FIRST GAME OCTOBER 4

Foot Ball Team Under New Management Plans Big Season. Seats for Spectators

On Saturday, October 4th, the curtain will rise for the football season of 1924 in Riverton. For the last twenty-five or thirty years Riverton has always had an amateur football team of the first class. But conditions are different now. Then, nearly all the teams were strictly amateur aggregations, with professional teams few and far between. Now it is really the opposite.

The present management believes, as in years gone by, that the Riverton "True-Blues," dyed-in-the-wool followers of the pigskin still want to see the boys out there on the gridiron, rain or shine, playing for the love of the game. It costs money to run an amateur football team these days and plenty of it. The insurance on the players, the care of the field, the new benches, new rope enclosure, and the players' jerseys all cost money. The traveling expenses and guarantees of the visiting teams are high, ranging from \$25.00 to \$200.00 per game, depending on the reputation and playing ability of the team.

In previous years many of the followers of the game have made donations at the start and during the season to give the team some financial backing and this year is no exception. We need your aid now and during the football season. The seats along the field will be a new addition this year, and we think will be much appreciated. There will be a small charge for the seats, of course, but where can you get a ring-side seat these days for ten cents?

The management is sure you of a better brand of football than you have seen for years, and are sparing no effort to make the season a grand and huge success. All we need is your financial and moral support, and our plea is this: "COME OUT AND GIVE THE BOYS A LIFT."

THACHER AT P. T. A. MEETING

Popular County "Y" Group Speaker on October 15th Parent-Teacher Association Program

John W. Thacher, so well known among the "Y" boys of the County because of his "Knee-Deep in the Felt" illustrated lecture, is to speak on the subject, "The Crime of Some Things We Don't Teach Our Children" at the regular meeting of the Burlington County Council of the New Jersey Congress of Mothers and Parent-Teacher Associations, which will be held in Lenox October 15th. Mr. Thacher is a member of the County YMCA Committee and is one of the special representatives of that committee on the Ockanickon Camp and Conference Committee.

HALLOWEEN 1924

Last year, about ten days before Halloween a few persons got together and agreed that the old town should have a celebration. The result surprised the promoters as much as it did the townspeople. This year we have determined to give something worth while, and we ask our business men, and citizens generally, to co-operate.

We will have a parade from Elm avenue to Market street. This parade will be divided into fancy and comic sections, with prizes distributed in each section. There will be two bands of music, and all persons are invited to participate in the festivities.

It will take about \$300 for music and prizes, and contributions, large and small, will be acceptable to the committee. The lighting problem is a serious one, and we must ask the residents of Broad street to do their utmost to illuminate that thoroughfare.

We trust our people will do their utmost to aid the committee in making this celebration a success in "the Palmyra way."

CHARLES HAHN, EDWARD ROBERTS, FRANK A. MATTHEWS, EDWARD A. KING, EDGAR A. LAMON, WILLIAM E. HANKINS, THOMAS C. SCHWINK, GEORGE N. WIMER, Committee.

ARRESTED FOR NON-SUPPORT

David H. Elms Must Contribute to Child's Support

David H. Elms was arrested for the non-support of his one-year-old child by Officer Joseph Rogers Monday night. The arrest was made on a warrant issued by Overseer of the Poor Harry J. Saar, who had it issued after Elms' wife had complained to him.

The couple was married about three years ago. They separated August 15. Since then the husband has resided in Jamesburg, where he is employed by the Pennsylvania Railroad. She has been residing in West Palmyra.

Since the separation, Mrs. Elms claims her husband has made no attempt to support either her or the child. The husband was taken before Justice of the Peace William L. Fichter Tuesday morning, after being held in the Palmyra jail over night. At the trial, the judge awarded Mrs. Elms \$5 a week for the support of the baby. The husband's uncle, David Atkinson, of Burlington, is his bondsman.

Mrs. Elms will be remembered as Miss Phyllis Jones. She is the daughter of Mrs. Joseph Davis, Sr., by a former marriage.

Water and Gas Pipes In Way of New Surface Drain

Conard & Buzby, contractors, who are laying the storm sewer on Main street from Eighth to Broad, struck a snag this week near the point where the sewer was to enter the culvert. After a hundred feet or more of the trench had been dug, it was discovered that the water pipes and the gas pipes were too near the surface at this point to permit the storm sewer pipe being laid over them and it was necessary to close the trench and cross the street, entering the culvert on the East side instead of the West side as originally planned. The contractor claims that he dug the trench at the point directed by the Borough engineers.

THE BOY AND HIS DAD

National "Father and Son Week" Will Be Observed November 9-16

A constructive thought projected by one of the staff members of the Providence, Rhode Island, Y. M. C. A. just seventeen years ago has steadily expanded and developed into an "Institution for Good", and Father and Son Week is now nationally observed. Aside from the splendid spirit of happy, boy-like, good fellowship now more apparent as a result of the always popular father and son supper meetings, the movement has been responsible for the development of new relationships and benefits. Its growth has been gradual and accumulative, and far-reaching in its effect as a source of power for good. Speaking generally, "Dad" has found a new perspective. His attitude in respect to the importance of his boy has changed. He has become more intimate—more sympathetic to boy wants—and has developed a greater sense of responsibility to his boy, especially during the "teen" period when character molding is so important. "Son," as a general thing, has found a new side to "Dad," which has made him more of a companion and a better "coach" and "captain" than he was before.

Throughout Burlington County there will be numerous Father and Son banquets promoted by the co-operation of Churches, Sunday School district organizations, the YMCA and schools cooperating.

Specific suggestions for promoting a Father and Son dinner have been issued by the County YMCA Office at Mount Holly. They are also prepared to meet the demand for special Father and Son song sheets, the use of which greatly enhanced the benefit and enjoyment of such an evening together.

Frelinghuysen Asks Support for Edge

I shall support Senator Walter E. Edge in the coming election for United States Senator. I have not agreed with Senator Edge's attitude on some public questions and I have opposed him at the Republican primaries. The Republicans voters have, by a large majority, decided that Mr. Edge should be nominated. This settles the question and ends my opposition to him. The primaries were designed to give the members of each Party an opportunity to nominate the candidates they believe best fitted to carry out the Party principles. It is there the Party must settle conflicting views and to the decision of the voters at the primaries we must submit.

All Republicans desire the election of Coolidge and Dawes. If their administration is to be a success we must elect a Republican Congress. The election of Mr. Edge and a Republican Congress is therefore vital. I urge all my friends to support not only Coolidge and Dawes but also Senator Edge and the party candidates for Congress. The best interests of the party and of the country demand whole-hearted support. With it we will win and the country will be assured of four years of good government.

JOSEPH S. FRELINGHUYSEN.

HOSPITAL DRIVE OPENS

Will Begin With Church Announcements on Sunday, and Work of Getting Contributions Will Follow for Six Days

The most important work of raising funds for maintenance of the Burlington County Hospital during the coming year will be in progress all over the county next week, from October 5 to 12. The people will be asked to make up a fund of \$30,000 as their part toward the support of the charity that is carried on at this institution.

Burlington county citizens should know about the kind of work they are asked to support. Sixty-five per cent of the hospital's work is entirely free; twenty percent is for ward pay patients, and fifteen per cent is for private pay patients. The ward patients pay only one-third of the actual cost of the service they receive.

During the year ending September 1 there were 235 operations, 325 to 350 dispensary visits a month, or about 4,000 during the year. The total number of admissions during that period was 675.

Silver on Dark Blue Colors of 1925 License Tags

New Jersey license tags for 1924 are being sent out to the various branches of the Motor Vehicle Department of the state, and the new plates have a deep blue background, with silver numerals.

They will be ready for distribution on November 15, which is two weeks ahead of the date the 1924 tags were obtainable. It is hoped that the change of date will result in reducing the heavy rush of applicants during the last week of the year.

Baptist Church Notes

The regular meeting of the young people will be held on Friday evening at 8 o'clock. The subject will be "How Jesus Cheered the Fearful and Discouraged." John 14: 1-3; Matthew 10: 24-33.

Next Sunday morning worship at 10:45. Sermon subject, "The Test of Discipleship." Reception of new members and The Lord's Supper.

Sunday School at 2:30, a continuation of Rally Day. Every member present. New members welcomed. Classes for all.

Evening worship at 7:45. Sermon subject "Everything And."

Prayer meeting next Wednesday evening at 8 o'clock. Subject "The Value of Good Cheer." Psalm 32.

Don't forget the bazaar to be held by the Philathea Class in YMCA hall, Saturday, October 4th, afternoon and evening. Useful and fancy articles for Christmas.

Men respect you for things you stand for and despise you for the things you fall for.—Baltimore Sun.

Business prophets tell what is going to happen; business profits tell what has happened.

—Muncie Evening Press.

WINS BY BIG SCORE

P. H. S. Football Team Wallops Cape May High 90-0

Palmyra High opened its football season against Cape May High at the Field Club park Saturday afternoon. The clash resulted in an overwhelming victory for Palmyra with a record score of 90 to 0. The local boys made their debut before a large and enthusiastic crowd of local rooters.

The whole team played faultless ball and handled its opponents with ease. The line, although it is not extraordinary heavy, opened big gaps when the signal was given for line plunges. On the defense it held like a stone wall. The backfield men showed real class and speed. The boys followed their interference, which was superb, and were able to make long gains. The interference was able to "take out" the would-be tacklers with ease.

Coach Morse and "Boots" Lever have their protégé in the line position. The Palmyra boys took the hard knocks in the way real gridiron gladiators should, but when they backed the Cape May line, the shore boys usually called for "time out" to recover. Apparently the life guards got their training by playing hand ball on the beach.

Palmyra was only held for downs once. On the other hand, Cape May made one first down and that was with the aid of an aerial attack after several fruitless attempts.

In a football story, the writer usually says the winning team moved up the field with clocklike precision. But not on this occasion, for when Quarter Jimmie Burr ran the ball, it looked as if the pigskin had taken wings and just flew up the gridiron. Jimmie's ability to evade the opponents seemed almost supernatural.

The most spectacular run of the game was made by Jimmie. He got the ball on the kickoff and ran eighty yards for a touchdown. In addition to this he made a sixty yard run and several which were over forty. Jimmie's unusual speed allows him to make long dashes around the ends. Young Mister Burr was the high scorer, having six touchdowns to his credit.

Stackhouse, the human plough, went through the line for long gains. It takes two good men to stop him and then he frequently eludes them. Wood, the right tackle, did the kicking and used his toe to good advantage. He booted the ball over the cross bar for six points, and made two touchdowns.

Bright, a sub backfield man, crossed the line twice. All of the subs looked good. Hutchins, the little scrapper on right end, recovered a blocked kick and made a touchdown. Godley, the other end, played a wonderful defensive game and was credited with several nice tackles.

Miller put up a snappy game at right halfback. He is new at the game but showed the right spirit and fight. "Dix" made some pretty dashes through the line and around the end. He was the only backfield man to play the entire game. This was done for seasoning.

Captain Becton, the snappy little center, wins much credit for the victory. He kept the boys fighting their hardest every minute of play.

Sheerer and Hartley, guard and tackle, were towers of strength on the right side, while Fountain and Baxter checked the Cape May onslaught on the left section of the line. Wagner and Schmierer were out of the game with injuries received in pre-season training scrimmages. Wagner is an aggressive back with a wonderful toe and Schmierer shines on the line.

Had the team which started played the entire four periods, the score would have been way over the century mark.

Palmyra High	Cape May High	
Godley	left end	Crueland
Baxter	left tackle	Moon
Fountain	left guard	Wentz
Becton	center	Johnson
Scherer	right guard	Heberich
Hartley	right tackle	Bachman
Hutchins	right end	Keane
Burr	quarter back	Bennett
Wood	left half back	Hand
Miller	right half back	Taylor
Stackhouse	full back	Faust

Palmyra Fire Co. Makes Correction

Editor The New Era:

We desire, through the columns of your paper, to correct a statement which was made in last week's issue.

It was said that Paul Holvick, a Riverton fireman, was hit by the Palmyra truck when he attempted to signal it, so it, too, would not turn on the wrong road as Riverton had done on the way to the Moorestown fire week before last.

According to firemen riding on the rear of our truck, Holvick was struck by his own engine when it backed out of the wrong road. Palmyra was trailing the Riverton engine by some distance.

Riverton made the wrong turn and only went a few feet and stopped. When the turn was made, Holvick alighted from the rear of the truck.

Palmyra reached the intersection of the road just as the Riverton engine backed out, and our truck was forced to the extreme right of the road to avoid a serious accident.

The front fender of the Palmyra truck grazed the rear running board of the Riverton engine. Holvick, however, was struck with a ladder which extended over the rear of his truck, just before Palmyra passed.

We are only making this correction to leave the right impression, not to cause any ill feeling or contention.

PUBLICITY COMMITTEE,
Palmyra Vol. Fire Co. No. 1

He who knows only how to enjoy and not endure is ill-fitted to go down the stream of life through such a world as this.—Henry Van Dyke.

The great essentials of happiness are: Something to do, something to love, and something to hope for.

Sunday School Lesson

(By REV. F. B. FITZWATER, D.D., Dean of the Evening School, Moody Bible Institute of Chicago, Newspaper Union.)

Lesson for October 5

THE CHOICE OF THE TWELVE

LESSON TEXT—Matt. 10:1-42.
GOLDEN TEXT—Freely ye have received, freely give.—Matt. 10:8.
PRIMARY TOPIC—Jesus Chooses Twelve Disciples.
JUNIOR TOPIC—The Twelve Apostles.
INTERMEDIATE AND SENIOR TOPIC—Partners With Jesus in His Work.
YOUNG PEOPLE AND ADULT TOPIC—Urgent Need for Full Time Christian Workers.

Having set forth the laws of the kingdom in the Sermon on the Mount, and His power to administer the same, Jesus now calls for the twelve apostles to carry forth the work of the kingdom in the world. The twelve apostles were chosen from among the multitude of those who followed Jesus. They were not commissioned with church truth. These twelve stood in a peculiar relation to Israel.

1. The Ministers Chosen (vv. 1-4). These twelve apostles were chosen and commissioned to carry forth the work of the kingdom in the world. They were not commissioned with church truth. These twelve stood in a peculiar relation to Israel.

2. The Sphere of Their Mission (vv. 5, 6). They were to go only to Jews. They had no message for Gentiles, or even Samaritans. After Pentecost this sphere was widened. (See Luke 24:46-48; Acts 1:8). This would be a strange restriction to place upon ministers today.

3. Their Message (v. 7). "The kingdom of heaven is at hand." This meant that the promised kingdom of Israel was at hand, that Jesus Christ, the promised King, was present and ready to set up His kingdom if they were willing to have it. This differs widely from the message of the ministers today. After the church is translated, the same message will be taken up for a brief time by the remaining remnant. (See Acts 15:13-18; Rom. 11; Rev. 7).

4. The Supernatural Authentication of Their Mission (v. 8). They were clothed with power to work miracles. These wonderful works were really done by the twelve. Where is the minister today who is so foolhardy as to try to fulfill this?

5. Their Maintenance (vv. 9, 10). They were to make no provision for their support, but to depend wholly upon the Lord who sent them. They had received the message and power gratuitously, and they were to give it in the same way (v. 9). Happy, indeed, would we be today if we had more ministers who were willing to trust the Lord for their support instead of bargaining for a stated salary!

6. Responsibilities of Those to Whom the Message Was Delivered (vv. 11-15). Upon entering the city or town they were to inquire for a respectable place to stay. Into that home they were to bring peace. If the people would not receive them or hear their message, they were to shake the dust from their feet and to turn and go to the next town. This was a symbol of the Lord's rejection of the people who rejected their message.

7. Instructions Concerning the Testimony From Pentecost Onward (vv. 16-23). After Pentecost, testimony for Christ would be fraught with great danger. Both Jews and Gentiles would assault the messengers with the most bitter persecutions. They were scourged in the synagogues before heathen magistrates. Instead of bringing peace to the homes they brought divisions of the fiercest kind among families. In their defense they were to rely upon the Holy Spirit to aid them. These conditions were literally fulfilled in the period from Pentecost to the destruction of Jerusalem. Since the fall of Jerusalem no one has ever been scourged in a synagogue.

8. Teaching Applicable in All Ages (vv. 24-42). The disciple has the position of oneness with his Master. He is to courageously declare the whole counsel of God, though violently opposed, for so completely in the likeness of Jesus did He accept treatment of them as treatment of Himself.

9. Seeking the Mercy of God. We implore the mercy of God, not that He may leave us in peace in our view, but that He may free us from them.—Pascal.

10. Share in His Blessings. Only those who belong to the Lord's people have a share in His richest blessings.—Evangelical Teacher.

11. Great Faith. Great faith must have great trials.—Evangelical Visitor.

12. Body Attitudes Affect Thoughts. After 8,200 tests Chester W. Darrow of the department of psychology at the University of Chicago has decided that bodily attitudes affect emotions thought.

13. In general the person with a smiling attitude will think pleasant thoughts more readily, and one with a stern will more easily register unpleasant thoughts.

14. Bodily posture also is an important element, he added, the subject standing erect and straight responding more readily to pleasant thoughts than the person in a slouching posture.

KEEPING WELL

OUR NATIONAL CRIME

DR. FREDERICK R. GREEN
Editor of "HEALTH"

THE most common mistake of Americans is overeating.

With all our grumbling and complaining there is probably no country in the world, today, where the majority of the people get as much to eat as in this country.

The three kinds of food in which we are particularly prone to overindulge are sugar and starches, which are very much the same, and fats.

The consumption of candy, ice creams and soft drinks, all containing large quantities of sugar, has enormously increased in this country in the last 25 years. The general use of white breads, breakfast foods and other cereals has also increased.

Our forefathers, who were raised on a diet of cornmeal, whole wheat bread made of home-ground flour, bacon, ham, fresh meats, eggs and fresh vegetables, did not have an opportunity of eating the quantities of sugar and starches that we have on every hand today.

Now, sugar and breakfast foods are good foods.

The trouble is that we have retained our forefathers' diet and have added our present-day improvements, instead of using the present forms of confections and cereals as substitutes for some of the older forms of diet. The result is that we are eating a double allowance and are suffering therefor.

Fat is the surplus food which the body does not use and which has to be carried around as extra weight.

During the years of growth the body needs plenty of food for proper nutrition and body building, but after growth and development are completed only enough food is required to replace the natural loss and to keep the body functioning properly.

Every extra pound is a handicap.

Stand on the corner of any crowded city street and watch the people go by. It doesn't matter whether you select Michigan avenue in Chicago, Fifth avenue in New York, Commonwealth avenue in Boston, or Market street in San Francisco. Neither does it matter whether you observe people in the tenement-house district or on the boulevards.

The great majority of Americans are overweight.

We are eating too much because we have it to eat and we haven't learned yet to eat what is good for us rather than to eat all we can get.

And this in spite of the fact that the best evidence obtainable shows that the individuals who live longest and enjoy the greatest activity and the best health are the "hound dog" type—lean and lanky and wiry.

Avoid fat if you want to live a long and healthy life.

(© 1924, Western Newspaper Union.)

Revelation of the Ideal

The candor of a child, unconscious of its own beauty and seeing God clear as the daylight, is the great revelation of the ideal.—Raman.

God's Stewards

God owns man, possesses and controls. We are God's stewards.—Baptist Standard.

MAKING GOOD IN A SMALL TOWN

Real Stories About Real Girls

By MRS. HARLAND H. ALLEN

"SIDE LINES"

"SIDE LINES," to the small-town girl or woman, sometimes seem as alluring and as unattainable as the proverbial fruit that is just out of reach.

"But they're not!" insists one girl who manages to turn out numerous little painted cards, after a full day's work behind the counter. "It really seems me, after standing all day, to sit and make the little sub-dub-bies; I think any girl can have a 'paying hobby'."

Every girl who spends a stated number of hours every day at her typewriter, or behind her teacher's desk, or who has her life job taking care of a house, should have, if possible, an avocation that she can enjoy. Living in a small town is not a handicap. It is easier to make "pin money," in connection with one's regular duties, in a small place than in a larger one. There is less competition in a small town, and more leisure.

The small-town girl who doesn't know what she can make her "paying hobby" should take an inventory of her abilities. Can she make hats, do hemstitching, make buttons, paint postcards, make paper flowers, ribbon rosettes, silk lamp shades, quilts, house slippers, fancy handkerchiefs, or garters, lingerie pins, vases, beaded bags, door stops, wooden string holders, desk sets, directory covers, bird shelters and feed cups, toys?

One girl raised money making a new theater curtain for the village opera house, collecting the money for the advertisements painted on it from the town business men. Another embroiders collars and blouses. Still another makes a steady income planning and managing parties in her spare hours. There is money in butterfly gathering and mounting, making of soaps and toilet articles, making hair switches, poultry raising, gardening, running a rental library, and even in such a simple feat as advertising and selling one's old clothes.

In general, the article upon which the girl decides as her side line should be low in wholesale cost and simple in construction. It should be as nearly professional in appearance as possible. Lastly, where it is to be displayed or delivered in boxes, it should be carefully packed—for taking care of the article gives the subtle impression that it is worth taking care of, and that the hobby of making it is a real "paying" one.

Gas Range Opportunity for Thrifty Folk

In order to keep our gas range stock up-to-date as the most modern cooking equipment, we are constantly replacing certain stoves with newer models.

This spells real money-saving for you, for these discontinued models are all first class ranges. They give splendid cooking results; they're made of finest materials; they're Public Service tested, each one built in careful accordance with the specifications of the American Gas Association.

All enamel, half enamel and enamel trimmed; oven heat regulator equipped ranges represented.

Buy now, while prices are \$5 to \$20 lower

Tank Water Heaters Are \$3 Cheaper \$2 down

puts one of these sturdy little heaters to work for you, a year to pay balance in small monthly installments.

If you live in a bungalow or the cozy intimate type of house, one of these tank heaters attached to the boiler in your kitchen will give you excellent hot water service. Five minutes after you light the heater, you'll have plenty of hot water for dishes. Twenty minutes for a bath. Convenient service on a few cents' worth of gas.

Only the best makes are sold by Public Service. Choose your heater today. Enamelled or plain jacket. Double copper coils. Quick heating burners. Prices include connection from gas outlet in kitchen.

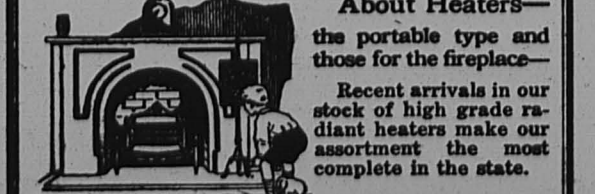

Plain jackets, special \$25 up, cash.

Plain jackets, special \$26.50 up, credit.

Enamelled tank, special \$25.50 up, cash.

Enamelled tank, special \$27 up, credit.

\$2 down.....a year to pay

About Heaters—the portable type and those for the fireplace—Recent arrivals in our stock of high grade radiant heaters make our assortment the most complete in the state.

A new heater in the fireplace, or a movable type, is a convenient addition to even the best heated home.

Rooms heated by gas mean cheap, clean, speedy warmth.

Tell us your heating problem, we will help you select the heater best suited to your need.

Fireplace heaters can be purchased on easy terms.

Small sum down, small sum monthly.

THE NEW ERA

Published every Thursday at
Riverton, N. J.

WALTER L. BOWEN
Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper.

Subscription \$1.50 a year in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of fine printing at reasonable prices

LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioners, Sheriff's and other Sales, Administrators' and Executors' Advertisements are solicited. The New Era will appreciate being remembered in this connection.

NOTICE

All readers or local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, will be charged for at the rate of fifteen cents a line.

Notice

In order that The New Era may reach its readers before the weekend purchases are made, it will hereafter be published and mailed on Thursday. Advertisers and others are requested to have their copy reach this office not later than Wednesday morning of each week.

Ferry Co. Pays Dividends

The Tacony-Palmyra Ferry Company has declared a 3% dividend out of the earnings. In a statement issued by Charles A. Wright, president, Mr. Wright says:

"We are pleased to announce that your property is now in a flourishing condition, the business having increased to that extent that your Board feels justified in paying a dividend of 3% out of the earnings, payable September 30, 1924, to those stockholders of record September 20, 1924. "We have reason to hope that the dividend rate hereafter will not be less than 6% per annum, for the receipts from the buses alone are enough to pay 6% per year on your entire capital stock."

Mattis Wins Fall Series

The race sailed by the boats of the L. I. Class last Saturday decided the fall series, which was won by Mattis with eighteen points. Robertson came second with twelve points. Robertson won the spring series. It is rumored that the race will be sailed to decide the championship.

The skippers of the sixteen footers sailed the L. I. Boats in a most exciting race, which was won by Owen Merrill at the helm of the "Rob". These larger boats are much faster than the ones to which the boys have been accustomed and there was considerable jockeying at the starting point before they finally got away with Merrill in the lead.

Edgar Miller sailed "Charmian", Dewees Showell sailed "Bellrose" and Malcolm Dickinson sailed "Le-wanna". Dickinson, Showell and Miller crossed the starting line well bunched in the order named. Merrill maintained the lead but Miller pulled up from last position and finished in third. The boats were very well handled and the young skippers kept close together throughout the race.

Electric Heat for P. S. Cars

In line with the policy of Public Service Railway Company to equip all of its cars with electric heaters, sixty-one cars in the Southern Division are now being outfitted with the most modern heating accommodations, heretofore heat has been supplied by means of coal and hot water stoves. Each car requires from twelve to sixteen heaters, each heater being about two feet wide.

This work is being done at Newton avenue shops in Camden.

Stout Re-elected County Chairman

At the organization of the Burlington County Republican Committee Monday night, Charles R. Stout was re-elected chairman. The other officers were also re-elected without opposition as follows:

William H. Heibler, of Pemberton, secretary; Alfonza Adams, of Florence, assistant secretary; George N. Wimer, of Palmyra, treasurer; Mrs. Nellie W. Russell, of Springdale, first vice chairman, and Mrs. Theresa R. Lord, of Mount Holly, second vice chairman.

The following were chosen as members of the executive committee: J. Lloyd Wright, Medford; Dr. Warren C. Pine, Riverside; Mrs. Marion C. Roberts, Moorestown; T. Sherman Borden, Beverly; Mrs. Anna R. Newcomb, Browns Mills; Joseph B. Fleetwood, Mount Holly; Mrs. Glenn Lindbury, Burlington; M. E. Matlack, Mount Holly; Evelyn Belcher, Medford; Edgar Fennimore, Burlington; Carleton Haines, Tabernacle; Mrs. Anna Darnell, Moorestown; John Geiss, Riverton; Caroline H. Haines, Burlington; John Hancock, Riverside; Mrs. Mary Krupnick, Mount Holly; Frank S. Kerr, Moorestown; Mrs. Ruth R. Fish, Borden; Charles F. Stevenson, Beverly; Mrs. Pearl Briggs, Riverside; Mrs. E. L. Godfrey, Moorestown; Mahel Paret, Moorestown; Florence H. Haines, Vincentown; Mrs. Caroline H. West, Beverly.

2:30 p.m., reception by house committee.

Quartette—Mrs. Leon C. Guest, soprano; Mrs. Luther R. Turner, soprano; Mrs. R. S. Rivers, contralto; Mrs. S. W. Collins, contralto. Mrs. Frank A. Bell, accompanist.

Wednesday, October 8th, 9 a.m.—Automobile trip to New Jersey State College, bus luncheon. Notify Mrs. Harry L. Rogers before October 4th.

Wednesday, October 15th—Fashion Show. Costumes for every occasion will be shown. Tickets on sale by the entertainment committee.

The Latest Traffic Rule

Vehicle Commissioner Dill has sent word to post departments in South Jersey that in the future horse-drawn vehicles and heavy trucks running slow must pull to the side of the road and give faster moving and pleasure cars the right of way. The penalty is fine not to exceed \$25. This will make a hardship on the horse-drawn, heavily laden wagons of farmers, who generally hold to the center of the road.

COMMUNITY CHEST DRIVE

The Annual Community Chest Col- lection 'Set for Week Beginning October 6th

Arrangements have been completed for the Community Chest Collection in Riverton and Cinnaminson Town- ship for the benefit of the Visiting Nurse Society, Burlington County Hospital, and the Cinnaminson Home. Announcement of the Drive will be made in all the churches in Riverton and Cinnaminson on Sunday morning next.

This is the third year for this com- bined Drive and it has proved to be an unequalled success, and it is hoped that our communities will come through as liberally as in the past.

Riverton has been divided into seven districts, the same as last year, with a team for each district. The districts and teams are as follows:

District 1—River to railroad—east side of Main street to Borough line. Ross T. Elliott, captain, assisted by Walter K. Woolman, G. Rex Shovel, Mrs. Edward Merrill, Mrs. Grace Bennett Coe, Mrs. Herbert M. Morris.

District 2—River to railroad—west side of Main street to east side of Lippincott avenue.

Harry E. Davis, captain, assisted by C. B. Durborow, Richard D. Barclay, Miss Helen Elaine Biddle, Miss Mar- jorie Marcy, Mrs. Percy Nevin.

District 3—River to railroad—west side of Lippincott avenue to east side of Thomas avenue.

H. H. Murray, captain, assisted by W. A. Hendricks, Mrs. Martha McI. Biddle, Mrs. Oliver G. Willis.

District 4—River to railroad—west side of Thomas avenue to Palmyra line.

Oliver G. Willis, captain, assisted by R. Percy A. Ransom, George W. Smith, Richard Hollingshead, Mrs. S. L. Warren, Mrs. R. F. Corry, Mrs. L. Fielding Howe.

District 5—Railroad to Cinnamin- son township line—east side of Main street to borough line.

William Baker, captain, assisted by John Seckel, Mrs. Walter T. Blyler, Mrs. George W. Smith, Miss A. B. Campbell.

District 6—Railroad to Cinnamin- son township line—west side of Main street to east side of Thomas avenue.

Howard Rogers, captain, assisted by Edwin S. Parry, Walter L. Rogers, James S. Coale, Mrs. Catherine Sontheimer, Mrs. Paul Barahart, Miss Beulah Parry, Mrs. Murray C. Boyer, Mrs. Harry F. Jones.

District 7—Railroad to Cinnamin- son township line—west side of Thomas avenue to Palmyra line.

Francis Elwell, captain, assisted by J. Douglas Clark, R. S. Williams, Howard D. Sordon, Mrs. Ralph Flow- er, Mrs. William Blyler.

In Cinnaminson township, Robert Wood is captain, assisted by Howard Taylor, Jr., Lindley C. Robbins, Mrs. Alexander C. Wood, Jr., Mrs. Charles Evans, Mrs. Lindley Robbins, Charles Evans, Evan Stover, Mrs. Joseph T. Evans, Mrs. Howard Tay- lor, Jr., Mrs. Arthur Richie, Mrs. Sin- gleton Mears, J. L. Lippincott.

James S. Coale is chairman and Fred P. Hemphill is treasurer. All checks should be drawn to the order of Fred P. Hemphill.

It is hoped that the residents of Riverton and Cinnaminson will be prepared to make their contributions when the collectors call on them and thus make the work as easy as pos- sible for the volunteers who are help- ing in this good work.

Asbury

Rev. and Mrs. Sherman and two children, of Lumberton, were Sunday visitors at the home of Rev. Fred E. Tansley.

Mrs. Samuel Painter, of Delanco, and two sons, Harvey and Bert, and families, were visitors in Asbury on Sunday.

Isiah Ward, Mrs. Lillie Ward and daughter, Mary, Thomas Hunter and Freeman Hunter motored to Trenton on Wednesday to attend the Trenton fair.

Match Play for Arthur Dorrance Cup

Aspects marked the first round of match play for the Arthur Dorrance memorial cup at the Riverton Country Club Saturday, September 27th. The high handicap men came into their own and aided and abetted by sundry strokes which the more expert golfers had to allow them, in several in- stances eliminated said experts from the tournament.

Following are the results of the first round:

W. E. Coe defeated H. L. Hirst 2 up.

W. K. Woolman defeated Filson Graff 4 up and 3 to play.

Mercer Shreve defeated Guy Ed- words 3 up and 1 to play.

George Holloway, Jr., defeated H. N. Sheble 2 up and 1 to play.

R. D. Taylor defeated W. W. Smith 7 up and 6 to play.

W. T. Blyler defeated H. L. Rogers by default.

E. M. Hirst defeated H. W. Seckel 1 up.

H. F. Jones defeated W. L. Rogers 1 up.

The second round of match play will take place Saturday, October 4.

Card of Appreciation

Kindly allow me through your paper to express to the voters of Bur- lington county my sincere apprecia- tion of their support at the recent primary election. I can never over- look such a fine endorsement.

FRED LIPPINCOTT.
Republican Nominee for Freeholder.

What This Administration Has Done

This administration has re- duced the cost of governmental operation, and it was not an accident. It did this by firmly assuming executive con- trol of the business organiza- tion of government and by hard work—not by oratory. As a result, under our new tax law, approximately six million dollars per day less, for nation- al purposes, will be collected in 1925 from the taxpayers, than for the fiscal year of 1921, and our public debt has been re- duced during the budget years, under this administration, by the sum of \$2,722,396,331.49. In 1921, the pre-budget year, of the cost of government collected in national, state, and municipal taxes, after debt pay- ments, our Federal expendi- tures were 59 percent and those of the states, cities and towns, 41 percent, but in 1923 the Federal Government took only 28 percent of the taxes, and 72 percent was spent by the states, cities and towns.—Dawes.

URGE UNIFORM ROAD MARKERS

Reports Show Suggestion to Use \$2,000 for Work in Each Area Is Being Carried Out.

ESSEX COUNTY FIGURES LEAD

Big Sum Invested for New Jersey Pensioners—Fund Exceeds Half-Million Mark, Treasurer Road Tells Trustees

Trenton.—The movement of the State Highway Commission for uniformity in cautionary and direction- ary road signs as an aid to the travel- ing public has received the co-opera- tion of each of the twenty-one coun- ties, as indicated in reports received by Major William G. Sloan, state high- way engineer. The county authorities were requested by the commission to set aside \$2,000 for road markers from their year's share in motor ve- hicle receipts apportioned by the com- mission.

Essex county reported it has com- mitted for signs to cost \$4,851.30 and that the work is twenty per cent. completed. All signs conform to adopted standards. The report added that because of the work for the county will be about seventy-five per cent. com- pleted when the contract is carried out.

Hudson County has spent approxi- mately \$1,500 for standard signs and the work now completed will provide about eighty per cent. of the signs needed.

Bergen has expended \$2,009.38 and its program is about twenty-five per cent. completed, representing about seventy-five per cent. of the needs.

Hunterdon Awaits Decision. No money has yet been spent in Hunterdon, according to its report, which adds that it is doubtful if any work will be done this year. "There is a question in the Board of Free- holders," continued the report, as to whether they will adopt the standard signs or to use signs similar to those erected by Somerset County."

Eighty-five per cent. of the program in Mercer has been completed at a cost of \$2,760.34, providing about thirty-five per cent. of the necessary signs.

In Middlesex, \$516 has actually been paid for signs, but the county is ob- ligated for considerably more. It is estimated that eighty per cent. of the necessary signs have been ordered and the balance will be provided in 1925.

Signs of the amount of \$500 have been ordered by Monmouth. Work will continue during the fall and win- ter to the amount of \$1,500 additional. About ninety per cent. of the neces- sary signs for the county will be provided by the \$2,000 suggested to be set aside.

In Morris an order has been placed for \$2,000 worth of warning signs. This work is five per cent. completed and the county's share will be com- pleted and the program will be com- pleted.

Ocean County reported that \$2,000 had been appropriated and that prac- tically 100 per cent. of the program will be completed in 1924, but that this year's work, however, will not complete the number of signs needed.

During 1923 Passaic erected 250 directional signs at the cost of \$900, and this year 300 similar signs have been placed at a cost of \$379. "The sign work in the county," said the report, "is approximately seventy-five per cent. completed and it is an- ticipated that it will be entirely finished during the present year."

Not Exactly Like Standard. In Somerset \$1,230 has been actual- ly paid for signs up to the present and the total cost for the year will be about \$2,400. The year's program is about ninety-five per cent. com- pleted. "The signs," says the county report, "do not exactly comply with adopted standards; the name of each town is painted on a separate arrow and the arrows are supported by iron posts."

Summit has spent \$4105. The \$2,000 has been appropriated. The county expects to do considerable between now and the end of the year.

Union expended \$2,006.85 and the season's program is completed. The sum of \$718.95 has been spent in War- ren for cautionary signs. Work will be continued during the fall and the cautionary signs program will be com- pleted. Signs erected this year will complete the number necessary for proper markings.

In Atlantic county considerable work was done previous to 1924, but approximately \$600 was spent on the sign program during the present year. A similar amount was spent in Bur- lington county, where about half the work contemplated has been complet- ed. Although Camden county has ap- portioned the amount suggested, none of it has been expended up to the present time, as the signs are now being painted and will shortly be ready for erection.

Cape May county has apportioned \$2,000 and considerable work has been done in making and erecting the signs, which all conform to adopted standards. About \$1,000 worth of signs have been ordered in Cumber- land and approximately 10 per cent. of them are in place. No money has actually been spent in Gloucester county, but the county will ask bids on signs at a meeting of the Board of Freeholders on October 14. Salem county has completed its program at an expenditure far less than the amount apportioned.

State Invests Pension Fund. Permanent funds of the State Em- ployers' Retirement System now ex- ceed the half-million dollar mark, ac- cording to a report read by State Treasurer William T. Reed at a monthly meeting of the trustees of the fund. Mr. Reed, by virtue of his office as State Treasurer, is custodian of the money of the system.

The money has been invested in municipal and school bonds, with the exception of a small balance being kept available to pay for bonds at

A New Disease

Naughty little Jimmy had been eat- ing green apples, so his mother had to call in the doctor.

"Now, my little man," said the kind doctor, "tell me what you think is the matter with you."

"It's like this, doctor," answered Jim- my from his bed of sickness, "you know how you feel when you don't know how you feel? Well, that's how I feel."

Cheerful Negligees
in Graceful Lines

The fairy story of some negligees like this one pictured here, is told in lace, thin silks and other sheer colorful fabrics. More practical ones are made of equally cheerful but heavier fabrics and all are cut on long simple lines.

In Modes for Evening
Fashion Is Tolerant

Both literally and figuratively speaking, fashion allows more latitude in evening gowns than in others. In them the mode is interpreted with flares and ripples, flounces and cascades. Two colors in crepe de chine, with embroidery of beads and metallic thread, make the lovely affair pictured.

MAKING GOOD IN A SMALL TOWN

Real Stories About Real Girls

By MRS. HARLAND H. ALLEN

THERE'S MONEY IN MILLINERY

ALMOST any "Main Street" girl can make money, if she has the millinery magic in her fingers. And almost any "Main Street" offers as a market a whole town full of women with the "hat habit." That's how a village milliner who freshened my own hat almost past recognition, after I had been caught in a thunder shower while passing through her town, put it. The "hat habit," it seems, is a craze for new chapeaux, whether needed or not, to the tune of two or three a season.

"Small town women are just as enthusiastic about having fresh millinery, in new models every few months, as city women are," she declared. "I make over their old hats, or give them new creations, just as they like."

Although millinery used to be as seasonal as the coal business, and had its one high peak in the spring season, when the rush for the annual "Easter bonnet" was on, it is now an all-the-year-round proposition. It may be started on small capital and may be profitably carried on in any community where there are a number of women who care about the quality and beauty of their headgear.

Even for the girl who has a decided knack for making hats, a course in millinery or an apprenticeship in a city shop are valuable training, almost indispensable to her success when she is in business for herself. But such training is expensive, and the profits of a successful milliner are large. The prospective hat maker should learn how to design, make and trim hats of all kinds for every reason and every purpose, for women and children of all ages. She can start her shop on a small scale right in her own home, or in one small room in a downtown store. For only a little money she can equip herself with an attractive assortment of various samples and materials in the popular shades. She should buy her materials in small quantities, at first, only as she requires them for special orders. Later, she will, of course, save money by buying wholesale. Newspaper advertising, and personal communication, by letter, telephone or personal call, are the best means by which the milliner can get customers.

SEASONABLE GOOD THINGS

A good cake is always in season and the housewife with a cake box well-stocked is always ready for company.

Almond and Chocolate Potato Cake. — Cream one cupful of butter and beat in one cupful of sugar and one cupful of sweet chocolate grated. Add the beaten yolks of four eggs, one cupful of fine-chopped almonds, two cupfuls of diced potatoes, two cupfuls of flour sifted with one-half teaspoonful of salt, two teaspoonfuls of baking powder, one teaspoonful of cinnamon and one-half teaspoonful of cloves. Add the flour gradually and alternately with milk enough to make a thick batter, three-fourths of a cupful, and lastly fold in the stiffly beaten whites of four eggs. Bake in a large tube pan which has been greased and floured.

Cheese Cake Pie. — Cream one-fourth of a cupful of butter and work in one cupful of sugar with two well-beaten eggs. Add alternately one cupful of liquid, either milk or water, and two and one-half cupfuls of flour sifted with one-half teaspoonful of baking powder and one-half teaspoonful of salt. Into a deep cylinder-shaped pan put one-half of this batter, making a depression in the center and fill this, spreading all over the batter, with the following: Thicken one cupful of milk with one tablespoonful of cornstarch, stir over the fire until it is well cooked, add one-fourth teaspoonful of salt, one cupful of fresh cream cheese, one beaten egg, one-half cupful of sugar and a flavoring of lemon extract or rich strawberry preserves. Cover with the remaining half of the batter and bake in a slow oven thirty-five to fifty minutes.

Sardine Sandwiches. — Remove the skin from the sardines; mash; add a little mustard, a dash of onion juice and a bit of mayonnaise. Spread on toasted oatmeal crackers, after buttering them lightly.

THE PIGEONS OF ST. MARK'S

The Piazza of St. Mark is the heart of Venice, Italy. On three sides it is enclosed by imposing buildings which appear to form one vast marble palace. On the east side is St. Mark's cathedral.

In the evening we went to the Piazza to drink coffee, listen to the military band, or promenade. It is the gayest then, and possesses a charm all its own. By moonlight the Piazza is strikingly impressive. Indeed, there is perhaps no more fascinating spot in Europe than this huge open-air drawing room. In the day time a large flock of pigeons enliven the Piazza. In accordance with an old custom, pigeons were sent out from St. Mark's cathedral on Palm Sunday, and nestled in the nooks and crannies of the surrounding buildings. Down to the close of the Republic they were fed at the public expense, but they are now dependent upon private charity. Toward evening the pigeons perch in great numbers under the arches of St. Mark, and if it is the least cold they draw their necks into their shoulders, with the neck feathers ruffled around their little heads, till they have lost all shape and look like a row of slate-colored cannon balls.

The Venetians are superstitious about killing the pigeons, so they have increased to great numbers in Venice. Near the two great wells, little cups of

(©, Western Newspaper Union.)

the small island that they forgot how to fly.

There was a new sea lion and when the visitors at the island had seen the animals and birds they were surprised to find the animals were really quite tame, though they had hardly ever seen people.

Possibly they had never seen any. A sea lion made friends with them right away and seemed eager to go along on the trip with the people.

All of this Billie Brownie heard as he went about on his visits.

He saw some other splendid lizards, penguins and many other interesting creatures and he said to some of them

"Hello, Cavy," said Billie Brownie.

that he really had no idea he would meet so many new creatures on this visit.

"Well, you're glad you did, aren't you?" asked the Land Lizard, wrinkling up his funny face in a most amusing fashion.

"Delighted that you should all be here," said Billie Brownie, and the Land Lizard said:

"Well, we like to see you. At least I do. I may have a pretty dreadful looking face but I am really all right."

"You can't think only of appearances. I believe I have heard that somewhere."

"And they must have been thinking of me without knowing it when they said it first."

Billie Brownie laughed. Certainly the zoo was filled with fascinating new and interesting creatures but he decided before he left that he would go and call on Mrs. Buffalo, who had a fine new son and Mrs. Lioness, who had several lovely little cubs.

He had seen them before but not for some time, and even though he loved seeing all the new animals he liked to see his old friends, too.

Last of all he went to see Miss Elephant, who had been quite ill but who was getting better now.

"They say that I'm improving," Miss Elephant remarked, "but oh, it is hard to be sick. They kept covering me with blankets last night so I would be sure not to catch cold."

"But I was so hot, Billie Brownie, and I kept throwing them off, only to

be covered up again.

"It really is dreadful, Billie Brownie, to be sick, and the medicine is not nice at all."

"But they say I'm getting along splendidly and that in no time at all now I'll be my old elephant self once more."

"That's good news," said Billie Brownie, "but I know the time seems to go slowly."

They brought Miss Elephant a simple luncheon of bran mash then and Billie Brownie waved a good-by.

Daddy's Evening Mary's Life

MARY GRAHAM BONNER

NEW AND OLD FRIENDS

"Hello, Blesbok," said Billie Brownie. He had called upon the Blesbok before he knew he had come from Africa some time ago.

The Blesbok was standing in his yard and didn't say anything. His horns stood up very straight, back upon his head and he looked very handsome in his purple and whitish coat.

He seemed so graceful and so attractive, but then Billie Brownie had

always greatly admired the members of the Antelope and Deer families.

"Hello, Cavy," said Billie Brownie. He was glad to see Cavy for the spotted Cavy was a small animal who had recently arrived in the zoo.

His home had been in the jungles of South America, and he told Billie Brownie of the excitement of jungle life.

"To some," he said, "it is very dangerously wild, but while it is that, to me it seemed like home and so I did not think of it as being wild."

"I hope you admire my whiskers?" Billie Brownie politely said he did.

Next Billie Brownie called upon a giant land lizard who had also just been brought to the zoo from South America and he also said hello to the new little penguin, a very small-sized penguin.

There were birds who had lived upon an island where few people ever went and so used were they to going about

TEACHERS' INSTITUTE APPROVED AND CRITICISED

It Was "Different" This Year. Pointed Comments on How It Impressed Some of Those Present

The State Teachers' Institute held at Mount Holly on Monday September 22nd, was somewhat different from previous meetings. The criticism has often been made during recent years that the Teachers' Institute was a waste of valuable time and money and that very little good was derived from them.

Realizing that the State authorities in charge of Institutes are striving to make the meetings more worth while, it was thought wise to get from various people attending this year's Institute opinions regarding the new plan and also suggestions which might be helpful in planning future programs. As the following program will indicate, the plan this year differed from those of previous years in that two Demonstration lessons were taught, one for Grade teachers and one for High School teachers. These lessons provided points for discussion in the smaller graded groups held for this purpose.

Music by High School Orchestra

The Mount Holly High School Orchestra entertained the crowd of five hundred and forty teachers while they were assembling. Much favorable comment was heard regarding the fine playing of this Orchestra.

Mr. Howard Gee led the Community Singing in his usual enthusiastic and efficient manner. The Teachers' Institutes in the State would not seem complete any more without Mr. Gee.

Better Teaching Conditions

Mr. Kaser in his part of the program impressed on the teachers of the County the progress which had been made in recent years in getting better salaries and more financial aid from the State, and urged that the good work be continued and that each teacher should prove herself or himself worthy of the bettered conditions. He made the point that every child, no matter how poorly equipped in mental powers he may be, is entitled to careful educational care. Efforts may be undertaken this year to arrange for more appropriate education for those of subnormal mentality in the County.

Mrs. Nina Frantz urged the teachers to subscribe for the Burlington County Educational News which is to be published again this year.

What Others Think of the "Institute"

Below are given comments, criticisms, and suggestions by various people who attended the General Meeting and different group meetings.

Comment by a First Grade Teacher

Professor Sharp's lecture demonstrating how a public school of very low standard, could be brought above average by a true democratic spirit, was very interesting from a public school teacher's view point.

True Americanism has its foundation in the public school. Opportunities that no private school can offer are found here. Every one is placed on an equal. The child of the public school is thrown with others of every nationality—thus introducing even in the first grade the first lesson of Americanization.

Comment by a Third Grade Teacher

This year's Teachers' Institute was a great improvement over previous years. It gave to us a practical demonstration of how to conduct a class, and not a lot of theory which at times is so vague. We could see how some classroom difficulties were handled, how group work was conducted, how the material was organized, in fact, a very definite plan was carried through to a conclusion. One very strong point was that the work was very closely connected with the home life. For example, pupils were to find at home all particles manufactured in the Northeastern States. Surely the parents could not help but appreciate and be interested in such concrete work.

I feel the speaker of the day, Mr. Sharp, was a most inspiring and en-

thusiastic man. He showed us so plainly our many duties as teachers of the public schools, and how we can tactfully give a word of encouragement to a boy or girl and become interested in his interests. This, at the time, often seems a mere trifle, but it often spurs a child on to greater things in life. After all, we must help them to live broader and happier lives, or we have failed as teachers.

Comment by a Fifth Grade Teacher

I think Institute was especially interesting this year for the reason that they had something more practical, the teaching of the two demonstration lessons, one for High School and one for the Grades.

The sectional meeting for the fifth and sixth Grade Teachers was in charge of Mr. Philhower. His thought had to do with the observation lesson that had previously been taught. He showed us that there were five different things to consider when criticizing a lesson: Namely, (1) Did the class learn from each other; (2) Did the class co-operate with the teacher? (3) Was the work real to them? (4) Did it appeal to the senses? (5) Did it awaken thought?

The afternoon meeting was a contrast of the teachings of the past with the teachings of to-day.

Comment by a Junior High School Teacher

In reference to the Teachers' Institute I feel that the Sectional Meetings, which I attended, have been of no value.

Because: Problems discussed were not of vital interest to all teachers, also no definite conclusion was reached.

I would like to see an Institute in which New Methods or Plans were actually tried or carried out which would apply to every-day school life. I think the Demonstration lessons would be of value if enough were given so as to interest teachers of various subjects.

Comment by Another Junior High School Teacher

1. The disadvantage of the Departmental meetings seemed to me, to be:

(a) That the topics discussed did not appeal to the teachers of all subjects.

(b) That the discussion of the problems was rambling. We were left with no definite solution.

2. I like the idea of demonstrating lessons, but

(a) The conditions were not good for the children as there were too many teachers and the audience was noisy, due, I think, to the fact

(b) That the subject was not of vital interest to all.

3. I feel that I should receive more help from:

(a) Meetings of teachers of the same subjects. I have heard, from High School teachers, about very helpful meetings at the New Brunswick Conference. One of these, which I, as a teacher of English, should have enjoyed hearing was a lecture by a Lawrenceville professor on "How to Interest Boys in Outside Reading."

(b) Demonstration lessons by experts, possibly from a normal school or a teachers' college.

I think that whether the demonstration be given in this way or by a County teacher, the discussion of the lesson would be more profitable if the teachers were notified in advance that certain things were to be discussed, so that some preparation could be made.

(c) More speeches like those made last year by the Bayonne principal on "What Constitutes a Good Teacher?" I should like to hear him again.

(d) Addresses by leaders from various fields of endeavor. If it is impractical to divide on the basis of subjects, I should enjoy hearing, in the group meetings, speakers who will afford inspiration even if the

speech does not pertain to my particular subject.

Comment by a Senior High School Teacher

The demonstration lesson given by Viola McCormick in Commercial Geography, Monday morning, September 22, at the Burlington County Institute, was one of the most skillful demonstrations I have ever seen at an Institute.

The lesson was thoroughly prepared. The aim of the lesson was to show that politics and elections influence tariff and industry. The subject matter seemed to be well organized, and there was the right appreciation of relative values.

The mechanics of plan arrangement were splendid in every respect.

The critic teachers were one in agreeing that Mrs. McCormick showed marked skill in conducting the recitation. The act of questioning has been made a fine art by this teacher. She held the attention and interest of the class for the whole period; reaching every individual. Time was economized to best advantage; securing and fixing definite results.

It was evident to all that Mrs. McCormick possessed the ability to manage children.

In general the attitude of the teacher toward criticism, her animation, sympathy, etc., led all to see the personal fitness of the teacher.

In comparing the values of the demonstration lesson to the instruction given by Doctor Jackson I am of the opinion that the former was of more value to most of the teachers present. The demonstration lesson and the criticism offered were applicable to individual cases; however, Doctor Jackson's lecture was valuable because it gave us something to think about in the field of supervised instruction; yet, this lecture was of no immediate value to the majority of the teachers assembled; since their work was not primarily in the realm of supervised instruction.

