Egotism—the most dangerous temptation of man today. — Mary Hanford Ford.

THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

48th Year No. 36

RIVERTON—PALMYRA, N. J., THURSDAY, SEPTEMBER 3, 1936

PRICE FIVE CENTS

CLEAN-UP WEEK STARTS SEPT. 22

Borough Will Remove Trash Placed at Curb September 22, 23 and 24

After a lapse of four years, Riverton is again having a clean up week. This year it is being staged in the fall instead of at the usual time in the spring. This time has been selected particularly for the purpose of removing every possible fire hazard before winter sets in and the heater fires are started.

At the last meeting of the Riverton Borough Council representatives of the Riverton Fire Company appeared before that body and requested the cooperation of borough officials in a clean up week which would remove from yards and cellars all combustible trash. Council was asked to remove such material placed on the curb line in suitable receptacles.

Councilman E. K. Merrill was appointed a committee of one to cooperate with the fire company in working out a schedule of dates for the removal of rubbish. These dates have been set as follows:

Tuesday, September 22

All that portion of Riverton lying between Main street and Fulton street, from the railroad to the river; and between Main street and Cedar street, from the railroad to the Cinnaminson township line.

Wednesday, September 23

The section lying between Main street and Elm avenue, from the railroad to the river.

Thursday, September 24

The section lying between the railroad and the Cinnaminson township line, from Main street to Elm Terrace, both sides.

Under the legal provisions regulating fire companies, officers of these companies have a right to inspect properties and basements of business houses and to order remedied conditions which they believe to be fire hazards. This authority, however, does not extend to private dwellings, and it is here that the voluntary cooperation of residents is necessary in order to insure the success of the clean up week.

PRESS ASSOCIATION BACKS GOVERNOR IN DUDLEY CASE

The Burlington County Republican Press Association, which met last Friday night at Hahn's, Route 25, Bridgeboro, went on record as endorsing the action of Governor Harold G. Hoffman in the case of the Dudley baby in Mt. Laurel Township against David Stern. The case has gained national publicity and has caused much embarrassment to the county and the governor through certain newspapers.

The association will meet jointly with the Burlington County Speakers' Bureau on Thursday night, September 10, at Medford Lakes.

It was announced by Lawrence G. Mingin, chairman of County Republican Committee, that efforts are being made to obtain Col. Frank Knox and John Hamilton to attend the giant rally in Moorestown September 12. They both speak in Philadelphia on that day.

TAYLOR'S ROAD MARKET ROBBED

The roadside market of Howard G. Taylor was broken into Wednesday evening, and ten baskets of large peaches taken.

The thieves entered by hacking away a portion of the stand in the rear of the building.

Well, if the Townsend act becomes a law it may be a fine thing for Old Man December, but perhaps it won't be such tough picking, either, for young Miss May.

PROCLAMATION

Know All Men, Women and Children By These Presents:

That, Whereas, an annual Clean-Up Week results in many advantages to community life

In safeguarding HEALTH

In promoting THRIFT

In furthering FIRE PREVENTION

In stimulating CIVIC PRIDE

In making the HOME AND CITY BEAUTIFUL

NOW, THEREFORE, Be it known that plans have been perfected in conjunction with the Riverton Fire Company for a thorough Clean-Up campaign IN THE BOROUGH OF RIVERTON

BEGINNING SEPTEMBER 22, 1936

This date will mark the opening of a real campaign of persistent and constructive effort in cleaning up and KEEP-IT UP. In this worthy movement we urge each citizen to do his or her best part to make our community CLEAN, HEALTHY, THRIFTY, SAFE and BEAUTIFUL.

The Mayor and Council will cooperate by having carted away, free of charge, all rubbish placed in boxes or barrels on the curb on the following dates, in the sections specified.

Tuesday, September 22

All that portion of Riverton lying between Main street and Fulton street, from the railroad to the river; and between Main street and Cedar street, from the railroad to the Cinnaminson township line.

Wednesday, September 23

The section lying between Main street and Elm avenue, from the railroad to the river.

Thursday, September 24

The section lying between the railroad and the Cinnaminson township line, from Main street to Elm terrace, both sides.

No refuse will be carried from cellars or yards and NO GARBAGE WILL BE TAKEN.

H. McILVAIN BIDDLE,
Mayor.

HALT CALLED IN WPA WORK

Foreman in Palmyra Notified to "Lay Off Until Further Notice"

"Lay off 'til further notice" was the order given the remaining workers on Palmyra's WPA street program this morning when they reported for work.

Louis Piergross, foreman of the Palmyra project, received the order from Homer Hill, superintendent for this district who recently replaced Mr. Groskreuz.

The New Era called Al Smith, administrator in Trenton, and asked if this was a result of the strike activities. Mr. Smith denied any knowledge of a county-wide halt on WPA projects. He said that if any such orders had been issued he had no knowledge of them. He stated that there were 1135 people on the WPA rolls in the county and that 189 had been released for failure to report three days after their walk-out.

Harry Cramer, in charge of con- (continued on page 10)

AMBULANCE SERVES 938 IN SIX YEARS

Association Has Answered Nearly 1000 Calls Since It Was Organized

Monday, September 14, will be the opening of the campaign for funds with which to purchase a new ambulance to serve Palmyra, Riverton and Cinnaminson.

Many citizens in the three communities have had a feeling of security in knowing that the ambulance is there whenever needed. However, the present ambulance is practically worn out and funds are being collected for the purchase of a new one.

The following figures have been taken from the records to show to what extent the ambulance has been used. From 1930 to the present time 938 patients have been taken to various hospitals. In 1930, 131 calls were answered; 1932, and 1933, 142 each year; 1934, 182 and 1935, 164.

So far this year sixty-six calls have been answered.

The ambulance is a vital necessity in these communities and when the drive opens it is requested that all residents give as liberally as they can.

The Palmyra Ambulance Association pioneered in this vital work throughout South Jersey. Early in 1921 it was quite an innovation for a municipality to have and maintain an ambulance, now, fifteen years later, nearly every sizeable town or community is equipped with an ambulance.

In the beginning of the organization the committee in charge had very little experience to guide them in the selection of a suitable vehicle. The choice of a Ford chassis with a built-on body was an unfortunate selection. The first ambulance was very primitive and provided little comfort to passengers in their ride to a hospital.

On October 26, 1923, is found recorded in the minutes: "That we have a new and better ambulance by Memorial Day, 1924." At the meeting held on January 4, 1924, a slogan was adopted, "A new and better ambulance by Memorial Day 1924." On March 7, a committee was appointed to inquire regarding the purchase of a new ambulance. The committee appointed follows: Mrs. J. C. Hoepfner, Mrs. Joseph T. Richards, Mrs. Frank Probsting, Edward Hoff, Speers Kerr, Joseph L. Stack and Sydney Snelson.

According to the minutes of a meeting held on April 11, 1924, the (continued on page 9)

finer \$10 and \$3 costs. Prior, Denio, Raymond and Oliver were each fined \$5 and \$3 costs.

TEN WPA STRIKERS RETURN TO WORK

Ten of Forty Strikers Desert Walk-out. Chairman of Workers' Alliance Makes Statement

Ten of the forty W.P.A. workers who walked out on strike last Thursday from Palmyra's street project, reported for work Tuesday morning.

The strike began Monday of last week but the W.P.A. workers of Palmyra who were to advance the local street project, worked until Thursday before walking out.

Word came from Mr. Groskreuz, engineer for the W.P.A., that men who did not report by Tuesday of this week would be dropped from the rolls, and it is believed that they will not be returned to a place of employment unless the borough intercedes in their behalf.

Mayor John F. Ward, in an interview, said that the ten men who returned to work and the borough highway department would carry on the work of finishing the present street project. The Mayor stated that he hoped for an early settlement, in order that Palmyra's W.P.A. workers may obtain steady employment during the winter on two pending W. P. A. projects. The two projects include an additional street program and an extension sewer system to the West Palmyra area. Due to the relief problem in Palmyra being handled with limited funds, the borough cannot provide food for the remaining thirty W.P.A. strikers.

The Mayor also stated that the borough would tolerate no violence from these men, and that while they have some rights on their side he hopes that some mutual agreement will be reached.

The W.P.A. workers throughout Burlington county are asking for a 50c rate as against the 45c rate now being paid. They also want a 121 hour week instead of the 134 hour week now in operation.

W.P.A. employees of Mercer county are receiving this higher rate of pay and a shorter working week. The Burlington County Workers' Alliance feels that living costs are as great if not greater than in Mercer county, and that Burlington's scale shows unfair discrimination.

Smith Makes Statement

The following is a statement issued by George Smith, chairman of the Palmyra unit of the Workers' Alliance:

The splendid support and co-operation being given the Workers' Alliance by the awakened citizens and officials of Burlington county, who now realize the discrimination which is being practiced against the workers of Burlington county, has far exceeded our expectations.

Unsolicited donations of food are pouring into our headquarters from various merchants, and financial assistance is being given also, noteworthy among which was a cash contribution from the police department of one of our nearby communities.

In order to further acquaint the taxpayer and citizen with the real (continued on page 2)

NUMBERS FOR MOVIE TICKETS

The following six numbers are the winners in The New Era Comic Section Contest this week.

131	784
357	1004
432	1285

Present any of the above numbers at the store of the merchant in whose advertisement it appears on the last page of the comic section, and you will receive an adult pass for the Broadway Theatre.

RIVERSIDE MEN INVENT MACHINE

Revolutionary Punch Press
Increases Production by
150 Per Cent

Paul C. Klingler, of 111 Stewart avenue, Riverside Park, and G. Brooke Scheffly, of Riverside, have perfected and patented a high speed punch press which will undoubtedly revolutionize punch press work throughout the county.

The new punch press has a two and one-half times greater output than the fastest type heretofore known to the industry. Some of its advantages are cleaner cut blanks, more blanks from an equal stock area, less expensive cutting dies and one man operation.

One of these machines now perfected and in operation at Riverside has been sold to the Radio Condenser Corporation of Camden and is being used to stamp out parts for radio condensers.

This press uses but a two horsepower motor as compared with a seven horsepower for a machine doing the same kind of work previously.

The speed of the machine is variable and it can be stopped instantly without danger of injuring its mechanism. The mechanical principle of the new press is a radical departure from that of any other make known to the industry.

Cutting dies oscillate at the same speed as the feeder, thus the stock going through the machine is in constant motion without a stop.

Several engineers have visited the Riverside experimental laboratory to inspect this new machine. They include the Philco Radio Corporation, Budd Manufacturing Corporation, Eastman Kodak Company, Radio Condenser Company and General Electric Company. Their representatives are enthusiastic about this new super-speed press and highly optimistic about its future.

A large and important company using the highest speed equipment available, produced 72 blanks from the standard aluminum sheet. The Super-Speed Punch Press under exactly similar conditions produced 82 blanks from the same size sheet, which effected a saving in material in addition to increasing production two and one-half times.

The Super-Speed Press Corporation plans to occupy a factory in Riverside where they will manufacture these presses for use in the various industries throughout the country.

The press weighs less than a ton and has a ten-ton pressure. Engineers for years have been trying to increase production on the conventional type of punch press but never before has the oscillating die principle been developed in the industry.

Mr. Klingler was born and raised in Riverside, and in his early working days was employed as a machinist in several industries, the two principal ones being the Henry F. Taubel & Son Company, Riverside, and the Paxton-O'Neill Knitting Machine Company, of Philadelphia.

The last ten years he has operated his own machine shop at 111 Stewart avenue, Riverside Park, specializing in machine work for the textile trade. He is a specialist on knitting machinery.

Mr. Klingler, in an interview, stated that during the depression he catered to job work in his machine shop and devoted a good deal of time to experimental work.

The Super Speed Punch Press is the fruit of two years of patient and diligent effort on the part of Mr. Klingler and Mr. Scheffly.

The idea for the press originated with Mr. Scheffly and was developed by both.

Mr. Scheffly is well known as an engineer in the paper box industry for which he created several high speed machines and labor-saving devices.

A working model of the Super Speed Punch Press was built to prove a theory that the two engineers believed to be practical. On the first model only strips of cardboard were punched. Next came the work of perfecting the high speed, economical, rugged machine to stamp out metal.

Two solid months were spent over the drawing board designing the final model. The adjustable crank shaft with a compound eccentric, a design heretofore never used, was

WOMAN WINNER OF POWERS PRIZE

"Landon-Knox, Prosperity Enters"
Selected as Slogan for
County Banners

The Burlington County Republican Press Association, last Friday, judged slogans turned in for use on the county banners as previously announced.

The winning slogan was written by Mary A. Long, of Burlington, who won the \$10 prize offered by Congressman D. Lane Powers.

Her slogan was "Landon-Knox—Prosperity Enters."

More than 200 slogans from all parts of the county were submitted to the various newspapers.

Ten WPA Srikers Return to Work

(continued from page 1)

facts, and some idea of the purpose of the Workers' Alliance, we cite below two specific instances of discrimination which cannot be denied, as well as a portion of our Declaration of Principles.

The District W.P.A. Administration at Trenton, through its deputy district director, Frank S. Absalom, has released a statement that the rate of 45c per hour and 134 hours per month is fixed and final. This, despite the fact that his supervisor, W. H. J. Ely, state administrator, has stated that it is by no means final.

Notwithstanding Mr. Absalom's finality, he is allowing 50c per hour and 121 hours per month on two jobs in Burlington City. (Why? Is or is not Burlington City in Burlington county?) The second fact is, that a resident of Mercer county has been assigned to a project at Tabernacle, Burlington county, at 50c per hour. (We have in our possession a photostatic copy of this assignment.)

A resident of Tabernacle is not permitted to earn even as much as the rest of Burlington county, yet a resident of Mercer county can earn more than local residents. Why? The Workers' Alliance, believe "Economic and Social Security and Freedom are the cherished rights of every American worker, which we will never surrender."

We pledge ourselves to fight for a constructive national works program that will permanently provide jobs at trade union wages to all able bodied workers.

We pledge ourselves to fight for a national system of unemployment and social insurance. Until this is established we pledge to fight for a higher standard of living for the working masses and for adequate cash relief to provide for all unemployed and part-time workers and their families with food, clothing, shelter, and necessities of life.

Our democracy cannot long endure when a large part of our people are denied the bare essentials of existence, while others are reeling in abundance.

Under such conditions the constitutional guarantees of life, liberty and the pursuit of happiness become a hollow mockery.

We solicit a continuance of your support in our fight against discrimination, and our efforts to bring to Burlington county the purchasing power to which it is entitled.

George Smith,
Secretary Palmyra Unit
Workers' Alliance.

adopted after ten others were tried in the machine. The crank shaft is adjustable and is set to punch in accordance with the size of the die.

The last problem was to build the machine so that all parts were readily accessible, strong enough to stand any type of work, and economical enough in construction to be marketable.

This was finally worked out and the machine built. The ball-bearing equipment carrying the oscillated punch is made of especially hardened metal produced by the Riverside Metal Company and it is predicted the machine will operate at full speed for a six-months period before one-thousandth of an inch wear will show.

Several large corporations are awaiting the construction of a second and heavier machine to do heavy die-stamping work.

Add Port of Missing Men: Babe Ruth, Gandhi and General Johnson.

KNOX MAY SPEAK AT MOORESTOWN

Chairman Mingin Endeavoring
To Have Meeting on 12th
Included in Schedule

Col. Frank Knox, Republican vice presidential candidate, may attend the mammoth Republican rally to be held at Strawbridge Park, Moorestown, on Saturday, September 12, to mark the opening of the party campaign in Burlington county. As soon as County Chairman Lawrence G. Mingin heard that Col. Knox would be in Philadelphia on that day he proceeded to make the proper contact with a request that the candidate's touring schedule be arranged to include Moorestown.

If Col. Knox comes he will join former United States Senator Hiram Bingham, of Connecticut, in making the principal addresses of the day. Senator Bingham has been booked definitely for some time and there is no question about his being on hand. He is one of the most forceful speakers identified with the Republican National Committee's platform schedule. He will discuss the outstanding issues on which the Republican campaign is being based and give to workers the kind of information that they will be able to use effectively in their contacts with voters in general.

CORRECTION

It was stated in last week's issue that Frank Kreutzberg, playground supervisor at Palmyra, lived in Merchantville. This is not correct. Mr. Kreutzberg lives at 17 Le June road, Palmyra.

Edwin Thomas Booth, famous actor, was the brother of John Wilkes Booth, the assassinator of Abraham Lincoln.

MISS CRANE NEW PROPRIETOR OF AGNES SHOP

Miss G. E. Crane, of 929 Cinnaminson avenue, Palmyra, announced this week that she has taken over the Agnes Shop, 9 E. Broad street, Palmyra.

This shop which has proved so popular to the women in this vicinity, will be operated along the same lines established by Mrs. Weber, its founder, three years ago.

GEORGE MacCORD BUYS WEIKMAN FUEL BUSINESS

George W. MacCord, of 508 Garfield avenue, Palmyra, announced this week that he has purchased the coal, coke, wood and fuel oil business of L. A. Weikman, Delanco, and will trade under the name of MacCord Brothers.

Mr. MacCord is well known to the people of this vicinity, having served in the Palmyra National Bank for 10 years. For the last two years he has been employed by Lester S. Fortnum, Ford dealer in Palmyra.

He announced that they will handle Old Lehigh and Navigation Company's coal, better known to the buying public as Old Company's Lehigh Coal. MacCord Brothers will also handle the genuine Kopper's Coke.

The Delanco office of MacCord Brothers is located on Coopers town road.

Mr. MacCord will continue to take orders from customers in this vicinity at his home at 508 Garfield avenue.

HE'S A WONDER

"What do you think of a man who will constantly deceive his wife?"
"I think he's a wonder."

TAYLOR ADDS NEW MEAT DEPARTMENT

Clifton Taylor, proprietor of the Pioneer Cash Grocery Store at Broad street and Elm avenue, Riverton, announces this week the addition of a complete meat department where he will handle a full line of beef, lamb, veal, pork, poultry and Burks' meat products.

Mr. Taylor has secured as manager of the new department Frank Toy, of Delanco, who has had many years experience as a butcher. Mr. Toy is well known to a number of residents in this vicinity.

Mr. Taylor cordially invites you to inspect this new, fresh meat department and learn of the many valuable savings possible in the purchase of fresh meats.

COAL CAR TOPPLES AT EVANS' SIDING

A freight car loaded with 50 tons of coal was pushed past the bumper device on the elevated siding of the Joseph T. Evans coal and lumber firm last Monday morning.

The loaded car is still on the tracks with one end over the edge. The suspended end will be jacked up and the car placed back on the tracks by the railroad wrecking crew.

A similar accident happened a number of years ago when a freight car was pushed through the end of the brick wall housing J. S. Collins' bins.

NOTICE

The kindergarten of the Riverton Public School will receive pupils for the first ten days of the school term, which opens September 9. Birth and vaccination certificates must be shown at the time the child is enrolled.

McCROSSON AGENCY IN NEW QUARTERS

Prominent Real Estate and Insurance Broker Moves to 5 E. Broad St., Palmyra

W. Rex McCrosson, prominent real estate and insurance broker, has moved his office from 115 E. Broad street to the rebuilt office building at 5 East Broad street, opposite the Palmyra railroad station.

Mr. McCrosson, who has been a resident of Palmyra for the past twenty-six years, has devoted his business life to insurance and real estate, starting in Philadelphia.

Three and one-half years ago he established a Palmyra office in addition to the one in Philadelphia. In January of 1935 he purchased the insurance business of George N. Wimer which was established thirty years ago.

The McCrosson agency has been instrumental in bringing several new business enterprises to both Palmyra and Riverton, and has conducted an active business in the sale and leasing of residential properties.

The McCrosson agency represents eight of the largest insurance companies known in the business, and writes fire insurance, casualty, bonding, life, accident, etc.

Mr. McCrosson is well known both in Palmyra and throughout the state. In American Legion circles he held the office of Post Commander for the year 1925-26; County Commander for two terms and served one year as the New Jersey State Commander in 1932-33.

Mr. McCrosson recently was the county director of Burlington and Ocean counties for the Emergency Relief Administration. He is also a member of the Citizens' State Executive Committee on Education, of the New Jersey Housing League and the board of managers for the New Jersey Home for Disabled Soldiers at Menlo Park.

Assisting him in the office is Mrs. Eleanor McCrosson, who was the former Miss Eleanor Connell. Mrs. McCrosson has been a resident of Palmyra for the past seventeen years. She has had experience in the real estate and insurance business both in Palmyra and Philadelphia.

The McCrosson Agency extends a cordial invitation to everyone to visit its new office and acquaint themselves with the service offered.

PETIT JURORS

The petit jurors for the September term of court from Riverton, Palmyra, Cinnaminson, Riverside and Moorestown are as follows: Roland Oliver, florist, Riverton; Vincent Lloyd, florist, Palmyra; John Doonin, mechanic, Palmyra; Jennie M. Reeves, housewife, Cinnaminson; William Evans, clerk, Palmyra; Fred K. Tursi, mechanic, Riverside; Lorina Blankenmeyer, housewife, Riverside; Alex Keblor, unemployed, Riverside; Joseph O'Brien, laborer, Moorestown; Earl Schmierer, clerk, Palmyra; Francis Murphy, mechanic, Moorestown; David B. Coles, farmer, Cinnaminson; Ada Anderson, housewife, Moorestown; Eli Taylor, clerk, Palmyra; William L. White, salesman, Palmyra; Margaret Phaelen, housewife, Cinnaminson; Richard D. Barclay, merchant, Riverton; Charles Singer, farmer, Cinnaminson; Walter Stokes, florist, Moorestown; Ruth Bowne, musician, Moorestown; Matthew Tillery, farmer, Riverton; Fred Lippincott, farmer, Moorestown; Eula Roach, printer, Palmyra; Benjamin R. Reiley, electrician, Cinnaminson; Dovie Bracey, housewife, Riverside; Lillian Hammelman, secretary, Palmyra; Elythe Anderson, housewife, Riverside.

Robert C. Borer, of Riverton, a junior in Princeton University, is one of 52 members of his class admitted to the University's School of Public and International Affairs, according to an announcement today by Prof. DeWitt Clinton Poole, director of the School. Enrollment in the School is restricted to juniors and seniors who have met special scholastic requirements. Borer prepared for Princeton at Mercersburg Academy.

Have you visiting cards? Place your order for one hundred at The New Era. Rytex-Hylyed (raised printing) cards are fine quality and only Seventy-five Cents.

NEW BUSINESS PROPERTY IN PALMYRA

5 EAST BROAD STREET, PALMYRA

This business property, formerly occupied by the L. G. Rogers news agency, has been completely remodeled by E. L. Williams, of Riverton, owner. The real estate and insurance agency of W. Rex McCrosson moved yesterday into the office pictured on the right. Negotiations are pending for a tenant to occupy the other side. The McCrosson Agency is 10 feet front by 53 feet in depth. The unoccupied side is 15 feet by 53 feet. Two attractive completely rebuilt apartments occupy the other floors.

PALMYRA

Mrs. Lillian Hamelman, of Columbia avenue, entertained Mr. and Mrs. Herbert Hoptross, of Philadelphia, over the weekend.

Mr. and Mrs. John Smith, of Delaware avenue, entertained friends at dinner Saturday evening. In the party were Mr. and Mrs. Edward Grubb, Mr. and Mrs. Charles Saltmer, Mr. and Mrs. Albert Braum, Mrs. Helen Rahleic and Howard E. Powell.

Charles Saltmer is driving a new Plymouth.

The P.O. of A. of Lambertville will hold an old home day on September 12.

Mrs. Albert Rogers has been called to her home in Frackville, Pa. due to the illness of her mother, Mrs. B. C. Taylor.

LITERARY DIGEST
SENDS BALLOTS
TO RIVERTON

Individual ballots have been mailed to voters of Riverton and nearby communities in a new Literary Digest poll of over 10,000,000 persons to ascertain who will be the next President of the United States.

New Jersey's returns in this 1936 referendum will be tallied as a unit so they may be compared with the voting in other states; it is announced.

The voting of the post-card ballots is secret as no signature or other identification is required and the return postage is paid by magazine. To guard against tampering and counterfeiting a specially manufactured cardboard is used for printing the ballot, and all spurious votes can be detected immediately and destroyed.

The ballot asks the voter's choice of the seven officially nominated candidates and for whom he or she voted in the 1932 election to reveal the general drift from one party to another.

Publication of the first tabulated returns is anticipated about September 5.

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor
10 a.m., Bible School, all departments bid you welcome.
11:15 a.m., The pastor will preach on "What One Disciple Missed." Communion Service.

7:45 p.m., The last of the union church services will be held in our church, and it is expected a number of ministers will take part. The Rev. George Lockett will preach on the subject "A Basket of Summer Fruit."

CHRISTIAN SCIENCE CHURCH
"Man" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 6th.

The Golden Text is: "Mark the perfect man, and behold the upright; for the end of that man is peace" (Psalms 37:37).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Behold, God will not cast away a perfect man, neither will he help the evil doers; Till he fill thy mouth with laughing, and thy lips with rejoicing" (Job 8:20, 21).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Science reveals the glorious possibilities of immortal man, forever unlimited by the mortal senses. . . . Spiritual perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his Maker in deed and in truth" (pp. 288, 293).

It is estimated that 8,000,000 tons of fertile top soil are carried away daily in the Missouri river.

BIRTHS

Mr. and Mrs. James Bonner, of 104 Maryland avenue, Palmyra, are receiving congratulations on the birth of a son, James George, Sunday, August 30, at the Mary Haas Robbins Maternity Home, 408 Main street.

STREAMLINED
BEAUTIES IN
NEW FILM HIT

If women can change their minds about men, men can change their minds about women.

At any rate, they do it in Hollywood—and this year's crop of Hollywood beauties presents a new type of showgirl.

Averages in height and weight taken among the fifty pretty singing and dancing girls in "Sing, Baby, Sing," the Twentieth Century-Fox combination of comedy, melody and romance coming to the Savar Theatre, shows that "Miss Hollywood" is now a person five feet, five and one-half inches tall and weighs a hundred and ten pounds.

Alice Faye, Adolphe Menjou, Gregory Ratoff, Ted Healy, Patsy Kelly, Michael Whalen and the Ritz Brothers, all of whom are featured in "Sing, Baby, Sing," became interested in the measurements of the girls during production of the film and the figures were tabulated.

The average show beauty working in "Thanks A Million," last year's big musical at the Twentieth Century-Fox lot, was two inches short-

WHAT I FOUND IN MASSACHUSETTS

AFTER 36 Years of Service, this New Jersey Country Editor will travel to every state in the Union. These letters and the trip will continue for at least a year. Follow the white line weekly, beginning at the star at New Jersey.

After passing through Rhode Island, we entered Massachusetts and had a delightful ride through the southern end of this great state, passed many large cranberry bogs, crossed the two large Canal Bridges at Sagamore and then followed the East coast to Plymouth, the real historical town of the New England States. Here, as along all of this coast, we were greatly disappointed in not seeing a single bathing beach. We arrived in Plymouth Saturday evening and like all New England towns and cities, it is clean and has many beautiful homes. The first thing we did of course was to visit the Plymouth Rock which is housed in a beautiful stone structure at the beach of Cape Cod Bay and has but one decoration and that is the year 1620, cut deep into the rock. The Rock is surrounded by a beautiful park of just trees and grass to the water edge. There are two boat landings and the beautiful sheet of water almost as calm as the inland lakes of New Jersey, is well covered with fishing and pleasure boats of all sizes. I asked if there were any fishing parties made up from the visitors and was informed that there were occasionally. This seemed so strange, when we think of the hundreds of fishermen and visitors to our shores, who derive so much pleasure and profit from our coast waters. The only activity along the entire Plymouth beach, was one speed boat which did a thrilling dash all day long by giving five-minute rides to eight or ten passengers at 30 cents each.

We arrived in Boston shortly after noon and stopped our "house on wheels" at one of the many little parks and ate our lunch, after which we tried to get directions to the State House. We thought we had them, when we found we were back where we started from, after driving several blocks. Feeling rather disgusted, we asked several men standing near a garage to give us the direction and a young man stepped out to the curb and said "Why Mr. Moore I can show you better than I can tell you," and he did that very thing. He was none other than Mr. John F. McCarthy, formerly of Lakehurst and Lakewood, N. J. He married a young lady from Toms River and a former stenographer in the office of the late Judge Jeffrey. He recalled many men in Ocean County, among them were Judge Jayne, former Editor Fischer and Judge Jeffrey, Jim Allardice, Fred Bunnell, Harry Hagaman, the Ewart Boys, U. S. Grant and many others.

We arrived at the State House at about 3 o'clock and it looked more like a session of the New Jersey Legislature, when a number of appointments are to be made. The place was filled with Senators, Ward Leaders, would-be leaders and some who were really willing to act as followers. I asked one of the Senators, what was going on and he said, "It's like this every day, they all want a job for themselves or someone else." I had to stay until after five to meet the Governor James M. Curley. We camped that night on the banks of the Concord River near Lowell and was visited in the evening by Mr. Harry M. Crammer, head of the Harry M. Crammer Paper Co., Inc. of Boston. Mr. Crammer was born in Ocean County and was employed at the New Egypt Press office more than thirty years ago. He has twin sons and one daughter, all going through college.

All the farms on our route were very small and stony. Farmers and business men say things are better than they were a few years ago. Most of them feel that Landon will be elected. Father Coughlin and Dr. Townsend both have plenty of followers in the cities.

One of the best jobs we have noticed being done by the WPA workers in any state, is being done right here in Massachusetts, and that is the building of sidewalks along the state highways. These foot paths (as they are called here) are built of fine stone and road oil, are about four feet wide and in small towns, both curb and sidewalk are built. Miles of these walks are built and being built by the WPA. It's the most constructive move yet made by the New Deal and should be followed by other states while the New Deal lasts.

My next letter will be from Maine.

