STOUT DEFENDS COUNTY BUDGET

Tells Rotarians Why Suggested Cuts Are Not Practical. Cites Savings

Charles R. Stout, member of the Burlington County Board of Freeholders, spoke before the Rotary Club of Moorestown last Thursday noon in defense of the 1934 county budget upon the invitation of the club's vice president, Dr. Howard A. Lippincott. The Rotary Club the week before heard the newly-elected Freeholder Palmer L. Adams advance reasons why the county budget could be pared by \$165,000.00 if re-opened and his suggestions and recommendations followed.

Mr. Stout's reply to Adams' charges were in the nature of a review of the past policy of the various departments of county government, with enlightening figures to justify the present budget.

Construction Costs

Mr. Stout explained that new construction of concrete highways cost from \$50,000.00 to \$75,000.00 per mile, and if Burlington county had built many roads of this type the county would have been heavily bonded at this time. However, the county highway department adopted a policy of utilizing the old stone base in our roads, and resurfacing them with bituminous concrete material, which has lowered the cost per mile tremendously.

These re-made highways have been built at an average cost of \$20,000.00 per mile, and figuring new concrete at an average of \$60,000.00 per mile, a saving of \$40,000.00 per mile in capital expenditure over concrete was the result. The interest on the difference at 5 per cent per annum amounts to \$2,000.00 per mile per year, and yet Burlington county's maintenance cost averages only \$825.00 per mile, showing a saving of \$1,175.00 per mile per year.

Highway Area

Burlington county's highway area amounts to approximately 5,000,000 square yards. Six cents per square yard is the average yearly maintenance and improvement cost. This figure includes resurfacing, modified penetration construction, surface treatment, patching, construction of shoulders, drainage, ditching, snow removal, warning and direction signs, and other incidentals. This figure, however, does not include heavy type major reconstruction such as the Mt. Holly-Moorestown Road, the River Road, etc. On this type of construction the county spends a total of from \$75,000.00 to \$100,000.00 annually, which has been received by the county from the New Jersey State Highway Commission annually as a special allotment.

Snow Removal

Snow removal may appear to be an insignificant item in a highway budget, but the amount necessary to expend for it may be heavy or very light, depending wholly upon the severity and frequency of snowstorms during the winter.

The damaging effect of snowbound highways has been very clearly illustrated in the past month of February. Large dairy farms located in the rural districts have had thousands of gallons of milk wasted because snowbound highways would not permit of transportation by truck to the various markets. This and other forms of industry suffer losses when traffic becomes stagnated by snowbound transportation arteries.

Adequate equipment, large forces of men and long working hours are necessary in the emergency of snow removal if the roads are to be quickly cleared and losses to taxpayers reduced to the very minimum.

Hazard Elimination

Burlington county has in the past (Continued on page 5)

CURRENT EVENTS AT PORCH CLUB

Wilfrid P. Bartlett Tells of Working Out of Economic Situation in U. S.

The first of a series of five lectures by Wilfrid Percy Bartlett was given last evening (Wednesday) in the Riverton Porch Club.

Mr. Bartlett's talk in a very general way embraced the economic situation in the United States and touched slightly on conditions abroad.

"The situation in the United States," Mr. Bartlett said, "has changed its course in the past year. People are more reassured of the path which the governing body is taking and are not panicky. The three main battlefronts of activity are: establishment of strong political leadership; moves for stimulation, monetary devaluation, abandonment of the gold standard, public works, direct relief, etc.; moves for reform and readjustment; NRA, Agricultural Adjustment Act, securities law, exchanging regulation, and other long-term, even permanent moves to minimize threat of repetition of collapse."

Three important moves for peace have also been noticed namely: recognition of Russia by the United States, shift in sympathy from France to Germany by Great Britain, causing France to face necessity of making concessions, and the accession to the throne of Manchukuo of Henry Pu Yi.

To really enjoy these talks it is necessary to hear them. A short newspaper resume cannot do them justice.

HOLLINGSHEAD HOME ROBBED

The home of R. M. Hollingshead, 201 Linden avenue, Riverton, was entered and robbed last Thursday night. The robber took only jewelry from Mrs. Hollingshead's room valued at about \$400.

Entrance was gained through a first floor window off the front porch. The robbery, bearing the earmarks of amateur work, is being investigated by the local police.

GOVERNOR NAMES STATE EXAMINERS

Governor Moore has appointed the following members of the State board of examiners for nurses.

Jessie E. West, superintendent of West Jersey Homeopathic Hospital, Camden; Jessie M. Murdoch, Jersey City; Agnes K. Fraentzel, Maplewood; Bernice Anderson, Montclair, and Sister Mary Dolores, Teaneck. They will serve for three years without pay other than expenses.

Miss West was the second Visiting Nurse in the Riverton-Palmyra district. Miss West was here first in 1913 and then returned in 1918 during the war.

PORCH CLUB NOTES

The annual election of officers and directors of the Riverton Porch Club will be held Tuesday, March 6, at 2.30.

After the business meeting a recital of Original Monologues will be given by Cora Wilson Greenwood.

SACRED HEART P.T.A. MEETING

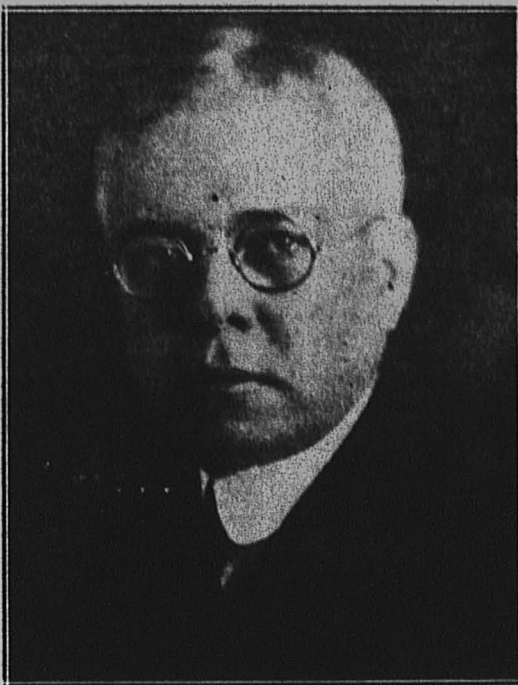

The regular monthly meeting of the Sacred Heart Parent-Teacher Association will be held in the school auditorium, Thursday, March eighth.

The executive body will be at 2.30 prior to the regular meeting.

He: "See that man over there? He's a bombastic ass, a vacuous nonentity, a conceited humbug, a parasite, and an encumbrance to the earth."

She: "Would you mind writing that down? You see, he's my husband and I would like to use it on him some time."—Farmer's Guide.

DEATH CLAIMS PROMINENT RIVERTONIAN

H. H. MURRAY

Active in municipal affairs in Riverton, who died in the Burlington County Hospital, Mount Holly, Wednesday morning.

COLUMBUS CADETS HOLD DRILL MEET

Riverside Emerges First With Riverton and Maple Shade Tying for Second

The Columbus Cadet Corps units of South Jersey held their annual competitive meet on Sunday afternoon, February 25th, at the Sacred Heart School Hall, Fourth and Linden avenues, Riverton. Those entered in the meet were units from Riverside, St. Joseph's of Riverton-Palmyra, Maple Shade, Haddon Heights, Boy Scout Troop No. 31 of Mercer County, and Boy Scout Troop No. 35 of Trenton. Competition and rivalry was very keen in all the events, with Riverside Cadet Corps winning first honors, and St. Joseph's of Riverton-Palmyra and Maple Shade tying for second place.

The events and the winners were as follows:

Bugle Calls, Riverside first, St. Joseph's second and Troop No. 35 third.

Infantry Drill, Scout Troop No. 35 first, Maple Shade second and Riverside third.

Signalling, Riverside first, St. Joseph's Riverton-Palmyra second, Maple Shade.

Fire by Friction, Riverside, first, Scout Troop No. 31, second, Maple Shade third.

Tug of War, Maple Shade first, Scout Troop No. 35 second, St. Joseph's third.

Knot Tying, St. Joseph's Riverton-Palmyra first, Maple Shade second, Riverside third.

First Aid, St. Joseph's Riverton-Palmyra first, Haddon Heights second, Riverside third.

Novelty Stunts, Maple Shade first, Riverside, second, Haddon Heights third.

Exhibits, Scout Troop No. 31 first, Riverside second, St. Joseph's Riverton-Palmyra third.

Eugene McVeigh, of Jersey City, commander of the Columbus Cadet Corps of New Jersey, had charge of the meet assisted by Commissioner Edward Winklespecht and Grand Knight William J. Eck, of Palmyra. Able and efficient judges were secured including U. S. Army officers, Public Service and New Jersey Telephone officials and local Boy Scout Masters George Weigand and Frank Bailey.

Among the honored guests was the Hon. J. Elmer Hahn, Mayor of Riverton, who addressed the boys and their leaders, commending them on the fine work that is being done for the general good of the community.

Rev. Joseph A. Rigney, who so

TWO PALMYRA OFFICIALS QUIT

Councilman, Physician Resign CWA Interferes With One Other Moving

Resignations of two Palmyra officials were received at the meeting of Borough Council Tuesday evening.

Councilman Sydney Headington, only Democratic member, who was elected last fall, had found that he would have to quit his official position in order to retain his CWA employment at Camp Dix, and so submitted his resignation.

The appointment of a new councilman is being delayed by Mayor Walter D. Lamson, as it may be that Mr. Headington's Camp Dix work will be ended in a few weeks and in that case he would be able to resume his councilmanic duties.

Dr. Arthur White, police physician, has been appointed chief of a hospital in Pennsylvania, and is removing from Palmyra. His successor will be appointed shortly.

Councilman Carl Thomas reported on the progress of working out new locations and candlepowers of the street lights, done in conjunction with Mr. Temple, the lighting expert recently retained by the borough, and Mr. Fuller, of the Public Service Company. The purpose is to obtain the most efficient lighting at the lowest cost. It was recommended that 8 trees be removed and 40 trimmed to carry out this program.

Councilman Spahr reported that Freeholder Stout had notified him of the allotment of \$700 to Palmyra from the gasoline tax funds for local street work, and Mr. Spahr recommended that this money be used to build an oil macadam surface for Broad street on the south side of the railroad from Cinnaminson avenue to Elm avenue. This plan was approved. A sample stretch of this form of road was built in front of Dr. Hulse's property some time ago and has proved very satisfactory.

kindly donated the school hall for the purposes of the meet, also addressed the boys and their leaders, expressing the hope that this good work would continue and that he would do all he could to further the endeavors of this work among the boys.

ADD LEMON JUICE

A little lemon juice sprinkled over the chicken salad improves the flavor. It also is good over fish, fruit and meat salads.

HENRY H. MURRAY DIES IN HOSPITAL

End Comes After Short Illness. Prominent in Civic Affairs for 25 Years

Henry Hotchkiss Murray, of 204 Lippincott avenue, Riverton, died Wednesday morning in the Burlington County Hospital, at Mt. Holly, after an illness of three weeks.

Mr. Murray was born in Viola, Delaware, March 16, 1871. His parents were Olive Isadore Purinton and George H. Murray.

He attended Hill House High School, New Haven, Connecticut, and later entered the Sheffield Scientific School of Yale University, from which he was graduated in 1893.

After leaving college, Mr. Murray became identified with McIntosh and Seymour Company, of Auburn, New York, as mechanical engineer. In 1906 he severed this connection and came to Camden to accept a responsible position of a similar character with the Victor Talking Machine Company. The last three years he was mechanical engineer and manager of the Mechanical Improvement Corporation, of Camden.

On September 14, 1898, he married Miss Georgiana Groot, daughter of Dr. C. A. Groot and Anna M. Stevens.

Twenty-five years ago he moved to Riverton and soon became identified with civic affairs. He served for eight years as a member of the borough council and was the first chairman of the Memorial Park Committee, taking an active part in negotiations for purchase of the park property. He was a member of the Riverton Fire Company and took great interest in seeing that this institution was supplied with adequate and up-to-date equipment. He served on the Riverton Board of Education for two years.

Mr. Murray was also a member of the board of directors of the Cinnaminson Bank and Trust Company and the Cinnaminson Building and Loan Association.

He was a member of the Riverton Country Club, the American Society of Mechanical Engineers, the Union League, Philadelphia, Sons of Colonial Wars, and the Franklin Institute, Philadelphia.

Mrs. Murray and their daughter, Cornelia, were on a motor trip south when Mr. Murray was taken ill, and on February 7, he was taken to the hospital by his physician Dr. Harry L. Rogers.

Upon receiving word of Mr. Murray's condition, his wife and daughter hastened home and were with him during his last illness.

Mr. Murray is survived by his widow, one daughter, Cornelia; two brothers and two sisters; Thomas Murray, Viola, Delaware; George H. Murray, Wilkinsburg, Pa.; Mrs. Robert Peck, Forty Fort, Pa., and Mrs. Tilghman Smith, Port Deposit, Maryland.

Funeral services will be held at his late residence Friday evening at 8 o'clock, conducted by Rev. Charles T. Bates, assisted by Rev. George Lockett.

Interment will be made in Auburn, New York, under the direction of Frank A. Snover.

A REQUEST

Director of Public Safety E. R. Williams asks all residents to observe the provisions of the snow ordinance and remove snow and ice from their sidewalks.

The director asks this in the interest of the safety of pedestrians.

NOTICE

During Dr. Roger's absence, Dr. Imhoff will be in the Riverton office at 10 a.m. and 8 p.m. with the exception of Saturday, when he will be there at 6 p.m.

RADIO PROGRAM AT LAKEVIEW

Selections by Popular Choirs,
Addresses by Noted Min-
isters to Be Broadcast

A choir of superbly trained voices will broadcast over Radio Station WCAM, this Sunday afternoon, March 4th, from 3:00 to 3:30 o'clock. The singers are the regular choir of the Holy Trinity Protestant Episcopal Church of Collingswood, and they will be accompanied by Joseph Leeds, the organist and choir master.

The choir will broadcast from the music room at Lakeview Memorial Park, on Burlington Pike, one-half mile north of the Moorestown-Riverton Road, and, in addition to being heard over the air, their selections will be amplified from the Singing Tower on the Park property.

This choir is well known throughout South Jersey for its beautiful rendition of sacred music, and many are expected to visit the Park to hear this famous choir, as well as the regular musical program broadcast from the tower every Sunday afternoon.

The Rev. Allison Q. Bailey will deliver an interesting discourse as a part of this radio program.

Sunday's concert over the air will mark the inauguration of radio broadcasting in conjunction with tower music on Sunday afternoons. Murray & Sons, funeral directors of Camden and Haddon Heights, are sponsoring the program, which will be broadcast for seventeen consecutive Sundays beginning March 4th. "Old Songs of the Church," a hymn book published by Homer Rodheaver, will be given by Lakeview Memorial Park, Inc., to persons who request it, following the broadcast on Sunday, March 4th.

DR. CROOKS ON CUBAN SITUATION

Authority on Cuban Affairs Will
Address Woman's Inter-
national League

Dr. Esther J. Crooks will speak on the Cuban situation Thursday, March 8, at 3 p. m., at a meeting of the Woman's International League, at the Friends' Meeting House, Seventh street, between Cooper and Market Streets, Camden. Cars may be parked within the enclosure.

Dr. Crooks was teaching in Cuba until three years ago and since has been at Gaucher College, Baltimore. She returned to Cuba last Christmas week and had personal contact with leaders of different factions.

She has written and spoken on the subject and has been in touch with United States officials of the State Department. Dr. Crooks was the first to call public attention to the acute situation in Cuba.

She was co-chairman of a conference of Cuban-American affairs held at Washington in 1932.

Mrs. Hannah Clothier Hull, of Swarthmore, Pa., the national president of the W. I. L., will describe the activities of the League on national and international subjects. All are cordially welcome.

CLOTHING DRIVE BY BOY SCOUTS

Scouts have been soliciting clothing for the needy of Palmyra and will continue to do so for the next day or so.

Collection north of Broad street will start at nine Saturday morning. Those south of the railroad will be collected Friday afternoon and Saturday morning.

There has been a specific request for a few radio sets to be sent to the almshouse in New Lisbon. There is also a needy family in Palmyra without sufficient heat. Anyone having an old stove of any type will be doing a good turn if they will notify any scout or relief headquarters.

Jersey candidate for Congress says he will support the President when Mr. Roosevelt is right and oppose him when he is wrong. This will help to clarify matters for puzzled observers who sometimes can't make up their minds whether Presidential policies are right or wrong.

SACRED CANTATA BY CHORAL CLUB

"Olivet to Calvary" to Be Given
by Fellowship Choral Club During
Holy Week

The Fellowship Choral Club appeared at Holy Trinity Presbyterian Church, 11th and Rockland streets, Philadelphia, last Friday, February 23rd, to assist in the celebration of the 25th anniversary of the founding of the church. Lee Mitton was the accompanist, and Alfred Van Osten conductor.

Rehearsals for "Olivet to Calvary" will begin on Monday next, March 5th. This production is being sponsored by the Fellowship Choral Club, Alfred Van Osten conductor, and will be produced during Holy Week on Wednesday, March 28th.

Members of choirs, choral sections of women's clubs and others who have agreed to participate will please come to the Porch Club, Fourth and Howard streets, Riverton, on Monday, March 5th, at 8 p. m., for rehearsal. In order to perfect the performance, in the time allotted, it will be necessary for all to attend rehearsal on each Monday during March, the 5th, 12th, 19th, 26th. Please make your arrangements accordingly.

CINNAMINSON BUDGET OF NEWS

Accidents on River Road and Burlington Pike Due to Snow-bound Roads

Last Friday morning, February 23, at 7 o'clock, a car driven by Karl Dietz, of 4835 North Howard street, Philadelphia, collided with a Public Service bus driven by James N. Giberson, of 16 Morton street, Riverside, on River Road at Bellevue avenue, East Riverton.

Dietz was proceeding on the way to Riverside, following a Public Service bus. The bus stopped quickly and to avoid running into the rear of the bus Dietz pulled to the left into the path of an approaching bus, which he did not see.

Edgar Bowen, 3609 Rahaun street, Holmesburg, Pa., and Calvin Bickle, 611 Huntington Pike, Rockledge, Pa., passengers in the Dietz car, were taken to Zurrugg Hospital, Riverside, where they were treated for contusions of the head and knee and sprained ankle.

None of the bus passengers were hurt, and no arrests were made by Officer George Dorworth, who investigated the case.

Tuesday afternoon, February 27, at 4 o'clock a Quaker City bus and a truck collided on Burlington Pike west of the Riverton-Moorestown Road. The truck owned and driven by Albert E. Cooke, of 604 West Front street, Palmyra, was attempting to turn around on the Pike and in some manner collided with the bus driven by Harry Hallaway, of 89 Chestnut avenue, Westmont. Both bus and truck were slightly damaged but no arrests were made.

Victor Johnson, of Philadelphia, was fined \$200 and costs when he was arraigned before Recorder Carl Lutz, of Palmyra, Sunday.

Johnson was arrested on State Highway Route S-41 by Officer William Stack of the Palmyra Police force. He was pronounced intoxicated by Dr. Dean H. LeFavor.

if you buy on terms of
\$5 down and \$5 a month.

PUBLIC SERVICE

ROAD MATERIAL CONTRACTS GIVEN

Following Usual Custom, Free-
holders Ask Bids Early,
Getting Low Prices

Materials for road and bridge construction for the year 1934 were contracted for at the meeting of the Burlington County Board of Freeholders last Friday afternoon.

Palmer Adams refused to vote on the various contracts, believing that the materials might be purchased through State contracts at a reduced figure.

When he asked the question prior to letting the contracts he said that he would like to see the awards delayed until such time as figures from the State could be obtained.

Freeholder Stout stated that it was the custom of the board to award the contracts early for two reasons, first that delay in receiving the materials when wanted would upset the road program and prove costly, and second, that purchasing materials through state contracts was for the large part more expensive than contracting through independent county bids.

Therefore all of the contracts were awarded, Adams not voting. The contracts were awarded as follows:

Tar Distributing Company, New York, 574,000 gallons of tar at \$89.464, and 20,000 gallons of tar packing material at \$3100; Philadelphia Slag Company, Swedeland, Pa., 8000 tons of slag at \$7500; Lambertville Traprock Company, Lambertville, 18,000 tons of stone at \$22,500; M. R. Young Company, Trenton, 115,000 gallons of road binder at \$14,260; Franklin Construction Company, Newark, 527,590 gallons of asphalt at \$37,617; Warner Company, Philadelphia, 1500 tons of pebbles at \$1050, and creosote lumber contract to Jamieson Wright Company, Toledo, at \$7035.

A letter from the State Highway Department approving the specifications for maintenance and construction materials was received and filed. Another letter from the same department recinding its action on January 30, 1934, relative to ordering that the Delanco-Riverside bridge be built by outside firms on contracts, was read and filed.

Through the efforts of Freeholder Stout, who appeared before the commission and demonstrated that the county was manned and equipped as to build the bridge more economically, the reversal of their previous decision was obtained.

The following department bills were ordered paid: Finance \$694.51; Roads \$4,560.22; Bridges \$2,030.15; Buildings \$325.33 and Public Affairs \$7,804.81.

A NEW PRINCIPLE IN AUTO DESIGN

De Soto Engineers Synchronize
Car Motion With Man's
Walking Gait

How's your periodicity?
Not! It's not a gag. You have a periodicity. You've had it most of your life. Your mother and father had Periodicities, as did their parents.

Don't worry. Periodicity is not contagious. Everyone already has it.

Perhaps we'd better explain. Periodicity is the rate of movement you and your ancestors before you have become accustomed to over a period of thousands of years. Chrysler Corporation engineers studied periodicity when they were working on the new Airflow De Soto models. They learned that you can walk two and one half miles an hour taking between 90 and 100 steps a minute without tiring.

The engineers discovered that the spring motions in conventional cars were equivalent to 125 steps a minute.

They incorporated their knowledge in the car they were building and designed the De Soto so that its spring motions coincide with your normal periodicity.

The result—a restful ride with your car in tune with your natural stride.

Several friends of Clarence Bell, Sr., tendered him a surprise birthday party Saturday evening.

FOUNDERS DAY AT CINNAMINSON

Speakers Give Original History of
P. T. A., Formerly Called
Mothers Circle

The Founders Day meeting last week was most interesting, although many members were missing on account of the icy roads.

An executive meeting was held earlier in the afternoon, when a resolution was drafted calling upon the managers of the local movie theatres to try to provide suitable films for Friday night and Saturday matinees, when large numbers of children attend. Some of the pictures presented at this time are far from what they should be. This resolution was presented at the regular meeting, and after discussion, unanimously passed with the hope that every association in the county will join in making such requests. Mrs. Nathan Conrow gave a short

history of the doings of the local P. T. A. since it was organized, and extracts from the minutes of the Mothers' Circle which preceded it. The first president of the Council, Mrs. Charles Evans, told of the hopes and aims of the council, until absorbed by the P. T. A.

Mrs. Henry Jones, county chairman, said a few words and the meeting adjourned, when tea was served by members, whose pretty costumes added much to the festivities.

Friday and Saturday nights, the school faculty gave the annual play. The house was well filled both nights, and, needless to say, the high standard of other years was upheld. The proceeds of the play and the generous offering at the tea are devoted to welfare work.

An inquiring moralist propounds the question, "Should a man keep anything from his wife?" A more pertinent query would be, "Can a man keep anything from his wife?"

CUTS FUEL BILL 20% AND GETS BETTER HEAT WITH 'BLUE COAL'

"Tried all Sorts of
Substitutes and was
Bitterly Disappointed,"
writes Rochester Fireman

FANCY claims won't heat your house nor save you money on fuel bills this winter. At least this is the opinion of Elmer W. Look, City Fireman, Rochester, N. Y. And his case is typical of thousands of home owners who are getting more and better heat for less money by changing to 'blue coal'. Here's what Mr. Look says:

"Up here where I live the winters are long, and it costs a lot to heat my big house. I have tried all sorts of substitute fuels that claim to save money, but they have been bitter disappointments. Last winter I tried 'blue coal', and from now on that is the only fuel I am going to use. It gave much better heat and saved me 20% on my fuel bill."

'blue coal' starts up fast...burns

Elmer W. Look, Rochester, N. Y.

steadily and evenly all day with little attention...provides generous warmth for every room...all at lowest fuel cost! 'blue coal' is mined by Glen Alden, largest producers of high grade Pennsylvania hard coal.

RIVERTON SINKS MAPLE SHADE "5"

Also Loses One Game to Delair
M. E. in This Week's
Tussles

After losing one tilt to the Delair M. E. courtmen 36-28, Riverton's passers came back and defeated the Maple Shade C. C. 32-27 at the Moorestown Community House.

The Delair game featured plenty of action by both teams and was waged on fairly even terms until the last period. Here the Delair quintet put on a sport to make the final score 36-28 in their favor.

Starting for Delair was Kraft, while Bonitelli and Peterson flashed for the locals.

The game with Maple Shade proved a surprise when the Riverton basketballers put the game on ice in the last three minutes and won by the handy score of 32-27.

"Duck" Speer and Bonitelli sparked for Riverton, while Barlow and Hahn stood out for the "Shaders."

Next Monday at 7:30 sharp, Riverton will meet the Delair M. E. in a return match at the local arena, Roberts' Hall. Two full games are scheduled. Admission 10 cents.

**CWA AND CWS SPEND
\$1,286,575.98 IN WEEK**

Burlington County Employs 1,953 Men at Cost of \$17,823.94. Riverton Spends \$500

Men and women employed and paid by the Civil Works Administration and the Civil Works Service in New Jersey during the week ending February 22, the last week before the CWA reductions were put into effect, numbered 105,349 and received \$1,286,575.98. Of this \$116,382.07 went to CWS workers.

The CWA force was 98,512, including 3,429 women; that of the CWS was 6,837 of whom 4,100 were women.

In Burlington County the number employed was 1,953 and the wages paid \$17,823.94. In Riverton 53 men and three trucks were employed at a cost of about \$500.

Lone Star Juniors

The Lone Star Juniors took revenge on the Moorestown Friends' School February 24, on Moorestown's floor, by the score of 30-17. Moorestown had beaten the Lone Star Juniors at a previous date by the score of 34-12.

The game started with Hyatt sinking a field goal from the center of the floor for the Quakers. Shields of the Juniors tied the score by doing the same. Shea followed by zipping the cords for another counter, giving the Juniors the lead by two points, but Roberts, of Moorestown, tied the line for a foul goal making the score 4-3 in favor of the Juniors at the quarter.

