RIVERTON BUDGET

At an adjourned meeting of Riverton Borough Council held last Thursday evening, the Local Budget for the Borough was passed on first reading. A detailed account appears elsewhere in this issue of The New Era.

The total expenditures for 1948 will show an increase of approximately 17 cents on the Borough's share of the Local Purpose Tax. Most expenditures for this year remained about the same or a little less than last year and the increase may be attributed mainly to two situations.

First, an item of \$3,000 was inserted in the budget for the contemplated service of trash collection. This cost will amount to 12 cents of the tax rate increase.

The Mayor and Council have advertised for and received bids on trash collection in the Borough as the result of a petition requesting information on the costs and practicality of such a service. The petition was sponsored by the executive committee of Town Meeting and signed by some 350 residents of the Borough.

A joint meeting of committees from Council and the Town Meeting was called and plans formulated for collecting data on costs and types of service. It was decided that if a contract could be secured this would be the best method of assuring specific services at a known cost. Accordingly, the Committee from Borough Council met with Solicitor McCay and bid specifications were drawn up and advertised. Two bids were received, the lowest amounting to \$2,979.00.

The Mayor and Council are desirous of expressions from the taxpayers on this matter of trash collection. To this end a letter is being drafted to send to each taxpayer, acquainting him with details as to costs, scope of service, etc., and asking him to return an enclosed postcard expressing his approval or disapproval. The matter will then be brought up for discussion at the public hearing on the Budget on Thursday evening, February 19th. At that time Council will either retain the item in the Budget or strike it out, according to the expressed wishes of a majority of the taxpayers. Council will greatly appreciate all interest and attention given to this matter.

Second, the remaining five cents of tax rate increase represents a portion of the added cost of the new Police Pension Fund, approved by the voters at the last election, plus an upward adjustment in the basic salaries of Borough employees. Savings effected in other departments have made it possible to absorb a portion of the costs of Police Pension and salary raises, so that the net increase in the tax rate can be kept to the five cent figure.

McCAY WILL BE SENATE CANDIDATE

Assemblyman Albert McCay, following unanimous indorsement by the Republican Executive Committee, formally announced his candidacy for the Republican nomination for State Senator and the appointment of Major Fred C. Norcross, Jr., of Pemberton as his campaign manager. Major Norcross is a veteran of the European Theatre, World War II, and is also President of the Young Republicans of the State of New Jersey. He served one term in the Burlington County Board of Freeholders.

Major Norcross stated he is happy to manage the primary campaign of the Assemblyman because McCay is the best qualified person to represent Burlington County in the Senate. He pointed to McCay's sterling honesty, experience in municipal and school affairs and splendid record in the House of Assembly, where he is serving on the most important committees.

PALMYRA STRING BAND SEEKS MORE MEMBERS

The newly organized String Band is rapidly forming into a first class musical organization. Under the supervision of Anthony d'Amato, a formidable array of musical talent has been assembled and the local band has great possibilities of being one of the crack bands in the Philadelphia metropolitan area. The band rehearses every Thursday evening at the P.O.S. of A. Hall at 7:30.

Mr. d'Amato as captain cordially invites all musicians who play stringed instruments, accordions or saxophones to attend the rehearsals. The band hopes to have about 40 pieces and at present particularly needs violinists, accordionists and saxophonists.

The local band is fortunate in having as its musical director, Francis Schaeffer, of Riverside, talent bantjoist, widely known as a teacher and musician.

Raymond Mulliken, local violinist, is serving as secretary for the band and Jackson Ferren as publicity chairman.

THE PORCH CLUB

A 3-in-1 program will be held, for members and friends of the Club, February 16, at 1:00 p.m., in the form of a luncheon and spring fashion show. Mrs. Katherine Erickson, home economist, will be the speaker.

The price of admission will be one dollar for the floor fund, and entitles holders to door prizes.

The number who can be accommodated is limited, so please call Mrs. Everett Dyer, 9-1479-J, for your reservations.

