RIVERTON, NEW JERSEY, THURSDAY, APRIL 7, 1927

PRICE FIVE CENTS

MANY PLANS DISCUSSED FOR PROVIDING MORE SCHOOL ROOM

M. C. Boyer, New President, Will Appoint Committee to Prepare Plans

TEACHERS PRAISED ON FINE WORK DONE

A discussion of the problem of providing more room in the River-ton Public School occupied a large portion of the meeting of the Board of Education Monday night of this week, and the president will ap-point a committee to prepare two propositions which will be sub-mitted to the citizens for considera-tion, probably at a meeting of the old town meeting type.

Francis H. Elwell, one of the new members, suggested that the situa-tion might be met by erecting a separate building to accommodate the manual training and domestic science departments and an audi-torium. It was Mr. Elwell's thought that when River-ton was ready to have something more ex-tensive in the way of school build-ing this structure could be sold and converted into a dwelling.

Clifton Opposes Maheshliffa

Daniel M. Clifton said he was opposed to spending ten or fifteen thousand dollars on a new school. He thought it would be better to add to the present building a wing sufficiently large to provide for the probable requirements of the school for the next ten or fifteen years. Mr. Clifton pointed out that the heating system now in use would not last much longer, and in his opinion it would be better to in-stall a new system large enough to take care of the present building and the annex as well.

Mr. Clifton further said that whatever is done, arrangements should be made to pay off the bonds in a shorter length of time than was provided for, by selling some of the present building which still has fifteen or eighteen years to go. He felt that a big mistake had been made in the plan of financing adopted when this building was erected.

Should Be Carefully Considered

Mrs. Betty L. Miller said that she hoped there would be a full, free and perfectly candid discussion of the various elements involved before any policy was adopted. "We must have facilities for making the school as efficient as it is now in the way of becoming," said Mrs. Miller, "and the school must not be allowed to fall behind. The River-ton school has always been considered one of the best in New Jersey, and of late years it ranks with those in any part of the state."

Present Requirements

Rosa Mattis, the other new member, asked if four rooms and an auditorium would provide sufficient space to permit the school to make such divisions of classes as would enable the pupils to do their best work, and Miss Chew replied that so far as the requirements could be anticipated four rooms and an auditorium would be enough for sometime.

Mr. Mattis also inquired if any thought had been given to athletic training. He said that one of the pupils had asked him about it, and Mrs. Miller said that she had been approached on the same subject. Miss Chew replied that at recent meetings of physical training super-visors the advisability of doing away with the regular period and substituting supervised play, includ-ing some athletics, had been discussed and that this phase of school work was being seriously considered by educators.

Miss Chew's Report

Miss Chew's report was in part as follows:

"Total enrollment for the month, 289. The highest percentage of attend-ance was in the 7th grade, 95.4%. The next highest in the 8th grade, 93.3%."

There was no tardiness in grades 3, 4, 5, 6, 7, 8, 9, 10, and 11. This is the highest record of the year. Health conditions have been bet-ter than last month and the attend-ance increased 1.5%. The work of the school has progressed satisfactorily during the month, culminat-ing with the Teachers' Night, when all types of work were placed in the classrooms for inspec-tion. This work was taken from the actual daily work of the child-ren, and in my opinion, was the best exhibit we have ever had. The registers were signed by 174 fathers and 133 mothers.

The fourth grade had the high-est percentage of fathers present and from the grade of the year. Health conditions have been bet-ter than last month and the attend-ance increased 1.5%. The work of the school has progressed satisfactorily during the month, culminat-ing with the Teachers' Night, when all types of work were placed in the classrooms for inspec-tion. This work was taken from the actual daily work of the child-ren, and in my opinion, was the best exhibit we have ever had. The registers were signed by 174 fathers and 133 mothers.

The violations of the Child Labor law reported last month have been corrected, and a letter has been re-ceived from the State Commission of Labor stating that he has con-sulted the Attorney General as to a proper form of certificate to be given children under the age of 14 years. Above that age the usual form of age and schooling certificate is to be granted, marked so as to show its temporary nature.

To the best of my belief there will be no complaint in the way of our compliance with the child labor laws.

Pine Exhibit of School Work

Referring to the exhibition of school work in the various rooms in Teachers' Night, Mr. Clifton said that it was the very best he had ever seen—and he had been looking there over for a good many years. He said that every teacher should be highly commended for the splendid work being done.

Mr. Chew supplemented Mr. Clif-ton's remarks by saying that the

PULLED CAT'S CLAWS

Highland Avenue Pussy in Inhuman-ly Treated

Did anyone ever hear felt of it? A cat losing its claws. This is really what happened on Highland avenue, Palmyra, last week. The owner of this black cat has kept the animal for four years and cut its nails every once in a while in order that it could not harm any-one. Then for someone to come along and deliberately pull the dumb animal's claws completely from all four paws.

Any inhuman act of this sort needs to be brought before the pub-lic. The victim of this cruel deed now has to hop about with four raw and bleeding feet.

However, the owner of the cat has his suspicions as to the guilty party and if he finds out for sure who the culprit really is he will be dealt with accordingly.

Moorestown Boy Attempts Suicide

High School Student Shoots Himself Near Heart's Says He's Failure

Forty of his boy friends, students at Moorestown High School, Tues-day morning volunteered to give their blood in an effort to save the life of young Walter Ballinger, the would-be suicide.

In a fit of despondency Monday morning, shortly after 9 o'clock, Walter attempted suicide. He shot himself with a thirty-two caliber revolver, just below the heart, and was rushed to the Cooper Hospital, Camden, in a critical condition.

Monday afternoon and evening the physicians at the hospital were little hope for Walter's recovery, but early Tuesday morning one of his schoolmates returned from the hospital with the message that the hemorrhages, which were imperil-ing his life, had been stopped, and the hospital authorities were hop-ful that blood transfusions might save him.

Immediately forty of the boys at the high school volunteered their blood. Twenty of the number were selected, sent home to obtain the permission of their parents, and stood ready to rush to the hospital in an effort to save Walter.

Obedient Too Much

Later Tuesday, however, word came from Cooper Hospital that the lad was very weak and could not withstand the ordeal of a transfu-sion at that time. Late Tuesday afternoon the boys were still anx-iously awaiting the call.

Walter, who is sixteen years old and a Junior at Moorestown High School, shot himself on the edge of the Friends' School Athletic Field. A colored man who was rolling the field heard the shot and rushed to the corner where the body of the boy. He did not stop to investigate, but rushed to police station.

Officer Joseph Johnston dashed to the scene and found young Ballin-ger lying on the ground, although conscious. They quickly placed him in Johnston's automobile and were soon driving madly toward Camden in an effort to save the lad's life.

"Didn't Fit Anywhere"

"I couldn't get along in the world, I didn't fit in anywhere," sobbed Walter to Officer Johnston and the Recorder on the way to the hospital. He handed them a letter addressed to his parents, Mr. and Mrs. David T. Ballinger, 30 West Main street, which read as follows:

"I would rather die than disgrace you any longer. As I have been a complete failure, please try to for-give me. You have been the best father and mother anyone could have. God bless you all."

Walter has a younger sister in school and a small brother. The grief-stricken parents were at the hospital shortly after Walter ar-rived there. The Ballinger family has always been a happy one.

When he was found Officer John-son asked the boy what he had shot himself with and Walter point-ed to the revolver that was lying on the ground, about twelve or fifteen feet distant.

It is thought that he was forced to make two attempts to take his life. In the chamber in the re-volver there is a cartridge which had been fired and did not go off.

High in Class

Walter ranked high in his class at school and was very industrious, working after school hours in Cox-son's store and he also mowed lawns and did other odd jobs dur-ing the summer vacation. Although of quiet and retiring nature, he was very friendly and had many young friends. He was a fine looking, well built chap. False ap-plied the theory that it might have been a variety with girl that caused the despondency, declaring that "Walter didn't bother with the girls."

It is thought that possibly the lad had considered himself a "dis-grace" because he had failed to pass in his school examinations last year. At the rate he was going he would not have experienced those difficulties again this year, school authorities say.

He had been under a physician's care for slight nervous disorder, however.

P. S. STOCK HELPS PART

All previous records for a single day's sale of Public Service Corpora-tion of New Jersey preferred stock under the popular ownership plan were broken April 3 when 19,929 shares of six per cent cumulative preferred stock were sold to 4,438 subscribers. It was the opening day of the campaign to sell the fourth offer of six per cent stock. The previous record for any one day's sale was 12,999 shares.

BITTEN BY PET

Howard G. Taylor, Sr., Victim of Dog That Bites Mad

Howard G. Taylor, Sr., was bitten on the right hand by a pet fox ter-rier Thursday of last week. The dog had wandered off for a couple of days. When it returned Mr. Taylor thought it acted suspiciously and when he picked the animal up to take it to the barn the animal turned on him and bit him severely. He was wearing gloves at the time, and this probably prevented some of the poison from entering the wound. The dog was killed and the head sent to Trenton. A report was returned that it was suffering from rabies. Dr. Rogers started to give Mr. Taylor the Pasteur treatment on Tuesday.

CAR RAMS BUS

Borrowed Car Comes to Unlucky When Driver Loses Control

Last Friday night Leon Bagens and Charles Emmenecker borrowed William Parker's car to deliver some fruit to a sick friend. Near the corner of 10th and 11th streets, River-ton, Bagens lost control of the car and it rammed a Worth bus. The car was badly damaged about the front, and considerable damage was done to the bus.

After the accident the men who had borrowed the car were arrested by Director of Public Safety Williams.

Bagens and Emmenecker were re-lieved in the custody of Charles Rittner, manager of the Worth Bus Line.

Justice of the Peace Coddington fined Bagens \$10.00 and costs on the charge of reckless driving.

New Officers for Pal-Riv. Rotary

Horace Finney To Succeed Dr. Mills as Club's Pres-ident

Approaching the beginning of their new year which starts May 1st, the Palmyra and River-ton Rotary Club held its annual election of directors last Thursday evening.

The following directors for 1927-28 were elected: Horace Finney, William Albertson, Joseph S. Low, Ross E. Mattis, Fred W. Seeler and El. Thom.

The new Directors then retired and elected officers for the new year as follows: President, H. Horace Finney; Vice-President, William Albertson; Secretary, Fred W. Seeler; Treasurer, Ross E. Mattis; Harry B. Williams was re-appointed Representative at Large.

A communication in the nature of an invitation was read by Pres-ident Charles S. Mills, asking ex-ecution from the Rotary Club in furtherance of the work of the newly organized Walter Ballinger Club. The club unanimously passed a motion expressing their desire to become a unit of the Association and pledging their hearty support.

President Mills in speaking from the chair, paid a glowing tribute to the late Rev. J. B. Whitton who passed away at his home last Tues-day. While Dr. Whitton was not a Rotarian, his character, his aims and ambitions during his life were in close accord with the principles of Rotary and it was the desire of President Mills that the Club go on record as acknowledging such a wonderful personality and character in our community.

Dr. Ross Elliott, Past President of Laurel, Delaware, Club journeyed from his home town just to address the local Club on the "Talking Knowledge" subject.

The principles of Rotary are the deepest and more far reaching than the average Service Club and Dr. Elliott in a very concise, entertain-ing and clear manner gave the members of the Palmyra and River-ton Club an excellent lesson in ap-plied Rotary. Following the ad-dress, Harold B. "Boots" Lever en-tertained in behalf of the Follow-ship Committee and presented the chairmanship of George D. (Pat) Sleedie.

Motion pictures of the Penn. Re-lays in which some of our local High School athletes took part were shown, together with a series of pictures of the Penn-Cornell foot-ball game.

The Club again enjoyed a 100% attendance and a 95.5% average at-tendance for the month of March.

AMBULANCE NEWS

The Palmyra Ambulance Associa-tion held its regular monthly meet-ing on Friday evening last, with Vice-President Harry J. Bear presiding in the absence of President George N. Wimer.

The names for April are: Mrs. Joseph L. Black, Mrs. Rachel Lord and Mrs. Edward Fox. The Am-bulance Committee is composed of Mrs. William Moore and Mrs. James T. Weart.

Arrangements have been made for a month-end cake sale and tag day for the afternoon of Saturday, May 7th. The entire list of names will serve as a cake sale committee headed by Mrs. Hooper and the drivers will be a tag sale com-mittee headed by Mr. Beck.

LEGIONNAIRES!

Don't forget the American Legation in Paris. The application for passport money order in sum of \$50 must be filed with each application.

The Legion has secured the best berths possible on the steamships. For the rates of these berths Mr. Lever has a table of prices.

If you intend to make this trip get your applications in now, the sooner the better. Lever has re-ceived a few applications already. Going to Paris?

YW CAMPAIGN

SUCCESSFUL

Many New Members Are Re-ported in County Wide Drive

RESULT IS DUE TO WIDESPREAD PUBLICITY

Never before in the history of the Burlington County YWCA has there been such enthusiasm and active interest in the annual mem-bership drive. Mrs. Edwin Russell of Moorestown reports 85 new mem-bers up to date with other sections to report yet. Mrs. Walter Reeder has doubled the membership in Columbus. River-ton, Burlington and Mount Holly report excellent progress in the drive. It looks as if the goal of three thousand mem-bers will be reached when the drive is completed over the county.

Letters have been received at the county office from some of the smaller communities where there is no active club work asking "What shall I do to become a member of the Burlington County YWCA?"

The above report is most gratify-ing to the Board of Directors who have given so much of their time and thought to the Association work in the county.

Splendid Publicity

The Publicity Committee has put out a most attractive and educational piece of publicity for the drive. The picture shows the county office membership of 2434. This program consists of educational activities, service work, recreation, music, for- eign work, employment, cafeteria and cooperative projects. Beneath this picture stands many men and women who are holding up this program through their financial sup-port. One group is not interested; they are killing some one else hold up their end. Reader, where do you belong?

The National YWCA headquarters in New York considered this pub-licity so valuable that Burlington County has been asked to send copies for every county Association in the United States.

The Camp Committee is working on the camp folder for Camp Ok-ahunko for girls, August 6-10. The following girls will be ready for distribution in a short while. The girls of Burlington County are quite enthusiastic over the plans for summer camps and the chances are that more than 1000 girls will register this summer.

Miss Elizabeth Bick, state secre-tary, was in the county last week working on camp plans. The Burlington Senior Club will meet at the club house for supper at 8.30, April 13th. Mrs. Lester Collins of Moorestown will be the speaker.

True Blue Club

The True Blue Club of Girl Re-servers at Bridgeton have been the honor of being asked to take charge of the assembly period every day this week. The program planned for these days promises to be of real educational value.

Members, advisors, and spirit are the four principles of Girl Reserve program buildings, and one morning will be devoted to each of these. "Wholesome Food," a health play-let will be presented, a program on trees for Arbor Day will take place on Wednesday; Thursday will be used as World Fellowship day and on Friday the girls will present a ceremonial to show the spirit for which Girl Reserve drive.

The Swastika Club and Colored Grade School Club of River-ton have a recognition ceremonial on Friday evening, April 1st. A program of music and recitations preceded the ceremonial. Miss Helen Sumner was the guest of the club and made an interesting talk to the girls. Both of these clubs are new this year, but have been very worthwhile. Much of their success is attributed to the leadership of Mrs. Victoria Johnson, and Mrs. Elsie Young.

CAMP 23

One of the most enthusiastic meet-ings ever held by Camp 23, P. O. B. A., Palmyra, took place last Monday evening. The occasion for the enthusiasm was the interest being taken by the members in the drive for new mem-bers for the Producers' Banquet to be held April 22nd. Mrs. Victoria Johnson, and Mrs. Elsie Young.

RADIO INCREASES MILK

All the farmers who care anything about the quantity of milk they get from their cows will now have to install radio outfits in their cow barns, be-cause Gilbert Stewart, who works for Walter L. Reeder, near Columbus, and watches the milk production carefully, claims that since he put a radio where the cows can hear the jazz music during milking per-iods there has been an increase of forty quarts daily from the sixty Reeder cows.

Stewart works on the ad-vanced science theory. He de-cided for himself that if electric lights would make chickens lay eggs why wouldn't music make cows give more milk. He will not admit that with the aid of the music in the barn the men are inspired to do the milking a little better, but declares that it is all due to the soothing effect of the mu-sic, or maybe the stirring effect upon the Bosse family. Stew-art thoroughly believes in the old story about music having charms to soothe, etc.

On Thursday, April 14th, the Riv-erton fire ladders will hold another one of those good old card parties. Men come out and bring your old pipe along and have a good time.

The boys would like to thank the people for their hearty co-operation at this time, and inform them just what has been done so far. We have a balance in bank of \$110.00. The card party netted \$120.00, and the moving picture shows \$170.00. There have been two donations of \$10.00 each turned in so far.

We hope to have enough money by May 1st to order the uniforms, so the boys will have them for De-coration Day. We are asking you to come out to the little affairs the boys are having and not only enjoy yourself but help a good cause.

Don't forget the card party, Thursday April 14th.

Everyone welcome.

COMMITTEE

Hearing on Shade Tree Commission

Board of Freeholders Will Con-sider County Body This Friday

The creation of the County Shade Tree Commission which, under the State Shade Tree Laws of 1924, will have full jurisdiction over all trees on the rights of way of the county roads and the State highways pass-ing through Burlington county will be officially considered by the Bur-lington County Board of Freeholders at their next regular meeting on Friday, April 8.

The Board of Freeholders, under authority given them by the New Jersey Shade Tree Laws, has the honor to appoint a County Shade Tree Commission consisting of three residents of the county. The mem-bers of this commission serve with-out compensation for terms of three years; a new member being appoint-ed each year.

According to reports from the State Forester's office of the New Jersey Department of Conservation and Development, the results pro-duced by the Shade Tree Commis-sions functioning in various coun-ties throughout the state have been highly gratifying. Bare, windworn, unshaded stretches of highway, which were once monotonous and un-attractive, have been transformed into beautiful spots. The property along the roads that has been planted with shade trees has greatly increased in value. Desirable people have been attracted to the shaded roads, and many beautiful dwellings have sprung up on spots that otherwise may have been bare, unattractive stretches of land.

The County Shade Tree Commis-sion will in no way conflict with the municipal commission now in exis-tence, but will have jurisdiction over county and state roads located out-side of city and town boundaries.

ONLY ONE HURT IN AUTO CRASH

Three Cars Collide at Broad and Vine Streets at Seven A. M.

About seven o'clock Wednesday morning three cars came together at Broad and Vine streets, Palmyra. Thomas W. Snyder, a 1924 Buick, was driving on Broad street, Camden, and was taken to a hospital in Camden. The other two drivers were not injured.

Snyder was driving a Fleisch-man's Yeast delivery truck toward River-ton. Salvage Balthore, 416 W. Fifth street, Palmyra, was turning from Vine street down towards Camden onto Broad in a Chevrolet and Patrick Timmer, 23 Monroe street, Newark, was travelling down Broad street in a Cadillac.

Pintossi's car bumped the rear fender of Balthore's car and swerved over in front of the Yeast cake truck.

The Fleischman truck was shat-tered in the front, while the Cadil-lac was damaged on the side, but the Chevrolet only suffered a bent fender.

CANDIDATES

Plenty Aspirants to Chester Town-ship Committee Meet

The Maple Shade political situa-tion is attracting attention far in advance of the June primaries. The contest on the Chester Township Com-mittee is to be filled at the fall election and it is expected that several aspiring candidates will be making announcements in the near future.

The term to expire this year is that of Charles Meyers and it has been rumored that he will not be a candidate for re-election.

John Warren, recently elected fire commissioner, has admitted that he intends to run for committeeman and backers of several other can-didates state that their hopefuls will announce in due time.

Farren has many friends in Maple Shade and was evidence in the recent fire commissioners elec-tion when there were but twelve votes cast against him.

PAIMYRA P. T. A.

On Saturday evening, May 7th, a Come Moving Picture and Vaude-ville show will be held in the Palmyra High School Auditorium un-der the auspices of the P. T. A. and Teacher Association. Tickets, Ad-ults 50c, children 25c. Don't miss it!

A divorce court judge remarks that men should learn to handle their wives with gloves. Alright, Judge. We never had on a pair of boxing gloves in our life—but here goes.

COUNCILMAN "BILL" LYNCH AND Ex-FREEHOLDER ROGERS GUILTY

FIREMEN'S CARD PARTY, APRIL 14

On Thursday, April 14th, the Riv-erton fire ladders will hold another one of those good old card parties. Men come out and bring your old pipe along and have a good time.

The boys would like to thank the people for their hearty co-operation at this time, and inform them just what has been done so far. We have a balance in bank of \$110.00. The card party netted \$120.00, and the moving picture shows \$170.00. There have been two donations of \$10.00 each turned in so far.

We hope to have enough money by May 1st to order the uniforms, so the boys will have them for De-coration Day. We are asking you to come out to the little affairs the boys are having and not only enjoy yourself but help a good cause.

Don't forget the card party, Thursday April 14th.

Everyone welcome.

COMMITTEE

Court of Honor Held in Palmyra

Scouts of Local and Nearby Troops

On Wednesday evening, March 30th, at the First Lutheran Church of Palmyra and River-ton, the Sec-ond and Court of Honor for the year 1927 was held with the County Court of Honor Chairman, Richard E. Wilson presiding.

A goodly number of the parents of the Scouts were in attendance and were much impressed with the ceremonies. Many of the parents stated they had no idea of the enjoyment to be obtained from at-tending this affair and felt sur-prised more parents would attend the next Court of Honor.

Awards of Merit Badges were given to 11 boys of Troop 2 Palmyra, 4 scouts of Troop 1 Palmyra, 2 scouts of Moorestown Troop 3, 1 of Moorestown Troop 2, 1 of River-side Troop 1, 3 of Maple Shade Troop 1, 2 of Burlington Troop 1, and 1 of Burlington Troop 2.

The outstanding individual awards were to:

Scout Walter Price, Palmyra Troop 2.

Scout Thomas Price, Palmyra Troop 2.

Scout Robert Patterson, Palmyra Troop 2.

Scout Vernon Adams, Palmyra Troop 2.

Scout James Davidson, Palmyra Troop 2.

Scout Leon Wilson, Palmyra Troop 2.

The awards were made by the Chairman, Mr. Wilson, James David-son, member of Palmyra Local Board, C. W. Davidson, and O. W. Snyder, members of the County Executive Committee. Each of the gentlemen made appropriate re-marks and pointed out principally to the parents that the Merit Badges were well earned and the knowledge needed by the Scouts to obtain the Merit Badges would stand them in good stead in many ways during the years to come.

When it is remembered that Merit Badges are given only for achieve-ments in certain studies and their only after a test it will be seen that to win a Merit Badge means work on the part of the Scout. It is also interesting to note that among the twenty-two classifications for which the Merit Badges may be obtained the following useful and interesting sub-jects were represented in the awards made:

First Aid to Humans, Electricity, Swimming,

Fathers' Night at P. T. Association

Riverton Parents Inspect School Work and Modern Methods

The entertainment for Fathers' night at the Riverton school last Thursday evening under the auspices of the Riverton Parent-Teacher Association, opened with a "Beethoven" radio program broadcast over an Orthophonic Victrola, announced by Wesley Hemphill.

This was followed by a short address by Miss Chew in which she spoke of the present-day methods of teaching. In referring to plans for providing more room in the school building Miss Chew said that the future would be considered in the planning, and that whatever was finally decided upon, the best interests of the children will have the first consideration.

Tag days had never been popular in Riverton, said Miss Chew, but next week the Riverton school would distribute tags to the children to be taken home, and parents would contribute whatever sum they saw fit. The proceeds will help finance two girls in State Normal schools training for teachers. This plan has been in vogue in other parts of the county for several years. Miss Chew closed her remarks with an invitation to parents and others interested to visit the school any time—any day, any hour.

An illustrated lesson in geography was shown by means of lantern slides, demonstrating how geography is now taught in the schools. Harry C. White, Supervisor of Industrial Relations of the General Electric Company, gave his popular lecture on electrical development, illustrated with apparatus with which he performed some striking and interesting experiments. His talk was interwoven with advice to teachers, mothers and dads, and he expressed a regret that it was not found possible to have the children at the meeting. He promised to come back later just to talk to the boys and girls.

C. P. Mayfield was master of ceremonies and made a strong plea for increased membership in the PTA. Prior to the program there was an exhibition of school work in the various rooms.

The Government now has 4,000,000 gallons of whiskey in storage. Which announcement may speed up enlistments in the Tank service.

MISS SIPLE STARS

Palmyra High School Mermald Leads in Second "Y" Meet

Miss Grace Siple won the "Y" aquatic honors in the second of a series of all-around championship swim meets in the Camden YMCA pool last week. However, Miss Ethel Brown, of Haddonfield, holds a slight lead in the series of title meets in points scored.

Miss Siple proved to be the individual star. The brilliant Palmyra High School all-around athlete registered 14 points, which included a pair of first places. Miss Sara Appell, diminutive Clementon lass and South Jersey "Y" spring board titleholder, finished second in scoring with nine points while Miss Brown was third with eight markers.

While Miss Siple annexed premier honors last Wednesday with comparative ease, she ranks two points behind Miss Brown in the point scoring for the senior title to date.

Exhibiting sensational speed, Miss Siple romped to first place in the 20-yard back-stroke race. She also captured the honors for distance with a mark of 40 feet, 9 inches. Miss Siple was also entered in two other events, placing second in the 40-yard free-style race and third in the 50-yard breast-stroke.

AUTOMOBILE OVERTURNS

John Balkowski, of 117 Huelling avenue, Riverside turned his car completely over on its top while driving on the Burlington Pike, between Cinnaminson and Bridgeboro, Monday afternoon. Mr. Balkowski was driving a Dodge sedan purchased from C. Ridgley Sweeney. He was accompanied by his wife and daughter, who were cut by flying glass, as four windows were broken. They were taken to the Cooper hospital.

Mr. Balkowski phoned to Sweeney and the service car was sent out. The damaged Dodge was brought into the repair shop where two new fenders and the necessary glass was put in.

CARD OF THANKS

We wish to express our sincere thanks to all kind friends, who loaned cars and assisted in any way at the time of our deep sorrow.

Mrs. J. B. Whitton and Family.

ENGAGEMENT ANNOUNCED

Mrs. Ada Schmierer has announced the engagement of her daughter, Elsie, to Mr. Raymond Schmidt of Philadelphia.

MAYOR WEART NOT TO BE CANDIDATE

Palmyra's Chief Executive Wishes to Retire from Office

Mayor James T. Weart, first and to date the only Mayor Palmyra has ever had, announces that he will not be a candidate for re-election at the June primaries.

Mayor Weart has served with distinction for two terms, a total of six years, and in addition has been in one branch or another of public service in Palmyra for close onto thirty years. He has been closely identified with the fire company ever since he has lived in the town and served for many years as a member and as president of the Board of Education.

Mr. Weart says that while the role of Mayor is not always a happy one, as there are many cares and aggravations attached to the office, nevertheless his life as a public servant has given him much that is pleasing and gratifying and it is not without regret that he will relinquish his official duties.

He feels, however, that he has had the office long enough and that some other man should be given an opportunity to serve the borough as its head.

G. S. MOTHERS' AUXILIARY

The Girl Scouts Mothers' Auxiliary held an interesting meeting on Monday evening in the Methodist Church. Dr. Bauer gave us a short talk on the First Aid lectures which start with the May meeting. Scoutmaster Fry was with us too and gave us a very earnest talk about the work with the Boy Scouts.

A pleasant social hour followed. It is hoped every mother of a girl or a boy scout in Palmyra will take advantage of these meetings and come and be one with us. The next meeting will be Monday evening, May 8.

Mark that date on your calendar.

PHS BASEBALL

Players Practicing Hard for Paulsboro Game

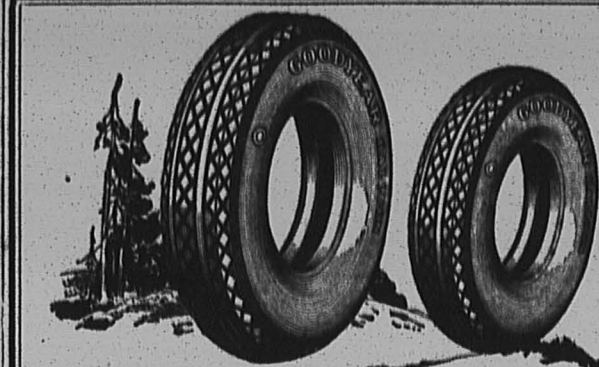

The baseball team at P. H. S. is practicing hard for its opening game next Tuesday, April 12, at the Field Club grounds with Paulsboro High School. Coach Kenneth C. Dimond is out in uniform himself during practice. Being right among the candidates he can very easily tell what each man is capable of doing and what the team's weak spots are.

The new idea of giving uniforms out last Monday and making the candidates strive to retain them, is working fine. Several candidates who did not receive uniforms Monday, worked hard during the latter part of the week and were given the suits of several players that lagged during practice.

Cliff West, the mainstay of the pitching staff, who was not allowed to practice because of scholastic difficulties last week, was up in his studies Monday of this week and was out in uniform. Captain Chas. Zell has not been allowed to join the squad as yet.

If candidates are not up in their lessons they will not be allowed to participate against Paulsboro next Tuesday.

Paulsboro has a strong combination this season and a great game is anticipated.

NEW CHURCH HAS ITS FIRST MISHAP

Two Hurt When Elevator Falls at Riverton Building

Last Monday morning the first accident occurred in the construction work at the Presbyterian Church, Riverton. Joe Diandis, of Williamstown, and Bill Feltz, of Riverton, were coming down in the elevator from the tower after taking a load of stone to the top of the tower when the chain in the snatch-box broke, letting the elevator car fall unretarded to the ground, a distance of about 35 feet.

Feltz was taken to his home as he was only bruised and shaken up. Diandis was taken to Dr. Voorhis for first aid. Dr. Voorhis advised that Joe be taken to the West Jersey Hospital. Clayton Welkman drove the ambulance to the Camden institution with the injured man.

Joe said his back and right leg hurt and after a thorough examination the house physician ordered X-rays taken.

WARTER MUSIC AT CHRIST CHURCH

At eight o'clock Sunday evening, April 10, which is Palm Sunday, the full choir of Christ Church, Riverton, under the direction of the organist and choirmaster, Mrs. Ruth

Petersen Bell, will render the Lenten Cantata. The Crucifixion by Sir John Stainer. This is probably the greatest of all the cantatas which

have been written on this tremendous theme. The soloists will be S. J. Etris, tenor and Leroy VanAlstyne, baritone.

ANNOUNCEMENT

TO THE VOTERS OF BURLINGTON CO.:

I hereby announce my candidacy for re-election to the State Senate. Burlington County is a big, fine, progressive county with high standards of citizenship. In representing the county I have always acted upon that belief. I shall conduct a clean, honest and vigorous campaign, and, if re-elected, will continue to make every effort to justify your confidence.

American Lawn Fence

AMERICAN LAWN FENCE is made of Steel Wire Pickets all No 9 1/2 wire, firmly bound together with lateral cables made up of two strands of No. 13 tough steel wire—all thoroughly galvanized to be proof against weather conditions.

This fence is of the greatest durability and strength, and holds its shape admirably when stretched taut and firmly fastened as all fences should be.

THE AMERICAN LAWN FENCE belongs to the class of woven wire fences where grace of fabric is linked with usefulness, strength and lasting qualities. As such, it is largely used around lawns, for the fencing of front yards, for flower beds and for division fences between residences.

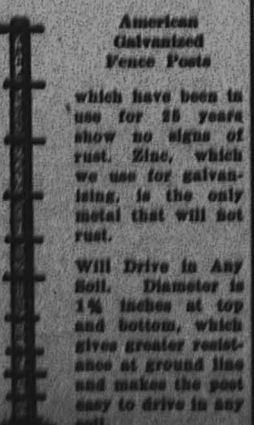

It is furnished in two styles: Single Loop Design, with pickets 3 inches apart, and the Double Loop Pattern, with pickets spaced 3 inches apart at the top, and 1 1/2 inches apart at the bottom.

This Fence is "NON-CLIMBABLE"

Add to the value and appearance of your property and at the same time protect your garden, lawn and flowers from stray dogs, cats and poultry.

J. S. COLLINS & SON, Inc.

Riverton, Moorestown, Riverside, Maple Shade, Merchantville

American Galvanized Fence Posts

which have been in use for 25 years show no signs of rust. Zinc, which we use for galvanizing, is the only metal that will not rust.

Will Drive in Any Soil. Diameter is 1 1/2 inches at top and bottom, which gives greater resistance at ground line and makes the post easy to drive in any soil.

Banner Steel Fence Posts

Banner Posts are made from a rolled section that represents an entirely new principle in post construction. Built like a railroad rail, it offers greater strength in all directions than it is possible to secure in any other section of equal weight.

PROTECTION

A bank account is both a convenience and a protection.

Have you ever had a dispute with any one over the payment of a bill?

On numerous occasions we have had persons come to the bank and ask for their cancelled checks in order to prove certain payments.

A paid check with the endorsement of the payee is indisputable evidence in such a case.

Open a bank account and pay by check.

TRENTON and ROEBLING, N. J.

1926 Victor Profits Near 1916 Mark

Past Year's Earnings Second Greatest in History of Company

Greatest net profits for 10 years and total net sales exceeded only twice in the industry's history, were registered by the Victor Talking Machine Company in 1926.

Sales of the company's products totalling \$46,692,103.73 and net profits of \$7,983,004.01 are shown for the year. Only in 1916 have the profits exceeded the 1926 figure and only twice, during 1920 and 1921, have the annual sales been greater.

The facts and figures, reflecting the company's financial position, were made public last week in the twenty-fifth annual report of the board of directors. This report, sent out to stockholders is signed by the company's new president, Edward E. Rinehart, who succeeded R. H. Johnson, when the latter retired recently and sold his controlling interest in the great Camden industry.

Stock Value About \$87

The consolidated balance sheet of the company, which accompanies Rinehart's letter, discloses that book value of the Victor common stock issued in the recent recapitalization, is in the neighborhood of \$87. The 571,086.45 shares of the common stock are listed at \$15.842-365 while the net assets are \$4,151,852.78 prior to the dividend declared by the directors on January 6.

Assets of the company are given as \$59,398,615.43. This figure is exclusive of patent rights and the company's library of record matrices, both priceless and each listed at a nominal value of a dollar on the balance sheet. Were a conservative estimate of \$10,000,000 to be placed upon these two items, \$20 in value would be added to each share of common stock.

Response of Public
In presenting the report to the stockholders Rinehart states that "the stronger evidence of the remarkable response of the trade and the public to your company's new and vastly improved products could be presented than the results for the year as set forth in the consolidated statement of profit and loss."

In 1916, the single year which equaled or exceeded the profit record of the company for 1926, net profits aggregated \$8,670,250.09. The two years which showed a greater net sales total than 1926 were 1920, with a record of \$51,735,293.70, and 1921, with \$50,570,377.28.

The strong financial position of the company at the end of the year is reflected in total current assets of \$30,571,909.51, including \$10,024,039.19 of cash and marketable securities, as against current liabilities of \$4,467,786.19, or a ratio of 6.84 to 1.

Capital Stock, Surplus
In addition to the regular capital stock and surplus accounts as of December 31, 1926, there is included in the balance sheet the capital stock and surplus after giving effect to the plan of recapitalization of the company, approved by the stockholders January 17, 1927.

This recapitalization followed the sale by Johnson, former president and founder of the company, of his majority holdings in the company, and resulted in distribution of the stock among a considerably increased number of stockholders throughout the country.

NO WONDER!!

It is not surprising that Pennsylvania automobile owners are kicking over the move to levy a gasoline tax in New Jersey.

Because of the gasoline tax in Pennsylvania quite a number of people of that state have been buying their gas in New Jersey, thus dodging the home issue.

Incidentally comes the thought that in view of the way in which Pennsylvanians use the Jersey roads at practically no cost they shouldn't object to parting with the few cents they will pay in gasoline tax.—Exchange.

22,000,000 AUTOS
Jersey, With 651,415, Ranks Tenth Among States

More than 22,000,000 motor vehicles were registered in the United States during 1926, and nearly 3 per cent. of the total were from New Jersey, according to figures made public by the bureau of public roads of the Department of Agriculture.

The year's registration figures for the country represent an increase of 10.3 per cent., or slightly more than 2,000,000 over 1925.

New Jersey's total registration in 1926 was 651,415 cars, placing her tenth among the 48 states in the country. Receipts from registration were \$11,875,529, seventh largest of the states.

Pennsylvania had 1,455,184 cars and registration receipts of \$24,045,349.

Florida, with an increase of 40.2 per cent., not including non-resident registrations, shows a greater gain than any other state. Oklahoma, with a gain of 17.8 per cent., and second only to Florida in respect to the amount of increase, was followed closely by Alabama, Idaho, Louisiana, Mississippi and Utah, all of which have increased over 15 per cent.

Of the total number of vehicles registered, 19,237,171 were passenger automobiles, taxis and buses and 2,704,222 were motor trucks and road tractors. The increase in motor trucks and road tractors amounted to 13.2 per cent., which is somewhat greater than the increase for all classes of motor vehicles, indicating a continuation of the development of commodity transportation by highway.

Receipts from registration fees, licenses, and so forth, amounted to \$28,323,551 as compared with \$260,519,691 in 1925. Of the gross receipts \$190,496,060 was available for highway construction under the supervision of the State Highway departments. \$61,702,184 was allotted to counties for expenditures on local roads and \$28,274,139 was used to finance highway bond issues. The remainder was used for payment of collection costs and miscellaneous purposes.

Easter Flowers at Pennel Coopers, 735 Cinnaminson Avenue, Palmyra.

County History of 25 Years Ago

Items of Interest Published in Mount Holly Mirror April 2, 1902

A few shad are being caught by Delaware River fishermen.

A fine rock fish, weighing over 30 pounds, was exhibited in Mount Holly on Saturday by Thomas Logan Gaskill. It was caught in a net off Seaside Park.

Riggs' Hall, the roller skating rink at Burlington, was destroyed by fire of unknown origin yesterday.

Clifford Stanley Sims, Jr., formerly of Mount Holly, has been appointed general superintendent of the Baltimore and Ohio Railroad, with headquarters at New York.

St. Andrew's Elects
Wardens and vestrymen of St. Andrew's Church, Mount Holly, were elected on Monday afternoon, as follows: Wardens, Charles Ewan Merrill and Edward Willis. Vestrymen B. F. Haywood Shreve, Dr. R. C. Barrington, William B. Abbey, George Rendell, George A. Lippincott, Charles A. Sims, William A. Slaughter, Clarence H. Polhemus.

The heavy southeast gale on Saturday drove the barkentine Antilla, 500 tons, Captain Read, ashore off Beach Haven on Saturday morning. Members of the crew were rescued by coast life savers, using the breeches buoy. The rescue was made in a very efficient and speedy manner. Edward D. Stokes of Mount Holly, who was spending the week-end at Peshala, witnessed the rescue.

April 9, 1902
Mrs. Mary L. F. Haines, of Delanco, was acquitted on Thursday by the jury which heard the evidence against her in the charge of murdering her step-daughter, Gwendolyn. The case was of intense interest to the public. The court room was crowded daily. Much publicity of the case was given in the Metropolitan newspapers and reports are that during the trial receipts at the Western Union telegraph office in Mount Holly amounted to about \$200 a day for telegrams sent to newspapers. Mrs. Haines was defended by Eckard P. Budd. The trial is said to have cost the county about \$6,000.

Spring Lamb 87
Freeholder John E. Darnall received \$7 apiece for his first load of spring lambs, marketed in Philadelphia last week.

In addition to the usual business, a photograph concert will afford amusement for members of the New Jersey Lodge No. 1, Knights of Pythias of Mount Holly, on Friday night.

Bids for renovating and improving the fountain at the foot of Main street, Mount Holly, have been asked by the township committee.

The Burlington County Baseball League has been re-organized. A. S. Bullock, of Florence has been chosen president, and William Margerson, of Delanco, secretary.

The Burlington County Traction Company has acquired the old foundry property along the banks of the creek, below Hainesport, for the purpose of converting it into a power house.

The company recently organized in Burlington, has filed articles of incorporation in the county clerk's office, under the name of the Aud-

itorium Company. The authorized capital is \$125,000.

The wedding of Mrs. Charlotte Harding Brown, of Mount Holly, and Samuel F. Houston, of Chestnut Hill, Pa., took place at the home of Rev. Dr. Angus Crawford, near Alexandria, Va., yesterday. Dr. Crawford assisted Rt. Rev. Lucien Lee Kinolving in performing the ceremony. Mr. and Mrs. Houston will reside at Chestnut Hill.

Postmaster Cowperthwait reports that during the year ending March 31, 1,600,000 pieces of mail were handled in the Mount Holly post-office.

Sales of stamps, stamped envelopes, postal cards and stamped newspaper wrappers amounted to \$18,956.04. Incoming and outgoing money orders totaled \$36,937.87.

Joseph T. Sullivan, of Moorestown, has been elected on of Seaside Park's councilmen.

The Middle West fights the corn borer with a machine that squirts blazing oil over the fields. Huge stubble pulverizers will help the work. Blazing oil will dispose of corn borers, and of part of our surplus oil at the same time.

SUN AND ICE USED INSTEAD OF JACKS

Ingenious Plan Solves Engineering Difficulty at St. Petersburg

Sunshine and ice were utilized by engineers in lowering a 16-ton concrete slab which forms the floor of a bandstand on the Municipal Pier at St. Petersburg, Fla.

As a roof for the pier neared completion, it was observed that the bandstand floor was so high above the floor level that a sounding board could not be fitted under the roof. Engineers had to lower the concrete 18 inches. Screw jacks could not be used, as they could not have been removed after the concrete was in place. The concrete was jacked a few inches more than two feet from the floor and thirty-two 60-pound cakes of ice were fitted under it as supports. The jacks were removed, and while sunshine through the uncompleted roof melted the ice the engineers took away the 2-foot supports and substituted 6-inch blocks.

Judging from the headlines and "manages" on the first page of the average big city newspaper it is no longer difficult to "break into the news." Instead one must watch his step to keep from being dragged in.

Don't say "If we had saved--" SAVE NOW!

Failures console themselves with the excuse of "If." When the time comes that you want to buy a home, an automobile, send the children to college or take a long trip you don't want to say, "We could do it, IF."

SAVE! SAVE REGULARLY! Save toward a definite goal. And when the time comes for you to carry out what you planned to do, YOU'LL DO IT.

THE POLITICAL OUTLOOK, LOCALLY

In another column Councilman G. Rex Showell announces that he will not be a candidate for re-election.

J. S. Bartley, who has served several years as a member of council and who has been a very excellent chairman of the finance committee, will probably succeed himself, and Capt. Harry Brunt is spoken of to take Mr. Showell's place. The captain is in a receptive mood.

The term of Herbert Evans, collector and treasurer, also expires this year. Mr. Evans has been particularly efficient in this office. A study of the borough audit, published in this issue, shows how successful he has been in collecting delinquent taxes which had been accumulating for years. It is to be hoped that Mr. Evans will see his way clear to continue to serve the borough as collector and treasurer.

Mayor Hemphill declines to say at this time whether or not he will be a candidate to succeed himself.

WILL MAKE U. S. LEARN.
WE'RE GETTING MORAL.
BUYING FORGIVENESS.
CHINA'S AWAKENING.

For one thing we should be grateful. Our cousins in Europe will learn to fly, whether we want to learn or not. The British expect to send to New York next fall an airship with room for 100 passengers. That will be one good lesson.

The French Academy of Sciences, a most serious body, says that Margouille, a French engineer, has perfected a helicopter, flying machine. Such a machine, enabling you to fly and rise directly from the ground, would give the inventor wealth unlimited and would be the best invention since the start of the Wright Brothers. With a helicopter in good order you could start from the roof of your apartment house or office building, go where you like, and land on any other roof or office building.

The jazz period in dances and in morals is passing in Christendom and pagan lands. Turkey is suppressing immoral dances; Japan is dealing seriously with the social evil; "all governments," says a report, "are occupying themselves with the task of checking immorality."

That is gratifying, important news, and then more important is news that tells of the discovery by British scientists of a new vitamin, 1,000 times more powerful than any known hitherto. It will cure rickets, and, most interesting, it seems to have the effect of ultra-violet light.

The new health food is called "chlosterol" and contains what is practically the pure vitamin D, a substance called ergosterol. It can be made cheaply, and an ounce of it would be enough to keep you healthy from birth to death.

Health news and educational news are the really important kinds of news. "Give LIGHT and the people will find their own way," as Dante said. Give HEALTH and they will have energy to work well.

Morals change and return to normal with time. Health and knowledge are what count.

Some General Electric genius has invented a searchlight gun that will write on clouds, buildings, banks of smoke five miles away. This opens up a marvelous advertising field. But the Government should protect it, and the heavens should continue to declare the glory of God, and the firmament to show forth His handiwork. They should not be used to declare the glory of suspenders, tooth paste or automobiles.

An old man in Illinois sends one dollar to a woman in Indiana, saying, "I stole half a watermelon from your father sixty years ago, when I was thirteen. I am on my way to heaven and do not want that melon standing in my way. Here is the money; forgive and forget."

The question is, can you buy forgiveness from heaven at the last minute, when "on your way"? A Mohammedan writes that his co-religionists do not pray for heaven. They say in their prayers to Allah, "We pray to you because we know you are great and good, deserving praise. We ask nothing in return." That seems more dignified than everlasting begging, and more tactful.

General Mah, formerly in the

EPWORTH METHODIST EPISCOPAL CHURCH

Rev. J. William Lee, Minister

Palm Sunday will be impressively observed in all the departments of the Church. The Church School will have a program of inspiration and uplift. Session begins at 10 a. m. Miss Amy Milton will sing a solo, "The Palms," at the session of Sunday School Sunday morning.

A fine musical program will be presented at Church Service 11:15 a. m. with the following numbers: Organ prelude, "The Palms," by Toure; Processional "The King of Love My Shepherd Is;" Offertory, "Follow the Glean"; Bryn Mawr College (Silver Bay Rise Song); Postlude "Festival March" by Stults. Sermon "Jerusalem Amazed."

The Epworth League devotional meeting will be held at 6:45 p. m. The evening Church service at 7:45 will also have a fine musical array. Organ Prelude Ave Marie, by Schubert; Processional "All Hail the Power of Jesus Name"; Song Service of Heart Songs, Tenor Solo, Selection from Olivet to Calvary, by A. L. Wilson. Anthem, "There is a Green Hill Far Away," sermon, topic "A Little Journey to the Palace of Herod, or the Power of a Gully Conscience."

Services will be held every night (except Saturday night) during Holy Week, April 11 to 15, at eight o'clock, in the Church auditorium. These services will be evangelistic in character, the general theme will be "Soul Culture." Come, brighten up your heart and your faith. Spiritual singing will be a feature. Everybody is invited. Lay aside your other pleasures and burdens, and meditate upon the things which are true and eternal. "Come with us and we will do these things." On Thursday night Holy Community will be administered.

Last Sunday night 100 ladies, under the direction of The Friendship Circle, sang "The Old Rugged Cross." The large congregation was thrilled. Truly a wonderful service. Let every one during Holy Week think of the Christ who was "Bruised for our iniquities, and by whose stripes we are healed." He suffered and died for us.

EPISCOPAL

Christ Church, Parry Avenue
Rev. G. J. McCormack, M.A., L.Th.
Rector

"He saw the city and wept over it." He wept, for such is the force of the Greek words, as the city of Jerusalem burst on His sight.

The spot has been identified by modern travelers where a turn in the path brings into view the whole city. There stood before Him the City of ten thousand memories, with the morning sunlight blazing on the marble piazzas and gilded roofs of the Temple buildings; and as He gazed, all the pity within Him over-mastered His human spirit, and He broke into a passion of lamentation, at the sight of the city which it was late for Him to deliver—to save.

The Song of God in tears
The Angels wondering see:
Hast thou no wonder, O my soul?
He shed those tears for thee!

He wept that we might weep,
Might weep our sin and shame,
He wept to show His love for us,
And bid us love the same.

Then tender be our hearts,
Our eyes with sorrow dim,
Till every tear from every eye
Is wiped away by Him!

Let us enter this last week of the Lenten season with earnest desire to understand something of the marvelous love of Christ for us. So shall we be prepared to understand more the transcending wonder and joy of the immortal message of Easter.

The week will be marked by special services. On Wednesday night the Rev. R. E. Brentall, rector of St. Paul Church, Camden, will be the preacher.

On Good Friday there will be a short intercessory service at 9 o'clock and from 12 noon until 3 p. m. The three hour service, with meditation on the seven words from the Cross. At 8 p. m. the choir will render Maunders "Olivet to Calvary."

On Sunday afternoon at 3:45 there will be a special meeting of the Junior Woman's Auxiliary under the leadership of Mrs. C. E. Whitmer.

Formal notice is given of the Annual Vestry Meeting on Easter Monday.

Woman's Auxiliary on Monday afternoon at 2:30.

Monthly Vestry meeting on Monday evening at 8 o'clock.

Sunday School Teacher's Meeting on Tuesday at 8 o'clock.

Services on Palm Sunday 7:30 a. m. Holy Communion. 10:30 a. m. Morning Prayer. Blessing and distribution of Palms: Maunders "The Impenitent City." 2:30 Sunday School.

8 p. m. Evensong "Could Ye Not Watch One Hour?"

BAPTIST CHURCH

At the Palm Sunday morning service at 11:15 the triumphal entry of Jesus into Jerusalem will be commemorated in song and sermon. "The Kingly Jesus" will be the pastor's topic. Read Matt. 21: 1 to 9; Mark 11: 1 to 10; Luke 19: 28 to 38 in preparation for this service.

At this time there also will be dedication of children by their parents. "Suffer the little children to come unto me and forbid them not; for of such is the Kingdom of God." (Mark 10:14). Teachers of the primary department will be glad to care for the children in the basement before and after this service.

Miss Myrtle Pitts will be the leader at the B. Y. P. U. meeting in the basement at 7 o'clock.

The regular Palm Sunday evening service at 7:45 will be given over to a sacred cantata by the choir under the direction of Mrs. Powell. "The Story of Calvary," a composition of F. A. Schaeffer will be the offering.

Three evening services will be held during Passion Week. On Tuesday, Wednesday, subject, "Jesus in the Midst"; Thursday, Commemoration of the last supper; Friday, subject, "The Seven Words from the Cross."

Easter Sunday will be a full and

glorious day with Sunrise service at 8 a. m. Bible School at 10 a. m. Preaching service with Baptism and Reception of new members at 11:15 a. m. and the Bible school cantata, "The Victorious Christ," at 7:45 p. m.

Let us make Palm Sunday and Easter shining, banner days in the history of Central Baptist Church.

COMRADE GROUP YMCA

The colored Comrade Group Y. M. C. A. is progressing rapidly under the leadership of Howard H. Conwell. We held our third meeting March 30th, opened by prayer and singing of "Nearer My God to Thee." Our roll call and payment of dues followed, after which we received a new member, Charles Syers. We then finished up all the old business and proceeded with the new.