Why Lion Was Made Emblem

St. Mark the Evangelist is symbolized by a lion because he begins his gospel with the sojourn of Jesus in the wilderness, amid wild beasts and the temptation of Satan, "the roaring lion." Mark is usually represented seated and writing with a couchant winged lion at his side. Venice adopted St. Mark as its special patron and protector and thus the symbol became the emblem of the city.

The germ of a better job is in the job we are doing now.

OBITUARIES

MARYETTE HUBBS

Mrs. Maryette Hubbs, wife of the late Frank Hubbs, of Randolph avenue, East Riverton, died at her residence on Friday, August 28.

Funeral services were held at the residence on Monday at 2 p.m. The Rev. Milton McCann, pastor of the Bridgeboro M. E. Church, officiated.

Interment was made in the Asbury Cemetery under the direction of the Snover Funeral Home.

WESLEYAN NOTES

Reading Z. Poinsett, teacher of the Wesleyan Men's Bible Class concluded his discourse on the "Dispensation of Promise" last Sunday morning and will continue the dispensational teachings with the subject "Dispensation of Law."

Assisting in the class service, Rev. Joseph W. Sullivan, of Berlin, offered the prayer and led in the Scripture lesson reading.

Edmund Jones conducted the class singing accompanied at the piano by J. Stevenson, of Philadelphia.

Class president Raymond Warner, being away for the weekend, George Rivel, first vice president conducted the services.

Attendance for the day was 61, which included six visitors.

"Isms" Bring Grief

—Not Freedom

By RAMOND PITCAIRN

National Chairman
Sentinel of the Republic

The worried theorists who have been asking us to dilute our Constitutional form of government with strong injections of Communism, Fascism and the other isms of Europe, had better stop pointing with pride to their models.

Certainly the American sees nothing alluring in the recent history of those continental nations whose philosophies we are urged to adopt.

To that history Spain has been adding a new chapter for all the world to read. Its tragic text is written in the blood of the very workers whom the new isms promise to save.

In this unusual? Think back over recent years and you have the answer. The cruel guerrilla warfare that established Communism in Eastern Europe, and the "purgues" of Central Europe are still fresh in the memory of every adult.

And what has been gained? What have the regimented millions now under the thumbs of Soviets or Dictators achieved, for which the American citizen would swap the constitutional guarantees won and established by the Founders of our Nation?

The American Revolution was fought for Freedom—freedom of speech, freedom of religion, freedom to govern ourselves, to direct our own lives and our own affairs. That freedom was won—and perpetuated in our Constitution.

But whether Fascism, or Communism, or any other ism, wins in Europe, Freedom loses. In its place comes intolerance, oppression and bloodshed.

The theorists who ask us to weaken our Constitution so those alien philosophies may be incorporated in our government, not only ignore the evidence now glaringly apparent abroad—they fail to understand either the American people or American history.

HAULING

ROTARY
NOTES

able shifts in the business fresh fruits and vegetables in the east—were the last meeting of the club by William R. Ward, manager of the Atlantic Company, who for a of years was a member of club.

Ward is in charge of the purchase and distribution of fruit and vegetables for the Atlantic & Pacific Company in New Jersey, Delaware, Maryland, Virginia, North Carolina, South Carolina, Georgia, Florida. Through his hands a proportion of these products, tributed throughout the east.

He is, therefore, well placed to point out the changing rhoda of distribution which enable us to serve fresh beans, for instance, on our tables Saturday, were on vines in the south on Thursday.

Jungle Tamed

teen years ago the country surrounding Lake Okechobee, Florida, an impenetrable tangle of le-like growth. Today it is one of the most prolific sources of fresh citrus fruits, of which 20,000 of grapefruit and 35,000 cars of oranges were shipped last season.

While tobacco and cotton are the major crops of the Carolinas, Virginia and Georgia, fruits and vegetables are fast assuming a major importance in these states. The Carolinas already have made a most substantial concentration upon potatoes and melons, Georgia upon peaches, and the eastern shore upon berries, sweet potatoes, cantaloupes, peaches and apples.

New Jersey is not named the Garden State by chance. Her soil grows almost every fruit and vegetable the table demands.

Improved Shipping

The enormous growth in these products is a direct outcome of improved transportation and refrigeration for which railroads, trucks and farmers alike share credit. While the rails carry the major share of the tonnage, the quickening of the schedules, the extension of refrigeration facilities and the reduction in tariff rates have largely been induced by steamer and truck competition.

On the eastern shore truck competition has been unusually severe and a large portion of the potato tonnage in recent years has gone over the highways.

Looking back fifteen years, one recalls the alternate glutting of the market with perishable foodstuffs and the extreme scarcity which prevailed at other times. Practically all such products from the south were independently consigned to the wholesale produce houses of New York, and the conditions cited were the inevitable result. At the same time the spread between the producer's price and the consumers' was inordinately high.

More Fruit Used

Many other abuses crept in, through which producer and consumer alike suffered. Some eleven years ago the chain store organizations set up their own agencies for purchase and distribution. The public was educated to a greatly increased consumption of fresh vegetables and fruits; distribution was affected over wider areas; the time factor was reduced; prices were stabilized and reduced, yet the consumer received a larger share of the consumers' dollar.

Mr. Ward voiced the opinion that the farmer in the eight states in which he does business, is in a more favorable economic situation than at any time for many years past. The crop curtailment program and the control plans for the AAA may maintain this favorable situation, but consumers may expect a stiffening of prices, which are of debatable value, as a result.

Bumper crops in most of these states would realize a comparable total dollar value at any probable free market prices. Artificially curbed production will stiffen prices for the consumer without any substantial increase in total dollars for the producer. And thousands who

PEST CONTROL BY
AIRPLANE TESTED

New Method of Fighting Farmers' Foes Will Be Demonstrated
September 8

Zooming aircraft will demonstrate the latest developments in the agricultural industry's fight against pests at the Governor's second annual agricultural field day at Camp Hoffman, Sea Girt, on Tuesday, September 8.

The day's program will be featured by an address by United States Senator L. J. Dickinson, of Iowa, member of the senate agricultural committee and recognized as a leader in farming circles throughout the nation and in his home state. Senator Dickinson is coming east at the invitation of United States Senator W. Warren Barbour and Governor Hoffman. The committee in charge of the program is headed by Ames Kirby, of Mullica Hill. William S. Conklin, of the Governor's office is committee secretary.

Getting under way at 11 o'clock, the program will feature the development of pest control with airplanes flying over the drill field at Camp Hoffman.

If you don't think there is anything in the law of supply and demand, just compare the value of the orchard and the dandelion.

Second prize—Bird house, Jos. T. Evans, Riverton.

Grand Prize

To the exhibitor winning the highest number of points—First prize, 100 Darwin Tulip Bulbs, American Bulb Company, New York City; second prize, \$3.00 seed order, Henry A. Dreer, Riverton.

Acknowledgment

The Garden Department of the Palmyra Woman's Club takes this opportunity of thanking the Judges for giving their time, the public for

PALMYRA YOUTH BUILDS MODEL RR

William Schopp Constructing Train and Track, Scale one-eighth Inch to Foot

What is believed to be the first scale-model railroad in Palmyra or Riverton is being constructed by William Schopp, of Lincoln avenue, Palmyra. The road is being built to a scale of an eighth of an inch to a foot, which makes a freight car about five inches long. The track has a gauge of 16.5 millimeters, which is called HO gauge.

Schopp's railroad, the Moonlight and Violins, starts at Moonlight, on one side of the room and runs about seventeen feet to Violins, which is located on a shelf of a book case on the other side of a dormer window. The city of Moonlight consists of

their support in making the show a success, and the following firms that awarded prizes:

American Bulb Company, New York City.
Henry A. Dreer, Riverton.
Better Homes and Gardens, Des Moines, Iowa.
J. T. Evans, Riverton.
John H. Etris, Palmyra.
Grover F. Fox, Palmyra.
H. C. Schwering, Palmyra.
Kenney, florist, Riverside.
Wayside Gardens, Mentor, Ohio.
J. S. Collins & Son, Inc., Riverton.
Walker-Gordon Company.
W. T. McAllister, Palmyra.

a small passenger track freight car, yard, and other power house, gas tank, and coals, on the bookcase, senger terminal of a freight line on level included in this city, large station, and way.

All track, third—thirteen of them, but the railroad is eration yet due to motor for the engine, ported from England, will run on 6 volts type, 2-6-0, is being cars have been constructed.

HO gauge differs from American Flyer type track, it is much smaller, much more realistic looking, and very maneuverable. Track, which costs cents a foot, is laid on closely ties and is spiked down. third-rail is used.

green or white container.

42. Arrangement of wild flowers, in any receptacle.

First prize—One year subscription, Better Homes and Gardens, Des Moines, Iowa.

Second prize—One dozen New Patented, Phlox Columbia plants, Wayside Gardens, Mentor, Ohio.

Section E—Junior Department, Palmyra Woman's Club

43. Arrangement of not more than five (5) flowers, using mirror or metal for reflection, space not over 10 inches.

Price—Fern, Kenney, florist, Riverside.

Section F—Juniors Under 14 Years of Age

Flowers must be arranged by the Juniors at the hall, in order to be exhibited in the show.

44. Arrangement of shades of one color, in any receptacle.

45. Artistic arrangement of flowers for teacher's desk.

46. Wild flower arrangement.

First prize—Pair of field glasses, Grover F. Fox, Palmyra.

Second prize—Bird house, Jos. T. Evans, Riverton.

Grand Prize

To the exhibitor winning the highest number of points—First prize, 100 Darwin Tulip Bulbs, American Bulb Company, New York City; second prize, \$3.00 seed order, Henry A. Dreer, Riverton.

Acknowledgment

The Garden Department of the Palmyra Woman's Club takes this opportunity of thanking the Judges for giving their time, the public for

What is believed to be the first scale-model railroad in Palmyra or Riverton is being constructed by William Schopp, of Lincoln avenue, Palmyra. The road is being built to a scale of an eighth of an inch to a foot, which makes a freight car about five inches long. The track has a gauge of 16.5 millimeters, which is called HO gauge.

Schopp's railroad, the Moonlight and Viols, starts at Moonlight, on one side of the room and runs about seventeen feet to Viols, which is located on a shelf of a book case on the other side of a dormer window. The city of Moonlight consists of

their support in making the show a success, and the following firms that awarded prizes:

American Bulb Company, New York City.

Henry A. Dreer, Riverton.

Better Homes and Gardens, Des Moines, Iowa.

J. T. Evans, Riverton.

John H. Etris, Palmyra.

Grover F. Fox, Palmyra.

H. C. Schwering, Palmyra.

Kenney, florist, Riverside.

Wayside Gardens, Mentor, Ohio.

J. S. Collins & Son, Inc., Riverton.

Walker-Gordon Company.

W. T. McAllister, Palmyra.

a small passenger station, a track freight depot, a three car yard, and other buildings such as power house, engine house, tank, and coal elevator. Violon on the bookcase, consists of a passenger terminal on a low level and a freight line on a higher level. Included in this city are two factories, large station, and an overhead walkway.

All track, third rail, and switches—thirteen of them—have been laid, but the railroad is not in actual operation yet due to the fact that the motor for the engine had to be imported from England. The engine will run on 6 volts D.C. and be convertible from the track; a Model type, 2-6-0, is being built. Eleven cars have been constructed.

HO gauge differs from Lionel and American Flyer type trains in that it is much smaller, much more realistic looking, and very much cheaper. Track, which costs about one cent a foot, is laid on closely spaced ties and is spiked down. On third-rail is used.

GIBSON WINNER IN JR. OLYMPICS

Riverton Lad Leads in Basketball Throw in Senior Division, 236 Ft., 7 In.

Riverton had one winner in the Burlington County Junior Olympic Games which were held on the high school athletic field at Burlington last Thursday afternoon. He was Harold Gibson, of Cinnaminson street, and he won the basketball throw of the senior division with a record of 236 feet and 7 inches.

Boys from eight of the county's nineteen summer playgrounds shared honors in the meet. The field day was the major athletic event of the playgrounds which have been conducted in towns throughout the county under the supervision of the Burlington County Recreational Division of the Works Progress Administration, directed by Ethel Burr Dudley, and nearly a hundred boys made up the teams from the various contesting playgrounds.

Schedule of Events

There were five events including a seventy-five yard dash, as a test of speed; a standing broad jump, as a test of strength; a basketball throw, as a test of skill; and a baseball toss as a test of coordination. The boys were divided into junior and senior classes and a system of handicaps was arranged so that the big and little boys might compete on an even basis.

Medals for Awards

Fourteen medals were awarded for individual athletic achievement, one prize for each of the five events in both junior and senior divisions, and a first and second prize for boys in each class getting the highest number of points for the entire meet.

Yost, of Moorestown, and Evans, of Riverside, tied for the high score in the senior class, both in chinning the bar and for the highest number of points scored in the meet. The result was decided by a toss, the winner taking the high point honors and the loser to have the medal for chinning the bar. Yost won.

Junior Events

In the junior events there was also a tie in the bar chinning contest between Romig, of Delanco, and Carnivale, of Burlington. Each boy had a count of 17 and in the play-off, Romig ran his score up to 20, winning the event and also beating the record made by the senior division.

The complete results follow:

Winners

Senior events—Broad jump, P. McQuaide, Moorestown, 9 ft. 4 in.; baseball throw, H. Gibson, Riverton, 236 ft. 7 in.; chinning the bar, O. Evans, Riverside, 19 times; basketball throw, L. Platt, Bordentown, 11 points out of 20 tries; seventy-five yard dash, J. Carcus, Burlington, 3-5 seconds; High score won by H. Yost, Moorestown, with 415 points; second, Turner of Palmyra, 410 points.

Junior events—Broad jump, J. Connelly, Bordentown, 7 ft. 4 in.; baseball throw, N. Stewart, Mount Holly, 191 ft. 11 in.; chinning the bar, J. Romig, Delanco, 20 times; basketball throw, J. Connelly, Bordentown, 12 times out of 20 tries; seventy-five yard dash, W. Hullings, 10-3-5 seconds. High score won by W. Carnivale, Burlington, with 315 points; second, N. Stewart, Mount Holly, 310 points.

The meet was under the personal charge of H. Prescott Herr, supervisor of athletics.

YACHT CLUB YARNS

BY NUTE AND MIKE

As usual the Yacht Club held its monthly meeting Wednesday evening. Plans and ideas were presented for the future of the Club. Most of these were for the immediate future, such as the annual Yacht Club dinner, a new house and wharf committee, and the National Saw and Hatchett Regatta.

National Saw and Hatchett Regatta

The first National Saw and Hatchett Regatta to determine a champion will be held at the Riverton Yacht Club on September 20, 1936. Also on this date all "Comet" class boats on the Delaware River shall be invited to attend to ascertain a champion of the river. Free-for-all races will be staged for other boats. The speed and economy of building the Saw and Hatchets, has made them extremely popular along the Delaware River and on the eastern shore of Maryland. As the plans for these boats, drawn by Owen Merrill, have been selling like "hot cakes" we expect quite a number of attendants at this regatta.

The revival of the Larchmont Interclub (L.I.), racing sloops, was brought about by the purchase of another L.I. by Mr. Beaumont, chairman of the regatta committee. (Another "monkey wrench" sailor turned "barrel.") Already this shows promise of being a great feud between the "Old Salt," "Og" Matthes and crew, and "Frashwater" Beaumont, formerly of the Great Lakes (?) and crew.

Wait'll one of these birds hollers "foul"; they're both on the regatta committee!

We see Palmyra has started a new crusade for black water lines as our fleet has acquired them from contact with black road oil. And Palmyra claims "we" pollute the river.

Labor Day Regatta

The annual Labor Day regatta held at Beverly will be held on September 20—What ever it is (who's got a calendar?). May we add that there will be "Duster," "Cricket," "Free-for-all," "Comet," "16-ft.," "Canoe," and swimming races. Invitations have been issued to the following clubs: Delaware River, Florence, Quaker City and Riverton.

"Blige-talk"

We wonder if "Ayres" will rig backstays on his "Yacht" so he can hoist more pennants?

Some of our members have attained manhood. (They've stopped growing up and are growing in the middle.) What could cause this?

The Yacht Club Communist, (Buck Parsons, red shirt and all) has departed for Canada. We wonder if he was forcibly expelled or not.

Who sailing what boat beat Bill Shoemaker sailing whose boat Saturday, why and how? Could he have had a "Jinx" aboard?

Was "plastic surgery" committed on "The Mighty Atom" (L. Gladney) when Eddie the Barber moved his ears down?

A real bargain in printed stationery is offered by The New Era during September. Rytex Double Check is on sale during this month only. Double the regular quantity per box at no increase in price. One Dollar for 200 single sheets and 100 envelopes.

MT. HOLLY OPENER FOR PALMYRA A.C.

Local Team Will Meet Golden Avalanche on Old Fair Grounds Sunday

The Palmyra Athletic Club eleven will play its first football game this Sunday afternoon, when they oppose the Golden Avalanche, of Mt. Holly, on the old Mt. Holly Fair Grounds.

The Palmyra eleven practiced Monday night of this week and is practicing again tonight on the Palmyra high school athletic field.

Pete Heisler, the coach, reported seventeen candidates out for the team Monday night. They include such familiar figures as Hank Jenkins, Earl Lenker, Fats Wagner, Bill Enskat, A. Poinsett, Buss Pratt and Henry Borden. Members of last year's team who reported were E. McMahon and Kid Williams. New talent for the eleven is as follows: Foggy Morgan, former Burlington high school star; Eddie Moorehouse, Villanova star who played with the Camden Collegians; F. Ricketts, former Magnolia and Glassboro high school luminary, and Eddie Novak, former Camden High star.

L. Matthes and Josie Peditto were absent at practice but will be in the line-up.

Players were put through blocking and tackling on their first night together.

The Golden Avalanche from Mt. Holly have developed a strong team under manager A. Butch Lechter, former Frankford Arsenal star line-man.

They announced the signing of Bill Sansen, former player with the Brooklyn Dodgers, and that Nat Grossman, all-American back from N.Y.U. was expected to be on hand for the game.

Other luminaries who will wear the Golden Avalanche colors this season include: Glen Fry, backfield flash at Temple last year; Bill Bonder and Buddy Borden, from La Salle; Cookie McCusker, captain of the St. Joseph's College squad last year; Harold Cook, fullback of Villanova; Dick Landis and Ed Smith, of Temple; Paul Short, captain of the Lehigh University team in 1935; Jack Mayer, of Trinity; Eddie King, of the Columbia Rose Bowl victory team; Carl Hechter, 220-pound tackle from Colorado Aggies, and Charlie Cox, of Villanova.

SOAKING THE MOTORIST

Motor vehicle registration fees cost citizens of New Jersey the sum of \$16,629,000 in 1935, in addition to state gasoline sales taxes costing \$18,179,000, it was reported today by Mr. J. T. Walsh, chairman of the Burlington County Petroleum Industries Committee. Mr. Walsh said that the total cost of these two taxes in 1935 was \$34,808,000 as compared with \$32,721,000 in 1934. Total registration of motor vehicles in this state was 899,911 in 1935 as against 875,978 in 1934.

PALMYRA G. O. P. CLUB TO MEET SEPTEMBER 14

The regular monthly meeting of the Palmyra Republican Club will be held in Society Hall on Monday evening, September 14.

All members are requested to attend this meeting and any one in the triple towns area interested in the movements of this organization and the principles for which it stands are cordially invited to attend.

It is always fashionable to be sensible.

THE PEOPLE'S COLUMN

Dear Editor:

Would appreciate it very much if you will publish this little article in your paper.

This was not written to show favoritism to any one team, but for better and fairer write ups in your paper.

Yours truly,
A Softball Fan.

Unknown Facts About the Series

Folks, this is just a little summary of the Softball World Series, with a few facts that were left out of last week's paper. It seems that Broadway won the series, (it wasn't given to them) but according to the write up in the paper you'd never know it.

Evans won the first which you all know if you've been reading the paper (the whole game was in it). Second game was a tie; Broadway won the third; fourth game ended in a tie; fifth was the same; sixth Broadway won; seventh Evans conquered, and the deciding game was won by Broadway. But here's the point I'm trying to get at folks! In the paper last week out of five columns of writing there wasn't all in all, a full column about the plays made by the Broadway team.

The game on Thursday, August 20, was a 1-1 tie. The write up was pretty even. Due to the fact the game ended in a tie, there was to be another game Friday. Well fans, Broadway had a game scheduled to play Atlantic City at least a month ahead of time, in fact before they had won the second half championship. The writer stated Evans would only have to appear on the field and win the game by a forfeit—but they didn't want it so cheaply. May it be known that the Evans players were told to appear on the field, but disregarded this because they were the only ones of the Evans club who wanted to play the game instead of taking it by a forfeit. And the first any one ever heard of Evans having an outside game scheduled for the same night, was when the write up came out in the paper, after the series was over.

Here's Another Point!

The next game Broadway won by

the score of 21 to 0! And they had the nerve to say "There isn't much to say about the game except for Broadway's 22 hits and 21 runs." No, there wasn't much to say except "Evans did some good fielding for such a score against them; and the Hynton was saving himself for tomorrow night, which meant of course Evans won the next night. There wasn't a thing mentioned about the hits each player got, nor of the sensational pitching of Tony. Of course that didn't win the game. It was just that the Hynton lost so much weight since the series started." It wasn't the playing that made him loose weight, Broadway had him worried.

In another tie game, they didn't tell about the sensational pitching of Manager Bill Anderson, when he struck Duck Speer out with the bases loaded, thus ending the game. Nor of the spectacular catch by Boops Anderson of the Perkin's powerful drive out to left field. It was the most thrilling catch of the series.

The writer stated that Phil Stiltz made perfect pegs to the plate which is incorrect; this happened to be Leon Sloan. (Not to take any credit away from Phil Stiltz.)

Also of the brilliant plays and throws made from third to first by Foulkes to Daly; and of Daly's home run in the last game, which incidentally folks, was made off the Hynton.

The last game Broadway won, but it took a whole paragraph to tell of Evans two runs. They did not give Roxie credit for his fine pitching, nor of the fielding of the Broadway Club.

In conclusion, I would like to state that this article was not written to show favoritism towards Broadway, but that we may have the actual facts, to show the sportsmanship and fine playing of BOTH clubs.

A FLAGRANT CASE OF "CHISELING"

A woman approached the overseer of poor in a Burlington county municipality the other day and boldly announced, "I hear you are going to get some money from the state. If that is the case, I want my share. I must have some relief money."

Then she added, "Of course, if you have only township funds, I'll try to get along without help from you." This is not political propaganda. It ACTUALLY occurred in one of Burlington county's finest communities the latter part of last week.

No one wants to see even a single person go hungry, suffer for the want of shelter, be deprived of medical care or adequate clothing.

But the government does not owe a person able to care for himself a single cent for relief, or for any other cause. Deserving, honest, industrious taxpayers virtually no better able to meet their obligations than some who demand assistance will be called upon to pay the relief bill.

The present Federal Administration, with its unsound policy of spending three dollars for every dollar received, has inspired some of this chiseling. Its policies, consequently, have been responsible for the tearing down of the moral fibre of many people to a dangerous degree.

The order of things MUST be changed. It is time we returned to the old American ideal of going forward by the honest sweat of man's brow.

That is why America needs the leadership of a sound, courageous, conservative, intelligent man like Governor Landon!

WHY WORRY—

WHEN EVERY MEMBER OF THE FAMILY IS A MEMBER OF PALMYRA B. & L.

Many who have consistently saved in THE PALMYRA BUILDING AND LOAN ASSOCIATION have been able to take this attitude particularly during the past five years.

IF YOU ARE NOT ALREADY A MEMBER, YOU CAN START

by becoming a member of the 64th Series. Subscriptions will be taken from 3 until 9 p.m., in P. O. S. of A. Hall, Palmyra

MANY ADVANTAGES IN B & L SAVINGS

One of the Best Financial Security Mediums Afforded Any Community

To be independent in the latter years of life is a universal objective, yet as we review the figures we find that comparatively few obtain that goal.

Not being content with a consistent and safe way of saving, one is often lured into quick methods which involve speculation. When speculation enters the door savings fly out the window, as figures will also show.

Louis I. Dublin, Ph.D., third vice president and statistician of the Metropolitan Life Insurance Company, in answer to a question from a young man as to what his chances were to leave an estate when he passed from this world, stated: "You will have to save if you want to be independent in your old age. As nearly as we can tell, only about one in three at present is decently provided for in his latter years. About five percent of the people over 60 years of age are maintaining themselves on the income from property, investment, insurance and such other things, while fifty percent are dependent upon others for support."

So, from this, it is quite apparent that there is a long way to go before the majority have reached their objective of being independent in old age.

However, there are mediums thru which people have consistently saved, little by little at first, then increased as their incomes grew larger, until they have reached a point in their lives when they have a home paid for, a sum laid away for keeping the property in repair, their children equipped with an education and still have shares maturing, the amount of which, invested in Income Shares will keep them for the rest of their lives.

These are some of the advantages that are offered the public by the Palmyra Building and Loan Association, an association which has for years, and is still serving the communities.

They are opening another series, Tuesday evening, September 8th, in P.O.S. of A. Hall, Palmyra, from 3 to 9 p.m.

Their motto for this year is "Every Member of the Family Should Be a Member of Palmyra B. & L."

NEW DRY CLEANERS OPEN IN RIVERTON

The building at 502 Broad street, Riverton, owned by J. S. Collins and Son, Inc., has been rented to the Riverton Cleaners and Dyers, who have been working there for the past several weeks, installing the latest cleaning machinery.

The company expects to open for business next week, at which time the public will be invited to inspect their equipment.

They will maintain a call and delivery service as soon as the plant is ready for operation.

In the good old days the town philosopher used to sit all day and whittle and think. Now the boondoggler just whittles and lets the Brain Trust do his thinking.

LATEST PICTURE

APPLY FOR WPA FUNDS FOR SEWER

Palmyra Borough Council Plans To Extend Sewer System To Every Property

At a special meeting of the Palmyra Borough Council last night (Wednesday), further consideration was given to the removal of the old trolley tracks on Broad street.

It was finally decided that if there was no revenue to the borough from franchise tax, owing to the rails not being removed, council would ask the Public Service Coordinated Transport to remove the rails, following which the county will put down a permanent paving like that which is to be laid in Riverton.

If this course is taken, the paving will extend from the railroad station to Elm avenue.

If, however, the borough will receive franchise tax payments from the Coordinated Transport by reason of the rails remaining, then they will be covered with a cold patch treatment and this work will extend from Elm avenue to Leconey avenue.

The mayor and clerk were authorized to execute a formal application for the allocation of WPA funds for the extension of the sanitary sewer system in Palmyra to include every property in the borough.

At present 1204 buildings have sewer service, and a survey will be made to determine how many other properties are still to be connected. If this project is approved by the WPA, and if the WPA workers who are now on strike can adjust their differences, work will be provided for a large number of men during the winter.

The American sugar industry in Hawaii is owned by 16,000 individual stockholders.

Friends' experiences are provided through trips, discussions, stories, and building projects, which form a background of information for the symbols of reading in the first grade. Creative expression is developed through rhythms, painting, handwork, and dramatizations. Good habits and attitudes for social living are established as the child learns both how to lead and follow in the group. The health of each child is given careful consideration as well as his mental, emotional, and social development.

Adequate provision is made for those who will spend two years in kindergarten. Authorities agree that the four-year-old is in a transitional period going from the self-centered stage to the beginning of a social awakening. It has been found that children of this age who have sufficient verbal ability, an acquaintance with a wide variety of materials, good physical stamina, a desire for activity, a sense of humor, an ability to accept minor irritations without becoming highly personal, and a consciousness of themselves as part of society will be most likely to succeed. Guidance, therefore, is directed toward assisting children to attain these abilities and qualities.

Arrangements for interviews with the principal, Miss Charlotte Bickerton, may be made by telephoning Westfield Friends' School (Riverton 895) or 200 Park avenue, Riverton.

BIDS FOR HEATING PLANT AT PALMYRA FIRE HOUSE

Independence Fire Co. No. 1, Palmyra, has completed plans for a new heating system for the house.

A copy of the specifications covering this installation may be secured upon request from Morton A. Mohrman, 451 Horace avenue, Palmyra, N. J.

Bids will be opened in the Fire House on Monday evening, September 28, 1936.

Make One Dollar do the work of two... take advantage of this special sale during September of Rytek Double Check printed Stationery. You cannot read your letter through the envelope and has a wonderful writing surface. Buy Now... for yourself... for gifts.

READERS OF ALL AGES APPRECIATE AMERICAN BOY

During the coming year American Boy stories will take readers into thundering transport planes, into Annapolis and through the Caribbean with the Navy, into the soundless tangles of Georgia's Okefenokee swamp, and even into an imaginary future of space ships, strange machines and science. All are swift-moving, instructive and gripping.

There'll be stories of the true adventures of David Irwin, the young man who, for four years, alone, wandered across the arctic barrens by dog team, going months without seeing a human being and eating only frozen fish. And there'll be Roscoe Turner's inside story of the famous London-to-Melbourne air race.

There'll be advice on hobbies, sports tips from famous coaches and players, suggestions on money-earning and low-cost travel, and articles on dog training, nature's oddities and tomorrow's airplanes.

There'll be stories about the favorite characters of a million boys—Bonehead Tierney, detective; Square Jaw Davis, engineer; Hide-rack, the red-gold collie; Alan Kane, scientist; and Lee, midshipman.

The American Boy costs only \$1 a year, or \$2 for three years, foreign subscriptions 50 cents a year extra. Send your name, address and remittance to The American Boy, 7430 Second Boulevard, Detroit, Michigan. Service will start with the issue you specify. On newstands, 10 cents a copy.

Rytek Double Check printed stationery, one of the most popular differences, work will be provided for a large number of men during the winter. One hundred large double sheets and one hundred envelopes are printed with your monogram and address for only One Dollar.

