PRICE FIVE CENTS

ANNUAL REPORT OF SANATORIUM

Dr. Newcomb Shows Saving of \$5,654.88 Over Last Year's Cost

Honorable Board of Chosen Freeholders,
Board of Managers of Fair View Sanatorium.
Gentlemen:

I have the honor, as Medical Director of the Burlington County Sanatorium for Tuberculosis, to present to you my seventeenth annual report.

During the year 1935 there were 137 admissions, 78 discharges and 56 deaths. Of the admissions, 30 were minimal, 11 moderately advanced, 86 far advanced, 3 non-tuberculosis, 5 surgical tuberculosis, 1 suspicious and 1 childhood tuberculosis. Of the readmissions, 3 were minimal, 1 moderately advanced, and 27 far advanced and 1 suspicious. Of the discharges, 1 was arrested, 9 apparently arrested, 8 quiescent, 34 improved, 20 unimproved and 6 non-tuberculosis.

Our average number of patients per day for the year was 109.87. Our average for Burlington County patients was 64.35. The total number of patient days was 40,104; total number of Burlington County patient days was 23,475. The total number of meals served for 1935 was 153,097.

There were 269 X-ray pictures taken and many fluoroscopic examinations made. There were 841 Pneumothorax treatments given, as follows: 578, patients in institution; 159, ex-patients of own institution; 104 ex-patients from other institutions. We had 3 Phrenectomies and 1 Thorocoplasty performed in the Burlington County Hospital.

The dental report is as follows: Extractions, 293; treatments, 112; cleanings, 55; examinations, 116; silver fillings, 33; cement fillings, 21; porcelain fillings, 59; gutta-percha fillings, 17; silicate fillings, 2; X-ray pictures, 63; adjusting plates, 21; total operations, 792.

The only improvements this year were the fire escapes, hose and cart. The garage doors are being built and we are continuing the rental of \$2.00 per month with which to meet this expense.

I am glad to report that we have a balance of \$1,193.50 in favor of our farm. We have enough canned vegetables to last until the fresh vegetables come again. We still have 9 hogs left which are not counted in the receipts. The farm report follows:

Expenses of Farm	
Horses' Board	\$ 200.00
Harness, Shoeing	4.00
Machinery, repairs	40.90
Manure	178.14
Fertilizer, 3 tons	86.15
Seeds	77.93
Baskets	10.50
Extra Labor	136.04
40 Pigs	85.00
Vaccinating Pigs	24.00
Doctor Bills, Medicine	9.00
Care of Horses	21.20
Farmer's Salary	660.00
Total Expense	\$1,532.86
Receipts from Farm	
Vegetables from Garden	\$520.26
Canned Vegetables	463.48
Hogs Killed and Used	1040.52
Hogs Killed and Sold	702.10
Total Receipts	\$2,726.36
Net Profit	\$1,193.50

The Laboratory report is as follows: Specimen: Urine: Urinalysis, 1002; Quantitative Sugar, 17; Urea Nitrogen, 1; Quantitative Albumin, 8; Blood: Complete Blood Counts, 175; White Blood Count and Differential, 10; Red Blood Count and Haemoglobin, 11; Haemoglobins, 15; Coagulation and Bleeding Time, 1; Blood Sugars, 8; Urea Nitrogen, 3; Sedimentation Tests, 272; Wasser-

OPPOSITION TO NEW LEGISLATION

Burlington County Game Protective League Against "Vicious Legislation"

Strong opposition to the passage of proposed legislation that would combine several state commissions into one department and include the State Fish and Game Commission was voiced at the annual meeting of the Burlington County Game Protective League at the court house in Mount Holly, on Thursday night, and without any discussion after reference was made to the measure the sportsmen put themselves on record against what was termed vicious legislation so far as general sporting interests all over the state are concerned.

Election of Officers
E. Budd Marter, of Edgewater Park, who has put some real life into the League during the past year, was unanimously re-elected president. Also re-elected were vice president Edward M. Warrick, of Moorestown, and secretary Harold T. Parker, of Mount Holly. Ernest Sever, of Beverly, was elected treasurer.

FARMERS WILL NOT MOURN AAA

Prefer to Exercise Own Discretion in Management of Their Farms

New Jersey farmers will not be adversely affected by the decision of the Supreme Court upsetting the Agricultural Adjustment Administration, according to the opinion of some of the representative producers, it was stated at Trenton by William B. Duryee, State Secretary of Agriculture.

Processing taxes collected on commodities used by the farmers in this state have added to costs of production and to the cost of living in New Jersey. Mr. Duryee pointed out that by reducing the acreage of staple crops, farmers in other areas of the country have gone into the production of commodities which have competed directly with the products of this state. If the effect of the court decision is to result in the normal use of such acreage in other areas, the effect may be one of reducing competition with New Jersey crops and thereby aiding the New Jersey producer. Benefit payments have been negligible in New Jersey and therefore any cessation of these payments will not have an adverse effect upon the incomes of producers here.

The attitude of the farmers of the state, according to Mr. Duryee, seems to be one of preferring to exercise their own discretion in the management of their farms and in the production of crops and livestock, coupled with a desire to see other areas and types of agriculture put on an equal competing basis.

Some mechanical experts say that automobile engines frequently get "intoxicated" during an accident. But one main trouble is that so many automobile drivers get intoxicated before the accident.

We do not stop playing because we grow old.
We grow old because we stop playing.

—Herbert Spencer.

A PLEA

The Riverton - Cinnaminson Welfare Association is in great need of shoes, rubbers, blankets and all kinds of warm clothing. Anyone wishing to help out in this worthy cause may call Riverton 321-R and their contribution will be called for, or if more convenient things may be left at the Welfare office, in the second floor of the Riverton fire house.

TO ISSUE BONDS FOR PWA PROJECTS

Freeholders Approve \$13,500.00 Issue to Partly Finance Improvements

The Burlington County Board of Freeholders, in special session on Thursday passed on first reading a resolution calling for the issuance of \$13,500 in anticipation notes for WPA projects in the county.

Another measure introduced by Freeholder Walter Lamon calling for a change in the date for receiving sealed bids on the issuance of \$166,000 bonds in the refunding program that has been in progress, to February 6 was also passed on first reading.

Director Palmer L. Adams introduced the resolution calling for the \$13,500 bond issue. This amount will not cover the total share of the county in the WPA projects that are pending. The county share is \$14,382 of the total cost of \$124,714. The government will furnish the remainder of the cost.

Included in the projects are: Reindexing the sheriff's office records, \$3700; reindexing the county clerk's records, \$5800; improving the sheriff's office and other county buildings, \$1500; erection of a milk house at the almshouse at New Lisbon, \$1500; poultry house at the same institution, \$1000.

Two other projects that are not included in the bond issues are (1) increasing the cows at the almshouse so that the three county institutions, almshouse, Fairview Sanatorium and Burlington County Hospital for Insane, may be supplied with milk, the cost being set at \$2000; and (2) building an ice house at the almshouse for \$2820.

A public hearing on the resolution will be held on February 10 at 10:30 in the morning.

Included in the \$166,000 bonds for which the sealed bids are to be received are \$52,000 general refunding bonds; \$90,340 road and bridge refunding bonds, and \$23,675 improvement bonds. An issue of \$178,000 was sold on December 30, to a Philadelphia financial house at a private sale for an interest rate of 2½ per cent. The same investment firm is expected to bid on this issue.

A PLEA FROM THE WALKING PUBLIC

Since the thaw several days ago, the sidewalks are in even worse condition than when just the snow was on them. The snow, when broken up, made fairly safe walking, but after it froze, the sharp corners make it very difficult as well as dangerous to those who have to get to their destinations on "Shank's Mare."

Now wouldn't it be a nice thing to do for the walking public, if each citizen would put a few ashes or some sand on their public walk? The going would be much easier and there would be less broken bones and strained muscles. Vox Pop.

ROSS E. MATTIS HEADS BEEKEEPERS

Last Friday the New Jersey Beekeepers Association named Ross E. Mattis, Riverton, president; Harry N. Connor, Stockton, first vice president; Henry Brown, Cape May Courthouse, second vice president; Andrew J. Hausenbauer, Hopewell, third vice president, and E. G. Carr, Pennington, secretary-treasurer.

Mrs. L. C. Headley, of Madison, discussed "The Morale of the Honeybee."

IT'S MUCH HARDER NOW

An Oregon centennial, celebrating his birthday anniversary, essays the observation that it is easy to live to be 100 years old. Probably he overlooks the highly important fact that he had already the first 50 years of his life before the advent of the motor car.—Los Angeles Times.

STATE BOARD UPHOLDS ELLIOTT

Limited Number of Riverton Pupils May Continue to Attend Moorestown High

State Education Commissioner Elliott has been upheld by the State Board of Education in granting permission for a limited number of Riverton school pupils to attend high school in Moorestown instead of Palmyra High.

The action of the commissioner was appealed by the Palmyra Board of Education, where the majority of the Riverton school pupils attend classes.

It was pointed out by the board in disposing of the question at a meeting Saturday that a 10 per cent restriction is imposed, which under the present total of Riverton school pupils limits the number taking advantage of the exception to 13. The fact, it was added, is that only eight pupils from Riverton are attending the Moorestown High School.

TOWN MEETING ON MONDAY FEB. 24th

Annual Meeting to be Held in New School Auditorium at Eight O'clock

Edwin S. Parry, president of Riverton Town Meeting, has set Monday evening, February 24, as the date for the annual meeting of this civic organization. The new auditorium of the Riverton Public School has been secured for the meeting, which will take place at 8:00 o'clock.

A nominating committee will be appointed in the interim which will have a suggested list of officers to be elected for the ensuing year.

Heads of committees will give reports of progress since the last open Town Meeting.

Those expected to be heard from will be the lake committee, the transportation committee, the Christmas decorating committee, and the school committee.

The Riverton Town Meeting, organized two years ago, has secured for the people of Riverton many worthwhile civic improvements. The new school dedicated on Tuesday was the biggest project to which Town Meeting aid was helpful. For three successive Christmas holiday seasons the Town Meeting has sponsored a Christmas decorating project that has won acclaim far beyond the limits of the borough. Its interest in the Fourth of July celebration brought a restoration of the traditional Fourth for which Riverton was famous for many years.

The transportation committee has performed a valuable service to the people of Riverton as well as to the entire populace of the New Jersey riverfront section. The transportation committee, by a well-organized effort, brought a restoration of the so-called "bridge" trains on an increased schedule, and then fought for and secured a reduced schedule of fares on these trains.

It has a committee working on the problem of providing swimming facilities for the children of Riverton and Cinnaminson, and a report from this committee is expected on February 24th.

Former President Hoover says: "Blessed are the young, for they shall inherit the national debt." In a way they are like the meek, who if they inherit the earth, will find that a 90 per cent mortgage goes along with it.

What a life! Under six we believe in Santa Claus and over sixty we believe in Doc Townsend.

Ethiopia has one automobile to every 15,134 persons.

DEDICATION OF SCHOOL BUILDING

Dr. Mahoney Speaks on Value of "Neighborhood Spirit" in Small Communities

The new Riverton Public School building was dedicated Tuesday evening of this week in the auditorium. In opening the meeting, Mrs. Francis B. Elwell, president of the board of education, spoke as follows:

"This occasion, the dedication of the improved and enlarged school building, brings to us all a deep sense of satisfaction and gratitude. This has been the goal toward which we have worked for more than two years—not the board of education alone but all the citizens of Riverton, who have taken so great an interest in the project—and at last that goal has been reached, a newer, larger, better-equipped school building in which our children can be safe.

"Speaking for the board of education, our satisfaction is rooted in the fact that we, as your representatives, have been able to carry this undertaking to a successful completion. We are well pleased with the quality and scope of the work done by the architect, Mr. Edwards, and the contractors. I am sure that as you have inspected the building, you too, have been pleased by the many improvements that you have seen, and there are many more such as the new wiring and improved ventilating system, not visible, of course. Some details remain to be perfected, but we have a maintenance bond for a year and so these are insured and will be taken care of in the near future.

"The board members have given unstintingly of their time and have put countless hours of thought and work to making this the best possible job obtainable for the money invested. Mr. Smith, as chairman of the building committee, Mr. Woolman as vice president and chairman of the finance committee, Mr. Moyer, Mr. Werner, Mrs. Yost, and especially Mr. Wolcott and Mr. Latch have been untiring in their efforts, attending to the never-ending details and complications that arise with such a building program.

"Mr. Davis, custodian of school funds, Mr. Bottger, district clerk, and Mr. Mathews, our solicitor, have handled a heavy load ably.

"The U. S. Government and its representatives in the state played a large part in carrying out the project and have shown us great consideration.

"The board expresses its appreciation and thanks to the Riverton Town Meeting whose endorsement the board undertook the project. This group has given fine cooperation and helped to carry the special election to a triumphant conclusion.

"The committee of three, which Town Meeting was invited to appoint, has rendered great assistance to the board, and to them, Mr. Barnhart, Mr. Marshall and Mr. Unland, we give our hearty thanks.

"And now it gives me great pleasure to turn the meeting over to the first president of Town Meeting, the man whose whole-hearted enthusiasm and energy gave the impetus that started Riverton on the worth while undertaking, Dr. Harry L. Rogers."

Dr. Rogers said that the present improvements in school facilities was the most worth while thing Riverton had ever done; that it provided a safe and healthful building for the children and a place for the public to meet. On his suggestion the audience gave a rising vote of thanks to the school board, and Dr. Rogers spoke of the fine cooperation given by the mayor and council.

Mayor H. McIlvaine Biddle said it was with great pleasure he welcomed his fellow citizens to the meeting because he believed that Riverton had achieved something worth while. There is nothing like a good school, he said, to draw

(continued on page 3)

RIVERTON

Miss Alice Bartley, of Elm Terrace, entertained her bridge club at her home Tuesday evening.

Miss Bernice Hercher, of Cinnaminson, was hostess to her sorority last Tuesday evening.

Miss Ruth Arters, of Camden, was the weekend guest of Miss Emily Perkins, of Cinnaminson street.

Don't forget the card and radio party to be given by the Riverton Fire Company Auxiliary in the fire house on the evening of February 18. Refreshments, admission 35c.

Mr. and Mrs. Paul Arnold have recently moved from Park avenue to Elm avenue.

Mr. and Mrs. Charles Evans and Mr. and Mrs. Edward S. Wood, left last week for Mississippi where they will spend some time.

Mr. and Mrs. John Lockowitz, of Cinnaminson street, have moved to Moorestown.

Mr. and Mrs. Howarth D. Beaumont, of Evanston, Ill., have moved into the property at 102 Midway.

Mr. and Mrs. George Cunningham, of Springdale, Pa., spent Sunday at the home of Mr. and Mrs. George Friday.

Mr. and Mrs. James Clark are spending several weeks in Florida.

Mrs. F. Stanley Groves is spending several weeks at Miami Beach, Florida.

Mr. and Mrs. Frank Seemuller, and daughter, of Philadelphia, were the guests of Mr. and Mrs. Charles Seemuller, of Fourth street, Sunday.

Mrs. Anna Cook, of Lippincott avenue, entertained the Eastern Star at a covered dish luncheon Tuesday afternoon, at her home.

Mrs. F. S. Teeple, of Seventh street, has returned to her home after spending six months visiting relatives in California.

Mrs. Anna Shannon had the misfortune to fall and break her wrist last week.

Mr. and Mrs. C. V. Devery and son are spending several weeks in Miami, Florida.

Thomas Hanna, of Riverside, was the winner of the blanket club last week, and Miss Sarah Bogelman, of Riverside, was the winner this week. The blankets are given by the Sacred Heart Parent-Teacher Association.

CHORAL CLUB TO GIVE CONCERT SOON

Musical Evening Under Auspices of Palmyra-Riverton "Y," February 18

The Palmyra-Riverton Young Men's Christian Association will present the Fellowship Choral Club in a concert and evening of music, Tuesday, February 18, at 8 o'clock in Riverton school auditorium. The Choral will be assisted by Elizabeth Lippincott, contralto, and the Aolian Trio. The trio is composed of the following noted musicians, Walter Pew, violin; Walter Schmidt, cello; William Carey, piano. The Choral and the entire program will be under the direction of Alfred S. VanOsten. Lee Mitton will be at the piano for all numbers given by the Choral Club.

This will be the first community function to be held in the Riverton auditorium which was dedicated to public use on Tuesday, February 4th. Tickets for the evening may be secured by calling Riverton 904-W or from any board member. The committee from the "Y" is composed of the following men, Charles H. Yost, Nathan Lane, Victor Ritschard, and Robert Adams.

It is the fruited tree at which men throw stones.

CARD OF THANKS
Mrs. Joseph Stack wishes to express her appreciation of the kindnesses shown to herself and her husband following his accident last week. Her special thanks goes to those who sent flowers to Mr. Stack in the hospital.

FRIENDLINESS without Affectation

A good bank has a lot of things for sale; convenience, and safety, and service, in hundreds of different ways. But it's got some things that are not for sale. Friendliness is one of them. By friendliness we mean courtesy, consideration and real helpfulness in every transaction we make, big or little. This friendly spirit makes even the most routine banking detail more pleasant for you and for us. We have found it a good business policy.

Same Old Story

Dame Rumor has it that one of the ladies of the town, who takes great interest in the young folks, contemplates starting a private matrimonial agency for the purpose of bringing off some of the matches that have been hanging fire, and to promote others. She says it is a pity to see so many eligible young folks unmarried when a little harmless scheming might bring about a happier condition of affairs.

N. Myers Fitter expects to move into his remodeled house at Bank and Thomas avenues, next week. (Mr. Fitter and his family now live in Bryn Mawr. O. G. Willis occupies the house mentioned.)

Colonel Richard Vickery, of Hampton, Va., died suddenly of heart failure, on Wednesday morning, while on a visit to his daughter, Mrs. S. W. Wakeman. The body was sent to Washington, D. C., this morning.

The monthly meeting of the Mothers' Council will be held on Thursday afternoon, January 11, at 3.30, in the public school. The subject for consideration this month is one which interests everyone who is in any way associated with children, viz: "Books and Reading for Children." Mrs. J. Lawrence Lippincott will read an original paper which will be followed by a general discussion, after which tea will be served.

Anyone desiring to become a member of the Mothers' Council may either send their names or give them after the meeting to Mrs. Walter Spackman, treasurer, or Mrs. O. H. Mattis, secretary. All interested are very welcome at any of the meetings, printed programs of which, with date of each, are for distribution by the secretary. (The Mothers' Council has since merged into the Parent-Teacher Association.)

The Palmyra township committee met for organization last Tuesday evening. James E. Russell was re-elected chairman. Joseph A. Davis, re-elected to the committee, took oath of office. The following appointments were made: J. J. Tomes, officer, salary \$10 per week; F. W. Smith, treasurer, \$50 per year; John G. Horner, solicitor, \$50 per year; Dr. L. L. Sharp, township physician, \$25 per year; E. Morris Beck, superintendent fire alarm system, \$65 per year.

The treasurer's bond was fixed at \$3,000, the constable's bond at \$500, overseer of the poor, \$260. The bonds of J. J. Tomes, C. M. Cooper and Walton Leap were accepted. Committee Chairman Davis reported that he had caught the Vulcanite Paving Company chipping a block of pavement on the school house property, to make it go back into place, and told them that such work would not be accepted by the committee. They promised to put in a new block in the spring, and also one on Spring Garden street.

It was suggested that it would be a good plan for the township to hire a man to collect ashes about town twice a week and deposit them in the bad places on the streets. The committee will consider the matter, as it is believed it would be an economical way of repairing the roads.

A resident of Palmyra, who received seven clocks for Christmas, won rather at a euchre party last Saturday night.

Miss Laura Boehme is practicing teaching in the Riverton public school for the month of January. Miss Ethel Morton is teaching at Delanco. They expect to graduate in February.

Announcements of the wedding of Charles Lippincott, a former resident of Palmyra, and Miss Isabella Smith, of Woodstown, were received in Palmyra this week. The bride is said to be wealthy. Mr. and Mrs. Lippincott will be at home in Woodstown after April 1.

Some very good scores were made

at the blue rock pigeon shoot held under the auspices of the Riverton-Palmyra A. C. Gun Club last Saturday.

In the seventeen-target match the scores were as follows: C. Walters, 12; J. Keating, 11; W. Purnell, 11; T. Jones, 11; J. A. Horner, 9; R. Gilpin, 9; C. Green, 8; A. J. Beckenbach, 8; A. M. Beckenbach, 7; G. Shade, 7; C. Creighton, 7; J. Beller-Jeau, 5; William Hires, 4; G. Rogers, 4; H. Severns, 3; G. Boehme, 3.

On Monday, January 1, in a twenty-five target match, the result was as follows: J. Keating, 19; C. Green, 16; C. Walters, 15; T. Jones, 15; L. Keating, 15; G. Shade, 13; A. M. Beckenbach, 11; W. Ireland, 10; G. Boehme, 9; Missick, 6; Vanciver, 5.

The new church building of the St. Paul Baptist Church will be dedicated at East Riverton next Sunday. The program for the exercises of the day is as follows: 11 a.m., sermon by the Rev. Charles L. Candee, pastor of Calvary Presbyterian Church; 3.30 p.m., address by the Rev. J. P. Gregory, of Haddonfield, N. J.; 8 p.m., sermon by the Rev. Hughes, of St. John's Baptist Church, Camden. The public is cordially invited.

ENGAGED
Mr. and Mrs. John E. McVaugh, of East Main street, Riverton, announce the engagement of their daughter, Anne Satterthwaite, to Charles Wright Knight, son of Mr. and Mrs. Robert W. Knight, of 211 Howard street, Riverton.

P.T.A. "TALENT DAY"
Monday, February 17, will be "talent day" at Riverton Public School. A play entitled "On the Air" will be presented by members of the P.T.A. Mrs. G. Harold Baker will be in charge of the food sale and there will be the usual home-made "goodies" offered for sale.

The Mothers' Council has since merged into the Parent-Teacher Association.)

CHURCH NEWS

CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, B.D., Pastor
Sunday, February 9th: Church School, 9:45 a.m.; Morning Worship, 11 a.m.; Junior Christian Endeavor Society, 4 p.m.; Senior Christian Endeavor Society, 7 p.m.

The Christian Endeavor social, announced for February 11th has been postponed.
Midweek Service, Wednesday, February 12th, at 8 p.m.

A cordial welcome is extended to all in the community who have no regular church home here to unite in the worship and fellowship of Calvary Church.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

A new sermon series will begin in our church this Sunday morning at eleven o'clock. The general title is "Faith and Practice." This Sunday morning Mr. Boyd, minister of the church, will preach the first in the series, "Heaven." The following sermons will be given as follows: February 16, "Hell"; February 23, "Purgatory"; March 8, "Satan"; March 15, "Sin." The music in this service is furnished by the Dulciana and Senior Chorus with Mrs. Lord at the organ.

Lincoln's Birthday will be observed in our church in the evening at 7:45. A group of colored students from the high school will sing the folk songs of their race. "Lincoln's Abiding Greatness" will be the subject of the sermon. This sermon will be illustrated. The choir will sing special music as will the song service consist of appropriate hymns.

The Church School Sunday morning at 10 o'clock. Parents, come this week and bring your children with you.

At the mid-week church service the minister is giving lessons on the Life of Our Lord. After the lesson the open forum is conducted. The public is invited to this meeting every Wednesday evening at eight o'clock.

CHRISTIAN SCIENCE CHURCH

"Spirit" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday February 9.

The Golden Text is: "The Spirit searcheth all things, yea, the deep things of God" (1 Corinthians 2:10). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "This I say then, Walk in the Spirit, and ye shall not fulfil the lust of the flesh. For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would" (Galatians 5:16,17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The suppositional warfare between truth and error is only the mental conflict between the evidence

of the spiritual senses and the testimony of the material senses, and this warfare between the Spirit and the flesh will settle all questions through faith in and the understanding of divine Love" (p. 288).

MISSIONARY SOCIETY

ELECTS OFFICERS

The Missionary Society of Calvary Presbyterian Church, held their annual election of officers Wednesday of this week, resulting as follows: president, Mrs. Charles T. Bates; vice presidents, Mrs. S. L. W. Field and Mrs. Frank Rue; secretary, Mrs. George T. Dool; treasurer, Mrs. Walter Sippel; pianist, Mrs. Ackermann; secretary of literature, Mrs. Edmund Black.

"CHARM SCHOOL" FEBRUARY 7 AND 8

Each year the seniors of Palmyra High School present a play to raise funds for the annual trip to Washington, D. C.

This year's class presents "The Charm School" by Alice Duer Miller, with Marjorie Dengler and Harry Turner cast in the leading roles, February 7 and 8.

Imagine a handsome young man falling heir to a young ladies' boarding school! And think of the complications arising out of the agreement that should any girl fall in love with Austen Bevans the mortgage will be foreclosed. And for a climax, Elise, the president of the senior class of the Fairview School for Girls, runs away!

