ATTORNEY GENERAL EXONERATES HEIM OF MISCONDUCT IN OFFICE

The State's Deputy Attorney General, John Bergin, Director of Criminal Investigation, notified the Cinnaminson Township Committee and the Mayor last Thursday of his decision concerning the charges made against Building Inspector David Heim.

The summary of the complete letter which follows is that there is no evidence of misconduct in office or other criminality involved in the conduct of Mr. Heim.

The complete text of the letter which is signed by Mr. Bergin follows:

"At the request of Cinnaminson Committeemen Karakashian and Webster, this office has made an investigation of their allegations concerning David Heim. Each of the allegations contained in the letter addressed to Attorney General Furman from Mr. Karakashian and Mr. Webster was investigated, as well as additional charges made orally by the same two gentlemen. We have conducted interviews, examined the records available and read depositions taken in the civil case now pending against Mr. Webster and Mr. Karakashian and have come to the conclusion that there is no evidence of misconduct in office or other criminality involved in the conduct of Mr. Heim.

"The allegation stating that Mr. Heim authorized a builder to start work on homes without securing the necessary permits was checked out and our investigation revealed that the failure to require permits at the start of construction was due solely to inadvertence, and when apprised of the matter, Mr. Heim immediately took action. There is no evidence of any favored treatment accorded the builder nor any departure from the plans and specifications filed.

"The charge that on August 8, 1961, David Heim appeared before the Township Committee and orally presented an application for certificate of conformity for eleven stores in which he had a financial interest was also investigated. We find that at the most this was a technical violation of procedure as set forth by the zoning ordinance. In addition, we find no evidence that Mr. Heim concealed his interest in the proposed building or attempted to deceive the Township in any matter.

"Investigation of the charge concerning the storing of flammable materials by a Mr. Paul reveals that Mr. Heim checked the place in question on several occasions and found no flammable materials. When he did find flammable materials, he immediately made a charge under the appropriate ordinance, and the violator was fined the sum of \$200.00. Parenthetically, we note that Mr. Heim is a part time employee whose salary ranges between \$1,500 and \$2,000 a year. Consequently, he can only give your community part time service.

"An oral allegation was made to this office that Mr. Heim threatened a Mrs. Madigan in his official capacity that her home would be subject to condemnation if she did not sell to a developer who contemplated building in the area. Mrs. Madigan was interviewed by Deputy Attorney General McGann and stated that at no time did Mr. Heim threaten her, nor did he tell her that he was representing the city in his official position but, in fact, was talking to her as an agent for the developer. Mrs. Madigan relates that in the course of the conversation Mr. Heim said to her that the developer might be able to bring condemnation proceedings to acquire her land if she refused to sell.

"There were other general allegations concerning builders' failing to

Anyone wishing to become a member please contact Mr. Novak, 829-1778 or Mrs. P. Richardson 829-4442.

SACRED HEART SCHOOL NEWS

Tonight, October 26, the mothers of the 8th grade students are asked to meet in the main school at 8:00 p.m. to discuss plans for the card party to be held on November 30th.

Mrs. John Whitaker is chairman. First Holy Communion will be held on Saturday, October 28th, at 9:00 a.m. Following the mass, the children will be served breakfast.

The parents of the kindergarten will meet on Tuesday, October 31st, at 8:15 p.m. in the kindergarten building. This is the last in our current series of meetings, and all parents are urged to attend.

There are still a few tickets available for the ten-egg mystery ride, so HURRY for reservations. The date is October 30th.

Cotton, linen, and rayon, important fabrics in the feminine summer wardrobe, are especially susceptible to acid damage. Not only can perspiration harm the fabrics, but the wrong deodorant can do just as much damage. So says the American Institute of Laundering, research and education center for the professional laundry industry. Some deodorants are acid in nature and deteriorate the fabric in the underarm areas. Many deodorants have been tested in the Institutes laboratories to determine whether they will harm fibers. Those which are proven harmless to the fabric are given the A. I. L. Seal of Approval.

get certificates of occupancy prior to sale and other permits of like nature. These were in no case substantiated by specific facts.

"We are, therefore, closing our file in this matter in absence of any proof or any reasonable grounds to suspect any violation of the criminal laws.

Very truly yours,

John J. Bergin

Criminal Investigation

FIRST REPORT OF DRIVE

The First "Dutch Treat" Report Luncheon of the United Fund of Burlington County was held Thursday at the Village Inn in Mt. Holly. Father Kearns from the Sacred Heart Rectory gave the Invocation.

Robert K. Rockhill, General Campaign Chairman conducted the meeting. Reports were received from all five Divisions. In summing up, Mr. Rockhill stated that the Drive is better organized and off to a faster start than in previous years.

A weekly report meeting will be held on Thursday, October 26 and November 2nd. At these meetings the first dollar and percentage reports will be available.

"All Volunteers interested in the 'Torch Drive' are urged to attend. Phone Amherst 7-4500 for reservations.

Mrs. John B. Thompson of Burlington, Chairman of the Community Division for the "Torch Drive" of the United Fund of Burlington County, announces the appointment of Mrs. J. M. Steinsieck of Hazel avenue, Delanco as Chairman of Unit No. 6.

The area being covered by Unit 6 includes Cinnaminson, Delanco, Delran, Palmyra, Riverside and Riverton. Volunteers in the Community Division started their house to house campaign on Monday, October 23, 1961.

DEMOCRATIC DINNER-DANCE

Democratic Women of Burlington County will honor their candidates for county office at a dinner and dance on Saturday evening, October 28th. The annual Dinner-Dance is being held at Holy Assumption Hall, Roeboling, at 7 p.m.

Music for dancing will be played by Bill Parker and his Society Dance Band. The dinner will feature Hungarian specialties prepared by the ladies of Holy Assumption Church.