The New Era is offering Rytek engraved visiting cards for only One Dollar Seventy-five cents per hundred. This includes the plate. A hundred stamped from your own plate for only One Dollar.

A NEW REDUCTION IN LONG DISTANCE RATES

Effective September First, rates are reduced for telephone calls from New Jersey points to places over 240 miles distant. Reductions apply on station-to-station and person-to-person rates—day, night and all of Sunday.

Also, on person-to-person calls, the station-to-station rate for additional minutes now applies after six minutes of conversation. This is the seventh reduction made in long distance rates within the last ten years.

NEW JERSEY BELL TELEPHONE COMPANY

TWO TEACHERS LEAVE PALMYRA

Miss Mabel Whitelan Elected Domestic Science Teacher; Coal Orders Placed

The Palmyra Board of Education accepted the resignations of two of its high school teachers, Miss Marjorie Taylor, domestic science, and Edward Proctor, commercial teacher, at the regular meeting held last Thursday night.

Miss Mabel Whitelan, of Pitman, was elected domestic science teacher for the school year 1936-37.

Bids for coal were awarded as follows: 60-70 tons No. 1 Buckwheat, awarded to H. B. Williams and 10 tons of pea coal on the price of \$5.85 per ton for the buckwheat and \$7.67 for the pea, less 2% in ten days. The award for 200 tons of bituminous was awarded to Joseph T. Evans, on their price of \$5.45 per ton net.

Mrs. Albert L. Martin, vice-president and chairman of the program committee of the Palmyra P.T.A., submitted a list of dates for which various rooms in the high school building were requested. She was introduced by Mrs. Alfred Lippincott of the P.T.A.

The matter was referred to the rental committee for action.

Authorization was made to purchase 350 combination locks for the lockers in the school, Yale and Towne make, at 55c each. A number of the old locks have been unfit for further use. Authorization was given to purchase 24 chairs for the cafeteria from the Allied Equipment Company at \$2.25, and 10 chairs for the office at \$3.70 each.

The building and grounds committee authorized the use of the high school field for boxing bouts September 3. Permission was granted the Palmyra Athletic Club to use the high school field on Monday, Wednesday and Friday nights during the football season.

The building and grounds committee was commended for the excellent work done on the school property during the summer months. Authority was given to pay labor bills amounting to \$97.21 for repairs and alterations.

The following bills were ordered paid:

Paid—August	\$69.10
Pension Fund—August	17.04
Public Service Elect. & Gas Co.	33.21
N. J. Bell Telephone	37.98
First Camden Nat. Bank & Tr. Co.	3.75

AMERICAN LEGION

NEW OFFICERS

The annual election of officers at Frederick M. Rodgers Post No. 156 American Legion was held in the Post Home Tuesday evening of this week. The following officers were elected for the ensuing year:

Drexel P. Patterson, commander; J. R. Musser, senior vice commander; Frank McCormick, junior vice commander; Charles H. Yost, finance officer; Ed. S. Leysan, adjutant; Daniel Dalley, chaplain; Percy Hotchkiss, historian; William Vile, sergeant-at-arms; Charles H. Yost, county delegate, 1936-38; J. R. Musser, county alternate, 1936-38.

The following trustees were also elected for the ensuing year: George Durgin, William Engle, Hobart Garwood, A. H. Lippincott, George Luce, Frank A. Matthews, Jr., Harold Marshall, Harry R. Black, Carl Thomas and John Metzger.

The Post voted a donation of \$25 to the Palmyra ambulance fund for the purchase of a new ambulance. The delegates selected to attend the state convention at Asbury Park, September 10-12, were Charles H. Yost and J. R. Musser. The alternates were Daniel Dalley and David Baker.

RED CROSS PLANS MEMBERSHIP DRIVE

Campaign to Open Early in November. Goal Is 5,000 Members

During the summer the Burlington County Red Cross has been most active with its Life Saving program, establishing First Aid Highway Stations and making plans for the 20th Annual Roll Call, which will take place between Armistice Day and Thanksgiving, the quota for which is 5000 memberships.

The Life Saving this year has been more than active, under Clifford W. Bragg, county director, and Thomas W. Speck, instructor. All bathing beaches have been visited by Speck at least once a week and by his untiring efforts interest in the activity has been revived; the work was also carried on at Camp Oceanickon and Camp Mahalala. Over a hundred juniors have passed the tests and about 75 seniors, as well as about 250 swimmers.

Seven First Aid Highway Stations have been established by Miss Dorothy E. Middleton, Moorestown, and three more are under way. Miss Middleton will teach a class of W. P. A. men at Springside, beginning Monday, August 31st.

The Rev. Millard Osmore Peirce, of Burlington, will act as County Roll Call Chairman. Mr. Peirce will call a meeting of all Roll Call workers early in September.

The first fall meeting will be held on Tuesday, September 8th, at 2 p.m., in St. Mary's Guild House, Burlington, addressed by Otto S. Lund, of Newark, Red Cross representative for the State of New Jersey. All Red Cross members are asked to attend. It is especially desired all Roll Call workers should be present.

How many a thing which we cast to the ground, When others pick it up, becomes a gem.

—George Meredith.

Ambulance Serves 938 In Six Years

(continued from page 1)

committee named was empowered to purchase a new ambulance at a cost not to exceed \$3,000. The ambulance was a Buick and was purchased from the Moorestown Motor Company. Delivery of the vehicle was made on June 24, 1924.

At the meeting of the organization held on February 16, 1929, a report was made the Buick ambulance was badly in need of repair and in order to obtain a fair return, a new ambulance should be considered as soon as possible.

The following committee was appointed to investigate: C. Morris Beck, Joseph L. Black and Edward Bennett. The result of their investigation paved the way to the purchase of the present ambulance. The ambulance was purchased from the Worth Motor Company, Beverly, on July 13, 1929, at a cost of \$3,100 with an allowance of \$600 for the Buick ambulance.

Considering the work an ambulance must do and the age of the present ambulance it is imperative that Palmyra have a new ambulance. This can be realized only through the cooperation of the citizens of Palmyra, Riverton and Cinnaminson by lending their financial assistance during the campaign for funds which begins Monday, September 14.

ALEX. M. SMITH QUITS EVANS FIRM

Alexander M. Smith, of 405 Seventh street, Riverton, has severed his connection with the Joseph T. Evans firm and is now employed by H. B. Williams, coal, lumber and fuel oil dealer, in Palmyra. Mr. Smith served 15 years in the employ of the Evans firm, where he has become thoroughly familiar with the business. He will work for Mr. Williams in the capacity of outside salesman, specializing in fuel oil, coal and lumber. He took up his new duties Monday morning of this week.

REPUBLICAN CAMPAIGN CALENDAR

The Burlington County Republican Committee has arranged the following meetings, with the speakers named, and asks Republicans in the various communities to use every effort to secure a large attendance of voters, both men and women. The issues involved in this campaign are of the utmost importance and every voter should become fully acquainted with the facts. The speakers at these meetings will bring valuable information.

September 4
Meeting, Moorestown Republican Club, Rodman Building, Moorestown.

September 8
Meeting, Mount Holly Republican Club, Courthouse, Mount Holly, 8 p.m.

Meeting, Associated Clubs in Riverside Firehouse, 7:30 p.m. Speaking, refreshments, dancing.

September 24
Meeting, Bordertown Republican Club, Bordertown.

Halt Called In WPA Work

(continued from page 1)

struction at the Trenton office denied any knowledge of such an order and stated that he imagined they were waiting to "allow the oil to penetrate" before proceeding with the work on the Palmyra streets.

In a further effort to confirm the rumor that the WPA projects in the county had been stopped, The New Era made a call to Trenton and asked for Mr. Absalom. When the WPA office found that a newspaper was calling, Mr. Absalom was not put on the phone but the reporter was referred to a Leon Hirsch, in charge of publicity.

Mr. Hirsch said that he was very sorry that he could give no information on the subject and referred The New Era to the Newark press office of the W.P.A.

It is reported that in Evesham township, twelve deputies from the sheriff's office and two state policemen were assigned to the WPA job there, to prevent interference by WPA workers on strike.

Nineteen WPA men who reported to Smithville this morning for work

there, were so badly heckled by fellow workers on strike that they were unable to work on the project. The equipment at Lenola, on a WPA sewer project has been moved to the Moorestown police headquarters for protection until the strike is over.

John Spain, Jr., state chairman of the Workers' Alliance, and Louis Porter, county chairman, are conferring with Palmer L. Adams, director of the board of freeholders, about the situation in the county, this morning, it is reported.

Country Club Notes

The golf schedule at the Riverton Country Club over Labor Day is as follows:

September 5th, 7th, and 12th—President's Cup Tournament. Open three days, two lowest net scores win, full handicap.

September 7th—President's Cup Tournament. Two ball mixed foursome, selective drives, alternate strokes, one half of combined handicap.

AT FOX, RIVERSIDE, SUNDAY AND MONDAY

The man who made millions of readers roar with laughter in the famous Saturday Evening Post stories is now on the screen played by film-dom's king of clowns, Joe E. Brown. It's First National's mirthful comedy, "Earthworm Tractors," playing at Fox Riverside this Sunday and Monday, with a huge comedy cast featuring June Travis as Joe's leading lady.

LUNCHEON AT MEDFORD LAKES

Hon. Mary Norton Will Be Among Guest Speakers On September 12

About 250 Burlington county women are expected to attend a luncheon at the Log Cabin, at Medford, on Saturday, September 12th, at 1:30 p.m.

This luncheon will be given under the auspices of the Burlington county Democratic Woman's Club, and the guests of honor will be the Hon. Mary Norton, Congresswoman from the eighth Congressional District, and Mrs. Katharine Elkus White, New Jersey chairman of the Women's Division of the National Democratic Committee.

Mrs. White has been working with the women of New Jersey on the "reporter plan" and has done some excellent work acquainting the Democratic women with the work of the Administration in the various agencies organized for recovery. Leaders with a complete knowledge of the C.C.C., the W.P.A., the P.W.A., H.O.L.C., the R.F.C. and many of the agencies which are operating in New Jersey will be present at the luncheon to report on the work being done.

Among the other prominent guest speakers will be Mrs. Elizabeth C. Denny Vann, State Director Women's and Professional Projects under the Works Progress Administration; and Mrs. Irene Fuhlbruege, State Supervisor of the Writer's Project.

Mrs. Mervil E. Haas, Democratic state committeewoman from Burlington county, will act as toastmaster.

Tickets are available from Mrs. Lucy E. Kenny, Riverton. An excellent orchestra has been procured for entertainment.

AMBULANCE DRIVE TO START MONDAY

Riverton and Cinnaminson Asked to Assist in Project Serving Three Communities

Much has been said and done in the past four or five weeks relative to the ambulance drive for funds to purchase a new ambulance for Palmyra.

The ambulance serves Riverton, Palmyra and Cinnaminson Township.

Beginning Monday, September 14, an army of volunteer workers will begin to distribute envelopes to each house located in the borough of Palmyra. This will be completed by Tuesday evening and they will be collected during the latter part of the week.

The first contribution of the drive was received recently from Post Frederick M. Rodgers No. 156, American Legion. The contribution was for \$25.00.

The canvassers will collect during the week of September 14-21 and will make a complete report on Monday, September 21, turning all collections over to Mrs. William Hoare, treasurer of the organization, who will be assisted by Herbert J. Kemmerle, who has been asked to help with the tabulation.

Letters relative to the drive for funds have been sent to churches, lodges and other organizations soliciting their support.

Officers of the association are: Harry J. Saar, president; Mary F. King, vice president; Mrs. William Hoare, treasurer; and Mrs. George J. Spencer, secretary.

The drive committee is composed of George N. Wimer, chairman; Mrs. Mary F. King, Addison Chandler, and Miss Florence Saar. Purchasing committee: Joseph L. Stack, chairman; Addison Chandler, Vernon Adams and Joseph Gallagher.

It is hoped that Riverton and Cinnaminson will cooperate by starting (continued on page 8)

PALMYRA SCHOOLS OPEN WITH 1475 ENROLLMENT

Miss Anne Winkler, graduate of State Teachers' College, Trenton, N. J., has been elected to teach commercial subjects in the high school.

The Palmyra public schools opened with a total enrollment of 725 in the grade schools and 750 in the high school. A full day of classes began on Wednesday for the high school and a full day of classes for the grades began on Thursday.

High school students attended a high school assembly program Wednesday afternoon. The following persons were on the program: Miss Veva M. Brower, high school principal; John B. Haines, Margaret Shocko, Mary Gibbon, James Wynkoop, and Robert McCurdy.

SHERIFF PROTECTS LOYAL WORKERS

No Ban on Striking; Deputies Are Appointed to Preserve Order

The issue of the recent county WPA strike is whether the men shall earn their \$60 a month by working 134 hours at 45 cents an hour or 121 hours at 50 cents. The WPA, saying it had to pay prevailing wages, put into effect the lower wage scale while using the higher one in adjoining Mercer and Camden counties.

The strike was a peaceful one with no exception.

Edward Williams, of Palmyra, working on the Tomlinson Mills project, carried a shot-gun to work for protection. Although the gun was unloaded a warrant for his arrest was issued. Williams pointed the gun at a carload of pickets, demanding that they let him pass or he would shoot.

The strikers who failed to report for work on Tuesday were discharged by their foremen, acting under the direction of Frank S. Absalom, deputy district director of WPA at Trenton.

Rumors throughout the county point to the Workers Alliance as the instigator of the trouble. It is generally thought that they are a subdivision of the Communist party, and are doing their utmost to make for discontent among the government employees.

Ten of the forty WPA workers in Palmyra are now back on the job. Sheriff Chant, at a meeting called by him, of municipal mayors and police heads, stated that the strike would be allowed to continue as (continued on page 8)

ACTION APPROVED

JOHN M. CHANT

Sheriff of Burlington County, whose action in providing protection to those who desire to continue on their jobs during the W.P.A. strike in Burlington County, was highly commended by a committee of municipal officials whom he called together in the Court House, Mt. Holly, Tuesday night to consider the problems growing out of the strike.

PENNSAUKEN GIRL HURT ON ROUTE 25

Margaret Harrington Suffers Fractured Pelvis and Other Injuries

Margaret Harrington, 16, of 1926 Hollingshead avenue, Pennsauken, was severely injured early Tuesday evening when a truck crowded the car in which she was riding off the road causing it to overturn.

The accident happened on Route 25 between Leach's Nursery and Frank Cole's farm, near the farm of the late Benjamin Lippincott.

Miss Harrington was taken to Cooper hospital, Camden, where it was found she was suffering from a fractured pelvis and other injuries.

Mrs. Tillie Dayton, driver of the car, told police she was taking Miss Harrington and two other girls to Riverton where they were going swimming. A truck forced her car off the road to an embankment where it overturned, she said. The truck did not stop and she failed to get its number.

Clean-Up Week Starts Tuesday, September 22

The Mayor and Council will cooperate by having carted away, free of charge, all rubbish placed in boxes or barrels on the curb on the following dates, in the sections specified.

Tuesday, September 22

All that portion of Riverton lying between Main street and Fulton street, from the railroad to the river; and between Main street and Cedar street, from the railroad to the Cinnaminson township line.

Wednesday, September 23

The section lying between Main street and Elm avenue, from the railroad to the river.

Thursday, September 24

The section lying between the railroad and the Cinnaminson township line, from Main street to Elm terrace, both sides.

No refuse will be carried from cellars or yards and NO GARBAGE WILL BE TAKEN.

PALMYRA COUNCIL ASKS TROLLEY RAIL REMOVAL

The Palmyra borough council passed another ordinance in its re-financing project at a special meeting held last Friday.

Council voted to ask Public Service to remove the trolley tracks in the borough of Palmyra from Elm avenue to the Palmyra railroad station.

Burlington county has assured borough officials that they will pave the space now occupied by the track right-of-way, with the same type of paving now being laid in Riverton, if the tracks were removed.

The borough clerk was instructed to ask Public Service to remove the tracks immediately, so that the paving may be started as soon as work in Riverton is finished.

MUNICIPAL HEADS DISCUSS STRIKE

Meeting Called by Sheriff Is Largely Attended. No Relief Funds for Strikers

Mayor John Ward, of Palmyra, and Chief of Police C. Morris Beck, attended a meeting called by Sheriff John Chant, held in the Court House at Mt. Holly, Tuesday night, to discuss the W.P.A. strike situation in Burlington county and to decide upon measures of protection for workers who desire to stay on the job.

The mayors and chiefs of police of all municipalities were invited. Five major decisions were reached by the meeting. They were as follows:

First, the rates of pay, the number of hours of work and other similar questions were not the problems of the municipalities and that the municipalities would refrain from becoming involved in a dispute of that character.

Second, that the officials believe it is the right of every American citizen to work where he pleases and when he pleases, and that they will give protection to any American citizen in his work against striking bodies by the W.P.A. or any other labor group.

Third, that all of the municipalities were in complete agreement not to provide relief to W.P.A. workers who consistently ran out on strike.

Fourth, it was ascertained officially that the certifying officer has complete authority to recommend the return of anyone to the W.P.A. rolls who has been absent for any cause whatsoever. This decision to return may be made at any time.

The certifying officer in Palmyra, duly appointed by the borough council, is George N. Wimer.

Fifth, official action of the group was a unanimous vote of confidence given to Sheriff Chant in the conduct of his office in the emergency created by the W.P.A. strike.

In Palmyra ten W.P.A. workers, aided by five men on direct relief and the highway department, began work on the Palmyra street project Tuesday. There was no violence in Palmyra due to the strike.

HERBERT DINGES HAS NEW BUS

Herbert Dinges, bus operator for the Cinnaminson colored school, is driving a new Brockway bus, delivered Tuesday evening of this week.

The bus was purchased from the Gordon Body Builders, in Beverly, and will comfortably seat 60 pupils.

It is fire-proof, has shatter-proof glass and the body is of steel and oak. All wood, both inside and out, is covered with steel.

In an interview, Mr. Dinges said that the bus is comfortable and roomy and meets all state school requirements, and "all the children have to do is to study."

The seats are leather-covered and face the front of the bus.

BINGHAM TO SPEAK AT MOORESTOWN

Former Senator From Connecticut Will Address Big Rally of Republicans

The outstanding political event in Burlington county this week is the county Republican rally to be held at Strawbridge Park, Moorestown, on Saturday night beginning at 7:30 o'clock, sponsored by the Moorestown Republican Club.

The sponsors have been working under the general direction of County Auditor F. George Furth as chairman, and he has had the fine support of several active committees.

Last week there was fine expectation that Col. Frank Knox, Republican vice presidential nominee, would be present to make a short address. He was scheduled to be in Philadelphia on Saturday and the plan was to have him make the short drive to Moorestown for a contact with his ardent supporters in the county. After his appearance at Allentown, Pa., last week it was considered advisable to cancel his eastern engagements for the time being and shift him to points of important contact farther west. Consequently, his Philadelphia engagement had to be broken and there was no chance to get him to Moorestown.

There has been no change in the plan to have former Senator Hiram Bingham, of Connecticut, as the principal speaker. Aviator, hunter of lost Incan cities, editor, former governor of Connecticut, commanding officer of the Aviation Instruction Center at Issoudun, France, during the World War, lawyer, geographer, and historian, Mr. Bingham has enjoyed rare and invaluable relationships with all phases of American and foreign life.

Senator Bingham will be introduced by George deBenneville Keim, of Edgewater Park, former secretary of the Republican National Committee.

In addition to Senator Bingham, U. S. Senator W. Warren Barbour, Congressman D. Lane Powers and others will make short addresses. All the speakers, with the exception of Senator Bingham, will be introduced by Dr. Nathan Thorne.

From various parts of the county Chairman Furth has received word that delegations have been organized to attend. Palmyra, Burlington and Bordentown Republicans will be accompanied with bands, and it is understood that other towns have organized groups to make sure that they are going to be properly represented. There will also be a band engaged by the sponsors.

WHY CURRENCY HAS STAR

Paper currency is printed and finished in sheets of 12 subjects. The finish includes imprinting the numbers in series. It occasionally happens after a serial number is imprinted that the bill is discarded because of some imperfection. Bills discarded are replaced with a perfect bill which has been prepared for such an emergency and bears a number not in the regular series, but which is distinguished by a star preceding the number.

NUMBERS FOR MOVIE TICKETS

The following six numbers are the winners in The New Era Comic Section Contest this week.

271 924
479 1096
707 1575

Present any of the above numbers at the store of the merchant in whose advertisement it appears on the last page of the comic section, and you will receive an adult pass for the Broadway Theatre.

YMCA RELIGIOUS WORK CONFERENCE

Dr. John A. Mackay, President of Princeton Seminary Will Be Speaker

The New Jersey State Religious Work Conference of the Young Men's Christian Associations will be held at Camp Wawayanda on Saturday and Sunday, September 12-13.

The speaker is Dr. John A. Mackay, newly elected President of Princeton Theological Seminary. Saturday afternoon the topic is "In-sight," while in the evening it is "Communion." Sunday morning he will speak on the subject of "Service."

Dr. Mackay was born in Iverness, the capital of the Scottish Highlands. Later he received his Master of Arts degree at the University of Aberdeen and his Bachelor of Divinity from Princeton. When his education was finished, he was accepted by the Free Church of Scotland as their pioneer missionary to South America. After some months he entered upon a year's study in Spain.

In 1916, he sailed for Lima, Peru, where he founded the Anglo-Peruvian College. Soon afterward he was elected Professor of Philosophy by the National University of Peru, which had already given him the honorary degree of Doctor of Letters.

In 1925 he was invited by the South American Committee of the Young Men's Christian Association to work as a continental evangelist under their auspices. For seven years he attended the Jerusalem meeting of the International Missionary Council.

In 1932 Dr. Mackay became a secretary of the Presbyterian Board of Foreign Missions.

Last May he was elected President of the Princeton Theological Seminary.

Those who are attending the conference from Palmyra and Riverton are Messrs. Nathan Lane, Clifton P. Mayfield and Wilton E. Mount.

YACHT CLUB YARNS

BY NUTE AND MIKE

Saturday, four skippers saw red and hoisted their protest flags. Whatta day, four fouls, two boats sailed the wrong course, and the regatta committee didn't regret. But they'll regret. When a foul is committed right in front of the club where the committee is meant to be—and ain't; what is we comin' to? Otherwise what racing remained, was fine. (Unless we missed sumpin'!) As to who's leading the fall series, we don't know. We'll find out who rates what points for these races after the regatta committee decides a foul committed over a month ago. Some fun I'll say.

Enough for this mess. Sunday, fair and warmer but no breeze. Unusual enough, there were no fouls, due indubitably to the fact that the majority of the regular skippers were among those missing. (Who missed 'em?) Tom Mooney doing a better job than T. Hunn usually does, came in first.

Labor Day Regatta

The Beverly Club undertook a big job to entertain four fleets, but they did a good job. Even if there wasn't enough cake. With about fourteen Crickets, twelve Dusters, four Comets, sixteen-footers, two L.I.s, and a fleet of miscellaneous sailing craft, backed up by a harbor full of motor launches, a great day was had by all, except when Beaumont ran his L.I. on a mud flat and let "Og" Mattis win the race. Boy, we've got some monkey wrench sailors!

The different class races were won by: Crickets, Phil Summerville of Riverton; Dusters, Bert Shoemaker of Riverton, with one of the new Dusters from Florence taking second place; Comets, Bill Jones of Delaware River Yacht Club; L.I.s, "Og" Mattis of Riverton; Free-for-all, John Lane of Riverton. One of

the highlights of the day happened when Bill Rhawn upset his boat twice in one race and still placed third. (A good man I call him.) Credit should be given where credit is due, so congratulations go to John Lane for his excellent sailing in the Free-for-all race, the major event of the day. He surpassed the entire fleet of some thirty-five craft and brought his boat home to first honors.

Exhaust Rumbles

Will Charlie Knight make out as well with his new "Duster," which he just launched, as we hope he does?

We wonder if Beaumont was just waitin' for the starting gun or whether he was aground again?

Also should or should not a medal be given to Carr Jessup for breaking all records by falling overboard four times in one day?

Did Petrie need to advertise that the bottom of his "dink" needed painting? (It held an inverted position in the water throughout the day.)

Since when has our commodore developed a mania for dropping Beaumont's anchors overboard, and why?

Did we or did we not, have a lousy week end? Which all goes to prove a sailor's life is a jolly life—sometimes.

As for Labor Day—we labored enough.

COST ACCOUNTANTS

FIRST FALL MEETING

The first fall monthly meeting of the Philadelphia Chapter National Association of Cost Accountants will be held on Thursday, September 17, at 8:00 p.m., at the Manufacturers and Bankers Club, Broad and Walnut streets, Philadelphia. "Graphic Presentation of Accounting Data" will be discussed by J. Frank Burak, Ph.D., Associate Professor of Economics and Social Statistics, Wharton School, University of Pennsylvania; Chief of the Retail Trade Survey, United States Department of Commerce Bureau of Census. Dinner is served at 6:30 p.m.

Rubbing with common salt will remove egg stains from spoons.

ENGAGED

Mr. and Mrs. Elwood F. Thum, Sr., of 4402 Westfield avenue, Merchantville, have announced the engagement of their daughter, Miss Dorothea Marie Thum, to Howard Harry Sauerhoff, of 4113 Westfield avenue, of 4113 Westfield avenue. The wedding will take place in the late fall.

The announcement was first made Tuesday night at a bridge given at the Thum home. Guests included Mrs. Sauerhoff, Miss Catherine Poore, Miss Mary Dickinson, of Camden; Miss Nellie Elbertson, Mrs. Warren Martin, Mrs. Walter Bradshaw and Mrs. Russell Smythe, of Oaklyn; Mrs. Van Hamsbury, of Elanco; Miss Ann McCord, of Palmyra; Miss Molly Burling and Mrs. Elwood F. Thum, Jr., of Merchantville.

Miss Thum is a graduate of Palmyra high school, class of 1933.

EX-PALMYRA MAN GETS N.Y. MARRIAGE PERMIT

William F. Schneider, Jr., 28 a former resident of Palmyra, N. J., and Miss Wanda Baginski, 24, of Doylestown, Pa., obtained a license to wed Friday and announced they would be married later in the Chelsea Presbyterian Church here. They revealed no further details.

Schneider gave his present residence as 108 West Fishers avenue, Philadelphia. Miss Baginski, daughter of Stanley and Anna Baginski, was born in Philadelphia.

CHURCH NEWS

CHRIST CHURCH, PALMYRA
Rev. Norman Stockett, Jr.
Priest-in-charge

7:45—There will be a celebration of the Holy Eucharist in the Church at this hour. Please take notice that starting with next Sunday, September 20, this service will start at 8 o'clock each Sunday morning—Saint Days at 9 a.m.

10:00—The regular winter schedule of our school's program will start this Sunday morning. Parents please take notice of this because from now on, the regular attendance record will be taken.

11:00—Morning prayer and meditation. The regular services of Divine Praises and Instruction will be conducted by the rector, and every one will enjoy helping the choir in the singing of the old familiar hymns. The subject of the meditation will be, "The Spirit of Truth," the text being John 16:13, "When He, the Spirit of Truth, is come, He will guide you into all truth."

Monday, September 14—The first meeting of the Friendly Circle of Christ Church, Palmyra, this Fall. Under the leadership of Mrs. Johnston and Mrs. Houshens we hope to have the best year that the Circle has ever experienced in bringing sunshine to those who are less fortunate than we. Girls, come on out and find out just what the Circle's program will be.

Thursday, September 17—A joint meeting of the Chapters of the Brotherhood of St. Andrew in the Parish House at 7:30 o'clock. Mr. Hunter, our new director, and we are planning a full winter's schedule. Boys, let's have a real rally and give Mr. Hunter 100% support.

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor
Services, Sunday, September 13th, 10:00 a.m., Bible School. With vacations over and the activities of the fall and winter in the offing, the attendance of the school should be on the increase. Preparations are being made for rally day, on the last Sunday in September, which will be accompanied by the usual promotions.

11:15 a.m., Morning worship. "The Talents" has been selected by Pastor Lockett for the subject of his sermon. The choir, which will resume rehearsals this week, will render their contribution to the service.

7:00 p.m., BYPU All young people are cordially invited to this service.

7:45 p.m., Evening worship. There was a fine attendance at the union evening service held in this church last week. Pastor Lockett will present another practical sermon on "The Gospel from Galilee."

Wednesday evening at 8 o'clock is the mid-week hour of prayer, to which everyone is urgently requested to be present.

EPWORTH M. E. CHURCH
Rev. William A. Boyd, Pastor
Rev. and Mrs. W. A. Boyd have returned from their vacation, ready for the busy Fall season.

Church School, with classes for all ages, at 10 a.m.

Morning Worship at 11 a.m.

Senior Epworth League at 7 p.m.

Evening Worship at 7:45 p.m.

In order to make this season a helpful one, all members are asked to be present.

EPWORTH LEAGUE NOTES
The first Sunday evening meeting of the Senior Epworth League will be held September 13, at 7 o'clock in the Wesleyan room.

Now that vacations are nearly over we expect many of the members and their friends to be on hand.

A special musical program has been arranged.

Publicity Committee.

FRIENDLY CIRCLE
The Friendly Circle of Christ Church, Palmyra, will start its regular meetings this coming Monday evening at 8 o'clock in the Parish House. Girls, this is a wonderful opportunity to secure new friendships and learn how to make others enjoy life through your working

together to bring happiness to the less fortunate ones.

HARVEST HOME

It is this Saturday evening that the St. Agnes Guild of Christ Church, Palmyra, is holding its annual harvest home supper, September 12th. A chicken supper will be served from 5:30 to 7:30, and tickets may still be purchased from any member of the Guild, or the Stone boys at the Candy store, 127 W. Broad street; also tickets may be secured at the Parish House that evening for 65c, children's 35c. Be sure to bring the children to see the "orange tree" which is full of surprises for everyone.