Supporting the leads are Margaret Rae, who ably portrays Miss Hayes, principal of Fairview; Lloyd Rarig as Homer Johns, holder of the mortgage; and divorced husband of Miss Hayes; Betty Bailey as Miss Curtis, spinster secretary of the school; and Frank Alloway, Robert Bauer, Arthur Randolph and Fred Wiggins, all friends of Austen, who find positions as teachers at Fairview. The girls of the school are Olive Jones, Margaret Ford, Emily Bravin, Dorothy Zamm, Connie Horn, Iola Richards, Janet Barber, Marie Kelly, and Irma Walling.

The play provides about two and one-half hours of good entertainment. Tickets 50 cents.

BIRTHS
A daughter, Priscilla Randall Allen, was born to Mr. and Mrs. Richard Allen, of Lippincott avenue, Riverton, on January 4 at the Zervig Memorial Hospital, Riverside.

The baby, who remained at the hospital for a month, was brought home today (Thursday).

Don't forget that every time Uncle Sam turns a dollar loose he puts a tax-collector on its trail.—Washington Post.

American waterfowl are facing a crisis. Our waterfowl population has reached its lowest point in history.

TIPS ON GROWING

BY ONE WHO GREW UP IN THE BUSINESS

It is likely that among the deservingly plant novelties of the past season, the most fascinating was the Early Orange Flame Cosmos, a dwarf variety, which, in addition to bringing a new and lovely color in Cosmos, gave us an early flowering form, it starting to bloom in mid-summer and continuing until cut by frost.

Now a further improvement in this flower is an introduction of this year, the variety Sensation an extra-early, blooming, it is said, ten weeks after sowing and bearing flowers four inches in diameter, and six if the plant is kept carefully disbudded. There is a white and a pink flowering form. Seed may be sown directly where the plant is to stand during the summer or may first be started indoors. The taller growing Cosmos, or in fact all types, should be pinched out to induce a stocky growing plant that needs no staking.

The most massive tree in Pennsylvania is a sycamore, about four miles South of Lancaster. An English walnut in Berks county, between Spies Church and Friedenberg, is reputed to be the largest in the United States. The biggest oak tree reported in Pennsylvania is located near Neff's Mills, Huntingdon county.

The native crested Iris (Iris cristata) is a lovely little gem, sky blue in color, growing only four inches to six inches tall—the plants spreading so freely that patches a foot or more across are literally a mass of flowers the end of May. It makes an excellent edging plant for beds, other Iris or other perennials, for massing or for rockwork. Plant early in April.

The 1936 garden calendar of the Four Counties Garden Club of Pennsylvania is full of practical information for garden lovers—in fact a large space is devoted to each day's garden activities with suggestions given for nearly every day. On February 10th, for instance, we are told to "order shrubs for spring planting," on the 11th to "inspect for scale insects," on the 12th to "inspect for scale insects," on the 13th to "inspect for scale insects," on the 14th to "inspect for scale insects," on the 15th to "inspect for scale insects," on the 16th to "inspect for scale insects," on the 17th to "inspect for scale insects," on the 18th to "inspect for scale insects," on the 19th to "inspect for scale insects," on the 20th to "inspect for scale insects," on the 21st to "inspect for scale insects," on the 22nd to "inspect for scale insects," on the 23rd to "inspect for scale insects," on the 24th to "inspect for scale insects," on the 25th to "inspect for scale insects," on the 26th to "inspect for scale insects," on the 27th to "inspect for scale insects," on the 28th to "inspect for scale insects," on the 29th to "inspect for scale insects," on the 30th to "inspect for scale insects," on the 31st to "inspect for scale insects."

A copy of the calendar may be obtained from Mrs. Joseph T. Taylor, Elkins Park, Pa., on payment of \$1.00.

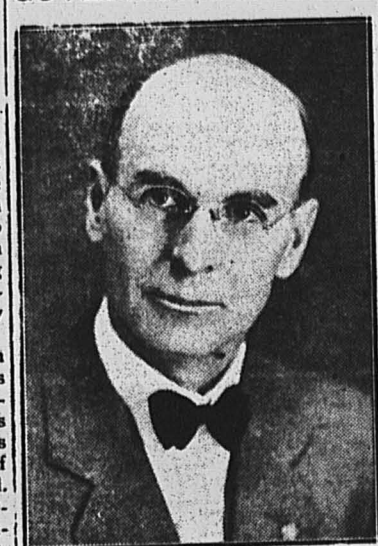

One of the advisory editors we note in Mrs. J. Norman Henry, the celebrated explorer, lecturer and writer. Mrs. Henry is a frequent visitor in Riverton, calling at the Dreer Nurseries.

If your hobby is any particular branch of horticulture and you feel the need of congenial companionship of other fans, nowadays there seems to be a Society in existence for every conceivable branch. Not so long ago the Amarely Society was formed, but the latest is the American Daffodil Society organized in New York on Monday, January 6th. An outstanding aim of the society is to test out new varieties as to their adaptability to this country.

A temporary "dog haven" for homeless hounds is about to be completed at Memphis out of WPA funds at a cost of \$25,000, according to the Associated Press. The place will have shower baths and steam heat. We hope the artists didn't forget to provide a few electric moons at which the dogs might bark. They have a lot of cloudy nights around Memphis. Anyhow, this put the "boon" in "boondoggling" so far as the dogs are concerned.

Look upon every bad youth as a good one pushed wrong.

NEWCOMB SPONSORS MEASURE TO HALVE GOVERNOR'S SALARY

DR. MARCUS W. NEWCOMB

Economy with "vengeance" is asked in a bill sponsored by Assemblyman Marcus W. Newcomb, of Burlington county, House speaker. It seeks to decrease the \$20,000 yearly salary of Governor Harold G. Hoffman, to \$10,000 a year.

Until 1934 all governors received \$10,000 a year, but it was raised by the Legislature. United States Senator A. Harry Moore, during his last year as governor was paid at the higher rate, with Governor Hoffman being the next chief executive to obtain the benefits of the increment.

Although proposed by Newcomb, it was introduced by Assemblyman Lawrence A. Cavinato, of Bergen county, Republican majority leader.

SACRED HEART P.T.A.

The Sacred Heart Parent-Teacher Association will hold its monthly meeting in the school auditorium on Thursday, February 13, at 3 o'clock. The executive committee will meet at 2:30.

Colonel H. Norman Schwartzkopf, superintendent of the New Jersey State Police, has arranged to have one of the state troopers present an illustrated talk on finger printing. This talk is one that should be of much interest to everyone and a cordial invitation is extended to all in the two communities who would like to hear it.

Deficit Gets New Name:
It's a "Farley Surplus"

Washington correspondents have coined a new phrase out of the effort of Postmaster General Farley to make his latest annual budget show a surplus, whereas a strict analysis shows a deficit. The same criticism of Mr. Farley's bookkeeping was made in 1934 when he claimed a surplus of \$12,161,415. It was pointed out at that time that his department actually had a deficit of \$52,003,295.62 in that year. With these two incidents in mind newspaper jesters have adopted the method of calling any sort of a red ink condition a "Farley surplus."

ECONOMIST AND MILK SPECIALIST EXAMS

The United States Civil Service Commission has announced open competitive examinations as follows:

Economist, various grades, \$2600 to \$5600 a year.
Associate milk specialist, \$3200 a year, and assistant milk specialist, \$2600 a year, Public Health Service, Treasury Department.

Full information may be obtained from the Riverton post office.

When Economy Is Just a Jest
It is such a long time between Supreme Court decisions that things were pretty quiet in Washington. There was no news, the President announced in opening his press conference, except that Charley Cicholson needed a hair cut.

To which New Deal Publicity Man No. 1 responded, with a straight face, that "someone has to economize in this administration." It is a tribute to the President's sense of humor that he "joined in the laughter," though a lot of taxpayers are probably wondering why a reference to economy was greeted as a humorous remark.—Philadelphia Inquirer.

What Other Editors Say

Farmer's Breakfast

The Iowa farmer who isn't permitted to grow his own pigs may get to like the taste of Canadian bacon. It won't go so bad with flapjacks made from Russian wheat and breakfast cereal of Argentine corn.—Logan, Iowa, Observer.

The Literary Digest poll indicates that we are on our way back to sanity. The people are fed up on waste, squandering and bedtime stories.—Wadena, Minn., Pioneer Journal.

Well Warmed and Well Stocked Clubs

In his Atlanta speech Mr. Roosevelt made what was intended to be a disparaging remark about what he termed "The gentlemen in well warmed and well 'stocked' clubs." The Social Register for 1936 shows that Franklin D. Roosevelt holds membership in sixteen clubs, all listed in that book, and all of which we assume are both well warmed and well "stocked."—Jacksonville, Fla., Beacon.

Political Speech

It was the first time a President has personally delivered a partisan and political address before Congress.

The sarcastic tone of some of his remarks indicated that the New Deal financial interests, he said nothing about the government, under his leadership, going to those interests and borrowing the money that his administration is now squandering in a most brazen manner.—Westchester, N. Y., Globe.

Censorship of Radio

Circumstances surrounding the sudden decision of the country's two great broadcasting chains to "ban" politics from the air, warrant the charge of Chairman Fletcher, of the Republican National Committee, that censorship is being exercised. ***

The facilities of the radio have been turned over almost in toto to the Democrats. Chiefly through the President himself, has the radio been used to carry on the New Deal campaign.—Wheeling, W. Va., Intelligencer.

Congressman Dewey Short says:

"Thomas Jefferson founded the Democratic Party and Franklin Delano Roosevelt dumfounded it."—Warrensburg, Mo., Standard-Herald.

And You're Getting It!

A wise commentator has observed: "You can't have two eggs for breakfast instead of one by doubling the price of eggs, argues the Pathfinder magazine. You can, however, have canned corn beef from South America instead of pork chops by doubling the price of pork."

Jeffersonian Wisdom

"We're directed from Washington when to sow and when to reap, we should soon want for bread."—Thomas Jefferson, father of the Democratic Party which now tells American farmers when not to sow and when not to reap as well.—Bismarck, N. D., Leader.

Americans are now divided into just two classes, the "indigent," who are drawing relief, and the "indignant," who are paying for it.—West Plains, Mo., Journal.

Appeal by Radio

The American radio public had opportunity to hear President Roosevelt degrade the heretofore dignified proceeding of a President's message to Congress into a campaign speech, addressed not to Congress, but to the voters, in accents vindictive and sarcastic.

The American people will be shocked by this appeal to class prejudice of a dictator frightened at threatened loss of power.—Boise, Ida., Statesman.

Imagine J. P. Morgan and John D. Rockefeller worrying themselves sick over how to spend that extra \$200 every month.—Nashville Tennessean.

RIVERTON SCHOOL NOTES

The exhibits of the Riverton Public School won one first and two third prizes at the Trenton State Science Fair.

The first award was won by Harold Bishop, William Robinson, Burke Jay, and Weston Goodnow. It consisted of a background of heavy paper with the planets, their orbits, and their names cut in it. Blue cellophane was fastened in front and crepe paper was fastened in the back. This was fastened to a wooden frame. Two bright bulbs were fastened behind to give it the appearance of an electric sign. Streamers, with the distances on them were secured from the planets to a sun.

Granville Dare, Porter Caldwell, Fred Foulke, Harry Orlemann and Francis Jones won a third prize with specimens of soil from New Jersey and a map showing from what districts they came.

Joe Allen, with an individual exhibit, won a third prize, also. In his display he had the steps of building a steam engine. There were rough castings, finished castings, the patterns, moulds, and a description of the process.

There were approximately 350 exhibits at the fair.

William McCormick of the Byrd Antarctic Expedition will land in Riverton, Monday, February 10th, 1936, in his autogiro. He will address the Riverton school children in the auditorium at 10:30 a.m.

NEW GOP FACTION BACKS NEWCOMB FOR SENATOR

A new political faction was revealed last week when the Young Republican Club Government Club of Burlington County was organized at a meeting in Grange Hall.

More than 100 from various sections of the county were in attendance. The next meeting will be held on February 21, in the same hall, when permanent officers will be elected.

The club has endorsed the candidacy of Dr. Marcus W. Newcomb for state senator. The club announced it will have a complete ticket in the field at the spring primary.

225,000 Employees Are On "Emergency" Rolls

Both President Roosevelt and Postmaster General Farley in recent speeches have indicated their belief that the depression has passed the emergency stage. In view of that position advocates of economy are asking that more than 225,000 so-called "emergency" employees of the executive branch of the government be dismissed.

Dedication of School Building

(continued from page 1)

young couples to the town, and he added his expression of thanks and appreciation for the splendid piece of work done by the board of education. The mayor said he had visited many schools and knew of none better than the one Riverton now has.

Edwin S. Parry, president of the Town Meeting expressed the pride and satisfaction with which his organization had worked with the school board, and commended the members of the board on the very efficient manner in which they had handled the project. Mr. Parry said that Riverton was to be commended on the high quality of the faculty of the Riverton Public School which enjoyed a wide and well-deserved reputation.

Robert A. Marshall, who represented Colonel Cornelius R. Vermeule's office of the PWA, said that the colonel could not attend the meeting owing to a death in the family, but sent his congratulations on the way in which the board had worked with the PWA authorities and the fine spirit of cooperation shown in complying with the government requirements.

The Riverton school building, Mr.

Re-Elected President

E. BUDD MARTER

of Edgewater Park, who again heads the Burlington County Game Protective League.

Marshall said on behalf of the colonel, was one of the first school projects to be completed and occupied.

The principal speaker of the evening was Dr. John Dennis Mahoney, head of the English Department at West Philadelphia High School, who spoke on the value of neighborhood spirit which still maintains in the smaller communities, and emphasized the thought that while fine buildings helped to make fine schools, it is, after all, the faculty which counts mostly in the education of children and in the development of high ideals and appreciation of true values.

At the close of the program a demonstration of the sound moving picture apparatus was given.

The meeting was opened with an invocation by the Rev. Charles T. Bates, pastor of Calvary Presbyterian Church, and the closing prayer was made by the Rev. Francis B. Downs, rector of Christ Church, Riverton.

Annual Report

Of Sanatorium

(continued from page 1)

man—Sent to State—140. Smears: Sputums (routine began in October, 1935), 392; Chest Fluid for Tuberculosis, 1; Vincent's Angina, 2; G. C. Smear, 1. Total specimen, 2059.

Financial Statement

Received from Patients \$51,547.84
Received from State 22,338.82

Amount Paid Co. Treas. \$73,886.66

Spent for Maintenance \$110,851.37
73,886.66

Cost to Taxpayers \$26,964.71

The total cost to taxpayers this year is \$5,654.88 less than last year.

In my last year's report, I mentioned the tuberculin testing of children with what is known as the Mantoux Test. We tested many of the children in the Riverside schools last year through the Burlington County Tuberculosis League. We are planning to test the children in the schools of Florence and Bordentown this year in the same manner.

We have continued to have sound pictures every week through an arrangement with Four Mile Colony. We have had the usual number of gifts and donations from various organizations and individuals. We have had a number of entertainments given by residents and former patients from different parts of our county. All of this tends to make the patients happy and contented and thus helps with their cure. We wish to take this opportunity publicly to express our thanks to all of these friends.

I wish to thank Dr. Busansky, Mrs. Evans, our Nursing Staff, and all other employees for their cooperation and assistance during the year.

Finally, I wish to thank you, the Board of Chosen Freeholders, and you, the Board of Managers, for your interest and help. I trust that we shall have your cooperation for the coming year so that we may lower the incidence of tuberculosis in our county.

Respectfully submitted,
Marcus W. Newcomb,
Medical Director.

WOOLSTON NOW NASH DEALER

Nash and LaFayette Agency
Established by Local
Garage Owner

Clinton B. Woolston, local garage-
man, has taken on the Nash and
LaFayette automobile agency in
this territory.

A sedan model of each make is
now displayed in his showroom.

One of the novel features of both
cars is the double bed made up in
the rear of the car from the seat
cushions. This appeals to tourists,
sportsmen and campers.

Clutch pedal starting is a new
wrinkle in starters and is the most
practical yet devised. If a car stops
on a hill the driver has but to push
in his clutch pedal to start the en-
gine, thus leaving the right foot
free to hold the car with the brake
pedal.

Hollow crankpins fed with oil
under pressure from the crank shaft
guarantee adequate oil at all times
to the parts where it is most needed.

The all-steel body construction is
of the seamless design.

These are but a few of the many
fine car features embodied in the
Nash and LaFayette now on dis-
play at Woolston's.

Mr. Woolston cordially invites
everyone to visit his showroom and
inspect these ultra-modern motor
cars.

ERNIE DUSEK AT CAMDEN ARMORY

Serge Kalmikoff Opponent for
Rough and Tough Grappler
in Bout Tonight

Two of the roughest, as well as
a pair of the world's leading chal-
lengers for Danno O'Mahoney's
heavyweight diadem, will come to
grips in the feature two out of three
falls, ninety minute time limit bout
at the Camden Armory, Haddon
avenue and Mickle streets, Thursday
night, when Ernie Dusek, the sturdy
bone twister from Omaha, and
Serge Kalmikoff, the bewhiskered
Siberian, will lock horns in quest
for mat supremacy.

Ernie, who admittedly states that
the roughest and toughest bout he
ever took part in, was staged at the
Drill shed last Thursday when he
had to put forth his last ounce of
energy to come through with a hair
raising triumph over George Kover-
ly, the Hollywood Howitzer, will be
prepared for a like tussel Thursday
night.

To Kalmikoff, who will make his
first appearance before a Camden
audience, goes the distinction of be-
ing the man who forced Danno
O'Mahoney to run out of a match
with him, thereby causing the title-
holder into an enforced suspension
in Pennsylvania. The Siberian feels
that he will relieve the champion of
his royal robes if only given the
opportunity.

An all action hair raising forty-
five minute semi-final is expected by
the fans when Joe Cox, Kansas City
Crasher, and Freddy (Legs) Grub-
meier, of Harlan, Iowa, will answer
the clang of the gong.

Popular Vic Christy, the Los An-
geles Adonis, will see action in the
main preliminary, a half hour go.
His foe will be a newcomer from
Texas, Harry Finkelstein. The
other thirty minute bouts will bring
together Laverne Baxter, of Colum-
bus, Ohio, and Floyd Marshall, of
Phoenix, and Vince Zizac, of Cam-
den, and George Lenihan of Boston.

THE GREAT DIFFERENCE

The claim that the New Deal poli-
cies have saved the United States
from the grasp of the depression
might have a degree of plausibility
but for the object lesson spread be-
fore us by the British group. They
enjoy a state of recovery more
marked than our own, and with no
such tremendous new debt incum-
berance saddled upon this and the next
generation, because their govern-
mental leaders have possessed more
patience and respect for proved eco-
nomic principles than the New Deal
has flouted. — Springfield, Mass.,
Union.

YMCA BRIEFS

William S. McCormick, pilot of
the autogiro on Byrd's second An-
tartic expedition (Pep Boy's Snow
Man), will again come to Burling-
ton county Monday, February 10,
and Friday, February 14. This time
he is coming under the auspices of
the Burlington County YMCA and
will appear in a number of grammar
and high schools, giving an hour's
talk, illustrated by slides on the trip
to the South Pole.

The schedule so far is as follows:
Monday, February 10, 9 a.m., Cinnam-
inson Public School; 10:30 a.m.,
Riverton Public School, including
the Westfield Friends children.
2:45 p.m., Mt. Holly High School.
Some time during the day he will
also appear at the Palmyra High
School.

G-Men Visit YMCA
The boys of the local YMCA en-
joyed a fine evening's entertainment
Monday, February 3rd. The pro-
gram consisted of movies and plenty
of them, refreshments, and, best of
all, a visit by two of Edgar Hoover's
special agents.

Our special guests were from the
Philadelphia office of the Depart-
ment of Justice. Mr. Vetterli, spe-
cial agent in charge, who was re-
cently transferred from the St. Louis
office, told of the activities of his
department and one or two inter-
esting cases of the work of the "G"
men, and in an exceedingly modest
manner he told of the St. Louis
massacre in which he took an active
part. Mr. Fallon, an agent in the
department, was also a guest and
answered many questions of the var-
ious boys. The boys through the
contact of these men had a much
better understanding of the work of
the Department of Justice.

Refreshments were served by a
committee of the Ladies' Auxiliary
with Mrs. Claude Barto as chairman.
Another boys' party will be staged
next month.

In the good old days when a
young man and woman were married
they felt that they were married for
life. Now when young couples get
hitched up most of 'em even have a
five-year plan.

Memorial Park

Playground
Baseball Dope
By "Dit" Schupp

Along about the end of April, the
Riverton soft-ball league will open
its fifth season of activity. Already
Councilman Stroblin of the park
committee has suggested that last
year's managers and officials get to-
gether and make plans for the com-
ing season. No date for the meeting
has been set as yet.

It will have to be decided at the
meeting whether the Riverton soft-
ballers will adhere to their own ver-
sion of the rules or conform to the
National rules, as adopted by many
Eastern teams. This adoption of the
National rules would be advan-
tageous at least in that it would en-
able our boys to play outside teams
without a lot of agreements which
might hamper their game.

Other possible changes, which will
be brought up for discussion, are the
number of men on a team, eligibility
rules, the use of a smooth ball,
slightly shorter or longer base lines,
abolition of bunting, and a number

of men on each team's roster. Play-
ing nights and so forth will also
have to be decided upon.

There has been talk of forming a
playground ball league in Palmyra.
If this is done, it should reduce the
number of teams in the Riverton
league. There is, too, a possibility
that some sort of an interchange
series can be arranged between the
old, established Riverton league and
the at present embryo Palmyra
league. In fact, such a series might
take in the Moorestown, Riverside,
and Mount Holly leagues and lead
to the naming of a county champion.

The part which the Burlington
County YWCA plans to play in this
entire project is to act as a coordi-
nating agency to bring together all
organizations in each town which
are interested in furthering such a
program.

Mrs. Alex. C. Wood, Jr., and Miss
Helen E. Woolman, Riverton, are
members of the board of directors
of the County YWCA.

"Townsend insists that Utopia is
on the way." That certainly is an
improvement — before, Mohammed
had to go to the mountain.—Boston

how Andy Jackson really would have
acted at a fifty dollar banquet.

The
LADY
who lives
OUT
THERE—

SHE'S EASY TO REACH by telephone

—all her scattered family make a point of talking
with her frequently—it's a way of happy living
that many New Jersey people know and treasure.

They call after 7 P. M. (all day Sunday, too) at lowest rates —
100 miles for 35c—41c for \$1.00—station-to-station rates.
Person-to-person calls also are reduced after 7 and on Sunday.

Your telephone service which lets you
talk so easily with "The Lady Who
Lives Out There", perhaps in a remote
community, is the product of a nationwide
pride of craftsmanship among telephone
people.

Here in New Jersey our first interest is
to give the best possible telephone service
to New Jersey people. In New York,
Pennsylvania or any other state in the
nation there is this same pride.

You will find it in the Bell Laboratories

NEW JERSEY BELL TELEPHONE COMPANY

doing research to improve equipment
and methods—in the Western Electric
Company where equipment is made and
supplies are purchased for the entire sys-
tem—in the American Telephone and
Telegraph Company, which owns and
operates the long distance lines intercon-
necting all the local systems, and de-
velops uniform methods and standards
for their use.

Under such a spur you receive an im-
proving service that is local and yet as
wide as the world.

HOFFMAN SPEAKS AT G.O.P. DINNER

Third Annual Legislative Banquet Held In Trenton Monday Evening

Approximately 200 Republicans from Burlington county attended the third annual legislative dinner sponsored by the Associated Republican Clubs of Burlington County at the Hotel Hildebrecht, Trenton, Monday evening of this week.

Roy R. McDougal, president of the clubs, introduced Hon. Howard Eastwood, who was toastmaster for the evening.

Among the notable speakers of the evening were: Governor Harold G. Hoffman, Assemblyman Marcus W. Newcomb, Senator Clifford R. Powell, State Committeewoman Pearl M. Bridgeum, State Treasurer Frank Smith.

Among the prominent county officials were: Director of the board of chosen freeholders Palmer L. Adams; Freeholders Albert C. Jones and Charles R. Stout; County Clerk Lawrence G. Minton; Clerk of the Board of Freeholders Clarence Price; ex-Sheriff George N. Wimer; Vice Chairman of the County Committee Mrs. Alma M. Evans; former County Clerk William R. Reeves and the officers of the associated clubs.

The entertainment committee who had the dinner in charge were Nelson G. Myers, of Mt. Holly; Mrs. Minnie Hunt and Mrs. Sarah A. Parker, of Florence; Mrs. Bessie Miller, of Edgewater Park; Mrs. Pauline Bartlett, Burlington and Mrs. Alma M. Evans of Riverton.

**SCOUT ANNIVERSARY
WEEK STARTS FRIDAY**

The Boy Scouts of the Palmyra, Riverton and Cinnaminson District have a full week's activities ahead of them beginning Friday, February 7th, and winding up with the annual Dad's and Scout's banquet on Thursday evening, the 13th. This banquet will be held in the gym of the M. E. Church and will be served by the Scout Mothers Association at 6.30 o'clock.

Through the kindness of "Russ" Blackburn, the speaker of the evening will be Johnny Quinn, big league umpire, who accompanied the selected big league players on the "burn storming" tour of Japan last fall. Another guest will be Bill Phillips of A. J. Reach Co., who will bring some interesting baseball movies for the scouts.

