STRAWBRIDGE & CLOTHIER

Anniversary Sale

FROM the modest beginning in 1868 — when Justus C. Strawbridge and Isaac H. Clothier formed a partnership for the carrying on of a retail dry goods business — the name of Strawbridge & Clothier, through a rigidly-adhered-to policy of honest values and fair dealing, has attained a dominant position in the commercial world of to-day.

This June we round out our Fifty-first Year of steady, continuous growth, and during this memorable Anniversary Month hundreds of thousands of dollars' worth of seasonable, desirable merchandise will be sold at less than present market values.

**IT WILL PAY YOU TO COME A HUNDRED MILES
OR MORE TO PARTICIPATE IN THESE VALUES**

The number of Women's Suits, Dresses, Coats, Capes and other Outer Garments which we have assembled for this great value-giving event total well up in the tens of thousands.

Thousands of dainty Undergarments of all kinds, more than 25,000 Corsets and Brassieres, over 20,000 pairs of Stockings, 8000 pairs of Low Shoes and all other Dress Accessories that the modern woman could wish for are included in similar quantities.

More than 2000 Men's Suits, 6000 Shirts, also Hats, Underwear, Shoes and everything else that the well-dressed man needs for the coming season.

The foregoing can convey but an idea of the extensive character of the preparations we have made for this year's Anniversary Month. Every department of the Store is replete with opportunities for substantial savings such as are only found in the Strawbridge & Clothier Anniversary Sale.

Wanted Outer Apparel and Under Garments for boys and girls of all ages.

\$50,000.00 worth of desirable, carefully-chosen Furniture to be sold for \$30,000.00. Thousands of Rugs and thousands of yards of other Floor Coverings aggregating over a hundred thousand square yards, Table Linens, Bedfurnishings, Refrigerators, Kitchen and Table Ware and everything else to make the home beautiful and to lighten housework.

If the various bolts of Silks, Woolen Suitings and Cotton Dress Fabrics included in the Sale were unwound and the materials laid end to end, they would reach from Philadelphia to New York City and back again to Atlantic City.

Palmyra High School made nine points at Memorial Day field meet of the county schools at Mount Holly. John Williamson got second in the class B high jump, Charles Dietz won first in the 100-yard dash, class A, and Harvey Freed got third in the same event.

There will be a meeting of special importance at Camp 23, P. O. S. of a next Monday evening in reference to dedicating a small strip of the camp's property to the town as a memorial to the boys who died in the war.

Frank and Ralph Crounham, of the 108th Field Artillery, were guests of their aunt and uncle, Mr. and Mrs. H. Cook, this week. Frank was seriously wounded by shrapnel on his eighth day at the front and was near death for a long time in the hospital, but his brother came through and made a search, although many times in action.

Residents of Cinnaminson avenue were startled out of their sleep Tuesday morning about 3 o'clock by two revolver shots, and there were wild rumors of burglars, murder, etc. It proved to be the case that a burglar had broken into the home of Mr. and Mrs. C. W. Williams, who lived in the house, and had stolen a small amount of property.

Additional Travel Pay for Men Discharged from the Army.

All men having been discharged from the army since February 23 have been receiving traveling allowances at the rate of 25 cents per mile. These discharged prior to that time had received only 25 cents per mile. Those who have received at the rate of 25 cents per mile may now apply for an additional 15 cent for every mile traveled from the place of discharge to their home or residence or place of entry into the service.

Note that this privilege is extended only to the army. Rules for the navy and marines have not yet been announced.

Your local home service section of the Red Cross, or the secretary of the Burlington County Home Service Section, R. R. R. Palmyra, N. J., will furnish you with a blank affidavit which can be filled out and sent to the Finance Office, Linnodown, Wash. D. C., accompanied by your original discharge papers or a copy of your discharge certified by recruiting officers.

Blanks for making copy of discharge may also be had from the home service.

By-products are substances or results obtained collectively or incidentally in the operation of a specific process or manufacture of something else. In hunting game for food the hides and feathers are by-products. In the manufacture of paper, the waste and shavings are by-products. In the manufacture of gas, coke is a by-product, though not the only one evolved in the process.

The British Kingdom.

Great Britain includes England, Scotland and Wales. It is called Great Britain in distinction from Brittany (the French, Lesser Britain). In the union with Scotland in 1707, Great Britain became the official name of the British Kingdom, and so continued until the union with Ireland in 1801. Since then the form has been Great Britain and Ireland.

The wisdom we get by hard knocks is hardly ever forgotten—Uncle Phil.

Will Join in Monster Parade on the Fourth

Arrangements for the big Fourth of July celebration are taking shape rapidly.

At a joint meeting of the committees held at the home of James T. West it was decided that the parade of the service men should be held under the auspices of the Hut, which has been the rallying place for the soldier and sailor boys since their return. The Hut will hold open house for the boys between 11 and 1.30 on the Fourth. There will be music and dancing and a luncheon. The parade, with the service men in the lead, is to be formed on the streets between the river bank and the Hut at 1.30.

All the civilian organizations of the two towns are to be invited to take part. It is suggested that the lodges combine, so that men who are members of several will not have the problem of deciding which to march with. The Red Cross branches also are to join.

Then there will be the Girl and Boy Scouts, the school children, with bands and decorated automobiles galore.

There will be two bands, and it is proposed to get some prominent army officer from out of town to act as marshal. Major Stone, of Burlington, has been suggested.

Riverton was represented at the joint committee meeting Monday evening by Harry C. Correll, H. E. Meyer, John Warren, George K. Clark and John G. Seckel, of the Hut committee; John Armitage of the Borough Council committee, and Charles W. Wangen of the citizens' committee. Palmyra was represented by Theodore D'Autrechy, James T. West, Edward A. King, Walter E. Chambers and Jacob P. Varner.

This Thief Works Rapidly

A sneak thief of more than usual speed and nerve visited seven Palmyra homes last Thursday night, extracting therefrom what pleased his fancy, and rode out of town on a bicycle, which was among the stolen articles.

His calls and collections were as follows:

Wm. Rich, 736 Parry avenue, \$18 in cash. Entered through open window on first floor.

Clarence Horn, 738 Parry avenue, house entered but nothing taken.

Frank Probstine, Garfield avenue, small change taken and a bicycle removed from the house, but left in the yard because it had a punctured tire.

Albert Fry, 816 Morgan avenue, new bicycle worth \$40. This bike appeared in the hands of Mr. Fry, and he decided to take it with him as a means of locomotion. It belonged to the son of the family, who had been saving up his money for a long time to buy it.

Mrs. Collier, 616 Garfield avenue; T. M. Richards, 418 Garfield avenue; Frank Windish at the station Thursday morning at 2.15. He was riding a bicycle and asked Lowden the way to Cinnaminson.

The suspect is described as being of average build, wearing a blue suit and light cap, and with army shoes. He was light in complexion and about 25 years of age.

On Monday evening Special Officer Louis King arrested two young men who had ridden up from Camden on bicycles. They said they had come to go swimming in the creek, but the officer didn't like their general appearance and had them locked up for the night.

They were released the next day with a warning not to come back. Chief Beck has been busy all week hunting down a burglar, who has been leading to the burglar. There have been burglaries in the last few days at Mount Holly and Merchantville in which several hundred dollars' worth of valuables were taken.

How Rodgers Died.

Details are now available as to how Frederick M. Rodgers, the only Palmyra boy to be killed in action in the great war, met his death.

Rodgers was a member of Company C, 15th Infantry, Thirty-seventh Division, Chaplain C. A. Rodgers of the Ninety-first Division was in charge of a search and burial party on September 26, after the Meuse-Argonne battle of September 26. In a letter to Mrs. Rodgers the chaplain writes that he found her son's body in Cheppy, France. The boy had been wounded near the heart and was believed to have been killed on the 28th. A first aid man had previously dressed his wounds. He was buried at the side of the Avenue-Victory road, about half way through Cheppy Wood, in a small concrete pit near a small German cemetery.

The chaplain found Fred's Bible open upon his breast and also a little note from his mother, which he had taken with him. The body was found in the Meuse zone between the Thirty-seventh and Ninety-first Divisions.

Boys from the Front Back in the Game

The Field Club baseball team opened the season with a victory over the Andover club, of Andover, Pa., on Memorial Day, but went down to defeat the next day, Saturday, before Riverside.

In the first game "Babe" Lawrence Ryan celebrated his return from France by pitching the locals to an easy victory, allowing only one hit, while his own team scored three runs.

Harry Hubbs rapped the pill three times safely. Fry Donaghy, in the left garden, and Donaghy, at third, did some fine fielding, and Russ Gibson, an old-timer, accepted seven chances at short without an error. Larry Polla and Joe Stack also put across some real ball playing and Andy Pratt and Pat Stecker carried off the honors before the bat with much ease.

In the Riverside game the features on our side were the hitting of "Babe" Boelme and Harry Kommerer, who both pounded out mighty two-baggers in the opening innings and made it look like the game was on ice. However, Riverside started hitting later, and the game ended 9 to 3 in their favor.

Manager Ed King announces that he has signed Babe Flynn for the season and also has secured the hurling services of George Mulligan of the Camden Industrial League. Mulligan will show local fans what he has in the game this Saturday, when the boys play the Welcomes A. A. Next Saturday a week the Wellwood boys of Merchantville will be the attraction. Everybody out. It takes money to run a good ball team.

The Time He Hurts

When a fifteen-year-old boy's father tells him it's time he was picking out a trade he doesn't see any reason to hurry. But when his girl tells him the same thing he begins deciding between steno-graphy and professional baseball right away—Kansas City Star.

Whassa Matter With You, Man?

"Why won't I do?" demanded the lady of 200 pounds displacement, as she indignantly waved the want ad section in his face. "Didn't you advertise for a stout woman to do housework?"—Indianapolis Star.

High School Commencement

The Palmyra High School commencement will be held the evening of June 12. The orator will be Newton A. K. Bugbee, of Camden, who is prominent in State affairs and is being boomed as candidate for governor.

Miss Dorothy McConnell will be salutatorian, the valedictorian will be delivered by Glen Halsey, and the Bannor oration by Newton Morton. There will be twenty-seven graduates.

The Baccalaureate sermon will be delivered Sunday morning at the Calvary Presbyterian Church by the Rev. Dr. Stahl. The senior social will be held Monday evening, and the junior reception Tuesday evening. School ends on the 13th.

Artisans Have Big Night

The Artisans enjoyed one of their biggest successes Wednesday evening when they held their eighth annual Ladies' Night. A record crowd was present and the splendid program of sixteen numbers was a winner from beginning to end.

The Harris Jazz Band was there with its syncopated pop, and the male quartet was cheered to the echo. Overheard in Palmyra. Refreshments were served and an enjoyable dance followed the entertainment features.