Comment by a High School Principal

It has always seemed to me that the group meetings of the Institute generally left the High School teachers with a feeling of indefiniteness, as those in charge either developed a subject of special interest to a few, or attempted to put too many problems before the meeting. Dr. Jackson cleared up a vital point in his group meeting by suggesting the justification of a somewhat lenient attitude toward graduation. Such interpretation of an administrative question which has caused much comment in school and out, was one definite thing that stood out in his meeting.

He also spoke forcefully about the Washington Trips which most High School graduating classes take. He made the point that a High School faculty is not living up to the highest standard if it allows its pupils to go on such a trip without being sure that the standard of conduct of the students is what would be expected of them in regular school hours and under home conditions.

Discussion is always weak in the High School group because the problems suggested are usually from people outside the county. Possibly the teachers would respond better if some one from their own County were previously selected by a higher authority to lead the discussion and if this person were to select some practical question vital to the particular group.

ANNUAL WATER RATES of the RIVERTON AND PALMYRA WATER COMPANY

OFFICE SUPPLIES

**Every Article Guaranteed**

See what you can buy at home from folks you know, before going to the city. Money spent elsewhere does not help your own community a bit. If you cannot do as well at home, then, of course, you are justified in going outside, but you will find in many cases that you can do as well or better right here. And you have the additional advantage of service if anything goes wrong.

Elections for a ballot to enable them to vote
on General Election Day. Applications will
be furnished by the County Board of Elec-
tions upon request and the application must
be filed with the County Board of Elections
not later than October 21, 1924.**GEORGE C. FRANK,**
Clerk of Cinnaminson Township.**Wire in Cow's Heart**A strange discovery was made by
a butcher in Ingersoll, Ont., when re-
moving the heart from a cow that had
just been slaughtered. Firmly imbed-
ded in the heart was a piece of small
wire about eight inches in length.
The wire had entered the heart at one
side and had been forced almost com-
pletely through that organ. The wire
was of the kind that is used on baled
hay and it seems remarkable that it
did not prove fatal to the animal.**City Has Own Income**O. A. Buffum is mayor of the only
city in the United States which is tax-
less. It is Long Beach, Cal. Through
the mayor's direction, the city bought
a piece of property that "looked like
oil" and turned out to be oil. A little
later Signal Hill property was bought
and it is producing gas. More than
\$1,000,000 of clear profit annually
above and beyond all running expenses
in the city's harvest as a result of the
two purchases.**Name Theater After Mozart.**A million-dollar theater, a rival to
the Wagner theater at Bayreuth, is to
be built at Salzburg, Austria, the
birthplace of Mozart. Mozart festi-
vals will be held there under the aus-
pices of international admirers of the
master's music. If the spirit of Moz-
art was present at the laying of the
corner stone last summer he must have
smiled with gentle cynicism, says B.
Doe, for the great musician went
without recognition from his native
place even after he had been recog-
nized elsewhere.—Mentor Magazine.**The Reason.**Mrs. De Style was finishing a letter.
Her husband looked over her shoulder
and inquired, "Why do you write it
'yet'?"
"I pronounce it 'yet'—don't it
demand the lady."
"Yes."
"All fashionable people do, don't
they?"
"I presume so."
The lady emitted a supercilious sniff.
"Don't you think I want the people
I correspond with to know I am ed-
ucated, huh?"**Just the Thing.**She was one of those little women
who are always looking for something
that will take up their husbands' idle
time.
"John," she said, "I wish you would
mend the front door lock."
"Can't," replied John, quaking like
an aspen leaf. "I've got to the shak-
ing stage."
"Oh, well, then, I know the very
thing; you can sift the ashes!"—Stray
Stories.

Sport Notes

Washington will be the scene of a
military polo tournament in September.It will soon be a question of get-
ting in the first story about the foot-
ball prospects.As many world records were broken
at the Olympic games as at an average
swimming meet.Alfred M. Wilson, of Minneapolis,
has been elected captain of the Yale
crew for next season.Perkins, a one-armed member of the
Indian Hill Golf club of Illinois, has a
hole-in-one to his credit.If our athletes are not careful other
nations will lose interest and fail to
send competitors to the Olympic games.If the principal object of a vacation
is change, it's a wonder some of our
incurable golfers don't work on holi-
days.You get another idea of what higher
education means from the fact that a
good variety football coach receives
a bigger salary than the president of
the university.Georges Carpentier, the French
heavyweight, has boxed in every coun-
try in the world where the sport of
boxing thrives. It is said that he has
set a record in gate receipts that has
never been equaled by any other ring
man.

MORE MONEY FOR BURLINGTON COUNTY SCHOOLS

New Plan of Distribution of State School Funds. Based on Attendance Instead of Property Valuations, Greatly Benefit Several Counties

The friends of the public schools in Burlington County were delighted to learn of the increase in the State appropriation to the County. Last year the State aid for schools in Burlington County was \$198,433.85. This year we are to receive from the State \$353,221.75 toward the support of our schools. The result should ultimately be increased efficiency in the classrooms.

Several other counties in the State are equally benefited through the new method of distributing one item (Reserve Fund) of the State School Money.

The increase in State support for Burlington County Schools this year was not obtained through legislation. The Whitney Bill passed the Senate but lacked a few votes in the Assembly. This bill, as you so well know, had as its object the partial equalization of educational opportunities in the various sections of the State.

Apportioned on Property Values

Ninety per cent of the two and three-fourths mills State School Tax is apportioned by law to the various counties in proportion to the taxable property of the counties. For example, if one county is twice as rich in real estate as another county it will receive twice as much of this State money. (The railroad tax, for the support of schools, is apportioned to the counties in the same manner.) When the State School Tax law was written upon the statute books of New Jersey, our law-makers realized that to apportion this money among the counties according to real estate would not in any way equalize educational opportunity in the State. Therefore, it was determined by law that ten per cent of the State School Tax, known as the Reserve Fund, should be apportioned among the several counties by the State Board of Education equitably and justly according to its discretion. In other words, the State Board of Education was given the power to distribute the Reserve Fund in such a manner as to correct, in a small degree at least, some of the injustices that would grow out of the method of distributing the ninety per cent. For a number of years our State Board has apportioned this Reserve Fund to the

various counties. Of course, this did not in any way correct the evils growing out of methods of distributing other school moneys. Our present State Board of Education, we are pleased to say, has proven to us that they are truly a State Board. They are interested in all the children of the State. They apportioned the Reserve Fund to the various counties according to the school needs of the counties.

Urgent Need for Legislation

Inasmuch as the apportionment of the Reserve Fund is placed at the disposal of the State Board, and inasmuch as we may not always have as just a State Board as we have at present, it behooves us to continue to work for a law that will provide for a just and equitable method of distribution of all school moneys. One example will be sufficient to prove the injustice in the present method of apportioning the Railroad Tax for schools. Burlington and Atlantic counties have approximately an equal number of school children. Nevertheless this year Atlantic County will get more than four dollars of this Railroad Tax for every dollar received by Burlington County.

Inequalities Still Great

For several years our County Superintendent has not had sufficient State School moneys to meet the "fixed" appropriations within the county (\$200 for each grade teacher, \$400 for each high school teacher, 75 per cent of transportation charges, etc.) This year he will have the necessary amount to meet these fixed appropriations, and in addition he will be able to apportion 3.8 for each day's attendance. Atlantic County is getting sufficient State aid for schools to meet the fixed appropriations and allow 15.5 for each day's attendance. To see how this difference in State aid will effect the local tax, suppose we take two imaginary schools of 40 pupils each. Locate one in Atlantic County and one just over the line in Burlington County. Each of these two schools have a total of approximately 7000 days attendance for the year. The county superintendents of the respective counties would be able to apportion to the districts in which the schools are situated the following State aid:

	Atlantic Co.	Burlington Co.
State Appropriation for Teacher	\$ 200	\$200
State Appropriation for Days Attendance*	1085	266
Total State Aid	\$1285	\$466
(*7000 x .155 equals \$1085)		
(7000 x .038 equals \$266)		

If it should cost \$1600 to keep each of these schools open for the year, the amount to be raised by local taxation would be as follows:

	Atlantic Co.	Burlington Co.
Cost of operating school	\$1600	\$1600
Less State Aid	1285	466
Amount to be raised by local taxation	\$ 315	\$1134

Everyone's Interest Lies Here

The Government of the United States functions under the Constitution in three departments: the Executive, that is, President, Vice President and the ten Cabinet officers. The Legislative: Congress, composed of two Senators from each State, over which the Vice President presides, and the House of Representatives, where each State is represented in proportion to its population.

The Judicial, i.e., the Supreme Court, composed of the Chief Justice and eight associate Justices.

The Executive may ask for Laws, but may enact none. Congress may make Laws, but may not execute them.

The Supreme Court may neither enact or execute Laws, but, on occasion, must determine whether any Law, enacted by Congress and duly signed by the Executive, is in harmony with the Constitution, which is the great Bill of Rights of every American citizen. If the Court decides against the Law, it becomes null and void. This makes the Supreme Court the hinge-wheel, the steady force of the Government so that Constitutional Law, only, may be applied to the differences of citizens, corporations or States—even.

The platform of the so-called "Progressive" party calls for an amendment to the Constitution which will permit the House of Representatives to re-enact a law that has been rejected by the Supreme Court and thus override its decisions. Thus, any party having a majority could defy the Constitution, and, by one after another of these enactments, the great Bill of Rights would be torn to shreds, and with the LaFollette Socialists in a majority we would have a modified replica of the Soviet government of Russia, where "The People" do not vote, and where no rights are recognized that are not favored

by those who administer the Nation's affairs. Let us see that this elf child dies a-borning. This is easily accomplished if only those who may vote will vote, thoughtfully, seriously to the outcome should success crown these un-American ideas through our indifference.

Yours for America,
A. G. MORSE.

The Endless Chain Letter

However the idea of the "endless chain" or "snowball letter," as some call it, originated, it is always a nuisance and often a fraud or a scoundrelly threat. An English clergyman in the London "Times" says: "In 1678 Pope Innocent XI condemned the circulation of prayers in this way. Some years ago a writer in the Bombay 'Examiner' calculated that if the 'conditions' were fulfilled, each letter would produce 400,000,000 in nine days."

"Beautiful Flowers in Spring"

The growing of bulbs for winter and spring blooming has become an extremely popular feature, because it is invariably successful, inexpensive to attempt, affords and unusual pleasure, provides your own flowers in winter and spring, and is an education and pastime for both young and old.

Any of our readers can secure free of charge, an instructive 72 page catalog from Mitchell's Seed House, 518-516 Market street, Philadelphia, which enumerates a complete list of bulbs with much information on their culture. Write to-day for a copy—it is free.

Remember it takes one hundred years to grow an oak—and for a squash, six months is sufficient.—George Eliot.

PUBLIC SERVICE CORPORATION OF NEW JERSEY

By paying \$5.00 down and \$5.00 a month per share, receiving interest at the rate of 6% per annum on all partial payments. *So good a security has never been offered on more liberal terms.*

The operating companies controlled by Public Service Corporation of New Jersey are among the largest of their kind in the United States.

Its public utility companies provide electricity, gas and local transportation service for four out of every five people in the most rapidly growing of the Eastern States.

In the last five years the output of electric energy has increased thirty-five per cent.; output of gas thirty-two per cent.; while increase in demand for local transportation by car and bus is at the rate of between 25,000,000 and 30,000,000 riders a year.

Public Service Electric and Gas Company supplies electricity to more than 476,000 customers and gas to nearly 625,000 customers. Public Service Railway Company and Public Service Transportation Company collect more than 1,500,000 fares a day. Public Service Production Company does a large engineering and construction business in this and other States.

Fourteen electric generation stations have a capacity of 425,000 horsepower, to which 250,000 horsepower will be added on the completion of the first section of the new "Kearny" station.

Ten great gas plants produce the largest part of more than twenty-one billion cubic feet of gas sold a year.

Nearly 900 miles of street railway track, some 2,500 street cars and hundreds of motor buses.

Six street railway terminals, including that in Newark, the most complete of its kind in the world.

Seventeen commercial office buildings.

Two ferries, operating seven boats.

More than 1,000 miles of electric transmission lines; seventy-three electric substations; an electric distribution system containing over 25,000 miles of wire; 33,000 transformers; more than 3,500 miles of gas mains.

Ownership of the stock of Public Service Corporation of New Jersey makes you a partner in this great enterprise. Join the thousands who have taken advantage of our *Customer Ownership Plan*.

WHERE DOES HE LIVE?

Voted in Cinnaminson Township
Twelve Years, Now Claims
Residence in Riverton

"Where does a man live?" was the question that confronted the Riverton school board in two cases when it met last Monday night.
The first case to be considered was that of Harold Wood, who boards in Riverton from Monday morning until Friday afternoon, and on the strength of it, the Riverton school board should pay his tuition in the Palmyra High School. Wood's parents live in Pitman. The Riverton board feels that the boy has not established residence in Riverton within the meaning of the school law, and after many conferences Mr. Wood has decided to try to get the Pitman board to pay for the tuition. Young Wood is in his senior year at Palmyra, having entered there while the family lived in Riverton on Thomas avenue.

The other case was rather more involved. It concerned the daughter of John E. McVaugh, who was sent to the Riverton school when it opened in September. The McVaugh's live on the dividing line between Riverton borough and Cinnaminson township. Mr. McVaugh has paid taxes and voted in Cinnaminson township for twelve years. When his daughter had finished the course at the Friends' school at Westfield, which only goes to the sixth grade, he found it convenient to claim residence in Riverton in order that she might attend school here and, curiously enough, a survey made by the borough engineers substantiated his claim as to the location of his residence. Under these circumstances there was nothing for the Riverton board to do but to admit the child.

The application of Harry Burns for a post-graduate course in the Palmyra high school was granted. Permission was granted to the Parent-Teacher Association to hold its annual reception to teachers in the auditorium October 9, in the evening, and to hold a bazaar and supper on December 5.

Miss Chace reported as follows: The highest percentage of attendance was made by the 8th grade, 99.7. All grades except the Kindergarten which made 92.5% were above 90%. The boys in grades 5, 7A and 8, made 100%.

There was no tardiness in the Kindergarten, nor in grades 2, 3, 4 and 5. The value of a coaching teacher is already apparent, and Mrs. Williams's time is completely filled. With forty-seven children in the first grade, a helping teacher is a great asset in that grade alone. Help, however, is being given to pupils in the second, third, fourth and fifth grades also.

We are asked to report to the State Department of Public Instruction whether we have a building program in the next three years. As we are probably beyond the legal requirements as to floor space at the present time, I am bringing the matter to your attention.

Extra Activities of School
The Junior red cross was emphasized in September. The Ledger Subscription Drive was undertaken by the children, and we are now awaiting results.

The following bills were ordered paid:
Telephone \$7.05
J. S. Collins & Sons, manual training supplies 74.34
S. A. Plimly, tuning piano 20.00
C. C. Birchard Co., music books 6.11
Houghton Mifflin Co., books 14.14
Universal Publishing Syndicate, repairing books 12.80
J. B. Lippincott Co., books 5.50
MacMillan Co., books 43.56
American Book Co., books 5.55
Hind, Hayden, Eldridge, books 6.42
N. S. Heston, magazines 50.50
Public Service Co., gas and current 15.21
R. H. Clelland, hauling 15.00
Underwood Typewriter Co., repairs 1.70
Strawbridge & Clothier, domestic science supplies 51.86
William B. Lynch, repairs to building 12.55

Live and Learn

If we as a people can learn from experience, without having to be hit on the head with a pail and hard times, the recent slight depression in this country should have taught its lesson.

When industry slowed up, jobs became scarcer—just enough scarcer that no one was really hurt, but enough to make a sensible man think and realize that any movement or any agitation which interferes with normal industrial activity strikes first and hardest at the working man.

As farm prosperity returns more men have jobs not only on the farms but in all lines of industry. A man who works a sawmill or a farmer should realize that his job depends on prosperity in other lines of business which use the product he produces.

The brakeman or engineer on a freight train should realize that his job depends on "the other fellow" who makes an article for transportation.

If we pull together as a nation success awaits us. If we fight among ourselves we court hard times and failure.

The work of the Dawes' committee of experts to formulate a business-like program for settlement of the Allied Reparations tangle, further emphasizes the value of team work along constructive lines.

This committee figured out such a practical plan that it was adopted on account of its sanity and simplicity. After five years of European intrigue and jealousy, plain every day, business sense and honesty won out over political inefficiency.

The people of Europe have suffered five long years to learn their lesson—namely—that one nation cannot profit at the expense of another.

Thus we do see intelligence finally conquering ignorance. How long individuals or nations suffer during the "process of education" depends upon their ability to learn from observation and escape the severe lessons which experience gives to those who refuse to learn otherwise.

The American people have only a bright future before them if they stand for the square deal policy which will assure continued agricultural and industrial activity.—The Manufacturer

SUNDAY SCHOOL MEETING

Rev. Samuel L. Hamilton Will Speak
on "Strengthening the Moral
Fibre of the Nation"

The great annual convention of the National Sunday School workers will convene in Trinity M. E. Church, Bordentown, Thursday morning, October 16th, at 10 o'clock. At 10:30 there will be at least four denominational conferences with their various denominational leaders in charge. Such conferences will be held by Methodists, Baptists, Presbyterians, and Friends. At 11:30 Rev. Herbert W. Blatchfield, Superintendent of Education of the New Jersey Council for Religious Education, will speak with reference to this work which he heads up in the State. Announcement during this same period will also be made of the various training agencies now available in New Jersey.

Dinner, reasonably priced, will be served to delegates at the Conference Church.

Divisional conferences embracing the functioning of the Children's, Young People's, Adults' and Home Department Work, together with a discussion of the technique of school administration, will commence at 2:45 and continue for a period of two hours up to the time of the business session at 4:45, with supper served at the Conference Church again at six o'clock.

In the evening at 7:30 the Young People's Division of the County will have charge of the Devotional Service. This will be followed by the principal closing address of the Conference by Rev. Samuel L. Hamilton, General Secretary of the State Council of Religious Education "Strengthening the Moral Fibre of the Nation."

SCOUT AUXILIARY

Regular Monthly Meeting Full of Interest
Monday night the Boy Scout Auxiliary of Palmyra held its regular monthly meeting at the Cinnaminson quarters. Practically every member of the Troop was out and the Hall was filled with their friends and parents.

After a short business meeting and hearing of the reports of the various committees the meeting was turned over to the entertainment committee of which William R. Gerkins is chairman.

The entertainment was followed by refreshments and dancing. Everyone present expressed himself as having a very enjoyable and sociable evening. The entertainment program consisted of a novelty act by Harold Wrigley and Edward J. Herbert. This was followed by a solo by Mrs. Richard Wilson accompanied by Mrs. Bender at the piano. Mrs. Helen McConnell gave a reading which was humorous as well as interesting. A duet was sung by Mrs. A. W. King and Anna McConnell accompanied by Miss Helene Johnson at the piano. The concluding number was a specialty by Messrs. Wrigley and Herbert accompanied by Miss Helene Johnson.

The Scout Auxiliary is making great strides in its organization and has a definite purpose in its existence. It was organized to foster the Boy Scout movement in Palmyra and its character building ideals. Its membership is open to those who are interested in the Boy and what the Boy Scout movement is doing.

BOY HIT BY AUTO

Eddie Hoff's Skull Fractured on
Cinnaminson Avenue

Edward B. Hoff, Jr., 6-year son of Mr. and Mrs. Edward B. Hoff, of Cinnaminson avenue, is suffering with a slight fracture of the skull which he received when he was hit by an auto driven by Samuel Bradley, of 3340 North Fifteenth street, Philadelphia, on Cinnaminson avenue about 8:15 Friday morning.

The youngster attempted to run across Cinnaminson avenue, just opposite his home, between two cars which were coming from the ferry and was struck by the rear auto which was driven by Bradley.

Bradley stopped immediately and with Chief of Police C. Morris Beck, who soon arrived on the scene, he took the youngster to Dr. A. P. Lore for treatment. Afterward the youngster was taken to Dr. Francis Voorhis where x-ray pictures were taken.

The child is now confined to his bed and is rapidly improving. In addition to the slight fracture, the youngster was badly shaken up.

Road Improvements Progressing Slowly

The work of rebuilding the roadway on Thomas avenue was started Tuesday. The workmen on Main street have started at Seventh and are working toward the Moorestown end, which has been finished except for the top dressing as far as Westfield. Work will be started between the railroad and the river within the next few days, and if the section between the railroad and Seventh street is not ready for the roadmen by the time the other sections are finished, this part will have to be completed at some future time. There has been considerable delay in getting the trees out between the railroad and Seventh street, preparatory to widening the roadway, and a further hold-up was caused by the fact that the pipe for surface drainage sewer was found to be too near the surface and some means had to be found to protect it from being crushed by heavy traffic before the trench could be permanently filled in. Several plans have been proposed, the most acceptable one seeming to be that of building a reinforced concrete support between the top of the pipe and the surface of the roadway.

East Riverton

Mr. and Mrs. Arthur Langin, of Bridgeboro, and Mr. and Mrs. Edward Anderson and son, Claude, moved to Toms River, Forked River, Red Bank, and several other places along the shore. They also stopped at the Fenimore cottage on Sunday.

Rev. and Mrs. George Palmer are receiving congratulations on the birth of a son, Sunday, September 21, 1924.

The fellow with too many ideas is as big a nuisance as a cat that has too many kittens.

FIRE PLUGS TOO SMALL

Demonstration With Pumper Convinces Water Company Officials
That Some Hydrants Must Be Replaced

The much-discussed question of the adequacy of the water supply for fire purposes was brought to a conclusion Monday night when a demonstration was held in the presence of Councilmen Charles F. Earp, John C. Geiss and G. Rex Showell, representing the borough, Charles A. Wright, Walter C. Wright and R. W. Knight, representing the water company, and a score or more of citizens.

Three fire hydrants were tried out—the first on Main street in front of Theo. Schneider's store, the second on Cinnaminson street near Seventh, and the third in front of Matti's butcher shop at Main and Harrison. The first hydrant furnished enough water to throw one stream satisfactorily, but when three lines of hose were put on, the streams did not reach to the tops of the adjacent houses.

On Cinnaminson street the condition was even worse.

At Main and Harrison three full streams could be drawn from the hydrant and the indicator on the pump still registered an adequate supply.

With these facts demonstrated, a conference was held between the borough officials and those representing the water company, and the following conclusion reached: While there is an ample supply of water in the stand pipes, and the capacity of the pumping station is double that of the fire engine, it was not possible to feed the pumper as fast as it could use the water owing to the small size of the hydrants. The officials of the water company were clearly surprised at the results of the test.

After this conclusion had been reached, Mr. Wright, president of the water company, began immediately to take steps to remedy the condition. Five hydrants of larger size will be installed on Broad and Main streets, and others will be added throughout the system as the need is demonstrated.

The introduction of powerful pumps on fire apparatus, has created a new condition for water companies, not only in Riverton, but all over the country, including the large cities. Water mains and hydrants that were ample for the demand when they were put in, do not measure up to the greater requirements of the new apparatus.

The officials of the Riverton and Palmyra Water Company now realize the conditions as they actually exist on the end of the hose line next to the fire, which is really the only thing that counts after all, and have expressed their willingness to make the changes necessary to supply ample water for adequate fire protection within the zone covered by its service.

LIGHTING ESSAY CONTEST

School Children of U. S. and Canada to Contest

School children of the United States and Canada will have an opportunity this fall to compete for prizes in a home lighting essay contest conducted by the Lighting Educational Committee, which includes representatives of all branches of the electrical industry. The movement is in the interest of better lighting of homes. Each contestant will write a word essay on how to improve the lighting conditions in his or her home and will illustrate the idea embodied in the essay by pasting pictures of lighting fixtures in model rooms, drawings of which may be found in the lighting primer. The primer may be obtained from all local fixtures dealers, electrical contractors or local lighting company offices.

The international first prize will be a \$15,000 model electrical home to be erected from model plans on a lot to be furnished by the winner. There will be ten other international prizes of scholarships to American or Canadian colleges and universities. In addition, prizes will be awarded for the best essays in each district and the best essays in each district will be entered in the international contest. It is expected that the contests will include 3,000 communities, with 5,000,000 children competing. Prizes worth a quarter of a million dollars.

SPECIAL OFFER

Typewriters at Reasonable Prices for
High School Pupils Desiring to
Practice at Home

High School pupils taking the commercial course will make much faster progress with their typewriting if they have a machine to practice on at home.

We can secure a limited number of Remingtons and Underwoods, thoroughly rebuilt and guaranteed for a year, which can be sold at very reasonable prices, or they may be rented. For those who prefer a new machine, the Remington Portable is admirably adapted to school work. Apply at The New Era Office, or phone Riverton 63-w or 344.

DRAWN FOR JURY SERVICE

Five Riverton Women and Three Men Are Chosen for October Court

Riverton names figured quite prominently in the jury lists drawn at Mount Holly last week, eight in all being chosen for service. Two Riverton men and two women are on the grand jury and three women and one man on the petit jury. The list of jurors from this vicinity follows:

Grand Jury: Anna L. Coale, housewife; Anna Atlee, housewife; John C. Geiss, agent; Louis A. Flanagan, retired, all of Riverton; Charles Jessup, retired, and Emily L. Lippincott, housewife, both of Cinnaminson. Petit Jury: Erman L. Hendrickson, housewife; Ada E. Price, real estate; May T. Slim, housewife; and Herbert Bruges, mechanic, all of Riverton; Howard Hunter, farmer, Cinnaminson; Ralph Rivers, clerk, and William R. S. Flick, retired, both of Palmyra.

MAKING GOOD IN A SMALL TOWN

Real Stories About Real Girls

By MRS. HARLAND H. ALLEN

RUNNING A WOMAN'S EXCHANGE

"YOU'LL never get rich," perhaps someone remarks, "running a woman's exchange."

Now, it is quite true that the small-town girl who organizes such an agency won't "get rich." Neither, in all probability, will the woman who markets her wares there. And yet, one girl, who did start just such an organization, is enthusiastic in her praise of the nationally-known institution, which, as she says, "assists without demoralizing"—the woman's exchange.

"The woman's exchange has helped thousands to become self-supporting," she says. "As for the proprietress, she not only makes a living at the work, but feels that she has a worthwhile job."

The most remarkable thing about the woman's exchange is that it has succeeded in so standardizing the home woman's output that it is certain to be as perfect as a factory product. It has overcome her too intense individualism and taught her to use that scientific care which will mean uniform high quality. The proprietress should never, therefore, through mistaken charity, accept work that is poorly executed, of inferior material or out-of-date. To do so will lead to disappointment all around, and will help no one.

Possibly she can get the co-operation of existing organizations or business houses and persuade them to donate space for the project in return for the advertising and good will it would bring them. The "W" room, or the room established for out-of-town women might be available. She might run the exchange on this basis: payment of one dollar to entitle a woman to place work on sale for six months, with the deduction of twenty per cent commission from the selling price of all fancy work. The charge for selling other goods could be arranged before hand in each case. Consignors should be permitted to withdraw all goods at any time; but to do so should mean that they would forfeit their membership unless they preferred to pay twenty per cent on all goods removed. Of course, these fees and commissions may vary to meet local conditions. The consignee should be presented with a statement acknowledging receipt of the goods, and the receipt would have to be presented by her if she asked for the return of her wares. A good ruling is that articles may not be removed during the month of December.

The rules vary; but whenever serving women is as important as earning wages—try running a Woman's Exchange.

(© 1924, Western Newspaper Union.)

KEEPING WELL

FATIGUE

DR. FREDERICK R. GREEN
Editor of "HEALTH"

WHAT is fatigue? What happens when we get tired? Everybody knows the sensation, but just how is it caused? What does it mean when we say that we are "all in," and just what has happened to us?

In the first place we have probably not had enough fresh air, or, putting it the other way around, we probably have had too much air that wasn't fresh, too much stale, vitiated air.

We have probably stayed too long in rooms that were overcrowded or overheated.

Then our eyes have probably been exposed to glare from unshaded lights that fatigue the muscles of the eye and make us feel tired.

Or perhaps we have been sitting too long on uncomfortable chairs or benches.

It doesn't matter whether we have been in an office, a factory, or a theater; sitting too long at a time on seats that are improperly adjusted to our bodies is tiring, whether we are working or playing.

Maybe our clothing is uncomfortable. In spite of the freedom of present-day dress, such as the flapper costume, for instance, many people still wear uncomfortable clothing, especially uncomfortable shoes, which restrict the muscles and cause irritation and fatigue.

Perhaps we have been sitting too long, walking too long, or playing too long and have so tired out one group of muscles without resting them by using another group.

Or we may have been surrounded by persons who were irritating or annoying, or by those who have bored us, so that we have been under constant mental irritation.

Any one of these things will tire us out; a combination of two or three of them will, of course, increase the fatigue.

When one is tired, his resistance to disease is lowered, so that his susceptibility to infection is increased.

The sensible individual, when he is unusually tired, instead of going to the theater, the ballroom, or the crowded public places for recreation, will lie down in a quiet, cool, well-ventilated room and rest until his mental and physical balance is restored.

He will then be not only in better condition to enjoy his recreation, but he may also guard himself against possibility of a serious illness.

Not His Time to Die

A miner was crossing the railway near Clermont, France, when he was struck by a passing train. People who ran horror-stricken to the spot expecting to find his mangled body, were astounded to see the man rise from the track and walk off, none the worse except for a few bruises. He had been knocked down exactly between the wheels, and the engine passed over him without touching him.

IMPROVED UNIFORM INTERNATIONAL

Sunday School Lesson

(By REV. F. B. FITZWATER, D.D., Dean of the Training School, Moody Bible Institute of Chicago.)
(© 1924, Western Newspaper Union.)

Lesson for October 12

THE SERMON ON THE MOUNT

LESSON TEXT—Matt. 5:1-15.

GOLDEN TEXT—Thy kingdom come. Thy will be done in earth, as it is in heaven.—Matt. 6:10.

PRIMARY TOPIC—The Prayer That Jesus Taught.

JUNIOR TOPIC—The Lord's Prayer.

INTERMEDIATE AND SENIOR TOPIC—Principles of Christian Living.

YOUNG PEOPLE AND ADULT TOPIC—The Sermon on the Mount in Daily Living.

The so-called Sermon on the Mount is not indeed a sermon but a proclamation of the principles and laws which shall obtain in Christ's Kingdom when it shall be established on earth. In applying the teachings of Matthew 5-7, two errors should be avoided, namely, that of the legalist who makes these principles the hard and fast standard of life for the believer today and also that of the one who denies that the principles or laws of the Kingdom are binding upon believers. Believers have practically the same relation to the Sermon on the Mount that they have to the Ten Commandments. While free from their demands as law, they find delight in retaining them as expressions of God's holy law and thus rejoice in the consciousness that Christ has met all the requirements thereof and that their standing before God is in Him.

1. False Prayer (vv. 5-7).

This consists in one praying to be seen and heard of men (v. 5). To go through the act of praying with such an object is to play the hypocrite. Many of the prayers uttered in the public sanctuary are false, for there is more consideration of what the people think than of what God thinks. In prayer the soul is dealing with God. Therefore, engaging in it to attract men's attention is blasphemy. Men who thus pray get a reward, but not from God. They pray to get notice from men and they get such notice.

2. Vain Repetition (vv. 7, 8). This does not mean that we should not pray the things desired, for we have examples of Christ and Paul praying three times for the same thing (Matt. 26:39-44; II Cor. 12:7, 8), but rather it means the use of meaningless repetitions, the meaningless reiterations of empty sounds. To pray thus is heathenish. The heathen nations in their worship of idols engage in senseless babble, which we see in the priests of Baal on Mt. Carmel (I Kings 18:26).

3. True Prayer (v. 8).

Since true prayer is a definite transaction of the soul with God, the communion of the human personality with the divine personality, we should have a real desire for fellowship with God and then go and meet Him in secret.

Life for its fullest development needs both solitude and companionship. Solitude alone makes one morose, while constant companionship makes one shallow. God who made us know what our nature required. Therefore, He commands both public and private prayer (Heb. 10:25; Matt. 6:6).

III. The Model Prayer (vv. 9-13).

This was given in response to the disciples' request that the Lord would teach them how to pray. It is not, therefore, the Lord's prayer, but the model prayer for the disciples which involves:

1. A Right Relationship (v. 9). "Our Father." Only those who have become children of God by faith in Jesus Christ (Gal. 3:26) can pray aright. One must be a child of God before he can be in communion with God.

2. A Right Attitude (vv. 9, 10). "Hallowed be Thy name." When one realizes that he has been delivered from the power of darkness and translated into the Kingdom of His dear Son (Col. 1:13) by being made a child of God, he cannot help pouring out his soul in gratitude and praise, intensely longing for the kingdom, the righteous rule of Christ on the earth.

3. A Right Spirit (vv. 11-13).

(1) That of trust which looks to God for the supply of daily bread. We are dependent upon Him for our daily food.

(2) That of love which results in forgiveness of others. God will not listen to the prayers of one who has an unforgiving spirit.

(3) That of holiness which moves one to pray not to be led into temptation and longs to be delivered from the evil one.

Believe

We are not to keep on looking out for the kingdom of God, but to believe firmly that it is come, and to live and act in that knowledge and assurance. Then will it indeed be come for us.—Hare.

THE NEW ERA

Published every Thursday at
Riverton, N. J.

WALTER L. BOWEN
Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious bias—the people's paper.

Subscription \$1.50 a year
in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of fine printing at reasonable prices

LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioners, Sheriff's and other Sales, Administrators' and Executors' Advertisements are solicited. The New Era will appreciate being remembered in this connection.

NOTICE

All readers of local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, will be charged for at the rate of fifteen cents a line.

Notice

In order that The New Era may reach its readers before the weekend purchases are made, it will hereafter be published and mailed on Thursday. Advertisements and other notices requested to have their copy reach this office not later than Wednesday morning of each week.

JUNIOR LEAGUE FORMED

Young Republican Women Organize and Prepare for Active Part in Campaign

The Republican Junior League of Women Voters was organized at the home of Mrs. Arthur J. Collins, Moorestown, last Friday afternoon. The following were elected officers: President, Mrs. Arthur Collins, Jr., Moorestown; vice presidents, Miss Edith Burr, Pemberton, Mrs. Charles Coles, Mount Holly, Mrs. Albert Lippincott, secretaries—recording, Mrs. Grace Bennett Coe, Riverton; corresponding, Miss Ruth M. Dotter, Mount Holly; treasurer, Miss Alice Darnell, Moorestown; social committee, Mrs. Viola McCormick, chairman, Mount Holly, Miss Alice Lippincott, Moorestown, Mrs. Leslie Krusen, Delanco.

Those representing the different towns of the county were:

Marlton—Mrs. Russell Brick, Mrs. Howard Wills, Mrs. Albert Lippincott. Medford—Miss Marjorie Lewis. Riverton—Mrs. William G. Porter, Mrs. Grace Bennett Coe. Delanco—Mrs. Leslie Krusen. Moorestown—Miss Dorothy Middle, Mrs. Edward Andrews. Mount Holly—Mrs. Sherman McAllister, Mrs. Edward Hyde, Miss Alice Darnell, Miss Edith Herr, Misses Claire and Lillian Haines, Mrs. Mallow Stackhouse, Mrs. Henry J. Sherman.

Riverside—Miss Jane Kittle. Florence—Miss Ada Hamilton. Pemberton—Miss Ethel Burr. Mount Holly—Mrs. Sherman McAllister, Mrs. Edward Hyde, Miss Alice Darnell, Miss Edith Herr, Misses Claire and Lillian Haines, Mrs. Mallow Stackhouse, Mrs. Henry J. Sherman.

Mrs. Henry J. Sherman, of Moorestown, gave a very inspiring and informing talk on just what the purpose of such an organization ought to be and the need of it in the county.

All young women who are whole-hearted Republicans are asked to send their names and addresses to the corresponding secretary, Miss Ruth M. Dotter, of Mount Holly. Those giving their names will receive notice of the next meeting, the date for which has not yet been decided upon.

REPUBLICANS TO ORGANIZE

Public Meeting Next Tuesday Night. Every Voter Invited, Both Men and Women.

A public meeting will be held in the auditorium of the Riverton Public School, Tuesday evening, October 14, at 8 o'clock, to organize a Republican Club.

Every voter is urged to be present—both men and women.

Signed,

Members of County Committee

Riverton 1st District,

G. REX SHOWELL

LENORA B. SHOWELL

Riverton 2nd District,

Many Fine Exhibits at Flower Show

A very successful flower show was held at the Porch Club on Thursday of last week.

The prize for the largest dahlia bloom, measuring 1 1/4 inches in diameter, was won by H. F. Jones; second and third place by Dayton H. Lamont, of Palmyra.

For the best specimen, D. H. Lamont, first prize; P. S. Groves, Jr., second prize; and D. H. Lamont, third prize.

Baskets for artistic arrangement—first prize, H. F. Jones; second, P. S. Groves, Jr.; third, D. H. Lamont.

Those winning for the best peony type were: first, D. H. Lamont; second, Mrs. Robert Biddle; third, Mrs. Benjamin Meckling.

The honors in the cactus type were given to D. H. Lamont, and Mrs. C. S. Woolman.

In the show type of dahlias D. H. Lamont was first; Mrs. George Madison, second; and Mrs. W. C. Williams third.

The single dahlia type was won by Mrs. Datis Reed and Mrs. Luke Jones.

The dahlias in the decorative type were won by D. H. Lamont first and Mrs. Datis Reed second.

Garden flowers for artistic arrangement in vases and bowls were won by Mrs. James S. Coale, Mrs. Norman Schriver, Mrs. F. S. Groves, Jr., Mrs. F. Turnbull, Mrs. Benjamin Meckling, Mrs. Robert Biddle, and Mrs. H. F. Jones won first prize for the artistic basket.

In the children's display the honors were given to Helen Schriver, Jack Naisby and Betty Showell.

We hope that ever so many more will offer their flowers for the exhibition next year. The show is not for the finest type alone, but sometimes the simplest garden flowers may win for artistic arrangement.

Locals

—Buy it at home.

—Mrs. J. W. Sylvester entertained at cards on Monday.

—Mrs. Russell Jermon entertained friends at luncheon on Wednesday.

—Mrs. Conrad Becker spent Friday with her daughter, Mrs. Elmer Bright, in Pitman.

—Miss Katherine Steedle spent the weekend with Miss Janet Sionaker, of East Philadelphia.

—Mrs. and Mrs. Edward S. Wood are staying at Briarcliff Lodge, Westchester County, New York.

—The new L. I. boat, to be sailed next season by Edgar Miller, arrived at Riverton Tuesday afternoon.

—Mrs. C. Kenneth Davis, who has been ill with bronchitis for the past three weeks, is now able to be about.

—Miss Dorothy Warner will open her school of dancing this Saturday afternoon at the Riverton Porch Club.

—Mrs. Carrie Ingraham, of Vineland, is the guest of her daughter, Mrs. Howard Alloway, of Elm avenue.

—Mrs. Ida Bunting, of Philadelphia, will spend the weekend at the home of Mrs. Louise Bishop, on Thomas avenue.

—Miss Mary Steedle was the guest over the weekend of Mr. and Mrs. Elmer Royer, of Willows avenue, West Philadelphia.

—Mrs. H. W. Portelov, of Wakefield, Rhode Island, is visiting her grandson, George Portelov, at the home of Mrs. Helen Kaser, on Elm avenue.

—J. W. Dawson and family, who have occupied the home of Daniel Willingmeyer for over a year, returned to Philadelphia on Wednesday.

—The Anna Stockton Chapter, Daughters of the American Revolution, will hold a rummage sale at 520 Main street, Riverton, Saturday, October 11.

—In another column the Misses Emily and Bessie Clark announce the opening of The Moorestown Book Shop at 64 East Main street, Moorestown, on October 15.

—The parade uniforms for the active members of the Riverton Fire Company were ordered Monday night. They will consist of regulation blue breeches caps, red shirts and white trousers.

—The fifteenth annual meeting of the New Jersey Tuberculosis League will be held at New Brunswick on Friday, October 24, 1924. The morning, afternoon and evening sessions will be at the First Presbyterian Church Community House.

—The Superintendent of the Burlington County Hospital reported at the monthly meeting of the Board of Managers, October 7, the number of patients as follows: Free ward patients, 34; pay ward patients, 18; private patients, 12; admitted, 64; discharged, 53; died, 4; remaining, 29.

—The Riverton Branch of the Red Cross, which has for some years furnished the Visiting Nurse Committee with supplies, has disbanded. This means that the committee will now be obliged to buy these supplies out of its funds, and contributors to the Community Chest Fund this week are asked to bear this in mind and give a little more generously in order to cover this additional tax on the resources of the Committee.

—The Christian Science Monitor brings to the school teacher authoritative and constructing news concerning world affairs. A high school principal says, "We take five copies of the Monitor. I often wish we took twenty-five. We could use them."

For sale at Union News Stand, Riverton station. —Advertisement

LAST CHANCE TO REGISTER FOR GENERAL ELECTION

If you are not registered for the general election it is time for you to be preparing yourself to attend to that important matter on October 14, which is the last time that the registry board will sit for adding names to the registry list. That is next Tuesday. These Boards will sit at the regular polling places from one to nine o'clock.

If you are sure that you were registered on September 9 or on Primary Day you are entitled to vote at the general election. Make sure that your name is on the list. There should be a list in front of your polling place. If there has been any slip in the proceedings up to this time, then you will be required to register on Tuesday next.

New Jersey election laws permit all men and women who will attain the age of twenty-one years before election day, November 4, to become voters by registering October 14.

SERIOUS REASONS DECREE.
SIMPLE CLOTHES FOR SCHOOL

DOUBTLESS if life were all that the vivacious, lovable and unexpressed flapper would like it to be, high schools would be converted into style shows in which her raiment would put poor old King Solomon to shame. But the powers that be have decreed very much otherwise. In the estimation of these law makers, school is the very last place in the world for showy clothes—which might distract the mind of the student and keep it on herself instead of on her studies.

Nevertheless these same powers believe that she should be smartly as well as simply dressed, that she must be educated in neatness and a sense of the appropriate, and furnished with attractive things suited to her years and occupations. She is allowed charming party frocks and dress-up affairs for afternoon, and her everyday school frocks are attractive. The majority of these are made of twills; wool rep jersey cloth, kasha, or any other sturdy and dependable materials in plain, plaid and fancy patterns and weaves.

The favored colors for school wear are navy, brown, dark green, dark red and the various plaids that combine two or more shades of one color or contrasting colors. Nearly all the dresses of plain dark fabrics are brightened by collars and cuffs in contrasting color or by braid, rows of buttons or pipings that supply color con-

trasts. Narrow string ties of ribbon sometimes supply a vivid color note, and several ties for one dress make it more interesting. A good model for school wear, especially for slender girls, is shown in the illustration. It is made of twill in a dark color, with some becoming fullness in the overblouse achieved by smocking. The narrow girdle with loops and ends at the back is brightened by a row of metallic buttons and the plain neck and sleeves relieved by collar and cuffs of flat lace. A tie of narrow velvet ribbon finishes off the overblouse and might be chosen in a vivid color or in one of those new striped ribbons in which several high colors are combined.

The KITCHEN CABINET

(© 1924, Western Newspaper Union.)
Give pleasure. Less no chance of giving pleasure, for that is the ceaseless and absorbing triumph of a truly loving spirit.—Henry Drummond.

These salads are not new, neither are they unusual, but the materials are so common in the markets and gardens all may enjoy them and with a garnish which may be different.

Gambian a la C.—Take one cupful of chopped cabbage, one-half cupful each of diced pineapple and apple, shredded almonds and marshmallows. Mix the ingredients, sprinkle with salt and add a boiled dressing, using pineapple juice with lemon juice instead of vinegar. Garnish with spoonfuls of whipped cream and shredded almonds. Serve on lettuce.

Spinach Salad.—Take two cupfuls of cooked spinach, add two hard-boiled eggs, cut into eighths, season well and serve with mayonnaise on lettuce.

Apple Salad.—Take two nice, well-flavored apples, peel, cut into dice and add one-half cupful of diced pineapple and one cupful of diced celery, season with salt, cayenne and mix with a good salad dressing. Garnish with narrow strips of red apple, unpeeled, and serve on heart leaves of lettuce.

Raisin and Green Pepper Salad.—Simmer one-half cupful of raisins in orange juice until soft. Add a teaspoonful of lemon juice. Arrange a bed of lettuce, cover with shredded green pepper and the raisins and pour over thousand-island dressing prepared as follows: Beat very slowly one-half cupful of mayonnaise dressing; add one teaspoonful of vinegar, one-fourth teaspoonful of salt, paprika and cayenne, one teaspoonful of chopped red pepper, the same of green pepper and olives, all chopped fine. Mix well and add onion juice or scraped onion if desired. Use only enough to moisten the salad. Keep in a cool place and it will be fresh for some time.

A nice supper dish for those who enjoy sardines is to heat them very hot and serve on hot buttered toast with wedge of lemon and sprig of parsley for a garnish.

Neenie Maxwell

to start off again at three-fifteen promptly."

Puzzlers
If I had an apple and you had a bite what would you do? Scratch it.

Did you hear the latest? No; what is it? It's not out yet.

Why has a ditch-digger always a pretty wife? Because he always has his pick.

If you saw a girl sitting on the lawn with her stockings on wrong side out, what would you do? Turn the hose on her.

All-Star Team From Eastern League Named

The sporting editor of the Springfield Union has selected the following all-star Eastern league team: Catchers—Schauffel, Watertown; Ritchie, Albany. Pitchers—Fortune, Springfield; Ulrich, Waterbury; Graham, Worcester; Owen, Hartford; Kamp, Pittsfield; Thormabell, Albany. First Base—Post, Springfield. Second Base—Harrington, Springfield. Shortstop—Malone, Hartford. Third Base—Schmehl, Hartford. Outfielders—Webb, Pittsfield; Genin, Albany; Emmerich, Worcester. Utility—Benes, Springfield; Kenna, Hartford.

Diamond Notes

Barney Friberg continues hitting the ball hard.

Bob Coleman has renewed his contract to manage San Antonio next season.

The Chicago White Sox and New York Giants will sail about October 15 for their exhibition tour of Europe.

Lester Bell, Milwaukee shortstop, whom the St. Louis Cardinals have a string on, is hitting .346 for the Brewers.

Walter Beall, crack pitcher of the Rochester International league team, has been sold to the New York Yankees.

Claude (Paddy) Blake, who was with Utica until that club went on the financial rocks, has been signed by Toronto.

Gene Layden, for the past two seasons with Canton, Ohio, has been reinstated by Commissioner Landis and has joined the Cincinnati Reds.

Lou Gehrig, Hartford slugger, has been recalled by the Yankees. He was farmed out last spring after making a fine showing in the practice games.

Shortstop Michaels, who worked this summer in Little Rock, has reported to the Cubs. He was with the club last spring when it trained at Catalina island.

Jim Tunney, former Holy Cross baseball player, and Hugh McElvney of Notre Dame have been signed to play with the New York National league baseball club.

Pitcher O'Neill, who has been with Longview of the East Texas league all season, has joined Beaumont. He is a right-hander and won seven and lost seven with Longview.

Buddy Williamson, of the Hattiesburg club, leading twirler of the Cotton States league this season, has been sold to the Columbus (Ohio) club of the American association.

If Babe Ruth intends to play exhibition games on the Pacific coast in the fall he will have to obtain consent of all American league club owners, according to Commissioner Landis.

Kansas City has purchased Outfielder D. W. Shaney from Terre Haute of the Three-I league. He is twenty-four years old, a right-hand batter and thrower, and has been hitting the ball hard.

Cleveland has returned Pitchers Andy Messenger and Frank Wayneberg to Saginaw of the Michigan-Ontario league. Messenger made a fine impression in a few games he worked, but lacks experience.

Albert Raymond, outfielder of a semi-professional team of Clifton, N. J., who has been signed by the New York Americans, established what is believed to be a semi-professional record for consecutive hitting when he made his twelfth safety in twelve successive times at bat.

Play Under Difficulties

A football match at Loughton Bus-gard, Bedfordshire, England, was twice stopped while a player disinfected the ball and his boots. The game took place in a meadow adjoining land declared infected by foot-and-mouth disease. Twice the ball went over on the forbidden territory, and the player who fetched it had to dip his boots and the ball in a bucket of disinfectant before the game was resumed.

Clock as Clerks

The efficient business man nowadays, we hear, keeps an alarm clock in the office—not necessarily to wake him when it is time to go home, but as a reminder of appointments with callers. The clock is ingeniously constructed, and if, say, you have to keep an appointment at 2:30, you merely insert a card in a slot opposite the half-hour mark, and forget it until the bell reminds you of your duty.

Modern Youth

"How dare you talk to me in that tone! Don't you know I am your father?"
"Yes—but you can't blame me for that!"

DO GIVE US A TRIAL

The Bell Telephone Company, in the section of the directory giving instruction for the use of the phone, says the average person is tired of being told "Don't do this, and don't do that."

We will drop the "don'ts," but sincerely say: "Do consult us before buying a used car elsewhere."

This is a local institution, depending upon local support, so must therefore render courteous service on a used car after the purchase has been made.

We cannot tell a prospective buyer one thing about a car and have him find differently after he has driven the car. Our reputation and continued business success depends upon the manner in which our customers are treated.

Little Travelogues

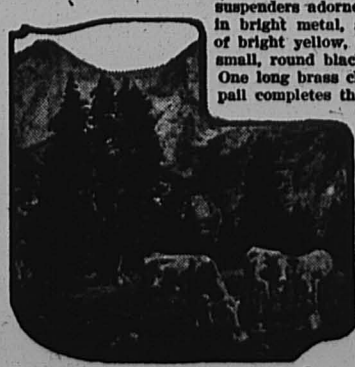

By BLANCHE GILL

THE ALP-DRIVE

The happy days we spent in Interlaken, Switzerland, will long linger in my memory. In the mountain regions of Switzerland the start of the cattle to the summer pastures, the so-called Alpaufzug (Alp-drive) is always a festive event.

Interlaken has been making a particular feature of this day, which means so much to the herdsmen and their families. During the winter the cattle are kept carefully housed in stables, which as a rule adjoin the dwellings of their owners. In the springtime as soon as the winter mows have melted from the lower slopes and the mountain pastures are again green with fresh grass and starred with tiny bright flowers, the herdsmen and their cattle quit the valleys and wind in long procession up the rough and zigzag paths to their chalets dotted about on the mountains, for a summer of cheese making.

The king of the Alpine procession, a handsome, powerful bull, marches in front. He is decorated with beautiful garlands of flowers. In a long row the cows now follow their leader, all scrupulously clean, and every one embellished with a collar of spring blossoms, and a merry tinkling cowbell. At their sides walk the herdsmen. These herdsmen wear white shirts, broad leather suspenders adorned with images of cows and goats in bright metal, scarlet waistcoats, knee breeches of bright yellow, white stockings, low shoes and a small, round black hat of felt bound with flowers. One long brass chain carrying a little milk pail completes the costume.

(© Western Newspaper Union.)

Following the cattle come vehicles of varied descriptions containing the women folk and children of the herdsmen, with great copper cheese-kettles and dairy utensils piled high. The procession moves slowly along, the cowbells tinkle, tinkle, tinkle, the herdsmen shout and yodel, awakening the echoes of the mountains, or sing the song of the cowherd—the Hans des Vaches.

This is the Alp-drive, a most characteristic and picturesque sight in the mountainous regions.

People Have to Buy Tickets.

sions. And so I don't own a lot of things and so I don't need money.

"It may be true that money is needed in order to keep me in good order. I really believe this is true. And too, I must have people to look after me and to attend to my fire needs and all such things."

"I am just as glad I don't need to carry baggage of my own for it would only be a nuisance."

"And though I carry sleeping-cars I don't go to sleep myself, but travel on right through the night."

"I don't get sleepy. My headlight is so bright and I can see what is ahead of me."

"My engine driver will stop me if there is danger ahead and there are signals at various points to tell us if we can go ahead or not."

"But now it is summer and the windows of my cars are opened."

"I'm afraid I make the people's faces dirty, but I can't help that."

"Anyways, I don't tell them that their faces are dirty. I'm not rude to them. If they find it out themselves that is all right."

"No one objects to their washing their faces."

