RIVERTON, NEW JERSEY, THURSDAY, APRIL 7, 1932

PRICE, FIVE CENTS

R. C. A. CLEAN-UP WEEK, APRIL 11-15

New Civic Association Urges Cooperation of Everyone; Rubbish Removed Free

Last week the executive committee of the Riverton Civic Association was delighted to be able to announce that actual work would start in the near future. Already, some of that work has become an accomplished fact, as everyone knows who has passed up or down Broad street at any time this week. And, as a friend, Norman Brokenshire, would say: "What a transformation! What a transformation!"

A "staggered" planting of shrubs, accented every twenty-five feet by low-growing poplar trees, completely transforms what for all too long has been a barren strip of waste land; a repository for all the loose papers and accumulated debris in town.

The skillfully irregular scheme of the planting gives the observer a fine sense of motion when passing along the railroad embankment—a sense which will be immeasurably heightened when the shrubs and trees have come into their full beauty of blossom and leaf. Those who had the actual work of this project in hand are to be heartily congratulated on the success of their labors; and to Henry A. Dreer, from whom the shrubs were purchased, thanks are due for the splendid quality of the stock supplied at the lowest possible cost.

Clean-Up Week—Make It Real!

The next thing on the local civic program is Clean-Up Week, to be observed April 11 to 15. Due to the splendid co-operation of the Mayor and Council, trucks will be provided for the carrying away rubbish, and every effort made to help the individual citizens put their properties in ship-shape condition. It is sincerely hoped that every resident will avail himself of this opportunity to rid his house and grounds of the winter's accumulation of debris. Simply put rubbish in baskets or rigid cartons, placed conspicuously on the curb for the collectors.

Station to be Re-Painted

And now for another important item of RCA news—another spectacular forward step in civic improvement. At the conference between P. R. E. representatives and RCA officers a fortnight ago, the former made an extremely generous proposition. They offered to supply the paint and all necessary materials for re-painting the railroad properties, if the Civic Association would provide the labor. Estimates were made for the probable costs, but modest as they were, was not felt advisable by members of the RCA Executive Committee to curtail already projected improvements in order to finance this new undertaking, desirable as it was.

But the stations are to be re-painted, after all—and why not? For a certain public-spirited citizen has come forward and volunteered to assume the expense of the necessary labor. Such splendid generosity should prove an inspiration to every Rivertonian—not that many of us could indulge in such large contributions, but each can do his share, however small, in forwarding this worthwhile enterprise.

Business House Offers Help

Offers of help and contributions of money are coming in from all sides. Conspicuous among the former is J. S. Collins & Sons' offer of the services of a horse, cart and driver to do what-ever hauling will be required from time to time incidental to carrying out Association projects. This is just one indication of the spirit that inspires the success of any civic enterprise, and affords an example which we feel sure other business houses will in turn follow as needs arise.

The inspiration of the RCA program is already spreading beyond our own town limits—which is just what was hoped might happen. A certain Palmyra builder, who modestly prefers to remain anonymous, is so convinced of the sound value of the Association's work, that both he and his wife have become members. In addition, he has placed, entirely free of charge, the services of a workman at the disposal of the executive committee for such public work as may need doing from time to time—another mighty fine, substantial contribution—the kind that shows the calibre of our members as nothing else could do, that assures the continued success of the whole enterprise.

Membership Growing Rapidly

And speaking of members—more than a hundred new ones enrolled during the past week. That is the ideal of the membership committee—a hundred new members a week until the whole town has been canvassed. A membership costs so little—helps so much! Fifty cents for adults; five cents for children under fourteen years. The great, important thing is to feel yourself a part of this fine work.

Riverton has a tradition of beauty to maintain, as all the older residents know. Somehow, somewhere, perhaps in the slough of the general economic depression, this tradition has been neglected. Now it is being revived and revitalized; made a deliberate civic responsibility instead of a purely individual matter. That's why the RCA must be an every-citizen-a-member organization to be a complete success.

Join this week!

An Appeal

To The People of Riverton:—

The Week of April 11 to 15 having been designated as a local Clean-Up Week, and since the Borough Officials are behind the movement with an appeal and an offer to remove free of charge all rubbish placed on curbs in boxes or barrels, on Thursday and Friday of next week, the Riverton Civic Association also adds its appeal to every property owner to help beautify Riverton.

The Riverton Civic Association is primarily concerned with the exterior appearance of Riverton. It fully appreciates the value of clean-up activities and feels that much can be gained to promote the welfare of Riverton by first cleaning up and then beautifying.

Let us, everyone, get behind this movement next week and where possible try to beautify our properties. The benefits of a concerted action along these lines are obvious; therefore, let us all pitch in with a will, and Riverton will soon reflect a community in which anyone can be proud to live.

W. J. M'CAHAN, JR. P. T. A. LUNCHEON DIES IN FLORIDA AND CARD PARTY

Leader in Sugar Industry III For Several Weeks at Southern Home

After an illness of several weeks in St. Petersburg, Florida, William J. McCahan, Jr., of Moorestown and Philadelphia, passed away on April 3rd, 1932. He was born December 12, 1869.

Mr. McCahan was an active member of a family of sugar refiners, so that the McCahans had conducted for over a quarter century one of the most successful enterprises in their line in this country.

W. J. McCahan, Sr., had for years prior to 1892 made raw sugars and molasses from Cuban molasses, and sold his products to sugar refiners. About 1890 the so-called "Sugar Trust" was formed, absorbing all the local refiners, so that the McCahans had only one customer for their output. They ventured to start a refinery at a time when other sugar men predicted that any new plant would be frozen out of existence. They prospered from the start, and grew moderately, but the family policy was to be conservative and they did not expand unduly. Mr. McCahan, Sr., died after four years' illness in 1918, and the responsibility of the presidency was carried by W. J. McCahan, Jr.

When the big "boom" in sugar came, incident to World War devastation and a panic over supposed sugar famine in 1919, world-wide contracts were made for any kind of sugar at four to five times normal value, and to cover needs for six to nine months ahead. Mr. McCahan was one of the few executives who were prudent enough to avoid purchasing raw sugars for future delivery at such cost and risk. He told customers the prices would be for a big amount, so he would close up the refinery if unable to get spot raws and sell them as refined sugar for prompt delivery.

Some of the largest refining companies committed themselves for many millions of dollars worth of raw sugars, and lost very heavily because many of the customers never were able to take in and pay for the refined sugars after the big slump of 1920, when the greedy public was swamped with sugar coming to us from all parts of the world.

A chaotic period ensued, in which world prices of sugar continued to drop and it appeared that those refineries owned by or affiliated with large raw sugar producing corporations would have great competitive advantages and the smaller, independent plants might be pushed to the wall. It then became known that William J. McCahan, Jr., had anticipated these conditions and that the plant had been sold during the big "boom" for transfer at the expiration of 1920 to New York raw sugar capitalists. For the second time Mr. McCahan had avoided disaster profitably.

Since retiring from business Mr. McCahan has divided his time between his beautiful home, "The Beaches," New Albany road, Moorestown, the Ritz-Carlton, Philadelphia, and St. Petersburg, Florida.

He is survived by Mrs. W. J. McCahan, Jr., the former Miss Rena Shull, of Wenonah, N. J., and a brother, Thomas Cooper McCahan, of Villa Nova, Pa.

William Anderson

William Anderson, 57 years old, of Bellevue avenue, East Riverton, died suddenly at his home Sunday evening, April 3rd, 1932, from a heart attack.

Funeral services will be held from his late residence this (Thursday) afternoon at 2 p. m., the Rev. George Palmer officiating. Burial will be made in Morgan Cemetery, Jerome J. Ziaak, Jr., funeral director, in charge. The deceased is survived by his widow, Mary, two daughters, Mrs. Robert Fichter and Mrs. Leon Eagan, and two sons, Horace Anderson and William Anderson, Jr., all of East Riverton.

Life Members and Teachers Guests of Riverton Association at Luncheon and Cards

Judged from every angle the luncheon and card party given by the Riverton Parent-Teacher Association last Friday at the Porch Club, was a great success.

Socially, it brought together 118 members and friends of the P. T. A. for a most enjoyable afternoon; gastronomically, the luncheon was a treat to all who partook; financially, a goodly sum was cleared for the work of the association.

The Porch Club was attractively decorated in a color scheme of yellow and white, worked out with daffodils and forsythia. On each small table was a fern in a quaint flower pot, which afterwards went as a prize to the winner of that table. In all, fifteen teachers of the Riverton school came to lunch at 12:15, and we were sorry that duty kept them from staying through the afternoon. The twenty-six local life members were invited as guests of the P. T. A. and fifteen were able to be present, making a total of over 130 served with luncheon. Twenty tables of cards were played after the luncheon.

The atmosphere of informality and friendliness made the affair thoroughly enjoyable, and the whole-hearted, unselfish work of the luncheon committee and their assistants in preparing the entire luncheon and every detail of the entertainment deserves special appreciation.

The luncheon committee consisted of Mrs. G. Harold Baker, Mrs. H. K. Rutherford, Mrs. Ralph L. Flower, Mrs. Frederick Blat, Mrs. R. J. Barclay, Mrs. Bradford Stetson, Mrs. H. P. Orlmann, Mrs. Howard Coe, Mrs. Frank Coddington, Mrs. Nathan Lane, Jr., Mrs. E. H. Blackwell, Mrs. Everett Wolcott, Mrs. T. J. Knudsen, Mrs. Clifton P. Mayfield and Mrs. Francis B. Elwell.

The Parent-Teacher Association is most grateful to the Porch Club for its generosity in giving the use of the building and equipment, which further increased the spirit of cooperation between the two associations.

The April program of the P. T. A. also includes Parents' Night, Monday evening, April 18, and a special child study group on Monday afternoon, April 25.

Save the dates! You will hear more about them later.

PRESS CHAIRMAN.

MRS. AMANDA M. DAVIS

Mrs. Amanda M. Davis, widow of Charles W. Davis, of Riverton and Atlantic City, passed away at her late residence, the home of her sister, Mrs. H. P. Wyman, 21 South Jackson avenue, Atlantic City, April 3.

Mrs. Davis was the daughter of the late Stephen and Amanda M. Flanagan, who lived in Riverton for many years.

Mrs. Davis was taken with a slight cold on Easter Sunday, and on Thursday developed pneumonia. She passed away Sunday morning at 5:30.

Surviving Mrs. Davis are two brothers, Charles L. Flanagan and Louis A. Flanagan, of Riverton; and three sisters, Mrs. F. N. Barksdale, Mrs. H. P. Wyman and Mrs. A. G. Cook, of Atlantic City, formerly of Riverton.

The services were held at her late residence, at 12:30 Tuesday, April 5, 1932. Burial was made in North Laurel Hill Cemetery, Philadelphia.

In the absence of the Rev. Durell, of the Church of the Ascension, Atlantic City, the Rev. C. N. A. Pooley, acting rector, officiated.

BABY GIRL SUFFOCATED IN CRIB AT BRIDGEBORO

A three-months-old baby, Ella Jane Smith, daughter of Mr. and Mrs. Leonard Smith, of Bridgeboro, was found dead in her crib early last Friday.

SCOUTS AWARD MERIT BADGES

Last Note of Indebtedness Is Burned Before the Ceremonial Screen

A joint meeting was held last Friday night, of the Riverton Scouts, the Troop Committee, and the Parents Association of the Troop. William Shoemaker, Jr., chairman of the local Court of Honor, presided.

The troop fled into the auditorium of the Parish House under the command of the scoutmaster. The troop then named the twelve points in the scout law slowly and solemnly. At each point was named, an electric candle representing that point was turned on in the scout ceremonial screen which had been set up on the stage.

Three important ceremonies took place after the troop had been turned over to Mr. Shoemaker. First the note for the balance of the troop indebtedness was burned in front of the ceremonial screen; second, the final report on Riverton's share in the annual drive for funds to carry on the work of scouting in Burlington county was made by C. P. Mayfield, the local chairman; and third, a Court of Honor was held at which merit badges were awarded to several scouts.

Mr. Shoemaker made the announcement of the successful clearing up of the troop indebtedness. It will be remembered that, almost two years ago, five Riverton business men volunteered to endorse the note of the troop for \$400.00 to enable the scouts to properly fit up the troop headquarters. These gentlemen asked that their names should not be published.

The troop, as soon as the work on the meeting room was complete, set out to raise the money to clear off this loan. The money was raised by amateur theatrical performances; by a benefit concert from the Philadelphia Harmonica Band; and by voluntary contributions. Now, several months ahead of its final due date, the note is paid, and the troop is out of debt. The burning of the note was performed by the Eagle Scouts of the troop with due ceremony and jubilation.

Mr. Shoemaker then called on Mr. Mayfield to make his final report on the drive for county scout funds. Mr. Mayfield reported that the Advancement Committee, under the chairmanship of Stuart B. Clark, obtained fifty-eight contributions to the total of \$698.00 and the regular committee obtained one hundred ninety-four contributions to the total amount of \$440.59, making a grand total of \$1,138.59.

Mr. Mayfield reported that the Advancement Committee, under the chairmanship of Stuart B. Clark, obtained fifty-eight contributions to the total of \$698.00 and the regular committee obtained one hundred ninety-four contributions to the total amount of \$440.59, making a grand total of \$1,138.59.

Mr. Gilbert Coe then called attention to the work of Mr. Mayfield. He attributed most of the success of the campaign to the enthusiasm which Mr. Mayfield instilled into the workers. Mr. Howard Coe followed with a like tribute to the chairman of the Advancement Committee, Stuart B. Clark, who did a most excellent job even though his interest in the troop might not be expected to be as great as that of some other men, who had sons in the troop.

The Court of Honor ceremony was most impressive. Senior Patrol Leader, Henry Naisky received the merit badge for stamp collecting (which, incidentally, is the thirty-seventh merit badge awarded to this outstanding scout.) At the same time he was awarded a Silver Palm for his Eagle Scout Badge, the Silver Palm signifying the winning of fifteen merit badges over and above the twenty-one merit badges needed for the Eagle Scout award.

Scout "Nuts" Hunn received the merit badge for Woodworking; Scout Bert Shoemaker, merit badges for Firemanship and Cycling; Scout Gladney, merit badges for Swimming and Life-Saving.

There being no further matter for the Court of Honor to take up, the meeting was then declared adjourned by Mr. Shoemaker, the chairman.

NEEDLEWORK GUILD

The regular all-day sewing meeting of the Needlework Guild will be held in the Porch Club, Monday, April 11th. As the year's work is drawing to a close and there is still a great deal to be done it is hoped that everyone who can will come out and help.

As usual, luncheon will be served to those who come to sew at 25 cents each. Please notify Mrs. Hendrickson if you will be present.

Lieut. Zarkons of the Athens police committed suicide because of shame over the escape of three important prisoners.

Proclamation

Know All Men, Women and Children By These Presents:

That, Whereas, the Clean-Up and Paint-Up Week has become a national institution, resulting in many advantages to community life throughout the United States.

In safeguarding HEALTH;
In promoting THRIFT;
In furthering FIRE PREVENTION;
In stimulating CIVIC PRIDE; and
In making the HOME AND CITY BEAUTIFUL.

NOW, THEREFORE, Be it known that plans have been perfected in conjunction with the Riverton Civic Association for a thorough Clean-up and Paint-up campaign IN THE BOROUGH OF RIVERTON

BEGINNING APRIL 11

This date will mark the opening of a real campaign of persistent and constructive effort in cleaning up and KEEP-IT UP. In this worthy movement we urge each citizen to do his or her best part to make our community CLEAN, HEALTHY, THRIFTY, SAFE and BEAUTIFUL. The Mayor and Council will cooperate by having carted away, free of charge, all rubbish placed in boxes or barrels on the curb on

THURSDAY AND FRIDAY
April 14 and 15

No refuse will be carried from cellars or yards, and NO GARBAGE WILL BE TAKEN.

KILLAM E. BENNETT,
Mayor.

TALENT DAY AT SACRED HEART PTA

Many Interesting Things Have Been Planned for This Occasion

The Sacred Heart P. T. A. will have Talent Day on Thursday, April 14, at 2:30 in the school auditorium. Sister Clare Frances has arranged a children's program which I am sure will be enjoyed by all.

All kinds of goodies will be for sale, so come out everyone and take home your favorite home-made dish for dinner.

Anyone who would care to donate talent of any kind, may do so and it will be appreciated by the association. Mr. Arthur Haines will be very glad to call for anything that you would care to give. Just call Riverton 96.

PUBLICITY CHAIRMAN.

SACRED HEART PTA TO DEDICATE TREE

Mrs. Mary Walsh Kobus, Regional Director, Will Be Main Speaker

The Sacred Heart P. T. A. will dedicate a tree in honor of the 200th anniversary of the birth of George Washington, Sunday, April 10, at 2:30. A very large attendance is expected as this will also be "Fathers' Day."

Father's Day will be especially for the men of the parish to visit the classrooms and examine the work being done by the pupils. The Sisters will be there to meet the fathers and explain the work of the students.

Mrs. R. E. Sanford, president of the association, has arranged a very fine program.

Mrs. Mary Walsh Kobus, Regional Director of Camden District of the Trenton Diocese, will be the principal speaker.

At the conclusion of the meeting, refreshments will be served by Mrs. John Strohm and her committee.

REPORT ON WORK OF VISITING NURSES

Made 450 Calls Last Month and Gave Talk on First Aid in Public School

The Visiting Nurses made 450 calls last month, 392 of which were home visits and the remainder, social service. They examined 96 school children of which number 49 were given special attention.

In accordance with the new rules of the Red Cross Society, the nurses gave a talk on first aid to 34 children in the eighth grade of the Riverton public school.

The Biennial Conference on Visiting Nurses' Work will be held in San Antonio, Texas, in the near future and it is possible to do so, we plan to have our organization represented.

Committee.

ON ROAD TO RECOVERY

Mrs. Oscar A. Kahler, of 408 Thomas avenue, Riverton, who is in Cooper Hospital, Camden, as a result of injuries received on February 19, when she was struck by a car driven by Wilton P. Mount, of Palmyra, while crossing Broad street at Thomas avenue, is well on the road to recovery. Her injuries consisted of four breaks in one leg, two in the other, and several broken ribs. It was necessary to put both legs in plaster casts while the bones were knitting. A few days ago the cast was removed from one leg, and her other injuries seem to be healing nicely.

WIMER CAMPAIGN MAKES PROGRESS

Workers Render Favorable Reports at Committee Meeting Held Monday

Interest in the Wimer for Sheriff Campaign in Palmyra is growing by leaps and bounds. At the meeting of the committee held in Society Hall, Palmyra, Monday evening, members reported favorable progress on all sides.

Many new members were present and expressed themselves as being desirous of taking an active part in the campaign.

Chairman Walter D. Lamon called on members of the committee for reports, suggestions and criticisms.

One of those who voiced a most favorable opinion was James H. Hartley, borough assessor. Mr. Hartley, who is very well known in all sections of the county, has had the opportunity of hearing the thoughts of many persons in regard to the Wimer candidacy. Mr. Hartley said he thought Mr. Wimer's chances for the nomination were most favorable.

Following the regular committee meeting an executive session was held. Reports were heard on the activities in different sections of the county. Several of the members gave brief accounts of contacts they had made in other sections. Palmer L. Adams, one of the most active members of the committee, gave some very interesting highlights on his activities in Beverly, Burlington and Willingboro Township.

Mr. Adams, who has been making personal contacts in the county accompanied by Mr. Wimer, reports that things seem to be most favorable in those parts.

The next meeting of both the "Wimer for Sheriff Committee" and the executive board will be held at the call of the chair.

Any persons in Palmyra who have not been asked to join the committee are urged to do so. They are sufficiently interested in the campaign are invited to be present at the next meeting.

PORCH CLUB NOTES

The usual Tuesday meeting was opened with club business. After those matters were settled Miss Esther VanStyke was introduced. She was sent by the New York Herald Tribune Fresh Air Committee, and spoke briefly urging everyone who can to take a child from the tenement district for a short visit this summer. She said many little lives are saved in that way, and it is a great work.

The Governor of New Jersey has appointed next week as Conservation Week, stressing the protection of all flowers, trees, waterways and every thing in nature that is beautiful and useful.

The club members were also entertained very delightfully and instructively by Mrs. Meta P. Schirreffs, who gave an illustrated talk on "Fairies in Our Garden." She showed many pictures of butterflies and bugs and a few destructive but nearly all harmless insects. All very interesting in their habits. She said about four hundred thousand insects are classified, which is but about one-tenth of the number known of, but not classified.

There will be a Current Events Class next Tuesday, April 12, at 10 a. m., in the club house.

MRS. C. P. MAYFIELD BOARD PRESIDENT

Re-Elected Head of Riverton Board of Education; Mr. Cooper to Girard College

The Riverton Board of Education organized Monday evening by re-electing Mrs. C. P. Mayfield president. Ross E. Mattis was elected vice-president. Dr. Harry L. Rogers was re-appointed medical inspector; Miss Caroline Cook was reappointed attendance officer, and W. R. Dunn, D. D. S., was continued as school dentist.

It was decided to have the visiting nurses act as school nurses, this arrangement being subject to approval of the Visiting Nurse Committee. Salaries for the ensuing year will be as follows: Attendance officer, \$100; medical inspector, \$350 and district clerk, \$800.

The president announced the appointment of the following committees:

Educational—Richard D. Barclay, chairman; Mrs. Francis B. Elwell, S. L. Warren.

Business—Fred P. Hemphill, chairman; H. H. Murray, Hilton M. Smith.

Property—George D. Steele, chairman; Ross E. Mattis, H. H. Murray.

Attention was called to the fact that installation of electric lights in building No. 2, ordered at the last meeting, had not been made. George D. Steele, chairman of the property committee, could not explain the delay and was instructed to have the work done forthwith at a cost not to exceed \$40, the price submitted by the successful bidder.

Teachers Re-Elected

R. D. Barclay, chairman of the teachers' committee, recommended the re-election of the following teachers not under tenure and who had made application for the coming year: Miss Meribah Gardner, John E. Rank, Mrs. Grace Gillilan, Edward H. Griffith and Miss Julia H. Griscom.

By this re-election Miss Griscom and Mr. Griffith will be under tenure. Mr. Cooper, supervising principal, submitted his report, which was in part as follows:

Mr. Cooper's Report

"The work of the nurses in giving health instruction to our eighth grade continues very successfully. They have brought actual cases into the classroom to show how first aid has resulted in saving a person from permanent injury, and how carelessness has resulted in serious accidents. The nurses are presenting data which no health education teacher could readily secure."

"Several of the rooms are working on very interesting projects in connection with their social studies. They are based on what the group is studying and require some research into costumes and backgrounds."

"Each grade is doing something to help the work of the Riverton Civic Association, in addition to the writing of essays for the prizes offered. The majority of the rooms have bought shrubs or trees, and in some cases joined the association one hundred per cent. Many of the boys and girls seem interested in the project, and two rooms have gone to visit the planting already done, on their way to the post office."

"Mr. Richard Barclay brought a very interesting package of bees to school last week. His explanation of how they were shipped, their methods of feeding, and the function of the queen bee, etc., were very illuminating and contributed much to the nature study work of the classes."

"I have asked Dr. Joseph M. Jamieson, vice president of Girard College to give our commencement address this year. He is a well known educator and may do it gratis, although I should like to offer him the usual remuneration of \$25.00 and expenses, given by the board in the past."

LEGION DRIVE FOR WELFARE UNDER WAY

Every person in Palmyra is asked to donate to the full extent of their ability in the drive being made by the members of Post Frederick M. Rodgers, Palmyra, for the benefit of the Palmyra Borough Welfare Association.

Fifteen cents per week has been set as a possible figure but anyone desiring to give more may be sure that the money will be used to the best possible advantage.

The Boy Scouts of Troops No. 1 and No. 2 turned out on Monday and delivered the first envelopes, which will be collected on Friday or Saturday.

Some portions of the town have not yet been assigned to give collectors, but it is expected that these sections will be covered before Saturday.

Reports of the first week's collections will be printed in this paper next week.

Help the local Welfare to continue its good work.

DELINQUENT TAXES

Officer William Gootee, delinquent personal tax collector for the Borough of Riverton, will start collecting delinquent personal tax bills this week. The law provides that inability on the part of delinquents to pay authorizes the collector to commit them to the county jail until settlement is made.

Signed:
WILLIAM O. GOOTEE.

EVENING OF MUSIC

The Music Department of the Palmyra Woman's Club is presenting an evening of music in the Epworth M. E. Church, Palmyra, on Thursday evening of next week.

As this is an open meeting there will be no charge of admission and the public is most cordially invited to attend.

There will be piano and organ duos, as well as piano and organ solos. Mrs. George M. Becker will be the guest soloist of the evening, playing a Beethoven sonata.

There will be vocal solos, duets and ensemble numbers.

The committee sincerely hopes that the club members will attend and bring their friends.

Mrs. Raymond D. Lamont

Mrs. E. Elizabeth Lamont, 22 years old, wife of Raymond D. Lamont, of Palmyra, died in the Pennsylvania Hospital, Philadelphia, Friday morning of last week.

Funeral services were held Monday afternoon at two o'clock at the Snow Funeral Home with the Rev. George Lockett, pastor of the Central Baptist Church, Palmyra, officiating. Interment was made in Morgan Cemetery under the direction of Frank A. Snow.

Besides her husband Mrs. Lamont is survived by an infant daughter, Eleanor Elizabeth, who is fourteen days old. She is also survived by her parents, Albert and Mary E. Rush, three sisters, Mrs. Clinton Gibson, Miss Eleanor Rush and Mrs. Molly Houck, and two brothers, Louis and Ferman Rush.

Mrs. Lamont was a popular member of Palmyra's younger set.

SUMMERVILLE, PITTS, NEW STARRING TEAM

Famous Comedy Pair Appear in "The Unexpected Father"

The Broadway Theatre, Palmyra, will show Universal's enthusiastically heralded "The Unexpected Father" this Friday evening.

The film, co-starring Slim Summerville and Zasu Pitts for the first time, concerns the embarrassing situation of a newly-rich bachelor who finds a strange young lady of four years calling him "daddy", and quite adamant about it.

The child, played by Hollywood's newest kid star, Cora Sue Collins, plays havoc with the scheduled marriage of the bachelor to a scheming gold-digger, while a nurse from the dog hospital, Miss Pitts, is recruited, quite by mistake, by the millionaire to quell the confusion.

Dale VanEvery wrote the screen story and Max Lief and Robert Keith added the dialogue. Thornton Freeland, who filmed "Whoopee" directed. Dorothy Christy plays the gold-digger, and Claude Allister, Allison Skipworth, Grace Hampton, Tyrell Davis, Tom O'Brien and Richard Cramer complete the cast.

MOTHERS OF GIRL SCOUTS ORGANIZE

Mrs. S. S. Lippincott Is Selected As Head of Group

Many mothers of Girl Scouts in Palmyra attended the organization meeting held at the home of Mrs. Horace Ross, 813 Washington avenue, Palmyra, on Wednesday evening last week.

The following officers were elected to serve for the ensuing year: Mrs. S. S. Lippincott, president; Mrs. William Nash, vice president; Mrs. Benetrice H. Mervine, secretary, and Mrs. Horace Ross, treasurer.

Following the selection of the executive body a business meeting was held. It was decided to hold a cake sale in the near future. The proceeds from the sale will be used to help send girls to camp.

The next meeting of this group of mothers will be held Wednesday, April 13, at eight o'clock, at the home of Mrs. Ross.

All Girl Scout mothers in the town are asked to make a special effort to be present at that time.

The Girl Scout camp opens on Friday, August 12. The charge for a two weeks' stay there is \$15.00.

Mothers who are desirous of sending their girls are asked to make reservations as quickly as possible. Call Riverton 533-R for further information.

Riverton School Notes

Miss Evald's class has become absorbed in making costumes and scenery for an Indian play. They are hoping to give the play soon. Many of the costumes are made of burlap bags, with Indian designs crayoned on them. Each child has given himself an Indian name.

A short time ago the children went for a nature walk in the woods. They enjoyed themselves greatly and discovered some valuable facts about nature.

Miss Evald received a letter from the "All Saints' Convent," in Catonsville, Maryland, thanking the children for the dolls which they sent them. They are planning to send some more after their play is finished.

The third and fourth grades are working on a frieze about the "Seven Little Sisters." They are also making another frieze about the homes of the "Seven Little Sisters." They have tried to improve their English and arithmetic, and also made a definite improvement in spelling this past month.

The sixth grade girls have been studying and preparing fruits and cereals, suitable for breakfast. Soups, vegetables, and muffins have been cooked by the seventh grade. Creamed and scalloped vegetables, as well as sauces and a variation of baking powder biscuits and orange biscuits, were all enjoyed by the girls of the eighth grade.

The most recent event of the English classes in the upper grades is the short story project, in which each child composed his story, conferred with the teacher and then rewrote it, illustrated it, or else made an attractive cover.

Both the seventh and eighth grades have had a series of debates. The teams became enthusiastic, both at the time they were getting points, and when the debate was scheduled. Judges were appointed to make the decision.

Both classes have tried extemporaneous speaking as well as prepared oral talks. Several of these talks will be chosen to be given in assembly during April. Four plays or sketches have been prepared for the assembly programs this past month.

Improvement of spelling and encouragement of more home reading, and a better choice of books is stressed in the eighth grade. Each month the school paper is the definite English goal for pupils of the eighth grade. All of the pupils have had an opportunity to be a reporter or to write stories or poems for the paper.

AUXILIARY TO MEET

Charles E. Scott, for twenty-six years secretary of the Boys' Work Committee of the State of New Jersey, will be the guest speaker at the meeting of the Woman's Auxiliary of the Palmyra-Riverton Y.M.C.A. at the home of Mrs. Nathan Lane, 205 Highway, Riverton, Wednesday of next week.

Luncheon will be served the members at noon. This will be followed by a discussion on "Boys' Work in a Community."

SARGENT DIES AT PENNA. HOME

Business Man and Genealogist, Father of Councilman Sargent, Noted for Activities

Winthrop Sargent, well known business man and genealogist, and member of an old New England family, who died on March 29 at his home in Haverford, Pa., was the father of Councilman Gorham P. Sargent, of Riverton. He was 78 years of age.

Mr. Sargent was a descendant of the Sargent family which settled in Gloucester, Mass., about 1650. He was a cousin of the late John Singer Sargent, noted portrait painter, and of the late Prof. Charles Sprague Sargent, head of the Arnold Arboretum at Boston.

Mr. Sargent was associated with the Pennsylvania Railroad from 1873 to 1888. He was one of the founders of the Patterson Sargent Paint Company of Cleveland, helped to organize the Pennsylvania Glass Sand Company and was at the time of his death a director of the Giant Portland Cement Company, DeLong Hook and Eye Company, Avonmore Coal and Coke Company and other organizations.

He was a member of the Union League for forty-nine years and for forty years a member of the Merion Cricket Club. He was a member of the Historical Society of Pennsylvania, the Old Plymouth Colony Descendants, the Archeological and Historical Society of Ohio and the Society of Genealogists of London.

He was the author of "Early Sargents of New England" and other genealogical writings and organized the Sargent Murray Gilman Hough Association at Gloucester to preserve the home of his great-grandfather, Winthrop Sargent, built before the Revolution.

Mr. Sargent was a son of the late Dr. Winthrop Sargent and Elizabeth Tunis Brown Sargent, of Philadelphia.

He was in 1911 selected by Governor Tener as chairman of a special committee to study the chestnut tree blight in Pennsylvania.

His wife, Mrs. Emma Worcester Sargent, four sons, Winthrop, Jr., of Ardmore, who a week ago purchased the forty-one mile line of the Maryland and Delaware Coast Railway Company for \$26,000, and Samuel Worcester Sargent, of Philadelphia, and William Sargent, of Mahwah, N. J., survive. The funeral was at 2 p. m. March 31 from the home. Burial was private in the churchyard of Old St. David's Church, at St. David's.

