# THE NEW ERA

Vol. 47 No. 45

RIVERTON, NEW JERSEY, THURSDAY, NOVEMBER 7, 1935

PRICE FIVE CENTS

## THIRD PAYMENTS PASSED BY BOARD

Approval Given Upon Receipt of Executed Estimates; Audit Received

A third partial payment to the following contractors was passed by the Riverton Board of Education at a meeting Monday evening upon delivery to the district clerk of the approved estimates: Rafferty-Kennedy Co., \$12,460.96; Roland McCann \$850.55; American Heating and Ventilating Co. \$1,424.25, and the Camden Iron Service Co., not to exceed \$225.

Application was made to the PWA authorities for \$66 to paint the windows in the boys' and girls' lavatories, and windows on the second and third floor stair landings. An estimate was received from Rafferty-Kennedy for \$215 for the building of a tool and equipment cabinet and lockers.

A communication was also received from the Camden Iron Service Corporation for fittings for a lumber rack. The estimate given was \$25.

A check for \$18 was received for the sale of a part of the old plumbing fixtures.

The partition in the heater room between the exhaust fan and the intake fan, supplying classroom ventilation, has been partially completed. The work will be finished within the next few days.

A motion was made to have the three pianos cleaned and tuned immediately after they have been placed in the new building.

A communication was received from William H. Welcker, of the Charles S. Rockey Company, in reference to the recent audit of the district clerk's books. The letter was received and filed.

Copies of the annual audit were given to the board members for discussion and action at the next meeting.

Karl W. Latch reported that the joint school board and town meeting committee had met to formulate plans for the dedication of the new school building and that a detailed report of their program would be made at a later date.

The following is the principal's report to the board:

### Miss Staman's Report

School opened October 7th and we have had four full weeks of school. The board of education is familiar with our preliminary plans and it should suffice to say that they have worked out well considering the unavoidable noise and confusion due to the building operations. Parents and children cooperated well on our earlier hour for opening school and there were very few cases of tardiness before the rainy days last week when children came directly into the building instead of meeting teachers on the playground. Children have stayed away from the unfinished part of the building and there have been no accidents.

### Medical Examinations

Medical examinations have been completed and the nurses have weighed and measured all the pupils. The dental examinations are still going on. Parents will be notified of defects as promptly as possible. Dental clinics started last week with two children attending.

Eight children were sent to Dr. Rogers' office, three of whom were excluded from school.

The P.T.A. is again supplying free milk to children who need it.

### Boys Learn to Cook

After we have full use of the building and regular program can be followed by the special teachers, I should like to offer eighth grade girls one period of shop work and the boys a period of cooking along the lines of camp cookery, breakfast dishes and packed lunches. We will have time and facilities for this work.

Report cards will be sent to parents after November 15th and will

## TESTIMONIAL DINNER FOR HOWARD RUSS

A testimonial dinner will be given by the First Presbyterian Church to Howard A. Russ, former freeholder of Burlington county, in the church Thursday night, to mark his long association with the church.

In more than 50 years, Russ was absent from the church on Sunday only twice.

As a pupil of the Sunday school, in 1872, before the church was built, Russ began his activities. He joined the church in 1886, and three years later was ordained as an elder. In 1892 he became superintendent of the Sunday school upon the death of O. Reed Hunt, who had succeeded A. V. Stultz, the father of Mrs. Russ.

In addition to being superintendent of the Sunday school, Russ has been a trustee of the church since 1895, treasurer of the church since 1888 and treasurer of the church since 1892 and clerk of the session since 1903. Mrs. Russ preceded her husband as treasurer of the Sunday school.

Among those who will be present at the dinner tonight are: Judge Harold B. Wells, Rev. Harry W. Haring, pastor emeritus of the Lancaster Memorial Church, and former pastor of the Delanco church; Rev. James H. Rendall, who will represent the Presbytery of Monmouth; Rev. Henry L. Bradway, of Dobbin Memorial M. E. Church, and Rev. J. Clayton Lime. F. Lester Toy, a member of the Delanco church, will be toastmaster.

## COUNTY PROBE NOW UNDER WAY

Certified Accountants Will Examine Books of Board of Freeholders

A Supreme Court investigation into the alleged use of Burlington county funds for private purposes was started at Mt. Holly, Wednesday.

It was ordered on Monday by Supreme Court Justice Joseph B. Perskie when he assigned Antioph and Glassman Company, certified public accountants, of Atlantic City, to complete an audit of the county's books.

The investigation was ordered by Justice Perskie as a result of a petition, signed by 25 property owners, being filed with him on August 8 last by Howard R. Yocum, Camden attorney. The signers are said to be members of the Good Government Committee of the Burlington County Grange.

They allege that "certain officials have apparently been using county labor, materials and trucks for their own use; that exorbitant engineering fees have been allowed without authorization; that county records have disappeared, and that there are discrepancies between the amount of materials paid for and the amount that has been delivered."

(Continued on Page 5)

go out five instead of six times during the term.

A fire drill using the rear exit only proved that we can empty the building in 2½ minutes, approximately. The small children move slowly at this time of year.

The following bills were ordered paid:

Public Service Electric and Gas Co.	12.60
10-4-10-24 gas and electricity	8
Public Service Electric and Gas Co.	2.53

## RAILROAD CHANGES "SHOPPERS TRAIN"

New Low Fares and Quick Time Make Delair Bridge Service More Popular

Smoothing away hurdles from mid-lady's shopping trips to Philadelphia seems to be an important part of the program of the Pennsylvania Railroad in its Delair bridge schedule.

The popular "shoppers' train" formerly leaving Riverton at 9:57 a.m. for Broad street station has been moved along to a still more convenient hour, 10:24—and now arrives at Broad street at 10:57. This was done because a number of women stated that they found it somewhat difficult to make this train at its previous earlier hour.

With low railroad fares right to the center of the shopping district, and smooth, comfortable train rides, unmarred by bridge tolls, parking difficulties or seating congestion, fall and winter trips to town will leave little for femininity to desire.

Coming out from Broad street, there are three good trains to choose from—4:25, 5:13 and 5:50. Or if one must make an earlier train, she can take the 2:15 or 3:50 from Market street ferry.

The 5:50 from Broad street formerly left at 5:45. It has been put back five minutes in order to give department store employees that much more time to make this train after the stores close.

The cheap one-day excursion rate to Broad street—only 58 cents from Riverton—is doing much to make the Delair bridge trains popular, while the new family tickets and other commutation rates provided make the railroad a cheaper form of travel per ride to and from Philadelphia than any other method.

That the business men of the river-front towns have not been slow to realize this is evidenced by the increasing patronage given to the Broad street early morning trains, and evening as well.

The "Delburco" Transportation Committee, composed of representatives of various Delaware river towns, has been in frequent touch with the railroad officials in a mutual effort to arrange convenient and satisfactory schedules.

## "ENTERTAINMENT" SAILS TUESDAY EVE

Skipper "Joe" Yearly to Pilot Craft Over Oceans of Irresistible Hilarity

Captain "Joe" Yearly, skipper of the Soft Ball Baseball League Banquet, has set the course of the good ship "Entertainment" over a rolling, rollicking sea of laughter and thrills.

Captain "Joe" says the "S. S. Entertainment" will weigh anchor at 8:00 o'clock next Tuesday evening at pier No. 1, Riverton Fire House, and will dock again—gosh knows when.

Skipper Yearly has out-Tugwelled Tugwell when it comes to brain trusting. He has burned out a couple of brain cells and worn out two thinking caps trying to bring the boys of the soft ball league something new, interesting and entertaining for this, the fourth annual voyage.

A. W. Kees, sponsor of the championship "Broadway" team and first (Continued on page 2)

### A CORRECTION

T. Grey Schwarz, general manager of the Continental Stage Lighting Company, desires to announce that his company was not responsible for the lighting equipment in the production of "Sunny Skies" at the Palmyra High School Friday and Saturday of last week.

## WALLACE CUTS NEW JERSEY'S POTATO CROP

New Jersey's 1936 tax-free potato allotment as announced by Secretary of Agriculture Henry A. Wallace is 14.8 per cent less than the average production from 1924 to 1933.

The New Jersey allotment under the Warren Potato Control Act has been announced by Secretary Wallace as 6,129,000 bushels. This year's production is anticipated at 9,750,000 bushels, and the 1924-1933 average is 7,199,000. The allotment is about 37 per cent less than this year's large crop.

According to the Warren Act, 95 per cent of the state's 6,129,000-bushel allotment will be apportioned among old producers, and the remaining 5 per cent will be available for new producers. All farmers who sell more than five bushels of the 1936 crop are subject to the provisions of the act. They each will be given a certain tax-exempt allotment for production, and on all potatoes sold in excess of this allotment must pay a tax of three-fourths of a cent per pound, of 45 cents per bushel.

Although only 219 votes were cast New Jersey corn-hog raisers preponderantly favored continuation of the New Deal's agricultural program in the recent election, which is considered of great importance in indicating which way the political straws are blowing. In New Jersey, 187 corn-hog farmers favored continuing the AAA policy after November 30, and 32 opposed it.

## REPUBLICANS WIN THROUGHOUT CO.

Newcomb, Chant and Lamon Win in Co.; Knight and Shrader Win in Riverton

The Republican party was again victorious in the county of Burlington at the general election held on Tuesday, thereby maintaining its reputation as a reliable Republican stronghold.

The entire county ticket was elected with Dr. Marcus W. Newcomb, second high on the ticket and winning the office of Assemblyman for the eighth successive term. John M. Chant, was elected to the office of sheriff, running a few hundred ahead of the popular Assemblyman.

Walter D. Lamon, Palmyra mayor, was elected to the only vacancy on the Board of Chosen Freeholders, and F. George Furth, of Moorestown won the office of county auditor.

George A. Whomsley and Clarence Roberts, Jr., of Burlington and Moorestown respectively, were the successful candidates for the two coroner offices in the county.

H. McIlvain Biddle, was re-elected mayor of Riverton for his first full term without opposition.

## LEGION PARADE SCORES BIG HIT

Comic Marchers Thrilled Many Who Lined Broad Street to Witness Event

The Hallowe'en parade sponsored by Post Frederick M. Rodgers, No. 156 American Legion, Palmyra, was, despite threatening weather, carried through to a successful conclusion, on October 31st.

The line of parade forming in Riverton and marching to Palmyra was well filled with Hallowe'en characters. They ranged in size from two feet in height to six feet and in costume from fancy to comic.

The comic predominated, with a generous sprinkling of Haile Selassies or Ethiopian tribesmen, a Pop-eye or two and the usual Mickey Mouse.

The musical units added spice and thrill to the whole display.

It is with profound appreciation and from the bottom of their service chevrons the boys of the Legion want to thank all who in any way helped to make the parade a success.

Following are the names of the winning contestants in their respective classes, the judges, and the merchants of Riverton and Palmyra whose contributions helped to make the event a success.

### Winning Contestants

#### Children's Section

Best Original Male—First, Bruce Reed; second, George Durgin, Jr.; third, Richard Koenig.

Best Original Female—First, Lillian Evers; second, Frances Durham; third, Joyce Powell.

Best Female Impersonator—First, Howard Parry; second, Harry Hill; third, Dick Nice.

Best Male Impersonator—First, Mary Malan; second, Roberta Garwood; third, Mabel DeLori.

Best Female Comic—First, Arthur Hoyt; second, Elsworth Stone; third, Mildred Redfield.

Best Male Comic—First, Betty Hill; second, Walter Pippitt.

Best Original Couple—First, Vernon Stone and Robert Rhoades; second, Edward Hoyt and Ida Bacon; third, Helen D'Autrechy and Theo. D'Autrechy.

Best Comic Group—First, Mary McDermott and Wm. McDermott; second, Grace Rush and Jean Rush. Best Original Group—Horace Mason and group.

#### Adult Section

Best Original Male—First, J. Patterson; second, William McDermott; third, Howard Mason.

Best Female Impersonator—First, Anna Watson; second, Emma Cole; third, Clara Bauer.

Best Male Impersonator—First, Lillian Bauer; second, M. Kunkle.

Best Female Comic—First, Mrs. Mary McDermott; second, Mrs. Rodenbaugh; third, Mrs. William Evans.

Best Male Comic—First, Harvey Fisher; second, A. Brown.

Best Original Couple—First, Howard Mason and Fred Wolf; second, B. King (group); third Mr. and Mrs. John Sih.

Best Comic Group—First, Mrs. Robert Hullings, Mrs. George D. Steedle and Mrs. William Evans; second, Joseph Miller and Janice Pippitt.

Best Original Group—First, Betty Bacon, Grace Rush and Jean Rush.

Those who were entitled to prizes and did not receive them on night of parade, call George Durgin, chairman.

### Judges

The judges for the parade were: Mrs. Charles King, Mrs. Harold Marshall, Mrs. R. Sanford, Mrs. Jack Kirk, Mrs. Lawrence Caskey, Mrs. Raymond Fichter, Mrs. William McCamey, Mrs. Theodore D'Autrechy, Mrs. Harry Stack, Mrs. Horace Rowland.

Mrs. C. Weikman, Mrs. George Luce, Mrs. Avery Willis, Mrs. A. H. Lippincott, Mrs. Harry Ward, Mrs. (continued on page 3)

## MOVIE BENEFIT FOR PHS NEWSPAPER

All School Activities Will Share in Proceeds. High School Pupils Have Tickets

The Palmyra High School newspaper is sponsoring a movie benefit for the student ticket fund, at the Broadway Theatre November 11 to November 15.

All school activities will share in the profits of this benefit, among which are: "The Tillikum," which is the school yearbook; "The Palmyrian," which is the school newspaper; both the Junior and Senior classes and the High School Athletic Council.

The management of the Broadway Theatre has made a very fine selection of pictures for this next week of November 11 to 15, including such high class pictures as: "Sir Guy Standing in 'Annapolis Farewell,'" and "Here's to Romance," with Nino Martini, Genevieve Tobin, and Mme. Schumann-Heink.

If you intend to go to the Broadway Theatre next week your purchase of a ticket will be greatly appreciated. You may obtain your ticket from any high school student or at the high school office.

The management of the theatre will admit all persons that desire to use their tickets on Armistice Day. The tickets will be good at either a matinee or any evening performance, including all performances Armistice Day.

### RIVERTON GIRL ELECTED TO COLLEGE ASSEMBLY

Miss Elizabeth Mayfield, of 611 Fourth street, Riverton, has been elected to the Assembly at New Jersey College for Women. The Assembly represents the non-resident students and each of the dormitory campuses, and has the power to initiate new rules governing student life. Miss Mayfield is a representative from Gibbons Campus.

Miss Mayfield is the daughter of Mr. and Mrs. C. P. Mayfield, and a graduate of George School in Pennsylvania. A junior, Miss Mayfield is a member of the choir, and is music editor of Campus News, the student newspaper.

### PHYLLIS WHEATLEY P.T.A. PROGRESSES

Last Friday evening the Phyllis Wheatley P.T.A. of Westfield School No. 4, Cinnaminson township, held its annual reception in the school building.

At this meeting there was evidence of the same interest and enthusiasm that prevailed among the members during the previous year. Early in the evening the parents and friends were greeted by the teachers and welcomed in the classrooms where various types of work by the pupils were on display. Later the group assembled in one of the classrooms where an interesting program was presented. Mrs. Grace Dorsey, chairman of the program committee, very graciously introduced the various participants of the program. An address, welcoming the teachers, was made by Mrs. William Stanford. A reply to this address was made by Mrs. Alice Terry, a member of the faculty. A vocal solo, "The Lonesome Road," was rendered by William Denby, accompanied by Miss Dorothy Johnson at the piano.

A vocal solo, "Danny Boy," was rendered by Miss Dorothy Johnson, accompanied by Mrs. Louis McCombs at the piano. Mrs. M. M. Cullman, representative of the Interstate Dairy Council, gave a most practical illustrated lecture on "Foods and Food Values." This talk was supplemented by questions and a discussion by the group.

Howard Taylor, president of the board of education, gave a short talk expressing his pleasure at the general atmosphere existing in the association.

At the end of the program everyone retired to the attractively decorated lunch room, where a generous repast was provided.

The next meeting will be held November 22.

Insurance against twins and even triplets is becoming more popular in England.

### WOMAN'S EXCHANGE

A Christmas sale of home-made things will be held December 4th at the Porch Club. This is for our community to put our home-made wares on the market. Come bring your food, linens, or home-made crafts for others to buy.

### "Entertainment" Sails Tuesday Eve

(continued from page 1)

mate, under Skipper Yearly, has promised six big acts of vaudeville as the theatre's contribution to the success of the affair. First mate Kees, we are sure, will give the boys a first class show which promises to be one of the high lights of the program. Kees, who has been the Santa Claus with the "home-run passes," and each season has taken an active interest in the sport, is one of its staunch supporters.

The speakers' committee has been functioning, according to the latest wireless report, and through the efforts of Chairman Dick Woodward it is expected that some very interesting speakers will hold the passengers and crew spell-bound with burst of oratory of a most interesting nature. For instance, it is said that sports writers from some of the daily newspapers will be on hand as well as several baseball luminaries, to dish up the gossip part of the program.

Some very distinguished people have booked for passage in the fourth cruise of the S. S. "Entertainment." Heading the list and occupying outside staterooms on "A" deck are the "Judge Landises" of

STEEDS, CARRY, MATIS

Memorial Park soft ball. They represent the brains of the sport. They are the power behind the throne that guided the former championship "Bankers" to victory in 1934 and NEAR-victory in 1935. The ship's photographer caught the three in the act of thinking as is pictured above.

Both music and cats are part of the ship's service and that the quality and quantity of each will be good is predicted with an assurance that amounts to absolute certainty.

The crowning event of the evening is the tribute that will be paid to the championship "Broadway" team, when after the praises have been sung, the laurels bestowed and all that sort of thing, the team is finally presented with the massive Walter K. Woolman silver loving cup, the award for the Park championship for 1935. The team played bang-up baseball and provided many hours of good, clean, wholesome entertainment to the spectators and sport to the players. The laurels are theirs, and on this voyage they got them.

Get your tickets now—the booking office speaks of a rush and with the capacity of the S. S. "Entertainment"

limited, it is better to be safe than sorry. The tax is 25c and the tickets may be bought at the Riverton Post Office or from any manager.

Bad air kills more than war.

Moorestown Motor Co.

### P.T.A. RECEPTION IS POSTPONED

The program committee of the Riverton P.T.A. has found it necessary to make a change in plans for November, as the new auditorium has not been completed. The annual reception to parents and teachers scheduled for November 18 will not be held until January 20.

A meeting will be held, however, on November 18 at 3.30 p.m. in the kindergarten room, at which time Miss Elsie Bryan, principal of Cinnaminson School, will speak. The music committee has arranged an entertainment, and tea will be served after the meeting.

The Child Study group will meet on Monday, November 25. Announcements of future meetings of this group will be made later.

### CINNAMINSON P.T.A.

The executive committee of the Cinnaminson P.T.A. met Friday afternoon in the friendly environment of the lunch room.

After listening to interesting talks about the convention, business was disposed of. The subject of a new piano for the auditorium was most interesting, and several projects were suggested to make it a reality. It is felt that it will be an assured fact before the year is out.

The plans for Father's night in December, were talked over and committees proposed.

Last week's cake sale, conducted within the association, netted over thirteen dollars, and the hospitality committee feels well satisfied.

Plans for the annual supper were made, date, November twelfth. Watch for the advertisement and further details next week. The hobby clubs will entertain in the auditorium during the evening, and will offer a worthwhile program.

Next week being National Education Week, the pupils will do their part every afternoon about two. Drop in some day. Publicity.

### SACRED HEART P.T.A.

The Sacred Heart Parent-Teacher Association will hold its monthly meeting in the school auditorium on Thursday, November 14, at 3 o'clock. The executive committee will meet at 2.30.

An instructive moving picture on safety entitled "Once Upon a Time" will be shown promptly at 3 o'clock. Publicity.

Jealousy brews hatred.

PHALANX GUESTS  
OF ROTARY CLUB

Fourteen Members Attend Dinner  
and Hear Dr. Melchior on  
Democracy

On last Thursday, October 31, the Omega Chapter, Phalanx Fraternity of Palmyra-Riverton, was the guest of the Palmyra-Riverton Rotary Club. The Fraternity had fourteen of its members present. The speaker of the evening was Dr. D. Montfort Melchior, supervisor of High School Instruction at Girard College.

Dr. Melchior's topic, "Can Democracy Survive in the U. S. A.?" was full of points which made one sit back and think. A few of them briefly: Several years ago the chief topic of conversation and discussion was Religion, later on it changed to Education, now it is the future of Democracy; we accept Democracy as we understand it; the present form of Democracy is vastly different from that of the time of Jefferson; we must make Democracy survive, unless we can find some better form of government than that of the people, by the people, and for the people.

Aristotle told of a cycle in governments; first the Monarchy, which gets too arrogant and self-satisfied; it is overthrown by the Aristocrats who, in turn, set up an "Aristocracy"; the common people decide the Aristocratic form of government is not representative enough and they overthrow it to establish a Democracy. The Democracy becomes rotten at the core and someone jumps up on a stump and shouts "No one else is running the government, so I might as well take orders from me, from now on," and we revert to a dictatorship.

Power to govern must be given by the people; the government reflects what the people want; the present form of Democracy will probably not be practical in the future.

The meeting closed with the singing of the "Rotary" song by the members.

## CONCERT, NOVEMBER 19

A concert for the benefit of the Burlington County Young Women's Christian Association will be held Tuesday evening, November 19 at 8:30 in St. Mary's Hall, on the Riverbank, Burlington, under the sponsorship of Mrs. Carlton W. Tillinghast and Miss Dorothy B. Sholl, Burlington members of the county YWCA board.

Artists will include Miss Florence Irons, of Burlington, who is a graduate of the Curtis Institute of Music and a former soprano soloist with the Philadelphia Grand Opera Company and the Philadelphia Civic Opera Company; Mrs. Elizabeth Lippincott, of Palmyra, well-known contralto singer and former soloist at the Chestnut Hill Presbyterian Church; Carlton W. Tillinghast, of Burlington, violinist, who has played with the Trenton Symphony Orchestra, and Spencer B. Atkinson, pianist, of the Pew-Atkinson School of Music in Burlington, who was recently appointed studio accompanist for Toscha Seidel, world famous violinist.

## RIVERTON

Edward Black, employed by the Henry A. Dreer firm, visited the flower show in Radio City over the weekend.

Mrs. Helen Joslin, of Lowell, Massachusetts, spent several days this week at the home of Mr. and Mrs. Walter L. Bowen.

Word has been received from the Samuel A. Plunlyns that the weather in California is fine and that they are enjoying their trip immensely.

Judge and Mrs. Frank A. Matthews, Jr., entertained at a Halloween party last Saturday evening. About thirty couples were present.

Mrs. Albert Rogers, who underwent an operation for appendicitis in the West Jersey Hospital last week, is reported to be greatly improved.

Mr. and Mrs. Joseph Allen spent the weekend in East Orange.

The many friends of Mrs. Edwin Evans will be glad to know that she is recuperating from a severe attack of laryngitis.

Mr. and Mrs. Clyde Elzey and family have moved from Thomas avenue to Pennsauken.

Mr. and Mrs. Richard M. Woodward and family have moved from Seventh street to Midway.

AUXILIARY WILL  
GIVE CARD PARTY

A card party will be given by the Cinnaminson Auxiliary of the Zorbrugg Hospital at the home of Mrs. Joseph T. Evans, on the Burlington pike, on Monday, November 25 at 2 o'clock sharp.

Mrs. Robert Woods is chairlady, assisted by Mrs. Joseph T. Evans, Mrs. George Womfor, Mrs. William Purnell and the Junior High School girls. Tea will be served. Tickets are 35c and lots of prizes will be given for the lucky winners of pin-ochle, bridge, 500 and radio.

COVERED DISH  
LUNCHEON FOR  
"Y" AUXILIARY

The first covered dish luncheon of the Auxiliary of the Palmyra and Riverton YMCA will be held Wednesday, November 13 at one o'clock in the "Y" building.

Mrs. Ralph Rivers will be the soloist, accompanied by Mrs. Clifton Cooper at the piano; reader, Mrs. William Eller.

The speaker originally planned for is not able to come but a prominent speaker will address the guests. All members and friends of the Auxiliary are cordially invited to attend.

CHURCH  
NEWSBAPTIST SUNDAY  
SCHOOL ELECTION

Annual Meeting Held Tuesday  
Evening. Van Osten Again  
Superintendent

The election of officers and annual business meeting of the Central Baptist Sunday School Association of Riverton and Palmyra was held on Tuesday evening, following a supper served by the Women's Society, in the social hall of the church. This was the 49th annual meeting.

The superintendent, Thomas C. VanOsten, presided at the meeting and there were 59 members present. The officers of the organized classes and the superintendents of the various departments presented their reports covering the year's activities.

The secretary of the Sunday School reported an enrollment of 392 scholars, with an average attendance of 280, which exceeds all former years of attendance.

The rate of attendance to enrollment was 87% for officers and teachers, 64% for scholars, making a rate of 71% for the entire school which compares favorably with previous years.

The increase in attendance for the year was 589 over last year. The total attendance for the year ending September 29th, was 14,500. Out of this total 6,704 stayed for the morning church service. The percentage was 46% of the total Sunday School attendance.

The treasurer reported total receipts of \$1,555.00 and disbursements of \$1,509.73 of which \$529.31 went to the church building fund and general expenses of the church as well as \$143.56 for benevolences.

The Baracca Class reported an average attendance of 18. Receipts \$43.93. Disbursements \$37.42.

The Philathea Class reported a membership of 81 and contributed \$235.81 to the building fund and other worthy causes. Its calling committee made 625 calls.

The Samaritan Class report showed a gain in their Sunday School attendance as well as their regular meetings.

The Junior Philathea Class reported an average attendance of 20, which was a gain over last year of five per Sunday. Receipts were \$119.74 and disbursements \$115.79.

The Junior Department reported a membership of 75 with an average attendance of 57. They also reported a very active year in church and Sunday school activities.