"It is beautiful through the country now. I love to hurry along."

"I whistle out to some of my friends as I pass them by and as I come near the stations I whistle to them and say: 'I am coming. The train is coming. It is not far away.'"

"On, yes, I always greet my friends. 'It is splendid to be a train and to travel and to see what is going on in the country.'"

"They are saying now. Beautiful sight to see them saying. Well, I can't talk any more. I've an engagement."

Daddy's Evening Fairy Tale

By MARY GRAY-BONNER

THE TRAIN

The train was dashing along through the country, but had stopped for a few minutes.

"Some people," said the train, "only travel in the summer time. They stay home all the rest of the year, but in the summer they go off for trips."

"They visit each other or they see other parts of the country. But I travel all the time."

"Of course there are some people who travel at all times of the year and at Christmas time many people take little trips so as to go home for Christmas dinner."

HOW HE KNEW HIS COAT

After dining at a fashionable London restaurant a man with a shabby character went to the cloakroom, and was astonished to be handed his overcoat before he produced his ticket.

"How did you know that was mine?" he asked the attendant.

"I didn't, sir."

"Then why did you give to me?"

"It's the one you gave me when you came in, sir."

SHOW INCREASE IN VALUATIONS

**Jersey City Leads in Tax Rate
Reduction—Second in Rat-
able Jumps.**

SOUTH AMBOY NET DECREASE

Novel Procedure Followed to Combat
Run Running on Coast—U. S. At-
torney Wins, Invoking Mari-
time Laws, Files Libel.

Trenton.—Sixty-four municipalities in Jersey this year increased their net valuations of ratables over the figures for 1923, according to a compilation by the State League of Municipalities.

South Amboy is listed as the only city showing a decrease in net valuation. The increase in valuation were accompanied by a jump in the tax rates in 43 of the municipalities. In 22 other cities and towns when the valuations went up the tax rate came down. Clifton, Passaic county, is the only city having a stationary tax rate, \$3.04 in 1924 and the same in 1923. Clifton, however, made a substantial boost in its ratables.

Some of the larger cities increasing their tax rates follow:

Newark, 1923, \$3.78; 1924, \$3.78; Paterson, 1923, \$2.99; 1924, \$3.11; Camden, 1923, \$2.75; 1924, \$2.80; Bayonne, 1923, \$3.29; 1924, \$4.01; Passaic, 1923, \$3.19; 1924, \$3.55; Atlantic City, 1923, \$3.50; 1924, \$3; Perth Amboy, 1923, \$4.50; 1924, \$4.05.

New Brunswick, 1923, \$4.54; 1924, \$4.63; Plainfield, 1923, \$4.54; 1924, \$3.13; Garfield, 1923, \$3.56; 1924, \$4.09; Long Branch, 1923, \$4.63; 1924, \$5.39; Aabury Park, 1923, \$3.99; 1924, \$4.27; Gloucester, 1923, \$3.55; 1924, \$3.96; Rahway, 1923, \$3.99; 1924, \$3.16; South Amboy, 1923, \$5.09; 1924, \$5.53.

Cities showing a decrease in their 1924 tax rate as compared with 1923:

Jersey City, 1923, \$3.78; 1924, \$3.60; Elizabeth, 1923, \$3.09; 1924, \$3.08; Millville, 1923, \$4.88; 1924, \$4.048; Ocean City, 1923, \$4.20; 1924, \$3.50; Ventnor City, 1923, \$3.79; 1924, \$3.028; Hammonton, 1923, \$4.62; 1924, \$3.44.

Among the more important municipalities reflecting an increase in ratables this year over 1923:

Newark, 1923, \$578,971,103; 1924, \$624,659,461; Jersey City, 1923, \$476,998,411; 1924, \$500,064,526; Paterson, 1923, \$159,714,121; 1924, \$177,874,222; Camden, 1923, \$144,753,743; 1924, \$151,401,548; Elizabeth, 1923, \$107,324,641; 1924, \$118,600,821; Bayonne, 1923, \$126,809,345; 1924, \$150,565,851; Passaic, 1923, \$79,024,808; 1924, \$89,959,238; East Orange, 1923, \$82,927,446; 1924, \$88,331,687.

Combat Run Running

Invoking provisions of the maritime laws, novel in this district as a means of combating run running along the New Jersey coast, United States Attorney Walter G. Winne has filed a libel in federal court against the power boat Bie & Shlott, which was seized by the revenue cutter Kickapoo 19 miles off Cold Spring Inlet.

The Bie & Shlott is alleged to have had on board 519 cases of liquor taken from the British vessel A. J. Balfour of Nova Scotia. The charge on which the libel is based is that the Bie & Shlott, rated as a coastwise vessel, went on a foreign voyage without registry and was operated for a purpose not stated in her license.

The crew of the vessel, consisting of her captain, George Jackson, Charles Nelson, Frank T. Thompson and John Olsson, were released in Atlantic City, but the vessel and her cargo were held. The procedure followed suggests a method for reaching run runners even though they operate beyond the 12 mile limit, now the accepted distance within which vessels may be searched for contraband.

Judge Bellstab imposed a fine of \$100 in federal court upon Holden O. Bassit of Vineland, charged with violating the Mann act by taking a seventeen-year-old girl to Virginia. Bassit was fined \$500 in the Cumberland county court and settled a civil action by the payment of \$300. In view of these facts Judge Bellstab said he regarded a fine of \$100 as sufficient further punishment.

Ten defendants who had pleaded guilty to violating the national prohibition act were sentenced by Judge Bellstab to pay fines ranging from \$100 to \$400. A fine of \$300 was imposed upon Thomas Schill, proprietor of the cafe at 186 Market street, Newark, widely known in former days as the site of "Murray's." Fines of \$100 each were imposed upon George Belrock and Arno Feumer, bartenders in the same cafe.

Other fines were: Barney Beck, Trenton, \$300; Steve Stefanick, Camden, \$300; Owen A. Doyle, Jersey City, \$300; Patrick Campbell, Bayonne, \$300; William Campbell, Bayonne, \$300; George Fenning, West Hoboken, \$300; William Penman, Atlantic City, \$400.

Refuses Plea for Auto
Reappointment by Commissioner of Education Knight of five county superintendents of education was confirmed by the State Board of Education. The superintendents, re-named for three-year terms, are Charles S. Robertson of Camden; Henry M. Crissman, Atlantic; Joseph M. Arnold, Mercer; Brewster H. Willis, Middlesex, and B. C. Wooster, Bergen.

Visitors to the Industrial School for Colored Youth at Bordentown must continue to make the trip from the railroad station and about the grounds of the institution in a four-year-old auto, which is now, according to Colonel D. Stewart Craven, chairman of the industrial school committee, in the final stages of collapse.

Colonel Craven asked the board for an appropriation of \$3,000 for a new car. He said that riding in the school's car is an ordeal which can be endured only by the most robust and that out of mere mercy for the visitors both he and the principal have been giving the use of their own cars for school purposes.

The board, however, ruled that the present auto must carry on for another year or two.

Action was reserved on a resolution

adopted by the Normal School Teachers' Association and presented by the president, Miss Adele Cash, a member of the Montclair Normal School faculty, asking that normal school teachers, after seven years of service, be granted a year for study and travel at half compensation, with the provision that they agree to continue in the service of their respective schools for a period of at least three years following their return.

Can't Reduce Service
Proposed reduction of service on the Quinton and Elmer branches of the West Jersey & Seashore Railroad to one train a day in each direction was disapproved by the State Public Utility Commission, which ordered the schedule of April 27 last continued. Communities affected by the proposed cut in service opposed the application.

"While it is recognized," reads the decision of the board, "that all items of expense of a branch or main line operation can be properly and reasonably dispensed with should be eliminated, consideration must be given to the general transportation needs of the communities served."

Discontinuance of trolley service by the Public Service Railway Company on the Monroe line, Passaic, and the substitution of three auto buses of the Public Service Transportation Company was approved today by the Utility Commission.

Acting upon a complaint that the quality of gas served to residents of Dover by the New Jersey Gas and Electric Company is inadequate and not up to standard, the Utility Commission ordered the company to make immediate repairs to its plant and equipment.

Passing of Morris Canal
Much apprehension over crops exists among the farmers along the Morris canal, between Hackensack and Port Murray, now that only a clay trough exists where before quiet waters were.

Owing to the lack of rain for weeks streams fed from the abandoned canal have gone dry, depriving the cattle of the accustomed water supply. Wells, also, have gone dry for the first time in the memory of the oldest inhabitants, and the grass is withered on the leas.

One of the places most seriously inconvenienced is the new branch game farm, recently purchased by the State Fish and Game Commission. For several weeks the large, deep well which furnished the water supply has been dry.

"That" the passing of the Morris canal will be an inconvenience is now firmly maintained by the property owners. Hundreds of summer guests have missed it for bathing, rowing and fishing. During the winter months and girls will be without a skating place, and farmers will be minus an ice-harvest.

To Carry Pupils to School
The Board of Education of Hope Township, Warren County, is directed by a decision of Assistant Commissioner Charles J. Strahan of the Department of Public Instruction, to make arrangements for the four daughters of Walter Siedelski to reach the Beaver Brook School by the transportation route, connecting at Cook's corner.

The situation disclosed by the testimony led Mr. Strahan to comment that parents should not establish residences in remote places and inaccessible to the schools of the surrounding community.

Siedelski, a shoemaker, who works in Blairtown, moved from New York several years ago to what he supposed was a small farm on a mountain top in Hope township. No land is under cultivation on the farm, to which the father returns only once a week. The distance to Cook's Corner is more than a mile and a half, and the roads are bad, if not actually impassable, part of the winter. Mr. Strahan leaves it to the discretion of the local board to work out some satisfactory plan which will enable the children to attend school.

Seeking to Save Trees
Because so many fine old trees are being cut down in Trenton streets where new building is going on and others are being destroyed because of improper trimming City Commissioner Page is planning to have the proposed tree ordinance passed and money for carrying it out appropriated at the time the new city budget is made up.

Mr. Page has had a shade tree ordinance drawn, but he has not presented it because of the effort to curtail the city expenses as much as possible. It has now become imperative, in Mr. Page's opinion, that the city have some such ordinance if its fine old trees are to be preserved. Since they add so greatly to the beauty of the city, Mr. Page believes that the city should take every means to keep them. The ordinance which he proposes to present to the city commission will provide for the appointment of a city arborist and will also provide that no trees may be cut down or trimmed without city permission.

Cost of carrying out the provisions of the ordinance will be about \$15,000 annually, it is estimated.

ANNUAL WATER RATES of the RIVERTON AND PALMYRA WATER COMPANY

All persons wishing to connect with the public water supply, may do so by applying for a contract and filing it with the Company, at the office, Broad and Main Streets, Riverton.

RATES
¾-in. including 10,000 gallons \$3 per quarter

The basic principles of good banking practice as symbolized by the initials of Burlington County Trust Company Service.

Why did you Insure your Life?

TO KEEP your wife and children from want.
But are they really protected? Have they sufficient business ability to invest your insurance money to the best advantage? Or will your estate be entirely dissipated a few years after your death? It is only prudent that you should ask yourself these questions.

You know that the estate left in trust will insure your heirs a steady, dependable income. Is it wise to leave your dependents without protection against the dangers of their own inexperience?

Perhaps you think that trust management of estates is expensive. Let us tell you about the reasonable fees charged for our Trust Service.

"EVERYTHING IN HARDWARE"

Prices as low as consistent with Quality of Goods

Gulliver Goods

Yes, we have them but you say, "What are they?" GULLIVER GOODS are small items that people do not usually expect to find in a Hardware Store. They are goods that the average Hardware Store either does not carry or hides away from the sight of the customer.

GULLIVER GOODS are always inexpensive, yet just as important as the most expensive piece of hardware. We have thousands of these Lilliputians just waiting to be called into service. A look into our East Window will convince you of our willingness to serve you with the best in Lilliputian Hardware.

The following were elected: Mrs. Charles Reinhard, president; Mrs. Crawford, vice-president; Mrs. Alfred S. Van Osten, secretary; Mrs. Maude Keen, assistant secretary and Mrs. Harry Rudduck, treasurer. The retiring officers are: Mrs. Joseph Schmierer, president; Mrs. George Hardeker, vice president; Mrs. Maude Keen, secretary and Mrs. Melvin Mays, assistant secretary.

Independence Group

The YMCA has started a busy fall season. Many activities are being planned and it is hoped this will be a banner year.

A football team has been organized. Any teams wishing to meet the Independence Group on the gridiron is requested to get in touch with the captain, Joseph Peterson. The boys expect to win every game—each one of them has found a horseshoe.

Preparations are being made to hold a rummage sale in the near future. Anyone having articles to contribute for the sale may notify Leader Torbett.

MILLS LEGION COMMANDER

Nomination and Election of Mac-Crosson Declared Irregular

The situation which had arisen since the election of W. Rex Mac-Crosson as Commander of Post No. 156, American Legion, at the last meeting of the Post was brought to a climax at the October meeting Tuesday evening.

Comrade Mac-Crosson, whose right to the chair was the central cause of dissension and main issue of the evening, although placed in an extraordinarily peculiar position, governed the meeting in a fair, unbiased and manly manner.

Having stated that he desired only what was right in the estimation of the Post at large and that the Constitution and By-Laws of the American Legion was the proper guiding factor in such cases, he expressed his willingness to abide by such decision and whatever the result assured his comrades of a good feeling toward all and malice toward none.

After considerable and prolonged discussion bringing to many perplexing phases, the election, it was finally placed to a vote with the result that the nominations made on the night of the election were declared illegal.

This having been settled, Dr. Charles S. Mills who was nominated without opposition a month previous, was recognized as Commander.

The value of a Post Attorney and his interpretation of the laws was most emphatically recognized in such cases as Comrade Mathews was a "direct hit" when any technicality of the law needed explanation.

It was to the regret of the Post that Post Attorney Mathews tendered his resignation which was due to his increasing duties as State Service Officer.

Comrade Mathews received an overwhelming vote of thanks for his past services to the Post.

After submitting a clear, concise and thorough yearly report of the finances of the Post Finance Officer Edgar A. Lamont declined to accept the office for the ensuing year which becomes necessary due to pressing business affairs.

T. Weart was a visitor at the Post on Tuesday evening and while his stay was necessarily short, addressed the meeting. His remarks were brief but to the point, as is characteristic of the Mayor, but were imbued with kindly and sound advice which was evidently heeded and applied during the balance of the evening.

Commander Mills read his appointments for the year.

GIRLS HOLD TO TIE

Neither Darby nor P. H. S. Hockey Teams Victors in Close Game

The Palmyra High School girls' hockey team traveled to Darby High for a hotly contested game Monday afternoon. The two teams were about evenly matched and the score stood 2-2 at the conclusion of the fracas.

Polly Dickinson and Flora Davis each scored one of Palmyra's goals. The girls played a brilliant game and were forced to keep after Darby every minute in order to prevent them from scoring more than a pair of counters.

Next Wednesday afternoon the girls will meet Woodbury at the Field Club Park.

Palmyra High lined up as follows: Flora Davis, center; Dorothy Jones, right inside; Cora Elliott, right wing; Polly Dickinson, left inside; Catherine Gorman, left wing; Helen Enskat, center halfback; Mildred Deniller, right half back; Dorothy Stewart, left half back; Elizabeth Jessup, right full back; Mary Zurburg, left full back; Adalade Van Steenburg, goal.

Chamber of Commerce Next Tuesday Night

The regular monthly meeting of the Chamber of Commerce will be held on Tuesday evening next, October 14th, at Society Hall, 8 p. m. Some town matters of vital interest to the residents of Palmyra will be discussed and an able speaker has been secured.

The members and citizens who failed to attend the September meeting missed a most instructive and interesting talk on the Financial Outlook for 1925.

Do not miss the meeting next Tuesday.

C. C. Will Buy Books for Italian Class

At a meeting of the executive committee of the Chamber of Commerce, held October 3rd, 1924, it was decided that the Chamber should purchase all books, etc., needed by the Class for Italian in their study of English, Civics and Naturalization, which meets each Thursday evening in the High School.

This action upon the part of the Chamber of Commerce makes it possible for the students to receive instruction in the subjects mentioned without any cost whatever to them.

Kraus-Reilly

Announcement has been made of the marriage of Miss Marion Florence Rieley, daughter of Mr. and Mrs. William Rieley, of Bridge street, Riverton, to Henry Kraus, son of Mr. and Mrs. Louis Kraus, of Highland avenue, Palmyra. The ceremony was performed at the St. Joseph's R. C. Church, Riverton, on Wednesday.

Farewell Reception for Baptist Pastor

The members of the Central Baptist Church will tender the Rev. Charles W. Williams, their pastor for a number of years, and his wife, a farewell reception in the church Monday evening at 8 o'clock.

The members of the church, congregation and the many friends who have been won by the Rev. Mr. Williams during his long and successful pastorate here are cordially invited to attend the reception and spend a pleasant evening with the Pastor and Mrs. Williams. Both have a host of friends throughout the community.

They will leave for their new charge in Pawling, New York, some time next week.

Willie Cherry

Willie Cherry, colored, 21 years old, died at his home Second and Market streets, West Palmyra, last Wednesday with an attack of heart trouble.

SEWER ASSESSMENT
Fifty-five Per Cent of Cost Must Be Taken Care of and New Bonds "Floated"

Palmyra Borough Council Tuesday evening took action to complete the remaining 55 per cent assessment of the sewer cost and also to extend the temporary financing of the sewer until January 1 when permanent serial bonds are to be issued.

The sewer at present is financed by temporary bonds which will expire November 1 and it had been intended to have the permanent bond issue ready by that time, but due to many delays, this could not be accomplished, so notes for two months to the extent of \$175,000 will have to be given.

The 55 per cent assessment must be made and confirmed by the Circuit Court before the permanent bonds can be issued.

The matter of Dr. Lamb's patent concrete block was brought up again. Building Inspector Powell and the building committee brought back reports from Trenton showing that of the two blocks tested, one had withstood only 147 pounds of pressure and the other only 307, whereas the minimum required by the National Cement Association is 600. Some cities, like Trenton, require a minimum of 1000 pounds. Consequently Inspector Powell was empowered to reject Dr. Lamb's blocks.

Steps also are being taken to revise the building code to meet new questions that are constantly arising.

Public Speaking Class

Richard E. Wilson, who taught a Public Speaking Class in Palmyra with such success last year, announces the opening of another class in Christ Church Parish House on Friday evening, October 17, which will be open to both men and women.

40 & 8 to Meet

The Burlington County branch of the 40 & 8, an organization connected with the American Legion, will hold a promenade at the Beverly Legion Home Thursday evening, October 16, at 8:30.

Lauds Coolidge Courage

The average man, with his sense of fair play, despises and condemns the man out to catch votes under false pretenses, and he feels that the desire of politicians to get votes in this way is endangering the fundamental principles of the existing order of things group themselves for battle, the average good citizen knows that the elemental principles for which his forefathers fought are at stake.

He demands a strong leadership, standing on the Constitution, and moving forward with law and order, common sense and high purpose, to combat strong leadership tending to wild disintegration for which he has this in Calvin Coolidge and the platform on which he stands. Neither President Coolidge nor his party platform assumes that the Constitution of the United States is an outworn document of old-fashioned ideas, to be discarded for the principles of the new social—Dawes.

"When My Ship Comes In"

is an expression often used to imply the meaning that probably in old age one will be able to live the rest of his life independently.

You won't have to worry about your ship not coming in if you have a steadily growing interest account with this bank.

RIVERTON WINS 8-6

Turns Apparent Defeat Into Victory
By Brilliant Last Minute Plays
Against Strong Beverly Team

Frank J. Holvick's proteges eliminated the Beverly Field Club from the Burlington County Amateur Championship by the score of 8-6 at Memorial Field, Riverton, on Saturday.

The game was hotly contested, with Riverton trailing in score from the second until the fourth quarter. Both teams ran the ends, hit center, threw passes and punted in the first period but could not gain the ten yards necessary for a first down.

In the second quarter Riverton started to carry the ball when the unexpected happened. McDougal, carrying the ball for Riverton, fumbled in mid-air. Adams, the fleet quarterback of the visitors, scooped the ball and headed for the goal-line. As he neared the twenty-five yard line Riverton's flash, Jenkins, had seized him and was just ready to bring him to earth when Keating, the referee, unavoidably backed into Jenkins. Jenkins hit the referee, so hard that the latter swallowed the whistle and the touchdown was allowed.

Thus it went until the last quarter: both sides battling furiously—Riverton to tie the score and Beverly to hold their advantage. But Riverton was not to be denied the victory. Hollingshead and Maguire were sent to the backfield to "bring home the bacon." They did nobly, tearing through the Beverly line for five and six yards at a time. But even this was not enough. Something had to be done and done quickly. The game was nearing the close. Several end runs and passes were tried without avail. Finally, Holvick caught a forward pass from Hyton and ran fifty yards for a touchdown. The crowds on the sidelines went frantic with joy. The score was tied.

Miller was sent to try a goal after the touchdown but failed. But with this new lease of life Riverton took advantage of the last three minutes of play. They worked the ball down to the one yard line, but here the Beverly team with their backs against the goal posts held the Riverton "big backs" to a standstill for four downs. Beverly tried to kick from behind their goal-line and the big-hearted Riverton team took advantage of the muffed up things for the visitors—Jenkins getting credit for the "safety." After a minute and a half of play the game ended with Riverton on the big side 8-6.

The Riverton team will play the Knights All Stars here next Saturday, October 18th.

Henry J. Allen, former governor of Kansas, who spoke in Philadelphia, on Monday.

"When Charles W. Bryan spoke in my home town a few nights ago, I preceded his meeting with an editorial in my newspaper urging everybody to go see him. I pointed out that if Mr. Coolidge is not elected President, Mr. Bryan very probably will be."

"Bryan actually spent thirty minutes talking about himself. He talked of none of his qualities that would make him a good Vice President, but a good President. He spent fifteen minutes in praise of Senator LaFollette and three in praise of Davis. It was the first time in political history."

Lottery and all forms of games of chance must stop in Burlington county, no matter what the object may be, said Justice Frank T. Lloyd when he charged the Grand Jury at the opening of the October term of Court in Mount Holly to-day. He did not mention specific cases, but said that there had been called to his attention a wholesale violation of the law governing gambling and he admonished the Grand Jury that the various forms of lottery connected with carnivals, fairs and such promotions are illegal and punishable by imprisonment. He said he understood that the promoters of such affairs were inspired by charitable motives without any thought of personal gain, but the law made no distinction in such cases and people must be made to understand that they will not be permitted to violate the constitution and the law.

Judge Lloyd said that under any and all conditions this form of gambling is considered dangerous, and while it may not have any serious effect while in progress there is always a more or less bad effect for the future and an opening to greater infractions of the law. The cold facts and stipulations of the law must be the guide for the Grand Jurors and Courts to handle such cases.

Judge Lloyd also charged briefly upon the liquor law violations and said that as long as he has anything to do with the upholding of the Constitution and laws he will bring to justice every offender against them. He said it is not the privilege of individuals to pass upon the wisdom of constitutional prohibition and the acts of legislatures, and while there are such guides for the handling of offenders there must be adherence to them. There is nothing more invidious than wholesale disregard of some laws, as it has the effect of opening the doors to general infractions and lawlessness. This reference applied to the many cases that would be presented to the Grand Jury as the result of arrests in liquor matters.

Doubt is the twin brother of discouragement.

On Prohibition

Our country has adopted prohibition and provided by legislation for its enforcement. It is the duty of the citizen to observe the law, and the duty of the Executive to enforce it. I propose to do my duty as best I can.—Coolidge.

"He believes in clean, honest and sane legislation."

"He is a highly respected member of his church."

"He does not believe in favoring any class of people."

"His concern is not for the nation by sections, he is for the whole country."

"Because of his ideal home life."

"Because he is for a square deal for everybody."

"Because he has said in politics nothing is worth having unless you can have it in the right way."

"His early training fitted him to get the viewpoint of the man or woman who works for a living."

"Because what he has to say is to the point and is said so that everyone

ROBERT BIDDLE HEADS REPUBLICAN CLUB

Banner Raising, Brass Band and Speeches Arranged for
October 23

EVERY MEMBER URGED TO GET ANOTHER

Mr. Biddle Points to Seriousness of Situation and Says Only Way
to Avert It Is to Get Out the Vote

The Riverton-Cinnaminson Republican Club was organized at a public meeting in the Riverton school auditorium Tuesday night.

Robert Biddle was elected president, E. H. Flagg, Jr., and Alexander C. Wood, Jr., vice presidents; Herbert Evans, secretary, and Edgar Lippincott, treasurer. The following committees were appointed by the president: Publicity, Walter L. Bowen, Joseph Rieder, Alexander C. Wood, Jr., Banner, John C. Geiss and William B. Lynch; Speakers, members of the County Committee.

The slogan of the club is "Vote for Coolidge, Dawes and the Constitution."

The meeting was called to order by John C. Geiss, member of the County Committee from the second district, who, after stating that the meeting had been called for the purpose of organizing a Republican Club of the men and women of Riverton and Cinnaminson Township, asked for nominations for president of the club. Robert Biddle was the unanimous choice of the meeting.

In his speech of acceptance, Mr. Biddle said: "The situation in this election is serious, and one of the dangers is that the people do not realize the seriousness of it, as is evidenced by the few who are assembled here tonight. People are not awake to the grave danger that faces us, and it is our duty to awaken them."

"If the Republicans cannot carry enough states to get 266 votes in the electoral college, the election of the president will be thrown into the House of Representatives. In the House each state has one vote, which will be Democratic or Republican, depending on which party has a majority."

"For instance, the state having ten representatives, six of which are Democratic, would vote in the Democratic column. States where the representation is equal have no vote. Coolidge can count on nineteen states in the House, the Democrats have twenty states, besides five which have no vote, and the balance are controlled by LaFollette. This would mean that none of the candidates for president could receive the necessary twenty-five votes. If the House of Representatives fails to elect a president by March 4th, then the Senate ballots for vice-president. The contest will be between Dawes and Bryan, with Bryan the probable victor, with the support of the LaFollette men."

Mr. Biddle quoted as follows from Henry J. Allen, former governor of Kansas, who spoke in Philadelphia, on Monday.

"When Charles W. Bryan spoke in my home town a few nights ago, I preceded his meeting with an editorial in my newspaper urging everybody to go see him. I pointed out that if Mr. Coolidge is not elected President, Mr. Bryan very probably will be."

"Bryan actually spent thirty minutes talking about himself. He talked of none of his qualities that would make him a good Vice President, but a good President. He spent fifteen minutes in praise of Senator LaFollette and three in praise of Davis. It was the first time in political history."

Each member of the club present was strongly urged to secure another member, or as many more as possible, and turn the names over to the secretary, Herbert Evans.

No membership dues are charged and no assessments are made, it having always been the custom in Riverton to depend on the generosity of voluntary contributions to defray campaign expenses.

Music will be furnished by a brass band. If stormy the meeting will be held in the auditorium of the Riverton public school.

Joseph Rieder donated a hundred dollars to the campaign fund, and the treasurer, Edgar Lippincott, announced that others who desired to contribute could send their checks to him.

On Tuesday afternoon the friends of Miss Eleanor Miller were surprised to learn of her marriage to Mr. Robert S. Clark, of Mount Holly, which took place that morning.

In company with Mr. Richard C. Wanger, Jr., and Miss E. E. Perkins, the young couple motored to Elton, where they were married. The ceremony was performed at the manse of the First Presbyterian Church of that city by the Rev. Ernest E. Weaver.

While their engagement had been known to their friends for some time, no one expected so early a marriage. An informal reception was held on Tuesday evening at the home of the bride's parents, Mr. and Mrs. Edgar William Miller, where the young couple received the congratulations and good wishes of their intimate friends.

Mr. and Mrs. Clark will reside at 405 Lippincott avenue, the home of Mrs. Clark's parents.

Annual Meeting of Red Cross

The annual meeting of the Burlington County Chapter of the American Red Cross will be held on Wednesday, October 22nd, in St. Mary's Guild House, Broad and Talbot streets, Burlington. Luncheon will be served at 1:15 p. m., which will be followed by a business meeting at 2:30, to which the general public is invited. Mrs. Brock, field representative, will speak on Junior Red Cross and the Roll Call, and Mr. DeBra, of New York, on Home Service.

Hits "Silent Sentinel"

Leon Basago, of Camden, was arrested by Officer Nelson Wallace Sunday evening after he had knocked down and broken one of the traffic signs at Broad street and Cinnaminson avenue with his car. He was taken before Justice of the Peace William L. Fichter and released after paying a \$5 fine and costs.

There never will be any chance for the idle, the indolent, the lazy, the lecher, the ignorant, the indifferent, the clock watcher, the shill-shod or the...

PEOPLE WOULD PAY IF RAILROADS WERE GOVERNMENT OWNED

Third Party Plan Would Take Revenue From States Involved.

If the railroads of the United States should be taken over, owned and operated by the government, the vast taxes now paid by the railroads would have to be paid by the people, according to Will R. Wood, member of congress from Indiana and chairman of the Republican National Congressional committee. Mr. Wood has made a careful analysis of the situation, noting the tax payments by the railroads to the several state governments last year.

If the roads were owned by the government they would be tax free just as the post offices now are. The states would still need the money, just as they do now, and as a result additional taxes would have to be levied on the citizens.

Mr. Wood's complete analysis follows: "Robert M. LaFollette, the Socialist-third party candidate for President, is trying to convince 6,000,000 farmers that the surest cure for their ills is to bring about government ownership of all the railroads in the country; that, if this is done, transportation rates of all kinds would be immediately reduced.

"There are a lot of things, however, that would transpire if this scheme were carried out, that Senator LaFollette is woefully silent upon. He is not telling the farmers that the government pays no taxes on its properties and that it would pay no taxes on the railroads of the country if it owned them. He is not telling them that the railroads are paying into the various county and state treasuries of the United States more than \$300,000,000 annually, which sum would have to be paid, in large part, by the farmers, once the government began the ownership of the railroads.

"Take the state of Wisconsin for instance: Last year the railroads paid the state of Wisconsin \$7,321,976 in taxes. In the state of Minnesota the railroads paid, last year, a total tax to the state of \$8,425,082. In Iowa they paid \$6,849,708; in Kansas, \$6,739,940; in Indiana, \$18,064,627. In these five states alone the railroads paid \$42,451,634 of the public tax burden. I have taken the figures in the above named states because they are largely agricultural and in the event that the government became the owner of the railroads of the country the farmers of these states would have to bear the greatest part of the burden in paying these additional taxes.

"In the state of Iowa if the LaFollette scheme were carried out, it would mean an increase of \$82 in taxes annually levied against each farm in the state, or \$2.80 for each man, woman and child in the state. In Kansas the burden would be \$40 against each farm or \$3.00 for each resident of that state. In Minnesota, where Mr. LaFollette is making a strong appeal for votes, he would take away from the farmer, under the government ownership plan, a tax income now paid by the railroads and place it as an additional assessment of \$47 against each farm in the state, or \$3.80 against each person residing in that commonwealth.

"I am told that, in one county in Montana, the total tax paid by the railroads amounts to 38.51 per cent of the entire levy. In midsummer of this year there was \$104,102 of the total tax assessed in that county delinquent, upon which a penalty had been laid. This is a convincing evidence that this county was already taxed much more than it was able to pay. Yet Mr. LaFollette would take away 38 1/2 per cent of the tax revenue of this county, now being paid by the railroads, and place it as an additional burden upon the individual taxpayer.

"In my own state of Indiana, the railroads pay \$13,004,027 in taxes annually. The total tax of the state is \$124,806,700. The railroads share of this tax is over 10 per cent. If Mr. LaFollette's scheme were put into effect, the individual taxpayer of Indiana would have to pay this additional sum of \$13,004,027 each year. In Marion county the railroads pay annually \$715,888 in taxes, a very substantial item in the total of the taxes paid in that county.

"The figures that I have given, applicable to the five agricultural states named, differ only in degree from those that might be given for every other state in the Union.

"Not only would the farmers be burdened by the payment of these additional taxes, should the government become the owners of the railroads, but they would also have an additional burden to bear, the size of which it is hard to ascertain, in the shape of deficits occurring in the operation of the railroads of the country for maintenance, extensions and upkeep.

"Some idea of what this burden would be, may be had, however, by recalling the experience during the period of government operation of the railroads under the management of William G. McAdoo, when the amount of the deficit over the earnings of those railroads taken over by the government was more than a million dollars a day, exclusive of the payment of exorbitant salaries to an army of officers.

"The farmers of this country, before they accept the panacea of government ownership of railroads, which is but a forerunner of the socialistic state will do well to look at the situation.

Japanese New Spinnery.
The Yordens says the earthquake and fire have with one stroke made a decided change in the manners of the people of Tokyo, women in flannel, for instance, being looked at askance with suspicious eyes. The newspaper says a movement has been started to discard silk in favor of cotton goods, but it remarks the public that silk is a national product, while cotton goods are largely imported.

Sunday School Lesson

(By REV. P. H. FITZWATER, D.D., Dean of the Evening School, Moody Bible Institute, Chicago.)
(©, 1924, Western Newspaper Union.)

Lesson for October 19

THE PARABLE OF THE SOWER

LESSON TEXT—Mark 4:1-20.

GOLDEN TEXT—The sower soweth the word.—Mark 4:14.

PRIMARY TOPIC—The Garden of the Heart.

JUNIOR TOPIC—Good Soil for Good Seed.

INTERMEDIATE AND SENIOR TOPIC—How to Receive and Use God's Word.

YOUNG PEOPLE AND ADULT TOPIC—How May I Improve the Soil of My Heart?

The method of teaching by parables was not employed by Jesus until the rulers had set their hearts against Him. When, in the light of His wonderful works, they turned against Him and attributed His works to the Devil (Mark 3:22) He denounced them in scathing terms and began to teach them by parables. In fulfillment of Isaiah 6:10, The parabolic method of teaching makes clear the truth to those who love it and conceals it from those who dislike it.

A great multitude gathered to Him at the seaside (v. 1), so that, in order to escape the pressure of the crowd, He was obliged to enter a boat. From the boat as a pulpit He taught many things in parables. In this parable the sower and the seed are the same in all instances, but the results are entirely different. The difference lies in the condition of the soil. The central purpose of the teaching of this parable is to show that the results of preaching the Word depend upon the condition of the human heart.

I. The Wayside (vv. 4; 15).

The wayside means the track beaten down by the hoofs of animals and the feet of men. Because the soil was so broken and uncultivated the seed could not get beneath the surface, therefore, was devoured by the fowls that came along (v. 4). The great truth taught here is that the heart unbroken and hard is not fit soil for the Gospel. Such a heart it penetrates not, but lies loosely upon the surface. It is not recognized as God's means for restoring them unto Himself. While in this condition the evil one finds some way to snatch away the truth. The fowls that devour the seed represent the agents of Satan (v. 15).

II. The Stony Ground (vv. 5, 6; 16, 17).

This means not stones mixed with soil, but stones with a thin layer of soil on them. With such conditions a seed springs up quickly and likewise scorches quickly, as it has not much depth. The great lesson is that hearts superficially impressed receive the Word with joy, but when affliction or persecution arises for the Word's sake, immediately they are offended. They wither away and die.

III. The Thorny Ground (vv. 7; 18, 19).

In this case the ground is good, but has thorns in it. It is mellow enough and has sufficient depth, but has not been cleaned of the thorns. Such really hear the Word, but "the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the Word, and it becometh unfruitful" (v. 19). The thorny ground hearers of this age are those:

1. Who are so immersed in worldliness, business and anxious cares that the good seed cannot mature.

2. Who are rich. Anxious care in business brings riches and the effect of riches is to blunt the spiritual perception of men and women, thereby rendering them unsuspicious to the call of God, to higher things in life.

3. Who are running after the pleasures of life. All these things choke the Word. Many of the enjoyments of the world may be innocent in themselves, but they attract so much attention and consume so much energy and time that one has not time for Bible reading, meditation and prayer.

IV. The Good Ground (vv. 8; 20).

This ground differs from all the rest. It is soft and mellow, deep and moist; therefore, is capable of bringing forth fruit, some an hundred, some sixty and some thirty-fold, indicating different degrees of fruitfulness even of the good ground. In the measure that the heart is kept free from worldliness, riches and pleasure, the good seed matures.

Blaming Nature

You fall into the very common mistake of charging upon nature matters with which she has not the smallest connection, and for which she is in no way responsible. Men talk of nature as an abstract thing, and lose sight of what is natural while they do so.—Dietrich.

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper

Subscription \$1.50 a year
in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices

LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioners', Sheriff's and other Sales, Administrators' and Executors' Advertisements are solicited. The New Era will appreciate being remembered in this connection.

NOTICE

All readers or local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, will be charged for at the rate of fifteen cents a line.

Notice

In order that The New Era may reach its readers before the week-end, all notices are made, it will hereafter be published and mailed on Thursday. Advertisers and others are requested to have their copy reach this office not later than Wednesday morning of each week.

REPUBLICAN MEETING

Banner Raising, Parade, Brass Band and Speakers Scheduled for October 23rd

One of the first activities of the new Riverton-Cinnaminson Republican Club, organized last Tuesday evening, was to arrange to have a banner stretched across Main street at Broad. The banner will be raised with appropriate exercises consisting of addresses by prominent speakers, a parade and music by a brass band.

Up to the time of going to press arrangements for the banner had not been completed, but it is known that Assemblyman Clifford R. Powell will be one of them. Efforts are being made to get Ex-Judge Harold B. Wells, but his time is so tight that this may not be possible. The committee on speakers, however, has been assured of three or four good speakers, one of whom will be a woman.

If stormy, the meeting will be held in the auditorium of the Riverton Public School.

The club's slogan is "Vote for Coolidge, Dawes and the Constitution."

Knights of Columbus Confer Fourth Degree

The Knights of Columbus of the second New Jersey District exemplified the Fourth Degree at the Hotel Ambassador, Atlantic City, on Columbus Day, Sunday, October 12th. There were over two hundred that received the highest degree of knighthood. A banquet was served in the evening.

Hon. Edward Bader, Mayor of Atlantic City, acted as toastmaster. The assembled guests were addressed by John J. McCann, of Burlington, Master, Second District New Jersey. Hon. Edward L. Bader, Mayor of Atlantic City, Rev. Mortimer Sullivan, O. S. A., Atlantic City; Hon. John F. O'Neill, Supreme Director, Jersey City; T. A. Daly, Litt. D., poet and humorist, Philadelphia. The degree staff was composed of the following, who are well-known throughout this section: Rev. Jos. A. Ryan, Hon. Peter F. Daley, Hon. Jas. P. Lennon, J. Connor French, Peter J. Morgan, Gary T. Lee, Thomas A. Major, C. A. Gough and John M. McCleskey.

Governor Smith, of New York, was not able to attend due to illness.

There were five members from St. Joseph's Council, of Riverton-Palmyra, to take this degree. They were accompanied by twenty-one members of the local council, with their wives and friends at the banquet.

A dance for benefit of Riverton Fire Company will be held Tuesday evening, October 28, at 8:15 o'clock in Christ Church, Riverton. Admission 50 cents.

Asbury

Mrs. Melvin Underhill and son, Melvin, of Lakewood, N. J., spent a week at the home of Mr. and Mrs. Albert Giberson, of Union Landing.

Miss May Ward entertained last week Mr. and Mrs. Augustus Wagner, Mrs. Theodore Kessler and son, of near Maple Shade, Mr. and Mrs. Thomas Hunter, Tony Bonatelli, Mr. and Mrs. Albert Giberson and son, Franklin, Mr. and Mrs. Harvey B. Ward and children, of Riverside, Mrs. Melvin Underhill and son, Melvin, of Lakewood.

Mrs. Thornton B. Southwick spent Monday night at the home of Rev. and Mrs. Joseph E. Horner, of Charlestown, N. J.

The one hundredth-thirtieth anniversary of the organization of the Asbury M. E. Church, and the fiftieth anniversary of the present church building, was held on Sunday.

The services were well attended and much enjoyed. There were thirty-two people present in the morning to hear Rev. Richard A. Conover, and over seventy-five in the afternoon to hear Rev. John R. Mason, of Moorestown, our former pastor, and about thirty-two again in the evening to hear Brother Conover. The following people took some part in the services: Rev. M. E. Snyder, D. D., of Trenton; Rev. Richard Conover, of Palmyra; Rev. George Palmer, of East Riverton; Rev. John R. Mason, of Moorestown; Rev. J. Nankivell, of Bridgeboro; Rev. Fred Morley, of Palmyra; Rev. Fred E. Tansley, of Asbury; George A. Hess, of Riverside. Mr. and Mrs. Abraham Wade, of Riverside, sang three selections in the evening, entitled "When Jesus Calls Me Home," "I Have a Friend in Heaven," "I Love My King." Miss Louise Southwick was the organist for the day's services.

—Don't handicap your boy or girl who is taking the commercial course. Get them a typewriter to practice on at home. Reasonable rental or easy purchase terms on dependable Remingtons and Underwoods at The New Era office. Phones 63-W and 344.

What is your ideal? Men of achievement are men of high ideals.

Locals

—Buy it at home.

—Mr. and Mrs. Charles DeGrua spent Sunday in Norristown.

—R. A. Smaller and family returned from Bayhead Thursday.

—The billiard tournament opened at the Riverton fire house Monday night.

—Mr. and Mrs. Edward Evans were visitors in Mount Holly on Sunday.

—Miss Margaret Dunlop spent the weekend with friends in Doylestown.

—F. S. Calderwood's new house at Seventh and Elm is nearing completion.

—Edson Carhart's new home on Lippincott avenue is nearing completion.

—Mrs. Ross Evans entertained the Wednesday afternoon card party last week.

—Mr. and Mrs. John Sloan and grandson spent the weekend in Pottstown.

—George M. Harris has a new Overland sedan, equipped with balloon tires.

—Miss Naomi Hurff has returned home after spending sometime in Atlantic City.

—Mr. and Mrs. Leon Sloan and daughter, Betty, spent the weekend at National Park.

—Miss Anna L. Coale and John C. Coale are serving on the grand jury this week.

—Noah E. Lippincott, a former resident of Riverton, was buried at Burlington Tuesday.

—Several members of the O. E. S. visited Chapter No. 35, of Camden, on Tuesday evening.

—Rev. Herman C. Fox, D. D. will preach in Calvary Presbyterian Church next Sunday.

—Mrs. Michael Faunce has moved into her new bungalow at Riverside Park, which has just been completed.

—Mrs. C. A. Fetterman and son, Billy, spent the weekend with her sister, Mrs. Albert Williams, of Pitman.

—Mr. and Mrs. Charles Williams and family and Mr. and Mrs. William O'Donnell motored to Delaware Water Gap Sunday.

—William O'Donnell has sold his property at 512 Cinnaminson street to Lee Mitton, of Palmyra.

—Mr. and Mrs. Victor Hipple have moved from 221 Cinnaminson street to the Robert Knight property at 210 Cinnaminson street, recently occupied by Mrs. John Rothwell.

—Mrs. Henry W. Portelove, who has been spending sometime with Mrs. Helen Kapus, has left for Providence, R. I., to attend the W. C. T. U. convention there.

—A meeting of the League of Women Voters will be held at the home of Mrs. John Bucher, Williams & Wright Building, Riverton, on Thursday afternoon, October 23rd, at two-thirty o'clock. Addresses will be made on the Democratic, Republican and Progressive platforms.

—When the family of George W. Crawford returned Saturday evening from Atlantic City, where they had been spending the summer, they found that their home at Bank avenue and Main street, had been broken into and ransacked during their absence. Officer Walter G. Miller was called. He conducted an investigation but found nothing missing.

—There will be a free lecture on Christian Science in the Broadway Palace Theatre, Broad and Lecony avenue, Palmyra, Sunday evening, October 19th, at eight o'clock. The lecture will be delivered by Judge Samuel W. Greene, C. S., of Louisville, Kentucky, member of the Board of Lectureship of the Mother Church, the First Church of Christ, Scientist, in Boston, Massachusetts. The public is cordially invited.

—Mr. and Mrs. Robert Montgomery and son, John, and Mrs. John Mills, of Boston, Mass., have been spending several days with Mr. and Mrs. Otto Sauer. They left Riverton Tuesday to visit relatives in Cranford before returning home. The trip is being made by motor. While in Riverton they also visited Mr. and Mrs. William O'Donnell, with whom Mr. Montgomery made his home several years ago before entering into the florist business in Boston.

Announcement

Mr. and Mrs. Edgar William Miller announce the marriage of their daughter, Mary Eleanor, to Mr. Robert S. Clark, of Mount Holly, Tuesday, October 14th, in the First Presbyterian Church, Elkton, Md.

—Keep in touch with affairs in Washington, political, national and international, completely and concisely covered in The Christian Science Monitor, an international daily newspaper. For sale at Union Newsstand, Riverton station. —Advertisement

Porch Club News

October 21st, at 2:30 o'clock, Miss Edna P. McGrew will talk on the subject of Costume Designing, Making and Decoration; and Art Craft.

On Wednesday, October 23rd, thirty-eight club members visited New Brunswick to attend the Federation meeting and to inspect the New Jersey College for Women. Much interest was shown in the unusual housing arrangements for the Home Economic students. Instead of rooming in large dormitories, the girls live in detached houses, each one a complete home. The Club members were shown the proposed site for the new music building which the New Jersey Club women will build.

Riverton P. T. A. Reception

The ninth annual reception of the P. T. A. of the Riverton public school, held in the school auditorium on October 9th, at 8 p. m., was attended by a record number of people.

The programme included a solo by Mr. Alfred VanOsten, accompanied at the piano by Mrs. VanOsten, a reading by Miss Ruth Lutz and several selections by the Palmyra High School orchestra.

Mrs. George Smith, president, made the opening speech of welcome, and introduced C. W. Kipp, president of the Board of Education, who complimented parents and teachers on their interest in and cooperation with the Board, and the Association.

Miss Chew then spoke of the aims and purposes of the public school, stressing the spiritual side of school life and giving five main points or guide posts to right living and good citizenship: mainly politeness, obedience, self control, cooperation and the spirit of truthfulness.

A social hour followed, during which refreshments were served.

AMITY CONFERENCE

Great Inter-racial Convention in Philadelphia Next Week. Judge Patterson One of the Speakers

The Bahai Movement, realizing the importance of removing inter-racial hatreds and prejudices, which are a serious impediment to unity and thought of action among the peoples of the earth, has selected Philadelphia as the place of its fourth congress, held to promote harmony and good will between the white and colored races.

Washington D. C. Springfield Mass., and New York City have entertained similar congresses in former efforts in which great thinkers and publicists have concentrated upon peaceful measures under Divine Guidance and have brought the light of hope and happiness to many thousands who have been overshadowed by gloom and despair.

The Philadelphia Amity Convention will be held at Witherspoon Hall, corner Walnut and Juniper streets on Wednesday and Thursday evenings, October 22 and 23, at eight o'clock.

Distinguished speakers, representative of the East and West, the white and colored, will unfold principles and ideals by which prejudices may be overcome and peace established.

Among these speakers are Judge John M. Patterson, of Philadelphia; Dr. Alain LeRoy Lewis, Professor of Philosophy, Howard University, Washington D. C.; Dr. Zia Mabusi Bagdadi, Oriental philosopher, Chicago; Rev. Albert E. Van Dusen, lecturer, Chicago; Prof. Leslie Pinckney Hill, Principal Cheney Training School, Cheney, Pa.; Miss Agnes L. Tierney, of the Society of Friends, Philadelphia; Horace Holley, author and lecturer, New York; Hooper Harris, lecturer, New York; Louis G. Gregory, lecturer, Boston, Mass.

These speakers are all experienced in inter-racial matters and will present a program of construction that will enlighten with its signs of a new order in world events.

Noted artists, under the direction of Carl Dito, will add to the entertainment of the sessions with pleasing numbers, among them some of the famous Negro spiritual selections.

Y. W. MEMBERSHIP MEETING

Mrs. Darlington, of Brown's Mills, District Chairman, Arranging Local Details

Mrs. Darlington, of Brown's Mills, and the other members of the District Committee, are making local plans, as hostesses, for the entertainment of the members of the Burlington County YWCA at their annual fall membership meeting on October 25.

An open meeting of the Burlington County YWCA Board of Directors will open the rally at 2:30 in the Pemberton High School building. To this meeting all members and friends of the Y are invited.

Those of the invitational group may be familiar with the kind of business that the County Board members face each month.

Isabel Mason and Catherine Golder, of Mount Holly, Ruth Shinn, of Camden, and Elizabeth French, of Burlington, and Janet Wardley of Riverton, all of whom attended the Girl Reserve Conference held this summer at Camp Nephawin, will give to the other members of the YWCA some idea of the helpful suggestions for club programs, the inspirations as well as the good times which packed those ten days so full of things to remember with the keenest joy.

The reports of the Colored Girls Conference held at Cheyney, Pa., in July will be presented by Mrs. Edward M. Smith, of Mount Holly, Catherine Shockley and Miss Mayme Prout, of Moorestown.

The Elizabeth Dunn Girl Reserve Group of Burlington, who with their leader, Miss Lillian H. Hiner, and Mrs. Mary Quig spent some time at Camp Camarade, will give a graphic idea of life at that favorite camping spot.

Miss Mary Chester, of Lenola, will talk on Camp life from her two years' experience there.

The Moorestown and Riverton Girl Reserve Groups will present folk dances as their part of the entertainment.

Everybody is asked to bring a box supper. The Pemberton Girls Friendly will have coffee and ice cream for sale.

Musical numbers will be furnished by the Riverside Senior Ukulele Club, and by the combined Choral Unions of the county. Miss Mildred Benner, of Moorestown, will lead the group singing, while Miss Mary Carol Scarles will supervise the games.

Come join the happy throng! Big girls, little girls, lean girls, fat girls! Mothers too! Girls of all ages, bring your box supper to the Pemberton High School at 2:30 on October 25. Pemberton can be reached by train or bus. The bus runs every hour passing through Mount Holly at 38 minutes after the hour. The train leaves Mount Holly at 1:30.

YWCA Members Urged to Attend Operetta Rehearsals

The YWCA Club met in the Porch Club on Tuesday evening. Mrs. S. W. Collin conducted a very interesting rehearsal.

Next Tuesday evening Mrs. Collin wishes to meet all members of the YWCA at seven thirty in the Porch Club. We are rehearsing music for the Fellowship meeting at Pemberton on October 25th.

Plans are under way to give the "Feast of the Little Lanterns" in the early winter. The assistance of every member is needed to make this operetta a success.

Announcement of plans for an athletic club will be made at this meeting.

DEATHS

Miss Mary Stuart Hamilton

Miss Mary Stuart Hamilton died Friday afternoon, October 10th, at 505 Bank avenue, Riverton.

Miss Hamilton made her home with her sister, Mrs. Searles, and her niece and nephew, who have lived at the above address for several years.

Services and interment were solemnized at Beaufort, S. C., the old home of the family, on Monday, October 13th.

Miss Hamilton was born in Beaufort, February 20, 1844, and lived there for sixty years.

Edward T. Ilman

Edward T. Ilman, husband of Alice S. Reeve, passed away at his home, 630 Thomas avenue, on Monday, October 14th.

Funeral services were held on Wednesday morning at eleven o'clock from his late residence. Interment was at Pleasantville, N. J.

Success has no foe but fear.

GOVERNMENT BEFORE SPORTS

Two Riverton Boys Agree That Knowledge of How Things Are Run Is More Important Than Athletics

In Wednesday night's Bulletin, of last week, the question in the "What Do You Think of It?" column was "Should a Boy Take as Much Interest in His Government as He Does in Sports?"

Two of the answers were written by Riverton boys, and will be found below.

William Wanger, fifteen, Riverton: He ought to take more interest in the Government. He can't learn all about his country suddenly. There's so much to know it takes a great deal of time to get the right idea about it. If a boy learns about these things before he becomes a man he'll be a good citizen. He might have a chance even to be a statesman. It's all right to take an interest in sports, but just enough for exercise. I think a fellow will have a chance to get further if he knows all about his Government.

Jerome Zisak, sixteen, president of Civic Club, Riverton Public School: If a boy took lots of interest in the Government and reads about the different political parties he would know more about such things when he grows up. Then he becomes acquainted with the use of most of the terms and phrases, and it improves his English. This helps to develop good citizenship, too. When he becomes a man he's the kind of a citizen who votes. All citizens should be compelled to vote. Many men give their time to affairs of government without pay, so the least any citizen can do is to vote. A boy could have interest in sports, but they ought not be uppermost in his mind.

