PRICE, FIVE CENTS

DINNER FORMALLY OPENS 1932 Y.M.C.A. FINANCE CAMPAIGN

Quota for Palmyra-Riverton Organization Decreased by Nearly \$1,000

PHILA. WELFARE LEADER ASSISTS LOCAL DRIVE

C. P. Mayfield, Dinner Speaker, Will Also Serve as Adviser

The final step in the raising of \$3,000 for the maintenance of the Palmyra-Riverton Y.M.C.A. for another twelve-month period will be taken next week.

Beginning Monday night, a corps of approximately seventy workers will make a house-to-house canvass of the two towns, asking for whatever contributions the citizens feel they can give. The greater part of Monday evening, however, will be taken up with a dinner to be served in the Central Baptist Church, J. Elmer Hahn, president of the Board, will preside.

C. P. Mayfield, of Riverton, will be the principal speaker at the dinner and, together with the Board of Directors will map out the plan of the campaign. Mayors Walter D. Lamon and Killam Bennett will also make some brief remarks.

Mr. Mayfield recently conducted successfully a 250 block welfare campaign in Philadelphia, and his experience in this work and his ability as an advertising manager of a large Philadelphia business establishment make him ideally fitted as an adviser to the Palmyra-Riverton campaign leaders.

Realizing fully the decreased incomes of many of the citizens in the two towns, the directors of the Y.M.C.A. have shaved the budget to the closest possible figure, with the result that the amount to be raised has been lessened \$800. The cutting of more than 21 per cent. from the 1931 quota shows extraordinarily good business management and campaign workers are optimistic over the final outcome of the drive.

The dinner has been scheduled to start at 6:30 and the program following will center around the plans which have been made for the proper carrying out of the finance campaign. The newly organized Women's Auxiliary will serve the meal under the direction of Mrs. Elmer Hahn, who has been named as chairman of the supper committee by the president of the organization, Mrs. Charles Yost.

Fourteen division leaders will direct the campaign in the various districts. All the funds for the maintenance of the Palmyra-Riverton Y.M.C.A. must come from the two towns or from individuals outside, since the organization has no connection with the county Y.M.C.A. and cannot depend on that unit for funds.

All the money raised in Palmyra and Riverton other than 6 1/2 per cent. is spent locally. That small figure goes as the local share toward the State Y.M.C.A. National Council Y.M.C.A. and Springfield and Southern College Training School.

HELP ASKED FOR FIRST AID SQUADS

P. S. Requests Police Chiefs To Facilitate Answering Emergency Calls

In announcing the adoption of first aid signs which will be conspicuously displayed on its automobiles engaged in carrying the county's first aid squads on emergency calls, Public Service has requested the cooperation of police chiefs in various localities in helping the squad to arrive as quickly as possible at the scene of an accident.

The use of the identification symbol, a small metal sign with a green cross and the words "First Aid" printed in black on a white background, is calculated to inform the police that the automobile is on an emergency call and that necessary calls for its movement through traffic with as little delay as possible.

Each rescue squad of Public Service is composed of men trained in first aid and resuscitation work. They carry with them first aid and emergency equipment, including an inhalator, which has proved efficacious in gas asphyxiation and submersion cases.

The gas department of Public Service has inhalators at several localities in each division of its territory. In Southern Division inhalators are located at Second and Cherry streets, Camden; South High street, Burlington; 360 South Warren street, Trenton; Camden Coke Company, Front and Chestnut streets, Camden; Brunswick Avenue Gas Works, Trenton; Camden Gas Works, Second and Cherry streets, Camden.

CARD PARTY AND LUNCHEON SUCCESS

Many Friends Met at Kof C. Hall Last Week at Sacred Heart P.T.A.

The luncheon given by the Sacred Heart Parent-Teacher Association at the Kof C. Hall last Wednesday was a great success, and brought together members and friends of the association for a very enjoyable afternoon.

Following the luncheon, tables were set up for cards and beautiful prizes were awarded for bridge and pinocle.

The atmosphere of friendliness, the wonderful luncheon served and not forgetting the financial success, all helped in making such a pleasant afternoon.

The luncheon was in charge of Mrs. Arthur C. Haines.

N. J. BANKERS TO HOLD CONVENTION

E. L. Williams and Howard B. Conover of Cinnaminson Bank Will Attend

Robert W. Harden, president, New Jersey Bankers Association, vice president, Westfield Trust Company, announced today that the 29th Annual New Jersey Bankers Association Convention would open on May 12th and extend through May 14th at the Hotel Chelsea, Atlantic City. The golf tournaments will be held on May 13th and the business sessions on May 12th and 14th.

Mr. Harden announced that a feature of the convention would be an address by Col. H. Norman Schwarzkopf, superintendent, New Jersey State Police, on "How the Banker Can Aid in the Apprehension of Criminals Through the Use of Teletype." Colonel Schwarzkopf will give a demonstration of the teletype machine, and his address will be of great practical interest.

E. L. Williams, president, and Howard B. Conover, treasurer, of the Cinnaminson Bank and Trust Company, Riverton, are planning to attend the Convention.

ANOTHER A'S DATE ASKED BY ROTARY

Letter to Thomas Shibe Requests Future Date for Ball Game

The monthly board meeting occupied the attention of Palmyra-Riverton Rotarians last week. They heard a report from Joe Evans that Thomas Shibe had been written to, and asked for another date so that the boys may see the A's play, despite the disappointment of last Monday. He also announced a boys' program at "Bishop" Lockett's church on Sunday evening, May 9 at 7:45 o'clock, to which Rotarians are invited.

The club voted to assess each member enough to construct a tent-house at Camp Ockanickon, the cost to be \$15.18. The usual business was disposed of and then Mattis who acted as secretary in the absence of Joe Seel, showed the members that a satisfactory balance would be turned over to the incoming officers.

The report on the Atlantic City conference will be given at a later date by "Bishop" Lockett, who asked for more time to prepare his remarks, because of the importance of the meetings.

"The club is looking forward to C. P. Mayfield's talk on "Sales Letters" next week. In view of its practicality, the thought was expressed that some members might want to ask guests for more time to prepare his remarks, because of the importance of the meetings.

BUGLE CORPS NEWS

The Palmyra Drum and Bugle Corps won first prize in a competition sponsored by the V. F. W. at Camden last week.

The next competition in which the Palmyra Corps will take part will be held in West New York on May 15, at which time the Palmyra men will be the guests of Cusack Post, American Legion.

This will be one of the biggest events of the year. Units from New York, New Jersey, Delaware and Pennsylvania will participate. Competition will be very strong, as some of the best outfits in the country will take part.

Another "Night in Monte Carlo" will be held tomorrow evening in the Post Home. Admission will be fifty cents. An evening of real fun is guaranteed. There will be plenty of attractive and valuable prizes. The general public is cordially invited to attend and enjoy this fun as well as to help support the Corps.

ENGAGED

Horace M. Watson, of Morgan avenue, Palmyra, announces the engagement of his daughter, Miss Dorothy Watson, to Jennings Black, son of Mr. and Mrs. Stanley Black, of Mantoloking. No date has been set for the wedding.

NEW CARILLON IS HEARD ON SUNDAY

Lakeview Memorial Park Chimes Broadcast Over Entire U. S. In Beautiful Concert

Another step in the development of the Lakeview Memorial Park on the site of the old Jessup farm, on the Burlington Pike in Cinnaminson Township was made last Sunday afternoon when the large electrical carillon was dedicated with impressive ceremonies.

The completion and dedication of this carillon has been the object of much interest and the dedicatory exercises were attended by approximately 3,000 persons notwithstanding the inclement weather.

The development of Lakeview Memorial Park on the site so admirably adapted to the purpose, has been a matter of much local pride and interest, and residents of nearby towns look upon it as one of the attractions of the neighborhood.

Radio Broadcast

The exercises began with a radio broadcast of selections by Bernard R. Mauser, carillonist of Germantown M. E. Church, on a National Broadcasting Company hookup at 1:30 p. m. This was followed by addresses and presentations at 3 p. m. Rev. John Pemberton, Jr., pastor of Centenary-Tabernacle M. E. Church, Camden, was the principal speaker.

"Every great hope that has lifted man heavenward has been set to music," Rev. Pemberton said. "The steady hymns from this latest contribution to the mysteries of broadcasting are not just mere pleasing melodies but are rather the expression of that which men have steadfastly believed through the centuries."

"The music of the carillon will be added to the moaning of the wind, the steady patter of the rain, the far off pounding of the surf, the whispering rustle of the leaves and mingling with them will re-echo until in some mountain glen they shall be blended into one eternal symphony with an archangel as the director."

The chimes, which are the creation of the ROA-Victor Company, were presented by Donald Watrous, representing the manufacturers. They were accepted on behalf of the cemetery association by Roy A. Ramey, managing director. Dr. W. L. Haberstadt, was master of ceremonies.

Heard 15 Miles

The carillon has 49 notes and with clear weather can be heard 15 miles according to the makers. They are erected in a tower on a knoll in the southern end of the cemetery.

As the console key is depressed tiny hammers strike reeds which are tuned exactly to the desired notes. The vibrations set up are electrical, amplified and sent out through a specially developed sound projector system located in the tower a thousand feet away from the console.

The keyboard permits a soft and heavy touch to give expression to the music. In addition, there is a "swell" or volume control pedal operated by the foot of the carillonist for unusual effects. When tolling the bells, the volume can be turned down so the reed is struck and then swelled to full power, giving a tonal quality impossible to achieve with an actual bell.

The carillon has an audio amplifier capable of delivering one thousand watts to the six loudspeaker units which were specially developed for this purpose. Each speaker unit can withstand two hundred watts of audio power compared to the four or five watts which the small home speaker can handle without distortion or damage.

Clocks Control Device

On the top rail of the console are three clocks which provide for striking the hour and fractional hours with the customary Westminster peal. If desired, one of the clocks operates a roll playing mechanism for the carillon at any specified hour.

The broadcasting was done from a colonial mansion at the entrance of the cemetery, which has been improved and furnished as an office and home for the superintendent.

Lakeview Memorial Park, consisting of 100 acres, has already been formally dedicated as a modern burial park. The first section is under process of development and already there have been fourteen interments made.

Business and professional men form the board of directors with Francis B. Whalen, president; Leonard R. Baker, vice-president; Loyal D. Odner, secretary. Roy A. Ramey, as managing director, announces that close to \$250,000 worth of the lots have already been sold.

NEW BUS LINE

The new bus line operated by the Thomas Brothers, of Maple Shade, between that place and Frankford, started last week.

The route is Mill road north on Fork Landing road to Cinnaminson avenue, Palmyra, down Broad and Market streets across the Palmyra-Tacony Bridge to Tacony then to the Frankford elevated lines.

The buses pick up interstate and intrastate passengers. Fares are five cents through Maple Shade, ten cents to Palmyra, and 25 cents to Frankford.

STUBBORN FIRE IN DREER SHED

Excelsior, Boxes, Baskets and Moss Consumed in Two Hour Blaze

Hundreds of dollars worth of baled excelsior, dry moss, baskets and packing cases were destroyed yesterday afternoon in a fire in one of Henry A. Dreer's storage sheds, in Riverton.

The fire was discovered about 4:30 p. m. and both of Riverton's pumpers rushed to the blaze. The fire, of unknown origin, had its start in the middle of an all-metal shed about 200 feet long.

There being no windows, the shed was filled with dense smoke and while the fire raged within considerable difficulty was experienced in locating the blaze.

Finally a through draft was created and the building cleared of smoke but the fire in the bales of excelsior and moss bins offered stubborn resistance and required two hours of fighting to completely extinguish it.

Water was pumped from Fulton street and a lily pond. Palmyra apparatus was called but not used.

TO FIX SWIMMIN' HOLE AT PARK

Robert H. Clelland Now Working on Improved Bathing Conditions at Creek

Work has been started to clean up and improve the old swimmin' hole at Memorial Park, Riverton. Chairman of the Borough property committee, J. Elmer Hahn, has authorized Robert H. Clelland, who conceived the idea, to fix up the beach and approach at that extremely popular spot.

Clelland proposes to remove the old stumps and trees from the edge of the stream and cut the bank back in a long sweeping circle. The jetty now in existence has served to deposit black mud along the beach, and with that obstruction, removed Clelland believes that the gravel bottom and beach will remain clean.

The approach to the swimmin' hole, now cut up in a series of gulleys as a result of rain and surface drainage, Clelland plans to straighten out. This will make a better beach and a better approach.

The bank surrounding the old lily pond has been eaten away considerably as a result of winter wind and surface drainage. This he plans to restore to its original condition.

The new and old tennis courts at the park were opened this week, and already a number have availed themselves of the pleasures of the sport.

CLUB MEMBERS ENJOY PICTURES

Four Reels Are Shown Through the Courtesy of Boston, Mass., Concern

The Palmyra-Riverton Men's Club held its regular monthly meeting in the Y.M.C.A. building, Broad street, and Carlisle avenue, Palmyra, Thursday evening.

Four reels of motion pictures of the Conowingo Power Dam were shown. These pictures depicted the development of water power in the hilly country and proved most interesting to the men.

The reels were shown through the courtesy of the Stone, Webster Company, of Boston, Mass.

Floyd W. Spahr, club president, presided throughout the session.

The May meeting will be the final meeting of the club year. A very interesting session is promised the members who attend.

According to the custom established in the past the club will temporarily suspend during the summer months.

SWASTIKA GIRL RESERVES

On last Wednesday afternoon the members of the club went on a nature hike. They made a special study of different kinds of trees and insects. On Friday evening they attended the Music Festival at the Community House in Moorestown. Those who took part in the festival were: Mildred Webb, Ernestine Robinson, Pearl Henry, Peggy Johnson, Catherine Banks, Frances Carter, Helen Brown, Mabel Thompson and Catherine Stanford.

THELMA ROBINSON, Publicity Chairman.

A GOOD START

The appeal in last week's paper for vacant Riverton lots to be used under the supervision of the R.C.A. for the production of vegetables for consumption by the unemployed of this summer, is bearing fruit.

Louis A. Flanagan, of 207 Howard street, has offered a lot 100x100 feet at the rear of his residence for this purpose, and plans are already under way for cultivation.

Others who have lots they are willing to have used for this purpose should communicate with Mrs. C. L. Beach, of 300 Main street.

Cinnaminson Home Horse Show, Fete Committees Cooperating in Arranging Affair, Reports Mrs. Linton, Chairman

At the regular meeting of the board of managers of the Cinnaminson Home held Monday, May 2, Mrs. M. Albert Linton, fete chairman, reported that all of her committees arranging the affair for Saturday, May 14, are cooperating well.

The children's movie rumor has been confirmed. There will be a continuous performance of children's films in the caddy house.

Another new feature will be the opening of the rose garden of Dr. and Mrs. S. Enlen Stokes adjoining the Club. Last year's cold weather kept the roses from coming out, but as soon as the horse show was over to return with fur coats and to learn that the dance recital in the garden had been missed. Those who braved the cold to stay were so impressed by the sight of so much beauty hidden behind the hedge that they felt sure an opportunity to enjoy the garden would be welcomed by all flower lovers.

The managers of the various booths are requesting donations. Mrs. Killam Bennett will be glad to call for cakes and while the oven is hot Mrs. Edward Ritchie and Miss Cornelia Coale suggest you remember to slip in a pan of biscuits or some nut bread for the delicatessen table. Mrs. Harry E. Bennett is soliciting all kinds of homemade candy and salted nuts for the candy table.

YOUNG PEOPLE MEET MAY 14-15

Camp Ockanickon to be Scene of Activity Next Weekend; Five Counties Present

Five counties of South Jersey will be represented at the annual retreat and outing of the Young People's Department of the Burlington County Council of Religious Education on Saturday and Sunday, May 14 and 15.

The retreat will be held at Y. M. C. Camp Ockanickon, Medford, N. J., beginning at 2 p. m. Saturday.

Camden, Salem, Gloucester and Cumberland counties will be guests of the Burlington county groups. S. Franklin Mack, of New York, known as "Si Mack" to the state young people, will be the leader. Miss Betty Sholl, Moorestown; Miss Hannah Stuart, Beverly and Frank Gerhart, Jr., Maple Shade will have charge of the activities.

Saturday's program will include a baseball game, council fire and canoeing, while on Sunday discussion groups will be held, closing about 5 p. m.

Young people from Burlington county are invited. Registration fee is \$2.50 with Donald R. Killian, of Delanco, being the registrar.

LEGION POPPY SALE TO BE HELD THIS MONTH

Plans are now complete for the annual "Poppy Drive" to be held some time this month by the Post Frederick M. Rodgers and the American Legion Auxiliary.

It is hoped that this year's sales will more than go "Over the Top," as the demands on the rehabilitation and child welfare fund have been unusually heavy since last year's "Poppy Sale."

As has been stated each year at the time of the "Poppy Drive," the Legion and Auxiliary desire to stress the fact that the proceeds of the "Poppy Drive" are used 100 per cent. for the rehabilitation and child welfare work.

The exact date of the sale will be given in the near future.

DOGS OF HIGH AND LOW DEGREE

Every Canine in Riverton Has Been Listed; If Not Registered by May 10—Good-bye

Last week Officer William Gootco, of the Riverton police force, took a census of the dogs in town.

He made 654 notes, and recorded canines of high and low degree. There were thoroughbreds and mutts, big dogs and little dogs, short dogs and long dogs, friendly dogs and dogs that were not so friendly, white dogs and black dogs, yellow dogs and brown dogs, dogs with long tails and dogs with short tails—to the grand total of 258. Of these 48 were registered.

Probably many more will receive official recognition before May 10, which has been set by the borough officials as the dead line for all dogs whose owners do not care enough to have them registered.

The intervening days will be anxious ones for many a mutt. With mingled feelings of hope and fear, they will dog their masters' footsteps to see whether or not he wends his way to the office of the Borough Clerk to secure for them a grant of life, happiness and liberty for another year. The registration fee is \$1.00—less than 2 cents a week.

If your dog isn't worth that to you, let the dog-catchers get him, and if, the next time "wetters" are served at your house, you imagine you see the reproachful eyes of old "Fido" mirrored on the bottom of your plate, you'll have nobody to blame but yourself.

CAPT. HAROLD E. POWELL SOLDIER EIGHTEEN YEARS

Capt. Harold E. Powell, of Machine Gun Co. M. of Mount Holly, Monday completed eighteen years in soldier service, it having been that long that he has been enlisted in the National Guard of New Jersey. During that time he has had a clean record that ranks to the highest honor in the gift of his own company. It was with this outfit that he entered the service of the World War.

CARD OF THANKS

We wish to express our grateful appreciation to all who in any way assisted during our recent bereavement.

MRS. J. SHAW and FAMILY.

MISS STAMAN TO SUCCEED COOPER

Riverton Board Appoints Former Teacher Acting Principal for One Year

Miss Caroline M. Staman, present seventh and eighth grade teacher, was elected to the position of acting principal of the Riverton public school by the Board of Education last Monday night.

Miss Staman's appointment becomes effective July 1, and covers the period of the school year 1932-33, at an annual salary of \$2,500.00.

Miss Staman, who is filling a position created by the resignation of E. Newbold Cooper, present acting principal, has been with the Riverton school for the past twelve years in the capacity of teacher. In addition to her teaching experience she has studied school administration for three summers at Columbia University and has attended five winter sessions at the University of Pennsylvania, studying school administration and education.

Contracts were renewed with the following teachers for the coming school year: Edward H. Griffith, Jr., manual training shop; Miss Julia H. Griscom, home economics; John E. Rank, mathematics and science; Miss Meribah S. Gardner, second grade; Miss Esther M. Rothbart, third and fourth grades and Mrs. Grace C. Gilliland, art.

Mr. Cooper's report was submitted which first gave the results of the school census which showed as follows:

Number of children in Parochial School	40
Number of children in other Private Schools	63
Number of children in Secondary Schools or at Work	122
Number of children in Riverton Schools	326

Total number of children in Riverton between the ages of 5 and 21

The school census for 1932-33, the same as used this year was approved.

Permission was given the principal to secure an amplifying unit for use at the annual field day to be held May 28. Dark costumes were also authorized for installation in the auditorium to facilitate the use of the motion picture projector in that hall.

Charts were prepared and displayed by Mr. Cooper which showed the results of the eighth grade by pupil and by subject in the recent state examinations. The results exceeded by far any previous record on file. In the school only one pupil was below normal, and in a number of cases some exceeded the ninth and tenth grade standards.

George D. Steedle, chairman of the property committee, submitted his report. Engineers of the American Heating and Ventilating Company have been engaged to thoroughly inspect the heating and ventilating system and to report on the advisability of burning pea size coal in the furnaces. The inspection will be made this Saturday and the findings and recommendations will be submitted at a future board meeting.

The property committee recommended considerable interior painting in the main school building and both interior and exterior painting of the smaller building. The program calls for various wall colors in the classrooms to suit the grade and follow the modern trend of school decoration. It was recommended that Stanley Stewart, local architect, be engaged to prepare specifications and supervise the work to assure a first class job on the painting, which will cost in the neighborhood of \$1,000. The clerk was instructed to advertise for bids.

The committee further recommended that the board purchase a twelve-horse electric sanding machine and have the janitor sand and treat the floors with old English oil. The chairman also recommended electric ventilating fans for both the boys' and girls' lavatories.

The clerk was also instructed to advertise for bids on coal and the usual school supplies recommended by the principal.

A letter was read from the secretary of the Parent-Teacher Association congratulating the board on its medical system in the school and the promptness with which a case of scarlet fever was discovered and its spread in the school prevented.

The following bills were ordered paid:

J. L. Hammett Co.	\$ 5.00
J. H. Matlack & Son, Inc.	3.05
MacMillan & Co.	14.40
Public Service Electric and Gas Co.	19.02
American Educational Press Co.	.60
Riverton and Palmyra Water Co.	33.45
Lily Cup and Specialties	9.00
Lewis W. Sharp	63.10
W. E. Dunn, dentist service	29.50
Board of Education: Moorestown, one-half balance	417.50
Palmyra, due for tuition to June 30, 1932	3,225.00

MAN AND WOMAN HELD FOR THEFT OF CHICKENS

Charged with stealing three chickens, Florence Prantz, of Pemberton, and Edward Merrill, of Smithville, were arrested Monday on complaint of Mrs. Mary Grant, of New Lisbon, and released in \$200 bail each by Recorder Frank M. Lockman to await grand jury action.

SAMARITAN CLASS ANNUAL BANQUET IS WELL ATTENDED

Dinner Is Served by Ladies of Junior Philathea Class

SINGING DIRECTED BY RICHARD McMENAMIN

The Rev. Eric Osterle, of Collingswood, Delivers Timely Illustrated Talk

The Samaritan Class of the Central Baptist Church of Palmyra held its annual banquet in the Social Hall, Tuesday evening, in the usual fine style.

It was largely attended by members of the class who had as their guests, the Rev. George Lockett, pastor; Thomas C. VanOsten, superintendent; William Cooper, assistant superintendent; Joseph Low, president of the church; Captain Tyler, vice-president of the Baraca Class and Harry Ellis.

The dinner was well-catered by members of the Junior Philathea Class, headed by the teacher, Mrs. Thomas C. VanOsten. It was a very tasty menu.

The program of the evening was opened by Joseph G. Seel, toastmaster, who called upon Charles A. Deitz, teacher of the Samaritan Class. Mr. Deitz extended the greetings of the class to the guests and members.

Richard McMennamin directed the singing while Frank Sansom, of White Marsh, Pa., rendered several selections which were a treat to the assemblage. Mr. Sansom was accompanied by Mr. C. Feister, also of White Marsh, well known Philathea organizer. Others on the entertainment program were the scrap iron quartette who surprised everyone with their fine talent. The quartette was composed of Ed Hoyt, Richard McMennamin, the Rev. George Lockett and Ernie Woodcock.

The Rev. William Young, "the preaching blacksmith," was one of the guest speakers. He followed his remarks by his usual harmonic program in the style which only "Billy" can render.

The speaker of the evening, the Rev. Eric Osterle, pastor of the Collingswood Baptist Church, gave a very timely illustrated talk on "The Baseball of Life".

Tribute was paid to George Murray and William McConnell who are deceased and who had previously attended the annual banquet for many years.

The enjoyable evening was concluded in a festival of song arranged and directed by Mr. McMennamin.

The general public is invited to visit the Etris store and take advantage of the real bargains being offered on this Good Luck Day.

CANDIDATE

CARL H. THOMAS of 17 West Spring Garden street, who is one of five candidates for the Republican nomination for Palmyra Borough Council. He has lived in Palmyra eight years. Mr. Thomas graduated from the University of Pennsylvania in 1921. Since graduation, he has been in the Life Insurance business. During the World War he was a Lieutenant in the Marine Flying Corps. He is a Past Commander of Post Frederick M. Rodgers, Palmyra, American Legion. Carl is known to many Palmyrians from his connection with the University of Pennsylvania, not only as a football player and All-American stroke on the crew, in his undergraduate days, but also as football line coach from 1924 to 1930. Last year he coached the Frankford Legion football team, independent champions of Pennsylvania and New Jersey.

G. S. HEAR MRS. GEORGE DUBELL

Mothers Plan Big Food Sale To be Held Saturday, May 14

The Palmyra Girl Scouts held their regular meeting in the scout room of the Epworth M. E. Church Monday evening at eight o'clock, at which time, Mrs. George DuBell, the Girl Scout examiner, was the speaker.

Mrs. DuBell's topic was "Gardens." Her talk was most interesting and very helpful to girls planning gardens this year. Mrs. DuBell invited any girls who were interested to visit her garden on Wednesday afternoon.

Next Monday evening the girls will hold a flower exchange. At that meeting, seeds, plants, bulbs, perennials and annuals of all kinds will be traded by the girls. Each one is asked to bring some sort of flower.

Ruth Horner, Yvette Nash and Marie Frank sang songs of other countries. The scouts were trained by Rose La Goldman and their performance was greatly enjoyed by those in attendance.

The Girl Scout Mothers will meet next Wednesday evening at the home of Mrs. Horace Ross, 913 Washington avenue, Palmyra, at eight o'clock. All mothers of scouts are urged to attend.

The Scout mothers are planning a Food Sale to be held Saturday, May 14, on the porch of ex-Mayor George N. Wimer, at 15 East Broad street. All townpeople are asked to contribute to this event, or to buy. Proceeds will be used to defray expenses at the Girl Scout camp this summer.

MISS ANNA ROHLAND HEAD OF COMMITTEE AT BUCKNELL MAY DAY

Miss Anna M. Rohland, of Palmyra, prominent member of the junior class at Bucknell University, has been chosen to head one of the important committees in charge of Bucknell's annual May Day celebration, which is scheduled for Saturday.

Miss Rohland will direct the costuming of more than 70 coeds who will take part in the annual May Day festival to be observed immediately following the crowning of the May Queen. The "Search for Happiness" from Materlink's "Bluebird" has been selected as the theme for this year's pageant.

Miss Rohland is the daughter of Mr. and Mrs. Frederick W. Rohland, 208 Cinnaminson avenue, Palmyra. A graduate of the Palmyra High School with the class of 1929, she is enrolled in the liberal arts course at Bucknell and is specializing in biology.

She is a member of the Phi Mu social sorority and of Phi Sigma, national honorary biological research fraternity.

WELFARE DRIVE

The committee in charge of the American Legion and Boy Scout Welfare Drive in Palmyra is asking support of the townspeople for two more weeks.

The town has not as yet been completely covered, but this is due to the lack of collectors.

All credit for the success of this campaign is due to the two local scout troops and the Legion committee. The liberal support being given by the citizens of the town is greatly appreciated.

Everyone is asked to give all possible in the two final weeks of this drive.

THE HISTORY OF MOTHER'S DAY

Miss Anna Jarvis, Philadelphian Was First to Observe Day 25 Years Ago

The honor of the origination of Mother's Day belongs to Miss Anna Jarvis, of Philadelphia. Her mother died in 1906. On Sunday, May 9, 1907, she told a friend, whom she had invited to remember with her the anniversary of the death of her Mother, of her desire to dedicate a day to all Mothers.

Before the next anniversary came she had interested many individuals and organizations in the observance of the second Sunday in May as Mother's Day. As a result of her efforts, Philadelphia observed the day, May 10, 1908. Miss Jarvis then became the missionary of the idea. She wrote thousands of letters to influential men in all walks of life. She interviewed many public men and pleaded for the observance of the day. Since 1912 the governor of Texas has observed the day by pardoning a number of prisoners on that day. State after state has adopted its observance.

May 1913, Pennsylvania made it a state holiday. On May 19, 1914, resolution passed the Senate and the House of Representatives to make the second Sunday in May a national holiday.

Miss Jarvis has been the means of organizing a national and international organization to further the promotion of the observance of the day. It began to be observed in England as early as 1913. The second Sunday in May is observed in all churches, irrespective of creed, and the previous Friday is observed in public schools. The previous day is observed in business establishments.

Through some distinct act of kindness, visit, letter, gift or tribute to show remembrance of the Mother to whom general affection is due. It is also observed as Father's Day. Its slogan is in honor of "The Best Mother Who Ever Lived." The badge of the day is a white carnation.

The Mother's Day act was passed by both branches of Congress and approved by the President on May 8, 1914. On the following day Woodrow Wilson issued a proclamation directing that the second Sunday in May should be observed as Mother's Day in accordance with the act just mentioned.

In 1918 President Wilson issued a special message, drawing attention to the patriotic sacrifice of the mothers of America and directing that the second Sunday in May be observed in remembrance of these mothers. Thus there has been growing a recognition of Mother's Day, and surely there is no day that we should celebrate more reverently than the day on which we show filial respect for our mothers, the best of earthly friends, our mothers.

The white carnation has been adopted as a symbol of Mother's Day. It may well suggest the purity of a mother's love and the genuineness of her sacrifice.

ITALIAN CLUB HAS SPECIAL MEETING

Candidates for County and Local Offices Are Speakers At Session

The Italian-American Club, of Palmyra, held a special meeting at its club house Thursday evening of last week.

Joseph Davis, Sr., candidate for Borough Council; William O. Cunningham, candidate for the Republican nomination as Coroner; George C. Zeller, candidate for the Republican nomination as sheriff, and J. Horace Eaton, candidate for the Republican nomination as congressman from the new congressional district of Burlington and Mercer counties, were the speakers.

Albert Rinaldi and Henry Prisco were commended for their good work in making and painting the club sign, which is a beautiful piece of work.

Henry Prisco, the manager of the Club's baseball team, reported that his proteges will play their first game Saturday, at Tacony.

The next meeting of the Club will be held on Thursday evening, May 5, at which time George N. Wimer, of Palmyra, and William Heiser, of Pemberton, and other town and county candidates for office, will speak.

BOY SCOUT NOTES

The Riverton Scouts had a most active and interesting meeting last week. Unfortunately the scoutmaster, Mr. Garwood, was obliged to be absent on account of illness. Assistant Scoutmaster William Shoemaker, 3rd, led the Troop in a stunts and campfire drill.

After this Dr. James E. Brown gave a most interesting talk on stamp collecting illustrated with his truly wonderful collection of stamps.

Mr. Garwood and Joseph J. Siddall had offered prizes for the best stamp collection presented by a Scout. After Dr. Brown's lecture, Scouts Maisty and Haley, the only Scouts competing in the contest produced their collections. After due deliberation it was decided that the contest was a tie. Fortunately two prizes had been provided and both Scouts received a reward.

The Scout movement in Riverton and throughout the county is fast developing and stabilizing into an efficient organization. Last week at Burlington was held the first joint meeting of the chairmen of the local boards of review for the purpose of establishing standards for last passing. It is planned to gradually tighten up on the requirements for passing Scout tests so that the winners of badges will have gotten as much out of their Scout work as it is possible to obtain.

MRS. W. R. DUNN IS RE-ELECTED

Mrs. Alfred VanOsten, First Vice-President, Also Succeeds Herself

Mrs. W. Roland Dunn was re-elected president at the annual meeting and election of officers of the Women's Club of Palmyra held Monday afternoon in the club room. Society Hall.