FIRST LUTHERAN CHURCH
Rev. Harold L. Creager, Pastor
Vacation time is over, and back-to-church time is here. We are undertaking a "Fall Recovery Crusade" the next five weeks. This Sunday is designated as back-to-church Sunday. The sermon theme will be "The Call to Worship." We cordially invite our friends as well as our members to worship with us. There will be morning service only, no evening service.

The following Sunday, September 20, will be marked with the celebration of the Holy Communion. The preparatory service will be held on Friday evening, September 18.

The meeting of the Missionary Society will be held next Thursday afternoon, September 17, at the home of Mrs. Weigand.

CHRISTIAN SCIENCE CHURCH
"Substance" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 3.

The Golden Text is: "Now faith is the substance of things hoped for, the evidence of things not seen" (Hebrews 11:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And one of the company said unto him, Master, speak to my brother, that he divide the inheritance with me. And he said unto them, Take heed, and beware of covetousness: for a man's life consisteth not in the abundance of the things which he possesseth" (Luke 12:13, 15).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As God is substance and man is the divine image and likeness, man should wish for, and in any other substance, or mind, is not good, the substance of Spirit, not matter. The belief that man, has any other substance, or mind, is not spiritual and breaks the First Commandment. Thou shalt have one God, one Mind" (p. 301).

The less people speak of their greatness the more we think of it.—Bacon.

REPUBLICAN CO. COMMITTEE MEET

The monthly meeting of the Burlington County Republican Committee will be held in the court house at Mt. Holly on Monday evening, September 14th.

Lawrence C. Mingin, chairman, has arranged a very interesting program, and the speakers of the evening will be members of the county speakers' bureau.

All members are urged to attend and be ready to start work on the program planned by the county chairman for the opening drive which will be under the direction of all members of the county committee.

BIRTHS

Mr. and Mrs. Howard Stackhouse, of Bay Ridge, New York, are receiving congratulations on the birth of a daughter, Sunday, September 6, in the Bay Ridge Hospital. Mrs. Stackhouse will be remembered as Miss Eunice Moyer, daughter of Harry E. Moyer, of Fulton street, Riverton.

LOFT'S AT ROGERS

L. G. Rogers, United Cigar Store and News Agency, at 15 E. Broad street, Palmyra, announce their appointment as dealer for the famous Loft candy line.

The store offers a wide variety of attractive candy assortments at reasonable prices.

TRY THIS

Women who use Government flour and have difficulty in getting good results, should try using double quantity of yeast or baking powder. This will produce much more satisfactory results.

RIVERTON

Henry G. Naisby, 207 Howard street, Riverton, N. J., an engineering student is one of 91 sophomores at Lehigh University to obtain an average of "B" or better during the second semester of the last school year. It was announced by Dean C. M. McConn. An average of 2.63 places the Riverton boy 76th in his class of 332 men. The Dean's list includes 116 freshmen, 91 sophomores and 72 juniors. Of the entire list of 279 honors men, only eight achieved perfect averages.

Mr. and Mrs. L. W. Hampton and daughter spent the weekend in the Kittatinny Mountains.

James Cunningham and daughter, Miss Louise, have moved back to Riverton from New Hampshire. They are taking apartments in The Maples.

Paul Good, of Linden avenue, is seriously ill.

Mrs. Brooks Evert and son Peter have returned to their home on Thomas avenue after spending the month at Brant Beach.

Mrs. Harry Riley, of Camden, spent Tuesday at the home of the Misses Bishop, on Thomas avenue.

Mr. and Mrs. Gardner Crowell and family, of Main street, have returned to their home after spending several weeks in Cape May.

Members of the speakers bureau, candidates and the advisory committee of the Burlington County Republican Newspapers Association will meet at Medford Lakes Lodge, Thursday evening.

Mrs. Alma M. Evans was a guest of the Woman's State Republican Committee at luncheon at the Down Town Club, Newark, on Friday.

Mr. and Mrs. Edward L. Coffey and son, of Brooklyn, have returned to their home after spending the week at the home of Mrs. Coffey's parents, Mr. and Mrs. Harvey E. Stewart.

Mr. and Mrs. John Blandford and family, of Wilkes Barre, are spending the week at the home of Mr. and Mrs. John Nichols.

Milton VanSciver spent the weekend in Fredericksburg, Virginia.

Mr. and Mrs. Charles Yost and family spent the weekend at Lake Carey, Pa., as the guests of Mr. and Mrs. H. K. Marcy.

Postmaster Mervil E. Haas, of Riverton, will leave on Sunday for Cleveland to attend the National Convention of the Postmasters' Association of the United States. The New Jersey delegation will go by train to Buffalo and thence over Lake Erie by steamer to Cleveland. Mrs. Haas is a member of the executive committee of the New Jersey Chapter.

Mr. and Mrs. Everett Gest spent the weekend motoring through Maine.

NEW CHEVROLET AGENCY OPENS

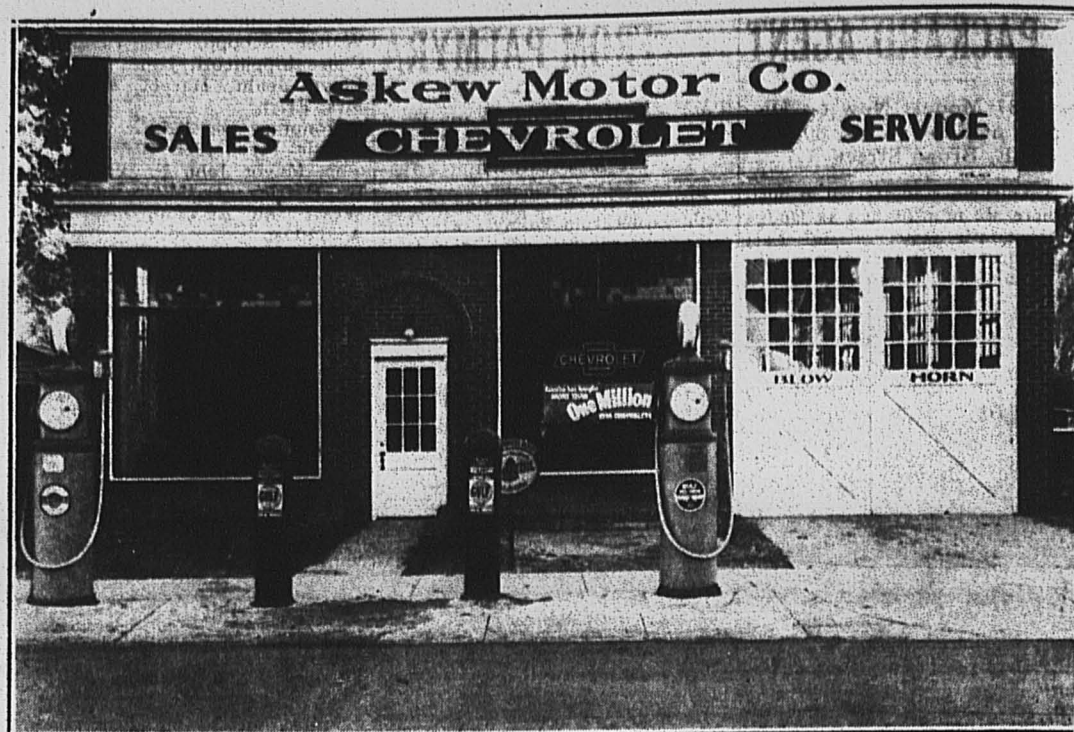

Photo by Nelson D. Randolph

The Askew Motor Company, successors to Pal-River Chevrolet, Inc., will open in their new home at Broad and Fulton streets, Riverton, tomorrow. The company is holding open house tomorrow evening, Friday, September 11th. Beginning at 8.30 entertainment and sound motion pictures will be offered. The new company has installed new service equipment, of the latest type. Its mechanics are all factory trained. A thoroughly complete stock of genuine Chevrolet parts and accessories is being carried.

PALMYRA

The Rev. and Mrs. W. A. Boyd have returned from a month's vacation at Northfield, Massachusetts, and Ocean Grove.

Mrs. Kathryn Longacre, of Collingswood, spent Sunday with Mrs. Florence Evald, of Cinnaminson avenue.

Mrs. Eula Roach, of Delaware avenue, entertained the P. O. of A. radio and card party Wednesday evening.

Mr. and Mrs. George B. Snyder and son were visitors in Ocean City over the weekend.

The Palmyra Board of Education, at its special meeting of September 3, 1936, voted to restore half of the cuts on the regular employees' salaries.

Mrs. Albert Stradling, Mrs. R. Moody and daughter Clara, of Philadelphia, were guests of Mrs. George J. Seel on Friday.

Mrs. Jessie Warner, of Cinnaminson avenue, left on Tuesday to spend a few weeks with Mr. and Mrs. Charles Gregory, of Apponaug, Rhode Island.

Mr. and Mrs. Charles Gosner and daughter, Dorothy, of Rowland street, are on a two weeks' auto trip through the Middle West.

Joseph, Clifton and Miss Jean Seel spent the Labor Day weekend in Ocean City.

Mr. and Mrs. Frank Seel and Mr. and Mrs. Clifford Wagner and daughter Joan, of Llanerch, Pa., spent Wednesday at the home of Mr. and Mrs. George J. Seel, of Cinnaminson avenue.

Miss Mary Edna Lloyd and Miss Grace Weir have returned to Cincinnati, Ohio, after spending two weeks at the home of Mr. and Mrs. T. A. Lloyd, Elm avenue.

Mrs. Thomas Carroll, Sr., left Monday for her home in St. Petersburg, Florida.

Mr. and Mrs. Elvin Powell have returned from Lake George, where they have been spending the past two weeks.

Mrs. Emma Blaser and family, Weston and Esther, of Germantown, spent Wednesday with Mr. and Mrs. George J. Seel.

A record of attendance at the nine Sunday evening church services held in Palmyra Grove, showed that there were 2867 present, an average of 318

per service. This year the services were better attended than any previous time.

Among those who have been granted patents recently is Harold F. Marshall, of Palmyra, for a riser for a heating system. Mr. Marshall is an employee of the Warren Webster Company, Camden.

BLANKET CLUB WINNERS
The winners of the Sacred Heart Parent-Teacher blanket club this week were Mrs. William Hubbs, of Bellevue, and Mrs. Elsie Roth, of Lippincott avenue, Riverton.

PACKARD AGENT

New 1937 Models Now on Display at Showrooms, 307 E. Broad Street

L. S. Gurnell, who started in business here six months ago as Dodge and Plymouth dealer, at 307 East Broad street, Palmyra, now announces his appointment as exclusive Packard dealer for this territory. The Packard motor car needs no introduction to the general public. It has represented top-quality in motor car manufacturing since the early days of motoring.

L. S. Gurnell is displaying the new 1937 models in his showroom, and cordially invites Packard owners and prospective owners to inspect the latest creations by Packard.

The 1937 Packard is offering four cars in different price ranges. They are the 1937 Packard 12, the 1937 Packard super-eight, the 1937 Packard 120 and the 1937 Packard six. The Packard six is claimed to be the greatest low-price car America has ever seen and is priced at \$795 list, at the factory.

Some of the features of the new Packard are the Safe-T-Flex individual front wheel suspension, the 100% hydraulic Servo-Seal brakes, the famous Packard-built models, large range of colors and distinctive appointments. Listen to the Packard hour at 9.30 Tuesday evenings with Fred Astaire over the NBC Red network.

NIGHT FOOTBALL
OPENS NEXT WEEK

Joe Seamen's Eleven Will Meet Palmyra A. C. In Opening Game at H. S. Field

Joe Seamen's eleven, Haverford A.A., champions of West Philadelphia, will open the night football season with the Palmyra A. C. Wednesday evening, September 16, at the high school field.

Last year the A.C. were able to score only two touchdowns along with the extra points, so the game this year should prove quite a contest.

The game will be called at 8.30 o'clock.

PALMYRA G. O. P.
MEETING POSTPONED

The Palmyra Republican Club has postponed their meeting in Society Hall from Monday evening to Tuesday of next week, in order not to conflict with the Burlington County Committee meeting on Monday evening.

Freeholder Albert Jones will speak to the Palmyra group on Republican affairs locally.

Lawrence G. Mingin, County Committee Chairman, will be present.

The speaker on national affairs has not yet been announced.

YWCA NOTES

Miss Katherine Lucchini will be the new executive secretary of the Burlington County Young Women's Christian Association this year, succeeding Miss Elizabeth McHenry, who resigned to accept a position in Western Massachusetts.

The new secretary is a graduate of Northfield Seminary and Mount Holyoke College. She has had a wide experience in YWCA work, having been girls' work secretary of the Hartford County, Conn., association from 1926 to 1930. The next four years she spent in China, doing work with older girls in Chefoo and Hangchow under the auspices of the YWCA. For the past fifteen months she was a member of the staff of the Richmond, Va. YWCA, where she was in charge of inaugurating a decentralized city-wide program for older girls.

Miss Lucchini will spend each weekday morning this month in the county YWCA office in Mt. Holly, where she will be glad to meet and talk with board members, club leaders and others interested in the work of the association.

BIG DELEGATION
FROM PALMYRA

Two Hundred Republicans Plan To Attend G.O.P. Rally at Moorestown

Plans have been completed for 200 Republicans from Palmyra who will attend the gigantic rally staged by the Burlington County Republican Committee at Strawbridge Park, Moorestown, on Saturday, September 12th.

Palmyra Republicans are requested to meet in front of the P.O.S. of A. Hall, on Saturday evening at 7 p.m. All those having cars are asked to make them available for transporting those not owning automobiles.

Leaving the meeting place promptly at 7.15 p.m. the motorcade will proceed to South Church street, where they will be met by a band, who will escort them to the rally.

James Hartley, president of the Palmyra Republican Club, appointed the entire membership of the local county committee to plan the program and act as marshals in the parade.

Captains appointed are: First district: Christopher Peditto, Robert Young, DeWitt Morris, Elsie Landgraf, Carroll Birkhead, Harry Saar, Mary Priaso and Paul Villari. Second district: Wesley P. Huyett, Harry Kennedy, William F. Engle, Carl W. Lutz, Edward Grubb, Jr., William Doreif, Florence Stavelly and Everett Gilbert.

Third district: James Hensen, Lawrence Haines, Mary F. King, Florence Crawford, Harry Mansfield, Frank Kates, Mattie Musser and Walter Lamon, Jr.

YMCA BRIEFS

Office Now Open

The YMCA office and building will be open every day from now on. Secretary Wilton E. Mount will be available for appointments by the telephone. His office hours will be 9.00 to 9.30 a.m., 1.00 to 1.45 p.m., and 3.30 to 5.30. There will be someone in the office every afternoon and most mornings. The phone number remains the same as in past years, Riverton 904-W.

Bicycle Hike

The first public event will be a combined "bike hike" and swim. The trip will be made on Saturday, September 12th. Riders will leave the YMCA at 10.00 a.m. and return about 5.30 p.m.

Francis Schwarz will ride with the boys and capable assistants will aid him. The director is known to the boys as the successful director of boys' activities at the Riverton park under the W.P.A.

Your needs are as follows: a note

ENLISTMENTS FOR
U. S. MARINE BANDS

The Major General Commandant has announced that a limited number of qualified musicians will be accepted for enlistment in the United States Marine Corps for duty with post bands abroad and in the United States.

Those accepted must be able to read and play by note any of the following instruments: Flute, piccolo, trumpet, trap drum, trombone, barjo, cornet, violin, bass drum, or piano. In addition, they must be physically fit. Specially qualified musicians up to 30 years of age will be accepted. Marine Corps Bands are located at many of the Marine Corps stations in the United States and abroad, including Washington, D. C.; Parris Island, S. C.; Shanghai, China; San Diego, California, and Quantico, Virginia.

Musicians desiring to make application for enlistment should communicate with the Officer in Charge, Marine Corps Recruiting Station, Room 405, New Custom House, Second and Chestnut streets, Philadelphia.

Group Activities

Y groups will start meeting next Monday. Boys who are anxious to renew their memberships or join for the first time are asked to do so before the 15th of this month.

A NEW RYTEX

One hundred Business Cards for One Dollar at The New Era Office. Rytex Hylited Cards on fine stock, rotary cut. Even lower prices for larger quantities.

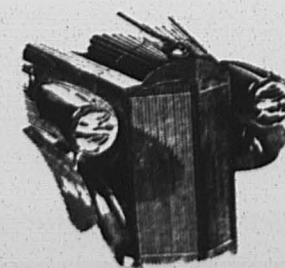

PETTY-MESSICK

The marriage of Miss Geraldine Kathryn Messick to Henry Ward Petty on Saturday, September 5, has been announced by the bride's parents, Mr. and Mrs. Harvey R. Messick.

The couple are now residing at 911 Washington avenue.

The mountainous surface of the moon is composed of pumice.

as the **PACKARD** dealer
for this community

We take pleasure in announcing the appointment of a new Packard dealer. We cordially invite all present and prospective Packard owners to view the new Packard models for 1937 now on display and inspect this firm's service facilities.

Drive a new Packard—and compare it with any other car you wish. Packard's "6% Payment-Out-of-Income Plan" is both attractive and economical. Drop in, and let us tell you about it.

For 1937, Packard presents the top-quality car in each of four price classes:

THE BRAND-NEW PACKARD SIX
\$795
And up, list at factory, standard accessory group extra.

THE GREATER PACKARD 120
\$945
And up, list at factory, standard accessory group extra.

THE NEW PACKARD SUPER-EIGHT
\$2335
And up, list at factory.

THE ADVANCED PACKARD TWELVE
\$3420
And up, list at factory.

ASK THE MAN WHO OWNS ONE

GRAFF-VILE WIN TENNIS TOURNAMENTS

Women's Champion Defeats Miss Steedle for Second Year; Sutters Loses

For the second consecutive year the superior stroke equipment and court strategy of Catherine Graff prevailed over sixteen-year-old Doris Steedle in the final match of the women's singles cup tournament which has been held on the Memorial Park courts during the past month. The score was 8-6, 10-8.

Miss Graff started the match strongly by winning her service; Doris Steedle quickly retaliated, and the game score came 2-2 without a service break. Then Doris, placing the ball exceptionally well, stormed through her opponent's delivery to lead 3-2. Then came the longest game of the match; four times the score returned to duce, but Miss Graff finally managed to secure the necessary two points. Had Doris won this game the entire complexion of the match would have been changed, for she took the next two games to lead 5-3 with the loss of only three points. The point score went to 30-30 on both of the following games, but Catherine then assumed control of the shot making and forced Doris into errors.

Miss Graff then served a long game to lead 6-5. Miss Steedle won a long duced game after facing two set points against her, but could not maintain the pace, and the first set went to Catherine Graff 8-6.

Second Set a Marathon
Miss Steedle appeared very determined as she started the second set, going away to a 2-0 advantage. This she increased to 3-1, but Miss Graff was equal to the occasion and knotted the count at 3-3. Again Doris came to the fore and captured two games to go ahead 5-3; however, this effort took much out of her, and Miss Graff took advantage of the momentary let down to annex three games and a 6-5 lead. Doris served herself out of this predicament and almost captured the thirteenth game as she pulled up from 0-40 to the advantage point. Catherine then settled down and blazed over three winners to again go ahead. Games then followed service until 9-8 at which point Miss Graff broke thru to win 10-8.

The match, although much slower than the men's or junior play, was extremely interesting to watch because of its closeness. One could never be sure when a point would end, for both girls ran after the ball with deadly tenacity, neither asking nor giving ground.

Vile Wins Junior Cup
Tyler Vile emerged victorious in the junior division after a four set match with Elmer Sutters, 6-3, 6-8, 6-3, 6-1. Neither player showed much strategy, and the match was one of hard strokes, both on service and in driving. After the first set it became apparent that Vile had too many guns for the less experienced Sutters. In losing the second set Tyler received the needed stimulus to make him forget his nervousness and play the ball on every point. Sutters clung on until the score reached 3-3 in the third set, but at this point he went to pieces and only eked out one of the next ten games.

With more practice against fairly good players Sutters might have been able to cope with the wares which Vile displayed, but this practice was sadly lacking, for he could not handle many of the forehand drives which came off Tyler's racket.

CIVIL SERVICE EXAMINATIONS

The United States Civil Service Commission has announced open competitive examinations as follows: Economist (public health administration), \$3,800 a year, Public Health Service.

Junior geologist, \$2,000 a year, Geological Survey and Soil Conservation Service.

Chemists and biochemists, various grades, \$2,600 to \$4,600 a year.

Scientific aide (horticulture), \$1,600 a year, junior scientific aides (storage crops and truck crops), \$1,440 a year, Bureau of Plant Industry.

Full information may be obtained from the Riverton Post Office.

STALLED CAR HIT BY SHORE FLIER

Mrs. Edman Thomas Escapes Injury When Car Is Completely Demolished

A car driven by Mrs. Edman Thomas, of Oxford Road, Cinnaminson township, was hit by the 220 flier from Atlantic City to New York, Monday afternoon.

The accident happened at Taylor's Lane when the Thomas car stalled on the tracks. Riding with Mrs. Thomas was Mrs. Humphries, of Tenth and Erie avenue, Philadelphia. Mrs. Thomas ran down the track a thousand feet in an effort to flag the train before it hit the car, but the engineer stated that he could not stop in that short distance in safety.

R. W. Helzel was conductor of the train, and H. B. Elms engineer, both of Trenton.

OBITUARIES

BAYTON FLOURNOY

Bayton Flournoy, 45, of Fifth and Arch streets, Palmyra, died in the Burlington County Hospital, September 1.

Funeral services were held Saturday at 1 o'clock from the Snover Funeral Home.

Interment was made in Wrightsville cemetery.

Mr. Flournoy is survived by his widow, Bertha, and several children.

CHARLES W. STRATTON

Charles W. Stratton, age 54, son of the late John and Kate Stratton, formerly of East Riverton, now of Lock Haven, Pa., died Friday of last week. On Thursday he had a heart attack while getting into his car at Dubois, Pa., and was taken to the hospital. On Friday he had another attack and died.

Services were held in Lock Haven on Tuesday at 2 p.m. He is survived by his widow, Josephine, and two daughters, Ruth and Janis, also a brother, William, of Philadelphia, and an aunt, Mrs. Mary Stratton, of Broad street, Riverton.

Four delicate shades of paper, four colors of ink and four styles of lettering may be had in the special sale of Rytex Double Check stationery at The New Era. During September, only, double the regular quantity per box is given at the usual One Dollar per box. Now is the time to buy for your own use and for gifts.

Allen Defeats Borer

David Allen, third seeded in the men's division, entered into the final round of that tournament by upsetting Robert Borer, second ranked, in a hard two set match 8-6, 8-6. Allen's network was exceptionally trustworthy in the late stages of each set, and it was largely this factor that carried him to triumph, for his ground strokes, although making many placements, also made a great number of errors. Borer lead 5-3 in each stanza, but could not make his service and drives click to finish out the sets. As a result of this win Allen moved into the finals where he will meet Robert Biddle at 3:30 Saturday afternoon.

FALL MEETING OF PALMYRA AUXILIARY

Mrs. Rachel Lord Will Entertain Ladies at Lawn Party Next Wednesday

The Palmyra Auxiliary of the Zurburg Memorial Hospital, Riverside, will meet next Wednesday, September 16, at 2 o'clock at the home of Mrs. Rachel Lord, 703, Cinnaminson avenue, Palmyra.

The business meeting will be followed by a social hour. Cards and a musical program will be the entertainment for the afternoon.

We are looking for a large attendance. There are plans to be made to raise funds to meet our pledge.

We have made progress which is encouraging but we need the help of all our members.

If anyone can spare a few hours for sewing, their help will be much appreciated. Come out and attend this meeting and invite your friends who are interested to join you.

HOW POSTAGE STAMPS CAME UP

The postage stamp grew out of the necessity for issuing a receipt for money paid in advance for the carriage of letters. Sir Rowland Hill, a British postal reformer, conducted for some years an agitation for cheap postage and uniform rates, and the postage stamp was one of his proposals. Great Britain became the first stamp-issuing country in 1840, when a number of Hill's suggestions were adopted.

Services were held in Lock Haven on Tuesday at 2 p.m. He is survived by his widow, Josephine, and two daughters, Ruth and Janis, also a brother, William, of Philadelphia, and an aunt, Mrs. Mary Stratton, of Broad street, Riverton.

NEWTON COAL
answers the burning question

Q.B.N.C.O.

HOT WATER BY GAS IS CHEAP

Monday—wash day—heavy demands on hot water. Blue Monday if the water runs cold; if you have to keep stoking the fire; if you have to run up and down stairs to shovel coal or ashes.

Eliminate Blue Mondays. Have an automatic gas water heater installed.

There is a specific type of water heater which is designed to smash Blue Monday. The customer control type which permits you to speed up the hot water supply when demands become heavy. It is inexpensive to operate and its convenience is great.

Ask your plumber or a Public Service water heating representative to call and give you an estimate of the cost of automatic hot water service by gas for your home.

Memorial Park Playground Baseball Dope

It certainly is fine for sport that we have one Softball Fan in Riverton who is broadminded enough to see both sides of a situation, who can with his trained eye spot the little inequalities of favor shown to various teams and state these inequalities in statistical language. May I thank Mr. Softball Fan for his service in pointing out that I, in effect, had a filter over my eyes that cut out the glories of Broadway but let in the glories of Evans. May I thank Mr. Softball Fan for his kindness in waiting until the season was over before he pointed out my error; else I should have written up all the games even more poorly than I did, what with having to keep a tabulation of how many times I mentioned each team and its deeds. And may I congratulate Mr. Softball Fan on the excellence of his punctuation; his use of the semi-colon shows the hand of a master (which automatically eliminates several candidates for the stigma of anonymity).

Another mark of the astuteness of Mr. Softball Fan is the clever way in which he tries to win his readers over to his side—"Folks, this is just a little summary"; "the point I'm trying to get at folks"; "Well, fans, Broadway had a game scheduled." Masters of ceremony and homey people like Kate Smith and Major Bowes use this device to institute themselves into the good graces of their audience and to persuade people of their beneficent innocuousness. Personally, it makes me sick.

The Softball Fan varies the statistical and factual nature of his ode to fairplay by what I suspect is a little bit of irony in his opening paragraph when he says that it SEEMS that Broadway won the series. He again helps me see his earnestness more sincere when he adds a dash of humor—that worry over Broadway, rather than pitching, made Ike Hynton lose weight.

The excellent punctuation of Mr. Softball Fan goes slightly awry, however, when he gets into his fourth paragraph. He is apparently trying to quote me and at the same time intersperse little truisms and remarks of his own. He forgets a few quotation marks and so makes his sense, not to mention his tenases, seem silly. I feel that this lapse (which may have been a typographical error) can be forgiven in view of the excellent use of semi-colons. Of course it does garble his meaning.

Anderson is really one of the best pitchers in the league. Perhaps I should have told about him in better language and at greater length; e.g., The pitching of Manager Bill Anderson was as perfect as a sonnet by Keats, as well-executed as a dance by Fred Astaire, as varied as a chameleon, and as fluid as ink. Instead I remarked on Anderson's clever slow ball which made the Evans batters pop in a pinch. To state that Boops Anderson's catch of the Perkins' powerful drive was the MOST thrilling catch of the series is dangerous as superlatives often are. That must have been in one of the games I didn't see.

Perhaps I could have evened up the terrible injustice of it all if I had told in detail of the making of each of Broadway's twenty-one runs in that run-away sixth game. Well, I'll know next time.

As for attributing to Stiltz pags by Sloan, I apologize to anybody who wants to be apologized to. My eyesight ain't what she used to be: I can't see my hand in front of my face when my eyes are closed. And I seldom see runs cross the plate; I hear people say that there was a run that inning and then I put it down. This is very shoddy score-keeping, I admit, and perhaps for it I deserve another as polite an excoriation as Mr. Softball Fan's.

I guess I did miss mentioning many fine plays and forget to remark on Roxie's fine pitching and Broadway's fielding. But I am so put together that I usually dismiss anything just good without much thought, mentioning only those things that are truly colossal of varying degrees (I trust that Mr. Softball Fan will not accuse me of plagiarism if I open my end paragraph with the same integrating expression that he used). I would like

REPUBLICAN CAMPAIGN CALENDAR

The Burlington County Republican Committee has arranged the following meetings, with the speakers named, and asks Republicans in the various communities to use every effort to secure a large attendance of voters, both men and women.

The issues involved in this campaign are of the utmost importance and every voter should become fully acquainted with the facts.

September 12
Rally, Strawbridge Park, Moorestown, at 7 p.m. Speakers: Hon. Hiram Bingham, Hon. D. Lane Powers and Hon. W. Warren Barbour.

September 14
County Committee Meeting, Court House, Mount Holly, 8 p.m.

September 14
Meeting, Palmyra Republican Club, Society Hall, Palmyra, 8:30 p.m.

September 14

NEW DISH SET AT BROADWAY MOVIE

Royal Crown Derby Patterns to Be Given Every Monday and Thursday

The Broadway Theatre, Palmyra, is starting a new dish set, known as the Royal Crown Derby, which will be given free to the lady patrons in appreciation of their continued patronage.

The set is new, different and of a higher quality than is usually given away by movie theatres.

The Royal Crown Derby has been in vogue for the past 50 years, and is a most delightful English design. In addition to the dinnerware set, there will be 21 odd individual pieces which include a cereal set. These pieces are very practical and will

RIVERTON :: CINNAMINSON :: PALMYRA

48th Year No. 38

RIVERTON—PALMYRA, N. J., THURSDAY, SEPTEMBER 17, 1936

PRICE FIVE CENTS

COUNTY WAGE RATE EXPLAINED

Group From Workers' Alliance Claims Rate Unfair to WPA Workers

A delegation from the Burlington County Workers' Alliance headed by John Marshall, of Riverside, asked the Burlington County Board of Freeholders at their first regular meeting on Friday last, after the August vacation, to give an explanation of the reason the county cannot raise its rate for ordinary road labor from 40 to 50 cents an hour. The reason for the request is that, according to the delegation, the State WPA used the county rate as the prevailing wage rate in establishing its own pay scale.