The next regular meeting will be "Horace Finney" night, in honor of the popular recorder. The advice of the assembly to all who are Artisans is "Ask the man with a button."

EPWORTH CHURCH NOTES

An Epworth League was organized Thursday evening. Meetings will be held each Thursday evening during the summer. The officers elected are: President, Milton Lippincott, first vice president, Miss Rae Hutchins; second vice president, Miss Ruth Green; third vice president, Miss Mary Green; fourth vice president, Miss Helen Lamont; secretary, Clifton Taylor; treasurer, Miss Addie Lippincott.

Children's Day services will be held Sunday afternoon at the Sunday school, and in the morning there will be the baptismal services for infants. The evening choir will sing the Hallelujah Chorus from Handel's Oratorio, "The Messiah."

At the community prayer meeting next Wednesday evening the men are going to make a special effort to get out a hundred, and the women are going to try to beat them. A great rally, with an orchestra and quartet, is to be held.

Twilight evening services and morning Sunday school begin on the 15th.

MARRIED

A pretty wedding took place Wednesday afternoon at 2.30, when Miss Gertrude T. Lundy and William H. Read were married at their home by Rev. E. A. Robinson. The bride was attended by Mrs. Dayton H. Lamont as matron of honor, and Miss Helen Lamont, bridesmaid. The groomsmen were D. H. Lamont.

The bride wore a gown of white duchess satin, trimmed with duchess lace, a long lace veil and orange blossoms, and carried a large bridal bouquet of white roses. The groom wore a tuxedo, and carried a small bouquet of white roses. The bride's maid wore a white dress, and carried a small bouquet of white roses. The bridesmaids wore white dresses, and carried small bouquets of white roses. The groomsmen wore tuxedos, and carried small bouquets of white roses.

STRAWBRIDGE & CLOTHIER

An Invitation to New Jersey Folks to Share the Anniversary Sale Values

SOME day—let us hope there may be no unnecessary delay in starting the great project—we shall have a bridge across the Delaware. That will bring our thousands of New Jersey friends into even closer and easier communication with this Store. Meanwhile, we shall continue to serve you promptly and efficiently, and a SPECIAL INVITATION is extended to you to profit by the many EXTRAORDINARY VALUES in the Anniversary Sale. Here are a few notable examples for this week—call or write for them:

White Satin-finish Marseilles Bed Spreads \$3.25 An excellent quality, in several desirable new designs. These are the good 78x88-inch size and are unusual value—\$3.25. Bleached Muslin Sheets, 81x90 inches—\$1.45 Bleached Muslin Bolster Cases, 42x72—75c Bleached Muslin Pillow Cases, 45x36—28c —→ Strawbridge & Clothier—Aisles 11 and 12, Filbert Street	Men's Union Suits 85c of Corded Madras Cool, comfortable athletic Union Suits, of durable, excellent laundering corded madras. These are made with an elastic waist-band which gives unrestricted freedom to every movement and prevents any binding or discomfort. These Union Suits are worth considerably more than the Anniversary price, and foresighted men will provide themselves with a full season's supply. —→ Strawbridge & Clothier—Aisle 2, Market Street
Fine Old Hickory Rocking Chair \$5.25 In the quaint and artistic desirable ANDREW JACKSON style. Made of genuine seasoned hickory and, hence, unaffected by years of hard wear and out-door exposure. A decidedly artistic addition to any porch, lawn or garden. —→ Strawbridge & Clothier—Third Floor	Men's Cool Suits of Palm Beach Cloth \$9.50 Of natural tan and medium gray Palm Beach cloth in smart, up-to-the-minute styles for young men, and conservative styles for men of more reserved tastes. All sizes and proportions—regular, stout and slender. Palm Beach cloth is featherweight, wonderfully cool, very durable, and washes beautifully. The saving is extraordinary. —→ Strawbridge & Clothier—Second Floor, East
Women's Separate Skirts in the Sale \$3.00 Plain-tailored Skirts of clearly-defined black-and-white check fabrics. These Skirts are greatly in demand just now by fashionable women, who wear them with a dainty waist or with a coat of black, blue or some other dark shade. This particular style has pockets and extra belt. —→ Strawbridge & Clothier—Second Floor, Filbert Street	Boys' Ribbed Cotton Stockings 25c An excellent opportunity to provide the boy with enough Stockings to last him for the whole summer and to save money in so doing. These Stockings are made with extra-strong reinforced heels and toes—and are in black only. All sizes from 8 1/2 to 10 to start with, but make selection early. —→ Strawbridge & Clothier—Aisle 4, Market Street
Black Dress Taffeta Black Satin De Luxe \$1.65 White Washable Satin a Yard Three remarkable Anniversary values in desirable YARD-WIDE fabrics which are much in demand right now for fashionable summer dresses and skirts—all at \$1.65 a yard. —→ Strawbridge & Clothier—Aisle 4, Centre	Standard Rugs in the useful 9 x 12 Size \$32.50 This specially-priced collection includes Royal Wiltons, good heavy Axminsters and seamless Velvets, in a variety of desirable-Oriental patterns for every room in the home. They are all in the popular 9x12 size—and are in the Anniversary Sale at SAVINGS OF ONE-FOURTH AND MORE. —→ Strawbridge & Clothier—Fourth Floor

Westfield Plans Memorial School

An enthusiastic meeting was held Wednesday evening to discuss what kind of memorial school should be built for the service boys. After an interesting discussion a memorial hall, in connection with the school, was decided upon. The school is to be built on a site donated by the town.

Another meeting will be held next Wednesday evening, June 19, at 8 o'clock in the school house, to which all the residents of the township who are interested in a new school building are invited.

A new school building has been long needed on account of the overcrowding, and the project of building now is the gift by Benjamin Lippincott of one of his best acres of land along the Doverton-Palmyra road.

The Hut Will Average Parade of Service Men on the Fourth

One of the most pleasing as well as interesting events of the year has been the parade of the service men. Tuesday, when the parade was held, Mary Anderson and Margaret Anderson, of Doverton, were the only girls in the parade. The parade was a very successful one, and the service men were very well received.

At a meeting of the school committee it was decided to continue the school year to June 1, and to include July 1 and 2 in the "Fourth" to wind up with the year.

The school committee has also decided to continue the school year to June 1, and to include July 1 and 2 in the "Fourth" to wind up with the year.

Dancing in the evening. Three pieces of music.

At the State Colony for Feeble Minded Men at Four Mile, Burlington county, on Wednesday, the 18th of June, the annual picnic will be held. It will be an occasion on which the "boys" of the institution will provide the entertainment for the public. The picnic will be open for inspection. It should also demonstrate the great need for increased facilities for the segregation and care of the large number of mental defectives in our State.

Box luncheon; coffee for sale. HETTY L. MILLER.

Shall Riverton Have a Memorial Park?

This question occupied a large part of the time and attention of the Mayor and Council at the session last night. The special committee to which the matter had been referred reported that it had not been able to get any idea from the Decker estate as to the probable price that would be asked for the land tentatively selected for the site of the park. It was instructed to confer with the borough solicitor as to what steps might be taken to arrive at some sort of an estimate of what the land would bring under condemnation proceedings. Mr. Atlee, the solicitor, has been instructed to make a preliminary survey of the land and to report to the committee with power to act if the borough solicitor advised that public funds could be properly used for this purpose.

The committee on the Fourth of July celebration reported progress. The highway committee recommended that the roadway on the line between Linden avenue and C. C. Fitter's property, in front of the lot owned by the W. C. Gutzmer estate, be resurfaced in the interest of public safety, as the abrupt bend at that point made it very dangerous to both motorists and pedestrians. The committee has the legal right to spend the borough's money on private property if the owner will consent. The committee will report to the council on this matter.

Mr. Atlee called attention to the necessity for a street lamp on Thomas avenue between Second and Fourth streets, and the matter was referred to the lighting committee.

The following bills were ordered paid: Fred P. Hemphill, sal. and exp., \$129.30; John H. Reese, sal. and exp., \$83.30; Louis Corner, work on streets, \$232.18; J. C. Collier & Son, supplies, \$77.89; Lambertville Stone Quarry, \$78.99; Public Service Electric Co., \$292.50; Walter Miller, salary, \$33.33; William Quigley, salary, \$33.33; Harry Davis, chairman of the The Hurley Store, \$2.50; Telephone, \$6.00; Victor L. Bowen, printing, \$4.00; C. T. Woolston, supplies, \$3.75; Flagg and Expressage, \$232.58; Riverton Fire Company, rent, \$2.00; County Collector, \$6.45; Custodian School Funds, \$410.00.

"What is the Bahai Faith?"

Trust in God. Be kind to thy fellow-men. Fill thy mind with the spirit of love. The spirit of faith in a Bahai is very strong. His trust is in the grace of the Holy Spirit.

The objective aim of this Cause are: The oneness of the world of humanity, universal peace, universal love, international co-operation, solidarity, the promotion of the best interests of the human race, the establishment of the Kingdom of God, first in the hearts of men and then upon earth. There are the noble objective aims. Are you not in sympathy with them? Will you not also, do your part to hasten that day? What harm is there in this? We are working day and night for the realization of these aims and purposes.

God and His servants are also pleased with these souls who are serving under a different flag and in a different camp, to actualize these principles of humanity.—Words of Abdul Baha. Extract from diary of Mirza Ahmad Sohrab, 1914.

After-School Violin Classes

A new movement that is receiving the attention of the schools throughout the locality is that of the after-school violin classes. The plan, which originated in America with Dr. Rix, the music supervisor of the New York City schools, has much to commend it to educational circles. Children can begin their study of the violin at a very small fee by taking lessons in groups. The plan also helps to discover latent musical ability in the young; it brings them in contact with music, and consequently with the pleasures of life and it gives a fresh line of interest to the school work.

Mr. Louis R. Richards, of Palmyra, a pupil of Sontum's, addressed the pupils at several schools during this week. Mr. Richards is interested in starting the movement of violin classes in the town. He is also interested in the development of the plan. The teaching of the violin to pupils in groups is advocated by the music masters and conservatories of Europe, where the plan has been successfully carried out.

Another part of the educational plan is the organization and development of school orchestras that can be self-supporting under a trained and able director or concert master.

Plano Recital

The pupils of Emma A. Price gave a piano recital at Heck Amen Hall, West Collingswood, Friday evening, June 6, which was enjoyed by a large audience.

The program opened with a musical sketch, "The Spring—Oh, It's Spring," given in costume, followed with piano selections by Herman Levin.

By Kate B. Mahan, of the Neff School of Oratory, gave several selections, preceded by a short address on "The Value of Applied Psychology."

A number from Riverton and Palmyra attended.

Miss Price will open a studio at 401 Broadway, Camden, in September.