Other officers elected at that time were: Mrs. Alfred VanOsten, who was re-elected first vice president; Mrs. Frederick Blackburn, second vice president; Mrs. William Miller, recording secretary; Mrs. Stanley Green, financial secretary, and Mrs. Frederick L. Shill, auditor.

The minutes of the last annual meeting were read by the secretary and after the voting tea was served.

Ballots were counted immediately following the serving of the tea. The Annual State Convention of Federated Women's Clubs is being held in Atlantic City this week. The affair opened on Tuesday and will continue until tomorrow. Mrs. Alfred VanOsten and Mrs. George M. Beck are the delegates representing the Palmyra club.

Mrs. W. Roland Dunn will attend the presidents' dinner and Mrs. Conrad Friday, chairman of Palmyra's garden department, will have three entries in the flower exhibition.

Mrs. William T. J. Purnell, Mrs. Edwin B. Day and Mrs. Sherman L. Warren are among the other members of the club who will spend some time at the Convention.

P. O. OF A. HOLDS BIG REUNION

All National Officers Are Guests of Palmyra Camp No. 3

Past National President of the P.O. of A. Mrs. Margaret Confer, and National President Mrs. Bessie Russell, along with the staff officers were guests of honor at the meeting of Camp No. 3, P.O. of A., Palmyra, Thursday evening last week.

District President, Mrs. Mary R. Hamelman, was in charge of the meeting.

The room was filled to capacity with members of Camp No. 14, Delanco; Camp No. 40, Merchantville, and numerous guests in attendance.

Mrs. Hamelman, district president, presided at the session and introduced the national officers.

Each officer was presented with a gift by Mrs. Hamelman from the district.

Mrs. Hamelman was the recipient of many useful and lovely gifts from the members of the three camps and personal friends.

The evening's program was as follows: Selection by the Springer Family; reading by Miss Elsie Rieley; piano solo by Miss Martha Martin; vocal solos by Edward Bauer; toe dance by June Hires; selection by the Springer family; reading by Miss Eleanor Caprano.

A play entitled "Daffodil" was presented by some of the members of Camp No. 40.

The Camp room was attractively decorated with the lodge colors and plants and the committee for fine work done in planning and executing such a splendid program.

BOY SCOUT NOTES

The Palmyra Boy Scouts first aid contest was won by N. Bauer's patrol; second, Scheibel's patrol. These patrols expect in a short time to have a patrol name.

The big trip is tomorrow, Saturday and Sunday—canoe trip up Rancocas to Mount Holly, with camping and a good time in view. Trip will be in charge of Scoutmaster assisted by Palmer Adams, who expects to have a good time.

The Sea Scout patrol has sent in their entry for the Sea Scout Swim Meet to be held at Moorestown in the near future. More details later.

Camp literature is at hand. Camp will be called Camp Mahalaia. All Scouts are asked to go.

Twenty-one sets of twins and one set of triplets were born in Dallas county, Ala., last year.

ZELLER 'WET', BUT TO ENFORCE LAW

Bordentown Candidate Issues Statement As to Stand on Prohibition

Replying to a query from the Moorestown Branch of the New Jersey Federation for Temperance and Law Observance, George Zeller, of Bordentown, candidate for Republican nomination to sheriff of Burlington county, has gone on record as opposing the 18th Amendment, which he says is a "menace to the peace and security of the law-abiding citizens of the United States."

Although favoring temperance and moderation in all things, Zeller declared in his letter that "prohibition is the rankest kind of a failure... and is creating and financing this country, a system of racketeers." He added, however, that if nominated and elected sheriff, he will take an oath to enforce the law, which he shall do, despite his personal feeling on the prohibition question.

The letter from the Moorestown Branch follows:

Moorestown, N. J., April 26, 1932.

Dear Sir: The undersigned have been appointed a committee to submit to you the following question (We would appreciate an immediate answer):

Are you in sympathy with our prohibition laws and if elected will you use your influence and office for their enforcement? We enclose a stamped envelope for reply.

Zeller's answer is as follows:

May 2, 1932. New Jersey Federation of Temperance and Law Enforcement, Moorestown Branch, Gloucester.

In reply to your communication of the 26th, may I refer you to my statement on the prohibition question published several weeks ago, in which I stated I believe in temperance and moderation in all things, but not in the 18th Amendment, for this law is a menace to the peace and security of the law-abiding citizens of the United States.

Furthermore, it is creating an unnecessary penalty in the way of a tax burden on all home-owners, farmers, or any others who own property of any description. There is approximately \$5,000,000 a year being expended in Canada, Mexico, Cuba, Bermuda, and a few European countries by Americans who are seeking the liberty denied them at home.

While this law may have been a "noble experiment" several years ago, it is the rankest kind of a failure today, due to the fact that it is unenforceable. You are creating and financing, in this country, a system of racketeers. It is public knowledge that some of our officials in some of our largest cities are under the control of this class of criminal.

You may classify me, therefore, as a "wet". If I am nominated and elected sheriff of Burlington County, I shall take an oath to enforce the law. This I shall do with fairness and justice to all so far as it comes within my jurisdiction, despite my personal feeling on the subject under discussion.

Yours sincerely, GEORGE C. ZELLER.

TRI-HI NOTES

The Palmyra Tri-Hi girls met at the Bowling Alleys at seven o'clock Thursday evening. They played ping-pong and bowling.

Marie Jander was high scorer of the evening in bowling and Ella Bussell was second. Following this treat the girls went to the Epworth M. E. Church to practice for the Music Festival.

Friday evening, nine girls attended the music festival held at the Moorestown Community House. They were dressed in long gowns and opened the festival by a monk's procession to "Alleluia," which they sang in Latin. This evening the girls will have a magazine night. The committee in charge is: Jeannette Cardwell, chairman; Kathryn Broderick, Florence Santino, Dorothy Shaner, Miss L. Kirkey.

MARLTON GIRL IS SERIOUSLY HURT IN MOTOR CRASH

A girl suffered a broken vertebra, the driver of an automobile a fractured shoulder and two children were injured last Friday when the machine left the road and turned over twice between Tabernacle and Indian Mills on the road joining those towns.

All four persons were taken to the Burlington County Hospital, Mount Holly.

The most severely injured was Clara Nickelson, 17, of Marlton. She suffered a broken vertebra, a cut neck and possible internal injuries. Her condition was considered serious. The others hurt were: Harry Speaker, 4, of Marlton. Broken right leg. Emma Speaker, 15, lacerations of the face and cuts of the left leg. Granville Beebe, 37, Marlton, driver of the car, fractured shoulder, cuts of face and hands.

WILLIAM HAINES STAR IN 'ARE YOU LISTENING'

There is more than the ordinary share of screen entertainment in "Are You Listening," which is playing at the Walt Whitman Theatre, 46th and Westfield avenue, Camden.

This feature is not only based on a tense dramatic situation brimming with action and suspense but also finds room for comedy and pleasant romance.

The picture furnishes a complete surprise to the numerous Haines fans, for he plays his first serious film characterization and comes through with an amazingly sincere and effective performance.

Of particular interest in connection with this production is its background of radio, showing as it does the inside workings of a typical national broadcasting studio.

The vaudeville bill this week brings as the headline attraction Mildred Andre and her buddies, an orchestra composed of nine women.

SCOUTS TO VISIT M. E. CHURCH

Mothers and Boys Will Attend Evening Services in a Body

A special program has been arranged for Sunday evening in the Epworth Methodist Episcopal Church, Palmyra, at 7:45. The Boy Scouts of Troop 1 will attend in a body with their mothers.

Scoutmaster A. B. Branson has arranged for a large delegation, the boys to sit with their mothers. They will meet in the scout room before the service.

At the morning service, eleven o'clock, Mrs. Ethel M. Pinn, wife of the pastor, will preach the sermon on "Beauty." This service will be in charge of the women of the church.

Special music will feature the evening service with the following program:

Organ Prelude—"Home Sweet Home," "Silver Threads Among the Gold," "Just a Song at Twilight."

Hymn—"Mother's Day," "Nearer My God, to Thee."

Organ Chimes—"Mother's Church," "The Church in the Wilderness," "Solo—Mother's Prayer Life," "In the Secret of His Presence," Miss Mary Coward.

Mother's Savior, "There Were Nine by and Nine"—Baritone Solo, Mr. Elwood Johnson.

Mother's Bible—"How Firm a Foundation," Offertory—"How Dear to My Heart Are the Scenes of My Childhood," Mother's Pines—"Peace, Peace, Won't you be quiet," quartet.

Mother's Heaven—"I Will Sing You a Song of that Beautiful Land," Mrs. D. G. Schwarz.

Mother's Prayer—"Baritone solo and quartet," Mr. D. G. Schwarz.

Mother's Guide—"Leadeth Me," Chimes—"O That My Savior Were Your Savior Too."

Postlude—"The Sweet Bye and Bye."

SAFETY POSTERS TO GO ON DISPLAY

Depict Dangers of Cutting Out
of Lines, Passing on
Hills

During the next fifteen days motorists will have an opportunity to see a graphic display of what happens when a driver cuts out of line and attempts to pass another car while going up hill. Thousands of accidents occur each year due to this action which is prohibited by laws in almost every state.

These large colored posters will appear in the 5,000 filling stations of the Standard Oil Company of Pennsylvania, Standard Oil Company of New Jersey, the Texas Company, the Gulf Refining Company, the Colonial Refining Company, the Shell Eastern Petroleum Products Company, the Atlantic Refining Company, the Richfield Oil Corporation in the states of New York, New Jersey and Pennsylvania.

Commissioner Harold G. Hoffman, of the New Jersey state motor vehicle department, states that "the oil filling station is the best place to display public safety educational posters, since all motorists must stop to get gasoline and can read them while waiting." According to him "the oil companies are in the most advantageous position to carry out this work since they are so close to the motorist and desire to serve them as customers."

This public safety educational campaign has received favorable comments from thousands of motorists and from the press. It was brought about as a result of a recent meeting in the offices of the National Bureau of Casualty and Surety Underwriters at which the motor vehicle commissioners and representatives of the oil companies were present.

The enforcement agencies are going to pay particular attention to this violation during the first fifteen days of May. Motorists should heed this warning and thus save themselves accidents and arrests which will follow the violation of the law.

This poster is the first of a series which will be displayed for the benefit of the motorist. A new poster covering an additional hazardous act will appear each thirty days.

Thwarted in love, William N. Odor drank what he thought was ant poison and gave himself up at the Emergency Hospital, but attendants found that the "ant poison" was only molasses.

MRS. GROBLER AT YW NATIONAL CONVENTION AS COUNTY DELEGATE

Mrs. William Grobler, of Newbold avenue, Moorestown, left on Monday morning for Minneapolis, Mo., where she will represent the Burlington County Y.W.C.A. at its twelfth national convention from Thursday to Wednesday of next week.

Mrs. Grobler left early in order to work on two important committees, one which studies in detail the report of the national board and recommends the important parts of it to the convention for action. She is also a member of the music committee and will sing in the convention chorus in its presentation of a service of worship, "The Festival of the New Creation." A number of Burlington County Clubs have arranged for Mrs. Grobler to report the convention proceedings to them after her return from Minneapolis.

POPPY'S MEANING TO WAR VETERANS

Floral Tribute to Dead; Financial Aid to Wounded Living

In the year 1918 Spring came just as it has this year. The grass and trees put on green, flowers pushed up their heads, and the world felt a rebirth of life and energy. But that year Spring had a different meaning. It meant that the vast armies which had been facing each other in entrenched lines in France and Belgium would open Spring offensives. Instead of bringing renewed life, Spring that year brought a renewal of wholesale death.

Those who lived through it can never forget. Newspapers told the story of the terrible death and destruction which daily took tremendous toll of

men as the armies staggered back and forth across northern France in the great continuous battle which ended the war. Cable messages from France told daily of a fresh list of American boys who had given their lives. Our soldiers when they returned did not like to talk about it. It was too terrible, ghastly, ugly. They wanted to forget.

But there was one thing which the men who came back did talk about, one thing of beauty and tenderness which they like to remember. This was the poppy.

Poppies grow wild in France and Belgium like daisies in this country. They continued to grow along the battle front when almost every other form of life was blasted out by the continual pounding of the massed cannon of both armies. They grew over the graves of the dead, the only floral tribute which the gallant young men who laid down life for country received.

The poppies still grow about the graves of the American boys who are buried in the war cemeteries in France and each year at the time of Memorial Day paper replicas of the French poppies are worn in this country in memory of the dead.

Memories of the dead always bring thoughts of those men who were not killed but who came back wounded and shattered in health. For many of them fate would have been kinder if their lives had been taken outright. They were strong, young fellows when they went out to fight for their country. When they came back they were worn wrecks of men unable to do their work and play which makes life worthwhile. More than 30,000 of them are still spending long tedious days in government hospitals, struggling to recover their health or waiting for death to release them from their suffering.

For these men, too, the poppy has a meaning. They are the men who make the poppies. The work helps them pass the lonesome hours, enables them to earn money for little comforts for themselves and to help support their families. The coins dropped into boxes on Poppy Day go to help these men and help their families and the families of the dead.

By buying and wearing a poppy we are honoring the war dead and at the same time serving the living victims of the war.

So remember your own boys when Poppy Day comes. Buy in Moorestown and help the American Legion Auxiliary.

Our New and Exclusive Cleaning Apparatus
Does the Work Better and at Less Cost
7 Reasons Why "It Should Be Done"

1. The U. S. Department of Commerce says "A coating of a quarter of an inch of soot in a furnace reduces its efficiency by one-half, and if the soot is only one-eighth of an inch the furnace is one-fourth less efficient. Save approximately 1-3 of your coal bill next winter by increasing the performance of the furnace and pipes."
2. By cleaning your furnace now, moisture cannot accumulate in the soot and rust away your smoke pipe and other exposed parts.
3. Many residence fires are caused by clogged furnaces and pipes. Reduce this hazard by a thorough cleaning.
4. Housewives will appreciate how easy it is to keep the house clean with all soot and dust removed. It also saves on the laundry bill.
5. Aside from the unpleasantness of dust and dirt in the house from the furnace, dust is a carrier of germs. It is decidedly a health measure to remove soot and dust.
6. The whole cleaning service is performed with a high pressure vacuum apparatus of new design. The job is done without any dust or dirt escaping during the cleaning process.
7. The whole cleaning service is performed with a high pressure vacuum apparatus of new design. The job is done without any dust or dirt escaping during the cleaning process.

What the Service Includes

1. The furnace is scraped to remove scale and rust and then thoroughly vacuum cleaned, removing both scale and dust from every crack and corner.
2. The smoke pipe is thoroughly cleaned.
3. Soot is cleaned from the base of the chimney.
4. The furnace is given a coat of asphaltum paint to preserve the surface.
5. Exterior dust and dirt is cleaned from all cellar pipes.

SAFETY FIGHT GETS UNDER WAY

The service station has become a definite unit in the great army of federal, state, municipal and private agencies mobilized for accident prevention.

The Motor Vehicle Commissioner of New Jersey, New York and Pennsylvania have announced that a group of oil companies will display a series of illustrated posters in thousands of stations in the three states. In time, it is expected, the group will be joined by other companies and the campaign will be extended to all states.

Posters will be changed monthly. Printed in five colors, each carries a warning to the motorist against violating some primary rule of the road. The first poster depicts the peril of passing on the brow of a hill. A motorist has cut out around a truck just as a heavy bus comes over the crest from the opposite direction. A collision is inevitable with its toll of life, limb, and property damage. "Don't Take Chances!" is the warning. "Don't Pass on the Hills!" is the injunction. Other warnings to follow will relate to driving on the wrong side of the highway, cutting out of line, passing on curves, excessive speed, glaring lights or no lights, etc.

The campaign was planned at a meeting held in the offices of the National Bureau of Casualty and Surety Underwriters. This was attended by the commissioners, oil officials and Bureau officials. The filling station is the one common center at which motorists meet where a striking sign is certain to attract attention. The most heedless driver will carry away with him, consciously or unconsciously, the lesson.

All concerned are to be congratulated on this work. It will unquestionably prove a potent factor in the war against carelessness, heedlessness and ignorance which now cause 35,000 deaths on streets and highways.

THE PRICE OF MENTAL LAZINESS

Public slothfulness and indifference are the best friends of high taxes. The increased cost of government must be blamed on the voters who have made it possible for the politicians to mold government to their own desires.

In 1917, the per capita cost of the general

departments of the 48 state governments was \$4.19. In 1917, it was \$11.40. In 1860, there was one employee to every thousand persons in the country. In 1923, there were 50. In 1931, there were 100.

In 1890, the per capita cost of all forms of government was \$13.56. In 1913, it was \$30.24. In 1923, it was \$92.01. In 1928, it was \$105.20, and it has increased appreciably since then.

In 1900, the Federal Government received \$7.45 per capita and spent \$6.84. In 1925, it received \$32.76 and spent \$30.59. In 1931, a year of severe depression, it received only \$27.02—but it spent \$34.37, leaving us with the yawning deficit now perplexing the country.

Now tax collections approximate \$10,000,000,000 a year, and local governments get twice as much as they did in 1919. In 1922, the net bonded indebtedness of the states was \$837,000,000, and that of cities, towns and villages was \$6,316,000,000. In the middle of 1931, the combined indebtedness of the states and local units of government was \$13,500,000,000. The total indebtedness of the nation was \$30,300,000,000.

These are facts and they should be sufficient to make the public think. We cannot blame the politicians for high taxes if we, as voters, do not take the actions that will slash government expenses and bring taxes down or, at least, stop them from further advances. We are paying a high price for our mental laziness.

RADIO WATCHES NEXT?

Olof Ohlson, engineer, makes the interesting prediction that watches of the future may be run by radio impulses sent out by broadcasting stations.

Mr. Ohlson is quoted as saying "the time may not be very remote when we shall be able to transmit energy by this means to operate watches without the aid of either a mainspring within them or of a local battery."

Should this prediction prove true, it will mark another epochal advance in horological science, which had its beginning in the ancient sundial. The sundial was perhaps the only instrument employed for timekeeping from the dawn of civilization until the invention of the water clock, ascribed to Plato, about 400 B. C.

Clocks were not invented until centuries later. While a primitive instrument, called the horologium, is said to have been devised in the 9th century, A. D., the earliest clock of which any description has been preserved is one made in Egypt about the year 1232. A beginning in clock making was made in Germany about 1364, the clocks being regulated by balances. The invention of the mainspring in 1500 and the pendulum in 1583 gave great impetus to clockmaking and it is believed that the first watches were made shortly afterward. But the minute hand was not added until after the invention of the balance spring, about 1660.

While Mr. Ohlson's idea of a radio watch, which may be carried in the pocket while kept going through impulses from a distant station, may appear fantastic, the wonderful achievements already witnessed must inspire a belief in its possibility.

JUST THINK OF THIS!

This is one in a series of challenging thoughts on national and international problems from a member of the younger generation. Reactions, pro and con, are welcome and as many as possible will be published.

By DAVID S. RICHIE

MOONEY STILL LIES IN JAIL!

I suppose some people will say it is high time to shut up and stop protesting on behalf of Tom Mooney. Governor Rolph has joined three previous California governors in denying clemency to the labor agitator and that ought to settle it. He must have been guilty of bombing ten persons to death during San Francisco's 1916 Preparedness Day parade or so many governors would not have said so. Perhaps, but I doubt if that fact or any of the reasons given by the governor's counsel, will convince more than a dozen of the millions of citizens of the United States who consider the sixteen-year imprisonment of Tom Mooney the greatest denial of justice in our history. Why?

The Governor's advisor, Mr. Sullivan, claims "Since his conviction there has been no evidence indicating Mooney's INNOCENCE!" Perhaps so; but how long has American justice meant that a man was GUILTY until proved innocent? What right has California's Governor to keep in jail sixteen years any man who has not been proved guilty, regardless of whether he has been proved innocent or not? The testimony on the basis of which they were originally sentenced to death has been shown to have been honeycombed with perjured evidence. Both judge and jury have since recommended their pardon. In 1918 as the result of the efforts of Mr. and Mrs. A. L. Stevens at Gladstone, the commission of inquiry President Wilson urged intervention by the California Governor and the death sentences were commuted to life imprisonment.

Since then Mooney and Billings, his partner, have languished in jail while protest after protest have been sent to the Governors of California from large sections of organized labor, the Press and the Pulpit demanding that justice be set to rights. Last year the Wickersham Commission referred to the conviction as "shocking to the sense of justice." More recently, Tom Mooney's mother, now 80 years old, was turned down at the White House by the words "The President's engage-

ments were such that he could not see her"; and so she appealed to publicity-loving Mayor Walker of New York. The latter responded by a transcontinental dash to make a sentimental plea for Mooney at the first public hearing granted by any California Governor. Mayor Walker may only have been "merely indulging in forensic hyperbole" as Mr. Sullivan claimed, and also, perhaps, his other claim that no new facts were presented in support of the petition for pardon which had not been presented before, was true. Plenty of evidence had been presented long ago to establish the innocence of Mooney and Billings in the minds of millions of impartial citizens throughout the nation, and this new denial of a pardon, long ago deserved, will not change that conviction. As Senator Nye has said, "After all these years, that word is most discouraging, but there is one thing remaining. That is for the friends of Mooney to continue their battle. They will come out on top as every just cause ultimately wins." Carry on, Mother Mooney!

CAT TALE

One hundred fifteen miles is a long distance to walk, but Muffy, a cat, traveled from Taft, Ore., to Gladstone between August and April of this year. Muffy was owned by Mr. and Mrs. A. L. Stevens at Gladstone. The story began last August when Mr. and Mrs. Thor Aronson of Taft came to visit here and were given Muffy, then a very ordinary house cat and her half-grown kitten. Muffy had been born at the Stevens home, and when she arrived at the Aronson home, more than 115 miles away, she seemed restless. The Aronsons kept the two cats in the house overnight and in the morning let them out. Muffy's kitten got hungry and returned to the house, but Muffy has never been seen by the Aronsons since that summer day last year. The next several chapters of

Muffy's life are a mystery to all but her. For last Monday evening she was found on the porch of the Stevens home in Gladstone, meowing for someone to open the door. Once inside the house, she ran to the spot where her breakfast used to wait and, after being fed, she stepped daintily over the carpet in the living room, hopped onto the davenport, curled up and took a well-earned nap. Muffy is never again going to be given away, Mrs. Stevens said. Mrs. Stevens is a cousin of Mrs. Earl VanLeeuwen, of Riverton.

PALMYRA SCHOOLS TO HAVE PLAY DAY SOON

May 18 has been set aside by the department of physical education of the Palmyra schools for the purpose of "Play Day." The object is to allow students from all grades to participate in games, track and field events.

From the program that is being arranged by the department is expected that approximately six hundred students will take part. It is hoped that parents and friends will be interested enough in their children to encourage them in this undertaking by coming out and enjoying the day with the children.

The morning will be taken up with a program for the grades from the 4th to the 8th inclusive. Grades one to three will have their own program at the Spring Garden street school playground.

The afternoon program will be devoted to the high school, when the class track and field meet is held. It will be concluded with a championship baseball game between the two winners of the four classes. At four o'clock the child welfare department will have a short program. The activities will be in charge of Miss Dugan, director of physical education for girls; Miss Kay Green, nurse in charge of child welfare; and E. C. Dimond, director of physical education for boys.

WELFARE NOTES

The Palmyra Borough Welfare Association gratefully acknowledges the receipt of \$2.00 from Leo Wallace and \$25.00 from the American Legion drive.

Judge M. W. Neihart, of Nebraska City, Neb., has won the same green shamrock on St. Patrick's Day for 45 years.

PTA CONFERENCE AT BURLINGTON

State President Speaks at Southern Spring Session on "Leadership"

In addressing the Southern Spring Conference of the New Jersey Congress of Parents and Teachers, held at Burlington last Thursday, April 29, Mrs. William F. Little, State president, defined success in Parent-Teacher work as "democracy of membership, liberality of views, charity of deeds, enthusiasm, work, love and co-operation."

Mrs. Little spoke on "Leadership," and said "Child welfare is too important to be hampered by a smoke screen of petty jealousy, personal animosity and vindictive innuendoes."

"The power put in the hands of leaders is a sacred trust and should make us careful to use it only for unselfish purposes."

"We must keep the Parent-Teacher Association free from racial and religious bias."

Mrs. Little told the delegates that New Jersey is one of the few states to increase their membership this year. A gain of 6000 members in 1931 brings the total membership in New Jersey up to 73,032.

The total Scholarship money spent in New Jersey this year by Parent-Teacher Associations is \$63,043. This money has been used to keep boys and girls in college, normal, high school and even in the grade schools.

Welfare Work

Mrs. Little spoke of the welfare work being done all over the state by the Parent-Teacher Associations. In South Jersey alone nearly 5000 children have been helped during this trying time. Free meals, shoes and clothing, medical attention, dental care, glasses and many other necessities have been supplied to assist in keeping the children in good condition.

"Parent Education and the Parent-Teacher Association" was the subject of an address by Miss Mary E. Peabody, assistant director of Child Development and Parent Education of the New York State University.

It is not a question of "Why" parent education, but "What kind of parent education, and how can we get it?"

Universities, colleges, churches, the Association of American University Women, Parent-Teacher Associations and many other organizations are building programs on this all-important subject. Many of these groups are broadening a program of parent education over a period of several weeks. Others are publishing a series of articles in magazines.

Government Activities

The largest move in Parent Education was made last year when President Hoover called the White House Conference. This conference was attended by seven thousand people interested in child welfare, among which were 1200 experts who had worked for 10 months, and out of their work and the Conference came the "Children's Charter."

Reports show that there are 398 Parent Education projects, covering an enrollment of 4475 under the auspices of the Parent-Teacher Association in New Jersey this year.

The Southern Conference was especially honored by having as a guest Mrs. Bernard Shaw, of Haddonfield, president of the New Jersey Congress of Parents and Teachers 1914-1918. In greeting those present Mrs. Bechtel said, "The most satisfactory work any mother can take up is the Parent-Teacher movement."

Reports were read by the following County Council chairmen: Atlantic, Mrs. May Townsend; Burlington, Mrs. W. Henry Jones; Camden, Mrs. Harold Gilpin; Cape May, Mrs. John Macdonald; Cumberland, Mrs. A. D. Austin; Gloucester, Mrs. Morris Foulk; Salem, Mrs. Albert Batten.

Other Addresses

Short talks were given by the following state officers: Mrs. M. M. Stafford, treasurer; Mrs. Alfred B. Roberts, corresponding secretary; Mrs. Walter L. Bowen, publicity director; Mrs. William C. Davis, parent education; Mrs. M. Smith, "Summer Round-Up"; Mrs. J. A. Jones, "Child Welfare Magazine," and Mrs. Raymond Whitmoyer, parliamentarian. Mrs. Frederick Yeiter, of Cumberland county, addressed the delegates on "Hospitality and Courtesy to Speakers."

The total registration was 335. The number of delegates from each county was as follows: Atlantic 30; Camden 70; Gloucester 39; Cumberland 59; Salem 1; Cape May 6; Burlington 128. Mrs. John Bishop, Springfield, county vice-chairman, was in charge of local arrangements and registration. Luncheon was served by the Ladies' Aid Society of the Baptist Church.

Those attending from Riverton were Mrs. A. T. Hagston, Mrs. George H. Baker, Mrs. Francis Elwell and Mrs. Frederick Blair.

The Palmyra delegates were, Mrs. A. C. Ollerson, Mrs. Fred Seiber, Mrs. Charles Mallory, Mrs. William Mickle, Mrs. William McCamy, Mrs. Elvin Powell and Mr. and Mrs. C. F. Dengler.

Between all stations on the Pennsylvania Railroad and generally between stations in the East, Middle West and Eastern Canada.

Tickets valid leaving from noon Friday to midnight Saturday, returning to leave during any hour in any evening midnight train the following Monday. Pullman cars on service of regular Pullman coaches. Limited stop-over counting.

And then again, that oculist who said that spinach is beneficial to the eyes may have meant to use it on black eyes instead of wasting a hunk of beefsteak. We always thought that spinach was intended for something like that.

One way of finding out "which side your bread is buttered on" is to drop in on your white flannel trousers.

George Bernard Shaw is telling his English-uppers that over here in America we worship him, we think he is a god. Is it any wonder that those

English-uppers think that we are all nerds?

When asked if he intended to come to this country, he answered: No; some American lunatics are always suggesting that I visit America, but the answer is no.

And there he may be right. We can't imagine anyone, except a fanatic, inviting him to visit his or her country.

But his staying away helps some, it makes just one less nut over here, no doubt.

Residents of the Virgin Islands have extended an invitation to former Kaiser Wilhelm to make his home there. You can't keep a good man down.

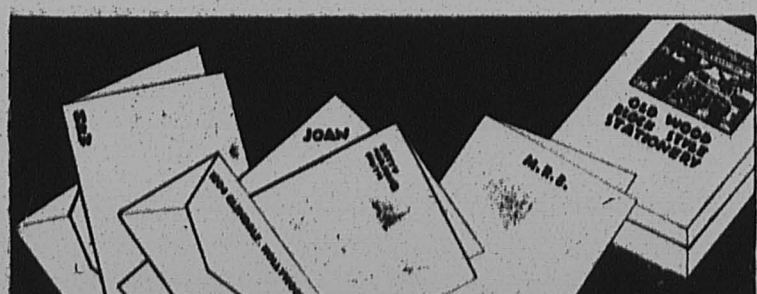

They say that he spent a great

deal of his time there sawing wood. Figuratively speaking, there is too much of that going on in this country.

Say, you know that story we were going to write last week? Well, we've a brand new plot for it. It seems that a frail gives a guy the gate-on, never mind why, just for any old reason, or maybe for none at all. The guy protests, but trying to be a gentleman, which he didn't have any business to do, on account of being too busy, takes it and fades. The girl, having no gate to keep the chickens in, or the chickens out, on account of having given it to the hero—Oh, go to the deuce, if that's the way you feel about it. Yes, we will get back to work, but we warn you that if you want to read it later it is going to cost you heavy dough.

And how do we know that checking up on the serial figures on all those bills isn't just another number racket?

Soap costs around two dollars a pound in Russia. But that doesn't mean anything. What is really important to the Russians is the price of insect powder.

QUOTATIONS FROM P. T. A. ADDRESS

Many Interesting Thoughts Gleaned From Mrs. Little's Talk

An address delivered by Mrs. W. F. Little, of Rahway, state president of the New Jersey Congress of Parents and Teachers, before the Palmyra P. T. A. two weeks ago, left many valuable thoughts in the minds of her audience.

The Publicity Committee of the Palmyra Association has furnished the following excerpts from Mrs. Little's address:

"Little did Mrs. Little think—when she handed Palmyra its certificate at the convention so short a time ago, that she would be speaking to its P. T. A. organization at this time."

"She hopes to have the pleasure again in November of handing it another certificate. This will be her last time for such an opportunity as she 'passes out in November'."

Did you know that the Palmyra P. T. A. had received another prize in the state—and that, receiving the certificate last November merely shows that Palmyra is in line for awards? On the front page of an old bulletin, dated 1920, Palmyra was listed as receiving an award for being one of the districts having the greatest increase in membership in the State of New Jersey.

Depression and Expression

Notwithstanding "DEPRESSION"—which really is just an expression—this year \$63,643 is invested in the boys' and girls' education in the higher institutions of learning. Much also is being spent in keeping the boys and girls in high school and helping others to remain in grammar school. One of the most worthwhile pieces of work and a good investment is the Burlington County Scholarship Fund. Union county is the first county to raise its entire scholarship fund.

The organization of the P. T. A. is quite different than any other. It started as a national movement. What is this national organization? It reaches out with branches in the states, counties and local communities.

What is the P. T. A. trying to do? "See to it that the boys and girls have a square deal." Make better parents—better homes—better schools—and better communities!

Child of men and women are usually a group of people of certain tastes, getting together. If you pay your dues you are allowed to remain a member. If you wish to join—you must be passed on and if the quota is filled—wait for someone to die or fall to pay his dues, before you become a member. The P. T. A. organization is different. Its membership is always changing. It represents a democracy. It is open to all parents or people in the community interested in "The Child." It takes people from all walks of life—the college professor—the tradesman—the artist—the day laborer—the professional man or woman, etc.