Marshall was informed that the county rate remains at 40 cents because the men working for the county are hired for year-round jobs, and are furnished with compensation and group insurance. In addition to this, the freeholders at the beginning of the current year passed a resolution providing that during the year there should be increase in salaries or wages. It was pointed out that the WPA workers, instead of being hired for full time, are employed only for one project and then face the possibility of a lengthy layoff. The clerk was instructed to state all these reasons in writing and forward them to the Workers' Alliance.

State Approval

Notification was received that the State Highway Department had approved part of the 1936 schedule submitted on maintenance work for state aid roads in the county. Approval was given for 36 miles, the total cost of which will be \$13,307.78. The remaining 35 miles applied for were rejected this year, because of lack of money in the motor vehicle fund. The total of 71 miles applied for by the county would have cost an estimated \$34,000. Of the amount approved, the state will pay 80 per cent, or \$11,827.01, with the township and boroughs handling the balance.

Riverside township requested that the county take over a part of Lafayette street, between Fairview street and Pavilion avenue, remove the abandoned trolley tracks and resurface that portion of the street. The matter was referred to Highway Director Albert C. Jones.

Wants Tracks Removed

Burlington City Council notified the board that it is willing to sacrifice its franchise tax, have the trolley tracks removed from High street, between Federal and Pearl streets and have the county pave this section through a WPA project. This was also referred to Jones.

Harvey Snyder, a member of the Eastampton township committee, appeared before the freeholders and reported that Powell road, connecting the Mt. Holly-Smithville road with Route 39 near Ewanville, is in bad condition. He said the township does not have the proper equipment to make necessary repairs and asked for the county's help. The road is about seven-eighths of a mile long. The board answered this request by adopting Jones' motion that the road department be authorized to help in the repair of roads where hazardous conditions exist, by scraping and, if necessary, using patching materials. Snyder said that the road is dangerous, and pointed out that an accident occurred on it Thursday night because of its condition.

Requests Road Oiled

Forrest Jennings, of Medford, owner of some property in Tabernacle township, presented a request from the Tabernacle township committee for the county to oil a road, four-tenths of a mile long, connecting Route 39 with the Tabernacle-Medford road. He said he is interested because he has to use the road frequently, and in its present condition it is hard on his trucks. The

NAVAL RESERVES LEAVE FOR CUBA

Four Local Boys Members of Crew on Two Weeks' Cruise in Southern Waters

The U. S. Naval Reserves left the Navy Yard, Philadelphia, on Saturday for its annual cruise in Southern waters.

The fleet consists of twenty-one torpedo boat destroyers.

D. M. Clifton, Jr., Joseph L. Sherman and Clarence N. Hubbs, of Riverton, and Jacob Beitz, of Palmyra, sailed on board the U. S. Destroyer Herbert.

They belong to the Second Battalion, Seventh Division.

FIRE COMPANY WANTS NEW TRUCK

Riverton Borough Council Will Meet With Firemen to Discuss Subject

Reporting for the fire and water committee at the meeting of the Riverton Borough Council last Thursday night, Councilman E. K. Merrill stated that the members of the fire company had asked that council consider the purchase of a new fire truck. Mr. Merrill expressed the thought that the matter was of sufficient importance for council to devote a whole evening to its consideration, and suggested that arrangements be made to do this. His suggestion was accepted and such a meeting will be called in the near future.

Reporting for the highway committee, Mr. Merrill said that the Amiesite construction on the streets had progressed rapidly under the direction of Robert H. Clelland, supervisor of streets, and that two additional loads of material, now on the way, would complete the work for this year. In making his report Mr. Merrill took occasion to mention the very efficient and satisfactory manner in which the work had been handled by Mr. Clelland.

Work at Park

Councilman John L. Stroblein, chairman of the borough property committee, reported that the breaks in the banks of the lily pond at park had been repaired with WPA labor, and the roadway around the park, which was in very bad shape, had been repaired with the assistance of WPA workers.

Mr. Stroblein reported the removal of the trees along the railroad which had obscured the approach of trains and automobiles at crossings (Continued on page 9)

TO SET STANDARDS

Palmyra P.T.A. Holds Reception

Annual Event Held to Introduce Teachers and New Principal

The Palmyra Parent-Teacher Association will hold their annual reception to the teachers next Tuesday evening in the high school gymnasium. This reception is given yearly to acquaint the teachers with the parents, and especially this year to introduce the new principal, Paul Reese Jones.

A business meeting will precede the social part of the evening and will begin promptly at 8:15.

A cordial invitation is issued to all who would like to meet the teachers and the new principal.

FIRST MEETING OF RIVERTON BOARD

Communication Received from L. J. Kaer Stating Position on Tuition Question

The first meeting of the Riverton Board of Education after the opening of the fall school term was held Monday evening in the school building.

Reporting for the property committee, Everett O. Wolcott stated that the staircase had been repaired and was once more in good condition.

He also requested that the clerk be asked to write the Rafferty-Kendry Company, general contractors, requesting the following repairs: patch crack in plaster, recalc windows and repair the crack in one of the blocks in the composition floor.

A communication was received from Louis J. Kaer, county superintendent of schools, stating his opinion in reference to the tuition charge claimed by the Palmyra School Board and disputed by the Riverton Board of Education. The communication was referred to the finance committee with authority to take the matter up with Commissioner Strahan.

A list of graduates from the Riverton Public School and new residents wishing to attend high school, was read and approved by the board.

A letter of resignation was received from Karl W. Latch as member of the board.

The clerk was instructed to write Mr. Latch expressing the regrets of the board and their appreciation of the work he did, as chairman of the property committee, while the new school was being built.

The principal reported that school opened Wednesday, September 9th, with an enrollment of 114 boys and 101 girls.

W.P.A. STRIKERS RETURN TO WORK

Full Quota Start This Morning To Complete Palmyra's Street Project

Simultaneously with the ending of the WPA strike in Burlington county, all of the WPA workers formerly employed on the street project in Palmyra, returned to work this morning.

Councilman William Engle, chairman of the highway committee, stated that the work should be finished this week. The strikers who have been out for three weeks and two days were protesting for a higher hour rate and a shorter day.

The strike was called off at a meeting held in Lenola yesterday at which 250 men who were present. Only five voted against the proposal according to Ray Cook of the Workers' Alliance.

The men voted to accept an agreement drawn up by George Beatty, head of the WPA Labor Relations of New Jersey, and Powell Johnson, State Secretary of the Alliance.

According to the agreement the men may return to work at the Burlington county rate of pay, which is 45 cents an hour for 134 hours. They may also make up the hours lost in the strike. A total of 189 men dropped from the payroll during the strike will be rehired. The agreement was drawn up last week and was previously rejected by the strikers.

An arbitration board of three will be selected, Cook, explained, to set the wage scale for Burlington county. It will consist of a WPA official in New Jersey, an Alliance official of the State and a third party to be selected by the two board members already designated.

Statement by Smith

George Smith, chairman of the Palmyra branch of the Workers' Alliance, issued the following statement on Wednesday:

"At the urgent request of the Works Progress Administration and in order to complete in satisfactory manner, the street project in Palmyra, the members of the Workers' Alliance, who have been out on protest, will return to work Thursday morning September 17th.

"They will not be discriminated against, and will be able to make up all lost time.

"The subject of hourly rates and hours to be worked will receive final adjudication in Washington, but little doubt exists as to the final outcome. Burlington county will no longer be discriminated against."

Mother: "Did I see you kissing that young Allen last night?"

Phyllis: "Well, mother, he told me he had just lost an uncle, and I felt sorry for him."

Mother: "If I know anything about that young man he won't have a relative left in a week's time."

You who are ashamed of your poverty, and blush for your calling, are a snob; as you who boast of your pedigree, are proud of your wealth.—Thackeray.

NUMBERS FOR MOVIE TICKETS

The following six numbers are the winners in The New Era Comic Section Contest this week.

17 1083

414 1516

Present any of the above numbers at the store of the merchant in whose advertisement it appears on the last page of the comic section, and you will receive an adult pass for the Broadway Theatre.

REPUBLICAN CO. COMMITTEE MEETS

Group Addressed by Lawyer Eckman and Freeholder Walter Lamon

Taking national issues as his subject, Lawyer Richard B. Eckman, of Mount Holly, addressed about 100 members of the Burlington County Republican Committee attending a meeting at the Court House on Monday night. Mr. Eckman is one of the members of the Speakers' Bureau that will handle most of the addresses to voters at meetings to be held throughout the county during the present campaign.

Mr. Eckman said that when the call came for speakers he hastened to volunteer his services as a matter of duty to the Republican and American citizen believing in an all-American government such as he feels we do not have now in its fullness. He said that we are now called on to decide whether we are going to abandon an American form of government and admit something that makes all of us feel we do not know where we are going and what will be the outcome if we ever get there. He considers this the most important issue of the whole campaign.

Freeholder Lamon Speaker

The second forceful speech of the evening was made by Freeholder Walter D. Lamon, who confined himself to a brief resume of county affairs over a period of years in the minds of his audience. He said that during the period 1931-1934 the county spent in round figures \$451,000, on road and bridge repairs, or an average of \$112,000 a year, and the money was raised by taxation. During 1935 the Freeholders maintained the road and bridge department on an economic basis, and on the purchase of road materials alone saved \$65,000.

In the matter of snow removal, Mr. Lamon said that Burlington county has this work done at a cost of approximately \$50 a mile, while in a neighboring county the cost runs to \$190 a mile, thus showing how economically the road department is being operated.

The insurance survey last year saved the county many thousands of dollars in insurance premiums and has provided better protection. There has been an annual saving of \$11,000 in interest through refinancing of the county's indebtedness. Prior to the refinancing the county was paying 5% interest; now it is paying 2 1/2%. Mr. Lamon referred to the decision of the Freeholders to retire the surplus revenue indebtedness created back in 1937 after it had cost the county thousands upon thousands of dollars in interest. This is to be wiped out this year and next, another step forward that Boards of Freeholders prior to Good Government administration had refused to take. In 1933 the county's net debt was approximately \$900,000; now it is \$567,000 under Good Government administration.

Reference was also made to the recent decision of the Board of Freeholders to apply all money received from the Dorrance estate to the cancellation of county indebtedness. Mr. Lamon said that in 1933 the county rates were \$66,000,000 and in 1936 were \$60,000,000, a difference of \$6,000,000. In the face of this reduction in tax receipts the Good Government Freeholders have been able to carry on county affairs and bring to the taxpayers a reduction of \$22 in the county tax rate last year and this year.

STOP AND MAYBE GO

Teacher: "Don't you know that punctuation means a pause?"
Willie: "Yes, teacher. A motorist punctuated a tire in front of our house and paused there a half hour."
—Exchange.

Every man is worth just as much as the things are worth with which he busies himself.—Aurelius.

Four delicate shades of paper, four colors of ink and four styles of lettering may be had in the special sale of Rytex Double Check stationery at The New Era. During September, only, double the regular quantity per box is given at the usual One Dollar per box. Now is the time to buy for your own use and for gifts.

County Wage Rate Explained

(continued from page 1)

Freeholders decided that, because of the money situation, the county cannot do anything to remedy the situation but the clerk was instructed to recommend that the township committee get in touch with the oil distributor holding a contract with the county and see what can be done through him.

Route 25 Traffic Light

The highway department announced it is prepared to pay one-third of the \$3000 required for installation of a traffic light at Route 25 and Crosswicks road, just outside of Bordentown, the light to have traffic actuated pads in Crosswicks road.

This is the type of control which keeps the highway open all the time, except when automatically changed by a car coming out of Crosswicks road, this being done through a system of detectors operated by the car on the side road. The remaining \$2000 of the cost would, under this plan be shared equally by the county and Bordentown city. The freeholders instructed the clerk to reply that they are not prepared to enter into such an agreement and that they feel the problem should be solved entirely by the state, as the principal traffic is on its road.

Fire Standpipes Installed

Bridge Director Frank Cook reported that the fire standpipes in the Delanco-Riverside bridge have been installed and are satisfactory to the fire departments of the two towns. Supreme Court Justice Joseph B. Perskie notified the freeholders of the appointment of Joseph C. Kingdon, 2nd, to succeed the late Lee Towers as court stenographer for the district which includes Burlington, Monmouth and Ocean counties, and announced that Burlington county's share of his salary will be \$1000 per year.

A letter from the State Freeholders' Association called attention to the tour of Morris county that is to be made on September 21, with luncheon at Greystone Park, and asked that reservations be made.

The following departmental bills were ordered paid: Highways and engineering, \$22,598.03; public buildings, \$26,499.87; bridges, \$5170.07; revenue and finance, \$17,603.13; and public affairs, \$16,049.61; total, \$87,920.71.

IMPROVEMENTS AT FORTNUM'S AGENCY

The Lester S. Fortnum Ford Agency is improving the approach to its service department by laying 5000 square feet of concrete in the area-way between the garage and the service department.

This space will be drained in the center and will aid in the elimination of dust, dirt and mud which had to be driven through in order to secure service.

This marks another forward step in improving the Fortnum service. The work is being done by Joseph Piergrass, Palmyra cement contractor.

A real bargain in printed stationery is offered by The New Era during September. Rytex Double Check is on sale during this month only. Double the regular quantity per box at no increase in price. One Dollar for 200 single sheets and 100 envelopes.

CHURCH NEWS

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

In the morning at eleven o'clock the theme of the sermon will be "The Sun Stood Still." In the evening at 7.45 the sermon will be about a "Man sitting beside a well of water, wanting a drink, but having nothing with which to draw the water from the well." This sermon will be especially interesting to young people.

The music during the day will be supplied by the newly-organized choir, under the direction of Mrs. Florence Dare Boyd. Many new faces will be seen in the choir this year. We invite persons to join this organization who are interested in church music who have and willing to give time and study to the work. See Mrs. Boyd this Thursday evening at choir rehearsal or on Sunday at the church.

All departments of the church will be operating on full time from now on. The church school is back on its winter schedule. The auxiliary organizations are at work. The young people's work will begin this coming week. A great men's program will begin in a few weeks.

We invite all people in our community who do not attend any other church to come visit this church of spiritual devotion and social aggressiveness. Every family in this community should attend and join some one of our churches. The churches need you, but the community needs the churches worse than the churches need the community.

FIRST LUTHERAN CHURCH

Rev. Harold L. Cregar, Pastor

The Holy Sacrament of the Lord's Supper will be administered at our worship service this Sunday morning. The sermon topic will be "Strength for our Christian Work."

There will be no evening service. The Preparatory Service will be held this Friday evening. The sermon will be on "Conquering Our Sinful Self," followed by the Confession and Absolution.

The rally day and promotion day service in the Sunday School will be held a week from this Sunday, on September 27.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services, Sunday, September 20th, 10.00 a.m., Bible school. The fine weather has seemed to prolong the vacation period as could be noticed last Sunday. Many familiar faces were missing. A unique service is being arranged for Rally Day, next Sunday, September 27th. "Bringing in the Talents" will be the theme of the morning.

11.15 a.m., Morning worship. "What I Have Lost During the Depression" seems to be on every tongue. Many views as to what their losses represent have been heard but everyone seems to place values differently. Pastor Lockett will speak on this widely discussed subject in his sermon, "What Have We Lost in Modern Life?" at the

WESLEYAN MEN'S BIBLE CLASS

The close of the summer season's activities ending on Labor Day, had a marked effect on the class attendance last Sunday, and it was truly gratifying to observe that 78 members attended that morning.

We welcome again our song leader, Alfred VanOsten, our pianist, Dr. Harry Marks and our violinist, Freddy Schneider, who have been absent during the summer months, and also appreciate the capable leadership of Edmund Jones as song leader, Joseph Turnock and other pianists, who substituted during their absence.

Rev. W. Bickerton, retired district superintendent of the Philadelphia M. E. Church district, now residing in Riverton, was a guest of the class and assured the class of his participation in any manner desired in class services.

Reading Z. Poinsett began his discourse on "Dispensation of Law" and will continue the same subject next Sunday.

The discourses on God's dealing with mankind throughout the ages are exceedingly interesting and will climax in dealing with the present Dispensation, and its ending.

There will also be a special feature provided for the enjoyment of those who will be able to attend the class next Sunday. Be sure to come and bring a friend or neighbor.

Class services begin at 9.50 a.m. in the Epworth M. E. Church. All men are earnestly invited to attend regardless of creed, or affiliation.

WOMAN'S CLUB NOTES

A garden card party will be held on Thursday afternoon, September 24, at the home of Mrs. R. E. Sanford, 830 Highland avenue, under the auspices of the Woman's Club. There will be attractive prizes and a lucky number prize. Refreshments will be served.

All club members and friends are invited. Admission is 35 cents.

YMCA BRIEFS

The regular monthly meeting of the Palmyra and Riverton YMCA Board of Directors was held on Thursday night, September 17.

The annual election of new members and officers for the ensuing year will be held tonight (September 17) and as there is no opposition, it is expected the nominees will be elected as follows:

A. E. Hargett, president; E. N. Cooper, vice president; Charles H. Yost, secretary; and Howard B. Conover, treasurer.

Directors

Riverton—C. P. Mayfield, Victor Ritchard, Ross E. Mattia, Francis B. Elwell, Herbert Kieckhefer, Robert Adams, Richard Woodward, John L. Metzger.

Palmyra—George N. Wimer, Edward W. Fry, Carl H. Thomas, C. B. Marple, John F. Ward, Lawrence B. Parker, Dr. Hayes Brady, William Homan.

Associate Members—Nathan Lane, Robinet Cole, Joseph S. Siddall, Evan W. Stover, Grover Fox.

Phalanx Elects

At a meeting of the Phalanx Fraternity of the YMCA held at the home of Dr. and Mrs. Hayes Brady on Monday, September 14, the following officers were elected:

William Heavner, president; Robert Finney, vice president; Henry Wilbraham, secretary; treasurer; Giles Knight, chairman of program committee; Earl Whitcraft, assistant chairman of program committee.

E. Newbold Cooper will continue as adult advisor for the club. Meetings will be held the second and fourth Monday night of each month.

The next regular meeting will be held at the home of Mr. and Mrs. Murray Kirkpatrick, of Elm Terrace. The program of that evening will be a resume of the trip recently enjoyed by Charles Ray, of the high school faculty, a member of the fraternity.

Other members and guests present at the meeting were: C. P. Mayfield, Walter Price, Thomas Price, Harry Clover, Thomas Cahill, Leon Guest, Jr., W. E. Mount, Dr. Hayes Brady, Murray Kirkpatrick, Earl Whitcraft, and J. H. Finney, Jr.

Giles Knight and Thomas Cahill were elected representatives to attend the State Conference of Young Men to be held at Camp Washington, Morristown YMCA Camp, on Saturday and Sunday, September 26 and 27.

On Saturday and Sunday, September 19-20, a State Hi-Y Training Conference of the New Jersey Young Men's Christian Associations is to be held at Camp Ockanickon. The theme for the conference is "Pioneering New Trails."

The leader of the conference is Prof. Arthur P. Wagner, from Philadelphia. Saturday afternoon his theme is "The Measure of a Pioneer" and Saturday evening "The Trail of a Pioneer." Sunday morning he will speak about "The Comrades of a Pioneer."

John Ledlie will conduct the Forum Period. Discussion groups will take the following topics: "Officers—Techniques and Responsibilities"; "Progress—Location of Interests—Projects"; "Program—Developing Social Awareness"; "Membership—Enlistment and Education." On Sunday morning the general topic is "Adventures in Thinking." Getting acquainted with God, Enrolling in the School of Jesus, Accepting Moral Responsibility, Standing by One Another are the topics for thought.

Those attending the conference from our local YMCA are: Jack Yost, Arthur Burns, David Gould, Weston Goodenow, Robert Yerkes, Burke Jay, Fred Lippincott and Wilton E. Mount.

HEADS STATE FAIR

GEORGE HAMID

Internationally famous fair and park impresario who has just taken over the operation of the New Jersey State Fair for this year which will be held from September 27 to October 3, inclusive, at the fair grounds in Trenton. Hamid who books the majority of outdoor acts throughout the world and who is the exclusive representative of Rudy Vallee and Major Bowe's amateur units for parks and fairs has leased the entire fair grounds and various buildings in it and announces that he will have many new attractions and novelties at this year's fair.

RIVERTON

Richard M. Hollingshead, of Riverton, has been spending some time at the Skytop Club, Skytop, Pa.

Mrs. Alma M. Evans was guest at a buffet supper last Friday evening given in honor of Senator Hiram Bingham at the home of George deBenneville Keim, Edgewater Park, State Committeeman.

Mrs. Harriet Eckenhoff, of Beverly, spent Sunday with Mrs. Edwin Evans, of Linden avenue.

The Woman's Republican Club of Burlington County will have a covered dish luncheon at the home of Mrs. Mattie Musser, Bank and Cinnaminson avenue, Palmyra, Thursday.

Mrs. Alma M. Evans was a guest at a luncheon at the home of Mrs. Caroline Schultz, at the National Republican Club, New York, on Wednesday.

Mr. and Mrs. Charles DeLaney and son, Buddy, of Thomas avenue, spent Sunday in Asbury Park.

Mr. and Mrs. Clifford Nesbitt spent Sunday in Trenton visiting Mrs. Edward Rogers.

Mr. and Mrs. Harry Sim and daughter, Miss Betty, will return on Sunday after spending the summer in Atlantic City.

W. C. Tyler, of Seventh street, has returned to Riverton after spending the summer in New London, Connecticut.

Mrs. Ogden Steedle and Mrs. Samuel Cole are the guests of Mrs. Herbert Evans at Ocean City this week.

Miss Katharine Steedle sailed last Saturday for the West Indies and South America on the S.S. Rotterdam.

John Reinhard is spending ten days Springfield, Massachusetts, visiting friends.

Mrs. A. C. Wood, Jr., was a recent visitor in Atlantic City, stopping at Chalfonte-Haddon Hall.

The winners of the Sacred Heart P.T.A. Blanket Club this week were: Miss G. Crieswell, of Camden, and Mrs. H. Hubbs, of Bellevue.

YACHT CLUB YARNS

BY NUTE
AND
MIKE

Did we say we never miss "nut'n"? Apparently we missed plenty Monday night. We wonder who was tearing around the harbor in what condition? Judging from the results the "condition" was fine. Perhaps there wouldn't have been as much damage if we had sandbars here like those of the Beverly Club. Or maybe Labor Day was too much for some people.

It seems our regatta committee took our hint of last week. One of them showed up for the race Saturday of this week. Even if he was only there for a half hour. Maybe this is an improvement, overlooking the fact, of course, that the fouls for two weeks back are yet undecided. Ed Merrill, "Old Faithful," came through again by acting as temporary regatta committee. Nice work.

Well, Saturday gave a good stiff breeze and an excellent race with Bob Lippincott sailing Coe's boat over a long course to finish first. Ted Hunn now leading the fall series placed second. "Rub" Gladney, tho' right up in the money, regretted carrying a "jinx" (or "fem"), as he broke his gonzo (part of the boat, not him), and eliminated himself from competition. Charlie Knight, sailing the newest addition to our fleet, succeeded in defeating Johnny Lane in a close scramble for third honors. Bert Shoemaker placed fifth, with Buck Parsons breaking a strap and dropping from the race. John Ayres was unentered.

National Duster Regatta

Sunday the 20th, the Riverton Yacht Club is holding the first National Duster Championship races, with all boats of this new class invited. The Delaware River Comet Class Championship races will be held immediately following the "Dusters." Events will start at 10.00 o'clock; refreshments at noon, and afternoon races starting about 2.00 o'clock. As an added attraction a free-for-all race will be held starting at 4.00 o'clock. As this is the first regatta of its nature we expect it to be quite a success, with boats coming from many popular yachting centers.

Stink Boat Stuff

The manner in which Bob sails during races would indicate he gets plenty of practice. Not moonlight sailing? Or does he?

Also why do guys like "Manny" Mooney insist on throwing anchors overboard without ropes attached to them.

Is John Ayres slippin'? Having acquired no new pennants of late!

N. J. BANKERS PENSION FUND

A certificate of incorporation was recently filed with the Secretary of State by the New Jersey Bankers' Pension Fund, Inc., Armit H. Coate is named as agent in charge with the principal office at 74 Main street, Moorestown, Burlington county.

Under provisions of the incorporation certificate, employees and officials of banks, trust companies and savings banks in the state are eligible to membership, but those so employed are not compelled to join the fund. Five of the trustees named as incorporators in the certificate shall be elected as officers. One of the trustees shall be a person who is at present president of the New Jersey Bankers Association and another chairman of the Pension Plan Committee of that organization.

THE UNEXPECTED

Residents of Lancaster, Ohio, thought that John Sherman, a rough and tumble fellow as a youth, might be destined to become a soldier, and that his brother, William Tecumseh Sherman, a reserved studious youth, might be a statesman. It was a surprise to those who knew the boys when John became the statesman and William the fighting general.

The United States government maintains ninety-three schools for natives in Alaska.

P. W. C. FLOWER SHOW THIS FRIDAY

Seventh Annual Event Will Start at 3 o'clock and Continue Until 10 in Evening

Don't forget the seventh annual flower show by the Garden Department of the Palmyra Woman's Club on Friday, September 18, in Society Hall, Palmyra, from 3 to 10 o'clock. The various types of flowers to be exhibited are: Dahlias, nine classes; roses, hybrid tea, five classes; garden flowers, fourteen classes; artistic arrangement, thirteen classes.

Mrs. Charles D. Taylor and Professor William Yates, of Merchantville, and Pierre Stanton, of Mount Holly, have been chosen as judges for the show.

All entries must be in before noon on Friday.

First prize is a \$2.00 seed order from the Henry A. Dreer firm, Riverton; second prize, garden tool, J. S. Collins and Son, Inc., Riverton. In the arrangement of flowers, using mirror or metal for reflection, the prize will be a fern from Kenney, Riverside.

In the junior division, first prize will be a pair of field glasses donated by Grover Fox, of Palmyra; second prize, a bird house, given by Joseph T. Evans, Riverton.

To the exhibitor winning the most points first prize will be 100 Darwin Tulip bulbs, from the American City Bulb Club, New York; second prize \$3.00 seed order from Henry A. Dreer, Riverton.

FIRST LAUREL OAK IS FOUND IN N. J.

Discovery of the first shingle or laurel oak tree ever found growing in New Jersey has been made by a crew of CCC camp S-55 while working in a remote section of Bass River State Forest, near the little town of Bass River, Burlington county, according to Charles P. Wilber, state forester.

This tree is not a native of New Jersey, and according to Alfred Rehder, curator of the Herbarium, Arnold Arboretum, Harvard University, who examined and identified it, it is the only specimen of the shingle or laurel oak on record that has been found growing in this state.

The tree was discovered by Russell Murphy, assistant leader of Crew No. 7, who reported it to his foreman, Hollis Koster. Its thick masses of dark green, laurel-like leaves stand out against the brown foliage of the surrounding forest trees and are not characteristic of the other oaks found in this state. Its trunk is about 11 feet in circumference and its branches spread about 70 feet. While its age has not yet been determined, the foresters estimate that it is several hundred years old.

Next to Cuba, India is much the largest producer of sugar in the world.

DEMOCRATIC WOMEN HOLD LUNCHEON

The Democratic Women of Burlington County held a luncheon at Log Cabin Lodge, Medford Lakes, on Saturday. The dining room of the Lodge was filled to capacity with many tables on the large verandas taking the overflow.

This luncheon was the first bell of the women's campaign in Burlington county. The Reporter Plan, which was established as an educational branch of the Democratic National Committee to acquaint the women of America with the work of the Roosevelt Administration, has been functioning throughout the country in the form of local clubs. Each woman in these groups tries to find out all she can about one of the great governmental agencies. One will study the CCC's, another the Federal Housing Administration; another the Social Security Plans, etc., all down the line. In this way each woman will be informed on the whole Roosevelt Administration and what it is doing, from her neighbor's, as well as her own research.

Mrs. Katherine Elkus White, of Red Bank, New Jersey chairman of the Women's Division of the National Democratic Committee, was the principal speaker. She spoke on organization and the Reporter Plan.

Closely following Mrs. White and introduced by Mrs. Mervil Haas, who was toastmaster, at the luncheon, Mrs. Elizabeth C. Denny Vann, State Director of Women's and Professional Projects, under the WPA, gave a very informative talk on the work of the sewing rooms and the Four Arts of WPA.

CINNAMINSON P-T. A. EXAMINATIONS

Members of the Parent-Teacher Association are considering plans for work during the current year.

A gathering of the executive committee last week discussed the type of meeting that would be of the most service. The subject presented so many phases that it is difficult to decide. The matter will be largely influenced by the wishes of the teachers and the desire to do the best for the children.

The reception for the teachers will be given tomorrow evening (Friday), in the auditorium of school number two, at eight o'clock.

Come if possible, and give this splendid group of helpers, all of whom returned, the welcome they have earned.

FORGOTTEN!

Bernarr Macfadden, magazine publisher, said in a New York speech recently that Mr. Roosevelt had found the forgotten man and immediately sent a tax collector after him.

FOR ANNAPOLIS

Candidates for U. S. Senator W. Warren Barbour's next appointment to the U. S. Naval Academy at Annapolis will be given preliminary competitive examinations in New Jersey on Saturday, October 17th, applications for which must be received before September 30.

The examinations, conducted by the U. S. Civil Service Commission, will be open to all eligible New Jersey Annopolis candidates who make application to Senator Barbour at Washington, D. C. On the basis of marks made by the candidates in the tests, Senator Barbour will appoint a principal and three alternates to the Naval Academy.

The American people do not want Federal regimentation of their economic activities even if it could be efficient and fair. As Al Smith has expressed it, the American people do not want a dictator, not even if they could get a good one.

FALL PROGRAM OF RIVERTON P.T.A.

