## Ye Upholstery Shoppe

When you are doing your house cleaning is a good time to have your furniture looked after, too.

A little new webbing in the seats of chairs and sofas, new gimp where the old has been worn or torn, may make them presentable for another year or two. Or, perhaps, you may desire to have the pieces re-upholstered; then we shall be glad to furnish you with the latest ideas and durable service.

Our cabinet repair department is an unusual feature for an upholstery shop, and will enable you to preserve many a valuable piece of furniture that otherwise might have to be discarded when broken

Measure oven heats as you measure your ingredients

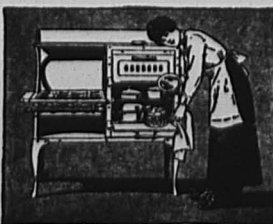

Cooking failures are most often due to improper heat. Now you can regulate the heat of your oven as easily as you govern the amount of your ingredients, with the "Lorain" Oven Heat Regulator. "Lorain" supplies the missing device.

## "LORAIN" controls oven heats

The "Lorain" is an attachment to a gas range which gives you 44 measured and controlled oven temperatures. No more guessing at the heat of your oven. The "Lorain" sets the required heat and maintains it absolutely. It insures cooking results. With "Lorain" you can cook a whole meal at one time and be miles away. When you come home a perfectly cooked meal will be ready to serve.

## DIRECT ACTION Gas Ranges are "Lorain"-equipped

Come in and let us demonstrate the DIRECT ACTION Gas Range with the wonderful "Lorain." Let us explain "absent cooking" to you and how it will free you for many hours a day from kitchen drudgery. Ask for your booklet "An Easier Day's Work."

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

## Some FACTS About

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921 and how many have been sold to retail customers, in the United States.

	Produced	Delivered to Retail Customers
JANUARY	29,883	57,208
FEBRUARY	35,305	63,603
MARCH	61,886	87,221
Total Production	127,074	Total Retail Sales 208,032

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.

## LESSON FOR MAY 8

REST AND WORSHIP (RECREATION).

LESSON TEXT—Lev. 23:33-43; Deut. 5:12-15; Mark 6:31, 32.  
GOLDEN TEXT—The streets of the city shall be full of boys and girls, playing in the streets thereof.—Zech. 8:8.  
REFERENCE MATERIAL—Ex. 33:14; Lev. 23:3; Neh. 8:18; Heb. 4:9.  
PRIMARY TOPIC—The Happiest Day of the Week.  
JUNIOR TOPIC—Holy and Happy Days.  
INTERMEDIATE AND SENIOR TOPIC—Sabbath Recreation.  
YOUNG PEOPLE AND ADULT TOPIC—The Use and Guidance of Recreation.

The title "Rest and Recreation," as chosen by the committee, is hardly true to the content of the Scripture passages. It should be "Rest and Worship."

1.—The Feast of Tabernacles (Lev. 23:33-43).

This was the final feast of the series which in type covered the great facts of redemption.

1. Time of (v. 39). It was on the fifteenth day of the seventh month and lasted seven days. This time would about correspond to the close of our September and the beginning of October. It was after the harvest had been gathered.

2. Method of keeping (vv. 40, 42). They were to take the boughs of goodly trees, branches of palm trees, and the boughs of thick trees, and willows of the brook, and construct booths. These booths were placed on the flat tops of houses, on the streets and open places of the city, and even in the fields. In these the people dwelt for the whole week.

3. The significance of it (v. 43). (1) A memorial of Israel's dwelling in booths in the wilderness (vv. 42, 43). It reminded them of God's care of them during their journey through the wilderness. (2) A "harvest-home thanksgiving" (v. 39). "When ye have gathered the fruits of the land." (3) It foreshadowed the final gathering of God's redeemed ones from all nations (Zech. 14:16, 17).

11.—The Sabbath Day (Deut. 5:12-15).

1. Meaning of (Gen. 2:2, 3; cf. Ex. 20:8-11). According to the etymology of the word, "Sabbath" means to desist from exertion—repose. God rested when the work of creation was done. On the basis of this, God has established the law of labor and rest. It is not only a memorial of creation, but of redemption (Deut. 5:15). The Jews were to keep the Sabbath in memory of the deliverance from Egyptian bondage.

2. Obligation of (vv. 12-15). (1) Kept as a sacred institution (v. 12). God sanctified it (Gen. 2:3). "Sanctify" means to consecrate, dedicate, therefore holy. It means to set apart to God's service; therefore keeping the Sabbath meant more than cessation from labor—it meant to cease from labor in order to occupy one's self with God. Its supreme significance and obligation was to remember God. (2) No work to be done on the Sabbath (vv. 13, 14). All work was to be done in six days. In fact, the obligation to work six days is here made just as binding as to keep the Sabbath day.

(3) By whom should the Sabbath be kept (v. 14)? (a) The head of the family. He should be the example for all. (b) The children. The children should be obliged to follow the example of the parents in keeping the Sabbath. (c) The servants. The man in the kitchen, the servant on the farm, the chauffeur in the city, should keep the Sabbath as well as the head of the family and the children. (d) The beasts of burden. The dumb animals are likewise entitled to their rest. (e) The stranger. The foreigner who comes to our shores should be obliged to keep the Sabbath. It should be kept in mind that Christians are not under obligation to keep the Sabbath as law (Col. 2:16, 17), and especially as it applies to any particular seventh day. The first day of the week is the proper day for a Christian to observe. This he does not as a law, but as a glorious and exalted privilege. He is on resurrection ground, therefore above the law. While the keeping of the Sabbath is a matter of privilege, we unto the one who abuses this privilege. The principle of resting one day out of seven is inexorable in its demands. (4) The ground of obligation was redemption from bondage (v. 15).

III. Jesus Invited His Disciples to Rest (Mark 6:31, 32).

He took them apart to a desert place. This was not primarily for recreation, but that they might be free from the crowd to have fellowship with Him, that they might be prepared for the strenuous days which were to follow.

From Whom Cometh Our Help.

It is the privilege of those who are the children of God to dwell among the hills, among the hills where the showers gather big with blessing, where life is lifted above the swamps and miasma of the low-lying lands of doubt and uncertainty, and where the soul of man can commune with its God, from whom cometh our help.

Two Yoke-Devils.

Treason and murder are ever kept together, as two yoke-devils, sworn to either's purpose.—Shakespeare.

## THE NEW ERA

Published every Friday at  
RIVERTON, N. J.

WALTER L. BOWEN  
Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper.

Subscription \$1.50 a year in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices

### LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioners, Sheriff's and Executors' Notices, as well as all other Legal Advertisements are solicited. The New Era will appreciate being remembered in this connection.

### Notice

All readers or local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, or for which admission is charged, will be charged for at the rate of fifteen cents a line.

### Porch Club Elects Officers

The annual election of the Porch Club was held on Tuesday. The following officers were elected: president, Mrs. Murray C. Boyer; vice president, Mrs. Alexander Marcy, Jr.; corresponding secretary, Mrs. Robert Biddle; treasurer, Mrs. Charles F. Allen; directors, Miss Antoinette B. Camell, Mrs. Herbert M. Morris, Mrs. S. Douglas Clark, Miss Helen R. Biddle, Mrs. Joseph Morgan. The annual reports of the various sections were read, and gave a very pleasing review of the past year's work.

### Full Program for Child Welfare Week

Big preparations are being made by the Parent-Teacher Associations of Riverton and Palmyra, and the League of Women Voters for the proper observance of Child Welfare Week, May 8 to 15.

Special sermons will be delivered in the various churches on Sunday. Starting Tuesday afternoon the program for the week will be as follows: Tuesday, May 10, at 3:30, Mr. Wellington Bechtel, of Haddonfield, will have an important message that will be of interest to every mother.

Wednesday, May 11, at 2:30, Dr. George W. Cunitz, of Philadelphia, will talk to the children about caring for their teeth. Mothers are especially invited to attend this meeting.

Thursday, May 12, at 3:30, Dr. Harry L. Rogers, assistant school physician, will address the mothers. Miss Mabel E. Krause, visiting nurse, will also speak at this meeting.

Through their close association with the children in the school and home, Dr. Rogers and Miss Krause will have a lot of valuable and helpful ideas to present.

Friday, May 13, at 2:00. This afternoon will be devoted to a field meet by the children of the Riverton public school, under the direction of Miss Hannah H. Chew, supervising principal, and Miss Mary P. Lucas, physical training director. The events of the afternoon will be well worth witnessing, and it is hoped that every mother and as many fathers as possible will be present. Refreshments will be on sale by the Riverton Parent-Teacher Association. If it rains on this date, the field meet will be held the next clear school day.

These meetings will all be held in the public school auditorium, except the field meet, which will take place on the school grounds, and are open to the public. All are cordially invited.

New Jersey is today the foremost State in work for conservation of child life as a result of the appropriation of \$150,000 granted by the Legislature for this purpose to the State Department of Health, under whose direction the work of the Child Hygiene Bureau is carried on.

In 1920 only 87 babies died out of every one thousand born. The work of the Child Hygiene Bureau has proven its value in helping to achieve this low rate for 1920. If the infant mortality rate for 1920 had obtained for the past ten years, 17,748 more babies would be alive today.

The activities of the Bureau are being carried on in every county of the State. In 1920, seventy nurses who were following the Tuesday evening Child Hygiene work, made 105,437 visits to homes where they had an opportunity to teach not only the better care of children, but also better management of the home.

### Shooting Season Closed

The trapshooting team brought its season to a close last Saturday afternoon with some clever shooting by D. L. Vaughan, R. H. Stackhouse, Dr. Mills, Sonny Wright, Jack Seckel, W. A. Hendrickson, and others.

The trapshooting season has been a wonderful asset to the Yacht Club and has greatly increased the interest in the club. A pleasing feature of the season is that this section showed a credit balance with the ending of the shooting season. This was entirely due to the generosity of the gunners who went deep into their jeans upon several occasions. The moving back of the club house, the improvements necessary on account of the change, and to make it fit for shooting, all took considerable funds. Then, but lately, a deficiency was made up by the same men to give the section a clean slate for the ensuing year.

F. S. Groves, Jr., presented the club with a handsome sterling silver cup to shoot for, and fitted the club house up with gun-racks. Much credit is due R. H. Stackhouse, the retiring chairman of the trapshooters. Under his able management and guidance the sport proved most successful, and at the meeting of the Riverton Yacht Club last Tuesday evening the club voted that its sincere thanks and appreciation be extended to Mr. Stackhouse for his service in its behalf.

### Artillery at Post Office

Postmaster Stonaker received from the department this week a Smith & Wesson revolver, 45 calibre and 60 rounds of ammunition. This is a part of the general plan to arm post offices to repel the invasion or robbers and bandits.

The superintendent of the Burlington County Hospital reported at the monthly meeting of the board of managers, May 3, 1921, the number of patients admitted 40, discharged 36, died 2, remaining 21.

## WEEKLY NEWS BUDGET

for Riverton and Vicinity

### Buy It at Home!

C. T. Beers is in Mexico on a business trip.

Walter Page has gone to Chicago on business.

W. J. Curtis and family have moved to Montclair, N. J.

Mr. and Mrs. F. W. Haviland have gone to Atlantic City.

Dr. and Mrs. N. F. Stahl spent the week in New Castle, Del.

Miss Anna L. Miller entertained at tea on Thursday afternoon for Mrs. Roy Gideon.

O. R. Smith, who has been in Washington all winter is home for a month's visit.

Mrs. James Sprout entertained at tea this afternoon to meet Mrs. E. Perry Morton.

Mrs. R. F. Corry is visiting her daughter, Mrs. Fred Sanderson, in North Tonawanda, N. Y.

The P. H. A. dancing committee announces that dances will be held every Tuesday evening until further notice.

Rev. John Rigg has accepted a call to St. Thomas, Croom, Maryland. Rev. Rigg will move there the first of June.

Rev. J. G. Nordewier, of Union, Pa., a former pastor of Calvary Presbyterian Church, was a guest this week at the home of Mr. and Mrs. S. L. W. Field.

Miss Helen Lippincott, Mrs. W. J. Brook and Mrs. J. T. Larkin, Jr., attending the State convention of the League of Women Voters at Newark this week.

The marriage has been announced of Mrs. Alice Murphy, of Riverton, to Mr. David Spickler, of 2228 Walnut street, Philadelphia, at Elkton, Md., on Tuesday, May 3, 1921.

Vocation Day will be observed in Calvary Presbyterian Sunday School next Sunday afternoon with short addresses by representatives of several of the "undermanned" professions.

At the Porch Club on Tuesday, May 10, there will be an exhibition of members' handwork, which will include original work in knitting, sewing or any art in which the individual members are interested.

David Sager, who is in the employ of the Delaware and Atlantic Telegraph and Telephone Company, and who has been transferred from the Harrisburg to the New York office, visited his parents, Mr. and Mrs. D. W. Sager, on Tuesday.

The annual fete of the Cinnaminson Home will be held Saturday, May 28. Cafeteria supper, usual and unusual things to sell. A play will be given by the children, and there will be amusements for the young of all ages under 95. Be sure to reserve the date.

Mrs. Charles L. Flanagan, Mrs. A. M. Ellsworth and Mrs. Alex Marcy, Jr., were delegates from the Riverton branch to the thirty-sixth annual meeting of the presidents of the Needlework Guild of America, held in the Bellevue-Stratford yesterday and today. Mrs. Robert Biddle is the local president.

The New Jersey State Federation of Women's Clubs is raising a fund to build a new Science Building at the Women's College, to be known as the Federation building. The Riverton Porch Club's contribution, amounting to \$100, was the result of a musical given recently in the public school auditorium.

Clayton Dixon and party, who went to Florida for the winter aboard his yacht last fall, returned this week. The weather was so rough, however, that a landing was not made at Riverton, but the boat found a haven in the Rancocas creek. Cecil Filiter and Walter Wright, who were South a few days ago to return with the boat, left the craft at Norfolk, Va., and came home by train.

Dr. F. S. Janney-Stoddard was seriously injured in an automobile accident near Hartford Wednesday morning. She has been to Mount Holly and was returning home when another car skidded into hers and she was thrown out, breaking her left arm and receiving severe bruises. The young man who was driving the other car rendered such assistance as he was able, but as his car was also damaged, a passing auto was hailed and Dr. Stoddard was taken to the office of Dr. Stokes in Moorestown.

The storm on Wednesday treated Riverton more gently than many of the surrounding towns, but at that many tree limbs, some of considerable size, were blown down, telephone and electric light wires were cut out of commission, and all out of doors made damp and cold and soggy. A large tree was blown across the telephone and electric light wires near the Cinnaminson Home. Some of the boats that had been put in commission, and all out of doors made damp and cold and soggy.

A large tree was blown across the telephone and electric light wires near the Cinnaminson Home. Some of the boats that had been put in commission, and all out of doors made damp and cold and soggy.

### Vacancy in School Board Filled

At the meeting of the Riverton Board of Education Monday evening, S. L. Warren was appointed to fill the vacancy caused by the failure of Paul C. Burr, elected in February, to take oath of office. Mr. Warren's appointment was unanimously confirmed by the board.

President Kipp appointed committees as follows:

Property—Clifton, Mattis, Sylvester

Supplies—Hemphill, Boyer, Warren.

Teachers—Mrs. Miller, Boyer, Mrs. Durborow.

Discipline—Mrs. Durborow, Mrs. Miller, Mattis.

Physical exercise and hygiene—Sylvester, Mrs. Durborow, Hemphill.

Medical—Mattis, Warren.

High school attendance and efficiency—Boyer, Sylvester.

The teachers' committee recommended that Miss Hannah H. Chew be re-elected supervising principal, Miss Pauline V. Phillips, of Hammon-

ton, for departmental work, and the following teachers be re-engaged for the coming year: Miss Harriett Parker, Miss Elsie Evald, Miss Helen Walker, Miss Margaretta Cunningham, Miss Carolyn S. Sime, Mr. Gertrude Williams, Miss Mary P. Lucas. Some vacancies are still to be filled.

The resignation of Miss Frances Fogg was received and accepted.

June 15 was set as the date for the commencement exercises.

In her report Miss Chew told of the fine progress being made in the savings plan recently started, and gave an outline of the field meet to be held here on Friday, May 13, and of the participation Riverton will make in the county field meet to be held at Mount Holly on May 20. The Riverton school will have entrants in many of the events and thirty girls will represent "youngsters" fairly in the program which will form one of the new and attractive features of the day.

M. C. Boyer was appointed to attend the meeting of the Federation of District Boards of Education to be held in Trenton May 27.

The following bills were ordered paid:

Teachers' salaries \$1461.03

Janitor's salary 100.00

Attendance officer 15.00

County field meet 15.00

Books 2.77

Expenses, Mr. Boyer, delegate 6.36

Supplies 9.93

Repairs 2.70

Electrical supplies 37.90

### School Notes

The children of the fifth, sixth, seventh and eighth grades are learning a few songs to sing on local and Mount Holly field days.

Miss Cunningham, the third grade teacher, is recovering from a serious illness. She recently went to visit some friends at Morris Plains, N. J.

Richard Moore made a speech about "Home Gardens" on Monday in assembly.

A meeting will be held every Wednesday by the "Home Garden Club." The physical training director is coming along very nicely in all the grades.

The seventh and eighth grade boys are forming a relay team. They had a field meet in which the eighth grade beat.

We are sorry to say that there are several cases of chickenpox and measles in the school.

All the primary grades have made very pretty flower baskets for May day.

The first grade have finished furnishing a nest little dolls' little doll.

The seventh grade held a debate on Tuesday afternoon in the auditorium.

The question was, Resolved: that the advantages of Great Britain are greater than her disadvantages.

The debate lasted an hour and the negative side won.

The banners for best attendance for the month of April were won as follows:

First—second grade, 96.1%

Second—seventh grade, 96%

Banners for no tardiness.

Second grade and eighth grade.

### SEVENTH GRADE

P. H. A. Plans Progressive Program

On Tuesday evening Messrs. John G. Seckel and Sherman L. Warren were elected members of the P. H. A. executive committee to succeed Dr. Harry L. Rogers and L. Jerome Taylor.

The vacancy caused by the death of George C. Clark remains unfilled, but meantime Mr. Warren officiates as secretary and treasurer.

The P. H. A. Committee feels that the most practical appreciation and acknowledgment of the valuable and ungrudging service rendered to the committee by Mr. Clark lies in energetic promulgation of the plans agreed upon a little while ago.

This Tuesday evening social affair will be continued regularly to the beginning of the summer season.

Every effort will be made to improve the Parish House building. The Church School is to be provided with every possible betterment, and comfort and hospitality for the various Guilds, Girls' Friendly and other organizations will receive first consideration, since these are fundamental helps to bring about general good to the community.

The first floor and basement are to be equipped with electric lighting similar to the recent installation in the auditorium.

The enlargement of the auditorium, replacement of present floor, new wood floor with concrete, and placing present pool, billiard, shuffle board equipment in first class condition will undoubtedly mean joy to the boys and girls, the young people and the older set as well. In short, the Parish House in due course should prove a pleasant recreation centre in which unselfish hospitality and service shall be the predominant feature.

Suicide Shot in Accounts

Joseph Kaighn, one of Moorestown's well known citizens and president of the Moorestown Trust Company, committed suicide by shooting last Monday night.

The suicide lived with his aged mother in Moorestown and was unmarried.

The suicide followed disclosures at the Trust Company after two agents from the State Department of Banking and Insurance had been making the periodical examination of the institution's affairs the latter part of last week and again on Monday. It is stated that the agents had discovered discrepancies in the books, indicating a shortage of \$30,000 in President Kaighn's account.

The bank's finances have been in nowise affected by the overdraft and the shortage has been covered by the directors, it is stated.

Mr. Kaighn, who was forty-nine years old, was the first secretary of the Burlington County Tax Board and served in that capacity for a number of years and until the Democrats finally acquired control of that body. He was a member of the law firm of Kaighn & Wolverson.

INTERESTING NEWS BITS  
in and around Palmyra

## Buy It at Home!

W. H. Cook has a new delivery truck.

Mrs. Alice E. Russell has sold her residence on Lincoln avenue.

Edgar Shaner has been appointed architect for the new bank building.

Mrs. James E. Russell has opened her cottage at H'man for the summer.

Mr. and Mrs. S. A. Plunmy moved this week to their new home at 108 Broad street, Riverton, where all their friends are welcome.

Mrs. Mary King will go to Lakewood Wednesday as a delegate for the Daughters of Pochontas to the Great Council session.

The Palmyra Red Cross has given its part of the linen for the coats for the Nurses' home and also \$100 for the nurses' working fund.

Mrs. Arthur Bowker has returned home after attending a session of the State Camp, P. O. of A., on Tuesday and Wednesday at Harrisburg.

Mrs. Pretzman, formerly of Altoona, who spent the winter in Florida, is now making her home with her daughter, Mrs. George E. Reber.

N. E. Beitz plans to build a double house on the lot he recently purchased on East Broad street between the Morton and McCorkle properties.

In accordance with Postmaster General Hays' plan of protecting the mails from robbery, Postmaster Cook has just received from the department a young cannon of about 45 calibre and 60 rounds of ammunition.

Mrs. Mary King, Mrs. Eleanor Wallace and Mrs. Julia Beitz attended the commencement of the Williamson Trades School in Delaware County, Pa., on Saturday. Harry C. King has just entered his senior year at the school.

Perry C. Clarke has sold his residence at 830 Morgan avenue, E. Jacksonville, of Philadelphia, who moved into his new home last Friday. Mr. Clarke plans to remain in Palmyra till fall when he will join his wife and daughter in California.

Mrs. Theodore T. Jennings has returned from a three months' stay at Cross Keys, N. J., where she has been convalescing from a serious illness. Miss Esther Jennings is also home, while Miss Ida Jennings is continuing in school at Moorestown.

Mr. and Mrs. George Rogers plan to start Sunday for Washington by auto to attend the national convention of the Masonic Association. Among other local Masons who will attend are Mr. and Mrs. Walter Schmidt.

Mrs. T. A. Lloyd broke her left arm in a peculiar accident Monday morning. She was putting up the clothes line and had stepped up on a wheelbarrow to reach the line, when in pulling the line to stretch it tight, the rope broke and she fell heavily to the ground.

