RIVERTON, NEW JERSEY, THURSDAY, SEPTEMBER 5, 1935

PRICE FIVE CENTS

MAN HANGS SELF IN LOCAL JAIL

**William Faunce Uses Belt for
Noose; Found by Officer
Robinson Wednesday**

William Faunce, age 40, of 709 Cinnaminson street, Riverton, hanged himself yesterday in the borough jail after scribbling the following note to his two daughters on a piece of wrapping paper with the ends of burnt matches: "Peg, Nan, good bye, God bless you, Dad, to all."

Officer John Robinson arrested Faunce nine o'clock yesterday morning on a warrant sworn out by his wife, Anna, on a charge of disorderly conduct.

After putting Faunce in a cell the officer stated that Faunce complained of indigestion. Robinson took Faunce some baking soda (the wrapper of which was used for the farewell note) two newspapers and some cigarettes.

Robinson again visited Faunce at 2.25 in the afternoon to determine if he wanted any lunch. This Faunce refused but according to Robinson he seemed in good spirits.

When Robinson again visited the jail at twenty minutes to six to see about dinner for Faunce, he found him suspended from the iron bars at the top of his cell by his leather waist belt. A double half hitch was tied to the bars and the buckle served as a slip noose which was about his neck. The toes of his shoes were touching the floor.

Officer Robinson felt his face and found it to be cold. He put through a hurry call for a doctor which was answered shortly by Dr. Charles S. Voorhis who pronounced the man dead.

Robinson, Dr. Voorhis and C. Morris Beck, Chief of Police from Palmyra, lifted the body and removed the noose.

Coroner William O. Cunningham, of Riverside, was called and issued a certificate of suicide by hanging.

The funeral services will be held Saturday morning at the convenience of the family from his late residence 709 Cinnaminson street. Friends may call Friday evening.

Interment will be made in the family plot in Morgan cemetery, Palmyra.

TAXPAYERS LEAGUE TO MEET IN PALMYRA

The Burlington County League of Taxpayers and Voters will conduct a meeting in Society Hall, Palmyra, next Friday, 13th, at 8 p.m., to which the public is invited. The meeting is to organize merchants and taxpayers against the sales tax.

Several members of the State Legislature will attend and speak. Alfred Wood, of Burlington, is president of the League and Ralph R. Trout, of Burlington, is field agent.

CANDIDATES

The following is a complete list of candidates of both parties for the primary election to be held September 17.

Republican

Assembly—Marcus W. Newcomb, Joseph W. Bowley.
Sheriff—DeWitt H. Steedle, John M. Chant, Arthur F. Prager.
Freeholder—Christopher Peditto, LeRoy Church, Walter Lamon.
Auditor—F. George Furth.
Coroner—George A. Whomsley, Clarence S. Roberts, Jr., Francis I. Uncle, Frank Buccigross, Lester A. Merrill, Jerome Zisak, Jr., James J. Goodwin.

Democratic

Assembly—Daniel Lichtenthal.
Sheriff—Roy E. Gill.
Freeholder—Edward P. Gallagher, Edward E. Bell.
Auditor—Lusy E. Kenny.
Coroner—M. William Mellon, Thomas McGann, Stephen A. Tyrell.

Candidates

FOR SHERIFF

Riverton has always been depended upon for a substantial Republican majority, in "off years" as well as in Presidential elections, and it is fitting and gratifying that when the highest office in the county is to be filled, a Riverton man should be asked to be a candidate. A wise choice has been made in the selection by the regular Republicans of the county of DeWitt H. Steedle as a candidate for sheriff of Burlington County.

Mr. Steedle is a man of sterling character and unquestioned integrity, a man who will fill the high office with fairness and impartiality. His wide business experience, covering a period of two decades, is full warrant of his ability. Mr. Steedle is widely known throughout the county, and his host of friends are pushing his candidacy with enthusiasm.

FOR ASSEMBLY

Dr. Marcus W. Newcomb, of Pemberton Township, who is a candidate to succeed himself in the Assembly, needs no introduction to the voters of Burlington County, whom he has served for a number of years in the Lower House, fearlessly and ably. The doctor is now in the Burlington County Hospital following an operation for appendicitis last week, and may not be able to personally reply to the many and varied misstatements that are being circulated in an attempt to defeat him in the primary election, but those who know "Doc" will not be in a hurry to believe that he has gone back on the high principles and ideals which have been his guides of conduct during all these years.

FOR FREEHOLDER

LeRoy Church, of Fieldsboro, candidate for Freeholder, has never been active in politics, which may be an asset rather than a handicap, as he will bring to the conduct of county affairs the judgment and viewpoint of a successful business man, free from political bias. His pledge to the people is to "endeavor to bring about a more healthful condition of county affairs and to help to restore public confidence at a time when it is badly shaken."

Mr. Church has been in Riverton several times lately and the impression he made was very favorable. The expression of one man, "Now, he is the kind of man we need on the Board," seemed to express the general sentiment.

FOR AUDITOR

Harry J. Ziegler, of Riverside, was on the Regular Republican ticket for auditor, but at the last minute declined to run. The reasons given in the statement he signed announcing his elimination as a candidate were not very logical or convincing. It didn't sound like "Hap," nor did it square with his previous actions and affiliations. What really did happen will probably come out sooner or later.

FOR CORONER

In the contest for coroner Riverton presents two candidates—James Goodwin, who ran last year and made a good showing, and Jerome J. Zisak, a local funeral director. Mr. Zisak is a graduate of the H. E. Dolan College of Embalming, Philadelphia. While a student in the college he received some experience in the city morgue, which handles all coroner cases for the city.

FOR MAYOR

H. McIlvain Biddle, incumbent, is candidate for re-election. Mr. Biddle was appointed to serve the unexpired term of J. Elmer Hahn, who moved from Riverton, and last fall was elected to fill the remaining year. This year he is a candidate for a full term of two years.

FOR COUNCIL

In Riverton Borough Council there are two vacancies for full terms of three years each. The contestants in this field are Robert W. Knight, Earl A. Shrader and William O. Henry.

Mr. Knight is a candidate to succeed himself. He has served in council before very acceptably. He is at present head of the police department, chairman of the ordinance and printing committee, and member of the finance, sewer, fire and water and lighting committees.

Mr. Shrader served on the board of education a few years ago, and made a valuable member.

Mr. Henry is making his debut in politics and has all his records ahead of him. He has had a long and successful connection with the Jensen Manufacturing Co., of Palmyra, as a member of the sales organization. He lives on Seventh street near Main.

J. Wilson Sylvester was appointed to fill the unexpired term of Howard D. Sordon, resigned, and seeks to succeed himself for the balance of the unexpired term—one year. Mr. Sylvester has served on the school board, is a member of the zoning commission and is a valuable man in any office.

OTHER CANDIDATES

The numerous other candidates for state and county offices are all good men, but after a careful survey of the field, and taking into consideration the many situations and circumstances which enter into this election, The New Era believes the best interests of Riverton and vicinity, as well as the county and state at large, will be served by electing the candidates named above.

PALMYRA HIGH SCHOOL APPROVED

The State Board of Education has placed the Palmyra School, Burlington County, on the approved list of secondary schools of the State Department of Public Instruction for the school year 1935-36.

This approval was received by the Board of Education of the Borough of Palmyra at a meeting last night from Charles H. Elliott, Commissioner of Education of the State Board of Education, Trenton, under date of August 12.

SAFE CRACKED; JEWELRY TAKEN

**Police Recover Loot from Creek
Bottom Following Tip from
Unnamed Person**

Jewelry valued at \$1,000.00, stolen from the home of the Misses Coale, 100 Lippincott avenue, in a safe cracking job, was recovered from the bottom of the Pompeston creek, Sunday at low tide, by the Riverton police.

The robbery, supposed to have been committed on Wednesday, August 28th, was reported to Officer John Robinson, on the return of the Misses Coale from their summer residence in the Pocono mountains, last Friday.

Officer Robinson reported the burglary to Chief of Police Gootee who immediately went to East Riverton and recovered two of three watches taken, acting on information he had received the day before.

The man who had the watches stated that he found them lying on the creek bottom while in a row boat at a location almost directly under the highway bridge. Gootee sent Recorder Bowers and Officer John Carhart together with the man who found the watches to the same location where with the aid of a rake almost all of the stolen jewelry was recovered. The loot consisted of watches, chains, pins and brooches. One chain in particular, made of gold nuggets as mined, and measuring fifty inches in length, was found wrapped in a piece of paper with a string tied around it. Articles not recovered were cuff links, shirt stud and one watch.

Entrance to the house by the burglar was made by forcing a first floor window. The combination of the old fashioned safe was broken off and the locking pins drawn, permitting the burglar to open the safe door.

The robbery is believed to have been committed but a few days before its discovery, since little rust was found in the works of the watches after their immersion in water.

The police department is conducting a thorough investigation of the case.

BIRTHS

Mr. and Mrs. Adolph Newman, of Buckingham, Pa., are being congratulated on the birth of a daughter, August 30, at the Mary Haas Robbins Maternity Home, Main street, Riverton.

Mr. and Mrs. George T. Clum are receiving congratulations on the birth of a son, Thomas George, Tuesday, September 3, at the Mary Haas Robbins Maternity Home, 408 Main street, Riverton.

NOTICE

Until September 18, 1935, Dr. Harry L. Rogers will be in his Riverton office Monday and Friday from 7 to 8 p.m. and Tuesday from 9 to 10 a.m.

Dr. Imhoff will be in charge, with the following hours: Monday, Wednesday, Thursday, Friday and Saturday 9.30 to 10 a.m. Tuesday evening 7 to 8. Thursday evening 8 to 8.30. Saturday evening 6 to 7.

HEMPHILL HOLDS OUT ON BOARD

**Failed to Report Legal Notice
Last February Involving
\$2000 Claim**

At the meeting of the Riverton Board of Education Tuesday night District Clerk William H. Bottger presented correspondence between former District Clerk Fred P. Hemphill and Alvin R. Featherer, Esq., attorney, concerning an assignment by Byron H. Edwards of \$2000 of the fees to become due him for architectural services for the Riverton board in connection with the erection of the addition to the Riverton school building, made to secure a loan.

This correspondence, Mr. Bottger said, had been unearthed by the auditors in a bill file for 1934-35, while making the annual audit recently. Mr. Hemphill did not present the matter to the board at the time he received the notice of the assignment in February.

Board Learns of Letter

The first intimation the Riverton board had of the matter was a letter from Mr. Featherer in August, addressed to Mr. Hemphill as district clerk, and delivered by the post office to Mr. Bottger, the new clerk. In this letter the attorney referred to Mr. Hemphill's acknowledgment "on behalf of the Riverton Board of Education" of service of the assignment early in February, and inquiring if any payments were due to Mr. Edwards, or were about to become due.

It was revealed at Tuesday night's meeting of the Riverton board that Mr. Edwards had collected all that was to be due him except about \$1300.

Smith Defends Hemphill

Hilton M. Smith, member of the Riverton board, said he would not defend Mr. Hemphill in doing anything that wasn't right, but admitted that he was a warm personal friend of the former clerk, and expressed the opinion that he had "just forgotten all about it." He said he had not pressed the matter with Mr. Hemphill as he did not seem to want to talk about it.

Mr. Smith further said that he had consulted friends about the matter and had been informed that Mr. Edwards had no right to make the assignment without the consent of the Riverton board, and that the board could not be held responsible because notice of such an arrangement must be made to the board in session. The service of a notice of this kind, he said, could not be accepted by any individual.

Shirking Responsibility

Waiving the legal technicalities that might be involved, Mr. Woolman, vice president of the board, and acting president in the absence of Mrs. Elwell, president, said he thought Mr. Hemphill should have reported the matter to the board at once on receipt of the notice. He further said that Mr. Hemphill had been elected a member of the board by the voters of Riverton, and in accepting the election he had as-

(continued on page 4)

COLLEGE CLUB TO MEET SOON

The Dickinson College Club of Burlington, will hold a rally at Barnitz Grove, Delanco, in the near future.

All graduates, non-graduates, students, prospecting students and friends of Dickinson College, are invited to attend. A chicken and waffle dinner will be served at a low cost.

If you are interested, get in touch with: Rev. George S. Southwick, 315 Delaware avenue, Riverside; Mr. Alexander Denbo, 330 High st., Burlington; Mr. Morgan I. Love, Masonic Bldg., Burlington.

RIVERTON

Warren "Whitey" Hubbs, son of Mr. and Mrs. Clarence N. Hubbs, underwent an operation for appendicitis at the Zabrugg Memorial Hospital, Riverside, this week. His condition is reported as being satisfactory.

H. D. Hullings, who broke his right thigh and arm in a fall from scaffolding last week, is making a satisfactory recovery at the Zabrugg Memorial Hospital, Riverside.

The Sacred Heart Parent-Teacher Association will hold its monthly meeting in the school auditorium on Thursday afternoon, September 12, at 3 o'clock. The executive body will meet at 2:30.

A meeting of the Garden Department of the Palmyra Woman's Club will be held at the home of Miss Helen Wolcott, 601 Elm Terrace at 2 o'clock Monday afternoon, September 9.

Mrs. E. H. Michel, of 617 Thomas avenue, has returned to her home after spending the summer in St. Louis.

C. W. Williams and daughter, Eleanor, returned home today (Thursday) after spending ten weeks visiting relatives in England.

The Misses Alice and Jane Chiswell and brother, Richard, of Haledon, N. J., were guests of Mr. and Mrs. Lee Mitton from Friday to Tuesday.

Mr. and Mrs. Morris Wallace, of Norfolk, Virginia, were weekend guests of Mr. and Mrs. Warren Mason, of Cinnaminson street.

Mr. and Mrs. Kenneth Murray and daughter Linda, of Linden avenue, are moving to Haddonfield this Friday.

Mr. and Mrs. Francis B. Elwell and family have returned to their home after spending the summer at Indian Neck, Connecticut.

The Burlington County Fire Chiefs Auxiliary met at the home of Mr. and Mrs. Ezra Carhart, Jr., Wednesday evening.

HEAVY DEMANDS ON
EARA SEWING ROOMS

Increased demand has been made on the Emergency Relief Sewing Rooms, throughout the county the past few weeks due to the coming of the fall and winter seasons. Underswear and night clothes have been among the most important garments solicited by the clients, while a great number of sheets, pillow cases and layettes have been distributed.

In fact the demand at the present time upon the sewing rooms is greater than the supply.

Attendance in several of the rooms has increased during the past month, at the various rooms, in an effort to learn the art of sewing, but due to the great demand for garments at present, this is impossible to do at this time.

BRENNAN WINS
IN TWO EVENTS

Patrick F. Brennan, East Riverton, attending the C.M.T.C. at Fort Hancock, was awarded a bronze medal as a member of the winning team in inter-platoon playground ball of the Second Platoon, Battery B.

Brennan also won a first prize gold medal in the swimming contest. The young athlete is son of Louis A. Brennan.

SPECIAL FOR SEPTEMBER

If your son or daughter is going away to school don't fail to provide him or her with a box of RYTEX SCHOOL SPECIAL—100 Sheets and 100 Envelopes with their Name and Address for \$1.00. This Stationery is offered Special for September Only. See samples at The New Era office.

Work is a tonic, whereas inactivity and worry sign many death warrants.

CUP TENNIS FINAL
3:30 P.M. SUNDAY

Robert Borer to Meet Winner of Biddle-Caldwell Semifinal

The much delayed final round of the Memorial Park Men's Singles cup tennis championship is to be played, weather permitting, at 3:30 p.m., Sunday, September 8. The doubles final will probably be scheduled for the following Saturday afternoon. Fast matches are promised in both tournaments, each division has one semifinal match to be played and one final bracket filled.

Robert Borer meets in the singles final round, waiting for Robert Biddle and Porter Caldwell to play a belated semifinal round bout. Borer reached the last bracket by defeating in turn Vincent Hackett 6-0, 6-4, George King 6-0, 6-2, and Howard Barto 6-1, 6-3. Biddle gained his place by turning back Karl Latch 6-4, 7-5, and Richard Woodward 6-1, 6-2. Caldwell joined Biddle in the next to last round by victories over Richard Graff 6-1, 6-1, and Jay Reed 6-2, 6-2. All three players are seeded, Biddle first, Borer second, and Caldwell fourth.

Biddle-Caldwell to Meet

Form has held completely thus far through the tournament, and there is no reason to feel that it will carry through to the end; yet this writer feels that it is to predict an easy victory for Biddle over Caldwell, despite the latter's two week lay off. Caldwell plays a very unorthodox type of game, using a reverse twist service and driving chop stroke. It is possible that he may puzzle Biddle enough in the short test, two out of three sets, to win.

Biddle's Game Sound

Biddle, however, is the outstanding favorite to win this match and continue on to capture the cup, offered four years ago by the Riverton-Palmyra Rotary Club. Biddle has a very sound ground game, and with his improved service should prove steadier than either of the other remaining players. He is consistent in keeping the ball in play and places it well away from his opponent, although his strokes do not ordinarily have enough pace to score outright placements. Biddle is the possessor of the finest backhand in the tournament and is fundamentally sound in all his stroke production. He covers the ball as he hits it, and this enables him to catch it on the rise. Borer, who is already in the final round, usually plays a blasting baseline game. His strong forte is the forehand with which he slams the ball across the barrier. Borer's backhand is a purely defensive weapon except for drop shots. His fast shots rout any player who is not a consistent retriever, but against a player of Biddle's calibre he will have to be decidedly on touch to make headway.

Riverton vs Burlington

Whoever may oppose one another in the final a fine match is assured, and an excellent opportunity of sizing up the players may be gotten when the combined Riverton force meets Burlington in a return match on the home courts 2:00 p.m., Saturday. Burlington won 7-2 before, but the Park team expects to give a better account of itself this weekend.

Doubles Near Final

Borer and Buhler have reached the last round of the doubles tournament while Reed and Biddle face Caldwell and Woodward in the lower bracket semifinal. Borer and Buhler, first seeded pair, won their way to the final by a 6-0, 6-3 triumph over Alloway and Hullings and setting back Rutherford and Blyler 6-3, 6-2 in a semifinal match.

Woodward and Caldwell played two junior combinations, first Weirford and Vile, then Freeman and C. Wallace to earn the right to meet Biddle and Reed who defeated King and Dunlap 6-3, 6-4 and Barto and Moore, newly crowned junior champions, 2-6, 6-4, 6-1, on their way. The opposing teams are third and second seeded respectively.

Any predictions on these matches would be merely guesswork, for none of the teams have played together more than half a dozen times, but a five set final seems likely.

Soft Ball Suggestions

Two Leagues

During the season of 1933, there were two leagues of seven teams each in the playground ball association. The two-league idea didn't go over so well, with the consequence that it was not used in the 1934 season, altho, to be fair, it must be stated that there were less teams last year than in the two-leagues year, 1933. One of the big reasons that it didn't go over was that it did not give each team the opportunity of playing each other team in the association.

It would seem, from my axiom of last week—that the tighter the game, the more pleasant it is to watch—that two leagues, one of the strong teams, and one of the weak teams, would be a good thing. Provided that the same teams participate next season as this season, and that each is of about the same strength as it was this season, then a suggested allocation of teams would be: in the strong league, Broadway, Bankers, Evans, Tak-Aboust and Firemen; in the weak league it would be bad psychology to continue calling it "weak". Dreese, K. of C., Scherling, Whitman and Athletics.

But members and exponents of the various teams concerned, even reading the above listings, will have reasonable cause to grouse about their placements. Indeed, I am not sure that they are just: Firemen, Scherling, Athletics and Tak-Aboust are on-the-fence teams. Wherefore, I have devised a system that not only will unequivocally and unprejudicially allocate the teams but also provide for "every team playing every other team in the association."

Starting about the first week in May, a special schedule will be played. The acknowledged strong teams—Broadway, Bankers, Evans, will play only amongst themselves, about one contest a week; whereas the weak and on-the-fence teams will play a regular schedule, each team playing each other team once. At the end of this "short" schedule (and allowing for a few games between the strong teams, as noted before, it can be all finished by the end of the first week in June) the two leading teams in the "short" league can be bracketed with Broadway, Bankers and Evans and play thereafter only in that strong league. The remaining teams will form the weak league and play thereafter only amongst themselves.

Since only ten games are required to play around a five-team league, and since ten games could be played, at the rate of three a week, in three and a half weeks, it will be possible for the closest rivals—which usually are teams of nearly equal strength—to play each other frequently during the remainder of the season. Each league can play around three times and still be finished the second or third week in August, just when the days are getting too short for much playing.

The cup will go to the strongest team in the association anyhow; so it can be arranged that the winner of the strong league season will get its name engraved on the cup. Note

that I said "season"—singular: in other words, I would have the three successive rounds a five team league run off as one season, extending from early in June to mid-August. This scheme will achieve the same ends as my radical "two in one" inning system suggested last week, and at the same time will be much easier to manage. Increased interest on the part of spectators, betterment of player morale, and less long run-away games—these would be the main outcomes of this two-league scheme.

Bunting

There have been a couple of suggestions made to the effect that bunting in soft-ball games be abolished. While I am not wholly in accord with this idea, I must admit that it has many good points.

In the first place, it is going to be only a matter of time before some bunter is disastrously beamed by a swift throw down the first base line, beamed while he is trying to beat out the bunt. Another good argument against bunting is that other soft-ball leagues do not permit it. Too, an infielder playing on the grass for an expected bunt may be double-crossed and bopped by a line drive with possibly unpleasant results.

In favor of the bunt is the fact that it makes the game faster. It keeps the pitcher on his toes and enables many more runs to be scored (possibly) than would be without it.

FOR CHRISTMAS

It is not too early to think about Christmas when you can buy a box of RYTEX POLKA DOT Stationery with Name and Address or Monogrammed Sheets and 50 Envelopes for only \$1.00 per box. See this smart stationery at The New Era office.

INFERIOR COAL
IS WASTEFUL

Buy Heat, Not Just Coal. Premium Anthracite Gives Greatest Value at Least Cost.