The Primary and Beginners Departments reported an average attendance of 53. These departments held numerous social functions during the year and showed various contributions to the church as well as outside organizations. They also purchased new carpet and repainted all of their chairs and tables in their rooms.

The Cradle Roll reported an average attendance of 18 and also helped toward purchasing the carpet and the painting of the furniture as well as contributing to outside organizations.

The Home Department reported a membership of 15.

The following officers were elected for the ensuing year: Superintendent, Thomas C. VanOsten; assistant superintendents, Karl G. Frank, William Cooper, Sr. Secretary, James M. Weart; assistants, R. Gordon Andrews, Howard Yerkes.

Treasurer, Frank N. Johnson. Chorister, Rev. George Lockett. Pianist, Miss Ruth Horner; assistants, Miss Edith Tees, Mrs. C. Comegys.

Home Department, Mrs. Cora T. Turner, Mrs. A. P. Lore. Birthday Secretary, Miss Martha Hirsch. Junior Department, superintendent, Mrs. Allan Taylor; assistants, Miss Dorothy Randolph; secretary, Mrs. Eleanor McCord; assistant, John Mays; pianist, Miss Irma C. Barto.

Primary Department, superintendent, Mrs. C. Y. Barto; assistants,

CALVARY PRESBYTERIAN  
CHURCH

Rev. C. T. Bates, B.D., Pastor  
Services of worship, Sunday, November 10, 1935: Church school 9:45; Morning worship, 11 a.m.; Junior Christian Endeavor Society, 4 p.m.; Senior Christian Endeavor Society, 7 p.m. Murray Kirkpatrick will be the leader at the meeting of the Senior Christian Endeavor Society. His subject will be "Christian Friendships." All young people are invited to this meeting, and all persons of the community who are not affiliated with other churches in the community are most cordially invited to enter into the worship and fellowship of Calvary Church.

EPWORTH M. E. CHURCH  
Rev. William A. Boyd, Pastor  
"Israel—Go Forward" is the title of the sermon to be delivered by the minister, Rev. William A. Boyd, at the eleven o'clock service next Sunday morning. The senior choir and the Dulciana choir will both sing in this service.

A patriotic service will be held in the evening at 7:45. "World Peace" will be the title of the sermon. The R.O.S. of A., the P.O. of A., the American Legion and the Boy Scouts will attend this service. The "Ten o'clock Ritual" will be given by the Legion.

The mid-week service is held Wednesday evenings under the direction of the minister. This week the discussion will be on "The Call of the First Disciples." Who were they? Why did Jesus call such men? Why did He call any man to help Him in His great work? This meeting will not be embarrassing to anyone. It is for prayer, praise and discussion.

Come to "The Church of the Young and Good Music."

## CHRISTIAN SCIENCE CHURCH

"Adam and Fallen Man" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 10.

The Golden Text is: "Lord, who shall abide in thy tabernacle? who shall dwell in thy holy hill? He that walketh uprightly, and worketh righteousness, and speaketh the truth in his heart" (Psalms 15:1, 2).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works" (II Timothy 3:16, 17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christian Science separates error from truth, and breathes through the sacred pages the spiritual sense of life, substance, and intelligence. In this Science, we discover man in the image and likeness of God. We see that man has never lost his spiritual estate and his eternal harmony" (p. 548).

## EPWORTH S. S. NOTES

Attendance at Epworth school was 403.

The worship service was lead by Superintendent Albert McKay. Arlean Brown, of the primary department, rendered a solo.

The primary and junior departments are busy working on their Christmas projects, gifts for the children of the Sunday schools at Farnes, North Carolina.

New scholars have been enrolled in the cradle roll class also in the primary department and two new teachers added to the teaching force.

Miss Esther Yerkes, Mrs. Evelyn H. Weart; secretary and treasurer, Miss Catherine Johnson; assistant secretary, Miss Marion Rapp. Beginners Department, superintendent, Miss Lillian Furman; assistant, Miss Betty Bailey.

Cradle Roll, superintendent, Miss Adeline A. Seal; assistants, Mrs. Ruth Reeves, Miss Virginia Seal.

BIBLE CONFERENCE  
AT THE PALMYRA  
MORAVIAN CHURCH

Bible conferences will be conducted November 12, 13 and 14, at 8 o'clock in the evening by Dr. Max Wertheimer, of Ada, Ohio, who will speak each evening as follows:

Nov. 12, "The Miracle of Regeneration."  
Nov. 13, "A First Century Message to the 20th Century Church."  
Nov. 14, "From Rabbinism to Christ."

Dr. Wertheimer is the first American ordained Jewish Rabbi to accept the Lord Jesus Christ. His life story reminds one strongly of the New Testament account of the conversion of Saul of Tarsus on the Damascus road. He has become one of the outstanding Bible lecturers of our day. His ministry in the churches of the land has helped thousands to better understand the Book of Books. He is constantly in demand for Bible conferences and special services. You will enjoy these lectures and Bible studies. The public is cordially invited.

Next Sunday Holy Communion will be celebrated at the church service. The pastor's message, "Christ Preeminent in His Church."

## OBITUARIES

## MISS LAURA HALL

Miss Laura Hall, of Parry avenue, Palmyra, died in the Burlington County Hospital, Mt. Holly, October 25, after a short illness. Interment was made in the Methodist Cemetery, Palmyra, October 28th.

## WOMAN'S CLUB

The garden department of the Woman's Club of Palmyra, will meet at the home of Miss Helen Wolcott, 601 Elm Terrace, at 2 o'clock, Tuesday, November 12th.

The topic will be "Attracting Winter Birds to Our Gardens."

## SWIFT-HARDING

Mr. and Mrs. William Stevens Harding announce the marriage of their daughter, Miss Mary Grubb Harding and Mr. Horace Frederick Swift, of Philadelphia, on Saturday, November second in Christ Church, Riverton.

Have you seen the "tricky" Christmas cards The New Era is selling. Prices are reasonable, too. Drop in and see them any time at your convenience, but don't leave it until too late as the choice of selection will be greatly lessened.

The Union Stock Yards of Chicago occupying its present site since 1865 is the largest live stock market in the world.

Republicans Win  
Throughout Co.

(continued from page 1)

The councilmanic contest resulted in Republican victories. Robert W. Knight was re-elected for a full term and Earl A. Shrader, a newcomer in council affairs and former school board member, was elected for the full term. J. Wilson Sylvester was elected to fill a one-year unexpired term in council.

Frank Probsting was elected justice of peace in the Borough of Riverton.

In Palmyra John Ward, Republican, defeated Howard Powell, Democrat, for the office of mayor. Curtis Flynn and Wesley Huyett, Republicans, were the successful candidates for Palmyra borough council. Edwin Griscom was re-elected borough collector for Palmyra by a big majority.

The Cinnaminson voters re-elected Maurice Conrow to township committee for the full term over William F. Kinnard, who ran against Conrow for the nomination in the primary election. Kenward was defeated by a narrow margin and resumed the fight in the general election, running on a sticker. Tony Bonatelli and Cecil A. Bowers were elected justices of the peace.

The table of official election returns for Riverton, Palmyra and Cinnaminson will be found on page 3 in this issue.

County Probe  
Now Under Way

(continued from page 1)

When the petition was filed last August Justice Perskie issued a writ to show cause why the audit should not be made and it was made returnable on September 4. When the writ became returnable the county was represented by its solicitor, Lester A. Drunk. Justice Perskie signed the writ but delayed assigning auditors so that the audit would not begin until after election day.

HALLOWEEN PARTIES  
AT WESTFIELD FRIENDS'

On Thursday, October 31, two parties were held at Westfield Friends' School. One, given to the younger members, was in honor of the fifth birthday of Sonny Entwistle. Joan Entwistle was hostess to the party for the older students. There were many unique costumes and the entire morning was spent in the guessing of the characters, a grand march and singing. Luncheon was later served amid the din of the noise-makers and merry-making. A birthday cake was the feature of the little folks party. Lessons were resumed in the afternoon.

LITTLE WOLF vs.  
DONOVAN TONITE

Navajo Indian Chief and Boston Irishman to Grapple in Camden Ring

Chief Little Wolf, the Navajo Indian, will bring his Indian Death-lock and Whopping Roundhouse Flying Mare with him to the Camden Armory, Haddon avenue and Mickle street, Thursday night. The Redskin will make his first mat appearance across the river when he takes on the spectacular Irish Jack Donovan, of Boston, in the feature two out of three fall, ninety-minute time limit engagement.

A rare treat is due the fans when Wolf, who pinned such stalwarts as Jim Browning, Jumping Joe Savoldi, Dick Shikat and numerous others, will pit his invention, the Indian Deathlock, against Donovan, who has copied that hold himself. It would be indeed surprising to see the youngster, Donovan, entrap the inventor in his own method of winning his mat tussles.

The forty-five minute semi-fianl will be a natural between Cliff Olsen, the popular Swedish Flying Slam expert, and Matroo Kirilenko, one time Russian Conak.

The two thirty-minute numbers will present popular Hank Barber, of Boston, and Dr. Len Hall, of Seattle, and Al Mercier of Montreal, and Dick Raines, Texas badman.

## RULE TO BAR CREDITORS

TERRARIUMS MADE  
AT PORCH CLUB

Philip Moore Gave Interesting  
Illustrated Lecture on  
Home-made Gardens

Philip Moore, of Germantown, gave an interesting talk on the construction of dish gardens and terrariums at the Riverton Porch Club, Tuesday, November 5th.

To successfully grow a dish garden composed of cacti and other suitable plants, they should be kept dry, rather than too moist. To keep plants in a hot, dry apartment house place them in a pan of moist sand or pebbles over a radiator where they will get some sun, and the moisture absorbed through the bottom and thrown off through evaporation will be sufficient to keep them watered.

There were about 50 members watching the demonstration of terrarium construction and many made their own at the club, as plants of different kinds were for sale and moss and a mixture of compost and sand were generously given.

Terrariums are planted in covered jars or covered fish aquariums and should be watered with about three tablespoons of water once a month and kept in a cool, shady window, preferably northern exposure.

Those who were unable to attend the meeting could certainly obtain interesting pointers from those who were fortunate enough to be present. Terrariums are easy to make and are a bright spot in the house during the winter months.

Publicity.  
DINNER PARTY  
Mrs. Montgomery Bishop, of Moorestown, entertained Mrs. Louise Smith Adams, Mrs. James Hartley and Mrs. William Duhaudway, all of Palmyra, at dinner Saturday, in honor of Mrs. Adam's 74th birthday.

## YMCA BRIEFS

"Get together twenty men on a  
debatable question and you have  
twenty solutions to reconcile." Ad-  
ministrative members of other or-  
ganizations will have a sympathetic  
understanding of this plaintive com-  
ment of a YMCA Board member  
after a protracted meeting of the  
directors on Monday evening; de-  
bating the arrangements for their  
annual financial campaign.

Commenting on the keen interest  
exhibited by the board in endeavor-  
ing to find a way to dramatize the  
intangible values of character build-  
ing, E. Newbold Cooper, vice presi-  
dent of the organization said, "The  
great difficulty we face is the fact  
that while physical and material  
needs are easily appraised and in-  
stitutions operating in these fields  
can stir the imaginations of their  
patrons with 'raw material' right at  
hand, not so many can vision the  
true value of the YMCA work in  
meeting mental, moral and spiritual  
needs."

Nathan Lane, formerly president  
of the board and now an active di-  
rector, pointing out how widespread  
public interest had been in more  
proper days said "The generosity  
of the public in past years as com-  
pared with the limitations we have  
faced in the last few years, shows  
clearly we must find a way to visu-  
alize the thousands of character-buil-  
ding contacts Wilton Mount makes  
each year among the young people."

Sheriff George N. Wimer, the  
oldest member of the board in point  
of service, gave some convincing il-  
lustrations of the pitfalls for young  
men which he has observed in the  
course of his term as sheriff, and  
pointed out where the YMCA has  
minimized the influences in those  
directions. C. F. Dengler, superin-  
tendent of Palmyra schools, con-  
curred in this point of view.

The plan for the campaign under  
the direction of the finance commit-  
tee headed by J. L. Metzgar, pas-  
t-commissioner of the local American  
Legion Post, has been announced  
by C. P. Mayfield, president of the  
board. There will be a special gift  
appeal to past patrons and a more  
widespread appeal to the public at  
large by mail and by personal soli-  
citation.

Membership of the finance com-  
mittee includes J. L. Metzgar, chair-  
man, Victor Ritschard, Francis B.  
Elwell, Grover Fox, Ross Mattis,  
Evan Stover, Richard Woodward,  
Howard Conover and A. E. Har-  
gett.

Fellows of Senior High School  
age interested in the Princeton state-  
wide YMCA educational trip, Sat-  
urday, November 16, should get de-  
tailed information and instructions  
from the County YMCA headquar-  
ters, Mount Holly. Special mass  
meetings begin at 12 o'clock. At  
one thirty the visitors will go to  
Palmer stadium to see the Prince-  
ton-Lehigh football game.

Erdman Harris, Professor of Re-  
ligious Education at Union Theo-  
logical Seminary, New York City,  
and editor of the book, "Twenty-  
One" is to be the guest speaker at  
this year's State Older Boys' Con-  
ference, which will be held in New  
Brunswick, December 6, 7, 8.

Burlington county has twenty-nine  
credentials for the conference and is  
now distributing these to older boys  
between the ages of fifteen and  
twenty who express their interest  
in attending a conference of 500 old-  
er Christian boys. Most of the dele-  
gates will be members of YMCA  
groups but it is not limited to YM-  
CA members. Any older boy in  
Sunday School class or church group  
who is desirous of attending this  
conference should get in touch with  
the County YMCA before Novem-  
ber 12th.

The high school boys' club coun-  
cil of YMCA groups will meet at  
Mt. Holly, Monday, November 11,  
at eight o'clock. This meeting,  
which will be held in the YMCA  
Club Room, is for the purpose of  
planning the county-wide activities  
for high school groups during the  
coming season. Wilton Mount, of  
the Palmyra-Riverton YMCA, is the  
secretarial adviser for the Burlington  
county area in the State H-Y set-up.

Corn imported into the United  
States in 1934 amounted to 2,959,  
256 bushels.

## NOTICE OF SALE OF LAND FOR UNPAID TAXES

NOTICE is hereby given that I, Joseph  
E. Keating, Collector of the Township of  
Cinnaminson, in the County of Burlington,  
New Jersey, pursuant to the authority of  
the statutes in such case made and pro-  
vided, will on Saturday, November 23rd, 1935, at  
one o'clock in the afternoon of said day at  
the  
**OFFICE OF THE TOWNSHIP COL-  
LECTOR ON THE NORTH SIDE OF  
BROAD ST. WEST OF POMPER-  
TON COUNTY, NEW JERSEY,**  
in said taxing district, sell the several lots  
and parcels of land hereinafter described to  
make the amounts severally chargeable a-  
gainst the same, as hereinafter set forth.  
Said lots and parcels of land will be sold  
for the amounts chargeable thereon on the  
first day of July, 1935, together with interest  
from said date to date of sale, with cost  
thereof, to such person or persons as will  
purchase the same for the lowest rate of  
interest on redemption, but such rate shall  
not be more than 8 per cent. per annum.  
This sale is made under the provisions  
of an act of Legislature entitled "An act  
concerning unpaid taxes, assessments and  
other municipal charges on real property,  
on" (Revision of 1918) being R. S. 19:27,  
p. 283, as supplemented and amended.  
The lots and parcels of land to be sold  
and the names of the owners thereof against  
whom the said taxes and liens have been  
assessed and the amounts of the same in-  
cluding interest to July 1st, 1935, are as  
follows:

## BASKET-BALL

A meeting of the executive committee of the Interboro Basketball League of Palmyra and Riverton was held at the home of A. Harold Zayotti, on Morgan avenue, Thursday evening, October 31st. The same officers who guided the League so successfully last season were re-elected to begin the work this season.

The primary object for the formation of the league last year was to afford our local young men who were anxious to play basketball, the opportunity, and to give their friends a chance of witnessing the sport. This is in line with the purpose of the soft basketball league that has been so popular at the Riverton playgrounds the past four years. With but one exception the same set of officials are the guiding hands in each affair.

In the baseball diversion there is no concern about financial matters, the fields, with layouts with the compliments of the Borough of Riverton to the people of Riverton, Palmyra and Cinnaminson township. Basketball presents the problem of securing a suitable indoor floor, and as it is a winter evening sport there must be light and heat provided. The most suitable floor for playing and providing comfortable accommodations for the spectators is the Palmyra High School gymnasium. The school board has been very generous in permitting the use of the building for a nominal sum to cover the cost of light, heat and janitor services. Another expense that was found necessary after a few nights of experimenting, was that of an out-of-town referee. This, of course, required the expenditure of several dollars more. With a few additional items such as printing and supplies, it was necessary to make an admission charge to the spectators, which amounted to not over 35 cents per game.

The cost of outfitting the teams with some sort of uniform was borne by the sponsors for whom the teams were named. In a few cases this amounted close to fifty dollars and was donated by the interested local merchants and organizations. The Tak-A-Boost shop furnished printed schedules. After the close of the season the entrance or guarantee fees were returned to each team and there was a small balance remaining in the treasury.

There has been considerable interest shown (for so early) relative to the coming season. Therefore, any of last year's teams and any other local group that would like to consider the continuation of the league, are requested to write to Lawton Steele, care of Riverton post office, or Mr. Zayotti, 821 Morgan avenue, Palmyra. Later notice of a meeting will be given.

### APPRECIATION

The family of Mrs. Anna M. Stroblein desires to express their appreciation to those who extended sympathy and assistance during her last illness, and to those who sent cars and flowers to the funeral. These evidences of the high esteem in which their mother was held is a great consolation to them in their bereavement.

## CHRYSANTHEMUMS SHOWN AT PORCH CLUB MONDAY

In spite of the continued rains which spoiled many of the finest blooms, the hardy chrysanthemum show at the Riverton Porch Club on Monday was a great success. There was an astonishing number of exhibits in the classes and their average of excellence was high; while the "arrangements" were so beautiful and so varied that the judges had their work cut out for them.

Dreer's exhibit in the center of the room showed more than thirty varieties of hardy chrysanthemums suitable for the average garden, and was of much interest to those whom the show inspired with the desire to try some of these loveliest of our fall flowers.

A successful show like this can only be attained by the co-operation of a community, and means hard work and plenty of it. Mrs. Joseph Beck Tyler and her committee are to be congratulated upon the fine results.

The prize winners are as follows: Sweepstakes, Mrs. Benjamin S. Mechling, 12 points; Mrs. C. S. Somervell, 11 points. Mrs. Mechling also had the largest number of entries.

In class 1, singles, Mrs. Mechling took first prize; second, Mrs. C. S. Somervell; honorable mention, Mrs. Mechling and Mrs. Somervell. In class 2, doubles, Mrs. Walter K. Wollman, first; Mrs. Benjamin S. Mechling, second; honorable mention, Mrs. Mechling.

Class 3: buttons: first prize, Mrs. C. S. Somervell; second, Mrs. Benjamin S. Mechling.

### Arrangement

Vases, section (a), first, Mrs. J. Douglas Clark; second, Mrs. John Grove; third, Mrs. James S. Coale. Section (b), with foliage and berries, first, Mrs. Jacob D. Eisele; second, Mrs. Murray C. Boyer.

Centerpiece, section (a), first, Mrs. C. S. Somervell; second, Mrs. H. McI. Biddle. Section (b), with foliage and berries, first, Mrs. Percy A. Ransome; second, Mrs. Murray C. Boyer.

Basket: first, Mrs. Stuart B. Clark; second, Mrs. Charles Allen.

Original arrangement: first, Mrs. Joseph Beck Tyler; second, Miss Helen Troxell.

### THANK YOU

I desire to express my thanks to my fellow citizens who voted for me for the office of mayor of the Borough of Riverton, and to assure them of my untiring and faithful efforts in the discharge of the duties of that office.

H. McIlvain Biddle.

### CARD OF THANKS

I am very grateful to my friends and the Republican party for their kind support at the recent election. I will do my best to deserve that support, and by my conduct in the office, to reflect credit on the Republican party.

Robert W. Knight.

### APPRECIATION

I want to express my appreciation to the voters of Riverton who supported me in the General Election.

Lucy E. Kenny.

## LUNCHEON FOR RETIRING REGENT

A testimonial luncheon will be given Mrs. Mary W. Kobus, retiring regent of the Camden Regional Parochial P.T.A., at Kenney's Restaurant, 531 Market street, Camden, on November 20, at 2 o'clock.

This luncheon is given in appreciation of the untiring service and inspirational leadership of Mrs. Kobus.

All members of Parochial P.T.A.'s are invited to attend. The cost of the luncheon will be \$1.00 per plate. All reservations must be made on or before November 14, to Mrs. William Rowan, 312 Thomas avenue, Riverton.

## NEWARK AUTO SHOW NOV. 9-16

With an Autumnal display of automotive products featuring the event for the first time in the history of automobile shows in Newark, the city's twenty-ninth annual exhibition of motorcars will open Saturday night at 7 o'clock. Every inch of the commodious floor of the 113th Infantry Regiment Armory floor, where the automobile exhibition will continue daily (except Sunday) until Saturday night, November 16, has been utilized cleverly to provide an attractive showing of the latest models of America's motorcars. The exposition will be the most complete and impressive that ever has been seen in Newark.

No sauce like appetite.

## ADAMS TO REFUND THE COUNTY DEBT

Heisler Opposed to Part of the Refinancing Plan: Word Battle Ensues

Palmer L. Adams, director of the Burlington County Board of Freeholders, was authorized by that body to proceed with plans to refund the county debt with the \$3,120,000 allocated to New Jersey for that purpose.

The resolution was preceded by a stormy word battle between Director Adams and Freeholder Heisler. When the plan of C. C. Collings & Co. was read to the board by the clerk, Heisler objected on the grounds that common courtesy at least demanded that the plan should have been given over with him before the meeting.

The C. C. Collings plan for refunding the debt calls for issuing new bonds at 2 1/2 per cent interest for two to six years, callable in whole or in part in 1938. The C. C. Collings Company claims that the possible saving to the county will amount to from \$8,000 to \$10,000.

Freeholder Heisler said that some of the plans offered by the C. C. Collings Company were good but that there were others he was opposed to.

Heisler claimed that in some cases there would be no saving in interest and that the county would be tied up with two or more year bonds of money from delinquent taxes should become available with which to pay them off.

Director Adams accused Heisler with not knowing what it is all about. Heisler said, "I appreciate that you know more than anyone else under the sun and that you are infallible."

Adams retorted with, "If I did not know any more about the county finances than you do, after all these years, I'd resign."

Heisler's parting shot was, "This is all done for publicity purposes to make a good showing for yourself when you run for election next year."

Freeholder Jones asked that the resolution be put to a vote, which was done, with Adams, Jones and Cook voting in the affirmative and Stout and Heisler voting in the negative.

Freeholder Jones offered a resolution authorizing the board to sign a waiver with the Hartford Insurance Company that an investigation of a damaged chimney at the Burlington County Hospital for the Insane might be made. The chimney was struck by lightning in July of 1933 and no report was made to the Insurance Company.

A letter from the mayor of Fieldsboro was read asking permission to lay a sewer on Fourth street for a distance of one quarter of a mile under a W.P.A. project. Permission was granted by the board.

Permission was granted to the Mt. Holly Armory to discontinue their own sewer main and hook up to the county sewer.

A letter was read from the state auditor stating that his department was making an audit of the sheriff's books up to November 15th, the expiration of the incumbent's term. The application of Cinnaminson Township to have the county take over 1.3 miles of Church road and a mile of Highland avenue within their township, was turned over to Freeholder Jones for action.

The Association of Township Committeemen will be asked to take a slightly smaller share of the dirt road funds next year in order that appropriations due Beverly and Bordentown, omitted by accident, might be paid back to them for 1935. The following department bills were ordered paid: Public buildings, \$8,472.05; highway and engineering, \$14,703.09; bridges, \$1,865.98; affairs, \$21,114.23 and revenue and finance, \$8,769.48.

# THE NEW ERA

Vol. 47 No. 46

RIVERTON, NEW JERSEY, THURSDAY, NOVEMBER 14, 1935

PRICE FIVE CENTS

## WPA TO FIX RURAL ROADS

Will Build 934 Miles of Gravel Roads in Burlington County: Cost \$328,500

Every township committee in New Jersey has been informed by H. E. Taylor, secretary of the New Jersey Farm Bureau, and David H. Agans, master of the state grange, that it is possible to improve 10,000 miles of dirt and clay farm-to-market roads in the state with the \$3,120,000 allocated to New Jersey for that purpose.

Estimates of the Farm Bureau and State Grange of the unimproved road mileage in South Jersey counties and the allocations of federal funds follow:

Camden, 584 miles, \$566,884; Burlington, 943 miles, \$328,500; Atlantic, 722 miles, \$456,093; Cape May, 161 miles, \$180,000; Gloucester, 562 miles, \$237,500; Ocean, 785 miles, \$262,500; Salem, 336 miles, \$117,500.

## BARNARD OUT OF STATE RELIEF

Sends Resignation to Governor Hoffman; Sees "Great Difficulties" Ahead

Chester I. Barnard, on November 13, sent to Governor Harold G. Hoffman of New Jersey, his resignation as a member of the State Relief Council. Mr. Barnard, who is president of the New Jersey Bell Telephone Company, issued the following statement:

"I have sent to Governor Hoffman today my resignation as a member of the State Relief Council. This terminates every connection I have with the Relief Administration. It has been evident to me for some time that it would be impossible for me to continue very much longer in this work. Since the work was started in the fall of 1931, I have devoted to it two full working years of eight-hour days while carrying on my other duties. I feel that from every point of view I have done all that I can undertake. I would try to continue for a few months longer if I were not convinced that it is not possible for me to contribute anything more that is useful. The relief work now enters on an entirely new phase involving many great difficulties. I regret very deeply that I cannot stay thru with it to the end.