We had quite a discussion on the topic of baseball, also as to where should be our regular meeting place. We also made a law that a boy could not be allowed to let his dues go over two weeks. We then elected Charles Syers, captain, and John Meyers, manager, of our baseball team. This was followed by a Bible Hunt. The winner of the hunt each month resolves a prize at the end of the month. Josiah Conwell Jr., led the Hunt for the month of March.

Our meeting was then adjourned and the boys dismissed.

Josiah Conwell Jr., Secretary.

FIRST LUTHERAN

Rev. William M. Erhard, Pastor

The pastor has been notified that there is one important change to be made in the program as sent out to the members and friends of the congregation. The present "Voices of Spring" will not be rendered until Sunday evening, April 24, at seven o'clock. In lieu of this service we shall have the regular vespers worship with sermon.

The Confirmation Service will be conducted next Sunday morning at 11:15, at which time the pastor will preach to the confirmands on "What It Means to be a Christian" after which the confirmation will take place. The choir of our First Lutheran Church under the direction of Lee Milton will render J. H. Maunders "Jerusalem" and Raymond M. Gary, a former member of First Lutheran choir, a solo by Scott. "The Unbearable Suffering and Death for us."

During the period of Holy Week there will be vespers services with a series of four sermons "Four Steps to Calvary" by the pastor. The program for that week follows:

Monday, April 11. Theme of sermon, "Gethsemane."

Tuesday, April 12. Theme of sermon "The Judgment Hall."

Thursday, April 14. Theme of sermon, "V. Dolorosa."

Friday, April 15. Theme of sermon, "Calvary."

After the Friday evening sermon, a service of public confession will be conducted. All these services start at eight o'clock in the evening. We urge that every member make a special effort to attend all these services. It is not only an opportunity of worship, but a mark of respect which we may show to our Lord for his unbreakable suffering and death for us.

The regular mid-week service will be conducted this Thursday evening, with talk by the pastor on the theme "The Master's Consolation," the last of the studies in the "Upper Room Discourses."

All those to be confirmed will meet Friday evening at seven prompt for a few minutes instruction and explanation of the ritual.

RELECT P. S. DIRECTORS
All of the present directors of Public Service Corporation of New Jersey were re-elected at the annual meeting of stockholders held in the board room at the Terminal Building, Newark, April 4. Arthur W. Thompson was elected director of the non-operating companies, in place of Walton Clark, resigned.

ANNOUNCEMENT

G. Rex Showell desires to announce that he will not be a candidate for the Riverton Borough Council this year.

RIVERTON ITEMS

Mrs. Charles Bailey, Mrs. Loren H. Smith and Mrs. George Luce spent Sunday in Washington as the guests of Mr. and Mrs. Everett Spangler. Among the many places of interest which they visited were the Congressional Library, the Zoological Gardens, the Lincoln Memorial and the Memorial Church of the Holy Sepulchre, at Brookland, the Monastery of the Franciscan Monks.

Revolting Case • in County Court

Father of Three Girls Deserts;
Mother Unfit to Have
Them

An institutional case, in which the parties concerned were from Burlington, consumed two hours of Judge Slaughter's time on Thursday morning of last week. Mrs. Delilah E. Bendel or Christy, of that city, being charged under the Child Welfare act with failing to properly care for her three children, all girls ranging from two years to eleven.

It appeared from the evidence that the oldest girl was the daughter of a legal marriage and her name was Christy, while the younger girls were the children of Frank Bendel, who had lived with Mrs. Christy since 1915.

Mrs. Reba Troxell, county trustee and social worker; Rev. John Talbot Ward, rector of St. Mary's Episcopal church; Mrs. Anna Parsons, a teacher in the St. Mary's Parish School; Miss Margaret Haines, social worker; the principal of the Smith public school, in the Farnerville section of Burlington, and a former neighbor of Mrs. Christy's gave damaging testimony against the woman and her ability to properly care for the children, which revealed a condition of depravity that was startling.

Another "Star Boarder"—Frank Bendel, the father of the two younger children, who is a prisoner at the county jail, having been convicted of desertion, was one of the witnesses for the state, and after he had told his story it became apparent that there is a grave question as to whether he is not being held for a condition that he was not altogether responsible for. Bendel said the woman left him and was making a home for a "star boarder" named French, and while he had been arrested for drunkenness, he felt the latter was justifiable after the unlawful manner in which his common-law wife had treated him.

Prosecutor Hillman presented the case for the state and A. Thomas Atkinson, appointed by the Court, represented Mrs. Christy.

Mrs. Christy was the only witness for the defense and she insisted that she was the only one who was telling the truth and that the rector, social workers, teachers and others were all hypocrites and prevaricators.

Believes "Hypocrites" Testimony

The Court believed the testimony of the alleged hypocrites, however, and decided that Mrs. Christy was guilty of neglect of the children.

They will be taken away from the woman and no doubt turned over to the Board of Children's Guardians, as Bendel testified that he would gladly pay for their maintenance if they were given good homes.

Later, Mrs. Christy was placed under statutory charges and she

went to jail in default of a fine of \$50. Orphans' Court business consumed the remainder of the session.

The Grand and Petit Jurors for the April term will be drawn at the Court House on Wednesday afternoon, April 13.

Naturalization Court has been set down for April 27.

DRUNKEN DRIVER

George W. Harding, colored, who gave his residence as Moorestown, badly intoxicated and with no driver's license and a registration card containing a number that did not coincide with the engine number on the Ford car he was driving, was picked up by the police recently after he had collided with the curb and a telephone pole on West Washington street, Mount Holly.

At a hearing before Justice of the Peace Herbert, he was committed to the county jail for thirty days in default of the usual fine of \$200 and costs.

The police are of the opinion that the car was stolen and are making an investigation.

P. O. Clerk Retires

After having been a clerk in the Burlington postoffice for almost thirty-three years and served under the administration of five different postmasters, William C. D. Gaunt, of East Broad street, retired to private life yesterday morning at 10:30 o'clock. Mr. Gaunt is the first man to retire under the postoffice pension act of 1926.

TO PLAY AT HOLLY

Famous Eastern Colored League Schedule Includes County Seat

An agreement has been made between the R. & P. Athletic Association and the representatives of the Eastern Colored League to have Mount Holly as one of the towns in which the league baseball games will be played this season. The local association was represented at the conference by Edward P. Hullings and Allan S. Hatcher.

The season here will open on Saturday afternoon, April 30, when a scheduled game between two of the famous colored teams will take place on the R. & P. field. This will be followed by games every Saturday afternoon during May and thereafter there will be twilight contests on one or two evenings each week.

"This is good news for many lovers of baseball in this county as it guarantees games between teams that probably are the equal of some of the national leagues," declares a prominent county seat baseball fan.

The Eastern League includes the Cuban Stars, Bacharach Giants, Harrisburg Giants, Hilldale, Baltimore Black Sox and Brooklyn Royal Giants.

Was Too Speedy For Mount Holly

Haddonfield Woman Bewildered
Merchants in Check
Passing Game

Just a bit too speedy for Mount Holly was Miss Helen Hinchman, of Haddonfield, in playing the check game, and finding that they could not pace with her the merchants had her arrested. Miss Hinchman formerly was the proprietor of the Hinchman Coal company, Haddonfield. The arrest was made by Detective Arthur Carabine, and there was a hearing before recorder Joseph Kingdom.

Ball, which was fixed at one thousand dollars was posted by a brother-in-law, who promised also that he would make restitution of the amounts she got from various merchants in Mount Holly.

According to the police, most of the checks were passed last week. An investigation in under way to determine the total number of the checks and the sums. Complaint was made by Alexander Dubell, druggist, who charged that she had given him a check for \$65, drawn on the Haddonfield Safe Deposit and Trust Company, in the name of the "Hinchman Lumber Company" and signed by

Helen C. Hinchman, "treasurer." The check came back marked "no account" he declared. A warrant was issued for her arrest. An investigation, according to Detective Carabine, revealed that she had passed a similar check for \$25 on William C. Wetherill; one for \$149 on William A. Jones; one for \$88 on Mark Reynolds; and three on the J. S. Collins Company.

MORE BAD CHECKS

Parker After Colored Man Said to Be Operating Along Riverfront

County Detective Parker is putting all merchants of the county, especially managers of chain stores along the riverfront, on guard against being victimized by a colored man who is clever with worthless checks and is now at work in the Delaware River section of the county.

Last year about this time a colored man, presumed to be the same one, passed several worthless checks, mainly at chain stores, by buying goods, tendering checks and receiving change. In the cases of the chain stores the managers were the losers. A similar operation has been started, and one Beverly merchant reporting to Parker that he has been worked for \$25. Parker wants merchants of the county to

A Real Service for Riverton

New Filling Station at Broad and Main Sts.

Will Give Motorists Real Help

"A Filling Station is a Filling Station" as the New Era once said, but there are as many different kinds as there are companies which operate them.

Running a Filling Station the way we run ours has been an eye-opener to thousands of motorists all over this section.

Our employees—all Riverton men—must be truthful and courteous. They will give you all the help they can in every way. We pay them for that. You pay only for the gasoline, oil and grease you buy.

We shall attempt to measure up to Riverton's demands and ideals. We shall try to deserve your trust and your friendship.

MORAVIAN CHURCH

Albert J. Harke, B. D., Pastor

From the very beginning the Moravian church has made much of Passion Week and Easter in its services. The simple yet impressive reading of the records of the last week of the life of Christ, during Passion Week has been a unique feature in our church from the very beginning. Palm Sunday is observed especially as a day of reception of new members.

We draw your attention to the following services during Holy Week:

Palm Sunday, at 10:40 a. m. service the Pastor's theme will be "Our Answer to Our King." New members will be received by letter. A class of young people will be received into the congregation by Adult Baptism and Confirmation.

At 7:30 p. m. Reading of the Acts of Saturday and Sunday, followed by an illustrated sermon, "In Wanderings with the Twelve."

Passion Week reading services interspersed with appropriate sermons will be held on Monday, Tuesday and Wednesday evenings at 7:30. Celebration of the Holy Communion

on Maundy Thursday at 7:30 p. m. The Good Friday service at 2:30 p. m.

Easter Day Services: Early Liturgical service at break of day. Regular morning service at 10:40. Sunday School Easter program "He Lives to Reign" at 7:30 p. m.

Y. M. C. A.

Independence Pioneer Group

The Independence Pioneer group met in the Y building Monday evening. Fred Green was elected secretary, because Noel Thompson has moved away. We are all sorry to see him go. The meeting was adjourned and we played a hard-fought basketball game, won by the Pioneer's 24-14.

Thomas Price, Publicity Committee.

FRANK P. HUBBS

Frank P. Hubbs, 62 years old, died at his home in East Riverton, Friday of last week. Funeral services were held yesterday at two o'clock with the Rev. J. William Lee, officiating.

Mr. Hubbs, who was a member of Camp 23, P. O. S. of A., Palmyra, is survived by his widow, Mary.

CINNAMINSON FETE

The Cinnaminson Fete will be held at the Moorestown Field Club on Saturday, May 28th. The Horse Show and Gymkhana will be featured again this year. Cakes, candies, novelties and supper will be sold. Watch the local papers for further information.

PRESBYTERIAN

Calvary Presbyterian Church is holding its Sunday services in the Riverton public school building. Morning Worship at 11 o'clock. Sunday School: Main school at 10 in the morning and Primary divisions at 2:30 in the afternoon. There will be no evening service of worship.

The Christian Endeavor Society will meet next Sunday evening at 7:15 at the home of Mrs. Isabel Shill, 907 Morgan avenue, Palmyra.

The mid-week service on Wednesday evening, April 13, will be held at the home of Mrs. Paul E. Good, 407 Linden avenue. These mid-week services in the homes are proving very inspiring, and all members of the congregation are urged to attend.

The Golden Hour Circle will not hold its regular meeting on Good Friday, April 15.

The Church Session will meet on important business immediately at the close of the morning worship in the school building next Sunday morning, April 10.

The spring meeting of the Presbytery of Monmouth will be held in the First Presbyterian Church of Matawan, N. J. on Monday and Tuesday, April 11 and 12. An unusually instructive program and conference on Christian Education has been arranged for Monday afternoon and evening and members of Calvary Church congregation are urged to attend these sessions of Presbytery.

IS "CHEAP" HOUSE PAINT A LUXURY?

Thousands of people, it is said, each year paint their homes with "low price" house paint on the assumption that it is good enough and saves them money.

As a matter of fact, the only paint that is "good enough" for any house is the finest paint it is possible to make. One who knows would no sooner think of using inferior paint than of taking an inferior type of medicine because it was cheaper.

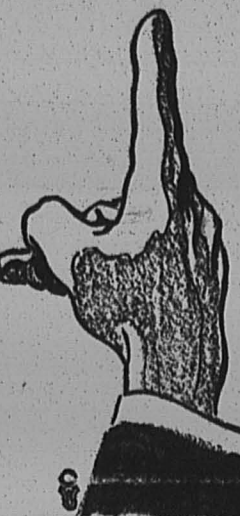

House paint must be pure to do its work. And any time it is cheapened its service is weakened and its cost is increased.

Many people look surprised when told that a fine quality house paint, like Sherwin-Williams' SWP, is the least expensive paint they can buy. They cannot reconcile the high price per gallon with economy. But it is a fact, as every wise paint buyer knows.

Yes—"cheap" paint is certainly a luxury. And if you want further proof of the fact, call at the store of John H. Kirtz.—Adv.

Many a man falls into debt, but the process of getting out is usually one of crawling.

When Home Is Noted for Its Order, Look for Electric and Gas Servants

Time for Living

In the home that is gas heated, where self-regulated appliances cook meals and heat water, where electricity cleans house, cools the refrigerator, washes, irons, banishes darkness at night—in such a place the little cares and drudgeries that mar the perfect enjoyment of home are removed.

There is a big army of Public Service men and women on guard every hour of the twenty-four, to keep homes lighted and heated and serviced—so that every home may be free from unnecessary work—its own servant free for leisure and recreation.

Take Guesswork Out of Cooking

Tested recipes now state the exact degree of heat at which the dish should be baked or cooked. The housekeeper whose gas range oven has no regulator must still bake and cook by guesswork and consequently works at a disadvantage. The measuring of the oven heat is so important to culinary success as the measuring of ingredients. Measured heat prevents scorching or under-cooking.

The oven heat regulator can be relied upon to cook any dish in the time recommended by the recipe, and the home-maker is free meanwhile for other work or recreation.

Public Service stores will pay for old stoves that are replaced with oven heat regulator gas ranges. The Public Service easy payment plan enables the home-maker to have one of these splendid gas ranges installed in her kitchen on the payment of \$5.00 with from 12 to 18 months to pay balance.

Something Good Quickly Made

This, in refreshments, is often a labor for the home-maker. With an electric waffle iron on hand, both requirements "good" and "quick" can be met.

An attractive waffle iron set, waffle iron, tray, butter pitcher, and syrup jug, sells for \$10.97 at Public Service stores. Other waffle irons from \$9 to \$16.

Electric Equipment for the Laundry Is Big Help During Housecleaning

It is the time of year to open wide the windows and let the spring sunshine pour in. That same spring sunshine detects every speck of dust, every streak on wall or window pane. Especially distressing to the home-maker is the dinginess of curtains, blankets and bedspreads when old Sol turns his smile full upon them.

It's an easy matter to make them all clean and fresh—the blankets fluffy and soft. The Thor electric washer will send hot soapy water swirling in and out through the fabric, removing all the dirt without rubbing. This washer does wonderful things with blankets—they fluff up, seem lighter in weight and greater in warmth.

Curtains grow frail after several seasons' use and the Thor method of washing is so gentle yet so thorough that the most delicate lace or net can be entrusted to it for washing.

In washing heavy pieces, the many position swinging Thor wringer, electrically run, will be found a great labor-saver. Its rollers are soft rubber, a protection for materials and for buttons or fasteners.

At Public Service stores, the Thor Washer can be purchased for \$5 down—18 months to pay balance.

Ironer Completes Work

The handy Thor ironer, that rolls so easily and folds up compactly, irons curtains with as fine a finish as can be given them by skillful handwork. This ironer will iron the ruffles, too.

The housekeeper can be seated and guide the work through—there's a rack at the right for the ironed pieces.

The Thor washer and ironer are an indispensable pair any time, but especially during spring cleaning upheavals.

The Thor Ironer, like the washer, may be purchased for \$5 down, with 18 months to complete payment at Public Service stores.

Ada Bessie Swann's Talks to Homemakers

Hot Cross Buns

2 cakes yeast
2 cups milk, scalded and cooled
2 tablespoonsful sugar
7 1/2 cups sifted flour
1/2 cup butter
2/3 cup sugar
2 eggs
1/4 cup raisins or currants
1/2 tablespoonful salt

Dissolve yeast and two table-spoons sugar in lukewarm milk. Add three and one-quarter cups flour, to make sponge. Beat until smooth, cover and let rise until light, in warm place, free from draught—about one hour. Add butter and sugar creamed, eggs well beaten, raisins or currants, which have been floured, rest of flour, or enough to make a moderately soft dough, and salt. Turn on board, knead lightly, place in greased bowl.

Cover and set aside in warm place until double in bulk, which should be in about two hours. Shape with hand into medium-sized round buns, place in well-greased shallow pans about two inches apart. Cover and let rise again—about one hour, or until light.

Glaze with egg diluted with water. With sharp knife cut a cross on top of each. Bake twenty minutes. Just before removing from oven, brush with sugar moistened with water. While hot, fill cross with plain icing.

Friendly Thoughts
by Frank A. Snover

How many of us are neglecting the little joys, life's greatest blessings—beauty by the roadside, barely glimpsed; fresh air, breathed sparingly; true friends treated casually—ignoring mornings filled with promise and nights studded with wonder, and avoiding the books that would bring comfort to distracted, undirected moments?

In order that you shall know what the cost will be, consult with us by phone or visit. You will meet with sympathetic courtesy and fairness.

SCHOOLS OF FATHERS' NIGHT FROM THE CHILDREN

The children have been making replicas of the buildings on Howard street with blocks. These sentences were given by the members of the class.

"We made Howard Street in the Kindergarten. We made out of blocks. David Boyer.

We made seven buildings on Howard Street.

Mary Whitner Rogers. I made Becker's store on Howard Street.

I made Coddington's store on Howard Street.

Mary Whitner Rogers. I made the apartment.

Edmund Turnock. I helped Edmund make Woolston's garage.

Arthur Seelhurst. I made Turner's shop.

Granville Dore. Elizabeth Guest, a girl five years old, told an original story and drew a picture of a little girl and her kitty to illustrate it. This is the story.

"Once upon a time a little girl went out for a walk. She met a little kitty. The kitty brushed against her leg and said 'Meow, Meow!' The little girl said 'Poor Kitty.'"

Then she picked her up and carried her home.

These sentences were composed by three pupils about Fathers' Night.

The fathers came to see out room. Jack Walcott.

The seventh grade had moving pictures of Africa for the people.

Eleanor Friday. A man had a George Washington hat and turned it into fifteen shapes.

John Willis. On Fathers' Night, March 31st, some of our fathers and mothers came to school. Some of our fathers asked teacher whether we were good or bad. They went down stairs at eight o'clock where Mr. White entertained them.

Margaret Shockey. The third grade is sending in some sentences about Fathers' Night since that is the most important event at school.

Children helped to put the drawings up. My father said that my papers were very neat. Mr. White had four or five boys holding lights and he had electricity in his body. He told many jokes. My father thought it was very nice.

Kathryn Schepeler. NEW BANK

Hundreds Inspect Mechanics' National's New Home at Burlington

Hundreds of persons stood in line in the rain to view the inside of the new Mechanics' National Bank, Burlington, which was opened to the public for the first time Wednesday of last week. Gifts were distributed to all visitors.

The bank occupies the site of a drug store which was erected in 1873. The bank was started in 1873. It occupied a small building on High street from 1869 to the present.

Officers are: George A. Allison, president; J. H. Birch, Jr., and Ernest Watta, vice presidents; Robert Turner, cashier and trust officer; Joseph H. Budd, assistant cashier and assistant trust officer; and J. Milton Baker, assistant trust officer.

Directors are: George A. Allison, Ernest Watta, Harry B. Weaver, James H. Birch, Jr., Robert Turner, H. Sherman Parker, Samuel E. Lippincott, John J. McGinnis, Charles A. Ritz and N. F. S. Russell.

NORMAL NEWS

The Legislature which adjourned last week appropriated money for the building of four dormitories of the cottage type at the Glassboro State Normal school. The dormitories, together with the Whitney Mansion and the new cottages which are added adjoining the schools, will accommodate the students who desire to board.

The Alumni Association had recognized the need for immediate action in the resolution passed last June directing the officers to take steps to secure dormitory facilities for the students.

The growth of the school since it opened in 1923 has been marked. The enrollment for last year reaching a total of 1403 students in three departments—the regular session, the extension department and the summer session.

It is obviously impossible for 200 of these students to commute. Trains have been withdrawn because of bus competition, main bus lines do not run through Glassboro; circuitous routes require changes of cars and long waits for connections; the homes of many students are remote from railroad stations.

Only 36 of the students who should board can be accommodated. The State owns one building which accommodates 30 students and 60 others are housed in cottages rented by the students at their own expense. The total annual expense to a boarding student is about \$100.

It is a matter of regret that not more students can be cared for on the campus. The inevitable effect of these conditions is the decrease of attendance from counties remote from the main arteries of travel.

Japan spent two million dollars to buy its late Emperor. Almost as much as Pennsylvania and Illinois spent on their senatorial candidates.

Sometimes during Tuesday night the spare tire, rack, rear license tag and the tail light were stolen from a Dodge roadster belonging to Gloria Loreaux. The car was in Loreaux's garage.

We made different kinds of books of our work. We made butterfly and a Dutch border. The fathers thought our work was good.

Edna Bassett. On Fathers' Night, March 31st, a man named Mr. White had the largest bulb in the world. It had 750,000 volts. He also had the smallest lamp in the world. He came from New York. There was also a man who had a victrola that changed the records all by itself.

Jack Hallinan. My mother and father went and saw my drawings and papers. My mother and father told me what they saw. My father liked the lecture and my mother liked it too.

My father said the man could light lamps with his tongue. My mother said that he took out his watch and said "It's time to pass the lecture and cake."

Marion Atkinson. The fourth grade won the picture, "Old Ironsides," which was offered as a reward to the grade having the highest percentage of fathers out for Fathers' Night. We appreciate the interests of the fathers in coming to see the exhibition of the children's work.

Fifth Grade (5b). The fifth it was very busy last week getting ready for "Fathers' Night." Everybody was making a book for his or her father. The teacher had been saving all of our papers to put in the books.

There was a man from New York who talked to the fathers and mothers about electricity. Mrs. Mayfield brought a picture of "Old Ironsides." The room having the most fathers to visit it, received the picture. The fourth grade won it and everybody hopes next year all the fathers will come.

Edward W. J. Huhn, Jr. The day before Fathers' Night we had the bulletin board full and there were a great many papers on the blackboard. There were some attractive posters on the front board. One told of corn. Another told of cotton in an interesting way. The third one told some story and had very pretty pictures. In front of the room there was a poster that said "Welcome Fathers." Then we had a poster showing pictures of Longfellow's room. We had some illustrated paragraphs of transportation. On the other side we had some illustrated stories. All of these things

made the room look very nice indeed.

We had eighteen fathers present and fourteen mothers, but we did not have enough to win the picture "Old Ironsides."

The fourth grade won this beautiful picture and the 7a grade won the prize for the most mothers. That picture was the same kind of a picture that the grades win at the regular Parent-Teacher meetings.

I think it was very nice to have a Fathers' Night, so that each father can see what his own boy or girl is doing.

Ruth Bartley, Grade 5a. Fathers' Night (Sixth Grade). The fathers and mothers of our grade who visited our room on Thursday evening seemed much pleased with the display of school work.

We displayed nature drawings, color charts, lettering "Castle Life" drawing, charcoal work and water color designs. Many health posters, current events, auto trips, visiting cities in British Isles, aeroplane trips, individual arithmetic charts, blackboard drawing—"Steps of time" in history, soap savings, representing various stages of Greek architecture and class books were displayed in our room.

We are sorry more parents couldn't come to help us win the picture and to see the many interesting things we do.

Nellie Wallace. 7th and 8th Grades. Last Thursday the 31st of March was Fathers' Night. There was a large attendance. Parents visited the class rooms to see the work of their children in the 7th and 8th grades. The entertainment began with a few selections from Beethoven on the orthophonic victrola, announced by Wesley Hemphill. Irene Sippel read the life of Ludwig Beethoven. Some of the pupils from the 7a grade gave slides of scenes in Africa, which they described to the audience.

A demonstration of the orthophonic victrola was followed by an exhibition given by the electrical wizard, Harry White. He showed his audience the largest electric bulb in the world, 3000 watts and the smallest bulb in the world. He also showed us new empty electrical bulbs which had never been shown to anyone before. He illustrated his electricity can pass through the body. Refreshments were then served.

Margaret J. Weller, Grade 7. MANY PLANS DISCUSSED FOR PROVIDING MORE SCHOOL ROOM

(Continued from Page 1)

ton's remarks by saying that the Riverton Public School had a core of hard-working, conscientious teachers who were giving their best and who endeavored to consider each child individually.

The board organized by electing Murray C. Boyer, president, and S. L. Warren, vice president. Joseph Leatherbury was elected janitor for another year and Attendance Officer William Quigley was also re-elected in his position. Dr. Harry L. Rogers was re-elected as medical inspector.

Mr. Boyer Elected President. When nominations for president were asked for Mr. Clifton begged the honor of presenting the name of Mrs. Miller who had served the Board for many years. Mr. Clifton said it was eminently fitting that she should have this honor. Mrs. Miller said that while she greatly appreciated the honor Mr. Clifton wished to confer upon her, she really could not consider adding anything to her already overtaxed time, and declined to accept the motion, offering the name of Mr. Boyer which was seconded by Mr. Warren and Mr. Boyer was unanimously elected.

In his acceptance speech the new president said he hoped the board would continue to function in the harmonious manner which had prevailed ever since he became a member, and pledged his best efforts to the duty of his office.

In discussing attendance, the subject of a school nurse came up for consideration. Miss Chew said that a school nurse could accomplish many things that an attendance officer could not do.

Mr. Boyer wanted to know whether or not the visiting nurse could be used in connection with school work, and Mrs. Miller said that she felt sure the committee would be very glad to cooperate in this way. Mrs. Miller recalled that a year or so ago the visiting nurse committee had made a proposition contemplating this very service, but that nothing had come of it. Miss Chew said that at that time the need for the service of a school nurse was not so fully realized.

Teachers' Salaries Raised. The teachers' committee reported that all the teachers would return next year. A resolution was passed that an increase of \$100 be given to each of the teachers under ten years and \$100 to the supervising principal.

Miss Chew acted as clerk of the meeting in the absence of District Clerk Fred P. Hemphill.

Schools will close this year on June 19.

The field day exercises will be held on Friday, May 26.

The following bills were ordered paid: Public Service Electric & Gas Co., \$29.41

Hiverton & Palmyra Water Co., \$4.81

J. S. Collins & Sons, coal etc., \$64.52

E. E. Compton supplies, \$1.37

Dawson & Atlantic Telephone Co., phone, \$3.35

Webster Publishing Co., supplies, \$1.58

Underwood Typewriter Co., \$1.70

Curtis & Brockie, insurance, \$5.95

Margaret J. Weller, Grade 7. PRESS LUNCHEON

P. T. A. to Dine County Newspaper Men April 21

Newspaper men from Burlington County will be guests at a luncheon to be given in the First Methodist Church, Mount Holly, by the New Jersey Congress of Parent-Teachers on Thursday afternoon, April 21, at one o'clock. It is expected that many will attend.

One of the features of the meeting will be an address by G. H. Smith, of the New York Graphic, who is known as "Farmer Smith," formerly was associated with the Philadelphia Public Ledger.

The meeting will be an open one and a general invitation has been extended.

\$87,000 ESTATE

Norman Wilson, Dodge Dealer, Fails to Leave Will

Surrogate George W. Whyte, Camden county, has granted letters of administration in the estate of the late Norman G. Wilson, Dodge automobile dealer, who died suddenly at his Merchantville home on March 16. Wilson did not leave a will. His estate is valued at \$87,500.

The widow, Mrs. Ethel J. Wilson, will receive one-third of the personal estate and a life interest in the real estate. Two-thirds of the personal property will go to the daughter, Ruth, 8 years old, when she reaches her majority. The real estate, consisting of the Wilson home, is valued at \$7,500.

COMPLETE HOUSE COMES IN ON WHEELS

The Attendants' building for the Sun Oil Company's filling station at Broad and Main streets, Riverton arrived last night, completely built ready to place in position. This station will now be ready to do business within the next few days.

SHE SMOKES

Decision has been reserved by the State Board of Teachers' Examiners in the case of Helen Clark, of Seanequa, who was granted a hearing upon her application for re-appointment as a teacher.

It is alleged that Miss Clark smoked cigarettes. She testified before the examiners that she smoked in the privacy of her home, but no where else.

The hearing before the examiners was in accordance with instructions issued by the State Supreme Court. Miss Clark's alleged indulgence in nicotine has been aired before various municipal and State educational authorities for some time.

ROPER TO SPEAK

Princeton Coach Will Address Game League Banquet

William W. Roper, football coach at Princeton University, will make the principal address at the annual banquet of the Burlington County Game Protective League to be held in Brainerd Memorial Building, on Garden street, Mount Holly, Thursday evening, April 21.

Mr. Roper is a practicing attorney and a member of Common Council in Philadelphia. He also does considerable writing for sports magazines and is well qualified to talk on the subject of "Sports," which will be the basis of his address at the banquet.

Moving pictures will also be shown.

EDISON PIONEER GROUP

The Edison Pioneer Group of Palmyra, had their meeting on April 5th.

Two new members were admitted to the group. Everybody joined in a frolic hunt. Three boys were chosen as winners.

Paul Guest and Roy Hirst made a tie in the hunt. Harry Gooten, a member of Riverton YMCA, was a victor and also won a prize for being the next closest in the hunt.

A game of basketball was enjoyed by all and was played by Lester's and Wheeler's team and was made a tie of 12-12. A game of ping pong was also played.

Roy J. Hirst, treasurer.

APPRECIATION

EASY TO APPLY, DRIES VERY QUICKLY

A New Finish for Furniture Which Solves Many Household Problems

Clear Brush Duco, a transparent finish for which there has been such an insistent demand, has now been perfected by the du Pont Company.

In this new product the effort has been to combine the valuable properties of Duco finishes for automobiles and household use with the very easy brushing and easy work qualities and the high lustre of the gum varnishes.

The combination of the gloss and lustre of a varnish with the quick-drying of a nitrocellulose enamel is a new combination in a clear fast-drying Duco, which can be brushed. It places in the hands of the householder a product which works easily, can be satisfactorily brushed under all conditions, and therefore, makes it possible for the householder to revarnish many articles, which are in daily use in the household. For one thing, it eliminates the tedious delays and the mishaps caused by freshly varnished floors and furniture; now, by the use of this new type, fast-drying clear finish the housewife may "varnish" her kitchen after the breakfast dishes have been washed and still be in a position to serve lunch at the usual time.

A new product is for use on interior surfaces and is not meant for outside work.

It is sold in this neighborhood by Will K. Bowen and Harry Scherling.

Some men who stand on their dignity give evidence of not having much else to stand on.

PRICE FIVE CENTS

STEWART OBJECTS TO HAVING CHILDREN SENT TO ALMHOUSE

Has No Facilities; Deplores Attaching Stigma of "Poorhouse"

"NO REASON IN HIM" MEANING PROSECUTOR

When Henry I. Worrell, steward of the County Almshouse appeared before the Burlington County Board of Freeholders last Friday he brought to a head a matter that has been a problem for some time, that is, the care of children taken from their parents by the court.

Mr. Worrell told the Freeholders that last week he had a little child who had been taken from their mother as being unfit for their custody, were brought to his institution by Mrs. Elizabeth Burroughs, contable.

The children, all girls, were not accompanied by proper commitment papers and Mr. Worrell refused to receive them. Mrs. Burroughs told him that Prosecutor Hillman had instructed her to take the child to the poor house, dump them out and not take "no" for an answer. Mr. Worrell was firm in his refusal, however, and the children were taken back to Mount Holly, where commitment papers were secured. Judge Slaughter and the trio were again taken to the institution.

How It Has Been Done

In such cases it has been customary for the steward of the almshouse to advise with the State Board of Children's Guardians to find homes for his little charges. When Mr. Worrell applied to the Board of Guardians, he found that the commitments had not been made in a legal manner. It seems that they must be issued by the overseer of the poor in the municipality from which they come, and not by the county judge.

The children came from Burlington at the time Mr. Worrell was addressing the freeholders they were still in his institution.

Mr. Worrell, in explaining why he had refused to admit the children until he had commitment papers, he had no fit accommodations for them. He pointed out some of the dangers to which they were inevitably exposed, and said that heretofore he had always been able to reason with the overseers of the poor who took them back to the towns from which they came and found homes for them. "In this way," said Mr. Worrell, "they were spared the development of being committed to the poorhouse. I tried to reason with the prosecutor about this case," said Mr. Worrell, "but there was no reason in him. He threatened to have me brought before your board and I was indicted by the Grand Jury, but I thought I would beat him to it, and come here myself."

Director Russ Will Act

The situation had been referred to the board by Mr. Worrell was referred to the department of public buildings, of which Howard Russ is director, and who was given power to act.

While Mr. Worrell had the floor he also called attention to the habit of doctors and others sending to the poor house men who are under the influence of liquor. He said that last week one of the doctors from Riverside sent over a man who had the "rums" and was obliged to put him in the infirmary with aged men who were sick, and who were greatly upset by his drunken ravings. County Solicitor Harold B. Wells, who was present at the meeting told the steward that he did not have to accept such cases, and if any more were offered to him, send them right back to the municipality from which they came. "Let them take care of their own drunks," advised the solicitor.

Salary Boosts

Clerk Adams called attention to a recent law passed by the Legislature, in which it was shown that the salaries of the County Board of Elections had been raised from \$400 to \$600, while the secretary's salary had been raised from \$300 to \$400. This bill applies to counties with a population between 50,000 and 80,000, which includes this county.

The department of weights and measures of Burlington county was more or less antiquated and not up to the high degree of accuracy demanded by the department and recommended the purchase of a new equipment. This matter was referred to Director Russ.

Will Improve North Church St.

The Freeholders have accepted the proposition of Moorestown township to improve North Church street in that township on a 50-50 basis. It is estimated that the county share will amount to about \$40,000. It was brought out that this latter may become a part of State Highway Route 841, running from the Tacony-Palmyra ferry to Berlin, in which case the State Highway Commission might refund the price of the road. The street will be improved and the clerk was authorized to advertise for bids for the construction of a 3-inch reinforced concrete road.

The bids will be subject to the approval of the township committee as well as the freeholders.

The next meeting of the State Association of Freeholders will be held at Jersey City, on Monday, April 18, when an inspection of the county buildings will be made. The members of the Burlington county board will attend the meeting.

Hide on Bridge

The department of bridges and county engineer reported the bids for rebuilding the bridge over the Mullica River at Green Bank would be opened at Atlantic City, on April 13, at which time the local board will be represented and report later.

Permission was granted the Public Service Electric and Gas Company to erect poles and string wires along Main street, Bridgeboro, to the Indiana and Moorestown township line.

NEW BUS LINE STARTS TODAY

George D. Steele Has Four Buses Running From Riverside to City Hall

Starting today (Thursday) George D. Steele has put on a bus line running from Riverside to City Hall, Philadelphia, on a half hour schedule.

A faster schedule will be instituted just as soon as new buses can be secured. The service will start with four buses.

The Philadelphia Coach Line will continue to operate across the ferry to Frankford as heretofore.

The new buses will stop at any point on the route to take on passengers going in but will discharge passengers only in Philadelphia going in, and, of course, will not take on passengers except in Philadelphia coming out.

Palmyra Lions Hear Action on Fire Truck Deferred

William A. McCamy Delivers Interesting Talk at Tuesday's Meeting

William A. McCamy, cashier of the Palmyra National Bank, delivered an interesting talk on banking at the meeting of the Palmyra Lions Club Tuesday evening.

Mr. McCamy said that banking as we now know it is a product of modern civilization and industrial development. The earliest known operations took place in the twelfth and thirteenth centuries in Italy, but then the system was merely that of the business now conducted under the sign of the "gold" and "silver" coins, which was the cost of arms of the household family, Europe's first bankers.

Nowadays banking not only goes hand in hand with business, it generally keeps a step ahead of business and the wonderful commercial development of modern times has been made possible by the development of banking. In former years it would have been impossible for a syndicate to offer a billion dollars for Henry Ford's business, but nowadays the development of credit and the concentration of capital has accomplished business miracles.

Yet only about one-seventh of the world's business is transacted in cash. The other six-sevenths is done on paper, or by memorandum, and that is where the banker's service comes in.

Acceptance of deposits is only a small part of a bank's business, yet it is the keystone of the whole structure. It is on deposit that the bank's lending power rests. Some folks, said Mr. McCamy, get peeved if they try to borrow money and are asked first of all whether they have a balance in that bank. Yet what could be more reasonable? If they have no deposit there, they are asking for the use of other people's money and funds loaned to them may at any time be needed by the very people who are patronizing the bank and making it possible for it to exist. Hence comes the rule enforced by most banks that a borrower must keep a certain percent of the amount borrowed on deposit at all times.

Mr. McCamy also explained the complicated system of collecting checks on other banks and showed how if a man deposits a large check on a bank in a distant city and he signs to use the money at once, he is really using money that the home bank has to pay interest on for several days before its own account is credited with the amount of the check sent for collection to another town. A check is not cash, it is only a promise to pay, said Mr. McCamy.

The club enjoyed its usual musical and social time. A novel feature planned for the near future is a mock commission of the proposed combined borough of Palmyra and Riverton. The officers will be inducted into office and various more or less ridiculous ordinances and complaints will be taken up.

ROTARY INDUITS ITS FORTY-THIRD MEMBER

Palmyra-Riverton Club Hears Interesting Talk on "Period Furniture"

The Palmyra and Riverton Rotary Club at its meeting in the Porch Club last Thursday evening inducted its 43rd member.

Clarence Matlin, under the classification of Meats-Edwards, of Riverton, otherwise and heretofore to be known as "Curly" automatically becomes the baby of the organization.

"Curly" responded very complacently to the welcome tendered him following his induction, but to many he seemed an introduction as he is among the "early" settlers of Riverton.

Edward A. Walton of the Bureau of Decorative Information of J. B. VanSiver Company, addressed the club on "Period Furniture."

It was an interesting discourse and disclosed many facts relative to the effect of decorative surroundings upon the temperament of people and the selection of such decorations as being an exposition of the personality of the buyer.

He also stated that in the early period of the man was the one who always selected the furniture while today it is almost entirely left to the woman.

The Club had as their guests for the evening, Edgar F. Jobe of Camden, Henry Clay, and Robert A. Garwood and J. Lawrence of Riverton.

The following bills were ordered paid: Roads, \$19,555.74; bridges, \$2,461.35; public buildings, \$17,122.72; salaries, \$2,555.25; sewage, \$4,751.84; total, \$48,555.35.

WEART BOULEVARD

Palmyra Borough Council Makes Offer for Ground Needed

At a committee meeting of the Borough Council of Palmyra Tuesday night the proposition of the Weart Boulevard was discussed. Borough Council offered the owners of the tract of 50 feet of land that runs from Fifth to Broad street what Council considered a fair price. If this offer is not accepted, it will be necessary to condemn the parcel of land where the Borough intends to build the street.

The owners of this land, Blake and Kemp, will consider the price offered and tell whether or not they will accept it at the Council meeting next Tuesday night.

A meeting of the Board of Health was also held. This meeting had to do with the plumbers who have been violating borough rules. Hereafter it will enter the plumbers one dollar for each permit for opening a street.

Some of the plumbers have been repairing street openings themselves. They have not done this work satisfactorily, so now the Borough will charge \$1.00 and attend to the work itself.

NEW FITTINGS FOR YM ROOMS

Big Improvements at Headquarters in Palmyra; More Coming

WILL HOLD OPEN HOUSE SATURDAY EVENING

When the members of the Board of Directors of the Palmyra-Riverton YMCA assembled in the YM building, Palmyra, last Thursday evening for their monthly meeting, they hardly recognized the place. The floor had been covered with an Inland linoleum, a new table, easy chairs and rockers had taken the place of the old furniture, and the room had been converted into a very attractive lobby or reading room.

But that was only a part of it. After the members of the board had finished inspecting the room they were taken to the second floor where a small room had been fitted up with a rug, new furniture, cushions for the locker boxes, and new window shades. The wall too, which had been a depressing red, had been repainted a more attractive gray. This room will be used for group meetings.

Other improvements included in the renovation were painting the main entrance doors and the surrounding woodwork.

The work was done by the Janitor, Charles W. Lutz, and the whole improvement scheme was the result of a suggestion made by Nathan Lane at the previous meeting. At that time Mr. Lane was appointed a committee of one to see that his recommendations were carried out. The money was raised by donations by members of the board of directors.

It is planned to secure further equipment for the playground on the upper floor which is now used largely for basketball and other sports. A teacher two nights a week for physical instruction.

Open House

Open house will be held Saturday evening, April 16, at which time the entire building will be open for inspection by the public. Everyone is invited to look the place over.

Members of the groups led by Mr. Harlock, part time secretary, and Paul Burr, will be in attendance on this occasion.

If the financial support is forthcoming it is the intention of the board of trustees to add other features as fast as there is need for them until the boys of Riverton, Palmyra and Cinnaminson Township have YMCA facilities adequate to the requirements of this neighborhood.

SEE "OTHER WOMEN'S HUSBANDS," APRIL 28

Will Be Presented at Broadway Palace for Benefit of Knights of Columbus

Where are the rag-timers, the bunco-buglers, the con-men, the shimmers, the toddlers and the fox-trotters of yesterday? "Right where the Charlestoners of today will be tomorrow," replies Marie Prevost, co-starred with Monte Blue in "Under the Gun." "Other Women's Husbands," directed by Erle Kenton, which will be shown at the Broadway Palace, Palmyra, for the benefit of the Knights of Columbus, Thursday, April 28.

"Most of those bold, reckless, sin-fappers," continued the diminutive star, "are busy now with such things as taking baby perambulators, getting the groceries at the milk sweep, many of them are pushing typewriters, many gracing the counters of big department stores. To shorten a long, detailed recital, they are going about the work, business and joy and sorrow of the world with as much alacrity and efficiency as ever their mothers and grandmothers did, if anything, more so. In fact, to the girl of today, the woman with a ruined life is scarcely understood, because few girls really have ruined lives anymore."

"Women are just beginning to come into their own. They are becoming more free to express their personalities just as men have for long ages. One of the most natural means of expression is through the dance, which we know came to the human race before writing, or even before speaking. Singing and dancing are probably the two oldest forms of expression, as many of the lower animals have crude variations of both. The impulse to dance and sing at a certain age is quite natural and should be allowed the freedom which the vigor, vitality and imagination of the dancer suggests."

LEGION PATRONS

The following is the list of patrons and patronesses of concert given by the Women's Symphony Orchestra of Philadelphia, Monday, April 25, 1927, under the auspices of Post Frederick M. Rodgers No. 156, American Legion, from whom tickets to the concert may be obtained.

Rachel M. Lord, Beatrice Flint Collin, Joseph G. Seal, Thomas R. Bromley, John A. Althouse, Jr., Harry Anderson, Wilmer Handel, Paul Villars, Clara V. Hutchins, Rose V. Hutchins, Ruth Peterson Bell, Helen C. Warren.

Elizabeth Voorhis, Anna C. Jefferson, Harold B. Lever, Norman Schriver, Harry F. Baitinger, Charles W. Davison, Richard E. Wilson, Walter D. Lamon, George N. Wither, James T. Weart, Pauline F. Becker, Carol B. Mathews.

George B. Weizand, Mary C. Buck, Charles C. King, Drexel P. Patterson, Carl H. Thomas, William T. Miller, Stanley S. Lippincott, Fred H. Lippincott, Charles H. Wilm, Harold F. Marshall, Theophilus M. H. Autrosky, Freeman S. Belcher, Edward Griffenberg.

GOOD FRIDAY SPECIAL

Planked Shad Dinner, Good Friday Evening at Clean Way Lunch, 514 Main street, Riverton. Dinner served 5:30 to 8 p. m.—Advt.

HEADS "Y" DRIVE

CLIFFORD C. HATFIELD, County YMCA Campaign Director, from the Finance Section Bureau of the National YMCA Council, New York City.

Children Escape Runaway Horses

Edgar Seal Stopped Team at Bank and Penn Streets Wednesday morning

Officer William Quikley had a scare Wednesday morning about ten minutes of nine when two of Mattie's horses ran away with an ice wagon. The horses started from the upper end of Main street and ran down Main, crossing the railroad and turning down Broad street, went to the river. Bill made sure there were no children in the road at Broad and Main, then he stopped aside and let the horses take their path.

George Becker and Edgar Seal both employed at the Riverton Market House, chased the runaways in the Market House truck, catching up with them at Bank and Penn streets. Seals jumped from the truck and grabbed the halter of one of the horses and brought them to a stop after quite a struggle. The horses would have crashed into a tree if they had not been stopped when they were. Seals had to bring one of the animals to his knees before the horse was subdued.

It takes a lot of nerve to attempt to stop a pair of runaway horses and Seals is to be complimented upon his success in stopping the animals before some real damage was done.

CALVARY GROUP IS GUEST OF MR. BORER

Enjoy Big Day at Penn A. C. Pool, Including "All the Sandwiches They Could Eat"

On Tuesday evening April 5, Mr. Borer of this town, took the Calvary YMCA group in to the Penn A. C. pool for a swim.

He also took some boys from the church which he attends.

We first met at Riverton station at seven o'clock and as only Mr. Borer and Mr. Naisby had cars there, Mr. Borer gave three of the boys some money and told them when they got to Philadelphia to take a taxi to the Penn A. C.

The first car driven by Mr. Naisby reached there about fifteen minutes before anyone else.

Then all of a sudden the other three boys came rolling up in a taxi and stepped out telling the taxi driver to return for them about nine-thirty.

A few minutes later Mr. Borer came along and we then went swimming.

The pool was a large one all made of tile. There were three diving boards which we all used quite frequently.

We then held a game of water polo which was much fun because we were the only ones using the pool.

After swimming for quite a while we went to the locker room which was a whole floor and got dressed again.

After looking around the place for a while we got a big surprise. We were ushered into a special dining room and we had all the sandwiches we could eat.

The service was very good especially the filling and reheating of the glasses of water which kept one servant busy all the time but as we had four servants we were well fixed.

After we had eaten all the sandwiches we could eat we had a large plate of French Strawberry ice cream which topped things off quite well.

We then went to the automobiles and just as we reached the door of the building the taxi called for the three boys and they rolled along.

Everyone returned home with a full stomach and a pleasant evening was had by all.

GIRL RESERVES

The meeting of the Girl Reserves was held April 12 at the home of Irene Hippel. The topic taken this week was "Loyal to Friends."

A motion was brought up about the hike that was postponed. It is to take place April 23 if sunny. We talked about the doll we sent to Japan a few months ago and the treasurer read us a letter received from the doll's destination, Japan.

Miss Hoff told us about the new book that was very interesting. She also told us how we might obtain our rings. The meeting was then adjourned.

After the meeting we sang songs and had refreshments.

JANE BLACKWELL, Secretary.

LOCAL YM WORK SHOWS BIG GAINS SINCE COMBINATION

CHARM!! CHARM!! Twelve Groups With 100 Members Result of Increased Activity

BIG COUNTY DRIVE TO BE LAUNCHED MONDAY

With a population of eighty thousand, and an assessed valuation of \$47,718,330, Burlington county is at the present time supplying YMCA privileges to less than 800 boys.

Of the fifty groups all over this large county, twelve are located in Riverton, Palmyra and Cinnaminson township, and the membership of these twelve groups totals a little more than 600. Five groups meet in the YM headquarters, one in the Methodist church, two in the Moravian church, five in private homes, and two in the homes of Riverton also meet in homes.

BETTER SERVICE; GREATER MILEAGE

Changing from One Wheel to Another Distributes Wear More Evenly

Changing tires around from time to time will result in longer tire life and better all-around service, according to Mr. Albertson of Albertson's Drive-In Service Station, Firestone dealers in Riverton.

"When a motorist buys a new spare, we recommend that he put it on the right rear axle and let it tire a rest for a while," he stated. "The other three should be changed, too, left front to left rear, etc. Each wheel puts certain strains on a tire different from that of the other wheels, and by using the tire on each in turn the wear is evenly distributed and the tire lasts longer and gives better service."

It is also important to have tires looked over frequently for minor cuts and bruises, and to have small repairs made promptly. Tires should be inflated to the correct pressure as under-inflation, a few pounds will often result in the loss of hundreds of miles at useful service. Valve caps, screwed down tightly by hand, should always be used to prevent air leaks.

If motorists will give their tires ordinary care and attention they will have less trouble and enjoy greater tire satisfaction."

POS of A Planning Big Anniversary

Camp 23 Will Celebrate Its 34th Birthday on May 15 and 16

At the meeting of Washington Camp No. 23, P. O. S. of A. of Palmyra on Monday evening last, it was decided to celebrate the thirty-fourth anniversary of the camp on May 15th and 16th, and a committee was appointed with George N. Wimer as chairman.

The celebration will consist of the usual Anniversary Church Service of the Central Baptist Church on May 15th and a class initiation and banquet on Monday evening, May 16.

The following sub-committees have been appointed to make the necessary arrangements: Church service, Marjorie Marshall, Reeves, Jr.; class initiation, Jones, Davidson, Saar; banquet, Lamon, Bauer, Coombs, Koppenshoefer, Invitation, Seal, LeFavor, Reeves, Jr.; Decorations, Marshall, White, and Horner.

The Camp enjoyed one of its biggest and best meetings for some time on Monday evening. The new members are now coming out and taking great interest in the meetings. Government programs for membership were brought before the meeting which was favored by a huge attendance. The Camp really had the old spirit on Monday night.

Next Monday evening, April 18, we will have a "Loyal to Friends" Night" taking in all Camps of Burlington county and several speakers will be on hand. Neil Jamison, National Master of Forms, will be the principal speaker. A large attendance is desired by the local members in order to greet the visiting members.

Camp 23 is looking forward with great pleasure to produce a large number of members for Monday evening, April 25, when the big initiation will take place.

Mr. Beahn pointed out the advantages of membership of the H-Y derived from their meetings and discussions. In these discussions he said, the boys freely expressed their candid opinions about the subjects being considered, and thereby both sides were brought out to the benefit of all.