NEW RAIL PLANS ON SOUND BASIS

Congress Determined to Make Certain Future Growth of Transportation Facilities.

PLANS AGREE ON PRINCIPLES.

Return of Roads to Owners With Assurance of Adequate Revenues.

Washington.—One of the big problems before the new Congress is getting the railroads back on a peace basis. These 230,000 miles of steel highways were taken over by the Government as an indispensable arm of the national defense; but now that the war service is over, there is a country-wide demand that the Government restore them to their owners to be operated on normal American business standards of efficiency.

But, as has been pointed out by President Wilson as well as by many men in public life who have given this subject years of careful study, it is not enough simply to say to the railroad companies, "Take these railroads and give the country the best transportation service that money and brains can provide."

Old Laws Obstruct Growth.

The President recently said that it would be a serious mistake to return to the old conditions of railroad regulation without reforming the antiquated laws that were obstructing the free development of transportation facilities. The Director General of Railroads has recently made an inspection trip from coast to coast, and he has been telling the people that the time has now come to put the railroads on a sound foundation.

The plans for a better system of national control of railroads are as varied as were the plans for banking and currency reform when Congress received a mandate from the people to provide insurance against financial panics. The public now demands insurance against a breakdown of railroad transportation, and the new Congress is undertaking this work as secondary only to insurance against international warfare. Congress solved the banking problem seven years ago as a non-partisan issue, in which all the people had a common interest, and Congress evidently is tackling the railroad problem with the same spirit.

Fourth of July Celebration Taking Shape

Palmyra's Fourth of July plans are now completed, and the money to defray expenses is coming at a satisfactory rate.

The flag pole is expected to be delivered and erected within ten days, to be ready for the dedication which is to be one of the main events of the afternoon. Arrangements for the joint parade of Riverstown and Palmyra Service men and civilian organizations have been fully outlined.

After the dedication of the flagpole, which follows the parade, there is to be an Army-Navy baseball game at the Field club grounds, the discharged Navy men of the two towns playing against the discharged soldier boys.

Inasmuch as the star ball players of Palmyra and Riverstown are virtually all included in the two lists, a bang-up contest is expected.

Events of the day start in Palmyra, with sports on Broad street. At the meeting of the welcome home committee Monday evening, William Jenkins was named chairman of the sports committee, with power to select his assistants, and a number of prizes were offered by Len Baker, James C. West, C. C. Davison, George N. Wimer, E. A. King, and J. P. Warner.

The refreshments committee, which is to have charge of all stands, etc., the proceeds going to help defray expenses of the celebration, was named as follows: Mr. W. F. Lett, chairman; Mrs. L. R. Baker, Mrs. C. W. Davison, Mrs. John Hoepfner, Mrs. Joseph W. Richards, Mrs. R. S. Wilford, Mrs. John S. Warner, Mrs. Lettford will select others to assist, as there is lots of work to do.

The dedication committee will consist of George N. Wimer, chairman; L. R. Baker and Frank Matthews.

The committee on the dance which is to be held in the near future is composed of Joseph W. Richards, chairman; C. W. Davison, J. P. Warner, Walter Bates, A. H. Holston, Theodore D. Autrey and Mr. John S. Warner.

Palmyra's civilian contingents in the parade will probably be marshaled at the station in Palmyra and march with the band to fall in line with the Riverstown organizations and the Service men at the Hut.

The P. O. S. of A. at their meeting Monday evening unanimously passed a resolution to donate a splendid flag 10 by 20 feet, to be flown from the flagpole on gala occasions, and the Township Committee has agreed to provide a flag to be flown at all other times.

The P. O. S. of A. also agreed unanimously to donate a plot of ground, 15 by 15 feet, for the erection of the flagpole.

A letter has been received from Senator Lodge saying he would introduce a bill in the Senate to provide some historical war cannon for Palmyra, and Congressman Bacharach will be asked to introduce a similar bill in the House.

Donations of \$5.00 and over which have been received toward defraying the expenses of the celebration include the following:

R. S. Williams \$5.00
Leola Baker 5.00
George C. Baker 25.00
C. H. Hill 25.00
John Morton 10.00
Paul Slip 5.00
C. W. Warner 5.00
George Whist 5.00
A. H. Rudebeck 5.00
A. O. Guther 5.00

P. H. S. COMMENCEMENT

The commencement exercises of a graduating class of twenty-seven were held in the High School auditorium last evening.

The address was delivered by State Comptroller Newton A. K. Dugbee, who paid a warm tribute to Burlington Riverstown, declaring that no greater demonstration of loyalty was shown in the nation than right here in this county by the men of this county.

This section answered the call of the nation by the rush to enlist in army, navy, and marine corps. In his talk, in which he commended the members of the graduating class to be loyal to town, county, nation and principles, the Comptroller referred to some length to the men of this county who were famous on the battlefields of France, Belgium, and Italy, as a result of their valorous deeds.

The Comptroller mentioned the acts of bravery of Private Ferdinand Bonaventura, of Burlington; Sergeant Francis A. Dargis, of Riverstown; Sergeant James A. Chaffin, of Riverstown; Lieutenant Clifford R. Powell, of Mount Holly; Lieutenant John F. Weber, of Florence; Sergeant Howard M. Kerr, of Mount Holly (deceased), and others of this section who were awarded the distinguished service cross and the French Croix de Guerre for bravery.

The diplomas were presented by James T. West, president of the School Board.

Class members of the graduating class are: Margaret Mary Buehler, Anna May Dugan, Frederick G. Ebley, Robert L. Evans, Wilfred E. Fenton, James Hartley, Fred, Mary Margaret Green, Mary Edna Hines, Russell Walter Hubbs, Mary Adeline Jones, George L. King, Katherine K. Kauter, Ella Kirby, Isabel Hartley Leach, Maucha Emily Lippincott, Dorothy Jean McCannell, Elythe Estelle Moore, Newton Morton, Marie E. Mueller, Elizabeth Rhodes, Louis Reever Richards, Esther Lois Robinson, Thomas Rogers Taylor, Edith Toss, Eleanor Lenza Tupper, Emily Peacock Ward, Meacham William Willis, Charles Paul Witte.

Too Easy for F. C.

The Field Club team had a walkover last Saturday against the Crescent A. C. of Camden. The team originally scheduled to appear, Welcome, of Philadelphia, called off the game late Friday, and Manager King had to get a substitute in rush order. The Crescents were beaten 16 to 9.

Ed's new pitcher, Mulligan, was tried out for five innings and fanned eleven men, without allowing a single hit. Babe Flynn blanked the visitors for the remaining innings.

This Saturday the Fourth Street Club, of Philadelphia, will be the attraction. This club is composed of former college players and is declared to be a crackerjack organization. F. L. Dargis, a Palmyra man, will be one of their pitchers, and Pierce, a former Penn. man, will also do some of the twirling. Flynn and Stack will be Palmyra's battery.

At a meeting of the Field Club Board of Directors Tuesday evening they arranged to have this season's schedule composed entirely of first-class teams and a high guarantee will have to be paid.

A good attendance will be necessary to meet the expense.

Saturday a week the Wellwood boys will be here.

Through Many Dangers, Back Home Safe

Antone Boehme, of Company A, and Earl Schooner, of Company B, 303d Engineers, Seventy-eighth Division, arrived home from France last week.

The 303d Engineers were the boys who made the capture of Grand-Pre possible for the Lightning Division.

They built the famous bridge No. 10 across the Aisne for the heavy artillery and supplies, and rebuilt it time and again, as the enemy had the range and kept plunging shells into the middle of it. The bridge was built three times before any of the Yanks could cross.

Then the Germans counter-attacked, captured the bridge and destroyed it before they were driven back.

At last infantry and artillery were pushed across the Aisne and captured the heavily defended heights beyond, thus seizing the gateway to Sedan.

The Engineers also did heroic work in the St. Atheld drive, building eighteen bridges.

Tony Boehme was slightly wounded in the hand by shrapnel at the same time a buddy of his had his legs blown off, which led to a false report that Tony himself had been seriously wounded.

Roads Wait While Freeholders Fight

The Board of Freeholders has been having a series of merry little quarrels among themselves, with the result that some important road-building matters are seriously crippled.

Because Director Joyce failed to get the half-mile strip of road he wanted at Mount Holly, with the result that the Madison-Medford-Marion strip, originally provided for, cut out.

At the result, a letter from the State Highway Commission has been received stating that State aid for maintenance and the allotment from the motor vehicle fund would not be given the county unless the original plan, which also includes the Palmyra-Beverly strip, is adhered to.

In the last week's meeting, Joyce refused to allow any resolution to be taken up restoring the original program. The Palmyra-Beverly road has not been affected by the scrap.

In addition to this pretty situation, the board refused to allow a newly elected member from Bordentown, Dr. LeJambre, to be seated. It is alleged that several members are sore at LeJambre because of his refusal in exposing some suspicious deals several years back.

It is sincerely to be hoped that some real public spirited men will be chosen by the voters to compose the small board to be elected in the fall.

FIVE POINTS

Miss Roberta E. Fisher and Everett M. Gladney, both of Palmyra, were married at the Moravian parsonage on Saturday, June 7th, by Rev. Reimer.

The wedding was held at the Strawberry festival Wednesday evening.

The Union's Association will open their tennis court Saturday evening with a supper and social.

Sunday will be Children's Day at the Moravian Church, with special service in the morning and a juvenile cantata, "Arch of Liberty," in the evening.

Rev. and Mrs. Reimer attended the National Conference of Social Workers.

Mr. and Mrs. Price, of Philadelphia, spent the week-end with Mr. and Mrs. Quinn.

Fred Cole collided with another machine last week and upset his sedan car, breaking the windshield. No one was injured.

George Church has received his discharge from the army and is home.

Paul Frank is expected home from overseas next week.

First United States Currency.

Immediately after the battle of Bunker Hill \$2,000,000 in American currency was issued, and by 1779 the amount had grown to \$241,000,000, and the various states had issued nearly as much. In 1792 the mint at Philadelphia was established. Thus the use of American money gradually supplanted the foreign.

Souvenirs for Service Men Who Paraded

The attendance at the Hut continues excellent and the management provides entertainment that is exceptionally interesting, affording variety to please everyone. Last Tuesday was purely professional, including a monologue artist, who characterized a "Rube," told stories and sang; and a musical genius who performed wonderful pianos. The Entertainment Committee wish to express their appreciation to Miss Cleland, who graciously consented to accompany the singer whose piano disappointed him at the last moment.