New Jersey has gained in membership. It has increased over 6000. In the state there are 73,000 paid-up members, men as well as women. The one point of interest of these people of walks of life is "The Child."

Belong To The People

Where is the place of meeting of the P. T. A.—The School House! You can't bring Johnny in to chums—in the home—in the school—in the community, these must all work together and the place of meeting of all of these different groups is the schoolhouse. The schools welcome the parents into it. Don't forget—the schools belong to the people not to the Board of Education. The board is appointed or elected to represent the people and to see to it that the boys and girls have the right kind of an education. Mrs. Little jokingly said that after a school election the members elected go through a metamorphosis and overnight know how to run the schools. She is still hoping that she may have the privilege of going through this metamorphosis.

The supervising principal and the teachers are the ones who have had the background and know how the school should be managed. They know what should be done in the different grades—in kindergarten, or in high school. They are the ones to bring matters before the board. The board is an administrative body and decide what shall be for the best development of the boys and girls.

The board must have an appropriation to do things with, when they have learned what is essential—then it is for them to bring it to the people. The people should stand behind the board of education or schoolmen. When they do not do this, it is unfortunate. It is essential to have the people's opinion, which can come out through the P. T. A.

There has been too much talk about "cutting down expenses." Let us not cut down expenses by having our boys and girls deprived of opportunities, which are necessary for them right now. Men will always buy a fire engine when they can't be persuaded to have a playground for the children. Our children are the ones in whom we should invest our money rather than in a fire engine or buildings, etc.

The Guardian of the Kingdom

A beggar went up to the gates of a city and said he wanted to see the guardian of the kingdom. "Are you the guardian of the kingdom?" he asked the guard. "No!" He was taken to the prince and asked "Are you the guardian of the kingdom?" "No!" So the prince took him to the king. "Are you the guardian of the kingdom?" The king answered "No!" and took him to the homes of the city, where he saw the families with their children. Then they went to the temples where they saw the young women working, then to the square, where the old and young men were talking together. "You see this beautiful scenery, all these buildings, this grand expanse

of territory? All these are not the Kingdom of the City. The Kingdom of the City consists of those little boys and girls playing in the homes, the young women in the temples, and the young men in the square. The guardians are the parents and teachers of all of these people. After all is said and done, when storms have crumbled these homes and beautiful buildings, the spirit implanted in the boys and girls is what will live on."

Choose the people to run the schools who are able and who don't interfere with the running of the schools. Keep your hands off. The parents really do not know anything about running a school, and should cooperate with those people who do. Stand behind your principal and teachers. You will make a better, bigger, finer Palmyra if you will cooperate and work with the people who have to do with the running of the schools.

George Washington believed in Courage, Honor, Trust and Uprightness. These are the qualities we want to work together to implant in our boys and girls. What we are that counts. We are responsible to love our children, to train them, to guide them, and to see to it that they understand the supreme values of life. We must understand psychology, to be able to train our boys and girls, emotions and develop their traits and attitudes. We can work with the school along the lines of training the boys and girls physically, mentally, socially and morally.

The Flapper Mother
The Flapper Mother is going to be the superior mother. She will be a far better mother by studying how to meet the different moods of her children and learning to train and guide them properly.

"The mental side is more than just learning a few things. The child must be in good health mentally, as well as physically. He should develop the right kind of attitude toward his comrades, toward his church, his home, his community, state and nation. And this he will develop with the guidance of his parents and teachers."

Everything we have been preaching against in the school and home, the community shows its approval. Movies are shown in which racketeering is justified. When we are preaching peace, movies show war among nations and racial war. Moving pictures of racketeering, wars and mob sister slash should be taboo.

Fraternities and sororities in the schools should not be tolerated. In democracy, we don't want such things in our schools. Let the children in high school be free, be democratic, and not have their small narrow cliques here and small narrow cliques there.

Don't parents, try and make the children like you. One of you is enough. We are just a little bit behind the times ourselves. Don't make the children copy us let them be themselves. Forget your foolish little petty jealousies. Realize the fact that the greatest service in the world is training our children. Don't be a slacker in the service of Childhood.

Your children are not your children. They are the sons and daughters of Life's longing for itself.

Life's longing for itself. They come through you but not from you. And though they are with you they belong not to you.

You may give them your love but you may not give them your thoughts. For they have their own thoughts. You may house their bodies, but not their souls.

For their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams. You may strive to be like them, but you seek out to make them like you. For life goes not backward nor tarries with yesterday.

ADVOCATES NOVEL LIQUOR SALE PLAN

Licenses for Drinkers at Community Hotels, Earnest Urges

H. B. Earnest, of Riverside, who is seeking the Republican nomination for state assembly, opposing Assemblyman Dr. M. W. Newcomb, of Browns Mills, announces that if elected he will endeavor to have the New Jersey Legislature recommend to Congress a novel solution for the liquor question as follows:

1. Repeal by Congress of the 18th (Prohibition) Amendment.
2. Substitution of a law for constitution of community hotels in each community, at a ratio of one hotel for each 10,000 population. These hotels are to be the only ones in that area licensed to sell alcoholic beverages.

3. The hotel, or community institution, as their originator calls them, would pay a tax \$1 per head for the population it serves.

4. The institutions are to be owned by local residents, and are each a separate entity, not part of any chain. It would be also forbidden for any one person to hold more than 10 shares of stock in the institution.

5. The institutions, which would approximate in the hotel field the positions banks now hold in communities, would be governed by a board of directors, which would employ a competent manager.

6. Persons who wish to buy alcoholic beverages, at the institutions, must be licensed, under a plan similar to that which governs licensing of automobile drivers now. The license fees are to be \$1 each.

7. An excise board, composed of two men and one woman, is to govern issuance of licenses, and revocation of drinkers' permits for violations. If a man is an habitual drunkard, or abuses or neglects his family through the use of intoxicating liquors, his license is to be revoked.

8. The federal government is to have the income from the tax on liquor, the individual community the income from the \$1 per person tax for the hotels, and the state the \$1 per person "drinker's tax."

Bloren, to Mr. John Strawbridge Lloyd, which will take place in St. Peter's Episcopal Church, Saturday, June 11. The Blorens were formerly residents of Riverton.

Mr. and Mrs. Joseph M. Roberts have returned to their home on Lippincott avenue after spending the winter in Haddonfield with their daughter, Mrs. S. G. Boyd and Mrs. James E. Roberts.

Mr. and Mrs. J. L. Harris, of Cinnaminson, are celebrating their sixty-third wedding anniversary today (Thursday), May 5, 1932. Their daughter, Mrs. W. H. Dillinger and granddaughter, Grace, of Brookline, Pa., and granddaughter, Mrs. Harry J. Jakob and great granddaughter, Lois, of Montreal, Canada, are helping Mr. and Mrs. Harris to celebrate.

R. R. Burdick, Riverton painting contractor, has just finished painting the home of H. K. Rutherford and is now painting the home of John J. Hallinan, 605 Linden avenue, Riverton.

CINNAMINSON HOME HORSE SHOW, FETE

(Continued from Page 1)

The supper committee, of which Mrs. Howard Taylor, of Riverton, is in charge, is planning about the same menu as last year. The hot supper, for which Mrs. F. W. D'Oliver and Miss Edith Oole, of Riverton, are reserving tickets, will be served at the house in the club house. Mrs. J. Malcolm Shelmire will superintend the waitresses. The supper includes chicken croquettes, home baked ham, chicken salad, new peas, potatoes, olives, rolls, coffee, ice cream and homemade cake. As in the past, the hot supper is generous in portions, not reserved in advance, and obtainable from 5 to 7 o'clock.

The cafeteria supper includes several varieties of sandwiches, some suitable for children: potato, chicken, tomato and fruit salads; ham, ice cream and homemade cake. The cafeteria supper will be served from the club house porch with tables on the lawn.

Mrs. Thomas A. Elkinton, of Moorestown, and Mrs. Nathan Lane, of Riverton, are in charge of the cafeteria hostesses. Assisting them will be Mrs. Edmund W. Palmer, Mrs. Charles H. Coles, Mrs. J. Milton Griscorn, Mrs. Francis C. Stokes, Mrs. Charles P. Walnut, Mrs. A. Matlack Stackhouse, of Moorestown; Miss Lydia Parry, of Hainesport; Mrs. C. S. Somerville, Mrs. Clarence Rodman, Mrs. Charles H. Carpenter, Mrs. Harold U. Shere, Mrs. Claude J. K. Anderson, of Riverton; Mrs. Frank W. Thacher, of Edgewater Park; Mrs. Roland Runn, Mrs. Stanley Green and Mrs. Charles Voorhis, of Palmyra.

Mr. and Mrs. Horace T. Greenwood have promised to champion the dance this year. Casper's orchestra has been engaged, as usual. The time has been changed from 8 to 8:30 o'clock to allow the supper committee time to clear the club house. It is requested that those who are planning to have the hot supper be served as early as they can conveniently, to make room for the horse show committee who are of necessity late and, needless to say, very hungry after a busy afternoon in the ring.

The rates at the Palmyra Tennis Courts are twenty cents per hour in the afternoon and twenty-five cents in the evening. The general public is invited to play at all times.

The Girl Scout Mothers of Palmyra will hold a food sale on ex-Mayor Wimer's porch, at 15 East Broad street, Saturday, May 14. All kinds of delicious foodstuffs will be on sale at that time and everyone is asked to buy or give to help make this event the success that it should be. Proceeds from the sale will be used to defray, or help defray expenses at the Girl Scout camp this summer.

The Junior Philathea Class of the Central Baptist Sunday School will hold a covered dish luncheon at the home of Mrs. Edward Ridgway, of Elm Terrace, Riverton, next Wednesday afternoon, at one o'clock. All members are urged to attend.

The Women's Auxiliary of Christ Church, Palmyra, will hold a joint covered dish luncheon and card party in the parish house (Thursday) of next week. The luncheon will be served at one o'clock. Those wishing to attend both the luncheon and the card party will be asked to bring a covered dish and will also be charged twenty-five cents. Card playing will start at 2:30 o'clock.

The American Legion Auxiliary will hold a card party in the Legion Home Saturday evening. Playing will begin promptly at 8:30 o'clock. The general public is cordially invited to be present. Prizes and refreshments.

The Junior Philathea Class of the Central Baptist Sunday School will hold a rummage sale in the vacant store next to the fire house on West Broad street, Saturday, May 28. Those wishing to donate are asked to call Riverton 491-J.

Cinnaminson P. T. A. Notes

During the Pre-School Clinic on Tuesday, the doctors and nurses examined nineteen little children. Several suffering from colds will have to come later. Few or no serious defects were found, as parents frequently take advantage of the various sources of education offered in Child Health, making the clinics simpler affairs by their cooperation.

Thirty-five pupils from the upper grades visited the Parkway Museum last week. Transportation was offered by two of the teachers, and two Parents-Teachers Association members, one of whom sent a small truck to take care of the surplus.

This trip, which was made in connection with some of their studies, was very enjoyable.

Friday night the Junior Band assisted at the Girl Scout concert in Moorestown.

The members of the Association who were able to attend the Conference in Burlington, on Thursday, were well repaid. Every speaker was so earnest, that the messages were far-reaching.

"WHO'S DOING THE PAINTING HERE?"

WE PRIDE ourselves on doing the kind of work that creates a favorable impression. When we paint a house, people want to know who did the job.

That's because we paint not only well but carefully. We protect the vines and shrubbery with cloths, and wipe paint spots off the sidewalks and floors; lawns and flower beds are not ruined.

Get an estimate from us now. You'll find that high class work does not have to be high-priced—even when you use the best materials such as Dutch Boy white-lead.

CHANGE OF ADDRESS

While the State motor vehicle department exists to serve the citizens of New Jersey in every reasonable way, there is one service that is asked of it on a considerable scale which it cannot give. That is the one involved in keeping up with motor vehicle owners as they move from one address to another.

It is a huge "address book" that exists in the records of the department. It contains close to a million names and considerable other information.

It is vitally important that all of the records be absolutely accurate to keep the administrative expense at a minimum, to avoid delay and inconvenience, and to permit the department to perform its services most effectively.

The motor vehicle act of New Jersey assigns to the automobile owner a "duty" to cooperate in the effort to keep these records straight. The provision of the act covering the point reads:

\$10 Fine is Penalty

"It shall be the duty of the registered owner of every motor vehicle and of every licensed operator to notify the Commissioner of Motor Vehicles, in writing, of any change in his or her place of residence within a week after said change is made; any person failing to notify the Commissioner of Motor Vehicles of such change in his or her place of residence shall be subject to a penalty of not more than ten dollars."

Unfortunately, in spite of the penalty, the duty is one which thousands are inclined to perform in the most slipshod fashion. The result is that when it is time to issue new registrations, renew operator's permits or deal with almost a million individuals in one way or another with reference to their motoring citizenship, there is delay, inconvenience and added cost all around.

Failure to notify the motor vehicle department of a change of address is one of those acts of omission, rather than commission, for which one is reluctant to invoke a penalty. Every state has the same problem and no doubt the added cost of administration involved could be paid if a rigorous campaign of fining offenders were to be prosecuted. The average case, however, does not seem to justify such a course and officials naturally are reluctant to pursue it.

Why Not Department?

There should be sufficient cooperation between the motor vehicle department and those it serves to make that unpopular policy unnecessary. When an individual changes his place of residence he usually notifies the postoffice authorities of that fact at once. Also, he notifies his friends, particularly those with whom he corresponds. Why not include the motor vehicle department on the list?

Only two things are necessary in such a notification. They are the name together with the old address and the new one.

We now are approaching one of the traditional seasons when many will change their place of residence. These occur during the Spring and Fall. Thousands will move to new addresses before they get their new registration plates and before their operator's permits are up for renewal. They will

aid themselves and the state by performing the "duty" assigned to them in giving notice of such change.

In the individual's case, it may seem a small thing. When it comes to dealing with hundreds of thousands of individuals—as the motor vehicle department does—it is quite another matter.

STOLEN HOLLY AUTO IS FOUND WRECKED

A roadster, the property of G. Howard Sleeper, which was stolen from in front of his home on Grant street, Mount Holly, March 9, has been found in the woods near Camp Dix by some army officers and reported to the state troopers at the New Egypt barracks. The car had been run about 1000 miles since it was stolen, had been repainted a bright blue color and finally dismantled. It is now practically worthless. Mount Holly police have expressed a belief that the car was taken by two Camp Dix soldiers who were seen about the streets of Mount Holly the night of March 9.

Thomas E. Hopkin, of Buffalo, was fined \$10 for cruelty to animals when he pleaded guilty to throwing a bird cage, bird and all, at his wife.

"Monday's Dinner Was a Dull Affair Until We Got the KELVINATOR"

Sunday's roast and Sunday's vegetables, and even Sunday's dessert, have made Monday celebrated for uninteresting meals. Now Kelvinator with its four special compartments for special food requirements keeps everything so fresh and palatable that left-over food is full of flavor. Delicious new chilled dishes, impossible without an automatic refrigerator, can bring the Monday menu, concocted from Sunday's left-overs, to a point of perfection that the most skilled chef might envy.

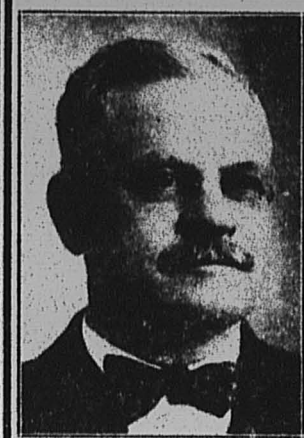

At Public Service Stores Kelvinator Prices Are Lower

Savings as large as \$115 are to be had, and the convenient divided payment plan is always available for our customers—a small sum down and twenty-four months to pay the balance. The price of the Kelvinator that you buy from us includes installation, carries with it three years free servicing, if any should be necessary, and a three years' guarantee.

And day and night refrigeration service is maintained by this company—service no further away than your telephone.

BANQUET OPENS Y. M. C. A. ANNUAL DRIVE FOR FUNDS

J. Elmer Hahn is Master of Ceremonies at Fine Dinner

TWIN TOWN MAYORS
ADDRESS GATHERING

C. P. Mayfield, of Riverton, Gives Helpful and Interesting Talk

Over forty workers gathered at the Central Baptist Church, Palmyra, Monday evening to enjoy a splendid repast served by the Ladies' Auxiliary of the Y. These men were a part of the organization of over sixty workers who will call at every home in Palmyra and Riverton this week in interest of the Young Men's Christian Association Finance Campaign for Current Expense Funds.

The Rev. George Lockett, Palmyra pastor, returned thanks, after which the workers with their captains covering the 14 districts in Palmyra and Riverton enjoyed a real feed, that would win over any man or boy. Mrs. Elmer Hahn was chairlady of the committee serving the dinner. The tables were attractively decorated.

Mr. Ulmer, of Riverton, and a representative of the Beechnut Company prepared the Beechnut coffee that was donated for the affair, and his ability as a Master Chef greatly aided the ladies in the kitchen.

President of the Board of Directors J. Elmer Hahn acted as Master of Ceremonies, and after thanking the ladies and the church for offering the room for the meeting called on the Rev. Mr. Lockett for a few words. Dr. Lockett told the gathering what the "Y" did for him as a boy in Fall River, Mass., and what he owed the organization by affording him contacts that changed his whole life.

Words of cheer and endorsement were given by the Hon. William Bennett, mayor of Riverton. Mr. Bennett stressed the need of the work this year and told of his interest in the work that was doing so much for the boys and men of this and other countries. In closing his speech Mayor Bennett urged everyone of the fourteen captains to call on him and he would give them a substantial contribution to apply to the credit of their District. This was a good will offer on the part of the mayor and in addition to the renewal of his last year's pledge. This inspired every man present to try harder.

Mayor Walter D. Lamon, of Palmyra stated that he could not match Mayor Bennett's offer, but in an eloquent manner challenged the men to carry on because of the work that the organization has done in the past and what there is to be done in these times in the Character Building work with boys. The forcefulness of his presentation and praise of the work accomplished struck a keynote of what can be done.

C. P. Mayfield, a director in the Philadelphia Welfare Campaign, covering a 250 block area, analyzed the job to be done in terms of figures of the preceding year and the amounts received in relation to the workers. After clearly portraying what could happen if every man did what was expected of him, the speaker presented various approaches that men might use in calling on the residents of our communities. Every detail was amply covered in his suggested approach to this task. His remarks were amply fitted to business in these days as well as in an effort of this nature.

In closing he forcefully stated that this was not an impossible task and that if all could do his part and make every effort to see the folk assigned him that the goal would be reached. The Y. is greatly indebted to Mr. Mayfield for giving freely of his advice as an advertising specialist and sales organizer of note in Philadelphia.

The meeting was formally closed with the repeating of the Lord's prayer, after which the District Captains secured their materials. The following men will supervise areas in the Twin Towns: J. L. Metzger, Richard Woodward, Victor Ritschard, Nathan Lane, Leon C. Guest, J. Elmer Hahn, Hilton Smith, and Robert Cole; all of Riverton. In Palmyra these men will direct the districts: Frank N. Johnson, Charles A. Deitz, Herbert Parsons, Warren Smith, Walter Schopp, C. F. Dengler, William Kraus and Leon Evald.

If you are not called on before next Monday night by some solicitor you have possibly been out when he made his calls on your street. If you desire that any special man be given credit for the securing of your contribution, or if there are any questions, call to 604, the "Y," will help you in any way possible.

The Twin Towns have been liberal with their money and moral support of the "Y" that is maintaining a full-time Secretary to supervise the boys in their leisure time periods. The "Y" is grateful for your help and will do everything possible to be worthy of your trust and confidence and the effort that these men are putting forth to ensure this program another year.

MORE JOBS NEEDED FOR UNEMPLOYED MAY PROGRAM OF RIVERTON P. T. A.

Riverton-Cinnaminson Welfare Can Supply Craftsman in Many Lines of Work

Although only a few of our unemployed have secured permanent jobs, enough work has been obtained to make all but five men temporarily self-supporting. With the advent of picking season these five who are now dependent on the Welfare should be able to take care of themselves. Five men who have secured work for the summer are saving small amounts weekly to help with their rent and food next winter when they will probably be out of work again.

Due to the splendid cooperation of Riverton people with the social worker, over 80 separate jobs have been given the unemployed during the last two months. No people are placed without references from previous jobs, and an effort is made to fit the person to the job.

We now have a good upholsterer and a bricklayer added to the list of those who need work; carpenters, painters, plumbers and electricians are still available. The Welfare Association is deeply appreciative of the interest and help which so many people have given in making jobs for our men and women. Even a few hours work often builds remarkably the morale of a family which is striving for self-respect and independence.

The Welfare wishes to acknowledge the following contributions to its fund: Faculty of Riverton School, Riverton Country Club Dance Committee.

Riverton Country Club Ladies Bowling Committee, Frederick Rodgers Post American Legion ("Cudgravia").

Publicity Chairman.

STEWART GETS TERM IN PRISON

Moorestown Hit-Run Driver to Service 7½ Years at Trenton

Lewis Stewart, Moorestown negro, who was the driver of the hit-run automobile that on the night of April 24 struck and killed Miss Elizabeth Cooper Reeve, of Moorestown, was sentenced to seven and one-half years in the State Prison by Judge Higginson at Trenton, N. J., Tuesday of last week. Stewart waived indictment for the offense and pleaded non vult to a manslaughter charge.

Mark Toy, Philadelphia Chinaman, who had previously been convicted of attempting to kill George Eng Hong, a Chinese laborer, and had been granted a new trial, entered a plea of guilty to atrocious assault and battery, was sentenced to State Prison for four years. The previous sentence had been for ten years.

John Lombardi and Alphonse Galziano, of Bristol, Pa., who had been pleaded guilty to stealing 12 chickens from Henry Atkinson, of Burlington township, were sentenced to 18 months each in State Prison.

Other cases disposed of were as follows: John Rozogonyl, Fieldsboro, maintaining a house, \$175 and probation six months, and suspended sentence on charge of possession of liquor, Charles Madison, colored, Burlington, atrocious assault and battery on Elmer Nash, pleaded guilty, fined \$100 and probation six months.

Jack Gansky, Philadelphia, transportation and possession of liquor, pleaded guilty, fined \$125 and probation six months. Myrtle Marks, colored, Mount Holly, desertion and neglect, had offer of \$3 a week accepted, probation one year and furnish own \$500 bond.

PORCH CLUB NOTES

The last meeting of the season of the Riverton Porch Club will be held Tuesday, May 17, at 10:30 a. m.

As the Department heads will give their yearly reports and the delegates from the Convention at Atlantic City will tell us about the things of interest that they learned it promises to be a most worthwhile meeting and it is to be hoped that many will be able to attend.

Members will bring their own "Box Lunch" and can arrange to eat in groups or not as convenient to them. The Luncheon Committee will provide tea or coffee and dessert only.

John Griffenberg

John C. D. Griffenberg, 54 years old, died at his home, 643 Highland avenue, Palmyra, Friday of last week, following a long illness.

Funeral services were held Tuesday afternoon at two o'clock from the late residence. Interment was made in the Morgan Cemetery, Palmyra, under the direction of Frank A. Snover.

Mr. Griffenberg had been a resident of Palmyra for many years and was an employee of the Pennsylvania Railroad at the time of his death.

Annual Meeting, County Council, Summer Round-Up and Field Day on Calendar

May is always a busy month for the Riverton Parent-Teacher Association, and this May brings a full quota of interesting events—the annual meeting and study group on the 16th, Burlington County Council on the 18th, the Summer Round-up on the 19th and Field Day on the 26th.

As May is the time especially chosen for Child Health work, the meeting next Monday will stress this important subject. At the Child Study group, which will meet at 2:30 in the Kindergarten room, Mrs. G. Harold Baker, chairman, will present Miss Blair and Miss Cook, who will discuss the health problems of greatest interest to mothers and who will be glad to answer questions. This is the last meeting, so don't miss your chance for another of the worthwhile discussions that have proved so popular through the year.

At 3:15 the regular meeting will be held in the auditorium, and, as it is our annual meeting, each chairman will give a report—brief but packed with interest of the good work accomplished by the committees, with the loyal cooperation of the whole Association and its friends.

The topic of the meeting is "The Health of the Child, and we are fortunate to have as our speaker Dr. Emilen Stokes, of Moorestown, child specialist, who will bring us much valuable information. Being of great interest to all mothers, those whose children have not yet entered school are cordially invited to hear Dr. Stokes and to attend the Child Study group. Music will form part of the program, and tea will be served after the meeting, as usual.

On Thursday, May 19, the Annual Summer Round-up for the children who will enter school next year, will be held, with Mrs. Ivan Tull as chairman. Dr. Rogers, Dr. Dunn, Miss Blair or Mrs. Cook, and Mrs. Tull's committee will handle the examinations, which will be held at one o'clock in the Kindergarten room. The fact that the Riverton P.T.A. holds its annual meeting on the same day as the National Congress of Parents and Teachers shows the good work done in past years, and the value to the community of these examinations, which give the parents definite information of any defects to be remedied during the summer, so that the children may enter school in the best possible health.

The Burlington County Council takes place on Wednesday, the 18th, at the Delanco school. Being so near, it is hoped that many will be able to attend the morning session at 10, afternoon at 2, or before. To hear of the work done throughout the county makes one proud to belong to the P.T.A., and the talks and Round Table discussions will be full of interest. Luncheon will be served for 60 cents. Mrs. Elwell Riverton 2551, Burlington, is the hostess. May 16 is the day for luncheon or transportation.

Of Field Day, more anon! You can count on the P.T.A. for the always delicious cafeteria supper, you can count on the children for a fine exhibition and for both. To hear of the weather man for a pleasant evening. If not—Friday the 27th.

WILL MAKE PARK OF "PEACE AND PLENTY"

Joseph Reider, Present Owner, Will Open Amusement Center

Joseph Reider contemplates converting Peace and Plenty Farm, between Riverton and Riverside, into Peace and Plenty Park, a recreation center equipped to serve meals and refreshments.

There will be ample parking space for automobiles, and the 120-foot frontage on the Delaware River gives an outlook unparalleled for beauty and interest. The yacht races of the Riverton Yacht Club, which are sailed every Saturday afternoon during the summer, can be seen from Peace and Plenty.

It is expected to have the park open by Decoration Day. It will be in charge of Charles Soulas, formerly of Palmyra, and son of Charles Soulas, Sr., who owned the Rathskeller at Broad and South Penn Square, Philadelphia, until the building was bought by John Wanamaker.

Peace and Plenty Farm was formerly owned by the Riverton Gun Club, where live pigeon shoots were held for many years. When legislation was passed prohibiting this sport, the Riverton Blue Rock Club was organized and clay pigeons were substituted for live birds. This sport soon lost its appeal, however, and a short time later the place was bought by David Henry Wright, who sold it to Mr. Reider 23 years ago.

ANNUAL FETE HELD SATURDAY

Horse Show for Cinnaminson Home Attracts Many Entries

The annual horse show and fete for the benefit of the Cinnaminson Home, to be held this year on Saturday at the Moorestown Field Club, is attracting more attention than ever, due no doubt to many of the classes having been opened to other than local horses.

Already more than a hundred horses have been entered and the twenty-two classes are assured of an average of at least ten entries.

This show is arranged to feature amateur riders and drivers. Only in the open jumping and five-gaited classes are professionals eligible.

Moorestown exhibitors include Lester Collins, whose jumpers have featured in the shows of former years; Miss Ruth Collins with her fine pony "Queen"; F. Wallis Armstrong, with "Vanity" and others; Robert P. Brown with "Glad Rags"; the Roberts' stables with entries in both the three-gaited and five-gaited classes; Miss Lydia Stokes with "Merry Legs"; C. Penimore Johnson, with "Chieft"; H. B. Gale with several saddlers and ponies, and Miss Anne R. Freeman, with numerous entries including "Silver Threads," "Dorothy Rose," "Dark Secret," "Osage Chief" and others.

The Crescent Riding Club, of Merchantville, will enter a string of eight horses including Miss Viola Diebler's "Red Rooster," a horse of more than ordinary merit. Medford Lakes Riding Club has three entries.

Dr. C. T. Jones, of New Lisbon, is again entering "King Sanford" in the five-gaited class and also a number of saddle horses and ponies. Miss Peggy Budd and Miss Florence Crum, of Pemberton, also have entries. From Wenonah comes the contingent of Wenonah Military Academy, headed by Major Charles M. Lorence's jumper "Gold Heart." Dr. Lacy N. Conolly, of Camden, will again show "Mary Lou," a five-gaited mare.

Exhibitors from Pennsylvania include Miss Elizabeth L. Wilson, who is bringing both jumpers and saddlers; Miss Virginia Deutsch, the Four Horsemen Club, Mrs. N. Purdy, Samuel McCauley, Jr., and C. Stanley Lee.

The committee in charge of the show includes William F. Claude, of Moorestown, chairman; J. Morse Archer, Jr., F. Wallis Armstrong, Robert Brown, Lester Collins, George B. Ferrier, Jr., Ralph L. Freeman, J. Warner E. Love, William Matlack, Edmund W. Maule, Edward A. Mechling, J. Clyde Rogers, V. Claude Palmer, E. Russell Perkins and Emmor Roberts, of Moorestown.

CANDIDATES ADDRESS LOCAL ITALIAN CLUB

The Italian-American Club of Palmyra, held a special meeting in the club room Thursday evening of last week.

Candidates for local and county offices were the speakers on that occasion. Among those who addressed the club members were: Carl Thomas, candidate for borough council; William H. Heiser, Jr., candidate for Freeholder and George N. Wimer, candidate for Sheriff.

James T. Weart, county commissioner, gave a most enlightening talk to the members of the club, in which he told them many reasons for supporting Wimer in his race for sheriff. Mr. Weart mentioned the fact that in several previous primaries, he had been one of Wimer's strongest opponents, but during this time he had maintained a personal friendship with the candidate.

NEWCOMB FOR REFERENDUM

Replying to queries from his constituents regarding his stand on the question of a state prohibition referendum, Assemblyman W. Newcomb, of Browns Mills, announces he will vote for the referendum bill when it reaches the assembly. Assemblyman Newcomb declared it is his interpretation of his oath of office that he is to represent the wishes of the majority of his constituents, and he believes the people of Burlington county should have a chance to express their sentiment on this question.

All Officers of Bible Classes To Serve Again for En-suing Year

Despite Sunday's inclement weather more than three hundred members attended the monthly meeting and annual election of officers of the Burlington County Federation of Men's Bible Classes held in the Mount Holy M. E. Church.

The Rev. Charles N. Pace, of Duluth, Minn., was the guest speaker and delighted his audience with a most interesting talk.

The nominating committee submitted the following list of officers to serve for the ensuing year: George N. Wimer, of Palmyra, president; Richard J. Ballantyne, of Moorestown, first vice president; Roy Church, of Fieldsboro, second vice president; Mark Reynolds, of Mount Holly, secretary.

Howard Reamer, of Mount Holly, assistant secretary; Horace Wills, Vincentown, treasurer; J. Horace Finney, of Palmyra, song leader; and J. P. Ashbrook, of Mount Holly, assistant song leader.

The next meeting of the classes will be held at Camp Ockanickon on Sunday, June 12, at which time the ladies will be invited to attend.

DEGREE IS CONFERRED ON REV. H. L. CREAGER

At the graduation exercises of the Lutheran Theological Seminary in Gettysburg, Pa., Friday evening, the Degree of Master of Sacred Theology was conferred on the Rev. Harold L. Creager.

The degree was awarded for graduate work done in the Gettysburg Seminary, in Columbia University and in the University of Pennsylvania.

This academic work was done in the department of Old Testament studies, in which the Rev. Mr. Creager has specialized for some time.

The thesis submitted in addition to the course credits was a treatise on the grammar of the Biblical Aramaic, a dialect somewhat related to Hebrew, in which a part of the Old Testament was originally written; this grammar the Rev. Mr. Creager hopes to have published in the near future.