FIRE! FIRE!

Tonight in Your Chance To Win A Prize and Help the Firemen

"Let us forget" what the Riverton Firemen have meant to us in showing our appreciation of their services. The STAG CARD PARTY TO-NIGHT at the Fire House.

"Why should you go?"

Because the boys have never thanked you down when you needed them. Are YOU going to turn THEM down NOW?

Of course the men in Riverton want to see the local smoke-eaters in nice new uniforms when parading with other Fire Companies of the vicinity, and therefore should do all possible to help the boys get those outfits.

To-night, Eight o'clock, Meet on Fire House.

Admission 50c.

PROGRESSIVE GROUP

The meeting was opened by Marshall Young.

Jack Reynolds lead us in prayer. Arthur Reeves was elected to present the YMCA leadership plan to our leader, Mr. Hosenbury.

The roll call was made by Arthur Reeves. Then the dues were collected by our treasurer.

The next meeting will be held at Alfred Hardings home. The Bible study came next then the song which we all enjoyed. Thanks to Mrs. Reynolds.

We told ghost stories then had our friendship circle at closing.

FRANK ALLOWAY, Reporter.

REUNION SALE

The semi-annual reunion sale of the Burlington County Turners' League will be held at Brown's Mills May 4 and 5. Lunch and supper will be served by the League in the neighborhood of the turner's made sale. The proceeds are for the Turners' fund for underprivileged children.

RUM RUNNING CARS REDEEMED BY OWNERS

Machines in Mount Holly Since Bridgeboro Raid Taken Back

The thirteen trucks and pleasure cars seized by state police at the time of the rum barge raid at Bridgeboro on October 1, 1925, have passed out of Burlington county's history. All have been redeemed by the owners or their agents in the past two weeks.

The machines have been in the custody of William D. Marren as a garage owner ever since the night of the raid and he had kept a watchman employed to see that nothing happened to them. A short time ago, after Mr. Marren was satisfied in his own mind at least, that the machines were not to be used for any further prosecutions in the case, he decided that it was time for him to get busy on a financial settlement, to which he felt he was entitled. It was a long drawn-out proceeding that necessitated his getting a release from Washington and a formal breaking of seals, placed on the machines by customs officials after they had come to Mount Holly.

The principal order came from Chief Enforcement Agent Lincoln Andrews. Then Mr. Marren felt obliged to confer with the Federal officers at Trenton and with county officials in Mount Holly to ascertain whether the machines would be needed for further prosecutions.

He then went through the formality of advertising a sale. After this advertising had been done the owners of the machines took advantage of their right to redeem them upon paying the fixed charges and this is what they have done. Most of the cars were owned by Philadelphia and Trenton men, not caught even though they were identified with the rum running in an indirect way.

MISS SIPPET STARS

Palmyra High Mermaid Swims for Camden "Y"

Miss Grace Sippet was again a bright star for the Camden "Y" Saturday afternoon against Collingswood High School in the third of a series of swimming meets for the South Jersey supremacy. The final count of the meet, which was held at the Camden YWCA pool, was 35 to 13 in favor of Camden.

The feature was the 20-yard breast stroke. This event was a battle between Miss Sippet, the Palmyra High star and Miss Creyau-miller, of Collingswood High School. The judges called this race a tie, the time being 17 and two-fifths seconds. Miss Downes, who swims for Miss Sippet's team, and Miss Decker, of Collingswood were disqualified in this event.

Miss Sippet also made a great showing in swimming anchor for the victorious relay team. The distance was 50 yards and the time 59 and one-fifth seconds.

DePRIEST-FOX

A very pretty pre-Easter wedding was solemnized in Christ Church last Saturday afternoon at two o'clock when Miss Helen B. Fox, daughter of Mr. and Mrs. Edward B. Fox, of Palmyra, became the bride of Charles A. DePriest, of Palmyra.

The ceremony was performed by the Rev. George J. McCormack. Members of the family, relatives and many friends attended. The happy bride and groom left immediately on a honeymoon trip to Washington, D. C.

ALUMNI PRIZES

Palmyra Association Plans to Stimulate School Activities

The Palmyra Alumni Association is offering a cup to the best boy student, a senior, who does the most for the promotion of athletics at Palmyra High School during the year. Each year the winner's name will be engraved on the cup and he will receive a medal.

The association is also offering a trophy for the best essay written by the pupils of the school. These essays must be turned in to Professor A. S. Griffith at the high school.

The three topics for the essays are as follows: "What Constitutes a Good Time," "Habit, Our Greatest Friend," and "Moral Influence of the Moving Pictures." Any pupil in the high school may write an essay for this contest.

CRASH ON PIKE

Mrs. Moffitt's Car Struck By Drunken Driver

The automobile owned by Mrs. John Moffitt, of 818 Lincoln avenue, Palmyra, was struck by another car on the Burlington Pike Sunday. The driver of the Ford coupe which struck Mrs. Moffitt's machine was picked up by another car driver and taken away. During the excitement no one got the number of the car that drove the offender away.

The driver of the Ford coupe was apparently drunk as a half pint of liquor was found in his car. His machine was brought to the Palmyra garage. The State Police are looking for the driver of the Ford coupe, according to Chief of Police Morris Beck.

"BILLY"

Junior Class of Palmyra High to Present Comedy

All patrons of the popular Palmyra High School plays can vouch for their success and are always eager to attend any that the school offers. And so, in order to keep up the high standard that Palmyra High has set for herself, the Junior Class is going to present "Billy," on the 29th and 30th of April.

"Billy" is a comedy. In order to find out just how many laughs can be packed into a play lasting 2 1/2 hours, you must come to see the adventures of comical, lovable Billy, the football hero. The three acts take place on board the Steamship "Florida," and the scenes are very unusual.

The cast, chosen last week by a committee of three teachers, is now rehearsing under the efficient coaching of Miss Anna Mary Bell.

Don't forget to come and see "Billy" on the 29th or 30th of April and spend an entertaining evening with this young hero and his friends.

Mrs. NELLIE B. WOOD

Mrs. Nellie B. Wood, wife of G. Raymond Wood, of Pitman, died late Saturday evening, April 9th, at her home in Pitman.

Mrs. Wood leaves her husband and five children: Lester, Raymond, Norman, Vernon and an infant son. The family lived in this vicinity for a number of years, moving to Pitman from Thomas avenue about three years ago.

Services were held Wednesday afternoon at 2 o'clock, from her late residence, 208 W. Holly avenue, Pitman. Interment at Wenonah cemetery.

CINNAMINSON FETE

The Cinnaminson Fete will be held at the Moorestown Field Club on Saturday, May 28th, 1927. The Horse Show and Gymkhana will be given again this year.

Candies, cakes, flowers and novelties will be for sale. Supper will be served at five o'clock.

Watch the paper for further information.

STRIKES TRAFFIC SIGN

Miss Dorothy E. Gleeson, of 1131 Fillmore street, Philadelphia, struck the small traffic sign at the railroad at Broad and Cinnaminson avenue, Palmyra, while driving her car last Sunday. Officer Joseph Rodgers was on duty. Miss Gleeson made a deposit of \$5.00 to appear this Saturday at 2 p. m.

PALMYRA HI-Y ELECTS OFFICERS

At a spirited meeting of the Palmyra Hi-Y Group held on April 7, officers were elected for the following year. The election developed as follows: Edward Hutchins, president; Paul Keenan, secretary; and Leon Sloan, treasurer. Plans were discussed for the future, and a well-planned program is promised.

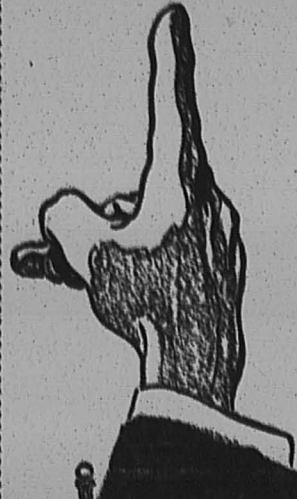

After the business meeting the fellows indulged in basketball and volleyball, while Henry Mathers and Frank Henger played off a fast game between the Athletics and the Yanks at dart baseball, the final score being 5-3, in favor of the A's.

The building has been recently

equipped which adds greatly to the pleasure of the meetings, and the members indeed look forward to the Hi-Y meetings each Thursday evening.

It close bobbing continues in favor, we predict, that the men will go back to winners and challenge the women to follow them.

Stock Offer Over-subscribed

To the People of New Jersey:

On April 1, Public Service Corporation of New Jersey offered to the customers of its subsidiary companies 30,000 shares of its 6% Cumulative Preferred Stock of a par value of \$3,000,000 for subscription under its Popular Ownership Plan.

At the close of business on April 6, 1927, a total of 33,561 shares of a par value of \$3,356,100 had been subscribed.

The officers of the Corporation express their deep appreciation of the confidence manifested by the people of New Jersey through this quick over-subscription.

Popular Ownership is a fixed policy of Public Service and other opportunities will, as occasion warrants, be given to Public Service patrons to become shareholders.

THOMAS N. McCARTER, President
Public Service Corporation of New Jersey.

A company becomes the leader in its industry only if its products and service are of unusual merit

Friendly Thoughts
by Frank A. Snover

Those who grow weary know the sweet blessing of rest. Each day is a journey and when journey's end comes at night, there is peace to be found in relaxation. The man who serves others is traveling toward happiness.

Each day we study to perfect our knowledge that our professional conduct and personal sympathy shall add further perfection to our public service.

SQUANDERING OIL WEALTH.
400% MORE BABY SHOES.
USELESS RECORD BREAKING.
WILL SHE DIE?

Mr. Teagle, president of New Jersey Standard Oil, warns oil men that they are cutting their own throats. "This country is treating the nation's oil wealth as unthinkingly as frontiersmen treated the herds of bison. The bison soon vanished."

Oil is actually being sold for less than it costs to produce, cheerful for buyers, but it will not last.

Millions are spent developing new wells to increase competition while oil companies are carrying 530,000,000 barrels of oil stored above ground at an annual cost, loss and waste of \$130,000,000.

The country's national oil wealth is not merely private wealth. It is a great national asset and a way should be found to give oil production some national control and stop waste.

You are told many things about prohibition, for and against. It is Davidson, writing from Coronado Beach, California, asks, "Do you chance to know that the sale of children's shoes has increased 400 per cent per annum since prohibition came?"

Everybody will agree that 400 per cent more shoes for children, combined with larger savings bank deposits, is a strong argument for prohibition, assuming those things to be results of prohibition.

Those that would modify the Volstead Act say the average man is earning about twice what he earned before the war, and increased savings, not the absence of beer, explain greater savings and more children's shoes.

A coal strike of a sort was started last week in what is called "the central competitive field." Union men in the North cannot compete with non-union men farther South.

The alleged attempt to reduce wages in the North would cause still further reduction of wages in the South. Industry and business are not civilized while it is necessary for employees to engage in periodical battles, at the expense of the workers' wives and children, to decide what is fair pay. Some in partial third party should fix wages. The public pays in the price of coal.

Sagave, British, beat the world's automobile record last week, flying over the sands of Daytona Beach in Florida at a speed greater than 160 miles an hour. His racing car, the "Mystery 3," looking like a submarine on land, broke the American record by ten miles an hour. It's an achievement interesting, but not useful. No automobile can go 128.6, FULLY 160 miles an hour, or 100 miles an hour.

Up in the air, where the road is wide, is the place for real speed. At Lyons in Georgia, men on trial for kidnaping and robbing the Rev. K. J. Jones, Jr., wore hooded. One had a pistol, another waved a sword. They told Mr. Jones they did not approve his moral conduct, drove him off in a car, held him down, beat him with a leather strap.

The clergyman testifies "After I was set free I started off down the road singing 'How Beautiful Heaven Must Be.'" During the beating he had prayed aloud. Such fortitude is MOST unusual.

Now New York may have to decide about executing Mrs. Ruth Snyder, young, blond, curly-haired widow, aged thirty-two, who recently confessed she helped another man murder her husband.

She says she now loathes the man that did the killing. He seems to have borrowed a suggestion from his original ancestor, Adam. Friends say he was hypnotized by the woman whose husband he killed.

If human nature, public opinion and the course of events work as usual, the man will be executed and the woman sentenced to life imprisonment. There seems to be a psychological objection to strapping women in the electric chair.

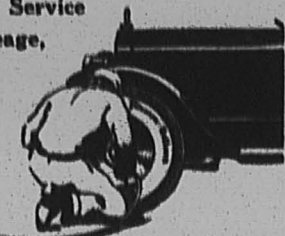

We do not need war with China, and it would not be a righteous war once we have rescued our nationals. Having told Asiatika that they may not live here, it would be playing the hypocrite and bully to object to China's decision that she does not want us, or Europeans, on her soil. If we may exclude Asiatika justly, China may, with equal justice, exclude us.

SCHOOL CONTESTS

Palmyra Will Enter County Spelling Bee

Palmyra Schools will enter the Burlington county spelling and arithmetic contests which will be held at Mount Holly, Saturday, May 7.

This contest is for the seventh and eighth grades of grammar

schools. Those who will represent Palmyra this year have not as yet been picked but will be chosen in the near future. When Palmyra takes part in these contests she generally comes home with a prize.

First prize last year of \$10.00 was won by Helen Young, a Palmyra girl. Helen also participated in the spelling contest held by the Trenton Times but the strain was too much on the young pupil and

she collapsed during the contest. Nevertheless she won a leather dictionary presented by the Trenton newspaper.

Anyone who has steered a bus through the rough seas of the last seven years has done something.

Builders Attention!

Do you want work?

If you do we can give it to you. We have the ground for you to build on and we can finance your work if you can't carry it yourself.

We also sell the houses for you.

If you are an A-1 builder who is looking for work, come to see us. We'll give you work and we'll both benefit by it.

DON'T DELAY! COME NOW!

Cover your
worn-out roof
with one that can't wear out!

YOU don't have to tear off those old weather-beaten shingles to get a new roof. Leave them on for added protection against heat and cold!

Just lay Carey Asbestos Shingles over them for a beautiful, everlasting roof. No expense and bother of ripping off the old shingles—no litter and dirt all over your lawn!

And remember this—if you put on Carey Asbestos Shingles you'll never have to spend another penny on your roof. No upkeep, no repairs to worry about. Made of long, tough asbestos fibers, criss-crossed in cement by a special Carey process—these shingles are as everlasting as rock! And absolutely fireproof as well.

Beautiful color effects to choose from. Natural browns, slate gray, pottery red, blue-black, purple and forest green. They make any home more attractive—and at surprisingly low cost!

We'll gladly give you full information, show samples and quote prices. Just call, write or telephone.

Sold square—in American style

Less Than 800 Boys In Burlington County Have YMCA Privileges!

Never before in the history of boys has there been greater need for such character-development as the YMCA program provides than right now!

Twelve "Y" Groups have been organized or reorganized in Palmyra, Riverton and Cinnaminson township within the last year, with a combined membership of over 150.

The YMCA building at Palmyra has been refurbished and is now open every afternoon for recreation, and is used evenings for meetings of "Y" groups.

THE EXTENSION OF THIS WORK is only limited by the financial backing and the enlistment and training of leaders.

\$4000

from Riverton and Palmyra will give us a trained resident Secretary in addition to extensive service by the present County "Y" staff.

A part of your contribution will go toward the support of Camp Ockanickon, the finest boys' camp in all of South Jersey.

The local YMCA work is administered by a Board of Trustees, composed of ten men from Palmyra and an equal number from Riverton, working in close co-operation with the county YMCA committee.

The annual campaign for funds will open next Monday, the 18th

This space has been donated by an interested friend of Y. M. C. A. Work

THE NEW ERA

Published every Thursday at 607 Main Street

RIVERTON, N. J.

Entered as second class matter at the Riverton, N. J., post office
WALTER L. BOWEN, Editor

The New Era is devoted to the business and home interests of Riverton and Palmyra, independent of political or religious belief—the people's paper

Subscription \$1.50 a year in advance

Advertising rates on application

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices

LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioners', Sheriff's and other Sales, Administrators' and Executors' Advertisements are solicited. The New Era will appreciate being remembered in this connection.

NOTICE

All readers or local notices of entertainment, suppers, fairs, dances, etc., given for the purpose of raising money, will be charged for at the rate of fifteen cents a line.

SHILLY-SHALYING

The Mayor of Riverton has been asked by some of his friends, including the editor of this paper, whether or not he intends to be a candidate to succeed himself.

But he refuses to give a straightforward answer. "Haven't made up my mind," "Nothing to say at present," "Have no announcement to make at this time," are some of the evasions.

It is suspected that His Honor is playing for time—trying to find out whether or not he will have opposition, and if so, by whom—or he may want to be coaxed.

What Riverton needs is a mayor who can make up his mind and stick to it. A mayor who, when he takes a stand, will see it through—a mayor who will keep hands off the various departments and give the chiefs of these branches of borough government a chance to function without constant hampering and interference.

Riverton also needs a mayor who is progressive, who will get things done, who will face responsibility squarely—a mayor who will play the game in the open, without secret sessions and petty back-stair diplomacy, a mayor who does not set himself up as being above the legislature, governor and laws of this great commonwealth, and attempt to withhold from the people information about public affairs which the law provides they shall have, simply because he "does not think it is necessary."

Time was when Riverton held an unquestioned position of influence among her neighbors, but she is rapidly being out-distanced in progressiveness and civic spirit, and unless her public affairs are placed in the hands of men of vision and courage her future is not pleasant to contemplate.

HOSPITAL REPORT

Forty-seven Patients at County Institution During March

The report of the Burlington County Hospital, Mount Holly, for the month of March, as submitted by Daisy S. Hollingshead, follows:

Total patients admitted during month, 47.
Private patients, 9.
Ward pay patients, 17.
Ward free patients, 21.
Operations performed, 27.
Remaining date of this report, 25.

REQUEST

The Shade Tree Commission has planted 93 trees in Riverton and requests each property owner to keep these trees well watered until they are established.

RIVERTON P. T. A.

Thursday—April 21st is Talent Day in the Parent-Teacher Association of Riverton.

On Thursday afternoon there will be an interesting session in the school auditorium for mothers and their friends. Talents ranging from the musical and literary—through the needlework art to the secrets of the culinary art, will be displayed. If it is a new article for the home you need, it can be bought. If it is something prepared for the dinner menu, it will be ready to take home.

So come out, and see what interesting talents are included among the members of the Riverton P. T. A.

DICKSON HOME FROM PORTO RICO

Mr. and Mrs. R. J. Dickson, of Bank Avenue, returned home Monday after spending a month in Porto Rico. The trip down on the boat and the hotel at San Juan had all the comforts of America, but they spent most of the time in the native parts, where everyone spoke Spanish and many owned automobiles. The people are extremely poor, the men till the land, raising tobacco, coffee and bananas; and in the south, sugar cane. The women do embroidery work, which is taken to them by contractors, and in return they receive but a few cents a day. The principal foods of the natives are rice and beans, but those who become a little bit prosperous gradually add variety.

CALVARY YMCA GROUP

The regular weekly meeting of the Calvary YMCA Group was held at the Methodist Church in Palmyra.

Before the meeting began we had a trio by Chas. Foulke, Robert Hartley and Laddie Dickinson which was hard to listen to but we managed to stand it.

Next, slides were shown and an interesting game of basketball was played. We waited until eight o'clock for our leader, Paul Hare, to come but we found he had gone on an errand so the meeting was begun. Everyone attended the meeting sometime during the evening which gave us a full attendance, which has happened twice in succession now.

The business of the evening was then taken up and book dues were collected. Next we discussed a few other things and then decided on having Bill Baker of Palmyra, our basketball manager. The first practice will be on Friday morning. It looks as though we will have a tight team this season.

The meeting was then adjourned and another game of basketball was played.

We ended up with our friendship circle and returned home.

JACK WALSHY, Reporter.

EASTER AT SACRED HEART CHURCH

The Easter Services at the Church of the Sacred Heart, Fourth and Linden avenues, will comprise two masses, namely at 7 and 10 a. m. The choir has prepared a special program of music for the occasion at both services and will be assisted by an orchestra of five pieces under the direction of Professor Bosse, of Camden.

Y. M. C. A.

The Triangle Group met at the home of Stanley Lippincott on Wednesday evening, April 6th. The meeting opened with prayer by Lloyd Grimsom. We then read the responsive ritual followed by a Bible study by our leader. We then turned the meeting over to our host for games and refreshments. As this is a Christian Association and this is Holy Week there will be no meeting on Wednesday, April 20, we will meet at Robert Bosse's home, Robert C. Bosse, Reporter.

RECIPROCAL MUSIC DAY

Reciprocity Music Day at the Riverton Park Club will be held Tuesday, April 19th. The neighboring clubs have been invited to send delegates to take part in the day's musical program. The morning session will begin at 10 o'clock, and the afternoon session at 2 o'clock. A cafeteria luncheon for 50c will be served by the House Committee to those planning to stay all day, or to those who would find such a luncheon a convenience. Members and their guests are urged to be present to welcome the out of town clubs. Come for all day, if possible, or for the morning or afternoon session. Reciprocity Day has been observed and enjoyed by the Park Club for many years. Telephone Mrs. Frank Bell, Riverton 758, or Mrs. Edward Merrill, 84 J, for luncheon reservations.

COMMUNICATED

TACONY-PALMYRA FERRY CO.
Business Office
Palmyra, N. J.

Editor,
The New Era,
Riverton, New Jersey.

Dear Sir:
As the time is approaching when the officers of Riverton will be compelled to select a candidate for Mayor, it would seem but wisdom to consider the qualifications of our present Mayor, who has been a very faithful official.

I have known Mr. Hemphill for many years, and have a very high regard for his sagacity, efficiency, integrity and ability. Four qualifications seldom possessed by one individual.

Doubtless he, like many men, will be distinguished to put forth any attempt at securing the nomination, because the position necessarily entails considerable work and attention. I feel that those citizens viewing the matter as I do, should appeal to Mr. Hemphill, asking him would he not consider re-nomination.

Of course this is my individual view, but I am in hopes that there are quite a number of citizens of the borough imbued with the same thought.

Trusting you will find space in your columns for this, I remain
Yours very truly,
CHAS. A. WRIGHT.

CAWHWM

EDISON PIONEER GROUP

The Edison Pioneer Group held their meeting on April 13th. The leader suggested another treasure hunt, but the majority of the boys did not want it this week, so we did not have it. One of the fellows brought a game and some of us played it.

Three new members were admitted to the group. A game of basketball was played and won by Leroy Lester's team with a score of 4 to 3. We played illumination and racing tag.

ROY J. HIRST, Treasurer.

RIVERTON ITEMS

Charles A. Wright, president of the Tacony-Palmyra Ferry Company and also president of the Riverton-Palmyra Water Company has a letter in this issue calling for votes in appeal to Mayor Hemphill to be a candidate for re-election.

Mr. and Mrs. John W. Austin, of Edgewater Park, and Mr. and Mrs. Alex M. Smith motored to Lambertville on Sunday.

Tuesday night Officers Miller and Wille arrested George Phillips, of New York, for acting suspiciously around the home of C. H. Yost on Thomas Avenue, at 11:30 p. m. Officer Quigley took him to Mount Holly Wednesday afternoon where he will be held 30 days for investigation. Several pawn tickets were found in Phillips' clothing.

The person who shot a hole through one of the windows in the new part of the Presbyterian Church will be severely dealt with if he is found out. Notice has been given several times as to the unlawfulness of shooting any kind of firearms within the Borough limits. Any boys found playing with these deadly weapons will be punished accordingly.

Lucien Stout was arrested by Officer Quigley Wednesday morning for breaking parole from Rahway where Stout was committed for a year and a day. Stout broke parole in 1924 and went to Pittsburgh. Quigley found out from the County Detective's office that Stout was wanted. Stout was taken to Mount Holly Wednesday afternoon by Officer Quigley.

All persons who are seen about the town after 12 o'clock midnight cannot give a satisfactory reason for being about at that time of night will be arrested and held for investigation.

Mr. and Mrs. William O. Henry and family motored to Princeton on Sunday where they spent the day with friends.

Mrs. George C. Baker of Elm Terrace entertained at luncheon on Wednesday.

Mr. and Mrs. H. E. Armstrong, who recently moved from Riverton to their attractive new home in Haddonfield, entertained friends at a housewarming dinner on Saturday.

Mrs. Walter Bond, of Evanston, Ill., is visiting her parents, Mr. and Mrs. S. S. Daniels.

Mr. and Mrs. Philip Mathews at Second and Thomas are receiving congratulations on the birth of a daughter on April 7th.

C. H. Yost was called to Baltimore last Friday by the illness of his brother, Herbert D. Yost, who had pneumonia but was improving until spinal meningitis developed, which resulted fatally on Monday.

Mr. and Mrs. C. H. Yost are attending the funeral at Lewisburg Pa., today.

Miss Emma H. Blackwell, of

Philadelphia, is spending several weeks as the guest of Miss Elizabeth Bowen.

Mrs. D. H. Truchessa, of Riverton, and Mrs. Volney Bennett, of Merchantville, returned home last week from a two-months trip to California.

Leslie Reeves, accompanied by three of his friends, took a motor trip to Washington over the weekend.

Mr. and Mrs. William Gootie and Mr. and Mrs. Clarence Bell visited friends at Pittman on Sunday.

Mrs. J. J. Siddall received a telephone call from Boston on Thursday of last week saying her mother had died very suddenly. Mrs. Siddall has suffered a nervous collapse and is under the care of a physician. This made the fourth message of death from her family within a few months, and all were without previous warning of illness.

Mr. and Mrs. W. L. Caskey spent the weekend with Mr. and Mrs. George Rodolph, of Frankford.

Miss Lillian Grein spent Wednesday with Mrs. Edward Evans, of Riverton.

Mr. and Mrs. George D. Steele entertained the Saturday Evening Pinner Club.

Miss Betty Sloan spent the weekend with her mother, Mrs. Charles Gross, of Bywood, Pa.

Albert Giberson is slightly improved after being operated on for appendicitis.

Mr. and Mrs. Edwin Evans spent Sunday visiting his mother and sisters at Mt. Ephraim.

Mrs. Etta Clark spent Sunday with friends at Collingswood.

John H. Gullings is ill at his home on Harrison street.

Mrs. Richard M. Hollingshead entertained at a bridge luncheon at her home on Linden Avenue Thursday afternoon last.

Mr. and Mrs. Luther R. Turner entertained fifteen children Saturday afternoon, April 9th, in honor of the eighth birthday of their daughter, Mary.

Albert VanScler who suffered a slight fracture of the skull while playing hide-and-seek in Evans' lumber yard about three weeks ago is able to be about the house again. Albert went to run under a rider and did not "duck" low enough to clear his head. He went for a few days before being taken sick. During the first few days Albert said he felt dizzy but he finally had to give up and go to bed for a few days.

William Hidenbacher, of Fork Landing, has purchased a new Pontiac sedan from Warren W. Yenny, the local dealer.

Mrs. J. Werner and daughter left today to spend two weeks in Florida.

Mrs. Temple is spending some time with her daughter, Mrs. S. R. Maul, in Riverside.

Mrs. Hannah L. Ford, son, Lewis O. Ford, daughter, Mrs. Fannie E. Reeves, and granddaughter, Mrs. Arthur Bowker went to Elizabeth

today, to remain until after Easter. Mrs. Elizabeth Coddington, of Arlington, expects to spend Saturday and Sunday with her parents, Mr. and Mrs. J. M. Coddington.

Mr. and Mrs. James Cavell, of Flint, Mich., were guests of Mr. and Mrs. Otto Bowers on Sunday.

Mrs. Dorothy Wheeler and daughter, Virginia, of New Brunswick, who have returned from a trip to Florida, are visiting her mother, Mrs. Susan Mattis.

Ernest Bishop broke his right arm while cranking a car yesterday afternoon. It was set by Dr. H. B. Mark.

Extensive alterations are being made at the Riverton Market House which, when completed, will provide a wide entrance and two large display windows in the front. Such evidence of progressiveness and prosperity speaks well for Riverton.

Hold fast to your illusions—they'll keep you young and happy.

PALMYRA NOTES

Mr. and Mrs. Leonard R. Baker, Mr. and Mrs. Harold Baker and Mr. and Mrs. Edward King motored to New York Tuesday and witnessed the opening baseball game between the Yankees and Athletics in the Yankee Stadium.

The Needlework Guild will hold its regular monthly meeting at the home of Mrs. Greenwall, 115 Henry street, on Tuesday, April 19. Commenced to sew and bring your boxed luncheon. The regular business meeting will be held in the afternoon.

A sacred cantata entitled, "The Victorious Christ," will be presented at the Central Baptist Church on Easter Sunday evening by the B. Y. P. U.

George N. Wimer, Edwin A. Grinnell, Robert A. Gray and Fred W. Seiber represented Palmyra at the monthly meeting and dinner of the Burlington County Real Estate Board in Mount Holly on Tuesday evening.

Hon. James T. Went has been elected Purchasing Agent by the Directors of the West Jersey Hospital in Camden and his duties will commence June 1st.

Mr. John H. Patterson of Philadelphia was the guest of his daughter, Mrs. Dean H. LeFavor of Morgan avenue this week.

Mrs. A. C. Hirsch of Highland avenue attended the monthly meeting of the WCTU held at the home of Mrs. Ella H. Thacher in Edgewater Park on Tuesday.

Mrs. Frank A. Shover entertained friends at cards Monday evening. Mrs. Arthur Ingraham, of Albany, N. Y., and Walter Ingraham, of Troy, N. Y., spent Saturday and Sunday with their sister, Mrs. Howard Alloway. They were here to attend the funeral of their sister in Vineland.

Mrs. Frank A. Shover will visit her sister, Mrs. George of Stroudsburg over the weekend.

Don't forget the cake sale to be given by the St. Agnes Guild this Saturday at the YMCA building from ten o'clock in the morning until four in the afternoon.

A. C. Gherman of Charles street was rushed to the Cooper Hospital in the Palmyra Ambulance early last Friday morning suffering from an acute attack of appendicitis. Mr. Gherman was operated upon immediately and is improving rapidly. George W. Rogers drove the ambulance.

Mr. and Mrs. Walter D. Lamon and family of Cleveland avenue visited friends in Fernrock, Philadelphia on Sunday.

Miss Ethel G. Rich entertained at a package party and delightful mid-night luncheon at her home on Perry avenue Tuesday evening. Guests from Philadelphia, Darby, St. Albans, Colchester, Merchantville, and Logan were present.

The Palmyra Schools will be closed Friday and on Easter Monday.

The Palmyra Fire Department was called out Monday afternoon to extinguish a blaze in Dr. Lamb's wood pile. Little damage was done.

The Grammar school will hold its annual field day the first part of May. Further information as to the events will be given later.

Mr. and Mrs. D. Grey Schwarz and Mr. and Mrs. Herbert H. Parsons motored to New York Friday for the weekend. Friday afternoon the party attended a reception held in Carnegie Hall under the direction of the Philadelphia Singing Society and led by Walter Damrosch. The celebrated orchestra leader, Mrs. Schwarz, who is an accomplished singer, took part in this festival.

William Wilbraham and G. Harvey Rogers motored to Atlantic City on Sunday.

S. White is confined to his home on Chinnaminson avenue with a slight attack of grippe.

We have received a card announcing the death on April 10 of Mrs. Eva De Cou Klepper, at Lock Haven, Pa. She was the wife of Blair Klepper. They were residents of Palmyra for several years and their many friends will be grieved to learn of Mrs. Klepper's death.

Lorraine B. daughter of Mr. and Mrs. G. C. Comery, of 1001 Madison avenue, celebrated her twelfth birthday Wednesday, April 6. The following attended her party: Virginia Inland, Margaret Galloway, Mildred Goodwin, Edith King, Mary Malone, of Palmyra; Evelyn Wells, of Philadelphia; Graham Carpenter, Joseph Carrikan, George Comery, Grandson Layton, Kenneth Snow, David Still and Thomas Vandervier, also of Palmyra.

Mrs. Frederick Ryckman, of Washington spent Sunday with Mrs. A. C. Hirsch of Highland avenue.

Mr. and Mrs. Thomas S. Branson, of Washington avenue, entertained Mr. and Mrs. C. Doehrer and son, Benjamin, of Washington on Sunday.

Mr. and Mrs. Wesley Huyett and family will spend the Easter holidays with relatives in Broadwater, Va.

On April 7, Rev. Melville H. Waz of Grace Reformed Church, Springfield, Ohio was elected pastor of St. Luke and St. John Reformed Church at Baltimore. Mrs. Waz is the daughter of Prof. and Mrs. Philip Vollmer, of Palmyra.

Mr. and Mrs. Fred Wehage, of Boston, stopped at the home of Mr. and Mrs. George Seel last week. Mr. Wehage remained over the weekend and then went to Roanoke, Va. Mrs. Wehage is staying for two weeks, after which she will join Mr. Wehage in Roanoke, where they will make their home.

The Rev. Philip Vollmer is lecturing in Erie, Pa., this week.

Mr. and Mrs. Alfred Wilkinson, of Audubon, were guests of their parents, Mayor and Mrs. James T. Went on Tuesday.

Mr. and Mrs. George Seel entertained on Sunday the Misses Blanche Swift, of Tioza, Miss Ruth Allen, of Philadelphia, and their son, Clifford Seel, of East Orange.

Mr. and Mrs. Grover Fox and children motored to Seaside Heights on Sunday.

Herbert Lees is ill at his home on Washington avenue.

Mrs. Elvin I. Powell entertained last Thursday Mrs. Benjamin Cassel, of Norristown. Mrs. Lydia Maeder and Miss Lillian Stahl, of Philadelphia.

Mrs. Wesley Huyett and children have gone to Broadwater, Va., where they will spend two weeks with her parents this week.

Mrs. C. W. Randolph and Miss Adeline Seel are spending the week at Hotel Biscayne, Ocean City.

Mr. and Mrs. Thomas Edge spent the weekend in New York.

PHS Baseball Nine Loses Test Game

High School Lads Put Up Good Game Against River-side Team

Palmyra High School opened its baseball season Tuesday of this week with a practice game with an all-star combination known as Harold Quickall's All Stars, of River-side. This was Palmyra's first real competition and although they put up a good battle they were forced to a 9 to 6 defeat. This contest was no disgrace to Kenneth Dimond's baseball team as they were the best of the best baseball material in the county in their line-up.

Tip Johnson, of Delanco, was on the mound for the winners and delivered a fine brand of pitching. Quickall was behind the plate and handled Johnson's slants in excellent style. He also had three hits to his credit, one a triple that rolled to the right field fence. Joe Hines was at second for the winners and besides bunting out three hits in succession played the keystone sack a la Collins. On one occasion Hines leaped high into the air to spear a line drive with one hand, thus robbing the batter out of what would have otherwise been a sure hit.

Both Bayer and West saw action on the pitching knoll for the high school boys and displayed good baseball for the opening game of the season. Their shoofs were well handled by Harry Little, who had a good day, crashing out a pair of hits. "Vic" Mueller also had a pair of hits and played a bang-up game in right field.

Jack Elsley, of basketball fame, and Johnnie Meyers were the bright lights in Palmyra's attack. Elsley played at first base and center field while Meyers stopped everything that went toward shortstop. Paul Mueller also played well at the hot corner. Captain Charles Zoll, who held down third base last year and his kid brother, Albert, who is out for catcher, were still out because of scholastic difficulties.

The contest was about even according to hits, each side making a total of eight. The All-Stars got off to a good start, tallying in the first inning and were never headed at any time of the game. The All-Stars' infield blew up in the latter part of the game allowing the high school boys to chalk up four markers.

The hardest hit of the contest was a crackling double by Horan outfielder for the All-Stars, which hit the left field fence on the first bounce. The Riverside All-Stars were now dickering for a game with Palmyra High School while Palmyra High will meet bats with the Pemberton nine tomorrow afternoon at Pemberton.

COMMUNITY WELFARE

Regular Monthly Meeting of Charity Association is Held

The regular monthly meeting of the Community Welfare Association was held last Friday evening with President George N. Wimer in the chair and with nearly a full attendance of officers and directors.

Several cases in which the Association was interested were reported on by the committees and proper action taken.

The Treasurer reported several donations of money toward the work and the Secretary reported that letter heads and envelopes had been donated by Walter L. Bowen and filling cards by Charles A. Wright. Among the contributions received was one from A. Friend, 2420 14th, and another from Lester Forum of \$5.00.

The organizations which so far have signified their wish to take part as constituent members are: Lions Club, P. O. S. of A., American Legion, Elks Club, Home Service Association, The Corners Club and the Baraca Class of the Central Baptist Sunday School.

SCHOOL OF MUSIC

In Person's School of Music at 4th and Chinnaminson avenue for the month of March, the following pupils received highest honors:

Bertha M. Mays, 214 Leconoy avenue, acquired first place on the Honor Roll, as she was never tardy or absent. She received 36 gold stars, one reward card and her report card shows 100% for good lessons.

Johnnie Mays, 214 Leconoy avenue, in club work, Jane Pluck, 402 Chinnaminson avenue received first honors in Club work. She is the first Club member to reach the 100% mark.

Verla Woodbridge, 501 Chinnaminson avenue had the best monthly test. She received 100% and a silver star. These pupils deserve a great deal of credit for the efforts they are putting forth to become good musicians.

EPISCOPAL

Christ Church, Parry Avenue
Rev. G. J. McBurnack, M.A., L.Th.
Rector

Today, Maundy Thursday—from the Latin Mando "to command"—is the day on which our Lord gave commandment to His disciples to commemorate His death, to wash one another's feet, as a sign of humility, and to love one another.

Good Friday has a double meaning—positively, as recognizing the joyous emancipation of the believer through the finished work of the cross—negatively, as a protest against the superstitious branding of all Fridays, and this one in particular as unlucky. Good Friday teaches us that "with His stripes we are healed" not plunged into gloom, and that our sorrow on this day is not for Christ, but for our own desperate condition if we or any whom we know and love are apart from Him.

Services for Good Friday, 9:00 a. m. Intercession, 12 noon till 3 p. m., the three hour service, with meditation on the seven words from the cross, and at 8 p. m. the choir will sing Maunders "Olivet to Calvary."

Easter is the resurrection day of our Lord and Saviour. He who is the hope of the soul, the comforter of all who have been bereaved, the bringer of life and immortality to all the sons and daughters of men who believe in Him.

His name the sinner hears,
And is from sin set free,
'Tis music in his ears,
'Tis life and victory.
New songs shall now his lips employ,
And dance his glad heart for joy.

Services on Easter Day at 7:30 a. m. Holy Communion. 10:30 Holy Communion and Festival responses.

Holy Baptism at 12:15.
Service for the Children of the Church and presentation of their lectors offering for the extension of Christ's Kingdom, at 2:30 p. m. 8 p. m. Choral Evening song and sermon. 9 p. m. Holy Baptism. Message for the day: "If ye then be risen with Christ, seek those things which are above."

On Saturday the 16th The Guild of St. Agnes will hold their Annual Cake Sale in the Parish House.

Easter Monday the Annual Parish meeting and election of officers will be held. Supper will be served by the ladies of the Church at 5:15 and the election and other business will follow. Those who have not yet received notice, please accept this as sufficient, and kindly let the Rector know if you expect to be present, before noon on Saturday. A very important and interesting evening is anticipated.

The Junior Auxiliary is presenting a play "Cousin Kate" which Miss Mildred Bass Anderson of international reputation will give, on Tuesday, April 18th in the Parish Hall at 8 p. m.

Sermon Easter Sunday morning, 10:30 a. m. "The Easter Cross," 8:00 p. m. "A City Without a Wall."

Easter Sunday, 10:30 a. m. Processional Hymn 112. Introit: Christ Our Passover.

Kyrie Gloria Tibi Gratias Tibi Hymn 109 Offertory Anthem "Hallelujah Christ is Risen" Simper

Sarsum Corda
Sanctus
Gloria in Excelsis
Recessional Hymn 121
8 p. m.
Processional Hymn 110
Versicles (Festal)
Magnificat
Nunc Dimittis
Hymn 128
Offertory Anthem "He is Risen"
Kneeling Hymn 423
Recessional Hymn 117.

EPWORTH METHODIST EPISCOPAL CHURCH

Rev. J. William Lee, Minister
"Easter Joy" will be the keynote of all services on Easter Sunday. Miss Kay Green will address the main department of the Church School which will begin at 10 a. m. There will be special music and fine Easter decorations. Special features in all departments.
Church Worship at 11:15 a. m.
An elaborate musical program will

be presented: Organ prelude "Easter Theme" by Gullmant; Processional "Resurrection Joy" by Choir; Anthem, "Christ is Risen," by Choir; Anthem "The Lord is Risen Indeed," by Choir; Postlude, "Praise," Gullmant; Sermon, "The Lord of Life," There will be reception of members.
A full service with Easter Joy for everybody.
The Epworth League devotional meeting at 8:45 p. m. Leader, Miss Lydia Horton, theme "Christ is Alive."

The evening service at 7:45 will be of unusual interest.
Processional "Open The Gates of The Temple" by Choir. A brief but beautiful Cantata entitled "Dawn and Resurrection, Dawn of the Kingdom," Baritone solo, Mr. D. G. Schwartz. Tenor solo, Mr. A. R. Wilson. Sermon theme "Shall We Know Each Other There?"
Holy Communion this Thursday evening at 7:30.
"For as Thou hast loved me, so will I love Thee, O Jesus, most

worthy of all the love we have to give."

Sunshine Sue
He: "Did you ever visit the museum?"
She: "No. It never happened to be raining when I passed it."

Terms Arranged

High in Quality—Low in Price

Motorists are beginning to learn that there's a big difference in tires, although they all look pretty much alike. Some are made with skimp, short staple cotton. Some have an overdose of "filler" in the rubber of the tread. Some are long on looks and short on quality.

But you won't need a microscope to be sure that the Goodyear tire you get from me is a real buy. Goodyear mileages tell the story.

Goodyears are performing so satisfactorily for my customers that they invariably come back—not with a kick but with a boost, and for another Goodyear when they need the equipment.

I have your size—in fresh, new stocks.

PROTECTION

A bank account is both a convenience and a protection.

Have you ever had a dispute with any one over the payment of a bill?

On numerous occasions we have had persons come to the bank and ask for their cancelled checks in order to prove certain payments.

A paid check with the endorsement of the payee is indisputable evidence in such a case.

Open a bank account and pay by check.

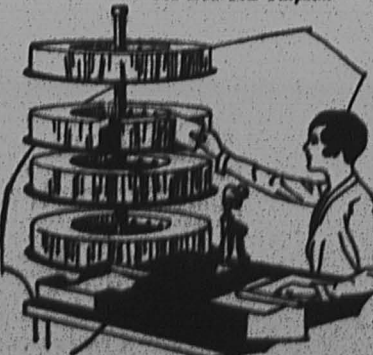

The Palmyra National Bank

Palmyra, N. J.

At Your Personal Service

Personal Service Begins When You Order Your Telephone

When You Ask For Information About a Contract or a Bill

THE MEN AND WOMEN of this company are trying to turn out something more than just a good general service.

No two users have exactly the same needs.

When you order a telephone installed or moved, we want to see it through in such a way that your personal requirements are exactly met.

When you ask for information about a contract or a bill, or report trouble with the instrument, or make even the most casual telephone call, we want to give each matter the sort of attention that spells personal service, not just average service.

Maybe this is a big order. Our everyday job involves an almost infinite number of contacts, usually at a distance over a telephone wire, on an infinite variety of matters.

But it's what we are aiming at.

Your Telephone is Installed Where It Suits You Best

Always An Efficient Operator At Your Service

For those who have not yet discovered *home-like* Bond Bread a 2nd guarantee...

Above is the bond that appears
on every Bond Bread wrapper
every day. It is your guarantee
of Bond Bread's pure ingredients.

At the right is the *extra* guar-
antee wrapped with each loaf
of Bond Bread this week. Read
it. It may mean much to you.

"YOU will like Bond Bread better than any other
bread except the best home-made....or you
may have your money back, every cent."

THAT is the gist of the new, writ-
ten guarantee which you will get with
each loaf of Bond this week.

This is in addition to the regular
guarantee-bond that has always ap-
peared on each wrapper. You know
that famous bond. It is the *bond* from
which *Bond* Bread gets its name. It
means purest ingredients. It means
good baking. It means a firm, close-
knit, healthful loaf—*home-like* in flavor.

The new, money-back guarantee
will be wrapped in with every loaf
of Bond you buy from your grocer
this week.

If you are not a regular
chooser of Bond Bread, why
not try a loaf today, at our
risk? You cannot lose. You may gain
much. You will be protected by the regu-
lar bond of purity *plus* this new money-
back guarantee, as printed above.

Nobody can buy better bread than

Bond

THE WELL-BAKED HOME-LIKE LOAF

Prisoners' Camps Are Being Visited

Freeholders Now Gathering Data
For County Workhouse
Suggested by Sheriff

The Burlington County Board of Freeholders is making a thorough investigation of the county workhouse proposition by visiting several counties in the state where workhouses are maintained. The proposition of a work house for Burlington County was made by Sheriff A. Engle Haines a few weeks ago as an adjunct to the county jail. Recently the Chamber of Commerce at Medford sent a resolution to the Freeholders favoring the proposition of Sheriff Haines and requesting the board to take some action.

After making some visits to other counties last week, a visit was made to Leesburg, the prison camp in Cumberland County, which is in charge of Col. Edward B. Stone, formerly of Burlington, and a former deputy sheriff in Burlington county. On this visitation the members of the board were accompanied by Sheriff Haines, Day Warden Maurice Stevenson, County Treasurer Joseph S. Bright and County Auditor Harry J. Ziegler.

At Leesburg there are 200 prisoners. The visitors found the men under very little restraint, for they know they will be sent back to the state prison at Trenton should they digress from the well-formulated rules of the institution. The prisoners sleep in large dormitories and have no bars over their windows and there is not a fence around the large farm. They have cleared over 600 acres of stump and bog land since the camp was established, and they raise practically all the produce consumed by the prison. There are enough potatoes, tomatoes, pumpkins and other vegetables raised to supply the Vineland Home for Feeble Minded and some are used at the state prison in Trenton.

DID YOU EVER STOP TO THINK

By Edson H. Wolfe, Shawnee
Oklahoma

W. R. Orchard, Editor of the "Council Bluffs (Iowa) Nonpareil," says:

That the greatest wonder in the world today is America.

We have six per cent of the earth's population, 115,000,000 while outside our territorial dominions there lives on the earth

ONE ON THE JUDGE

Somewhere was referring to the fiftieth birthday of the Bell Telephone Company last year in former Judge Wells' hearing the other day, and he remarked that it was a coincidence that the Bell system and he both observed their fiftieth birthdays at exactly the same time. "Yes," "two great talking machines made their appearance in the same year."

1,500,000,000 people. The United States contains five per cent of the earth's land area.

Our people consume one-fourth of the sugar produced in the world 105 pounds per capita annually. If the balance were divided equally among people outside America the allowance would be five pounds per capita.

Our people consume 39 per cent of the shoes produced in the world, 50 per cent of the print paper, 53 per cent of the iron, 57 per cent of the steel. We have one-third of the railroad mileage in the world and two-thirds of the telegraph and telephone lines. We have 22,000,000 motor vehicles operating in this country as against 5,000,000 operating on the earth outside America. We require 75 per cent of the world's rubber supply to take care of our demands. We have accumulated nearly half of the visible gold supply in the world.

The only aristocracy we have in America is that of merit.

Our manifold blessings are due directly to divine providence and to the fundamental law of our country which makes all men free to develop their talents to the limits of their respective capacities.

Our national income last year was \$89,000,000,000. It was \$62,000,000,000 in 1921.

If a man falls in America to achieve in a worth while manner on any line of useful endeavor he will most certainly find the fault is internal and in no wise due to the frailties in his fellow men or his government.

Engagement Announced
Mr. and Mrs. G. C. VanMeter, of Bridgeton, announce the engagement of their daughter, Miss Thelma L. VanMeter, of Mount Holly, to O. T. Bradway, of Bridgeton.

Joseph M. Thompson, of New Jersey, and well-known in Burlington county, will be a candidate for the nomination for Assembly in Ocean County.

ANNOUNCEMENT

TO THE VOTERS OF BURLINGTON CO.:—

I hereby announce my candidacy for re-election to the State Senate.

Burlington County is a big, fine, progressive county with high standards of citizenship. In representing the county I have always acted upon that belief. I shall conduct a clean, honest and vigorous campaign, and, if re-elected, will continue to make every effort to justify your confidence.

**EMMOR
ROBERTS**

STATE SENATE

Ordered and paid for by Harold B. Wells, Campaign Manager

Colored League Baseball Assured

Arrangements for Attractions
at Mt. Holly Completed;
1st Game, April 30

Edward P. Hurlings and Allen S. Hatcher represented the R. & P. Athletic Association, of Mount Holly, at a meeting of representatives of teams composing the Eastern Colored League in Philadelphia last week and completed arrangements whereby the Mount Holly ball park will be one of the official grounds on which games of the colored league will be played during the coming season.

Just which one of the teams will be located here has not been decided upon, as yet, but the League is about ready to start the season and its officials are completing the final arrangements, such as mapping out the schedule of games, etc. This year the League will be composed of the following teams: Lincoln Giants, New York; Royal Giants, Brooklyn; Harrisburg Giants, Harrisburg; Black Sox, Baltimore; Bacharach Giants, Atlantic City; Cuban Stars, Newark; and Hilldale Club, Philadelphia and Mount Holly.

The League will play a split season of 120 games, beginning Saturday, April 30, and while it has not been decided just what the opening attraction will be in Mount Holly, only one game will be played weekly in Mount Holly during May and June, and that on Saturdays, but during July and August and the fore-part of September a twilight game will be added in mid-week.

The opening day, April 30, weather permitting, will be a banner day there, with a band of music to enliven the occasion. Flag-raising, etc., and it is expected that the capacity of the finest baseball park in New Jersey will be tested.

COSTLY GUNNING

Hunter Pays \$270 For Shooting
Deer Out of Season

Game Wardens Mathis, Davidson, Graham and Carson rounded up four men last week for hunting deer out of season.

The men have been suspected for some time of illegally killing deer, but the warden and considerable difficulty in catching them in the act, but persistent efforts finally resulted in the arrests.

The four men arrested were taken before Justice of the Peace Throckmorton at Mount Holly, where they were given a hearing and had sentence imposed as follows:

Charles D. Stephano, of Chatsworth, hunting deer illegally, fined \$100; hunting with a spotlight, fined \$50.

Munee Campanelli, of Hammononton, no license, fined \$20; using spotlight, fined \$50; having buckshot in his possession, fined \$100; and hunting at night, fined \$100. Total fine for Campanelli was \$270.

Joseph Monzo, of Hammononton, hunting deer illegally, fined \$100; using spotlight, fined \$50.

Daniel Pirolo, of Chatsworth, hunting deer illegally, fined \$100; using spotlight, fined \$50.

