Philadelphia

Women's Superiority.

Men's tailors frequently fail to fit  
their customers, because, as someone  
has said, tailors do not perform mir-  
acles. But women's tailors have better  
luck, for in their case the women per-  
form the miracles.—Kansas City Star.

Cross Quarters.

Disappointed House Hunter—I've  
brought back the keys of your mis-  
sonette—why, there isn't room in it  
for the children to have the mumps!—  
London Opinion.

## INTERESTING NEWS BITS in and around Palmyra

Buy It At Home.

FRIDAY, SEPTEMBER 8, 1919

Mrs. A. Hansen spent Thursday in Chester with her daughter.

Mrs. Ford Sparr spent the week in West Chester with her sister.

L. R. Baker and Harold Baker have returned home after spending two weeks at Ocean City.

Mr. and Mrs. Frederick C. Young are visiting friends in Boston and Dorchester, Mass., and Peterboro, N. H.

The Fall convention of the Burlington County W. C. T. U. will be held at Medford on September 8. Mrs. Deborah Knox Livingston will be the principal speaker.

Louis King has sold his home on Cinnaminson avenue to Warren V. Zellers, of Rockledge, Pa. Mr. King will probably build in the near future.

George Glinther, who enlisted in the Merchant Marine Service several months ago, will sail Saturday morning on the Steamship Sharon for Mexico and South American ports.

Charles Mason Remy, of Washington, D. C., who spoke in Riverton in July, will be at the home of Mrs. Bowen, 108 Broad street, Sunday afternoon, September 7, to explain Bahai teachings.

Several articles of jewelry were lost at the Firemen's Carnival. Chief Beck requests the finders to communicate with him in order to restore the jewelry to the owners.

The price of ice to retail customers dropped to 80 cents this week. Members of the ice committee of the Citizens' League ascribe the drop to the moderate weather.

The annual meeting of the Palmyra W. C. T. U. will be held Wednesday, September 10, at the home of Mrs. John Althouse, Garfield avenue. Officers for the coming year will be elected and annual reports will be read.

Mrs. A. G. Barrie and daughter, Mrs. Raymond Simon, left for New England on Sunday. Mrs. Barrie will spend a month in the mountains. Mrs. Simon will spend a month in the mountains. Mrs. Barrie and daughter returned last week from a week's trip through New England.

Robert C. Bittling has rented the store and residence in the Betz Building, and will make the store the headquarters of his electrical and electric appliance supply business, especially the "Eubird" electric washing machine agency.

Louis A. Page, known to many farmers in the county as a commission merchant and produce shipper, has made an assignment for the benefit of his creditors. It is said that the assets are likely to nearly or quite equal the liabilities.

Rev. E. A. Robinson and wife have returned home after spending a month in the South and at Atlantic City. He will resume his pulpit on Sunday. The Misses Marian and Esther Robinson have returned after a month in the Adirondack Mountains.

In the magazine section of the Public Ledger, on Sunday, August 31, was an article, entitled "Play on My Lot, This Man Says to the Whole Community." This article was written by Henry Longcope, who resides at 604 Leconey avenue. Mr. Longcope is a well-known writer, whose articles have been printed by many magazines and papers.

Lieutenant Calvin T. Durgin, U. S. N., is spending two weeks with his parents, Mr. and Mrs. F. L. Durgin. Lieutenant Durgin has been transferred to aviation and will report at Pensacola, Fla., on the 15th. Midshipman Edward T. Durgin, who has been on a cruise on the Alabama, is spending a month at home. George M. Durgin has returned to Chicago, and Charles Durgin to Youngstown, O., after spending their vacations at home.

Mrs. Charles H. Pascoe will entertain the Palmyra Branch of the Needlework Guild of America at her home on Melrose avenue next Tuesday afternoon. She has been fortunate in securing the Rev. John C. Scott, manager of the citizens' Home Society of Trenton, N. J., as a speaker for the occasion. All contributors and friends are earnestly requested to be present. Mr. Scott is a most interesting talker, and it is desired to have him greeted by as many as are in sympathy with the work of this worthy organization.

Gossip has been agitated for a week with rumors of a "murder" at Five Points, which nobody seemed to know anything about. It started this way: Thursday night, a week ago some woman called County Detective Ellis Parker on the phone and told him there had been a murder. Parker rushed down from Mount Holly and called out the Palmyra and Riverton police, but no sign of any murder could be found. Chief Beck then traced the call to Palmyra station, where the trail ended. Chief Beck believes that a bloody but not fatal rumormongering colored couple near Five Points several days previous started the reports of murder.

### DEATHS.

**John McCloskey**  
Mr. John McCloskey died suddenly late Tuesday night at his home at Broad street and Morgan avenue, Palmyra. Mr. McCloskey was seized with an attack of uraemic poisoning, and was forced to take his bed just before noon Tuesday, becoming unconscious at five in the afternoon.

Mr. McCloskey was 53 years old. He had lived in Palmyra six years, and conducted a prosperous barber business at 12 South Fourth street, Philadelphia. He had been in the barbering business in the vicinity of the house for 25 years and had the Fourth street shop 18 years.

The widow and two sons, James W. and J. Leonard, and a daughter, Orelle E. McCloskey, survive him.

The funeral was held this Friday morning at 9 at Sacred Heart Church, with solemn High Mass and interment in Holy Cross cemetery, Philadelphia.

One son of the deceased, J. Leonard McCloskey, is a wireless operator in the merchant service, and is now on the high seas on the way to South Africa, and is not expected to be informed of his father's death until his return six months or more hence.

James W. McCloskey, the other son, was married last Saturday, and his honeymoon was interrupted by the sad news of his father's serious illness.

**Thomas Wilson Barclay**  
Thomas Wilson Barclay died at his home, 125 E. Fifth street, Wednesday evening, after being ill for several weeks with heart disease and kidney trouble. Mr. Barclay was 65 years old. He leaves four grown children, the Misses Mary and Bertha Barclay, Robert Barclay, of Wharton, George F. Barclay, of Burlington. Funeral services will be held Saturday afternoon, interment in Odd Fellows cemetery, Burlington.

## Firemen Hold Carnival in Rain

It sure looked like a sad time for the Firemen of the Independence Company when it poured last Saturday evening, when the annual grand carnival was scheduled and when it poured in drizzling rain when the postponed session was held.

But the firemen say they never had a bigger crowd nor ever made more money than they did at this water-soaked two-day carnival. The patrons stood right out in the rain and bought and bought and bought and the wheels went round. Not only did all the fruit which the farmers hereabouts had presented to the firemen find ready buyers, but the firemen even went into the staple market and purchased seventy-five bags of flour which was sold just as fast as the peaches and candy.

The fireworks, which everybody thought were going to be made useless by the rain, went off just like firemen's fireworks are educated to go off, and there certainly was a fine display of them.

Biggest and better than ever is always the motto of the carnival and even the deluge couldn't prevent it. The fireworks, which everybody thought were going to be made useless by the rain, went off just like firemen's fireworks are educated to go off, and there certainly was a fine display of them.

### Victory Buttons for Discharged Soldiers

A lapel button to be known as the Victory Button, for wear on civilian clothes, will be issued to all officers, enlisted men, field clerks, and members of the firemen's corps who served on active duty in the army of the United States at any time between April 6, 1917, and November 11, 1918, and whose service was honorable.

The buttons will be in silver for those wounded in action and bronze for the others.

Those who have been discharged before a supply of buttons was available, may obtain them by applying in person at the nearest recruiting station or sub-station, and presenting their discharge certificate or endorsement by mail, their original discharge, or a true copy thereof (prepared on the form provided for the purpose) to the supply officer of the nearest military post, camp or station.

Home Service Sections of the Red Cross will be ready in the near future to furnish the form on which a copy of the discharge certificate is to be made, and will advise the men how to apply for the Victory Buttons when they cannot go in person to the recruiting station.

### Captain Wintersteen Here

Captain J. Boone Wintersteen, of Moorestown, one of the physicians who gave up their practice early in the war and volunteered, who is now in the race for the Republican nomination for State Senator, was in town last night, calling on friends and looking over the lay of the ground. Captain Wintersteen is continuing heavily on the soldier vote, believing that he can look after the interests of the discharged Service men better than anyone who never saw service.

### Flight on for Township Clerk

After serving Palmyra in the capacity of township clerk for two years, Albert N. Stewart will retire this year, press of building loan and other business demanding his attention. There are two aspirants for the vacancy, William E. Jenkins and George J. Spencer, both Republicans. There is no other contest, and the candidates are as follows:

Chairman of township committee, John M. Davies, to succeed himself; collector, A. H. Ruckel, ditto; assessor, John W. Shade, the same. County Commissioner, First district, William McConnell, Democrat; second district, John P. Sear, Republican; and Thomas Carroll, Democrat; third district, Julius R. Fisher, Democrat.

### The Visiting Nurse

The work of the Visiting Nurse will be renewed on September 1, and the committee feels that a proper time to call attention to the demands made on the nurses, and to the hours they can justly claim as their own, for rest and recreation.

### In a country community like Riverton and Palmyra and the outlying sections, the demands must necessarily be greater upon the nurses' time than they would be in a city where distances are shorter.

### Our nurses' hours, as scheduled by the American Red Cross Public Health Service, are 8.30 a. m. to 5.30 p. m.

### That these hours have not been adhered to is well known, and the nurses have been called out at all hours.

### It is the wish of the committee to respond to all necessary calls, but we feel it right to have some restrictions to safeguard the health of the nurses.

### Therefore, please read the following suggestions and cut out and keep for reference.

### Call Nurses' Home at certain hours:

7.00 to 8.30 a. m.  
12.30 to 1.30 p. m.  
6.00 to 7.00 p. m.