You can restrain the bold, guide the impetuous, encourage the timid, but for the weak individual there is no help, no hope. Might as well try to stand a string on the end.

"American Government is representative only to those who vote."

Care of Veterans

Most generous laws for the relief of disabled veterans have been enacted, and the Veterans' Bureau established. More than 71,000 men and women have been rehabilitated, of whom over 38,000 are earning more than they earned before the war. Compensation is being paid to nearly half a million at the rate of about \$100,000,000 a year, which will be increased about \$30,000,000 under legislation recently passed. Forty million dollars have been provided for hospital facilities, and under a new law hospitals have been opened to all the veterans of all wars, regardless of the time or cause of their disability. No government ever provided so generously for those disabled by service in time of war.

—Coolidge.

FALL BLOUSES ARRIVE BRINGING TUNICS WITH THEM

WHEN new blouses for fall began to arrive they brought in their company the tunic-blouse. There is never any question as to the welcome that awaits blouses each season; the overblouse has made a comprehensive success, paving the way for its next of kin, the tunic-blouse, which has already established itself among the new modes for fall and winter.

Overblouses are developed in tailored, sports and formal styles, but the tunic-blouse, so far, confines itself to the dressier types and seems likely to give little attention to any others. It varies as to length, having grown longer with the advance of the season, and employs all the fabrics at hand for making afternoon or evening costumes—as georgette, broadened chiffon and other broadens, crepe de chine, velvet and laces. It improves embroidery, beadings, plaitings into its service for adornment and undertakes all the responsibility of afternoon or evening dress when worn with plain satin skirts. One of the earliest arrivals in tunic-blouses is shown at the right of the picture in which black and white all-over laces are combined

with plaited georgette. Edges of the black lace are finished with bindings of black satin.

Tunic-blouses and overblouses reveal variety in necklines, with the "V" shaped neck opening, high at the back, a favorite. Convertible collars, which may be worn up about the throat or open at the front, scarf attachments and several styles in high collars are points of interest in autumn blouses.

Crepe de chine continues to rank first among fabrics for making the overblouse, but cotton crepe, knitted bengaline, georgette, lace and metal broadens are all represented—the last three for blouses to be worn with the costume suit. Simple models for afternoon are shown in long and short-sleeved designs and are very often trimmed with emplacements of flat lace or narrow val lace edgings—or both. Val lace trills and a lattice decoration of narrow ribbon give a good account of themselves as a finish for the simple and pretty blouse pictured here.

JULIA BOTTOMLEY.

(© 1924, Western Newspaper Union.)

THE KITCHEN CABINET

When I'm away a little while,
Things all go wrong at home;
Each crabgrass lawn plot
shrieks for me,
Each weed-choked onion rooks for
me,
And every spigot leaks for me,
When I am on the roam.

ECONOMICAL FOODS

When there is a pork chop, a piece of ham and steak too small to serve again put the three small pieces of meat through the meat grinder, add a cupful of cooked rice, a little minced onion, using two or three, a tablespoonful of peanut butter, and moisten all with tomato catsup. Place in a baking dish and cover the top with a spoonful or two of left-over peas. Bake until heated through. This makes a most tasty hot dish and does not savor of leftovers.

A nice dish for mother's busy day is prepared thus: Slice the amount of potatoes that the family will consume, in a deep granite baking dish; add a layer of thinly-sliced onions, if the family is trained to enjoy such delightful flavor; over this place a layer of small pork chops, one for each; season potatoes and chops well; add enough milk to moisten and bake in a hot oven until vegetables and meat are done.

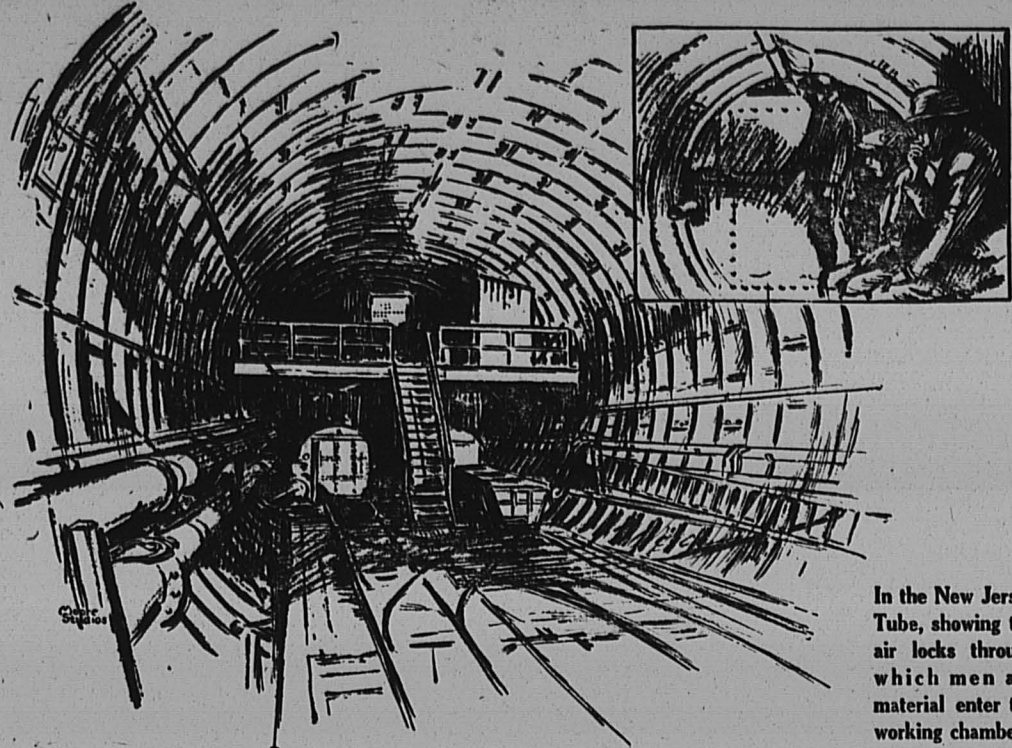

Spanish Meat Dish.—Arrange a layer of thinly-sliced potatoes in a baking dish, then one onion, thinly-sliced, and a layer of cold roast beef, with any gravy; add a cupful of stewed tomatoes; place in the oven and cook for an hour; uncover, sprinkle with a spoonful of cooked green peas and serve hot from the dish.

Dumplings.—Take one cupful of buttermilk, one beaten egg, one cupful of sifted flour, one teaspoonful of baking powder and one-half teaspoonful of salt; mix and drop by teaspoonfuls into boiling stew; cover and cook eight minutes.

Ice creams of all kinds are enjoyed at this time and if one cares to make the serving more elaborate a chocolate or maple sauce, with a spoonful of nuts over each, may be served.

MILESTONES IN NEW JERSEY'S PROGRESS

In the New Jersey Tube, showing the air locks through which men and material enter the working chamber.

THE VEHICULAR TUNNEL—ANOTHER LINK BETWEEN NEW JERSEY AND NEW YORK

IN a few weeks the New Jersey and New York bores of the great vehicular tunnel under the Hudson River will be joined. The work has been steadily progressing for months and on the New Jersey side it was electrical energy furnished by Public Service Electric and Gas Company that drove the machinery used in the process of excavation.

New Jersey is moving forward in population, in industrial strength, in civic development and in the creation of higher living standards for its people.

Projects like the vehicular tunnel call attention to the great future which the State is preparing for itself.

No community in the nation has a brighter outlook and nowhere is there greater assurance of progress and prosperity.

For the year ended June 30, 1924, the combined results of operations of Public Service Companies showed earnings of over 2½ times the preferred stock dividends paid.

The chance to become a partner in Public Service is open to all New Jersey people. Under our Customer Ownership Plan payment of \$5 down and \$5 a share will permit you to buy

In the State's development important factors are the provision of electricity, of gas and of local transportation—three public necessities provided for the larger portion of the State by Public Service companies.

Public Service Companies have expended \$144,645,000 since 1903 for the development and expansion of these services.

The expansion and progress of the State and these public utilities proceed side by side.

Confidence in the future of New Jersey implies confidence in the future of the enterprises which furnish it with essential services.

7% CUMULATIVE PREFERRED STOCK OF PUBLIC SERVICE CORPORATION OF NEW JERSEY

The price is \$100 per share, the terms of payment liberal and the safety of the investment is attested by nearly 40,000 satisfied stockholders.

Boys' and Girls' Corner

Little Travelogues

By BLANCHE GILL

THE POSTMAN'S FRIEND
The trip from Chicago to Milwaukee by boat is delightful. We found Milwaukee beautifully built with light yellow bricks, hence its nickname, "The Cream City." It occupies a pleasant site on the west shore of Lake Michigan, and has one of the best harbors on the Great Lakes.

Milwaukee was originally an Indian village, and its name means "good lands." It was the first American city to maintain a school of trades in connection with public schools.

While sight-seeing here one day we noticed a postman stop and "shake hands" with a dog and we asked some questions. Mr. K., the postman, then told us the following story about the dog:

Peggy, a brindle and white bird-dog, lives on the route of the letter-carrier and has accompanied him on his daily trips the past three years. At the beginning of each trip he finds her waiting on the street corner near by until

he comes in sight. She then goes to meet him and follows him to the end of the route, where without a word from the postman she stops, sits down and waits until he is out of sight, then goes back home. On Sundays and holidays Peggy waits on the corner as usual for an hour or more, then goes to look for him. When he is on his annual vacation Peggy meets the substitute, but will not go with him.

She will not follow any other mail-carrier, but is devoted to Mr. K.—and no matter how bad the weather, she never fails to go trotting along by his side. Every day when she comes running to meet him, Peggy gets a cordial "handshake," a friendly pat on the head and many kind words along the way. The postman said to us: "Peggy is much company for me and makes my route seem shorter and easier; we have become good pals in three years."

JOLLY JACK FROST

"Of course," said Jack Frost, "lots of people do not like me."

"They do not like to see the flowers disappear and the winter come."

"But I know that winter wants to be given a chance too, and that the cold days that like to come about when the autumn and late fall is here want to have a chance."

"So I help them in my jolly way."

"It is true you're a jolly little fellow with your brisk ways," said the Fairy Queen. "But it is sad to see you make

the flowers droop."

"I kiss them," said Jack Frost. "I say to them: 'Dear flowers, how pretty you are. But you must go to bed. It is past bed time.'"

"Ah, but what a cold kiss you give them," said the Fairy Queen.

"True, but such is my way," Jack Frost answered.

Then he went and called Master Chilly and all of the others of his family, all of the Frost Brothers and the Artists and the Workers.

They rushed forth when he called them and they said:

"Yes, we will help you, Jack. You know we will help you."

The artists went to the windows and painted their wonderful pictures with their frost paints.

Others went to the flowers and gave them their cold, chilly kisses so that the flowers quickly drooped their pretty heads and said:

"Good-night, or, good winter, for we must be really going to sleep now."

"Jack Frost will not let us stay up any longer."

There were a few who were able to stand the cold kisses, but another time they, too, would go to bed.

They had succeeded in staying up just a little longer.

Ah, such a night as Jack Frost and his workers had!

As they worked they sang, too. And this was the song they sang

which every one of them joined in singing:

We're chilly and frosty but full of fun,
Our fun we've only just begun.
We'll come again and again and work,
Our frosty duties we will not shirk.
We'll laugh and we'll sing,
Cold weather we'll bring.
We'll work with a will
In this nice air so still.
We're chilly and frosty but full of fun,
Our fun we've only just begun.

We're chilly and frosty but full of zeal
As every flower in the garden we feel.
And as we feel them they feel us too,
And what we tell them they will do.
We tell them to go to bed right away
And that they must not later stay.
We go to the windows and make pictures fine
And people know it's the Jack Frost sign.

We're chilly and frosty but full of zeal
As every flower in the garden we feel.
We're chilly and frosty but full of zeal
As every flower in the garden we feel.

We're chilly and frosty but full of zeal
To nip the flowers we do our best.
We do not think it is unkind,
They don't really, really mind.
For sooner or later to bed they must go
And we hurry them up so they won't be slow.

We wish them good-night and we wish them well.
And these wishes with our cold whispers we tell.
We're chilly and frosty but full of zeal
To nip the flowers we do our best.

And then they all sing the first verse over again:

We're chilly and frosty but full of fun,
Our fun we've only just begun.
We'll come again and again and work,
Our frosty duties we will not shirk.
We'll laugh and we'll sing,
Cold weather we'll bring.
We'll work with a will
In this nice air so still.
We're chilly and frosty but full of fun,
Our work we've only just begun!

Three Jerseymen Presented Medals For Saving Lives of Gas Victims

JOHN SWAIN

ELWOOD F. COFFMAN

Of five awards of the McCarter Medal made Wednesday night of this week to employees of gas companies in the United States who have resuscitated a victim of gas asphyxiation by use of the Schaefer Frone Pressure method during 1923, three went to New Jersey men, two of whom are employees of Public Service Electric and Gas Company.

The presentation took place on the Steel Pier, Atlantic City, before 3,000 representatives of gas companies who are attending the sixth annual convention of the American Gas Association. The McCarter Medal is the gift of Thomas N. McCarter, president of Public Service Corporation of New Jersey and its subsidiary companies. Mr. McCarter in person made the presentation.

The two Public Service men who received medals are John Swain, Leonard and Westfield avenues, Camden, and Elwood F. Coffman, 204 Tenth avenue, Haddon Heights. Both men are employed by the Camden Gas Company. Mr. Swain as boiler mechanic and Mr. Coffman as chief chemist. The other New Jersey man was Morris Joslin, Highland avenue, Atlantic Highlands, employed by the County Gas Company.

Mr. Swain saved the life of Francis McDowell of Oaklyn, a boiler cleaner, on December 15, Mr. Mc-

Dowell was at work in the producer house helping to repair a dust damper when he inhaled gas fumes and became unconscious. Mr. Swain carried him outside and began working on him with the prone pressure method. When McDowell had regained consciousness, he was taken to Cooper Hospital. Eight employees who assisted Mr. Swain were awarded certificates.

Mr. Coffman saved the life of Lawrence Miller, 833 Florence street, Camden, a helper on August 4. Miller was cleaning gas cocks. He inhaled gas, went outside to get the air and dropped unconscious. Resuscitation measures were applied by Mr. Coffman and five assistants and Miller was revived. The assistants were given certificates.

Mr. Joslin saved the life of Robert Moyer, a fitter, who was overcome July 11 while blowing drip water from a high pressure service on Center avenue, Breunert Park, suburb of Atlantic Highlands. Mr. Joslin, who is superintendent of distribution, with William Gordon, brought Moyer back to consciousness. Mr. Gordon was given a certificate.

The two other medals were awarded to L. C. Meyer, Public Service Company of Northern Illinois, and Edward B. Ryan, Fitchburg Gas and Electric Company of Fitchburg, Mass.

LESSON NO. 2

THE PROPER USE OF LIGHT HOW WE SEE

Objects are seen by the light that falls upon them and is reflected to our eyes. A dark object reflects but little of the light that falls upon it—perhaps less than one-fourth; a light colored object reflects a large part of the light—perhaps three-quarters.

If we are to see objects, the light must fall upon them and be reflected from them. The more darkly they are colored, the more light is needed to enable us to see them. The light that falls on objects which we wish to see may be termed useful light. Most electric lamp bulbs when used without shades or reflectors throw out light in all directions—just as much to the ceiling and walls of a room as down to the table top. Well designed shades are made so that they not only soften the light, but also reflect some light that would otherwise be wasted and direct it downward and outward to the objects that we wish to see.

GLOOM

Proper lighting requires two things: First, that there be enough light so that the eye can see quickly and easily; and second, that this light be shaded and so placed in the room that the eye is not strained by glare. Many homes have soft, shaded light that is too dim for good vision; others have enough light but harmful glare is a part of it; too few homes have plenty of light without glare, which is necessary for proper lighting and the protection of eyesight.

The eye is truly a wonderful organ. Because it does not always immediately complain, we often take it for granted and do not realize its work under great difficulty, and strain it.

Have you ever stopped reading because of a feeling of discomfort? You have a headache without any reason for it that you can think of, or your eyes feel tired, or you find that you cannot fix your attention on your book or paper, or you may find later that these are signs you were straining your eyes.

We can see under a dim light, but we can see more easily and more quickly if we have more light. When we live day after day with too little light, we are likely to find that our eyesight is affected, and that we may need glasses. Then we know we have strained

our eyes until they cannot do their work without help.

DECORATE WITH LIGHT

Up to this point we have thought of lighting only as it helps us to see easily—in other words, as it is useful. Of course, this is very important in every room in the home, and everywhere else. But when we light our home, we want the lighting to make each room pleasant and attractive, and our lighting, except for the work room (the kitchen, the laundry, the basement and attic), should be as much of a decoration or ornament as the pictures and rugs and curtains.

Lighting equipment may be ornamental and decorative, and at the same time it can be made in such a way that it will properly light the room. Much of the lighting equipment in use today can be greatly improved by using shades that are longer, so that the bulb is completely hidden from the eye and denser, so that no extremely bright spot appears in the center of them.

A FEW CAUTIONS
Here are a few cautions that will help you protect your eyes:

Don't judge the amount of light in a room by the brightness of the bare, unshaded bulb. That is the indication of glare.

Don't expose your eyes to unshaded lights. That may cause strain.

Don't read while facing a bright light or a sunny window. Have the light come from beside you or over your shoulder.

Don't use bright lights against a dark background.

Don't try to read in a dim light that tires your eyes.

Don't let your lighting equipment get dirty. Clean it regularly. Dust and dirt may cause you to lose as much as one-half or even three-fifths of the light that the bulbs produce and that you are paying for.

Don't depend on taking out light bulbs to connect appliances and portable lamps. Have convenience outlets put in for this purpose.

Don't be indifferent to the protection of your eyesight.

Courtesy

One of the little things in life that makes any business transaction a pleasure is courtesy.

We recognize this simple fundamental and believe that it is in a large measure responsible for the growth of this bank.

FARM CENSUS TO BE TAKEN

U. S. Census Bureau Will Mail Schedule of Questions to Be Followed by Enumerator.

CROSS STATE HIGHWAY

State Chamber of Commerce Ready to Submit Final Taxation Report to Legislature—Financial Condition Teachers' Pension Fund Sound.

Trenton.—In the monthly crop report for New Jersey, summarizing conditions existing October 1, special attention is called to the agricultural census to be taken this fall by the United States Census Bureau. Provision is now made for an agricultural census every five years instead of every ten years as heretofore.

The census is to be taken "as of the date of January 1, 1925," but relate to the calendar year 1924. The enumeration in New Jersey will begin Monday, December 1, though in some states the start will be made November 1. The enumeration must be finished in all districts by January 31, 1925, but for many districts an earlier date will be set.

"All information reported will be treated as strictly confidential," says "the bulletin of the Agricultural Department," and will not be used as a basis of taxation or communicated to any assessor. The schedule will relate to size and tenure of farm, acres and production of all farm crops, farm values and debts, number of trees and production of all fruits, number of all classes of live stock and poultry, and many other miscellaneous items.

"A copy of the schedule is to be sent all farmers through the rural carriers as a sample, but is not to be filled out and mailed. An enumerator will call at each farm and collect the information desired, the copy being sent to enable the farmer to become familiar with the questions in order that he may answer with as little delay as possible when the enumerator calls."

As indicated in the crop bulletin, the condition of corn was seventy-one percent normal, indicating a yield of approximately 34.1 bushels an acre and a production of 7,904,000 bushels, as compared with 9,440,000 bushels last year and an average of 10,873,000 bushels for the last ten years.

The preliminary estimate of the average yield of oats per acre is thirty-two bushels. The total production this year is estimated at 2,016,000 bushels, compared with 1,632,000 bushels last year. The quality of this year's crop is ninety percent of normal, compared with eighty percent last year.

The production of buckwheat is estimated at 800,000 bushels, compared with 210,000 bushels last year. The average yield of all tame or cultivated varieties of hay this season is estimated at 1.73 tons and the total production at 531,000 tons, compared with 328,000 tons last year.

Condition of the potato crop October 1 was eighty-five percent of normal, indicating a yield of 143 bushels an acre and a production of 9,750,000 bushels, compared with 7,600,000 bushels last year. The sweet potato crop is placed at 2,295,000 bushels, compared with 2,196,000 bushels last year.

The condition of the cranberry crop September 15 was seventy-eight percent of normal, indicating a yield of approximately 17.3 barrels per acre and a production of 190,000 barrels compared with 204,000 barrels last year and an average of 155,000 barrels for the last ten years.

The average farm wages for labor hired by the month this season are placed at \$48 with board and \$70 without board. Wages by the day, including place work, are placed at \$2.75 with board and \$3.70 without board. These wages are slightly higher than wages reported in July, but about one percent less than at this time last year. The supply of farm labor at present is reported at eighty-six percent of normal and the demand is eighty-eight percent of normal, making the potential supply about 97.5 percent of normal.

Cross State Highway
There seems to be ground for reasonable expectation that through the good offices of Governor Silzer the State Highway Commission will take definite action toward building the proposed road to complete a hard-surfaced highway from Camden through Mount Holly, Pemberton, Brown's Mills, Lakeland and Toms River to the Barnegat Bay bridge at Seaside Heights to give a direct State route between Philadelphia and the seashore. Recently there has developed a new agitation from the Ocean county end and in response to a letter setting forth the good reasons for such a road at State expense there is an answer from Governor Silzer's secretary, Frederic M. P. Pearse, saying: "You may rest assured that the Highway Commission will give the matter every attention."

The route was added to the State highway system by passage of Senator Mathis' bill in the last session of the legislature.

This is the best encouragement the agitators have received and they believe that the way has been opened to get something done. They set forth the importance of such a highway to the taxpayers of New Jersey who motor between their homes and the shore resorts, the reasons for expediency of development that will increase tax producing revenues, and the importance of the road to the naval station at Lakeland. The Government, on account of the air station, offers to pay one-third the cost of new construction that may be necessary to complete the highway. The road is now asphalted all the way from Camden to Pemberton, but from there on a new road would be necessary.

Beware of Early Frost
A little precaution at this time of the year may mean added returns for the home gardener, advises the vegetable specialist of the State College of Agriculture. A few frosty nights now will kill the tender vegetables, if unprotected, but a cover of some sort will save them.

Chard, lettuce, endive and the other leafy crops may be saved for a few weeks after the colder weather does come by transferring them to frames, or frames may be placed over them. A heavy mulch of straw or mats will serve the same purpose, keeping them fresh as well as blanching them for table use.

With tomato and pepper, the entire stalk may be pulled up and hung in a cool, dark place, where the fruits may be picked when they turn color, or the green fruits may be picked from the vines and kept for several weeks by placing them in a cool, dark, dry place on thinly spread straw. They may be used when they begin to turn color.

A cold frame of two or three sash will more than repay the gardener who has the space for it.

Taxation Report Prepared

The final report on taxation now being prepared by the New Jersey State Chamber of Commerce will probably be presented to the next Legislature for action, it has been announced. The research department of the Chamber under the direction of Dr. Paul Studensky has already issued two reports and a third is now being compiled.

The tax rate in New Jersey is mounting though the burden has been divided among the various municipalities. The purpose of the studies is to attempt to solve this problem and still be able to meet the state debts. The high rate of taxes in some sections has a tendency to drive out home seekers. If a reduction is made more people would be induced to come into the state to take up their residence.

It is believed that there is an unnecessary expenditure involved through the present fiscal systems of the state. These matters must be handled in a specific manner at present and these unelastic laws are detrimental, it is believed.

The system of borrowing, employed by some cities, does not always make for economy. In one particular case expenditures were met by a bond issue but when these bonds were paid off it was found that four times the price of the improvements had been expended.

The State Chamber is encouraging always a fair return for expenditures. A good water system is a big asset to the state. As the populations increase there will be a growing demand for good water which can always be sold on a profitable basis.

Some of the expenses met through bond issues in the erection of school buildings should be borne through the general tax levy, it is believed. The school debt of the state is very large and is met through bond issues some of which may be taken from the sinking fund of the cities. This money should be taken from the tax levy when possible.

Teachers' Pension Fund

Sound financial condition of the state teachers' pension and annuity fund is reflected in the annual report of Secretary Enright, state commissioner of education, submitted to the annual convention of teachers here.

Commissioner Enright reported the investment of \$5,777,550, representing funds of the organization, in municipal and school bonds, Liberty bonds and state soldier bonus securities.

The fund has to its credit \$3,781,550 in municipal and school bonds, \$1,896,000 in Liberty bonds and \$100,000 of the New Jersey soldiers' bonus bonds.

The state appropriation to the pension fund for the year ending June 30, 1924, was \$1,446,633; the amount appropriated to the pension accumulation fund by the state was \$230,616, making a total of contributions by the state expenses during the year of \$1,707,249. Contributions in the amount of \$1,384,000.48 were paid into the fund during the year by members.

The amount of pensions paid was \$238,342.86. There was an enrollment of new membership during the year of 4,053 and 75 deaths. Seventy-nine persons were retired, the total allowance being \$60,404.23.

Bee Disease Control

Many years previous to 1911, beekeepers in New Jersey realized the need of some state bee disease control measure. A number of efforts were made to get a bill through the legislature providing for this work but it was not until the year mentioned that such a law was placed on the statute books of New Jersey.

In some of the neighboring states the bee inspector is given authority to burn forthwith colonies of bees infected with the contagious bee disease known as American foulbrood.

By way of explanation it should be mentioned here that this disease is harmful to bees only and it is confined to the baby bees. It has never been known to attack man or any other animal except baby bees.

The New Jersey act is less drastic in its provisions than those of some states yet there is ample provision to get results in the most obstinate cases.

ANNUAL RATES

of the
RIVERTON AND PALMYRA WATER COMPANY

All persons wishing to connect with the public water supply, may do so by applying for a contract and filing it with the Company, at the office, Broad and Main Streets, Riverton.

RATES

HOW GREAT MEN MAKE LOVE
AS REVEALED BY THEIR LOVE LETTERS

By JOSEPH KAYE

(© by Wheeler Syndicate, Inc.)

JUDGE SAMUEL SEWALL AND MARY GIBBS

SAMUEL SEWALL may be called the American Pepys. Like the Englishman, Sewall kept a diary for 45 years, from 1674 to 1720, to which everything of topical interest or gossip found ready admittance. Today this diary is valuable for its historical data.

In other ways Sewall was an interesting personage. Intended for the ministry, his first marriage turned his thoughts to more earthly matters and he became a printer in Boston. From printing he advanced to judge of the Probate court. As a judge he joined in the sentence of the Salem "witches," and in doing so he went to the limits his righteous conscience dictated. When he realized that he had judged in error the matter preyed upon his mind; he could not rest peacefully. He proved himself a man of extreme honesty and uprightness of character by making a public confession of his bigoted miscarriage of justice.

Before the congregation of the Old South church in Boston, Sewall came one day and stood with bowed head while the minister read a bill written by Sewall in which the latter confessed his error. Thereafter the judge spent one day annually in fast as a penance.

Sewall's love affair as told in his letters and other writings are amusing. When he was almost seventy he renewed his love for a Mrs. Mary Gibbs and proposed to her as follows:

"Jan'y. 12th, 1721-22.
"Madam, your Removal out of town, and the Severity of the Winter, are the reason of making you this Epistolary Visit. In times past (as I remember) you were minded that I should marry you, by giving you to your desirable Bridgroom. Some sense of this intended Respect abides with me still; and puts me upon enquiring whether you are willing I should marry you now, by becoming your Husband, Aged and feeble and exhausted as I am. Your favorable answer to his Enquiry, in a few lines, the Candor of it will much oblige, Madam, your humble Servant.

"S. S."
The love that Judge Sewall bore Mrs. Gibbs was not, however, flavored with youthful fervor for when Mrs. Gibbs accepted him, he was careful to make it clear that he took her to his heart, but not her debts, saying in another letter:

"... The last Proposal was for your children, or some in their behalf, to give Bond to indemnify me from all debts contracted by you before the Marriage, and from all matters respecting the Administration.

"This, I told you, I peremptorily insisted on. I was to secure you Forty pounds per annum during the term of your natural Life, in case of your Survival. This Proposal must be taken entirely, every part of it together."

JUST IN TIME

A little more delay in changing the oil in the crank case would probably have made expensive repairs necessary. Change the oil frequently and use the best grade oil obtainable, such as we sell. We render crank case service to our patrons.

Items of the Town

—Buy it at home.

—Mr. and Mrs. Ralph Gibson, of Cynwyd, were in town Monday.

—Miss Marjorie Abel, of Syracuse, spent a week as the guest of Mrs. F. B. Morley.

—Mr. and Mrs. Leonard R. Baker, of Garfield avenue, spent Wednesday in New York.

—Mr. and Mrs. Ralph S. Rivers, of Lincoln avenue, entertained at cards last Wednesday evening.

—Mr. and Mrs. Edward King and Mr. and Mrs. Warrington Darnell spent the weekend at Avalon.

—Mrs. Wilber Wessell, of Collingswood, spent several days last week with Mrs. Thomas Griffith.

—Mr. and Mrs. Frank Kates have moved into their new home on Garfield avenue below Second street.

—Mrs. Elmer Jones entertained a few friends at cards at her home on Rowland street Tuesday evening.

—Mrs. Joseph Stack returned to Wildwood with Mrs. Lizzie Meeker, where she will spend a few days.

—Rev. Dr. and Mrs. Philip Vollmer, Sr., are spending several days with Mr. and Mrs. Wells, of Willow Grove.

—Mr. and Mrs. John Powell, of Swarthmore, were the guests on Sunday of Mr. and Mrs. George J. Seel, Jr.

—Mr. and Mrs. William Rawlings have as their guests, Mr. and Mrs. Melville LaVaron, of Denver, Colorado.

—William Randolph and daughter, Miss Mildred, returned to Spring Lake Monday after spending several days here.

—The Women's Guild of the Methodist Church will give a Halloween party in the temple tonight (Thursday).

—Mrs. Harry C. Schwering is enjoying a week's motor trip through the New England States and will visit Bretton Woods.

—Mr. and Mrs. Leon Evald, of Charles street, motored to Baltimore on Sunday, visiting Rev. Harry Evald and family.

—Mrs. Benjamin Hardy, of Merchantville Heights, spent last Friday with her mother, Mrs. C. W. Joyce, of Garfield avenue.

—A large crowd attended the card party given by the Compass Club in the P. O. S. of A. Hall Wednesday evening. Forty prizes were awarded.

—Mr. and Mrs. Wm. F. Blackburne, of Cinnaminson avenue, motored to Atlantic City last Saturday.

—Mr. and Mrs. George C. Baker, of Elm Terrace, and Mr. and Mrs. Arthur Shute, of Collingswood, motored to West Point over the weekend.

—Mr. and Mrs. Lloyd Schrader and son, Lloyd, Jr., and Mr. and Mrs. of Woodhaven, Long Island, are the guests of Mr. and Mrs. William T. McAllister.

—Mr. and Mrs. Fred W. Rohland returned to their home on Cinnaminson avenue Saturday, after a very successful season at their hotel, "The Lorraine" in Ocean Grove.

—Mr. and Mrs. Leon Evald and family, accompanied by Miss Stella Evald, motored to Baltimore, where they visited their brother, the Rev. Harry Evald, pastor of a Methodist Church in that city, Sunday.

—Clifton Seel, of Collingswood, returned to his home Monday after spending several days with his parents, Mr. and Mrs. George J. Seel, Jr., of Collingswood.

—Mrs. Harry Kemmerle, Sr., Mr. and Mrs. Walter Kemmerle, of Riverside, Mr. Amelia Wood, of Philadelphia, and Mr. and Mrs. Raymond Weber, of Roebing, spent Sunday at Delaware Water Gap.

—At the meeting last week of the Shepherd's Lodge, boys of the town broke into the kitchen and stole several quarts of ice cream. This put the members to a great deal of inconvenience as many out-of-town guests were present.

—Two bus loads of members and friends of St. Agnes' Guild, of Christ Church, Palmyra, comprising 54 persons, attended the Grange supper at Columbus last Friday evening.

—The regular business meeting and thimble party of the Philathea Class will be held at the home of Mrs. Everett Wiggins, 604 Washington avenue, on Thursday afternoon, October 23rd, at thirty o'clock.

—The Needlework Guild contributions are to be brought in at this meeting. The hostesses of the afternoon will be Mrs. Wiggins, Mrs. Shannon, Mrs. Tees, Mrs. Ellis and Mrs. Branson.

Camp 23

The fall and winter pinocle tournament of Camp 23, P. O. S. of A., started at the meeting Monday evening. Sixteen contestants were on hand and it is hoped there will be at least thirty-two next week.

Come out and get in the play. You may win one of the monthly awards—or still better, the big season prize.

Lutheran News

"The Home-Like Church"

There is a child that is going to celebrate its third birthday this Sunday, October 19, whose name is the First Lutheran Church of Palmyra and Riverton, N. J. The immediate relatives, friends and acquaintances of this most vigorous child are cordially invited to attend her birthday party Sunday morning at the usual hour of worship.

The Cost of "Free" Trade

Before we are carried away with any visionary expectation of promoting the public welfare by a general avalanche of cheap goods from foreign sources, imported under a system which, whatever it may be called, is in reality free trade, it will be well first to count the cost and realize just what such a proposal really means.

I am for protection because it maintains American standards of living and of business, for agriculture, industry, and labor. I am in favor of the elastic provisions of our tariff law. I propose to administer it, them, not politically, but judicially. As the business of the world becomes stabilized, without throwing all our economic system into confusion, we can raise or lower specific schedules to meet the requirements of a scientific adjustment.

—Coolidge.

Mathews-Windish

A very pretty home wedding was solemnized Wednesday evening at 8 o'clock when Miss Virginia E. Windish, daughter of Mr. and Mrs. Frank Windish, of 331 West Broad street, became the bride of J. Wilbur Mathews, son of Mr. and Mrs. Frank A. Mathews, Sr., of 209 Horace avenue. The ceremony was performed at the bride's home by the Rev. Fred B. Morley, pastor of the Epworth Methodist Episcopal Church.

The Cherry Heart

Let poets sing their liting song,
And gaily smite their lyre,
Give me the man who whistles while
He's putting on a tie.

—Mount Union Dynamo.

Assessment Explained

Citizens Hear Details of How Final Cost of Sewer Is to Be Charged

Several citizens appeared at the meeting of Palmyra Borough Council Tuesday evening to hear explanations of the 55 per cent sewer assessment. The first 45 per cent of the cost, with an additional charge of \$10 for the lateral to the curb, has already been assessed, and the basis of the final assessment is the same as the first.

All questions were satisfactorily answered by Auditor Roy E. Williams, who is advising the local assessment commission. The assessment was approved by the Circuit Court before it becomes effective.

Building Inspector Powell has had further difficulties with Dr. R. H. Lamb. Lamb was reported to have turned a bay window into a dwelling house and rented it. The structure is both unfit for a dwelling and is a fire trap, according to the inspector, and Dr. Lamb has been summoned to appear before Justice Fichter for a trial next Tuesday on a charge of violating the building laws.

CHIROPRACTOR ARRESTED

Dr. E. J. Herman, of Palmyra, Must Face Trial

Dr. E. J. Herman, the chiropractor who has an office on Broad street and Morgan avenue, for more than six months, was arrested last Tuesday for practicing without a New Jersey State license.

According to chiropractors throughout the State, the New Jersey examination is almost impossible to pass, and consequently the majority of them are practicing without State licenses. Frequently they are arrested and forced to pay heavy fines.

Dr. Herman is a Palmer graduate and has a Maryland chiropractor license. Recently he advertised as one of the "doctors" fortunate enough to have a New Jersey license.

He was arrested by a representative of the attorney general's office. George N. Wimer went his bail for \$200.

Lynn W. Frye, the Burlington chiropractor who was arrested and served a term in the county jail at Mount Holly rather than pay the fine, says the chiropractors must pass a test used for medical doctors and before a board of medical doctors.

Frye claims it is impossible for a chiropractor who has studied the nervous system with the spinal column, and not medical science, to pass the same test as an M.D.

The trial will be held at Mount Holly this week.

WILL GIVE PAGEANT

"Christ in America" Will Be Portrayed at Epworth Church Tuesday

The pageant, "Christ in America," will be given at the Epworth Church on Tuesday evening at 8 o'clock. This pageant is given by fifty women of the Woodlawn Methodist Church under the direction of Mrs. Joseph R. Leaning, of Woodlawn.

This production has been given by these women several times in this vicinity. Recently at Beverly they gave it to a house that was packed to the doors. There are many singing and speaking parts. There are characters representing various peoples who come to our shores. The appeal they make is gripping. The response that must be made by the church is positive. Besides the fact that this is an interesting entertainment a valuable lesson is impressed upon the mind.

The entertainment is being sponsored by the Woman's Home Missionary Society of the Epworth Church. The general public is invited.

Publicity Committee.

FAREWELL TO PASTOR

Baptist Church Crowded in Honor of Rev. Charles W. Williams

The members of Central Baptist Church turned out one hundred percent on Monday evening to bid a fond farewell to the Rev. Charles W. Williams and his wife.

The Rev. Mr. Williams, who has enjoyed a very successful pastorate at the Central Baptist Church, recently resigned to assume charge of the Baptist Church at Pawling, New York.

The church was packed for the farewell reception. In addition to the church members, many residents of the twin cities who have become warm friends of the pastor and his wife since their affiliation with the church, were present.

The Rev. Mr. Williams assumed charge of the local church February 12, 1912. During the twelve years of his pastorate here the church membership has increased from 136 to 311, all mortgages and debts against the church have been paid off and the parsonage has been purchased and is now clear of all incumbrances.

A resolution expressing the appreciation of the pastor's services was read by Henry H. Stiles, secretary of the church. Addresses were made by the heads of the various departments and organizations connected with the church including Clarence Yerkes, church president; Thomas VanOsten, superintendent of the Sunday School; and William Cooper on behalf of the board of deacons.

The Rev. Fred B. Morley, pastor of the first Lutheran Church, highly complimented the retiring pastor on his good work and made a very interesting address on "Minister's Secrets."

The Rev. Fred B. Morley, pastor of the Epworth Methodist Episcopal Church, told of his association with the Rev. Mr. Williams as a clergyman and emphasized the earnestness with which his fellow-minister of the gospel discharged his duties as a pastor.

An interesting program which included a piano solo by Miss Helen Stirling, a soprano solo by Miss Helen Seel, Guldin, duets by Miss Anne McConnell and Mrs. A. W. King and readings by Miss Helene Johnson was presented with huge success.

The congregation presented its retiring pastor with a handsome chime clock and a purse of money.

At the conclusion of the addresses and program, the audience adjourned to the church basement where refreshments were served and Mr. and Mrs. Williams spent their last few hours with their Palmyra and Riverton friends.

The Rev. Mr. Williams will be in the pulpit of his new church this Sunday.

AERIAL ATTACK EFFECTIVE

PHS Trims Collingswood 27-6 With Aid of Passes

The sting of a touchdown, which marked the climax of a terrific onslaught of humanity on the gridiron, probably placed the Palmyra High School within easy reaching distance of the South Jersey Class B High School championship for 1924.

The local high school gridirons traveled to Collingswood last Friday afternoon. Collingswood was "all set" for a stiff battle and was also confident she would come out the victor of the fray.

But somebody "dropped a wrench in the works" and simply spoiled all of the well-laid plans. The mistake was made when the "Colls" started the game with a bang, fought the local boys, nail and tooth, drove them off their feet in the initial period, and scored a touchdown.

This acted like a pitcher of ice water and served to wake the local boys up to the fighting pitch where they were unaccountable. And when the final whistle was blown, ending one of the most thrilling scholastic gridiron battles of the season, Palmyra was way in the lead with a 27-6 score.

"Those who know," claim Palmyra, with the continuation of the fight shown in the last three quarters of the game, will be a strong contender for the South Jersey grid title.

Collingswood intercepted a forward pass on Palmyra's 30-yard line. A series of line plunges netted a first down. An end run tore off ten more yards, and then the pigskin was carried over Palmyra's line just before the curtain at the conclusion of the first act.

From then on, Collingswood was on the defense. After the local chine began to work with clock-like precision, three of the home boys were carried off the field. They seemed unable to play a part as a section of the fort which, according to schedule, was to hold the advances of Palmyra's human plough.

Coach Morse's proteges found the aerial attack a big ground gainer and used it to good advantage throughout the three big Palmyra drives. The home Burd did the heaving and delivered the oval in the hands of the local ends with marked accuracy. Collingswood resorted mainly to straight tactics.

When Palmyra "came back" in the second period full of fight and a determination to stop Collingswood, Burr and Wood advanced the pigskin into the Collingswood ground with speedy end runs. Quarter Jimmie then called for an attack overhead, sent out Harry Burns, the fleet-footed, and threw him a beautiful pass. Harry maintained the high standard of play and carried the ball twenty-five yards for a touchdown. Wood failed on the kick for the extra point.

Neither team scored during the remainder of the period and they were in a 6-6 deadlock when the half ended. In the third quarter, effective use of the forward again took Palmyra far in the opponent's territory. "Bus" Stackhouse, who is a regular tractor when it comes to line plunging, went through center for a ten-yard gain and incidentally Palmyra's second touchdown. Wood used his toe to a good advantage and increased the Palmyra lead another point.

The opening of the fourth was marked by a block of a Collingswood punt. The two teams exchanged punts for a few plays and the "Colls" last attempt proved fatal. Burr received the pigskin and ran through the entire Collingswood team for a touchdown. Jimmie had a successful season on the diamond when he was allowed to play. During the early part of the season, broken ribs kept him out of the game and he finished the year on the bench as the result of a sprained shoulder.

Russ fills a position of player-coach on the Kansas City team, of the American Association. Since the current has been officially lowered for 1924, the Palmyra diamond luminary has received many tempting offers to manage big clubs next year. Blacky has not accepted any of the offers as yet.

At the conclusion of the season, Kansas City played a series of exhibition games with Detroit. From there, Mr. and Mrs. Blackburne went to Chicago where they spent several days with friends before returning home.

RUSS BLACKBURNE HOME

"Lena," Local Baseball Star, Has Received Tempting Offers to Manage Clubs

Mr. and Mrs. Russell Blackburne returned to their home on Cinnaminson avenue last Wednesday after spending the summer in Kansas City where "Blacky" is connected with America's national sport.

Blacky, as he is known throughout the baseball world, had a successful season on the diamond when he was allowed to play. During the early part of the season, broken ribs kept him out of the game and he finished the year on the bench as the result of a sprained shoulder.

Russ fills a position of player-coach on the Kansas City team, of the American Association. Since the current has been officially lowered for 1924, the Palmyra diamond luminary has received many tempting offers to manage big clubs next year. Blacky has not accepted any of the offers as yet.

At the conclusion of the season, Kansas City played a series of exhibition games with Detroit. From there, Mr. and Mrs. Blackburne went to Chicago where they spent several days with friends before returning home.

Would Protect Our Courts

While we are discussing some of the problems of the day, some of the changes we propose to meet temporary conditions, it also will be remembered that it is equally necessary to support our fundamental institutions. We believe in our method of constitutional government and the integrity of the legislative, judicial, and executive departments. We believe that our liberties and our rights are best preserved, not by declaring and interpreting the Constitution which the people have made is in the Supreme Court of the United States.

—Coolidge.

NOTICE

Notice is hereby given that the undersigned will sell at public auction, to the highest bidder, on Monday, Oct. 20th, 1924, at 10 o'clock in the forenoon, at Taylor's Garage in the Borough of Riverton, in the County of Burlington and State of New Jersey, one Motor Touring Car, Model 1924, engine No. 79774, to satisfy a lien for repairs amounting to \$150.00, which car is the property of John Frye and is sold to satisfy the above bill incurred by him.

Dated, October 3, 1924.

—Advertisement.

SEALED PROPOSALS

Sealed proposals will be received for the lighting of the Streets of the Borough of Riverton with Electric Incandescent Lamps and Gas Wall-bach Street Lamps, for a period of five years from the first day of December, 1924, at the Council Chamber, Riverton, N. J., on November 13th, 1924, at eight o'clock p. m., and then and there publicly opened.

The Borough Council reserves the right to reject any and all bids, and to waive defects or informalities in any bid should it be deemed to be in the best interest of the Borough to do so.

Address proposals marked "Lighting Proposals" to Daniel M. Clifton, Borough Clerk, Riverton, N. J.

ASSESSMENT EXPLAINED

Citizens Hear Details of How Final Cost of Sewer Is to Be Charged

Several citizens appeared at the meeting of Palmyra Borough Council Tuesday evening to hear explanations of the 55 per cent sewer assessment. The first 45 per cent of the cost, with an additional charge of \$10 for the lateral to the curb, has already been assessed, and the basis of the final assessment is the same as the first.

All questions were satisfactorily answered by Auditor Roy E. Williams, who is advising the local assessment commission. The assessment was approved by the Circuit Court before it becomes effective.

Building Inspector Powell has had further difficulties with Dr. R. H. Lamb. Lamb was reported to have turned a bay window into a dwelling house and rented it. The structure is both unfit for a dwelling and is a fire trap, according to the inspector, and Dr. Lamb has been summoned to appear before Justice Fichter for a trial next Tuesday on a charge of violating the building laws.

CHIROPRACTOR ARRESTED

Dr. E. J. Herman, of Palmyra, Must Face Trial

Dr. E. J. Herman, the chiropractor who has an office on Broad street and Morgan avenue, for more than six months, was arrested last Tuesday for practicing without a New Jersey State license.

According to chiropractors throughout the State, the New Jersey examination is almost impossible to pass, and consequently the majority of them are practicing without State licenses. Frequently they are arrested and forced to pay heavy fines.

Dr. Herman is a Palmer graduate and has a Maryland chiropractor license. Recently he advertised as one of the "doctors" fortunate enough to have a New Jersey license.

He was arrested by a representative of the attorney general's office. George N. Wimer went his bail for \$200.

Lynn W. Frye, the Burlington chiropractor who was arrested and served a term in the county jail at Mount Holly rather than pay the fine, says the chiropractors must pass a test used for medical doctors and before a board of medical doctors.

Frye claims it is impossible for a chiropractor who has studied the nervous system with the spinal column, and not medical science, to pass the same test as an M.D.

The trial will be held at Mount Holly this week.

WILL GIVE PAGEANT

"Christ in America" Will Be Portrayed at Epworth Church Tuesday

The pageant, "Christ in America," will be given at the Epworth Church on Tuesday evening at 8 o'clock. This pageant is given by fifty women of the Woodlawn Methodist Church under the direction of Mrs. Joseph R. Leaning, of Woodlawn.

This production has been given by these women several times in this vicinity. Recently at Beverly they gave it to a house that was packed to the doors. There are many singing and speaking parts. There are characters representing various peoples who come to our shores. The appeal they make is gripping. The response that must be made by the church is positive. Besides the fact that this is an interesting entertainment a valuable lesson is impressed upon the mind.

The entertainment is being sponsored by the Woman's Home Missionary Society of the Epworth Church. The general public is invited.

FAREWELL TO PASTOR

Baptist Church Crowded in Honor of Rev. Charles W. Williams

Dr. Michael Dorizas Tells Palmyra Chamber of Commerce About Mongolia and China

China, a land where all the buildings have pointed eaves to catch the devil's coat tails as he flies by, and Mongolia, where the plains are covered with human bones, were the topics of an illustrated lecture given by Michael Dorizas before the Chamber of Commerce Tuesday evening.

The Chinese mind is obsessed with the idea of devils, said Dr. Dorizas, but they seem to be very clumsy devils, as a rule, because the Chinese employ only the simplest means to combat them and live in comparative peace of mind.

For instance the Chinese devils can travel only in straight lines, so the home owner protects his hearth from intrusion by erecting a screen in front of his door which he and his family walk around, but which devils do not pass because they can't turn a corner. Under the pointed eaves are hung bells, so when the devils get their coat tails caught, the bells ring, and the Chinese say a prayer to protect themselves.

In Mongolia they have got praying down to a science. Prayers are written on round wheels, turned by water, and every time the wheel turns a prayer is considered to have been said. Prayers also are written on banners which flap in the wind and every flap is considered as a prayer, so on the whole, the people are well supplied with prayer.

The Mongols don't bury their dead. They consider a corpse possessed with an evil spirit. Consequently they place the body in an open cart and start driving across the plain at full speed. The driver looks neither to the right, left, nor behind, for fear the evil spirit will catch his attention. Before long the body jolts out and the driver eventually catches his horse by another route. The wolves and vultures make short work of the abandoned remains.

The Mongol plains are covered with human and animal bones, said Dr. Dorizas, who are expert agriculturists and use every available means of enriching their soil, gather up these bones and make fertilizer out of them. They are very few among the Mongols and Dr. Dorizas prophesied the whole race would die out in a few hundred years. Among the Chinese, however, children are numerous, but are so poorly cared for that only one out of ten ever lives to grow up.

Despite this, China is one of the most thickly populated countries in the world. China is held down by too many Governors, too much civil war, too much opium, to much graft, but despite all this the Chinese are the dominating race in Asia. In the Malay Peninsula and Indo-China they outnumber the natives and control business.

Previous to the lecture the Chamber appointed a committee to push the proposition to widen Broad street and renewed plans to erect a flagpole at the high school.

One Welcome sign has already been erected at the ferry and Fred W. Seebor agreed to superintend the erection of another at the River road.

For the benefit of Contestants in the HOME LIGHTING CONTEST and all others interested in the conservation of eyesight and the improvement of illumination.

In order to provide concrete examples of house lighting that eliminates Glare and Gloom, protects the eyes and adds to the attractiveness of the home, arrangements have been made for model lighting installations in model homes, which every school boy and girl entered in the Home Lighting Contest should see and study.

Where the Model Electrical Homes Can Be Found

No. 920 Greenwood Avenue, Trenton; No. 314 North Brown Street, Gloucester; No. 190 Lupton Avenue, Woodbury; No. 1242 Empire Street, Camden; No. 31 St. Davids Road, Colwick; Rogers and Bethel Avenues, Merchantville-Summit

Every school child, ten years old or more, is eligible to compete in this great educational event, the Home Lighting Contest. Many valuable local prizes are offered, and the winning papers will be entered in the international contest, in which the first prize is a \$15,000 house and ten other prizes provide scholarships in American or Canadian colleges and universities.

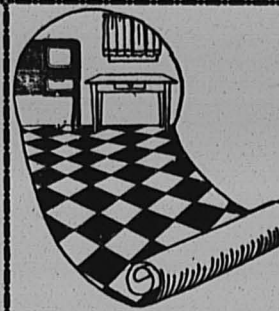

Every parent is interested in this great movement for the protection of eyesight against the enemies Glare and Gloom. Proper illumination adds to everyone's comfort, aids everyone's vision and preserves everyone's health. You should visit a modern electric home and interest yourself in the Home Lighting Contest, not only for the sake of your children, but for your own welfare.

STALLS ON R. R. TRACKS

Moffitt Car Narrowly Escapes Being Struck by Flyer

A car driven by Mrs. John Moffitt, of Lincoln avenue, narrowly escaped being hit by a special New York express train at the Morgan avenue grade crossing about 5:40 last Sunday evening.

Mrs. Moffitt, who was accompanied by her husband, her daughter and a small son, started across the tracks, going north, when she was forced to stop her car in order to avoid an accident with a Pennsylvania car which was coming in the opposite direction on the left side of the road.

Mrs. Moffitt was forced to stop suddenly on the westbound tracks. Before she had started the machine again, the Pennsylvania car, traveling at terrific speed, had passed the Arch street station.

The car then stalled as it got part way over the tracks. Mr. Moffitt jumped from the car, and assisted by several people who had arrived on the scene, pushed the car back on the westbound tracks just as the express passed Cinnaminson avenue.

Another woman driver had a narrow escape at the same crossing a few weeks ago when the motor of her car stalled. Mrs. Moffitt says the engineer blew his whistle furiously at the stalled car, but did not attempt to slacken the speed of his train.