The second period began with a rally by the Quakers making the score 12-8 in their favor.

The third period ended with the score of 14-12 still in the Quakers' favor.

Shea and Willie led a rally in the last quarter for the Juniors winning the game by the score of 30-17.

ADD BORAX

Drinking tumblers can be given a sparkling sheen by rinsing them in very hot water in which a few pinches of borax have been dissolved. Turn them upside down to drain and you will not have to dry them.

Outside of the United States, India and Egypt are the only countries where cotton crop is of any importance commercially.

SPORTS FLASHES

By Lightning

By way of introducing this new column on local sporting events, we say "Howdy." That means you—sport fans—all of ye! Follow this column every week. Ye may learn somethin'—and then again maybe you—never mind!

Anyhow now that you know us, we will proceed on the sport topics of the day. Yowah!

This week's prize goes to Coach Dimond's Palmyra High Basketballers. So far they have only lost one tussle—and that to the mighty (?) Camden High team. Even that is excellent, when you consider that they also beat Camden one game this season.

Now that they're winding up their most successful season for many years, we predict that they will capture the South Jersey Group III Championship in the tournaments. Here's luck to 'em. (They've got the skill.)

We see Riverton A. A. lost another game to the Delair M. E. It's too bad Delair doesn't have a wrestling team! Riverton would get revenge.

The much-advertised Lewis-Garibaldi wrestling match at the Camden drill shed was cancelled after all. Garibaldi had a head infection and (o'my we're blushing!) Lewis had boils. Can't take it, eh Strangler?

Coach Hughes' P.H.S. boxers really slam-banged Bordertown Military Institute's pugs much more than the 5-3 score would show. Two Palmyra lads scored K.O.'s, while all B.M.I. could do was win three points.

A little bird just told us that Hughes' boys are out to make it unanimous in the return tussles at Bordertown.

We overheard a lady remark the other day that any boy who would box on a high school team must be a coward—What! Hold on there. We assure you that each and every boy on the squad is a perfect gentleman. We admire their spirit. Finer lessons than can be taught in classrooms are sometimes learned in the ring! Uh-huh—really!

Well, we're running out of chatter, but before we leave you we must award this week's herring. It goes solely and without hard-feelings to the referee of the Sammy Stein-Marshall tilt at the Philly Arena. Poosh! Whatta decision.

Well, see you next week—signing off.

**PALMYRA GIRLS
TIE BORDERTOWN**

Coach Sipple's Charges Again
End Game in Tie Score
—18-18

History repeats itself, and so do tie games! This was proved at the Palmyra-Bordertown girls' game Friday afternoon which ended in an 18-18 deadlock, and which was a repetition of last Friday's game with Gloucester which also ended in a tie.

The first half ended with the upstate missies in the lead on a 11-8 goal. However due to three field goals by Miss Prisco and two converted fouls by Miss Stevens, the Palmyra lassies tied Bordertown's onrush just before the final whistle.

Helpful to the visitors were Misses French and Pew who scored 12 and 5 points respectively.

ON THE UP AND UP

Public debt has risen 659 per cent in 20 years and is still headed for the stratosphere.—Philadelphia Evening Bulletin.

New York follows New Jersey, Delaware and Maryland in the list of states that have lost their peach crops. Why isn't the panship crop ever ruined? Or spinach?

PALMYRA WINS IN 3 OVERTIMES

Pals Nose Ont Audubon in 3rd
Overtime Period 38-35,
Tuesday Night

In a thrilling overtime struggle at Audubon, High's court Palmyra High nosed out the homesters 38-35 after the tussle had gone into the third extra chucker due to three separate deadlocks.

In the first quarter Palmyra's regulars collected 8 points to Audubon's 3, but were substituted in the second period by the reserves. At the half Audubon held the slight edge of 15-13.

The third quarter ended with the "Pickemmen" still on top 24-21. Then in the last five minutes Coach Dimond sent in the regulars whom he had been saving due to heavy tournament play the next night. The score saw-sawed back and forth and the game ended in a 27-27 deadlock.

Referee Salin then ordered an extra three-minute period which ended 29-29.

In the second overtime chucker the score jumped to 31-all. Then in the final period Captain Flanagan clipped a two-pointer for Audubon. Not to be outdone, Wagner of the "Pals" also netted a field goal, making the score again, tie, but in the ensuing play Young was fouled and converted, giving the Dimondmen a one-point lead. Audubon threatened but Wagner again netted a field goal, to put the game on ice as the final whistle blew.

This game ends the "Pals" official season with a "13 out of 14 games won" record. However the South Jersey tournaments begin this week and they are favored to win.

SAFER

Here is the latest story of Benito Mussolini: Delayed in a roadside village for more than two hours, by the breakdown of his motor-car, he was persuaded to visit the local cinema. Throughout a lurid triangle drama he sat without evincing the slightest interest. When the news bulletin depicted him on the screen and the audience rose with shouts of "Viva il Duce" and "Viva Mussolini," he naturally remained seated. Then came a gentle tap on his shoulder, and his neighbor whispered, "I quite agree with you, my friend, but it is safer to stand."

Ever hear of anyone knocking an inferior?

RIVERFRONT TOWNS HOLD FIRST JOINT TRANSPORTATION MEETING

Riverton, Palmyra, Riverside,
Beverly and Burlington
Represented

**PLAN FOR PERMANENT
GROUP IN EACH TOWN**

Revival of Railroad Service
Main Objective; To Meet
Again March 21

The formation of a riverfront transportation committee, initiated by the transportation committee of the Riverton Town Meeting, took definite shape last night when twenty-three men met in the Riverside town hall to promote better transportation by train service.

Men from Riverton, Palmyra, Riverside, Beverly, Edgewater Park and Burlington were present, primed for action and eager to discuss the inadequate media of commutation to Philadelphia.

A. B. Garwood, chairman of the Town Meeting transportation committee acted as temporary chairman at the meeting last night and called the meeting to order.

He stated that some few months ago, Riverton contemplated a beautiful riverbank boulevard project, estimated to cost \$70,000, and becoming interested in the project, invited two friends of his from the main line who were competent real estate operators and developers from that section, to visit Riverton.

Transportation Handicap

After coming to the town, their opinion was that any kind of riverbank improvement would not develop Riverton so long as it was handicapped with a miserable transportation system.

Mr. Garwood reviewed the railroad service Riverton used to enjoy, with a schedule of twenty-four trains daily.

He cited that train transportation to Camden with a transfer over the ferries at that time suited the convenience of most commuters, however, the main office building section of Philadelphia has been steadily moving westward to the city hall area and travel via the ferries was not so convenient.

The bus situation then cropped up to meet the need of the people, and by direct service to the point nearest their work the patronage of trains was materially reduced. He did cite that at that time the bus companies provided de luxe buses and express service long enough to wean the riders from the trains, and then grew careless of the comfort and convenience of its passengers and have placed CASH as the prime objective of its operations.

Proposed High Speed Line

He discussed the proposed high speed line from a terminal in Camden, over the bridge, and into Philadelphia. He stated that the estimated fare from Riverton to the (continued on page 3)

SAUER KRAUT DINNER

The German National Dish—good old "Sauer Kraut"—will be served away in great quantities at the annual firemen's dinner, to be held in the fire house, Saturday, March 17th.

These famous dinners have in the past been well patronized, and the firemen are determined that this shall be the most delicious of them all. Buy your ticket early—it costs but 40c—and go into training for that dinner—because the firemen can really DISH IT OUT.

There will be no charge for the burial of any resident of Riverton, Palmyra or Cinnaminson, whose relatives are worthy and without means with which to pay the funeral expenses.

No Charge

CURRENT EVENTS AT PORCH CLUB

Mr. Bartlett Deals With Poverty Conditions in United States; Economics in Europe

Speaking at the Porch Club, Wednesday evening, Winifred Bartlett, who is delivering a series of lectures on current events, said that the N.R.A. is described as "a scientific offensive against our fundamental falling-poverty." Its object is to effect, together with all other agencies and efforts, a more equitable distribution of the profits of wealth. The idea is that there is a limit that can be paid for work, the fact remains that too great a concentration of wealth has come to pass under the system we have employed. Breaking down this faulty "distribution" to be had by a well-supported wage scale and a reasonable limitation of prices charged. Either high prices or low wages reduce the "real income" of the people. This margin of undistributed profit tends to amass, broad markets disappear, and there is a general retrenchment which brings insecurity to high and low alike.

This is the difficulty that renders nugatory and ineffective the simple expedient of the so-called "low cost housing" projects. "Slums cannot be abolished unless poverty is abolished."

Miss Perkins' idea is not one of championing exclusive cause of labor, as this would tend to create distinct "classes," which is the failing of European systems. Stress is laid upon the fact in education which encourages the feeling in the minds of young people that they "lose caste" by following certain occupations. Stress also laid on the prior rights of society in the case of criminals. "If a man cannot be returned to society as a useful member, he should not be returned."

Mr. Bartlett also gave a very interesting talk on conditions in France due to the inability of the present Cabinet to give the people the action they want. He also stated that the Stavisky case had greatly upset the whole country.

As for Austria Mr. Bartlett said, it is economically part of Germany and that sooner or later a union cannot be avoided. He stated that well-informed opinions envision gradual steps culminating in restoration of the Hapsburgs in a Dual Monarchy.

KEEPING THE SCHOOLS OPEN

In many communities there are magnificent school buildings that today must be looked upon as costly monuments to teachers who have lost their jobs. In the face of reduced municipal income and delinquent taxes, instruction has had to go by the board, because those communities can no longer afford to pay both the teachers of their children and the interest on their debts.

The town of Riverton, New Jersey, was wiser than these. It has needed a new grade school, but three years ago, when the authorities proposed to erect a building at a cost of \$300,000, the voters turned it down, and, rising in their might to keep their tax rate within bounds, organized what has now become known as the Riverton Town Meeting—a body of active citizens acting as advisers to the town council.

But the town still needed a modern school—and the Town Meeting has found a way to provide it, at a cost that the community can afford to pay without sacrificing either teachers or pupils. Instead of a new building, it is planned that the old school shall be completely remodeled, made fireproof, equipped with classrooms for manual training and home economics, with a gymnasium and public auditorium, and all with provision for 25 per cent growth in the future. At a cost not of \$300,000, but of \$85,000, of which the Federal Government, through PWA, will give part and lend more.

Salaries of teachers in Riverton have been reduced, but the number of teachers has not been reduced, nor have the days of instruction. A reasonable economy has kept the school open.

—Editorial in Ladies Home Journal written by John H. Werner, of Riverton.

AGED CRIPPLE FATALLY BURNED

Overturned Oil Stove Ignites Home and Burns Mother and Son

Last Friday morning at 8 o'clock fire broke out in the home of Mrs. Maggie Graham, 5th and Market streets, Palmyra.

The exact cause is not known but it is supposed by the firemen that the oil stove used for heating purposes was upset and ignited the clothes of Mrs. Graham and her son John. Mrs. Graham who is a cripple, was unable to leave the house and her son was unconscious from the burns he had received.

Frank Haines, of Palmyra, entered the burning dwelling and lifted John off the stove on which he had fallen.

Mrs. Graham and her son were taken to Cooper Hospital in the Palmyra ambulance, where she died several days afterwards. John is not expected to live.

The Palmyra firemen extinguished the blaze before it had done much damage to the two-room frame dwelling.

Attempted Robbery At Hagstoz Home

Doors Found Open Tuesday Morning. Intruder Scared Off Before Collecting Loot

The home of Arthur T. Hagstoz, 411 Lippincott avenue, Riverton, was entered early Tuesday morning but nothing taken. One of the occupants of the house had arisen during the night and flushed on the downstairs electric light in mistake for an upstairs hall light, which is supposed to have frightened off the intruder.

No one in the house knew of the attempted robbery until the next morning, when it was found that the door was wide open and the rear door slightly ajar. "Jimmy" marks were found on four of the windows on the east side of the house by Officer Robinson and County Detective Clinton Zeller, who investigated the case.

The authorities believe it was a short man who made the entry, according to reports from the neighbors who had noticed such a man about the vicinity during the day.

As for Austria Mr. Bartlett said, it is economically part of Germany and that sooner or later a union cannot be avoided. He stated that well-informed opinions envision gradual steps culminating in restoration of the Hapsburgs in a Dual Monarchy.

CHILDREN'S FILMS AT PALMYRA MOVIE

Riverton P.T.A. Thanks Management for Co-operation in Providing Suitable Pictures

The question of suitable moving pictures for children has been seriously considered for some time by all those interested in their welfare.

The Riverton P.T.A. wishes to thank the management of the Palmyra Broadway Theatre for its splendid co-operation in this respect. Hereafter, more suitable pictures for children will be shown on Fridays. Those booked for the month of March were passed on by "Parents" magazine and around these will be built up an interesting array of comedies and cartoons.

MISS BLACKWELL IN PLAY

Miss Jane Blackwell, of 627 Elm Terrace, Riverton has the male lead in "They Two to Conquer" at the New Jersey College for Women at New Brunswick this week. Miss Blackwell graduated from Palmyra High School. At New Jersey College for Women she is a member of Kappa Iota, the honorary Economic Club, and she was vice-president of her class freshman year.

STRUCK BY CAR

Giovanni Marogill (Joe Liperi), of West Palmyra, was struck by an automobile driven by Randall B. Faunce, of Riverside, at Broad and Race streets, Palmyra, Tuesday evening.

The injured man was taken to the office of Dr. Dean H. LeFavor, Palmyra police surgeon, for treatment. He suffered internal injuries and was removed to Cooper Hospital, Camden.

Natural Inference

"The snake to which I refer," said the school teacher, "is said to strike with mathematical precision." "Do you mean an adder, sir?" suggested the bright pupil.

CINNAMINSON SCHOOL NOTES

Windows open, and a real breath of spring over all outside, awnings and see-saws filled to capacity, the slide a veritable mass of humanity, and a game of baseball in full swing!

The had weather and the inside work done by the CWA, have been hard on nerves, but all have realized that the first could not be helped, and the second was making the rooms more pleasant. The wonderful school spirit helped over the hard places and made it possible to "carry on."

The Spring play is being prepared by the school Dramatic Club, as time permits, while the sixth grade under Miss Lillian Parker, has become interested in medieval history, and are building a castle, with costumed retainers.

Miss Eleanor Rush took her class to the Palmyra High School last week, where, chaperoned by some of the Cinnaminson graduates, they visited the laboratory, and were shown how oxygen could be generated. They came back so interested that they want to try some experiments for themselves. Of course preparations are being made to gratify them.

"30 East," given by the teachers, yielded a very satisfactory return in money, and a greater return in the helpfulness and interest manifested by the audiences that filled the house both nights.

Arrangements are under way to have the needed tonsil operations for the pupils of school number four, done at the Burlington County Hospital. Those for school number two go to Riverside, as usual.

Mrs. Elsie Bowden has resigned the position of office secretary, which she filled for several years. Mrs. William Thompson, of Palmyra, will fill the vacancy.

The regular study class meeting for last week, was postponed on account of the weather, and will be held this week, when it is hoped the elements will be kinder than they have been lately.

PUBLICITY.

The man who kisses his wife before breakfast and the woman who hums a tune while she does the supper dishes are still both in love.

Street Cars and Buses Carried on Despite Handicaps of the Storms

DURING the two recent snow storms which concededly were the most severe this section has experienced in many years, Public Service Coordinated Transport's street car and bus lines were kept open throughout its entire territory in the state, the only exceptions being where trees or poles had fallen across highways.

There were delays in schedules, of course, as there are interruptions in all kinds of transportation service in heavy weather. But the trolleys and buses kept moving and carried many thousands of passengers to and from their work every day.

In addition to the thousands of passengers who use trolleys and buses regularly the transportation company carried thousands of those who usually operate their own automobiles except when the highways are all but impassable. Many extra cars and buses were put into service for the accommodation of these casual riders, who by the temporary abandonment of their own vehicles furnished convincing proof that street cars and buses are still real public necessities.

Trolley lines were kept open by the utilization of scores of sweepers, plows, sand cars, and other emergency equipment kept ready for action whenever a storm requires their use.

Violent snow storms cause serious embarrassment to every transportation agency. They cost money, much extra labor and hours of anxiety.

That the difficulties were surmounted and service provided to the traveling public is a tribute to the efficiency, experience and indomitable zeal of our employees.

PUBLIC SERVICE

A-1209

DREER'S

Make the suggestion that all flower lovers visit the Philadelphia Flower Show at the Commercial Museum, beginning 2 p.m., Monday, March 12th, and closing 10 p.m., March 17th.

There isn't any doubt but that this will be the finest display of flowering plants, cut roses, orchids and other horticultural subjects ever exhibited in this locality, and an hour or two spent there will be a pleasure and of absorbing interest to anyone.

"MRS. J. D. EISELE," ROSE

Foreign Trade—And War

A movement of national importance is now starting to decide whether we shall again go after foreign trade through removal of such obstructions as abnormally high tariffs. In other words, shall we put the hands of the clock back to the point which started the world war?

Beyond doubt, when all the camouflage is removed, the world war was no more or less than a struggle for commercial supremacy. Every industrialized nation was striving to sell its surplus products to other nations and they got into a fight over it. How long will it be before it is realized that we can use and consume in this country practically all that we can make or grow? Our present economic set-up, which functions in part through an obsolete money-price system, prevents our products from getting into the hands of the millions who want them and can use them. Unless we can remedy this obviously stupid condition we shall be compelled to foist our unwanted products upon other nations. This, in time, will develop a new crop of gold star mothers.

Of course, in a column such as this, only high spots can be indicated. There must always be a certain amount of foreign trade, and it is desirable. When that trade represents an exchange between nations of goods or natural products which are really needed by other nations, a definite step toward world amity will be taken. That step can not be taken until our eyes are unveiled to permit us to see that we as a nation are in purblind slavery to king gold.

What Price "Experience?"

King gold is wobbling on his throne. His prime minister, the Secretary of the Treasury, is reported to have said: "I doubt if anyone is sufficiently wise to tell what the future money policy of the country will be, because we haven't had enough experience." Without carping at Mr. Morgenthau, who is a capable man, he might be reminded of the words of another great Hebrew who, writing two thousand years ago to his friend Timothy, said: "The love of money is the root of all evil." Surely two thousand years of experience by suffering humanity should be enough to convince any man.

Government Control of Credit

However, Mr. Roosevelt and his coterie of capable advisers are to be congratulated on certain moves in the right direction. The control of credit by private bankers has been shaken. Eventually it will pass into the hands of the Government. It will be interesting to see how the Government will use it. The unrestrained right of the people to control their destiny through their own constituted governmental authority is nearer realization. But few grasp what a great battle is being fought against diabolically organized private control of the economic forces which are the backbone of our national existence.

"Red Medicine"

Two scientific medical men have published in a recent book their experiences of a long tour through Soviet Russia. This book "Red Medicine" is an eye-opener to those who have been swayed by ill-founded rumors of terrible doings in that country. They report that Soviet Russia is the only nation which has organized preventative and curative medical care for every man, woman and child in the land. Perhaps, when we too have shaken off the shackles of gold, we shall be able to follow their example and, at the same time, so arrange matters that we have not one hungry or undernourished child in our own fair land.

The Lesson of the Ring

A Weekly Review of the World's News—spiced with a few personal opinions

Foreign Trade—And War

A movement of national importance is now starting to decide whether we shall again go after foreign trade through removal of such obstructions as abnormally high tariffs. In other words, shall we put the hands of the clock back to the point which started the world war?

Beyond doubt, when all the camouflage is removed, the world war was no more or less than a struggle for commercial supremacy. Every industrialized nation was striving to sell its surplus products to other nations and they got into a fight over it. How long will it be before it is realized that we can use and consume in this country practically all that we can make or grow? Our present economic set-up, which functions in part through an obsolete money-price system, prevents our products from getting into the hands of the millions who want them and can use them. Unless we can remedy this obviously stupid condition we shall be compelled to foist our unwanted products upon other nations. This, in time, will develop a new crop of gold star mothers.

Of course, in a column such as this, only high spots can be indicated. There must always be a certain amount of foreign trade, and it is desirable. When that trade represents an exchange between nations of goods or natural products which are really needed by other nations, a definite step toward world amity will be taken. That step can not be taken until our eyes are unveiled to permit us to see that we as a nation are in purblind slavery to king gold.

What Price "Experience?"

King gold is wobbling on his throne. His prime minister, the Secretary of the Treasury, is reported to have said: "I doubt if anyone is sufficiently wise to tell what the future money policy of the country will be, because we haven't had enough experience." Without carping at Mr. Morgenthau, who is a capable man, he might be reminded of the words of another great Hebrew who, writing two thousand years ago to his friend Timothy, said: "The love of money is the root of all evil." Surely two thousand years of experience by suffering humanity should be enough to convince any man.

Government Control of Credit

However, Mr. Roosevelt and his coterie of capable advisers are to be congratulated on certain moves in the right direction. The control of credit by private bankers has been shaken. Eventually it will pass into the hands of the Government. It will be interesting to see how the Government will use it. The unrestrained right of the people to control their destiny through their own constituted governmental authority is nearer realization. But few grasp what a great battle is being fought against diabolically organized private control of the economic forces which are the backbone of our national existence.

"Red Medicine"

Two scientific medical men have published in a recent book their experiences of a long tour through Soviet Russia. This book "Red Medicine" is an eye-opener to those who have been swayed by ill-founded rumors of terrible doings in that country. They report that Soviet Russia is the only nation which has organized preventative and curative medical care for every man, woman and child in the land. Perhaps, when we too have shaken off the shackles of gold, we shall be able to follow their example and, at the same time, so arrange matters that we have not one hungry or undernourished child in our own fair land.

The Lesson of the Ring

As these lines are written there

comes on the air the detailed report of a fifteen round fist battle at Miami for the heavyweight championship of the world. If no other lesson is learned from this marvelous test of endurance we might all profit by the reminder that only by careful living; by right eating, drinking, resting and working can we hope to sustain physical health. If the tens of thousands of fans visiting Florida for this exhibition realize this, their expenditure in time and money will not be in vain.

"Blood Money"

An interesting instance of the cupidity of war profiteers is recited in a current magazine. Barbed wire manufactured in Germany, after the war started, was exported through neutral countries to France where it was placed before French trenches. Thousands of German boys died on it. Munitions also were exported from France and England to find their way to Germany only to mash into pulp thousands of British and French lads. Ships are now passing through the Panama Canal loaded with nitrates from Chile for all the "civilized" nations now preparing for the next war. What a world! What a world!

Riverfront Towns

Hold First Joint Transportation Meeting

(Continued from page 1)

Camden terminal would be 20c, and a trip over the bridge on the high speed line would be 10c or an increase of 5c per ride over the present fare.

The 5c increase he pointed out was not the only consideration—a transfer would have to be made at Camden and another at 8th street, Philadelphia, for a passenger to reach the city hall area. Otherwise he would be forced to ride the high speed line to Broad and Locust streets. The possibility of the abolition of "a seat for every passenger rule" would also make a picture not pleasant to contemplate.

Property Depreciation

The present system of travel to Philadelphia actually driving families out of town, and if something is not done soon about this important problem, we had better curl up and die and see our properties depreciate even more than they have in the past few years, stated Mr. Garwood.

Garwood said, "if we wait for something to happen of its own accord in the transportation line, we'll all be safely interred in Lakeview Memorial Park, with it too late to do us any good." He stated that he had been in touch with railroad officials and they expressed a sincere willingness to cooperate with the towns, but they suggested that committees similar to Riverton's be formed in each town to get behind the project with unified action.

Suggested Schedule

Garwood suggested two trains for the morning hours, one arriving in Broad street station at 8:15, and the other arriving at 8:55. Leaving Philadelphia at night, one at 5:15 and the second at 5:45. He suggested a shuttle line during the off hours to run to North Philadelphia station connecting with New York express hourly, and a theatre train to accommodate the evening visitors to Philadelphia.

He repeated that the growth of the town depended upon adequate transportation. The use of private automobiles to commute to Philadelphia has also contributed to the depreciation of railroad service, and to offset this to some degree a survey of private car costs to Philadelphia will be published later.

He concluded his remarks with a plea for support from other towns to bring about a revival of train service such as we used to enjoy.

Palmyra Interested

W. Rex McCrosson, of Palmyra, speaking for his town stated that he believed there was enough interested men in Palmyra to promote a meeting to enlist Palmyra's aid. He, too, heartily approved the project.

It was definitely established that the one morning and evening bridge train had drawn steady riders to it from the busses, which fact holds

forth some hope for patronage if additional trains are added.

Others Express Views

Arthur J. Bellman, of Riverside, stated that eight out of every ten commuters would patronize the trains if a better service was offered. He compared the train to the bus and stated that on a train one could comfortably read a paper, store baggage or packages, have a more comfortable ride and have toilet facilities.

Mr. Addis, of Beverly, spoke of the need of better train service and stated that he was anxious to promote the project.

Mr. Reeve, of Burlington, related a recent bus trip from Philadelphia which took an hour and forty minutes, during the bad weather, and he said that his only impression of the trip was that it was the biggest 50c worth of scenic railway riding he had ever done. He also stated that he actually knew of families who were moving out of Burlington because of the transportation the town offered. He further stated that he was at loss to understand why a section so abundant with God-given advantages, such as a beautiful river, open country, fresh air, situated between two of America's biggest cities should be so crippled with poor transportation.

Permanent Committee

The final action taken by the body resulted in a motion for each town to elect a permanent committee, and to meet again in Riverside on March 21st to effect a permanent organization. Officials of the railroad will not be invited to attend this next meeting.

Those from the different towns present were: Riverton: A. B. Garwood, Paul Barnhart, Karl W. Latch, R. A. Marshall, Joshua S. Bartley, Evan W. Stover, Robert C. Ayres and Herbert Evans; from Palmyra: H. F. Marshall, William F. Engle, George W. Luce, Drexel Patterson, W. Rex McCrosson and Raymond Warner; from Riverside: Arthur J. Bellman and Daniel Lichtenhal; from Beverly: Charles N. Coddington, Franklin P. Jones, Jr., George W. Addis, W. J. Kingston, E. R. Byler, and from Burlington E. Reeve.

A final touch of the dramatic crept into the meeting as it was drawing to a close when Herbert Evans of Riverton came puffing into the room. When asked what delayed him, he replied with supreme disgust, "I had to wait 40 minutes for a bus in Philadelphia."