Mrs. Arthur Cox, of Cinnaminson, president of the Burlington County Democratic Women's Club, will greet the guests, and introduce the Toast-mistress of the evening, Eleanor Pall, the Democratic State Committeewoman from Burlington County.

Honored guests will be Assemblyman G. Edward Koenig and his running mate, George H. Barbour; Freeholders Edward J. Hulse and Donald F. MacBride; Surrogate candidate James A. Haines and the two coroner nominees, John Holloway and Francis Brenna.

ROTARY-ANNS HOLD MONTHLY MEETING

The regular monthly meeting of the Rotary-Anns was held on October 19th at the Riverton Porch Club.

At the close of business, Mrs. Grandon Cole, the Avon representative, showed their line of perfumes and cosmetics to the group, after which refreshments were served by the hostesses for the evening, Mrs. Odd Watne and Mrs. William Moore.

The rummage sale held on October 19th was a huge success. All monies from this sale will be used for local charities.

On Thursday afternoon, October 26th, at 2:00 p.m. the Rotary-Anns will visit the Cinnaminson Home. Entertainment and refreshments have been planned for the guests by Mrs. Harry Kuensel, Mrs. Odd Watne and Mrs. William Moore.

Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech. —Mary Baker Eddy

NEW MEMBERS OF CINNAMINSON PARK COMMISSION

Two new members have been appointed to the Cinnaminson Park and Recreation Commission by Mayor Battis — Lester Schaible and John Harris to replace William Burke and Charles Keller who were forced to resign because of business pressures. Other members of the board are: Charles H. Zopf, Chairman, Hal Wagner, Leonard Turner, Mrs. Nancy Bliss and Mrs. Helen Bauer.

John Karakashian is the Township Committee Representative and Secretary for the Board is Mrs. Mary Salerno.

The Fountain Farms Playground was recently placed under the jurisdiction of the Board and plans were immediately formulated for further improvements. The installation of the backstop on the Little League Baseball Diamond has been completed and the playing field has been seeded and groomed for next year's play.

The Board is now awaiting the deed to the Palmyra Extension Playground and cooperating with the Township Committee and Solicitor on the acquisition of the 23-acre Woods Tract. Several other parcels are under consideration, including the area along the Pompton Creek from Moorestown to Rolling Greens through Brynwood, Wellington and Fountain Farms. Ice skating could be enjoyed on this waterway this winter.

The Commissioners have outlined many other ambitious long-range plans, budgets permitting.

Of great interest at this time is the "Green Acres" bill which appears on the November ballot. This bill could provide as much as 50% of the funds necessary to secure the Woods Tract, if passed. The public will be asked to approve a \$60 million bond issue to acquire and conserve land for recreation needs of the future. A "Yes" vote will be a major step towards meeting our goals in recreation services for our citizens.

BIKE TAPING OCTOBER 28 SPONSORED BY LIONS

A Bike taping program, sponsored by the Palmyra-Riverton Lions Club will be held on Saturday, October 28th between the hours of 10:00 a.m. and 1:00 p.m. Club Members will be on hand at the police stations of Palmyra, Riverton and Cinnaminson and the Cinnaminson School parking lot to tape bikes with Scotch-Lite reflective tape.

A record will be made of all serial numbers, names and addresses of bike owners which will be retained by the Police Departments of Palmyra, Riverton and Cinnaminson to aid in the recovery of lost or stolen bicycles.

Inclement weather date, November 4.

THANKS FROM LIONS CLUB

The Palmyra-Riverton Lions Club wishes to thank the residents of the Tri-Boro area for the acceptance of the Clubs Annual Broom Drive.

Without your help in this fund raising campaign, the many Lions charities and activities would not be possible.

PORT AUTHORITY SUIT POSTPONED TO NOVEMBER 3

Superior Court Judge W. Orvyl Schallack last Wednesday granted a request for postponement of arguments in the suit against creation of a Cinnaminson Township port authority.

The judge rescheduled the arguments for November 3 after being told James M. Davis, attorney for the three citizens who filed the suit, would be unable to appear on the scheduled date of October 26. Robert Criscuolo, township solicitor, joined Davis in requesting the postponement.

Community Hymn Service October 29

The Tri-Borough Ministerium will sponsor a Festival of Hymns program this Sunday, October 29, at 8 p.m. in the Calvary Presbyterian Church, Riverton. The Protestant churches of our communities are combining to observe Reformation Day, which is a sacred landmark in the history of the Christian Church.

In reforming the church which existed 5 centuries ago, various emphases and tradition began to give us a variety of Protestant denominations. Out of these religious experiences came many hymns and rich musical influences which will keynote the festival renditions. The choirs and pastors of the churches will present and narrate the program accompanied by the congregation. The Brass Ensemble of the Moravian Church will play its traditional chorals under the direction of Mr. Robert Youngblood. Ruth Fink will be at the organ. Both the chorales and the organ prelude will begin at 7:45 p.m.

The program will include the following: "Of The Father's Love Begotten" —narrated by The Rev. Vincent H. Stohsahl; "All Creatures of Our God and King" —narrated by The Rev. James H. Bailey; "Fairest Lord Jesus" —narrated by The Rev. Morris Tussey; "O Sacred Head Now Wounded" —The Rev. Quentin Ferguson; "Jesus Makes My Heart Rejoice" —narrated by The Rev. William W. Matz; "Our God, Our Help In Ages Past" — narrated by The Rev. Robert Kerr; "Jesus Shall Reign" — narrated by The Rev. Alvin Jackson; "To God Be The Glory" — narrated by The Rev. Lloyd Frederick and "For All The Saints" — narrated by The Rev. Champion Goldy. Some of the hymns will be played by the handbell choir of the Presbyterian Church and others will be sung antiphonally between the choirs and the congregation. Everyone is invited to attend.

DO NOT WALK BETWEEN PARKED CARS

The dangerous practice of stepping into the street from between parked cars causes about eight per cent of all pedestrian deaths in cities, according to Frank J. Quinn, Secretary-Manager of the AAA Automobile Club of Central New Jersey. The contributing factor in most such accidents is that the motorist fails to see the victim in time to stop, the AAA Club official said.