Many householders who have in the past tried inferior coal such as is mined from the surface, and low in carbon content with plenty of ash, have turned to PREMIUM ANTHRACITE, the coal that is unsurpassed for its heating qualities. It is pure high carbon—"it goes farther and heats longer." Why not lay in a supply or a few tons for these chilly nights that will be with us soon. Also Genuine Kopper Coke and the finest grades of FUEL OIL.

YMCA BRIEFS

Baseball League
Championship of Division A in the YMCA league was won by Cinnaminson to the score of 14-2. Cinnaminson was the winner of the first half schedule and played Riverside, the winner of the second half schedule last Thursday night at Bridgeboro.

Hi-Y Conference

The annual gathering of picked delegates from the various High School Y Groups will gather at Camp Wawayanda, Andover, N. J., on Friday, September 20th. The conference will continue until late Sunday, the 22nd. The theme of the conference will be "Flying Orders." Reverend William Tucker, Old First Church, Newark, will be the guest of honor. Mr. Robert Parker, of Mt. Holly schools, will speak on "Flying Fields."

A delegation of local boys will again go this year. Last year Melvin Mays, Bill Cooper, William Headington, Russell Hamillman attended the conference.

County Y Dinner

Members of local boards of directors, leaders, presidents of young men's groups will gather at Camp Ockanickon on Wednesday, September 11th, for a planning session. The meeting is being arranged by Secretary Ergood.

Fellows at College

As you leave for college why don't you drop the Y a postal card and tell us your address? If your friends should ask we can tell them how to reach you. The Y will continue to help aid fellows in their selection of schools and help them plan to arrange their credits for admissions. Many catalogs are on file and others will be secured if you desire further information.

Local Leaders Meeting

The leaders of the local boys' groups and the committee from the board will hold a session at the Y office on Tuesday night, at 8:00 o'clock. At this session a schedule at the building and programs will be discussed. Any who are interested in leadership of boys are welcome at these sessions. Refreshments will be served and a social hour enjoyed at the close of the session.

The Y Needs

If you have any game equipment at home that is not in use, the Boys' Center can well use it in their activities. The boys need a set of boxing gloves, quiet games, magazines, quilts, and many other things too numerous to mention. A call at 904-w or 1154-w will bring someone at your door for the articles.

Group Meetings

The various groups will start their meetings during the next two weeks. Many of them will hold out-door sessions for a time. There will be a special event on Saturday, September 14th, so watch this column next week for further details.

The office is open every day from 9:00 a.m. until 5:00 p.m. The FERA sewing project that has been carried on since last spring will continue to use the large room during the day.

CAR OVERTURNS

Wednesday afternoon at 4:30 a car driven by James H. Freed, of 703 Lincoln avenue, Palmyra, overturned on Cinnaminson avenue opposite Morgan cemetery, due to the slippery condition of the road.

Although the car was badly damaged Freed only received lacerations of the lip. He was taken to Dr. LeFavor by Leon Evald.

FLOWER SHOW

Don't forget to keep Friday, September 20, and Saturday, September 21, open for the flower show by the Garden Department of the Palmyra Woman's Club in Society Hall.

The high school band is the added attraction for Friday evening and we have obtained the E.R.A. band for Saturday evening.

The prizes this year are especially worth working for. Leach's Nursery, 3' Japanese Holly; Steele's Nursery, evergreen tree value up to \$5.00; Hosea Waterer, seeds or bulbs up to \$2.00; Fulper Pot Company, piece of pottery; J. B. Lyon Co., two years subscription to the Flower Grower. Press Chairman.

SEPTEMBER

IS A GOOD TIME TO PLANT
PEONIES, IRIS AND POPPIES

For gorgeous display in early spring plant the rare immense flowering Single Peonies, the dainty Japanese, Crested and earlier flowering dwarf Iris and the flamboyant richly colored Oriental Poppies.

TIPS ON GROWING

BY ONE WHO GREW UP IN
THE BUSINESS

A new garden idea which has become very popular in California is the Guest Garden—a plot planted in free flowering annuals and perennials where one's friends are welcome to enter and cut at will armloads of flowers. This new garden venture is especially approved by those who often with a sigh feel as if they must sacrifice to some admiring caller some rare specimen that she may have been nursing along for weeks to enjoy personally on the flower. There are folks who simply must cut every flower as soon as it emerges from the bud stage and fill every container in the house while others grudgingly snip the flowers preferring a garden of color. The Guest Garden, therefore, a modern form of the cutting garden, should make a lot of friends.

Lucius Beebe in his column "This is New York" in the Herald-Tribune in writing about the revival of wearing of flowers by men says that "as a class, railroad men, conductors, guards and even engineers are more prone than any others to show a touch of color in their jackets or tucked into their driving caps."

A Scotchman once sent his best girl a package of flower seeds with the following note: "Please plant these now and you will have a nice bouquet of flowers from me on your birthday next summer."

It has been a popularly accepted axiom that while rose varieties have been improved greatly year after year, it has been at the expense of scent, and folks have been wont to say after viewing the gorgeous beauties of the newer roses in garden or show, "How lovely, but it is too bad that modern roses do not have the sweet fragrance of old-time roses." This is a false idea. Roses are becoming more and more fragrant as the years roll on. In the delicious odors of the varieties Glowing Sunset, Mrs. J. D. Eisele, Duchess of Atholl, Hinrich Gaede and other highly colored new sorts and are convincingly.

The country round about the Cape of Good Hope has supplied us with some lovely bulbous plants. A charming little early spring flower, but seldom seen, is the Sparaxis (Windflower). The small daisy-like blooms are brightly colored, mottled yellow and maroon. Rockwell says they are "quarter-hardy" and

A SALESMAN

may be short or tall, fat or lean, but the boss measures his value by just two things: (1) the results he gets; (2) how much it costs to hire him.

The New Era Want Ads get results because the people who turn to them are already in the market for what they have to sell.

Want Ads meet with no sales "resistance." They waste no time ringing hostile doorbells. No other salesman we know of will call on as many people for so little.

No matter what you want to sell, buy or exchange, New Era Want Ads will find it for you.

THREE LOCAL MEN
IN 4-WAY GOLF TIE

South Jersey Amateur Golf Tilt
Ends With Four Even Cards;
Play-off Sept. 15

Three Riverton Country Club members, together with a Pine Valley member, went into a four-cornered 76 tie for the South Jersey Amateur Championship on the Riverton links, Friday.

Those in the deadlock were: Brook Wallace, Jr., club champion; Harry F. Jones, and Joe Powell, all of Riverton, and C. Bayard Mitchell, of Woodbury and Pine Valley, the 1933 champion.

The three Riverton men set the score of 76 on a course dampened by the morning drizzle that proved to be the stumbling block for all but Mitchell, including the defending champion, Le Roy Vennell, of Tavistock.

Vennell was unable to get better than 38-39-77. He missed an opportunity to take top honors on the sixteenth hole, where after driving to the edge of the rough, he dubbed a brassie shot and was short with his third, on in four and took two putts for a six.

Coming to the sixteenth tee, he needed three pars for a 74 but after this unfortunate hole, he still needed two pars to tie. He got a regulation 3 at the seventeenth but at the eighteenth he took three strokes to reach the green and two putts.

Mitchell was out in 38 and shot par golf for the next five holes but at the fifteenth, a par five, he three-putted from 12 feet. He could have won the event by finishing the final three holes in par, but he also fell down on the eighteenth when his second hit a tree at the edge of the green and he took five.

Wallace got off to a bad start and after parring his first, took a 5-5 at the 3-4 second and third. At the fifth, he went two over to take a 7. He purred the next four to give him a 40 going out. He got a birdie-three at the tenth, got three straight pars, birdied the fourteenth and finished 5-5-3-5 against 5-4-3-4 par figures.

Jones was out in 37 with five pars and a birdie and three bogies. He purred in the first three incoming holes, but took a six on the long thirteenth when he three-putted. The next two holes he finished in par figures but three putts on the sixteenth caused him to go another stroke over. He also three-putted the short seventeenth and finished with a par for a 39.

Powell's entire round was as consistent as anyone's in the field, but he like the others missed his opportunities on the greens.

Puttist also caused R. H. "Bugs" Brierly, of Tavistock, to toss an opportunity to the winds. He was out in 38 after three putting two greens. Coming home he three-putted the thirteenth and was short of the green on the fourteenth and sixteenth. Richard "Dick" Lippincott, also of Riverton, 1931 champ, was unable to get his shots working on the out nine and took a 43-40-83.

Class B which was made up of golfers with handicaps from 11 to 19 strokes also ended in a tie at 83 between W. W. Chalmers and Ralph S. Charlton, both of Riverton. Both

of these players were late starters and coasted along to nose out J. K. Hiltner, of the home club, who had a 42-43-85. Chalmers had eight pars and two birdies on his card of 42-41-83 and Charlton nine pars and one birdie for a 41-42-83.

There were no entries in Class C, which was to have been made up of golfers with handicaps of 20 and over.

Although the field was small the committee of the South Jersey Golf Association, sponsors of the event, said that if it had not been for the rain there would have been 100 to compete.

The playoff of both sets of ties has been tentatively scheduled for Sunday, September 15, at 2:30 p.m.

OBITUARIES

GEORGE W. MATLACK

George W. Matlack died Saturday at his home, 503 Cinnaminson avenue, Palmyra.

Funeral services were held Wednesday at the Snover Funeral Home, 313 East Broad street, with the Rev. George Lockett, pastor of the Central Baptist Church, Palmyra, officiating. Interment was made in the New Camden Cemetery.

Mr. Matlack is survived by his widow, Mrs. Margaret Matlack, two sons and a daughter.

BIRTHS

Mr. and Mrs. E. C. Rothblum, of Leconey avenue, announce the birth of a daughter, Jane Preston Rothblum, at the Zuerbrugg Hospital, Riverside, Sunday afternoon, August 31. The baby weighs eight pounds, one and a half ounces.

MEMORIAL BRIDGE
DEDICATION SEP. 14

Riverside-Delanco Structure to Be Named for Landon and Stone

On Saturday afternoon, September 14, the new Riverside-Delanco bridge will be dedicated with an elaborate military ceremony as a memorial to two of Burlington County's distinguished warrior sons. The bridge will be named the Landon-Stone Memorial bridge in honor of General Thomas D. Landon, formerly head of the Borden-town Military Institute and a veteran of both the Spanish-American and World Wars, and Col. Edward B. Stone, of Burlington, also a veteran of both recent conflicts, who served with distinction under General Landon in the World War.

All the posts of the American Legion and the Veterans of Foreign Wars of the county will parade as a unit, with massed colors. The entire 114th regiment of National Guard also will be invited and is expected to be present with all its units in honor of the two noted soldiers to whom the bridge is to be dedicated.

Dignitaries Invited

Governor Hoffman, U. S. Senators Barbour and Moore, Congressman D. Lane Powers and other dignitaries of the state and county are to be invited guests, as well as municipal officials.

The families of deceased veterans throughout the county will join in the dedication exercises.

Many military and semi-military organizations will be in line. Among them will be the Palmyra Drum and Bugle Corps, the Millville V. F. W. band, the Burlington Boy Scout Drum and Bugle Corps and the Junior Drum and Bugle Corps of Bordentown.

The Bordentown Military Institute faculty and cadets will be invited and members of General Landon's and Col. Stone's families will attend. General Winfield Price, of Camden, prominent New Jersey army officer, also will be a guest.

Arthur Kumble, of Moorestown, veteran of both wars, will be grand marshal of the parade, with County Legion Commander Jack Collett, of Bordentown, as his assistant.

Parade at 2 O'clock

The parade will start from New Jersey avenue, Riverside, at two o'clock, and march across the bridge countermarching in Delanco back to the scene of the ceremonies. Distinguished guests and officials will be seated on a reviewing stand on the bridge.

When the procession reaches the bridge a ribbon across it will be cut by Mrs. Daisy LaVigne, head of the County Legion Auxiliary, assisted by presidents of the V.F.W. auxiliaries. The memorial plaque, which is to be cast by the Danvers McKenzie Foundry, of Fieldsboro, will be unveiled by grandchildren of Gen. Landon and Col. Stone.

The bridge will be closed to traffic during the ceremonies.

Palmer L. Adams, chairman of the Board of Freeholders, is chairman of the general committee which is composed of the following V. F. W. and American Legion officials: J. V. Collom, Bordentown; Harry Lee, C. P. Turner and R. J. DeVenney, Mt. Holly; H. M. McKenzie, Bordentown; F. A. Duffy, Florence; Mickey McFadden, Burlington; M. P. Lewis, County V. F. W. Commander; John Whomsey, Riverside; Charles Yost, Riverton; Charles Madden, Mount Holly, and Arthur P. Prager, Riverside.

MEN'S BIBLE CLASSES TO MEET AT MAPLE SHADE

The September rally of the Burlington County Federation of Men's Bible Classes will be held in the Municipal Building, Maple Shade, Sunday, September 8, 1935, at 2:30 p.m. Raymond Warner, of Palmyra, is president of the Federation.

Dr. and Mrs. M. Tishler, of Tuck-

ahoe, are the guests of Mrs. Richard Taylor, of Leconey avenue, for a few days this week.

Mrs. Walton Taylor, of Garfield avenue, has returned home after spending the month of August in Atlantic City.

Church Notices

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor
The regular Sunday School classes will be held Sunday morning in the Central Baptist Church. There are classes for all ages and any one without other church affiliations is invited to attend.

At 11.15 will be the regular Sunday morning church service, followed by communion. The pastor will preach on "The Touch of Jesus." The song service and evening worship. Pastor Lockett has chosen as his subject, "Impressions from a Summer's Vacation." The Rev. Lockett has just returned from a month's trip of the New England states and will give his views on the conditions in the north.

CHRISTIAN SCIENCE CHURCH

"Man" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 8.
The Golden Text is: "Blessed is the man that trusteth in the Lord, and whose hope the Lord is" (Jeremiah 17:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The word saying, What mean ye, that ye use this proverb concerning the land of Israel, saying, The fathers have eaten sour grapes, and the children's teeth are set on edge? As I live, saith the Lord God, ye shall not have occasion anymore to use this proverb in Israel" (Ezekiel 18:1-3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The transmission of disease or of certain idiosyncrasies of mortal mind would be impossible if this great fact of being were learned,—namely, that nothing inharmonious can enter being, for Life is God" (p. 228).

TALKING

Talking comes by nature, silence by understanding.

It is the fruited tree at which men throw stones.

Hemphill Holds
Out On Board

(continued from page 1)

sumed the duties pertaining to the office, which he had neglected to fulfill since April 2, at which time he was displaced as district clerk, and since which time he had not attended any of the meetings of the board. Mr. Woolman pointed out that the board is now performing the most important work that has come before it in the last fifteen years, and that both the board and the voters who elected Mr. Hemphill have a right to expect him to bear his share of the work and responsibility.

Asked to Explain

Mr. Wolcott said he thought Mr. Hemphill should be called upon to explain why he had withheld from the board the correspondence with Mr. Featherer, and that he should attend the meetings of the board during the balance of his term.

On motion of Mr. Wolcott Mr. Woolman was instructed to address a letter to Mr. Hemphill advising him that it was the opinion of the board that he should make an explanation of the assignment matter, and that he should attend future meetings of the board.

Owing to unavoidable delays in the construction to the addition to the school building, Frank A. Mathews, Jr., attorney for the board, was instructed to apply to the PWA authorities for an extension of time for the completion of the work. The following bills were ordered paid:

J. L. Hammatt Co., Crayons \$ 2.50
J. L. Hammatt Co., Crayons 5.25
Edw. H. Griffith, filing of saws 4.75
Talent School Prod., marionette out. 5.20
Pub. Serv. Electric & Gas Co. 4.27
Henry Holt Co., charges ref'd books60
Hart's of Audubon, bird books 2.20
Hall & McCree, books 2.20
Pal. Bd. of Ed., tuition to 6-30-35 794.47
William H. Bettel, etc. 6.30
Salary of teachers, janitor and district clerk were also ordered paid

ALMANAC

GOSH! I DON'T KNOW MUCH ABOUT THIS SIMPLE QUESTION, BUT IM TOO LAZY TO ASK.

He who is ashamed of asking, is also ashamed of learning.

PALMYRA

The Ladies Aid of the Lutheran Church will resume the activities for the winter beginning with a covered dish luncheon to be held in the church basement at 12:30, Tuesday, September 10.

Mr. and Mrs. Curtis Stavelly, Robert, Wesley, William and Dorothy Stavelly, of Charles street, were the guests of Mrs. Stavelly's father in Littlestown over the weekend.

A number of Palmyra members of the Riverton Yacht Club attended the Regatta at Beverly Sunday.

Wilfred Craft, of Rummeneade, was the guest of Mrs. A. B. Powell, of West Broad street, Thursday.

Mr. and Mrs. Wilson Nein, of Reading, have returned to their home Tuesday after spending three weeks with Mrs. Nein's mother, Mrs. John Evald.

"OPE" MERRILL'S
CLEVER TRICK

Pulls Clever Stunt at Beverly Race, But Ayres Wins. Girls Good, Too

Featuring a clever piece of sailing by Owen "Ope" Merrill, designer of Riverton's new Saw and Hatchet class, the Labor Day regatta at Beverly between Riverton Y. C. and the hard-sailing Beverly outfit was a great finish to the best season in recent years.

With a light wind coming from the Northeast at the start of the free-for-all race, Ope, starting from the leeward, sailed across the starting line in such a manner as to force all the other boats to go about in order not to foul him. Thus he got away to a beautiful start. It was a new one on the Beverly and Riverton skippers and the fact that it did not win the race for him did not detract at all from the cleverness of the feat.

John Ayres won the Saw and Hatchet class event with a great piece of skippering. He started ahead of the field and was never overhauled, finishing about a minute ahead of the field.

Jane Hartfield, of Beverly, showed them all the way in two events, demonstrating what the girls can do in a nautical way. She won the free-for-all by less than a length and came back later in her "cricket" to take the final race in that class. George Rawlin, also of Beverly, pressing close on her stern all the way, finishing strong and noosing out Rod Merrill in his Hill one-design "Sala Rias."

The scheduled swimming races were rained out, but are to be held this Sunday at Beverly.

Young Republicans' Pre-Election Dinner

A splendid program has been arranged for the pre-election dinner to be given by the Burlington County Unit of the Young Republicans of New Jersey at the Moorestown Community House, Saturday evening, September 7, at 6:30 o'clock. Lester Drenk, of Riverside, will be the toastmaster. Fred Harmer, of New York, semi-professional playwright and active club worker, will lead the singing. He will be accompanied by Miss "Jae" Earle, also of New York, who will give impersonations.

A very eminent speaker will address the members and friends of the Young Republicans immediately following the dinner. Republican candidates for nomination at the primary election this month are expected to be on hand and will be introduced during the course of the evening. However, there will be only one speaker.

Andy Nelson and his Royal Ambassadors will furnish music for dancing immediately following the afterdinner speaking.

Tremendous Trifles

By ELMO SCOTT WATSON

ICE-JAM

OF COURSE, an ice-jam isn't such a trifle, but the one which choked the entrance to Chesapeake Bay in the winter of 1784 was insignificant—if you compare its size to the broad expanse of the blue Atlantic. However, it was big enough so that a ship from London was held up for two months before reaching Baltimore.

One of her passengers was a young German named Jacob Astor who was going to make his fortune, beginning by the sale of seven flutes he was bringing with him. During the long days the ship was held in the ice-jam, young Jacob Astor had many long talks with another young fellow, also a German. He was returning to America to resume his fur-trading operations in which he foresaw possibilities for great wealth. Astor listened but was not particularly impressed.

At last the ship reached Baltimore and young Astor hastened on to the metropolis of New York city. But his venture in flutes was a failure. Then he remembered the enthusiasm of his fellow-German's fur trade. He guessed he'd try it. He did. And within a few years it had made him a fortune of more than \$2,000,000. Today the name of Astor is a symbol for great wealth—all because an ice-jam held up the ship which brought the first one to the shores of the New World.

Iron rusts because it combines chemically with the oxygen of air and water vapor, forming a compound called hydrated oxide of iron, or rust.

THE "NEW DEAL"

BY JULIAN MASON

Vice President National Republican Builders

Congress Adjourns!
What has been the main bequest of the first session of the Seventy-fourth Congress, just adjourned?

In the ninety, there used to sit upon the speakers platforms, at national conventions of both great parties, mighty senators who were openly labelled, Cotton, Steel, Sugar, Coal, Lumber, Railroads and so on.

They were the "Interests." They were the "Barons" who had an unfair degree of power in the people's government.

The Seventy-fourth Congress leaves us, as its pre-eminent bequest, a new, strange and powerful array of "Interests."

A Promise
The Old Barons were worn down and thrown out by the movement against them which had its outburst in the Bull Moose revolt of 1912 under Theodore Roosevelt.

Their surviving power, that of financial and banking control, was shamefully abused by some of the unwise and greedy men who held it in the Prosperity boom ending in 1928.

The crash exposed these evils. The people wished to end them. They elected Franklin Roosevelt on his promise to do that job.

There was nothing in personal or party promise to show that he would not make the needed clean-up of American evils, in the American way and within the American system.

The Repudiation

Instead, there was launched upon the country the New Deal, an unfair and contradictory conglomeration of foreignistic ideas.

That conglomeration reached its "emergency" climax in Mr. Roosevelt's first Congress. The session of his second Congress, just adjourned, reached the climax of one of the New Deal's first and inevitable results.

That is Group Control, control of Congress by groups of self-interested voters.

We have lost the "Barons" who took away from us the impartiality and democracy of our government. In their place, the New Deal has given Congress masters every bit as greedy and infinitely less competent; masters with a lower view of and smaller responsibility toward the general welfare of the country. The bankers no longer control. Business is treated with contempt. Heads of great industries are looked upon with cold suspicion.

But organized minorities are not. They are greeted with open arms.

Lobbyists
The session just closed showed that two supreme classes of lobbyists controlled it; the lobbyists for the President of the United States and the lobbyists for special groups of privilege seekers.

The President whipped through his "must" program. The only resistance to it and the only acts independent of it performed by Congress were those demanded by or in favor of special groups.