Between hour messages are not always necessarily taken.

After-hour calls, in the evening or at night will only be responded to if made by physician in charge of case, or

in an emergency case where a physician cannot be reached, and that fact is stated.

If a special night nurse is needed at any time, call the Nurses' Home where a list of names and addresses of nurses is on file, and the Visiting Nurse will gladly assist doctor or family in finding one.

Third:

Consent cases. Nurses will attend deliveries and assist doctor in every way possible, but the physician in charge should also be present, and nurses are not legally expected to take full responsibility.

There has been very satisfactory cooperation between physicians and nurses heretofore, and the committee has every reason to expect the continuance of this, for we desire to serve the community in every possible way.

Therefore we ask the public to help us by observing the above rules, which will in the end ensure the best service.

For the committee,

MARTHA M. C. BIDDLE, Chairman.

The Presbyterian Sunday School picnic will go to Clementon Lake, Saturday, September 6.

Had Origin in America.

There has been much controversy over the song "The Red, White and Blue," but the logical conclusion is that the English adapted their words from the American song, which was written by Thomas A. Becket, Esq., of Boston, after he had made America his home. Before this song was written, in 1890, no similar version was known in England.

## ANOTHER CARNIVAL!

This Time It's the "Caseys" (KCa) Local Dshut

Arrangements are now about completed for the Knights of Columbus Carnival, to be held Saturday afternoon and evening, September 13, on the grounds surrounding the residence of Messrs. Alphonsus Jordan and Robert Robbins, at Broad street and Morgan avenue. All of the old and several new carnival attractions will be offered. For the young (in April, age don't count) there will be dancing on the porch to the strains of a jazz band. And a charming young lady talented with six languages will hold forth in the fortune teller's tent. She don't live here and we are not telling her name. Maybe she is a real spy? For the children of larger and smaller growth there will be that old standby, the fish pond. A Chinese laundry will also be in full swing. Three wheels of fortune are contemplated with the prizes to be won. Other prizes are a Liberty Bond, a thousand-dollar insurance policy for household furniture, a lot of cut glass and numerous interesting things, including some Drexel-Town plantings. To be convinced that the prizes are of the ordinary kind, a walk to Betz's shoe store and note the gifts displayed in the window adjoiner. Address other features at the Novelty Shop, the Candy Counter, one of the biggest Cake Sales imaginable, the Ice Cream Department where a generous brick of ice cream and lemon-meringue home-made cake can be secured at a really nominal price. Of course, there will be other attractions. These are only those of which we are positive. Oh, yes, for the really hungry there will be a Dutch Kitchen, where a simple supper can be procured. To assure the success of this affair the following ladies have agreed to act as patronesses: Mrs. John Hyton, Mrs. George A. Stroblin, Mrs. John T. Larkin, Mrs. T. Austin Eason, Mrs. Robert S. Leithead, 2nd; Mrs. William O. Byrnes, Mrs. John Hollings, Mrs. James Elliott, Jr., Mrs. Thomas McCrossen, Mrs. Augustine Conlow, Mrs. John Holvick, Mrs. Thomas Garrett, Mrs. Clement A. Hays, Jr., Mrs. John Hays, Mrs. Robert Robbins, Mrs. Joseph C. Shaffer, Mrs. Alphonsus Jordan, Mrs. John J. Haslam, Mrs. George Zins, Mrs. Harry Williams, Mrs. Theodore T. Jennings, Mrs. Frank Betz, Mrs. Harry C. Sim, Mrs. Augustine Rudick, Mrs. Joseph V. Landers, Mrs. Dunn and Mrs. Oscar F. Rutschmann.

Of course, you are interested in learning why all this effort is put forth. The thousand dollars which will result from this carnival is to become the nucleus of a building fund for the erection of a Knights of Columbus Home, wherein the social service work this order so valiantly performed in the world war can be continued in our midst, a place where the growing boy in particular can find congeniality in wholesome surroundings. The Knights of Columbus will have to change their well-known slogan for September 13th to "Everybody Welcome." Admission Free. Though the Knights of Columbus have been accustomed to deal in large figures (they surpassed every other war organization in distributing goods worth millions of dollars) worth of creature comforts absolutely free to the American boys "over there," they feel it would be a calamity if they should forget their pocket book on this occasion. Thomas McCrossen, Robert S. Leithead, 2nd, and Fredy and Trudel are the committee in charge.

### Married.

The wedding of Miss Edna Slack, house of Florence, N. J., and Herbert Kemmerle, son of Mr. and Mrs. Harry Kemmerle, Sr., of Palmyra, took place at the home of the bride's mother, Monday afternoon. The young couple are now enjoying their honeymoon at Niagara Falls. Mr. Kemmerle is just out of the Service, having recently returned from France.

### McCloskey-Connen

Miss Kathryn E. Connan, daughter of Mr. and Mrs. Michael L. Connan, 7119 Woodland avenue, Philadelphia, and Miss W. McCloskey, daughter of the late John McCloskey, of Palmyra, were married at the home of the bride last Saturday afternoon. The young couple had started on their honeymoon trip to New York and New England points when the bridegroom received a telegram in New York, Tuesday morning that his father was seriously ill. They returned home at once and found Mr. McCloskey on his deathbed.

Palmyra-Trenton and intermediate points, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

For Camden and intermediate points only, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

Palmyra-Trenton and intermediate points, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

For Camden and intermediate points only, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

Palmyra-Trenton and intermediate points, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

For Camden and intermediate points only, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

Palmyra-Trenton and intermediate points, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

For Camden and intermediate points only, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

Palmyra-Trenton and intermediate points, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

For Camden and intermediate points only, 4:30 a. m., 5:30 a. m., 6:30 a. m., and half-hourly until 11:30 p. m., then hourly until 11:30 p. m.

Palmyra-Trenton and intermediate points, 4:

## INTERESTING NEWS BITS in and around Palmyra

Run At Home

FRIDAY, SEPTEMBER 12, 1919

Thomas R. Murphy has accepted a position with the Palmyra American street.

The "Casey" carnival at Board and Morgan, Palmyra, this Saturday. Don't forget it.

T. E. Steele has returned from a two weeks trip through the New England States.

Miss Marion Wood has been appointed principal of the Farnum School at Beverly.

Mrs. Leonard Baker and children returned home Sunday after spending a month at Ocean City.

Mr. and Mrs. Frank A. Mathews returned Saturday from a trip to Glenburnie, Lake George, N. Y.

Robert Post returned Saturday after spending the summer at Richmond, Va., with his grandparents.

Eastern Star Lodge will hold a rummage sale on September 23 in the store next to the movies—Adv.

The Cinnaminson Building and Loan Association will issue its 42nd series of stock on October 13. See ad in this issue.

The Daughters of Pocomtosis will hold their big drawing on September 22. All members are requested to have their books in by the date—Adv.

The new police station beside P. O. S. of a building has been furnished and the wiring is almost complete, no more and Grubbs will soon be holding forth there in much style.

A splendid entertainment was given Thursday evening at the Baptist Church in honor of the church's returned service men. An excellent literary and musical program was rendered. Refreshments were served.

Mrs. A. B. Powell returned home on Wednesday evening after spending four weeks visiting friends and relatives in Indiana. Mrs. Bennett Longfield and daughter, of Bridgeboro, spent Thursday with Mrs. Powell.

Mr. and Mrs. George M. Becker are spending the month at Seaside Park.

Mrs. C. Griffenberg is visiting her daughter in Brooklyn for two weeks.

Mrs. Sadie Lewis and Mrs. Ella Haines, of Tabernacle, were guests of Mrs. Warrington Darnell last week-end.

A surprise party was given to Fred. E. Schrepper, Jr., last Saturday evening, at his home on Leconey avenue.

Fred was lured away for the evening by one of the fairies while the party assembled at his home. He and his companion returned at 8:45 and Fred was greeted by a large assemblage of friends.

The Independence Fire Company's new siren was sounded Sunday morning at 1 o'clock just to see how new firemen would be aroused. Twenty-eight responded, which was considered excellent. The siren was heard even in Riverton and some of the Riverton firemen came down to see what the trouble was.

Mr. Frank Battalinger has purchased two of the lots on Morgan avenue, Morgan Heights. We understand it is Mr. Battalinger's intention to build a home at an early date. The general improvements that are taking place on Morgan Heights give assurance of a permanently attractive neighborhood. Some time ago in these columns, the attention of our readers was called to the possibility that some of our people would wake too late to the excellent possibilities of this section.

Adv.

New School House Noddy

Palmyra schools opened Monday with every room at the school. Nearly 1,000 pupils are enrolled. The eighth grade registered 64 pupils which were crowded things so much that Professor Griffith has put them on his feet until some other arrangements can be made.

The crowded condition of the schools reflects the fact that virtually every house in town is filled and there are new people moving in as fast as they can find homes. More school work will have to be found eventually.

The outlook for athletics at the high school is splendid, partly owing to the influence of the new physical director, Mr. Terry. The boys predict a fine football team, and there will also be both a boys and a girls' basketball team. The A. A. met this week and elected Lloyd Jackson, president; Fred Fry, vice-president, and Emory Harvey, secretary and treasurer.

Your correspondent, in passing along that beautiful portion of Palmyra, known as Morgan Heights, notices that Mr. Harder is progressing very nicely with the home he is erecting on Morgan avenue near Cleveland avenue.

Adv.

Five Points

Mr. and Mrs. George Dorworth and children spent the weekend at the home of Charles Dorworth, at Treviso, Pa.