P. S. INSTALLS NEW GENERATOR

Steam at 730-Pound Pressure Used in New Boiler at Burlington

The first high-pressure boiler and turbine-generator to be installed in the Public Service electric system has just been put into commercial operation at Burlington generating station following a period of preliminary tests. The steam generating unit and the turbine generator are the first equipment in this country to employ steam at the high pressure of 730 pounds per square inch and at a temperature of 860 degrees Fahrenheit.

The new high-pressure exhaust turbine-generator has a capacity of 16,000 kilowatts and operates at 3,600 revolutions per minute. This is the first turbine-generator of its size to run at such a high speed.

The new high-pressure boiler, which is fired with pulverized coal, is more than 100 feet in height and has already produced under test more than one-half million pounds of steam per hour. The boiler has a greater capacity than the combined output of the ten boilers now installed in the station, all of which have been shut down since the new unit was put into service. These boilers will be kept in reserve for emergency use.

A feature of the station's design is the manner in which the high-pressure steam is utilized at lower pressure to operate the three other turbines in the station, resulting in improved station efficiency.

As a result of the new installation the generating capacity of Burlington station has been increased from 25,000 to 53,000 kilowatts.

WOMAN'S CLUB WILL VISIT PHILA. DAIRY

The regular business meeting of the Palmyra Woman's Club was held at the club room, Society Hall, Monday afternoon.

The business meeting, which was a long and important one, was interspersed at one time by the singing of two duets by Mrs. William Miller and Mrs. Charles Weikel and later by two recitations given by little Miss Carol Bauer in a highly pleasing and professional manner.

The club is very grateful to Miss Carol for entertaining them so nicely. The next meeting, April 18, will be in charge of the garden department, further details of which will appear in this issue later.

The trip to the Supplee-Willis-Jones Dairy has been postponed until June 8.

TOMORROW IS DONATION DAY

Welfare Association Asks for Help From All Persons in Palmyra

The Palmyra Borough Welfare Association will hold its second big donation day on the Winter porch, 15 East Broad street, Palmyra, tomorrow. The first donation day was held by the association about a month ago and the response of the townspeople at that time was very gratifying.

Each and every person in Palmyra is asked to do his or her part in contributing to tomorrow's "Donation Day." Each school child and individual is asked to take an active part and to do something toward making the day a success.

At this time the organization is especially in need of food and money, although clothing will be very acceptable.

Contributions may be left at 15 East Broad street any time during the day. The following contributions are gratefully acknowledged by the association:

Previously acknowledged \$1,953.91
Eberhard Boitz 12.50
Palmyra Teachers 60.50
Truitt 50
Leo Wallace 2.00
Woman's Club 18.25

Total \$2,047.67
The second big donation day will be held tomorrow. Will You Do Your Part?

GIRL SCOUTS ENJOY HIKE TO MAPLE SHADE

Eleven Palmyra Girl Scouts and their captain enjoyed a very pleasant hike to Maple Shade on Tuesday, March 29.

Mrs. Horace Ross, the captain, accompanied the following girls: Marcia Durgin, Mary Carson, Bertha Hansen, Helen Friberg, Dorothy Mays, Mary Kirkpatrick, Jane Ott, Marjorie Nace, Yvette Nash, Grace Billard and Margaret Mount.

The members of the troop lunched in Maple Shade, returning home at 3 o'clock. On their return they toasted marshmallows and enjoyed hot chocolate at Mrs. Ross' home.

POLICE SURGEON ON "FIRST AID"

Dr. Hancock Will Talk to Boy Scouts Friday Evening: Public Invited

Through the efforts of Dr. J. Roland Dey, troop physician, an event of genuine importance to every resident of Riverton will take place this Friday evening, April 8, in the Parish House of Christ Church when, under the auspices of the Riverton troop, Boy Scouts of America, Dr. Frank B. Hancock will deliver a most interesting talk on "First Aid."

Few men are so well qualified to talk on first aid as Dr. Hancock. He saw action in Cuban water with the U. S. Navy during the Spanish-American War and was associated with the Surgeon-General's office of the Army during the World War.

Dr. Hancock was, until recently, senior surgeon of the Philadelphia fire and police departments and in his twenty-seven years of experience attended practically every three alarm fire in Philadelphia. He is known to almost every policeman and fireman in Philadelphia and has contributed several innovations in first aid work which have proved of great value on many occasions.

In addition to these duties, Dr. Hancock was surgeon for the University of Pennsylvania football teams for

PALMYRA COUPLE WED 45 YEARS

Mr. and Mrs. George J. Seel Guests of Honor at Reception

Mr. and Mrs. George J. Seel were tendered a surprise reception at their home on Cinnaminson avenue, Palmyra, Wednesday evening of last week in honor of their forty-fifth wedding anniversary.

Mr. and Mrs. Seel, who are both very well known in Palmyra, were married at the home of Mr. and Mrs. David R. Vandersmith, who made their home on Horace avenue at that time.

Guests were present at the reception from Palmyra, Germantown, Lansdowne, Llanerch, Upper Darby and Atlantic City.

Mr. and Mrs. Seel were the recipients of many lovely gifts. The floral decorations for the event were charming.

Among the gifts received by the couple was a unique cake, a clever reproduction of a Western Union telegram in cake and icing, which was made by John Seel, of Atlantic City.

Mr. and Mrs. Seel have seven children: George J. Seel, of Maplewood, N. J.; Joseph G. Seel, of Palmyra; Clifton S. Seel, of East Orange; Mrs. R. Horace Guldin, Mrs. C. W. Rudolph and the Misses Adaline and Virginia Seel, all of Palmyra.

MRS. LITTLE WILL ADDRESS PALMYRA P. T. ASSOCIATION

State President to be Principal Speaker at Meeting on April 19

MISS HELEN JOHNSON WILL GIVE READINGS

Child Study Group in Charge of Mrs. Ira S. Pimm

Mrs. William F. Little, of Rahway, state president of the New Jersey Congress of Parents and Teachers, will be the principal speaker at the meeting of the Palmyra Parent-Teacher Association to be held in the Palmyra High School Auditorium Tuesday evening, April 19, at eight o'clock.

Mrs. Little is noted for her ability as a speaker and all those who have heard her on previous occasions will not want to miss this opportunity to hear her again. She has spent a great deal of her time and effort for many years in the interest of P.T.A.s and the education of children in the state of New Jersey.

John Pasquale, a member of the Philadelphia Operatic Society, will render several of his charming vocal selections. Mr. Pasquale has appeared on several programs given in Palmyra during the past few years and is very popular with the music lovers in this section.

Miss D. Helene Johnson, a Palmyra girl, who is known for her dramatic ability, will give several readings, which are sure to delight her audience. Miss Johnson is very well known in Palmyra, having taken part in and coached so many of the most popular plays.

The members of the association will hold a dedication service at the meeting, at which time they will dedicate the tree which was planted by them near the school on Spring Garden street, recently. The planting of the tree is a part of the George Washington Bi-Centennial celebration which is being observed throughout the United States.

The child study group will precede the regular meeting and will be conducted by Mrs. Ira S. Pimm. The topic of the meeting will be "Finding a Job."

All parents are cordially invited to attend this meeting and listen to this interesting discussion.

Y. M. C. A. BRIEFS

Hobby Clubs

The Y. as a part of its Spring boys' program will start this week a series of Hobby Clubs that will meet after noon and evenings under capable leadership in their field. Boxing groups will start Thursday, this afternoon, at the Y. under the leadership of Dillon Fay. Model aeroplane construction will start Friday afternoon with Joe Roberts in charge. Archery group will meet at 9:30 on Saturday morning with Secretary Wilton E. Mount in charge. Any boy that desires to join these groups may do so if he already is a Y. group member, or holding a membership card. Any fellow that is not a member of the Y. may secure his card at the office.

Boxing Group

This group will meet at 4:00 today for boys 10 to 12 inclusive and from 4:30 on for fellows over 12. If there are boys of unusual size or weight, regardless of age necessary adjustments will be made to take care of them. Dillon Fay, member of the

Palmyra High School football team and boxing squad will be the present leader and instructor. If you have your own set of mitts at home bring them with you. Each group will be limited at present to 10 members. A tournament will be held at the closing session this spring under proper supervision. Secretary W. E. Mount will be at the building during the boxing instruction and the gym area will be reserved for the group.

County Swim

Palmyra-Riverton boys will again have a chance to swim in the Moorestown Community House pool on Tuesday night, April 12, from 7 until 9 p. m. The usual charge of 10 cents will be made if you are a Y. member and a charge of 20 cents if you do not hold a membership card. Cars will leave the Y. at 6:40 to take the fellows over. Any fellow that is not registered will not go under any circumstances. Registration closes Monday, April 11, at 5 p. m. This will be the last county swim this season. Remember, fellows, the pool is all fixed up and a great time will be had that night.

Stamp Club

So many fellows have been talking stamps for the past few months that another Hobby Club will be formed of the stamp collectors. This group, in order to accommodate the leader, Stanley F. Black, will have to meet in the evening. Associated with Mr. Black will be Mr. Haley and his sons, who have also secured a fine collection of the postage markers. This group will be governed by the same rules as the other Hobby Clubs.

Trip To Rutgers

All H-Y fellows over the state are invited to be the guests of Rutgers University on Saturday, April 30. The feature of the trip in addition to the view of the college campus will be a varsity lacrosse game. Members of the H-Y that desire to go will get in touch with the chairman of that committee in your regular group. High school fellows holding a Y. membership card also will be welcome.

Boys' Conference

Palmyra-Riverton delegates returned from the Employed Boys' Conference after a very wonderful afternoon and evening at the Assembly chamber in the State House at Trenton. The local delegates were fortunate to be in the chamber proper at the desks of various lower house members. Senator A. C. Reeves, president of the Senate, also president of the Mercer County Y., welcomed the boys.

All will remember the session in the governor's chamber and the words of wisdom that he gave the group on the "Opportunities of Citizenship." Following his short speech every delegate had the privilege of meeting the chief executive of the state and his wife.

The closing session was held in the Hotel Hildebrecht after a fine banquet of eats and fellowship. Secretary Wilton E. Mount, Harry Clover and Jefferson Edwards were the local delegates.

CO. BIBLE CLASSES WILL MEET SUNDAY

The Burlington County Federation of Men's Bible Classes will meet in the Riverside M. E. Church on Sunday afternoon at 2:45 o'clock.

Dr. A. M. Doherty, of Philadelphia, who is the field man of the Board of Home Missions and Church Extension of the Methodist Church in charge of the department of rural work, will be the speaker.

At this meeting a nominating committee will be appointed to nominate officers for next year. The election of same will take place at the May meeting to be held in the Mount Holly Methodist Church, Sunday, May 8.

The Burlington County Federation has been honored by having George N. Wimer, the county president, chosen as one of the executive vice presidents of the state federation.

First Lutheran

Rev. Harold L. Creager, Pastor

Life always has its difficulties and problems, and sometimes they are quite baffling. Some of the unescapable questions confronting us can never be answered fully. But God's Word helps us to see at least part of the answer. Next Sunday morning we will seek at least part of His message on "The Problem of Undesired Suffering." In the evening the sermon theme will be "The Peril of Privilege."

Tomorrow evening a Congregational Social will be held in the church basement, in honor of the new members received during the two years of the present pastorate. An interesting program, with inspiration, fellowship, and fun, is arranged; light refreshments will be served.

CHRISTIAN SCIENCE

"ARE SIN, DISEASE, AND DEATH REAL?" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, April 10, 1932.

The Golden Text is: "He that is our God is the God of salvation; and unto God the Lord belong the issues from death." (Psalms 68:20).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Search me, O God, and know my heart; try me, and know my thoughts; and see if there be any wicked way in me, and lead me in the way everlasting." (Psalms 139:23, 24).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Let Truth uncover and destroy error in God's own way, and let human justice pattern the divine" (p. 542).

"ARSENE LUPIN" AT WHITMAN THEATRE

What is believed to be an event of unusual cinema importance is the opening Sunday at the Walt Whitman Theatre of "Arsene Lupin," which makes the first appearance together of the two celebrated Barrymore brothers, John and Lionel.

The picture, based on the famous stage success, depicts the entertaining career of a debonair master thief who is trailed by an implacable detective through the gay salons of Paris with interesting details of the Apache underworld thrown in for good measure.

John Barrymore plays the thief and his brother, Lionel, the detective. Karen Morley, John Miljan and Tully Marshall also have important roles. "Arsene Lupin" is a new kind of mystery drama with as many laughs

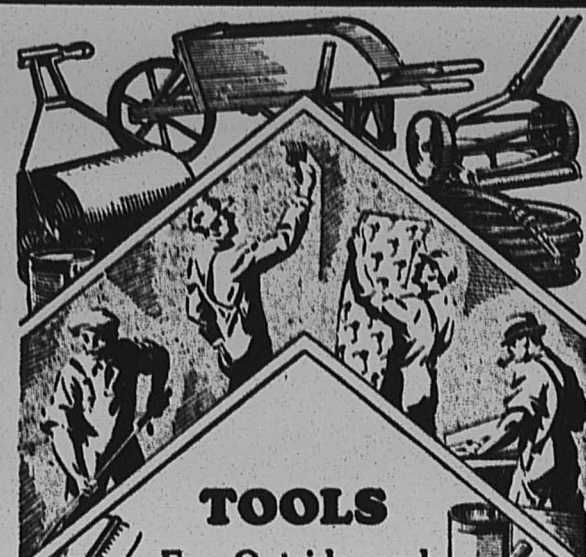

as thrills and is sure to bring the best in acting with the two Barrymores taking the leading roles.

WHERE RELIEF GOES

It was generally supposed that operations of the Farm Board and agencies set up under supervision were intended to afford relief to distressed farmers, suffering from low prices due to overproduction of crops.

Among the means to be employed to this end was the formation of strong cooperative marketing organizations backed by government funds. These were supposed to eliminate the middleman

and give the farmer a larger percentage of the value of the crops.

Now what really happened? A large number of officials were employed at princely salaries. The head of the cotton marketing organization receives \$75,000 a year, the same as the President of the United States. The official in charge of grain operations receives \$50,000, while two vice-presidents receive \$32,000 and \$25,000 and the treasurer \$30,000. Other salaries run into big figures which must contribute very effectively to the "relief" of those who hold the fat jobs.

What makes the situation all the more scandalous is that practically all of these officials are drawing salaries many times larger than they ever received before. According to Senator Gore of Oklahoma, the \$75,000 official formerly received only \$12,000, while the \$50,000 one never received more than \$10,000.

It looks as if the Farm Board, in its effort to get rid of the middleman, has gotten hold of something more expensive. One thing seems certain, and that is that the only persons who have obtained any relief from its operations are the ones on the payroll. For with all these high priced experts on the job the price of farm products sank to the lowest point in 50 years, although hundreds of millions of taxpayers' money was lost in trying to overcome the old and immutable law of supply and demand.

REPORT OF HOME AT CINNAMINSON

Efficiency of Administration Maintained Despite Economic Stresses, Reduced Income

The annual report of the Board of Managers of the Cinnaminson Home was very gratifying to those in charge, in spite of the economic stresses. Receipts from donations and board received from guests have shown considerable reduction. However, due to the lowered food costs and very economical administration of an interested staff, the efficiency of the home has been maintained as before.

During the year the home cared for three hundred and thirty-two adult and fifty-eight infant guests. An increasing number of patients from Palmyra, Riverton, Moorestown and Camden have been received and more patients have been referred from the Burlington County Hospital, for convalescing care. The place of the home as a connecting link between the hospital and the patient's home has been demonstrated repeatedly. Patients well enough to leave their beds and yet not well enough for actual work are afforded comfortable, cheerful atmosphere and plenty of wholesome food. The report of the diet committee shows instances of five to ten pounds gain in weight.

To quote from the managers' report: "The work of the home has not always ended with the two weeks' visit of the patients. Two elderly women extended their stay over several months until other arrangements could be made for them. It has been through friends of the home that positions were found for seven departing guests, in spite of the existing unemployment condition. One family of four was reunited when employment was found for a husband and wife in a home where their two children were also made welcome. The father, a war veteran, had despaired of keeping the family together until this opportunity was afforded."

The managers are grateful to all who in any way have contributed to the work of the home. The schools of the neighborhood have presented generous Thanksgiving donations. The annual fee and honor roll receipts were as large as usual and interested friends have contributed their support in the past. Cognizant of the increasing need for and the ever widening scope of activity of the home, the managers are looking forward to their annual fee and honor roll receipts plans to insure the success of the affair. The date set is Saturday, May 14.

TENNIS GROUP IS ORGANIZED

Ten Business Men Off to Early Start to Promote Activity in Popular Sport

A group of ten men from in and about Riverton have organized a tennis club and started work on the construction of a court at 708 Main street, Riverton. This group of enthusiastic tennis players patronized the municipal court in Memorial Park last season, which served to revive their interest in the game. The group being composed of men whose days are spent in following one business or another, believed that more time could be given to the sport if it had a private court. The immense popularity of the municipal court last year often made it difficult for the business men to get in their game of tennis, due to the waiting list.

The new group is looking forward to an enjoyable season and hopes that the municipal courts will develop the fine spirit it showed last year among the players, and that another tournament will be held.

The Riverton Country Club, too, has succumbed to the tennis germ and is planning a brilliant season with reconditioned courts. It is hinted that matches might be obtained with that group at a later date.

With Riverton showing a three-cornered tennis interest the possibilities of spirited competition loom great. Perhaps it will not be long before Riverton develops some tennis talent which might lead to a town team competing in the South Jersey matches.

Those who comprise the newly organized tennis group are: E. N. Cooper, J. H. Shockey, John L. Metzgar, William Johnson and Karl W. Latch, Riverton; George H. Lathbury, East Riverton; Frederick W. Metzger, Palmyra; R. E. Blauffer, Palmyra; William Stevens, Beverly; and John E. Rank, of Frankford, Pa.

Ganson and Eustace, Giants of Mat Game, Headliners on Grip's Attractive Card at Camden Convention Hall Monday Night

The lightheavies have held enviable sway in Camden mat circles for several weeks, even months, but now their reign as top match attractions is about to suffer an eclipse, for two of the heaviest of the heavies have been signed to fight it out in the feature spot of Promoter Grip's weekly mat fest in Camden's Convention Hall.

These two goliaths are Alan Eustace, the Kansas box constrictor, and Jack Ganson, the Chicago Lith. Jack tips the Fairbanks at around 215—the ferret-faced one from the wheat field area will have five pounds or so even on that figure. They meet in a 45-minute fuss two weeks ago, which started out like a wrestling match and wound up like two relatives discussing a will. Bob Jones called it for Eustace, but what the fans called Bobbie is something else, again. At any rate, Monday will see these two behemoths settling their little differences over the ninety-minute route, best two out of three falls to win.

A strong supporting card has been arranged, featuring a man long known as one of the toughest of the tough "uns in the game, and long demanded by Camden fans. He is Joe Malier, the 200-pound Ulster panther, of Polish persuasion. He meets the Boston sensation, 205-pound Bob Wilkie, in the 45 minutes semi-final, one fall to win.

Two other real stars of the game tangle in the 30-minute second bout with Lee Wykor, Wyoming grappler, and Jack Sherry, Ohio Jew and

another of the really dangerous men in the game, coming to grips. Each man weighs 220 pound, each is plenty tough and capable of caring for himself in the rough business, too, so there will be no danger of any fans going to sleep while these two boys are getting acquainted. Two lightheavies, the old favorite, Speedy Schaeffer, of Toledo and Greek Frank Plato, complete the card, appearing in the half-hour curtain raiser.

P. T. A. CONDUCTS ROUND-UP WORK

Association Praises Fine Work of Dr. H. W. Bauer, School Physician

May 1 has been officially designated as "National Child Health Day".

It should bring before the people generally an idea of the great importance of health in relation to every phase of existence.

At the present time the Parent-Teacher Association is sponsoring the movement of having all young children, who will enter school in September, given a physical examination.

In Palmyra these examinations are being conducted on Friday afternoons at three o'clock in the Delaware avenue school, during the month of April, by Dr. H. W. Bauer.

It is hoped that by May 1, all parents will have attended this duty, and that the Summer Round-up Committee will have the name of every child recorded as having been examined.

If parents prefer having their family physician give their children the examination, will they please send a statement that this has been done to the P. T. A. Summer Round-up chairman.

It is the aim of the committee to be able to report to national headquarters that 100 per cent of the children who will enter school have been examined.

Dr. Bauer has very generously given his time to this work each year since the

RIVERTON C. A. ENLARGES PLANS

Cooperating With Welfare Association for Flower, and Vegetable Gardens

With some two hundred and fifty members on its lists and contributions still coming in from all sides, the Riverton Civic Association is making ambitious plans for the extension of its activities.

Last week a sub-committee of the R.C.A. Landscape Committee, under the chairmanship of Mrs. C. L. Beach, met with Mrs. Murray C. Boyer and Mrs. N. E. Cooper, representing the local Welfare Association, to bring the two organizations into closer coordination. Out of that meeting grew a splendidly constructive program not only for the extension of civic beautification, but for the practical benefit of all among Riverton's citizens who desire to help themselves over the hard times which may still be ahead.

All Can Help—All May Benefit

The plan formulated by the committee is, briefly, one of redistribution. Anyone who has surplus garden stock or landscaping materials of any sort, is asked to share their over-supply with those who have none.

This is the season when garden stocks of all kinds must be taken up, divided—and some of it, because every garden has its physical limitations, discarded. Looking at it from the most selfish viewpoint in the world, your garden will be inevitably benefited by a thorough "thinning out." But looking at it socially, think what the gift of the unwanted surplus from your garden may mean to someone who must go gardenless unless you share with him!

Don't Throw Away Over-Stock

Indeed, when you've decided just what you are going to thin out this spring, notify Mrs. C. L. Beach, of 300 Main street, and she will see that it is passed on where it will do the most good, give the greatest joy. In order that this work may be carried on systematically, contributions should be tagged as to variety, height, color, etc.

In addition, the Committee also asks citizens having available idle land to lend same for the cultivation of vegetables by and for Riverton's needy. This will not only greatly help the local Welfare Association in the solution of its problems of relief, but it will put under slightly cultivation and care tracts of ground that might otherwise run to weeds and rubbish. The R.C.A. will supply vegetable seeds and planting plans.

Anyone wishing to avail themselves of this opportunity to raise vegetables for their own and their family's needs, or who can advantageously utilize seeds and surplus garden stocks of any kind on their own premises, may notify Mrs. N. E. Cooper, 200 Main street.

Grass Seeds and Plants Received

The Committee is already in receipt of generous contributions of seeds and plants, so that there is every indication that this new movement will prove not only popular but practical. Everyone who has a garden is a potential contributor—everyone who has a home is eligible for a share of whatever contributions they can use. If you have anything to give—land, plants, seeds—notify Mrs. Beach. If you wish to receive, notify Mrs. Cooper.

In connection with these activities, it is planned to hold a Show of Garden Flowers and Vegetables in the Fall, when suitable prizes will be awarded—but more of that later.

Now the big thing is—JOIN the R.C.A. and get in on this splendid work. The dues are nominal—50 cents for adults and 5 cents for children under 14 years.

Press Chairman.

TREE DEDICATION BY SACRED HEART P.T.A.

Impressive Ceremonies at Planting of Tree in Honor of 200th Anniversary of Washington's Birth

The Sacred Heart Parish Parent and Teacher Association dedicated an American elm tree in honor of the 200th anniversary of the birth of George Washington on Sunday afternoon, April 10th.

The impressive ceremony was attended by a group of citizens of the boroughs of Palmyra and Riverton. The dedication of the tree was made by Mrs. R. E. Sanford, president of the association.

Speeches were made by the Rev. Joseph A. Rigney, pastor of the Sacred Heart Parish, and Mrs. Mary Walsh Kobus, regional director of the Catholic P.T.A. of the diocese of Trenton.

The Sacred Heart P.T.A. has enrolled their organization in the "National Honor Roll" of the "American Tree Association," at Washington, D. C.

The Bi-Centennial certificate received will be framed and hung in the auditorium of the school.

ENGAGED

Mr. and Mrs. J. M. Graham, of 400 Leocoy avenue, Palmyra, announce the engagement of their daughter, Miss Lillian M., to George F. Zimmerman, Jr., of Stonehurst, Pa. No date has been set for the wedding.

TO HEAD DELEGATION

EM. SIR HERBERT DINGES Who will take delegation to Atlantic City, May 21, to meet national head of the Knights Templar in the United States.

KNIGHT TEMPLAR HEAD TO VISIT N. J.

Em. Sir Herbert Dinges Will Head Big Delegation at Atlantic City, May 21

The Knights Templar of the State of New Jersey are looking forward with great delight to the coming of the national head of the Templar Order in the United States, Most Excellent Grand Master Perry Winslow Weidner, who will visit the New Jersey Templars on May 21st.

Grand Master Weidner lives in Los Angeles, California; hence he will cross the continent to accept the invitation extended him by C. Byron Lear, Grand Commander of the Knights Templar of New Jersey.

His reception will take place in the auditorium of Masonic Temple in Atlantic City on Saturday evening, May 21st, at eight o'clock. During the visitor's stay at the seashore resort he will be quartered at Hotel Haddon Hall, as will the officers of the Grand Commandery of New Jersey.

Em. Sir Herbert Dinges, of Helena Commandery No. 3, stationed in Burlington is planning with his officers and a delegation of Sir Knights to attend this important Templar event, as it has been many years since New Jersey has had the opportunity of welcoming the Grand Master. Those Knights of Helena Commandery interested in accompanying their Commander should communicate with him at once.

FATHERS' DAY AT SACRED HEART P.T.A.

Father's day was held at the Sacred Heart Parochial School on Sunday afternoon, April 10th.

Notwithstanding the inclement weather over one hundred mothers and fathers attended the exercises held in the school auditorium and also visited the school rooms at the close of the ceremonies to examine the work done by the students.

The exercises of the afternoon were enjoyed by all those who attended. The one-act sketch, "Midnight Fantasy," given by the school children under the direction of Sister Patricia Ann was thoroughly enjoyed by all.

Miss Mary Steedle rendered two beautiful soprano solos accompanied by Mrs. Rex McCrosson at the piano.

A very interesting and instructive address was made by Mrs. Mary Walsh Kobus.

The attendance prize, a book, was given the room having the largest number of fathers present. This was won by Sister Margaret of Costanza's room.

At the close of the afternoon's festivities refreshments were served by Mrs. John Strohlein and her committee.

PORCH CLUB

The annual Charter Luncheon will be held on Tuesday, April 19, at one o'clock.

Mrs. M. Caswell Heine will be the guest speaker. Mrs. Heine lives in Maplewood, New Jersey, and is president of our State Federation of Women's Clubs. She is a delightful speaker and it is a great honor for us to have her as our guest.

Members are asked to notify Mrs. Howard Coe before Monday, April 18.

CO. MONEY FOR ROADS HELD UP

State Highway Commission Awaits Action of Governor and Legislature

The Burlington County Board of Freeholders will either have to withhold payment of a lot of road bills, or dig around and find \$14,000 somewhere according to the following letter from the State Highway Commission read at the meeting of the Board last Friday.

Board of Freeholders, Burlington County, Mount Holly, N. J.

Relative to the payment of money now due Burlington County for performance of work under Chapter 10, PL 1919, the Commission has agreed that it will not take any action to obligate or pay any highway money until a determination is reached by the Governor and Legislature relative to the disposition of the funds.

We must, therefore, advise you that we are unable to pass to you the payment now due Burlington County until a determination is reached as above.

A. LEE GROVER, Secretary.

A resolution by Charles R. Stout was passed, giving the Public Service permission to make eleven openings in Crosswicks street, Bordentown. It is desired to lay gas pipes before the street is paved.

Another resolution by Mr. Stout granted permission to erect one pole on the Mount Holly road near Sunset road in Burlington township.

The following department bills were ordered paid: Finance, \$1,170.79; roads, \$7,169.84; bridges, \$2,597.29; public buildings, \$14,473.67; public affairs, \$13,784.12.

PARENTS' NIGHT AT RIVERTON P.T.A.

Special Program Prepared for Both Fathers and Mothers on April 18

Today is April fourteenth. Only four days left until April eighteenth! What is the eighteenth? Why Parents' Night at Riverton P.T.A. What is Parents' Night? Well they used to call it Fathers' Night until they heard that some of the mothers felt bashful about coming out. It's the night you know, when the school is open from 7 p. m. on, for all the parents to visit and see exhibitions of children's work.

The teachers will be there in their classrooms and every papa and mamma must look up his child's room and sign the register; it will help win the prize plant for the room.

Winfield Wilson will be the presiding father this year. He'll be well worth hearing. There will be music by a string ensemble procured by Mr. Cooper, to say nothing of the chorus of fathers and mothers. Remember the enthusiasm aroused by the men's quartet? This mixed chorus will be even better.

The address of the evening will be presented by Miss Marjorie Hardy, of Germantown Friends' School. Miss Hardy has written some popular primers for children, and has a keen understanding of a small child's point of view.

Afterwards more music and refreshments. That's Parents' Night—Remember 7 p. m., April 18, Riverton School for Fathers and Mothers!

A study group will be held on Monday, April 25, at 3:15 p. m. in the kindergarten room. Mrs. Baker has invited a splendid reader for this meeting, Mrs. H. A. Frantz, of Moorestown.

BOSTON APPROVES OF RIVERTON C. A.

World Federation of Municipalities Compliments Town on Accomplishment

The following letter, received by the borough clerk, will be of interest to those who are cooperating with the Riverton Civic Association in cleaning up and beautifying Riverton.

WORLD FEDERATION OF MUNICIPALITIES Boston, Mass.

To the Town Clerk, Riverton, N. J.

Greetings from the "Municipal Federation" to the sister community, Riverton, N. J.

Congratulations to a people who are stabilizing the Nation and World, like all Master Builders, from "the ground up."

Shall we bid for your "City flag" signaling enlistment in the "March of the Cities" to put a Spine and Body to the Nation in its advance toward "Economic recovery" and Peace.

Faithfully, Wm. A. Ryan, Promoter, 40 Linden street, Dorchester, Mass.

THE PEOPLE'S COLUMN

Still Inadequate

Editor of The New Era:

The solicitude of our Borough fathers for the Public Service bus system is touching, at least to those who ride the buses. The official attitude seems to be that Public Service should have a monopoly in order to keep on giving good bus service.

Whereas have appeared from time to time in The New Era on this subject, and as long as we do not have to give our real names and can hide behind some modest alias, why not keep it up?

The basic reason for buses is to provide high-speed transportation, at a lower cost (to the company) than elevated or sub-surface trackage or express trolley right of way. Such service carries the implication that published schedules should be adhered to.

The schedules as now published are easy, and with reasonable skill a driver can easily keep on time or even make up some with a little extra effort. Many drivers do keep to schedules as far as depends on them.

Some drivers are behind schedule when they reach Riverton en route to Philadelphia. A few are fairly consistent in this regard. Frequently they are so far behind that the following bus catches up. Instead of the slow bus high-balling ahead for a mile or so, leaving the following bus to pick up the intervening passengers, the usual procedure is to stop for every waiting passenger. The following bus tends to stay behind, and this results in both buses dropping back and all riders being delayed. In some cases the slow bus has carried eight or more strap-hangers to be put off at the Plaza, while the following bus may have only a few passengers.

Apparently the slow driver explains that traffic was so heavy and so many passengers were out, that he could not keep up to schedule. Either that, or it is the manager's idea of proper dispatching. Naturally, in twice the time interval, an additional crop of passengers will accumulate.