It broke with the President on bonus legislation to please the soldiers. It forced concessions from him to please the silverites.

It almost died in its struggle to give labor unions their "prevailing" wage. It fought over the "death sentence" in the utilities bill, simply because of an organized protest from small utility investors. In its closing moments, it let all its plans and dignity go smash, simply because of the governmental loan demands made by growers of cotton and wheat.

"Votes" for "Grants"
Furthermore, all along the line, Congressmen and Senators, hat in hand, gave their votes to the White House in order to serve the special groups in their election districts who wanted a share in the immense relief funds allotted by the President.

The Seventy-fourth Congress has given us New Masters for Old. And it is these New Masters, the

organized minorities, that Lord Macaulay labelled one hundred years ago as the eventual destroyers of the Republic.

DUSEK OPENS CAMDEN RING

Jumping Joe Savoldi to Oppose Rough-house Wrestler in Armory Tonight

Jumping Joe Savoldi and Emil Dusek, will be the finalists in the first indoor mat program of the 1935-1936 season at the Camden Armory, Thursday night. Savoldi and Dusek are slated to come to grips in a two out of three fall, ninety minute time limit tussel.

Savoldi and Dusek are two of the toughest and roughest matadors now in circulation. While the former gridiron star of Notre Dame is more adept at grappling according to Hoyle, Dusek cares naught for rules and regulations in his quest for victory.

That the first indoor card, as arranged by Promoters Frank and Ray Hanly for their drill shed customers, will furnish an overabundance of excitement and thrills, is a foregone conclusion.

Which leads up to the news that Joey Dusek, the baby of the family, is also carded on the initial indoor bill. All he is assigned to do is attempt to pin the shoulders of Cliff Olson.

Mike Mazurki, former Manhattan College star, and Dick Raines, Texas badman, and Ed Meske of Ohio and Irish Jack Donovan of Boston, will be the contestants in the half hour numbers.

W.P.A. PROJECTS

Twenty-six projects, making a total of 196 released to the field to date, were authorized on August 28 by States Works Progress Administrator William H. J. Ely. They involve an expenditure of \$329,935.87, of which \$294,329 are Federal funds and \$35,606.87 represent the contributions of sponsors. The 26 projects will provide employment for 1,097 persons.

In the list of projects released were two in Burlington county and one in Camden county.

Riverside Township — Remove stone from Sludge road. Federal funds, \$2,047 (20 workers).

Mt. Laurel—Erection of modern lavatory septic tanks and dry wells. Federal funds, \$1,310; sponsor's contribution, \$1,255 (18 workers).

Pennsauken Township — Grading and graveling streets. Federal funds \$11,552; sponsor's contribution \$1,377 (75 workers).

NOTICE OF REGISTRY AND ELECTION

In conformity with the provisions of an act entitled "An act to amend an act entitled 'An Act to regulate Elections (Revision of 1930),' approved April 18, 1930, and the amendments thereof and supplements thereto,

NOTICE is hereby given that the District Board of Registry and Election in the County of Burlington, will meet on the dates and at the place hereinafter designated for the purpose of adding to and revising the Registry List:

TUESDAY, SEPTEMBER 17, 1935
between the hours of seven o'clock a.m. and eight o'clock p.m. (Eastern Standard Time)

TUESDAY, OCTOBER 15, 1935
between the hours of one o'clock p.m. and nine o'clock p.m.

STATE TO BUY
JERSEY POTATOES

New Jersey potato farmers will be aided in marketing their crop through purchases of potatoes by the Federal Emergency Relief Administration, William B. Duryee, state secretary of agriculture, announced Wednesday on the basis of information received from Senator A. Harry Moore following efforts to interest the administration in the high food value and low cost of potatoes.

The quantity of potatoes to be purchased by the relief organization has not yet been determined, Secretary Duryee said, but information from Washington is that the purchases probably will start within a few days. The volume purchased, he said, will depend partly on the price at the time the purchases are undertaken. Col. Joseph H. Bigley, deputy state director of the S.E.R.A., will be in charge of the purchases. Potatoes of U.S. No. 1 quality are selling at 70 cents per 100-pound sack, f.o.b. Hightstown, Secretary Duryee pointed out. Since the New Jersey potato deal started about the end of July, he said, prices have been below the cost of production and ruinous to growers.

P.T.A. SCHOOL
OF INSTRUCTION
AT GLASSBORO

A "school of instruction" in parliamentary procedure, departmental activities, and the chief objects of the organization will be held by officers and members of parent-teacher associations of the seven southern New Jersey counties at Glassboro High School on Wednesday, September 18. The meeting will be called to order at 10 a.m. by Mrs. Morris Foulk, of Woodbury Heights vice president of the State Congress. All parent-teacher associations in Burlington county are expected to send representatives.

PAROCHIAL CARNIVAL

Charles Delaney, the general chairman of the old-fashioned carnival for the Sacred Heart Parochial School, announces that all committees have perfected their plans. There will be tables for art needle work, home-made cakes, ice cream and soft drinks, hot dogs and sandwiches, a fish pond for the children, games of skill for adults, etc. The supper committee, headed by Mrs. Anne Davis, announces that the supper will be served on Saturday evening, the 14th. The Knights of Columbus grounds at Broad and Elm avenue will be the location for this carnival on Friday and Saturday, September 13th and 14th.

PEACH FESTIVAL

The Ladies Auxiliary of the Parry Volunteer Fire Co. will hold a peach festival at the fire house Saturday evening. Tickets 15c.

In Venezuela a species of crane is used instead of a dog to guard sheep, and these birds do their work excellently.

Somewhere in
Riverton or
Vicinity

There is someone who wants to buy what you want to sell—someone who wants to sell what you want to buy—someone who wants to dispose of a business that you would like to own. So it goes—right on down the line. The meeting place for these people is the classified column of

LEAGUE BANQUET
ON SEPTEMBER 9

Gala Night to Include Dinner, Dancing and New York Floor Show

The banquet for the Soft Ball League will be held Monday evening at the Old Mill Inn on the Burlington pike. Dinner will be served promptly at nine o'clock, and after this a full program of interesting events will follow which promise to make this affair a "home run."

Among the guest speakers will be major league stars from the Chicago White Sox and the Philadelphia Athletics.

Clarence Hubbs, "iron-man" pitcher for the Bankers, will officiate as toastmaster and personally promise to have the "Bankers Board of Strategy" sing a quartet. This in itself should prove a big attraction.

Through the courtesy of Mr. Keys, manager of the Palmyra movies and godfather to the championship Broadway team, a troupe of show people from popular New York Broadway spots will be on hand to entertain.

The cost of admission is 75c which includes the dinner. Choice of an Old Mill famous sea-food, chicken, or roast beef dinner can be had.

Following the program there will be dancing to "Joe Richies" music. All are welcome to the affair: players, fans, friends and oh yes, don't forget to bring the ladies. Tickets may be obtained from any team manager or thru Clarence Hubbs. Admission is by ticket only.

MEETING OF MILK
CONTROL BOARD

The State Milk Control Board will hold a series of meetings in various parts of the state, and as part of this schedule a meeting will be held in Mount Holly on Tuesday evening, September 10, at 8:00 o'clock, in the Court House. The Board wishes to present the present milk situation and the trends of the industry as it affects the state of New Jersey and the surrounding states, as well as discuss recent developments at Washington.

Consideration will be given to the establishment of a representative group of producers to confer with the Board from time to time, and express the producers' viewpoint.

BEVERLY TEAM
HERE SATURDAY

This Saturday another attempt will be made to play Beverly at Memorial Park.

The Beverly aggregation were greatly disappointed about the Labor Day postponements due to rain, and they are coming to Riverton with the express purpose of lengthening their present winning streak to 12 straight. They have compiled a record of 24 wins against 6 losses for the season, against the strongest opposition in South Jersey.

NEW ERA MOVIE SECTION

A WEEKLY REVIEW OF THE SILVER SCREEN

IN ROMANTIC
COMEDY DRAMA

"Smart Girl," Paramount's latest production from Walter Wanger, which comes Saturday to the Broadway Theatre, has Gail Patrick, rapidly becoming one of Hollywood's more successful young players, in the featured cast.

STARLET'S FAN MAIL
BREAKS FILM RECORD

Shirley Temple set a new record for Hollywood fan mail recently when she received 7,000 letters in one week during the making of her latest Fox Film, "Curly Top," now at the Walt Whitman Theatre.

Her mail comes in such large quantities that it is necessary to press into service the Temple family car. Twice a week the car calls at the Fox Movietone Studio post office to collect Shirley's mail, and each time the entire back of the sedan is jammed full of letters for the baby star.

In "Curly Top" Shirley is a little orphan who sings and dances her way into the heart of a lonely bachelor and makes both their dreams of happiness come true.

The film, which features John Boles and Rochelle Hudson in the romantic leads, was produced by Winfield Sheehan and directed by Irving Cummings.

DRIVER ARRESTED

John Morris, of 611 Cinnaminson street, Riverton, was arrested Saturday night by Chief of Police Gootes and Officer John Robinson, at the corner of Broad and Main streets for careless driving.

Morris forfeited the \$5 bail left for his appearance before Recorder Bowers.

PRICE FIVE CENTS

THE NEW ERA

GIRLS' YACHT RACE
PROVES EXCITING

Spectators Get Lots of Laughs and Girls Lots of Experience

The Saw and Hatchet Class had two series races on Saturday and Ted Hunn with his new sail managed to take both first places. Both the races were closely contested and Ted's two wins puts him in the lead in this series.

While these races were very interesting the feature of the afternoon was a race between the Saw and Hatchet boats sailed by the various girls of the club. There were five girl skippers in this race, and while they did not give such a fancy exhibition of sailing they certainly provided a wealth of entertainment.

The race was started in the usual manner and with plenty of instructions from the pier; the girls all managed to get across the line within ten minutes of the starting gun.

Anne Knight induced by the instructions of her backer (there were cigars bet on each skipper) at tempted a bit of strategy and sailed close to shore to avoid stemming the tide. During her travels she managed to hit three or four moored boats. Elizabeth Knight, who was a favorite to win, unfortunately followed Anne's example and collided with a moored boat. It so happened that the wind was light and no damage was done; Elizabeth was able to get free in time to place third.

Abbie Shoemaker and Christine Ridley very successfully beat against the wind to the buoy, but on rounding it were overtaken by Nell Showell, the dark horse skipper. Nell got off to a poor start but with the help of Mr. Bellnap managed to round the buoy in second place.

On the home stretch the girls had the wind behind them, and not being any too well versed in sailing in this manner they had some difficulty in keeping clear of each other. The finish was very close with Nell Showell leading Abbie Shoemaker by only a few feet.

This race gave the spectators considerable entertainment and the girls a great deal of experience, and it is hoped these races will be tried again.

Sales Tax Repeal
Group Reiterates
Faith in Newcomb

The New Jersey Sales Tax Repeal Association takes a slap indirectly at Ellis Parker, Burlington county detective chief, for his attack on Dr. Marcus W. Newcomb's stand on the sales levy.

"In Burlington county Dr. Marcus W. Newcomb, incumbent in the Assembly, is being opposed in the primary by Dr. Joseph Bowley, of Burlington. Political opponents of Dr. Newcomb, who voted against the sales tax, have sought by public statements to place upon him responsibility for the passage of the sales tax levy.

"As a simple matter of fair play we must do our part to inform the voters of Burlington county fairly on this matter and to try to save Dr. Newcomb from the false position into which partisan interests are trying to place him, and to say also that we are convinced of his sincerity on the sales tax because for weeks before its actual passage he supplied the Repeal Association with information and help that aided in our fight to frustrate passage."

A group of 25 taxpayers seeks appointment of an expert to check the administration of funds by the Burlington County Board of Freeholders, and declares there is "cause to believe that moneys have been unlawfully and corruptly expended."

The board has offered no objection, taking the position that any such rumors should be investigated.

Mrs. Anna Faunce.

SCHOOL TO OPEN
ABOUT OCTOBER 1

Due to unavoidable delays in construction, the Riverton public school building will not be ready for classes before the first of October, and it may possibly be a little later.

It will not be necessary, however, to wait for the completion of the whole structure before opening school. This can be done as soon as the work on the old portion of the building is finished.

By lengthening the sessions thirty minutes each day, the principal believes it will be possible to get in the required number of days during the year without holding school on Saturdays or holidays.

ROBERT BIDDLE
WINS ROTARY CUP

Defeats Robert Borer in Cup Tennis Final, 6-0, 6-1, 6-4

Playing with relentless accuracy, Robert Biddle swept through his final round opponent, Robert Borer, to win a straight set triumph and the Men's Cup for the next year in the Men's Memorial Park Singles Championship. The scores were 6-0, 6-1, 6-4, almost the identical count by which he won the Men's Ranking Tournament earlier in the year over George Hagstoz, 6-2, 6-0, 6-4.

Biddle undoubtedly reached the peak of his game in winning the match. The court condition was ideal for his game, for the rain had softened the surface, taking all the sting out of services and putting the emphasis entirely on ground strokes. Borer did not hold a single service ace, and there was but one service ace.

Twenty-four Point Game

Borer opened the match by serving the longest game this writer remembers at the Park. The score went to deuce eight times before the balance finally swung in favor of Biddle. Four of the six games in the set went to deuce, but Biddle was in such superb touch that he brought off the most difficult shots with ridiculous ease.

Biddle extended his streak to nine games before Borer could snap three placements over for a game, the only one he garnered that set. Biddle continued to dominate the play, being especially impressive in his putting away of Borer's soft second delivery. Throughout the first two sets Biddle rarely failed to place his service in play, much to his advantage. Borer often slumped in his first serve also, but Biddle was in perfect control of all his strokes and placed the ball deep to keep his opponent at a disadvantage.

Third Set Close

With his back to the wall after being trounced in such sound fashion in the first two sets Borer struck out and captured Biddle's first service but dropped his own. The score mounted 2-2 and again Borer succeeded in winning the fifth game after deuce had been registered. (continued on page 7)

Third Set Close

With his back to the wall after being trounced in such sound fashion in the first two sets Borer struck out and captured Biddle's first service but dropped his own. The score mounted 2-2 and again Borer succeeded in winning the fifth game after deuce had been registered. (continued on page 7)

JUDGE HOLDS UP

FREEHOLDER PROBE

Action on the request for an investigation of Burlington county finances was postponed indefinitely on Saturday by Supreme Court Justice Joseph B. Perkins, at Atlantic City, pending his study of new and additional information. Details of the new matter were withheld.

A group of 25 taxpayers seeks appointment of an expert to check the administration of funds by the Burlington County Board of Freeholders, and declares there is "cause to believe that moneys have been unlawfully and corruptly expended."

The board has offered no objection, taking the position that any such rumors should be investigated.

Mrs. Anna Faunce.

The Real Issue

After all the ballyhoo has been ballyhooed, after all the charges and counter charges have been made and denied, next Tuesday's Primary Election resolves itself into a battle royal between two forces which seek to control the government of Burlington County.

One force is led by State Senator Clifford R. Powell; the other is represented by Assemblyman Marcus W. Newcomb, M.D.

The characteristics, associations and political affiliations of the two men are matters of public knowledge.

The opponents of Dr. Newcomb, have, for a name, borrowed the slogan of the National Administration, "The New Dealers," and judging from the tactics and aims of both groups (National and County), the cognomen seems to be well chosen.

A large portion of the campaign literature and propaganda of the New Dealers has consisted of trying to impugn the motives of the Regular Republicans and their candidates.

A Cowardly Attack

It did not require a large degree of sublime courage for Ellis H. Parker, head of the county detective bureau, to attack Dr. Newcomb while he was flat on his back in a hospital for an operation for appendicitis. Nor did the doughty detective show his usual sagacity in selecting the topic for his assault. To accuse Dr. Newcomb of double-crossing the people of the State on the Sales Tax Bill is little short of ridiculous—but not much. The doctor's record is clear, and any attempt to beloud it will not meet with favor among fair-minded people.

The Truth of the Matter

Briefly summarized, what happened is this: Dr. Newcomb, as majority leader, introduced Assembly bills at the request of Governor Hoffman. He was opposed to the Sales Tax, but performed the duties of his office, though some of them were unpleasant. Parker claims that if Newcomb was really opposed to the bill he could have killed it in committee. Men are creatures of habit and training, and doubtless that modus operandi appealed to Parker. But Dr. Newcomb is not that type. He believes that ALL assemblymen, elected to represent the people, have a RIGHT to VOTE on measures that come before the House. Therefore the issue was fought in the open. Dr. Newcomb voted against the Sales Tax and is pledged to introduce a bill for its repeal if re-elected.

The doctor is also accused to trying to straddle the issue because he voted for the necessary appropriation to put the obnoxious measure into operation. The fact is that the Governor had enough votes to pass the \$600,000 enforcement fund as first proposed, but through the efforts of Dr. Newcomb this sum was cut to \$400,000, saving to the taxpayers of the State \$200,000. In consideration of this reduction, Dr. Newcomb agreed to vote for the appropriation.

The Reason

Friends of Detective Parker who wonder why he has supported Dr. Newcomb for years and then turned against him in this election may find the answer in the fact that the Assemblyman refused to introduce a bill creating a detective department in the State Police, for which Parker was slated as head, with a salary of \$6,000 a year and a score or more of appointments. That, to a man of Parker's acumen, would have been a nice plum.

Dr. Newcomb refused to further the scheme because he believed it was an unnecessary expense which would add about \$200,000 a year to the over-burdened taxpayers of the State.

Out-Topsyed Topsy

In the episode of the Church-Bowley letters, the New Dealers quite outdid themselves. They got a reply from one college which had not received an inquiry. Like Topsy, who confessed to a lot of things she didn't do, they overreached themselves a little.

It has been a colorful show, even if the stage management has been bungled a bit now and then—but too much cannot be expected of amateurs, even under clever and experienced leadership. This week's New Deal papers, which are crying to high heaven the virtues of their candidates and their devotion to the interests of the "Dear Peepul," will probably be filled with a final fling of innuendo and mud slinging.

Time to Reflect

Those whose cause is just, have no need to resort to such tactics, and, fortunately, the voters will have three or four days to appraise all this stuff at its real value before they go to the polls on Tuesday to determine in whose hands they desire to place the management of their county affairs, and who shall represent them in the Assembly.

The New Dealers now have control of pretty much everything in the county except the office of sheriff, for which they are making strenuous efforts this year, and which they prize second to the defeat of Dr. Newcomb.

They would like to elect the new freeholder to take Heisler's place, of course, but that is not necessary to the control of the Board of Freeholders, which they secured through the defection of their friend, the Democratic member. But to give them another member, making the majority 4 to 1, will make it just that much harder to throw off their yoke next year.

Methods Create Suspicion

The methods employed by the New Dealers in this campaign will make thoughtful men and women hesitate to further extend their power. Those who have an honest regard for the best interests of their county can safely vote for Dr. Newcomb for Assembly, DeWitt H. Steele for Sheriff, and LeRoy Church for Freeholder.

RIVERTON DOWNS
BEVERLY NINE 8-4

Break Beverly's Winning Streak of Twelve Straight Victories Saturday at Park

After twelve straight victories Beverly met their match when they visited Memorial Park last Saturday. Riverton taking them over the hurdles to the tune of 8-4.

Weikman held the visitors to six scattered hits while Terrell and Conway with three hits each led the homesters attack while Chick Foulke choked off more than a dozen hits with his sterling third base play.

FORMING NEW CHORAL SOCIETY

Male Voices Particularly Needed
Young Men Desiring Voice
Training Invited

Young people of Palmyra and Riverton who have wished for some association with a musical organization will have an opportunity to realize their hopes in the near future.

Under tentative plans a mixed glee club for young people will be started within the next week; the new choral society, under the auspices of the Senior Epworth League, will utilize the Methodist Episcopal Church for rehearsals. Tryouts for the glee club will be supervised by several persons well known in musical circles hereabouts.

The chief problem confronting the sponsors is that of male voices. It is realized that there are numerous voices of merit among the young ladies of the two towns, but there is an appreciable lack of young men who seem to have sufficient confidence in themselves to join such a group.

Since it is primarily a beginners' group, the backers and the director are making it plain that no one need feel any hesitancy about seeking a place among the singers. With a little time it is expected that this musical unit will be able to uphold the traditional excellence of former and present choral clubs of Palmyra and Riverton.

The first rehearsal date has been set for next Tuesday night, September 17th, at seven-thirty in the Palmyra M. E. Church. It is impossible to contact all those who have vocal talents and the organizers of the club extend the invitation to all those interested to attend the first rehearsal.

LeRoy Church for Freeholder

LeRoy Church, of Fieldsboro, candidate for Freeholder on the "Citizens" ticket at the coming Primary Election, has been described by many who have met him as a "refreshing change from the stereotyped politician seeking office."

Mr. Church, a business man of long and sound experience, makes but one pledge to the Republican voters of Burlington County and that is, "If you think I am the man for the job and you are willing to support me, I make the pledge of a fair, square deal."

LeRoy Church, a man's man, with strength of character and determination written in every line of his face, is the man who makes a new friend for himself with every new person he meets and his backers claim he is making them fast.

NOTICE

Mrs. Nellie Harvey wishes to announce that she is still selling the Spencer Corset, despite current rumors to the contrary.

NEWCOMB GIVES SALES TAX FACTS

Told Governor He Would Work
and Vote Against Its Pass-
age—and Did

Interviewed briefly at his bedside, at the Burlington County Hospital, yesterday, Assemblyman Newcomb, slowly recovering from an operation for appendicitis, dictated this statement concerning his legislative record on the Sales Tax, concerning which he has been attacked by his enemies, who are trying to create the impression that he "rode two horses." The doctor's statement, which follows, leaves no doubt in any unprejudiced mind that Burlington county's Assemblyman was straightforward and above board in his opposition to the new levy:

"As Majority Leader of the Republican Party in the Assembly, it was my duty as a loyal Republican and supporter of the program of our Republican Governor, to introduce for him the Sales Tax act. I did this at the Governor's request, although I informed him at the time that I should argue against it and vote against it. I did argue against it and voted against it and I proposed and voted for amendments exempting food stuffs. I also proposed and voted for the amendment exempting milk, which was passed. I have always been opposed to the Sales Tax as a means of raising revenue at the present time, and I have consistently urged in its stead, governmental economies. After the Sales Tax had been enacted it became necessary to appropriate a sum of money to carry out the terms of the act and it was due to my efforts that the appropriation was cut from \$500,000.00 to \$400,000.00.