Rev. and Mrs. R. Belmer spent Friday and Saturday as guests of Mr. and Mrs. H. W. Baker at Seaside Park.

Mr. and Mrs. Baker returned home Sunday after having spent the summer at Seaside Park.

Miss Eva Vandegrift is teaching at Florence this year.

The annual peach festival of the Wiling Workers will be held at the Moravian Church next Wednesday evening.

Local Runyon Committee

A Runyon Committee, formed to advance the candidacy of Acting Governor William N. Runyon for nomination at the primary this month, has been organized in Palmyra.

The committee is composed of local church leaders, who are giving wholehearted support to the Acting Governor because of his progressive and straightforward career as State Senator and Acting Governor. The committee is composed of A. Harry Riddick, chairman; Henry A. Riddick, A. L. Bradley, Rev. C. W. Williams, Fred Schrepper and George N. Wimer.

Builder Llewellyn Davis, who recently settled here, is busy engaged in erecting two houses on Morgan Heights, which is destined to become one of the finest residential sections between Camden and Burlington, as the property is thoroughly protected by reasonable restrictions.

Adv.

P. T. A. Opening Meeting

The Palmyra Parent Teachers' Association, which has done such splendid work in furthering a close relationship between the parents and the schools for the past two years, will hold its first meeting of the new season next Tuesday evening, September 16, in the High School Auditorium, beginning at 8 o'clock.

The first meeting will take the form of a reception and welcome to the teachers, many of whom are new to the town, and provide for a getting-together of parents and teachers in general. The school board and parents are specially invited to attend.

## Married

Miss Sarah P. White, daughter of Christopher S. White, and William E. Gibbs, of Hancock, were married Thursday evening, at 8 o'clock at Fifth and Cinnaminson. The bride wore a gown of white headed Georgie and carried a shower bouquet. She was attended by Miss Ethel Ingling, of Delair, who wore blue Georgie and carried pink roses. The best man was George Gibbs, a brother of the groom. The ceremony was performed by Rev. E. A. Riddick and Mrs. Gibbs will reside in Palmyra.

It might prove of advantage to our readers to pay Morgan Heights a visit and thus become acquainted with the many advantages of this new development.

Field Club 3-Kinsley 0

The Field Club took Kinsley A. C. into camp last Saturday to the tune of 3-0.

The visitors were piloted by Bobby Blackburn, of the Palmyra boy and brother of the famous "Lena." Bobby pitched for his team and did some promising work on the mound, but Field Club bunched hits on him few times, while Kinsley could do nothing with the brilliant twirling of "Baby" Flynn.

This Saturday the boys play Riverside, their old rivals, again. Riverside has had the best of the argument all season, which included one seven-inning tie. Flynn will pitch again this Saturday, and Eddie Durgin, of the Naval Academy, will be in the local lineup.

## DEATHS

Mrs. Jannetta R. wife of Martin Black, died Thursday evening. Remains may be viewed Sunday evening at 833 Highland avenue. Service will be held Monday at 2 p. m., at home, conducted by Rev. C. W. Williams. Interment at Morgan cemetery.

The deceased leaves a husband, a son, Stanley, and three sisters and a brother, Mrs. Warrington Darnell, Mrs. Cora Mann, Mrs. E. A. King, and William B. Powell.

We understand that Mr. J. K. Jones has purchased one of the Highland avenue lots on Morgan Heights.

IMPROVED UNIFORM INTERNATIONAL

SUNDAY SCHOOL

LESSON

(By REV. P. B. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute, Chicago.)

(Copyright, 1919, Western Newspaper Union)

LESSON FOR SEPTEMBER 14

THE JUDGMENT OF THE NATIONS.

LESSON TEXT—Matt. 25:31-46. GOLDEN TEXT—For we must all appear before the judgment seat of Christ. II Cor. 5:10.

The subject selected for the lesson committee is "The Future Life," but at best such a statement would be the use of the term in an accommodated sense. According to legitimate textual and contextual significance it is the judgment of the living nations which lies at the heart of the future.

The idea of a general judgment which is of so frequent occurrence in religious literature and teaching is a fundamental error. It is not once found in the Bible, neither the idea which it is intended to convey. Doctor Pentecost most distinctly says, "It is a mischievous habit that has led the Christian world to speak of the judgment as being one great event taking place at the end of the world, when all human beings, saints, sinners, Jews and Gentiles, the living and the dead, shall stand up before the great white throne and there be judged. Nothing can be more wide of the mark." The Bible speaks of different judgments, differing in respect to the subjects to be judged, the place of judgment, the time of judgment and the result of the judgment. This is not the judgment set forth in Revelation 20:11-14, but precedes that one at least one thousand years.

I. The Judge (v. 31).

It is the Son of Man, the one who came and died to redeem the human race, and who now being clothed with majesty and power will sit as Judge. Those who accept him now shall not come into the judgment (John 5:24).

II. The Time (v. 31).

This will be when the Lord comes in his glory, accompanied by a retinue of glorious angels. This will take place after he has gathered the elect remnant of Israel. There will be no resurrection in connection with this judgment.

III. The Place (v. 31).

It will be on his glorious throne. This throne will be most surely in the land of Israel. The Prophecy of Joel, third chapter, and Zechariah 14:1-5, make it to be in or near Jerusalem. The angel said to Mary, "Thou shalt call his name Jesus; he shall be great and shall be called the son of the highest; and the Lord God shall give unto him the throne of his father David; and he shall reign over the house of Jacob forever, and of his kingdom there shall be no end." (Luke 1:31-33). Just as there was a literal place and a literal king there shall be a literal throne.

IV. The People Judged (vv. 32-45).

These will be the living nations upon the earth after the church has been translated (I Thess. 4:16, 17). These are the nations to whom the gospel of the kingdom shall be preached, just prior to the coming of the end. "And this gospel of the kingdom shall be preached to all nations and then shall the end come" (Matt. 24:14). This gospel is distinguished from the gospel of the grace of God which is now being preached. The preachers of this gospel will be Jews (Rev. 7 and Rom. 11). These are the brethren in the flesh, of the Lord, they that move among the nations of the world with the startling message of the news of the Lord's approaching kingdom. Some of the nations will gladly receive the message and most kindly receive the king's messengers, giving them clothing, food, shelter, etc. Others will persecute them, thrusting them into prison, etc. Here the former will visit these messengers of the king and provide for their wants. At this time the judge will separate the nations, placing the sheep on the right and the goats on the left. The sheep are those who have given proper treatment to Christ's brethren. The goats are those who rejected and ill-treated his brethren. If these three classes, the "sheep," "goats," "thrusting" be kept separate all confusion will be avoided.

V. The Issue of the Judgment (v. 46).

## Notice of Registry and Elections

In conformity with the provisions of an Act entitled, "An Act to Regulate Elections" (Revised 1893), and amendments thereof, notice is hereby given that the Board of Registry and Elections in the

TOWNSHIP OF CINNAMINSON in the County of Burlington, will meet on the dates and at the place herein after designated for the purpose of adding to and revising the registry list:

Tuesday, September 23, 1919 between the hours of twelve-thirty o'clock P. M. and nine o'clock P. M.

Tuesday, October 23, 1919 between the hours of three o'clock and nine o'clock P. M.

Harris Hall, Westfield

And Notice is further given that a Primary Election for making nominations and for electing members of the County Committee of the Republican and Democratic parties respectively, one member for each party, also for the election in Burlington County of one Member of the State Republican Committee and one Member of the State Democratic Committee, will be held at said place of registration on

Tuesday, the 23rd Day of September A. D. 1919

between the hours of twelve-thirty o'clock P. M. and nine o'clock P. M. of the Township of Cinnaminson, in the County of Burlington.

And that a General Election will be held in said Township at the place of registration on

Tuesday, the 4th Day of November, A. D. 1919

for the purpose of electing the following:

Governor.

State Senator (Unexpired term) Member of Assembly.

County Clerk.

Steward of the Almshouse.

Five Members of the Board of Chosen Freeholders.

Two for 3-year term.

Two for 2-year term.

One for 1-year term.

One Member of Township Committee.

One Constable.

One Poundkeeper.

GEORGE C. FRANK, Clerk of the Township of Cinnaminson.

cf. 34-41).

1. The sheep enter upon the inheritance of a prepared kingdom (v. 32).

2. The goats go into an everlasting fire prepared for the devil and his angels (v. 46). This judgment shall determine their destiny.

The Secret of Comfort.

The chief secret of comfort lies in not suffering trifles to vex us, and in prudently cultivating our undergrowth of small pleasures, since very few great ones, alas! are let on long leases.

—Sharp.

Love Thy Neighbors.

I would tear out my own heart if it had no better disposition than to love only myself, and laugh at all my neighbors.—Pope.

Live by the Day.

The secret of a sweet and Christian life is learning to live by the day. It is the long stretches that tire us.

A Hope Begun.

Immortality does not consist of an argument completed, but in a hope begun.—Newell Dwight Hillis.

AID FOR SOLDIERS

IN QUEST OF JOBS

Providing New Clothing for Discharged Fighting Men One Phase of Work of Home Service.

Every imaginable thing, from looking after his health to supplying him with a brand new suit of civilian clothes and putting him in touch with a job, is being done for the returned fighting man by the Home Service Sections of the American Red Cross. As a result the work of Home Service has practically doubled since the signing of the Armistice.

A large proportion of the men are found to need medical attention. That is provided them. If a patient requires the attention of a specialist, or it is thought best that he go to a convalescent home, that also is arranged.

