RIVERTON-PALMYRA, N. J., THURSDAY, FEBRUARY 4, 1937

PRICE FIVE CENTS

BANK FOUNDED 30 YEARS AGO

Today Marks the Anniversary
of Cinnaminson Bank
and Trust Co.

Today marks the thirtieth anniversary of the founding of the Cinnaminson Bank and Trust Company, the institution first opening the doors of its banking house on February 4, 1907.

The quarters were located in the store of Joseph M. Roberts, in Riverton, for several months after the organization was completed, but in October of the same year the bank moved into its own building located on Main street, Riverton.

This structure was erected with the latest facilities known at that time. In 1907 it was considered to be one of the finest of its kind in the state.

Occupied Until 1928

The Cinnaminson Bank was located at this point until May, 1928, when a modern banking house was constructed at the corner of Main and Harrison streets, Riverton. Even as the building erected in 1907 was considered to be the last word in quarters for an institution of this nature, so is the new structure regarded at the present time.

The old bank building is now occupied by the Riverton post office.

Organizers

The business was begun with a capital stock of \$25,000, and the organizers were: Samuel Slim, J. Lawrence Lippincott, L. L. Sharp, M.D., E. E. Compton, D. H. Wright, John H. Lewis, William Rudduck, Joseph M. Roberts, Samuel MacMullin, Al- (continued on page 7)

FINE RESPONSE IS MADE IN PALMYRA FOR FLOOD RELIEF

A total of \$472.50 has been collected in Palmyra for flood relief, according to the local Red Cross chairman, Mrs. A. C. Hirsch. This sum will be increased considerably after the contents of the contribution jars are counted on Friday. These jars have been placed in several stores in the community.

In addition to the cash, a considerable amount of clothing has been donated by the citizens of Palmyra.

Money is still needed for relief purposes and donations can be left at the office of W. Rex McCrosson, 5 East Broad street, Palmyra, or at the Palmyra police station.

The local chapter of the Red Cross is extremely appreciative of the fine response on the part of residents of Palmyra.

LESTER COLLINS ON STATE BOARD

Lester Collins, of Moorestown, was unanimously elected a member of the New Jersey State Board of Agriculture at the annual state agricultural convention held last week in Trenton.

The term of Richard Barclay, of Riverton, expires on June 30, 1937, and Mr. Collins will become a member of the board at that time.

ROSS E. MATTIS IS RE-ELECTED

Ross E. Mattis, of Riverton, was re-elected president of the New Jersey Beekeepers' Association at the annual meeting of that organization held at Trenton, on Friday, January 29th.

Mr. Mattis has, for many years, been prominently connected with beekeeping activities and is considered to be an authority on this subject.

Sixteen states in the Union bar women from employment in public places after 10 o'clock at night.

ANTI-LYNCHING BILL BY POWERS

On request of the National Association for advancement of Colored People, Congressman D. Lane Powers presented an anti-lynching bill to the House of Representatives.

Long an advocate of anti-lynching legislation, the Congressman came to the forefront in this movement last year when he introduced a House companion measure to the Costigan-Wagner Bill. At the beginning of this session the National Association sent him a copy of a legislation they were supporting and asked, through its secretary, Walter White, of New York, that he would introduce the bill.

SCHOOL ELECTIONS TUESDAY NIGHT

No Contest in Either Riverton or Palmyra, Two for Post In Cinnaminson

The annual election of the school board members in Riverton, Palmyra and Cinnaminson will take place on Tuesday evening, February 9.

In Riverton, the candidates for the full term of three years are Mrs. Charles Yost, H. L. Unland and John L. Metzgar. All are present incumbents and face no opposition for reelection.

The two candidates for unexpired terms are M. A. Simons and Arthur H. Burns. They are also serving on the board at the present time and are unopposed.

In Palmyra

There will be no contest in Palmyra, since only three candidates have filed petitions for a similar number of vacancies. These are Leonard R. Baker, president of the present board, and George B. Snyder and W. A. Donaghy, board members.

In Cinnaminson, Howard Taylor is running unopposed for the full term of three years.

There are two candidates, B. R. Leach and Grace Dorsey for the unexpired term of one year.

BILL FOR REDUCTION OF AUTO LICENSE FEES

Senator Clifford R. Powell introduced a bill last week in the New Jersey legislature which would provide a license fee of \$5 for all privately-owned motor vehicles, regardless of horsepower.

FLOOD RELIEF STILL NEEDED

While the response to the appeal for funds to aid the flood victims has been prompt and generous, Burlington County Red Cross has raised only about \$5,500 to date. The county quota has been increased and is now \$12,000. This will necessitate renewed efforts of our people to aid those in distress.

The collection of this fund was started on Sunday, January 24, when the county Boy Scouts secured about \$2,100, in a house to house canvass. Since that time individuals, lodges, churches, schools and various other organizations have donated to the fund. While it is impossible to thank each and every one who has contributed, the Chapter wants all to know it very much appreciates the ready cooperation.

JANUARY ISSUE OF PALMYRIAN

The January issue of the "Palmyrian," in addition to giving interesting accounts of school, presents a financial report of the Activity Board from September to December, 1936.

This summary shows that gate receipts from football games played last fall amounted to \$1,297.48.

The editor-in-chief of the "Palmyrian" is Mary Gibbon, of Palmyra.

ANNUAL DINNER REPUBLICAN CLUBS

County Organizations Gather in Trenton. Governor Hoffman Speaks

The annual legislative dinner of the Associated Republican Clubs of Burlington County was held at Hildebrecht's, Trenton, last Monday evening.

Approximately 150 were present to hear Governor Harold G. Hoffman, guest speaker of the evening. Other speakers were: Hon. Clifford R. Powell, Dr. S. Emlen Stokes, Howard Eastwood, Roy R. McDougall, president of the Associated Clubs introduced Mr. Eastwood, who acted as toastmaster for the evening.

The following were present from Riverton and Palmyra: Dewitt Morris, Mrs. Gladys Snyder, Mrs. Mattie Musser, Mrs. Florrie Crawford, Mrs. Charles Landgraf, Christopher N. Peditto and Mrs. Lillian Hensen.

County Officers

County officers present were: Freeholders Walter D. Lamon, Palmer L. Adams and Albert C. Jones; county auditor, George Furth, county chairman, Lawrence Mingin, vice county chairman, Alma M. Evans.

The officers for the Associated Clubs elected for the ensuing year were as follows: President, Roy R. McDougall, Delanco; first vice president, Christopher N. Peditto, Palmyra; second vice president, John Lebengood, Moorestown; third vice president, Mrs. Pearl Bridgum, Hainesport, fourth vice president, Clarence Chance, Roebbing; fifth vice president, Joseph Lovenduski, Burlington; sixth vice president, Joseph Rhoades, Moorestown; treasurer, Elwood Ziegenfus, Beverly; secretary, Fred Hennings, Riverside; first assistant secretary, Miss Pauline Bartlett, Burlington; second assistant secretary, Gladys Hagen, Burlington.

The following alternates were also elected for the ensuing year: Alma M. Evans, Riverton; Robert Fox, Burlington; Nelson Myers, Mount Holly; Sara Parker, Florence; Theodore Stecker, Riverside; Mrs. Mattie Musser, Palmyra; George Furth, Moorestown; Ethel Briggs, Marlton.

After the business of the evening the guests were entertained with a floor show and there was orchestra music for those who wished to dance.

PRIZE FOR LEWIS AT FARM SHOW

C. B. Lewis, of Riverton, won second prize with his three bushel display of Winesaps in Division C, commercial pack, at the apple display of the New Jersey Farm Show, held last week in Trenton.

The Silver Sweepstakes Apple Trophy for the greatest number of points won by any man's exhibition was awarded to Preston C. Roberts, of Moorestown.

LACK OF STATE MONEY CAUSES INCREASE IN LOCAL SCHOOL TAX

The annual election of members of the Cinnaminson Board of Education will be held at the Westfield Public School on Tuesday, February 9, 1937, from 7.00 to 9.00 p.m. Howard G. Taylor, Jr., is candidate for a full term of three years; Mrs. Grace Dorsey and Benjamin R. Leach are running for an unexpired term of one year.

The budget as approved by the board calls for an increased appropriation from local sources of \$2,260.00. This is made necessary by the failure of state funds to be allocated to the township in amounts as previously received.

GROUNDHOG SEES LONGER WINTER

The local groundhog emerged from his hibernation quarters "somewhere in Cinnaminson," on Tuesday, took one look at his clearly defined shadow, muttered "six more weeks of winter," and promptly disappeared.

Many who feel that this prophecy is not to be scoffed at lightly are wishing that this knowing quadruped had only chosen to come up for air in January. "He couldn't have seen his shadow during the entire month," say they.

Be as it may—the weather has actually turned colder.

ACTION ON BILL FOR TAX FUNDS

Introduced on January 25 by
Senator Powell, Reported
By Committee

The bill which is designed to recover for Burlington County five per cent of the interest on the inheritance tax from the Dorrance estate was introduced in the New Jersey State Legislature on January 25, by Senator Clifford R. Powell. The sum involved is \$171,866.67.

The bill was referred to the committee on taxation, but was reported out during the early part of this week. With such rapid action, it is possible that a vote may be taken on the measure at an early date.

Text of Bill

The act proposes to amend certain existing statutes to read as follows:

"The comptroller of the treasury of this state, after the close of each fiscal year, shall draw his warrant on the treasurer in favor of the collector of each county for five per centum of the amount of transfer tax, penalties, fines and interest thereon, collected from property of decedents in said county during said fiscal year as certified to said comptroller by the state tax commissioner, whereupon the same shall be paid out of the treasury of this state.

"The terms of this act shall apply to all transfer taxes, penalties, fines and interest thereon, collected during the fiscal year beginning July first, 1935, as well as all sums of the same nature which may be collected thereafter.

"The act shall take effect immediately."

AUXILIARY TO HOLD CARD PARTY

Don't forget the card party at the Riverton Porch Club on Monday, February 8, at 2 o'clock, for the benefit of the Riverton Auxiliary of the Zurbrugg Memorial Hospital, Riverside.

If you do not play cards, make up a table for some other game, or come for tea at 4.30. The charge is 50 cents for the afternoon, and 25 cents for tea.

Make reservations for tables with Mrs. Nathan Lane, Riverton 105.

OVER 100 LOSE DRIVER'S LICENSE

A total of 105 persons lost their driver's licenses, during the week ending January 29th, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Forty-four were for drunken driving; 5 reckless drivers; 20 for failure to appear in answer to summons; 6 were speeding; 3 habitual violators; 9 were five year revocations resulting from fatal accidents and all others 18.

If you cut a pattern for quilt blocks from fine sandpaper instead of ordinary paper, you will find it will not slip. Moreover, it need not be pinned in place.

ROTARIANS HEAR ABOUT ESPERANTO

Origin and Spread of "Universal Language" Is Explained to Club Members

The narrow pattern of our knowledge and interests is seldom as clearly revealed as it was last Thursday in the interesting talk on the origin and spread of the "international language," Esperanto, given before the local Rotary Club by Henry W. Hetzel, secretary of the Philadelphia Esperanto Society. Mr. Hetzel, who is a former president of the Esperanto Society of North America, has been delegate four times to the international conventions abroad.

Assembled at these conventions are some five thousand men from all walks of life, businesses and professions, speaking thirty-five or more languages and from as many countries. Yet a comprehensive program, which includes interests of an amazing variety, requires no interpreter. Rotarians have been particularly interested participants owing to the keen interest of this world-wide organization in international good will and amity.

Published in 1887

Esperanto was first published in 1887 by Dr. L. L. Zamenhof, of Warsaw, Poland, under the name of "Linguo Internacia, by Dr. Esperanto." An interesting circumstance is said to have given rise to the study which resulted in this contribution. When a small lad, Dr. Zamenhof lived in a border town in which five nationalities were continually in friction, owing largely to the misunderstandings of multiple tongues.

LARGE COLLECTION FOR RED CROSS IS MADE IN RIVERTON

The Riverton Red Cross is most grateful for the generous response to their appeal for both money and warm clothing for the flood sufferers in this national emergency.

To date 28 large cartons of clothing, weighing 1028 pounds, have been shipped. Headquarters has requested that no more clothing be collected until they again call for it.

The Girls' Friendly Society did considerable mending on material that had been donated and made a generous donation of new clothing. Thanks are extended to Louis Plotkin for enclosing flyers in the papers free of charge.

The money collection is \$821.11, as of Tuesday night.

Additional cash donations are still needed for the relief work. Contributions may be left with Miss Antoinette Campbell, Mrs. J. Carl DeLaCour or at Smith's Store, Riverton.

Allison, of the Cincinnati Reds, in 1869, was the first catcher to wear a glove on his left hand.

A man is nearly fifty before he learns to let the world go on its way; and not always then.

PALMYRA MAYOR OPENS MARKET

John F. Ward Throws Switch To Illuminate Palmyra's Finest Store

Mayor John F. Ward officially opened the new and improved Philadelphia Market House in Palmyra, Thursday evening, when he switched on the lights which revealed the splendor of the new appointments. In his address, Mayor Ward said in part, "It is a real pleasure to greet the assemblage here and extend my congratulations to the managers of the Philadelphia Market House. They have done a swell job in their building program and I am sure they will achieve the success they so richly deserve. This is a real challenge to the people of Palmyra and the neighboring towns. A great deal of money has been spent to make a fine store, and it is now up to you to support and help these men to get back what they have spent in trying to better serve you.

"Since I was asked to say a few words at the opening, I have become store-conscious. I have noticed more particularly the stores in Philadelphia and neighboring towns and have found none that can excel the building that has been put up here. This market is a great improvement to the town. It is up to the people of the community to give their business to the local merchants; patronize them and they will, in turn, make you feel that you can depend upon them.

"Gentlemen I congratulate you upon your fine piece of work."

Many Attend

Store officials estimated that approximately two thousand residents of the three towns attended the opening and thronged the market until late in the evening. Favorable comments were heard on all sides. Numerous baskets of flowers and potted plants also conveyed the congratulations and good wishes of the many friends of the Philadelphia Market House.

There were many demonstrations of nationally famous food products and visitors were regaled with delicious tidbits on all sides. Each person attending received a bag which contained numerous articles of food. There were also several valuable awards as door prizes.

Appreciation

The proprietors of the new market, Morris Lipkowitz and David Schwartz, wish to express their appreciation to those who participated in making the opening such an unqualified success, and for the volume of business which has been handled since Thursday night.

They also desire to reiterate their intention of maintaining the same high standards of quality which have been the keynote of their business for the past 16 years.

LARGE AUDIENCE ATTENDS CONCERT

A large and enthusiastic audience attended the concert given by the Cheyney Chorus in the auditorium of the Riverton public school last Friday evening.

This organization of 45 voices presented a program of negro spirituals, and the harmonious rendition of the various numbers was extremely well received by those who were present.

The chorus is composed of students at the Cheyney State Teachers' College, Cheyney, Pa., and the affair was sponsored by the Cinnaminson Hi-Y Club, under the leadership of Howard G. Taylor, Jr.

Many citizens have complimented this group of young men on their initiative in bringing such an outstanding musical organization to Riverton.

ALARM SENT FOR SUPPOSED FIRE

Five pieces of apparatus from Palmyra and Riverton responded to an alarm early Tuesday evening for a supposed fire in the Sacred Heart Church, Riverton.

The call was the result of a pedestrian seeing what he believed to be smoke coming from the roof of the church.

A careful investigation by the firemen showed that there was no fire within the structure.

STATE FUNDS FOR LOCAL SCHOOLS

Schools in Riverton, Palmyra and Cinnaminson will share state funds which have been appropriated by the legislature to meet existing deficits in their allotments.

The amounts designated by Louis J. Kaser, superintendent of schools in Burlington county, are as follows: Riverton, \$2189.47; Palmyra, \$8739.73; and Cinnaminson, \$3341.80.

Other allotments in the county were:

NEW TWO CENT STAMP AT P. O.

The Riverton postoffice has received a supply of the new two cent stamps of the army-navy series.

These are the same size as the one cent issue of the same series and are printed in color.

The stamp in the army series bears portraits of Jackson and Scott, with a view of the Hermitage in the center.

The navy stamp shows two maritime heroes, Decatur and McDonough, with the U.S.S. Saratoga occupying the central position.

Three Cent Issue

The new three cent stamps in this series will go on sale at Washington on February 18, and at other post offices throughout the country as soon as distribution permits.

Both stamps are colored purple, the army one having oval portraits of Generals Grant, Sherman and Sheridan as the main design.

The navy stamp has portraits of Admirals Farragut and Porter, with the center occupied by a reproduction of a warship of the period when these heroes were in active service.

VALENTINE DANCE ON FEBRUARY 20

The Delta Kappa and Sigma Phi Delta Valentine Dance will be held at the Walt Whitman Hotel, Saturday evening, February 20.

From nine until two, music will be furnished by two famous orchestras. The Hudson-DeLange band will render tuneful syncopation in the senior ballroom, while Alex Bartha and his Steel Pier rhythm makers will perform in the junior ballroom.

Further information about the affair can be obtained from George Knouse, 308 Melrose avenue, Palmyra.

COLLAPSES IN RIVERTON BANK

Fred Mower, of Haddonfield, real estate agent for the A. & P. stores, collapsed in the Cinnaminson Bank and Trust Company building on Tuesday afternoon.

Mr. Mower had recently suffered from a serious illness, but had apparently recovered until being taken ill on Tuesday.

Dr. Dean H. LeFavor was summoned to attend Mr. Mower who was later removed to the Jefferson Hospital in the new Palmyra ambulance.

Country Club Notes

We are advised that the Riverton Country Club has reduced dues for the coming year, this reduction, in some classes amounting to approximately 20 per cent.

In addition, the club is offering to prospective members, who join before April 1, the beginning of the fiscal year, the privileges of the club from the time they are admitted until April 1, 1937, without additional cost.

This offer promises to be especially attractive to those who wish to bowl or to those who desire to play golf.

The open winter experienced this season has added much to the prestige of the Riverton Club as a winter course and many golfers have taken advantage of the mild days to play the 18 holes.

The members of the club are looking forward to a successful year with an increased membership.

FAMOUS SOLDIER TO SPEAK HERE

George Elias, who was born in the mountains of Kurdistan, not far from the Tigris and Euphrates rivers, near Ur of the Chaldees, will deliver his famous lecture in the Methodist Episcopal Church, Palmyra, in the third number of the current winter series. This talk has been given over 3000 times.

Mr. Elias is known as the "man without a country," having been a shepherd boy, adventurer and soldier. He served with Colonel Lawrence and General Allenby in Arabia, and his experiences with the Turks and Kurds are especially thrilling. He will also speak about the Russian revolution, having participated in that affair in 1917.

Tickets for adults are 35 cents and 20 cents for children.

A bill to prohibit "stag" parties was introduced during the 1935 North Carolina legislature's session.

"NICE" WEATHER DURING JANUARY

January weather left local residents with a feeling that February, no matter how bad it might be, could not be much worse than the first month of 1937.

Now that things have apparently changed for the better, a brief review of January may serve to show just exactly what a miserable period of weather we have been undergoing.

In the first place, it rained on exactly 22 days. The temperature, reminiscent of spring, dipped below freezing on only nine days. The average number is 22. The result, according to many: the present prevalence of colds, etc.

The mean temperature for the month was 41.5 degrees, a daily average of nine degrees above normal. The total snowfall this winter has been only 7 of an inch and 4 of this arrived during the month just passed.

The members of the club are looking forward to a successful year with an increased membership.

ATTENDED G. E. SERVICE SCHOOL

Allan Taylor, Local Dealer, Spends Week at Plant in Schenectady

Allan Taylor, member of the firm of Taylor-Mathers, local General Electric representatives, has returned after spending a week at the huge plant of G.E., located at Schenectady, N. Y.

The purpose of Mr. Taylor's trip was to attend the school for service managers of distributors of General Electric products. Several of these are held each year, eighty representatives from all parts of the country attended the one held last week.

Problems Discussed

Mr. Taylor states that service problems which arise all over the United States are presented at these schools and the proper solutions are explained by highly-trained engineers. At this particular school, emphasis was laid upon servicing refrigerators, ranges, dish washers, water heaters and laundry equipment.

As a result of his trip, Mr. Taylor is especially well qualified to handle all service problems in these various lines.

Huge Plant

In describing the huge plant at Schenectady, Mr. Taylor remarked that even a casual inspection of all the activities would require several days, since articles manufactured there range from the smallest motors to the massive turbines which are being used at Boulder Dam, refrigerator units, controls and a host of other items included in the General Electric list of electrical items.