All pedestrians were urged to cross the street only at intersections where traffic signs and signals are located for their protection. He pointed out that Safety Patrols provide additional help at school crossings.

The theme, "Keep from Between Parked Cars," is featured on a safety poster now being distributed to elementary and junior high schools this month in the Central New Jersey Area by the AAA Automobile Club of Central New Jersey as part of its regular monthly safety education program.

Highlighting the Lesson-Sermon entitled "Evershifting Punishment" is the Golden Text from the Bible: "Wherefore doth a living man complain, a man for the punishment of his sins? Let us search and try our ways, and turn again to the Lord" (Lam. 3).

One of the citations to be read from the Scriptures by Mary Baker Eddy states: "Mortals move onward towards good or evil as time guides on. If mortals are not progressive, past failures will be repeated until serious work is effected and rectified. . . . The divine method of paying sin's wages involves unwinding of the small and learning the experience how to divide between sin and Soul" (p. 240).

Senior Interest

At a meeting held in the parlor of the Epworth Methodist Church to discuss the problem of the senior citizens of the community at least a start was made to create more interest of perhaps not only the seniors who have retired, but also those on the brink who sooner than they think will enter the realm of seniors. Mrs. Clover acted as chairman at this meeting which was composed of the Rev. Champion Goff of the Methodist church, Mr. and Mrs. Dickerson, Mr. and Mrs. Harry Strang, Mr. and Mrs. Lord, Miss Walcott and Miss Hollingshead, yours truly and wife the Gests.

The pros and cons pertaining to the possible ways and means to increase more interest in general welfare of those confined within the four walls as well as those who are still able to participate in a gathering of all who can in a profitable way of sociability and amusement and also dispel the ideal of many that age is not governed by years but by the ability the good Lord has allowed them to possess.

We are aware of the fact that in a community consisting of a small number of seniors it would not be possible to organize a large group, but even a small number of elders interested in the meeting once or twice a month of old time acquaintances would be the means of mental benefits as well as a feeling of being wanted.

Various studies will be made and the results will be made known one way or another if it is found that enough seniors can be interested.

Any one who reads this can contribute by making the facts and intentions of above mentioned meeting known to any senior whom you may know who would be interested.

LOCAL OFFICIAL OF HOSPITAL FOOD MANAGEMENT

Thomas Whelan, of 2313 Laurel Drive, Cinnaminson, has been appointed operations manager of Hospital Food Management, Philadelphia.

Whelan, former operations analyst and district manager for the company (an affiliate of Slater Food Service Management), is responsible for operation of dietary departments in hospitals in 14 states. He is a former hospital consultant.

Married and the father of four sons, Whelan is a graduate of the Cornell School of Hotel Administration.

"THE DARK AT THE TOP OF THE STAIRS"

"The Dark at the Top of the Stairs" will be presented by the Footlight Players, November 10-11, at the Riverton School Auditorium, under the auspices of the Cinnaminson Community Center. This fascinating play is a must for those who are interested in people, life and events. To obtain tickets for this production, please contact Mrs. Harry Bauer, Jr. at 829-1501.

"The Dark at the Top of the Stairs" is a warm drama depicting the trials and tribulations of the Reuben Flood family. The scene is their Oklahoma home in the 1920's. Cora Flood, portrayed by Pam Grimmer, is an overly devoted mother and in so doing neglects her husband, Jim. Jim is cast as the handsome, fun-loving, salesman husband of Cora. Their children are reflections of their mother's possessiveness. Kenny Mount does an excellent job of the shy, sensitive, ranting Sonny and Mary Piller portrays her selfish, studious sister, Renee. The comedy interest of the play lies in the most capable hands of Dr. and Mrs. Lacey. Harry Rutter and Marion Fort respectively. Gwen Snover is a teenage girl named Flirt whose name is synonymous with her actions. David Hildreth is a teenager, Punky. Although Sammy is a small part in size, the play would not be without him. This major influence is played by Jim Corson.

"N. J. needs more jobs"

"The present state administration is defeatist about jobs. It has let industry after industry slip away. As Governor, I will use experience and contacts gained as a businessman and as Secretary of Labor to attract and encourage industry. This will mean more good, steady, well-paid jobs and a growing economy."

RIVERTON SCHOOL NOTES

Submitted by Judith Anne McVaugh

This year's French program for seventh and eighth grades, under the instruction of Mrs. Eileen Durgin, has begun on a note of culture. A cultural visit to France has been made possible by the combined aids of slides, texts, and records. Thomas Hendren, of the eighth grade, shared with his class many beautiful post cards showing places that he visited in Paris during the summer. With the help of the opaque projector, all were able to see as he described his personal accounts of many famous landmarks.

The seventh grade girls and boys are learning to converse in French and had the experience of hearing their own expressions and accents on the tape recorder. They have just learned a few French folk songs and are looking forward to adding more to their collection.

Elizabeth Reynard

Mrs. Margaret Hughes' eighth grade is busily making plans for the Halloween party since they will be the hosts this year to Mrs. Mary Johnson's class. The party will follow the traditional school masked parade.

Mrs. Hughes' class also held a homeroom class meeting. The President Randall Bye and the Vice-President Lawrence Greco discussed with the class the importance of the UNICEF drive organized this year by the Student Council. Randall and Lawrence asked for volunteers to go out trick or treating for UNICEF. There were several members of the class who volunteered. The party and the drive will both take place on the 31st of October.

Barbara Warner

The pupils in Mrs. Leah H. Mayer's fifth grade class have been studying about gourds. They read about them in the encyclopedia. They studied the seeds' color, size, and shape. Some pupils had raised gourds and they tied this in with an art lesson.