WOODS FUEL COORDINATOR IN CINNAMINSON TOWNSHIP

Maurice Conrow, chairman of the Cinna-minson Township Committee has announced the appointment of Robert J. Woods, 1004 Columbia Avenue, as Local Fuel Coordinator to serve with Governor Driscoll's Conservation Committee.

There is a critical fuel oil shortage because the demand is greater than the supply. Jos. L. McLaughlin, State Fuel Coordinator in Trenton, points out that hardship cases can only be assisted through the efforts of a Local Coordinator completely conversant with local conditions.

In cooperation with the State fuel authorities, Mr. Conrow stated that "the next 60 days are vital if we are to spread and share the amount of fuel oil available. Every householder burning oil should set his thermostat at no more than 68 degrees for daytime usage, and 66 degrees or lower at night. In this way we can save 15% of our vital supply—If Each Saves a Little, There Will Be Enough for All."

All consumers of domestic and industrial fuel oils are urged to reconvert to their former method of heating wherever this is possible. Such re-conversion will not only save fuels for spreading out in extreme hardship cases, but will assure to the person who has so re-converted that their home will be warm the rest of the season.

Those who are contemplating the installation of new oil consuming equipment are urged to refrain from such action until this critical period has been passed.

RIVERTON SCHOOL

ESTABLISHES HONOR ROLL

An Honor Roll has been established by the Riverton Public School for pupils in grades four to eight inclusive. It is felt that those students doing outstanding scholastic work should receive recognition and it hoped that others will strive more diligently to attain Honor Roll standing.

Starting this week all marks made by each student will be counted toward his average and the first Honor Roll will be announced following the issuing of reports on March 12.

To attain Honor Roll standing pupils must have a minimum of three A's in the major subjects which are English grammar, reading and literature, spelling, social studies and arithmetic. In addition no other grade below B in the other major subjects.

The second qualification is that the student may have no grades below C in any of the remaining subjects during the report period.

The third qualification is that the pupil must be better than average in school citizenship and conduct.

RIVERTON LEAGUE OF WOMEN VOTERS

The newly formed Riverton branch of the League of Women Voters held its second meeting on Thursday, January 29th, at the home of Mrs. Robert Biddle.

Following a program designed to help citizens to know their town, three speakers covered different aspects of life in our community. The speakers were Miss Edith Coale, who recounted a very entertaining history of Riverton; Mrs. Elizabeth B. Parker, candidate for the Board of Education, who produced many pertinent facts about our school system; and Mrs. Eleanor Stokes Smith, who gave a good picture of the work being done by the Riverton Family Service.

The League, which is a steadily growing national organization, enjoys a fine reputation as one of the very few non-partisan political groups in the country. Its purpose is to help citizens to get the facts and to make Democracy work by encouraging active and intelligent participation in our Government.

Those wishing to join may do so by contacting Mrs. Alfred G. Denison, of Riverton.

GEORGE H. BAKER

George H. Baker, of 615 Elm Terrace, Riverton, died on Monday, February 2, at his late residence. Private funeral services were held on Thursday, February 5, at 2:30

MAYOR APPOINTS FUEL COORDINATOR IN RIVERTON

At a meeting of Borough Council held last Thursday, Mayor S. R. Coale appointed Daniel M. Clifton, Borough Clerk, to serve as Fuel Coordinator for Riverton. This action came as a result of a request from State authorities asking that municipalities in the State set up a central office to handle emergency cases during the present fuel shortage.

As Fuel Coordinator, Mr. Clifton will cooperate with fuel supply operators serving the residents of Riverton.

When a situation arises where a fuel oil supplier has no oil to supply to a resident of Riverton and the oil in the resident's storage tank is running dangerously low, the supplier may apply to Mr. Clifton for an emergency oil allotment of 100 gallons, to be taken from the State oil pool, for his customer. Upon prompt investigation of the case, Mr. Clifton may approve the application. All local fuel oil distributors have been notified of Mr. Clifton's appointment. Residents dealing with out of town companies may find it helpful to acquaint their suppliers with this information.