Famous Engineer

Mr. Taylor stated that one of the highlights of his trip was the personal attention afforded the visitors by Chris Steenstrup, General Electric engineer, who, today, ranks with the leaders throughout the world in the field of electrical refrigeration.

Mr. Steenstrup is now chief engineer of the refrigeration engineering department of General Electric and has some 85 patents in his name, most of which are fundamental and are of great value to the company.

COUNTRY CLUB BOWLING

The team of S. H. Bonsall went into undisputed possession of first place by winning all three games from the M. L. Smith aggregation. Clark moved into second position as his bowlers took three from the opposition.

High single honors for the week were taken by Snowden, of J. E. Lippincott's team. Mr. Snowden rolled 223. Bartlett, of the Clark entry, was runner-up with 220. He also captured high set score with a total of 609.

OLD BANK BUILDING

The banking house of the Cinnaminson National Bank which was occupied by that institution in October, 1907. At the time of its completion it was considered to be one of the finest bank buildings of its size in the state.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

Another interesting sermon will be heard in the Methodist Church this Sunday morning at eleven o'clock. This is entitled "The Victor's Life Robe," being the fifth sermon in the series on "The Victor's Life," by Rev. W. A. Boyd, minister of the church. If you go to no other church, come hear this message on the "Robe of the Victorious Christian." Read Revelation, chapter 3:5.

The last sermon in the series on "The Word Made Flesh" will be given this Sunday evening at 7:45. "The Lost Sheep" is the theme of the sermon and service. Old hymns pertaining to the Shepherd will be sung by the choir and congregation.

The Boy Scouts of our community will attend this service in a body and participate in the service. "The Prayers of the Apostles" is the subject of study in the prayer meetings every Wednesday evening at 8 o'clock.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services for Sunday, Feb. 7
10:00 a.m., Bible school. Pastor Lockett took charge of the opening services last Sunday. Although it was very stormy the attendance stayed at its usual high mark.

11:15 a.m., Morning worship, Communion service. "The Mission of the Church" will be the topic of the sermon. There will be a roll call of all church members, who are requested to fill out roll call cards. 7:00 p.m., The membership committee of the Young People's Organization, headed by Paul Frank, will have charge of the service Sunday evening. The members of the committee are Carlette Seemuller, Eleanor Carnie, Melvin Cooper, Marie Frank and May Swayne.

County Library Activities

Notwithstanding a steadily decreasing budget, the Burlington County Free Library has constantly increased the number of volumes placed in circulating stations. In 1936, 229 more books were so placed than in 1935, and the total number last year was two and one-half times greater than in 1926.

The following table gives a very clear and concise report of the service rendered by the library. Statistical Report, 1936

Congratulations

Today marks the thirtieth anniversary of the founding of the Cinnaminson Bank and Trust Company, an institution which has been inseparably identified with the progress and stability of our community.

From a modest beginning, the Cinnaminson Bank has had a steady growth so that, today, it ranks with the leading organizations of a similar nature.

When the dark days of the "bank holiday" were upon us a few years ago, the Cinnaminson Bank and Trust Company stood out as a bulwark of financial strength, and was among the first banks in the country to reopen for business.

The able management and courteous service rendered by the staff of the banking house has won the complete confidence of the citizens of Riverton, Palmyra, Cinnaminson, and many neighboring communities.

Our congratulations are heartily extended to the Cinnaminson Bank upon passing this milestone in its development.

Flood Relief

The response to the appeal for flood relief has been particularly generous in Palmyra, Riverton and Cinnaminson, but to date the county has raised only about one-half of its quota.

We also live near the banks of a mighty river, but unlike those who reside along the Ohio and Mississippi, have never seen the horrors of a flood which has devastated the homes of countless families.

Only those who have actually experienced these harrowing conditions can really realize how much we have to be thankful for.

In appreciation of our good fortune it seems only fitting that those who have given for flood relief should, if possible, add to their donations, while those who have not yet contributed should make every effort to assist the Red Cross in its splendid efforts to meet this national emergency.

The National Human Barbecue

In the last 12 months, approximately 10,000 persons have been burned to death. One-third of them were children.

Two-thirds of all the victims perished in residence and apartment fires.

Read that over again. If anything can awaken the American people to the gravity of the fire problem, that brief statement should. If you have a strong stomach, think of those 10,000 roasted bodies. And then realize that at least eighty per cent of fires, big and little fires alike, could easily have been prevented.

It is a human frailty to read such a statement as this, reflect for a moment on the horror of it, and then forget it with the mentally-made observation that "Well, my home is safe." Perhaps your home is. But there's better than an even chance it contains hazards that you don't know about.

An up-to-date house is not necessarily a safe house, from the standpoint of fire—many a \$50,000 mansion has gone up in flames. Expensive furniture will burn as easily as cheap furniture—and the finest interior fabrics and woodwork will burn as easily as a piece of cotton cloth and a pine board.

Whether you live in a four-room bungalow or a fifty-room country palace, inspect your property regularly, or have it inspected by someone who understands fire hazards and their prevention. Get the necessary information from your fire department or a similar institution. Once hazards are found, do away with them and make sure they don't reappear.

Help reduce the national human barbecue!

PORCH CLUB

On the afternoon of February 2, a business meeting was held, followed with a humorous skit by the legislative department entitled "Taking the Lament out of Parliament." The scene depicted a meeting of the Lament Able Club, the chief feature of the meeting being an address by Senator Haircutter.

The cast was as follows:
President, Mrs. Carrie Burdett;
Mrs. Stuart Clark.
Recording secretary, Mercy Goodness; Mrs. Herbert Kieckhefer.
Parliamentarian, Mrs. Twines; Mrs. C. S. Meara.

Corresponding secretary, Miss Stake; Mrs. Charles Carpenter.
Bomb Noy: Mrs. Howard Coe.
Miss Animate: Mrs. Percy Ransome.
Senator Haircutter: Mrs. H. L. Randall.

The speaker of the afternoon, Mrs. John C. Gillam discussed at length, the great importance of the Neutrality Bill, and the many problems in connection with it.
Mrs. Gillam told of industrial home work in New Jersey and the need to have it abolished.

POWERS REQUESTS

ISLAND REMOVAL

Congressman D. Lane Powers appeared before the Rivers and Harbors Committee of the House of Representatives yesterday to request the approval of that body for removal of the salt islands in the Delaware River off the Delanco shore.

These islands were created by War Department dredges when the first 25-foot channel was dug in the river. Their removal is asked on the basis that they are a hazard to boating and swimming.

RIVERTON

Mrs. Edwin Evans and Miss Natalie Evans spent Monday in Woodbury visiting friends.

The Cinnaminson Branch of the Zurbrugg Memorial Hospital Auxiliary, were entertained at the home of Mrs. Theresa Ivers, 1010 Garfield avenue, Palmyra. Eighteen members and one guest were present. The auxiliary is planning a covered dish luncheon to be held on February 23. The group will spend a full day sewing at the hospital next Tuesday.

Rev. C. T. Bates, Pastor

The Sacrament of the Lord's Supper will be observed at Calvary Church next Sunday morning, February 7th. Members will be received into the Church at that time. Junior Christian Endeavor Society will meet at three o'clock and the Senior Christian Endeavor Society at seven o'clock on February 7th. The mid-week service will be held on Wednesday evening, at eight o'clock. Calvary Church extends a cordial invitation to all in the community who have no church home in this vicinity to enter into its worship and fellowship. The Lord's Supper is open to all Christians, irrespective of their Church membership.

Cakes will often times burn on the bottom if the oven has not reached the temperature at which it has been set. This is due to the fact that the flame is high until the set temperature is reached, at which time it automatically lowers.

1907

1937

ON February 4th, 1907, just Thirty Years ago today, the doors of the Cinnaminson National Bank were opened to the public for the first time. Since that time, with the exception of the enforced bank holiday in March, 1933, the doors have remained open and the Cinnaminson Bank has enjoyed a growth that bespeaks public confidence.

During the depression, banks became the object of careful scrutiny; many were closed throughout the country, and public confidence was at a low ebb.

That wave of uneasiness is behind us, and the security guaranteed by the Federal Deposit Insurance Corporation has effectually restored public confidence.

On the occasion of our *Thirtieth Anniversary* we desire to express our appreciation of the loyal support of the people in Riverton, Palmyra, Cinnaminson and vicinity, and to voice the hope that our institution may continue to be a factor in community development for many years to come.

BENEFIT CARD AT CAMDEN ARMORY

Ernie Dusek to Battle Stanley
Pinto, Three Falls, with
90-Minute Limit

Ernie Dusek, headman of the Omaha squad of wrestling "rioters" and Stanley Pinto, bald pate "battler" from Ravenna, Nebraska, have been signed to feature the benefit mat show scheduled for Thursday, in the Camden Armory. This week's bill is being put on for the benefit of the flood victims and judging from the makeup of the program, one of the largest crowds of the present season is expected.

Dusek and Pinto clashed several weeks ago and staged one of the roughest encounters ever seen in the drill shed. Dusek won the only fall of the match, but it proved unpopular with the vast audience. In order to give each a chance to display their superiority, the Hanly's booked the return match for two out of three falls with a 90 minute time limit.

Matros Kirilenko, clever Russian grappler, will battle to maintain his streak of wins when he clashes with George McLeod, of Iowa, in the semi-final of one fall with a half hour time limit. Another new mat star will be uncovered in the third contest when Al Sparks, of Seattle, Washington, makes his debut in a 30 minute fust with Henry Piers, of Holland. Piers gave Dynamite Joe Cox a stiff contest last week. Hans Kamper of Germany will once again demonstrate his strength when he collides with Jim Wright, of Texas, in the second bout. Jim Coffield and Ed Meske will open the show.

CARD AND RADIO PARTY, FEBRUARY 9

The Ladies' Auxiliary of the Riverton Fire Company is giving a card and radio party on Tuesday evening, February 9, in the firehouse. There will be an attractive array of prizes for the winners and refreshments will be served during the evening. Tickets for the affair are 35 cents and can be obtained from any member of the auxiliary.

About Esperanto

(continued from page 1)

One day the lad came upon a crowd seething with indignation. An old lady sat weeping in the center. He learned that she had pleasantly saluted a Russian soldier in her native tongue. Misunderstanding the friendly greeting, the soldier struck her with his scabbard. Then and there the boy decided someday, somehow, he would find a language which all people could speak. Later, although a successful specialist, he risked everything to popularize his international language.

Easy to Learn

Esperanto has profited by all the difficulties inherent in other languages. Its grammar has just sixteen rules and no exceptions. Its vocabulary has about nine hundred fundamental words. All other words are international with 75 per cent of roots used in English. Its prefixes and suffixes make it the richest of all languages. It is easy to learn—every word is pronounced exactly as written.

Esperanto does not seek to replace other languages. It aims to afford an international medium for interchange of thought. When men understand one another they take a long step forward in the direction of a solution of their difficulties. Its contribution to the business world has been far more substantial than most of us realize. Mr. Hetzel gave a number of illustrations of transactions consummated through a knowledge of Esperanto which in all probability would have failed otherwise.

100 Magazines

Comments made by him reflected very closely the potentiality of this language, which has one hundred or more magazines to further its growth throughout the world. Mr. Hetzel further remarked that it is impossible to detect the slightest native accent in the speech of any national who is using Esperanto. Thus, the Russian, the German, the

MUCH INTEREST IN POWERS' BILL

National interest is being aroused by the bill presented by Congressman D. Lane Powers to make parachutes for passengers mandatory on air line planes.

The Congressman's mail in Washington brings scores of letters daily about the proposed measure, some censuring it, others loudly approving it. Opponents of the measure claim it is not practicable, that airplane construction would need to be considerably changed to make parachutes for passengers a feasible plan. To these the Congressman has replied that all is needed is a parachute and a door to jump from. Others have claimed his plan is good so far as it goes, but that other measures are needed to make air safety a reality, such as Federal control of flying time, better equipment on the transport planes, and so forth.

"I encourage criticism, either favorable or unfavorable, to my proposal," the Congressman, who represents Mercer and Burlington Counties, asserted today. "Until the people of our country really become cognizant of the peril which accompanies air travel and until they demand remedial measures by Congress, it is practically certain nothing will be done and our national death lists will continue each year."

ENLISTMENTS IN MARINE CORPS

The Marine Corps is building up its strength by assignment of monthly recruiting quotas, in order to reach the present authorized strength of 17,000 by June 30, 1937. The eastern recruiting division of the Marine Corps will accept 150 qualified young men for enlistment during February. These men will be accepted from the New England States, and from New York, Pennsylvania, New Jersey, Delaware, Maryland, West Virginia and the District of Columbia.

Young men in this vicinity who are interested in applying for enlistment should communicate with the Officer in Charge, Eastern Recruiting Division, Room 405, New Custom House, Second and Chestnut streets, Philadelphia, Pa.

fred Smith, C. T. Woolston, F. G. Brown, Dr. Alexander Marcy, Jr., Robert F. Garwood and Joseph Morgan.

First Officers

The first officers were: Charles W. Nevin, president; Dr. Alexander Marcy, Jr., and Joseph Morgan, vice presidents; Earl L. Williams, cashier. On the death of Mr. Nevin, on November 14, 1908, Mr. Morgan succeeded to the presidency and J. Lawrence Lippincott became one of the vice presidents.

Board of Directors

The original board of directors was composed of Charles W. Nevin, Dr. Alexander Marcy, Jr., Joseph Morgan, Samuel F. Finggold, George S. Frank, Samuel Slim, J. Lawrence Lippincott, Charles A. Wright, J. Otto Thilow, Edmund Holmer, Joseph M. Roberts and Collins H. Haines.

Of the original board, only Mr. Frank, Mr. Holmes and Mr. Wright are now living.

Mr. Holmes and Mr. Frank are members of the present board.

Presidents

Mr. Morgan served as president until his death in February, 1917. He was succeeded by Dr. Marcy who occupied that position through 1921, when he was compelled to retire because of ill health. From that date, until the present time Earle L. Williams has been the president of the institution.

Present Officers

The present officers of the institution are: President and trust officer, Earl L. Williams; vice president, Charles C. Miller; secretary-treasurer, Howard B. Conover; assistant treasurer, H. J. Kemmerle; assistant secretary, M. H. DeCoursey; assistant trust officer, Marie I. Wiseman. Directors: Howard B. Conover, George C. Frank, Arthur C. Haines, William A. Hendrickson, Edmund S. Holmes, Charles C. Miller, Charles S. Mills, Howard M. Rogers, James T. Weart, Earl L. Williams.

Financial Development
From a modest beginning on February 4, 1907, when the initial deposits were \$4068.75, the business of the bank had increased rapidly from year to year. In 1917 these amounted to \$555,577.92, in 1927 to \$1,126,274.97, while deposits as of February 1, 1937 were \$1,559,237.89. During the enforced banking "holiday" of four years ago, the Cinnaminson Bank and Trust Company was one of the first institutions to reopen.

In those days of anxiety, the people of Riverton and neighboring communities were loud in their praise of the efficient management of the local institution.

RADIO PROGRAMS FOR BRIDES-TO-BE

Information that will help the bride-to-be plan "The Home Beautiful" will be featured in the Home-makers Forum broadcasts to be presented over Station WOR during February. The broadcasts, a presentation of the Home Economics Extension Service of Rutgers University, will be heard at 3.15 p.m. Wednesdays. They are a continuation of the special three-months series of programs for brides inaugurated by the Extension Service in January.

Specialists of the extension service staff and other members of the university faculty will furnish the information included in these broadcasts. The program, which is being presented under the direction of Mrs. Marion F. McDowell, extension specialist in child training and parent education, follows:

February 3—"The House That Jack Built. Advice for the bride on the problem of "How much can we spend for housing?"

February 10—"And How About Insurance? The bride and groom consider its place in their budget and its advisability from the standpoint of saving as well as protection.

February 17—"The Home Beautiful. The bride talks with an interior decorator.

February 24—"Spice and Span and Shining. The minimum of labor and the maximum in results when it comes to scrubbing pots and pans, polishing furniture and waxing floors.

PAST GRANDS TO MEET AT K. C.

Officials from All Sections of
State to Gather on
February 8th

One of the highlights of St. Joseph's Council activities will be the night of Monday, February 8th. This date has been set aside as "Past Grand Knights" night or "Old Timers" night, when officials from all sections of the state and county will gather at the Knights of Columbus hall to participate in the elaborate program arranged for this affair.

John L. Strohlein, Grand Knight, heads the committee and announces that this no doubt will be the biggest affair held in the council for a long time past.

Every Past Grand Knight of St. Joseph's is still a living member, and will attend this testimonial given in his honor. District deputies, state officials and every Grand Knight in the councils of Burlington County together with their fellow members will be there.

T. Austin Eadon, a past district deputy, was the first Grand Knight of St. Joseph's Council of Palmyra. Riverton; the others who served in the following order are: Michael J. McDermott, Augustus E. Conlow, Joseph F. Yearly, Harry C. Sim, Adolph J. Strohlein, Andrew J. Pfaff and William J. Eck.

SCOUT FATHER- SON BANQUET

Troop 21, Boy Scouts, of Parry, will hold their father and son banquet on Monday, February 8, at 6.30. This will be a part of their annual observance of Boy Scout Week. Places will be laid for sixty-five scouts, fathers and guests.

The main speaker will be Paul Reese Jones, supervising principal of Palmyra Schools. George Darlington, Burlington County scout executive, will also be present. Rev. A. J. Hark, chairman of the troop committee, will be toastmaster.

Arrangements for the banquet were made by the troop committee, Scoutmaster William Gibson; Assistant Scoutmasters Charles Dorworth and Martin Eckert. A committee of scout mothers and other interested women will have charge of the banquet.

Sunday evening, the boys of Troop 21, will have as their guests Troop 9, of Palmyra, in the Moravian Church. A special feature will be the Investiture Service.

RADIO GARDEN CLUB PROGRAMS

Timely and practical information on seeds and plans for the 1937 garden, bulbs for spring planting, the indoor forcing of early flowering shrubs, the use of carpet plants, and other seasonal aspects of gardening will be included in the Radio Garden Club broadcasts to be given over Station WOR in February, according to the program for the month announced today. These 15-minute discussions, presented by the Agriculture Extension Service of Rutgers University, are heard at 3.15 every Tuesday and Friday afternoon.

NINTH WIN FOR LOCAL HOOPSTERS

Palmyra High School Defeats Moorestown 34-17, in League Contest

The Palmyra High School sharpshooters racked up their ninth straight win of the season, and their seventh in Burlington County League competition, last Friday night when they soundly trounced Moorestown on the local court by the score of 34-17.

Coach Dimond's hoopsters have met every rival in the Burlington loop at least once, and all have suffered defeat at the hands of the Red and White quintet, who now lead with an unblemished record.

Rivals Start Strong

Moorestown started with a rush and held Palmyra on even terms during the first period, the score at the end of this session being five all.

The locals opened up in the second stanza, however, to lead at half-time by 14 to 7.

They maintained this pace throughout the remainder of the contest by doubling the Quaker count in each of the last two frames.

Long Shots

The opposition scored four double-deckers in the third and fourth quarters, but all were cut loose from way out. Palmyra has much better success with their attack and most of the local points as a result of excellent passing to strategic points under the hoop.

Rauthbaum and Coe led the Red and White assault, the former scoring five doubletons and two charity heaves, while the latter counted six times from the floor and once from the 15-foot line.

PEACH TREES ARE STILL UNINJURED

Speculation is rife concerning the result of the warm weather in respect to buds on peach trees, but state agricultural authorities claim that injury will not result unless zero temperature is experienced in the near future.

According to observers, the buds have swollen to a certain extent. This development is not considered alarming, however, by experienced growers.

Experts state that the greatest cause for alarm will be late spring frosts, in that trees will start to grow early because of the mild winter.

PALMYRA LOSES ANOTHER MEET

Local Natators Trimmed By Audubon, Winners Take All First Places

The Palmyra mermen suffered their second defeat of the season on Monday afternoon at the Camden Vocational pool when they were soundly trounced by the Audubon swimmers. The score was 58-17.

The locals were severely handicapped by the lack of material, being forced to forfeit the medley relay and the 100-yard breaststroke because no entries were available.

Audubon captured initial honors in every event. The Palmyra scores were as follows:
40-yard breaststroke: Burns, third.
200-yard freestyle: Matthews, third.
100-yard backstroke: Smith, second.
100-yard freestyle: Burns, second.
Diving contest: Philie, third.

GAMES IN LOCAL COURT LEAGUE

Rogers' News Beats YMCA in Close Encounter, Burke-Eisley Team Wins

Interesting games were played in the Palmyra-Riverton Basketball League on Monday night at the high school gymnasium.
The Burke and Eisley five set too fast a pace for the Tak-Abost hoopsters, the former aggregation winning by the score of 36-26.
The Trojans won the decision over the Artisans in the second game of the evening, the score of this encounter being, Trojans 25, Artisans 14.