Some of the passengers are shoppers, but many are working (yet) and in these days of few jobs the alibi of bus failure will not work forever. The alternative is to get out earlier, merely because the service is not dependable.

After much persuasion, an evening express service from Philadelphia was instituted. Passengers were to be taken on at Filbert and Juniper street, so that those who wait at the scheduled stop find the bus mostly filled; so frequently it is necessary to wait for another bus.

The bus equipment is rapidly approaching the type used in the last days of the Green Line, when the odds were against a bus getting entirely into town. The gamble was in how far it would go before foundering.

The first night that three express buses were put in service, the first one died at the intersection of Crosswicks boulevard and Burlington pike, after a long struggle. The next night one of the express buses managed to stagger fifty feet and gave up the ghost. It had to be butted out of traffic and to the curb by a later bus.

Monday of this week the bus due in Philadelphia at 9 o'clock in the morning, which is notoriously seldom on time anyway, arrived at 9:25, due to trouble with the accelerator rod or something. The driver tied something up with a string and finally got in. The company might furnish the drivers with a little hay-baling wire for repairs. Tuesday, the bus due in Riverton at about 8:48 came through shortly after 9 o'clock, just ahead of the one due at 9:03, and stayed just ahead all the way down to State street, picking up passengers all the way.

Instantly after instance of this type could be listed, but this is sufficient to indicate that the Public Service is either careless or ignorant of the fact that arrival time in Philadelphia in the morning is vitally important, at least to those who still have jobs, causing them to ride the buses for business reasons.

Of course those who cannot afford the presidential mechanical horses for purposes of health, can enjoy all the pleasures of riding a bucking broncho by taking passage in one of the 700 series buses which still infest this route.

A little competition cannot do any harm.

JUST A PASSENGER.

OYSTER SUPPER

Another Famous Fire House Oyster Supper Scheduled for April 23; Don't Miss It

Everybody! Sharpen your appetite for another of those famous fire house oyster suppers. Saturday night, April 23rd, the boys are serving an oyster menu that will surprise and delight you.

Fred Ulmer, of the Beech Nut Packing Co., has prepared the menu, which follows: Oyster cocktail with butter wafers, fried oysters, potato salad, cold slaw, bread, butter and pickles, hot Maryland biscuits and butter, pudding with London sauce, Beech Nut coffee with cream and Chateau cheese and crackers.

These suppers are famous among those who patronize them, so don't forget, the boys need your help. Be there—Saturday night, April 23rd.

SOCIAL WORKER MAKES REPORT

Riverton-Cinnaminson Welfare Association Has Rendered Many Kinds of Help During Winter

The social worker for the Riverton-Cinnaminson Welfare Association reports that thus far she has made 600 visits and interviewed 224 people at her home.

The visits include those made to the families with which she is working and to relatives or persons interested in those families. There have been a total of 123 persons registered for unemployment of these 13 have moved from the community and 59 have obtained either part-time or full-time jobs. All of the number registered, except 9, have been personally interviewed by the social worker.

The cards of these nine indicated that there was no immediate need of either work or help. There are 7 men still being given made work and 4 families receiving grocery orders 3 weekly and 1 every two weeks. In these families the men are unable to work because of physical handicaps. Milk is still being given to 11 families. Last year at this time there were 14 men still working for the Welfare.

There are numerous men and women who still need work and would appreciate anything which you may be able to do for them. We have an expert electrical man, a registered plumber, painters and carpenters who can turn out excellent references if you wish them. There are also women experienced and with good recommendations who wish house work by the week or day.

NEEDLEWORK GUILD BRIDGE-LUNCHEON

Riverton Branch in Need of Funds; Everyone Invited to Lend a Hand in Worthwhile Cause

On Tuesday, the twenty-sixth of April, the Riverton branch of the Needlework Guild will give its annual bridge luncheon benefit. This year it will be held in the home of Mrs. Stewart Clark, of Golf road; reservations accepted by Mrs. William A. Hendrickson up to and including Saturday, April twenty-third. Luncheon and bridge, 75 cents; or if you should be unable to be present for both, either luncheon or bridge, 50 cents.

Everyone interested in this vitally important philanthropic work which the Needlework Guild does right in our own community, is most strongly urged to combine pleasure with the support of an excellent cause by attending this delightful affair. Tables for bridge may be made up in advance, if desired; but there will be plenty of extra places and the committee will see that everyone is congenially furnished.

This is not only one of Riverton's annually delightful social occasions, but it is an affair of great importance to the continued activity of the local Needlework Guild branch. Demands upon the local treasury have been exceptionally heavy during the past season, and unless the bridge-luncheon benefit is generously patronized, activities during the forthcoming year will necessarily be curtailed. An enthusiastic support of this, the Guild's one money-raising effort of the year, will make possible a continuance of the splendid work of garment-making and knitting which has proved such a helpful part of the local program.

Remember—April 26th at Mrs. Stewart Clark's; luncheon and bridge, 75 cents; luncheon or bridge, 50 cents each.

Publicity Chairman.

DR. BARNHOUSE WILL SPEAK IN RIVERTON CHURCH

Presbyterian Minister to Address Townspeople on Sunday Afternoon

Y. M. C. A. SPONSORING EXCELLENT MEETING

J. Elmer Hahn, of Riverton, Will Preside Over Fine Service

Dr. Donald Grey Barnhouse, pastor of the Tenth Presbyterian Church, of Philadelphia, will speak in the Calvary Presbyterian Church, Riverton, Sunday afternoon, at three o'clock, under the auspices of the Palmyra-Riverton Y.M.C.A.

The primary purpose of this meeting is to give the public an opportunity to hear the Rev. Dr. Barnhouse, who has just completed a series of eleven sessions on the teachings of the Bible. These gatherings were held in Collingswood.

Dr. Barnhouse was secured by J. Elmer Hahn, of Riverton, director of the Palmyra-Riverton Y.M.C.A. Mr. Hahn will preside at Sunday's meeting and will introduce the pastor.

Alfred VanOsten, well-known vocalist, will lead the community singing and young men, members of the Presbyterian Church, will be the soloists. Murray Kirkpatrick will be the head usher.

The Sunday School room will be opened and together with the use of the church 600 persons may be accommodated.

Dr. Barnhouse, who is a native of Watsonville, California, studied simultaneously at Princeton University and Princeton Theological Seminary. He left there in 1917 to enter the United States Army.

First Lieutenant

He served to the end of the war as First Lieutenant in the Air Service, and while in active service was ordained into the ministry by the Monmouth Presbytery in 1918.

He left the Army shortly after the Armistice, at which time he went from the United States to Europe, where he made his home for seven years. During the first two years in the Old World he was attached to an organization doing relief and religious work in Belgium; he then went to France, where he did University work during the remainder of his stay abroad.

He received the B.A. equivalent and was granted diplomas for graduate work in Ancient History, Modern History, and English literature, by the University of Grenoble in France. During his stay abroad Dr. Barnhouse traveled extensively throughout Europe, at one time residing at Athens and again in London.

He returned to this country in 1925 and accepted a position on the teaching staff of the University of Pennsylvania, while taking graduate work to the degree of Doctor of Philosophy. During this time he was pastor of the Grace Presbyterian Church, Philadelphia.

Accepts Church In 1927 he resigned both his church and teaching positions and accepted the pastorate of the historic Tenth Presbyterian Church, succeeding the world-famous Scotch evangelist, Dr. John McNeill.

Under the leadership of Dr. Barnhouse the Tenth Church has grown rapidly. The membership has increased by more than one-half, making this church one of the fastest growing parishes of the denomination.

A unique feature of Dr. Barnhouse's work is his radio sermons, which have been broadcast, first over a local station, then over fifteen, and then twenty stations of the Columbia chain, and at the present time over approximately one hundred stations from coast to coast.

The Y.M.C.A. is rendering a great service to the community by giving the people an opportunity to hear such an outstanding speaker.

John W. Stoer

John W. Stoer, 41 years old, died at Hahnemann Hospital, Philadelphia, on Sunday morning.

Funeral services were held from his late residence, East Central avenue, Moorestown, Wednesday afternoon, with the Rev. C. W. MacGeorge, pastor of the Baptist Church, officiating. Interment was made in Morgan cemetery, Palmyra.

Mr. Stoer, who was a World War veteran, is survived by his wife, Margaret, and one daughter, Dorothy.

CARD OF THANKS

We desire to express our appreciation of the sympathy and assistance extended in our bereavement and to thank those who sent flowers and cards to the funeral.

Mrs. William Anderson and Family

RECORD FOR YEAR AT SANATORIUM

Institution Costs Taxpayers Only \$11,968, Although \$115,370 Is Spent

The annual report of Fair view Sanatorium for 1931 follows:
Hon. Board of Chosen Freeholders,
Board of Managers of Fair View Sanatorium.

Gentlemen:
At the January meeting, it is the custom to hear the report of the past year, and I take great pleasure in submitting to you my thirteenth annual report.

In former years we have had more admissions and discharges than we did during the past year, but due to the longer stay of patients in the Sanatorium, we had the largest number of patient days in the history of the Sanatorium. Our total number of patient days was 43,588, or an average of 1194 patients per day. We had 16,471 Burlington county patient days or an average of 45.1 patients per day.

Of the admissions, 13 were minimal, 15 moderately advanced, 94 far advanced, 1 non-tuberculous, 1 with pulmonary abscess and 1 not diagnosed. Of the discharges, 17 were arrested, 1 apparently arrested, 6 quiescent, 39 improved, 19 unimproved, 1 non-tuberculous, 3 transferred to Glen Gardner, and 1 not diagnosed. We had 56 deaths, 35 male, and 21 female.

Nationalities
As to nationalities, our admissions were classified as follows:

Male—American, white, 46; negro, 14; Hungarian, 2; Polish, 5; Russian, 2; Italian, 4; Austrian, 2; German, 2; Virsh, 1; Scotch, 1; Rumanian, 1.

Female—American, white, 40; negro, 17; Hungarian, 5; Polish, 2; English, 1; Austrian, 2; German, 1; Irish, 2; Swedish, 1; West Indian, 1; Czechoslovakian, 1.

As to occupations, as follows:

Male—Laborer, 37; iron worker, 1; student, 4; clerk, 2; telegraph operator, 1; hosiery worker, 1; sailor, 1; painter, 4; store manager, 1; tailor, 1; carpenter, 2; machinist, 3; powder worker, 1; pattern maker, 1; electrician, 2; auto mechanic, 1; foundry presser, 1; shoemaker, 1; school teacher, 1; glass worker, 2; engraver, 1; salesman, 1; watchmaker, 1; baker, 1; gardener, 1; boat builder, 1; truck driver, 1; molder, 1; baker's helper, 1. Female—Housewife, 40; housemaids, 9; students, 12; clerk, 1; nurse, 1; hosiery worker, 1; radio worker, 1; cigar maker, 2; factory worker, 3; dressmaker, 1; waitress, 2.

Dental Work
Our dentist, Dr. Steinsieck, has visited the Sanatorium each week and has done excellent work. It is very important that the teeth of patients suffering with tuberculosis be kept in good condition. Dr. Steinsieck's report is as follows:

Extractions, 349; treatments, 38; cleaning, 66; examinations, 153; silver fillings, 76; cement fillings, 49; porcelain fillings, 17; gutta serena fillings, 20; x-ray pictures, 2; crowns, 2; adjusting plates, 7; total operations, 770. We have had the usual number of changes in our nursing staff and in our staff of employees. Generally, speaking, the spirit has been exceptionally good, and both patients and employees seemed satisfied.

We have had the usual number of improvements and replacements. It has been necessary to replace a lot of plumbing during the year which was not anticipated in our budget. We are very much crowded for room for our employees.

Last year I told you that our return to the county was the best we ever had had or ever would have; but this year it is \$2,153.25 more than it was last year. The total amount paid

Thanks for Gifts
We have had many gifts from various clubs, associations, guilds and individuals throughout the county, and I take this opportunity to thank each and every one for these gifts.

I wish to express my appreciation of the help I have received in running the Sanatorium from Dr. Samuel Busansky, our resident physician, from Miss Elva Hughes, our Superintendent, from Miss Mildred Burton, our dietitian, from the staff of nurses and from all employees.

I wish to thank you, the Board of Chosen Freeholders, and you, the Board of Managers, for your support and cooperation. I hope that we may do a greater work in the year 1932 and obtain even better results in our fight against tuberculosis.

Respectfully submitted,
MARCUS W. NEWCOMB, M.D.,
Medical Director.

Varian — Hunt

Extreme simplicity marked the marriage of Miss Dorothy M. Hunt, daughter of Mr. and Mrs. J. James Hunt, of West Main street, Moores-

town, to Newbold R. H. Varian, son of Mr. and Mrs. Percy R. Varian, of Cum Mills, Pa., on Saturday afternoon at 3 o'clock.

The ceremony after the manner of Friends, took place at the bride's home and only members of the immediate family and a few friends were present.

The bride was attractively gowned in blue georgette. Her shower bouquet was of orchids and lilies of the valley.

A reception followed the ceremony for the guests, and Mr. Varian and his bride left soon after on their wedding trip South. They will be at home after May 1.

Mr. Varian will be connected with the Hotel Franklin, Atlantic City, and he and his bride will live there. Both are graduates of Western School, Westtown, Pa.

CANVASS TIME FOR THE COUNTY YMCA

Annual Maintenance Drive to be Held From April 19 to May 3

In appealing to the thinking, public-spirited citizens of Burlington county for funds to maintain its program of education and activities, with character output as its main objective, the County YMCA asks that investments be liberal. Some persons who can give will shrug their shoulders and say, "These times, you know."

Thinkers realize that "these times" point to one very certain need, more sterling character.

The sponsors of the County YMCA during its twenty-seven years in Burlington county never believed in it more than they do today, nor, on the other hand have they faced more difficulty in financing its budget, even though cut as it has been during the last year some \$2,000.

The very maintenance of the YMCA is at stake. The financial position of the County Association is critical. It is hoped that \$2,000 would be available from the budget cut to apply on an accumulated deficit, but a number of larger subscriptions, which total this amount, are not obtainable this year, plus numerous pledges of lesser amounts that haven't been paid, bringing the present total deficit to around \$3,000.

Organizations by communities and districts are being rounded out to make the annual budget canvass between April 19 and May 3. The spirit with which community chairmen and workers are entering into the preparation for this year's campaign is a bright spot in the picture. Back of this is their knowledge of the contribution of the YMCA in helping to produce christian citizenship, their conviction of the expanding need for character education and their determination to have a part in helping the "Y" carry on for the public good.

With the budget for the new fiscal year cut to the bone and with a special appeal to large numbers of givers to increase their gifts up to five dollars in a unit "Save the Y" subscription appeal a growing feeling that the "Y" can be maintained is firing those in charge of the canvass preparation plans with the determination to win through to a balanced financial position.

RED CROSS HOLDS EXAMINERS' MEET

Ground Work for Safety Program Laid at Community House Pool

The ground work was prepared for the American Red Cross safety program in the county, with the Examiners' Institute at the Moorestown Community House Pool last week, with Herbert Young, Jr., field representative of the National Staff, in charge. Over a dozen examiners were reviewed carefully and brought up to date on the latest details in water safety and rescue methods. Mr. Young also gave a number of talks before high school and grammar school groups in regard to water safety and first aid.

Victor H. Hartshorn, who has been the instructor for the chapter during the summer months for the past three

years, will again be employed to carry on the work here in the county this summer. Many of the examiners who reviewed their work last week will assist Mr. Hartshorn in this program.

TWO MEN ARE INJURED BY AUTOS IN RIVERSIDE

Two pedestrians were struck by automobiles at Riverside last Friday night. Both were treated at Zurbrugg Memorial Hospital by Dr. J. George Warner, Riverside physician. James D. Brady, 60, of 219 East Cumberland street, Philadelphia, suffered lacerations of the scalp, face and hands and bruises of the body when he was struck at Pavilion and Polk streets by an auto driven by Alfred Zimmerman, of 109 East Broad street, Burlington. William Morrison, 68, of 116 Madison street, Riverside, suffered lacerations of the face and head when a car driven by Lincoln W. Hanke, of 1114 Filmore street, Philadelphia, struck him on Scott street. He was released from the hospital after treatment.

PALMYRA P. T. A. MEMBERS TO HEAR MRS. W. F. LITTLE

State President of New Congress of P. and T. to Address Gathering

JOHN PASQUALE WILL GIVE VOCAL SOLOS

Miss D. Helene Johnson Will Entertain With Several Fine Readings

Mrs. William F. Little, of Rahway, State President of the New Jersey Congress of Parents and Teachers, will be the principal speaker at the meeting of the Palmyra Parent-Teacher Association to be held in the high school auditorium Tuesday evening of next week.

Mrs. Little, who is noted for her ability as a speaker, is greatly honoring the Palmyra organization by consenting to be present on Tuesday. Those who have heard her on previous occasions will not want to miss the opportunity of hearing her again. The State President has devoted a great deal of time in an effort to improve educational facilities for the children and teachers of New Jersey. She is very well-known for her work and her personality has made her a favorite with P.T.A. workers in all sections.

The officers and members of the Palmyra association take this opportunity to urge the general public to attend, as Mrs. Little is especially interested in parent education and the ordinary parent is sure to profit from her delightful talk. Another most enjoyable feature of Tuesday's meeting will be vocal numbers by John Pasquale, a member of the Philadelphia Operatic Society. Mr. Pasquale has appeared on several programs given in Palmyra during the past few years and is very popular with the music lovers in this section.

Miss D. Helene Johnson, Palmyra girl, who is widely known for her dramatic ability, will give several of her usual splendid readings, which are sure to delight even the most critical audience.

At Tuesday's meeting the members of the Palmyra association will hold a dedication service, at which time they will dedicate the tree which was planted by them near the school on Spring Garden street, recently. The planting of the tree is a part of the nationwide George Washington Bi-Centennial celebration.

The regular child study group meeting will be held preceding the principal meeting. The topic at that session will be "Finding a Job." Mrs. Ira S. Pimm will lead the group. The general public is also invited to be present at the discussion.

A P.T.A. conference of the Southern Counties will be held in Burlington on April 28, at which Miss Mae Peabody and Mrs. Little will be the guest speakers.

Miss Peabody is assistant director of child development at New York University and Mrs. Little is the well-known state president of the P.T.A.

REV. GEO. LOCKETT NEW ROTARY HEAD

Palmyra-Riverton Club Elects Officers; Terms of Office Begins in July

The annual election of officers was held at the Palmyra Rotary Club last Thursday evening. The following men were chosen:

President, Rev. George Lockett, vice president, R. D. Barclay, secretary, Joseph Seel; treasurer, R. E. Mattis; sergeant-at-arms, G. W. Rogers; directors, E. H. Jessup, E. N. Cooper.

While these men do not assume office for several months they are enabled to plan next year's program and to profit by the discussions concerning their duties at the approaching Atlantic City convention. President Lockett will also appoint his committee, with the same point in view.

In reply to a recent letter, Business Manager Thomas Shibe of the Athletics invited the club to bring Palmyra and Riverton boys to see the game on April 28th. Since it is somewhat early, and a school day, the members decided that it would be wise to arrange for a later date, preferably sometime during July or August, which was ordered done.

In line with its plan of presenting a two-minute article weekly, to foster international good will, the chairman of the International Relations Committee read a short discussion of Japan, recent offer to sign an agreement not to molest the Philippines if they are given their independence.

MRS. W. T. LIPPINCOTT HOME FROM CRUISE AROUND THE WORLD

Mrs. W. T. Lippincott, of Stanwick avenue, Moorestown, has just returned to her home after spending the winter on a cruise around the world. The trip, one of the specially conducted tours to take in all points of interest around the world in a certain length of time, was so arranged that Mrs. Lippincott was able to spend Christmas in Bethlehem.

Mrs. Lippincott tells of many interesting experiences which happened while the ship, which serves the purpose of a floating hotel, and also on the many side trips.

During her visits to many foreign countries Mrs. Lippincott made a collection of dolls, the most unique being one from Norway which when taken apart contains a whole family of dolls. She was also one of a group which spent a night on the desert sleeping out in the open.

Mrs. Lippincott says that London is one of the cheapest places in which to live and that the dainty pink cherry blossoms of Japan are worth going around the world to see.

LOWER FARES

Record low weekend fares will be placed in effect by the Pennsylvania Railroad and other eastern roads beginning April 29, it was announced by local Pennsylvania officials today. The new bargain rates will be in effect every weekend until September 3.

GROUP MEMBERS SWIM

YMCA group members from all parts of Burlington County took part in a general swim and contest in the Moorestown Community House Pool on Tuesday night, April 12. Robert Buswell, of Lumberton, was in charge of the swimming contests. The groups which made the most points in this contest, plus those of a former contest held in the Trenton YMCA pool, were awarded the George J. Ringle trophies.

MOVIE BENEFIT

Tonight is the last chance to attend the benefit being sponsored by the Scout Mothers of Palmyra at the New Broadway Theatre. The feature picture is Barbara Stanwyck in "Forbidden" and was enjoyed by a large audience last evening.

WOULD PADLOCK COLUMBUS INN

Suits charging violation of the prohibition laws were filed last week in the federal court by Philip Forman, U. S. District Attorney, for the padlocking of the Columbus Inn, Main street and Route 39, Columbus. The suit named Charles Parker, Franklin Meyers and Helen A. Parker, as defendants.

COUNTY SCHOOLS CURTAIL GAMES

Supervising Principals' Association Favors Intramural Contests as Substitute

According to an announcement made by Miss C. Mathis, supervising principal of the Florence Township schools, and president of the Supervising Principals' Association of the county, competitive games between the high schools of the county will be greatly curtailed in future years.

Instead a general health-building schedule of intra-mural games will be substituted in the best interests of the pupils' physical development.

No championship awards in any branch of athletic competition will be made, although the high schools which are represented in the Burlington County League will still meet in league competition. However, the schedules will be curtailed.

The athletic activities of each of the seven high schools and grade schools throughout the county will be governed by a board of control of the association. This body will hereafter arrange the various schedules and from year to year will cut down the number of games in the various branches of sports in order that more time may be devoted to intramural sports.

"For a long time this plan had been discussed and only recently were we able to make any headway in rounding out a satisfactory solution," stated Mathis. "Hereafter the athletic activities will be under the health program which is now being conducted for the students' benefit in developing their general health."

"Also by lengthening the time given to intramural games, it will also give the coaches a better chance to develop the youngsters for varsity competition," Mathis added. "The varsity games played by the various schools will not be staged until the latter part of the season."

Mathis also announced that starting this season the schools will only play six baseball games, meeting each other county high school once. Due to the fact that a number of schools have contracts with outside institutions which are expected to be completed this coming campaign, ten games will be played in football.

In basketball 12 contests will be played, each school meeting each other twice, while only four track meets will be arranged by the schools.

There is a possibility that the annual Burlington County League track and field meet will be disbanded unless the Supervising Principals' Association is able to obtain someone who will take charge of the affair.

The main aim of the association is to confine athletic activities among the county schools and to eventually take over as much of the sport in season to intramural activity.

The Board of Control which will have charge of all athletics is headed by Mathis along with Wilbur D. Crossley, of Mount Holly; Vera M. Bower, of Palmyra; Dr. Mary E. Roberts, of Moorestown; Mrs. Goldy, of Pemberton; Miss Flynn, of Bordentown, and E. N. Cooper, of Riverton, who is secretary of the association.

MOORESTOWN

Eighty-three applications for old-age pension have thus far been filed in the County Clerk's office in Mount Holly.

Mr. and Mrs. Warren Armstrong, of the Club Estates, motored to Penn State College, last weekend to visit their oldest son, William, who is a Senior this year. They witnessed some very interesting intercollegiate boxing matches on Saturday in which Penn State was the victor.

Linda Zulch, of Merchantville, a member of the Sophomore class of Moorestown High school, has transferred to Johannesburg, South Africa. Miss Zulch is a very talented dancer, having studied for a number of years and assisted with teaching at a Philadelphia studio.

Covenant Shrine, of Burlington, installed twenty officers, last Thursday, for the ensuing year. The elected officers are Mrs. Murgatroyd, of Palmyra; Harold Wright, of Mount Holly; Myrtle Ballinger, of Pemberton; Viola Borden, of Mount Holly; Lucy Tyler, of Burlington; Kathryn Pfender, of Moorestown; Alma Evans, of Riverton, and Anna Bading, of Mount Holly. The members from Moorestown who witnessed the installation ceremonies were Mrs. Pearl Ellis, Mrs. Carrie Hyland, Mrs. Sadie Bailey, Miss Lillie Boland, Mrs. Katherine Pfender, Mrs. Camille Martmen, Mrs. Hannah Armstrong, Miss Alice Chambers and Mrs. Eva Heckenhorn.

Henry A. Rambo, of East Main street, celebrated his ninety-third birthday recently with a family dinner party. There were nine guests present.

Mr. and Mrs. F. Wallis Armstrong returned on Saturday to their home, Meadow View Farm, from a two months' stay in Aiken, S. C.

PLANE TALKS

By L. H. H. LONGAKER
Founder, Burlington County Aero Club

The National Aircraft Show, which closed at Detroit on Sunday, failed to come up to the show of previous years, both in the number of ships exhibited and attendance. However, in spite of slow business which has hit the aviation industry unusually hard, the boys are all fighting hard to keep going and get out of the old rut.

Wednesday at noon, the entire First Pursuit, consisted of four squadrons of eighteen ships each, flew over the city of Detroit in formation and then landed at the Show. The real thrill came when, after taking off at three o'clock and getting into formation at 2,000 feet altitude, each squadron said good-bye by zooming the show. By the way, the entire group was in the air in 14 minutes after the first ship left the ground.

The new Ford 14-A transport was not exhibited at the show as it has not as yet been test flown. We had the pleasure of inspecting this giant 40-passenger ship at the Ford Airport.

It is an all-metal job with a wingspread of 110 feet and is 80 feet long. It is powered by one 1100 h. p. and two 720 h. p. Hispano-Suiza, water-cooled engines. The ship contains, in addition to the pilot's cockpit, four passenger compartments, accommodating 8 persons each, two washrooms, galley, baggage room and smoking room. The passenger compartments are like those on Pullman cars and can be changed to sleeping berths for night flying.

Detroit is building eight emergency landing fields. Two are located about one-half mile from the Municipal Airport and will prove invaluable in case of forced landings after taking off from the main airport. All the work is being done by Welfare labor. They are sure air-minded and on the job out there.

Colonel Arthur Goebel, winner of the Dole flight to Hawaii several years ago, is now test pilot for the Guilber Diesel Engine Corporation, of Dallas, Texas. Art tried a couple of times during the show to break the altitude record for Diesel-engine ships with his Taper-Wing Waco but was unable to get above 20,000 feet.

Do not forget to go to the Moorestown Community House this Friday night and hear Amelia Earhart Putnam tell of her experiences in aviation.

The Auto-Giros certainly did a lot of demonstrating at the show. Every time you looked at the sky, you could see at least one of the flying windmills pushing about.

CASH FOR ALL WHO WILL RAISE PHEASANTS FOR N. J.

Following up a plan successfully inaugurated last year to increase the available supply of ringneck pheasants for restocking purposes, the State Fish and Game Commission again is preparing to distribute several thousand pheasant eggs for hatching, to persons wishing to cooperate in this project. For each bird hatched from the eggs and raised to an age suitable for liberation, the Commission will pay one dollar. The state will furnish the pheasant eggs without cost from its game farms at Forked River and Rockport. Distribution will be made by warden. Applications for the eggs should be filed with the applicant is a resident, not later than May 1. Eggs will be available from May 1 to June 20. Two settings or a total of 26 eggs will be the limit to each applicant.

Engaged

Mr. and Mrs. Lemuel P. Tomlinson, of Marlton, have announced the engagement of their daughter, Elizabeth Tomlinson, to Arthur D. Scholl, of Mullica Hill.

AMELIA EARHART IN MOORESTOWN

Internationally Known Flier to Relate Her Experiences in Aviation

Moorestonians will have an opportunity to hear first-hand the thrilling experiences of Amelia Earhart Putnam, when that world-famous aviatrix appears in person this Friday evening, April 15, in the Moorestown Community House, at 8:15 o'clock.

Mrs. Putnam's visit here is sponsored by the Woman's Club, and is open to all non-members for a small admission fee. She has an appeal to those who are not air-minded as well as those who have experienced the thrills of her hobby.

Mrs. Putnam, a skilled pilot, achieved international fame when she was passenger on a successful trans-Atlantic flight in June, 1929, when the late Wilmer Stultz piloted a tri-motored Fokker from Newfoundland to Wales.

Besides her numerous flights throughout the country in conventional type planes, Mrs. Putnam is known as the first woman to fly an autogiro. She is holder of the official autogiro altitude record, and also holds two official women's speed records for standard airplanes.

Other phases of aviation have also attracted the famous flier. She has been vice president of the New York, Philadelphia and Washington Airway Corporation, and was formerly assistant to the general traffic manager of the Trans-continental and Western Air, Inc.

She is now engaged in writing a book on women in aviation, which will be published under the title, "The Fun of It." Mrs. Putnam also has to her credit a book entitled, "20 Hrs., 40 Mins.," telling of her flight across the ocean.

William Hancock

William Hancock, 87 years old, a veteran of the Civil War, died at the home of Harry Bakely, of East Third street, Moorestown, on Saturday.

Funeral services were held on Tuesday from his late residence, with William Grobler, funeral director in charge. Interment was made in Jullustown.

Mr. Hancock lived in Moorestown twenty-seven years. He has been in poor health for some time prior to his death.

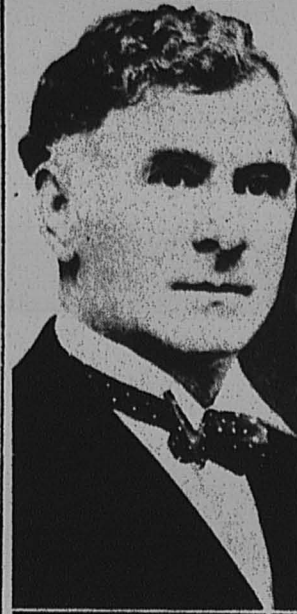

Henry G. March

Henry G. March, father of Mrs. Walter D. Lamont, of Cleveland avenue, Palmyra, died at his home, 724 Ontario street, Philadelphia, April 6.

Funeral services were held Monday afternoon from the late residence and interment was made in Lawnview cemetery, Fox Chase.

Besides Mrs. Lamont, the deceased is survived by his widow, Mrs. Rebekah March, a son, Henry G. March, Jr., and two other daughters, Mrs. Catherine Wisler and Mrs. Florence Morgan, all of Philadelphia.

MOTION PICTURES AT MEN'S CLUB

Next Regular Meeting at Y. M. C. A. on Thursday, April 28

The officers have arranged an excellent program for the next regular meeting of the Palmyra-Riverton Men's Club to be held on Thursday evening, April 28.

Moving pictures of hydro-power developments during the course of construction will be displayed, both of the classes known as "still" water construction, as usually occurs in the eastern section of the country, and of the "fast" water construction, as usually occurs in the western mountainous sections of the United States.

These pictures are furnished through the courtesy of the Stone, Webster Engineering Company, of Boston, Mass., and are of a high class character purposely arranged for exhibiting before engineering societies and industrial executives.

All the men of Palmyra and Riverton are invited to attend this meeting, whether members of the club or not, all are welcome.

The meetings are held in the YMCA building, Broad street and Garfield avenue, Palmyra.

It isn't wicked to have a good time, but it may be to have too much of one.

MUSIC FESTIVAL IS PLANNED BY YWCA

Annual Program Held to Create Appreciation, Understanding in Members

The many Y.W.C.A. clubs and members in Burlington county are looking forward with much enthusiasm to Friday evening, April 28, the date of the annual music festival in the Moorestown Community House at eight o'clock.