RED CROSS HOLDS ELECTION

Jacob P. Warner is Chairman of Palmyra Branch

The Palmyra Branch of the Red Cross held its annual election of officers in the Field Club rooms at Society Hall last Friday evening. The following officers were elected: Jacob P. Warner, chairman; Mrs. J. P. C. Hirsch, vice chairman; Mrs. J. P. MacFarlane, secretary, and Mrs. John C. Hoefner, treasurer.

The annual roll call drive will start Armistice Day, November 11, and end Thanksgiving Day, November 27. Prior to this year, a large number of the Palmyra people who are employed in Philadelphia, have joined there. Of course, a good cause is helped where ever you may join, but charity begins at home.

The local Chapter retains 25 cents of each dollar membership received. This is used for local work, and consequently you are assisting with local work when you join at home. Recently the Palmyra Red Cross made a \$50 donation to the Ambulance Association.

RIVERTON 20-KNIGHTS 0

Riverton A. A. Wins Another Grid Tilt

Riverton A. A. chalked up another victory when they downed the Knights' All-Stars of Philadelphia at Memorial Park Saturday afternoon.

The playing of S. Hylton, who relieved Burns at end in second quarter, and the 70-yard run for a touchdown from an intercepted forward pass, by Hubbs featured.

Next Saturday afternoon at Memorial Park, Riverton will play the Gibson A. A. of Philadelphia.

P. C. Team Likes Again

Tommy Schwin's Field Club football team lost another game—three straight without a win. The opposition on this occasion was Rexall, of Riverside, and the final score was 13-0. The battle was waged at The Field Club grounds Saturday afternoon before a fairly large crowd.

The Field Club, of course, is a new team and has some experienced players. They play great ball but do not have that final punch that pushes over the winning touchdown.

Saturday Rexall made its first touchdown when Semple fumbled and a Riverside man recovered the ball and ran forty yards. The second touchdown was made with a pass.

Westcott, at full back, and Dick Polis, at right halfback, were the Palmyra bright lights. Center, Hank Jenkins and Officer Bucky Wallace, the left tackle, played brilliantly on the line. Priscoe also played a snappy defensive game.

Coach Joe Stack says he will have a hard fighting team on the field this week. He used an entirely different team at practice the last few evenings. Some of the linemen have been sent to the backfield and a few of the backfield squad have worked at end positions.

Annual Meeting of Needlework Guild

The annual meeting of the Riverton Branch of the Needlework Guild of America will be held in the Porch Club, Wednesday afternoon, October 23rd, at two-thirty o'clock. Garments collected will be on display. Miss May Smith, of the Social Service of Cooper Hospital, will be the speaker.

Last year there were 1282 articles collected and distributed to our county and state charitable institutions. Everyone is invited to come to this meeting and see the display, which it is hoped will be larger than ever.

Rummage Sale Clears \$715

Returns from the rummage sale held by the Burlington County Tuberculosis League at Browns Mills amounts to \$715. The thanks of the League is extended to all who contributed or purchased articles. The money will be used for Preventorium work for children.

BUILDINGS OVER LINE

Palmyra Township Committee Directs Building Inspector to Enforce Building Line Provisions to the Letter

The violation of building lines, especially in the business districts on Broad street and Cinnaminson avenue was brought before Palmyra Borough Council Tuesday evening.

Councilman George N. Wimer called attention to the extensive alterations being made by Melvin R. Blackwell, on East Broad street. Glass-enclosed store fronts have been built where the porch formerly stood, and above the stores are stucco and glass-enclosed sun parlors connected with second floor apartments.

Somewhat similar offices built by John S. Warner and Charles T. Hawke on Cinnaminson also were referred to.

In addition to this, the Borough building code provides for the enforcement of the building line. Mr. Wimer said that much of the beauty and attractiveness of Palmyra as a residence town depended on maintaining the building line, so that all buildings would set back in an orderly row, with grass plots and shrubbery in front of them, while if the line were violated, streets would present a straggly disordered appearance, some buildings shutting out the light, view and air from others.

Mayor Weart and other members of council were of the opinion that the Building Inspector should enforce the building line provisions to the letter. A resolution to that effect was introduced and passed.

This put Building Inspector Powell in a predicament. In the Blackwell case he had issued a permit after seeing the plans and being informed that the next door property owners had no objections to the extension of the building. Now the building is virtually complete and it would be an expensive proposition for Mr. Blackwell to tear it down. The Hawke and Warner offices have been up for some time.

The ferry fog siren was another matter that aroused considerable interest. Virtually the whole town was awakened from its sleep in the wee sma' hours of the morning one day last week by the insistent sound of the siren. Mayor Weart, being a fireman, thought it a call to duty and jumped out of bed. On looking out of the window he noticed it was foggy and diagnosed the situation correctly. Many other citizens thought it was a fire or riot call.

Hardly anybody in town was able to go back to sleep.

Consequently the commuters' trains and street corners were scenes of indignation meetings that day. Several petitions were started in an effort to have the fog siren silenced. Even the Board of Health took action and passed a resolution declaring the siren injurious to public health and consequently a nuisance.

This resolution provoked some smiles at the council meeting. "Sure it's injurious to health to be awakened out of a sound sleep early in the morning," said one Councilman. "It gets on my nerves."

"I think it's injurious to public morals," said another, "It makes me cuss."

"In that case," quietly observed Auditor Roy Williams, "it should be referred to the police committee." Councilman Randel announced that he had already taken up the question with Captain Albertson and Charles A. Wright, of the Ferry Company, and that they had promised to see what could be done to ameliorate the situation. Council decided to await the result before taking any further action.

The First National State Bank, of Camden, has agreed to take care of the temporary financing of the sewer pending the issuance of temporary bonds January 1. Philadelphia banks required expensive legal procedure, so it was decided to patronize a New Jersey institution.

Building Inspector Powell reported six permits for new dwellings worth \$31,875, seven repairs and alterations amounting to \$2143 and four garages worth \$750.

An innovation has been introduced by Councilman Randel, Chairman of the police committee, requiring the Chief of Police to make weekly reports in writing of all arrests. This will enable the Police Commissioner to keep more closely in touch with the work of the police.

Chicken Supper Election Night

The Cinnaminson Home and School Association will give a chicken supper on election night, November 4, 1924, at the Cinnaminson Public School.

The venture was first made last year on election night. Many of the voters who must come to this district to cast their vote helped the Association and likewise the school by taking supper there, and the results were so successful and the public so well pleased, that this second attempt is hoped to bring equal results.

Hot supper will be served from five to eight o'clock. Tickets 75c for adults, 40c for children under twelve years of age.

Free Gas at New Service Station

Albertson's Service Station will be opened for business on Wednesday, October 23rd, at Broad and Linden Streets.

The new station makes a very fine appearance and Mr. Albertson will be glad to greet those who want to inspect it Tuesday afternoon and evening, the 23rd.

High grade gasoline and the best paraffin-base lubricating oils will be sold. A limited number of cards will be given out entitling the holder to five gallons of free gasoline with every fifty gallons purchased.

VOTE!

HURT IN AUTO CRASH

Woman Thrown Through Window When Car Hits Rails

Miss Deborah Shaner, of 2029 No. Sixty-Second street, Philadelphia, was badly lacerated about the face early Sunday evening when a large sedan in which she was riding missed the River Road railroad grade crossing near the Pensauken creek, and rode over the rails.

The machine was driven by C. N. Dimarest, of Madison, Wis. Being unfamiliar with the road, Dimarest missed the crossing, which is just at the turn, and the car ran over the rails.

Miss Shaner was thrown through the window of one of the rear doors. She was taken to Dr. Bauer and then to her home in a taxi.

The accident occurred about eight o'clock. Dimarest and the injured woman were the only occupants of the car. He escaped without injuries. The tires were blown out and only the glass through which the woman was thrown, was broken.

SNOWER STILL RUNNING

Making Race for Coroner on Democratic Ticket

Frank A. Snover, the Palmyra undertaker, who was runner-up in the primary race for the two Republican nominations for coroner, found after all the votes had been counted that while he had lost the Republican nomination, some of his Democratic friends had given him enough votes to nominate him on the Democratic ticket where there had been no regular party candidate.

Since he does not consider the coronership a political matter and believing that this end of the county should have a coroner, Mr. Snover has consented to accept the Democratic nomination and is making the race for election.

He hopes to receive most of the votes on the Democratic ticket where he has no opposition, and sufficient votes from Republicans who supported him in the primaries to bring him a winner.

PALMYRA P. T. A.

Prof. Griffith Makes Address on Value of Physical Training

Prof. A. S. Griffith, supervising principal of the Palmyra School System, addressed the regular monthly meeting of the Palmyra Parent-Teacher Association in the Palmyra High School auditorium Tuesday evening.

Mr. Griffith's topic was "Physical Training and the Value of Play and Exercise in School." The principal emphasized the necessity of physical training and said the student must be developed along three lines, morally, physically and intellectually. The moral education must be taught in the home and church, Mr. Griffith said, but the physical and intellectual welfare of the young person must be taken care of in the public schools.

The president, Mrs. John Moffitt, made an appeal for subscriptions for the Burlington County News, the P. T. A. publication. The price of a subscription is one dollar a year, and receipts help to finance a Burlington County P. T. A. Normal School scholarship. Last year, one of the Palmyra High School graduates, a resident of Riverside, won the scholarship.

A sketch, "Susan's Fortune," was presented to friends of the P. T. A. It was very amusing and well acted.

The State Parent-Teacher Association convention will be held in the Hamilton Hall, Atlantic City, November 5, 6, and 7. Interesting programs have been arranged for each day's session.

Any member of the P. T. A. is privileged to attend the conference. The Palmyra delegates are Mrs. John Moffitt, Mrs. Joseph H. Abdill, Mrs. John C. Hoefner, Mrs. J. P. MacFarlane, Mrs. A. C. Giberson and Mrs. John Lord.

County YWCA Notes

Miss Elizabeth Dean, of Palmyra, has taken the leadership of a newly organized grade school Girl Reserve Club.

Mrs. Edward S. Harmer, of Moorestown, president of the Burlington County YWCA, and Miss Mary Carol Searls, associate secretary, spent Tuesday and Wednesday of this week at Hartford, Conn., where the Board members of all the county Associations of the Northeastern section met to discuss problems. Mrs. Harmer had charge of several Board groups.

The Rev. J. S. Daurery, of Moorestown, will give the first of a series of talks on "Making Christianity Real in Every Day Life" at the fall membership meeting which will be held at Pemberton, October 25, 1924.

YWCA Notes

Members of the Riverton-Palmyra YWCA Club wishing to attend the Fellowship meeting will leave for Pemberton on the bus leaving Palmyra station at 12:45 Saturday.

On Tuesday evening an athletic club was formed. This club will have for the gym class \$2 for a course of ten lessons. Class in swimming \$3 for ten lessons.

Anyone wishing to join, call Miss Grace M. Evald, Riverton 98J for further information.

Rehearsal for operetta at 7:30 sharp in Porch Club next Tuesday evening.

Tennis Dance a Success

A large crowd of dance lovers attended the annual fall tennis hop held in the P. O. S. of A. Hall last Saturday evening. Included in the crowd was the younger set who are "regulars" at all Field Club dances, and some of the married couples who have not been seen at many of the recent dances.

The hall was converted into a beautiful ball scene. The decorations consisted of blue and yellow crepe paper streamers which hung from the lights and large sprays of autumn leaves placed in every possible position throughout the hall.

The music was extraordinarily good and was furnished by Ed. Tawa's Quaker Six. This half-dozen jazz boys gained a big reputation at Point Pleasant, where they played this summer, and will be a big attraction should they be engaged to "manufacture the jazz" at future Palmyra hops.

LESSON NO. 3

LIGHTING THE KITCHEN

It may seem a bit odd to start with the kitchen instead of with the living room for our lighting lesson, but the kitchen is a room of importance. A home may be built without a sun room or a living room, but without a kitchen, never!

And this is the room in our home where somebody must work a good many hours each day. In most families that somebody is likely to be Mother. Winter mornings there's breakfast to get by electric light. There's always kitchen work to do after dark in the evening and there are gloomy days when artificial light is necessary almost all day long in the kitchen.

Factory work rooms are compelled by law to be at least reasonably well lighted, but the work room of the home, the kitchen, often is very badly lighted just because Mother never has complained about it.

To be well lighted, there should be a flood of soft, even light in the kitchen that gets into every nook and corner. When you stand at the sink, there should be no deep, black shadows on the dishes. It should be impossible to "stand in your light" so as to throw a dense shadow on your work anywhere in the room. You should be able to open the oven door and actually see in.

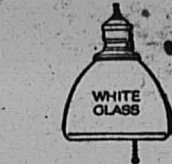

Many kitchens are lighted with a fixture light like the one shown in this picture. No kitchen can be

In a very large kitchen, two of these may be needed.

Changing the old style fixture to this modern kitchen light will make a surprising difference in the appearance of the kitchen and in the ease with which kitchen work may be done.

In order to be sure that there is plenty of light at the sink, and no bad shadows, it is usually well to provide in addition to the light at the ceiling, a bracket fixture on the wall over the sink, or, if that is not possible, another light hung from the ceiling which will be over the sink. This light should be just high enough above the head to be out of the way. This fixture should have a deep, open bottom, dense milk-white glass shade. It may have an insulated pull chain switch. In some kitchens a fixture like this may be needed over the kitchen stove.

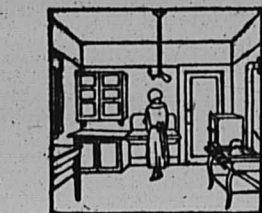

Just as a 100-watt lamp bulb in the ceiling fixture will give proper lighting, so a 60-watt white bulb is excellent for the fixture over the sink or the stove. Some people prefer a 150-watt daylight or blue bulb in the center fixture and a 75-watt daylight or blue bulb in the fixture over the sink or stove. The use of daylight or blue bulbs makes a well kept kitchen look even more spick and span and gives it, at night or day, a daylight cheerfulness.

When using an electric iron or any other appliance, we need all the light we can get. Therefore, it is not a good thing to remove a bulb to connect the iron. Have a convenience outlet just like this

In the wall near the table, about 36 inches or more above the floor.

well lighted with this old style lighting equipment. In spite of everything you do, it will always make bad shadows, because the bulb is so low that you can't help throwing your own shadow in front of you. There's only one cure—take it out.

Proper light for the kitchen means a 100-watt clear bulb or 150-watt daylight or blue bulb, put close up to the ceiling so that there will be a minimum of shadow. To soften the light, it should be surrounded by a dense milk-white all enclosing glass globe. Preferably this piece of glassware should be flattened out a little in shape in order to spread the light well over the room. This is shown in the next picture.

IMPROVED UNIFORM INTERNATIONAL Sunday School Lesson

(By REV. P. B. FITZWATER, D.D., Dean of the Evening School, Moody Bible Institute of Chicago, Ill.)
(© 1924, Western Newspaper Union.)

Lesson for October 26

THE STILLING OF THE STORM

LESSON TEXT—Mark 4:35-41.

GOLDEN TEXT—What manner of man is this, that even the wind and the sea obey Him?—Mark 4:41.

PRIMARY TOPIC—Story of a Great Storm.

JUNIOR TOPIC—Jesus Still the Tempest.

INTERMEDIATE AND SENIOR TOPIC—The Power of Jesus Over Nature.

YOUNG PEOPLE AND ADULT TOPIC—How to Meet the Storms of Life.

Jesus was a great Teacher, as was shown in the parable of last lesson, but Mark's aim was to show Him as the Divine Servant doing mighty deeds. Hence after the parables are presented deeds which show Him to be the master of the forces of nature, demons, diseases and death. His mastery of the forces of nature is the particular deed shown in this lesson.

I. Jesus and the Disciples Crossing the Sea (vv. 35, 36). Weary with the teaching of the day, He proposes that they take a ship to the other side of the sea, the aim doubtless being to escape the crush of the multitude. They did not delay, for "they took Him even as He was in the ship."

II. Overtaken by a Storm (v. 37). Storms were frequent on Galilee, but this was an unusual storm. It was a furious tempest, so great that the waves beat into the ship so that it was full. Even though Jesus was in the boat with the disciples they were overtaken by a storm. To follow Christ does not necessarily mean smooth sailing or cloudless skies. Indeed, it rather implies that we will have to encounter storms. However, those who have Christ on their boat cannot sink.

III. Jesus Himself in the Storm-Tossed Boat (v. 38). The day had been a very strenuous one and He was weary. In the midst of the turbulent elements He was resting in sleep. He who made the sea could well lie down and sleep though the storm did violently rage. His being asleep did not indicate that He was indifferent to the need of His disciples.

IV. The Terrified Disciples (v. 38). In their minds nothing but disaster and death awaited them. There was absolutely no danger for no boat can go down regardless of the violence of the storm which has Christ on board. The disciples were not only terrified but they charged Him for sleeping while they were in such great danger. "It was all right for them to come to Him for help but it was presumptuous on their part to make a demand upon Him."

V. Christ's Rebuke (vv. 39, 40). He arose and rebuked the wind. Unless we see Him as the God-Man we will be perplexed, for we see a

human being sleeping because of exhaustion and then we hear the divine voice of the Creator and Ruler of the universe. He who was asleep has power to rebuke and calm the raging elements.

1. The Wind (v. 39). This showed that He had power over the elements of nature for at His command the wind ceased and there was a great calm.

2. The Disciples for Their Lack of Faith (v. 40). They were looking upon their circumstances instead of upon their Lord. For all the disciples had seen and heard they should have been without fear in the company of Jesus. Let us learn to trust Him for He has power over all things.

VI. The Effect Upon the Disciples (v. 41). They were filled with great fear. A little while ago they were afraid in the face of a storm. Now they are afraid in the presence of the Lord. Frequently marvelous deliverances by the Lord so affect God's children that they are more alarmed over the presence of a divine being than they are by the threatening perils. Let us see that standing in our midst though unseen today is our Lord and that despite the raging of the storms we can hear His voice of peace.

His Opinion

"I dropped into the Tote Fair store this morning," related a guest, "and found the proprietor and his clerk playing checkers."

"Eh-yah!" returned the landlord of the Petunia tavern. "I always did say that a merchant that will play checkers before noon ain't got much business nor much sense to attend to it if he had it."

Too Much

"How did you like my sermon Sunday?" asked the modern clergyman.

"I couldn't get you," replied the radio churchgoer.

"Too much theology?" asked the minister.

"No," replied the radio lost sheep; "too much interference."

THE NEW ERA

Published every Thursday at
607 Main Street
Riverton, N. J.
Entered as second class matter at the
Riverton, N. J., post office

WALTER L. BOWEN

Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper

Subscription \$1.50 a year
in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of fine printing at reasonable prices

LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioners, Sheriff's and other Sales, Administrators' and Executor's Advertisements are solicited. The New Era will appreciate being remembered in this connection.

NOTICE

All readers of local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, will be charged for at the rate of fifteen cents a line.

Notice

In order that The New Era may reach its readers before the weekend purchases are made, it will hereafter be published and mailed on Thursday. Advertisers and others are requested to have their copy reach this office not later than Wednesday morning of each week.

Here is the Record

What has the Republican administration accomplished in the way of economy?

Briefly, these things:
Reduction of the public debt by more than \$3,000,000,000, saving in interest alone more than \$135,000,000 a year.

Reduction of the cost of running the Federal government of more than \$2,000,000,000 a year.

Reduction of the number of employees on the Federal payroll by close to 100,000.

The establishment and operation of a budget system in handling the fiscal affairs of the Federal government, resulting in economies hitherto thought impossible.

Ending of the naval construction races of the great powers, which laid terrific tax burdens on the whole world, through the Conference for the Limitation of Armaments.

A record any party could be proud of, and particularly proud when it is remembered that conditions almost chaotic were inherited from the preceding administration.

BIG RALLY TONIGHT

Brass Band, Parade, Banner Raising and Address by Prominent Speakers

Everything is in readiness for the big Republican banner raising, parade and speech making tonight at Broad and Main streets, Riverton.

Starting about 6 o'clock the parade consisting of a line of automobiles and the band will leave the Riverton station and make a tour of Riverton, East Riverton, Palmyra and Cinnaminson.

Returning to Riverton at 7:30 the band will give a concert until 8 o'clock, when the new Coolidge and Daves banner will be unfurled, with a few remarks by Mrs. Charles Yost, followed by addresses by Mrs. Marie Coolidge Rask, of New York City; Hugh W. Adams, of New York City; both sent here by the National Republican Committee; Congressman Isaac Bacharach, of Atlantic City; Senator Emmor Roberts, of Moorestown, and Assemblyman Clifford R. Powell, of Mount Holly.

Following the banner raising, the addresses will be made in the auditorium of the Riverton Public School.

Porch Club News

Clothes, that subject of universal interest to women of all ages, was the attraction that filled the Club house to capacity on Wednesday afternoon, October 15th.

Miss Isabel M. Strohl, head of the Library Bureau at Strawbridge and Clothier's, gave a most interesting talk on dress and with the aid of models demonstrated winter costumes with their accessories. Miss Strohl illustrated her "Do's" and "Don'ts" of colors by draping the models in various shades of silken materials, and explaining why some colors are becoming to one and why others are unbecoming. The proceeds of the afternoon are for the benefit of the building fund.

Miss Edna McGrew, graduate of Columbia University, entertained the Porch Club on Tuesday afternoon, October 21st by her most interesting demonstration of tying and dyeing of dress materials. Miss McGrew uses cold water dye, and impressed her audience by the clever manner in which she handled it, producing most wonderful color effects.

The Press Committee.

Junior Women's Republican Club
Entertained by Mrs. Grace Bennett Coe

On Monday afternoon the Junior Women's Republican Club, of Burlington County, was entertained at an informal tea by Mrs. Grace Bennett Coe. The object of the meeting was to introduce the club to the women living in the riverfront towns. Representatives were present from Palmyra, Beverly, Edgewater Park and Riverton. Mrs. A. J. Collins, Jr., president of the club, Mrs. Henry Sherman and Mrs. H. A. Frantz, all of Moorestown, made addresses.

The next meeting of the club will be held on Wednesday afternoon, October 29th, in the Court House, at Mount Holly. Everyone is invited to attend these meetings, and those desiring to join should communicate with Mrs. Grace Bennett Coe, of Riverton, for information.

Mayor Killam E. Bennett has returned home from a six weeks' business trip to New Bern, North Carolina.

—Don't handicap your boy or girl who is taking the commercial course. Get them a typewriter to practice on at home. Reasonable rental or easy purchase terms on dependable Remingtons and Underwoods at The New Era office. Phones 63-W and 344.

No man can cheat you out of ultimate success but yourself.—Emerson.

Locals

—Buy it at home.

—Mr. and Mrs. Leon Sloan spent the weekend at National Park.

—Mrs. Francis B. Elwell is entertaining friends from New York.

—Mrs. Clarence Hubbs entertained at cards on Wednesday afternoon.

—Edson Carhart is now occupying his new home on Lippincott avenue.

—Miss Naomi Hurff and Lawrence Caskey were visitors at Newfield on Sunday.

—Mrs. Edward Evans spent last Friday with Mrs. Percy Gill, of Collingswood.

—Mrs. Schonweiss has returned home after spending two weeks in Atlantic City.

—Calvin Stow is building two new houses on Second street for Charles B. Durbin.

—Mr. and Mrs. Charles DeGrau entertained the Saturday evening card club last week.

—Mrs. J. W. Sylvester entertained her mother, Mrs. Reeves, of Philadelphia, over the weekend.

—Mr. and Mrs. Roland Beagle, of Washington avenue, are moving into their new home on Thomas avenue.

—Mr. and Mrs. Everitt Robinson and daughter, of Camden, spent the weekend with Mr. and Mrs. Earnest Chew.

—A large number of Palmyra and Riverton people motored to Lakehurst Sunday to inspect the new Z-R-3.

—Mrs. H. E. Brown entertained her sisters, the Misses Edna and Mabel Adams, of Philadelphia, on Friday.

—Mrs. Schonweiss received a letter from "Friedrichshagen," via Munich, Germany, which came over in the Z-R-3.

—Clarence Hubbs entertained about twenty of his friends at his hunting lodge near Four Mile Colony last Sunday.

—Miss Betty Richman, daughter of Mr. and Mrs. Herbert Richman, was operated on at the Methodist Hospital on Tuesday.

—Ralph Nicewinter and William Makovus, of Shenandoah, spent the weekend at the home of Mr. and Mrs. William O'Donnell.

—The management of the Broadway Palace has announced the heater is now going and the theatre is a very comfortable spot these chilly evenings.

—Mrs. L. Shain, Mr. and Mrs. William Holman, and J. Althouse were among the visitors to Niagara Falls over the weekend. They were in the wreck but escaped injury.

—Walter H. Lippincott's new yacht, Valada, is anchored off Riverton. She is a fine craft about 65 feet long, and roomy. On Sunday a dinner party was entertained aboard.

—The Needlework Guild has a display Wednesday, October 29th, at 2:30 o'clock, at the Porch Club. The committee will be glad to entertain you and tell how the articles are used.

—The Philadelphia Women's Symphony Orchestra will give a concert at the Roxborough High School, Monday evening, November 3rd. Miss Emma Price, of Riverton, and Miss Isabelle Ferris, of Beverly, play French horns in the orchestra.

—Don't hesitate to come out to the Republican rally at Broad and Main tonight. The addresses following the banner raising will be made in the Riverton Public School auditorium. Remember the hour—eight o'clock. Band concert preceding banner raising.

—Twenty-seven members of the Riverton Fire Company participated in the big firemen's parade at Burlington last Saturday afternoon. The boys took the pumper apparatus. They wore red shirts, blue caps and light blue trousers. While they captured no prizes, they made a fine showing and had a great time.

—The judges of costumes at the K. of C. masque ball on Thursday, October 30, will be John Geiss, Chas. A. Wright, of Riverton; Mayor Weart, Horace J. Finney, of Palmyra, and J. M. McChesney, of Moorestown. John Hughes, of Riverton, will be floor manager, assisted by M. J. McDermott, George J. Porter, Adolph Strohl, T. A. Eadon, H. Gottlieb, and F. Kershner.—Advertisement.

Overheard at the Art Exhibit

Teacher—"Well, Billy, are you enjoying the pictures?"
Billy—"Naw! Dere ain't no jokes under none of 'em."

The Imp of Mischief

"Daddy," said a little fellow of six; "God makes us do all the good things, doesn't He?"
"Yes," replied his father.
"And Satan makes us do all the naughty things?"
"Yes."
"Well, who makes us do all the funny things?"

Might Be Embarrassing

Parish Worker—"We are getting up a fall Miss McGee, for a poor old fisherman. Would you like a ticket?"
Miss McGee—"I don't mind. But do tell me, what does one do with him if one wins him?"

The U. S. Treasury Department says the average life of a dollar bill is two years. A lot of people fail to make one last over night.

—Uncle Philander.

MIXED FOURSOME ATTRACTS MANY VISITORS

Rev. A. L. Lewis and Mrs. G. W. Smith Capture First Honors at Country Club

The first tee looked like a pink tea, at the Riverton Country Club last Saturday.

It was the gathering place for the much-heralded mixed foursome tournament—the windup of the season's golf schedule. Twenty-two couples, after much preliminary tete-a-tete over handicaps, rules and so forth, drove off down the first fairway in quest of the attractive silverware the golf committee had displayed as prizes.

Of par golf there was little. Of golf enjoyment there was much. Ditches and traps suited nobody—that is, permanently. Husbands who played with wives did not regret it. Dyed-in-the-wool golfers who had scoffed at mixed tournaments were the most enthusiastic at the finish. And for everybody there was a "19th hole"—a tea daintily served by the entertainment committee, while the scorers were deciding who were the winners. Two couples were tied for the low net score—81 strokes—and drew for first and second prizes.

The Rev. A. L. Lewis and Mrs. George W. Smith won the main trophy—a silver cigarette stand and a cake dish. P. B. Teeple and his sister, Mrs. Maule, received a silver pocket knife and a tea caddy.

It was a two-ball, 18 hole medal-play handicap tournament—selective drive, and every one of the twenty-two pairs who started, completed the 18 holes.

Following were the contestants and their scores:

	Gro. Hcp. Net
Miss H. E. Biddle	110-17-93
and E. M. Hirst	
Mr. and Mrs. Wayne E. Ayres	112-21-91
Miss G. W. Smith and the Rev. A. L. Lewis	103-22-81
Miss Catherine Graff and Filsion Graff	101-17-84
Mrs. Edward V. Bertram and E. S. Parry	110-20-90
Mr. and Mrs. W. K. Woolman	109-21-88
Miss Martha Biddle and E. S. Wood	98-11-87
Miss Herr	
and W. C. Stevens	121-26-95
Mr. and Mrs. F. G. Brown	117-24-93
Miss Elizabeth Miller and J. S. Coale	100-17-83
Mr. and Mrs. H. N. Sheble	99-13-86
Miss Frances Guild and W. W. Smith	94-11-83
Mrs. Maule and P. B. Teeple	96-15-81
Miss Ruth Westney and S. R. MacMullin	108-15-93
Mr. and Mrs. J. D. Clark	134-24-110
Mr. and Mrs. Dick Hollingshead	130-24-106

Mr. and Mrs. Ralph Charlton	113-23-90
Dr. and Mrs. R. I. Downs	109-19-90

MANY SEE PICTURES

Over Eight Hundred Visit Riverton Public School and Enjoy Pictures on Walls, and Posed by Children

The Art Exhibit held October 15, 16, and 17, in Riverton School, was a decided success, both from an educational and a financial standpoint. The pictures, numbering two hundred, entirely covered the walls of the auditorium, hiding the windows. It was evident that the people appreciated the exhibit, as eight hundred admissions were checked.

The special feature of the entertainment provided was living pictures, posed by pupils of the school, under direction of the teachers. The pictures represented were:

Age of Innocence—Jean Elliot.
Baby Stuart—Lawrence Witte.
Madame Le Brun and Daughter—Elizabeth Mayfield, Evelyn Blyler.
The Sower—William Wanger.
Simplicity—Helen Schmidt.
The Chocolate Girl—Nabmi Evans.
The Angelus—Harry Gootee.
The Cleaners—Mary Wanger.
Helen Parker, Helen Pfaff.
Feeding Her Birds—Louise Ayres.
Mary Greer, Margaret Ford Marian Whitely.

The Torn Hat—Howard Yerkes.
The Song of the Lark—Jane Blackwell.

The Pilgrim Exiles—Mary Roedig, Nan Evans, Robert Young.
Betsy Ross—Helen Landers, John Sullivan, Frank Wenger, Charles Smith.

The pupils of the different grades gave musical numbers and dances between the pictures. While the main purpose of having the exhibit was educational, it is gratifying to learn that over one hundred dollars was cleared, which will be used to buy pictures for the school. The majority of the children may never have the opportunity to see the originals of these pictures, scattered as they are over two continents, but an appreciation of art may be developed, which will be a source of much pleasure, both now and in years to come.

Asbury

A home-coming and birthday celebration was held at the home of Mr. and Mrs. Cooper Taylor, of Tabernacle, on Sunday, in honor of Mrs. Taylor's birthday. The following guests were present: Mrs. Elmer Cotton and daughter, Martha, of Vincetown; Mr. and Mrs. Frank Worrell and children, Preston, Mildred and Alvin, of Medford; Mrs. Charles Allen and family, of Tabernacle; Mr. and Mrs. Howard Anderson and son, Melvin, of Coles and John Hephner, of near Moorestown; Mr. and Mrs. William Wolfshmidt, of Riverton; Isaiah Ward, Mrs. Lillie Ward and daughter, May, of Asbury; Mr. and Mrs. Thomas Estrick, and Mr. and Mrs. Elmer Estrick, of Audubon, were Sunday evening visitors at the home of Mr. and Mrs. Thornton Southwick.

The Asbury paragon and barn have been painted by Rev. Joseph E. Horner and son, of Charleston.

Rev. and Mrs. Fred E. Tansley attended the Sunday school convention at Bordentown last Thursday.

Outdoor Sports of a Sunday Afternoon

1895—A six-mile drive through the country.

1920—A sixty-mile spin across the country.

1930—A three-hundred-mile flight over the country.

All of us know the rules for getting ahead, but most of us think our case is important enough to justify a few exceptions.

IN HATS LITTLE GIRLS
HAVE STYLES OF THEIR OWN

MAIN STREET may be short, monotonous and tiresome to grown-ups, whose eyes are blind to its attractions, but to little miss, five or six, it is a long avenue of delight. She finds on it all the worth while things of life, including new hats and bonnets, and now windows are full of them. But the fairest thing Main Street ever harbors is little miss herself, decked out in the finery made for her and demurely parading it.

There are numberless hats and bonnets designed for little Miss Minette of the curls or little Miss Bobette of the shorn locks. A great many of them are made of velvet, but there are some of suede velours, silk and other fabrics. Besides these there are just as many felt and velours hats, plain and rich, and very simply trimmed with ribbons.

Little girls this season have their own styles in hats; not copies or adaptations of the shapes grown-ups wear, but hats designed just for them. Five examples are shown in the picture and one may judge from them

how varied the shapes are. There is a small round hat at the top, of silk, with crown in four sections. It has a shirred band of silk about the crown and frill of it about the face with a rosette and hanging ends of ribbon at each side. At the right is a winsome bonnet of velvet with velvet in a lighter color shirred on the brim and crown where long stitches of heavy silk hold it. A bow and hanging loops of narrow ribbon finish the trim. After this comes a pretty poke bonnet with velvet gathered over the crown and brim-facing of shirred silk. It has a saash of satin ribbon and a little ostrich plume at one side. The velvet bonnet at the right employs ribbon and chenille for trimming. Below it there is a different sort of shape with up-rolling brim and sectional crown. It has a crushed collar of wide ribbon and a long silk tassel dangling from the crown. There is a good assortment of colors to choose from.

The KITCHEN CABINET

(© 1924, Western Newspaper Union.)
Too much idleness fills up a person's time much more completely and leaves him less his own master than any other sort of employment whatever.—Burke.

FOOD FOR THE FAMILY

For a company dessert one might try an angel food baked in a round deep tin. Cut a slice off the top, remove the center, fill with vanilla ice cream, cover with crushed fruit and serve at once.

With a cupful of food or hot tea, crackers covered with jam and topped with whipped cream are delicious as a dessert.

Brained Tongue—Cook a beef tongue slowly until tender with a slice of onion, and a bay leaf added to the water while cooking. Remove the tongue, remove the skin and place it in a casserole; add the water in which the tongue was cooked, thickened with three tablespoons each of flour and butter mixed; add a pint of stewed tomatoes strained, a small carrot chopped, a clove of garlic, one-half tablespoonful of Worcestershire sauce, a few dashes of red pepper and simmer with the tongue for two hours. Serve from the casserole.

Cherry Tart—Take a can of rich cherries, either canned or preserved, drain from the juice, and add to it a slight thickening of cornstarch or arrowroot. Cook until the starch taste is entirely removed. Into a baked pastry shell put the cherries, pour over the thickened juice and set in a warm oven fifteen minutes. Serve with sweetened whipped cream. Orange jelly served in a baked shell topped with whipped cream is delicious.

If you are fond of roquefort, make a roquefort salad. Take a crisp head of lettuce well washed and dried, chill and arrange in a salad bowl which has been rubbed with a cut clove of garlic, add four tablespoonsful of the best olive oil, one of vinegar, one of salt sauce, one-half teaspoonful of salt and a few dashes of cayenne. Mix well, toss over the lettuce broken bits of roquefort cheese, as much or little as one likes; add the dressing and serve all very cold.

Dates stuffed with small portions of peanut butter, make a most nourishing dessert for a busy day.

Little Travelogues

By BLANCHE GILL

SADIE AND HER FAMILY

The great Mississippi river, "Father of Waters" is unsurpassed for its natural beauty. From the Far North it takes its serpentine course on and on to the Gulf of Mexico.

On its banks are many cities and towns. Among them is Quincy, in Illinois, handsomely built on a high bluff. Its magnificent river views, its parks and its wonderful elm trees overlapping the avenues make it one of the prettiest river towns.

Near this place, not long ago, a man was out hunting and shot and killed a squirrel up in an old tree. Afterwards he noticed a squirrel's nest in the tree and climbed to it and discovered there two little baby squirrels. The hunter was sorry indeed he had killed their mother, but her helpless babies must not be left in the tree to starve, so he took them with him.

After getting them home he was puzzled to know how to feed the tiny ones. We told him of Sadie, a pussy cat, at a fire engine house near by who had two young kittens, so he took them there. Sadie adopted the wee orphans and nursed and cared for them like her own. They all lived in harmony in a large wooden box and were a happy family.

When the squirrels grew larger their natural instinct was to climb, so they would clamber to the top of the high box. But mother Sadie thought that improper and would go up and take them in her mouth by the nape of the neck and drop them back in the box. So the little squirrels had a good home until they were old enough to care for themselves.

Sadie was a busy cat, for besides being a good mother to her kittens and squirrels, she was also the mascot of the firemen and went in the chemical wagon to many fires.

(© Western Newspaper Union.)

UNINVITED WIND

"I have a funny engagement," said Mr. Wind.

The Breeze Brothers looked at Mr. Wind and said: "You seem to be getting dressed up in your best."

"Yes," said Mr. Wind, "I have put on my best windy cape, and my best windy hat and my best fly-away windy shoes. But I have really nothing which makes me keep this engagement of mine."

"I mean that I have had no invita-

tion to go where I am going. But I am going just the same.

"You see some creatures are so silly. They don't blow in on others for supper, for example. They wait until they're asked."

"Sometimes they hint for an invitation. But most of the time they will not even do that."

"They wait until they are asked, and if they're not asked they just don't go at all."

"But I am different. I feel like going on a party and I feel like seeing some people and so I am going."

"I haven't hinted about it. No, I have not done that. Nor have I been invited, as I've said."

"But I feel as though I would like to have some fun blowing through window cracks, and if windows are open I shall blow right in and I shall not have my best manners with me."

"No, I'm going to leave my best manners at home."

"You know I often do that. I say to

myself: "Now, Wind, go out and have a good time and don't bother about manners."

"And then I answer myself in this fashion: "All right, Wind, I'll do as you suggest."

"So I just leave my manners at home wrapped up for safekeeping in case I may want them at some time."

"That is one of the advantages about not being asked to a party."

"If I had been invited to visit the people I might have felt it my duty to have unpacked my best manners before I started."

"I might have felt that I would have had to say how kind it was of them to

uninvited and that I have been able to get in all sorts of places."

"They will speak of putting window strips upon their windows to keep me out."

"But I won't mind. For Mr. Wind has a way of getting in when he wants to get in, and anyway, I will have had my fun this time."

"So, Breeze Brothers, I must be off."

He waved a windy farewell to the Breeze Brothers and they waved to him.

And off went Mr. Wind, quite uninvited, but expecting to have a very jolly time just the same!

No Wonder

Teacher: "Why, Willie! Such dirty hands! What brought you up?"—Willie: "The coal man, in his wagon."

Telephone calls are numbered as they reach the exchanges in France. If a subscriber loses his temper and rattles the receiver hook, his turn is placed at the end of the list.

Feathers His Undoing

Following a trail of feathers from a devastated hen coop a constable of Wey, England, came to the home of Robert W. Crabb. "What have you for dinner?" asked the constable. "Roast beef," replied Crabb. But the constable thought he could smell chicken cooking, so he investigated and found two dressed chickens in the oven. The towels were not served to Crabb in the town jail.

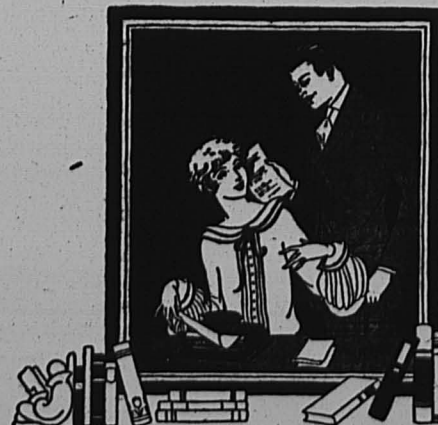

Bound in Human Skin

The man who recently announced his desire to bequest his skin to his friends for the purpose of bookbinding is not so original as might be thought. An acquaintance of M. Flammarion had beautiful shoulders, on which he had complimented her, and on her death she left the skin to him as a legacy. He used it for the binding of his "Ode et Terre."

Stage-Struck Donkey

A donkey in a Boston amateur performance of "Veronique" refused to leave the stage and had to be carried off.

EVERY STUDENT NEEDS ONE

REMINGTON
Portable Typewriter

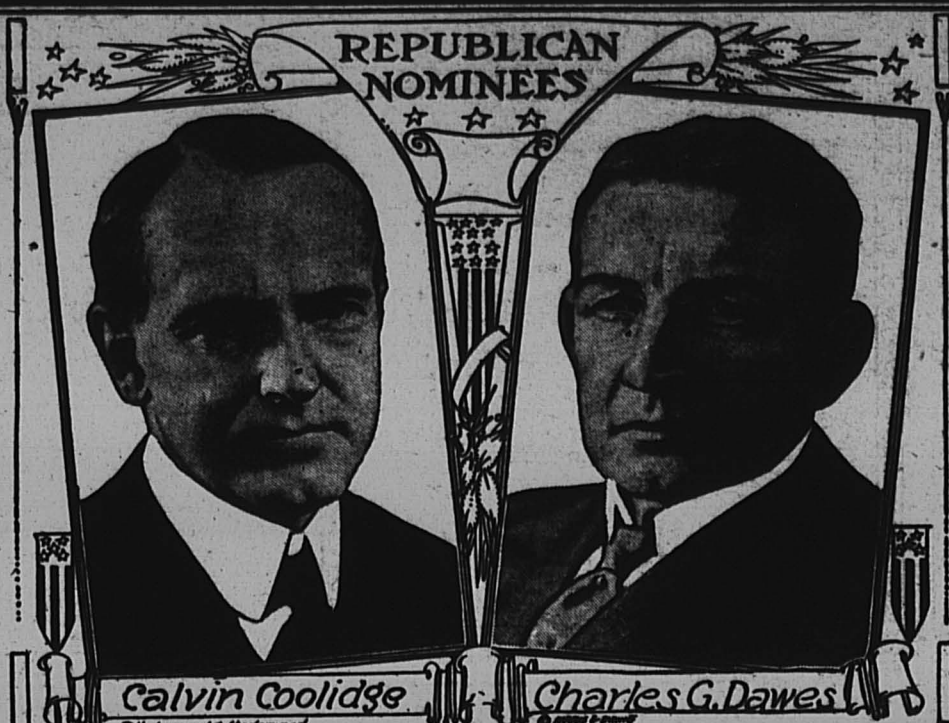

The Remington Portable will serve you well—not only in school or college, but for years and years to come. It will give you a training which will be helpful to you in all your after life.

Compact—fits in a case only four inches high. Complete—has the four-row keyboard—no shifting for figures—just like the big machines.

Convenient—can be operated on your lap if you wish, for it carries its table on its back.

Come in and see the Remington Portable. Price, complete with case, \$60. Easy payment terms if desired.

YOUR PLAIN DUTY--SUPPORT COOLIDGE and DAWES and the Constitution

To the Voters of Burlington County:

Election Day is close at hand. On November 4 you and the other free citizens of the United States will choose a President to serve you for four years from the 4th day of March next. No greater responsibility ever attached to a self-governed people.

Don't Throw Your Suffrage Away. Vote for Coolidge and Dawes! Support the Constitution of the United States!

It is of Scarcely Less Importance That President Coolidge Be Given a Republican Congress to Co-operate with Him in His Beneficent Program of Government.

The Republican Party Presents a Strong State and County Ticket for Your Consideration. Know the Candidates You Are Asked to Support

VOTE FOR WALTER E. EDGE for United States Senator

HE STANDS LOYALLY BEHIND THE PRESIDENT. He Has a Record of Five Years of Faithful and Progressive Service at Washington. He Has Shown Initiative and Business Judgment. He is the Father of the Budget System Which Has Already Saved the Government Many Millions. His Vote Has Always Been on the Side of Sound Legislation.

He Stands Unflinchingly for Law Enforcement and Respect for the Constitution. He is liberal in his views concerning modification of the Volstead Enforcement law, but he is opposed to the re-opening of saloons and the brothels. He is not "Dripping Wet," as his Democratic opponent boasts of being.

KEEP EDGE IN THE UNITED STATES SENATE—LET US NOT HAVE NEW JERSEY REPRESENTED BY ANOTHER EMPTY SEAT. Should the House of Representatives be called upon to break the deadlock on the selection of a President, New Jersey would have no voice when the balloting took place. This State's Congressional delegation is equally divided between the Republicans and Democrats.

HELP TO GIVE NEW JERSEY A REPUBLICAN DELEGATION IN CONGRESS. SEND BACK TO THE HOUSE OF REPRESENTATIVES NEW JERSEY'S ABLEST MEMBER.

CONGRESSMAN ISAAC BACHARACH

THE BEST REPRESENTATIVE THE SECOND DISTRICT HAS HAD IN A GENERATION. HE LOOKS AFTER HIS CONSTITUENCY. HE IS ALWAYS RESPONSIVE TO THEIR EXPRESSED WISHES. He is Ever at Their Service. His Ability Has Been Recognized by His Appointment to the Most Important Committees in the House.

He Stands Squarely Back of the President. When You Vote for Congressman Bacharach You Cast Your Ballot for the Support of President Coolidge's Policies.

For State Senator, EMMOR ROBERTS

Successful Farmer and Business Man

A Large Fruit Grower and Leader in Agricultural and Civic Affairs. Senator Roberts, of Mount Laurel Township, has made a success of his legislative career for much the same reason that he has succeeded in business—He gives it his personal attention. He served Burlington County and the State at large faithfully and well for several successive terms in the House of Assembly and then was promoted to the Senate, virtually without opposition. He is now finishing his first term in the State Senate and so satisfactory has been his record that he was the unanimous choice of the Republican Party for re-nomination. He believes in efficiency in public office as well as in private business. He is a consistent advocate of strict economy in public expenditures and stands squarely on the Republican National and State platforms. No county in the State is more faithfully represented in the Senate than is Burlington, with Roberts as its Senator.

For Freeholder, HOWARD RUSS

Representative Farmer Long in the Service of the People and Experienced in County Affairs. The Friend of the Taxpayer. Howard Russ, of Delanco, is one of the most progressive and successful Truck Farmers in the county. He is a thorough business man who believes there is but one standard for the transaction of private and public business—Strict honesty and personal attention. He enjoys the full confidence of the taxpayers which he has won through unswerving attention to duty and conscientious regard for the interests of his constituents. His record in the Board of Freeholders is flawless. As Director of Public

Buildings and Institutions he has introduced reforms which have operated to the benefit of both taxpayers and inmates and he has always insisted upon strict economy in the transaction of public business. Freeholder Russ always sees to it that the county receives a dollar's value for every dollar spent. The voters will be best serving their own interests by returning Howard Russ to the Board of Freeholders.

For Freeholder, FRED LIPPINCOTT

A Successful Farmer and Experienced in Official Life.

He Stands for the Application of Business Principles in the Administration of County Business.

Fred Lippincott, of Moorestown, has had long experience as a member of the Small Board of Freeholders and gives faithful service as a public official. He represents a large territory which does not have other resident membership in the Board of Freeholders. No other member of the Board of Freeholders has had more diversified experience in the administration of county affairs. As director successively of various departments and as the first Director of the Small Board he has acquired an intimate knowledge of county business which should operate to make him a valuable member of that body. He pledges faithful service and undivided attention to the duties of the office. Be sure to vote for Lippincott for Freeholder.

For Assemblyman, CLIFFORD R. POWELL

Able Lawyer, Ex-Serviceman and a Leader Among the Younger Men of the County

Assemblyman Clifford R. Powell, of Mount Holly, has served three terms in the popular branch of the Legislature and proved such an acceptable representative that his party has re-nominated him this year by acclamation. He won in a walk at the primary and will doubtless do so again at the general election on November 4. Captain Powell has a distinguished record of service in the World War overseas. Among the first to be sent across in America's winning fight to make the world a safe place to live in, was the Burlington county boy, then a lieutenant. He applied for and was transferred to the aerial service soon after landing in France and after the necessary period of intensive training he was sent to the front as an aerial observer. He was twice seriously wounded in battle with the German airplanes and was cited for bravery.

Last year Assemblyman Powell was the Republican floor leader during the legislative session and filled that position, as spokesman for his party in the House, with signal credit. He has won his spurs as a lawmaker and has done his full share to keep Burlington county on the map in all legislative matters at Trenton. If faithful attention to the interests of his constituents and indefatigable work in performance of his official duties mean anything, Assemblyman Powell should be re-elected by a larger majority than ever before.

For Coroner, H. B. EARNEST

A Business Man Who Is Willing to Give Full Service for Small Pay

H. B. Earnest, of Riverside, is a funeral director. His business renders him especially equipped for the satisfactory discharge of the duties of Coroner. He is a business man of long experience and a life-long resident of Burlington county in which he is widely known. His splendid vote, received at the hands of the party voters at the late Primary, shows the high regard in which he is held by the

people of the county. Give Earnest a vote when you go to the polls on Election Day.

For Coroner, JOHN C. BELTON, 2d

Representing the Younger Generation of Wide-Awake Businessmen in the County. John C. Belton, 2d, of Moorestown, also a funeral director, is well qualified for the office for which he asks your vote. He is a licensed embalmer and this, combined with his geographical location, makes his selection for one of the Coroner vacancies particularly appropriate. This is the age of young men in the public service. Give Belton your support for Coroner.

For County Clerk, WILLIAM H. REEVES

Experienced Business Man Who Has Made His Branch of the County Business a Source of Substantial Revenue to the County Treasury.

He Believes that Public Office is a Sacred Trust. William H. Reeves, of New Lisbon, has many business interests. He is one of the largest cranberry growers in the State and a successful business man. But when the people of the county elected him as their County Clerk he immediately subordinated his personal affairs to the demands of his official position. He gives the administration of the office his personal attention and has made one of the best County Clerks in the history of the county. Through his initiative many reforms have been inaugurated in this branch of public business and substantial saving effected.

Voters who believe, like Clerk Reeves, that public business should be transacted with as much attention to Details and Cost of Operation as any Private Business Enterprise, Will Vote for William H. Reeves for County Clerk.

For Steward of the Almshouse, HENRY I. WORRELL

The Right Man for the Place. Big-Hearted and Considerate of the Unfortunates Committed to the County Farm, He Fills the Stewardship to Everybody's Satisfaction.

Henry I. Worrell, present Steward of the Almshouse, has made a splendid record in the position, although only having been in charge of the county farm for a few months. He is especially well fitted for the management of this home for the indigent and of the big farm connected with the institution. It is safe to say that with the Steward's wife as the Matron, the Almshouse was never better managed than it is today, while the County Farm is making a splendid showing at a minimum of cost. The Republican voters had these things in mind, doubtless, when they re-nominated Steward Worrell by unanimous voice at the recent Primary. A better man for the job than he would be hard to find. Give Worrell one on Election Day.

For County Auditor, CURWEN B. FISHER

A Retired Clergyman Who Will Give His Full Time to the Performance of His Official Duties If Elected.

Curwen B. Fisher, of Mount Holly, proved his popularity with the voters by the surprisingly large vote polled for him at the September Primary. He pledges his best effort to so discharge the duties of the Auditor's office as to merit the public confidence reposed in him.

Elope to Elkton

Warren T. Kilpatrick, of 407 Garfield avenue, Palmyra, and Miss E. Gennett, of Wisconsin, motored to Elkton Tuesday and were married there by the Rev. R. Westren.

Annual chicken supper at Moravian Church, Thursday, October 23, 5 to 8 p. m. Adults 75c, children 50c. —Advertisement.

Epworth Church Notes

The pastor, the Rev. Fred B. Morley, will preach both morning and evening on Sunday at the Epworth Methodist Episcopal Church. In the morning the sermon topic will be, "Responsibility," in the evening the topic, "The Sunday School," will be discussed.

The Sunday School meets at twenty-thirty. The Epworth League has its devotional meeting at seven o'clock. The Woman's Foreign Missionary Society will hold its regular monthly meeting Monday afternoon at 2:30 at the home of Mrs. John E. Morton, 416 Garfield avenue. A good attendance is desired as there is still work to be finished to go into the Missionary hospital here.

The Ladies Aid Society will hold a Chicken Supper Tuesday evening. Supper will be served from 5:30 to 8:00 o'clock. All who have not secured tickets are urged to do so at once so that the ladies will know how many they are to prepare for.