COMPASS CLUB NOTES

The Riverton-Palmyra Compass Club will hold its regular meeting tomorrow evening in the P. O. S. of A. Hall, Palmyra, at 8:45 o'clock.

At that time all those who took part in "The Womanless Wedding" will be entertained by the members of the club. A cordial invitation is extended to all to be present and bring their wives or lady friends.

The entertainment committee has planned a very delightful evening with a special program and refreshments.

Phi Nu Class

The lesson for Sunday, May 15, is "Jacob at Beth-El," the text being found in Genesis 28:10-17. Beginning this Sunday we shall start a series of six studies on "Religion and the Family." They are to be based upon incidents in the family life described in Genesis and will proceed from that incident, to come face to face with the vital problem of the family life today.

At the May meeting of the Class it was decided to have a picnic in place of the regular June meeting.

ANNUAL LIBRARY MEETING

The Riverton Free Library will hold its annual meeting Monday evening, May 16, at which time the library will close at 8 o'clock. All members of the Library are invited to attend.

LETTERS SUBJECT AT ROTARY CLUB

C. P. Mayfield Tells Business Men Some of Fine Points in Letter Writing

Clifton P. Mayfield, director of publicity of the Penn Mutual Life Insurance Company, gave the Palmyra-Riverton Rotary Club some very worthwhile pointers in letter writing at their meeting last Thursday evening.

Whether the letter be routine or individual, care must be taken that the recipient receives a good impression of the writer and the business he represents, said Mr. Mayfield.

Stress was laid on the value of business houses giving their advertising agents basic thoughts for their sales letters. "It is very easy," continued the speaker, "to obtain prospective lists, but care should be used in selecting an exclusive list, that is, a list of those people directly interested in the subject matter, and not just any one who might be interested."

The art of making a person want your article is one of the most important appeals of a sales letter. This letter need not be brief to an abrupt point, but should be long enough to let the prospect know just exactly what you are trying to sell him.

Simple and concise words and simple phrases are important features of a letter, and connected sentences are of great value. A letter of any kind should run along smoothly and not jump from one thought to another.

The tone of a letter, be it sales or individual, should always show dignity, friendliness, sincerity, confidence and quality. All these things can be shown in a letter and still keep it strictly businesslike.

"After you have written your letter be sure to check it over and see that it has said just exactly what thoughts you had in mind to convey to your prospect," was the final advice of Mr. Mayfield.

THIRD EDITION OF BETSY ROSS

Fascinating Story of the "Quaker Rebel" Has Won Wide Popularity East and West

John C. Winston Company, publishers of Philadelphia, have just announced a third printing of "Betsy Ross, Quaker Rebel," written by Edwin S. Parry, of Riverton. The book, which narrates the life and times of the maker of the first American flag, they state, has enjoyed wide distribution, particularly in the West, having been adopted by the Reading Circles of Illinois, Colorado, Iowa, Michigan and Ohio. It is listed and recommended in the official booklet published by the American Library Association and has been selected by the Children's Book Club, whose headquarters are in Chicago. "Betsy Ross, Quaker Rebel," has been pronounced by the Boston Evening Transcript, "one of the most engaging stories in our country's history."

HOWARD HORNER OUT FOR CONGRESS

Burlington Man Seeks to Represent Fourth District on Progressive Platform

Howard F. Horner was born in Burlington, attended local high school, received an early chemical training through medium of night and extension schools, and became chemist for the U. S. Cast Iron Pipe Company at Burlington, the Camden Iron Works, Camden; also Supervisor of Manufacturing of Steel Castings at Midvale Steel Works, Philadelphia.

For the past fourteen months he has been Field and Executive Secretary for the Citizens' Federation of New Jersey, interviewing hundreds of New Jersey citizens, in all stations of life.

Mr. Horner seeks nomination for Congress, representing the Fourth District, on the following platform:

"I will devote my full time to the work, whether congress is in session or not.

"I will not spend my time building political fences and trying to perpetuate myself in office.

"I do not favor the payment of the Soldiers' Bonus at this time, and until the finances of the nation will permit it safely. I do favor a reduction of interest, or complete elimination of same if feasible, that the veterans pay on the previous amount paid to them. I believe it is the duty, however, of our government to care adequately for all veterans who were disabled in the war.

"I am in favor of an Army and Navy and sufficient Air Force so that this nation may be in a position to defend itself and do effective international police duty if necessary. I believe in Peace but not at any price.

"I greatly favor a tax reduction program and believe all sensible economy should begin at once.

"I am in favor of legislation which will give more adequate supervision over our domestic banking systems and foreign investments, and which will protect the depositor and legitimate investor and stop bank failures, thereby restoring confidence.

"I believe in the Constitution of the United States and all its Amendments, including the 18th, and favor its retention and honest, fearless enforcement.

"I am in favor of immediate legislation that will provide for detection, real prosecution and punishment of crime, and a complete and continuous elimination of the gangster and racketeer.

"I am in favor of legislation which will protect the public from grafting politicians and office holders, thereby cutting out waste, extravagance and much of the need for increased taxation.

"I am not in favor of cancellation of foreign debts. I think that this country should not bear the brunt of European waste, extravagance, mistakes and petty diplomatic blunders.

"I am in favor of any real constructive legislation which will guarantee equal rights, fair play, justice and prosperity to our people, and pledge myself to work to this end."

Kinsey — Collins

A wedding of much interest in this vicinity was solemnized on Friday afternoon, when Miss Beatrice Irving Collins, daughter of Mr. and Mrs. Irving Allen Collins, of "Sunny Terrace," Moorestown, became the bride of Boyden Kinsey, Jr., of Cincinnati, Ohio. The ceremony was performed at the First Presbyterian Church, Moorestown, at four-thirty o'clock, with the Rev. J. Shackelford Daurty, minister, officiating.

The bride, given in marriage by her father, wore a beautiful white satin gown fashioned on long slim lines with a train. She wore a tulle veil, arranged with a cap effect, and her bridal bouquet was of gardenias, roses, and lilies of the valley.

Mrs. Vincent G. Bush, of Brooklyn, N. Y., attended her sister as matron of honor. Her attractive frock was of tulle silk net, made in color, made with a brief jacket, and she wore matching hat and slippers. Her bouquet was of Spring flowers.

Miss Elizabeth Kinsey and Miss Mary Alice Ault, of Cincinnati, Ohio; Miss Ruth Smiley, of Clarksburg, W. Va., and Miss Alice Lippincott, of Riverton, were bridesmaids. Their frocks were of blue tulle silk net, and similar to Mrs. Bush's. They carried bouquets of Spring flowers.

Miss Cynthia Collins and Miss Patricia Stackhouse, cousins of the bride, were flower girls. Their little dresses were of yellow organdie, embroidered in blue, and they carried bouquets of forget-me-nots.

Alfred B. Kinsey, brother of the bridegroom, was best man, and ushers were George S. Kinsey and John S. Collins, of Moorestown; Vincent Bush, of Brooklyn, N. Y.; Sidney Longmaid, of Philadelphia; and James Scobie and Henry Bond, of Cincinnati.

A reception followed the ceremony at the Collins' home, after which Mr. Kinsey and his bride left for a wedding trip. They will be at home at "Avondale," Cincinnati, Ohio, after June 15.

Adolph Dietzel, of Fort Worth, Tex., who had to withdraw from school recently because of a secret marriage, wore number "13" jersey both at center in basketball and at end in football.

BAPTISTS WILL MEET IN PALMYRA

Representatives of 59 Churches To Attend Session in Palmyra Next Week

The forty-fifth annual meeting of the Camden Baptist Association will be held in the Central Baptist Church, Palmyra, Tuesday and Wednesday of next week.

This association takes in fifty-nine Baptist Churches in South Jersey and has a total membership of over 13,000 persons.

This is one of the largest events of its kind ever to be held in Palmyra. The townspeople should be justly proud that their community has been picked as a place in which to stage such an affair.

A very fine program has been planned for both days. Tuesday afternoon will be known as the "Education Session" and Tuesday evening will be "Men's Night."

Wednesday afternoon a missionary session will be held and Wednesday evening will be the night for young people.

BUGLE CORPS TO COMPETE AT W. N. Y.

The Palmyra Drum and Bugle Corps enters its first real competition of the year at West New York, N. J., on Sunday.

The members of the corps will be accompanied on the trip by a large number of fellow Legionnaires and citizens of Burlington county, who will help them very much by their attendance and enthusiasm at the event.

A full corps of 43 men will be put on the competition field against the best corps in the state.

The members of the corps are hoping to come home with first prize, realizing all the time what a job lies ahead of them.

Rehearsals are being held on Riverton Memorial Field and real results are being obtained.

NATIONAL ORDER HONORS SNOVER

Funeral Home Appointed Local Member of the Golden Rule

The Snover Funeral Home, Inc., of Palmyra, has just been appointed by the Order of the Golden Rule as the local member.

This Order, we are informed, is composed of progressive funeral directors, who have as their motto, "Service measured not by GOLD but by the GOLDEN RULE." This motto is incorporated in the emblem of the Order in a very attractive way.

The emblem itself, consists of a knight in full armor, supporting with his right hand a shield upon which the motto is inscribed, and presenting at waist this shield, gripped in his left hand, a drawn and naked sword, as though to signify his readiness to defend the high principles of the Order he represents.

Funeral directors who hold fellowship in the Order of the Golden Rule must express a belief in the principles of rendering complete and modern service, governing their conduct by the highest ethical standards developed within the profession, and rendering this service at a moderate price within the reach of all.

BUSY WEEKEND AT OCKANICKON

Young people from the Sunday School organizations of a number of South Jersey counties, the Burlington County Marble Champ Tourney, a conference of the Y.M.C.A. leaders of Burlington county, groups from Gloucester and Monmouth counties, and twenty-five women from one of the classes of the Vineland Y.W.C.A. are the "bookings" for Camp Ockanickon over the weekend of May 14-15.

SUMMER ROUND-UP WORK CONTINUES

The old expression "an ounce of prevention is worth a pound of cure" is just as true now as when first coined.

Why not prevent possible severe illness or suffering by having all Palmyra children who will enter kindergarten in September examined by the school physician, assisted by the school nurse tomorrow afternoon at 3 o'clock in the Delaware avenue school.

Many parents have responded to the call of the P. T. A. Summer Round-Up campaign and have brought their children to be examined, and now feel well satisfied that they have done so, but some others have not. It cannot be that parents do not care about knowing of possible existing physical defects, for surely all are interested in their children's health. The P. T. A. would be most happy to report that every child entering school in September has been examined. Let's make it 100%!

**PUBLICITY CHAIRMAN,
Summer Round-Up.**

WILLIAM H. HEISLER, Jr.

To the Voters of Bu

I am running on a platform of economy, business efficiency and lower taxes.

1. I have practiced economy in my department, effecting a saving wherever possible.

I have always used a low priced car while on county business and pay all running expenses of the car out of my own pocket, a voluntary proposition on my part which has saved the taxpayers many hundreds of dollars.

At the first of the year I took a voluntary cut of 10% in salary which is turned over monthly to Mr. Franklin Chambers, Director of Unemployment Relief, believing that more real good could be accomplished in this way than in any other. My opponent, to the best of my knowledge has not taken any cut at all although receiving a much higher salary.

Action speaks louder than words.

2. My opponents cannot deny the fact that the business of the Finance Department of which I have been Director, and which is one of the most important Departments, especially at the present time, has been conducted efficiently and for the best interest of the County and no County in the State of New Jersey is in a stronger financial position. During my administration of that office the gross debt of the County has been reduced approximately \$1,500,000, which makes a saving of \$75,000 a year in interest and this saving in my department alone has paid for all the increases forced upon the County by the State through mandatory legislation and they have been many. Also during the same period my department has built up a considerable surplus, which I believe is a sound policy for any business concern and this surplus has enabled us to carry on our county affairs without borrowing as much money as usual. This has been another saving in interest to the taxpayers.

Because of our strong financial position, the County has been able to secure the necessary funds to carry on its business while numerous other counties and municipalities have had great difficulty in this respect. I think this speaks well for the soundness of our financial position.

3. My opponents cannot deny the fact, which is of public record, that the County tax rate is lower now than when I first took office. And it seems to me that this is noteworthy since practically all other taxes over which the Board of Freeholders have no control, have increased by leaps and bounds.

I have taken considerable pride in these accomplishments and they have met with favor from every taxpayer's committee which has taken the time and trouble to know the facts. It has been my ambition to have Burlington County the first in the State to be entirely free from bonded debt and I have conscientiously and consistently worked to bring this to pass and the goal is in sight.

My integrity, sincerity and ability to fill the position I am seeking has never been questioned by friend or foe.

I believe I have the confidence and respect of the banking interests on whom we have to depend for our financing.

I have always dealt with facts, not campaign propaganda and as a consequence have always had the support of independent, thinking voters.

If you think my record is good and my experience and financial training are worth more to you than the services of one, who is unfamiliar with the position he is seeking and who has had no financial training, then I solicit your support and will cheerfully abide by your decision.

BELL-MUELLER ANNUAL RECITAL

Unusual Program Arranged for
Students and Artists
On May 18

The annual spring student recital of the Bell-Mueller Studios will be held on Wednesday evening, May 18, eight o'clock, at the Riverton Public Club. This affair will be open to the public and promises to be an outstanding musical event. Many prominent musicians will be present, among whom will be Dr. Franklin Cresson, director of the Hyperion School of Music, Philadelphia.

Two piano compositions will have their first public performance, and are the work of Mr. Mueller. Lorraine Comings will play the first of these. The second, originally an orchestral composition, was used as the theme signature of the Radio hour under the direction of Mr. Mueller. He has since transcribed it for piano, and it will be performed by Mary Munro.

Beatrice Flint Collin, contralto and Mrs. Miller, soprano, two of the outstanding local vocalists will trace the program as will Mr. Mueller, violinist, who will play "Zigeunerweisen" by Sarasate. They will be ably accompanied by Ruth Peterson Bell, head of the piano department.

"Hejre Kati" by Hubay, which is considered by critics to be one of the most difficult violin solos, will be played by Nelson Katz, an eight-year-old violinist. There will be two unusual special arrangements of Russian Gypsy music for ensemble. These selections will be played over the radio by the ensemble in the near future.

The students who are participating in this concert are among the most outstanding music students of Riverton and Palmyra. Some of the notable compositions to be played by them will be "Bomda La Polka" by Corelli, as played by George Baylon, violinist; "Country Gardens" by Percy Grainger, played by Bertha Hansen and "Liebesvalse" by Moskowski, played by Ruth Blager.

P.O.S. of A. CELEBRATES 37TH ANNIVERSARY

Camp No. 23, P. O. S. of A., Palmyra, will celebrate its thirty-ninth anniversary on Monday evening.

It is hoped that all members will make a sincere effort to be present and help the Camp celebrate its birthday.

An excellent program has been planned by the committee in charge of arrangements and an evening of real fun is promised all those attending.

Sunday, Camp No. 23 will attend the First Baptist Church, Palmyra, in a body. All members are urged to attend.

This service is a part of the Washington Bi-Centennial Celebration.

"BIG TIMER" COMES TO WHITMAN THEATRE

The film being presented at the Walt Whitman Theatre, 46th and Westfield avenue, Camden, the last three days of this week brings Ben Lyon, Constance Cummings and Thelma Todd in a comedy drama, the story of a small town chump who wanted to be a big town champ, and nobody believed he had the makings except a girl, and she undertakes the unique job of being a boxer's manager, and they both make good in this pleasing little laugh story.

In conjunction with the feature play, a splendid vaudeville bill is presented featuring the International Aristocrats, a musical offering of ten men along with Ruth Sherry and Co., and Jimmy Reynolds, late of the Vanities.

GIRL SCOUTS TO HOLD FOOD SALE

Delicious Home-Made Foods
To be Sold on Saturday,
May 11

The Girl Scouts of Troop No. 1, Palmyra, held their regular meeting in the Methodist Church Monday evening.

The girls interested in working for the Gardener Merit Badge exchanged plants and seeds for their gardens.

Preparations were completed for the Court of Awards to be held next Monday night, and plans made for a big food sale, Saturday, on the porch of George N. Wimer's home, 15 East Broad street, Palmyra.

Delicious home-made foods of all kinds will be on sale there from ten o'clock in the morning until five in the afternoon. Promises of donations and orders may be telephoned to Mrs. Stanley S. Lippincott, Riverton 831, or to Mrs. Horace Ross, Riverton 567. The proceeds of the sale will be used to help Palmyra girls attend the Girl Scout camp in August.

The girls of Troop No. 2, Palmyra, held their first meeting at the Lutheran Church, also on Monday evening.

The Troop Committee, with Mrs. A. W. Bauer chairman, was in charge and fourteen girls were present. Troop No. 2 will assist with the Food Sale and its members will be eligible for help from the Camp Fund.

FITZMAURICE HOME DAMAGED BY FIRE

The home of Fred H. Fitzmaurice, of 911 Highland avenue, Palmyra, was badly damaged when it was swept by flames Friday of last week.

The fire is believed to have been caused by an electric iron. The flames had gained considerable headway inside the house before the blaze was discovered and the fire companies summoned. The loss is estimated at from \$3,000 to \$4,000.

In telling of the fire, Mr. Fitzmaurice stated that the doors were completely burned off the refrigerator in the kitchen and four hours after the fire a small piece of ice still remained inside.

The Fitzmaurice family is temporarily residing at 805 Leconey avenue, Palmyra.

CARD PARTY

The Palmyra American Legion Auxiliary will hold a card party in the Legion Home on Saturday evening at 8:30 p. m. Prizes will be awarded and refreshments served. Tickets, 40 cents. This organization needs funds to carry on the extensive work that needs to be done and it is earnestly hoped that the public will patronize this card party. A good time is assured all those attending.

CAROLYN E. BAUER TO TAKE PART IN RECITAL AT SCHOOL SATURDAY

Miss Carolyn Elizabeth Bauer, ten years old, daughter of Dr. and Mrs. H. W. Bauer, of Maple avenue, Palmyra, will be presented in a dramatic recital by Miss Jessie Ada Franklin, R.E., in the Palmyra High School Auditorium Saturday evening at 8:15 o'clock.

Little Miss Bauer is well known for her dramatic work in both Palmyra and Philadelphia, where she has appeared on many programs.

She will be assisted in Saturday's program by Miss Eleanor Hudack, a ten-year-old violinist.

Raymond M. Garay, tenor soloist, Mrs. Elvin I. Powell, pianist, and Robert Hudack's orchestra will also assist Miss Bauer.

Proceeds from the event will be turned over to the Palmyra School's Welfare Fund, to benefit needy children.

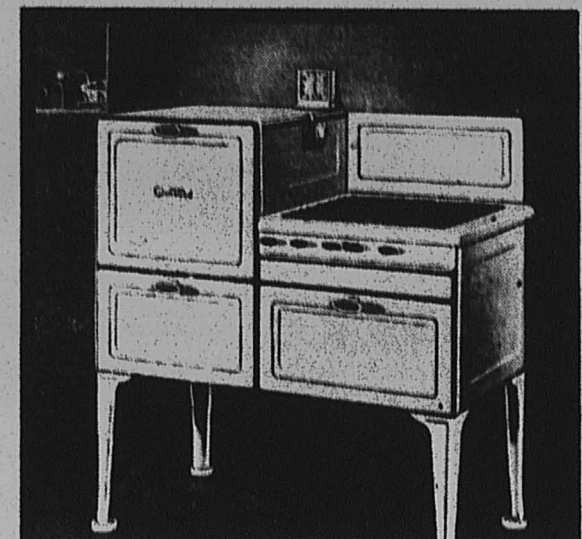

Admission for adults will be thirty-five cents and children will be twenty-five cents.

Women are sometimes hired to weep, or even faint, at funerals in South American cities, as a "compliment" to the importance of the deceased.

One woman, at a meeting came to me after I attacked Prohibition and its illicit children, the racketeer, the gangster, and the hi-jacker, and said:

"Mr. Zeller, I want to congratulate you and your fearless stand on this question. I voted for prohibition years ago to get my husband out of the saloon, and I'm going to vote against it this year to get my daughter out of the speakeasies."

It came to me then that, if the women of Burlington county feel that way since this county is no different from others throughout this country, that the women of America will surprise everyone this year and go heavily on record against the racketeers' protection—Prohibition."

WIMER FOR SHERIFF

George N. Wimer, candidate for Sheriff, has served the party in the county and state faithfully for forty years, and yet has never been elected to a salaried office. He has held several positions of trust, requiring much time and effort, but never one that paid him for his time. These offices were such as state committeeman, treasurer of the county committee, mayor of his home town, borough councilman, etc., all unsalaried positions.

Wimer pledges service and efficiency. He promises to conduct the office in a straightforward and businesslike manner and save the taxpayers all the money he can by efficient administration.

HEISLER AN ASSET TO THE COUNTY

Burlington county is fortunate in having so capable an official as William H. Heisler, Jr., at the helm of its financial affairs in these times of stress. Without his ability and sound judgment the county's finances would not be in the satisfactory condition that they are today, when many other counties and more municipalities are embarrassed in their effort to obtain money with which to meet the current expenses of government.

Through his direction, always finding cooperation on the part of his associates in the Board of Freeholders, Mr. Heisler has kept the ship in safe waters and never has there been a question raised by financial institutions, of the county or elsewhere, as to its sound financial position. This happy state of affairs should be

gratifying to Director Heisler but it ought to be even more satisfying to the citizenry at large at this time when suspended payments and embarrassments of various other kinds are attending the conduct of public affairs.

Read what Mr. Heisler told the Mount Holly Taxpayers' Association:

"Numerous demands are made every year on the Board of Freeholders which would involve the expenditure of large sums of money and if you will follow my record, you will find that I have voted against all these demands except such as would be of real benefit to the county as a whole.

"I am opposed to mandatory legislation, believing that the voters of the county should have a chance to express themselves concerning increased expenditures, which in turn increase their tax bills.

"I am opposed to any new capital expenditures at the present time other than those to which the county has already obligated itself, except such as are absolutely necessary to safeguard the lives of the traveling public and the health of our county wards.

"I am in favor of reducing the county debt as speedily as possible and my record in this respect speaks for itself. While serving as Director of Finance the county debt has been reduced approximately one million, five hundred thousand dollars (\$1,500,000) which is a saving in interest for one year of \$75,000, and this saving has taken care of all increases forced upon the Board by mandatory legislation and has also enabled the county tax rate to be reduced during this same period. I shall continue this policy if nominated and elected.

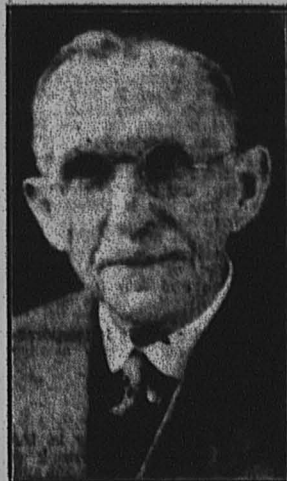

"I am in favor of building up a surplus fund to carry the county through just such depressing periods as these and thereby relieve the strain on the local banks and also effect a saving in interest to the taxpayers.

"If and when the inheritance tax from the Dorrance Estate is paid to the county, I favor its use to further reduce the county debt as the same comes due, in the meantime, using the surplus to finance the county business, thereby saving considerable interest to the taxpayers and I do not believe that this money should be used for any other purpose.

"My stand regarding the payment by the county of automobile and traveling expenses of Freeholders can best be answered by my own actions. I have always used a low priced car for county business paying all running expenses of the car out of my own pocket.

"In regard to voluntary reductions of salaries of the public officials fixed by law, I, personally, am in favor of it during these times and have from the first of the year taken a voluntary cut of ten per cent, which I have paid to the County Welfare Fund to be distributed by Mr. Franklin Chambers, Burlington County Director of Unemployment Relief, believing that more good could be accomplished in this way than in any other, but I am open to conviction on this point. However, I do not think that it is fair or just for part of the officials to take a reduction and the other part not, for this will only lead to dissatisfaction and discord among the county departments and tend toward lower efficiency. Therefore I believe the voluntary reductions should be general among public officials and it seems to me that the state should lead the way."

CANDIDATE

JOSEPH A. DAVIS
Who is a candidate for the Republican nomination as a member of the Palmyra Borough Council.

JEWISH WOMEN

The annual luncheon of the Burlington County Section, Council of Jewish Women, will be held Tuesday, May 17, at one o'clock in the auditorium of the Burlington Synagogue. Mrs. Ellis, chairman of the luncheon committee, and Mrs. Puro, of the entertainment committee, have every thing arranged to make this annual event a very enjoyable one.

Prior to the luncheon a brief meeting, culminating the season's business, will be held, followed by installation of officers. Tickets for this affair may be obtained from Mrs. Frank Wenof, of Riverside; Mrs. Rosenfeld, of Burlington; or Mrs. Stoltz, of Mount Holly. Members and friends look forward to seeing each other before the disbanding for the summer months.

FINDS BABY IN CAR

Stewart Hollingshead, of Riverton, spent Saturday evening with friends in Philadelphia. When he was about to start home he found a four-year-old girl asleep on the seat of his car which was parked near a welfare institution near where he was visiting. He notified the police to whom the child gave her name as "Florence Davis." The youngster could give no information concerning herself except her name.

CHURCH NOTICES

Presbyterian

Charles T. Bates, Pastor
Calvary Presbyterian Church will hold its morning service of worship Sunday at 11 o'clock; all departments of the Church School will meet at 10 a. m.; Christian Endeavor Society at 7 p. m.; evening service of worship at 8 p. m.
The Semper Fidelis Bible Class will hold its regular monthly meeting tomorrow evening at the home of Mrs. William Zimmerman.
Midweek service Wednesday evening at 8 o'clock.

First Lutheran

Rev. Harold L. Cresser
It seems strange that the day of Pentecost, also known as Whitsunday, has not taken a place equal to that of Christmas and Easter in the festivals of the Church Year. For the gift of the Holy Spirit is really both the beginning of the Christian Church and the essential power for its successful continuance. In observing this great holy day next Sunday morning, the sermon theme will be "Speaking the Language of the Spirit."
The evening sermon will be on "The Nearness of God."
A special congregational meeting will be held after the morning service; both the liturgical service and the sermon will be made brief on account of it.
The meeting of the East Pennsylvania Synod will be held next week in Harrisburg, Pa., and the pastor and a lay delegate will attend it.

Epworth M. E. Church

Rev. Ira S. Pimm, S.D., Pastor
Sunday Services:
10:00 a. m. Church School. Classes for all ages. Fully departmentalized and graded.
11:00 a. m. Divine worship and sermon. We are expecting Dr. Edwin R. Lewis, professor of Systematic Theology at Drew University, a delegate to the General Conference meeting in Atlantic City to be the preacher of the morning. Dr. Lewis is considered by such men as Dr. Cushman as the outstanding theologian of America. He is the author of several books and a speaker of force and power. Do not fail to hear him.
6:45 p. m. Senior and Intermediate Epworth Leagues.
7:45 p. m. Evening service in charge of the Wesleyan Men's Bible Class. Mr. Fainstett will be the preacher. William Weaver will be guest soloist.
Wednesday evening at eight the Prayer Service. At four in the afternoon the Junior Epworth League, Mrs. Coward, superintendent.
Sunday School board meeting next Monday evening at eight o'clock.
On Sunday afternoon from 2:30 to 3:15 over the Columbia Broadcasting System, a program will be broadcast from the General Conference in Atlantic City. Speakers, Bishop W. F. McDowell, Bishop C. P. Wang, of China, and Bishop J. R. Chittenden of India.

Central Baptist

Rev. George Lockett, Pastor
Sunday services:
10:00 a. m. Bible school. Come out and enjoy the study of God's word.
11:15 a. m. Morning worship. Music by large chorus choir. Sermon, Isaiah's Vision.
6:45 p. m. B.Y.P.U. service.
7:45 p. m. Annual visitation of P.O.S. of A. Sermon, "The Man Without a Country."

Moravian Church

Albert J. Harke, S.D., Pastor
Sunday is Anniversary Sunday with us in a threefold manner. First, it is Whit-Sunday or Pentecost, commemorating the birth of the whole Christian Church. On that day the Holy Spirit came to abide on and to empower the Church of Jesus Christ. In the second place it is the Bicentenary of the beginning of Moravian Missions. This fact is being celebrated by the church throughout the world. The special celebration is in the West Indies from May 16 to 22, where the first Moravian missionaries began their work in 1733.
Our local congregation celebrates this Sunday the 60th anniversary of its organization and dedication of its first church. Two services will commemorate these anniversaries.
10:40 a. m. Whit-Sunday liturgy and anniversary sermon by the pastor, followed by the Whit-Sunday Communion service.
2:00 p. m. Anniversary Lovefeast service. Speakers, the Rev. R. E. Stansfield, pastor of the Riverside Moravian Church, and the Rev. H. E. Kemper, pastor of the Egg Harbor City Moravian Church.

CHRISTIAN SCIENCE

"MORTALS AND IMMORTALS" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 15, 1932.
The Golden Text is: "The Spirit itself beareth witness with our spirit, that we are the children of God" (Romans 8:16).
Among the citations which comprise the lesson-sermon is the following from the Bible: "Lie not one to another, seeing that ye have put off the old man with his deeds; And have put on the new man, which is renewed knowledge after the image of him that created him" (Colossians 3:9-10).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Let the perfect model be present in your thoughts instead of the demoralized opposite. This spiritualization of thought lets in the light, and brings the divine Mind. Life no death, into your consciousness" (p. 407).

COUPLE CELEBRATE SILVER ANNIVERSARY

Mr. and Mrs. Charles Landgraf, of 331 West Broad Street, Palmyra, celebrated their silver wedding anniversary at their home on Wednesday evening of last week.

Those present at the reception were: Mr. and Mrs. Lester Beuchler, Fred Plaskett and Mrs. Laura Beuchler; all of Merchantville; Mr. and Mrs. Charles Newman, of Glenside, Pa.; Miss Betty Gilhol and Daniel Gilhol, of Camden.

Mr. and Mrs. Landgraf were married in the Holy Cross Lutheran Church, Ninth and Lehigh Avenue, Philadelphia, on May 4, 1907. They have resided in Palmyra about twelve years.

They have five children, Mrs. Lester Beuchler, of Merchantville, and four sons, John, William, Carl and Richard.

FRIENDSHIP CIRCLE HAS ANNIVERSARY

The Friendship Circle of the Epworth M. E. Church celebrated the 17th birthday of the organization Monday evening at the church.

A delightful banquet, prepared and served by the president, Mrs. Wilbur Ewald, and her capable committee, was greatly enjoyed by the members present.

The presence of many former members and past president was a delight to the present members of the class. Notes of regret were read from the past presidents and teachers who were unable to attend.

Mrs. Everett Wolcott was toastmistress of the occasion. Her witty and clever remarks were a source of great enjoyment to the ladies.

Following the banquet singing and the playing of games was enjoyed by all present.

Lakeview Memorial Park is a burial site of great loveliness, devoid of tombstones and monuments. Lakes, streams, lovely old trees and noble architecture together hallow the memory of the departed. The Park has been officially dedicated and is ready to serve the public. Lot prices are now lower than they will ever be again.

BELL-MUELLER ANNUAL RECITAL

Unusual Program Arranged for
Students and Artists
On May 18

The annual spring student recital of the Bell-Mueller Studios will be held on Wednesday evening, May 18, eight o'clock, at the Riverton Porch Club. This affair will be open to the public and promises to be an outstanding musical event. Many prominent musicians will be present, among whom will be Dr. Franklin Cresson, director of the Hyperion School of Music, Philadelphia.

Two piano compositions will have their first public performance, and are the work of Mr. Mueller. Lorraine Carnegie will play the first of these. The second, originally an orchestral composition, was used as the theme signature of the Fada radio hour under the direction of Mr. Mueller. He has since transcribed it for piano, and it will be performed by Mary Munro.

Beatrice Flint Collin, contralto and Mrs. Miller, soprano, two of the outstanding local vocalists will grace the program as will Mr. Mueller, violinist, who will play "Zigeunerweisen" by Sarasate. They will be ably accompanied by Ruth Peterson Bell, head of the piano department.