TROOP 2 NOTES

The Girl Scout Mothers of Troop No. 2 will hold a "cote" party at the home of Mrs. M. Gingham, 719 Cinnaminson avenue, Wednesday evening, March 21, at eight o'clock. Admission fifteen cents; bring a friend.

The Girl Scouts of Troop No. 2 will meet at the home of Captain Gingham, Sunday evening, March 11, at 6:45 o'clock and will attend the services at the Moravian Church in a body.

The Girl Scouts and the mothers of Troop No. 2 will hold a covered dish supper Monday, March 12, at 6:00 p. m., in the Lutheran Church. The Parry Girl Scouts will attend this meeting.

TROOP NO. 1

The Girl Scouts of Troop No. 1, Palmyra, will hold a covered dish luncheon Monday in the Epworth M. E. Church. A very interesting program has been planned and all members of the Troop are urged to attend.

GENERAL ELECTRIC SHOULD BUILD THE BEST ELECTRIC REFRIGERATORS

It is to be expected that General Electric would build the refrigerator that is universally recognized as the standard of excellence.

This great corporation is the world's largest electrical manufacturing company. They have devoted millions of dollars and unequalled facilities to electrical research through half a century. From the famous G-E House of Magic have come the major contributions to the present electrical age.

All General Electric's vast resources were available to the scientists and engineers who first developed and perfected the Monitor Top mechanism, the all-steel cabinet and other features that revolutionized household refrigeration.

Today, with an unparalleled record for dependable, attention-free performance at low cost, the General Electric refrigerator offers greater value than ever. Be sure you see and compare General Electric values before you buy any refrigerator.

There is a complete line of General Electric Monitor Top and Flat-top models—a size and price for every home. See them here.

Appreciation

Every resident of Riverton should pay tribute to the officers and men of the fire company who made a real sacrifice during the past storm and cold wave. After working all day long, these men, instead of returning to their homes, hurried to the fire house, and there they remained awake all night long, ready to instantly respond to any alarm. They did not have to do this, it was their desire to protect their neighbors and their community which inspired this devotion to duty.

Riverton should be proud of these men. And not only be proud of them, but willing and eager to reciprocate. The firemen have done their part to protect us—what can we do to help them, to repay them for an interest they have taken in our welfare?

Possibly the answer to this question is found in a letter received by The New Era and published in the People's Column this week.

This letter deserves thoughtful consideration and possible investigation. If its statements are true, then there is indeed something we all can do to prove that our citizens are just as much interested in the fire company as that company is in us.

RIVERTON SCHOOL NOTES

Evangeline Given By 8 L.

The play "Evangeline" was given by the 8L grade last Friday in assembly. A recitation of the introduction to Longfellow's poem was given by Doris Steedle. The main characters in the play were: Evangeline, Eileen Mattis; Gabriel, Allen Cooper; Basil, Elmer Suttles; Father Pelican, George Troutman. This play portrayed the life of a modest (and fair) French-Canadian maiden, and her gallant lover, Gabriel, who were separated by tyrants of England. They both searched far and wide for each other. Evangeline would hear of Gabriel's being in one place and she would go to seek him, but he was always just one ahead of her. Finally, when both were old and gray, Evangeline devoted her life to hospital work, and discovered Gabriel very ill and dying. They recognize each other, and Gabriel dies in Evangeline's arms.

The costumes were used from the costume cabinet with a few alterations. The scenery had been used for a former play. George Mattis made shrubbery and trees, in addition to a few touches on the background.

FRIENDSHIP CIRCLE

The Friendship Circle of the Epworth M. E. Church will hold its regular business meeting and social at the home of Mrs. E. O. Wolcott, 415 Linden avenue, Riverton. The meeting will take the form of a St. Patrick's Day party.

GENEROUS RESPONSE

The support given to the request for clothing by the Boy Scouts of Palmyra was so generous that only a portion of the town could be covered.

Those not called upon this past Saturday will be canvassed Saturday morning after nine o'clock.

Judge the character of a man by what he does when he has nothing to do.

YMCA BRIEFS

Covered Dish Luncheon

The Ladies' Auxiliary of the Palmyra-Riverton YMCA will hold a covered dish luncheon at the Y Building on Wednesday, March 14, at 1 p. m. Mrs. C. Y. Barto, program chairman, has planned a very interesting schedule of events.

The meal, "now famous" as the numerous kinds of food will be under the able supervision of Mrs. Ella Hahn, chairman of the banquet committee. The luncheon will be open to any mothers of boys or mothers interested in boy activities.

The guest speaker of the afternoon will be John A. Ledlie, of the State YMCA staff. Mr. Ledlie is well qualified to speak on high school age boys, as he was a former boys' secretary of the Jersey City Y, present State camp director and an author, an authority on the "teen age" group.

Plans for Camp

Guy C. Hendry, of the county staff and an old friend of the local Y, will be an honored guest and make a few remarks relative to the plans for the coming camp season at Oceanic.

Special music will be afforded by a quartette, and community singing will be under the leadership of Mrs. Barto.

The meeting will be in charge of the president, Mrs. Charles H. Vost, who is now entering upon her third year as head of the local ladies unit, who have done so much for the Y in particular and boys in general.

MEN'S CLUB EXECUTIVE COMMITTEE

A meeting of the executive committee of the Palmyra-Riverton Men's Club will be held Monday evening, March 12, at 8:00 o'clock in the YMCA Building, Broad street and Garfield avenue, Palmyra.

The Lion and the Lamb

"Better live one day as a sheep than a hundred years as a lion." This is the inscription on an Italian coin. There are sheep like that, but they usually are sold as spring lamb.—Vancouver Province.

CHURCH NEWS

CALVARY PRESBYTERIAN CHURCH

Rev. Charles T. Bates, Pastor

Next Sunday will be "Every Member Present" Sunday. It is hoped every member will make a special effort to attend this service at 11 o'clock. All departments of the Church School will meet at 9:45 a. m. Pastor's class will meet at 10 a. m. Christian Endeavor at 7 p. m., and evening service of worship at 8.

The Church School teachers and officers will hold their regular conference Monday evening at 8 o'clock, March 12th.

Mid-week service on Wednesday evening at 8 o'clock, when the Bible study will be continued.

FIRST LUTHERAN CHURCH

Rev. Harold L. Creager

The Sermon themes next Sunday will continue our series on the meaning of Jesus in our lives and on His teachings in the Sermon on the Mount. At the morning worship service the topic will be "Jesus Our Example and Companion in Suffering," in the evening, "Love in the Face of Hate."

The Woman's Missionary Society will hold their monthly meeting next Thursday at the home of Mrs. Spuck. Covered dish luncheon at 12:30, followed by business meeting and mission topic.

Prayer Meeting and Bible Study Wednesday evening at 8 o'clock.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Pastor Lockett will preach on "The Time of Danger" at the morning service at eleven o'clock, with the subject of "The Work of Faith"

at the evening worship. You are invited to attend these services.

The Ushers' Association will hold their monthly meeting in the Sunday School room next Monday evening at eight o'clock. Dr. P. Conner Hulse will exhibit motion pictures on the growth of teeth. All men are invited to attend.

CHRISTIAN SCIENCE CHURCH

"Man" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 11.

The Golden Text is: "Behold what manner of love the Father hath bestowed upon us, that we should be called the sons of God" (I John 3:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "He that receiveth you receiveth me, and he that receiveth me receiveth him that sent me. He that receiveth a prophet in the name of a prophet shall receive a prophet's reward; and he that receiveth a righteous man in the name of a righteous man shall receive a righteous man's reward" (Matthew 10: 40, 41).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The calm, strong currents of true spirituality, the manifestations of which are health, purity, and self-immolation, must deepen human experience, until the beliefs of a material existence are seen to be a bald imposition, and sin, disease, and death give everlasting place to the scientific demonstration of divine Spirit and to God's spiritual, perfect man" (p. 99).

Funeral services were held February 20, and interment was made at Oil Springs.

Mrs. Kerr, who made her home in Palmyra for many years, is survived by her husband, John Kerr, and a son by a former marriage, Clyde McKennon. A sister, Mrs. George Gabler, of Oil Springs, also survives.

Funeral services were held Monday in Philadelphia and interment was made in Central Laurel Hill Cemetery, Philadelphia.

Mr. Bromley is a retired carpet manufacturer and was the former president of the Bromley Brothers Carpet Company.

Beside his son he is survived by a widow, Mrs. Annette Bromley, and a granddaughter, Barbara Bromley.

ALMANAC

"When children stand quiet they have done some mischief."

MARCH

12—U. S. Grant made general in chief U. S. Army, 1864.

13—First man wounded in Revolutionary War, 1775.

14—First blackhander threatened Julius Caesar, B. C. 44.

15—Czar Nicholas of Russia is forced to abdicate, 1917.

16—James Madison, 4th President of U. S., born 1751.

17—Boston bars pasturing of cows on Commons, 1830.

18—Grover Cleveland, 24th U. S. President, born 1837.

Palmyra. The Rev. Ira S. Pimm will officiate and interment will be made in the Westminster Cemetery, Philadelphia.

Mr. Way, who was a resident of Palmyra for many years, is survived by a son, Horace Way, and two daughters, Mrs. A. H. Zayotti, both of Palmyra, and Mrs. George Hardaker, of Philadelphia.

MRS. ANNA B. KERR

Mrs. Anna B. Kerr, died at the Sarnia General Hospital, Oil Springs, Canada, Sunday, February 18.

Funeral services were held February 20, and interment was made at Oil Springs.

Mrs. Kerr, who made her home in Palmyra for many years, is survived by her husband, John Kerr, and a son by a former marriage, Clyde McKennon. A sister, Mrs. George Gabler, of Oil Springs, also survives.

THOMAS BROMLEY, JR.

Thomas Bromley, Jr., of 236 South Vermont avenue, Atlantic City, father of Thomas R. Bromley, of Palmyra, died at his home on March first.

Funeral services were held Monday in Philadelphia and interment was made in Central Laurel Hill Cemetery, Philadelphia.

Mr. Bromley is a retired carpet manufacturer and was the former president of the Bromley Brothers Carpet Company.

Beside his son he is survived by a widow, Mrs. Annette Bromley, and a granddaughter, Barbara Bromley.

NEWEST BOOKS AT RIVERTON LIBRARY

"The Native's Return" Among New Volumes Found on Book Shelves

Native's Return: by Louis Adamic. A native of Yugoslavia, who has lived in America for the nineteen years of his adult life, returns to his homeland, discovers it to the country of his adoption. His book is as far as possible from the usual tourists' guide and travel lecture.

From the author's own point of view it is deeply tragic; from the reader's it is tremendously serious and thought-provoking.

Jugoslavia, having been formed out of the old Serbian, Croat and Slovene Balkan States after the World War, is the last remaining absolute monarchy among European nations. Mr. Adamic's findings of conditions under the present regime are as lurid as anything one has read or heard of the old Russia—political racketeering in the highest places; blood-curdling tortures of critics of the government; appalling poverty and deplorable living conditions among the masses of the people.

Those sections of "The Native's Return" devoted to political and economic discussion presents distinctly the darker side of the picture as Mr. Adamic saw it. The natural beauty of the country, the simplicity, charm and native gifts of these people, folk manners, customs and superstitions—all these make gay and delightful reading.

Louis Adamic's travels through Yugoslavia were made possible by the Guggenheim Foundation, and "The Native's Return" is the Book-of-the-Month-Club selection. In case you are unable to secure it immediately from the Riverton Free Library, where the demand for it is bound to be great, you may be interested in the author's article in the current issue of the Woman's Home Companion, which is based on material included in his book.

IN MEMORIAM

Last Friday evening citizens of Riverton with saddened hearts attended the funeral services of late Henry H. Murray, and their presence in such great numbers bore silent tribute to the high regard in which he was held by the community.

Twenty-five years ago Mr. Murray took up his abode in Riverton. He was reserved in manner, almost to the point of being shy, but he cordially responded to the friendly overtures of those who were quick to recognize the sterling qualities he possessed. It was therefore but a short time before his standing in the borough became so well established that he was regarded as one of its leading citizens. His counsel was sought and his services enlisted whenever important questions arose or constructive action was needed.

He was not one to seek honors or public acclaim. In fact, he shrank from them, but when called upon to perform a service which he believed would be of real benefit to his fellow citizens, he never failed to answer with his time and his talents.

Primarily he was a family man, and he found his greatest contentment and happiness in his home. If he had been selfish, he would have eschewed those things which tended to encroach upon the enjoyment of his own fireside. He therefore made considerable sacrifice when he accepted public office and other civic responsibilities which claimed much of his leisure hours.

Even to his most intimate friends he rarely expressed those feelings which sprang from the innermost recesses of his heart, but on one such occasion he made a statement to the effect that the present day citizens of Riverton owed a real debt of gratitude to those who not only founded our borough on a wholesome basis but who, during their lifetime gave so freely of their time and their substance to see that it continued to function on that basis. He also pointed out that the sons and daughters of those founders had carried on after them. His thought was that newcomers who came to enjoy the benefits of such careful plans and their successful fruition should be willing and glad to do their part toward conserving that heritage. It was that thought which prompted him to join with those who were working for the best interests of the borough. That thought should be taken into our minds and into our own hearts. It is a legacy.

His personal friendship was something to prize because it was genuine, and those who enjoyed it will long remember the graceful ways in which it was manifested. His wit was keen and his humor subtle. One had to be alert not to miss some real gem of friendly banter. These memories of him will long be cherished.

BOY SCOUTS ARE BACKING PRESIDENT

In Response to Recent Radio Appeal Riverton Troop Will Collect Clothing and Furniture

At an early date the Riverton Scout Troop will get squarely behind President Roosevelt's program for the Boy Scouts of America and begin their local collection of clothing and furniture for use by local unemployed. Donations of all kinds will be solicited by the Riverton Scouts—clothing, shoes, firewood, furniture, blankets, toys, in fact any household equipment you may have stored away and are willing to share with those who need them.

At the same time the boys will canvass for old newspapers and other scrap paper, which they can sell and add the proceeds to their own treasury. Sometime soon one of these smiling lads will call at your door and ask for your donation. In the meantime, cellar your home—the storeroom, cellar and attic, see how much there is you can give to make someone else happy, and then tell this Scout when you want the Troop to call for your donation.

Scout meetings on Friday nights are growing even more interesting. In the meantime, the cellars and attics are being made for weather plans are being made for an active season out of doors. Local boys who want to participate in these good times can join the troop by applying at its headquarters any Friday evening.

THE PEOPLE'S COLUMN

County Well Managed

Riverton, N. J.
March 5, 1934.

Editor The New Era:

I have read with great interest both the charges made by Freeholder Adams and the answers and explanation submitted by Freeholder Stout to those charges.

As a citizen of Burlington County during the past twenty-five years, I have felt very proud of the record made by the Burlington County Board of Freeholders, led by Mr. Stout and ably assisted by such men as Heister, Russ, Fisher, and many others. It is my sincere opinion that if the affairs of the National Government and the States had been administered with the same care and sagacity that has been shown in Burlington County, this nation would never have suffered the hard times of the last few years.

Their same policy of reasonable and well administered improvements, with constant thought of the taxes to be imposed, has placed Burlington County in a position which is unique in the nation, both for substantial improvements and comparative freedom from debt.

Their retrenchments have been wise, and evidently planned so that former expenditures would not be wasted by neglect, but it is only fair to point out, that the distress which they are trying to alleviate by these retrenchments was not caused by their policies, but by those of municipalities and school districts over which they had no control.

It is not unreasonable to claim that if Mr. Stout and some of his associates had been called to a larger field, their methods would have made them famous.

The Borough of Riverton has also had the same good fortune during this post-war period, in the influence and leadership of such men as Bennett, Wright, Robert Biddle, Harry Murray, Flagg, Good, Davis and many others.

Very sincerely,
Taxpayer.

"Consistency Thou Art a Jewel!"

Editor The New Era:

This week we have had a striking incident of inconsistency in high places, which reminds me of the pertinent saying—"What you DO speaks so loud I cannot hear what you SAY."

On Monday our President, speaking to the assembled NRA code heads, made a demand for still shorter hours and higher wages as a means of routing the depression, applying harsh terms to those who could not go along with his program, which many have found to be impossible if they are to stay in business. He said in part:

"With millions still unemployed the power of our people to purchase and use the products of industry is still greatly curtailed. It can be increased and sustained only by striving for the lowest schedule of prices on which higher wages and increasing employment can be maintained."

"Therefore, I give to industry today this challenge: It is the immediate task of industry to reemploy more people at purchasing wages and to do it now. Only thus can we continue recovery and restore the balance we seek."

"Every examination I make and all the information I receive lead me to the inescapable conclusion that we must now consider immediate co-operation to secure increase in wages and shortening of hours."

And then, on the following day Postmaster General Farley issued an order for postmasters to curtail mail service.

Generally, it was explained, it means lopping off a delivery where there have been three or more.

Mr. Farley recommended to the House Postoffice Committee that he be permitted to slash salaries of rural mail carriers, which he estimated would save the department more than \$11,000,000 a year. This reduction affecting about 38,000 carriers, would be in lieu of consolidating routes, which Mr. Farley informed the committee, would put 9,000 carriers out of jobs.

Who are the "we" to enter into

this "cooperation"? Evidently the government is not one of the parties!

Old Timer.

Give the Boys a Lift!

Editor The New Era:

As a local resident I was very much amazed to learn that our local fire company is in debt to the extent of some three thousand dollars on a note which has been signed not by the borough or the company itself, but by some loyal members of the company.

In other words, some seven or eight members of the fire company have risked their own money and property in order to secure funds which would benefit the organization and, of course, the entire town. Our protection from fire depends solely upon the spirit of the men comprising the fire department, and money spent to promote their loyalty is actually money spent to safeguard us all.

It seems to me that something should be done to wipe out this note. Our firemen have enough responsibility in protecting us, and should not be expected to jeopardize their personal property on behalf of us all—and our homes.

It is almost a reflection upon us all to learn that of all the organizations we have in town, the only one to show a decided interest in the welfare of our fire company in recent months has been our Boy Scouts who loyally loaned several coats to the fire company when its volunteer members remained on duty at the fire house night after night during the cold wave and storms.

Isn't it time the rest of us did something?—especially about this note?

SUBSCRIBER.

ANNUAL REPORT OF DR. NEWCOMB

Head of County Hospital for Tuberculosis Reports to Freeholders

Honorable Board of Chosen Freeholders,

Board of Managers of Fair View Sanatorium.

Gentlemen:

I have the honor to present to you at this time my fifteenth annual report.

During the year 1933, there were 115 admissions, 84 discharges, and 46 deaths.

Of the admissions, 19 were minimal, 5 moderately advanced, 6 far advanced, 4 non-tuberculous, 1 childhood tuberculosis, 2 for observation; readmissions, 8 minimal, 1 moderately advanced, and 12 far advanced. Of the discharges, 9 were arrested, 1 apparently arrested, 10 quiescent, 47 improved, 14 unimproved, and 3 non-tuberculous.

I wish again to call your attention to the increase in the number of patients from Burlington County. In 1932, we averaged 58.5 patients per day; this year we averaged 64.85. This increase shows that we are having fewer contacts in the home, because the patient has been removed to the Sanatorium. Every case of tuberculosis comes from another case. Removing the foci of infection will reduce the incidence of tuberculosis in our County in the future. However, I fear that there will be a temporary increase in tuberculosis due to the depression, which has caused undernourishment, poor housing conditions, overcrowding, and insufficient clothing.

The number of Burlington County patient days was 23,672. Our total number of patient days was 42,375, with an average of 116.09 patients per day. This is a little lower than our average last year. There were 169,942 meals served during the year.

Our dental clinic has continued to do excellent work through the year. This is one of the very important departments of the Sanatorium.

We have had the usual number of changes in the personnel of our nursing staff and other employees.

We have had about the usual number of replacements. I wish to call your attention to the number of improvements which have been made during the year, viz: the entire heating system of the old building has been modernized with the two-pipe vapor system; the infirmary building is nearly completed with the same

system. When this is completed, every building will have an up-to-date vapor system, which, the engineers tell me, will cut down our steam consumption at least 25 per cent. We made two new rooms for nurses on the second floor porch of the Nurses' Home. We built a pork house, and are now building a shed for farming implements and autos. All of these improvements have been made and paid for from our maintenance fund, and nearly all have been done with our own mechanics. I am very much pleased to give you the report of our garden, which will speak for itself. By an arrangement with the Superintendent of Four Mile Colony, Dr. C. T. Jones, our canning has been done at the Colony.

Receipts	
Vegetables	\$ 366.05
Pork	427.34
Sale of Seed Corn	64.75
Canned Goods	493.59
Total	\$1,351.73

Expenses	
20 Pigs	\$ 50.00
New York Manure	174.15
Farmer's Salary	600.00
Seeds	43.78
Horse's Board	200.00
Fertilizer	64.17
Extra Labor	50.00
New Rollers	42.75
Plow Repairs	3.30
Total	\$1,226.15

This leaves a balance of \$123.58 in favor of the garden. We now have enough tomatoes, string beans and beets to last until they come again. We also have 12 large hogs and 20 nice shoats.

In our financial statement, you

will note that our income from patients is lower than last year. This is due to the fact that we reduced the rate for outside patients; and that we have fewer outside patients on account of an increase in the number of patients from our own County. Also please note that the amount spent for the year 1933 was \$9,097.03 less than we spent during the year 1932.

Financial Statement

Amount spent for maintenance	\$104,402.97
Amount received from patients	57,118.64
Amount received from State	22,623.78
Total Amount paid	\$79,742.42
Total cost to taxpayers	\$24,660.55
Total per capita cost	\$2.463
Total number of patient days	42,375
Burlington Co. patient days	23,672
Number of meals served	169,942

We have had many donations and gifts from organizations and individuals all over the County, and I wish to take this opportunity to thank each and every one for these contributions. They have all been very useful to our patients.

This report would not be complete if I did not mention the fine cooperation and help I have received from Dr. Samuel Busansky throughout the year.

We have been exceedingly fortunate in securing the services of Mrs. Florence E. Evans, one of our former Superintendents, who, without a doubt is the best and most capable superintendent we have ever had. I am glad to report that, under her management, the Sanatorium seems to be running smoothly.

I wish to thank our Nursing Staff and all other employees for their loyalty and cooperation.

I wish to thank you, the Board of Chosen Freeholders, and you, the Board of Managers for your interest in the Sanatorium and your confidence in me. It has been a pleasure

to work with you. With a continu-

ance of this spirit, I believe we shall accomplish even better results during the next year.

Respectfully submitted,
MARCUS W. NEWCOMB, M.D.,
Medical Director.

TIPS ON GROWING

BY ONE WHO GREW UP IN THE BUSINESS

I saw a flower of the new Single Hybrid-Polyantha Rose, Karen Poulsen today—the first flower on the forced plant in a greenhouse, and, if the blooms on the plant when grown in the garden are half as nice as this, I certainly must have it for my Rose Garden. Karen's sisters, Elsie, the rose pink variety, and Kirsten, the glistering bright scarlet, are covered with flowers throughout the summer, making the rose garden a joy at all times whether or not there is a dearth of the Teas, but Karen, the new Poulsen variety, is positively the beauty of the family where all are handsome—a vivid sparkling bright scarlet, with petals much larger, and more flattened it seemed to me than the others, brightened by golden stamens. If it proves as gloriferous as the other two it is a sure-fire success.

This variety was awarded the gold medal at the National Rose Society's Show in London in 1933. It is said to produce broad clusters of as many as fifty flowers in a cluster. Like the other Hybrid-Polyantha it is absolutely hardy, needing no protection whatever.

Perhaps your Amaryllis not flowering is due to an insufficient resting period.

When bulbs are lifted in the fall or even new bulbs purchased from the nurseryman, they should be stored whether potted or not, in a cool, dry place, withholding all water for six weeks or so, then bringing into warmth and light, but even then watering sparingly for a week or so until the bulbs start to push forth roots. Really they should not be started until February.

Among the prominent judges at the forthcoming flower shows to be held in March at Boston, New York and Philadelphia, is Sir Frederick W. Moore, curator of the famous Trinity College Botanic Gardens and holder of the coveted Victoria Medal of Honor, also the Veitch Memorial Medal, being knighted in 1911 for horticultural services.

When pruning shrubs this spring only cut back the late flowering kinds, that is the summer and early fall blooming sorts like Hydrangea paniculata grandiflora, Arborescens grandiflora, Spiraea Anthony Waterhouse, if they require pruning, until after their flowering season. Shrubs as a rule require but little pruning—simply the removal of old, weak or the trimming back of straggly unsightly branches.

"Birds of the Wild, How to Make Your Home their Home" by Frank C. Pellett (De La Mare Co.) will prove of interest to the lover of birds who wishes to attract them to his home garden. During this period while the ground is either snow-covered or frozen, it would be kind to establish feeding stations of suet, seeds, grain and crumbs for the

WINS APPOINTMENT

Wayne P. Conway, of Riverton, received the appointment of Educational Advisor for C.C.C. Camps of the Federal Government, this week. Conway received the appointment by virtue of a competitive examination conducted by the Department of the Interior and his first assignment will be in Morristown, N. J.

PLACED ON PROBATION

John Tibbott, 20 years old, residing at 704 Main street, Riverton, was arrested Tuesday and charged with petty larceny in the theft of a .22 calibre rifle, from the home of a neighbor.

At a hearing before Recorder Cecil A. Bowers in the police court Tuesday night, Tibbott pleaded guilty and was given a suspended sentence and was placed on two years' probation being required to make weekly reports to the Riverton police.

Officers William Gootes and John Robinson made the arrest and preferred the charges. Recorder Bowers imposed the long probationary period in the light of it being the lad's second offense in the past few months.

How One Woman Lost 20 Pounds of Fat

Lost Her Prominent Hips, Double Chin, Sluggishness

Gained Physical Vigor—A Shapely Figure

If you're fat—first remove the cause.

Take one half teaspoonful of KRUSCHEN SALT in a glass of hot water every morning—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALT from L. L. Keating, or any leading druggist anywhere in America (lasts 4 weeks). If this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—your money gladly returned.

Genius creates—talent imitates.

PRICE FIVE CENTS

LOCALS LOSE TO DELAIR M.E. "5"

Reserves Chalk Up 29-20 Win While First Team Takes 33-25 Defeat

By "BAT"

In a double contest staged at Robert's Hall Monday night, Dick Steele's local passers lost the wind-up 33-24, but triumphed in the preliminary 29-20.

In the feature contest the score stood 14-11 at halftime, but in the remaining 20 minutes the visitors spurted on to a 33-25 victory.