"Character Growth, a Home and School Responsibility,"
Topic for Year

The first meeting of the Riverton Parent-Teacher Association will be held on Monday, September 21, at 3:30 p.m. in the auditorium, at which time Miss Caroline M. Staman, supervising principal of Riverton school, will speak. This meeting will provide an opportunity for parents to meet Miss Staman and their child's teacher. Miss Marjorie Wilson, of Palmyra, will render several piano selections and refreshments will be served after the meeting.

The topic for the year is "Character Growth, a Home and School Responsibility," and later meetings will bring such speakers as E. Newbold Cooper, supervising principal of the elementary school at Girard College; R. C. B. Parker, supervising principal of the Mount Holly schools; Miss Edna Young Bond, state health chairman and H. Paul Jones, of the Mount Vernon School, Camden.

In addition to the regular monthly meetings there will be three child study group discussions during the year under the leadership of Mrs. Francis B. Elwell. The first of these meetings will be held on Monday, September 21, at 2:30 p.m. in the auditorium.

The association has made arrangements to have a thoroughly reliable person in the school library from 2:30 p.m. until 4:30 p.m. to care for young children while mothers attend the two meetings. Publicity.

WCTU MEETING AT MOUNT HOLLY

The Women's Christian Temperance Union of Burlington County will hold its first meeting of the season on Wednesday, September 30, in the Mt. Holly M. E. Church, at 10 a.m.

Bring a box lunch and buy your desert.

The speaker for the afternoon will be Mrs. Ethel Kleckner of Lyndhurst, N. J. Her subject will be "Alcohol Education."

Following the speaker there will be election of officers.

Westfield Friends' School

The program and activities of the department of Recreation and Physical Education will be a daily concern of the entire staff of the Westfield Friends' School. Faculty members will supervise the playtime during recess, at the noon lunch hour and a regular class will be held each afternoon from 2 until 3 o'clock. This period will be a part of the regular graded work of each pupil. The class room emphasis as well as the playground period or recess time will be correlated toward the development of a more wholesome personality.

All play areas will be adequately supervised. Supervision that provides direction in activity. Every effort will be made to have individuals and groups create activity while the supervision and equipment will provide ways and means to carry out this activity.

This emphasis will not decrease the type of activities of the past years but tend to increase them and the attention to the proper supervision. The smaller children will be divided at times from the entire group in order to increase their skills and provide them greater opportunity to gain the basic knowledge of rules. Games will be played with Haddonfield, Frankford, Lansdowne, Riverton and Cinnaminson Public Schools and others in the age and grade class of our boys and girls groups. Hockey games with outside teams will be a feature of the girls' program.

Wilton E. Mount will serve in the capacity of Director of Recreation. Mr. Mount will be at the school every afternoon and at other special times to aid in trips and special hobby activities. Miss Fleming will give special attention to the Girls Team Activity and instruct in rhythms. Other members of the faculty will aid in the supervision of the playground.

The goal of physical education is toward a better socially and physically developed individual. Emphasis will not only be placed on the correct way to play games but on the results of participation. To instill in the minds of individuals the reason for doing an activity is as important as the activity. The fun that a group have in an activity may be the smallest gain to the individual. Children should be guided in school loyalty, an attitude of fair play, team loyalty, kindness and helpfulness to playmates, hard play, clean living, and temperance in the type of play. Often the active child in his desire for pleasure reacts in the human way and tends to "overdo" and over tax his strength. The individual attention of the private school with a small group affords the instructor an opportunity to treat each pupil as a separate unit, capable of some sports and activities and unable to participate in others. Westfield will offer a guidance in the general well being and react in the class room as well. A happy child is a well child, happy in that they know how and when to play.

Someone has defined play as "Preparation for Life." That in its fullest sense will be the slogan of the workers in the department. And so we definitely will aim not simply for bodily skills, but for a harmony of body and mind. While our desire is to have children have the maximum of fun, we will always hold in mind the future of the child when he will have leisure time to spend as he pleases, and we hope our program will instill in each child a love for activity, and wholesome play which will become a part of his well being, add to his efficiency, and contribute to his joy and happiness.

PLANS MADE FOR 70th ANNIVERSARY

Baker-Flick Company, Oldest Department Store in Camden, Arranges for Sale

Thursday, September 17, marks the opening of the 70th anniversary of Baker-Flick, one of Camden's oldest department stores.

Several departments have been enlarged and remodeled and according to L. M. Millard, general manager, large quantities of merchandise have been purchased for the store-wide sale.

In 1908, the C. C. Chew Company Department Store was purchased by George C. Baker and John Flick. When Mr. Flick died, Baker purchased his stock.

Mr. Baker died October 7, 1935, when his son Leonard Baker, of Palmyra, succeeded to the presidency of the store.

PALMYRA A. O. M. P.

The Palmyra Artisans resumed their meetings Tuesday night after the summer lay-off.

This is the last half of their 25th anniversary year and special efforts are being made to increase the membership. Harry R. Storick, chairman of the membership committee, made an urgent plea to the members to get candidates, saying that he would like them to concentrate on a large class for November.

The entertainment consisted of movies furnished by the Breyer Ice Cream Company.

The Assembly received an invitation to visit St. John's Assembly, Philadelphia, next Tuesday evening, when they will entertain the Jersey Assemblies.

LAWRENCE WITTE AUDITIONS ON WMCA

Lawrence Witte, radio columnist author of "Static," will audition his "Radio Gossip" program over WMCA, New York City, on September 24th.

Lawrence Witte's "Radio Gossip" which has been heard over a few Philadelphia stations is now being broadcast over WDEL, Wilmington, Delaware, every Friday at 2:15 in the afternoon.

A lot of fellows are in favor of free speech only when it is their speech.

CONSTITUTION DAY CELEBRATION GIFT

Bank Will Distribute Copies of The Constitution of the United States

As a part of the observance of Constitution Day on Thursday, September 17, which marks the 149th anniversary of the adoption of the Constitution of the United States, Fidelity-Philadelphia Trust Company announces that it has available for distribution a limited number of copies of that famous document. The copies, in convenient pamphlet form, contain the complete text of the Constitution and all amendments, a foreword by William P. Gest, chairman of the Board of Fidelity-Philadelphia Trust Company, and comments by famous critics.

Prepared originally in connection with the observance of Constitution Day a year ago for distribution to stockholders, depositors, and other customers of the bank, the pamphlets excited such widespread interest that requests for copies were received from thousands of individuals and organizations in and around Philadelphia and throughout the country. Several reprintings of the pamphlet were necessary in order to supply the demand made upon the bank for them, a total of 45,000 copies being distributed at that time.

RUTHERFORDS VISIT MARBLE EXHIBIT

Mrs. H. K. Rutherford and Jane Rutherford, of 623 Elm Terrace, Riverton, were among hundreds of visitors recently to the educational exhibit dealing with marble at Proctor, Vermont, which has become the Mecca of tourists in the Green Mountain State.

More than 60 different varieties of marble are on display, many of the examples being of brilliant coloring. Visitors to the exhibit show much interest in the types of marble used in the United States Supreme Court Building and many public buildings throughout the country which are constructed of Vermont marble.

CARD PARTY

The first card party of the season given by the Palmyra Athletic Club will be held in their club rooms in Society Hall, on Thursday night, September 24th. Everyone is cordially invited.

Come early and play a few games of radio before the cards start. Lucky winners will take home some good prizes.

All prizes at pinocle will be well worth while winning.

Cards start promptly at 9 p.m. Admission 25 cents.

PALMYRA POLICE NOTES

Mrs. Lavinia Kleckner, of Broad street, Palmyra, was arrested Tuesday evening on complaint of Mrs. David Isetts, charging Mrs. Kleckner with striking her eight-year-old son David.

Mrs. Isetts did not press the charges at a hearing Wednesday noon before recorder Carl Lutz. The excitement of the hearing caused her to faint and she was taken home in the Palmyra ambulance. Mrs. Isetts has just recently returned home from the hospital.

Mrs. Kleckner will be committed to the home for insane at New Lisbon.

A quantity of buns, bread and grapes was stolen from in front of the American Store on Broad street near Vine, West Palmyra, early Tuesday morning.

The loot consisted of 27 pounds of Tokay grapes, four packages of bread and four packages of buns.

Frank Kreutzberg, of 17 Lejune road, Palmyra, was arrested on Tuesday by Officer Lawrence Betty for driving without a license.

He pleaded guilty before Recorder Carl Lutz and was fined \$5 and costs.

RECKLESS DRIVER LOSES LICENSE

Lawrence Belford Crashed Into Car Driven By Herbert Eckert, Last Thursday

Lawrence Belford, 281 Arch street, Palmyra, was fined \$15 and had his license revoked for six months by Recorder Yost, of Pennsauken, last Thursday night on a reckless driving charge.

Belford, according to police, was involved in a crash with a car driven by Herbert Eckert, of Velde avenue, Delair, at Crescent and Myrtle avenues, Pennsauken. Thomas Young, a member of the Pennsauken-Merchandise Water Commission, who witnessed the accident, asked Belford to go with him to police headquarters. Both started off, but Belford in a different direction. Young gave chase and finally caught up with Belford eight blocks away, where Belford's car had stalled, the gasoline exhausted.

Young summoned Officer Walton who arrested Belford and arraigned him before Recorder Yost.

PALMYRA

Mrs. Minetta Bowker, national secretary of the P. O. of A., Mrs. Fannie Reeves were visitors in Lambertville last Sunday at the Old Home Day of the P. O. of A.

Mr. and Mrs. George J. Seel are spending the week in Ocean City at the Hotel Biscayne.

The Radio and Card party of the P. O. of A. was held at the home of Mrs. Mary King, Cinnaminson avenue, Wednesday evening.

The following lucky winners in the P. O. of A. drawing were: silk quilt, Edith Mills; luncheon set, Mrs. Eula Roach; bracelet, Walter Horner.

Charles K. Wynkoop, of 814 Morgan avenue, left Wednesday for Ursinus College, Collegeville, Pa.

The Junior Philathea Class of the Baptist Church held a very successful event on Monday evening last when they entertained the members of the Samaritan Class at a hamburger roast. Forty-four in all attended.

Among the Palmyra residents visiting in Ocean City over the past weekend were: Mr. and Mrs. William Wright, Mr. and Mrs. F. N. Johnson and daughter Kathryn, Mr. and Mrs. Thomas Branson.

Mr. and Mrs. Gordon Andrews have returned from Ocean City where they have been spending the summer.

Miss Betty Furman is confined to her home with intestinal grip.

Miss Marjorie Keil has returned to her home on Leconey avenue after spending the summer in Ocean City.

Mr. and Mrs. Kenneth Johnston, and daughter, Patricia, of Riverside, spent Sunday with her parents, Mr. and Mrs. John M. Kerrigan, of Charles street.

Mrs. Albert Smith returned to her home last Thursday after spending ten days in Ventnor with her sister, Miss Mary Kemmerle.

The winner of the P. O. of A. blanket club this week was Mrs. May Feldman.

AMBULANCE FUND DRIVE NOW ON

Envelopes for contributions to the Palmyra Ambulance Fund have been distributed. Collectors are now making a house-to-house canvass to collect them.

Necessity is the argument of tyrants; it is the creed of slaves.—William Pitt.

PALMYRA SCHOOL NOTES

Traffic Patrol

As part of the safety education program in the Palmyra Public Schools a traffic patrol has been organized in the Sixth, Seventh and Eighth grades. Approximately fifty students act as traffic patrolmen under the direction of a captain of patrol, a first lieutenant, and a second lieutenant. Patrols are changed weekly and the members of the patrol are elected by the homerooms. The officers of the patrol are elected by the patrol members each week. Before any patrol members may serve two terms all members in each homeroom must have served on the patrol.

The traffic patrol directs the passing of classes to and from rooms, to the basement, helps with the dismissal, and controls traffic before the first period in the morning. Representatives from each homeroom selected the arm band to be worn by the patrol. This arm band has a dark blue background and gold letters P. G. S.

Switchboard Training

The new switchboard in the high school office is being utilized to teach high school commercial students the proper administration of a switchboard. Students are assigned in their free periods to the office. They receive training in placing calls through the switchboard to the proper extensions. These students keep a perpetual record of all telephone calls, by whom made, name of exchange called, the extension used, the time of the call, and where the charge for the call is to be placed. Since switchboards are used in many business organizations we feel that this commercial training in the use of the switchboard will be very valuable, especially for the commercial students of Palmyra High School.

CHRISTIAN SCIENCE CHURCH

"Matter" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 20.

The Golden Text is: "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit" (John 3:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And a woman having an issue of blood twelve years, which had spent all her living upon physicians, neither could be healed of any, came behind him, and touched the border of his garment; and immediately her issue of blood stanch'd" (Luke 8:43, 44).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritual draughts heal, while material lotions interfere with truth, even as ritualism and creed hamper spirituality. If we trust matter, we distrust Spirit" (p. 234).

FINAL OILING OF PALMYRA STREETS

Councilman Engle Requests That Residents Use Care Driving On New Streets

Tuesday of this week Councilman William Engle, chairman of streets and highways in Palmyra, announced that second coat of slow-curing oil would be put on the borough streets.

Mr. Engle asked the residents to observe the following requests: motorists using the oiled streets please drive on the right hand side of the road, thus making an even level all the way across the street; use care in turning corners so that the dirt placed over the oil will not be thrown off, thus leaving a very uneven surface. Mr. Engle believes if these requests are followed, the streets in Palmyra will be in very good condition before the winter sets in.

NIGHT FOOTBALL

The Palmyra Athletic Club football team will schedule a night game every Wednesday at the Palmyra High School athletic field for the next eight weeks, with Thursday set as the rain date.

BILLBOARDS

I thing that I shall never see
A billboard lovely as a tree.
Perhaps unless the billboards fall,
I'll never see a tree at all.

SOME SAY

A correspondent wants to know the name of the patron saint of fishermen. Some say Isak Walton and others Ananias.

"What happened, dear?" she asked her husband as he was getting out to investigate.

"Puncture," he said briefly.

"You ought to have been on the look out for this," was the helpful remark. "You remember the guide warned you that there was a fork in the road."

The Constitution—What About It?

By Furman A. Wood, Palmyra, N. J.

They who can give up essential liberty to obtain a little temporary safety, deserve neither liberty nor safety.—Benjamin Franklin, London, England, 1775.

This paragraph from a memorandum written by Franklin as he left England after a service there of sixteen years as Agent for the Colonies, expresses the matured thought of one of the keenest minds of nearly seventy years into a few words the most versatile man of his day uttered a truth that applies to our present condition as strongly as the moment it was issued.

We are in the midst of our quadriennial political fight for place and power and it is necessary that all who wish to see the country recover and progress should give thought to the question of what it is all about. During the past three years we have had volumes of chatter about Human Rights, Property Rights, Social Justice and Class Consciousness by half-baked theorists many of whom are the agents of sinister forces determined to overthrow our form of government for the purpose of establishing a Dictatorship which in a short time would reduce the people to a serfdom now endured by many nations of the world.

By our action at the November election we shall determine whether the subversive forces shall win or whether we are American enough to insist that our government must remain a constitutional one and that the people we elect to office shall be our servants or our masters. It is really a question of how much intelligence we possess, whether we are to be guided by party labels, by special promises, by appeals to class hatreds or by the instinct of self preservation which can distinguish between temporary advantage and long-time gain.

When the objectives of the Brain Trusters and the leaders of the New Deal are analyzed and tested by the formula of plain sense it becomes clear that their philosophy is in direct conflict with traditional American theory, and sniveling weaklings subject to the whims and orders of a super class.

The framers of the Constitution were conversant with the impulses of selfish human nature and many of their discussions revolved around the methods of avoiding class powers or rule, either of wealth or talent; the compromises necessary to attain this end were distasteful to many of the delegates but it was finally recognized by them that mere human wisdom was not equal to the task of peering too far into the future and that much must be left to time and event.

The work performed at Philadelphia one hundred, forty-nine years ago was based on the desire of the people for liberty, the ten amendments known as the Bill of Rights emphasized this desire and provided the guarantees which the New Dealers seek to circumvent.

With his profound knowledge of men and their motives, Washington foresaw that attempts would be made to overthrow the government, and in his Farewell Address expressed an impressive warning:

"Towards the preservation of your government and the permanency of your present happy state, it is requisite, not only that you steadily discountenance irregular oppositions to its acknowledged authority, but that you resist with care the spirit of innovations upon its principles, however specious the pretext. One method of assault may be to effect, in the forms of the Constitution, alterations which will impair the energy of the system, and thus to undermine what cannot be directly overthrown."

Andrew Jackson retired to private life March 4th, 1837, after serving two terms as President; in this period he quarrelled with Congress, drove the money devils of the day from the Temple, flouted John Marshall, checkmated John C. Calhoun in his nullification scheme and ostracized the Washington socialites who refused to play with Peggy Eaton, then wrote a farewell address to Congress which contained the following paragraphs:

"It is well known that there have

always been those amongst us who wish to enlarge the powers of the general government to overstep the boundaries marked out for it by the Constitution. Its legitimate authority is abundantly sufficient for all the purposes for which it was created, and its powers being expressly enumerated, there can be no justification for claiming anything beyond them. Every attempt to exercise power beyond these limits should be promptly and firmly opposed, for one evil example will lead to other measures more mischievous; and if the principle of constructive powers or supposed advantages or temporary circumstances shall ever be permitted to justify the assumption of a power not given by the Constitution, the general government will before long absorb all the powers of legislation, any you will have in effect but one consolidated government."

The course of administration during the past three years proves that Jackson's forecast was right.

Woodrow Wilson in his book, Constitutional Government, said:

"It would be fatal to our political vitality to strip the States of their powers and transfer them to the Federal Government. It cannot be too often repeated that it has been the privilege of separate development secured to the several regions of the country by the Constitution, and not the privilege of separate development only, but also, that to other more fundamental privilege that lies back of it, the privilege of independent local opinion and individual local opinion and individual conviction, which has given speed, facility, vigor and certainty to the processes of our economic and political growth. To buy temporary ease and convenience for the performance

of a few great tasks of the hour at the expense of that would be to pay too great a price and to cheat all generations for the sake of one."

But the New Dealers and the Brain Trusters say "the Constitution is a moss grown, out-moded document good for the horse and buggy age, but entirely inadequate for our purpose of remaking the country on the Russian model, as it contains no provision for acquiring the Abundant Life under our direction."

Their chief said in 1930, as Governor of New York, "The United States Constitution has proven itself the most marvelously elastic compilation of the rules of government ever written . . . it was clear to the framers of our Constitution that the greatest possible liberty of self-government must be given to each State, and that any national administration attempting to make all laws for the whole nation, would inevitably result at some future time in a dissolution of the union itself. The doctrine of regulation and legislation by 'master minds,' in whose judgment and will all the people may gladly and quietly acquiesce, has been too glaringly apparent at Washington during these last ten years. Were it possible to find 'master minds' so unselfish, so willing to decide unhesitatingly against their own personal interests or private prejudices; men almost God-like in their ability to hold the scales of justice with an even hand, such a government might be to the interest of the country, but there are none such on our political horizon, and we cannot expect a complete reversal of all the teachings of history."

As President, since 1933, the former Governor of New York conventionally forgot his words of 1930 and attempted the complete reversal of

START WRESTLING BOUTS NEXT WEEK

Card for Opening Bout on Sept. 24th Not Yet Determined; Duseks May Start

According to the announcement of Frank and Ray Hanly, the Twin City Athletic Club plans to open its 1936-37 indoor season at the Camden Armory on Thursday evening September 24. The programs will consist of the usual five frays, with four 30-minute bouts and a windup of two out of three falls.

While the opening show is still in the making, the Hanlys did say they have signed Yvon Robert, French-Canadian sensation, who is recognized as world's champion in Canada and New England, to appear in the star bout of the initial show. One of the Dusek brothers is being sought as his opponent. Other top-notch grapplers who will probably show their wares on the opening bill are Dynamite Joe Cox, Ed. Meske, Hank Barber, Gino Garibaldi and George Koverly. The Hanlys are also lining up several new faces for the coming season.

WHAT COUNTS

It isn't what the voters don't know about London that matters. It's how much they've found out about Roosevelt—Fort Wayne, Indiana, News-Sentinel.

The New Era is offering Rytek engraved visiting cards for only One Dollar Seventy-five cents per hundred. This includes the plate. A hundred stamped from your own plate for only One Dollar.

the teachings of history with results that promise the foreseen dissolution of the union. What then about the Constitution? We had better study it more closely, and decide to hold on to it at all costs.

and street intersections. He said he had been in conference with Mrs. Joseph Beck Tyler, a member of the Riverton Civic Association, under the auspices of which the trees had been planted, and she had suggested that he consult the shade tree commission. This was done, and it was finally agreed that all the large trees should be taken out, leaving the smaller bushes which were not objectionable. The trees had been removed between the station and Elm avenue by an arrangement through Freeholder Walker D. Lamont, of Palmyra, with Albert C. Jones, of the department of highways and engineering of the Burlington County Board of Freeholders and that the balance of the work, from the station to Pompeton creek, would be done in the near future. Mrs. Tyler suggested that low-growing shrubbery be planted where the trees were removed.

Bouquets for Supervisors

Mr. Strohlein also reported that part-time instructors had been continued at the park. Councilman Robert W. Knight suggested that a vote of thanks be extended to Mr. Strohlein for the splendid way in which the activities at the park had been handled this year, which was unanimously passed. Mr. Strohlein modestly disclaimed any considerable share of the credit, and passed the bouquet on to Mrs. Carolyn Cooper and Francis Schwarz, directors supplied by the WPA, and to Wilton E. Mount, YMCA executive secretary, who had general supervision.

Mr. Merrill reported the completion of arrangements of clean-up week, starting September 22, during which the borough will have taken away without charge rubbish placed at the curb.

Mr. Merrill suggested that the borough's insurance of various kinds be made a department by itself, with a budget of its own. This matter will receive further consideration when the budget is made up for next year.

Asks About Petition

V. T. Weller of 203 Elm avenue, Riverton, appeared before council in reference to a petition which was presented early in the year, asking that Elm avenue be repaired, especially in the gutters. No reply to the petition has been received, he said. Mayor Biddle said he thought the matter had been referred to a committee to see if Palmyra would go along and repair its side of the street at the same time. The verbal report of the committee was that Palmyra could do nothing at that time. However, the mayor promised Mr. Weller that the matter would be taken up again to see if something can be done now.

Mr. Weller also called attention to a very dangerous traffic condition at Second street and Elm avenue, where shrubbery hides approaching cars. An accident happened there recently in which a woman was injured. He suggested that a stop sign be placed at the corner. The matter was referred to the highway committee which will see if the bushes can be trimmed so as not to obstruct the view.

Recorder Wants Salary

Recorder Frank Probsting appeared before council with a request that consideration be given to establishing a salary for the borough recorder and overseer of the poor, both of which offices he holds. He said that salaries were being paid in Palmyra, Moorestown, Mount Holly and many other places. The recorder submitted a record of his activities during the first eight months of the year in support of his claim that his fees were not adequate compensation for the work he does. The matter was held under advisement.

To Stress Safety Week

Mayor Biddle submitted a request from the State Safety Congress that Riverton cooperate in the safety week, September 27 to October 3, by enlisting the assistance of churches, service clubs, etc., by stressing safety from their pulpits and in their meetings. After some discussion it was decided to use the police department to place the request and accompanying suggestions in the hands of the officials of the

churches, the Rotary Club, Porch Club and Board of Education. In this connection Mr. Merrill suggested the organization of a safety patrol in the public school. Chief of Police William Gootee said that when the subject was proposed some years ago it was not approved of by the principal, but that he would interview the present principal and see what can be done.

Mrs. Joseph Beck Tyler was appointed a member of the Shade Tree Committee by the mayor and approved by council, to fill the unexpired term of Mrs. H. McIlvaine Biddle. The appointment was as of August 1.

The building committee reported operations amounting to \$350 and fees of \$250.

Asks Crossing Protection

In view of the recent accident at the Cedar street railroad crossing in which a woman narrowly escaped death, Mr. Knight recommended that the Pennsylvania Railroad Company be asked to install flashing signals there. The following resolution, presented by Mr. Knight was unanimously passed, and Councilman Earl Shrader was appointed a committee of one to interview the company.

"Whereas, the Cedar street crossing of the Pennsylvania Railroad right-of-way is a hazard to the citizens of the Borough of Riverton, therefore be it hereby

"Resolved, by the Mayor and Council that the Pennsylvania Railroad Company be requested to install flashing light signals, to conform with other crossings in the Borough."

The police committee report included two accidents, 12 arrests, one bicycle recovered and returned to owner, 29 complaints answered and investigated, one complaint of dog, three garbage complaints, three dogs and cats gassed, 24 homes reported closed, two night lodgers, 11 reports and calls from other police departments.

PALMYRA ELEVEN TAKES HAVERFORD

Snowed Visitors Under 45 to 0
In First Home Game on
Illuminated Field

The Palmyra A. C. opened the local football season on Wednesday night at the high school field, Palmyra, by overwhelming the Haverford A. C. of Philadelphia by the score of 45 to 0, before a crowd of 1000.

Palmyra scored in every period but the third, with Pratt starting the count by romping around end for the initial touchdown in four plays after the opening kickoff. Heiler went over in the second period while in the last frame Pratt and Fisher chalked up two 6-pointers each, and Rickins accounted for the remaining touchdowns. Two conversions were made as a result of passes and one by rushing.

The fast-charging Palmyra line and an alert secondary completely throttled the offensive of the visitors who registered only two first downs in the entire contest, and were within Palmyra's 40-yard line on only one occasion.

The outstanding play of the game was an eighty-yard run by Pratt of Palmyra who intercepted a pass on his own 20 yard line and ran through the entire opposing team to cross the goal line standing up.

That Palmyra has a team to be reckoned with is indicated by the fact that they held Chris Cagle's Golden Avalanche, composed entirely of ex-college stars, to one touchdown last Sunday.

Next Wednesday night at Palmyra the local team will oppose the crack First Ward outfit of Camden. This club was the conference winner in Class C last season and will present its 1935 lineup intact. The kickoff will be at 8:30 p.m.

A typical American is one who makes money at his own trade and loses it monkeying with something else.—Buffalo Blade.

AT SAVAR THEATRE

"Girls' Dormitory," new Twentieth Century-Fox picture, introduces the star discovery of the year in the brilliant new actress, SIMONE SIMON, seen above in a romantic scene with HERBERT MARSHALL.

AMERICAN BOY FULL OF THRILLS

Boys and young men who want to improve their crawl stroke, their basket shooting, their hurdling, their tennis backhand, or their ball carrying, can enlist the aid of the nation's foremost coaches and players by subscribing to The American Boy magazine and following the sports interviews and fiction stories that appear each month.

For the coming year staff writers have gone to two of the greatest football teams in the country—Minnesota and Southern Methodist—for first hand tips on strategy, blocking, ball carrying, passing, and the fine points of line play. They have written the story of Bobbie Wilson, All-American halfback.

They have interviewed famous

track coaches like Bernie Moore and Bob Simpson. Have gone to the University of Oklahoma to learn how college champions wrestle, to Notre Dame for the story of the building of a great basketball team. They have sought out famous baseball players, swimmers, tennis champions and All-American backs, to get their story of how to play the game.

American Boy fiction is jammed with instructive background details telling how to play a better game, and the rest of the magazine is jammed with adventure, exploration, vocational help and articles vital to boys.

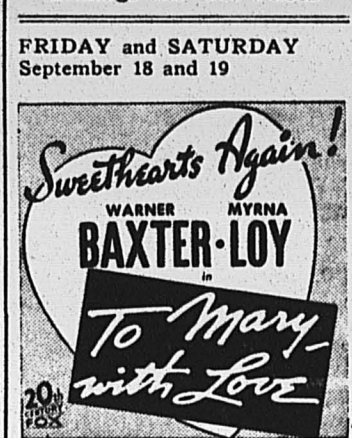

Ohio State University's track head, coach of the famous sprinter and low hurdler, Jesse Owens, and himself a former hurdling star, first learned to hurdle from articles in The American Boy. "I used to cut out hurdling pictures and duplicate

them in front of a mirror. Then on the track I'd follow the form." Today thousands of future champions are just as eagerly following The American Boy. Send your subscription to The American Boy, 7430 Second Boulevard, Detroit, Michigan. Enclose with your name and address \$1 for a year's subscription, \$2 for three years, add 50 cents if you want the subscription to go to a foreign address. On newstands, 10 cents a copy.

AID IS GRANTED W.P.A. STRIKERS

Workers Ask Palmyra Council For Temporary Food Grants Until Wages Catches Up

David Wenger, George Smith and Nicholas Hiltner, appeared before the Palmyra Borough Council representing the Palmyra members of the recent WPA strike in Burlington county, asking for food for some of their number.

Councilman Mervine offered a motion that council go on record as authorizing the relief committee to consider relief requests for food from these men without discrimination. The motion carried unanimously.

The building inspector reported \$7841 worth of improvements and submitted \$50 in fees. The report was ordered received and filed.

Mayor Ward commented upon the amount of money being spent for improvements and stated that it was an encouraging sign of better times.

Burn Vacant Lots

Council decided to ask the newspapers to request people owning vacant lots to burn off the weeds at an opportune time in order to minimize the fire hazard from dry grass and leaves.

Councilman Engle reported that the streets were about finished under the WPA program and that this week would probably be spent in cleaning up sand on the grass plots.

Council passed a resolution authorizing the clerk to send a letter to William D. J. Ely, state administrator, Mr. William Murphy, district administrator WPA, D. Lane Powers, congressman, and U. S. Senator W. Warren Barbour, asking them to cooperate in securing the passage of two WPA projects now before the administration—one for streets and one for a proposed sanitary sewer extension.

To Ask County Aid

Councilman Engle suggested that a letter be sent to the Burlington County Board of Freeholders asking them to put in next year's budget funds to pave Broad street after the trolley tracks have been removed from Palmyra station to S-41, or some part of that distance. The clerk was instructed to write such a letter.

