership. The affair will be held Feb. 11 at Iyestone Inn, Pennsauken. Table reservations may be made through Linda Eck or Nancy May at 267-3432.

Plans will be formulated for the committee's annual fund drive in May, a theatre party in June and Farm Fair in July.

Reports will also be had from Sen. Edwin B. Forsythe on the Mar. 1 election for the constitutional convention.

United Fund Urges Support For Cookie Sale

An appeal to the public asking support for the annual Girl Scout cookie sale, now in progress, was issued today by the president of the United Fund of Burlington County.

"The cookies you may have already bought and are now enjoying, or those you are about to be asked to buy, will go a long way toward supporting programs that are conducted for hundreds upon hundreds of girls here in Burlington County," said Lloyd Williams, United Fund president.

Williams noted that while the UF helps support the Girl Scout council, the funds received go only toward the operation of the scouting program and the administration of activities.

"But, cookies serve another purpose," Williams noted. "They provide funds needed for activities at the troop level and on the council level for the operation of Camp Kettle Run."

"And hundreds of girls benefit

may have been fun, but I'm also now an experienced actress, director, producer, writer, and can always help with costumes, make-up or stage settings.

"Helping a group of juniors at camp was one of the most enjoyable things I have ever done. Those girls taught me about as much as I taught them."

"What I'm trying to say is that Girl Scouting is work, but it is so much fun when you get involved that any hardships are soon forgotten. We are young women learning how to work with people with responsibility, friendliness, originality and efficiency. People have to learn this sometime. Can you think of a better, more pleasant way?"

John L. Sullivan won the heavyweight boxing title from Paddy Ryan, Feb. 7, 1882. Hawaii was declared a U. S. protectorate, Feb. 7, 1893.

BAND CONCERT

The annual summer concert of the Reserve Band will be held Friday evening, August 17, at the Grove in Palmyra, weather permitting. In case of rain, the concert will be held at the High School. Under the leadership of Kenneth Merrill, the youngsters have been rehearsing several times a week during the summer.

The hour program includes well known songs such as Commander March, Marilyn Waltz, Hymn of Soviet Union and selections from Tannhauser. George Hall will play a Trombone solo. Jean Smith and Hubert Hauck will render a Trumpet duet. A lively number, "Watch Out," played by the entire band, will have the audience keeping time with their feet. It's a grand program to which the public has been cordially invited. Mrs. Kenneth Davis, of Thomas avenue, Riverton, president of the Band Parents Club, will present pins of award to Jack Austin, Richard Tack, John Shagg, Joan Balmer, Roland Werner and Joan Smith.

Those participating in the band are: Trumpeters, Hubert Hauck, Jean Smith, Lorraine Davis, John Shagg; Clarinets, Wm. Price, Richard Burr, Clarence Jones, Joan Balmer, Ruth Roberts, Alice Burgess, Joan Moffatt; Saxophones, Roland Werner, Claire Tuttle, Flutes, Eileen Loos, Percussion, George Rotenberg, Richard Hauck, Merle Perkins, Trombones, George Hall, Jeffrey Thompson, Batten, Neal Austin, Jack Austin; Horn, Mary Jane Horner.

December 10, 1937

The sunken treasure in the Delaware river, somewhere between Philadelphia and Bristol, probably in the vicinity of Andalusia, is still the subject of speculation and gossip by the people, and faith and effort of the company organized to raise it out of the water. The company claims to have an instrument which will locate gold right miles away, and it has located the treasure in the vicinity named. They suppose this treasure to have been placed there when they claim it is by Captain Kidd.

and...THE VANQUISHED

Photo by Sears

These two teams, with blood in their eyes, met Wednesday night to play off a tie for the first half championship in the American League. The Lamplighters (top photo) sponsored by the Riverton Laundry, mangled the Pal-River Chevys (bottom photo) with a score of 5 to 3. The Pal-River Chevys, last year's championship team, trailing by two runs had two chances to score in the latter innings but failed to pull through in the clutch.

Where Fresh and Salt Come Together and for a Short Space the Two Elements Refuse to Mingle.

March 5, 1911

Paris' Worst Flood. In the year 1296 rose the greatest flood of which history makes any record. In the city of Paris, the water of the river Seine rose to the level of the roof of the city hall, and the water of the river Seine rose to the level of the roof of the city hall, and the water of the river Seine rose to the level of the roof of the city hall.