Know Your Schools

"The School Elections"

By Dr. John B. Geissinger

Supervising Principal

February 10 is the day for school elections in most of the communities in the State of New Jersey. On this day voters will pass judgment on proposed budgets and will elect members of boards of education.

Voters in Palmyra will be called upon to vote on a total budget of \$242,174.97 and to select from a field of four candidates three members of the Board of Education, to serve for the next three years. Riverton voters will consider a budget of \$69,670 and will also elect three persons to serve on the Board of Education for the next three years. Six candidates have presented their respective qualifications to the Riverton voters.

One of the most important privileges of citizenship in our democratic way of life is the right to vote. It is more than a privilege; it is a responsibility. Every citizen should vote at every election, regardless of the issue to be decided or the offices to be filled.

The one function of government which most intimately touches the lives of every citizen, regardless of age, wealth, or family, is public education. A community is only as good as its schools. Real estate values depend on the quality of the schools; business is affected by the education and culture of the people in the community; the entire social and civic life of the community centers about its schools.

Yet, last year only 26 people in Riverton and 163 in Palmyra cast their ballots for members of the Boards of Education and the expenditure of more than a million dollars for education in the two towns.

This column has been resumed, at the request of numerous friends of the schools who desire more information about the various problems of public education in this community. Such matters as increased salaries for teachers, improved building facilities, revised courses of study, improved teaching methods, and increased state aid for public education must be dealt with in the months to come. Readers of this column will be given information from time to time which may help in the formulation of opinions and in the evaluation of the progress of "Your Schools."

Meanwhile, may we urge you to come to the polls next Tuesday (in Palmyra between the hours of 5 and 9, and in Riverton and Cinna-minson from 7 to 9), and vote for the proposed budget and for the candidates of your choice. These persons will be part of the board of directors in the company in which you are stockholders. We know that we can count on you.

BOY SCOUT NEWS

Harry J. Baldwin, Jr., Riverside, was re-elected for a second term as chairman of the Riverfront District of the Burlington County Council, Boy Scouts of America, at the District's Fifth Annual Dinner Meeting, held recently at the Riverside Diner. A. T. Hewlett, Riverton, was re-elected district vice chairman. Mr. Baldwin has been associated with the District for over three years, having previously served as Neighborhood Commissioner.

The program of the meeting was under the direction of Henry T. DeHoll, Riverton Scoutmaster of Troop 9, Palmyra, who served as toastmaster. Scout Commissioner J. Russell Horn, Delanco, acted as Song Leader, and the Invocation was given by the Reverend George T. Miller, of the Bethany Lutheran Church, Palmyra, sponsor of Troop 9. Following the dinner, Mr. Baldwin gave his annual report for the operation of the District during the past year. He complimented all of the Unit Leaders, Unit Committees and District Leaders on their fine work during 1947, and further outlined some of the needs of the District in approaching the new year.

The report of the Nominating Committee was given by Ernest A. Paul, Delanco, in the absence of H. A. Thomson, Beverly, who served as chairman of this committee. Gerald W. Pontius, Scout Executive, made remarks on the "State of the District," outlining the highlights of

Scouting in the District during 1947. The District had a fine record in the growth of Cub Scouts, and Boy Scouts.

The speaker of the evening was the Reverend W. Neal Raver, Minister of the Epworth Methodist Church, Palmyra. Rev. Raver gave a stirring and interesting message. Mr. DeHoll served as chairman of the dinner committee and was assisted by the following Scouters: A. T. Hewlett, Riverton; John C. Noone, Palmyra; Ralph N. Bishop, Delanco, and Mario Farias, Beverly.

LEGION NEWS

The Frederick M. Rodgers American Legion Post 156 membership committee and executive staff are working together to achieve last year's membership figure by February 1.

Recognition was given to the local American Legion Post last year for obtaining the 1946 quota by the above date. It was the second post in the entire county to exceed the previous year's figure. Local legionnaires who have not already received their 48 membership card are asked to secure it immediately by contacting Charles H. Yost, Riverton, James Davidson or Post Commander W. Harold Thorn, Palmyra.