Starring for Riverton was Peterson with 8 points and "Rube" Gootie with 6. Gunderson garnered 9 counters to lead Delair's scorers.

In the Reserve team game Riverton overcame an early Delair lead to make it 15-9 favor them at the first half.

In the third quarter Delair threatened twice to tie the score, but the locals tightened up and sank two field-goals to make the score 19-17 at the end of the third period.

In the final quarter Riverton played rings around the visitors to finish the tussle with a 29-20 Riverton victory.

"PALS" TRAMPLE MOORESTOWN FOE

Landgraf Scores Heavily As Dimondmen Advance In Tournament Play

By "BAT"

Palmyra High's champion-aspiring passers downed Haddon Heights 33-16 on Wednesday and came back Friday to trounce Paul Isenberg's Moorestown quintet 44-24 at the Camden Convention Hall.

The game with Haddon Heights proved a complete rout when Landgraf and Sacca of the Pals scored consistently along with Carpenter and Finn.

This game was the first tiff in a series of tournament plays to decide Group III Championship team of South Jersey. By virtue of their initial win over the "Heighters," the Dimondmen net Moorestown in the second round of the fracas.

Again co-starring for the locals were Landgraf and Sacca, while Carpenter followed closely in the scoring column.

The Red and White gathered an easy lead of 12 to 5 in the first quarter, but slackened a little in the second which ended 19-11, still in their favor.

At the start of the second half the Red and White stepped out and netted 15 additional markers to the Quakers' 5. However, the final chukker was waged rather even as both teams garnered 10 points.

IN OTHER WORDS—PLEASE REMIT

The rose is red, the violet blue, This little bill I owe you— So pay it now—don't wait till then The rose and violet bloom again; For if you do delay it thus No violet will bloom for us. Unless you pay, the rose will rest Upon a fair and manly chest; The birds will sing but what of that? We will not hear where we are at— So come across, we need the dough, Not in the spring, but now, you know.

The rose is red, the violet blue— Do we need cash? I'LL SAY WE DO! —Brussels Post.

SPORTS FLASHES

By Lightning

Here we are back again in the second appearance of our new column

A little comment and compliment to Palmyra High's basketball team. They have now advanced to the final rounds in the South Jersey Tournament. If they win (and nobody says they won't!) they will journey to Asbury Park and meet the "Champs" of North Jersey. 7 to 1 says they clean-up!

Speakin' of clean-ups why don't somebody clean-up a few of these "wraslin'" referees? The one at the Camden Armory Thursday simply handed that bout to Ernie Dusek. Oh, well! Maybe that's his living. (Or should we say bonus?) "Yes, ve vas der, Sharley!"

Coach Sipple's high school lassies lost to Camden Catholic, eh? Oh, well, that makes them "even." (Even worse than last game.)

"El Preen" was too much for Tommy Loughran after all. Yow-sah, just 86 lbs. too much, not to mention a size 21 shoe. Another example of poor refereeing! Sompin' oughta be done about this "totten rei sitchyashun."

Landgraf of the "Pals" scored 15 pts on the "Heighters" and then sank 13 on the Quakers—Tush, Tush, we hear he spent all his time on the "merry-go-round" this summer.

A big surprise for the "mat addicts." "Big" Jim Browning, recognized in New York as World heavyweight champion, has signed to meet either Ernie (Dirty) Dusek, Gino Garibaldi or Sandor Szabo, depending on the outcomes of their bouts to-night. It was whispered about Camden that they are to fight a week from tonight, Thursday the 15th.

That's all! Hold the reins till next week.

BRIDGE BIDS

Last Friday the Burlington County Board of Freeholders received bids for the construction of a new bridge over the Rancocas creek at Delanco as follows:

Kolyn Construction Co., Trenton: A, lump sum, \$274,250.00; alternate B, \$258,000.00; alternate C, \$248,800.00.

Merritt, Chapman, McLean Corp., Baltimore: C, \$283,000.00.

J. H. Terry & Co., Philadelphia: A, lump sum, \$253,721.00; alternate B, \$229,931.00; alternate C, \$228,141.00.

No contract was awarded owing to the fact that the lowest bid was about \$50,000.00 higher than was anticipated by the Board.

It was expected to receive a \$50,000.00 grant from the Federal Emergency Fund toward the cost of construction.

Lesson in Civics

Teacher (after the lesson on physical force): "Now, boys, can any of you tell me what force it is that moves people along the street?"

Brilliant Pupil: "Please, sir, the police force."

Not So Good

Lady (who fancies she can sing): "The gentleman to whom you introduced me said he would like to have my voice. What is his profession?"

"Auctioneer,"—Passing Show.

PALMYRA GIRLS LOSE TO C.C.H.S.

High School Sextet Drops Early Lead to Go Down In 33-25 Score

By "BAT"

Coach Sipple's fair charges lost the return tussle at Camden Catholic High's gym Friday, after beating the "Cams" in the first meeting at Palmyra.

The local lassies assumed the handy lead of 14-9 at the first period, but the score stood twenty all at halftime.

In the second half Camden scorched the net for 7 more counters, while the Palmyra girls collected only one.

In the final period Camden Catholic gathered 6 more to the local misses' 4, making the final score 33-25.

For the Camdenites Miss McKirney netted 25 points, while Misses Hercher and Stevens totaled 11 and 10 respectively.

Lone Star Juniors

The Lone Star Juniors handed the Junior High Y a defeat March 1, by the score of 16-9.

Shea started the game by rolling up three field goals for the Stars. Geiss followed by sinking a field goal for the Junior High Y. Hahn of the Hi Y ripped the cords for two more counters, tying the score at the quarter 6-6.

The second quarter started with a play by the Stars with DiPrizio having a clear floor for another goal. Shea tallied two more field goals and the half ended 12-6.

In the third quarter there was not as much action and it ended 16-7.

The last quarter the Stars did not score but Redfield of the Hi Y sank a field goal ending the game 16-9 in the Stars favor.

SUNRISE SERVICE AT LAKEVIEW

Second Annual Moravian Easter Dawn Service at Memorial Park

Easter Sunday, (April 1) at 5:15 a.m., just at the break of dawn, more than 25,000 people will congregate at Lakeview Memorial Park, in one of the greatest demonstrations of common Christian faith ever held in South Jersey.

As the ancient trumpets peal forth their message, and as the sun appears over the horizon, a massed choir of more than 400 voices will proclaim to the world, "He is risen."

While this service will be conducted by the Moravian Churches of Palmyra and Riverside, it is truly non-sectarian in character. Churches of every denomination have been invited to attend and take part in this service. Many churches have signified their willingness to participate.

This service is indeed an inspiring sight. Each member of the choir of four hundred voices, will be dressed in a white surplice, and to see them before the great stone altar, banked with lilacs and palms, which is situated on the hillside overlooking the lake in Lakeview Memorial Park, and to hear their voices in the open air at the break of dawn, is a most impressive ceremony.

Following the musical program by this wonderful choir, the Reverend Robert K. Stansfield and Reverend A. J. Harke of the Moravian Churches of Riverside and Palmyra, will deliver the liturgy, which will be used by the Moravian Churches throughout the world, for the observance of the 202nd consecutive Easter Sunrise Service.

The first Moravian Easter Sunrise Service in America was conducted in Bethlehem, Pa. in 1743. Since then, every Easter the Sunrise Service has attracted national interest and in recent years by more than 45,000 people.

This historical Easter Sunrise Service will be held by this and future generations at Lakeview Memorial Park, as the beauty and charm of the Park is truly a superb setting for this beautiful service.

This year marks the second annual service to be held at Lakeview. The program will start at 5:15 a.m. and will be broadcast over Radio Station WCAM. Loud speakers will be placed throughout Lakeview Memorial Park so that all who attend may hear the service perfectly.

A large force of traffic police and ushers will patrol all roads leading to and from Lakeview Memorial Park, starting at 4:00 a.m., to properly handle the traffic so that there will be no difficulty in parking.

Arrangements have been made to take care of more than 25,000 people and ample parking space will be provided for more than 10,000 cars.

Public Service buses are scheduled to operate from all surrounding communities, so that there shall be no difficulty in transportation.

To Buy New Car

Frank Cook, the other new member of the board, offered a resolution, which was passed authorizing the director of public affairs to exchange the Ford car now being used by that department for a new one, trading in the old car, at a cash outlay not to exceed \$352.80.

Charles R. Stout, director of roads, presented the following resolution, which he asked the representatives of the press to give publicity in the interests of public safety.

"The Director of Roads desires to report that due to the severity of the winter and the rapidly with which the frost has come out of the ground, many of the roads in the county highway system have been developed. The road department is busy temporarily repairing these places, but due to the season of the year, and the excessive moisture in the ground, it is impossible to make a permanent job."

All motorists using the county roads are cautioned to use extreme care while driving, for until the frost is out of the ground these highways may develop anywhere, and cause a serious accident."

On resolution by Mr. Stout the Public Service was granted permission to erect nineteen poles on the (continued on page 4)

COUNTY SERVICE FOR UNEMPLOYED

Positions Found for Professional and Commercial as Well as Industrial Workers

An intensive drive is now being started by National Reemployment Service, to acquaint commercial and business houses of Burlington County with the facilities and service of the office.

The manager, W. E. Darnell, states, "Our records of the past two months reveal a definite upturn in business. We believe the demand by private business for increased employment will continue on through the spring months. It is for this reason we are conducting a campaign to let employers know that we are in a position to supply their needs."

We further emphasize the fact that this office, which is affiliated with the United States Employment Service, is fully equipped to meet professional and commercial requirements as well as industrial.

Mr. Darnell announced that any employers wishing help should communicate with the employment office, 13 Brainard St., Mount Holly, Phone 808. Applicants will have prompt attention.

WM. A. MAJOR, JR. WINS PROMOTION

Now Agent of Public Service Office in Camden, Where He Was Assistant

Upon the promotion of Preston D. Gardner to Southern Division agent of the commercial department of Public Service Electric and Gas Company, succeeding George E. Reed, who died February 28, William A. Major, Jr., was advanced to agent of the Camden office where he had been assistant to Mr. Gardner. C. Robert Jenter, chief clerk in the Trenton commercial office, becomes assistant agent at Camden. The appointments are effective March 15.

Mr. Major entered the employ of Public Service in April 1910 as a clerk in the Riverton commercial office of the company. He remained there until 1916 when he was transferred to the Burlington commercial office as chief clerk. A year later he was made head bookkeeper at Camden commercial office. During the World War, Mr. Major served with the Fifth Engineers and was stationed at Camp Humphries, Virginia. After the war he returned to his position with Public Service as head bookkeeper in Camden and was later assigned to the traveling auditor's staff on which he remained until May 1927 when he was appointed assistant agent at Camden commercial office. Mr. Major is a graduate of Riverton public school and Camden Business College. He is married, has one daughter and lives at 400 Morgan avenue, Palmyra.

LECTURER SPEAKS ON 'RUSSIA TODAY'

Great Stress Being Laid on Education, and Moral and Physical Training

Wilfrid Percy Bartlett delivered an interesting lecture on Russia at the Porch Club last night.

Mr. Bartlett said that everything one hears about Russia is correct—the difficulty is to get a proper assortment of facts upon which to base a just conclusion.

The news coming out of Russia immediately following the War was adverse for two reasons: (1) brutality was the order of the day; (2) surrounding countries through which news had to come were hostile to the Soviet regime.

Q. B. Shaw thinks Soviets fine, but continues to live in England.

Russia today presents a very drab picture. There is want, but not the want that prevails through uneven distribution of wealth. People are clothed decently, if roughly; and life in all its phases is rigorous. But the shortage imposed by insufficient supply and incomplete development is evenly distributed. Thus there is little actual misery. The fare in general would prove highly distasteful to Americans; but in every respect it is better than before the revolution, so far as the masses are concerned. Rail service and transportation in general is poor in spite of great development in these lines. But what must be remembered is that these people never had these things at all, and consequently prize themselves considerably on accomplishments so far.

Of great importance are the social advantages extended: theatres, cinemas, operas, museums, athletics, houses of rest and culture, sanitariums, and hospitals. In most respects these things differ little from similar institutions of our own; but things we would take for granted are marvels in the eyes of the Russian.

These social advantages are provided, and the people must avail themselves thereof. It is considered part of their general development that no phase of their lives—mental, moral, or physical—is allowed to be neglected. Of particular interest is the wide variety of uses to which these various institutions are put. Education is not merely the education we know, but information and training looking to every phase of human development. Museums, school, and cinemas are employed to "sell" communism to the people, to persuade them of the curse of strong drink and immorality, to illustrate industrial methods, etc. There is more printing done in Russia today than in any other country. Their educational program is one of the most monumental projects of all time.

All social relationships are based on the development of the younger generation. Parental responsibility in the case of children is very great, punishment often being visited upon the parents for malfeasances on the part of the children.

Marriage and divorce are very simple, and involve no red tape, except that where there is issue, provision must be made.

In the first Five Year Plan heavy industry was stressed, for obvious reasons. Now there is demand for more consumer goods, resulting in a shift of emphasis to the lighter industries. Agriculture has been the most difficult problem; but though the indoctrination of the peasants was a slow job, they are now pretty well "collectivized" and are producing in much greater quantities. This means more food at home and a greater export surplus with which to buy materials and expert assistance from abroad. The plan is to reduce the necessity for importing by domestic development; but this, of course, looks far into the future.

CARD OF THANKS

We desire to express our appreciation to those who tendered sympathy and assistance in our recent bereavement, and to thank those who sent cars and flowers to the funeral.

John W. Willis and Family.

Miss Margaret I. Vaughan, of Bank avenue, is stopping at the Clarendon Hotel, Daytona Beach, Florida.

RIVERTON

J. Reece Lewis, son of Mr. and Mrs. Clement B. Lewis, Riverton, played the part of the marquis in "The Minuet," by Louis Parker, one of the three one-act plays presented by the Senior Class at George School on Saturday, March 10th. Reece is a member of the Glee Club and the Mixed Chorus, and is a member of Aoida, a musical society at George School.

Mrs. Alexander Murphy, of 405 Elm avenue, entertained the Sewing Circle at luncheon Tuesday.

The covered dish supper held by the Compas Club in the P.O.S. of A. Hall Friday evening was a success. About sixty were present and cards followed the supper.

Mrs. W. L. Caskey, who was severely injured several weeks ago in an automobile accident on Burlington Pike, is slowly improving.

Mrs. A. M. Bowker has returned to her home on Elm avenue after spending two weeks in Jacksonville, Florida.

Mrs. Leslie Reeves, of Gloucester, was visiting in Riverton Monday.

A miscellaneous shower was tendered Miss Betty Stevens at her home in Palmyra, Monday night.

Mrs. Alma Evans, W.D.D. of the O.E.S. of New Jersey, with other Grand Officers will attend a reception in honor of the Grand Organist Sister Karg, at Newark, on Saturday evening. On Sunday they are planning to visit the Mission where the Most Worthy Grand Matron has charge.

Mrs. S. D. Albertson entertained at tea for the Philathea class at her home in Palmyra, Tuesday afternoon.

The Horton-McCord ten piece band has just completed a two-week engagement in a popular Philadelphia ballroom.

Mr. and Mrs. Lewis Bell, of Camden, were weekend visitors at the home of his parents, Mr. and Mrs. Clarence Bell, Sr.

Mr. and Mrs. Harold Wright, of Mount Holly, Mrs. Carrie Hyland and Mrs. Pearl Hiles, of Moorestown and Mrs. Alma Evans, of Riverton, W.D.D. of the O.E.S., attended the official visitation of Vine-land Chapter O.E.S., Tuesday evening.

Moses Brown School held its annual handicap swimming meet Saturday afternoon. Samuel Biddle took two second places—one, in the 100-yard freestyle, and in the backstroke. He is the son of Mr. and Mrs. Charles M. Biddle, Jr., of Riverton.

Rev. and Mrs. Albert Stradling, missionaries to Central America, will arrive in New York on Friday, March 30th. They have been in the field for five years. Upon arriving in this country they will go to Ocean Grove, New Jersey, to remain with Mrs. Stradling's parents, Mr. and Mrs. J. E. Shelby.

Mrs. Victor Ritschard, of 302 Eighth street, is stopping at Chalfonte-Haddon Hall, Atlantic City.

BURLINGTON CO. BASEBALL LEAGUE

Meeting to Be Held March 26th to Organize Major and Minor Circuits

President Lawrence G. Mingin has called a special meeting of the Burlington County Baseball League for Monday evening, March 26th, 1934, at 8 o'clock, at the Court House, Mount Holly, for the purpose of organizing the Major and Minor Circuits of said league for the coming season. All clubs holding a franchise in the league last season are urged to make a special effort to have the clubs represented at this meeting. All other clubs interested in a franchise for the coming season are invited to send representatives to the meeting.

YWCA DRIVE FOR FUNDS IS NOW ON

Nearly 1000 Girls in Burlington County Enjoy Benefits of Club Activities

The Burlington County Young Women's Christian Association, which is the principal character-building agency in the county working in the interest of women and girls, is planning to hold its annual membership and finance campaign March 11-30.

There are at present forty-two Girl Reserve Clubs in the county association, with a membership of nearly one thousand girls. These include both white and colored groups, ranging from 11 to 19 years of age. In Riverton and Palmyra there are five Girl Reserve clubs with a membership of approximately 100 girls. Through their clubs, the girls learn many handicrafts and hobbies, take part in dramatics, enjoy camping and educational trips, come together from all parts of the county for regular senior and junior council meetings, and send delegates to district and interstate conferences.

Three Business and Industrial Girl's Clubs, as well as two branch Associations, are affiliated with the county organization. The county board, composed of representative women throughout the area, plans and helps to carry out through its various committees the program of the association.

In spite of the reduced income and a consequent reduction in staff, the YWCA has endeavored to maintain its program of activities and service throughout the depression.

The minimum budget for 1934 is \$3700, but it is hoped that it will be possible to obtain a larger amount in order that the increasing demands upon the association for service may be met.

The campaign is under the general direction of Mrs. William Grobler, of Moorestown, county membership chairman. Reports of progress will be made at the regular monthly meeting of the county YWCA board to be held Tuesday, March 20, in the Mt. Holly YWCA clubrooms.

Judge: "This lady says you tried to speak to her at the station."

Salesman: "It was a mistake. I was looking for my friend's sister, whom I had never seen before, but who's been described to me as a handsome blonde with classic features, fine complexion, perfect figure, beautifully dressed."

Witness: "I don't care to prosecute the gentleman. Anyone might have made the same mistake."—U. S. C. Circle.

Primo Carnero, the heavyweight boxing champion, wears a size 21 shoe. No wonder it is so hard to knock him off his feet.

COLLINS SELLING NEW FRIGIDAIRE

Demonstrations Being Given in Showrooms of Five Stores of Well-known Firm

The firm of J. S. Collins & Son, Inc., has announced that it has just become a Frigidaire-dealer for this section. New models are now displayed on all of the company's showrooms floors.

"It gives us great pleasure," says a product issued Tuesday, "to announce that we have secured the sales franchise for the world's best-known refrigerator—Frigidaire."

"We now have on our showrooms floors at Moorestown, Riverton, Riverside, Merchantville and Maple Shade—ready for inspection and demonstration—the most sensational Frigidaire ever built. It actually uses less current than one ordinary lamp bulb. And with this amazing economy there's a quarter more food space in a cabinet of smaller outside dimensions."

"We are also showing the new super series Frigidaire in porcelain-on-steel inside and out. This, by all odds, is the greatest Frigidaire ever built."

"We cordially invite our many friends to visit their nearest showroom and inspect our new line."

PEACE-TIME HEROES RECEIVE AWARDS

Bell Telephone Woman Given Vail Medal for Personal Heroism

Annual awards by the Theodore N. Vail Memorial Committee for New Jersey, in recognition of acts of personal heroism and noteworthy public service on the part of telephone men and women, include this year a single Vail Medal award and honorable mention to two individuals.

The Vail awards, highest honors the industry can bestow, perpetuate the memory of the late Theodore N. Vail of Morristown, Jerseyman and outstanding pioneer leader of the telephone business. The only medal to be awarded this year in New Jersey goes to Mrs. Mary S. Gould of Englishtown, who is agent for the New Jersey Bell Telephone Company there.

The act for which the award has been made occurred June 10, 1933 when, about 3:30 o'clock in the morning, a most severe electric and wind storm swept through that part of Monmouth county. Alone on duty in the central office, Mrs. Gould discovered that the storm had isolated the entire community from the rest of the world so far as the telephone system was concerned. Placing a daughter in charge of the switchboard, Mrs. Gould promptly braved the worst of the storm to drive before dawn in her automobile partly by road and, where necessary to get around falling or fallen trees and poles, through fields, six miles to Freehold to obtain help.

Impelled by Electric Wires

On several occasions she was obliged to stop her car to remove obstacles in the road. The tangled wires of an electric line impeded her safety. Twice where the storm damage was worst she used her flashlight to obtain the numbers of the poles, in order to direct repair crews.

Arriving at Freehold she found the wire chief there and gave such detailed information of the damage and its location that contact with the outside was restored for Englishtown telephone users hours earlier than would have been possible otherwise.

Honorable mention was given by the committee to John W. Osborne of 20 Northview Avenue, Upper Montclair, deskman in the Orange central office, for effective use of first aid training in applying a tourniquet to stop bleeding, and otherwise caring for Mrs. Emma Crelin, elderly West Orange woman injured in an accident in South Center street, Orange, April 23, 1933. It was the opinion of ambulance doctors and others that Osborne's prompt action probably saved Mrs. Crelin's life.

Honorable mention was given also to Vernon E. Dickerson of High street, Burlington, a Trenton telephone plant man, for use of first aid training on the early morning of June 2, 1933, at the scene of an accident between two trucks on the Burlington-Florence road, when Carroll Bell of Virginia, helper on one of the trucks, was bleeding to death from a series of cuts on the head which later necessitated thirty stitches.

Osborne had recently completed his first telephone course in first aid. Dickerson has been active in first aid instruction since 1915.

DESIDENT MAN COMMITS SUICIDE
Builder Out of Work for Two Years, Ends Life by Hanging in Cellar

Despondency over his inability to get work for two years is said to have caused George W. Loper, 54 years old, 905 Washington avenue, Palmyra, to commit suicide Saturday afternoon by hanging himself in the cellar of his home.

Capt. Joseph Rodgers of the Palmyra police department was notified. He called Dr. Dean H. LeFavor who pronounced the man dead and notified Coroner William O. Cunningham, of Riverside, who issued the death certificate, giving "suicide by hanging" as the cause.

Mr. Loper, who was a contractor and builder and had been out of work for some time, resided with his wife and daughter, Miss Katherine Loper.

GARAGE FIRE
A garage in the rear of the home of Edwin A. Parker, Parry avenue, Palmyra, and two automobiles, were destroyed by fire last Tuesday night.

Palmyra firemen, under the direction of Chief Joseph L. Stack, fought the flames, which destroyed a truck and sedan. Damage is estimated at about \$2,000.

Defective wiring is believed to have started the blaze.

THE PEOPLE'S COLUMN

APPRECIATION

BOROUGH OF RIVERTON
RIVERTON, N. J.

March 13, 1934.

Riverton Fire Company, Riverton, N. J.

Gentlemen:

These few lines will convey to you the sincere thanks and appreciation of the Mayor and Council of the Borough of Riverton for the valuable service rendered during the recent cold spell, especially to those men who volunteered their services and spent the night in the Riverton Fire House in readiness for service.

The taxpayers of Riverton should feel very proud of the Riverton Fire Company, knowing that they always have their interest at heart and ready to serve at all times.

Very truly yours,
Daniel M. Clifton,
Borough Clerk.

Job for Town Meeting

Editor The New Era:

If "Subscriber" was correct in his discussion of the Fire Company's finances, it certainly seems to me that all of the citizens of Riverton should immediately get to work to drive before dawn in their automobile partly by road and, where necessary to get around falling or fallen trees and poles, through fields, six miles to Freehold to obtain help.

This is a job for our newly-formed Town Meeting and, to me, the sooner the Town Meeting considers the subject, the better off we all will be. We certainly can't have our firemen going in debt for our protection.

Why shouldn't the next meeting of Town Meeting be Fire Company night? At that time plans could be made to be of financial assistance to a group of men who deserve our wholehearted support.

Subscriber II.

APPRECIATION

February 26, 1934.

Riverton Fire Company.

Gentlemen: We, at 804 Main, wish to thank you all for responding so quickly and efficiently last evening when our chimney got to acting up.

It is a mighty comfortable thing to feel that you are always on guard against disaster that may come to any home—especially such days and nights as we have been having lately—and the fact that many of you often remain at your posts all night in the event of emergency is not lost upon us.

With sincere regards and appreciation,
Edwin S. Parry.

DESIDENT MAN COMMITS SUICIDE

Builder Out of Work for Two Years, Ends Life by Hanging in Cellar

FATHERS' NIGHT AT SACRED HEART PTA

"Merrie Land o' Magic" Will Be Presented by Pupils of School

The Sacred Heart Parent-Teacher Association extends an invitation to all the adult members of the parish to attend the annual Fathers' Day entertainment, to be held Sunday afternoon, March 18, at 2:15, in the auditorium of the school.

An operetta entitled "Merrie Land o' Magic" will be presented by the school children under the able direction of Sister Patricia Ann. Sister Clara Frances will assist at the piano.

The guest speaker will be Dan McCowan, noted Canadian lecturer, from Banas, Canada, who will take as his subject "Naturalists in the Canadian Rockies."

The children's work will be displayed in the classrooms and Sisters will be there to discuss any problems with parents who may wish to discuss them at this time.

It is hoped by the president, Mrs. R. E. Sanford, that a large attendance will be present.

The wife and daughter of Colonel Berry, camp commander, came to the gate after taps and demanded admission. The sentry objected.

"But, my dear man, you don't understand," expostulated the older woman. "We are the Berry's."

"I don't care if you're the cat's whiskers," retorted the sentry. "You can't get in at this hour."—Trolley Topics

FOOD SALE
The Sacred Heart Parent-Teacher Association will hold a food sale in the auditorium of the school on Thursday, March 22, from 2 to 4 o'clock.

The first grade mothers will be in charge of this sale, with Mrs. Alvin A. Holman as chairman.

Mrs. Holman will appreciate calling her attention to any special dish that you would care to order.

We are now selling Frigidaire in Riverton and Palmyra

We cordially invite our friends to pay us a visit

It gives us great pleasure to announce that we have secured the sales franchise for the world's best-known refrigerator—Frigidaire.