Saturday afternoon, February 8th, the troops will have a combined hike. In the evening at 8 o'clock will begin the recommitment service at which time every scout renews his scout oath. The speaker at this event will be E. Newbold Cooper, of Riverton.

Sunday morning the scouts will be the guests of the Wesleyan Bible Class at the M. E. Church. In the evening Troop No. 5 will conduct an Investiture service in the M. E. Church and Troops 9 and 21 will hold their Investiture service at the Lutheran Church.

Monday evening is "mystery night." The troop masters have prepared a surprise for all the boys. Tuesday is "Scouts in the Schools." Wednesday is "Scouts in the Home." The scout and his dad should take advantage of this opportunity to learn more of each other and of their respective problems.

Thursday evening the big banquet. Dads and scouts are due for a big evening.

Breathless SPEED

Moorestown Motor Co.

AMERICAN LEGION

An extensive program of activities was arranged for the coming season at a meeting of Post Frederick M. Rodgers Tuesday evening.

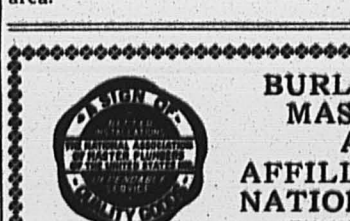

The Post will hold a movie benefit at the Broadway theatre, Palmyra, during the week of February 24 to 29 inclusive. "The Professional Soldier" is scheduled for the 24th and 25th. In addition to this fine picture which will be released in Philadelphia for the first time on February 15. This picture features Chic Sale as Abraham Lincoln, showing his life and displaying in particular those interesting incidents that lead up to the immortal Gettysburg address. It is planned that a special school children's matinee will be held on Tuesday afternoon, so that every child in this section may have an opportunity to see this wonderful picture at a time that is so near to the great President's birthday.

Other pictures for the week are "Freshman Love," on the 26th; "Widow from Monte Carlo," on the 27th, and "Collegiate," featuring Joe Penner and Jack Oakie, on Friday the 28th. Tickets may be secured from any legionnaire.

Rus Musser, the post adjutant, assisted by Charles King, will be at the post home every evening from 7 to 9 to assist men in filling in their adjusted service certificate applications.

The post accepted an invitation from the Baptist Church of Palmyra to attend Memorial Day Services on Sunday, May 24th, Sunday May 31st, the post will attend services at Christ Church, Palmyra.

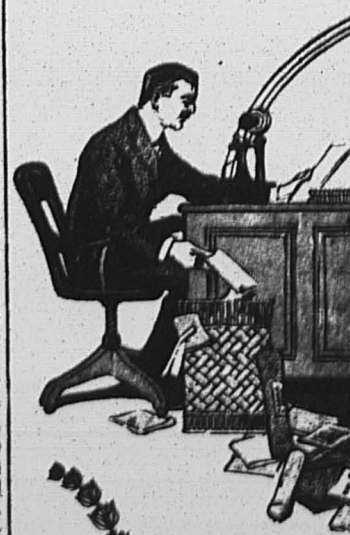

Every legionnaire and potential member should be present at the March meeting. Matters will be discussed that are of vital importance to all ex-service men in the Palmyra, Riverton and Cinnaminson area.

President's Philosopher On Centralized Power

President Roosevelt in his speech to Congress on January 3 quoted from "the words of a wise philosopher at whose feet I sat many, many years ago." The President did not name the philosopher but the latter's identity was later revealed. He was the late Josiah Royce of Harvard University. The words quoted by Mr. Roosevelt were from Professor Royce's book entitled "The Philosophy of Loyalty."

In a passage not quoted by the President the author said: "The present tendency to the centralization of power in our national government seems to me, then, a distinct danger. It is a substitution of power for loyalty."

Visitor—"Your son is rather small for his age, isn't he?"
Proud Mother—"Oh, no; most boys of his age are overgrown, I think."

A TENSE SCENE

Miss Pross (Edna May Oliver) and Madame DeFarge (Blanche Yurka) are the combatants in a fierce hand-to-hand struggle which provides one of the exciting moments of "A Tale of Two Cities," the filmization of the great Dickens novel, which plays the Broadway theatre, Friday and Saturday, with Ronald Colman starred.

BY AIR TO NASSAU
Mrs. Herberton Williams and son of Moorestown, and Mrs. George Betz, of Ardmore, left Saturday by air for an extended trip to Nassau. Mrs. Williams will be remembered as Miss Elaine Groves, and Mrs. Betz was Miss Constance Groves.

The Liberty League canvasses 150 college professors and finds the majority of them opposed to the New Deal. Of course, it is to be remembered that quite a few college professors were smart enough to stay at home.

Well, it's too bad. Just as the humble Irish potato had a chance to jump into the caviar class, the Supreme Court had to knock out the AAA.

A TRIBUTE TO H. H.

Sir: In answer to W. D. Greene's "Tribute to F. D. R.":
Yes, he'll get his reward, and Herbie will too.
In that land which one day we'll all know,
For up there each fine man will be given his chance
And the small fry won't have all the show.

You ask where we'd be in this dear U. S. A.
If Herbie were serving us yet? We'd be sailing along on an unruffled sea
On a boat not o'erladen with debt.
You say, "By their fruits ye shall know them." 'Tis so—
Truer words never spoken by man, For the flowers of prosperity F. R. now picks
Are the buds which our Herbie began.

BOARD OUSTS DR. NEWCOMB

Managers Reduce Former Head of Fairview Sanatorium to "Medical Director"

A meeting of the Board of Managers of the Fairview Sanatorium was held Thursday of last week, at which time Dr. Marcus W. Newcomb was deposed as superintendent of that institution after serving nearly two decades as its head and building it into one of the foremost institutions of its kind in the state. This action deprives Dr. Newcomb of all authority in the management of the institution and limits his duties strictly to making the rounds of the sanatorium and prescribing for the patients.

Dr. Newcomb is one of the three leading physicians in the treatment of tuberculosis in New Jersey. The unseating of Dr. Newcomb followed closely on the heels of the appointment of two new members of the board of managers on Saturday, January 25—Dr. Russell Geary, of Riverside, and Howard Lewis, of Burlington.

When members of the board of managers of the sanatorium were appointed by the board of freehold the first of the year, Elwood Hollingshead, of Moorestown, whose term expired, was not reappointed, but Henry Treach, of Jobstown, was named in his place.

In the meeting last Thursday a motion was offered to reappoint Dr. Newcomb as superintendent and medical director for a period of three years, as has been the custom in the past. This proposition received but two votes and was followed by a motion by Dr. Geary to make Dr. Newcomb medical director with no term of office specified. This motion was passed.

Dr. George T. Tracy, of Beverly, chairman of the board, asked the pleasure of his fellow members as to who should be superintendent. Dr. Tracy was elected to this position without salary, but with traveling expenses to and from the sanatorium allowed. Dr. Tracy is also to have the appointment of the clerk to the superintendent.

Howard Lewis, of Burlington, employed at the Mechanics National Bank, was made secretary of the board.

A motion was carried to abolish the office of assistant superintendent which has been filled by Mrs. Florence E. Evans for many years. It was stated that Mrs. Evans would be allowed to resign but if she refused to do so, she would be discharged. Dr. Newcomb is given permission to give her any recommendation he sees fit.

For the past nineteen years, until the appointment of two additional members on January 25, the board of managers of the Fairview Sanatorium has consisted of five, and the fee for attending meetings was \$5 each, a total of \$25.

At the meeting last week, however, a committee was appointed to confer with the board of freeholders to secure an increase of the fee for each meeting to \$10. If this proposition goes through, each meeting of the board will cost the taxpayers \$70 instead of \$25 as heretofore.

**F.H.A. OFFICE
IN CAMDEN**

With the intention of insulating applications for Federal Housing Administration insured home mortgage loans announcement was made from State F.H.A. headquarters, Newark, of the opening of a state office at 623 Cooper street, Camden.

Mortgages originating with the financial institutions in the southern tier of counties will be serviced from this office including reviewing, valuating and architectural supervision. The staff will be composed of Frederick E. Krom, preliminary examiner, Mrs. Delight Sweney Trimble, architectural inspector, and Josiah E. Dubois, senior staff valuator. Clerical help has also been added.

RIVERTON, NEW JERSEY, THURSDAY, FEBRUARY 13, 1936

PRICE FIVE CENTS

NO CONTEST IN SCHOOL ELECTION

Three Members Re-elected Without Opposition. Budget Approved With One "No" Vote

Three candidates were re-elected to the Riverton Board of Education Tuesday night, in one of the smallest votes polled at a school election in recent years. Likewise the three items in the budget passed with but a single dissenting vote.

The members elected for the full three-year term were Everett O. Wolcott, John H. Werner and Harry E. Moyer. Each received fifty-two votes.

The budget items received the following vote: current expenses \$31,195.72, 52 yes and one no; repairs and replacements \$1,000, 51 yes and one no; manual training \$900, 52 yes and one no.

The following served on the election board: Edward Moorhouse, chairman; William Steedle and De-wees Showell, tellers; William H. Bottger, secretary.

The voting took place in the new school auditorium, and 56 ballots were polled.

KITCHEN BURNED IN MOYER HOME

Varnish Remover Ignited and Flames Severely Burned Little Girl

What might have been a very serious fire started in the kitchen of the home of Harry E. Moyer, Fulton street, Riverton, last Friday afternoon at 12.30.

Russell Martin, of Audubon, was using varnish remover on some furniture in the kitchen. In some manner, just how is not known, the remover was spilled and splashed onto the gas stove. The oven was lit at the time to warm the house, as the furnace had broken down and the Moyers were waiting for parts.

The spilled remover ignited and the flames caught the clothes of little Virginia Moyer, who was standing in the kitchen.

Her clothes were completely burned off, but her life was saved by the quick thinking of Mr. Martin who wrapped her in a rug, extinguish the flames. Mr. Martin then took Virginia to Dr. J. R. Dey for treatment.

The damage to the kitchen was estimated at \$350.

At the time of the accident the Moyer cat was sitting on some cotons, which went up in flames. "Kitty" disappeared immediately and when later located, it was discovered he had received a burn on the leg and his fur had been singed.

SPEAKING CONTEST AT PALMYRA HIGH

A state-wide declamation contest will be held in Palmyra High School Friday, February 21. This contest is sponsored by the New Jersey Forensic League. Twenty high schools of New Jersey will be represented.

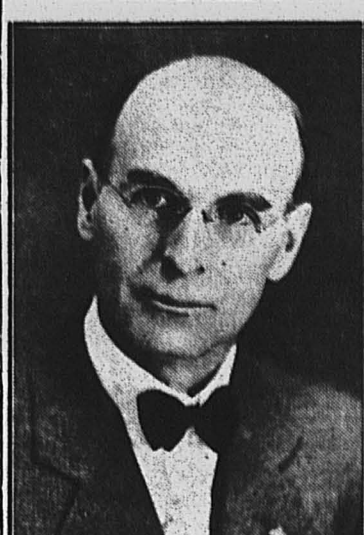

Silver cups will be awarded to the outstanding speakers. Dorothy Mays will represent Palmyra High School. The declamations will be memorized sections from literature.

NOTICE
All Legion men having claims for disability or compensation of any kind are urged to write, or see, personally, the Adjutant of Post Frederick M. Rodgers, at the Legion Home any evening, except Saturday or Sunday, from 7.00 until 9.00. Any case will be investigated.

SOROPTOMIST DINNER
The Burlington County Soroptomist Club will hold its monthly dinner meeting at Boxwood Lodge, Lumberton, N. J., on Friday, February 21, 1936, at 6.30 p.m.

The guest speaker will be G. Clifton Zeller, county detective, who will give a talk on finger printing.

DEMOTED!

DR. M. W. NEWCOMB

who, at a meeting of the board of managers of the Fairview Sanatorium last Thursday, was removed from the superintendence of that institution, and made "medical director," term of office not specified.

Dr. Newcomb, who is candidate for State Senator, refused to withdraw in favor of Senator Clifford R. Powell, who seeks to succeed himself.

COUNTY P.T.A. PROTESTS REMOVAL OF MISS BUDD

At a meeting of the Burlington County Council of the New Jersey Congress of Parents and Teachers, held in Palmyra, January 15, the following motion was passed:

"That a letter of protest on the removal of Miss Sarah Budd from the Burlington County Library Commission be sent to the Burlington County Board of Freeholders."

In compliance with this motion, the following letter was sent to the board by Mrs. Eugene Pharo, chairman of the county council.

Mr. Palmer L. Adams
Dear Mr. Adams:
At the regular meeting of the Burlington County Council of Parents and Teachers, held January 15, at Palmyra, it was unanimously moved that letter be sent to the board of freeholders protesting the removal of Miss Sarah Budd from her position on the County Library Board. Feeling as we do that the County Library is of great importance to the school systems and because of the ability of Miss Budd, we are deeply disturbed.

As Mrs. Melvin Shotwell, the newly-appointed member of the Commission stated publicly her willingness to resign, we sincerely hope the board of freeholders will reinstate Miss Budd to her former place on the Library Board.

Yours very truly,
Mrs. Eugene Pharo,
for the Burlington County Council.

BYRD AVIATOR VISITS SCHOOLS

William S. McCormick, pilot of the Pepp Boys autogiro on the second Byrd expedition, spoke at the Cinnaminson Public School, the Riverton Public School and the Delaware Avenue School at Palmyra.

The aviator was furnished to the schools free of charge through the Pepp Boys and the YMCA cooperating.

This young man had a very interesting illustrated lecture of the trip to and from Little America. He dwelt upon the human interest of the story that made the account so worth while and full of little incidents of humor.

The speaker, like all others on the public platform, had a great deal of praise for Admiral Byrd, his ability to organize and to lead men.

The boys and girls were a bit disappointed that McCormick did not arrive in his plane, but the hard crust on the snow made a very unsatisfactory landing surface. Sunday

RETURN OF PAY CUTS DEFEATED

Palmyra Voters Turn Down Measure Which Would Add \$9000 To School Budget

The proposition to add \$9000 to the Palmyra school budget for salary restorations was defeated 350 to 176, at the school election Tuesday night.

The vote in the four-way fight for board members resulted in the election of Sydney Berger with 483 votes; George Rivel, 326, and Herbert Parsons 320, all for the full three-year term. Douglas Kersey was low on the ticket with 229 votes.

Mrs. Marion Mallory, unopposed for a two-year term, was elected with 410 votes.

The following budget items and the vote for each is: current expenses \$42,187.45, 301 yes and 60 no; repairs and replacements \$4500, 303 yes and 70 no; manual training \$1800, 278 yes, 89 no; equipment \$1250, 287 yes and 73 no; library \$500, 270 yes and 77 no.

The proposition to transfer funds received a vote of 228 yes and 117 no.

ANNUAL DINNER OF YACHT CLUB

Custom of Former Years Is Greatly Enjoyed by Club Members

The Riverton Yacht Club has started its 1936 season with an enthusiasm that should certainly carry it along to the most successful season of its existence.

The season was started with a dinner and entertainment at Tony's Tavern on the Black Horse Pike. This was an ideal place for sportsmen to meet as the Tavern was well decorated with a collection of sportsmen's trophies and nick nacks which indicate an interested collector.

There were 100 members and guests present at the dinner, which was served at 7 o'clock in the evening on February 7th. An orchestra and entertainment as well as numerous well-known speakers were provided by the club. Mr. Sarge, of Lebanon, Pa., an old yachtsman, was the main speaker of the evening and he gave an interesting and entertaining talk.

Senator Powell spoke and gave an interesting and constructive outline of what could and should be done to make the Delaware River a fit place in which to boat and swim.

Commodore Voorhis was the toastmaster of the evening and handled the job very well. Mayor John Ward and the Hon. Judge Frank Matthews also spoke.

The entertainment was picked from the members in part and the rest was provided by Commodore Voorhis and Frank A. Snover.

At one time these dinners were a custom of long standing but during recent years they fell into disuse. It is hoped that this dinner will set a precedent for many years to come.

At Souderston his ship "nosed over" under last such conditions.

The County YMCA will again cooperate with the local group in bringing another speaker to the school platforms during the month of March.

It has been suggested that all who use the Philadelphia-New Jersey buses, and are compelled to wait for some time at the Parkway in Philadelphia, should write to the honorable mayor of that city and ask him to erect a shelter for Rebyburn Plaza. This would relieve a lot of suffering and illness which has resulted from exposure this winter. Even a wooden shed would help and could be removed in the summer if desired.

Women of Hungary delight in the volume of their petticoats, sometimes wearing 20 or more at one time.

SI KOLOGY SEZ:
Playin' politics with the institutions for helpline! He who is even meaner than a politician!

COUNTY BONDS AT 2% INTEREST

Issue Sold to New York Firms. Bonus of \$508 Offered in Bid

Last Thursday the Burlington County Board of Freeholders accepted the offer of a New York investment brokerage firm to purchase \$166,815 in county bonds bearing a two per cent interest rate.

Seven bids were submitted at the special meeting held to receive bids for the purchase of the bonds. A considerable saving is realized by the refunding plan that converts \$143,140 worth of five per cent demand notes into bonds bearing the two per cent interest rate.

Kean-Taylor and Company, and VanDeventer, Spear and Company, New York City investment brokers, presented the successful bid for the purchase of the bonds. Although two other firms also offered a two per cent interest rate, the successful firms offered the greatest premium, in the amount of \$508.

The refunding bonds will be substituted for \$90,340 of road and bridge five per cent demand notes and will replace \$52,200 of the general five per cent demand notes. The balance of the new bond issue covers \$23,675 of improvements for which bonds had been authorized, but never issued. The improvements include the sewage disposal plant, New Lisbon, \$18,600; superintendent's home at county almshouse, \$2,775; and piggery for almshouse, \$2,300.

The new bonds which are to be delivered on or before February 13, will mature as follows: \$33,000 in 1936; \$25,000 in 1937; \$25,000 in 1938; \$23,000 in 1939; \$3

NASH ANNOUNCES RIVERTON DEALER

Woolston Explains Many Novel Features in Nash and LaFayette Cars

The appointment of Clinton B. Woolston as dealer for Nash and LaFayette automobiles in this territory is announced by the Nash-LaFayette distributor at Philadelphia.

The Nash Ambassador and "400" series as well as the LaFayette, Nash's "big car" entry in the low price field, provide cars in a base price range from \$395 to \$995 f.o.b. and offering many unique advantages in the four price classes. In addition to the regular demonstrations, all will be shown by means of Nash's new X-ray system, devised to acquaint the layman with the many hidden features of an automobile on which much of its life and safety depends, and which the average buyer in the past has had no chance for seeing or comparing.

Mr. Woolston, who made a survey of the entire industry before affiliating with Nash, feels that the line this year represents an outstanding automotive achievement.

"I am decidedly enthusiastic about what we will have to offer as Nash dealers," Mr. Woolston said. "We can offer a car to suit every purse and every driving need and in addition we can give features and value never before found in cars of similar price. Starting with the low-priced LaFayette, in addition to its extra size and roominess are found at least 10 features usually included only on cars in the highest price brackets.

"Next in price-range above the LaFayette comes the first of the line to bear the Nash name—the Nash '400' with its sensational new sealed motor from which the Nash engineers have been able to eliminate more than 500 parts with a consequent reduction of trouble possibilities.

"Nash twin ignition, of the type required by law for transport airplanes, is incorporated into the famous Nash overhead valve motor in the cars of the Ambassador series.

"The new automatic cruising gear, which at road speeds above 40 miles per hour automatically goes into operation to reduce engine speed thereby saving wear and bringing about unusual gasoline and oil economy, is now available on all 1936 Nash

and LaFayette cars. All-steel, one-piece bodies and over-size super-hydraulic brakes large enough to stop a truck, are safety features of the complete line. Riding qualities are assured throughout by balanced weight and extra spring suspension.

"I have seen the complete line and in my opinion it represents the greatest steps forward in automotive beauty, safety and economy which have been made in recent years."

In connection with his dealership Clinton B. Woolston will operate a modern and completely equipped department for servicing Nash and other makes of cars.

TALENT DAY AT RIVERTON P.T.A.

One Act Play, Home-made Goodies and Articles of Needlework Will Be Shown

Monday, February 17, will be "talent day" at the Riverton School. "On the Air," a one-act comedy, will be presented by the following members of the P.T.A.: Mrs. David Gould, Mrs. Porter Caldwell, Mrs. Joseph Morgan, Mrs. Montgomery Simons, of Riverton and Mrs. William Zeller, of Palmyra.

Mrs. G. Harold Baker will be in charge of the food sale which opens at 2 o'clock in the auditorium, and some of the proceeds will be on hand to receive contributions from 12:30 o'clock on. The proceeds of this sale are used to continue the worth while work of the P.T.A. such as paying for dental work, supplying glasses and milk for undernourished children.

A brief business meeting will start at 3 o'clock and Mrs. Clinton P. Mayfield will speak on "Founders Day." Following the meeting will be served by the hospitality committee.

PALMYRA BANK WILL PAY 15%

William B. C. Roray, receiver of the Palmyra National Bank, announces that the comptroller of the currency has declared a second dividend of 15% payable to creditors of his trust. Last year a first dividend of 20% was paid. Checks will be delivered to those who call in person at the bank between the hours of 9 a.m. and 4 p.m., including Saturday, February 15, 1936, and sign the necessary receipts for the same.

About 80 per cent of Cuba's leaf tobacco is sold in the United States.

CINNAMINSON SCHOOL ELECTION

The school election in Cinnaminson Township proved very interesting this year.

There were two places to be filled on the board, with three persons contesting for them.

The votes received were as follows: Maurice Conrow, 108; Christina Davidson, 104, and Grace Dorsey, 91.

On the question of money to be voted, the following ballots were cast: current expenses, \$28,045, 73 yes and 12 no; repairs and replacements, \$800, 73 yes and 14 no; manual training, \$850, 63 yes and 15 no.

FIRE COMPANY LADIES' AUXILIARY NOTES

An old-fashioned "Patty Dance" will be given in the Riverton Fire House, Saturday, March 14, by the Ladies' Auxiliary. Admission 25c.

Membership in the Ladies' Auxiliary.

ary of the Riverton Fire Company will be open until April 1. Those wishing to join may get in touch with Mrs. Nellie Perkins or Mrs. Leon Gray.

PORCH CLUB NOTES

The Trio Classique will give a recital at the Porch Club, Riverton, on February 18, at 2:30 o'clock. The group is composed of Ardelle Hookins, flute; Eudice Shapiro, violin, and Virginia Majewski, viola.

They recently appeared in the auditorium of the Ethical Culture Society in one of the most enjoyable Chamber Music concerts of the season, before a large and enthusiastic audience.

Chief among the many admirable characteristics of their playing was the balance of the ensemble. Care in preparation was evident in all their performances and each instrumentalist exhibited a fine tone and precise intonation.

Miss Shapiro was one of two violinists who appeared with the Philadelphia Orchestra, October 29, 1935.

The members of the Trio are all graduates of the Curtis Institute.

NOTICE

The Community Art Center is postponing its regular Tuesday evening class, in order to allow the members to attend the concert given by the Fellowship Choral and other artists, for the benefit of the Palmyra-Riverton YMCA.

The next meeting of the Art Center will be held on Tuesday, February 25.

FIRST CLASS SCOUTS

At the Palmyra-Parry-Riverton District Board of Review meeting held on Wednesday, February 8th, 1936, the following Scouts, who are members of Troop 5, appeared for First Class Scout examination and passed with flying colors: Harley Rivers, Jack Rockafellow, William VanSant, Paul Gibbons and Donald Fox.

TIPS ON GROWING

BY ONE WHO GREW UP IN
THE BUSINESS

The most brilliantly colored of all plants grown for the beauty of foliage are the Crotons (or Codiaeums). In addition to the bizarre colorings, the leaves of many varieties are very oddly cut.

They require a good, rich, sweet soil with ample drainage and a sunny location. During the winter, and when grown indoors, there should be allowed as much sunlight as possible, moisture given to the roots and an even temperature of 70 to 80 degrees.

When watering, see that the roots are thoroughly soaked but no surplus water allowed to remain in saucer. In June they may be planted outdoors in the garden or plunged (including the pots) in the ground. A bed of Crotons on the front lawn is extremely striking and attractive, but the plants should not be left outdoors after mid-September. When first set out in the garden they should be shaded from the sun for several days until they become acclimated.

Sometimes Crotons, like other indoor plants, may be attacked by mealy bug which can be washed off by Ivory soap suds. If the leaves drop it is usually due to dry air, cold drafts or low temperatures. They may be spotted about once a year and the best soil is a porous loam with some sand.

Here are some unusual tree items by a man who has looked up the records: The highest tree is 340 feet, a rewood (Sequoia sempervirens) of California. The oldest tree is 6,000 years old, the dragon tree (Dracaena Draca) of the Canary Islands. The tree with the thickest trunk is 60 feet in diameter, the chestnut tree (castanea vesca) at the foot of Mt. Etna in Sicily. In the United States we have about 600 different kinds of trees.