Mrs. Helen Markley's class has been studying telephones and telephone etiquette. The Bell Telephone Company sent the class a film on telephones, two telephones with which to practice, and some cardboard telephones for themselves to construct. The class is studying Washington, D. C., in social studies. They have brought in pictures and postcards of the nation's capital.

Judith Anne McVaugh

Formal class meetings have been held in Mrs. Eileen Durgin's seventh grade class by the president, George Schemp. Business usually includes student council reports by the class officers who also serve as representatives. In addition to the president they include Alison Coan, vice-president; Karen Zimmermann, secretary, and Wayne Bacon, treasurer.

The next meeting will be combined with the other seventh grade class for the purpose of discussing their forthcoming P. T. A.-sponsored dance. Plans will be made in the near future for a Halloween party, and shortly thereafter Alison Coan as chairman will have charge of the 7-D monthly club entertainment.

Elizabeth Reynard

Mrs. Inger Shook's kindergarten class has recently covered a unit on safety. They each made their own safety booklet.

With the change in season they are beginning a nature study of trees and their leaves.

Martha Howell

In seventh grade science, the students are classifying all animals into their ten phyla. Each has contributed a specific drawing to the large bulletin board display, and Judith Munro and George Schemp have taken charge of display tables on animal life. In addition to many beautiful shells contributed by the girls and boys, Judith Munro is displaying a large sturgeon's backbone, and George Schemp has added the furs of a desert fox and mountain wolf as well as the skin of a king cobra. Many members of the class are now

awaiting the ripening of their parametric cultures or observing eating habits of earthworms. Mrs. Eileen Durgin is their science teacher.

Elizabeth Reynard

Mrs. Leah H. Mayer's fifth grade class has recently received a telephone kit as did Mrs. Helen Markley's fifth class. The kit includes a film, a filmstrip, two real phones, and a cardboard kit for each pupil to make a phone for himself.

Mrs. Mayer's class has also made paper bag masks for Halloween which they have displayed to some other interested classes.

Judith Anne McVaugh

Miss Marian BARNER's fourth grade class have written a play which they will give in an assembly this month. The announcers of the play are: Constance Jones, James Anderg, Jacqueline Grella, Debra Aydelotte, Leigh Potte, Wayne King, Judith Stilwell.

The first act is about dinosaurs which were drawn by James Anderg, Richard Bell, Clarendon Griffith, Charles Coe. The dinosaurs are acted out by Marcia Vaughn, David Harrison, Clarendon Griffith, Constance Jones, Elleneth Fletcher.

The second scene is about cave people who will be acted out by Ingrid Swanson, Anthony Reeves, Mary Zwinner, Richard Handschuh, Robin Windsor, Stephen Miller, Charles Coe, Richard Bell, Clarendon Griffith, James Anderg, Kathleen Altieri.

Judith Anne McVaugh

Many members of 6W class, following the assembly program, received pins given by Mr. Warner for reading books for the American Library Club. Martha Syer, Leon Warner, Michael Robinson, Barbara Musser, and Barbara Shirley were awarded "Life" pins for reading eighteen books and making reports on them. Peter Ulrich, Owen Groman and Richard Nisula received pins for reading twelve books. Last year this class received pins throughout the year.

The Tri-Borough Junior Woman's Club was represented at the Fall Conference of the Junior Membership Department of the New Jersey State Federation of Women's Clubs recently by three members. Those attending were: Mrs. Mechell Shadde, President, Mrs. Richard Price, Junior Advisor and Mrs. James Schuler, Chairman of the Welfare Department.

Pleased to have the Reverend Francis V. McCusker, pastor of St. Charles Borromeo Parish, as their honored guest at a Kaffee Klatsch in their home were Mr. and Mrs. Charles Mayer, of Fountain Farms, on October 18th. Mr. and Mrs. Sendall of Birchwood Farms, on October 17th and Mr. and Mrs. J. Amstock, of Chatwyck, on October 18th.

Barry A. Taylor, of 2115 Brandies avenue, Cinnaminson, has been promoted by Sealtest Foods to personnel director of the company's operation in Baltimore. Taylor has been with Sealtest two and a half years as personnel manager for several Philadelphia area processing and manufacturing plants. Taylor is a veteran of the U. S. Marine Corps and a graduate of Rensselaer Polytechnic Institute.

James R. Hendren has been elected to the Freshman Senate at Ohio State University, Columbus, Ohio. He is one of fifty students who will govern the Freshman class of 6,300 students who are attending the various colleges on the campus.

James is a recent graduate of Palmyra High School and the son of Mr. and Mrs. Robert R. Hendren of 105 Bank avenue, Riverton. He is enrolled in the College of Engineering.

During October, 35 employees of Public Service Electric and Gas Company completed 25 years' service with the Company and were presented gold service emblems in honor of the occasion.

Gold emblems denoting completion of a quarter century of service are being presented this month to Edwin H. Chambers, Jr. of 820 Homewood drive, Riverton. He is a service dispatcher in the Southern electric distribution department—Camden Area.

Continuing in his effort to become acquainted with all his parishioners of St. Charles Borromeo parish in Cinnaminson Township, Reverend Francis V. McCusker, Pastor, attended a Kaffee Klatsch at the home of Mr. and Mrs. Francis X. Dalton, 2160 Walnut place, Brynwood Square on Sunday, October 15.

These interesting get-togethers will continue in this, and all other areas until the entire parish will have been visited. Everyone invited is urged to attend these Kaffee Klatsches for and enjoyable and informative evening.

TOWNSEND-BETTEN

The marriage of Miss Liv Betten, daughter of Mr. and Mrs. Ola K. P. Betten, of Halsaa, Norway, to Mr. Richard James Townsend, son of Mr. and Mrs. Ralph E. Townsend, 407 8th street, Riverton, took place on October 14th at St. Luke's Church in Devon, Pa. The Rev. Theodore C. Schlack officiated.