The Red Cross is emphatically opposed to providing the country's soldiers and sailors with worn clothing of any sort. In the majority of big cities in the country arrangements have been made with one or more firms to enable the men to buy from them at wholesale on presenting a card from the Home Service Section introducing them. In this way each man can go forth to a job without being embarrassed by any feeling of apology for the clothes he wears. The sum spent in fitting himself out he pays back to the Red Cross in weekly installments after he is working, but if luck turns against him he is not held to any pledge to reimburse the Red Cross.

Most of the families of the married soldiers and sailors have been long known to the Home Service Section since it was for their convenience and assistance that it was first formed. When the benedict returns home, it is frequently to find that Home Service is already doing everything possible for his household, and that it proposes to continue meeting any necessary expenses until he is on his feet again. The Section is co-operating closely with the United States Employment Bureau in its efforts to secure work for the men, and it has been found that up to the present there is no scarcity of opportunity for the man experienced in some definite trade. It is the untrained ones and those who have not yet proved their ability who are finding it difficult to be placed again.

American Newspaper History.

Benjamin Franklin contributed much to the development of journalism in colonial days. An editor at the age of sixteen, and a prolific writer, he was identified at some time or another in his life with many of the newspapers which flourished during this period. The oldest newspaper in the United States, which has been continued without interruption of issue or change of name, is the New Hampshire Gazette. It was first published in Portsmouth, N. H., in 1756.

## ANNOUNCEMENT

For the Soldiers

Good Roads Economy in State Affairs

I hereby announce my candidacy for the Republican nomination for

STATE SENATOR

for Burlington County to fill the unexpired term of Hon. Harold G. Wells.

Primaries September 23, 1919.

J. BOONE WINTERSTEIN, Captain U. S. A.

Ordered and paid for by Capt. Winterstein, Moorestown, N. J.

RIVERTON POST OFFICE

ARRIVAL AND DEPARTURE OF

MAILS

November 1, 1917

Arrive.

From Philadelphia, South and West—3:30 and 8:00 a. m.; 12:45 and 4:30 p. m. From East, New York and Foreign—3:30 a. m. and 4:15 p. m.

Depart.

For Philadelphia, West and South—3:30 and 8:00 a. m.; 12:45 and 4:30 p. m. For all points East, New York and Foreign—7:00 and 12 a. m.; and 3:45 p. m. For all points 6:30 p. m.

Holidays.

From Philadelphia, South and West—3:30 and 8:00 a. m. From all points East, New York and Foreign—7:00 and 12 a. m.; and 3:45 p. m. For all points 6:30 p. m.

The Mail Box.

Mail is collected from the box at Broad and Main at the following hours: 8:30 and 11 a. m.; 3 and 6:15 p. m.; holidays 4:30 a. m.

**Ready for  
Zone Plan  
Next Sunday**

**Twenty of  
Every 100  
Passengers  
Will Ride  
For 3 Cents**

**Nearly Half  
Will Ride  
For 5 Cents  
Or Less**

**Two-Thirds  
Will Be  
Carried for  
3, 5 or 7  
Cents a Ride**

**Only Three  
In Every 100  
Will Pay  
As Much as  
15 Cents  
And These  
Will Ride  
Seven Zones**

September 14 is the date set for the zone fare plan to become operative on Public Service Railway. The company is ready to put the plan into effect.

Beginning next Sunday passengers will board cars at the FRONT end only. They will receive a zone check from the motorman showing the number of the zone in which they got on the car. For instance, a passenger boarding an inbound car in Zone 3 will get a zone check looking like this:

Public Service Railway Co.		<b>ZONE CHECK</b>		<b>IN</b>	
Crosstown Line		(Cross Division)		BOUND	
ISSUED TO PASSENGER ON ENTERING CAR					
Zone number at LEFT end of check indicates zone in which passenger boarded car.					
Must be countersigned when leaving car, and pay according to zone fare printed on back.					
Zone 6	Zone 5	Zone 4	Zone 3	Zone 2	Zone 1
6	5	4	3	2	1
1	1	1	1	1	1

The figure on the LEFT end of the check shows the zone in which car was boarded. If the passenger turns the checks over the reverse side will look like this:

NOTICE					
As a convenience to passengers and to enable them to have exact fare ready when leaving car, thereby avoiding delay, the zone in which you boarded car and the fare to all other zones are indicated on the extreme right of this side of zone check.					
FROM 6 TO 1	FROM 5 TO 1	FROM 4 TO 1	FROM 3 TO 1	FROM 2 TO 1	FROM 1 TO 1
6 5 4 3 2 1	5 4 3 2 1	4 3 2 1	3 2 1	2 1	1
1 1 1 1 1 1	1 1 1 1	1 1	1	1	1

Reading the fare rates shown on the RIGHT end of the check the passenger will readily see that the fare within Zone 3 is three cents; from Zone 3 to Zone 2, five cents; from Zone 3 to Zone 1, seven cents.

An indicator, plainly showing on the rear platform, tells the rider what zone the car is in when he is ready to get off.

Knowing from the zone check what zone the car was boarded in and from the platform indicator what zone the rider ended in every passenger can easily compute his own fare or can read it from the schedule printed on the back of the zone check.

Zone checks issued on Outbound cars differ from the inbound only in that the zone numbers run from right to left in ascending scale instead of from left to right. The face of a zone check issued on an Outbound car boarded in Zone 3 looks like this:

Public Service Railway Co.		<b>ZONE CHECK</b>		<b>OUT</b>	
Valley Road Line		(Cross Division)		BOUND	
ISSUED TO PASSENGER ON ENTERING CAR					
Zone number at RIGHT end of check indicates zone in which passenger boarded car.					
Must be countersigned when leaving car, and pay according to zone fare printed on back.					
Zone 1	Zone 2	Zone 3	Zone 4	Zone 5	Zone 6
1	2	3	4	5	6
1	1	1	1	1	1

Like the Inbound checks, the Outbound also show on the reverse side the amount of fare charged from the zone in which car was boarded to each succeeding zone in the direction the car is traveling. Here's what the reverse side of a Zone 3 check looks like:

NOTICE					
As a convenience to passengers and to enable them to have exact fare ready when leaving car, thereby avoiding delay, the zone in which you boarded car and the fare to all other zones are indicated on the extreme right of this side of zone check.					
FROM 1 TO 6	FROM 2 TO 6	FROM 3 TO 6	FROM 4 TO 6	FROM 5 TO 6	FROM 6 TO 6
1 2 3 4 5 6	2 3 4 5 6	3 4 5 6	4 5 6	5 6	6
1 1 1 1 1 1	1 1 1 1	1 1	1	1	1

If the public will remember to do just three things, viz.: BOARD CARS AT FRONT END instead of rear end; GET ZONE CHECKS FROM MOTORMAN and have fare ready when they hand some checks to conductor on LEAVING CAR AT REAR PLATFORM, there will be no confusion about the zone plan.

It is important to have zone check when paying fare, as passengers WITHOUT such check will be charged for maximum number of zones traveled by car.

As a convenience to patrons the company will issue tickets. These will be sold at Public Service commercial offices, car houses and terminals, at 5 cents, 1 cent, 2 cents, 4 cents, etc., each, and will be good one ticket for one ride. Tickets will enable riders to pay fares without waiting for change.

Remember—Board Cars Front End; Pay as you leave.

**Public Service Railway Company**

**Oldsmobile**  
SETS THE PACE  
22nd Year

The "THOROBRED"  
7-passenger Touring Car

THE trend of automobile engineering points to the 8-cylinder car. And good buying judgment points to the Oldsmobile.

We aimed higher than simply pioneering the "eight." We aimed to produce one of moderate price and low maintenance costs, —that had the flexibility, smoothness and abundance of power inherent in the 8-cylinder car.

—that cost as little to buy and operate as the majority of "sixes" and many "fours."

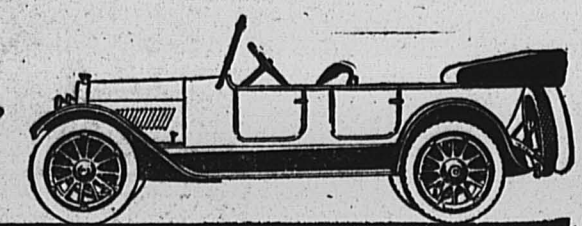

—that would be smartly distinctive, yet characteristically Oldsmobile.

Our aim is attained in the "THOROBRED"—the only popular priced "eight" in which mechanical excellence is combined with rare riding comfort and up-to-the-minute body lines. Oldsmobiles have been the history-makers of motordom; the "THOROBRED" is well worthy to perpetuate the name.

Descriptive literature will be sent upon request, or a demonstration gladly arranged.

The "PACEMAKER"  
4-passenger Touring Car

**The Whole Secret of  
A Better Tire**

*Simply a Matter of the Maker's Policies*

This you will realize—once you try a Brunswick—that a super-tire is possible only when the name certifies that the maker is following the highest standards.

For tire making is chiefly a matter of standards and policies—cost plus care. Any maker can build a good tire if he cares to pay perfection's price.

All men know Brunswick standards, for Brunswick products have been famous for 74 years.

Formulas, fabrics and standards vary vastly in cost. Reinforcements, plies and thickness are a matter of expense. And these variations affect endurance. It rests with the maker how far he wishes to go—how much he can afford to give.

For there are no secrets nor patents to hold one back.

To ascertain what each maker offers one must analyze and test some 200 tires—as our laboratories have done.

Then it is a matter of combining the best features and building according to the highest standards.

Once you try a Brunswick you will understand how we have built model tires, regardless of factory expense.

Yet Brunswick Tires cost you the same as other like-type tires. Our saving is on selling cost, through our nation-wide organization.