"My relations with the members of the Relief Council and with the Governor are entirely cordial and there is no disagreement among them in any sense require the action that I am taking. Since my interest in this matter has always been that of the proper treatment of those who need public assistance, I have always been disposed to go away beyond the technical responsibilities of the prerogatives of the Relief Administrator or of the Relief Council, especially in endeavoring to assure the funds for carrying on the work. This has exposed me to much criticism though less than I have always anticipated. I think the public has been more than generous toward me in this respect. Should I continue with the Relief Administration, I would have to continue to operate from that point of view and take the consequences. I would not feel it right to work in this way if it involved others associated with me in embarrassments which they might not feel it incumbent upon them to accept as being part of the job which they had undertaken to do. Their position seems to me to be entirely reasonable and proper."

Each of the speakers had an interesting message for the assembled fans. "Blackie" told of some of the old times when he lived in Riverton in 1899; how he and "Chappie" Keating, together with "Jack" Kerrigan, would break windows along Main street with baseballs and "get the devil" for it, but if "Sonny" Wright did anything wrong, old Mr. Blackie would buy him ice cream and candy.

"Bing" Miller had the boys in stitches when he told how even as late as this year he tried to steal home for a run when three men ahead of him had been called out. "Lud" Wray told how the spirit of competition was the stuff that made champions and kept them going. He pointed to "Bing" Miller, a man of forty, who still had spirit enough to try to steal home with three men out, as a splendid example of the perfect athlete.

Carl Thomas told the boys how Palmyra planned to have a soft ball league next year and expressed the hope that the best team in Palmyra might have the pleasure of playing the best team in Riverton. He said, "Boys! that would be a game worth watching."

Charles Schwartz and his Riverside Novelty Band, furnished the music. The battery of accordions, fiddles and sax was thoroughly enjoyed.

(continued on column 5)

## BOARD WITHHOLDS ITS ACCEPTANCE

Contractors Must Finish Up Odds and Ends Before O.K. Is Given

The Riverton board of education met Monday afternoon for the purpose of making the final inspection of the new school project, and to accept it from the contractors.

Final acceptance, however, was delayed, due to the number of small odds and ends that yet remained undone. The incomplete items were small and are of the type that are found at the completion of every building project.

Byron H. Edwards, architect for the board, secured the promise of each contractor that his work would be completed to the satisfaction of the board by the end of the week, at which time the board will again make an inspection of the building.

Minor infractions in the rules and regulations of the P.W.A., as pointed out by the resident engineer, were discussed with the contractors and their promise secured to attempt an immediate adjustment of the points in dispute.

Bids will be received for equipment, furniture, etc., at 8:00 o'clock Monday night.

## ANNUAL FROLIC OF SOFT BALL LEAGUE

"Lena" Blackburne, "Bing" Miller, Lud Wray, Carl Thomas Among Speakers

The fourth annual frolic of the Memorial Park Playground Baseball League held in the Riverton fire house Tuesday night was the biggest success yet, according to the regular patrons of the sport.

"Lena" Blackburne, general chairman of the frolic, acted as toastmaster and introduced feature after feature that brought succeeding rounds of applause.

The high spots in the speakers line-up were, Russell "Lena" Blackburne, coach of the Philadelphia Athletics; "Bing" Miller, former Athletic star, now of the Boston Red Sox; "Lud" Wray, former coach of the University of Pennsylvania football team and now coaching the Philadelphia "Eagles" professional team; and Carl Thomas, of Palmyra, former line coach at the University of Pennsylvania.

Playing Favorites

Each of the speakers had an interesting message for the assembled fans. "Blackie" told of some of the old times when he lived in Riverton in 1899; how he and "Chappie" Keating, together with "Jack" Kerrigan, would break windows along Main street with baseballs and "get the devil" for it, but if "Sonny" Wright did anything wrong, old Mr. Blackie would buy him ice cream and candy.

"Bing" Miller had the boys in stitches when he told how even as late as this year he tried to steal home for a run when three men ahead of him had been called out. "Lud" Wray told how the spirit of competition was the stuff that made champions and kept them going. He pointed to "Bing" Miller, a man of forty, who still had spirit enough to try to steal home with three men out, as a splendid example of the perfect athlete.

Carl Thomas told the boys how Palmyra planned to have a soft ball league next year and expressed the hope that the best team in Palmyra might have the pleasure of playing the best team in Riverton. He said, "Boys! that would be a game worth watching."

Charles Schwartz and his Riverside Novelty Band, furnished the music. The battery of accordions, fiddles and sax was thoroughly enjoyed.

## MORE WPA WORK IN BURLINGTON CO.

Palmyra and Edgewater Park Among Places Selected for Federal Aid

New Jersey State Works Progress Administrator William H. J. Ely, has announced the release of 59 more projects, calling for an expenditure of \$1,681,552.71, of which \$1,528,921 are Federal funds and \$152,631.71 contributed by sponsors. The projects will provide employment for 3005 persons.

Burlington county projects are as follows:

Palmyra — Recreation program, athletic, Federal funds, \$3,092; sponsor's contribution \$3,569.27. (20 workers.)

Columbus—Reconstruction various streets. Federal funds, \$4,049; sponsor's contribution \$100. (17 workers.)

Edgewater Park—Reconstruction with gravel, various streets. Federal funds, \$11,994; sponsor's contribution \$150. (52 workers.)

## NEW STORE BLDG. ABOUT COMPLETED

Fine Improvement Replaces Old "McCombs" Property on Main Street

The appearance and value of Riverton's business section have been enhanced by the addition of two new stores at 526 and 528 Main street. The one at 528 Main street was occupied last Thursday by the A. & P. store which moved from the Robert's building across the street. The adjoining store will be occupied next week by Chew's Bakery, known for many years in Riverton for fine baked goods and homemade ice cream.

The building is of fireproof construction on the first floor, and the apartment over the bakery shop is of frame.

The steel girders in the grocery store side have been built strong enough to support apartments overhead if desired in the future. The apartment contains a living room, sun porch, dining room, kitchen, two bedrooms and a bathroom.

Each store has its own independent hot water heating plant.

The store at 526 Main street measures 16 and one-half feet by 68 and one-half feet, and the store at 528 Main street measures thirty feet by sixty-eight and one-half feet.

The cement sidewalk area in front of both stores has been left unfinished near the curb in anticipation of the proposed widening of Main street.

The final occupancy of the building next week brings to a conclusion (continued on page 4)

## BOOK EXHIBIT DAY TUESDAY

Profit on Sales Will Benefit the Riverton Free Library Association

Don't forget the Book Exhibit to be held in the Riverton Porch Club Tuesday, December 10, from 10 a.m. to 5:30 p.m.

Mrs. Anne W. Pennel and Mrs. Esther Duke, of Moylan, Pa., who for several years have held these Book Exhibit days in the individual schools in this vicinity, have agreed to hold one in the Riverton Porch Club for the benefit of the Riverton Free Library.

All the books that will be shown have been read and examined before being placed on the salable list.

There will be someone at the Porch Club to aid in the selection of books for children of various ages. These books will make fine Christmas presents and the purchase at this time will aid the Riverton Library.

Everyone in town is cordially invited to see these books whether they are potential buyers or not. Publicity.

## SHERIFF TAKES OATH OF OFFICE

County Auditor and Two Coroners Also Sworn in Tuesday Afternoon

Burlington county's new sheriff, county auditor, and two coroners, all Republicans elected November 5, took oaths of office Tuesday afternoon before Judge Frank A. Hendrickson and County Clerk Lawrence G. Mingin.

The new sheriff, John M. Chant, of Riverside, and the new county auditor, Police Recorder F. George Farth, of Moorestown, were sworn in by Judge Hendrickson.

County Clerk Mingin administered the oaths to Clarence S. Roberts, Jr., of Moorestown, and George A. Whomsey, of Burlington, the new coroners.

Mayor Walter D. Lamon, of Palmyra, Republican freeholder-elect, will not take office until the first of next year, when the Burlington County Board of Freeholders reorganizes.

Assemblyman Marcus W. Newcomb, who was re-elected to a ninth term, will begin his new tenure when the Legislature reorganizes at Trenton next January. He is slated to be the next speaker of the House.

Dr. Newcomb's total of 20,248 was 6578 over his primary vote of 13,670. Daniel Lichtenhalt, of Riverside, the Democratic nominee for the assembly, polled 5668 votes more, November 5, than at the primary.

Lamon's 19,740 votes at the general election were 8478 higher than his primary total, when he was opposed by the Republican freeholder nomination by Le Roy Church, of Bordentown, and Christopher N. Peditto.

Appointments

Sheriff Chant appointed as deputies, Raymond Johnson, former Riverside postmaster, and V. Roland Warrick, of Mt. Holly. Their salary is \$2200 less ten percent.

The appointees as wardens are Atwood Wright, of Mt. Holly, re-appointed; Clarence Horner, of Masonville, and Mark Atkinson, of Burlington. The pay of wardens is \$1350 less ten percent.

Sheriff Chant said he increased the wardens from two to three, so there would be eight-hour instead of 12-hour shifts.

"Prior to my induction yesterday, there were two wardens on

## FATHER AND SON BANQUET NOV. 19

Dr. Saunders Will Be Speaker at Baptist Church Next Tuesday Evening

Dr. W. E. Saunders, headmaster at Peddie School and speaker of wide reputation, will be the chief attraction at the father and son banquet to be held under the auspices of the YMCA on Tuesday, November 19th at 6.30 p.m., in the Palmyra Baptist Church. This was announced by Grover Fox, chairman of the committee.

The father and son banquet has become an annual event in the community to which many who do not formally have contact with the YMCA look forward. "There has been built up over the years a sentimental feeling about the attendance with one's son which I think is a very fine thing," said Mr. Fox in speaking of the plans for next Tuesday. "I think, too, that too much credit can not be given J. Elmer Hahn and Victor Ritschard and others who have been responsible in the past for the success of these dinners and the creation of this feeling."

The YMCA Ladies' Auxiliary, under the direction of Mrs. Charles Yost, is arranging a turkey dinner which would be hard to duplicate, and music has been provided which will lend gaiety to the occasion. The program itself will be brief and to the point, under the guidance of the president of the YMCA, C. P. Mayfield, as toastmaster. No appeal for contributions in connection with the forthcoming annual finance campaign will be made according to J. L. Metzgar, chairman of the finance committee.

The YMCA is financed entirely by individual contributions. Some twenty busy men contribute freely of their time throughout the year as members of its board and assume cheerfully the onerous burden of its financial campaign. Their names are seldom used in this connection. The officers are: C. P. Mayfield, president, E. N. Cooper, vice president, C. H. Yost, secretary, and H. B. Conover, treasurer.

Board members who will be active in the forthcoming drive for funds include: R. G. Adams, C. F. Denzler, Rev. W. A. Boyd, Nathan Lane, Raymond Warner, J. L. Metzgar, Victor Ritschard, F. B. Elwell, Grover Fox, Ross Mattis, Evan Stover, R. M. Woodward, A. E. Hargett, Robinet Cole, George N. Wimer, J. J. Siddall, and Dr. Harry Landis.

The appeal to the public will be made on the basis of the intangible but priceless value of character building which is accomplished largely through the influence of a staff of competent and trained leaders, supervised by Wilton E. Mount, local executive secretary.

### MISS BRYAN P.T.A. SPEAKER AT DELANCO

Miss Eloise Bryan, of Beverly, principal of the Westfield school in Cinnaminson was the guest speaker at a meeting of the Delanco Parent-Teacher Association held Tuesday afternoon in the auditorium of the Walnut Street School. Her subject was "Fitting the School to the Needs of Children."

### APPRECIATION

I wish to thank all my friends for the fine vote I received on November 5th.

I shall continue to work for the interest of the people of Burlington County and the State of New Jersey.

Marcus W. Newcomb, M.D.

### CARD OF THANKS

I want to thank the voters of Burlington County for their splendid support which resulted in my election to the Board of Chosen Freeholders. I shall endeavor to merit their confidence in me.

Walter D. Lamon.

### RETURN FROM WEST

Mr. and Mrs. Arthur Hunt, of Morgan avenue, have returned home after spending several weeks in Denver, Colorado, and Western Missouri. While in Kansas City on Sunday, November 3, they had the pleasure of hearing the Rev. Dr. George Bennard, author and composer of "The Old Rugged Cross."

## NEEDLEWORK GUILD COLLECTS 2200 GARMENTS

At the annual meeting of the Riverton Branch of the Needlework Guild held last week at the home of Mrs. Robert Biddle, 2200 new garments were collected for distribution among local relief agencies. This total represented the collections of 46 directors, and will be apportioned among 12 agencies in Burlington and Camden counties. In each case, the distribution is made on the basis of the specific needs of each institution, a large proportion being assigned to our own local relief work. In addition to garments, a donation of \$50 was voted for the purchase of shoes to meet local relief needs.

The Zurburg Memorial Hospital, Riverside, has been added to the list of agencies receiving contributions from the local branch. Twenty-six members attended the Guild's annual meeting and tea, among them Mrs. Harvey Mitchell, of Philadelphia, formerly of Riverton and a charter member of the Riverton organization.

## LEWIS IN CHORUS OF "THE SORCERER"

J. Reece Lewis, son of Mr. and Mrs. Clement B. Lewis, of 301 Park avenue, Riverton, who is a sophomore in Oberlin College, is a member of the chorus of the Gilbert and Sullivan operetta "The Sorcerer" which will be presented under the direction of J. Stanton McLaughlin, by the Oberlin College Dramatic Association the fifteenth and sixteenth of November in Finney Chapel in Oberlin.

The members of the cast and chorus were chosen on the basis of tryouts from the students of the College and Conservatory. Mr. Lewis is a member of the bass section of the chorus.

## PATENTS GRANTED

The following patents have been granted to Rivertonians and residents of other nearby towns.

William H. Furness, Riverton, earned a patent protecting four new features involved in the construction of a gang drill. He has assigned his invention to the American Rayon Co., Inc., Riverton.

William E. Newman, Moorestown, inventor of an indicating and control device for radio set, was granted a patent covering eight new features incorporated in the construction and operation of his device. He has assigned his patent rights to the Radio Corporation of America.

Richard E. Adams, Moorestown, was issued a patent protecting seven claims of new and patentable features incorporated in the construction of a new type of container. A patent covering three new developments on a packing liner earned a patent for Richard E. Adams, of Moorestown.

## D.A.R. ARMISTICE DAY PROGRAM

A program for Armistice Day was a feature of the monthly meeting of the Annis Stocton Chapter, Daughters of the American Revolution, held November 11 at the Chapter House, Burlington.

Books are being collected by the Chapter for the Seamen's Institute Library, and friends as well as members are asked to donate school books, novels or any educational magazines.

The chapter recently entertained fifteen members from the Haddonfield Chapter and visitors from California and Ohio were shown through the chapter house.

On November 18 at 4.15 p.m. over radio station WCAM, Camden, Mrs. R. Selby Williams, of Riverton, will broadcast the history of Annis Stocton, the Revolutionary heroine. The next meeting of the chapter will be held December 9 at the Chapter House in Burlington.

## EPWORTH LEAGUE

Miss Thelma Fisher will be the leader at the Epworth League services this Sunday evening in the Methodist Church. Although Miss Fisher has not announced her topic it is sure to be one of interest.

Won't you come out and join in our fellowship and gain something to carry you through your week's work?

## PORCH CLUB

Mrs. Leonora Owsley Herman will give readings from her enjoyable book "Rather Personal" at the Porch Club on November 19th at 2.30 p.m. Mrs. Herman is a member of N. L. American Pen Women, member of the Poetry Society of America and the Poetry Society of England.

She has lived in foreign countries and studied painting in the Paris academies with Simon, Messard and the younger Julien. Her early training for the musical profession must have influenced these singing stanzas and she brings to her work the gaiety, tolerance and simplicity of the cosmopolitan.

## NOTICE

The Mock San Chinese Laundry, Howard street, Riverton, has discontinued business permanently. There are a number of unclaimed articles which are now in the shoe shop of Charles Turner located in front of the laundry. Please call for these things immediately. It is requested that the owners bring their identification slips with them.

A free lunch attracts more men than a church festival.

## GETTYSBURG COLLEGE LEAGUE CONVENTION

The 24th annual convention of the Woman's League of Gettysburg College was held in the "Y" building on the campus of Gettysburg College, Gettysburg, Pa., on Thursday and Friday, November 7th and 8th.

An objective of \$10,000 to be raised within the next two years for the remodeling of the women's buildings, particularly Stevens Hall, which will be used by the Women's Division for a co-ed dormitory, was voted upon and passed as a goal for the celebration of the twenty-fifth anniversary of the Woman's League of Gettysburg College.

Those attending from the New Jersey Chapter were: Mrs. H. L. Creager, statistical secretary of the General League; Mrs. W. J. Schopp, president of local chapter; Mrs. A. E. Arncliffe, treasurer; Mrs. Walter Pike, historian; Mrs. Roy Yund, Mrs. C. D. Clarke, Mrs. John Moffitt, Mrs. Hilton M. Smith, and Mrs. James Davidson.

## BOY ARRESTED FOR PRANKS WITH AUTO

Foster Karpen, 16 years old, was arrested Friday by Officer John W. Carhart, upon the complaint of some small boys playing at Memorial Park.

Karpen, who lives with his aunt, Mrs. W. Stuart Webster, at Fourth and Penn streets, Riverton, was charged by the boys with chasing them all over the football field with his car and breaking up their football game by driving his car among them.

The car, one of the rolling junk yard type, without broken windshield, top, mirror, and the doors of which were held on with wire, was the instrument for annoying the boys at play.

Karpen plowed big ruts all over the ball field by cutting sharp corners and indulging in other automobile acrobatics.

At a hearing before recorder Bowers on Friday night, sentence was suspended on the reckless driving charge, but he was fined \$25 for malicious mischief, had his New York driver's license revoked and his car confiscated and sold to help pay the fine.

**F. A. IRWIN TO ADDRESS B & P WOMEN'S CLUB**

The November meeting of the Burlington County Business and Professional Women's Club will be held at Newlin's Restaurant in Moorestown on Tuesday, November 19, at 6.30 p.m. An usual it will be preceded by an executive meeting at the same place at 5.30 p.m.

This meeting is being planned by the educational chairman, Miss H. Eloise Bryan. The speaker of the evening will be Forrest A. Irwin, vice president of the Trenton State Teachers College. His topic of discussion will be "Modern Philosophy of Education."

## ATTORNEY KILLE MARRIED IN BALTIMORE

Herbert S. Kille, prominent Burlington county lawyer, and Miss Mary Allen, his secretary, eloped Saturday and were married in Baltimore.

Mr. and Mrs. Kille are now on a wedding trip and upon their return will reside in Mt. Holly.

Kille, is a former partner of the late Jonathan A. Kelsey, former Burlington county prosecutor. He was married twice previously. His second wife the former Miss Alice Howell, died two years ago. His first wife also is dead.

Mrs. Kille is the daughter of Mrs. Blanche Allen, of High street, and the late George P. Allen, former sheriff of Burlington county.

## WPA SPEEDS UP WORK PROJECTS

Burlington County Receives Federal Aid on More Public Improvements

Authorization to start work on 78 new projects was given last Saturday by State Works Progress Administrator, William H. J. Ely.

They involve an expenditure of \$2,169,185.33, of which \$1,885,195 are Federal funds and \$283,990.33 contributed by sponsors. The number of persons to be employed on the 78 projects is 5,378.

The total number of New Jersey projects released to the field to date by WPA headquarters is 1,159, providing employment for approximately 60,000 workers.

The projects in Burlington county are as follows:

New Hanover Township—Resurface Cranberry Hill Road. Federal funds, \$19,942. (33 workers).

Mount Holly—Repairs to Armory sewer connection. Federal funds, \$470; sponsor's contribution \$130. (8 workers).

Burlington—Laying pipes for sewer. Federal funds, \$2,311; sponsor's contribution \$681. (20 workers).

Paint Army. Federal funds, \$258; sponsor's contribution \$130. (5 workers).

Bordentown—Laying water main and construction curbing and paving. Federal funds, \$4,621; sponsor's contribution \$2,363.25. (12 workers).

Improvements of park. Federal funds, \$3,417. (14 workers).

**BOY ARRESTED FOR PRANKS WITH AUTO**

Foster Karpen, 16 years old, was arrested Friday by Officer John W. Carhart, upon the complaint of some small boys playing at Memorial Park.

Karpen, who lives with his aunt, Mrs. W. Stuart Webster, at Fourth and Penn streets, Riverton, was charged by the boys with chasing them all over the football field with his car and breaking up their football game by driving his car among them.

## THE NEW GAS STATION

Near our school on the Burlington Pike they are building a new gas station. Because we are making a house and a garage we wanted to see how they constructed their building. We have already gone three times to see how they get along with their work.

We saw them put framework down for the cement foundation. We saw how they were going to sink the tanks and make the side walls of building. There were many other things we would like to tell about but it would take too much space in the newspaper.

**Our Hallowe'en Party**

We were all excited when Joan and Sonny Entwistle gave out invitations for a Hallowe'en party to be held at school on October 31.

Everyone came to school in costume. The party began in the assembly room where we guessed each other, one person at a time. We had to disguise our voices when we made our guesses. After we finished guessing we had a parade and sang Hallowe'en songs. Then we went to our rooms and removed our costumes. Before we settled down to work we were invited to see the First Grade and Kindergarten at their party table. Then we had classes.

At noon time we went to the lunchroom which was decorated with witches, dancing cats and goblins. Each one of us found his place at the table. There were noise-makers and favors for everyone. We had a good lunch and lots of fun. Our noise-makers made good instruments for a rhythm band.

Mrs. Entwistle stayed with us all day and after lunch we gave her three cheers to show her our appreciation.

This finished the party. Fourth Grade.

The Kieckhefer Plant

Mr. Kieckhefer was kind enough to tell Maylow that he would be glad to have the fifth and sixth classes come to his plant, so one morning Mr. Jessup took us there in the bus.

It was a privilege to meet Mr. Kieckhefer himself. He introduced us to Mr. Wells who proved a very good guide. Everywhere the workers greeted us with smiles. We saw things that were of interest and linked up with our various studies.

Before we left Mr. Kieckhefer was kind enough to give each of us a carton and samples of cardboard showing the various steps in the making of cardboard boxes. These samples will be used in our scrap books.

The trip was very worth while

**Westfield Friends' School**

We have always been conscious of the fact that our parents are vitally interested in our daily school activities, but the attitude has been emphasized this term by the almost 100% attendance at our smaller group meetings held October 28, 29 and 30.

The purpose of these meetings was to discuss the whole set-up for the year's work. By sharing plans the home and school are able to cooperate more fully for the good of the child.

Many questions of worth were brought forth and the spontaneity of the discussions evidenced the enthusiasm of those present.

**Our Trip to Collins**

We wanted to make a garage, we wanted nails, we wanted lumber, we wanted wallboard, we went to Collins.

We looked at the nails, we looked at the lumber, we looked at the window frames, we looked at garage doors and the elevator, Mr. Yerkes was kind to show us the First Grade and Kindergarten.

**Our Trips**

One afternoon we went to Collins. We were planning to build a house. We wanted to see different kinds and sizes of wood. We wanted to see different sizes of nails, too. We brought back samples of shingles, wood and wallboard. We saw books of sample houses.

Mr. Yerkes took us through the warehouse and explained things to us. We liked Mr. Yerkes very much.

**The New Gas Station**

Near our school on the Burlington Pike they are building a new gas station. Because we are making a house and a garage we wanted to see how they constructed their building. We have already gone three times to see how they get along with their work.

We saw them put framework down for the cement foundation. We saw how they were going to sink the tanks and make the side walls of building. There were many other things we would like to tell about but it would take too much space in the newspaper.

Many questions of worth were brought forth and the spontaneity of the discussions evidenced the enthusiasm of those present.

**Our Trip to Collins**

We wanted to make a garage, we wanted nails, we wanted lumber, we wanted wallboard, we went to Collins.

We looked at the nails, we looked at the lumber, we looked at the window frames, we looked at garage doors and the elevator, Mr. Yerkes was kind to show us the First Grade and Kindergarten.

**Our Trips**

One afternoon we went to Collins. We were planning to build a house. We wanted to see different kinds and sizes of wood. We wanted to see different sizes of nails, too. We brought back samples of shingles, wood and wallboard. We saw books of sample houses.

Mr. Yerkes took us through the warehouse and explained things to us. We liked Mr. Yerkes very much.

**The New Gas Station**

Near our school on the Burlington Pike they are building a new gas station. Because we are making a house and a garage we wanted to see how they constructed their building. We have already gone three times to see how they get along with their work.

We saw them put framework down for the cement foundation. We saw how they were going to sink the tanks and make the side walls of building. There were many other things we would like to tell about but it would take too much space in the newspaper.

**Our Hallowe'en Party**

We were all excited when Joan and Sonny Entwistle gave out invitations for a Hallowe'en party to be held at school on October 31.

Everyone came to school in costume. The party began in the assembly room where we guessed each other, one person at a time. We had to disguise our voices when we made our guesses. After we finished guessing we had a parade and sang Hallowe'en songs. Then we went to our rooms and removed our costumes. Before we settled down to work we were invited to see the First Grade and Kindergarten at their party table. Then we had classes.

At noon time we went to the lunchroom which was decorated with witches, dancing cats and goblins. Each one of us found his place at the table. There were noise-makers and favors for everyone. We had a good lunch and lots of fun. Our noise-makers made good instruments for a rhythm band.

Mrs. Entwistle stayed with us all day and after lunch we gave her three cheers to show her our appreciation.

This finished the party. Fourth Grade.

**Westfield Friends' School**

We have always been conscious of the fact that our parents are vitally interested in our daily school activities, but the attitude has been emphasized this term by the almost 100% attendance at our smaller group meetings held October 28, 29 and 30.

The purpose of these meetings was to discuss the whole set-up for the year's work. By sharing plans the home and school are able to cooperate more fully for the good of the child.

Many questions of worth were brought forth and the spontaneity of the discussions evidenced the enthusiasm of those present.

**Our Trip to Collins**

We wanted to make a garage, we wanted nails, we wanted lumber, we wanted wallboard, we went to Collins.

We looked at the nails, we looked at the lumber, we looked at the window frames, we looked at garage doors and the elevator, Mr. Yerkes was kind to show us the First Grade and Kindergarten.