The prayer service will be held on Wednesday evening at 8 o'clock.

The Epworth League will have its Halloween Party Thursday evening at 8 o'clock. All of the young people of the church are invited.

Anna F. Johnson

Mrs. Anna F. Johnson, colored, died at her home, Sixth and Market streets, Palmyra, on October 20, at the age of 45. She was the wife of J. Howard Johnson.

The funeral was held this Thursday afternoon, with services at her late residence at five o'clock and services at the Penn street A. M. E. Church at one o'clock. Interment at Wrightsville, Funeral Director Frank A. Soover in charge.

What thought shadows rise to obscure life's skies
And hide for a time the sun,
The sooner they'll lift and reveal the rift,
If you let the melody run.
Don't let the song go out of your life;
Though the voice may have lost its trill,
Though the tremulous note may die in your throat,
Let it sing in your spirit still.
—Sarah C. Bolton.

MRS. SIMONS TENNIS QUEEN

Wins Possession of Mrs. A. S. King Cup After Thrilling Contest With Placid Truchess

Mrs. Monte Simons retained her title as the champion woman tennis player of the Palmyra Field Club and won permanent possession of the Mrs. Albert S. King cup in a thrilling match with Miss Placid Truchess at the local courts last Saturday.

Both girls seemed evenly matched and each set went into extra games. Mrs. Simons won the first set after twelve arduous games, by a score of 7-5, and the contestants then launched into their second set without resting.

Miss Truchess seemed to have tired more rapidly, or else the change in Courts worked more to her disadvantage, for the title holder quickly ran up a lead of five games to one. Then Mrs. Simons encountered her difficulties. Her hand had become badly blistered from wielding the racket and her stroking became erratic. Her service, which had been so effective in the earlier games, was especially affected.

Miss Truchess, despite her fatigue, won the next five games and was within a point of winning the set and tying the score at two-all.

By this time both girls were playing on their nerve. Mrs. Simons, with a supreme effort, overcame the handicap of her blistered palm and fingers, and won four of the next five games, taking the set, 9-7.

Both girls had displayed some of the best tennis seen among the fair wielders of the racquet all season.

Earlier in the week Mrs. Simons had defeated Helen McConnell in the semi-finals.

The Mrs. A. S. King cup had to be won twice in succession for permanent ownership.

In 1922 the title was won by Miss Mae Griffiths, but owing to illness she did not enter the lists the following year and Mrs. Simons was crowned the 1923 Queen. The 1924 victory allows her to add the cup permanently to her trophies.

P. H. S. Loses to Deaf

The Palmyra High School gridders went down to defeat before a heavier and faster team when they were rimmed by the Trenton School for Deaf by a 33-0 score at the Field Club Park Tuesday afternoon. The opponents were older and far more experienced. They outplayed the Palmyra aggregation at every stage of the game and literally swept the local team off their feet with heavy line plunging.

The Palmyra scrubs played the first quarter. Early in that period Trenton recovered a Palmyra fumble on the locals' 20-yard line. With repeated off-tackle plays, the deaf boys made a steady march down the field and pushed the oval over for the initial touchdown.

Palmyra's varsity appeared in the second quarter but could not hold the strong Trenton drives.

Wood, the star P. H. S. halfback, was knocked unconscious when he collided with two of the opponents. More than half an hour had elapsed before the plucky backfield man was revived.

Ambulance Contributions

Previously acknowledged \$1849.00
Cash, S. W. F. 2.00
Mrs. J. H. Kneel 1.00
Total \$1852.00

Have you made your donation for the Palmyra Ambulance yet? There is no other work you could support. Lives have been saved with this machine, and yours may depend upon it some day.

Anyone from Palmyra would have been proud of an ambulance that has been in Burlington watching the big firemen's parade last Saturday afternoon. The Palmyra ambulance was the only community ambulance in line. It caused much favorable comment among the thousands who saw it.

Twentieth Century Group

Two new members were initiated into the Twentieth Century Group, Y.M.C.A. at the conclusion of the business meeting held in the Y.M.C.A. Hall last Thursday evening.

After this the groups' football team which recently defeated "Woody" McKuen's eleven by a 6-0 score, adjourned to the lot adjoining the field and went through a snappy practice. The team has promised to "bring home the bacon" from every game this year.

This year's group officers are: Jack Easley, president; Jimmie Hires, vice president; Marshal Wilbraham, secretary; and Bill Seither, treasurer. The dues are five cents a week.

Publicity Committee

The regular weekly meeting of the Pioneer Group YMCA was held Tuesday night. Leader Douglas Kersey opened the session with Bible study, the business meeting followed and the feature was the concluding feature. The meeting was closed with a prayer by Harold MacCorkle.

A speaker who will talk on "Hunting Big Game" will be the attraction at next week's meeting.

WILLIAM BAKER

Publicity Committee

Fog Siren Disturbs Residents

October 20th, 1924.
To the Mayor and Council,
Borough of Palmyra,
Palmyra, N. J.

Dear Sirs:—

I am instructed by the Executive Committee of the Chamber of Commerce of Palmyra to write to you regarding the siren at the Palmyra Ferry slip. Many complaints have been received by the Chamber from members and other residents of Palmyra, the consensus of which is that the siren is

First—A menace; because of its similarity to our Fire Department siren.

Secondly—It is objectionable because of its interference during the night hours with the sleep and comfort of Palmyra citizens.

The Executive Committee in discussing the matter decided to enlist your support in a request to the Ferry Company to discontinue the siren for the aforesaid reasons, with the suggestion that there must be other effective means of directing the ferry boats during fogs, that would not interfere with either the safety or comfort of our people.

The Executive Committee hopes that this matter will receive your careful attention.

Very truly yours,
C. O. MELCHER,
Secretary.

STATE POLICE NET \$101,005 PROFIT

Fines and Value of Recovered Property Exceeds Cost of Troopers of New Jersey.

FAKE RECEIVERSHIP SCORED

Jersey Lawyers of Repute and Business Bodies Aim to Stop Scandal. Abuse in Proceedings, Due to Attorneys Who Seek Fee Fees.

Trenton.—There was a profit of \$101,005.11 to the citizens of New Jersey as a result of operations by state police during the year ending June 30 last, says Colonel N. Norman Schwarzkopf, superintendent. In his third annual report submitted to Governor Slesar.

Maintenance of the force cost \$384,179.63, the report shows, while the amount of money collected in fines and the value of recovered property was \$495,184.73. And, as pointed out by Colonel Schwarzkopf, the latter figure does not include the value of services rendered by the state police in other fields.

"Such services as fighting forest fires, rendering first aid, assistance to travelers on the road and co-operative work, have a very definite value and afford a decidedly monetary return to the citizens of the state," reads the report, "and yet it is impossible to competently estimate the value of this effort. Furthermore, the preventative effect of the presence of the state police has unquestionably prevented much crime, destruction of property and loss of life, all of which has a definite monetary value."

In addition to being responsible for the collection of fines totaling \$93,443.39, the troopers took part in 12,956 investigations, aided in fighting seventy-nine forest fires, secured 4,018 verbal complaints, interviewed 33,301 persons, gave medical aid in 848 cases and issued 29,704 warnings. Performance of these various duties necessitated the traveling of more than 1,337,000 miles, chiefly by motor. Notwithstanding that this travel was in all sorts of weather and often under difficult conditions, there were few serious accidents and only one death.

Arrests by the state police numbered 5,181 for the year and resulted in 4,237 convictions. There are 760 cases pending, 117 were dismissed and 47 lost on warrant. The high percentage of convictions is cited by Colonel Schwarzkopf as indicative of the thorough preparation of cases for court and proof that their duties are rarely without just cause.

At Work Forty-eight Hours

Commenting on the fact that the average personnel of the force was 131 men for the year, Col. Schwarzkopf makes it plain that the department could be augmented to considerable advantage. In his opinion, the present force, which has an authorized strength of 140 men, could be doubled and every member profitably employed. The average day of the trooper is a long one, he says, and it is not infrequent that their duties, particularly in serious cases, demand from twenty-four to forty-eight consecutive hours. Because of this condition, it is often necessary, he declared, that minor cases be disregarded.

The greatest expenditure during the year was for salaries and wages, \$184,700 going for that purpose. Materials and supplies for an outfit, has been reduced for an outfit of \$174,450; current repairs cost \$15,000 and miscellaneous expenditures totaled \$19,600. The sale of surplus horses, salvaged clothing and other goods netted \$958.83.

At present the equipment of the troops comprises 40 horses, 37 motor cycles, 19 automobiles and a truck. The appropriation for the present year is \$436,500.

Would Curb Bankruptcy

Recommendations aimed to correct alleged abuses of the present practice in receivership proceedings were submitted to Chancellor Walker at the State House by committees representing the Lawyers' Club of Essex county and the Newark Chamber of Commerce. Chancellor Walker took the request under advisement and promised careful consideration of the proposed amendment.

One of the chief changes asked was a provision that no receiver be appointed or temporary injunction issued without notice to the defendants, unless it was clearly shown by the petitioner that irreparable loss would otherwise result. In cases where appointments were found necessary without notice it was suggested that the court set forth the reasons forming the basis of its action and provide for expiration of the order in seven days, excepting cases where good cause was advanced for granting an extension.

Another suggestion was to the effect that the court demand full particulars of all applications for receiverships as to the reason for their action and what interests, if any, counsel making the motion had in the petition. A uniform system of fixing counsel and receivers' fees also was declared an urgent need.

Several changes requested were already the unwritten law of the court, said Chancellor Walker. That being the case, declared one of the commission members, it might be helpful if all the rules were in written form.

William Bittles, president of the Newark Chamber of Commerce, was of the opinion that receivers and their counsel should be compelled to submit a detailed report of their work in seeking compensation. It was agreed by the chancellor that such might be an excellent idea, though he expressed a view that in some instances it might prove an irksome task.

As special counsel for the Chamber of Commerce Robert H. McCarter spoke at length in favor of the changes, citing several cases in which he said great loss had resulted from the unnecessary appointment of receivers. He told of one instance in which a landlord and mortgagee of property had been withdrawn for a month by an injunction order and

then called to share in the payment of fees totaling between \$300 and \$5,000 when the order was dismissed for lack of cause.

Prefacing his remarks with the assertion that he was a plain-spoken man, Usual McCarter, member of the trade-body committee, advocated the disbarment of any lawyer bringing receivership proceedings to gain appointment as counsel to the receiver. In that manner, he declared, much of the present abuse would be eliminated. Chancellor Walker, however, was of the opinion that a rule of that sort could easily be circumvented by a lawyer desiring to bring receivership action delegating the task to a junior member of the bar and remaining in the background until the matter of appointing counsel to the receiver was reached.

In concluding the discussion, Chancellor Walker pointed out that, of course, it was not the practice of the court to throttle or destroy corporations, but rather to foster such enterprises, though he did admit that there might be instances in which the court was deceived and led to act unwisely. He expressed appreciation of the petitioners bringing the matter to his attention and voiced regret that the business men of any community should entertain the belief that their rights were being invaded.

Federal Court to Act Also

The United States Supreme Court soon will take up the reform of bankruptcy and receivership practice in New Jersey, according to a letter from Chief Justice Taft, received by Joseph G. Wolber, secretary of the Essex County Lawyers' Club. Chief Justice Taft, replying to Mr. Wolber's inquiry, wrote that the conference of senior circuit judges had made recommendations to the supreme court for the amendment of bankruptcy rules, and that the matter would be brought to the attention of the supreme court as soon as minutes of the meeting are ready for circulation among members of the conference.

Dixie Hounds Laid Out Hunters

Progeny of some of the Southland's greatest coon hunting hounds have been brought into New Jersey by resident sportsmen this year for the promotion of the sport in this state. Under the protection of a long closed season, raccoons are said to be fairly numerous in the woodlands. Hunters enthusiastic at prospect of a revival of this nocturnal pastime, are hastening to build up packs of dogs specially trained to follow the strenuous trails this wily animal can be depended upon to leave for its pursuers.

Although the open season, from October 1 to 15, is still some days away, hunters are already out at night, with first touches of frost, and quite a few hunters following the haying hounds, while other hunters are kept from the thrilling sport only by the lack of the proper dogs. Jersey hounds are said to quickly learn the tricks of coon hunting from southern dogs imported to lead the packs on the trail.

Rearing of Quail

On its own game farm near spring the New Jersey Fish and Game Commission will inaugurate a project to raise quail for the restocking of hunting grounds of the state. Previous efforts to import bob whites from southern and western states have not met with great success, and where such birds have been brought in and liberated it is the opinion of many sportsmen that they soon migrated southward or perished before they became acclimated.

Commissioners believe that quail can be reared in semi-captivity as are ring-neck pheasants, many thousands of which are now reared on the game farms and turned out annually in all parts of the state for restocking. The game farm at Forked river, in the center of a natural habitat for the birds, has been selected for the quail-raising experiment. Superintendent Malcolm Dunn, who has successfully raised numerous covies in recent years, is planning for the wholesale project.

The quail will be reared from native stock, which is strong and vigorous, and will not migrate. Propagator laws and a short open season have resulted in an increase of quail, sportsmen report, in most southern counties. The birds reared at the game farm will be sent to those sections where intensive hunting has depleted the wild stock.

Refutation for Child Amendment

Refutation of the children's amendment will be the subject of Assembly Bill No. 1 in the next Legislature if the plans of Mrs. Louis K. Rittenhouse, chairman of the Child Welfare Department of the League of Women Voters, co-operating with the Consumers' League and other state organizations, is carried through.

If the amendment should be ratified by the necessary thirty-six states, "New Jersey is bound to profit by any subsequent federal law that would raise the standard in other states," she stated. "The law is cheap competition, to consider the question solely from its economic phase," Mrs. Rittenhouse believes.

LEGION PINOCHLE

Much Interest Manifested as Tournament Draws to a Close

The yearly pinochle tournament being conducted by Post Rodgers, American Legion, which started last February and which closes shortly, is now attracting much attention as the time draws near for the recording of the final scores.

Although their usual evening falls on Halloween month the Post has decided not to deviate from the present program and will hold their October pinochle on that night.

The standing to date of those participants is as follows: C. Slesar, 4028, C. Koppenhoefer 3814, G. Marshall 3802, R. Austin 3741, F. Godley 3735, S. Rodgers 3726, H. Seaber 3713, R. Thomas 3688, G. Schaffer 3535, R. Morgan 3520, G. Slesar 3245, S. Buchholz 3130, D. Patterson 3129, T. Schwick 2921, B. Rodgers 2909, W. Faunce 2902, W. Bates 2739, G. Harvey 2402, G. Truman 2243, R. English 2167.

Although Post Rodgers lends its best efforts and has succeeded in making their pinochles very interesting, additional preparation is being made for the Halloween event. Prizes, smokes and a general good time will be assured all those who come out, whether participating in the yearly tournament or not.

Why Every Good Citizen

Should have a growing bank account

Many people have the idea that a "Live" town is one where everybody spends freely and saves nothing.

Any town where that happened would be "dead" in less than a year.

There can be no growth in a community—no homes or schools, stores or factories—UNTIL SOMEBODY HAS SAVED FIRST.

PALMYRA NATIONAL BANK

PALMYRA, N. J.

Boys Stole Bicycle

Albert Whitcraft, of 62 Park avenue, Riverside, and Charles Manz, of 128 Washington avenue, Riverside, were arrested by Chief of Police Beck Wednesday afternoon after they had stolen a bicycle from the Palmyra grammar school. Both are sixteen years old.

The pair told Chief Beck they were on their way to Philadelphia and were going to sell the bicycle. They were then to divide the receipts. Both have been arrested in Riverside prior to this and Whitcraft was on probation.

They were held at the Palmyra jail for a hear before Justice of the Peace William L. Fischer.

Lutheran News

"The Home-Like Church"

Most people think much these days about religious things. And, in attempting to make religion and the world agree, many problems arise which are serious enough to sometimes cause us to doubt. Such problems are the themes for a series of sermons now being preached by the pastor, the Rev. Harry L. Saul, and are being found helpful. People are cordially invited to hear these discourses. The theme for Sunday evening, October 26, is "The Problem of Miracles."

A short, but important, congregational meeting will be held after the services Sunday evening.

The young folks of the Luther League have planned a Halloween social to be held next week. Tickets of admission will be mailed to the members for distribution among friends. A great time is expected because great plans have been made.

The date for the dedication of our new Sunday School building has been set for Sunday, November 23. Splendid speakers have been invited to preach at these services, and special services have been arranged for each evening during the following week, excepting Thanksgiving Day. Reserve your dates now.

The Ladies' Bible class will hold a cake sale this Saturday. On Saturday, November 1, the Ladies' Aid Society will hold a rummage sale. Please notify the president, Mrs. Haffast, if you have anything to give for this sale.

Weekly sermonette: "He who helps a little child helps all humanity."

Mason-Muller

Mr. Alfred D. Muller, of 873 Cooper street, Beverly, announces the marriage of his daughter, Lillian A. Muller, to Mr. E. Bailey Mason, son of Mr. and Mrs. Durell T. Mason, of 235 Forace avenue, Palmyra, N. J., on Wednesday, October 22, 1924, at Thirteenth street M. E. Church, Philadelphia. The Rev. Samuel Purvis officiating.

Browns Mills, New Jersey

October 22nd, 1924.
To the Board of Freeholders of Burlington County,
Mount Holly, New Jersey.

Gentlemen:—

In the interest of a number of the taxpayers of Burlington County will you promptly answer the following question?

1. In placing necessary orders for road oils is it true that you have specified a certain brand of oil to the exclusion of all other bidders, some of whom offered to place the same quality at 19 cents per gallon for which you paid 23 cents, and if so, how do you account for the difference of 4 cents?

2. Do you pay \$3.25 per thousand for developers that were offered by another printer at \$1.65?

3. Have you ever paid criminal charges in the amount of \$5.25 to some officers, \$17.25 to others, and about \$36.00 to still others for practically the same charges?

4. Is it true that your majority wing depose the minority wing at your last organization from certain Directorships, doubling up the same, and employing an assistant, furnishing him with an automobile for his use, and all at the added expense to the County?

5. Do you really think that the \$114,000 voted to be expended by your majority wing on a certain bridge is justified other than by political expediency, and if so, how many votes do you suppose it made you?

6. It is a matter of record that the County Budget has risen in ten years from \$193,000 to over a million dollars. In making this Budget do you consider the taxpayers, and if either member of your Board had the expenditure of a Million Dollars in private funds would you trust this expenditure to the present Board?

7. In order to overcome the law whereby any improvement to be made costing over \$1,000 shall be advertised, do you ever award the work, one half to a favored contracting firm, and one half to an individual of the same firm, and then pay fifteen percent overhead as well as an overseer's allowance, all to the same?

An early reply will be appreciated or I will meet you in Public Forum on these matters and others.

Sincerely,

M. WARNER HARGROVE.

Salvaging the Derelict

STATE YMCA CONVENTION

Was Held in New \$1,500,000 Jersey City "Y" Building. County Delegates Take Important Part

Saturday and Sunday, October 18th and 19th, witnessed in Jersey City a very important meeting of YMCA directors, delegates, and secretaries from all portions of New Jersey, as they came together in special convention to consider necessary changes in the State Constitution to conform with the new National Constitution adopted at Cleveland a year ago.

Saturday and Sunday, October 18th and 19th, witnessed in Jersey City a very important meeting of YMCA directors, delegates and secretaries from all portions of New Jersey as they came together in special convention to consider necessary changes in the State Constitution to conform with the new National Constitution adopted at Cleveland a year ago.

Time was provided in the convention program for meetings by the four YMCA electoral districts of the State, each of which was entitled to elect two laymen and a secretary to membership on the new National Council, which will hold its first meeting at Buffalo, New York, December 3-6. This National Council will take the place of the present International Committee.

Burlington County Delegates Prominent in Convention

Ex-Judge Harold B. Wells, of Bordentown, member of the Burlington County committee, was president of the State Association, and therefore presided over the convention. Chairman William F. Overman, of Moorestown, of the Burlington County committee, appointed chairman of the nominating committee to present ten names from which the new National Council will elect five to serve on each of its National and International service committees. Alexis L. Clark, of Crosswicks, also a member of the Burlington County committee, was elected chairman of the fourth New Jersey YMCA electoral district.

The men elected from this district, who will meet at Buffalo in December and serve on the National Council, are: Wilfred W. Fry, of Camden; Ex-Judge Harold B. Wells, of Bordentown; and Leigh E. Cobb, of Monmouth County, well known to many Burlington County young men through their association with him as a director at Camp Ockanickon.

Independence YMCA Group

Independence Group opened its meeting last week by singing a chapter from the Bible, followed by the usual exercise and Bible study, in which the boys are progressing very nicely.

After the reading of the minutes, a discussion of football engaged the members. A game with St. Paul's, of Camden, is in prospect.

The group will enter the Halloween parade in a body.

The new assistant leader, Arthur Hartley, is heartily welcomed, and all feel sure he will do this work well. A membership committee, Robert Finney and Walter Price, was elected. They began their work at once by taking in a new member.

The rummage sale will be held on November 1, and anyone wishing to help may notify the leader, B. S. Torbett, 328 Morgan avenue, phone 548-R. Anything in the line of old clothes or anything that can be sold will be gratefully received.

Miscellaneous Shower

A miscellaneous shower was tendered Miss Dorothy Ryckman by the teachers of the primary department of the Methodist Sunday School, on Monday evening at the home of Mrs. Bert Hornor, Garfield avenue.

Those present were Mrs. Hornor, Mrs. T. A. Lloyd, Miss Edna Lloyd, Miss Carrie Griffenberg, Miss Dot Coleman, Miss Mary Green, Miss Kathryn Green, Miss Hope Kershner, Miss Elsie Schmierer and Miss Dorothy Ryckman.

Donation Day

Thursday, October 30th, will be donation day at Aged Women's Home, at Burlington. Contributions of money or donations, anything useful for home, will be received by Mrs. Thomas Murphy, 620 Lippincott avenue, who can be reached by telephoning Riverton 576-w.

IS USED CARS SOLD

Palmyra Motor's Sale Which Ended Monday Was Huge Success

Fred W. Seeber, manager of the Palmyra Motor Company which recently held a big used car sale, reports that 18 reconconditioned cars and trucks were sold from Thursday, October 9 to Monday, October 20. Twenty-five automobiles were on hand at the start of the sale.

Mr. Seeber says his company attempted the biggest sale ever known in the annals of Palmyra and Riverton and it was a huge success. Many good old "get-together" for the boys of "23." A few of them have been conspicuous by their absence recently, so they, especially, are requested to attend.

One of the big attractions will be a big show by Philadelphia talent. The biggest attraction should be the fact that the "old gang" will be there. Just to meet all of your friends, stop and chat with them a minute after the cheery handshake, should be enough to draw any red-blooded man.

MOORESTOWN TIES PALMYRA

Locals Surprised by Strength Shown by Quaker Grid Rivals

Three young colored gentlemen, namely Baylor Coleman and Johnson, all members of the Moorestown High School football team, are responsible for Palmyra High's inability to step up another rung the scholastic football ladder toward the Burlington County and South Jersey Class B championship.

Palmyra High gridgers met Moorestown on the local field before the largest crowd of the season last Friday afternoon. Both schools were primed for one of the biggest games on their schedules. Palmyra's student body even went to the extent of parading around the town before the game.

The game was a thriller from start to finish and ended in a scoreless tie, but it marked a disappointment for many local fans. According to the dope, Palmyra should have won. This was based on the fact that Moorestown and Collingswood played another scoreless game while the local gridgers trimmed Collingswood 27-6. Fast performances played a very small part in this tilt.

Baylor, the Moorestown left tackle, was by far the most conspicuous figure in the fray. He got through the Palmyra line for many of the tackles and played an iron game. On the offense, he was frequently shifted to the backfield and tore the local line to shreds, being the only consecutive ground gainer for the visitors.

Coleman and Johnson, the other colored boys, plugged up the right side of the line as guard and tackle. They forced Palmyra to direct all of their line plunges to the opposite section of the human barrier. Sherer and Schmierer, Palmyra's right guard and tackle, played their best game of the season and did not falter because they were clashing with men far their physical superiors.

It was anybody's game and the two teams saw-sawed back and forth over the field. The defensive eleven would tighten up when its goal line was in danger of being crossed and hold in a stone-wall fashion. Both teams attempted an aerial attack, but neither with marked success. Moorestown suffered the most, however, for she was frequently penalized for interfering with the Palmyra receiver.

In an attempt to push over victory in the last quarter with a final spurt, Coach Morse sent in Hank Jenkins at right end and Wood to right half-back. Wood was unconscious for a half hour after he had been thrown heavily in the first period, and showed real pluck by returning to the battle.

The ball was carried from Palmyra's thirty-five yard line to the visitors' thirty-yard mark with two passes, one to Jenkins and the other to Burns. Three line plunges then took Palmyra to the twenty-two yard line and Wood attempted a placement kick. As the result of a poor pass, he was forced to make a hurried kick and the oval went under cross bar. This was Palmyra's last chance to score.

Dixie Miller saved Palmyra from defeat when he tackled Wallace on the three-yard line after he had received a pass. Palmyra's backfield was crippled in the last two quarters as the result of injuries received in the early minutes of the game. Stackhouse, Jimmie Burr, Wagner, Burns and Captain Becton all played a flashy game.

Pemberton High is the opposition this Friday afternoon. The game will be played at The Field Club park and is scheduled to start at 3.30.

NEW CHEER LEADERS

Coach Morse, of P. H. S., Campaigning for Big Revival of School Spirit

Coach Morse, of the Palmyra High School, plans to re-organize all sports at the high school. Last week he had the school elect its official squad of cheer leaders.

"Pud" Merrill is the head cheer leader and his assistants are Bill Colsey and Joe Klinger. Under the direction of these three boys the student body's cheering is expected to show a marked improvement. The boys will make a natty appearance on the field leading the cheers which are bound to inspire the teams to harder playing and victory.

Last Friday, the student body parade, which was held prior to the Moorestown game, was led by the new leaders. Also at its head was Joe Martin, the six-foot-two youngster who made an excellent drum major. A band, composed of students, furnished the music for the paraders.

The coach says he is doing his "darndest" to stir up the proper school spirit and enthusiasm.

P. O. S. of A.

Camp 3, P. O. S. of A., plans to hold one of the big meetings for which it is noted, next Monday evening. Therefore every absent member will miss one of the liveliest affairs held in the Camp rooms for some time.

Nothing special will be celebrated on this occasion, but it will be just a good old "get-together" for the boys of "23." A few of them have been conspicuous by their absence recently, so they, especially, are requested to attend.

One of the big attractions will be a big show by Philadelphia talent. The biggest attraction should be the fact that the "old gang" will be there. Just to meet all of your friends, stop and chat with them a minute after the cheery handshake, should be enough to draw any red-blooded man.

Publicity Committee.

You Can Help Keep It So!

The United States is, today, the greatest nation in the world, and YOU can keep it so if YOU will vote on November 4.

Do not take it for granted that your vote will not be needed, for if millions held that thought there would be no votes of the radicals and the "reds" (and they always vote) to count.

Of course if the weather is not good in your section of the country on election day it may be more comfortable to sit near a cozy fire, but would you not rather get your feet wet one day than be in hot water for four years? Business gone, low wages, poor prices and the misery of bread lines, soup kitchens, no work, and the suffering that goes with it. It is not only what is best for your country but also what is best for you.

"40 & 8" MEET

"Prominade" Held at Beverly Legion Home; Five Initiated

On Thursday Voiture Locale No. 500, Les Societe des 40 Hommes et 8 Chevaux held a prominade at Beverly Legion Home.

Among the five men initiated into the Societe were Robert Pencock, of Mount Holly, recent candidate for the Republican Congressional nomination; Abraham Saylor, of Riverside, County Commander of the Legion; and H. H. Hagaman, Commander of the Beverly Post.

The Voiture was honored by having present the Grande Chef de Gare, George Richey, of New Brunswick; the Grande Chef de Train, A. Lukens, of Collingswood; Grande Correspondent Edwards, of Trenton, and Grande Cheminot Scott of Trenton.

The members also were pleased to have a delegation of thirty from Mercer County and a delegation of fifteen from Camden County.

The meeting was a great success and the initiation went off in fine form. A get-together meeting of all members in the State will be held in Trenton at the Stacy-Trent Hotel on Saturday evening, at 6.30. This will be more of a banquet and entertainment than a business meeting.

New Jersey honors this year in having one of its native sons as Chief de Fer (National President), namely George Dobson, of Passaic. The meeting in Trenton is in his honor and the officers would appreciate a large turn out from Burlington County.

DONALD W. KNOWLTON, Chief de Gare.

Odd Fellows' Halloween Party

At a meeting of the combined entertainment committees of Cinnaminson Lodge and Ladies Auxiliary at the home of Milton Jewett, 723 Washington avenue, last week, plans were made for a real-old-fashioned Halloween party, with ghosts, goblins, pumpkin pie and all.

The party will be held Friday evening, October 31, at the lodge rooms in Society Hall for all Odd Fellows and their families.

Candidates now entering the lodge will receive two degrees this Friday evening, October 24.

Palmyra Lodge No. 67, K. of P.

Palmyra Lodge is showing some real activity these fall meeting nights. The numbers coming out are getting larger and some good times are looked forward to with interest.

Among these is the "Frolic" which will be something new in the way of an old-fashioned dance, sometime in November. The officers would like all those interested to come out and help our plans along.

The bowling team of No. 67 is again on the job, and each Friday evening sees a goodly number migrating to Riverside to pay "Pop" a few hours visit. We would like to have more of our numbers get the habit of coming out each Thursday evening and getting in the swim.

Colored Republican Club Active

The Colored Republican Club of East Riverton met last evening at the residence of James James for the purpose of re-organizing and setting the machinery in motion for real work.

The following officers were elected: president, James James; vice president, Albert McCombs; secretary, Lillian Ransom; treasurer, Benjamin Seeger.

This is an independent Republican Club and invites any candidate or candidates to see the president or vice president as to time of meeting. The next meeting is Monday evening, the 27th. All of the more than 100 voters are requested to attend.

JAMES JAMES, President. LILLIAN RANSOM, Sec'y.

Depreciation Too Low

The studies of the plant and property of the Delaware and Atlantic Telegraph and Telephone Company in Southern New Jersey which were made by engineers retained by the Public Utility Commission were introduced in the Commission hearing in the Telephone Rate Case.

These studies were submitted by Cyrus G. Hill, a Chicago Consulting Engineer, and shows that the depreciation reserved of the D. & A. Company was about \$693,000 too low and that the annual depreciation charges should be increased by about \$4,600.

This conclusion was arrived at, the witness said, even though he used a lower rate of depreciation than that which had been employed by the Telephone Company.

Will Post Vote Slackers

Names of all legal voters of Aurora, Ill., who fail to go to the polls at the Presidential election will be published, A. O. W. Shipton, president of the Aurora Kiwanis Club has announced.

"Every man and woman who is entitled to vote and who stays away from the polls on election day is a slacker," he declared. "We are going to have their names published the same as the names of the slackers were published during the war."

The fault with communistic ideals of evenly dividing everything is that by the time the ideals get working there is nothing left to divide.

—Uncle Philander.

OFFICE SUPPLIES

Every Article Guaranteed

See what you can buy at home from folks you know, before going to the city. Money spent elsewhere does not help your own community a bit. If you cannot do as well at home, then, of course, you are justified in going outside, but you will find in many cases that you can do as well or better right here. And you have the additional advantage of service if anything goes wrong.

MAYOR BENNETT RESIGNS

Enforced Absence Given As Reason.
Members of Council Unanimous in Decision Not to Accept Resignation

At the special meeting of the Riverton Borough Council last Friday night Mayor Kilian Bennett asked Charles F. Earp, president of Council, to take the chair, whereupon Mr. Bennett handed him a letter and said he would withdraw while its contents were considered by Council. Mr. Earp opened the letter which proved to be the Mayor's resignation. The reason given for his action was that his business interests in the South made it necessary for him to be away from Riverton so much of the time that he felt it was impossible for him to give the attention he should give to the borough's interests at a time when so many municipal improvements are being made.

The members of Council were taken completely by surprise, but were unanimous in their decision not to accept the resignation. Mr. Geiss offered a motion to accept, which was passed without a dissenting vote. It was agreed that the work could be carried on during the Mayor's absence as it had been for the past five or six weeks until such time as he could spend more of his time here.

Mr. Shawell said that the Mayor had given a great deal of time and service to the borough, and now that his business needed him, he thought he should be released for the present—given a leave of absence, so to speak. Mr. Shawell said he knew that several times Mr. Bennett had returned from North Carolina just to attend a meeting of Council.

H. H. Murray, a former member of Council, said he had served as a member of that body under two Mayors—Flagg and Bennett, and he knew something of the great amount of time and service both had given the borough. He said he thought that Council had acted wisely in refusing to accept the resignation.

Robert Biddle, who had served as Councilman several years ago, said the Mayor could be of great service by his advice, even when not able to be in Riverton all the time, and he raised a vote for his re-election. He said he wanted to take this occasion to express his appreciation of the good work done by Council in looking after the borough's interests.

He realized that it took a great deal of time, and that it was not always appreciated, but he wanted the members to know that he did. Mr. Earp called the Mayor on the telephone at his home and told him the action of Council. He pointed out that Council was perfectly willing to carry on as it has been doing during his absence, and that it was desired to retain the advantage of his experience and advice. He asked Mr. Bennett to withdraw his resignation, which, after being assured it was the unanimous desire of the members of Council, he finally consented to do.

Extras Will Cost About \$3000
The highway committee reported that it is thought advisable to have the improved road construction extended to take in the triangular piece of Howard street between the cross walk on Main street and the walk across Howard street, in front of Woolston's garage and the stores of C. W. Ludlow, the Coddington Estate and William F. Becker. Mr. Earp reported other necessary extras, for which work orders had been issued, as follows: radius curb at Thomas avenue and Park street, to prevent water from flowing down the pavements, cost \$275; intersection at Eighth and Thomas avenue, cost \$135; intersection at Seventh and Thomas avenue, cost \$130; two inlets and larger pipes at foot of Main street, together with four radius curbs and some extra concrete work to prevent the road from raveling out where automobiles swing out the bank from Main street, cost about \$1000.

A resolution was passed authorizing the highway committee to secure a price for radius curbs at Main and Howard streets, paving the triangle at Main and Howard under the specifications used on Main street, and for changing the curb on Main street in front of the residence property owned by the railroad, and submit the same to the Mayor for the issuance of the necessary work orders. In the absence of the Mayor these work orders are executed by the President of Council.

Borough Collector Resigns
The resignation of Fred P. Hemphill as Borough Collector was accepted and Herbert Evans, who was nominated at the primary election for this office, was appointed to fill the vacancy. The appointment was unanimously confirmed.

Mr. Geiss called attention to the fact that the grass on the memorial park was badly in need of cutting, and the work was ordered done.

Bacharach Will Broadcast Friday Night
Through the courtesy of the Seaside Hotel, of Atlantic City, Congressman Bacharach will broadcast an address on the issues of the Campaign from Station W. H. A. R., Atlantic City, Friday evening at nine o'clock. Last week the Congressman broadcast from Station W. D. A. R., Philadelphia, under the auspices of the Republican National Committee, and his talk on Tariff and Taxation, with which subjects he is thoroughly familiar by reason of his membership on the Ways and Means Committee of the House of Representatives, elicited favorable comment from all sections within the range of the Lit Brothers Studio, and the Congressman has been literally swamped with letters congratulating him upon his presentation of the important issues of the campaign. Mr. Bacharach in his address on Friday evening will present additional facts and figures upon the government's financial condition and will go further into Tariff and Revenue matters in support of his contention that the welfare and prosperity of the country calls for the continuation in power of the Republican Party.

"All nations smile in the same language."

COOLIDGE OR LA FOLLETTE?

School Auditorium Filled When Speakers Discuss Political Problems—Danger of Deadlock Shown

The Republican rally last Thursday night was well attended. In the exercises dedicating the new banner, Mrs. Charles Yost, woman member of the County Committee from the second district, Riverton, made a stirring address.

Mrs. Yost said: "Mr. Chairman—Fellow Republicans: I realize what a great honor has been conferred on me by your committee in asking me to make a few dedicatory remarks about this splendid banner which has been raised over our city as a symbol of our loyalty and belief in the Republican party and its two splendid candidates—Coolidge and Dawes."

"A more ideal place for such a banner could not be found—the thousands of commuters and transients who pass by daily will see it and realize that our good citizens stand for Coolidge, Dawes and the Constitution. "Never have we had a more vital or more serious crisis facing the people of the U. S. A., and never a greater chance to make a stand for right and might than at the present. Our Constitution, that great Bill of Rights, is threatened. A vote for Coolidge is a vote for the Constitution, the freedom of speech and the press; but to vote for a radical like La Follette is to vote to undermine the principles of Democracy."

Set out in the second district of Riverton there are over 700 names on the registry list with about one-half voting. "If you do not vote you have no right to criticize. If you are so poor a citizen, so poor a patriot, so little interested in the welfare of your country—that you do not take advantage of that opportunity, you are a slacker."

Attention was again called to the banner, the Republican candidates and Republican principles, the appreciation due to the committee who made it possible for such a banner to be raised in Riverton, and Mrs. Yost closed with a plea to vote the straight Republican ticket from top to bottom.

Assemblyman Powell
The first speaker introduced was Assemblyman Clifford Powell. Mr. Powell said that it was easy enough to be patriotic during the war, when the flags were flying and all the bands were playing the Star Spangled Banner, but that America is now facing a crisis ten times greater than confronted us in 1917. The issue is between Coolidge and La Follette, and the speaker said that La Follette and Wheeler would run ahead of the Democratic candidates. La Follette proposed to give Congress veto power over the Supreme Court, thus depriving American citizens of the protection afforded by this tribunal. He urged every citizen to do his duty and vote on November 4.

Congressman Bacharach
Congressman Isaac Bacharach said that owing to some misapprehensions that seemed to be abroad in Burlington county concerning his relations with the present and previous administrations, he felt it might be advisable to say a word about his work in Washington. He said that he was a member of the Ways and Means Committee, that he had been sent for to come to Marion to consult with the late President Harding, that he was a member of the House of Representatives, and one of the members of the Ways and Means Committee broadcasting for the National ticket. Mr. Bacharach said he merely mentioned these things to refute the story being circulated that he was not persona grata at the White House. Getting down to the issues before the country in the coming election, Mr. Bacharach said that after the war millions of our people were out of work. When the Republicans came into power conditions began to improve, until now every man who wanted a job has one. He said that capital and labor must go hand in hand, and that in two years the Republicans had done more for agricultural interests than the Democrats had done in eight. Mr. Bacharach said he believed that many people did not realize the dangers of La Folletteism. Two years ago the Congressmen who joined with La Follette in blocking things in the National Legislature had been elected as Republicans, and it was only as Republicans that they could have been elected. He said they were possessed of every "fiat" except "patriotism." He urged conservative Democrats to vote for Coolidge in defense of American ideals and institutions. The Republicans, the speaker said, had supported a Democratic President during the war, and that it was only a square deal that the Democrats should now support a Republican.

To the Voters of Burlington County
There has been considerable propaganda in regard to me being a candidate for Coroner on the Democratic ticket. This office, in my judgment, is a professional one and not political. It was due to the kindness of my Democratic friends that I was nominated at the primaries on the Democratic ticket, and I was asked if I would remain a candidate. After consulting my Democratic and Republican friends, I was advised by them to remain on the ticket. And since the Republican County Committeeman of my district had filed petitions for council at the primaries on both the Republican and Democratic tickets, I could see no harm in my remaining a candidate for the office of Coroner on the Democratic ballot.

In our National and State affairs we have our parties and their platforms to guide us in our voting, but in our county and borough affairs we should vote for the candidate with the best ability and who is qualified to fill the office in the most satisfactory and efficient way, and it is your privilege at the General Election to

split your ticket and vote for the candidate who will serve your county best. Palmyra and Riverton has not had a coroner in twenty years. Moorestown has been favored with this office for nine years in one family, and as the Coroner cannot succeed himself it was necessary to run a younger generation in order to keep the office in the family.

If the people of Burlington County feel that I am qualified to successfully fill the office, I ask your support on November 4th, and if elected I will perform my duties to the best of my ability.

Sincerely yours,
FRANK A. SNOVER.

All readers or local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, will be charged for at the rate of fifteen cents a line.

Notice

In order that The New Era may reach its readers before the weekend purchases are made, it is published and mailed on Thursday. Advertisers and others are requested to have their copy reach this office not later than Wednesday morning of each week.

Why Waste Votes?

The situation is just this: Coolidge will have a majority of the electoral votes, or the La Follette following added to the Davis output of the South will be able to block an election by the people and send the controversy to Congress. That is precisely what La Follette is working to accomplish. He is engaged in forming a permanent new party which he hopes will destroy the Democratic party, and perhaps the Republican gathering beneath its banner Socialists and political revolutionists in general.

The way to beat this effort is to line up the country against La Follette and his schemes. It cannot be done by voting for Davis, who is already in the "also-ran" class. It can be done by supporting Coolidge. Every Democrat who fears the disturbance which would follow the failure to choose a President on November 4 should consider seriously the outlook. Most intelligent Democrats, we presume, are convinced that Davis is hopelessly beaten. The choice, consequently, is between sane Government under Coolidge or the chaos which would follow La Follette's success. Then why aid La Follette by wasting ballots on Davis?

A full vote means the success of Coolidge and Dawes. If the people do not go to the polls on November 4th there is danger, for every radical, every malcontent, every member of the vicious element, will vote. It is time for every true, loyal American man and woman to resolve to cast his and her vote without fail.

Help the Injured Foot Ball Players

A committee of the Riverton Foot Ball team will start a canvass this week for funds to take care of two of its players who were injured in the game this year. Be generous when you are called on.

In future games all players will be covered by accident insurance which will go into effect this Saturday.

Girl Reserves

The meeting of the Girl Reserves was held on October 20th at the Parish House. We had the devotion first and then the business. The girls made baby clothing for the Needlework Guild, which was very well done. We also practiced our Roumanian Dance, which we gave on Saturday, October 25th, at Pemberton High School.

We are very grateful to Mrs. Wood and Mrs. Marcy for taking us to Pemberton in their cars. We all had a very nice time there and our dance was very successful. We all enjoyed the talks about the good times at Camp Camarade and Camp Newhaven. Another meeting was held on October 28th in the Parish House. We had devotional services and a business meeting. The girls finished up the clothing for the Needlework Guild and then worked on their red articles. The girls are coming along very nicely with this work.

This Saturday, November 1st, there is to be a membership hike. Miss Brooks has kindly made posters for us which you will see about the town. Are you between 12 and 18?

Do you want a good time? The grammar and high school Reserves invite you to join them on a hike Saturday, November 1st. Ask any Girl Reserve, or phone Riverton 1234. Bring 15c for "cats."

ESTHER YARDLEY,
Publicity Secretary.

COUNCILMAN EARP RESIGNS

Demand on His Time is Looking After Borough Affairs Interferes With Business

On Monday Mr. Earp mailed the following communication to Mayor Bennett at New Bern, North Carolina, tendering his resignation and stating reasons for so doing.

Riverton, N. J.,
October 24, 1924.

Hon. Killam E. Bennett, Mayor,
Borough of Riverton, N. J.

Dear Mayor:

Just about one year ago I was elected by the citizens of this Borough to represent them in Council, since which time my sole purpose and endeavors have been for the benefit of all the tax payers and the advancement of our Borough.

We found at the first meeting of Council last January that numerous necessary improvements and repairs were absolutely necessary for the welfare and upkeep of our streets and sewers.

These repairs had been contemplated for some years but no action had been taken to improve conditions.

Thomas avenue, from the railroad to Park avenue, which had cost the tax payers considerable money to build, was allowed to go to pieces.

The storm sewer for Fourth street and Elm avenue, had been suggested but nothing had been done to benefit the tax payers in that section.

After receiving numerous requests and petitions and personal delegations, who appeared before Council, we finally pledged ourselves to have the storm sewer built, which will be a permanent improvement and benefit for all time.

About this same time the Freeholders agreed to rebuild the County road from the Borough line, on Main street, to the Riverton Yacht Club property, eighteen feet in width.

Council was requested, by petition, to widen Main street, six feet from the railroad to Seventh street, and also to have asphalt placed on Main street from curb to curb, the entire length of the street. With all these improvements coming at one time it was necessary for the Borough to issue \$75,000.00 worth of bonds to pay for same. These improvements have not been forced on the tax payers but have been done at their request and for their benefit.

During the past forty years I do not recollect work of more importance to our tax payers than has been going on during the present year. The members of Council should be commended for the many hours they have given to this work and in the handling of the many complications which have arisen during the progress of same.

You were elected Mayor of this Borough by our citizens, and as chief executive officer you should assume the responsibilities of your office. On most matters of vital importance, which have come before Council recently, you have been away from the Borough and out of touch with Borough affairs.

For many years you have given your time to the affairs of the Borough, to the great benefit of same, and also to the appreciation of our citizens.

Your absence from the Borough causes a double duty to be assumed by the President of Council, that of Councilman and Acting Mayor.

In justice to my business I find that I cannot spare the time away from same during the day to handle in a proper business-like manner the duties of both Councilman and Acting Mayor.

I, therefore, present to you, herewith, my resignation as President and member of Council of the Borough of Riverton, N. J., and would ask you to act upon same without delay.

Sincerely yours,
(Signed) CHAS. F. EARP,
President of Council.

A special meeting of the Borough Council was called Wednesday evening, the 29th, by Mr. Earp at which time he presented a copy of his resignation which had been sent to the Mayor. Before presenting his resignation he appointed Ralph L. Flower, chairman of the finance committee, as president, pending action by the Mayor.

Speaking on Mr. Earp's resignation, Mr. Howell said he regretted that conditions were such that Mr. Earp could not see his way clear to continue a member of Council, and moved that the resignation be accepted with sincere regrets. The motion was unanimously passed.

Mr. Howell further moved that the resignation and the letter of explanation accompanying it be spread on the minutes. This was also adopted.

Upon taking the chair, Mr. Flower said that in the resignation of Mr. Earp the citizens of Riverton and the Borough Council were losing the services of an able, efficient, honest and upright gentleman, whom he greatly regretted seeing leave Council.

Mr. Howell reported that he had written to the Water Company requesting that the larger water pipes between the mains and the fire hydrants on Main street be put in before the improved roadway is completed.

A resolution prepared by the borough attorney was offered by Mr. Lynch requesting the Water Company to lower the water main at Main street and Bank avenue so that the work of placing the borough surface sewer at that point might be completed, and it was unanimously adopted.

The clerk was instructed to send a telegram to Mayor Bennett at New Bern, N. C., advising him that the resignation of Mr. Earp had been accepted by Council, and asking him to wire appointment of President of Council.

—REPUBLICAN RALLY

Meeting In Interest of Good Government in P. O. S. of A. Hall Saturday Evening

Mrs. Jennie C. VanNess, of Essex county, Hugh White Adams, of New York City, and Assemblyman Clifford R. Powell, of Burlington county, will be speakers at a big Republican meeting to be held in P. O. S. of A. Hall, Palmyra, Saturday evening, November 1st, at 8 o'clock.

Everybody is invited, especially the ladies. Come out and bring your neighbors.

Prizes for Largest Percentage of Votes

A committee has offered a prize of a five-pound box of Whitman's finest candies and a box of fifty cigars to the members of the county committee in the district in Riverton polling the largest percentage of registered voters.

Frank Holvick said, "Better make both prizes candy. I don't smoke." John Geiss said, with a sly smile, "Watch us!"

And Rex Howell said, "Well—er, I believe we can keep both of those prizes in the family."

ANOTHER RIVERTON VICTORY

Riverton's Team Defeats Gibson A. A. of Philadelphia. Biddle Fitter Will Play This Week

Riverton won its fourth consecutive football game at Memorial Park last Saturday afternoon from the Gibson A. A. of Philadelphia.

The score was 6-0. The game was nip and tuck with neither team having sufficient strength to push through the opposing line consistently. Riverton's wingmen getting credit for winning the game.

Holvick made the touchdowns and Bowers the assist, taking an opposing tackler out of the play just as he was about to tackle Holvick, who had picked up one of Gibson's fumbles.

Riverton's line deserves great credit for holding the opposing team scoreless and making half of Riverton's points. Special mention is made of Bowers and Holvick ends, Anderson and Wille tacklers and Jenkins center.

The backfield has not started right, as yet, due, perhaps, to the loss of three of the backfield regulars—McIlheny, Maguire and Miller. Coach Holvick expects to strengthen the backfield this week with the addition of Biddle Fitter.

Biddle Fitter is a former Riverton boy, a letterman at Penn Charter and Penn State Freshman team, and was picked for the All-Philadelphia Scholastics two years ago.

This Saturday Riverton will play the St. Clement's C. C., of Philadelphia.

Last week's line-up was:

Riverton: l.e. Gibson, l.t. H. Rucker, Orlitt, l.g. Cooklin, Jenkins, c. Smirk, E. Clifton, r.g. A. Berry, S. Anderson, r.t. F. McFarland, Bowers, r.e. O'Kief, J. Hynton, l.h. R. McFarland, Richman, l.h. Edmonds, Hubbs, r.h. R. McFarland, S. Hynton, f. Bonsall.

Gibson 6 0 0 0-6
Holvick 0 0 0 0-0
Riverton 6 0 0 0-6

Keating, referee; Schneider, umpire; Sharp, linesman. 12 minute quarters. Touchdown—Holvick.

Sons of Both Officers Injured

Russell Miller backfielder on the Riverton football team, had his ankle broken during last Saturday's game, against the Gibson A. A. of Philadelphia. Miller had only been in the game four minutes when the accident happened. Russell is the son of Officer Miller.

On Tuesday, Billy, the thirteen-year-old son of Officer William Quigley, received serious injuries to the leg. Billy, who is in the sixth grade of the Riverton school, was running to catch a ball, when he ran against a pole and was knocked unconscious. In falling the muscles and ligaments of his leg were twisted. He was taken to the Riverside Hospital in the Palmyra ambulance, where an X-ray was taken, and it was found no bones were broken. He was brought home Tuesday evening. His condition is quite serious.

PARIS SENDS THESE SUITS
TO CHALLENGE COMPARISON

AMERICAN designers of tailored suits have for years held their own as the equal of any others, and for certain types of suits many women consider them quite unrivaled. But our designers are open-minded and always looking about for new ideas and inspirations. Paris claims their attention each season, especially in the matter of costume or formal suits. Anyone familiar with the genius of the French will be apt to discover that the two handsome suits shown here have a strong French accent. They are in fact Parisian, having been recently made and sketched in that capital of fashion. They show the preferences of the mode in Paris as to all the details that contribute to their elegance and style—and these preferences are shared by Americans. Both suits proclaim the assured good style of the straight and slim silhouette, the skirt length somewhat shortened to ten inches from the floor, the two leading elements in decorative features—buttons and embroidery—popular front openings and collars,

which are high when the coat is closed. Points of interest in the suit at the left begin with the length of the coat which shows that, for costume suits, the vogue of the long coat is assured. Also that of the moderately short skirt is confirmed. These suits are usually made as a coat and dress combination, and this fall's offerings have brought coat, skirt and tunic suits, but coat-and-dress suits are more popular. Rows of buttons are a feature of all tailored garments. Besides the usual smooth-faced woolen cloths, velveteen, in supple weaves, has been introduced among mediums for the costume suit, especially when touches of fur appear in the trimming, as in fur banding on collar and cuffs. The favored colors are brown, bottle green and black. Touches of color appear in embroideries. The suit at the right differs in its coat length, sleeves and less elaborate embroidery, from its companion, but is equally good style.

GOOD THINGS FOR THE TABLE

A dainty salad is always an acceptable dish at any season, and especially during the warm weather.

Favorite Apple Salad.—Core six red apples and cook them without removing the skins, in gently boiling water until tender, but not broken. Turn the apples over with a skimmer, that they may cook evenly. Remove to a plate, carefully take off the skins and scrape off the red pulp adhering to the inside of the skins, replacing it on the cheeks of the apple. Let chill; arrange on heart leaves of lettuce. Beat one cupful of heavy cream stiff, add one-fourth of a cupful of sugar, one teaspoonful of lemon juice, one-fourth of a teaspoonful of salt, one-fourth cupful of pecan meats broken into bits and one-fourth cupful of minced, tender celery. Serve on the apples. Garnish the tops with sprigs of white celery and halves of pecan meats.