"Hejre Kat" by Hubruy, which is considered by critics to be one of the most difficult violin solos, will be played by Nelson Katz, an eight-year-old violinist. There will be two unusual special arrangements of Russian Gypsy music for ensemble. These selections will be played over the radio by the ensemble in the near future.

The students who are participating in this concert are among the most outstanding music students of Riverton and Palmyra. Some of the notable compositions to be played by them will be "Sonata La Folia" by Corelli, as played by George Saylor, violinist; "Country Gardens" by Percy Oranger, played by Bertha Hansen and "Liebesvalse" by Moskowski, played by Ruth Stager.

P.O.S. of A. CELEBRATES 37TH ANNIVERSARY

Camp No. 23, P. O. S. of A. Palmyra, will celebrate its thirty-ninth anniversary on Monday evening.

It is hoped that all members will make a sincere effort to be present and help the Camp celebrate its birthday.

An excellent program has been planned by the committee in charge of arrangements and an evening of real fun is promised all those attending.

Sunday, Camp No. 23 will attend the First Baptist Church, Palmyra, in a body. All members are urged to attend.

This service is a part of the Washington Bi-Centennial Celebration.

"BIG TIMER" COMES TO WHITMAN THEATRE

The film being presented at the Wall Whitman Theatre, 48th and Westfield avenue, Camden, the last three days of this week brings Ben Lyon, Constance Cummings and Thelma Todd in a comedy-drama, the story of a small town chump who wanted to be a big town chump, and nobody believed he had the makings except a girl, and she undertakes the unique job of being a boxer's manager, and they both make good in this pleasing little laugh story.

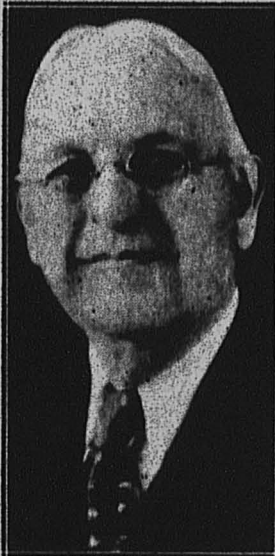

In conjunction with the feature play a splendid vaudeville bill is presented featuring the International Aristocrats, a musical offering of ten men along with Ruth Sherry and Co. and Jimmy Reynolds, late of the Vanities.

GIRL SCOUTS TO HOLD FOOD SALE

Delicious Home-Made Foods
To be Sold on Saturday,
May 14

The Girl Scouts of Troop No. 1, Palmyra, held their regular meeting in the Methodist Church Monday evening.

The girls interested in working for the Gardener Merit Badge exchanged plants and seeds for their gardens.

Preparations were completed for the Court of Awards to be held next Monday night, and plans made for a big food sale, Saturday, on the porch of George N. Wimer's home, 15 East Broad street, Palmyra.

Delicious home-made foods of all kinds will be on sale there from ten o'clock in the morning until five in the afternoon. Promises of donations and orders may be telephoned to Mrs. Stanley S. Lippincott, Riverton 831, or to Mrs. Horace Ross, Riverton 567.

The proceeds of the sale will be used to help Palmyra girls attend the Girl Scout camp in August.

The girls of Troop No. 2, Palmyra, held their first meeting at the Lutheran Church, also on Monday evening.

The Troop Committee, with Mrs. H. W. Bauer chairman, was in charge and fourteen girls were present. Troop No. 2 will assist with the Food Sale and its members will be eligible for help from the Camp Fund.

FITZMAURICE HOME DAMAGED BY FIRE

The home of Fred H. Fitzmaurice, of 911 Highland avenue, Palmyra, was badly damaged when it was swept by flames Friday of last week.

The fire is believed to have been caused by an electric iron. The flames had gained considerable headway inside the house before the blaze was discovered and the fire companies summoned. The loss is estimated at from \$3,000 to \$4,000.

In telling of the fire, Mr. Fitzmaurice stated that the doors were completely burned off the refrigerator in the kitchen and four hours after the fire a small piece of ice still remained inside.

The Fitzmaurice family is temporarily residing at 805 Leconey avenue, Palmyra.

CARD PARTY

The Palmyra American Legion Auxiliary will hold a card party in the Legion Home on Saturday evening at 8:30 p. m. Prizes will be awarded and refreshments served. Tickets, 40 cents. This organization needs funds to carry on the extensive work that needs to be done and it is earnestly hoped that the public will patronize this card party. A good time is assured all those attending.

The women will cast an overwhelming vote in favor of anti-prohibition candidates in the primary elections this year.

"In all my trips throughout Burlington county on campaign business, I have been impressed with the number of women who are flocking to my anti-prohibition standard.

One woman, at a meeting came to me after I attacked Prohibition and its illicit children, the racketeer, the gangster, and the hi-jacker, and said:

"Mr. Zeller, I want to congratulate you and your fearless stand on this question. I voted for prohibition years ago to get my husband out of the saloon, and I'm going to vote against it this year to get my daughter out of the speakeasies."

It came to me then that, if the women of Burlington county feel that way since this county is no different from others throughout this country, that the women of America will surprise everyone this year and go heavily on record against the racketeer's protection—Prohibition."

CAROLYN E. BAUER TO TAKE PART IN RECITAL AT SCHOOL SATURDAY

Miss Carolyn Elizabeth Bauer, ten years old, daughter of Dr. and Mrs. H. W. Bauer, of Maple avenue, Palmyra, will be presented in a dramatic recital by Miss Jesse Ada Franklin, B.E., in the Palmyra High School Auditorium Saturday evening at 8:15 o'clock.

Little Miss Bauer is well known for her dramatic work in both Palmyra and Philadelphia, where she has appeared on many programs.

She will be assisted in Saturday's program by Miss Eleanor Hudack, a ten-year-old violinist.

Raymond M. Garey, tenor soloist, Mrs. Elvin I. Powell, pianist, and Robert Hudack's orchestra will also assist Miss Bauer.

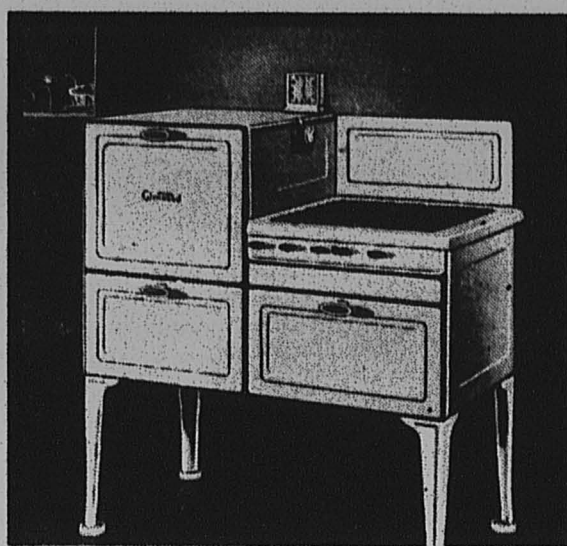

Proceeds from the event will be turned over to the Palmyra Schools' Welfare Fund, to benefit needy children.

Admission for adults will be thirty-five cents and children will be twenty-five cents.

RIVERTON ITEMS

Miss Jane Wolfshmidt, daughter of Mr. and Mrs. Emerson Wolfshmidt, who was taken to the Burlington County Hospital, Mount Holly, Sunday, May first, and operated for appendicitis, suffered a relapse Monday of this week, but is now slightly improved.

"Sandy" Stewart, son of Mr. and Mrs. Charles Stewart, was operated on Tuesday morning in the German-town Hospital for double mastoids.

Louis C. Clelland, Jr., better known among his playmates as "Sonny," was taken to the West Jersey Hospital last Thursday afternoon for a mastoid operation. His condition was such as to require a blood transfusion which his father gave Tuesday morning, and "Sonny" now seems slightly improved.

Harvey E. Stewart has returned from a two weeks' business trip in North and South Carolina.

Mr. and Mrs. J. R. Jermon and daughter, Mrs. Ada Brown, of Riverton, and Mrs. Carolyn McCarty and daughter, of Germantown, motored to New York last Sunday.

Mrs. William Murgatroyd arrived home on Saturday evening after spending a week in Detroit, Michigan, as a representative to the convention of W. S. of J.

Mrs. Elsie Brownell, of Frankford, was a Sunday visitor at the home of her father, Edwin Evans.

Mrs. William Frank had as her guests on Sunday relatives from West Orange.

Mr. and Mrs. John Goodwin have moved to Harrison street.

Mrs. William L. Caekey entertained some friends from Tacony at cards Monday evening.

Mrs. Thomas McChesney, of Moorestown, entertained at a miscellaneous shower and bridge Monday evening in honor of Miss Elsie Ogden, whose marriage to Mr. George Pollman, of Coatesville, Pa., will take place Thursday, May 19.

Dr. and Mrs. Harry L. Rogers are attending the convention of the American Medical Association Convention at New Orleans, Louisiana. Dr. Rogers will return Saturday, May 14th.

Mrs. H. Fox, of Lipincott avenue, is visiting her sister, Mrs. Fricella Blake, of Cape May Court House, for several days.

Mr. and Mrs. Walter Michel and children, of Glen Ridge, were visiting his parents, Mr. and Mrs. Eugene Michel over the weekend.

Mrs. F. Stanley Groves, Jr., of "The Evergreens," will leave next week for T. E. Ranch, her home, at Cody, Wyoming. She will be accompanied by Mrs. George de Benneville Keim, of "Gable Hall," Edgewater Park.

Mrs. Joseph Rogers, of Merchantville, entertained the N.N.N. Club Wednesday evening.

Miss Marcella Landers was the weekend guest of Miss Nelda Bailey, of Norristown.

Maxine J. Meltoner, of Riverton, served as a first lieutenant in the military review which featured the demonstration of the study body of Boston University's Sargent School of Physical Education at the Boston Arena last Friday evening, May 6. In the reviewing stand were state education officials and University officers.

Richard Dix, in "The Lost Squadron," playing this Thursday and Friday at the Broadway Theatre, is recommended as a splendid picture, both for children and grown-ups.

Mrs. J. A. Stuckey and Mrs. E. O. Welcott were visitors in Atlantic City over the weekend, stopping at Chalfonte, Haddon Hall.

Mr. and Mrs. B. Ralph Boyer left for Bay Head, N. J., this week, where they will spend the summer.

Spencer Johnson, of 104 Broad street, while assisting his wife in putting away some old books last week, came across a Philadelphia Public Ledger dated 1832 and was able to dispose of it for \$50.00. Mr. Johnson feels quite happy and is looking for another old time.

Mr. and Mrs. Arthur Johnson, of Brooklyn, New York, were weekend guests at the home of Mr. and Mrs. Harvey E. Stewart.

"Pop" A'bertson, of Riverton, and "The" Rogers, of Palmyra, local fishing enthusiasts, got the scent of bluefish Tuesday and journeyed to the shore. According to "Pop" A'bertson, seven fish were caught by the party and he caught two, one of which was "this long."

Robert Leon Foulke, 9 months' old son of Mr. and Mrs. W. P. Foulke, of 612 Thomas avenue, won the Vanta baby photo contest held at Smith's store last week. The judges picked little Robert as the child that most closely resembled the Vanta Baby, and he was awarded the Vanta Swim-suit. The award was made Friday night. Robert is a chunky, light-haired, blue-eyed baby weighing 20 pounds, 4 ounces.

Mrs. Albert C. Bunn and daughter, Elizabeth, of Kew Gardens, New York, formerly of Riverton, and Arnold Griffin, of Richmond Hill, New York, are the guests of L. A. Flanagan for a few days.

Mrs. R. M. Hollingshead's guests for luncheon and bridge at her home, 201 Linden avenue, Riverton, Tuesday, will be Mrs. William Clayton Jones, and Mrs. H. A. Tillinghast, of Merion, Pa., and Mrs. R. M. Bagley, of Haddonfield. With Mr. Hollingshead, she entertained at dinner on Sunday in honor of Mr. and Mrs. Henry Sonneborn, Jr., of Penfield, Pa.

CINNAMINSON SCHOOL

Last week at Cinnamonson was a particularly busy one. Early during the week, Mr. Kaser, county superintendent, and a photographer took moving pictures of some of the most pleasing activities.

The program for the musical tea, sponsored by the P.T.A. on May 4, was furnished by the pupils, who gave their effort for music week.

All were pleased with "Miss Mary" and her garden, where the various flowers watered by the rain and warmed by the sun, visited by robins and frogs, awoke and greeted the spring with song and dance.

The older pupils gave tuneful choruses, the boys forming one chorus, and the girls another. Piano, guitar and cornet solos were rendered by Bernice Hercher, C. Bauer and John Mance, all adding to the pleasure of the visitors.

A social tea followed and when the stages were announced, no one was in a hurry to go.

On Wednesday of this week the Safety Patrol of the school joined others from all over the state in a visit to Fort Hancock, under the escort of the N. J. State Police. These boys are so dependable, and assume responsibility so well, that all are pleased at the recognition given them. All who can possibly attend the meeting of the County Council on the

eighteenth, are urged to do so. Those wishing transportation can be accommodated by sending their names to the school by Tuesday, the seventeenth.

Thursday last, sixty teachers, mostly from the county, met at the school

to see and discuss the primary methods and activities as conducted at Cinnamonson and Parnum Schools. Miss Stewart and a practice teacher from Parnum talked of the ideas and their benefit to the children.

Press Chairman.

RIVERTON BEATS BURLINGTON, 11-7

Victory Recorded in County League Opener at Memorial Park Saturday

Who-d-a-thunk it! Riverton walked the great big beller makers nine from Burlington, 11 to 7, last Saturday afternoon at Memorial Park. The opening game of the Burlington County League. And what a game—what a ramble! In fact it was a double victory—Riverton beat Burlington in spite of the umpire—with no hard feelings toward the umpire—they are an abused lot, anyhow. But more Riverton stick twirlers had to about-face from their march on first base to learn that the last pitched ball was the third strike and not the fourth ball, than "Rover" has fleas. All of the Riverton rooters seemed to think the umpire was wrong; Burlington fans thought otherwise but be that as it may—Riverton won.

It looked kinda bad for Riverton when after a scoreless first inning, Burlington piled up a three-run lead in the second and a single run in the opening of the third. The battery of heavy Burlington clouters had the ball flying all over the lot. It was not uncommon to see the ball go sailing across the road and fetch up plumb against the tennis court backstop, or fly into some other remote corner of the field. The Riverton supporters settled back in their seats and kissed the game goodbye.

But the fighting Rivertonians would not have it that way. They commenced to find the pitcher's measure and before you could say Jack Robinson, twelve of the Riverton players had battered around in the ending of the third inning and romped across 10 runs.

In that famous little inn that changed the tide of battle, Riverton found itself in the unique position of having its bases loaded three times during the one inning.

This made the Burlington manager pick up his ears and yank out his pitcher. A new man, Lousenski, was put in the box for Burlington and the next two innings went by rather smoothly, with no score for either side.

It might be said for Leon Coles, as Riverton's pitcher, that he exhibited a coolness and composure in the pinches that won the admiration of all who watched him work. If he was excited at any point of the game no facial expression betrayed it—in fact the "Vermont Trout Fisherman" ain't got nuthin' on our Leon, for a baffling expression.

Riverton tore loose in the ending of the sixth and clipped off another two runs, giving them a lead of four runs. Burlington retaliated with two more in the opening of the seventh when Mikulski slapped out a home, that faded into space with a Burlington man on base.

It was a beautiful hit and great to watch, but Ewley kinda spoiled the glory for Mikulski when he clouted one that would have been good for a homer had not the tennis court backstop held him for a three-base hit. At that, it drove in two more runs for Riverton.

Both teams matched the eighth inning when each collared a run, bringing the score to 11 to 7 in favor of Riverton. Burlington had to substitute still another pitcher to keep things under control. The beginning of the ninth inning, Burlington's last chance to do anything, wound up in a goose egg for the visiting warriors and the game was over.

To place credit for the game on any one or group of players on the team would be impossible. If the Riverton boys continue to display such hitting and fielding qualities as was shown in this game, they certainly should not be "in the cellar" this season.

Riverton plays at Vincentown this Saturday, but the minor league will stage its opening game at Memorial Park in its place.

er Park is the pride of the Riverton Club, for length of service in tennis. Alex has served a twenty-five-year term at tennis in the Riverton Country Club and few in South Jersey can match his record, of over forty years of uninterrupted active tennis.

Howard Coe, of Riverton, is another veteran of the court. Prior to joining the Riverton Country Club, Howard played for many years at the Moorestown Field Club. Immediately upon joining the Riverton Club he was made chairman of the tennis committee and the following year he succeeded in entering his club in the West Jersey League. Howard served as chairman of the tennis committee for twelve years at Riverton, and for many years was ranked number one in the West Jersey doubles players.

Arthur F. Coe, brother of Howard, and better known as "Bun" is serving now on the tennis committee at Riverton and has worked diligently in arranging for the coming exhibition match. "Bun" is at present Riverton's most formidable tennis player, having been the last to capture both cups for first place in the Club singles and doubles tournament.

Persons planning to attend the exhibition match may make reservations with the club or at the clubhouse by writing J. H. Wilkinson or phoning Riverton 1532.

The tennis committee at Riverton is comprised of Arthur F. Coe, C. S. Mears, Wm. Rault, E. Hughes and W. S. Wilson, Chairman.

TENNIS LEAGUE GETS CHARTER

League of West Jersey Field Clubs Now a Part of Middle States

The League of West Jersey Field Clubs, which the Riverton Country Club is a member was recently granted its charter. The West Jersey League is one of the oldest tennis leagues in this section of the country, if not one of the oldest in the entire United States, having been established in 1887.

Prior to obtaining its own charter it was a division of the Philadelphia Lawn Tennis Association, and after considerable work by member clubs, Thomas W. Harris, Jr., Wilmington C. C., and president of the Middle States Association, finally granted the West Jersey League its charter and it is now a division of the Middle States Association.

The West Jersey League is comprised of the following clubs: Riverton Country Club, Haddon Field Club, Haddonfield, Moorestown Field Club, Merchantville Country Club, Pitman Country Club, and Colanck Country Club of Bridgeton.

The West Jersey League has placed a tennis team in the first division of the Philadelphia Clubs which embrace the Germantown Country Club, Cynwyd Club, Idle Hour Club and the West Jersey League.

This team played last Saturday at Cynwyd, and defeated the Idle Hour Club in the first singles, Jack Bramall, of Haddonfield, in the second, Harry Morris, Jr., of Haddonfield, in the third, T. Phillips Brown, of Haddonfield, in the fifth and Thomas Salter, of Merchantville, in the sixth. Morris and Bramall played in the first doubles, Holmes and Brown in the second and Salter and Saunders played in the third.

The main feature of the match was the set between Jack Bramall and Harold Lane of Cynwyd. Lane won 6-1 and 6-4, but Bramall from all accounts put up a beautiful battle to take his four games.

T. P. Brown, captain of the West Jersey team, hopes to select players from each club to make up the team for the season.

The West Jersey team will play the Idle Hour Club at Merchantville on Saturday, May 12.

Further matches are scheduled in this division for May 14th, 21st and 28th, and June 4th and 11th.

The office of the League of West Jersey Field Clubs are: president, Wm. C. Cummings, Haddonfield; vice president, C. Brook Wallace, Moorestown; treasurer, Arthur F. Coe, Riverton and secretary, W. Franklin Stroud, Jr., Moorestown.

The first League game scheduled will be played on the courts of the Riverton Club with a team from Pitman furnishing the opposition.

The schedule is as follows: June 11—Pitman at Riverton, Haddonfield Blue at Moorestown, Woodbury at Haddonfield White, Merchantville at Colanck.

June 18—Haddonfield White at Riverton, Merchantville at Haddonfield Blue, Moorestown at Colanck, Woodbury at Pitman.

June 25—Haddonfield Blue at Colanck, Woodbury at Riverton, Pitman at Merchantville, Moorestown at Haddonfield White.

July 9—Haddonfield White at Haddonfield Blue, Colanck at Riverton, Woodbury at Merchantville, Pitman at Moorestown.

July 11 (All Week)—Begins West Jersey Open Invitation Tournament. Men's Singles and Men's Doubles at Moorestown F. C., with final on July 16th.

July 23—Riverton at Moorestown, Colanck at Pitman, Haddonfield Blue at Woodbury, Merchantville at Haddonfield White.

August 6—Moorestown at Woodbury, Riverton at Merchantville, Haddonfield Blue at Pitman, Colanck at Haddonfield White.

September 3—First and Second Rounds, League Championship in Men's, Ladies', Boys' and Girls' Singles at Moorestown F. C.

September 10—First and Second Rounds, League Championship in Men's Doubles at Merchantville C. C.

September 17—Semi-final and Final Rounds at Merchantville C. C. (of the above.)

Joe Brennan, unattached, scored a fine 72 in the first round, but slipped in the second and tied for fifth.

DUDLEY WINS LEDGER CUP

Professional Golfers Association Title Taken by Concord Pro With 74-69-143

Ed Dudley, professional at the Concord Country Club, Concordville, Pa., annexed the Evening Ledger Cup of the Professional Golfers' Association classic played in Riverton last Monday. Dudley set a new low level for the district P. G. A. when he checked in with a tally of 74-69-143 for the 36 holes.

On the morning course Dudley got off to a note too brilliant start but wound up the first eighteen holes with a count of 74, which was a stroke behind George Smith the Moorestown favorite and twice holder of the Association championship.

His afternoon eighteen, however, told a different story and with perfect control and machine-like precision Dudley clinched the crown with a record count of 69-143, that is, a record for medal play.

In the afternoon round Dudley played flawless golf for the first eleven holes, but was trapped in the tricky twelfth and had to be satisfied with a five. This stumble at the twelfth served to steady him, however, and the remainder of the course netted him pars and birdies. His second shot on the eighteenth faded into a trap, but he clipped out with a perfect shot and landed on the green within six feet of the pin, to sink the putt, amid the cheers of an enthusiastic gallery.

George Smith, winner of second place, lost a stroke in the afternoon round to finish 74. Smith's count for the 36 holes was 73-74-147.

George Griffin, the Green Valley pro who won the laurels last year with a 72-77-149, finished out of the running this year.

Al Nelson of Yardley, and Charley Schneider, of Melrose, each tied with 149 for third place in Monday's match.

Dudley's mark of 69 was a achievement for the snappy Riverton course, but a comparison with some other scores for the same holes might make interesting reading. Leo Shea, former pro at Riverton, made the rounds in 71 which is par for the course. Walter Trickey, present pro at Riverton, chalked up a 67 on one occasion in a friendly match, while Ed Lippincott, who is presently ill with appendicitis at the present time, finished the course with a 68 in a match-play round.

Quite a few of the professional contestants in Monday's match were in Riverton Saturday and Sunday to do the course in practice rounds.

The only two times that the Professional Golfers' Association of Philadelphia have held their annual tournament on Jersey links, Riverton Country Club has been chosen. This in itself would seem to indicate that the home course is one of which it can be justly proud.

The course was in excellent shape and many of the players voiced their approval. Clarence Hackney, of Atlantic City, the Philadelphia Open Champion, played Monday but was left entirely out of the money with a 78-80-158.

George Wilmes, a farmer of Maryville, Mo., slept undisturbed while a tornado wrecked a barn and several other buildings and tore part of the roof from his dwelling.

WILLIAM HAVENS WINS TOURNAMENT

James Hensen, of Garfield Avenue, Is Lads' Close Rival

William Havens, 327 Leconey avenue, Palmyra, a pupil at the Delaware avenue school is the proud winner of the Philadelphia Evening Bulletin Marble Championship held at the "Y" playground Saturday afternoon of last week. Havens had a hard task to win all the preliminary matches and his close rival was James Hensen, of Garfield avenue, Palmyra.

Boys from the following schools competed in the tournament: Delaware avenue school, winner, John Cannone; runnerup, James Hensen; Spring Garden street school, winner, William Havens; runnerup, Robert Lane; Catholic school, Riverton, winner, Robert Mathews; runnerup, John Burke; Riverton public school, winner, Seymour Becker; runnerup, Leonard King; Westfield Friends' school, winner, Edward Hirst; runnerup, Herbert Ziegler, of Riverside, and Cinnaminson public school, winner, George Atkinson, of Palmyra Extension and Lawrence Duff, runnerup.

Honorable mention and good wishes as well as much cheering, all were given Lawrence Duff of the fourth grade. A small eleven year old mib shooter that beat veteran shooters in the tournament and although only a school runnerup he placed third in the district shoot. James Hensen won over him by a close margin.

The preliminary tournaments were conducted by the local "Y" secretary, Wilton E. Mount, assisted by members of the "Y" groups. Havens and Jimmie Hensen now have the support of every boy in the tournament, to name a county champion at the "Y" Camp at Oceanic.

Every school winner will receive a bronze medal from the Bulletin and a trip to historic points of Philadelphia and Valley Forge. The district champ gets a gold medal and the trip while the runnerup gets the trip, both having an opportunity to win a wrist watch at the county playoff.

The national finals, the goal of every mib pusher will be held in June at Ocean City.

Parents of the local boys and spectators are welcome at the county tournament at camp this Saturday and in the phrase of the boys, may the best shot win.

FLOWER MART WILL BE HELD ON SATURDAY

All Kinds of Food, Flowers
and Novelties to be
Sold

MRS. CONRAD FRIDAY IS
COMMITTEE CHAIRMAN

Townpeople Are Asked to Sup-
port Event; Garden De-
partment in Charge

A Flower Mart, the first of its kind
ever to be held in Palmyra, is being
sponsored by the Garden Department
of the Palmyra Woman's Club and
will be held on the grounds of the
American Legion Home, Palmyra, Sat-
urday, from 10.00 a. m. to 9.00 p. m.

Flowers, cakes, candy, ice cream,
delicatessen foods and garden novel-
ties of all kinds will be on sale and
the grounds will be decorated in a
most attractive manner.

The committee in charge is headed
by Mrs. Conrad Friday, chairman of
the Garden Department.

Other members are: Mrs. Raymond
G. Anderson, Mrs. A. J. Brooks, Mrs.
Sidney Headington, Mrs. Milton M.
Klotz, Mrs. C. F. Shaw, Mrs. Elias M.
Toy, Mrs. C. P. Voorhis and Mrs.
Levis H. Wallace.

Refreshments, including ice cream,
cake and strawberries will be served
and everyone is invited to come and
enjoy a bite to eat amid the lovely
flowers and decorations.

Any persons desiring to contribute
to the event are asked to call some
member of the committee, as all dona-
tions will be gratefully received by
the ladies.

Anyone not contributing is asked
to buy some article, no matter how
small, in an effort to help make this
event the success that it should be.

Last year the ladies put on a superb
flower show and more than 1,000
townpeople view the exhibition with
much pride and a great deal of in-
terest. This year the members of the
Garden Department find it necessary
to ask the public to help them in a
financial way and they are in hopes
that all will respond.

If the flower mart is financially
successful the ladies plan to hold an-
other free exhibit next year. All
those who witnessed last year's event
will be sure to do all they can to
make it possible to repeat the same
thing, or perhaps an even better ex-
hibition, if possible.

For further information regarding
the mart call Mrs. Conrad Friday,
Riverton 293-R.

CONFERENCE OF G.F.S. CANDIDATES

Dedication of New Banners, Reports
of Committees and Play
Fili Day

The candidates of Girls' Friendly
Society held their annual conference
at Holy Trinity Church, Collingswood,
Saturday, May 14, at 11 a. m.

One hundred seven marched into
church singing "Onward Christian
Soldiers," the different branches lead-
ing with their banners. Collingswood
displayed their new banner, which was
dedicated at this service. The mis-
sionary offering for Kahaha-Hanali
amounted to \$27.58.

After the service the business meet-
ing was called to order by the pres-
ident. A new secretary was elected. A
letter from the national president was
read, also one from Canon Willes, the
social service head. After some other
business was transacted, reports were
read from the different branches. Lunch
was served after which the girls
children were taken to Knights Park
and a play was given in the Park by
the Haddon Heights girls.

COOPER SPEAKS AT PTA MEETING

Riverton Principal Delivers In-
teresting Address to Pal-
myra Parents

E. N. Cooper, principal of the Riv-
erton public school, gave a most en-
lightening and interesting address at
the meeting of the Palmyra Parent-
Teacher Association held in the Pal-
myra High School auditorium, Tues-
day evening.

Mr. Cooper's topic was "How the
Seven Cardinal Points Adopted at the
Children's Conference Are Used in
Our Educational System". The speaker
stressed the fact that our leisure
time should be well-spent, as it is of
just as much importance as our busi-
ness hours. He said the so-called
frills of today are the necessities of
tomorrow and as much needed as the
changes in transportation.

Election of officers was also an im-
portant feature of Tuesday's meet-
ing. The new ones are: Mrs. J. C.
Mallory, president; Mrs. Elias Toy,
first vice-president; Miss Ruth Laessle,
second vice-president; Mrs. W. A. Mc-
Camy, treasurer and Mrs. Elvin I.
Powell, secretary.

Mrs. Toy was presented with a
beautiful basket of flowers as a token
of appreciation for the most faithful
services rendered by her during the
past three years. Mrs. Toy has built
up the Palmyra organization to the
point where it is now one of the most
successful in the state.

The chairman of the various com-
mittees in the association all respond-
ed and gave some splendid reports of
activities during the past year. Mrs.
Toy gave an excellent resume of
things accomplished by the members
during this time.

Mrs. Walter S. Hansen, publicity
chairman, praised Miss Marie McDer-
mott and Miss Crouch for their un-
tiring efforts in doing the most neces-
sary mimeographing work for the
members of the P. T. A. Mrs. Hansen
also spoke of the cooperation she had
received from The Palmyra News dur-
ing the time she has served on the
committee.

This meeting was the final of the
season and it is hoped that next year
the association will progress as rapidly
as it has during the past three years.

ANNUAL SPRING RALLY

The regular Spring Rally of the
Burlington County Christian Endeav-
or Union will be held in the Burling-
ton Presbyterian Church on Friday
evening, May 20, at 8 o'clock. Dr.
Willard G. Purdy, pastor of Grace
Presbyterian Church, Montclair, N. J.,
and Citizenship Superintendent of the
New Jersey Christian Endeavor Union,
will be the speaker. A most cordial
invitation is extended to all mem-
bers and friends of the local Young
People's Christian Endeavor Union
Societies. Dr. Purdy is an interesting,
entertaining and instructive speaker
and we want to have this rally well
attended.

Publicity Committee.

MEN WILL HEAR TALK ON AVIATION

Former War Ace and Inter-
esting Speaker to Address
Club June 2

The regular meeting of the Pal-
myra-Riverton Men's Club will be
held Thursday, June 2, rather than
the regular night, May 26.

It has been announced that the
Men's Bible Class of the Methodist
Church will hold a function that
night and the officers do not wish to
conflict with their plans, as a special
program has been planned for this
final meeting of the year.

The speaker of the evening will be
from the Department of Aviation of
the State of New Jersey. Gill Robb
Wilson, State Director of Aviation, is
making every effort to be present,
and if he is unable to attend, Major
Cropakey, head of the National Guard
of New Jersey, and a member of the
Department, will be the guest speaker.

Mr. Wilson states "that 50 slides
showing the activities in the field of
aviation will be shown that evening."

Special attention is being called to
this meeting and every man will be
invited in Palmyra and Riverton.

Gill Robb Wilson, previous to ac-
cepting the appointment as Director
of Aviation was the popular pastor of
the Fourth Presbyterian Church, lo-
cated at East State and Clinton ave-
nue, Trenton.

A former war ace and interesting
speaker assures the men of the com-
munity a real treat on the evening of
June 2.

THOMAS WINS COUNCIL RACE

Veteran Joseph A. Davis Loses
In Three Cornered
Contest

A newcomer in the Palmyra politi-
cal field, Carl H. Thomas, was suc-
cessful in his first campaign for bor-
ough office Tuesday. Mr. Thomas won
one of the two Republican nomina-
tions for full terms in borough coun-
cil in a field of three. The other suc-
cessful candidate was John F. Ward
and the loser Joseph A. Davis.