**Our Trips**

One afternoon we went to Collins. We were planning to build a house. We wanted to see different kinds and sizes of wood. We wanted to see different sizes of nails, too. We brought back samples of shingles, wood and wallboard. We saw books of sample houses.

Mr. Yerkes took us through the warehouse and explained things to us. We liked Mr. Yerkes very much.

**The New Gas Station**

Near our school on the Burlington Pike they are building a new gas station. Because we are making a house and a garage we wanted to see how they constructed their building. We have already gone three times to see how they get along with their work.

We saw them put framework down for the cement foundation. We saw how they were going to sink the tanks and make the side walls of building. There were many other things we would like to tell about but it would take too much space in the newspaper.

**Our Hallowe'en Party**

## RIVERTON

The P.O. of A. district meeting was held in New Egypt last Friday. Among the national officers present were: national president, Mrs. Edith Kapp; secretary, Mrs. A. M. Bowker; assistant secretary, Mrs. Elizabeth Hemingway; district president, Mrs. Evelyn Roach.

The monthly meeting of the Woman's State Republican Committee will be held in Log Cabin Lodge, Medford Lakes, Monday, November 18. Luncheon for \$1.00 will be served at 1 o'clock. Reservations may be made with Mrs. Alma Evans or Mrs. Pearl Bridgman. All Republican women of Burlington county are cordially invited to attend.

Thursday evening, November 21, the Burlington County Women's Republican Club will meet in the Court House, Mt. Holly. The Honorable William J. Ellis, Department of Institutions and Agencies and Francis P. Gerry, director of the Division of Administration and Accounts, will be the speakers of the evening.

Mr. and Mrs. W. E. Ridgeway have moved to 711 Main street, Riverton, from Elm avenue.

Miss Dell Teeple, who is a student at the School of Industrial Arts, Trenton, spent the weekend with her parents, Mr. and Mrs. C. D. Teeple, of Main street.

Mr. and Mrs. W. L. Caskey spent Sunday with his mother, Mrs. Eleanor Caskey, of Philadelphia.

Mr. and Mrs. Arthur Johansen and daughter of Scotch Plains, spent the weekend at the home of Mr. and Mrs. Harvey E. Stewart.

Friday evening, November 15, will be the date of the official visit of the Worthy District Deputy Jennie M. Reeves, of the O. E. S. at the Mt. Holly Chapter, in the Masonic Hall.

Charles DeGrau, of Yokohama, Japan, formerly of Riverton, has signed a five-year contract with the RCA to continue work in Japan.

The Auxiliary of the Odd Fellows will hold a covered dish luncheon at the home of Mrs. Alex Murphy, 405 Elm avenue, next Wednesday.

A turkey supper will be given by the O. E. S. Saturday evening in the P.O.S. of A. Hall.

The Tuesday Sewing Circle was entertained at the home of Mrs. J. J. Schwegler, of Woodbury.

Mr. and Mrs. Harold E. Davis, of East Stroudsburg, Pa., spent the weekend at the home of Mr. and Mrs. S. L. W. Field.

Miss Betty Sloan and Miss Natalie Evans attended the Big Green Brooklyn football game Sunday at Brooklyn.

Mrs. Alma Evans and Miss Naomi spent Sunday in Atlantic City as the guests of Miss Esther Reeves.

## CHURCH NEWS

## CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, B.D., Pastor

Sunday, November 17th: Church School, 9:45 a.m.; Morning worship, 11 a.m.; Junior Christian Endeavor Society, 4 p.m.; Senior Christian Endeavor Society, 7 p.m. The leader of the Senior Christian Endeavor Society will be Rev. J. H. Patrick; his theme: "The Church." All young people are cordially invited.

The regular business meeting of the Golden Hour Circle will be held on Wednesday afternoon, November 20th, at 2:30 o'clock.

To all who are tired and need rest; to all who mourn and need comfort; to all who are friendless and need friendship; to all who are homeless and need sheltering love; to all who pray and to all who do not pray; to all who sin and need a Saviour; and to whomsoever will, Calvary Church opens wide its doors, and in the name of Jesus, the Christ, says: "Welcome."

## EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

"Proving God" will be treated by the Rev. William A. Boyd, minister of the church, this Sunday morning at eleven o'clock. Music during this service will be provided by the senior and intermediate choirs. Mrs. Rachel Lord will be at the console. "Blind Alleys" is the subject of the evening sermon. This is to be known at young people's night. The following persons will participate in the service, Denise Johnson, Thelma Fisher, Mildred Mickle, Cecil Guest, Edward Fisher, Florence Stephens, Betty Hester, Dorothy Saltners, Lydia Mervine, Dorothy Goodwin and others.

"The Ministry of Healing" will be the subject of study in the mid-week church service this coming Wednesday evening at eight o'clock. This meeting is one of prayer, praise and discussion. The community is invited.

Sunday, November 24, the whole church will bring a thank offering to the morning and evening services.

CHRISTIAN SCIENCE CHURCH  
"Mortals and Immortals" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 17.

The Golden Text is: "We that are in this tabernacle do groan, being burdened; not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of life" (II Corinthians 5:4).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Spirit itself beareth witness with our spirit, that we are the children of God: And if children, then heirs of God, and joint heirs with Christ; if so be that we suffer with him, that we may also be glorified together" (Romans 8:16, 17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind. He has been forever in the eternal Mind, God; but infinite Mind can never be in man, but is reflected by man. The spiritual man's consciousness and individuality are reflections of God. They are the emanations of Him who is Life, Truth, and Love" (p. 336).

## WALTER-BARR

Miss Mary Margaret Barr, daughter of Mr. and Mrs. William P. Barr, of Riverton road, Riverton, will become the bride of F. Xavier Walter, son of Mrs. A. Walter, of Lippincott avenue, Riverside, in a very pretty wedding to be solemnized Wednesday, November 20, at the Church of Our Lady of Good Counsel, Moorestown.

Miss Anne E. Barr, sister of the bride, will be maid of honor, and the bridesmaids will be Miss Jane Blake and Miss Florence M. Gallagher, both of Collingswood.

Theodore Walter, of Riverside, will be his brother's best man and the ushers will be James L. Barr, the bride's brother and A. Reulens Heintze, of Delaware Gardens.

A reception will be held at the home of the bride's parents, immediately following the ceremony. The happy young couple will make their home in Palmyra.

## BAPTISTS VISIT CHURCH AT WRIGHTSVILLE

A number of the members of the Central Baptist Church accompanied by the choir attended the services at the Wrightsville M. E. Church, Sunday afternoon. The Rev. George Lockett, pastor of the Baptist Church, was the guest speaker at this annual affair.

If Cyclamens are kept in too warm a room the stems of the blossoms lose their firmness and the flowers droop. Keep the soil about the roots quite damp.

## WPA TO 'WRITE UP' OLD N. J. HISTORY

Staff of 200 Writers, Aided by Volunteers Will Search State for Missing Links

William H. J. Ely, New Jersey Works Progress Administration thinks all American should be interested in New Jersey.

A staff, which will be increased gradually to 200 writers, is starting to glean all fundamental facts about New Jersey—historic, racial, botanical, geological and commercial—for presentation in the American Guide. They will operate from Newark, Jersey City, Trenton, Camden and other major cities of the state.

Beside the regular staff workers, the Guide will be aided by many volunteer workers in every state. Individuals and committees of organizations, interested in the historic, scientific or commercial features of their communities—many already engaged in collecting data—will advise the writers and aid them in preparing accurate descriptions. Such assistance will be especially valuable in describing battle fields, such as that of Monmouth, and historic buildings and churches, such as Tenth Church with its blood-stained pews and curious grave-yard epitaphs.

## RIVERTON MAN CUT BY GLASS

Glass Shattered By Bullet Sprays G. E. Bauer; Slightly Cut

G. E. Bauer, of Riverton, was cut by broken glass when someone fired a bullet through a window of a Pennsylvania-Reading Seashore Line train at Delair Saturday afternoon. The train, a Trenton local, was passing Derouse avenue, when the sniper fired. Bauer, who was sitting near the window, was treated by a local physician.

Pennsauken township police joined railroad police in a search for the sniper. It is believed that boys playing nearby may have fired the shot.

## NOTICE

The Riverton police department has repeatedly given fair warning that it will not tolerate golf playing at Memorial Park.

Persons found driving a golf ball on the Park property will become liable to drastic police action.

Several citizens enjoying the park have narrowly escaped injury from golf balls driven around the park. The destruction of park property, too, must cease.

The person or persons caught damaging park property will be severely dealt with.

William G. Gootee, Chief of Police.

## Annual Frolic of Soft Ball League

(continued from page 1)

joyed and added much to the success of the evening.

## "Connie Mack" Speaks

Fred Conway, the Grand Old Man of Baseball in Riverton, spoke briefly to the boys and received a wild burst of applause for the keen interest he has taken in the sport in Riverton.

Mayor Biddle spoke for a short while and brought out an interesting coincidence. While on a trip in New England he stopped at a magazine stand and bought a copy of "Sports Life" and upon opening the magazine found a reproduction of a photograph that he had been hanging in his bedroom all of his life: a picture of one of the first good baseball teams in the United States, the Riverton team. The only living member left whose picture was in the group is Charles Flanagan, still living in Riverton.

## Cup Presented

Following his talk, Mayor Biddle presented the Walter K. Woolman silver loving cup to Anderson, captain of the Broadway Theatre baseball team, champions for 1935.

Anderson's acceptance speech contained the challenge to try and take it away from the Broadways.

A. W. Kees, sponsor of the Broadway Theatre team, spoke briefly and assured all of the sports fans that it has been his aim to make the theatre a part of the community life and as a final gesture of appreciation he presented each of the individual players on the Broadway Theatre squad with a season pass to the theatre, with the request that they use them and enjoy them as much as they like.

Wilton E. Mount, popular YMCA director in Riverton and Palmyra, one of the three men who introduced the sport in this community, paid tribute to Fred Conway and otherwise praised the spirit shown by all who boosted the sport in these communities.

## That "Loaded Bat"

## TIPS ON GROWING

BY ONE WHO GREW UP IN  
THE BUSINESS

Leo Wingshot says "The Gardenia is lovely; the rose is lovelier and so to my mind is the Ch. santhemum." Leo likely is referring to the "fool-ball" Mum but at any rate Harry R. O'Brien author of that most interesting article in the November "Country Gentleman," "For Autumn Gardens" agrees with him on the hardy chrysanthemums. In this story Mr. O'Brien (who is also the "Dirt Gardener" for "Better Homes and Gardens") has some wonderfully fine things to say about our neighbors, Mr. E. H. Michel of the "Riverview" greenhouse, along with Messrs. Smith, Mulford and Cummings on the great work these four clever hybridizers have been doing in the last twenty years in that "miracle in the garden world" the advancing of the blooming date and increasing the hardiness of outdoor chrysanthemums. A few years back it seemed a waste of garden space to devote it to chrysanthemums as their flowering period came so late that before the flowers were in full blooming stride they were being caught by frost, and in many places they were not truly hardy. As Mr. O'Brien writes, we mourned "If only they might come earlier, last longer, take less care and be more hardy." Well, the miracle is that our present day mums do these very things. And besides have given us flowers of better hue, size and form. Mr. O'Brien says of our townsmen: "He is the quick, brusque executive type who wants results and in a hurry. Yet he is the most artistic of all four—for he loves the angles best." "It is safe to say" said E. H. M. to Mr. O'Brien "that in twenty years the chrysanthemum hybridizers have advanced the blooming date of hardy outdoor mums twenty days. For a majority of gardeners, this brings them bloom before frost." As the "Dirt Gardener" exclaims: "Twenty years for twenty days—twenty long years of patient work by four men, just to give us twenty more days of bloom in the fall garden!" Well, as Andy says "That's sumpin'!"

The plantsmen's 1935 catalogues will offer wonderful collections of new chrysanthemums, due to the untiring labor of these four Horsemen of the plant hybridizing world (I'd like to see 'Gene on a horse' but Heaven pity it), that will spread colorful beauty throughout the nation's gardens at a time when there is a dearth of other flowers.

"National Nurseryman" says that a WPA project to cut down more than 300 old shade trees in Media was halted following protests before Borough Council. More than 50 residents lead the protests. The condemned trees are to be rechecked and only those considered dangerous will be felled.

Evergreens go through the winter better if throughout the fall they are kept moist. In mulching underneath young evergreens, peat moss, leaves or any such cover is all right to use. In their natural state the falling needles supply the needed mulch.

A visitor to Rio de Janeiro writes that at a wedding in that city the entire church is decorated with white flowers. Furthermore all friends who attend the wedding are expected to send white flowers to the church. In one decoration in Rio in honor of an Argentine officer 10,000 Orchids were used.

## JUNIOR WOMAN'S CLUB OF PALMYRA

A business and social meeting of the Junior Woman's Club of Palmyra will be held Monday evening, November 18, in the club rooms, Society Hall, Palmyra. Mrs. J. A. Williams, of Pitman, district advisor, will be the guest speaker and Mrs. Sherman L. Warren, first district vice president, will also say a few words.

Following the talks entertainment will be provided.

The courteous gambler acquires wealth by his winning ways.

## NOTICE OF SALE OF LAND FOR UNPAID TAXES

NOTICE is hereby given that I, Joseph E. Keating, Collector of the Town of Cinnaminson, in the County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, November 23rd, 1935, at one o'clock in the afternoon of said day at the

OFFICE OF THE TOWNSHIP COLLECTOR ON THE NORTH SIDE OF BROAD ST. WEST OF POMPERA AVE. EAST RIVERTON BURLINGTON COUNTY, NEW JERSEY, in said taxing district, sell the several lots and parcels of land hereinafter described to make the amounts severally chargeable against the same, as hereinafter set forth. Said lots and parcels of land will be sold for the amounts chargeable thereon on the first day of July, 1935, together with interest from said date to date of sale, with cost thereon, to such person or persons as will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 8 per cent. per annum. This sale is made under the provisions of an act of Legislature entitled "An act concerning the creation and enforcement of liens on real estate for unpaid taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens on real estate," as supplemented and amended, P. L. (Revision of 1918) being P. L. 1918, P. 2, as amended, and the names of the owners thereof against whom the said taxes and liens have been assessed and the amounts of the same in full interest to July 1st, 1935, are as follows:

## GEORGE-KAMPER IN CAMDEN RING

German Champion to take On  
Ed Don in One Fall, One  
Hour Bout Tonight

A quartet of our foremost bone twisters, one a former champion of the world; one a championship claimant; another a titleholder in his native land and the last a youngster of championship calibre, will be seen in action in a double windup at the Camden Armory, Haddon Avenue and Mickle Street, Thursday night. Each bout is routed over the one fall, one hour time limit voyage.

Ed Don George, one time boss of greenwood, who is eager to recoup his lost laurels, will be seen in action in the nightcap event when he takes on Hans Kamper, German champion. Kamper has defeated: Sammy Stein, Paul Boesch, Ernie Dusek, Rudy Dusek, Gino Garibaldi, Pat O'Shocker, Henri DeGlance, Count Zarynoff and Ed Strangler Lewis.

The first of them jumping Joe Savolli, conquerer of Jim Lendos, but unsuccessful in gaining universal recognition as the peer of all matmen, and Hank Barber, the youthful flying tackle and leaping headlock specialist. This bout will bring together two of the foremost tacklers in the wrestling profession.

Al Mercier of Springfield, Mass., who uses the flying drop-kick; Jackass kick and leaping rope kick, will return to the shed again by taking on the rugged Sid Westrich of Brooklyn. This will be a slated half hour engagement as will be the opening duel between Dr. Fred Meyers, of Chicago, and the youthful Bobby Bruns, one time all around star of Northwestern University.

## NEW "MOVIE" GAME AT BROADWAY

At the end of the first show starting this Monday evening and every Monday evening thereafter, the Broadway Theatre will introduce the new fascinating game of "Movie," the lucky game to its patrons, ten cable prizes on display in the lobby of the theatre.

On entering the theatre, each adult will receive a "Movie" card and a skewer, to punch a hole alongside of the numbers in each block corresponding to the numbers as they are called from the stage.

There are twelve different ways of winning, five rows up and down, five rows from left to right and two ways from corner to corner. The minute you complete a row in any direction, call out "Movie!" You're a winner.

Dad as well as mother has a chance playing "Movie" and remember the game will be played until all ten prizes are awarded.

This popular game is scheduled for every Monday night and every one who enjoys the game of "radio-lotto" or bridge will get a thrill, whether a winner or not.

On the screen is presented "The Dark Angel" with a magnificent cast, starring Merle Oberon-Fredric March and Herbert Marshall directed by the man who created "Smilin' Thru" and the "Barretts of Wimpole Street."

## BURLINGTON CO. MERCHANTS PLAN BIG MEETING

The Burlington County Chapter of the New Jersey League of Retail Merchants will hold its annual meeting and election of officers on Tuesday, November 19, at 8 o'clock in the municipal hall, Mt. Holly.

This meeting will mark the close of a most active year of the County Chapter in problems of vital interest not only to merchants, but to the taxpayers and residents. The League of Retail Merchants was one of the state-wide organizations that was most active and influential in bringing about the repeal of the obnoxious state sales tax law. Another important problem that was advanced by the league and carried through with some degree of success was the opposition to bulk buying by the New Jersey Emergency Relief. The Burlington County Unit aims to increase its membership by a di-

## MOVIE BENEFIT FOR PHALANX

Organization Seeks to Find Employment for Young Men and Women of Vicinity

Monday, December 9, starts a week of motion picture performances for the benefit of Omega Chapter of Phalanx Fraternity, of Palmyra, Riverton and Cinnaminson, at the Broadway Theatre. The benefit will run from Monday, December 9, to Friday, December 13, inclusive. Tickets may be procured from any member of the Fraternity or by calling W. Maynard Bowen, Riverton 712 or 344, or the YMCA office, 904-W. There will also be several of the fellows calling from house to house for the convenience of the patrons of the Broadway Theatre.

Following is a list of the pictures that will be at the theatre that week: Monday and Tuesday, Lawrence Tibbett in "Metropolitan"; Wednesday and Thursday, "Shipmates," with Ruby Keeler and Dick Powell, and Friday's performance is "The Last Outpost," starring Cary Grant and Gertrude Michael.

The proceeds of this benefit will be used to carry on the work of the Palmyra-Riverton Youth Council, which includes an effort to secure employment for young men and women.

## NICKNAMES OF PRESIDENTS

Not all of our Presidents had nicknames. Here are some of them: Washington—Father of His Country. Jefferson—Red Fox. Madison—Father of the Constitution. J. Q. Adams—Old Man Eloquent. Jackson—Old Hickory. W. H. Harrison—Tippecanoe. Polk—Young Hickory. Taylor—Old Rough and Ready. Pierce—Handsome Frank. Buchanan—Old Public Functionary. Lincoln—Honest Abe. Johnson—Tennessee Tailor. Grant—Hero of Appomattox. Hayes—The Hero of '77. Garfield—Canal Boy. Cleveland—Tell the Truth. Benjamin Harrison—Grandpa. Grandson. T. R. Roosevelt—Rough Rider. Wilson—Professor. Coolidge—Silent Cal. Hoover—Engineer.

It's prudent to suspect the man who suspects you.

rect chnvas of every merchant. In the new arrangements will be made to hold monthly dinner meetings that will attract members and aid in keeping the organization alive and active.

AT FOX, RIVERSIDE

"IT'S TRUE! that Frances Langford's career took its first forward swing five years ago when, after a throat illness, she discovered that her soprano voice had changed to contralto," says artist Wiley Padan. "It was this 'new' voice that brought her success on the air and earned her the title of 'contralto crooner.' The petite, raven-haired singer of the 'Broadway Melody of 1936' made her professional debut on Rudy Vallee's radio hour."

Playing at Fox, Riverside, this Friday and Saturday, November 15 and 16.

## SIX MILLION TO BUILD N. J. SETTLEMENT

One of the newest and most far-reaching social creations of the New Deal is to bloom at Bound Brook, N. J., with the development of a \$6,000,000 complete low-cost housing and community center.

Planned and to be executed by the Resettlement Administration of Rexford Guy Tagwell, the Bound Brook project will be one of the four demonstration developments of the country, to show what low-cost housing will mean to an industrial group of the nation's population.

The R.R.A. will spend approximately \$6,000,000, beginning about December 15, to build a complete community for 750 families. Stores, school, town hall and dwelling units, either single houses or apartments, to take care of approximately 3000 persons, will be erected on 5000 acres now under option by the R.R.A.

The reasons for selecting Bound Brook were, it was learned, that the R.R.A. regards it as a growing industrial region in front of a rapidly advancing band of urban development ringing New York City.

Occasions do not make a man frail, but they show what he is—Thomas A. Kempis.

"Metropolitan," 20th Century's enchanting romance of the comedy and near-tragedy in the life of a singer, brings LAWRENCE TIBBETT, America's greatest baritone back to the screen. VIRGINIA BRUCE is Tibbett's leading lady in this Darryl F. Zanuck production.

## SPENCER MARSH TO ADDRESS ACCOUNTANTS

Three hundred and fifty accountants of the Philadelphia Chapter of the National Association of Cost Accountants will hold their regular meeting Thursday, November 21st, at 8:00 p.m., at the Manufacturers and Bankers Club, Broad and Walnut streets, Philadelphia. The speaker will be Spencer S. Marsh, vice president and cashier of the National Newark and Essex Banking Company, Newark, New Jersey, who will talk on "Interpretation of Financial Statements."

The bankers' view-point on financial statements is of vital interest to all accountants and executives and this meeting will afford an opportunity of hearing an eminent banker present his ideas on the essential data which should appear on financial statements presented to banks. Following the talk, there will be a period of informal discussion which should develop interesting phases of the relation of financial statements to credit.

Accountants and executives of this locality are extended an invitation to attend the meeting.

You'll be tomorrow what you are thinking and eating today.

## COUNCIL PAYS DEFENSE BILL

Balance Due Officer Robinson's  
Attorney in Election Brawl  
Suit Settled

Wayne Ayres, of 637 Linden Avenue, Riverton, appeared before the Riverton Borough Council last Thursday night to inquire of the status of the bill for \$106 presented to council for monies still due the attorney who defended Officer John Robinson in the suit arising from an election brawl last November.

Mr. Ayres stated that he represented the citizens' committee, and since nothing definite had been heard on the Robinson-Holwick matter he was present to make inquiry. He said it seemed the matter was being kicked around from pillar to post and that a number felt that they should be getting someplace.

Mayor Biddle stated that council had the matter under consideration and that he could expect some action that same evening.

Permisson was granted the New Jersey Bell Telephone Company to erect one telephone pole on Front street on the rear of the Benjamin Mechling property.

Frank Stroblin and James Goodwin appeared before council to ask for the purchase of a new salvage truck. They were advised that this was not the meeting to consider the matter, but that it would be kept in mind when the budget is made up.

Councilman Sargent stated that he would like to see the 1936 state aid dirt road fund of \$694.44 used to continue the paving of Fulton street, already started.

Councilman Steedle reported that through James S. Coale of the Shade Tree Commission all of the trees around and obscuring the gas lamps in the borough have been trimmed.

The building inspector's report showed applications for building operations amounting to \$1,623 and fees of \$10.

The November share of the welfare appropriation of \$73 was passed by resolution.

A letter from the Riverton Board of Education offering the portable building for borough use with the understanding that the borough remove it from the school lot, was read by the clerk.

The matter was referred to the property committee with power to act or report back to council.

H. C. Shell was re-appointed delinquent tax collector for 1936 upon motion of Councilman Merrill. His bond for \$1,000 was continued.

The following police report was submitted:

Arrests: 2 accidents, 2 bicycles reported stolen, 4 bicycles recovered and returned to owners, 3 complaints and reports answered and investigated, 31 complaints on dogs, 3 calls from other police departments, 3 doors found open, 1 dog and cats gassed, 8 fire calls by police, 2 garbage complaints, 1 homes reported closed, 7 night lodgers.

Council went into executive session following which in open meeting the bill of \$106 for defense fees (continued on page 10)

## WELFARE RUMMAGE SALE

A Welfare rummage sale will be held in the Porch Club on December 4, from 10 a.m. until 5 p.m. Any woman in the town who wishes to sell home-made cakes, pies, bread, linens or anything which might bring in Christmas money may bring same to the club house at 10 a.m. If anyone who sells a line of clothing or Christmas gifts wishes to exhibit same for orders, she may do so. Come and buy something. Everyone help to help someone else! Mrs. William Porter, chairman, Riverton 436.

Dr. and Mrs. W. S. Winters, of Chesham Avenue, Palmyra, have announced the marriage of their daughter, Miss Edith May, to William L. Zann, son of Mr. and Mrs. Samuel G. Zann, of Morgan Avenue, Palmyra.

The ceremony took place in New York City on November 13, 1935. Following a honeymoon in New York, Mr. and Mrs. Zann are residing in Palmyra.

# THE NEW ERA

RIVERTON, NEW JERSEY, THURSDAY, NOVEMBER 21, 1935

Vol. 47 No. 47

## FEDERAL AID TO END NOVEMBER 30

"That's New Jersey's Problem" Until WPA Gets Going Officials Declare

The FERA intends to stick to its announced decision, to cut New Jersey and the rest of the states off its relief list, after November 30, despite the fact that all the unemployed workers in the state have not been given jobs on WPA projects.

Commenting on the statement of Governor Hoffman of New Jersey that the federal government was breaking its agreement with the state, to provide funds until all employables were taken off the relief rolls, FERA officials said:

"New Jersey will have to take care of its own relief population. This decision is final, all federal relief grants stop December 1 for all states and New Jersey is no exception."

As regards the 90,000 employables in the state still to be put to work on WPA projects, it was said that New Jersey's own problem until the WPA get functioning properly."

## BOYS PLUNGED INTO ICY WATER

Lives of Two Riverton Lads  
Endangered As Canoe  
Upsets in River

Last Saturday Foster Bellows and Richard Webster, of Fourth and Penn streets, Riverton, got a chilly ducking in the Delaware just above the Tacony-Palmyra bridge. The boys had crossed the river in a canoe and on the return trip the frail craft was overturned by the high wind and rough water. The tide was coming in against the wind, making a choppy sea.