The program deals with the history of music and begins with a monks' chorus singing a Latin hymn of the eighth century and will include the music of the troubadours, the introduction of the operas, oratorios, orchestra, the piano and the violin.

A brief review of the lives of the great masters will also be given while American music will also be used. An interpretative dance will be given by the Delanco Girl Reserves, under the leadership of Mrs. Lloyd Cross, will open the program, while a Dr. Walter Damrosch music appreciation hour by Daniel Des Foides will close the program.

The purpose of the music festival is not the presenting of a finished musical production, but rather of creating a love and understanding of music in the members of the association. All of the Y.W.C.A. club groups will participate in the program and everyone is welcomed to share in the evening's program.

Mrs. William Matlack, of Moorestown, president of the Burlington County Y.W.C.A.; Mrs. E. P. Darlington, of New Lisbon; Mrs. William Grobler, of Moorestown, Sidonie Schaffer and Harriet Bowe, of the County Y.W.C.A., attended a pre-convention discussion group at the central branch Y.W.C.A. in Philadelphia, Wednesday afternoon and evening, April 3. Mrs. Frederic Paist, of Wayne, Pa., who last week was elected president of the national board of the Y.W.C.A., led the discussions. The meeting was attended by representatives of near by associations for the purpose of being better informed on the issues to be acted upon at the biennial Y.W.C.A. convention at Minneapolis, May 5 to 11.

DR. BUERY TO SPEAK

Dr. Charles E. Buery, L.L.D., president of Temple University, will speak at the service in the Central Baptist Church, Palmyra, Sunday morning. The services will begin promptly at 11:15 a. m., as usual.

SWARMS OF OFFICERS

In re-reading that immortal document, the Declaration of Independence, which recites the grievances which impelled the American colonies

to rise and throw off the British yoke, we were struck by a paragraph which appealed to us with a new significance. Referring to King George III, it declared:

"He has erected a multitude of new offices and sent hither swarms of officers to harass our people and eat out our substance."

It appears that "swarms of officers" were distasteful to the sturdy forefathers. What would they say to the army of office-holders who "harass our people and eat out our substance" today?

Every session of Congress and every session of the state legislature enacts laws creating new offices. Seldom is an office once established ever abolished, except to create a different and more expensive office or offices in its place. Office-holders' salaries are often raised, but never lowered.

Some day, possibly, a majority of the voters will rebel, as did the early fathers, and by their ballots, instead of bullets, call a halt on those legislators whose chief aim appears to be the increase of public payrolls.

LARGE AUDIENCES ENJOY COMEDY

Wilton E. Mount and B. S. Torbett Are Charming
Bridal Couple

"The Womanless Wedding, a side-splitting comedy, which was presented in the Palmyra High School Auditorium Thursday and Friday evenings of last week, was enjoyed by large audiences on both occasions.

This production, which was staged under the auspices of the Palmyra-Riverton Compass Club and its Ladies' Auxiliary, was very successful. The proceeds are to be used for less fortunate persons in the two communities.

The cast included eighty Palmyra and Riverton business men and men residents. Each took his own particular part very well and is to be congratulated on the fine work done. Wilton E. Mount, local Y.M.C.A. secretary, made a charming bride, while B. S. Torbett, of Morgan avenue, Palmyra, caused much hilarious laughter when he appeared as the groom.

Others taking part in the production were: Butler, Dan Clifton; Punch Girls, W. F. Crouch and C. F. Shaw; Present Takers, Raymond Yerkes and Jacob Cagliotta.

LEGION COLLECTS \$48 FOR WELFARE

All Money Will be Used to Benefit Needy of Palmyra

The committee from Post Frederick M. Rodgers, American Legion, of Palmyra, which is collecting for the Palmyra Borough Welfare Association, reports that a total of \$48.63 was collected for the week of April 8.

This was the first week of concentrated effort and this big drive by the committee, which is being so ably assisted by the Boy Scouts of the town.

The members of the committee and the Legion boys wish to especially emphasize the fact that the Legion gets none of the money collected. It is purely a drive for the Welfare Association and the money is to be used in the interest of needy people in the town.

The collectors will call at the different homes again on Friday night, at which time the envelopes for the second week will be collected.

It is hoped that each and every person in Palmyra will give as much as he or she possibly can, as the money is needed very much at this time.

RUFUS K. HILL SERVES SAME PHILADELPHIA CONCERN FOR 60 YEARS

Rufus K. Hill, of 800 Highland avenue, Palmyra, has attained an honor of which few men in this or any other section of the country can boast, it is that of being with the same concern for sixty years.

Mr. Hill has been connected with the firm of Edward Stern and Company, 140 North Sixth street, Philadelphia, for more than half a century.

He joined that organization when he was fourteen years old and has successively been pressman, expert compositor and foreman of the composing room. At the present time he holds the latter position.

He went with the concern when it was in the second year of its existence.

Maurice N. Weyl is president of the company and Julius S. Weyl is vice-president and treasurer. The latter is vice-president of the United Typothetae of America and also an active participant in the affairs of the Typothetae, of Philadelphia.

ANNOUNCEMENT

At the Primary Election, May 17, 1932, I am a candidate on the Republican ticket, to succeed myself as Collector of Taxes of the Borough of Palmyra and I solicit the support of the voters of Palmyra upon my record of prompt and careful attention to all details of the work.

DAVID RUST TO ADDRESS CLUB

Women Will Hear Member of
Pennsylvania Horticultural
Society Monday

David Rust, of the Pennsylvania Horticultural Society, will be the guest speaker at the meeting of the Woman's Club of Palmyra, to be held in the club rooms, Society Hall, Palmyra, Monday afternoon.

The meeting is called at the usual hour, 2:30 o'clock.

Mr. Rust is a very well known authority on flowers and his talk will prove both interesting and instructive, especially at this time of the year, with the gardening season at hand. Members will have an opportunity to present their garden problems to Mr. Rust and will find his solutions most helpful.

Preceding the meeting, the annual flowers exchange will be held. The garden department requests all members having plants to exchange to be at the club rooms by 1:45 o'clock.

Each member will be met at the door and assigned a space in which to place her plants.

These spaces will be marked with the plant owner's name and reserved. Members may then proceed to observe plants offered for exchange by other persons and exchanges of equal value made.

This plan has been arranged to facilitate the exchange in a fair manner to all. The garden department hopes all members interested will respond.

VARIOUS CASES IN COUNTY COURT

Check Swindling and Other
Charges Heard by Judge
Rigg

Two young men accused of obtaining money under false pretense by issuing worthless checks were arraigned before Judge Charles A. Rigg in court last week on waivers of indictment and entered pleas of non vult to the charges.

They were Louis W. Anderson, alias George R. Applegate, of Allentown, N. J., and Charles Blackick, of Trenton. Anderson was charged with obtaining \$16.60 from Ceza Velencas, of Burlington, on March 18; \$23.60 from William Pokalsky, of Burlington, on March 26, and \$27.50 from Albert B. Fox, of Bordentown, on March 26. Blackick was also charged with the Bordentown offense.

Anderson has been in trouble on similar charges before. He has just completed a nine-month term in the Middlesex county workhouse and at the present time Mercer county wants him on four charges of the same kind. Judge Rigg suspended sentence on the charges in this county, so that Anderson can be taken back to Mercer county to answer to the charges there.

Blackick, who is wanted in Mercer county on a worthless check charge, was sentenced to an indefinite period in the Annapolis Reformatory.

Mrs. Grace Eckert, of Mount Holly, retracted her former plea of not guilty and pleaded guilty to charges of maintaining a house and possession of liquor on January 2, when local police found a bottle of brandy and half-pint of alleged liquor in her home. She was fined \$100 on the possession charge and given six months to pay, while sentence was suspended on the other count.

Samuel P. Heller, of Mount Holly, came in on a writ of indictment and pleaded non vult to charges of stealing five chickens from George Brown and three chickens from Mrs. Lily Hall, on March 30. He said that he had been drinking at the time and did not know what he was doing. He was fined \$50 and placed on probation for six months.

A. Ashworth Taylor, of Riverside, who on October 13, 1931, was ordered to pay \$4 a week for the support of his child, had made no payments to date and Probation Officer Frank A. Hendrickson brought him into court. After hearing the case, Judge Rigg continued it for one month, telling Taylor that if by the end of that time he does not show some signs of being willing to comply with the order he will be brought back and the case will be disposed of.

Irvine R. Shemeley, of Moorestown, entered a plea of non vult to a charge of embezzling \$1,500.87 from J. S. Collins & Sons, Inc., of Moorestown, during a period of five years when he was employed as a collection agent.

Restitution has been made by the bonding company.

Shemeley is also charged with having deserted his wife and children and this complaint is still pending, so the sentencing of the Moorestown man went over until this week.

Vincent Sinkunis, of Riverside, charged with assault and battery on Rita Steindwein on Easter Sunday, entered plea of guilty and was fined fifty dollars.

Sinkunis, while intoxicated, chased Miss Steindwein and a friend, causing the complainant to fall in a mud puddle and spoil a new Easter outfit. Sinkunis had made restitution to the extent of \$9 for the damaged Easter finery.

ITALIAN CLUB NOTES

The Italian-American Club is now located in new headquarters at 217 West Fourth street, Palmyra.

At the last meeting held on Monday evening, the coming election was discussed by officers and members. The organization now has practically 100 per cent. of all Italian-American citizens.

The next meeting will be held at the headquarters on Monday evening, at which time the coming election will be discussed in more detail.

FRIENDSHIP CIRCLE OF EPWORTH CHURCH ELECTS NEW OFFICERS

The Friendship Circle Bible Class of the Epworth M. E. Sunday School held its regular meeting and election of officers in the Guild room of the church Monday evening.

The following officers were elected to serve for the ensuing year: Mrs. Wilbur Evald, president; Mrs. Robert Adams, recording secretary; Mrs. Grover Fox, corresponding secretary; Mrs. Raymond Warner, treasurer; and Mrs. Russell O. Evald.

The retiring president, Mrs. Nathan S. Beckley, was presented with a beautiful arm chair by the members of the class as an expression of appreciation for the services rendered by Mrs. Beckley during the time she so unselfishly served the class.

Thirty-nine members were present at Monday evening's meeting.

JEWISH WOMEN

Mrs. Sclaro Elected President of Burlington County Section

The Burlington County Section Council of Jewish Women held its April business meeting Tuesday evening at the Burlington synagogue with Mrs. Sallzman, president, presiding and Mrs. Rosenbaum, hostess.

Important projects were discussed and adopted. Mrs. Fox, chairman of the nominating committee, presented the following slate for the ensuing year: Mrs. N. Sclaro, president; Mrs. Jacob Kleban, first vice-president; Mrs. So. Chalken, second vice-president;

Mrs. P. Popkin, third vice-president; Mrs. M. Puro, recording secretary; Mrs. S. T. Sachs, corresponding secretary and Mrs. Wolner, treasurer. The candidates were elected unanimously.

Installation of officers and reports will be given at the May meeting. Preparations are being made for the annual May luncheon which will be given this year at the social hall of the Burlington synagogue. Mrs. Ellis was appointed chairman of the luncheon committee and Mrs. M. Puro, chairman of the entertainment.

TWO CHANCES

Things are only half as bad as we think, and worry only blindsides the eye that might see the good half. Listen to a story:

One Negro was worrying about the chance of his being drafted for the army. The other consoled him: "There's just two things can happen, boy. You are either drafted or you are not. If you are drafted, you forget it. If you are not, you've got two chances. You may be sent to France or you may stay here. If you stay here you don't need to worry; if you are sent to France you've got two chances. They may send you to the front and they may leave you in Paris. If you stay in Paris, you're over; if you go to the front you've got two chances. You may be shot and you may not. If you're not there's no reason to worry; if you are shot you've got two chances. You may die and you may get well—and even if you die you've still got two chances."

ANNOUNCEMENT

I wish to take this opportunity to announce my candidacy for the office of Collector of Taxes for the Borough of Palmyra.

I believe that I am well known to the residents of Palmyra and that my record and reputation will stand the closest scrutiny. I have been associated with the banking business for the last eight years and a resident of Palmyra the last twelve years.

Always active in civic affairs, I am a firm believer in progress for the community. I believe that in these times of financial activity in Borough affairs a knowledge of financial matters would be an asset in the position which I seek.

I earnestly solicit the support of the people of Palmyra and if chosen for the office I pledge my every effort to conduct the affairs of the Borough in an economical and proficient manner as is possible.

CHARLES B. MARPLE.

SONNENBERG ON CAMDEN MAT

"Der Gus" Meets Alan Eustace
Monday Night; Numa
on Card

Gus is back! Those three words are enough to rouse the interest and enthusiasm of any group of wrestling fans, for the ex-Dartmouth football star, and until a year or so ago the world's heavyweight wrestling champion, has that something which makes the wrestling addicts turn out in droves whenever he is booked on a card.

And Gus will be in Camden next Monday night, nor will his visit be entirely social. On the contrary, it will be very, very business like, for the former king of the grapplers is making the trip for the sole and express purpose of giving—or endeavoring to give—a most interesting session on the mat to one Alan Eustace, otherwise the Kansas Box Constructor, who ranks as the greatest scissor expert on the mat today, to say nothing of his ability with trick arm and leg locks.

Gus needs no introduction, nor does the giant Kansas. But it will not be amiss to say that the menace from out of the West has been tearing a wide and convincing swath through the heavy ranks lately, doing nothing less than drawing one, deciding one, and throwing all other men he has met thus far on the Camden mat. His latest victim was Jack Ganson, the big, rough and tough Lay from Chicago, whom Alan trimmed last Monday night, through the simple expedient of making him quit with a Japanese arm crush over the leg, when the third and deciding fall was being fought out.

It will be remembered that Don George beat Sonnenberg for the title via the arm-lock and wrist-lock route, and Eustace is depending on the same procedure to give him victory this week. He will have 90 minutes, best two out of three falls, to make his effort.

Three good bouts support the main event. Leo Numa, Seattle, 210, meets Frenchie Louis Allaire, 215, France, in the 45-minute semi-final, and Joe Montana, 194, Camden Italian, takes on a newcomer Greek, Harry Mamos, 190, in the second bout, of half an hour duration. The curtain-raiser is also for half an hour, with Speedy Schaeffer, 168, Toledo, meeting Jewish Curley Donchin, 172, Jersey City, in the event. One fall will determine the victor in each of the supporting bouts.

CINNAMINSON NOTES

Last Thursday the dangerous crossing at Five Points, Parry, was the scene of another automobile accident. A Chevrolet coupe driven by Harry Fox, Jr., of Maple Shade, collided with a five-ton Mack truck driven by Joseph Galloway, of Wilmington, Delaware.

The truck, owned by McCormick Bros., of Wilmington, Del., did considerable damage to the Chevrolet coupe but no injuries were sustained by either driver.

Officer George Dorworth, of the Cinnaminson police, held Fox on a charge of reckless driving and at a hearing before Police Recorder Bowers in Riverton the same night, Fox was released with a suspended sentence.

The Parry Volunteer Fire Co. extinguished a grass fire in Morgan Heights last Wednesday.

A fire in a row of buildings known as "red row" opposite the colored school building in Cinnaminson was extinguished by the Riverton firemen. The blaze was confined to the chimney.

Alma Dorworth is visiting friends in Emmaus, Pa., during this week.

"LENA" BLACKBURNE TO COACH PENN A. C.

Russell "Lena" Blackburne, of Palmyra, former manager of the Chicago White Sox, will coach the Penn Athletic Club in its quest for the Eastern Athletic Club League championship this season.

The Clubmen will play approximately 30 games during the season, ten with college teams, six in the interclub league and 14 with various independent nines.

Games have been scheduled with the University of Pennsylvania, Princeton, Swarthmore, Temple, Villanova, Muhlenberg, and other leading colleges, in addition to the league and independent contests.

CHRISTIAN SCIENCE

"DOCTRINE OF ATONEMENT" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, April 17, 1932. The Golden Text is: "Christ was once offered to bear the sins of many; and unto them that look for Him shall He appear the second time without sin unto salvation" (Hebrews 9:28). Among the citations which comprise the lesson-sermon is the following from the Bible: "For the grace of God that bringeth salvation hath appeared to all men, teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world" (Titus 2:11,12).

The lesson-sermon also includes the following passage from the Christian

Riverton School Notes

The children of Miss Parker's kindergarten are studying our community helpers. First, they discussed miners. They traced the coal to the mines, finding out just what happens at each step. Then they visited the coal yard in Riverton. When they came home, Albert Reeves and Lloyd Major made a coal train and car.

They are now studying about firemen. They have observed the school fire extinguishers in the school halls. In connection with this study they planned to visit the firehouse this past week.

Three new pupils have entered their class this term. They are: Edward Hoyt, Joseph Miller, and Shirley Pennington.

During the month of February Mrs. Williams' fifth and sixth grades had a few visitors. They were: Helen Inez Planninshek, George Troutman contributed a poem for the school paper, called, "Spring." Three boys are building a model dairy farm. Everyone in the sixth grade finished his contract on time. Seven of the sixth grade pupils visited the Art Museum.

Robert Dunlap, class president, arranged a program for the room, given March 23. Those who took part were: Marie Haines, Doris Steedle, Robert Gowell, George Troutman, and Robert Dunlap. The class also made a booklet called "Life of Washington."

The members of the first grade have been busily engaged in learning to read for several weeks. They are now visiting the important buildings of Riverton and locality, and then drawing pictures of them. Two girls saw the Walt Whitman Hotel and drew a picture of it which is now on display in the room. They also expect to visit the bank and the Presbyterian Church soon.

In music they are learning the scale and are making good progress in it. They have learned a song about bells; so they are anxious to see the bells of the churches around town.

Swastika Girl Reserves

The Swastika Girl Reserves had a real jolly party last Wednesday afternoon. They met in their club room at 4 o'clock, kept their usual time, for meeting. After they had transacted business, Miss Bowe, Girl Reserve secretary, gave a helpful talk. Miss Helen Brown, president of the club, also gave a short talk.

The rest of the time was spent in roasting doggies and marshmallows and playing many interesting games.

THELMA ROBINSON, Publicity Chairman.

BASEBALL BUSES

To accommodate the many baseball fans in Camden and South Jersey, Public Service will again operate express buses from the Hotel Walt Whitman, Camden, direct to Shibe Park, Philadelphia. Buses will be operated during the season when home games are played at Shibe Park. Buses will return to Camden immediately following the games. The round trip fare has been reduced.

WESLEYANS

Men's Bible Class Will Hold Every Member Sunday

Last Sunday 92 men found their way to the Wesleyan room between the falling drops of rain and listened to Mr. Poinsett's most interesting subject, "Just Outside the Door."

William Heavner delighted those present with two violin solos.

In the afternoon 29 men attended the Burlington County Federation meeting at Riverside. Charles Geelan was named one of three as a nominating committee to suggest new officers for the county organization at its next meeting in Mount Holly.

Next Sunday will be an "Every Member" Sunday for the Wesleyans—a large crowd is expected.

Spring is coming and soon the ice will be out of all the streams. We hope also that something will happen to melt the frozen assets in various parts of the country.

LEGION PLANS BIG CELEBRATION

All Organizations Are Asked to Join in Community Program

Post Frederick M. Rodgers, American Legion, of Palmyra, is planning a notable Memorial Day celebration for Palmyra and Riverton this year.

A committee composed of the following members of the Post is in charge of arrangements: Palmer L. Adams, chairman; David Baker, A. H. Lippincott, William Cook, George W. Luce, Maurice Sandoz, Joseph G. Seal, Carl Thomas, Charles Yost, and R. E. Gowell, who is the secretary of the group.

The Post and the Memorial Day committee take this opportunity to urge all organizations in the two towns to join in this fine community celebration, not only because of the fitness and appropriateness of such a program, but because this year marks the 200th anniversary of the birth of George Washington, the Father of Our Country.

The tentative program includes a parade from Riverton, through Palmyra, and other interesting events.

A prominent speaker is being arranged for by the committee.

Charles A. Jones

Charles A. Jones, 73 years old, died at his home on Hooten's Mount road, Marlton, near Cropwell, on Wednesday morning of last week, about nine o'clock, after an illness of several months.

Funeral services were held on Saturday afternoon from his late residence. Interment was made in Old Baptist Cemetery, near Marlton.

Mr. Jones is survived by his wife and three children, Mrs. George Warrington and Mrs. John S. Miller, of Moorestown, and William H. Jones, of Marlton.

PALMYRA F. D. NOTES

The State Fire Laws demand that there shall be firemen present at all public gatherings and it has been the custom in the past for the chief of the fire department to assign several members of the department to attend all plays, etc., given in the Palmyra High School, in order to help prevent panic in case of fire, and above all to help prevent fire. Smoking in the high school has been forbidden.

In performing the above duty these men have often been called upon to stop personal friends from breaking the rules.

On one occasion recently a Palmyra man was asked to stop smoking and he in turn questioned the authority of the firemen. This placed the latter in a rather peculiar position, which made it necessary for him to stop the gentleman from smoking or to have him put out of the building.

The man in question decided that the former course was easiest. This is a warning to other persons who might be inclined to argue about the authority of the firemen, for the next time that a similar thing occurs the offender will be arrested. The firemen regret their having to take such a stand, but it seems the only thing which can be done under the circumstances.

JOHN KAVANAUGH, Publicity Chairman, P. F. D.

The Philathea Class of the Central Baptist Sunday School will serve another of its famous luncheons at the home of Mrs. Frank N. Johnson, 514 Morgan avenue, Tuesday. An excellent meal will be served from 11:30 until 2:00 p. m. for the nominal sum of fifty cents. The general public is cordially invited to be present. Reservations should be made by Monday evening.

BARRYMORE BROTHERS AT WHITMAN THEATRE

John and Lionel Barrymore make their first screen appearance together in "Arsene Lupin", now showing the last half of this week at the Walt Whitman Theatre, 46th and Westfield Avenue, Camden.

The picture is based on the famous Paris stage success with John Barrymore taking the part of Lupin and Lionel as the French detective. Needless to say both give the ultimate in acting and make this screen feature one of the season's high spots in motion picture entertainment.

The headline act this week brings a wealth of entertainment to theatre-goers of South Jersey attending the Walt Whitman. This stage act being Reisman's Alabamians, being a group of boys and girls ranging in age from sixteen to twenty-four. Reisman's Alabamians are known as movieland's jazz entertainers in a joyous, jubilant, jazzy chronology. The spirit of youth is injected into their work which means no end of pep to the offering.

NEW RIVER CHANNEL OPENED AT TRENTON

With the recent removal of ledge rock from Mud Island range, the twenty-foot channel in the Delaware river has now been completed from Philadelphia to the new Marine Terminal now under construction at the lower end of Trenton, except for scattered boulders along the edges of the channel between Roebing and Bordentown. These latter shoals project from a few tenths to about 1.5 feet above grade. Their removal is expected to be completed about June 1. There is a clear channel 300 feet wide and 26 feet deep at mean low water from the end of the 35-foot channel at Allegheny avenue, Philadelphia to Bridesburg. From Bridesburg to the new Trenton terminal the channel has a least depth (except as noted above) of 20 feet at mean low water and a width of 200 feet, widened to 250 feet at bends, to 300 feet through the Pennsylvania Railroad bridge at Biles Island, and to 400 feet in front of the new Trenton terminal. Thence to the Ferry Street Municipal Wharf the channel is 200 feet wide and 12 feet deep at mean low water. The Lighthouse Department has been requested to establish additional channel buoys and range lights between Philadelphia and Trenton.

MEN'S BIBLE CLASSES

County Federation Holds Fine Meeting in Riverside

The Burlington County Federation of Men's Bible Classes held a splendid meeting in the Riverside M. E. Church Sunday afternoon and in spite of the inclement weather the building was filled to overflowing.

Dr. A. M. Dober, of Philadelphia, was the speaker. His talk was greatly enjoyed by the large audience. A fine musical program was a delightful feature of the session.

President George N. Wimer appointed the nominating committee, as election of officers will be held at the May meeting, which will take place in the Mount Holly Methodist Church May 8.

ROGER SHANER IS FATALLY INJURED AS AUTOS COLLIDE

Palmyra High School Student
Is Victim of Two-Car
Crash

TWO OTHER STUDENTS RECEIVE SEVERE HURTS

Services for Dead Youth Held
Tuesday Afternoon at
Residence

A Palmyra lad was killed and three others injured when two automobiles collided and overturned at the Marlton pike and Crescent boulevard, Pensauken, Friday morning.

The dead youth is G. Roger Shaner, son of Mr. and Mrs. George B. Shaner, of 802 Lincoln avenue, driver of one of the cars. Two lads who were riding in the car with him were William Zaun, 18, 702 Morgan avenue, also of Palmyra; and John Chang, of 610 Thomas avenue, Riverton.

Edgar Frutchey, Jr., 35, of 1715 Chestnut street, Philadelphia, driver of the other car, suffered head cuts.

It is believed that Shaner died instantly. Passing motorists were halted and took all four to the Cooper Hospital, where the injured were treated. Neither Frutchey nor the two occupants of the boys' car could coherently tell the Pensauken police how the accident happened. The former was held in \$1,000 bail before Police Recorder George E. Yost on a charge of involuntary manslaughter.

Funeral services were held Tuesday afternoon at two o'clock from the late residence for the victim, who was in his eighteenth year and a student at Palmyra High School. The Rev. Harold L. Cramer, pastor of the First Lutheran Church of Palmyra and Riverton, officiated, and interment was made in the Morgan cemetery, Palmyra.

Pallbearers were: Ferdinand E. "Sonny" Trudel, Earl Lenker, Edward Miller, Arthur Poinsett, Edward Belz, and Lloyd Griscom. John Chang and William Zaun were honorary pallbearers.

The tragic accident cost a pall of sorrow over Palmyra high school, where the young victim was a popular student, and the many friends of the Shaner family throughout this section were deeply shocked.

Besides his parents, Roger is survived by a sister, Mrs. Dorothy Shaner, and a brother, Kevin.

TALENT DAY AT SACRED HEART PTA

George Washington Motion Picture Is
Feature of Program; At-
tendance Large

Talent day by the Sacred Heart P.T.A., on Thursday, April 14, was a huge success. About 200 members and friends of the P.T.A. were present.

The main feature of the afternoon was the presentation of "The Life of George Washington," in motion pictures. The historical background of the picture was very educational in addition to being very entertaining. It showed Washington's life as a boy, as the young engineer, as a colonel in the French and Indian War, and also his military experience prior to the American Revolution. Many events leading up to the Revolution such as "The Boston Tea Party," "Battle of Lexington," and "The War of 1812," were portrayed. The picture was so well enjoyed that it is the intention of the P.T.A. to show it again on some later date.

Little Buddy DeLaney entertained the group in his own way, by singing a novel song and also playing two drum selections. He was accompanied at the piano by Mrs. Herbert Kemmerle.

At the conclusion of the entertainment, the regular monthly meeting was held, presided over by Mrs. R. E. Sanford, president of the Association.

Ambulance Cake Sale

The ladies of the Palmyra Ambulance Association will hold its annual cake sale Saturday, May 7, in the vacant store at 13 East Broad street, Palmyra.

On the same day the men will conduct a drive for funds, instead of the regular tag sale. Details will be published later.

As the donations are small and the expenses of running the ambulance are quite large, would it be asking too much of the other organizations in the town to refrain from holding sales on that day?

APRECIATION

I desire to express my appreciation of the kindly sympathy and assistance rendered to my family by friends and neighbors following the accident in which my son was injured, and as a result of which my wife was taken seriously ill.

Freight Locomotive Runs Through
Open Derailing Switch on
Freight Siding Wednesday

Early Wednesday morning a freight engine of the Pennsylvania Railroad was derailed on the freight siding of Joseph T. Evans' coal and lumber yard.

The engine ran through an open derailing switch and plowed up a full car-length of ties before coming to a stop. The siding is located on a terraced incline and fortunately the engine did not turn over.

The wrecking crew was called and after four hours work the engine was replaced on the tracks.

ROBINSON NABS SUSPICIOUS BOY

Youth With Large Screw Driver
Caught in Alley Behind
L. L. Keating's Store

Officer Robinson of the Riverton police on one of his early morning rounds picked up John Costello, a nineteen-year-old youth in the alley behind L. L. Keating's store, 4 o'clock Wednesday.

When accosted the youth attempted to throw something away and began to run. Robinson threatened to shoot and halted the youth. He found a large screw driver and a bottle containing some drug on his person.

Robinson took the boy to headquarters where he questioned him. He claimed 41 State street, Camden, as his residence, but later upon further questioning admitted that he lived in Trenton.

Communication with Trenton police revealed that the boy, John, alias "Pinky," alias "Charlie," was arrested there last year for extortion, and was sentenced to the Mercer County Workhouse for a three months' term.

He was placed in a cell by Robinson for a further hearing before Police Recorder Cecil A. Bowers.

TELL HOW THEY'D IMPROVE RIVERTON

R. C. A. Awards Prizes to
Pupils For Best
Ideas

One of the most important branches of the Riverton Civic Association's program is the work being done among its junior members under the chairmanship of Mrs. Francis B. Elwell. The Riverton Public School has been chosen as the point of contact, and through the splendid cooperation of its board and teaching staff, remarkable results have already been obtained.

Prize Essay Contest

In order not only to rouse the young folks to a sense of civic responsibility, but also to discover just what they, as Riverton's future adult citizens, think of the town in which they live and how its appearance may be improved, a prize essay contest on "How Can Riverton be Made More Beautiful?" was inaugurated among the six upper grades of the school. The results of the contest are amazing, and enormously refreshing—at least to those adults among us who have been going smugly along, content with ourselves as we are. The dozens of really practical, sound suggestions for civic improvement made by the children were food for thought.

The fifty-nine papers submitted by the six upper grades of school were divided into three groups, and the best paper from each group was selected as the prize winner, the writer receiving a book on some phase of natural history. The papers were judged, not on literary merit, but on the practical value of the suggestions contained.

The following committee acted as a board of judges: Mrs. Francis B. Elwell, chairman; Mrs. Howard Coe, Mrs. Harry L. Rogers, J. Elmer Hahn and E. Newbold Cooper.

The fifty-nine papers submitted contained thirty-five distinct and separate suggestions for making Riverton more beautiful, almost all of them thoroughly workable. And it is interesting to note how many of the young writers considered the same improvements necessary.

BOYS INVITED TO BIG BALL GAME

John Schibe, Through Rotary,
Asks Boys to be His Guests
at Game on Monday

Strike two! John D. Schibe, president of the American League baseball club of Philadelphia, has for the second time struck joy into the hearts of the youth of Palmyra and Riverton.

In a letter from him addressed to the "boys' work" committee of the Palmyra-Riverton Rotary Club a blanket invitation was issued to all boys of the two towns of school age to attend the baseball game Monday afternoon, April 25th.

Therefore, all boys who can tear themselves away from their "reading," "ritin" and "rhymetic" long enough to witness the game between the famous Athletics and Boston are requested to be present at the Champlin Bank and Trust Co. in Riverton by 2:00 o'clock Monday afternoon.

A large attendance is expected and all Rotarians or others who can spare the time and their cars are urged to be present to help provide the necessary transportation.

For the benefit of parents, it is planned that each driver will be given the custody of all of the boys in his car, and it will be his job to take and bring back the same boys, thus eliminating the chance of any becoming stranded in Philadelphia.

The "boys' work" committee has written to Superintendent Mullis of the Philadelphia police asking for a police escort from the Tacony-Palmyra bridge to Shibe Park and return, which was granted.

This outing should provide a splendid safety valve for a lot of healthy young school boys to blow off a lot of pent up energy in the excitement of a thrilling "big time" ball game. Boys, go into a huddle with your parents and fix things for ONE GRAND AFTERNOON.