GARDEN EXPERT

TO SPEAK HERE

The Garden Club of the Tri-Borough Women's Improvement League will present Roy J. Kersey in a special program at the Tri-Borough Community Center, on Tuesday, November 14 at 8:00 p.m.

Mr. Kersey, whose broadcasts are heard regularly over Station WFIL, hails from Old Lancaster road in Devon, Pennsylvania.

He plans to discuss pruning, Azaleas, evergreens, plant nutrition and transplanting.

At the conclusion of his lecture, a question and answer period will be conducted to help solve any local horticultural problems.

The program will be open to the public. There is no admission charge.

THE NEW ERA, THURSDAY, OCTOBER 26, 1961

SECTION TWO

FROM THE OFFICE OF THE MAYOR

During this coming week our doorbells will be rung a number of times by those soliciting our aid. First, the school children of our town, for their "trick-or-treat" are unselfishly soliciting your aid for UNICEF, the United Nations Children's Fund. I feel that their request for your nickel or dime for this cause instead of a handful of penny candy for their own grab bag is worthy of our support and an act of unselfishness on the part of our children.

Secondly, one of your neighbors next week will be ringing your doorbell on behalf of the United Fund of Burlington County. The 25 organizations in this county-wide appeal do a world of good for those who need help and merit your loyal support.

Riverton, in the past been known as a generous town. Let us really show it this year in our support of the United Fund.

For reasons, good or bad as they may be, one of the large industrial organizations in the county has withdrawn its direct support to the United Fund. This withdrawal, announced at the last minute is a severe blow to the Fund and the organizations which it supports. Let's buckle to and show that, despite this loss of support, we can still put it over.

ZURBRUGG ANNOUNCES HEALTH EDUCATION PROGRAM

A health pamphlet, to be known as "Zurbrugg Hospital and Health", will be issued late this week.

An initial distribution of approximately 2,300 copies will be mailed as a trial.

The pamphlet, a four-page bulletin, contains information designed to advise people in the communities served by Zurbrugg Memorial Hospital, Riverside, regarding health. These towns include Riverside, Riverton, Palmyra, Cinnaminson, Delanco, Beverly, Edgewater Park, Burlington, Levittown, Rancocas and other outlying areas.

"The publication of Zurbrugg Hospital and Health is a part of our program of hospital service," advised Donald R. Satrom, a member of Zurbrugg's Board of Trustees, and manager of Wood Conversion Company, Delanco.

"Hospitals are rapidly becoming community health centers. Health education is part of this picture. We hope this publication, through its health education material, will help people stay well," Satrom continued.

Members of the medical staff are aiding in the production of this health publication.

Zurbrugg is a participating agency of the United Fund of Burlington County.

COLLEGE DAY AT DOUGLASS

College Day, Saturday, November 11, sponsored by the New Jersey State Federation of Women's Clubs, is designed to acquaint college preparatory girls with Douglass College, Palmyra High Junior and Senior girls, Tri-Borough Women's Club members, teachers and friends are invited to attend. The program consists of a campus tour, organ recital and general assembly, followed by the Rutgers vs. University of Delaware Varsity football game at 2:00 p.m. Visitors are requested to bring a box lunch. Dessert and beverage will be served.

Students' registration fees will be paid for by the Tri-Borough Woman's Club. The Club will try to arrange transportation for students. For reservations contact Mrs. E. T. Clair, 829-6908.

A PROCLAMATION

The following Proclamation has been issued by Mayor John H. Thompson, of Riverton. The drive is sponsored by the Student Council of the Riverton Public School.

WHEREAS: October 31st, Halloween, is a holiday especially for children; and

WHEREAS: Millions of American youngsters share the holiday each year by Trick or Treating for UNICEF and "the world's needy children"; and

WHEREAS: Trick or Treat for UNICEF is a constructive expression of American children's concern and friendship for their less fortunate contemporaries; and

WHEREAS: UNICEF, the United Nations Children's Fund, is helping about 55 million children and mothers to better health in over 100 countries and territories by assisting governments in programs of disease control, nutrition, and maternal and child welfare; and

WHEREAS: Each coin collected by Trick or Treators will mean food or medicine for the sick and hungry children of the world.

I, John H. Thompson, Mayor of the Borough of Riverton, do hereby proclaim October 31st as UNICEF Day, and urge every citizen old and young alike to participate in Trick or Treat for UNICEF and to welcome the properly identified Trick or Treators at the door. In witness whereof, I have set my hand and seal of the Borough of Riverton, on this 10th day of October, 1961.

When a good driver and a poor one meet head on, both get the worst of it. But, according to the Institute for Safer Living, the American Mutual Liability Insurance Company, the good driver is more apt to take the necessary steps to prevent an accident. More often than not he succeeds. It pays to be a good driver.

HONORED BY COUNTY MUNICIPAL ASSOCIATION

Donald C. Beard, Treasurer and Business Administrator of Cinnaminson Township was elected secretary-treasurer of the Burlington County Municipal Association at a meeting of the organization held on Thursday night of last week in Mt. Holly.

Mr. Beard succeeds Joseph Phil, municipal clerk of Delanco who resigned because of ill health.

In additions to the positions listed above for Cinnaminson Township, Mr. Beard is also Deputy Building Inspector, Registrar of Vital Statistics and a member of the Industrial Committee.

A Dance to benefit St. Charles Borromeo Parish of Cinnaminson, and to meet its pastor, the Reverend Francis V. McCusker, is being held on Friday, November 3rd, at the Sacred Heart School Hall, Riverton. Dancing will be from 9 p.m. to 1:00 a.m. to the music of Ralph Dages' Melody Four Plus One.

Tickets will be distributed soon, and will include music, dancing and set-ups.

KOSTOS AND PERLMAN URGE MASTER PLAN

Theodore M. Kostos and Sidney H. Perlman, Republican candidates for Cinnaminson Township Committee, today urged the approval of a Master Plan for the Township. They stated it was imperative that immediate steps be taken to develop a constructive program for all aspects of the Township.