Evergreens will need additional protection, particularly in late winter, when the sun becomes strong. Excellent protection is furnished by pine boughs set up in the ground or tied loosely to the branches. The purpose is to protect the plants from severe winds and frost from the hot sun. Sometimes rhododendrons are protected by a frame of rough boards or by burlap stretched between stakes.

The electric refrigerator has brought about a new method of carrying over the winter seeds of certain kinds of hardy plants for early spring sowing. Instead of sowing in late fall outdoors they are placed in water and the container set in the freezing compartment of the refrigerator. The benefits of alternate freezing and thawing is secured by thawing them out once a week and then freezing again. After two or three weeks they will be ready for sowing.

Seed of the following may be handled in this manner: Chinese Lantern, Sea Holly, Globe Thistle, Dictamnus or Gas Plant.

According to a census of retail trade as published in the Chicago Tribune, the annual expenditure for flowers by families in the U. S. in 1935 was \$2.22. New York State leads with an average of \$4.64 per family with New Jersey second with \$4.05, California, land of flowers \$3.29, while the Keystone State is a rather cheap skate with \$2.50. In New Mexico they buy only eleven cents worth per family per year. Washington, D. C. spends \$8.80 per family, with Boston second with \$7.07.

BIRTHS

Mr. and Mrs. George Beeton, of 707, Washington avenue, Palmyra, are receiving congratulations on the birth of a daughter, Susan Cobb, at the Mary Hass Robbins Maternity Home, Thursday, February 6.

Mr. and Mrs. Albert Gorman, of Seventh street, Riverton, are receiving congratulations on the birth of a daughter, Nancy Jane, February 9, at the Mary Hass Robbins Maternity Home, 408 Main street, Riverton.

"BANKING SYSTEM" PHALANX TOPIC

Young Men's Group Weighs
Present Banking System
Against Central Bank

On Monday, February 10, the re-organized Omega Chapter, Phalanx Fraternity met at the home of Cecil Guest. LeRoy Lester, Dr. Hayes B. Brady, L. Cecil Guest, Robert Finney, J. Giles Knight, Robert Fry and William Heavner volunteered to act as ushers at the Choral Club concert to be given February 18. After a very short business session the meeting was turned over to the program committee.

An extremely interesting discussion on the banking system in the United States was the feature of the evening. Cecil Guest led the argument for continuance of the present system while Mr. Ray, of the Palmyra High School, put forth the

idea that our banks should be centralized.

The first bank in this country was founded in 1791, and the stock was sold one-fifth to the government and four-fifths to individuals. It was chartered for 20 years but its charter was never renewed. From 1811 to 1816 we had state and private banks. In 1816 the second bank was formed, also being chartered for 20 years, with the secretary of the treasury having control over it. In 1833 the secretary of the treasury drew out all the government funds and the bank failed. From 1833 to 1863 we had again state and private banks, known as the "Wildcat" system. These are but a few of the interesting points brought out in the discussion.

The next meeting, February 24, will be at the home of W. Maynard Bowen, at which time a temporary amateur radio station will be installed.

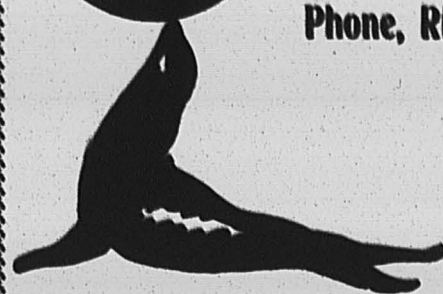

A small mind is obstinate. A great mind can be led.

—Cannon.

CLINTON B. WOOLSTON Joins NASH-LAFAYETTE in "Out-to-win-America" drive!

THIS YEAR, Nash-LaFayette is "Out-to-win-America-on-Value-alone!" We have now joined forces with them for just one big reason:

By representing Nash and LaFayette, we are convinced that we can offer to the people of this community motor cars that represent, beyond all question, the greatest dollar-for-dollar value in every price class from \$595 up! A complete line of Nash-built cars styled and engineered far in advance of their times.

If you have an open mind about automobiles,

you owe it to yourself to see these sensational new cars before you put the same amount of money into any other car. Remember... Nash is dividing present profits to "win America on Value alone!"

Our complete service facilities are naturally available to all of our old friends; and a most cordial invitation is extended to them, as well as to new friends, to visit our showroom and see for themselves that everything we say about Nash and LaFayette is true!

Big, luxurious 1936 Nash Ambassadors in two series—128-inch wheelbase—\$835 and up, f.o.b. factory. All prices subject to change without notice. NEW 6% C.I.T. TIME PAYMENT PLAN. Simple, convenient 6% terms. No lower rates available.

Sensational, Gas-Saving Cruising Gear—Now available on all Nash and LaFayette models at slight extra cost. Reduces engine revolutions 1/3 at high speeds. Saves up to 25% in gasoline; up to 50% in oil!

HOW DO YOU KNOW YOU "CAN'T AFFORD" A BUICK?

WE GRANT you that Buick looks expensive—smart things usually do! We grant you a lot of people think of it in terms of a \$1500 automobile because Buick used to cost all of that—and some still do.

But give us a chance, and we'll show you in cold figures how to own a Buick for little if any more than one of the lowest-priced cars would cost you.

We'll show you a big car with a small car operating cost. We'll show you roominess and comfort and safety, with a freedom from repair bills that makes costs-per-mile hit a new low. We'll show you how to

get a luxury car—on a brass-tacks budget! There's no mystery to it—no trick figuring. Buick simply licked the problem of building first-class quality in a low-priced car. Now we've got some interesting figures that will change your ideas about automobile values.

Don't resign yourself to small-car comfort, small-car ability until you find out how very little per week it costs to own a Buick.

LOWER FINANCING CHARGES

The new 6% C.I.T. TIME PAYMENT PLAN not only simplifies financing but actually cuts the cost of buying a car on time. Use these savings to get a Buick car... list prices of the new Buicks begin at \$765 at the factory, subject to change without notice.

Buick Glass included as standard equipment... Standard and special accessories extra.

"New Deal" Gives Newcomb Raw Deal

It has been pretty generally accepted that in politics "to the victor belongs the spoils," and so, when the New Dealers secured control of the county government through the defection of the Democratic member of the board of freeholders two years ago, and proceeded to oust men and women who had served the public faithfully and well, in order to make room for their own followers, the man on the street merely shrugged his shoulders and said, "Well that's politics," and let it go at that.

That many injustices were perpetrated and that efficient public servants were replaced by much less efficient ones was well recognized, but it was taken for granted that "nothing could be done about it."

Two recent oustings, however, have aroused widespread indignation and resentment throughout the county. The removal of Miss Sarah Budd as chairman of the Burlington County Library Commission, after a faithful and peculiarly efficient service of sixteen years, and for no other apparent reason than to give her place to one of the political followers of the New Deal, startled the residents of the county into some realization of the ruthlessness of the group headed by Senator Powell which has secured control of the county government, but a more alarming evidence of the lengths to which the Powell-Adams-Jones triumvirate will go in order to fasten their tentacles upon even county institutions which have heretofore been uncontaminated by political intrigue, was shown last Thursday when a packed board of managers of the Fairview Sanatorium unseated Dr. Marcus W. Newcomb as superintendent and reduced him to rank of medical director with no voice in the management of the affairs of an institution to which he has devoted his best efforts for nearly 20 years.

It has been stated on good authority that this is the punishment meted out for his refusal to withdraw from the senatorial contest in favor of Powell, who desires to continue to wear the senatorial toga. It was reported that Dr. Newcomb could have been reappointed superintendent for three years had he been willing to step aside.

In view of the action last Thursday it becomes apparent that the appointment of two new members to the board of managers of the sanatorium was deliberately made for the purpose of giving the New Dealers undisputed control of that body, in order to discipline Dr. Newcomb should he refuse to eliminate himself from the senatorial fight and leave the road open for Powell.

Dr. Newcomb's appointment as medical director was without any definite term, and he can be removed at any time by a majority vote of the board members, which is apparently at the command of Powell-Adams-Jones.

The fact that no term was specified in the appointment of Dr. Newcomb as medical director is reasonable ground for the suspicion that as soon as Adams is safely re-elected to the board of freeholders, Dr. Newcomb will be summarily dismissed, which would doubtless have been done at this time had Adams not feared that popular reaction against such a course would affect adversely his chances of re-election.

Dr. Newcomb's record in the Assembly, his fearlessness, his straightforwardness, his innate honesty are too well known to the men and women of Burlington County to need recounting here. That there should be a serious threat made against the patients of the Fairview Sanatorium by his removal in order to gratify the hatreds of his political opponents, is a dastardly thrust at these helpless ones which should be resented to the full by the decent people of Burlington county.

Senator Powell, in his candidacy for re-election, and Palmer L. Adams, who wishes to be returned to the board of freeholders, should be made to understand that even a patient and long-suffering public will not countenance such knavery.

It is not too soon to start a vigorous campaign for their defeat as a fitting rebuke to their presumption—a campaign not among the politicians, but among the rank and file of the men and women of the county who believe in fair play and who are not willing to

see Dr. Newcomb done to death in this fashion and his work of a life-time destroyed to gratify the ambitions of a group of selfish politicians.

Now is the time for Dr. Newcomb's friends to rally to his defense, and for the advocates of clean government to assert themselves.

THE HEAD-HUNTERS

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

10 a.m., Bible School. Interesting teachers, classes and departments for all ages.

11.15 a.m., Morning worship. Sermon, "A New Commandment." Music by large chorus choir.

Services for Sunday, February 16, 9.30 a.m., Sunday School.

10.40 a.m., Morning service. Sermon: "Courage and Enthusiasm."

This will be the last service at which the old church organ will be used.

A new electric organ will replace it during the week.

6.45 p.m., Christian Endeavor. The attendance has been growing and interest increasing. Young people are invited to fellowship in this service of praise.

7.30 p.m., Evening service of praise. A rousing song service preceding the pastor's message.

Wednesday, February 19, 8.00 p.m., organ dedication service and organ recital by Harry W. Campbell. (See article in another column.)

The Willing Workers will serve a supper Thursday, February 20, from 5.30 to 8.00 p.m., in the dining room of the church. There will be a choice sour kraut or baked beans. Tickets, adults 35 cents; children 25 cents.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

"Hell" is the subject of the Sunday morning sermon by the minister.

This subject has been suggested by the many inquiries about the reality of such a place; where is it; who made it; if God made it is He as kind and fatherly as He should be? Would any father make a place of torment for his child? Come hear

NEW ORGAN FOR MORAVIAN CHURCH

Hammond Electric Organ to Be Dedicated Wednesday February 19th

Next Wednesday evening, February 19, a unique service will take place in the Moravian church at Five Points, when the newly installed Hammond electric organ will be formally dedicated with a recital by Harry W. Campbell, organist. A beautiful service has been arranged by the pastor, Rev. Albert J. Harke, for the occasion. It will give the people of this community an opportunity to see and hear this wonderful instrument, one of the latest marvels in the world.

The Hammond organ is a new invention. It is not a pipe organ, and contains no pipes or any air pressure system or vibrating parts. It creates musical tones electrically. It covers the entire range of musical tone color with extraordinary beauty and flexibility.

Interested in a new organ, the pastor and the joint board, organized a representative group to investigate and hear this organ. Their report to the annual congregational meeting was so favorable that the congregation voted to purchase the instrument immediately. The organ was purchased through John Wana-maker, sole distributing agents for this section.

This organ recital and service of dedication is open to the public and anyone interested is cordially invited. No admission will be charged, but an offering for the organ fund will be taken.

Newcomb on the Spot

Ousting of Dr. Marcus W. Newcomb as medical director at Fairview Sanatorium—Burlington county's hospital for the treatment of tubercular patients—is believed to be the motive behind the action taken by the Board of Freeholders Saturday when it increased the personnel of the institution's board of managers from five to seven members.

The Sanatorium's board meetings the past year have been anything but harmonious sessions, according to reports, although some of the things that have been attempted by the disturbing element created by appointments of the New Deal freeholders have proved futile—like the proverbial "attempt to eat one's own tail."

At the close of the service on Thursday the church will nominate and elect a delegate to represent our church at the next annual meeting of the New Jersey Conference. All members of the church twenty-one years of age and over are eligible to vote.

CHRISTIAN SCIENCE CHURCH

"Soul" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 16.

The Golden Text is: "Unto thee, O Lord, do I lift up my soul. Shew me thy ways, O Lord; teach me thy paths" (Psalms 25:1,4).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The law of the Lord is perfect, converting the soul; the testimony of the Lord is sure, making wise the simple" (Psalms 19:7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Questions—What are the demands of the Science of Soul? Answer—The first demand of this Science is, 'Thou shalt have no other gods before me.' This is the first commandment."

The second commandment is: "Thou shalt have no idols." Therefore the commandment means this: Thou shalt have no intelligence, no life, no substance, no truth, no love, but that which is spiritual. The second is like unto it, "Thou shalt love thy neighbor as thyself" (p. 467).

BOYS ENJOY HOCKEY GAME AT PRINCETON

Saturday night, February 8, some YMCA boys went to Princeton to see an ice hockey game between Princeton and St. Nick.

We arrived at Baker Memorial Rink about 8.30, in time to see both teams practice.

It was an exciting game and both teams played well. The "gang" had a thrill a minute. Although it was the first game that several of us had seen, we all had a good time. The final score was Princeton 5, St. Nick 4.

J. Douglas Mickle.

Mussolini says he invaded Ethiopia because the people over there didn't know how to govern themselves. Let's hope nobody jumps on us for the same reason.

CHORAL CONCERT NEXT TUESDAY

Fellowship Choral and Assisting Artists to Appear in Riverton School

The Palmyra-Riverton YMCA announces that trio from the Curtis Institute will appear along with the Fellowship Choral Club in its concert to be given Tuesday night, February 18, at 8.30 in the auditorium of the Riverton public school.

This group is composed of Walter Pew, violinist; Walter Schmidt, cellist, and William Carey, pianist. Mrs. Elizabeth Lippincott, contralto, will assist the club in some of its renditions.

The program will be as follows: 1. Laudamus, Protheroe; 2. By the Sea, Schubert; Verborghenheit, Wolfe, to be rendered by the Choral Club. 3. Serenade, Schubert; The Mill, Raff, rendered by the Aeolian Trio. 4. A Spirit Flower, Campbell-Tipton; 5. The Jolly Roger, Candlish, given by the Club.

A short intermission will be taken between the first and second part of the program.

1. Break, Break, Croase; 2. Listen to the Lambs, Dett, by the local Choral. 3. Liebestraum, Liszt; Hungarian Dance No. 5, Brahms, The Aeolian Trio. 4. Seraphic Song, Rubinstein, assisting artists, Elizabeth Lippincott and Walter Pew. 5. Ring Out Wild Bells, Fletcher, by the Club.

Folks desiring tickets may contact the local YMCA. The details of this concert have been handled by the Choral Club director, and Lee Mitton.

MISS HAINES ELECTED TO DRAMATIC SOCIETY

Miss Cary M. Haines, daughter of Mrs. M. E. Haines, of 908 Morgan avenue, Palmyra, was elected to Belex, the dramatic society of Beaver College, at Jenkintown, Pa., last week.

Miss Haines will soon appear before the college in one of the interesting plays to be sponsored by Belex. She is in the second year of the kindergarten-primary education course at Beaver.

OBITUARIES

EDWARD M. BECTON

Edward M. Becton, aged 58, died Monday, February 10, 1936. Death was due to pneumonia, following an illness of 10 days.

Mr. Becton is survived by his wife, Ray M.; two sons, George, of Palmyra, and Edward M., Jr., of Vero Beach, Florida; his mother, Mrs. Susan Wall, of Santa Monica, California; a brother, B. Y. Becton, of Independence, Kansas, and a sister, Mrs. Fredericka Hollister, of California.

The deceased was vice president of the Baker-Flick department store in Camden.

Before coming to the Camden store, Mr. Becton had mercantile experience in Texas, St. Louis and Philadelphia.

He was a member of the Camden Rotary Club and Covenant Lodge, F. and A.M.

Funeral services were held Thursday, 2 p.m., at the Snover Funeral Home. Burial will be in Lakeview Memorial Park.

GEORGE M. HILLMAN, SR.

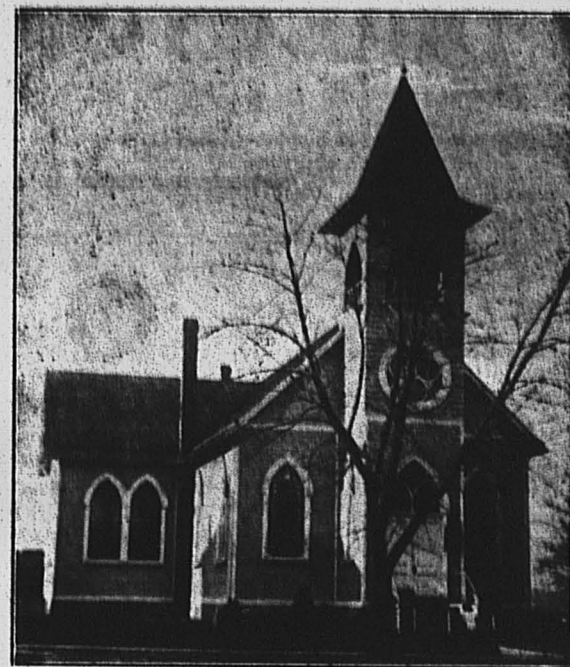

George M. Hillman, Sr., of West Main street, Moorestown, former prosecutor of the pleas of Burlington County, died last Friday in Pennsylvania Hospital, suffering with heart disease. He had been ill for four weeks and was confined to the hospital about two weeks.

Mr. Hillman, who was 63 years old, was born in Philadelphia but came to Moorestown with his family as a boy. He studied law under the late Judge Joseph H. Gaskill and was admitted to the bar in 1895, becoming counselor in 1910.

He was prosecutor from 1925 until 1930. At the time of his death he was a supreme court commissioner.

Funeral services were held Monday morning at 11 o'clock at Trinity church, with the Rev. Edgar L. Sanford, pastor, officiating. Interment was in Colestown Cemetery.

PALMYRA MORAVIAN CHURCH

Rev. Albert J. Harke, pastor of Palmyra Moravian Church, will hold special dedication exercises Wednesday evening, February 19, at which time the new organ will be dedicated to the church.

FOUNDERS DAY COLONIAL TEA

A Colonial Tea will feature the Founders Day program of the Palmyra Parent-Teacher Association to be held in the Palmyra high school building on Tuesday afternoon, February 18, from 2.30 until 4 o'clock.

Tea will be served by the domestic science department under the direction of Miss M. Taylor.

A choral composed of grade school pupils will render selections.

Mrs. J. Martin Williams, president of the Palmyra Parent-Teacher Association, extends a cordial invitation to all persons interested in the schools.

CRASHED FIRE PLUG—FINED

On January 31, Walter Bennington, 52, of 1515 Collings avenue, Camden, ran into a fire plug in front of the Claude Anderson residence on Bank avenue, and broke it off even with the ground. He was arrested by Officer John Robinson and Recorder Frank Probsting fined Bennington \$20 and costs.

GEORGE FRIDAY J. RUSSELL HOLVICK
H. D. HULLINGS and Son JOHN KERRIGAN

CINNAMINSON P.-T. A.

The president, Mrs. Musser, being sick, the executive meeting of the Cinnaminson P.T.A., held last Friday in spite of the storm, was presided over by Mrs. Haines.

Plans were made for "Founders Day" on the nineteenth, Miss Mary Roberts, from the Moorestown Friends School, will speak about her experiences in Palestine, where she was connected with a school.

Music will be furnished by Mrs. Guidlin, a quartette of boys, and the teachers. A candle lighting service is in preparation and refreshments will be served.

The proposed renovating of the teachers' room is well under way. Chairs, sofa, Venetian blinds, etc., are in place, and the association will

be very glad to hand over a really cheerful room.

In the auditorium, curtains have been contracted for. They will harmonize with the stage curtain, and will be hung upon a trolley. All are impatient to see them.

Monday of this week, Mr. McCormick, the autogiro pilot of the second Byrd expedition to "Little America," talked about life there. The talk was supplemented by slides which were vivid and interesting.

He had expected to fly to Cinnaminson, but his plane "cracked up" in Leighton, Pennsylvania, and he had to leave it there for repairs. This talk was a real thrill.

Publicity.

Some sorts of success are too costly.

THE NEW ERA

THIRTY YEARS AGO

Reprinted from The New Era

Issue of January 12, 1906

Dreer's Nurseries has rented the Swedes Run Farm, owned by George L. Gillingham, near Moorestown, for three years. The firm proposes to set out about fifteen acres of dahlias, and on another part of the place 40,000 peonies will be raised.

(The farm referred to was really Locust Farm—not Swede's Run Farm.)

Under intense cultivation Locust Farm as purchased by Dreer has become wonderfully productive and the finest perennial flowering plants in cultivation are grown there such as Peonies, Iris and Phlox—only the very best and finest varieties being planted.

The farmhouse, barns and buildings have been thoroughly modernized.

About five years later the Kerns and Hunter Farms on Union Landing Road were purchased, greatly improved and as at Locust Farm, the buildings thoroughly modernized and 2½ acres of modern greenhouses built. The farmland surrounding the greenhouses is devoted mostly to the raising of Dahlias, Chrysanthemums, Gladioli, Cannas and other rare flowering stock.

Frequently praise is given in magazines and in the horticultural press to the hybridizing work in Chrysanthemums carried on at Riverview to advance the flowering time in the autumn.

The Gladioli trial garden is one of the most elaborate and comprehensive in the country.

The annual meeting of the Riverton and Palmyra Water Company was held Thursday afternoon, January 11. The following directors and officers were re-elected: Directors—Joseph Morgan, C. M. Biddle, William F. Morgan, C. A. Wright, Robert F. Garwood, Louis Corner, Howard Parry. President, Joseph Morgan; vice president, C. M. Biddle; superintendent, secretary and treasurer, Howard Parry.

A meeting of the heads of municipalities throughout Burlington county, called by Mayor F. G. Brown, of Riverton, was held in the Country Club Wednesday afternoon, to discuss a remedy for the inadequate indexing of records in the County Clerk's office. No plan was adopted and another meeting will be held in Mt. Holly on the 27th of this month, by the lawyers and real estate dealers throughout the county to formulate some definite plan of action. It was thought that the indexing would cost about \$20,000.

(After a lapse of thirty years, this work is about to be done. On Monday of this week (February 10, 1936) the Burlington County Board of Freeholders took action to avail itself of the government's WPA offer to re-index the records in the offices of the surrogate and county clerk, at a cost of \$82,583. (Of this sum the county will pay \$9,500.)

At the organization of council the following committees were appointed: finance, Henry Ashburner, W. A. Major, Robert Biddle; highway, E. H. Pancoast, W. A. Major, H. N. Pancoast; sewer, Robert Biddle, H. N. Pancoast; police and street lighting, W. A. Major, E. H. Pancoast, Henry Ashburner; ordinance, H. N. Pancoast, S. MacMullin, Robert Biddle; fire and water, E. H. Pancoast, Henry Ashburner, S. MacMullin; overseer of poor, William Quigley; poundkeeper, T. J. Ryan; president of council, Henry Ashburner; borough clerk, J. H. Reese.

Because of the new order of things at the county jail, where no prisoners are received without a commitment, Mount Holly has decided on the erection of a lock-up for the keeping over night of persons who are arrested after the justices of the peace have gone to bed. The board of freeholders will be asked for permission to have the building erected on the county property.

Ezra Lippincott Passes Away
Ezra Lippincott, one of Riverton's foremost citizens died at his home here yesterday (January 18, 1906). The deceased was in his seventieth year, and, while not the oldest man in

NEWER METHOD INSURES ALL PURE COAL

When the Joseph T. Evans firm, after exhaustive tests and analysis a few years ago, decided to take over the distribution of the famous Premium Anthracite in this territory, they had no idea that the output in tonnage would double itself. So many users are satisfied and convinced that this coal is the peer of them all, that their neighbors and friends have been asked to order one ton for a trial, and when they note the difference, another new customer is added to the ever-mounting list of Premium Anthracite users.

This coal is prepared for domestic use by the most modern floating process, whereby pure virgin coal is actually floated on water, while the contaminated coal such as slag, bone and slate, sinks to the bottom, insuring 100% clean, pure virgin coal. It's a marvelous, modern, expensive process, but since the price to the consumer is not advanced, the user is getting a higher grade product with no additional cost.

It is true that "It goes farther and heats longer."

NEW TELEPHONE DIRECTORY READY

It's nearly time to thumb through the old telephone book again and remove such valuables as money, insurance policies, bonds and family heirlooms, because the directory man will be around sometime after February 13, bringing with him the new February 1936 Camden district book, and taking away with him your old directory.

Since the old book was compiled a total of approximately 14,000 directory changes have accumulated—a fact, say telephone officials, which has been reflected in a steadily increasing number of calls for "information." As soon as the new book is distributed, they predict, the number of such calls will nose-dive to a low point, then slowly start climbing again as the directory gets older.

"Why worry because your hair falls out? Suppose it ached and you had to have it pulled, like your teeth."