Empress Rolls.—Take the long shaped bakers' rolls, cut in half crosswise, scoop out the soft crumb and fill the cavities with the following mixture: One cucumber, peeled and chopped, one teaspoonful of grated horseradish, one dessert spoonful of cream, and as much mayonnaise as you like, with salt to taste. Press in the filling with a knife.

Peanut Butter and Marmalade Sandwiches.—Spread one slice of bread with peanut butter, the second slice with orange marmalade, and press the slices together. Cut into rounds or other fancy shapes.

Stuffed Dates.—Remove the stones from dates and insert small portions of peanut butter into the cavities. Roll in granulated sugar and chill before using.

Salmon and Pea Salad.—Take a can of salmon, removing all skin and bones, add an equal amount of cooked peas, season well and serve with a highly seasoned boiled dressing to which a chopped sour pickle has been added. Serve on hard lettuce with plenty of good dressing for a garnish.

SPOT, THE STEAMER MASCOT

A favorite resort of California is Long Beach, situated twenty miles from Los Angeles on the ocean. During the past few years its growth has been very rapid. This seashore town has one of the finest stretches of hard level beach on the coast and a pleasure wharf 1,800 feet long with a large sun parlor at the outer end.

It has an all-the-year-round climate, pleasant in winter as well as in summer, and one may have a dip in the ocean every day in the year.

One time, not long ago, while we were enjoying a stay at Long Beach the Steamer B— was anchored there for a few days. The mascot of this steamer was a dog named Spot, and a cat whose name was Tabby. They belonged to the chef of the boat, who always gave them the choicest bits to eat, and took the best care of them. They have been great pets

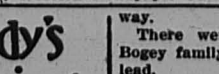

with not only the chef, but all the crew, for several years, and they themselves are the best of friends.

One day Tabby, while climbing around on the decks, as was her custom, was too venturesome and fell into the sea. The surf was very rough that day, and Tabby began to struggle in the water. Spot

watched the cat for a few minutes, then suddenly seemed to realize that the waves were too much for her and she was drowning. He gave a pitiful bark and whine, then jumped into the ocean, grabbed Tabby by the back of the neck and by hard work managed to swim with her and finally reached shore.

Both Spot and Tabby were more dead than alive, but the care of the chef and sailors brought them to life again. A few days after this the Long Beach Humane Society decorated Spot for bravery.

There were the members of the Bogey family, with Bill Bogey in the lead. There were members of the Gnome family, with Peter Gnome leading the way. There were Witty Witch and Mr. Giant, and they were very much dressed up for the occasion.

Witty Witch wore a crimson shawl over a bright yellow costume, and really the trees seemed to bow to her as she went along, as if they wanted to thank her for the compliment.

Mr. Giant was dressed in a handsome brown suit, with red buttons. And as his suit was so enormous there seemed to be many red buttons upon it.

Of course, all the members of the Fairy family were receiving the guests with the Queen of the Fairies. Princess Fairy Twilight-Bell was on hand, and so was the Fond Fairy, and so were Princess Fairy Joy and Fairy Wondrous Secrets and all the others.

They were dressed in costumes which looked like the colors of the different maple trees and their costumes were shaped like maple leaves. The Elves were dressed in bright red costumes and the members of the Bogey family wore scarlet.

The members of the Oaf family

Their Costumes Were Shaped Like Maple Leaves.

wore brown costumes and the Brownies wore oak-brown suits, which were very handsome.

Yes, not only was the ball being given in honor of the beautiful autumn coloring and foliage, but the guests all dressed themselves so that they looked very fittingly and appropriately dressed for such a party.

And then they danced. Sometimes they edged near the land where the people lived and sometimes the people almost caught sight of them, but they looked so much like the beautiful autumn coloring that the people said:

"Sometimes we see bits of coloring in the woods and then we don't seem to know quite where we have seen it."

Really, it was the Fairyland ball of which they caught glimpses.

After they had danced they played games and ran races and jumped and had a beautiful game pushing a big ball which was filled with air.

After the games were over they had a supper party and Fairy Ybab's orchestra furnished music which played while they ate.

Some of them sang, too, and though the words and the music of their songs did not reach the ears of the people there were little sounds which were carried to the ears of people.

And it seemed to them as though the day happened to be unusually beautiful and wonderful and as though there must be music somewhere—perhaps the wind rustling through the bright colored leaves.

But it really was the music of Fairyland.

And, oh, such a beautiful party as it was. The Sun shone down upon it and he said he had never seen so brilliant a ball—no, never before, not even in Fairyland.

For the Sun had looked down on many a party, and certainly it was a big compliment, coming from him, as it did.

7% CUMULATIVE PREFERRED STOCK

OF

PUBLIC SERVICE CORPORATION OF NEW JERSEY

If you want to take advantage of the unusually favorable terms under which this established, safe and attractive investment can be secured—

THE TIME TO BUY IS NOW!

President McCarter says:

"The strength of public utilities lies in the fact that they perform necessary public services; that their interest is so closely entwined with public interest that they cannot be injured without an injury to the public, and that, supplying in part the reason for community progress and prosperity, they share in the benefits that follow community advancement."

Until the present offering is exhausted you can purchase 7% Cumulative Preferred for \$100 and accrued dividends per share, and you can pay for it at the rate of \$5.00 down and \$5.00 a month per share, while during the period of payment you will receive interest at the rate of 6% on all installments.

Ask Any Public Service Employee

What stands between you and poverty

NO MATTER how large your salary, if you do not save part of it, there is only a week or a month's pay between you and absolute poverty.

No matter how small your income, you can afford to save something each week. No matter how large your income, you cannot afford not to save something.

Whether you acknowledge it to yourself or not—the fact that you have nothing laid by for the rainy day which is sure to come—preys on your mind. Saving is the only antidote for ceaseless worry.

You have only one head and two hands. At best they can work but 8 or 10 hours a day. Your savings work for you 24 hours a day, 365 days in the year.

The man who does not save condemns himself to hard labor for life. The man who saves, even if only a little each week, is on the road to independence.

Too Liberal

"My Dear" remarked the young husband, "did you ask the milkman why there is never any cream on our milk?"
"Yes, darling, and he explained quite satisfactorily. I think that it is a great credit to him."
"What did he say?"
"That he always fills the jug so full there is no room for cream."
—New York World.

The Man You've Been Waiting For!

FREDERICK W. DONNELLY

Democratic Candidate
for

UNITED STATES SENATOR

FREDERICK W. DONNELLY'S attitude on all public questions is frank, clear and honest.

He favors the modification of the fanatical Volstead Act to permit the manufacture and sale of beer and light wines to bring relief from the intolerable conditions caused by Prohibition.

He is opposed to the Ku Klux Klan as un-American in its ideals and practices, and repugnant to our charter of freedom by which all of us, no matter of what race or creed, were guaranteed the boon of religious and political liberty within the law.

He favors the restoration of honest government at Washington; adequate pay for postal employees; honest elections free from taint of Newberryism; the reduction of rail and water transportation rates for the emancipation of the farmer, business man and consumer; the divorce of government and big business, that unholy partnership that is responsible for the high cost of living.

He stands for law enforcement, and therefore opposes the use of the Federal Prohibition Enforcement Department as a political machine

YOU WILL BEST SERVE YOUR OWN INTEREST BY VOTING FOR

Model Homes-Model Lighting

Demonstration of Correct Lighting Methods Now On

For the benefit of Contestants in the HOME LIGHTING CONTEST and all others interested in the conservation of eyesight and the improvement of illumination.

In order to provide concrete examples of house lighting that eliminates Glare and Gloom, protects the eyes and adds to the attractiveness of the home, arrangements have been made for model lighting installations in model homes, which every school boy and girl entered in the Home Lighting Contest should see and study.

Where the Model Electrical Homes Can Be Found

No. 920 Greenwood Avenue, Trenton; No. 314 North Brown Street, Gloucester; No. 190 Lupton Avenue, Woodbury; No. 1242 Empire Street, Camden; No. 31 St. Davids Road, Colwick; Rogers and Bethel Avenues, Merchantville-Summit

Every school child, ten years old or more, is eligible to compete in this great educational event, the Home Lighting Contest. Many valuable local prizes are offered, and the winning papers will be entered in the international contest, in which the first prize is a \$15,000 house and ten other prizes provide scholarships in American or Canadian colleges and universities.

Every parent is interested in this great movement for the protection of eyesight against the enemies Glare and Gloom. Proper illumination adds to everyone's comfort, aids everyone's vision and preserves everyone's health. You should visit a modern electric home and interest yourself in the Home Lighting Contest, not only for the sake of your children, but for your own welfare.

Get details from any electric contractor or lighting company

Items of the Town

—Buy it at home.

—Mr. and Mrs. Ward Lowden motored to Pottstown, Pa., Sunday. A surprise hallowe'en party was tendered Miss Helen Trudell on Saturday evening.

—Miss Marjorie Shaner entertained her friends at a hallowe'en party Tuesday evening.

—Mrs. Harry K. Mansfield entertained a party of friends at cards on Wednesday evening.

—Dr. and Mrs. James E. Brown and family spent Sunday with relatives in Philadelphia.

—Mr. and Mrs. William Powell spent Sunday with Mr. and Mrs. Clayton Buckeye, of Indian Mills.

—Mrs. Clara Stellwagen, of Ocean City, was the guest on Monday and Tuesday of Mrs. George J. Seel, Jr.

—Miss Jeanne Pennington, of Washington, D. C., spent Monday with Mr. and Mrs. Charles K. Merwin.

—Mr. and Mrs. Howard Alloway will give a hallowe'en party at their home on Elm avenue Saturday evening.

—Mr. and Mrs. George Hubbs, of West Broad street, spent Sunday with their daughter, Mrs. Charles Kern, of Camden.

—Mr. and Mrs. William Storicks and family returned to their home in Hackensack after visiting their parents here.

—Mrs. Alfred S. VanOsten entertained the "500" card party at her home on Washington avenue, Tuesday afternoon.

—Miss Martha Nauman, of Germantown, entertained the S. S. Club at the home of the Misses Seel on Monday evening.

—Mr. and Mrs. Bert Spiese entertained the members of their Philadelphia Bridge party at their home on Garfield avenue, last Saturday evening.

—The Parry Volunteer Fire Company wishes to thank the Ladies' Auxiliary for the firemen's coats with which they have equipped the company.

—Dr. and Mrs. Charles Francis Voorhis have returned home from the mountains where the doctor was recuperating from an attack of pneumonia.

—Mr. and Mrs. Joseph L. Stack and Mr. and Mrs. Pearl Kemp returned home Monday after a motor trip through Delaware, over the weekend.

—Mr. and Mrs. John H. Etris, accompanied by Mrs. Etris' parents, Mr. and Mrs. Robert B. Stille, of the Palmyra Annex, motored to Atlantic City Sunday.

—Mr. and Mrs. A. W. King and family and Joseph Seel spent the weekend at the home of Mr. and Mrs. Herbert Behn, of Penny Hill, Wilmington, Delaware.

—The annual banquet and election of officers of the Central Baptist Sunday School will be held in the church basement next Wednesday evening, starting at 7 o'clock.

—The Philathea class of the Central Baptist Sunday School will hold a masque party at the home of Mrs. Frank N. Johnson, 514 Morgan avenue, Thursday evening.

—Mrs. Velena Davison, of Cinnaminson avenue, is expected home early next week after spending the month renewing old acquaintances in Newport News, where she formerly lived.

—Mr. and Mrs. Charles K. Merwin, of Leconey avenue, tendered their son, Jean, a party and informal dance at the Porch Club, Riverton, in honor of his twenty-first birthday, Monday evening.

—Mrs. Francis Buzzard, of Westmont, who has been spending some time with her parents, Capt. and Mrs. Sidney Albertson, left for Cleveland, Ohio, to join her husband, who is in business there.

—Mrs. Elvin I. Powell and Mrs. Philip Vollmer spent Monday in Philadelphia, as the guests of Miss Bertha Wessell. On Tuesday, they were the guests of Mr. and Mrs. Wells, of Willow Grove.

—Mrs. Frank Storicks and daughters, Violet, Frances and Virginia, and Mrs. Lewis Bates, of Palmyra, Mrs. Mary O'Neill, of Riverton, and James Mitchell, of Camden, motored to Easton, Pa., on Sunday.

—The Twin City Dancing Club will hold its first dance in the Porch Club, Riverton, this Saturday evening. The music will be furnished by "Pud" Merrill's Jazz Boys. This will be an invitation dance.

—Mr. and Mrs. Nicholas Drier tendered their daughter, Anna, a surprise hallowe'en party at their home on West Broad street Tuesday evening. The home was beautifully decorated with hallowe'en colors. Ten youngsters attended the party.

—The In-As-Much Bible Club will hold its regular monthly business meeting at the home of Mrs. Hicks, 602 Elm Terrace, next Tuesday afternoon at 2 o'clock. This is a very important meeting and all members are requested to attend. They are also urged to note the change in the time of meeting.

—The Camden Chapter of the National Association of Organists will present its first recital at the First Presbyterian Church, Fourth street below Market street, Camden, Thursday evening, November 6, at 8:15. The public is cordially invited to attend. A number of the local organists are members of this organization.

—Lamont Roberts entertained a few friends at a hallowe'en party at his home on Parry avenue, Friday evening. Those present were the Misses Elizabeth V. Hires, Alexine Lowden, Elsie Stull, Elsie Bracey and Hannah Donohue, Chester McConnell, Francis Poulson, Houston Ingram, Nelson McCuen, and Lamont Roberts.

—A small fire occurred in the Palmyra business district Wednesday afternoon. Rubbish burning in the rear of Birenbaum's store set fire to a chicken house back of W. T. McAllister's. Mr. McAllister played a garden hose on the flames, which had assumed considerable proportions, until the arrival of the fire department, and what might have been a costly conflagration, was averted.

—See "Galloping Fish," featuring Sydney Chaplain, at the Broadway Palace Thursday evening, November 6. This show is filled with good, clean humor and has made a hit with "movie" fans throughout the country. The added attractions are News Topics of the Day and Cartoon. Don't miss this show. Benefit of Baker's Blue Sox basketball team.

—Cotton is probably the most versatile plant in the world. It produces cotton cloth, olive oil, silk stockings, ivory and wool underwear.

GARAGE BROKEN INTO

Battery and Car Stolen from Andrew Barker

Andrew S. Barker's garage in the rear of his home at Second street and Cinnaminson avenue, was broken into last Friday night.

Entrance was gained by breaking the door on the large double doors. The storage battery in the car and a spare tire and rim were stolen.

Another spare tire was stolen the same night from a car which stood in the rear yard a few houses above Barker's. Neighbors' dogs were heard to bark furiously, but since they frequently do this when cars pass up and down Cinnaminson avenue, no one paid particular attention to the commotion.

The Palmyra Police were notified Saturday morning, but were unable to get any real clues.

HYGIENE LECTURES

The Visiting Nurse, Miss Blanche C. McKelvey, has arranged two important lectures on Sex Hygiene for the women and grown girls of Palmyra, Riverton and vicinity.

These lectures will be given by Dr. Sarah Rodick, of the New Jersey State Department of Health.

The first will be given Thursday afternoon, November 13, at 3 o'clock, for women only on "The Mother and Her Children."

The second will be given Monday evening, November 17, at 8 o'clock, for women and girls of 18 or over on "What Sex Hygiene Means to Young Women."

Both lectures will be given in the grammar school auditorium at the Delaware Avenue School. All women and grown girls of this vicinity are invited. No admission is charged.

Asbury

Mr. and Mrs. Herbert McCaskey and two children, George Cooper and Carrie Emma McCaskey, of Merchantville, spent Saturday and Sunday at the home of Miss May Ward. Mrs. McCaskey will be remembered as Miss Anna M. Allen, of Medford, formerly seventh and eighth grade, teacher in Westfield public school, at Cinnaminson, in 1911-1912.

Card of Thanks

Rev. J. Howard Johnson and family, of West Palmyra, take this means to thank their many friends for the sympathy and assistance extended in the illness and death of their wife and mother, who departed this life October 19th, and to those who sent the beautiful floral designs to the funeral.

New Auto License Rules

To make sure that the law has been complied with, applicants for 1925 automobile licenses must certify on the application blank that their headlights are properly equipped and focused. The new application cards call for this information which must be sworn to.

It is necessary for each applicant to give a thorough description of the auto, its 1924 registration number and if not previously registered in this State, the party or firm from whom it was obtained. The date of the purchase and all essential details must also be furnished. It will be next to impossible to get a license for a car which has been stolen since a complete record must be kept of the hands through which it has passed.

Provision is also made for the applicant to show that his car complies with the law with respect to equipment, including brakes, signaling device, reflecting mirror, rear red light showing white light on plate, and other features regarded necessary for safety.

Coolidge or Chaos

President Coolidge stands for the maintenance and safeguarding of the time with her parents, Capt. and Mrs. Sidney Albertson, left for Cleveland, Ohio, to join her husband, who is in business there.

—Mrs. Elvin I. Powell and Mrs. Philip Vollmer spent Monday in Philadelphia, as the guests of Miss Bertha Wessell. On Tuesday, they were the guests of Mr. and Mrs. Wells, of Willow Grove.

—Mrs. Frank Storicks and daughters, Violet, Frances and Virginia, and Mrs. Lewis Bates, of Palmyra, Mrs. Mary O'Neill, of Riverton, and James Mitchell, of Camden, motored to Easton, Pa., on Sunday.

—The Twin City Dancing Club will hold its first dance in the Porch Club, Riverton, this Saturday evening. The music will be furnished by "Pud" Merrill's Jazz Boys. This will be an invitation dance.

—Mr. and Mrs. Nicholas Drier tendered their daughter, Anna, a surprise hallowe'en party at their home on West Broad street Tuesday evening. The home was beautifully decorated with hallowe'en colors. Ten youngsters attended the party.

—The In-As-Much Bible Club will hold its regular monthly business meeting at the home of Mrs. Hicks, 602 Elm Terrace, next Tuesday afternoon at 2 o'clock. This is a very important meeting and all members are requested to attend. They are also urged to note the change in the time of meeting.

TOO LATE TO ACT

Borough Council Decides Blackwell Building Can't Be Stopped

Palmyra Borough Council met Tuesday evening to pass two ordinances connected with refinancing the sewer.

Afterwards the discussion regarding the violations of the building code again came up and upon the advice of Solicitor Joseph S. Low it was decided it was too late to halt the Blackwell operation on East Broad street. This does not give other property owners the right to disregard the building line, however, and Inspector Powell has been instructed to refuse to issue permits in the future for any operation that violates the provisions of the building code in this respect.

The widening of Broad street also was taken up and it was suggested that Council work in conjunction with the Chamber of Commerce to bring this improvement to realization.

EVANGELISTIC CAMPAIGN

Members of Six Congregations to Meet in Epworth Church

Sunday marks the beginning of a simultaneous evangelistic campaign to be conducted in all of the churches of the New Jersey conference. The week begins with an every-member communion service in each church on Sunday morning. This is to be followed by meetings every night in the week but Saturday.

In the Trenton District the plan is to have all of the churches in a particular section meet at a central location for their week of meetings. The churches in this neighborhood, including Asbury Church, Bridgeboro, Delair, Delaware, Palmyra and Riverton will have their meetings at Epworth Church.

The preachers for the week will be as follows: Monday, the Rev. J. B. Whitton, of Palmyra; Tuesday, the Rev. Frank Gunson, of Riverside; Wednesday, the Rev. Fred B. Morley, of Palmyra; Thursday, the Rev. John Norberry, of Delanco; and on Friday night there will be a rally of all the young people of these churches at which M. C. Campbell, of Collingswood, president of the Conference Epworth League, will be the speaker.

There will be special music and other interesting features each night. The general public is invited. The services will begin at 8 o'clock.

Bicycle Thieves Held

Albert Whitcraft, of 62 Park avenue, Riverside, and Charles Menz, of 128 Washington avenue, Riverside, 16 year-old boys, who were arrested by Chief of Police C. Morris Beck last Wednesday afternoon, charged with stealing a bicycle from the Palmyra grammar school, are being held under \$100 bail, each, for appearance at the county court in Mount Holly.

The boys were taken before Justice of the Peace William L. Fichter last Wednesday evening. In view of the fact Whitcraft was on parole, having been arrested in Riverside on similar offenses, Mr. Fichter sent them pair to Mount Holly where justice can be administered, with a small fine.

Hilton Road Being Resurfaced

The Burlington County Road Department is resurfacing Hilton road from Broad street, Palmyra, to the Pensauken Creek. This is a much-needed improvement, as the road has been in bad condition.

Goodfellowship Social Successful

A large jolly crowd attended the first fall social of the Goodfellowship class at the Porch Club, Riverton, last Saturday evening. The music for the dancing was furnished by local boys, the Royal Orchestra.

Red Cross Roll Call

The annual roll call of the Palmyra Red Cross will start Armistice Day, November 11, and end Thanksgiving Day. One dollar makes you a member of this great organization for a year.

Ambulance Contributions

Balance last week \$1852.00
Philathea Class, Baptist Ch. 25.00
Joseph Waller 5.00
Clarence E. Cole 1.00

Total

\$1883.00

Wednesday the visiting nurse called the ambulance to take an Italian boy from West Palmyra to the West Jersey Hospital, Camden. The boy was in a very serious condition and may not live.

It was a hurried call and the only hopes of saving the life were in removing him comfortably to a hospital where the facilities for treatment are better.

Have you played your part in the big war? Send your contribution now so it may continue.

Mrs. Annie F. Emgarth

Mrs. Annie F. Emgarth, who was a resident of Palmyra for 35 years, died at her home in Hammonston, N. J., on October 14th.

Mrs. Emgarth moved to Hammonston only a few years ago. Previously she had lived at Cleveland and Columbia avenues, Palmyra. She was the daughter of Baron de Stillfried, an Austrian nobleman, who settled in Palmyra in the eighties.

VOTE!

At the November election, you will vote. You can't avoid it. You will go to the polls and declare your honest opinion on the political issues involved, or you will stay away from the polls and cast a silent vote against continuance of a democratic form of government.

The obligation to vote was laid on you by the men whose bleeding feet made red the snows of Valley Forge. Many of them gave their lives to win freedom; can you refuse just one day to preserve it? Is it so little to you to live under the Stars and Stripes, to be secure in your home and business, to worship God in your own way, to have full share in governing the land?

From the time of King John down, too many men have lightly neglected the vote as a privilege. In the main it is neither. The vote is a duty of citizenship in a democracy, and unless all of us recognize that duty, and faithfully perform it, we subject ourselves to the danger of control by a selfish and self-seeking few.

This should be the year of the biggest vote the United States has ever seen. Help to make it so.

Gas on Stomach May Cause Appendicitis

Constant gas causes inflammation which may involve the appendix. Simple glycerine, buckthorn bark, etc., as mixed in Adierka helps any case gas on the stomach in TEN minutes. Most medicines act only on lower bowel but Adierka acts on BOTH upper and lower bowel and removes all gas and poisons. Excellent for obstinate constipation and to guard against appendicitis. L. L. Keating, Riverton.

Ladies' Auxiliary I. O. O. F.

Although organized less than a month, the Ladies' Auxiliary of Cinnaminson Lodge No. 201, is already achieving success. Friday night, October 31, they will give a regular old-fashioned hallowe'en party to the lodge with all the festivities and trimmings that go with the spirit of the evening. Admission will be by card.

Good luck will help a man over a ditch—IF he jumps HARD!

Don't Be a Shirker

County Red Cross Elects Officers

Burlington County Chapter, American Red Cross held its annual meeting in St. Mary's Guild House, Burlington, on Wednesday, October 22nd, at 2:30 p. m. Delegates from Palmyra, Crosswicks, Pemberton, Medford, Burlington, Riverside, Marlton and Florence were present. Mrs. Rogers, chairman, presided. Work for the ex-service men and their families has been the Chapter's principal work, \$1,022.71 having been expended for this purpose during the year. Interesting reports were read by the secretary and treasurer, Miss Mary W. Samson.

Election of officers for the coming year resulted as follows: Miss Virginia L. Roberts, chairman; Mrs. Emory Darlington, first vice chairman; Mrs. J. P. Macfarlane, second vice chairman; Miss Mary W. Samson, secretary and treasurer.

After the business meeting an address was made by Mrs. Alice M. Brack, field representative, on general Red Cross activities, special emphasis being laid on the Roll Call, as membership dues are the support of the whole organization. Most important also, is the Junior Red Cross work, as the girls and boys of today are the men and women of tomorrow.

James DeBra, Liaison representative, of New York, spoke of the problems of the ex-service men and how to deal with their cares, giving much good advice and help relative to this work.

An interesting practical talk was given by the Public Health Nurse of Camp Dix, Miss Dubois.

Wrinkles—Fretwork made by the jigsaw of time.

PALMYRA HOTEL RAIDED

Federal Agents Seize Liquor and Arrest Proprietor

Federal Prohibition Agent Carlisle, of Burlington County, and Agents Hope and Lang, of Camden, visited the Palmyra Hotel on West Broad street Saturday afternoon. They report that they purchased drinks without difficulty and then searched the place, seizing several quarts of liquor.

The proprietor, George Zang, was held for court. This is the second time the hotel has been raided and its proprietor arrested.

At the home of George Weisner, Maple Shade, the agents found a 130-gallon still in operation. They seized the outfit and Weisner was held for court.

Z R-3 BOON TO FERRY

Many Cars Bound for Lakehurst Use Palmyra Boats

Thanks to the U. S. Navy, the Tacony-Palmyra Ferry Company is doing a business equal to the midsummer rushes, every Sunday.

Sunday before last, 2908 cars were carried over the ferry and last Sunday the cars numbered 2656. The foot passenger traffic was exceptionally heavy, approximately 2600 people using the ferry system as means of transportation between New Jersey and Pennsylvania. The majority of the passengers were carried by the Philburco Coach Line.

Chief of Police Beck reports that approximately sixty per cent. of the automobiles are bound for Lakehurst to inspect the Navy's dirigible, the Z R-3.

Will Make Plans for Sale of Christmas Seals

The organization meeting for the County Christmas Seal Sale Campaign will be held on Wednesday, November 5, at 2:30 p. m., in the office of the League, 228 High Street, (second floor), Burlington. Chairmen of all committees are invited to attend this meeting. The plan of the campaign will be outlined, and materials will be ready for distribution.

The regular monthly meeting of the League will be held at the same time and place. A representative from the New Jersey Tuberculosis League is expected to attend this meeting.

STRUCK BY BICYCLE

Woman High School Teacher Injured by Sidewalk Rider

Miss England, a member of the Palmyra High School faculty, was knocked down by a bicycle on Morgan avenue, just below Fourth street, about dusk Saturday evening. The rider, who Miss England says was a young man, approached from the rear, and neither sounded a warning or carried a light on his wheel. The teacher says he refused to give his name, but she is under the impression that she can identify him.

Miss England was badly shaken up and was forced to send for her physician from Philadelphia Sunday.

Since a number of people have reported having had narrow escapes from being hit with bicycles on the pavements, the matter has been taken up with the authorities.

HIRAM TORREY DEAD

Founder of Riverside Newspaper Stricken While Driving Car

Hiram Dwight Torrey, of Delanco, for many years the owner and publisher of the Riverside Press, was stricken with paralysis while driving his automobile in Frederick, Maryland, on Wednesday of last week. He was removed to a hotel in Frederick, but failed to respond to treatment, and died at eleven o'clock that night.

Mr. Torrey had not been in good health for some time. Recently, because he was advised by his physician to go a bit slower, he sold his newspaper to Ralph S. Charlton, of Delanco. The newspaper was established in 1888. It was originally called the Riverside Sandbur. The rather peculiar name attracted much attention.

Mr. Torrey was fifty-nine years old. The funeral was held from the Presbyterian Church, Delanco, Monday afternoon, with interment in the Riverside cemetery.

FREEHOLDERS REPLY TO MARGROVE'S CHARGES

Flatly Refute Every Insinuation Made in His List of Questions Addressed to Board Last Week

October 28, 1924.
Mr. M. Warner Margrove,
Browns Mills, N. J.

Dear Sir:

Your communication addressed to the Board of Freeholders on October 22nd duly received by the Board, and I have been requested by the Board of Freeholders to answer your communication in the name of said Board.

In order to properly answer your questions, I will enumerate in my letter your question and follow it with the answer.

1. **ROAD OILS.**—The Board has never specified a certain brand of oil to the exclusion of all other bidders, because a statute of New Jersey prevents it. The advertisement of the Board of Freeholders for road oil did not designate any specific brand of oil. If you will look in the newspapers of Mt. Holly you will see this fact to be true, or if you will go to the Freeholders' Office they will give you a certified copy of the pressbooks which have been advertised. Bids are then received, opened publicly, and the lowest bidder receives the contract. This year the Board advertised for road oil and there were numerous bidders, and contract was awarded to the lowest bidder, as the records show. The Board did not receive bids for 19c and 23c for oil, and award the contract to the bid of 23c or the highest bidder.

2. **ENVELOPES.**—To your second inquiry, the Board has not had an offer from any printer of \$1.65 per thousand for envelopes and awarded the contract for \$3.25 per thousand. The envelopes used by the county are stamped envelopes, purchased from the Post Office at Mt. Holly, and it is understood that the government has a set price for the same, and no other bidder has given the Board as low a price for stamped envelopes properly printed, as were given by the government.

3. **FEES.**—Regarding your next inquiry—no discrimination has ever been made in the payment of fees, as all fees are set by law in criminal cases, and the bills are scrutinized by the Prosecutor and approved by him before payment is made by the Board. The Prosecutor being in charge of the criminal prosecutions in this county, no bill presented to the Board of Freeholders is paid until the Prosecutor has gone over the same and approved it, and the Board of Freeholders have no jurisdiction over criminal fees as they are set by the law of New Jersey.

4. **MAJORITY WING.**—Answering this inquiry, will say that the "Majority Wing" in the Board. It is composed of five Republicans, who are working for the interests of the

tax payers of this County. Each member has a certain Department he has charge of, which the records of the Board show. No assistant has ever been hired or none furnished with an automobile to assist any Director in his work in his Department. Last winter the Board found that the old method of numbering bridges in this County had become antiquated, and it was necessary to install an entirely new system of numbering bridges, so a complete record could be kept on file in the Board's office. A map was made of the entire county, designating each bridge. During the winter months, when there was not sufficient work for some of the employees of the County in their Departments, the Board divided the work up between Mr. Smith as County Engineer and Mr. Brannan as Assistant County Engineer, and each engineer had a man to assist. They inspected 700 bridges, examined them for condition, and made up a complete card, with a sketch of the bridge, together with all data. The men employed by the County were assisting the engineers in doing the laboring work, and getting up this complete schedule of all the bridges in the County. Neither Mr. Russ, Mr. Stout, Mr. Rogers, Mr. Lippincott nor Mr. Wright have ever had assistants hired by the County, to do any of their work.

5. **BRIDGE.**—Regarding this inquiry—wherein you speak of \$114,000 which was voted for by the "majority wing" on a certain bridge, I suppose you mean the Lower Bank bridge, which contract was for \$114,000. This Board fought the issue of building this bridge for three years, believing it was expending too much money for the type of bridge which it was. They refused to build the bridge, it being a bridge between Atlantic County and Burlington County. Atlantic County went into the Supreme Court and brought suit against Burlington County to compel them to build this bridge. I appeared at May's Landing, also at Atlantic City before a Justice of the Supreme Court. The Justice of the Supreme Court appointed three commissioners—James Logan, of Mt. Holly, Jos. R. Bartlett and Wm. A. Faunce. On February 21, 1923, a hearing was held in this matter, and a copy of the testimony is on file in my office, if you desire to look over the same. The Supreme Court made an order that the County of Burlington must build this bridge. Then the Board fought it for another year until the Board of Freeholders having the judgment of the Supreme Court enforced. Bids were received and the total of the costs for said bridge was \$114,000, one-half or \$57,000 being payable by each County. The vote on awarding said contract was not by the so-called "majority wing" but the vote to award this con-

tract received the unanimous vote of the Board. The bridge was not built for votes, but to comply with the ruling of the Supreme Court. If you were a member of the Board of Freeholders, would you violate the Order of the Supreme Court or would you have built the bridge?

6. **COUNTY BUDGET.**—Regarding the rise in the county budget from \$193,000 to over a million dollars, I would say that in 1914 the County Budget was \$230,000, of which \$25,000 was raised from miscellaneous receipts, and \$205,000 from taxes. The budget for 1924 had miscellaneous receipts of \$349,796, and the amount to be raised by taxes \$657,978.11. In 1914 there was no budget law as now. In those days the institutions received estimates miscellaneous receipts, and they were used by the institutions and then a report made to the Board. Under our present law, all receipts from all the institutions must be turned in to the County under the head of Miscellaneous Receipts, and in turn appropriated by the Board of Freeholders under the head of Revenue. In 1914 the Anticipated Revenue from the various Departments of the County was \$25,000, whereas this year we received \$349,796. So you will see the receipts of the various institutions of the County have risen from \$25,000 to nearly \$350,000. And from the general trend of business, do you believe that any family or corporation can exist as cheap today as they did ten years ago? Do you know we increased in population in this County in ten years—we have expended nearly two million dollars on improved roads, covering 78 miles of the very best highways in the State; traffic has increased 500%; bridges which were unable to carry present day traffic had to be strengthened and rebuilt to take care of the traffic of today. A new tuberculosis hospital was built; a new Hall of Records is being built. Court appropriations in ten years have increased from \$6500 in 1914 to \$30,000 in 1924. In 1914 the County was compelled to pay \$3.50 a day for teams and machines on the road, and today they have to pay \$7.00. Wages of employees have increased 50%. When the small Board of Freeholders came into existence they were compelled to float a \$172,000 bond issue to cover the deficiencies left by the large Board, as the large Board had not appropriated sufficient to take care of its liabilities; then an \$88,000 bond issue had to be floated to take care of the large Board's shortage in budget. Prices for materials and supplies have increased in the last ten years, from 50 to 100%. Could you run the County in 1924 on the same basis as it was run in 1914? Do you not think that with the increase in everything since the War that the Board of Freeholders should be commended on operating this large County for a million dollars, as per budget of 1924? That before the budget is adopted it is advertised, and all tax payers are given an opportunity to scrutinize said budget and come before the Board to make objections. When the 1924

budget was brought up for final hearing, there was not a person appearing to make objection to said budget.

7. **CONTRACTS OVER \$1,000.**—Replying to this inquiry, this Board has never evaded the law on contracts over \$1,000. Where a contract for any material or work in this County exceeds \$1,000, it is duly advertised and bids opened publicly, and the contract awarded to the lowest bidder, as the records of the Board of Freeholders will show. No contract exceeding the sum of \$1,000 has ever been awarded one-half to a favorite firm and one-half to an individual of the same firm, on a 15% plus profit basis. But, for your enlightenment, the law states contracts for over \$1,000 must be advertised, but further states that if the exigency of any public service will not admit of said advertisement, said work may be done or materials may be purchased forthwith, provided the Board charged with doing or purchasing the same, shall by a four-fifths vote of all its members, pass a resolution declaring such exigency to exist, and that the immediate performance of the work or the furnishing of material will not admit of the ordinary delay in advertising for proposals; so you see the Legislature has given that power if they saw fit to use it, but the Board to this date have advertised all contracts over the sum of \$1,000.

I have submitted these replies to the Board and they meet with their approval, and they submit them for perusal by the public, who shall decide the question to who shall be the next Board of Freeholders.

ROBERT PEACOCK,
County Solicitor.

Bordentown Democrat Dead

James J. O'Kane, a prominent resident of Bordentown, and an enthusiastic and active Democrat since the days when the party flourished in the county under the leadership of the late H. B. Smith, was taken suddenly ill while remodeling a house on his cranberry bog near New Lisbon last week and died while he was being conveyed to his home, heart trouble being given as the cause of death.

The deceased was for more than thirty years a keeper at the New Jersey state prison, before being retired on a pension.

Drunk Falls Off Cart

Archie Campbell, of Park avenue, was arrested by Chief of Police C. Morris Beck, near the Palmyra station Monday afternoon. Beck arrested the man, who was in a drunken condition, after he had fallen from a cart which he was driving.

He was taken before Justice of the Peace William L. Fichter, Tuesday morning. Mr. Fichter released the man after he had severely reprimanded him and suspended a 60-day jail sentence, which will be re-imposed should Campbell be found in this condition again.

VOTE!

REPUBLICAN NOMINEES

Calvin Coolidge

VOTE FOR WALTER E. EDGE for United States Senator

HE STANDS LOYALLY BEHIND THE PRESIDENT. He has a Record of Five Years of Faithful and Progressive Service at Washington. He has Shown Initiative and Business Judgment. He is the Father of the Budget System. Which Has Saved the Government Many Millions. His Vote Has Always Been on the Side of Sound Legislation. He Stands Unflinchingly for Law Enforcement and Respect for the Constitution. He is liberal in his views concerning modification of the Volstead Enforcement law, but he is opposed to the re-opening of saloons and the brothels. He is not "Dripping Wet," as his Democratic opponent boasts of being. **KEEP EDGE IN THE UNITED STATES SENATE—LET US NOT HAVE NEW JERSEY REPRESENTED BY ANOTHER EMPTY SEAT.** Should the House of Representatives be called upon to break the deadlock on the selection of a President, New Jersey would have no voice when the baloting took place. This State's Congressional delegation is equally divided between the Republicans and Democrats. **HELP TO GIVE NEW JERSEY A REPUBLICAN DELEGATION IN CONGRESS. SEND BACK TO THE HOUSE OF REPRESENTATIVES NEW JERSEY'S ABLEST MEMBER.**

Charles G. Dawes

Buildings and Institutions he has introduced reforms which have operated to the benefit of both taxpayers and the community, and he has always insisted upon strict economy in the transaction of public business. Freeholder Russ always sees to it that the county receives a dollar's value for every dollar spent. The voters will be best serving their own interests by returning Howard Russ to the Board of Freeholders.

YOUR PLAIN DUTY--SUPPORT COOLIDGE and DAWES and the Constitution

To the Voters of Burlington County:

Election Day is close at hand. On November 4 you and the other free citizens of the United States will choose a President to serve you for four years from the 4th day of March next. No greater responsibility ever attached to a self-governed people.

Don't Throw Your Suffrage Away. Vote for Coolidge and Dawes! Support the Constitution of the United States!

It is of Scarcely Less Importance That President Coolidge Be Given a Republican Congress to Co-operate with Him in His Beneficent Program of Government.

The Republican Party Presents a Strong State and County Ticket for Your Consideration. Know the Candidates You are Asked to Support

For State Senator, EMMOR ROBERTS

Successful Farmer and Business Man

Senator Roberts, of Mount Laurel Township, has made a success of his legislative career for much the same reason that he has succeeded in business—He gives it his personal attention. He served Burlington County and the State at large faithfully and well for several successive terms in the House of Assembly and then was promoted to the Senate, virtually without opposition. He is now finishing his first term in the State Senate and so satisfactory has been his record that he was the unanimous choice of the Republican Party for re-nomination. He believes in efficiency in public office as well as in private business. He is a consistent advocate of strict economy in public expenditures and stands squarely on the Republican National and State platforms. No county in the State is more faithfully represented in the Senate than is Burlington, with Roberts as its Senator.

For Freeholder, HOWARD RUSS

Representative Farmer Long in the Service of the People and Experienced in County Affairs. The Friend of the Taxpayer

Howard Russ, of Delanco, is one of the most progressive and successful Truck Farmers in the county. He is a thorough business man who believes there is but one standard for the transaction of private and public business—Strict honesty and personal attention. He enjoys the full confidence of the taxpayers whom he has won through unswerving attention to duty and conscientious regard for the interests of his constituents. His record in the Board of Freeholders is flawless. As Director of Public

For Freeholder, FRED LIPPINCOTT

A Successful Farmer and Experienced in Official Life.

He Stands for the Application of Business Principles in the Administration of County Business.

Fred Lippincott, of Moorestown, has had long experiences as a member of the Small Board of Freeholders and gives faithful service as a public official. He represents a large territory which does not have other resident membership in the Board of Freeholders. No other member of the Board of Freeholders has had more diversified experience in the administration of county affairs. As director successively of various departments and as the first Director of the Small Board he has acquired an intimate knowledge of county business which should operate to make him a valuable member of that body. He pledges faithful service and undivided attention to the duties of the office. Be sure to vote for Lippincott for Freeholder.

For Assemblyman, CLIFFORD R. POWELL

Able Lawyer, Ex-Service Man and a Leader Among the Younger Men of the County

Assemblyman Clifford R. Powell, of Mount Holly, has served three terms in the popular branch of the Legislature and proved such an acceptable representative that this party has re-nominated him this year by acclamation. He won in a walk at the primary and will doubtless do so again at the general election on November 4. Captain Powell has a distinguished record of service in the World War overseas. Among the first to be sent across in America's winning fight to make the world a safe place to live in, was the Burlington county boy, then a lieutenant. He applied for and was transferred to the aerial service soon after landing in France and after the necessary period of intensive training he was sent to the front as an aerial observer. He was twice seriously wounded in battle with the German airplanes and was cited for bravery.

Last year Assemblyman Powell was the Republican floor leader during the legislative session and filled that position, as spokesman for the party in the House, with signal credit. He has won his spurs as a lawmaker and has done his full share to keep Burlington county on the map in all legislative matters at Trenton. If faithful attention to the interests of his constituents and indefatigable work in performance of his official duties mean anything, Assemblyman Powell should be re-elected by a larger majority than ever before.

For Coroner, H. B. EARNEST

A Business Man Who Is Willing to Give Full Service for Small Pay

H. B. Earnest, of Riverside, is a funeral director. His business renders him especially equipped for the satisfactory discharge of the duties of Coroner. He is a business man of long experience and a life-long resident of Burlington county in which he is widely known. His splendid vote, received at the hands of the party voters at the late Primary, shows the high regard in which he is held by the

people of the county. Give Earnest a vote when you go to the polls on Election Day.

For Coroner, JOHN C. BELTON, 2d

Representing the Younger Generation of Wide-Awake Businessmen in the County

John C. Belton, 2d, of Moorestown, also a funeral director, is well qualified for the office for which he asks your vote. He is a licensed embalmer and this combined with his geographical location, makes his selection for one of the Coroner vacancies particularly appropriate. This is the age of young men in the public service. Give Belton your support for Coroner.

For County Clerk, WILLIAM H. REEVES

Experienced Business Man Who Has Made His Branch of the County Business a Source of Substantial Revenue to the County Treasury.

He Believes that Public Office is a Sacred Trust.

William H. Reeves, of New Lisbon, has many business interests. He is one of the largest cranberry growers in the State and a successful business man. But when the people of the county elected him as their County Clerk he immediately subordinated his personal affairs to the demands of his official position. He gives the administration of the office his personal attention and has made one of the best County Clerks in the history of the county. Through his initiative many reforms have been inaugurated in this branch of public business and substantial saving effected.

Voters who believe, like Clerk Reeves, that public business should be transacted with as much attention to Details and Cost of Operation as any Private Business Enterprise, Will Vote for William H. Reeves for County Clerk.

For Steward of the Almshouse, HENRY I. WORRELL

The Right Man for the Place. Big-Hearted and Considerate of the Unfortunates Committed to the County Farm. He Fills the Stewardship to Everybody's Satisfaction

Henry I. Worrell, present Steward of the Almshouse, has made a splendid record in the position, although only having been in charge of the county farm for a few months. He is especially well fitted for the management of this home for the indigent and of the big farm connected with the institution. It is safe to say that with the Steward's wife as the Matron, the Almshouse was never better managed than it is today, while the County Farm is making a splendid showing at a minimum of cost. The Republican voters had these things in mind, doubtless, when they re-nominated Steward Worrell by unanimous voice at the recent Primary. A better man for the job than he would be hard to find. Give Worrell one on Election Day.

For County Auditor, CURWEN B. FISHER

A Retired Clergyman Who Will Give Full Time to the Performance of His Official Duties If Elected

Curwen B. Fisher, of Mount Holly, proved his popularity with the voters by the surprisingly large vote polled for him at the September Primary. He pledges his best effort to so discharge the duties of the Auditor's office as to merit the public confidence reposed in him.

The Republican County Executive Committee of Burlington County
Ordered and paid for by The Republican County Committee of Burlington County

Your Hour of Responsibility!

A vote for La Follette is a vote for Bryan

A vote for Davis is a vote for Bryan

A vote for COOLIDGE is a vote for Coolidge

Why cast a sentimental vote for Davis, when only Coolidge can defeat La Follette?

The fate of the Nation is in the hands of the American Voter

Will you vote to maintain your Constitution and Supreme Court?

Or will you vote for their overthrow?

Will you vote for Sound Government and Stable Business?

Or will you vote for Radicalism and chaos?

Be not misled by extravagant promises!

Be not influenced by appeals to class prejudices!

A vote for COOLIDGE and DAWES is a vote in defense of the Constitution and your own home

A vote not cast is a vote against the Constitution

Go to the Polls on November 4, and vote to maintain your American Ideals

Ordered and paid for by Riverton-Cinnaminson Republican Club

COOLIDGE OR LA FOLLETTE?

School Auditorium Filled When Speakers Discuss Political Problems—Danger of Deadlock Shown

The Republican rally last Thursday night was well attended. In the exercises dedicating the new banner, Mrs. Charles Yost, woman member of the County Committee from the second district, Riverton, made a stirring address.

Mrs. Yost said: "Mr. Chairman—Fellow Republicans! I realize that a great honor has been conferred on me by your committee in asking me to make a few dedicatory remarks about this splendid banner which has been raised over our city as a symbol of our loyalty and belief in the Republican party and its two splendid candidates—Coolidge and Dawes.

"A more ideal place for such a banner could not be found—the thousands of commuters and transients who pass by daily will see it and realize that our good citizens stand for Coolidge, Dawes and the Constitution.

"Never have we had a more vital or more serious crisis facing the people of the U. S. A., and never a greater chance to make a stand for right and might than at the present. Our Constitution, that great Bill of Rights, is threatened. A vote for Coolidge is a vote for the Constitution, the freedom of speech and the press; but to vote for a radical like La Follette is to vote to undermine the principles of Democracy.

"Get out and vote—in the second district of Riverton there are over 700 names on the registry list with about one-half voting.

"If you do not vote you have no right to criticize. If you are so poor a citizen, so poor a patriot, so little interested in the welfare of your country—that you do not take advantage of that opportunity, you are a slacker."

Attention was again called to the banner, the Republican candidates and Republican principles, the appreciation due to the committee who made it possible for such a banner to be raised in Riverton, and Mrs. Yost closed with a plea to vote the straight Republican ticket from top to bottom.

Robert Biddle, president of the Riverton-Cinnaminson Republican Club, presided at the meeting held in the public school following the dedication of the banner.

Assemblyman Powell
The first speaker introduced was Assemblyman Clifford Powell. Mr. Powell said that it was easy enough to be patriotic during the war, when the flags were flying and all the boys were playing the Star Spangled Banner, but that America is now facing a crisis ten times greater than confronted us in 1917. The issue is between Coolidge and La Follette, and the speaker said that La Follette and Wheeler would run ahead of the Democratic candidates. La Follette proposes to give Congress veto power over the Supreme Court, thus depriving American citizens of the protection afforded by this tribunal. He urged every citizen to do his duty and vote on November 4.

Congressman Bacharach
Congressman Isaac Bacharach said that owing to some misconceptions

that seemed to be abroad in Burlington county concerning his relations with the present and previous administrations, he felt it might be advisable to say a word about his work in Washington. He said that he was a member of the Ways and Means Committee, that he had been sent for to come to Marion to consult with the late President Harding, that he was a member of the House Office Commission, and one of the members of the Ways and Means Committee, broadcasting for the National ticket. Mr. Bacharach said he merely mentioned these things to refute the story being circulated that he was not persona grata at the White House. Getting down to the issues before the country in the coming election, Mr. Bacharach said that after the war millions of our people were out of work. When the Republicans came into power conditions began to improve, until now every man who wants a job has one. He said that capital and labor must go hand in hand, and that in two years the Republicans had done more for agricultural interests than the Democrats had done in eight. Mr. Bacharach said he believed that many people did not realize the dangers of La Folletteism. Two years ago the Congressmen who joined with La Follette in blocking things in the National Legislature had been elected as Republicans, and it was only as Republicans that they could have been elected. He said they were possessed of every "ism" except "patriotism." He urged conservative Democrats to vote for Coolidge in defense of American ideals and institutions. The Republicans, the speaker said, had supported a Democratic President during the war, and that it was only a square deal that the Democrats should now stand behind a Republican President in the greatest crisis the country had ever faced.

Senator Roberts
Senator Emmor Roberts said that the fundamental principles of our government are being threatened and that it was very important for such people as composed his audience to vote. The great danger, he said, lies in the people who do not vote. Burlington County polled 54% of its registered voters, while Hudson County, where illiteracy is greatest, polled 95%.

Mrs. Marie Coolidge Rask
Mrs. Marie Coolidge Rask, of New York City, third cousin of President Coolidge, said that the Republican administration had written the greatest chapter in the history of the world toward permanent peace by calling the Disarmament Conference. Mrs. Rask said that President Coolidge would keep us out of foreign entanglements and defend the Constitution. In both cases when the Democrats were in power since the Civil War the results were disastrous to business and the land was filled with soup houses. Only under a protective tariff can the standards of living of the American workingman be maintained. No law has been passed by the Republican party since the Civil War that did not benefit the workingman. Everyone who has the

right to vote and does not vote is a slacker, just as much as the one who fails to do his military duty in times of war.

If things are not going right in your government, don't go play golf to forget it, nor shut yourself up in the house and say "politics don't interest me." Politics ought to interest you! Foreigners who do not become naturalized within a reasonable time are criticized, but what about the 51% who do not exercise their right to vote? No government is a government by the people when less than half of them vote. Vote on election day and make it your business to see that your neighbor votes.

Hugh White Adams
Hugh White Adams, of New York City, was the last speaker of the evening, and delivered a stirring twenty-minute address. He said that the differences between Coolidge and Davis paled into insignificance when compared with La Follette.

La Follette, who has insisted on being carried on the records as a Republican, rejected and refused to abide by the results of the direct popular Presidential primary last spring. The La Follette Socialist-Third Party text book says: "It (the selection of a Presidential candidate) should rest in the hands of the people."

It is a matter of universal knowledge that the convention which nominated La Follette was not composed of delegates chosen by the people; it was a collection of delegates, mostly self-appointed, and with whose selection the people had nothing to do. La Follette personally wrote and presented the platform, which was adopted by his convention just as he wrote it, and he personally selected his running mate, Wheeler. The "convention" had even adjourned several days before Wheeler was selected.

The people in direct popular primaries, or otherwise, had no part or lot in the convention which gave La Follette his nomination. The platform was a collection of platitudes, mostly self-appointed, and with whose selection the people had nothing to do. La Follette personally wrote and presented the platform, which was adopted by his convention just as he wrote it, and he personally selected his running mate, Wheeler. The "convention" had even adjourned several days before Wheeler was selected.

Davis Not in the Picture
At the close of the meeting Mr. Biddle said that Davis is not in the picture—it is either Coolidge, or Bryan dominated by La Follette. He said it was the duty of every citizen to go to the polls and encourage his neighbor to do the same, and make a plea for assistance for members of the County Committee and members of the club in getting out the vote on November 4.

FIREMEN GIVE WARNING

Now's the Time to Put Flues in Good Condition

The Palmyra Fire Company was called to a fire in Wrightsville Tuesday afternoon. One side of the house and the roof was badly damaged and all was probably the result of negligence.

This blaze, as is the case with many others this time of the year, was caused by a faulty flue. The Fire Company is at your call twenty-four hours of the day, but would rather save your home before the fire starts.

Therefore, the company is taking this opportunity of requesting you to attend to these matters before you start your heater or range fires.

Why risk the lives of your family and run a chance of losing your home when you can easily avoid these troubles by inspecting your smoke pipes and flues? If the pipes are rusty, put up new ones now.

An ounce of precaution may save your home. For the assurance of shelter through the winter months and the safety of your families, attend to these matters immediately. Publicity Committee.