The vote was: Ward, 832; Thomas,
713; Davis, 692. A. E. Boas and J. H.
Waller won the Democratic nomina-
tions with 50 and 61 votes respect-
ively.

Lippincott and Mervine received the
Republican nominations for two un-
expired council terms with 919 and
975 votes, while W. S. C. Roray and
W. H. Cummings were named by
the Democrats, 42 and 40.

E. A. Grieco is Republican nomi-
nee for collector. He was unopposed
and received 1077 votes. H. T. Wil-
liams is the Democratic nominee with
71.

James H. Hartley is Republican
nominee for assessor with 1055 votes
and W. A. Haws was named by the
Democrats with 67.

J. P. Gorman was nominated by the
Democrats for Justice of the Peace.
In Riverton E. R. Williams and H.
McL. Biddle received the council nom-
inations, 630 and 607, while Cole de-
feated Sonthelmer for assessor, 424 to
330.

GUESTS, MEMBERS OF WOMAN'S CLUB HEAR DR. GREEN

Members and guests to the number
of sixty attended the covered dish
luncheon held by the Woman's Club
of Palmyra, Monday afternoon.

Following the business session, Mrs.
George M. Becker, pianist, delighted
her audience with a group of three
numbers by Russian composers. These
numbers were greatly enjoyed by the
ladies and their friends.

Dr. Francis H. Green, headmaster
of Pennington Seminary, talked on
"Wanderings in Westminster Abbey".
Aside from being most interesting
and enlightening, there was a deligh-
tful humor here and there, which
charmed the listeners and made this
one of the most enjoyable programs
of the year.

"LET'S ALL WED", B.Y.P.U. COMEDY

Two Act Play Will be Given
at Palmyra Baptist Church
This Week

"Let's All Get Married", a two-act
comedy will be staged by the mem-
bers of the B. Y. P. U. of the Cen-
tral Baptist Church tomorrow and
Saturday evenings, at 8.15 o'clock.

The plot centers around a legacy
of \$200,000, which is to be left to
Professor Carrington on certain terms.

A Mr. Foster appears and offers
his services in connection with the
inheritance of the sum, but instead
of helping simplify matters, he only
complicates them.

The following is the cast of char-
acters:

Professor Maxwell Carrington,
Ethel Carrington, his sister,
Miss Laura Plum, his aunt,

Betty McGrath, his stenographer,
Mr. Payne, the family lawyer,

Jack Foster, a friend of Ethel's,
Dick Havens, a friend of Betty's,

Benjamin Morris, a young minister
Biggs, an English butler,

Howard Verkes
In addition to the play, a string
trio from Philadelphia will render
several selections.

Miss Esther Shocker, a well known
reader, will oblige with a special
feature and Mrs. Helen Seel Guidin,
who is widely known for her ability
as a soloist, will also render several
selections. Miss Jean Seel and Miss
Edith Tees will accompany her at
the piano.

Tickets will be twenty-five cents
for adults and fifteen cents for
children.

Arraigned in court in Manchester,

Y.M.C.A. HOLD BOYS' CONTEST

Five Winners to Get Free Week-
end Vacation at Camp
Ockanickon

Much enthusiasm is being shown
on the part of the boys of Palmyra
and Riverton over the word-building
contest that is being sponsored by
the local Y.M.C.A. with the Ladies'
Auxiliary aiding the program. Al-
ready the rules of the contest have
been announced.

The boys are trying to see how
many three-letter words they can find
in the name "Camp Ockanickon." The
contest is open to every school boy in
the twin-towns over 9 years of age.

A boy must secure a camp folder
from the "Y" and receive a contest
number that will be used instead of
his name on the blanks. All words
must be in by Monday, May 23, at 12
noon.

N. Cooper, superintendent of the
Riverton School, and C. F. Dengler,
Palmyra school supervisor, with the
Rev. George Lockett, will act as the
judges.

Prizes of weekends at the special
weekend camp will be awarded the
five boys that find the greatest num-
ber of correct three-letter words, pro-
vided they are present with a parent
at the Camp Rally. This gathering
will be at the "Y" Tuesday at 8.00
p. m. Every boy and his parents
that has attended Camp or if they
are interested in camp will be wel-
come at this gathering.

Many of the directors will be pres-
ent that night. "Buck" Robbins and
"Tom" Carter will both be with us.
"Heck" Stewart will be there as well
as last year's Steward we all cried for
"seconds."

Finally, "Chief Ockanickon" of the
Tribe will be here in costume and
speak on the "Spirit of Ockanickon."
Every brave is asked to be here to
greet him.

The Women's Auxiliary, whose mem-
bers have donated the prizes for this
contest, will serve refreshments that
evening to the pow-wow.

Every boy who has a ring, bows
and arrows, a boat, or anything that
has been made in the camp craft
shop is asked to bring them to the
"Y" on Monday afternoon, May 26.

Harry Kemmerle, Sr.

Harry Kemmerle, Sr., a life-long
resident of Palmyra, died suddenly on
Sunday in the automobile of his
daughter, Miss Mary Kemmerle, while
returning from Ventnor.

Mr. Kemmerle, who resided at 157
West Broad street, was very well
known in Palmyra, where he was a
member of Camp No. 23, B. O. S. of A.
and the Independence Fire Company.

Funeral services were held yesterday
afternoon at two o'clock from the late
residence with the Rev. Harold L.
Creager, pastor of the First Lutheran

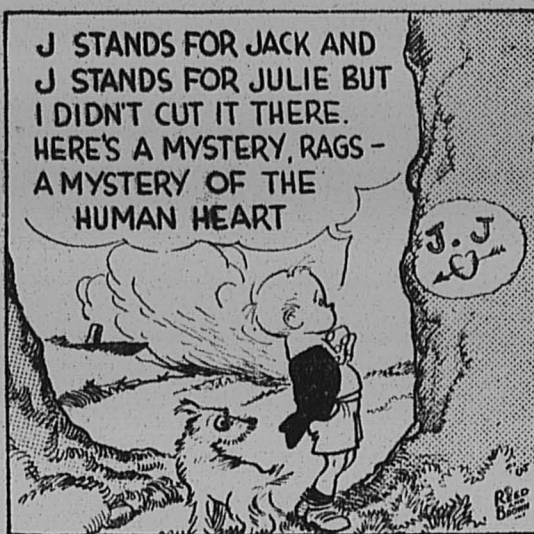

Church of Palmyra and Riverton off-
iciating. Interment was made in Mor-
gan Cemetery.

He is survived by his widow, Mrs.
Sarah Kemmerle and eight children,
Mrs. Albert Smith, Mrs. Margaret
Weber, Harry Kemmerle and Herbert
Kemmerle, all of Palmyra; Mrs. Ame-
lia Wood and Mrs. Michael Haughey,
of Philadelphia; Walter Kemmerle, of
Riverside and Miss Mary Kemmerle,
of Ventnor.

With his hands tied, Giuseppe Fu-
masconi, of Verona, Italy, devoured two
pounds of spaghetti in 14 minutes.

PUBLIC SERVICE

HORSE SHOW, FETE, FESTIVE SCENE AT MOORESTOWN F. C.

Over 1000 Attend Social Affair to Benefit Cinnamon Home

FREEMAN STABLES CARRY OFF HONORS

Miss Shirley Snyder Fractures Collar Bone as Mount Falls in Trying Jump

Nature smiled in delight at the festive appearance of the Moorestown Field Club on Saturday, when the annual Cinnamon Home benefit and horse show was held, the affair being the outstanding social event of the year here.

The horse show, the main feature of the day, was witnessed by a crowd of more than 1000 enthusiastic horse fanciers from all parts of South Jersey, Philadelphia, Camden, and other nearby cities. The show was an attractive affair. The booths were busy the entire afternoon. A number of the Juniors, extending their table service to trays to the cars, were a great success and a very pretty addition to the scene. As usual, the supper was well patronized. Between the supper and dancing, Charles Miller, of Riverton, entertained the crowd with a spirited and humorous audition from the booths, while a number of flower lovers availed themselves of the courtesy extended by Dr. and Mrs. S. Emmen Stokes, to wander through their gardens, a real treat.

Freeman Stables easily carried off the honors of the day in the horse show. In the championship saddle horse class in which winners of 11 other classes were to compete, Dorothy Rose, of Moorestown, Miss Anne R. Freeman, was adjudged the best.

Honors, as far as the riders were concerned, were divided between Miss Freeman and Miss Kathryn Sharpless, of Moorestown, who showed for H. B. Gale. Although there were several spills, only one resulted in injuries, and the exhibit was unmarred by any serious mishaps. In the pairs of hunters class, Miss Shirley Snyder, of Wenonah, received a fractured collarbone when her mount, Gold Heart, owned by Major Charles M. Lorence, stumbled while taking a jump and fell on her. Miss Snyder had been riding with Captain George Miller and had finished all but two jumps when the accident occurred. She was treated by physicians who witnessed the show and sent to the cooper hospital, Camden.

George Brown, rider for Ralph L. Freeman, was thrown twice in succession while attempting to take Silver Heels, a hunter, over the jumps. He was injured on the face. Robert P. Brown, 2nd, fell in Class No. 2, but was uninjured.

Class No. 1—Novice saddle horses 15.2 and under—Won by Lady, owned by G. M. Rogers, of Mount Holly; second, Toby, Crescent Riding Club; third, All Alone, Roberts' stables; fourth, Kirby, Crescent Riding Club.

Class No. 2—Novice saddle horses over 15.2—Won by Perry Jones, New Lisbon; second, Glad Rags, Robert P. Brown, 2nd, of Moorestown; third, Kimmie, Crescent Riding Club; fourth, Robie, Joseph Barton.

Class No. 3—Qualified saddle horses 15.2 and under—Won by Toby, Crescent Riding Club; second, Kirby, Crescent Riding Club; fourth, Peaches, Crescent Riding Club.

Class No. 4—Qualified saddle horses over 15.2—Won by Gloria Gay, Dr. C. T. Jones; second, Valdez, Lester Collins; third, Moorestown, Miss Anne R. Freeman; fourth, Mount, Kirby; fifth, Kimmie, Crescent Riding Club.

Class No. 5—Local green hunters—Won by Gold Heart, Major Charles M. Lorence, of Wenonah; second, Miss Prim, Eldridge J. Freeman, of Moorestown; third, Peggy, Medford Lakes Riding Club; fourth, High Hope, Eldridge R. Freeman.

Class No. 6—Ladies' saddle horses—Won by Pat, Perry Jones, New Lisbon; second, King Sanford, C. T. Jones; third, Red Rooster, Miss Viola Diebler; fourth, Kimmie, Crescent Riding Club.

BUY A POPPY

The American Legion and Auxiliary have started the annual poppy drive and they ask the hearty cooperation of the entire community during this sale.

The proceeds of this sale are 100% for rehabilitation and child welfare work and there is no article you can pay for that stands for help to humanity as does the purchase of these little red flowers.

These little red flowers are made by veterans who have no other way to earn even a small sum of money and the making of these flowers stands for ability to earn something to these men who are confined to hospitals all over this country.

To the man who is disabled, the thought that he is able to earn a few pennies is a very big thing; so that the making of the little red poppy is a bright hope in many hearts throughout the various hospitals where those who gave their services for us some years ago are continuing to pay the price of the freedom which we are able to enjoy in this country today.

The Legion and Auxiliary are asking again if the townspeople will not buy their poppies from the local organizations. Do not go to town to buy—BUY AT HOME!

There is much work to be done for ex-service men and their families within our jurisdiction and we need your help to be able to help them. The week of May 21 to May 28 is the week which will be known as Poppy Week as you will see in another section of this issue. Let the Legion and Auxiliary see that the town is with them in this project 100%. Buy a poppy now and buy it in Palmyra!

VANNEST GAME SANCTUARY FLOURISHES NEAR TRENTON

Within a few miles of the state capital, New Jersey owns and conducts an attractive haven for birds and game, on property that came to the State Fish and Game Commission a few years ago, as a gift from Dr. S. Van Nest, of Princeton. The department recently gave the place the official designation of "The VanNest Game Sanctuary." Many bird lovers know this beautiful spot, located on both sides of the Quaker Bridge road, near Hamilton Square, as an ideal place for bird-life and nature study. No hunting is permitted on the land and a caretaker traps and kills vermin that preys upon birds and small game animals. The sanctuary also is a game reserve and is kept well stocked with ringneck pheasants and rabbits, these species propagating there and the natural increase spreading to the surrounding hunting grounds.

Although bound hand and foot by thugs, W. Vicks, a watchman of Vancouver, Canada, succeeded in dialing a telephone with his tongue to call for help.

CHARITY BALL AT MEDFORD LAKES

Benefit for Burlington County Hospital Will Be Held at Log Cabin Lodge

Invitations have been issued for the Burlington County Charity Ball to be given Saturday, May 21st, at Log Cabin Lodge, Medford Lakes, for the benefit of the Burlington County Hospital.

Besides Meyer Davis Orchestra, which includes specialty soloist numbers, it is planned to have additional acts by a troupe of entertainers.

Tables will be provided for all guests, without charge. Those desiring tables adjacent to the dance floor, however, may obtain same for a nominal charge. Reservations will be made strictly in accordance with the date received.

This year it was thought advisable to leave the matter of food to the individual guests by providing meals a la carte. Several very attractive supper menus have been arranged, varying in price from 75 cents to \$1.00 per cover.

MEMBERS OF TRI-HY ENTERTAIN MOTHERS AT EPWORTH CHURCH

The Tri-Hy girls held their regular meeting of the Epworth M. E. Church Thursday evening.

Mother's, as well as daughters, were present on that occasion and a very enjoyable program was rendered.

Reading of the scripture, Mildred Goodwin; address of welcome, Miss Ermyr Jewell; vocal selections, Florence Harding; Origin of Mothers' Day, Dorothy Goodwin; songs, the entire group; a poem, Marie Jander.

Miss Laura Kirkeby was in charge of the games and both the mothers and daughters entered into them with a great deal of enthusiasm.

Mother's who were talented in any line were asked to demonstrate their ability and Mrs. Finn gave a wonderful impersonation of a little boy and his daddy and Mrs. Jander played several piano selections.

Refreshments were served and everyone voted the occasion a most enjoyable one.

The meeting this evening will be known as "College Night."

The committee in charge of arrangements is composed of the following: Eleanor Finn, chairman; Ella Russell, Edna Buckingham, and Miss Ida Harmon.

P. O. S. of A. PIONEERS

Sunday evening six members of Camp No. 15, Pioneers of America, joined with Camp No. 23, P. O. S. of A. in attending services at the Central Baptist Church, Palmyra.

Some of the five members of the camp attended the anniversary services of Camp No. 23. Two members of the Pioneers were initiated into the P. O. S. of A. on that occasion. They were Elmer J. Semple and Joseph J. Hayes.

Eight members of the Pioneers attended a "doggie roast" Monday evening. Eddie Friberg was unanimously elected the biggest doggie eater.

ALUMNI TO DANCE AT COUNTRY CLUB

Palmyra and Burlington Graduates Will Get Together Saturday, May 28

Plans are now being made for another one of those most enjoyable nights, when the graduates of Palmyra and Burlington High Schools get together to dance.

This is the third annual event of its kind to be sponsored by the Alumni Associations of both schools.

The affair will be held at the Riverton Country Club on Saturday, May 28. Dancing will be continuous throughout the evening with only brief intermissions from nine until one o'clock.

To further add to the evening's enjoyment the dining room of the club will be open for those who care for beverages or sandwiches.

This added attraction should prove a great asset to the dance for those who care to eat during intermission.

Dave Beegle's Vagabonds are being engaged for the event and it is hoped that all lovers of dancing will make an effort to be present.

FIRE

Palmyra Home Badly Damaged by Flames Monday

The home of Miss Carrie Borgers, 104 West Fifth street, Palmyra, was badly damaged by flames early Monday morning.

The origin of the fire is unknown, but it is said that the blaze started on the third floor. Both the second and third stories of the house were completely destroyed and damage caused by the water played havoc with the first floor of the house.

The extent of the damage has not been fixed.

RIVERTON LOSES 11 INNING GAME

Vincentown Takes Locals 8-7

The Riverton first team is still putting up good baseball as evidenced by their score last week with Vincentown. While Riverton lost 8 to 7, the whole team played exceedingly well.

In the first two innings of the game, which, incidentally, went to eleven before Vincentown won. Riverton was scoreless while Casaboon brought in one run for Vincentown. In the third

Inning Casaboon brought in another for his nine while Riverton clicked up three from each Baker, Terrill and Longstreet. This did not satisfy the Rivertonians, so in the next inning the Bluejay score soared to sixteen.

Again in the fifth Bottger slid in with another run for Riverton, making the seventh.

The game carried till the eleventh inning before Haines of Vincetown broke the spell and crossed the plate for the winning run.

ANNUAL MEETING
RIVERTON P. T. A.

(Continued from page 1)
present condition of the sewage disposal on the river front as menacing the health of Riverton children.

President's Report
The annual report of the president was read as follows:

During the past year nine meetings have been held at the school, three in the evening and six in the afternoon, with an average attendance of 100.

The topic for the year was "The Whole Child," and printed programs, with a letter from the president, were mailed to every family of the school, early in September.

At the first meeting, members were enrolled for the Child Study Group. Seven of these group meetings have been held during the year, have been well attended and a source of real help to mothers and teachers.

In November the president was sent by the association to the New Jersey Congress of the Child Study Group, held in Atlantic City. Mrs. Mayfield also attended, and eight delegates went for one day.

In November, also, the Executive Board, to express its appreciation of the faculty of the school, gave a tea for the teachers at the home of the president. The room chairman were also invited.

During December the Christmas Stocking committee, carrying on the work long handled by Mrs. Charles C. Miller, cut out and distributed for making and filling up 602 tartan stockings for the boys at the State Colony at New Lisbon. This work was done by schools in the vicinity, the Riverton Girl Scouts, Juniors of the Church Club and by the committees. The stockings were delivered December 20 and gratefully acknowledged by Dr. Johnson.

The Christmas party was given to the school with Santa Claus and candy following a delightful program by the children.

Four dozen baskets were purchased by the P.T.A. and filled by the school for the welfare association's Christmas work.

In the spring it was decided to cooperate with the Riverton Civic Association in tree planting for the Washington Bi-centennial.

On April first a luncheon and bridge party was held at the Porch Club. Luncheon was served to 132. The local Life Members were invited as guests of the Association and 15 were present. It was a success socially and financially.

During the year, the committees have done splendid work under efficient leadership of the chairman. The membership committee reports 233 members, of whom 26 are Life Members, 13 teachers (who belong 100 per cent.), 78 fathers and 106 mothers.

The publicity committee has had advance for every notice in the New Era for every meeting and has sent out printed or mimeographed letters by the children each month. The music committee has formed a Mother's and Father's Chorus and provided music for all meetings. The hospitality committee has served refreshments at the social gatherings following the meetings. The entertainment committee handled the Christmas Party and Talent Day. The decoration committee has provided flowers to make the auditorium more attractive. The program committee has provided an interesting and well-balanced program. The Child Study groups have been held almost every month. The Summer Round-up committee received a certificate from the National Congress of Parents and Teachers for the 1931 examinations, and this year's Round-up will be held May nineteenth.

Too much cannot be said in appreciation of the assistance given by Mr. Cooper and all the teachers of the school. At several meetings, interesting demonstrations of new methods have been made by the children, and singing by various groups has added to the program, beside the fine Christmas entertainment—all of which we owe to the generous cooperation of the teachers and pupils. We are grateful to the Porch Club also for giving the use of the building for our luncheon and to its choral for their singing at two meetings.

In March a chocolate sale was held to raise money for the free milk given at school, under the supervision of the school nurses. Over 700 bottles (1/2 pint) have been provided by the P.T.A. this year.

Donations have been given to the Visiting Nurse Society for dental work in the school, to the Riverton Free Library to purchase parent education and children's books, to the Burlington County Student Loan Fund, to the Founders' Day Fund for child welfare work, and to the Riverton Civic Association for a Washington memorial tree. State and county dues have been paid.

A prize of a plant has been given to the room having the largest percentage of parents at meetings. Three speakers have been paid.

The three county councils, the Southern district conference and the state conference and the state convention have been attended by the president and several other delegates.

The ending of the school year brings to a close Mr. Cooper's connection as supervising principal. The Parent-Teacher Association wishes him every success in his new field, and pledges to Miss Staman our wholehearted cooperation.

Respectfully submitted,
MARION R. ELWELL,
President.

Reports and Announcements
The annual reports of the other officers were followed by the following announcements: Summer Round-up, at Riverton school on May nineteenth, Dr. Rogers and school nurses in attendance.

Field Day, Thursday, May twenty-sixth. A cafeteria supper will be held as usual with prices at the minimum—sandwiches from five cents up, and other articles accordingly—so that the whole family can be there without taxing the budget. It will be the usual sociable and entertaining event that we all enjoy.

The meeting closed with the serving of tea, and delicious cakes and the announcement that Miss Parker's room had won the prize plant for the most mothers present.

Publicity Chairman.

SCOUT NEWS

It is with great regret that Troop 50 announces that an indefinite leave of absence has been granted to the Scoutmaster on account of a combination of ill health and business responsibilities. During Mr. Garwood's absence the next officer in seniority, William deH. Washington, will be Acting Scoutmaster and of course will be assisted by the other Assistant Scoutmasters. William Cook will of course take the place of Mr. Washington as Troop Executive Officer.

A special meeting of the Troop Committee was held on Friday, May 13, at which action was taken on Mr. Garwood's leave of absence, and also lively discussions were held in connection with the spring and summer activities of the Troop.

Troop 50 is now on the firmest foundation in its history. With an active Parents Association, an active Troop Committee, and a devoted group of adult officers and the knowledge of a successful financial campaign back of it, the Troop is in a position to offer to Riverton boys increasing opportunities for real Scouting with the combination of Scoutcraft and fun which makes Scouting so fascinating.

The Troop is now engaged in active plans for its regular participation in the Memorial Day Celebration on May 30th. Camp plans are also afoot and it is expected that a large portion of the Troop will spend Camp Mahalala for at least one week. Incidentally one member of the Troop, Assistant Scoutmaster Hutchinson, will be a regular member of the Camp Staff and will be in charge of the commissary.

All the parents of the members of the Troop who have not already joined the Parents Association are urged to join the Association immediately and not only to do this but also to visit the Troop itself on Friday nights and see what is being accomplished.

Cinnaminson P. T. A. Notes

The County Library books offered by the Cinnaminson Parent-Teacher Association are becoming more and more of an attraction. They are well chosen and provide a wide selection—Home, Children, Society and fiction are all listed.

The officer for the year, elected on May 11, are: President, Mrs. Shaw; vice presidents, Mrs. Sim and Mrs. Grant; secretary, Mrs. West; and treasurer, Mrs. Wood.

Arrangements for the covered dish luncheon, at the home of Mrs. Benjamin Lippincott were talked over. Come with your dish and a friend by one o'clock on Wednesday the twenty-fifth. Luncheon fee, twenty-five cents.

Field day at the school, and the annual picnic of the Parent-Teachers, will be June third. All are reminded that they are P.T.A. members, even if they have not been able to attend meetings, and as such are urged to come and get acquainted.

Tomorrow night, the 30th, at eight o'clock, the County Parent-Teacher Chorus will give a concert in the auditorium of the high school at Moorestown for the benefit of the County Council.

A portion of the Old Folks' Concert given by Cinnaminson during the winter will be a feature, and probably the local junior band, also. Try to be on hand.

Press Chairman.

CHRISTIAN SCIENCE

"SOUL AND BODY" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, May 22, 1932.

The Golden Text is: "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" (1 Corinthians 3:16)

Among the citations which comprise the lesson-sermon is the following from the Bible: "There is one body, and one Spirit, even as ye are called in one hope, of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all" (Ephesians 4:4-6).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Science of being reveals man as perfect, even as the Father is perfect, because the Soul, or Mind, of the spiritual man is God, the divine Principle of all being, and because this real man is governed by Soul instead of sense, by the law of Spirit, not by the so-called laws of matter" (p. 302).

GIRL SCOUTS TO HAVE

TWO WEEKS AT CAMP MAHALALA IN AUGUST

Girl Scouts of Burlington and Camden counties are to have two weeks camping at Boy Scout Camp Mahalala, near Wrightstown, from August 14 to 28, sponsored by a committee of women from Camden, Palmyra, Riverton, Haddonfield and Moorestown.

Mrs. Irving Slove, is chairman of the committee, and Miss Jessie De Puy, secretary and treasurer. The camp will be directed by Miss Janet Strietelhoff, of Baltimore, and will be a model camp by the standards of the national headquarters in New York.

"AMATEUR DADDY"

"Amateur Daddy" will be the feature picture next Monday and Tuesday at the Broadway theatre, starring Warner Baxter and Marian Nixon. Baxter is cast as a bridge engineer who plays daddy to a poor family of orphan children. Marian Nixon, in a typical Gynor part, is the oldest girl, who falls in love with him. From then on the story becomes tensely dramatic. It is not only a great picture for the family, but one everyone will like. There are a bunch of children in the picture and the usual heavy villain.

PALMYRA AND RIVERTON FOLK TO HEAR REV. JAMES F. BOUGHTON IN GROVE MEMORIAL DAY PROGRAM

Delanco M. E. Pastor Will Address Gathering on Monday Afternoon

PALMER L. ADAMS HEADS COMMITTEE

Parade to Start From Riverton Fire House Led by Bugle Corps

The Rev. James F. Boughton, pastor of the Delanco Methodist Episcopal Church, will be the speaker at the Memorial Day Exercises in Palmyra and Riverton.

The Rev. Mr. Boughton, who was a member of the 325th Infantry of the 87th Division, served fourteen months overseas during the World War, and is especially well-fitted to address a gathering on such a day. He is a graduate of Princeton University and took a post graduate course at Harvard. He was a professor at New York University following his return to America after the war and for the last six years he has been an ordained minister.

The Memorial Day exercises are being planned under the auspices of Post Frederick M. Rodgers, American Legion, Palmyra. The committee in charge of arrangements is headed by Palmer L. Adams.

Other members are: David Baker, A. H. Lippincott, William Cook, George W. Luce, Maurice Sandoz, Joseph G. Seel, Carl H. Thomas, Charles Yost and R. E. Gowell.

Committee Working Hard

Members of the committee are leaving no stone unturned in their effort to make this one of the largest and best celebrations of its kind ever held in Palmyra or Riverton.

A parade will be held in the afternoon, starting at the Riverton Fire House at 2:00 o'clock. The route will be along Main street to Broad street to Chinnaminson avenue, to Morgan Cemetery, countermarch to the M. E. Cemetery and thence to the Palmyra Municipal Grove. Palmer L. Adams will be the marshal.

All civic and fraternal organizations in both Palmyra and Riverton are invited and urged to take part. The following is a list of those associations which are expected to parade:

The Palmyra and Riverton Fire Companies, Artisans, P.O. of A., Chinnaminson Lodge, No. 201, I.O.O.F., Knights of Pythias, Knights of the Golden Eagle, Sons of Italy, Knights of Columbus, Italian American Club and the Masons.

B. Frank Bates, the only surviving G.A.R. veteran in the two towns, will be in the line of march. Mr. Bates, who at the present time resides in East Riverton, is a former resident of Palmyra. Spanish-American War veterans will also parade.

The following widows of G.A.R. veterans will participate: Mrs. William Heath, Mrs. Fanny Hatfield, Mrs. Mary E. Richter and Mrs. Anna V. Blackburn.

The following are the Gold Star mothers and fathers, or next of kin, who will take part in the parade: Mrs. Caroline Rodgers, Mrs. Mary Moser, Mrs. Margaret Mohrmann, Mrs. Cecelia Kelly, Mr. and Mrs. George J. Hubbs and Miss Annetta Pratt.

Woman's Club Invited

The members of the Palmyra Woman's Club have been invited to participate and it is hoped that a large number will turn out for the event. The Palmyra and Riverton school children have been asked to be in the line of march and are urged to bring flowers with which to decorate the soldiers' graves. The Auxiliary of the American Legion will probably supervise this part of the exercises.

The tentative program for the day follows:

William T. Miller, Master of Ceremonies, Commander, Post Frederick M. Rodgers.

Palmer L. Adams, Chairman Memorial Day Committee.

THE PEOPLES COLUMN

The River Bank

In these days it is the custom of most all of our enlightened communities, in the United States, to set aside small open spaces for parks, to be used by the public at large. All of our older cities now look with regret at the great congestion of stores and dwellings which prevent the people from having proper breathing spaces during the hot weather.

In our town for several generations past, our citizens have come to look upon the River Bank as being an integral part of Riverton, and it has certainly been one of the many attractions of the town. The River Bank has been a priceless boon to all of our citizens, and every effort should be made to retain it for the use and benefit of our citizens.

It is rather surprising, that after all these past years, a small group of property owners should attempt to set aside the wants of the people and take back this property for their own exclusive use.

It is to be presumed that when the present owners purchased the property, they understood that the drive and grassy banks were used by the public and under the circumstances their present attitude is hard to fathom.

The vast majority of our citizens feel that our town authorities would certainly be taking a long step backwards if they go against the wishes of the people and give away something that has always been looked upon as a priceless heritage.

"GARDEN PILGRIMAGE" WEDNESDAY, JUNE 1

A "garden pilgrimage" will be made Wednesday, June 1, for benefit of the Cooper Hospital.

The group will visit gardens in this part of the state which are considered among the best. Those to be visited in Riverton and Moorestown are Mr. and Mrs. Joseph Beck Tyler and Mr. and Mrs. H. M. Kleckhefer, of Riverton; Mr. and Mrs. Chester L. Freeman, Mr. and Mrs. Edmund Maule, Mr. and Mrs. Arthur J. Collins, Jr., of Moorestown.

Tickets may be obtained from any member of the committee or at any one of the gardens on the day of the pilgrimage. In case of rain on the 1st, the gardens will be open Thursday, June 2.

D.A.R. ELECTS OFFICERS TO SERVE FOR 3 YEARS

The annual election of officers was held at the May meeting of the Annis Stetson Chapter, Daughters of the American Revolution, at Burlington.

The following were elected to serve for the ensuing three years: Mrs. R. S. Williams, of Riverton, regent; Mrs. Harry Kenney, of Palmyra, vice-regent; Miss Jane Burr, of Bordentown, second vice-regent; Mrs. Ira J. Davis, of Beverly, recording secretary; Mrs. William Branson, of Palmyra, corresponding secretary; Miss Emilie Grant, of Burlington, treasurer; Mrs. Paul Good, of Riverton, registrar; Mrs. Sherman Borden, Beverly, historian, and Mrs. Anna V. Blackburn, of Palmyra, chaplain.

IN APPRECIATION

I desire to thank the Republican voters of Burlington county for again nominating me for Member of the Board of Chosen Freeholders.

I accept the result as an expression of confidence in me and approval of the service I have tried to render the county.

My only promise is that, if re-elected to the Board, I shall endeavor to render even better service to this splendid county of ours.

RIVERTON IS A "FRIENDLY TOWN"

Many Requests for Children Have Already Reached the Committee

Riverton is a friendly town; it is welcoming the children from the tenements who have no other chance for a contact with trees and flowers and the joys of country life. Already many are asking that they may share in this opportunity to bring happiness to a child who has no little.

Fifty years ago when the work started about sixty children were sent away from the city for a two week vacation; last summer over nineteen thousand were given that rare pleasure.

Make your home one of those which will this summer touch dreary little lives with magic. Communicate with Mrs. Frederick Blair or any of the following members of the Friendly Town Committee: Mrs. Herbert Morris, Mrs. E. L. Merrill, Mrs. Joseph Thomas, Mrs. Clifton Mayfield, Mrs. Robert Ayres, Mrs. J. D. Clark, Mrs. Henry Lippincott.