The final encounter was the most hotly contested of the evening. In this event, the Rogers' News quintet finally nosed out the Y basketers by the narrow margin of a single point, the final score being 18-17.

Palmyra Hoopsters Mow Down Opposition for Eighth Win in League

The undefeated Palmyra High School basketball team took Riverside to the cleaners for the second time this season, when they defeated the latter on Tuesday night by the score of 30-20, the engagement being played on the court of the opposition.

YMCA BRIEFS

Rifle Club Started
The YMCA has established a rifle range in its basement and an active rifle club is already shooting away at targets on Monday evenings. This club is under the supervision of Lawrence Parker, who is a member of prominent gun clubs and active in teaching the proper use of fire arms. Mr. Parker will supervise all activities of shooting which includes the observation of strict rules, to provide a maximum of safety. The following boys were present at the opening of the range: Thomas Brad-dock, Richard Deemer, Bernard Martin, Harry Groome, and Peter Leonard. George Lippincott was an interested spectator who is considering joining the club.

J. L. Metzgar, chairman of the athletic activities committee, aided materially in the construction of the range in helping to secure a target plate.

It is the plan of the "Y" to afford the maximum number of boys the opportunity to learn how to properly handle small arms. It has been suggested that an adult group be formed. If you are interested, communicate with the secretary of the YMCA, Wilton E. Mount, or Mr. Parker at 777 W. and further plans will be gladly considered. The shooting is being conducted under the rules of the National Rifle Association for junior members.

Local Men at "Y" Dinner
C. H. Davison, president of the Mercer County YMCA, an active layman worker in the YMCA for the past 20 years, was host of the state meeting of "Y" men in the Choir School, Princeton, Saturday, January 30. The following men were members of the delegation from this area: A. E. Hargett, Francis B. Elwell, Joseph G. Seel, Clifton P. Mayfield, Nathan Lane, Robert Adams, George Wimer, Howard G. Taylor, Jr., president of the Burlington County "Y" and Secretary Wilton E. Mount.

The new stamps are identical, with the exception of the denomination numerals and the color, the 20 cent stamp being printed in green, and the 50 cent stamp in carmine. The stamps are of the same size as the 25 cent trans-Pacific air mail stamp and conform thereto as to design, except for the elimination of the inscription reading: "November 1935."

The new stamps will be printed by the Philatelic Agency, Washington, D. C., on February 15, 1937, but the agency will not prepare covers for mailing on that date. To insure prompt shipment, mail orders to the Philatelic Agency must be limited to 20 cent and 50 cent trans-Pacific air mail stamps.

The new stamps will be available at other post offices where there is demand therefor as soon as practicable after February 15.

The Garden Department of the Palmyra Woman's Club will hold a covered dish luncheon at the home of Mrs. J. W. Evald, 735 Morgan avenue, Palmyra, on Monday, February 8.

A feature of this affair will be a contest among the members, with a prize to be awarded for the most unusual small decoration for the home.

This may be for the dining table, living room table, window sill or for a hanging basket.

This contest is one of the Garden Department's activities.

The Sacred Heart P.T.A. will hold its monthly meeting in the school auditorium, on Thursday afternoon, February 11, at 3 o'clock. The executive meeting will be held at 2.30.

The Ivory-billed woodpecker, the largest of its tribe in the United States, has been reduced in numbers until only two remnants, numbering a few score birds are now definitely known.

The same situation exists in respect to the vanishing desert mountain sheep or bighorn.

Plans for the preservation and restoration of these two species of wild life are being made by the National Association of Audubon Societies.

The Garden Department of the Palmyra Woman's Club will hold a covered dish luncheon at the home of Mrs. J. W. Evald, 735 Morgan avenue, Palmyra, on Monday, February 8.

A feature of this affair will be a contest among the members, with a prize to be awarded for the most unusual small decoration for the home.

Too Much Legislation

By RAYMOND PITCAIRN

National Chairman
Sentinels of the Republic

At the opening sessions of our present Congress, more than 2,000 bills were submitted in the fond hope that they would be enacted into law.

The total continues to rise. What do these measures propose? Many things—from reckless experiments with our Constitution, to minor relief bills which would dip deeply into public funds for the benefit of constituents pressing a wide variety of demands.

But is all that legislation and wordage either good or necessary? Obviously not. What the average American wants of Congress can be expressed in far fewer words and measures. It includes:

Continued protection in the rights guaranteed him under the Constitution—among them freedom of religion, of speech and of the press.

Opportunity to conduct his own affairs and live his own life, unharmed by edicts from appointed bureau chiefs or coercion by minority groups.

Relief from needless extravagance in government, which must ultimately be paid out of increased taxes on both his present and his future earnings.

A sincere respect for the Constitution of the United States, under which this nation has surpassed all others in the freedom and the well-being of its people.

These desires are comparatively few. They impose no great strain on Congress. And if met they will do much not only to retain our successful form of government, but to smooth and broaden the path toward recovery which all America seeks to tread.

Too much legislation can block rather than widen that path.

THIS is an article about fruits and includes some interesting recipes in which fruits are used. Of course, there are salads made by combining varieties of fruit. The only advice needed concerning these recipes is that all the salad ingredients must be well chilled. Limp, lukewarm salads never attract any attention, but those that are crisp and well-flavored bring orders for more.

The citrus fruits, bananas, apples and pears may be used in countless ways; in recipes for baked foods or for refrigerator recipes. A miscellaneous group of such recipes is suggested here. They are old favorites made new by the use of fresh fruits.

Orange Blanc Manger
2 tbsp. gela- 2 cups milk
tine 2 large oranges
6 tbsp. sugar ½ cup shredded
¼ tsp. salt cocoanut

Soak gelatin in ½ cup of the milk for five minutes. Add sugar and salt to remaining milk and scald. Pour this over the soaked gelatin and stir until dissolved. Peel the oranges and remove all the white skin. Slice and add with the cocoanut to the gelatin mixture while it is still warm. Cool, stir and pour into wet molds. Unmold when firm and serve with cream.

Orange Sponge Pie
Juice and rind of 2 eggs
½ orange 5 tbsp. flour
Juice and rind of 1 cup milk
½ lemon 1 tsp. butter
1 cup sugar ¼ tsp. salt

Mix sugar, flour, salt, add the well beaten egg yolks, fruit juice and rind. Mix well, combine with milk and melted butter. Pour over stiffly beaten egg whites and fold together.

Baked Bananas
Peel bananas. Arrange in shallow baking dish, brush with melted butter, sprinkle with salt and bake at 375 degrees for ten to fifteen minutes. Or—

Place unpeeled bananas in a shallow pan and bake at 375 degrees for ten to fifteen minutes or until skins are dark and bananas soft. Serve in the skins with one section pulled back.

Brown Betty
6 juicy apples ¼ tsp. cinnamon
2 tbsp. butter 1½ cups bread
¾ cup sugar crumbs

Peel and core apples. Slice very thin. Mix sugar and cinnamon. Place a layer of apples in a buttered baking dish. Sprinkle with cinnamon and sugar, dot with butter and cover with crumbs. Repeat until dish is full. Cover top with crumbs. Bake at 350 degrees until apples are tender, forty to forty-five minutes.

49th Year No. 6

IMPORTANCE OF
SCHOOL HEALTH

Mrs. A. Kay Long Outlines the
Work of This Department
in Palmyra Schools

Mrs. A. Kay Long, school nurse
in the Palmyra Public Schools, has
prepared an interesting report which
outlines the work of her department
in a manner which clearly indicates
the steps which are being taken to
safeguard the health of children who
are attending the Palmyra schools.

This report follows:

Since health is one objective of
education, the school should know
the health status of every child in
order to set up a program which
will meet the needs of all, whether
handicapped or normal, and, since
education is compulsory, we try to
safeguard the children from injury
to themselves and others as our
group education is carried on. Thus,
it is necessary to know the child and
one of the ways is through the
health examination, the psychiatric,
and psychological tests.

Annual Examination

The annual health examination is
given to all school children as soon
as possible after school begins in the
fall. Physical handicaps seriously
retard the child in school progress.
We try to detect early such defects.
1,405 examinations have been
made in the clinic, away from the
rest of the class.

541 deviations from the normal
were found and cards requesting a
consultation with the family physi-
cian were sent home. A few weeks
later a follow-up note was sent to
determine the progress of defect
correction being made.

Care of the Teeth

In recent years a great deal of
attention has been focused upon the
teeth of school children. It is gen-
erally believed much damage can be
done to other organs of the body
by reason of drainage into the blood-
stream of pus from diseased mouth-
parts.

916 inspections of teeth have been
made by the dental inspector.

Palmyra Council Authorizes
Engineers to Apply for
WPA Project

The Palmyra Borough Council, at
its regular meeting Tuesday evening,
passed a resolution authorizing the
engineers to apply to the WPA for
an additional sanitary sewer exten-
sion project, known as number 6,
to meet the requirements of the New
Jersey State Board of Health.

A second motion was passed au-
thorizing Remington and Goff, bor-
ough engineers, to prepare plans and
specifications covering the necessary
additions to the disposal plant to
meet these requirements. The addi-
tions required by the State Board of
Health before a permit will be issued
to the borough of Palmyra are, the
installation of a variable speed
motor, sludge digestion tank and the
enlargement of the sludge drying
boards.

Cost \$5800

It is estimated that the increased
cost to the borough, over and above
costs previously announced, will
total \$5800, providing the sixth WPA
project to supply the labor, can be
obtained. If not, an additional
\$2200 will be required to meet the
state's demands.

The improvements to the present
pumping station, it is estimated, will
increase the assessment for each 50-
foot lot from \$87, as previously an-
nounced, to approximately \$101.

Only one machine was in the
structure at the time of the blaze,
a Packard coupe belonging to
Jacques Legendre. Although efforts
were made to get this out of the
building, it was badly damaged.

The fire had made considerable
headway before being discovered,
and flames were shooting through
the roof by the time the Riverton
Fire Department received the alarm.

Efficient work on the part of the
firefighters quickly squelched the
blaze and prevented the spread to
the home of John C. Geiss, which is
adjacent to the garage.

The fire was of undetermined
origin.

PRICE FIVE CENTS

LINCOLN'S Birthday

The Gettysburg Address

Four score and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal.

Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battle-field of that war. We have come to dedicate a portion of that field as a final resting-place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this.

But in a larger sense we cannot dedicate, we cannot consecrate, we cannot hallow this ground. The brave men, living and dead, who struggled here, have consecrated it far above our poor power to add or detract. The world will little note nor long remember what we say here; but it can never forget what they did here. It is for us, the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us: that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; and that this nation, under God, shall have a new birth of freedom; and that government of the people, by the people, for the people, shall not perish from the earth.

SCHOOL BOARD
MEMBERS NAMED

Elections Held on Tuesday in
Palmyra, Riverton and
Cinnaminson

School board elections occupied
the center of interest on Tuesday
night when members were named in
Riverton, Palmyra and Cinnaminson.

In Riverton, although there was
no contest, 163 votes were cast. Five
members of the present board were
up for reelection. The vote is sig-
nificant of public interest in that
only about 60 ballots figured in the
election a year ago, at which time
there also was no contest.

The results of the election were
as follows:

Full Term

H. L. Unland, 153; Mrs. Charles

ANNUAL DINNER AT YACHT CLUB

Over 300 Attend Affair, Report
For Season Is Given by
Commodore Voorhis

The second annual dinner of the Riverton Yacht Club was held last Wednesday night at Weber's Hot Brau, being attended by over 300 members, their friends and delegations from other yachting organizations.

The commodore, Dr. Charles F. Voorhis, and vice commodore, G. F. Petry, acted as the masters of ceremony.

There was a varied program of entertainment during the evening and a number of attractive door prizes were awarded.

The Year Book of the club for 1937 was distributed at the dinner. This contains a resume of the past achievements of the organization, together with the various schedules for the coming year.

Annual Message

The annual message given by the commodore in connection with the year book follows:

"The season just concluded has been the most successful in the past ten years, and we look forward eagerly to renewing our efforts for even greater pleasure and accomplishment in the season just ahead."

"In presenting this Year Book of the Riverton Yacht Club, the purpose is first to acquaint you with the fact that we are about to start our 1937 season with reason to anticipate much pleasure in the field of water sports."

"Secondly, we are dedicating this book to one of our members, E. K. Merrill, who personifies our idea of a true yachtsman. This, therefore, is our means of expression."

"In reviewing the outstanding events of our club during the past year, we have reason to be proud of our accomplishments, but we must not allow the splendid record of our past honors to blind us to the necessity of making a greater effort in the future."

Coming Season

"Our outlook for the coming season is encouraging. The number of boat-minded people is increasing in great numbers, largely due to the congested highways and hazards of automobile travel. The waterways will find more travel this coming year than has been seen for many years. We cordially invite those who enjoy water sports to affiliate themselves with a yacht club and become active, that they may enjoy the fraternal spirit and exhilarating sport found nowhere else. Naturally, we suggest the Riverton Yacht Club."

"In a personal vein, may I as your commodore, express my deep appreciation of the splendid cooperation and true sportsmanship of our members. That the morale and standing of our club be maintained at a high level is my earnest and sincere wish."

P. O. S. of A.

Camp 23, of Palmyra, will present Professor William H. Jones as guest speaker at the forum to be held at the P. O. S. of A. hall on Monday, February 15, at 8.30 p.m.

Professor Jones is a member of the Camden High School faculty and is in charge of delinquent children. He is considered an authority on the problem child and will relate some of his interesting experiences.

The meeting is open to men and women of the community and they will be given an opportunity to comment on the address or to question the speaker.

District President Charles Rommel installed the camp officers last Monday night. Degree Master George Evans read a brief autobiography of Abraham Lincoln.

Plans were discussed for class initiation and the entertainment committee proved themselves good fellows by serving refreshments.

Washington's birthday will be celebrated by a reunion of past presidents of the camp.

Man has his will; woman has her way.

TOPHATTERS IS HI-Y NEW NAME

At the regular meeting of the Cinnaminson Adventure Hi-Y on Thursday night, February 4th, "The Tophatters" was selected as a new name for the club. The boys selected this because the former designation, "Cinnaminson Adventure," was too long.

It was voted upon to send a liberal sum for the help of the flood sufferers.

The Tophatters club and its sponsors wish to thank all the citizens of Riverton and vicinity for their cooperation and support you gave them in the program of the Cheyney Singers, that was presented in the Riverton public school on January the 29th. The program was well attended and was a big success. Our next meeting will be held in Howard G. Taylor's cabin on Thursday night, February 11th.

Ed. Morton, Reporter.

CINNAMINSON P.T.A.

Founders Day is to be celebrated in Cinnaminson by an evening meeting, on Wednesday of next week, the 17th.

The speaker will be Dr. H. Paul Jones, psychologist, whose talk will be most interesting to the parents as well as to the teachers.

The band, comprising members of the four lower grades, will also be on hand to give one of their delightful entertainments.

Program begins at seven thirty, in the auditorium of school No. 2. Busses make the usual rounds at seven p.m. Publicity.

REVOCATIONS OF DRIVING LICENSES

A total of 110 persons lost their driver's licenses during the week ending February 5th, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Thirty-nine were for drunken driving; 7 for reckless driving; 3 for speeding; 7 habitual violators; 32 were for failure to appear in answer to summonses; 4 were five year revocations resulting from fatal accidents and all others 18.

With the inclusion of this week's figures, the department during 1937 revoked 173 licenses for drunken driving and the total of all revocations reached 430.

PORCH CLUB

A demonstration of printing, etching and wood cuts will be given by Richard E. Bishop at the meeting of the club to be held on Tuesday, February 16, at 2.30 p.m.

Mr. Bishop is an etcher of great distinction and a national authority on the subjects which he will discuss.

SACRED HEART P.T.A.

The Sacred Heart P.T.A. will hold its monthly meeting in the school auditorium on Thursday, February 11, at 8 o'clock. The executive committee will meet at 2.30.

YMCA STAMP CLUB of Palmyra and Riverton

The next meeting of the Palmyra-Riverton YMCA Stamp Club will be held in the Y building, Palmyra, on Friday evening, February 26.

The guest speaker will be Howard Morris, of Chester, Pa., who will display his exceptional collection of the stamps of the Philippine Islands. According to authorities in philatelic circles, Mr. Morris has the finest P. I. collection in the east.

Members of other clubs, or any interested persons, are invited to attend this meeting.

ABRAHAM LINCOLN

FEW of the many great figures in American History have, by their deep understanding and broad human sympathy, so enshrined themselves in the hearts of the people, as the Great Emancipator.

Few have given so unselfishly of themselves for the good of humanity, and none have served with a finer spirit of loyalty to the Union of these great United States.

As the years pass, may the example of this great American Statesman be an inspiration to those who are striving to preserve our American traditions in the fast-moving tempo of American life today, and may it be an even greater inspiration to our youth—the Statesmen of Tomorrow!

ANNUAL MEETING OF CHURCH CHOIR

The members of the Central Baptist Choir held their annual dinner and election of officers last Thursday evening in the social hall of the church. About forty members and their families were in attendance.

The officers for the ensuing year are as follows: President, Mrs. Evelyn Weart; first vice president, Mrs. George Mack; secretary, Mrs. Mae Swain; treasurer, Miss Helen Adams; librarian, Edward Hughes. Claude Y. Barto was re-elected as choir director.

FINGERPRINTS AID IDENTIFICATION

Fingerprinting, in the minds of many, is associated with hardened criminals and similar gentry. It is true, moreover, that individuals charged with certain offenses are "fingerprinted."

Identification by means of fingerprints has, however, valuable uses other than criminal classification. Many records are available to show where victims of amnesia, accidents, etc., have been identified solely by their fingerprints, all other methods having failed.

The fingerprint file in Washington contains many cards which have been filed for this very reason.

Chief William Gentry of the Riverton police department, will be glad to take fingerprints at any time and to furnish any information which may be desired along this line.

CLUB PROGRAM TO HONOR LINCOLN AND WASHINGTON

The next meeting of the Woman's Club of Palmyra, February 15, at 2.30, in the clubrooms, will be in charge of Mrs. James Weart and Mrs. Charles Mallory who will present a program honoring Abraham Lincoln and George Washington.

Mrs. Weart has been interested in junior activities for a number of years, having been junior department chairman from 1933 to 1935, member of the executive board and was again appointed junior chairman for the year 1936-1937.

Mrs. Weart is well known locally for her dramatic talent. She has also been active in the Eastern Star for several years, having served as Worthy Matron.

Mrs. Mallory has been chairman of the literary department, auditor and a member of the executive board and at present is serving as chairman of the civic department.

Her outside activities include several years as president of the Palmyra P.T.A., and at present she is a member of the Palmyra Board of Education.

The club has always enjoyed programs by its own members and there is every reason to believe that this one will be particularly fine.

CARL PETERSON MAY RETURN HERE

Carl A. Peterson, custom tailor, now located at 1617 Sanson street, Philadelphia, may open an office in Riverton or Palmyra in the near future, according to a recent announcement of Mr. Peterson.

Mr. Peterson is well known in this vicinity having built his first home at 223 Horace avenue, Palmyra, in 1888. He moved to Riverton in 1911, occupying the house which he erected at Fourth street and Thomas avenue, until a few years ago, when he changed to his Philadelphia address.

EX-FREEHOLDER DIES AFTER HEART ATTACK

Charles E. Joyce, 75, of Vincentown, died as a result of a heart attack on Friday, while he was attending a meeting of the board of managers of the Fairview Sanitarium.

Mr. Joyce was well known throughout Burlington county, having served as a freeholder and a member of the Southampton township committee.

EYE TEST FOR DRIVING CLASS

Arrangements have been made with the school nurse, Mrs. A. Kay Long, to give each student enrolled in the automobile driving class an eye test with the stereo-telebinocular. This visual acuity and depth perception test will enable each student to adjust himself to driving conditions. Eye difficulties can thus be determined.

Tuesday, during activity period, Dr. H. W. Bauer, school physician, demonstrated first aid for fractures. Mrs. Long, school nurse, assisted Dr. Bauer.

Next Friday, Sergeant Conover, safety director of the New Jersey State Police, will address the class on "Safety."

SCOUT EXHIBIT AT HIGH SCHOOL

In connection with the National Boy Scout Week which is being celebrated this week, the scouts of both the grade and high school arranged an exhibit of their handi-crafts. This exhibit was held in the high school Wednesday, February 10th.

An opportunity was afforded to display workmanship done either for merit awards, at camp or through troop work.

The event was planned and arranged by a representation from each of the four troops in this vicinity. With banners, flags, placards, charts, and pictures this display was a worthwhile exhibition.