Monzo and Campanelli went to jail in default of the fines, while D. Stephano and Pirolo cashed in. All these men were caught on Rider's Hampton bog.

Campanelli got in further trouble when the officers found a fully loaded revolver on his person after his arrest, and he is also held for court on a charge of carrying concealed weapons.

Let's try to get our thrills out of creative accomplishment, instead of seeking them through the popular short-cuts.

New portrait of Brig. Gen. Logan Feland of the marine corps, who has charge of the land forces of marines in Nicaragua. General Feland won many citations and awards while serving with the Second division overseas. Prior to leaving for Nicaragua, he commanded the United States marine mail guards in the East.

Appointed Department Auditor
Francis P. Gerry, of Mount Holly, who until recently filled a responsible position at Camp Dix, has been appointed an auditor in the State Department of Institutions and Agencies, with headquarters at Trenton.

Cleanliness in an industrial city is a luxury.

Suits for Damages Only Court Cases

Absence of Prosecutor Hillman
Prevents Hearing of Criminal Matters

The absence of Prosecutor George M. Hillman, who with Detective Clifford D. Cain, is in Reno, Nevada, put a temporary crimp in the hearing of criminal matters at the Court House on Thursday of last week but several Orphans' Court matters were disposed of.

The petit jurors were brought back on Tuesday to hear two Common Pleas cases, as follows:

Charles Tinsdale brought suit against Samuel Campone, both of Riverside, for damages sustained when a truck belonging to Campone struck Tinsdale as he attempted to step off a curb stone in that town. This case was uncontested and the plaintiff was awarded a verdict of \$1,500. Robert Peacock represented Tinsdale.

The second case was that of Harry Goldstein, of New York, against Francis J. Schwartz, formerly connected with the textile mill at Medford. This was a suit on contract and involved about \$1,000.

The jury went out about 5 o'clock and failing to come to an agreement at 11 o'clock, were discharged.

The suit of Charles H. Shinn, of Riverside, against the Public Service Company was heard before Judge Slaughter on Friday and a verdict was given Shinn for \$1,500.

The suit was brought to recover for damages to a truck which dropped into an excavation in the street that, it was claimed, was made by Public Service employees.

Robert Peacock was counsel for the plaintiff.

ATHLETIC BANQUET

The Marlton Athletic Association is arranging to hold their annual banquet on Thursday, April 21, in the Community House, and

Electricity and Gas Guide Posts to Successful Home-Making

Light and Warmth for the Home

Welcome by night is expressed in lighted windows, in a lamp at the door, by warmth and cheer within.

The vigilance of Public Service never wanes. The home lights must burn brightly, darkness be banished from the street. This is the duty of the giant power station.

At the same time, Public Service sends out clean soft fuel gas to hundreds of thousands of homes—for cooking, water heating, house heating.

Kelvinator Sets New Standard In a Refrigeration That Is Dry

THE woman who has a Kelvinator (electric refrigeration) in her home finds that she can purchase a week's food supply in advance, confident that it will be as fresh and delicious after storing in Kelvinator as when she bought it.

She is prepared for any emergency, unexpected guests cause her no embarrassment, and in addition, she probably has been able to buy more advantageously by purchasing in bulk.

The atmosphere of the Kelvinator-cooled box is ideal for storing the delicate foods that make up the baby's diet. This dry constant cold preserves sweetness and all delicate flavors.

Any square refrigerator that is in good condition can be Kelvinator-equipped. There are also many attractive Kelvinator cabinet models from which to choose.

The Sealrite Kelvinator model shown at all Public Service stores is an attractive gray-enamelled steel cabinet, light in weight and will work on any baseboard outlet. An ideal refrigerator cabinet for apartment or small house, at the popular price of \$210.

Any Kelvinator cabinet can be purchased of Public Service on the convenient divided payment plan.

Hot Water Cuts Down Day's Work

On washday plenty of hot water always on call from a gas automatic storage water heater system shortens the washing time and makes clothes cleaner.

At dishwashing time, china rinsed in steaming hot water dries itself.

When hot water is plentiful and really hot and ready when you turn the faucet, then you have a comforting, cleansing bath.

By applying to Public Service stores, a gas automatic storage water heating system will be installed for you on payment of \$5 down—12 to 18 months to pay balance.

Public Service will make liberal allowance on old water heaters traded in for Rex, Welsbach or Kompak gas automatic storage types.

Gas Clothes Dryer Shortens Washday

A gas-heated clothes dryer in a short time will dry the washing perfectly, ready to iron. There is no steam in the room. A system of ventilation carries the clothes so that they dry as fresh and sweet as if they had been hung out of doors.

The cash price of the gas clothes dryer is \$125 at Public Service stores. It may be purchased for \$13.75 down and \$10.75 monthly for 12 months.

Make Every Day Clean-up Day

Spring invokes an urge to set our homes in order. While the urge is on, the home-maker will do well to consider that most helpful appliance, the gas garbage incinerator. Adding this incinerator to home equipment is a great stride forward toward sanitary home conditions.

It reduces a bushel of garbage to a handful of ashes in a few moments. Contents of waste basket and other rubbish is quickly disposed of.

A gas incinerator, 2 1/4 bushel capacity, costs \$175, cash, at Public Service. On terms it may be purchased for \$14.50 down, and \$14.50 a month for 12 months.

Lights Help Protect

It is a wise precaution to leave some lights burning when no one is at home in the evening. Marauders are likely to work under cover of darkness, avoiding well lighted houses.

The cost of burning a few lights is negligible and the sense of security this protection gives is comforting.

New Hoover Cleans Thoroughly, Quickly

In many homes there is a vacuum cleaner that has outlived its best work. Public Service offers to make a liberal allowance on such cleaners, on the price of a new Hoover.

There are now two Hoover models equipped with the Positive Agitator, the cleaning principle that completely dislodges the ground-in dirt and brings it to the surface. Model 700 is the cleaner de luxe. Its ball-bearing motor requires no oiling. Model 745 is a popular priced Hoover with the Positive Agitator but lacking other features of the 700 model.

The trade-in offer applies to both. Also the easy payment plan of \$5 down—\$5 a month. Free demonstration on your own rugs on request.

Serve Toast Hot, Made Electrically

One thing toast must be, and that is, hot. Made on the electric toaster at the table it can be buttered quickly and is twice as tempting.

The electric toaster family at Public Service stores includes—
—the Westinghouse—toasts the bread and turns it, too. Its price is \$6.
—the Manning Bowman, a nicely finished toaster that browns bread evenly—\$3.75.
—the Estate, toasts four slices at one time—\$4.95.
—the Toastmaster, removes bread automatically when toasted—\$12.50.

People turn southward in greater numbers each winter. They want warmth, warmth that can be had without working for it.

Stay-at-homes who use gas to heat their homes can enjoy warmth without work, too. Automatic house heating with gas is more dependable than sunshine, and equals the sun's rays in cleanliness, safety, and surpasses them in uniformity of heat.

Hundreds of central house heating plants are operating in the territory served by Public Service and their owners find themselves enjoying a successful heating system that involves no disagreeable features whatever. Light the gas in the fall, turn it off when the mild weather of spring warrants it. No work, dirt or dust. No odor or noise.

An interesting little book on gas for house heating, "Not Even a Glance for Weeks at a Time," will be mailed you free upon request, from any Public Service store.

Thermolite proves a delightful means of drying the hair. It is found quick and effective when ever sale and convenient heat is needed in relation to personal need.

The Thermolite is on sale at all Public Service stores.

As Heating Plant, Sunshine Has Rival

People turn southward in greater numbers each winter. They want warmth, warmth that can be had without working for it.

Stay-at-homes who use gas to heat their homes can enjoy warmth without work, too. Automatic house heating with gas is more dependable than sunshine, and equals the sun's rays in cleanliness, safety, and surpasses them in uniformity of heat.

Hundreds of central house heating plants are operating in the territory served by Public Service and their owners find themselves enjoying a successful heating system that involves no disagreeable features whatever. Light the gas in the fall, turn it off when the mild weather of spring warrants it. No work, dirt or dust. No odor or noise.

An interesting little book on gas for house heating, "Not Even a Glance for Weeks at a Time," will be mailed you free upon request, from any Public Service store.

J. M. Davis is Given Ocean County Post

Governor Defies G. O. P. Leaders in Naming Prosecutor; Gallagher Judge

James Mercer Davis, who has law offices in Camden and Mount Holly and whose residence is at Seaside Heights, is the new prosecutor of Ocean County.

Arthur G. Gallagher, of Tombs River, is county judge. Former Judge Harry E. Newman and Wilfred H. Jayne, Jr., former prosecutor and special prosecutor for the Burlington County run case, are now ex-officials.

Governor Moore last week announced the appointment of Davis and Gallagher over the protests of Ocean county Republicans. Like the appointment of Henry H. Eldredge as Cape May county judge, the naming of the two county attorneys came as "an interim" nomination. This means that the Republican majority in the Legislature will have no opportunity until next year, to deal with the appointments. If the Legislature were in session now, it is probable that confirmation of the nominations would be refused. Judge Newman did not desire re-appointment. It is said, Jayne, it is understood here, would have liked elevation to the Common Pleas Court position which the Governor gave to Gallagher. Senator Thomas A. Mathis, of Ocean county, wanted the Governor to name Jayne as judge and Leo Robbins, of Lakewood, as prosecutor.

Although both are Democrats, Jayne and Newman have had full support of State Senator Thomas A. Mathis and the Republican county organization. Jayne received opposition from the county Democrats because of supposed "deals" with the Republicans.

Gallagher's name was sent to the Senate for confirmation several years ago but he was turned down by Senator Mathis.

The tiff between Davis and Jayne several months ago during a murder trial at Tombs River is now pointed at significantly as a forerunner of the former's candidacy.

NORMAL NEWS

Dr. Miller, of the University of Wisconsin, visited the State Normal School at Glassboro on Friday, April 1. His talk on "Creative Thinking" and his ideas on the future of the individual and of Education, were very much appreciated. Members of the Glee Club are planning a visit on Saturday, April 16, to The Home of Our Merciful Saviour For Crippled Children, on 44th Street and Baltimore Avenue, Philadelphia. After a musical entertainment, flowers will be distributed by members of the Club to the children.

The Art Club of Glassboro State Normal School is planning to have a meeting Monday, April 18, at the Camp. The purpose of this meeting is to discuss decorations and hangings for the cottage.

The last game of Bat-Ball for the season was played Tuesday, April 6, in the gymnasium by the Junior 1's and the Senior 1's. A very lively game was played by the two classes, the score being 6 to 1, in favor of the Junior 1's.

Easter vacation for the students begins on Friday, April 8, and lasts until Monday, April 18.

POLITICAL

Just to prove that there is no deceit in I. Snowden Haines' campaign for State Senator, the Burlington candidate rode over to Mount Holly on Thursday on a "wet wash" laundry wagon.

James Mercer Davis, of Mount Holly, who has a summer residence at Seaside Park, Ocean county, will be either judge or prosecutor of Ocean county, so the knowing ones say.

Only women are to be allowed to speak at the next dollar dinner being planned by the Republican organization of Ocean county. The affair will probably be held at the Laurel House, Lakewood, on April 26.

Among the bills passed by the Legislature on Thursday over Governor Moore's veto was one requiring county prosecutors to obtain approval of Boards of Freeholders for expenditures in excess of \$150.

RED CROSS

At a meeting of Burlington County Chapter American Red Cross held Monday, it was reported that 50 sleeping caps had been shipped according to directions furnished by Headquarters, that articles for 5 dozen layettes had been purchased for use of the local Chapters of the Red Cross and that 50 Christmas boxes would be given by Burlington County for soldiers, sailors and marines in foreign possessions. The Junior Chapter reported 16 schools as having enrolled in Junior Red Cross and that the currants sent by the children of Greece had been distributed among the school children from which many made cookies; these currants were an exchange for the Christmas boxes sent by the Juniors of Burlington County to the Juniors of Greece.

An interesting report was read in regard to a class in Home Hygiene and Care of the Sick in Mount Holly, with a group of Y. W. members as pupils; this is only the beginning of such classes in Mount Holly, as many are anxious to join.

The Emergency Class was started with gauze, cotton, pajamas, layettes and shoes, to which sheets, pillow slips, blankets and underclothing will be added. This is a County Emergency Class and contributions of new articles will be very much appreciated.

Final Roll Call report shows a gain of 599 memberships, for which the Chapter received an Honor Foun from the American National Red Cross.

The Home Service Secretary gave an account of her work among the disabled ex-service men and their families, showing various kinds of assistance had been rendered.

Plans were partly made for a County Disaster & Relief Committee, with one of Burlington County's prominent citizens as Chairman, MAY B. SMITH, Publicity Chairman.

Hot air and cold feet are usually pals.

State House Gossip

Because both the State of New Jersey, through recent legislation, and the Federal Government, by Congressional action, have legalized branch banking, the two jurisdictions will cooperate in the new departure in practice of operating financial institutions. Copies of applications filed for leave to establish branches in New Jersey will be exchanged between the Comptroller of the Currency of the United States and the State Banking and Insurance Commissioner of Trenton. Applications will not be approved until they have been on file at least two weeks. The officials will also send copies of applications to the Secretary of the New Jersey Bankers' Association.

A movement has been started in Trenton to have the entire milk industry of New Jersey examined in order to place the state at the head of the milk-

producing States in this section. H. W. Jeffers, of Paterson, chairman of the executive committee of the New Jersey Milk Marketing Council, presided over a meeting of that body held in conjunction with officials of the State Department of Agriculture. What is most needed, it was decided, is a uniformly high quality of milk and an investigation was agreed upon. With the aid of the facts produced, a campaign was launched throughout the State to demonstrate the value of good New Jersey milk. A suggestion has been made that the State Sanitary Code be revised to secure uniformity in the various municipal milk standards.

As a result of agitation in the Legislature this year, as in other years, to cut the appropriations voted to Rutgers College as the State University of New Jersey, Attorney General Katzenbach has handed down a ruling to the effect that public moneys are properly expended on the institution. The criticism has been made against

the university that it is under private control and is a sectarian school being nominally under the jurisdiction of the Dutch Reformed Church. It is pointed out also that a majority of the board of trustees are made up of private individuals leaving a minority of the board's places in the hands of various State officers. Mr. Katzenbach declared, however, that he did not know of any state university more directly controlled than Rutgers and that it should be made the object of increased expenditure of money on the part of the Legislature. Although the State University, he added, is interrelated with an old college, nevertheless it is a proper subject for State financing. The college, continued the Attorney General, was in existence for a hundred years

before becoming the State's seat of higher learning and for the reason of its antiquity alone it ought to be fostered by New Jersey.

A NEW KIND OF DEVELOPMENT

BACK TO NATURE

AN INVESTMENT IN HEALTH

A Picturesque Log Cabin Home at MEDFORD LAKES in the Pines

IT IS almost unbelievable that Medford Lakes in the Pines—a natural forest and lakeland playground—is only 45 minutes away from Philadelphia. It is one of Nature's garden spots; and, once you see it, you can, with no stretch of the imagination, believe you are in faraway Maine or Canada.

Picture a wonderful chain of lakes—set in a heavily wooded rolling country. Then a picturesque Log Cabin Colony—not with any idea of "roughing it"—but with solid home comfort and proper sanitation—electricity and telephones. Yet, with all these comforts for your family, you can get Back to Nature—only 45 minutes away from Philadelphia. There is boating—and bathing on sandy beaches—real fishing (restricted to land owners and their guests only) good roads and good stores.

Medford Lakes in the Pines is not a sensational real estate development. We offer no free excursions, no free bus rides or free entertainment. We merely ask that you make Medford Lakes in the Pines your destination for your auto trip this afternoon. Come to Medford Lakes—its beauty, the healthful recreation it affords and its easy accessibility must win you over on its merits. An ideal health spot for your family and yet close to business centers for the business man.

No objectionable neighbors or a conglomeration of cheap shacks. Proper and sensible building regulations prevent that—and all land applications must be passed on by a Membership Committee of land owners.

Motor out to Medford Lakes in the Pines today or tomorrow, or write for our descriptive literature. Here's a trip worthwhile—a proposition that is sound and well within the means of the average American family. Medford Lakes in the Pines welcomes you whenever you have a few hours to spare.

How To Get There

From all points west of the Delaware River, drive across Delaware River Bridge to Camden Plaza, to Penn St., to 22nd St., turn right to Federal St., to 21st St., turn right on to Madison Pike direct to Medford, then to property two miles below Medford. Via the Palmyra Ferry—state over the main highway from Palmyra to Mt. Holly and turn right on Hammonton Road, which runs through Medford.

Ty Cobb Spectator at Big Dog Show

Baseball Star Center of Attention at Medford Exhibit Last Week

Tyrus Cobb, of Georgia, baseball player extraordinary and a most picturesque figure in the national game today, shared high honors with the scores of blue-blooded hunting dogs which were exhibited at the Frank Holly Memorial A. K. C. Specialty Show, held at Thomas' auditorium in Medford last week. The show was held in conjunction with the field trials on the farm of the Friends of the Hunting Dog and many of the dogs entered were also in competition in the field trials.

Only English setters were shown and the entries combined to make a classy collection of bird dogs. Deodora Blue Prince, owned by Gordon M. Taylor, of Ventnor City, and shown by the well-known handler, Ben Lewis, Jr., who is a chip of the old block, Ben Lewis, Sr., famed in his day as an owner and handler of sporting dogs, won highest honors among the dogs. The same flier took winners at the Westminster Kennel Show, in New York, the highest show in the country, in February.

Ty Cobb's presence was not unexpected and it is quite probable that the public announcement, previously made, that the "Georgia Wonder" would visit the show, the guest of his old-time friend, John Dunn, of the Baltimore ball team, had as much to do with the five hundred or more people crowded into the building at wartime and another as had the desire to see the dogs and watch the judging.

The classes were generally well filled and gave the judges, Dr. D. H. Nisley, of Lancaster, Pa., plenty to do to place them according to their merits.

As they went through the various classes the smile on the face of J. Harry Barklow, of Moorestown, kept getting wider and wider. The cause, the winners of the first and third place in puppy dogs, were bred by the Moorestown fancier. There were eight youngsters in the class, too. The winner of first in the puppy division also walked off with third place and the yellow ribbon in the novice class, with fifteen dogs entered. All of which proves that Mr. Barklow knows how to breed them true to type.

The list of winners follows:

Dogs
Puppy dogs: 1st, Rancocas Prince, John G. Mueller, Riverside; 2d, Governor Moore, Patrick Gilmore, Gloucester; 3d, Tinkie Nana's Freckles, C. H. Reynolds; 4th, Lord Jeff, Robert P. Brown, Moorestown.
Novice dogs: 1st, Willow Dell, Pat. F. M. Hodgins, Doylestown, Pa.; 2d, Larry K., Ray F. Kelly, Moorestown; 3d, Haddock, Eugene C. Low, Primrose; 4th, Bellview, Eugene C. Low, Primrose; 5th, Jack, Frank Quarles, Landisville, N. H.

American bred dogs: 1st, Noblestone Hapler, Brown & Tingley, West Brookline, Pa.; 2d, Midge's Eucora's Gunnar, Hamford, Conn.; 3d, Noblestone Freedom, Francis G. Taylor, Freehold, N. J.

Limit dogs: 1st, Brownie's Spot, Brown & Tingley; 2d, Noblestone Bourbon, Francis G. Taylor; 3d, Tinkie Nana's Freckles, C. H. Reynolds; 4th, Douglas's Eugene, Dr. Stewart S. Piper, Elmira, N. Y.

Open dogs: 1st, Deodora Blue Prince, Gordon M. Taylor; 2d, Tinkie Nana's Freckles, C. H. Reynolds; 3d, Lady's Bill Gladstone, William W. Worrell, Mount Holly.

Winners, dogs: Deodora Blue Prince, Reserve Winners, Brownie's Spot.

Field trial dogs: 1st, Prince Macbeth, Dr. J. G. Denelback, Trenton; 2d, Tinkie Nana's Freckles, C. H. Reynolds; 3d, Hillandale's Wynken, W. Lee Wain, Hamford, Conn.; 4th, Ned's Fly, John G. Mueller.

Bitches
Puppy bitches: Bogota Girl, Mrs. C. F. Dais, Glassboro, N. J.; 2d, Mary, Mrs. J. Gibson Melvin, Jr., East Downingtown, Pa.; 3d, Lady Manners Hawk, Ray F. Kelly, Trenton; 4th, Happy Sally Freckles, A. A. Anderson, Plainfield, N. J.

Novice bitches: 1st, Braddale Jersey Pink, H. B. MacDonald, Plainfield; 2d, Lady Manners Hawk, Ray F. Kelly; 3d, Bob's Miss Whitey, George C. Low, Toms River; 4th, Primrose, Allen A. Robbins, New York.

American bred bitches: 1st, Umpire's Rodney Ruby, C. H. Allen, Haddonfield; 2d, Braddale Jersey Pink, H. B. MacDonald; 3d, Bob's Miss Whitey, George C. Low; 4th, Lady Louise, Brown & Tingley.

Limit bitches: 1st, Umpire's Eugene Dream, Rumson Farm Kennels; 2d, Bob's Miss Whitey, George C. Low; 3d, Primrose, Allen A. Robbins.

Open bitches: Inglehurst Patches, Charles T. Ingle, Dunellen, N. J.; 2d, Kingmill-Lady Jane, C. E. Kasman Jacobus, Montclair, N. J.; 3d, Rumson Farm Bess, Rumson Farm Kennels; 4th, Bob's Miss Whitey, George C. Low. Field trial bitches: 1st, Rumson Farm Bess, Rumson Farm Kennels.

Winners bitches: Inglehurst Patches, Reserve, Bogota Girl.

Dogs and bitches bred by exhibitors: Ch. Jacobus Specks, C. E. Kasman Jacobus; 2d, Farmwood Marco Polo, Udo M. Fleischmann, New York.

BEVERLY PUZZLED
City Clerk's Home Only One Correctly Numbered

From all available data, City Clerk Lethy Grant, of Beverly, is the only man in the whole blessed place to have his house correctly numbered. And calculus and trigonometry have nothing on the knot-ty problems that are facing the puzzled residents of Beverly, now trying to find the solution to this number business.

Beverly has just revised the house numeral system of the city in an effort to obtain a free delivery mail service. Grant's house was formerly at 417 Warren street. It is now at 149 Warren street, without having moved a foot. No other house in town is rightly numbered. To Grant's right is a domicile disporting itself with number 416; to the left is 513. And worse than that two blocks down the street is Ulysses S. Grant Troxell, who boasts 417—the same number City Clerk Grant himself was using before the change.

The house numeral current in Beverly that unless something is done about this situation soon, telephone "hello girls" will be pressed into service to assist in sorting the wrong numbers.

ROBERTS SPEAKS

Value of Good School System Stressed by Senator at Edgewater Park

The value of a good school system to the nation and the individual was stressed by State Senator Elmer Roberts, of Moorestown, in an address at the "Fathers' night" meeting of the Parent-Teacher Association of the Farnum School, Edgewater Park, last Thursday night.

Senator Roberts declared that New Jersey's educational system is fourth highest in the country. He lauded the schools in this state.

122nd BIRTHDAY

Members of the Union Fire Company, No. 2, of Mount Holly, observed the 122 anniversary of the organization of the company, with a smoker, during the course of which refreshments were served. Surrogate M. E. Matlack acted as master of ceremonies and made an excellent short address, touching upon the reason for the celebration welcoming all present and bidding them to have a good time, which invitation was accepted unanimously.

There was a very good vaudeville program and the collation served between the first and second parts of the program, was of the kind that has made the Union boys famous for their hospitality.

County History of 50 Years Ago

Items of Interest Published in Mount Holly Mirror April 5, 1877

Mount Holly is blessed with nine milkmen and eight butchers. Choice lots of Early Rose potatoes for seed are being supplied in the local market at \$4 per barrel; also Mercers at \$1.50 per bushel.

Fifty-four acres of the farm of James Wells, of Evesham township, have been sold to Frank Stratton at \$100 per acre. Last Mr. Stratton bought the balance of the 194 acres at \$78.50 per acre. Henry Kirby, of Springfield, a few days ago delivered 100 capons to DeCon & Comfort, Columbus, which averaged 9-14 pounds.

At an election held by Company F, Seventh Regiment, of Mount Holly, Monday night, Lieutenant Walter A. Barrows was elected Captain and Sergeant William M. Hinton, second lieutenant.

Temperance Meeting
Charles E. Hendrickson was the principal speaker at the temperance meeting held in the Mount Holly Opera House on Sunday afternoon.

Under an act passed by the last Legislature, all clerks engaged in the drug business after January 1 next must be graduates of some recognized college. Pharmacy or pass an examination before a State Board of Examiners.

At the annual meeting of the Mount Holly Gas Company on Monday, the following directors were elected: John L. Stratton, Charles H. Bishop, John S. Irick, William Clothier and Franklin B. Lewis.

Don't go to Philadelphia and pay more for furniture than you can get it for in Mount Holly from T. F. Keeler & Son, High street.

A couple living together for twelve years as man and wife, near the flag staff, Mount Holly, got religion recently and were married. The ceremony is said to have been deferred all those years to permit the woman, a widow, to draw \$8 pension a month from Uncle Sam.

That income ceases now that she is again getting married. Getting converted caused their consciences to give up the pension.

New City Council
The new City Council of Burlington has organized by electing James O'Neill as president.

Farmers fear that the proposed change of propelling street cars in Philadelphia, from horse to steam, will greatly affect the price of hay. Pleuro-pneumonia or cattle disease has appeared in Burlington county and is proving to be generally fatal after becoming fully developed before discovery, which generally is the case.

Bishop Scarborough has appointed George Brannin and Henry P. Thorn trustees of St. Peter's P. E. Church, Medford, vice W. F. Yarnell and Charles A. James, resigned.

St. Andrew's Church, Mount Holly, elected the following wardens and vestrymen on Monday: Senator

warden, Joseph C. Clark; Junior warden, Harris Cox; vestrymen, George Haywood, John R. Black, John L. N. Stratton, Dr. Walter Ward, N. H. Busby, A. B. Cherry, Charles M. Barker, Jr., and Charles Ewan Merritt.

April 12, 1887

A new organ is being placed in the Mount Holly Presbyterian church.

The pay of laborers on roads has been reduced from \$1.25 to \$1 per day in some townships.

Burlington is to have another money election, this time to issue bonds to the amount of \$3,500 to buy a steam engine for Hope Fire Company.

Pierre Lorillard, owner of the Rancocas stock farm in Jobstown, is building a hog pen 300 feet long and 40 feet wide. There will be an engine at one end to grind and beat feed.

The National State Bank of Camden announces its regular semi-annual dividend of five per cent with an extra dividend of five per cent, making a total of ten per cent.

A large schooner from Virginia is unloading a cargo of lumber at Bordentown. The lumber is all yellow pine and will be put out for sale and forwarded to the Lorillard farm, Jobstown. A part of the lumber is to be used for fencing.

Griscom's Home Burns
Elwood Griscom, near Moorestown, was hurt out on Monday—house, barns and sheds. The fire started from sparks from a chimney. Very little personal property was saved. No insurance.

The recent depression in railroad rates, which our Columbus correspondent, apparently has not affected the road passing through that village; at least the stockholders have not heard of any change. They were stockholders of that road have not been called together for over two years.

A little girl in Burlington wants to know if members of the National Cornet band, of that city, are band.

The Moorestown Baptist Church, just completed, will be dedicated Wednesday, April 18th.

Why is a man treading on a lady's dress like a hunter? Because he's on the trail of a deer.

SLOAN REAPPOINTED

William G. Sloan, State Highway Engineer, of Princeton, was re-appointed for a new term of four years at a meeting of the State Highway Commission at Trenton last week.

Former Senator Firman M. Reeves, who was given a place on the commission during the session of the Legislature last year, is on the board for the first time in his official capacity. He received a number of floral tributes and the other members made welcoming addresses.

English Setter Wins \$1000 Stake

Willow Brook Rupert Awarded Free-for-All in Trials Over Medford Course

Running true to form, Willow Brook Rupert, property of Charles H. Tyler, of Boston, Mass., captured the free-for-all, the \$1000 stake, at the closing day's trials held Saturday under the auspices of the English Setter Club of America, at Medford.

Second place in the rich classic was awarded Seaview Habbiebrook Ben, owned by the Rumson Farm Kennels, of Rumson, N. J., with third and fourth going to Rex's Tarheel and Hawk's Lady Mummery, owned by T. Carey Bailey, of Baltimore, Md., and Udo M. Fleischmann, of New York.

The final series did not feature with any of the entries insofar as bird work. Prior to the running of the second series the judges instructed the handlers that it was not necessary for them to work overtime with a view of their entries excelling in bird work.

Accordingly, the judges, whose work during the trials, and particularly in the free-for-all, made a big impression, announced that they were amply satisfied with the showing of the various entries regarding their hunting qualities.

This made it possible for those handling dogs capable of exhibiting speed, range and control, coupled with their staying powers, to bring out all of those qualities.

Saturday's trials brought together such quality dogs in the second series and their work was of such par-

BOY HIT BY CAR

Driver Exonerated by Police in Maple Shade Accident

Frank Gerkins, of Melrose avenue Maple Shade, the motorist who ran down a schoolboy in Maple Shade last Wednesday, was exonerated by the police. The boy, who was struck and slightly injured, was Russell Snyder, six years old, of Holly avenue, Maple Shade.

Policeman John Stebbins was directing traffic at Moorestown pike and Poplar avenue. He signalled Mr. Gerkins to proceed while he held the school children back. The boy darted from the sidewalk and ran into the path of the car. The injured boy was treated by Dr. Gerkins at the office of Dr. Nathan Thorn.

THE NEW ERA

BUY AT HOME

Vol. 38. No. 14.

RIVERTON, NEW JERSEY, THURSDAY, APRIL 21, 1927

PRICE FIVE CENTS

TIME UP ON ORDINANCES FOR SIDEWALKS AND CURBING

Borough Will Lay Those Not Contracted For; More Time For Those Started

WILL VOTE ON WHERE TO SHOW FIREWORKS

The ordinance for sidewalks and curbing which caused so much commotion when they were passed last Fall, came to be taken up at the meeting of the Riverton Borough Council last Thursday night. This time the point under discussion was whether or not property owners who had not completed their work should be allowed to finish it, and if those who had made contracts but had not started the work should be permitted to proceed under these contracts, or be required to cancel them and let the borough do the work.

Councilman Welsh and Shovel were of the opinion that if the actual construction had not been started the borough should proceed with the work. They maintained that there had been plenty of time since the ordinances were passed last September for everyone who wanted to do so to have the work completed.

"Shot at and Missed"

Councilmen Lynch, Bartley and Hubbs stood out for a more lenient attitude. They said that the contractors had been very busy, had experienced difficulty in getting help, and could not fill all the orders within the specified time. They contended that a bona fide contract was sufficient evidence of intention to comply with the ordinance, and stood out for permitting all property owners who had actually signed contracts to have the work done to proceed under those private contracts.

Mr. Bartley, who had been very much in favor of the ordinance, said that he was not voting on whether or not the ordinance was going to be a portion of his property for school purposes. If this is done, he claimed, he would have to construct his driveway to the garage driveway.

Police Report

In the absence of Director of Public Safety Williams, President Lynch presented the written report of the police committee. Albert Wille, the new officer, had resigned from the force to drive a bus. Two had been arrested for reckless driving and fined by Squire Coddington. Oscar Johnson was arrested on Tuesday as a suspicious character and committed to the county jail.

APPROPRIATION IS TOO LOW

Westfield School Board Asks for \$4000 More to Improve Colored School

Bids opened April 11 at the Westfield Public School for additions and alterations to the colored school. The bids showed that the improvements needed could not be made for the sum appropriated at the regular election last February.

Hill & Goller, architects, furnished revised plans and suggested a number of changes in construction which were considered by the Board of Education at a special meeting on Tuesday afternoon of this week.

Members of the Board suggested other changes and a long discussion followed. It was decided that the changes seemed practical and will probably be made. Believing, however, that any great reduction in the plans and specifications originally made would greatly lessen the usefulness of a building, the Board voted to call a special election to vote on an additional sum of \$4,000.

Sides of the four lowest bidders on the general construction, and the two lowest bidders on heating and plumbing were retained by the Board when opened, April 11. These bidders will be furnished with copies of the proposed changes and their revised figures will be received at a date not yet set.

It is hoped that the delay will not prevent the work being completed by the time school opens in September.

PHS ORATOR

Weston Blaser Will Represent Palmyra in Contest

Weston Blaser has been picked to represent Palmyra High School in the regional Oratorical Contest to be held at the Camden Senior High School, Tuesday evening, April 26. The contest will start promptly at 7:45 o'clock. The school is trying to get enough pupils to so as to have a chance to win.

All of the topics will deal with the Constitution of the United States. All of us want to know all we can about the Constitution and this will be a chance to hear some real good points.

BOY SCOUTS WILL RECEIVE BADGES

Public Invited to Impromptu Meeting in Parish House Friday Evening

The Riverton Boy Scouts extend an invitation to the boys' parents, to the members of the vestry of Christ Church, to the members of the troop committee and local councilmen, to the school board and teachers of public school to attend the meeting of the Riverton troop at the Parish House, Christ Church, 8 p. m., Friday, April 22, at which meeting a number of first class badges will be awarded. This is a very important event in the life of a scout. Mr. Arthur Luce, of Moorestown, will be the speaker of the evening. Everyone who is interested is invited to attend.

Noted Soloists at Symphony Concert

Florence Haenle and Hilda Reiter Will be on Program Monday Evening

The concert to be given in the Palmyra High School auditorium, Monday evening, April 25, by the Women's Symphony Orchestra of Philadelphia, under the auspices of Post Frederick M. Rodgers No. 165, American Legion of Palmyra, is a most attractive one. The announcement by those in charge that there will be heard with the orchestra two soloists of exceptional talent, Florence Haenle and Hilda Reiter, has attracted much attention.

Miss Haenle is a violinist of marked ability, well known and highly regarded in Philadelphia musical circles, and is concertmaster of the orchestra. She will include her selections for this concert, "Romanza Andolizosa" by Sarasate, and that most fascinating "Tambourine Chinois" of Kreisler.

Miss Reiter is a young singer of charm and personality, having a voice of such sweet melody and unusual range, singing with ease in all. She has sung on a number of symphony orchestra programs at Willow Grove, and on the Steel Pier at Atlantic City. She was also the soloist on the Pier for Easter Sunday, as she was last Easter. She was soloist with the Women's Symphony Orchestra at the Metropolitan Opera House for their Spring concert, April 6th.

Some of the numbers on the program of the orchestra for Monday night are the Ballet Music from Faust; the Largo from the New World Symphony of Dvorak; the incidental music from "The Merchant of Venice" and some selections from Tannhauser, together with many songs of a lighter vein. The concert unquestionably gives promise of satisfying the audience of the best in music as well as providing a wholly enjoyable program for anyone.

NOTICE

Notice is hereby given to the legal voters of the School District of Cinnaminson, in the County of Burlington, that a special meeting will be held at the Westfield Public School, on Tuesday the 23rd day of May, 1927, at 8 o'clock P. M., day-light saving time, at which meeting will be submitted the following questions:

Resolved: That the Board of Education be authorized to borrow four thousand dollars (\$4,000) for the completion of the addition to the Westfield Public School, authorized by the legal voters at the annual school meeting held February 9, 1927.

Resolved: That in order to secure the money needed, the Board of Education of the township of Cinnaminson be authorized to issue two thousand dollars (\$2,000) to become due and payable with interest on September 1st, 1928, and one note for two thousand dollars (\$2,000) to become due and payable with interest on September 1st, 1929.

Resolved: That the Board of Education be authorized to transfer from its Current Expense Account to its Building Account the sum of two thousand dollars (\$2,000) and to expend the same or so much thereof as may be necessary for the completion of the addition to school No. 4 authorized by the legal voters at the annual school meeting held February 9, 1927.

HOWARD G. TAYLOR, Jr., President Board of Education.

CINNAMINSON P. T. A.

The Cinnaminson P. T. A. could not hold their regular meeting this week as vacation interfered, but they are hoping for a good attendance next week, Wednesday, April 27th, at 8:30 p. m. & there is to be a prize for the grade having the most mothers present. A good program is planned.

EXHIBITION GAMES THIS SATURDAY

The Riverton Base Ball Club presents its first classic of the season in the form of an exhibition game to be played with the Penn Mutual of Philadelphia this Saturday afternoon on Memorial Park at three in the afternoon.

It is especially desired by the management that the public turn out for this presentation game and witness it with the idea of helpful criticism in their minds. Then if a suggestion will be turned in to The New Era office the manager will be glad to do all that can be applied these helpful suggestions.

Start the season right by attending this game and letting the officers of the Club know you are back in Riverton and will have an A-1 team this year. Don't forget to do your bit. Memorial Park, this Saturday afternoon at three. We'll see you there.

Washington Camp Holds Celebration

Palmyra P. O. S. of A. Enjoys District President Night

Washington Camp, No. 23, P. O. S. of A., celebrated District President Night on Monday evening last. District President of Burlington county, Edwin F. Patterson, presided. Several members from Mount Holly, Hainesport, Moorestown and Camden were present.

District President C. of Camden county gave a brief talk on the success of the camps in Camden county. The following also spoke on the progress of their respective camps: Past President Joseph Erickson, of Mount Holly; Charles A. Street, treasurer, Hainesport; President Joseph Kresnow, of Moorestown; and Past District President Charles Bowdin of Moorestown.

The entertainment committee, under the "salubrious" direction of Ed Grimeson, served a delicious refreshment and several members of the Camp furnished "talent." Dr. Dean H. LaFavor rendered several beautiful numbers on the piano, John Marshall and Fred Farnsworth led the songs, and Charles Malachuk did a funny stunt. George W. Rogers was the hit of the evening when he demonstrated his version of the "Black Bottom."

A wonderful spirit of enthusiasm prevailed and there was a very good attendance.

Next Monday evening will be class initiation, refreshment and entertainment. The speaker of the evening will be Rev. J. William Lee, of the Epworth M. E. Church.

The committee on arrangements for the Producers banquet on Thursday evening, April 28th, has decided to hold this affair in the Hotel Walt Whitman, Camden.

LIQUOR CRAZED MAN DESTROYS FURNITURE

Locker Boy at Riverton Country Club Smashes Things Up and Escapes

Stephen Klein, a colored locker boy at the Riverton Country Club, ran amuck last Saturday night while a dinner was in progress at the club and stood off the steward and the police force while he wrecked the furniture in the locker room and smashed several of the windows by throwing stools through them. When Klein cut loose the steward sent an SOS to the police booth and in a few minutes Director of Public Safety Williams and Patrolman Miller arrived on the scene of battle.

When Klein recognized the officers he drove through one of the windows and made his escape. He was later found at his home, but the club officers decided not to prosecute him after he agreed to pay for the damage done.

RECIPROCITY MUSIC DAY

Ten Women's Clubs Enjoy Film Program at Porek Club

Reciprocity Music Day at the Porek Club, April 19th, proved a great success. In the absence of the president, Mrs. Reuben P. Corry, the vice president, Mrs. Sherman L. Warren, called the meeting to order at eleven o'clock, and extended a warm welcome to the members of the Porek Club, and to the delegates of the out-of-town clubs who came to take part in the day's musical program.

Mrs. Warren turned the meeting over to Mrs. Frank Bell, chairman of the musical committee of the Porek Club. During the day the following clubs were represented and took part in the program: Merchantville Women's Club, Women's Club of Salem, Women's Club of Piquette, Women's Club of Haddon Heights, Neeshoven Club of Camden, Collingwood Women's Club, Beverly Paraphrase Club, Haddonfield Fortnightly Women's Club of Camden, Porek Club of Riverton.

The Porek Club was well represented by Mrs. Samuel W. Collins who sang in her usual good form. The program of the day included piano, selections, singing, a solo, and reading.

Between the morning and afternoon sessions a catered luncheon in charge of Mrs. Edward Merrill was served to about seventy-five people. The club house was prettily decorated with peach blossoms and reflected credit to the decoration committee.

WILL ENFORCE FULL-STOP LAW

Director Williams Has Had Riverton Streets Marked As Required

OFFICERS INSTRUCTED TO KEEP CLOSE WATCH

Riverton's streets have been marked and the officers instructed to enforce the new "full-stop" law recently issued by Vehicle Commissioner Dill under Assembly Bill No. 468, just passed by the New Jersey legislature, according to a statement issued by Director of Public Safety Williams Monday morning.

The "full-stop" law provides that when a major road crosses a main traffic artery, or where two highways intersect and no traffic policeman is on duty, all automobiles must come to a dead stop before proceeding.

This law is in effect in Riverton on all streets cutting out into Main or Broad streets, and at the intersection of Main and Broad in the heart of the city.

Full Stop Streets

All roads, streets, highways or turnpikes, or any section thereof, in which there shall be operated a street railway, or an electric line, shall be subject to the jurisdiction of the Board of Public Utility Commissioners, and any road, street, highway or turnpike, or section thereof, shall be subject to the jurisdiction of the board or body charged with the duty of the maintenance thereof, shall be known as a "Full Stop Street." It shall be unlawful for the driver of any vehicle to cross or cross any "Full Stop Street" to a complete stop at a point not less than ten feet from the curb line of the road and the nearest side of such "Full Stop Street," unless otherwise ordered by a traffic officer stationed at such intersection, or unless such intersection shall be controlled by signal lights.

Award Contract To Widen Street

Work on Broad Street Improvement in Palmyra To Start Next Week

The contract for the widening of Broad street from the railroad station to Garfield avenue was awarded to Palmyra Borough Council Tuesday evening, April 19th, to Verga Company, of Camden, for \$226,400.

The work will begin early next week. The contract price was several hundred dollars below the lowest bid. The bid with the lowest price was \$226,400. The Verga bid was but thirteen dollars less than that of the Palmyra Concrete Company and only eight dollars less than that of F. B. Sweeten, also of Camden. The highest bid was \$226,400.

In his report on the work of the street department, Councilman Lee reported there was an unusual amount of loose material on the gravelled streets this year and he feared this condition would create clouds of dust during the summer. The only practical remedy he thought would be to apply oil, but his department does not have the equipment for this work.

He urged, however, that individual property owners along such streets consider getting together on the matter and hiring the work done. The cost would be about \$1 per fifty feet.

Mayor Wentz feared the house holders would find the oil a worse nuisance than the dust, at least several days after it was applied and said he had heard of a salt-like growth on that would produce the same results and yet not become a nuisance. Mr. Lee promised to investigate the Mayor's suggestion.

Building Inspector Powell reported permits issued for six dwellings worth \$24,500, seven alterations, five garages, one filling station and one storage house.

The ordinance providing for the construction of a concrete street in Riverton Extension, starting on the corner of Main and Locust, and continuing on West Locust, was laid over because of protests from property owners at Second street.

A new ordinance governing the work of the street department is being prepared and will shortly be introduced.

PALMYRA MEN'S CLUB

All-Vanisher Program to be Given Monday Evening

The usual monthly meeting of the Men's Club will be held in the Parish House of Christ Church, Palmyra, on April 25th.

There will be an all-Vanisher program offered to us from the J. B. Vanisher Furniture Company, of Camden, through Len Mitchell, a local furniture upholsterer with the firm.

The topics will be: 1. Identity of Periods of Furniture (illustrated) by Roswell A. Heston, Manager of Contract Department. 2. Historical Talk on Interior Decoration by Edward A. Walton, Bureau of Decorative Interiors.

NEW BUILDING FOR CINNAMINSON BANK

Popular Riverton Institution Plans Up-to-Date Home

The Cinnaminson Bank and Trust Company, which was opened for business in February, 1927, under the name of The Cinnaminson National Bank and which has since that time made one addition to its building on Main street, Riverton, has now purchased the property of William E. Holland on the opposite side of the street and will erect thereon a new and up-to-date building, plans for which are now being drawn. The cost is estimated at about \$75,000.

It is probable that the Post Office will be moved into the present bank building and John Waddington will move his Clearing House into the present post office site.

This banking institution has had a sound and steady growth since its organization and serves a large client of satisfied patrons.

Director Williams To Run for Mayor

Announced His Decision Last Wednesday While Others "Think It Over"

The political situation in Riverton promises to furnish a little excitement this year.

Director of Public Safety Edward R. Williams has tossed his political bonnet into the ring as candidate for mayor. In speaking to a newspaper representative Wednesday afternoon Mr. Williams said, "While these other fellows are trying to make up their minds, I am going to take the bull by the horns and announce my candidacy now. You may tell the people of Riverton that I am candidate for mayor, subject to their approval at the primaries in June."

Two other men have been mentioned in connection with this office but neither has signified his decision as to whether or not he will run.

Councilman William B. Lynch is circulating for signatures, a letter asking Mayor Hemphill to be a candidate to succeed himself. But word comes from authentic sources that Mayor Hemphill has positively declined to run again. Such a statement was published in an evening paper on Tuesday, but a representative of The New Era was unable to verify it Wednesday morning. When he called the Mayor on the telephone that official hung up the receiver without replying. When the number was rung again a voice, not his, replied, "Just now Mr. Hemphill has nothing to say."

Councilman G. Rex Shovel has announced that he will not be a candidate for re-election, and that National S. Bartley whose term also expires, has made no definite announcement.

Friends of Miss Martha McBlidde are circulating a petition on her behalf to be listed with the Borough Clerk, enabling her to be a candidate for nomination at the primary election for a member of Borough Council.

Several men on both sides of the railroad have been mentioned for the office of councilman but so far none of them has issued an official statement in the matter.

Captain Harry Brant is said to be in a receptive mood and Frank Holvick is "seriously considering it."

It is Herbert Evans decides to run again for the office of Borough Collector his candidacy will be opposed by Robert C. Ayres who has announced that he will be a candidate.

MASKS and MARRIAGE

Masks made by a formula some thousands of years old play a part of important symbolic significance in Warner's Bros. production of "Other Women's Husbands," starring Marie Prevost and Monte Blue. Two of them, exactly alike are worn with identical fantastic costumes by Miss Prevost and Phyllis Haver, in the most gorgeous, glittering, gay and colorful fancy masquerade ball sequence that has ever been filmed.

The film, "Other Women's Husbands," is the first picture in which his masks or anything like them have ever been used.

The film version of the E. T. Love, Jr. story will be shown at the Broadway Palace, Palmyra, Thursday evening, April 28. Two shows, 7:15 and 9. Adults 35c, children 15c.

DAYLIGHT SAVING

An hour less in the morning. An hour more in the night.

Daylight saving time will start at midnight Saturday, April 23, and end Saturday, September 24.

COUNTY-WIDE DRIVE FOR "Y" FUNDS GETS GOOD START

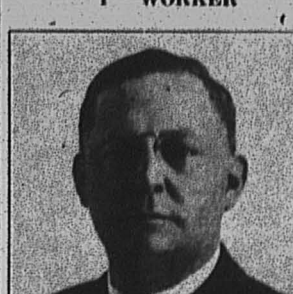

HEADS DRIVE

WILLIAM F. OVERMAN

Prominent Moorestown man, who is Chairman of the County YMCA Board which is now conducting its annual financial drive. Mr. Overman says Moorestown will raise one dollar for every three obtained throughout the remainder of the county.

"Y" WORKER

FRANK W. THACHER

of Edgewater Park who has been a member of the County YMCA Board since its organization 21 years ago. Mr. Thacher is now county treasurer and is one of the prominent workers in connection with the "Y" financial campaign.

Suspected of Forging Checks

Colored Man Arrested for Drunkenness Also Had Queer Checks

Larson Moore, a colored man who was arrested by Officer Miller in Riverton Saturday night and committed to the county jail for thirty days on the charge of being drunk and disorderly by Justice of the Peace Coddington, is thought to also be a check forger for whom Burlington County authorities have been looking for some time.

Moore had been boarding at the home of Mrs. George Blake, East Riverton, for a week or so, and his conversation had made Mrs. Blake suspicious. As she expressed it when she called on Officer Miller "this man ought to be looked into."

And so when Moore showed up at the jail booth a short time later Miller placed him in the lock-up. In Moore's pockets were found three checks signed S. Kauffman, and the numbers on the checks seemed to indicate that "Kauffman" had drawn 87 checks in one day.

The signatures, "S. Kauffman," called exactly with the same name when written by Moore. The checks were for \$5, \$10 and \$20. Two of them were drawn on the National Bank of Commerce and one on the Southwark Trust Company.

Some one has been passing bad checks along the riverfront towns for the last two weeks, and Officer Miller is of the opinion that he has found the man.

Moore claimed to come from Greenville, South Carolina.

THOMAS J. FORD

Thomas J. Ford, 42 years old, passed away in his home at 115 Cinnaminson street, Riverton, last Sunday morning after an illness of little over a week. Complications from pneumonia were the cause of death.

Ford was born and raised in Riverton and learned his trade with John Holvick.

"Tom" as he was known to his friends, served in the Canadian Expeditionary Force in France for two years, and saw service on all the major fronts. He was a member of the 114th Infantry from Hamilton, Ontario.

Previous to his service in the Great War, Tom served on the Mexican border in the United States Marines.

Tom met the girl he married while in Scotland during the war. He is survived by his wife and three children.

Funeral services of the American Legion conducted the military service of the funeral. Mass was held at nine o'clock this morning (Thursday) at the Sacred Heart Church. Burial was made at Mt. Carmel cemetery, Moorestown. Frank A. Sawyer, funeral director.

Big Meeting at Mount Holly Enthusiasm Workers; Plans Laid for Work

MORE WORKERS NEEDED FOR BIG CAMPAIGN

A splendid and inspiring inaugural dinner was given for the leaders and solicitors of the annual Y. M. C. A. drive at the Methodist Episcopal Church, Mount Holly, Monday evening. This year's quota was announced as approximately \$19,000, to meet a very complete and enlarged budget.

State Senator Emmor Roberts, of Moorestown, who was the chief speaker of the evening, in opening his address, declared there is much of the "Y" work which cannot be valued by mere words. The Y. M. C. A., he said, believes in boys, who want to help and assist boys, who represent one of the largest responsibilities offered mankind today. The work among the youth of our country, as conducted by the "Y," he said, tends toward the development of the moral and spiritual phase of future America.

The Senator said it is very unfortunate that it is necessary to speak of money in connection with this wonderful work. He said he could not attempt to place the monetary value of a group of inspired souls, but in order to appreciate the work of the Y. M. C. A. it would be necessary to do so.

Budget Not Large

The popular Legislature appealed to the solicitors to work diligently to raise the \$19,000 necessary for the budget, which he declared, seems so small in comparison with the fruits and development of the Y. M. C. A.

The County Y. M. C. A. orchestra under the direction of Guy Hendry, executive county secretary, played during the supper and Duno Philie, of Delanco, favored with a vocal solo. Hendry singing by the large crowd which attended was led by Frank W. Thacher, County Y. M. C. A. treasurer, of Edgewater Park. Mr. Thacher was chairman of the meeting.