Plans for the "Fourth" celebration are progressing rapidly. The present indications are that there will be nearly two hundred Service Boys in line in uniform. The Riverton, N. J. Cross and civic organizations. The Executive Committee of the Hut have decided to give every man in line, who has sent his postal card of notification in time, a souvenir that they know will be treasured by each. As these will be made especially for the occasion, it will be absolutely necessary to know immediately how many are to be in line and those who have not already returned. The program will be held at the Hut on Monday the 23d. Those who return too late to answer will be taken care of a little later, but those who are honest should let the secretary of the Hut, Mr. Clark, hear at once. This is also necessary in order to know how much to provide lunch for and those who were entertained at the banquet April 1st know what the Hut can provide in the way of "casts."

Surfrage Meeting.

A local meeting of the Surfrage Section of the Porch Club took place at the home of Miss Helen Lippincott, Wednesday morning. With Mrs. Joseph Beck Tyler in the chair, the members decided to increase their yearly dues to a dollar in order to meet their yearly quota of fifty dollars. The section also considered the plans by which they could gain the support of the State legislators in Trenton for the ratification of the Federal Amendment.

Economic consideration and protection for women in business, particularly in the case of the Federal Amendment. Mrs. John Armitage, the treasurer, reported that after all expenses were paid there was still on hand a small balance. Mrs. Ward D. Kerlin, the county chairman, then presided over a meeting of the County Association. Mrs. Reuben Corry, a delegate to the twenty-eighth annual convention of the New Jersey Woman State Association at Atlantic City, gave her report. She brought word that the enrollment must be carried on, and that there must be educational courses to prepare women for the use of the ballot, and to improve the American electorate.

Mount Holly Will Entertain Service Men

Mount Holly has arranged, through the Mount Holly Business Men's Association and affiliated organizations and committees, to make its Fourth of July observance a welcome-home celebration and reception for the returning soldiers. The program for the day will include a public invitation to the town and those who may properly include themselves as the guests of the town on that day.

The celebration will consist of a short parade and speaking by men of prominence in the morning; horse races, athletic sports and a base ball game between teams of the 29th and 78th Divisions of the Federal Reserve in the afternoon, and a community sing and street dancing in the evening. Those intending to become Mount Holly's guests on that great day desire to be served with dinner free of charge are requested to notify Herbert S. Killie, secretary of Business Men's Association, Mount Holly, of their intentions.

A Memorial

Beauty and service are two thoughts that should come uppermost in the minds of those who are considering a memorial to our brave soldier boys. While the park combines both, they are very many citizens of Riverton who could never enjoy it. On page 45, The Ladies' Home Journal for May, is a design for a village clock tower, with other ideas, placed where the traveling public could see it summer and winter. All the year around it would be worthy, reliable and interesting.

UNITY

We must strive day and night that love and unity may increase; that this bond of unity may be strengthened; that joy and happiness may more and more prevail; that in unity and solidarity all mankind may gather beneath the shadow of God; that people may turn to God for their sustenance, finding in Him the life that is everlasting—this may they be conformed to the image of God and live forever through His grace and bounty.—Abdul Baha. After a wedding trip Mr. and Mrs. Pfaff will live at 5418 Pine street, West Philadelphia.

Last week at a public meeting it was decided that a memorial hall was to be built in connection with the new school in Cinnaminson township, in honor of the Service Boys, and funds were to be raised by subscription. The solicitors reported at a meeting Wednesday evening that they had made very good progress, but that much was yet needed. The idea of the memorial hall has been enthusiastically received.

There will be a joint week-end Pilgrimage under the care of the Young Friends of Philadelphia, held at the Westfield Friends meeting house, Saturday and Sunday, the 28th and 29th. On Saturday there will be a box supper at 5.30, and at 7.30 A. Carl Binder will speak of the future work of the American Friends Service Committee. He has just returned from twenty-two months' service in France, and will tell of reconstruction work there and in other countries. Sunday at 10 o'clock there will be a devotional meeting, and at 11.30 a meeting under the care of Pilgrims from other meetings. All are cordially invited.

The executive committee, in charge of the Fourth of July Parade for the Community Hut, wish to be sure of the correct form and spelling of the name of every Service Man for the purpose of engraving. The names as they appear in the Riverton New Era and Palmyra News will be used unless the secretary of the Hut, George K. Clark, Box 266, Riverton, is notified at once of a necessary change. This notice must be in hand the first of the week positively. For those who are not yet back, or who may be away relatives or friends should notify Mr. Clark.

The time is growing short for making preparations for the lunch to be served at noon at the Hut, and any who have not already sent in word of their intention to parade must do so at once.

THE RIVERTON YACHT CLUB

Defines Its Position and Issues an Invitation

Every club was formed for some specific purpose.

A social club to promote social intercourse and good fellowship, the business club for obvious reasons, the golf club to permit of the royal and ancient game of golf, the yacht club to promote the sport of yachting and kindred pleasures.

The Riverton Yacht Club is no different from any other club. It was started many years ago by enthusiasts of the outdoor men, who felt that their pleasure would be added to by a club and the interest in water sports enhanced by an association of yachting men. It was for this purpose and from no altruistic motive that the club was inaugurated, a charter secured and club house erected.

It's needless to say that to start and support a club costs money, and it's equally as obvious that the property of a club is as much the property of its members as is their own home or grounds, and that no one who is not a member of a club has any money right to trespass on the club's property or on their neighbor's house or on their grounds, and by doing so without invitation violate the proprieties. We believe every one will agree with the above conclusions.

Now let us thoroughly understand that the wharf on which the Riverton Yacht Club stands is the property of the Riverton Yacht Club; not part of it or a section of it, but every sleek and timber in it, and that it is up to the Riverton Yacht Club to maintain and repair it.

This cost money, money which the members of the club has to provide, and it's inconceivable to think that with this in front of us those who desire to use the wharf or club property, should do so or feel that they have any right to do so without bearing a share in the expense that is necessary to maintain the wharf and pay for the equipment and attendants.

The Yacht Club thoroughly appreciates the desire of many non-members to use the wharf and clubhouse and believe that precedent is the motive which causes them to do so. The wharf for many years has been more or less of a public institution. The pleasant memories of some of Riverton's oldest inhabitants are associated with the complete freedom of the wharf and in consequence of the logic or necessity for an embargo being placed on their presence there, they have been invited to all parties and social gatherings.

Precedent is a mighty hard thing to argue against, and a custom once established is like a chain of size to break, but a further consideration of the situation will make us all quickly realize that it is only through the courtesy of the Riverton wharf owners, that we have been able to use the wharf. It was of no particular moment to them, however, as up to within a comparatively few years their source of revenue for maintenance was derived from the public, whereas now, that is all changed and it is the individual yachtsman who is looked to for the wharf's maintenance.

The Yacht Club does not desire or purpose to do anything drastic. It realizes that a custom has existed and does exist, one of long standing, and is giving the fullest consideration to it. But in equity to itself, to the members who are so loyally supporting it and in fairness to the people of Riverton, the club is desiring its position as stated above and issuing an invitation to all desirable men, women and children to have their name put up for membership. The dues are nominal for grown-ups, small for juveniles, and there is really no reason from the monetary standpoint why anyone who desires to use the wharf and club cannot afford to do so.

The Yacht Club affords a tremendous amount of pleasure to practically every citizen. Yachting, canoeing, swimming and other sports that are pleasurable to participate in or look at are fostered by the club. We get them through the work of the Yacht Club members and their money, and at times there is really more money pledged than most appreciate. As an example: to make sure the wharf is maintained, estimates for an entire refurbing are being received; an expenditure of from \$1,000 to \$2,000 is involved. Who will pay for it? Yacht Club members, of course, and equitably they should be the only ones to enjoy it.

So in consequence the Yacht Club proposes to establish a gate, some half way out on the wharf, beyond which no one who is not a member will be permitted to go, unless by invitation or when accompanied by a member. Now, non-members, don't cry, "you shouldn't do it," don't bring up precedent and custom, don't feel that we are arbitrary. It's nothing more than you would do, if in our position, and don't forget a cordial invitation is extended to you to become a member; the dues are small, and by joining you will not only be associating yourself with congenial companions but be helping to maintain an old-established and most enjoyable Riverton institution.

Fraternally yours,
THE RIVERTON YACHT CLUB.

Deaths

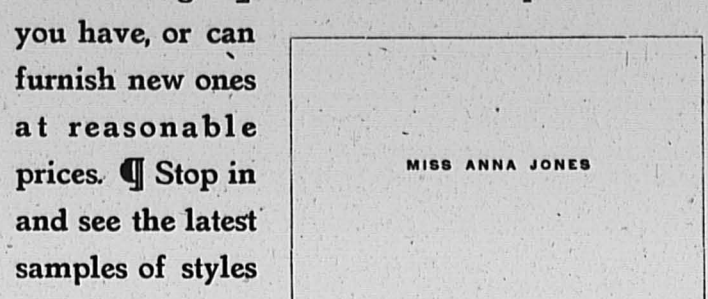

Miss Helen V. Wiggins, for many years a resident of Riverton, died recently and was buried from the residence of her nephew, Clarence E. Cornelius, Germantown. While she lived here she always took an active part in everything connected with the town.

Miss Wiggins was an ex-president of the Porch Club, and for many years a manager of the Cinnaminson Summer House, and also an active member of both the Home for Incurables and Young Women's Christian Association of Philadelphia.

Although Miss Wiggins was nearly 80 years old, she retained all her faculties until a short time before her death.

Closing Exercises

The closing exercises of the Class of Nineteen-nineteen of the Riverton Public School were held Thursday evening at 7 o'clock in the auditorium.

John A. Ruppert gave an opening address, and the other members of the class presented a little play, "Sweet Girl Graduates."

The dedication of the School Board, and prizes for perfect attendance by the supervising principal. Music was furnished by Emma A. Price and by the Glee Club.

The members of the class were: Virginia Irene Campbell, Bessie Clark, Karl William Litch, Ruth Carroll Morris, Edith E. Price, Mary M. Ruppert, Katherine Elizabeth Steele, Ernestine Sabrina Stewart, Edith Florence Sullivan, Everett Wallace Sullivan, James Henry Stout, William Noah Todd.

Supervisor Luther R. T. Turner, A. B.

The Board of Managers of the Cinnaminson Home wishes to express their appreciation of the interest and cooperation of the members of the class in the closing exercises.

The fete, besides netting more financially than ever before, is a center of community interest for the support of a charity which appeals to all—aid for convalescents.

QUESTIONNAIRE

ANSWERS WHICH WILL SOLVE PERPLEXING PROBLEMS OF THIS RECONSTRUCTION ERA.

Query.—The government has launched an educational campaign to encourage building in order to put more men to work. Would not a similar movement to show how the old structures can be best and most economically repaired and made good as new also help?

Answer.—It is learned that such a plan is in effect and is linked directly with the Washington propaganda.