Councilman Luce, reporting for the finance committee, recommended that borough employees and officials salaries be paid in cash.

A motion was passed authorizing the payment of \$15,000 in cash to the public school system as needed.

A resolution was passed authorizing the finance committee to borrow \$1400 from the sidewalk assessment account and \$3600 from the street paving account on 1936 tax revenue note.

The report of the sanitary inspector submitted \$8.00 in fees for plumbing and cesspool cleaning permits. The report was received and filed. The report included notice of one case of whooping cough.

Safety Committee

The mayor's appointment of a safety committee was approved by council.

May Buy New Car

Mayor Ward, chairman of the police committee, reported that it would be necessary to spend approximately \$125 to repair the older of the two police cars in order to put it in good running condition and suggested that it might be advisable to purchase a new car. The committee is investigating police car costs in other municipalities before deciding the question.

Mayor Ward stated that he had a meeting on relief with the Governor, S. S. Kenworthy, executive secretary N. J. State League of Municipalities and Arthur Mudd, State Financial Assistance Commissioner, and that he learned Palmyra (continued on page 5)

THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

48th Year No. 39

RIVERTON—PALMYRA, N. J., THURSDAY, SEPTEMBER 24, 1936

PRICE FIVE CENTS

Safety Proclamation

WHEREAS, His Excellency, Harold G. Hoffman, Governor of New Jersey, has proclaimed the period of September 28 to October 3 as Safety Week; and

WHEREAS, The Governor has requested each community to organize for concerted action against existing accident hazards to the end that greater safety be afforded our people; and

WHEREAS, Accidents involve all persons, without regard to social or financial position, race or creed; hence, the problem of prevention is one requiring the utmost in cooperation of every individual;

THEREFORE, I, H. McIlvain Biddle, Mayor of Riverton, New Jersey, pledge to the State of New Jersey, my cooperation in making Safety Week successful and to take such specific steps insofar as the Borough of Riverton is concerned, as may be necessary to reduce the existing accident hazards of life, limb and property to a minimum;

FURTHERMORE, I call upon our citizens to actively participate in such work as they are called upon to do, to cooperate with our public officials, and to exemplify the spirit and letter of Safety by their personal conduct.

H. McILVAIN BIDDLE,
Mayor.

HEADS YMCA

A. E. HARGETT

local manager of the Riverton-Palmyra Water Co., who was recently elected president of the Palmyra-Riverton YMCA.

RIVERTON ACTS IN SAFETY CAMPAIGN

Committee Appointed and Cooperation Asked of Churches, Schools and Civic Clubs

A meeting of the Safety Committee for Riverton, was held in the Borough Council chambers Monday night.

Mayor H. McIlvain Biddle was made chairman and Chief of Police William Gootee, secretary.

The committee is composed of: E. K. Merrill, president of council; Walter L. Bowen, publisher; Mrs. J. D. Clark, president Riverton Porch Club; Ross E. Mattis, Director of ERA; Rev. Alex. White, Rev. John J. McGrath, Rev. Francis B. Downs, Rev. Charles T. Bates, E. L. Williams, president Cinnaminson Bank and Trust Company; Mrs. H. P. Orlemann, president P.T.A.; Clarence Mattis, merchant; Ezra Carhart, Jr., chief of fire department and Miss Caroline M. Staman, principal Riverton Public School.

It was arranged to ask the ministers of the various churches in Riverton to devote a part of their services next Sunday to the promotion of Safety Week, and the Rotary Club, the Riverton Porch Club and Parent-Teacher Association were requested to include the subject in their programs during the week.

Posters supplied by the State Safety Council, and a number made at the Riverton Public School, will be placed in various parts of the town, and other means taken to draw attention to the necessity of careful driving.

RIVERTON MEN'S BRIDGE CLUB ORGANIZED

The Riverton Men's Bridge Club, recently organized, has joined the South Jersey Whist Club.

Other members of the club are: Walt Whitman Club, Camden Bridge Club, Merchantville Country Club, Moorestown Whist Club, Salem Bridge Club, Victor A.A. Bridge Club, Woodbury Country Club, Haddonfield Bridge Club, Vineland Bridge Club.

Dr. J. Rowland Dey is president of the Riverton Club and Howard G. Evans, secretary.

Anyone interested in this club may get in touch with Dr. Dey by phoning Riverton 930.

The first game played in the South Jersey Club was Wednesday evening of this week.

The games run until the end of February and a schedule may be obtained from Dr. Dey.

QUAIL LIBERATED

Two dozen quail were liberated in the woods along the Pompton creek on Monday by Game Warden Roy Carson.

HYMN MODEL OF ENGLISH
Cardinal Newman's hymn, "Lead Kindly Light," considered to be a model of English, is composed almost entirely of monosyllables, and with six exceptions, of words of Saxon origin.

NUMBERS FOR MOVIE TICKETS

The following six numbers are the winners in The New Era Comic Section Contest this week.

70	916
436	1154
779	1573

Present any of the above numbers at the store of the merchant in whose advertisement it appears on the last page of the comic section, and you will receive an adult pass for the Broadway Theatre.

ANNUAL RECEPTION OF PALMYRA PTA

Large Attendance at Get Together Meeting. Music and Refreshments

Over 250 attended the annual reception by the Palmyra Parent-Teacher Association in the high school Tuesday evening of this week, to introduce the teachers to the parents.

In the receiving line were Mrs. A. H. Lippincott, president of the P.T.A.; Paul Reese Jones, new supervising principal of the Palmyra schools; Miss Veve Brower, principal of the high school; Leonard R. Baker, president of the board of education; Miss Mary Egan and Miss Harriet Egan, principals of the grammar schools.

The teachers, members of the board of education and their wives were each given a rosebud to which their name was attached to make identification easier.

Refreshments were served by the hospitality chairman, Mrs. James Mickle, and her committee, and James Patchell, a teacher in the high school, played an accordion solo.

At the business meeting before the reception the following new officers were installed: president, Mrs. A. H. Lippincott; first vice president, Mrs. A. L. Martin; second vice president, Miss Mary Egan; secretary, Mrs. Martin Williams; treasurer, Mrs. Carl Frank.

ACKNOWLEDGMENT

The photograph from which the picture of the Sunflower banner carried by the Palmyra delegation at the big Republican Rally in Moorestown last Saturday night, was made, and published in last week's New Era, was taken by Nelson D. Randolph, of Palmyra.

Mr. Randolph is doing some very excellent photographic work as readers of The New Era have doubtless noticed from the several wedding pictures published recently.

PALMYRA BOY SCOUTS WATERMELON PARTY

The Palmyra Boy Scouts were entertained at a watermelon party in Taylor's cabin last Thursday evening.

After the fun, there were two addresses which thrilled the boys. Carl Thomas, famous football coach, spoke on football, and Trooper Stedler, of Trenton, spoke on "Safety and Crime."

Pleasure is very seldom found where it is sought.—Johnson.

PALMYRA PLANS "SAFETY WEEK"

Churches, Schools and Police Department Cooperating in Campaign

The ministers in Palmyra have agreed to devote a section of their service on Sunday to the Safety Week Campaign.

The safety committee has written to the traffic engineer of the Keystone Automobile Club asking for a traffic survey in Palmyra.

Sergeant John Conover, in charge of Safety Patrol work in the New Jersey State Police, has been asked to speak in the high school assembly on Wednesday, September 30, at one o'clock.

The high school classes are working on safety posters, the best of which will be exhibited at the National Safety Congress held in Atlantic City, October 5 to 9.

Plans are under way to develop a course in auto driving in the high school.

The safety committee is making arrangements to provide lights on Morgan avenue for evening skating among the younger folks.

MOVING PICTURE AT MEMORIAL PARK, SEPT. 28

The department of recreation of the Borough of Riverton with the Cooperation of the Standard Oil Company of New Jersey presents a full evening's program of movie entertainment at the park on September 28th.

This picture has been secured through the efforts of B. C. Horner, local representative of the oil concern.

As at the recent movie programs, a screen will be erected at the baseball diamond and patrons may choose between their cars or the grand stand to view the showing of this excellent picture.

It is desired that this splendid entertainment be greeted with the large attendance which has marked all other feature nights staged at the park under the direction of Wilton E. Mount. In the event of bad weather, another date will be secured or an indoor showing will be staged at another time.

The program will start at 7:30, eastern standard time, or at the arrival of darkness.

Robins and blackbirds take about six days to build a nest, but often rebuild one in a day if destroyed in the egg-laying period.

MANY ENTRIES IN PWC FLOWER SHOW

Much Enthusiasm Shown in Annual Floral Exhibit Friday

Judging from the number of entries in the seventh annual flower show of the Palmyra Woman's Club last Friday it was a great success. The judges for the show were Mrs. Charles D. Taylor and Prof. William Yates, of Merchantville, and Pierre Stanton, of Mt. Holly. The winners are as follows:

Dahlias
Class 1. White Bloom. Lewis Brown, 1st prize; Mrs. George Rhoades, 2d; Mrs. R. K. Snow, 3d.
Class 2. Red, maroon or crimson. Lewis Brown, 1st; Mrs. J. J. Caprano, 2d; Hector Dans, 3d.
Class 3. Pink, mauve or lavender. Mrs. J. J. Caprano, 1st; Harry Wenger, 2d; George Rhoades, 3d.
Class 4. Yellow or cream. Harry Wenger, 1st; Mrs. J. J. Caprano, 2d; Mrs. R. K. Snow, 3d.
Class 5. Orange, buff and autumn shades. Mrs. R. K. Snow, 1st; Mrs. George Rhoades, 2d; Lewis Brown, 3d.
Class 6. Any color not mentioned. Mrs. Rhoades, 1st; George Rhoades, 2d; Harry Wenger, 3d.
Class 7. Receptacle of not more than ten blooms. Mrs. R. K. Snow, 1st; Hector Dans, 2d; Mrs. R. M. Hollingshead, 3d.
Class 8. Largest and most perfect bloom. Mrs. R. K. Snow, 1st; Mrs. J. J. Caprano, 2d; Mrs. George Rhoades, 3d.
Sweepstakes. 1. Mrs. R. K. Snow, fertilizer, H. C. Schwering, Palmyra. 28. Mr. J. J. Caprano, pottery from W. T. McAllister, Palmyra.

Roses
Class 10. White. Mrs. A. Palmer, 2d.
Class 11. Pink. Mrs. E. R. Finn, 1st; Mrs. J. J. Caprano, 2d; Mrs. C. T. Yerkes, 3d.
Class 12. Yellow. Mrs. J. J. Caprano, 1st; Mrs. A. C. Giberson, 2d; Mrs. C. T. Yerkes, 3d.
Class 13. Red. Mrs. C. T. Yerkes, 1st; Mrs. J. J. Caprano, 2d; Mrs. A. C. Giberson, 3d.
Class 14. Tinted. Mrs. J. J. Caprano, 1st; Mrs. A. C. Giberson, 2d; Mrs. C. T. Yerkes, 3d.
Class 15. Roses not to exceed 12 blooms. Mrs. George R. DuBell, 2d. Sweepstakes. 1st, flower box from John H. Etris, Mrs. J. J. Caprano; 2d, Bouveng from Walker-Gordon Co., Mrs. C. T. Yerkes.

Garden Flowers
Class 16. Cosmos. Mrs. A. R. Keene, 1st; Mrs. Sullivan, 2d; Mrs. Hargett, 3d.
Class 17. Gaillardia. Mrs. H. B. Kennedy, 1st; Mrs. S. Headington, 2d; Mrs. A. C. Giberson, 3d.
Class 18. Gaillardia (double). Mrs. H. B. Kennedy, 1st.
Class 19. African Marigolds. Mrs. Seifert, 1st; Mrs. A. C. Giberson, 2d; Mrs. DuBell, 3d.
Class 20. Guinea Marigolds. Mrs. A. C. Giberson, 1st; Mrs. F. Nunn, 2d; Mrs. A. R. Keene, 3d.
Class 21. French Marigolds. Mrs. George DuBell, 1st; Mrs. Seifert, 2d; Mrs. J. F. Clark, 3d.
Class 22. French Marigold (double). Mrs. George DuBell, 1st; Mrs. J. J. Caprano, 2d; Mrs. A. L. Martin, 3d.
Class 23. Petunia. Mrs. H. A. Kennedy, 1st; Mrs. F. Nunn, 2d; Mrs. A. L. Martin, 3d.
Class 24. Petunia (fringed). Mrs. C. Morris Beck, 1st.
Class 25. Snapdragons. Mrs. A. R. Keene, 1st; Mrs. H. A. Kennedy, 2d; Mrs. J. J. Caprano, 3d.
Class 26. Verbenas. Mrs. G. F. Fox, 1st; Mrs. H. A. Kennedy, 2d.
Class 27. Zinnias. Giant. Mrs. Frank Souder, 1st; Mrs. H. A. Kennedy, 2d; Mrs. J. J. Caprano, 3d.
Class 28. Zinnias. Pompon. Mrs. George DuBell, 1st; Mrs. H. A. Kennedy, 2d; Mrs. A. Parker, 3d.
Class 29. Any other flowers. Mrs. J. J. Caprano, 1st; Mrs. George DuBell, 2d; Mrs. F. Nunn, 3d.
Sweepstakes. 1st, Mrs. H. A. Kennedy, \$2.00 seed order from Henry A. Dreer, Riverton; 2d, Mrs. George R. DuBell, garden tool from J. S. Collins, Riverton.

Artistic Arrangement
Class 30. Garden flowers in mixing bowl or kitchen crockery. Mrs. A. L. Martin, 1st; Mrs. J. J. Caprano, 2d; Mrs. R. G. Anderson, 3d.
Class 31. Garden flowers in any type pitcher. Mrs. H. A. Kennedy,

DORRANCE TAX PAID IN FULL

William D. Kelly, supervisor of the State Inheritance Tax Division, on Monday placed a check for \$1,180.30 in the state treasury, representing final payments on the estate of John T. Dorrance, former Camden soup manufacturer.

The state collected \$15,620.793 inheritance taxes from the estate last June after five years of litigation. The money was used by New Jersey to ease it over a relief financing crisis as well as to return to the highway department money diverted for relief.

1st: Mrs. F. Nunn, 2d; Mrs. R. K. Snow, 3d.
Class 32. White flowers combined with any color in white container. Mrs. George DuBell, 1st; Mrs. H. A. Kennedy, 2d; Mrs. R. K. Snow, 3d.
Class 33. Floral arrangement for luncheon table. Mrs. R. K. Snow, 1st; Mrs. R. G. Anderson, 2d; Mrs. H. A. Kennedy, 3d.
Class 34. Arrangement of 5 flowers in bowl or dish. Mrs. R. K. Snow, 1st.
Class 35. Most artistically arranged with receptacle. Mrs. J. Evaul, 1st; Mrs. E. R. Wilbraham, 2d; Mrs. H. A. Kennedy, 3d.
Class 36. Arrangement of flowers on or to harmonize with tapestry. Mrs. R. K. Snow, 1st; Mrs. R. G. Anderson, 2d; Mrs. H. A. Kennedy, 3d.

Class 37. Winter bouquet, artistic arrangement. Miss Helen Wolcott, 1st; Mrs. R. K. Snow, 2d; Mrs. H. A. Kennedy, 3d.
Class 38. Arrangement in shades of any one color. Mrs. R. K. Snow, 1st; Mrs. Conrad Friday, 2d; Mrs. A. L. Martin, 3d.
Class 39. Foliage. Mary J. Yerkes, 1st; Mrs. H. A. Kennedy, 2d; Mrs. R. K. Snow, 3d.
Class 40. Arrangement for porch. Mrs. R. K. Snow, 1st; Mrs. Conrad Friday, 2d; Mrs. R. G. Anderson, 3d.
Class 41. Study in green and white, green or white container. Mrs. R. G. Anderson, 1st; Mrs. A. R. Keene, 2d; Mrs. H. A. Kennedy, 3d.
Class 42. Wild flowers. Mrs. A. L. Martin, 1st; Mrs. J. T. Evans, 2d; Mrs. Conrad Friday, 3d.

Sweepstakes. 1st, Mrs. R. K. Snow, one-year subscription, Better Homes and Gardens, Des Moines, Iowa; 2d, Mrs. H. A. Kennedy, one dozen new patented Phlox Columbia plants, awarded by Wayside Gardens, Mentor, Ohio.

Junior Department
Class 43. Arrangement of 5 flowers using mirror for reflection. 1st, Eleanor Hemphill, fern, awarded by Kenney, florist, Riverside; 2d, Marjorie Spahr; 3d, A. Webb.

Juniors Under 14 Years of Age
Class 44. Arrangement of shades of one color. Phillip Snow, 1st; Beatrice Anderson, 2d; Bobby Shaw, 3d.
Class 45. Artistic arrangement of flowers for teacher's desk. Beatrice Anderson, 1st; Bobby Shaw, 2d; Phillip Snow, 3d.
Class 46. Wild flowers. Beatrice Anderson, 1st; Phillip Snow, 2d.

Sweepstakes. 1st, Beatrice Anderson, field glasses, awarded by Grover Fox, Palmyra; 2nd, Phillip Snow, trellis, by Joseph T. Evans, Riverton.

Grand Sweepstakes
1st winner, Mrs. R. K. Snow, 100 Darwin tulip bulbs, awarded by American Bulb Company, New York City. 2nd winner, Mrs. H. A. Kennedy, \$3.00 seed order, awarded by Henry A. Dreer, Riverton, N. J.

Acknowledgment
The Garden Department of the Palmyra Woman's Club takes this opportunity of thanking the judges for giving their time, the public for their support in making the show a success and the following firms that awarded prizes:
American Bulb Co., New York.
Henry A. Dreer, Riverton.
Better Homes and Gardens, Des Moines, Iowa.
J. T. Evans, Riverton.
John H. Etris, Palmyra.
Grover C. Fox, Palmyra.
H. C. Schwering, Palmyra.
Kenney, Florists, Riverside.
Wayside Gardens, Mentor, Ohio.
J. S. Collins, Riverton.
Walker-Gordon Company.
W. T. McAllister, Palmyra.

"These times are the best times that the world has seen in many years—they are teaching us something."—Henry Ford.

G.O.P. RALLY AT SYLVAN LAKES

Barbour, Powers, Powell Will Be Chief Speakers on October 5

The next big event of country-wide interest to Republicans will be the rally to be held at Sylvan Lakes near Burlington on Monday night, October 5, under the auspices of the Associated Republican Clubs of the county. This will be one of the key rallies that County Chairman Lawrence G. Mingin announced some time ago.

President Roy McDougall, of the Associated Clubs, is heading the rally committee as general chairman, assisted by members of the county committee who are heading some of the campaign activities. United States Senator W. Warren Barbour, Congress D. Lane Powers and Senator Clifford R. Powell will be present and make short addresses, and there will be three speakers from the County Committee Speakers' Bureau to talk on national, state and county issues. A program of entertainment is being arranged under the direction of

Nelson G. Myers, of Mt. Holly. An outstanding artist will be Peggy Kraft, soloist, who divides her time between New Gretna and Atlantic City. One of her numbers will be a Landon song written by a prominent Republican woman from New York. The Old Mill orchestra and entire floor show for that evening will be brought to Sylvan Lakes to furnish the entertainment. After the speaking and entertainment there will be dancing.

The average American family today is 25 per cent smaller than the average family in colonial days.

Employment

Strayer's Business School filled 669 positions in 1935, and 396 positions during the first eight months of 1936. High School and College graduates who are unemployed might do well to prepare for business positions. New classes starting now, both day and night. Charges moderate.

Who are Our DEPOSITORS

The Cinnaminson Bank and Trust Company is indeed a PEOPLE'S bank. Its depositors are many and they come from every walk of life.

SOME of them left their first dollar with us yesterday. Others have kept their accounts here for years. There is one man whose regular weekly savings deposits over a period of a quarter of a century have today assured him of financial independence for the rest of his natural life, if he were to stop work tomorrow and never deposit another penny.

A good many of our depositors are business houses, both large and small. We are proud of the fact that very few of the business houses who once started with us have changed their banking connections.

A surprising number of our depositors are women—housewives on budgets, thrifty business girls, school teachers, students and professional women. During the depression it was our women depositors who hung on longest before digging into their cash reserves—and since that time our list of new women's accounts has been growing day by day.

FINALLY, we have some customers who don't even know what a bank account is—babies and small children in whose name accounts were opened at birth and who will grow into the habit of saving as naturally as they learned to walk.

It is a big family of customers altogether. And we cordially invite you to join it.

TRUTH ABOUT THE "STOLEN LUMBER"

Five Pieces Taken by Mistake Replaced With New Lumber Before Rally

County Auditor F. George Furth, of Moorestown, who was chairman of the committee in charge of the Republican rally held at Strawbridge Park, Moorestown, on Saturday, September 12, in a statement issued Monday, pointed out that no WPA lumber was deliberately stolen for use in the speakers' platform, and that the few pieces of joist and uprights that had been utilized by mistake were replaced with brand new lumber even before the rally was held.

He sees the charges printed in various newspapers as the work of "a couple of inconsequential employees" who "have grasped this opportunity to enhance their own local political prestige."

Mr. Furth's statement, in full, follows: "My attention has been called to a headline in a county newspaper which said: 'Federal Probe Looms in Theft of WPA Lumber for Rally Platform; Moorestown Leaders Worried at Outcome of Republican Club's 'Borrowing Without Leave' From Warehouse, Return Plunder After Discovery'—and to the caption over a picture of former Senator Hiram Bingham: 'G.O.P. Ex-Senator Speaking From 'Stolen Platform.'"

"As general chairman in charge of the Moorestown rally, I feel that the complete details of what actually occurred should be given at least as much publicity as was given the distorted report regarding the alleged theft of WPA lumber.

"As a matter of fact, only three 12-foot joists and few uprights were used, and they were immediately replaced when our attention was called to the fact that WPA lumber had been used in error by workmen assigned to build the platform.

"The workmen assumed that these pieces were discarded after having been used on local township projects and had no particular value. However, when Benjamin M. Haines, chairman of the committee in charge of building the platform, was informed that this lumber belonged to WPA, he immediately ordered the lumber replaced by new material purchased from J. S. Collins & Son. The value of this so-called 'stolen lumber' has been given in a certain newspaper as being \$100. As a matter of fact, the cost of replacing the lumber which had been used was about \$6.00.

"I do not believe there is any intention on the part of any responsible official of WPA to bring action in this trivial and distorted matter. It appears to me that a couple of inconsequential employees of WPA have grasped this opportunity to enhance their own local political prestige.

"In contrast with the criticism hurled at Mr. Haines by minor 'big wigs' of the WPA, we have a letter from Mr. William Murphy, District WPA Director, to Mr. Haines, under date of September 19, one week after the rally, which says:

"In the name of the Honorable William H. J. Ely, State Administrator of WPA, and myself as Director of District No. 7, I extend to you our deepest appreciation for the splendid cooperation afforded WPA during the recent labor trouble in Burlington County."

HULLINGS SELLS DELCO-HEAT OIL BURNER

H. D. Hullings & Son are now agents for the new Delco-Heat Oil Burner, which they have on display. They are making several installations throughout this vicinity and offer the National Housing Association Act financial plan. You can purchase one of these splendid oil heating units, without a down payment, and take three years to pay, for as little as \$9.58 per month. Mr. Hullings invites you to investigate before you buy.

The average man now lives thirty years longer than he did in 1900; he has to in order to get his taxes paid.

COOPER CAPERS TO AID AMBULANCE

Miss Alice Lippincott of Riverton, is in charge of the costumes for the Cooper Capers to be given October 23 and 24. The first try-outs, scheduled for September 28, will be held in the Walt Whitman Hotel, Camden.

The Capers will be staged in the Memorial High School, Haddonfield, and will be sponsored, as the first presentation last year, by the Junior Auxiliary to Cooper Hospital.

The show last year made it possible for the Juniors to contribute more than \$1200 to the equipment fund of the hospital and this year the proceeds will be added to the fund for a new ambulance.

ADAMS-WOOLMAN
The marriage of Elizabeth Ferree Woolman, daughter of Mr. and Mrs. Walter Keen Woolman, of Riverton, to Mr. Myron Raymond Adams, of Reno, Nevada, will take place on Friday, September twenty-fifth, at the Calvary Presbyterian Church, Riverton, at half after six.

The ceremony will be performed by the Rev. Charles T. Bates, assisted by the Rev. Brewster Adams, father of the groom. A reception will follow the ceremony at the home of the bride's parents, 701 Riverbank, Riverton. The matron of honor will be the sister-in-law of the bride, Mrs. Walter K. Woolman, Jr. Other attendants will be Miss Helen A. Payne, of Greenfield, Massachusetts, Miss Brita Hendrickson, of Riverton, Miss Harriett Ann Pribble, of Evanston, Illinois, and Mrs. Robert S. Olney, of New Haven, Connecticut.

The brother of the bride, Walter Keen, Woolman, Jr., of Bryn Mawr, is to be the best man. The ushers will include Donald McBurney, of Newton, Massachusetts; Robert C. Vincent, of New York City; Philip Edward Coyle, of Marblehead, Massachusetts; and David Stratton French, of Boston.

RIVERTON P.T.A. STUDY GROUP

Mothers Hear About Improvements and Playground Equipment Added During Summer

Mrs. Francis B. Elwell conducted the first meeting of the Child Study Group of the Riverton P.T.A. on Monday afternoon. Mrs. Elwell called the meeting a School Study Group and discussed in detail the school equipment and the various improvements which have been made during the summer in their relation to the pupils. Special mention was made of the playground, clubs and duties in the various rooms and the facilities for showing talking pictures. The stage scenery for the auditorium which was painted by eighth grade pupils last year was explained.

Miss Caroline M. Staman supervising principal of the Riverton school, outlined in a general way what each teacher strives to accomplish in her particular grade and the general goal of the school as a whole.

The regular monthly P.T.A. meeting followed the child study group and was opened by Mrs. H. P. Orlemann, Jr., with a welcome to the members and a hope for continued cooperation and attendance. After the reading of the minutes, Miss Marjorie Wilson, of Palmyra, rendered two piano selections, the group joined in the singing of the P.T.A. song.

Miss Staman spoke on "Readiness for School" with special emphasis on character building. After defining character and the laws of learning, Miss Staman showed how the every-day routine of school work and the cooperation of home with school help mould children's character. The readiness of each individual child for the many new phases of school work is most important in mental and character development, and forcing a child beyond his ability accomplishes little or nothing.

Following the meeting refreshments were served by the hospitality committee. A plant was awarded to Miss Parker's class for having the largest number of mothers in attendance.

YOUNG REPUBLICAN SOCIAL ACTIVITIES

First Event Sunflower Dance in Burlington Armory on October 10

Two social functions are being planned by the Burlington County Unit, Young Republicans of New Jersey, as part of their activity in helping the County Committee to contact voters during the fall campaign leading up to the election on November 3.

The first of these events will be a "Sunflower Dance," to be held at the Burlington Armory on Saturday night, October 10. An outstanding orchestra will be engaged, and there will also be a program of entertainment to round out the evening.

The other will be the regular pre-election dinner-dance of the unit, to be held in the Log Cabin Lodge, Medford Lakes, on Saturday night, October 31.

Another activity planned by the unit in connection with the campaign is the formation of a First Voters' League in Burlington County, as suggested by the national headquarters of the Young Republicans.

William Ford, of Mount Holly, has been named chairman of the committee in charge of this work.

The unit is also handling a large quantity of the Dollar Participation Certificates in Burlington County, under the leadership of James Goodwin, of Riverton.

Hurrah for NHA!

NOW YOU CAN INSTALL A
**DELCO-HEAT
OIL BURNER**

**NO DOWN PAYMENT
AND ONLY \$9.58 PER MONTH**

Never before such a wonderful opportunity to buy the comfort, convenience and economy of automatic Delco-Heat—for so little money and on such easy terms! It's certainly a new deal for home-owners! Come in or telephone and learn how easy it is to buy Delco-Heat under the National Housing Act Plan.

Safety Week

Safety Week begins Sunday and continues until the following Saturday. Committees are functioning in both Riverton and Palmyra in an effort to make our citizens "safety conscious."

The statisticians tell us of the appalling economic loss suffered annually and bolster their argument with supporting figures that embrace scores of millions of dollars, to say nothing of the misery, suffering and grief that surrounds each individual case.

The loss of life and the host of maimed, the price paid for making the world safe for democracy, is but a fractional part of the total claimed by accident since that time.

Cooperate with your committee—think safety—practice safety—heed their warning and make the United States safe for happiness and health.

The "Red Support"

President Roosevelt and his supporters are much perturbed over the charge that the President's candidacy is receiving the support of interests which aim at the subversion of the American form of government. Roosevelt himself dramatically disclaims seeking such support and claims that he does not want it.

All of which is quite beside the point. If such forces favor his re-election it is because his actions since he was elevated to the presidency have been such as to win their admiration and approval. They do not need to be "solicited," for actions speak louder than words.

Now the question arises, what have the New Dealers done to merit the support of those who desire to revamp America after the pattern of dictatorships abroad?

In answer, it is only necessary to point to the N.R.A. under which a pants presser was sent to jail for charging less for his services than had been decreed by the code, and a small battery maker was incarcerated for paying less than the prescribed wage.

If further evidence of the trend in Washington is necessary, witness the Potato Control Act, under which a dealer could be fined \$1000 and sent to jail for a year for selling potatoes in any package other than the one ordered by the government and bearing a government stamp, the purchaser being subject to the same penalties.

The fact that the Administration made a virtue of necessity and repealed this infamous piece of coercive legislation after the Supreme Court had declared the A.A.A. to be unconstitutional, does not change the fact that it was passed by Congress under the whip and signed by the President.

Is any more drastic invasion of individual rights and liberties being perpetrated in Germany, Italy or Russia?