A report will be made of the post building committee at the February gathering, Tuesday night in the Palmyra Fire House. Consideration will also be given to the possibilities of the post sponsoring a dance or a military ball in the near future.

Arrangements for this year's oratorical contest sponsored by The American Legion in Palmyra, and the country will be discussed by the post Americanization Committee along with the plans for the Jersey Boys' State Program that will be reported by J. R. Musser, committee chairman.

F. B. I. REPRESENTATIVE AT RIVERTON P. T. A.

"The causes and cures of juvenile control lie in the home," said O. E. Mullinax, special F. B. I. Agent, from Newark, in his talk to members of the Riverton Parent-Teacher Association at the Fathers' Night meeting last Wednesday.

Mr. Mullinax said in part: "Parents should give their children

more love, guidance and the feeling of security. They need these things. They are not naturally bad, but are sometimes driven to it by poor homes where there is divorce, desertion, constant quarreling, poverty and lack of religion. The teaching of God is badly needed.

"Poor school systems contribute to the problem in their failure to provide proper education. One reason for juvenile delinquency is the public failure to demand correct juvenile courts and sufficient legal advice. Another is mental or physical or mental defects in some children. We should all analyze ourselves to make certain that our children are being brought up in the proper environment."

The Fathers' Quartet composed of J. R. Wright, Robert Strahan, Philip T. Flach and Dr. Davies rendered several numbers. Refreshments were served by the fathers. Publicity.

EXPLANATORY STATEMENT

The Borough of Riverton maintained its very good financial condition during the year 1947. The Borough officials appreciate the continued cooperation of the taxpayers in paying their taxes promptly.

The Governing Body has given careful consideration to each appropriation in the following budget. It is estimated that portion of your tax rate (local purpose tax) over which the Mayor and Council have control will increase \$17. This increase was caused by the new appropriation for Police Pensions, which the voters approved, and the new appropriation for trash and ash collection, on which the property owners are asked to express their opinion.

Any other increase in the total tax rate for 1948 will be for County taxes over which the Riverton officials have no control.

RIVERTON SCHOOL

Marking System

The present system of marking
children in our school is one which
is approved and used by the ma-
jority of elementary and high schools
in the country. Our school now,
does not believe in or use the mass
promotion system but has levels of
minimum requirements which must
be attained in major subjects before
the child can successfully attempt
the subject at a higher grade level.

The standards, used by the teach-
ers in establishing the course of
study and subject matter essentials,
are set forth by the State Depart-
ment of Education. Standards used
for the marking of students are
based on the achievement in that
subject at that grade level. Indi-
vidual differences are taken into con-
sideration in the assigning of class-
work and the grading of the work
accomplished.

The mark on the report card of

a pupil indicates his achievement in
the particular subject for that six
weeks marking period. If he is do-
ing average work, getting the major
portion of his assignments correct he
will earn a C. Those doing better
than just learning the minimum es-
sentials will earn a B, and the out-
standing students showing greatest
achievement and initiative and get-
ting excellent marks in tests and
homework will earn an A. A mark
of D indicates the child is doing be-
low average work and is in danger
of failing.

Usually the chief reasons are, lack
of effort, attention, preparation and
home study on the part of the child.
The grade of E indicates failure in
that subject for that report period.
The school definitely recommends a
conference between the parents and
teacher in this case for the reasons
may be numerous.

The present marking system in
use in Riverton is comparable with
other schools in this section of the
country and the standards such that
a pupil transferring from our system
will fit into the same grade and be

doing approximately the same level
of classwork in any modern school
system in this locality.

CHRISTIAN SCIENCE CHURCH
First Church of Christ, Scientist

"Spirit is the subject for Sunday,
February 8.

Golden Text: "Ye are not in the
flesh, but in the Spirit, if so be that
the Spirit of God dwell in you."
(Rom. 8:9)

Sermon: Passages from the King
James version of the Bible include:
"Be ye therefore followers of God,
as dear children: For ye were some-
times darkness, but now are ye light
in the Lord; walk as children of
light: (For the fruit of the Spirit is
in all goodness and righteousness
and truth.) Proving what is accept-
able unto the Lord." (Eph. 5:1,8-10)

Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"The letter of Science plentifully
reaches humanity today, but its spirit
comes only in small degrees. The
vital part, the heart and soul of
Christian Science, is Love." (p. 113)

Presenting the new 1948
PONTIAC
A FINE CAR MADE EVEN FINER!