Kostos and Perlman stated that the population explosion, which has occurred in the Township, has created grave problems because of the imbalance in many sectors and facets of the community. They stated that eyesores were mushrooming on Route 130, that industrial ratables were not in balance with the tremendous growth in the school population, that road and drainage facilities are not keeping pace with the growth, and that property values are being endangered.

It was pointed out by Kostos and Perlman that through a Master Plan, good planning can be accomplished which will assure sound, logical and efficient future developments of our community. A planned community is a must for industries seeking new locations. It is indispensable to balanced development. Good planning makes for higher property values, expansion of business and industry, stable investments in home and property and a community which is more esthetic and achieves greater prestige.

Kostos and Perlman pointed out that 3/4 of the cost of the Master Plan is paid for by the federal government under its "701" program. It is obvious to anyone who has studied this matter that a Master Plan does not cost money, it actually saves the taxpayers thousands of dollars each year by higher ratables and more efficient government.

What is defeat?—Nothing but education; nothing but the first step to something better. —Wendell Phillips

REFERENDUM ON CINNAMINSON BALLOT REGARDING PAY INCREASES FOR THE POLICE

The members of the Cinnaminson Police Department wish to bring to the attention of the voters their request for a raise in salary for police officers in the Township.

This subject will be voted upon in the General Election as a local referendum.

Police officials state that truck drivers, laborers, delivery men and janitors too are taking home pay from \$100 to \$150 per week while police take home less than \$100 for the same period.

The cost of living has gone up 127% over the past few years while police salaries have increased only 26% during this time, they point out.

Police officers, they state, are the only municipal employees who work on Saturdays, Sundays and holidays without overtime pay and are also on call 24 hours a day.

"The referendum takes the matter of a salary increase out of the hands of the politicians and place it squarely before the citizens of the community," the statement concluded.

NEW GUIDE TO FILMS AVAILABLE FREE TO CLUBS

More than 300 movies available on free loan to clubs and other adult groups are described in a new catalog, "The Pocket Guide to Free Films," just published by Modern Talking Picture Service.

The films range in content from travel and sports to guidance for the home craftsman, fashion reviews and an explanation of the stock market. Running times range from 10 to 30 minutes. All of the films are 16mm-sound and most are in color.

The movies are made available on loan by numerous industrial companies, professional societies and other organizations as part of their public information programs. Modern Talking Picture Service acts as film distributor for the various organizations.

Copies of the 32-page catalog may be obtained free from Modern Talking Picture Service, 247 South Broad street, Philadelphia 7.

TRI METAL WORKS, INC. BEGINS PLANT ADDITION

Tri Metal Works, Inc., East Riverton, nationally-known manufacturer of refreshment vehicles, began construction of a new factory addition last week.

The new, 9,600-square foot addition will nearly double the firm's existing facilities on a tract at Barnard and Warrington streets. The current project is the second major plant expansion at Tri Metal within a year.

The new structure will be built of all-strand steel. It will be 160 feet long and 60 feet wide. Side walls will be 20 feet high, with the highest roof point reaching 30 feet.

Work is scheduled for completion by late December.

The additional factory building will be used primarily for construction of mobile refreshment units and heavy fabrication. When the building is completed, Tri Metal's present plant will be used mostly for the manufacture of high vacuum equipment and the preparation and assembly of component parts for refreshment trucks.

Tri Metal currently specializes in the manufacture of Freezer-Fresh soft ice cream trucks, Oven-Fresh pizza-refreshment mobile units, and custom-designed traveling food caterers.

Organized in 1946, Tri Metal now has its mobile refreshment products operating in 34 states, Canada and Puerto Rico. The company is the world's largest non-franchise manufacturer of food and drink conveyances, having turned out more than 300 refreshment units for each of the past three years.

ATTENTION! VOTERS

Any permanently registered voter who moved WITHIN THE DISTRICT since the Primary Election, April 18, 1961 and has not notified the County Board of Elections of his change of address may vote in the General Election, November 7, 1961 as registered upon taking an affidavit giving his new address.

A permanently registered voter who has CHANGED HIS NAME after the Primary Election, April 18, 1961 and who has not re-registered may vote as registered at the General Election, November 7, 1961 by signing the signature copy register with both his previous and new name.

Any permanently registered voter who moved WITHIN THE COUNTY after September 28, 1961 may return to the district where he is registered and vote by taking an affidavit giving his new address.

Polls will be open General Election Day, November 7, 1961 from 7 a.m. to 8 p.m.

"AFTER HIGH SCHOOL, WHERE?" SUBJECT OF P. T. A. FORUM

What will your child do after he graduates from high school if he is not going on to college? Is there some place that he may learn a skill with which to earn a living? The way you vote on November 7th may help determine the answer to this question, because on November 7th you will be voting on a referendum concerning the establishment of a Vocational School and Program for Burlington County.

The P. T. A.'s of Cinnaminson, Palmyra and Riverton feel that this is important enough to warrant a special meeting on November 1st at 8:00 p.m. in the Riverton Public School auditorium.

To help understand all the problems connected with this proposal and the actual functioning of a Vocational School, there will be a panel of three: Joseph Kreisel, Director of Camden County Vocational and Technical High School; William Apetz, Superintendent of Schools for Burlington County and Edward J. Hulse, Director of the Board of Chosen Freeholders.

Mr. Kreisel, a graduate of Rutgers University, had much experience as instructor and lecturer at both the Middlesex County Vocational and Technical High School and Fairleigh Dickinson College, Extension Division. His career has been further distinguished in his present capacity as Director of the Camden School for the past five years.

Mr. Hulse has been Director of the Board for the past two years. His education started with the public schools in Mt. Holly and continued with the Wharton School, University of Pennsylvania. His genuine interest for Burlington County leads him to actively participate in numerous civic and welfare activities.