We realize that you expect more from Brunswicks, and we assure you that you get it. ONE Brunswick will tell you the story.

And then you'll want ALL Brunswicks. No other tire, you'll agree, gives so much for your money.

## STRAWBRIDGE & CLOTHIER

### Men's Autumn Clothing at Right Prices

News of interest to the men of New Jersey. Here, in our Men's Clothing Section, is a complete stock of Men's Autumn Suits and Top Coats, A LARGER STOCK THAN EVER BEFORE at this time of year. This is the result of early and heavy investment, far ahead of the retail season. The Clothing is here, dependable Clothing of all-wool fabrics, correct styles, thoroughly well tailored, AT LOWER COST THAN IT COULD BE BOUGHT FOR TO-DAY:

#### There is Economy for Men Who Buy Their Clothing for Autumn Here

Doubtless you have read many newspaper reports of conditions in the Clothing trade. The reasons for the higher cost of Clothing are as plain as A, B, C. A—scarcity of materials; B—scarcity of tailors; C—shorter hours and higher wages. The National Association of Clothiers (manufacturers) at a recent meeting brought out all the facts very clearly—and will give them wide publicity. They show that a Suit now costs more than twice as much to produce as in 1914, and by the most conservative estimate will cost nearly three times as much to produce for next spring. Last week the subdivision on clothing, etc., of the Government's Fair Price Committee officially reported—  
"That the cause of present high prices of these goods is almost entirely an increased cost of production—the highest cost that has ever been known—and at the same time an alarming decrease in the amount of goods produced."  
"There has not been found any indication of deliberate profiteering; on the contrary, both manufacturers and retailers are working on a closer margin of profit than ever before. More than in any other line, it is true of the retail industries this committee is investigating, that WIDESPREAD AND KEEN COMPETITION TENDS TO NARROW MARGINS OF PROFIT AND MAKES SO-CALLED PROFIT-ERIER UNPROFITABLE."  
"It is inevitable with the cost of production of raw materials and of labor at the present high point, that retail prices should have increased accordingly."

There is no reduction in cost of production in sight. Prices of Men's Clothing here are based on the lower cost of months past. **BUY YOUR CLOTHING NOW.**

Stein-Bloch and Hart, Schaffner & Marx Suits and Top Coats—sold only at this Store in this city—at reasonable prices.  
"Alco" all-wool Suits, splendidly tailored—prices start at \$37.50.  
Men's Autumn Suits from reliable New York manufacturers—prices start at \$27.50.

## INTERESTING NEWS BITS in and around Palmyra

Buy It At Home.  
FRIDAY, SEPTEMBER 19, 1919

A daughter was born to Mr. and Mrs. Lawrence Hubbs on Tuesday. Stanley Black has moved into 313 Locumy avenue, which he recently purchased.

Eastern Star Lodge will hold a rummage sale on September 28 in the store next to the movie theatre.

Mrs. A. R. Bowker has returned home after a lengthy trip through the South as far as New Orleans, visiting camps of the P. O. of A.

Miss Ella Horner entertained about forty guests in honor of her birthday on Tuesday evening, at the home of Mrs. A. H. Ruckelshaus.

Thomas Taylor will enter Lehigh University next week for a course in chemical engineering. Newton Morton will enter Penn this year.

The telephone number of the new police station is Riverton 191, so if you have any trouble that is how to locate Mr. Beck or Mr. Grubb.

Dr. Clement Volmer, of Philadelphia, and Rev. Philip Volmer, Jr., of Cleveland, O., spent the week-end with their sister, Mrs. Elvin I. Powell.

The Baptist Church has resumed its winter schedule of services—morning worship at 10.45, Sunday School at 2.30, and evening service at 7.45.

Mr. and Mrs. Charles King Mervine, Jr., of Philadelphia, visited relatives in Palmyra last Sunday. Mr. Mervine has just been discharged from the army.

Watson Mervine has been discharged from the army and returned to Palmyra. He has been serving as a wireless inspector in the New England States.

The annual business meeting of the Philathia class will be held at the home of Mrs. Ada Hard, 704 Morgan avenue, next Thursday afternoon, the 25th, at 2.30 promptly.

The High School physical instructor, Mr. Terry, has started athletics with a rush and thirty candidates were out for football practice this week. Mr. Terry says Palmyra is going to have a splendid team.

A big delegation of Artisans went on a visitation to Haddon Heights Assembly, Tuesday evening. They traveled by auto and all had the time of their lives. Fifty-five Palmyra Artisans were in the delegation.

Hall Caine's famous novel, "The Woman Thou Gavest Me," will be shown in film form at the Broadway Palace next Thursday. Three shows will be given to enable everybody to see the masterpiece, at 6.30, 8.00 and 9.30.

Mr. and Mrs. Herbert Kemmerle have returned to Palmyra after their wedding trip, and for the present will reside with his parents. Mr. Kemmerle returned to his work at the Cinnaminson National Bank on Monday.

Theodore Earle Jennings spent Monday and Tuesday in New York, necessitated by the sudden death of his uncle, William J. Whitney, at Freeport, L. I. Sergeant William J. Monke, who returned from Coblenz, Germany, less than a fortnight ago, was the over-Sunday guest of Mr. Jennings.

At the annual convention of the Ladies of the Golden Eagle, of New Jersey, held in Atlantic City last week, Mrs. Maria Hilson, of Palmyra Temple, was elected Grand Templar for the year, to preside over the twenty-six Temples in the State of New Jersey. Mrs. Hilson received a beautiful gold bracelet from her friends at Palmyra. The next convention will be held in Atlantic City, September, 1920.

Among those who attended the Shriners' Convention at Atlantic City on Saturday and Sunday were: Mrs. John R. Bellerjeau, Russell Bellerjeau, Mrs. Warren Mullen, Mr. and Mrs. L. R. Baker, Mr. and Mrs. E. B. Day, Mr. and Mrs. E. S. Klein, Mr. and Mrs. C. J. Snyder, Mr. and Mrs. John Warner, Mr. and Mrs. Walter Schmidt, Mr. and Mrs. Horace Finney, Mr. and Mrs. George W. Shaner, Edgar Shaner, and John Shaner, Harry Davis, Mr. and Mrs. S. MacMillan, Mr. and Mrs. John Maloney, of Riverton.

Township Committeeman C. Harry Hill underwent an operation on his tonsils last Saturday and on Wednesday had a second more serious operation in which a gland was removed. While his condition remains serious, physicians expect his speedy recovery and believe that the operations will remove the cause of his loss of health for the past two years, thus permitting his complete recovery. Mr. Hill has been in very poor health all summer, and his many friends are now hopeful of his speedy restoration to complete health.

F. C. Ties With Riverside  
For the fourth time this season Field Club tried desperately last Saturday to beat Riverside at baseball and failed. Up to the eighth inning the score was tied 1-1, and then the visitors again whaled the ball far into right field several times as they did in the third game of the series and scored two runs. Palmyra had a heartbreaking rally in the ninth when two out, Larry Polka and "Babe" Flynn got hits in succession, but Larry overran second and was out before the wildly cheering local rooters knew what was happening.

High School Notes  
A spelling bee will be held in the high school auditorium, Thursday evening, September 25th, at 8 o'clock. There will be five classes: the first, for seventh and eighth grade pupils; the second, for freshmen and sophomores; the third, for juniors and seniors; the fourth, for the alumni; the fifth, for the audience at large. Miss Ella Griffenberg will dictate the words. Prizes, including a fountain pen, a bookrack, a waste-paper basket and books will be awarded. The bee will be for the benefit of the High School orchestra.

The High School will also hold a rummage sale, Friday afternoon and Saturday, October 3 and 4, in the room store adjoining the Palace Theatre. Mrs. Frank Durgin, Sr., assisted by Mr. Joseph Richards, Mrs. J. H. Abell, and Mrs. A. O. Ginter, will conduct the sale. Contributions are solicited from the patrons of the school.

The first subscription dance for the benefit of the Abilgite Association will be held Saturday evening in the P. H. S. auditorium, October 4. The cards, as in previous years, will be open to the Board of Education, the faculty, the Alumni, and the student body. Koon's orchestra will provide the music.

Mrs. Warren S. Humes, of Media, Pa., was the home of her sister, Mrs. W. H. Cook, last Friday evening. Mrs. Humes will be remembered here as Miss Maude Bonnell. She was in her forty-second year and is survived by her husband and three children.

The funeral was held Tuesday, with interment at Arlington Cemetery.

First Meeting of P. T. A.  
The Palmyra Parent Teachers' Association held its opening meeting for the year at the High School auditorium last Tuesday evening. The attendance was large and many new members were present.

Two new officers were elected to fill vacancies, treasurer, Mrs. John Hoepfner and second vice-president, Miss Vera Broecker.

Mrs. A. C. Giberson reported on the lunch counter plans. A large "gas range" has been purchased and an equipped lunch counter and sink are being installed. It is expected that lunches will be served within a few days under the direction of Mrs. Powell.

After an address of welcome by the president, Mr. McConnell, the entertainment committee presented its program. There was a piano solo by Miss Helen Sterling, a violin solo by Glen Elaley, a reading by Mrs. C. J. Snyder and a solo by Miss Ethel Morton. All the numbers were highly appreciated.

Following a reception to the teachers, light refreshments were served. A movement is on foot to have the P. T. A. put on another train at 3.45 for the convenience of out-of-town pupils.

Notice of Registry and Elections  
In conformity with the provisions of an Act entitled "An Act to Regulate Elections (Revision of 1898)," approved April 4, 1898, and the amendments thereof, notice is hereby given that the Board of Registry and Election in the

TOWNSHIP OF CINNAMINSON  
in the County of Burlington, will meet on the dates and at the place herein after designated for the purpose of adding to and revising the registry list:

Tuesday, September 23, 1919  
between the hours of twelve-thirty o'clock P. M. and nine o'clock P. M.