In the county court last week, Tony Costello, of Palmyra, who was before the court on a charge of assault on a trolley car conductor, who he claimed insisted on charging him an extra fare, was fined \$50. It was stated that the conductor had since been discharged from the company's employ.

On Thursday, May 12th, at 2:30, the Needlework Guild of America will hold a meeting in the Philaetha room of the Central Baptist Church, to hear a report of the delegates, Thomas Murphy and Mrs. Fred McCorkle, who attended the National convention which was held at the Bellevue-Stratford, Philadelphia, on Thursday and Friday.

## Teachers Entertain Lunch Committee

Last Monday evening the committee of ten teachers who won the membership campaign of the Parent-Teacher Association and were entertained by the lunch room committee of the Association, returned the compliment by arranging a novel little entertainment for the members of the lunch room committee.

An enjoyable social evening was held in the library of the high school. A special feature was a May Pole on a large table in the room. At the end of the evening each one present unwound a streamer from the pole and found at the end a lollypop all dressed up as a paper doll. Each of the dolls was named after a teacher and much merriment resulted.

## Mail Delivery Waits on Boxes

Free mail delivery has not yet been started in Palmyra. It will not be, Postmaster Cook announces, until the people comply with the instructions of the postoffice department to place in position suitable receptacles for the mail.

These receptacles are an absolute requirement before the government will start the service and the whole matter will lie dormant until the rules are complied with.

## Notes from Five Points

Miss Louise Payung is spending the week with relatives in Philadelphia.

On Saturday, April 30th, Mr. John M. Burghman, of Riverton, and Miss Gertrude Schiele, of Lenola Road, were married at the home of the bride's parents, Mr. and Mrs. William Schiele, by the Rev. R. Reimer. Mrs. Albert Sperber, of Merchantville, sister of the bride, was matron of honor, and Charles D. Burghman, of Philadelphia, brother of the groom, was best man.

Mothers' Day will be observed at the Moravian Church on May 8. Charles Shaffer, who was injured on Friday, April 22, when his truck was hit by a train at a crossing in Riverton, is again at work.

## Prosecutor Will Enforce "Dry" Law

Prosecutor Kelsey has given out the following: "The new liquor enforcement act went into effect on April 30, and I want to take this opportunity to serve warning on all persons that it is the purpose of the Prosecutor's office to vigorously enforce this act which becomes the supreme law of the land in this State. The act provides against offenders, trial without jury and a fine of \$500 and imprisonment and forfeiture of liquors, conveyances and receptacles. It provides also for certain seizure of all illegal liquors, no matter where kept. It further provides that any officer, within the State, who shall know or have reasonable grounds to believe that any person is transporting, manufacturing, bartering, importing, exporting, delivering, furnishing, storing or possessing liquor, unlawfully, for such officers to arrest without warrant and seize the person and such liquor."

## How the Palmyra-Tacony Ferry Will Benefit Palmyra

By Leon H. Raesly

Citizens of Palmyra: What means this peculiar-looking vessel in the Delaware river, anchored just off the end of the boat-houses? This strange-looking ship is a dredge, the advance guard of the Palmyra-Tacony Ferry, which will, using a slang phrase, "Put Palmyra on the map."

This ferry will benefit Palmyra in many ways. It will provide a shortcut for the motorists. It will shorten the route of the workmen who work in the northern section of Philadelphia. The advance guard of the Palmyra-Tacony Ferry, which will, using a slang phrase, "Put Palmyra on the map."

Motorists from Palmyra wishing to get to the Lincoln Highway or to places up or down the river or inland, will find they will avoid the heavy traffic of Market and Broad streets, thus saving time and trouble and lessen the danger of accidents. Good roads lead from Tacony in every direction.

This ferry will shorten the route of the Palmyra workmen who work in northern Philadelphia by many miles. It is thirteen miles from Palmyra to Market street, Philadelphia, through Camden, and ten miles more from Market street to northern Philadelphia. The road from Palmyra to northern Philadelphia, via the Palmyra-Tacony Ferry is about three miles, twenty miles less than through Camden.

This ferry will open up the northern section of Philadelphia for the produce of Palmyra. The farmers can cross with their produce to northern Philadelphia and dispose of it there, rather than going all the way down to Market street, thus saving more time and money.

The advantageous location, the pretty streets, the fine residences of Palmyra and its proximity to a large city will influence travellers passing through to come here and live, thereby creating a demand for and increasing the value of real estate. This influx of people into Palmyra will bring new business to our local merchants. Palmyra itself will prosper and become known far and wide.

These, then, are the Palmyra, are a few of the many ways in which the Palmyra-Tacony Ferry will benefit you.

## School or Sewers?

A special meeting was held by the Palmyra Chamber of Commerce in Society Hall last Tuesday evening to hear the report of the sewer committee, which has spent several weeks looking into that question.

The report was read by the chairman of the committee, Wilbur F. Crane, who said the committee would recommend that a public meeting be called within the next few weeks, so that the matter could be presented to the people by speakers who have had some experience and training as to enable them to give actual facts and figures. After considerable discussion of the sewer question by the Chamber at large a motion was adopted that the committee be empowered to go ahead with this suggestion.

Cost of sewer construction were estimated by the committee to have declined about 20 percent below those of two years ago and it was thought that the figure of \$144,000 submitted by Engineer Voshury as the cost of Palmyra's proposed sewer last year would now be about \$112,000.

In order to sound the sentiment of the Chamber on the sewer proposition, Mr. Shaner, the president, called for all those who favored it stand and everybody stood but one. The one member later explained that he was not against a sewer in itself, but that he was opposed to building it now, because of prices and because of the fact that a new school building must be built.

Mr. Shaner pointed out that the bonds for building the school would be spread out over so long a time that the sewer would have to be built before the school building was paid for and therefore it would not be much more of a burden to start the two of them off together than to delay the sewer two or three years.

Mrs. J. Emory Bowker entertained the Social Sewing Circle at her home Monday evening.

The Field Club opens the baseball season this Saturday afternoon with a fast aggregation from Delair as its opponents.

## High School Gets First Place in Penn Relays

Victory perched upon the banners of Palmyra High School the last few days. Last Saturday the relay team which has been making a great showing everywhere ran first in its race at the Penn relays. The quartette composed of Boal, H. Shipp, W. Graham and Marvin Burr ran a great race and nosed out the Lakewood outfit, which took second, and Mount Holly, which was third. The time was 3:51.

## For Antiquarians to Solve.

In discussing the origin of names from occupations an interesting point crops up. A man might have been a cooper and his son a weaver, why was the family known as coopers and not weavers? Just at what point did the appellation crystallize into a name? Careful study has failed to clear up this point.

## Dreaming of Putty.

To dream of putty is a sign of poverty, putting up holes foretells losses—the larger the hole the more extensive the loss. If you are putting glass into a window with putty it foretells that you will soon move into a meaner place than you now occupy.

## TRENTON LETTER

Trenton.—Enactments of the recent Legislature have materially strengthened the taxing machinery of the state. For the first time in its history the State Board of Taxes and Assessment now has the definite authority to relieve inequalities or underassessments in any county or taxing district. The bill giving this power was the most important of a number of measures enacted, increasing the duties and the authority of the board.

The law to relieve conditions of underassessment and inequalities provides that where the board believes that the assessment in any taxing district is inequitable or not in strict compliance with the statute, it shall order or make a complete reassessment. The board may do this with its own employees and under its own direction or it may direct the assessor to do it under the board's direction and according to any rules the board prescribes. The act provides that this reassessment shall be complete and the valuation certified to the county board on or before the 15th day of March, so that it would be necessary for the board to get in touch with the original assessment when it is turned over by the assessor or board of assessors to the county board, and have the reassessment begun immediately.

Chapter 271 gives the State Board power, after investigation, to file in the Supreme Court a complaint setting forth charges against an assessor who has wilfully or intentionally failed, neglected or refused to comply with the tax laws. A copy of the complaint must be served personally upon the assessor at least ten days before the hearing. The power of removal is in the court, and the proceedings on behalf of the board are to be conducted by the attorney general. Any assessor removed shall not be eligible to hold the office again for five years.

Simplified Railroad Tax. Chapter 188 requires the application of the tax rates of the current year to the valuation of the first and second-class railroad property. The law previously provided that the valuation and the assessment of the tax on second-class railroad property be completed by November 1 of each year. Under the law it was necessary for the State Board to use the only tax rates that it had, which would be the rates of the year previous to that for which the taxes were intended. This also required the use of the average of those tax rates, which would also be the average rate of the year previous to that for which the taxes were intended. Under Chapter 188 this board is required to complete its valuation by November 1 and not to give the railroads opportunity to review the valuation and not the completed tax assessment. The rates to be applied to this valuation are those of the year for which the taxes are intended.

One section of this act calls upon the board to revise the assessment of railroad taxes for this year, and already certified to the comptroller, and the bills submitted of the new railroad companies. This revision calls for substitution of the new rates now being received for the rates of last year, and the application of the new rates to the valuations, which will result in a substantial increase in the taxes on second-class property and also in the average tax rate to be applied to the first class. Under this section of the act this assessment must be completed and filed with the comptroller and the companies by June 1.

Chapter 110 will obviate the necessity of certain proceedings to review the assessment of miscellaneous corporation taxes on those companies that have failed to file the reports as required by the law, and have been assessed on the full authorized capital stock in default. Under the original law a corporation had four months in which to appeal to the board and to show that, through negligence, it had failed to file its report and was entitled to a reduction because the amount of the issued capital stock was less than the full authorized capital stock. After the four months had elapsed it was necessary for the corporations to have the proceedings reviewed by certiorari to the Supreme Court. The court always allowed the certiorari if the facts were as represented. Chapter 110 simply abolishes the four months limit and allows the board to review a miscellaneous corporation assessment at any time, completely doing away with the necessity of certiorari proceedings.

Seek Further Laws. In addition to the acts definitely dealing with the powers of the state board, the legislature enacted an assembly resolution which brings to life the Tax Commission of 1919, composed of Frank B. Jess, Senator Clarence E. Case, Assemblyman Arthur N. Pearson, George T. Smith and George L. Record. The resolution calls upon this commission to prepare for presentation to the 1922 legislature a bill or bills which will provide for:

1. The elimination of all personal property, including machinery, raw materials, stock on hand, investments and accounts from taxation.

2. The levying of a state income tax on a sliding scale on all incomes in excess of \$1,000.

3. A referendum for the adoption or rejection of these bills to the voters of New Jersey at the general election to be held November, 1922.

Mosquito Bond Issue. If the next legislature can't see its way clear to increase the appropriations needed by the New Jersey Mosquito Extermination Association, that organization will urge a million dollar bond issue to be used in gaining complete control of the mosquito pest. That alternative was framed by the association at its annual session in Atlantic City.

Another resolution adopted read: "We are more than ever convinced that the mosquito can be virtually eliminated, and municipalities are perfectly justified in the expenditures of money for this object." The association urged members to be alert and fight the elimination of the mosquito by the appropriation clause for counties where commissions are organized, which is embodied in a state law.

The prosecution of anti-mosquito work in the counties not now actively engaged in control work was urged.

GENTLEMEN may obtain furnished rooms in private family; nice location. Also garage for rent. Address "P" New Era office.

by Dr. Jacob G. Lipman, director of the New Jersey Agricultural Experiment Station.

That malaria is far more prevalent in New Jersey than is generally appreciated, was brought out in an address by David C. Bowen of the State Department of Health. "I have visited manufacturing plants in New Jersey," he asserted, "where 40 per cent of the workmen have been out on account of malaria. In exterminating mosquitoes, New Jersey will get rid of a disease that is costing the state thousands of dollars every year."

Officers elected for the ensuing year were President, Charles Lee Myers, Jersey City; vice president, Wilbur A. Manchec, Newark; second vice president, Joseph Camp, Pierce; secretary, Thomas J. Hendlee, New Brunswick; assistant secretary, Wilbur Walden, New Brunswick, and treasurer, Lewis W. Jackson, Jersey City. Executive Committee, Robert F. Engle of Beach Haven, Walter B. Hudson of Paterson, Andrew J. Rider of Hammonton, Ralph Hunt of East Orange, Reld Howell of Rutherford, W. H. Randolph of Rahway and William Edgar Darnall of Atlantic City.

Visions of Mosquitoless Jersey. A state appropriation of seven hundred and fifty thousand dollars for an intensive three year program will bring absolute mosquito control in New Jersey and keep rates below only \$500,000,000, at a conservative estimate, predicted Dr. Thomas J. Hendlee, state entomologist.

JAMES M. MACEY, JR.,  
CHAS. A. WRIGHT, Directors.

The Mark Shows.  
"You can often mend broken duties and broken friendships, mend 'em pretty good," said a wise woman; "but they're never just the same again—the place where the break was is sure to show. Anybody that cares as much for chum and friendships as I do, will be careful in handling both of 'em."

## Ten Cent Fares In Massachusetts And Connecticut

Edward Dana, General Manager of the Boston Elevated Railway Company, testified before the Public Utility Commission in the Public Service rate case last week that the lowest fare that would pay expenses on the Boston property was ten cents—the rate now in effect.

W. J. Flickinger, Assistant to the President of the Connecticut Company which serves the principal cities of Connecticut, said the same thing about his company.

The Boston Company is operated by State Trustees appointed by the Governor. Under five-cent, seven-cent and eight-cent fares it accumulated a deficit of four million dollars. The ten-cent fare is overcoming this deficit.

"If, when the seven and eight-cent fares were made effective, a fare high enough to cover the cost of service had been fixed," said Mr. Dana, "there would have been no deficit."

The Connecticut Company before it went to the ten-cent fare could not pay its taxes, so meager were its earnings.

Both the Boston and Connecticut systems, which are comparable to the Public Service lines in cost of operation and character of territory and population served, were authorized to charge a rate of fare that would cover their costs, and the results in both cases have vindicated the wisdom of the action taken.

This is all Public Service is now asking for.

**Public Service Railway Co.**

Weights only 15 pounds

### The Singer Automatic Electric THE SIMPLEST OF ALL SEWING MACHINES

The unique construction of the Singer Automatic was devised for the purpose of overcoming every possible objection which could be raised against the usual type of sewing machine.

It is so SIMPLE in construction that anyone can understand and use it without difficulty. It is the smoothest and easiest running machine made, and is practically noiseless.

It is so ADAPTABLE that it can be used, without special adjustment, on all kinds of material, from the heavy to the finest and most dainty.

It's stitch is elastic and specially adapted for infant's and children's garments.

**No Bobbins  
No Shuttle  
No Tension to Adjust**

Simply thread the needle, and machine is ready for use. This is a FINISHED machine, all working parts enclosed, no needle bar lever moving up and down before you to tire your eyes.

We know you will like this new style of sewing machine better than your old one. To prove it we will be pleased to place one in your home for one week's free trial without obligating you in any way.

This machine is furnished on any style of cabinet, in any wood, with either foot treadle or electric motor.

**Do not experiment with imitations

Jesuits Brought Sugar Cane. Sugar cane was introduced into Louisiana from Santo Domingo by the Jesuits in 1751. The first refined sugar was made by Antonio Mendez in 1792, but the first refined sugar on a commercial scale was made in 1793 by Etienne De Bore. The plantations of these two planters now form a part of the city of New Orleans.

### Ease, Convenience, Safety

These are three big features of the Thor Washer. So easy to operate a child could do it, all levers so accessible and in such convenient position that the housekeeper has only to press a button, release the cylinder lever, and washing commences.

And the Thor machinery is so protected that there is absolutely no danger of clothes becoming entangled or fingers caught in exposed gears.

The housings or coverings of all gears are substantially built. There is no cog nor gear exposed.

Four motions of one hand will start and stop the Thor Washer.

1—Press the white button.

2—Pull the cylinder lever toward you; the machinery starts, your washing begins.

3—Push the cylinder lever from you.

4—Press the black button. The machinery stops instantly, the washing process ceases.

**Install  
Thor  
Service**

before warm weather, with its many demands for fresh clothes, is upon us. Discard the washboard! Have plenty of clean clothes without drudgery. Let the Thor do the work!

## IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

(By REV. P. L. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)  
(© 1921, Western Newspaper Union.)

## LESSON FOR MAY 15

WORKING WITH OTHERS.

LESSON TEXT-I Cor. 12:4-27.

GOLDEN TEXT-Ye are the body of Christ, and members in particular.-I Cor. 12:27.

REFERENCE MATERIAL-I Kings 5:1-13; Neh. 2:1-22; 4:15-23.

JUNIOR TOPIC-Helping One Another.

INTERMEDIATE AND SENIOR TOPIC-Team Work.

YOUNG PEOPLE AND ADULT TOPIC-Co-operation or Competition.

This Scripture pictures the church, the body of Christ, under the figure of the human body. The topic "Working With Others" can only have application to Christians working with each other; for it is as members of the body of Christ that this relationship and obligation are set forth. The church is an organism, not merely an organization. As such it is:

I. One Body (vv. 12-20).

As a body it has many members, each with a definite ministry or function. Many members are essential to a body or organism. So it is with the church. Each member has its own gift and office. The proof of this oneness is that by the sovereign act of the Holy Spirit all believers are constituted one body (v. 13). A multiplicity of organisms does not make a body, but a multiplicity of members with their separate functions. There is no room for jealousy or discontentment among them (vv. 15, 16). It would be as reasonable for the foot to complain of its lot and refuse to function as a foot, as for one member of a church to envy the place of another. A deacon who is such by the appointment of God should not complain that he is not a minister. The church needs its foot-members, that is, those who are swift to run on its errands; it needs its eye-members, who are quick to perceive opportunities for service; it needs its ear-members, who are quick to hear the call to duty; it needs its tongue-members, who can speak forth the message of truth; it needs its hand-members to perform its many deeds of kindness. Each member of the church has its place by the sovereign will of God (v. 18). If this were realized there would be the most efficient co-operation among the members of the church. The pastor would faithfully do the work of a pastor; the minister, the work of a minister; the teacher, the work of a teacher, etc.

II. The Mutual Dependence of the Members of the Body (v. 21).

They must co-operate for the life and service of the body. As the foot cannot dispense with the hand, the eye with the hand, etc., so in the church, even the most highly gifted are dependent upon those of the lower order. Self-conceit and pride are as much out of place on the part of the highest in ability as of the lowest. In fact, a sober realization of this will do away with selfish pride.

III. The Least Attractive Members Are the Most Necessary (vv. 22, 23).

In the human body the heart is of more vital importance than the tongue. So in the church prayer is of more importance than the gift of eloquence. Many examples could be given of those who wrestled with God in the closet, doing more for the cause of Christ than those who shone forth most conspicuously in the public eye. The lungs are never seen or heard, yet without them the tongue could not utter a sound.

IV. The Different Members Have Been Adjusted by God (vv. 24, 25).

So perfectly has this been done that if each performs its own function there will be harmony in the body. All schism in the church is due to failure of one member to perform its duty because of envy of the position of another. By considering Christ the head and obeying Him all strife and division in the church will be eliminated.

V. Members Are Sympathetically Related (vv. 26-27).

One member should have the same care for the other as for itself. The eye has the same concern for the foot as it has for itself; so the most eloquent has the same solicitude for the humblest member as for itself. This is true because the suffering of the one is the suffering of the other; the honor of the one is the honor of the other; the sorrow of the one is the sorrow of the other; the property of the one is the property of the other; the shame and disgrace of the one is the shame and disgrace of the other. This is true because there is a common life which is derived from and directed by its head, Jesus Christ (Eph. 5:23).

Doing Things.

God made us to do things, and there is no tonic like that which comes from doing things worth while. A clear conscience and a clean life are far more to be desired than money. Real happiness without the achievement of some aim is unthinkable.

More Valuable Than Gold.

A good disposition is more valuable than gold; for the latter is the gift of fortune, but the former is the dowry of nature.—Addison.

## THE NEW ERA

Published every Friday at  
RIVERTON, N. J.WALTER L. BOWEN  
Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper.

Subscription \$1.50 a year  
in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices

## LEGAL ADVERTISEMENTS

The New Era is a Legal News-paper. Commissioners, Sheriff's and other Sales, Administrators' and Executors' Notices, as well as all other Legal Advertisements are solicited. The New Era will appreciate being remembered in this connection.

## Notice

All readers or local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, or for which admission is charged, will be charged for at the rate of fifteen cents a line.

## Historical Society of Burlington Co.

The Woman's Burlington County Historical Society desires to complete its collection of genealogical records of this county. Will families having such records either send a copy to the chairman of the genealogical committee, Miss Anna G. Redmond, Burlington, N. J., or allow a typewritten copy to be made by the Society so that it can be placed upon its files. Letters are received from all over the United States asking for information about the original settlers of this county, and only in securing such genealogical records can we be of use to this and future generations. The Society also will gladly receive any papers, letters or documents of historical interest which their owners may desire to be preserved in the Society's Museum in Burlington.

## Porch Club

On Tuesday, May 17th, the Porch Club, will hold its annual charity luncheon, for members only. Tickets are \$1.00 and may be obtained from Mrs. J. D. Clark by May 14th.

## Bandit Was Soldier Mailing Letter

The "gun" with which the post office was recently equipped came near having its first run cut in its stock last Saturday night.

Walter Armstrong, one of the clerks, was just locking up for the night and had turned out the lights in the lobby when he heard the front door open softly while he was locking the back door. He came front thinking some late comer wanted to get his mail, but saw no one, though he could hear stealthy movements. Crouching behind the boxes Walter worked his way to where the gun was kept and then followed the scarcely audible sounds in the lobby, which seemed to be working toward the door leading from the lobby to the workroom. The sounds on one side and Walter on the other side, arrived at the door at the same time. Flipping the door open, Walter confronted a tall, powerful-looking man in a soldier's uniform. Thrusting the muzzle of the gun into the man's ribs, Armstrong asked him what he was doing there. Then it was the soldier's turn to feel some of the chills that had been chasing up and down the clerk's spine for the last few minutes.