BUSINESS CLUB TO HOLD MEETING

The regular monthly meeting of the Burlington County Business and Professional Women's Club will be held on Tuesday evening, February 16, 1937, at the Moorestown Field Club. Dinner will be served at 6.30.

This year the educational committee of the club has been making a survey of all types of recreation for youth throughout the country. Miss Katherine Lucchini, the county YWCA secretary, and Edward Mechling will discuss the opportunities to aid in the recreational program for youth in this country.

THIS GREAT BIG NASH JUST A FEW DOLLARS MORE

Actual photograph of Nash LaFayette "400" 4-Door Sedan with trunk

Nash sales are breaking all records . . . Thousands changing to these bigger, smarter Nash cars
The new Nash LaFayette "400" is a great big 117-inch wheelbase automobile. It has a 90 horsepower gas-saving engine. Larger hydraulic brakes. Strong steel body. Synchronized springing. Ride stabilizer. No Draft ventilation. It's much bigger than any of "all three"—yet the 4-door sedan costs just a few dollars more than the 4-door sedans of an, of "all three".
The Nash Ambassador Six is as big as cars priced \$400 higher. The Ambassador Eight compares in size with cars costing \$100 to \$300 more. Do you wonder why thousands are changing? See Nash. Automatic Cruising Gear available all models at slight extra cost.

The Boy Scouts

As we have observed the working of the Boy Scout Movement in our own and other communities, we have been impressed with two things: How practical it is, and how powerful its grip on a boy. An editor has his attention called to most of the main forces operating, both good and bad. Yet the press dispatches carry more records of groups in conflict, at war, at variance than they carry of groups looking for chances to help other people.

In fact, the Boy Scout "Good Turn" spirit, which Dr. James E. West terms "The capacity to care about others," is the very essence of democracy. I have been both astonished and delighted to see energetic young men touched by this social spirit, actually carrying the spirit of the Sermon on the Mount into everyday affairs and getting a kick out of it, too! February is the birthday month of Scouting, and our hats are off to the Boy Scouts and their practical ideals of citizenship. If we could have one generation where everybody "cared" about everyone else, Democracy and Brotherhood would be very real. Our Scouts are pointing the way.

In their jamboree, which will be held in Washington, D. C., in June, 25,000 Scouts will make a pilgrimage and camp amid the shrines of our Democracy, finding fun, fellowship, and a deepened loyalty to our country. Not a bad idea for some of us older folk!

bad condition due to the unusually bad weather, but that the borough was doing its best with the scraper and roller. The WPA, he stated, is going ahead with the gravel on the streets.

Councilman Arthur Wright reported that two properties on West Broad street have been demolished in accordance with the building program. He further stated that he is working on a building code for the borough which will be submitted to the Board of Insurance Underwriters for suggestions.

The building inspector reported improvements totaling \$6350 with fees of \$28.

The sanitary inspector reported \$127 for permits issued during the month. The Board of Health submitted \$18 for fees in issuing permits, and reported one case of chicken pox and one case of tuberculosis.

Recorder Carl Lutz returned \$25 in fees collected by his office. The report of the chief of police included one arrest for attempt to defraud, one for carrying concealed weapons, four drunk and disorderly cases, six motor vehicle violations, answered 141 calls, 32 complaints, 10 ambulance calls, two fires and three automobile accidents.

Welfare Report

George N. Wimer, welfare director, submitted his report for last month, reporting 20 cases on January 1, with 22 by January 31. Three new ones have been added and one taken off during the month. The total expenditures for the month were \$500.46.

Councilman Flynn offered a resolution increasing the number of election districts from four to five, one copy of which is to be sent to the Burlington County Board of Chosen Freeholders and one copy to the county clerk. The resolution was passed unanimously. The election districts as divided by the committee composed of T. Curtis Flynn,

George N. Wimer, William Engle, S. Burger, and Walter Cummings are as follows: center of Arch street divides one and five, center of Leconey avenue to Temple Boulevard to river divides five and three, center of Walnut street divides one and two, center of Garfield avenue to Columbia avenue, center of Columbia avenue to borough lines divides four and two.

Overcrowded conditions in the first, third and fourth districts made the change necessary. The law provides that there shall be no more than 700 and no less than 300 voters per district.

Messrs. Flynn and Engle were authorized by council to apply for another WPA street development project.

K. OF C. NOTES

Past Grands' Night

One of the largest gatherings of Knights of Columbus filled the hall of St. Joseph's Council on Monday night, February 8, to capacity, on the occasion of "Past Grand Knights" or "Old Timers" night, when a number of members who have not attended a meeting in years came out to enjoy the renewal of old friendships and the acquaintance of the new members.

Knights from all sections of the county and state were there to greet the Old Timers, the total attendance being 187.

The program was rather lengthy, and opened with "Doc" Penten, of Moorestown, leading the singing. Several solos were rendered that were very much appreciated, while the tap dancing, acrobatic, novelty and comedy, all by local talent, was received with hearty applause. Raymond Stroblein, son of Mr. and Mrs. John L. Stroblein, daughter of Mr. and Mrs. Edward Kavanaugh, did a specialty number.

Refreshments and buffet lunch were served by the committee composed of Dennis Bradley, John Rupert and Jacob Stroblein.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor
Services for Sunday, February 14th
10 a.m., Bible school.

11:15 p.m., Morning worship. It is pleasing to see the large number of persons who attend this service every Sunday morning. The choir will render special music under the direction of Claude Barto.

7:00 p.m., The young people will hold the regular evening meeting. All young people are invited to attend.

7:45 p.m., The Rev. George Lockett will have as his sermon "Trying to Beat God."

All the women of the church are invited to attend the prayer service which will be held in the Methodist Church Friday afternoon, February 12, at three o'clock.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

Dr. E. D. Kolhstedt, secretary of the Board of Home Missions of the Methodist Church, will preach in our church this Sunday morning at eleven o'clock. He will present a message on the floods in the Mississippi and Ohio valleys.

"Lincoln—the American" will be the subject of the sermon Sunday evening at 7:45. This sermon will have to do with some of our modern forms of life and government.

Good Fellowship Night this Wednesday evening at eight o'clock. Mr. Boyd will have charge of the meeting until 8:45. There will be a social period from 8:45 to 9:20. During this time there will be entertainment and refreshments. Promptly at 8:50 all will assemble in the Temple where Mr. Lord will give a short organ recital. At nine o'clock, we will listen to the farewell address of Dr. E. Stanley Jones to the American people over a nation-wide broadcast.

George Elias, "The Man Without a Country," will deliver his great lecture in our church on Tuesday evening, February 16, at 8:15. For those who do not hold a course ticket, admission will be 35 cents for adults; children 20 cents.

Lenten services are being held in our church every Wednesday evening at eight o'clock. A different minister will be heard at every service. Good music will be provided.

CHRISTIAN SCIENCE CHURCH

"Soul" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 14.

The Golden Text is: "Truly my soul waiteth upon God: from him cometh my salvation" (Psalms 62:1). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I will bless the Lord at all times: his praise shall continually be in my mouth. The Lord redeemeth the soul of his servant: and none of them that trust in him shall be desolate" (Psalms 34:1, 22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Soul has infinite resources with which to bless mankind, and happiness would be more readily attained and would be more secure in our keeping, if sought in Soul. Higher enjoyments alone can satisfy the cravings of immortal man. We cannot circumscribe happiness within the limits of personal sense. The senses confer no real enjoyment" (p. 60).

WESLEYAN MEN'S BIBLE CLASS

Boy Scout Services

The observance of Boy Scout Week began with the attendance of the Palmyra Boy Scout Troop at the class services last Sunday morning. The class president, Raymond Warner, welcomed the scouts to the services, the Scripture reading was given by Scout Donald Fox, and Scout Master Branson administered the Scout Oath, after which Ralph S. Rivers gave a splendid talk on "Lincoln as a Boy."

Next Sunday Reverend J. G. Bickerton will begin a series of messages during the Lenten period on subjects representing daily happenings during the Passion Week of our Lord. Services held at 9:50 a.m. every Sunday.

NASH-LAFAYETTE AT WOOLSTON'S

Showing "400" Model with 90
Horsepower Gas-saving
Engine, Price Low

Clinton B. Woolston, local Nash-Lafayette dealer, Broad and Main streets, Riverton, has on display in his showrooms one of the new Nash-Lafayettes of the "400" series. This car is a great big 117-inch wheelbase automobile. It has a 90-horsepower engine which is guaranteed to give exceptional mileage in respect to gas consumption.

The hydraulic brakes are larger than ever before. Other features are strong steel body, synchronized springing, ride stabilizer, and no-draft ventilation.

Mr. Woolston extends a cordial invitation to all residents to inspect this splendid car in his showroom.

Service Equipment

In order that every mechanic employed by a Nash distributor or dealer may be best equipped to maintain and service Nash cars, a series of service meetings is being held throughout the United States, according to Clinton B. Woolston, service manager for Woolston's. Who has just returned from a service convention in Philadelphia conducted by Nash Philadelphia Company.

Beginning with a school for service and parts managers for the Nash distributors at the Kenosha, Wis., Nash plant, the meetings were then carried on by the distributors in the various areas of the country. The service departments of all dealers in the area were invited to a similar school and given definite instruction as to how to properly maintain and service the 1937 Nash cars.

Factory Survey

"Not only were we told how to maintain the new cars, but advice was given us as to the equipment needed," said Mr. Woolston. "The factory has carefully surveyed the field of service equipment and has recommended to us those machines

and tools which best will do the Nash job.

"By this system of schools we are able to assure each owner that he will get first class service, not only on 1937 Nash cars but on any other Nash or Nash-Lafayette automobile. With the changes in design from year to year, it is necessary to adopt new service procedure and to buy new tools and machinery to meet the new problems. These meetings enable us to keep abreast of the latest advances in maintenance and service."

YMCA BRIEFS

Rifle Club

The new rifle club formed at the YMCA has created much enthusiasm in the community. Requests have been received at the "Y" relative to the forming of an adult group for men and women. If you are interested in this sport to the extent of participating in a group, please make your wishes known so that adequate plans may be made for the establishment of such a group. Quarters, other than the limited space available in the "Y" basement, may have to be secured.

Monday night, in the boys group, Paul Martin made the outstanding score, with Harry Groome and Richard Deemer running him a close second. Louis Prisco was a new member in the group this week.

Hockey Game February 17

By special arrangement with the Mercer County YMCA, a few local boys will be guests at the Princeton hockey game on Wednesday, February 17, in the rink at Princeton. This trip will be limited to "Y" members and will be free. All members must be signed up previous to 5 p.m. Monday, February 15. For complete information for this event inquire at the YMCA office.

FIELD HOUSE ON FIRE SECOND TIME

For the second time within a few months, the storage house located on the Palmyra High School athletic field was wrecked by fire, the latest blaze occurring early Sunday morning.

The flames were discovered at 3:45 a.m. by Officers Betty and Stack, of the Palmyra police. The prompt work of the officers and quick response of the Palmyra Fire Department resulted in the flames being subdued in short order.

Suspicious circumstances surrounding the blaze are causing an investigation to be made by the Palmyra police under the supervision of Chief C. Morris Beck.

Synthetic fatty acids for soap are being produced from coal in Germany.

Importance of School Health

(continued from page 1)

624 defects detected. Talks have been given seven grades explaining how to clean the teeth, which type brush to use, what food to eat.

17 psychological and psychiatric examinations have been made of school children. This is to aid in the intelligence ratings of the children. We often expect too much of too little children. It is therefore important to know something of the possibilities of the retarded child, the behavior problem child, of the gifted child.

Vision

The most important measures for the conservation of vision are the detection and correction of defects. The P.T.A. has bought a telebinocular for use in testing eyes. This will be used to test children who are having difficulty in school to determine if it may be caused by faulty vision. Each child is given an eye test with the Snellen's eye chart at twenty foot distance.

A healthful school environment presupposes freedom from communicable diseases. The school has set up various activities to aid in the prevention of contagion. Daily inspection of the class and referring children who seem to be overly restless, flushed, or any skin rashes, etc., to the nurse who in turn excludes them from school if necessary. Once a month each class is inspected by the nurse to aid in control of diseases and cleanliness; to advise the teacher as to healthful environment, temperature, and ventilation of room, etc.

2,564 children have been seen in classroom inspection. There have been only two cases of communicable diseases in school this school year.

Safety from Accidents

The school attempts to provide an environment safe from accidents, and, in case of accident, offers first aid to the child. An investigation is made of all accidents with a view to eliminate their cause. The seventh grade girls are taught the care of babies, bathing, clothing, etc. At the end of ten demonstrations and lectures they receive a certificate from the State Child Hygiene Department.

It is necessary for the school at times to offer some social services. Shoes, through the cooperation of the P.T.A., are given to children where the family cannot afford to buy them. The P.T.A. also aids in getting glasses for the needy school children.

Every student who is a candidate for an athletic team is given a thorough physical examination when the sport starts and a general check-up the day of the game. 1,006 of these examinations have been made.

Diphtheria

Diphtheria may be entirely eradicated by the use of protective treatment. Each year the Board of Education offers to the school child who cannot afford to go to the family physician, this treatment.

21 mothers have called at the nurse's office to discuss the health and habit training of their children. 57 visits have been made to the home in the interest of the school child.

In the spring there is a pre-school round-up and the child to enter the kindergarten in the fall, is given a health examination so that defects may be corrected before the child begins school, thus starting the child in his business of learning, healthy and happy.

FOOD SALE BY PHILATHEA CLASS

The Philathea Class of Central Baptist Church is planning a food sale for Friday and Saturday of next week, February 19 and 20.

THREE GAMES IN INTERBORO LOOP

Trojans vs Burke and Easley Promises to Be Feature of Big Evening

Three big games are scheduled for tonight in the Interboro Basketball League, the contests to be played at the high school gymnasium.

The high-scoring Burke & Easley five will tangle with the Trojans in one encounter, the Rogers newbies clash with the Tak-A-Boosts in another, while the Y hoopers go to the mat with the Artisans in the third affair.

Good Basketball

Judging from the brand of basketball played during the two previous sessions of the loop, the games tonight should display an excellent brand of basketball, according to Wilton E. Mount, local Y secretary, who has done much to get the league under way.

Single tickets of admission are 10c, while season passes are available for 50c. These can be obtained from Mr. Mount or any member of the board of directors of the league.

Those on the board are: J. L. Metzger, M. A. Simon, Walter Schopp, James Wolf, L. J. Steele, Jack Easley, Fred Conway, Herbert Richman, A. E. Farrell and F. W. Metzger.

TURNERS TROUNCE Y. M. C. C. 32-29

Extend Victory Streak With Win Over Catholic Club; Parker Stars

The Turners won a close decision last Sunday afternoon when they preserved their winning streak with a 32-29 victory over the Young Men's Catholic Club.

The opposition was behind 10 to 9 at the end of the first half, but squirmed to keep the Turners traveling at top speed to win.

Parker starred for the first-half champs, making three field goals and converting six out of eight fouls.

JOE COX BATTLES WITH KIRILENKO

Chief Little Wolf to Clash With Hank Barber in Semi-Final Bout

Another all-star wrestling bill has been put together by Promoters Frank and Ray Hanly for the Camden Armory as their weekly attraction on Thursday night.

Dynamite Joe Cox, Kansas City "bully," and Matros Kirilenko, clever Russian grappler, have been signed to feature the card in a bout booked for two out of three falls with a 90 minute time limit. Both have compiled good records since the first day of their debut, with Cox having a slight edge in a number of wins.

In his last showing here several weeks ago, Cox put the skids under Henry Piers. On the other hand, Kirilenko defeated George McLeod in a bout that was marked with plenty of clean wrestling.

Chief Little Wolf, copper skin scalper from the wide open spaces of Colorado, will meet Hank Barber of Dartmouth in the semi-final of one fall with a half hour time limit. Jim Coffield of Kansas City, will supply the opposition for Joe Dusch in the third contest. Hans Kampfer of Germany, meets Ernie Powers of California, in the second bout. Irish Jack Donovan opens the show with Henry Piers. These frays are booked for one fall with a 30 minute time limit.

ALUMNI PROGRAM AT GLASSBORO

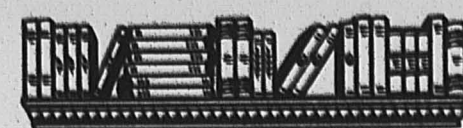

Preparations are under way to entertain the graduates of the Glassboro State Teachers College on February 12, 1937. Annually a large number of alumni spend their way back to college on this day to renew acquaintances with former classmates and instructors.

Unusual efforts are put forth to provide entertainment for representatives of the 2100 graduates teaching in all parts of the state. At noon the graduates will be the guests of the school at luncheon. At one o'clock Mrs. Mary Jobe Akeley, curator of Akeley African Hall, in the American Museum of Natural History, will deliver an illustrated lecture on her adventures in the African jungle. At 2:30 o'clock the sophomore class will give a tea to the visiting alumni. At 3:15 o'clock basketball games will be played between the alumni teams and the regular student teams.

Mrs. Akeley is a lecturer and author of great repute. She has written a number of thrillingly alive books. Her latest one is "Restless Jungle," published last month. The public is cordially invited to attend the lecture. The admission is free.

Everybody can be somebody.

BOG IRON AT OLD FURNACE STILL USED

Old Weymouth furnace, situated on Great Egg Harbor River, close to State Highway Route 42 at Weymouth, Atlantic county, was once

one of the principal bog-iron producing centers in the East. It is still a source of supply for C.C.C. Camp S-36, for when the company mechanic needs some iron, he usually finds what he wants in these historic old ruins.

Register Firearms

Due to the fact that there have been several robberies in Riverton during the past two months and one gun has been stolen, Chief William Gootee, of the local police, is requesting that all owners of firearms register them at headquarters.

"Registration is not compulsory," said Chief Gootee, "but if such information is on file, a stolen gun can be readily traced. The proper identification of firearms has been of great assistance in the apprehension of many criminals and I hope that the local citizens will cooperate with the police in this matter."

For the convenience of gun owners the following registration blank is provided. Simply fill out the blank spaces and mail to the police department, Riverton, or hand to the officer on duty.

MAE WEST SINGS
TRIO OF NEW
SONGS IN FILM

For the first time since making her screen debut, Mae West sings a straight romantic ballad, with words and melody reflecting moonlight and honeysuckle, in "Go West Young Man," her latest comedy, Sunday and Monday, at the Fox Theatre, Riverside. The song is titled "I Was Sayin' to the Moon," and she sings it to Randolph Scott.

Miss West also sings two other songs in the typical Mae West tempo, with words and music carrying the flavor and tang identified with the wisecracking swing of the glamorous beauty. They are, "On a Typical, Tropical Night" and "Go West Young Man."

All three numbers were written by Arthur Johnson and John Burke, contract tunesmiths for Major Pictures, which filmed the Mae West production for Paramount release.

LEGAL STATUS OF
COUNTY ENGINEER

Question Again Brought Up at Meeting of Freeholders Last Thursday

The legality of the appointment of F. L. Brannin as county engineer was again discussed at the meeting of the Burlington County Board of Freeholders held last Thursday.

The subject was introduced by reason of the presentation of a bill from the engineer's office. When approval was asked for the payment of this account, Director Adams questioned its legality on the grounds that the appointment of Mr. Brannin had not been decided upon from this particular angle.

Mr. Adams stated he felt that the bill should be paid, but there was still some doubt in his mind that Mr. Brannin's qualifications were according to law.

At this point, Freeholder Church read a letter from Jacob L. Bauer, of the State Board of Professional Engineers and Land Surveyors, which stated it was the opinion of the members of that body that the appointment of Mr. Brannin was legal insofar as his license was concerned. A copy of the letter received by Mr. Brannin follows:

Jacob L. Bauer, Inc.

Mr. F. L. Brannin,
 County Engineer.

Dear Mr. Brannin:

RESIDENTS WARNED
TO WATCH FOR FAKE
CANVASSERS HERE

It might be well for housekeepers to make positively sure that any canvasser coming to the door and asking for admission, has proper credentials, and the truck which the canvasser is driving bears the title of the company.

This warning comes as a result of the recent robberies in Collingswood and a suburban town in Pennsylvania.

A man representing himself as working for the Timken Oil Burner Company asks the lady of the house for admission to inspect the oil burner. Once inside he helps himself to whatever is handy. In Collingswood he took a fur coat, movie camera and other articles valued at \$1,000.

If such an individual comes to your door notify the local police department, making sure that you have taken note of the license number, what county, and what state it is from. Get an accurate description of the man and as much other data as possible. This will assist in his apprehension.

In this way it is possible that this community may escape the burglaries which are occurring in other towns.