William Garrison Hunter, of the Willingboro group, gave a brief talk on his experiences in a "Y" group and Warren Mahon, who has attended old and new Oceanicton for several years, told of camp life and the routine at Oceanicton. Warren is a remarkable little speaker and delivered a very enthusiastic talk.

Secretary D. S. Evans outlined the accomplishments of his department in the industries and his program in various shops. A Road-building man, who became a naturalized citizen through the assistance of Mr. Evans, told of the "Americanization" work of the Y. M. C. A. in the foreign sections. He said through splendid work of Secretary Evans Road-building has the largest naturalization club in the State.

Stereopticon Views

Mr. Hendry showed some interesting stereopticon views of different groups at work and play and some fine scenes of Camp Oceanicton last summer.

William F. Overman, of Moorestown, who has been a member of the County Y. M. C. A. Board since it was organized twenty-one years ago and has been chairman for the past fifteen years, said if the had not rendered a real service in Burlington County it would be impossible for the leaders to even hope to raise \$19,000, but since records will show remarkable accomplishments in its field, this sum should be very easily raised.

He announced the Moorestown committee will hold its inaugural supper Friday evening at the Community House and declared Moorestown will raise one dollar for every three collected throughout the rest of the county. Last year Mr. Overman, working three evenings, three hours each evening, raised \$1800 for the budget and \$2900 for Camp Oceanicton. Harold E. Page.

(Continued on Page 5)

TROOPERS BREAK UP GAME OF CRAPS

Eighteen Men Arrested and Fined \$5 Each; Six Got Away

Craps games have been going on along the creek at East Riverton for so long a time that they have been accepted a matter of course (and part of the landscape, so to speak) free from molestation. After many years the participants in these games grew careless and then noisy until of late people living in the neighborhood began to complain.

These complaints reached the ears of the state police, not once but many times, and the thing came to a head last Sunday when six state troopers and an equal number of student troopers swooped down on the place and arrested 18 out of the 24 men whom they found there.

The men gave their names as: Thomas Rotham, East Riverton; James J. Johnson, Camden; Norman Anderson, East Riverton; John Jones, Haddonfield; Lawrence Volla, Palmyra; John Williams, Riverton; Harry O'Neil, East Riverton; Thomas Abbott, Riverside; Walter Ziegler, Riverside; Harry Brown, Riverton; Frank King, Palmyra; Frank Johnson, Camden; John A. Smith, Riverside; Harry Schaffer, Palmyra; John Gorman, Palmyra; Thomas Tedley, Palmyra; William Sallan, Riverside; and Clifford Gordon, of East Riverton.

Justice of the Peace Coddington fined them \$5.00 each including costs.

At the time the troopers had surrounded the "shooters" the participants and money had disappeared from sight and the charge preferred was disorderly conduct. The maximum fine for which is \$100.00.

The troopers who made the raid were Sergeant, Haddonfield, and Sallan, and Troopers Kenton, Brown, Indick and Leon.

"Bad Boys" Need Something To Do

Seek Substitute for Natural Excitements of Normal Life Is Claim

"If the manhood of America will lend itself to the task of finding a moral substitute for crime, with a kick and a punch in it, the American boy would not seek the thrills that come from the terse command, 'stick 'em up,' and the crime wave would disappear," says Dr. George J. Fisher, chairman of the Kiwanis International Committee on Vocational Guidance.

"The glare, clamor and noise of the modern world, the mass play, mass education and mass production have taken the romance, color and adventure out of the life of the boy and the thrills he gets out of the breaking of laws have been substituted for the romantic lives of the barefoot boys of Whittier's day. The virile qualities that have made America are fast disappearing and the boy of today lives in an impersonal, crowded world. His play, school work and even his work are all arranged for him. He's long on action but short on meditation."

The Old Swimmin' Hole
"The greatest good that could be done for the boy of today would be the purchase of all the old swimmin' holes of the nation for the use of America's youth. Then the boy would learn to stand on his own feet and regain his own personality. The ready-made world has robbed him of these rights. His mind is made up for him, he is handed ready-made toys, tools and amusements. We should be doing him a great favor if, instead of doing things for him, we were to help him to do things for himself, to make him do his own thinking and to teach him to be independent."

Boys Need Nature
"The boy, made of the same fiber as his forefathers, is disgusted with the ease of life. He wants, as all real boys have always wanted, to do things for himself. He wants to use his hands in fashioning his playthings. He wants to use his brain in thinking solutions to his own problems. But the world has changed and he is constantly changing. The boys are herded together. They have no opportunity to observe the trees, the stars and the beauties of life. They are told what they must do; where they can play; what they must be and even what they must think. Red-blooded boys rebel at such conditions. They want the heartfelt pleasures of their ancestors and the comparative freedom from restrictions that their elders enjoyed."

Not knowing just what they want, because they are used to crowds and crowded conditions of life, they turn to the only thing that offers them thrills that their blood calls out for and we read of another wave of crime. They do not realize it but what they want is the freedom of the open fields, the joys of nature and the silence of the woods. Never having tasted these joys, many of them never even having been out of a city, they seek substitute thrills.

Practical Tasks Helpful
"The solution of this problem of training our boys to be good and useful citizens is not in teaching the boy to sing the 'Star Spangled Banner,' or in the recitation of patriotic essays. Rather, it is in the finding of practical tasks for him to perform, the doing of which will give him a consciousness that they are of service to the nation. Let him provide his own amusements and let the nation get away from the grip of commerce which now almost entirely provides our recreational devices."

The criminal wave among the youth of America is easy to understand when we consider that the average boy does not commit crimes for loot. He does it for the fun and the thrills and the romance that the modern world has taken out of his life.—Kiwanis News.

How You Can Help
One of the agencies seeking to provide the things which Dr. Fisher says boys need is the Young Men's Christian Association.

A drive for funds for this organization in Burlington county is now in progress.

Those who cannot give of their time to work for boys can contribute

KIWANIS FOLLIES

TICKETS AVAILABLE

The annual Kiwanis Follies, a splendid musical comedy staged by the Kiwanis club of Riverside, will be shown at St. Peter's Hall, Riverside, on the evenings of May 14, 16 and 17. Since there is always a wide demand for tickets all over Burlington County, an advance sale has already begun at St. Pollock's store, Scott street, Riverside, and all who wish to obtain good seats would do well to order the same at once.

But of their money to enable those who are devoting their lives to this service to carry on.

MOTOR LAW CHANGES

Commission Bill Calls Attention of Motorists to Amendments

Automobilists were advised last week by State Motor Vehicle Commissioner Dill of a number of changes made by the Legislature in the State motor vehicle act, all of which, he cautioned, must be strictly observed.

One of the changes provides that cars entering upon a main thoroughfare from a side street must come to a full stop before swinging into the new stream of traffic. A main thoroughfare is defined in the act as "any State highway route, any road, street or turnpike upon which a trolley or bus line operates, or any other avenue of travel so designated by ordinance."

Another provision of the same amendment requires the driver when following a trolley car to keep at least ten feet behind and to turn from the tracks when the car stops. As heretofore no vehicle is allowed to pass a standing trolley when the clearance is less than eight feet.

Two other acts prohibit a driver leaving his car in lieu of bail when arrested for a violation of the law. "Experience has shown," said Commissioner Dill, "that in cases where motor vehicles have been left as security almost invariably the defendants did not really own the vehicles, and claims were made showing the finance companies were the real owners. Consequently the defendants escape any penalty, and the State gains nothing by the transaction."

The list of new legislation is concluded by a pair of measures to provide for the filing of insurance policies by taxicab and "U-drive" companies with the municipal clerks. Heretofore the policies have been filed with the State Department.

CAN BOTH BE RIGHT?

If the Saviour's Golden Rule
And the Lord's prayer, too, are right,

How can war be God's command,
And he ever right to fight,

And to kill our brother men?
Each commandment, war will break.

And it ne'er would be Christ's will
Other people's lives, to take.

How can so-called Christians then
Ever advocate cruel war,
When the Saviour's holy life
Proved that it should be no more?

Thou shalt love thy enemies,
Also that thou shalt not kill
Are the laws which you should know.

E'er would be the Saviour's will
Wholesale murder, to commit?
With the Saviour's teaching, how
Can you ever make it fit?

'Tis a fearful, heartless crime,
Caused by greed and selfishness,
And will bring its punishment:
But our souls, it ne'er can bless.

Earthquakes, famine, plagues and floods
Soon will follow war, we'll see,
And fulfill the prophecy
That we dared to disregard.

And, in cruel warfare, to go
To escape our punishment,
We no way shall ever know.

Crimes committed in a war
Harden hearts of many men,
And will cause a wave of crime,
After they come home again;

It will bring an after trail
Of much misery and woe;
And, much sorrow in the world,
Many people then will know.

Martha Shepard Lippincott.

President Coolidge restores citizenship to three bootleggers. It had to be done. Our population is being depleted too fast.

"Biannually" Fools State Legislature

Word Used Instead of "Biennially" Causes Delay of Special Election Date

It took two Legislatures of New Jersey to discover that "biannually" means twice a year and not once in two years. The belated discovery was made Thursday of last week when the Legislature convened in special session to consider a change in the date for the special election on five pending proposed constitutional amendments, and the creation of additional Circuit and Court judgeships to relieve over-crowded calendars.

Following a day devoted mainly to conferences by the Republican Senators, the Legislature adjourned until this Thursday in the hope that its lawyers and linguists might discover some authority for the conclusion that "biannually" means every second year. Dictionaries consulted offered little hope for a conclusion.

"Biannually" Important

The importance of the meaning of "biannually" lies in the fact that under one of the pending amendments it is provided that members of the House of Assembly shall be elected for two-year terms instead of one year, and that the Legislature shall meet biennially instead of annually. In framing the amendment it had been intended that biannually had the same meaning as biennial.

The question of creating additional circuit judgeships assumed a far-reaching political aspect. It was the understanding of the Republicans that in the event of authority being given for two additional judges one of the appointees would be A. Dayton Oliphant, Republican, of Trenton, and Judge Edwin C. Caffrey, Democrat, of the Essex County Pleas Court.

At a conference of Republican Senators it was decided by a vote of seven to five to sanction the introduction of bills creating the two new judgeships and providing salaries of \$10,000 a year each. When this had been accomplished it was found that with three Senators absent, there were not sufficient votes to pass the measures.

Simpson Out of Order

Senator Simpson, of Hudson County, minority leader, withdrew from the occasion by offering an amendment to the election bill, providing for a referendum as to the sale of light wine and beer. When ruled out of order by President Davin, Mr. Simpson insisted that his amendment was germane to the pending legislation and declared his intention of placing every member of the Senate on record. He asserted that previous attempts to do so had been "gamed" in Republican caucuses.

Senator Stevens introduced his election bill advancing the date for

French Billiard Champion

Felix Grange, French billiard champion, one of the contestants in the international billiard tournament.

the special election from September 27 to September 30, thus avoiding conflict with Jewish New Year which falls on the date originally fixed.

Senator Simpson was given assurance that when the judges bill is brought up on third reading next week, he will have opportunity to offer an amendment providing for four instead of two additional circuit judges.

NEW BUS LINE

Utility Commission Sanctions Jersey City-Camden Route

The Public Utility Commission last week sanctioned the operation of ten buses between Camden and Jersey City by the Nevins Bus Line. The route passes through thirty-two municipalities, eleven of which have local consent for the bus line operation. Nineteen failed to act upon applications, while two, Princeton and Princeton Township, objected.

Operation of the buses was opposed by the Pennsylvania Railroad, the Central Railroad of New Jersey, the Trenton and Mercer County Traction Corporation, the Public Service Railway and Public Service Transportation Company and the Birch Transportation Company. The commission held that though the buses in a measure would be competitive with existing transportation facilities, there exists a distinct public need for the proposed service.

The one-way fare between the Delaware River Bridge place, Camden, and Journal Square, Jersey City, will be \$2.50. Intermediate rates will be charged between points located along the route.

All of us are wondering how others manage to live within their incomes.

Patronesses for Elk Charity Ball

Benefit for Crippled Kids' Fund of Mount Holly Lodge May 13

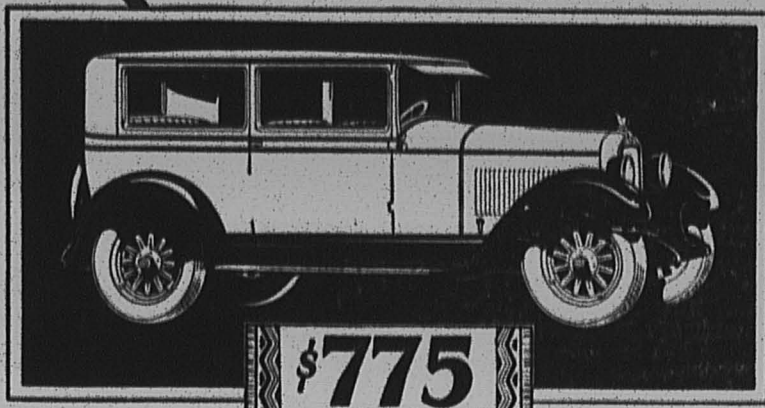

Patronesses for an annual charity ball to be held in the Mount Holly Armory on Friday night, May 13, for the benefit of the crippled kids' fund of Mount Holly Lodge of Elks, have been named, and other activities connected with preparations for the big dance are progressing satisfactorily. The general committee has a meeting last week and reports from sub-committees were to the effect that indications point to the most successful ball in the history of this annual social event.

The patronesses are as follows: Mount Holly—Mrs. Clarence H.

Polhemus, Mrs. Clifton E. Lord, Mrs. Edwin R. Kline, Mrs. William C. Wetherill, Mrs. Henry H. Cross, Mrs. Alexander Dubell, Mrs. Philip S. Irons, Jr., Mrs. E. Lewis Schuyler, Mrs. Raymond S. Clarke, Mrs. Francis P. Gerry, Mrs. Alfred J. Mullen, Mrs. Elwood H. Stokes, Mrs. Howard G. Stackhouse, Mrs. Amos Funk, Mrs. Herman Krupnick, Mrs. Oliver M. Thornton, Mrs. Harold B. Willis, Mrs. Henry B. Wright, Mrs. Allen M. Penimere, Mrs. George W. Dading, Mrs. Melcour R. Lippincott, Mrs. J. Harry Hall, Mrs. Morris K. Feinichief, Mrs. W. Everett Lippincott, Mrs. William H. Mason, Jr., Mrs. Thomas R. Finley, Mrs. Clifford R. Powell, Mrs. Charles Coles, Mrs. Charles LaTour, Mrs. Walter T. Stewart, Mrs. Daisy Hollingshead, Mrs. Harold E. Langsdorf, Mrs. Ole Moon, Mrs. Henry J. A. Ray, Mrs. Hannah Moore Lippincott, Mrs. John M. Kuder, Mrs. James T. Royle, Mrs. R. E. Halderman, Mrs. E. D. Farenbruch, Mrs.

Robert Peacock, Mrs. Jerome V. Jeffers, Mrs. William B. Pearson, Mrs. Francis O. Durand, Mrs. John C. Gilling, Mrs. Charles W. Mendenhall, Mrs. George F. Reed, Mrs. Moorehead, Mrs. Emmor Roberts, Mrs. Harry B. Gale, Mrs. George M. Hillman, Mrs. Henry D. Gullin, Mrs. V. Claude Palmer, Mrs. John C. Pettit, Mrs. Alfred E. Darnell, Mrs. Lawrence G. Mingin, Mrs. New Lisbon—Mrs. Franklin S. Chambers, Mrs. William H. Heister, Jr., Mrs. Jonathan H. Kelsoy, Mrs. Augustus B. Grobler, Mrs. Vincentown—Mrs. Barclay H. Allen, Mrs. William J. Irick, Mrs. Columbus—Mrs. Clifford R. Howes, Mrs. Edgar L. Bushy, Mrs. Harold J. Wheeler, Mrs. Carious C. Davis, Mrs. Bordentown—Mrs. John H. Hutchinson, Mrs. Charles E. Woodward.

A Great Car made even Greater

\$775 SEDAN

The New and Finer PONTIAC SIX

at New Low Prices

Only by utilizing the tremendous resources of General Motors could Oakland produce such value as the New and Finer Pontiac Six at its new low prices.

Its distinction is emphasized by narrower body pillars; by longer, lower contours; by heavier, more sweeping crown fenders; and by a deeper, more modish radiator. Its smartness is accentuated by fresh and original combinations of Duco colors.

And its mechanical excellence is increased by the addition of such unexpected features as foot-controlled tilting-beam headlights, and an even smoother, more powerful clutch.

The New and Finer Pontiac Six towers over its field as a monument to the vast constructive influence that only General Motors commands—for in no other six of equal price is such dazzling value revealed.

NASH

Leads the World in Motor Car Value

15 extra hours on the NASH motor to be certain it is right

The illustration shows two Nash Advanced Six engines hooked together in the great Nash testing room.

One of these motors is driving the other, to limber it up. After a few hours of this, the motor now being driven will limber up another.

Then, after 9 to 10 hours on its own power, it will be taken apart. Bearings, connecting rods and pistons carefully inspected. Valves ground and resealed.

Next, the trained ear of an engine expert will listen to the operation of this motor. When he is sure it is absolutely

right, it will be mounted on its chassis. Then another rigid examination, in the car, out on the road. 15 extra hours in all are consumed before the motors shown above are ready for their owners.

How easily Nash could save this time and expense. You would never be able to see the difference. But every Nash owner knows there is a difference!

There are extra hours of extra care in every Nash, to lift it above the level of the average car—to be certain Nash performance leads the world!

[26 Different Nash Models at from \$665 to \$2090 f. o. b. factory]

DO YOU WANT TO WRITE.
PICS TO GREECE.
UNCOUCH BOHNEVILI.
A \$4,000 CHEVROLET?

President Coolidge says:
"Familiarity with the Scriptures brings culture."
Read the Psalms, Isaiah, Job, the Sermon on the Mount, ten or twenty times, and you will write better poetry, prose or advertising copy.

Two are indicted for fraud through the mails, in a "how to get thin" scheme. Fraud is not the worst of such enterprises. Many women, who think they are too fat, ruin their vitality seeking to be thin. The way to "reduce" is by regular sleep, deep breathing, reasonable exercise, moderate wine eating. It is not necessary to be fat or to faint.

New York to Chicago air service is let to the able Cohn-Henderson concern at \$1.24 a pound. A lower bid at \$1.23 was rejected because pilots flying the machines owned stock in the company.

That should be a reason for giving the contract, instead of refusing it. Pilots owning stock in machines would take care of them and the mail. If any law forbids pilots owning stock in a flying company, that law should be changed.

A famous bear named Colonel Broadcaster and fourteen other well-known American writers were sent to Greece last week. The mountains that look on Marathon will soon see finer pigs rooting along the beach than they ever saw before.

Poetry is above pigs, but pigs that America sent to Greece will do Greece more good than the poetry that Byron wrote. Greece has won for herself the freedom that Byron wished her. She couldn't win without foreign help such a pig-greed pig as Broadcaster.

The Bolsheviks are certainly un-couth. They convict three high Russian officials of taking bribes in connection with a big German lumber trust; and what do you suppose happened? The three officials did not employ good lawyers, expressed righteous indignation and go to Palm Beach or the Riviera. They stayed at home, were sentenced to death, all their property confiscated, and they will really be executed. Russia would be a poor place to steal a naval air reserve.

Miss Pankhurst has lost interest in votes for women, "because voting women make the same mistakes that men make." They do, of course, being human, and sometimes influenced by men. Nobody expected that votes for women would bring on the millennium over night. But women voting have made men in office ask themselves: "What do the women want? What do the children need?" That's the important thing about votes for women.

In old whiskey days, as soon as women got the vote, district leaders in the great city sent out the order, "Don't get the boys drunk around election time, or their wives and daughters will vote against you."

Civilization's problem is cheap distribution of life's necessities giving citizens full value for their dollars. This doesn't mean business men shouldn't make the profit to which they are entitled. It means modern business lends more and more to "low profit, big volume."

The quart of milk that a farmer sells for four cents, the city mother buys for fifteen cents. If General Motors were run, on that basis, a Chevrolet would cost \$4,000.

Italy is to be made pure, and beads among other things are to be abolished. Mussolini calls them "marks for solemn hangings and nests for disease germs."

Alexander the Great shaved his face and made his soldiers do it that the enemy, fighting with the short sword, might not seize the beard as a handle, to help in cutting off the head. Mussolini objects to beads as nests for germs, another and worse "enemy." Mussolini says he refuses to be assassinated, will live to be ninety, and then, retire, leaving instructions for Italy's guidance.

Italians believe in him and no wonder. He believes in himself.

The hero season is at hand. Those tourists who run into traffic cops with their Rivers—and don't run.

FOUND FRANKLIN'S BOOK IN MT. HOLLY

Dr. Rosenbach Writes of Purchase at County Seat

In a recent issue of the Saturday Evening Post, Dr. A. S. W. Rosenbach, of Philadelphia and New York, famous dealer in ancient manuscripts and other antiques, tells of the purchase of the work book of Benjamin Franklin from a Mount Holly antique dealer, Harry N. Smith, a few years ago. It is an old copy book in which Franklin kept his printing shop accounts and was obtained by Mr. Smith from the attic of a farmhouse near Mount Holly.

Dr. Rosenbach says that while on a fishing trip at Corson's Inlet, one hot summer day, he received a telephone message from the manager of his Philadelphia branch, a man named Lawler, that the latter had discovered the location of the Franklin manuscript. Hiring an automobile, Dr. Rosenbach hurriedly was conveyed to Camden, where he was joined by Mr. Lawler, and they drove to Mount Holly, passing along "a quiet country street" until they reached a place where there was a sign "Antiques."

"The proprietor of the shop, a calm, middle-aged man, greeted me smiling kindly. The book was produced and found to be the one wanted. 'Not a page had been tampered with; it was entirely as it had been kept by Franklin, except that it was somewhat yellowed by its 180 years of age,' says Dr. Rosenbach, who immediately bought the book.

The supposition is, says the collector, that the book was brought to Burlington by James Parker, then a noted printer in New York, when he removed from the latter city. The account book had been given by Franklin for auditing, and it is probable that Parker carried it with him when he moved to Burlington county, and it never was returned to its owner.

Dr. Rosenbach afterward sold the book at a fabulous price, never revealed to the public, but rumored to have been for a sum placed at \$12,000 or more.

CAR DEALER HAS STILL BIGGER JOB

"The car dealer must keep pace with the automobile industry. He is to measure up to the ever-increasing responsibility which fast-growing motor transportation puts upon him," says Frederick E. Rein of the Rein Motor Company.

"Better cars and more cars mean better dealers. The essentials of good day-by-day performance of any motor car must be provided by strictly local factors. "The 1927 model car dealer is bigger, stronger, and more responsible than ever. He meets an increased responsibility to those who buy cars from him with increased equipment for service and maintenance."

LEGISLATIVE ACTS

A pamphlet containing a synopsis of each law and joint resolution enacted by the recently adjourned Legislature of 1927 has been compiled by State Librarian John P. Dillard and is already off the press. Besides the synopsis, the bill and charter numbers and introducers' names are given. Copies of this Descriptive List may be obtained free by writing to the State Library, Trenton.

ADMISSION, SEVENTY-FIVE CENTS
Cards of Admission can be obtained only from patrons and patronesses, a list of whom will be found elsewhere in this paper, or from Frank A. Matthews, Jr., Chairman, 609 Washington Avenue, Palmyra, N. J., Phone Riverton 812.

Miss Marie Whitten, Metropolitan Girl Reserve of New York City, will be the speaker at the meeting for leaders of girls activities at the Community House in Moorestown on Monday, April 25th at 2.00 o'clock, in celebration of Anniversary Week. An invitation is extended to Girl Reserve club leaders in the county to be present at this meeting and hear the message of this distinguished New York psychologist.

The monthly meeting of the Board of Directors of the Burlington County Y. W. C. A. at the county office in Mount Holly on April 19th was well attended. The report of Mrs. Harold Horner, county chairman of membership, showed excellent results of the membership drive. Mrs. Edward Harner, chairman of finance, gave an encouraging report from the finance committee. This committee has done a constructive piece of work through the year, and new contributors are being added to the list.

Miss Sallie Sumner, county executive secretary, presented an interesting chart showing the progress of the Association each year since its organization in 1919. Facing facts as they are today, the Board then discussed future plans for organization to make the work in the county more effective for girls and women.

Only 1245 girls and young women are being reached through clubs because the Association has only two secretaries on its staff. Hundreds of other girls are denied the privilege of the YWCA because of the limited staff and it is hoped that in the near future a third secretary may be added to the working force of the county. The Board feels that three trained secretaries should be able to carry the work in the entire county very satisfactorily.

Mrs. Alexander Marcy gave an interesting review of the National YWCA Policy, with special emphasis on the Chinese and Mexican situation.

The Monday night Senior Club girls of Moorestown elected the following officers at their last meeting: President, Hannah Ellis; vice-president, Frances Ingram; secretary, Elizabeth Darr; treasurer, Rebecca Hunter. Miss Dorothy Hunt of West Moorestown is leader of the club. Other members are: Agnes Taggart, Edith Ellis, Julia Juliana, Kathryn Downes, Phoebe Jones, Ada Jones, Emma Angelow, Rose Constantino, Josephine Berner, Carry Ward, Esther Hughes.

The music committee is meeting today (Wednesday) at the home of Mrs. F. Wallis Armstrong at 2.30. Final plans for the Music Festival to be held at the Moorestown Community House on May 31st were completed. The program will consist of special songs by the choral groups, club songs and community singing. The committee is arranging some special numbers which will add much interest to the event.

ning's program.

Both the Grade School and High School Girl Reserve clubs of Leola had interesting Easter programs last week. Helen Hoff, Girl Reserve secretary, attended the meetings.

The Riverton Junior High School Girl Reserves met at the home of Miss Irene Stippel on last Tuesday evening. Ruth Patterson, president of the club, presided at the meeting. "Loyal to Friends" was the subject of the devotion. The story of Ruth and Naomi was used to illustrate true loyalty. Saturday, April 22nd, was set as the date for a hike. A time and place for the play the girls are planning to give to raise money for camp were also discussed. It was decided to give the play the first week of June. Helen Hoff, the Girl Reserve secretary, attended the meeting and took part in the program.

COMRADE Y. M. C. A.

The Comrade Group opened its fifth meeting, April 13, by prayer and reading of the Bible.

Then our minutes of the last meeting, roll call and paying of dues. After this our old business was finished. We then brought up new business which was we decided, was to have a YMCA sermon preached to the boys on Sunday May 7th. All boys from all the groups surrounding us are invited. We next heard of the baseball question. We have prospects of a fast snappy little team, with Myers, the Palmyra High star and Grover Witherspoon the fast little player of Victor A. C.

After our new business we had a Bible hunt which was very interesting.

The meeting was then adjourned and the boys dispersed. We expect to meet in our new meeting hall next week. Josiah Conwell, Jr., Reporter.

LAW PAMPHLET READY

A pamphlet containing a synopsis of each law and joint resolution enacted by the recently adjourned Legislature of 1927 has been compiled by State Librarian John P. Dillard and is already off the press. Besides the synopsis, the bill and charter numbers and introducers' names are given. Copies of this Descriptive List may be obtained free by writing to the State Library, Trenton.

500,000 PEOPLE SEE OAKLAND TRAVELER

19 States Visited So Far; 100,000 Mile Sedan Nearing Pacific Coast

Within less than two months and a half almost a million people in more than 200 cities and towns have seen the famous 100,000 Mile Oakland Six Sedan, now on its 20,000 mile trip around the country in the course of its second severe test.

Starting from Detroit February 1, after it had already undergone a severe motor test on a treadmill by running 100,000 miles in 163 days, the car went South and East touching 18 states by the time it had reached Texas the first week in April. In that time it has traveled about 6000 miles. It is now on its western loop of a geographical figure eight around the country.

In Boston alone, newspaper men estimated that 200,000 residents of the Hub city packed its narrow streets at the noon hour on Saturday and saw the car escorted by a 70-piece band, mounted police and a fleet of its sister cars.

In New York, another 100,000 watched the car on its way to be received at the city hall, and at Philadelphia, 100,000 lined famous old Market street and watched the car roll by. Thousands in towns and hamlets have inspected the car. Whether they were city folks or comfortable residents of rural sections, they displayed a keen interest.

Charles H. Blanch, manager of the tour, and Karl R. Schorr, driver of the car, have reported that all of America they have seen on the trip is auto-wise. In New York the snappy young gentleman in spats and a hard hat was interested as much in the car and its accomplishments as he was in the outcome of the play censorship on Broadway, and in the smaller towns along streets "over-arched with familiar trees and paved with contentment," where the populace took its unbridled examination of the car, there was likewise the same interest.

The trouble with easy buyers is that they're not very good pay. In other words, easy sold, hard to collect.

A clean deck sometimes indicates that the buck has been passed.

Dr. Frank Crane Says

Many Hearts Are Heading Up-Stream

When Bishop McIntyre stood on the Canadian bank of Niagara Falls he said that everything in the universe seemed to be going down. Yet a closer scrutiny revealed the little steamer "Maid of the Mist" going up.

Pessimists tell us that everything and everybody is going to the dogs. We have the authority of the realists and the gloomy philosophers that things are getting worse and worse. Yet somehow the world seems struggling upward.

It has made much improvement in the last sixteen hundred years or so and it is liable to make more in the next few years.

The stream of traffic on Broadway is ceaseless, but occasionally a policeman raises his hand and the traffic stops while he leads a little child or an old woman in safety from curb to curb.

The newspapers are filled with accounts of murders and all sort of crimes until it seems that this country is afflicted with a crime wave, but every once in a while you hear of an old woman in somebody who is not at all afflicted with crime motives. Doubtless there are many kind

world. Many hearts are going up stream. It is pretty hard on them at times and the struggle is pretty severe, but taking all in all the company of those who are struggling to make the world better is considerable and they have the cosmic laws in their favor.

Whoever does what is right may be peculiar, but he belongs to a long line of beneficent forebears. He may know that his labor is not wanted.

For there are always a number of people who are going up stream just as there are many people who are laying down their oars and going with the stream toward the deadly waterfalls of disaster.

There is something in the human breast that inclines men to struggle to push onward and upward, notwithstanding that the stream of things seems to bear them down, deeds not recorded all through the

Quality Features of the world's most popular gear-shift truck

Chevrolet is the world's most popular gear-shift truck because it offers scores of quality features not found on any other haulage unit in the low price field.

Included in this list are numerous recent mechanical improvements of the utmost importance, such as—AC air filter and AC air cleaner to protect the motor from excessive wear and to maintain at its peak efficiency the smooth, effortless power for which Chevrolet's motor has long been famous. Other new features are an improved transmission and new gear-shift lever; a new and more conveniently located emergency brake; crowded fenders; a new radiator of greater cooling capacity; a new 17-inch steering wheel—and even bullet-type headlights to give a distinctive touch of smartness!

If you want efficient, truly economical transportation, come to our salesroom and see the improved Chevrolet Truck.

THE EDITOR'S REPLY

At a meeting of the Riverton Borough Council last Thurs-
day evening the following motion, offered by Mr. Welsh and
seconded by Mr. Showell, was unanimously passed:

"That the editor of the paper New Era show proof
that the statements are true regarding the article in
the editorial referring to Shilly-Shallying, and if he
cannot show proof, Council demands that he must
retract them."

This action was taken in lieu of passing the following resolu-
tion which was prepared by the mayor and sent to Council with
the expectation that a member would sign it and offer it as his
own:

"Whereas, The New Era has in its columns under
date of April 14, 1927, a very scurrilous article entitled
Shilly-Shallying, in which it maligns the character of
our Mayor, and also questions the ability of this body
in the performance of its duties, and

Whereas, the statements contained in said article
are not true, therefore be it

Resolved, that Council deprecates the uncalled-for
article appearing in The New Era under the above
date and requests the retraction of statements therein
not true."

The belief held by some that the mayor cannot be mistaken
has received two notable setbacks recently—in the matter of
publishing the audits for 1924 and 1925, and the declaration that
the Shade Tree Commission had the authority to abrogate parts
of a borough ordinance if, in its opinion, to carry out the ordi-
nance in its entirety would injure shade trees. The position
taken by the mayor on both of these questions was proved to be
wrong.

And so, Council was not quite ready to take the mayor's
word for it that the statements in the editorial were untrue
and that his character had been maligned. No one would father
the mayor-made resolution. Instead, Council passed a motion
of its own.

In the opinion of the editor, Council went beyond the provi-
dence of its proper functioning when it passed that motion, and
has no power to enforce the demands made therein. Three of
the councilmen present expressed the opinion that it was a mat-
ter between the mayor and the editor and that it was none of
Council's business. The function of Council, as the editor under-
stands it, is to transact public business, and not to take up the
eudgel on behalf of any individual. Council itself was not
mentioned in the article to which the motion refers.

Therefore the editor declines to be drawn into any con-
troversy with Council, and it seems to him that Council was
infringing on the prerogatives of the mayor when it demanded
proof for which he did not ask in his resolution.

The editorial made two statements, neither of which are
debatable. First, that the mayor had refused to give a straight-
forward answer to the question as to whether or not he would be
a candidate to succeed himself. This was again proved, if
additional proof was necessary, when the borough clerk, who
was sent as an emissary to His Honor to learn his pleasure in
the matter, with a request that a definite answer be given last
Thursday night, returned with nothing more concrete to report
to the members of Council than "As I feel at present, No," or
words to that effect.

A borough must, perforce, have a mayor, and if the
members of Council are considerate enough of the present
official's desires to ask whether or not he would like to continue
to serve before looking elsewhere for a candidate, the dictates
of common courtesy and every principle of fair play would
seem to indicate that he should respond in the same spirit and
give an unequivocal answer, in order that, if he decides to
abdicate, a suitable man may be found to fill this important office.
He also owes it to his fellow-townsmen who conferred the
honor of this high office upon him at the last election.

The second statement was that Riverton was falling behind
in progressiveness and civic spirit. The truth of this statement
is easily demonstrated by a survey of the river bank, both
the roadway, which is again full of holes, and the lawn, which
is dangerous as a public thoroughfare owing to the crumbling
wall and the erosion that has been caused by the encroaching
waters, leaving great pits inside the wall. And, again, Memorial
Park is not being improved and developed according to the
plans which were drawn soon after it was purchased.

The balance of the article was devoted to what the editor
considers desirable in the man who occupies the executive chair
in our borough. If the mayor takes issue with these require-
ments and believes they are not necessary to the office, the
burden of proof is on him.

If, on the other hand, he construes the enumeration of these
qualifications as an implication that he has not used them, and
will indicate the particular points on which he desires proof to
be submitted, the editor will do his best to oblige.

But he will deal with the mayor direct.

PROBATIONER

Services in the Calvary Presby-
terian Church will be held next
Sunday morning in the Riverton
school building.
Morning worship 11:00, Main
School 10:00, Primary Division 9:30
o'clock. No evening services.

The Christian Endeavor Society
will meet at the manse at 7:15
o'clock. All members are urged to
be there. The mid-week service on
April 27 will be held at the home
of Mrs. J. M. Coddington, 415 Elm
avenue.

The annual cake and apron sale
of the Ladies Aid Society will be
held in Bishop's Shop on Broad
street, Friday afternoon from 2:00

until 5:00.

The Pastor's class in instruction
for those who wish to unite with
the Church at our next communion
in June will begin on Friday after-
noon, April 22, at 4:30 o'clock at
the manse. Parents are urged to
send their children.

CANDIDATE FOR COLLECTOR

Robert C. Ayres has announced
that he will be candidate for the
Republican nomination for the office
of Riverton Borough Collector at
the June primaries.

No town is small, narrow or
high village to those who believe
themselves.

SAMUEL S. DANIELS

The funeral of Samuel S. Daniels,
68, of 338 Main street, Riverton,
who died suddenly of acute indigestion,
Monday evening, at 10 o'clock,
in the library of his residence, will
be held this afternoon at 2 o'clock
at the family residence, the Rev.
Arthur S. Lewis, rector of Christ
Episcopal Church, Riverton, officiat-
ing. A large number of busi-
ness and personal friends from
Riverton and Philadelphia are ex-
pected to be present.

Interment will be made in the
I. O. O. F. cemetery, Burlington,
N. J. Honorary pallbearers are to
be Herbert Brown, John S. Morris,
Walter Bickley, Rowe Stewart and
Will Rowland, of Philadelphia, and
Charles A. Wright, of Riverton.

Mr. Daniels was completing his
60th year in newspaper and com-
mercial reporting work in Philadel-
phia, when he was born in
Clarkboro, N. J., January 29,
1861, but early in youth moved
with his parents to Philadelphia,
where at the age of 18 he graduat-
ed from high school. He at once
entered the office of the Philadel-
phia Commercial List and Price
Current of which he ultimately be-
came editor and manager, later
disposing of his interests to his
brother Harry Daniels, of German-
town, who continues to operate the
paper.

In the meantime, Mr. Daniels had
established himself as a commercial
reporter and for years contributed
expert information to all of Phila-
delphia's newspapers, among the
editors of which he enjoyed in-
imate acquaintance.

A few years ago Mr. Daniels
was elected secretary of the Phila-
delphia Produce Exchange, because
of his intimate knowledge of mar-
ket affairs. He was one of the
organizers and, at the time of his
death, secretary of the Tacony-Pal-
myra Ferry Company.

He was a member of the Epis-
copal Church.

Mr. Daniels is survived by his
widow, Mrs. Anna M. S. Daniels;
three daughters, Mrs. Walter M.
Bond, of Evanston, Ill., Mrs. C. E.
Gindler, of Massillon, Ohio, and
Mrs. Perot Nevlin, of Riverton; his
mother, Mrs. Elizabeth E. P. Dan-
iels, and a brother, Harry Daniels,
of Germantown.

RESOLUTION OF RESPECT

The Board of Directors of the
Tacony-Palmyra Bridge Company
desire to express their sorrow and
sense of loss in the death of their
secretary, friend and co-worker,
Samuel S. Daniels, which occurred
on the 18th inst.

Having always been very optimis-
tic regarding the possibilities of a
bridge at Eight Mile Point, he was
a stimulating influence in that di-
rection, never wavering in his loyal-
ty to the enterprise.

We, his co-workers in the pro-
ject, wish to express to the members
of his family our sincere sympathy
in their bereavement.

TACONY-PALMYRA BRIDGE COMPANY.

CHAS. A. WRIGHT,
President.

EDWARD W. G. BORER,
Vice President and Treasurer.

RESOLUTION OF RESPECT

The Board of Directors of the
Tacony-Palmyra Ferry Co. desire
to express their deep sorrow and
sense of loss in the death of their
secretary, friend and co-worker,
Samuel S. Daniels, which occurred
on the 18th inst.

He had been identified with the
company almost since its inception
and commanded the respect from
his fellow-workers.

We take this opportunity to ex-
tend to the members of his family
our sincere sympathy in their be-
reavement.

TACONY-PALMYRA FERRY COMPANY.

CHAS. A. WRIGHT,
President.

EDWARD W. G. BORER,
Treasurer.

CALVARY Y. M. C. A.

We met about 7:30 Monday night
in the Methodist gym and indulged
in a game of basketball before
everyone was present and before our
leader arrived.

After waiting for a half hour we
decided to stop playing and start
the real game of the evening as
we had given up hopes of our
leader coming.

We chose sides and started to
play. There were four men on a
side and two referees. Owing to
a slight accident, usually Bill Baker
had received in the afternoon he
could not play so he had to referee.

Leon Sloan tried to be tight so
he made everyone keep off the floor
during the game which is not
very seldom done.

As the game progressed it grew
very interesting. We had to stop
about ten o'clock and everyone was
ready to stop after playing for a
few hours.

Not many boys turned up during
this time but we decided to have
our usual friendship circle, which
we did and then closed up and
went home.

JACK NAINBY,

Reporter.

THE LIPPINCOTT'S HOME

Mr. and Mrs. J. Lawrence Lippin-
cott returned home Monday from a
three-months auto trip through the
south and middle west, covering a
distance of 4500 miles. Their itine-
ry led through Baltimore, Wash-
ington, Georgia, Florida, Louisiana,
Tennessee, Alabama, Kentucky, In-
diana and then home.

While in New Orleans they park-
ed for ten days in the center of the
city and lived in their own car. A
visit was made to the Mammoth
Cave, as well as other prime
points of interest along the way.
On the return trip the Tennessee
and Ohio rivers, as well as the
smaller streams were all running
very high.

GIRL RESERVES

The meeting was held April 19th
at the home of Ann Evans. We
had a short business meeting in
which we elected a committee to
take care of the games on the hike.
The committee is as follows: Ann
Evans, Margaret Crouch and Elizabeth
Slater.

We also discussed the county
dance. The meeting was then ad-
journed. This was followed by a
social.

JANE BLACKWELL,

Secretary.

Performances in the best adver-
tisement.

RIVERTON ITEMS

Mrs. George C. Baker of Elm
Terrace is entertaining her sister
for a week.

Mr. and Mrs. Robert Richter en-
tertained at a card party last Sat-
urday evening.

Miss Elizabeth E. Coddington,
who is at Arlington, spent the week-
end with her parents Mr. and Mrs.
J. M. Coddington on Elm avenue.
Paul E. Good spent several days
at Syracuse, N. Y., last week.

Mr. and Mrs. Charles Dedrau
and children spent Sunday in At-
lantic City.

Mrs. John Patterson of Elm
avenue, has been spending a week
at Wildwood.

Mr. and Mrs. Laetia Reeves en-
tertained at cards on Tuesday eve-
ning to celebrate their wedding an-
niversary.

Miss John Nichols motored to
Wilkes Barre with friends to spend
several days there visiting relatives.

Mr. and Mrs. L. W. Hampton en-
tertained Mr. and Mrs. Jack And-
erson, and daughter, of New York,
over the Easter holidays.

Mr. and Mrs. J. W. Austin of
Edgewater Park and Mrs. Alex M.
Smith motored to Atlantic City,
Easter Sunday.

George Cough was in Trenton
last Friday and Saturday piping
rocks for the shad fishermen in
preparation to the shad season.

George says the water is so clear
that one can see for a distance of
about 20 feet around when the tide
is out, which is remarkable for the
Delaware.

Harry Kemmerle, Albert Elsiele,
Clinton Woolston and E. H. Michell
motored to Beach Haven last Fri-
day for a fishing trip. The total
catch was 128 fish and an eel.

Clinton B. Woolston has sold a
new Star six coach to Herbert Ware
of Camden.

Mr. and Mrs. J. W. Sylvester
spent the weekend at Morris Point.

Mr. and Mrs. A. Robert Schmidt,
announce the engagement of their
daughter, Francis Wilbert and Mr.
James Hooks Fulgum, of Macon,
Ga.

Miss Jane E. Wanger was brides-
maid at the wedding of Miss Marion
Fischer, daughter of Mr. and Mrs.
Francis Murphy, Brooks and Mr.
Louis Edward Meinhardt, son of
Mr. and Mrs. M. A. Meinhardt, of
Hochester, N. Y., at St. Luke's Pro-
testant Episcopal Church, German-
town, Monday evening.

Charles Turner, Jr., was home
from Howard University for the
Easter holidays.

Mr. and Mrs. W. J. Kelle, of
Wildwood, are visiting relatives in
Riverton.

Mrs. Robert Miller, of Norrit-
town, spent the weekend with Mr.
and Mrs. Lawton Steele.

Mrs. George Ames, of Lakeland,
Florida, spent a few days last week
with her mother, Mrs. Mary Strat-
ton.

Capt. George M. MacMullin and
family, who are visiting Mrs. Mac-
Mullin relative at Madison Heights,
spent the weekend with his parents,
Mr. and Mrs. Samuel R. MacMullin.

Capt. MacMullin and family expect
to sail for Alaska the first of May,
where he will be stationed.

Mrs. J. E. Farhuck and family,
of Philadelphia, spent Thursday and
Friday with Mrs. Pauline A. Bailey,
on Linden avenue.

Mr. and Mrs. John Mahoney, of
Plainfield, spent the weekend with
their parents, Mr. and Mrs. Dennis
Mahoney.

Mr. and Mrs. D. F. Gould and
children spent Easter in New York
as guests of Mrs. Gould's parents,
Mrs. Samuel R. Cole, who has

been spending the winter in Flor-
ida, returned home last week, and
is visiting her daughter, Mrs. Her-
bert Evans. On Saturday Mrs. Cole
expressed to Edgely Wildwood, pre-
paratory to opening the Hotel Fort-
land.

Misses Katie and Millie Fues-
stein, of Philadelphia, were guests
of Mrs. Otto Sauers on Monday.

Mrs. George Ames, of Florida,
spent several days last week with
her mother, Mrs. Mary Stratton.

Miss Anna Barr, of "Locust
Farm," spent from Thursday until
Sunday in Chicago.

Mrs. J. Russell Jernon and
daughter spent Friday and Saturday
in Germantown with relatives.

Mrs. Julia Bright, of Pitman,
spent Sunday with her mother, Mrs.
Conrad Becker.

Miss Helen Crowell was among
the guests who were entertained at
a bridge and miscellaneous shower
at the home of Miss Barbara For-
gessner of Edgely Wildwood, Sat-
urday afternoon last in honor of
Miss Helen Capron, also of Edgely
Water Park.

Mrs. Harry C. Sim and Miss May
Turns are spending the week in
Atlantic City. Miss Elsie Ogden
spent the weekend with them.

Mrs. Lydia Marr, of New York,
spent several days with her sister
Mrs. Oscar Kahler.

Master Charles Kahler, of Phila-
delphia, spent the weekend with his
grandparents, Mr. and Mrs. Oscar
Kahler.

CHARM ! CHARM !

The world would be dull without
charm. That's why it is always an
interesting subject. Do you have
"charm?" A recent production in
New York City has this title and
you will have the opportunity to
witness the effects of "charm" at
the High School auditorium on Fri-
day and Saturday, April 22nd and
23rd. Tickets may be obtained
from any of the members of the
Lutheran Church, Price 50 cents.

SUPPLEE'S Ice Cream

In delicious combinations
for the warm evening re-
freshments.

We also deliver ice cream
orders for parties or din-
ners.

This wholesome food is
prepared in pint and quart
packages and also in the
individual blocks upon or-
der.

We have the only "Sun-
dae" station in Riverton.
Let us serve you.

I. O. O. F. ANNIVERSARY

The 108th anniversary of the
founding of the Independent Order
of Odd Fellows will be fittingly
celebrated with services at the
Baptist Church, Palmyra, Sunday
evening, April 24.

Cinnaminson Lodge, No. 201 ex-
tends a cordial invitation to all
brother Odd Fellows of this vicin-
ity to join in this service. The mem-
bers will meet at the lodge room, but
the nature of this event is being
kept a profound secret.

P. O. S. of A. Hall, at 7:30 p. m.
and march to the church in a
body and in full regalia. The Rev.
George Lockett, now a member of
the local lodge, will deliver an ap-
propriate address to the members
of the Order and its many friends.
On Wednesday evening, April
27, the Ladies' Auxiliary will en-
tain the members of Cinnamin-
son Lodge at the lodge room, but
the nature of this event is being
kept a profound secret.

JELLIES and PRESERVES

After the drain of a long winter on your jelly and
preserve closet the supply is about run down. You
can buy here jellies and preserves, just like home-made,
at reasonable prices. Only the best is used in the pro-
duction of these sweets.

Mayor Problem In Palmyra, Too

Neighboring Borough is Also Looking for Big Man As Executive

The Palmyra News says editorially in this week's issue: While Riverton is engaged in a rather unusual dispute concerning its mayoralty situation, Palmyra might as well ponder a bit on who its next Borough executive will be.

Mayor Weart, who is completing his second term in office and who has served his community efficiently and well, has announced his intention of withdrawing from public service and leaving the field open for other candidates.

As yet there has been no definite announcement of a candidate for Mayor, but it is rumored that at least one of the Councilmen has ambitions in that direction.

Without prejudice against any who may seek the honor, it is well to call attention to some of the requirements and burdens of the office.

Thankless Job
The Mayoralty is a thankless job at best, and it takes a sturdy heart for a man to be willing to brave the censure and nuances which must befall the able incumbent when there is no compensation except what honor may be attached to being "His Honor the Mayor" of a relatively small community.

Despite the size of the town, however, the administration of the Mayor's office in Palmyra is as important to Palmyra as it is the same office to New York or Chicago.

The town is growing apace and unprecedented expansion seems on its threshold, with a Delaware River bridge of our own soon to be built, and the rapid development of transportation to and from the heart of Philadelphia via the Camden bridge, which already is exerting a vital influence on the population and business of the town.

Big Future Looms
The next five or ten years will probably witness the building up of the whole triangle of Palmyra-Riverton, Moorestown and Riverside into one big town. Whether this four town section will then be a community of many subdivisions each with its own municipal organizations and its own problems, schools, streets, police, sewerage etc., to solve, remains to be seen. The prospect is that that will be the case, unless some one town, with such efficiency and foresight within its own borders, can lead such leadership and such advantage to communities growing up about its borders that these new villages will offer themselves as addition to the established community.

Such is not likely to be the case, at least not until years of evident necessity convince men's minds that such a fusion of interests would be to mutual advantage. The new towns will have a self-pride and a feeling of independence and progress which they will hesitate to submerge. The older towns, on the contrary, will have long established prejudices and the taxpayers will view prospective additions as propositions which mean added expenses and few returns.

Room for Growth
These considerations are perhaps entirely beside and beyond the point and are mentioned merely in passing as a suggestion of the future that may lie before Palmyra. We have more immediate and pressing

problems. There is much room for growth and almost limitless need for improvements right inside the present borders of the town. New developments in the still open spaces of the Borough will be rapid. The big and longstanding problem of a real street program is still with us. The school problem, but recently met for a while, is already raising its insistent voice again. Then there are the usual problems of police and fire protection and the proper regulation of disturbing elements in the population. Even the big city problem of recreation centers is right around the corner if this end of Burlington County grows as signs indicate.

The tax rate problem, like that poor, is always with us. And its significance will in no way be abated by future growth.

Petty nuisances, complaints and disputes abound in all municipal work. Especially in a small town the Mayor is on the receiving end of them all.

Need a Big Man
Even though the Borough is small and the honor attached to the office in proportion, the next Mayor of Palmyra must be as big a man as may be. He should, if possible, be a man whose business enables him to be in the town at all hours so that emergencies, big and little will find him on the job.

He should have the vision to plan for the town's future and the intelligence and poise correctly to deal with the town's present. He should have all the confidence and cooperation that is possible for a town to give its chief official.

It is needless to add that the town executive should have the firmness to enforce necessary laws and to resist the importunities of friends and neighbors.

He should be a man who has made a sufficient success of his own life to demonstrate his ability to handle the affairs of a town of five thousand people.