Tuesday, October 29, 1919  
between the hours of three o'clock and nine o'clock P. M.

Harris Hall, Westfield  
And Notice is further given that a Primary Election for making nominations and for electing members of the County Committees of the Republican and Democratic parties respectively, one member for each party; also for the election in Burlington County of one Member of the State Republican Committee and one Member of the State Democratic Committee, will be held at said place of registration on

Tuesday, the 23rd Day of September, A. D. 1919  
between the hours of twelve-thirty o'clock P. M. and nine o'clock P. M., in the Township of Cinnaminson, in the County of Burlington.

And that a General Election will be held in said Township at the place of registration on

Tuesday, the 4th Day of November, A. D. 1919  
for the purpose of electing the following:

Governor.  
State Senator (Unexpired term)  
Member of Assembly.  
County Clerk.  
Bleward of the Almshouse.  
Five Members of the Board of Chosen Freeholders.

Two for 3-year term.  
Two for 2-year term.  
One for 1-year term.  
One Member of Township Committee.  
One Constable.  
Poundkeeper.

GEORGE C. FRANK,  
Clerk of the Township of Cinnaminson.

## Will Extend Roadway to Curb

At the regular meeting of the Palmyra Township Committee, Tuesday evening, in Independence Fire House, the committee approved the plan to extend to the curb the new asphalt pavement which the county will construct on Broad street.

The county paving is to be 18 feet wide and the township will extend this six feet for the two blocks under its jurisdiction from Morgan to Elm avenue. Riverton is doing likewise.

The cost for Palmyra will be \$1,032. Engineer Vosbury suggested that the sewer mains should be laid for those two blocks before the new paving is put down. This will be taken up at later meetings when the entire matter will be put in official form.

Reported proffering in Riverton in town was mentioned by Mr. Davies. One man, he had heard, bought two houses that had been renting for \$15 and boosted the rent to \$25. Action on this matter is planned if the practice becomes general.

The following bills were ordered paid:  
T. W. Land, work on roads, \$103.00  
Public Service, lighting, 264.49  
C. M. Beck, salary and bonus, 155.77  
P. R. Grubb, salary and bonus, 91.00  
Baker-Flick, supplies, 61.65  
Lou King, carpentering, 7.50  
J. H. Gillen, supplies, 16.00  
C. W. Hagan, electrical work, 57.00

The Township Committee, Tuesday evening, had before it an inquiry from a Paterson silk mill as to what advantages would be offered if the firm should locate a plant in Palmyra. No body seemed particularly interested and Arnold Beckenbach suggested the matter be referred to the "investigators" of the curb market.

At the Palmyra Board of Health meeting on Tuesday, two cases of diphtheria in the past month were reported. The patients have since recovered and the quarantines have been removed. As a precaution against epidemics, Secretary Frank Day, of the School Board, sent a request that Inspector Blackburn notify the school of any cases of contagious diseases so children from the families concerned could be kept from school. The request was granted.

Overseer T. W. Land urges all citizens to burn the leaves falling early in the autumn. Such leaves fall because they are unhealthy and unless they are burned the disease germs are carried over until next year, contaminating other plants.

U. S. Public Health Service for Burlington County  
Dr. Wm. E. Rink, 33 West Union street, Burlington, has been appointed Local Examiner for the U. S. Public Health Service. He will hereafter make all medical examinations of discharged, disabled men in application for compensation to the Bureau of War Risk Insurance, at Washington. All discharged soldiers and sailors in Burlington County who are suffering from any disability whatsoever and need medical attention of any kind may report freely to Dr. Rink, who will gladly offer them his services.

## Pay Your Zone Fare with a Ticket

Enter Front, Get Zone Check and Give Check to Conductor When You Pay-as-You-Leave Rear End

Passengers who desire to serve their own convenience and avoid waiting for change can buy tickets to cover their rides—3-cent tickets for one-zone rides; 5-cent tickets for two-zone rides; 7-cent tickets for three-zone rides, and so on.

## GOVERNOR WM. N. RUNYON

A man whose public and private career is an open book.  
Three years a member of the House of Assembly.  
Two years in the State Senate. Acting Governor since May 1919.

## CANDIDATE AT THE

Primary Election  
Tues. Sept. 23

## FOR THE REPUBLICAN NOMINATION FOR GOVERNOR

If you believe he should be given the opportunity to carry on the good work which he has already started

## VOTE FOR HIM

## Governor Runyon Believes:

That the eighteenth constitutional amendment has settled the prohibition question;  
In National Women Suffrage; In the revision of the tax laws, eliminating present inequalities, and encouraging home owning;

That the good road program should be rushed through;  
In a minimum wage law for teachers, with increases for continuous service;  
In a minimum wage law for all workers of the State;

In forcing the elimination, by retaliation if necessary, from the laws of neighboring states of any tax upon our citizens which may be discriminatory because they reside in New Jersey and do business elsewhere;

In the strengthening of the veterans' preference act, so that those who have gone forth to protect the State shall have first opportunity to serve it;

In criminal action, through new legislation, against profiteering in necessities of life;  
That the rates charged to the people by Public Utilities (corporations) should be no more than required to afford a fair and reasonable return upon the actual investment; and that the true value of such investment should be immediately ascertained under independent auspices.

Place an X in the square opposite the name of

## Candidate for Republican Nomination for State Senator

Samuel A. Atkinson  
Mount Holly, N. J.

He is not controlled by any man or by Special Interests. He stands for honesty and efficiency; honest elections; good roads permanently built; law enforcement; favors adjustment of trolley fares so that no undue burden will rest upon residents of suburban and rural towns.

A Republican all Republicans can vote for.

Ordered and paid for by Samuel A. Atkinson

Howard Russ  
Delanco, N. J.

Republican Candidate for  
FREEHOLDER  
For the Two Year Term

I favor the enactment of a State law similar to that in New York, in which every County road is in the State System where funds from one central source are obtainable for the up-keep of all roads. Under this plan the more populous and wealthy counties help the poorer counties.  
I favor Federal Aid for the roads leading from Camden and Trenton through Camp Dix and on to the Government Aviation Camp at Lakehurst, with an insistent demand on our Representatives in Congress to obtain the same. Also an effective patrol system, the same as they have in our adjoining states, that our roads may be kept in first-class condition.

Their Records Regarding the Liquor Traffic  
"Actions Speak Louder Than Words"

NEWTON A. K. BUGBEE (Republican)  
No Record

EDWARD I. EDWARDS (Democrat)  
His Record  
In the Senate of 1919 voted against ratification of the Prohibition amendment, and boasts of his action.

WARREN C. KING (Republican)  
No Record

FRANK M. McDERMIT (Democrat)  
His Record  
Has been active for years as a friend of liquor and defender of liquor dealers, and as a liquor candidate.

JAMES R. NUGENT (Democrat)  
His Record  
Attorney and most notorious lobbyist at Trenton for brewers and saloonkeepers. Violently opposed for years to any local option legislation. Made vicious attacks on churches and temperance organizations. When Corporation Counsel of Newark, used all his dominating power to protect disorderly houses whose proprietors were sent to the penitentiary, and publicly recommended that the persons who exposed those criminals be "driven out of town."

THOMAS L. RAYMOND (Republican)  
His Record  
Elected Mayor of Newark with the support of Church people, which he earnestly solicited as a candidate, then treated with contempt as Mayor.

As guest of honor at the Beer Festival of the Brewers, held in Kruger's Brewery, Newark, and again at Banquet of Newark saloonkeepers, he promised not to permit the law to trouble them, as he believed in "gentle toleration." This was one of the promises he strictly kept. In the infamous Hochbaum case he "gently tolerated" undisputed, flagrant violations of the law. The Newark Evening News and Sunday Call have frequently denounced him for participation in scenes of shameless revelry in New York City, at the expense of the taxpayers of Newark.

WILLIAM N. RUNYON (Republican)  
HIS RECORD  
1915—Majority Leader in Assembly. Spoke eloquently for Local Option Bill.  
1916—February 18, spoke at great Local Option Mass Meeting in Billy Sunday Tabernacle, Trenton.  
Again spoke and voted for Local Option Bill.  
1917—February 28, for third time in Assembly spoke and voted for Local Option. Also led fight, against bitter opposition, for Kates Home Rule Bill.

1918—As State Senator, supported by word and vote Local Option—being first time with the majority.  
1919—As President of Senate led the Chair to speak for ratification of National Constitutional Amendment.

Republicans who respect their Constitutions and Laws and resent the nullification program of Thomas L. Raymond cannot afford to take chances.

Vote For the Trusted Leader Whom No Machine Can Control  
WILLIAM N. RUNYON OUR PRESENT GOVERNOR

To comply with the law this is paid for by Lloyd Thompson, Campaign Manager, Elizabeth, N. J., with money contributed by the Anti-Saloon League of New Jersey.