All boys who intend going will please notify the committee of Jos. T. Evans, phone Riverton 302.

Very truly yours,
CHARLES A. WRIGHT,
305 Bank avenue.

Protests Phone Boost

Editor The New Era:

I wish to publicly protest against what seems to me an unwarranted bit of sheer power of monopoly at this critical time. I was today notified verbally over the phone by a representative of the N. J. Bell Telephone Company, that a flat increase of seventy-five cents per month was to be made effective immediately. The reason being given, that the telephone company had failed to make a mile-

age charge for changes installed in certain districts. That is to say, there should be a charge for mileage on all phones outside of a city or town proper, yet still listed as LOCAL PHONES.

Now I want to know just why and when did the telephone company discover this horrible mistake, and just why did it have to make this great additional charge at a time when every other commodity is at its lowest price in many years? The answer is, MONOPOLY. There being no other method of obtaining phone service, the consumers are at the mercy of this great corporation.

The young man who called me (giving her name) said the company discovered that they had failed over a number of years to levy this mileage charge and now decides to do so. It is regrettable that this action should be taken when money of all kinds is scarce.

As I told the representative, I cannot see how this will add to the total of the company's business from those affected by this unbusinesslike decree. To the contrary, reciting my own feeling in the matter if everyone felt as I do their revenue per consumer will be cut. I will have to make this added charge. I will have to cease making out-of-town calls, my monthly bill will be less than heretofore, even with the added charge. Thus every one will curtail his use of this useful mechanical servant, and as already has been done in some cases, have the service discontinued altogether.

Is it true after all that American business is losing its self-control and like a panicky youngster seizing upon useless and tyrannical methods to solve its problem—alas, if this is true—then what?

The PEOPLES COLUMN

AN OPEN LETTER

Riverton, N. J.
April 19, 1932

N. J. State Highway Department,
Trenton, New Jersey.

I understand that the Council of the Borough of Riverton has had an ordinance introduced to close up Bank avenue between Main street and Howard street. Now I am under the impression that this is contrary to your policy and think it manifestly unjust for a few of the better class of people to endeavor to keep the bank as exclusive that the masses of citizens cannot use it and enjoy the beauties of a Delaware river.

Bank avenue was open when I moved there in 1898, 44 years ago. I purchased two properties for my two daughters at Second and Howard, between 209 and 211 Howard street, and was sure when I purchased them that they and their children would have the use of Bank avenue. Now should they close up Bank avenue, it would make a dead-end street, and would act as a great injustice to the residents of Howard street, and the citizens of the borough in general. Now some of our exclusive citizens have closed Bank avenue, or rather failed to open it. For in justice, I should say that when the late Samuel Smith owned the property, he had it closed, but I always felt that it would be a nice gesture if the citizens of the town would have it opened, and even pay damages to the owners thereof; but that as it may, I surely feel that it would be very detrimental to the citizens of Riverton to have Bank avenue closed not only between Main street and Howard, but any portion of it; for all, with the exception that I previously spoke of, has been open to the public to my positive knowledge for forty-four years, and I believe many years prior to that.

Feeling that you should be made cognizant of these conditions, I remain,

Very truly yours,
CHARLES A. WRIGHT,
305 Bank avenue.

500 PEOPLE HEAR DR. BARNHOUSE

Pastor of Tenth Presbyterian
Church, Philadelphia, Gives
Excellent Address

More than five hundred persons heard Dr. Donald Grey Barnhouse when he spoke in the Calvary Presbyterian Church, Riverton, Sunday afternoon.

Dr. Barnhouse, who is pastor of the Tenth Presbyterian Church, of Philadelphia, gave a most interesting address, which was thoroughly enjoyed and greatly appreciated by a most enthusiastic audience.

Special music was rendered by the choir and organist of the church and Alfred VanOrten, of Palmyra, very ably led the community singing of appropriate hymns.

J. Elmer Hahn, of Riverton, president of the Board of Directors of the Y. M. C. A., presided over the meeting and introduced Dr. Barnhouse, who was brought to the town through Mr. Hahn and the Y.

Dr. Barnhouse-Riverton Y. M. C. A. did a great deal for the two towns in bringing Dr. Barnhouse here and giving the general public an opportunity to hear such a wonderful speaker.

He is one of the foremost ministers in the city of Philadelphia at the present time.

'PARENTS' NIGHT' IS BIG SUCCESS

Large Attendance at Annual
Event of Riverton PTA
Monday Night

"Parents' Nights" at the Riverton school was the crowning success of a successful year. A splendid turnout of fathers and mothers arrived early and thronged the school rooms, where the teachers gave cordial receptions and interested explanations of the attractive work exhibited by each grade.

An instrumental quartet of Burlington gave the opening number of the meeting followed by the P.T.A. chorus whose members were greeted with most enthusiastic applause.

Mrs. Elwell spoke of Mr. Cooper's value to the school during the two years of his principalship and spoke with regret of his resignation. Mr. Cooper in reply said the two factors instrumental in the school progress were the group of trained teachers he had to work with and the unusually receptive group of children. He promised his continued interest in the school through his own youngsters.

Miss Marjorie Hardy, of Germantown Friends' School, gave the address of the evening. She is known nationally in educational circles for her work and the primers she has written.

Miss Hardy says that we send a child to school to develop into the person we want him to become. The aim of the modern school is to produce an atmosphere in which this will take place. Knowledge and character, she explained, are the two things that should be developed in the child's intellectual curiosity is awakened by correlating what he should know with what his interests are.

The meeting was concluded with more music by the Burlington instrumental quartet. Winifred Wilson, who presided throughout the evening, was such a successful chairman that some suggested she hold the chair annually.

Mrs. Elwell made the following announcements—mark your calendar with the dates:

Monday, April 25th, at 2:15, in kindergarten room, discussion under the able leadership of Mrs. Nina G. Frantz, of Moorestown.

Thursday, April 28th, at 2 p. m., in Baptist Church, Burlington, Southern Jersey P.T.A. Conference, Mrs. Little, speaking.

Mrs. Elwell also spoke of the annual summer round-up, this year conducted by Mrs. Tull. Examination of pre-kindergarten children to be held in the school on the 19th of May, when Dr. Rogers and Dr. Dunn will both be present.

ROTARY IS THIRD IN ATTENDANCE

Palmyra-Riverton Club Manages
To Hold Its Place in
50th District

Palmyra-Riverton held its position as third in the attendance figures for the 50th Rotary District, during March. This item of information was contained in the goody bag monthly letter read last week, and ordered filed for reference. The club was pleased to have visited Rotarians from Camden, Moorestown and Mount Holly clubs, plus a member of the Camden Lions' Club.

Joe Low continued the program of the International Committee by reading a two minute article of the origin, development and present status of the International Settlement at Shanghai. The club seemed interested in the description of how this bit of territory is governed and the cosmopolitan population residing there.

Guy Hendry, of the Mount Holly club, gave an interesting talk on boys' work, including several practical suggestions for activities, that have already been successfully carried on by Rotarians. Among these were the playing of musical instruments in the hands of boys who had a craving to play; over-night camping trips; a hobby show; the fostering of public speaking; demonstrations of etc. etc.; and the stimulation of vocational thinking among boys, by giving them contacts with men whose interests are similar.

A "boy-life" survey of the community is always helpful," said Mr. Hendry. "In finding out what ALL the boys, regardless of race or creed, really want to do."

Mr. Hendry congratulated the club on its support of the Y.M.C.A. camp and told of the need there, for several new tent houses, which would increase the capacity.

ASKED TO CLOSE BANK AVENUE

Three Property Owners Ask
That Street be Vacated Be-
tween Main, Howard

The first step toward closing Bank avenue was taken last Thursday night when an ordinance was passed first reading by the Riverton Borough Council providing for the vacation of Bank avenue from Main street to Howard street.

The ordinance was presented by Attorney Joseph Beck Tyler, representing John Crawford, Claude J. K. Anderson and the Provident Trust Company, of Philadelphia, trustees for David Henry Wright, the property owners affected by and petitioning for the closing of the street.

A public hearing on the ordinance will be held in the Council Chamber, May 12.

Ordinance Questioned

In speaking on the ordinance, Frank Strohlein raised the question of maintaining street lights and fire hydrants on what will become strictly private property if the ordinance is passed, saying that it did not seem fair to the taxpayers to expect them to pay for these public utilities on private property. He was assured that no public funds would be expended on private property.

Councilman Elwell asked Mr. Tyler if the property owners intended removing the roadway and turning it into a private driveway, as it now occupies, Mr. Tyler replied that he did not know, but that the owners had discussed leaving it open for their own use.

Councilman Gorham P. Sargent suggested that to vacate this end of the street would establish a precedent which would encourage the property owners on the other end of the bank to press the proposition advanced a short time ago to close that end also.

To Repair River Wall

Mayor William E. Bennett said that the condition of Bank avenue from Main street to the borough line had been a source of concern to him for many years, and that he believed Council should take the initiative in seeing if something couldn't be done to improve it. He said that as far as he knew no serious effort had been made by individuals to have the wall repaired and the lawn put in good condition, nor had council taken steps to this end, and that he would entertain a motion to appoint a committee to make a thorough investigation of the whole matter with a view to ascertaining just what the borough officials could do.

Councilman Walter K. Woolman said he believed the borough had the legal authority to remedy a condition so detrimental to the town as a whole.

BOILED OIL EXPLODES

While M. W. Willis was experimenting with the refining of oil by boiling it on the gas stove at his home, 822 Columbia avenue, Monday, the oil caught fire. The Palmyra fire department responded and soon had the flames under control.

HURT BY FALL ON BOAT

Albert Bugland, 931 Fern street, Camden, was severely injured last Friday when he fell into the engine room of R. M. Hollingshead's yacht, which was anchored in the river off Palmyra. Bugland, who was working on the yacht, fell on the engine and suffered serious injuries to the head and body. He was treated by Dr. Rogers and sent to Cooper Hospital in the Palmyra ambulance.

'PANTS' BURGLAR' CAUGHT

The notorious "pants" burglar, whose activity in and about this neighborhood has been the subject of considerable talk, was finally captured by Burlington police. It is said that he admitted the Horton robbery in Riverton some little while back.

DEDICATION OF TREE IS PART OF PROGRAM

Child Study Group Holds Ex-
cellent Meeting; Mrs.
Pimm Is Leader

Mrs. William F. Little, of Rahway, state president of the New Jersey Congress of Parents and Teachers, was the principal speaker at the meeting of the Palmyra P. T. A. held in the high school auditorium, Tuesday evening.

Mrs. Little will long be remembered by her audience for her most inspiring, educational and instructive address.

The program included the dedication of a tree recently planted by the association. Mrs. Little spoke into the prayer and Mrs. Sherman L. Warren, of Riverton, dedicated the tree. John Pasquale, of Philadelphia, sang "Trees." This was a very beautiful and impressive ceremony.

Mrs. Pasquale, accompanied by Mrs. Robert Sims, delighted the audience with a number of beautiful selections. In her talk Mrs. Little spoke of the importance of the P. T. A. and the necessity of P. T. A. associations.

She stated that this organization differs from any other and its membership is constantly expanding. All are invited and eligible to membership. All walks of life are represented in this organization.

In the state of New Jersey there are 7,000 paid-up members. All of which are a force for good, all have one vital point of interest, the welfare of the school child.

The New Jersey association is working to uphold the highest school standards. Mrs. Little pointed out the necessity of keeping a working budget. Not to cut down running expenses at the expense of the child's training. It is the duty of P. T. A. to help the school board carry on its work and allow the managing of the school to be in the hands of those trained for that work. The P. T. A. should be the powerhouse of the community.

The child study group, which preceded the regular meeting was conducted by Mrs. Ira B. Pimm. The subject was "Funding a Job."

Mrs. Pimm pointed out the necessity of surrounding the child with the finer things of life, such as music, literature, etc.

Parents should cooperate in every way possible in order to help the child find his life work.

On April 28 there will be a meeting of the Burlington County Council at Burlington. Transportation will be provided all those wishing to attend. For information call any officer of the P. T. A.

TWILIGHT LEAGUE IS REORGANIZED

Will Open 1932 Season on Monday Evening, May 2; Six Teams Entered

At the reorganization of the Twilight Baseball League of Palmyra on Friday evening, plans were made to open the 1932 season on Monday, May 2.

Six teams will compete. They are: Frank King's ambiers, Parry A. C. Rogers' Newsboys, Knights of Columbus, Artisans and the Baptists. One or two other teams may be added.

All games will be played at the Palmyra High School grounds on Mondays, Tuesdays and Fridays. Games will start at 8:30 p. m.

The spirit revealed at the meeting indicates very keen competition and the base ball fans of the community will be able to witness real baseball.

"Andy" Pratt has strengthened the Knights and has already given notice that his team will be hard to beat.

As in the past, no admission charge will be made, but expenses will be met by free will collections only.

It is hoped the entire community will support the league, as in the past years, and that no team may lack supporters.

Twilight baseball depends entirely on each individual. Will you help?

CARD PARTY

Independence Fire Company, of Palmyra, will hold a stag card party in the fire house, West Broad street, this evening.

It is hoped that all men in this vicinity will make an effort to be present and help make this event the most successful of its kind held recently.

Valuable prizes will be awarded the lucky players and a good time is promised all who attend.

The members of the fire company promise a real card party, for real men.

JOHN KAVANAUGH
Publicity Chairman, P. F. D.

William Horr

William Horr, five years old, son of Mr. and Mrs. Maurice Horr, of 235 South Fifth-street, Philadelphia, died of pneumonia in the Municipal Hospital, Philadelphia.

William, who was a grandson of Mrs. Helen Romm, of Palmyra, had been ill for the past two weeks with scarlet fever.

Services were held Monday afternoon at the hospital chapel and in turnment was made in the Montefiore Cemetery, Fox Chase.

Esides his parents, the lad is survived by a sister, Bernice.

PARRY CLUB TO OPEN SEASON

Tom Shortin Is New Manager; Will Play at Palmyra Extension

The Parry Baseball Club will open the season on Sunday, at which time the Public Service Electric will be the opponents.

Tom Shortin, the club's new manager, has a large squad from which to pick his starting line-up.

These fighting for regular positions are: Bob Alexander, Emil Schrader, Ernie Schuck, Dave Phelan, Johnny Higgins, Will Mewvitch, Bill Phelan, Jack Windish, Bill Regal, Tom Lemmons, George Malley, George Swain, "Gross" Wallace, Howard Shuck, Eddie Malley, Al Thomas, Fred Schrader, Harold Shuck, Chick Bauer and George Wallace.

The manager is well satisfied with the boys and will try to give them all a fair chance on Sunday.

All Sunday games will be played at the Palmyra Extension Field.

Fox Chase, Second Ward, Belfield, Quaker City Pros, West Philadelphia Cardinals and Nicetown are some of the clubs booked for Sunday games at the new diamond.

All the ball fans in this section are asked to come out and help support the boys.

Games start at three o'clock.

THANKS

The Boy Scout Mothers of Palmyra wish to take this opportunity to thank all those who in any way helped make the recent movie benefit such a success. They especially wish to thank the management of the New Broadway Theatre for the fair way in which the event was conducted.

180 PLANES IN "HELL DIVERS"

Sensational Air Show High Spot of Picture at Palmyra Theatre

One hundred and eighty naval airplanes, in perfect formation, diving and looping in sensational evolutions, is one of many thrills in the latest film drama of the air, "Hell Divers", co-starring Wallace Beery and Clark Gable at the Broadway Theatre, Palmyra, Saturday.

Acting of Beery, Gable, Conrad Nagel, Dorothy Jordan, Marjorie Rambeau, Marie Prevost and others in a cast of unusual importance, is interspersed with some of the greatest thrills ever staged by the navy. The battle maneuvers in Panama, with swarms of planes in the air, and the sensational new Curtiss-Wright "Hell Divers", hurtling themselves into space, two miles in less than thirty seconds, the landing of a giant Zeppelin on the airplane carrier Saratoga, and sensational landings and takeoffs from the gigantic vessel, are among the things caught by camera and microphone.

Through these runs a vivid drama of life with the fighting fleet. Beery is seen as a grizzled veteran of the aviation service, and the central romance, which is a love story with something actually heroic in it, takes place between him and Miss Rambeau who plays a Panama resort keeper.

I. O. O. F. NOTES

Cinnaminson Lodge No. 201, I. O. O. F., of Palmyra, entertained Merchants Lodge and its installing staff on Friday evening of last week. The work was most enjoyable.

Monday evening, the installing staff of Cinnaminson Lodge, headed by Raymond L. Bailey travelled to Haddonfield and installed the Morning Star Lodge, No. 70. The work was done to perfection.

Everyone complimented the staff on the niceties of the work. The usual refreshments and table talk followed each of these meetings. It is a mystery to most of the men concerning the appetites as soon as they get away from home.

Dates of importance which should be remembered by all Odd Fellows are: Friday, April 22, First Degree Competition between E. Greenwich and Burlington, No. 22, Lodges, at the Cinnaminson Lodge rooms.

"Y" BOYS WILL GO TO RUTGERS UNIVERSITY

Twenty-five members of the Palmyra-Riverton Association will be present at the Y.M.C.A. Day program to be held in Rutgers University, Trenton, on Saturday, April 30.

The program will open at nine o'clock and will be continued throughout the day. Luncheon will be served from 11:45 to 12:45 o'clock.

The Scarlet Key and Glee Club of the University will assist in entertaining the Y.M.C.A. members.

Cars are greatly needed to transport the Palmyra and Riverton lads. Anyone wishing to volunteer the use of his car is asked to call Riverton 504 and inform Wilton E. Mount, the "Y" secretary concerning same.

NEW PLYMOUTH BOOMS INDUSTRY

Plant in Detroit Turning Out Cars at Rate of Two a Minute

One of the major factors in the present spring drive of the automobile industry is the appearance of the new, finer 1932 Plymouth cars introduced April 2nd and the consequent manufacturing and distributing activities which are planned on a scale likely to exceed all previous records of the company.

In anticipation of the heavy influx of orders for the new models, the huge Plymouth plant in Detroit has been turning out cars at the rate of two a minute on a production rate that has not been equaled since last fall. Approximately 2,000 have been added to the Plymouth payrolls in the past five weeks. This gives a total that is greater than at the peak last year when the successful 1931 Plymouth model, featured by floating power engine mountings, was introduced.

100,000 Units Built

While employment at the Plymouth plants has been on the uptrend, P. C. Sauerbrey, vice-president in charge of operations, emphasized that only former employees of Plymouth and other Chrysler Corporation divisions are being rehired and no out-of-town labor is being engaged.

Plymouth, last year, was one of the outstanding achievements in the motor car industry. With the introduction of the car the company went from relatively low levels of production to a volume never before accomplished by this Chrysler unit. During the last six months of 1931, more than 100,000 cars were built and distributed through the dealer and distributor outlets of Chrysler, Dodge and DeSoto, the entire Chrysler Motors dealer organization being utilized for the mass distribution of the new, low-priced car.

In the preparatory month of June last year, with which current operations are comparable, a total of 11,530 units were built and shipped. The new car was introduced early in July, following which there was a period of exceptional activity. July production more than doubled that of June and a total of 23,770 cars were turned out. In August Plymouth built 28,522 of the new cars. In September, following the season trend that marked the first of last year, production dropped to 14,439.

On Par With June

Despite unfavorable trade conditions in the last quarter of 1931, Plymouth maintained satisfactory levels and continued the model into the new year, exhibiting the cars at the motor shows throughout the country.

Present manufacturing operations are on a par with June of last year. The new series of cars was entered in production about six weeks ago, approximately 12,000 were built before the end of March, while April schedules call for more than double this number. Further increases are expected for May and June, according to Mr. Sauerbrey, who said the initial production trend would probably follow that of last year.

The possibility of greater increases than were experienced last summer with a less pronounced decline following the peak months is indicated in Plymouth's expectation of a total production for 1932 of more than 200,000 cars. This would approximately double last year's output.

'POLLY OF THE CIRCUS' AT WHITMAN THEATRE

There is enough entertainment for the entire family in "Polly of the Circus", Marian Davies new starring vehicle which opens at the Walt Whitman Theatre Sunday for the entire coming week.

It is the ideal screen presentation, containing just what young and old look for on the screen.

Everybody loves the circus and there is the most thrilling view of tragedy acts right at the start.

Clark Gable plays opposite the star offering another real piece of screen acting that has made him the most popular male star on the screen today.

For the last three days of this week a splendid bill of greater vaudeville is being offered in conjunction with the Metro feature photoplay, "The Beast of the City", featuring Jean Harlow and Walter Huston in a story of the vice and corruption that confronts every city today.

ORGAN RECITAL AT M. E. CHURCH

Services Sunday Evening With Mrs. Rachel Lord at the Console

The Sunday evening service at the Epworth Methodist Episcopal Church will feature an organ recital with Mrs. Rachel Lord at the console. The famous composition by Clarence Kohlmann, "The Storm," will be played.

This is a descriptive number of a night in camp. The dawn breaks and bursts into the glory of day with the hymn "When Morning Gilds the Sky." The glory of nature and the greatness of God are expressed in "The Heavens Are Telling" from "The Creation."

The afternoon arrives with the approach of a storm. The bell in the church steeple on the hillside strikes five. From the church comes the sound of the beautiful hymn "Abide with me, fast falls the eventide, the darkness deepens, Lord, with me abide."

The storm is gradually drawing nearer and presently breaks in all of its fury. The rushing wind howls and roars, the rain descends in torrents, the fearful thunder crashes. The storm passes and through the last rumblings of the thunder comes the hymn "Rock of ages cleft for me."

The skies clear and darkness spreads over the valley. The bugle in the distance sounds "Papa" and real comes at last with the strains of "Home, Sweet Home."

Mrs. Lord is well known in the community as a master of the organ, and this selection will be a real treat to all music lovers. The service will start at 7:45 promptly and this selection, which takes about twenty minutes, will be the beginning of the program.

After reading the following sign, "All Eggs eggs you can eat for a quarter," Charles Hunsyrie, of Toledo, Ill., started eating and was on the 55th egg before he choked and collapsed.

ADDITIONAL FUND FOR LOCAL RELIEF

Palmyra Council Votes Another \$1,000 to Aid Unemployed

An additional \$1,000 for unemployment relief was appropriated by Palmyra Borough Council Tuesday evening to match an extra \$1,000 which has been obtained from the state.

The original \$6,000 fund, of which the state contributed \$2,000 and the borough in cooperation with the Palmyra Welfare Association raised \$3,000, has been exhausted, according to the report made to Borough Council by Councilman George N. Wimer, who is Relief Director for Palmyra.

Mr. Wimer said it required from \$250 to \$300 a week to carry on the relief work, one day's work a week at \$3.00 per day being given to over one hundred unemployed men. This \$3.00 is all these men have with which to feed their families for a week.

Less money than formerly is being donated by the public, although the Legion canvass is now raising about \$50 per week, and a larger amount is hoped for when this campaign is completely organized.

The state requires an elaborate system of reports which Mr. Wimer has difficulty in finding time to attend to. He receives no remuneration for his services. Plans were discussed by the councilman for relieving the relief director of some of this red tape.

Councilman Spahr reported that the pavement had been completed in front of the Y. M. C. A. building and that the corners were being rounded at Elm avenue and Broad street, to make it easier to make the turn. The railroad crossing at Park avenue is to be improved.

Collector Low was instructed to start suit to recover \$1,000 back taxes from the old ferry company.

Palmyra council joined with Riverton council in requesting the removal of the trolley tracks from Broad street, as the county would widen the street at its earliest opportunity. This action was taken at the request of the Riverton Civic Association, which is seeking to have the road improved all the way to Riverside.

MANY ARTISANS ENJOY REUNION AT APRIL MEET

More Than 300 Members Present at Tuesday's Session in P. O. S. of A. Hall

WRESTLING EXHIBITION DELIGHTS THOSE PRESENT

Three of the Original "Four Horsemen" Attend: Built Up Palmyra Assembly

One of the largest crowds in years attended the regular meeting of the Palmyra Artisans Tuesday night.

Two features of the meeting were the large attendance, which was estimated to be in excess of three hundred, and a wrestling exhibition which followed the business session.

The wrestling exhibition displaced the usual show of vaudeville and was conducted by "Billy" Clark, popular referee at the Philadelphia Arena. John Kulsiek and Al White, two wrestlers familiar to most fans in South Jersey, gave the exhibition.

Their demonstration showed various ways of wrestling, different holds and how to break them, the methods of application for numerous grips, and some of the illegal means sometimes used in making a decision over a mat foe. In addition, the two wrestlers put on a ten-minute exhibition match and answered the various questions of the assembled Artisans.

An orchestra supplied music before and after the wrestling exhibition and supplied several novel changes to the ordinary playing of popular jazz music.

The entire meeting took the form of a reunion, many Artisans who had not been present in years attending the April session. Attendance for the assembly, which had been decreasing, took a decided uptick, and was approximately double that of the past several meetings.

The reunion meeting was in charge of Master Artisan William Duffaway and Membership Chairman Arthur P. Wright.

Visitors from Northwestern Assembly proved to be three of the original "Four Horsemen," the men who really built up Palmyra assembly when it was in danger of disbanding because of lack of members. The three members of the quartet, "Doc" Lott, "Si" Evans, "Loot" Nichols, addressed the assembly, as did Most Excellent Inspector Jack Hiley.

All spoke of the growth of the Palmyra chapter and witnessed the further growth as a new candidate was initiated. It was also learned that the Palmyra assembly will enter a team in the Palmyra Riverboat "Twilight" Baseball League for the second season. The Artisan team last season finished in second place.

22 BOY SCOUTS ENJOY HIKE TO B. S. CAMP

About twenty-two of Troop No. 2, B. S. of A. Palmyra, enjoyed a hike to the boy scout camp on Saturday afternoon.

The older fellows looked after the two or three younger ones. The hike was accompanied by Scoutmaster Weiland.

Individual camp sites were picked and baggage stacked in short order. Water details were formed immediately, to satisfy a thirst that suddenly developed, side trips and games were enjoyed.

During this period two of the boys, Baird and Wier, passed tracking. Other tests passed were second class cooking by D. Wier, A. Mohrman and C. Lomae. Merit badge cooking by N. Bauer.

Next week the boys will hold a first aid contest. The patrols will compete. Parents of boys in Troop No. 2 and all others interested are invited at all times to visit the boys meetings.

PALMYRA GIRL WINS HONORS IN MUSIC

Andrew Welsh Imbrie, 10, of 90 Hibben road, Princeton, N. J., was awarded the blue ribbon for first place in the semifinals of the Junior Tournament for Pianists held Tuesday at the Presser Building, 119 Chestnut street, Philadelphia. Martha J. Martin, 9, of 14 Charles street, Palmyra, N. J., won second place a blue star.

Ernest Schelling, conductor of Philadelphia Orchestra children's concert, was the judge and made the selections from nine other finalists.

SENIORS ENJOY TRIP

Seventy-one members of the senior class of Palmyra High School enjoyed the annual trip to Washington, D. C., during the past week.

The class left Palmyra on Thursday morning and returned Saturday evening.

Miss Ermyrn Jewell, Miss C. Elizabeth McDonnell and Purle Wolfe were the chaperones.

They visited all places of interest at the capitol and Mount Vernon, stopping at the Capitol Park Hotel.

TO ELECT FOUR COUNCILMEN

Four Councilmen will be nominated in Palmyra at the May primary. The regular terms of Councilmen Davis and Ward expire, while the unexpired terms of the late Councilmen Fisher and Bradley, now filled by Councilmen Lippincott and Mervine, must be voted upon. All four councilmen are candidates to succeed themselves.

SPEAKER

CHARLES R. SCOTT
State Boys' Work Secretary, who addressed the Y. M. C. A. Auxiliary on Wednesday afternoon of last week, at the home of Mrs. J. Elmer Hahn.

AUXILIARY HEARS CHARLES R. SCOTT

Ladies Will Hold Cake Sale For "Y" on Saturday, April 23

The Women's Auxiliary of the Palmyra-Riverton Y. M. C. A. held the regular monthly executive session at the home of Mrs. J. Elmer Hahn, 624 Thomas avenue, Riverton, Wednesday of last week. The members were served with a delicious luncheon by the hostess.

Mrs. Charles Yost, president, called the meeting to order and presented Charles R. Scott, State Secretary for Boys' Work, to the group. Mr. Scott told of many things that this group could do to aid the local "Y." His theme centered around the four "R's" of a boy's environment, namely, his room, his reading, his recreation and his religion.

Mr. Scott was well qualified to speak in this manner having been the state boys' secretary for more than thirty years. He had the honor of being on the committee that called on President Taft to become the first honorary president of the newly formed Boy Scouts of America. Recently he alluded to his work as sponsoring the State Older Boys' Conference at Haddonfield and the Employed Boys' Conference at the State House in Trenton. Mr. Scott gave the ladies much to think about in the field of boys' work in the community.

The ladies voted to hold a cake sale for the benefit of the "Y" on Saturday in order to help redecorate the social room. They agreed to act as hostesses and serve the refreshments at the Camp Rally and Reunion to be held on Tuesday, May 10 at the "Y" for boys and their parents. The next regular meeting of the Auxiliary will be held at the home of Mrs. Nathan Lane, 305 Highway, Wednesday, May 11, at one p. m.

P. O. S. of A. NOTES

The debating team of Palmyra High School gave a repetition of their debate, "Resolved That Russia's Five Year Plan Should be Adopted by the United States," in P. O. S. of A. Hall, Monday evening.

The debaters were as follows, Affirmative: Carrie Bates, Catherine King and Ruth VanSeiver. Negative: Lloyd Grineom, Lionel Klevan and Carl McAllister. Miss Edna Ziegler of the high school coached the debate and introduced the speakers.

Members of Camp 23 were well pleased with the work and praised the initiative and research of those taking part as well as the work of Miss Ziegler. The Camp hopes to have the pleasure of hearing these pupils debate at some future date. Several guests were present as well as a representation from the Pioneers. Friday evening the Degree Team staged an initiation at Pitman. Seven candidates were given the work. A good time was had by everyone who went and a royal welcome was given the delegates by the Pitman Camp.

MAY 14TH DATE FOR HORSE SHOW

Committee Predicts Show Will be Finest Ever Held; Many Events Scheduled

The committee, of which William F. Reeve is chairman, reports that plans have been practically completed for the Horse Show to be held at the Moorestown Field Club, May 14, for the benefit of the Cinnamon Home for Convalescent Women, and that there is every indication of greater interest and a better show than has ever been held locally.

The twenty-three classes scheduled will be judged by men of exceptional qualifications. Leader Riddle, of Clay Riddle, Pa., is a recognized expert in equine matters. His colleagues will be Col. Edward C. Rose, 112th Field Artillery and Hon. Harry S. McDewitt, President Judge of the Court of Common Pleas, Philadelphia, who is a keen horseman and president of the Philadelphia Riding Association.

New features of the program will include a Parent and Child Class to be judged as to the quality and performance of mounts, horsemanship and the way of going as a pair; a Good Hands Class, in which horsemanship only will be judged, and a trotting race for horses under saddle under riders, promises to afford sharp competition and will doubtless be featured by more or less "horse play."

A spectacular feature will be the showing of a number of six horse hitchers, in which event exhibits that have won highest honors in championship competition are included. As evidence of his interest in the beneficial work of the managers of the Cinnamon Home, Hon. Albert C. Middleton, State Treasurer, is contributing a handsome trophy to the winner of the Championship Saddle Horse Class, which is open to competition by all winners of all other saddle classes.

With a view to making the show attractive to everyone in this locality who has an available horse, certain owners of horses that have previously won have suggested that their horses be excluded from local saddle horse classes and the committee has approved the suggestion.

LEGION DRIVE NOTES

The amount collected last week by the Legion Welfare Committee was \$48.03.