This newspaper does not assume to be in a position to name or suggest such a man, but we do believe that the citizens at large should give the matter all the consideration it deserves and seek to discover the man best fitted for the office and then induce one or more of them to seek the nomination.

All that may be said of the Mayor's office applies almost as much to Borough Council, where there will also be vacancies to be filled.

COUNCIL TERMS EXPIRE
The terms of Councilmen George N. Wimer and Julius Fisher expire this year, while Arthur Cramer, appointed to fill the vacancy caused by the resignation of Warren Reahm, will also have to stand for election. Since a Mayor also is to be chosen, the local election may have unusual interest.

**UNLICENSED DRIVER
WRACKS AUTOMOBILE**
Joseph Story, age 17, of Delanco, ran into a tree at Eighth and Main streets on Saturday night and practically demolished the Studebaker car he was driving.

Director of Public Safety Williams made an investigation and learned that young Story was driving without a license. He had a permit and was accompanied by a man who is said to have been a licensed driver, but this is also being investigated. According to Director Williams, young Story has been driving a car since he was nine years of age and the Director says he will recommend to Commissioner Dill that the granting of a license be withheld for two years.

PALMYRA NOTES

Betty, seven year old daughter of Mr. and Mrs. Frank Chambers, ran into the side of Michael McLaughlin's automobile Monday afternoon and was knocked down, but suffered only minor injuries. The accident occurred on Broad street in front of Bronbaum's store. The little girl was playing with another child and ran out into the street. Mr. McLaughlin turned his wheel quickly and avoided running over the youngster, but could not prevent the accident altogether. Betty was taken to Dr. Bauer's office where her injuries were dressed.

The Junior Philathea regular monthly meeting was held at the home of Miss Emily Harvey Monday evening. The hostesses were Miss Harvey, Mrs. Helen Guldin and Miss Virginia Seal.

Herbert and Harry Wood, of West Philadelphia, were guests of Mr. and Mrs. Warrington Darnell and Mrs. Harry Kemmerle, Sr., Friday and Saturday.

Mr. and Mrs. M. J. Quinn, of Woodbury, former residents of Palmyra, visited friends here Saturday. Mr. and Mrs. Warrington Darnell and Mr. and Mrs. Edward King were at their cottage in Avalon from Thursday until Monday. W. B. Powell spent the weekend with them.

Miss Ruth Allen, of Philadelphia, Miss Blanche Cliff, of Toga, and Clifton Seal, of East Orange, were guests of Mr. and Mrs. George J. Seal on Sunday.

Mr. and Mrs. Albert Smith, of Stonehurst, spent the weekend in Palmyra with her parents. Mr. and Mrs. Eula Roach, Mrs. James M. Weart and Miss Mildred Roach spent Friday with John Harboure in Philadelphia.

Miss Adeline Seal returned Saturday after spending a week at Ocean City.

Mrs. A. B. Powell visited her son Howard Powell and family in Camden on Easter Day.

Mr. and Mrs. Thomas Carroll spent the weekend in Atlantic City. Mrs. Fred Wehag, who has been visiting Mrs. George Seal, left Friday for Roanoke, Va., to join her husband, who has a position there.

Mr. and Mrs. William O'Donnell, of Palmyra, Extension, entertained Mr. and Mrs. William Harr, of "Locust Farm," on Sunday.

The regular monthly business meeting and social of the Woman's Foreign Missionary Society will be held at the home of Mrs. Ada Nichols, 420 Morgan avenue, on Monday evening, April 25, at 8 o'clock. The Mission Study, "The Power of the Gospel" will be in charge of Mrs. E. A. Griceom. Mrs. Ada Schmierer and Miss Elizabeth Roberts will assist as hostesses.

Members of Cinnamon Lodge No. 201, I. O. O. F. will attend in a body a special service at the Central Baptist Church on Sunday evening, "Things That Abide" will be the Rev. George Lockett's subject.

Miss Helen Pettit and some friends motored to Harrisburg for over the weekend returning by way of Lebanon.

Mr. and Mrs. James Hutchinson, of Ocean Grove, spent the Easter holidays with Mr. and Mrs. Harold West, of Morgan avenue.

Mr. and Mrs. C. C. Green, of Point Pleasant, were visitors in Palmyra for Easter.

Miss Katherine L. Hirsch of New York, visited her parents, Mr. and Mrs. A. C. Hirsch, of Highland avenue over the weekend.

Mrs. Herbert H. Parsons of Rowland street entertained the Friendship Circle on Monday evening and their regular monthly meeting and social. Thirty-five members were present.

Mr. and Mrs. George W. Rogers and Mrs. Walter D. Lamon, George N. Wimer, and Mr. R. B. Fluck attended the Burlington County Real Estate Board Dinner held in St. Andrews Church, Mount Holly, Wednesday evening.

The S. S. will be entertained by the Misses Seal this Thursday evening.

Mr. and Mrs. Walter Mitchell and son, of Montclair, visited relatives here over Easter.

Mrs. F. J. Barr and daughter Peggy, of Garfield avenue, spent the past week with her father Robert Barr, of Lakewood, N. J.

Mr. and Mrs. Charles Green, of Point Pleasant, visited relatives in Palmyra over the weekend.

Mr. and Mrs. Paul Johnson, of West Broad street, entertained at dinner Tuesday evening. Covers were laid for eleven.

Mr. and Mrs. Elwood Johnson spent Monday in Vineland.

Mrs. Lawrence Flynn and sister, Miss Dorothy Bates, returned to their home in Atlantic City after spending two weeks with their parents, Mr. and Mrs. W. D. Bates, of Horace avenue.

Mr. and Mrs. Harold Burch are enjoying some time in Europe. During their trip they have flown from London to Paris by airplane, spending Easter in Paris. They also visited Brussels, Belgium, The Hague, Amsterdam and Rotterdam, Holland, Hamburg, Berlin, Leipzig, Dresden and Frankfurt-on-the-Main, Germany. Mr. and Mrs. Burch have been away two months and will soon return to London. They will return to Palmyra the latter part of November. Mrs. Burch will be remembered as Miss Blanche Dina.

Mrs. Lulu Harmon of Fourth street spent Easter in Atlantic City.

Mrs. Clement A. Haas entertained Mr. and Mrs. Martin McDonough of Philadelphia on Sunday. Thomas Blackburne of Fourth street sojourned at Atlantic City on Sunday.

Mrs. Margaret Jones of Fourth street will entertain at bridge this evening.

Clyde Horner's mother from Frankford is spending a few days with him at his home on Elm avenue.

Prof. Dr. Vollmer, 101 Memorial avenue, Palmyra, has returned from a ten day lecture tour an Evangelist in Western Pennsylvania.

Prof. and Mrs. Clement Vollmer Ph. D. of the Duke University, Durham, N. C. spent the Easter recess with their parents in Palmyra and Philadelphia.

Mrs. Charles M. Speakman, of Horace avenue, who has been ill with the grippe and a nervous breakdown is improving very nicely.

H. C. King, J. Williams, F. King, Mrs. F. King and Mrs. Mary F. King were among those who enjoyed the opening game at Shible Park Wednesday.

Leon P. Reasly of Riverside spent Wednesday with friends in Palmyra. Mrs. Joseph W. Graham and son of Horace avenue, spent Easter with her sister, Mrs. Rodman in Camden.

Thomas Blackburne of Newark spent the weekend with his sister, Mrs. Leonard R. Baker of Garfield avenue.

Mrs. Edwin B. Day entertained friends at bridge on Wednesday at her home on Cinnamon avenue.

The drawing for the child's automobile at the Broadway Palace will take place tonight after the show. The person winning must be present at the time of the drawing.

Next week the shows will start according to Daylight Saving Time, at 7:45 and 9:30, Saturdays included.

The annual drive for the support of the Visiting Nurse Association will be held in Palmyra the first week in May.

The Palmyra Fire Company was called to a field fire at Arch street Wednesday afternoon.

PHS NINE WINS
Collingswood Class A Team Beaten 10-5

Coach Kenneth Dimond's proteges on the baseball field thoroughly trounced the Collingswood High school team in the first game of the PHS season, Tuesday. The final count, Palmyra, 13; Collingswood, 2. Palmyra hopped off to a good start, tallying seven markers in the first frame, enough to win the contest.

During the second canto, Davis, of Collingswood, was chased from the mound and relieved by Young. Young was hit just as hard during the remainder of the game as was Davis, but finished the contest. Sacks, Palmyra left-fielder and lead-off man, was hit and double in the first inning. Almost every man up in the first frame hit and helped rather the seven runs.

Hayer and A. Zoll were the battery for the winners and this youthful contingent put up a hard game against their class opponents and deserve much credit for the victory. Sacks played like a veteran in the outgarden, running far and wide to bring down fly balls. The way this lad is traveling is present in the look of his will hang up a record for stolen bases in scholastic ranks this season.

During the latter part of the game Coach Dimond put in several substitutes and allowed the Collingswood team to account for their only two runs. Every man on the squad saw action and a chance to show what he could do. The Palmyra team has hit its stride at last after losing to the Pemberton nine last week and now it looks like it is out for a banner year.

NOTES OF BELLEVUE
M. F. Raines, a pioneer resident of Bellevue has received a contract for the artistic masonry work on a large building in Philadelphia. Fishing is at its height at Bellevue. Mr. and Mrs. Will caught hold of something more than he could handle. He called for help and Sonny and Bud Leib came to his assistance, but it was too late he lost it.

Robert Willie has full charge of the Bellevue Tract. Mr. Willie is to be congratulated on his good work.

Harry Henderson has had his porch screened so that his family might enjoy the good air at Bellevue.

Mrs. Beulah E. Kern is making considerable improvements around her property at Broad and Kern streets.

The Bellevue Bowling Club was knocking them down in good shape at Fehrie's last Friday night. The club will be represented in the tournament by Harry Henderson, William Fehrie and George H. Ziemer. We hope they bring home the bacon.

Mr. and Mrs. William Parker, of Baltimore have moved into their new home at 16 Kern street.

News Tid Bits

Items of General Interest Picked Up About the County and State

Bailing New Detective

State Trooper Herman Bading well-known in Mount Holly, has been appointed county detective for Ocean county by the new Prosecutor there, James Mercer Davis. The trooper is acting in his new capacity now, having gone on duty last week at the opening of the April term of the Ocean county court. Bading has been granted leave of absence from the trooper service until June, when his term of service expires.

State Police Report

Monthly report of activities of the Columbus Station of the N. J. S. P. recently issued by Sergeant Margee, of Bordentown, show that for the month of March the Troopers of that station covered 11,807 miles on patrol, made 62 arrests, issued 103 warnings, answered 82 complaints and conducted 107 investigations. Two stolen cars were recovered to the amount of \$800. Confiscated property amounted to \$2035. Recovered property to the amount of \$25.00 and property saved from destruction \$350.

Will Meet Directors

The annual meeting of the Burlington County Association for the Insurance of Owners of Houses and other Buildings from Loss by Fire will be held in the fire house, Medford, on Monday, May 2nd. Eleven directors will be elected for the ensuing year, besides the transaction of such other business as may lawfully come before the meeting.

Medford Awards Contract

The contract for furnishing Medford township with a tractor road scraper was awarded to Loder and Sharp, Philadelphia agents for the "Russell" scraper on their bid of \$1655, at a meeting of the township committee last week. Two other bids were presented, one of which was \$1800 for the Austin make and the other \$1925 for the Avery. The successful bidder advised the Township Committee that the scraper would be delivered next Monday.

County Librarian Resigns

Miss Adelaide J. Pratt, who has been the librarian in charge of the Burlington County Library ever since it began six years ago, has tendered her resignation to the County Commission, to take effect June 15. She is leaving at that time to take the position of director of the Maryland State Library, with headquarters at Baltimore, an offer which she has had under consideration since last fall.

AMBULANCE ASSOCIATION

A special meeting will be held at the Fire House on Friday evening, April 29th at 8 o'clock p. m. to make preparations for the annual cake sale and tag day, Saturday, May 7th. All nurses and drivers are asked to be present. As May 7th has been designated as the date for the annual cake sale we hope all other organizations will refrain from holding sales on the same date.

A first aid demonstration by the Bell Telephone Company employees will be given on the afternoon of the cake sale to impress our people with the importance of such work.

PALMYRA LIONS

Gloucester Professor Makes Address on "Service"

Professor Bean, of the Gloucester Public Schools, delivered an eloquent address on "Lionism" before the Palmyra club Tuesday evening. Prof. Bean emphasized especially the service features of the club and pointed to many things that could be done for the benefit of the children as well as for the citizens of the town in general.

President George N. Wimer then called upon every Lion to bring in a written suggestion of some service activity which the Club could engage in. These suggestions will be presented and discussed at next Tuesday's meeting.

Among the projects mentioned by the Lion President was a recreation park for the future, when the town will be much more closely built up than at present, a bathing pool for the children, town planning and proper care of shade trees.

Frank A. Mathews, Jr., was elected as the newest cub.

COMRADE GROUP

The weekly meeting of the Comrade YMCA group of the Palmyra Moravian church was held Tuesday evening March 19, 1927.

The meeting was opened with a prayer by the leader, Arthur Sieble. The regular period of Bible Study was held in which was discussed, "When should a boy fight?" You can reason it out for yourself. Following this was the business meeting. A captain for a basketball team was elected. After the business meeting had adjourned the group listened to a talk by John Thatcher on "How to Keep Fit."

After Mr. Thatcher had finished his talk he showed the boys a few tricks on the side, that evening the kind donation of Mr. Borer, of Riverton. All along Mr. Borer has showed interest in the group and the group appreciate the gift that he has made to them.

The meeting was then closed with the friendly circle.

WILSON AYDELOTTE, Publicity Reporter.

To Love's Music

Love uses the pure of life. Plays its music, pure and sweet. As down the side of life's steep. Go the merry, dancing feet, While we dream of blissful days, In the future year, to be, With our hearts rejoicing in Thoughts of love's eternity.

Songs of love and happiness, Every day, we seem to hear, And to realize of paradise, We are always seeking near, As the sweetness of life, Disappears and seems away, As the love's sacrifice, Comes in noble hearts, to stay.

Primary Day will be Tuesday, June 21, this year.

COUNTY-WIDE DRIVE FOR Y FUNDS GETS GOOD START

(Continued from Page 1)

again the Moorestown community chairman, Clifford C. Hatfield, of the Financial Service Bureau, National Y. M. C. A. Council, New York City, who is the campaign director, outlined plans for the drive which is being conducted simultaneously in 23 communities by 175 workers. Procrastination, said Mr. Hatfield, is the biggest evil the leaders face. If the workers will start right out and see the drive completed in a few evenings, it undoubtedly will be very successful, but if they "keep putting the collecting off for another evening," he declared the drive would fail.

Suggested Quotas

The suggested quotas, based on the increasing demand for Y work and the amounts raised last year, was presented by Treasurer Thatcher. The quotas follow:

Beverly-Edgewater Park	\$1500
Bordentown	925
Bridgetown	125
Burlington	700
Chesterfield	75
Columbia and Jobstown	650
Crosswicks	300
Delanco	1000
Florence	1000
Lumberton	150
Marlton	150
Manville	125
Medford	400
Moorestown	4500
Mount Holly	1000
New Lisbon and Browns Mills	200
Palmyra	1000
Pemberton	250
Rancocas and Willingboro	150
Riverside	600
Riverton	2500
Swedesboro	75
Industries	3000
TOTAL	\$19,600

More Workers Needed

Just before the meeting broke up Guy C. Hendry, County Secretary, made a strong plea for more workers in this drive. He said he knew the people in Burlington County were interested in Y work and would contribute the necessary sum for its successful continuance if enough men could be secured to make a proper canvass. Those who are willing to help in this work may send their names to Mr. Hendry at the County Y Office, Mount Holly, to Nathan Lane who is chairman of the Riverton drive, or Leon and H. Baker who has charge in Palmyra.

STUDENTS RANK HIGH

People are always glad to hear about the progress made by pupils after leaving school. It will be of interest to many to know that five members of the 1926 graduating class at Palmyra High School are ranked high at the University of Pennsylvania.

Samuel Cohen, of Riverside, finished in what is known as the first quarter of his class. Josef Martin who won a four year scholarship at the University of Pennsylvania also ranked high, finishing in the upper half of his class. Owen Merrill, of Palmyra, and Joseph Miller and Harold Stern, both of Riverside, likewise were among the upper half in their respective classes.

Mrs. HELEN WEEKS

Mrs. Helen Weeks died on Saturday at the home of her sister, Mrs. C. H. Bassler, in Collingswood. Mrs. Weeks had been ill for several months. She leaves one daughter, Miss Helen Weisenstein. Mrs. Weeks lived on Thomas avenue, Riverton, a number of years ago and will be remembered by many.

Funeral services were held Tuesday at 2 o'clock at her sister's residence, and interment was made at Mount Peace Cemetery, Philadelphia.

Moorestown Scores In Jury Drawing

Nine on Grand Jury and Four on Petit Makes Record for Community

Moorestown scored largely in the drawing of the Grand Jury in the Court House at Mount Holly last week. The names of nine residents of that town were taken from the box by Sheriff A. Engle Haines, of Medford, which comes pretty near being the record for a community of Moorestown's size. In the drawing of the petit jury Moorestown got four.

Two men who are dead were drawn on the petit jury: Thomas Watson, of Florence, and Frank A. Mathews, Sr., of Palmyra.

Quite a number of women were drawn on both the grand jury and the petit juries. The grand jury is regarded as a dry one. The juries were drawn by Jury Commissioner Charles B. Ballinger, of Mount Holly, and Sheriff A. Engle Haines in the presence of Judge William A. Slaughter, of Mount Holly. The lists follow:—

Grand Jury
William F. Powell, Evesham, farmer.

Deacy Polhemus, Northampton, housewife.

Joseph R. Brick, Medford, contractor.

Emily M. V. Hutchinson, Springfield, no occupation.

Joseph R. Horton, Moorestown, merchant.

Irene E. Reid, Lumberton, housewife.

Lydia Hollingshead, Moorestown, housewife.

Edward Roberts, Moorestown, commission merchant.

George Cox, Burlington, retired.

Nathan Lane, Riverton, merchant.

William E. Darnell, Moorestown, merchant.

George W. Black, Burlington, undertaker.

Mable Cox, Bordentown, housewife.

Helena Wetherill, Northampton, housewife.

Edward Reid, Lumberton, manufacturer.

Abbie Polwell, Mansfield, housekeeper.

George P. Tracy, Beverly, physician.

Joseph Willis, Willingboro, retired.

Charles A. Jenkey, Moorestown, manager.

William T. Baggs, Delanco, farmer.

George C. McIlvaine, Edgewater Park, retired.

John H. Lewis, Medford, merchant.

Beluh Parry, Riverton, housekeeper.

Emmor Roberts, Mount Laurel, farmer.

Howard M. Huelling, Moorestown, retired.

Levi R. Stiles, Moorestown, contractor.

Ella M. Atkins, Moorestown, housewife.

Alfred Evans, Mount Laurel, farmer.

David E. Cooper, Evesham, farmer.

Arnon H. Burtis, Springfield, farmer.

William P. Kirk, Beverly, merchant.

Harold J. Wheeler, Mount Laurel, merchant.

Robert P. Evans, Moorestown, retired.

Calvin M. Hare, Burlington, clergyman.

Helen P. Carter, Bordentown, housewife.

Petit Jury
Joshua Stevenson, Northampton, retired.

Burwood M. Haines, Northampton, retired.

Clifford R. Bower, Mansfield, postmaster.

Anne M. Taylor, Burlington, retired.

Frank A. Hubbs, Delaware, merchant.

George Champman, Wrightstown, merchant.

Helen B. Rogers, Evesham, housekeeper.

Alice Nipplins, Northampton, housewife.

housewife, Stiles, Northampton.

Jeanette Stiles, Northampton, housewife.

John S. Ritter, Hainesport, carpenter.

Ida L. Engle, Moorestown, housekeeper.

Herbert Jones, Lumberton, farmer.

William A. Shoemaker, Riverton, farmer.

William H. Craft, Mansfield, painter.

Elmer E. Tallman, Mansfield, retired.

Florence Seckel, Riverton, housewife.

Mame A. Gorman, Northampton, dressmaker.

Roger Gale, Moorestown, laundryman.

William B. Dyer, Medford, clerk.

Ellen C. Curtis, Northampton, housekeeper.

Charles Gibbs, Willingboro, mason.

William M. Crozier, Bordentown, clerk.

Edward I. Jennings, Beverly, merchant.

Evelyn Lippincott, Northampton, housewife.

Samuel Horner, Pemberton, clerk.

Samuel C. Mathis, Bass River, oysterman.

Marion Kerlin, Mansfield, retired.

Carrie Smith, Chesterfield, housewife.

Alfred K. Beyer, Northampton, salesman.

James Morrison, Mount Laurel, farmer.

Job Braddock, Medford, real estate.

Maurice Conrow, Cinnaminson, farmer.

Henry D. Wallon, Moorestown, confectioneer.

Fred H. Schable, Florence, merchant.

Samuel B. Wilson, Chesterfield, retired.

James J. Tryon, Burlington, merchant.

Evelyn N. Giberson, Palmyra, housewife.

Lizzie B. Aaronson, Mansfield, housewife.

Isaac Ivins, Evesham, farmer.

Rose Howard, Burlington, housewife.

Elizabeth Craft, Mansfield, housewife.

Bertha Trotter, Southampton, seamstress.

Charles Rue, Springfield, farmer.

Thomas F. Watson, Florence, clerk.

Charles J. Krug, Riverside, manufacturer.

Harold Horner, Evesham, farmer.

Henry W. Jones, Moorestown, bookkeeper.

Joseph Johnson, Burlington, paperhanger.

Mary Griscam, Medford, housewife.

F. C. McMinney, Bordentown, auctioneer.

Lester L. Shaner, Burlington, contractor.

Eugene O. Haines, Southampton, poultry dealer.

Mar E. Ward, Chester, house-

merchant.

Wilfred H. Roberts, Evesham, keeper.

Theodore A. Kirchner, Riverside, merchant.

Amos Hansell, Willingboro, farmer.

Anna Lee, Woodland, housewife.

Joseph Hargrove, Southampton, retired.

John Pew, Westampton, farmer.

Alex W. Boswick, Southampton, clergyman.

Frances R. Jester, Moorestown, housewife.

Elwood Hancock, Springfield, farmer.

Frank Hargrove, Southampton, farmer.

George B. Shaner, Palmyra, contractor.

Helen S. M. Gausler, Riverton, housewife.

Moses H. Warrick, Northampton, retired.

Ruth Rhoades, Lumberton, housewife.

May Parry, Riverton, housewife.

Ridgway B. Reagers, Burlington, merchant.

Cyrus Bradley, Mansfield, salesman.

James G. Beckett, Lumberton, garage.

Pauline Borton, Burlington, housewife.

Earl Hubbs, Delran, garage.

Sadie Sloan, Woodland, housewife.

Elizabeth Branin, Medford, housewife.

Isaac H. VanSeiver, Willingboro, farmer.

John N. P. Copperthwaite, Northampton, carpenter.

Bessie Lewis, Burlington, housewife.

George C. Frederich, Bordentown, electrician.

Ethel M. Lippincott, Evesham, housewife.

Ernest C. Fish, Beverly, plumber.

Alfred M. Haines, Southampton, merchant.

Flying New York to Paris promises to be a popular summer sport this year—and if all we read about the French hotel and amusement managers' plans to "nick" American tourists is true, flying New York to Paris will be even more popular.

Political Jottings

Former Surrogate Charles A. Rigg, of Burlington, is Assemblyman Clifford R. Powell's campaign manager for the Republican nomination for State Senator. Announcement was made last week by Mr. Powell of Mr. Rigg's appointment to that position.

Joseph M. Thompson, of New Egypt, a political war horse of Ocean county, is a candidate for the Assembly nomination in that county. It would be a notable year in the politics of that part of the State when the Thompsons, Joseph and his wife, did not figure extensively.

Politics remains almost unprecedently quiet in Burlington county in view of the fact that the June primary is but little more than two months off. Perhaps it is the calm that precedes the storm. At any rate, when the primary campaign gets under way the general expectation is that it will be one of the most active in several years.

ANNOUNCEMENT

TO THE VOTERS OF BURLINGTON CO.:

I hereby announce my candidacy for re-election to the State Senate. Burlington County is a big, fine, progressive county with high standards of citizenship. In representing the county I have always acted upon that belief. I shall conduct a clean, honest and vigorous campaign, and, if re-elected, will continue to make every effort to justify your confidence.

EMMOR ROBERTS
Candidate for
STATE SENATE

Ordered and paid for by Harold B. Wells, Campaign Manager

either a county judgeship or pro-curatorship, he is a resident of the county in which he is to serve.

Congressman Isaac Bacharach, a member of the ways and means committee of the House of Representatives in Washington, predicted in an interview on Sunday, that federal taxes would be reduced \$400,000,000 in the near future.

He referred to President Coolidge's economy program, and declared that the automobile and amusement taxes soon would be abolished, and that the corporation tax would be reduced from thirteen and one-half to eleven per cent. His interview was interpreted locally as an indication of a platform on which President Coolidge may run for re-election.

PREDICTIONS

Nearly everyone is fond of trying to predict what will happen in the future.

But it is a most uncertain game at best.

We cannot foresee what circumstances will arise to control the situation.

The wise person plays safe by being prepared for any emergency.

There is no safety like a fund of money subject to your immediate use.

Be wise—carry a good bank account.

The Palmyra National Bank

Palmyra, N. J.

How sweetly all cars would run if all motor oils were as good as "Standard"

As the silent miles slip by in a ribbon of road, you realize how much the motor car owes to its lubricating oil and how important it is to have the right oil. "Standard" Motor Oil is the result of over 50 years' experience. The best qualities claimed for various lubricating oils are all in this one oil. It withstands heat, holds its body and guards against carbon deposits.

A BOND OF QUALITY—Every loaf of Bond Bread carries on its wrapper the Bond shown above. It is a guarantee of the finest and purest ingredients, so that you may be sure it is made of nothing but the best materials such as you, or anyone else, could buy. From this Bond, Bond Bread gets its name.

A MONEY-BACK GUARANTEE—This guarantees to your assurance that you will prefer the home-like flavor of Bond Bread to that of any bread on the market—or your money back.

WHERE YOU FIND rosy, happy youngsters, you usually find a Mother who gives as much thought to her home as her husband gives to his work. And in such homes you usually find that Bond Bread is the daily choice.

Many of these careful Mothers have been won over from home-baking. The women who know how to cook best are usually the ones who insist on Bond Bread and will take no other.

A million of such housewives choose Bond Bread every day. They know that its ingredients are as pure as any in their own

kitchens. They know that Bond Bread's flavor appeals to their children and their grown-ups as only home-like bread can appeal.

If you do not serve Bond Bread on your table every day, won't you please test the truth of these statements at our risk? Buy a loaf today under the twofold protection of the regular bond of quality, plus our new guarantee that you will like Bond Bread better than any loaf you ever ate—except the best home-made—or you get your money back—every cent.

Pemberton Beats Palmyra High

Local Nine Loses by 2-1 Count in Season's Opening Game

Palmyra High School officially opened its baseball season on Good Friday at Pemberton when it dropped a 2 to 1 contest to Pemberton High. Coach Kenneth Dimond was away, so Clayton Welkman, local athlete, took charge of the team and handled it in fine style. Palmyra had fine support by the student body as a Philadelphia bus was chartered and packed to capacity. Many other spectators from Palmyra and vicinity also motored to the game in cars.

West was on the mound for Palmyra, and Haines, the boy that sent back eighteen Bordenstown High batters the week before, via the strike out route, hurled for Pemberton. The contest soon developed into a pitcher's battle with the teams about even.

The Pemberton "farmers" were the first to score, denting the rubber in the very first inning. None of the runs of the game were really earned by base hits, but were the outcome of errors.

Albert Zoll was behind the plate for Palmyra and handled West's slants in fine style for his first game. Had West been given all-right support by the rest of his team-mates the outcome of the contest might have been different.

Bartley, at second base for Palmyra, was the individual fielding star of the game, making several hard stops and catches. Several changes were made in the Palmyra outfield and many given chances to pinch-hit.

All in all, matters were about even with Pemberton getting the breaks of the game on their home grounds. These breaks were enough for Pemberton to come out the winner. Palmyra has another contest with the Pemberton nine at Palmyra in May and thus will have another opportunity to see who has the better team.

HERE COMES "BILLY"

"Billy," the comedy being presented this year by the Junior class of Palmyra High School, will be here to entertain you on the 29th and 30th of this month, at the High School auditorium.

Tickets are being sold rapidly by all members of the Junior class, and those who wish to get reserved seats must do so soon. Local talent never fails to attract a crowd, as mother, dad, relatives and friends come flocking to see how Johnny or Susie looks on the stage.

So don't fail to see "Billy." You are guaranteed an amusing evening, for poppy Billy and his friends will show you what fun life aboard the steamship Florida is. Remember the date!

TENNIS MEETING

Everybody interested in tennis in Palmyra this season is invited to attend a meeting of the club at the home of Frank Chambers, 601 Lincoln Avenue, next Thursday evening, April 28.

RECKLESS DRIVER

Joseph Hyman, of Palmyra, Fined in Camden

Joseph Hyman, of 206 Market street, Palmyra, was charged with reckless driving and fined \$25.00 and costs by Acting Recorder Amos Krowson, of Camden, on Sunday. Hyman's car collided with the automobile of Russell Morell, of Medford. The accident occurred in Merchantville.

After the collision, Hyman attempted to escape by speeding up Maple avenue, but was overtaken and arrested by Motorcycle Policeman Eisenman.

Cecil Brown and William Hill, both of East Riverton, were with Hyman when he was arrested. Brown was fined \$10.00 and costs for making a disturbance and being intoxicated. Hill, the third member of the party, was discharged.

TRUTH ABOUT HOUSE PAINTING ECONOMY

In a recent advertisement in one of the leading magazines you may have read that "there is a 'joker' in the 'cheap' paint can."

A joker, you know, is something hidden—which you don't see—which bobs up at some unexpected moment and catches you unawares.

We all know that contractors have sometimes been made which contained "jokers." But this is probably the first time many of you property owners have been told that there is a "joker" in the house paint you are offered at a very low price.

In the advertisement it was explained this way: The low price paint is offered you as a paint which is just as good, as, say, Sherwin-Williams famous SWP—the leading quality paint. It is offered as a paint that will give you a fine looking job at a big saving in cost per gallon—sometimes as much as \$2.00 per gallon. It looks like paint and it smells like paint. On the face of it, the inexperienced buyer might easily fall for the arguments.

But here is where the "joker" comes in. And it is a double-faced joker.

The "cheap" paint is, of course, cheap in quality. That's the only way it can be made to sell at a low price. It contains only a little bit of real paint material. For example, where a high grade Outside Glass White contains 90 per cent of finest white lead and zinc oxide, the cheap white paint will contain only 50 per cent and in many instances less.

Even if you bought direct from the manufacturer, a good paint would cost more than this cheap paint.

You may not agree with the story told by this big manufacturer. But you will when you think it over. The facts are absolutely positive. And there are plenty more, if you would like to hear them, at the John H. Etris Store.—Adv.

PIONEER Y. M. C. A.

The Allen Group of the YMCA met at Riverton on April 13.

We opened the meeting by reading of the Bible then repeated the Lord's Prayer. The roll was then called and dues collected. The old business of the meeting was taken up followed by the new business.

ness which was a suggestion about the hall and a bike.

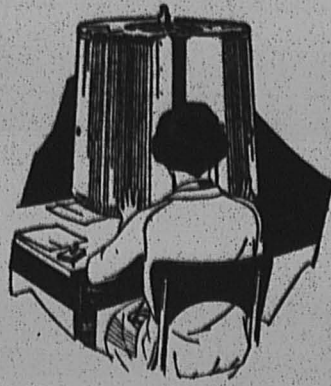

The meeting was then adjourned. William Carter, Reporter.

"THE INEVITABLE LAW OF SUPPLY AND DEMAND"

"Ocean county is the last part of the New Jersey coast to come into market as a place for summer homes. This is because it previously had poor railroad service and no roads to and from the thickly populated centres. Ocean county now has fair roads to populous centres and IS TO HAVE BETTER. Given these roads and the whole of Ocean county shore soon will be developed into one big summer resort.

"OCEAN COUNTY IS THE LAST OF THE BEACHES — and when that is built up there will be NO MORE BEACH LEFT ON THE JERSEY COAST. As compared with prices brought on other parts of the Jersey coast, land on Ocean county beaches is STILL CHEAP AND IN THE REACH OF THE SMALL INVESTOR.

"THE COMING OF GOOD ROADS IS

LIKELY TO CHANGE THAT.

"FIFTEEN MILLION PEOPLE LIVE WITHIN A FOUR HOUR MOTOR RIDE of the New Jersey beaches and TWENTY MILLION WITHIN A HALF DAY'S TRAIN RIDE.

"THE INEVITABLE LAW OF SUPPLY AND DEMAND will make lands on Ocean county beaches in no very far distant years as valuable as land in Monmouth county is now—perhaps as valuable as Atlantic City is now, for there is no end of the ever increasing demand, while the AMOUNT OF LAND IS FIXED and determined now.

There are today old men in Atlantic City who will tell you how they slept alongside of fortunes that grew up all around them—and they are still poor. Let's hope Ocean county people have the vision to help build up their own territory and take some of the profit from the increase in values." Copied with capitalised words from a recent editorial in the Toms River Courier.

TO SURF CITY BY MOTOR

The shortest route to Long Beach for automobiles from Burlington county is via Pemberton, New Lisbon, Chatsworth, The Plains, Barnegat and Manahawick. Arrow signs point the way. The distance from Pemberton is approximately 45 miles and this will be shortened considerably by the proposed and approved new State Highway.

If desired, alternate return routes, slightly longer, are available via Tuckerton, Hammonton and Medford or via Toms River, Lakehurst and Browns Mills.

EPWORTH METHODIST EPISCOPAL CHURCH

Rev. J. William Lee, Minister

The Church School will begin its session at 10 a. m. (Daylight Saving Time). A program of interest will be presented.

The Church Service at 11.15 a. m. The musical program will be as follows: Organ Prelude, "Angels' Serenade," by Bruni; Processional, "Golden Harps are Sounding;" Offertory, "Awakening Song," by Engleman; Anthem, "Some Blessed Day;" Postlude, Melody in A. by West; Sermon topic, "What Do You Expect Your Church To Do For You?"

The Epworth League at 6.45 p. m. will be addressed by A. P. Jury, of Chile, S. A., a student at the University of Penna., a worthwhile speaker.

At 7.45 p. m. a heart stirring song service. The musical numbers will be Organ Prelude, Holy City, by Foster; Processional, "Holy, Holy, Holy, Lord God Almighty;" Anthem, "How Sweet the Name of Jesus;" Offertory, "Bereave," by Godard; Postlude, "Twilight," by Schuler. The sermon subject, "The Prison of the Singers or the Power of Emotional Religion."

The Easter Congregation was the largest in the history of the church. Fifty two persons were admitted into the Church.

The Woman's Home Missionary Society will conduct a cake sale in the vestibule of the YMCA, Saturday, April 23.

EPISCOPAL

Christ Church, Parry Avenue
Rev. G. J. McCormack, M.A., L.H.
Rector

Easter is an historic fact is of course limited to a day in time, but Easter as a spiritual reality has no limitation. To one who has entered into the joy of this holy and happy season there has come a permanent addition to his force and power of overcoming evil, and a real desire to help others in any struggle for the right that they may engage in. The Cross is joyfully borne the light, the wonder, the glory of the Risen Christ irradiating it.

O Love, the in dwelling, by thee we are shaven
Ineffable Comfort, Lord of delight
To those who are born of thy spirit is given.
The quickening of peace in the thick of the fight.

Thou comest, and swift through the doorways of dullness
Come joy and vitality, glory and grace!
Who loves thee will serve thee with life in its fullness
Or die at his post with the joy on his face.

The Easter services and the Annual Parish meeting were the best attended by far of any on record.

and a spirit of enthusiasm is manifesting itself in very many ways. We have nothing but praise for all the organizations who are so joyfully doing their work.

The regular monthly meeting of The Woman's Auxiliary will be held on Monday April 25th, at 2.30. The Central Division of the New Jersey Branch of the Woman's Auxiliary will be held in Christ Church, New Brunswick, Wednesday, April 27th, at 10.30 a. m. The speaker will be Mrs. A. B. Parson, from Liberia.

The Junior Woman's Auxiliary will present as their first public offering, one of the Anderson Play Recitals "Cousin Kate," an Ethel Barrymore Comedy in the Parish House on Tuesday evening, April 26th, at 8 p. m. We give one of the hundred or more press comments on Miss Anderson's work. "She held the close and enthusiastic attention of our students from the beginning to the end of her delightful program." C. H. Garrison, Headmaster, Staten Island Academy, New Brighton, N. Y.

The Men's Club are offering a very interesting program on Monday evening, April 25th. Services for Sunday Next 7.30 a. m. Holy Communion, 10.30 a. m. Morning Prayer. Sermon: "Supposing Him to be the Gardener."

3.30 Sunday School and Bible Class.

8 p. m. Evening Song and Sermon. "With What Body Do They Come."

Thought for the Week

The failure to see the truth is not so lamentable as the failure to be moved by it.

FIRST LUTHERAN

Rev. William M. Erhard, Pastor

The membership and friends of our church are to be congratulated upon the splendid showing made during the Easter Season, especially in the number who took communion during Easter Day. This number surpassed that of any previous number as shown by the records. The pastor wishes to thank all those who contributed in any way in making our Lenten and Easteride a time of spiritual inspiration. He is confident that this spirit and devotion shall continue throughout the year.

Sunday School at ten next Lord's Day, the subject of the lesson being "Peter at the Transfiguration." It will be a good time to tell of your own mountain-top experiences and "transfigured moments." Verse to read: "For he (Peter) was not what to say; for they were sore afraid." How true of many of the best Christians in regard to the experiences of which they could tell to help others!

Public worship at 11.15 with sermon by the pastor. There will also be a children's sermon on "O! Cann." What do you know about an oil can?

In the evening at 7.30 the children of the Sunday School are giving a pageant: "Voices of Spring." Do not fail to see and hear the children in this splendid performance. There are strange rumors about that something quiet unusual will take place in connection with this service. We can only await developments.

The attention of all who would enjoy a high-class dramatic performance, is directed to the play presented by our Ladies' Aid Society Friday and Saturday nights of this week in the High School auditorium.

On Thursday evening at eight o'clock, there will be a stereoscopic lecture of the Passion Play of Oberammergau in the church building. This lecture deals with place, persons, history of the Passion Play miracle plays of the middle ages, and so will be of a semi-religious nature. Reverend A. Raymond Naus, of Delaware Gardens, will be with us for the presentation of this feature of the Spring Program.

CARD OF THANKS

Mr. and Mrs. James O. Singer wish to thank their many friends for the kindness shown them during the illness of their cousin, Mrs. Agnes Morris.

Home is a place where a wife can tell her husband what she thinks of him.

BAPTIST CHURCH

Easter was the biggest day yet in the history of Central Baptist Church. Let us all keep up the church-going habit. Religion is not a luxury to be supported, but a necessity to be enjoyed.

A full Spring church program is being carried on. Sunday services are as follows: Bible School sessions at 10 a. m. Classes for all, including two large classes for women and men.

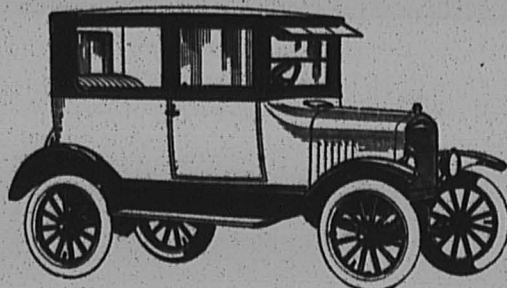

Morning Worship at 11.15. The pastor's topic for this service will be "Important News."

At 7.00 p. m. the Young People of the B. Y. P. U. and their friends meet in the church basement.

This Sunday evening at 7.45 members of Cinaminson Lodge, No. 201, I. O. O. F. will be the guests of the church. Pastor Lockett has prepared a special sermon for "the travelers" entitled "Things That Abide."

On Wednesday evenings at eight o'clock large and very helpful prayer meetings are held in the church. At four o'clock on Friday after-

WHEN YOU BUY A FORTNUM USED CAR YOU BUY SAFE

The rebuilding of the Used Car is an art with us. We have grown to consider the Used Car not as an evil as is the general accepted opinion of most dealers forcefully obliged to handle the Used Cars traded in on new ones, but rather as an asset to the building of good will for future business which is bound to come forth following in the footpath of satisfaction and service of the Fortnum Reconditioned Used Cars.

American Lawn Fence

AMERICAN LAWN FENCE is made of Steel Wire Pickets all No 9 1/2 wire, firmly bound together with lateral cables made up of two strands of No. 13 tough steel wire—all thoroughly galvanized to be proof against weather conditions.

This fence is of the greatest durability and strength, and holds its shape admirably when stretched taut and firmly fastened as all fences should be.

THE AMERICAN LAWN FENCE belongs to the class of woven wire fences where grace of fabric is linked with usefulness, strength and lasting qualities. As such, it is largely used around lawns, for the fencing of front yards, for flower beds and for division fences between residences.

It is furnished in two styles: Single Loop Design, with pickets 3 inches apart, and the Double Loop Pattern, with pickets spaced 3 inches apart at the top, and 1 1/2 inches apart at the bottom.

This Fence is "NON-CLIMBABLE"

Add to the value and appearance of your property and at the same time protect your garden, lawn and flowers from stray dogs, cats and poultry.

Moorestown Bus Accident Fatal

Germanstown Man Dies From Injuries Received in Crash

J. R. D. Noonan, 27 years old, of 81 High street, Germanstown, died at 5 o'clock Sunday evening from injuries received in the PIT bus accident on Camden avenue, just below Moorestown, Wednesday afternoon of last week.

Picked up unconscious after the accident, Noonan was rushed to the Burlington County Hospital, Mount Holly, suffering from a concussion of the brain, two fractured ribs and a punctured lung. As a last hope of saving the victim's life, Dr. McCarthy performed an operation Friday afternoon. Undertaker Hayes, of Mount Holly, took the body to Noonan's late home Sunday night.

The bus, which left Moorestown at 12:50 p. m., skidded on Camden avenue, plied head on into a tree, and then by the force of the impact was literally tossed back into the trolley tracks along the top of the road. The entire front of the bus was smashed in and much of the glass in the front part was broken. The bus was headed toward Moorestown when it finally stopped skidding.

Bus Was Speeding
Several of the passengers, in interviews, declared that the driver was traveling entirely too fast for a heavy machine on a wet, slippery road.

Lawrence P. Powell, of Chester avenue, who suffered a sprained ankle, bruises, and whose clothes were torn in the accident, asserted the bus was going "entirely too fast."

Mrs. Rae W. Lockwood, of East Main street, who escaped with only a few slight bruises, said she realized the bus was going too fast on a wet street and saw that the driver had lost control of the big machine before the other passengers seemed to realize the seriousness of the situation.

Mrs. Robinson Injured

Mrs. Fred S. Robinson, of West Second street, was also seriously injured. For several days she could not move from a chair, suffering from several broken ribs and many bruises. Mrs. Robinson was thrown against the seat ahead of her. Mrs. John Carter, of Valley View Terrace, said she was thrown against a window and received a mashed hand and was lacerated about the right shoulder. Several days after the accident she was taken to Trenton for an examination by a specialist. The victim could not sleep for several nights after the accident. She asserted that the bus was going much too fast for going down a hill and declared the bus skidded a considerable distance before piling into the tree.

Mrs. Remington Haines, of East Main street, who was badly bruised, is gradually recovering.

Dr. Rebecca Conrow, Lippincott, of West Main street, suffered severe shock, lacerations of the nose and bruises of the right shoulder and left knee. Dr. Lippincott says she is mighty thankful the bus hit the tree instead of going over the bank. Had the heavy machine gone over the embankment, it would undoubtedly have overturned, which might have proved fatal to several riders.

Thrown Against Seat

Mrs. Clara L. Prout, colored, of North Church street, was thrown against the seat in front of her. She suffered a wrenched neck and painful body bruises.

C. P. Gates, of 23 Cedar street, was a passenger on the bus. The driver, Frank Drew, of Louis avenue, Camden, was cut about the face by flying glass.

Frank P. Towell, of Fifth and Berkley streets, Camden, a bakery truck driver, who was passing about the time of the accident, stopped and took charge of the situation until Officer Walter Erickson, of the Moorestown police force, arrived on the scene. Towell quickly commanded enough cars to rush all the injured to Moorestown physicians for treatment.

Someone after the accident observed it was an ill-fated trip for the register showed there were thirteen passengers and the date was April 13.

BIG K. of C. RALLY IN BURLINGTON

All Knights of Burlington County to Assemble in Burlington

Thursday night, April 21, the new school here in Burlington will be the scene of one of the largest gatherings of the standard-bearers of Columbus.

It is reported from all the Councils in the county that each one will bring every member available to Burlington. Arrangements have been made to care for 600 visiting Knights.

A varied program of entertainment is promised and a lively six-piece orchestra, accompanied by Frank Dorley, the well known "Pop Artist" of Philadelphia, will be a special feature.

From Trenton Council will come the famous "Treo" quartet, who have been making great hits in and around Trenton.

Columbus Cadets
At a meeting of all boys of the Sacred Heart Parish of Riverton-Palmyra to be held Friday night, April 22, in the local K. of C. headquarters the first steps will be taken to organize the Columbus Cadets. The Knights are enthused with this great boy movement and the first fruits of their labors will see the boys making proper supplies in all the different lines of the Cadet Corps.

Jacob D. Stroblin is at present the president of the boys' club which will of course dissolve itself into the Columbus Cadets.

The first practice for the Cadet baseball team will be staged during the coming week.

AMERICAN LEGION AUXILIARY

The winner of the basket of groceries was A. K. Barnes, 337 Horace avenue, Palmyra. The regular monthly meeting will be held in the Legion Home on Thursday evening at 8:15 o'clock p. m.

TIMEUP ON ORDINANCES FOR SIDEWALKS AND CURBING

(Continued from Page 1)

Director Williams called attention to the new State traffic law requiring automobiles to come to a full stop before turning from a side road onto a State highway, and said in his report that the officers had been instructed to rigidly enforce this law. The streets had been marked, the report said, and it was hoped that the law would be observed. This very important regulation, which will greatly minimize the traffic hazard at Broad and Main streets. The streets have also been marked with parking and non-parking spaces.

Field Day at Memorial Park
Memorial park has been cleaned up and put in good condition for the field day to be held there on May 20 by the Riverton public school. Heretofore this event has been held in the streets adjacent to the school.

Councilman Welsh, chairman of the fire and water committee, presented the contract for the new fire stop, which he said, had been approved by the borough solicitor. Mr. Welsh offered a motion which was seconded by Mr. Showell and unanimously passed, that the contract be turned over the mayor and clerk to be executed.

Firework on Ballot

Mr. Welsh said that since there had been so much dissatisfaction with the place selected by Council last year to show the fireworks display on the Fourth of July, he thought it would be a good idea to place the question as to where it should be held on the ballot at the spring primary, and his motion to that effect was unanimously passed.

Councilman Welsh asked whether or not anything had been done about the water intake on Clamminson street near the coal yard of Joseph T. Evans. He recalled that a delegation had visited the Council many months ago and explained the very difficult position they were in every time it rained the street being flooded with water several inches deep. Mr. Lynch, chairman of the highway committee, replied that plans were under way to remedy this condition.

The medical inspector submitted a report accompanied by fees amounting to \$7.

A letter was read from Mrs. William N. Mattis and family expressing their appreciation of the resolution presented by Council on the death of Mr. Mattis.

Mayor Doesn't Like Editorial

At this juncture the serenity of the routine transaction of business was somewhat disturbed by the presentation by the borough clerk of a resolution sent to him by the mayor in which Council was to ask the editor of The New Era to retract statements made in an editorial in the issue of April 14. The resolution was supposed to be signed by a member of Council and submitted as his own. This duty had been delegated to Councilman Williams, but Mr. Williams was not present, and claims to have known nothing about it. The document was passed around the table but no one would father it. Councilman Welsh, Showell and Hubbs held the editorial referred to was a matter between the editor and the mayor, in which Council as an official body had no concern.

The Mayor's Resolution
The resolution read as follows: "Whereas The New Era has in its columns of the 14th of April 14, 1927, a very scurrilous article entitled 'Shilly-Shallying,' in which it maligns the character of our mayor, and also questions the ability of this body in the performance of its duties, and

Whereas, the statements contained in said article are not true, therefore be it

Resolved, that Council deprecate the uncalculated article appearing in The New Era under the above date and requests the retraction of statements therein not true."

Council's Motion
This resolution, failing to find a sponsor, did not come officially before Council for action, but after some discussion the following motion, presented by Mr. Welsh and seconded by Mr. Showell was unanimously passed:

"That the editor of the paper New Era show proof that the statements are true regarding the article in the editorial referring to Shilly-Shallying, and if he cannot show proof, Council demands that he must retract them."

President Lynch appointed the following committee to prepare for the annual Fourth of July celebration—Hubbs, Williams and Lynch.

Echo of Piling Station

A communication was read from John G. Buehrer, who rented the ground at Broad and Main streets to the Sun Oil Company for a filling station, in which he agreed to replace the fire hydrant which had been moved to accommodate the company, in case it did not function satisfactorily in the new position, and to never ask to have it moved again.

The Sun Oil Company also sent a communication stating that moving the hydrant a distance of five feet would be satisfactory. It originally asked to have the hydrant moved eight feet.

Permanent Street Paving
Chairman Lynch of the highway committee reported some length on the plans of his department. He said that the system of patching the streets followed for the past few years had not been entirely satisfactory, and he was of the opinion that some permanent form of construction was the answer to the problem. He said that he had investigated Kyrack, a natural asphalt product, which he had seen in Palmerton, Pa. Mr. Lynch said he had been informed that this product could be put down over the gravel now on the streets, making a good roadway. The highway chairman further said that he had spent between \$500 and \$600 on Park street two years ago and \$300 last year, and that it is now in worse condition than it was before. He did not approve of spending any more money there until he could put down something permanent.

Can Pave for \$4000
Mr. Lynch said that for about \$4000 Park street could be paved with Kyrack, and that if this was done the Riverton Country Club would put in curbing the whole length of its property.

Mr. Showell wanted to know if there were not other streets in the town that had just as good a claim to be improved first as Park street.

Mr. Lynch contended that if roads improved was going to wait until all the streets that needed it could be done at the same time, nothing would ever get done. He said that his idea was to get started on a road program that would live some real value for the money expended, and to do as much each year as could be accomplished without raising the tax rate too much. He recalled that when the streets were gravelled several years ago it was done by this method, a few streets each year, and that in a short time all the streets had been improved without a bond issue and with no increase in the tax rate that amounted to a hardship.