A Product of General Motors

GM Hydra-Matic Drive optional on all models!

Today, Pontiac announces a series of notable
advancements in the car that has already won
the wholehearted endorsement of more than a
million owners and friends.

Foremost among these advancements is the
new General Motors Hydra-Matic Drive—
now offered as optional equipment on all
Pontiac cars. Pontiac is the lowest-priced car
in the world to provide this great mechanical

masterpiece—which shifts gears automatically,
and completely eliminates the clutch pedal.
Coupled with this great engineering triumph
is a striking improvement in beauty and
luxury. New exterior smartness extends from
the new radiator grille to the streamlined rear
bumper.

Interiors, too, are remarkably improved.
Upholsteries are more beautiful and are
expertly blended to achieve new attractiveness
and charm. Instrument panels are finished in a
smart design adapted from quarter-sawn
mahogany—and an abt use of chrome
moulding adds a deft touch of modernity.

Engine and chassis have been refined wherever
possible—but they remain, basically, the same
engineering masterpieces which have become

synonymous in the automotive industry with
goodness and dependability.

There are many more things we could tell you
about the new Pontiac, for there are countless
improvements which add to its traditional
quality and value. But we feel that, for those
who know Pontiac, we need only say—

—here is, by far, the most beautiful Pontiac
ever built—
—here is the most luxurious Pontiac ever built
—here is the most dependable Pontiac ever built
—and it is now available with GM Hydra-
Matic Drive—optional at additional cost.

We wish only to add that it is here—on display
in our showroom—and that you are most
cordially invited to see and inspect it.

FOUNDER'S MONTH
OBSERVED HERE BY
FOOD CHAIN

A & P Food Stores, which originated the chain store method of food distribution 89 years ago, will observe Founder's Month during February when tribute will be paid George Huntington Hartford whose first red-fronted store was the forerunner of the modern supermarket.

L.A. Mullen, Philadelphia, vice president in charge of the Company's operations in this area, said the Company's principles of efficiency, courtesy and service would be re-emphasized during February.

The Company has planned a major sales campaign to coincide with the observance.

RIVERTON SCHOOL NEWS

Starting Monday, February 2nd, the two sections of the Kindergarten have changed their time of meeting. Those children who have been coming for the morning session now report for the afternoon class and those who have been coming in the afternoon are now in the morning session. The morning class starts at 9:00 and dismisses at 11:30, and the afternoon session is from 1:15 to 3:30 p.m.

Mrs. Sherman L. Warren, Thomas avenue, accompanied her son John when he returned to his home in Chicago, last week where she will make an extended stay.

MRS. BURTON CANDIDATE
FOR SCHOOL BOARD

Mrs. Willetta H. Burton has announced that she stands as a candidate for the Riverton Board of Education.

Mrs. Burton has been actively interested in the Riverton Parent-Teacher Association for the past five years; the last two of which she served as president. In this capacity she came in constant contact with the children and their parents, as well as the faculty and the administrators of the school.

Mrs. Burton has two children at present enrolled in the Riverton Public School. One of her major reasons for permanently locating in Riverton was the school, and she is particularly anxious that a high standard be maintained there for our children.

Prior to her marriage, Mrs. Burton was associated with the Superintendent of Schools of Upper Darby Township, and has always felt a keen interest in children, education and educational methods.

Interested.

MARCH OF DIMES

Because of the inclement weather it has not been possible for the collectors to cover the districts assigned to them and it will be greatly appreciated by the committee if those who wish to contribute will mail or deliver in person to the Post Office their contributions to the March of Dimes.

Mrs. Mervil Haas, Chairman

There is a choice in books as in friends, and the mind sinks or rises to the level of its habitual society. —Lowell.