The committee had hoped to be able to announce a much larger amount and we are sure that the amount will gradually increase for the remainder of the drive.

The Scouts are giving much of their time and those people of Palmyra who are not asked to make any donation to assist them in this work should endeavor to do so.

The committee has had a number of the collectors to report that the public is under the impression the Legion is to receive some benefit from these funds. This is emphatically denied. Every cent collected goes to the Borough Welfare fund. The only expense item is the cost of the printing of the envelopes.

The collectors have endeavored to see that everyone has an opportunity to contribute. In some cases they have been unable to call back in event the family was not at home on the first call. If you have been missed and wish to contribute call Al Lippincott, Riverton 34, and you will be given the chance to do your bit. Help the collector by having your envelope ready when he calls.

Mrs. Robert McCamy

Mrs. Robert H. McCamy, mother of William A. McCamy, cashier of the Palmyra National Bank, died at her home in Tacny, Philadelphia, Pa., Tuesday evening.

Funeral services will be held Saturday afternoon from the late residence, 4400 Tyson street. Interment will be made in the West Laurel Hill Cemetery.

A daughter, Mrs. Charles H. Dunker, of Philadelphia, also survives Mrs. McCamy.

OIL STOVE EXPLODES

Two o'clock last Thursday afternoon an oil stove in the home of Elwood Haines, Parry, exploded, setting fire to the kitchen. The Parry Volunteer Fire Company rushed to the scene and quickly extinguished the blaze. The damage was estimated at approximately \$200.

G. S. MOTHERS WILL HOLD BIG FOOD SALE; URGE ALL TO HELP

The Girl Scout Mothers of Palmyra held a very interesting meeting at the home of Mrs. Horace Ross, 913 Washington avenue, on Wednesday evening of last week.

The mothers are anxious to increase the membership and all mothers and anyone else interested in Girl Scout work are urged to join. The dues are ten cents per month.

A food sale will be held in the vacant store at 13 E. Broad street in the near future. All mothers are asked to give or to buy. Proceeds from the event are to be used for camp activities during the summer.

Camp opens August 14 and closes August 26.

There are still vacancies and anyone wishing to go may register at the next Girl Scout Mothers' meeting, which will be held May 11, at eight o'clock at the home of Mrs. Ross.

C. H. HABFAST IS HONORED BY P. S.

Employee of Concern for 25 Years; Is Tendered Testimonial Dinner

Twenty-five years in the employ of Public Service Electric and Gas Company, Charles H. Habfast, of Lincoln avenue, Palmyra, superintendent of gas distribution at Burlington, was tendered a testimonial dinner by his fellow workers on Monday evening last.

The dinner was held in St. Mary's Guild House, Burlington, and more than one hundred attended. A gold service button was presented Habfast, the presentation being made by Harry Ellis, assistant general superintendent, gas distribution department.

An easy chair, a gift from his fellow workers, was presented by Ferdinand Rose, of the Burlington commercial office. Speakers included James H. Galt and Ferdinand Rose, of the Public Service and William D. Miller, of the Queens Borough Gas and Electric Company, New York.

Mr. Habfast entered the employ of Public Service as a clerk in Camden. He was made superintendent at Burlington nine years ago.

STAMP COLLECTORS TO MEET MONDAY NIGHT IN Y. M. C. A. BUILDING

Requests were made by so many fellows in Palmyra-Riverton "Y" Groups and outside to be given an opportunity to get together and compare their stamp collections and to hear more about how to secure worthwhile stamps. To meet this insistent demand the "Y" through the interest of Stanley Black, local mail carrier and stamp collector, along with Frank Halley, of Palmyra, have arranged a meeting of all interested persons at the "Y" Social Room, Monday evening at 8 p. m.

J. L. Metzger, chairman of the Boys' Work Committee will preside at this gathering. Parents as well as boys are invited to attend. If there is sufficient interest other meetings with these local and other well known collectors will be held. This particular meeting is open to any boy whether a member of the local "Y" or not.

An exhibit table will be made of boys' collections with their names listed below. Fellows desiring that they be given this privilege will meet that afternoon after school and help arrange the display.

It will be of interest to learn who has the oldest stamp, the rarest stamp, the newest stamp, the stamp of a country the greatest distance from our own. Well, be sure and come to the YMCA Monday, April 25, and see and hear all about stamps.

Prayer Meeting next Wednesday evening at the home of Mr. and Mrs. Walter Pike, 517 Lecony avenue.

Wesleyan Men's Bible Class

Last Sunday the "barometer" broke when attendance reached the 150 mark.

It was a day that caused great joy among the Wesleyans, and the thought that 150 men crowded the class room to listen to Mr. Polunet's subject, "The Grand Elements of Christianity," describing the past and future life of the Christian, was most inspiring. The Dunbar Male Quartet also received much applause for the three numbers rendered.

On Monday the class held its regular monthly social meeting. Rev. Kenneth P. Stevens, of Burlington, was the speaker. This was well attended and it is planned to make the monthly meetings just as attractive as the Sunday meetings.

Central Baptist

CHRISTIAN SCIENCE

"PROBATION AFTER DEATH" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, April 24, 1932.

The Golden Text is: "He knoweth the way that I take: when he hath tried me, I shall come forth as gold" (Job 23:10).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Yes, though I walk through the valley of the shadow of death, I will fear no evil: for thou are with me; thy rod and thy staff they comfort me" (Psalm 23:4).

The lesson-sermon also includes the following from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The dream of death must be mastered by Mind here or hereafter. Thought will waken from its own material declaration. 'I am dead,' to catch this trumpet word of Truth. There is no death, no inaction, diseased action, overaction, nor reaction. Life is real, and death is the illusion" (pp. 427, 428).

LUTZE, NUMA WILL RENEW WARFARE

Popular Mat Idols to Meet at Camden Convention Hall Next Monday

The time, January 18, 1932; the place, Camden Convention Hall; the setting, a wrestling mat and four thousand rabid fans; the principals, two of the outstanding heavyweight grapplers of the day.

That was the first introduction fans in this section had to Leo Numa, the lion of Seattle, who was destined to gain their hearts in a big hurry, and hold their affection into the future. For he stepped upon the mat that night an unknown, just a genial, giant-like, ruddy-faced young fellow, to face the veteran Nick Lutze, who was fresh from a 90 minutes one-fall each draw with ex-Champion Ed Don George and an equally sensational and bruising half-hour draw with the bear-like Dan Koloff.

In the mind of every fan and faness present there lurked something of the idea that here was meat for the wolves, a young and willing, but inexperienced, grappler who was to be sacrificed on the altar of the mat god under the attentions and manipulations of the mighty Lutze, bent on gaining more than a draw in his third straight start on the Camden mat.

But Lutze was doomed to disappointment. In fact, the way the Lion of Seattle came down the stretch for the last ten minutes of that half hour made things look very unfavorable for the Californian, had the time been 45 minutes instead. For Numa, with his youth, strength, speed and courage, gave Lutze about everything included between the covers of the old book, and Lutze felt thankful indeed that he received nothing less than a draw at the time bell. The match was a sensation for everything that the best in wrestling by the rules would indicate—sportsmanship, science, speed, courage—everything—and the echo of the final bell had scarcely faded away ere demands arose that this pair be matched for a final bout. Promoter Grip made negotiations toward this end, but Lutze was called home to the deathbed of his father, to return to the mat only recently, so that it is only now that the match has finally been closed, and on next Monday night these two greats of the game will have it out, best 2 out of 3 falls to win, 90 minutes time limit.

Three bouts support the main event. Jim Browning, 230, California, and Mike Getson, 230, Russia, meet in the semi of 45 minutes; John Spellman, 208, Providence, and Joe Montana, 194, Camden, in the second number of 30 minutes, and Speedy Schaefer, 170, Toledo, and George Pete, 170, Oregon, in the opener, also of 30 minutes. One fall will determine any of the time limit supporting bouts.

HAD DRIVING LICENSE
Rumors to the effect that Roger Shaver, of Palmyra, who was killed in an automobile accident last Friday, was driving without a license are unfounded. His license was with his other personal effects when they were turned over to the family following the accident.

MARK TUESDAY ON YOUR CALENDAR

That is the Date of the Needlework Guild Bridge Luncheon. Proceeds for Guild Work.

On Tuesday, the 26th of April, the annual bridge luncheon, benefit for the local branch of the Needlework Guild will be held at the home of Mrs. Stewart Clark on Golf road, Riverton. Luncheon will be served at one o'clock, followed by cards, for which 75c will be charged; either luncheon or bridge, 50c each. Reservations may be placed with Mrs. William Hendrickson.

Beside being a thoroughly enjoyable social affair, this annual benefit is a charity project of very great importance to the work of the local branch. Proceeds will be applied to the purchase of sewing and knitting materials for next season's program, and unless a generous response is forthcoming this very vital work must be discontinued. It is hoped that as many as possible will attend and support a cause which has proved its worth over many decades.

URGE EXAMINATION OF ALL PRE-SCHOOL TOTS

Fridays, April 22 and 29, Dr. H. W. Bauer will be in the Delaware Avenue School Building, Palmyra, to examine pre-school children who will enter school in September.

Parents should feel it a duty to have their children examined so that they may be in excellent condition when they enter school.

They may seem to be in the best of health, but some unsuspected defect may be discovered, which could be corrected by simple treatment, but if allowed to develop might become serious. By May 1, which is designated as "National Child Health Day," the P.T.A. wishes to have the name recorded of every child who will enter kindergarten in September, as having been examined and results noted.

DINNER TO OPEN
DRIVE FOR FUNDS

Three Thousand Dollars Is
Needed to Carry on Work
in Community

**RIVERTON MAYOR
O.K.'S CAMPAIGN**
To the Citizens of Riverton:
I consider the Y.M.C.A. one
of our country's greatest
character and civic building
institutions, and in these times
of economic and social unrest,
it is doubly needed to help
maintain the ideals of our
community.

(Signed)
KILLAM E. BENNETT,
Mayor.
The annual finance campaign of
the Palmyra-Riverton Y.M.C.A. will
formally open at a dinner to be held
in the Central Baptist Church, Palmyra,
Monday evening, May 9, at 6:30 o'clock.
Members of the newly-organized
Women's Auxiliary of the "Y" will
serve the dinner, with Mrs. J. Elmer
Hahn, as general chairman.
A house-to-house canvass will be
made in both Palmyra and Riverton
during the two-week campaign, with
Captains in each district securing
their own workers and helpers.

Three thousand dollars is needed to
carry on the work in this community.
This is nearly \$1,000 less than last
year's budget, and it is hoped that
every person in the twin towns may
see his or her way clear to donate
something to this very worthwhile
cause.
The only other sources of income
are the rent of the American Stores
Company and the work of the "Y"
secretary, William E. Mount, at the
Westfield Friends' School.
Already an initial gift campaign is
in progress and earnest effort always
insures a measure of success.
During the past year the Y.M.C.A.
in Palmyra and Riverton has been
going forward with great strides. In
addition to the work done previously,
a new colored group has been formed
and the Woman's Auxiliary has been
organized.
J. Elmer Hahn, of Riverton, is president
of the Board of Directors, and
chairman of the finance committee of
the association. Next week a list of
active campaign members will be
published.

Letters will be mailed to every home
in the near future telling of the work
which is being done and why the
money is needed.

The leaders believe wholeheartedly
in the slogan which they have adopted
for the campaign, "What does it
profit a community if it becomes
wealthy, but loses its young."

WOMAN'S CLUB WILL HOLD ELECTION MON.

The Woman's Club of Palmyra will
hold its regular monthly meeting in
the club room, Society Hall, Monday
afternoon at 2:30 o'clock.
This will also be the annual business
meeting and election of officers, therefore,
all members are urged to make
a special effort to be present at that
time.
An official ballot has been mailed
to every member. Each lady is asked
to bring this ballot with her to Monday
afternoon meeting, as it is most important.

CARD PARTY

Members of the American Legion
Auxiliary of Fort Frederick M. Rogers,
American Legion, Palmyra, are urged
to help in any way that they can to
make the card party to be held on
Saturday, May 14, a big success.
Funds are very much needed at this
time and each member is asked to
do her "bit".

Mrs. W. Rex McGowan is chairlady
of the committee in charge of arrangements
and will be glad to have the
co-operation of everyone. Playing will
start promptly at 8:30 o'clock.

Mrs. Eugene Carty

Mrs. Eugene Carty, died at her
home, 424 Thomas avenue, Riverton,
Friday morning after a long illness.
Funeral services were held from her
later residence, the Rev. Charles T.
Bates, of Calvary Presbyterian Church,
afficiating. Burial was in Cedar
Hill Cemetery.
Mrs. Carty is survived by her husband,
Eugene, three daughters, Mrs.
Furman Holland, of Burlington, Miss
Edith and Miss Ruth Carty, of
Riverton and one son, Stanley, of
Palmyra.

CHILD STUDY GROUP HEARS MRS. FRANTZ

"Can We, As Parents, Pass?" Subject
of Discussion at Riverton
P.T.A. Meeting

The extremely interesting topic, "Can
we, as parents, pass?" was the
subject of Mrs. H. A. Frantz's talk at
the child study group of the Riverton
P.T.A., last Monday. Mrs. Frantz
spoke from a wealth of knowledge
acquired as a teacher, mother and
P.T.A. leader. She was the first
Burlington County Chairman and is now
county parliamentarian.

Mrs. Frantz spoke of the great
importance of parent education, the
need of parents to study their children
intelligently and the splendid
results to be obtained. She discussed
many questions of great interest to
thoughtful mothers such as allowances,
home-work, camps, children's
tasks at home, the nervous reaction of
children to present-day conditions,
the strain due to over-organized leisure
hours. There was much informal
discussion of these questions, and, as
several of the teachers were present,
both teachers and mothers were able
to hear each other's point of view,
and to realize that all are working
toward the same goal—the development
of all that is best in our children.

It was a most helpful, memorable
afternoon, and the P.T.A. hopes that
Mrs. Frantz will visit the Riverton
group again.

Press Chairman.

CHILD SERIOUSLY INJURED BY CAR

Three-Year-Old Palmyra Boy in
Hospital With Fractured Skull

John Kirk, Jr., three years old,
of 327 Elm avenue, Palmyra, is in a
critical condition at the Cooper Hospital.
He was struck by an automobile
in front of his home while playing
at play Friday afternoon of last week.
The driver of the car was Grover
H. Fox, 15 years old, of 303 Cleveland
avenue, Palmyra.

The youthful motorist was arrested
before Borough Police Recorder
William L. Fletcher and was released
in \$500 bail to await the outcome
of the child's injuries.

According to Chief of Police C. Morris
Beck the child stepped from the
curb and stumbled in front of the
car. He suffered internal injuries and
a fractured skull. Up until yesterday
the child was unconscious, but became
semi-conscious late yesterday afternoon.
The little lad was taken to the hospital
by Frank A. Snover, of Palmyra.

WHAT DUST MEANS TO YOUR HEATER

Loss of Efficiency in Heating System
Can Be Remedied by Cleaning
With New Process

George Friday, Jr., plumbing contractor
of Riverton, has just purchased
for his exclusive use in this territory
a "Super Suction" furnace
cleaning apparatus.

Friday claims that much heat is
wasted through dust accumulations in
furnaces and heat arteries, and that
a thorough furnace cleaning once a
year will save many a dollar spent for
coal.
That dust is a hindrance to the efficient
operation of a heating system is
clearly demonstrated in the interesting
little story of the origin of
asbestos pipe covering.

A certain factory manufacturing asbestos
shingles only, after a while
noticed that the heating system in the
factory began to seriously lose
heat. The furnace was examined and
found to be in perfect condition.

The owner of the plant made an
inspection of the factory and discovered
that all of the radiation was covered
with dust and grit from the factory.
He ordered the pipes cleaned
and the system was immediately
restored to its original efficiency. This
gave the owner the idea for pipe covering
(where heat insulation was desired)
and was the beginning of asbestos
pipe covering.
George Friday has a special message
to home owners in this week's
paper. Look for his advertisement.

BOY ATTACKED BY BIG POLICE DOG

Owner Ordered by Court to
Remove Animal From
Riverton

Last Sunday morning Charlie
Elwell, four-year-old son of Mr. and
Mrs. Francis B. Elwell, of 308 Main
street, Riverton, was attacked by a
police dog. The dog grabbed the boy
by the arm and badly frightened, but
did not injure him. The maid in the
Elwell home saw the dog grab the
lad and ran from the house and
screamed him off. The dog was reported
by witnesses to be a police dog.
"Prince", owned by Richard M. Hollingshead, Jr.

Mr. Elwell brought charges against
Hollingshead for keeping and allowing
to run at large, a vicious dog.
At a hearing before Police Recorder
Cecil A. Bowers, many witnesses were
present who testified that "Prince"
had killed or injured their small dogs
and in one case had injured a cat.
The police docket showed that on one
previous occasion the Hollingshead
dog had bitten a small boy residing
on Linden avenue.

Hollingshead spoke in defense of his
dog, and stated that it had never
been known to attack a child. Friends
of his who were present supported
his claim. He further stated that in
many of the cases cited, no conclusive
proof could be given that it was
his dog which had been the offender.
Hollingshead made it clear to the
court that he had a boy of his own
and if he really felt that his dog
was vicious he would not want it
around.

Recorder Bowers, on the strength
of the testimony, decided that to
best safeguard the interests of the
people of Riverton, the dog should be
removed permanently from the borough
within the next 24 hours and that
it should be muzzled immediately.
Further orders were given the Riverton
police to shoot the dog on sight if
found in the borough limits after the
24-hour grace period had expired.
H. L. Randall spoke of the apparent
lack of treatment of the dog situation in
town as a whole by the police department,
and Mr. Elwell assured him that
provisions had been made and would
be soon be executed to rid the
town of undesirable dogs.

SMITH'S STORE HOLDS CONTEST

Prize for Picture Like
"Vanta" Baby

Mrs. Alfred Smith's store in observance
of "Baby Week," May 2 to 7,
is sponsoring a contest for local babies
in connection with Vanta goods.
All mothers who will bring pictures
of their babies to the store and leave
them, have the chance of winning the
prize mentioned in the store advertisement
in this issue.

The baby whose picture most closely
resembles the Vanta baby picture
on display at the store wins the prize.
Neutral judges will make the selection.

CINNAMINSON LONE STAR "Y" GROUP

Brief Summary of Activities; Two Ball
Teams Being Organized for
This Season

Cinnaminson Lone Star "Y" has
been in existence for three years. During
that time they have made great
progress. This year's officers are as
follows: Leader, Howard G. Taylor,
Jr.; president, William Davidson; vice
president, Henry Moon; secretary,
Charles Oliver; treasurer, Jack Den-
neier, and reporter, Kenneth Bait-
tling.

Some of this year's work is as follows:
Four delegates went to the
Older Boys' Conference in Haddon-
field; officers have met with the coun-
ty group council and discussed many
important things; the boys had two
basketball teams—one was the A team,
which came in second in the league,
while the B team, not doing so well,
came in last in the league.

Two baseball teams are being made
up for this season. They are A and
B teams and the boys expect to make
a good showing.
The annual overnight camping trip
will be held in either May or June
this year. The boys are putting on
a county financial campaign. Each
boy has to collect two dollars as his
quota in the campaign.

BUGLE CORPS NOTES

The Palmyra Drum and Bugle Corps
will go to Camden Friday evening to
enter a Veterans of Foreign Wars
competition at the armory there.

The corps is practicing diligently
two times each week. Members expect
to enter a competition at West
New York on May 15 and hope to
bring home a worthwhile prize.

On Friday evening, May 6, the corps
will stage a "Night in Monte Carlo."
Ladies especially are cordially invited
to be present.

CARD OF THANKS

We desire to express our appreciation
of the sympathy and assistance
extended in our bereavement and to
thank those who sent flowers and
cars to the funeral.

Harry M. Beach and Family.

THE PEOPLES COLUMN

SUGGESTS COMPROMISE

Editor The New Era:
As a resident of Howard street, I
note with interest the proposal to close
the river bank between Howard and
Main streets.

In fairness to the property owners
on Bank avenue, it must be conceded
that the present roadway gives them
less privacy than the building lines
on most of the streets afford other
residents, and it must also be ad-
mitted that this roadway is so narrow,
and the turn at Howard street so
obscured by the hedge at the fence
line, that it constitutes a real hazard
for drivers, who have to watch
traffic so closely that they have no
opportunity to enjoy the view of the
river.

As it must be conceded by the property
owners that the public has en-
joyed certain privileges in the river
bank that have become rights by vir-
tue of elapsed time, it might be pos-
sible to effect a compromise that
would allow these owners the full
benefit of their location without de-
priving the citizens of the benefits
which are dear to many of them.

This compromise might be effected
by removing or closing the present
driveway, and opening a pedestrian
walk as close to the stone wall as
possible. This would give the owners
much more privacy than other streets
enjoy, and would not deprive the citi-
zens of more than they can enjoy.
If the property owners and the citi-
zens can get together on a compro-
mise such as this, I believe the ques-
tion can be decided in all friendliness
and good will.

The University of Pennsylvania will
act as host next Friday and Saturday,
on Franklin field, to approximately
three thousand athletes representing
college, preparatory high, grammar
and parochial schools, who will com-
pete in the thirty-eighth annual Relay
Carnival.

Palmer L. Adams, of Palmyra, will
be assistant Clerk of the Course.
Over 500 schools from every section
of the country east of the Rockies
are entered in the 44-event program
arranged by H. Jamison Stewart, man-
ager of the gigantic two-day car-
nival of track and field.

Athletes whose performances in the
past warrant the prediction that they
will be contenders for places on the
United States Olympic team at Los
Angeles this summer, and youngsters
who are looking forward to represent-
ing their country four and eight years
hence, will vie for honors on the ex-
tensive program.

A list of the individual performers
reads like a who's who of track and
field in the east and middle west.
Record holders and near record hold-
ers compete in the relays or in the
special track and field events.
Standard Olympic events will give the
contestants an opportunity to display
their prowess under conditions that
will be present in the international
games next August.

Palmyra High School will take part
in the one-mile relay for high schools
on both Friday and Saturday.
Friday's event will take place in
the morning and Saturday's event
will take place in the afternoon.

MOTHERS OF G. S. PLAN FOOD SALE FOR MAY 14

The Girl Scout Mothers of Palmyra
will hold a food sale on Saturday,
May 14, on Wimer's porch, 15
East Broad street, Palmyra.

All kinds of delicious foodstuffs will
be on sale at that time and the gen-
eral public is asked to help make this
event a success.

For information concerning the sale
call Mrs. Horace Rose, Riverton 567.
A new troop committee of Troop
No. 1 has been formed. It is com-
posed of Mrs. C. Wesley Hassell, Mrs.
Clayton G. Billard and Mrs. Melvin
Cromwell.

A meeting was held last evening,
at which time plans were made for
the food sale and a court of awards
which will be held in the near fu-
ture.

Groff-Phillips

The wedding of Miss Betty Ger-
trude Phillips, only daughter of Mr.
and Mrs. E. B. Phillips, of 104
West Central avenue, Moorestown,
and Joseph Earl Groff, of North
Thirty-first street, Camden, was quietly
solemnized at the home of the
bride's parents, on Sunday evening.
The Rev. I. J. Ramsom, pastor of
the Baptist Church, Lenox, officiated
at the ceremony.

ANNOUNCEMENT

I wish to announce my withdrawal
as candidate for Borough Collector.

MEMORIAL CHIMES TO BE DEDICATED

Sacred Concert Will be Given
Sunday at Lakeview
Park

A sacred concert of dedication of
the Lakeview Memorial Chimes, the
largest and finest electric carillon in
the world, will be played at 3:00 o'clock
Sunday afternoon, May 1st, at the
Memorial Park on Burlington Pike—
one-half mile north of the Riverton-
Moorestown road. The concert will be
conducted under the personal direction
of Bernard R. Mauser, carillon-
neur of the First Methodist Episcopal
Church of Germantown. Mr. Mauser,
a renowned carillonist, pro-
nounces this instrument to be the
most perfect he has ever played.

The carefully prepared musical pro-
gram includes such beloved old hymns
as "Rock of Ages" and "Love Divine,
All Loves Excelling" on the carillon.
There will also be an organ recital
featuring "Abide With Me," "Liebes-
traum," and many other fine
selections of the best known sacred music.

The Rev. John Pemberton, Jr., will
deliver the dedicatory address, dedi-
cating the chimes to its future use.
Donations will make the pre-
sentation address for the RCA Victor
Company, Inc., and the acceptance
address will be made by Roy A. Ram-
sey, the managing-director of Lake-
view Memorial Park.

This will be an outstanding musical
event for the entire world. It will
be broadcast by the National Broad-
casting Company over a coast-to-coast
radio network hook-up—WJAF and as-
sociated stations—WIP, Philadelphia,
at 1:30 to 1:45. The formal dedica-
tion service will be held at the Park
at 3:00 o'clock and will also be broad-
cast, over the Columbia system—WIP,
of Philadelphia.

Lakeview Memorial Park is designed
by its founders, who are Camden's
leading business men, to be the liv-
ing and enduring testimony to future
generations of the love and veneration
we bear for those who have found
immortality. A magnificent built and
beautiful park to be endowed as a
burial estate of garden-like beauty.
Within its peaceful portals shall rest
the beloved dead of this great com-
munity.

Francis B. Wallen, president of
Lakeview Memorial Park announces
that this wonderful carillon has been
installed for the benefit of the entire
community and hopes that all music
lovers will take advantage of hearing
this wonderful carillon.

CITY CHILDREN WILL COME TO RIVERTON

Mrs. Frederick Blair Again Heads
Committee for "Fresh Air"
Children

So successful was the experience of
those who had the children from the
Herald Tribune Fresh Air Fund last
summer that quite a number of those
families are planning to entertain
the same children this summer. And
already requests are coming in from
others who did not have children last
summer but who know of the expe-
riences of friends.

Miss Van Slyke, the representative
who is organizing the work this year,
emphasized the fact that this year
more than ever these vacations are
needed to give a little respite in the
dreary lives of those who do not see
birds and flowers and trees, and often
do not have enough to eat.

The Herald Tribune pays all trans-
portation costs of the children. They
send a representative with them and
see that they are delivered into the
hands of the committee, who in turn
see that they are taken to the proper
homes.

The committee in Riverton this
year is the same as last and includes
the following women: Mrs. Frederick
Blair, chairman; Mrs. E. K. Merrill,
vice-chairman; Mrs. Robert Ayres,
secretary; Mrs. John Douglas Clark,
Mrs. Joseph Thomas, Mrs. Herbert
Morris, Mrs. Clifton Mayfield and
Mrs. Harry Lippocott.
Any notifying member you may
share in a work which is growing
each year in size and importance
and you will find that something
really worthwhile has been given to
you. In the last half century over
500,000 children have had the ad-
vantage of a vacation in some home
in the country.

NOTICE

To All Dog Owners:
In accordance with statement I
made at the budget session of Council
in January when I asked for an ap-
propriation for dog regulation, it is
the intention of this department to
make a drive to rid the Borough of
all stray dogs.

Warning is hereby given that any
dog found on the streets of the Bor-
ough after May 10th not properly re-
gistered with the Borough Clerk and
wearing proper license tag will be
seized, impounded, and after 72 hours
unclaimed, unless previously re-
deemed by owner at cost of one dol-
lar.

All dog owners are requested to as-
sist the department by seeing that
their dogs are licensed and wearing
proper tags before that date.
Licenses may be obtained at office
of Daniel M. Clifton, Borough Clerk,
504 Main street, at a cost of one
dollar.

F. B. ELWELL,
Director of Public Safety.

WILL "ELIMINATE" OWNERLESS DOGS

Riverton Police Department Plans to
Rid Borough of Canines Lack-
ing Proper Credentials

Pursuant to a plan determined upon
the first of the year, and for which
appropriation was made in the bud-
get, Councilman Francis B. Elwell, di-
rector of Public Safety, took the first
steps this week to secure registration
of the dogs in Riverton and to elimi-
nate those for which owners cannot
be found. Marshal Clotter is just fin-
ishing a survey of the town to ascer-
tain who owns dogs, how many, and
whether or not they have been regis-
tered.

According to a notice published in
this issue, all dogs which have not
been registered with the borough clerk
by May 10 will be impounded, and if
not redeemed at the cost of \$1.00 each,
will be painlessly put to death after
the lapse of 72 hours.

Citizens of Riverton are requested
to cooperate with the police depart-
ment by registering their dogs before
May 10.

The police department is now mak-
ing arrangements to employ a dog
catcher with necessary equipment.

36 ARRESTED IN E. RIVERTON RAID

"Golden Glow Tea Room" Dim-
med by State and Local
Police

A bus was required to convey thirty-
six arrested offenders to court last
Saturday at midnight when New
Jersey state troopers, assisted by
police from Riverton and Cinnamin-
son, raided the Golden Glow Tea
Room in East Riverton. A liquor
"buy" previous to the raid furnished
sufficient evidence for police inter-
ference.

State police headquarters at De-
lancey were requested by East Riv-
erton residents to investigate condi-
tions at the tea room, which were
rapidly becoming worse. The raid
netted a pint of alleged liquor and
a quantity of illegal beer.
The saloons of the tea room were
brought to the Riverton police court
and at a hearing before Police Re-
corder Cecil A. Bowers, each was
charged with disorderly conduct and
fined \$2.00 and \$5.00 costs.

Those arrested and fined were:
Andrew Williams, age 17, Ida Vib-
bage, 34; Laura Wilson, 21; Charles
Payne, 40; Esther Young, 23 and
Lee Velva, 26, of East Riverton;
Donald Goldman, 20, Merchantville;
David Barber, 19, Florence; Alvin
Barber, 19, Florence; Walter Elsie,
23, Burlington; Harry Phillips, 22,
Burlington; Virginia Jones, 21, Flo-
rence; Savannah Brooks, 20, Moore-
stown; Carrie Fisher, 19, Beverly;
Mary Stevens, 25, West Palmyra;
Joseph Harris, 24, Florence; Florence
Marshall, 20, Florence; Laurence Wil-
liams, 22, Florence; James Harris, 16,
Florence; Mary Fisher, 20, Beverly;
Theodore Harris, 23, Florence; Alfred
Hammons, 25, Philadelphia; Gover-
nor Meyers, 24, Burlington; Maria
Mason, 22, Palmyra; Mabel Wash-
ington, 23, Moorestown; Preston Loper,
21, Palmyra; Mary Jones, 22, Mount
Holly; Benjamin Robt, 22, Merchant-
ville; Theodore McCloud, 25, Moore-
stown; Frank Williams, 22, Merchant-
ville; Mary Tucker, 18, Florence;
Alice Edmonds, 20, Florence; James
West, 21, Burlington; Martha Tyler,
25, Riverton, and Helen Brown, 20,
Moorestown.

Howard Loper, aged 19, of Wrights-
ville, created a disturbance during
the hearing and was committed to
the Mount Holly jail for 10 days.

The proprietor of the tea room,
Mrs. William Anderson, will be ar-
raigned before Recorder Bowers at a
later date on a charge of maintaining
a disorderly house.

Mrs. Jennie R. Burke

Mrs. Jennie R. Burke died very sud-
denly on Wednesday morning of last
week at her home on West Central
avenue, Moorestown, suffering with a
heart attack. She had been ailing
for some time with a chronic heart
condition, but had not been confined
to her bed until Tuesday of last week.
Funeral services were held on Sat-
urday afternoon from her late resi-
dence. The Rev. Frederick B. Morley,
pastor of the Methodist Episcopal
church, officiated and William Grob-
ner was the funeral director in charge.
Interment was made in Harleigh Cem-
etery, Camden.

Mrs. Burke is survived by three
children, Ralph Burke, of New York
City; Mrs. Harvey M. Scott and Miss
Inez Burke.