"Because of an effort that has been made by some persons through the press to confuse the minds of the public as to where I have stood in this matter, I feel that this explanation has been made necessary."

BOLD ATTEMPT TO INTIMIDATE BEVERLY EDITOR

The Beverly Banner this week publishes the following defi to an attempt to coerce it into supporting the New Deal ticket.

A CHALLENGE ACCEPTED
"Burlington County's 'New Deal' faction has been quite free in its charges of 'corruption.' The New Dealers, in their strenuous efforts to gain absolute control of county affairs, have held themselves up as models of political purity—a group of high-minded young patriots, pledged to rescue the county from the mire of degradation into which it has sunk under the vicious Old Guard regime.

"It seems strange, then, that attempts to coerce the press should emanate from a group laying such strong claims to righteousness, but it is even so. A few days ago a spokesman for these young fight-

ers-for-the-right took occasion to remind the Beverly Banner that it hadn't been displaying sufficient enthusiasm toward the reformers' campaign. He suggested that we had better get on the bandwagon and whoop it up a little for the New Deal candidates, and went on to make it plain that if we didn't, and their candidate for Sheriff was successful, the Banner could expect mighty little legal advertising from the Sheriff's office.

"The Beverly Banner accepts the challenge. We begin by publishing the name of the person who made the threat. Mr. Frank E. Chambers, of Riverside, publisher of several newspapers throughout the county, and reputed as standing high in the councils of the New Deal faction, is the man. We close by assuring Mr. Chambers and his fellow 'reformers' that we hope to see the entire Burlington County New Deal ticket soundly defeated at the Primary Election next Tuesday and that we intend to exercise every legitimate means at our command to bring about this result."

FLOWER SHOW

Everything is in readiness for the sixth annual Flower Show to be given by the Garden Department of the Woman's Club of Palmyra, in Society Hall Friday, September 20, and Saturday, September 21.

The judges this year will be Mrs. Joseph Weston, Mrs. Eugene H. Barnes and Mrs. Joseph D. Pedlow, all of Haddonfield. Exhibits may be seen from 8.00 to 10 p.m. on Friday, and on Saturday displays may be viewed from 10.00 a.m. to 9.30 p.m. Admission will be a silver offering.

Steedle for Sheriff

Many years have passed since Riverton has been represented in Burlington County government, and, oddly enough, the last representation was the office of sheriff, held by Edward H. Flagg. Today Riverton is afforded the opportunity to vote for one of her sons for the same office.

The candidate for Sheriff, DeWitt H. Steedle, has enjoyed a long record of experience in business administration; a borough councilman for the past year and former member of the election board in the first district.

DeWitt has always been a staunch supporter of the Republican party, local, county, state and national, and here is an opportunity for the voters of Riverton and the county at large to show their appreciation.

There is no question of his business ability to efficiently fill the office, there is no question of his knowledge of government business, there is no question of his reputation in this community or elsewhere—in fact nothing stands against the man's record. If there was—there is no question but what the "New Deal Republicans" would have aired it long before now.

Let us again give Riverton representation in county government by turning in the biggest vote ever recorded for one of her native sons.

Zisak for Coroner

Riverton has another son whose profession particularly fits him for the office to which he aspires; Jerome J. Zisak, republican candidate for Coroner. He, too, should receive the support of the Riverton voters, both because he is a Rivertonian, and because he is better fitted for the office than any other in the lengthy list of candidates.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services, Sunday, September 15

There remains only another month

in which to obtain the goal of 700

increase in the attendance at our

Bible School in celebrating the 50th

anniversary. The figure stands now

at over 500, and by a little effort on

the part of the individual member

of each class to induce the absentees

to come out, the goal can be reached.

Bible School starts promptly at

10 o'clock.

11.15 a.m. Morning Worship with

special music by the choir. Pastor

Lockett's subject will be "Remember

His Words."

7.45 p.m. Evening Worship. A

very timely subject has been selected

by the pastor—"They That Go

Down to the Sea in Ships."

Wednesday evening at eight

o'clock, Midweek Prayer Service.

Another phase of the program to-

ward celebrating the Golden Anniver-

sary of the Church is the stimu-

lating of interest in the prayer ser-

vice.

Rally Day is fast approaching!

Plans are on foot to make it the

best and most interesting service in

the church's history. All they need

is the co-operation of every mem-

ber.

CHRISTIAN SCIENCE CHURCH

"Substance" will be the subject

of the Lesson-Sermon in all Churches

of Christ, Scientist, on Sunday, Sep-

tember 15.

The Golden Text is: "Ye had com-

passion of me in my bonds, and

took joyfully the spoiling of your

goods, knowing in yourselves that

enduring substance" (Hebrews 10:

34).

Among the citations which com-

prise the Lesson-Sermon is the fol-

lowing from the Bible: "Now faith

is the substance of things hoped for,

the evidence of things not seen.

Fight the good fight of faith, lay

hold on eternal life, whereunto thou

art also called, and hast professed

a good profession before many wit-

nesses (Hebrews 11:1, 1 Timothy

6:12).

The Lesson-Sermon also includes

the following passage from the

Christian Science textbook "Science

and Health with Key to the Scrip-

tures" by Mary Baker Eddy: "When

we come to have more faith in the

truth of being than we have in error,

more faith in spirit than in matter,

more faith in living than in dying,

more faith in God than in man, then

no material suppositions can prevent

us from healing the sick and des-

troying error" (p.366).

A. O. M. P.

The Artisans Order of Palmyra

will open their fall season next Tue-

sday night, September 17th.

From all indications, a prosperous

fall membership campaign is anti-

cipated. The Famous Four Hun-

dred has been introduced and all

members who can solve the mathe-

matical problem of 2 plus 4 equals 3

by producing the result, becomes a

member of the Famous Four Hun-

dred.

Each member who produces one

new member will be given a ticket

for the fall producers' dinner at

Weber's Hof Bräu on December 8th.

On a good bargain think twice.

RIVERTON

Daniel M. Clifton, Jr., left Saturday for a two weeks cruise to Halifax on the U.S.S. Tattal.

Mr. and Mrs. Ellis Clifton, of Audubon, have moved to Harrisburg where Mr. Clifton is service man for that district for the R.C.A.

Eli Brown, Clarence Pippitt and Frank Jones were members of a fishing party which caught 78 fish at Wildwood last week.

The Misses Clara and Frances Bishop, of Thomas avenue, have returned to their home after spending two weeks at Pt. Pleasant, Pa.

Mr. and Mrs. Edgar W. Miller and daughter, Margaret, have returned from Detroit where they have been visiting Mr. and Mrs. Edgar W. Miller, Jr.

Mr. and Mrs. John Werner and son are spending the week in Ocean City.

Miss Sally Harper and Miss Emma Stranahan have returned to their home on Thomas avenue after spending several weeks in Ocean Grove.

Mr. and Mrs. Howard D. Sordon and family have returned to Riverton after enjoying the summer in Ocean City.

Mrs. C. C. Miller has returned to her home on Lippincott avenue after spending the summer at Buck Hill Falls.

Mr. and Mrs. Harold Sheble and family will return to their home on Lippincott avenue this week after spending the summer at Brant Beach.

Mrs. F. Teeple is visiting relatives in Los Angeles, California.

Mr. and Mrs. Merle Schaff and daughters and Miss Emma Rotenbury returned to Riverton Wednesday after spending several weeks at Brigantine Beach.

Mr. and Mrs. Joshua S. Bartley and family have returned to their home on Elm Terrace after enjoying the summer at Ocean City.

Mr. and Mrs. Roy Heiser and family have moved into their new home at 708 Main street.

Mr. and Mrs. A. C. Schrader have returned from Ocean City where they have been spending the summer.

Miss Kathryn Graff is spending some time in San Francisco, Calif.

Miss Edith Ridley will leave for Wellesley College, Massachusetts, next week.

Mr. and Mrs. John C. Anderson will return this week from Seaside Park where they have been spending the summer.

Miss Mervil Haas, of Linden avenue, is planning to attend Dickinson College.

Henry Nalby, of Howard street, has returned for his second year at Lehigh University, Bethlehem, Pa.

Paul Guest, of Thomas avenue, will return to Ursinus College Sunday.

Sherman Gootes is attending Philadelphia Business College.

Harry Rieger, of Elm avenue, left Thursday to attend Overbrook High School, in Philadelphia.

Mrs. Robert Biddle, 2d, and daughter, of 607 Bank avenue, are stopping at the Vassar Club at the Hotel New Weston in New York City.

Miss Mildred Mickle has accepted a teaching position in the Maple Shade schools.

Miss Alice Lippincott is teaching in the Flemington school.

E. K. Cooper, father of E. Newbold Cooper, celebrated his 80th

birthday Monday of this week, September 9th.

Mrs. Alma Evans returned to her home after spending several days at Seaside Park.

Little LeRoy Cook fell out of a wagon last Wednesday and broke his collar bone.

Ralph Dages and "Bob" Horton have returned home after spending the summer at Sea Side. They played in Horton's Orchestra in Hotel Hammelton, Sea Side, during the summer.

Jack Michner, of Bank avenue, will attend the second year of Virginia Polytechnic Institute.

CARNIVAL AT K. OF C. GROUNDS

Preparations are now complete for the old-fashioned carnival to be held this Friday and Saturday at the Knights of Columbus grounds at Broad and Elm avenue.

A rather unique method of guessing the exact time that a watch now in the safety vault of the Cinnamonson Bank and Trust Co. will stop, will be introduced for the first time at this carnival. Fifty dollars in cash will be awarded to the one who guesses the exact time that this watch stopped, and if the person who guesses is present when the box is opened Saturday night at the carnival grounds, sixty dollars will be awarded instead.

On this same night the ladies, headed by Mrs. Anna Davis, will serve a choice supper in the hall from 5 p.m. to 8 p.m. at a nominal cost.

There will be attractions for everyone, including games of skill, radio, candy, home-made cakes, ice cream, hot dogs, fish pond, novelties, etc.

Charles Delaney, general chairman, is assisted by the following chairmen of committees: John Stroblein, Thomas Smith, A. E. Conlow, William Hawn, Mrs. H. Schram, Mrs. Edward Kavanagh, Mrs. Otis Myers, Miss Winifred Brennan, Mrs. Anna Davis.

EPWORTH LEAGUE

The Epworth League of the Ep-

worth M. E. Church, Palmyra, will

hold regular league meetings each

Sunday evening at seven o'clock.

Attendance has greatly improved

since the meetings are again being

held on Sundays.

Murray Kirkpatrick, popular mem-

ber of the league, will address the

members this Sunday evening. Special

music will be provided.

Don't forget—7.00 p.m. sharp!

OBITUARIES

BENJAMIN HULLINGS

Benjamin Hullings, 54, formerly of Riverton, died September 7, after a serious operation.

Funeral services were held Tuesday at 2 o'clock from the Jerome J. Zisak Funeral Home, Rev. A. Prosser officiating.

Interment was made in the Asbury M. E. Cemetery.

Mr. Hullings is survived by his father, George Hullings, and one brother, Frank Hullings.

MRS. FRANK STANFORD

Mrs. Frank Stanford, of Five Points, died suddenly in the Penn Street Church, last Friday evening.

Funeral services were held Tuesday afternoon at 2 o'clock from the Wrightsville Church. Interment was made in the church burial grounds, Frank A. Snover officiating.

The deceased is survived by her husband and two children.

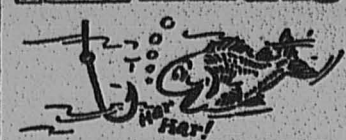

JONES SUES FOR \$50,000 DAMAGES

Alleging damage to his reputation to the extent of \$50,000, Albert C. Jones, a member of the Board of Freeholders, has instituted suit for libel against The Mirror and Charles E. Fowler, its publisher.

The suit will be tried in the Circuit Court and should be highly interesting.

The blood of the soldier makes the glory for the general.

ALMANAC

"Bounty without grace is like the hook without the bait."

17—First air flight across U. S. 84 hours, 1911.

18—Start of the great Jay Cooke Panic on Wall Street, 1873.

20—Women found their Equal Rights Party, 1864.

21—New York's Trinity Church is burned to the ground, 1776.

22—Virgin, famed Latin poet, dies, B.C. 19.

23—E. L. Ovington becomes first U. S. air mail pilot, 1911.

YMCA BRIEFS

Bicycle Hike Saturday

Any or all boys interested in a fine "bike hike" are asked to meet at the Y Building on Saturday morning, September 14th, at 9.30.

Fellows will need their lunch and bathing suits. The trip will be to Camp Ockanickon at Medford Lakes and return in the late afternoon. Notes giving permission to the fellows to go are required. A car and first aid equipment will make the trip with the boys. Such a trip is not recommended for boys under nine years of age.

Group Rally and Party
A fall rally of all Y members of last year, their leaders and friends will be held at the Y Building on Monday night, September 16th. The fun will start at 7.30 and close at 9.30. Free movies and cats will be a part of this interesting evening.

Hikers Rained Out
The DDDD Group under the leadership of William Cooper started out for a hike on Monday night. Soon the clouds let go and a drenched bunch of boys reported back at their homes. Another attempt will be made later. The following fellows were on the trip: Robert Yerkes, Bill Robinson, Harry Orleman, Harold Bishop, Burke Jay, Porter Caldwell, Jack Longstreet, Tom Mooney, Arthur Gowell, Weston Goodnow and William Cooper. This Y Group will meet regularly each Monday night.

STROBLEIN-REIDENBAKER
Saturday afternoon at 4 o'clock, Miss Anna Mary Reidenbaker, daughter of Mr. and Mrs. Charles Reidenbaker, will become the bride of William J. Strable, Jr., son of Mr. and Mrs. William J. Strable, of Moorestown.

The wedding will take place in the Palmyra Moravian Church, the Rev. Albert J. Harkis officiating.

STROBLEIN-FOWLER
Miss Sarah Fowler, daughter of Mrs. Kathryn Fowler, of 622 Parry avenue, Palmyra, became the bride of Jacob D. Stroblein, son of Mrs. George Stroblein, of 218 Fulton street, Riverton, at a quiet ceremony in the Sacred Heart Church, Riverton, Saturday morning at 8 o'clock. The Rev. John McGrath officiated.

A NEW REMINGTON
The famous Remington Portable Typewriter has just come out in a new model which sells at \$31.50. An ideal machine for high school students.

Very easy monthly payments make it easy to own this marvelous little machine.

Standard keyboard, adjustable marginal stops, clear beautiful type, touch of typewriters selling for twice the price, and does work unsurpassed by any machine made—try it out for yourself at The New Era Office.

CHANGE IN PLACE OF HOLDING P.T.A. MEETING

Transfer of the September 18th "School of Instruction" for members of Parent-Teacher Associations in the seven southern New Jersey counties, from the Glassboro High School, to the Pearl Street School, Bridgeton, was announced last week by Mrs. Morris Foulk, Woodbury Heights, vice president of the State Congress of Parents and Teachers.

Mrs. Foulk will call the Bridgeton meeting to order at 10 a.m. There will be drills in parliamentary procedure, rehearsal of various committee objectives, and discussion of the Congress "Standards of Excellence." Every local association in the seven counties is expected to be represented.

RULE TO BAR CREDITORS

Notice is hereby given that an order has been made by the Surrogate of the County of Burlington, bearing date the 17th day of August, 1935, upon application of the undersigned, Administrator, requiring the creditors of Laura B. Davis, late of the County of Burlington, deceased, to bring in their claims against the estate of the said decedent, under oath or affirmation, on or before February 17th, 1936, or they will be barred of any action therefor against the said Administrator.

C. KENNETH DAVIS, Administrator.
Proctor: Wm. D. Lippincott
Dated: August 17th, 1935.

Tremendous Trifles

By ELMO SCOTT WATSON

DIKIE

BACK in the early days of the
republic when a host of steam-
boats plied the Mississippi, the
boatmen, when in New Orleans, did
most of their banking at the Banque
des Citoyens. It issued bank notes
printed in English on one side and
in French on the other.

Its ten-dollar note bore the word
"DIKIE" (ten) printed in large let-
ters. So the boatmen spoke of it
colloquially as a "dikie," and New
Orleans became the town where
they got the "dikies" or "dikies."

They carried the word north and
soon the entire South came to be
known as the "dikie country."

Then in 1850 Daniel D. Emmett
wrote a song about "de land ob cot-
ton—Dixieland." It was first sung
by Bryant's minstrels at Mechanic's
hall in New York city, but the
South, the real "Dixieland," immedi-
ately took it up as its own.

Two years later, to the rollicking
strains, men to gray rode forth to
"live and die for Dixie." It helped
inspire them to such feats of valor
as the world had never seen before
and it buoyed them up in those dark
days when the "Lost Cause" was
slowly but surely being borne down
by the North's superior numbers.

Today that tune still has the power
to thrill the hearts of a reunited
nation as no other tune has—this
song which takes its name from the
Mississippi steamboat men's famil-
iar term for a piece of money print-
ed in two languages!

The practice of the wise should
instruct the otherwise—Poor Rich-
ard.

OMEGA CHAPTER

LAYS PLANS

FOR WINTER

On Monday evening, September 9, the first fall meeting of Omega Chapter, Palmyra Chapter of Palmyra-Riverton, was held in the YMCA building. This meeting was held for the purpose of planning the activities for the fall and winter.

The meetings will rotate in the following manner: speaker, regular meeting, social. At the next meeting a speaker will address the group.

The program for the season will follow somewhat these general lines: dramatics, art, speakers, reading club, travel groups, conferences, music and social.

Through the State E.R.A. the fraternity has at its disposal, free of charge, speakers for the fall and winter activities. The following topics have been selected: "Can Democracy Survive?" "Stretching the Constitution," "Socialism," "Communism and Fascism," "The Social Implications of the Unemployment Relief," "Dealing with the Mentally and Physically Handicapped," "The Public Works Program."

Some nights during the winter will be devoted to "Bring Your Dad Night" and "Ladies' Night." The reading club will consist of all those interested in reading good books. Every member will read and report on at least two books, so, in this way a great number of modern authors can be covered.

On Monday, September 30, the fraternity will be officially inducted into the National Palmyra fraternity.

Robert Biddle

Wins Rotary Cup

(continued from page 1)

Borer's chance came in the next game when he held two advantage points but Biddle reached the heights of his game to tie the count. Once more Borer went to the fore on a love game, but Biddle put on pressure, and holding the only service won this set, 6-4.

Biddle was definitely superior throughout the match. The entire play was from the baseline, for when Borer won only one of the shots behind which he followed to the net, he saw the futility of the action. Biddle followed the tennis axiom of never changing a winning game, placing the ball from back court. Biddle's length was uniformly deep, and this stood in his advantage. Borer could not hit back in the court off the left wing, and Biddle constantly hammered away at this side changing to the right for a placement. Seldom have the tennis fans in Riverton seen a player in command of his game as the new champion was.

The point score was:

First Set

Biddle 13 6 4 5 5—37—6

Borer 11 2 4 1 3 3—24—0

Second Set

Biddle 4 4 4 1 4 7 4—28—6

Borer 1 1 0 4 2 5 1—14—1

Third Set

Biddle 5 4 1 4 4 8 0 4 4 4—38—6

Borer 7 1 4 1 6 6 4 1 1 2—33—4

By his victory Biddle will have his name on the Palmyra-Riverton Rotary Cup for 1935 beneath those of Vincent Hackett, Newbold Cooper, the only double winner, and Watson Buhler. The cup must be won three years, not necessarily in succession, to gain permanent possession.

Biddle Beats Caldwell

Biddle entered the final round by downing Porter Caldwell 6-1, 6-3. Caldwell had the misfortune to meet Biddle on the same day of the final and showed the effect of his long lay off.

The reviewer only saw the first set, but in this short time Biddle, after a faulty start, raced through the next six games. Caldwell tried to advance to the barrier, but Biddle quickly showed him his error by placing the ball past him with easy deliberation.

Doubles Final Saturday

The final round of the doubles tournament will be played Saturday afternoon at 3:30. Immediately afterward the cups and medals will be presented to the 1935 victors. Borer and Buhler will meet the winner between the Caldwell-Woodward combine and the Biddle-Reed team.

NOTICE OF REGISTRY AND ELECTION

In conformity with the provisions of an act entitled "An act to amend an act entitled 'An Act to regulate Elections (Revision of 1930),' approved April 18, 1930, and the amendments thereof and supplements thereto,"

CARHART NABS FIVE STRIKERS

Wanted in Two Towns for Damaging Homes of Strike Breaking Workmen

Five striking employees of a Philadelphia knitting mill were arrested in Riverton by Officer John Carhart, Saturday night, following a police tip from Riverside that they were headed toward Riverton.

The men were wanted in both Riverside and Cinnaminson for damaging the homes of strike breakers in each community.

They are, William Lawson, of 227 E. Willard avenue; Bradford Morlock, of 233 E. Ontario street; Thomas Gibbons and Frank Miller, of 5336 Homestead street, and Ramond Hunter, of 2731 N. Howard street, all of Philadelphia.

The men are supposed to have smeared paint on the home of John Harberer, 1015 Highland avenue, Cinnaminson, and similarly defaced the home of William Bard, Hooker street, Riverside.

Carhart turned them over to the Palmyra police where at a hearing before Recorder Carl W. Lutz the men were committed to the Mount Holly jail in default of \$200 bail each.

To Thousands of Lovers of Will Rogers' Pictures

America's most beloved humorist Will Rogers, worked hard to complete two big screen attractions "Steamboat Round the Bend" and "In Old Kentucky" before taking his vacation. Officials of the Fox Film studio informed us at the completion of these two pictures that they were the finest that Rogers had ever given the screen. We believe that Will Rogers would want "the show to go on," and we feel that not to carry out his wishes would be a break of faith to America's most beloved actor. Surely the nation could not erect a more beautiful and lasting tribute to the memory of America's great humorist than he himself erected in presenting to his admirers these two great pictures. "Steamboat Round the Bend" the first production, opens at the Walt Whitman Theatre, 46th and Westfield avenue, on Saturday.