There is no reason to believe that if Roosevelt is returned to the White House he will give up the idea of "making over America" on the European plan. The Supreme Court decision against the A.A.A. is now being circumvented, and as soon as the election is over and Roosevelt and his advisers are firmly seated in the saddle for another four years, the American people may look for a revival of N.R.A. in its essentials, even though it may take a different form. The "breathing spell" so graciously extended to business by the President will be followed by severities of control and regimentation which he did not dare to attempt during his first term.

The only way to insure perpetuation of the American form of government is to purge Washington of the New Dealers, root and branch—the Roosevelts, the Tugwells, the Richbergs, the Frankfurters and all their ilk.

Nothing else matters so much at this time as purification of the stream of Americanism at its headwaters.

Life is a place of service, and in that service one may suffer much, but more often experience a great deal of joy. That joy can be real only if people have a definite object in life aside from themselves and their personal happiness.—Tolstoi.

CHURCH NEWS

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

In the absence of the Rev. Boyd, Dr. J. G. Bickerton, of Riverton, member of the Philadelphia Conference, will speak both morning and evening.

Sunday is promotion day in the Church School.

Next Wednesday evening we shall resume our prayer meetings. The minister will discuss the prayers of the Apostles.

PALMYRA MORAVIAN CHURCH

Rev. Albert J. Harke, Pastor

The pastor returned Thursday evening, September 17, from attendance at the Provincial Synod of the Moravian Church, North, to which he was a delegate from the Eastern District. The Synod met at Lititz, Pa., from September 9 to 17. Last Sunday he spoke on the "Spiritual Impress" of this gathering.

The services for next Sunday are as follows:

9.30 a.m., Sunday School.

10.45 a.m., Morning Service. "Living Safety."

6.45 p.m., Christian Endeavor prayer meeting. All young people are cordially invited.

Sunday, October 4, will be observed as rally day in all the services of the church. At this time the Sunday evening services will again be resumed.

The Willing Workers announce that the date of their annual chicken supper and bazaar is October 28.

CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, B.D., Pastor

11.00 o'clock, Preparatory Service. The Session will meet with anyone after the service who desires to unite with the church.

October 4th will be Rally Day in the Church School at 9.45, followed by the Sacrament of the Lord's Supper. Junior Christian Endeavor will meet at 4 o'clock and the Senior Christian Endeavor at 7 in the evening.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, S.D., Pastor

Sunday, September 27th (Eastern Standard Time)

10.00 a.m., Bible School.

10.30 a.m., Rally Day will be observed by a combined Sunday school and church service. The choir has prepared special music for this service and the pastor will deliver his sermon on "The Talents."

7.00 p.m., Young People's high school group meet in the Sunday school room.

7.45 p.m., Evening worship. Monday, September 28, being the beginning of "Safety Week," the pastor has been inspired to preach a sermon on "The Value of Human Life." Those of the public who are interested in this subject are most cordially invited.

Wednesday evening at 8 o'clock, mid-week prayer service. Starting with the meeting of October 7th, Pastor Lockett will begin a series of sermons on the Gospel of John. This will be particularly interesting to students of the Bible. Everyone invited to attend.

CHRIST CHURCH, PALMYRA

Norman Stockett, Rector

September 27th

16th Sunday after Trinity

8.00 a.m., Celebration of the Holy Communion. Rev. Mr. Stockett being the Celebrant.

10.00 a.m., Now that the summer vacation is a thing of the past, our school is again operating upon its winter program. We heartily invite parents to come and pay us a visit and see just what we are doing for the youth of our community.

11.00 a.m., Morning prayer, accompanied by a Meditation upon "Dependence on God in Temporal Affairs," conducted by the rector.

Sept. 28, 2.30 p.m., Meeting of the Woman's Auxiliary in the parish house for the purpose of extending benefits unto others, especially in the mission field. Mr. Stockett will give a short address; the president,

Mrs. William S. Branson, will preside.

Sept. 29, 9.00 a.m., This day being the commemoration of "St. Michael and All Angels," there will be a celebration of the Communion Service in the church.

Oct. 1, Meeting of the parish choir for the purpose of getting organized for the winter's work and the preparation of the music for the coming Sunday.

Oct. 3, The Auxiliary of our parish is having their rummage sale on West Broad street the first Saturday in October at the same place.

FIRST LUTHERAN CHURCH

Rev. Harold L. Creager, Pastor

Next Sunday morning will be Young People's Day in our church. This is the third Sunday in our Fall Recovery Crusade. The entire Sunday School membership is especially invited to attend the church service. The message will be on the theme, "Good Trees and Good Fruit."

There will be special music. Our friends as well as our members, both young and old, are cordially invited to worship with us.

This is Rally Day and Promotion Sunday in the Sunday School. We are hoping to see every member of the school present on this occasion.

Mid-week service will be started next Wednesday evening at eight o'clock.

CHRISTIAN SCIENCE CHURCH

"Reality" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 27.

The Golden Text is: "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him" (1 Corinthians 2:9).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Great peace have they which love thy law: and nothing shall offend them" (Psalms 119:165).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spirit imparts the understanding which uplifts consciousness and leads into all truth. Spiritual sense is the discernment of spiritual good. Understanding is the line of demarcation between the real and unreal. This understanding is not intellectual, is not the result of scholarly attainments; it is the reality of all things brought to light. God's ideas reflect the immortal, unerring, and infinite" (p. 505).

EPWORTH LEAGUE

Friday, September 25, the cabinet will hold a meeting at the home of Edwin Fisher, 505 Orchard avenue, at 8 p.m.

The regular Sunday meeting will be held at 7 p.m. in the Wesleyan room, in charge of Carrie Bates. Her topic will be "And He Regained His Sight."

The monthly business meeting and social will be held on Monday, September 28, at 8 p.m.

WESLEYAN MEN'S BIBLE CLASS

Seventy-eight members attended last Sunday morning's class service and were delighted with the accorded solos of sacred music played by Peter Wolf of the Delucia School of Music, Philadelphia and Moorestown.

Reading Poinsett's message was entitled "Dispensation of Grace," to be continued next Sunday.

On Friday, October 2nd, at 8.00 p.m., there will be a flower show in the class room. This show is being conducted by the flower fanciers of the class and a great deal of enthusiasm is exhibited, insuring a delightful display of flowers.

Sunday morning service will begin at 9.50 (Standard Time). Don't forget to set your clocks.

All men of the community are invited to attend.

OBITUARIES

GEORGE S. LUTZ

George S. Lutz, 43, of 213 Thomas avenue, died in the Jefferson Hospital, Philadelphia, last Friday, after an illness of two years.

Funeral services were held from his late residence Tuesday afternoon at 2 o'clock, the Rev. Francis B. Downs officiating.

Interment was made in Lakeview Memorial Park, Oliver H. Bair, of Philadelphia, funeral director.

The deceased is survived by his widow and two children, Betty and George, Jr.

Mr. Lutz was in the fruit and produce commission business in Philadelphia.

WILLIAM W. HAINES

William W. Haines, of Third and Arch streets, Palmyra, died at his late residence, Sunday afternoon.

Funeral services were held Wednesday at 10 o'clock from the Snover Funeral Home, the Rev. William A. Boyd officiating.

Interment was made in the Methodist cemetery.

Mr. Haines was born in Palmyra and lived there all his life.

PHILADELPHIA MARKET HOUSE TO REBUILD

The Philadelphia Market House is making plans to move to the store immediately adjoining their place of business where they will set up temporary headquarters until a complete new, modern, street-level store is built on the location they now occupy.

Temporary headquarters will be set up over this weekend.

CHRIST CHURCH RUMMAGE SALE

The Woman's Auxiliary of Christ Church, Palmyra, is conducting their annual rummage sale the first Saturday in October at the usual place on West Broad street. The proceeds go to the furtherance of Christ's Kingdom in the mission fields. Do help us in making this sale a success. All contributions will be gladly called for if you phone either Riverton 1151 or 842.

Those desiring to place flowers for display kindly have them at the class room by 2.00 p.m. Friday, October 2.

ROTARY NOTES

TRIP TO ENGLAND

"Motoring in Rural England" might well have been the title of the interesting talk given before the Rotary Club last week by James S. Coale, who has recently returned from an extensive tour of Great Britain. As a matter of fact Mr. Coale did not dignify it by any title and spoke informally but with a vividness of description which carried his listeners along with him throughout his talk.

Visited Homes

Mr. Coale and his party joined the English speaking Union, an organization with headquarters in London, which offers unusual facilities for tourists from all parts of the Empire to visit out-of-the-way places and view English country life from the homes of residents. The party took full advantage of this and were able to gain impressions denied the average traveler.

Landing in Plymouth, they were fortunate in seeing the Duke of Kent, who on that day was dedicating a hospital in the city. While there they also viewed the home of Lady Astor, who represents Plymouth in Parliament.

Respect and Loyalty

Mr. Coale was greatly impressed with the attitude of respect and loyalty exhibited by all classes toward the Royal Family. The British, he said, seem well satisfied with their form of Democracy which is peculiarly sensitive to the will of the people. He described the temperate conduct of a debate on working hours in which the Labor Party and the Government were engaged during one of his visits to Parliament.

Keen interest was manifested on both sides as the Governor defended its position, and although the discussions evidenced deep feeling there was no digression from the points at issue and no acrimony exhibited.

Change About

Britain is obviously prospering today, said Mr. Coale. On every side there is evidence of unusual building activity—particularly small homes. London, he said, is almost being rebuilt. An odd commentary on the shift in social economics is disclosed by this building program. The poor are moving from slums and tenements to individual houses. The well-to-do, in consequence of the tax situation, are moving from their large houses to apartments—just reversing the action of the poor.

Old Castles

Mr. Coale described some of the castles he visited, the history of which dates back hundreds of years. Many of these contain priceless treasures representing the accumulations of generations of Lords and Ladies, upon their ancestral estates. Many of them are show places which the public upon payment of a small fee may enjoy. Confiscatory death and income taxes makes it seem improbable that many of the present owning families will be able to continue to keep them up, and it is hoped that the state may step in to see that these treasure houses of English history are preserved for future generations.

Where Cromwell Plotted

It was in one of these castles that Mr. Coale viewed the room in which Oliver Cromwell lived for two years while plotting the overthrow of Charles I.

The furnishings and fittings were unchanged and the party enjoyed the unusual courtesy of a personal description of historical background from the present owner of the castle.

Amid all the unusual, Mr. Coale has brought back, as one of his most vivid impressions, the glory of stately rows of century-old trees on these fine estates—great avenues of cedars and oaks under whose branches have passed a colorful procession of our sturdy British forefathers for uncounted generations.

A real bargain in printed stationery is offered by The New Era during September. Rytek Double Check is on sale during this month only. Double the regular quantity per box at no increase in price. One Dollar for 200 single sheets and 100 envelopes.

Aid is Granted WPA Strikers

(Continued from page 1)

is ten points ahead of the average town on relief matters.

Will Get State Aid

At the conference it was learned that Palmyra would get a return of approximately 78c on each relief dollar spent, through the state financial assistance set-up.

George N. Wimer's relief report for the month of August was received and filed. It was voted to increase Mr. Wimer's salary \$10 a month. The August relief orders in the amount of \$557.58 were ordered paid.

The following bills were ordered paid:

PALMYRA POLICE NOTES

Joseph M. Lonergan, 752 Warren street, Edgewater Park, was arrested for drunken driving by Officer Betty of the Palmyra police force at the intersection of Broad street and Cinnaminson avenue, Monday evening.

Lonergan was taken before Dr. Dean H. LeFavor, who pronounced him intoxicated.

At a hearing before Recorder Carl W. Lutz, Tuesday at noon, a fine of \$200 and \$21.50 costs, or 30 days in the county jail, and license revoked, was imposed. Lonergan was committed to the Mt. Holly jail in lieu of the fine.

By agreement small things grow; by discord great things go to pieces.—Salust.

HENDRICKSON WINS TWO SAILING RACES

Captures First Place in Comet Class and Free-for-all Sunday Afternoon

Lynn Hendrickson, of the River-ton and Little Egg Harbor Yacht Clubs, sailed his new Comet boat to win first place in two races, Sunday afternoon, at the River-ton Yacht Club.

Skipper Hendrickson captured the Delaware River supremacy for Comets for himself, and came in first in the free-for-all race in competition with twenty other sailing craft. An odd feature of the free-for-all race was the fact that Hendrickson finished first with a Comet type boat and the next five boats to cross the (continued on page 7)

PALMYRA

Mrs. Hayes Brady, of Parry avenue, and Mrs. Jeannette McMann, East Fifth street, Palmyra, were the winners in the Sacred Heart PTA blanket club this week.

Several members of Palmyra Assembly No. 65, A.O.M.E.P., attended St. John's Assembly, of Philadelphia, on Tuesday night when they were hosts to the Jersey assemblies.

The Rev. William A. Boyd is attending the 100th annual session of the New Jersey Methodist Conference in Ocean City this week.

Miss Eleanor Voorhis, of Fourth street, Palmyra, and Miss Charlotte Durbin, of Edgewater Park, formerly of River-ton, are attending St. Mary's School, Burlington.

Mr. and Mrs. Thomas Key and family, have returned to their home on Cleveland avenue, after spending the summer in Brant Beach.

Mr. and Mrs. Rex McCrosson, of Palmyra and Hon. and Mrs. Frank A. Matthews, of Thomas avenue, River-ton, left by motor on Saturday for Cleveland to attend the national convention of the American Legion.

Mr. and Mrs. John Hoepfner and family have returned to Palmyra after spending the summer at Beach Haven.

Jack Reeves, of Easton, Pa., spent last week with Dr. and Mrs. George R. Pancoast, of Fourth street and Horace avenue.

Mrs. Albert Smith spent Tuesday with Mrs. Margaret Weber, of Florence.

Mr. and Mrs. H. B. Williams have returned from a three weeks' automobile trip through the New England states.

A surprise covered dish luncheon was taken to Mrs. C. W. Rudolph, Wednesday afternoon.

Mrs. Betty Doughty, of Broadwater, Virginia, is spending some time visiting relatives in Palmyra.

Mrs. Ellsworth Costes, of Highland avenue, won the blanket given by the P. O. of A. blanket club Monday evening.

The many friends of Mrs. Rachel Lord will be glad to know that she has greatly improved since taken to the Ziehrig Memorial Hospital, Riverside, last Friday evening.

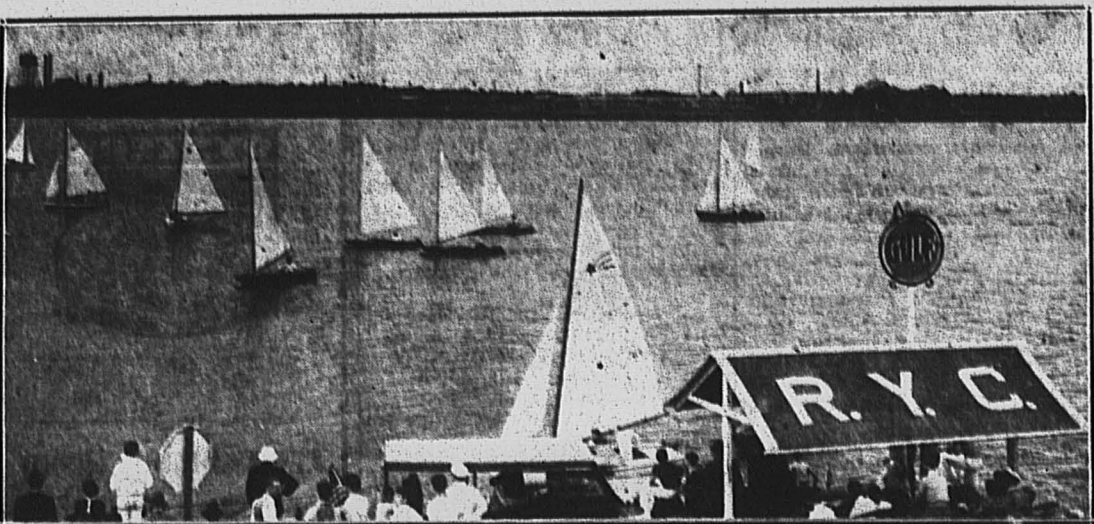

The radio and card party of the P. O. of A. was held at the home of Mrs. Jennie Windish, of West Broad street.

Drexel Patterson, commander of Post Rodgers No. 158, American Legion, Frank Klemm, drum major, and Harry Eisen are attending the national Legion convention in Cleveland this week.

Mrs. Morris Allen and children, of Burlington, spent Thursday with her mother, Mrs. Randall, of Public road.

The Palmyra Junior Woman's Club had a get-together meeting at Taylor's cabin Monday evening of this week.

LINING UP FOR SAILING CRAFT FREE-FOR-ALL RACE ON SUNDAY

Pictured here are ten of the twenty-one sailboats which participated in the free-for-all race at the River-ton Yacht Club on Sunday afternoon. The Comet boat in the foreground, with Lynn Hendrickson at the tiller, crossed the finish line first.

LOCALS SHUT OUT FIRST WARD A. C.

Touchdown and Field Goal Net Palmyra A.C. Eleven Their 9 to 0 Victory

Palmyra A.C. made it two straight by turning in a 9-0 victory over the highly touted First Ward A.C. of Camden on Wednesday night at the high school field, Palmyra. A crowd of 2500 watched the proceedings.

The locals produced the only touchdown of the game shortly after the second period opened. The way was paved for this score late in the initial stanza when, after having received a Camden kick on their own thirty line marker, the locals marched down the field on successive first downs by Pratt and Fisher. Pratt then got off one of his copyrighted runs for 30 yards as the quarter ended. At the beginning of the second period a pass, Heisler to Pratt, was good for a first down and Gamble slid off tackle on the next play for the six-pointer.

This ended the scoring until late in the last chukker when Palmyra began a sustained drive which ended when the Camden defense stiffened on their own ten yard line. Heisler then dropped back to the twenty yard stripe and drop-kicked a perfect field goal from a difficult angle.

The entire Palmyra team performed well, both on the attack and defensively. To select an outstanding player would be an injustice to the remainder of the squad.

The First Ward aggregation failed to show any thing startling in the way of an offensive and never seriously threatened the Palmyra goal line. The most outstanding display of the Camden team came in the last period when they threatened to leave the field after being penalized for what might be termed mildly as "unnecessary roughness."

Next Wednesday night Palmyra will play the aggressive eleven from Wents-Olney.

YACHT CLUB YARNS

BY NUTE AND MIKE

Peterson's (awning and sail maker of Delair), prayers were answered by storm this week. Business was boosted, sails were busted. So Peterson is in his glory. Just another storm, so what!

Saturday was a fine day—but not for sailing. However, "Charlie" Knight brought home an easy victory for his new boat. (Still unnamed). This race was also the final race of the fall series which was won by Ted Hunn. (We think.) After the regatta committee decides about four fouls of past races we'll know. But—providing things stand as is, Bert Shoemaker, winner of the first series, and Hunn will have a three-race series to decide the 1936 champ.

Speaking of regatta committees, we have a couple of 'em. One supposedly temporary (doing all the work), and a permanent one, of which the chairman resigned, who are practically unheard of. Again we say, "Some fun, ah!"

Saturday nite: Did we have fun? With a dance and midnite supper thrown in honor of Doc Voorhis, our able commodore of the past two years. Here "Doc" was presented with a set of signal flags in recognition of his fine work in the past. And boy were the refreshments good, and plenty of 'em!

Our championship races held Sunday got a tough break, when the wind didn't show up along with a couple of boats from Florence and other joints. Fortunately in the afternoon a breeze came up to give us several nice races. Although only the River-ton "Dusters" were present, the "Comet" class made a good showing with quite a few clubs being represented. The "Duster" championship was close, with Bert Shoemaker and Ted Hunn being tied at the close of the scheduled races for this class. The tie was decided in Hunn's favor later in the day by another race, making him the champ, with Shoemaker runner up.

"Linn" Hendrickson, a new member of our club, defended "Ole River-ton's" honor by winning the "Comet" class championship. Sailing his new boat he decided this wasn't enough, and proceeded to capture first honors in the free-for-all later in the afternoon. (That guy's good!)

The "L.I." race was postponed because of lack of time and air, but will be run off next Sunday morn. The last race of this class which was run at Beverly was rather undecisive as to who's got the stuff. And so competition becomes keener in this class. This time they're out for blood, and no foolin'!

Drifting Dope
Or should we call those guys who raced (?) Saturday, Drifting Dopes? We wonder is Nute Hunn, not shaving, or not washing. At least he calls it a "goatee."

What was Ed Merrill doing tripping over the finish gun, ending the "Comet" race before they

PALMYRA STARTS AT COLLINGSWOOD

High School Team Has Seven of Former Players: Game in New Stadium

The Palmyra High School eleven opens its ten-game schedule by tackling the Collingswood Hi this Saturday afternoon at 2:30 in Collingswood's new stadium. A big attendance is expected since appropriate dedication exercises will precede the game.

Seven of Palmyra's former team will be in the lineup this year. The whole football squad numbers fifty-five.

The probable starting lineup, as announced by Coach Dimond, is as follows: Jack Shay and Charles Gamble, ends; Douglas Mickle and Frank Applegate, tackles; Albert Mount and Harold Reynolds, guards; William DeVinney, center; Paul and William McDermott, halfbacks; William Koshi, fullback, and Danny Wentz, quarterback.

Palmyra's first home game will be with the Camden Vocational eleven on Saturday, October 3rd, at 2:30 in the afternoon.

crossed the line? Is it that he is becoming rattled at his age? Or as Jimmy would say, (quote) "We can see an excuse for Art shooting those ducks—but a man of Sonny's age! Tch! Tch!"

RIVERTON

Mrs. Fred Brown left Riverton Tuesday to spend the winter in Atlantic City.

Mrs. J. J. Siddall and son Jack have returned to their home on Lippincott avenue after a vacation at Prince Edward Island, Canada.

Mr. and Mrs. J. D. Clark have returned to their home on Thomas avenue after spending the summer in Ocean City.

Mrs. Hervil E. Haas has resumed her duties at the Riverton post office after attending the National Postmasters' Convention in Cleveland last week.

J. J. Siddall attended the Tercentenary of Harvard College, Boston, last week. Mr. Siddall is a graduate of Harvard.

John Warren left today (Thursday) for Lafayette College, Easton, Pa.

Mr. and Mrs. Charles DeLaney and son Buddy spent Sunday in Atlantic City.

Mr. and Mrs. Clarence Bell, Sr., were Sunday visitors in Atlantic City.

Mr. and Mrs. Porter B. Caldwell entertained at a house party at their cottage in the Poconos over the weekend. Those attending were: Mr. and Mrs. A. H. Burns, Mr. and Mrs. David Gould, Mr. and Mrs. Montgomery Simons, Mr. and Mrs. T. R. Gardner.

Mr. and Mrs. Clifford Nesbitt, of Thomas avenue, and Mr. and Mrs. George Mount, of Beverly, spent Sunday in Atlantic City.

Miss Betty Sim left Wednesday for Mt. St. Joseph's College, Chestnut Hill, Pa.

Mr. and Mrs. Carl Myers, of Philadelphia, have moved to Fourth street and Linden avenue, Riverton.

Miss Edith Ridley is spending several weeks at Long Island, New York, visiting friends.

Miss Suzanne Mattis is spending some time in Manheim, Pa., visiting friends.

Bank avenue, left Wednesday for Pittsburgh, Pa., where she will spend some time.

Mr. and Mrs. H. A. Walburn and daughter Helen have returned from Ocean City where they have been spending the summer.

The Missionary Society of Calvary Presbyterian Church went to Cranbury on Wednesday to attend the annual Monmouth County Missionary Society meeting.

Mrs. Frank Rue entertained the officers of the O.E.S. at cards last Friday evening.

Mr. and Mrs. W. H. Baker have returned to their home on Main street after spending the summer in Ocean City.

Hendrickson Wins Two Sailing Races
(continued from page 6)

line were Dusters, leaving eight other Comets to cross the line after them.

This speaks well for the performance of the Duster boats, designed originally by ex-Commodore "Ed" Merrill and built locally by enterprising young skipper.

The combination of entries in the free-for-all race was, nine Comets, ten Dusters and two Sixteen-footers. The boats sailed two laps covering a three mile course.

Hendrickson's Comet was the only one of its type attached to the River-ton Yacht Club; the others came from the Delaware River Yacht Club at Torredale; the Beverly Yacht Club and the Quaker City Yacht Club at Tacony.

In the free-for-all race John Lane placed second in a Duster and Lloyd Gladney placed third also in a Duster.

CINNAMINSON P.-T. A.

Owing to the terribly stormy night, only twenty-eight were present at the reception tendered the teachers last Friday.

A very informal talk was held, when Miss Bryan answered questions regarding reports, etc.

Those present also enjoyed personal talks with the teachers, that might have been out of the question had the gathering been as large as was expected.

The chairman of the annual membership drive, Mrs. Thomas Mood, has her committee working. Having hitched their wagon to a star this year they are putting forth all of their energy to increase the membership.

The usual cordial greeting from full classes was the reward of an interested P.-T.A. visitor Monday morning.

RIVERTON SCHOOL NOTES

Constitution Day

The first special day of the school year, Constitution Day, occurred September 17th. The play, "The Making of the Constitution," was given by the eighth grade boys. The setting of the play was out of doors. The Herald asked the audience to turn back memory's roll and picture a green common in Philadelphia in 1787. Boys were playing ball and discussing the Constitution when General Washington appeared. They then explained the contents of the Constitution which he does, and the boys feel that they know its real value. The Herald then makes the announcement that the "Constitution has stood the wear and tear of one hundred and forty-nine years and let us honor it in all the years to come." The names of the people who took part in the play are Fred Foulke, Harry Orlmann, Francis Jones, Porter Caldwell, Richard Webster, Fred Steiner, Jack McVaugh, Jack Longstreet, Granville Dare, and Norman DeLaney.

A copy of the Constitution of the United States of America was distributed to members of the Social Study groups in sixth, seventh and eighth grades.

Harry Orlmann, 8th Grade Editor Riverton School Observer

The children, large and small, of the Riverton School are glad to have the new playground apparatus.

There is one sliding board, three swings, and two basketball baskets. The children have been instructed when and how to use the playthings. The play periods are always supervised.

Harry Orlmann.

Safety Week

Safety Week, as proclaimed by Governor Hoffman, will be observed in every department of the Riverton Public School.

Posters are being made for display at the National Safety Congress in Atlantic City as well as for local display. The making of posters has been taken up as a special project in second, sixth and seventh grade art classes.

The second, third and fifth grades are preparing dramatizations of safety subjects, the fifth grade "play" to be given for the assembly program Friday, October 2nd.

The fourth grade has a nice collection of the posters distributed by the Trenton Automobile Association that they are using again for class discussions of accident prevention.

All classes are having discussions about safety measures, services for individual and common safety, accident prevention and, in the eighth grade, crime prevention. The manual training shop is paying special attention to the safe use of tools and the domestic science department will study prevention of accidents in the home.

Efforts are being made to obtain an interesting sound film on a safety subject for presentation in the auditorium sometime during the week.

"Traffic officers" are stationed at school crossings to remind pupils that jay walking is dangerous.

Miss Eleanor Sordon left last week for Ursinus College.

Jack Hallinan is attending Villanova College.

PALMYRA SCHOOL NOTES

Public Speaking II

The Palmyra high school curriculum includes, this year, a new course known as Public Speaking II. The aim of this course is of a two-fold nature: First, to provide further training for those students who have already as sophomores and juniors given much time to debating and other platform appearances as a result of the training received in Public Speaking I; Second, this course aims to provide instructive and interesting training for seniors who have need of such preparation for life. The course will consist of three parts: Part one, Fundamentals of Speech which includes bodily expression, Voice, and Diction or Word Language; part two, Interpretive Speech, including Story-telling, Interpretive Reading and Dramatics; part three, Original Speech, which includes conversation, Parliamentary Practice, Original Speech, and Debating.

Journalism

Although Miss M. Ermyrn Jewell, the teacher of Journalism, has warned students the work is to be done after school hours, the Journalism classes still continue their high membership.

Students' Guide

The new Students' Guide of Palmyra School has been placed in the hands of all high school students. Members of the handbook staff are as follows: Margaret B. Shockor, editor-in-chief; Helen R. Arndt, assistant editor; James Durham, Douglas Mickle, Lorraine Meyers, Fred Freeman, Dorothy Wolcott, June Hires, Nancy Mento, Joseph Grant, James Whitrop, Harold Reynolds, William Philo, Dorothea Trout, Betty Megahan, Marjorie Nace; C. E. McDonnell, advisor.

Palmyra High Schools

It has been reported that some high school pupils have offered various articles for sale in the town or solicited donations or subscriptions supposedly for the purpose of raising funds for some school organization.

Palmyra High School sponsors no subscription campaigns and no authority is ever given pupils to sell anything other than school tickets for school plays.

BOROUGH OF RIVERTON

Sale of Lands for Unpaid Taxes for Years as Noted

Sale on Saturday, October 17, 1936, at 10 o'clock a.m.

NOTICE OF SALE

NOTICE is hereby given that I, C. Kenneth Davis, Collector of the Borough of Riverton, County of Burlington, New Jersey, pursuant to the authority of the statute in such case made and provided, will on Saturday, the seventeenth day of October, 1936, at ten o'clock in the morning of said day at the

Riverton Council Chambers

303 Howard Street, in said taxing district, expose for sale the several tracts and parcels of land hereinafter specified, or any part or parts of said land sufficient for the purpose on which taxes and liens for the years as noted remain unpaid and in arrears, to such person or persons as will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 8 per cent, per annum, thereon, including interest and costs of sale.

This sale is made under the provisions of an act of Legislature entitled "An Act concerning unpaid taxes, assessments and other municipal charges on real property, and (P. L. 1919, p. 283, amending P. L. 1916, p. 653).

The said lands hereunder described by Block and Lot numbers, and the names of the persons against whom the said taxes and liens have been assessed, and the amounts of the same including interest to July 1, 1936, are as follows:

Block and Lot	Owner	1932	1933	1934	1935	1936