There is a midway between the salt and the fresh water pools, however, that is very seldom shifts. Around this midway salt and blue and other saltwater fish, if they wait at all, will bower on the ocean side. On the fresh water side, where the water is as shallow as the sea, there are no fish. It is as if the saltwater fish were afraid of the fresh water. It is as if the saltwater fish were afraid of the fresh water. It is as if the saltwater fish were afraid of the fresh water.

SUNDAY'S SERMON

SUCCESS

There is no universal yardstick for the measuring of success. Every man, at one time or another, measures himself, and his personal summation is usually somewhat more or somewhat less than the evaluation he receives from the hands of his contemporaries. The equation is seldom the same.

The man who is considered successful in the eyes of his neighbors and associates may carry with him a long list of uncompleted dreams and plans. The man who feels he "has made his mark" may not be so prominently evaluated by others.

But there is another kind of success, apart from business and social achievement. And, there are definite guidelines. Every man knows within himself whether or not he has made the grade.

How about you? Have you met your responsibilities as a parent? As a citizen? As a Christian? None can judge better than your self. Only you have the complete answer.

Riverton Bible Class Presents Officers

The Friendship Bible Class of Calvary Presbyterian Church, Riverton, held its first monthly meeting of 1966 at the home of the new president, Mrs. John Albertson, 311 Manor ct., Riverton, and the following new officers were introduced:

Mrs. Albertson, vice president; Mrs. Charles Hepp, recording secretary; Mrs. George Wilby, treasurer; Mrs. George Walz, corresponding secretary; Mrs. Arthur Gowell, sunshine chairman; Mrs. Fred Doerr, publicity chairman.

In the Dominican Republic, political uncertainties and recurring flare-ups since the revolution have paralyzed the economy. Contributions to the CARE Food Crusade, New York 10016, are helping to feed 200,000 Dominican school children.

The Woman's Society of Epworth Methodist Church, Palmyra, meets today at 12:30 for a covered dish luncheon in the social hall.

At the program following at 1:30, Rev. Fred Arnold, pastor of Asbury Methodist Church, Trenton, will speak on "Journey Since '64".

OBITUARIES

MRS. MARY A. HAGEN

A high mass of requiem for Mrs. Mary Agnes Geraghty Hagen, 57, of Riverside, who died last Wednesday, was held Saturday at St. Peter's Church followed by interment in Holy Cross Cemetery, Yeadon, Pa.

A former employee of the Holy Cross Convalescent Home, Mrs. Hagen since has been selling religious articles and served in the Altar and Rosary Society of Corpus Christi Church, Willingboro. Surviving are three daughters, Miss Mary Jane at home, Mrs. William Williams of East Lansdowne, Pa. and Mrs. Robert C. Gough of Delanco; a son John J. Geraghty of Willingboro; three sisters, Mrs. Ursula Gannon of New York City, Mrs. James Smith of Philadelphia and Mrs. William Howe of Watertown, Mass.; a brother, Joseph Gayton of Eastington, Pa.; and 13 grandchildren.

Burial was in St. Peter's Cemetery following solemn high mass in the church there.

CLIFFORD NEWKIRK

Crime, Foreclosures Rise In County, Sheriff Reports

Increased prosperity notwithstanding, foreclosure sales in the county rose last year from 230 to 304.

The increase of 74, representing 32 percent, was reported by Sheriff Francis P. Brennan in his end-of-year review.

Brennan also said the number of personal property sales likewise increased, from six in 1964 to 10, a 66 percent boost.

In other activity of his department, the number of summonses and complaints rose from 2405 to 3513, from 67 to 80 warrants and writs from 61 to 68.

Despite the increased activity, gross receipts dropped from \$295,982 to \$266,334, Brennan disclosed, but the net revenue turned over to the county last year was \$35,497, compared with \$33,534 the year before.

Navy Reveals Shortage Of Qualified Nurses

The Navy has announced an increased need for qualified nurses to serve in Naval hospitals and aboard ships.