The boys clung to the canoe and floated upstream. When opposite the Keystone Yacht Club they were sighted by some of the members who pulled them out of the water and took them ashore, where they administered first aid in the form of hot coffee and whiskey. The boys did not respond to these remedies and were taken to the Frankford Hospital where they were treated for exposure.

Mrs. Webster was notified of the boys' plight and brought them home. They seem to be none the worse for their unpleasant experience.

## WOMAN'S EXCHANGE

A woman's exchange will be held at the Porch Club on December 4, from 10 a.m. until 5 p.m. Any woman in the town who wishes to sell home-made cakes, pies, bread, linens or anything which might bring in Christmas money may bring same to the club house at 10 a.m. If anyone who sells a line of clothing or Christmas gifts wishes to exhibit same for orders, she may do so. Come and buy something. Everyone help to help someone else! Mrs. William Porter, chairman, Riverton 436.

## VICTORY DINNER

The United Republican Clubs of the Porch Club on Monday evening.

Among the notables present were: Senator Clifford R. Powell, Mrs. Pearl Bridges, state committee woman; Freshholder Palmer L. Adams, Sheriff John M. Chant, Surrogate George E. Bittling, Freshholder-elect Walter D. Lamson, Auditor George Furth, Coroner George Whomsey, Mrs. Alma Evans, vice chairman of the county committee. A telegram from Dr. Newcomb was read expressing his regrets at not being able to attend the dinner and wishing the club all possible success.

Strength comes from struggle, weakness from ease.

No matter how hard may seem our lot, there is always something the Christian heart can find for which to be thankful.

Let us, then, give thanks and face 1936 with the hope that next year may develop even more cause for Christian appreciation.

A jolly physician is better than his pills.

## CARS DESTROYED IN GARAGE FIRE

Damaged Hose Hampers Efforts  
of Firemen in Monday  
Morning Blaze

The two-story frame garage on the property of W. A. Hendrickson, 208 Lippincott Avenue, Riverton was gutted by fire and two automobiles totally destroyed by the flames early Monday morning.

The fire was discovered by a maid at 6:45 a.m., who immediately reported to Mrs. Hendrickson. Mr. Hendrickson hastily dressed and ran into the blazing building to release a prized bird dog, quartered in one end of the building.

The flames quickly spread to engulf the whole interior of the building as the gasoline tanks on the automobiles exploded.

The Riverton firemen were seriously hampered in their efforts to get the fire under control by bursting sections of hose when pressure from the pumping engines was applied. Five times the firemen had to shut off the water and replace broken sections of hose. When they finally got a full stretch to hold they kept the pressure from the pumps only slightly above hydrant pressure for fear that more hose would break.

The Palmyra Volunteer Fire Company arrived on the scene shortly after Riverton finally got water on the blaze, and with high pressure hose lines greatly aided in bringing the flames under control.

A Pierce-Arrow sedan and brand new Buick sedan were destroyed completely. The loss estimated at approximately \$5,000 is covered by insurance. The cause of the blaze is unknown.

Fire Chief Ezra (Butts) Carhart, Jr., stated that the sections of hose which broke were comparatively new, and that acid had been spilled on the canvas covering, rotting the fabric.

To prove it, pieces from the broken ends could be taken and rubbed to powder between the fingers. How the acid got on the hose is a mystery, for the truck on which it was stored carries no chemical tank.

The firemen had just returned from a chimney fire at a house on Pomposet street, East Riverton, when the Hendrickson alarm came in.

The firemen had just returned from a chimney fire at a house on Pomposet street, East Riverton, when the Hendrickson alarm came in.

## MEETING OF YOUNG REPUBLICAN UNIT

"Y" Secretary Mount Urges Young  
People to Learn How Public  
Officials Function

A well attended meeting of the Palmyra-Riverton-Cinnaminson Unit of the Young Republicans of Burlington County was held in Society Hall, Palmyra, Thursday evening of last week.

Following the business session a talk by Wilton E. Mount, local YMCA secretary, was enjoyed by the members. Mr. Mount stated that he was very much gratified to see young people taking an active part in politics at a season of the year when no election was to be held in the immediate future.

Mr. Mount said that while his profession kept him from taking an active part in politics he felt that all young people should do so. He urged those present to attend council meetings and meetings of other official bodies, local, county and state, in order to get an idea of the kind of work the men in office must do and to see how it is done.

George Beddow's orchestra supplied music for dancing and refreshments were served.

## BOARD RECEIVES FURNITURE BIDS

Twelve Concerns Bid on Chairs,  
Desks, Window Shades, Etc.  
Monday Night

Bids for school furniture, shades, etc., were received by the Riverton Board of Education at a meeting held Monday night in the school house.

The bids included such items of furniture as school desks, posture chairs, office and typewriter chair, rug, auditorium chairs, shades, motion picture screen and gymnasium mats.

Bids were received from twelve firms and held over for tabulation and further consideration.

It was announced before the bids were opened that bids on the items covering the stage curtain, cyclorama and auditorium window curtains would not be read, since the specifications were not entirely satisfactory to the board. Persons bidding on these items alone were permitted to withdraw their bids.

Authority was given to Byron H. Edwards, architect for the Board, and Frank A. Math

## GEORGE KAMPER IN CAMDEN RING

German Champion to take On  
Ed Don in One Fall, One  
Hour Bout Tonight

A quartet of our foremost bone twisters, one a former champion of the world; one a championship claimant; another a titleholder in his native land and the last a youngster of championship calibre, will be seen in action in a double windup at the Camden Armory, Haddon avenue and Mickle street, Thursday night. Each bout is routed over the one fall, one hour time limit voyage.

Ed Don George, one time boss of the grappledom, who is eager to recoup his lost laurels, will be seen in action in the nightcap event when he takes on Hans Kamper, German champion. Kamper has defeated: Sam Rudy Stein, Paul Boesch, Ernie Dusek, Rudy Dusek, Gino Garibaldi, Pat O'Shock, Henri DeGlane, Count Zarynowski and Ed Strangler Lewis.

The first of the twin windup attractions will present jumping Joe Savoldi, conquerer of Jim London, but unsuccessful in gaining universal recognition as the peer of all matmen, and Hank Barber, the youthful flying tackle and leaping headlock specialist. This bout will bring together two of the foremost tacklers in the wrestling profession.

Al Mercier of Springfield, Mass., who uses the flying drop-kick; Jack-as kick and leaping rope kick, will return to the shed again by taking on the rugged Sid Westrich of Brooklyn. This will be a slated half hour engagement as will be the opening duel between Dr. Fred Meyers, of Chicago, and the youthful Bobby Bruns, one time all around star of Northwestern University.

## NEW "MOVIE" GAME AT BROADWAY

At the end of the first show starting this Monday evening and every Monday thereafter, the Radio City Broadway Theatre will introduce the new fascinating game of "Movie," the lucky game to its patrons, ten of whom will be awarded the valuable prizes on display in the lobby of the theatre.

On entering the theatre, each adult will receive a "Movie" card and a skewer, to punch a hole alongside of the number in each block corresponding to the numbers as they are called from the stage.

There are twelve different ways of winning, five rows up and down, five rows from left to right and two ways from corner to corner. The minute you complete a row in any direction, call out "Movie!" You're a winner.

Dad as well as mother has a chance playing "Movie" and remember the game will be played until all ten prizes are awarded.

This popular game is scheduled for every Monday night and everyone who enjoys the game of "radio-lotto" or bridge will get a thrill, whether a winner or not.

On the screen is presented "The Dark Angel" with a magnificent cast, starring Merle Oberon, Fredric March and Herbert Marshall directed by the man who created "Smilin' Thru" and the "Barretts of Wimpole Street."

## BURLINGTON CO. MERCHANTS PLAN BIG MEETING

The Burlington County Chapter of the New Jersey League of Retail Merchants will hold its annual meeting and election of officers on Tuesday, November 19, at 8 o'clock in the municipal hall, Mt. Holly.

This meeting will mark the close of a most active year of the County Chapter in problems of vital interest not only to merchants, but to the taxpayers and residents. The League of Retail Merchants was one of the state-wide organizations that was most active and influential in bringing about the repeal of the obnoxious state sales tax law. Another important problem that was advanced by the league and carried through with some degree of success was the opposition to bulk buying by the New Jersey Emergency Relief. The Burlington County Unit aims to increase its membership by a di-

## MOVIE BENEFIT FOR PHALANX

Organization Seeks to Find Employment for Young Men and Women of Vicinity

Monday, December 9, starts a week of motion picture performances for the benefit of Omega Chapter of Phalanx Fraternity, of Palmyra, Riverton and Cinnaminson, at the Broadway Theatre. The benefit will run from Monday, December 9, to Friday, December 13, inclusive. Tickets may be procured from any member of the Fraternity or by calling W. Maynard Bowen, Riverton 712 or 344, or the YMCA office 904-W. There will also be several of the fellows calling from house to house for the convenience of the patrons of the Broadway Theatre.

Following is a list of the pictures that will be at the theatre that week: Monday and Tuesday, Lawrence Tibbett in "Metropolitan." Wednesday and Thursday, "Shipmates," with Ruby Keeler and Dick Powell, and Friday's performance is "The Last Outpost," starring Cary Grant and Gertrude Michael.

The proceeds of this benefit will be used to carry on the work of the Palmyra-Riverton Youth Council, which includes an effort to secure employment for young men and women.

## NICKNAMES OF PRESIDENTS

Not all of our Presidents had nicknames. Here are some of them: Washington—Father of His Country. Jefferson—Red Fox. Madison—Father of the Constitution. J. Q. Adams—Old Man Eloquent. Jackson—Old Hickory. W. H. Harrison—Tippecanoe. Polk—Young Hickory. Taylor—Old Rough and Ready. Pierce—Handsome Frank. Buchanan—Old Public Functionary. Lincoln—Honest Abe. Johnson—Tennessee Tally. Grant—Hero of Appomattox. Hayes—The Hero of Appomattox. Cleveland—The Trust. Benjamin Harrison—Grandpa's Grandson. T.R. Roosevelt—Rough Rider. Wilson—Professor. Coolidge—Silent Cal. Hoover—Engineer.

It's prudent to suspect the man who suspects you.

rect canvas of every merchant. In the near future arrangements will be made to hold monthly dinner meetings that will attract members and aid in keeping the organization alive and active.

AT FOX, RIVERSIDE

"IT'S TRUE! that Frances Langford's career took its first forward swing five years ago when, after a throat illness, she discovered that her soprano voice had changed to contralto," says artist Wiley Paden. "It was this 'new' voice that brought her success on the air and earned her the title of 'contralto crooner'." The petite, raven-haired singer of the "Broadway Melody of 1936" made her professional debut on Rudy Vallee's radio hour.

Playing at Fox, Riverside, this Friday and Saturday, November 15 and 16.

## SIX MILLION TO BUILD N. J. SETTLEMENT

One of the newest and most far-reaching social creations of the New Deal is to bloom at Bound Brook, N. J., with the development of a \$6,000,000 complete low-cost housing and community centre.

Planned and to be executed by the Resettlement Administration of Rexford Guy Tagwell, the Bound Brook project will be one of the four demonstration developments of the country, to show what low-cost housing will mean to an industrial group of the nation's population.

The R.R.A. will spend approximately \$6,000,000, beginning about December 15, to build a complete community for 750 families. Stores, school, town hall and dwelling units, either single houses or apartments to take care of approximately 3000 persons, will be erected on 5000 acres now under option by the R.R.A.

The reasons for selecting Bound Brook were, it was learned, that the R.R.A. regards it as a growing industrial region in front of a rapidly advancing band of urban development ringing New York City.

Occasions do not make a man frail, but they show what he is—Thomas A. Kempis.

## SPENCER MARSH TO ADDRESS ACCOUNTANTS

Three hundred and fifty accountants of the Philadelphia Chapter of the National Association of Cost Accountants will hold their regular meeting Thursday, November 21st, at 8:00 p.m., at the Manufacturers and Bankers Club, Broad and Walnut streets, Philadelphia. The speaker will be Spencer S. Marsh, vice president and cashier of the National Newark and Essex Banking Company, Newark, New Jersey, who will talk on "Interpretation of Financial Statements."

The bankers' view-point on financial statements is of vital interest to all accountants and executives and this meeting will afford an opportunity of hearing an eminent banker present his ideas on the essential data which should appear on financial statements presented to banks. Following the talk, there will be a period of informal discussion which should develop interesting phases of the relation of financial statements to credit.

Accountants and executives of this locality are extended an invitation to attend the meeting.

You'll be tomorrow what you are thinking and eating today.

## COUNCIL PAYS DEFENSE BILL

Balance Due Officer Robinson's Attorney in Election Brawl Suit Settled

Wayne Ayres, of 637 Linden avenue, Riverton, appeared before the Riverton Borough Council last Thursday night to inquire of the status of the bill for \$106 presented to council for monies still due the attorney who defended Officer John Robinson in the suit arising from an election brawl last November.

Mr. Ayres stated that he represented the citizens' committee, and since nothing definite had been heard on the Robinson-Holwick matter he was present to make inquiry. He said it seemed the matter was being kicked around from pillar to post and that a number felt that they should be getting someplace.

Mayor Biddle stated that council had the matter under consideration and that he could expect some action that same evening.

Permission was granted the New Jersey Bell Telephone Company to erect one telephone pole on Front street on the rear of the Benjamin Mehlberg property.

Frank Stroblin and James Goodwin appeared before council to ask for the purchase of a new salvage truck. They were advised that this was not the meeting to consider the matter, but that it would be kept in mind when the budget is made up.

Councilman Sargent stated that he would like to see the 1936 state aid dirt road fund of \$694.44 used to continue the paving of Fulton street, already started.

Councilman Steedle reported that through James S. Coale of the Shade Tree Commission all of the trees around and obscuring the gas lamps in the borough have been trimmed. The building inspector's report showed applications for building operations amounting to \$1,623 and fees of \$10.

The November share of the welfare appropriation of \$73 was passed by resolution.

A letter from the Riverton Board of Education offering the portable building for borough use with the understanding that the borough remove it from the school lot, was read by the clerk.

The matter was referred to the property committee with power to act or report back to council.

H. C. Shell was re-appointed delinquent tax collector for 1936 upon motion of Councilman Merrill. His bond for \$1,000 was continued.

The following police report was submitted:

Arrests 2, accidents 2, bicycles reported stolen 4, bicycles recovered and returned to owners 3, complaints and reports answered and investigated 31, complaints on dogs 3, calls from other police departments 3, doors found open 1, dogs and cats gassed 8, fire calls by police 2, garbage complaints 1, homes reported closed 7, night lodgers 3.

Council went into executive session following which in open meeting the bill of \$106 for defense fees (continued on page 10)

ZAUN—WINTERS  
Dr. and Mrs. W. S. Winters, of Cinnaminson avenue, Palmyra, have announced the marriage of their daughter, Miss Edith May, to William L. Zaun, son of Mr. and Mrs. Samuel G. Zaun, of Morgan avenue, Palmyra.

The ceremony took place in New York City on November 13, 1935. Following a honeymoon in New York, Mr. and Mrs. Zaun are residing in Palmyra.

WELFARE RUMMAGE SALE  
A Welfare rummage sale will be held in the Porch Club, Saturday, December 7. Doors open at 2:00 p.m. Please send donations on Friday, 9 a.m. If you wish to have things called for, telephone 321-R. Please note change in time of opening.

Strength comes from struggle, weakness from ease.

# THE NEW ERA

## FEDERAL AID TO END NOVEMBER 30

"That's New Jersey's Problem" Until WPA Gets Going Officials Declare

The FERA intends to stick to its announced decision, to cut New Jersey and the rest of the states off its relief list, after November 30, despite the fact that all the unemployed workers in the state have not been given jobs on WPA projects.

Commenting on the statement of Governor Hoffman of New Jersey that the federal government was breaking its agreement with the state, to provide funds until all unemployed workers were taken off the relief rolls, FERA officials said: "New Jersey will have to take care of its own relief population. This decision is final, all federal relief grants stop December 1 for all states and New Jersey is no exception."

As regards the 90,000 employables in the state still to be put to work on WPA projects, it was said: "That's New Jersey's own problem until the WPA get functioning properly."

## BOYS PLUNGED INTO ICY WATER

Lives of Two Riverton Lads Endangered As Canoe Upsets in River

Last Saturday Foster Bellows and Richard Webster, of Fourth and Penn streets, Riverton, got a chilly ducking in the Delaware just above the Tacony-Palmyra bridge. The boys had crossed the river in a canoe and on the return trip the frail craft was overturned by the high wind and rough water. The tide was coming in against the wind, making a choppy sea.

The boys clung to the canoe and floated upstream. When opposite the Keystone Yacht Club they were caught by some of the members who pulled them out of the water and took them ashore, where they administered first aid in the form of hot coffee and whiskey. The boys did not respond to these remedies and were taken to the Frankford Hospital where they were treated for exposure.

Mrs. Webster was notified of the boys' plight and brought them home. They seem to be none the worse for their unpleasant experience.

WOMAN'S EXCHANGE  
A woman's exchange will be held at the Porch Club on December 4, from 10 a.m. until 5 p.m. Any woman in the town who wishes to sell home-made cakes, pies, bread, linens or anything which might bring in Christmas money may bring same to the club house at 10 a.m. If anyone who sells a line of clothing or Christmas gifts wishes to exhibit same for orders, she may do so. Come and buy something. Everyone help to help someone else! Mrs. William Porter, chairman, Riverton 436.

Both Keating's store and The New Era are offering these gifts. At Keating's the lucky number wins the beautiful big doll The New Era offers the quintuplet doll set for girls and the streamlined coaster wagon for the boys who are successful in securing six new one-year subscriptions to The New Era.

To make it even easier, a two-year subscription will count the same as two one-year subscriptions. The subscription price of The New Era for one year is \$1.50. Any boy or girl selling six and bringing into The New Era office the names and addresses of the new subscribers together with the subscription money

in advance will receive either of the gifts displayed in Keating's window. The contest is not limited, just follow these simple instructions and the gift is yours.

To keep velvet hats in good condition rub them with a piece of velvet the way of the nap.

THANKSGIVING for 1935 is at hand and in the manner established by our forefathers it is appropriate to give thanks for the blessings that are ours.

No matter how hard may seem our lot, there is always something the Christian heart can find for which to be thankful.

Let us, then, give thanks and face 1936 with the hope that next year may develop even more cause for Christian appreciation.

Strength comes from struggle, weakness from ease.

## CARS DESTROYED IN GARAGE FIRE

Damaged Hose Hampers Efforts of Firemen in Monday Morning Blaze

The two-story frame garage on the property of W. A. Hendrickson, 208 Lippincott avenue, Riverton was gutted by fire and two automobiles totally destroyed by the flames early Monday morning.

The fire was discovered by a maid at 6:45 a.m., who immediately reported to Mrs. Hendrickson. Mr. Hendrickson hastily dressed and ran in to the blazing building to release a prized bird dog, quartered in one end of the building.

The flames quickly spread to engulf the whole interior of the building as the gasoline tanks on the automobiles exploded.

The Riverton firemen were seriously hampered in their efforts to get the fire under control by bursting sections of hose when pressure from the pumping engines was applied. Five times the firemen had to shut off the water and replace broken sections of hose. When they finally got a full stretch to hold they kept the pressure from the pumps only slightly above hydrant pressure for fear that more hose would break.

The Palmyra Volunteer Fire Company arrived on the scene shortly after Riverton finally got water on the blaze, and with high pressure hose lines greatly aided in bringing the flames under control.

A Pierce-Arrow sedan and brand new Buick sedan were destroyed completely. The loss estimated at approximately \$5,000 is covered by insurance. The cause of the blaze is unknown.

Fire Chief Ezra (Butte) Carhart, Jr., stated that the sections of hose which broke were comparatively new, and that acid had been spilled on the canvas covering, rotting the fabric.

To prove it, pieces from the broken ends could be taken and rubbed to powder between the fingers. How the acid got on the hose is a mystery, for the truck on which it was stored carries no chemical tank.

The firemen had just returned from a chimney fire at a house on Pomposet street, East Riverton, when the Hendrickson alarm came in.

WHICH IS YOURS  
—QUINTUPLETS  
OR WAGON?

During the past week an envious eye has been cast in the store window of L. L. Keating where an array of gifts for boys and girls are on display.

Both Keating's store and The New Era are offering these gifts. At Keating's the lucky number wins the beautiful big doll The New Era offers the quintuplet doll set for girls and the streamlined coaster wagon for the boys who are successful in securing six new one-year subscriptions to The New Era.

To make it even easier, a two-year subscription will count the same as two one-year subscriptions. The subscription price of The New Era for one year is \$1.50. Any boy or girl selling six and bringing into The New Era office the names and addresses of the new subscribers together with the subscription money

in advance will receive either of the gifts displayed in Keating's window. The contest is not limited, just follow these simple instructions and the gift is yours.

## MEETING OF YOUNG REPUBLICAN UNIT

"Y" Secretary Mount Urges Young People to Learn How Public Officials Function

A well attended meeting of the Palmyra-Riverton-Cinnaminson Unit of the Young Republicans of Burlington County was held in Society Hall, Palmyra, Thursday evening of last week.

Following the business session a talk by Wilton E. Mount, local YMCA secretary, was enjoyed by the members. Mr. Mount stated that he was very much gratified to see young people taking an active part in politics at a season of the year when no election was to be held in the immediate future.

Mr. Mount said that while his profession kept him from taking an active part in politics he felt that all young people should do so. He urged those present to attend council meetings and meetings of other official bodies, local, county and state, in order to get an idea of the kind of work the men in office must do and to see how it is done.

George Beddow's orchestra supplied music for dancing and refreshments were served.

## BOARD RECEIVES FURNITURE BIDS

Twelve Concerns Bid on Chairs, Desks, Window Shades, Etc. Monday Night

Bids for school furniture, shades, etc., were received by the Riverton Board of Education at a meeting held Monday night in the school house.

The bids included such items of furniture as school desks, posture chairs, office and typewriter chair, rug, addition chairs, shades, motion picture screen and gymnasium mats.

Bids were received from twelve firms and held over for tabulation and further consideration.

It was announced before the bids were opened that bids on the items covering the stage curtain, cyclorama and auditorium window curtains would not be read, since the specifications were not entirely satisfactory to the board. Persons bidding on these items alone were permitted to withdraw their bids.

Authority was given to Byron H. Edwards, architect for the Board, and Frank A. Mathews, Jr., attorney for the Board, to visit the Newark headquarters of the P.W.A. and endeavor to straighten out a few remaining regulation violations.

A motion was passed approving the new specifications for stage curtain, etc., and authorizing the advertisement for new bids.

A committee headed by Everett Wolcott met Tuesday night and tabulated the bids on furniture received the night before.

In advance will receive either of the gifts displayed in Keating's window. The contest is not limited, just follow these simple instructions and the gift is yours.

To keep velvet hats in good condition rub them with a piece of velvet the way of the nap.

THANKSGIVING for 1935 is at hand and in the manner established by our forefathers it is appropriate to give thanks for the blessings that are ours.

Let us, then, give thanks and face 1936 with the hope that next year may develop even more cause for Christian appreciation.

Strength comes from struggle, weakness from ease.

## NEW WPA PROJECTS IN BURLINGTON CO.

Improvements to County Properties; Road and Sewer Work at Moorestown

Works Progress Administrator William H. J. Ely has announced the release of 268 New Jersey projects, calling for the expenditure of \$6,695,217.46 and providing employment for approximately 26,000 persons.

The total number of projects released to the field to date by Mr. Ely is 1549, providing employment for approximately 95,000 workers.

The present allotment includes the following for Burlington county:

Florence—Painting, varnishing, oiling, etc. Federal funds, \$1,017; sponsor's contribution \$400. (15 workers.)

Reconstruction of Jacksonville road, and of Hamilton avenue. Federal funds, \$2,845; sponsor's contribution \$879. (16 workers.)

Mt. Holly—Erection of farm implement shed 18' x 96' at county yard. Federal funds, \$531; sponsor's contribution \$591. (9 workers.)

Fieldsboro—Painting interior and exterior of public school building No. 1. Federal funds, \$658; sponsor's contribution \$364. (13 workers.)

Moorestown—Construction 3600 feet of road in Strawbridge Park. Federal funds, \$3,083; sponsor's contribution, \$1,371. (26 workers.)

Southampton Township—Clearing banks and deepening channel of a branch of the Little River. Federal funds, \$2,490; sponsor's contribution \$100. (17 workers.)

Burlington—Construct 8" T. C. sewer. Federal funds, \$1,238; sponsor's contribution \$257. (21 workers.)

Mt.

## CHEW'S BAKERY IN NEW STORE

Business Started in Riverton 15 Years Ago Will Move to Better Location

Chew's Bakery, noted throughout this vicinity for fine baked goods and home-made ice cream, will move to its new bakeshop and store at 526 Main street, Riverton, over the weekend.

The store will be closed Monday while the equipment is being set up and fresh goods baked for the opening on Tuesday, November 26th.

Chew's Bakery was established in Riverton on December 1, 1920, and was begun in the location formerly operated by D. D. Bastian at 512 Main street. Mr. Bastian had retired from the bakery business six months prior to Mr. Chew's purchase of his equipment.

The new location embodies the latest word in store equipment and construction. The first floor has the store itself with two show windows. In the rear of that room is a smaller room which will be used as a kitchen. Still behind the kitchenette is the main bake shop which contains the latest type two-tier Bennett oven.

The last room to the rear is the ice cream room where the machinery to make ice cream will be set up.

Mr. and Mrs. Chew will live in the fine new apartment directly over the store.

Look for their advertisement in this issue of The New Era and their store opening offerings. An opening gift with each purchase of 25 cents or over on opening day.

## PARRY FIRE CO. BUYS NEW TRUCK

Ford V-8 Pumper is Latest Addition to Cinna. Fire Fighting Unit

The Parry Volunteer Fire Company is now better equipped to fight fires by the addition of a new Ford V-8 pumper put into service on Tuesday.

The new equipment, mounted on a 1936 Ford V-8 chassis with a wheelbase of 157 inches and dual wheels, makes the second piece of rolling stock owned by the fire company.