It turned out that the soldier had entered the post office to mail a letter, and not being familiar with the layout of the place, was hunting for the slot in which to drop it. It was all very simple when it was explained, but on the face of it, the incident had all the makings of one of the kidnappings which are becoming so frequent.

## At the Country Club

The handicap tournament against par for the Arthur Dorrance prize has been in progress at the Riverton Country Club links for the last three Saturdays. There were fifty-four contestants, and for the first two games the best scores were made by W. T. Kirk, Jr., and Filson Graff—2 down. The weather was heavy and the course soggy the first two Saturdays. Last week the weather conditions were ideal. Dale Filler made the best score—3 up. The second place was won by William Varner, who turned in a card of 82 up.

On May 14 the first match will be played for the president's cup, which will be played for three times.

## Women Members of Beverly Council

Two women were elected members of the city council of Beverly at the election Tuesday when that town returned to the borough form of government after having tried the commission system for a number of years. The new councilwomen are Mrs. Jean Wood and Miss Cornelia Ford. James Dilkes, superintendent of the Beverly schools, was elected mayor. The election followed a fight of considerable bitterness against the former commissioners.

## ATTENTION

Get your home-made cake and bread for over the weekend at the sale given under the auspices of the Epworth M. E. Choir at the American Legion rooms, Broad and Garfield avenue, Saturday, May 21, 1 to 6 p.m.

## Shepherds of Bethlehem Celebrate

Shepherds of Bethlehem, No. 5, of Riverton, celebrated their twenty-fourth anniversary on Wednesday evening, with an attendance of 125 members and friends. Supreme Commander Goodman, of Philadelphia, and Supreme Vice Commander Katherine Armstrong, of Camden, Philadelphia, Marshall Rath, of Philadelphia, Supreme Scribe Charles Carr, of Camden, and several others of the Supreme body attended and gave some very interesting talks on the Order. They were entertained with a play entitled "More Time Out." Music was furnished by the lodge minstrel troupe. Vocal selections were furnished by Mr. J. Eyderben and Mr. W. Verbius, of Holland, accompanied by Mrs. Franklin on the piano. The room was beautifully decorated and the tables were bountifully spread with a supply of good things. The Good and Welfare committee deserve credit for the manner in which the celebration was carried out.

Mrs. Otto Wagner, of Beaver Springs, Pa., is the guest of Mrs. John M. Hughes for a few days. Mrs. Wagner will then go to Winter Haven, Florida, where she will reside.

The work on the filling in at the approach for the new ferry has been discontinued on advice of the engineer, who thought it best to allow the previous material to settle before filling in any more.

The twenty-second annual meeting of the Riverton Free Library Association will be held at the library, on Monday evening, May 16, 1921, at 8 o'clock. No books will be given out after eight o'clock.

The Riverton and Palmyra Water Company reports that since the "booster pump" has been put in operation the water pressure is equal in all parts of the system, being the same in Westfield as in Riverton.

Miss Rose A. Wiberg, daughter of Mr. and Mrs. Carl Wiberg, who was operated on at the Hahnemann hospital, Philadelphia, for appendicitis, on Thursday of last week, is improving and expects to come home next Thursday.

## P. T. A. Will Elect Officers

The last meeting of the Parent-Teacher Association fiscal year will be held in the school auditorium Thursday afternoon, May 19th.

The bi-monthly election of officers will be held, followed by a social hour and refreshments. This is the last chance for the attendance of parents to be counted in awarding the attendance flag, and they are urged to attend if possible.

The spring meeting of the Burlington County Council of Home and School Associations and Parent-Teacher Associations will be held at Lumberton on Wednesday, May 18. The morning session will open at 10:30 and will be devoted exclusively to business. The afternoon session will be called at 2 o'clock, and all are welcome.

Additional Riverton News will be found on third page

Cinnaminson Fete Saturday, May 28 from 2 until 8 p.m.

Those in charge of the annual Cinnaminson Home fete are working harder than ever this year to make the affair a success. There will be a cafeteria supper, with a varied enough menu to suit the most fastidious tastes. Delicious home-made cakes and candies will be on sale, and all the usual attractive things at the various booths. The girls of the Y. W. C. A. have generously offered a booth, and will have their own handiwork of all kinds.

There will be the added attractions of a gypsy camp run by Miss Marjory Marcy; two beautiful little plays given by the children of Riverton and Moorestown; and a dance on the green in the early evening, in which the public school children of Moorestown have been trained by Miss Edna Cooper.

Fun is planned for the grownups, too, and there will be lots of things for everyone to see, and do.

Come to Cinnaminson! It's a Sin-to-Miss It!—adv.

## DEATHS

John A. Eiche, aged 79, father of Mrs. Walter G. Miller, died at his home in Reading, Pa., last Monday, and was buried today. Mrs. Miller went to Reading on Thursday of last week, and was with her father when he died. A year ago Mrs. Miller buried her mother.

Howard J. McIlhenny, husband of the late Reba Wells McIlhenny, and son of George and the late Hannah McIlhenny, aged thirty-five, died at his home in Brooklyn, New York, on Tuesday, May 10. The funeral took place from his father's residence, 5032 Cydenham street, Logan, Pa., today. Interment was made in Mount Holly, New Jersey.

## Something Doing Every Day in Child Welfare Week

The program for Child Welfare Week under the auspices of the Riverton and Palmyra Parent-Teacher Associations and League of Women Voters, opened Tuesday afternoon with a meeting in the school auditorium addressed by Mrs. Wellington Bechtel, of Haddonfield, a former president of the State Congress of Mothers and Parent-Teacher Associations, who brought a message of inspiration to every mother whose privilege it was to hear her.

In part Mrs. Bechtel said that the movement for Child Welfare was very gratifying in that we have cleaned up the home to make it healthful, and we have looked after the bodily welfare of the child, to see that it is clean and suitably clothed; but have we looked after the soul of the child as we should have done?

The purpose of Mrs. Bechtel's message was to bring before us the need of caring for the spiritual welfare of our children. If we begin very early to train them spiritually, and daily feed the soul, we do the right thing, indeed, will be laying the foundation for good citizenship.

On Wednesday afternoon Dr. George W. Caput, of Philadelphia, spoke to the children and their mothers about the teeth.

Briefly Dr. Caput told how the little "strings of pearls," as he called them, formed in the gums, then slowly ossify and come into position. He outlined the proper care of the teeth and told of the deplorable results of neglecting them. The children were interested in all Dr. Caput said, and it is hoped they will carefully follow his instructions.

At the Thursday afternoon meeting Dr. Harry L. Rogers, assistant school physician, gave a very comprehensive account of the work of the medical examiner and pointed out many ways in which parents could co-operate with the physician in the school in preserving the health of the children and preventing the spread of contagious diseases. He laid particular stress on the care of the teeth, even though they be only the "first" teeth. Though these teeth are not permanent, and in that sense not as important as the "second" teeth, when they are unclean and decayed they induce an unsanitary condition in the mouth which is just as menacing as the same condition later in life caused by the regular teeth.

In relating the details of the medical inspection as practiced in the Riverton school, Dr. Rogers gave statistics which showed a fine co-operation on the part of many parents in having the various defective conditions shown on the report cards treated promptly, but some (and the number was much too large) ignored notices or failed to co-operate effectively. It is the child's loss, and in some cases the damage done by neglect at this time becomes irreparable in later life. This is particularly so where the eyes are affected.

Dr. Rogers was followed by Miss Mabel E. Krause, visiting nurse, who spoke briefly but most ably and instructively on the last side of the care of the child's health. She made a telling plea for proper food and a well-balanced diet, which should include plenty of milk, fruit and fresh vegetables for suitable clothing, ten to twelve hours of refreshing sleep, and a proper realization of the necessity for exercise and recreation which can best be secured by free play, and followed by the daily bath at bed-time.

The field meet, held this afternoon, was finished too late for this week's issue, and the addresses will be announced next week.

Shot By Boy Bandits

The crime wave which has swept over the country from coast to coast found a victim in Riverton last Saturday afternoon when Edward Everett Hatch was shot to death by one of the three boys whom he caught in the act of robbing his boat house near Delair, when he went there to get his motor boat ready to put in commission for the summer.

The news of his death reached Riverton late in the afternoon, and gradually the details were received as to the crime—the one who did the shooting is said to be nineteen, and the other two fifteen and thirteen.

Mr. Hatch was a valued and a highly respected citizen, and his untimely taking off is a great shock and a distinct loss to the community. He was the son of Hugh Hatch, who is now in his eighties. He is survived by a widow, who has three children, a sixteen-year-old son, Jerold, and a daughter, Elaine, aged twelve; also two brothers, Isaiah Hatch, sheriff of Camden county, and Argus Hatch.

Mr. Hatch was a member of the Riverton Yacht Club and the Riverton Country Club.

The funeral services were held at his late residence Wednesday afternoon, conducted by the Rev. John Rigg, and interment was made in Harleigh cemetery.

Aquilla W. Ter, brother of Mrs. Hatch, came to Riverton on Monday from New York City.

## PROCLAMATION

## Clean-up Week

Again in accordance with requests from many of our citizens, the Mayor and borough Council have agreed to designate May 18 and 19 as Riverton's cleaning up days.

On these days every citizen should make his duty to clean up his property. The refuse accruing from this cleaning will be disposed of by the Borough free of charge on Friday, May 20.

Place all rubbish in boxes or barrels as far as possible, and early in the morning place same along the curb in front of your property, so that it may be easy of access to the men who will lead it on to the team for removal.

No garbage will be taken. It is to be understood that refuse will not be carried from the cellars or yards by the teamsters.

It is hoped that civic pride will cause our citizens to vie with each other in carrying out this campaign with spirit and determination.

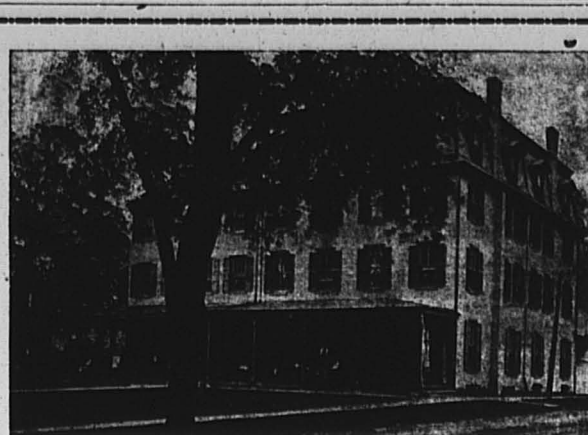

Let us clean up the house from cellar to attic, clean up the yard and the alley, the stable and all places where unsanitary conditions exist.

Let us plant flowers and sow grass seed in places that are now barren.

The result will be a cleaner, healthier, brighter and more beautiful Borough.

KILLAM E. BENNETT, Mayor.

A social and variety sale will be given Saturday evening, May 21, 1921, on the lawn of Mrs. Thomas Perkins, Randolph avenue, East Riverton. Ice cream will be on sale from 5 o'clock. Proceeds for benefit of Asbury M. E. Church. If stormy, will be held on May 28th.—adv.

## TRIBUTE TO GEO. K. CLARK

Mayor Speaks Highly of Late Clerk in Addressing Borough Council

In opening the meeting of the Borough Council last night Mayor Bennett paid a fine tribute to Geo. K. Clark, the late borough clerk, to whom he referred as a most valuable citizen and an efficient servant of the borough. As illustrating that lack of self-seeking which was so characteristic of Mr. Clark, Mr. Bennett related the circumstances of his appointment as clerk. When John H. Reese, who was then borough clerk, died, Mr. Clark offered his services as a matter of civic duty, being under the impression that the office carried no remuneration. On being told that there was a salary attached, Mr. Clark was disposed to withdraw his offer.

Later in the evening a resolution was passed that a suitable set of resolutions be prepared and engraved and sent to Mr. Clark's family, as a token of the appreciation felt by Council for his sterling worth and efficient services.

New Sidewalks and Curb

John C. Geiss, chairman of the ordinance committee, again called attention to the number of sidewalks and curbs needed about town, and was instructed by the Mayor to bring in ordinances covering the improvements he desired to see made, for the consideration of his fellow members of Council. He also spoke of the unsightly condition of vacant lots where the grass and weeds were allowed to grow unmolested, adjoining well-kept properties.

A letter of instructions from the borough engineer, which set forth the steps to be taken to perfect the title to the Beulah Stiles property on Broad street, purchased by the borough at a tax sale, was read, and a resolution was passed complying with instructions.

Progress in Condemnation Proceedings

The special committee appointed to institute condemnation proceedings to secure a portion of the Decker property for a memorial park reported that a survey of the property had been made by the borough engineers from which to prepare a map for use borough attorneys, who are now making a search of the title of the property, part of which is owned by the Decker company, and part by the Decker heirs.

New Election District Created

A resolution was passed creating a third election district, which became necessary under the election laws of 1920 which require that another district shall be formed whenever more than 600 votes are cast in any district. In the first district last fall 660 votes were cast. The new district, which will be known as the third, takes in that territory between the railroad and the river bounded as follows: Broad street from Penn to Elm, Elm to Bank avenue, Bank avenue to Penn, and that area south of Penn street, containing Lippincott, Thomas and Linden avenues and Front, Second and Fourth streets.

Mr. Geiss called attention to the bad condition of the roadway on Broad street owing to the unfinished portion between the improved roadbed and the trolley track, left when the county laid the new surface on Broad street. The matter was referred to the highway committee, and the Mayor promised his assistance in (Continued on third page)

## Buy It at Home!

Mrs. F. L. Durgin entertained the Fortnightly Reading Circle this afternoon.

F. C. Warner and family, of Leconia avenue, have moved to Riverside Park.

Miss Bertha Wessel, of Philadelphia, was the guest of Mrs. Elvin Powell on Tuesday.

Mr. and Mrs. W. B. Powell spent Sunday with their son, Howard Powell and family, in Merchantville.

Mr. and Mrs. Walter E. Smith attended the Masonic convention in Washington Wednesday and Thursday.

Mrs. E. H. Hickman, of West Chester, was the guest of her parents, Mr. and Mrs. John A. Althouse, Wednesday.

Louis Janders, of Horace avenue, has just completed the building of new sidewalks and concrete porch for his residence.

Mr. and Mrs. Howard Wentling have moved from Camden to their new home on Highland avenue above Wallace street.

A 45-calibre cartridge exploded in some burning rubbish and the bullet just grazed the arm of young Howard Miller one day this week.

George N. Wimer, William T. J. Purnell and Paul H. Powers are in Atlantic City attending the New Jersey Bankers' convention.

Mrs. George M. Becker is entertaining Mrs. E. F. Child, of Atlantic City, and her daughter, Mrs. Henry P. Child, of New York.

The old pipe organ at the Epworth Church is being removed to make room for the new \$10,000 instrument which is to be installed by July 1st.

Mrs. Thomas Craig, of Horace avenue, has returned from the hospital, and at present is staying at the home of her parents, Mr. and Mrs. Cease.

The Tuesday afternoon club, of which Mrs. Harry Buck is president, will end their next meeting with a theatre party and dinner at the Arcadia.

A scow bumped into the trolley bridge of the Pensacola Thursday afternoon and damaged it so much that the passengers had to transfer via the railroad bridge.

Charles English and family, of Camden, will move into the property at 701 Lincoln avenue, which he recently purchased from Mrs. Alice M. Russell, on June 1st.

C. A. Buohl, of Beverly, has purchased Pine's drug store and assumed charge this Friday. The store henceforth will be operated under the name of the Palmyra pharmacy.

Notice of the marriage license of Joseph Kersch, of 3026 Weikel street, Philadelphia, and Miss Elizabeth Sahrer, of Palmyra, was printed in the Philadelphia papers Monday.

Mrs. George M. Becker, of Morgan avenue, entertained Harold B. Gilpin and son, of Atlantic City, and Mrs. George E. Reber and Mrs. Pretzman, of Palmyra, on Monday.

The Wesleyans will entertain the Masons next Sunday afternoon at the Epworth Sunday School. The members of Government Lodge, F. & M. will attend and all other men, whether Masons or not, are cordially invited.

John S. Warner has sold the Charles Jefferson property at 325 Cinnaminson avenue, to Wesley Huett, of Highland avenue. Mr. Huett and family have already moved into their new home.

Next Sunday morning, A. G. Morse, of Riverton, formerly of Syracuse, N. Y., who is a noted lecturer, will deliver an address on Child Welfare at the Central Baptist Church. In the evening the subject of the pastor, the Rev. C. W. Williams, will be "Neglect and Loss."

Mr. and Mrs. John Anderson and daughter, Agnes, and little sons, Alfred and Richard, two brothers, on Monday, and then accompanied by Mrs. Anderson's sister, Mrs. Arthur Calloway, drove on to Wilmington, where all were guests of Mrs. U. S. Lloyd.

The monthly meeting of The Field Club board of directors was held at the home of Harvey Hirst, 707 Main street, Riverton, Wednesday evening. A much rosier financial outlook was shown than at the last meeting as the result of the rummage sale, dance and returns from tennis fees.

When the house at 321 West Fifth street caught fire between the rafters Monday noon, Branson Cook brought the fire truck to the scene of the blaze quickly and by tearing off the weather boarding and shooting the chemical into the blaze, was able to subdue the flames without damaging the interior of the residence in the least.

Tax bills for the first half year are out. To escape the penalty of 8 per cent interest the property taxes must be paid by June 1st. Poll taxes are not split in half and the entire amount is due June 1st. The county board of taxation will sit at the fire house on Tuesday morning, May 24, to hear appeals with the regular meeting next Tuesday evening and acted upon.

To Distribute France's Poppies Poppies, the designated appropriate flower to be worn on Memorial Day in commemoration of the brave deeds of the ones who gave their lives on Flanders Field, will be sold here through the Ladies' Auxiliary of Post Frederick M. Rodgers.

Three hundred of these floral tokens which were made by the members of France have been received by Mrs. William Harry Buck, who, with the Auxiliary, will sell them for 10c each. The money received will be returned to France for the war orphans and to assist in the up-building of the devastated parts in that country and in relieving the distress.

The contract for the making of the case for the Legion banner was let this week by Mrs. Buck in whose charge this was given.

## P. T. A. to Elect

The Palmyra Parent-Teacher Association will hold its regular meeting next Tuesday evening in the high school auditorium.

The annual election of officers will take place and the following program will be rendered:

Piano trio by the Misses Beatrice Levin, Helen Sack and Helen Tice.

Piano duet by the Misses Levin and Shady.

Piano solo by Miss Levin.

Vocal solo by Mrs. William Cassell Miller.

## Notes of the Legion

Post Rodgers of the American Legion planning to make May 28 and 30 big days for old Palmyra.

On these dates, Memorial Day and the Saturday preceding, the annual carnival will be held at Broad street and Garfield avenue.

This year the P. O. S. of A. has turned Memorial Day exercises over to the Legion, but being new at the game the Legion appointed a committee to work in conjunction with the P. O. S. of A. The Legion has found the committee from the big patriotic order most helpful and obliging. As usual the Legion men will parade in honor of the Civil War, Spanish American War, and the World War Veterans.

## Field Club Loses First One

In the opening game of the season at The Field Club ball park, the locals went down to defeat at the hands of the Delair Club, score 8 to 7.

Manager Botting first tried out Hoyt, one of the new candidates for the pitching staff, and he held the visitors to four hits and two runs in five innings.

The old reliable "Babe" Flynn pitched the balance of the game, but a comedy of errors in two innings resulted in three unearned runs for the opposition, and lost the game.

Wyoming A. A. will be the attraction this Saturday, May 14, the Haverford Club, May 21, and the Matchless Field Club on May 28.

Despite some loose playing in the opening game, which was to be expected, the boys are showing up well this year and a great series of ball games is looked for.

## Sewer Meeting May 24

The Palmyra Chamber of Commerce at its regular May meeting last Tuesday evening decided to call a meeting of the citizens of the town to hear the sewer plans outlined and to express their own opinion of the project.

This meeting will be held Tuesday evening, May 24, at 8 o'clock, in the auditorium of the high school building, Fifth and Delaware streets. The general public is invited and urged to attend so that the feeling of the town at large on the subject may be ascertained. It is expected that speakers qualified to explain the subject thoroughly will be on hand.

The cost of connecting homes with the proposed sewer, a question which has been the subject of much argument, was estimated at a \$65 average by competent members of the Chamber Tuesday evening.

In addition to pushing the sewer proposition, the Chamber of Commerce is putting its hand to many needed improvements about town, such as improved train service, safety at the railway crossings, protection of the town's trees, etc., and committees have been named to get results in these matters.

## Henry Neff Baugh

Henry Neff Baugh was stricken with a heart attack at his home at 9 West Broad street last Saturday night at 11 o'clock, and passed away within two hours. He had suffered an attack a week previous but had resumed his work a couple of days later, continuing his activities even on his last day.

Mr. Baugh was 57 years old and had lived in Palmyra 19 years. He was in the paperhanging business all his life. A year ago he suffered a very serious attack of pneumonia, and never fully recovered his strength.

The deceased is survived by his widow and one son, H. Herbert Baugh, 13 years old; by his mother, who is 82 years old; and by his brothers, Charles B. and William Baugh, of Philadelphia.

Following an Arisan service Wednesday evening the funeral was held Thursday afternoon, the Revs. E. A. Robinson and C. W. Williams officiating. Interment was made in Morgan cemetery.

Washington Camp Anniversary Next Monday evening, Camp 23, P. O. S. of A. will celebrate the twenty-eight anniversary of its organization. From a nucleus of twenty-seven members the camp has grown to a body of 960 patriots and has paid out thousands of dollars in sick and death benefits.

The celebration will follow the usual form. There will be a class initiation and at least fifty candidates are hoped for. A re-union of members and a banquet will follow.

A special drive for members is being made to boost the totals over the 1000 mark for the anniversary, and prizes are offered to the most prolific boosters.

The members of the order will visit the Central Baptist Church in a body Sunday evening, May 15th.

George N. Wimer is the chairman of the anniversary committee and George E. Reber is secretary.

## Brown-Sharp

A very pretty wedding was solemnized at four o'clock on Saturday, May seventh, in the Central Baptist Church, Palmyra, when Miss Dorothy Sharp, daughter of Mrs. Mary Sharp, and Dr. James E. Brown, of Riverton, were married.