Candidate  
for  
The Republican  
Nomination  
For Governor

"A Practical  
Constructionist  
with a Definite  
Plan of  
Reconstruction"

Mr. Bugbee with three years' experience as the chief business officer of the State, pledges the following program:

1. Uphold the Constitution of the United States and enforce the laws as an American and a Jerseyman.
2. Establish equitable and just trolley fares and charges for gas, telephone and other public utilities, by squeezing the water out of stock before a return is calculated on any utility investment. This to be accomplished by an independent appraisal of actual cash invested.
3. Carry on the present business administration of State affairs.
4. Reduce cost of living by detecting and punishing profiteers.
5. Secure jobs for soldiers.
6. Conserve human life through child hygiene—extension of school physical training—care of teeth, tonsils and adenoids in schools and humane hours of service for all wage earners, either public, corporate or private.
7. Develop Agriculture.
8. Secure better marketing facilities in transportation and distribution.
9. Protect civil rights.
10. Secure more practical results from schools.
11. Expand service of labor department.
12. Continue good roads policy. Improve byways.
13. Force construction of New Jersey Ship Canal.
14. Build inter-state tunnel without taxing the people of New Jersey.
15. Develop the Port of New York from Hoboken to Morgan.
16. Prevent any additional State taxation.
17. Use to the fullest extent the power of the office of Governor to encourage and develop business in New Jersey.
18. Work unceasingly to secure industrial adjustments on the basis of the purchasing value of a dollar.
19. Advocate a plank in the Republican National Platform for 1920 for an amendment to the Federal Constitution providing for majority rule on all future amendments to the Constitution.
20. Reclamation of waste lands and mosquito extermination.
21. If my party platform declares for the ratification of the suffrage amendment I will support it as vigorously as I will strive for my own success.

You can insure this forward looking business program for your State by nominating

Newton A. K. BUGBEE for Governor  
in the Primary Election, Tuesday, September 23

Paid for by Frederick Glikson, Manager, Trenton, N. J.

## The Secret of a Superlative Tire

The whole question of a super-tire is a matter of principles. For there is nothing exclusive in the industry. No patents, no secret formulas prevent a conscientious maker from building the best.

But cost and competition modify ideals. The Brunswick idea is to pay perfection's price and get it.

That has been the Brunswick policy since 1845. And it accounts for the growing preference for Brunswick Tires. Motorists expect the utmost from a tire bearing the name of Brunswick—and get it.

You, too, will be convinced by your first Brunswick, that here is an extraordinary tire, and that more money cannot buy a better.

Better tires of their type are impossible—or better tubes. That we guarantee.

Try ONE Brunswick—learn how it excels.

The "THOROBRED"  
7-passenger Touring Car

THE trend of automobile engineering points to the 8-cylinder car. And good buying judgment points to the Oldsmobile.

We aimed higher than simply pioneering the "eight." We aimed to produce one of moderate price and low maintenance costs,

—that had the flexibility, smoothness and abundance of power inherent in the 8-cylinder car.

—that cost as little to buy and operate as the majority of "sixes" and many "fours."

—that would be smartly distinctive, yet characteristically Oldsmobile.

Our aim is attained in the "THOROBRED"—the only popular priced "eight" in which mechanical excellence is combined with rare riding comfort and up-to-the-minute body lines. Oldsmobiles have been the history-makers of motordom; the "THOROBRED" is well worthy to perpetuate the name.

Descriptive literature will be sent upon request, or a demonstration gladly arranged.

## Service!

Certain-teed means service in the broadest sense.

Here is a roofing that is ideally adaptable to every type of building in the city, town and country.

Here is a roofing that gives not only the most complete weather protection year after year, but that is a protection against sparks and embers.

Here is a roofing that costs less to buy, to lay and to maintain than any other type of roof.

Here is a roofing that can be quickly laid by anyone who will follow the simple directions that come with the roll.

Here is a roofing that is absolutely guaranteed 5, 10 or 15 years.

Certain-teed is made in rolls, both smooth and rough surfaced (red or green)—also in hand-applied red or green asphalt shingles for residences.

Certain-teed is extra quality—the name means certainty of quality and satisfaction guaranteed. It will pay you to get Certain-teed—most dealers sell it. Ask for Certain-teed and be sure to get it.

Certain-teed Paints and Varnishes are the highest quality. They will give the best paint satisfaction.

The foundations for success in business are work, perseverance and character. Different men who have triumphed in various spheres of business may set down their own experiences and views in other ways, but you practically always find that the winning up comes to those three items at the end.

## CRITICISM OF TWO INSTITUTIONS

Recommendation Made That a Survey Be Made at Glen Gardner Sanatorium.

### MORRIS PLAINS UNDER FIRE

Mrs. Lewis S. Thompson Reads a Report of an Inspection Made of the Clinton Reformatory—Delay in Building Plans.

Trenton.—Remarks of an uncompromising nature were directed at the Morris Plains Hospital and the Glen Gardner Sanatorium by members of the State Board of Control of Institutions and Agencies at a meeting here following the reading of a report by Mrs. Lewis S. Thompson of an inspection made of the two institutions and the Clinton Reformatory in company with F. Wallace Armstrong of Moorestown.

Speaking of the Glen Gardner Institution, Mrs. Thompson said patients are free to leave at their own discretion.

"The first impression made by the institution," declared Mrs. Thompson, "and which I think would be the same to all visitors, is that it is an enormous plant for the care of 250 people. This is accentuated by the type of structure that has been built."

At the present time, Mrs. Thompson said, the sanatorium would not rank in the "A" class as a scientific tuberculosis institution and recommended that a survey be made of the institution by the state board before any appropriations were made for new construction work.

In addition to confirming the statements made by Mrs. Thompson, Mr. Armstrong contended that the institution was not operated on an economic basis for the reason that the overhead charges were eating up the receipts. Frank A. Fetteridge of Newark, supplementing the views expressed by Mr. Armstrong, declared there was something radically wrong respecting admissions and discharges and further claimed that favoritism was practiced as to admissions to the institution. The suggestion that a survey be made of the sanatorium was adopted by the board, the work to be conducted by Mrs. Thompson and Mr. Armstrong.

Different at Clinton Reformatory. An entirely distinct and opposite condition was found at the Clinton Reformatory from that in existence at the tuberculosis sanatorium, declared Mr. Armstrong. In the former institution there seems to be an effort made to determine how much can be obtained for a dollar. Directing his remarks then to the Morris Plains Hospital, which was the last institution inspected, Mr. Armstrong said:

"It's a good old fashioned political institution. 'Uncle Dan Voorhees was a visitor at the institution, and I had not seen him in 15 years. There are gold name plates beside each manager's place at the table.' At this juncture, F. P. Earle inquired what steps, if any, were taken at the Morris Plains institution looking toward the preparation of plans for new buildings for which the legislature appropriated \$400,000. The appropriation became available on July 1 last. Having in mind the exigency at the institution, Mr. Earle said there seemed to be a great deal of procrastinating and that something ought to be done to relieve the much complained of congestion.

Mr. Earle recommended the adoption of resolutions directing Commissioner Lewis to ascertain what progress had been made in the preparation of plans for new buildings and advise the managers that they would be expected to start work at the earliest possible moment.

"I know they are purposely delaying this work," added Mr. Earle. "I think the managers should be 'jacked up' and not handled politely. I don't know what is causing the delay, but it seems the managers are working at cross purposes. We ought to be in a position to give intelligent answer to the constant stream of inquiries regarding the erection of the new structures at this institution."

To Inquire About Delay. Mr. Earle's suggestion was adopted directing the commissioner to inquire of the managers what was causing the delay. Admitting that he was not familiar with the situation, Mr. Lewis said he personally believed there was a question whether the new buildings should be constructed as to provide facilities for chronic cases of insanity or for the treatment of curative cases, the legislature stipulating when making the appropriation that it should be used in providing facilities for the latter.

Upon recommendation of Commissioner Lewis the board adopted rules outlining the procedure in connection with the transfer of inmates from one institution to another. Following this action the board also approved the transfer of 41 inmates by Commissioner Lewis, which included 14 boys transferred from the State Home for Boys to the Halfway Reformatory on February 15 of this year.

Consideration was given to a communication signed by 80 keepers and attendants at the state prison requesting a 25 per cent increase in salaries in the form of a bonus. It was claimed that in view of the high cost of living it was difficult for them to maintain a proper existence at home or otherwise and also complained that they had to work seven days a week, eight hours a day, and were "doctored" when they were absent because of illness. Accompanying the petition were a number of family budgets, which showed their salary of \$1,200 was not sufficient to meet expenses. These were submitted at the request of Commissioner Lewis.

Raises to Be Asked for Others. The board decided to approve the increase and directed its budget committee to appear before the State House

Commission and request not only the amount necessary to cover the situation at the prison, but increases demanded by employees at other state institutions.

Motion pictures will be taken at all the state institutions as part of the board's campaign of education. This work will be directed by Dr. L. B. Blum, the board's publicity agent, and Frank Krueger of this city will be employed for five months at a salary of \$200 a month as operator.

Anti-Tuberculosis League. The New Jersey Anti-Tuberculosis League will make a special effort this year to interest factories and industrial plants in its new fall and winter health program, which has just been completed by Ernest D. Easton, secretary and treasurer. Instead of claim agents to determine the injuries done by industrial hazards Mr. Easton hopes that safety experts and health engineers may be established in many plants. It is estimated that Newark loses \$1,000,000 a year at least through illness, 25 per cent of which could be easily prevented, according to Mr. Easton, if more manufacturers worked on the thought advocated by the Anti-Tuberculosis League that "prevention is better than cure."

To have a nurse to follow up illnesses, by having medical examination of employees and being constantly on the alert to provide health measures, the league hopes to materially lessen the number of ill persons this year. It is pointed out that in the University of Wisconsin, where free medical service has recently been introduced to all of the students, the amount of sickness has been reduced about 60 per cent.

The Anti-Tuberculosis League has also promised the United States Public Health Service, the department of labor and the Board of Health to cooperate in the establishment of an industrial clinic for expert medical advice. The league hopes to have a "health week" during the year to advocate health centers and to promote the idea of having everybody take an inventory of their health conditions at least once a year.