R.C.A. BROADENS LOCAL ACTIVITIES

Promotion of Vegetable Gar-
dens and Removal of Old
Buildings Under Way

With its first major enterprise suc-
cessfully launched—that of landscap-
ing the Pennsylvania Railroad em-
bankment along Broad street—the
various committees of Riverton's Civic
Association are turning their ener-
gies toward more intimate phases of
beautification and betterment.

Among these the work of the sub-
committee on landscaping, involving
the collection and disbursement of
surplus garden stocks and the devel-
opment of civic gardens, looms large
in the Association's activities.

In response to a notice appearing
in the columns of this paper two
weeks ago, a gratifyingly large group
of responsible persons announced
themselves as anxious to take over the
cultivation of vegetable garden plots,
seeds and materials to be supplied by
the R.C.A.

In most instances these persons have
had grounds of their own suitable to
the enterprise. In others, offers of
unused lands from various public-
spirited citizens have made possible
the assignment of garden plots to
persons who would otherwise have to
go gardenless. Among these last are
Mr. and Mrs. John Wright, of Main
street, and Miss Truxell, of Park
avenue. It is expected and hoped that
other assignments of ground will be
made.

CO. DETECTIVES REAPPOINTED

G. Clinton Zeller Gets Raise of \$700 a Year; Cain's Salary Stands

The Burlington County Board of Freeholders, at their regular meeting last Friday, were notified by Prosecutor Howard Eastwood, that G. Clinton Zeller, son of George C. Zeller, of Bordertown, one of the candidates for sheriff, had been appointed as special officer in the County Detective's office for a term of one year, dating from April 7, at a salary of \$2,500. Last year Zeller received \$1,800.

Zeller was appointed a year ago as successor to Arthur Carabine, who had held the position as one of County Detective Ellis Parker's assistants for a number of years.

In this police was also incorporated the appointment of Clifford Cain as special officer in the County Detective's office for one year at the same salary as last year, \$2,700.

The law calls for this appointment by the prosecutor and approval by the County Judge. The Freeholders have no choice in the matter because of a mandatory law.

Lawrence O. Mingin, County Clerk, officially notified the Board of Freeholders that Francis H. Reed, of Mount Holly, had been sworn in as Commissioner of Juries for a term of one year.

Director of Roads Stout presented a resolution to grant permission to the Public Service to erect 56 poles on the Masonville-Foresttown road. The resolution was passed.

The following department bills were ordered paid: Finance, \$35,919.49; Roads, \$6,951.37; Bridges, \$4,989.12; Public Buildings, \$5,722.50; Public Affairs, \$13,974.34.

CIVIL WAR VOLUNTEERS TO HOLD REUNION IN MT. HOLLY

The few remaining members of the Twenty-third Regiment, New Jersey Volunteers, who were commanded by the late Gen. E. Burd Grubb, and known as the "New Jersey Yahoos," will meet in Mount Holly in annual reunion on Tuesday, May 3, the anniversary date of the Civil War battle of Salem Church, in which the regiment played an important part. It is likely there will be less than a dozen of the veterans to meet. The reunion will be in the American fire house and the vets and visitors will be served dinner in the First Methodist Church. Josiah R. Kirkbride, of Haddon Heights, the 88-year-old secretary of the association, is helping to arrange the affair.

LAUDED

JOHN H. BRADSHAW

Chief of Moorestown police, who has been praised by members of the Township Committee and police officers of this section for his excellent detective work in solving the mystery surrounding the killing of Miss Elizabeth C. Reeve by a hit-run driver Sunday night. His only evidence was fragments from a broken headlight lens, yet he arrested the driver, Lewis Stewart, colored, in slightly more than twelve hours after the tragedy occurred.

HIT-RUN VICTIM'S FUNERAL IS HELD

Services for Late Miss Reeve at Trinity Church Wednesday Afternoon

Funeral services for Miss Elizabeth Cooper Reeve, 69 years old, who was killed when she was struck by a car driven by Lewis Stewart, colored, a hit-run driver, on East Main street, Moorestown, was held at Trinity Episcopal Church Wednesday afternoon at three o'clock.

The Rev. Edgar L. Sanford, rector, officiated. He was assisted by the Rev. Dr. Robert McKay, from whose home Miss Reeve was returning after a short visit at the time she was killed. Interment was in Harleigh Cemetery, Camden.

Miss Reeve, a direct descendant of William Cooper, Camden's founder, had been a resident of Moorestown for the past twelve years. She was active in Trinity Church and the Woman's Club.

The victim, for years prominent in the D.A.R., had been rector of the Camden chapter for eleven years before moving to Moorestown. She was keenly interested in the work of the National Defense Department of the organization. She also was active in the Colonial Dames.

The deceased organized the Red Cross in Camden during the World War and was chairman of its county organization. Together with other members of her family, she took great interest in work of Cooper Hospital, Camden, which was endowed by some of her ancestors.

Miss Reeve is survived by two brothers, William F. Reeve, of Moorestown, and Charles C. Reeve, of Williamsburg, Va., and a sister, Miss Laura C. Reeve, of Philadelphia.

NINE CANDIDATES IN BORO COUNCIL RACE; FOUR ARE DEMOCRATS

Nine candidates for two full and two unexpired terms on Palmyra Borough Council have filed petitions with Borough Clerk George J. Spencer.

The Republican candidates are: Joseph A. Davis, and John Ward, for re-election for full terms; Alfred H. Lippincott and Charles K. Mervine, seeking election to unexpired terms caused by the deaths of Julius Fisher and Alfred Bradley. Carl Thomas is the other Republican candidate.

The four Democratic candidates are: Joseph H. Waller, Walter H. Cummings, Albert E. Bos and William E. C. Jones.

James H. Hartley, Republican, has opposition for assessor in the candidacy of William A. Haws. There are three candidates for Borough Tax Collector. They are Edwin A. Griscom, incumbent, Charles B. Marple, Republicans; and Harry T. Williams, Democrat.

Joseph A. Gorman is unopposed for Justice of the Peace. He is a Democrat.

LEGION POPPY SALE TO BE HELD IN MAY

Plans are now almost complete for the annual "Poppy Drive," to be held during the month of May by the Post Frederick M. Rogers and the American Legion Auxiliary.

It is hoped that this year's sales will more than go "Over the Top," as the demands on the rehabilitation and child welfare fund have been unusually heavy since last year's "Poppy Sale." As has been stated, each year at the time of the "Poppy Drive," the Legion and Auxiliary desire to stress the fact that the proceeds of the Poppy Drive are used 10 percent for the rehabilitation and child welfare work.

The exact date of the sale will be given in a later issue of this paper.

SHERIFF SHINN FOR WORKHOUSE

County Could Make Improvements Which It Can't Afford Now

A saving to Burlington county taxpayers would be effected through construction of a county workhouse, in the opinion of Sheriff Roscoe C. Shinn, of Mount Holly and Burlington.

The sheriff, part of whose duties it is to conduct and manage the present outmoded Burlington county jail, declared a workhouse would not interfere with any other county employees, would not substitute prison labor for present paid labor, but would supplement the present paid labor by convict workmen who would do the jobs which the county cannot afford to do now with paid employees.

"The place for the workhouse would be on the county farm, formerly Worrell's," the sheriff said. "The county would be forced by the state to pay the prisoners 50 cents daily for their work, but half of that amount must be sent to families of the prisoners. Many of them would send their entire income, which would help the families exist while the bread-winners are segregated from society."

The only cost of constructing a workhouse would be for the material. The entire labor could be done by convicts. The prisoners could help at the county farm, and in other places where the county is forced to curtail its work now because of economic conditions.

The prisoners themselves would benefit from the workhouse plan. Instead of being put in jail and languishing there for six months a year, with nothing to do but mill over their fancied wrongs at the hands of society (for every prisoner believes he has been given a "dirty deal"), they would be engaged in active, healthy work, which would keep their physical and mental balance constant.

CHARGES VOTING LAW VIOLATION

D'Arcy, Democratic Assembly Candidate, Protesting Chester Township Appointments

James J. D'Arcy, Democratic candidate for the Assembly, has announced a protest being filed with Harry Heher, chairman of the Democratic State Committee, and other officials, concerning alleged violation of the election laws in Chester township.

Protest is being filed direct with Mrs. Merrill E. Haas, D'Arcy said, since she is secretary of the Burlington county board of elections. D'Arcy and his constituents claim a violation had been made in the appointment of election judges, that some of those appointed as Democrats are not Democrats at all.

In the letter filed with Mrs. Haas, Heher, former Prosecutor George N. Hillman, William Murphy, Newton Morton and Mrs. Nellie Russell, D'Arcy says that the mixup on appointment of appointments will compel many Democrats to approve a Republican ticket.

Listing a number of individuals and complaints against them, D'Arcy is charging the appointments were made by a local political organization and opposed by the two representatives of the state committee and the chairman of the county board.

GRAND JURY SWORN

Eckert J. Ballinger, of Palmyra, Is Chosen Foreman

In the presence of Judge Charles A. Riggs and Supreme Court Justice Joseph L. Bodine at the Mount Holly courthouse Tuesday, the oath was administered to 23 members of the April Grand Jury by J. Eldon Ridgeway, court clerk.

Eckert J. Ballinger, insurance broker of Palmyra, was selected as foreman.

Bodine told the jurors that he had been informed by Prosecutor Howard Eastwood that there were no matters of particular import.

"Any information you want while holding your sessions," he went on, "can be obtained from Judge Riggs or myself."

There are 150 cases listed on the docket, 15 of which involve manslaughter charges.

Five prospective members of the jury were excused, among them Jury Commissioner Francis H. Reed, of Mount Holly, and former Mayor George N. Wimer, of Palmyra, candidate for sheriff at the May primary.

William Tiley, seven feet tall, jailed for a traffic violation in Los Angeles, had to sleep in the corridor as he was too big for a cell.

Palmyra-Riverton Club Members to Meet This Evening at Y.M.C.A.

The Palmyra-Riverton Men's Club will hold its regular monthly meeting in the Y.M.C.A. building, Broad street, at Garfield avenue, Palmyra, this evening.

The session will be called to order at the usual hour, eight o'clock, by the president, Floyd W. Spahr.

Four reels of motion pictures of the Conowingo Power Dam will be shown. They will depict the development of water power in the hilly country.

These pictures are being shown through the courtesy of the Stone-Webster Company, of Boston, Mass. Leonard Baker has kindly consented to lend his moving picture machine.

All men throughout the twin towns and Cinnaminson are cordially invited to be present at this evening's meeting, as the program promises to be an especially interesting one.

George Reber is in charge of refreshments and promises good doughnuts and coffee to all those in attendance.

The May meeting will be the final meeting of the club year. A very interesting session is promised the members who attend.

According to the custom established in the past the club will temporarily suspend during the summer months.

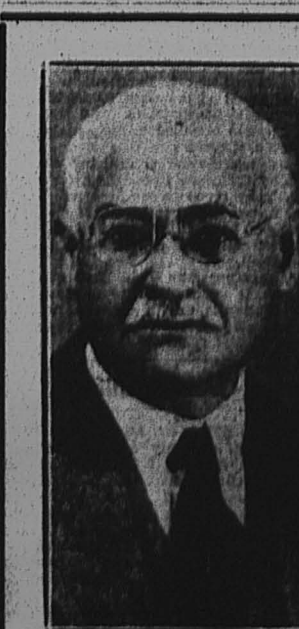

Debate Coaches Meet

Saturday, a group of High School Debate Coaches met at Newark Preparatory School for the purpose of creating a State organization dedicated to fostering in all high schools of the State, forensic oratory with emphasis upon debating.

A president, vice-president, and executive secretary as well as an executive board was duly elected. The executive board will, in the near future, advise the high school principals of their plans in detail.

The ideal which the group will endeavor to maintain is to encourage all forms of forensic oratory which will be useful to the student in his future life.

FARNER FIRST ON COUNTY BALLOT

Burlington Candidate Heads List of Eight Aspirants For Sheriff

Benjamin F. Farner, of Burlington, won first place over seven other candidates for the Republican nomination for Burlington county sheriff in drawings for positions on the primary ballot at the office of County Clerk Lawrence O. Mingin last Friday afternoon.

The other positions were drawn as follows: 2, John C. Belton, Moorestown; 3, Charles L. Carslake, Columbus; 4, William W. Worrell, Mount Holly; 5, Edwin C. Davis, Mount Holly; 6, William P. Young, Burlington; 7, George N. Wimer, Palmyra; and 8, George C. Zeller, Bordertown.

Roscoe C. Shinn, of Mount Holly, leads the four Republican candidates for freeholder. The others, in order of their appearance on the ballot, are: 2, Clifford E. Massey, Lumberton; 3, William H. Heiser, Pemberton; and 4, William W. Barclay, Burlington.

The three candidates for the single Assembly nomination drew positions as follows: 1, Edward R. Williams, Riverton; 2, Blanchard H. Earnest, Riverside; 3, Dr. Marcus W. Newcomb, Brown's Mills, incumbent.

The six Republican candidates for two corner nominations drew positions as follows: 1, Adam Wunder, Burlington; 2, John N. Schwartz, Palmyra; 3, John J. Inglesby, Burlington; 4, Harry F. McClokey, Beverly; 5, Russell M. "Hop" Stoddard, Mount Holly; 6, William C. Cunningham, Riverside.

The only Democratic contest is for the Assembly nomination. James J. D'Arcy, Maple Shade, drew first place, and Frank S. Absalom, Florence, second.

Mrs. Beulah Kern

Mrs. Beulah E. Kern, for many years a resident of East Riverton, died Tuesday morning.

Funeral services will be held Saturday at two o'clock from the late residence, Broad and Kern streets, and interment will be made in the Asbury M. E. Cemetery.

She was the widow of the late John H. Kern and is survived by one daughter, Mrs. Edward Jessup. Two brothers, Robert and David Hunter, of Hartford, and a sister, Mrs. Harriet Irons, of California, also survive.

Friends may call at the late residence Friday evening.

Large Corps of Old Faithful Workers and New Enthusiasts Are Arranging Well Rounded Program for Horse Show, Fete

Miss Edith S. Coale, of Riverton, president of the Board of Managers of the Cinnaminson Home, and Mrs. M. Albert Linton, of Moorestown, who is chairman of the fete to be held May 14 at the Moorestown Field Club, have lined up most of their old faithful workers, together with many new enthusiasts in the one big effort the managers and their able co-workers, the men of the horse show, make to bring the needs of the Home before the public and at the same time offer a well-rounded program of entertainment.

Several days before, the committee of which William F. Reeve is chairman, will have the show ring fenced, the jumps in place and the parking spaces around the ring marked out. Mrs. Ralph L. Freeman is in charge of the parking spaces as usual. One by one the green and white booths will be set up, ready for the thriving business on Saturday.

The delicatessen booth will be open early in the morning, 9 a. m., to be ready with fruit and vegetables for the Saturday marketing and special treats for Sunday night supper. This booth will be managed by Miss Cornelia S. Coale, Mrs. J. Carl DeLaCour, Miss Antoinette Campbell, of Riverton, and Mrs. Morrell Parry, of Cinnaminson. Their offering is a large one, including home-made rolls, biscuits, nut bread and cinnamon buns, together with cottage cheese, mayonnaise, dressing, etc. Mrs. Harry Jones, of Riverton, and Mrs. J. Clyde Rogers, of Moorestown, have the candy table this year. There never seems to be enough of their good home-made candy and freshly salted nuts.

The cake booth will be managed by Mrs. Killam E. Bennett, of Riverton, and Miss Alice Matlack, of Moorestown. Those who expect to find the horse show too engrossing to leave for shopping may have their special choice of cake reserved by telephoning one of the managers. As in the past, there will be a refreshment table to dispense ice cream and drinks, hot or cold as the weather prescribes. In addition to this it is planned to have Junior ten tables fairly close to the ring, so that even the most ardent admirer

of horses may be refreshed and still see the show. Mrs. Joseph Tyler, of Riverton, together with Mrs. Blapham Stokes and Mrs. Richard Wood, of Moorestown, are assembling a capable group of pretty young girls to assist in this innovation.

And the children? Not forgotten! No indeed. The toy table committee has learned by experience just what toys are dear to the kiddies. Mrs. Clark, Mrs. Morgan and Mrs. Rogers, of Riverton, and Mrs. S. Emlen Stokes, of Moorestown, will be well equipped to furnish amusement for tots of all sizes. A supply of trustworthy ponies, carefully supervised, will be on hand for the children's rides and it has been rumored there are to be movies, too.

Supper will be served from five to seven—cafeteria supper on the lawn and hot supper in the Club House. An orchestra has been engaged for dancing in the evening.

DANGER IS SEEN IN GASOLINE TAX

Increasing Costs Likely to Reduce Number of Cars in Use

"Soak the motorist". This seems to be the popular slogan of legislators.

If a bill now before the New Jersey legislature becomes a law, the tax on gasoline will be boosted from three cents to five cents a gallon. This will make the cost to the consumer eighteen and three-tenths cents per gallon—nearly thirty per cent. of which will be tax.

If the new tax becomes effective the motorist will pay directly one dollar additional on every fifty gallons of gasoline, and indirectly he will pay more taxes to meet the needs which this tax is intended fill, for it has been the experience of other states that an excessive tax is not a revenue producer, but just the contrary.

Reduces Consumption

It is an almost unbroken rule that where the tax is too high the tendency is to use less gasoline per car and fewer cars. There are only two states, Florida and Tennessee, in which a 7 cent tax is exacted; and Florida registered fewer cars in 1930 than in 1929. There are four states with a 6 cent tax, and in all of these—Arkansas, Georgia, North Carolina and South Carolina—fewer cars were registered in 1930 than in 1929. There are ten states with a 5 cent tax, and in six of these fewer cars were registered in 1930 than in 1929—Alabama, Kentucky, Louisiana, Montana, Oklahoma and Virginia. There are 15 states which impose a 4 cents tax; and 6 of these had fewer registrations in 1930 than in 1929—Nevada, Oregon, Ohio, Vermont, West Virginia and Wisconsin.

On the other hand, there are 14 states with tax rates of only 3 or cents. In 11 of these the number of registered cars increased. The three exceptions were North Dakota and Iowa, where the agricultural depression furnished explanation; and Michigan, where the reduced operations of the automobile industries is the obvious reason.

To put it briefly, a survey of the entire country demonstrates that there is a point of maximum productivity for this tax. Above 2 cents it tends to drive out the cars, to produce a lower consumption of gasoline per car, and to lessen the revenue that can be collected. Above 3 cents, the tax presents at once a too attractive prize to the bootlegger and the crook, and a too onerous burden to the automobile owner.

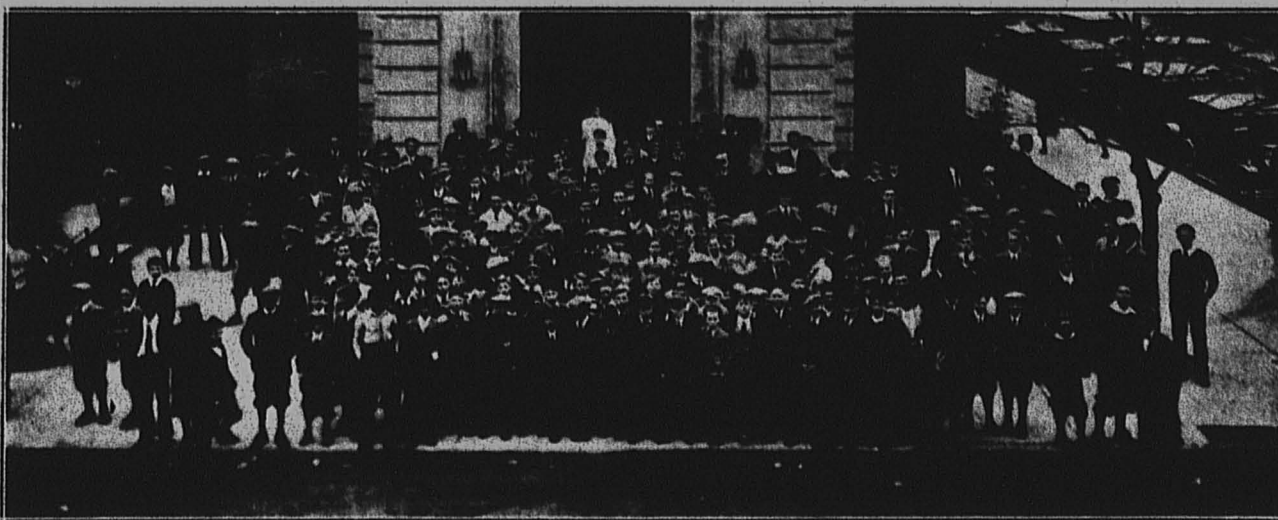

New Jersey and Pennsylvania

Probably no other state presents a situation quite so nearly parallel to that of New Jersey as does Pennsylvania. Each is a very heavy consumer of gasoline, has large populations concentrated in cities and has a riverfront particularly adapted to the requirements of the smuggler. Pennsylvania started taxing gasoline in 1921 at 1 cent per gallon; after two years this was raised to 2 cents, where it remained for four years. All this time there was no serious difficulty in making collections, no evidence of extensive bootlegging. But in 1927 the tax was raised to 3 cents and immediately bootlegging began to take on the form and manner of a real business. Plenty of capital was found, and skillful lawyers pointed out how the immunity to interstate commerce could be made to serve the tax evader. The result was that bootlegging quickly developed on a big scale. Governor Pinchot and his Secretary of Revenue, Dr. Clyde L. King, have said as much as \$10,000,000 of taxes that ought to have gone to the state were stolen by the racketeers in a single year.

Gasoline No Luxury

One of the most unfair and misleading arguments in favor of a higher gasoline tax is that this is a luxury tax. The fact is that fully 60 per cent. of gasoline used in motor

RARIN' TO GO

A part of the seven hundred boys waiting in front of the Cinnaminson Bank and Trust Company, Riverton, for transportation to Shibe Park last Monday afternoon, to witness a game between the Athletics and Boston. The Palmyra-Riverton Rotary Club Boys' Work Committee arranged for the trip, but "old man weather" spoiled everything when he pulled the shower string and thoroughly dampened the spirits of these spirited lads.

RAIN SPOILS FUN FOR BOYS

Rotary Club Caravan to Athletics Ball Park Halted
By Bad Weather

Talk about "depression"—there was no depression in boys last Monday afternoon in front of the Cinnaminson Bank—in fact, not until they hit the Jersey side of the Tacony-Palmyra bridge.

The fact that a steady rain set in after the cars were all loaded with their cargo of enthusiastic boys, guests of the Palmyra-Riverton Rotary Club, to witness the game between the Athletics and Boston, was tragic. But, maybe there will be another chance yet.

Two o'clock was the time set for the departure for the game. The boys were to meet in front of the Cinnaminson Bank and, by one o'clock, a couple of hundred had already gathered.

Every street leading to the bank was dotted with boys, all set for a big ball game. Automobiles poured in from every direction and Main street had a double line of cars from the railroad to Seventh street, and Harrison street had a double line from Main to Lippincott avenue. Westfield school sent a whole bus load of boys, and when they had all gathered the scramble for cars began.

Car after car piled the boys in and when the lines of cars, some carrying as many as thirteen boys, were exhausted there were still a hundred or more left.

Joseph T. Evans, engineering the event for Rotary, had his hands full as he finally pressed into service the Westfield bus and still there were more boys left. Mr. Evans then got out his big truck and packed boys in that like sardines in a can. It was finally discovered that one boy was in upside down and he had to be set upright.

The procession of cars finally started. The line stretched for a full half mile and slowly made its way to the Tacony-Palmyra bridge where a police escort awaited on the other side. But "luck was agin 'em" and a heavy shower started just as every thing was well organized. A call to the park brought the sad news that the game had been called on account of rain.

The boys when told of the sad news at first thought somebody was playing a joke, but when they were finally convinced seven hundred jaws dropped simultaneously and not a word was spoken.

The caravan about-faced and with

K. T. TO ATTEND BAPTIST SERVICES

Cyrene Commandery Will Visit
Palmyra Church on Sunday Evening

Cyrene Commandery, No. 7, of Camden, will attend the Sunday evening services at the Central Baptist Church of Palmyra and Riverton in a body.

The members will be escorted by the Commandery Band. The Knights will be in full regalia and will have as their guests the members of Helena Commandery, No. 3, Knights Templar, and Crusade Commandery, No. 33, Knights Templar, the Ladies' Auxiliary of Cyrene Commandery and Covenant Lodge, No. 161, F. & A. M. of Palmyra.

A parade will form at the Palmyra station and will march to the church. The Palmyra police will act as escorts.

Special music will be rendered by the choir. The Rev. George Lockett, pastor, will preach a sermon appropriate to Ascension Day.

SCOUTS PREPARE FOR SUMMER

LeRoy Hutchinson Heads Commissary Department at Camp Mahala

The usual weekly meeting of the Riverton Scouts was held last Friday. Assistant Scoutmaster William Cook was Officer-of-the-Day in charge of the meeting. A close-order drill was held in preparation for the Troop's participation in the Memorial Day parade.

After the drill Dr. Fox, who is now a regularly enrolled assistant scoutmaster in the Troop, gave the members of the Troop a most interesting talk on Insect Life. After the completion of Dr. Fox's lecture, final plans were made for a hike on Saturday afternoon, April 23.

This hike took place as scheduled and it is hoped that it will be the first of many such hikes during the summer season.

On Thursday, April 21st, was held the regular monthly meeting of the Troop Committee. M. A. Shaw, Scout Executive of the Burlington County Council, was present and gave details of plans for Camp Mahala. It will be of interest to Rivertonians to know that Assistant Scoutmaster LeRoy Hutchinson of the local Troop will be in charge of the commissary department at camp, replacing the colored cook employed last year. Mr. Hutchinson has had long experience as an Army cook and the delicious meals that he has prepared for the members of the Riverton Troop at the Troop's own "mystery" camp have been responsible for a large part of the success of overnight hikes to this place.

Now that the warm weather is approaching, the Riverton Scouts are planning a large increase in out-door activities. It is expected that either day or overnight hikes will be held practically every weekend. Scouting is primarily an out-door activity and real scouts and scouters feel much more at home in the open than they do between the walls of a Troop Headquarters, however well equipped it is.

I.O.O.F. ENJOYS LARGE MEETING

Two New Jersey Past Grand Masters Are Present At Session

A very interesting and well-attended meeting was held by Cinnaminson Lodge No. 201, I.O.O.F., in Society Hall, Palmyra, Friday evening.

East Greenwich Lodge, No. 230, was declared the winner of the degree contest over Burlington Lodge, No. 22, although for a time it looked as though the contest was to be completely in the Cinnaminson Lodge district.

Each of the contesting teams had on it a New Jersey Past Grand Master, John B. Stratton, of East Greenwich, and George Shinn, of Burlington.

P. G. Rep. Wilson, Grand Treasurer, P. Cawley and Grand Herald M. Bassett were among the guests on that occasion.

At the next meeting of Cinnaminson Lodge the installing staff will make its report of work done during the past few weeks. An entertainment program will be furnished at the close of the business meeting.

Friday evening, May 6, in Cinnaminson's lodge hall, the Palmyra men and Eden Lodge, of Paulboro, will battle out the round of the South Jersey Degree Contest. A good attendance is promised from other districts and all members of the local lodge are invited to be present.

WHAT DOES BOYS' WEEK MEAN TO YOU?

Next week, April 30 to May 7, is Boys' Week. What of it? Does it mean anything to the average man that thousands upon thousands of boys are looking forward to next week as a time that has been specifically designated as their "week"? Will Boys' Week be a success if the celebration providing merely for the gathering together of groups of boys for their own entertainment and pleasure?

Youth is naturally enamored of play; it loves romance; it craves adventure. It is not necessary to set aside a particular period of the year for the stressing of these traits in the life of a boy. Week after week, month after month, the normal boy has the privilege and opportunity of engaging in many of the activities that make up the program for Boys' Week. Next week will be no different from any that precede or follow it unless it affords an opportunity for the boy to establish a closer relationship with the adults of the community in a way that will serve as an inspiration to both in the weeks to come.

Boys are essentially the same as they were a generation ago; they like the men who like them; they respond to the men who demonstrate an active interest in their welfare. Many of the great men of today are frank in acknowledging that a large share of their success has been due to the friendly interest of some man during some period of their early development.

Every boy should be encouraged to participate in the activities of Boys' Week, but the men of the community will overlook an opportunity to do a vast amount of good if they do not supplement the regular program with an increased personal interest in the boys with whom they come in contact. There should not be a single boy in this community next week whose life has not been enriched by a more intimate contact with men and their world.

ABOUT HEALTH FADS

The subject of how to live long is always of interest, which perhaps accounts for the eagerness of the average mortal to seize upon various methods which are recommended for promoting health and longevity, such as doing daily exercises to radio music and the like.

In spite of all the propaganda on the subject, however, there are many who are skeptical regarding the real benefits of strenuous physical activity. One of these wrote a letter to the Cleveland Press pointing out that Walter Camp, famed athlete and originator of the "daily dozen" died at 65, while he, the writer, had never taken any kind of exercise to speak of and was still in excellent health, although a great-grandfather. He added that "the longest-lived people are the physically lazy and mentally alert."

Commenting on the letter, William Feathers, a well known editor, declares that several years ago he adopted a vigorous health program, including vegetarianism, cold baths and the daily dozen, with this result:

"Acute indigestion led to the abandonment of vegetarianism on doctor's orders. Another doctor recommended discontinuance of cold baths. The daily dozen are still pursued, but faith in them has been shaken by the untimely death of their inventor."

Still, we may find many who swear by the health fads and feel that their lives have been saved thereby. As the proverb has it, "What is food for some is black poison for others."

THE OLDEST NEWSPAPERS

That newspapers compare favorably with other enterprises in stability is indicated by the fact that there are now 108 weeklies and 84 dailies in the United States which have been published for more than 100 years.

The oldest of all is the Maryland Gazette at Annapolis, established in 1727, and the only American paper to have passed its 200th birthday. Next in age is the New Hampshire Gazette at Portsmouth, also a weekly, established in 1756. The oldest daily is the Hartford Courant, published since 1764.

Naturally enough, most of the papers which are more than a century old are in the East, but three are published west of the Mississippi river. These are the Arkansas Gazette at Little Rock, a daily dating from 1819; the weekly Herald-Statesman at Columbia, Mo., 1821, and the daily Hawkeye at Burlington, Ia., 1830.

New York state leads in the number of century-old newspapers, with 16 dailies and 26 weeklies, although only one of these, the Evening Post, is published in New York city. Pennsylvania stands second and Ohio third on the list.

It is unfortunate that few files of our oldest newspapers have been preserved. They contained a wealth of historical material, much of which is now forever lost.

RIVERTON ITEMS

Mr. and Mrs. Willard Yard, and Mr. and Mrs. Clarence Drake, both of Pennington, were guests of Mr. and Mrs. Melvin Burr, Saturday.

Mr. Roy Hardy entertained the N. N. N. Club Tuesday evening.

Mr. and Mrs. Dais Reed, who have been spending the winter in St. Petersburg, Florida, returned home today (Thursday).

Mr. and Mrs. William Schramm returned home this week after enjoying the winter in Florida.

Dr. and Mrs. William H. Chandler and daughter, Mildred, of Frankford, and Miss Margery Chambers, of East Riverton, were visitors in Fox Chase Wednesday.

Mr. and Mrs. Earl VanLeeuwen and daughter, were weekend visitors in Washington, D. C.

Miss Berita Hendrickson will make her debut next Fall at a tea which her parents, Mr. and Mrs. William A. Hendrickson, will give at their home, 208 Lippincott avenue. The date has been set for October 2. Miss Hendrickson, who is one of the popular younger members of Eastern society, attended the Agnes Irwin School, Philadelphia.