W.C.T.U. BROADCAST

On Sunday, February 16th, at 10:30 a.m. Mrs. Ella P. Christner, of Montclair, editor of the White Ribbon News, official publication of the New Jersey Woman's Christian Temperance Union, will broadcast as part of the program of "The Listener Speaks," over radio station WOR. The Woman's Christian Temper-

ance Union invites all who are with in sound of a radio at that time, without interfering with church attendance, to listen in for this program. Miss Ida Lillian Page, director of the department of radio, New Jersey W.C.T.U., would like to know your reactions to Mrs. Christner's message. Her address is 311 Seventh street, Union City, N. J.

NO AXES TO GRIND

There was a time when we expected, as a matter of service, to make a profit out of every service we performed. We hope that day will come again. Right now we have no axes to grind... many of the things we offer you are offered simply as a convenience... in the spirit of public service. Today we are in a stronger position than we have been at any time during the last decade, and that means that during the next few years as conditions improve we will be able to serve this community more effectively than we've ever served it before.

CINNAMINSON Bank & Trust Co.

DELICIOUS REFRESHMENTS FROM THE ELECTROLUX

You need pay nothing down on the Electrolux gas refrigerator. Cash prices are as low as \$142.75 and only a small charge is added if you buy on the divided payment plan. Refrigerating unit is guaranteed for three years, the cabinet for one year. Electrolux operates quietly and uses the minimum of gas.

Your plumber sells the Electrolux at the same prices and terms.

Hear the Mystery Chef on Station WEAF or KYW Wednesday and Friday at 10:30 A. M.

PUBLIC SERVICE

RIVERTON

The winner of the blanket club of the Sacred Heart P.T.A. this week was Mrs. Esther Bueher, of 715 Cinnaminson avenue, Palmyra.

E. Newbold Cooper, former principal of the Riverton public school and now supervising principal of the elementary school at Girard College, addressed the meeting of the Moorestown Home and School Association last week.

Mrs. Lillian Moore, of Linden, entertained the Philathea class at a covered dish luncheon Tuesday.

Mrs. Rachel Powers, of Yonkers, New York, is spending some time with Mrs. Arthur Bowker.

Mr. and Mrs. Frank Rue entertained friends at bridge last Saturday evening.

Mr. and Mrs. James Clark have returned from their trip to Florida.

The Ladies' Aid Society of Calvary Presbyterian Church will hold annual cake and apron sale on March 27.

Wednesday, March 4, will be the date of the annual election and collection of dues of the Ladies' Aid Society. Mrs. Frank Rue requests that all the ladies of the Society make a special effort to be present at this meeting.

Bob Horton's orchestra will play for the Sigma Alpha Rho Fraternity in the English room of the Arcadia International, Philadelphia, Friday evening of this week.

WPA FUND VOTED BY FREEHOLDERS

Records in County Offices to be Re-indexed at Cost of \$82,583, County to Pay \$9,500

The Burlington county board of freeholders, at a special meeting held on Monday of this week, passed a resolution issuing a \$15,500 emergency note to take care of the county's share on eight WPA projects.

The amount of \$109,739 will be the federal government's share of the bill for the projects, which will get started in two weeks. The note will be an anticipated revenue note for one year.

The two major projects are the re-indexing of records in the surrogate's and county clerk's offices at a cost of \$82,583.

The amount allocated to the county clerk's office is \$50,591 which takes in reindexing, purchase of files and books and other necessary equipment. Of this amount the government will pay \$44,791 while the county's share will be \$5,800.

The sum of \$31,992 will be spent in the surrogate's office of which the government will pay \$28,292 and the county \$3,700. Other record work including the sheriff's office will cost \$5,632 of which the government will pay \$5,330 and the county \$302.

The renovation of the sheriff's office and other buildings will cost \$2149, the government's share being \$1720 and the county's \$429.

The construction of a poultry house at the county almshouse will cost \$2,302, the government paying \$1,330 and the county \$972.

The necessary funds for the purchase of cows and equipment for the milk house at the county farm amounting to \$3500 is included in the \$15,000 to be raised by means of the emergency note. No government funds are involved in this transaction.

The Leisure Time program will be financed entirely by the federal government at a cost of \$28,276.

NEW TEACHER AT BROWER

Brower Conservatory of Music, Collingswood, announces the appointment of John Wigand to its staff of instructors. Wigand will be in charge of all dancing at the conservatory. He recently finished a tour of Keith's Circuit, having been on the circuit for a number of years. He is a member of the famous Wigand family known all over the world in theatrical circles. At the conservatory, Wigand will specialize in tap and acrobatic work.

MINSTREL SHOW ON FEBRUARY 22

Leading Local Talent to Appear in Event Scheduled at Parish House

Everyone in town seems to be talking about the minstrel show which is to be given in Christ Church Parish House on Saturday, the 22nd. It cannot be said that the church is giving it, though the ladies of the Woman's Guild are sponsoring it for the benefit of the church. However, it is fast taking on the aspect of a town enterprise, for the performers are by no means limited to the membership of the church.

The names of all the members of the cast have not been made public, but it is known that Winfield Wilson and "Chuck" Carpenter are to be two of the end men—a sure promise of some excellent humor, and songs to be put over in a clever manner. Still the humor of the occasion is not its sole appeal. The music under the direction of Eric Warnick, and a number of members of the Fellowship Choral are in the circle. Several new numbers as well as some of the old-time favorites will be sung and the town is in for a real musical treat.

In addition, there will be an orchestra and dancing following the minstrel show itself. It has been some time since any group in the town has attempted such an ambitious evening, or one which gives such promise of being a real success.

K. of C. NOTES

Those who failed to attend the card party last Friday night at the Knights of Columbus hall, missed the finest array of prizes awarded for a long time. Card parties will be held at the hall each Friday night, and each week a new committee of ladies will conduct these popular parties. Each succeeding committee will try to outdo the other, both as to prizes and the quality of them.

This Friday, February 14th, a committee headed by Mrs. Edward Kavanaugh will take charge, and she promises to surpass any of the previous affairs. Coffee and home-made cake will be served to all who attend.

RIVERTON FIRE COMPANY NOTES

A meeting of the Burlington County Firemen's Association will be held in the Riverton Fire House, Wednesday evening, February 19, at 8 o'clock. Approximately 150 men are expected to attend this meeting.

Wednesday evening ten of the firemen including Chief "Butts" Carhart tested all the fire plugs in town and found only one that wouldn't work. This was in front of E. E. Compton's on Main street. The plug which was frozen was reported to the water company.

Starting last Monday night there will be drill every other Monday night. All members of the company are requested to turn out for these drills. The next one is scheduled for Monday evening, February 24.

TWO-STAR CARD IN CAMDEN RING

Ed (Don) George, former wrestling champion of the world, and Hank Barber, the Jewish star, and George Koverly, of Hollywood California, and Vic Christy, of Los Angeles, will lock horns in a double wind-up at the Camden Armory, Haddon avenue and Mickle street, Thursday night. Each bout is listed to travel one hour and is slated for one fall.

These two headline attractions promise the mat patrons at the Drill Shed plenty of unexpected excitement. Barber is out to keep his winning streak on the Camden mat intact. The Jewish star, who gave up a promising big league baseball career with the Boston Red Sox, is confident that Don George will prove a victim at his hands. Hank feels certain that his flying tackle, drop kick, leaping headlock and his other varied legal holds will lay low the one time champion.

DUNNE AND TAYLOR AT WALT WHITMAN

"Magnificent Obsession" Universal's Outstanding Hit Now Playing in Camden

It is difficult to attempt a dispassionate review of "Magnificent Obsession," Universal's John M. Stahl production, which opened an engagement at the Walt Whitman theatre yesterday, with Irene Dunne and Robert Taylor in the starring roles. Rarely has the screen shown a more touching motion picture than this, filled as it is with heart-quicken drama and delightful comedy—a skillful blending of light and shade, revealing the story of the compelling power of a great love.

Others in the cast who do especially good work are Charles Butterworth, whose comedy is delightful; Betty Furness, Sara Haden, Gilbert Emery, Ralph Morgan, Cora Sue Collins, Henry Armetta and Arthur Treacher.

ASKS REASON FOR "PACKING" BOARD

Grange Demands Explanation by Freeholders at Next Meeting

Freeholder Albert C. Jones reported at the regular meeting of the board held in Mt. Holly, Friday, that the good government committee of the Burlington County Pomona Grange had requested a meeting with the board of freeholders to get from them an explanation of their "packing" the board of managers at the Fairview Sanatorium.

Mr. Jones stated that he had endeavored to explain the board's reason, but that it did not satisfy them, and they still felt that the matter should be taken up with the whole board.

The clerk of the board was requested to write the good government committee and invite them to attend the next regular meeting of the board to take up the matter.

Protest from Riverton

A letter from the Riverton Porch Club was read in the meeting, the text of which follows:

WHEREAS, Miss Sarah R. Budd, organized the Burlington County Library Commission, and has since that time served most conscientiously as a member of said commission without gratuity, and

WHEREAS she has the education, experience and leisure to acceptably fill the position of chairman, and

WHEREAS, living in the county seat and being a member of the State Commission she has been able to keep in touch with the library in Trenton and to coordinate the county work for most efficient service, therefore be it

RESOLVED that the executive board of the Porch Club of Riverton deplors the action of the board of freeholders in failing to reappoint Miss Budd as a member of the County Library Commission, and, be it

RESOLVED that a copy of these resolutions be spread upon the records of the Porch Club, and be it further

RESOLVED that a copy of these resolutions be forwarded to the Board of Freeholders of Burlington County.

Mrs. Marian P. Flower, Corresponding Secretary for the Riverton Porch Club

Freeholder Jones inquired of the other members of the board, "What is the Porch Club?" And when told that it was an old Riverton club he remarked, "What do they do—kick young men off the front porch when they stay too late?"

Freeholder Stout remarked that it might be a good thing to reinstate Miss Budd on the County Library Commission.

"Politics," Says Adams

Director Adams declared that Miss Budd was not disturbed over the change but that he knew certain women were going about the county agitating the people for political reasons.

Other Protests

Two other letters of protest were read as follows:

Riverton Free Library Association Riverton, N. J. February 11th, 1936. Burlington County Board of Freeholders, Mount, Holly, N. J. Gentlemen:

We cannot restrain the impulse to tell you how distressed we are to learn of the decision of your board which deprives the citizens of the county of the services, experience and able guidance of Miss Sarah R. Budd as a member of the County Library Commission.

We have always felt that Miss Budd's direction of the Library Commission activities has been such that our fellow citizens have been fortunate indeed in having her counsel and interest in this very

(continued on page 2)

DAMANSKI TO ADDRESS STAMP CLUB FEB. 28

The Palmyra-Riverton YMCA Stamp Club will hold its monthly meeting Friday evening, February 28th, at the Palmyra YMCA rooms.

Every collector in Palmyra and Riverton is cordially invited to attend. The committee has arranged with Vincent Damanski, Jr., the noted specialist on Poland and Russia, to be present and talk about his collections. This will be a real treat which stamp fans will not want to miss.

There will also be the usual entertainment and bourse conducted for the members who wish to add to their collections.

MORE PLANS FOR 25th ANNIVERSARY

Palmyra Assembly AOMP Give Further Plans for June Celebration

Plans are progressing for the 25th anniversary of Palmyra Assembly No. 65, A.O.M.P. There are to be several events leading up to the main celebration in June. The first will be a banquet to be held on the regular March meeting date, March 17th.

The entire staff of officers from the Most Excellent Assembly is expected to be present. There will also be an entertainment following the banquet.

At the meeting last Tuesday night there was one petition for membership which is a starter for 25 new members for the May meeting on which the committee is planning.

A special effort is to be made to have 25 candidates for the 25th anniversary. After the meeting on Tuesday the members participated in the game of arto socco.

On Thursday, February 27th, Palmyra Assembly is invited to attend a victory celebration given by the New Jersey Boosters Association in honor of Oaklyn Assembly which had the highest percentage gain in membership in New Jersey for 1935.

This will be held in the high school at Oaklyn and all Jersey assemblies will be represented.

SACRED HEART P.T.A.

The Sacred Parent-Teacher Association will hold a food sale in the school auditorium on Thursday, February 27, from 2 to 4. The fourth and fifth grade mothers will be in charge, under the direction of Mrs. Frank Betz, chairman.

Orders taken and delivered by calling Riverton 956-w.

PORCH CLUB NOTES

The Trio Classique played at the Porch Club on Tuesday, February 18th. The artists were Miss Ardelle Hooks, Miss Edice Shapiro and Miss Virginia Majewski. The Trio in C Major, Opus 87, by Beethoven was played beautifully and the two sketches by Cornelissen were arranged for this particular trio.

Mrs. Ida Wright Bowman, of New York, will speak at the Riverton Porch Club on Current Events, Thursday, February 27th, at 2 o'clock.

Mrs. Bowman is a very able speaker and we are indeed fortunate to hear her. She is having a course of lectures this winter at Town Hall in New York and Pittsburgh.

DINNER MEETING OF SOCIAL WORKERS' CLUB

The Burlington County Social Workers' Club will have a dinner meeting at The Willows, 129 Garden street, Mount, Holly, on February 24, at 6.30 p.m. Speaker's subject will be "Health."

TOWN MEETING MONDAY NIGHT

Organization and Plans for 1936 to Be Discussed in Open Meeting

The Riverton Town Meeting will hold its annual meeting in the auditorium of the Riverton public school on Monday night, February 24th, at 8 o'clock.

A nominating committee has been appointed by the president, Edwin S. Parry, who will have a proposed list of candidates for election for the ensuing year.

The president states that he will expect reports of the activities of the various committees appointed throughout the past year.

A new proposition that will require a little delicate treatment offers a potential source for securing new residents for Riverton. It is expected that this will be discussed at the meeting Monday. This should be of interest to every business man in the community as well as the residents.

The recent bad weather has focused attention once again upon the railroad service secured by the Town Meeting. Perhaps A. B. Garwood will have something to say upon that subject, as head of the transportation committee.

The Riverton Town Meeting has a record of notable achievements in its short history and can do much more to make for a better Riverton in which to live.

It is hoped that as many citizens as possible will come out to the meeting Monday night to help in the organization and to lay plans for a bigger and better year in 1936.

Good weather, or bad, it's comfortable in the new school auditorium, so put your shoulder to the wheel and assist in this worthwhile community work.

Publicity Committee.

CHORAL CONCERT IS WELL RECEIVED

Appreciative Audience Hears Fellowship Club and Assisting Artists

More than 150 people braved the bitter cold and treacherous traveling Tuesday night to attend what many conceived to be the finest concert given under the direction of Alfred VanOsten, director of the Fellowship Choral Club, in the new Riverton public school auditorium.

Assisting the Choral were the well known Aeonian Trio composed of Walter Pew, violinist; Walter Schmidt, cellist, and William Carey, pianist, and Mrs. Elizabeth Lippincott, contralto.

All numbers rendered by the Choral were accompanied on the piano by Lee Mitton. The program, divided into two parts, was very well received and the artists reaped with generous encores, for the most part in a bit lighter vein.

The rendition of Verboegenheit was the first attempt of the Choral to give any number other than in English. In honor of Stephen Foster's 110th birthday anniversary the singing group rendered a medley of his tunes as an encore that was very well received.

At the conclusion of a short intermission Director VanOsten told the group that an honored guest was in the audience, Godfrey O'Hare, composer of the old favorite "K-K-K-Katy," "Give a Man a Horse He Can Ride," and more recently the winner of scores for popular musical plays. Mr. O'Hare stood up and received the generous applause of the audience.

The ushering for the event was handled by the Phalanx, the young men's group of the YMCA, under the leadership of E. Newbold Cooper, their advisor.

The Palmyra-Riverton YMCA is indebted to the talent, the people

YMCA REGIONAL CONFERENCE AT MOORESTOWN

There will be a regional conference of young people at the Moorestown Trinity Episcopal Church, March 6-7. This is being sponsored by the Provisional Christian Youth Council of New Jersey, which is also sponsoring four other regional conferences between February 28 and March 28.

Henry Reed Bowen, executive secretary of the State Council Religious Education, is working with the young people in setting up this conference, which is open to young people between the ages of 17 and 25.

Detailed information about the conference may be secured at the County YMCA headquarters, Mount Holly.

TALENT DAY PLAY BY RIVERTON PTA

One-act Comedy, "On the Air," Presented by Local Artists Monday Afternoon

The Riverton Parent-Teacher Association wishes to thank those whose generous contributions and purchases at the food sale on Monday helped make Talent Day a success.

A brief business meeting preceded a talk by Mrs. Clifton P. Mayfield on "Founders Day." Mrs. Mayfield told of the small group of mothers, who, in 1900, held the first meeting of the state here in Riverton and traced the development of P.T.A. to the present-day organization.

Mrs. Mayfield also praised the fine work of our state president, Mrs. Walter L. Bowen, and our local president, Mrs. Henry P. Orlemann.

A one-act comedy entitled "On the Air," was presented by members of the P.T.A. under the direction of Mrs. J. Rowland Dey. Mrs. David F. Gould, as spokeswoman for the Main Street Cultural Society, appeared at the radio station for a scheduled broadcast, accompanied by Mrs. Porter Caldwell, a poet and Mrs. Joseph Morgan, a singer.

Montgomery Simons, as station announcer, and Mrs. William Zeller, as song stylist, attempted to instruct the members of the Cultural Society on radio technique with little success. This play was remarkably well acted and very amusing.

The food sale which started at 2 p.m. continued after the play, and tea was served by the hospitality committee.

A regular meeting of the Child Study Group will be held on Monday, February 24, at

Asks Reason for "Packing" Board

(continued from page 1)

important work, and we do hope some way may be found to avoid the distinct public loss which we feel is involved in her retirement.

Yours very truly,
Riverton Free Library Association,
Harry F. Jones,
President.

Mrs. Edward Reid
40 South Main Street
Lumberton, N. J.
The Board of Freeholders
Sirs:

I personally resent and protest the inexcusable dropping of Miss Sarah Budd from the County Library Commission by your body. Please rectify this at once.

Truly,
(Mrs. Edw.) Irene D. E. Reid,
Vice president Lumberton Parent-Teacher Association.

All of the letters of protest were ordered received and referred to the director of the board.

Report Rejected

The annual report of the Burlington County Tuberculosis Sanatorium was read by the clerk.

Following the report a communication from the State Department of Institutions and Agencies was read which cited the per capita cost of the cost figures at the sanatoriums in other counties.

Of ten counties quoted in the 1934 figures, Burlington ranked eighth in the per capita cost.

Freeholder Adams criticised Dr. Newscomb's report and stated that it did not give the per capita cost of the indigent patients. He claimed that the cost figures at the sanatorium are not as they have been represented and he wanted the chance to prove it.

The report was not regularly accepted but was by vote referred to the director of buildings (Adams) to take up with the board of managers at the Sanatorium.

Deborah Asks Aid

A committee representing the Deborah Sanatorium from Browns Mills attended the meeting of the freeholders and asked for an appropriation of from one to three thousand dollars for the maintenance of their sanatorium. Israel Katz, of the J. Evanson & Sons, soap manufacturers, Camden, was the spokesman for the group.

He stated that a few years ago a new building at the Deborah Sanatorium was started. During the course of construction \$150,000 was spent. Then the depression came and they were unable to raise funds to complete the building. It occurred to the board of managers to apply to one of the alphabetical agencies of the federal government for funds to complete the structure. This he stated was done and that the only stumbling block in the way of securing the required aid was that the sanatorium was not receiving municipal or county support for its maintenance, and was therefore classified as a private institution.

Mr. Katz said that the entire cost of maintaining the sanatorium in the past has been borne by the Jewish communities of New Jersey. The institution, he said, was strictly non-sectarian and that only patients who

were unable to pay for treatment were accepted at the institution. The sanatorium was established thirteen years ago and today is caring for forty-five patients. Last year one hundred and fifty patients received treatment at the sanatorium.

The staff physicians and officers he stated, received no pay for their services, and that the institution spends \$60,000 annually for its maintenance, most of it in Burlington county. He claimed that if the new structure is completed the annual budget will be increased to \$150,000 for maintenance.

Mr. Katz stated that assurance has been given that if the freeholders will make a small appropriation towards its maintenance the WPA will take it from the private classification and list it among the county-supported institutions and pass the application of its board of managers for help.

Benefit to County

He concluded his remarks by stating that from a cold-blooded business angle the county would benefit by the increased expenditure of monies within its borders, both for new construction and for maintenance thereafter. If completed, the county would have one more charitable institution to which it could point with pride, and, lastly, it would be aiding in a great humanitarian work and would be a great Christian act on the part of the board and the people of the county.

Freeholder Lamson moved that the request of the committee from the sanatorium be referred to the board's solicitor, Lester A. Drenk, for immediate action and a report to the board at a special meeting. Those present representing the Deborah Sanatorium were: Israel Katz, Dr. Harry Berger, Rabbi I. Levin, Isador Herman, Max Ballock, Mrs. Herman Krupnick, Mrs. Abraham Saltzman, Miss Emma Deitch and Benjamin F. Hirschblond.

Snow Emergency

Freeholder Jones introduced a resolution asking for the approval of the board to purchase materials and equipment for snow removal without the formality of asking for bids. The director of highways stated that the severity of the winter and the need for immediate action in clearing the highways would require new equipment in the form of snow plow blades, etc. The resolution was passed unanimously.

A bill of expenses for the board's solicitor amounting to \$25.20 was passed unanimously.

Freeholder Lamson introduced a resolution asking that the date for calling improvement notes amounting to \$23,675 be changed from February 13th to February 22nd, since word has been received that funds for the sale of bonds will not be available until February 17th. The resolution was passed unanimously.

Asks for School Money

Bass River Township wrote the board for a meeting with its committee to secure the release of school monies due the township. Freeholder Lamson stated that the township was in arrears in tax monies due the county. The clerk was instructed to write and invite the township committee to attend the next regular meeting of the board.

The state highway department in

Trenton addressed a letter to the board stating that it would be willing to construct manhole openings on the bridge over Assinunk creek on Route 25, Burlington, for fire protection purposes.

Compliments Board

A resolution from the Burlington County Pomona Grange was read in which the Grange complimented the Freeholders for their successive reductions in the county tax rate. The resolution was received and filed.

A like communication was received from the Moorestown Rotary Club which took a similar course. A letter from Burlington County Children's Home was read in which the board of managers thanked the county for its usual appropriation towards the support of the institution.

Gunn "Goes Off" Again

The following letter from George C. Gunn is typical of much of the criticism directed against Dr. Newscomb. It was read and referred to the solicitor for report back to the board.

The Burlington County League of Taxpayers and Voters
Summer Road,
Edgewater Park, N. J.
February 5th, 1936

The Board of Chosen Freeholders,
County of Burlington, Mt. Holly.
Gentlemen:

True to form Burlington County's honored Member of the State Assembly, is registered as asking a vote on the Clee Economy bill.

Its just too bad that when his vote is most needed, or desirable in order to enable the people to measure his loyalty to their interests, he ducks, that is except when the interests of the Public Service are at stake, then he votes for every gouge that they desire to make on the pocket books of the people. What claim have they on his services?

It might be informative also to inquire how he voted on a bill passed last week by the Assembly, requiring a fee of two dollars (\$2.00) from every taxpayer desiring to appeal from taxes assessed? What a recognition of the peoples rights.

He is a very busy man, in fact so busy that with a record of 56 deaths at our Tuberculosis Sanatorium, out of an average of 109.87 patients there last year, figures from his report published last week, we question whether our patients are receiving the emergency protection they could get at home.

Tuberculosis is an emergency

disease, an unchecked hemorrhage and they pass away, checked and they may recover entirely with care.

When we take the record of the City of New York, year 1933 with an average death rate of 4051 from population of 6 to 7,000,000, we know that something is wrong. Well what is wrong? Are the Doctors we pay for, giving proper attention to their duties? Have they other jobs or responsibilities that prevent our patients from getting that emergency attention that is the safety valve on that disease? Well what does the record show?

Dr. Newscomb is the physician in charge and he has one assistant, one of whom are supposed to be there all the time.

The Dr. however has 3 hospitals of his own at Browns Mills where

he and his assistant on the county pay roll, are the regular attendant physicians. Patients about the same number as ours. A report by the State shows 78 indigent supported by the State and the County from which they come, in his care there, the State paying board of \$12.00 per week and the County likewise, an annual charge for each patient of \$1248. Compare this with ours:

In 1934 cost per indigent patient was \$1028.50, this last report shows however cost per, of \$917.91, this is inclusive of paid patients, who pay their own way, and we have no record of rate per patient boarding there.

In addition the Dr. has an office opposite the State House Trenton where he does a general practice,

RIVERTON, N. J.

Reflections

"It's an ill wind that blows nobody good," as if the ruthless and arbitrary methods of the "New Dealers" served to arouse a more active interest on the part of the general public in the management of their county affairs, much will have been gained, and it seems that this interest is being aroused.

The widespread resentment against the removal of Miss Sarah R. Budd, as chairman of the county library commission, for such patently political reasons, is a healthy, hopeful sign.