We now have on our showroom floor—ready for inspection and demonstration—the most sensational Frigidaire ever built. It actually uses less current than one ordinary lamp bulb!

And with this amazing economy there's 1/4 more food space in a cabinet of smaller outside dimensions. There's automatic defrosting—ice trays that slide out at the touch of a finger—cold storage space—room for tall containers.

We are also showing the new Super Series Frigidaire in Porcelain-on-steel inside and out. This, by all odds, is the finest Frigidaire ever built. Never before have so many conveniences been assembled in one refrigerator.

We cordially invite you to pay us a visit and to see for yourself why you can't afford to be satisfied with less than a genuine Frigidaire.

THREE HURT IN MORNING CRASH

Palmyra Car Struck at Levick Street, Tacony, and Occupants Injured

Israel Groff, of Fifth street, West Palmyra, suffered a fractured skull in an automobile accident in Tacony last Friday.

John Schettler, of New Jersey avenue, driver of the car in which Groff was riding, says that he was crossing Torresdale avenue at Levick street, and noticed a car approaching about half a block away. Figuring that he had time to cross, he proceeded, and was struck in the rear by the approaching car, driven by Albert Snyder, of 6744 Tulip street, Tacony.

The Schettler car was turned completely around and pushed into the stone wall on Torresdale avenue. Groff, who was injured, was taken to the Frankford Hospital and did not regain consciousness until Wednesday night.

Riding in the car with Groff and Schettler were Mrs. Martha Grundel, of New Jersey avenue, who was bruised, and Harry Ward, of 512 Orchard avenue, Palmyra, who also suffered bruises.

The accident happened about seven o'clock in the morning.

CINNAMINSON SCHOOL AND PTA

The study class last week was ably led by Mrs. Harold West, who talked to the largest number that has been present this year.

The subject, "Relations of Parents to Children," opened the way for much discussion. The interest evinced is very encouraging.

"Hobby Night," too, was a satisfaction. The Glee Club was ready to furnished enjoyment for others as well as itself. The hobbies drew some to the shop, some to the kitchen, etc., while others elected to pitch quilts.

One of the class rooms was cleared for dancing, where the younger set enjoyed themselves under unobtrusive supervision; so many of the elders joined them, that it was decided to turn over the back of the auditorium for the purpose the next time, where they may have more room.

A visit to school number four was an inspiration. The work done by these children, under their devoted teachers, is so unusual and colorful that it takes time to assimilate it all. Everyday subjects are embodied in books that glorify the commonplace, and must help impress even trivial happenings on the mind.

The neatness is especially admirable.

Publicity.

COVERED DISH LUNCHEON

The ladies of the In-As-Much-Bible Class of the Epworth M. E. Church will hold a covered dish luncheon at the church Tuesday, March 20, at 1:00 p. m. The luncheon will be served in the social hall. All members are urged to attend.

Work is anything we must do; play anything we want to do.

CHURCH NEWS

CALVARY PRESBYTERIAN CHURCH

7:30 p. m., Evening service: Gospel service. The pastor will present in outline "God's Plan of the Ages." This outline will be illustrated by charts beautifully colored on lantern slides. Don't miss seeing these.

Wednesday, 8:00 p. m., Bible Study and Prayer service.

Thursday, March 22. Social meeting of the Willing Workers at 2:00 p. m., at the home of Miss Helen

loved to damage done to filing cabinet.

Freeholder McCormack, director of bridges, reported the receipt of bids for placing lights on the Cretion bridge as required by the Department of Navigation.

The figures were as follows: Nelson D. Myers, \$367.93; E. A. Pfau, \$380.85; Benj. Goldy & Son, \$410.00.

The following department bills were ordered paid: Finance, \$2,453.98; roads, \$21,528.82; bridges, \$2,163.06; buildings, \$15,950.12; affairs, \$8,724.18. Total, \$50,829.16.

Y.M.C.A. BRIEFS

Leaders' Meeting
A fine cross section of the young men of our community met at a dinner meeting and discussed the program of the Y. James Davidson presided. Reports of the basketball situation, the referee and coach of the league, J. J. Suddall, the only representative of the board of directors present told of the stamp club and its exhibit on the 23rd. Reverend White was welcomed into the fellowship as the new leader of the Riverton colored boys. William Schopp was present for the first time as he plans to work with a special hobby club.

Emergency Funds Low
Notification was received from the State Emergency Relief Administration that there would not be sufficient funds to finance the projects granted for Burlington county, and the freeholders were requested to supply materials for the projects, the Emergency Relief to provide the labor. The communication was received and filed.

Mr. Stout expressed the opinion that the county should supply the materials, as requested, in order to secure the advantage of the free labor. In this way, he said, much more could be accomplished and at a saving to the taxpayers of the county.

Casper's Petits, of the Moorestown-Rancocas road, sent a communication to the board claiming that his potential wheat crop had been damaged to the extent of \$25 by traffic which was diverted to his property by the impassable condition of the road at that point during the recent blizzard, and asking that remuneration be made to that amount. His communication was referred to the solicitor, along with another claim from a man in Bordentown who declared he broke a spring on his automobile by running into a snowbank.

Fire Adjustment

Freeholder Adams reported that he had received from the fire insurance company \$69.50 for repairing the damage done by fire to the office of the clerk of the board. The cost of the repairs, he said, had been \$629.50, the additional \$50 being at

NEEDLEWORK GUILD

The Palmyra Branch of the Needlework Guild of America will meet at the home of Mrs. Robert Cooke, Fourth and Lecony avenue, Tuesday, March 20, at 10:30 a. m. Box luncheon. All Thrift Circle members are invited to attend.

PRAYER MEETING

Un denominational prayer meeting at 512 Main st., Riverton, commencing March 15 8 p. m., sharp. Nothing but the true word of God.

OBITUARIES

JOSEPH LIPERI

Funeral services were held Wednesday morning at his late residence for Joseph Liperi, of 408 West Third street, Palmyra, who died in the Cooper Hospital, Camden, Saturday, from injuries received when he was struck by an automobile Tuesday evening of last week. The car was driven by Randall Faunce, of Riverside.

High Mass was held at the Church of the Sacred Heart, Riverton, and interment was made in St. Peter's Cemetery, Riverside under the direction of Frank A. Snover.

W. FRANK WARD

W. Frank Ward died at his home, 800 Parry avenue, Palmyra, Saturday.

Funeral services were held Wednesday afternoon at two o'clock with the Rev. Ira S. Pimm, pastor of the Epworth M. E. Church, Palmyra, officiating. Interment was made in Fernwood Cemetery, Philadelphia, under the direction of Frank A. Snover.

MISS GENEVA DOMAN

Miss Geneva Doman, 18 years old, died at the home of her grandfather, Samuel Evans, 221 Haddonfield road, Pennsauken, March 8.

Funeral services were held Tuesday morning at the Haddonfield road address. High Mass was held at the Sacred Heart Church, Riverton. Interment was made in Calvary Cemetery, Camden, under the direction of Frank A. Snover.

ALBERT DREYER

Albert Dreyer, age 59, died Tuesday morning at St. Mary's Hospital, Philadelphia, after having contracted double pneumonia less than a week ago.

Funeral services will be held at his late residence, 28 Pear street, Palmyra, at 8:30 a. m. Saturday, and High Mass at the Church of the Sacred Heart, Riverton, 9:30 a. m. Friends may call Friday night.

Board of Directors

The regular meeting of the Board of Directors of the Y will be held in the Y rooms on Tuesday, March 20, at 8 p. m. Mayor J. Elmer Hahn will preside.

JOYCE SHOHL

Joyce Shohl, 5 years old, a patient at the McCone Home, Bank avenue, and Cinnaminson avenue, Palmyra, died Sunday, March 11th.

The remains were cremated at the Chelton Hill Crematory, Pennsylvania, under the direction of the Snover Funeral Home, Inc.

ALMANAC

"Many bring their clothes to church instead of themselves."

MARCH

10—William Jennings Bryan, political leader, born 1859.

20—"Uncle Tom's Cabin" appears in book form, 1852.

21—New Orleans practically destroyed by fire, 1788.

22—Germans fire on Paris with 75-mile guns, 1918.

23—Philippine Aguinaldo surrenders to Pusan, 1901.

24—Indiana sell Rhode Island for 80 lbs. of tea, 1659.

25—"Full Dinner Pail" becomes Republican symbol, 1900.

CINNAMINSON NEWS FLASHES

Three Auto Crashes and a Runaway Girl on the Book This Week

Sunday, March 4, two cars crashed on Cinnaminson avenue, near Steele's nurseries, when Edwin L. Bauer, Burlington Pike, and Leslie B. Reeves, 1012 Highland avenue, Palmyra, came together. Both cars were damaged, no one was hurt and no arrests were made.

Saturday, March 10, an accident occurred on the Riverton-Moorestown road, near Heulings Lippincott's farm, when Thomas E. Loveland, of Cleveland avenue, Burlington, lost control of his car and hit a snowbank, upsetting. Aubrey Edmonds, of Water street, Mount Holly, a passenger in the car, was found wandering along the road by Avoard Johnson, of Rowland street, East Riverton, who took Edmonds to Dr. LeFavor who sent him to the Burlington County Hospital in the Palmyra ambulance.

Officers Beatty, Wallace and Dorworth investigated the case.

March 9, Helen Myers, of Parry, was reported missing from her home and was found in Woodbridge the following day by the police department there. They communicated with Officer Dorworth, of Cinnaminson Township, who made arrangements for her return. When she was found she was in a half-frozen condition.

Monday, March 12, a Public Service bus crashed into the rear of a truck owned by John Belford, of 519 Fourth street, Palmyra. Belford had left the truck standing on the highway in East Riverton while he went for gas. The bus was driven by Walter Painter, of Main street, Bridgeboro.

No one was hurt, the truck was badly wrecked and the bus was damaged on the right side.

TIPS ON GROWING

BY ONE WHO GREW UP IN
THE BUSINESS

The "palms" distributed by the churches for Palm Sunday are usually the young leaves of Palmetto, a plant of the Palm family, shipped from the South. The leaves being split up into segments. The botanical name is Sabal Palmetto.

Of all tropical plants the palm in its various varieties, either in the native habitat in tall specimens or in pot plants in the house, is the most striking. They are found mostly in tropical America and the Pacific isles with some few in Africa. The tall, straight trunks, free of branches, surmounted by a spreading canopy of graceful foliage, distinguish the palms from all other tropical vegetation. In the Equatorial region palms furnish food, clothing, shelter, drink and material for the building of homes. In the Temperate zone they do not attain sufficient height or age to produce fruit.

The best palms for house culture are the Kentia (also known as Howea after the Lord Howe Islands where the plant is a native), and the Phoenix (The Date Palms), especially the variety Roebeleni. Other interesting varieties are the Fan Palm (Latania), the light green stemmed Areca and the graceful little Cocos. The crossed leaves of the palm-like Cycas are seen in formal designs at funerals.

In the living-room place the plant in a fairly light situation, not too near the radiator if this gets excessively hot, nor in drafts. They do best in a temperature of from 65 to 75. If the atmosphere of the room is warm and dry they will require frequent watering, even every day, but otherwise not so often. After watering do not leave surplus water stand in saucers and do not water while the soil is still sodden. Unlike ducks they do care for "wet feet."

Keep the foliage of the palm clean by dipping and swirling about in a pail or tub or gently wipe off the leaves with a sponge or soft cloth. They require little fertilizer and generally more harm is done than good by feeding. Also do not give fertilizers to plants excepting when in a thoroughly healthy condition. If the foliage of the palms is kept clean by sponging there is little likelihood that insects will trouble your plants. Do not repot into larger size containers until the pots get well filled with roots which can be ascertained by inverting the plant and tapping the root ball gently from the pot on a table so as not to break it. In potting simply shift to one size larger, that is, if a plant was in a pot 5 inches in diameter it is best to shift to one in a 6 inch. Usually palms do not require any great deal of care and are among the most satisfactory and ornamental of live plants for the home, porch and sun-parlor.

Fuchias are seldom seen nowadays. A half century ago these "ear-drops" were the most popular of all house plants but they are seldom seen nowadays so it was surprising to note that the January number of the Quarterly "The National Horticultural Magazine" devoted fifty-nine pages, illustrated superbly by photographs of forty-six different varieties. The story is by Mr. O. E. Essig, President of the American Society. We were amazed to know there were so many varieties of this old time house favorite and even more surprised to learn that there is a National Society devoted to this plant. Perhaps it may gain no end in every sunny window.

On order-sheets inserted in the Nurserymen and Seedsmen's catalogues there is usually a blank line following the query prominently printed "When shall we ship plants?" This is an important question as many planters have facilities for taking care of stock out of season and desire same to be shipped at once if feasible while others want order held and shipped at best planting time. Still others order only when they see plants in flower in someone's yard. If this question is

OUT FOR ASSEMBLY

DR. JOSEPH W. BOWLEY
of Burlington, has announced his candidacy for the New Jersey General Assembly on the Republican ticket. Dr. Bowley says he has decided to enter the race following the solicitations of various agriculturists and members of taxpayers group throughout the county.

CARD OF THANKS
We desire to extend our sincere appreciation to those who rendered sympathy and assistance in our recent bereavement and to those who sent cards and flowers to the funeral. Mr. H. B. Morris and Family.

EXTINGUISHER
A party of American tourists was being shown over the crater of Vesuvius, when the guide remarked, "You have nothing like this in your country, I suppose?" "No," said one of the Americans, "but I guess we have a waterfall that would put it out in ten minutes!"

YMCA STAMP CLUB of Palmyra and Riverton

An exhibition of stamps will be held during our regular monthly meeting, Friday evening, March 23, 1934.

The exhibition will be open to all members and any other collector who wishes to enter. Entire collections may be entered but the judging will be made only on not more than two selected pages of exhibitor's choice.

An entrance fee of 5 cents per page, not exceeding two pages, will be made. Prizes will be awarded for both senior and junior exhibitors. Judging will be based not on the value but on neatness of arrangement, classification and general knowledge of subject, etc.

You are invited to exhibit and if you have a collector friend, even though not a member of our club, ask him or her to come along and enter the exhibition—all are welcome. The time—Friday evening—March 23rd, 1934 at 8 p.m. The place—YMCA, Broad and Garfield Avenue, Palmyra.

not answered, (and it is surprising how frequently it isn't) the nurseryman may promptly infer that plants are wanted at once and the order is promptly executed on receipt whereas probably the customer did not expect the plant for several weeks to come.

Read order blanks carefully, answer all the questions asked and you will get proper service. Agricultural Salt since the olden days has been recommended as an essential fertilizer in the culture of Asparagus but it is now considered of little use for this purpose by the commercial growers as it has but little fertilizing content. It kills the weeds, of course, but on wet soils if used in too great quantity may also kill the Asparagus.

MANY PALMYRA RIVERTON WOMEN SATISFIED

Since last Fall and especially during that February zero weather and these snowy March days, over a thousand women who have to look after their heater, during the day, express satisfaction of the better results obtained from Evan's High-Carbon Premium Anthracite Coal.

When they hear a friend complain about cold houses, shivering children they advise them to change to Evan's High-Carbon Coal and then another woman is happy. In Palmyra, a Morgan Avenue woman says, "We started using Evan's years ago when we were married, it has kept us warm and saved us money all these years." A Washington Avenue woman says, "Since we changed to Evan's two years ago we have saved money." A Riverton woman on Thomas Avenue says, "We tried a test ton of Evan's in January, it lasted 10 days longer." Women in Delair, Delanco, Riverside and Bridgeboro, who use Evan's High-Carbon Premium Anthracite tell of the same satisfaction and money-saving. Scores of women have insisted their husbands order a test ton of Evan's Coal and are now satisfied with the better results. Test a ton of Evan's High-Carbon Coal now or just as soon as your coal supply is low. You will never know the difference until you test a ton, it may be the first step toward saving the cost of a ton of coal every winter. Telephone Joseph T. Evans, Riverton 302 for your test ton today.

DELIGHTED KOPPERS' USERS
Those families who choose Genuine Koppers Coke to use straight or for mixing with hard coal or for banking fires are delighted and appreciate the superior heating and money-saving qualities of Genuine Koppers Coke obtainable only in Riverton, Palmyra from Joseph T. Evans. Ask for free inspection and advisory service if you are not getting satisfactory results from your present fuel. Phone Riverton 302 for Genuine Koppers Coke today.

PALMYRA TITLE HOPES VANISH

Woodbury Triumphs Over Disabled Dimondmen 40-34 in Tournament

By "Bat"

In a thrilling skirmish at the Camden Convention Hall Thursday, Woodbury High's basketball team overcame a weakened quintet from Palmyra High to assume potential championship strength themselves.

Before the game the "Pals" were picked to win, but due to an injury to "Ant" Sacca, their star center, the Dimondmen's winning combination was broken up.

First Quarter

At the first tap-off Wagner of the locals dribbled the length of the floor to score a double-decker. Then Galloway of the opposition countered with a long shot. Not to be outdone Wagner again scored from the side court and Landgraf repeated with a merry-go-round. At this point, on the short end of a 6-2 score, Woodbury called time.

At the resumption of play Rambo of Woodbury, sunk a "sucker-shot" but missed a penalty toss. Then Bitting, star for the down-staters, converted a pivot shot from the foul line. At this point Landgraf was fouled and converted but Graff sank a two-pointer for Woodbury as the whistle blew for the first quarter. Score 8-7 in favor of Woodbury.

Second Quarter

Captain Carpenter of the "Pals" started the second Chukker by converting a cut-over shot, but Bitting snapped the cards twice in succession to tally for the "Berrys." Then Carpenter came back to sink a long shot and made good a foul. This time Bitting dribbled in, collected a field goal and converted the free toss. On the ensuing tap-off Finn passed the pill to Landgraf who again tallied on his famous "merry-go-round." Then Carpenter zoomed a perfect side shot through the hoop and Finn was fouled but missed the try. At this point Carpenter called time for P. H. S.

With one minute left before the half, Finn tallied a side-shot and Young dribbled in to again score for the Pals. As the half ended Bitting was fouled and made the shot good. Score at halftime 20-16, Palmyra leading.

Third Quarter

Carpenter opened the second half by netting a shot from mid-court, but Robinson, Woodbury center, countered by garnering a free toss. Wagner then scored on a perfect play from the tap-off but Bitting once more countered on a pivot. Carpenter then tallied on a dribble-in and Wagner made good a foul shot. A moment later Bitting completed a short one from under the basket.

Carson, Woodbury "sub," fulfilled a penalty try and Graff, his teammate, netted a double decker from mid-court. In the ensuing jump Carpenter was fouled and converted, but Bitting dribbled in to chalk up another for Woodbury. Then Finn of the "Pals" garnered an overhead field goal but Landgraf and Wagner missed a double opportunity on two foul tosses. However, Woodbury's star scorer, Jack Bitting, was ejected from the tussle on personals. Just before the third chukker ended Rambo zipped the cords on a long shot to make the score 30-28, favor Palmyra.

Final Quarter

Young was fouled on the center-jump and converted for the Pals, but Graff countered with a follow up shot. Wagner again scored on a foul-toss, but Rambo came back with a push-in field goal.

In the ensuing play Landgraf and Young were implicated in an "all-most fast fight" with Graff and Leonardo of the opposition. Each was fined one foul shot by Referee Isenberg. Both of the Dimondmen converted, while only Graff tallied for Woodbury.

Following this the remainder of the tiff was just a long record of foul shots. Leonardo and Carson tallied for Woodbury, but Young missed a charity heave. Robinson then chalked up two out of two for Woodbury and was closely followed by Graff who also collected on a

SPORTS FLASHES

By Lightning

We open up this week with a little inside stuff on some of the foremost grapplers.

Tom Alley is leaving these parts. He has accepted an offer for a series of matches in South Africa. Scotty McDougall, the Boston tightwad, has opened up at last. He now is the proud owner of a pair of wrestling shoes. (We wonder! Did somebody give 'em to him?)

One wrestler the Camden fans date on is Stanly Pinto, the Nebraskan caveman. In quite a conversation with him this week we learned that he really is a caveman. He's married, has one child (with cauliflower ears) and might retire from the game soon.

Alas! Palmyra High's title-aspiring quintet was caught in an unguarded moment and thrown off balance. Their flashy combination was thrown berserk by an injury before the game. Too bad. It's things like these that make or break teams. And it did: Palmyra is broken and Woodbury is made (or rather "on the make").

One thing we didn't like in that game was the fisticuff! Graff, of Woodbury, punched Young, of Palmyra, when he was on the floor. Landgraf pulled Graff away to help the game. Too bad. Leonardo (just a Woodbury sub) swung at him. Referee Isenberg awarded each participant in the skirmish a penalty-heave. As a result Landgraf went out of the game on personals, which further hampered the "Pals" efforts.

Flash! Flash! Scoop! Etcetera! Matchmaker Musgrave at the Camden Armory plans to throw Abie Coleman and Joe Savoldi into the ring together one week from tonight! Boy! Oh boy! And they're both drop-kick artists. Some fun, eh?

More fight news! Uh-huh! Coach Hughes' Palmyra High boxers had a draw meet with Hun School of Princeton Friday. Tony Cazzupe, the local "K. O. King," "Horizontal Kid" (or what have you?) failed to register his customary knock-out. However, he did win, which looks just as big in the scores.

That'll be all this week! Thank you.

Fat Girls! Here's A Tip For You

All over the world Kruschen Salts is appealing to girls and women who strive for an attractive, free from fat figure that cannot fail to win admiration.

Here's the recipe that banishes fat and brings into blossom all the attractiveness of every woman possesses.

Every morning take one half teaspoon of Kruschen Salts in a glass of hot water before breakfast.

Be sure to do this every morning for "It's the little daily dose that takes off the fat" and brings "that Kruschen feeling" of energetic health and activity that is reflected in bright eyes, clear skin, cheerful vivacity and charming figure.

Get an 85c bottle of Kruschen Salts at L. L. Keating's or at any drug store (lasts 4 weeks)—you must be satisfied with results or money back.

PALMYRA BOXERS DRAW WITH "HUNS"

Bauer and Cazzupe Win, Kaefur and McFadden Lose at Princeton Last Friday

"Palmyra High's boxers under the supervision of Coach Hughes invaded Hun School of Princeton, Friday, and returned with a 2-2 draw.

"Tony" Cazzupe and "Bob" Bauer registered decisions for Palmyra

while Kaefur and McFadden succumbed to faster and heavier opponents.

The meet contained only four matches because of weight difficulties in matching the boxers.

She: "Time separates the best of friends."

He: "Yes, fifteen years ago we were both eighteen; now you are twenty-five and I am thirty-three."

—Exchange.

Borough of Riverton :: 1933 Audit

February 23, 1934.

The Honorable Mayor and Members of the Borough Council, Riverton, N. J.

We report that we have audited the financial books and accounts of the BOROUGH OF RIVERTON

for the year ended December 31, 1933, and submit herein the statements and schedules shown in the table of contents which exhibit the financial condition of the Borough as of that date.

SCOPE OF THE AUDIT: The scope of the audit covers the financial transactions of the Treasurer, the Tax Collector, the activities of the Mayor and Council, Borough Clerk, Building Inspector, Street Superintendent, Secretary of the Board of Health and Police Recorder.

The scope of the audit does not and cannot determine the character or services rendered for which payment is made nor can it determine the character or quantity of materials supplied for which claims have been presented.

These details are necessarily covered by the approval of such claims.

The accounts were found to be correct and in the proper form subject to the following comments:

CASH AND BANK ACCOUNTS: Cash book receipts were compared with bank deposits and paid checks with recorded disbursements. All vouchers were checked as to proper authorization in accordance with the provisions of Article XIV of Chapter 152, P.L. 1917, and as to being a proper charge against the accounts.

As of December 31, 1933, the cash accounts of the Collector and Treasurer were reconciled with bank balances which were confirmed to us directly by the Cinnaminson Bank and Trust Company.

RECOMMENDATIONS

That the proper action be taken by the Governing Body to relieve the tax records of uncollectable poll and personal taxes for the years 1919 to 1930.

That a resolution cancelling the unexpended balance of Memorial Park Ordinance be passed.

That the balance of the deferred asset not included in the 1934 Budget be appropriated for 1935.

That the bonds for certain officials referred to be provided without delay. Unless such bonds are secured it will be necessary to relieve such officials of the handling of Borough funds and transfer same to some other bonded officer.

That the officials' bonds referred to be no longer renewed by continuation certificates.

That the gross amount of all receipts received by the Borough Clerk and Police be ordered be paid to the Treasurer and bills presented for salaries due these officials.

That more care be exercised in the auditing of bills before being approved for payment.

We shall be pleased to assist you to the fullest extent in connection with the recommendations of this report.

ACKNOWLEDGEMENT: In the course of our audit we received the complete co-operation of all the officials of the Borough and we greatly appreciate the courtesies extended to us.

CERTIFICATION: It is hereby certified that to the best of our knowledge and belief the within report is a true and correct statement of the financial condition of the Borough of Riverton in the County of Burlington for the year 1933, as shown by the books and records of the said Borough submitted to us, supplemented by personal inquiry and investigation.

Yours very truly,
CHARLES S. ROCKEY & CO.
WILLIAM H. WELCKER,
Registered Municipal Accountant (N. J.)

THE NEW ERA

RIVERTON, NEW JERSEY, THURSDAY, MARCH 22, 1934

PRICE FIVE CENTS

A. B. GARWOOD HEADS PERMANENT RAIL TRANSPORTATION GROUP

Questionnaires to be Used to Make Survey of Public Sentiment for Rails

LINE MAY EXTEND TO BURLINGTON ONLY

Use of Bus; High Speed Line Described as "Down Hill Ride" by Chair

Thirty-eight men, representing every town from Burlington to Palmyra, met in the Riverside town hall last night to effect a permanent organization for the improvement of rail transportation.

A. B. Garwood, chairman of the committee from the Riverton Town Meeting, who took the initiative in organizing the entire riverfront section, was elected permanent chairman by a unanimous vote.

Garwood opened the meeting by stating briefly its object. He said he understood that an agreement had been reached between the Public Service Corporation and P. R. T. to the effect that all bus lines originating in New Jersey within a forty-mile radius of Camden would discharge their Philadelphia-bound passengers at the Camden terminal of the new high speed line.

This he stated would necessitate a change in Camden, with an additional 10 cent fare. This line would then, without the "seat for every passenger" rule, take its passengers to the Philadelphia terminal at Broad and Locust streets, involving another transfer for persons wishing to reach other parts of the city, and an additional 3 cent transfer fare.