The bride wore white crepe de chine, heavily embroidered, and carried a shower bouquet of lilies-of-the-valley, bride roses and orchids. She was attended by her cousin, Miss Ethel Wilson Voorhis, of Philadelphia, as maid of honor, who wore pink organdy and a pink neapolitan hat and carried a shower bouquet of pink rosebuds. The bridesmaids were Miss Mae Brown, sister of the bridegroom, and Miss Lillian Moore, of Riverton, who wore orchid organdy and white neapolitan hats and carried white daisies. The best man was Dr. Leon Baker, of Poughkeepsie, N. Y.

Mr. Russell Jermon and Mr. Frank B. McCormick were ushers. After a reception at the church Dr. and Mrs. Brown left for an extended trip through the New England States. They will occupy their new home on Washington avenue after June 1st.

## Five Points

Jennie, the old colored woman, who has been living for several years in the Old Tollgate House, owned by Collins H. Haines, was taken to the county almshouse on Wednesday by the township authorities.

## Additional Riverton News

Continued from second page trying to have this condition remedied.

Robert Clelland was appointed supervisor of streets, and Charles B. Durbin clerk for the balance of the year. Both appointments were unanimously confirmed.

Clean-up Day The Mayor, on Wednesday and Thursday, May 18 and 19 as clean-up days. Certain kinds of rubbish will be carted away free of charge, in accordance with the terms and conditions set forth in his proclamation published in another column of this issue, on Friday, the 20th.

The Mayor appointed the Fourth of July committee as follows: Harry E. Davis, John C. Geiss and G. Rex Shovel.

The following bills were ordered paid: Estate Geo. K. Clark, salary—\$29.17 Robert Clelland, repairs—224.45 Motor Sales & Service, repairs—1.33 Gas and electric light—302.66 Walter G. Miller—100.00 William Quigley—100.00 Telephone—2.10 Clinton B. Woolston, supplies—6.20 Riverton & Palmyra Water Co. 265.00 J. T. Evans, acct. Free Library 194.16 Estate Louis C. Geiss, acct. Shade Tree Commission—1.00 Robt. H. Clelland, acct. Shade Tree Commission—4.20

First Yacht Race May 30th On Monday, Memorial Day, the Riverton Yacht Club will open up the 1921 sailing season. During the morning the cruisers and sixteen-footers will race, while the afternoon will witness the first meeting of the L. I. class.

The sailing season has been divided into two championship sections this year, the first from Decoration Day until June 25th, and the second from August 6 until October. There will be special races on July 4, and Labor Day. During the week of July 9 to the sailing fleet will cruise to Baltimore to participate in the Chesapeake Bay races. They will return in time to take a part in the ten-mile swimming championship to be held here on July 23.

The season promises to be a great success this year and several gentlemen have offered to award cups to the winners in the various classes. Mr. Merrill, the rear-commodore, is to be congratulated upon the interest he has awakened in the sport and for the fine schedule he has arranged.

The New York Swimming Association has promised to be represented on July 9 with their full team which includes all the crowned world-champions of the Olympic games.

Mr. Durbin, who is on the Board of Governors of the Middle Atlantic Amateur Athletic Association, was put on the swimming publicity, and record committees, at the May meeting.

At the last meeting of the Riverton Yacht Club Mrs. C. B. Durbin was made chairman of the entertainment committee, and a vote of thanks and appreciation extended to her and Mrs. Merrill for their work in behalf of the club.

Former Commodore Harry H. Watkins, Jr., has donated a handsome silver cup to be raced for by the sixteen-footers in a series of six to eight races.

soon to have free mail delivery. Cinnaminson and Garfield avenues will probably be two of the main business streets and offer a good place for stores, for enterprising business men. The value of the roads will be increased because all highways much used have to be kept in good condition.

A prospective bus line between Moorestown and the surrounding towns, to Palmyra will probably be a success because there are no trolley lines between these towns.

Everything considered, I think the ferry will be a great advantage to all concerned and offers a great deal of business propositions for business men. It will not be a detriment in any way and can be nothing else but a success.

Explosion Kills Thomas J. Garrity Thomas J. Garrity, superintendent of the Bituco chemical plant in West Palmyra, and until recently a resident of the town, died early Tuesday morning as the result of injuries received the day before.

Mr. Garrity and two workmen were preparing to paint the inside of a tank at the warehouse of the Curtis Publishing Company, at Eleventh street and Washington avenue, Philadelphia. While they were burning off the old paint with a gasoline torch there was a violent explosion. All the men were badly injured, one being blown out of the tank.

Mr. Garrity was forty-five years old and was a veteran of the Spanish-American war. His death is the second tragedy this year in the life of his family, who now reside at 2203 South Twenty-third street, Philadelphia. A few months ago, a six-year-old son obtained his father's revolver and started playing cowboy, movie fashion. The lad turned the gun on himself and pulled the trigger with fatal results.

If he had gone to Philadelphia and then up to Tacny he would not have had time to get to Trenton to transact his business. He gave me one dollar for taking him across and since then my brother and I have taken many people across the river.

The farmers will have a much shorter route to their markets and pleasure seekers will have a short cut to the river and there and coming up on the other side they can save several hours by crossing at Palmyra.

Last summer for instance, a man had to go to Tacny to make a contract for his company and from there to Trenton before twelve o'clock noon. He was down at the river bank and asked me if I knew anyone who would take him over. I told him I could and so I got my canoe out and took him over and back in a very short time, so that he had plenty of time to get to Trenton.

## STATE INCOME TAX IS INEVITABLE

J. P. Durland Tells Manufacturers' Association Realty Bears Too Heavy Burden.

### SEA GIRT CAMP PLANS

Jersey to Guard Well Confiscated Liquors—Law Requires All Seized Stuff Sent to Department of Health for Institutions.

Trenton.—John P. Durland, for fifteen years member of the Trenton Tax Board, declared that, in his judgment, real estate was bearing an undue burden of taxation, which is leading to the discouragement of home owning by the wage earner of moderate income. In an address before the seventh annual convention of the Manufacturers' Association of New Jersey at Atlantic City, Dr. Durland was former state librarian. "The effect can not be but bad in the matter of home life and social contentment," he commented. He advocated a limit on tax rate on real estate and a thorough revision of the personal tax laws.

Mr. Durland prefaced his talk by pointing out that in 1913 the total amount of money raised by taxation in the United States for nation, state, county and municipal purposes was \$2,000,000,000, or about \$30 per capita. This is only three-fourths of the amount expected to be raised in the next fiscal year for the purposes of the national government alone, as a budget of \$4,000,000,000 is contemplated.

**See Great Tax Advance.**  
The amount of money raised in New Jersey in 1920 for state, county and municipal purposes was over \$130,000,000, so that the per capita tax in New Jersey for nation, state, county and local purposes now is between \$75 and \$80.

He said an income tax, as suggested by last year's state tax investigation commission, is probably inevitable in New Jersey. Mr. Durland spoke strongly in opposition to the single tax theory.

John K. English, of Elizabeth, declared the United States is in a position of supremacy, but she can not rest on her oars. "She must teach her manual as well as her mental workers a lessening of the hours of work per year below a certain limit or shiftlessness in the performance of tasks will result in lowering her position among the nations. Much is heard concerning Americanism, as if this was a matter of birth and not of conduct. I ask you not to despise the foreigner, so called, who upholds our laws and our traditions, but to oppose the disloyal wherever they may have been born."

**Urges Port Boost.**  
Julius Cohen, counsel for the New York and New Jersey Port Development and Harbor Commission, pointed to the need of increasing the facilities of the "Gateway into the New World," destined to become the greatest of all shipping centers in the world, greater than was ever known in history.

The association by resolution expressed its confidence in President J. Philip Bird, who is charged in his position as general manager of the National Association of Manufacturers with being a member of a clique controlling politics in both the parent body and the New Jersey organization. Bird was elected to the presidency for the ninth successive term.

Other officers elected were: Vice-president, John W. Ferguson, of Paterson; treasurer, Harry D. Leavitt, of Trenton; secretary, W. C. Billman, of Trenton; assistant secretary, F. D. Potter, of Trenton. It was announced the new home at Trenton would be dedicated this summer.

**Sea Girt Camp on July 9**  
Plans for the summer encampment of the New Jersey National Guard, approved by Governor Edwards, propose mobilization of an infantry brigade at Sea Girt for the first time since 1917. The encampment will also witness the pitching of tents by the only regiment of cavalry the state has had since the Civil War.

The inquiry being conducted by the Mackay Legislative Probe Committee is not interfering with the plans of Governor Edwards, as commander-in-chief, for Brigadier General Howard S. Borden to assume command of the camp. The general has not yet been extended permanent federal recognition by the Federal Militia Bureau.

Officers of the Third Regiment who turned in their resignations months ago, protesting against General Borden's election, will be compelled to go to camp July 9, as Borden has declined to accept them. It is planned to keep the Third Regiment at Sea Girt until July 23. The Sixth Infantry will come to Camp Edwards July 16. A week after the Third arrives, and will remain until July 30. This arrangement will result in both regiments being in camp from July 16 to July 23. The cavalry will be in camp from July 30 to August 13.

Trenton Guardsmen are members of Company H, a unit of the Third Regiment, and will go into camp July 9 to 23, when the regiment has been assigned for training.

Activities scheduled to take place during the summer consist of a school of musketry, June 2 to 7 inclusive; camp of instruction for officers, non-commissioned officers and privates of infantry, cavalry, engineers, signal corps and medical corps, June 7 to 11 inclusive, at Camp Edwards, and a similar camp of instruction for field artillery at Montauk Point, Long Island, June 19 to 25 inclusive.

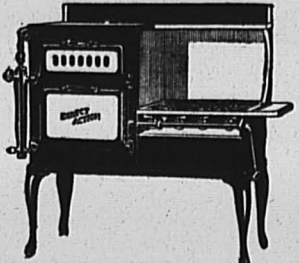

Brigadier General Bird W. Spencer, inspector general of rifle practice, will be in command of the school of musketry, which will have for its object the training of rifle instructors and coaches of companies on the range later in the summer. The camp of instruction for officers and enlisted men will be in command of General Borden.

## If You're Planning a New Home—

or renovating your old one, be sure that every room is piped for gas. A home furnished throughout with modern gas appliances means:

Hot water steaming from every faucet.  
Cheerful glowing "open fires" in every room.  
A handy Vincent Wall Burner in nursery or bathroom for preparing baby's food or for sickroom emergencies.  
Attractive and reliable lighting fixtures.  
All these conveniences, besides:  
An up-to-date all-gas kitchen, equipped with labor-saving gas appliances.

**A BOON TO HOUSEKEEPERS** is this Direct Action Range, equipped with the Lorain Oven Heat Regulator. This device saves gas, improves baking and cooking by preserving a uniformity of temperature. Prepares entire meals without watching. Equipped with push button top burner lighter. Prices:  
On easy payments \$110.86  
Cash \$105.32

**A "SHIVERY" BATHROOM** doesn't appeal to anybody. Place a handy, inconspicuous, Reznor Wall Heater in your bathroom and you'll have comfort the year 'round. This splendid heater takes up practically no space, needs no special fireproofing and gives a maximum of instantaneous heat. Let us install a Reznor Wall Bathroom Heater for you. Prices:  
Nickel \$15.50  
Enamel \$25.00

We have high grade gas cookers from \$37.50 up. Cabinet gas ranges begin at \$65.83 cash. Our ranges are made of finest material and equipped with every modern device. Prices include installation by expert fitters.

## This Electric Iron Can Do a Big Day's Work

Home-keeping, business or professional woman, you need this 1921 Utility Electric Iron. Its element is cement embedded, so that it retains heat unusually long. You can iron for long periods with current shut off entirely.

Its smooth, polished ironing area presses heavy materials with ease. Its "nose" makes scallops and laces like new. It's a handsome, all nickel-plated iron.

Madame Housekeeper, connect the Utility in the coolest corner of your home and iron in comfort this summer.

Business and Professional Woman, iron your own fine blouses and lingerie with the Utility. They'll last longer.

Compare the price with other high grade irons.

**\$5.95**

It doesn't pay to "adventure" in buying gas or electric appliances. It's wise to buy where the service of such appliances is guaranteed. Merchandise bought from us has qualified under our rigid tests in material, construction, finish and performance.

Safeguard Yourself, Buy Public Service Tested Appliances

**PUBLIC SERVICE**

as brigade commander.

Camps of this sort have been held in this state for a number of years, and is one of the foremost educational activities authorized by the War Department for the administrative and tactical training of officers and non-commissioned officers, and is principally responsible for the great increase in the efficiency of the National Guard in recent years.

The field artillery will encamp at Montauk Point, Long Island, July 24 to August 7. The engineers will encamp with the Twenty-second New York Engineers at Peekskill, August 21 to September 4. It is planned to train all the Regular and National Guard Field Artillery in the Second Corps Area at Montauk Point this year, where there are facilities for the field instruction and firing not available elsewhere in the corps area.

**Jersey's Confiscated Liquors**

One of the features of the far-reaching prohibition enforcement law which is beginning to fill the jails of New Jersey will be the distribution of seized liquor to the state institutions under the direction of the Department of Health. Naturally the unfortunate wards of some of the charitable institutions will probably desire to enter protest to testing some of the fearful and wonderful stuff masquerading as whisky, but they will be relieved of that trying ordeal.

Under Section 82 of the enforcement measure the department is assigned the task of analyzing such confiscated liquor as may be designated by a magistrate for possible use for medicinal purposes in the institutions or hospitals. The department is also required to assume the responsibility for the storage of this liquor and must account for its safety. The department has designated Dr. R. B. Fitz-Randolph of Trenton as custodian of liquor held for medicinal use, and Dr. Jacob C. Price, director of the department, has been instructed to draft regulations to govern its use.

This additional work will necessitate a considerable increase in the working force of the state laboratory and additional equipment will be required. Dr. Fitz-Randolph, who is the assistant director of the department, has been authorized by the board to employ whatever assistance he may require and to adopt whatever measures may be considered necessary to prevent confiscated liquor from falling into possession of unauthorized persons.

It is said that soon after the law was enacted the department received numerous applications from citizens in

all parts of the state who appeared perfectly willing to make the required tests, but the applications have been turned down.

The department will not allow any liberal interpretations of the act, but will guard the stocks night and day, giving out no information as to the storage places. When the tidal flow begins, it is feared, there will be heavy pressure upon Governor Edwards for appointments to the state health boards, but the members declare with emphasis that there will be no official leakage.

**Probers Over Allowance.**

An itemized account of the expenses incurred by the legislative investigating committee, whose activities have been brought to a summary close through exhaustion of its funds, was filed with State Comptroller Bugbee and shows a deficit of \$3,435.53. The joint resolution adopted by the Legislature provides an appropriation of \$10,000. Its expenses up to date, however, amount to \$13,435.53 and may go even higher. The 1922 Legislature will be called upon to meet the deficit.

Senator Mackay, of Bergen, chairman of the committee, placed the responsibility for the inability to complete its task, especially in the administration of the National Guard, upon Governor Edwards, who disapproved an additional appropriation of \$15,000.

The preliminary report of the committee's findings, made public Saturday, bears the signatures of two members, Chairman Mackay and Speaker Hobart, of the Assembly. The signature of Assemblyman T. Harry Rowland, of Camden, had been crudely eliminated through the use of an eraser.

**Dr. Snyder Declines Post.**

Dr. Henry Snyder, superintendent of schools of Jersey City, who was appointed by Governor Edwards and confirmed by the Senate as state commissioner of education, has decided to decline the position, it was learned. Dr. Snyder was selected to succeed Dr. Calvin N. Kendall of Princeton, who resigned because of ill health. His resignation was to take effect June 30 next.

It is believed that Dr. A. B. Meredith, commissioner of education of Connecticut, will be one of those most seriously considered as head of New Jersey's schools. Dr. Meredith was for a number of years assistant commissioner of education of New Jersey and was in charge of elementary schools.

## BOY SCOUTS

(Conducted by National Council of the Boy Scouts of America.)

### VETERAN SCOUTS ORGANIZING

Countrywide interest is being aroused in the effort to register all boy scouts and scout workers, eligible for membership, in the Veteran Scout association. This is a new development which promises to be of great significance in scouting. Membership in this association is open to all first-class scouts and to all scout officials of a total of five years' service. Heretofore the organization of this association has been rather loose, but of late there has been a movement, which is now rapidly spreading, to organize the veteran scouts of each city into a corps. It is estimated that nearly 50,000 men and older boys are eligible.

The Veteran Scout Corps of Philadelphia is now, perhaps, the most fully developed of any. Horace P. Kern, assistant scout executive, describes it in part as follows:

"The local members of the Veteran Scout association have organized themselves into a corps which holds regular sessions twice a year. At each of these sessions some entertainment feature is provided, or a program of reminiscence besides these regular sessions. An interesting feature of the organization of the corps is the class plan by which are listed in the same group all who became veterans the same year; for instance, we have the classes of 1915, 1916, etc. Each one of these classes is organized with a chairman, and has agreed to undertake some service to scouting in general. The corps, as a whole, has offered its service to aid new scoutmasters or to act temporarily for scoutmasters who may be called away from their troops."

Many other councils have organized, or are planning to do so, along these lines. This gives a national plan for organizing which will retain the interest of the older boys. This is something the need for which has long been felt and which promises to do much to strengthen the effectiveness of scouting. Plans are now being considered for the standardization of the local veteran scout corps, and for their definite registration at the national scout office.

### MR. HARDING ENDORSES SCOUTS

President-elect Warren G. Harding in a letter addressed to Lieut. Col. Theodore Roosevelt, member of the executive board of the Boy Scouts of America, gives his enthusiastic endorsement of the boy scout movement and expresses the wish that every boy in America might be in the organization. This is Mr. Harding's letter:

"I am with the scout movement heart and soul. It is an organization teaching of spirit of service and honor which we must always have in our citizenship. It is a school of our democracy because in it standing is won only by taking the equal opportunity given all individuals to show their own merit, capacity and worth. I wish every boy in our America could have the advantage and the honor of being in the boy scout organization and of learning therein that co-operation, justice, the customs of fair play and the gentleness of good manner, make for peace and growth as distinguished from the results of disorganization and selfishness and cowardice which lead to contentions and conflict."

When Mr. Harding enters the White House he will automatically become honorary president of the Boy Scouts of America, as has each president since the organization. Retiring presidents become honorary vice presidents of the boy scouts. In addition to being an honorary vice president, President Roosevelt was chief scout citizen at the time of his death.

### Annual Water Rates of the Riverton and Palmyra Water Company

All persons wishing to connect with the public water supply, may do so by applying for contract and filing it with the Company at the office, 522 Main street.

**RATES**  
%-in., including 10,000 gal., \$3 per quarter

## Many Cities Recognize That to Have Service The Cost Must Be Met

The necessity for increasing fares in order to produce enough income to meet expenses is not peculiar to Public Service Railway Company.

There are 112 municipalities whose residents are now paying a higher fare than is charged on Public Service lines.

Twenty-one of these are paying flat ten-cent fares.

Thirty-one are paying ten-cent cash fares with various other rates when tickets are purchased.

In seven, fares are collected by areas, bringing the average cost per passenger above the Public Service rate.

Brooklyn Borough is an example of the latter class of cities. Owing to the breaking up of the Brooklyn system because low fares forced the company into bankruptcy, the former fare of five cents now applies in the limits of the original city only, and riders going beyond these limits pay five, ten or even fifteen cents additional.

Chicago, on its elevated lines; Seattle, where the street railway is owned and operated by the city; Boston and Pittsburgh are among the larger cities where ten-cent cash fares prevail.

These various cities pay the higher rate of fare primarily to preserve their street railway service, without which they can not prosper. It is to preserve and improve service HERE that we are seeking a rate that will cover the cost.

(© 1921, Western Newspaper Union.)

## LESSON FOR MAY 22

THE CHRISTIAN VIEW OF THE FAMILY.

LESSON TEXT—Luke 10:38-42; 3:31, 33; 11 Tim. 3:14, 15.

GOLDEN TEXT—Children, obey your parents in the Lord: for this is the Lord's commandment, that ye love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind; and ye love your neighbor as yourselves. (Col. 3:14, 15.)  
REFERENCE MATERIAL—Col. 3:14, 15; 11 Tim. 3:14, 15; Tit. 2:1-4.  
PRIMARY TOPIC—Helping to Make Home Happy.  
JUNIOR TOPIC—Making Home Happy.  
INTERMEDIATE AND SENIOR TOPIC—Being a Christian at Home.  
YOUNG PEOPLE AND ADULT TOPIC—The Christian Ideal of Family Life.

The Lesson Committee has made an infelicitous choice of title for this lesson. The teacher would better ignore it and give himself to the explanation of the passages of Scripture selected, as they are of immense importance.

1. The Behavior of Martha and Mary When Jesus Was in the Home (Luke 10:38-42).

The attitude of Martha and Mary toward Jesus was the same; they both loved Him sincerely. 1. Jesus welcomed into Martha's home (v. 38). Though Jesus had no home of His own, into this home He could come at any time and throw off the restraints incident to a public ministry. How pleasant it is to enter a home where one can feel "at home"! In Martha's home Jesus was welcomed for what He was, not for what He might appear to be. This home was His special retreat in the last days of His life on earth.

2. Mary sitting at Jesus' feet (v. 39). Though this was Martha's home, her sister Mary lived with her. Mary had a peculiar spiritual insight which prompted her to sit at Jesus' feet and listen to His words. The real place to hear Jesus' word is at His feet. Let no one imagine that Mary did not render any service. The little word "also" implies that she had taken her turn at service.

3. Martha's complaint (v. 40). She was desirous of preparing the very best possible meal for Jesus because she loved Him. She was mistaken as to what pleased Jesus. He much prefers the love which concerns itself with Him than for His. Because of her failure to perceive this she was "cumbered about much serving." Her serving got on her nerves; she became distracted. In her distraction she not only found fault with Mary, but even censured Jesus for allowing Mary to sit at His feet while the dinner was not finished. In order to serve Jesus without distraction one must first sit at His feet and listen to His words. This gives personal peace.