The campaign to "amear Newscomb" is meeting with much disfavor, and many who supported Adams and Jones when they were candidates for freeholders, and who were inclined to believe that these young officials were trying to do their best since their election, are beginning to seriously question not only the wisdom of their actions, but the sincerity of their motives as well. It is significant that the Burlington County Pomona Grange has demanded an explanation at a regular meeting of the board of freeholders as to why the board of managers of the Fairview Sanatorium had been "packed" and Dr. Newscomb deposed as superintendent of that institution. The lack of continuing faith in the "New Dealers" was plainly shown by the fact that the Grange refused to accept an explanation of this episode as made by Freeholder Jones and demanded a public hearing in the matter.

The contemptuous manner in which protests to the Burlington County Board of Freeholders were received by some of its members is indicated by remarks passed when letters were read at the last meeting, objecting to the removal of Miss Budd as chairman of the county library commission. Director Paul L. Adams remarked that certain women were going around the county agitating the people for political reasons.

When the letter from the Riverton Porch Club was read, Freeholder Jones facetiously inquired, "What is the Porch Club, what do they do, kick young men off the front porch when they stay too late?"

For the information of Freeholder Jones it might be stated that the Riverton Porch Club is a group of 200 women organized in Riverton in 1890 and ranks among the leading women's clubs in the state. It has always taken an active interest in the promotion of social, educational and civic activities and has a wide and helpful influence in the community.

BOY SCOUT WEEK

The Palmyra Scouts, together with those of the Parry troop, wound up their anniversary program with a big banquet Thursday evening, February 13th.

A most interesting program of speaking and motion pictures followed the wonderful meal served by the Scout Mothers' Association. Through the kindness of Russell (Lena) Blackburne, the speaker of the evening was Johnny Quinn, American League umpire, who vividly described the trip of the big league ball players to Japan. His talk was interesting and instructive to the dads present as well as an inspiration to the boy scouts.

The movies which were shown through the kindness of Mr. Blackburne and Mr. Quinn were the first presentation of "Take Me Out to the Ball Game," a talking picture that features many famous players, explaining in detail how the various positions on the team should be played.

TO LUNCH WITH PRESIDENT

President Franklin D. Roosevelt will receive an honorary degree from Temple University Saturday, February 22. The Rev. George Lockett will attend the meeting and also the luncheon given for the President by Dr. and Mrs. Barry at Mitten Hall, Temple University. The President also plans to address the students.

YOUTH CONGRESS

The New Jersey Congress and Council of Methodist Youth will meet at the Epworth Church, February 21 and 22.

OPEN HOUSE AT CINNAMINSON HOME

The Cinnamonson Home will hold open house on February 26, at which time the Anna Scull Memorial Wing, recently added to the home, will be open for inspection.

Tea will be served from 4 to 6. Miss Edith S. Coale, of Riverton, president of the board, and Mrs. T. H. Dudley Perkins, of Moorestown, will pour.

Mrs. Harry F. Jones, of Riverton, is chairman of the committee in charge, which includes Mrs. Lloyd B. Hewlings and Mrs. Albert P. Coale, of Moorestown, and Mrs. J. D. Clark, Mrs. Joseph B. Tyler, Mrs. Nathan Lane, Mrs. Harry L. Rogers and Mrs. Stuart B. Clark, of Riverton.

The public is most cordially invited to attend.

Religion is not a life preserver to put on in an emergency.

Pithy Paragraphs On National Air Defense

PACIFISTS SAY a great ocean is on either side of the United States and only friendly neighbors north and south. They would like to do away with all of our military establishments, but how about those airplanes that are today flying thousands of miles before they have to come down for more fuel?

THIS COUNTRY is vulnerable to air attack. There is a possibility of aggressive air action being taken, and all major nations today have modern air forces superior in number to ours. Let no pacifist or any other influence deceive you into believing we are immune to war or that there are no nations in the world today who are developing

their air forces for aggressive action outside of their own country. We may be the target while we sit complacently by with a false sense of security.

A CONGRESSIONAL Act approved July 2nd, 1925, authorized 1800 serviceable airplanes for the Army Air Corps. Nearly ten years later, there is actually a smaller number of airplanes in the Army Air Corps than at the time of the passage of this Act.

THE UNITED STATES has taken one great step in advance by formation of the GHQ Air Force, placing our Army air forces under a central command and enabling this air force to strike a formidable blow in the early stages of any action which may be brought against us. The next step is to train and equip that force so that it can carry out the Air Force mission, find its targets regardless of weather conditions, and destroy them.

LONE STARS WIN

The Cinnamonson Lone Star passers turned back the Moorestown Cycle Hi-Y in the Burlington County YMCA league. The score was 29 to 15.

—Publicity.

SENT TO ASYLUM

Mrs. Maybelle Brown, of 501 Third street, Riverton, was committed to the insane asylum at New Lisbon on Sunday of last week.

Mrs. Brown attempted suicide by slashing her wrists about a month ago.

The complaint was made by Chief of Police William Gootee.

Stop asking, "How's business?" and get busy answering it.

—Billy B. Van.

A man is like a tack; he can only go as far as his head will let him.

—Hixon.

A TOE TOUCH

OIL-HUSHED to a sigh of silence under Buick's style-tapered bonnet, a great-powered valve-in-head engine waits to unleash a torrent of action at your command.

There's thrill in it—and triumph over time and distance. But most important—there's eyewink obedience.

Teamed up with this ablest of driving forces is the newest and most highly perfected system of hydraulic brakes.

The quickest of stops is velvet smooth under their self-energizing action. On the wettest of streets there will be no slewing, no swerves, for they are automatically self-equalizing.

Their action has the smoothness of a closing hand, increasing its grasp steadily to the maximum. Their steel-tendon grip would halt a heavy truck, but it takes only a touch of a daintily-shod toe to put them into action.

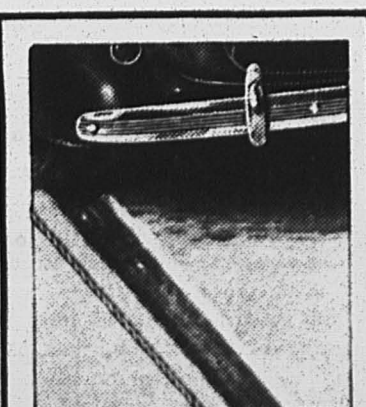

We call them "tiptoe hydraulics," and

how apt the name is you'll never know until you drive a Buick and sample for yourself their softness and their velvet command.

The first few times you sit behind a Buick wheel, you may find yourself traveling faster than you think. No car is more buoyantly smooth in its power-flow, more deceptively effortless in its swift flight.

But no car is more surely under control at all times—quicker, smoother, easier in its stopping. If you must drive with an eye on the passing minutes, do so in a Buick which matches engine eagerness with tiptoe braking sureness, offsets highspot go-ability with dependable stop-ability.

\$765 to \$1925 are the list prices of the new Buicks at Flint, Mich., subject to change without notice. Standard and special accessories group small models at extra cost. All Buick prices include safety glass throughout as standard equipment.

STRAIGHT AS A STRING

Every stop is a straight-line stop with Buick's "tiptoe" hydraulic brakes. All four wheels are always equalized; the only adjustment is an occasional tightening as brake bands wear. For emergency stops and for parking purposes, the hand brake conveniently at the left under the dash, operates the two rear brakes mechanically.

More Head-hunting

Advertisements of sheriff's sales of Riverton properties are not being published in The New Era, as has been done for many years. The reason? The editor is not a "personal friend" of the sheriff, did not support his candidacy when he ran for that office, and therefore the sheriff is not "indebted" to him.

Does this make sense?

It does not.

But here is the situation. An advertisement of a sheriff's sale of a Riverton property appeared last week in a paper published outside of Riverton. A representative of The New Era called on the sheriff to inquire "how come?" He was told that the editor of the favored paper was a personal friend of the sheriff, had supported his candidacy in his four papers, for which he (the sheriff) felt indebted, and that it was quite natural and logical that he should give the business to the friendly editor.

The sheriff related with much apparent satisfaction how he had "handled" another editor who had objected to being discriminated against. In a burst of generosity he admitted that the editor of The New Era had a right to some of this business "as a taxpayer" and from the story he had told about the other editor, the inference was plain that if the editor of The New Era behaved himself, there might be something coming later.

To all of this our reply is that the venerable sheriff has the wrong idea altogether of our position in the matter. We are not standing hat in hand begging for crumbs of charity. We simply wanted to make sure of the sheriff's intentions.

We were loth to believe that John Chant would stoop to such pettiness, and would not believe it now except from his own lips.

The offense for which The New Era is being "punished" is supporting for the office of sheriff a home-town boy. During the campaign no word of disparagement of John M. Chant or his candidacy appeared in this paper. We held him in great respect, but felt that we were quite within our rights to support any candidates we preferred. We were for Dewitt Steedle for this office because he was one of our neighbors and the choice of our side of the political fence.

In the announcement of his candidacy in July, 1935, Mr. Chant pledged himself, if elected, to conduct the sheriff's office economically, efficiently and with FAIRNESS TO ALL.

Either Candidate Chant had some very peculiar ideas about "fairness," or Sheriff Chant has learned bad habits from his new playmates.

We do not consider the amount we will lose under the sheriff's displeasure too much to pay for our independence, and if he is willing to sell his sense of fairness for that sum we can afford to buy it at his price.

This whole episode is trivial in itself, and would not warrant serious notice, except that it is another illustration of the length to which the "New Dealers" will go in their ruthless vindictiveness against all who oppose them, and we feel that the public in general and the friends of Sheriff Chant in particular should know the plane on which he is conducting the high office to which he was elected on such fine promises.

Senator William H. King, of Utah, Democrat, anent the ruthless appropriation of billions to support the ever increasing government pay roll, said in the Senate on February 3rd:

"I am advised there are now considerably more than 1,000,000 persons on the government pay rolls. It is time for consolidation of agencies and for drastic cuts in federal expenses."

"With the mounting expenses of the government reaching more than 20 per cent of the entire earnings of all the people of the United States, there must be a halt called sometime and somewhere. The American people cannot indefinitely meet the enormous expenditures of the federal government, together with the very large expenditures of the state governments and various municipalities and local subdivisions."

CHURCH NEWS

CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, B.D., Pastor

Sunday, February 23rd: Church School, 9:45 a.m.; Morning worship, 11 a.m.

Midweek Service, Wednesday, February 26th, at 8 p.m.

A cordial welcome is extended to all in the community who have no regular church home here to unite in the worship and fellowship of Calvary Church.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

This Sunday morning at eleven o'clock Rev. W. A. Boyd, minister of the church will preach the third sermon "Purgatory" in the series on "Faith and Practice Today."

"George Washington" is the theme of the evening sermon at 7:45. Special Lenten meetings will be held every Thursday evening at eight o'clock beginning this week.

Special speakers listed so far are as follows: Dr. J. S. Burnett, of Pittman Center, Tennessee; Dr. John Pemberton, Camden, N. J.; Dr. J. F. Boughton, Camden, N. J.; Dr. E. A. Robinson, Woodstown, N. J.; Dr. K. R. Perich, Trenton, N. J.; and Dr. T. S. Brock, Trenton, N. J.

Persons desiring to join our church will be given the opportunity this Sunday morning.

CHRISTIAN SCIENCE CHURCH

"Mind" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 23.

The Golden Text is: "The fear of the Lord is the beginning of wisdom: and the knowledge of the holy is understanding" (Proverbs 9:10).

Among the citations which comprise the Lesson-Sermon in the following from the Bible: "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. No man can serve two masters: for either he will hate one, and love the other; or else he will hold to the one and despise the other. Ye cannot serve God and mammon" (Matt. 6:22-24).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Only by understanding that there is but one power, not two powers, matter and Mind, are scientific and logical conclusions reached. Few deny the hypothesis that intelligence, apart from man and matter, governs the universe; and it is generally admitted that this intelligence is the eternal Mind or divine Principle, Love" (p. 270).

PALMYRA MORAVIAN CHURCH

Albert J. Harke, B.D., Pastor

Sunday, February 23rd, 9:30 a.m., Sunday School. The attendance in spite of weather conditions has been exceptionally good.

10:40 a.m., Morning service. This will be the first regular service at which the new electric organ will be used.

Sermon theme: "God's Guidance and How to Get It." 6:45 p.m., Meeting of the Young People's Society of Christian Endeavor.

7:30 p.m., Evening service of praise.

Song service using the new organ. Beginning this evening the pastor will preach a series of three sermons on the theme: "Candidates for the Kingdom." The subject of the first sermon: "The Enthusiast."

Wednesday evening Lenten services will be held in the church at 8:00 o'clock, beginning with Ash Wednesday, February 26.

The pastor plans to give a series of six messages on the general theme: "Afar Off." The subject of the first sermon: "Afar Off—Unclean," or "The Need of Cleansing."

Our next Communion service will be Sunday morning, March 1.

7:30 p.m., Evening service of praise. Song service using the new organ. Beginning this evening the pastor will preach a series of three sermons on the theme: "Candidates for the Kingdom." The subject of the first sermon: "The Enthusiast."

CANDIDATE

D. LANE POWERS

Congressman from the Fourth Congressional District of New Jersey, who last week announced that he would be a candidate to succeed himself at the coming primary election.

Senator Powell has enlisted the aid of Congressman Powers in an effort to secure for Burlington County WPA workers a wage scale equal to that in neighboring counties.

BIRTHS

Mr. and Mrs. Christopher Brown, of Berkley avenue, Palmyra, are receiving congratulations on the birth of a son, Christopher, Jr., February 6th.

LEAP YEAR SUPPER

The Philathea Class of Central Baptist Church will hold a fried oyster supper or otherwise known as a Leap Year Supper, Saturday evening, February 29, from 5 to 7 in the social hall.

Tickets may be procured from any member of the class for 60c.

Famous last words: "The AAA will be made a permanent American institution."—Henry Wallace, just before the Supreme Court decision.

Who was the old-fashioned politician who predicted that the revenue Uncle Sam got in the way of liquor tax would be enough to balance the budget?

According to the philosophers of old, just two things were certain—death and taxes. This can now be amended to read—death and higher taxes.

TIPS ON GROWING

BY ONE WHO GREW UP IN THE BUSINESS

Every day when the ground was snow and ice locked Mr. and Mrs. Cardinal paid a visit to the Calli-carpa (Beauty Berry) bush along side the house. While the male bird perched on the branches his more sober-hued consort contented herself pecking the purple berries that he dropped on the snow.

Other berry-bearing shrubs that are popular with the birds are the Burning Bush, Corkbark, Bush Honeysuckle, Highbush Cranberry and the Snowberry. The Dogwood is a special favorite of the jays.

The Barberry, while eaten in a pinch, seems to be least liked of all the shrub fruit.

To satisfy the craving for a pumpkin pie from a fruit of one's own vine, would require almost an acre lot, but the Philadelphia Bush Pumpkin takes up no more room than a Tomato plant. The sweetly-flavored fruit is round with a dark green skin turning orange-yellow. Flesh is yellow and dry.

February is a good month to trim the grapes, before the sap flows.

The old gardener says to select a still, windless day this month and spray shrubs and shade trees with lime-sulphur and miscible as effective remedies for scale. Scalecide is a complete dormant spray.

Rather unusual evergreen plants, either for hedge purposes or for individual groupings, are the three evergreen Barberries, Julianae, Tricanthophora and Verruculosa, especially where a very low, absolutely hardy hedge is desired or for individual grouping.

Mr. Hatton, secretary of the American Rose Society, in "Breeze Hill News," speaks very highly of these, especially of Berberis verruculosa which he says at Breeze Hill

PAGE FIVE

What Other Editors Say

ANSWER THESE QUESTIONS

A school of shark-eyed, power-seeking politicians are belittling American ideals of government and constitutional safeguards of liberty. Shall we continue to encourage the individual to earn a profit by his own energy, initiative and thrift before we take it away from him to meet the needs of government, or shall we create conditions where no accumulations of private property will be possible?

Can our free institutions withstand the impact of the aggregated forces of officialism and disintegrating collectivism?—Mt. Holly Herald, Burlington County's Leading Democratic Newspaper.

WHO WANTS DIRTY?

Chairman James Farley of the Democratic National Committee says that this is going to be a "dirty campaign" and apparently the Republican National Committee agrees with him. Things politically are already getting rather muddy.

If the gentlemen in charge of the national campaign committees can't submit education, economic and human questions to the voters of this country without mud slinging, they had better stand aside and let others take their places. This is the year

when public officials and politicians need to use their brains.

—Mt. Holly Herald, Burlington County's Leading Democratic Newspaper.

DR. DAGER DIES SUDDENLY

Many of the citizens of Palmyra will remember Dr. Forrest E. Dager, who was a guest speaker in this town many times. On Tuesday, February 11, a complimentary dinner was given to Dr. Dager by the

members of the faculty, alumni, and students of the Theological department of Temple University. Two days later Dr. Dager died suddenly at his home in Philadelphia. The Rev. George Lockett, pastor of the Central Baptist Church of Palmyra and Riverton was for many years a friend of Dr. Dager and one of the speakers at the testimonial dinner.

Everybody can be somebody.

CINNAMINSON BANK &
TRUST CO.
Riverton, N. J.

Committee Report On Bank Avenue

(continued from page 1)

Mr. Mechling informed your committee that he had these ditches installed for two purposes; first, to carry off the surface water that runs down Lippincott avenue and overflows on to his property and the surface water that collects on the hard surface roadway of Bank avenue, both of which during heavy storms carry dirt, leaves, sand, etc., and deposit them on his property due to lack of proper drainage, and secondly, to prevent speeding in front of his property.

He also informed your committee that he had driven over these ditches in each of his three cars at 30 miles per hour without leaving his seat and therefore felt that they were not too severe. He was told by one of your committee, however, who had driven over the ditches at 20 miles per hour the previous Sunday, that his wife was jolted from her seat and then charged him with speeding.

Mr. Mechling was informed that council was concerned regarding the complaints that had been received because it felt that it might be held jointly liable with him if someone were injured by losing control of his car in consequence of striking a ditch at an unexpected location. To this Mr. Mechling replied that he felt we would be liable by virtue of our having prevented him from closing his private driveway (Bank avenue).

The committee suggested under-draining the roadway but Mr. Mechling felt that such construction was not practicable. Your committee suggested that the depth of the dip be reduced in order to prevent any possibility of damage to cars and injury to passengers. Mr. Mechling replied that any reduction in the depth would provide insufficient drainage but he agreed to have his contractor cut back on each side of each ditch and thus reduce the severity of the dips, which he claims are not so deep as others to be found elsewhere throughout the town.

While this was admitted by your committee, it was pointed out that these are all at intersecting streets and are expected by car drivers. It was plainly evident from the discussion that Mr. Mechling feels that he has a perfect right to maintain these ditches for the two purposes described above although it was also evident that he does not wish to maintain a hazard that would have serious consequences as was indicated by his agreeing to cut the ditches back in order to reduce their severity.

Your committee feels that having pointed out to Mr. Mechling the hazardous nature of the ditches and council's concern regarding the responsibility of the Borough in this case, it can do nothing more until the legal status of Bank avenue has been determined.

Regardless of the fact that Bank avenue has been physically open for many decades and has been policed and lighted throughout and in many sections repaved, all at the expense of the Borough of Riverton, it is not legally open and there is a serious question as to the legality of these and other activities.

Your committee, therefore, recommends that these matters be placed before the borough attorney and that council be guided by his legal advice regarding all Bank avenue affairs. Respectfully submitted,

J. Wilson Sylvester.

Hoped for Solution

Councilman E. K. Merrill expressed regret that one individual would exercise his prerogatives in a manner to put the borough to unlimited trouble and expense. He said he had hoped that the appointment of a committee would open a way for an adjustment of the whole Bank avenue situation.

Councilman Sargent said that it had been his hope to put an honest-to-goodness roadway on Bank avenue and keep it in proper condition.

Previous Attempts Made

Councilman Stroblein said he had served on a committee under the late Mayor Bennett which had wrestled with the problem for two years, at the end of which time they were no farther ahead than when they started. He said that one of the principal objections of property owners in having the roadway repaved was that it would encourage speeding. Mr. Stroblein recalled

that at one time it was proposed to improve the roadway by placing "islands" at the intersections of Bank avenue and the street leading to it, which would effectively prevent speeding without interfering with its proper use as a driveway. Councilman Earle Schrader thought that it was very necessary to get legal advice before taking any active steps in the matter.

Councilman Sargent recommended that the highway committee be authorized to "fill up the ditches and see what happens." More conservative advice prevailed, however, and on the suggestion of Councilman Knight it was decided to defer action until an opinion could be secured from the borough solicitor as to just what the borough council could or could not do in the matter.

On motion of Councilman Merrill, chairman of the finance committee, improvement notes will be paid as follows:

Elm avenue, sewer, \$135.67; Thomas avenue, sewer, \$205.35; Northeast section sidewalk and curb, \$168.32, making a total of \$509.34. A communication was received from the residents of Elm avenue between Broad street and the river bank, asking that the roadway on this street be surface treated with slow-curing oil. The communication was received and filed. Mayor Biddle suggested that the highway committee get in touch with Palmyra officials relative to sharing the cost of this improvement, as one half of the street belongs to the neighboring borough.

Will Seek Federal Aid

Mr. Sylvester called attention to what Palmyra had received in federal grants for road improvements. He said that he had been in touch with Mayor John Ward, of Palmyra, who had suggested that he communicate with M. William Murphy, Trenton, in an effort to secure state and WPA aid for improving the streets in Riverton. Councilman Knight suggested that a committee be appointed to wait on Mr. Murphy. On this committee the Mayor appointed the members of the highway committee and added Mr. Merrill as chairman.

Ross Mattis, who was present at the meeting, said he would be in Trenton the following day was asked to arrange for a conference between the committee and Mr. Murphy.

Mr. Mattis, chairman of the Riverton-Cinnaminson Welfare Association, reported on the activities and expenditures of state emergency re-

Asks Reason for "Packing" Board

(continued from page 2)

and handles Soldiers examinations at \$25 per, also state patients at per, compelling their submission to tuberculosis examinations to guard the health of the schools. Very busy man, works for the Government, the State and the Counties of the state and a general practice. Is consultant on tuberculosis at State institutions and Government hospitals, and a member of the Assembly where he makes appropriations for Dr. Newcomb to spend in his own hospitals, and in our

Our State Constitution Art. 1 Sec. 5-3 states that taking a seat in the Legislature "automatically vacates any office of trust or profit under the State" don't you think he is under the Trust of profit spigot? Our cost 1934 at the Almshouse was \$27,500, the Insane Hospital \$411 and the tuberculosis \$1028.50, this year the latter as above, at Glenm Gardens cost 1935 was \$747.47, don't you think a profit of \$40,000 too much?

(Signed) George C. Gunn.

The following department bills were approved for payment: public buildings \$22,201.83; highway and engineering \$9,571.65; bridges \$3,604.28; affairs \$25,286.68; revenue and finance \$4,206.23.

lie in Riverton, which is separate and apart from the activities of the welfare association, but with which the association keeps in close touch. Mr. Knight called attention to a bill now before the legislature to do away with local tax collectors (the Howe Bill) and to have the taxing districts made into county units, with collections made by county officials.

Collector C. Kenneth Davis said that this was only another step toward taking home rule away from municipalities. The clerk read a notice of a meeting of the League of Township Committees to be held in Moorestown, Friday, February 14, and Mr. Knight said that he planned to attend.

The police report was as follows: Three arrests, four accidents, one attempted suicide, thirty-six complaints and reports answered and investigated, two complaints on dogs, eight calls from other police, two dogs gassed, and two homes closed. The following bills were ordered paid:

RIVERTON

The ladies of the Riverton Fire Company Auxiliary wish to thank all those who helped in any way to make the card party on Tuesday evening such a success.

The Junior Porch Club will hold a benefit bridge on February 29 at 2 o'clock at the Porch Club. The proceeds will be used for the various charities in the town. There will also be a white elephant sale, each article selling at 10c, so bring along those nick-nacks which have been given to you at various times and for which you don't have a bit of use, and get rid of them in this manner.

Don't forget the last card party of the K of C before the Lenten season starts. The Stroblein boys are in charge this Friday and already over one hundred prizes have been secured.

Miss Betty Sloan, of Thomas avenue, was the winner this week of the blanket given by the Sacred Heart Parent-Teacher Association.

Robert Smith, of Thomas avenue, entertained at his home Saturday evening. The guests were the Misses Clarence Butts, of Germantown, Bertha Hansen, Virginia Schweizer, Janet Barber, Rae Haberman, and Henry Nalbey, Arthur Stevenson, Frank Alloway, Nelson Russ.

Mrs. Jennie Beideman, of 630 Elm avenue, slipped on the ice Sunday and broke her wrist.

A post card received from the S. A. Plumly said that they attended a birthday for the President at the Hotel Biltmore, Los Angeles, California, and that everyone had a grand time. They also stated that the average temperature out there was 70 and their "rainy season" consisted of rain for two hours on one day.

Mrs. Clifford Neabitt slipped on the icy streets the other day and sprained her wrist.

Mr. and Mrs. Charles Yost were guests of Mr. and Mrs. H. K. Marcy, of Glenside, Pa., Saturday evening.

Mrs. Arthur Bowker entertained several members of the Eastern Star at luncheon Thursday.