ARTISANS MEET

Fine Entertainment Feature of October Session

The Palmyra Artisans Tuesday evening enjoyed one of their most successful meetings of the season.

A big crowd was out and the show was voted the best seen here for many moons.

Walter Charriere, the grand old Artisan, honored the local assembly with his presence, and received a glad hand from all. Glad plans are being laid for next meeting, which will be Past Master's night. Officers also will be nominated and there will be a fine entertainment by local talent.

The assembly will attend the Wesleyan Bible class in a body on November 9 and the Glee Club will have an important place on the program. On November 20 a big delegation is going to Merchantville.

Hylton Road Being Resurfaced
The Burlington County Road Department is resurfacing Hylton road from Broad street, Palmyra, to the Pensauken Creek. This is a much-needed improvement, as the road has been in bad condition.

AFTER LAW BREAKERS

Bicycle Riders and Air-Gun Users Warned by Chief Beck

Chief of Police C. Morris Beck, who keeps the big law breakers under control, is now on a drive after the petty law breakers.

The Chief has threatened to arrest and fine any bicycle riders found on the streets after dark without a light. One woman was knocked down by a bicycle about dusk Saturday evening. The rider neither carried a lamp on his bicycle nor sounded any warnings. The chief says this practice is a menace to the public and will no longer be tolerated.

Youngsters are warned the use of air rifles is forbidden. Last Saturday the chief "confiscated" two guns from boys who narrowly escaped injuring some playmates. In another case last week, one boy shot at the bicycle tire on another's wheel and instead of hitting the tire, the shot went astray and hit the boy on the back of the head.

Since it is against the law to shoot these guns within the town limits, Chief Beck says he intends to take the rifles away from every youngster found using them. They often cause damage and injury to playmates.

VOTE NEXT TUESDAY

Viewing the political situation from this neck of the woods, if any of the three candidates receive enough votes next Tuesday to win the Presidency, it will be Coolidge. And we think he will get enough, with some to spare. But the situation is doubtful enough to be interesting. The Republicans have centered their attack on La Follette from the beginning. This is not because they feel he will poll more votes than the Democratic candidate, but rather because they fear what votes he does poll will be subtracted chiefly from the Republican total.

Had the Democrats named a stronger candidate at New York, the outlook might be more alarming. McAdoo, the popular choice of the Democrats, probably would have received much of the radical railroad and labor vote that now may go to La Follette. Many of the Democrats, displeased with the results of the New York convention, may vote for Coolidge.

Nevertheless, with a couple of big western States virtually conceded to La Follette, others doubtful, and with the solid South Democratic as usual, Republicans cannot afford to ease up in their campaign. Should the election be thrown into Congress, no one knows how badly the economic life of the country may be affected.

Republicans in Palmyra, Riverton and vicinity can do their bit by voting in full strength for Coolidge, to help offset the Democratic and radical strength in North Jersey.

A few contributions to the Republican campaign fund will not be amiss. —Palmyra Weekly News.

HYGIENE LECTURES

Dr. Sarah Rudnick Will Address Women at Grammar School Auditorium

The Visiting Nurse, Miss Blanche C. McKinley, has arranged two important lectures on Sex Hygiene for the women and grown girls of Palmyra, Riverton and vicinity.

These lectures will be given by Dr. Sarah Rudnick, of the New Jersey State Department of Health. The first will be given Thursday afternoon, November 13, at 3 o'clock, for women only on "The Mother and Her Children."

The second will be given Monday evening, November 17, at 8 o'clock, for women and girls of 18 or over on "What Sex Hygiene Means to Young Women."

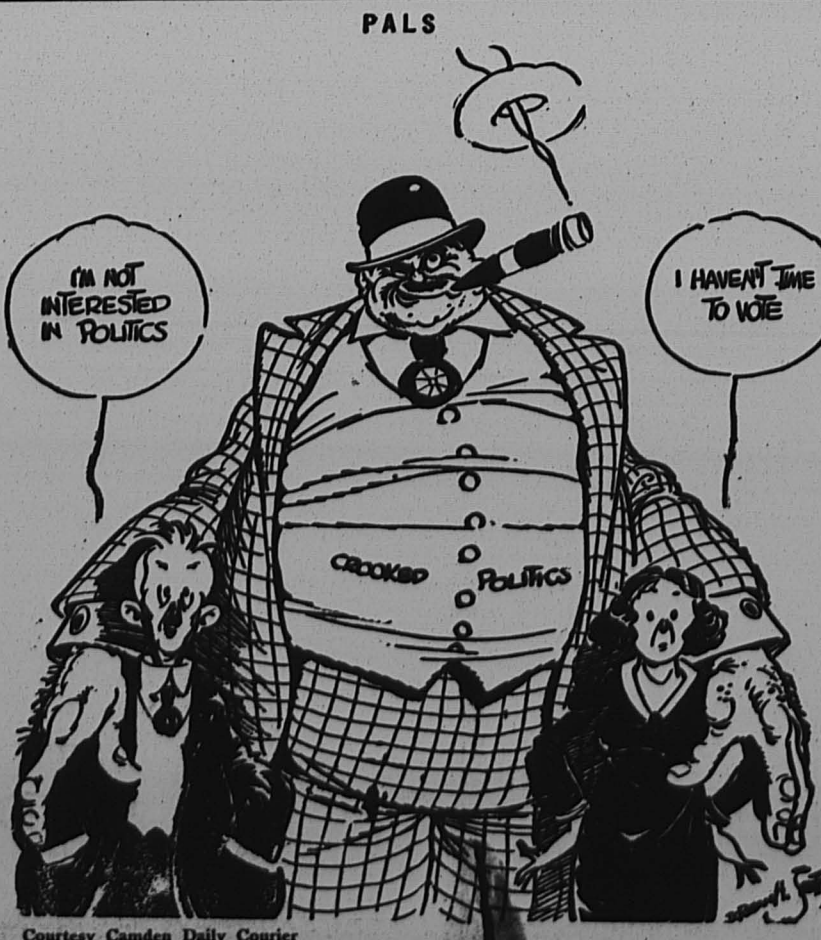

Both lectures will be given in the grammar school auditorium at the Delaware Avenue School. All women and grown girls of this vicinity are invited. No admission is charged.

Smile—and Smile

"The man who deals in sunshine is the one who gets the crowds. He transacts a lot more business than the one who deals in clouds. And the man who's a frowner will be beaten by a mile. If the man at the next counter meets his patrons with a smile. So this lesson we would teach—That he who deals in sunshine will not only get the business But he has a lot of fun."

—The Melting Pot.

No sensible person will attempt driving a this year's car on next year's income.—Uncle Philander.

THE NEW ERA

Published every Thursday at
607 Main Street
Riverton, N. J.
Entered as second class matter at the
Riverton, N. J., post office

WALTER L. BOWEN
Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper

Subscription \$1.50 a year
in advance

NOTICE

All readers or local notices of entertainments, suppers, fairs, dances, etc., given for the purpose of raising money, will be charged for at the rate of fifteen cents a line.

Notice

In order that The New Era may reach its readers before the weekend purchases are made, it will hereafter be published and mailed on Thursday. Advertisers and others are requested to have their copy reach this office not later than Wednesday morning of each week.

Why Waste Votes?

The situation is just this: Coolidge will have a majority of the electoral votes, or the La Follette following added to the Davis output of the South will be able to block an election by the people and send the controversy to Congress. That is precisely what La Follette is working to accomplish. He is engaged in forming a permanent new party which he hopes will destroy the Democratic party and perhaps the Republican, gathering beneath its banner Socialists and political revolutionists in general.

The way to beat this effort is to line up the country against La Follette and his schemes. It cannot be done by voting for Davis, who is already in the "also-ran" class. It can be done by supporting Coolidge. Every Democrat who fears the disturbance which would follow the failure to choose a President on November 4 should consider seriously the outlook. Most intelligent Democrats, we presume, are convinced that Davis is hopelessly beaten. The choice, consequently, is between sane Government under Coolidge or the chaos which would follow La Follette's success. Then why aid La Follette by wasting ballots on Davis?

A full vote means the success of Coolidge and Dawes. If the people do not go to the polls on November 4th there is danger for every radical, every malcontent, every member of the vicious element, will vote. It is time for every true, loyal American man and woman to resolve to cast his and her vote without fail.

Help the Injured Foot Ball Players

A committee of the Riverton Foot Ball team will start a campaign this week for funds to take care of two of its players who were injured in the game this year. Be generous when you are called on.

In future cases all players will be covered by accident insurance, which will go into effect this Saturday.

Girl Reserves

The meeting of the Girl Reserves was held on October 20th at the Parish House. We had the devotionists first and then the business. The girls made baby clothing for the Needlework Guild, which was very well done. We also practiced our Roumanian Dance, which we gave on Saturday, October 25th, at Pemberton High School.

We are very grateful to Mrs. Wood and Mrs. Marcy for taking us to Pemberton in their cars. We all had a very nice time there and our dance was very successful. We all enjoyed the talks about the good times at Camp Camarade and Camp Nephawin.

Another meeting was held on October 28th in the Parish House. We had devotionists and a business meeting. The girls finished up the clothing for the Needlework Guild and then worked on their read articles. The girls are coming along very nicely with this work.

This Saturday, November 1st, there is to be a membership hike. Miss Brooks has kindly made posters for us which you will see about the town. Are you between 12 and 18?

Do you want a good time? The grammar and high school Reserves invite you to join them on a hike Saturday, November 1st. Ask any Girl Reserve, or phone Riverton 123-J. Bring 15c for "cats."

ESTHER YARDLEY,
Publicity Secretary.

COUNCILMAN EARP RESIGNS

Demands on His Time in Looking After Borough Affairs Interfere With Business

On Monday Mr. Earp mailed the following communication to Mayor Bennett at New Bern, North Carolina, tendering his resignation and stating reasons for so doing.

Riverton, N. J.,
October 24, 1924.

Hon. Killam E. Bennett, Mayor,
Borough of Riverton, N. J.

Dear Mayor:

Just about one year ago I was elected by the citizens of this Borough to represent them in Council, since which time my sole purpose and endeavors have been for the benefit of all the tax payers and the advancement of our Borough.

I found at the first meeting of Council last January that numerous necessary improvements and repairs were absolutely necessary for the welfare and upkeep of our streets and sewers.

These repairs had been contemplated for some years but no action had been taken to improve conditions.

Thomas avenue, which had cost the tax payers considerable money to build, was allowed to go to pieces.

The storm sewer for Fourth street and Elm avenue, had been suggested but nothing had been done to benefit the tax payers in that section.

After receiving numerous requests and petitions and personal delegations, who appeared before Council, we finally pledged ourselves to have the storm sewer built, which will be a permanent improvement and benefit for all time.

About this same time the Freeholders agreed to rebuild the County road from the Borough line, on Main street, to the Riverton Yacht Club property, eighteen feet in width.

Council was requested, by petition, to widen Main street, six feet from the railroad to Seventh street, and also to have street asphalt paved on Main street from curb to curb, the entire length of the street. With all these improvements coming at one time it was necessary for the Borough to issue \$75,000.00 of bonds to pay for same.

These improvements have not been forced on the tax payers but have been done at their request and for their benefit.

During the past forty years I do not recollect work of more importance to our tax payers than has been going on during the present year.

The members of Council should be commended for the many hours they have given to this work and the handling of the many complications which have arisen during the progress of same.

You were elected Mayor of this Borough by our citizens, and as chief executive officer you should assume the responsibilities of your office. On most matters of vital importance, which have come before Council recently, you have been away from the Borough and out of touch with Borough affairs.

For many years you have given your time to the affairs of the Borough, to the great benefit of same, and also to the appreciation of our citizens.

Your absence from the Borough causes a double duty to be assumed by the President of Council, that of Councilman and Acting Mayor.

In justice to my business I find I cannot spare the time away from same during the day to handle in a proper business-like manner the duties of both Councilman and Acting Mayor.

I, therefore, present to you, herewith, my resignation as President and member of Council of the Borough of Riverton, N. J., and would ask you to act upon same without delay.

Sincerely yours,

(Signed) CHAS. F. EARP,
President of Council.

A special meeting of the Borough Council was called Wednesday evening, the 29th, by Mr. Earp at which time he presented a copy of his resignation which had been sent to the Mayor. Before presenting his resignation he appointed Ralph L. Flower, chairman of the finance committee, as president, pending action by the Mayor.

Speaking on Mr. Earp's resignation, Mr. Showell said he regretted that conditions were such that Mr. Earp could not see his way clear to continuing a member of Council, and moved that the resignation be accepted with sincerest regrets. The motion was unanimously passed.

Mr. Showell further moved that the resignation and the letter of explanation accompanying it be spread on the minutes. This was also passed.

Upon taking the chair, Mr. Flower said that in the resignation of Mr. Earp the citizens of Riverton and the Borough Council were losing the services of an able, efficient, honest and upright gentleman, whom he greatly regretted seeing leave Council.

Mr. Showell reported that he had written to the Water Company requesting that the larger water pipes between the mains and the fire hydrants on Main street be put in before the improved roadway is completed.

A resolution was offered by Mr. Lynch requesting the Water Company to lower the water main at Main street and Bank avenue so that the work of placing the borough sewer at that point might be completed, and it was unanimously adopted.

The clerk was instructed to send a telegram to Mayor Bennett at New Bern, N. C., advising him that the resignation of Mr. Earp had been accepted by Council, and asking him to wire appointment of President of Council.

REPUBLICAN RALLY

Meeting in Interest of Good Government in P. O. S. of A. Hall Saturday Evening

Mrs. Jennie C. VanNess, of Essex county, Hugh White Adams, of New York City, and Assemblyman Clifford R. Powell, of Burlington county, will be speakers at a big Republican meeting to be held in P. O. S. of A. Hall, Palmyra, Saturday evening, November 1, at 8 o'clock.

Everybody is invited, especially the ladies. Come out and bring your neighbors.

Prizes for Largest Percentage of Votes

A committee has offered a prize of a five-pound box of Whitman's finest candies and a box of fifty cigars to the members of the county committee in the district in Riverton polling the largest percentage of registered voters.

Frank Holwick said, "Better make both prizes candy. I don't smoke."

John Geis said, with a sly smile, "Watch us!"

And Rex Showell said, "Well—er, I believe I can keep both of those prizes in the family."

ANOTHER RIVERTON VICTORY

Riverton's Team Defeats Gibson A. A., of Philadelphia, Biddle Fitter Will Play This Week

Riverton won its fourth consecutive football game at Memorial Park last Saturday afternoon from the Gibson A. A., of Philadelphia.

The score was 6-0. The game was nip and tuck with neither team having sufficient strength to push through the opposing line consistently. Riverton's wingmen getting credit for winning the game. Holwick made the touchdowns and Bowers the assist, taking an opposing tackler out of the play just as he was about to tackle Holwick, who had picked up one of Gibson's fumbles.

Riverton's line deserves great credit for holding the opposing team scoreless and making half of Riverton's points. Special mention is made of Bowers and Holwick ends, Anderson and Wille tacklers and Jenkins center.

The backfield has not started right, as yet, due, perhaps, to the loss of three of the backfield regulars—McIlenny, Maguire and Miller. Coach Holwick expects to strengthen the backfield this week with the addition of Biddle Fitter.

Biddle Fitter is a former Riverton boy, a letterman at Penn Charter and Penn State Freshman team, and was picked for the All-Philadelphia Scholastics two years ago.

This Saturday Riverton will play the St. Clement's C. C., of Philadelphia.

Last week's line-up was:

Riverton: I.e. Gibson, H. Rucker, L.t. Cocklin, L.g. Merik, C. Smirk, r.g. A. Berry, S. Anderson, r.t. F. McFarland, r.c. O'Kief, q. Edmonds, l.h. R. McFarland, l.r. Bonnell, f. Brill, S. Hylton.

Scoring: Riverton —6 0 0 0—6

Gibson —0 0 0 0—0

Keating, referee; Schneider, umpire; Sharp, linesman. 12 minute quarters.

Touchdown—Holwick.

Sons of Both Officers Injured

Russell Miller, backfielder on the Riverton football team, had his ankle broken during last Saturday's game, against the Gibson A. A., of Philadelphia. Miller had only been in the game four minutes when the accident happened. Russell is the son of Officer Miller.

On Tuesday, Billy, the thirteen-year-old son of Officer William Quigley, received serious injuries to the leg. Billy, who is in the sixth grade of the Riverton school, was running to catch a ball, when he ran against a pole and was knocked unconscious. In falling the muscles and ligaments of his leg were twisted. He was taken to the Riverside Hospital in the Palmyra ambulance, where an X-ray was taken, and it was found no bones were broken. He was brought home Tuesday evening. His condition is quite serious.

—The Philatelic class of the Central Baptist Sunday School will hold a masque party at the home of Mrs. Frank N. Johnson, 514 Morgan avenue, Thursday evening.

—Mrs. Velea Davies, of Cinnaminson avenue, is expected home early next week after spending the month renewing old acquaintances in Newport News, where she formerly lived.

—Mr. and Mrs. Charles K. Mervine, of Leconey avenue, tendered their son, Jean, a party of informal dance at the Porch Club, Riverton, in honor of his twenty-first birthday, Monday evening.

—Mrs. Francis Buzzard, of Westmont, who has been spending some time with her parents, Capt. and Mrs. Sidney Albertson, left for Cleveland, Ohio, to join her husband, who is in business there.

—Mrs. Elvin I. Powell and Mrs. Philip Vollmer spent Monday in Philadelphia, as the guests of Miss Bertha Wessell. On Tuesday, they were the guests of Mr. and Mrs. Wells of Willow Grove.

—Mrs. Frank Storcks and daughters, Violet, Frances and Virginia, and Mrs. Lewis Bates, of Palmyra, Mrs. Mary O'Neill, of Riverton, and James Mitchell, of Camden, motored to Easton, Pa., on Sunday.

—The Twin City Dancing Club will hold its first dance in the Porch Club, Riverton, this Saturday evening. The music will be furnished by "Pud" Merrill's Jazz Boys. This will be an invitation dance.

—Mr. and Mrs. Nicholas Drier tendered their daughter, Anna, a surprise hallowe'en party at their home on West Broad street Tuesday evening. The home was beautifully decorated with hallowe'en colors. Ten youngsters attended the party.

—The In-A-Mus-Bible Class will hold its regular monthly business meeting at the home of Mrs. Hicks, 602 Elm Terrace, next Tuesday afternoon at 2 o'clock. This is a very important meeting and all members are requested to attend. The class also urged to note the change in the time of meeting.

—The Camden Chapter of the National Association of Organists will present its first recital at the First Presbyterian Church, Fourth street below Market street, Camden, Thursday evening, November 6, at 8:15. The public is cordially invited to attend. A number of the local organists are members of this organization.

—Lamont Roberts entertained a few friends at a hallowe'en party at his home on Parry avenue, Friday evening. Those present were the Misses Elizabeth V. Hires, Alexine Lowden, Elsie Stull, Elsie Bracey and Hannah Doonan; Chester McConnell, Francis Poulson, Housen Ingram, Nelson McCuen, and Lamont Roberts.

—A small fire occurred in the Palmyra business section Wednesday afternoon. Rubbish burning in the rear of Birenbaum's store set fire to a chicken house back of W. T. McAllister's. Mr. McAllister played a garden hose on the flames, which had assumed considerable proportions, until the arrival of the fire department, and what might have been a costly conflagration, was averted.

—See "Galloping Fish," featuring Sydney Chaplain, at the Broadway Palace Thursday evening, November 6. This show is filled with good, clean humor and has made a hit with "movie" fans throughout the country. The added attractions are News, Topics of the Day and Cartoon. Don't miss this show. Benefit of Baker's Blue Sox basketball team.

GARAGE BROKEN INTO

Battery and Car Stolen from Andrew Barker

Andrew S. Barker's garage in the rear of his home on Second street and Cinnaminson avenue, was broken into last Friday night.

Entrance was gained by breaking the lock on the large double doors. The storage battery in the car and a spare tire and rim were stolen.

Another spare tire was stolen the same night from a car which stood in the rear yard a few houses above Barker's. Neighbors' dogs were heard to bark furiously, but since they frequently do this when cars pass up and down Cinnaminson avenue, no one paid particular attention to the commotion.

The Palmyra Police were notified Saturday morning, but were unable to get any real clues.

HYGIENE LECTURES

The Visiting Nurse, Miss Blanche McKimley, has arranged two important lectures on Sex Hygiene for the women and grown girls of Palmyra, Riverton and vicinity.

These lectures will be given by Dr. Sarah Rudnick, of the New Jersey State Department of Health.

The first will be given Thursday afternoon, November 13, at 3 o'clock, for women only on "The Mother and Her Children."

The second will be given Monday evening, November 17, at 8 o'clock, for women and girls of 18 or over on "What Sex Hygiene Means to Young Women."

Both lectures will be given in the grammar school auditorium at the Delaware Avenue School. All women and grown girls of this vicinity are invited. No admission is charged.

Asbury

Mr. and Mrs. Herbert McClaskey and two children, George Cooper and Carrie Emma McClaskey, of Merchantville, spent Saturday and Sunday at the home of Miss May Ward. Mrs. McClaskey will be remembered as Miss Anna M. Allen, of Medford, formerly seventh and eighth grade teacher in Westfield public school, at Cinnaminson, in 1911-1912.

Card of Thanks

Rev. J. Howard Johnson and family, of West Palmyra, take this means to thank their many friends for the sympathy and assistance extended in the illness and death of their wife and mother, who departed this life October 19th, and to those who sent the beautiful floral designs to the funeral.

New Auto License Rules

To make sure that the law has been complied with, applicants for 1925 automobile licenses must certify on the application blank that their headlights are properly equipped and if not previously registered in this State, the party or firm from whom it was obtained. The date of the purchase and all essential details must be furnished. It will be next to impossible to get a license for a car which has been stolen since a complete record must be kept of the hands through which it has passed.

Provision is also made for the applicant to show that his car complies with the law with respect to equipment, including brakes, signaling device, reflecting mirror, rear red light showing white light on plate, and other features regarded necessary for safety.

Coolidge or Chaos

President Coolidge stands for the maintenance and safeguarding of the Constitution and Supreme Court, for a steady and scientific reduction of our war debt, for a steady and scientific reduction of taxes, for helpful and constructive international relations, for a fair opportunity for everyone under a well-balanced government, for the fundamental principle of common sense.

Robert M. La Follette stands for the overthrow of the Constitution, for the overthrow of the Supreme Court, thereby destroying the authority of that Court. He is backed by Socialists and supported by Reds. He stands for the most destructive elements in political life.

He cannot be elected but his true purpose is to throw the election into the House of Representatives and thereby bring about the election of Charles Bryan and hold him under his control.

A vote for Davis is a vote for Bryan under orders from La Follette. A vote for La Follette is a vote for chaos and the destruction of our National well being.

"There is no place between the lines of this battle. Where do you stand? Do you stand on the rock of the Constitution and under the Flag with Coolidge, or on the shifting sands of Socialism?"

ALEX. C. WOOD, JR.

"Today is the tomorrow you worried about yesterday, and all is well."

Palmyra's Hallowe'en Parade will leave Broad and Elm at 8 p. m. sharp, march to Market street and counter-march to Morgan avenue. Will then move backward and forward between Morgan and Leconey avenues until judges have reached decision.

Street dancing will take place after the jollification on Broad street between Garfield and Leconey avenues. The three main features of this event will be Contribution, Illumination and Participation.

If you are true Palmyrian, you will help put this over in the "Palmyra way."

Prizes of \$5.00 will be awarded to Best appearing group. Best appearing couple. Most comic group. Most comic couple. Prizes of \$2.50 will be awarded to Best dressed male. Best dressed female. Best female impersonator. Best male impersonator. Most comic male. Most comic female. Best dressed girl under 14 years. Most comic girl under 14 years. Best dressed boy under 14 years. Most comic boy under 14 years. Most unique costume male. Most unique costume female. Best special feature. Judges—Mayor James T. Weart, George J. Spencer, Frank E. Chambers, A. S. Griffith, Rex McCrossan, Charles M. Cook.

Watch for the Big Dollar Sale at Freeman's Economy Store.—Advertisement

TOO LATE TO ACT

Borough Council Decides Blackwell Building Can't Be Stopped

Palmyra Borough Council met Tuesday evening to pass two ordinances connected with refinancing the sewer.

Afterwards the discussion regarding the violations of the building code again came up and upon the advice of Solicitor Joseph S. Low it was decided it was too late to halt the Blackwell operation on East Broad street. This does not give the other property owners the right to disregard the building line, however, and Inspector Powell has been instructed to refuse to issue permits in the future for any operation that violates the provisions of the building code in this respect.

The widening of Broad street also was taken up and it was suggested that Council work in conjunction with the Chamber of Commerce to bring this improvement to realization.

EVANGELISTIC CAMPAIGN

Members of Six Congregations to Meet in Epworth Church

Sunday marks the beginning of a simultaneous evangelistic campaign to be conducted in all of the churches of the New Jersey conference. The week begins with an every-member communion service in each church on Sunday morning. This is to be followed by meetings every night in the week but Saturday.

In the Trenton District the plan is to have all of the churches in a particular section meet at a central location for their week of meetings. The churches in this neighborhood, including Asbury Church, Bridgeboro, Delair, Delanco, Palmyra and Riverside will have their meetings at Epworth Church.

The preachers for the week will be as follows: Monday, the Rev. J. B. Whitten, of Palmyra; Tuesday, the Rev. Frank Gunson, of Riverside; Wednesday, the Rev. Fred B. Morley, of Palmyra; Thursday, the Rev. John Norberry, of Delanco; and on Friday night there will be a rally of all of the young people of the conference at which M. C. Campbell, of Collingswood, president of the Conference Epworth League, will be the speaker.

There will be special music and other interesting features every night. The general public is invited. The services will begin at 8 o'clock.

Bicycle Thieves Held

Albert Whitecraft, of 62 Park avenue, Riverside, and Charles Menz, of 128 Washington avenue, Riverside, 16 year-old boys, who were arrested by Chief of Police C. Morris Beck last Wednesday afternoon, charged with stealing a bicycle from the Palmyra grammar school, are being held under \$100 bail, each, for appearance at the county court in Mount Holly.

The boys were taken before Justice of the Peace William L. Fichter last Wednesday evening. In view of the fact Whitecraft was on parole, having been arrested in Riverside on similar offenses, Mr. Fichter sent the pair to Mount Holly where justice can be administered, with a small fine.

Hylton Road Being Resurfaced

The Burlington County Road Department is resurfacing Hylton road from Broad street, Palmyra, to the Pensauken Creek. This is a much-needed improvement, as the road has been in bad condition.

Goodfellowship Social Successful

A large jolly crowd attended the first fall social of the Goodfellowship class at the Porch Club, Riverton, last Saturday evening. The music for the dancing was furnished by local boys, the Royal Orchestra.

Red Cross Roll Call

The annual roll call of the Palmyra Red Cross will start Armistice Day, November 11, and continue through Armistice Day. One dollar makes you a member of this great organization for a year.

Ambulance Contributions

Balance last week \$1852.00
Philatelic Class, Baptist Ch. 25.00
Joseph Waller 5.00
Clarence E. Cole 1.00

Total \$1883.00

Wednesday the visiting nurse called the ambulance to take an Italian boy from West Palmyra to the West Jersey Hospital, Camden. The boy was in a very serious condition and may not live.

It was a hurried call and the only hopes of saving his life were in removing him comfortably to a hospital where the facilities for treatment are better.

Have you played your part in the big work? Send your contribution now so it may count.

Mrs. Annie F. Emgarth

Mrs. Annie F. Emgarth, who was a resident of Palmyra for 35 years, died at her home in Hammonton, N. J., on October 14th.

Mrs. Emgarth moved to Hammonton only a few years ago. Previously she had lived at Cleveland and Columbia avenue, Palmyra. She was the daughter of Baron de Stillfried, an Austrian nobleman, who settled in Palmyra in the eighties.

VOTE!

At the November election, you will vote. You can't avoid it. You will go to the polls and declare your honest opinion on the political issues involved, or you will stay away from the polls and cast a silent vote against conscience of a democratic form of government.

The obligation to vote was laid on you by the men whose bleeding feet made red the shores of Valley Forge. Many of them gave their lives to win freedom; can you refuse just one day to preserve it? Is it so little to you to live under the Stars and Stripes, to be secure in your home and business, to worship God in your own way, to have full share in governing the land?

From the time of King John down, too many men have lightly neglected the vote as if it were merely a right or a privilege. In the main it is neither. The vote is a duty of citizenship in a democracy, and unless all of us recognize that duty, and faithfully perform it, we subject ourselves to the danger of control by a selfish and self-seeking few.

This should be the year of the biggest vote the United States has ever seen. Help to make it so.

Gas on Stomach May Cause Appendicitis

Constant gas causes inflammation which may involve the appendix. Simple glycerine, buckhorn bark, etc., as mixed in Adlerika helps any case gas on the stomach in TEN minutes. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel and removes all gas and poisons. Excellent for obstinate constipation and to guard against appendicitis. L. L. Keating, Riverton.

Ladies' Auxiliary I. O. O. F.

Although organized less than a month, the Ladies' Auxiliary of Cinnaminson Lodge No. 201, is already achieving success. Friday night, October 31, they will give a regular old-fashioned hallowe'en party to the lodge with all the festivities and trimmings that go with the spirit of the evening. Admission will be by card.

Good luck will help a man over a ditch—IF he jumps HARD!

Camphor Soothes Eye Pains

For eye pains there is nothing better than simple camphor, witchhazel, etc., as mixed in Lavoptik eye wash. The first application does wonders and one bottle of Lavoptik helps any case weak, strained or sore eyes. L. L. Keating. 17

Knights of Pythias

The fall activities are beginning to show promise of some good times, and the officers would like to see more members out to help along with the good work.

One of the best times was enjoyed Friday evening when the boys journeyed to Riverton for their weekly bowling contest. Those who were not on deck certainly missed a lot.

The "Frolic" will be held November 15, at the P. O. S. of A. Hall, and all are invited. See any officer about it.

Come out and help along the good work we are doing.

Publicity Committee,

Camp 23

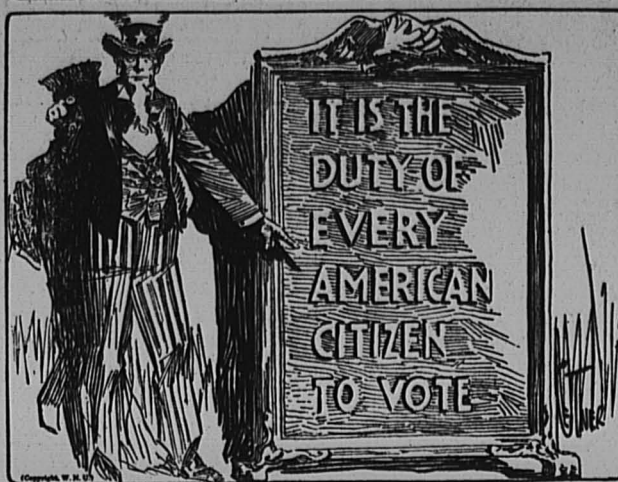

Camp 23, P. O. S. of A., held another one of its big meetings Monday evening. After the business session had been run off in snappy order, the crowd adjourned to the second floor where it was entertained by a crack-crack vaudeville show by a troupe from Philadelphia. The live-wire Booster committee was responsible for this.

The crowds are growing larger every week. Everybody is showing renewed interest in the Camp and activities are booming. The pinocchio committee reports a large number of contestants.

Are you with the "gang"? Let's see a few more faces that have become strange in the Camp room next Monday night.

Publicity Committee.

Don't Be a Shirker

County Red Cross Elects Officers

Burlington County Chapter, American Red Cross held its annual meeting in St. Mary's Guild House, Burlington, on Wednesday, October 22nd, at 2:30 p. m. Delegates from Palmyra, Crosswicks, Pemberton, Medford, Burlington, Riverside, Marlton and Florence were present. Mrs. Rogers, chairman, presided. Work for the ex-service men and their families has been the Chapter's principal work, \$1,022.71 having been expended for this purpose during the year. Interesting reports were read by the secretary and treasurer, Miss Mary W. Samson.

Election of officers for the coming year resulted as follows: Miss Virginia L. Roberts, chairman; Mrs. Emmon Darlington, first vice chairman; Mrs. J. P. Macfarlane, second vice chairman; Miss Mary W. Samson, secretary and treasurer.

After the business meeting an address was made by Mrs. Alice M. Brack, field representative, on general Red Cross activities, special emphasis being laid on the Roll Call, as membership dues are the support of the whole organization. Most important also, is the Junior Red Cross work, as the girls and boys of today are the men and women of tomorrow.

James DeBra, Liaison representative of New York, spoke of the problems of the ex-service men and how to deal with their cares, giving much good advice and help relative to this work.

An interesting practical talk was given by the Public Health Nurse of Camp Dix, Miss Dubes.

Wrinkles—Fretwork made by the jigsaw of time.

PALMYRA HOTEL RAIDED

Federal Agents Seize Liquor and Arrest Proprietor

Federal Prohibition Agent Carslake, of Burlington County, and Agents Hope and Lang, of Camden, visited the Palmyra Hotel on West Broad street Saturday afternoon.

They report that they purchased drinks without difficulty and then searched the place, seizing several quarts of liquor.

The proprietor, George Zang, was held for court. This is the second time the hotel has been raided and its proprietor arrested.

At the home of George Weisner, Maple Shade, the agents found a 130-gallon still in operation. They seized the outfit and Weisner was held for court.

Z R-3 BOON TO FERRY

Many Cars Bound for Lakehurst Use Palmyra Boats

Thanks to the U. S. Navy, the Tacony-Palmyra Ferry Company is doing a business equal to the midsummer rushes, every Sunday.

Sunday before last, 2008 cars were carried over the ferry and last Sunday the cars numbered 2656. The foot passenger traffic was exceptionally heavy, approximately 2600 people using the ferry system as means of transportation between New Jersey and Pennsylvania. The majority of the passengers were carried by the Philburco Coach Line.

Chief of Police Beck reports that approximately sixty per cent. of the automobiles are bound for Lakehurst to inspect the Navy's dirigible, the Z R-3.

Will Make Plans for Sale of Christmas Seals

The organization meeting for the County Christmas Seal Sale Campaign will be held on Wednesday, November 5, at 2:30 p. m., in the office of the League, 228 High Street, (second floor), Burlington. Chairmen of all committees are invited to attend this meeting. The plan of the campaign will be outlined, and materials will be ready for distribution. The regular monthly meeting of the League will be held at the same time and place. A representative from the New Jersey Tuberculosis League is expected to attend this meeting.

STRUCK BY BICYCLE

Woman High School Teacher Injured by Sidewalk Rider

Miss England, a member of the Palmyra High School faculty, was knocked down by a bicycle on Morgan avenue, just below Fourth street, about dusk Saturday evening.

The rider, who Miss England says was a young man, approached from the rear, and neither sounded a warning or carried a light on his wheel. The teacher says he refused to give his name, but she is under the impression that she can identify him.

Miss England was badly shaken up and was forced to send for her physician from Philadelphia Sunday.

Since a number of people have reported having had narrow escapes from being hit with bicycles on the pavements. The matter has been taken up with the authorities.

HIRAM TORREY DEAD

Founder of Riverside Newspaper Stricken While Driving Car

Hiram Dwight Torrey, of Delanco, for many years the owner and publisher of the Riverside Press, was stricken with paralysis while driving his automobile in Frederick, Maryland, on Wednesday of last week. He was removed to a hotel in Frederick, but failed to respond to treatment, and died at eleven o'clock that night.

Mr. Torrey had not been in good health for some time. Recently, because he was advised by his physician to go a bit slower, he sold his newspaper to Ralph S. Charlton, of Delanco. The newspaper was established in 1888. It was originally called the Riverside Sandbar. The rather peculiar name attracted much attention. Mr. Torrey was fifty-nine years old. The funeral was held from the Presbyterian Church, Delanco, Monday afternoon, with interment in the Riverside cemetery.

FREEHOLDERS REPLY TO HARGROVE'S CHARGES

Flatly Refute Every Insinuation Made in His List of Questions Addressed to Board Last Week

October 28, 1924.

Mr. M. Warner Hargrove, Browns Mills, N. J.

Dear Sir: Your communication addressed to the Board of Freeholders on October 22nd duly received by the Board, and I have been requested by the Board of Freeholders to answer your communication in the name of said Board.

In order to properly answer your questions, I will enumerate in my letter your question and follow it with the answer.

1. **ROAD OILS.**—The Board has never specified a certain brand of oil to the exclusion of all other bidders, because a statute of New Jersey prevents it. The advertisement of the Board of Freeholders for road oil did not designate any specific brand of oil. If you will look in the newspapers of Mt. Holly you will see this fact to be true, or if you will go to the Freeholders' Office they will give you a certified copy of the proposals which have been advertised. Bids are received, opened publicly, and the lowest bidder receives the contract. This year the Board advertised for road oils and there were numerous bidders, and contract was awarded to the lowest bidder, as the records show. The Board did not receive bids for 19c and 23c for oil, and award the contract to the bid of 23c or the highest bidder.

2. **ENVELOPES.**—To your second inquiry, the Board has not had an offer from any printer of \$1.65 per thousand for envelopes and awarded the contract for \$3.25 per thousand. The envelopes used by the County are stamped envelopes, purchased from the Post Office at Mt. Holly, and it is understood that the government has a set price for the same, and no other bidder has given the Board as low a price for stamped envelopes properly printed, as were given by the government.

3. **FEES.**—Regarding your next inquiry—no discrimination has ever been made in the payment of fees, as all fees are set by law in criminal cases, and the bills are scrutinized by the Prosecutor and approved by him before payment is made by the Board. The Prosecutor being in charge of the criminal prosecutions in this County, no bill presented to the Board of Freeholders is paid until the Prosecutor has gone over the same and approved it, and the Board of Freeholders have no jurisdiction over criminal fees as they are set by the laws of New Jersey.

4. **MAJORITY WING.**—Answering this inquiry, will say there is no "Majority Wing" in the Board. It is composed of five Republicans, who are working for the interests of the

tax payers of this County. Each tax payer has a certain Department he has charge of, which the records of the Board show. No assistant has ever been hired or none furnished with an automobile to assist any Director in his work in his Department. Last winter the Board found that the old method of numbering bridges in this County had become antiquated, and it was necessary to install an entirely new system of numbering bridges, so a complete record could be kept on file in the Board's office. A map was made of the entire county, designating each bridge. During the winter months, when the County was not in session, the work was done by the County Engineer, and each engineer had a man to assist. They inspected 700 bridges, examined them for condition, and made up a complete card, with sketch of the bridge, together with all data. The men employed by the County were assisting the engineers in doing the laboring work, and getting up this complete schedule of all the bridges in the County. Neither Mr. Russ, Mr. Stout, Mr. Rogers, Mr. Lippincott nor Mr. Wright have ever had assistants hired by the County, to do any of their work.

5. **BRIDGE.**—Regarding this inquiry—wherein you speak of \$114,000 which was voted for by the "majority wing" on a certain bridge, I suppose you mean the Lower Bank bridge, which contract was for \$114,000. This Board fought the issue of building this bridge for three years, believing it was expending too much money for the type of traffic which used it. They refused to build the bridge, it being a bridge between Atlantic County and Burlington County. Atlantic County went into the Supreme Court and brought suit against Burlington County to compel them to build this bridge. I appeared at May's Landing, also at Atlantic City before a Justice of the Supreme Court. The Justice of the Supreme Court appointed three commissioners—James Logan, of Mt. Holly, Jos. R. Bartlett and Wm. A. Faunce. On February 21, 1923, a hearing was held in this matter, and a copy of the testimony is on file in my office, if you desire to go over the same. The Supreme Court made an order that the County of Burlington must build this bridge. Then the Board fought it for another year until Atlantic County started in having the judgment of the Supreme Court enforced. Bids were received and the total of the costs for said bridge was \$114,000, one-half or \$57,000 being payable by each County. The vote on awarding said contract was not by the so-called "majority wing" but the vote to award this con-

tract received the unanimous vote of the Board. The bridge was not built for votes, but to comply with the ruling of the Supreme Court. If you were a member of the Board of Freeholders, would you violate the order of the Supreme Court or would you have built the bridge?

6. **COUNTY BUDGET.**—Regarding the rise in the county budget from \$193,000 to over a million dollars, I would say that in 1914 the County Budget was \$230,000, of which \$25,000 was raised from miscellaneous receipts, and \$205,000 from taxes. The budget for 1924 had miscellaneous receipts of \$349,796, and the amount to be raised by taxes \$657,978.11. In 1914 there was no budget law as now. In those days the institutions received estimated miscellaneous receipts, and they were used by the institutions and then a report made to the Board. Under our present law, all receipts from all the institutions must be turned in to the County under the head of Miscellaneous Receipts, and in turn appropriated by the Board of Freeholders under anticipated Revenue. In 1914 the Anticipated Revenue from the various Departments of the County was \$25,000, whereas this year we received \$349,796. So you will see the receipts of the various institutions of the County have risen from \$25,000 to nearly \$350,000. And from the general trend of business, do you believe that any family or corporation can exist as cheap today as they did ten years ago? Do you know we increased in population in this County in ten years—we have expended nearly two million dollars on improved roads, covering 78 miles of the very best highways in the State; traffic has increased 500%; bridges which were unable to carry present day traffic had to be strengthened and rebuilt to take care of the traffic of today. A new tuberculosis hospital was built; a new Hall of Records is being built. Court appropriations in ten years have increased from \$6500 in 1914 to \$30,000 in 1924. In 1914 the County was compelled to pay \$3.50 a day for teams and machines on the road, and today they have to pay \$7.00. Wages of employees have increased 50%. When the small Board of Freeholders came into existence they were compelled to float a \$172,000 bond issue to cover the deficiencies left by the large Board, as the large Board had not appropriated sufficient to take care of its liabilities; then an \$88,000 bond issue had to be floated to take care of the large Board's shortage in budget. Prices for materials and supplies have increased in the last ten years, from 50 to 100%. Could you run the County in 1924 on the same basis as it was run in 1914? Do you not think that with the increase in everything since the War that the Board of Freeholders should be commended on operating this large County for a million dollars, as per budget of 1924? That before the budget is adopted it is advertised, and all tax payers are given an opportunity to scrutinize said budget and come before the Board to make objections. When the 1924

budget was brought up for final hearing, there was not a person appearing to make objection to said budget.

7. **CONTRACTS OVER \$1,000.**—Replying to this inquiry, this Board has never evaded the law on contracts over \$1,000. Where a contract for any material or work in this County exceeds \$1,000, it is duly advertised and bids opened publicly, and the contract awarded to the lowest bidder, as the records of the Board of Freeholders will show. No contract exceeding the sum of \$1,000 has ever been awarded one-half to a favorite firm and one-half to an individual of the same firm, on a 15% plus profit basis. But, for your enlightenment, the law states contracts for over \$1,000 must be advertised, but further states that if the exigency of any public service will not admit of said advertisement, then such contracts may be done or materials may be purchased forthwith, provided the Board charged with doing or purchasing the same, shall by a four-fifths vote of all its members, pass a resolution declaring such exigency to exist, and that the immediate performance of the work or the furnishing of material will not admit of the ordinary delay in advertising for proposals; so you see the Legislature has given that power if they saw fit to use it, but the Board to this date have advertised all contracts over the sum of \$1,000.

I have submitted these replies to the Board and they meet with their approval, and they submit them for perusal by the public, who shall decide the question to who shall be the next Board of Freeholders.

ROBERT PEACOCK, County Solicitor.

Bordentown Democrat Dead

James J. O'Kane, a prominent resident of Bordentown, and an enthusiastic and active Democrat since the days when the party flourished in the County, died suddenly of a heart attack at his home, late H. B. Smith, was taken suddenly ill while remodeling a house on his cranberry bog near New Lisbon last week and died while he was being conveyed to his home, heart trouble being given as the cause of death.

The deceased was for more than thirty years a keeper at the New Jersey state prison, before being retired on a pension.

Drunk Falls Off Cart

Archie Campbell, of Park avenue, was arrested by Chief of Police C. Morris Beck, near the Palmyra station Monday afternoon. Beck arrested the man, who was in a drunken condition, after he had fallen from a cart which he was driving.

He was taken before Justice of the Peace William L. Fichter, Tuesday morning. Mr. Fichter released the man after he had severely reprimanded him and suspended a 60-day jail sentence, which will be re-imposed should Campbell be found in this condition again.

VOTE!

REPUBLICAN NOMINEES

Calvin Coolidge

Calvin Coolidge

Charles G. Dawes

Charles G. Dawes

VOTE FOR WALTER E. EDGE for United States Senator

HE STANDS LOYALLY BEHIND THE PRESIDENT. He Has a Record of Faithful and Progressive Service at Washington. He Has Shown Initiative and Business Judgment. He is the Father of the Budget System Which Has Already Saved the Government Many Millions. His Vote Has Always Been on the Side of Sound Legislation.

He Stands Unflinchingly for Law Enforcement and Respect for the Constitution. He is liberal in his views concerning modification of the Volstead Enforcement law, but he is opposed to the re-opening of saloons and the brothels—He is not "Dripping Wet," as his Democratic opponent boasts of being.

KEEP EDGE IN THE UNITED STATES SENATE—LET US NOT HAVE NEW JERSEY REPRESENTED BY ANOTHER EMPTY SEAT.

Should the House of Representatives be called upon to break the deadlock on the selection of a President, New Jersey would have no voice when the balloting took place. This State's Congressional delegation is equally divided between the Republicans and Democrats.

HELP TO GIVE NEW JERSEY A REPUBLICAN DELEGATION IN CONGRESS. SEND BACK TO THE HOUSE OF REPRESENTATIVES NEW JERSEY'S ABLEST MEMBER.

CONGRESSMAN ISAAC BACHARACH

THE BEST REPRESENTATIVE THE SECOND DISTRICT HAS HAD IN A GENERATION. HE LOOKS AFTER HIS CONSTITUENCY; HE IS ALWAYS RESPONSIVE TO THEIR EXPRESSED WISHES. He is Ever at Their Service. His Ability Has Been Recognized by His Appointment to the Most Important Committees in the House.

He Stands Squarely Back of the President. When You Vote for Congressman Bacharach You Cast Your Ballot for the Support of President Coolidge's Policies.

For State Senator, EMMOR ROBERTS

Successful Farmer and Business Man
A Large Fruit Grower and Leader in Agricultural and Civic Affairs Senator Roberts, of Mount Laurel Township, has made a success of his legislative career for much the same reason that he has succeeded in business—He gives it his personal attention. He served Burlington County and the State at large faithfully and well for several successive terms in the House of Assembly and then was promoted to the Senate, virtually without opposition. He is now finishing his first term in the State Senate and so satisfactory has been his record that he was the unanimous choice of the Republican Party for re-nomination. He believes in efficiency in public office as well as in private business. He is a consistent advocate of strict economy in public expenditures and stands squarely on the Republican National and State platforms. No county in the State is more faithfully represented in the Senate than is Burlington, with Roberts as its Senator.

For Freeholder, HOWARD RUSS

Representative Farmer Long in the Service of the People and Experienced in County Affairs. The Friend of the Taxpayer
Howard Russ, of Delanco, is one of the most progressive and successful Truck Farmers in the County. He is a thorough business man who believes there is but one standard for the transaction of private and public business—Strict honesty and personal attention. He enjoys the full confidence of the taxpayers which he has won through unswerving attention to duty and conscientious regard for the interests of his constituents.

His record in the Board of Freeholders is flawless. As Director of Public

Buildings and Institutions he has introduced reforms which have operated to the benefit of both taxpayers and inmates and he has always insisted upon strict economy in the transaction of public business. Freeholder Russ always sees to it that the county receives a dollar's value for every dollar spent. The voters will be best serving their own interests by returning Howard Russ to the Board of Freeholders.

For Freeholder, FRED LIPPINCOTT

A Successful Farmer and Experienced in Official Life. He Stands for the Application of Business Principles in the Administration of County Business

Fred Lippincott, of Moorestown, has had long experiences as a member of the Small Board of Freeholders and gives faithful service to a public which represents a large territory which does not have other resident membership in the Board of Freeholders. No other member of the Board of Freeholders has had more diversified experience in the administration of county affairs. As director successively of various departments and as the first Director of the Small Board he has acquired an intimate knowledge of county business which should operate to make him a valuable member of that body. He pledges faithful service and undivided attention to the duties of the office. Be sure to vote for Lippincott for Freeholder.

For Assemblyman, CLIFFORD R. POWELL

Able Lawyer, Ex-Service Man and a Leader Among the Younger Men of the County

Assemblyman Clifford R. Powell, of Mount Holly, has served three terms in the popular branch of the Legislature and proved such an acceptable representative that his party has renominated him this year by acclamation. He won in a walk at the primary and will doubtless do so again at the general election on November 4. Captain Powell has a distinguished record of service in the World War overseas. Among the first to be sent across in America's winning fight to make the world a safe place to live in, was the Burlington county boy, then a lieutenant. He applied for and was transferred to the aerial service soon after landing in France and after the necessary period of intensive training he was sent to the front as an aerial observer. He was twice seriously wounded in battle with the German airplanes and was cited for bravery.

Last year Assemblyman Powell was the Republican floor leader during the legislative session and filled that position, as spokesman for his party in the House, with signal credit. He has won his spurs as a lawmaker and has done his full share to keep Burlington county on the map in all legislative matters at Trenton. If faithful attention to the interests of his constituents and indefatigable work in performance of his official duties mean anything, Assemblyman Powell should be re-elected by a larger majority than ever before.

For Coroner, H. B. EARNEST

A Business Man Who Is Willing to Give Full Service for Small Pay
H. B. Earnest, of Riverside, is a funeral director. His business renders him especially equipped for the satisfactory discharge of the duties of Coroner. He is a business man of long experience and a life-long resident of Burlington county in which he is widely known. His splendid vote, received at the hands of the party voters at the late Primary, shows the high regard in which he is held by the

people of the county. Give Earnest a vote when you go to the polls on Election Day.

For Coroner, JOHN C. BELTON, 2d

Representing the Younger Generation of Wide-Awake Businessmen in the County
John C. Belton, 2d, of Moorestown, also a funeral director, is well qualified for the office for which he asks your vote. He is a licensed embalmer and this, combined with his geographical location, makes his selection for one of the Coroner vacancies particularly appropriate. This is the age of young men in the public service. Give Belton your support for Coroner.

For County Clerk, WILLIAM H. REEVES

Experienced Business Man Who Has Made His Branch of the County Business a Source of Substantial Revenue to the County Treasury. He Believes that Public Office is a Sacred Trust

William H. Reeves, of New Lisbon, has many business interests. He is one of the largest cranberry growers in the State and a successful business man.

But when the people of the county elected him as their County Clerk he immediately subordinated his personal affairs to the demands of his official position. He gives the administration of the office his personal attention and has made one of the best County Clerks in the history of the county. Through his initiative many reforms have been inaugurated in this branch of public business and substantial saving effected.

Voters who believe, like Clerk Reeves, that public business should be transacted with as much attention to Details and Cost of Operation as any Private Business Enterprise, Will Vote for William H. Reeves for County Clerk.

For Steward of the Almshouse, HENRY I. WORRELL

The Right Man for the Place. Big-Hearted and Considerate of the Unfortunates Committed to the County Farm. He Fills the Stewardship to Everybody's Satisfaction

Henry I. Worrell, present Steward of the Almshouse, has made a splendid record in the position, although only having been in charge of the county farm for a few months. He is especially well fitted for the management of this home for the indigent and of the big farm connected with the institution. It is safe to say that with the Steward's wife as the Matron, the Almshouse was never better managed than it is today, while the County Farm is making a splendid showing at a minimum of cost. The Republican voters had these things in mind, doubtless, when they re-nominated Steward Worrell by unanimous voice at the recent Primary. A better man for the job than he would be hard to find. Give Worrell one on Election Day.

For County Auditor, CURWEN B. FISHER

A Retired Clergyman Who Will Give His Full Time to the Performance of His Official Duties If Elected

Curwen B. Fisher, of Mount Holly, proved his popularity with the voters by the surprisingly large vote polled for him at the September Primary. He pledges his best effort to so discharge the duties of the Auditor's office as to merit the public confidence reposed in him.

The Republican County Executive Committee of Burlington County

Ordered and paid for by The Republican County Committee of Burlington County