The body, made by the Peter Pirsch & Sons Company, of Wisconsin, carries a 500 gallon Hale centrifugal pump, capable of delivering 500 gallons of water per minute.

The equipment makes it possible to pump from streams or creeks by a special strainer attachment carried on the truck. It also carries a 250 gallon booster tank that will deliver water for 20 minutes through an inch and one half hose line, under pressure, while the firemen are connecting up to the plug or stream.

Some of the additional equipment carried includes: latest type 20-foot extension ladder, a 10-foot scaling ladder, two two-and-one-half-gallon soda and acid type fire extinguishers, two oil lanterns, one big and two small electric spot lights, besides the usual hooks, wrenching bars and axes.

The truck is equipped with an electric siren and bell for warning device.

In addition to the above equipment the truck carries 500 feet of two-and-one-half-inch-hose and 500 feet of one-and-one-half-inch hose.

The truck is being bought by the fire company itself through public subscriptions.

The committee from the fire company who purchased the truck are, George Adams, chief; William Kenner, George Dorworth, George Shuck, Herbert Grant and Henry Hathaway.

The Ford V-8 chassis was purchased from the Lester S. Fortnum Ford Agency in Palmyra.

## AUTO DEATH TOLL

In all the wars in which the United States has been engaged from the Revolutionary to the World War, some five or six, totaling a period of about 15 years, 300,000 men were killed; yet in the last 15 years, 325,000 were killed in automobile accidents.

## TOY COMMITTEE OF POST RODGERS

Legionnaires Are Collecting Toys to Repair and Distribute for Christmas

Post Rodgers Christmas toy committee, under the leadership of Chairman Charles King, is already functioning at high speed, preparing for the biggest Christmas since this work was instituted five years ago, by the Palmyra-Riverton Legionnaires. Every year the Post has collected, repaired and distributed hundreds of toys to the less fortunate children of this area.

This work could not be completed without the aid of those citizens who year after year have cooperated by giving toys and assistance to the committee. The Legion again appeals to all who wish to lend their support to this movement.

All kinds of toys are required. Tri-cycles, sleds, bicycles and dolls are much in demand. All toys are painted and repaired before distribution. Cash donations will be gladly received from those who wish to participate in that way. All cash received is used to buy dolls, replacement parts, paints and repair materials.

If you want a Legionnaire to call for toys phone Charles King, 420 Morgan avenue, 247-M, or J. L. Metzger, 639 Linden avenue, 1052. Collection will be made at your convenience.

Remember that some youngsters may not have a real Christmas if you fail to do your part.

## BARR-WALTER

Miss Mary Margaret Barr, daughter of Mr. and Mrs. William P. Barr, of Riverton, became the bride of F. Xavier Walter, son of Mrs. M. A. Walter, of Riverside at the Church of Our Lady of Good Counsel, Moorestown, Wednesday morning, November 20.

The bride, who was given in marriage by her father, was gownned in white bridal satin. Her veil of tulle was made coronet style with a halo. She carried a bouquet of white roses and lilies-of-the-valley.

Miss Anne E. Barr, of Riverton, attended her sister as maid of honor and the bridesmaids included Mrs. Jane Blake and Miss Florence M. Gallaher, both of Collingswood.

Miss Barr wore a lovely frock of blue green moire with accessories to match and the bridesmaids were attired in rust color moire. The three frocks were made on the same lines with leg o mutton sleeves and Queen Anne necklines. The maid of honor as well as the bridesmaids carried bouquets of rust and yellow chrysanthemums.

Theodore Walter, of Riverside, attended his brother as best man. The ushers were James L. Barr, brother of the bride, and A. Reuleux Heintze, of Delaware Gardens.

A wedding breakfast was served at the home of the bride's parents immediately following the ceremony.

After a motor trip through the South Mr. and Mrs. Walter will be at home to their many friends at 9 Morgan avenue, Palmyra.

Both the young folks are graduates of Camden Catholic High School and have a host of friends in this section.

## CHRISTMAS CLUB GROWTH IN U. S.

Three hundred and twelve million dollars will be distributed to about seven million Christmas Club members by approximately five thousand banking institutions and organizations within the next two weeks according to an estimate given out yesterday by Herbert F. Rawil, Founder and President of Christmas Club, a Corporation.

The estimated amount for each member is \$4.70. While most of the mutual savings banks and many commercial banks throughout the country have reported increases averaging 17% over the previous year, the entire distribution is smaller than a year ago due to the fact that some banking institutions, in curtailing promotional activities on account of abnormally low money rates, did not offer the Christmas Club service to customers during 1935.

Some 200 women have been made colonels of the governor's staff in Kentucky in the last twenty years.

## EX-SERVICE MEN TO ELECT OFFICERS

All Ex-Service Men in County Invited to Attend Meeting at Maple Shade

Burlington County ex-Service Men's Association will hold its next regular meeting on Friday evening, November 22nd, at 8 o'clock, for the purpose of electing permanent officers. This meeting will be held in the post rooms of the Antrim-Mentz American Legion Post No. 66, Main street and Pine avenue, Maple Shade.

All ex-service men, whether members of the American Legion, Veterans of Foreign Wars, or any other Veteran organization, also those who are not affiliated with any veterans' organizations, are welcome to attend this meeting.

The Burlington County ex-Service Men's Association is not an organization, affiliated with any other veteran unit. There are no membership dues, no assessments, nor are there any fees, but there is a collection taken to defray the very small incidental expenses.

## NEW SHERIFF HOST TO ASSISTANTS

Entertains Office Personnel at Dinner. Pledges Loyalty Exchanged

Sheriff John M. Chant entertained the personnel of his business office and the jail at a dinner at The Willows in Mount Holly, Thursday night of last week, for the purpose of establishing a better acquaintance and engaging in a free and open expression of thoughts that will aid in the adoption of policies for the promotion of cooperation and efficiency.

The guests were: Under Sheriffs Raymond Johnson, of Riverside, and W. Roland Warrick, of Mount Holly; office assistants Mrs. Christine Snyder, of Mount Holly, and Miss Esther Greenwood, of Hainesport; jail wardens Atwell E. Wright, of Mount Holly; Charles V. Hanner, of Masonville, and Mark Atkinson, of Burlington. Retiring Under Sheriff Joseph B. Fleetwood was also a guest.

Sheriff Chant said he was sure he had selected a corps of helpers that would exert every effort and work in harmony to make his administration a credit to him and satisfactory to the people of the county.

The new sheriff complimented Mr. Fleetwood upon the fine spirit he had shown toward the new administration and thanked him for his offer to give assistance in office and prison affairs as often as requested. It was a satisfaction, the Sheriff said, to have such a friendly feeling existing and to know that the benefits and knowledge through long experience had been made available to him. The Sheriff also told his family that retiring Sheriff Wimer had made a similar offer of help and his attitude was also greatly appreciated.

Sheriff Chant said he was sure he had selected a corps of helpers that would exert every effort and work in harmony to make his administration a credit to him and satisfactory to the people of the county.

## MISS BRYAN TALKS TO RIVERTON PTA

Cinnaminson Principal Suggests That Parents Send "Reports" To Teachers

The meeting of the Riverton P.T.A. on Monday was both entertaining and educational. Mrs. Henry P. Orlmann, Jr., presided and read her report of the Atlantic City Convention. After the business meeting Mrs. William Zeller gave an amusing sketch on the trials of Mrs. Levin, and two other selections.

Miss Eloise Bryan, principal of Cinnaminson school, was the guest speaker and read before her talk a poem entitled "The Lament of a Normal Child" which told how the energies of both parents and teachers are applied particularly to the problem child, while the normal child apparently just grows up. Miss Bryan expressed the hope that in the near future parents would send reports to school regularly just as teachers now send reports home, so that teachers might have a better insight into the child's personality. One thing which we must all realize is that children have definite problems just as older people do. In every-day life they have many different personalities to cope with and are not fully prepared for the many inconsistencies of the world around them.

In closing Miss Bryan said that parents have a very definite responsibility in making the school, thru cooperation and understanding with the teachers, a "happy and congenial abode," as well as the home. In order to do this they must insist upon and work for the child's best interest and be self reliant so that they themselves can discern the things which momentarily seem trivial but are in reality an important factor in the child's development.

Mrs. Orlmann announced that the Christmas party for the children would take the place of the regular December meeting and that there would be no child study group meeting on November 25.

After the meeting tea was served by Mrs. Harold Baker and her committee assisted by girls of the domestic science class. Publicity.

A newspaper is a portable screen used by men to obstruct their view of a woman standing up in a street car.

## BURLINGTON COUNTY SOCIAL WORKERS' CLUB

Mrs. Sarah L. Kearns, administrative assistant in the National Youth Administration for New Jersey is to be the principal speaker at the November meeting of the Social Workers' Club, on November 25. The place and possible future of the young people in the county is one of real concern to all who have contact with them, so that an invitation is extended to all organizations, such as YMCA, YWCA, P.T.A., the schools, etc., to join in the discussion of what we can do for the youth of Burlington county.

The meeting will follow a dinner at 6:30 p.m., for which reservations should be made before November 22nd, with Mrs. Anne Brunt, Pemberton, N. J. The charge for dinner is seventy-five cents. Everyone is welcome to attend the meeting at the Community House, Moorestown.

The 34th annual conference of the New Jersey Social Workers' Clubs will be held in Hotel Berkeley-Carteret, Asbury Park, December 5, 6 and 7. Theme: "Political Action and Human Welfare."

## DRUNKEN DRIVER

On last Saturday night, shortly after midnight, Chief Gooter and Officer Carhart arrested LeRoy Forman, colored, who gave his address as Marlton, while driving on Broad street. The zigzagging of his car had a line of motorists behind him who were unable to pass.

The report made by Dr. Rogers left no doubt that the arrest was justified, for at his hearing the next morning the prisoner pleaded guilty and the mandatory sentence, 90 days in jail or a \$200 fine with automatic revocation of driving license for two years, was imposed by Recorder C. A. Bowers.

When questioned by Mr. Knight, chairman of the police committee, the prisoner admitted that he had no remembrance of what had happened since he left Riverside, to "take a friend down to the dugout." He also said that he was mighty glad that he had not injured anyone before he was arrested.

A beautiful heart corrects an ugly face.

## FRY OPENS NEW DINING ROOM

Popular Palmyra Business Man Extends Activities to Merchantville

Albert E. Fry, proprietor of Fry's Dining Room, 11 West Broad street, Palmyra, announced this week that he had opened another dining room and Tak-Abroad shop at 13 West Park avenue, Merchantville.

Fry's Dining Room is one of the few restaurants that has enjoyed a long life in this community. The excellent home cooking, as well as the pleasing manner in which the meals are served has won for the dining room a growing list of steady patrons.

The orderly manner in which the shop is conducted, too, has added to its popularity.

Mr. Fry has taken over the Merchantville shop and plans to rigidly

JOHN M. CHANT  
new sheriff of Burlington County, who entertained the personnel of his office force at dinner last week.

## EDUCATION WEEK AT CINNAMINSON

School No. 4 Has Special Program Including County Fair. Speaker Rev. Alexander White

On last Friday, Cinnaminson School No. 4 celebrated American Education Week. During the morning, the pupils in the Primary department opened their new store which they planned and built under the supervision of their teacher. They sold apples on a stick, candy and cakes.

In another classroom a county fair was held with the pupils in charge. This was developed from the experiences of the children. Many articles which were made by the pupils were for sale, including beautiful mats, rugs, canned fruit, balloons and vases.

In the afternoon a special program was rendered. The pupils in the kindergarten and primary grades gave dramatizations and told of the activities which were going on in their classrooms.

The upper grades told of early education in Egypt and Greece, Ancient Rome, Middle Ages, the Rise of Free Schools, Schools of Today and the Origin of American Education Week. Each story was supplemented by pictures relating to the topic.

The guest speaker was the Rev. Alexander White, pastor of Mt. Zion A. M. E. Church, Riverton. His topic was, "Get All the Knowledge You Can, and Can All the Knowledge You Get." Other speakers were Rev. Bowe and Rev. Roberts.

Many parents were present and expressed their appreciation of the fine work that is being done in the school for their boys and girls.

Nearly seven-eighths of Greenland's surface, or over 700,000 square miles, is covered with ice.

It always happens when one driver is in a big car and the other in a revere.

follow the policy established at Palmyra. This will assure Merchantville patrons of a quiet, clean, respectable place to enjoy a quiet meal.

## COUNTY PUBLICITY LUNCHEON, P.T.A.

Burlington County Council of the New Jersey Congress of Parents and Teachers will hold a publicity conference Tuesday, November 26, at 12:15 o'clock in Social Hall of First Baptist Church, Burlington.

Eugene Pharo, of Moorestown, will speak on "Telling the News to the P.T.A."

Mr. Pharo, being a special correspondent for the Washington Post, will bring an interesting message to those attending.

A fine luncheon will be served for 60 cents.

## Wherever You Go

The cost is low, wherever you go, especially after 7 P.M. when rates are lowest for station to station calls to points 43 or more miles away. For example: after 7 P.M. call 120 miles for 40c-162 for 50c-282 for 75c. NEW JERSEY BELL TELEPHONE CO.

## THE SERVICE YOU EXPECT

You can go anywhere in this country, to hunt, rest or transact business, and reach your New Jersey home quickly any time by telephone.

Anywhere in the Bell System the telephone you call from, and the equipment used to put through your call, will be capable of the good service you expect.

Each piece and part has come from the Western Electric workshops at Kearny, N.J., and Hawthorne, Ill., which turn out 155,000 different kinds of parts, all uniform in design and quality, and built to work together in balanced efficiency.

Centralized manufacture of telephone apparatus, to assure standard quality and low cost through volume production, has been a Bell System practice for years. The System started in 1885 working toward the goal of universal service, universally dependable and low in cost. The foundations were laid on a plan of unified manufacture, research and engineering for the System as a whole, with local operation using System-wide methods.

Under this plan the Bell System has been developed in 50 years to provide a service that makes one neighborhood of this nation, with your farthest neighbor practically as near as the family next door.

## An Excuse That Does Not Excuse

In a labored defense of President Roosevelt over the radio last Friday night, General Hugh S. Johnson, erstwhile chief cracker-downer of the defunct N.R.A., attempted to lay the blame for the failure of the New Deal on the subordinates appointed by the President, rather than on the Chief Executive himself. The General named Federal Relief Administrator Hopkins, Assistant Secretary of Agriculture Tugwell and National Youth Administrator Williams as among the chief offenders in this particular, and added the opinion that "if he can't rid himself of some of this, my fear is that he may be defeated."

This is not the first time the General has tried to spread this smoke screen. But it won't do, General, it just won't do. You will never make the American people believe that a President who can sandbag Congress and drive through legislation giving him greater autocratic powers than are "legally" possessed by any other man on earth, is such a helpless victim in the hands of any group of men over whom he holds power of dismissal.

The General knows as well as anyone that these underlings say nothing that seriously offends the occupant of the White House, and that if they did, he would find swift and effective means to silence them. If the General thinks the President would hesitate to sacrifice a "goat" to save his own hide, let him recall the episode of the soak the rich legislation, which one of his most trusted henchmen, after a conference with the White House, told congress must be passed within a fortnight. The General may remember that when the universal howl of public indignation went up, the President thought better of the "must" order, and the trusted henchman was "permitted" to say "I must have made a mistake, I take all the blame."

No, no, General, your President, whatever else he may be, is not a helpless victim in the hands of his subordinates!

## OBITUARIES

**J. FRANKLIN CLINE, JR.**  
J. Franklin Cline, Jr., age 83, of 400 Garfield avenue, Palmyra died November 20 after a long illness. Funeral services will be held Saturday afternoon at 2:30 from his late residence, the Rev. George Lockett, officiating.

Interment will be made in Morgan Cemetery, Jerome J. Zisak, Jr., funeral director.

The deceased is survived by his widow, Anne E. and one son, J. Franklin Cline, 3rd.

## BERTRAM G. BAILEY

Bertram G. Bailey, colored, one month old son of Mr. and Mrs. George Bailey, of Parry, died at the home of his parents on Wednesday.

Funeral services were held this morning at ten o'clock at the late residence and interment will be made in the Wrightsville Cemetery under the direction of Frank A. Snover.

## THOMAS J. LUZENBERG

Thomas J. Luzenberg, of Philadelphia, died at the home of Fred C. Ulmer, 704 Washington avenue, Palmyra, Tuesday.

Funeral services will be held this afternoon at two o'clock at the late residence, 5529 Walton avenue, Philadelphia. Interment will be made in St. James Episcopal Church Yard, 68th and Woodland avenue, Philadelphia, under the direction of Frank A. Snover.

widow, Mrs. Ella Luzenberg, nee Truchess.

## MISS LYDIA ALICE ROGERS

Miss Lydia Alice Rogers, 48, probably the best known public school teacher in Burlington and vicinity, died Wednesday evening at her home, 302 Wood street, after an illness of several months. She was principal of the Captain James Lawrence School, having held that post for the last 16 years.

Miss Rogers was one of the charter members of the Burlington County Business and Professional Women's Club.

Surviving are her father, Thomas I. Rogers, with whom she resided, and two brothers, Dr. Harry L. Rogers, of Riverton, and Whitner Rogers, of Philadelphia.

Funeral services Saturday, 2 p.m., will be conducted in St. Mary's Episcopal Church, of which she was a member, by Rev. John Talbot Ward. Burial will be in St. Mary's churchyard.

## MRS. ELIZABETH F. SLOUGH

Mrs. Elizabeth F. Slough, widow of the late Samuel N. Slough, died at the home of her daughter, Mrs. H. C. Cheney, 421 Horace avenue, Palmyra, Saturday.

Funeral services were held Wednesday afternoon at one o'clock at the Snover Funeral Home. Interment was made in the Schwenksville cemetery, near Schwenksville, Pa., under the direction of Frank A. Snover.

## MRS. MARGARET W. PARKER

Mrs. Margaret Warlow Parker, (continued on page 10)

## CHURCH NEWS

## CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, B.D., Pastor

Sunday, November 24: 9:45 a.m., Church school; 11 a.m., morning worship; Junior Christian Endeavor Society, 4 p.m.; Senior Christian Endeavor Society, 7 p.m. The theme for the meeting of the Senior Christian Endeavor Society is "Our Bible"; the pastor will be the leader. All young people are cordially invited to join in this service.

Wednesday, November 27, 8 p.m., the Preparatory service, after which the Session will meet to receive any who may wish to unite with the Church, either on profession of their faith or by letter from other churches.

Thursday, November 28, at 10 a.m., this congregation will unite with the other churches of the community in a union Thanksgiving service, to be held in the Lutheran Church, Palmyra.

Sunday, December 1, 11 a.m., the Sacrament of the Lord's Supper will be observed. All those who have made public profession of their faith in Jesus Christ as their Saviour, of whatever denomination, are welcome to participate in this service of Communion. Calvary Church extends an invitation to all in the community, who have no regular church home, to enter its worship and fellowship.

## PALMYRA MORAVIAN CHURCH

Albert J. Harko, B.D., Pastor

Services for Sunday, November 24

9:30 a.m., Sunday School.  
10:40 a.m., Morning worship. Prayer day for Moravian College and Theological Seminary is to be observed in all our churches. Dr. William N. Schwart, president of Moravian College and Theological Seminary at Bethlehem, Pa., will preach the sermon. Both choirs will sing.

6:45 p.m., Christian Endeavor prayer meeting.  
7:30 p.m., Evening service of praise. Sermon, "Misplaced Affections."

Thursday, November 28. Our Thanksgiving day service will be held at 10:00 a.m. The Christian Endeavor society will again decorate the platform with fruits, vegetable and eatables, donated by the members and friends of the congregation for Thanksgiving cheer baskets for the needy families of our community.

## EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

Thanksgiving themes will be discussed by the Rev. W. A. Boyd both morning and evening next Sunday. At eleven o'clock in the morning, "Thank God You Are Not" will be the subject of the sermon and in the evening at 7:45 "Thank God You Are" is to be the subject of the address.

Thanksgiving Day music will be given in the morning service by the Senior Chorus Choir under the direction of Alfred VanOsten, and the Dulciana Chorus Choir under the direction of Mrs. William A. Boyd.

Mrs. Rachel Lord will be at the organ both morning and evening. An added feature of the evening musical program will be singing by the Epworth Male Chorus. This will be the first public appearance of this group from our church. The men of the community are especially invited to this meeting.

An opportunity to join our church will be given this Sunday morning. This church will participate in the union Thanksgiving Day service to be held in the Lutheran Church, Thursday morning at 10 o'clock. The sermon will be delivered by the Rev. William A. Boyd, minister of the Methodist Episcopal Church.

In order to cooperate with the folks at home and also the high school football game, the services will be concluded promptly at 11 o'clock.

On account of the Thanksgiving Day service Thursday morning, there will be no service in our church Wednesday evening.

## CHRISTIAN SCIENCE CHURCH

"Soul and Body" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 24.

The Golden Text is: "The Lord is good unto them that wait for him, to the soul that seeketh him" (Lamentations 3:25).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And there came a leper to him, beseeching him and kneeling down to him, and saying unto him, 'If thou wilt, thou canst make me clean. And Jesus, moved with compassion, put forth his hand, and touched him, and saith unto him, I will; be thou clean' (Mark 1:40, 41).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Healing the sick and reforming the sinner are one and the same thing in Christian Science. Both cures require the same method and are inseparable in Truth. Hatred, envy, dishonesty, fear, and so forth, make a man sick, and neither material medicine nor Mind can help his permanently, even in body, unless it makes him better mentally, and so delivers him from his destroyers. The basic error is mortal mind" (p. 404).

The Epworth League wishes to express their appreciation to those who donated anything or helped in any way to make the Welfare Committee's cake sale the huge success that it was. The profits are to help fill our Thanksgiving baskets, but we are also relying on our League members (or any church member or anyone else who would care to help us along a bit) to bring in their canned goods and food to each Sunday evening service at 7 o'clock in the Wesleyan room of the Methodist Church.

The League president urges all officers to attend the cabinet meeting this Sunday evening.

The League's monthly business meeting will be held this Monday evening in the Intermediate room at 8 o'clock. We want every member to attend, if possible. Publicity.

## EPWORTH LEAGUE

The Epworth League wishes to express their appreciation to those who donated anything or helped in any way to make the Welfare Committee's cake sale the huge success that it was. ## TIPS ON GROWING

BY ONE WHO GREW UP IN THE BUSINESS

Noel Coward's play "Bitter Sweet" is a reminder of the popularity of this tangy name in horticulture. By "Bitter Sweet," Celastus Scandens, the native vine that is also known as Wax Work, is probably the best known hereabouts, but somehow the name seems to be more correctly applied to Solanum dulcamara (deadly Nightshade). The Evergreen Bittersweet is Euonymus vegetus.

The Celastus, (also called American Bittersweet and Staff Tree) bears the orange and scarlet flowers or rather capsules that are sold in the fall in great quantities by the roadside markets. The capsules burst with frost and crinkling back thrust forward the arils enclosing the seed. If harvested and dried before hit by frost they will become hard and durable, retaining their freshness of coloring for years. The white flowers in June are insignificant. It is best to secure plants from the nurseryman as these have been grown from cuttings, whereas seedlings and may not flower or fruit. Someone has said that it has a right to the name of Staff Tree, judging from the many uses made of it by the Indians. When these patches of maize failed they resorted to the berries of the Celastus for food.

The name Bitter Sweet is claimed to have been derived from the fact that the rind of the stems of the Solanum is said at first taste to be bitter, then sweet. As this is also known as Deadly Nightshade and the berries at least said to be poisonous, it is best not to attempt to verify the truth of this. The Solanum bears large clusters of purple flowers and bright red berries. Fruit and flowers are carried on the plant at one time, presenting a beautiful effect.

The Evergreen Bitter Sweet (Euonymus vegetus) produces fruit somewhat like the Celastus, but larger, and is red in color. This plant is also known as the Climbing Spindle Tree or Staff Tree. The wood is somewhat quadrangular or flat-sided like the shrubby Euonymus. Wilhelm Miller one time in the Garden Magazine praised it highly saying "In the first place it is evergreen and therefore has an obvious advantage over deciduous vines, being beautiful 365 days in the year, secondly, it is very accommodating as to soils, exposure, climate and will trail over the ground or climb to a height of thirty feet. It is harder than English Ivy and its superb red fruits seem divinely appointed to redeem our American winters from their bleak and cheerless moods." While this vine is very rapid in growth once it becomes established, it is sometimes extremely slow in getting started and if it is meant to grow on a wall, it should be first given the support of a stake and attached with wall nails to the building until it takes hold of its own accord. It can be kept sheared and in fact makes very good evergreen hedge.

While it is late in the season, plants such as these being in a dormant state can still be procured from the nurserymen and planted while the ground is not frozen hard, or in the springtime, say about the middle of April.

JOHNSON GUEST AT TESTIMONIAL DINNER

Raymond L. Johnson, retiring postmaster of Riverside, and who has been appointed as a deputy sheriff in Burlington county under Sheriff John M. Chant, was tendered a surprise testimonial dinner by members of the postoffice staff and friends.

The affair was held last Friday at the home of Harry Einsel, Henry street, Riverside, a member of the postoffice staff.

Anthony Tillman, assistant postmaster at Riverside, on behalf of employees, presented Johnson with a gold wrist watch.

Always rinse chamomile and docklin gloves in soap and dry them where the heat is not intense, if you wish to keep your gloves in good condition.

## SPECIAL SESSION TO PASS RACE TRACK BILL

There is serious talk of calling a special session of the legislature to pass a bill permitting race track gambling. Since there is no election in the immediate future at which a referendum on this question could be submitted to the people, a special election would become necessary of the bill is passed. The cost of such an election is said to be about \$500,000 in addition to the cost of the extra session of the legislature.

Notwithstanding rosy claims of revenue to municipalities and state from this form of gambling, the actual net revenue is very small, and in many places business men are opposed to the establishment of race tracks, claiming that they divert money from the channels of legitimate trade.

As a business proposition it seems to be of no particular advantage to anyone but the promoters. As to its moral aspect, every man must judge for himself.