Industry must be turned back from works of war to the ways of peace. Employment must be found, in the meanwhile, for those whose occupation has been interrupted. There is no real surplus of labor in the United States. Rather there is a shortage which would be acute if normal conditions were already restored, and one step towards restoring them will come with resumption of repair work.

Government restrictions, imposed by the necessities of the war program, have for many months past retarded or altogether prevented construction, improvement and repairs. These restrictions are now off, and there is scarcely a town, a city, a factory, a dwelling or a farm that does not reveal a crying need for prompt attention.

Nothing delays such instant action except the feeling that prices are high for the time being and may be lower. That is not logical. No matter what

it costs to repair, the cost is less than the cost of neglect. No matter what the cost of paint, the wind and the weather will collect a higher bill in deterioration and decay.

Query.—What do you think of paint as an investment, aside from the appearance it gives to a house?

Answer.—Good paint properly applied when needed is the main thing in making a house last long and well. A house worth \$2,500 can be painted at a cost of about \$125. In 50 years that house will need about 15 paintings, the total cost of which will be \$1,875. Left without paint, such a house would fall into complete ruin in 30 years. So taking 50 years as a basis for our figures we find that with paint a house will last that time in good condition and will cost, plus paint, \$4,375. Without which the house would have to be rebuilt at the end of 50 years and would be ready for another complete renovation when the sixtieth year arrived. Cost, without paint, \$5,000 for a home ready to fall to pieces. Does regular painting pay? As the old Dutch adage says:

"PAINT PAYS FOR ITSELF."

Query.—I have a quantity of old paint on hand. Can I use it for the first coat in repainting my barn?

Answer.—On no account should old paint which has become fat be used for priming either old or new work. Old paint in that condition is best used on a fence, brickwork or tinwork. If you value your barn sufficiently to paint it, do it the justice of a good job.

U. S. Invents Anti-Rust "Dope."

Incident to the war, the government has faced the problem that has so long proved baffling to commercial concerns of protecting iron and steel from rust. In an attempt to solve this federal specialists have perfected various forms of protective coatings. In this connection it may be pertinent to ask whether commercial uses will not be found also for the so-called "dopes" which the government has invented to be applied to airplane wings and which are possessed of valuable weather-resisting and fireproof qualities.

A Perfect Cake Ready to Bake

It only takes a minute to mix the contents of a package of Pat-a-cake with 3-4 cup of water, and only another minute to pour it into greased tins—then it's all ready to bake.

Pat-a-cake is a ready-mixed cake batter in flour form. It contains all the things that make a cake taste good—eggs, sugar, flour, milk, flavoring, baking powder, shortening; in fact, just the ingredients you use when you mix a cake the old-fashioned, uncertain, tedious way.

The Fourth

Elaborate preparations are being made this year for the celebration of the Fourth of July, with the military parade as an added attraction.

The program for the day will be:
10:00 a. m., children's day parade.
10:30 a. m., yacht race.
1:30 p. m., military parade.
2:45 p. m., aquatic events—swimming races, tub races, canoe races.
3:00 p. m., band concert on lawn.
8:00 p. m., patriotic church service on lawn.
9:00 p. m., fireworks on pier.

The aquatic events will start at 2:45, with the charlatan race. Those entering will wear a bathing suit under their clothing, and will be arranged in line on the shore. At starting signal they will take off their outer clothing, run to the beach and swim around designated stake boat and back to shore, run across beach, put their clothing on and line up in front of judges, who will decide the winners by their speed and neatness of appearance.

The other events will be:
5:00 p. m., juvenile swimming race, first class.
5:30 p. m., juvenile swimming race, second class.
6:30 p. m., swimming race, girls under 16.
7:15 p. m., men's swimming race.
7:30 p. m., ladies' swimming race.
7:35 p. m., tub race.
8:30 p. m., mixed relay race, teams of four.
8:45 p. m., canoe races.

There will be men's doubles, ladies' doubles, mixed doubles, men's four, juvenile fours, men's five (qualifying with hands), and filling contest.

The Riverton Yacht Club will have the prizes on exhibition at Stiles' drug store from Monday until the Fourth.

Line of parade: The Hut to Main, to Bank, to Lippincott, to Broad, to Market, and counterchange to P. O. S. of A. Hall.

Frank & Seder, Eleventh and Market streets, Philadelphia, ladies, misses and children's outfits, will decorate the Hut in compliment to the Service men.

All who live on the route are requested to show a little more decoration than usual.

Open house at the Hut, 11 a. m. to 2 p. m.
Lunch served "à la française" at 12 m. (in case of rain in the Hut).
Parade forms at 1:00.
Come early and register immediately at the Hut office.

Dancing in the auditorium.
Service men from out-of-town who are visiting in Riverton or Palmyra are invited.

The committee from both Palmyra and Riverton that put this affair in the hands of the Community Hut, has signed the time so that it would not conflict with any other events of the day, and it is the only time available.

The Hut

Last Tuesday at the Hut was most enjoyable. The entertainment was again professional. Considerable regret was expressed that Tuesday is to be the last of the Hut this season, and many said that the Hut was the finest thing for the community at large that has ever been held in Riverton, to say nothing of the good for the Service boys. It is to be sincerely hoped that the management will feel encouraged enough to continue on the same or similar lines next season. A little expression from the public last Tuesday has been given to the committee for the members of the various committees who have worked hard this season feel that it has been appreciated.

The program for the Fourth is rapidly assuming important proportions. It has been definitely decided to give every Service man in the line of parade an engraved certificate from the Hut, expressing appreciation for service rendered during the World War, and the name of each individual Service man will be on the certificate given him. This can be framed and handed down for generations as a pleasing testimony that will be treasured. The expense of these certificates will be considerable and committees are now soliciting money to help pay for them. It is felt that every one should have the opportunity to contribute, yet the time is short to see every person, so any one desiring to forward a contribution by mail to George K. Clark, Box 266, Riverton, or hand it to one of the Hut committee members.

Lieut. Colonel Franklin L'Oller has accepted the office of marshal of the parade, and has issued a request that all commissioned officers of Riverton, Palmyra and Chinnaminot meet him at the Hut, Saturday evening at eight o'clock, for the purpose of arranging details of the parade.

Next Tuesday evening there will be a special surprise in the way of entertainment and an extra long dancing session.

Notice to Commissioned Officers
Having been appointed marshal of the parade, to be held in honor of the returned Service boys, July 4, 1919, I desire to meet in conference, Saturday evening, June 28th, at eight o'clock, at the Community Hut, Fourth and Howard streets, Riverton, all men from Palmyra, Riverton and Chinnaminot who are, or were, commissioned officers, in order that complete and proper arrangements as to details of the parade may be effected and to transact such other business as may properly come before us at that time.

(Signed)
FRANKLIN DOLLER,
Ex. Lieut. Col. General Staff.

Water Carnival, July 12

The Yacht Club will open the swimming season of 1919 on Saturday afternoon, July 12th, at 1:45 p. m., by holding one of the largest and finest water carnivals ever held in this section of the country.

Among the famous water stars slated are a great trio from the New York Athletic Club, consisting of Ted Cann, Herbert Vollmer, and Leo Giebel.

Ted Cann is considered by the Eastern experts as the greatest sprint and middle distance swimmer in America today.

Herbert Vollmer was the sensational captain of the University of Columbia's swimming team, and as such, single-handed, almost defeated the other variety teams, and as long as he was in college, Columbia was supreme in the swimming world, and he is the greatest college star. Upon his graduation he was snatched up by the New York Athletic Club.

Leo Giebel, the last of the Mercury Posters, last year won the great ten-mile national championship in the wonderful time of two hours, one minute, snatching by twenty-eight minutes the best time ever made over the Philadelphia-Riverton course. Giebel is not only a distance star, but one of the greatest sprinters in America besides.

New York is also slated to send a team of four or five of its greatest women stars. Miss Bebbrey, who recently won the 500 yards national championship for women, will meet Miss Beale Ryan, the Philadelphia star, in a special match race, and as this race will be held on high water at turn of the tide, the time will be official, and it will go as an American record.

Miss Charlotte Boyle, queen of the 100-yard flyers of America, will swim a special 100-yard match race. It is hoped with Miss Olga Dornier, who on account of an indisposition, has allowed Miss Boyle to annex the 100-yard title. Miss Ryan, the 220, and Miss Bebbrey the 500. Miss Dornier's admirers and followers declare she can come back and dethrone all stars, and every argument will be used to make this place Riverton on July 12. In case Miss Dornier refuses, Miss Gertrude Artelt, Philadelphia's second best bet, will take her place.

A third New Yorker will be Miss Bartlett, the metropolitan city diving champion, who will put her skill against Miss Becker, the Meadowbrook star and champion of the Middle Atlantic Association.

The other two New Yorkers will not doubt be little Miss Rignin, who came in fifth in the women's two-mile race last year, and little Catherine Brown, the nine-year-old daughter of Alfred Brown, the professional champion of America. Little Miss Brown is acknowledged the all-around champion girl swimmer of America. Her father no doubt will give an exhibition of his skill as well.

Besides the above-mentioned stars, the very best that Philadelphia can produce will be here. Armstrong, the champion Philadelphia diver, will perform all his dives, and Uhl and Holst, our two best flyers, will see to it that the New York delegation will have to go the limit to win.

Among the clubs who will send their teams here are the Meadowbrook, the Philadelphia Turners, Philadelphia Swimming Club, the Camden Rowing Club, the "Camden" Rowing Club, the Germantown Boys' Club, the Manheim Cricket Club, the Y. W. C. A., of West Philadelphia, and Germantown, and if possible (due to vacations) a team of Girard College boys.

The event of the carnival will be the 220, 440 and 500-yard races, fancy diving, individual exhibitions, exhibitions of life saving, etc.

Mr. Darnbrow proposes on this day to run off two special races for Riverton entries only—one for men and one for women—and it is hoped all our best swimmers will turn out to show our visitors we can swim, too.

Admission will be charged to these events to help defray the expenses of the visiting stars and for the prizes for the two big classics—the women's 3-mile and the men's 10-mile soon to follow.

A Friends' Pilgrimage

A joint young friends' pilgrimage will be held in Westfield Friends' meeting house, Chinnaminot, on June 28th and 29th. The "pilgrimage" are young friends from many other meetings, will arrive at 4:30 p. m., June 28. Everyone is invited to come meet them at that time. Please bring your box supper which will be served at 5:30.

Wilbur K. Thomas, who is the executive secretary of the American Friends Service Committee, will tell of the Future Work of the Committee.

At 10 a. m. on First-day, June 29th, the pilgrims will attend the meeting for worship in the two Westfield Friends' meeting house, on the Burlington pike; a conference hour, under the care of the young people, will be held. The subject for discussion is "Service—A Personal Problem." All interested are urged to come and bring their friends for all or part of the time.