Recently, the Navy's newly equipped hospital ship, the USS R. F. O'SHEA, called for duty off Vietnam with 29 Navy nurses aboard. In addition, Navy nurses are caring for the wounded at the Naval Hospital in Saigon and at the evacuation hospitals on Guam and in Japan. These hospitals, in addition to the stateside Naval hospitals, where injured servicemen are sent to complete the final stages of rehabilitation, all report an increase in patients. Nurses are needed to continue the high quality patient care these men so greatly deserve.

Qualified nurses can render a vital service to these men and to their country. In return, the Navy offers the nurse many professional, educational and financial opportunities. Find out if you are qualified by contacting Chief Anthony Odgers at the Navy Recruiting Station, Post Office Building in Burlington, at call 386-1424.

Three clues to vision problems of children are listed by the N. J. Optometric Association as abnormal appearance of the eyes, unusual behavior of most any type, and complaints of discomfort from any seeing task.

Rams Edge Kennedy On Faulkner Goal

Riverside High's basketballers turned in a spectacular triumph over Kennedy of Willingboro last week when Ken Faulkner's layup 12 seconds before the final gun produced a 52-50 victory.

The junior varsity was victorious too, and by a slightly larger margin, 52 to 47. To make the week complete, the JV also won over Lenape, 47 to 43, but the varsity didn't fare as well, dropping a 57-52 decision Friday.

The Riverside-Kennedy windup was a thriller all the way. The homesters held a slender 1-point edge at the end of the first half and built it to six at half time, then held off Kennedy's gains in the third, which saw each team score 15 points.

The visitors from Willingboro continued to fight but with 2:31 remaining the Rams led by four and went into a freeze. A steal by Paul Collins and a jumper by Steve Grant knotted the tally at 50 with 36 seconds to go and set the stage for Faulkner's heroics.

Against Lenape the Rams took a 16-13 first-quarter edge, trailed by a point at the intermission, then saw the Indians pull away as Tom Cahill contributed 12 points to the usual attack led by Steve Riley and Rich Hurwitz.

Dave Verner with 17 points and Faulkner with 15 set the pace for Riverside.

CINNAMINSON GOES DOWN TO 2 DEFEATS

It wasn't a good week for Cinnaminson High's courtmen.

The Pirates did well even in defeat against Moorestown -- final score, 66 to 53 -- but undefeated Burlington ran wild Friday to run up 90 points to Cinnaminson's 36.

The junior varsity fared little better, bowing to Moorestown, but only after a red-hot battle, final count 56 to 54, then trailing the Burl JV 62 to 38.

The Pirate varsity jumped off to a 6-0 lead over Moorestown but the Quakers fought back and at the end of the first period held a 2-point edge.

They built it up to 15 points by intermission and 17 when the last period began. Then the home team out on a spurt that aroused the fans and made the game more interesting and final figures more respectable.

Palmyra Loses 2 In Rough Week

Palmyra High put up a good fight against Moorestown last week but dropped a 60-53 decision while faring worse against Burlington, which romped off with a 74-32 count.

Greg Wade's 19 points made him high man in the Moorestown game Friday but the visitors were on the short end in each of the first three quarters and it wasn't until the finale that they began worrying the home fans.

Even then, while outscoring the Quakers 22 to 15, the Pals never seriously threatened. Nor did the Jayvees in the prelim which saw Palmyra on the losing side of a 79-52 setoff.

Against Burlington, unbeaten county league leaders, John Danzeisen was the only Palmyra to reach double figures.

Baseball Registration in Offing As Cinna. PAL Basketball Continues

With Cinnaminson's PAL basketball being in a spirited fight for title honors, and despite the wintry weather, an echo of baseball is being heard these days.

PAL vice president Bill Tanguay reveals that next Friday, Feb. 11, starts registration for the coming season.

Meanwhile, the 76'ers made it five in a row in court competition by disposing of the Hawks last week, 26 to 17, while the Celtics remained on their heels with a 4-1 record by doubling the count on the Warriors, 34 to 17.

In a battle of second division teams the Royals edged the Lakers, 31 to 29.

Despite his team's defeat and 1-4 record, the Lakers' Bill Agey lengthened his individual scoring lead with 62 points. His nearest challenger, Jack Messenger of the 76'ers, has 45, followed by Bruce Barnes of the Warriors and the Celtics' Alex Monchak, tied at 40.