If this special session is to be headed off, it will be necessary to get in touch with the governor and state senator at once. The governor may be addressed at Trenton, and State Senator Clifford R. Powell may also be reached at the same address.

Assemblyman Newcomb, is, of course, opposed to the gambling bill.

The soil of Ethiopia is exceedingly fertile and agriculture is extensive.

## YMCA BRIEFS

Plans for a county-wide high school age YMCA members get-together is scheduled for Palmyra, Monday evening, December 2. The program for this affair was set up by a representative group of young men who met in Mount Holly, Monday evening, November 11.

Members of the County YMCA Board will represent the Young Men's Christian Association at the conference planned by the Social

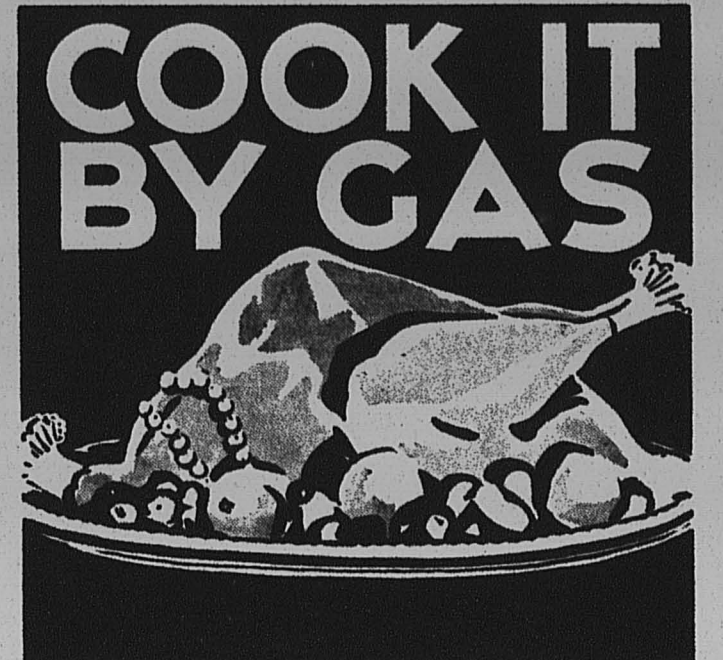

Workers Club of the county, to be held at the Moorestown Community House, Monday evening, November 25, to study and discuss a youth program for Burlington county. Mrs. Sarah L. Kearns, Administrative Assistant of the National Youth Administration in New Jersey, will speak and lead the discussion.

One in every eight drivers in England in 1934 was a woman.

"It's scandalous to charge us \$10 for towing the car only three or four miles."

MEMBERSHIP DRIVE  
FOR PALMYRA A.C.

Club Will Sponsor Wrestling  
Boxing and Basket Ball  
This Winter

At the regular monthly meeting of the Palmyra Athletic Club, held in the club rooms on Tuesday November 12, plans were made to establish classes for instruction in boxing and wrestling. Proper instruction will be provided and it is believed that some very skillful amateur boxers and wrestlers can be developed.

Contact has been made with Elmer Schroder, who is the "Judge Landis" of soccer, to arrange an exhibition game to be played between two of the foremost soccer teams in Philadelphia. It is hoped that these arrangements can be completed so that this game can be played under the flood lights some night during Thanksgiving week.

The basketball program is well under way and it is expected to continue the inter-borough league, which operated last year, and to have a team to represent the Athletic Club and play on the same night. The league teams will consist of four and will play the preliminary games, while the Athletic Club team will be made up from the pick of the basketball players in the community and will play the feature game with outside teams as the attraction. Three games will be played each night.

Plans were discussed for the football banquet which will be held either the latter part of December or early in January.

A woman's auxiliary has been organized to develop plans for the athletic activities of the girls in this community.

The history of the Palmyra Athletic Club has been one of great progress and the members are of the opinion that if the proper effort is put forth that in the course of a few years a community center can be obtained. This center should contain a gymnasium, with the necessary apparatus and a swimming pool as well as recreation rooms.

With this thought in mind plans were laid for a membership drive to be held the first week in December. The club membership is now over 190 and inasmuch as the old Field Club had over 400 members with a much smaller population, the goal of the membership drive will be 500.

M. J. McDermott was appointed general chairman and the communities of Palmyra, Riverton and Cinnaminson will be laid out in zones, teams formed and a house-to-house canvass conducted. Every man or woman over 18 years of age is eligible for membership, either in the club or the auxiliary. The dues are nominal and the movement is for the good of the community at large. Everybody is welcome.

On the island of Yap stones of various sizes and kinds are used as coins. One weighing 170 pounds will purchase a wife, an 18-foot canoe or 10,000 coconuts.

Wonder why John Bull thinks it is so much more important to stand by the league now than it was when Manchuria was invaded?

LITERARY DIGEST  
NEW DEAL POLL

Similar Survey Eighteen Months Ago Showed 61.15% of Voters Favoring Roosevelt

Individual ballots have been mailed to voters of Riverton and near-by communities in a new Literary Digest poll of 10,000,000 persons to ascertain the present popularity of the New Deal, and should be distributed by the post office locally within a few days, according to advice received from the magazine's publishers.

New Jersey's returns in this new referendum will be tallied as a unit so they may be compared with the voting of other states.

The voting of the post-card ballots is secret as no signature or other identification is required, and the return postage is paid by the magazine.

The ballot asks a "yes" or "no" answer to the question: "Do You NOW Approve the Acts and Policies of the Roosevelt 'New Deal' to date?"

A similar poll to the same 10,000,000 persons was conducted in the spring of 1934, following the first year of the Roosevelt administration. Final returns then showed a vote of 61.15 per cent. for the New Deal to 38.85 per cent. against it.

Another question on the ballot in the coming referendum asks each voter how he voted in 1932 to ascertain if there has been any shift in political sentiment since the last Presidential election.

A staff of more than 3,000 additional employees is reported to have been engaged by The Literary Digest for the mailing of the ballots and the tallying of the returns in the forthcoming New Deal poll.

THE TRADITION

## Of Thanksgiving

THROUGHOUT the development of this nation, tradition has played its part. Advancing frontiers brought our holidays with them... mileposts in an advancing civilization. Among them has been Thanksgiving... a holiday that is really our own. It has contributed in no small measure to the happiness and prosperity of America, and other traditions have contributed equally. Through troublous times... wars and floods and panics... they have been remembered, standing for all that we in this nation hold dear. They are worth keeping, and guarding carefully... time tested traditions that can still serve us well.

GEORGE WHITE'S  
"SCANDALS"

Twelfth Edition of Famous Revue  
in Philadelphia One Week Prior  
to Broadway Premiere

With the critical acclaim of New York and Boston play reviewers and theatre goers behind him, George White brings his newest edition of the stage "Scandals," twelfth in the notable series, to the stage of the Metropolitan Opera House for an engagement of one week on Monday evening, November 25. The Broadway premiere of the extravaganza will follow at the New Amsterdam Theatre immediately after its presentation in Philadelphia.

In order to give all theatre goers an opportunity to see the new "Scandals," Producer White has arranged a popular scale of prices. The price scale evenings will range from 57c to \$3.42. There will be three matinees during the week, Wednesday, November 27, Thursday, November 28 (Thanksgiving Day), and Saturday, November 30. The price scale for the matinees will be from 25c to \$2.28.

Playgoers are urged to buy their seats well in advance to get choice locations. A special staff to take care of mail orders has been organized. Patrons are requested to send checks or money orders to the order of George White, stating number of seats, performance and locations wanted and these will be filled in order of receipt.

The uproariously amusing Bert Lahr, the inimitable Cliff Edwards, the comedic Sheila Barrett and the delightful Gracie Barrie head the brilliant array of stars gathered by Mr. White for the new "Scandals." Others in the cast of more than one hundred, including seventy-five George White beauties, are Shea and Raymond, Betty Jane Cooper, Hal Forde, Earl Oxford, Three Wise Brothers, Sam, Ted & Ray Stanley Twins, Richard Lane, Jack Hartley, Apollo Quartette, Lois Eckhart, Peggy Moseley, James Howard, Claire McQuillen, Jean Gale and Helene Miller.

Jack Yellen invented the lyrics, Ray Henderson wrote the musical score and George White, William K. Wells and Howard A. Shiebler collaborated on the dialogue. Russell Markert, famous for his dance creations, originated the many top-synchronous numbers that form one of the highlights of the entertainment. Russell Patterson, renowned magazine artist, designed the settings, and Charles LeMaire, internationally famous for his gown creations, designed the hundreds of costumes. The entire production was conceived and directed by George White.

Elephant hunters in Uganda have been equipped with motorcycles.

## PORCH CLUB NOTES

The Porch Club experienced a delightful afternoon on Tuesday, November 19th. Leonora Owsley Herman read selections from her own book of poems, "Rather Personal." The poems were divided into groups with the titles, "Segregated Selves," "Of Others," "Incidents of Sadness," and "Loved or Lover." Poems from these groups were charmingly read by the author whose glowing personality enchanted the audience. Mrs. Herman concluded her readings with an inspiring poem called "Challenge."

Tea and cakes were served and the club members had an opportunity to meet Mrs. Herman.

### NEW ERA MOVIE SECTION

A WEEKLY REVIEW OF THE SILVER SCREEN

## TEN GET PRIZES IN "MOVIE" GAME

Popular New Stunt at Broadway Will Be Weekly Feature Matinee Prizes, Too

At the end of the first show Monday evening a full house enjoyed the fascinating new game of "Movie" at the Broadway theatre, Palmyra. The ten winners of the game were awarded beautiful prizes before the second show started.

The genial manager, Arthur Keen, has left no stone unturned to make this game, which will be played between the first and second show every Monday evening, the utmost in entertainment, enjoyment and fairness. Among the prizes to be given away during the next two weeks are the following:

A cocktail set in chromium, a punch set, three lamps, various beautiful ornaments, a woolen blanket, a sandwich toaster and many other useful gifts.

Not wishing to slight the kiddies, Manager Keen has planned a novel treat for them at the matinee on Saturday afternoon, November 30.

Two lucky boys or girls will receive "Popeye" suits, and all children attending will be given special novelties. "The Big Broadcast" has been obtained. Jack Oakie, Lydia Roberti and Bing Crosby play the stellar roles and the cast also includes many other famous screen and radio stars. Popeye's latest cartoon, a football novelty and news events will also be features of the afternoon.

## USES OF LEMON JUICE

Lemon juice may be substituted for vinegar in any recipe that calls for the latter, except pickling.

Lemon juice added to sweet milk will sour it suitably for cooking.

Add a small amount of lemon juice and grated rind in stewing such dried fruits as prunes, figs, peaches, and so on.

Tough meats will be made tender by adding a teaspoon of lemon juice to water in which they are boiled.

## OBITUARIES

(continued from page 4)

38 years old, died at her home on Perry avenue, Palmyra, Monday morning, following a long illness.

Funeral services were held Thursday afternoon at two o'clock at the Snover Funeral Home with the Rev. George Lockett officiating. Interment was made in Morgan cemetery, Palmyra.

Mrs. Parker is survived by her husband Edwin L. Parker, her parents, David and Elizabeth Warlow, of Moorestown, and two sisters, Mrs. Herbert Wurst and Miss Ethel K. Warlow, also of Moorestown.

She was a member of the Central Baptist Church and the Woman's Club of Palmyra.

## A NEW REMINGTON

The famous Remington Portable Typewriter has just come out in a new model which sells at \$31.50.

An ideal machine for high school students.

Very easy monthly payments make it easy to own this marvelous little machine.

Standard keyboard, adjustable marginal stops, clear beautiful type, touch of typewriters selling for twice the price, and does work unsurpassed by any machine made before.

Try it out for yourself at The New Era Office.

## ON THE STAGE IN PERSON AT RIVERSIDE THEATRE

BABY ROSE MARIE

"the bright little star of a million homes, and darling of the air, stage and screen," who will appear in person on the stage of the Fox Riverside Theatre, this Sunday, November 24, at matinee and evening shows.

## AT BROADWAY

Brian Aherne and Joan Crawford in "I Live My Life"

When lovers quarrel it's usually for the fun of making up afterwards. Such is the case with Joan Crawford and Brian Aherne who do plenty of fighting in "I Live My Life," coming Friday and Saturday to the Broadway Theatre, but who invariably melt into each other's arms at the end of their tumultuous scenes.

## REPUBLICAN WOMEN MEET

Monday afternoon at one o'clock the women of the Republican State Committee held their regular monthly meeting at Medford Lakes Lodge. Approximately 200 were present at the luncheon. Mrs. Pearl Bridgman, vice chairman of the State Committee, was chairman of arrangements.

## MISSIONARY LUNCHEON

At the December 4 meeting of the Woman's Missionary Society of Calvary Presbyterian Church, a luncheon will be served at 1 o'clock for the ladies of the community.

Invited to attend. After the luncheon a biblical play will be given under the direction of Mrs. Edwin Black.

For reservations for the luncheon please call Mrs. W. L. Drew, Riverton 777-J not later than Monday evening, December 2.

Beware when promises are too promising.

## COUNTY TO HOUSE HOMELESS PIGS

Sixty Shivering Porkers at the County Almshouse to get \$3,800 Home

A resolution to borrow the sum of \$1,400 on an emergency note to build a piggery at the county almshouse was defeated on the first vote of the Burlington County Board of Freeholders last Friday morning.

Palmer L. Adams, director of the board, introduced the resolution which stated that labor for the project would be furnished by the WPA administration and that the county would have to purchase the needed materials. The estimated cost of the whole project is \$3,800. The resolution further stated that the need for the piggery was considered an emergency and that a note bearing not more than six per cent be introduced, introduced the resolution authorized.

Freeholders Heister and Stout voted no on the first count and Director Adams declared the resolution lost. Heister stated that the piggery had been discussed for some time, that funds for its erection had not been included in the budget, and he did not believe it could be considered an emergency.

Freeholder Stout relieved a tense situation when he learned that sixty pigs were already at the almshouse without a home by remarking, "I could not sit comfortably at home by the fire and think of those sixty pigs sitting out in the snow under an apple tree." After saying this he changed his vote to "yes," passing the resolution. Freeholder Heister let his vote remain unchanged.

A resolution by Director Adams was passed naming the Union National Bank and Trust Company, Mt. Holly, depository for the monies belonging to the sheriff's office.

Freeholder Jones introduced a resolution to grant permission to Burlington City to extend the sewer on the East end of State Highway Route 25 crossing the intersection of High street, which is paved with asphalt.

A letter from the Burlington County Committee of the American Legion was read, asking the freeholders for an appropriation of \$300 to pay for the county's share in a \$6,000 WPA project to register the graves of veterans. The letter stated that the project would give employment to 18 men for a period of five months and that \$6,000 would be spent in the county for an investment of \$300. The letter was received and filed, to be investigated by the director of the board.

A letter from Austin Gardner, of Hollidaysburg, Pennsylvania, was read in which he claimed that \$123.42 was due a client of his employed as an inspector by H. B. Miah, former engineer on the Delanco bridge project. The letter was received and filed and referred to the solicitor.

A letter from the American Constitution League and signed by George C. Dunn, Burlington, was read by the clerk. The letter was full of charges that involved freeholders, state legislators and everything in general. The letter created no stir beyond the comment of Freeholder Heister who said, "political, I take it." The letter was received and filed and referred to the solicitor for investigation.

Bids for additional welding on the Delanco span were to have been opened at the meeting on Friday, but none were received by the clerk.

Freeholder Jones therefore asked permission to buy welding equipment for the bridge department that they might be able to do their own welding and save money.

A resolution was passed authorizing the bridge department to secure prices on welding equipment and purchase at a cost not exceeding \$150, if deemed advisable.

The following department bills were passed for payment: Public buildings \$14,117.57; affairs \$18,030.93; highway and engineering \$13,091.93; bridges \$3,863.83 and revenue and finance \$6,433.35.

## THE NEW ERA

RIVERTON, NEW JERSEY, THURSD

## COUNTY BUSINESS MEN ORGANIZE

Will Oppose E.R.A. Policy of Buying Supplies Direct from Manufacturers

The Burlington County Chapter of the New Jersey League of Retail Merchants was organized in Burlington Monday night. The merchants are organized to combat the contemplated policy of the Emergency Relief Administration which would in the future purchase clothing and shoe supplies from manufacturers and jobbers and eliminate the retail merchants from this business.

A large number of merchants from the entire county attended the meeting. B. F. Hirschblond, of Mt. Holly, was named president. Arthur Goldie, of Burlington, was made first vice president, and A. Katz, of Beverly, second vice president. Leon G. Senie, of Mt. Holly, is secretary and G. Groverman, of Bordentown, treasurer.

Frank Johnson, of Medford, president of the state organization, outlined the work of the league for the coming year. President Hirschblond and Goldie also gave brief talks.

A resolution was adopted that the league petition the Governor to issue instructions that all supplies used by any department or agency of the State, or to be distributed to dependents of that department or agency, continue to be purchased from retail merchants wherever practical, and that the resolution be sent not only to the Governor, but to the state and county directors of the E.R.A., and to each senator and assemblyman in the state legislature.

Trustees named were: Samuel Glassman, Burlington H. Varani, Beverly; Mr. Gaskill, Mt. Holly; and J. Rosenfield, Burlington.

Publicity Committee: B. F. Hirschblond, A. Goldie and Leon G. Senie. The next meeting will be a dinner meeting to be held New Year's night. Committee in charge includes Frank Johnson, Mrs. H. Varani and Leon G. Senie.

## LEGION NEWS

The monthly meeting of Post Frederick M. Rodgers will be held Tuesday evening, December 3 at 8:30. Every service man in this section is invited to attend whether a member or not. The meetings of the Post are always open.

We believe all ex-service men will enjoy the many subjects discussed on the floor of the meetings. Palmyra-Riverton Post is planning to make this a banner year in service to the community state and nation.

Post Commander Harry Stack is particularly anxious for a large representation of service men at this meeting which will take final action on the program for the year '36. There is always a tasty lunch served by the house committee after the meeting.

## WELFARE RUMMAGE SALE

Don't forget the Welfare rummage sale to be held in the Riverton Porch Club, Saturday, December 7. Doors open at 2 o'clock. Please send donations on Friday at 9 o'clock.

If you wish to have things called for telephone 321-R.

## LUNCHEON

Don't forget the luncheon of the Woman's Missionary Society, of Calvary Presbyterian Church, to be held in conjunction with their regular monthly meeting on December 4. Luncheon will be served at 1 o'clock.

After the luncheon a biblical play will be given under the direction of Mrs. Edwin Black. For luncheon reservations call Mrs. W. L. Drew, Riverton 777-J not later than Monday evening, December 2.

All ladies of the community are cordially invited.

## TELEPHONE FOOD SALE

This is the last call for the telephone food sale held by the Ladies' Aid Society of Calvary Presbyterian Church during the month of November. Anyone wanting some good home-made delicacies may call any member of the society and place their order which will be delivered when wanted. Each member of the society is asked to make at least a dollar during the month.

## LEGION HALL TOY SHOP FOR SANTA CLAUS

Once again the Legion Home is beginning to look like a toy shop. Many have answered the appeal of the Legionnaires and have turned over to them used toys for repairing and painting. The committee has also received several cash donations which will enable them to purchase necessary parts and supplies.

After the collection and repair, the toys are packed in individual boxes, each toy being marked with a suitable card with the child's name upon it. The box is tag with the family name and address. To select the proper toy or the child consideration is given to the age, sex, and where the information can be obtained, to the child's desires. The girls' toys are selected by the ladies, the boys' by the men of the committee. The selection is made from a list which shows only the first name of the child and the age. In this way the person selecting the toys cannot show preference.

If you have a donation of toys call Riverton 247-M or 1052. Your toys will be collected at the time specified by you.

## TIPS ON GROWING

BY ONE WHO GREW UP IN THE BUSINESS

A speaker, William K. Harris (I think it was) at the banquet at the Bellevue-Stratford at the fiftieth anniversary of the founding of the Philadelphia Florists Club spoke about the over-increasing demand for Camellias. Years and years ago they were extremely popular, but until recently were crowded out by the more informal garden flowers. They are half-hardy woody plants blooming in late winter and spring, native to the warmer parts of Asia. When in bloom they should be kept cool—in a temperature not over 50 degrees at night and say about 10 degrees higher by day. They start into growth after blooming, when they should be given more heat and plenty of water. Should not be placed in direct sunlight. They may be placed outdoors in summer in a protected place. Among the most popular sorts at the present time are Pink Perfection, a lovely double shell pink. Rev. John Bennett, a semi-double orange-red and Elizabeth, a pure white.

Some one inquired the other day as to the identity of a certain "Crucial Vine." This was a new one to us and we at first thought reference was made to a vine that injured or killed other plants by constriction like the Dodder, but a friend more learned in horticulture set us right, that a plant of the insectivorous group of the Pitcher Plant type was meant. From a recent bulletin of the Arboretum in Philadelphia we learn that the renowned collection of plants belonging to the late Louis Burk was presented to the Arboretum. This collection includes insectivorous plants, and it is well that this great collection remains intact where the public may view.

While flowers are more attractive to the eye and are more spectacular than vegetables, yet many people plant and depend on vegetable gardening. Therefore, the decision of the judges as to which are the best Vegetable All-American Novelties for the coming year is just as important as their awards on Flower Seed varieties. The list follows:

Award of Merit  
Radish, Evans's Comet.  
Kohlrabi, Triumph of Prague.  
Parsley, Paramount.  
Pea, Confidence.  
Sweet Corn, Agrow Golden Colonel.  
Special Mention  
Tomato, Fletcher's Special.  
Bean, U. S. No. 1, Dwarf Stringless Greenpod.  
Radish, Jewel.  
Spinach, Bloomsdale Savoy Dark Green.  
Tomato, Penn State.

And, of course, Spinach would have to be included. Perhaps the new variety will be so deliciously flavored that children will cry for it. There is no limit to what "Popeye" will accomplish after gorging on this new sort which scored 21 points.

Miss Beatrice Lillie, a new Buff English Chrysanthemum, named

after the English actress, was christened at the opening of the first annual Chrysanthemum Show at Rockwell Center, November 1st. The bloom was 22 inches in circumference.

Essence of peppermint is being successfully used by florists to preserve and revive large-flowering Chrysanthemums. The dose recommended is one teaspoonful of essence to each gallon of water; break off a part of the stem and place it in the treated water. So if the 'Mum' you buy the fair one for the game has a Wrigley flavor you will know the reason.

## RECITALS START AT PORCH CLUB

Miss Barton Charms Audience With Clever Impersonations and Readings

The first of a series of entertainments to be given throughout the winter at the Porch Club was held on Friday, November 22, by Miss Dorothy Barton, of Chestnut Hill, Philadelphia.

Miss Barton opened her program with a clever impersonation of a terrified woman with a toothache. She was afraid to have it attended to, but it hurt so badly that finally she submitted.

Then she gave an imitation of a southern girl at a dance, who had a line for every man she met, and kept the audience laughing.

This was followed by an almost extinct type of mother with her three-months-old son about to be photographed. Soon mother, son, and photographer were quite out of patience, and the indignant mother stalked out with her crying child in her arms saying, "If you'd known one thing, just one little thing—how to roar like a lion—this would never have happened."

The most striking dramatization of the evening was the performance by Miss Barton of "The Valiant." Every person present could see that dull warden's office in the State Prison of Connecticut, could picture the 17-year-old girl pleading to know if Jim Dykes, the convict, were her brother, and could see him replying, in order that his mother and sister would be spared the pain of acknowledging him as a murderer, that he had seen her brother killed in action in the war.

During this touching drama the only sound was that of the speaker's

voice. Everyone waited with a tear in his eye and a question on his lips wondering what "The Valiant" would do.

A more cheerful portrayal of a little country girl in a small town dress scene changed the atmosphere of the room; and, in conclusion, two socially ambitious ladies visited a display of modernistic art.

Their misinterpretation of the paintings was amusing. What seemed to them to be the strong chin of a man proved to be a sock an old woman was knitting, and a beautiful camel of the desert was meant to be a storm at sea!

The applause at the close of the recital brought back Miss Barton in the role of a perplexed colored man who had to serve his master with a one-legged goose, as a pick-

anmy had stolen the other. The next program in this series will be given on January 24, 1936, by Eli Millen, former managing editor of the McCall Company and would famous author of "Bethel."

Of course, since the New York Assembly went Republican in this year of national significance even if the New Deal was frequently mentioned in the campaign. But there is great national significance in the fact that the Democrats elected the supervisor of Hankepank by 37 votes on the issue of municipal ownership.

Well, if they had had a modern college in Washington's day and he had attended and joined a pink neck-fist group—wouldn't that have been a real break for King George?

THIS DAILY RITUAL DEMANDS GOOD ILLUMINATION

A close shave in a poorly lighted bathroom is apt to be a painful affair. And unnecessary, too, for bathrooms can be properly illuminated for a trifle.

If you are shaving in poor light—light that throws shadows across your face, ask us to show you how to correct the condition. If you are in doubt about the illumination in any or all rooms in your home, we will be glad to help you solve your problem.

We have a staff of Home Light-

ing Representatives who are trained to measure the illumination in the home. They can be of assistance to you in choosing the proper type of fixture or lamp for any particular purpose. They can make helpful recommendations about electric outlets which your electrician can install for a modest sum.

The services of a Home Lighting Representative will cost you nothing—it is a part of our endeavor to help you get the most for the money you spend for electricity.

## Educator Warns of Centralization

Warning America against toying with the idea of centralized power as the solvent of our social and economic difficulties, Dr. Glenn Frank, president of the University of Wisconsin, asserts that this is a manifestation of a world-wide trend that has given Communism to Russia, Fascism to Italy, and National Socialism to Germany.

"There is one thing common to all the experimental governments of the time," he said, "and that is the assumption that the new problems of this new age can best be a new and intense centralization of power in the national government."

"This assumption is, in my judgment, unsound. If permitted to dominate the political development of the next quarter century, it will, I venture to predict, result in a new and tragic enslavement of the masses at the very moment when the creative forces of science, technology, and power production have forged the instruments for their emancipation."

While speaking prior to the convention of the American Federation of Labor, Dr. Frank's address might well have been directed straight at the convention's approval of a Federal constitutional amendment to give the Federal government greater bureaucratic authority.