Heaven cares more for what we are than for what we do.

AT FOX, RIVERSIDE

It must be their Irish blood or something that keep Jimmy Cagney and Pat O'Brien at fists ends all the time. They continue their fistie and verbal battle in First National's "The Irish in Us," ably assisted by Frank McHugh, Allen Jenkins and Olivia de Havilland. Playing at Fox, Riverside, this Sunday and Monday, September 15 and 16.

THE CARROLLS SAFE
Mr. and Mrs. Thomas Carroll, former residents of Palmyra, who now live in St. Petersburg, Florida, have sent word that they were un-

BEAUTY AND CHARM AT TRENTON FAIR

Beautiful flowers of all varieties will decorate the Agricultural Building at the Trenton Fair this year from September 24 to 28 inclusive, as part of the annual flower show sponsored by the Trenton Horticultural Society.

Amateur flower growers from all parts of New Jersey have entered their prize blooms in the exposition show. Valuable prizes are offered for artistic arrangement of flowers in one or more shades or tones, garden flowers, potted plants, perennials, large and small, and of many colors, decorative dahlias, cactus, pompoms, flowering miniatures, gladioli, and practically all varieties of beautiful horticultural delights.

Shrubbery from New Jersey nurseries will also be placed around the western end of the Agricultural Building to increase the beauty of the show and delight the crowds. Long a Mecca for fair patrons the Trenton Fair Flower Show this year promises to be the greatest in the long history of the exposition.

Entries are received in the Trenton Fair Flower Show from all parts of the State. Champion blooms are selected by experts at the fair and all flower presentations are adequately tagged to reveal the grower and the place of origin. If you care for the best of everything, don't miss the Trenton Fair Flower Show.

At Broadway Theatre—SATURDAY

Kay Johnson, Ian Hunter and C. Aubrey Smith in Mazo de la Roche's prize winning novel "Jalna" brought to life on the screen with all its drama, romance and heart-holding power.

RIVERTON, NEW JERSEY, THURSDAY, SEPTEMBER 19, 1935

RIVERTON PUPILS TO MOORESTOWN

Commissioner Grants Quota of 10% on Request of Riverton Board

Everett Wolcott, member of the Riverton Board of Education, reported to that body Monday night that the Commissioner of Education had granted permission to send Riverton pupils to the Moorestown high school, not in excess of ten per cent of the total number. This will mean that ten or twelve pupils may attend Moorestown each year if parents and pupils so desire. The Riverton board will pay tuition but not transportation.

Palmyra remains the "designated" high school, and the permission to send to Moorestown is a special grant.

The president and district clerk of the Riverton board was authorized to execute a contract with the Moorestown board for pupils electing to go there. Up to date six have applied for Moorestown, John B. Stetson, Richard Kline, Olivia Steiner, Robert B. Unland, Abby E. Shoemaker, V. Bertram Shoemaker, Richard Barclay and Warren Blyler are already enrolled in the agricultural course.

After some discussion it was decided to use coal for heating the school building for this year, at least, and the chairman of the property committee was instructed to advertise for bids for 125 tons of buckwheat coal. The bids will be opened October 7.

Ten applications were received for attendance at Palmyra High School, nine of which were granted. One, for a post graduate course, was denied. The total number entering Palmyra this year is 38.

The clerk was instructed to notify the Trustees for the State School Fund that the board needs \$25,000 more of the funds provided for by the bond issue for school construction.

The following bills were ordered paid:
Milton Bradley Co., supplies \$296.89
Underwood Elliott Fisher Co., carbon paper 5.00
Webster Publishing Co., class books 5.76
Webster Publishing Co., books 12.82
Edward E. Babb & Co., Inc., supplies 35.00
(continued on page 4)

APPECIATION

Miss Mary Steedle desires to thank the voters of the first district in Riverton for the large vote by which she was elected a member of the Republican County Committee.

APPECIATION

To the Republican Voters of Burlington County:

I take this means of thanking all Republican voters who gave me their support or who contributed by their efforts to the splendid vote given me in my candidacy for the nomination for Sheriff, at the Republican primaries.

In accordance with my promise made during the campaign, I shall do all that lies in my power to aid the election of Mr. John Chant and the other Republican nominees. I also ask my friends to join with me in this effort.

DeWitt H. Steedle.

Riverton, N. J., Sept. 18, 1935.

A STATEMENT

While there is an agreeable implication in the fact that a few friends saw fit to write my name on the ballot in Tuesday's election, nevertheless, since I was one of the signers of Mr. Biddle's petition, it seems desirable to let my other friends know that my name was used in this connection without either my knowledge or my consent.

Clifton P. Mayfield.

THANK YOU

I desire to express my appreciation for the fine vote given me in Riverton in my candidacy for nomination for coroner.

Jerome J. Zisak.

THE NEW ERA

Vol. 47 No. 38

RIVERTON, NEW JERSEY, THURSDAY, SEPTEMBER 19, 1935

The Election

Notwithstanding the concentrated attack of the "New Deal" "Republicans," backed by the full strength of the Powell machine, Dr. Marcus W. Newcomb, candidate for re-election to the Assembly, waged a successful fight for nomination in Tuesday's primary election from his bed in the Burlington County Hospital in Mount Holly, where he is recovering from an emergency operation for appendicitis.

The attack on Dr. Newcomb was the last word in viciousness and misrepresentation. Notwithstanding his unassailable record for integrity, the voters of Burlington County were asked to believe that he had double-crossed them on the Sales Tax. But the trick did not work—it was too raw.

Solid citizens, both men and women, who had known Dr. Newcomb for years and years, and who, through observation of his public acts and private life during that time, had come to believe that in him the common people had a tried and trusted friend, refused to believe that he had turned his back upon them. His nomination by a majority of more than 3,000 over his opponent is sufficient evidence of their faith. There is still a majority of voters in Burlington County who can be neither bought nor browbeaten, and their vote of confidence in Dr. Newcomb is a splendid evidence of the loyalty and good judgment of the friends of honest government, and fearless, straightforward public officials.

The vote polled by DeWitt H. Steedle, Riverton's candidate for sheriff, and LeRoy Church, of Fieldsboro, candidate for member of the board of freeholders, was no less remarkable. Both were new in politics. Neither had political records to which they could "point with pride," nor their opponents could "view with alarm." They were products of the common people, the kind of people that Abraham Lincoln said "God must have loved, because he made so many of them." They came to the voters with no lurid promises impossible of accomplishment. They made a simple statement that if elected they would do their best toward securing for the people of Burlington County an honest, straightforward administration of their public affairs. The people believed in them and gave Steedle a vote of 10,347 as against his opponent's 11,931, while Church lost the nomination by only about 600.

Riverton did itself proud. It gave Steedle 660 votes and Church 409. He failed to secure the nomination, but is likely to be heard from again.

The fight is not over; in fact, it has just begun. While the "New Dealers" were able to force through two out of three of their major candidates, much rumbling of dissatisfaction is heard throughout the county over the methods and tactics employed since the two "Republican" freeholders secured control of the board through the defection of a democratic member of that body, by means best known to him and themselves, but very generally understood by the public, and particularly was there a reaction against the vicious attacks made on Dr. Newcomb during the primary campaign.

And next year, with Senator Powell, the "New Deal" leader, contesting re-election (if he does contest it) with Dr. Newcomb, who will doubtless run for the Senate, the voters of Burlington County will have another opportunity to express their approval or disapproval on the manner in which the "New Dealers" shall conduct themselves and the county affairs during the coming year, and to say whether or not their faith in Dr. Newcomb continues.

CHANGE IN ZONING ORDINANCE PASSED

New Regulations Result of Main Street Building Project Now Under Way

The Riverton Borough Council in meeting held Thursday night passed the amendment to the Riverton Zoning Ordinance as published heretofore in The New Era. There were no objections and the measure passed the second and final reading unanimously.

Councilman Merrill reported that the Fire Company had cooperated splendidly in marking down its membership to a point where a \$71 saving was effected on the borough insurance premium.

Councilman Stroblein reported that the playground at Memorial Park was officially closed for the season, and that a complete inventory of the equipment had been taken. Playground materials, Mr. Stroblein reported, had been stored at the home of George Carnie, instead of in the grandstand as heretofore, some equipment having been stolen from the grandstand several years ago.

Walter Wright, president of the Riverton Volunteer Fire Company, appeared before council and stated that the Fire Company requested a telephone for its fire chief. Recent changes in the County Fire Association regulations make this necessary if Riverton is to cooperate with the fire companies of neighboring towns, he said. Calls from out-of-town (Continued on Page 5)

Bates had just left his helper at his home on Pennsylvania avenue and started to cross the slightly elevated grade crossing at Park avenue when his truck apparently stalled on the tracks. The whole front end, back to the driver's cab, was completely demolished by the flyer.

Bates was assisted from the truck by Clarence Hubbs, of Riverton, and Ward Lowden, of Palmyra. He was taken to the Zurburg Memorial Hospital, Riverside, in the truck of John Etris, driven by Lowden.

Bates suffered cuts and bruises as well as shock, and is being kept in the hospital for observation.

Witnesses to the accident cannot agree as to whether or not the blinker lights at the crossing were working at the time.

The "Nellie Bly" did not stop, the engineer not knowing that the train had struck the truck until he was flagged at Morris Junction. The telegraph operator at Palmyra wired (Continued on Page 5)

BANKS RECEIVE SALES TAX RETURNS

Give Services Free to Help Keep Down Administrative Costs of Tax Collection

The banks of New Jersey handled for the month of July a little more than one-third of the total number of sales tax reports filed in the State, according to a statement by Leslie G. McDouall, president of the New Jersey Bankers Association, and a little less than one-third of the total amount of cash collected.

"The banks of New Jersey," said Mr. McDouall, "feel that this is a real contribution towards economy in government, a principle which they have been stressing for a long time. With the banks' help one-third of the total tax was collected without any compensation to the banks, so that all of the monies collected can be fully devoted to relief, the cause for which it was raised."

He that hath an ill name is half hanged.

FREEHOLDERS HOLD UP BRIDGE BILLS

United States Investigators Find New Facts to Make Move Expedient

Following Director Adam's report at the meeting of the Burlington County Board of Freeholders, Friday morning, to the effect that Government investigators had found more facts concerning alleged discrepancies in the construction of the Riverside-Delanco bridge, a resolution was passed to withhold further payments on the structure. The motion was made by Freeholder Jones, seconded by Freeholder Cook and passed unanimously.

Authorization to pay \$3,050 to Ash, Howard, Needles and Tamman, engineers on the Riverside-Delanco bridge, when funds are available, was passed on motion of Mr. Cook seconded by Mr. Jones, with the other freeholders voting in the affirmative except Charles R. Stout, who voted in the negative.

Permission was granted Public Service Electric Co. to erect one pole on the Masonville-Forestown road following a resolution offered by Jones, seconded by Cook.

Pay for Damages

Freeholder Cook offered a resolution that \$107 be paid to a Laura H. Andrews for damages when she drove her car into a county-owned ditch on the Mt. Laurel road last June. The action was recommended by the board's solicitor, Lester A. Drenk and passed unanimously.

A letter from Walter W. Marris, Burlington City Clerk, asking the Board of Freeholders to pave half of the road on South High street, Burlington, was ordered received and filed and referred to the director of highways and engineering.

William J. Smith, Burlington county fire marshall, in a letter to the board advised that the blacksmith property in Rancocas would no longer be considered a fire hazard, since the owners were making improvements that would remove the dangerous features. The communication was received and filed.

Postpone Coal Bids

Due to the unsettled conditions in the coal industry, it was decided to defer the advertising for coal bids, leaving the matter to the discretion of the director of the board.

The board passed a resolution favoring the continuance of the Government Coast and Geodetic Survey which is threatened due to a lack of appropriation. Jones stated that from an engineering standpoint such surveys are needed even to inland counties such as Burlington.

Freeholder Cook was authorized to sit with a committee from the Burlington County Firemen's Association to consider the advisability of standpipes on either side of the Riverside-Delanco bridge as an improved fire control method.

Jones on the Spot

Following the adjournment of the meeting, Robert Myers, of Mount Holly, asked permission to speak to the board. He inquired who operated county car No. CG322. Freeholder Jones stated that it was his car.

Myers asked Jones if when he was campaigning for the office of freeholder did he not make the promise that all county cars would be kept in the county garage at the close of the day. Jones stated that he had said when the day's work was finished.

Myers heatedly asked why it was parked in the alley at the rear of his home as early as six o'clock in the morning. Director Adams broke in and stated that Myers was out of order.

Myers shouted at Adams, "You don't want to hear this do you?"

He then directed another question to Freeholder Jones asking him if he denied using the county car for electioneering purposes. Jones stated that he did, whereupon Myers roared, "That's all," and left the room.

The following bills were approved for payment: Buildings, \$34,346.52; highway and engineering \$34,095.23; bridges, \$6,336.28; public affairs, \$38,611.39, and revenue and finance, \$24,293.72.

TIPS ON GROWING

BY ONE WHO GREW UP IN THE BUSINESS

A magnificent stately perennial, formerly much admired but lately seldom seen, is making its reappearance this fall in the nursery catalogues. This is the Foxtail Lily (Eremurus). The individual white, pink or yellow star-like flowers surround a cylindrical stem, sometimes ten feet tall. Cover the crowns with leaves and inverted peach basket or box during the winter. Plant now.

It is so popularly believed that aspirin or some other substance added to water in which the stems of cut flowers are immersed will lengthen their lives that it is not likely that the following conclusion arrived at by experts of the Boyce Thompson Institute will change anyone's opinion. "The savants tried 51 different chemical substances including aspirin, table salt, quinine and found that none was noticeably effective. Cut flowers of roses, carnations, dahlias and cosmos were used."

Peanuts are said to have been brought to the United States before the Civil War, concealed in the scanty clothing of slaves who were sold in this country and during the war were introduced by the soldiers on both sides to their friends in the North and South.

The Peony, believed to have been the first of medicinal plants, got its name from the fact that early doctors were known as "paconi" and medicinal plants as "paconiae." Most modern herbaceous peonies are derived from species from the Orient. Old established plants are very impatient of moving but young nursery-grown divisions may be planted in early fall.

The combination of extreme hardness, everblooming qualities, freedom of bloom, flowers of cutting texture and form and fragrance is found in but very few roses. The variety Mme. Albert Barbier is one exception however. It is described in catalogues as a pearly white color suffused with salmon-pink flesh, but at times the salmon-pink color is very prominent, intensified by the golden apricot center. At first it was classed as a Hybrid Tet on account of its recurrence of first it was classed as a Hybrid Tea bloom, but the foliage and the growth were so clearly that of a Hybrid Perpetual that it was reclassified under that heading. The buds are beautifully formed, as for that matter, so is the open flower. It is a variety that needs no coddling. Roses may be transplanted while dormant late in October or as long as the ground is open.

New Jersey State Highway Commissioner Sterner has announced that with the aid of Federal funds Route 35 between Belmar and Brielle is to be beautified by the planting of approximately six thousand shrubs and trees.

BOYS ARRESTED IN APPLE ORCHARD

Four boys were picked up on the Howard G. Taylor farm Saturday afternoon for stealing apples. The arrest was made by Officer John Carhart, of the Riverton police department in the absence of Chief Dorworth, of Cinnaminson.

The boys were: Edward Zarenkewicz, 20, and Mitchel Zarenkewicz, 27, of 4546 Meccer street, Joseph Sudal, 16, of 4542 Meccer street and John Durman, 26, of 2727 Kirkbridge street, Frankford.

The boys were arraigned before Recorder Cecil A. Bowers who fined each of them \$5.00 and \$2.00 costs.

Don't fail to see the new samples.

WILLIAMS HAS NEW OIL TRUCK

Ford V-8 Tank Truck Will Be Used to Deliver "Eso-heat" Fuel Oil

H. B. Williams, who fourteen years ago started in the retail coal business in Palmyra and Riverton, has recently completed a bulk fuel oil plant at S-41 and River Road, Palmyra, and is now equipped to render immediate delivery fuel oil service.

Four huge storage tanks with a combined capacity of 50,000 gallons have been erected within a short distance of his railroad siding and to the rear of his "Standard" service station.

As advertised in this issue, Mr. Williams will sell "Esoheat" fuel oil in any of the grades from number one to four inclusive.

This is the only bulk storage plant of its kind within the confines of the two communities, and Mr. Williams states that with such facilities the oil users have the opportunity to take advantage of a high quality fuel with the additional feature of immediate delivery at any hour of the day or night should an emergency arise.

A Ford V-8 tank truck, of the latest streamlined design, will be used in making metered deliveries to the purchaser.

"Esoheat" fuel oil, a product of the Standard Oil Company, Mr. Williams states, embodies all the features of the ideal fuel oil. It is clean, ignites instantly, is high in heat units, and burns longer and is uniform in quality.

Raymond Lamont, employed with Coombs and Bush, grocers, in Palmyra, for the past seven years, and well known to the people of Palmyra and Riverton has become affiliated with H. B. Williams in the capacity of office manager and salesman.

The new streamlined Ford V-8 tank truck, purchased from Lester S. Fortnum, makes the fourth in a fleet of motor delivery trucks used by H. B. Williams in his coal and fuel oil business.

Mr. Williams, when he started fourteen years ago, had a horse and wagon delivery service. He soon discarded that for Ford equipment and has ever since stayed with the Lester S. Fortnum Ford Agency, for trucks because he states, "they're dependable under the most adverse conditions that can be imposed upon them—and have helped me to maintain a record of prompt delivery to my customers."

Here is a suggestion for a New Deal campaign slogan next year: don't change alphabets in the middle of the soup.

KNOW THEIR ONIONS AT TRENTON FAIR

Many unique and interesting agricultural exhibits will be presented at the Trenton State Fair from September 24 to 28 inclusive by the various State institutions which grow farm products under the supervision of trained officials. Each year these institutions compete for honors and prizes awarded by the fair management.

Last year the State Home for Girls at Trenton carefully designed a flag of vegetables which attracted much attention at the exposition. The masterpiece is made up of onions, peppers, beets, lima beans and squashes and more than 200,000 persons jammed their way into the State Building to view the exhibit.

The Pomona Granges and the United

States Department of Agriculture also have agricultural exhibits at the Trenton Fair, in addition to the prize fruits and vegetables arranged by the various county agricultural agents from the products of New Jersey farms. The theme of the entire exposition is agricultural, and farmers from all sections of the east, annually review the prize products at the nation's greatest outdoor exhibitions.

At the Trenton Fair you can see the largest apples, pears, peaches, corn and other agricultural products, including the giant telephone squash, which is more than five feet high. It's one show that rates four stars and a twinkle in your eye, so make plans to visit the Trenton Fair.

RIVERTON TAKES
CAMDEN ROBINS

Seven-to-One Victory Added to
Long List of Wins; Fall
Before Ocean View

The Camden Robins, whom Riverton defeated early last month by the score of 6 to 5, returned last Saturday but were able to score only one run off Leon Coles while the home team rolled up seven.

Before and during the early part of the game, the Robins did some fancy playing and trick catching, but they soon changed their tactics as Riverton started to count up runs.

In the first inning, before the locals were settled in the game, the visitors scored a run. It was well earned, but it was their last.

Among the features was the good pitching throughout the entire game by the level headed Leon Coles. In the second inning, when the "birds" were about to score, a high one was knocked out to Sloan in right field. "Sloaney" has a good arm and made a perfect throw to the plate. Warrior Harper was in position and the Robins was out.

In the fifth a neat double was made; Foulk to Bartley to Baker. Just before the fifth inning closed, Bartley knocked a one-base hit but by the time the visitors were settled and into the game, Josh had crossed the plate for a stolen run.

Score by innings:
Robins 1 0 0 0 0 0 0—1
Riverton 0 1 1 1 0 3 0—7
Umpires: plate, Johnson; base, Gorman.

Ocean View, Sunday, September 15
Riverton played a close game with the strong Ocean View team to a score of 6 to 5 with eleven innings of good playing.

It was a battle for supremacy up to the last half. Riverton had had its half in the eleventh inning and the score was a tie when Ocean View came to bat. A seashore player knocked one out between Harper, who was playing right field, and Conway, in center. Both players started after the ball and collided with such force that both men were knocked out, and the deciding run was scored by Ocean View.

Chick Foulke was not in the game but his position at third was well covered by Sloan. Weikman pitched and Wolfe caught. The final score was Riverton 5 and Ocean View 6.

Coming Events
Westmont will be the opponent Saturday, September 21. This team is leading the Camden League and it is sure to be a good game.

CIVIL SERVICE
EXAMINATIONS

The United States Civil Service Commission has announced open competition examinations as follows:
Physiotherapy aide, \$1,800 a year, physiotherapy pupil aide, \$1,440 a year. Optional subjects for physiotherapy pupil aide are: Hydrotherapy, massage, remedial gymnastics, and general physiotherapy.

Senior safety engineer, \$4,600 a year, Division of Labor Standards, Department of Labor.

Full information may be obtained from the Riverton Post Office.

RIVERTON NETMEN
DEFEAT DELANCO

Local Players Triumph 7-2;
Doubles Cup Final
Saturday

Smarting from four successive defeats after its initial two victories, the Riverton Memorial Park Tennis Team garnered full strength and decisively trounced Delanco 7 matches to 2. This contest completed the team's schedule for this year. Previously Riverton turned aside Palmyra 6-0 and Delanco 5-0, and lost to Beverly twice, Burlington and Bordentown.

Returning to his position as No. 1 player, Robert Biddle outlasted Giammaria, of Delanco, to win 6-2, 4-6, 6-4. At the outset it appeared that Biddle would score quickly, for he reeled off three games rapidly before errors permitted the visitor to score. However, Giammaria strengthened his game in the second set and won 6-4, only to have Biddle regain command of the match and win the deciding stanza by a like count.