Dudley—Dorrance

Miss Eleanor Winford Dorrance, daughter of Mrs. John Dorrance, of Philadelphia, and Lieutenant Commander Roy Dudley, U. S. N., were solemnized Saturday evening, at 6 o'clock, at Pomona Farms, the home of the bride's brother, Dr. and Mrs. John T. Dorrance. The ceremony was performed by the Rev. John Rigg.

The bride was given in marriage by her brother, Dr. John T. Dorrance, and attended by five small nieces, Misses Elmer Dorrance, Fifi Dorrance, Charlotte Dorrance, Peggy Dorrance and Eleanor Black. Lieutenant Commander John L. Hall, U. S. N., was best man. There was no reception, and only the families of the bride and groom were present. After the wedding trip the bride and groom will make their home at Annapolis.

Randall-Troxell

Henry LeRoy Randall, of Riverton, and Miss Elizabeth Mickey Troxell, a prominent society girl of Pittston, Pa., were married at the home of the bride's parents, Dr. and Mrs. E. R. Troxell, last Saturday evening.

Among the ushers was Victor Ritschard, of Riverton, and Mr. and Mrs. Franklin A. Taylor, of Riverton, were among the guests.

After their return from a wedding tour the young people will reside in Riverton. Mr. Randall is connected with the American Brass Company.

Mrs. Conrad Becker spent Tuesday with her daughter, Mrs. Elmer Bright, in Pittman.

"John Chinaman"

As far as can be learned, the earliest use of the nickname John Chinaman for a designation for celebrities is in "a letter to the committee of management of Drury Lane theater," published in London just 100 years ago.

RAILWAY RATES TO BE ADVANCED

Public Treasury Will Be Relieved of Burden of Meeting Deficits in Earnings.

EDITORS' POLL IN CONGRESS.

Heavy Vote for Return of Roads Arouses Interest at the National Capital.

Washington.—The national poll on the railroad question by 4,000 newspaper editors throughout the country has aroused great interest at the national capital. With 83 per cent. of the editors giving it as their impartial opinion that the public favors an early return of the railroads to their owners and only 11 per cent. favoring government ownership or operation, the members of Congress of both political parties propose to provide speedily for the legislation to make it possible to restore the roads to private management before the end of the year.

In Congress there is a general agreement that the following steps will have to be taken before the roads are returned to their owners:

1. An advance in rates to meet the greatly increased cost of labor and materials in order that the Public Treasury may be relieved of the burden of meeting monthly deficits and the roads made self-supporting. The Director General of Railroads states that the increase in rates thus far is about 25 per cent. as compared with an increase in operating costs of from 50 to 90 per cent.
2. Greater nationalization of public control of transportation—a single public control in the Federal Government in place of 49 masters in the different States, with conflicting laws and regulations.
3. Legalization of consolidations and common use of lines and facilities whenever in the public interest.
4. Assurance through an act of Congress that in the future the Government will approve of rates for freight and passengers that will not only be fair to the public, but fair to the roads, and that will yield a sufficient income on capital to attract the \$700,000,000 to \$1,000,000,000 of new capital needed every year for the expansion of railroad facilities.
5. How the States voted in the national poll of editors on the question of the return of the railroads to private management is shown by the following chart. That the railroad question is a non-partisan issue is plain from a study of the table:

A Perfect Cake Ready to Bake

It only takes a minute to mix the contents of a package of Pat-a-cake with 3-4 cup of water, and only another minute to pour it into greased tins—then it's all ready to bake.

Pat-a-cake is a ready-mixed cake batter in flour form. It contains all the things that make a cake taste good—eggs, sugar, flour, milk, flavoring, baking powder, shortening; in fact, just the ingredients you use when you mix a cake the old-fashioned, uncertain, tedious way.

INTERESTING NEWS BITS in and around Palmyra

By R. At Home

FRIDAY, JUNE 27, 1919

George R. Green moved to West Philadelphia Wednesday.

Frank N. Johnson and family spent Sunday near Haverford, Pa., visiting relatives.

Mrs. P. S. Ritter, of Ventnor, is spending a few days with her son, Fred, Davis.

Mr. and Mrs. Jules Caprona have moved into their new home at 14 East Fourth street.

Mr. and Mrs. Wilson Neale, of Reading, are visiting her parents, Mr. and Mrs. John Evans.

Two more \$5 contributors to the Fourth of July fund are Mr. and Mrs. William Blackburn.

Mr. John E. Morton will entertain the directors of the Needlework Guild of America next Tuesday.

Mrs. Thomas Branson and daughter, Miss Ruth, will go to Washington on Saturday to visit relatives.

Charlie Walters, one of the boys who went overseas from Palmyra, arrived in the States this week.

The In-As-Much Bible class will meet at the home of Mrs. Corolla Cann next Tuesday evening, July 1.

Mr. and Mrs. Morton A. Mohrman were guests of Mrs. Mohrman's brother in Trenton over the weekend.

The banner awarded by the County Red Cross to Palmyra schools for leading the rest of the county in Red Cross work has been received.

The members of the Red Cross are requested to meet at the Community Hut at 1 o'clock on the Fourth and to wear white and if possible their caps and aprons.

Mrs. George M. Becker and Miss Carol Becker are spending several days at Seaside Park with Mrs. C. Antenucci. Mr. Becker will spend the weekend with them.

Len Baker requests all the Army boys who desire to take part in the Army-Navy ball game on the Fourth to be at the ball park for practice next Tuesday evening.

The Palmyra High School Alumni Association, after Rip Van Winkle during the period of the war, has ruled its eyes and will give a shirt-waist dance in the auditorium on July 12.

The Palmyra Welcome Home Committee has arranged the arrangements completed and the hotel and steel display which is to be the occasion of one of the main events arrived this week and will be erected at once.

Mr. and Mrs. Thomas Carroll announce the marriage of their daughter, Mabel Frances, to Charles Marshall Shaw. Mr. Shaw is a son of Mr. and Mrs. Frank Shaw, of Delanco.

The Palmyra local option case was argued in the Court of Errors and Appeals at Trenton last Tuesday, by Solicitor Beckenbach. The Court took the case into the recesses and will announce its decision later.

All Service men should mail the card to the Hut Committee notifying them of acceptance of the invitation to the doing at Palmyra on the Fourth so that the committee will know how many to provide for.

All the boys back from the Service but who have not yet received their discharge are requested to stop at Maurice Schwartz's and register, so they will get the souvenir that has been provided by the townpeople.

The big business meeting and social of the Union League will be held next Thursday evening. The League is making big progress and the Union picnic of the Presbyterian, Baptist and Methodist Sunday Schools will be held July 7—Moonlight.

Henry Walker, well known to theatergoers as Dana Mayo, the clever young juvenile dancer and originator of the "Tinkle Toe" in "Going Up," has been spending three weeks as the guest of his aunt, Mrs. Remy Loreaux, whom he visits each summer.

Inasmuch as the fireworks will not start till late in the evening owing to daylight saving, Messrs. Roma and Zsak have arranged a splendid program at the Broadway Palace that movie patrons will have a chance to enjoy before the fireworks begin.

Rev. Philip Vollmer, of Dayton, O., who has been visiting his daughter, Mrs. Elvin Powell, has gone to Washington, D. C. Mr. Vollmer is spending a week at New York, and then will both join their daughter, Miss Teckla, who has gone to Wildwood.

If everybody in Palmyra would buy all their postage at the local post office instead of contributing to the Philadelphia office income, it might be possible to raise the Palmyra office to the dignity of second-class, instead of third as at present.

Miss Harriet A. Tinsdale, daughter of Mr. and Mrs. Charles Tinsdale, of Riverside, and George W. Bonnell, son of Mr. Walter M. Bonnell, of Haverford, were married Wednesday evening in their new home at Riverside Park. Miss Elizabeth Tinsdale was bridesmaid and Alonzo Bonnell was best man.

Josh and Mary Trull, colored, were arrested by Officer Grubb as disorderly persons at the home of Isaac Trull, Third and Market streets, early this morning. Recorder Hines fined them each \$5 and costs, which they paid. The Trulls had from Cinnaminson Township.

One of the features that have been arranged for the Fourth will consist of sight-seeing tours of Riverton and Palmyra and vicinity. A brand new truck, owned by David Cole, will be used, and it will carry passengers to all points of interest. Not proceeds will go to the fund.

Miss Dorothy McConnell has been awarded the \$10 prize offered by J. Mercer Davis for the best commencement oration delivered this year in Burlington county. She was salutatorian at the commencement exercises of Palmyra High School. Her subject was "America's Duty in Furthering Deeper International Relations."

George N. Wimer calls our attention to the fact that there are a good many persons posing as solicitors for out-of-town charitable organizations coming to Palmyra and asking for contributions. It is difficult to determine whether these solicitors are genuine and honest, Mr. Wimer suggests that Palmyra people save their contributions for causes they know more about.

Mrs. Ruth Fluck gave a lawn party and household article shower in honor of Miss Jennie Weir and Alonzo Bonnell last Saturday evening at her home at Fourth and Cinnaminson avenue. Among the guests were Mr. and Mrs. Paul Volkman, of Philadelphia, Mr. Volkman is a noted tenor and he favored the guests with some splendid selections. Many other out-of-town people from Philadelphia and suburbs also were present and the future bride and bridegroom received many useful gifts.

Line of Parade

The joint Riverton-Palmyra parade committee met at James T. Weart's home last night and completed its plans. Mr. Clark, of the Hut, reported that the Service boys of each town were responding in great numbers to the invitations and that a big parade was assured.

A memorial feature in honor of those who gave their lives will precede the main parade by five minutes. Then will follow the military section in the following order: Griffenberg's Band; Lieut. Col. Diller, who will be marshal and commanding officer, with his staff; Army and Navy Men of 1917-18; Veterans of '61; Red Cross and Yeoman.

The second or civilian section will be as follows: Burlington Band, Marines from League Island, Welcome Home Committee, Spirit of '76, combined lodges, Liberty float, Boy Scouts, Girl Scouts, officials of Palmyra and Riverton, the Hut Committee, the Hut float, and the Palmyra Fire Company.

All organizations are requested to assemble at designated places near 1 o'clock at 1 o'clock and the parade will start at once in order that the flagpole dedication can take place at 2:30 and the Army-Navy ball game at 3:30. The parade program in the morning is under the direction of the following committee: William Jenkins, chairman; William Hebbew, Elijah McCullough, T. A. Eason, C. J. Axman and Louis Krause.

Artisans Celebrate

J. Horace Finney Night, celebrated by the Artisan Guild Tuesday evening, was a great success, and the retiring recorder, who had increased the local membership from about 50 in 1916 when he took office to over 200 at present, could feel truly gratified by the appreciation shown him by the big crowd of Artisan present.