Mrs. H. L. Unland entertained for her son Robert, four of his classmates at dinner Friday. Those present were: Clois Shivers, Thomas Key, Edward Shaw and Donald Fox.

Mrs. J. H. Moore and daughters, Pearl and Lillian, of Clearfield, Pa., are spending the week with Mrs. Charles Yost.

Mrs. Anna Knight, of 202 Cinnaminson street, mother of Robert Knight, was taken to the Lankenau Hospital, Saturday.

Mrs. Harvey E. Stewart spent several days last week in New York with her daughter, Mrs. Arthur Johansen.

Mrs. Wesley M. Wilder, of Lowell, Mass., and Mr. and Mrs. B. S. Sterling, of Philadelphia, spent Sunday with Mr. and Mrs. Walter L. Bowen.

Mrs. Ida Bunting, of Germantown, was a weekend visitor of her cousins, the Misses Bishop, of Thomas avenue.

Mr. and Mrs. M. A. Funk, 202 Fulton street, entertained Mrs. Funk's brother and wife, Mr. and Mrs. J. W. Albright, of Seattle, Washington. Mr. and Mrs. Albright have just returned from a seven month's trip from Southern Europe and Africa. Mr. Albright insists on "The Unbeaten Path" and they had the unique experience of crossing the Sahara Desert by motor. They landed at Dakar, French West Africa and after many delays and hardships they finally reached Algiers. Two years ago Mr. and Mrs. Albright spent seven months in Africa, landing at Cape Town, and ending at Cairo.

Mr. and Mrs. Theodore Schneider and family have moved from Broad and Main streets to 408 Fourth street. Mrs. G. Harold Baker entertained at cards Monday evening.

Miss Kathryn Burr spent Sunday at Mt. School, Pottstown, with her brother, James Burr, who is a teacher there.

Mrs. William Hahle entertained the C.D.C. Monday evening.

Mrs. John Blandford, of Wilkes-Barre, Pa., visited her grandparents, Mr. and Mrs. John Nickles, on Sunday. Mr. Nickles, who fell about a month ago and was severely hurt, is improving slowly.

Frank Ashton, of Philadelphia, has become associated with the business of Will K. Bowen, decorator, and will make his home with Mr. Bowen.

A card party was given at the home of Mrs. Cecil A. Bowers Saturday evening in honor of her birthday. The guests were Mr. and Mrs. William Gootee, Mr. and Mrs. Jack Hughes, Mr. and Mrs. Calvin Stowe, Mr. and Mrs. Jensen, Jerome Zisak, Mr. and Mrs. George Dorworth, Bennett Bowers and Joseph Stowe.

Riverton School Notes

The eighth grade class joined the Riverton Civic Association. They wear small blue and yellow ribbon badges, and will try to cooperate with the R.C.A. as much as possible.

Parents' Night was a big occasion in their room. The Mt. Vernon canvas which was in the auditorium was removed to the eighth grade room as part of the art work. They exhibited other types of school work about the room and on their desks. A group of manuscript writing paper added to the exhibit.

The class usually has an entertainment after its class meetings. For the last three weeks the program was enjoyed immensely by the class.

The State Examinations are over and the eighth grade are all looking forward to Commencement.

The cooking classes of the seventh and eighth grades have been on a very interesting trip to Abbott's Dairy and Ice Cream plant. They have made a special study of the pasteurization of milk. Milk is pasteurized at a point of 145 degrees and cooked very rapidly. The sixth and seventh grades have been preparing lunches and desserts. The eighth grade has been busy preparing pastries and menus. All the classes in domestic science exhibited their sewing on Fathers' Night.

The fourth grade took a nature walk to McVaugh's woods. Some of the boys found tadpoles and brought them back with them. They saw many kinds of wild flowers and a deserted bird's nest. They wanted a snake but could not find one so they returned, and later found one in the river.

After the study of the stories of King Arthur, the class drew a frieze of the knights of King Arthur's court. Every child had a part in the painting of this frieze. Robert Carhart drew a picture of King Arthur, pulling the sword from the anvil. Earlier in the year he drew a picture of "Old Ironsides," and a poster to encourage children to read books. Richard Kinsey also is interested in art and he painted a poster with a large medieval castle on it. All of the children of 4A except five have reached their second goal in long division.

A few weeks ago we had a talk on safety first in swimming and in how to break death grips which really aren't death grips, because they can be broken. The children enjoyed the talk greatly and are following out the safety first instruction given to them.

PHI NU CLASS

The second study in the series to be discussed by the class will be "War and Property Value," based upon the incident of Isaac's Well Diggers. The topic of the lesson is "Isaac and His Wells" will be found in Genesis 28: 12-25.

On May 2, the regular monthly meeting will be held at the home of Mrs. J. M. Williams, 215 Cinnaminson street, Riverton.

GROSS EARNINGS OFF, BUT P. S. NET INCOME JUMPS OVER MILLION

A comparative statement of combined results of operations for the twelve months ending March 31, 1932, issued by Public Service Corporation of New Jersey, shows for the corporation and its subsidiary companies gross earnings of \$135,202,426.72 as against \$138,527,233.35 for the twelve months ending March 31, 1931, a decrease of \$3,324,806.63.

Operating expenses, maintenance, taxes and depreciation for the period were \$89,863,869.10, a decrease of \$4,618,718.06, leaving a net income from operations of \$45,338,737.62, as against \$44,044,825.19 for the twelve months ending March 31, 1931, an increase of \$1,293,912.43.

Other net income amounted to \$1,175,798.30 and income deductions to \$15,798,971.89, the balance for dividends and surplus being \$30,715,564.03 as compared to \$30,675,926.52 for the twelve months ending March 31, 1931, an increase of \$39,637.51.

"Mother"

The most beloved word the world has ever known!

Sunday, May eighth, has been designated as her special day. Everywhere, even in the remotest parts of the world, will loving and thoughtful tribute be paid to her.

I thought you would be glad of this little reminder and suggestion to help make her happy. We are displaying an especially beautiful group of WHITMAN'S Candies, appropriately dedicated to "Mother" and shall look forward to helping you in your choice of a remembrance.

After you have selected your gift, it will be a pleasure for us to mail or deliver it so that she will have it at just the right time.

WHITMAN'S, you know, is the sweetest gift for the sweetest person in the world.

MOORESTOWN

Dr. and Mrs. William H. Hart, and daughter, Adelaide and Doris, of West Main street, visited Mr. and Mrs. George Wunning, of Oaklane, Pa., on Sunday.

A party of seven attended the concert of the Philadelphia Symphony Club orchestra on Sunday evening. The party included Mrs. A. K. Salmon, Mrs. Herbert Salmon, Miss Eleanor Salmon, Miss Carolyn Elston, Miss Ruth King, Miss Iva Bodine, Harry Salmon and Walter Salmon. A. K. Salmon is a member of the orchestra.

Boy Scout Troop 2 is planning to hold its annual Father and Son dinner on Friday evening, May 6, at 6:30 o'clock. The following weekend a trip to Edward A. Mechling's lake is planned.

Mrs. C. Rudson Plum, of South Church street, and baby daughter have returned to their home after spending some time with Mrs. Harry Conway, of West Central avenue.

Mr. and Mrs. J. H. Batten, Mrs. Hanna Wilkinson and Frank Convery, of Mill street, motored to Washington, D. C., on Wednesday of last week. They saw the Japanese cherry trees in blossom and had a very enjoyable day of sightseeing throughout the capital city.

On Wednesday evening of last week nine members of Armistice chapter, Order of Eastern Star, attended the installation of Riverside chapter. Mrs. Emma Pitblan, past grand matron of the state of New Jersey, who resides in Camden, was the installing officer. Those present from the Moorestown chapter were Mrs. Stella Ellis, Mrs. Julia Crider, Mrs. Eva Heckenhorn, Mr. and Mrs. Paul H. Blatt, Mr. and Mrs. Arthur L. Snyder, Mrs. Florence Felch and Harold Wright.

Miss Ruth King, of Danielson, Conn., is the house guest of Mr. and Mrs. A. K. Salmon, of East Main street. On Saturday Mrs. A. K. Salmon, Mr. and Mrs. John Salmon and small son, and Walter Salmon motored to Atlantic City on a sightseeing trip with Miss King.

The first accident to occur at the cross roads of South Church street and Route 38 happened on Saturday afternoon. Residents heard the crash but no one seems to know just what happened. The two cars concerned were able to leave the scene under their own power after the occupants had had a heated argument. Route 38 is not open to through traffic yet and how such an accident could have taken place is hard to be conceived.

Tournaments To Mark Opening of Second Nine Holes at Course of the Burlington Co. Country Club on First Saturday in May

The formal opening of the complete 18-hole golf course of the Burlington County Country Club has been set for Saturday, May 7.

A special opening program of events has been arranged by officials and Leo Shea, the club pro. There will be an 18-hole medal tournament for members and a handicap match. Prizes will be awarded for low gross and low net score.

A complete schedule of tournaments has been arranged for the coming season and will be announced shortly. The first nine holes of the course have been open since early last summer and presents one of the finest layouts in this section. The entire course is 6277 yards and is in fine condition.

Thomas Shallcross, 3rd, of Chester avenue, entertained at dinner in the Riverton Country Club on Saturday evening in honor of his birthday. There were eighteen guests present. The dinner preceded the regular dance of the club.

Mr. and Mrs. Edward Kilpatrick, of South Church street, had as their guests on Sunday Mr. and Mrs. George McElroy and young daughter, Marian, of West Philadelphia, and Sidney Stubbins, of Kirkwood.

A Chevrolet coupe driven by John Batten, of Mill street, figured in a collision with a truck loaded with lumber and owned by C. B. Coles, on Monday morning at Main and Mill streets, when Mr. Batten drove across Main street from Mill to the Sunoco station in front of the truck. The coupe was badly damaged but no one was injured.

The last meeting for this season of the Women's Junior Republican Club of Burlington County, was held at the home of Mrs. Charles Laesele, Jr., of East Second street, Moorestown, on Tuesday afternoon. The speakers included D. Lane Powers, candidate for Congress; Dr. Marcus W. Newcomb, candidate for Assembly; Harry J. Biegler, candidate for auditor; George N. Wimer, candidate for sheriff; William H. Heisler, candidate for freeholder. Freeholder Charles R. Stout, chairman of the Republican County Committee, introduced the speakers. Governor Moore last week nominated Arthur J. Collins, Jr., of Valley View Terrace, to succeed Walter E. Robb, of Burlington, as member of the State Board of Conservation and Development. Robb was president of Burlington City Loan and Trust Company, which closed its doors last December.

All fairways and greens are well kept under the supervision of Mr. Shea, who came to the club after years of experience on some of the finest courses in the East. He was formerly pro at the Riverton Country Club.

Many of Burlington county's well known families are represented in the membership of the club. There are at present 54 life members and 60 individual members. Non-members may play by paying a greens fee of one dollar. This will be increased to two dollars on Saturdays, Sundays and holidays after the opening of the second nine.

A small building has been purchased and is being moved to the club to be used as a golf shop and locker room. The room housing the present golf shop will then be used for lockers and showers. A restaurant service is expected to be provided in the near future.

The officers of the club are: President, Colonel Thomas D. Landon, of Bordentown; first vice-president, Charles Coles, of Mount Holly; second vice-president, David Styer, of Bordentown; treasurer, Ira J. Davis, of Burlington; secretary, W. W. Hess, of Philadelphia; assistant secretary, William A. Stringfellow, of Mount Holly.

'Y' CLUBS TO HOLD MUSIC FESTIVAL

Colorful Program to be Presented in Moorestown Community House

Nearly every Y.W.C.A. club in Burlington county will be represented in the annual music festival of the association which will be held at the Moorestown Community House on Friday evening, at eight o'clock, when the history of music will be presented in a colorful manner.

The great religious music, including hymns and oratorios, the gay and fanciful music of the troubadours and the peasantry will be combined in a program which also includes the music of the present day. Music from 300 A.D. to the present day will be portrayed. Among the non-Y.W.C.A. groups taking part is the toy symphony orchestra from the Cinnaminson Township Schools.

The festival is open to the public without charge and the music committee, of which Mrs. William Grobler, of Moorestown, is chairman, cordially invites the public. Should any individual wish to make a contribution to the music program of the association it will be gladly received by the committee.

Members of the Burlington County Y.W.C.A. are much interested in the report of the national board of the Y.W.C.A. to the biennial convention of the association which will be held in Minneapolis, May 5 to 11. The convention comes this year just twenty-five years after the time when Young Women's Christian Associations in many parts of the United States joined to form a single national movement.

Delegates from all the adult groups will meet at the convention. Burlington county will be represented by Mrs. F. Wallis Armstrong and Mrs. William Grobler, both of Moorestown. Mrs. Grobler is a member of the committee to review the report of the national board and propose to the convention the program for the next biennial.

The Moorestown Blue Triangle club met at the Y.W.C.A. club rooms on Church street, Wednesday evening, with Miss Sidonie Schaefer, of the county Y.W.C.A. as the speaker of the evening. A business session was also held with plans made for the coming month.

The Palmyra and Riverside Girl Reserves enjoyed an inter-club basketball game last Thursday at the Methodist Episcopal Church in Palmyra. The final score of 31 to 8 in favor of Palmyra was somewhat of a surprise after a hotly-contested first half.

The Palmyra line-up was: Marie Janders, jump center; Florence Bower, side center; Mildred Goodwin, forward; Mildred Shedaker, forward; Catherine McNulty, guard; Mary McNulty, guard.

The Riverside line-up was: Alice Barton, jump center; Thelma Lacey, side center; Anna Henning, forward; Viola Keeble, forward; Beatrice Zeiss, guard; Jane Koch, guard. A return game will be played early in May. Ella Russell, of Palmyra, was the referee.

PLANE TALKS

By L. H. H. LONGAKER
Founder, Burlington County Aero Club

Last weekend was certainly a busy one at the Moorestown airport of the Burlington County Aero Club. All of the ships in the air most of the time the boys all anxious to get in flying time and plenty of visitors. With good flying weather now with us, the ships will not stay on the ground very long. Why don't you take advantage of the extremely low flying rates and learn to fly now?

On May 22, an international conference of pilots who have flown across the ocean will be held in Rome under the auspices of the Italian Aero Club. The conference will last eight days and it is hoped the experiences of these fliers will ultimately lead to establish regular inter-continental flight with a minimum risk. By the way, almost one hundred fliers have flown the Atlantic since the flight of Alcock and Brown in 1919.

Ship NC5181 of the Burlington County Aero Club is being overhauled and put in first class shape for the annual re-licensing inspection by Department of Commerce inspectors.

Bert Balchen is planning to make another Antarctic flight. The purpose is to photograph as much as possible of the 5,000,000 square mile area, more than three-quarters of which has never been seen by man. Balchen will use a single-engine ship capable of at least 150 miles per hour. The plan is to make a 2000 mile non-stop flight most of which will be at an altitude in excess of 10,000 feet. We are wishing you lots of luck, Bert.

After a nation-wide survey, aeronautical engineers of the Department of Commerce announce that very few airports built in recent years will meet the traffic demands of the near future. Most of the fields are subjected to a permanent weather handicap due to incorrect surfacing and drainage. Floyd Bennett airport in Brooklyn is one of the very few correctly designed fields and approximates the model field of the future.

Powell Bill Aimed At City Managers

Cities of the first class would be barred from adopting the city manager plan of government under a bill introduced by Senator Clifford R. Powell.

The measure would be a further restriction of the right of the people to elect their own form of government, its sponsor has admitted.

Asked to explain his bill, Powell said it was introduced "to gain the desired effect."

Introduction of the Powell bill closely follows the McLaughlin bill passed several weeks ago and quickly signed by the governor which virtually deprives the voters of the power of recall in cities under the Walsh commission government act.

DR. POY WILL RETURN TO CHINA

Resident Physician of Burlington County Hospital to Leave July 1st

Dr. William Jue Poy, resident physician of the Burlington County Hospital, Mount Holly, will return to his native China in August, it was announced last week.

Dr. Poy will go to Canton, where he will become clinical lecturer in surgery at the David Gregg Hospital. The physician is a graduate of Northwestern University, where he received his bachelor in medicine and doctor of medicine degrees. He later received a degree in science at the University of Washington. Dr. Poy has been in Burlington county almost two years.

He will leave Mount Holly on July 1 and will sail from Seattle August 6 on the S. S. Jefferson.

Dr. Poy has won a host of friends during the time spent in South Jersey.

RED CROSS FLOUR SENT TO COUNTY

1320 Barrels, Made From Government Wheat, Will be Distributed

The American National Red Cross has charge of the distribution of the flour made from government-owned wheat, throughout the country.

Through Burlington County Chapter American Red Cross, Franklin S. Chambers, director of Burlington County Emergency Relief, has requested that 1320 barrels of flour (consisting of 196 pounds each, be shipped into Burlington county, for the use of the 1400 families needing assistance at this time.

The flour will be shipped in carload lots—two to each Burlington, Mount Holly and Riverside, and from these points distributed to the various communities and welfare organizations by a committee consisting of: William D. Marren, Mount Holly; George McKann, Jr., Burlington; and Charles Krug, Riverside.

The supply ordered as above is what is computed will be necessary during the next ninety days, after which another supply may be secured.

ROUTE 38 WILL BE DIVIDED ROADWAY

5-Mile Stretch, Camden to Kings Highway, to Have One-Way Lanes

The State Highway Commission decided last week to pave new Route 38 as a divided roadway for five miles from Crescent Circle to Kings Highway, near Moorestown.

The plan originally called for paving 30 feet wide, but J. A. Williams, division construction engineer, at Camden, suggested the proposal to pave two lengths each 20 feet wide, with a gravel strip 10 feet wide dividing the two lanes. This will permit one-way traffic on each lane and will prevent head-on collisions.

The commission laid off 151 employees, most of them from the inspection forces, as a result of curtailing its present construction program. The saving will be \$24,280 a month.

MHS ALUMNI ELECTS FRED HAAS PRESIDENT AT BUSINESS MEETING

Moorestown High School Alumni Association at its annual meeting last Thursday evening, in the Home and School room, elected Fred P. Haas, president for the forthcoming year.

Other officers named at the same session include David Faxon, vice president; Marie Meyers, secretary; and Harmon Chegwidden, treasurer.

The executive committee is made up of: William Thomson, chairman; William Herman, Margaret Fowler, Stella Oldershaw, Gordon Page, Josephine Meyers, Alice O'Brien, Anna Ulmer, Nettie Slocum and Harold P. Coxson. One of the main items of business discussed during the session was the annual banquet, which is to be held on Saturday evening, May 7, in the Community House gymnasium. This year the affair is to be in the nature of reunions for various classes.

PALMYRA NOTES

The Women's Home Missionary Society of the Epworth M. E. Church will hold its regular meeting in the church Monday evening. All members are urged to attend. The mite boxes will be opened at that time.

An important meeting of the St. Agnes Guild of Christ Church will be held in the Parish House Monday evening. All members are asked to make a special effort to be present.

The St. Agnes Guild of Christ Church, Palmyra, will hold a rummage sale in the store next to the fire house on Broad street on Saturday, May 14. Anyone having rummage is asked to call Riverton 236.

The Friendship Circle of the Epworth M. E. Sunday School will hold a birthday dinner preceding the regular meeting in the church on Monday evening, May 9. Reservations may be made before Monday. It is hoped that many former members and past presidents will be present to help celebrate the class birthday. Will you do your bit?

Mr. and Mrs. Raymond Koehler, of Legion avenue, Palmyra, entertained at a birthday party given in honor of their brother, Kurt Koehler, Saturday evening. Delightful music was furnished for dancing, refreshments served and amusing games played. The guests included Mr. and Mrs. Fred Veit, Miss Ethel Stewart and Crawford David, of Burlington; Miss Catherine Cary, Arthur Delaney, of Camden; Miss Ruth Lennex, of Haddonfield; Paul and Clarence Janet, of Merchantville; Miss June Worth, Pennsylvania; Newton and Harry Bowers, of Parry; John Wilson and Mrs. Billie Sutters, of Riverton; Miss Marie Bodine and Miss Dorothy Seridan, of Lindenwald; Miss Lottie Kates and Leslie Black, of Swedesboro; Mr. and Mrs. John Rahas, Misses Claire and Mildred Rahas, William Kirk and Mrs. Bessie Palm, of Philadelphia, and Mr. and Mrs. Allen E. Boas, of Palmyra.

A supper will be served at the Central Baptist Church from five to eight o'clock on Saturday evening, May 7. Adults, fifty cents; children, thirty-five cents. The general public is invited to attend.

Mrs. Sarah Simmons, of Cleveland avenue, and her son, Montgomery, of Riverton, spent Sunday in Atlantic City.

The American Legion Auxiliary will hold a card party in the Legion Home Saturday evening, May 14. Playing will begin at 8:30 o'clock. Prizes and refreshments.

The Junior Philathea Class of the Central Baptist Church Sunday School will hold a rummage sale in the vacant store next to the fire house on West Broad street, Saturday, May 28. Those wishing to donate are asked to call Riverton 491-J.

"Peg O' My Heart," the annual Junior Play, will be presented by the members of the Junior Class, P.H.S., Friday and Saturday evenings, May 6 and 7. Tickets may be obtained from any member of the Junior Class. Admission, fifty cents.

Mrs. Beatrice Nace, of Lincoln avenue, who has been confined to her home with an attack of rheumatic fever, is now able to be out again.

A strawberry patch will be a feature of the strawberry festival to be held in the gym of the Epworth M. E. Church on Friday, May 13. Each person will be asked to pick a strawberry in order to receive his or her gift package.

Mr. and Mrs. J. C. Mallory and sons, Richard and Robert, of Highland avenue, spent Sunday in Philadelphia.

The Women's Auxiliary of Christ Church, Palmyra, will hold a joint covered dish luncheon in the Parish House on Thursday, May 12. The luncheon will be served at one o'clock. Those desiring to attend both the luncheon and the card party are asked to bring a covered dish and will be charged twenty-five cents. Those desiring to attend only the card party will pay twenty-five cents. Card playing will start at 2:30.

The Young Ladies Sodality of the Sacred Heart Church, Riverton, gave another one of its successful dances in the K. of C. Hall, Palmyra, last evening. Music for the occasion was furnished by Ed Carrigan and his Kings of Rhythm. The young ladies plan to give these dances each week.

The Palmyra Ambulance Association gratefully acknowledges the receipt of \$20 from the Riverton Junior Porch Club.

ENTOMOLOGIST IS ROTARY SPEAKER

T. J. Headlee Tells of Success of Radio as Destroying Agent

Thomas J. Headlee, State Entomologist, of the New Jersey State Department of Agriculture at New Brunswick, was the guest speaker at the meeting of the Palmyra-Riverton Rotary Club held last Thursday.

His topic, "Radio in Relation to Insects," proved highly interesting to the club members. The entomologist stated that the high cost of chemical control of insects had inspired investigation of light, heat and radio waves as a possible economical solution of the problem.

A high frequency apparatus was secured from the General Electric Company at Schenectady, New York, and experiments were begun with the machine, which is capable of delivering twelve million waves per second, and it was found that placing a live bee in a tube within the field of energy resulted in the death of the bee. A tube registered a temperature of 100 degrees while the body of the dead bee registered a temperature of 154 degrees.

The practical side of the problem had to be considered, however, and further experiments showed that the destruction of insects without damage to its habitat of commercial value could be accomplished.

A bee and a grain of wheat were placed in a tube and exposed to high

frequency waves of an intensity of three million waves per second. A thirty second exposure killed the bee but had no damaging effect upon the grain of wheat. Further experiments showed that a frequency of twelve million waves per second ruined the wheat.

Further experimentation revealed certain interesting facts. One larva placed in a tube and exposed to the waves was not affected, but two larvae placed in a tube and under the same exposure were killed instantly when they contacted, indicating that each was killed by a discharge of current, evidently generated in each. A similar occurrence transpired when a bug was used in the experiment.

It was learned that wood a vegetable structures offer no resistance to these radio waves, which indicates that it is possible to sterilize packaged goods, such as cigars, cereals, etc., with a frequency of three million waves per second and not damage the goods.

PALMYRA MAN ENTERS CONTEST FOR CORONER

John Swartz, of Snover Funeral Home, Inc., Seeks Republican Nomination

John Swartz, of Palmyra, has announced his candidacy for the Republican nomination for coroner of Burlington county.

Mr. Swartz is a member of the firm of Snover Funeral Home, Inc., and has many friends throughout Burlington county. There are two coroners to be elected this year and Mr. Swartz plans to make an active campaign for one of the nominations.

LEGION AUXILIARY TO SEND REPRESENTATIVE TO ANNUAL LUNCHEON

At the regular monthly meeting of the American Legion Auxiliary of Post Frederick M. Rogers the unit made plans to have a representative at the luncheon and reception to be given the national president, Mrs. Louise Werle Williams, of Tuckahoe, N. Y., Thursday, May 12.

The event will take place in the Hildebrecht Hotel, Trenton. This luncheon and reception is given annually and is not only a very enjoyable affair but is very interesting and instructive.

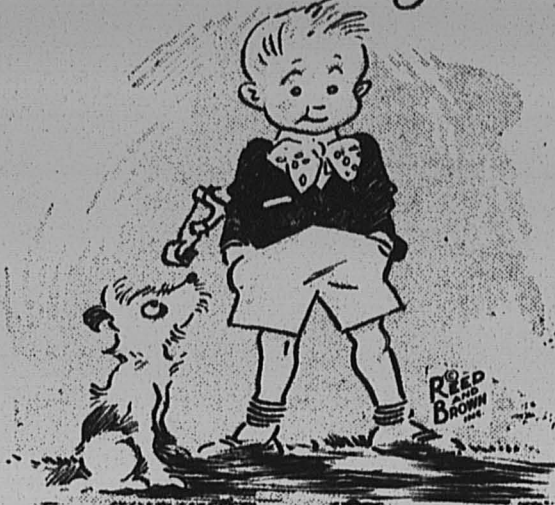

One gets a very keen insight into the tremendous lot of work which is being done by this great organization.

Rehabilitation and Child Welfare Work leads in the activities sponsored by the American Legion Auxiliary and the National Defense Legislation and Americanism gaining a foremost place on its programme.

Any member is most welcome at this luncheon and reception and full information regarding reservations, etc., may be had by calling Mrs. Mary King, president; or Mrs. George Weiland, secretary.

SAVE MONEY

On Your Fuel Bill Next Winter

Have Your Furnace and Entire Heating System Thoroughly Cleaned Now!

Our New and Exclusive Cleaning Apparatus Does the Work Better and at Less Cost

7 Reasons Why "It Should Be Done"

1. The United States Department of Commerce says: "A coating of a quarter of an inch of soot in a furnace reduces its efficiency by one-half, and if the soot is only one-eighth of an inch the furnace is one-fourth less efficient."
2. Have approximately 1-3 of your cash bill next winter by increasing the performance of the furnace and pipes.
3. By cleaning your furnace now, moisture cannot accumulate in the soot and rust away your smoke pipe and other exposed parts.
4. Many residence fires are caused by clogged furnaces and pipes. Reduce this hazard by a thorough cleaning.
5. Housewives will appreciate how easy it is to keep the house clean with all soot and dust removed. It also saves on the laundry bill.
6. Aside from the unpleasantness of dust and dirt in the house from the furnace, dust is a carrier of germs. It is decidedly a health measure to remove soot and dust.
7. The whole cleaning service is performed with a high pressure vacuum apparatus of new design. The job is done without any dust or dirt escaping during the cleaning process.

What the Service Includes

1. The furnace is scraped to remove scale and rust and then thoroughly vacuum cleaned, removing both scale and dust from every crack and corner.
2. The smoke pipe is thoroughly cleaned.
3. Soot is cleaned from the base of the chimney.
4. The furnace is given a coat of asphaltum paint to preserve the surface.
5. Exterior dust and dirt is cleaned from all cellar pipes.

CHRISTIAN SCIENCE

EVERLASTING PUNISHMENT will be the subject of the lesson-lesson in all Churches of Christ, Science, on Sunday, May 1, 1932.
The Golden Text is: "Brethren, a man is overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness" (Galatians 6:1).

Among the citations which comprise the lesson-lesson is the following from the Bible: "And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to heal all manner of disease" (Matthew 10:1).
The lesson-lesson also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All sin is of the flesh. It cannot be spiritual. Sin exists here or hereafter only so long as the illusion of mind in matter remains. It is a sense of sin, and not a sinful soul, which is lost. Evil is destroyed by the sense of good" (p. 311).

Wesleyan Men's Bible Class

Last Sunday, the beginning of day-light saving, 112 men attended class to enjoy the solo of R. E. McMenamin and listen to Mr. Ponsell's talk, which was based on the following words from Matthew 28:18: "All power is given unto me in heaven and in earth."
Mr. Ponsell said that these are the words of Jesus, the resurrected Lord. They are the most remarkable words that ever fell from the lips of man. Christ is the only one

who could say them. All power means unlimited power. The power he possesses far exceeds the sum total of all the power in the world—the wind, waves, light, heat, etc. For all the power of the world could not elevate man into the presence of God. Christ is the outstanding, unique Person of all times. All other great figures of history are practically forgotten and are seldom spoken of, but Christ is not forgotten, and He is coming again some day to establish for all eternity the fact that all power is given unto Him in heaven and in earth. Christ's words are not the words of man; they are different, they are Spirit-filled. The Bible is the answer to the world's ills. We hear people speak of Shakespeare as being inspired, but the Word of God is the only inspired writing. It was written by Holy men as they were inspired by the Holy Spirit. The Church's greatest need today is divine power. The world's needs are urgent, but Jesus can solve all our problems if we would go to him. We do not need more statesmanship; we need more of Christ. The world today needs rest; He only can give it rest. The world is in a great storm and He alone can speak peace to the storm. Faith in Christ can supply all the world's needs—faith in the Carpenter of Nazareth, in the Christ of the Cross, the Christ of the tomb and the Christ of the resurrection.

Cinnaminson P. T. A. Notes

Cultivate a hobby, and have an interest to fall back upon if the days should come "That have no pleasure in them," was the text of several earnest talks at the Cinnaminson Parent Teacher meeting on the twentieth.

Miss Reagen, of the teaching force, and Miss Clark, county librarian, stressed the value of the reading habit, and the desirability of using good books.

Robert Sim, suggested various nature phases of lasting interest, and Mr. LeFebvre, the physical director, spoke of games useful to the individual as well as for team work.

Mrs. W. Henry Jones, county chairman spoke briefly of Parent-Teacher activities.

Much business was expeditiously handled before the discussion.

The P. T. A. will play a large part in the pre-school clinic, beginning May third. Both schools will be handled during the week.

The children, who have their program for "Music Week" on the third, will help with a musical tea to be given by the music committee on the afternoon of May four, with an admission fee of ten cents.

Plans for a covered dish luncheon to be held at the home of one of the members, were discussed. Notices of the Southern Spring Conference at Burlington, on the twenty-eighth, and also of the coming County Council, were given out.

After a couple of snappy games, led by Mr. LeFebvre, and the hospitality committee had served refreshments, were, judging by the buzz, every one was in good humor, the meeting closed.

The thrill of a lifetime came to

the children in the Kindergarten, Monday, when they visited the Riverton fire house. After being shown all around and having everything explained to them, Chief Walter Annstrong phoned them all in the fire truck and took them back to school.

PRESS CHAIRMAN.

MRS. JOSEPHINE AUSTIN
Mrs. Josephine Austin, colored, wife of Primous Austin, died at her home, 18 Jefferson street, Palmyra, Friday. Funeral services were held Monday afternoon at two o'clock at the Evergreen Baptist Church. Interment was made in the Wrightsville Cemetery.