TO OPEN SCOUT
FINANCE DRIVE

Plans for the coming Boy Scout finance campaign were outlined by G. Lloyd Cowan, Jr., at his home in Edgewater Park on Tuesday evening to the community chairman. Mr. Cowan announced that the meetings of the community chairman, their team captains and workers would be held in each community on Sunday afternoon, and that the campaign would officially open next Monday morning and run for one week.

The campaign in Palmyra is under the direction of Frank A. Snover. In Riverton, the drive is being supervised by E. N. Cooper.

Washington's
BIRTHDAY
Excerpt From Farewell Address

"It is important, likewise, that the habits of thinking in a free country should inspire caution in those intrusted with its administration to confine themselves within their respective constitutional spheres, avoiding in the exercise of the powers of one department to encroach upon another. The spirit of encroachment tends to consolidate the powers of all the departments in one, and thus to create, whatever the form of government, a real despotism. A just estimate of that love of power and proneness to abuse it which predominate in the human heart is sufficient to satisfy us of the truth of this position. The necessity of reciprocal checks in the exercise of political power, by dividing and distributing it into different depositories, and committing ancient and modern, some of them in our country and under our own eyes. To preserve them must be as necessary as to institute them. If in the opinion of the people the distribution or modification of the Constitutional powers be in any particular wrong, let it be corrected by an amendment in the way which the Constitution designates. But let there be no change by usurpation, for though this in one instance may be the instrument of good, it is the customary weapon by which free governments are destroyed. The precedent must always greatly overbalance in permanent evil any partial or transient benefit which the use can at any time yield."

PLANS FOR YOUTH
WEEK ADVANCE

Program Will Begin on Saturday, April 24, Interesting Events Proposed

Saturday, April 24 marks the opening of Youth Week in Riverton, Palmyra and Cinnaminson this year. This program was started through the Rotary Club, of New York City in 1920, and was known as Boys' Week. By 1926 the week was celebrated in almost every part of the United States and Canada, but other countries were becoming interested, and in 1927 observances were reported from a dozen different foreign countries. Today the observance is practically world wide. When the local celebrations began to include girls, the name was changed to Boys' and Girls' Week or Youth Week, as it is known here.

The second meeting of the committee to plan for this event, was held at the YMCA on Tuesday evening, with a number of interested people present.

Tentative Program
 A tentative program as prepared by the committee at the meeting follows:

Saturday, April 24—Borough officials for a day, with Mayor John Ward as chairman.

Sunday, April 25—Church service, possibly in the Palmyra Theatre. Miss Margaret Shocker heads this group.

Monday, April 26—Airplane stunt, W. Gibson, chairman.

Tuesday, April 27—Free movies. Wednesday, April 28—Mutt parade, C. E. Windhovel, chairman; in the Evening National Guidance.

Thursday, April 29—Pet and Hobby show.

Friday, April 30—Baseball game and evening of entertainment.

Saturday will feature industrial trips and youth dance with Miss Eleanor Williams as chairman of the dance committee.

Other suggested events are a pushmobile race and group activities in youth work.

OLD MAN WINTER
RESENTS FORECAST

Recent weather forecasts predicted that the remainder of the winter would be snowless. This assertion evidently aroused the ire of Old Man Winter, who proceeded to give concrete evidence that the meteorologists were all wrong.

At any event, snow started to fall in a half-hearted manner on Tuesday morning, the flakes melting as soon as they hit the ground.

The storm settled down to serious business shortly after noon, however, and provided folks hereabouts with their first real taste of winter. The affair didn't turn out to be a blizzard, but the white deposit did amount to approximately three inches, by far the heaviest of the season.

WARNING

The speed limit for motor vehicles in the Boroughs of Riverton and Palmyra is twenty (20) miles per hour.

Attention is further called to the fact that all-night parking without lights, and parking within ten (10) feet of a fire hydrant are violations of the laws.

Notice is hereby given that these ordinances will be strictly enforced.

INFORMATION ON
TAX DEDUCTIONS

Explicit Data Given by Auto Club for Benefit of Car Owners

Explicit information for the motorist with respect to deductions under the Federal income tax law is given by the Keystone Automobile Club of New Jersey in a statement prepared by Harrison G. Kildare, counsel for the club.

"Subject to ironclad restrictions and possible review by the collector of internal revenue," said Mr. Kildare, "owners and operators of motor vehicles may deduct taxes paid, uncompensated loss to their vehicles, interest on financed loans and expenses incidental to the actual business use of vehicles."

Specifically, full deductions may be made for:

Registration fees paid by the taxpayer (under "taxes paid," which is Item 8, Schedule H, on form 1040A).

Operators' license fees paid by the taxpayer, both for himself and members of his family if he foots the bill (Item 8).

Gasoline and oil taxes paid in states where local laws impose these taxes directly on the purchaser and not on the dealer. Deductions may be made for fuel taxes paid in Connecticut (continued on page 8)

BOY SCOUT WEEK
OBSERVED HERE

Service Troop of Palmyra Has Interesting Program of Timely Events

The Service Troop of Palmyra, sponsored by the First Lutheran Church, celebrated Scout Week in a manner profitable to the character building of each boy. A description of the activities follows:

Sunday evening: Upholding the traditions and ideals of American citizens and obeying the Scout Law. "A Scout is Reverent," the troop attended the services of the Moravian Church at Parry as guests of Troop 21. A very interesting message was delivered by Reverend Harke.

FINE PROGRAM ON PTA TALENT DAY

Talk on Founders Day Given By Mrs. Eugene Pharo of County Council

The Riverton Parent-Teacher Association wishes to thank all those whose generous contributions and purchases at the food sale on Monday helped make Talent Day a success.

A brief business meeting preceded a talk on Founders Day by Mrs. Eugene Pharo, Burlington County Council chairman, and Founders Day chairman for the state. Mrs. Pharo told of the small group of mothers who first held meetings in Riverton, and how the idea of cooperation of mothers and schools spread until the present Congress of Parents and Teachers was organized. In closing Mrs. Pharo stressed the fact that Founders Day was most important in reminding us of our precious opportunity for further service to children.

Comedy Presented

A one-act farce, entitled "Thursdays at Home," by Mae Howley Barry, was very well interpreted by a fine cast under the direction of Mrs. J. Rowland Day. Mrs. Maybelle Larkins, an eccentric matron, played by Mrs. C. V. Devery, expressed to newspaper reporters her desire to meet women who must sell articles from door to door in order to make a living, and remained firm in her decision despite the protests of her sister, Mrs. Montgomery Simons, and her maid, Mrs. Walter Moyer. During the morning, Mrs. Larkins was visited by many persistent agents including Mrs. Rex Shewell with books on psychology; Mrs. Francis Downs, a vendor of wax flowers; Mrs. Porter Caldwell, substituting for her husband who was a sweeper salesman; Mrs. John Abell, a demonstrator for Cutie Curls; Mrs. Arthur Burns, representing Clean Sweep Vacuum Cleaners, and Mrs. Charles Sims of the Ketchum-Lassin Studios.

After listening to the various sales talks and demonstrations Mrs. Larkins was quite glad to be rescued from the trying experience by her maid, and settle down in the peace and quiet of her home again.

P. O. S. of A.

Camp 23, P.O.S. of A., of Palmyra, held the first of a series of public forums last Monday night. Professor H. Paul Jones, director of delinquent children's classes of Camden schools, was the guest speaker on the subject, "There Are No Bad Boys or Bad Girls." The speaker's defense of the assertion held the close attention of an appreciative audience, and the theory that the problem child is usually the result of mental, physical or environmental handicaps was supported by a mass of factual experiences which stimulated thoughts for discussion.

Prof. Jones does not minimize the virtue of the woodshed and the hickory stick, but contends that indiscriminate and injudicious use of force can not produce the reformer's objectives desired. His simile, that a gentle rain is better for all concerned than a violent thunderstorm, illustrated the point.

Crime Great Menace

Crime is today the great menace to civilization, and the outstanding challenge to America. Would it not be wise to spend a part of the \$15,000,000,000 per year which crime now costs the country, in a concentrated effort to check the flood at its source?

March 22 has been fixed as the date for the next forum; speaker and subject will be announced later.

During the forty-four years of its existence the camp has raised quite a crop of past presidents; many remain with us and it is anticipated that the reunion to celebrate Washington's birthday will be enjoyed by all those who attend.

YOUNG MEN TO HOLD CONGRESS

A congress of all young men between the ages of 18 and 25 will be held at the Morristown YMCA the last weekend in February. Last year the congress was held at Moorestown Community House.

Delegates from the Tuxedo Club and the Phalanx Fraternity will be registered at this congress. The principal speaker will be Dr. Jay B. Nash. His topic on the opening day will be, "Can Democracy Lay the Basis for World Citizenship?" and at the congress banquet on Saturday evening, "Is Youth Interested in Saving Democracy?"

Palmyra and Riverton have been represented every year at this gathering and a large delegation will make the trip. Topics for discussion will be centered around: "Education for Modern Needs," "Employment and Industrial Relations," "International Relations and Peace," "The Treatment of Minority Groups," "Types of Government," "Trends in American Citizenship."

Any young men not actually connected with the YMCA but interested in this congress are asked to communicate with Henry Wilbraham, secretary of the Phalanx organization.

PALMYRA SCHOOL NOTES

Kindergarten

On Monday the kindergarten pupils opened their valentine box. There were many valentines, all sizes and shapes, and great was the joy of all who received them. The room is decorated according to the season.

First Grade

The following pupils will serve on committees this week: messenger, Claire Burke; library, Mary Schroeder; room, Edith Lawrence; crackers, Stanley Griffith; erasers, Robert Clark and Alfred Hall; door, Virginia Beyer.

Many children in the first grade have brought materials such as, boxes, paint, wallpaper and tools for making a doll house.

First and Third Grades

Miss Dorothy Johnson's first and third grade classes studied and made pictures of Abraham Lincoln during the week of February 8. On Monday, the postmen from the room delivered valentines to their classmates.

Second Grade

Miss Josephine Wallace's second grade had a percentage of 40.6 last week in banking and received the honor banner.

The class was delighted to receive a valentine from Richard Schwering who has gone on a trip to Florida with his parents.

The twigs which the pupils brought in some time ago are now in bloom. They have watched the buds swell and finally break into yellow flowers.

Third Grade

Miss Saw'n's third grade class observed Lincoln's birthday by dramatizing the stories, "The Young Storekeeper," and "The Rainsoaked Book."

Monday afternoon of this week they enjoyed a valentine party.

Fourth Grade

For excitement and secrets, Valentine Day runs a close second to Christmas. By Thursday, preceding Valentine's Day, the box in the fourth grade room was bulging. Alfred DeVee and Francis Mitchell decorated it earlier in the week.

Sylvia Walter has returned to school after four weeks' absence, following an operation for appendicitis.

Fifth Grade

On Tuesday evening thirty boys and girls from the combined fifth grades led the community singing at the P.T.A. meeting.

Mrs. Verna D. Davis' fifth grade class has started to study minerals in geography. So far, the children have read about coal and discussed its mining. Some of the children have seen coal mines, and a few were able to tell about mining experiences of some members of their own families.

Governor Hoffman's Statement On Parent-Teacher Day, Feb. 17

On February 17, 1897, the first Congress of Mothers assembled in Washington to develop ways and means of promoting understanding among parents, of cooperating with teachers in the education of children and to urge upon legislative bodies adequate support for public schools. Out of that conference grew the National Congress of Parents and Teachers which now has two million members and an impressive record of achievement.

In recent years the parents and teachers of our State and Nation have observed February 17th as Founders Day. This year marks the end of forty years of distinguished service by this great national organization. I am happy to call the people of New Jersey, of every age and condition, to the observance of this significant anniversary.

In these forty years, striking and revolutionary changes have come in the social and economic life of America. In no field of interest or endeavor have there been greater changes than in the field of child welfare and education. The advances that we have made in New Jersey and in the Nation have not been accomplished by teachers alone, devoted as they are. Neither have these developments resulted alone from the greater support for public education and child welfare as written in the statutes of every state and of the national government. Rather, they have come from a unity of interests, supported and maintained in the twenty-five thousand Parent-Teacher Associations

which make up the National body. In 1931 the White House Conference wrote a new Children's Charter, hailed as one of the most significant pronouncements of the twentieth century. Its inspiration must have come from the ideals expressed by the founders and leaders of the Parent and Teacher Associations in the early years of its development because they recognized "the rights of the child as the first rights of citizenship" and they pledged the parenthood of America to the accomplishment of these aims.

As we emerge from the effects of the depression through which we have been passing, it is important that our citizens of this generation give thought to the needs of the children who are to be the citizens of tomorrow. Our efforts are fruitless if we fail in the perpetuation of our enlightened civilization. As we observe this Founders Day may all of us give thought to the welfare of our children in the broadest sense of the term, may we, as parents and teachers, not only assess our accomplishments but our further responsibilities and solemn obligations, and may all of us determine to keep faith with America's children to the end that we may transmit to posterity our common heritage, improved and enriched through our efforts and our contributions.

Harold G. Hoffman, Governor of New Jersey.

WASHINGTON AND LINCOLN HONORED BY WOMAN'S CLUB

The program of the Palmyra Woman's Club on Monday of this week honoring Abraham Lincoln and George Washington was most interesting.

The meeting opened with the reading of a paper prepared by Miss Mary Patterson on Abraham Lincoln, and read by Mrs. William McCamy.

Eight girls from the Palmyra high school danced a minuet coached by Miss Mattison, the physical education teacher at the high school. Miss Mary Munro, also a high school student accompanied on the piano. A sketch, "Happiness Day," written by Major Lawrence, a descendant of George Washington, was presented by the following cast: Martha Washington, Mrs. Charles Mallory; Nellie Custis, Yvette Nash; colored nurse and mammy, Mrs. James Weart.

The setting for the sketch was most interesting than usual, as all pieces used were genuine antiques. A small stove used in bedrooms years ago, for heating purposes dated back to 1848, and a spinning wheel dated back to 1836.

The next meeting of the Woman's Club will be under the supervision of the American Home Department, Mrs. Hancock, national chairman of the American Home Department, will be the speaker.

There will be an exhibit of patch work quilts which should prove very interesting. Publicity.

THE LIFE OF GEORGE WASHINGTON, devoted to the liberation of an oppressed people, stands out in the annals of American history as a shining example of true patriotism.

On Monday next we pay homage to this great statesman and military genius who secured for all Americans the right to live in independence and security, and in his Farewell Address pointed the way for preserving their liberty, so dearly won.

BIRTHDAY PARTY BY "Y" AUXILIARY

Mrs. Robert Gowell Succeeds Mrs. Charles H. Yost As President

Members and friends of the Palmyra-Riverton Women's Auxiliary of the YMCA attended a covered dish luncheon and card party held at the home of Mrs. Charles Yost last Thursday. This being the auxiliary's fifth anniversary, one of the members made a cake beautifully decorated with the YMCA shield in red, white and blue. Five red candles adorned the top.

After the luncheon was served, Mrs. Yost, the president, presided at a short business meeting. This being the annual meeting, officers were elected as follows: President, Mrs. Robert Gowell; first vice president, Mrs. James Mickle; second vice president, Mrs. David Symon; recording secretary, Mrs. Arthur Hoyt; corresponding secretary, Mrs. Claude Barto; trustees, Mrs. Arthur Burns, Mrs. Roy Hardy and Mrs. Roland Dunn.

Resume of Work

Mrs. Yost gave a short resume of the work accomplished the five years she has been in office. One year the auxiliary earned five hundred dollars which was turned back to the YMCA for their activities. The YMCA rooms were painted and redecorated and a kitchen equipped so the boys might take care of their own refreshments. A moving picture projector was purchased by the YMCA, and the auxiliary carried a large part of this expense. Through the guidance of the auxiliary, the Business and Professional Woman's Club and a younger girl's group were organized. Mrs. Yost has served two years as state vice president of the Women's Auxiliary and also two years on the camp personnel.

The auxiliary regrets to see Mrs. Yost give up her office and also the members of the board who have resigned this year, namely Mrs. William Burgess, Mrs. Alice Illman and Mrs. Clifton Mayfield.

Miss Nan Evans, who is on the County YWCA board, and Miss Luchini, County YWCA secretary, were special guests during the afternoon. Miss Luchini spoke on the work of the YWCA.

Bridge was played at the completion of the business meeting, there being a prize for every table. The auxiliary heartily welcomes into office the new president and members of the board and earnestly hopes that more women of the surrounding communities will take an interest in this worthwhile work and will be present at the next meeting which will be announced later.

Legal Status of County Engineer

(continued from page 1)

Surveyors held yesterday in Jersey City, your letters to myself and Mr. Remington were considered by board members.

The license which you hold is for the designation of highway engineer and land surveyor, which is one of several designations in the civil engineering class.

This license is that of a professional engineer. Under this license, you were appointed recently as county engineer for Burlington county.

There are in the state, a number of other county engineers who carry similar or the same license designation.

It is the opinion of the board, so far as your license is concerned, that your appointment as county engineer was legal.

(Signed) Jacob L. Bauer.

Freeholder Lamon stated that the board had had one and one-half months to digest the question and, as other counties have engineers with the same qualifications, he felt it was unnecessary to withhold payment. He further remarked that he had no hesitancy in approving the account for payment.

The vote on the matter showed Church, Lamon and Stout approving the item, with Director Adams and Jones declaring in the negative.

State Road Fund

Freeholder Albert C. Jones announced that the application of the county for an appropriation of \$25,000 from the state dirt road fund has been approved. The clerk was instructed to advise the various municipalities affected that the amount for this year would be \$22,277 with the exception of Beverly and Bordentown which received higher grants.

The purchase of eight snow plows for use on county roads was also approved by the board, the amount being \$2,964.86.

ENGAGED

Mrs. Edwin S. Parry, of 804 Main street, Riverton, announces the engagement of her daughter, Miss Charlotte Mills Parry, to William Pinkerton Mulford, son of Dr. and Mrs. Ephraim R. Mulford, of Burlington.

Miss Parry attended St. Mary's Hall, Burlington, and Mr. Mulford received his B.S. degree at the University of Virginia, where he is at present studying medicine. He is a member of Sigma Chi and Nu Sigma fraternities.

CHARGE FOR HAND PHONES REDUCED

Chester I. Barnard, president of the New Jersey Bell Telephone Company, issued the following statement last Thursday in connection with the announcement by the Board of Public Utilities Commissioners of a reduction in the charge for hand telephones and plans for elimination of the charge:

"The company has agreed to a present reduction and the eventual elimination of the charge for hand telephones. This is in accordance with the original intention and announced policy of the company. It is agreed at this time to attain an amicable settlement of the matter with the Public Utility Commission, in view of the considerable misunderstanding by the public of the purpose and propriety of the charge. The change will involve a loss of about \$400,000 per annum. This concession is clearly not at present justified by the company's earnings. It is also believed that there will be involved considerable delays in

meeting the requirements of subscribers after the charge is eliminated. For these reasons only, the company has been reluctant to make the changes agreed to at this time. "In view of repeated statements about this charge, the company wishes to reaffirm that the charge has been a proper and necessary one in order to permit an orderly introduction of this type of telephone. Contrary to the assumption sometimes made, it has not been a source of profit to the company, nor has

the handset been a source of economy in its operations."

Prophetic Words

The attention of readers of The New Era is called to an excerpt from Washington's Farewell Address published on the front page of this issue.

It so aptly applies to the menace to their liberties which confronts the American people today, that it might have been written since President Roosevelt announced his intention to pack the Supreme Court and thereby practically nullify such parts of the Constitution as would prevent him from carrying out his plans for reconstructing the social, industrial and political life of free-born and liberty-loving people, without asking or receiving their consent.

The protest against the proposed granting of the President's demand by Congress was instantaneous and widespread. Many leading Democrats who have always supported Roosevelt, frequently against their own better judgment, refused to follow him in his assault on the Constitution, aimed over the shoulder of the Supreme Court.

It is no part of heroic melodramatics to urge every patriotic American to use his utmost effort to prevent the debauching of the Supreme Court and the nullification of the Constitution, which would logically result from placing in the hands of a Franklin D. Roosevelt the power which he asks.

Write to your Senators and Congressmen, voicing your protest against this assault on your rights and liberties as an American citizen.

If you believe your representatives to be against yielding to the President's demands, your letters will encourage them to resist the terrific pressure which will be applied to whip them into line. If they are disposed to "give the President what he wants," a sufficient number of voices raised in protest from "back home" will have a deterring effect.

But, if you value your liberties, act at once, for there is imminent danger that the President will attempt to steamroller his plan through Congress before the rising tide of popular indignation and opposition makes this impossible.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

"The Victor's Life Robe" is the theme of the sermon to be delivered by Rev. W. A. Boyd, this Sunday morning at 10 o'clock. This is the fifth sermon in the series "The Victor's Life."