A good orchestra from the Underdown assembly was on hand and there were three fine vaudeville numbers, after which speeches by Capt. Dr. Lott, Deputy Herman Meyer, and Most Excellent Master Artisan Vorhees, who was present as "plain Bill," fourteen new Artisans were initiated.

Two handsome cut glass vases were presented to J. Horace. His successor will be William Crane.

Field Club Loses, 6-2

The Field Club ran up against a tough proposition in the strong Wellwood team of Merchantville last Saturday, and lost, 6-2. The feature of the game was the pitching of McManis, of the visiting organization. Dargin also pitched a good game for Palmyra.

This Saturday, Cooper-Brookdale, of Philadelphia, one of the strongest traveling baseball teams, is to be the attraction, and Manager King plans to have Charlie Young, of Riverside, do the twirling for the locals.

Eddie is having trouble keeping a good pitching staff together. As soon as a local boy shows he has real stuff in him, some outside organization offers him more money than the Field Club can afford and naturally the offer is accepted. Nobly expects the pitchers to work for the love and glory of it. Consequently, Eddie has lost the proposition up to the men of Palmyra who are interested in having a good team represent the town and in collecting pledges of contributions to a fund to be used to retain a good pitcher.

On the Fourth, as has been announced, there will be a most interesting Army-Navy game between the discharged Service men of Palmyra and Riverton. The next day, Saturday a week, Riverside, who beat the locals in a close game some time back, will play a return engagement.

Craft Page

Miss Ivy Elizabeth Page and George W. Craft were married at high noon, Tuesday, the 24th, at the home of her parents, Mr. and Mrs. L. A. Page, in Beverly. The ceremony was performed by Rev. C. W. Williams, of Palmyra. The bride was attended by Miss Lillian Peterson, and Kenneth Davis, of Riverton, was groomsmen. After a wedding trip Mr. and Mrs. Craft will reside in Beverly for a time with her parents.

Army-Navy Line up

Everybody out for the Army-Navy game this afternoon of the Fourth. The Navy line-up will be: J. Stack, c; H. Reber, p; L. Polis, 1b; W. Stack, 2b; A. Donaghy, ss; Roth Goldsboro, 3b; J. Hays, 4b; Charles Bates, cf; H. Fisher, lf.

The prospective Army line-up is: J. Keating, c; C. Matlock, p; L. Donaghy, 1b; J. Matthews, 2b; R. Giblin, ss; F. Schaeffer, 3b; A. Boehme, lf; MacMullin, cf; H. Hubs, rf.

Disinfectants for the Poultry

Good disinfectants destroy the germs of contagious diseases, the external parasites, such as lice and mites, and in some cases the eggs of parasitic worms. The eggs of some kinds of worms are so resistant that disinfectants other than hot have little effect upon them. The disinfectants should be thoroughly applied to the interior of the houses, worked into the crevices, spread over the ceiling and the floor, the roosts, dropping boards and nest boxes, at the same time the feeding and drinking troughs should be disinfected by pouring boiling water into them and afterward drying them in the sun. Disinfectants are just easily applied to the walls and ceilings with a spray pump or by using a brush. As it is difficult to keep them from coming in contact with the face and hands, the more harmless of the mixtures should generally be used. Ordinarily linewash made from freshly slaked lime is excellent, and its properties are well known to all. In the case of an actual outbreak of virulent disease it is well to add to the linewash six ounces of crude carbolic acid to each gallon, to increase its activity as a disinfectant.

Will Shoot Projectiles Entirely Off the Earth

In a detailed scientific discussion of the German long-range gun which bombarded Paris last spring, Maj. J. Maitland-Addison, writing in the Journal of the Royal Artillery, takes a peep into the future, observes the scientific American, and considers the possibility of a gun capable of shooting projectiles entirely off the earth into space, a la Jules Verne. The requisite velocity of such a gun is not, he says, so very much higher than what has already been achieved; viz., a muzzle velocity of a mile per second. When we are able to increase this to five miles per second, the projectile, if fired at a suitable angle, will travel around the earth as a grazing satellite, completing its orbit between 17 and 18 miles daily. With a velocity of about seven miles a second, it will move off into space, never to return.

"AMERICA"

By SAMUEL FRANCIS SMITH

My Country, 'tis of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountainside
Let freedom ring.

My native country, thee—
Land of the noble free,
Thy name I love;
I love thy rocks and rills,
Thy woods and templed hills;
My heart with rapture thrills
Like that above.

Let music swell the breeze,
And ring from all the trees
Sweet freedom's song;
Let mortal tongues awake,
Let all that breathe partake;
Let rocks their silence break—
Like that above.

Our fathers' God, to thee,
Author of liberty,
To thee we sing;
Long may our land be bright,
With freedom's holy light;
Protect us by thy might,
Great God, our King.

Charity and Denial.

Brother men, one act of charity will reach more of the love of God than a thousand sermons—one denial, than whole volumes of the wisest writers on theology.—F. W. Robertson.

Grandest Thing on Earth.

There is not a man or woman, however poor they may be, but have it in their power, by the grace of God, to leave behind them the grandest thing on earth, character; and their children might rise up after them and thank God that their mother was a pious woman, or their father a pious man.—N. Macleod.

The Cheerful Chorus

How reasonless is human hope—
In spite of failures without end
I'm still convinced that
Some bright day
I'll find a real,
Platonic friend.

Electric Fans in the Home

EASIER WORK—COMFORT—SOUNDER SLEEP

Of course you feel "all gone" after you have finished your baking and other work on these hot days.

It seems too hot to eat, too hot to sleep.

Yet are plenty of good food and sound refreshing sleep.

An electric fan will keep the kitchen cool while you are cooking, keep the dining-room cool while you are eating, provide "solid comfort" during the sultry afternoons and evenings, and kept running all night, will help you enjoy a good, refreshing sleep. A fan makes "housekeeping easier" on hot days.

We sell all sizes of fans on easy terms—5% discount for cash.

A Thor will do Your Washing in One Hour

When you put a Thor Electric Washing Machine in your home you solve the laundry problem.

No more postponements, no more bills. You can do your washing any day, any time. Just attach the plug, put in the clothes and water, then push the button and the Thor will do a large washing in one or one and one-half hours.

It will wash delicate laces or heavy blankets. The clothes are thoroughly cleaned, and they last several times as long because there is no rubbing.

The Thor makes "housekeeping easy" on wash-day. The current to operate a Thor costs 2 cents an hour. \$25 puts a Thor in your home. Let us demonstrate one for you.

Appliances That Make Housekeeping Easy

Are You Keeping House the Easiest Way?

Women are natural homemakers—but many women are handicapped by lack of proper facilities.

This young woman was sensible enough not to begin housekeeping with equipment similar to that used by her Mother, thirty years ago—yet

—many women make the mistake of cooking, sweeping, washing and ironing the hardest way, thinking that they save money by so doing.

No woman can save money through competing with modern household labor-saving devices unless

She is willing to pay the cost of sacrificing her strength and energy.

Gas and electric household appliances make housekeeping easy and for this reason alone the money cost is the best investment that could be made in home furnishings.

Thousands of women also know from experience that the money paid for such devices is returned to them over and over through savings effected in household expenditures.

Let us help you solve your kitchen problems by placing a Cabinet Gas Range and Water Heater in your kitchen.

18-319 DETROIT JEWEL range, such as shown in this kitchen, is cooking meals in thousands of New Jersey homes.

It is one of the finest full-sized ranges of this type made.

The Pyrex glass door is only one of the exclusive features of this handsome range.

The price, connected in your kitchen, including lighter is \$69.80 cash or \$73.50 in monthly payments.

OUR LION COPPER COIL WATER HEATER is so favorably known for heating water that our best reference is your neighbor who has one.

Price, connected ready for use, cash \$23.50, monthly payments \$24.75.

Our representative will call upon request for further information. Send for him.

OUR SPECIAL SALE OF HOT POINT IRONS AT \$5.75 CLOSES JUNE 30th

After that date our Hotpoint irons will be sold at the regular price of \$6.50.

These irons are specially made for us according to our specifications. And they are different from all other Hotpoint irons on the market.

The heating element is insulated with solid sheets of mica to make the element last longer.

The bottom, or sole plate, is finished in dull black (not nickel) so that it will not chip or rust.

No other Hotpoint irons have these exclusive Public Service features.

This is your last opportunity this year to get one of these well-known electric irons at \$5.75.

An electric iron makes "housekeeping easier" on ironing day. Buy one and iron in comfort this summer.

Easy terms—5% discount for cash.

The Owner of an Oldsmobile Eight Has Always a Consciousness of Possessing a Quality Car—with a Twenty-one Years' Reputation of Highest Quality Standing to Back His Judgment

The Oldsmobile is the one striking success today in a light weight Eight-Cylinder car at a moderate price.

Its famous 2-phase power V-type motor has given it international fame as a remarkable performer.

In the first phase—you may travel at any modest pace on high gear down to a mere crawl at a mile or two an hour.

In the second phase—simply step on the accelerator and go—an undreamed of stream of power is released.

Public Service Gas Company to File New Gas Rates

To Patrons of the Company:

Public Service Gas Company takes this means of informing its patrons that it is face to face with conditions which make it necessary for the company to increase its price for gas.

The expiration of a very favorable oil contract which must be renewed at a materially higher price level, together with other increased costs of production, leaves no other course open to the company.

This oil contract was entered into five years ago, before the European war was thought possible, when oil was plentiful and prices at their lowest ebb.

Oil plays an important part in the manufacture of gas and the price of oil bears directly, and to a marked extent, upon the cost of producing gas.

Were it not that the company was in an exceptionally favorable position due to its long-term, low-priced oil contract, it could not have continued as long as it has selling gas at the present rates, even including the moderate war surcharge approved last year.

Costs have been going up in the gas business just as they have in every other business. Prices charged to gas consumers by Public Service Gas Company have not been increased in anything like the proportion that the cost of other commodities has increased. This is in large measure due to the foresight of the gas company in entering into the long-term oil contract above referred to, which, because of its low rate per gallon, enabled the company to make gas cheaper than it would have been possible for it to do if it had had to pay market prices for oil during the war period.

While the contract lasted the company's patrons were given the full benefit of the low oil price. With the contract expiring the company has been forced to make new terms. The war is ended, but the era of war prices is still with us. This applies not only to oil, but to other supplies, to coal and to labor.

Every gas company in the State has found it necessary to increase its rates. A number of these companies have been forced to raise rates more than once within a year to keep pace with the increasing cost of production and distribution. Some of these companies are receiving \$1.65, \$1.85 and even as high as \$2.10 per thousand cubic feet of gas, with an extra meter service charge of twenty-five cents, or more, each month. And the sections of the State served by most of these other companies are entirely comparable with much of the territory served by Public Service Gas Company, as the latter supplies customers in 164 municipalities.