"Down Hill Ride"

He stated that if the people of this Jersey riverfront section stand by and permit such a method of transportation to be thrust upon them without raising a hand to secure a direct railroad service to Philadelphia, then truly the people of this section are headed for a "down hill ride."

Following the election of Garwood as permanent chairman, Ethan Reeve, of Burlington, was elected permanent vice chairman and W. Rex McCrosson, of Palmyra, permanent secretary.

A publicity committee was elected as follows: Karl W. Latch, temporary chairman, George Luce, Glen Chambers, Edwin S. Parry, Frank Chambers and Charles Coddling.

Franklin B. Jones, of Beverly, stated from the floor that since Florence, Roebeling and Bordentown were not represented at the meeting, it might be safe to assume that they were disinterested in securing better transportation. In that case, he stated that if it seemed to offer a more attractive proposition to the railroad, Burlington might be established as the terminal of the new schedule to be asked for. A "Y" track is already built in Burlington, which would permit trains to be turned around, and by so doing many miles of probably unprofitable service might be eliminated.

Will Issue Questionnaire

A representative from Beverly offered a questionnaire for the consideration of the body. This questionnaire is to be circulated among the citizens of each town to secure an accurate survey of the public desire with regard to transportation.

The questionnaire provides for questions such as: "Are you a regular commuter to Philadelphia?" "What mode of travel do you generally use—bus, train or automobile?" "If you do not regularly use the railroad, what other mode of travel do you prefer?" "If a satisfactory schedule of trains were obtained with a satisfactory rate of fare would you be willing to use the railroad?" and numerous other questions of pertinent value to aid the committee.

These questionnaires will be printed and personally distributed to every family in every town, then

BURLINGTON CO. BSA ACTIVITIES

Troops Cooperating With President's Plan to Enroll One Boy Out of Every Four

Bill boards will shortly blossom forth throughout Burlington County with a striking Boy Scout poster, particularly timely in view of the spring activities of the scouts. These posters have been donated by the Camden Poster Advertising Corporation and the R. C. Maxwell Company of Trenton.

The Burlington County Council has made gratifying strides, during the past few months, in the direction of new scout troops and new scout activities. They are well abreast of the President's Ten Year Program, which calls for the enrollment of one boy out of every four at twelve years of age and his continued membership for four years. The President believes this will automatically contribute to higher standards of citizenship.

George B. Snyder is chairman of the finance committee at the present time.

The board appointed W. Rex McCrosson as its "Broker of Record" to handle the board's insurance for the current year.

It was decided that Mr. McCrosson should have \$25,000 of the \$62,500 insurance to be written this year and the remainder to be divided equally between five other insurance men, Raymond Warner, Leslie Reeves, John Bauer, Walter Cummings and Walter Lamon.

Another meeting will be held in the Town Hall at Riverside on Tuesday, April 10th, to review the results of the survey and then decide whether or not the organization will continue its efforts to secure direct rail service to Philadelphia.

Up to the People

The members all felt that it could not be too strongly urged upon the people to fill in the questionnaire in all sincerity, stating their true opinions on the subject. The men want a true cross section of public opinion, and if the results show a weak interest in the efforts of the organization, then all felt that the whole matter had better be dropped and no further time wasted on the subject.

J. Elmer Hahn, Mayor of Riverton, stated that he had asked a railroad official whether or not the railroad would be willing to operate several trains at off hours more as a convenience to the traveling public than as a paying proposition, in order to offer a more rounded schedule to train riders. The reply seemed to indicate that the railroad might be willing to do so, provided the whole volume of receipts from all trains operating on the schedule might be operated above cost.

A merchandising committee was appointed to work in close cooperation with the publicity committee in formulating plans and gathering facts to present to the towns affected by the project. Those appointed were: H. F. Marshall, Charles E. Cunningham, Alonzo B. Wentz, R. E. Clarke, George W. Addis and William Jones.

It was decided at the meeting that each local committee should ask its governing body and service clubs for a small donation to help finance the incidental expenses connected with the promotion of the project.

The meeting then adjourned until April 10th.

PATCH RUBBERS

Make your rubbers and galoshes last the rest of the winter by using a tire patch. Clean the worn part first by scraping as you would a tire, then put on cement, let dry, then place patch and press hard. Do not wear until entirely dry.

CHOIR OF 400 AT SUNRISE SERVICE

Magnificent Moravian Easter Dawn Program at Lakeview Memorial Park

A choir of over 400 mixed voices, probably the largest ever assembled for an outdoor religious service in South Jersey, will render several selections of sacred music as part of the Easter Sunrise Service, which will be held this Easter in beautiful Lakeview Memorial Park, just as the first rose-flushed rays of dawn dispell the darkness of the night and define the surrounding hills.

This service will indeed be an inspiring sight. Each of the choristers will wear a white surplice, and to see them and hear their lovely voices in the open air at break of dawn, is a most impressive ceremony.

The members of this magnificent choir, composed of church choirs and glee clubs throughout South Jersey, enjoy an enviable position in the music life of their respective communities.

This huge surplised choir, under the able direction of Mrs. Frances S. Bender, of Riverside, will render two selections in particular that will be appreciated by lovers of sacred music. They are, "The Gloria" from the Twelfth Mass of Mozart, and "The Hallelujah" from the "Messiah" by Handel.

The piano accompaniment for the choir will be played by Mrs. Rachel M. Lord of Palmyra, whose piano and organ talent is well-known throughout this territory.

The choirs and singing societies making up the "Choir of 400" are as follows: The Artisan's Glee Club, 22 voices, Harry Irons of Woodbury, director; The Collingswood Senior High School, 50 voices, Miss Bess Huey, director; the Gloucester City High School, 40 voices, Miss L. E. Austin, director; St. Wilfred's Protestant Episcopal Church Choir of Camden, 25 voices, Ralph R. Eden, director; Camden High School, 25 voices, Robert Haley, director; Riverside Lutheran Church Choir, 20 voices, Miss Helen Richter, director; Haddonfield Memorial High School, five voices, Miss Dorothea Haddock, director; Delanco Methodist Church Choir, 25 voices, Mrs. Agnes Perkins, director; the Delanco Methodist Men's Chorus, 20 voices, Dr. H. P. Shippis, director; the Presbyterian Church Choir of Riverton, 10 voices, Mrs. Ruth Peterson Bell, director; Palmyra Moravian Church Choir, 25 voices, J. M. Bergman, director; St. Paul's Lutheran Church Choir, 25 voices, William Zielweg, director; and the Riverside Moravian Choral Group, 25 voices, Mrs. Frances S. Bender, director.

Mass rehearsals of the fourteen groups comprising this choir are being held in the auditorium of the Elk's Home in Camden.

Roy A. Ramey, managing director of Lakeview Memorial Park, Inc., recently announced that the Board of Directors is making extensive improvements to the park property which is located on the Burlington Pike, one-half mile north of the Moorestown-Riverton road, and that the scene of the services will present as beautiful a natural setting as the season of the year will permit.

A native stone and concrete bridge, being built over the stream separating the two lakes, will be ready for foot traffic on Easter Sunday. A thousand spiraea plants have been planted

BAPTISTS OBSERVE FIFTH ANNIVERSARY

Last Sunday Marked Fifth Year of Worship in New Building

Central Baptist Church celebrated the fifth anniversary of the dedication of the new building on last Sunday with an attendance in the Bible School almost double that of last year.

The church services were equally well attended, Pastor Lockett delivering a very impressive sermon in the morning befitting the occasion, while Harold W. Bennett one, of Camden's well-known and respected lawyers, and president of the New Jersey Baptist State Convention, gave a very timely talk.

Claude Barto directed the choir in several selections at both services, and Mrs. Edward Hughes and Miss Anna McConnell contributed two soprano solos to the musical program.

Many of the old residents of Palmyra and Riverton who are still members of the church, but who are now residing elsewhere, were among the visitors.

On Saturday evening at an entertainment sponsored by the Thilow Baraca Class, many saw for the first time the motion pictures taken at the dedicatory exercises five years ago.

At that time a special week of services were held in commemorating the event. In celebrating this anniversary evangelistic services are being held this week, conducted by Rev. Albert Stanton, the Baptist's state evangelist.

RIVERTON

Mrs. R. M. Hollingshead, of 201 Linden avenue, was a recent visitor at the Chalfonte-Haddon Hall, Atlantic City.

The Baraca class of Central Baptist Church gave their annual entertainment Saturday evening, March 17th. This year a moving picture of the life of George Washington was shown. Alfred VanOsten and the junior choir offered the music for the evening. An interesting departure was the bouquet given Mrs. Joseph Pike, who was celebrating her birthday at the same time.

The Pal-River Chevrolet, Inc., received a shipment of five new cars by auto freight, Saturday night, from Tarrytown.

Dr. and Mrs. Harry Rogers have returned from a two weeks visit in the south.

Upon recommendation of the Athletic Association a letter in swimming was awarded on Monday by Headmaster L. Ralston Thomas, of the Moses Brown School, to Samuel Biddle, son of Mr. and Mrs. Charles M. Biddle, Jr., of Riverton.

Mr. and Mrs. Alex. Smith, of Gloucester, were guests of Mrs. Otto Sauers Saturday night. Mr. and Mrs. Thomas Mann, of Cheltenham, and the Misses Katie and Millie Fuernstein, of Philadelphia, were Sunday guests of Mrs. Sauers.

Mrs. John H. Reese and daughter, Miss Margaret, will move to Philadelphia Friday.

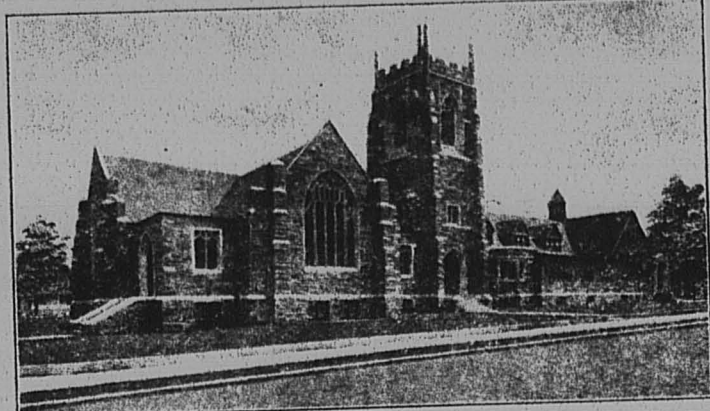

Miss Esther Reeves has obtained a position at the Jefferson Hotel, Atlantic City. Miss Reeves motored to Atlantic City today with Mr. and Mrs. A. M. Bowker and Mrs. Fannie Reeves, who will spend the day in Absecon visiting friends.

Miss Antoinette B. Campbell and Mrs. R. D. Barclay were visitors in Atlantic City recently, stopping at Chalfonte-Haddon Hall.

Miss Betty Stevens entertained eight couples from Riverton and Palmyra Saturday evening at a farewell party.

Mr. and Mrs. Harold Davis and children, of Stroudsburg, were weekend guests at the home of her parents, Mr. and Mrs. S. L. W. Field, of Fourth street.

FIFTH ANNIVERSARY

CENTRAL BAPTIST CHURCH, PALMYRA the congregation of which celebrated last Sunday the fifth anniversary of the dedication of the new building.

Reece Lewis, son of Mr. and Mrs. Clement E. Lewis, a post-graduate student at George School, took part in a marionette presentation of Shakespeare's "Midsummer Night's Dream" on March 17th. He was piano accompanist and a member of the double vocal trio in the Easter Musical program on March 18th. Reece is president of Aoidé, an honorary musical society at George School.

Mr. and Mrs. Charles F. Stewart, of Elm Terrace, Riverton, are receiving congratulations on the birth of a son, Richard Lester Stewart, at the Germantown Hospital, Monday, March 19.

Mr. and Mrs. Lloyd Major are receiving congratulations on the birth of a daughter, Hazel Jane Major, at the Mary Haas Robbins Maternity Home, Saturday, March 17.

Miss Jane Ellis, of Philadelphia, spent Monday in Riverton visiting friends.

A fine lot of Sweet Peas and small ferns are on sale at Smith's store for the benefit of the Christ Church School Lenten Offering.

Mr. and Mrs. Adolph J. Strohle are receiving congratulations on the birth of a son, Alfred Cramer Strohle, Wednesday, March 21, at the Mary Haas Robbins Maternity Home, Main street, Riverton.

Miss Alice Herr has just returned from New York City where she played at a luncheon and reception at the Hotel McAlpin.

ACKNOWLEDGMENT FROM OVERSEAS

Rivertonian Receives Acknowledgment of Sympathy Letter to Belgian Queen

Mrs. John H. Reese has received an acknowledgment from the Belgian Royal Household of a note of sympathy she sent to the Queen following the King's accident and death. The message is typewritten on plain paper with a wide black border. At the top is the crown and the words "Service de La Reine."

Palais de Bruxelles The Lord Chamberlain is commanded by the Queen to express to you Her Majesty's grateful thanks for your message of sympathy in Her great sorrow. Brussels, March 8, 1934.

In October 1919 when the Belgian Royal Family was in Philadelphia Mrs. Reese was among the crowd to greet them.

After the royal party had left Independence Hall and was going out Walnut street, Mrs. Reese stepped to the curb as the car approached in which was seated Prince Leopold (the present King) and waved the Belgian flag. In writing her note of condolence, Mrs. Reese mentioned this incident.

OFFICERS ELECTED

Edson Carhart was re-elected captain of the salvage corps of the Riverton Volunteer Fire Company at an election held in the fire house Monday night. The group elected Joseph Lezenby first lieutenant; Jacob Strohle, second lieutenant and Ed. Kapus third lieutenant. Frank Strohle was elected secretary and treasurer.

A TREAT FOR THE PEOPLE OF RIVERTON

Evangelists—F. W. NUGENT, J. HALLADAY, D. D. BASTIAN Will speak each night on "The Need of Being Born of God." Commencing Sunday, March 18th, 7.30 p.m. Weekdays 8.00 p.m. 512 MAIN STREET RIVERTON Bring your Bible : : No Collections

FIRE AT HOME OF POSTMASTER HAAS

Blaze of Unknown Origin Burns Holes in Downstairs Floors Started in Cellar

A fire of unknown origin broke out in the cellar of the home of Mrs. Mervil E. Haas, Seventh and Thomas avenue, Tuesday morning about eleven o'clock.

The maid was on the second floor cleaning and did not notice the smoke until she came downstairs. By that time the fire had made a good headway and was creeping through the floor in the kitchen and dining-room. The firemen quickly extinguished the blaze with chemical and nothing upstairs was damaged by either the fire or the chemical. The sills in the cellar were badly charred, the wiring ruined and the floors in the kitchen and dining-room burned.

MCCORMICK OUT FOR REELECTION

James C. McCormick announces his candidacy for reelection to the Board of Chosen Freeholders on the record he has made in the past two terms in the interest of people of Burlington County.

From the viewpoint of practical experience, economy, and knowledge of conditions in Burlington County, he asks the support of the voters, and promises the taxpayers a square deal.

R. WARNER STILL SELLS FRIGIDAIRE

In another column of this issue Raymond Warner announces that he has not discontinued the sale of the popular Frigidaire refrigerator, and will be glad to continue to serve the public as heretofore.

AT WALT WHITMAN

Ann Harding and Clive Brook in "Gallant Lady" playing Thursday, Friday, and Saturday, March 22, 23 and 24th.

CINNAMINSON PTA AND SCHOOL NOTES

The first experiment in chemistry was made by the science class, under Miss Rush, when oxygen was generated. Some of the apparatus was home-made, but it worked and the class was thrilled.

This trial was made in connection with the health study, where the necessity of oxygen for the body was recognized.

The clubs have added tap-dancing and boxing to their program. Every Friday time is devoted to these groups.

The PTA study group met last week with fifteen of the eighteen members present. The discussion on "Should parents impress children with their own views and life values, or leave them free to evolve their own?" was led by Mrs. Unland, who read a paper on the subject. The talk that followed was free and helpful, with Miss Bryan present to suggest expedients.

The music committee has arranged for a card party on the fourth of April. Mrs. Joseph T. Evans kindly offering her home for the affair. Her hospitality was gratefully accepted. Come and bring your friends at twenty-five cents each, as this committee needs more funds for its various interests.

This week the committee has asked the "lower cycle" to join in a Spring festival of song. School Number Four has an interesting exhibit of gaily painted wide-mouthed jars, containing scrolls shackled to resemble parchment, these are inscribed with beautifully drawn Egyptian characters and colored pictures, representing phases of ancient life. This idea was inspired by the knowledge that it was in this way that valuable parchment was cared for.

This school reports its PTA as being very helpful and interesting. It has some worth while events planned for the early Spring. Publicity.

Easter

ANNUAL COMMUNITY SUNRISE SERVICE (NON-SECTARIAN)

Easter Sunday, April 1 AT 5:15 A. M.

SPONSORED BY THE MORAVIAN CHURCHES OF RIVERSIDE AND PALMYRA

Inspirational!

The long heralded Sunrise Service at Lakeview Memorial Park is an annual event for the entire community of South Jersey. While conducted by the Moravian Churches of Palmyra and Riverside it is truly non-sectarian in character and will be one of the greatest demonstrations of common Christian faith ever held in this vicinity.

Beautiful!

Imagine the beauty of a surprised choir of four hundred melodious voices, full brass ensemble and fanfare of trumpets at the break of dawn proclaiming to the world "He is risen!" Last year nearly ten thousand people witnessed this inspiring spectacle. You will never forgive yourself if you miss it.

Everybody Welcome

SPECIAL SERVICE ON GOOD FRIDAY

Unique Three-Hour Observance
To Be Held at Methodist
Church 10 to 1

A three-hour service in commemoration of the time Jesus hung upon the cross will be held at the Epworth Methodist Episcopal Church from noon until three o'clock on Good Friday. This unique service will be held under the co-operation of the Lutheran, Baptist and Methodist Churches. The ministers of these churches will speak on the seven last words of Jesus.

This service will be divided into seven parts, corresponding to the seven last words of Christ upon the cross, with opportunity for friends to come and leave who cannot stay for the entire time.

Special music is being arranged for each part of the service. The order of worship follows:

First Word—Noon-12:25

Organ Prelude

Hymn—"O Come and Mourn with Me Awhile"

Scripture—Isaiah 53

Solo—"O Sacred Head Now Wounded"

Scripture—Luke 23: 26-34

Prayer

Address—"Father Forgive Them"

Intermission—Silent Prayer and Meditation

Second Word—12:25-12:50

Hymn—"When I Survey the Wondrous Cross"

Scripture—Luke 23: 35-43

Duet—"Verily Today Shalt Thou Be with Me in Paradise"

Prayer

Address—"Today, in Paradise"

Intermission—Silent Prayer and Meditation

Third Word—12:50-1:15

Hymn—"O Love That Will Not Let Me Go"

Scripture—John 19: 25-27

Solo—"O Love Divine"

Prayer

Address—"Behold Thy Son, Behold Thy Mother"

Intermission—Silent Prayer and Meditation

Fourth Word—1:15-1:40

Hymn—"My Faith Looks Up to Thee"

Scripture—Matthew 27: 39-47

Psalm 22: 1-11

Solo—"God My Father"

Prayer

Address—"Why Hast Thou Forsaken Me?"

Intermission—Silent Prayer and Meditation

Fifth Word—1:40-2:10

Hymn—"Love Divine, What Hast Thou Done?"

Scripture—John 19: 28-29

Solo—"It Was for Me"

Prayer

Address—"I Thirst"

Intermission—Silent Prayer and Meditation

Sixth Word—2:10-2:35

Hymn—"There Is a Fountain Filled with Blood"

Scripture—John 19: 30; John 17: 1-8

Solo—"Droop Sacred Head"

Prayer

CHURCH NEWS

CALVARY PRESBYTERIAN CHURCH

Rev. Charles T. Bates, Pastor

The Lord's Supper will be observed Sunday morning at the morning service.

At this time those who have declared their desire to unite with the church will be received into full membership.

All departments of the Church School will meet at 9:45 a.m. The evening service of worship will be held at 8 o'clock with Christian Endeavor at 7 p.m.

There will be no midweek service Wednesday March 28th, as the Community Choral Society will give a concert that night, suitable to the Easter season.

Friday evening, at 8 o'clock, March 30th, there will be a service in commemoration of the suffering of Our Lord.

Address—"It Is Finished"

Intermission—Silent Prayer and Meditation

Seventh Word—2:35-3:00

Scripture—Luke 23: 46; Mark 15: 34-39

Solo—"Ballad of the Trees"

Prayer

CHRISTIAN SCIENCE CHURCH

"Matter" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 25th.

The Golden Text is: "Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain" (Exodus 20:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths. Be not wise in thine own eyes: fear the Lord, and depart from evil" (Proverbs 3:5-7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Knowledge. Evidence obtained from the five corporeal senses; mortality; beliefs and opinions; human theories, doctrines, hypotheses; that which is not divine and is the origin of sin, sickness, and death; the opposite of spiritual Truth and understanding" (p. 590).

MORAVIAN CHURCH

Albert J. Harke, B. D., Pastor

Services for Palm Sunday, March 25th, 1934.

9:30 a.m., Sunday School.

10:40 a.m., Palm Sunday morning services. Sermon: "What Will You Do With Jesus?" Reception of members by Letter. Adult Baptism and Confirmation.

6:45 p.m., Christian Endeavor.

7:30 p.m., Beginning of the reading of "His Last Week." The choir will sing "The Palms" and "Hosanna."

Address: "The Triumphal Entry."

Holy Week Services:

Monday, Tuesday and Wednesday, March 26 to 28, at 8:00 p.m. Reading from the Passion Manual. A short address each evening by the pastor.

Thursday, March 29, 8:00 p.m. Maundy Thursday Holy Communion.

Friday, March 30, 2:30 p.m. Good Friday service, commemorating the Crucifixion of Christ.

3:30 p.m. Holy Communion.

Easter Day Services:

5:15 a.m., Easter Dawn Service at Lakeview Memorial Park.

10:40 a.m., Morning Worship with Easter Liturgy and sermon.

7:30 p.m., Easter Cantata: "The Easter Evangel" sung by our choir. Program, "The Easter Garden," by primary department.

The scene is laid in the carpenter shop in Jerusalem on the day of the crucifixion. Deborah, the wife of Obed, has a premonition through a dream that the evil one is present in the household because of the making of the crosses. She tells her story, and the plot is revealed as the storm breaks which brought darkness and earthquake on that first Good Friday.

The special sound and lighting effects which heighten the dramatic setting of the drama will be in charge of Dr. John Lord, with Mrs. Lord at the organ.

The cast of characters are Obed, a master carpenter, Lawrence Schweizer; Deborah, his wife, Mrs. Ethel Pimm; Elizabeth, his daughter, Miss Elizabeth Stein; John, his son, Robert Guest; Rufus, his apprentice, Arthur Randolph; Simon Cyrene, the father of Rufus, Louis Koppenhoffer; Joram, a beggar, Douglas Kersey.

At the morning service at eleven o'clock the pastor, Rev. Pimm, will preach on "Triumph," a Palm Sunday message. At ten o'clock in the church school it will be decision day.

OBITUARIES

MRS. EMMA L. HOLBROOK

Mrs. Emma L. Holbrook died at the home of her daughter, Mrs. C. R. Beagle, 219 Thomas avenue, Riverton, Thursday, March 15.

Funeral services were held Monday afternoon at two o'clock at the Snover Funeral Home with the Rev. Charles T. Bates officiating. Interment was made in Morgan Cemetery.

BEWARE OF BOASTERS

The honest man never has to waste much time talking about his honesty.

As in "Ygrindstone."—Before marriage a man yearns for a woman. After marriage the "Y" is silent.—Battalion.

ENGAGED

Mr. and Mrs. S. M. Kilpatrick, of Garfield avenue, Palmyra, have announced the engagement of their daughter, Miss Edythe M. Kilpatrick, to John N. Swartz, of the Snover Funeral Home, Inc.

Mr. Swartz is the son of Mr. and Mrs. Ira Swartz, of Port Royal, Pa. No date has been set for the wedding.

APRIL COURT

The Hon. Joseph B. Perskie, Justice of the Supreme Court, assigned to hold the Circuit Court in the County of Burlington, has fixed Wednesday, April 11th, 1934, at the hour of one o'clock in the afternoon, at the Court House, in Mount Holly, for the drawing by the Jury Commissioner of the grand and petit jurors for the April term, 1934, of the Courts of Burlington County.

NOTICE OF SETTLEMENT

Estate of Rachel A. Haines, deceased. Notice is hereby given that the First and Final Account of the subscriber, Executor, will be audited and stated by the Surrogate and reported for settlement and allowance to the Orphans' Court of the County of Burlington, at a session to be held Thursday, April 26, 1934, at ten o'clock in the forenoon.

JOHN G. SECKEL, Executor.

Proctors: S. Howard Troth, Dated: March 14, 1934. 3-22-4-19-34.

SACRED CANTATA AT M. E. CHURCH

Mauder's "Olivet to Calvary" Presented Next Wednesday by Fellowship Choral

As a contribution to the Easter season a trained choir of 100 voices will present "Olivet to Calvary" by J. H. Mauder next Wednesday evening, March 28th, 8:15 o'clock at Epworth M. E. Church, Palmyra.

This beautiful religious cantata is significant of the solemnity of Holy Week, and it is intended that the occasion will offer the privilege of a great community worship. People of all denominations will be cordially welcome. There will be no admission charge and there will be no collection taken.

This presentation is being sponsored by the Fellowship Choral Club. In addition to this organization, the chorus will consist of members of all the church choirs of Riverton and Palmyra, and the choral groups of the Palmyra Woman's Club and Riverton Porch Club.

Soloists will be Eric Warnick, George Cardwell, Russell Jermon, Baritone, and Edward Hoyt and Alfred Parker tenors. Accompanists, Lee Mitten, organ, and Stanley P. Stewart, piano. Conductor, Alfred Van Osten.

SORDON-SMITH

The wedding of Miss Elizabeth M. Smith of Palmyra and Mr. Edward P. Sordon of Riverton, took place Saturday afternoon, March 17, 3 o'clock at Conshohocken, Penna. The officiating minister was the Rev. A. J. Davies, cousin of the bride's mother.

The bride was attended by Miss Jean Morse of Allentown, Pa., while Mr. Howard Sordon, brother of the groom, acted as best man. After a short wedding trip, they will reside in Brooklyn, New York.