SCOUTS ATTEND COUNTY REUNION

Riverton Troop Takes Part in Big Meeting at Camden Co. Reservation

The Riverton Scouts last Friday night attended the Camp Mahalanad reunion which was held at the Camden County Scout Reservation on Rancocas Creek above Bridgeboro. Twenty-four boys under the command of Acting Scoutmaster William Dell Washington, together with several fathers and most of the Troop Committee, attended this celebration. Gilbert Coe, of the Troop Committee, who was in charge of transportation, functioned in a most efficient manner, so that adequate and fast transportation was provided.

The reunion included a camp fire and much enjoyable singing, which made up in volume for what it lacked in quality. The high-light of the evening was a talk by David Owl, a full-blooded Cherokee Indian.

Mr. Owl, or perhaps an Indian should be referred to as "Chief" Owl, comes from New York state, where he has for many years been engaged in Scout work among the Iroquois Indian boys. He thrilled the Burlington County Scouts with Indian stories, punctuated with Indian calls and yells which were almost loud enough to be heard all the way to Philadelphia.

On Saturday a number of the members of the Troop under command of Mr. Washington hiked to the farm of Howard Taylor at Plum Point. Mr. Taylor's farm offered a number of interesting activities. There were canoes and boats, as well as a ping-pong outfit upon which was played a championship match which would have been the envy of Bill Tilden himself. The Scouts cooked their own supper and then hiked back to Riverton.

Plans for the late Spring and early Summer call for a great deal of outdoor activity on the part of the Troop. Mr. Washington received the authority of the Troop Committee to purchase twelve complete shelter tents from Troop funds, and these will be used for hiking and camping. Some of the older members of the Troop are being organized by Assistant Scoutmaster Cook into a Sea Scout Patrol, which will start active practice in the preliminary arts of sea-scouting, of course remaining a part of the regular Troop.

Nature Study is being continued under the leadership of Dr. Fox, who is a regularly registered Assistant Scoutmaster of the Troop. A short time ago five members of the Troop who have been most actively engaged in Nature Study were taken by Dr. Fox to the Philadelphia Zoo for a most instructive and exciting afternoon.

Miss Amy Mitton

Miss Amy Mitton, 25 years old, daughter of Mr. and Mrs. Lee Mitton, of Chinnaminson street, Riverton, died in Cooper Hospital, Camden, Wednesday noon, after an operation for appendicitis two weeks ago.

Miss Mitton was very active in the choir at the Methodist Church, Palmyra, and in the Epworth League of that church.

Funeral services will be held Saturday afternoon at 2 o'clock from the Snover Funeral Home, Palmyra. Rev. Ira S. Pimm, of Epworth Methodist Church, officiating. Burial will be made in Odd Fellows Cemetery, Burlington. Frank A. Snover, funeral director. Friends may call Friday evening at 313 East Broad street, Palmyra.

GEORGE HARDECKER

George Hardecker, 63 years old, died at his home in West Philadelphia, Wednesday, May 25.

Mr. Hardecker was the son of the late John and Anna Sparks Hardecker.

Burial will be made in Westminster Cemetery, Philadelphia, from the Oliver H. Blair Building, 1229 Chestnut street, Philadelphia, Saturday afternoon at 2 o'clock. Interment private. Friends may call Friday evening.

The deceased is survived by his widow and one daughter. The Hardecker family were former residents of Palmyra, living on Fifth street.

SPRING MEETING HELD AT DELANCO

Burlington Co. Council of New Jersey Congress Parents and Teachers in Session

There were no signs of "Spring fever" in the program offered at the Burlington County Council of Parents and Teachers, held in the airy auditorium of the Delanco schools on the eighteenth.

Beginning on time, the business was promptly offered and disposed of, always allowing time for consideration. Mrs. Reynolds' minutes and the reports of the district vice chairmen were comprehensive and interesting, showing increasing activity in all branches of the work.

Regrets and sympathy were ordered sent to the former County Council Chairman, Mrs. Arthur T. Hagstoz, and a hope for her speedy restoration to health.

Feeling a need of relaxation, Mrs. Eugene Pharo, county music chairman, told a story, in which the audience all became characters, and entered enthusiastically into the fun.

A short talk by Miss Hannah Severson, the Moorestown librarian, who offered a list of books valuable for parents, was most helpful.

The County Chorus then rendered selections. These "Singing Mothers" are a credit and an asset, both to the county and their leader, Mrs. Pharo.

Mrs. Herman Krupnick, chairman of the Student Loan Fund, delighted the gathering with the word that the six thousand dollar (\$6,000) mark was passed, two thousand eight hundred (\$2,800) being contributed by the local associations, and the remainder the result of the lecture courses sponsored by the county superintendent, Louis J. Kaser. All this in three years, but the urge was "Give to the fund whenever possible as there will always be use for more."

Mr. Kaser made an impassioned plea for fitting the youth of today with something within themselves, upon which to fall back if economic conditions bring the five-day week. Creale in the children a love and desire for reading, music, art, etc., even at the expense of some of the things that have been considered essentials, that they may have interests to occupy their minds if they are not to meet at corners wishing for something to do. These laudable plans, too often breed "public charges," and so much leisure must be provided for, if this calamity is to be avoided.

After lunch, served by the Delanco Parent-Teacher Association, the chorus again sang.

The meeting then split into four groups, the result of the study classes so energetically helped by the chairman, Mrs. Nathan Conrow. Under able leaders, these subjects were discussed:

1. "Children are Like That."
2. "While Adults are Teaching Habits, Children are Learning What?"
3. "Adolescent Adjustments."
4. "What Parents Should Remember."

NEW INN TO OPEN ON MEMORIAL DAY

Joseph Rieder Will Open Peace and Plenty Farm, May 30; Refreshments, Music and Dancing

On Decoration Day, Monday, May 30, Joseph Rieder will open Peace and Plenty Farm at East Riverton as a select inn. Dinner lunches will be served at a reasonable charge and the vegetables used will be those grown on his own farm.

There will be full orchestra music for dancing from 4 p. m. to closing time. Mr. Rieder has ideal facilities for club outings and organizations may make reservations for meetings and luncheons. The spacious grounds provide ample room for baseball and other outdoor sports.

Charles Soles is the manager. Peace and Plenty Farm Inn is located on River road at East Riverton about one-half mile above the Dreer Nurseries.

CARD OF THANKS

I would like to take this opportunity to thank the voters of Burlington County for the wonderful support given me in Primary Election, May 17th.

WILLIAM O. CUNNINGHAM, Riverside, N. J.

CARD OF THANKS

I wish to express my appreciation of the fine support the people gave me in nominating me for County Committeewoman for the second district.

ALMA EVANS.

CARD OF THANKS

We wish to thank our many friends for their kind expressions of sympathy during our recent bereavement, especially those who sent cars and flowers to the funeral.

The Kemmerle Family.

CARD OF THANKS

I desire to express my appreciation of the many kindnesses extended to me in my recent bereavement and to thank those who sent cars and flowers to the funeral.

MRS. ELEANOR LEATHERBURY

Citizens of Riverton ATTENTION!

The following petition in opposition to closing a part of Bank Avenue to the Public will be presented to the Riverton Borough Council at its next meeting.

It is desirable to have it signed by as many citizens of Riverton as possible.

If you are opposed to excluding the Public from any portion of Bank Avenue now open to the use of our citizens, will you please cut out the following petition, affix your name and address in the spaces provided therefor, and forward to The New Era office at once.

This will constitute authorization to sign your name to the petition which will be laid before council.

To the Mayor and Council of the Borough of Riverton, N. J.

Gentlemen:

We, the Citizens of the Borough of Riverton, N. J. respectfully enter our protest against closing any portion of Bank Avenue to the Public.

While all progressive communities are expending large sums in creating additional parks and breathing spaces for their citizens, it would seem a sad reflection on Riverton's progressive reputation to even consider lessening ours.

Does it not seem singular, Gentlemen, that the property formerly owned by the late Edward H. Ogden, (one of the most benevolent citizens, who always strove for the greatest good for the greatest number), should now, at the request of newcomers, become the center of this contention whereby Council is petitioned to close Bank Avenue between Howard and Main Streets—a thoroughfare enjoyed by our Public for fifty years or more?

We sincerely trust that Council will preserve the manifest rights of not only living, but many unborn citizens of coming generations.

TRAFFIC LIGHTS AT S-41 CORNER OFFICIAL COUNTY ELECTION RETURNS

Palmyra Police Economize in Order to Have Traffic Protection

The danger of accidents at the junction of West Broad street, Palmyra, and State Highway S-41, is to be lessened by traffic lights which are being rushed to completion in order to serve during the Memorial Day weekend.

The signals will be hand-operated by the Palmyra police during rush hours and will be run on the warning flash system at other times.

Mayor Walter D. Lamon and Chief of Police Beck have been working on the proposition for several weeks. The cost was estimated at \$603 and the borough has to economize. So the Bridge Company agreed to pay half and the Chief said his force would be willing to do without new uniforms and a new police auto in order to save the remainder of the cost out of this year's appropriation.

The Chief said the borough officers would far rather go without new uniforms than for people to suffer death and injury at the S-41 corner for lack of traffic signal protection.

The Borough of Riverton cooperated with Palmyra by lending the old traffic booth, formerly at Broad and Main, for use at the intersection.

At the meeting of Borough Council Tuesday evening action was deferred on gutter improvement at Second and Chinnaminson, where water collects after a storm, and a decision will be made later.

A fire plug on Spring Garden street has been changed to a new location in the hopes of remedying troubles with the household water supply thought due to the mains having a "dead-end" at that point.

CARD OF THANKS

I wish to thank my friends for the support accorded me in my campaign for the Republican nomination for Freeholder.

ROSCOE C. SHINN.

A NEW BAKERY

Martin's Bakery, at 5 and 7 West Broad street, Palmyra, has just been opened, and is prepared to serve the residents of Palmyra, Riverton and vicinity with a full line of bread, cakes, pies and French and Danish pastry, which are baked fresh twice daily. This new bakery asks for a trial, in order to demonstrate the high quality of its products.

"Were you alone when this man accosted you?" was a question put to Mrs. Helen Moore in a St. Louis court. "No," she answered, "I had a bottle of beer."

MAN LOSES LIFE AS CANOE UPSETS

Herbert Anderson Drowns in River When Frail Craft Capsizes

Herbert Anderson, 30 years old, was drowned in the Delaware River at Plum Point, Monday evening about 7:15 when a canoe capsized.

Sherman Gootee and Anderson started out from Pomptoness Creek about quarter of seven, launched the canoe and got as far as Plum Point when Anderson stood up in the frail craft. As he did so it was struck by a wave and overturned.

Gootee, after a vain attempt to save Anderson, who could not swim, struck out for shore and summoned help. Officer Robinson immediately went to the Riverton wharf, where he commandeered the motor boat of Jim Clover, of Palmyra, and with the aid of Clover and Ross Evans recovered the body after grappling for over an hour. When the body was brought ashore Dr. Dean LeFavor, of Palmyra, pronounced Anderson dead.

The Palmyra police loaned their grappling irons and several of the men came up to offer their assistance. Chief of Police Walter Miller, of the Riverton police force, was on the scene of the accident directing the movements of the grapplers.

After the body was brought to shore it was taken to the Snover Funeral Home, Palmyra.

Coroner John C. Belton, of Moorestown, was summoned and gave a verdict of accidental drowning.

Anderson was employed as a crossing watchman at Palmyra and had made his home with Mrs. Mary Reinhardt, 604 Thomas avenue, since he was a small lad.

He is survived by his father, Charles Anderson, and two brothers, Walter, who lives in Philadelphia, with his father, and John, who is attending school in Albany, N. Y.

Funeral services will be held Thursday afternoon at 2 o'clock from the Snover Funeral Home, Rev. C. I. Greaser, of the First Lutheran Church, Palmyra, officiating. Burial was made in Morgan Cemetery, Frank A. Snover, funeral director.

MAY DAY SERVICE AT SACRED HEART

Young Ladies Sodality Have Celebration of Reception of the Blessed Virgin Mary

A very beautiful and delightful service took place at the Church of the Sacred Heart on Sunday last at 3 p. m., on the occasion of the annual reception of the Ladies' Sodality of the Blessed Virgin Mary.

The procession from the Sacred Heart School to the Church comprised the Senior and Junior members of the Sodality who marched throughout the interior of the Church rendering most appropriate selections in honor of their Feast Day, under the direction of the Rev. Sisters.

The thirty-five new members were received into the Sodality by the pastor, who received from them their promises of initiation, and bestowed on each of them a medal of their Sodality as a badge of loyalty and fidelity to the rules and obligations of the Sodality, under the auspices of the Sodality of the Blessed Virgin Mary. The Act of Consecration was made, for candidates received, by Miss Catherine E. Brennan, the president.

The sermon was delivered by the Rev. Father Doyle, of Burlington, on "Why we honor the Blessed Virgin Mary and the great benefit she is to those who have devotion to her."

The Benediction of the Blessed Sacrament was given by Rev. William F. Cavanaugh, assisted by Rev. Fr. Doyle. The selections by the choir comprised the "Ave Maria," by Miss Mary E. Steedle; "The Veni Creator," by Mrs. William Mitchell and Miss Eleanor Porter, and the "O Salutaris," by the school children under the direction of the Rev. Sisters of the parish.

Rev. Fr. Roney, the pastor, complimented highly the Rev. Sisters of the Sacred Heart School for the most excellent services rendered by them in making the May Day celebration one long to be remembered as the most beautiful, delightful and devotional for all present at this Annual Festival of the Sodality. On May 12th the Rt. Rev. Bishop Coppo, of Australia, being delegated by Rt. Rev. John J. McMahon, Bishop of this (Trenton) Diocese, administered the Sacrament of Confirmation to a class of 170. The Sunday previous a class of 67 young people of the Sunday School received their first Holy Communion.

The hymn of "The Holy God we Praise Thy Name" was rendered by the school children under the direction of the organist, the Rev. Sister of Charity, at the closing of the Sodality services.

THANKS

Through the press I wish to thank the people of our county for the splendid vote which I received at the recent Primary Election. I shall endeavor to merit their confidence thus expressed.

MARCUS W. NEWCOMB, M. D.

CARD OF THANKS

I wish to thank the voters of Palmyra, Riverton and Chinnaminson for the splendid support given me in the Primary Election.

COUNTY FIREMEN MEET IN MEDFORD

350 Men, Representing 35 Companies, Attend Interesting Monthly Session

The Burlington County Firemen's Association held the monthly meeting at Medford Wednesday night of last week when the firemen were the guests of Union Fire Company. The meeting was very largely attended, there being about 350 present. Thirty-five fire companies were represented and nineteen fire chiefs answered roll call.

Charles Worrell, president of Medford company, opened the meeting and presented County Clerk Lawrence O. Mingin, who extended a hearty welcome to the visiting firemen.

In referring to exempt firemen, Mr. Mingin stated that a certificate from a chief and president of a company was sufficient evidence that a member had served his time, and deserving of all benefits entitled thereby.

A report of the county fire marshal, William J. Smith, for the month of April was submitted. Commenting on the fire that destroyed an unoccupied house at Evesboro, near Marlton, it was alleged that there is a strong suspicion that fire was caused by a still. The fire marshal's report follows:

Alarms, 108; general, 73; silent alarms, 31; false alarms, 4.

No. calls in districts: Beverly 1, Burlington City 14, Burlington Twp. 11, Bordentown 9, 4 out of dist., Bridgeboro 2, Brown's Mills, no fires, Columbus 3, Crosswicks no fires, Delanco 2, Florence 8, Florence Heights no report; Hainesport 3, Lenola no fires, Lumberton 2, Medford 1, Marlton 7 (3 out of dist.), Mt. Holly 14 (4 out of dist.), Masonville no report, Maple Shade no report, Moorestown 5 (1 out of dist.), Pemberton 2, Palmyra 2, Parry 4, Rancocas 3, Riverside Park 1, Riverton no report, Riverside 6, Roeboling no fires, Vincentown 1, Wrightstown 2, New Greta 3.

Values and Insurance—Value of buildings, \$22,700.00; loss on buildings, \$18,000.00; loss on contents, \$2,425; insurance on buildings, \$4,400.00.

Apparatus Used—Pumpers 51, chemicals 50, ladder trucks 15, feet hose laid 6,175, pumpers hours 107, number firemen answering calls, 1,212.

The fire marshal gave as the cause of fires: Railroads, short circuits, backfire, incendiary, smoking, overheated stoves, chimneys, carelessness, etc.

Assistant Chief William C. Whitl, of Abington, Pa., addressed the meeting and appealed to the firemen to lend their support to Lawrence O. Mingin in his efforts to improve system of relief plans for firemen. First Assistant Chief Francis G. Hall also addressed the meeting on matters of timely interest to firemen.

Postmaster Evan P. Benners, of Moorestown, covering remarks on certificates of the State Firemen's Association, was questioned in reference to proposed changes in firemen's exempt certificates. A change proposed is to make it necessary to have signature of mayor or head of governing body of a municipality on the certificates.

Mr. Benners was unable to give the desired information but stated that there would probably be some changes in matters of certificates that would be decided at the June meeting of the State Association.

A report was made of finding a life membership badge at the Burlington meeting last month.

MYSTERY DRAMA TO BE SHOWN AT WHITMAN

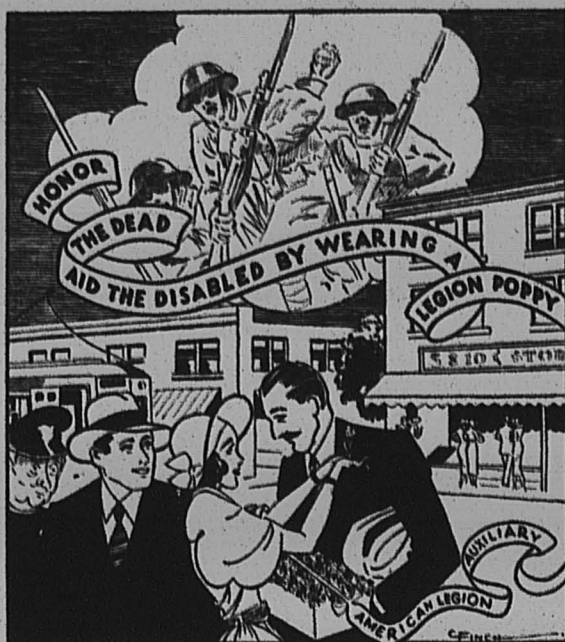

"Franka" a picture said to be as strange and fantastic as the armless and legless wonders who have a prominent share in the cast along with such stars as Lella Hyams, Wallace Ford and Roscoe Ates is the attraction playing for three days, Thursday, Friday and Saturday at the Walt Whitman Theatre, Camden.

With its strange cast of performers from the side-shows of the circus, it gives the picture-goer the most unusual photoplay that has ever been made in either silent or talkies, surpassing in mystery even pictures like "The Unholy Three" or "Dracula".

It shows the so-called backstage life of these strange people and their methods of overcoming obstacles that is easy or ordinary for the physically fit human being.

In conjunction with the feature presentation the vaudeville bill of the complete, an excellent and varied program for the theatre-goers of South Jersey.

POPPY WEEK, MAY 21-28

Buy a Poppy in Riverton

Cinnaminson School Notes

A lovely day, a long ride into the country, acres of lupine in bloom, a picnic lunch, even one small girl upping into the water, and being wrapped in a blanket while the classic "hickory limb" was hung with her wet clothes, all added to the interest and gaiety of the off-deferred picnic for the sub-primary pupils one bright day last week.

The Safety Patrol boys who visited Fort Hancock in cars furnished by the P.T.A. members, came back a well-satisfied set of children. All appreciate the willing leadership of the State Police, who made the day possible.

Friday, a number from the local association attended the concert given by the county chorus for the benefit of the county council. All the numbers were fine, and well rendered. The hour devoted to the presentations given by Delanco, Cinnaminson, Moorestown and two of the Burlington associations, was well worked out, coming down from Colonial days to the "City Nineties" and ending with 1932.

Tuesday of this week Miss Emory's room visited the Commercial Museum in the interest of their present work.

Field day and the P.T.A. picnic will be Wednesday, June 1. Come and see what is being done in the school, and meet for a social afternoon. Those who do not wish to bother with a box lunch, can get good eats, fairly priced, from the lunchroom. Ice cream on sale as usual.

Nine members were present at the sessions of the county council held at Delanco last week. The subjects were interesting and inspiring, especially those of the discussion groups, headed by enthusiastic leaders.

Press Chairman.

RIVERSIDE MAN HURT

Harold Lippincott, 28 years old, of Riverside, is recovering from a deep laceration of the forehead and bruises of the right side and elbows, suffered when he crashed his car into a tree on the Mount Holly-Camden road to avoid hitting another machine late Thursday night of last week.

Six stitches were taken in his head. Troopers Forkin and Worth, of Delanco State Police barracks, questioned Albert J. Roberts, of Moorestown, the driver of the other machine.

According to Lippincott he was about to pass Roberts' car when he made a left hand turn. The injured man was rushed to the county hospital by Earl Sixberry, of Maple Shade.

12 ACRES BURNED OVER NEAR MEDFORD LAKES

Vincentown, Marlton and Medford firemen were summoned last Thursday afternoon to extinguish a fire that started in William Stang's cranberry bogs at Cross Keys, a tiny settlement north of Medford Lakes, and swept through the woods for 12 acres toward the Medford Lakes Colony. Cause of the fire was not determined. At one time several buildings in Cross Keys were in danger. The firemen ditched the flames and drove them in a direction against the wind.

ROBERT FINNEY STARS IN COLLEGIATE MEET

Robert Finney, son of Mr. and Mrs. J. Horace Finney, of Morgan avenue, Palmyra, and a graduate of Palmyra High School, starred in every event he entered at the annual Eastern Collegiate Conference Freshmen meet at Franklin and Marshall, Saturday, May 14.

Finney, who is a freshman at Dickinson College, Carlisle, Pa., won two first places and one second. He was the winner of the broad jump with a leap of 19 feet 9 1/2 inches. In the high jump he won his second gold medal with a height of 5 feet 6 inches. The 220-yard low hurdles was won by Wise, of Gettysburg, who was closely followed by Finney.

Finney is very well known in this section having made both scholastic and athletic records for himself when he attended Palmyra High School. He is a very popular member of the younger set of Palmyra and Riverton.

PLANE TALKS

By L. H. H. LONGAKER
Founder, Burlington County Aero Club

The annual Memorial Day holiday one cent per pound airplane flights will be in effect at the Moorestown airport on Sunday, the 29th and Monday, the 30th. Chief Pilot Jim Erdman and former Senator Emmor Roberts will do the passenger flying so you will be assured of a good, long ride.

The fifth anniversary of Colonel Lindbergh's flight to Europe could hardly have been more fittingly celebrated than by the way Amelia Earhart's Putham accomplished her marvelous trip across the Atlantic. The success of the latest flight speaks volumes for the careful preparation necessary for flights of this kind and the wonderful skill and courage of Mrs. Putnam, the foremost woman pilot of all times. We salute you, Amelia.

Mark the dates of Saturday and Sunday, June 25 and 26 on your calendar with big red circles. On these dates the Burlington County Aero Club will stage an air carnival at the Moorestown airport for the benefit of the Social Service Department of the Burlington County Hospital. We will present an especially entertaining program and also introduce to you a flock of leaders in the field of aviation.

Last week we told you about the Bellanca ship "Columbia" being completely rebuilt for another long distance flight. (For some reason the publisher neglected to print our column.) This great old ship has more records to her credit than any other plane ever built and is still good for many more trans-oceanic hops.

Did you hear about the Philadelphia physician who flew from Essington to Riverton in his seaplane, performed an operation and landed his ship at the Essington base in less than one hour. To our knowledge, this is the first time an airplane has been used on an errand of mercy in our section.

DRUNKEN DRIVER IN CRASH

After his car collided with another machine on the state highway, near Burlington, Raymond Jones, 33, of 330 Borden street, Bordentown, was sent to the county jail, Sunday, at Mount Holly for 30 days when convicted of drunken driving. Four companions of the Bordentown man also were jailed for four days, charged with being drunk and disorderly. Dr. E. J. Muldoon, police surgeon, pronounced Jones drunk and Police Recorder J. Leedom Smith fined him \$200 and costs. He was sent to jail in lieu of the fine.

COOPERATION TO END DEPRESSION

Economist Tells YWCA Industrial Girls Individuals Cannot Solve Problems

"The world has gone a long way in meeting physical situations and in dealing with them; the next problem which confronts us is that of meeting and solving our social and economic problems," said Dr. Ewan Clague, research economist from the Philadelphia Community Council, in speaking to the business and industrial girls of the Y.W.C.A. at Medford Lakes on Saturday afternoon and evening. "The problems must be solved by group thinking and not by any of us as individuals."

Dr. Clague, through interesting charts, presented the economic trends of the present day, including in his discussion productivity, costs of living and wages, bi-metalism and the gold standard. In a very remarkable way he was able to make clear and answer many questions which the group had.

Representatives from Burlington, Mount Holly, Willingboro, Rancocas and Moorestown were present.

Camp Committee Meets

The camp committee of the Y.W.C.A. with its representatives from Burlington, Camden, Gloucester and Monmouth counties met at Camp Ockanickon on Friday afternoon, with the chairman, Mrs. William Sahler, of Freehold, presiding. Plans for the Y.W.C.A. camping season, August 12 to September 2, are well made. An excellent staff has been secured headed by Mrs. Roy Clement, of Woodbury, as director. Burlington county representatives at the meeting were Mrs. Charles Barton, of Marlton; Mrs. William Matlack and Mrs. Edwin A. Russell, of Moorestown; and Misses Sidonie Schafer and Harriet Bowe, of the county Y.W.C.A. office.

The Senior Council of Burlington County Girl Reserves has elected officers for the 1932-33 year. Phyllis Kemble, of Delanco, was reelected president; Catherine McNulty, of Palmyra, was elected vice president; Mildred Goodwin, of Palmyra, secretary; and Marguerite Lucas, of Florence, treasurer.

The council met Saturday, May 21, in Delanco at the home of Mrs. Lloyd Cross. Delegates from Bordentown, Columbus, Delanco, Florence and Palmyra were present.

Stop Street Signs Are Without Legal Status

Stop streets were left without legal status on April 27 when the law removing them went into effect. The only organization which made application to the State Traffic Commission under the terms of the new law for the designation of certain "through" streets was the New Jersey Highway Commission, and their applications have been granted.

This leaves thousands of yellow and black signs without a legal status, but the Public Safety Committee of the Motor Club of New Jersey warns against the abandonment of caution at intersections which was only in a slight measure imposed by the presence of stop signs with a standing in law.

COUNTY WCTU AT SPRING INSTITUTE

Sussex President, Mrs. Nina G. Frantz Give Main Addresses

Spring Institute of the Burlington County Women's Christian Temperance Union was held last Thursday at the Lumberton Methodist Episcopal Church. All-day sessions were held, with box lunch at noon.

The program included talks on the various phases of the work by the directors of the several departments. An address by Miss Strubbe, president of the Sussex County Union, was a feature of the afternoon session, together with an address by Mrs. Nina G. Frantz, state president, who stated that since 1917 the dry members had been increased by 5 in the Senate and by 26 in the House.

The committee on resolutions presented the following:

WHEREAS: The Anti-Prohibition forces, after years of agitation, have not been able to present a better plan than prohibition, and

WHEREAS: They now present "home rule" which means a return to the old conditions of state option, THEREFORE, be it resolved that we request the delegates from our state to the national party convention to give their vote for enforcement rather than repeal.

The resignation of Mrs. Marian C. Given as county president was presented and accepted with regret. Mrs. Given is removing to another part of the state and will be active in the work in Sussex county.

The special music included a solo by H. Prescott Herr, of Moorestown.

FUNDS FOR RELIEF SOON EXHAUSTED

State Has Made No Plans for
Help After First of
June

A special auditing committee appointed by Mayor Lamson and composed of Councilmen John Ward, Charles K. Mervine and Floyd W. Spahr gave a complete report of local relief work to the Palmyra Borough Council at a special session of that body held Tuesday evening.

The records were found to be complete in detail and the following financial report was presented:

Program for relief, November 1 to June 1:
Funds Anticipated, \$8800
Unemployment
Borough's Share \$ 3,500
State's Share 3,500
Dependency
Borough's Share 1,220
State's Share 680

Receipts:
Borough Appropriation,
1931 \$1,131.05
Borough Appropriation,
1932 800.00
Emergency Notes, 1932 820.00
Local Contributions 2,542.09
Total \$5,293.14
State, Unemployment \$3,500.00
Balance Due 802.50
State, Dependency 584.21
Balance Due 264.21

Total from State to date \$2,596.25
Grand Total Receipts \$7,889.39
Disbursements:
Unemployment Relief \$6,157.50
Dependency Relief 1,680.53

Balance on Hand 71.36

The report shows total expenditures to date of \$7,889.39, approximately fifty per cent. of which was paid by the state under the existing state unemployment plan. One-third was contributed by the citizens of Palmyra through personal donations and revenue received by various organizations from card parties, entertainments and collections.

The remainder was appropriated by the borough council issuing emergency notes payable in four years, or in other words, 25 per cent. of the amount of these notes must be included in the borough budget for the next four years.

Work Accomplished

To give some idea of the results obtained by the Welfare Committee, with the assistance of volunteer workers, the following are extracts and facts from the records.

Seventy families have been cared for in the period from November 1, 1931, to the present time. The following have been distributed: 3,200 school lunches, 1,200 quarts of milk, 400 loads of wood, 10 tons of coal (in 1/4 ton lots), groceries for twenty-two needy families, shoes, clothing and medicine have been given wherever required, as well as the services of the visiting and school nurses on many occasions.

The state unemployment plan is scheduled to be completed on June 1, and as the legislature has brought forward no other plan, the borough is faced with a very knotty problem.

No Improvement

Unemployment in the town has not decreased. There is as much demand for help as during the winter months. Funds are depleted, yet those who are absolutely needy must be helped.

The above report shows what has been accomplished. This work must continue as long as possible, until the state brings out legislation for further assistance to the municipalities.

The Palmyra Borough Council and the Welfare Committee present this report so that the people of the town may see where and how the money has been spent and also to show that this emergency is far from finished. Help must be procured so that the babies and children of Palmyra may not go hungry.

Donations are still required to assist the committee. There is no doubt but that the relief which has been given by the welfare during the winter must be stopped, as soon as the funds are exhausted, which will be in the very near future.

It is not only the welfare committee, or the borough council, that are responsible, but the individual citizen, as well.

TRI-HY NOTES

The Tri-Hy girls had their regular meeting Thursday evening in the Epworth M. E. Church, Palmyra.

Florence Harding, a member of the group, read the scripture and the girls joined in the singing of songs.

Harold Schaeffer, a graduate of Bucknell University, gave the girls a most interesting talk on "College Life".

Miss Ermyrn Jewell, a graduate of Washington College, gave a most vivid picture of a girl's life in college. Miss Ida Harmon, a graduate of Trenton Normal School, who later attended the University of Pennsylvania, told the girls the many opportunities afforded by having a normal school in one's own state.

The girls voted this the best program of the year, because it was of such a different nature than the others.

Saturday Miss Ermyrn Jewell, Mildred Goodwin and Dorothy Goodwin attended the senior council meeting in Mount Holly.

Tonight will be "Music Night". The committee in charge of arrangements is composed of the following: Mildred Mickle, chairman; Florence Harding, Mildred Durgin, and Miss Ermyrn Jewell.

To lessen production, diamond prospecting on private as well as government lands has been forbidden for a year.