Mr. Apetz, a graduate of Glassboro State College and Rutgers University, began his teaching career at the Lakewood School, then on to Principal of that school. His experience broadened further as Superintendent of Schools for Franklin Township and Southern Gloucester Regional, which directly led him to a similar position for Burlington County in 1959.

A question and answer period will follow the individual talks, to be moderated by Thomas D. Griffith, of Riverton.

Physical discomfort can be a real driving hazard according to the Institute for Safer Living. Be sure that the driver's seat is adjusted comfortably and that you feel physically alert while behind the wheel.

bounds. Every township resident must be seriously concerned that the administration of affairs here be sound, with far-reaching objectives and devoid of partisanship by cause of purely political ends.

"To date I have held no political identity by registration, nor any political goals. In closely following the activities of the local government over the past many months, I find it necessarily sane and logical to subscribe to the positive progressive programs, sponsored and advanced by the Democrat Party in our community as compared to a policy of obstruction and mere criticism by those persons (persons equally in position to support and advance undertakings of benefit to Cinnaminson Township and its citizens) representing the opposition party in this potentially outstanding community.

"I am grateful in having been selected by the Democrat Party as a candidate for Township Committee. I assure the people that my only aim and interest in serving Cinnaminson is to represent them in managing the Township in their own best interest as citizens and taxpayers.

"The Democrat Party and I as one of its candidates urge community improvement and advancement without community misunderstandings."

Daniel 'Bud' McCarthy was born in Williamsport, Pa., where he attended Williamsport High School. He is a graduate of St. Bonaventure University, and later took two years of graduate study at George Washington University. He is presently Regional Sales Manager for Universal Rundle Corporation, which position he has held for nine years.

'Bud' presently resides at Devon road in the Wellington Park section with his wife, Suzanne and their eight children, Suzanne, Mignon, Daniel, Camille, Colleen, Sean, Kim and Leslie.

Bob has served two three-year terms on the Township Committee and in 1959 served as Mayor of our Community. In 1960 he was appointed Chairman of the Cinnaminson Centennial Celebration which was such a huge success. He presently resides at 24 Woodside Lane and has been employed by New Jersey Bell Telephone Co. for 15 years, the last five as supervisor in Installation Department. He is married to the former Lillian Stowe, of Palmyra and has two sons, Steve, a graduate of Palmyra High School and Richard, attending Cinnaminson Public School.

Past President and one of the Founders of Cinnaminson Democrat Club.

C. Robert 'Bob' Durborow and his family have lived in Cinnaminson the past 18 years and are considered old-timers because they have seen Cinnaminson grow from a rural farm community to the progressive urban city we have today. Bob was a graduate of John Harris High School in Harrisburg, Pa., and after moving to New Jersey served in World War II as a Sergeant in the 42nd Inf., Rainbow Division and was awarded the Bronze Star Medal. On his return from the service he resided at 21 LeJune Road where he first became interested in community affairs. He served as President of the Extension Civic Association and Commander of Post 156, American Legion in 1954. He is presently serving as President

MARGE

MARGARET M. DOWNEY

In running for Township Clerk on the Democrat ticket, Margaret had this to say, "I was appointed to fill an unexpired term by the Democrat majority on the Township Committee and I consider myself proud and fortunate to be running on the Democrat ticket with Bud McCarthy and Bob Durborow. Being Township Clerk for the past year has, of course, kept me very close to the actions of the Township Committee. I sincerely believe that the Democratic majority has acted always for the best interest of all the people in the Township, and would urge all our voters to continue this majority by voting for McCarthy and Durborow on November 7."

Margaret M. Downey and her husband, Thomas E., live at 3 Arbor Road, Riverton. They have lived in the township for the past two years and have two children, Anne Kathleen, age 18, a student nurse, and Thomas, Jr., age 13, a student of Sacred Heart School of Riverton. Margaret is a graduate of Ursuline College in Cleveland, Ohio, and also did graduate work at Ohio State University. Margaret's employment prior to coming to Cinnaminson Township was as secretary to the President of the National Bank of York County, York, Pa. She is also a past president of the Catholic Daughters of America and has been an active member of FTA organizations for the past 12 years.

OUR PLATFORM

1. Efficient low-cost trash and garbage collection.
2. Establishment of a community park and neighborhood park areas under our present Park and Recreation Commission.
3. Continued cooperation with our School Board.
4. Planned road construction program.
5. Continued effort toward full development of our industrial ground to reduce residential property taxes.
6. Continued intelligent law enforcement by a progressive Police Department. This is our only interest in law, not op-

pressive law suits as instituted by our Republican Committee-men to hamstring efficient and harmonious operation of government.

7. Continued effort to stabilize our low local purpose tax.
8. Local government appointments based on qualification and merit—not partisanship—(1961—31 Democrats, 29 Republicans). These appointments prove the non-partisanship of the Democratic approach to local government.
9. Continued efforts to correct drainage problems.
10. Retention of our adequate snow removal program.

Our platform does not propose a Shangri-La as our Republican opponents promise. The Democrat Party having been in power only two years will continue to make Cinnaminson a Main Line Community, of which we will all be proud. We are for a positive program of achievement. We are against a return to the stagnation and neglect the township experienced under 50 years of previous administrations.

CONTROL OF EAR INFECTIONS

By Irving L. Ochs, M. D.
Ear, Nose, and Throat Surgeon
Johns Hopkins Hospital
Baltimore, Md.

Discharges from the ears are not uncommon in babies. Sometimes a mother may find thick pus in the ears as a complication of a respiratory infection, which means that an infection of the middle ear has broken through the eardrum to the outside.

Only a few years ago, such infections were very serious. The disease would also invade the mastoid cavities, making mastoid operations the most common surgical procedure in pediatric hospitals.

Antibiotics have changed the picture radically. The germs involved are readily controlled by modern drugs so that mastoid operations are now quite rare. The small opening in the eardrum, when it occurs, will heal naturally as the infection subsides.