PORCH CLUB NOTES

Fred J. Cooper, of Philadelphia, gave a most interesting and entertaining lecture on "The History of Sterling Silver" at the Riverton Porch Club on Tuesday afternoon. Mr. Cooper is a jeweler and specialist in antique silver. His talk was illustrated with many pieces of handwrought silver from his own collection.

There was also a beautiful exhibit of early American and English silver owned by club members.

APPRECIATION

I wish to express my appreciation to the Riverton Volunteer Fire Company for the efficient manner in which they extinguished the fire in my home Tuesday morning.

Mrs. Mervil E. Haas.

CHURCH NEWS

CALVARY-PRESBYTERIAN CHURCH

Rev. Charles T. Bates, Pastor

The Lord's Supper will be observed Sunday morning at the morning service. At this time those who have declared their desire to unite with the church will be received into full membership.

All departments of the Church School will meet at 9:45 a.m. The evening service of worship will be held at 8 o'clock; with Christian Endeavor at 7 p.m.

There will be no midweek service Wednesday March 28th, as the Community Choral Society will give a concert that night, suitable to the Easter season.

Friday evening, at 8 o'clock, March 30th, there will be a service in commemoration of the suffering of Our Lord.

EPWORTH M. E. CHURCH

Rev. Ira S. Pimm, B.D., Pastor

Palm Sunday Services
10:00 Church School.

Decision Day in the classes.

11:00 Divine worship, Palm Sunday sermon, "Triumph."

7:00 Senior and High School Epworth League devotion.

7:45 Evening service, A religious play of the Passion, "His Cross" by Ralph P. Claggett.

Services during Passion week: on Wednesday evening at eight o'clock the Fellowship Choral and the choir of the community will present "Olivet to Calvary" at the Methodist Church. A chorus of one hundred voices under the direction of Alfred VanOsten will sing the Story of the Passion.

On Maundy Thursday at eight o'clock "Sacrament of the Lord's Supper."

On Good Friday from twelve noon until three a Three-Hour Service. See the full program elsewhere in this paper.

FIRST LUTHERAN CHURCH

Rev. Harold L. Greger

In Holy Week we find the supreme significance of our Lord and the focal center of our spiritual interest. We will celebrate it with fitting services.

On Palm Sunday we will have, as usual, the Confirmation Service at 11:00 a.m. The sermon on this occasion will be on the theme, "Jesus Our King of Glory."

The evening service this Sunday will continue the study of the Sermon on the Mount, the topic being, "What Is Worth While?"

Next Wednesday evening there will be no service in our Church, as we will unite with the rest of the community in the cantata service.

On Tuesday, Thursday and Friday evenings we will have services at 8 o'clock. The general theme will be "The Power of Christ Crucified"; we will specially consider Christ as the power unto Forgiveness, Peace and Life. Also the Lord's Supper will be offered on Thursday evening.

On Good Friday we will join with the Methodists in the Three Hour Service from 12:00 to 3:00 o'clock. We cordially invite all our friends to worship with us in these several services.

SPECIAL SPEAKERS AT MT. ZION CHURCH

African and Japanese Notables Will Address Congregation Next Sunday

Africa and Japan will furnish guest speakers for Mt. Zion A. M. E. Church, Riverton, on Sunday, March 25th, in two specially arranged services—one at 3:30 p.m., under direction of Mrs. E. J. Young, when Miss Ellen K. Mills, a native of Liberia, West Africa, and now a member of the faculty of the Lincoln High School, of Trenton, will speak; the other at 8 p.m., when Mr. Sumio Uesugi, M.A., B.D., a native Japanese, will be the speaker.

The Palm Sunday sermon will be delivered by the pastor, Rev. A. M. Swartz, at 11 a.m. Special music will be used at each of these services. A cordial welcome is assured all who attend.

CHRISTIAN SCIENCE CHURCH

"Matter" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 25th.

The Golden Text is: "Thou shalt not take the name of the Lord thy God in vain; for the Lord will hold him guiltless that taketh his name in vain" (Exodus 20:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths. Be not wise in thine own eyes: fear the Lord, and depart from evil" (Proverbs 3:5-7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Knowledge. Evidence obtained from the five corporeal senses; mortality; beliefs and opinions; human theories, doctrines, hypotheses; that which is not divine and is the origin of sin, sickness, and death; the opposite of spiritual Truth and understanding" (p. 590).

MORAVIAN CHURCH

Albert J. Harko, B. D., Pastor

Services for Palm Sunday, March 25th, 1934.

9:30 a.m., Sunday School.

10:40 a.m., Palm Sunday morning services. Sermon: "What Will You Do With Jesus?" Reception of members by Letter, Adult Baptism and Confirmation.

6:45 p.m., Christian Endeavor.

7:30 p.m., Beginning of the singing of "His Last Week." The choir will sing "The Palms" and "Hosanna."

Address: "The Triumphal Entry," Holy Week Services.

Monday, Tuesday and Wednesday, March 26 to 28, at 8:00 p.m. Reading from the Passion Manual. A short address each evening by the pastor.

Thursday, March 29, 8:00 p.m. Maundy Thursday Holy Communion.

Friday, March 30, 2:30 p.m. Good Friday service, commemorating the Crucifixion of Christ.

3:30 p.m. Holy Communion.

Easter Day Services:

5:15 a.m., Easter Dawn Service at Lakeview Memorial Park.

10:40 a.m., Morning Worship with Easter Liturgy and sermon.

7:30 p.m., Easter Cantata: "The Easter Evangel" sung by our choir.

Program, "The Easter Garden," by primary department.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Palm Sunday Services

Owing to the fact that on Easter Sunday in the Bible School at 10:00 a.m. the junior department will give a sacred pageant, the regular Easter lesson will be taught in the Bible School this Sunday instead of the review as is customary.

At the morning service at 11:45 Pastor Lockett will deliver a sermon on Palm Sunday.

A very impressive service will take place in the evening at 7:45 when a class will be united into the church by baptism. This will be preceded by a short sermon by the pastor.

The BYPU are again extending to the young people of the church and Sunday School and to all those who have no church affiliations an invitation to join them in their service at 6:45 o'clock every Sunday evening.

The usual Good Friday Services will be held next week in the church at 7:45. To this service, as well as any held in Central Baptist, the public is always welcomed.

ENGAGED

Mr. and Mrs. S. M. Kilpatrick, of Garfield avenue, Palmyra, have announced the engagement of their daughter, Miss Edythe M. Kilpatrick, to John N. Swartz, of the Snover Funeral Home, Inc.

Mr. Swartz is the son of Mr. and Mrs. I. Swartz, of Port Royal, Pa. No date has been set for the wedding.

BEWARE OF BOASTERS

The honest man never has to waste much time talking about his honesty.

As in "Ygrindstone." — Before marriage a man yearns for a woman. After marriage the "Y" is silent.—Battalion.

ARTISANS' SECOND ANNUAL BANQUET

Palmyra Assembly Host to National Officers Last Tuesday Night

On Tuesday, March 21st, the Palmyra Assembly No. 65, A.O.M.F., held its second annual banquet on the second floor of the P.O.S. of A. building at 630. National officers present were John A. Reilly, Most Excellent Master Artisan, Raymond K. Gillen, Most Excellent Superintendent, John H. Flohr, Most Excellent Inspector, and Allen P. Cox, Most Excellent Recorder.

Mrs. Howard Alloway was in charge of serving refreshments for the 225 Artisans assembled. Assisting her in the kitchen were Mrs. Frank Snover, Mrs. J. M. Wear, Mrs. Mark W. Nace, Mrs. Lillian Hamelman, Mrs. Richard K. Hunter, Mrs. Elmer Jones, Mrs. Louis Jander, Mrs. Samuel Johnson, and Mrs. George Rivel. This banquet was somewhat of a family affair in that the Artisans wives prepared the food and the Artisans daughters served it. The girls who served were Olive Jones, Jean Reiger, Ruth Bartley, Anna Cook, Mary Patterson, Edna Meunier, Elsie Showell, Betty Showell, Olivia Steiner, Doris Hampton, Virginia Ingling, Dorothy Shaner, Marie Jander, Dorothy Stevens, Patricia Northrop, Dorothy Zaun, Louise McKean and Carrie Haines.

Howard Vile, of Palmyra, was toastmaster, Paul Delaney acting as song leader and master of ceremonies for the entertainment. This entertainment was under the direction of Cy Evans of the Northwestern Assembly, who is Deputy to the Palmyra Assembly.

The "Rhythm Rascals" furnished music throughout the banquet. This five piece band is composed of Clarence Hubbs, Jr., piano, Fred Davis, saxophone, Lawrence Bradshaw, trumpet, Harry Hall, drums, and James McCann, banjo and guitar. The committee in charge of this, the second annual banquet, was Charles Becker, Elmer Jones and Richard K. Hunter.

Rotarians Hear College Head

(Continued from page 1)

William and Mary College in Virginia. The colonists in 1622 started to build the college, which was designed among other things, for the education of the neighboring Indians. Workmen and materials had been brought from England for the purpose, there being 240 of the former. The Indians, however, did not take kindly to the idea of being educated, and in the fall of that year massacred all of the workmen, including the superintendent. Instead, therefore, of William and Mary's being founded 14 years before Harvard, it was not completed until 1693.

Choir of 400 at Sunrise Service

(Continued from page 1)

Improved acoustical facilities will be provided by means of a battery of high-powered amplifiers located at the top of "Singing Tower" hill, and the engineers estimate that the twenty-five thousand people expected to be present will be able to easily hear and enjoy the beautiful Sunrise Service.

REPUBLICAN WOMEN TO MEET AT MOORESTOWN

The Woman's Republican Club of Burlington County held a social evening in Society Hall, Palmyra, last night. A very interesting thirty-minute program was followed by cards and other games. Refreshments were served. On Thursday, April 19, an all-day meeting will be held in the Community House, Moorestown. A business session will be held during the morning and a lunch will be served at noon at a very moderate cost. At the afternoon meeting several prominent speakers will be heard.

MORRIS BITMAN

A military funeral was held Monday afternoon for Morris Bitman, 108 Cinnaminson avenue, Palmyra, who died Saturday following a week's illness.

Mr. Bitman, who was thirty-eight years old, was a member of the Naval Reserves. He is survived by his widow, Mrs. Martha Bitman, and two children, and his mother, Mrs. Jennie Bitman, of Philadelphia. Interment was made in Crescent Burial Park.

K. OF C. DANCE SUCCESS

The card party and dance held by the Ladies Auxiliary of the K. of C. Friday evening, March 16, in celebration of St. Patrick's Day, was a great success and Mrs. Anna Davis and Miss Catherine Schuler, who were in

CONWAY TO HEAD PLAYGROUND BALL

April 7th Set As Deadline For Team Entries: Next Meeting Monday, April 9th

Playground baseball, Riverton's most popular sport, took definite shape for the 1934 season at the organization meeting held Monday night in the fire house.

Fred Conway, Riverton's "Connie Mack," and one of the most active citizens in the promotion of the sport in past years, was appointed to the post of president in the organization controlling the sport. The appointment was made by Councilman John Stroblein, chairman of the borough property committee, who called the meeting to order and announced the proposed officers and executive committee, which list received the unanimous endorsement of all present.

"Joe" Yearly, prominent in K of C circles, was appointed vice president, and "Dick" Steedle, the genial assistant postmaster, was made secretary-treasurer.

Executive Committee

The executive committee is composed of the following members: John Stroblein, chairman, "Dick" Woodward, "Pat" Steedle, John Werner and Wilton Mount.

President Conway appointed Walter Wright, Walter Schopp and Leon Eagens on the schedule committee, with Wright as chairman. "Bill" Schopp was appointed official scorer for the teams.

Edson Carhart was appointed Umpire-in-Chief by President Conway.

"Mountie" spoke of the possibility of a national standardized set of rules being drafted this year to regulate the sport throughout the country, and suggested that Riverton observe these rules when published in order that the teams might be trained to play outside games should the occasion arise. The meeting considered his suggestion and agreed that it might be well to follow the national set-up as much as possible, but for the sake of local interest certain rules followed in the past be retained. Among these is "bunting," while barred from the national set-up, it was figured by those present that bunting added much to the thrills of the game and should be retained.

Must File Players

Anticipating the recurrence of argument concerning the eligibility of certain players, the meeting passed a motion requiring the team managers to file a list of the team players, one copy with the secretary and a copy to each member of the executive committee. The secretary was further instructed to see that a mimeograph copy of each team's list of players be sent to the managers of all teams, thus reducing the chance for argument to the very minimum.

An entrance fee of one dollar per team was passed by the meeting. Playing nights were changed from those used last year. The new arrangement calls for games at the park on Monday, Wednesday and Thursday nights.

April 7 Deadline

Saturday, April 7th, was set as the deadline for receiving applications from teams who wish to enter the league. The various team managers will be required to file notice of their intention to play with the secretary on or before April 7th.

Monday night, April 9th, the organization will meet again to consider applicants and arrange a schedule for the coming season.

It is rumored about in the playground baseball world that the teams which will again enter the field of competition are the Pal-Rivers Cleevers, Athletics, Lamplighters, Dree's, Fire Co., Wesleyans, K of C, and the Bankers.

SELF-LIQUIDATING BEQUEST

Mike (to his friend Pat, who is ill and in a dangerous condition)—"Have you, Mike, left everything to the doctor that saves me life?"

Pat—"Yes, I've left everything to the doctor that saves me life."

John, John, the piper's son,

Is "head of a family"—that's no fun: Is he the humblest, meekest of stations, Supporting the wife and her relations.

SPORTS FLASHES

By Lightning

Basketball's doing a fade-away proper and baseball is hitting the old limelight trail. But just the same we still have a basketball flash from Roberts' Hall.

The Riverton A. A. under the coaching of Dick Steedle, wound up their official season by putting the skids to Maple Shade. Glad to see ya do it, Riverton—that's the real way to end a season.

The way they did it was fascinating, too. At halftime they were being led on a leash 11-10. Did that worry 'em? It couldn't have. They made a fierce "do-or-die," "now-or-never" attitude seem fiercer and came back to win 33-22.

Now for the wrestlers! We don't see how Charley Grip had enough nerve to match "Joe" Montana with "Midget" Fischer.

"In the bag" is the usual war cry!

"In the bag" is the usual war cry! And "in the bag" it was!

We beg your pardon! Last week we predicted "Joe" Savoldi and Abe Coleman for to-night's bout. Alas and alack we were wrong. But you'll still see these two "drop-kick" artists in the near future (very soon—we hope).

And all this (believe it or not!) brings us to baseball Monday night, the managers of Riverton's Miniature Baseball League had a confab at the firehouse. And all they did was tell everybody what they already knew!

Anyhow, now that spring is cheer, ("scuse us, we mean here) we expect to see a great many more sporting enthusiasts than supported the basketballers.

Among Memorial Park's great holdouts may be Pitcher Hubbs of last year's Bankers. A little bird also told us that "Ike" Hylton might only be a bench manager this year. Don't know! It wasn't told to us, we only heard.

See you next week!

LOCALS REPEAT ON MAPLE SHADE

Riverton Scores Stunning Victory at Roberts' Hall, Monday Night

By "BAT"

Dick Steedle's Riverton courtmen turned in a repeat triumph over the strong Maple Shade Community Club passers, Monday night at the local arena, Roberts' Hall.

Riverton pushed up from the short end of a 11-10 halftime score to stack 33 counters against the Shaders' 22 when the final whistle sounded.

For the locals Bonatelli was outstanding with nine points, while Gootee and Speer followed closely with 7 marks apiece. Peterson and Wenegar further helped the local quintet by garnering 4 and 6 points respectively.

Sam Harkin, with 16 points was most valuable to the visitors while the rest of his teammates could share only 6 extra counters.

Riverton's last game will be played this Monday, at Roberts' Hall, when they meet the strong Camden Jetses, who have an enviable gate-drawing record.

CHILD STRUCK BY AUTO GOES TO HOSPITAL

Robert Taraba, five years old, of Delair, suffered serious injuries Tuesday when he was struck by an automobile driven by John Mento, of 403 West Broad street, Palmyra.

The child was taken to Cooper Hospital and is suffering from a possible fracture of the skull, possible concussion of the brain and cuts and bruises.

Mr. Mento told the Pennsauken

Township police he was driving east on River road, near Curtis avenue, Delair, when the child raced from a curb across the street and ran into the side of his car.

Mr. Mento was released on his own recognizance.

LONE STAR JUNIORS DEFEAT RIVERTON

Davidson's Basketball Team Took Victory From Riverton Team

By 18-11 Score

James Davidson's basketballers won a second victory over the Riverton Juniors, March 15, by the score of 18 to 11.

Frank Davidson and DiPrizio shone in defense for the Juniors while Brennan starred in defense for Riverton.

Burvidas showed his skill at shooting for Riverton, and Willie was high scorer for the Juniors.

The lineup was as follows:

RIVERTON		Fld.	Fl.	F.T.	P.
Wallace, f		1	0	0	2
Rothblum, f		1	0	0	2
Smith, c		1	0	0	2
Brennan, g		0	0	1	0
Burvidas, g		2	0	1	4
Woodside, g		0	1	1	1
Totals		5	1	3	11

LONE STAR JUNIORS		Fld.	Fl.	F.T.	P.
Shea, f		0	1	1	3
Davidson, f		0	0	1	0
Williams, c		1	1	2	3
Eval, c		1	0	0	2
Willie, g		5	0	2	10
DiPrizio, g		0	0	0	0
Totals		8	2	6	18

"PICK-UPS" From the Park

By The Mascot

Things in the sport world are beginning to pop!

"POP CONWAY HEADS THE TICKET FOR PLAYGROUND BASEBALL THIS SEASON."

And he'll make a good job of it, too!

THAT IS IF THE NRA DON'T STEP IN AND RESTRICT HIS HOURS ON THE JOB.

And he put plenty of hours in the game last season, ya betcha!

AND WE NOTICE EDSON CARHART IS TO BE THE UMPIRE IN CHIEF

Looks like he wants to get another leg broken

BUT ON THIS NEW JOB IT MIGHT ONLY BE HIS NECK.

The very thought of it gives us the "Shivers". Anyhow "Good Luck" Edson—we'll see you in the well, wherever they take you.

AND THERE'S PAUL BURKE WHO PLAYED FOR THE BANKERS LAST SEASON

One of Riverton's most versatile athletes

FIRST HE IS IN BASEBALL, THEN HE'S WRESTLING, NEXT HE'S IN SWIMMING

And now he's in POOL. Hot water, too!

HE'S STACKED UP AGAINST THE WORLD'S CHAMPION—"ANDY" PONZI

At the Riverton billiard parlor this Friday night

WILL PONZI DO TO HIM IN POOL, WHAT THE OTHER PONZI DID TO HIS FRIENDS IN FINANCE?

In case you don't remember—"Clean him out!"

IT'S RATHER EARLY IN THE SEASON FOR THIS CHATTER COLUMN, SO WE'LL FEED IT TO YOU IN SMALL DOSES FOR AWHILE.

Township police he was driving east on River road, near Curtis avenue, Delair, when the child raced from a curb across the street and ran into the side of his car.

Mr. Mento was released on his own recognizance.

IN CHANCERY OF NEW JERSEY

To Robert P. Thomas and Sara P. Thomas, his wife.

By virtue of an order of the Court of Chancery of New Jersey, made on the day of the date hereof, in a cause wherein Cinnaminson Building and Loan Association of Riverton, New Jersey, is complainant, and you, Robert P. Thomas and Sara P. Thomas, his wife, are defendants, you are required to appear and answer the bill of said complainant on or before the Twentieth day of April, next, or the said bill will be taken as confessed against you.

The said bill is filed to foreclose a mortgage given by you to said complainant, dated November 24th, 1930, and recorded in the Office of the Clerk of Burlington County in Book No. 249 of Mortgages, page 231, upon lands and premises situate in the Borough of Riverton, in the County of Burlington and State of New Jersey, more particularly described in said bill of complaint.

And you, Robert P. Thomas and Sara P. Thomas, his wife, are made defendants because you are the record owners of said premises in question.

CHARLES F. RICHMAN, Solicitor of Complainant, 35 North Fourth Street, Camden, New Jersey.

Dated: February 19th, 1934. 3-1—3-22-34.

At any rate, the citizen who asserts we don't have any more old-fashioned winters has been silenced.

NEW DRESS SHOP IN PALMYRA

Latest Models for Women and Girls
Showing at Low Prices

The Agnes Shop, a woman's and misses' dress shop, was opened this week at 9 East Broad street, Palmyra, by Agnes K. Weber, of 411 Linden avenue, Riverton.

The Agnes Shop will feature the very latest styles in dresses and lingerie, with prices ranging from very modest figures upward.

A special attraction to women buyers is offered in the fact that every dress will be of different model, no two alike.

The Agnes Shop answers a long felt need in the Twin Towns. Mrs. Weber is quite experienced in women's fashions, having spent several years with the noted Joseph G. Darlington store on Chestnut street, Philadelphia.

Acknowledgment

The Palmyra Ambulance Association gratefully acknowledges the receipt of \$10.00 from the Riverton Junior Porch Club through Miss Phyllis Boyer.

A radio invention makes it possible to control a driverless automobile. And now we want an invention that will control a car with the driver in it.—San Diego Union.

RIVERTON

Among the students home from school and college for the Easter holidays are: Charles Woolston, of Purdue University and Robert Borer of Mercersburg Academy.

The first annual ball of the Riverside Volunteer Fire Company will be held Monday evening at the Riverside Fire House. Music by Johnny Rock and his Paramount Broadcasting Orchestra.

The many friends of George Hagstoz will be glad to know that he is making a satisfactory recovery following four weeks in the Pennsylvania Hospital, suffering with pneumonia. After leaving the hospital he will go to the shore to recuperate.

Mrs. William A. Hendrickson and daughter, Miss Brita Hendrickson, of 208 Lippincott avenue, have returned home after a several weeks' trip to Miami and Sarasota, Florida.

Mrs. Richard M. Hollingshead, of Linden avenue, has returned after a week's stay at Chalfonte-Haddon Hall, Atlantic City.

Mrs. B. S. Mechling is spending several days in Atlantic City, stopping at Chalfonte-Haddon Hall.

Samuel L. Biddle, a student at Moses Brown School, has returned to his home for the spring recess. Biddle, a star member of this year's swimming team, was recently awarded his letter in that sport. He is the son of Mr. and Mrs. Charles M. Biddle, Jr.

Riverton was represented in the student body which recently completed its first semester's work at New York University. Miss Gertrude E. Crouch, 106 Seventh street, was registered from Riverton.

CINNAMINSON NEWS BUDGET

The "Spring Birthday Sing" given by the Lower Cycle of the School during their assembly last Wednesday afternoon, was just as enjoyable as was expected. Finishing with "Happy Birthday," in honor of a teacher whose birthday it happened to be, they took the bus in a happy frame of mind, while the teachers were asked to visit the lunch room. There a table was set with spring colors, and a birthday cake, home-made candy, and delicious coffee added to its attractiveness. Two P.T.A. members and some of the teachers were responsible for the surprise.

The "Hobby" clubs met in the evening, and all enjoyed their personal facts and the social hour. The school is becoming a community center, which is as it should be.

This week, three grades will visit Philadelphia, going in a Public Service bus. Two grades visit the Commercial Museum, in quest of information on some special subjects; the other will visit the Art Gallery.

Thursday afternoon the spring holidays begin, work being resumed on the ninth.

Do not forget the card party at Mrs. Joseph Evans' on the fourth. The music committee is paying for a Victrola, and wishes to get another piano.

Publicity.

ENGAGED

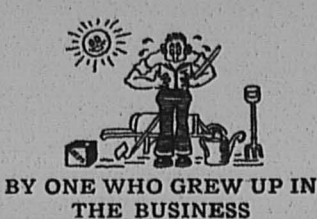

Mr. and Mrs. Russell Heppard Bowen, of Germantown, Pa., have announced the engagement of their daughter, Miss Louise Bowen, to Raymond Aldwyn Ballinger, son of Mrs. G. Frank Ballinger and the late Mr. Ballinger, of Mullica Hill.

Miss Bowen is a graduate of the Friends' Select School and the Philadelphia School of Industrial Art. Mr. Ballinger also is a graduate of the School of Industrial Art.

Mr. and Mrs. Bowen are both former residents of Palmyra. Mrs. Bowen, before her marriage was Miss Ida Rudduck, and is sister to Mrs. William Wilbraham and A. Harry Rudduck, while Mr. Bowen is cousin to Mrs. William Purnell.

Want an increase in your pay envelope?—try reading one book each month that deals with your business.

TIPS ON GROWING

BY ONE WHO GREW UP IN
THE BUSINESS

Likely more bare spots will be found in the lawn this spring than usual due to the past extreme cold winter, especially on such exposed places where the snow was driven from the surface by the wind. Now is a good time to renew with a fresh seeding, using a good reliable brand of seed that will withstand the hot dry winds of summer and not make a quick green growth and then fade quickly with the first hot breeze. Along with the grass seed when rejuvenating an old plot, add some fertilizer, such as bone meal, Bovine or pulverized cattle manure after sowing the seed. Give the lawn a thorough rolling in the spring and at intervals throughout the season. For shady spots special mixtures may be obtained from the dealers—also for grounds surrounding the cottage at the shore.

Leading the 1933 Honor Roll of outstanding New Dahlias in D. W. Hart's report in the recent issue of the American Dahlia Society, is the Cactus Novelty "Paul Pfeiffer" (Berg). "A German novelty which created as much comment as any Dahlia at New York. Combined in a basket with Frau O. Bracht, it not only won the class in which it was entered, but received a Special Award of Merit as the Best Basket in the Show." This variety, named after Germany's leading horticulturist, is a Giant-cactus of a "tender rose color, faintly suffused with lilac."

Mr. Pfeiffer, for whom the variety was named, served part of his horticultural apprenticeship, in this country, under the able tutelage of the late Mr. Eisele, a quarter of a century ago.

This issue of the Dahlia Bulletin also contains a report on "What's New in Europe," noting interesting varieties which are attracting growers across the Atlantic—the best of which will undoubtedly eventually appear in American gardens. Mr. Hart, by the way, says: "For quality of Dahlia bloom, the best Shows on the Atlantic Coast (in 1933) seem to have been Camden, N. J., Rockville Centre, N. Y., and Red Bank, N. J."

Membership in the National Society and subscription to the Bulletin may be secured by sending \$2.00 to the American Dahlia Society, Inc., 251 Court Street, West Haven, Conn.