Richard Biddle Joins Team
Richard Biddle, brother of the champion, reeled off a 6-1, 6-4 win over Reeves, of Delanco, in his first appearance on the Park Team. His fast game gave Reeves little opportunity for replies; the tempo of this match was the fastest of the day.

Although playing poorly and not hitting out for winners as is his usual custom, Robert Borer outlasted Page to add another point to the Riverton total. The score was 9-7, 6-4, and was only saved from going to three sets by the winner's ability to steady himself at crucial moments.

Forster Caldwell pulled up from a 1-4 deficit in the second set to win his singles encounter 6-2, 8-6, from A. Stickel, leader of the Delanco group. Stickel's backhand drive was a feature of the match as it passed Caldwell on almost impossible gets, although failing dismally at other times.

Elsey Adds Fifth Point
The fifth Riverton tally was chalked up by Clyde Elsey in a long match 7-5, 4-6, 6-1, over Hermstead of the up-river aggregation. Both hitters could get almost any ball back to the opponent, but Elsey was able to tire Hermstead so that the third set was easily won.

The lone Delanco point in the six singles matches was won by R. Stickel, a twelve-year-old youngster whose game is severe and fairly accurate, 6-4, 1-6, 6-3, over Wilson Schmierer. Had Schmierer been playing regularly the count might have been reversed, but Stickel deserved to win.

Allen-Woodward Score
The first string doubles team, Allen and Woodward, scored at first over Giammaria and Hermstead in the first chapter, but thereafter the battle was close. Allen and Woodward prevailed at last 2-6, 7-5, 6-4. Reeves and Page won the final Delanco point of the afternoon as

Well, if we did follow the advice of the pacifists and beat our swords into plowshares just think what the AAA could hire us to do with them.

they managed to win a full-length tilt over Rutherford and Blyler 6-2, 2-6, 6-2. The Riverton pair were wild in the opening set but brought off their volleys crisply to even the match. In the final period some of the edge was taken off the sharpness of the Rivertonians' shots and they succumbed 6-2.

The final point was pushed across by Jermson and Warren, both new to intertown competition; they stood up to the test in the critical games and won 7-5, 9-7. The Stickels, a father and son combination, were their opponents.

Cup Final Saturday
The final round of the men's doubles tennis tournament, originally scheduled for last Saturday, was postponed until 3:30 p.m., Saturday, September 21.

Robert Borer and Watson Buhler will play Richard Woodward and Porter Caldwell in this 3-out-of-5 set match. Both Borer and Woodward have one leg on separate doubles cups; so no matter which team wins, one player will be but one leg away from retiring a trophy.

Caldwell and Woodward advanced to the final during the past week by barely slipping by Biddle and Reed, who were seeded one peg ahead of the victors, 8-6, 7-5. The play was nip-and-tuck from the start, for all players were near the peak of their games. At 5-4 and match point in the second set a ball was hit, and the players could not determine whether it came over or through a hole in the net.

Since it would be match if they won the point, Caldwell and Woodward gave the count to Biddle and Reed, who then won the game. Play was called; and when the game was resumed the next day, Woodward and Caldwell won the necessary two games.

P. T. A. RECEPTION

The first meeting of the Palmyra Parent-Teacher Association for the 1935-36 season will, as in previous years, take the form of a reception for parents and teachers, and will be held Tuesday evening, September 24, in the Palmyra High School auditorium.

Mrs. J. H. Williams, who succeeds Mrs. J. C. Mallory as president of the association, has promised some very delightful and varied programs throughout the entire year.

This year, according to Mrs. Williams, teachers will provide the entire P.T.A. program.

VIGOROUS PROGRAM
OF NATIONAL WCTU

President Asks Million Members To Work for Eleven-Point Objective in 1936
At the 61st annual convention of the National WCTU held in the municipal auditorium, Atlantic City, last week, the president, Mrs. Ida B. Wise Smith, of Evanston, Ill., announced the following program for the coming year.

1. Extend basic youth and adult education on alcohol on a country-wide plan.
2. Launch a campaign to abolish beer canteen authorization in 2,000 CCC camps.
3. Enlist American youth on behalf of abstinence, clean living, and Christian citizenship.
4. Demand adequate protection for dry territory in line with paragraph 2 of Federal amendment 21.
5. To ban alcohol and drinking drivers from the nation's highways.
6. To enlist cooperation of churches, women's clubs, civic organizations, etc., against liquor advertising through press, radio, movies.
7. Attack and expose fallacies of Council for Moderation, Inc., and all apologists for use of liquor.
8. Fight legalized gambling and government lottery proposals.
9. Unqualifiedly oppose return of legalized and protected social evil.
10. Militantly battle for promotion of clean, higher class movie films.
11. Focus whole influence of National WCTU for peace and against war propaganda.

CHICKEN SUPPER

The Ladies' Aid of the Epworth M. E. Church will hold its annual chicken supper Thursday, October 10, in the Sunday School Temple. Tickets will be sixty-five cents for adults and forty cents for children.

Change in Zoning
Ordinance Passed

(continued from page 1)
town fire companies in the future will be made direct to the fire chief when aid is requested.

Councilman Merrill moved that the borough be responsible for a \$3 monthly telephone charge for its fire chief, Ezra Carhart, Jr. Councilman Knight seconded the motion which passed unanimously.

The building inspector's report included two permits; one for a garage at a cost of \$325 with fees of \$2.50 and the other for the new building on Main street at a cost of \$7500 with fees of \$9.50.

A letter from Frank A. Rue, 112 Morgan avenue, Riverton, was read in which Mr. Rue complained of the gutter being washed out and that the shade trees were in need of attention. Large limbs, he said, fell from trees on the street, endangering life and property. The matter was referred to the highway department and the Shade Tree Commission.

Councilman Sylvester reported that he had ordered a survey by the borough engineers to establish a grade on Maple Lane so that the lane could be properly filled and establish drainage to Fourth street. When the work is completed the police department will take steps to break up trucks using the road for a short cut travelling at high rates of speed. The speeding trucks, it is claimed, cut the roadway and cause the improper drainage of the lane.

The police report for the month included:

Arrests, 8; accidents, 1; breaking and entering, 2; complaints and reports investigated, 18; complaints on dogs, 3; calls from other police, 5; doors found open, 1; dogs and cats gassed, 4; garbage complaints, 2; homes reported closed, 21; night lodgers, 1; value of goods reported stolen, \$11.85; value of goods recovered and returned to owners by police, \$11.85; runaway boys returned to their homes, 4.

The following bills were approved for payment:

RIVERTON

Miss Kathryn Broderson, of Harrison street, has returned home after undergoing a minor operation in the Zurbrugg Hospital Thursday.

Miss Nan Evans, of Elm Terrace, returned this week for her third year at Duke University.

Robinet Cole, of Midway, is attending the University of Pennsylvania.

Mr. and Mrs. Gorham P. Sargent and family have returned to their home on Main street after spending the summer at Bass Rocks, Mass.

Mr. and Mrs. J. Douglas Clark and family, of Thomas avenue, have returned to Riverton after spending the summer in Ocean City.

Mr. and Mrs. David Middleton, Palmyra, have moved in the Margaret Apartments, Main street, Riverton.

Mrs. L. J. Meunier and daughter, Edna, have returned to their home after visiting in Chicago for several weeks.

Miss Dell Teeple has returned to her studies at the School of Industrial Arts, Trenton.

The Misses Margaret and Nannie Willis are attending Miss Irwin's School, Philadelphia.

Benson Clark is attending the Episcopal Academy, City Line, Philadelphia.

LADIES' AID

The Ladies' Aid Society of Calvary Presbyterian Church will hold their first meeting October 1, starting with a box luncheon in the church parlor at 1 o'clock. Coffee will be served.

The members of the Society are asked to bring in their "gold bags" at this time.

Following the Ladies' Aid meeting the Missionary Society will meet at 3 o'clock.

A. O. M. P.

At the regular meeting of the Artisans Tuesday night, George Rivet was elected superintendent for the unexpired term of Charles Becker, who was elected recorder in June, and John Rivet was elected inspector. After the meeting everybody participated in arto-scoot, which was enjoyed by all especially George Rivet.

CHECK!

Check and Double Check! The New Era is offering one of the biggest values of the year in fine printed stationery—RYTEX DOUBLE CHECK with your monogram and address or name and address on the sheets and envelopes for \$1.00—September only! Don't fail to see this smart personal stationery.

B. P. C. OF PALMYRA

The Business and Professional Club of Palmyra and Riverton held its initial meeting of the year at the home of Miss Mary B. Egan, of Morgan avenue, Monday evening.

Committees were appointed for the various club activities and a very interesting program has been arranged.

After the business was completed the members were entertained at cards and refreshments were served.

BOWLING

C. A. (Doc) Buohl, president of the Business and Professional Men's Bowling, has called the first meeting of the 1935-36 season for Tuesday evening, September 24, at the Palmyra Bowling Alleys, Broad street and Morgan avenue.

The Ladies' League will assemble at the Bowling Alleys Monday evening, September 23 for its first meeting of the year. Miss Elizabeth Humes is president of the Ladies' League.

NOTICE

Those who purchased cakes from the K. of C. carnival last Friday or Saturday are requested to return the plates to Mrs. Charles DeLaney or call Riverton 244-R and she will call for them.

Millside Truck

Struck by 'Nellie'

(continued from page 1)

ahead that the truck had been hit and ordered the train stopped.

The train was backed up to the scene of the accident and was delayed for some time until another locomotive was sent from the Camden yards, the engine having suffered some damage from the impact of the collision.

Bates, who is the son of Mr. and Mrs. Walter D. Bates, of 223 Horace avenue, Palmyra, was recently married to Miss Pauline Kakowski, of Riverside.

Death Passes Near

A strange incident in connection with this accident, which might easily have developed into tragedy, was told by W. T. Wilson, of 423 West Broad street, Palmyra, whose home is situated about 100 yards from the crossing where the crash occurred.

Both Mr. and Mrs. Wilson were inside their home at the time. They heard a loud sound that startled them both for an instant and which Mr. Wilson thought was a truck backfire.

A S OILS A PLOT

IT WAS only a little "four-pounder" and the small cannon balls which it fired at the British ship, "Vulture," as she lay at anchor below West Point couldn't possibly have injured her even if they had hit her. But those same cannon balls were destined to expose the treason plot of Benedict Arnold, and to save the United States the fortress of West Point.

A certain Colonel Livingston regarded the presence of the enemy ship as something of an insult. He asked Col. John Lamb to lend him a gun and some powder. Lamb refused at first.

But Livingston persisted until he got the gun. Then he opened fire on the "Vulture" and his bombardment was so accurate that the ship moved down the river.

When Andre was ready to return, the oarsmen hired to row him out to the British ship were too lazy to go the extra distance. So the only thing to do was to send him south by land. But Andre got lost, blundered into the hands of three American militiamen who turned him over to a Continental officer.

The result is history—the betrayal of Arnold's treason plot and the saving of West Point.

There are six kinds of lightning. Ball, bead, ribbon, rocket, streak and zigzag.

DELANCO BRIDGE FORMALLY OPENED

Ceremonies Open With Parade;
Congressman Powers Among
Speakers

The Riverside-Delanco bridge, recently completed at an approximate cost of \$325,000, was formally opened and dedicated last Saturday. It will be known as the Landon-Stone bridge, in memory of two Burlington County residents deceased—Brigadier General Thomas D. Landon, former headmaster of Bordentown Military Institute, and Colonel Edward B. Stone, former warden of the State Prison.

The exercises were arranged by Frank Cook, director of bridges of the Burlington County Board of Freeholders, and opened with a parade which formed in Riverside, crossed the bridge to Delanco, and counter-marched to the reviewing stand in the center of the span.

Arthur Kimble, of Moorestown, vice commander of the Burlington County American Legion, was marshal. In the line of march were five companies of the 114 Infantry, New Jersey National Guard, led by Colonel Walter E. Shivers, of Woodbury, commander of the 114th, members of the Burlington County American Legion and Veterans of Foreign Wars and their auxiliaries, Palmyra Drum and Bugle Corps, Community Boys Drum and Bugle Corps of Bordentown, Troop 1 Bugle and Drum Corps of Burlington, an automobile band of the 114th Infantry, Boy Scouts and members of both township committees.

A memorial tablet in honor of Brigadier General Landon and Colonel Stone was unveiled by Thomas Landon Wilson, 5, of Pittsburgh, a grandson of General Landon, and by Edward B. Stone Ryan, 12, of Trenton, a grandson of Colonel Stone. Mrs. Daisy Lavigne, of Riverside, president of the county Legion auxiliary, cut a ribbon stretched across the bridge, formally opening it to traffic.

Speakers were Congressman D. Lane Powers, the Rev. Charles B. DuBell, of Philadelphia, former chaplain of the 114th Infantry, and Freeholder Cook.

Among those in the reviewing stand were Colonel Stone's widow, his daughter, Mrs. Thomas Ryan, of Trenton, and her two children, Edward and Thomas, 15; Mrs. Edward Wilson, of Pittsburgh, daughter of General Landon, and her son, Thomas Landon Wilson; Mr. and Mrs. Robert Patch, of Bordentown, son-in-law and daughter of General Landon; Margaret Landon, of Bordentown, another daughter; Palmer L. Adams, director of the Burlington County Board of Freeholders, and David T. Styer, headmaster of Bordentown Military Institute. Adams was master of ceremonies.

The E.R.A. Forum Bureau is operated with volunteer speakers. The E.R.A. pays only traveling expenses. The only obligation of a local sponsor is to furnish the meeting place and the audience. Organizations interested in holding a forum on "Safety" or other subjects can get in touch with their county's E.R.A. Recreation Supervisor concerning detailed use of the forum facilities.

THE BRIDGE

A Tribute to the Memory of General Thomas D. Landon and Colonel Edward B. Stone at dedication of Riverside-Delanco Bridge. A wonderful bridge with its graceful span

Is a triumph indeed to the talent of man

Who, in his conception of bridging a space

Forgot not that beauty, too, must have a place.

Hence, the remarkable symmetry, fine

That bands two towns in unbroken line.

We have come here, today, to dedicate

This fine bridge to heroes of our state.

Two men whose achievements in war, we acclaim;

Brave, loyal men, we honor each name!

Their distinguished services were well known—

General Landon and Colonel Stone. They honored not only our state, but the world,

Their names are on the flag that's unfurled;

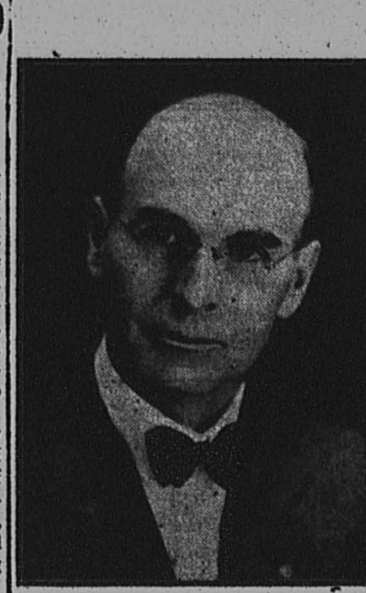

Our flag that is always unfurled, to see

Upon it our emblem of Loyalty.

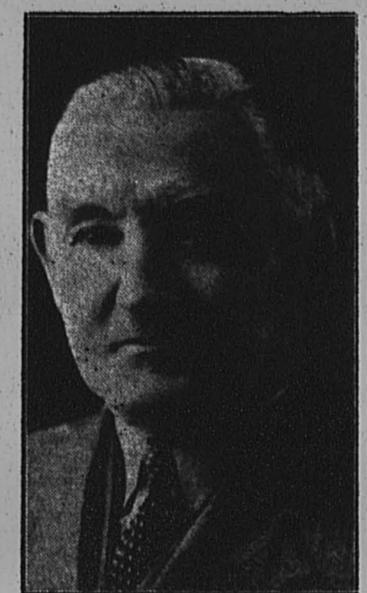

By Blanche Chaffant Tucker.

Let the other fellow talk, too. If you do it all and tell all you know, the other fellow will know as much as you do, including what he already knew.—Eli Perkins.

ERA WILL ASSIST SAFETY PROGRAM

Will Supply Speakers for Public Meetings and Pay Traveling Expenses

The Forum Bureau of the E.R.A. Recreation Division will co-operate in extending the safety work initiated by the Governor's Safety Conference. E.R.A. Safety Forums will be held throughout the state, it was announced by Fred A. Toombs, state forum supervisor, in every municipality where some civic organization will sponsor such a public discussion of the subject.

"We have been promised the co-operation of the Motor Vehicle Department, the State Police and several safety councils," Mr. Toombs said, "and have more than 20 speakers available to talk on the general safety problem or specific phases of it."

"In a tax supported activity such as ours we believe that we should not only provide healthful recreation for the citizens of the state but should stimulate discussion of our every day problems."

"With an average of 100 lives being taken on New Jersey highways each month, we believe we can render a really valuable public service by attempting to make our citizens safety-conscious by promoting discussions of the hazards to life and property existing on our highways."

The E.R.A. Forum Bureau is operated with volunteer speakers. The E.R.A. pays only traveling expenses. The only obligation of a local sponsor is to furnish the meeting place and the audience. Organizations interested in holding a forum on "Safety" or other subjects can get in touch with their county's E.R.A. Recreation Supervisor concerning detailed use of the forum facilities.

YWCA NOTES

New Secretary Appointed
Miss Elizabeth McHenry was chosen as the new secretary of the Burlington County Young Women's Christian Association at the first Fall meeting of the County YWCA board, held Tuesday morning in the "Y" clubrooms in Mt. Holly. Miss McHenry will succeed Miss Harriet L. Bowe, who resigned to accept a similar position in New York State, and will begin her duties here September 23.

The new secretary comes to Burlington County from Hempstead, Long Island, where she served as general secretary of the YWCA for five years. She also has held positions in Jersey City, Laurel, Miss., and Danville, West Virginia.

Fall Conference
Several members of the county YWCA Board are planning to attend the Fall Conference to be held at Camp Arcola, near Norristown, Pa., September 27 and 28, by the fourteen YWCA's in this area which acted as hostess associations at the National YWCA Convention in Philadelphia in 1934.

WPA PROJECTS IN BURLINGTON CO.

State Works Progress Administration, William H. J. Ely, announced, on Saturday morning that the number of New Jersey project proposals received up to noon the day was 1,286, involving a total expenditure of approximately \$39,000,000.

ORDINANCE

An Ordinance to amend an ordinance entitled "An Ordinance limiting and restricting to specified districts and regulating therein buildings and structures according to their construction and the nature and extent of their use in the Borough of Riverton, in the County of Burlington, and providing for the administration and enforcement of the provisions herein contained and fixing penalties for the violation thereof," which ordinance is known by the short form title "The Zoning Ordinance of the Borough of Riverton," and was adopted November 11, 1930.

BE IT ORDAINED by the Council of the Borough of Riverton, in the County of Burlington, that:

ARTICLE V, Section (a) of the ordinance to which this is an amendment be, and the same is hereby amended to read as follows:

(a) Open Porches. An open porch, not over one story in height, may project into required front yard a total of not more than ten feet (10'). An open porch not over one story in height may project into a required side yard, provided it does not come nearer to the side lot line than a distance equivalent to ten per cent (10%) of the width of the lot, and in no case nearer than three feet (3'). Bulk windows on the first or ground floor may extend into a required side yard a distance of not more than four feet (4'), provided that such windows be constructed of clear glass on all sides extending into said required front yards. An open porch upon the second story, i.e., the story immediately above the first or ground floor, may extend into or over a required front yard a distance of not more than eight feet (8').

ARTICLE II, Section (x) be, and the same is hereby amended to read as follows:

(x) Open Porch. An open porch in a roofed piazza, porch, or porte cochere without any permanent features aggregating more than forty eight inches (48") between floor and ceiling, excepting the necessary columns supporting the roof and such supports. Removable, hinged, or double hung sash, containing screen or clear glass is permitted.

NOTICE IS HEREBY GIVEN that an Ordinance, of which the foregoing is a copy, was finally passed and adopted by the Borough Council of The Borough of Riverton, in the County of Burlington, State of New Jersey, at a regular meeting thereof held on the twelfth day of September, 1935, and that same was approved by the Mayor on the same date.

By Order of the Borough Council of The Borough of Riverton in the County of Burlington.

DANIEL M. CLIFTON, Borough Clerk.
Dated: September 12, 1935.

"HOUSE OF MAGIC" AT ELECTRIC SHOW

One of the most startling and entertaining demonstrations in the field of electricity will be shown to Philadelphians for the first time at the 5th Annual Electric and Radio Show to be held in the Convention Hall six days only from October 7th to 12th, inclusive.

George R. Conover, managing director of the Electrical Association, sponsors of the show, yesterday announced that the "House of Magic," the General Electric exhibit at the Century of Progress in Chicago will be brought to this city.

The "House of Magic" is a demonstration of the wonders that can be performed with electricity and represents years of scientific experiment in the research laboratory of the General Electric Company at Schenectady, N. Y., the largest electrical plant in the world.

RIVER RACING THRILLS SEEN IN NEW MOVIE

Out of the romantic pages of American history, Fox Film plucked one of the most exciting and colorful phases of Mississippi River life to furnish a thrilling climax for Will Rogers' new picture, "Steamboat Round the Bend," now at the Walt Whitman theatre.

The bitter rivalry of Rogers and Cobb, masters of "The Clarendon Queen" and "The Pride of Paducah," reaches a thrilling climax when their packets fight it out for the supremacy of the Mississippi.

The race, however, is merely a highlight to the dramatic climax, since Rogers' sole purpose in entering the race is to save the life of a boy, who through a misunderstanding is held by the law for murder.

WHAT, INDEED!

While we don't agree in principle with them, the friends of the Soviet Union in the United States may have some reason to feel surprised that Cordell Hull threatens to recall our ambassador from Russia. Maybe Russia did fail to keep the campaign promises made when she wanted recognition. But what does this Administration find so strange or unusual about failing to keep campaign promises?