In the evening at 7:45, "Americanism—1776 vs. 1937," will deal with some phases of the present-day problems of government and church. The Constitution, the Supreme Court and dictatorship will be considered by Mr. Boyd in this message. The public is invited.

The Lenten service this Wednesday evening in the church auditorium at 8 o'clock. The Rev. H. D. Hummer, of the Methodist Church at Bordentown, will be the preacher. This meeting is open to all who desire to attend.

The church school is delighted with beginning at 9:45. The average attendance of the school has been around four hundred all this winter.

Next Sunday morning, the minister will begin a series of Lenten sermons on "The King Upon His Cross." They will be given in the following order at both the morning and evening meetings: "The Meaning of the Cross," "The Foolishness of the Cross," "The Power of the Cross," "The Influence of the Cross," "The Enemies of the Cross," "The Victories of the Cross" and "The King Upon His Cross."

FIRST LUTHERAN CHURCH

Rev. Harold L. Creager, Pastor

At the Sunday morning worship services during Lent we are considering several of the great statements by Christ concerning the purpose for which He came.

This Sunday is the second in the series, the theme being "To Call Unto Repentance."

At the evening service the sermon topic will be "The Need of Vision."

Mid-week services are held each Wednesday evening at 8 o'clock. We are discussing the messages given by Jesus in "The Beatitudes."

CHRISTIAN SCIENCE CHURCH

"Mind" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 21.

The Golden Text is: "Trust in the Lord with all thine heart; and lean not unto thine own understanding" (Proverbs 3:5).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! For of him, and through him, and to him, are all things: to whom be glory for ever. Amen" (Romans 11:33, 36).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If God were limited to man or matter, or if the infinite could be circumscribed within the finite, God would be corporeal, and unlimited Mind would seem to spring from a limited body; but this is an impossibility. All is infinite Mind and its infinite manifestation, for God is All-in-all (pp. 284, 468).

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor

Services for Sunday, February 21, 10:00 a.m., Bible school, 11:15 a.m., Morning worship. The Rev. George Lockett has chosen for the topic of his sermon, "The New Life."

Last Sunday morning the service was in charge of the Rev. Charles Hensch, secretary of the Camden Baptist Extension Society, who spoke on "Building the Individual."

Pastor Lockett was the guest speaker at the 30th anniversary of the New Berean Church at 59th and Pine streets, Philadelphia, of which he was pastor for 14 years.

7:00 p.m., Thomas VanOsten, superintendent of the Sunday School, will be the guest speaker at the Young People's meeting this Sunday evening.

7:45 p.m., At the evening song service and worship Rev. Lockett will speak on "God's Love for a World."

The Junior Department will hold a "Housewarming" on Friday evening, February 26, to celebrate the opening of their newly decorated room. An illustrated lecture will be presented. Everyone is cordially invited to attend.

PORCH CLUB

On February 16th, Richard E. Bishop, well-known artist of Mt. Airy, Pa., gave a most interesting demonstration of etching and printing. Mr. Bishop explained the processes step by step until the finished product was completed. A number of samples of Mr. Bishop's work, etchings, pottery—plates and etched glassware were exhibited.

On Thursday, February 25, Miss Bessie Howard will speak on current events, at 10:30 a.m. The public is cordially invited.

PALMYRA EASILY TRIMS PEMBERTON

Palmyra swung back into the win column on Tuesday night, when the court squad journeyed to Pemberton and disposed of the opposition by the score of 27-14.

The regular starting lineup saw action during only three minutes of the entire encounter, but the shock troops carried on the offensive in a commendable manner.

The locals took command of the situation from the start, and were never extended by the opposition.

BURKE & EISLEY FIVE UNDEFEATED

Trim Trojans by 31-18 Count, Tak-Abst and YMCA Also Winners

The Burke-Eisley quintet continued to set the pace in the Interboro Basketball League when they defeated the Trojans last Thursday night by the score of 31-18.

The gas and oil boys have annexed four wins and have yet to taste defeat.

In the other games, Tak-Abst won the decision over the Rogers' News five, the count in this engagement being 20-12. The YMCA sent the Artisans deeper into the loop cellar by rolling up 23 points against 12 for the lodge men.

Games This Week
Tonight's schedule will see the Trojans facing Rogers' News in the initial game. The league leaders, Burke and Eisley, take the floor against the Artisans in the second clash, while the Y and Tak-Abst fives tangle in the windup.

PALMYRA LOSES SWIMMING MEET

The Palmyra High School men dropped another meet on Monday afternoon in Camden Vocational pool when they bowed to the natators from Collingswood by the score of 55-22.

The opposition captured all first places, with the exception of the 100-yard backstroke, which was won by Burns of the Red and White.

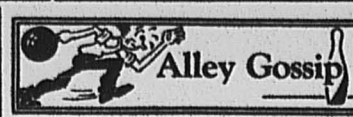

The summary:
160-yard relay: Won by Collingswood (McNally, R. Baker, LeSage, Sharp), Time, 1 minute 34 seconds.

100-yard breaststroke: Won by Boyd, Collingswood; second, McBride, Collingswood; third, Carr, Palmyra, Time, 1 minute 31 seconds.

40-yard freestyle: Won by Jaep, Collingswood; second Lippincott, Palmyra; third, Seaver, Collingswood, Time 23 seconds.

South Jersey League

Palmyra continued to keep on the right side of the ledger by taking two games from Camden Casino, last Saturday night. Brosius set the pace for the locals with games of 222, 192, and 182, for a total of 596.

His score of 222 also won high single honors.

PALMYRA HIGH VS CAMDEN CATHOLIC

Locals Face Tough Opposition
Next Tuesday Night on
Home Court

The fast-stepping Palmyra High School court aggregation will play their last home game on the regular schedule next Tuesday night in the local gym, with the crack Camden Catholic basketballers as the opposition.

Palmyra met the Camdenites in the initial engagement of the season, winning out in the last minute of play.

Their opponents have been travelling at a fast clip since that time, and local sport fans are anticipating a thrilling evening.

Vocational Next

Before meeting Camden Catholic, the Red and White must first dispose of Camden Vocational. This affair will also be played on the home court, being slated for tomorrow (Friday) evening.

The final game on the regular schedule will be played in Convention Hall, Camden, against Woodrow Wilson High. This encounter is slated as part of a double-header. League play-offs and the South Jersey eliminations follow the termination of the regular schedule.

Palmyra is figured to be an easy winner in the Burlo loop finals and should be a strong contender in the South Jersey tournament.

DUSEK BROTHERS APPEAR TONIGHT

Ernie to Oppose Chief Little
Wolf as Rudy Tangles
With Stan Pinto

The walls of the Camden Armory will bulge with excitement Thursday night when promoters Frank and Ray Hanly present an all star card as their next wrestling offering, in which two of the Duseks and two Garibaldi brothers will show their wares.

Ernie Dusek is slated for the top spot of the show and will be seen opposed to Chief Little Wolf, the redskin-warrior from the wide open fields of Colorado. They are due to exchange greetings in the main bout of one fall with no time limit.

Rudy tangles with Stanley Pinto, in the semi-final. This bout is listed for one fall with an hour time limit. Nothing would please Pinto more than to send Rudy to the hospital in revenge for the nasty lacing Ernie handed him some weeks ago.

Gino Garibaldi, oldest of four popular Italian grappling brothers will see action in the third bout when he faces Al Sparks of Seattle, Washington, in the third encounter down on the slate for one fall with a half hour time limit. Mike Strelich, Polish matador who hails from Los Angeles meets John Katan in the second bout. Ralph Garibaldi, second ranking member of his family, will open the show with Les Ryan, the Boston villain. This is also slated for one fall.

TWO CALLS FOR GRASS FIRES

Although autumn is usually the time when firemen are busy extinguishing grass fires, two alarms were received last week for blazes of this nature.

The Palmyra fire department responded to one alarm at 530 Friday afternoon for a field fire at the end of Broad street, and the Riverton department answered a call on Saturday afternoon for a similar blaze near the corner of Broad street and Linden avenue. Both were quickly put out by the firemen.

POSTER EXHIBITION

AT PHILA. INSTITUTE

To show present trends in foreign poster advertising and to emphasize the artistic value of these trends to American poster design, an international exposition of design in outdoor advertising, entitled "New Poster," will be held March 17 to May 2, inclusive, in Franklin Hall of The Franklin Institute, Parkway at 22nd street, Philadelphia.

Lincoln's Birthday Program

The sixth grade was in charge of last week's assembly program. After the opening exercises, the class sang "Dixie," and then a one-act play, "Dinner With Lincoln," was given.

Eleanor Metzger was the grand-mother who had had dinner with the president. The grandchild, who never tired of Lincoln stories, was played by Jane Bush. Friends of the family were George Steedle, Edward Trautman, Joseph Moorhouse, Janice Pippitt, Marilyn Yost and Laura Yerkes. With a very realistic campfire background the sixth grade boys sang "Tenting Tonight."

After school Tuesday, February 16th, a group of Indians from the Elk River Indian Village entertained the school children with songs and dances. The Indian visitors also answered questions concerning their past and present life.

The fifth grade domestic science class made a visit to the Millside Dairy Farm accompanied by Miss Darnell. They had a pleasant and profitable trip. They were indebted to Mrs. McLaughlin, Mrs. Blackwell and Mr. Lasloky for transportation.

FOOD SALE

Don't forget the food sale by the Sacred Heart Parent-Teacher Association this Thursday afternoon, February 18, in the school auditorium between 2 and 4 o'clock. Mrs. John McNulty is chairman of the sale.

TURNER VICTORIES REACH 20 MARK

Camden Collegians Are Latest
Victims of First-Half
Champs, 23-16

The ability of the Turner hoops-sters to win games has almost ceased to become news, as week after week, the talented courtmen continue to add to their already impressive string of victories. The latest victims were the Camden Collegians, who went down to defeat last Sunday afternoon by the score of 23-16 as the Turners racked up their 20th win of the season.

The first-half champs went into the lead shortly after the fray opened. This advantage was held throughout the entire contest.

of Riverside, in his address gave many exciting sidelights on scouting. Mr. Sutton, president of Burlington County Scout Council, was unable to be present for the banquet, but arrived in time to join in the fun when comic valentines were passed around and each was read by dad and son.

Rookies Initiated

Five rookies were taken into the troop with the Investiture Service. The boys who became Tenderfeet were: Tom Adams, Jim Longstreet, of Riverton, Bill Swayne, Bill Ulrich and Frank Weigand, of Palmyra. Year pins were awarded and the banquet broke up in welcoming the new boys into the troop.

Friday night: At 7:30 the entire troop was taken on a mystery drive by the troop committee. The final destination was Miss Middleton's Indian Lore Museum. It was their privilege to view arrow heads, pottery made five thousand years ago, costumes and all kinds of Indian relics. Miss Middleton gave many interesting explanations in answer to the many questions asked by the boys. Most of the articles displayed were collected in Burlington county.

Hike Day

Saturday: Hike day is always Saturday and the boys are always looking forward to the annual battle of "Capture the Flag." Over three quarters of the troop set out for the woods at 2 o'clock and arrived home at 6:30, tired but bubbling over with the climax of a successful Scout Week. Publicity Chairman.

CIVIL SERVICE EXAMINATIONS

The United States Civil Service Commission has announced open competitive examinations as follows: Radio inspector, \$2,000 a year, Federal Communications Commission.

Junior billing-bookkeeping machine operator, \$1,440 a year. All states except Colorado, Iowa, Kansas, Maryland, Minnesota, Utah, Vermont, Virginia, and the District of Columbia have received less than their quota of appointments in the apportioned departmental service at Washington, D. C.

Full information may be obtained from the Riverton post office.

YMCA STAMP CLUB of Palmyra and Riverton

The members of the Haddon Heights Stamp Club have been invited to attend the next meeting of the Palmyra-Riverton YMCA Stamp Club which is scheduled for Friday evening, February 26, in the Y building, Palmyra.

Many of the Haddon Heights philatelists have signified their intention of being present to hear the discussion on stamps of the Philippine Islands, by Howard Morris, of Chester, Pa.

Mr. Morris will also display his P. I. collection which is considered to be among the best in the country. Other important features have been planned by the entertainment committee.

FLOOD CONTROL ON DELAWARE RIVER

A bill for a flood-control survey of the Delaware river has been re-introduced by Congressman D. Lane Powers.

This bill was first presented at the last session, but no action was taken. The Congressman made a study of the Delaware River situation last spring when the stream was over its banks in several places.

"Fortunately for our people," he declared Monday, "there is little likelihood of a flood this year. My measure, however, is designated to authorize a survey by competent engineers to determine what steps should be taken so that a disastrous flood can never recur."

Children under twelve years of age are forbidden by law to act in British film studios.

Court Change Is To Be Protested

(continued from page 1)
a group of interested citizens who have secured as speaker for the evening Randolph W. Childs, a prominent Philadelphia attorney.

Independent Politically

Mr. Childs has been prominently associated with activities of the Philadelphia Bar Association and is a former secretary of that organization.

He is independent politically and has never hesitated to attack moves of either party if he believed them to be against the best interests of the people of the United States.

Mr. Childs has been identified with many activities of municipal, state and national character and, at present, holds several responsible positions on various state boards.

Able Speaker

Many local citizens have had the privilege of hearing Mr. Childs speak on several occasions, and all assert that he is an extremely capable orator and one who will present the facts of the situation in an interesting and forceful manner.

The members of the committee who have made arrangements for the meeting are: J. Gardner Crowell, chairman; Dr. Harry L. Rogers, and Stuart B. Clark, Edward K. Merrill, Harry F. Jones, John L. Seckel.

New Camp
For the first time in the history of camping at Ockanickon, both the boys' camp and the girls' camp is scheduled to open on the same date, namely, Wednesday, July 7th. This is now possible because the girls will use the upper lake portion of the Ockanickon property, where a combination dining hall, lodge and headquarters building is already constructed. Locations have also been designated for the various camping areas. One tent-house is up. Gifts of additional tent-houses have been assured. The camp also has a supply of tents, cots and wooden floors, a number of which will be used until the necessary number of tent-houses have been contributed.

Old Staff to Return
The committee discussed various ways and means for securing necessary finances for getting the camp in sufficient readiness for use for this summer. Practically all of the staff will return. This group is headed by Mrs. Evelyn Sloane Smith, who serves as camp director. Mrs. Smith has just recently declined a very attractive offer from the American Youth Foundation Camps and has notified the women's committee she will be available this summer to be the director of Camp Matilonequay.

Burlington county's other two women on the Matilonequay committee are Mrs. Edwina Russell, Moorestown, and Mrs. S. Roger Oliver, Burlington.

Final Adoption Riverton Budget

detail as soon as possible.
Council decided that the site of the old building at Broad and Main streets was an eye-sore, and recommended that this condition be called to the attention of the Pennsylvania Railroad, owners of the property.

Bus Situation
The local situation in respect to bus service, fares and type of equipment, was taken up with a representative of the Public Service Co., who was present.

It was learned that the coaches with the uncomfortable cane seats are to be replaced in the near future with equipment which has been completely reconditioned.

According to latest information, no fare reductions are contemplated on the local lines.

Tax Deductions**
(continued from page 1)

necticut, Delaware, District of Columbia, Indiana, Kentucky, Maine, Maryland, Massachusetts, Michigan, New Hampshire, New Jersey, New York, North Carolina, Rhode Island, Vermont, Virginia and West Virginia. This group is also deductible under Item 8 (Form 1040A).

No such deduction is allowed, however, in Pennsylvania, Ohio, South Carolina, Tennessee, Georgia, Florida, Mississippi, California, Colorado, Nebraska, Washington, Utah, Wyoming, or Alabama. The Federal tax of 1 cent a gallon on gasoline cannot be credited.

Accident Losses
Loss by accident is deductible, except when the owner has been compensated for the loss. Deduct under "Losses" (Item 10, Schedule J).

Interest paid on personal indebtedness, including finance company loans.

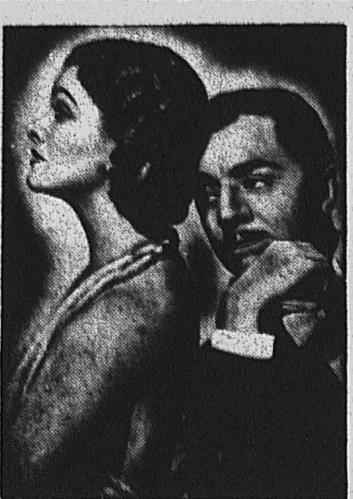

Consult your finance company for the exact rate of interest. Deduct under "Interest" (Item 9, Schedule L).

No other deductions are allowed to a taxpayer who uses his car for pleasure only. No allowance is made for the amount of fines or court costs paid for violations of motor laws, nor for money paid to others in settlement of damage claims. No credit may be taken for operating expenses unless the car is used in business.

Business Car.
Vehicles operated entirely or in part in the business of the owner entitle him to certain additional credits. These deductions may be grouped under one head as "Expenses Paid" (Schedule A-3) and titled, "Automobile—business use," and deducted from the total amount of income declared (Schedule A-2). If the taxpayer receives an expense account from his employer for the use of his car in business, the total declared income for the year must include this figure.

"If the vehicle is used partly for pleasure, the taxpayer may deduct as 'business use' the proper proportion of its total operating expense. Thus, if the car is used for business 80 per cent of the time, he may take credit for 80 per cent of the total operating expense for 1936. Proper items for consideration under this head include:

MOTOR ACCIDENT
TOLL IN 1936

1107 Die in State During Year,
Decrease of 81 from 1935;
36 in County

New Jersey motor vehicle accidents exacted a toll of 1,107 human lives during 1936; 81 fewer than in 1935. Motor Vehicle Commissioner Arthur W. Magee announced today, the decrease was 6.8 per cent. Total accidents on the other hand increased about ten per cent and the number of persons injured remained practically unchanged from the previous year.

Gas Consumption
Gasoline consumption, according to figures from the Motor Fuel Division, increased approximately 9.8 per cent during the year.

"The department is more than encouraged by the decrease in fatal accidents in the face of a recent announcement by the National Safety Council that 1936 traffic fatalities in the nation would reach 38,500, the highest on record," said Commissioner Magee.

"When one considers the great increase in the number of automobiles on the roads together with the additional millions of miles travelled, as evidenced by the 9.8 per cent increase in gasoline consumption, New Jersey has reason to feel encouraged when it can report 81 fewer deaths and scarcely any change in the personal injury column. The ten per cent increase in total accidents was made up principally of minor property damage accidents."

Burlington County
There were 36 fatalities in Burlington county, this number being 15 less than in 1935, a decrease of 29 per cent. Burlington county increased from 79 deaths in 1935 to 83 during the year just passed, an increase of five per cent.

AAA FUND FOR
COUNTY FARMERS

Soil-building allowances for the 2122 farmers of Burlington county under the 1937 Agricultural Conservation program will total \$167,082, as announced by W. H. Allen, executive officer for the program in New Jersey.

In determining the total allowance for this county, the government figured on 106,586 acres of cropland harvested, 17,889 acres of idle cropland, 11,953 acres of fruit, and 30,654 acres of commercial vegetable farming. One dollar per acre is the base rate of the allowance. There is a further allowance of 40 cents per acre for the 17,289 acres of plowable pasture to be found in this county. Plans for meetings of farmers at which details of the program will be discussed are being made. Local dates and places of meeting will be announced shortly.

Tax Deductions

(continued from page 8)
of fuel, maintenance and repair costs, garage rent, insurance premiums (net), and automobile club dues. In states where the fuel tax may not be deducted as a tax, the price increase is included in the cost of fuel. As already stated, this applies at present to both the Federal and the Pennsylvania tax.

Depreciation

Depreciation is allowed on some reasonable basis. On the theory that the average motor vehicle has a usable life of four years, a deduction of 25 per cent of the list price is considered reasonable for pleasure cars. Allowances of ten to thirty per cent may be accepted on trucks. Loss in trade on a new car, if any. Acquiring title to a motor vehicle by purchase, gift or inheritance does not constitute income. But if title is received in consideration of services rendered or as a prize in a competition or in a lottery, it must be declared under "Income" (Item 5).

Federal manufacturer's taxes are levied on the manufacturer and may not be deducted by the purchaser of a new vehicle, even though he pays for them in the price of his car.

INITIAL DEFEAT
FOR COURT TEAM

An extra-schedule game played on Monday night against Merchantville provided the loss of the season for the crack Palmyra High School court aggregation, the locals finding themselves on the short end of a 27-20 score at the final whistle.

Merchantville led by five points at the close of the first half. They were unable to increase this advantage during the third frame, but managed to outscore Palmyra 8-6 during the final canto. The locals were only three points behind, however, with a like number of minutes remaining to play.