Soon the dainty little Hepatica (Liver Leaf) will be sending up its pale pink, blue or white flowers in the woods. This is one of the favorite early spring flowers of the wild. It is a good flowering subject for the terrarium, glass garden, warden case, or whatever you may call it, and after blooming may be transferred outdoors to the hardy border. Good pot plants may also be obtained from the nurserymen now.

"MRS. J. D. EISELE," ROSE

A MODERN HOME

No Need to Worry

Our policy of marking costs in plain figures removes the last cause for worry, for it is an utterly simple matter to make a proper selection from our display

The family, knowing best of all what it can afford to pay, can make a selection here without hesitation or embarrassment, regardless of how limited the family's means.

No Charge

There will be no charge for the burial of any resident of Riverton, Palmyra or Cinnaminson, whose relatives are worthy and without means with which to pay the funeral expenses

Development of Medical Science

(Continued from Page 1)

with ivy; for between such plants and animals there is an occult friendship.

Medicine and religion have marched down the centuries hand in hand, for hundreds and thousands of years, the medical man was also a priest and magician. The promotion of the well-being of humanity was the primary duty of the early physician and, in a period of mythology, was widely taught, the offerings of prayers and incantations to avert the anger of gods and evil spirits, as well as the phrasing of expressions of praise and hope for good seasons, crops and health, were most effectively made by the professional man. So it developed that the early physician was a prophet and efficiency expert, as well as philanthropist and religious official.

The philosophy of the material and spiritual worlds was developed by medicine men to explain a spiritual world, which is a duplicate of this world, but peopled by spirits and ghosts of the dead. These spiritual beings possess the same desires, passions, dispositions and animosities as the living. "Bad luck, sickness, and all troubles or misfortunes are placed upon the shoulders of evil spirits, and death is their final punishment."

When this philosophy prevailed, the medicine man's first question was "Who did this?" It was a purely spiritual question. He had to discover the malevolent spirit before he could determine his prescription for a cure.

Errors frequently crept into practice. When a Chinese physician ordered his patient, suffering from paralysis to take a diet of poisonous snakes and the patient ate six of the worst snakes he could find, without obtaining relief, there was obviously an error of judgment in the prescription. Similarly when the early doctor endeavored to cure dog bites by writing the forms of talismans or charms on the wounds; to heal ulcers and festering sores by passing the claw of a wild beast through them; to cure rheumatic troubles by prescribing powdered monkey, bear or other animal bones, suspended in wine (to be drunk twice daily); to remedy palpitation of the heart by ordering the eating of mud taken from the center of the fire place; or prescribing the chewing of deer and dog meat for a tonic; many errors of judgment were made.

Medical men had a legal status in Babylon similar to that of modern medical men. They were paid fees for their work which were prescribed by law. In Hammurabi's code there are numerous references to the doctor. The following are interesting:

"The doctor who treats and cures a gentleman's eye, or who has operated on the eye with a copper lancet, shall charge ten shekels of silver as his fee. If the patient be a poor man, the doctor shall charge five shekels of silver. If the patient be a servant, his master shall pay the doctor two shekels of silver. If the doctor operates on a wound with a copper lancet, and the patient dies, or on the eye of a gentleman who loses his eye, in consequence, the doctor's hands shall be cut off."

A capable medical faculty was established in Egypt 50 centuries ago. There is no doubt that the Egyptians studied medicine and surgery in the medical colleges of Babylonia and in parts of Mesopotamia, and acquired a complete knowledge of all the Oriental medical practices.

Mummification of bodies by Egyptian surgeons gave them plenty of material for study, they did not neglect their opportunities. The term mummy comes from the Syriac word (mumya), or bitumen. An Arabian physician, Ibn Belar, writing on the derivation of the word, said:

"The name mummia is given to the drug called bitumen by the Arabs and to the mummia of the tombs, which is found in great quantities in Egypt, and which is nothing else than a mixture which the Byzantine Greeks used formerly for embalming their dead, in order that the dead bodies might remain in the state in which they were buried, and experience neither decay nor change."

Honey was also employed to embalm bodies. The body of Alexander the Great was embalmed by saturating it in honey. A jar of honey

found in an Egyptian tomb contained a child in a perfect state of preservation. The most practical, commonest, form of mummification, however, was that performed by a special order of embalmers connected with the temples by means of bitumen, gums, resins, soda, honey and salt. The embalmers were members of an hereditary profession, and were ranked with the inferior priests.

The final section of Dr. LeFavor's paper contained the Hippocratic Oath which is taken by all real physicians throughout the world. Most laymen have heard of it, but do not realize the extent of its contents. All present were glad to have it ably read and explained.

At the conclusion of Dr. LeFavor's talk President Barclay read a letter from the Chicago office of Rotary International congratulating local Rotarians on their splendid attendance record for January.

Easter Dawn at Lakeview

(continued on page 11)

setting forth the historical sidelights of the 200-year old Moravian service, the order of the Easter Sunrise Service, and the participating church choirs and singing societies comprising the choir of four hundred, will be distributed among those attending.

Lakeview Memorial Park has undergone many improvements in anticipation of the Easter Sunrise Service. An arch bridge built of native stone and concrete has been erected between the two lakes which will be planted with hundreds of water lilies.

Thousands of trees, shrubs, and flowering plants have been so placed about the grounds as to add much to the natural beauty of the park, and later in the season they will lend their fragrance and color to the charm of the gentle slopes of the greenward.

Every possible human effort has been made to provide for the complete enjoyment of the services by all who attend. A number of electrical amplifying units will be placed on the hillside to carry every word and note clearly to the most remote points in the park. Municipal and State Police, under the direction of Chief George Dorworth of the Cinnaminson police, will regulate the flow of automobile traffic and guide the incoming cars in an orderly manner to the huge parking space that will accommodate 5,000 cars.

Where large numbers are planning to come from any given community, Public Service will arrange for special bus service.

The board of directors of Lakeview Memorial Park as well as the Moravian churches of Riverside and Palmyra, extend to all a most cordial invitation to attend these services and take part in the greatest demonstration of common Christian faith ever held in South Jersey.

A huge illuminated Cross atop the "Singing Tower" will serve as a beacon to incoming motorists during the dark hours of the early morning. Lakeview Memorial Park is situated on the Burlington Pike, one-half mile north of the Moorestown-Riverton Road, on route 25.

PORCH CLUB NOTES

Following the regular business meeting of the Porch Club on Tuesday, April third, Richard R. Wood will lecture on "World Current Events."

Mr. Wood is executive secretary of the Friends' Peace Committee. The program is in charge of the current events department of which Mrs. Nathan Lane is chairman.

STANWOOD—STEVENS

Mr. and Mrs. B. R. Stevens, of Palmyra, have announced the marriage of their daughter, Miss Elizabeth Lee Stevens, to T. Edward Stanwood, son of Mr. and Mrs. Edward Stanwood, of Pittman.

The ceremony took place March 21, at the home of the bride's parents.

Mr. and Mrs. Stanwood are making their home at 320 South Broadway, Pittman.

The American people ate four billion pounds more meat in 1933 than they ate in 1932. The soup is thickening.—Council Bluffs Nonpareil.

"Spirits Boost Revenue" . . . Yep, and revenue boosts spirits.—Syracuse Post-Standard.

CHURCH NEWS

CALVARY PRESBYTERIAN CHURCH

Rev. Charles T. Bates, Pastor
This church will observe Easter next Sunday with special Easter music and an Easter message by the pastor at the morning service at 11 o'clock. In the evening the augmented choir will sing "The Living Christ" by Stultz. Christian Endeavor at 7 p. m. All departments of the church school will meet at 9:45 a. m.

On Friday evening at 8 o'clock "At the Cross" a service of meditation and prayer will be held.

The annual meeting of the congregation of Calvary Presbyterian Church will be held on Thursday, April 5, 1934, at 8 p. m. in the church school, at which time all organizations connected with the church are requested to present their financial reports for the past year. This meeting will be followed at 8:30 p. m. on the same day in the same place by the annual corporation meeting of Calvary Presbyterian Church, for the election of three trustees, to serve for three years, three members of auditing committee to serve for one year, and the transaction of any other business which may properly come before the meeting. By order of the Session, Harry P. Landis, clerk, and by order of the Board of Trustees, S. L. W. Field, secretary.

A congregational dinner will precede the above meetings at 6:30 p. m. There will be no charge except what each may wish to contribute. The Ladies' Aid Society will hold their annual cake and apron sale Friday, April 13th, from 2 to 7 p. m. There will be an elaborate display of patchwork quilts. Also there will be for sale cakes, aprons, plants, candy and all kinds of delicatessen foods. Fish pond for the children. Tickets, including ice cream and home-made cake, 15c. If you wish to take your ice cream home, bring a receptacle for it.

MORAVIAN CHURCH

Albert J. Harke, B. D., Pastor
Easter Sunday Services
5:15 a. m., Easter Dawn Service at Lakeview Memorial Park. This service will be broadcast from Station WCAM, Camden, N. J., from 5 to 6 a. m. (For further details see news article on another page.)
9:30 a. m., Sunday School. Easter Session.
10:40 a. m., Easter Liturgy. Sermon: "They Tried to Make It Sure."
7:30 p. m., Easter Evening Service. "The Easter Garden." Program by primary department of the Sunday School.
"The Easter Evangel," cantata by our choir.

DR. FRANK EBERWEIN

Dr. Frank Eberwein, 2225 N. Colorado street, Philadelphia, died suddenly March 24th. He was buried today (Thursday). Dr. Eberwein was a half brother of the late Otto Sauers and lived in Riverton when he was young.

SACRED HEART CHURCH

Fourth Street and Linden Avenue
Riverton, N. J.
Rev. Joseph A. Rigney, Rector
The services at the Church of the Sacred Heart, Fourth and Linden avenue, will be held Thursday, Friday and Saturday at 7:15 a. m.

On Good Friday the evening service at 7:45, Stations and Veneration of the Cross and sermon by Rev. Fr. Nolan, C.S.S.R., of St. Bonafacius Church, Philadelphia.

On Easter Sunday the Masses will be at 7, 9 and 10 a. m. The program of music for the occasion will be rendered by the children's choir at 9 a. m., under the direction of Sister Paul Maria and the organist, Sister Clare Frances.

The 7 and 10:15 Masses will be assisted with a special program by the regular choir as follows: Fabrizzi's Missa "Gratia Plena"; "Regina Coeli" by Wiegand; "O, Salutaris" by Montani; "Tantum Ergo" by Gi-orzi; "Vidi Aquam" by Montani. The members of the choir are Miss Mary E. Steedle, Mrs. William Mitchell, Mrs. Edward Steedle, Mrs. George J. Porter, Miss Elinor Porter, Mr. William Aspinall and Mr. J. Allan Porter, organist.

FIRST LUTHERAN CHURCH

Rev. Harold L. Creager
The joy of the Resurrection Day is again at hand. In celebrating this Victory Day we will start with a Dawn Service at 6:30, with hymns of praise, special music, and a short message on "The Light of Easter." At the 11 o'clock service, we will conclude our series of messages on "What Jesus Means to Us," with a brief sermon on "Jesus Our Source of New Life." The Sacrament of the Lord's Supper will also be offered at this service. In the evening worship service the sermon theme will be "Seeing and Believing."

This (Friday) afternoon we join in the Community Three-Hour Service in the Methodist Church, from 12 to 3. And this evening we have special service in our own church; sermon topic, "Christ Crucified the Power Unto Life."

Next Tuesday the Ladies' Aid will hold their monthly meeting in the Church; covered dish luncheon at 12:30.

Prayer Meeting and Bible Study Wednesday at 8:00 p. m.

MRS. LEWIS BOWKER

Mrs. Lewis Bowker, of Absecon, died suddenly last Monday. Funeral services were held Thursday of this week. Mr. Bowker, husband of the deceased, is brother of Arthur M. Bowker, of Riverton, and had many friends here.

"CRAZY POLITICS" BY PALMYRA PTA

Prominent Men and Women of Riverton and Palmyra In Huge Cast

The Palmyra Parent-Teacher Association will stage the big three-act comedy "Crazy Politics" in the Palmyra High School Auditorium Friday and Saturday, April 6 and 7. Proceeds from the play will be used to buy a dental chair for the school, and to help buy glasses for needy school children.

The story deals with a political campaign in a small town, where a woman has been nominated as candidate for Mayor. Due to the failure of the woman candidate to appear in time for the election, Pat O'Donnell, a newspaper reporter, is forced to masquerade in her place. Around this situation, the comedy and plot of the show is built.

The cast includes the following: O'Donnell, L. B. Parker; Simpson, Joseph G. Seal; Frole, Monty Simmons; Judge Fisher, James K. Hal-loway; Dr. Jeffrey, Herbert McCol-lom; Watson, Walter Poulson; Abie Goldberg, Leon Guest; Rollins, Mathew Sontheimer; McGinnis, Dr. J. R. Day; Ward, George Long; Helene Johnson; first cop, K. Di-mond, second cop, Louis Jander; first gangster, Fred Metzgar; second gangster, James Seither; Ivan Aw-fultich, Carl McAllister; Jenkins, De-witt Morris; Burgess, Arthur Palmer; Messenger, Bill Mickle.

The caucus includes Mrs. H. W. Bauer, Mrs. W. R. Dunn, Miss Mary Lord, Mrs. Walter Hansen, Mrs. George B. Shaner, Miss Mary Prisco, Mrs. Maurice Sandoz, Mrs. C. R. Houchins, Miss M. Burgmann, Karl Hatch, C. B. Marple, Dr. P. C. Hulse, Dr. W. R. Dunn, Joseph L. Stack, Louis Janders, Arthur Wright, Floyd W. Spahr, Dr. J. Lord, Dr. H. W. Bauer, Leon Evald, Stanley Black, Edward Goldberg, Charles Geelan, Howard Conover, Clem Lewis, Howard Taylor, Palmer Adams, John Swartz and Edward Liming.

Farmers: Dr. Dean H. LeFavor.

Wilbur Crane and Herbert Parsons. The girls chorus includes Jean Watson, Evelyn Sprekel, Helen Huyett, Florence Haines, Eva Whiteside, Ruth Horner, Anna Johnson, Lillian Goodwin, Edith Roberts, Florence Stephens, Laura Phillips, Bertha Broderson, Betty Chambers, Marjorie Keil, Katherine Rhoads, Jean Stager, Marjorie Koenig, Dorothy Heeter, Thelma Cron-well, Betty Megahan, Dorothy Mays, Florence Bradley, Lorraine Mc-Clatchey, Ruth Thomson, Blanche Kuensell, Florence Kieme, Mary Gibleon, Bertha Beach, Margaret Whiteside and Theresa Prisco.

Other men who will have a part in the play are: Lawrence Schweiz-er, Louis Koppenhoefer, Ralph Hunn, Ted Hunn, Russell Rivers, Richard Johnson and Melvin Mays.

WESLEYAN MEN'S BIBLE CLASS

Men who have no Sunday School to attend Easter morning will receive inspiration by coming to the Wesleyan Men's Bible Class which meets in their classroom in the Methodist Church, 9:55. Reading Z. Poinsett, teacher, will deliver the message on "Christ the Firstfruits" (1 Cor. 15:23). In addition there will be special music.

On Palm Sunday 127 men gathered to hear Mr. Poinsett talk on "The Undisturbed Grave Clothes of Christ." This message will be continued after Easter. Ernest War-nick sang a Recitative and Air, accompanied by Lee Mitton. Don't forget: Easter morning at 9:55, Methodist Church, Fifth and Morgan avenue, Palmyra.

RETURN FROM TRIP

Mr. and Mrs. Walter K. Woolman returned last Wednesday from a seven weeks' trip through the Canal to Honolulu thence to Portland and back across the continent.

BIRTHS

Mr. and Mrs. Alfred W. Hall, of Palmyra, are receiving congratulations on the birth of a daughter, Florence Margaret, Sunday, March 4th.

RESIGNATION OF PALMYRA TEACHER

Mrs. Ida Bonsall Retires After More Than Quarter Century of Service

At the meeting of the Palmyra Board of Education held in the Palmyra High School auditorium Wednesday, Leonard R. Baker, chairman of the educational committee read a letter of resignation from Mrs. Ida B. Bonsall, who had been a member of the teaching staff for more than twenty-five years. The resignation was accepted with regret.

DeWitt Morris, chairman of the athletic committee, asked the opinion of the board members with regard to allowing the girls' swimming team to swim under the name of the Palmyra High School Swimming team. The girls themselves have offered to pay all expenses incidental thereto, but asked for permission to use the name of their school. The members of the board decided that it would be all right to use the name of Palmyra High School, but that parents of each member of the team will be required to sign a waiver, releasing the board from all responsibility in connection with accidents which might happen.

DAVID HARUM

Today at the Walt Whitman quest of thousands of theatregoers and present Will Rogers in "David Harum." The insistent demand of the public urging Rogers to play the role of this famous character virtually forced the film officials to forego any other plans they might have had for the comedian. The film, which is based on the novel by Edward Noyes Westcott, is reported as being perfectly suited to Rogers' talents.

Shortcuts to the Dinner Table

BY VERA A. SCHNEIDER

The Easter Season is surely in the air—town is crowded with prospective purchasers, and new bonnets are making their appearances placed jauntily on beautifully modelled heads! And not only do the new bonnets indicate that Spring and Easter are in the air, but the countryside has taken on a new hue. The weeping willows are bursting forth into green and the forsythias feel like bursting forth into song and very appropriately does "The Resurrection" come to mind.

However, not only must we think of the countryside coming to life, but we must also keep in mind that the winter appetites are in need of new foods. So, before we go into this necessary problem of new ways to serve old foods, let me wish for you all, a Peaceful and Joyous Easter.

Let us plan, first, several Easter breakfasts to be served after coming from church.

EASTER BREAKFAST NO. 1
Strawberries with Powdered Sugar
Grilled Sausages
Waffles Coffee Maple Syrup

BREAKFAST NO. 2
Rhubarb Cup
Broiled Bacon
Stuffed Eggs on Toast with
Mushroom Cream Sauce
Hot Muffins
Strawberry Jam
Coffee

And now, an Easter Dinner Menu, with the traditional ham as the piece

de resistance. If you are planning to boil the ham yourself, then keep in mind that you wish an I.A.K.L. Ham, one that needs no soaking, but is tender and juicy with no sign of appearing dry. Or, if you are planning a Virginia Style Baked Ham—that is the ham which is boned, rolled, sweetened, spiced and cooked for you at the plant of a very prominent Philadelphia Pork Packer, then you will have chosen wisely too. All that is necessary for the home-maker to do, when serving the Virginia style baked ham, is to put the ham in the oven and heat it thoroughly. The recipe used in preparing the Virginia style baked ham I have in mind, is the same recipe that made the Virginia Baked Ham famous.

But to the Easter dinner menu without further ado.

EASTER DINNER
Grapefruit and Mint Cocktail
Olives
Curled Celery
Baked Virginia Ham
Pineapple Steak
Glazed Sweet Potatoes
Spinach Timbales
Dressed Watercress
Frozen Custard
Buttermilk Cookies
Coffee

PINEAPPLE STEAK
Dry slices of canned pineapple, then dip in melted butter and toss in shredded coconut, covering the pineapple completely. Place slices in a shallow baking dish and bake in a 350 degree oven for five minutes. Garnish center of pineapple with mint leaves and lemon slices. Boil the syrup left in the can until it is reduced to one-half, then add 1½ tablespoonsful of grenadine and pour over the pineapple steak when serving.

And now, an Easter Dinner Menu, with the traditional ham as the piece

de resistance. If you are planning to boil the ham yourself, then keep in mind that you wish an I.A.K.L. Ham, one that needs no soaking, but is tender and juicy with no sign of appearing dry. Or, if you are planning a Virginia Style Baked Ham—that is the ham which is boned, rolled, sweetened, spiced and cooked for you at the plant of a very prominent Philadelphia Pork Packer, then you will have chosen wisely too. REPUBLICAN CLUB TO MEET APRIL 2

The regular monthly meeting of the Associated Republican Clubs of Burlington County will be held in the Moorestown Community House, Monday, April 2, at 8 p.m. President Jay Tomlinson of Bordentown, N. J., will preside. The Clubs will be the guests of the Moorestown Republican Club. The principal speaker is William Starr Myers, a member of the Department of political science of the Princeton University. He is author of the book entitled "The Republican Party," a history. For thirteen years he has been lecturing before the Army War College in Washington, D. C., on Comparative Government. For three years he has lectured before the Naval War College at Newport on the same subject. He has recently edited a book entitled "Crisis of German Democracy," and is now preparing for publication "The Papers of Former President Hoover." For many years Professor Myers has been one of the members of the speakers bureau of the Republican party and is perhaps one of the best known public lecturers on political subjects and the best informed man in the United States on not only matters of political nature but on the general subject of Comparative Government which at the present time is of the utmost interest due to the recent developments in Russia, Germany and Italy.

...an expert is a man away from home.

PALS CLUB TO HOLD DANCE

The Pals Club, a local organization, will hold its first annual spring dance at the Riverton Porch Club on Friday, April 6th. The Pals Club is noted for the social success of its dances and this time will score again. Horton-MacCord and their 10 piece orchestra will furnish the smooth flowing melodies. The price of admission will be \$1.00 per couple and dancing will continue from nine until one.

MONEY NEEDED FOR BASEBALL

Financial Aid Required to Conduct Baseball at P.H.S. This Year

By "BAT"

A discouraging situation at Palmyra High is threatened unless a small sum is gathered for the initial financial outlay for baseball equipment in the next week.

Funds from the Board of Education are unfortunately unavailable, making it necessary to rely on the friendship and willing cooperation of the students and the townspeople.

The students have already helped the cause by individual contributions, and now the answer to the question, "shall we have baseball at PHS this year?" lies in the hands of the townspeople.

In case a representative does not call upon you, will you send your contribution to William Davidson, care of Palmyra High School?

The acuteness of this situation can well be realized when we consider that if baseball is not conducted this year it may be neglected indefinitely.

Any donation, no matter how small, will be accepted with heartfelt thanks.

Lone Star Juniors

The Lone Star Juniors continued their winning stride by defeating the Sophomore Hi Y in an overtime duel, Thursday, March 20, at the Presbyterian church.

The Sophomores started a rally at the opening of the game, caging three field goals before the Juniors started.

Shea started a rally for the Juniors and the half ended 11-10—the Sophomores leading.

The second half started with Rader putting one through the hoop for another counter. The second half ended in a 15-15 deadlock.

The game had to be continued five more minutes and Williams, of the Juniors tossed three more counters in the basket, making the score 21-15, but Baker caged two more for the Sophs, making the score 19-21 in favor of the Juniors. Williams followed up again with a foul, ending the game 22-19.

Robert McCurdy,
Reporter.

CITIZENS' FORUM

The Citizens' Forum met on Tuesday evening, March 27, at the home of A. H. Zayotti on Morgan avenue, Palmyra. The topic of discussion was the problem of a permanent club house.

After the business meeting D. Showell led the discussion, the topic of which was, "Should Industry adopt shorter hours and higher wages for its employees?"

The members through these discussions hope to build up a better understanding of political, financial and industrial organization.

William K. Steedle,
Executive Secretary.

WOMAN'S CLUB MEETING

The regular monthly meeting of the Palmyra Woman's Club will be held Monday afternoon, April 2, at 2:30 o'clock in the club rooms, Society Hall.

Election of officers will be held and the guest speaker will be Walter Cox, whose topic will be "Friendly Furniture."

MAIL DELIVERY CUT

In compliance with directions from Washington and in accordance with President Roosevelt's Economy Program it will be necessary to curtail delivery of mail to one delivery a day from April 1st to July 1st, 1934.

Mervil E. Haas,
Postmaster.

SPORTS FLASHES

By Lightning

That card at the drill shed tonight is really a honey! Eight aces, matched so they can't back out and each of them have never met before.

So the latest sensation of the Dusek brothers is Joe? Well welcome east, Joe, and go to it tonight!

A word or two or three of four or (never mind) about the situation at Palmyra High. Things are so bad that the discontinuance of baseball is threatened—unless a moderate sum is gotten together very soon.

It seems that the Board of Education's funds are unfortunately cut-off, therefore limiting the necessary initial outlay for equipment.

The students at the "ole institute" are doing their part; they are chipping in! (Heaven bless 'em.)

However that won't be sufficient, and a canvass of the town will be made very shortly.

Now, where's the citizens who want to "contrib" to a worthy cause, but can't find one?

'Scuse us for all this sob stuff, but it touched our heart, yowzah, right to the core!

Anyway, we'll try to get a little gay for next week.

PALMYRA-RIVERTON FAMILIES MAKE TEST

Careful heads of families are saying this dangerous Spring weather, "How am I to really know that there is a difference in coal, how am I to know that Evans' High-Carbon Premium Anthracite does burn longer and will save me money?" The answer is, the experience of over a thousand Evans' customers found in a recent survey. Many had used Evans over a score of years with splendid satisfaction, but the pleasing thing was the report of new customers who said they started using Evans' because of the recommendation of a friend, their first ton was so satisfactory they have used Evans Coal ever since.

Don't let your heater fire go out this dangerous, pneumonia, like weather, make a test this Spring—see for yourself that Evans' High-Carbon Premium Anthracite does go further and does really save money, so that your next Winter's coal will be Evans' Money Saving Coal. Don't delay—Phone Riverton 302 today for Your TEST TON. Remember also that Evans is the only dealer in Palmyra and Riverton handling Genuine Koppers Coke, and here you will find Oak Wood for fire places, and many other things for this Spring. Bone, Fertilizer, Seeds, Lime, for lawn and garden, Tools, Screens, Lumber, Paint, Building Supplies of highest quality, at lowest prices. For your Chicks and Pullets use Evans' fresh mixed Feeds for Poultry Profits. This Spring consult Joseph T. Evans first, Phone Riverton 302 for prompt courteous service.

RIVERTON "5" TO PLAY TWO MORE

Two Interesting Post Season Tilts Booked for Local Basketeers in April

By "BAT"

The Riverton A. A. quintet has decided to book just two more basketball tussles. The first game will be at Robert's Hall, Wednesday, with the Lone Star Juniors for opponents and the second at the Methodist Church, April 9th, with the Wesleyans as the opposition.

The game scheduled for last Monday was cancelled due to inclement weather.

The Lone Star fracas should prove exciting as both teams are well acquainted.

Perhaps what is needed is a law requiring purchasers of securities to sit at a table while giving their order.—Pittsburgh Post-Gazette.