FOX, RIVERSIDE

Patsy Kelly, Alice Faye and Frances Langford from top to bottom respectively who appear opposite Geo. Raft in Walter Wanger's Paramount musical, "Every Night at Eight" now at the Fox theatre. The trio rise from amateur hour auditions to radio stardom in the film. Playing at Fox, Riverside, this week.

MINGIN CHAIRMAN COUNTY COMMITTEE

New Dealers Lose in Attempt to Get Control of County Committee

The organization of the Burlington County Republican Committee Tuesday night the regular Republicans elected all of their candidates with the exception of first vice chairman. This office went to Mrs. Alma M. Evans, of Riverton, who won out on her personal popularity throughout the county in spite of the New Deal support, rather than because of it, as is evidenced by the fact that all of their other candidates were defeated.

The meeting was remarkable for the fine spirit and good nature which prevailed throughout the three long tedious hours required to deposit and count the ballots. Notwithstanding the tenseness of the situation there were no harsh words exchanged between the contending factions, each of which was exerting every effort to win.

There will now be an opportunity for Senator Powell and his New Dealers to show the sincerity of their appeal for "harmony and cooperation." The degree to which this cooperation is given can be accurately gauged by Dr. Newcomb's vote in the general election.

Senator Powell, who used the press the day following the primary election to broadcast an appeal for harmony, was not present at the organization meeting to pledge his support to the candidates named on September 17.

Palmer L. Adams, the defeated candidate for chairman of the committee, did not put in his appearance to congratulate the successful opponent nor to pledge support to either the officers chosen for the committee or the candidates nominated at the primary.

Monday night committees from the two opposing groups got together for the purpose of selecting a harmony candidate for chairman of the county committee who would be acceptable to both factions. At that time Palmer L. Adams forced himself to the fore demanding that he be chosen as candidate for that office.

This, of course, was not acceptable to the regular Republicans who, when it was found that a compromise candidate was impossible, decided to stake their fortunes on Lawrence G. Mingin, who has an unimpeachable political record of integrity and fair dealing over a long period of years.

It is a significant fact that while the voters of Burlington County were willing to nominate four out of five of the New Deal candidates, they gave an overwhelming majority to Dr. Newcomb who is Senator Powell's chief worry, and refused to elect Adams chairman of the county committee which would have placed the county political machinery in the hands of Powell, Adams and Jones.

Burlington County Republicans are to be congratulated on having so fine a leader, backed by so fine a group of officers.

The County Committee

In the organization of the Republican County Committee Tuesday night the regular Republicans elected all of their candidates with the exception of first vice chairman. This office went to Mrs. Alma M. Evans, of Riverton, who won out on her personal popularity throughout the county in spite of the New Deal support, rather than because of it, as is evidenced by the fact that all of their other candidates were defeated.

The meeting was remarkable for the fine spirit and good nature which prevailed throughout the three long tedious hours required to deposit and count the ballots. Notwithstanding the tenseness of the situation there were no harsh words exchanged between the contending factions, each of which was exerting every effort to win.

There will now be an opportunity for Senator Powell and his New Dealers to show the sincerity of their appeal for "harmony and cooperation." The degree to which this cooperation is given can be accurately gauged by Dr. Newcomb's vote in the general election.

Senator Powell, who used the press the day following the primary election to broadcast an appeal for harmony, was not present at the organization meeting to pledge his support to the candidates named on September 17.

Palmer L. Adams, the defeated candidate for chairman of the committee, did not put in his appearance to congratulate the successful opponent nor to pledge support to either the officers chosen for the committee or the candidates nominated at the primary.

Monday night committees from the two opposing groups got together for the purpose of selecting a harmony candidate for chairman of the county committee who would be acceptable to both factions. At that time Palmer L. Adams forced himself to the fore demanding that he be chosen as candidate for that office.

This, of course, was not acceptable to the regular Republicans who, when it was found that a compromise candidate was impossible, decided to stake their fortunes on Lawrence G. Mingin, who has an unimpeachable political record of integrity and fair dealing over a long period of years.

It is a significant fact that while the voters of Burlington County were willing to nominate four out of five of the New Deal candidates, they gave an overwhelming majority to Dr. Newcomb who is Senator Powell's chief worry, and refused to elect Adams chairman of the county committee which would have placed the county political machinery in the hands of Powell, Adams and Jones.

Burlington County Republicans are to be congratulated on having so fine a leader, backed by so fine a group of officers.

POST F. M. RODGERS SPONSORS PARADE

Lots of Fun Planned for Annual
Hallowe'en Parade; Special
Feature for Children

A huge Hallowe'en parade will be held in Palmyra and Riverton this year under the auspices of the Frederick M. Rodgers Post 156 American Legion. The exact date has not as yet been determined.

The line of march will be as follows: Form in front of the Riverton fire house, march down Broad street to Fortnum's service station, Palmyra, circling the pumps and counter marching to the Palmyra grove where prizes will be awarded.

The prizes will be donated by local merchants.

Requirements for entering the parade are the same as in previous years.

Refreshments will be served to the contestants this year and will consist of cider, cookies and apples.

Among the musical units to be in line will be Mingin's Band, the Palmyra High School Band, Palmyra Drum and Bugle Corps and several others.

A special feature is being planned for the boys and girls. Further details will be published in these columns within the next few weeks. As an affair of this kind costs the Post considerable money any donations will be greatly appreciated.

Mr. Wimer offered a resolution which was unanimously passed, that the county committee officially endorse all Republican candidates nominated at the recent primary and (continued on page 6)

SCHOOL TO OPEN MONDAY, OCT. 7

Old Building Will Be Ready for
All Classes Except the
Kindergarten

The Riverton Public School will open for all classes except the kindergarten on Monday, October 7th. School will begin at 8:45 a.m. for the first session and at 1:00 p.m. for the second session.

These hours will be observed every school day until the last time, occasioned by the building project, is made up. The usual holidays will be observed during this school year.

Classes will be held in the old building until the annex is completed, and the rear entrance is to be used by everyone.

The children are requested to assemble on the school lot at Fourth and Howard streets, before each session where they will meet their teachers and be conducted to their classrooms.

Announcement of the opening date for the kindergarten will be made at a later date.

OPENING MEETING OF PORCH CLUB

The opening meeting of the Riverton Porch Club will be held on October 1st with a luncheon at 1 o'clock followed by a business meeting.

Miss Virginia Kendrick, graduate of the Curtis Institute of Music, will offer several solos.

All luncheon reservations must be made not later than Saturday noon, September 29th, to Mrs. S. Reid Merley, Riverton 362.

CHAIRMAN

LAWRENCE G. MINGIN

who defeated Palmer L. Adams by two votes for chairmanship of the Republican County Committee at the organization meeting Tuesday night of this week.

JOHNSON-BIDDLE

Miss Marian Scull Biddle will become the bride of Charles Lewis Johnson, of Charleston, West Virginia, in the Friends Meeting House, Cinnaminson, Friday afternoon, October 4.

Miss Laura Biddle will be maid of honor for her sister.

Miss Biddle is the daughter of Mrs. Robert Biddle, 2nd, while Mr. Johnson is the son of Mrs. Howard Spafard Johnson, of Charleston.

Miss Biddle's other attendants will be Miss Marion K. McInnes, Miss Alice Parrish, Miss Margaret Collier and Miss M. Amelle Runk.

Mr. Johnson will have his two brothers, Howard S. Johnson Jr., and Clarence Johnson, as his best men, and ushers will be Richard Scull Biddle and Robert Biddle, 3rd.

brothers of Miss Biddle, Henry Lewis, of Charleston, W. Va., Robert Loetscher, of Dubuque, Iowa; Samuel Wakeman, of Quincy, Mass., and Sherman Allen, of Fairhaven, Vt.

A reception at the home of the bride will follow the ceremony.

LAY CORNERSTONE OF NEW SCHOOL

School Children and Faculty to Combine in Ceremony Tuesday Afternoon

The faculty and the students of the Riverton Public School will meet at the school next Tuesday, October 1st, at 2 o'clock in the afternoon to participate in ceremony of placing the cornerstone in the new building.

The large cast-stone block bearing the figures 1935 will contain a copper box and in which will be placed such papers as relate to the new building project. Some of the papers to be placed within the stone are: a list of the faculty, a list of the board of education members, a list of the Town Meeting committee, several issues of The New Era containing stories about the new building project, the program of the 1935 graduation class, the aims and objectives of the Riverton Public School, and the autograph of the architect.

The school children are requested to meet their teachers on the school lot at the corner of Fourth and Howard streets at 1:45 p.m., and each is requested to bring an American flag.

Mrs. Marion R. Elwell, president of the Board of Education, will place the papers in the cornerstone, after which Miss Caroline M. Staman, principal, will apply the mortar, sealing the stone in its place.

"America" will be sung by the assemblage.

The stone will be located at the left hand corner of the new classroom section adjoining the auditorium.

The public is invited to attend the exercises.

TRIPLE CAR CRASH

Three cars following each other along Bridgeboro road, Moorestown were involved in an accident last Sunday.

A Pennsylvania car approached the Moorestown-Bridgeboro road, and mistaking the warning light for a traffic light threw on his brakes suddenly. Mr. and Mrs. Thomas Cashin, of Riverton, who were in the second car stopped before hitting the Pennsylvania car but Mr. and Mrs. George J. Mack, of Palmyra, who were in the third car, were unable to stop before crashing into the rear of the Cashin car.

Mr. and Mrs. James Weart, Jr., who were also in the Mack car, were badly bruised and the Mack car was considerably damaged.

The Rhone, generally regarded as the swiftest river in the world, attains a velocity of nearly 40 miles an hour in certain parts of its course.

Proclamation

A call upon the people of Riverton for support of the humanitarian work of the American Red Cross is made by Mayor H. McIlvain Biddle in a proclamation issued today.

The Burlington County Chapter has been assigned a goal of 4500 members by national Red Cross headquarters, and the Mayor regards this as a challenge to the civic pride of the community. The official proclamation follows:

"I am glad to direct the attention of the citizenship to the annual roll call of the American Red Cross, October 1st to 15th, and to urge that all rally to the support of this great national institution.

"May I remind our people that the Red Cross exists solely by individual memberships. Without these memberships it would be unable to function at times of disaster, to carry on its work for service men and veterans, to finance its life-saving and first aid program.

"The American Red Cross is a Congressionally chartered semi-governmental agency with nearly fifty years of experience in its unique field of service. Every man and woman of Riverton can help raise the borough's quota of 425 memberships and give freely of support in full confidence that every dollar placed with the Red Cross will be multiplied by usefulness."

H. MCILVAIN BIDDLE.

FLOWER SHOW AT PORCH CLUB

Annual Affair to Be Held November 4. Mrs. Tyler Is Chairman

The Garden Department of the Riverton Porch Club invites the gardeners of Riverton to join them in a Chrysanthemum Show for amateurs to be held at the Porch Club on Monday, November 4th, from 3 o'clock to 9 o'clock. All exhibits must be entered before 11:30 a.m.

Classes

Class 1—Single varieties, 3 sprays of named varieties. As many varieties may be entered as desired, but no two varieties may be in the same container, and no unnamed variety can be entered.

Class 2—Double varieties. Same requirements as for Class 1.

Class 3—Button varieties. Same requirements as for Class 1.

Class 4—Collection, 1 spray only of each variety, list to accompany the collection. (If the name of some variety is not known, it may be listed to that effect, i.e., "pink button," name unknown.)

All Chrysanthemums in the classes must be grown by the exhibitor.

Arrangements

1. Vases. Section A, arrangement of Chrysanthemums only. Section B, arrangement of Chrysanthemums, foliage and berries allowed.

2. Centrepiece for dinner table not over 15 inches in height. Section A, arrangement of Chrysanthemums only. Section B, arrangement of Chrysanthemums, foliage and berries allowed.

3. Basket, arrangement of Chrysanthemums, foliage and berries allowed.

4. Original arrangement. No bought Chrysanthemums may be used in these arrangements. All containers to be supplied by the exhibitors.

For information apply to Mrs. Joseph Beck Tyler, chairman, Riverton 414.

CAMERON BECK AT PALMYRA HI

"Young man, what you are to be you are now becoming." This was the theme of a talk given by Cameron Beck to the students of Palmyra High School Friday morning. Mr. Beck was at one time the personal director of the New York Stock Exchange and now holds the position of director of the Training Institute of the Exchange.

Seven years ago Cameron Beck spoke before an audience of high school students in Palmyra. Mr. Beck was secured through the efforts of Guy Hendry, county YMCA secretary. He related some of his experiences with young people with whom he came in contact during his nine years in wall street. Two hundred thirty-one high schools and thirty-one states are represented in his firm.

FLOWER SHOW BIG SUCCESS

The sixth annual and most successful Flower Show yet held by the Garden Department of the Woman's Club of Palmyra took place in Society Hall, Palmyra, Friday and Saturday of last week.

Music was supplied by the Palmyra High School orchestra and a Leisure Time Band. The committee in charge included the following: Miss Helen Wolcott, chairman; Mrs. Raymond Anderson, Mrs. Ida B. Bonnell, Mrs. A. J. Brooks, Mrs. J. J. Caprano, Mrs. E. R. Finn, Mrs. Grover Fox, Mrs. Sidney Headington, Mrs. H. A. Kennedy, Mrs. A. C. Giberson, Mrs. W. S. Keene, Mrs. A. L. Martin, Mrs. E. Liming, Mrs. A. E. King, Mrs. J. Williams Powers, Mrs. F. W. Holland, Mrs. C. F. Shaw, Mrs. R. K. Snow, Mrs. Elias M. Toy, and Mrs. Lewis H. Wallace.

HIGHWAY ACCEPTED

Formal acceptance was made last Saturday by E. Donald Sterner, State Highway Commissioner, of the completed section of Route 25, which has been reconstructed as a divided roadway between Bridgeboro and the Beverly-Rancocas road, Burlington county.

YMCA STAMP CLUB of Palmyra and Riverton

Members of the affiliated stamp clubs of South Jersey and stamp collectors in general will have the opportunity of participating in an exhibit of stamps, where the new display frames recently purchased by the Association, will be used for the first time, when the Palmyra-Riverton Stamp Club holds an exhibit at the YMCA Building on Saturday afternoon and evening September 28, 1935.

Ample display space will be available, the frames consisting of six units each, 26" x 34", holding nine album pages each. All collectors desiring to exhibit should communicate with the club secretary, Frank Halsey, 900 Lincoln avenue, Palmyra, or be at the Y Building, Palmyra, with their material by 1:00 p.m., Saturday.

Appropriate prizes will be awarded and judging will be based on arrangement, condition and completeness. It is hoped that the collectors of this district will support the association and club by making early entries and assure the success of the exhibit.

The general public is cordially invited to visit the exhibit Saturday afternoon or evening.

APPRECIATION

I find it very difficult to express my sincere appreciation of the wonderful work my friends did for me during the Primary campaign. The result shows that their loyalty and zeal were most effective. I thank each and every worker and voter responsible for my nomination and I pledge my continued interest in behalf of the affairs of our State and our County should I be successful in the November election.

Marcus W. Newcomb, M.D.

CARD OF THANKS

To All Republican Voters: I am grateful for the large vote accorded me at the recent Primary in my candidacy for the Republican nomination for Freeholder, and take this means of thanking all who voted for me or in other ways aided me. During the campaign I promised to support the party nominee, should I not be successful in this, my first candidacy for office. That pledge stands, and I am already working for the success of the whole Republican ticket.

Very truly yours,
LeRoy Church.

During October

After the early fall rains is a good time to plant Phlox, Delphiniums, Salvias, Veronicas and other hardy perennial outdoor flowers.

For a most gorgeous display of bloom next summer plant some of the New Giant Hybrid Golden Day Lillies as offered in

DREER'S

Autumn Catalogue. Phone or write for your copy if you haven't received it yet.

Open weekdays from 8 a.m. until 5 p.m., and on Sunday (but not for business) from 1 until 5 p.m.

FORTNUM BUYS NEW SALVAGE CAR

V-8 Wrecker Latest Addition to Modern Repair Plant at Ford Agency

The Lester S. Fortnum Ford agency, at 115 West Broad street, Palmyra, has recently acquired another valuable addition to its service equipment in the form of a V-8 salvage car.

The new truck is completely equipped for almost any type of repair service that can be rendered along the highway, and, if shop attention is necessary, it is built to safely tow you car to the shops.

The Lester S. Fortnum agency has always kept abreast of the times by adding new and efficient machinery for automobile service.

The main garage and showroom was built in 1921, and as the business grew it became necessary to expand the service department. Therefore, in 1931 another service building was erected to handle the lubrication work, the washing, battery and ignition service, brake repairs, etc.

The showroom was enlarged by transferring the parts department to the new building at that time. The constant addition of new equipment has always kept the Fortnum agency foremost in the ranks of progressive dealers. There, repair work is quickly done by skilled mechanics with improved machinery and methods, at a direct saving to the customer.

TIPS ON GROWING

BY ONE WHO GREW UP IN
THE BUSINESS

If you feel that you must move your Oriental Poppies to some other part of the garden, now is the time to do it with the fall rains bringing the plants into growth. Much the plants during the winter with a very light covering of long manure. This mulch does not have to be removed in the spring for the low hanging lower leaves will soon cover it. Oriental Poppies do not like disturbance at the root growth very much, so let them stay without transplanting as long as they are doing well. Just now is a good time to procure and plant new stock from the plant dealer.

"Sodus" has been adopted as the name for a new purple raspberry selected from a number of seedlings growing on the grounds of the New York State Experiment Station at Geneva in recent years.

Nowadays, however, there seems to be but little call for the purple or blackcaps—the red varieties like Red Raniere and Latham being most in demand. Easily grown in the garden corner and no berries taste as sweet as those picked from the home patch. Mid-October is a good time to plant.

At the Empire State Gladiolus Show held in New York City in late August the winner of the Sweepstake ribbon for the best spike of Gladiolus flowers in the entire exhibition was the variety Picardy. Of the immense number of varieties of Gladiolus, Picardy, a magnificent flesh pink, is undoubtedly the most popular.

One of the most charming of all spring-flowering dwarf trees or shrubs is the Bechtel Flowering Crab (Malus loensis plena). It is very symmetrical in habit of growth, usually attaining at maturity a height of ten feet or more and blooms later than the other crabs. The plant is a natural "sport" or mutation from the native variety. Even when not in flower the foliage and habit of growth retain it as an attractive feature of the garden. In the yard of a vacant home on upper Main street a fine specimen diffuses beauty each succeeding spring although the folks who carefully planted and cared for it when young are no longer here to admire. According to Donald Wyman of Cornell University there are over fifty flowering Crabapples now in the trade, and he considers the Bechtel Crab

as one of the best for landscape effect. It is offered in the nursery catalogues for fall planting in late October.

This summer I saw a lovely new climbing Rose; one that has not yet been marketed or even named. Very likely the introducer will apply for a patent which it certainly deserves as it is very different in color from any other hardy climbing Rose. It is the nearest to a true salmon pink in a Rose of this type. It resembles Jacotte in some respects but is considerably more double and it has the additional virtue of being very hardy. The introducer claims that it will stand "sub-zero" temperatures. Just how far down in the thermometer cellar the "sub" refers to, is not stated but it is to be doubted if it is very deep; at any rate it should prove perfectly hardy here.

The half hour numbers will present Cliff Olsen, of Swedish Flying

Slam fame, and Dr. Glenn Hall, of Seattle. Bobby Burns of Chicago, who made a big hit last week against Ted Christy, meets Marshall Blackstock, the rugged and relentless matorador from Georgia.

BYRD TO SPEAK AT TRENTON

Burlington County residents will have an opportunity to hear Admiral Richard E. Byrd in person at the War Memorial Building, Trenton, on

the night of October 1. The Admiral will lecture on his scientific voyage of discovery in the Antarctic. He will be introduced by Governor Harold G. Hoffman. Among the other important men present will be Congressman D. Lane Powers. The lecture will be the second the Admiral has given since his return from the frozen wastes of the South Pole. His lecture will be illustrated with pictures taken by the expedition into the land of perpetual ice and snow.

DUSEK vs. RAINES IN CAMDEN RING

Blond Tiger Returns to Camden
After Long Absence to
Battle Texan

Ernie Dusek, of the Omaha Dusek grappling family, returns to Camden Thursday night, for mat competition after a rather lengthy absence. The Blond Tiger, as Ernie is familiarly known, is as tough as they come. He has yet to make a bad impression on the fans, even though his type of grappling in most cases strays from the usual routine of orthodox grappling.

Dusek, one of the greatest mat attractions in the game, is slated to take on Dick Raines, of Texas, in

RIVERTON

Mrs. Horace Houser entertained at a covered dish luncheon Monday.

Mr. and Mrs. John W. Goodwin have returned to their home after spending a week touring through the New England states and visiting friends in Boston.

Mrs. Claude J. K. Anderson is spending the week in Rochester, New York.

Jack Stetson had the misfortune to break his right arm last week while playing football.

The many friends of Mrs. Allen McWhorter will regret to learn that she is seriously ill in the Burlington County Hospital, Mount Holly.

Mr. and Mrs. Clifford Nesbitt, of Riverton, and Mr. and Mrs. George Mount, of Beverly, spent Sunday in Atlantic City.

Mr. and Mrs. Harry C. Sim and daughter Betty have returned to their home on Thomas avenue after spending the summer in Atlantic City.

Mr. and Mrs. George Cunningham of Springfield, Pa., spent Sunday with Mr. and Mrs. George Friday, Jr.

The Ladies' Aid Society of Calvary Presbyterian Church will meet in the parlor of the church Wednesday, October 2. There was an error in last week's paper stating that the meeting would be held Tuesday, October 1.

Miss Gene Stover and her brother Robert, are attending George School.

Robert Borer, son of Mr. and Mrs. E. W. C. Borer, returned to his studies at Princeton University this week.

Miss Ruth Bartley is attending Dickinson College, and Miss Edna Meunier is attending Temple University.

Mr. and Mrs. Harvey Hirst and family have returned from Ocean City where they have been spending the summer.

Mr. and Mrs. C. V. Devery and son have returned from Buffalo, New York, where they spent a fortnight.

Miss Betty Sim has returned to Mt. St. Joseph College, Chestnut Hill, where she is a junior.