Mr. Welsh said he had high regard for the ability of Mr. Lynch as a highway engineer, and if he recommended this action on Park street, he was in favor of it.

Mr. Lynch said he proposed this year to take care of the culvert on Clamminson street referred to earlier in the evening by Mr. Welsh.

Councilman Bartley said Mr. Lynch had overlooked the worst road condition in the borough, namely Broad street, south side, at Elm avenue.

Bank Avenue Needs Repairing

Councilman Welsh called attention to the deplorable condition of Bank avenue which is again full of holes in the roadway, a good condition, and didn't say they wouldn't."

Mr. Showell suggested that the highway committee take the matter up, and Mr. Lynch said he would ask the residents of Bank avenue. Mr. Welsh expressed himself to the effect that the residents of the town should show a little more civic pride in their streets and that it should not be necessary for Council to keep asking them all the time.

Dangerous to Public

Mr. Lynch said that Bank avenue was supposed to be open to the public and that in its present condition it was dangerous. Mr. Bartley suggested that the residents might put up signs warning the public to keep off, but Mr. Lynch said they could not do this. Then Mr. Welsh wanted to know whether Council had the authority to either see that the residents repaired the wall or go ahead and have the work done.

President Lynch was not quite clear as to how much Council could do in this direction but was decidedly of the opinion that something should be done. In this Mr. Showell concurred. Mr. Welsh said, "are you willing that we should go ahead and find out what we can do?" "Yes," said Mr. Showell.

The building inspector submitted a report of the estimated cost of \$4700 worth of building operations during the month, the fees for which amounted to \$25.

The following bills were ordered paid.

DO YOU KNOW?

How to be successful in business? How to win the man or woman you love?

Joe didn't but he found out and you will too if you see "Charm."

It is at the High School on Friday and Saturday evenings, April 22 and 23. You must see this story of life and love in a small town. It is, without doubt, the most elaborate ever attempted here and you will enjoy every minute of the ardent love-making, side-splitting comedy and gentle pathos of the play, with its many special features.

A surprise awaits you. Tickets for each of the acts. The Dramatic Club, First Lutheran Church.

Moorestown Holds Anniversary Week

Community House Birthday Will Be Celebrated with Big Program

The program of Moorestown's Community House Anniversary will be a varied and interesting one. The program will open on Monday evening with a series of dances by the pupils of Alexine Lowden Tomer who have been taking the work at the Community House during the past season.

The dances will be attractively costumed and staged and will range from the authentic to the eccentric. The Rotary Quartet will give several numbers, and Joe Conway will entertain on the xylophone.

Then Prescott Hery will give some of his inimitable characterizations. Mr. Herr is always a popular attraction and his appearance on the program guarantees an enthusiastic interest.

The Community Players will present a one act play "Two Crooks and a Lady" as the finale. "Two Crooks and a Lady" is a Harvard play with a decided touch of melodrama. It has an exciting plot and an unusual climax.

Cast of Play

Mrs. Mabel D'Olier is playing the part of the Lady who is the central character of the piece and Alexander C. Wood is depicting the crook. The maid who turns out to be the crook's accomplice is handled by Mrs. Edgar Sanford. Mrs. John Borton is the companion to the Lady and Arthur W. Evans appears as one of New York's "Rusts."

Len Reeves, the Community Players' coach, is directing the play and George Hillman is stage manager. An orchestra composed of Mrs. Johnathan W. Powell, Everett Leconey and Joseph Krusen will accompany the dancing and do the incidental music.

Tuesday night will be athletic night at the Community House and a widely varied program is offered for the delectation of the sport fans of the community.

Athletic Events

Basketball, swimming, push-ball and wrestling will be crowded in to the evening's program and an exciting succession of events is promised.

Moorestown's A. A. runners-up for the Burlington County Championship will tackle the friends of the team in a game Tuesday night.

Hob Rogers corralled a seemingly unlimited number of stellar basketball players during the Church League season and they will put an aggregation on the floor which will give the local champions a lively skirmish.

The Moorestown Girls' team has an even more successful season in point of games won and lost than the men. They lost but two games and tied one during a busy season in which they defeated some of the strongest teams around this section. They will play the Woodbury team a game Tuesday night.

Big Tussle Due

The two Fire Companies will oppose each other in push ball and wrestling, the latter to be in the rough and tumble sport.

Some new boys have come out for wrestling instruction and they will put on two bouts. Dobson and Juliano will wrestle in the 125 lb class and Stone and Russo in the 155 lb class.

The swimming team will take on the Big Brothers in a swimming meet in the natorium so that the fans can take their choice of sports.

Moorestown's Community House Grand Organ will usher in the keynote program on Sunday evening, when a thirty minute recital will precede the other interesting events on the program.

The Community Choral will be the choristers for the congregational singing of the combined churches who are participating in the service.

The committee on arrangements of which Mrs. F. W. D'Olier is chairman has arranged special music throughout the service.

"Threat of Leisure"
Dr. George Barton Cutten is in wide demand just now as a speaker since the widespread popularity of his book "The Threat of Leisure." There is no subject which is occupying the attention of a greater number of our thinking people at the present time than the proper use of leisure.

"Colleges," says Dr. Cutten, "are turning their attention again to providing for the non-work periods of life in addition to equipping students for their future occupations."

A President of Colgate College, Dr. Cutten, is in close touch with

SEN. ROBERTS HONORED

Senator Emmor Roberts has been elected honorary member of the E. B. Voorhees Society in appreciation of his leadership in agriculture and contribution by legislation and business efforts to agricultural progress in New Jersey.

Senator Roberts is one of the few farmers in the Legislature, and has been chairman of the committee on agriculture every year but one since his membership in that body.

The E. B. Voorhees Society is an association of graduates of the New Jersey Agricultural College, and selects an honorary member every two years.

The newest thinking in education and his message will be up to the minute.

Owing to unforeseen circumstances the tree planting has been postponed for a week or two so that the organ recital starting at 7:30 p. m. will be the opening of the Sunday program.

HAINES—RUSTER

A quiet wedding was solemnized on Easter Monday in the Chapel at Valley Forge, Pennsylvania, when Miss Harriet Isabel Ruster, daughter of Mr. and Mrs. J. J. Ruster of Riverton, became the bride of "bert T. Haines, son of Mr. and Mrs. Carlton T. Haines of Vincennes, Ind.

Rev. W. Herbert Burk, pastor of Washington Memorial Chapel, performed the ceremony at half past twelve o'clock and Theodore Paxton played the wedding march. The bride was attended by her sister, Miss Ruth A. Ruster and Harry L. Johnson of Lumberton was best man, immediate families and a few friends were present.

Mr. and Mrs. Haines left immediately on a southern wedding trip.

YOUNGSTERS DESPOIL HOUSE

Another spasm of juvenile banditry broke out last week when the "Ed Showell property" on Bank avenue, Riverton, now owned by Joseph Sanborn, of Philadelphia was broken into by a lot of young boys and girls last Friday. The furniture, rugs and pictures were despoiled. According to police reports all the youngsters were from Palmyra.

A hearing before Recorder Troth Friday evening of this week at 8 o'clock.

"MAYOR" BENNETT VISITS HONOLULU

Riverton's Popular Ex-Mayor Arrives with Secretary Work, General

Hero and 6 Congressmen
Hawaii's world famous greeting to visitors was extended with unusual brilliance when the 88 Maui arrived at Honolulu Tuesday morning, April 5. The city was busy preparing to entertain delegates to the Pan-Pacific Conference which was bringing representatives from all countries bordering on the Pacific. Passengers on the Maui reached Honolulu in time to take part in the Flower Festival which is one of the interesting springtime celebrations in the Islands.

Among those arriving on the Maui was Killian E. Bennett, of Riverton, N. J.

Secretary of the Interior Hubert Work, Major General Andrew Hero and six Congressmen also arrived on April 5 to take part in the Conference. A number of features were arranged for the entertainment of all these visitors. An elaborate "Night in Hawaii" program in which the ancient hula dances were revived, was one of the queerest affairs which Maui passengers had an opportunity to see.

As the Maui entered Honolulu harbor Hawaiian boys surrounded the ship diving for coins. The

Hawaiian band on the dock played sweet island melodies and as the visitors came ashore they were welcomed with leis (wreaths) of fragrant flowers.

Most had labor practices have their origin in bad boss practices.

LIONS CONSIDER CLUB PROJECTS

Many Suggestions for Community Improvement Submitted by Members

MERGING OF TWO TOWNS AMONG PROPOSITIONS

The feature of the Palmyra-Riverton Lions meeting Tuesday evening was the submission of suggestions by each member of projects that the club could promote for the good of the two towns.

These suggestions ranged from the sublime to the ridiculous, but most of them were good solid propositions which will be seriously considered by the Board of Directors with a view of mapping out a real program of service.

The one proposition that received the greatest mention was that of better streets. Several members urged the club to foster a permanent street improvement program for both towns.

Other suggestions included: Re-creation centers, reorganization of the Field Club, provide comfort stations, adopt a community slogan, merge the two cities into one, improve sanitary and housing conditions among the poor, continue the widening of Broad street to Elm avenue, build a community house, provide a baseball field, aid the flood sufferers through the Red Cross, provide medals for bravery and town service, turn the old Methodist cemetery into a park, open and pave the south side of Broad street all the way to West Palmyra, promote Americanization, better lighting for the town.

These suggestions will be sifted out by the Board of Directors and the leading ones will be presented to the club for further consideration.

SONS OF ITALY

Sons of Italy Will Hold Brilliant Affair Tuesday

Everything is in readiness for the third annual Grand Ball given by the Sons of Italy, Lodge Adria del Piave, No. 1321, of Palmyra, next Tuesday evening.

The committee in charge states that this affair will surpass any ever given by the lodge. The decorations in the P. O. S. of A. Hall where the ball is to be held will be a big surprise to all attending. There will also be a fine program of vaudeville with Joe Fields, comedian; Betty Gray, vocalist; Eugene Twindler, pianist; Gerald Sylvester, European novelty; Conway and Conway, singing and dancing; music by the Nashville Five and dancing from eight until one.

The committee is composed of: P. Balanda, P. Pedotto, J. Caruso, A. Balanda, S. Cugliotta and A. Altona.

P. T. A. TALENT DAY SCORES BIG SUCCESS

Sale of Food and Fancy Articles Followed Entertainment

Those present at "Talent Day" in the Riverton Parent-Teacher Association Thursday, April 21st enjoyed an unusually interesting afternoon. After the regular business meeting came the following program composed of talents contributed by members.

Duologue, "The Acid Test," Mrs. S. L. Warren, Mrs. Frederick Boyer. Selection by the Choral in charge of Mrs. L. O. S. of A. Hall, Mrs. Thompson, Mrs. Warren, Mrs. Hemphill, Mrs. Siddall, Mrs. Turner. Original Poem, "Appreciation," Mrs. Edward J. Hunt.

Vocal selections, Mrs. Guest. Reading on Modern Art, Mrs. Frederick Blair. Dance, the Minnet, Mrs. Frederick Boyer, Mrs. C. H. Yost. Humorous selection, Miss Lippincott.

Selection by the Choral. Every number meant a good time for those present. At the close of the program, attention was directed to the display of talents exhibited on tables for sale. The variety of interesting things included articles for the home, little garments and table delicacies. The delicious ham baked by Mrs. Holland could supply but a fortunate few. And so it was with pies, cakes, rolls, salad, candy, etc.

This exhibit, the first of its kind, proclaimed quality, not quantity. The affair as a whole was most encouraging as it proved in practice the PTA motto, "pulling together." The Association cannot fail in its mission, the advancement of children, when there is such co-operation among its members. It is hoped that those who missed this may have opportunity to witness another in Talent Day there is surely a place for each.

The proceeds from the sales added about \$50.00 to the balance on hand. Grades 2 and 3 received pictures as awards for having the highest percentage of mothers present. Press Committee.

PARRY A. A. WINS

The Parry A. A. after losing a 12-7 game to Fairview, came back and beat the Collins A. C. 2-0. Halley, the Parry pitcher, held Collins A. C. to two hits. This team would like to book games away in any part of the state. Write R. M. Wortham, Jr., or Phone Riverton 719-M.

NOTICE

Members of Scout Troop No. 1, B. S. A., of Riverton, N. J., who are authorized to collect funds for the flood sufferers have been instructed to show their membership card, the date of which expires June 30, 1927.

Boys who cannot produce this card are not entitled to collect for this purpose. William M. Shoemaker, Troop Committee.

H. A. MCCOY LEASES ALBERTSON STATION

Chain of Auto Service Stores Increased to Twelve

Harry A. McCoy, of Riverside, owner of a chain of 12 Goodyear Service Stations in this locality, has leased with the option of buying the Albertson Drive-In Service Station at Broad street and Linden avenue.

Harry Winkelspecht, better known as "Wink," who is the present manager of McCoy's service station No. 2, of Palmyra, will take charge of the new drive-in station Saturday.

Fred Tonlin, present operator of the Parry station No. 3, will take charge of the Palmyra station No. 2. Mr. McCoy will sell Texaco gas and all the Texaco products at the new drive-in station. The gas tanks will be repainted and general improvements made.

The drive-in station will make the twelfth station operated by McCoy, who also has two auto washeries, one at Haddonfield and the other at Moorestown. The other Goodyear Stations are operated at Parry, Mount Holly, Riverside, and two each at Camden and Haddonfield, and three at Moorestown.

Mendenhall's Clan Defeats Riverton

Riverton Manager Uses First Players in Losing Fight of Season's Battles

Last Saturday afternoon about 200 loyal fans of Riverton witnessed the first official game of the season on the local grounds. The sky was full of massive clouds and the wind was brisk and sharp but nevertheless everyone stayed the nine inning limit.

From the standpoint of good baseball the game could hardly be classed as good, because the weather prevented the pitchers from putting the "stuff" on the leather-covered sphere. The batters' muscles were so tight, that even they could not take a good swing at the elusive "pill."

Not more than five ball taters walked to the plate in any one inning. Two sluggers were enough in the "lucky seventh" for Penn Mutual. In that frame Nicholson fled to Andrews at third, Schmitt belted a single to left, and Hilnes stepped to the plate and after looking them over picked one to wallop (and he did). Hilnes socked the pill for a home run, scoring Schmitt ahead of him. McIntyre, the local center fielder, at this time misjudged the hit and the ball went over his head and rolled so far that Hilnes had time to run the circuit of bases.

In the frame the local team was in scoring position after Andrews walked, stole second and went to third on Young's infield out, but McCool fanned for the third out.

Not until the seventh were the Riverton boys in a scoring position again. McIntyre singled, went to second on "Doc" Hinkle's infield out. Trueman batted out a bit to center that was an A-1 sacrifice but McIntyre did not "back up" at third. He played so far off that by the time Green caught the ball he did not have time to run back and tag third and then beat a throw to the plate, consequently the home boys got their only two chances to prevent a shut-out for the Keystone State boys.

The Riverton team played staidly ball while the visitors committed two fairly plays. In the eighth Bennett was safe at first by virtue of Wackenhut's slip at short. Again in the sixth Heppner was safe at the initial sack when Wilkinson muffed his grounder.

Those who saw the game last Saturday will realize that it was the first time the boys who made up the Riverton team had played together, and all undue criticism on their playing should be forgotten. There will be no game by the Riverton baseball club this week. Watch these columns for further announcements.

RUMMAGE SALE

There will be a Rummage Sale at the Porch Club, Riverton, on Saturday, May 7th, from 1 to 5 p. m., for the benefit of the Music Studio Fund of the New Jersey State College for Women—Adv.

RIVER WALL IS TUMBLING DOWN

Great Gaps Admit River Water Which Is Washing Away Lawn

CONDITIONS MENACE TO LIFE AND LIMB

The lawn on the river bank, which has been Riverton's pride for many years, is being rapidly destroyed in some sections.

Between Linden and Thomas avenues there are seven large holes, and a considerable portion of the stone and has been broken away.

Hole No. 1—22 ft. 0 in. x 12 ft. 6 in. Wall demolished 11 ft. 3 in. down to the beach line.

Hole No. 2—20 ft. x 12 ft. Break in Wall 11 ft. 4 in. down to beach line.

Hole No. 3—28 ft. x 12 ft. Break in wall 21 ft. down to beach line.

Hole No. 4—About 1 ft. square nearly covered with grass. Just right to break a leg.

Hole No. 5—11 ft. x 7 ft. 3 ft. deep.

Hole No. 6—23 ft. x 7 ft. 6 in. partly filled with trash.

Hole No. 7—2 ft. x 3 ft. 2 ft. deep.

Hole No. 8—20 ft. x 8 ft., about 4 ft. deep, four small breaks in base of wall through which water washes away the lawn.

Hole No. 9—10 ft. x 7 ft., partly filled with trash, one hole at base of wall.

Hole No. 10—Cluster of three small holes of the leg-breaking variety.

Hole No. 11—About big enough for a foot—excellent for ankle breaking.

Hole No. 12—Ditto.

Hole No. 13—Nearly opposite foot of Lippincott avenue, well designed to break leg and pitch victim headlong into the river.

At several places along the bank ashes and other refuse have been dumped into these holes, giving somewhat the appearance of the dump near Camden.

Between this point and Main street there are 36 more holes large enough to be dangerous and small enough to be hard to see, especially at night.

At the foot of Main street on the east side there are dangerous holes and a sunken condition where the sidewalk joins the pier.

Between Main street and Howard street there are six more of these small holes.

At the foot of Howard street there is a hole in the bank 12 ft. 6 in. x 7 ft. down to the beach line and a small hole through the stone wall at the base.

This is the condition, which, unless remedied, will jeopardize the safety of thousands of men, women and children during the big celebration of the Fourth of July and during the fireworks display in the evening—if the residents of Riverton elect to hold the display there this year.

A slow time ago it was announced that contributions and memberships to the Red Cross would be received at the library and by Mrs. Marcy. As a result of this invitation more than one hundred persons voluntarily sent in their memberships, which so plainly indicated the desire to have a Red Cross Chapter in Riverton that it was decided to effect re-organization.

The Riverton branch of the Red Cross was disbanded shortly after the close of the war, and whatever service has been rendered since that time has been the result of personal solicitation.

AN APPEAL

President Calvin Coolidge has issued an appeal for aid to those in dire distress through the great catastrophe that has overwhelmed the huge Mississippi River Valley. Town after town has been inundated, and thousands of men, women and children left homeless.

Let every one of our residents give something by a contribution of money.

Your contribution may be sent to the American Red Cross, Riverton, N. J. Troop No. 1 Boy Scouts of America, of Riverton, will canvass the Borough in behalf of the afflicted.

Attest:—

Daniel M. Clifton, Borough Clerk.

Fred P. Hemphill, Mayor.

Riverton Red Cross Reorganized

Mrs. Alex Marcy, Jr., Elected President; Will Aid Flood Victims

The Riverton Branch of the American Red Cross was re-organized Tuesday afternoon of this week at the Porch Club.

Mrs. Alexander Marcy, Jr., was elected chairman; Miss A. B. Campbell, first vice-chairman; Mrs. Murray C. Boyer, second vice-chairman; Mrs. Eugene R. Zieher, secretary; Mrs. J. Carl de LaCruz, treasurer and Mrs. J. D. Clark, chairman of membership.

The Boy Scouts have been authorized by the Red Cross to make a house-to-house canvass for funds for the relief of flood sufferers in the Mississippi Valley, and residents of Riverton are requested to have their contributions ready when the boys call.

The Scouts making the canvass have been instructed to show their membership cards issued by Troop No. 1, Riverton, N. J., which expire June 30, 1927. This card will identify the boys as being authorized to collect money, and no contributions should be made to those who cannot produce this card.

Furniture is Theme at the Men's Club

VanSiver Experts Give Educational Addresses on Furnishing Homes

Nearly 100 members attended the monthly meeting of the Palmyra Men's Club in the Parish House of the Methodist Church, Palmyra, Tuesday evening. The program of the evening was furnished by the J. B. VanSiver Furniture Company, of Camden, through Lee Milton, who is a foreman upholsterer with the firm.

The meeting was opened with singing and with the Club's president, the Rev. G. J. MacGormack, presiding.

The first speaker of the evening was Rowell A. Robinson, manager of the contract department of the VanSiver Company. Mr. Robinson illustrated by charts the various periods of furniture. He brought out the various ages that furniture had passed through: the Gothic age, the King William and Queen Mary age, the Queen Anne age and down to the American age of furniture. His illustration on the charts of the furniture from the age when the monks and the barons ruled, step by step, down to the New York style and present day furniture was very interestingly given.

Mr. Robinson described each make and style of furniture as he went along. He clearly brought out the various uses of the different makes of furniture. After his talk, a motion was made and seconded that Mr. Robinson be given a rising vote of thanks. All the men arose and applauded the speaker for his interesting and useful information.

The next speaker on the program was Edward A. Walton of the Bureau of Decorative Information of the VanSiver Company. Mr. Walton gave a historical talk on interior decoration and brought out the social and business standpoints of furniture. He said the woman folks always regard the pick of furniture according to and for their social purposes while the men, if they do happen to choose, pick from a business standpoint. He said, "Many a time a man will go to help his wife pick out a suite of furniture and when he gets to the store will say, 'Go ahead and pick it out yourself, what do I know about furniture?' and then when he gets home he'll realize that he doesn't like the suite picked out."

According to Mr. Walton, a furniture salesman, when he gets a husband of this sort in his store, will give him an easy chair in a corner so he will not interfere with the headway already made with selling the wife a suite of furniture. This sort of a salesman is not a good business man and would not do for the VanSiver Company as they aim to please.

Another thing with customers, Mr. Walton brought out, is that they are not frank enough and will not quickly tell what sort of furniture they desire. With a customer of this nature a salesman must hint and hint until he has found the style of furniture really desired. A good salesman is not hasty in selling a suite of furniture until he is really sure that he has the customers' right taste so the buyer will be well satisfied when he gets the furniture home.

Mr. Walton was more or less humorous in his talk and said that the monks ruled in Europe was sometimes removable and still is if payments are not kept up.

The musical part of the program was also supplied by the VanSiver Company and was known as the Berlin Methodist Quartette. Their singing was very much appreciated by the men as well as the interested and educational talks by Mr. Robinson and Mr. Walton.

At the close of the program the men were treated to a social hour and a refreshment table.

BIG CONTRACTS AWARDED TO BURLINGTON COUNTY FIRMS

FISK SINGERS AT MOORESTOWN SCHOOL

The Fisk University Jubilee Singers and Fisk quartette will give a free concert on Monday, May 2nd, eight p. m., at the Moorestown public school.

The Jubilee Singers have been touring Europe for the past seven years singing before packed houses. In Paris they appeared before Clemenceau, they sang for the Queen of Spain and three times before the King and Queen of England with whom they are great favorites.

This invitation to the concert is extended to all.

PHS Track Team Wins Dual Meet

Haddon Heights Defeated by Lever's Protoges to Tune of 36-27

"Boots" Lever and his Palmyra High track boys journeyed to Haddon Heights Monday and romped away with a 36 to 27 victory over the "Haddons" in a dual meet. Lever's proteges showed fine form in this meet which was a good workout for the Penn Relays in this Palmyra will participate in this Friday and Saturday. The Junior team will run on Friday and the Seniors will race Saturday.

Rotary Plans Big Boy Week Program

Rev. George J. MacCormack Delivers Inspiring Address at Meeting

At the meeting of the Palmyra-Riverton Rotary Club held last Thursday evening, the Rotarians were honored with a splendid address by Rev. G. J. MacCormack, Rector of Christ Church, Palmyra. In his talk the Rev. Mr. MacCormack said one should "Make a Town What You Want It To Be," and that the old saying, "If you don't like it, get out," should be changed in community life to read, "If you don't like it, fix it."

The motto "One for all and all for one," holds just as well in community as elsewhere, the Rector said, and the right thing to do is to try and make your community as near perfect as possible.

The will to work for the betterment of a community is what attracts others to live there. The speaker said, "The spirit and fellowship, and the desire to uplift these in our community who are below our standards is what makes the community attractive to those seeking homes. A definite work and an intense effort on the part of individuals in the community makes a favorable impression on others and sets the right example."

President Charles S. Mills, of Riverton, will retire from office at the next meeting of the club, and will be succeeded by Horace Finney, of Palmyra.

The attendance committee reported that the Rotary has a 93.5 per cent attendance for March, and is now 15th on the list in the Fifth district. April attendance so far shows 95 per cent.

The Rotary Club is planning for Boys' Week to be held the entire week beginning April 30. An intensive program has been arranged which includes spiritual, educational, recreational and athletic days.

Harold "Boots" Lever in the absence of the Boy's Work Committee chairman, Joseph T. Evans, outlined what will be when finished a very interesting program for Boys' Week.

The Club will have as its guests the boys in this vicinity for the entire week beginning April 30. The program as thus far outlined will open with attendance at the services Sunday evening, May 1, at Central Baptist Church when the Bishop of the Rotary Club, the Rev. George Lockett will address the boys.

On Thursday and Saturday the club has planned to entertain the boys at the Broadway Palace theatre.

The boys who won the cup at the track meet held in Mount Holly last year during boys' week will be dined as the guests of the Rotary Club at its regular meeting, Thursday evening, May 5.

Friday, known as Industrial Day, will be spent in visiting the various industrial plants of Palmyra and Riverton including the Palmyra Foundry, the Henry A. Dreer Nurseries, the Jensen Manufacturing Company and the Japanese Beetle Farm at Cinnaminson. Professor Griffith will arrange to have the boys of the senior class of Palmyra High School as the guests of the club on the tour.

Saturday will be offered as Athletic Day at Mount Holly where a complete sporting program will be carried out.

ATWATER KENT PROGRAM MAY 1

Attractive Broadcast Arranged for Opening of Music Week

Clinton B. Woolston, the Atwater Kent Radio dealer for Riverton and vicinity, has released the following announcement of a program which will go on the air at 9:15 next Sunday evening, May 1, the date of the opening of the National Music Week.

The broadcast will be from station WPI Philadelphia and WEA New York.

1. Aria: "Flower Song" from Carmen
2. Allen McQuahae & Orchestra
3. a. Aria: "Mon coeur s'ouvre a ta voix" from Samson et Dalila
b. Jeanne Gordon and Orchestra
c. Elgie Massenet
d. Jeanne Gordon and Accompanist

WOW!—I'M TOUGH

Gentlemen of the Press:—
For information, please note that many of my friends, in making generous offers to support my candidacy, have asked whether they can depend upon me to stick. My reply is, "I have nailed my flag to the mast," and there it stays, "sink or swim." Just as Admiral Farragut did, I have set the signals,—"Damn the torpedoes,—full speed ahead." He won. I expect to win, and to be the next Senator. I am not the candidate of any organization, but am pledged only to the platform I have announced.—REGULAR REPUBLICAN, BUSINESS EFFICIENCY, PERSONAL LIBERTY. I call to the colors all who value their rights guaranteed by the Constitution to American citizens, and all who are opposed to bigotry, hypocrisy and intolerance, keeping ever in mind the unforgotten cry of another son of Burlington. DON'T GIVE UP THE SHIP.

I. Sowden Haines.

- a. Andante from Concerto in D minor, Mendelssohn
- b. Hungarian Dance in G minor, Mendelssohn
- c. Paul Kochanski and Orchestra
- d. Aria: "O Paradiso" from L'Africain, Brahms
- e. Charles Hackett and Orchestra

The Gymkhana and Horse Show which has been such a popular feature of recent years will start at 1:30.

Cafeteria Delicatessen Supper with waffles and maple syrup. 5 to 7 p. m.

Dancing at 8 p. m.

Symphony Concert Highly Enjoyed

Noted Musicians Delight Big Crowd Under Auspices of Post Rodgers

The concert given in the Palmyra High School auditorium, Monday evening by the Women's Symphony Orchestra, of Philadelphia, under the auspices of Post Rodgers, American Legion, No. 156, was a huge success. A crowded house greeted the two renowned musicians, the Misses Hilda Reller, coloratura soprano soloist with the Philadelphia Civic Opera Company and Florence Haenle, violinist. The orchestra included sixty women musicians and was conducted in great style by J. W. P. Leman.

The concert opened with Beethoven's famous "Prometheus" and was followed by Dvorak's "New World Symphony," and incidental music from "The Merchant of Venice."

The second part of the program consisted of ballet music from "Faust," by Gounod, two violin solos by Miss Haenle, "Romance Andalus," by Sarasate and "Tambourin Chinois," by Kreisler.

Following this Miss Reller sang three solos and the orchestra finished with Wagner's overture from "Tannhauser."

Miss Haenle, who is highly regarded in Philadelphia music circles, pleased the large audience with her marked ability in rendering her difficult selections. Miss Reller, who was soloist at the Steel Pier, Atlantic City, for the past two seasons was equally applauded for her beautiful singing.

The committee in charge, of which Frank A. Mathews, Jr., of 608 Washington avenue, Palmyra, was chairman, and the patrons and patronesses of the American Legion are due much credit for bringing this noted orchestra to Palmyra.

This was the first opportunity music lovers of this section had to hear this orchestra, and enjoyed it immensely as the affair was well-planned and presented in fine style.

P. O. S. of A. BANQUET HELD IN CAMDEN

Quite a delegation from Camp No. 23, Palmyra, attended the second annual banquet of the Patriotic Order Sons of America in Convention Hall, last Saturday evening. Associated with the P. O. S. of A. in the celebration were the Commandery General, Patriotic Order of Americans, Rough Riders Pioneers of America and all associated bodies.

Addresses were made by Hon. James H. MacLafferty, assistant secretary of commerce, Washington; Hon. Frank E. Patterson, Jr., ex-congressman, Merchantville, Hon.

HOME TALENT TEAM FOR RIVERTON

The young men of Riverton are anxious to play baseball but perhaps they can't qualify for the "big" team. In that event they can have a team of their own if it is their desire. This Saturday afternoon, while the "big" team is idle, the young fellows will have a chance to get organized for the season.

An invitation is extended to every fellow in the community from sixteen years of age up. If you have ever played or would like to play come out this Saturday at two o'clock for practice. Every one who shows up will have a chance to show his ability. No one will be slighted in the least degree.

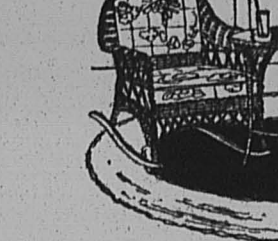

Do you want an entirely home talent ball team in Riverton?

If you do come out Saturday afternoon at two and help get the ball rolling.

Also if there is a man in this town who would like to help the young men along by managing the team he should telephone Riverton 712 or 344.

Charles A. Wolverton, congressman, Camden, Hon. Victor King, mayor of Camden, Hon. Joseph H. Forsyth, state senator, Camden, and Gabriel H. Moyer, national president P. O. S. of A., Lebanon, Pa.

It is true that our national rubber resources are limited—but they are at least greater than before our short skirt era.

ANNOUNCEMENT

TO THE VOTERS OF BURLINGTON CO.:—

I hereby announce my candidacy for re-election to the State Senate. Burlington County is a big, fine, progressive county with high standards of citizenship. In representing the county I have always acted upon that belief. I shall conduct a clean, honest and vigorous campaign, and, if re-elected, will continue to make every effort to justify your confidence.

EMMOR ROBERTS
Candidate for STATE SENATE

Ordered and paid for by Harold B. Wells, Campaign Manager

Charter Luncheon at Porch Club

Mrs. Lippincott Points Way to End War Through Public Opinion

Celebrating the anniversary of the incorporation of the Porch Club of Riverton, the annual charter luncheon was held April 26th. The club house seemed a veritable garden of spring flowers—apple blossoms, jonquils, lilac, bridal wreath, etc.

Eighty-five members were seated around seven tables. The two guests of honor were Mrs. L. C. Ogden, vice president of the State Federation of Women's Clubs, and Mrs. Miriam Lee Early Lippincott, Vice President and Chairman of Literature of the New Century Club of Philadelphia.

After a welcome by the president, Mrs. Reuben F. Corry, Mrs. Ogden spoke for a few minutes on "Beauty as a restorative to life." Mrs. Lippincott then gave a stirring address on the effect of public opinion.

She called to mind what public opinion has done in the past: the fighting of duels being abolished, slavery being outlawed, drunkenness for the most part being outlawed. In order to show how wars can be eliminated, Mrs. Lippincott, in a most dramatic way, gave as a monologue excerpts from Voltaire's Sun Up, a play which is a miracle of hatred turned to love. She closed her remarks by telling the women not to get discouraged, for the world comes to wisdom slowly, but

to keep on striving by their interest and their votes.

Previous to the luncheon Mrs. Samuel W. Collin charmed the audience by two vocal selections.

ROTARY ENTERTAINS BOYS
Following the custom started last year, the Palmyra-Riverton Rotary Club has arranged for the boys of the two towns under twelve years of age to be their guests at the Broadway Palace, Thursday evening, May 5, and Saturday afternoon, May 7.

The tickets will be distributed in the same manner as last year. Good shows will be given on both dates, but a little birdie has whispered to the editor that the Saturday afternoon film is a knock-out, and that there will also be a juvenile comedy.

An Army aviator says man can do everything a bird can. How about laying an egg?

Announcement

I desire to announce that I have leased my Service Station at Broad and Linden, Riverton, to Mr. Harry McCoy, who has twelve service stations in this section of New Jersey, and who is qualified to render the highest type of service. He will take charge May 1.

I ask, therefore, that my patrons and friends give him the same measure of support that has made it so satisfactory for me to do business at this stand since it was opened nearly three years ago.

In making this announcement I desire to express my sincere appreciation of the very pleasant business relations I have had with the residents of this vicinity.

William H. Albertson

PALMYRA ARTISANS BOWLING LEAGUE

SEASON'S SECRETS

It's all over now. The Pirates (pronounced "Pie-Rates") will play for the championship with the Footpads.

The Pirates will also play for second place honors with the Bandits.

DUTCH THURER should give up his job as a printer's devil and become a cop for he sure can blow a police whistle, ask RUGGLES he knows.

GEO. WINN says he is going to buy EDDIE WILLIAMS a box of rubber cigars, so that when he throws them at splits and misses, they will bounce back at him.

HARRY WILLIAMS is going to have ART WRIGHT's face lifted before next fall so his scowl when delivering the ball will not cause the ball to become frightened and roll away from the head pin, the pins are used to the scowl and will not FALL FOR IT.

Someone suggested that we rename the HIGHWAYMEN and call them the DARK HORSES, for they sure did upset the dope in the final weeks of the season; no sheer luck with them, but honest to goodness bowling, incidently they copped the prize for three high games in one night of the season, beating out the DEMONS whom they took into camp in their last set of the season.

THE DEMONS were good gralls champions last season but this season there were prizes, THAT'S DIFFERENT.

During the latter part of the season in the Highwaymen were going strong, POWELL must have had a return of his attack of lumbago of last season.

EVERY BOWLER is putting his best foot forward these days and being as nice as possible to McCamy. Mac is the cashier of the Palmyra Bank where our prize money comes from.

FRANK HARVEY the star bowler of the DEMONS has been hit by Dan Cupid. No date set yet, he says, but he assures us that it will be within the next 40 years, WHO'S NEXT.

NOW FOR THE BIG FEED AND SHOW ON THE 25th; then wait till next year, so say we all of us.

In Denver, Colorado, when a thief was brought before the judge, he was wearing the teeth and shoes of his victim.

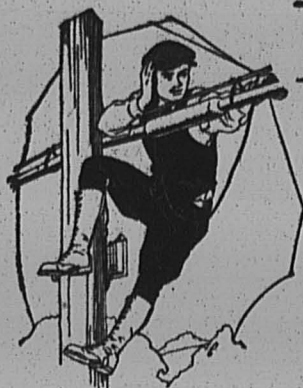

ANOTHER LEAGUE

Some of the smaller towns in Burlington county are getting themselves interested in the formation of a second Burlington County Baseball League, and it is understood that a meeting is to be called in the near future to consider the plan of action.

The towns interested are Marlton, Lumberton, Vincentown, Columbus, and Bridgeboro, and it is likely that some of the others could be brought into such an organization.

The games will be played for the love of the sport and the boys would not be expected to run up outrageous expenses. It is felt that the movement will enable those smaller towns to have better baseball.

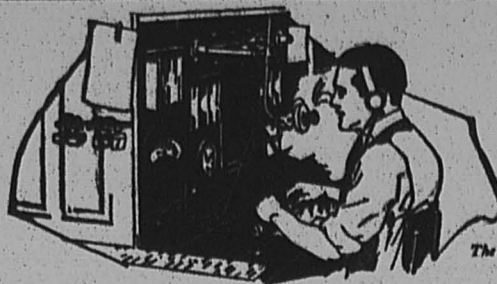

Waterfalls in Iceland are to be used as a source of water power.

"Feather" Says:

BIG UNDERTAKINGS BY YOUNG MEN

This has been called a young man's era. But that is hardly true because big undertakings have been initiated and completed by young men since the beginning of recorded history.

Alexander the Great finished his conquests of the eastern world before he was thirty.

Cæsar was not twenty when he became prominent in Roman politics, and he was the leading spirit in Roman affairs before thirty.

Peter the Great exhibited wonderful military genius before he was sixteen.

Napoleon was twenty-four when he distinguished himself at the siege of Toulon, and laid the foundation of his future.

Washington was only twenty-three when he was made commander-in-chief of the forces in Virginia.

Thomas Jefferson wrote the Declaration of Independence when he was thirty-three.

Alexander Hamilton was a member of congress at twenty-five and a member of President Washington's cabinet at thirty-two.

Daniel Webster entered congress at thirty and Henry Clay was appointed a senator at twenty-nine, before he was of constitutional age.

Why not two women in council?

Editor The New Era:

I saw in your issue of last week that a petition was to be circulated to nominate Miss Martha Biddle for member of council.

Am glad to see this movement and believe that Miss Biddle will make a desirable addition to council. But while the idea of a woman in council is being considered, I should like to see her have another woman as a running mate.

As it is a new idea in Riverton to have women as members of council they should be carefully chosen, both as to their ability for a position of this kind, and their workability with the other members. Who else will be suitable?

B. E. T.

CHARLES SUTTON

Charles, husband of Mary Sutton, aged 62, died on Saturday at his home in Riverside. The funeral was held Wednesday at 8:30 a. m. from his late residence, 219 Delaware avenue, High Mass, St. Peter's Church, 9:30 a. m. Interment at Mt. Carmel cemetery, Moorestown.

Mr. Sutton was employed at Drexler's in Riverton.

PROGRESS Y. M. C. A.

The meeting was opened by our vice-president, Alfred Harding. George Cooper led us in prayer. The roll was called and dues collected. The Bible Study was then taken up and it was won by Frank Alloway.

George Cooper was elected secretary; Jack Reynolds, vice-president; Frank Alloway, treasurer; and Alfred Harding, president. Lloyd Unland was elected reporter.

The next meeting will be held at Lloyd Unland's home, 414 Linden avenue.

Mrs. Cooper served eats which we enjoyed very much. Then we closed the meeting with our Friendship Circle.

Frank Alloway, Reporter.

ANNOUNCEMENT

To the Citizens of Riverton:

I have given the matter of the coming election and the possibility of my becoming a candidate for reelection to the office of collector much consideration and have finally come to the conclusion not to be a candidate, especially as I feel it will not be possible for me, during the ensuing term, if re-elected, to continue to give the office the full effort it requires, and, under the conditions, I believe it to be only fair to myself as well as to the taxpayers to withdraw.

Respectfully,

HERBERT EVANS

ANNOUNCEMENT

I have consented to be a candidate for a member of Council of the Borough of Riverton.

MARTHA M. BIDDLE

OUT FOR COUNCIL

Francis J. Holick has formally announced that he will be a candidate for nomination as a member of the Riverton Borough Council at the Primary Election, June 21.

ANNOUNCEMENT

I desire to announce my candidacy for the office of Riverton Borough collector and respectfully solicit the support of the voters at the Primary Election, June 21, 1927.

C. KENNETH DAVIS

EPWORTH METHODIST EPISCOPAL CHURCH

Rev. J. William Lee, Minister

At 10 a. m. the Church School will swing open its welcoming doors. Church Worship at 11:15 a. m. with the following musical program:

Organ Prelude "Invocation." Kyrie: "I Love Thee, O Lord." Anthem "Cords of Love," by Nevin; Postlude "Cord of Love," by Schumann. Sermon: "What Does the Church Expect of You?"

Epworth League devotional meeting 6:45 p. m. Organ Prelude, "Serenade," by Moszkowski; Processional: "How Firm a Foundation"; Anthem "Ye That Stand in the House of the Lord"; Offertoire "Psalms of David"; Postlude "Andante Religiosa," by Thorne. Sermon subject: "The Palace of Nero, or the Power of God to Keep."

Saturday, April 30 a District Epworth Rally will be held in Epworth Temple. In the afternoon, Fun and Frolic will be the order. Supper will be served at 6 p. m. followed by a program of unusual merit.

The University of Pennsylvania Quartette will give the musical. Everyone is invited to share in this unusual opportunity. Dr. Ray Jenney, secretary of the University of Pennsylvania Christian Association will deliver an address of inspiration. Don't miss this rare treat.

EPISCOPAL

Christ Church, Parry Ave.
Rev. G. J. McCormack M. A., L. Th. Rector

The certainty of victory should be the possession of every Christian. The early Church had this notion of certainty and lived in a glorious sense of reality. Things around them "epiphenomenal" as the Greeks have it, "things of a day" and to this they opposed the soul satisfying rite of things eternal. A reality, a conviction made sure to them by the reality of Jesus Christ.

Easter music is undying because of this certainty. Easter with all its wondrous joy continues. Let us never cease to praise Him who has brought us this undying hope.

Reality, Reality

Lord Jesus Christ Thou art to me! My glorious King, my Lord, my God.

Life is too short for half the hour. For half the hour of praise I owe. For this brief knowledge that "I know"

The reality of Jesus Christ. Unmeasured blessings, gift unpriced!

Will I not praise Thee when I see in the long noon of Eternity Unveiled, Thy bright reality?

The May music festival is at hand and with this in view there will be special music next Sunday evening. The service will be held at the usual hour, 8 p. m. but will be preceded by two organ numbers, "Andante Religiosa," by Francis Thorne and Handel's "Largo," commencing at 7:40 p. m. Please note the advanced hour.

The Magnificent and the Nunc Dimittis will be by J. V. Roberts. An anthem "The Souls of the Righteous," by Foster. A violin selection "Meditation from Thalberg's Massenet" and "My Faith Looks Up to Thee," by Schuecker. A service of praise and thanksgiving.

The Sunday School made an offering of one hundred dollars to the Red Cross Fund for the suffering in the Mississippi flood disaster. The Junior Auxiliary combined with the Girls' Friendly Society met every Tuesday evening at 7:30 p. m. in the Parish House.

The Guild of Agnes will hold its regular monthly meeting on Monday evening at 8 p. m. Services next Sunday: 7:30 a. m. Holy Communion. 10:30 a. m. Holy Communion. Sermon: "Victory Over the World."

2:30 p. m. Sunday School and Bible Class. 7:40 p. m. Organ Prelude. 8:00 p. m. Evensong.

BAPTIST CHURCH

This afternoon (Thursday) the ladies of the Philanthropic Class are meeting at the home of Mrs. Ferguson, 104 Main street at 7:15 a. m. for their monthly thimble party.

If your kiddies are not "regular" on Friday afternoons for the "Happy Hour" at 4 o'clock, see that they get the habit of joining in these periods of fun and instruction.

Sunday is the first of May and Communion will be observed at the morning service. It will be held at the beginning of the annual Boys' Week. Boys are urged to start the week right by being present in the Bible School and Church service.

Pastor Lockett will conduct a special service in the evening under the title of "Boys' Night." It is expected that the boys' orchestra and a boys' harmonica band will be present. The pastor will give a spiritual message to the boys that will be well worth a large attendance. Be there!

Keep in tune with the church and its work. Success is not so much in lifting yourself above others as in lifting others with you.

Y. M. C. A.

The Triangle Group met at the home of Robert Borer on Wednesday evening, April 26th with ten members present.

The meeting was opened with prayer by George Nixon. As the vice-president was not here and he keeps the cards, we could not have the Responsive Ritual. We then had a very interesting Bible study hour. It was now time for games, three of the boys showed us a magic trick.

Refreshments were then served and we closed with the Friendship Circle.

The meeting on April 27 will be at Andrew Barker's home. Robert C. Borer, Reporter.

FOUR CLUB

On May 2, at 5 o'clock, the annual meeting of the Four Club of Riverton will be held. At that time the election of officers for the ensuing year will take place.

COMRADE GROUP

The regular meeting of the Comrade YMCA group of the Palmyra Moravian Church was held Tuesday evening, April 26, 1927 at 7 o'clock.

The meeting was opened with a prayer by the leader, Arthur Siebek.

The regular period of Bible study was held, followed by the business meeting.

After the business meeting had adjourned all the group went outside, but the refreshment committee. While the boys were outside having a soccer game the refreshment committee were preparing the cake.

Then the group came in and partook of the refreshments which were enjoyed by all.

Then a few of the boys played Mr. Taylor and his son a few games of ping pong.

The rest of the group were having a rough and tumble fight on the mats.

The meeting was then closed with the friendship circle.

Wilson Adelstein, Publicity Reporter.

EAST RIVERTON NOTES

Mrs. Agnes Weber has moved to Riverside and will live with her daughter, Mrs. George Gilbert. Her son Lawrence has taken the homestead.

Miss Roberta Sprout, of Chester, is visiting her aunt, Mrs. Arthur Stow.

Mr. and Mrs. Albert Freeman, of Merchantville are receiving congratulations on the birth of a baby boy, Elwood A., born April 22. Mrs. Freeman will be remembered as Miss Elizabeth Hannaf.

Mrs. John Banart, Sunday. Mrs. William Watkins is suffering with a bone felon.

Mrs. Harrison Morrow spent Sunday with her sister, Mrs. Lydia Stirling.

Mrs. William Stow is confined to her bed with an attack of grippe. Mrs. Frank Hunter who is in the Cooper Hospital is slightly improved.

Thomas Perkins is having his home remodeled.

Mr. and Mrs. Lloyd Schaffer, of Reading, spent the weekend with their grandparents, Mr. and Mrs. John Banart, Sunday.

William Anderson has purchased a Ford coupe.

Harry Everingham who has been sick for some time, is slowly improving.

David has returned to his home on Broad street.

PRESBYTERIAN

Next Sunday Calvary Presbyterian Church will hold services in the Riverton public school building as follows:

Morning Worship at 11 o'clock. Sunday School. Main School at 10 o'clock and Primary Division at 2:30.

There will be no evening service of worship.

The Christian Endeavor Society will meet at the home of Miss G. Davis, 104 Main street at 7:15 o'clock. This will be "Vocation Day." Appropriate services will be held in the Sunday School and in the Christian Endeavor Society.

The pastor will preach at the morning worship on "A Christian Calling."

The Midweek Service, on May 4, will be held at the home of Mrs. H. D. Gordon, 708 Thomas avenue.

On Friday afternoon, April 29 from two to five o'clock, the Ladies' Aid Society will hold its annual cake and apron sale at Bishop's Shop, on Broad street, near Main street. The regular monthly meeting of the Ladies' Aid society will be held on Wednesday afternoon, May 4, at the home of Mrs. H. D. Gordon, 708 Thomas avenue, at 2:30 o'clock, and the regular monthly meeting of the Women's Missionary Society on the same day and at the same place at 3 o'clock. All ladies of the congregation are urged to attend.

The Golden Hour Circle will meet on Friday evening, May 6, at eight o'clock at the home of Mrs. William E. Maikstroff, 904 Lincoln, Palmyra.

MORAVIAN CHURCH

Albert J. Marker, B. D., Pastor

Next Sunday morning will be "organizations service." The different organizations of the congregation will attend this service in a body.

The pastor will preach a special sermon, "Working Together."

The evening service will begin at 8 o'clock. The topic will be "The Greatest Question in the World." This sermon will be illustrated with colored lantern slides.

All services begin on daylight saving time.

The Willing Workers will gather for their social meeting at the home of Mrs. Harvey Bristol, 423 Third street, Moorestown, this Thursday afternoon.

Mrs. FILLIS COLE

Mrs. Francis Cole died at her home, 610 1/2 Main street, Wednesday evening after an illness of about a month.

RIVERTON ITEMS

Mrs. John E. Wright, of 405 Main street, Riverton, who has been critically ill at the West Jersey Homeopathic Hospital, Camden, is a little better.

Mr. and Mrs. J. E. Sheldy and daughter, Miss Clara, were in Atlantic City from Thursday, until Saturday.

Mr. and Mrs. John T. Dorrance and daughter, Miss Ellen Dorrance, of "Woodcrest," Radnor, formerly of Riverton, called Tuesday on the Dorrance family for Europe, and will remain abroad until about the first of June. While in Paris they will visit their daughter, Miss Ellen M. Dorrance, who will be a debutante of next season, and who will arrive home later in the summer.

Mr. and Mrs. Charles W. McCordwell and children visited Baltimore on Sunday.

William J. Stokes, 623 Thomas avenue, is making extensive alterations in his property.

Miss Hester N. Phillips has been staying in Washington, D. C., a few days at the Grace Dodge Hotel.

Mrs. Francis Cole has been seriously ill for the past two weeks.

Mr. and Mrs. James H. Gardner, Jr., of Pavillon avenue, Riverside, are receiving congratulations on the birth of a son, James Jr., Wednesday afternoon. Mrs. Gardner will be remembered as Miss Helen Wille, of Bellevue.

Miss Anna Ruppert is recovering from an operation for appendicitis at St. Luke's Hospital, Philadelphia.

The Lawn House will open on Saturday, April 30.

A number of Rivertonians attended the wedding reception of Miss Lydia Morris Clotier, daughter of Mr. and Mrs. Morris Clotier, and Mr. de Beauville Kelm Sooley, of New York, Saturday at the "Clairmont," Villanova, the home of the bride's parents. The mother of the bride, Mrs. Clotier, will be remembered by many as Miss Lydia Barnshaw who was married to Mr. Clotier in Christ Church, Riverton.

A. W. Schramm called last Wednesday, April 20, on the 88 Dorchester of the Merchants and Miners Line enroute for Miami, Fla.

A marriage license was published on Monday for Maurice A. Hill and Thelma V. Mason, both of East Riverton.

Mr. and Mrs. Frank Cole, who have been spending the winter in Florida, returned to Riverton last week and have been the guests of Mr. and Mrs. Otto Bayers. On Tuesday they left for Wildwood, accompanied by Mrs. Donnie M. Jones. On Wednesday Mrs. Bayers will motor down, and they will all join Mrs. Samuel Cole, who opened the Hotel Portland on Wednesday.

Mr. and Mrs. Charles W. Wanger entertained relatives from Germantown on Sunday.

Mrs. O. Cronnell and daughter, Miss Alice Cronnell, of Berlin, were guests of Mrs. Paul Good, on Sunday.