"The purpose of the Constitution is to protect the people from the abuse of political power and give them a chance to be as efficient in governing themselves as a free people under democracy can be," Dr. Frank said. "At any given moment a people can achieve greater efficiency by handing themselves over to a benevolent autocrat, but all of human history proves that such efficiency is shortlived and, in the end, causes more evils than it cures."

## ... And at the Taxpayers' Expense!

Speaking on the subject of "newspapers and propaganda" before the American Newspaper Publishers Association, John Stewart Bryan, publisher of the News-Leader of Richmond, Virginia, charged that the Federal Government was using "the most powerful and insidious mechanism that has been developed in the history of man" to disseminate propaganda from Washington.

"In the first year of existence," he added, "the AAA issued 5,000 news releases. In the latter part of 1933 there was no paper big enough after it had discarded its news and advertising, to carry the handouts from Washington." He urged the publishers to make it their business to find "other and corrective sources of news" to offset the influence of Government propaganda.

Intelligence is what you get from home. Common sense you must develop yourself. Learning is what you obtain in school. Knowledge is what the world hands you. Judgment comes only with the years. Experience is a bitter medicine administered by life itself, and must be taken with a bit of conscience. Wisdom is a phantom often chased but seldom overtaken. Success or failure are a matter of opinion. Reputation is the golden scale. Contentment the final objective.

The average life of mankind in the time of Queen Elizabeth was twenty years. Today the average is fifty-eight years for man and sixty-one for woman, who is biologically more important. Recent discoveries in medicine are leading to astonishing results, and give a prospect that the life of man will soon reach the Biblical promise of three score and ten.—Drs. W. J. and C. H. Mayo.

"No matter how desirable public officials may think it is for the Federal Government to project itself into affairs of our citizens, it can do so only to the extent authorized by the Constitution."—Federal Judge Charles L. Dawson.

## CHURCH NEWS

## IN MEMORY OF ST. ANDREW

In accordance with the old traditions of the Church there will be a corporate communion for the men and boys of the parish, of Christ Church, Episcopal, Riverton, at the 7:30 Communion Sunday, December 1st. St. Andrew was the disciple who, when he was called to follow Christ, first went out and got his brother and brought him along. In memory of this the men and boys of the church come every year on the Sunday nearest his, November 30th, and make their communion as a group.

St. Andrew is particularly a man's man, and the first one who thought to bring another with him. For this reason he has been adopted as the patron saint of the men's organization of the church, St. Andrew's Brotherhood. Churchmen show their loyalty to the principle which he first put into action, by coming themselves, and endeavoring to bring another with them, to this service in honor of the disciple who first spread the message of the gospel.

**CENTRAL BAPTIST CHURCH**  
Rev. George Lockett, B.D., Pastor  
Services for Sunday, December 1st, 10:00 a.m.—Bible School. In spite of the inclement weather last Sunday the school enjoyed a fair attendance. However the records show that we are considerably behind last year's record.

11:15 a.m.—Communion will be observed this Sunday following the service. Pastor Lockett will have as his sermon text "The Gracious Salvation." There will be selections by the senior and junior choirs under the direction of Claude Barto and Pastor Lockett, respectively.

7:00 p.m.—The High School Young People's Group meets in the Sunday School room. All young people are invited regardless of their age.

7:45 p.m.—Evening worship. Causes for Thanksgiving will be the subject of Pastor Lockett's sermon. Special music by the choir. Thanksgiving song fest for fifteen minutes preceding the service.

Wednesday evening at 7 o'clock the members of the junior choir will meet in the Sunday School room for rehearsal.

Wednesday evening at 8 o'clock the regular mid-week prayer service.

**CHRISTIAN SCIENCE CHURCH**  
"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Demounced" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 1st.

The Golden Text is: "Search me, O God, and know my thoughts; and see if there be any wicked way in me, and lead me in the way everlasting." (Psalms 139:23,24).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Among the gods there is none like unto thee, O Lord; neither are there any works like unto thy works. All nations whom thou hast made shall come and worship before thee, O Lord; and shall glorify thy name. For thou are great, and doest wondrous things: thou art God alone." (Psalms 86:8-10).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The supposition that life, substance, and intelligence are in matter, or of it, is an error. Matter is neither a thing nor a person, but merely the objective supposition of Spirit's opposite. The five material senses testify to truth and error as united in a mind both good and evil. Their false evidence will finally yield to Truth, to the recognition of Spirit and of the spiritual creation" (p. 287).

An Englishman, one Jonas Hanway, invented the umbrella.

Give opportunity rather than charity.

## CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, B.D., Pastor

The Sacrament of the Lord's Supper will be observed on Sunday, December 1st, at eleven o'clock, when members will be received into the church membership. The Communion is open to all professing Christians, regardless of their denomination.

The Junior Christian Endeavor Society will meet on Sunday afternoon at 4 o'clock; the Senior Christian Endeavor Society at 7 p.m. As part of the meeting of the Senior Christian Endeavor Society, a moving picture, "Christian Education in India," will be shown. This is the second of a series of pictures entitled "The Spirit of Christ at Work." The members of the society invite all young people to their meeting, and parents and friends are also invited to share this picture on Sunday evening.

The Women's Missionary Society will hold a missionary luncheon in the church school at one o'clock on Wednesday, December 4th, price 25c. Reservations should be sent to Mrs. Walter L. Drew, 107 Morgan avenue, Palmyra, phone 777-J, not later than Monday, December 2nd. The luncheon will be followed by the meeting of the Ladies' Aid Society at 2:30 p.m. and the meeting of the Missionary Society at 3:00 p.m. All ladies of the congregation and their friends are cordially invited.

The midweek service will be held on Wednesday evening, December 4th, at eight o'clock. Theme: "The True Kindred of Jesus." Please read St. Matt. 12:46-50 St. Mark 3:31-35 St. Luke 8:19-21.

## EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

This Sunday morning the Sacrament of the Lord's Supper will be administered. The public is invited to participate.

An organ recital during the first fifteen minutes of the evening service will be given by Mrs. Rachel Lord. This service will be unique.

The minister will give a message that will be to the point and brief.

## CHRISTMAS PARTY

The Boy Scout Mothers' Association will hold a sandwich luncheon and Christmas party at the home of Mrs. Schelle, 710 Perry avenue, Palmyra, Thursday, December 5th, at 12:30 o'clock. All persons attending are asked to bring six sandwiches and a ten cent gift.

## JR. WOMAN'S CLUB

The members of the Palmyra Junior Woman's Club will please note the meetings are to begin at 8:15 sharp.

The annual junior supper conference held at the Walt Whitman Hotel, Camden, was attended by Marie Jander, Elissa Stein and Adelaide Webb. Publicity.

## CHRISTMAS PARTY

The Inasmuch Bible Class of the Palmyra Methodist Church will hold their monthly business meeting and annual Christmas party at the home of Mrs. Emil Seifert, 909 Columbia avenue, Tuesday, December 3.

## SAUER KRAUT SUPPER

The Ladies' Auxiliary of the Parry Volunteer Fire Company will hold a sauer kraut supper at the fire house, Saturday evening, November 30, from 5 to 8 o'clock. Adult tickets 35c, children 25c.

## CAFETERIA LUNCHEON

The Woman's Club of Palmyra is sponsoring a cafeteria luncheon and card party to be held in the club rooms, Society hall, Palmyra, Thursday afternoon, December 5, at one o'clock.

This luncheon will be open to the general public and will be served in regular cafeteria fashion. This is the first event of its kind ever planned by the club and it is hoped that both members and friends of the club will participate in the affair.

Card playing will follow the luncheon.

## OBITUARIES

## JUDGE JOSEPH H. GASKILL

Former Judge Joseph H. Gaskill, first Common Pleas judge of Burlington County, died Monday at his home, 127 Chestnut avenue, Moorestown, N. J. He was 84.

The jurist was found dead by Mrs. Gaskill, and called Dr. Joseph Stokes, who said death was due to heart trouble.

Judge Gaskill retired about 10 p.m. and seemed in good health and spirits. Born in Mt. Holly, he started his law practice there under Ewan Merritt. After retirement from the bench, Judge Gaskill opened a law office in Camden in the Security Trust Building. He had not been in active service for the last five years.

Judge Gaskill is survived by three sons, Nelson Burr Gaskill, of Washington, D. C.; Thomas Logan Gaskill, referee in bankruptcy in Camden; and Charles Gaskill, in addition to Mrs. Gaskill, the former Frances Coffin.

## Holding Company in Emergency

(continued from page 1)

you as to the importance of holding company support to a local electric company.

"We did not appeal to the taxpayers or the federal, state or city governments for any loans or financial aid whatsoever. With the aid, advice and assistance of our holding and service companies we proceeded within the hour after the hurricane struck to bring order out of chaos as far as electric service was concerned."

"Had Florida Power and Light Company been an independent company in this great emergency and so compelled to rely solely upon its own resources, our customers would have been without electric service a much longer period and would have suffered greater inconveniences and financial losses; our employees most probably could not have been paid their wages in cash; and our security owners would have lost tremendously because the longer period of delay in restoring service would have lost additional thousands of dollars of gross revenue."

"Words at my command cannot fully describe the splendid spirit this aid from our holding and service companies has helped to instill in the hearts of Florida Power and Light Company's regular employees charged with the entire responsibility of continued electric service to its customers."

## DEER HUNTERS

A regular meeting of the State Federation of Deer Hunters and Clubs will be held Tuesday evening, December 3rd, 8 o'clock, at Oriole Cafe, 300 Twelfth street, Hammonton, N. J. Members of the Fish and Game Commission will be present and other prominent speakers. Nomination of officers. Report of the legislative committee concerning the passage of certain deer laws sponsored by the Federation. Entertainment.

## COUNTY RELIEF DIRECTOR

ADDRESSES WOMAN'S CLUB

The Woman's Club of Palmyra will hold its regular business session in the club rooms, Society Hall, Palmyra, Monday afternoon.

W. Rex McCrosson, Relief Director for Burlington and Ocean Counties, will be the guest speaker on this occasion. This meeting is in charge of the Welfare Department of the club and Mr. McCrosson's talk will be most timely.

## CINNAMINSON

SCHOOL NOTES

The past two weeks have been interesting and busy ones in school number two at Cinnaminson. With prepared programs each day during Educational Week. Beginning with a pageant for Armistice Day by the pupils and special speakers during the other days, including Richard Wood, of Moorestown, who spoke on "Peace," the Reverend J. S. Danahy, also of Moorestown, topic "The Good Life," and Dr. Harry L. Rogers, of Riverton, on "Education and Health."

All special exercises were held in the auditorium at 2 p.m. Several visitors from the lower part of the state spent part of Tuesday, the nineteenth, in the school. Thursday evening the regular children supper by the Parent-Teacher Association was offered. Over two hundred were served in the lunch room which was decorated with the school colors.

While the accounts are not quite balanced, there is the assurance of a fine sum to replenish the treasury. The association is fortunate in having so many devoted workers when affairs are pleased.

Monday morning the visitor found the fifth grade preparing for a play, spending part of the noon hour to rehearse.

All interested in the school were pleased over the victory when the school soccer team defeated the Moorestown Friends' team last week.

## RIVERTON

Mr. and Mrs. S. Reid Merley will spend Thanksgiving with his sister in Long Island.

The Misses Lillian and Pearl Moore spent the weekend visiting friends in Plainfield.

Mrs. J. P. Macfarlane, of Boston, is spending several weeks at the home of her daughter, Mrs. Harry P. Landis, Jr.

Miss Alice Lavery, of Newton, Massachusetts, formerly of Riverton, attended the Harvard-Yale game Saturday.

The Woman's Republican Club of Burlington County is sponsoring a card party to be held in the Legion Hall, Florence, on Friday, December 13. Tickets 25c. There will be plenty of prizes.

Mr. and Mrs. W. L. Caskey spent Sunday with Mrs. Julia Caskey, of Holmesburg.

Mr. and Mrs. Ross Evans will have as their guests on Thanksgiving, Mrs. George Brownell, of Frankford, Lamont Brownell, of Reading Hospital, and Karl Shelby, of Philadelphia.

Leon Sloan, one of the teachers in the Riverton public school, was hurt in the Palmyra Alumni football game at Palmyra last Thursday.

The Associated Republican Clubs are planning for their annual banquet and dance in Riverside on January 6.

The many friends of John Sloan, a former resident of Riverton, will be sorry to learn that he is seriously ill at the home of his son, Leon, in Maple Shade.

Mr. and Mrs. Oliver G. Willis, of 109 Bank avenue, entertained at dinner Monday evening at the Arcadia-International.

Mr. and Mrs. Frank Rue will entertain Mr. and Mrs. William Fredericks and son Billy, and daughter Jane, of Cranford, on Thanksgiving Day.

Mr. and Mrs. William Wurster, of Buffalo, New York, will be the weekend guests of Mr. and Mrs. Herbert M. Kieckhefer. Mr. Wurster formerly lived at the Riverton Country Club.

Major and Mrs. Trumban, of Cranford, will be the weekend guests of Mr. and Mrs. Frank Rue. They will all attend the Army-Navy game on Saturday.

Mrs. Mary G. Williams is representing the South Jersey Supply Company for all General Electric appliances, such as washing machines, vacuum cleaners and radios, as well as many household conveniences. Call Riverton 234.

## ENGAGED

Mr. and Mrs. Walter Keen Woolman, of Bank avenue, announce the engagement of their daughter, Elisabeth, to Myron Raymond Adams, son of the Reverend and Mrs. Henry Brewster Adams, of Reno, Nevada. Miss Woolman is at Wellesley College in the class of 1937. Mr. Adams is a graduate of Harvard University, class of 1932 and a senior at the Harvard Law School.

## WOMAN'S EXCHANGE

A woman's exchange will be held at the Porch Club on December 4, from 10 a.m. until 5 p.m. Any woman in the town who wishes to sell home-made cakes, pies, bread, linens or anything which might bring in Christmas money may bring same to the club house at 10 a.m. If anyone who sells a line of clothing or Christmas gifts wishes to exhibit same for orders, she may do so. Come and buy something. Everyone help to help someone else! Mrs. William Porter, chairman, Riverton 436.

A cat with eight legs, parts of two bodies and two tails, was born recently at Denton, Kansas. Its picture might make a good emblem for a third party.

## PALMYRA B & L

### RELEASES \$91,000

This Makes Total of \$238,600  
the Association Has Matured  
This Year

Armistice Day of 1935 will be re-  
membered by many residents in  
Riverton and Palmyra. Not only  
did this day mark the eventual  
signing of the Armistice and the be-  
ginning of peace, but the day fol-  
lowing brought peace and content-  
ment to many as they either received  
a cancellation of the mortgage on  
their property, a cancellation of a  
loan on their stock, or a nice sized  
check—all from the Palmyra Build-  
ing and Loan Association at the ma-  
turity of their 38th series.

Today, the fantasy of spending  
in billions of dollars has probably  
educated many into a way not ap-  
preciating values in the lesser num-  
ber of digits. However, when con-  
sidering the locality, its resources,  
its population and the times, \$238-  
600.00 is a considerable sum to be  
matured by any building and loan  
association within the last year.

Last April the Palmyra Building  
and Loan Association matured their  
37th series which totaled \$147,400.00,  
and on November 12th, they ma-  
tured their 38th series to the tune  
of \$91,200.00 or a grand total of  
\$238,600.00

When an individual is able to pay  
his indebtedness his morale is better,  
and as the towns are made up of  
individuals, it is natural to assume  
the town takes on a different atti-  
tude. From the 38th series \$21,100.00  
of mortgage loans were cancelled,  
or a total for the year 1935, \$57,500.  
On the other hand \$8,000.00 has  
been cancelled in stock loans or a  
total of \$23,745.00 this year. In  
other words, the people of Riverton,  
Palmyra and vicinity have been re-  
lieved of an obligation of \$81,045.00.

In maturing the 38th series, \$61-  
070.00 of actual cash was distributed,  
and in their 37th, \$96,485.00 or a  
total of \$157,555.00. This represents  
a per capita distribution to the popu-  
lation during the year of nearly \$20.  
And the work of this association  
is not being diminished, as there  
were 440 shares sold during the last  
few months, in their 62nd series,  
making nearly 1000 shares sub-  
scribed for in the year 1935.

"SHOWER BATH NEXT?"  
The age of miracles is not past  
and especially so in the "horseless  
buggy" business. When the first  
gasoline buggy sputtered down  
"Main street," it was a topic of con-  
versation. The self starter was a  
nine-day wonder. Then came four-  
wheel brakes, free wheeling, hydraulic  
brakes, knee action and a million  
other contraptions to stun the auto  
public. The LATEST thing now is a  
"Steam Heating Plant" in your  
sedan.

This heating plant produces a hot  
blast within two minutes of starting  
from cold, and is run entirely inde-  
pendent of the auto's cooling system.  
If you're curious, ask "Clint"  
Woolston, he knows more about it  
than we do, anyhow.

**FORCASTER TUGWELL**  
Tagwell predicts a balanced bud-  
get in 1936. This is the first time a  
prominent Brain Trustee has ac-  
knowledgeed that the Republicans  
would win.—Worcester Telegram.

## BOZO AND THE BARON

## PHARO SPEAKS ON

### 'TELLING THE NEWS'

Washington Post Correspondent  
Addresses County P.T.A.  
Publicity Luncheon

The publicity conference and  
luncheon of the Burlington County  
Council of Parents and Teachers  
was particularly helpful to the pub-  
licity chairman who attended.

Mrs. Samuel F. Baugh, Burling-  
ton County publicity chairman, in-  
troduced Mrs. L. F. Rinker who has  
charge of the publicity for the en-  
tire state. Mrs. Eugene Pharo,  
county council chairman, told of  
many important factors to be con-  
sidered in making a publicity book  
a useful and permanent record.

Eugene Pharo, special correspond-  
ent to the Washington Post, thru  
his long experience in newspaper  
work was well qualified to discuss  
all the phases of "Telling the News."  
In closing the conference Louis J.  
Kaser, superintendent of Burlington  
County schools, summarized the pre-  
ceding talks as he had interpreted  
them and commented on the spirit  
of friendliness and cooperation  
which prevailed.

Mr. and Mrs. Leonard Burr and  
Mrs. Grace Waters sang several se-  
lections and Mrs. Jacob Klevan,  
Burlington County music chairman,  
played two piano selections.

## GEORGE vs. STEELE

### ON CAMDEN MAT

Thanksgiving Card Full of  
Exciting Bouts for Holi-  
day Fans

The Turkey Day spirit will take  
place with the wrestling fans at the  
Camden Armory, Thursday night.  
A natural feature, Ed Don George,  
former boss of matdom, and Ray  
Steele, of Clendons, will clinch a  
bill, comprised of five bouts. In  
addition there will also be two form-  
er kings of grapple in this  
Thanksgiving Day card. They are  
Big Jim Browning and Gloomy Gus  
Sonnenberg.

This will mark Steele's first East-  
ern appearance since he won the  
boxer-wrestling championship when  
he pinned the former heavyweight  
boxing contender, King Levinsky, in  
the amazingly quick time of 35  
seconds.

The main event will travel over  
the two out of three falls, ninety  
minute time limit voyage.  
Browning will be seen in action  
in the forty-five minute semi-final.  
His foe will be the rugged Charley  
Steele, of Spring Valley, N. Y.

Sonnenberg will show in the main  
preliminary, a half hour duel, when  
he takes on the sensational Al Mer-  
cier of Springfield, Mass.

Spectacular Hank Barber, the  
flashy Jewish lad, and Abe Kashy,  
one of wrestling's roughest, meet in  
the second number, a thirty minute  
duel, while the opener will bring to-  
gether, in a half hour contest, Mike  
Mazurki, of Poland and Dr. Freddy  
Meyers, the rough, tough and rugged  
bone twister from the Windy City.

On the day after election the  
newspapers reported that prices on  
the stock market had gone up from  
one to five points. In another col-  
umn it was stated that the betting  
on Roosevelt's re-election had gone  
down from ten to one to two to one.  
Maybe the two things work together.

## Cannot Keep the New Deal and Cut Taxes

BY NICHOLAS ROOSEVELT  
For the National Republican Builders, Inc.

The New Dealers' failure to present the tax problem honestly has done much harm. Particularly noticeable is the "soak-the-rich" program by which the President sought to give the impression that the average man of small means would not have to pay for the New Deal—that the whole cost would be levied on the rich.

### Facing the Truth

The ugly truth is that only by increased taxes of all sorts for everybody will it ever be possible to pay for the New Deal.

The New Dealers, anxious to hide this, have deliberately ignored the fact that the entire New Deal program which rests on enlarging the Federal government's powers and creating new alphabetical agencies with tens of thousands of new bureaucrats, inevitably means larger permanent taxes so as to produce the funds to pay these government employees. By borrowing instead of taxing, the New Dealers have postponed the day of reckoning—financial as well as political. Knowing that not they but their successors in office will have to meet the debts incurred in behalf of the New Deal, they do not care where the money comes from—so long as it doesn't come from taxes.

They are quite well aware that if they tried to operate the New Deal on a pay-as-you-go basis the tax payers would quickly rise in revolt and throw the New Deal out of the window.

### 150,000 New Jobs

Since the New Deal came into effect, 150,000 new Federal jobs have been created. These cost the taxpayers nearly a half billion dollars a year. These jobs can only be eliminated after a violent political struggle.

The more services the government provides the more taxes it has to raise. The more the government goes into business, controls farming, regulates industry and commerce, the more agents it needs who, in turn, need offices and automobiles and typewriters—and red tape. Each such new agent, each office, each yard of red tape has to be paid for—by you and me. Taxes go almost entirely to support bureaucrats and politicians.

The seriousness of this lies in the fact that the tax burden for most of us is already unbearable. As the New Deal borrowings begin to be paid for, taxes will go up. This is unavoidable.

But what the country wants and needs is to have taxes lowered.

### New Deal Cost Climbing

This thought is alarming to the New Dealers because they realize the cold fact that reduced taxes and the New Deal cannot go hand in hand. Continue the New Deal and raise taxes or reduce taxes and scrap the New Deal. There is no alternative.

One of the many painful tasks which the Republicans will have to perform in rectifying the New Deal errors is to cut expenditures and increase revenues so as to balance the budget. Actual reductions in expenditure are indispensable—not alone the cessation of borrowing.

The trouble's two-fold—that increased taxation will be unpopular with the voters, and that cutting government expenditures will be bitterly opposed by the politicians.

It will mean cutting off government bureaus, eliminating government services, ceasing government interference, curtailing government activities. It will also mean putting an end to government subsidies, abandoning loans on commodities which are granted and accepted as gifts from Uncle Sam, taking government out of business—and re-vamping the whole relief system.

A man of ten-stone weight contains enough lime to whitewash a chicken coop.—Dr. T. E. Lawson.

## MOTORISTS PAY 33% SALES TAX

Car Owners Protest Effort to  
Further Increase of Tax on  
Oil and Gasoline

Vigorous protests are heard throughout the state against any proposal to increase the gasoline tax rate. The opposition is coming from the owners of 845,000 registered motor vehicles in the state who already are contributing from 40 to 45 cents out of every dollar of direct state revenues. It is estimated that there are 600,000 owners of motor vehicles in New Jersey all of whom have just reason to oppose any increase in the costs of motor vehicle operation. An analysis of the part that the motorist is already playing in the cost of financing the state government is aptly portrayed in figures recently compiled which show that out of a total of approximately \$75,000,000 of direct state revenues slightly more than \$32,000,000 is contributed by the motorists. Approximately \$15,000,000 of this fund is derived from license fees and \$17,000,000 from motor fuel taxes.

### Motorists Pay 33% Tax

Speaking on the subject of gasoline taxes, few people realize that this is a sales tax and a very high one. At prevailing prices of gasoline the present gas tax is equivalent to a 33% retail sales tax or approximately a 100% wholesale sales tax.

During the last few months the people of New Jersey have demonstrated that they were opposed to a 2% sales tax yet at the same time many motorists have been paying a 33% sales tax on gasoline without realizing it. Along with the real estate owner the motorist is the most taxed class of citizens in our state and in most cases the motorist is also a property owner and pays all the taxes paid by other citizens. Last year motorists paid on an average of \$50.16 per motor vehicle in license fees and gasoline taxes, a rate not borne by any other class of taxpayers because the average value of a motor vehicle is only \$200.00.

### Killing the Goose

Before increasing the motor tax burden it would be well to consider the effect of higher levies in relation to actual returns. It has been demonstrated in other states that when gasoline taxes go beyond three cents per gallon the law of diminishing returns sets in resulting in a relative reduction in sales and less revenue for the state. This fact is amply supported. In New York and Pennsylvania where an increase in the tax rate resulted in a substantial decrease in gasoline consumption. The raising of gasoline taxes also increases the incentive to bootlegging and tax evasion, both of which are costing the states millions of dollars annually.

In 1906 the motorist revenue, after deducting the cost of administration, was \$58,000; in 1932, 866,000 motor vehicles paid \$15,000,000 in registration fees and \$17,000,000 in gasoline taxes.

### Will Force Price Up

Higher gasoline taxes must come out of the pockets of motorists. Transportation costs will be increased which means added expense to the consumer. Consider food. Since 26% of all trucks registered in the state are owned by or operated for farmers and because fully 80% of all the food produced on the farms is hauled by truck, any increase is bound to react in higher costs regardless of whether it is hauled on the farmer's own truck or that of a commercial hauler.

Must the motorist remain the State's forgotten man?

Company manners are best when practiced at home.

So live that you wouldn't be ashamed to sell the family parrot to the town gossip.

## DOUBLE TROUBLE

Jack Oakie and Lyda Roberti appear in Paramount's laugh riot, "The Big Broadcast of 1936," which comes Friday and Saturday to the Broadway Theatre, with Burns and Allen, Wendy Barrie and Henry Wadsworth also in the leading roles. Bing Crosby, Amos 'n' Andy, Ethel Merman, Bill Robinson, the Nicholas Brothers and Ray Noble and his band do specialty numbers.

It is probably untrue that the President will inaugurate the proposed national drive against accidents by administering a public spanking to his sons.