The many friends of Walter Sippel of Thomas avenue, who underwent an appendix operation last week, will be glad to know that his condition is much improved.

Mr. and Mrs. Leon Gray and family moved from Lippincott avenue to Harrison street this week.

Mrs. Elsie Brownell, of Frankford, spent Sunday with her father, Edwin Evans.

George Tucker, of Woodbury Heights, spent Wednesday in Riverton.

The Palmyra Athletic Association will hold a Minstrel and Dance in P.O.S. of A. Hall Friday evening of this week. Tickets for 50 cents may be procured at the door.

Mr. and Mrs. William Gootee and Mr. and Mrs. Clarence Bell, Sr., motored to the Pocono Mountains Sunday.

Mr. and Mrs. John Althouse spent Sunday in Woodbury visiting friends.

Mr. and Mrs. W. L. Caskey were among the group attending a picnic at Vincennes Sunday.

Ralph Scott is on a business trip in Washington, D. C.

MAGNANIMOUS!

One of the most vociferous of the New Deal newspaper supporters and this kind thing to say about Dr. Newcomb and his friends last week.

Appendicitis Helped. There is no doubt that Dr. Newcomb's recent attack of appendicitis kept him out of the field during the latter part of the campaign had a beneficial effect upon his candidacy. He wasn't a crybaby about being compelled to go to the hospital for an operation, but some of his spellbinders certainly unleashed a lot of sob stuff and worked the old sympathy game. They thought it was deplorable, disgraceful and almost barbarous that any campaigning was being done against Dr. Newcomb while he was flat on his back, but they forgot that they invited it by their blasts of double-inflated bombast against his opponent. Making under-cover attacks and trying to hide them with sympathy of the sob-sister variety was one of their mistakes—if they are going to howl about the question of fairness.

Christ Church is beginning its fall work in earnest the first week in October, and is having a special service this Sunday to inform all the members of the congregation of the facts and of its plans for future work.

St. Michael and All Angels day is being marked as the beginning of the work for the fall—a service of dedication and of stock taking. Plans have been made and all efforts bent to have the full membership in attendance at the morning service. Special music and a general service of commemoration have been planned and it is hoped that this service will be one of the best attended of the church year.

All the organizations are planning to begin their work the first of October—the Women's Guild, the Woman's Auxiliary, and, most important of all, the Sunday School will begin its sessions on Sunday, October 6th.

All who are interested in the work of the church, the progress which has been made over the past two years, and who desire to hear of the plans and aims for the work of the coming winter are most cordially invited to come to the service at 11 a.m. this Sunday.

OBITUARIES

MRS. ISABEL CHAMBERS

Mrs. Isabel Chambers, 56, of East Riverton, died at her home Wednesday, September 19, after a long illness.

Funeral services were held Monday, September 23, from the Jerome J. Zisak funeral home, at 8 o'clock. Requiem High Mass was offered at 9 o'clock at the Church of the Sacred Heart, the Rev. John McGrath officiating.

Interment was made in a Philadelphia cemetery.

The deceased, who was the widow of the late Jacob Chambers, is survived by her daughter, Margaret Chambers.

MRS. ELIZABETH DEVENNEY

Mrs. Elizabeth Devenney died suddenly on Wednesday, September 18, at her home 505 Delaware avenue, Palmyra.

Funeral services were held Saturday afternoon at two o'clock at the Snover Funeral Home with the Rev. George Lockett, pastor of the Central Baptist Church, Palmyra officiating. Interment was made in Cheltenham Cemetery, Philadelphia.

Mrs. Devenney is survived by three daughters, Mrs. E. W. Soule, Palmyra; Mrs. G. Metz, New York, and Mrs. Claude G. Gentry, Baltimore. Six grand children and four great grand children survive.

CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, B.D., Pastor Sunday, September 29, will be Rally Day in the Church School at 9:45. Morning worship at 11 o'clock. Wednesday, October 2, the Ladies' Aid Society will hold a box luncheon at 1 o'clock at which time the "Gold Bags" will be received.

The Woman's Missionary Society will meet at 3 o'clock. All ladies of the congregation are cordially invited to attend both of these meetings.

Preparatory services will be held Wednesday evening at 8 o'clock, after which the Session will meet to receive those who wish to unite with the church.

Sunday, October 6, the Sacrament of the Lord's Supper will be observed.

CENTRAL BAPTIST CHURCH. Rev. George Lockett, B.D., Pastor Services for Sunday, September 29.

10:00 a.m., Rally Day exercises will be held in connection with church services. Members of the Sunday School will gather in their respective class rooms and departments and after the usual records are taken and the attendance recorded they will proceed in a body to the church building at 10:30 o'clock.

11:15 a.m., Rally Day in the Church. A very unique service has been planned for this service which has been the custom of the church for the past few years. A golden tree will be arranged which will illustrate the sermon of the morning by Pastor Lockett who has selected as his subject "A Growing Tree."

7:00 p.m., The High School Young People's League will again meet in the Sunday School room.

7:45 p.m., There will be special music and a specially prepared sermon entitled "Things Men Live By."

STORE ANNIVERSARY

Three generations of Bakers, one a Rivertonian, are celebrating the sixty-ninth anniversary of the Baker-Flick Company in Camden. George C. Baker, of 615 Elm avenue, Riverton, Leonard R. Baker and his son George W. Baker, of 501 Garfield avenue, Palmyra, are the three Bakers in the Camden department store.

The store was first acquired by George C. Baker in partnership with John Flick in 1908. Today Leonard R. Baker, having purchased the Flick interests, is vice president and treasurer of the business and his son George is an employee.

I wish to express my most sincere appreciation to all the voters in Burlington County for their splendid support at the Primary on Tuesday. I will devote all my efforts to insuring success for each and all of the Republican nominees in the general election in November.

Walter D. Lamon.

REV. BOUGHTON PHALANX SPEAKER

Rev. J. F. Boughton, Broadway M. E. Church, Camden, Monday Night Speaker

The Rev. James F. Boughton, of Broadway M. E. Church, Camden, was the speaker at the fourteenth meeting of the Omega Chapter Phalanx Fraternity of Palmyra-Riverton. Mr. Boughton gave a very impressive and informative talk on some of the problems that modern youth is facing. He said "The modern youth has more problems to face than has confronted any other generation, but they also have access to more means of facing these problems than any previous group of young people."

Mr. Boughton pointed out that the city was much harder on the youth, in that so many more temptations await those whose characters are not very strong. He stated that America has the finest democracy of any nation, but to keep it we as a country must hold to our individual rights to think and act as we please, not as some dictator decrees.

Two hundred years ago every man had to, for his own protection, carry some sort of a weapon. It gradually became the duty of the officers of the law to keep peace. Why, then, could not there be some sort of International Police to settle our disputes in an International Police Court instead of by warfare. He further stated that Democracy depends on the initiative of the nation as a whole, and that Democracy and Character are inseparable.

Mr. Boughton asserted that "Democracy can survive only if individual Character can be trusted and can survive." He said that "the American citizen has much more freedom than in any other country in the world."

Miss Helen Schriver played the piano and Cecil Guest led group singing.

Mr. Cooper gave a short report on the National Youth Administration. He said that if the Fraternity can but map out some project that will be accepted by the NYA that there is money available to carry on very constructive and worthwhile work.

The next meeting, Monday, October 7, will be the official induction of the Omega Chapter. The ceremonies will be performed by the Marlon Chapter. Every member present was charged to bring at least three or four men with him. The initiation is a very beautiful and impressive sight, and the next meeting will be one of the biggest of the year.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor "They Must Not Fail" is the theme of a very interesting sermon to be delivered by the Rev. William A. Boyd, minister of the church, this Sunday morning at eleven o'clock. The evening service is made attractive by the singing of "Hymns of the Heart and Hearth," by the choir and congregation. The sermon will be on "A Wise and Just Self-ness," at 7:45.

The senior choir, under the direction of Alfred VanOsten, sing in the morning and evening. Next Sunday, October 6, the junior choir will sing in the morning service. Both choirs meet for rehearsal on Friday evenings, the juniors at 7 and the seniors at 7:45.

This Sunday is "Promotion Day" in the church school. Next Sunday, October 6, is rally day in both school and church.

Rally Week will be observed as follows. The heads of all departments in the church will meet with the minister in the intermediate room, Monday evening at 7:30. Tuesday evening every member of the official board is requested to be present at the board meeting at 8 o'clock. Wednesday evening at 8 o'clock, all members of the church are urged to attend this mid-week church service. A church social and entertainment will be given on Thursday evening at 8 o'clock. Refreshments will be served. On Friday evening the young people's organizations will meet for business and fun.

The public is cordially invited to attend all our meetings. "To Serve" is our privilege and delight.

Mrs. Alma M. Evans.

AUXILIARY MEETING

All branches of the Zurbrugg Memorial Hospital Auxiliary are planning a Donation Day, Friday, October 11th, from 2 until 5 o'clock, on the lawn of the hospital at Riverside. There will be a meeting of the Riverton Auxiliary on Monday, September 30th, at 2:30 at the home of the chairman, Mrs. Nathan Lane.

All members are urged to be present as there is business of importance to be discussed. Publicity.

One weakens everything that one exaggerates.—LaHarpe.

BOROUGH OF RIVERTON

Sale of Lands for Unpaid Taxes for Years as Noted
Sale on Saturday, October 19, 1935, at 10 o'clock a.m.

NOTICE OF SALE

NOTICE is hereby given that I, C. Kenneth Davis, Collector of the Borough of Riverton, County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, the nineteenth day of October, 1935, at ten o'clock in the morning of said day at the

Riverton Council Chambers

503 Howard Street, in said taxing district, expose for sale the several tracts and parcels of land hereinafter specified, or any part or parts of said land sufficient for the purpose on which taxes and liens for the years as noted remain unpaid and in arrears, to such person or persons as will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 8 per cent, per annum, thereon, including interest and costs of sale.

This sale is made under the provisions of an act of Legislature entitled "An Act concerning unpaid taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens thereon (P. L. 1919, p. 293, amending P. L. 1918, p. 883). The said lands hereunder described by Block and Lot numbers, and the names of the persons against whom the said taxes and liens have been assessed, and the amounts of the same including interest to July 1, 1935, are as follows:

Block 63 Lot 5	715 Cinnaminson Street, Lot 50 x 152	Mrs. Isabella Ford, Frame Residence	1930	\$ 4.72	\$ 7.23	\$ 11.95
			1931	45.10	10.35	55.45
			1932	41.80	7.13	48.93
			1933	36.00	3.96	39.96
			1934	37.20	2.31	39.51

Block 32 Lot 1	502 Fulton Street, Lot 56 x 125	Mrs. Eunice M. Stackhouse	1931	20.50	4.82	25.32
			1932	20.50	2.58	23.08
			1933	18.00	1.98

Tremendous Trifles

By ELMO SCOTT WATSON

WINDOW WITH A VIEW

STOP in West Liberty, Ohio, and they'll tell you to be sure to see Donn Platt's castle, a turreted mansion that soldier, editor and master of epigrams and epithets built at a cost of \$80,000. Visit this castle and they'll take you to a little room, eight feet square, in one of the towers and tell you this story: James Whitcomb Riley was a close friend of Platt's and a frequent visitor to the castle. One autumn morning the Hoosier poet stood in this little room and looked out the window. Before him unrolled the panorama of the fertile fields and gently-sloping hills of Logan county. Now it was covered with a blanket of frost shining in the morning sun. From the barnyard down below there came up to his ears a medley of sounds—the gobbling of a turkey, the crowing of a rooster, the clucking of a hen. For a moment Riley stood absorbed in the scene, then turned, seized a pencil and began to write. What he wrote is today one of the best-loved poems in American literature. It begins: "When the frost is on the pumpkin"

PALMYRA PLANS WPA STREET WORK

Project Contemplates Fifteen Miles of Gravel Streets, With Oil Treatment

Palmyra Borough Council is considering a WPA project for the improvement of about 15 miles of streets, gravel with surface treatment of slow curing oil. Mr. Grosskreuz, representing the District WPA Administrator, was present at the meeting of Council last Thursday evening to explain the details of the WPA setup. Application to the State Highway Commissioner is also being made for the improvement of Spring Garden street to the S-41 Highway and Highland avenue from Broad street to the borough line under the 90% and 10% plan. The Highland avenue project would cost a total of \$3290, the state contributing \$2961 and the borough \$329, while on the Spring Garden street work the cost would be \$5040, the state paying \$4536 and the borough \$504.

These two projects would be done by the "Force Account" method, wherein the borough controls the labor end of the contract. Gravel, with bituminous surface, would be the type of roads.

The surface width would be 20 feet and the graded width 30 feet. The Palmyra Fire Company's Chief, Frank Geddes, asked whether the borough would remit some of the taxes on the vacant lots next to the fire house in case the company should buy the lots. Council promised to cooperate with the fire company in this matter.

The school safety zones have been re-marked in the vicinity of the Spring Garden street school and the school janitor, Walter Shappell, has been sworn in as a special officer to control traffic and protect the children.

Dog-catcher Charles Reilly, of Medford, reported that someone had stolen his dog net in Delanco and that he would be unable to carry on the work of catching dogs the rest of the season, inasmuch as it was too late to pay him to have another net made. Council plans to seek another dog catcher.

The regular yearly contribution of \$200 was ordered paid to the Visiting Nurse Association.

RUMMAGE SALE

The semi-annual rummage sale for the benefit of the Burlington County Tuberculosis League will be held at the Browns Mills auditorium, opening on October 10th, at 11 a.m. It will reopen on October 11th, at 2 p.m., and continue for the rest of the day.

A luncheon and supper will be served the opening day. These meals are being planned and prepared by a carefully selected committee.

Are you interested in antiques of any kind? Many very rare and beautiful pieces are contributed by generous people and sold for very nominal sums.

MATTER-PRICE

Miss Jane A. Price, daughter of Mr. and Mrs. Rowland Price, of Palmyra, and Charles David Mattern, of West Point, Pa., were married at Calvary Presbyterian Church, Riverton, Saturday, September 21, at 2:30, the Rev. Charles T. Bates officiating.

The bride was dressed in white satin made on princess lines and carried a bouquet of gardenias and lilies of the valley.

The bride's only attendant was Miss Janet Keenan, of Panama, and was dressed in green velvet with hat and slippers to match and carried yellow chrysanthemums.

The groom was attended by Don Alderfer, of West Point.

A reception was held at the home of the bride's aunts, the Misses Emma and Ada Price, at 416 Lippincott avenue, Riverton.

Guests were present from Philadelphia, Pittsburgh, Reading, Col. Jeville, Jenkintown, Wildwood, Washington, West Point, Riverton and Palmyra.

Mr. and Mrs. Mattern left for a motor trip Thursday.

Both the bride and groom are graduates of Ursinus College, and Mr. Mattern will receive his Ph. D. from the University of Pennsylvania this coming year.

PROPOSALS
Sealed proposals will be received by the Board of Education of the Borough of Riverton, N. J., at the regular meeting to be held October 7, 1935, at 8 o'clock p.m. (Standard Time) for 125 tons of Anthracite Coal, No. 1, Buckwheat size, white ash, to be delivered in lots of 25 tons, as required, to be put in coal bin in the school building.
An approximate analysis of the coal, to be furnished by the bidder, is to accompany each bid.
The board reserves the right to reject any or all bids.
By order of the Board at a meeting held September 16, 1935,
WILLIAM H. BOTTGER,
District Clerk.

Business Education

POST RODGERS TO INSTALL OFFICERS

Harry R. Stack New Commander
of American Legion Post;
Metzgar Retires

Tuesday evening, October 1st, the regular monthly meeting of Post Frederick M. Rodgers No. 156, American Legion, will be held in the Post Home, Palmyra, at 8.30 o'clock.

The Burlington County Legion officers will visit the Post that evening and will install the newly-elected officers who are as follows: Commander, Harry R. Stack. Senior vice commander, Charles A. King.

Junior vice commander, J. Russell Musser.

Finance officer, Daniel Dailey. Historian, Charles H. Yost. Chaplain, George M. Durgin.

Sergeant-at-arms, William B. Vile. The ten trustees elected for the coming year are as follows: John A. Althouse, William F. Engle, Hobart Garwood, George W. Luce, Harold F. Marshall, Frank A. Matthews, W. Rex McCrosson, John L. Metzgar, Charles Seemuller and Carl H. Thomas.

Visitors from various legion posts in Burlington County are expected and Post Commander John L. Metzgar urges all post members as well as ex-service men in this community to attend this meeting. Refreshments will be served after the meeting.

The two delegates to represent Post Rodgers at the Burlington County executive meetings during 1935-1936 are Charles H. Yost and John L. Metzgar, with alternates Harry R. Stack and A. H. Lippincott in case of the delegates absence.

NEW E.R.A. OFFICE AT BROWNS MILLS

The Burlington County Emergency Relief under the direction of W. Rex McCrosson, has established a new headquarters at Browns Mills, at which point the clothing, as well as the Federal Commodity departments of both Burlington and Ocean County E.R.A. are located. Number 4 district, formerly located at Moorestown, has also been moved to the location.

This district takes care of Manchester Township (Ocean County), New Hanover, North Hanover, Pemberton, Plumstead (Ocean County), Shamong, Southampton, Woodland, Wrightstown and Springfield Townships.

This move by Mr. McCrosson was to better centralize the working of the two counties which come under his direction.

FOOTBALL

We are trying to form a foot ball eleven to represent Riverton.

Anyone not playing foot ball elsewhere but wishing to connect with a class "C" team is invited to come out and play.

Practice and first call for candidates will be held 8 p.m. Monday evening, under the arc light at the P.R.R. freight station in Riverton. Come out and help us.

J. Burns,
W. Scattergood,
Managers.

Mingin Chairman County Committee

(continued from page 1)
work for them in the general election.

Hughes Heads Democrats

While the Republicans were having their contest on the second floor of the Courthouse the Democrats were busy downstairs electing their officers also. Richard P. Hughes, Burlington postmaster, was opposed by Charles Felner, Maple Shade. Hughes was re-elected Chairman by a vote of 100 to 41. Elizabeth Cowperthwaite, Medford, was re-elected vice chairman; Mrs. Edna Perry, Hainesport, secretary; Francis Mulroney, Moorestown, treasurer. The last three had no opposition.

The executive committee is composed of James D. Magee, chairman; Walter A. VanSciver, Thomas Kane, Jr., Joseph Wolfrom, Mrs. Helen Kelly, Mrs. Nora Cameron and Mrs. Florence Wills.

"AMERICAN BOY" HELPS IN SPORTS

Pointers From Football, Track
and Basketball Stars Fill
Pages

Boys and young men of this town who wish to improve their tennis service, their basket-shooting eyes, their forward passing talent, or their crawl stroke, can enlist the aid of the nation's foremost coaches and players by subscribing to The American Boy magazine and following the sports interviews and fiction stories that appear each month.

"When I was in high school," says a famous decathlon champion, "I read a track article in The American Boy that gave me my first clear-cut idea of the western style of high jumping. At practice I laid the open magazine on the grass and studied it as I worked out. That afternoon I increased the height of my jump three inches."

That was a long time ago, but today thousands of future champions just as eagerly follow The American Boy.

"This year," states Griffith Ogden Ellis, editor, "our staff writers have gone to the two greatest football teams of the country—Minnesota and Pittsburgh—for first-hand tips on strategy, blocking, tackling, passing, and the fine points of play. They have interviewed Jack Medica, the world's fastest swimmer, and his coach, Ray Daughters. Gone to Eastern High School of Washington, D. C., Eastern Interscholastic basketball champions. In the past they have followed the Grapefruit Circuit of the major leagues in Florida, sat on the bench at the Rose Bowl, sought out the famous runners, divers, All-American ends, tackles and backfield men, to bring their story of how to play the game to the young men of America."

"In addition to our fiction, adventure, exploration, hobby counsel, and vocational help, we shall continue to encourage young men to improve their game in every line of sport." Send your subscription to The American Boy, 7430 Second Boulevard, Detroit, Michigan. Enclose

"ALICE ADAMS"

The dynamic Katharine Hepburn woos he-man Fred MacMurray in "Alice Adams," famed Booth Tarkington novel now cinematized by RKO Radio and playing at the Broadway Theatre next Tuesday and Wednesday.

"DIAMOND JIM" A PORTRAIT OF THE GAY NINETIES

Characters of the gay "nineties" the most colorful and romantic period in the history of the United States, come to life on the screen of the Walt Whitman theatre on Friday when Universal's special production, "Diamond Jim," starring Edward Arnold, opens. The story deals with the life of James Buchanan Brady, the man who made the gay nineties gay, and is in reality the portrait of an era.

The story opens with Brady's birth in 1856 and carries on to his death after a full and colorful life.

MANY STUDENTS GO TO STRAYER'S

Heavy Enrollment Taken as Indication of Return to Normal Business by Faculty

A strong indication of the strides being made toward a return to normal business conditions is found in the heavy enrollment at Strayer's Business School this fall.

In order to provide educational facilities for two hundred additional students by October 1st, it has been necessary to rent additional classrooms and increase the faculty. Attendance at Strayer's is now larger than at any time during the past five years, and approximately fifty new students are enrolling every week.

In addition to the entrance of graduates of local universities and of practically all of the high schools in Philadelphia and surrounding Pennsylvania and New Jersey counties, graduates have recently entered or have arranged to enter the Strayer school soon from high schools in Williamsport, Jersey Shore, Emporium, Nanty-Glo, Mifflinburg, Johnstown, Tyrone, eBrwick, Schuylkill Haven, Twin Rocks, Frackville, and many other places. Some students are coming from as far away as Mississippi, Texas, and South Dakota for the sole purpose of attending Strayer's Business School.

MAMMOTH EGGPLANT

An eggplant weighing seven pounds was brought from Martinsburg, Blair County, Pennsylvania, by Mr. and Mrs. L. W. Hampton, where they had been visiting for several days.

Mr. Hampton said that his sister, Mrs. A. J. Fouse, from whose farm the mammoth plant came, is going to send one weighing between eight and nine pounds to the Blair County Fair next week.