J. Lawrence Lindebeck has just returned from a three month vacation in the West Indies.

The 8th of May is Mother's Day

Observe It While You May

You tell others of the wonderful mother you have. Tell her, too!

Fortunate indeed are you who have your own mother living—a mother who thinks of you constantly.

Can you imagine the joy a Mother's Day card will bring to her? She will thrill with the delight that you have remembered her. Do not neglect your mother on this day especially designated in her honor. Make certain that a Mother's Day greeting card—symbolizing your love, thoughtfulness and appreciation—reaches her on or before the eight. It will be received with joy and it will label you as one who did not allow your Only Mother to be a Lonely Mother on Mother's Day.

PALMYRA NOTES

Chaire Craig, Mrs. Anna Craig, and sister, Miss Clara Buckwith, of Philadelphia, were guests of Mr. and Mrs. George J. Seel on Saturday.

Miss Beatrice Borel, of Pemberton was the guest of Mr. and Mrs. Charles B. Marple over the weekend.

Miss Nora Carpenter and Mrs. George W. Albright were on a shopping tour in Philadelphia on Saturday last.

Mr. and Mrs. Louis A. Weikman will occupy their new home, 508 Garfield avenue on May 1st.

Robert Fichter, William L. Fichter, Joseph W. Graham and William Anderson motored to Atlantic Highlands on Sunday and reported having seen several deer in the pines.

Mr. and Mrs. DeWitt Russ, of 4th and Elm avenues, entertained Mr. and Mrs. Lloyd Warren and daughter, of Mount Holly, and Paul Warren, of Kensington, on Sunday last.

Mrs. Stanley Parry will entertain friends at a bridge party at her home on Highland avenue this evening.

If anyone would like to see an old English six pound note dated 1759 and which was worth \$30.00, look in the window of the Walter D. Lamon Company, 3 East Broad street.

Mr. and Mrs. Robert Toos, who spent the winter in Florida, have been spending the week with their cousin, Mr. and Mrs. Walter S. Toos. They returned to their home in Massena-Dundas this week.

Mrs. Elvira I. Powell will entertain the Dutch and Chatter Circle this Thursday afternoon.

Mr. and Mrs. Melvin Berle, of Philadelphia, had their daughter, Doris Louisa, christened at the Moravian Church, Five Points, Sunday morning. A christening breakfast was served at the home of her father, Joseph N. Berle, to about fifty relatives and guests.

W. B. Powell accompanied S. B. Lisk, of Riverton, on a motor trip

to Reading, Pa., on Monday.

Francis R. Ehle was best man at the wedding of Miss Katherine C. Rogers, daughter of Mrs. John T. Rogers, and Mr. Eric Harrison Biddle, of Philadelphia, which took place Tuesday afternoon at the rectory of St. James Church, 38th and Chestnut streets.

Mr. and Mrs. W. A. Major, of 440 Morgan avenue, are receiving congratulations on the birth of a daughter, Shirley Ann, on Saturday, April 23rd.

Robert Mathews had his nose broken Monday evening while playing baseball.

Mr. and Mrs. William Taylor, of Burlington, spent Sunday with Mr. and Mrs. William Evans.

Mrs. A. B. Crammer is spending a few days in New York with her daughter.

John Quail, who has been boarding in Palmyra and is employed in a Philadelphia bank, will move to 23 Henry street this week.

Mr. and Mrs. Alonzo Bousal and family of Montclair visited her parents, Mayor and Mrs. James T. Weert, of 4th and Chestnut avenues, over the weekend.

Harold H. "Honey" Lever is driving a new Pontiac Coach purchased from Warren W. Yonney.

A. C. Tibberson, of Charles street, returned to his home on Friday from the Cooper Hospital where he underwent a serious operation for appendicitis a few weeks ago. His many friends are glad to know he is steadily improving.

Mrs. James T. Weert was tendered a surprise birthday dinner at the Hotel Walt Whitman in Camden on Saturday evening last by members of her family. After dinner the party witnessed "My Maryland" at the Lyric Theatre in Philadelphia.

Mr. and Mrs. George W. Woods, of Olney were guests of Mr. and Mrs. Walter D. Lamon, of Cleveland, on Sunday.

His acts of vandalism and two reels of comic moving pictures are the program for the entertainment to be given by the Palmyra Parent-Teacher Association in the High

School Auditorium, Saturday evening, May 7. See the full program printed in the advertisement in this issue.

"Boys' Night" will be observed in the Central Baptist Church at the Sunday evening service. A boys' harmonica band, which will be in cooperation with the coming "Boys' Week."

Mr. and Mrs. George W. Rogers and Mrs. James H. Hartley will attend the Supreme White Shrine Convention to be held in Buffalo during the first week in May. They will leave Palmyra this Sunday morning and return the following Sunday. During that time they expect to visit Niagara Falls and other places of interest.

Mrs. Russell Blackbourn, of Cincinnati avenue, is spending some time with her husband in Chicago.

Mr. and Mrs. Warren Bolder and children of Abrams, Pa., spent the weekend with Mr. and Leonard H. Baker at their home on Garfield avenue. Mr. Baker entertained Mrs. Reabey of Philadelphia on Sunday.

Mr. and Mrs. John P. Johnson, of Shelton, Conn., are receiving congratulations on the arrival of a nine pound baby boy, John Paul Johnson, Jr., on April 24. Mrs. Johnson will be remembered as Miss Helen Schonta, formerly of Palmyra, and both she and Mr. Johnson have a host of friends in this vicinity.

Mrs. Edward Beeton and Mrs. Leonard H. Baker were entertained at a bridge and luncheon given by Mrs. Victor Clymer of Haddonfield, last Saturday.

The Epworth League enjoyed a large attendance at its regular monthly business meeting and social Monday evening last.

Miss Helen Bolder of Highland avenue is confined to her home with an attack of grippe.

Mr. and Mrs. D. Grey Schwarz and children of Parry avenue, and Miss Edna Lippert of Christopher Schwarz spent the weekend in Annapolis Park.

Harry B. Mark is driving a handsome new Buick coach.

Douglas Kersey spent Sunday evening in Indian Mills attending an Epworth League in the Methodist Church of which Fred Meeks, of Palmyra, is pastor.

Don't forget the Epworth League rally to be held in the Temple, Saturday afternoon and evening, April 30th. The rally will start at 4 o'clock, supper will be served at 6 o'clock and at 7 o'clock a program of interesting speakers and musical numbers will be featured. The purpose of these rallies throughout the district is to arouse interest in the young people's work.

The regular monthly business meeting of the In-A-Much Bible Class will be held at the home of Mrs. Walter Horne, 416 Lippincott avenue, Riverton.

The boy automobiles given away by the Broadway Palace Theatre last Thursday evening were won by Miss Doris Vandehey, of S. Broad street, Riverton. The lucky number was 297,905. Don't forget the shows start at 7:45 and 9:30 Daylight Saving Time, Saturday included.

Mrs. Price, of Yonkers, Ohio, is spending several weeks with her daughter, Mrs. Wilbur Evans, of Morgan avenue.

Mr. and Mrs. Ralph Smalley, of Audubon, spent Sunday with Mr. and Mrs. James M. Weert.

The Ladies' Auxiliary of the I. O. O. F. had a luncheon at the home of Mrs. Eva Curry, on Tuesday.

Mr. and Mrs. Stanley Hoptrich, of Germantown spent the weekend with Mr. and Mrs. Russell Hammeiman.

Francis Hammelman, of Glenolden, Pa., formerly of Palmyra, who has been very ill at the last resort, is slowly improving.

The Ladies' Auxiliary of the I. O. O. F. gave the men a dinner Wednesday evening to P. O. S. of A. Hall.

Mrs. Mary Hammelman spent Sunday with her sister, Mrs. Herbert Hoptrich, of Philadelphia.

The Palmyra Concrete Company, J. Horace Fluney, manager, has just landed another fine contract at Surf City, N. C., for cement payments and curbs.

Mrs. Robert L. Dodge, of Wilmington, visited friends in Palmyra on Tuesday.

Albert Tibberson returned home from the hospital on Friday and is improving slowly.

Mrs. Gustave Schulze, formerly of Elm avenue, Palmyra, has been confined to her bed with a serious illness since early in January, but is now slowly recovering. She resides with her son at Glen Ridge, N. J.

Fines Total \$1,175 at Court Session

Harold Stratton, Moorestown Wife Deserter, Pleads "Not Guilty" at Hearing

Judge Slaughter had a full morning's work on Thursday, first disposing of several Orphans' Court matters, among which was an application for an order of habeas corpus, his making ten adoption cases handled in the last few weeks—but being the first time that twins have been concerned.

In the Criminal Court a number of defendants came in on waivers of arraignment, and the court, which somewhat shortened the deliberations of the April Grand Jury and also leave less work to be disposed of by the court and prosecutor during the summer months.

Harold Stratton, of Moorestown, who cost the county a considerable sum to bring him back from Reno, Nevada, where he had flown after deserting his wife and three children—making necessary a trip to that divorce court by Prosecutor Edmund C. Lippert, called in Chief Clerk—exhibited considerable bravado as he pleaded not guilty to the charge, and his case was continued until May 16, when the petit jurors will be on hand.

Stackhouse, formerly of Burlington, who was acquitted of a charge of desertion of his wife during the present term, was in Court to plead to a charge of assault and battery on his daughter, both in indictments having been found by the December Grand Jury as a result of a disagreement between Stackhouse and his wife while they were living together in Burlington.

His plea was not guilty to the assault and battery charge and was fined \$100.

Walter Nelson, of Lumbia, pleaded guilty to having several gallons of liquor and alcohol in his possession, which were found at his home, and being a first offender he escaped with a fine of \$200.

Edward R. Gross, of Southampton township, charged with possession of liquor and having utensils for the same, pleaded guilty to the charge and was fined \$100.

George Sanford, charged with transporting liquor in Burlington, pleaded guilty. He has been in jail since some time in January, about nine weeks so he escaped with a fine of \$1, after it was shown by counsel that he was merely a consumer and not a bootlegger.

John Flinn, of Camden, who was caught in Massena-Dundas with two gallons of liquor in his possession, and proved a rather strenuous prisoner, pleaded guilty and was fined \$200.

Farmer-Bootlegger

Richard Parker, of Burlington township, caught in the act of manufacturing liquor on his farm, there being two stills in full operation when the officers called, and also with having a quantity of liquor in his possession, pleaded guilty and was fined \$100 on the charge of having the utensils, and sentence suspended on the possession charge.

William M. Brown, of Maple Shade, who was a chauffeur and who the officers had for a long time suspected of bootlegging, first liquor in his possession, but he will at Centerton and later at Maple Shade, pleaded guilty to having sold liquor and was fined \$100.

Mike Kukine, of Burlington, pleaded guilty to possession of liquor, and he escaped with a fine of \$75.

John Kawiecki, of Cambridge, pleaded guilty to transportation of liquor at Beverly. It was shown that he was an old offender, having been fined for transportation back for liquor in 1925, and he went to jail for sixty days.

Stanley Hubel, of Hainesport, was before the Court on a charge of atrocious assault and battery having picked Andrew Kravitz, who was with him, during an argument at the Hubel wet goods emporium.

It was shown that Hubel had never been before the Court on a criminal charge, but it was noted that he had been arrested for bootlegging.

He pleaded guilty and was fined \$100.

Two other foreigners, who it was alleged took part in the fracas were ordered discharged and their cash bail will be returned.

Frank Bende, of Burlington, who has been serving a term in the county jail charged with failure to support his wife and children, and also with furnishing for her a common-law wife who had caused his arrest, was placed on probation for three years and he will be called upon to support his two children who have been placed in charge of the State Board of Children's Guardians.

Y.W.C.A. Farm Machinery Exhibit is Held

1500 Farmers Attend Interesting Demonstration at Campbell Soup Farm, near Cinnaminson last Friday

A demonstration of farm machinery attracted 1,500 farmers and tractors to the Campbell Soup Farm, near Cinnaminson last Friday.

Thirty of the leading manufacturers of farm machinery, orchard sprayers and supply houses demonstrated their products to the growers who came to this meeting to learn the latest methods for the production of crops.

The exhibits ranged from the tiny garden tractor that replaces the unsightly garden wheel hoe to the powerful tractor of the crawler type pulling huge tandem disc harrows that can turn over an acre of land every ten or fifteen minutes.

Cranberry Bog Sprayers

One of the newest features of the demonstration was the operation of the big powerful sprayer, which is specially for spraying high shade trees and working on the cranberry bogs. These machines, equipped with a new type of spray gun and a thousand feet of hose line, opened up the new idea of spraying cranberries in the spraying of all crops in the future.

There were also a few horse-drawn implements on display, for the old-time methods of operating machines, not yet abandoned, but the tractor-operated machines were in the lead.

It was not an idle group of spectators to view the modern machines. Those who came to the show were inquisitive buyers of tractors, and they examined the machines critically before parting with their good money for something that might not meet their particular needs.

Deleph County Fair

These exhibits were arranged through the co-operation of C. H. Nisley, vegetable specialist, New Brunswick; E. R. Gross, farm engineer for the state, and the county agents of Burlington county, L. L. Smith, Charles Thompson, M. L. Holt, and Samuel Foster, Haddonfield, representing Camden county.

These demonstrations are replacing the county fair machine features. At the fair the machines are shown in street work or possibly under a big shady tent, but at these demonstrations the machines are dressed for work and are put through the most grueling tests that they would have to meet on any farm. These tests show whether they can stand the strain of long and strenuous work on the soft plowed ground of the soil types that are common in South Jersey.

AN HONEST DRIVER

"Take" trunks may be chased among the honest drivers of cars after his behavior Wednesday night. Jake, while travelling along Broad street in Riverton, struck Morris Hoffman, of Haddonfield, who was hit by the front end of a trolley car. Gross picked up the injured woman and took her to the Riverside Hospital, then returned to Riverton and surrendered himself to Officer Miller.

Admonished and Discharged

Carl Jessup, who was "tagged" last week by Director of Public Safety, Williams, for speeding on "Phonograph" avenue, appeared before Recorder Trott Friday night and was discharged with the admonition "Don't do it again."

P. O. S. of A. INITIATES FIFTEEN CANDIDATES

State President Magnus, Delivers Splendid Address at Palmyra Camp

Fifteen candidates were initiated at the meeting of Washington Camp, No. 2, P. O. S. of A. of Palmyra, Monday evening.

The speaker of the evening was William B. Magnus, State President, who delivered a very interesting address on the "Development of the Interest in the P. O. S. of A. throughout the State of New Jersey and commingled Camp 23 on its progressiveness in maintaining the high standard it has among the Camps in the State.

The Entertainment Committee of which Eddie Griscom is chairman served the usual delightful refreshment.

The members who are entitled to attend the producers banquet will leave Palmyra at 6 o'clock p. m. this evening. This banquet will be held at the Hotel Walt Whitman in Camden.

Effective Check Protector for \$12.50! Impossible! Fact. See one at The New Era office. Something entirely new.—Adv.

WHEN MONTE SMILES

Wherever motion pictures are shown, the wide, broad, good-natured smile of Monte Blue is known. He also has an infectious laugh. That smile of Monte's is worth a fortune, not only as a picture asset, but to himself. It brought him his first notice. It won him a chance to appear in a picture with D. W. Griffith. It helped him withstand the early day knock-out and it keeps him in a happy frame of mind during the present palmy days.

In his present picture, "Other Women's Husbands," in which he is co-starred with Marie Prevost, he brings it into full play. The picture is all about a domestic tangle, a mix-up that could happen to any normal married couple. Sometimes the situations do not warrant it, but the smile finally comes into good use toward the end. It almost saves the day a couple of times, but then, without those "altruistic" one would not have drama.

"Other Women's Husbands" brings Marie Prevost and Monte together for the first time since they appeared in Ernst Lubitsch's production for Warner Bros., "Kiss Me Again." It will give their fans an opportunity of seeing that they have not forgotten the many little touches of comedy and satire that filled their past productions.

"Other Women's Husbands" is just the picture you have been waiting for. Don't miss it at the Broadway Palace Theatre, Thursday evening, April 28. Two shows, 7:45 and 9:30. Adult tickets 35c, children 15c.

JOHN HYDEN VANHAUSEN, formerly of Garfield avenue, Palmyra, died suddenly at his home, 5415 Chestnut street, Philadelphia, Saturday, April 23.

Mr. Vanhausen's death came as a severe shock to his many friends here, as he was well-known in Palmyra. Many friends and relatives viewed the body Monday evening. The Creosote Lodge No. 493, P. and A. M., and other organizations of which he was a member attended the services Tuesday afternoon at 3 p. m. at the Oliver H. Blair building, 1839 Chestnut street. Interment was made at the West Laurel Hill Cemetery, Philadelphia.

Press Luncheon at County Seat

P. T. A. Leaders Entertain Newspaper Folks in Get-together Dinner

Official members and press chairman of the Burlington County Parent-Teacher Association and county editors attended a press luncheon at the First Methodist Episcopal Church, Mount Holly, last Thursday afternoon as a means of establishing a better understanding between editors and local press chairmen, and helping the P. T. A. news representatives to turn out the right kind of publicity.

George H. Smith, editor of a New York daily, told the group how to attain publicity and gave the five W's of news, requesting that every publicity agent answer the questions "who, what, why, when, and where" in the first paragraphs of their publicity sheets.

The ideal publicity agent is always good-natured, Smith pointed out. He advised personal acquaintance with the editors of the papers which circulate in their territory and to furnish "good copy."

Louise J. Kaser, Burlington county superintendent of schools, talked on "Vocational Education." She told how the percentage of grammar school graduates is decreasing year by year and said that the students were not going further in their studies because Burlington county has nothing further to offer them.

Mr. Kaser pointed out that petitions would soon be circulated asking for a referendum vote of vocational education in Burlington county, and prophesied that there would be 15,000 signers of these petitions, instead of the required 6,300.

Walter L. Bowen, editor of the Riverton New Era, Miss Celia M. Fitzgerald, society editor of the Mount Pleasant News, and Leon H. Bready, of the Courier-Post Company, pointed out to the press agents what they each required in news stories to get them into print.

Mrs. Walter L. Bowen, state press chairman of the Parent-Teacher Association, gave a resume of the "Publicity Aims in New Jersey." She told the members that the state hoped to rank among the first in its publicity endeavors and results before the year was out, and urged the cooperation of the local press chairmen with the county chairmen, and the county chairmen with the state press chairman.

Mrs. Olivia R. Richman, Camden county, chairman of publicity of the Parent-Teachers spoke on "How Camden County Achieved Its 100 Percent." Mrs. Walter Dawson, second state vice-president, spoke on "Why Publicity." Mrs. Arthur T. Hagston, of Riverton, county chairman of the Parent-Teacher closed the speakers' program with an address on "How Each One Can Help."

Mrs. J. Henry Thaldigman, Burlington county chairman of publicity, was the toastmaster of the meeting. This was the first publicity luncheon held by the Burlington County P. T. A. and the credit for the success of the luncheon was given to Mrs. Thaldigman.

25 Cattle Dead in Lightning Fire

Henry H. Lippincott's Fine Barn Destroyed During Electrical Storm

A modern dairy barn and 25 head of prize cattle, owned by Henry H. Lippincott, Riverton road, represent the loss by fire last Thursday night when the barn was struck by lightning during an electrical storm. The loss is conservatively estimated at \$30,000.

The barn, which was recently remodeled and enlarged, was the last word in modern dairy homes. Lightning, it is thought, struck the hay mow on the second floor and traveled down to the first floor, following a path of hay which had been placed in front of the stalls that night. As a result the entire building burst into flames simultaneously.

Mr. Lippincott and farm hands led seventeen of the cows to safety and twenty-four burned to death in the stalls. One of the seventeen rescued was so badly burned it had to be shot Friday morning. The building represented some of the latest improvements in dairy barns. There were electric lights throughout, concrete walks, special drinking and feeding arrangements and the latest type stanchions.

Moorestown and Riverton fire departments responded, rendering splendid service. Through the efficient work of the fire fighters, one section of the building was saved from total destruction. Moorestown company pumped from the stream along the road and Riverton pumped from the pond, just below the barn. Members of the Moorestown company had a narrow escape. Just as their apparatus pulled up to the small bridge along the road, lightning struck a tree nearby.

WIDEN BROAD STREET

Palmyra Improvement Got Under Way Monday

The Eugene F. Verga Company, of Camden, began work Monday morning on the widening of Broad street, Palmyra. Three huge tree stumps had to be removed. The concrete was broken into small

County Organization Celebrates First Annual Ladies' Night

The members of the recently organized Burlington County Real Estate Board held their first annual "Ladies' Night" in St. Andrew's Parish House, Mount Holly, on Wednesday evening of last week and about one hundred and fifty members and their ladies were present and enjoyed a fine dinner served by the ladies of St. Elizabeth's Guild.

The music and entertainment was furnished by members of the Camden Real Estate Board, and a feature of the affair was a skill by the real estate men, entitled "The Modern Realty Office," which was funny in the extreme, but at the same time very instructive as to the ethics which should guide a successful realtor in his business relations with the public.

Roy D. Cole, of Moorestown, president of the Burlington county organization, was the toastmaster, and the principal address was made by Hon. Vincent Bradley, president of the New Jersey Real Estate Commission.

Other speakers were Leon A. Todd, vice president of the New Jersey Association of Real Estate Boards; George Dykman, past president of the Camden Real Estate Board, and Carl Everett, president of the Camden Real Estate Board. The affair was much enjoyed by all present.

Home is at its Best When Electric and Gas Servants do the Work

Kelvinator Is Everything Refrigeration Should Be

With the coming of Kelvinator, another burden was lifted from the home-maker's shoulders. The work and attention demanded by old-time cooling methods are ended.

Because of the constant low temperature maintained by Kelvinator, even the most perishable foods remain fresh for days. Milk, butter, eggs, tender fresh vegetables may be stored in Kelvinator without danger of spoilage.

Because Kelvinator provides dry cold for food storage, the inside of the refrigerator can be kept as clean as pantry shelves and with as little trouble.

If the family leaves home unexpectedly for a few days, the home-maker need not worry about the food in the refrigerator. Kelvinator works automatically and will maintain the same dry cold when the home-maker is away as when she is at home.

Any refrigerator that is in good condition can be Kelvinator equipped. Trays can be installed in which ice cubes in just the right size for table use can be made, or dairy desserts frozen. Complete Kelvinator refrigerator cabinets can also be had at all Public Service Stores. One popular model, the Sealrite, is insulated with two inches

Saves Time, Saves Gas, Saves Steps

Every home-maker should know the story of the Direct Action gas range with the expansion oven—an oven that can be extended to provide capacity required for larger meals or bigger bakings.

The broiler on the Direct Action gas range is placed above the oven to save stooping.

The oven of this gas range is bottomless and requires no pre-heating.

There are separate burners for baking and broiling ovens. The Loris Oven Heat Regulator with which many Direct Action gas ranges are equipped, maintains the exact oven temperature desired for the desired time.

Direct Action models 418-A and 418-W are completely finished in enamel, including oven linings.

Public Service stores are conducting a sale on Direct Action gas ranges. \$10 will be allowed for an old cook stove on the purchase price of either of these models. \$5 down, 18 months to complete payment are the terms.

Public Service equips each range with an automatic top burner lighter and makes connection from gas outlet in kitchen without extra charge.

Direct Action gas range prices (without Loris regulator) begin at \$39.98—with regulator \$59.98.

The Button on the Wall

At the pressure of a button on the side of your wall, lights glow here and there, wherever they are needed.

At the same magic touch, refrigeration begins in your refrigerator, the washing process begins in the washing machine.

Back of the button lies warmth when it's cold—cooling breezes when the weather's too warm.

And way back of the button-in power stations, in substations, and on the lines, Public Service people are at work night and day to see to it that electricity responds to every pressure of the button.

Hot Water Should Be Abundant

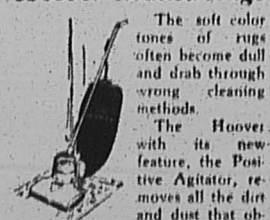

In good hotels, the guests need not wait for water to heat at bath time. There is always plenty.

Surely the modern home should be able to hold its own with a hotel for comfort. A gas automatic storage water heating system will keep the household supplied with hot water at all times. No work is attached to its use, and it requires no attention. The gas is turned off and on automatically, as the temperature of the water in the storage tank falls or rises.

At Public Service Stores prices of gas automatic storage water heaters begin at \$90.75 for the Hotzone. The purchase terms are \$5 down—12 to 18 months to pay.

Colors Are Revived in Hoover-cleaned Rugs

The soft color tones of rugs often become dull and drab through wrong cleaning methods.

The Hoover, with its new feature, the Positive Agitator, removes all the dirt and dust that obscures these beautiful blended colorings.

Rugs wear longer when cleaned with the Hoover, for it removes the pounded-in grime that cuts the nap and causes threadbare spots.

Public Service stores are making a liberal allowance for old electric cleaners traded-in on the purchase price of either of the two new Hoover Positive Agitator models. Either cleaner can be easily bought on the convenient Public Service payment plan, \$5.00 down, \$5.00 a month.

Ada Bessie Swann's Spinach a la King

Well seasoned spinach 1 1/2 cups white sauce 1 egg 1 cup grated cheese

Fill casserole 3/4 full of well seasoned cooked spinach. Slice eggs over top. Pour sauce over them. Sprinkle with grated cheese and paprika. Bake at 375 degrees moderate oven, for 30 minutes.

Medium White Sauce 1 cup milk 2 tablespoons flour 2 tablespoons butter 1 teaspoon salt Few grains pepper

Melt butter, add the flour and seasoning, stirring until smooth and thick. Add the milk slowly, stirring constantly until the white sauce thickens.

Electric Radiator For Chilly Hours

The price tags on all electric radiators have been changed to half their former figures at Public Service stores. This reduction comes at the opportune time, for during the changeable spring weather, one of these handy little heat producers is most convenient.

The electric radiator works on any electric outlet and can easily be carried from one place to another.

Changeable Weather Does Not Affect the Comfort of These Homes

Many New Jersey folk are pondering the advisability of letting the furnace fire go out during these changeable spring days. Others are not concerned with this problem for they know that no matter how the temperature may vary, their homes will be comfortable—neither too cold nor too hot.

These carefree neighbors of ours are those who are heating their homes with gas. With them there is no problem—they are enjoying perfection in house heating.

No other fuel or heating method can supply the carefree heating comfort that an automatic gas furnace supplies. It costs less to replace a furnace with a gas furnace than it does to install an attachment to present equipment for use of other fuels. Every home would be glad to be rid of the furnace tending job forever, and can be, for Public Service has a new heating rate that has lessened the cost of heating homes with gas.

Let the gas holders be your fuel bin and learn a new meaning for the words "Home Comfort."

The booklet "Not Even a Glance for Weeks at a Time" tells how many New Jersey households are enjoying this new convenience for the home—gas heating. Your copy will be sent on request.

SEE WHAT WE SEE.
SACCO-VANZETTI.
STUDY VITAMINS.
EGYPT AND U. S. A.

Recently Mr. Gifford, head of the telephone company, proved that "television," making it possible to see and hear individuals or crowds hundreds of miles away, is practical. The question, "How can that be made useful?" is answered in a way that in centuries to come will shed light on our civilization.

"There is no doubt about it," you are told, "the only way in which television can be made profitable is IN CONNECTION WITH PRIZE FIGHTS." People will pay well to see men fighting and to hear the yells of the mob gathered around the prize ring. Would television make money enabling distant crowds to see and hear great preachers or college professors? It would NOT.

A conference of college students has decided against trial marriage, quite solemnly, by a vote of 16 to 7. Wise Providence has decided against it by a vote of about 100 to 0.

When the seven young gentlemen who think they believe in trial mar-

riage fall in love, they will know positively the marriage they plan to to last forever, would defeat the theory of a trial, and insult anybody suggesting it.

Or if not, they would not be worth marrying. "It would be better for Massachusetts and the administration of justice generally, if a commission could be appointed to investigate the evidence on which Sacco and Vanzetti are condemned to die." That is the opinion of the Rev. Roland D. Sawyer, Congressional clergyman and member of the Massachusetts Legislature. The commission, for which he introduces a bill, would consist of the Chief Justice of the Massachusetts Supreme Court, and four others to be appointed by the Governor. The commission would be authorized to recommend to the Governor a new trial or such course as might seem necessary.

The impression that justice in the United States is in a hurry to execute anybody or determined to do so should be carefully avoided. This is a case that has never been passed upon, as regards the evidence, by any but one judge, and a case in which after-the-war excitement played a considerable part. An Egyptian tomb near the Giza Pyramids, opened by a Vienna scientist, contains the record and mummy of a very rich dwarf married to an impoverished princess, thousands of years ago.

Our rich princesses marry mental dwarfs, rich in titles. That's the difference, and that Egyptian princess had the better of it. She got something in exchange for her hand with the long, tapering fingers.

Interest yourself in vitamins. Dr. H. C. Sherman, learned professor of chemistry, proves that vitamins bring maturity earlier and

make it last longer. Vitamins are found in milk, butter, lettuce and all green vegetables, cod liver oil, red wine (barred here), fruits, yeast etc.

In addition to vitamins, mineral salts are absolutely necessary to life. No animal can live without them.

Public school education should include information on diet. Mother, especially are interested in vitamins. Experiments with animals show vitamins influence the number of the young and successful rearing after birth.

There is much prosperity in this country and, fortunately for us, it is not all based on "natural resources"—oil, iron, coal, forests, good soil etc. Most of it comes from inside the national shell. Sir Ernest Benn observes that American prosperity is, in many cases, 5 per cent natural resources, ninety-five per cent work intelligently organized. If natural resources alone counted, "Brazil, Liberia and Iceland would be the world's most prosperous countries."

Commander Udet, greatest German flier left over from the war, will fly in a gliding plane without any engine from a mountain peak in Bavaria, 2,000 feet high. This means literally tobogganing from the top of a mountain to the valley below on thin air. It would astonish those long dead and buried that used to smile at the poem describing Darius Green and his flying machine.

Ross S. Musselman, secretary of the Gloucester County YMCA, was elected president of the Woodbury Rotary Club at the annual meeting last week. He takes the place of Postmaster William H. Albright. The other officers elected are as follows: Amos G. Wick, vice president; Robert G. Williams, secretary; immediate past president, William H. Albright; directors, C. J. Hamm and A. W. Hill.

Men's golf suits made of plain black cloth are now quite the newest and most popular apparel. No doubt a badge of mourning for the golf widows who sit at home over the weekend, April to November.

Dr. Frank Crane Says

"SYSONBY"

Sysonby is to be placed in a room in the Museum of Natural History in New York City.

To the average American the name means nothing. It might be that of a cigar, a confection, a play or a new author. In fact it is the name of one of the greatest race horses America has produced, and the skeleton will be placed in a new room devoted to horses and their development as an example of a great race horse.

Nothing drops out of sight quicker than a race horse that has quit winning races, unless it is a man who accomplishes something and then stops.

The applause and interests lasts as long as the accomplishments go on. When they stop, people turn to something else.

Placed old age is usually the least interesting period of life to outsiders. This is because it is

time of reminiscence, of going over and over accomplishments of the past rather than of achieving new victories.

A little over thirty years ago the locomotive Number 999 was familiar to everyone. It was the fastest engine then known and had made a speed of over one hundred miles an hour.

A few years ago, before it was placed on exhibition, it was almost entirely forgotten, used to haul a milk train up and down the rails where it had once been king.

Other bigger and stranger engines had come and its past performance had sunk out of sight.

Napoleon said: "My power would fall did I not support it with new

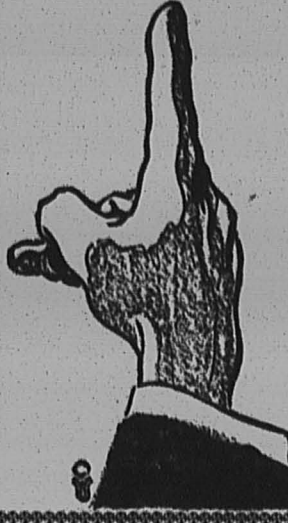

achievements. Conquest has made me what I am and conquest must sustain me."

A little cynicism in regard to applause is a healthy thing. The less a person thinks about a past achievement the more other people are liable to think about it.

"As a horse when he has run," said Marcus Aurelius, "a dog when he has tracked the game, a bee when it has made the honey, so a man when he has done a good act, does not call out for others to come and see, but goes on to another act, as a vine goes on to produce again the grapes in season."

Soda fountains have been set up on four cars of a western railroad.

Compare it for

Appearance Performance Price

Only in cars much higher in price will you find such smartness of line, such beauty of design and such elegance of appointment as in the Most Beautiful Chevrolet!

The performance of the new Chevrolet is literally amazing. Incredible smoothness at every speed... effortless shifting of gears... finger-tip steering... flashing acceleration that is a delight.

Comparison of delivered prices reveals Chevrolet's value supremacy. Delivered prices are f.o.b. prices plus charges for handling, financing, etc. The financing charges of General Motors Acceptance Corporation are the lowest available. Handling charges are in proportion. Thus, Chevrolet delivered prices are even more amazing than the f.o.b. prices.

New Fisher Bodies! Smart new Duo colors! Full-crown, one-piece fenders! Bullet-type headlamps! Higher, more massive radiators! Duo finished instrument panel! Cowl lamps! "Fish-tail" Modeling on 2-passenger models.

there you will usually find

Bond Bread

HOUSEWIVES who take care of their looks, as well as their homes, are the ones who usually insist on Bond Bread. They know that Bond has the flavor and all-round goodness of home-baked bread.

Many of these careful housewives admit that, even with the best of luck, they could not bake a better loaf themselves.

Thousands of these particular housewives would still bake bread at home if it were not true that Bond Bread does these two great things for them: (1) It takes them away from their bread-baking into more useful pursuits. (2) And it gives them a bread which their families agree

to be quite as fine as the best home-made. That is why more than a million particular housewives serve Bond Bread on their tables every day.

If you are not a regular Bond Bread user, won't you test the truth of these statements at our risk? Buy a loaf today under the protection of the two guarantees as printed at the left.

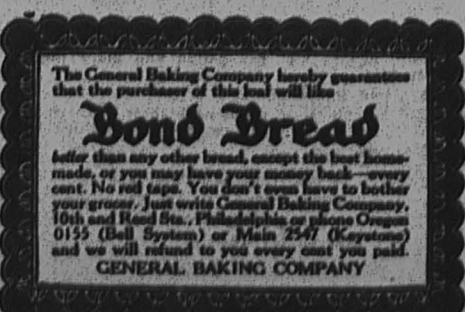

The one is the regular Bond of quality from which Bond Bread gets its name. The other is our guarantee that you will like Bond Bread better than any loaf—except the best home-made—or you will get your money back, every cent.

To this familiar Bond of purity—

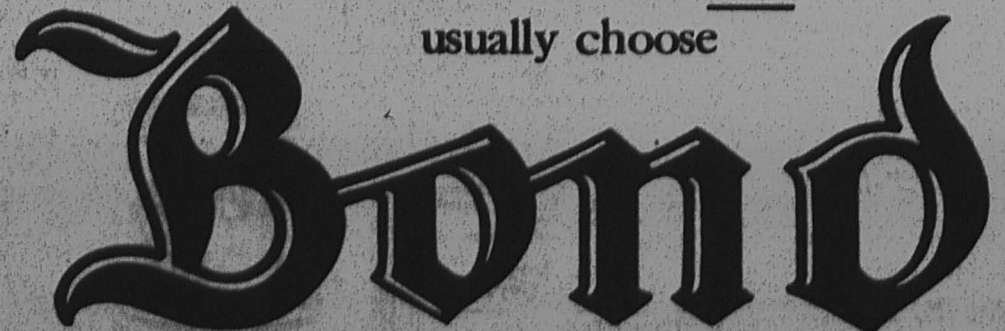

Every loaf of Bond Bread carries this Bond on its wrapper. It is a guarantee of the finest and purest ingredients such as you would buy. From this Bond, Bond Bread gets its name.

—we now add this money-back guarantee

This guarantee to your satisfaction that you will prefer the home-like flavor of Bond Bread to that of any other bread on the market—or your money back, every cent.

Keystone Club Urges More Care

Careless Motorists Responsible For Many of 134 Children Killed in Year

A vivid picture of the terrible toll in human lives taken by automobiles in the United States every year is drawn by the Keystone Automobile Club in urging upon its members and motorists in general the absolute necessity for caution in the operation of their cars.

"Just try to visualize," says a statement by the club, "the public horror if a school fire-trap should burn with the loss of 134 child lives. Think of the condemnation that would be visited upon a governmental agency responsible for 4000 children being maimed or otherwise injured in a year through lack of care.

Yet in the city of Philadelphia alone 134 children were crushed to death and more than 4000 were injured by motor vehicles last year. There is scarcely a town or village in the state that has not experienced the shock conveyed by news that a child has been killed in the streets or highways.

Carelessness Cause of Death
"In some degree, all these deaths and injuries are due to lack of care—either on the part of the driver or the child. As childhood is irresponsible, it naturally follows that the principal blame rests on the man at the wheel. The only safe rule for the driver is never, under any circumstances, to assume that a child is going to stay on the pavement or to get out of harm's path at the honk of a motor horn. Slow, careful driving is the only way to avoid disaster.

"Very few drivers have even given any thought to the meaning of speed translated into terms of ground covered per second. But a little figuring develops an amazing story. At the slow speed of 15 miles an hour an automobile will cover 22 feet of ground per second. At 20 miles an hour it covers a fraction less than 30 feet per second. Thus, while a man is taking a single step a motor car traveling at the moderate rate of 20 miles an hour is covering the width of a 30 foot street. What chance has a child or an adult unless the driver has his car in perfect control?

How Quickly Can You Stop?
"Many drivers make the proud boast they can stop 'in a car's length.' Tests, however, show that only cars with proper brake adjustments can stop within 20 feet while going 15 miles an hour. Cars equipped with four-wheel brakes shorten the space somewhat. The stopping distance at 20 miles an hour is 37 feet and at 25 miles an hour 58 feet. Thus, it can be seen that even at these relatively slow speeds a car with braking devices properly cannot be stopped 'instantly' as some motorists think.

"The Keystone Automobile Club's experience over a period of 21 years proves conclusively that lack of care is responsible for most of the automobile accidents. It would, however, be unjust to say that any considerable percentage of motorists are careless. Thousands of pedestrians are killed yearly because they 'take a chance,' and walk in front of moving vehicles when they could cross the street or road in safety if they delayed a moment. Even the most careful and competent of drivers cannot stop in time if the space allowed by the pedestrian is less than the space required for the driver to bring his car to a standstill.

On the other hand, drivers who persist in speeding where caution dictates they should proceed slowly have no one but themselves to blame if they become involved in accident. The great purpose of this club is to keep the automobile in good repute and we have no sympathy for drivers who bring condemnation on the whole body of motorists by reckless disregard of the rights of others."

BEAUTY CONTEST

Mount Holly Fire Company Will Award Essex Coach

The young women of Burlington county will have something to look forward to in the 17th Anniversary celebration to be staged by Relief Fire Company of Mount Holly during the week of July 11 to 16. There will be a popularity and beauty contest under the direction of the committee and the Burlington County Firemen's Association.

Each company in the county to participate in the monster firemen's parade will send and bring with it the most popular young woman of its town to ride on a float with the fire company sponsoring her. The winner chosen from these contestants will receive an Essex Super coach, painted in ultra-marine blue with rich grey velvet trimmings. The second prize will be a loving cup and a beautiful diamond and platinum dinner ring, and the third prize will be a loving cup and a 17-jeweled platinum and white gold wrist watch. It is expected that each fire company will have an entrant and that the contest will attract the county's most charming girls.

Miss Helen McLaughlin, who is promoting the celebration for the Relief Fire Company, has mailed circular letters and entry blanks to all the fire companies of the county giving full information concerning the contest. The official prize contest committee is made up of Edward H. Flagg, 2nd, Riverton; Stephen J. Steinman, Riverside; J. M. Kimble, Delanco; William Frech, Maple Shade; A. M. Evans, Bordentown and J. Burkle, Rancocas.

JONES-MILLER
Mr. and Mrs. Hugh B. Miller, of Edgewater Park, announce the marriage of their daughter, Miss Lavina Miller to Harold T. Jones, of Boise City, Idaho, on Saturday, April 29. Shortly after the engagement was announced some time ago the bride elect left for the western city for the performance of the ceremony.

The bride and groom were attended by Mr. and Mrs. Lloyd Jones, brother and sister-in-law of the groom. The Jones family formerly lived in Beverly. Mr. Jones is the western representative of the Charles Webb Wool House in Philadelphia.

About Your Health

Things You Should Know

By John Joseph Gaines, M. D.

THE COMMON BACILLUS

This microbe is a good first cousin to the typhoid germ, and like the latter, is capable of doing harm to its host. The attack of the "colic-B" is more insidious, not necessarily marked by fever or acute pain.

Within the human colon, which is its natural habitat, the colon bacillus may be of certain benefit to its possessor. In fact, all of us carry it about with us. It is when the germ gets into the blood stream that it sets up mischief, often of very serious nature. Most every "surgical" gall-bladder is thoroughly stocked with colon bacillus, as found by operators. Many cases of slow, progressive, rebellious arthritis are caused by colonies of colic-B, carried into the joints by the blood-stream.

The colon bacillus generally escapes from the colon through an ulcer of the colon or rectum; hence any patient with hemorrhoids, or bleeding with the bowel evacuation, should have the condition attended to at once, before a more general infection takes place. Have seen kidneys destroyed, and serious bladder troubles set up where the colon bacillus was the only infecting germ that could be found; and such patients usually had a chronic rectum, undured for a number of years without medical attention.

There is no reason why our people should not be educated in the matter of prevalent disease-germs; and the colon bacillus is always with us. Careful, perhaps, if in its proper sphere, but extremely wary when in the joints, gall-bladder kidneys or appendix. Every precaution should be preserved to keep it where it belongs.

PARISH MEETING

Vestrymen and Other Officials Elected at Christ Church

The annual parish meeting of Christ Church, Palmyra, was held Monday evening of last week, with a church supper at 6.15, after which evening prayer was led by the rector, the Rev. George J. McCormack.

Five members of the Vestry were elected as follows: Harold B. Lever, Charles K. Morreine, Harold West, Benjamin Torbett, William B. Colsey; two wardens, E. W. G. Horner and John King; delegates, E. W. G. Horner, John King and Charles Davidson.

RAP BUS ORDER

South Jersey Police Opposed to Night of Way Rider

Police departments of South Jersey will make an appeal to William L. Dill, commissioner of Motor vehicles, to revoke his order giving passenger buses the right of way on highways.

The police say some drivers of the buses are making advantage of the order and motorists are making complaint because the buses are not only occupying the centre of the highways and make them run off the road, but also hurl sarcastic remarks at the drivers of pleasure cars.

Mayor Anderson, of Gloucester, yesterday issued a warrant for one driver, who defied Policeman Mines and used uncalled for language during the height of traffic. The mayor said that the order should never have been issued and every driver should realize that they must obey traffic laws the same as other motorists.

Police officials of Brooklawn, Westville and several other places are complaining about bus drivers violating the law.

NEEDLEWORK GUILD MEETING

The 42nd annual meeting of the Needlework Guild of America will be held on Thursday, Friday and Saturday, May 5, 6 and 7 at the Bellevue-Stratford Hotel, Philadelphia.

The morning session will open at ten o'clock and the afternoon sessions at two o'clock. The Thursday afternoon, Friday and Saturday morning sessions will be open to the public. The Directors of the Palmyra Branch are urged to attend as many sessions as possible.

Any further information may be obtained by calling Riverton 249.

Taking the national census in 1930 is going to be a more difficult job than ever before. What with thirty million automobiles in the U. S. the pedestrians cannot stand still long enough to be counted.

Red Cross to Aid Flood Sufferers

Appeal for Funds Throughout Burlington County is Issued

An appeal for aid to relieve homeless and distressed flood victims in the devastated Lower Mississippi Valley has been issued by the American National Red Cross.

President Coolidge, as President of the United States and of the national organization of the Red Cross, in his proclamation to the people, directs attention to the "sad plight of thousands of their fellow-citizens in the flooded areas of the Mississippi River and its tributaries," and urges, "that generous contributions be promptly forthcoming to alleviate their sufferings."

He further states that the "burden of caring for the homeless rests upon the agency designated by Government charter to provide for relief in disaster—The American National Red Cross," and recommends that all contributions, clearly designated, be forwarded to the Red Cross, through its local Chapters.

A conservative estimate of five million dollars has been named as the sum required by the Red Cross to be used for the relief of the flood sufferers.

Every Red Cross Chapter in the nation will be called upon to aid in this relief. The quota fixed for Burlington County is six thousand five hundred and fifty dollars, and it is believed that when the efforts now being planned are consummated, the sum hoped for in this county will be realized.

The amount to be raised in Moorstown for this purpose is \$700. The flood, affecting eight states, is one of the most extensive in the history of the country.

There are many thousands homeless, needing emergency care, and the relief problem is most acute, as the number of flood refugees is constantly increasing.

That the Red Cross will meet this emergency goes without saying, but it must have a generous response from the people to carry out its work.

President Coolidge once said of the Red Cross, "It has never failed us and it never will so long as it holds your generous support."

HITS CHILD

Palmyra Man Has Accident in Philadelphia

Josh Clark, of Palmyra, was arraigned before Magistrate Dugan, of the Woodland avenue police district, Philadelphia, Sunday evening for striking a 10-year-old colored girl who ran out in the front of the car he was driving. The accident occurred at Woodland avenue and Clark was driving a Ford automobile belonging to John Dunn, also of Palmyra.

The boys were returning from the river at Anasol and were driving along at 15 miles per hour when the child dashed out from behind another car directly in front of the Clark machine. As soon as Clark could stop his car, he got out, picked up the injured child and rushed her to the hospital where it was found she suffered concussion of the brain, an injured knee cap and cuts about the face.

Clark was held over night and released Monday morning. He must appear before Magistrate Dugan Saturday morning. Clark will not be prosecuted as the accident was unavoidable.

CARD OF THANKS

Mrs. Herman Fehrlie and family acknowledge with grateful appreciation the kind expressions of sympathy extended by their friends on the occasion of their recent bereavement.

NOW IS THE TIME TO PAINT THAT HOUSE OF YOURS—BUT

Do the neighbors expect you to use cheap paint?

Be proud of your home next year, when results begin to show, and save money too, by painting now with

Lucas Tinted Gloss Paint

Good Paint actually is cheaper than cheap paint. That is a fact. Cheap paint requires more gallons, more time, and more labor to do the same job, and its lasting qualities are uncertain. You get no such satisfactory results as are given by Lucas Tinted Gloss Paint. Compare the five Lucas standards of value:

IT COVERS more square feet per gallon and more thoroughly hides the surface, and its beauty lasts.
IT BEAUTIFIES, and its beauty lasts.
IT LASTS longer because it is made of highest grade materials, carefully selected, scientifically combined by skilled workers of long experience.

IT IS ECONOMICAL—It costs less both first and last. Get our helpful little booklet, "Mixed Paints, Their Uses and Application." It is one of a series of six booklets on household painting. They're free. Ask us for them.

Let us help you with your paint problems.

Judge's Josh

BILL HICKS IS SUCH A GENIUS HE TRAINED THE WOLF AT HIS DOOR TO KEEP COLLECTORS AWAY

Order in the Court Room

Judge (severely): "The idea of a big strong man of your size beating up a poor weak woman like that!"

Mose: "But, yeah honah, she keeps irritating me all de time."

Judge: "How does she irritate you?"

Mose: "Well, Judge, it's like dis: She keeps sayin' 'Hit me! Beat me! Just hit me once and I'll have you hauled up before that bald-headed old reprobate of a Judge, and see what he'll do to you.'"

Judge: "Discharged!"

Next! "There's no getting around it—there's one guy you've got to take your hat off to."

"The barber."

Poor Thing

Stage hand to manager—"Shall I lower the curtain, sir? One of the living statues has the hiccup."

Answer Me These

Who did Captain Kidd? What made Oscar Wilde? What does Harold Hill Wright?

They All Do

Prof: How would you punctuate the sentence, "Mary is a pretty girl?"

Stude—Why, er—I'd make a dash after Mary.

Don't Rush Please

Visitor: "Won't you be very, very happy when your sentence is over?"

Prisoner: "I dunno, m'am, I dunno."

Prisoner: "I don't know? And why not?"

He Will Do

She: What a pity it is that handsome men are always conked.

He: Not always, little girl, I'm not.

National Baha'i Convention April 29

Delegates From Forty-two Cities Will Meet in Convention at Montreal

Delegates from Philadelphia and forty-one other cities of the United States and Canada will take part in the nineteenth annual Baha'i convention to be held at Hotel Windsor, Montreal, April 29 to May 1st. This year's national meeting is the first to be called in a Canadian city. Similar conventions will be held during the year in eight other countries, including England, Germany, Egypt, Caucasus, Iran, Persia, Turkistan and India, containing representatives of practically every race, nation and creed.

The essential purpose of the convention is to elect the nine members of the central administrative body known as the National Spiritual Assembly, a procedure indicated in the instructions left by 'Abdu'l-Baha, late head of the faith established over eighty years ago by his father, Baha'u'llah. The various assemblies are united in and through Shoghi Effendi, at Haifa, Palestine, in his position as "guardian of the cause."

The Baha'is in the United States and Canada, since the last convention have been increased by local assemblies in the cities of Vancouver, B. C., Ithaca, N. Y., St. Augustine, Fla., and Wilmette, Ill. The strength of the movement in this country has also been greatly increased during the year by the accession of Green Acre, the summer community of two hundred acres founded by Miss Sarah Farmer, in 1893 at Elliot, Maine.

For more than eighty years, the Baha'i faith has been upheld as the expression for this age of the same universal spirit which spoke through the prophetic teachers of the past, renewing the fundamental principles of worship and brotherhood and ushering in a new era of progress and illumination. Baha'u'llah, his followers declare, laid the basis for a universal faith reconciling religion and science, and harmonizing and interpreting all previous Scriptures. Present-day world events, they point

out, were all foretold by Baha'u'llah who in the middle of the nineteenth century wrote that humanity would plunge into a series of wars and other calamities not to terminate until hearts turned toward spirituality and peace.

The characteristic principle of the Baha'i faith not found in any previous religion, according to students of this revelation, is the oneness of mankind. By understanding and devotion to this principle, Baha'is assert, the world will be guided toward the new era of universal peace.

Miss Pratt Resigns

Miss Adelene J. Pratt, librarian of the Burlington County Library since its institution six years ago, is going to Maryland on June 15 as director of the library of that state. Her resignation to take effect that date is in the hands of the County Commission. Miss Pratt will be succeeded as county librarian by Miss Marion Clark, formerly of Detroit, but late of Ocean City.

NOTICE

I will not be responsible for any bills unless contracted by myself or my wife.