The Sewing Circle took a surprise covered dish luncheon to Mrs. B. R. Stevens in Palmyra Tuesday. Mrs. Stevens broke her ankle several weeks ago and is unable to be around.

Mrs. Alvin Swain, of Browns Mills, spent Wednesday visiting friends in Riverton.

Mrs. Everett Gost is much improved after being ill with bronchitis for several days.

Mrs. Alma Evans will be among the guests at a card party and spaghetti dinner at the home of Mrs. Harriett Hamilton, of Camden, Friday.

Worthy District Deputy Jennie M. Reeves and several members of the O.E.S. attended a luncheon at the home of Mrs. Edith Curtis, East Merchantville, on Tuesday of this week.

The Ladies' Auxiliary of the Fork Landing Association entertained at a card party Wednesday evening at the association headquarters on S-41.

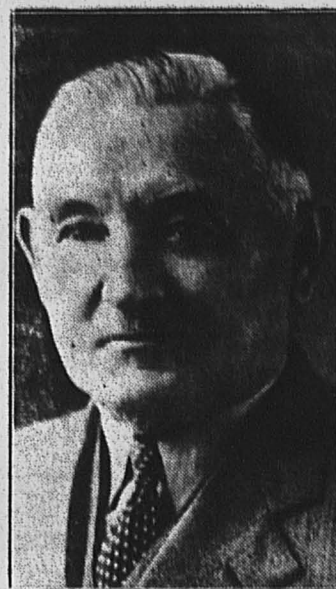

Covenant Chapter 108, O.E.S., will officially receive the Worthy District Deputy, Jennie M. Reeves, at their meeting on Tuesday evening of next week.

Anyhow we believe an AAA program would sound better in England. Over there they could call it the "Hay, Hay, Hay."

Yes, the holidays are a great time for billing and cooking. The cooking comes around Christmas and the billing on January 1.

Fur-bearing mammals of Canada, which produce annually 10 to 20 million dollars' worth of raw fur, form the whole income of many tribes, particularly in the Far North.

"IMPARTIAL?"

JOHN M. CHANT

High Sheriff of Burlington County, who distributes his legal advertising to newspapers on the basis of personal friendship and "indebtedness."

The oath administered to the Sheriff when he took office included the following:

"I do solemnly swear, that I will well and truly serve the State of New Jersey in the office of Sheriff of the County of Burlington and I will in no case knowingly use or exercise the office of the sheriff illegally, corruptly or unjustly."

"I, John M. Chant, do solemnly promise and swear that I will faithfully, impartially and justly execute the duties of the office of Sheriff of the County of Burlington, to the best of my abilities and understanding, so help me God."

(Signed) John M. Chant.
Nov. 12th, 1935.

OBITUARIES

RICHARD P. FURMAN

Richard P. Furman, a resident of Palmyra for many years, died Monday at the West Jersey Homeopathic Hospital.

Funeral services were held Thursday afternoon at two o'clock at the Snover Funeral Home with the Rev. George Lockett, pastor of the Central Baptist Church, Palmyra, officiating. Interment was made in Morgan Cemetery under the direction of Frank A. Snover.

Mr. Furman is survived by his widow, Mrs. Maude Furman, and five children: Mrs. Marion Bowden, Miss Betty Furman, Miss Lillian Furman, Richard Furman, Jr., and Sydney Furman. Two sisters, Mrs. Mary Rush and Mrs. John Denneker, also survive.

Mr. Furman was a member of the P.O.S. of A. At the time of his death he was employed by Tacony-Palmyra Bridge Company.

RONALD D'AMATO

Ronald D'Amato, three years old, son of Mr. and Mrs. Anthony D'Amato, of Leconey avenue, Palmyra, died Sunday at the Zurburg Hospital, Riverside.

Funeral services were held Wednesday morning at eight o'clock at the Snover Funeral Home and high mass was held at the Church of the Sacred Heart, Riverton, at nine o'clock. Interment was made in the Holy Cross Cemetery, Philadelphia, under the direction of Frank A. Snover.

MARY M. HAWKE

Mary M. Hawke, of 910 Parry avenue, Palmyra, wife of the late Samuel Hawke, died at the Burlington County Hospital, Mt. Holly, following a lengthy illness.

Mrs. Hawke was 91 years of age and had been a resident of Palmyra for the past 73 years.

Funeral services were held from the Snover Funeral Home on Wednesday, February 19 at 2:30 o'clock. Rev. William A. Boyd officiated.

Interment was made in Morgan Cemetery, Palmyra. The deceased is survived by two sons, Charles and Wilfred.

MARTHA ELLA COOPER

Martha Ella Cooper, age 84, died this morning, at her home, 369 W.

THIRTY YEARS AGO

Reprinted from The New Era

(Issue of February 2, 1906)

The twenty-fifth anniversary of the founding of the first Christian Endeavor Society will be celebrated in Calvary Presbyterian Church on Sabbath evening. An address will be delivered by Theodore B. Williams, at one time president of the C. E. Union of Philadelphia.

The annual meeting of the Riverton Fire Company was held Monday evening and the following officers elected for the year: president, Charles L. Flanagan; vice president, Charles C. Bionard; treasurer, Charles A. Wright; secretary, William J. Thomson; foreman, Cooper W. Thomson; assistant foreman, Edwin A. Holt; board of directors, Ogden H. Mattis, Charles F. Earp, Edward C. Stoughton, John H. Reese and Louis Corner, Jr.

(Issue of February 9, 1906)

Charles M. Biddle and daughters left Riverton on Wednesday for a four months' Mediterranean trip. They were accompanied as far as New York by J. W. Atlee and wife, and C. M. Biddle, Jr., and wife.

The trouble at Riverside over the seating of Henry Taubel as one of the newly-elected township committee-men was settled last week when Judge Garrison granted a writ of mandamus to compel the recognition of Mr. Taubel or show cause before the Supreme Court. No further action was necessary. The old committee-men decided at once to hold a meeting for organization with Mr. Taubel as one of their number, and the first action taken was his election as chairman.

In the apportionment of the 10% reserve fund of the State school tax this year (1906), Burlington county gets \$5,855. (In 1936 the county received from this source \$246,734.13.)

RIVERTON SCHOOL NOTES

The pupils of the seventh grade, with the aid of Mr. Sloan, are preparing a play entitled "Four Words" which is to be given in assembly. This play describes the hardships encountered by Samuel F. B. Morse and his invention, the telegraph.

In arithmetic, the seventh grade is beginning formula work. Mounted cross sections of leaves and stems are being studied by the pupils in science. Some children have brought microscopes to school.

Mr. Sloan's eighth grade science classes are preparing to give a Science Fair which will consist of models and drawings of the elementary geological history of the world, the subject now being studied. An aquarium will also be included in the fair which is to take place Fathers' Night.

In mathematics the eighth grade has studied the metric system. They now are working on equations and in the near future will start elementary geometry.

A new science table has been added to the science laboratory which will soon be complete.

Mace, the spice that resembles nutmeg but has a more delicate flavor, is made of the fibrous covering that surrounds the nutmeg shell.

The distribution of gloves to funeral attendants was an early American custom. A Boston minister collected 2940 pairs.

Fifth street, Palmyra, following a long illness, Mrs. Cooper was the widow of the late John Cooper, and has been a life-long resident of Palmyra.

Funeral services will be held at the Snover Funeral Home, 313 E. Broad street, Palmyra, at 11:00 a.m. Saturday, and interment will be made in Morgan Cemetery. Friends may call Friday evening.

Mrs. Cooper is survived by a daughter, Isabel Blessing of Jersey City, New Jersey.

WATER COMPANY KEEPS UP SERVICE

Sub-Zero Temperatures Create Problem But Local Firm Maintains Supply

Passing through one of the most consistently severe winters in its history, the Riverton and Palmyra Water Company has been able to keep its water service up to a high degree of efficiency.

Judging from reports of other South Jersey communities, the Riverton and Palmyra Water Company territory has been well served.

The winter has not been without its headaches for the local company, for it, too, has had interruption in its service due to freezing pipes and mains.

The local company reports that in some places in this territory the ground has been found frozen to a depth of 40 inches. No more than three of its 215 fire hydrants are known to be out of working condition, and these have been reported to the chiefs of the local fire departments.

The company has an electrical thawing device which has been pressed into service in thawing frozen service lines. This device is hooked on the heavy Public Service circuits at the street and where contact can be made with iron pipes it has been used successfully.

In cases where the mains are of concrete construction, instead of iron, the electricity cannot be conducted through the pipes to effect a thaw. In these cases, where possible, copper pipe lines are temporarily laid from an adjoining house where the service is uninterrupted.

Freezing of meters located in exposed sections in cellars and where there is insufficient heat, have caused some interruptions in service but in the whole system not more than 100 freeze-ups have been reported.

The old fashioned woman who used to bake a dozen loaves of golden brown bread every Saturday now has a married daughter who gets sore if her husband brings home an unsliced loaf from the bakery.

An investigator reports that in Missouri and Arkansas, Hillbilly crime is decreasing. Probably not decreasing—just transferred to the radio.—Providence News-Tribune.

A MODERN HOME

An Acknowledged Fact

It is an acknowledged fact that the Snover Funeral Home, completely equipped with every modern device for the efficient conduct of a funeral service, can render such service at a cost lower than the funeral director who is forced to rent his services and equipment.

REMINGTON PORTABLE
A sturdy portable typewriter
with a standard practical
case FOR SALE AT
THE NEW ERA

The post adjutant and his assistants are busy every evening from 7 to 9 p.m. taking care of those who wish assistance in filling out their applications for the adjusted compensation.

At the last meeting of the Post the welfare committee handed in a complete report of their activities since their appointment in October. This committee is working quietly to help those ex-service men in need and doing every thing possible to relieve the already overburdened relief organizations of as much responsibility as possible. The next Post meeting on March 3rd, will be interesting for many reasons. The commander requests that all members make an especial effort to attend this meeting.

The Post is holding a movie benefit this week of the 24th to the 29th. Many will attend the picture this week and it is hoped that all who can will buy their tickets from one

of the Legionnaires. Pictures of outstanding merit will be featured during this week. One of the pictures of particular interest to school children will be the Perfect Tribute, featuring Chic Sales as Abraham Lincoln. The picture was released for the first time in Philadelphia on February 15th. It is expected that the management of the Broadway Theatre will hold a special school children's matinee on Tuesday afternoon.

BIRTHDAY PARTY

A birthday party was given in honor of Miss Pearl Morris, of 511 Cinnaminson street, Thursday, February 13, by her aunt, Miss Ellen Morris.

Among those present were Miss Emily Perkins, Miss Betsy Hullings, Miss Anna Bennett, of Riverton, Miss Catherine Higgins and Miss Marjorie West, of Palmyra; Joe Schemreif, Harry Schemreif, George Russ, Victor Stevens, of Delanco; Joseph Morris, of Riverside, Richard Gilbert, of Burlington.

Expect criticism when standing for principle.

FRIENDS CALL HER

a Magician . . . she is a busy woman . . . goes places . . . does an amazing number of things . . . keeps close to friends. She knows it's less than two minutes to anywhere, in or out of town, by telephone.

YOU, too, can call 18 miles for 15 cents—30 for 25 cents anywhere in New Jersey, station-to-station rates

. . . and NOW after 7 P. M. week days and from Saturday at 7 P. M. until Monday at 4:30 A. M. rates for both station-to-station and person-to-person calls of more than 40 miles are reduced—station-to-station reductions 10% to over 40%—person-to-person about 9% to over 30%.

Dust is a relentless enemy of the delicate apparatus in New Jersey's telephone central offices. There are more than 2,000,000 tiny switches called relays in these offices. Some must work with lightning speed on each call you make, to complete the connection. A speck of dust between their contact points means trouble.

Meeting the dust problem is a matter of good housecleaning methods—sealing windows to keep out dust—waxing floors to lay what dust may get in—cleaning the

apparatus with powerful vacuum cleaners to remove any particles lodged among the parts.

In maintaining the complex system serving you, more time and effort are devoted to keep trouble from reaching your telephone than are needed to fix the average trouble once it happens. . . . time and effort on the job here in New Jersey; in the Bell Laboratories where better apparatus is designed; and in the Western Electric Company where apparatus is built for us to the highest standards.

NEW JERSEY BELL TELEPHONE COMPANY

KOVERLY vs. DUSEK IN CAMDEN RING

The Two Tough Boys of Matdom Listed for Return Bout in Drill Shed Tonight

All good things come back and therefore the Hanly Brothers have stepped out and once more snared the "natural" grappling duel between George Koverly, Hollywood Caveman, and Ernie Dusek, Omaha Cavanaugh, to take place at the Camden Armory, Haddon Avenue and Mickle Street, Thursday night. Koverly and Dusek are expected to slam bang each other all over the Drill Shed mat over the two out of three falls, ninety minute time limit voyage.

Their last clash was an epic. Koverly proved he didn't fear Dusek. Ernie loudly claims that the Californian gave him the toughest going over he had ever experienced. But the oddest feature of all was that the audience was entirely pro-Koverly.

Dusek expects to prove once and for all that he is the mat master of Koverly. He has several new tricks up his sleeves to combat the onslaughts of the big westerner.

The forty-five minute semi-final will bring back a popular star in Ivan Managoff, the handsome Californian, who last week pinned the shoulders of the Redskin, Chief Little Beaver. This time Managoff will be assigned the task of attempting to duplicate the feat at the expense of the Texas Bad Man, Dick Raines, who will stop at nothing just so that victory comes his way.

Popular Al Bisognano, who gave up a promising fistic career to become a wrestler, will see action in the main preliminary, a half hour go, when he takes on Tiny Tex Morgan of Texas, who has a habit of straying away from the orthodox style of wrestling.

Freddy Grubmeier and Scotty McDougall, of Canada, both favorites at the Shed, meet in the second number while the opener will present Jack Hader, who broke Vince Zizac's winning streak, and Laverne Baxter, in the other half hour numbers.

Topeka, Kans.—A woman called at the Shawnee County relief headquarters to complain about the amount of money and supplies given her family.

"We just can't get along on what we're getting," she told a case worker. "My husband and I have talked it over, and he said if we didn't get more, he was going out and try to find a job."—Associated Press.

AFTER SCHOOL MATINEE TUESDAY AT BROADWAY

Feeling proud of the fact of being able to procure for early showing the much-discussed short subject "The Perfect Tribute." Manager Kees of the Broadway theatre, in conjunction with the American Legion Frederick M. Rodgers Post, will run a special after-school matinee on Tuesday to give an opportunity to every school child in this vicinity to see it.

"The Perfect Tribute" deals with the high-lights of Lincoln's life, particularly during the Civil War and the great Gettysburg Address. The great President being portrayed on the screen by Charles "Chic" Sale who has long been noted for his impersonation of Lincoln on the stage. Educational authorities thought so much of the filming of this short subject that the first study guide was published and sent to thousands of school teachers to be used for reading classes, and for discussion in social science and English classes. The booking of this American classic by Mr. Kees is in keeping with his policy of always striving to present the best in photoplays to his patrons, and "The Perfect Tribute" is a film which every child should have an opportunity to enjoy.

TO "KICK THE BUCKET"

The expression "kick the bucket," which we consider slang, had its origin in the time of the ancient Egyptians. It is directly traced to the language of the Egyptians and it is illustrated in the hieroglyphics from which we have gained our knowledge of this people. In the Egyptian language, the word for "kick" is "kik," meaning to return or send back. Thus, in the hieroglyphics, the act of kicking a bucket is simply the return of an empty bucket—that is, a body without life. The bucket was used constantly by the Egyptians in their sign writing as a symbol of death. Though it seems a strange coincidence, this is but one of numerous instances wherein the customs and language of ancient peoples have been transferred into the slang interpretations of modern usage.—Washington Post.

NOTICE
All dogs in the Borough of Riverton must be licensed by order of the Board of Health. The board also advises the inoculation of all dogs as there has been a case of rabies in Riverton recently.

NOTICE
The Delburco Transportation Council, that little group of river front citizens who have been striving for the past two years to arouse our residents to the necessity of supporting our suburban railroad service, should not lose the opportunity of emphasizing the lessons of the current severe winter. What would commuters and others, to whom dependable transportation is essential have done without the railroad during the storms of sleet and snow which paralyzed other means of travel?

Especially should an educational campaign be directed toward those commuters who, when conditions are favorable, employ other means of travel that may appear more convenient for the moment, thereby depriving the trains of necessary revenue, but who expect to find the trains available to carry them in safety and comfort when the emergency arises and less reliable transportation agencies fail.

The peculiar feature is that so many of those holding this strangely inconsistent attitude are people of intelligence and responsibility, including the train service men, to whom the economic principles involved should be plain enough.

The fact should be driven home that our local train service is now being carried on at a substantial loss to the railroad, due to insufficient patronage and that if this patronage does not soon show a material increase it is highly probable that some of the trains which now furnish our only reliable means of travel, will be discontinued. Certainly it is not reasonable to expect any corporation to indefinitely carry on a service at a financial loss. Sooner or later the day of reckoning must come and facts must be faced.

If the trains serve the community faithfully in times of emergency then they must surely be regarded as an indispensable asset. If they are an asset they should be supported consistently—in fair weather as well as in foul.—Beverly Banner.

The Mayor and Council of the Borough of Riverton makes an urgent request that residents clear the remaining ice and snow from their sidewalks as soon as is practical.

The town officials realize that conditions have been such as to make the clearing of sidewalks an exceedingly difficult problem, but it has been managed in a few places. For the protection of life and limb and as a matter of civic pride and fairness to others, those who have not already done so are asked to emulate the good example set by their neighbors.

It is very desirable to have the pavements cleared before another freeze-up or snow storm.

ator's name.
David Harrum.

Statement by Lawrence G. Mingin, Chairman of the Republican County Committee of Burlington County, for release Wednesday, February 26.

I will support the candidacy of Senator Clifford R. Powell because I feel that his re-election is for the best interests of Burlington county. Senator Powell, through long years of devoted, conscientious service and experience gained in the New Jersey Legislature occupies a place of prominence in the affairs of this State and of the Republican party which is of the utmost value to the County and State. He is the oldest member of the Legislature in point of service and has the confidence and esteem of his colleagues and of all influential persons in the State Government.

In my judgment Senator Powell is the best representative Burlington county has ever had in the New Jersey Legislature, and has accomplished more for the county than any other. A recital of his many accomplishments would occupy entirely too much space, but I am sure that the citizens of this county are fully aware of the splendid representation which he has given them.

I have reached the decision to support Senator Powell only after long and careful study and thought, and after conferring with many prominent Republicans of this county. I am firmly convinced that Senator Powell has an excellent chance of securing the Republican nomination for Governor in the near future, and the realization of what a great honor this would bring Burlington county has aided me in concluding that the Senator should be re-elected.

I am making this announcement after considering the entire picture from the point of view of the best interests of the Republican party and with the thought in mind that there should be built in this county a strong ticket representative of all the respectable elements of the party. At great personal sacrifice I assumed the duties of County Chairman last year. I owe much to the voters of the county and my sole purpose in accepting the Chairmanship was to abolish factionalism and build unity in the party ranks.

Last year's general election results are conclusive proof of what can be accomplished by teamwork. It is my duty as County Chairman to use every effort in building a representative ticket to be presented at the General Election next fall. With very few exceptions I find that leading Republicans in this county are entirely in sympathy with the efforts I am making to produce such a ticket.

We are faced with an important National election, in which the citizens of this county will vote for a President of the United States, a United States Senator, and a Congressman, as well as for our local candidates. I have assurance from many responsible leaders of various groups in the Republican party that they will cooperate with me fully in building a ticket designed to harmonize the party. I have always opposed factionalism within the party in this county and I am hopeful that we can build a ticket which will eliminate factional strife for all time.

I trust that individual ambitions and petty jealousies will be cast aside and that I will have the full cooperation of Republicans generally in building a ticket which will unite all the reserve powers of the party in this county. I am sure this can be accomplished if it is approached with a proper spirit of compromise. It is unfortunate that our party has been torn with factional strife in the past and I am requesting the rank and file of the party in this county to support my movement to build a ticket fully representative of all groups within the party.

The Salvation Army held its first meetings in the United States in March, 1880.

Mrs. Albert Rogers, of Morgan avenue, entertained several friends at bridge on Wednesday.

Miss Breta Hendrickson, Mr. Lea Pusey Warner, Jr., and Mr. and Mrs. W. A. Hendrickson, were recent guests at Skytop in the Pocono Mountains.

ANNE E. BARR WEDS ELLSWORTH AUSTIN

Miss Anne E. Barr, daughter of Mr. and Mrs. William P. Barr, of Riverton, became the bride of Ellsworth A. Austin, son of Mr. and Mrs. William Austin, of Beverly, at the Church of Our Lady of Good Counsel, Moorestown, Monday, February 24, at nine o'clock.

The church was decorated with Easter lilies and palms, and the ceremony was performed by the Rev. Thomas F. Rudden.

The bride was attended by her sister, Mrs. Xavier Walter, of Palmyra, as matron of honor, and Joseph Monahan, of Beverly, as best man.

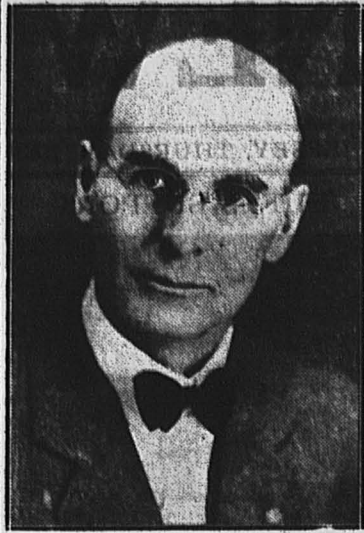

The bride's gown was of white tulle, made on long flowing lines and her veil was of tulle and cap shape. She carried a bouquet of white roses. Mrs. Walter was attired in powder blue crepe with matching accessories, and her bouquet was of yellow roses.

A wedding breakfast was served at the home of the bride's parents, "Locust Grove," Riverton, immediately following the ceremony and about seventy-five members and friends of the immediate families were present.

The happy couple will reside with the bride's parents following a short wedding trip.

Miss Barr is well known in this section having been an employee of the Lester S. Fortnum Ford Agency in Palmyra for the past six years.

WILL STICK

DR. M. W. NEWCOMB

who refuses to withdraw from contest for State Senator notwithstanding the sniping of New Dealers and the defection of the chairman of the County Republican Committee, Lawrence G. Mingin.

FIREMEN CLEAR RIVERTON STREETS

Several members of the Riverton Fire Company, under the direction of Chief "Butte" Carhart, cleared some of the ice and snow from parts of Riverton's busiest streets on Wednesday. They started at 10:30 in the morning on Howard street in front of Becker's store, and worked their way up to Main street to the railroad station. They also cleared away in front of the Sun Oil station on Broad street. Today (Thursday) they cleared away in front of the railroad station.

Those doing this work were: Edson Carhart, William Seagraves, Walter Scattergood, Edward O'Neill, Clarence Mattis, Joseph Sotham and Frank Coddington.

Upward of 5,000 ships pass through the Suez canal annually, totaling more than 30,000,000 tons.

OPEN MONDAY, WEDNESDAY, FRIDAY AND SATURDAY EVENINGS

JUNIORS OF P.H.S. TO PRODUCE PLAY

The Junior Class of Palmyra High School has picked a three-act comedy, entitled "The Odd Job Man," by Lida Larrimore, as their annual class play for this year.

Lida Larrimore is well known for her great comedy "The Thirteenth Floor Front."

Miss Schmut, who is coaching the play at P.H.S., states that "the class picked 'The Odd Job Man' because it is the type that can be well portrayed by the members of the class and because of its lively and fast-moving comedy."

WESLEYAN MEN'S BIBLE CLASS

Eighty-three members and five visitors heard a most interesting and enlightening revelation concerning Satan, his overthrow and subjection, as presented by the class teacher Reading Z. Poinsett.

Washington's birthday observance was fittingly emphasized with a recitation by Mrs. Ruth P. Strahan on "Washington and the Flag of Our Country."

Next Sunday, March 1st, Mr. Poinsett will begin a series of subjects appropriate of the Lenten season, the first of which will be "The Meaning of the Cross." All men of the surrounding community are invited to attend.

Morning classes are held every Sunday at 9:50 a.m., in the Wesleyan Men's Bible Class room, Epworth M. E. Church, Fifth street entrance.

CARD PARTY FOR LIBRARY BENEFIT

The Porch Club annual card party for the benefit of the Riverton Free Library will be held at the Riverton Porch Club at 2 o'clock, Tuesday, March 10.

Interesting books have been donated for prizes, and tea will be served.

The charge is 50 cents per person. Call Mrs. Stuart B. Clark, Riverton 757 by March 9th for table reservations.

PORCH CLUB

The Riverton Porch Club will hold a business meeting on Tuesday, March 3rd, at 2:30, followed by a fashion show given by the juniors.

To predict the future, study the past.

A Honeymoon Cruise

A Mid-Winter Fashion Review entitled "A Honeymoon Cruise" will be presented in the auditorium of Cinnamonson School No. 2 on Friday, February 28, at 8:30 o'clock.