4. Jesus' reply (vv. 41, 42). (1) He rebuked Martha, telling her that she was careful and troubled about many things. Those who are concerned with the Master are anxious for nothing (Phil. 4:6). The one thing needful for every life is to sit at Jesus' feet. The time to choose this place is in the day of sunshine. (2) He commends Mary. "Mary hath chosen that good part which shall not be taken away." Those who choose this good part cannot be robbed of it by circumstances, friends, or foes.

11. Jesus, the Obedient Son (Luke 2:51, 52).

Although Jesus was conscious of His deity and divine mission. He rendered due obedience as a faithful son. Since He was known as the carpenter's son (Matt. 13:55), and the carpenter (Mark 6:3), it is reasonable to suppose that He assisted Joseph in his work as a carpenter, and after Joseph's death He, as the eldest son of the family, continued with the trade to support the family. Indeed, tradition has it that soon after they found Him in the temple at the age of twelve, Joseph died leaving the care of the family upon Him. The obedient child is really about his father's business when running errands for mother in loving obedience to her request.

111. Timothy's Home Training (II Tim. 3:14, 15).

This is a picture of a real Christian home. From a child, that is, a babe, Timothy was taught the Holy Scriptures (v. 15). This teaching was not done in the Sunday school, but in the home of his mother (II Tim. 1:5). The Sunday school can never take the place of home teaching. Timothy had a godly ancestry. His mother had the good sense to fill his mind with the word of God before it became pre-occupied with other things. The reason this is so important is because the Scriptures are God-breathed, and able to make one wise. The wisdom which is obtained from the Scriptures leads to Christ, the only Savior, in whom alone is salvation (Acts 4:12).

## Those Without Fault.

And I looked, and lo, a Lamb stood on the Mount Zion, and with him an hundred and forty and four thousand, having the Father's name written in their foreheads. And in their mouths was found no guile: for they are without fault before the throne of God.—Revelation 14:1, 5.

## Peace.

Thou wilt keep him in perfect peace, whose mind is stayed on Thee; because he trusteth in Thee.—Isaiah 26:3.

## THE NEW ERA

Published every Friday at  
RIVERTON, N. J.

WALTER L. BOWEN  
Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper.

Subscription \$1.50 a year  
in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices

### LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioners, Sheriffs and other Sales, Administrators and Executors' Notices, as well as all other Legal Advertisements are solicited. The New Era will appreciate being remembered in this connection.

### Notice

All readers or local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, or for which admission is charged, will be charged for at the rate of fifteen cents a line.

## AN APPEAL

During the past four weeks I have received three subscriptions for the China Famine Fund.

You, like many others, have doubtless intended to give something, but have put it off.

While you delay, the one your money would help to starve is probably dying for want of the aid you did not send.

Will you do it now, before you forget it again?

It is vitally important—more important than we can readily realize in this land of comparative plenty and comfort.

I am forwarding all remittances as soon as received, so that the relief may be instantly available.

Another check will be sent on Monday, May 23, if the money comes in.

Will you send your contribution by that time?

WALTER L. BOWEN,  
Editor.

### An Appeal to Organizations and Clergymen

In order that the widespread sentiment for an International Conference on Disarmament may be focused upon President Harding and Congress, the women of the United States are being called upon to express themselves during the last week of May, to be known as Disarmament Week.

Will you and your fellow workers ask every meeting of women during the last week of May to adopt resolutions urging President Harding to take the leadership in calling a conference of nations on reduction of armaments.

Not only should the support of existing organizations be enlisted, but mass meetings should be held, and women should be urged to write personal letters to their Congressional representatives and to the president.

It is well known that members of Congress wish to keep in touch with their constituents and to know their desires. Ministers of the Gospel should be asked to preach sermons on May 29th, and to devote their mid-week prayer meetings to the thought of world peace.

Be sure to give the widest publicity to these plans, as it will help crystallize opinion.

This is an emergency. Upon our willingness to meet it to the best of our vision and ability may depend the economic and moral salvation of our own country and of the civilization of the world. The women of other lands look to us to help stay the tide of militarism and world bankruptcy. In one united effort, we can make the voice of women heard.

(Signed) HELEN LIPPINCOTT,  
Second Regional Director,  
League of Women Voters.

The following is suggested as the proper form to be used in addressing the President:

To His Excellency Warren G. Harding,  
President of the United States,  
Washington, D. C.

### New Officers of P. T. A.

The last meeting of the fiscal year of the Riverton Parent-Teacher Association was held yesterday afternoon. The meeting was devoted entirely to business, final reports, adoption of by-laws and a social hour.

The following officers were elected: president Mrs. L. E. Carpenter; first vice president, Miss Hannah H. Chew; second vice president, Mrs. Walter K. Merrill; treasurer, Mrs. S. L. Warren.

**Keating Asks \$10,000 for False Arrest**  
Francis J. Keating has entered suit against the Haddonfield National Bank and Chief of Police Baxter, of that town, for \$10,000 for false arrest in connection with an incident that occurred on April 4. Keating charges that he was forcibly detained for several hours by Chief Baxter after the cashier of the bank had caused his arrest and that of another man on suspicion of attempting to rob the bank. Keating had driven his car to the bank with a colored passenger who desired to make a deposit. The action of the man, who claimed he could not write, excited the suspicion of the bank officials.

Keating and his passenger were exonerated after they had been kept in jail several hours. Keating, by so doing, as he was arrested, gave names of prominent men in Burlington county and asked the police authorities to call them on the telephone to identify him, but there seemed to be an unnecessary delay in doing so.

J. Beck Tyler has been retained as Keating's counsel.

## WEEKLY NEWS BUDGET for Riverton and Vicinity

### Buy It at Home!

Mr. and Mrs. H. R. Reiger entertained at cards last night.

Mrs. Morris Davis, of Bridgeton, is spending the week with Mrs. P. A. Houghtaling.

Miss Boulton, who has been spending a week in Atlantic City, has returned home.

Wesley Lloyd is in the West Jersey hospital where he has undergone a serious operation.

Mrs. Clarence Jones and daughter, Peggy, spent several days last week with her parents in Egg Harbor.

Mrs. J. Lawrence Lippincott, who has had a slight attack of "sleeping sickness," is somewhat improved.

Franklin A. Taylor, of Providence, R. I., has returned home after spending several weeks in Riverton with friends.

Mrs. Henry Ashburner sprained her ankle when she fell from a step Monday, and was confined to her bed for several days.

G. Fred Smith has purchased one of the Thomas lots on Linden avenue below Fourth, and Charles Cole the one adjoining.

See Pennell Cooper for geraniums and plants. Large assortment. Pencil Flower Gardens, 738 Cinnaminson avenue, Palmyra. —adv.

Franklin D'Olier and family moved to Ardmore yesterday, where they will reside until their new home at Wynnewood is finished.

Mr. and Mrs. James S. Coale, Misses Anna and C. S. Coale and Misses Martha and Elsie Biddle motored to Buck Hill Falls yesterday.

About \$100 was cleared at the rummage sale last Friday and Saturday, under the auspices of the Golden Hour Circle of the Presbyterian Church.

John Carhart opened his new garage on the rear of Compton's store property on Monday, and is now ready to do all kinds of automobile repairing. —adv.

A number of people from Palmyra and Riverton attended Combs' Broad Street Conservatory commencement exercises at the Bellevue-Stratford on Wednesday evening.

Mrs. George Steptoe Washington gave a tea Monday afternoon in honor of Miss Christine Washington, of Charles Town, W. Va., who has been visiting her this week. Miss Washington has been extensively entertained.

It has been learned that it will be impossible to place "Box & Cox" on the stage at the Parish House before fall. This side-splitting farce is presented by college boys, who are now busy with their "finals." The dance next Tuesday evening will be the last for this season.

There will be a card party in the porch Club on Tuesday, May 24th, for benefit of the Library. Those wishing to make up tables or take part otherwise will please notify Mrs. George S. Washington or Mrs. Charles L. Flanagan before Monday, May 23. Admission 50c. —adv.

It has been claimed that the "booster pump" recently installed by the Water Company at considerable expense in order to give higher water pressure at the high points in the system, is not as successful as has been claimed. Why not put the matter to a test, and have an exhibition of the water pressure at the high points, for instance? We understand the Water Company is willing and anxious to have such a test made by putting a fire hose on a hydrant and see just what kind of a stream can be developed?

Councilman Harry E. Davis, his wife and daughter, Miss Flora, had a narrow escape from drowning last Sunday evening when their canoe upset. They were paddling near the line where the sailing craft are anchored when the accident happened.

Fortunately they were near one of the boats which supported them until P. W. Robertson, who saw the mishap from his boat nearby, reached them in his tender and took them ashore. William Robinson and R. W. Knickerbocker came out from the pier to their assistance.

President Harding's executive order affecting the eligibility and appointment of postmasters, was promulgated last week. Instead of continuing first, second and third class postmasters in the classified service, where they were placed by an order issued by President Wilson mid-way in his first term, President Harding has decreed that postmasters shall be appointed from among the first three on the eligible list after examination and recommendation by the Federal Civil Service Commission.

Parents are asked to discourage their children from playing ball with balls on the streets and sidewalks, as they are in great danger of being run down by automobiles. It is almost inevitable that the ball will roll into the street, and the children, intent only on its recovery, will rush out in front of approaching cars.

On Wednesday, Miss Krause, the visiting nurse, narrowly escaped running down a child on Linden avenue. The youngster was playing with a ball which rolled into the street just as her car approached. The child was utterly unconscious of her approach and continued to follow the ball which rolled in the direction Miss Krause was turning her car in an attempt to avoid striking the child.

She ran up over the curb and on the sidewalk, and still the boy kept running in front of the car, which was within a few inches of him when Miss Krause brought it to a stop.

**Decoration Day at Moorestown Field Club**  
A hot supper will be served at the Moorestown Field Club on Decoration Day from 5 until 6.30. Price \$1.00. Children's supper: sandwiches, milk, ice cream, cake, 50c.

Entertainment 6.45 p.m. at the 8th Hole. Admission 25c.

If stormy, entire program will be cancelled. Put at Odd Fellows' Hall, Main street. —adv.

**Golf Activities at the Country Club**

Last Saturday the first match for the president's cup was played at the Country Club. This cup is played for five times, the two best scores winning. The next matches will be played June 25 and September 5.

On Saturday there were forty-five entries. The best net score was made by Lee Hulet, 68. Keating, by H. N. Sheble, 71. The following were tied with a score of 74 for third place: William C. Stevens, Edwin S. Parry, Edgar Lippincott, Jr., S. R. Coale and J. F. Graff.

Next Saturday the Springhaven Country Club will come to Riverton with thirty players to play a match with the Riverton Club.

## THE LIBRARY SITUATION

Association Faced Financial Crisis.  
Prompt Action of Young Women  
Afforded Temporary Relief

At the annual meeting of the Riverton Free Library Association last Monday night, the president, Robert Biddle, set forth the financial difficulties which had beset the Association during the past year, and said that if the Library is to continue to function properly and efficiently it will be necessary to provide some more stable means of financing it than has existed in the past.

He pointed out that a week previous to the date of the annual meeting the Board of Trustees was faced by a threatened deficit of nearly \$200 with which to close the year.

A number of young ladies, realizing the seriousness of the situation, came to the rescue at the last minute with a "cash-market" sale Friday morning, which netted \$93.73, which, together with liberal contributions by a few interested friends of the Library saved the day and enabled the treasurer to report a balance of 75 cents with which to start a new fiscal year.

A vote of thanks was extended to Mrs. Robert Biddle and her daughters Misses Mary and Helen, and to the young ladies who so ably assisted them in the successful conduct of the "market."

A resolution was passed that an auxiliary of young men and women be selected to co-operate with the Board of Trustees, and the matter was placed in the hands of Miss Marie Marcy to select suitable candidates to be presented to the Board for approval.

It does not seem right and fitting that an institution of such value to a community as the Riverton Free Library has been to Riverton and Palmyra, should be permitted to rest on such a precarious financial footing.

The library is in a large way. Over 22,000 books were taken out last year—an increase of 3500 over the year before.

While the Library is, and is meant to be in the truest sense a "free" library, everybody knows that it takes (continued on third page)

**Porch Club Charter Luncheon**  
On Tuesday, the Porch Club had its charter luncheon, which is held at the end of the club year. Seventy-four members were present. Mrs. Boyer greeted them and told of the State Federation's meetings in Atlantic City, of how Mrs. Collin was the only woman on the State program. Mrs. Collin sang two solos before the luncheon.

The speaker of the day was Mrs. Edwin C. Grice, the first president of the Porch Club. He told in her charming, forceful manner of the starting of the Federation, at a meeting called together by the "Century Club of Philadelphia," and of how that Federation has grown and of the way women are working together.

Mrs. Grice gave a strong plea for disarmament week, and asked that everyone of the club members would work for it, and write President Harding in its behalf.

The entertainment committee deserves great credit for their work in making the luncheon such a success.

**DEATHS**  
Mrs. Reginald Woolston, aged 53, of Hibernia, Fla., mother of Mrs. H. C. Biddle, Jr., of St. David's, Pa., formerly of Riverton, died in Jacksonville, Florida, Tuesday morning.

Interment was made at Hibernia, Florida, on Thursday.

Mrs. Woolston is survived by three daughters, Mrs. Austin of Hartford, Conn., Miss Augusta of Philadelphia, Pa., and Mrs. H. C. Biddle, Jr., of St. David's, and one son, Frederick Fleming, of Denver, Colorado.

**Burlington County Hospital Nearly Half Century Old**

It may be news to some of our readers to learn that the Burlington County Hospital, at Mount Holly, is forty-one years old this year. From a very small beginning it has grown slowly but steadily. Last year over twelve hundred patients were treated.

The financial support is derived from about \$2000 a year income from an endowment fund, and by voluntary contributions. There have been very few large subscriptions, very large portion of the money being raised by the contributions of many small subscribers. The yearly budget is about \$40,000.

In the latter part of 1920 it was decided to make a change in the form of management by increasing the size of the Board of Directors. The Riverton members of this Council are James S. Coale, J. Carl DeLaCour and Oliver C. Willis. The Ladies' Board of Managers, which had virtually run the hospital for years in a most capable manner, was retained.

Mrs. James S. Coale and Miss Helen Elsie Biddle, of Riverton, were recently made members of the Ladies' Board.

There have been a number of changes in the personnel of the hospital, and the management has been very fortunate in securing and having at the present time at the head of each department persons who have had both careful training and long experience in working in modern hospitals.

Burlington county has a population of about 82,000, and with the Camden hospitals becoming more and more crowded, it is imperative that our county should have adequate hospital facilities to take care of its own residents.

The Board of Council desires that all the residents of the county become acquainted with and interested in the hospital, and the public is invited to visit the institution, which is located on Madison avenue, in Mount Holly.

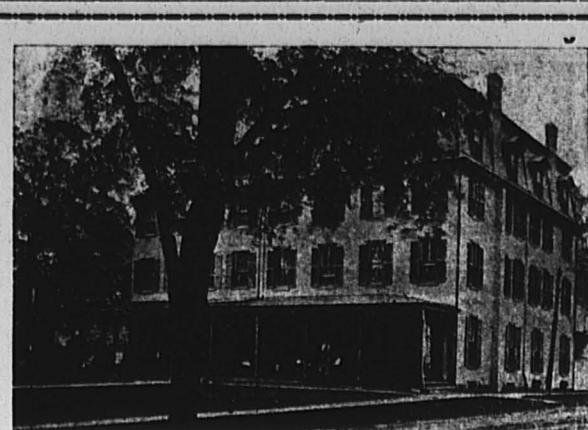

**Field Day**  
We'll say Riverton is some school! You would agree with us, too, if you came on our Field Day. What? When? Where? It happened thus: Last Friday, beginning at two o'clock in the afternoon, Riverton grammar school celebrated their Field Day. At the appointed time, the spectators saw the pupils march out of the building and form in ranks on the school grounds. The girls were dressed in white middieys with blue and yellow ties (the school colors) and made a very pleasing picture.

"America" was the opening song, followed by the flag salute. Then Miss Walker led the school in some rousing yells and songs, which won delighted applause from the listeners.

After this, the kindergarten, first and second grades performed little dances, which were highly praised.

The fourth grade had a very exciting potato race, which ended in a tie.

AMUSEMENT BOOTHS—Three Real Fortune Tellers. Y. W. C. A. Booth.

**Cafeteria Supper Served from 5 to 7**

(Prepared and Served by the Women of the Community)

7 P. M.—Gavotte, presented by the children of the Public School.

### Share the Garments You Can Spare

On the evening of May 16th, the church school of Christ Church (Episcopal) organized to act in response to the appeal for clothing, made by the New Jersey State Near East Relief, of which Ex-Governor William N. Runyon is the State chairman.

It was decided that Saturday, June 4, 1921, shall be "bundle day." On that day it is hoped that the citizens of Riverton, irrespective of any or all equations, will assemble all clothing not needed, or about to be discarded, into a package or bundle, and send same to the parish house, Fourth and Howard streets, or if this is not convenient, notify anyone of the members of the committee, whose names appear below, and the bundle will be called for.

This is a State-wide campaign; let's put Riverton on the map in this worthy cause. For the sake of our AMERICAN IDEALS, LET US SHARE THE GARMENTS WE CAN SPARE.

The kind of clothing needed—Coats, dresses, sweaters, blankets, petticoats, overcoats, wool shirts, heavy hose, heavy wrappers, woolen gloves and mittens, boots, shoes, felt slippers, shopworn garments, children's clothes of every sort, sheets for bandages.

Do not need—Laces, silks, veils, clippings, evening dresses, satin slippers, muslin underwear, high leaved shoes, straw or frame hats.

The committee is composed of the following: Mrs. W. R. Hoffman, Miss May Slim, Miss Helen Wood, Mrs. George W. Smith, Mrs. E. A. Downing, Miss Edith Smith, Mrs. John H. Reese, Miss Ernestine Stewart, Mrs. W. W. Keen, Mrs. George E. Smith, Miss Helen White, Mr. George W. Smith, Jr., and Mr. H. E. Moyer.

Owners of automobiles will greatly facilitate collection of bundles by putting their machines at disposal of "ingathering committee."

**Schleisstown Wallpops Fairview**  
Saturday afternoon the Schleisstown ball team journeyed to Fairview and defeated the strong team of that place, by the score of 9-1. Hercher, the former Riverton star, is on his pitching staff. Denneler, himself, is fast developing into a regular Babe Ruth, having three hits in last Saturday's game. The infield is made up of young blood, and with Frankie Jessup to coach them, should be in good shape in a few weeks. Manager Dick Steele, of the Riverton Reds, issued a challenge to the Schleisstown team several weeks ago, but has been ignored. It seems as though they are afraid to meet Dick's boys on the diamond. —A FAN.

**EXECUTOR'S NOTICE**  
Estate of George K. Clark  
Notice is hereby given that an order has been made by the Surrogate of the County of Burlington, bearing date the 18th day of May, 1921, upon application of the subscriber, Executor, requiring the creditors of George K. Clark, deceased, to file their claims against the estate of said deceased, under oath or affirmation on or before the 18th day of November, 1921, or they will be barred of any action therefor against said Executor.

Mrs. Eva Braddock spent the week-end in Medford.

Sol. Romm attended the convention of Brith Abraham in Atlantic City this week.

Mr. and Mrs. Augustus Feldman, of Vine street, are receiving congratulations upon the birth of a son.

Mrs. Roland Price, of Highland avenue, entertained the Chu Chin Chow at luncheon on Thursday.

The cow that jumped over the moon is coming back to earth. Milk dropped three cents a quart this week.

Mrs. William Jenkins entertained the Lady Eagles at a Victrola party at her home on Elm avenue Tuesday.

Mrs. Henry N. Baugh will continue the business formerly conducted by her late husband. See advertisement in this issue.

When climbing a pear tree on Saturday, Archibald Develin, Jr., of Fifth and Cinnaminson streets, fell and broke his arm.

Mrs. Marvin A. Tyler, of Washington, D. C., was a weekend guest of Mr. and Mrs. B. S. Torbett, of 828 Morgan avenue.

Mr. and Mrs. I. H. Abdill and Mrs. E. L. Durrin will be Annapolis visitors during the Naval Academy's graduation week.

The work of improving the township plot about the flagpole was started this week under the direction of Overseer Land.

It is understood there will be a large number of guests lodged with it sits at the firehouse next Tuesday morning.

Mrs. Joseph Richards, Mrs. James MacFarlane and Mrs. Adolph Hirsch are attending the Red Cross convention at the Hotel Traymore, Atlantic City, today.

Bankers of Burlington county met Thursday evening at the office of the Riverside Trust Company to perfect the organization of the recently formed county association.

Mrs. Lila W. Thompson, of New Egypt, is candidate for State Senate from Ocean county. Her platform is the application of the principles of household economics to public affairs.

Time moves quickly, and so does the development of Morgan Heights, and this development has already rounded into one of the most delightful places of residence in the county.

Friends and business associates of Walter E. Smith will be interested to note in his advertisement in this issue that he intends to remain in Palmyra and open and conduct a drug store of his own.

Mr. and Mrs. John Anderson and children, of Delaware avenue, motored to Chester Monday to attend a family dinner party. Guests were also present from Wilmington and Harrington, Del.

Your correspondent notices that Mr. Charles H. Pascoe is grading Columbia avenue between Cleveland avenue and Melrose street in that beautiful part of Palmyra known as Morgan Heights.

The Health Inspector's report at the board's meeting Tuesday night was that there had been in Palmyra in the last month 19 cases of measles, 11 of whooping cough, four of chicken pox and eight of scarlet fever.

\*Mrs. Frank A. Snover, of Stroudsburg, Pa., is spending the week-end with her husband here, preparatory to moving to Palmyra in the near future. Mr. Snover is associated with John E. Morton in the undertaking business.

Mrs. H. R. Rarig, of Riverside, daughter of Mr. and Mrs. George W. Corns, of Lecony, avenue, was one of a delegation of Legion Auxiliary women from South Jersey who called upon Mrs. Harding at the White House Tuesday.