The loss will not affect Palmyra's standing in the Burlington County League, but will certainly give the charges of Coach Dimond considerable food for thought, since Merchantville may be one of the Red and White's opponents in the South Jersey championship games.

PALMYRA YOUTH DROWNS SUNDAY

 Heroic Attempts at Rescue Fail
 As Icy River Claims
 Leo Schaeffer

Leo Schaeffer, Jr., 10, only son of Mr. and Mrs. L. A. Schaeffer, of 112 Cinnaminson avenue, Palmyra, was drowned early Sunday afternoon, when he fell from the pier of the Riverton Yacht Club while playing with two companions.

Heroic attempts to rescue the youth were made by Arthur Waters and Robert Teeple, both of Riverton, but the icy river exhausted both men before the Schaeffer lad could be brought to safety.

Waters and Teeple were at the land end of the pier when one of the boys playing with Schaeffer notified them that Leo had fallen into the water.

Both Dive In

Without hesitation, both ran to the edge of the pier and, seeing that no boat was available, dove into the river. They succeeded in reaching Schaeffer when Waters, becoming numb from the cold realized that his further efforts would only hamper the work of Teeple.

He quickly swam back to the wharf and threw a canoe overboard, hoping that it would drift within the reach of Teeple. There were no paddles available.

Teeple managed to grasp the craft and was still supporting Schaeffer, when he too was overcome by the cold water.

The boy disappeared from view, but Teeple managed to cling to the canoe.

Rescued by Boat

The canoe drifted downstream with the tide and Teeple was rescued near the buoy at the foot of Linden avenue by a boat manned by Ted Hunn, John Knight and Lloyd Gladney. He was treated for shock and exposure by Dr. Harry L. Rogers and later removed to his home.

River Dragged

From 2 o'clock until long after dark the river was dragged by several boats in an effort to recover the body of the Schaeffer lad, but the attempts were unsuccessful. In the searching parties were William Gootee, chief of the Riverton police; C. Morris Beck, chief of the Palmyra police, and William Voshel, chief of the Riverside police. Other volunteers aiding in the search were Officer John Robinson and Walter Armstrong, both of Riverton.

Search Resumed

Despite a high wind, grappling was resumed on Monday afternoon with the following participating: Officer Lawrence Betty, of the Palmyra police; Robert Snover, Vernon Adams, Charles Boale, Clarence Mattis, Lawrence Downs and others.

Body Recovered

The body was recovered at 2 o'clock Tuesday afternoon by a grappling party composed of Officer Lawrence Betty, Harry Fish, Clifford Bentliff and Charles Perkins. The four men left the yacht club pier shortly before two, and located the body almost immediately about 150 feet down-river from the end of the wharf. The position was very close to the spot where young Schaeffer was last seen.

GOLDEN ANNIVERSARY

Mr. and Mrs. Clinton J. Yerkes, of Zion, Maryland, celebrated their fiftieth wedding anniversary on Tuesday, February 23rd.

Edward E. Yerkes, their son, manager of J. S. Collins & Son, Inc., Riverton, attended the celebration. An interesting feature of the celebration was the fact that all the brothers and sisters of Mr. and Mrs. Yerkes are still living and participated in the celebration.

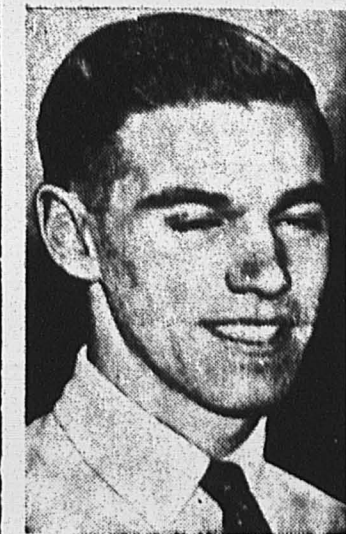

VICTIM AND SEARCHERS

Leo Schaeffer, of Palmyra, (inset) who was drowned last Sunday afternoon when he fell from the pier of the Riverton Yacht Club.

Scene shows two boat crews dragging for the body on Monday afternoon. Those in the boats braving the bitter wind are Lawrence Betty, of the Palmyra Police, Vernon Adams, Robert Snover and Charles Boale.

BRAVE ICY WATER

ROBERT TEEPLE

ARTHUR WATERS

Both of Riverton, who plunged into the frigid Delaware River, last Sunday afternoon in a valiant effort to save the life of Leo Schaeffer, of Palmyra, who had fallen from the pier of the Riverton Yacht Club. The numbing cold of the stream frustrated the rescue just when it appeared that success would crown their efforts.

PORCH CLUB

A business meeting and the annual election of officers will be held on March 2, 1937, at 2:30 p.m. The garden department, in charge of the program, has for its speaker Nina E. Weston, who will demonstrate the arrangement of flowers.

PUBLIC MEETING TO BE HELD TONIGHT IN RIVERTON SCHOOL

 To Protest Proposed Change in
 Organization of U. S.
 Supreme Court

 THREE COMMUNITIES
 SPONSORING AFFAIR

 Randolph W. Childs, Prominent
 Philadelphia Attorney to
 Be Speaker

The first public meeting in this section of the country to protest the proposed reorganization of the Supreme Court of the United States will be held this (Thursday) evening in the auditorium of the Riverton Public School, at 8:15 o'clock, under the sponsorship of a non-partisan group of leading citizens of Palmyra, Riverton and Cinnaminson.

Although public sentiment against any court change is running high in all parts of the country, only two similar meetings have been held in the east, and those in charge of the affair hope that the meeting here will induce the holding of other similar gatherings in communities of New Jersey and Pennsylvania.

Principal Speaker

The committee has been fortunate in securing Randolph W. Childs, prominent Philadelphia attorney, as speaker for the evening. Mr. Childs is independent politically and his many activities have no party affiliations. He is a forceful speaker, and those who have heard him, state that listeners will be presented with a clear, concise picture of the dangers of the contemplated court change. Mr. Childs is a former secretary of the Philadelphia Bar Association and has been prominently identified with many municipal, state and national organizations.

FREEHOLDERS TO VISIT FAIRVIEW

The Burlington County Board of Freeholders, at a meeting held on Tuesday, voted to visit Fairview Sanatorium on Friday to investigate conditions there.

The board will also question Dr. George T. Tracey, acting superintendent, Dr. Marcus W. Newcomb and the board of managers when the freeholders convene at their regular meeting Friday afternoon.

The hospital situation has received considerable attention during the past 10 days because of the circulation of a petition signed by 88 patients. This document stated that conditions at the institution were far from satisfactory and requested that action be taken toward correction.

Denial of these statements by certain hospital authorities led to the presentation of a second petition in February 19. This reiterated the statements made in the first.

TOLL REDUCTION

Effective February 22, commutation tickets for use on the Tacony-Palmyra Bridge are available, according to a statement made on Monday by Leo Niesen, president of the bridge company.

These tickets will be issued in strips of 20 and sell for \$5, thus providing a reduced rate of 25 cents per trip.

A strip of tickets will be good for 30 days. Single trip tickets have been reduced to 30 cents, this change having been made recently.

To The Citizens of Palmyra, Riverton and Cinnaminson

Whereas a group of citizens of Palmyra, Riverton and Cinnaminson have sponsored a non-partisan meeting to be held in the Riverton Public School on the evening of Thursday, February 25, in protest of the proposal by the President to reorganize the Supreme Court of the United States, and Whereas, this meeting is called to uphold the fundamental principles of liberty and democracy, therefore We, the undersigned, appeal to all the citizens of these communities to attend this public mass meeting called for Thursday evening in the Riverton Public School auditorium at 8:15 o'clock.

 Signed: JOHN F. WARD, Palmyra,
 H. McILVAIN BIDDLE, Riverton,
 CHARLES EVANS, Cinnaminson.

PALMYRA BUDGET APPROVED FOR '37

 Commendation for Men Who
 Grappled for Body of
 Schaeffer Boy

The Palmyra Borough budget for the fiscal year of 1937 passed final reading, when no objection was raised at the public hearing held in the Council chamber, Tuesday night. Councilman William Engle, chairman of the highway department, read a letter from the Burlington County Board of Freeholders in which Freeholder Jones stated that the paving of the road now occupied by the trolley tracks on Broad street from Cinnaminson avenue west, was included in the 1937 highway program.

Another letter was read from Freeholder Jones stating that no definite word could be given about county aid for the improvement of Spring Garden street until such time as the matter of diverting highway funds is settled in the New Jersey legislature.

Report on Drowning

Chief of Police C. Morris Beck reported on the drowning of Leo Schaeffer and told how some of the men from Palmyra had been active for three days grappling for the body despite difficult weather on the river. Chief Beck stated that he felt the men should be commended for their work. The mayor heartily agreed with him and asked the members of the press to acknowledge their work.

To Build Boat

Chief Beck asked for an appropriation of \$22 to cover materials to build a boat for the police department. He stated that a friend of his who built boats volunteered to construct the craft if the materials were provided. Chief Beck stated that, in such emergencies, the matter of having a boat quickly available on a trailer might be instrumental in saving a life. The chief was authorized to proceed immediately to have it built.

THIRD MATCH IS LOST BY CLUB

On Wednesday evening, February 17th, the Riverton Bridge Club were guests of the Camden Bridge Club at Camden, at which time a scheduled match in the South Jersey Whist League was played. The Camden club won by the team score of 3220 points. The pair scores were as follows:

Dr. Dey and Mr. Woodward, playing east and west, lost by a score of 1650 points.

Mr. Sims and Dr. Downs, playing north and south, lost by a score of 910 points.

Mr. Ochs and Mr. Burns, playing east and west, won by a score of 470 points.

Mr. Carty and Mrs. Evans, playing north and south, lost by a score of 1130 points.

The Riverton Bridge Club has now won three and lost three matches and will continue their schedule on March 17th, when they will be hosts to the Victor A. A. Bridge Club, at Riverton.

WELFARE REPORT FOR PAST MONTH

Executive Secretary Pays Tribute to Services Rendered By Volunteers

The following are excerpts from the report of the Riverton-Cinnaminson Welfare Association as submitted by Mrs. Catherine B. Blair, executive secretary, at the meeting of the association held on Tuesday night:

The routine work of the office, especially as to relief, has been rather heavy in the past month. Mr. Denneker has proved himself very competent in his handling of the men and has in general met with cooperation. Most men prefer to work for what they get. The two days' pay does not, of course, in all cases adequately care for the needs of the family represented, but this is supplemented in various ways according to the need, by milk, clothing, fuel, etc.

As you probably know, we offered our office as a collection point for clothing and money for the flood sufferers. I was particularly interested to accept and pass on to Miss Campbell for the Red Cross a donation from the children at Cinnaminson School No. 4.

Volunteers

My volunteers are steady and dependable workers and have made real advances. I only regret that they are so few in number and can not give us more time. May I repeat that this volunteer work is not only of help to the Association; it is rich in returns to the individual—and there is so much to be done.

While the relief numbers have risen (24 families receive some form of help during January, but not all regularly), the case load is 54 active, 10 inactive. This means that we have been in contact with 54 families and have worked with them upon the problems which confront them.

Budgeting

The interest shown in a talk at a Friends' First Day School Class on the subject of budgeting and a comparison of relief standards of the present with those of ERA, and those advocated by Brookings Institution, has led me to suggest that we spend a short time at each meeting on various aspects of our work. Then, in conclusion, we might more definitely define our purposes and policies.

SUMS PAID TO VETERANS IN '36

Veterans' Administration expenditures in New Jersey during the fiscal year of 1936 amounted to \$13,122,119 according to a report received by Mrs. Ethel M. Harlan, acting state director for the National Emergency Council. This sum did not include payments made to veterans on bonus certificates.

Living veterans of all wars received the sum of \$6,557,705 in compensation and pension payments, while payments to 6,430 dependents of deceased veterans of all wars amounted to \$2,515,204.

The payments to dependents of deceased veterans were:

World War, service connected	\$832,063
World War, non-service connected	24,228
Peacetime	57,208
Spanish-American War	604,668
Civil War	962,119
Indian Wars	33,428
Mexican War	1,490

Among the payments to living veterans were:

Spanish-American War	5,558 veterans \$2,394,004
Civil War	183 " 217,890
Indian Wars	70 " 37,018

State administrative costs of the Veterans' Administration, including operating expenses of all offices and hospitals, amounted to \$875,110. The Veterans' Administration reports that pensions are still being paid to two dependents of deceased veterans of the War of 1812, one a resident of New York and the other of Oregon.

A century and a half after James Boswell wrote his famous "Journal of a Tour of the Hebrides" the first complete edition was published following discovery of his manuscript papers.

LEADING CAUSES OF CAR CRASHES

Everybody deplores automobile accidents, but few drivers seem to realize the underlying causes of highway mishaps. The Keystone Automobile Club of New Jersey offers the following summary of causes, based on local and national experience:

Lack of confidence or over-confidence. (Over-confidence is usually found among young drivers and leads to chance-taking.)

Failure to signal (by horn, hand signal, position of car, etc.).

Cutting in and out (sudden driving may save a few seconds, but the accident risk is too great).

Passing on curves or near the crest of hills.

Failure to stop at traffic lights and stop signs.

Passing on the right side.

Passing standing street cars or driving through safety zones.

Driving after drinking intoxicating beverages.

Ignorance of the motor vehicle laws.

Driving on the wrong side of the road.

Driving off the roadway.

Mechanical defects.

PHONE BUSINESS UP DURING 1936

If use of the telephone is an indication of general conditions New Jersey's business and other activities improved steadily through the last year and continued improvement is looked for in 1937. Chester I. Barnard, president of the New Jersey Bell Telephone Company, states in the annual report of the Company made public today.

Telephone service increased 32,343, compared with a gain of 14,406 the preceding year. More than half of the 96,000 telephones lost during the depression years had been regained by the close of 1936.

The volume of calls handled at the switchboards was heavier than in previous years, averaging 2,672,580 a day last year compared with 2,505,066 a day in 1935, and the increase in calls to more distant points was particularly marked.

FRIENDS' SCHOOL ANNUAL CONCERT

The annual concert sponsored by the Moorestown Friends' School Alumni Association will again be given by the Glee Club of Haverford College, Haverford, Pa., in the school auditorium on the evening of Saturday, March 6, at 8:15 o'clock. The Haverford Glee Club, noted for its excellent singing, gives annual concerts at many other school functions during the year. The organization is also heard over the air on WCAU.

The club has appeared at Moorestown three times during the past four years, where enthusiastic audiences have heard their harmonious renditions.

Tickets are 50c, and the proceeds will benefit the school library. Dancing will follow the concert.

EMERGENCY CROP AND SEED LOANS

Application for emergency crop and seed loans for farmers in Burlington county will be received at the office of the County Agricultural agent, Mt. Holly, on Thursday, March 4, from 9 a.m. to 4 p.m. Farmers are not eligible for these loans if they can borrow from any individual, production credit association, bank or other concern.

INITIATED INTO LEHIGH SOCIETY

Frank B. Elliott, of Riverton, freshman engineering student at Lehigh University, has recently been initiated into the Chi Phi fraternity. Frank is the son of Mr. and Mrs. Rosa T. Elliott, of 402 Fulton street.

WARNING

In order to prevent a recurrence of the tragedy which happened last Sunday afternoon, parents are advised to warn their children to stay off the pier of the Riverton Yacht Club, which is private property and for members only.

Signed: Charles F. Voorhis, Commodore Riverton Yacht Club.

PALMYRA WOMAN'S CLUB MEETING

The meeting of the Palmyra Woman's Club on Monday, March 1st, will be in charge of the American Home Department.

Mrs. Howard Hancock, of Salem, national chairman of the American Home Department, will be the guest speaker.

Mrs. Hancock spoke before the Palmyra club several years ago and was enthusiastically received.

An exhibition of patch work quilts will be on display in the club room, and any members wishing to display old or odd quilts are requested to bring them to the meeting.

Fairview Sanatorium

During the past week, attention was again focussed upon affairs at the Fairview Tuberculosis Sanatorium by the presentation of a petition to the Burlington County Board of Freeholders. This was signed by 88 of the patients.

The document stated, in brief, that the institution was not being managed in a manner conducive to the welfare of the patients.

The charge was promptly met with a denial that such conditions existed.

The New Era, not being in possession of all the facts held by the opposing factions, does not attempt to pass final judgment on the situation.

Obviously, some one is wrong, either in whole or in part. The citizens of Burlington County are not interested in a perpetual squabble over the affairs at the sanatorium. What they do want, and what they should have, is an institution capably managed for the best interests of the patients.

A thorough and impartial investigation should be conducted into the affairs of Fairview. The results of these findings should then be given serious attention by the Board of Freeholders and thus put an end, once and for all, to an odious situation.

WESLEYAN MEN'S

BIBLE CLASS

Last Sunday morning Dr. J. G. Bickerton delivered the second of seven discourses dealing with the last seven days of our Lord before crucifixion.

Next Sunday Mr. Bickerton will talk upon the subject "Christ and His Questioners."

Mrs. Leroy VanAlstyne, of Delanco, sang a beautiful solo, and was accompanied at the piano by Leroy VanAlstyne.

The attendance for last Sunday consisted of seventy-two members and eight visitors.

The Community Lenten Service, to be sponsored by the class, will take place Sunday afternoon, March 21st (Palm Sunday) at 2:30, in the high school auditorium.

This will be a mixed meeting to which all men and women of the surrounding community are invited.

FIRST LUTHERAN CHURCH

Rev. Harold L. Creager, Pastor

At our worship service next Sunday morning the third message in the series on Christ's statements of His own purpose will be presented. The theme is "The Messenger of the Truth."

At the evening service the sermon topic will be "What Does Christ Mean to You?"

The mid-week service is held each Wednesday evening at 8 o'clock.

The Ladies Aid Society will hold their monthly meeting next Tuesday evening at the home of Mrs. Hah-fast.

BIRTH

Mr. and Mrs. Walter Gennett, of 330 Parry avenue, Palmyra, are receiving congratulations on the birth of a son Theodore Paul, on February 19, at the Mary Haas Robbins Maternity Home.

Prior to an earthquake, in 1886, Shaking Rock, a balanced boulder at Lexington, Ga., could be moved by the pressure of one finger. The quake destroyed some of its balance, but even now the great stone can be rocked by a small child.

YMCA BRIEFS

Swim March 2nd

Another swim is being planned for March 2nd at Moorestown Community House. The Parry Boy Scouts will be a part of this group, but all boys must sign up before Monday, March 1st. Signing up is absolutely necessary so that the needed transportation may be secured. Anyone willing to drive a car, please get in touch with Mr. Mount. The boys leave the YMCA building at 7:00 p.m.

YMCA Model Aircraft Club
This club meets on Thursday evenings, 7 o'clock, at the Y, and is doing some fine work on flying scale, flying stick and solid models. The flying models will be tried out at the Riverton School Auditorium on Friday after school.

Any group of between ten and fifteen fellows who are interested in model airplanes or boats see Mr. Schwartz at the Y on Thursday evenings.

Two contests are now being held for the boys of the club. One for the best looking and best flying scale model, with the prize being offered by the YMCA. The other, which closes March 18th, is for the smallest and most perfect solid scale model.

Fifty Boys Enjoy Hockey Game
Fifty boys went to the ice hockey game between Princeton and Boston College on Wednesday, February 17th, at the Princeton rink, Princeton.

These boys were all members of the "Y", to whom the trip was free, or guests of some member of the Phalanx Fraternity. They left the YMCA at 7:30 p.m., in cars driven by the following men: Harold Elms, Porter Caldwell, Dr. Hayes Brady, Henry Wilbraham, Maynard Bowen, Harry B. Williams, Avery Willis, Lawton Steele, and W. E. Mount.

An automatic vending machine has been developed which says "Thank you" after a coin is inserted for the purchase of goods.

PHILATHEA CLASS

AFTERNOON TEA

Mrs. Albert B. Seither entertained the Philathea Class and friends at a delightful tea party at her home 419 Lippincott avenue, Monday afternoon.

Mrs. Caroline Hirsch gave an interesting reading on George Washington, also a humorous number on "How to Win an Automobile in 20 Words," which was greatly enjoyed.

Mrs. James Seither sang a group of songs, "If Love Ruled the World," by Rolfe; "Bless This House," by Bracie, and "Such a Lil' Feller," by Dichmont; accompanied by Mrs. Albert Seither on the piano.

Mrs. Seither also read a group of her own verse. Miss Edith Tees rendered several delightful piano solos. The pastor, Rev. George Lockett, and Mrs. Hirsch sang a duet and everyone enjoyed a community sing.