On the subject of baseball, Tanguay, emphasizing that PAL "starts 'em young," said:

"The baseball program originally planned by Cinnaminson PAL included boys ages 10, 11 and 12 only. It was soon evident that the younger brothers and friends around the field during practices wanted to participate and the program was extended to boys 8 and 9 also.

"Several years ago a special division was formed for these youngsters. Sometimes called midget baseball, PAL decided to use the designation "National League" for this division offering organized baseball activity for boys ages 8 and 9.

Special care is employed to give these youngsters a sound introduction to organized baseball. They are separated by pre-season evaluation into two categories with

Greyhound Grapplers Shut Out Cinnaminson

Cinnaminson's wrestlers failed to score a single point Friday as Northern Burlington turned in an easy 54-0 victory in an inter-league contest.

The Greyhounds, with an even log in the Delaware Valley loop, had no trouble with the county circuit cellar club, seven of the matches ending in pins.

HOURS: Tues., Wed., Thur. & Sat. 9-5; Fri., 9-9

the 8-year olds and inexperienced 9-year olds playing in a minor league section. The principal aim of games scheduled for that section is instructional and regardless of game situation umpires, managers or coaches often stop the action to explain and demonstrate a preceding play.

"The 9-year old boys, and some advanced 8-year olds play in the major league under more competitive circumstances but still with much emphasis on fundamentals. By league rule each boy must play at least two innings in each scheduled game and this way the boys are guaranteed the opportunity to improve and demonstrate this improvement to parents and man-

agers under game conditions. Every boy is fully uniformed and PAL also provides all safety equipment prescribed for Little League play.

Tanguay said registration for this league will be held Feb. 11, 12, 18 and 19 at the municipal building. The time for the two Friday nights is 7 to 9 p.m. and on Saturdays, 10 a.m. to 2 p.m. All boys ages 8 (by Aug. 1, 1966) and 9 in the township are eligible to play in PAL's National League.

Registration fee is \$3 and the boys must be accompanied by a parent or guardian. Registration for other boys' and girls' divisions of PAL will be held on the same dates.

Lancers Win to Earn Even Split for Week

Holy Cross broke its 4-game losing streak of hairline adverse decisions last week by taking East Camden Regional into camp, 68 to 52, only to return Friday to its losing ways with an 81-47 shellacking at the hands of St. Anthony's of Trenton.

The junior varsity from Delran made the Capitoltrip too, and while putting up a much better performance, still lost, 51 to 41.

George Krause dominated the boards and scored 18 of his 20 points in the first half as the Lancers moved into a 34-20 halftime lead over East Camden.

The homesters held Krause pretty well in check in the second half but Walt Karwacki and Joe Feeney took up the slack and after an even third round finished strong to tie the verdict.

Krause fouled out against St. Anthony's with over three minutes remaining and when Buddy Maurer followed suit the Lancers lost much of their offensive. Butch Jordan led the attack with 14.

Riverside Takes Lead In Wrestling League

Riverside forged into the lead in the county scholastic wrestling league Friday by beating Moorestown, 34 to 14.

The Rams in sweeping to their third league match took all but four contests, three of them on pins. Randy Mundt's triumph in 146 was the fastest of the evening.

Tom Casperite's decision in the 156-pound class was his ninth straight win of the season.

RIVERSIDE 34, MOORESTOWN 14	
98	— Cooper (M) dec. N. Webster. 5-0
145	— R. Olive (R) b. forfeit.
119	— C. Webster (R) dec. Wilson. 8-4
122	— Stout (M) dec. D. Olive. 6-0
129	— Moore (R) dec. Barclay. 6-3
125	— M. Walsh (R) pinned Williams. Time 3:58
146	— Fricke (M) dec. Jewell. 4-2
148	— Mundt (R) pinned Judd Little. Time 1:46
154	— T. Casperite (R) dec. M. Little. 5-1
147	— Uanack (R) pinned Blinter. Time 2:54
177	— Sweeney (M) dec. Pine. 8-4
Unl.	— Dancer (R) by default. Subherland

With Dave Weideman pouring in 57 points, Riverfront Cleaners rallied to beat Scott's in Riverside Recreation League play, 111 to 105. Bob Vernon scored 33 for Scott.

Frederick's beat Matt's Shoes, 83 to 68, sparked by a 31-point performance from Bill O'Neill. Tom Sutton led the losers with 32.