Palmyra will probably have to follow the lead of Philadelphia and Camden if those two cities adopt the daylight saving schedule. With Trenton already in line, the railway and trolley no doubt will change their schedules to conform.

Township Clerk George J. Spencer will be at police headquarters this Saturday afternoon and evening for the purpose of registering dogs. All owners have been notified by the township committee to have their dogs registered according to law.

The regular monthly meeting and thimble party of the Philathea class will be held at the home of Mrs. John Moffitt, Harrison street and Elm Terrace, Thursday afternoon at 2 p.m. Hostesses will be Mrs. R. F. Golden, Mrs. J. M. Gould, Mrs. T. L. Morton, Mrs. A. C. Fry and Mrs. John Moffitt.

Sixty members of the Epworth Methodist Church attended a farewell party at the home of Mr. and Mrs. John Armitage Thursday night. Refreshments were served and a number of musical selections were rendered. Mr. and Mrs. Armitage will leave for the shore about the first of June, and in September will depart for the Pacific coast to make their home in California.

The race for the two places upon the Board of Freeholders is beginning to warm up. In addition to Director Edward T. Haines and Freeholder Fred Lippincott, who are candidates for re-election, Howard Russ, of Beverly township, Charles H. Lane, of Burlington, and Anton Sackard, of Willingboro township, have announced their intention of toeing the scratch when the race started for the Republican nominations.

A big crowd enjoyed the Artisans' Ladies' Night entertainment in P. O. S. of A. hall last Saturday night. The affair consisted of a continuous run of splendid vaudeville acts of the most varied and interesting character. Owing to the growth of the order, which meant a larger crowd than ever before, no dancing or refreshments were scheduled, but additional vaudeville numbers were provided instead. Everybody voted the new plan a huge success.

The Masons of this vicinity had one of the largest delegations from one lodge that appeared at the Washington convention last week, and they aver that Palmyra and Riverton certainly was marked present at the capitol. Among those who attended from the two towns were William H. Bottger, Mr. and Mrs. Joseph T. Evans, Mr. and Mrs. George W. Rogers, Mr. and Mrs. E. B. Day, Mr. and Mrs. W. E. Smith, Mr. and Mrs. John Bellerjeau, and Mrs. Bellerjeau's sister, Mrs. Duffield.

## Additional Riverton News

Continued from second page

triumphant victory for the blues. Following this, was a mass drill by the grammar grades, led by Harold Wood, and Elwood Bradshaw, and done in splendid union. The onlookers were then delightedly surprised by a Maypole dance by thirty girls selected from the seventh and eighth grades. This was very graceful and dainty, and by the number of compliments it received, was evidently a success.

Then the athletic events came—the boys' running broad jump, running high jump, 100-yard dash, relay race, and baseball throw, the girls' 50-yard dash, relay race, broad jump, and standing broad jumping.

All during this time, ice cream, peanuts and candy were on sale by the Parent-Teacher Association.

The program ended with the distribution of the prizes, which were given to the following:

Running broad jump—Alfred Byard first, Russell Miller second, Elwood Wagner third.

Running high jump—Russell Miller first, Elwood Wagner second, Timothy Kelly third.

Baseball throw—John Williams first, John Lochowitz second, James Karins third.

100-yard dash—Harold Wood first, Clement Herbert second, Elwood Wagner third.

Relay team composed of Clement Herbert, Russell Miller, Harold Wood, Russell Rubrecht.

Standing broad jump—Mary Rumble first, Annie Wright second, Dorothy McAlley third.

Baseball throw—Annie Wright first, Anna Lochowitz second, Dorothy Johnson third.

50-yard dash—Mary Rumble first, Anna Lochowitz second, Anna Cieland third.

Credit is due to our teachers for their untiring work, and to the pupils for the interest they've shown. We repeat, Riverton is some school!

FLORA DAVIS.

## The Library Situation

(continued from second page)

money to run it, and if those who use the library contribute in such sums as they can easily afford, the trustees would not be obliged to worry about the financial side of the work.

Many of the present subscribers have been members of the Association from its beginning. The membership fee is \$1.00 a year. During the past few years the cost of maintaining the library has increased more than two-fold, and if those who have been giving \$1.00 would now contribute \$2.00 it would help very materially. The best solution, however, is in larger subscriptions, but in having more subscribers.

That the library is a real and substantial value to the community aside from furnishing a wide variety of high-class fiction, is shown by the fact that during the past year 3224 books other than fiction were taken out as follows:

General Works	308
Philosophy	37
Religion	82
Sociology	683
Plutiny	45
Natural Science	193
Useful Arts	232
Fine Arts	159
Literature	482
History	131
Travel and Description	209
Biography	457

The trustees whose terms expired were re-elected as follows: Miss Bertha C. Robertson, J. Otto Thilow, Mrs. N. Myers Fitter, Robert Biddle, and Henry Ashburner. Miss C. S. Coale was re-elected secretary and Harry F. Shaw treasurer. In the organization of the Board of Trustees which followed the meeting Robert Biddle was re-elected president, and J. Carl DeLaCour vice president.

The Memorial Day exercises this year will be conducted jointly by the American Legion and the P. O. S. of A. The committee of the Legion is Frank A. Mathews, Jr., Lincoln Richter, and Reeves Morgan. The committee of the camp is William L. Fichter, Thomas Ward, A. Newton Stewart, Frank S. Day, A. S. Griffith and Frederick Blackburn.

## Yerkes-Kinkler

A very pretty wedding took place Wednesday evening at 8 o'clock when Miss Eleanor Kinkler and Mr. Raymond Yerkes, of Palmyra, were married at the home of the bride's parents, 1116 Palmer street, Philadelphia. The bride wore a gown of white crepe de chine and carried a shower bouquet of white roses and sweet peas. Miss Florence Foster was bridesmaid and Frank Snow, best man. The ceremony was performed by Rev. C. W. Darrington, of Millville, a brother-in-law of the groom. About fifty guests were present from Palmyra, Philadelphia, Willow Grove and Oreland, Pa.

Mr. and Mrs. Yerkes will reside in their new home, on Delaware avenue, Palmyra.

## Sewer Meeting Tuesday

The public meeting for the discussion of the proposed sewer system will be held next Tuesday evening in the high school auditorium, 8 o'clock under the auspices of the Palmyra Chamber of Commerce.

Representative of the Chamber will make a report of the results of the Chamber's work on the sewer question and there will be speakers on hand to explain the experience of other towns which have recently installed sewer systems.

An attempt will be made to obtain an accurate idea of the attitude of the public toward this important improvement by hearing expressions of individual opinions.

## P. T. A. Elects New Officers

The Palmyra Parent-Teacher Association elected officers for the coming year at its monthly meeting held Tuesday evening.

The new officers are as follows: Mrs. J. H. Abdill, president; Mr. Baxter, first vice president; Miss Mary Egan, second vice president; Mrs. Wilmer Roberts, recording secretary; Miss Hannold, corresponding secretary, and Mrs. J. C. Hoepfner, treasurer.

## Burglars Found Guilty

In the County Court, before Judge Wells, on Monday of this week, William Warren, Joseph Kelly and Joseph Mulhal was found guilty of robbing Birenbaum's store in Palmyra on February 30.

Harry Vanamburg, of Riverside, was found guilty of an attempt to assault Mrs. Pauline Beyer at Riverside on the night of January 26, and was sentenced to serve 8 to 12 years.

The growth of the rainy day fund must take place in fair weather.

## SHORTAGE OF TEACHERS

County Superintendent Kaser Tells Mothers That New Jersey Will Produce Only Half the Number Needed Next Year

In addressing the Spring meeting of the Burlington County Council of the New Jersey Congress of Mothers and Parent-Teacher Associations at Lumberton on Wednesday, County Superintendent of Schools, Louis J. Kaser, said that there would be 750 graduates from the three Normal Schools in the State this year, and that the demand for new teachers would be 1500. He urged as a remedy that teachers' salaries be made more attractive and living conditions pleasant and comfortable.

In speaking of the building plans for schools in the county, Mr. Kaser said that the isome were being remodeled, and some new buildings erected, and unless the building program goes through along the river front there will be over 2000 on part time next year.

Other speakers were LeRoy A. Ramsdell, representing the New York Division of the Red Cross, and William H. Zelley, from the Burlington County Sunday School Association. The meeting was unusually well attended, delegates being present from twenty-six out of the thirty-three associations in the county, which have a combined membership of over 2000. The platform was tastefully decorated with ferns and flowers.

Mrs. H. A. Frantz, of Moorestown, presided.

The Traveling Dental Clinic was reported to be in operation again after a suspension of activities for two years.

The Scholarship Committee reported that arrangements had been completed for the selection of the candidates for the Normal School scholarship offered by the Council, and that the successful contestant would be announced ten days after the last high school closes in June.

Mrs. Frantz, whose term as chairman expired after four years of earnest and most successful service, was presented with a brief bag and flowers as a token of the high esteem in which she is held by the local associations throughout the county.

The election resulted as follows: county chairman, Mrs. Walter L. Bowser, of Riverton; first vice chairman, Mrs. H. A. Frantz, of Moorestown; second vice chairman, Mrs. M. Krupnick, Mount Holly; secretary, Miss Emily C. Conly, of Haverford; treasurer Mrs. Edwin H. Cutler, of Maple Shade.

Those attending from Riverton were Mrs. Harvey E. Stewart, Mrs. Earl E. Carpenter, first vice chairman, Mrs. Paul C. Burr, and Mrs. Walter L. Bowen. They went in Mrs. Stewart's car.

The Palmyra delegation went in Mrs. John C. Hoepfner's car, and in addition to Mrs. Hoepfner were Mrs. A. C. Giberson, Mrs. C. W. Joyce, Mrs. Marcus Shontz, Mrs. L. U. Kerschner, Mrs. Shastey, and Mrs. J. H. Abdill.

## News from Parry

Mr. and Mrs. John Dawson, of Wissahickon, Pa., spent the week-end with their daughter, Mrs. George Dorworth.

Mrs. Mary Buck, who spent the winter at Newark, is back to her home in Parry for a week or ten days.

Cinnaminson observed Wednesday and Thursday as clean-up days.

Raymond Turner, of York, Pa., visited at the home of George Dorworth on Sunday.

The Yapp's Crossing Y. M. C. A. group held its closing meeting of the season last Friday night. Guy Hendry, county Y. M. C. A. secretary, was present to show moving pictures and give a splendid talk. Members of the Moravian Sunday School had been invited to share this treat.

The fifty-eighth anniversary of the organization of the congregation will be observed by the Moravian Church next Sunday, with an anniversary service and 10:30 a.m. and 7:30 p.m. Prof. William N. Schwartz, Ph.D., of Moravian College, Bethlehem, Pa., will speak at both services; Prof. C. E. Clewell, at the love-feast. The choir will render special anthems.

## P. O. S. of A. Celebration

Camp 23, P. O. S. of A., celebrated its twenty-eighth anniversary in rousing fashion last Monday evening.

The lodge room was packed with members who watched the initiation of thirteen new members, and then adjourned to the reception room, where the entertainment committee, with the assistance of the ladies of the P. O. of A., had prepared one of their justly famous feasts, to which all present did full justice.

The address of the evening was delivered by the Rev. W. E. P. Haas, of Philadelphia, a past State chaplain of the Order in Pennsylvania. The Rev. Mr. Haas was a powerful orator who knew how to combine humor with the very serious message he delivered, and he made a deep impression on his hearers.

The speaker found the camp very much in favor of the sentiment he expressed when he demanded that Grover Bergdoll be brought from Germany and be made to pay the full penalty for his desertion.

Mr. Haas declared that the failure of patriotic orders to provide suitable welcomes for such patriots as Herbert Hoover, when they visited Philadelphia and vicinity, was a grave error.

By the first of May the figures representing daily production were in the neighborhood of 4,000 cars a day, so the May schedule was set at 101,125 cars and trucks, not including the output of the Ford Canadian plant or any of the foreign assembling plants.

May 12th brought forth 4092, the greatest number produced in one day so far this year.

Approximately 43,000 men are at work in the Detroit plant, which is operating on full time, six days a week and three shifts a day.

ROY KERSEY

Winner of third high school ferry essay prize. Freshmen class, age 15. 120 West Fourth street, Palmyra, N. J.

The Tacony-Palmyra Ferry Company has been much impressed by the essays written by the pupils of the Palmyra school on the subject "What the Ferry Will Do for Palmyra." In view of the excellence of the compositions and their educational value, the company wishes to give the winning essays greater publicity and consequently are republishing them at the company's expense, along with the picture of the writer. One essay and picture will be printed each week until all six have been published.

#### What the Palmyra-Tacony Ferry Will Do for Palmyra

BY ROY KERSEY  
Winner of Third High School Prize

Those men who proposed the formation of the Palmyra-Tacony Ferry Company had a very keen insight of the future. They not only saw it would be an advantage to the community, but it would also be a big investment.

Palmyra positively has no means by which it may boost itself. Beyond a river front town and not connected with any main thoroughfare of New Jersey, strangers have a poor chance of hearing about our town. People who come from the city and other places, traveling through our county, pass mostly over the Burlington Pike and many do not even know there is a town on the site of Palmyra. This problem can easily be solved by this ferry company. After it is put into operation a large percentage of the people will use the ferry to cross into Jersey and continue through Palmyra on to their destination. This will give people an opportunity to see what advantages our town offers. A very good example of this proposition is Collingswood. This town, before the pike that runs through there now, was completed, was only a small community. At the present time Collingswood is one of the booming towns of South Jersey, due partly to the fact that this pike is a much-traveled route to seashore resorts along the Jersey coast.

Another advantage of this ferry is, that it will help to beautify the river front. At present it is nothing but waste land. This side of the river is nothing but useless meadow land, not an earthly bit of good but to breed mosquitoes. The ferry will probably be the beginning of the reclamation of this land. The buildings and roadways which are to be built by the ferry company will add much to the beauty of the river bank.

The patrons using the ferry, especially the motorists, will demand the roads of Palmyra be put in better condition. At present the roads from the site of the ferry to the pikes are in very poor condition. Motorists will demand that this be remedied. It will also be a big improvement to our community as well as a big factor in the ferry company.

The housing conditions on the other side of the river is most serious. This ferry will bring many people to Palmyra for homes, thus starting a building boom. This will raise the value of property and decrease taxes. The time in getting to Philadelphia will also be shortened. With the Frankford electric ferry running very close to the ferry landing in Tacony, it will be less expensive and quicker to reach Philadelphia.

When the ferry is completed it will create a new market for the farmers in the vicinity of Palmyra. Farmers instead of taking their produce to Camden and across to Philadelphia to the commission merchants will use the new ferry and find a ready market for all their produce. Their appreciation in this proposition is shown by the fact that large per cent of the stock is held by farmers.

In summing up what we have just said, Palmyra-Tacony Ferry will benefit Palmyra in the following way—Bringing strangers closer acquainted with Palmyra, reclamation of the river front, secure better roads for our town, increase population thus starting a building boom and lowering taxes, save time for commuters and open a better market for the farmers.

After hearing these facts, can any true, patriotic citizen truly say that this proposition will not help our town? No! Let our motto be, "Watch Us Grow!" —adv.

#### May Open New Street

The Palmyra Township Committee at its meeting Tuesday night authorized the township engineer to make a survey of Spring Garden street from Cinnaminson avenue to Park avenue with a view to opening it to the public.

The opening and improvement of this street has long been advocated by men anxious for the development of Palmyra and of late has been agitated by the Chamber of Commerce as well as the former Business Men's Association.

Louis P. Wallace, through whose land the part of street referred to runs, was present when Solicitor Beckenbach placed the matter before the committee, and he verified Mr. Beckenbach's report that he was ready to dedicate the ground for the street to the township.

It was thought that there might have to be condemnation proceedings in some instances in order to make a straight street. George N. Wimer suggested that the property owners concerned would probably be glad to co-operate with the township committee after the announcement of their plans was made.

When the ordinance for the sidewalk on Pennsylvania avenue, laid over from last year, was reintroduced by Committeeman A. N. Stewart, William A. Donaghy presented a petition in protest, signed by Charles

(continued on fourth column)

## PASSING OF LAST OLD TOLL GATE

The Last Connecting Link With the Days of the Stage-coach Abolished.

### BANKERS FAVOR U. S. BUDGET

State Threatens Retaliation Unless Pennsylvania Recognizes, According to Agreement, New Jersey Motor Licenses.

Trenton, N. J.—Motorists from many states who flock to the ocean playgrounds and resorts of New Jersey this summer will be able to travel everywhere over the public highways without having their way barred by a single toll gate. The last of the old toll roads to be abolished is the Gloucester-Woodbury turnpike, a short stretch of road on one of the main arteries of traffic in and out of South Jersey. The State Highway Commission has purchased this road for \$70,000. Toll houses at South Gloucester, or Pine Grove, and at North Woodbury, which have taken tolls for nearly three-quarters of a century, are to be closed and the gates removed.

While the last of these toll roads in itself rather insignificant, its abolishment marks an epoch in the good roads movement. With its removal in New Jersey, a system that gave the first real impetus to the improvement of highways in the then youthful and none too prosperous colony of the United States, at a period when paying for road service as it was used was preferred to a scheme of general taxation for constructing better highways and maintaining them.

New Jersey was among the first of the original 13 states in the Union to establish toll roads in the early part of the nineteenth century as a means of facilitating travel between the then upspringing metropolises of New York and Philadelphia. In the first quarter of the nineteenth century there were more than 50 turnpike companies chartered and about 550 plank and gravel toll roads constructed in New Jersey.

Just as in this day when license tags of every state may be applied on motorcars at some season of the year on the much-traveled routes laid across New Jersey to the country's great Metropolis, or to Atlantic City, so in the day of the stage coach the currents of colonial commerce and intercourse flowed back and forth across this state. In no other quarter was the building of better roads of so much importance to the progress of the new nation as here. New Jersey then had more than 1,000 mills, large supplies of lumber, cattle, grain, wool and flax and sufficient iron ore to supply the needs of all the country in that day.

As long as horse-drawn vehicles had the monopoly of the toll roads, the rural landscape was dotted with toll houses and gates, which the young bloods of that day, who drove fast-stepping nags to their cutters, found bobbing up at aggravating intervals. Then the toll gates were accepted as a necessary evil. No very successful agitation was carried out against them except on some of the principal highways, where drivers and farmers finally began to realize that it was just as economical and much more convenient to pay out their money in a lump in the form of annual taxes for road improvements as to dole out their pennies on a mileage basis whenever they used the roads.

Then along came the automobile and toll gates began to be smashed figuratively as well as literally. Motorists chafed over the nuisance of being stopped every two or three miles and required to pass out their pennies or nickels for the use of the road, especially when many of the toll roads were kept in none too good repair. A tour of 25 or 50 miles through the country in the days when toll gates flourished required that an auto party be well supplied with coppers before they started.

With the development of the automobile, the traffic upon the highways became much greater. Toll gates, where it previously had been no trouble to pass through teams as fast as they came up, began to be jammed with cars and wagons. When these toll gates got to be mere clogs to traffic the original purpose of the turnpikes passed and there was no longer any excuse for their existence for the betterment of road travel.

No better illustration of this congestion could be found than in the conditions that have prevailed in recent years on the last toll road in the state. Here the toll-takers squatted at the very gateway to South Jersey. The turnpike is a part of the very first routes laid out by the early settlers in the colony of West Jersey, and over it passes all of the farm traffic and many of the motor cars bound in or out of the lower counties. On holidays and during other periods of heavy travel, thousands of cars had to pass through the single width driveways. During the rush hours long lines of machines were held up for many minutes waiting to get through the gates.

On the big days thousands of pennies and nickels clicked into the cups of the toll-takers. Why the toll gates were permitted to stand as long as they did on this strip of road when many less important turnpikes were bought up and the tolls lifted was long a puzzle to farmers and motorists, who began to suspect that the reason for their hanging on to the very last was the fact that this was one of the most profitable of the toll roads in the state in the last quarter of a century.

With the lifting of the tolls, the Gloucester-Woodbury turnpike, which was chartered in 1850, automatically becomes a part of the new state highway system, being a section of Route 8, extending from Camden to Woodbury and to Bridgeton. It is to be widened, paved and kept in good repair—a condition that did not prevail on many of those company-controlled

turnpikes that continued in existence during the last decade under the wear and tear of motor traffic.

Among the first of the states in the Union to establish toll roads, New Jersey has been among the leaders in abolishing the system as antiquated and as an obstacle to traffic and commerce. Not only has it made its roads free, but to provide even easier access to them this state has joined with New York to tunnel the Hudson River for vehicular traffic, with Pennsylvania to span the Delaware River at Philadelphia for a monumental bridge, and with Delaware to operate ferries between the capes, carrying to the very limit the theory that the interest of the community, the state and the nation are best served by free and easily accessible highways.

#### Fast Line Wants Fare Increase

Public Utility Commissioner Osborne heard testimony on the Public Service Railroad Company's application for 3 cents a mile on the fast line between Newark and Trenton the other day, while the other members of the board, President Treacy and Commissioner Bacharach were given to digesting the testimony in other important cases, with a view of disposing of them shortly by rendering decisions.

The Public Service's case was brief and there was no opposition to it. Commissioner Osborne cleared the board's calendar of eighteen other cases in one of the busiest days the commission has had.

#### Bankers Want U. S. Budget

Members of the New Jersey State Bankers' Association, individually and collectively, will support the nationwide movement for a reorganization of the federal government departments now before the Smoot-Reavis committee of Congress. The organization, at its closing session at Atlantic City voted unanimously to join with the National Budget Committee, of which John T. Pratt of New York is chairman, in sponsoring the plan as a policy of governmental retrenchment and economy.

Opposition to the Branch bill now before Congress, which would permit national banks throughout the country to open branches, was voiced in resolutions.

United States Senator Frelinghuysen of New Jersey, sponsor of the measure, was requested by the bankers to amend the bill so that it would not apply to this state.

Investigation of the encroachment of private bankers upon the legitimate banking interests was authorized in a resolution that directed attention to the unfair competition of private banks that do not observe regularly recognized banking hours or other regulations. Another resolution asked Congress to use all haste in getting the railroads of the country back on a normal footing.