There's another kind of infection of the ear that does not respond to antibiotics given by mouth or by injection because of the resistant germs. It is confined to the outer ear canal.

The discharge in these ear canal infections is usually green and of foul odor and appears in such quantity that it will be quickly seen. While infections of this type can continue for months despite conventional treatment, they can now also be cleared up promptly, without damage to the health or hearing of the child.

Although the several kinds of organisms which infect the outer ear canal will often include some types that resist antibiotics, we have developed a treatment which has been very successful, and without adverse effect upon the baby. Acetic acid, the basic acid of vinegar, is the chief medicament employed, with other ingredients added to assure good spreading and to prevent evaporation.

Laboratory tests have shown that the solution kills virtually all the germs that infect the ear canal within 30 seconds of contact; treatment is continued for three or four days to insure eradication. Now available to all physicians as a special solution, it is in wide use and there have been several reports of its effect and safety in leading medical journals.

The best advice about what to do about discharges from baby's ears that I can give to mothers is simply, call your doctor. He now has the drugs and techniques to clear up the problem in short order.

NEW JERSEY BLUE CROSS COST WELL BELOW NATIONAL AVERAGE

Hospital Service Plan of New Jersey (Blue Cross) had a lower operating expense ratio than the average for the 82 similar plans in the U. S. and Canada during the first quarter of this year, according to a statistical report released this week in Chicago by the Blue Cross Association.

New Jersey Blue Cross expended only 4.49 percent of its subscription income to operate the plan during the 3-month period, as against 5.01 percent indicated in the report for all plans.

Another index of operational efficiency, the operating expense per subscription contract, also showed the New Jersey plan in a favorable light. During the quarter, it cost the Newark-based plan just a fraction over 31 cents per contract, as against nearly 33½ cents for all plans in the United States.

The 4.49 percent operating expense ratio means that, of every dollar paid in Blue Cross subscriptions in New Jersey, more than 95 cents is earmarked for necessary hospital care.

REPUBLICANS CRITICIZE KOENIG OF BORDENTOWN

A charge of "conflict of interest" was lodged against Edward Koenig, Democrat candidate for re-election as Assemblyman and also incumbent as Commissioner and Mayor of the City of Bordentown. The charge was leveled by Gardner Crowell and Edwin B. Forsythe, Republican candidates for Assembly from Burlington County. Forsythe and Crowell said they were expressing a layman's viewpoint that Koenig is in violation of the spirit, if not the letter of a recent New Jersey Supreme Court decision which ruled that a man could not serve both as Mayor of the Town of Dover and also a member of the Board of Chosen Freeholders of Morris County.

Candidates Crowell and Forsythe based their charge on the fact that a large portion of the legislation passed by the New Jersey Assembly directly affects the powers of municipal government. They pointed to a statement in the Court's opinion, delivered by Chief Justice Weintraub, that "an officer cannot serve two masters with conflicting statutory roles." The candidates noted that, the Court's opinion also said that "as government becomes more complex and additional roles are assigned, the opportunities for dual officeholding must inevitably diminish."

"Mr. Koenig can no longer be silent on his behavior on this matter. The people of Burlington County deserve a full explanation," Crowell and Forsythe said.

HIGH SCHOOL DRIVER EDUCATION EXAMINATIONS

High school driver education examinations in New Jersey reached an all time high during the 1960-61 school year as 47,849 students qualified for driver education certificates under the high school driver education program, it was reported here today by Acting Motor Vehicle Director Ned J. Parsekian.

It is further reported that since 1940, the first year of high school driver test record-keeping, some half million students have taken the driver examinations under the school programs.

Director Parsekian pointed out that 25,115 students, or 52.3 percent of the number who qualified during the school year, completed the entire course which requires a minimum of 30 clock hours of classroom study and six hours of behind the wheel training. This latter figure represents an increase of 3,413 students over the previous year.

Of the 47,849 students examined during the 1960-61 school year, 43,052 were enrolled in public high schools and 4,797 were students in private and parochial schools.

The number of students in private and parochial schools who took the complete course, minimum classroom hours and behind the wheel training, dropped from 1,030 during the 1959-60 school year to 875 last year. A total of 18 private and parochial schools offered the complete driver education course. The same number of participating institutions as in the previous year.

The report disclosed that the use of cars for practice driving increased from 221 to 244 during the past school year.

The Department of Education certified 683 teachers for the public high school driver education program during the past school year, and an additional 53 instructors were certified to handle the program in private and parochial schools during 1960-61.

"High school driver education contributes importantly to traffic safety in many ways, but most especially in creating proper attitudes and instilling safe traffic habits which are the foundations of accident-free and efficient transportation in this motor age," said Director Parsekian.

"The individual high school student is more interested in motor vehicles and their operation than almost anything else in the world. We must direct this natural interest and enthusiasm through the driver education program so that the adolescent is safe-guarded today for an adult career inevitably to be associated with the driving of motor vehicles," he added.

SOCIAL SECURITY FOR DOMESTIC HELP

Many maids, cooks, and other workers in private homes are not getting credit under social security, according to Nicholas A. Stockman, district manager of the Camden Social Security office.

If you work for someone in their private home make sure you get social security credit for your work by following these simple rules: If your work is in a non-farm home and you receive \$50 or more in cash wages during any calendar quarter from any one employer, insist that the employer report your earnings and pay the social security tax. Also be sure your employer copies your name and social security number from your card.

When you reach age 62 you may receive monthly old-age benefits, but only if a certain number of quarters of work have been reported for you. The number you need ranges from 6 to 40, depending on your age.

For example, a woman who reached age 62 in 1957 or earlier needs only 6 quarters. If she is 62 this year she needs 10, or if she will reach 62 in 1970 she will need 19 quarters of work.

Workers who become unable to work any time before age 65 may receive disability benefits if they have enough quarters of work. If a worker dies at any age, benefits may be paid to her survivors. Make sure your earnings are reported — it's very important to you.