Posters in Factories. As a means of getting these ideas in the public mind the league is adopting the use of posters in factories, stores, fraternal lodge rooms, railway stations, churches, clinics, etc. Special posters are being prepared for street cars. Special literature will be prepared for fairs and for general distribution. Pay envelopes with "T. B." slogans will be available for use by firms. Lectures with or without stereopticon views will be put at the disposal of churches, clubs and fraternal bodies. Surveys of housing conditions, sanitary and milk regulations will be made. Co-operation will be sought in this extensive campaign from both the New Jersey Tenement House Commission and the department of public health.

In addition to acting as a clearing house for information to the 35 local organizations over the state the New Jersey Anti-Tuberculosis League has a hospital committee, which is attempting to standardize the requirements of the various county hospitals and to fraternize concrete suggestions as to how these various institutions should be run. It is also trying to have the state law enforced making every county provide for its tuberculosis, either in a local institution or by sending the patients to a nearby hospital.

As a means of awakening interest in local communities the league is planning a traveling tuberculosis clinic in many of the rural counties. This clinic will have an expert in charge, and before the clinic is held a survey of conditions will be made, and the co-operation of the public will be sought through the churches, clubs and other organizations. A nurse will follow up the suspected cases of those found to be tuberculous and try to secure sanatorium treatment.

One of the biggest features of the fall and winter schedule of work is the campaign for preventive measures of tuberculosis, which will be conducted by the league members. This campaign will be conducted along several lines. Following up the summer work of giving over 500 pre-tuberculous and anemic children two weeks' outings, at an expense of over \$4,000, an effort will be made to get the country to establish a preventorium, so that these children may be cared for in a public way.

Start Farms for Soldiers. Work will be begun at once on development of a colony at Winslow for returned soldiers and sailors, a model for similar colonies in every other state, it was announced here by the New Jersey branch of the American Legion, which has launched the movement. The colony's purpose, the announcement adds, is to stand as a "practical and living memorial to perpetuate in the life of our nation the ideals and the spirit of the men who died in the great war."

The organization has acquired 4,200 acres for the project. The property consists of a village of 50 houses, an inn, store and church and a tract of wood forest land. This property will be divided into 420 ten acre farms, on which model homes will be erected, in which an effort will be made to utilize "in the most practical and artistic manner" every inch of space.

Measuring Earth's Temperature. A novel but simple method of measuring earth temperature has been successfully tried at a depth of 5,302 feet, that of the bottom of the bore-hole of St. Jean d'Herans, the deepest in France. Two exactly similar centigrade thermometers were cut off at 40 degrees, and compared with a third thermometer to show that the indications were not affected. The shortened instruments were fixed in opposite positions—one inverted and the other erect—in a simple sheath. Lowered into the hole, they were then kept one hour at the bottom to acquire the rock temperature, and as this was above 40 degrees, some of the mercury was forced from the tubes. Off being withdrawn, the tubes were gradually heated in a water-bath until the mercury just filled them, which the standard thermometer showed was at 62.5 degrees in each. The surface temperature being 12.5 degrees, the earth increase was one degree for each 100 feet of depth.

## IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

By REV. F. B. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago. (Copyright, 1918, Western Newspaper Union)

LESSON FOR SEPTEMBER 28

REVIEW: JESUS OUR SAVIOUR AND KING OF PARABLES OF THE KINGDOM.

The method of review should be determined by the grade of the class. For the Primary the review should center in the topic, "Jesus and the Children"; the Junior, "Choosing Jesus as Saviour"; Intermediate, "Accepting Christ's Program for Our Lives"; for the Senior and Adult grades the subject of the church, noting its membership, ordinances, worship, and service. A better way would be to study more fully the parables of the kingdom as set forth in Matthew 13:44-50.

1. The Parable of the Hidden Treasure (v. 14).

The usual interpretation of this parable, making Christ the hidden treasure for which a sinner must give up everything in order to buy his salvation, must be rejected for the following reasons: (1) Christ is not hidden in a field, but has been lifted up and made a spectacle to the world. (2) Nobody has ever been obliged to buy the world in order to get Christ. (3) Salvation cannot be purchased. (4) It is God's free and gracious gift. (4) No warrant is ever held out to a man to conceal his religion after it is obtained.

1. The field. This is the world (v. 38). Fortunately this landmark has been made by Christ himself.

2. The treasure. In Psalm 135:4 we are told that Israel, the chosen people, is his treasure. The same truth is set forth in different places and ways (Deut. 7:9; 14:2; 26:18; 28:3, 5). When Christ uttered this parable the ten tribes were already concealed from human observation, and as to the rest of Israel it was a "treasure of the world" to follow. The kingdom as to its relation and bearing is now hidden. Christ was primarily sent to the Jews; for their sake the field was bought.

3. The Purchaser: the Son of God (John 3:16).

None but the Son of God had such resources to buy the world. 4. The purchase price. This was the precious blood of the Son of God, which is worth infinitely more than silver and gold and the treasures of the earth (1 Peter 1:13, 19; Isa. 53).

11. The Parable of the Merchantman Seeking Goodly Pearls (vv. 45, 46).

1. The merchantman. He is actively engaged in search for pearls. In this search he discovers one pearl of great price. This merchantman is none other than Christ himself. The whole activity of the Father, Son, and Holy Spirit, since the fall of man, has been seeking those who are lost.

2. The purchasing price. The merchantman sold all—impoverished himself in order to buy the pearl. The poor lost sinner can not buy Christ. His salvation is without money and without price. Christ did impoverish himself, turned his back upon the heavenly glory (Phil. 2:6-8) to purchase the one pearl of great price by his own precious blood (Eph. 5:25; 1 Pet. 1:18, 19).

3. The pearl of great price. This is the church. The merchantman will find other pearls of value, but the peerless gem not above all others will be the church which he has purchased with his own blood.

111. The Parable of the Drag Net (vv. 47, 50).

This gives us a picture of the consummation of the kingdom. No one can mistake the meaning here. Note: 1. The sea. This word when used in a figurative sense denotes peoples and multitudes (Dan. 7:3, Rev. 17:15).

2. The drag net. The word "net" in the authorized version is properly translated "drag-net."

3. The net drawn to the shore when full.

4. The assortment made by the angels.

5. The destiny of the bad fish, or wicked men.

## Don't Waste Time Winding Bobbins

### A Good Stitch

By Miss A. B. Swann

For perfect stitching, both needle and thread must be suited in size to the material which you are to sew.

Different materials require different length stitches. Follow instructions in book for stitch regulation.

If you can not regulate your machine for a perfect stitch, it is probable there is a knot of thread caught either in the upper or lower tension.

The spring on the top of the shuttle regulates the lower tension.

If you can not get a firm tension, loosen the screw enough to enable you to lift spring and see if there is a knot of thread under it.

root at prices from \$21.95 to \$68.40. You are invited to call at our office and see for yourself just what Radiantfire is.

Descriptive matter furnished upon request.

### The Reliable Hot Spot Gas Heater

For chilly nights and mornings—to make rooms comfortable, this Reliable Hot Spot Heater can not be too highly recommended. Just the heater needed for those cool fall days, when a furnace fire would be a nuisance and an unnecessary expense.

To get the proper heat and most service from this type heater, it should be connected with the best gas tubing available. We make a special offer of our Gaspruf or Statite tubing at 15¢ per foot, if purchased with heater. Price of heater—\$4.18 cash.

Price of heater—\$4.18 cash.

## PUBLIC SERVICE

THE PLACE to buy gas and electric labor-saving devices on "easy terms."

THE trend of automobile engineering points to the 8-cylinder car. And good buying judgment points to the Oldsmobile.

We aimed higher than simply pioneering the "eight." We aimed to produce one of moderate price and low maintenance costs, —that had the flexibility, smoothness and abundance of power inherent in the 8-cylinder car.

—that cost as little to buy and operate as the majority of "sixes" and many "fours." —that would be smartly distinctive, yet characteristically Oldsmobile.

Our aim is attained in the "THOROBRED"—the only popular priced "eight" in which mechanical excellence is combined with rare riding comfort and up-to-the-minute body lines. Oldsmobiles have been the history-makers of motordom; the "THOROBRED" is well worthy to perpetuate the name.

Descriptive literature will be sent upon request, or a demonstration gladly arranged.

The "PACEMAKER" 4-passenger Touring Car

## The Whole Secret of A Better Tire

Simply a Matter of the Maker's Policies

This you will realize—once you try a Brunswick—that a super-tire is possible only when the name certifies that the maker is following the highest standards.

For tire making is chiefly a matter of standards and policies—cost plus care. Any maker can build a good tire if he cares to pay perfection's price.

All men know Brunswick standards, for Brunswick products have been famous for 74 years.

Formulas, fabrics and standards vary vastly in cost. Reinforcements, plies and thickness are a matter of expense. And these variations affect endurance. It rests with the maker how far he wishes to go—how much he can afford to give.

For there are no secrets nor patents to hold one back.

To ascertain what each maker offers one must analyze and test some 200 tires—as our laboratories have done.

Then it is a matter of combining the best features and building according to the highest standards.

Once you try a Brunswick you will understand how we have built model tires, regardless of factory expense.

Yet Brunswick Tires cost you the same as other like-type tires. Our saving is on selling cost, through our nation-wide organization.

We realize that you expect more from Brunswicks, and we assure you that you get it. ONE Brunswick will tell you the story.

And then you'll want ALL Brunswicks. No other tire, you'll agree, gives so much for your money.

THE BRUNSWICK-BALKE-COLLENDER CO. Philadelphia Headquarters: 1002 Arch Street