Public Service Gas Company is not seeking any such rates as those above quoted, reasonable as they may be. This company has based its new schedule of rates upon what the Board of Public Utility Commissioners, after a long and thorough investigation in the Passaic Gas Case, determined to be a just and reasonable rate, plus the actual probable increase in the cost of making and distributing gas that has taken place since that decision was rendered.

In the Passaic case a ninety-cent rate was fixed. It was accepted by the company and paid by consumers. It has been in effect some five years or more. Today it costs about twenty-five cents more a thousand cubic feet to make and distribute gas than it did when the ninety-cent rate was declared to be just and reasonable.

For the last five months this company has been losing money. It has been deferring the filing of new rates in the hope of a favorable change in conditions, which hope has not been fulfilled. It can wait no longer. To enable it to continue properly serving its patrons and meeting its just obligations the company is reluctantly forced to file with the Board of Public Utility Commissioners a new base rate of \$1.15 per thousand cubic feet of gas, effective with July sales, the bills for which will be rendered on or about August 1.

Mother's Cook Book

The cares of the day, old geriatrics may, are quite easy to perplex one. Then drive today's sorrows away till tomorrow. And then put it off till the next one. —Charles Dickens

Food for the Family.

A variety of salads, crisp, simple, well-dressed with a simple French dressing, makes the task of planning meals easier and the meal more wholesome. For a dinner salad, lettuce, water cress, endive or Chinese cabbage, with a plain dressing of any kind preferred, is liked.

Jellied Vegetable Salad.

Take a half cupful of finely shredded cabbage, one-half cupful of cooked peas, a tablespoonful or two of small cubed cooked beets and a half cupful of peanuts. This will be a good combination. Soak one tablespoonful of gelatin in one-quarter of a cupful of cold water and dissolve by one cupful of boiling water; then add one-quarter of a cupful of sugar, the same amount of mild vinegar, one tablespoonful of lemon juice and one-half teaspoonful of salt. Stir, cool and when the mixture begins to thicken add the vegetables and nuts; there should be about one and three-quarters cups. Turn into a ring mold and chill thoroughly. Arrange on a platter with sliced cold roast lamb garnished with water cress.

Sardine and Lettuce Salad.

Skin and bone three sardines for each serving, arrange on crisp head lettuce and garnish with a stuffed olive.

The reliance that womanhood has

learned to put in crackers is being well illustrated at the feast being given for returning soldiers and sailors.

Every woman in the metropolis has in her pantry a generous supply of the National Biscuit Company's always useful and universally accepted products.

Staying Away From Church. The habit of absenting one's self from the Sunday services of the church is one that some seem to acquire very easily. It is a habit to be shunned. Sometimes it is occasioned by sickness; often some small excuse, some grudge against a member, some resentment at a fellow member's fault, is the occasion. Jesus will be there, even if an unworthy member is present. Jesus may be present especially to meet and forgive that unworthy member; and who are we that we should judge a brother or a sister?

Necessity Makes Prosperity. A people never fairly begins to prosper till necessity is treading on its heels. The growing want of room is one of the sources of civilization. Population is power, but it must be a population that, in growing, is made daily apprehensive of the morrow. —Stimms

When Marble Breaks.

To mend broken marble, mix some Portland cement with water to a very stiff paste. See that the edges of the marble are quite clean. Then put some cement on both sides, press together very lightly and let the cement harden.

Tomato Salad.

Tomatoes may be served in numberless ways as salad. Cut in cups and filled with chopped cucumber, an onion and a good dressing is one very appetizing way. A thick slice of tomato, French dressing. Pour over the head lettuce just before going to the table. A bit of catsup may be added. If liked, or a teaspoonful of Worcestershire sauce.

JERSEY TO FIGHT NEW YORK TAX

Attorney General Says Law Is Unconstitutional Because It Is Discriminatory.

PRIVATE INTERESTS TOUCHED

Recommend That Suit Be Brought In the Name of Some Individual Affected by the Alleged Discrimination.

Trenton.—An opinion holding that the New Jersey state income tax law, under which residents of New Jersey engaged in business or following their profession in that state are assessed, is discriminatory and therefore unconstitutional, was given by Attorney General McCrea, and action toward fighting the measure in the New York courts will be taken immediately.

The opinion, which was given by the attorney general at the request of Governor Runyon, states that while it is apparent to all that there is discrimination against large numbers of New Jersey citizens, the wrongful imposition of the taxes does not, in the legal sense of the term, involve a question of public right. It is, on the contrary, a circumstance in which private interests are involved.

In view of this fact, the attorney general recommends that a suit be brought in the name of an individual affected by the alleged discrimination, and that the suit be filed in the New York courts. He suggests that the plaintiff New York counsel be employed to represent the interests of the plaintiff. John W. Griggs, former governor and former attorney general of the United States, who practices in New York state, will probably be employed for this purpose.

Retaliation Threatened. Governor Runyon has appealed to Governor Smith of New York to lay before the legislature of that state the grievance of thousands of citizens of New Jersey who are threatened with financial loss through the unjust and discriminatory personal income tax law recently passed by New York, and which provides a tax on non-residents at double the rate that is to be imposed on citizens of New York. Governor Runyon's message, while mild and respectful in tone, suggested that "effective retaliatory action on our part" may be taken if the unfairly assessed tax is maintained.

That is as far as our governor can go at present. He has shown his intention of pressing the interests of the people of this state; and if the New York legislature neglects or refuses to amend the new income tax law, drastic steps will be taken. That the act is unconstitutional is recognized at Albany, for State Comptroller Travis has given notice that he will not attempt to collect the extra one per cent. tax from Jerseyans. The collection of certain portions of a law to be enforced, while other provisions are to be ignored, is a novelty in jurisprudence and politics.

Governor Smith evidently was impressed by the representations made by Governor Runyon, because in his reply he admits that there is "one possible injustice and one error" in the law as applied to non-residents, and he intimates that amendments should be made that will secure to New Jersey the guarantee of the Federal Constitution—"all privileges and immunities of citizens in the several states."

Finds Filthy Jails. Charging that men are compelled to live under conditions that constitute a serious menace to the health, Joseph Thompson, inspector of institutions, in a special report to the Department of Charities and Corrections, severely criticizes the public jails of Philadelphia, New York and Boston, and recommends that they either be abandoned or improved to make them fit for human habitation.

Mr. Thompson described the jail at New York as being in a filthy condition. It is located, he said, in a dark, damp and poorly ventilated cellar, and its floor is constantly covered with the overflow from a cesspool in the jail yard. Almost similar conditions prevail at Philadelphia, according to the report, and Mr. Thompson strongly urges that these jails be abandoned. At Rutherford the jail was found to be in an extreme state of uncleanliness and without adequate toilet facilities.

On the same intolerable conditions found when the jail at Belvidere was inspected last January, continued when the place was recently inspected in a report stated. Promises by the Board of Prisoners of Warren County that improvements would be made have not been fulfilled, and the same inferior quality of food issued to the prisoners continues to be served, Mr. Thompson reports.

Sen. Girl is awaiting with some degree of impatience the arrival of Governor McCrea, who will occupy the Little White House this summer. Governor Runyon has tentatively set July 1 as the date for his arrival there, but it is believed that he and Mrs. Runyon will come in time to open the executive cottage for the next week end holiday season. Social activities are being planned by the hotel and cottage folk, but the inauguration of the summer season is never considered complete until the Little White House is occupied.

Governor Runyon's announcement that he would be a candidate for the Republican nomination for governor leaves no room for doubt that the coming season will be one of the most important from a political viewpoint that has been known in Sea Girl since President Taft's departure from the White House in 1912. Not only will Governor Runyon's campaign be moved from Sea Girl, but that of State Comptroller Newton A. K. Hughes, who seeks the same top. It is accordingly more than probable that the campaign headquarters for the campaign will be located at Belmar, and it is believed likely that Sea Girl will therefore become at once the campaign headquarters for the gubernatorial honors.

Where Politicians Meet. Not only the political activities of the two men, but the campaign reservation will, as in past

years, become the meeting place of politicians of all parties and all branches. Governor Runyon has already arranged for a series of Governor's day celebrations, which will bring close to 10,000 prominent men from all parts of the state during July and August, and it will be upon these occasions that much of the political history of 1919 will be written.

The headquarters of the state militia organization will be moved to Sea Girl shortly after July 1. The militia will not start its activities until late this year owing to the failure of the legislature to make appropriations available before July 1. On July 7 the officers and noncommissioned officers of the state militia will come for a five day school of instruction. General Glickson will be in command. Lieutenant Colonel John M. Rogers, the adjutant general's department will be the chief instructor.

After the camp of instruction is over the various battalions of the state militia will come for periods of one week each, to be followed late in the summer by the uniformed outfits of the Militia Reserve or Home Guard units. The fact that New Jersey's National Guard is to be reorganized largely from the members of the militia will make this year's camp of more than passing interest, and the news that Governor Runyon is arranging for many notable military ceremonies in conjunction with the reorganization for entertainment at Sea Girl has been received with general acclaim. There will be numerous reviews, parades and daily ceremonies of an interesting nature.

New Jersey's team which will compete in the national rifle matches at Caldwell late in August will be picked at Sea Girl. The Sea Girl ranges will be used in the training of the militia. The thirty members of the team will be the leaders in the instruction who will find places on the state team. They will be picked by Brigadier General Bird W. Spencer, the inspector general of rifle practice for this state and the father of rifle shooting in America.

Mrs. Runyon has not yet divulged her plans for the social activities at the executive mansion, but it is understood that she will entertain a number of brilliant functions. As the leading lady of the state she is expected to make the Little White House once more a favorite social scene. The citizens of the nearby resorts will be the guests of the governor and Mrs. Runyon at an informal reception soon after their arrival, and the customary luncheon to the members of the New Jersey senate and their wives will follow early in the summer.

Seck State Man for. As a result of attacks by Senator Edward I. Edwards upon the practice of "importing" high salaried officials for employment by the state, the selection of J. L. Montgomery of Trenton, Cal., as superintendent of the State Home for Boys at Jamesburg, has been unanimously disapproved by the Board of Institutions and Agencies.

The managers of the home declare they have made a thorough search of New Jersey for a superintendent who will raise the standards of the institution and make it a place for the education of boys rather than a feeder for the Highway Reformatory and the state prison, but have found no one whom they consider well fitted for the place.

Commissioner Lewis has informed the school managers, however, that "they should continue to search among Jerseyans until no man, be he friend or foe, may ally with any degree of propriety whatsoever, that the search has not been thorough and painstaking."