This show is being sponsored by the faculty of Cinnamonson School No. 4 for the benefit of the Parent-Teacher Association.

The supreme travel luxury, the S. S. Frolic, bearing the "Honeymooners" for many adventurous days, will sail from New York Harbor on a glorious round-the-world cruise. "Stopovers" will be granted at all ports. A day and a half out of New York, amid palm trees and soft sea breezes there will be displayed, beach costumes, summer sportswear and gowns that brighten tropic nights. The travelers will spend many

enchanting hours ashore visiting Mexico, Switzerland, Panama, Spain, London, Holland, Japan and Italy, enjoying the quaint costumes of the natives.

The Fashion Review, with its continual procession of practical, chic and stunning styles modeled by adults and children of all ages, will fascinate the entire family.

Tourist Cabin Fare (admission): adults 25 cents, children under 12, 10 cents.

HOLMES OUT FOR SURROGATE'S OFFICE

Harold V. Holmes, mayor of Burlington City from 1927 to 1933, has announced his candidacy on the Republican ticket for the office of surrogate, opposing George B. Biting who will seek re-election.

Most people dig their graves with their teeth.

RIVERTON P.-T. A.

A regular meeting of the child study group of Riverton Public School was held on Monday in the kindergarten room.

Wilton E. Mount, secretary of the Palmyra-Riverton YMCA spoke on "How Far Should Parents Take Part in or Direct a Child's Play Life?" Mr. Mount said that juvenile delinquency is most often brought about by lack of understanding between parent and child in the home. Parents should probe requests deeply before limiting a child's activity and should direct a child's play life only in the form of suggestion.

At the close of the meeting, a plant was presented to Miss Paulding's room for the largest number of mothers attending.

World consumption of wood in the last year was 50 per cent more than the amount grown.

HEADLINER
ANY WAY YOU LOOK AT IT!

IT COSTS LESS NOW TO BUY "ON TIME"

The new GMAC 6% TIME PAYMENT PLAN reduces the cost of financing a new car purchase. Use these savings to get a better car—a car that's a joy to own, a thrill to drive—a safe, smart, new Buick that packs pleasure in every mile. We'll gladly show you the exact figures and how much you save.

YOU GET A BETTER USED CAR FROM A BUICK DEALER

EXTRA special news it was—when Buick wrapped up 3500 pounds of live-wire power-thrill in sixteen feet of eye-stopping smartness—and named it the Special.

Extra special news it was—when buyers put foot to treadle on the open road, and found the Buick Special nimble, eager, steady, smooth—as no car ever was before at \$765* list price at the factory.

Extra special news you'll find it, when you pile up the miles, roll the weeks into months, and see how meager are its demands for gas and oil—how stubbornly it resists the siren call of the repair shop.

It's newsworthy for style, for power, for comfort, for safety. It's a headliner

for thrift, for prolonged resistance to wear, tear and abuse. It will write family history in the new sort of satisfaction it gives you and yours.

But highlight of the news is that you can buy the Buick Special for a mere two or three dollars a week more than the lowest-priced cars. The new GMAC 6% Time Payment Plan brings down the cost of buying "on time," makes payments easy, removes the last cause for waiting to "step-up" to a Buick.

We'd like to show you the phenomenal Special, let you drive it, figure out the arithmetic on it. It's worth your while just to find out how little it costs to get a car that's big in more ways than its inches! When may we see you?

*\$765 to \$1045 are the list prices of the new Buicks at Flint, Michigan, subject to change without notice. Standard and special accessories groups on all models at extra cost. All Buick prices include safety glass throughout as standard equipment.

Mingin Deserts Newcomb

In a statement printed in this issue of The New Era, Lawrence G. Mingin, chairman of the Republican County Committee, explains why he has thrown his support to Senator Clifford R. Powell for nomination for senator in the coming primary election.

The fact that Mr. Mingin shifted his allegiance came as a surprise and shock to many of his friends in Burlington County to whom his loyalty to Dr. Newcomb and all that he stands for had been unquestioned.

Mr. Mingin was elected chairman of the county committee by those who were opposed to Powellism in Burlington County politics, and they had no reason to suppose that he would be recreant to the trust imposed in him.

The chairman's statement that his action was taken to promote "party harmony" fails to be convincing in view of the fact that it will not remove either of the contending candidates from the fight, and, therefore, will not reduce the existing friction between the two factions in the party. If he meant that his action was taken to assist Powell to secure the nomination, it would have been in the interests of candor to so plainly state.

These "harmony" moves have been tried before, but they have always turned out to be of the cat-and-canary type. The only harmony aimed at, where Powell is concerned, is the complete elimination of those who oppose him.

Whatever weight Mr. Mingin will carry with him into the enemy's camp will make it just that much harder for Dr. Newcomb, but it does not necessarily ensure his defeat by any means. The doctor has a host of friends all over the county whose faith in him will not be shaken by trumped up charges of a patently political nature nor by the defection of a trusted supporter. "Doc," as he is affectionately known by thousands, has always been a square shooter, open and above board in his methods, and the reputation for fearless honesty he has thereby built up with the rank and file of Republican voters will stand him in good stead in this new situation.

This unexpected difficulty in his campaign will call forth the support of the men and women in Burlington County who stand for the methods and principles in county government that have always been associated with Dr. Newcomb, as opposed to Powellism and all it implies.

Mr. Mingin's hope to "build a ticket fully representative of all groups within the party," is impossible of accomplishment on the face of it. The contest is not primarily between two men seeking the same office, but between two sets of principles—and truth cannot be compromised.

If there is the justification claimed by Mr. Mingin for turning his back on the ideals of the people who elected him to the chairmanship of the county committee, it will appear as the campaign progresses; if not, time will bring its own condemnation—and punishment.

When Dr. Newcomb was asked if he had any comment to make on the new setup, he smiled and replied, "not at present."

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

The Sacrament of the Lord's Supper will be observed Sunday morning at eleven o'clock.

The junior department of the church school will have a special service of their own, in which the Lord's Supper will be observed. This service will begin promptly at 10:15 and be held in the church auditorium.

"Hick for Thirty-eight Years," is the subject of the message Mr. Boyd will bring to the evening audience.

Every Thursday evening during Lent, special services at 8 o'clock.

March 5, the Rev. John Pemberton, of Centenary-Tabernacle Church, Camden; March 12, the Rev. K. F.

Perinchief, of Trenton; March 19, the Rev. James P. Boughton, of Broadway M. E. Church, Camden; March 26, the Rev. E. A. Robinson, former minister of this church and now of Woodstown, N. J. During these meetings special Lenten music will be rendered by vocal and instrumental soloists. The public is invited.

This church will be engaged in a "Christian Crusade" for two weeks beginning Sunday evening, March 29, and concluding with Sunday evening April 12.

In the last analysis, federal aid is just taking money from the people and giving it back to them.—Duluth News-Tribune.

CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, B.D., Pastor
Sunday, March 1, Church School, 9:45 a.m.; Morning Worship 11 a.m. Junior Christian Endeavor Society, 4 p.m.; Senior Christian Endeavor Society, 7 p.m. A musical program has been arranged for the Senior Christian Endeavor Society and all young people are most cordially invited to attend.

The pastor's Class of Instruction will be held in the church office each Sunday morning during March. All young people who are thinking of uniting with the church should attend.

On Wednesday, March 4th, at one o'clock, the ladies of the church will hold a missionary luncheon. Reservations should be sent to Mrs. Walter L. Drew, 107 Morgan avenue, (telephone 777-J) not later than March 2nd. The Ladies' Aid Society will hold its annual meeting for the election of officers, on the same day at 2:30 p.m., and the Women's Missionary Society will meet at three o'clock. All ladies of the congregation and their friends are urged to attend the luncheon and the meetings following.

The mid-week service, Wednesday evening, at 8 o'clock.

The ladies of Calvary Church congregation are invited to attend a union service on the World Day of Prayer to be held in the Baptist Church on Friday afternoon, February 28th, at 2 o'clock.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Sunday School, March 1st, 10:00 a.m. Bible School. The school welcomed Superintendent VanOsten last Sunday when he presented his usual interesting talk, after having been ill for some weeks.

11:15 a.m., Morning worship, "Walking With Him," has been announced by Pastor Lockett as the subject of his sermon. Solos and anthem by the choir under the direction of Claude Barto.

7:00 p.m., The High School Young People's Group. A combined session with the Junior Epworth League, was held last Sunday.

7:45 p.m., Evening worship. "A Great Famine," will be the subject of the Pastor's sermon.

A union prayer service of the women's societies representing the churches of the community will be held on Friday afternoon at two o'clock in the Sunday School room. This is in keeping with the World Day of Prayer which is being observed throughout the world on this date.

A leap year supper will be served in the social hall of the church on this Saturday evening. Adults 60 cents and children 35 cents.

AUXILIARY NOTES

The Cinnamon Auxiliary of the Zurbrugg Hospital, will hold a business and social meeting at the home of Mrs. George Dorworth, Burlington pike, Five Points, on March 3rd at 2 o'clock.

The Cinnamon Auxiliary would appreciate a sewing machine for their use in making garments for the hospital. Anyone who might wish to donate a machine may get in touch with Mrs. George Dorworth.

"LET NOT THY RIGHT HAND KNOW—"

CHRISTIAN SCIENCE CHURCH

"Christ Jesus" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 1.

The Golden Text is: "Unto us a child is born, unto us a son is given; and the government shall be upon his shoulder" (Isaiah 9:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease. These twelve Jesus sent forth, and commanded them saying, 'Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not' (Matthew 10: 1, 5)."

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus established his church and maintained his mission on a spiritual foundation of Christ-healing. He taught his followers that his religion has a divine Principle, which would cast out error and heal both the sick and the sinning. He claimed no intelligence, action, nor life separate from God" (p. 136).

Winter Institute

At M. E. Church
(continued from page 1)

The Dean is the Rev. Neal Raver, of Hamilton Square M. E. Church, near Trenton.

The instructors and their subjects are: Rev. E. W. Foote, of Browns Mills, "Personal Religious Living." Rev. William A. Boyd, Palmyra, "Helping Other Young People to Be Christians."

Rev. Charles H. Anderson, of Allentown, "The Church and Her Place in the World Today." Rev. L. H. Corson, of Pemberton, "Preparing for Marriage and Home Life."

Rev. H. J. Smith, of Camden, "The Economic Order."

Rev. H. F. vonUffel, of Beverly, "The Question of International Peace."

Mrs. Lawrence Parsons, of Burlington, "Junior League Work."

The registrar is Mrs. Edwin A. Fisher, of Palmyra.

The program as arranged for each evening is timed as follows: 7:45—Class period 8:30—Worship period 8:45—Class period 9:30—Recreation

These classes end on April 3, 1936. The theme of this year's mid-winter institute is "Discovering Christ for Life."

Anyone interested in attending these classes may get in touch with the registrar. Registration fee is fifty cents.

BIRTHS

Mr. and Mrs. James Hughes, of Le June Road, Palmyra Extension, are receiving congratulations upon the birth of a daughter, Marion Irvin, at the Mary Haas Robbins Maternity Home, Riverton, on February 19th.

OBITUARIES

MRS. LAURA COOK

Mrs. Laura Cook, of 719 Cinnamon avenue, Palmyra, died Wednesday afternoon at the Cooper Hospital following a serious illness of two months.

Mrs. Cook was a resident of Palmyra for more than fifty years. Her husband, William H. Cook, conducted a grocery store at Broad street and Cinnamon avenue, Palmyra, for about eighteen years. Mr. Cook was Palmyra postmaster during President Wilson's administration.

Funeral services will be held Saturday afternoon at two o'clock at the late residence and interment will be made in Morgan Cemetery, Palmyra, under the direction of Frank A. Snover.

Friends may call Friday evening. Mrs. Cook is survived by her husband and four daughters, Mrs. H. B. Young, Mrs. M. E. Gingham and Mrs. Clara Gallagher, of Palmyra, and Mrs. C. P. Seigle, of Scranton, and nine grandchildren; two sisters and a brother.

BIBLE CLASS MEETING

The In-As-Much Bible Class of the Epworth M. E. Church will hold its regular business meeting at the home of Mrs. Jennie Beideman, 630 Elm terrace, Tuesday evening. The class will hold its regular luncheon March 11 at one o'clock in the Sunday school room of the church.

NOTES ABOUT

FORMER RECTORS OF
CHRIST CHURCH

The friends of the Rev. Parco, former rector of Christ Church, Palmyra, will be interested to hear that he is spending several weeks in the British West Indies.

Rev. Francis Mayo, OHC, who also was pastor in the Palmyra Christ Church, will be 75 years old on March 11. Those who might wish to send him birthday greetings may address them to South Kent School, South Kent, Connecticut.

KEEPING TRACK OF
THE WEATHER

In order to help the residents of Palmyra and Riverton to keep tabs on the weather changes, Frank A. Snover, of Palmyra, has put up two thermometers and barometers.

One is on the corner of Booth's drug store, Palmyra, and the other in Riverton on the front of Mattie's meat market.

A speculator is one who plans for the future and acts before that future arrives.—Bernard Baruch.

PHALANX RADIO
DEMONSTRATION

Local Man Shows New Oscillograph to Group Meeting
Monday Night

On Monday evening, February 24, the Omega Chapter, Phalanx Fraternity, held its meeting at the home of W. Maynard Bowen, Riverton.

Edward Forsythe, of Medford, gave additional information on the Young Men's Congress to be held February 29 and March 1, at the Moorestown Community House.

After the meeting, we, through the courtesy of Bernard Clifford and Philip Huston, both of Woodlynne, N. J., had the pleasure of witnessing some of the quirks of a "5-meter rig." This is a portable amateur transmitting and receiving station which may be easily transported.

Ordinary 60-cycle house electric current changes polarity 60 times a second. Five-meter radio transmitters change polarity 56,000,000 times a second. Five-meter radio is good for communication only up to about 30 miles.

Through the courtesy of William W. Cook, of Riverton, we had a demonstration of an RCA oscillograph. This instrument, through reflector plates, changes of voltage and an electric beam, allows one to see what the human voice "looks" like. It transforms sound vibrations into light vibrations, which are imposed upon a screen. The oscillograph is a new step forward in radio engineering and allows about four times as much work to be done in testing in the same amount of time consumed heretofore with ordinary instruments. Publicity.

"LET'S ALL JOIN
PALMYRA B & L"

Slogan Again Presented by Palmyra B. & L. as They Announce 63rd Series

The Palmyra Building and Loan Association has just closed its 49th year of activity in the service of the communities of Palmyra and Riverton. During this period it has been an instrument through which hundreds have built or purchased homes, many have been saved from financial embarrassment by promptly receiving loans, and many a Palmyra or Riverton boy or girl has received his or her education thru this medium of saving.

During the past five or six years this association has played a very important role in the financial position of the community, relieving the distress by saving homes for the owners and lending financial aid at crucial moments through the ability to function normally as a Building and Loan Association.

This has all been brought about by careful and conservative management, not only in times of stress but throughout the life of the association. The value of such an institution is widely recognized in the community, as has been so obviously demonstrated by the 940 shares sold during the year 1935.

To those who are planning purchasing or building a home in the near future—to those of the newlyweds who are starting out in life and wish to guard themselves against financial emergencies—to the parent or child who is desirous of paving a way for their future education, and to those of middle life who wish to have the satisfaction of financial independence at a retirement age, the Palmyra Building and Loan Association offers one of the finest, safest and most convenient mediums to accomplish their particular ambitions.

On Monday, March 2nd, in P. O. S. of A. Hall, the 63rd series will be opened from three until nine o'clock. Those who are unable to arrange to be present may hand their subscription to any director whose name appears in the advertisement in this issue.

As this association is entirely a mutual organization for the benefit of all those who avail themselves of its objects, it is entirely fitting that they should adopt the slogan "Let's All Join the Palmyra B. & L."

Revenge is a sweet cup with bitter dregs.

WOMAN'S REPUBLICAN CLUB TO DISCUSS THE CONSTITUTION

The Women's Republican Club of Burlington County will hold an evening discussion on "The Constitution" at the home of Mrs. M. C. Lippincott, of Hainesboro, Thursday February 27.

This is the second in a series of discussions to be held by the Republican women.

The regular meeting of the club will be held at the home of Mrs. Hannah Evans, on Route 25, Cinnaminson township, Thursday afternoon, March 12, at which time the ladies of the county will be the guests of the Palmyra group. Luncheon will be served at a nominal fee.

A card party has been planned and will be held at the home of Mrs. Pearl Bridgman, president of the club on Thursday, March 19th.

FINN MAKES FRAT

W. Robert Finn, son of Mr. and Mrs. E. R. Finn, of 120 Garfield avenue, Palmyra, student in Trinity College, Duke University, Durham, N. C., was pledged by the local chapter of Kappa Sigma, national fraternity, during the past week.

Six hundred of London's 6,000 telephone exchange girls were married in the last year.

Babies and pianos would make less noise if grown people would let them alone.—Montreal Star.

A COMMUNITY WORTH LIVING IN IS WORTH BOOSTING

A NEW REMINGTON
The famous Remington Portable
Typewriter has just come out in a
new model which sells at \$34.50.
An ideal machine for high school
students.
Very easy monthly payments
make it easy to own this marvelous
little machine.
Standard keyboard, adjustable
marginal stops, clear beautiful type,
touch of 'typewriters' selling for
twice the price, and does work un-
surpassed by any machine made—
bar none!
Try it out for yourself at The
New Era Office.

YMCA BRIEFS
Young Men's Congress
The sixth annual Young Men's
Congress of New Jersey will be
held at the Moorestown Community
House, Saturday, February 28, 2:30
p.m. The main address of the af-
ternoon session will be "A New
Adventure," by Dr. Henry H. Crane,
Scranton, Pa., followed by a general
forum period.
The banquet will be held in the
gym at 6:30, with James Conroy,
Moorestown, acting as toastmaster.
Dr. Crane's topic at the banquet will
be "Sources of Power." Special
musical numbers are being arranged
by Jonathan Powell, with Mrs. Pow-
ell at the piano. A fellowship hour
will follow, which will include dan-
cing, a ping-pong tournament, in-
formal music, etc.
The Sunday sessions will get
under way at 9:15 a.m., with the de-
legates of the Congress working
under the following commissions:
Spiritual Growth in Religion, lead
by W. Reading Gebhart, Clinton.
Good Citizenship and Government,
E. Newbold Cooper, Riverton.
Making a Living, Chester L.
Reagan, Moorestown.
Alcohol and other Narcotics, Paul
Morrison.
International Relationships, Rich-
ard R. Wood, Moorestown.
Racial Adjustment, Russell Bar-
ber, Wallingford, Pa.
The afternoon sessions will be
closed by an address "Looking For-
ward" by Rev. G. Horace Wood, of
Moorestown.
Delegates will be greeted by a
committee headed by Alfred L.
Dayo, and Earl Williams, Saturday
afternoon, and will be assigned in
most instances to some home in
Moorestown where they will be en-
tertained for the night.

CHURCHES
The Associated Republican Clubs
of Burlington County will hold
their monthly meeting at Palmyra
Society Hall, Monday night, March
2nd. The Palmyra Club will enter-
tain this assembly of Republican
Clubs throughout the county.
The speakers of the evening are
sponsored by the Central Republican
Campaign Committee of Philadel-
phia. Mrs. Florence Baker, State
Committeewoman of Camden Coun-
ty, will also be one of the speakers.
A portion of the program will be
devoted to entertainment and re-
freshments will be served.

SOCIETY LUNCHEON
The Missionary Society of Cal-
vary Presbyterian Church will hold
a luncheon at one o'clock, Wednes-
day, March 4, followed by a dra-
matization on Japan and the For-
eigner in America. This play will
be under the direction of Mrs. Ed-
win Black.
All ladies of the society and their
friends are cordially invited to at-
tend.
Luncheon reservations should be
made not later than March 2 to
Mrs. Walter Drew, Riverton 777-J.
Luncheon 25c.

JUDGE WELLS REAPPOINTED
Governor Hoffman on Tuesday re-
appointed Judge Harold B. Wells,
of Bordentown, as Judge of the
Court of Errors and Appeals.
The term is for six years at a salary
of \$40 a day for each day
worked.

forum period.
The banquet will be held in the
gym at 6:30, with James Conroy,
Moorestown, acting as toastmaster.
Dr. Crane's topic at the banquet will
be "Sources of Power." Special
musical numbers are being arranged
by Jonathan Powell, with Mrs. Pow-
ell at the piano. A fellowship hour
will follow, which will include dan-
cing, a ping-pong tournament, in-
formal music, etc.
The Sunday sessions will get
under way at 9:15 a.m., with the de-
legates of the Congress working
under the following commissions:
Spiritual Growth in Religion, lead
by W. Reading Gebhart, Clinton.
Good Citizenship and Government,
E. Newbold Cooper, Riverton.
Making a Living, Chester L.
Reagan, Moorestown.
Alcohol and other Narcotics, Paul
Morrison.
International Relationships, Rich-
ard R. Wood, Moorestown.
Racial Adjustment, Russell Bar-
ber, Wallingford, Pa.
The afternoon sessions will be
closed by an address "Looking For-
ward" by Rev. G. Horace Wood, of
Moorestown.
Delegates will be greeted by a
committee headed by Alfred L

CANDIDATE

CLIFFORD R. POWELL

who, disclaiming all aspirations for higher offices, asks only to be returned to the Senate from Burlington County.

In a letter last week he characterized as "untimely and ill-advised," booms started for him for Governor of New Jersey and Vice President of the United States, and stated that they were made without his knowledge or consent. Senator Powell has served in the Legislature for fifteen years.

TAYLOR-MATHERS BUY G-E BUSINESS

Sweeney Sells Electrical End of Business; Retains Auto Agency

Allan Taylor, of 715 Cinnaminson avenue, Palmyra, who for the past three years has been associated with C. R. Sweeney, Inc., General Electric dealer in Palmyra, has entered partnership with Henry Mathers, of 621 Arndt avenue, Riverside, and together have purchased the General Electric end of the C. R. Sweeney business.

The new proprietors of the business have a General Electric franchise covering Riverton, Palmyra and vicinity. They will deal exclusively in General Electric products, featuring electric refrigerators and laundry equipment. They are in a position, however, to supply any of the varied General Electric products.

They will maintain offices and showroom at the same address, 309 East Broad street, Palmyra.

C. R. Sweeney, who has operated a dual dealership for the past ten years, covering General Electric products and Dodge and Plymouth cars, intends to devote all his efforts to the development of his Dodge and Plymouth agency in the offices and showroom adjoining the General Electric agency, at 307 East Broad street, Palmyra.

At the present time, the new 1936 models of the General Electric refrigerator line are being announced. Some of these new and improved models are now on display in the Taylor-Mathers showroom.

They arrange in price from \$134.50 for the 4-cubic-foot box to \$505.00 for the 15-cubic-foot box.

The Taylor-Mathers showroom will be open every Monday, Wednesday, Friday and Saturday evenings.

A cordial invitation is extended to everyone to come in and inspect these new models.

PALMYRA BOXERS DRAW WITH B.M.I.

In a closely-contested boxing meet held at Bordentown Saturday, February 22, the P.H.S. boxing team tied Bordentown Military Institute 4-4. There were only six bouts contested of the eight scheduled; B.M.I. forfeited two to Palmyra. Every bout was hard fought and the decisions were very close.

135 lbs.—Prisco, PHS, lost to Canney, BMI.

135 lbs.—Cardea, PHS, lost to Louis, BMI.

140 lbs.—McCollough, PHS, won from Dyer, BMI.

150 lbs.—Applegate, PHS, won from Peck, BMI.

155 lbs.—Bauer, PHS, lost to Las-locky, BMI.

155 lbs.—Semple, PHS, lost to MacAuliffe, BMI.

Two bouts won by Palmyra by forfeit.

The meet which is to be held in Palmyra Saturday, March 7th, at 2.30 p.m., is not expected to end in a draw. Anyone interested in the sport of boxing will thoroughly enjoy the scheduled eight or nine bouts, as they will be filled with action and excitement.

The Loop in Chicago is merely a business district in the heart of the city encircled by the elevated railway.

RIVERTON SCHOOL NOTES

Junior Assembly Held

The Junior Assembly, made up of the kindergarten, first, second and third grades had their second program in the auditorium, February 21.

Miss Evalul's second grade presented "Eagle's Eye Family," which grew out of the study about Indians.

Scene I—Eagle's Eye Family—Eagle Eye and Straight Arrow looking for food and clothing. Blue Eye and Starflower go and get clay from the river bank. Indian lullaby by Irma Hailey.

Scene II—Starflower and Blue Eye making a bowl. Starflower and Blue Eye making a bowl from clay from the river bank. Finding berries and making juice out of the berries to paint the bowls.

Scene III—Feast—It was a gathering of a number of Indian tribes feasting in honor of Straight Arrow for earning his name for shooting a deer when hunting with Eagle Eye.

There was a reading about Washington by Virginia Gould.

The upper grades had their Valentine's programs which was postponed a week. Thalberg King.

There are 40,000,000 widows in India, many of them under eighteen years of age.

'Tis the mind that makes the body rich.—Shakespeare.