Bankers of the state probably will arrange to take the \$17,000,000 worth of state bonds which are to be issued next month, as a result of a conference held between leading representatives of the New Jersey Bankers' Association and State Controller Newton A. K. Bugbee.

Soldiers' bonus bonds will make up \$12,000,000 of the balance. The balance of \$5,000,000 will be "Series A" of \$28,000,000 of bridge and tunnel bonds.

Bankers of the state were appealed to by the controller on the ground that it would be fine for the New Jersey financial institutions to make a special effort to absorb the entire issue. A committee of bankers was appointed to consider the proposition.

#### State Motor Licenses

Refusal of Pennsylvania to recognize New Jersey motor licenses for the stipulated period of 15 days a year, as provided in the reciprocal agreements between the two states, will result in retaliation by New Jersey and the barring from this state of all Pennsylvania registered cars, State Motor Vehicle Commissioner Dill declared in discussing the arrest of two New Jersey truck owners crossing from Camden to Philadelphia by a Pennsylvania motor vehicle agent recently. Two arrests near Yardley, Pa., of New Jersey automobile drivers who were without Pennsylvania licenses also contributed to the report of a possible break.

Important Decision Appealed  
The State Board of Health appealed to the Supreme Court the acquittal of Charles H. Morhauser of No. 3707 Westfield avenue, Camden, charged with violating an act of 1901 prohibiting persons other than pharmacists from dispensing drugs or poisonous medicines. The act provides a penalty of \$100, which the state board, through its counsel, the attorney general, is seeking to recover.

At Morhauser's trial Mrs. Helen Emmons of Newark, an inspector of the board, purchased iodine, lysol, camphorated oil, opium salts, spirits of nitre, paregoric and essence of vinegar in Morhauser's store, which is not a pharmacy. Morhauser admitted that he was not a registered pharmacist or assistant, but maintained that he was not violating the law, since the articles he sold were in packages and not displayed in the store.

(continued from first column)

Kerns, Albert Wallace estate, Josiah Wallace estate, Samuel Wallace, James Dilks, J. F. Kline, Jr., Mrs. Byers, John Renshaw, W. A. Donaghy, Frank Geddes and George Stocr.

Mr. Donaghy, Mr. Dilks and others who spoke on the matter said they did not think the present an opportune moment to spend the money for the improvement.

Chairman Davies counted up the number of feet represented by the petitioners and found the total slightly less than half the total frontage involved and consequently the ordinance was unanimously passed.

Mr. Donaghy then said that if the ordinance had been amended so as to include one side of Park avenue, just east of Pennsylvania, from the railroad to Charles street, and to open the end of Pennsylvania avenue into Charles street, so as to give residents a direct route into Cinnaminson avenue, the objection of most of the petitioners would be withdrawn.

The Township Committee was heartily in favor of this suggestion and promised to take steps to have the additional work included in a new ordinance.

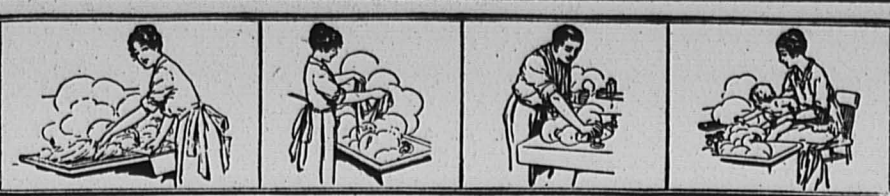

The Committee also continued working on the redistricting of the town for election purposes, a change necessitated by the women voters. There will be four districts of about 550 voters each.

A request of the American Legion that Garfield avenue between Fifth and Broad be closed on May 28 and 30 during the carnival, was granted. Committeeman Hinckman instructed the boys not to obstruct any fire plugs.

The following bills were ordered paid:

C. M. Beck, salary, \$130.00  
J. H. Rodgers, salary, 100.00  
T. W. Land, salary, 100.00

## IMPROVED UNIFORM INTERNATIONAL

## Sunday School Lesson

(By REV. P. H. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)  
(©, 1921, Western Newspaper Union.)

LESSON FOR MAY 29

CHRIST PICTURES A REAL NEIGHBOR.

LESSON TEXT—Luke 10:25-37; Acts 1:4-7.

GOLDEN TEXT—Love worketh no ill to his neighbor; love therefore is the fulfillment of the law.—Rom. 13:10. REFERENCE MATERIAL—Prov. 15:1; Matt. 5:1-48; Rom. 13:8-10; 15:1, 2; Eph. 4:15-32.

PRIMARY TOPIC—The Story of a Man Who Helped.

JUNIOR TOPIC—The Good Samaritan. INTERMEDIATE AND SENIOR TOPIC—Being a Good Neighbor.

YOUNG PEOPLE AND ADULT TOPIC—Who Is My Neighbor?

1. Christ Questioned (Luke 10:25-29). 1. By whom (v. 25). A certain lawyer. He was not a lawyer in the modern sense of that term; most nearly corresponds to our theological professors.

2. The purpose of (v. 25). It was to tempt Jesus as to whether He was really learned in the law; and also to entrap Him to show Him to be heterodox.

3. The question (v. 25). "What shall I do to inherit eternal life?" Though a lawyer, his theology was defective. He thought eternal life was to be obtained by doing. The very words he used involve a contradiction. An inheritance is not obtained by doing, but by being.

4. Jesus' reply (vv. 28-29). He cited him to the law. This is the proper place to send one who is expecting to get eternal life by doing. The lawyer answered well, for supreme love to God and love to one's neighbor as he loves himself is the sum total of human obligation. "This do and thou shalt live." But this is the very thing he could not do. Man needs God's enabling grace to love at all; so he stood condemned by his own conscience enlightened by the law. He set out to trap Jesus, and now he is caught in a trap, and in order to justify himself he said to Jesus, "Who is my neighbor?" The question is answered in the story of the Good Samaritan.

11. Playing the Neighbor (vv. 30-37). In this story of the Good Samaritan the question is shifted so as to make clear that the supreme question is not, "Who is my neighbor?" but "Whose neighbor am I?"

To be a neighbor is—

1. To see those about us who need help (v. 33). We should be on the lookout for those in need of help; and love is keen to discern need.

2. Have compassion on the needy (v. 33). Since Christ is the compassionate One, all who have His nature will be likewise moved when they see need.

3. Go to those in need (v. 34). The personal touch many times is more important than material aid. It is easier to give money than personal aid. The true neighbor gives both.

4. Bind up wounds (v. 34).

5. Set the helpless ones on our beasts while we walk (v. 34). Willingness to deny ourselves in order to help others is a proof of the genuineness of love.

6. Bring to the inn and take care of the unfortunate (v. 34). The true neighbor is not spasmodic in his giving help.

7. Give money (v. 35). It costs much to be a neighbor. Love is the most expensive thing in the world. It cost God His only Son; it cost Jesus Christ His life. May we go and do likewise!

III. The Behavior of the Early Church (Acts 2:44-47).

1. They were together (v. 44). They were together because they were baptized into the one body of which Christ was head by the Holy Spirit (1 Cor. 12:13). The oneness of the body was symbolized by the breaking of bread. Such unity is only possible to believers in Christ, that is, those regenerated by the Holy Ghost. To get unity, therefore, in the neighborhood we must get people to be saved.

2. Had a community of goods (vv. 44, 45). They sold their possessions, and goods and parted them to all men as every man had need. This proved that they were under the power of the Holy Spirit, that is, that the supernatural was being manifest; for it is not natural to abandon one's title of possession.

3. They were filled with gladness and singleness of heart (v. 46). Those who were really born again have no ulterior motive. What they seem to be, they really are. Unsaved men and women are controlled by selfish motives; they seek their own, not another's good. This they do while feigning love for others.

4. Praising God and having favor with all the people (v. 47). Such selfishness gained the attention of the people and induced them to yield themselves to God, who added daily such as were being saved.

Deal Not Treacherously. The Lord, the God of Israel, saith that He hateth putting away; for one covereth violence with his garment, saith the Lord of hosts; therefore take heed to your spirit, that ye deal not treacherously.—Malachi 2:16.

Let the Power of My Lord Be Great. And, I beseech thee, let the power of my Lord be great, according as thou hast spoken, saying, the Lord is long-suffering, and of great mercy; forgiving iniquity and transgression.

—Numbers 14:17, 18

## THE NEW ERA

Published every Friday at  
RIVERTON, N. J.WALTER L. BOWEN  
Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper.

Subscription \$1.50 a year  
in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices

## LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioners, Sheriffs and other Sales, Administrators and Executors' notices, as well as all other Legal Advertisements are solicited. The New Era will appreciate being remembered in this connection.

## TAX NOTICE

All readers or local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, or for which admission is charged, will be charged for at the rate of fifteen cents a line.

In this space last week we asked for contributions to the Chinese Famine Fund.

We received

O

Chinese students at the University of Chicago and Northwestern University have agreed to limit the cost of their food to sixty-five cents a day for three months, the money saved to be sent for the relief of famine victims in China. In addition the men will abstain from tobacco and the women from candy and motion pictures.

What are you willing to do?

WALTER L. BOWEN,  
Editor.

## Card Party for Free Library

The card party arranged by Mrs. George Steptoe Washington and Mrs. Charles L. Flanagan and held on Tuesday in the Porch Club, was a big success. There were twenty-three tables, which, with extra subscriptions, netted \$400.

The committee desires to express its thanks to all who so generously responded, and also to the executive committee of the Porch Club, which donated the use of the club house. There were eight tables from Palmyra, which meant thirty-two women. Each table provided its own prize, and two were provided by the committee for the highest score in bridge and five hundred.

It looks as though the public is realizing the fact that the Free Library is a big asset to the community, and that it should receive adequate financial support.

## Near Tragedy on River

A motor boat from Bridesburg was passing the Riverton pier last Sunday afternoon when one of the occupants rolled overboard. His companions threw him a life-preserver, which the wind carried away from him, and but for the timely arrival and assistance of E. K. Merrill in his Tradescantia the man would doubtless have been drowned. Mr. Merrill hauled the fellow aboard and the members of his party came along side and took him off. The whole party was half clad and seemed to be intoxicated. They could not get their engine started again and drifted into the cove where they were still marooned when darkness fell. The license number of the boat was 3879. Mr. Merrill figured as the rescuer in a similar accident last summer.

## Have Your Bundle Ready on June 4

The children in Christ Church School will co-operate with the teachers, who have organized an active committee to gather in clothing for the Near East sufferers.

It is the desire of the committee to enlist the attention and aid of all women's organizations, prominent citizens, public schools, churches and Sunday Schools, to the end, that on Saturday, June 4, 1921, every person in Riverton will contribute clothing that can be spared.

The Parish House will be assembly headquarters for all bundles. Have yours ready when the children call June 4th, between 9 a. m. and 9 p. m. Remember the thousands of poor helpless refugees, without homes with no means of earning a livelihood. Many have no covering whatever save the thinnest rags. Can you refuse comfortable clothing to these unclad?

LOCAL COMMITTEE  
NEAR EAST RELIEF

## Decoration Day at Moorestown Field Club

A hot supper will be served at the Moorestown Field Club on Decoration Day from 5 until 6.30. Price \$1.00. Supper menu—hot roast beef, new peas and potatoes, rolls, coffee or iced tea, ice cream, home-made cake.

Children's supper: sandwiches, milk, ice cream, cake, 50c.

Entertainment 645 p. m. at the 8th Hole. Admission 25c.

If stormy, entire program will be carried out at Odd Fellows' Hall, Main street.

Dancing. Music by Taefner.

—adv.

Additional Riverton news on fourth page.

Love always lifts.

WEEKLY NEWS BUDGET  
for Riverton and Vicinity

## Buy It at Home!

Harry Biddle's son Henry is ill with scarlet fever at the home McIlvain Biddle.

On the fourth page will be found the opinion of General Bliss on disarmament.

On Thursday Dr. and Mrs. Samuel W. Collin moved into the Kitchen property, which they recently purchased.

In a little pre-schedule race last Saturday among the three L. I. boats F. W. Robertson came in first, Ogden Mattis second and E. K. Merrill third.

Taxes will be received at the home of the collector, 406 Lippincott avenue, on Wednesday, June 1, instead of at the fire house, as advertised on the tax bills. The hours will be from 8 to 12, and 1 to 4.

George, the little son of Frank Eichler, was struck by a trolley car in Philadelphia last Wednesday, but was not killed as at first reported. Eichler sold his barber business last week to John Jochum and moved his family to Philadelphia.

Mayor Killam E. Bennett has recommended that in order to avoid confusion which would unavoidably result from not following the daylight-saving time schedule which will be adopted by Philadelphia on June 5, that the residents of Riverton advance their time pieces one hour on June 5. See proclamation in this issue.

To stimulate "customer-ownership" of its securities, Public Service Corporation of New Jersey has put into effect a plan for giving patrons of the utility companies which it controls a chance to become partners by acquiring its eight per cent cumulative preferred stock, under a partial payment system. For further information see advertisement in this issue.

The returns from the rummage sale held at Browns' Mills on May 10 for benefit of the work of the Burlington County Anti Tuberculosis League amounted to about \$525. Some returns have not yet been made and the expectation is that \$25 more will be added to the amount now in hand. Thanks are due to the people of every community for the generous response to the request for contributions.

Don't forget "Bundle Day," June 4, when your bundles of clothing for Near East Relief will be called for by the collection squads of Christ Church Sunday School. While it will not conduct a canvass of its own, the Presbyterian Sunday School has offered its fullest co-operation in this most worthy effort to afford relief to the freezing women and children of the near East. For full details of Bundle Day see article in another column.

A new road that will be appreciated by the travelling public is to be built jointly by the Camden and Burlington Boards of Freeholders. It is a continuation of the Kings Highway from Haddonfield to Ellensburg. A part of the new road is to be built of concrete and will afford a valuable connecting link with the White Horse pike. The Camden Freeholders have given out the contract for that county's share of the road, to the Kelly Construction Company, of Camden, for \$68,687.27. This will carry the road to the Burlington county line and the rest of the distance to Moorestown will be taken care of by this county as soon as the necessary funds can be corralled.

## Money Coming in for the Library

Interest in putting the Riverton Free Library on a solid financial basis seems to be growing rapidly. Two Riverton friends of the Library have offered \$100 each for the endowment fund providing \$1000 is raised by the first of July, and a bequest of \$100 from the Edward H. Panoast estate has just become available.

We hope to be able to record the receipt of other subscriptions next week.

## Historical Society Elects Officers

At the annual meeting of the Women's Burlington County Historical Society, held in Burlington last Friday, presided over by Miss Alice D'Olier, president, the following officers were elected: vice president, Mrs. C. F. Allen, Riverton; secretary, Miss Florence E. Byrnes, Burlington; historian, Miss Alice Zelley, Burlington; directors, Mrs. Henry Ashburner, Riverton; Mrs. Philip Clarkson, Edgewater Park; Mrs. Eleanor Merrill, Mount Holly; Miss Anna G. Redmond, Burlington; Miss Lydia Wildes, Burlington. Steps were taken to preserve to posterity "Hickory Grove," once the home of Samuel Smith, Burlington's famous historian.

## Friends of Prohibition, Take Notice!

The "Anti-Dry League of New Jersey," which uses as its slogan, "For Temperance without Tyranny," has sent out notice from its headquarters at 707 Broad street, Newark, of its intention to secure a half million signatures in New Jersey to a petition to be sent to New Jersey's representatives at Washington urging them to work and vote for a modification of the Volstead Act that will permit the manufacture and sale of real beer and wines. The "League" will also demand the repeal of the VanNess State Dry Enforcement Act, recently passed by the New Jersey Legislature. Those who do not want to see a return of the old conditions should get busy and let New Jersey's representatives know where they stand—and in sufficient numbers to make it convincing!

## Ferry Terminal on Other Side Started

In an interview last night Charles A. Wright denied most emphatically that the work on the filling in for the approach on this side of the river had been suspended for lack of funds. As stated before, operating were stopped for two or three weeks to allow the work already done to settle on advice of the engineers in charge. The contract has been let for \$43,000 worth of work on the approach on the Pennsylvania side. This will include everything but the ferry house.

James H. Perry, one of the promoters of the company, died suddenly Thursday night of last week from indigestion, following his attendance at a banquet, and no business was transacted at the meeting of the board of directors last week.

## Helps the Circulation.

One of the largest New York hotels supplies each of its guests, who average 2,000 a day, with a free copy of a morning newspaper.

## School Notes

Miss Fogg, who has been ill, returned to school Monday.

The eighth grade received the flag for having the most mothers present at the P. T. A. meetings during the year. As the third and eighth grades were tied on mothers' attendance, the flag will belong to the third grade next year.

The seventh and eighth grades had a spelling match on Wednesday afternoon. The seventh grade won.

Last Friday morning at 10.15 the school was very much excited about going to Mount Holly. When the command was given we marched up to the station and into the trolleys. The trip was a long one, but it was enjoyed by everyone. We soon arrived at Mount Holly, taking our places with the other schools until the word was given to march.

After we had marched around the field the pageant began. Our thirty sunbeam dancers had a part in that, and we also took part in a mass drill.

Riverton did very well in the athletic events. The boys' and girls' relay teams did well, both winning third place. Annie Wright won second prize in the baseball throw and Mary Rumble second prize in standing broad jump. Harold Wood anchored man in the relay, won third prize in the 100 yard dash.

After a pleasant day we left at 5.30 and arrived in Riverton about 7.30.

JOHN FAIRBANKS,  
Seventh Grade.

## What Time Is It?

When the daylight saving schedule goes into effect on June 5 the railroad will not advance its clocks, but the situation will be met as follows: Clocks in stations will remain at standard time as at present, but trains will be one hour earlier on the new time tables. For instance, if you have been going down on the 7.20 in the morning, after June 5 you will find it marked 6.20 on the time table but you will catch it at 7.20 by your watch, which has been set ahead one hour to meet the daylight saving schedule.

## Riverton School Honor Roll, Fifth Period

First Honor—Grade 3—Estella Armstrong, Gertrude Burr, Edgar Bell, Doris Clark, Elizabeth Edinger, Madeline Rice, Charles Sullivan, Lenore Showell, Louise Smith, Albert Yearly.

Grade 4—Dewees Showell, Jack Naishy, Eunice Yardley, John Sullivan, Dorothy Armstrong, Charles Knight.

Grade 5—Herbert Schneider, Virginia Good, Ernest Bishop, Dorothy Cole, Geneva Wright, Lewis Bell, Edward Hutchings.

Grade 6—Janet Yardley, Esther Yardley, Clement Herbert.

Grade 8—Elizabeth Burns.

Second Honor—Grade 6—Edward Sordon, Charles Eary, Josephine Armstrong, Dora Fairbanks.

Grade 7—Mary Barrett, Herman Madison, George Madison, Roscoe Bowers, Margaret Ludlow, Elwood Wagner, John Fairbanks, Rosetta Scattergood.

Grade 8—James Crawford, Jack Morris, Philip Rigg, Georgia Brown, Katherine Smith.

## Springing Defeats Riverton

Last Saturday was a big day at the Country Club, when thirty-one of the Springsiders came to Riverton and cleaned up the local Knights of the Stick to a tune of 21-10. This was going on, the Riverton tennis team won every game from their Haddonfield visitors.

On Saturday, May 28th, and Monday, the 30th, the regular golf tournament will be played, and on Monday will be staged a big tennis tournament of mixed doubles, lasting all day.

## Personal Mention

Jack Stuckey will spend the weekend in Atlantic City.

Mr. and Mrs. Datis Reed are spending several days in Chicago.

Charles Wanger has returned from a five weeks' business trip through the West.

Miss Cecelia Becker spent last Saturday with her sister, Mrs. Elmer Bright, in Pitman.

Miss Mae Burns entertained Miss Nellie Edwards, of Rosemont, Pa., over last weekend.

The Fortnightly Reading Circle met at the home of Mrs. P. A. Hough-taling this afternoon.

Mrs. J. W. Sylvester is entertaining her sister-in-law, Mrs. Sylvester, of New York, this week.

Mr. and Mrs. A. H. Voorhis, of Maywood, are spending the weekend with Mr. and Mrs. W. H. Taplin.

Mrs. Morris Steedle, who has been visiting her son, Robert, in Atlantic City, has returned home.

Mrs. Ross Mattis and children left this week for Atlantic City where they will spend the summer with her parents.

Mrs. S. W. Collin sang at the benefit for the Riverside Athletic Association held at Moose Hall Wednesday evening.

Mrs. Virginia Kamernkecht, of Munich, Germany, sister of Miss Etta Philp, is a guest at the home of Alfred Smith and family.

Mr. and Mrs. O. H. Mattis returned home Sunday after spending two weeks with their daughter, Mrs. G. H. Wheeler, at New Brunswick.

Mr. and Mrs. A. M. Nye, of Lansdale, Pa., announce the engagement of their daughter, Bertha Lorraine, to Mr. Harry Ford Holt, of Riverton.

Mr. and Mrs. William Yard and daughter, Helen, and Mr. and Mrs. Daniel Chatterton, of Pennington, were the guests of Mr. and Mrs. Paul C. Burr last weekend.

Mrs. Emma Buell, national president of the P. O. of A., Mrs. Rachel C. Power, national treasurer and Mrs. Grace Hogel, national chairman of the Home and Orphanage Committee, are the guests of Mrs. Arthur C. Bowker.

## DEATHS

Sallie C. Wick, wife of William R. Wick, aged 48 years, died at her home on Broad street, Monday morning. Interment was made in Haddonfield cemetery, Wednesday. The deceased is survived by her husband and three daughters, Mrs. J. L. Jones, of Riverton, formerly of Baltimore, and the Misses Eva and Elsie Wick.

The toll and tindalo of the Philadelphia has a peculiarly old resemblance that of raw pennies says the American Forestry Magazine.

## Daylight Saving Proclamation

To the Citizens of the Borough of Riverton:

Inasmuch as Philadelphia and Camden have decided to adopt the Daylight-Saving Schedule on June 5, and as this plan is already in operation in Trenton, North Jersey and New York City, I recommend that the Borough of Riverton do likewise.