THE MEN WHO COMPOSE THE PALMYRA- RIVERTON ROTARY

George Rogers, sergeant-at-arms, real estate and notary. The one who cures life's many ills. Our congenial friend and Doctor Charles Mills. Then we have another doctor, LeFavor, we call him Dean. One of the finest men you have ever seen. Dick Barclay and Clem Lewis watch the trees. And gather honey from the bees. Ross Mattis keeps watch over all the mail. And Joe Low, our lawyer, keeps men out of jail. Luke Eberly carefully dispenses our drugs. Gene Hargett keeps water free from germs and bugs. Frank Cole serves the neighborhood with cream and milk. While Charlie Geelen builds machines to wash cotton and silk. Cal Dengler and Newie Cooper preside at the school. And then teach and practice the good golden rule. Joe Evans sells lumber and loves every boy. To make boys happy brings him great joy. Earl Williams is president of our local bank. Howard Conover receives money from every station and rank. Perc Hulser, our dentist, relieves us of pain. Ed Jessup farms his garden in sunshine or rain. J. D. Eisele and his friend J. C. Clark. Have surely reached a very high mark. They bring lilies and roses and tulips to bloom. And thus scatter sunshine and chase away gloom. El Thum at his foundry gives them his best. And his products have stood any kind of a test. Joe Seel, our printer, an enterprising young man. The hope of the maidens from Beersheba to Dan. Stan Stewart plans buildings stately and tall. If your auto gives trouble on Clint Woolston call. Bishop Lockett, our chaplain pronounces the grace. He leads us in singing and keeps us in place. Jim Weart is the manager of many estates. He keeps straight all their records and arranges their dates. Harry Williams sells coal that burns very fine. When he is late at our meeting he pays us a dime. So onward through life till its fleeting days are over. Then we will call on our friend Frank Snover.

MRS. ELIAS TOY GIVES REPORT

President of Palmyra P. T. A.
Writes Resume of
Activities

The following is a report written and read by Mrs. Elias Toy, president, at the May meeting of the Palmyra Parent-Teacher Association:

Annual Report

"The latter part of last May we sponsored an exhibit of samples done by the school students. This display from the art, manual training and domestic science departments showed remarkable talent and attracted a large number of parents and friends of the school and the school children.

"The summer round-up of 1931 was successfully carried out by the chairman, Mrs. McCamy. Forty pre-school children were examined. Twenty received the 'Schick Test', and eighty-one were given toxin-anti-toxin, thus completing this work and earning a certificate.

Flowers were placed in all classrooms for the opening day of school. Contribution to the Student Loan Fund was sent early in the year.

One or two executive meetings were held each month, and from eight to ten members and officers were present at every county council and district meeting during this year.

The annual Christmas party for about one thousand children. Toys were collected through the school and turned over to the Legion for needy children.

Proceeds from the Society Circus given on November 21, 1931, netting \$116.00, and the supper in February 6, 1932, netting \$125.00, were used entirely for school welfare purposes such as milk, eye glasses, gross of tooth brushes, specialist and \$105.00 toward school lunches. On this amount 40 per cent. more was added by the state, making a total of \$300.

At the end of last year, prizes were given to school children for scholarship.

A tree was planted and dedicated in connection with the George Washington Bi-Centennial.

The president was sent to State Convention in Atlantic City on November 4, 5 and 6.

Food and clothing which was appealed for has been used for borough welfare.

"Think not a leader can alone achieve. She needs the help of others who believe. The cause is just. No worthy fight is won. Without the rank and file to see it done. Great tasks demand that back of her who leads. Stand many resisters eager with their deeds. Women pledged to service in a work well planned. Alert to follow him who gives command. 'Forget not,' it was said by our dear Lord. 'The faithful, great and small have like reward.' The spirit calls, he urges all to share in saving youth and childhood everywhere. It matters not where praises are bestowed. It matters much that other share the load. Women who gladly give their strength and hours. Who sacrifice themselves and all their powers."

ANNA M. TOY, President.

Snake Sinks Fangs
IN WOMAN'S INSTEP

The first snake-bite victim of the season was treated Wednesday of last week at the Burlington County Hospital, Mount Holly. Mrs. Edith Haines, of Vincentown, owner of cranberry bogs, was inspecting plantations when she felt a sharp sting on her right instep. She discovered that a snake had attacked her, sinking its fangs deep in the flesh and retaining its hold. Mrs. Haines bent over the reptile and workmen took her to the hospital.

CAMP REUNION HELD AT YMCA

Wilmer Robbins Tells of Many
Improvements at Camp
Ockanickon

Over sixty boys and their parents gathered at the local Y.M.C.A. for the first Annual Camp Reunion and Pow Wow Tuesday evening. While the folk were arriving Clarence Hubbs, Jr., entertained the group with piano selections. "Hubbs" with his snappy tunes, surely won the favor of his audience.

Wilmer Robbins, director of the Junior Area of Camp Ockanickon, was the first speaker. "Buck" told the group of the many new plans and changes that have already been made in the camp program for 1932. Important among them were: Camp will run on standard time in order to let younger boys get to bed earlier. Senior Camp will move across the lake and have the Monmouth County Cabin as its headquarters. All listened when "Buck" told of the new chefs and stewards, especially when he referred to the fresh vegetable menu that will be used. Following his remarks an opportunity was offered to ask questions.

As an interlude in the program, Clarence Hubbs with his "push piano" surely made it talk as he ran through popular marches and jazz.

Clifford Egwood, who will this year direct the Senior Area, explained the various slides that were shown depicting the life at the old Camp and what wonderful advantages there are now at Camp Ockanickon.

All the boys were eager to learn the winners of the three-letter word contest. The final count revealed that Jack Yost and Robert Gowell, of Riverton; Robert Shatsnyder, Albert Snyder, Peter De Marco, and Thomas Braddock, of Palmyra, were the winners. A tie in the number of words made it necessary to award six weeks at Camp instead of five. These boys will spend Saturday and Sunday at the Week End Camp, which is a unique feature of the Ockanickon program.

"Chief" Ockanickon of the Tribe appeared and told the boys what the Spirit of Ockanickon really means. Of how many friends that have stayed together these 25 years since Camp Ockanickon was first organized, then on the Delaware River. Boys that go to Camp will see the Chief at the Council Ring in a little different way during the Council Ring ceremony.

The evening's program ended with the members of the Women's Auxiliary serving refreshments that seemed to "hit the spot," as the boys were anxious to secure the "seconds" that were afforded.

The "Y" Building was decorated with banners of the groups and numerous show card exhibits of pictures showing the various activities at Camp. There was a table showing silver bracelets, sail boats, flower box, pocket-book key case, bows and arrows, electric light made in the iron work department and other displays of the craft and activities program.

These samples along with other exhibits will appear in a local store window in the near future where other folk may view them.

Camp Ockanickon is open to any boy over 9 years of age whether he is a "Y" member or not. This year for the first time there will be a Colored Boys' Camp for a two-week period. This Camp will be directed by the Secretaries of the Princeton and Trenton Colored Community Branches.

Boys that desire folders telling of the Camp may get them at the "Y" or a call will bring the Secretary of the "Y" to see you to answer any questions.

The Ladies' Auxiliary and the men of the "Y" and the boys that helped to make Tuesday evening such a success are surely to be thanked for their good work in affording more folk an opportunity to know about Ockanickon.

ELOCUTIONIST

MISS ADALINE EDSON of Philadelphia, who has a class of most promising pupils in Palmyra, will present a recital in the Temple of the Epworth M. E. Church Saturday evening, June 11. A silver offering will be taken and turned over to the church. The general public is invited to be present.

Mrs. Mary C. Cline

Mrs. Mary C. Cline, wife of Isaac Cline, died at her home on Linden street, Moorestown, on Tuesday morning, suffering a heart attack. She was nearly 61 years old, her birthday being Friday.

Funeral services will be held on Friday afternoon at 2 o'clock, from her late residence, with the Rev. C. W. Mangrove, pastor of Moorestown Baptist church, officiating.

Eastern Star and Daughters of Rebekah Lodge will hold services on Thursday evening.

Mrs. Cline was the daughter of the late Franklin K. and Hannah B. Dudley. She had lived in Moorestown nearly all her life. She is survived by her husband, two sisters, Mrs. Frank Cain, of Mount Holly, and Mrs. Harvey Vennell, of Moorestown, and one brother, Joseph Dudley, of Moorestown.

CIVICS CLUB TO PRESENT PLAY

Annual Production Will be
Staged Friday Evening,
June 3rd

Friday evening, June 3, in the high school auditorium, the Franklin Civics Club, eighth grade pupils of Palmyra, will present "Miss Molly's Girl".

This is a three-act comedy. The plot centers around two sisters, Miss Molly, who is fond of children and Miss Rachel, who does not care about children. Deacon Blair, who is interested in fresh air children, persuades Miss Molly to take a child without the consent of Miss Rachel. She prays he will send them a girl, but a boy arrives.

Fearing Miss Rachel will not permit him to stay she converts the boy, Narcissus, into a girl. For six weeks Narcissus masquerades as a girl, when his true identity is discovered after a visit by Deacon Blair.

Don't miss seeing the amusing complications which arise. Imagine Harry Bauer masquerading as a girl.

Between the acts musical selections will be rendered by boys and girls of the eighth grade. Before and after the play the grammar school orchestra will render selections.

NOT A LOCAL ISSUE

The Primary last week demonstrated several significant facts.

One is that there is still a heavy "dry" vote in Burlington county. The surprising total polled by Horner, the out-and-out dry candidate for Congress proved this.

But there is also an even heavier "wet" vote, as indicated by the 5,000 ballots counted for Zeller, the wet candidate for sheriff.

But neither wets nor dries seem to have sufficient strength to guarantee the election of their candidate.

The situation makes it very difficult for a candidate who wants to be honest. If he is openly dry, the wets will beat him. If he is openly wet, the dries are likely to put him on the political boggy. If he straddles, both

groups will be lukewarm toward him and some other candidate is likely to run away with the prize.

Prohibition should be left out of county politics. No county official can do anything about the 18th Amendment or the Hobart Act. County candidates should be free to base their campaigns on their personal fitness for the office, proven by their past services. As long as prohibition is allowed to complicate local politics, it will be extremely difficult to promote constructive administration of county affairs by the election of competent men on their merits.

A GOOD PUBLIC SERVANT

The splendid victory scored by Freeholder William H. Heisler was one of the brightest spots of the primary.

A few weeks before election, Heisler's best friends and the candidate himself were gloomy about his prospects. Although a man of great ability, Mr. Heisler is of too quiet and retiring a nature to be considered a good campaigner and the political experts were afraid he would not appeal to the popular vote despite his fine record of achievement.

The campaigns of rival candidates were well under way before the Freeholder "got going". His appeal to the voters was of the highest type. He told them, not what he promised to do if reelected, but what he actually had done during his two terms in office.

It is to the everlasting credit of the voters of Burlington county that they were quick to recognize that in Freeholder Heisler they had an official of unusual value to the whole county and the splendid majority he rolled up showed that after all the public is willing to reward a good public servant.

ALUMNI DANCE
SATURDAY NIGHT

Burlington and Palmyra Graduates to Stage Event at Country Club

Plans have been completed for another of those enjoyable nights, when the graduates of Palmyra and Burlington High Schools will get together to dance.

This is the third annual event of its kind to be sponsored by the Alumni Associations of both schools and is expected to surpass any yet given.

The affair will be held at the Riverton Country Club Saturday evening. Dancing will be continuous throughout the evening with only brief intermissions.

To further add to the evening's enjoyment the dining room of the club will be open for those who care to buy beverages or sandwiches.

A great added attraction should prove a great asset to the guests for those who care to eat during intermission.

Boys' Beagle's Vagabonds will furnish the syncopation and it is hoped that all lovers of dancing will make an effort to be present.

BOY SCOUTS HOLD
REUNION AT CAMP

Alfred Branson, of Palmyra, Receives President's Award as Best Camper

The annual camp reunion of the Burlington County Council of Boy Scouts was held at the Camden County Camp on the Hancocks Creek near Bridgeboro last Friday evening. More than 300 persons attended.

The affair started at 8:30 when the Eagle scouts of the county lighted the campfire. After songs led by Scout Executive M. A. Shaw and Alfred Deyo, of Moorestown, E. A. Mechling gave a talk on the 1922 camp season. Mechling, who lives in Moorestown, is chairman of the camp committee of the county council.

Two awards were presented, one to the best camper and the other to the runnerup. The presentations were made by Frank McIlvane, of New Lisbon. The awards are known as the president's awards and are given by the president of the council. Each boy will also get a week's free board at camp this year besides the medals.

The winners were Alfred Branson, of Troop 1, Palmyra, and Winfield Erhardt, Troop 5, Beverly. Erhardt was named as the best camper and his award was received for him by his scoutmaster, Kirkland Marter.

The speaker of the evening was W. David Owl, who is a Cherokee Indian from the reservation near Buffalo. He is well known in scouting circles as a member of the national inter-racial committee, and an active worker among the Indian Scouts in and around Buffalo, N. Y. His talk consisted of old Indian legends. He illustrated some of the Indian dances.

After a talk in camp by the Scout Executive, refreshments were served.

REUNION PLANNED
BY NEW JERSEY VETS

In all of the nearly 700 cities, towns and villages, two or three New Jersey and New York 78th Division veterans will celebrate Memorial Day, not only to honor departed comrades, but as the anniversary of the Light Division's arrival in France.

In letters now being mailed to all 78th veterans whose addresses are available, announcing a 78th division reunion at Camp Dix, N. J., August 5, 6 and 7, at which Verdun medals will be awarded. John Kennedy, secretary of the 78th Division, Veterans Association, 208 West 19th street, New York, is one of the members of this group.

They reached France on the memorable May 30, 1918, our relatives and lifelong neighbors eagerly and proudly scanned the papers for news of our doings. Our comrades letters filtering back home became subjects of community gatherings and conversations and when some of our names appeared in casualty lists whole towns turned out to do us conspicuous honor.

We had our place in the sun then, honored by our neighbors and friends, because we were unselfishly giving great patriotic service to our country.

"Today those same intimate associates are watching us just as closely. The prestige that our former service gave us is ours to use, if we will, in the common good. With years we have attained the responsibility of mature citizenship and influence in our localities. Another great crisis again endangers the general welfare. May our patriotic deeds of wise maturity be equal to those of impetuous youth."

MRS. ROLAND DUNN
ENTERTAINS WOMEN

Mrs. W. Roland Dunn, president of the Woman's Club of Palmyra, entertained a group of women of this organization at a covered dish luncheon at the Salem Country Club, Salem, Tuesday afternoon.

The ladies spent a most delightful afternoon at the lovely clubhouse on the country club grounds.

Those present were: Mrs. William Miller, Mrs. Herbert E. Trout, Mrs. Alfred VanOrsen, Mrs. William A. McCamy, Mrs. Raymond Houchins, Mrs. John McCully, Mrs. William T. J. Funnell, Mrs. Frank A. Snover, Mrs. Everett Walcott, Mrs. Milton Jewett.

Mrs. James Ryan, Mrs. Elias Toy, Mrs. Harry Kenny, Mrs. Edwin A. Oriscom, Mrs. William Branson, Mrs. George Corns, Mrs. J. C. Mallory, Mrs. Frederick Blackburn, Mrs. Edwin L. Powell, Mrs. George M. Rival, Mrs. Edwin B. Day.

Mrs. Harry A. Kennedy, Mrs. R. Stanley Green, Mrs. John A. Stuckey, Mrs. H. B. Williams, Mrs. Frederick L. Spill and Mrs. W. Roland Dunn.

MRS. ROSS IS HONORED
GUEST AT LUNCHEON

Mrs. Horace Ross, of Washington avenue, Palmyra, former Girl Scout captain, was the guest of honor at a covered dish luncheon held in the Epworth M. E. Church yesterday afternoon.

The luncheon was tendered the former troop captain by the mothers of girl scouts in this vicinity. Mrs. Ross along with her husband and children will leave the latter part of next week to make her home in Boston, Mass.

She has been a resident of Palmyra for several years, during which time she has done more for Girl Scouts and Scouting than any other person and it is with a feeling of deep regret that the scouts and their mothers see her leave to make her home elsewhere.

Mrs. Ross was presented with a Friendship Pin by the mothers of the girls as a small token of appreciation for the wonderful work done by her for the girls of the community.

A very pleasant afternoon was spent and the mothers all wished Mrs. Ross much success in her new home.

GIRL SCOUTS HOLD
COURT OF AWARDS

Regret Loss of Mrs. Horace Ross as Troop Captain

The Court of Awards held by the Girl Scouts of Palmyra in the Epworth M. E. Church Monday evening, May 16, proved very successful.

Miss Helen S. Oppenlander, a representative of the National Headquarters of the Scout Organization, from New York, was the guest of the scouts at that time. She gave a splendid talk on the work of Girl Scouts and told about troops in thirty-two other countries.

She said that international girl scouts was and is a means to greater peace and understanding among the nations.

The troop committee, consisting of Mrs. C. Wesley Hassel, Mrs. C. B. Ballard, and Mrs. Melvin Cromwell, joined the ranks of the Girl Scouts at the service on Monday and became tenderfoot members.

Mrs. Walter Hansen received her pin and also became a tenderfoot. Mrs. Hansen has been appointed the new captain of the Girl Scout troop owing to the fact that Mrs. Horace Ross, former captain, will move to Boston, Mass., in the near future.

Mrs. Ross has done much for the Girl Scouts in this section and it is with a great deal of regret that the girls see her leave to make her home in a distant city. Miss Ruth Brown, a member of the troop, presented Mrs. Ross with a lovely basket of snapdragons and roses in behalf of the scouts as a small token of appreciation for the splendid work and untiring efforts which Mrs. Ross has put into "Scouting in Palmyra".

Tuesday morning of last week Miss Oppenlander gave another splendid talk in both Riverton and Cinnaminson, in which she explained the uses of a "Community Committee".

104 FIRES IN APRIL

William J. Smith, of Bridgeboro, county fire marshal, has reported 104 fires in Burlington county for April, four of which proved to be false. The loss on buildings burned is shown as \$15,600 and on contents, \$2,425, with insurance on buildings and contents amounting to \$7,500.

MEN'S CLUB TO
MEET THURSDAY

Will Hear Speaker From New Jersey Department of Aviation

The regular meeting of the Palmyra-Riverton Men's Club will be held Thursday of next week.

The speaker of the evening will be from the Department of Aviation of the State of New Jersey. G. H. Robb Wilson, State Director of Aviation, will address the men, and if he is unable to attend, Major Cropsky, head of the National Guard of New Jersey, and a member of the Department, will be the guest speaker.

Mr. Wilson states that "50 slides showing the activities in the field of aviation will be shown that evening." Special attention is being called to this meeting and every man in Palmyra and Riverton is invited.

Mr. Wilson, previous to accepting the appointment as Director of Aviation, was the popular pastor of the Fourth Presbyterian Church, located at East State and Clinton avenue, Trenton.

A former war ace and interesting speaker assures the men of the community a real treat on the evening of June 2.

FURNELL - GRAYSON

Mr. and Mrs. Sylvester W. Furnell are now on a wedding trip through New York State and Canada, following their marriage in Burlington last week by the Rev. William P. Young. The bride is the former Miss Bessie Grayson, daughter of Mr. and Mrs. Thomas Grayson, of Florence. The bridegroom is the son of Mr. and Mrs. Sewell Furnell, of this city.

RIVERTON CLUB
WINS AND LOSES

Defeats Mount Holly Saturday; Loses to Riverside on Sunday

On Saturday, May 21st, Riverton defeated Mount Holly at Mount Holly by the score of 2-1.

The game was featured by the brilliant pitching of Clay Weikman, the 120-pound ice man from Palmyra.

Clay had them eating out of his hands and was great in the pinches. Riverton scored their two runs in the first frame, when Bill Baker led off with a single, Terrell got on when Tracey muffed his hard groundout. Chic Foulke laid down a bunt to advance them and Jack Easley came through with a hit to score two for Riverton.

That finished the scoring until the eighth, when Terrell erred, King doubled and a long fly to left brought in Andrews.

Both teams threatened to score but the pitching of Tracy and Weikman was greater in the pinches and they kept the scoring station clean.

Baker and Easley featured in hitting for Riverton, while King and Tracey starred for Mount Holly.

Riverside Wins Sunday

Riverside came into its own Sunday when Paul Schele was "on"; so much a matter of fact he was "on" so much that he held the hard-hitting home boys, who have an average of 12 hits a game, down to 5 hits and no runs, where they have an average of 7 runs per game, prior to meeting Paul, who has saved up for Riverton all winter. Riverside scored two runs in the fourth inning on three straight hits, and one more in the eighth on three more hits.

Leon Coles pitched great in the pinches but wasn't quite as effective as Schele.

Jack Easley and Chic Foulke played the main role in Riverton's defense, Easley having five put-outs and two assists from center field.

Freynick led the sticklers with 4 out of 4.

Riverton will play at home Saturday afternoon and Sunday afternoon, meeting Medford, the league leaders, on Saturday, and Florence, last year's kings, on Monday. Both games will start at 2:15 sharp.

Zbyszko Draws Frisby As Foeman at
Pensauken Open Air Wrestling Show
Monday Night; Malcewicz on Card

Ray Frisby, Medford, Ore., wrestler who has been matched to meet Karl Zbyszko, sensational Polish grappler, in the semi-final of next Monday night's show to be held at Promoter Charley Cripe's open air arena at the Crescent Circle, opposite the Central Airport, Pensauken, has all the confidence in the world that he can "take" all and sundry in heavyweight ranks.

However, he is likely to meet with a bitter disappointment in matching holds with Zbyszko, whose appearance here two weeks ago still is a subject of discussion among mat devotees. Making his debut against Nick Lute, of St. Louis, who now is one of the world's foremost grapplers, Zbyszko created a sensation by holding his more experienced opponent to a draw in a 45-minute skirmish.

Frisby, however, believes that he can pin Zbyszko. On past performance,

the youthful Oregon heavyweight must be conceded a good chance of beating his Polish foeman. Ray has engaged in three bouts and won each decisively, his latest victory having been scored over Sergeant Roy Haldeman, last Monday night.

A return match between Joe Malcewicz, Ulica, N. Y., Panther, and Alex Eustace, elongated, Kansas, is scheduled as the feature skirmish. They wrestled to a 45-minute draw here several weeks ago, but will clash in a 90-minute combat, two out of three falls to win, in next Monday's main go.

Leo Numa, Seattle, Wash., heavyweight, and Len Malcewicz, former Colgate University football gem, come together in the second bout of 30 minutes. The opening match has not as yet been arranged.

Prices have been reduced for the summer season to 85c, \$1.25 and \$1.75.

Triangles Being Used As Door-mats by Rest of Teams

Parry did big business at the scoring station last Friday night against the Triangles and the final figures showed the Triangles buried under an 11 to 0 score. Broderick was in a mauling mood and collected no less than three double and a single for a perfect evening at bat. Ernie Schuck pitched for Parry and mowed the Triangles down with clocklike precision and his smooth performance allowed him to tabulate his first win of the season.

R. H. E.
Parry 2 0 2 0 5 2-11 10 1
Triangles 0 0 0 0 0 0-0 3 4

On Monday night the Ramblers started on the Triangles where Parry left off, and gathered fifteen runs hits for a grand total of thirteen runs, while the Triangles continued to pile up horse collars. Earl Harder almost made league history when he pitched a perfect game up until the last inning, but fate was against him and the second batter in that inning looped a puny little hit over the infield and thus spoiled what would have been the first perfect game in the history of the league. Harder was also a star at bat, sharing honors with Ed Bennett and they both had three hits.

The new edition of Rogers News was on display Tuesday night and the K. of C. was forced to bow, after seven interesting innings, by the score of 6 to 4. The game developed into a southpaw duel between Orcutt and Reynolds and Orcutt came out the winner because his support was almost perfect, while Reynolds' support faltered when it was needed the most, and his own wildness also proved a factor in the loss. The fielding and hitting of Hardy and the up-and-down attitude of both clubs made the game well worth watching.

A good many politicians are now engaged in an intensive study of the perplexing problem of how a man may carry water on one shoulder and beer on the other.

Al Smith says he will run again if nominated. Well, he got sixteen million votes in 1928 and probably figures it that 16,000,000 Democrats can't be wrong.

CHRISTIAN SCIENCE

"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, De-nounced," will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, May 29, 1932.
The Golden Text is: "Do they not err that devise evil? but mercy and truth shall be to them that devise good" (Proverbs 14:22).
Among the citations which comprise the lesson-sermon is the following from the Bible: "Blessed is he that considereth the poor: the Lord will deliver him in time of trouble. The Lord will preserve him, and keep him alive; and he shall be blessed upon the earth; and thou wilt not deliver him unto the power of his enemies" (Psalms 41:1-2).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Will-power is but a product of belief, and this belief commands deprecations on harmony. Human will is an animal propensity, not a faculty of Soul. Hence it cannot govern man aright. Christian Science reveals Truth and Love as the motive-powers of man" (p. 490).

Officer John Robinson has been nominated for the position of sergeant-at-arms, and Officer William Gootie as financial secretary of the Patrolmen's Benevolent Association, which will hold their election in Moose Hall, Riverside, June 15.

Among those from Riverton who attended the wedding of Miss Katharine Shankland, daughter of Mr. and Mrs. Ralph M. Shankland, of New York, and Walter Keen Woolman, Jr., son of Mr. and Mrs. Walter K. Woolman, in New York last Friday were: Mr. and Mrs. Walter K. Woolman, Miss E. Woolman, Miss Breta Hendrickson, Mr. and Mrs. Murray C. Boyer, Mrs. C. S. Somerville, Miss Helen A. Woolman, Mr. and Mrs. H. Melvin Biddle and Mr. and Mrs. W. W. Smith. The reception following the ceremony was held in the Italian Garden of The Ambassador Hotel.

Miss Mary Elizabeth Coward, of 400 Lippincott avenue, is graduating tonight (Thursday) from the Philadelphia Musical Academy at the commencement exercises being held in Witherspoon Hall, Walnut and Juniper streets. Miss Coward, who has been on the faculty staff since March, will render two vocal solos at the exercises.

Miss Helen Woolman is enjoying the week in Berk Hill Falls.

The Semper Fidelis Bible Class of Calvary Presbyterian Church enjoyed their first outing of the season last Saturday. With their families, the members of the class motored to the Willingboro School woods. Games were played including baseball, quilts, after which a picnic supper was thoroughly enjoyed by everyone, and it was unanimously agreed that the season's activities had an auspicious opening.

Last January the Mickle School Music Club of Camden, under the direction of Miss Marian Macfarlane, gave Gilbert and Sullivan's operetta "The Mikado" in the Church School Auditorium of Calvary Presbyterian Church. This performance was so much enjoyed that the Club has arranged to return and will present "Patience" by the same composers, on Thursday, June 6, at 8:15 p. m. Tickets are 15 cents for adults and 10 cents for children twelve and under.

Dr. James E. Brown was at Carbondale, Pa., from Friday until Sunday on a fishing trip.

Mrs. Edward W. G. Borer entertained at luncheon and bridge Tuesday.

Mr. and Mrs. James Bone, of Pittston, spent the weekend at the home of Mr. and Mrs. Eli W. Brown.

Mr. and Mrs. Arthur Johansen, of Brooklyn, were weekend guests at the home of her parents, Mr. and Mrs. Harvey E. Stewart.

Mrs. Ida B. Bonnell entertained the N N N Club Wednesday evening.

Mrs. James J. Karins, of Montclair, is recovering from an appendicitis operation last week. Mrs. Karins was a former resident of Riverton.

Miss Gertrude Burr, a student at Glassboro Normal School, and Miss Kathryn Burr, student-technician at the Burlington County Hospital, Mount Holly, spent the weekend at their home in Riverton.

Mr. and Mrs. Paul J. Burr, of Pennington, spent Thursday with Mr. and Mrs. Melvin Burr.

Mrs. William Hoffman, Miss Edith Smith, of Riverton, and Mrs. Jennings, of Bridgeboro street, Riverside, spent Tuesday and Wednesday in Green Creek as the guests of Mr. and Mrs. George Sorber.

Mrs. Joseph Schanfield, of Flint, Michigan, was the guest of Mrs. Otto Sauers last Thursday.

Mrs. F. N. Barksdale, of Atlantic City, formerly of Riverton, took lunch with her brother, L. A. Planagan, on Tuesday.

Mr. and Mrs. Clarence Bell, Sr. were visitors in Pleasantville, Sunday. Mr. and Mrs. William Phillips, of Mount Holly, were Sunday visitors of her brother, Edwin Evans.

STORE CLERKS' HALF HOLIDAY STARTS ON WEDNESDAY, JUNE 8

The following Palmyra stores will be closed for a half holiday on Wednesday of each week starting June 8:

The Philadelphia Market House, Coombs & Bush, Whitmer's Quality Market, Williams & Evans, The Paris Meat Market and Betts Delicatessen Store.

These stores will be closed all day Memorial Day and due to that fact will remain open on Wednesday, June 1.

On the clerk's half holiday, starting June 8, all persons are urged to shop early and thus help the business man to enjoy his half holiday during the summer months.

ROTARY NOTES

After the usual run of business of the Palmyra-Riverton Rotary Club, and a report of the Rotary convention, attended by Bishop Lockett, the speaker of the evening, Alfred Bauer, of the Foreign Department of the Philadelphia National Bank, was introduced.

Mr. Bauer's topic for the evening dealt with present day conditions.

"When Great Britain abandoned her gold standard," Mr. Bauer said, "it caused the financial world to wonder just what it would mean."

Since then practically all nations have abandoned the gold standard with the exception of the United States and France.

"Great Britain's trading power as well as her employment situation has improved from this step, but it remains to be seen whether this improvement will be permanent."

"At the International Conference of Bankers last Fall, the point was brought out that Germany has done her utmost to clear herself of debts and that it was necessary for the governments to take some action on reparation and international debts."

The meeting of the European Premiers last winter was not able to help this situation at all.

"The cessation of short term credits boded ill for Germany. Hoover's moratorium took care of this condition temporarily and the 1932 German agreement was made public, which was a similar plan, with the exception that Germany agreed to make partial payments, this however did not seem satisfactory to all concerned."

"If Germany stays on the gold standard and the countries who are her creditors abandon the gold standard it will then be much easier for Germany to meet her obligations."

"Recently a conference of Danube States was called to try to settle the financial problem within their own territory. Austria and Hungary are on the verge of bankruptcy, and it was thought that this conference would help to straighten matters out, by means of a tariff agreement, but political factions worked their way in and made this conference a failure."

"It seems curious," Mr. Bauer said, "to know that Japan in spite of her terrible financial standing which resulted in her going off the gold standard, could afford to engage in a conflict with China at a tremendous expense."

"There is an important world conference on Disarmament on June 13, 1932, at which time there is no doubt but present day conditions will be discussed."

"To stabilize raw commodity prices will start the wheels of recovery moving but we will not have stabilized commodity prices until there is an element of confidence in the people's mind."

"Owing to the high standards of living which the Americans cling to, we have felt the cut in material things much more than those who live in the European countries, but who are in a worse condition than we. The European has once more gained an optimistic outlook on life and their mental attitude towards things is much brighter than we who live here in America."

Mr. Bauer said, "that it was high time the people began to think of what kind of people they were sending to Washington to represent the people at home. They should select representatives of high character, a man who is not afraid to stand up for what he believes is right."

"Another false idea that is going around," said Mr. Bauer, "is that the repeal of the Eighteenth Amendment will bring back prosperity. As an example of the fallacy of this statement he pointed to the countries who do not have prohibition and their condition is as bad if not worse than ours."

"Much credit should go to the Financial Reconstruction Corporation, which has aided considerably the small banks."

"The cause of the depression is much deeper than the crash of Wall Street or the collapse of the Florida land boom."

"Our past prosperity has been artificial," Mr. Bauer said, "instead of things being bought and paid for they were bought and tried to be paid for on the installment plan after prices had dropped. Credit is all right, but not to the large extent that it is being used at present."

"An English economist made a startling statement recently when he said that the reason for the depression was the existence of one gigantic mis-understanding, that Germany was totally responsible for the war of 1918."

Mr. Bauer said "that Al Smith's plan was a good one. That all nations be allowed a 25 year moratorium and those foreign countries who buy from us should be given a 25 per cent. discount on their purchases and this 25 per cent. to apply on their debt to the United States."

Several magicians have been forced to quit business, the depression evidently having caught them with nothing up their sleeves.

The Second Paragraph

In the Creed of the Golden Rule funeral directors is this: "We believe in the ethical standards which have been evolved in the profession, and we try to conduct ourselves and our business accordingly."

The professional man who steps outside the pale of good ethical procedure is worthy of no man's confidence. We adhere strictly to the ethics of the mortuary profession, both in word and in spirit.