In order to avoid the confusion which would inevitably arise from being out of harmony with the system of time used in the cities of Philadelphia and Camden, with which so large a number of our citizens have daily intercourse, I suggest that all residents of Riverton set their time pieces ahead one hour on Sunday, June 5.

(Signed) KILLAM E. BENNETT,  
Mayor.

## Notice to Taxpayers

Taxes will be received at the home of the Collector,

406 LIPPINCOTT AVENUE  
WEDNESDAY, JUNE 1, 1921

from 8 to 12, and 1 to 4, instead of at the Fire House, as stated on the tax bills.

FRED P. HEMPHILL,  
Borough Collector.

Phone 501-w

## Racing Season Opens

On Saturday, May 28, the Larchmont Interclub class will open the series of seven races for the championship in this class.

On Memorial Day, at 10.30 in the morning, the sixteen-footers and the cruisers will sail their first races. At 2.30 in the afternoon the L. I. boats and a number of open sailing canoes from the Red Dragon Canoe Club will sail.

A series of five races has been arranged for the sixteen-footers for the championship cup offered by H. H. Watkins, Jr. The first race will be sailed June 11.

The schedule for the season follows:

\*May 28—3 p. m., L. I. class.  
May 30—10.30 a. m., 16-foot and cruiser classes.  
2 p. m., L. I. class and open sailing canoes.June 4—3 p. m., L. I. class.  
\*June 11—3 p. m., L. I. class and 16-foot class.

8 a. m., Cruising class to Tinicum Island and return.

\*June 18—3 p. m., L. I. class.

\*June 25—3 p. m., L. I. class and 16-foot class.

\*July 4—10 a. m., All classes.

\*July 9 to 16—L. I. interclub races with Baltimore yachts.

\*July 16—3 p. m., 16-foot class.

\*July 30—3 p. m., L. I. class.

\*Aug. 6—3 p. m., L. I. class and 16-foot class.

\*Aug. 13—2 p. m., L. I. class.

\*Aug. 20—3 p. m., All classes.

\*Aug. 27—3 p. m., L. I. class.

\*Sept. 3—3 p. m., L. I. class.

\*Sept. 5—10 a. m., All classes.

\*Sept. 10—3 p. m., L. I. class.

## Riverton Loses to Fairview

Last Saturday Dick Steedle's team of all-stars went to Schiesstown to play Herm Denneker's Tigers. When Herm looked the boys over he decided that his team would be no match for the "city boys," so he "hiked" them to Fairview where he had a team already for them. They arrived tired out and in no condition to play, but the local boys were all set and ready to go. The game resulted in a victory for Fairview. The features of the game were the hitting of the Dunn brothers and the pitching of Cole. Herm Denneker kept score.

## Buy It at Home!

Mrs. George M. Becker is spending a week at Seaside Park, N. J.

Miss Virginia Simmons entertained the "500" on Tuesday evening.

Mrs. Charles King will spend the weekend with friends near Vineland.

H. L. Kandle, of Woodbury, spent Sunday with his daughter, Mrs. M. J. Quinn.

Mr. and Mrs. Charles McKinney, of Garfield avenue, spent last week at Atlantic City.

Mr. and Mrs. George Baker have left for Ocean City, where they will spend the summer.

The Christian Endeavor Society will give a play in the Presbyterian Chapel this evening.

Mrs. Anderson Woolman was called to the bedside of her sister in Burlington on Wednesday.

The Stith and Chatter Circle met at the home of Mrs. Van Osten, Lincoln avenue, on Thursday.

Mrs. I. E. Bostwick, of Pitman, a former resident of Palmyra, visited friends in town on Tuesday.

N. E. Reitz has broken ground for the erection of a twin dwelling on Broad street, east of Maple.

A memorial eucharist for service men departed will be celebrated at Christ Church, Palmyra, Monday morning at 9.30.

The memorial services of the P. O. of A. will be held Sunday afternoon at 4 o'clock in Society Hall, to which all are welcome.

Miss Madeline Kirby was tendered a miscellaneous shower by a number of friends at the home of Mrs. L. R. Baker, Thursday evening.

Mr. and Mrs. Edward King, Mr. and Mrs. Warrington, James M. Sarah, Powell, and Milton Brown spent last weekend in Lavalette.

People interested in the Inquirer contest are awaiting the announcement Sunday of the final standing of the participants, one of whom is Mrs. Ada O. Smith.

The Calder Bible class will meet next Friday night, June 3rd, at the home of Mrs. Laura Ewald, Berkeley avenue. Members remember this date.

Mrs. Arthur Bowker who attended the P. O. of A. Tri-County Convention in Binghamton, N. Y., has returned home. Mrs. Bowker also visited in Waverly, N. Y.

Mrs. Elvin Powell entertained her brothers, Rev. Philip Vollmer, of Cleveland, Ohio, and Dr. Clement Vollmer, of the University of Pennsylvania, at dinner Friday evening.

Edward Perry Morton has resigned as tax collector for Palmyra township. He is succeeded by Edward A. Griscom, who was appointed by the township committee Monday evening.

Spencer Johnson, son of D. J. Johnson, who is in Mexico with his parents, has written an interesting letter, enclosing many photographs, to W. T. McAllister. Spencer expects to be back in Palmyra within a few weeks.

The brick walls of the new bank building are being raised rapidly and the completion of the building is expected in ample time for it to be in use on the first anniversary of the opening of the bank, the middle of August.

The Burlington County oratorical contest takes place at the high school this Friday evening. Herbert Worth and Laura Jones, both juniors, are the local representatives. The seniors leave for their Washington trip next Thursday.

Harold McCorkle, who recently resigned from the Sunday School board of the Methodist Church, was tendered a surprise party by the members of the board Thursday evening, at which time he was presented with a handsome electric lamp.

Camp 23, P. O. S. of A., will attend services in the Methodist Church on Sunday evening, May 29, as guests of F. M. Rodgers Post American Legion. A large delegation is desired on this occasion. Camp members will meet at the Legion room at 7 p. m. sharp and proceed in a body with the Legion to the church.

Mr. statement last week that A. Harry Rudduck had sold the lot next to P. O. S. of A. hall, just purchased from the Palmyra National Bank, to Walter E. Smith, was incorrect. Mr. Rudduck retains ownership of the lot, but Mr. Smith plans to build a drug store on it under what is known as an improvement lease of ten-year duration.

An open competitive examination under the rules of the U. S. Civil service commission for the position of clerk carrier in the Palmyra post office will be held on June 4, beginning at 9 a. m. Applications for this examination must be made on prescribed forms, which, with instructions, may be obtained from Miss Florence R. Cramer, at the post office.

## Protest Assessments

At the county tax board hearing Tuesday morning a number of residents who had purchased recently built homes, chiefly on Washington and Lincoln avenues, protested vigorously against what they considered the inequality of their assessment compared with that of some of the nearby older properties. A lawyer was present to represent the complainants and the matter was gone into in considerable detail.

The county board took the complaints under consideration and will make its decision later.

Some persons who observed their tax bills closely noticed that the sum of the various tax rate items lacked one of equalling the total rate. Former Collector Morton explained that decimal fractions which were not printed on the bills make up for the extra cent.

## D'Autrechy-McLaughlin

Miss Elizabeth McLaughlin, daughter of Mr. and Mrs. Patrick McLaughlin, of Broad street, Beverly, and Mr. James D'Autrechy, son of Mr. and Mrs. Theo D'Autrechy, of Palmyra, were married last Saturday morning at 9 a. m. in St. Joseph's Church, Beverly.

Miss Margaret McLaughlin was bridesmaid and Patrick McLaughlin, Jr., was best man. Miss Elizabeth D'Autrechy was maid of honor, and Miss Jeanette D'Autrechy and Miss Anna Mae VanSciver, niece of the bride, were flower girls.

A large reception and wedding dinner was held at the home of the bride in the afternoon. Mr. and Mrs. D'Autrechy will reside in Beverly.

## Unanimous for Sewer

The public sewer meeting held Tuesday evening in the auditorium of the Palmyra high school building voted almost unanimously in favor of having the Chamber of Commerce recommend to the Township Committee that the committee proceed at once with the necessary steps to provide Palmyra with a sewer system.

There were about 250 citizens present and only two negative votes were registered.

The Chamber of Commerce will make its report to the Township Committee very shortly and the committee is expected to be ready to take action on the necessary ordinances at its June meeting.

Wilbur F. Cramie, chairman of the Chamber of Commerce sewer committee, presided at the meeting and opened the session with an explanation of the nature and objects of the Chamber of Commerce, which is devoted to the progress and welfare of the town, and any citizen with these objects at heart is eligible to membership.

The first speaker of the evening was Dewitt C. Vosbury, township engineer, who explained in detail the proposed sewer system. Mr. Vosbury cited the figures of his 1920 estimate, when prices were high, the total cost then being \$145,000. Present-day contracts are being let at about 25% less than in 1920, he said.

Mr. Vosbury estimated the cost to the average improved lot 50x150, in the town, to be about \$1,443 the first year with gradual reductions yearly. This sum also was based on the 1920 figure. Each year the addition of more users as the town grows and as the system is extended would cut down the cost to the individual owner.

The financing of the work during the progress would be taken care of by short term notes and later these notes would be changed into a long-term issue of serial bonds. This would give an opportunity to await a favorable rate of interest before floating the bond issue. It would also mean that the people would not begin paying for the sewer till after its construction.

The cost of labor, Mr. Vosbury said, is as low as it can be expected to go, as there is much unemployment now, and the trend is more likely to be upward later when the industrial situation improves. Terra cotta pipe, used in sewer work, is still high, he said, but is gradually coming down and is likely to crash soon.

Mr. Vosbury was optimistic about the business outlook, declaring the period of depression at an end and that good times would be here again long before the citizens would begin paying for the sewer.

The next speaker, William J. Strandwitz, of Haddonfield, made a great hit with the crowd, and although he hardly mentioned sewers in his whole talk, he made such a stirring appeal for progressive citizenship that his address probably had a great deal to do with the result of the meeting.

Mr. Strandwitz is a past president of the Haddonfield Civic Association, the Camden Rotary Club and the Camden Chamber of Commerce, and has earned a great reputation as a booster and organizer of civic movements. Born in Norway and with a decided Scandinavian accent, he showed himself a powerful exponent of American pep and progressiveness.

He praised the Chamber of Commerce and said the citizens should run the town. Too often, he said, voters choose their officials at the polls and then go home and forget about it. Then the officials frequently fail to do what is expected of them because the citizens don't go to the trouble to tell them what is expected.

Mr. Strandwitz declared the Delaware bridge at Camden a certainty and that a great boom for Palmyra would result.

"Are you ready," he asked, "with your streets, schools, lights and sewers, to show your town with pride to these thousands of prospective home buyers?"

"Don't blow about your town until you have something worth talking about," was another pointed suggestion.

The speaker wound up with an eloquent exposition of what the hearty co-operation of citizens and officials could accomplish for any town.

Roy E. Williams, of Delanco, well known for his work on municipal finances, discussed the various methods of financing the sewer system.

One very important question settled by Mr. Williams was whether the town could be bonded sufficiently to cover both the cost of a new school building and a sewer system. Mr. Williams explained that the school bonds, under the law, would have very little effect on the borrowing capacity of the township. Even though \$150,000 were borrowed for school purposes, the township could borrow within a few thousand dollars as much for municipal purposes as it could if no new school were built.

At the end of the speeches, those present were invited to ask questions. Few were asked.

George N. Wimer said he believed that most of those opposed to the sewer were opposed for selfish reasons and that likewise he was here for selfish reasons, because it would mean more people coming into the town and buying properties through him. He related how he had just lost a \$210 commission because the town had no sewers. Mr. Wimer's frank statement was heartily applauded and when he put the motion that the Township Committee be notified to proceed with the sewers, it carried overwhelmingly.

Camp 3, Celebrates Twenty-sixth Anniversary

Camp 3, P. O. S. of A., celebrated its twenty-sixth anniversary Thursday evening in P. O. S. of A. hall. Addresses were made by the National president, Mrs. Emma Buell, of Washington, D. C.; past national presidents, Mrs. Anna V. Blackburn, of Palmyra; national treasurer, Mrs. Rachel C. Power, of Yonkers, N. Y.; national secretary, Mrs. Minnie M. Bowker, of Palmyra; and chairman of the home and orphanage committee, Mrs. Grace Hogel, of Yonkers.

Sixteen candidates were initiated. The drill and initiation were the features of the evening. The hall was beautifully decorated with red, white and blue, and ferns. At the close of the evening refreshments were served.

The camp was highly commended by the national officers on the work they had done. Miss Florence Green, of Philadelphia, a member of the Pennsylvania camp, P. O. S. of A., was also a visitor.

## L. G. E.

Palmyra Temple No. 11, L. G. E., will celebrate their eleventh anniversary on Thursday evening, June 2nd, and all members are urged to be present and enjoy the good time expected.

## Palmyra Makes Great Showing in County Meet

Palmyra school athletes swept the field at the county school meet at Mount Holly last Friday. Against representatives of all the schools in the county, first place was won by the high school boys, the high school girls and by the grammar school boys. Three of the six silver cups offered were brought home by the locals. The standing of the various divisions was as follows:

High school boys — Palmyra, 24; Burlington, 20; Mount Holly, 14; High school girls — Palmyra, 14; Mount Holly, 13; Moorestown, 6; Grammar school boys — Palmyra, 18; Moorestown, 13.

Grammar school girls — Mount Holly, 18; Cinnaminson, 17; Riverton, 9. The events won by the local high school boys were:

Class A running broad jump, first place, Dietz, 17 ft. 1 in.

Class B running broad jump, second place, Burr. First place went to Fitzgerald, Moorestown, 19 ft. 8 1/2 in.

Class B running high jump, second place, Raesly. First place went to Phillips, Pemberton, 5 ft. 2 in.

Class A 100-yard dash, first place, Dietz, 17 ft. 1 in.

Class B 100-yard dash, second place, Burr. First place went to McGinley, Burlington, 10 1/2 sec.

100-yard relay: Palmyra first, Mount Holly second, Burlington third, three minutes 4 1/2 sec.

Palmyra high school girls won as follows: McConnell, third place in high jump.

McConnell, second in standing broad jump.

Rupert, first in 75 yard dash. Time 9 seconds.

Palmyra girls won the 300-yard relay, Mount Holly second, Moorestown third. 4 1/2 sec.

Local grammar school-boys won as follows: Windsor, first in running high jump, 4 ft. 7 in.

Sack, first in running broad jump, 17 ft. 7 in.

Sack, first in 100-yard dash. 11:15 sec. Wood, of Riverton, was third in this event.

Palmyra was second in the half-mile relay, being beaten by Moorestown. One minute, 49 seconds.

In the grammar school girls' events, local winners were as follows: Brown, of Cinnaminson, second in standing broad jump.

Siebek, Cinnaminson, first; Wright, Riverton, second, in baseball throw. 181 ft. 8 in.

Enskat, Cinnaminson, second in high jump. 4 ft.

Rumble, Riverton, second, and Velvet, Cinnaminson, third, in 50-yard dash.

In the 300-yard relay with six runners, Cinnaminson was first and Riverton third.

Gold, silver and bronze medals were awarded to winners of the various places.

## Track Meet

Palmyra track athletes again demonstrated their supremacy over Burlington, Camden and other schools here Thursday afternoon, when the locals overwhelmed the visitors by a score of 51 to 30.

McGinley was virtually the whole team for Burlington, scoring 21 of their points. The events and winners follow:

100-yard dash—McGinley (B), Burr (P), Lewis (B), 2.5 sec.

220-yard dash—Boal (P), Meyer (P), Burr (P).

440-yard dash—Burr (P), Boal (P), McGinley (B), 58 sec.

880-yard dash—Boal (P), Ross (B), Graham (P).

Pole vault—Hoepfner (P) and Raesly (P), tied at 8 ft. 6 in.

Stewart (P), tied at 8 ft. 6 in.

Javelin throw—Palphreyman (P), Luection (P), Luns (B), 135 ft. 5 in.

Shot put—McGinley (B), Adams (B), Raphael (P), 38 ft.

High jump—McGinley (B), Windsor (P), Raesly (P), 5 ft. 3 in.

## Memorial Day Program

Memorial Day exercises next Monday will be held under the direction of Post Rodgers aided by the P. O. S. of A.

The parade will form at the P. O. S. of A. building at 2 o'clock, headed by Legion Commander Bromley as marshal, after whom will come his aides, the Griffenbergs, the color bearers, the firing squad, the Legion band and file, the honored guests consisting of the G. A. R., the clergymen, and the speaker, then the P. O. S. of A., Odd Fellows, Girl Scouts, Boy Scouts and school children.

Appropriate exercises will be held first in Morgan and then in the Methodist cemetery, with the school children decorating the graves. Then all will assemble in the grove where the address will be delivered by Prof. Calvin O. Allhouse, of Central High School, Philadelphia.

The Legion's big carnival will begin late Saturday afternoon at Broad and Garfield and will be continued on Memorial Day and evening. Griffenbergs' band will play the evening.

Some rare attractions have been gotten together by the boys, including the Barcelona bull fighters, the Wild Man of Borneo and the "Hansel" dancers.

Another big feature will be the gypsy camp conducted by the ladies' auxiliary. The auxiliary will sell raffles for the benefit of the devastated regions of France.

Public Service Corporation of New Jersey

General Bliss on Disarmament  
Letter to Church Peace Union  
Committee on Reduction of Armaments:

Governor's Office  
United States Soldiers' Home  
Washington, D. C.

March 27, 1921.

Dear Sirs:

I would not take a single step in the way of disarmament except as the result of an agreement, thoroughly acceptable to us, between ourselves and the other principal nations engaged in the armament rivalry. I have not the faintest idea of what form that first agreement might take. I have, therefore, no scheme of disarmament to propose. My sole purpose, therefore, is to have an International Conference. Either there is no practical common sense among the people of the United States, or else they now know the essential facts that point to the necessity of such a Conference.

The farmers of the United States apparently are of the belief that some action must be taken by our Government to relieve the depression in their affairs. They have gotten together and have put pressure upon their congressmen and the latter, in their turn, have put pressure upon the Government, with the certainty that now, rightly or wrongly, something is going to be done. If the farmers had not done this or had continued talking among themselves in their various conventions nothing would have been done. If the clergymen of the United States want to secure a limitation of armaments they can do it now without any further waste of time. If, on an agreed-upon date, they simultaneously preach one sermon on this subject, in every church of every creed throughout the United States, and conclude their service by having their congregation adopt a resolution addressed to their particular Congressman urging upon him the necessity of having a business Conference of five nations upon this subject, the thing will be done. If the churches can not agree upon that, it will not be done nor will it be done until the good God puts into them the proper spirit of their religion. The responsibility is entirely upon the professing Christians of the United States. If another war like the last one should come, they will be responsible for every drop of blood that will be shed and for every dollar wastefully expended.

Cordially yours,  
TASKER H. BLISS.

Public Service Appeals Utilities Decision

A writ of certiorari to review the action of the Public Utility Commission in denying a higher rate of fare was granted. Public Service Railway Company by Supreme Court Justice Francis J. Swayze last Saturday on application of Frank Bergen, general counsel of the railway company. The matter will be argued at the June term of the Supreme Court.

The application for the writ followed a statement by Thomas N. McCarter, president of the company in which he said that if the ruling of the Board is sustained it will mean that no improvements or renewals of any kind can be made. Operation will continue where the cars can be kept running, and where the track is so bad that something must be done with it, operation must cease. No municipal improvement of any character on the part of the company can be contemplated. The property must continue to decay for lack of funds to maintain it. Several hundred cities have already solved their problems with a higher fare. Nearly one hundred of them have a ten cent fare.

Removing Paint From Wood.  
To rid room of bad odor give it a coat of paint or varnish. If a dead rat or mouse causes the trouble the odor will last until the little creature is entirely dried up. Lye will take off paint but would injure the wood for applying paint to later. Use a paint remover bought at a paint shop.—Housewife.

Philadelphia

## PUBLIC SERVICE

### Speeding Up

While you sew, the Thor Washer is preparing the weekly wash for the clothes line.

Place the soiled clothes in the smooth wooden Thor cylinder. Press the button releasing the motor. The washing process commences. Hot water, bubbling with soap suds, swirls in, around, through them. Take up your sewing while the Thor does the work that you used to do at the wash board. Does it gently, thoroughly, without "hard-on-clothes" wash board methods.

### Thor Washing Service Spells Time, Health, Energy For You

Now's the time to install Thor Washing and Ironing service in your home. Warm weather multiplies your washing. Visit our salesroom and investigate our divided payment plan.

### June

is the month of roses and brides. Sometimes the month of disaster and tears, when brides begin experimenting as cooks and housekeepers.

If the new home is fitted with gas and electric appliances such as we carry, housekeeping problems are reduced to a minimum.

If there's a June bride on your list, choose her gift here, at the home of sensible gifts. Gifts that render real service. Our guarantee stands back of all electric and gas household appliances. Every appliance you buy of us undergoes rigid tests before we offer it for sale.

### Superior Gas Ranges Are a Matter of Pride With Us

If a range doesn't meet our standard laboratory tests, we will not permit you to buy it.

This Direct Action Range is most modern in type. It is equipped with every labor-saving device.

Economical of fuel, efficient in cooking.

And it's equipped with the Lorain Oven Heat Regulator.

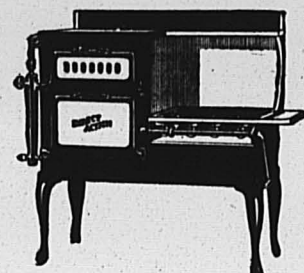

The Lorain Oven Heat Regulator gives you 44 exact oven temperatures and sustains them.

Setting the Lorain is as easy as turning a door knob.

The Lorain takes uncertainty and guesswork out of cooking.

It takes the responsibility of heat adjustment and dinner-watching off your shoulders and gives you every afternoon "off."

Be a real friend to the June bride—give her a Lorain equipped Direct Action Range.

On Easy Payments, \$110.86  
Cash, \$105.32

Same Model in White Enamel  
Also on Convenient Terms