Tea was served by Mrs. H. Chad-

PALMYRA B. & L.
ORGANIZED IN '87

Association Will Pass Half-Century Mark on the First of March

Believe it or not, 50 years ago Palmyra and Riverton were experiencing a boom, and a real boom it was! Farm lands were being converted into building lots, and real sized houses were being constructed.

This was perhaps the reason why a movement was started early in the year 1887 to form a Building and Loan Association, an instrument through which people could place their savings, while others desiring to build could obtain funds for that purpose.

Thus the Palmyra Building and Loan Association came into being as a community enterprise for the mutual benefit of all.

Fiftieth Anniversary

Fifty years will have passed on March first, when this association sold its first shares, starting a nucleus toward the bigger and better building of our communities. Likewise, through all these years, the Palmyra Building and Loan Association has been instrumental in their continued growth.

From the very inception of the association, conservatism seems to have been the watchword. Careful management and strict adherence to the principles of a building and loan has led the association through many a depression, the recent one being a good test for any financial institution.

Excellent Record

During the past fifty years, with the exception of a few months during the height of the depression, the Palmyra Building and Loan Association has had the distinction of meeting every demand of its shareholders and paying all maturities in cash when due.

The association has been constantly on the alert to keep abreast of the times in matters pertaining to and affecting building and loans, with the one thought in mind, that of the shareholders it represents.

In many cases the association has advanced further than the governing bodies. Laws, rules and regulations just now being suggested by these bodies have been the doctrine of the Palmyra Building and Loan Association for years.

Officers and Directors

The officers and directors now serving are: Clarence T. Yerkes, president; Edward H. Jessup, vice president; Forrest C. MacCorkle, treasurer; Frank L. Durgin, secretary; Harvey G. Fisher, assistant secretary; Joseph S. Low, solicitor; Directors: Sidney D. Albertson, George B. Clover, Clarence E. Cole, Frank L. Durgin, Harvey G. Fisher, William R. Gerkens, George I. Harvey, William O. Henry, Edward H. Jessup, Forrest C. MacCorkle, Ross E. Mattis, Joseph G. Seal, George J. Spencer, Curtis E. Staveland, and Clarence T. Yerkes.

65th Series

The officers and directors are extending the public a fitting suggestion to celebrate with them their 50th anniversary by taking out shares in their 65th series.

This may be done at their meeting on Monday, March 1, from 3 until 9 p.m., in P. O. S. of A. Hall. Their motto continues to be the same, "Let's All Join Palmyra B. & L."

FOOD FACTS

Do you know that:
A British beekeeper believes he has found a way to get honeybees to make their combs inside half-pound bottles and fill them with honey.

Success in making high quality domestic Roquefort cheese has been reported by the United States Department of Agriculture.

Colorado home economics workers have reported that the recipe for angel cake must be varied according to the distance above sea level.

Office workers in Radio City are served with bottled milk twice daily.

Polikicker—the juice from boiled turnip tops flavored with smoked bacon—is now available in cans.

These "food facts" are compiled by the Division of Consumer Information, New Jersey State Department of Agriculture.

PALMYRA
SCHOOL
NOTES

On Tuesday, February 16, a group of eight Indians from the Elk River reservation entertained the grammar school assembly. They danced, sang and displayed the work which they do in the weaving of coats and designs made of beads.

Fourth and Fifth Grades

The following pupils have received an excellent rating in conduct for the entire week: Gloria Grimes, Portia Gale, Dolores Ruffin, Ella Birkhead, Beatrice Johnson, Doris Coker, Annabelle Grimes.

Sixth Grade

The pupils of Miss VanSciver's room have completed their note books of the early Greeks. Great interest was shown in studying the history, art and drama.

During the study of the Scandinavian countries each pupil of Miss Elizabeth C. Hassell's sixth grade made a booklet. This included many of the interesting facts they found and a map of the countries.

Seventh Grade

The study of Great Britain in geography is holding the interest of Mr. Earl Whitcraft's seventh grade at the present time.

We wish to correct the mistake printed last week in your paper. Mr. Whitcraft's room has held the "Savings Banner" for the last four weeks instead of Miss Vida Bortner's room.

Girls from Miss Vida Bortner's room recently gave a play called "Romeo and Juliet."

Those in the cast were: Romeo, Lillian Whiteside; Juliet, Helen Haines; Lady Capulet, Eleanor Voorhis; Nurse, Evelyn Austin; Maid, Betty Hill; Lady Montague, Jean Hardy; Announcer, Alice Myers.

Eighth Grade

Mrs. Katherine G. Long, of the school nurse, is planning to teach the eighth grade health classes on the subject of influenza. This will be a demonstration lesson.

CHOIR TO RENDER
REQUEST PROGRAM

Central Baptist Church Group
To Sing Under Direction
of Claude Barto

The choir of Central Baptist Church under the baton of their director, Claude Barto, will render an all-request program at the evening service this Sunday.

From the fact that the numbers on the program are favorites of those making such requests, it is likely that they are favored by many. With this thought in mind, the public is most cordially extended an invitation to enjoy this evening of sacred music.

The program will consist of the following numbers:

"Saviour, Like a Shepherd Lead Us," Neidinger; soprano obligato.

"What of the Night, O Watchman?" Thompson.

"Even Me," Warren; bass solo and chorus.

"I Waited for the Lord," Mendelssohn; soprano duet and chorus.

Solo, selected.

"Saviour, Breathe an Evening Blessing," Ambrose; alto solo and chorus, with violin obligato.

"Lead Kindly Light," Buck.

(Copies by courtesy of Methodist Choir.)

THREE COMPANIES
RESPOND TO ALARM

The Riverton, Parry and East Riverton fire departments responded to an alarm at 3 o'clock Tuesday afternoon for a fire in a two story residence located on the Burlington Pike near New Albany road.

The house is occupied by several colored families and the blaze was caused by an overheated stove.

The flames were quickly extinguished by the use of hand chemical tanks.

A writer tells of a Nebraska town in which the people are "just like one big family and all attend to their own business." Now who ever heard of a family like that.

PAUL R. JONES
AT NEW ORLEANS

Paul R. Jones, supervising principal of the Palmyra schools, is attending the New Orleans convention of the Department of Superintendence, of which he is a member.

The department this year, is meeting in New Orleans from February 20 to 25. Outstanding educators from all over the United States are included on the program of the department. It is expected that about 12,000 people engaged in administration in the United States will attend the convention.

An important feature of the convention is an exhibit of all types of school supplies and equipment that may be used in the school system and how they can be employed to best advantage.

The convention meetings are divided into departments and numerous programs concerning all phases of school work are featured.

VOCATIONAL IS EASY OPPONENT

Palmyra Breezes to 48-6 Win Over Camden Court Five, Rothbaum Stars

Camden Vocational could offer little in the way of resistance to Coach Dimond's Palmyra High School hoopers, and the locals romped to a 48-6 victory in a game played on the home court last Friday night.

The Red and White started the fray with a rush and were out in front by a 10-0 count at the end of the first period. The second stanza was almost over before the Traders scored their first and last field goal of the evening.

The other four counters annexed by the opposition were made by the free-throw route.

Mickle at Center

Mickle played the entire game at center, Coe being unable to perform because of illness.

The new pivot man turned in a stellar bit of work, starting many of the Palmyra scoring plays toward the basket.

Rothbaum counted on six double-tons, but was able to convert only one out five foul attempts.

The preliminary game was a nip and tuck battle, with the Camden reserves finally winning by the count of 17-15.

YMCA STAMP CLUB of Palmyra and Riverton

Meeting Friday Night

In addition to the exhibition of stamps of the Philippine Islands by Howard Morris, of Chester, Pa., several other surprises have been planned for the meeting of the Palmyra-Riverton Stamp Club, which is to be held tomorrow (Friday) evening in the Y Building, Palmyra, at 8 o'clock.

The Haddon Heights Stamp Club will attend in a body and the program committee of the local organization is desirous of having a large turnout of members to welcome the visitors.

ANNOUNCEMENT

Mrs. Blanche Tucker, a former well-known resident of Riverton, announces that her volume of poetry entitled "Touchstone" has recently been published by the Gayren Press, of Paterson, N. J., and that copies may be ordered from William H. Stiles, Main street, Riverton, or from the author at Fourth and Central avenues, Woodbury Heights, N. J.

The book is beautifully illustrated and sells at \$1.50.

MISS PENNINGTON IN MUSICAL RECITAL

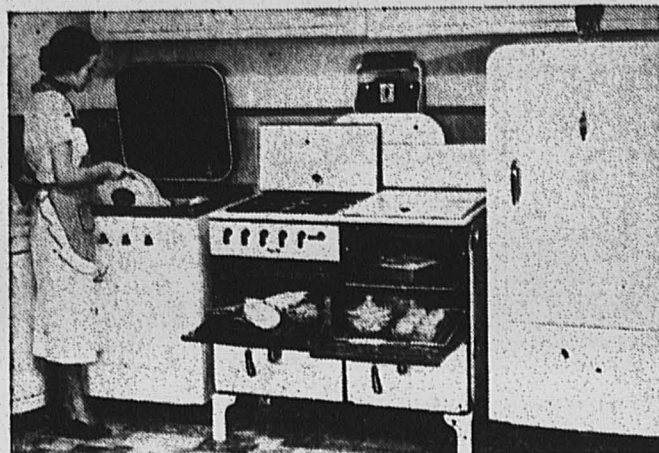

At a monthly recital of Steinway-Juliard pupils, Yvonne Pennington, pupil of Clifford Hires, played a cornet solo, "The Maid of the Mist," by H. Clark. Miss Pennington was accompanied on the piano by Miss Eleanor Friday, pupil of Emma A. Price.

The recital was held on Friday evening, February 19, at the Steinway Hall, 1613 Chestnut street, Philadelphia.

FAMOUS MARINE BAND MONUMENT TO SOUSA

Oldest of the military bands of America, the United States Marine Band has not only won nationwide fame, but it is also an enduring monument to the memory of John Philip Sousa, whose creative genius as a musician and leader has left an indelible stamp on the musical history of both the band and nation.

Nearly seventy years of service to America had been given by the band before Sousa, as a lad of thirteen, joined the organization in 1867 to learn the mysteries of music. Several years later he became its leader and through the wizardry of his musical genius did much to lift the band to the plane it has won in the hearts of the nation.

Housekeeping Hints

By Home Economics Department
Public Service Electric and Gas Company

SPRING is just around the corner and with the advent of a new season every homemaker would like some new menu ideas. These menus and recipes should be economical, easily prepared and attractive. However, the most simple recipe can be so garnished and so dressed up that it looks as attractive as the most elaborate food prepared by a French chef.

Virginia Pork Chops

4 pork chops 4 juicy apples
1 tsp. salt 1 cup prunes
Flour 1 cup prune juice
Boll prunes fifteen minutes to obtain juice. Select thick pork chops. Sprinkle with salt and flour, fry to a golden brown in hot shortening. Slice apples thin into bottom of buttered casserole or skillet. Lay pork chops over chops. Cover and cook at 350 degrees for 1½ hours or until chops are tender. Turn chops during cooking, basting occasionally with juice. Half hour before removing from oven, add prunes.

Deep Sea Delight

1 pkg. broad 1 small can
noodles mushrooms
1 cup medium 1 small can
white sauce tuna fish
1 small can 1 cup grated
asparagus tips American
1 green pepper cheese
cut fine ½ tsp. salt
½ tsp. pepper

Cook noodles in salted boiling water until tender. Drain, rinse and drain again. Add rest of ingredients in order named, reserving some of grated cheese for top of dish. Place in buttered casserole, sprinkle with cheese and bake at 350 degrees for about forty-five minutes.

Poached Eggs Benedict

Toasted English Muffin, cut in half
Place thin slice of broiled ham on muffin
Poached egg on top of ham
Cover with Bernaise Sauce
Garnish with parsley

Bernaise Sauce

1 tbsp. chopped 1 tbsp. tarragon
shallots or vinegar
onions 3 egg yolks
1 tbsp. crushed ½ lb. salt
white pepper butter
1 tbsp. chopped chives

The above ingredients will make enough sauce for two servings. Boll together shallots, vinegar and white pepper until almost dry. Add yolks of eggs and fold in the melted butter gradually. Strain this mixture through a cheese cloth and then add the chopped chives.

In order to obtain the best results with this sauce the mixture should be beaten over hot water until the desired thickness is obtained.

Beef or Oxtail Ragout

1 lb. stewing 1 large onion,
beef or diced
1 oxtail cut in 2 ¼ tsp. celery
inch pieces salt
1 tsp. shortening ¾ tsp. salt
2 large carrots, f. g. pepper
cubed 1 cup water
1 medium sized gherkins,
parsnip or chopped
2 large turnips, 4 tsp. gher-
kin juice

Cut beef in two inch square pieces, brown on all sides in shortening. Add the vegetables and allow to saute, covered on low flame for about five minutes, turn frequently. Then add 1 cup water and seasonings and cook until tender. It might be necessary to add another cup of water while meat is stewing to have enough for gravy. When beef is tender add the gherkins, chopped, and dissolve the gherkins in the gherkin juice and add to the gravy, counting about crushed gherkinsnap to each 1½ cups of gravy. Cook until thickened.

If oxtail is being used, do not put in vegetables at once, but allow oxtail to simmer in 1 cup of water after being browned on all sides. After ½ hour, add vegetables and at least 1½ cups more water and stew until tender. Then proceed as above.

TURNERS CONTINUE UNBEATEN STRIDE

Down Salem McCarthy's Last Sunday Afternoon, Reds Beat Ramblers

The invincible Turner basketball team continued to roll over the opposition when they took the Salem McCarthy's over the loops last Sunday afternoon by the score of 26-19. The win was the sixth straight victory for the first-half champions, who have not lost a game this year. The Turner Reds won a 34-26 decision over the Salem Ramblers in the preliminary encounter.

JOE COX WILL BATTLE INDIAN

Chief Little Wolf, Exponent of Famous Deathlock, at Camden Armory

Dynamite Joe Cox, barrel chested Missourian and Chief Little Wolf, squatty red skin grappler from Colorado, have been signed to feature the next mat bill of the Twin City Athletic Club at the Camden armory on Thursday night. The match is labeled for 90 minutes, with the best two out of three falls to determine the winner.

This is Wolf's third engagement in the drill shed in as many weeks. If Cox is in form, Wolf will find himself stacked against one of the toughest grapplers since his return from the west coast. Joe has won his last two bouts.

Stanley Pinto, Nebraska, "forearm slasher" will serve as an acid test for Jack Kennedy, of Texas, who made his debut last week when he took John Katan over the hurdles. This is slated for one fall with a 30 minute time limit.

Other half hour encounters will show Mike Strelch pitted against Jim Coffield. Bill Sledge and Ralph Garibaldi are expected to wage a clean bout when they meet in the second bout. Laverne Baxter, of Rahway, opens the show with Charley Allen, of Buffalo.

Country Club Notes

A mixed bridge party for members and friends is scheduled for Friday evening, February 26. Dr. H. L. Rogers is chairman of the affair.

The club dance will be held this Saturday evening, February 27. Music is to be furnished by the Mazda Lane Orchestra. J. C. Tyler is in charge of the arrangements.

BOWLING AT THE COUNTRY CLUB

The team of W. L. Hendrickson continued to hold a two-point lead by taking two games, from the Jamison entry. Bonsall and Lippincott are tied for second position with a record of 13 wins against eight losses.

High set honors for the week were captured by Ross Elliott with a score of 595, his individual games being 223, 202 and 170. Tyler had a high single of 233 and Somervell followed closely with 231.

The standing of the teams: W. L. Hendrickson 13 6, S. H. Bonsall 13 8, J. E. Lippincott 13 8, J. F. Jamison 12 9, D. B. Clark 11 10, D. B. Tyler 10 11, R. J. Woods 10 11, W. S. Wilson 10 11, C. E. Sims 9 12, M. L. Smith 9 12, J. S. Bartley 8 13, R. T. Elliott 8 13.

The team captained by Miss Elinore Hall jumped farther into the lead by winning all three games last Monday. The group led by Miss Brita Hendrickson went into second place with a record of six compared with a similar number of defeats.

The standing: W. L. Hendrickson 10 2, Miss Brita Hendrickson 6 6, Mrs. Frank Story 5 7, Miss Alice Parrish 3 9.

PALMYRA BEATS CAMDEN CATHOLIC

Red and White in 38-26 Win Over East Opponents, Shea Scores Thirteen

Palmyra High scored a well-deserved victory over the Camden Catholic court team on Tuesday evening in Palmyra, before a capacity audience, the score at the end of the fracas being 38-26 in favor of the locals.

The contest was easily the most exciting played on the home floor during the season and the Irish were always dangerous.

The Dimondmen led at half-time by the count of 16-11. Camden put on a scoring spree, however, and cut this advantage to four points shortly after the third period opened.

Palmyra Rallies

Palmyra took time out to talk things over and then proceeded to stage a rally of its own. At one time the Red and White boasted a 37-21 advantage, but the regulars left the floor at this time and Camden scored five points at the expense of the shock troops.

Good Foul Shooting

The locals were in fine fettle when it came to converting free throws, cashing in on 10 out of 14. Shea led the field in counting on five out of a total of six, while Rothbaum scored bull-eyes on his two attempts.

Shea led the Palmyra assault with 13 counts.

The high school five will play the Alumni, Friday night on the home court, and will wind up their regular schedule on Tuesday evening in Convention Hall, Camden, against Woodrow Wilson. This contest has been postponed from Saturday.

ANOTHER WIN FOR BURKE & EISLEY

Down Artisans 22-16, "Y" Tops Tak-Abst, Trojans Trounce Rogers

The Burke & Eisley court grenadiers continued to set the pace in the Interboro Basket League by notching up their fifth win of the season at the expense of the luckless Artisans, the count of the game played last Thursday being 22-16 in favor of the loop leaders.

The Trojans are a single game behind the Burke-Eisley quintet, registering their fourth win by overcoming Rogers News by the score of 17 to 9.

The third game played last week resulted in a 15-12 decision for the YMCA over the Tak-Abst representatives.

YOUR GARDEN WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

The mild winter weather we have experienced during the past few weeks has started many plants into growth, and gardeners are wondering just what to do. Since no one knows what the weather will be, the best advice that can be offered is to leave these plants alone. If bulbs and other plants in the garden have been smothered, loosen the mulch to let air in, since most mulches have been packed down by heavy rains. By loosening the material now there will be less danger of any plants being smothered.

Annuals

Many gardeners are anxious to start gardening operations, and such seeds as annual poppies, calendulas, larkspur, calliopsis and other very hardy annuals may be sown. It is usually best to rake the ground first, and then sow the seeds broadcast. The alternate freezing and thawing of the ground will cover the seeds and they will germinate early and make good, strong plants. Remember, too, that all of these plants grow much better in the cool days of early spring than they do later when the weather gets hot.

Perennials

Most hardy perennial flowers may

be planted in a seed bed now. While they will not germinate immediately, very often winter planting of seeds, and especially of the perennials that germinate slowly, produces stronger plants. Mark out the rows in the carefully prepared bed and plant the seed thinly. Covering them is optional. A thin layer of sand or peat moss is all that is needed if the gardener feels that a covering is desirable.

PUBLIC SERVICE EARNINGS

The January earnings of Public Service Corporation of New Jersey and subsidiary companies available for dividends and surplus increased \$137,790.31 compared with January, 1936. Gross earnings for the month were also higher showing an increase of \$275,872.77 compared with January a year ago.

Gross earnings for the twelve months ended January 31, 1937, were \$123,118,920.08 as against \$119,091,561.59 for the twelve months ending January 31, 1936, an increase of \$4,027,358.49.

Westfield Friends School

At Westfield Friends' School we are making history and repeating history!

One would have been perfectly amazed to have entered the building within the last few weeks and to have seen and heard the enthusiasm with which the different groups entered into the beginning and final "touches" of our first real contribution to the world of Journalism.

New Magazine

Our magazine, The Westfield Scroll, made its debut February 22, 1937. In it, one will find the highlights of the year in literary achievement, everyday experiences in all subjects pertaining to school, plus a resume of the extra curricular activities. The Westfield Scroll is far from "cut and dried" and on its pages one will find much that will arouse humor and human interest.

For instance, the advertising section will be most enlightening to those unfamiliar with the school's set-up and to those already acquainted with the school it will make an even greater appeal. The illustrations accompanying any printed material immediately sell it and The Westfield Scroll surely is no exception.

The Scroll has drawings from all the classes and the contributions are most worthwhile. An active and able literary staff composed of members from the upper group have compiled and assembled the material in a most pleasing and entertaining manner. A copy of the paper is a necessity.

Washington's Birthday

The Washington's birthday celebration was most assuredly repeating history. Everything pertaining to the Colonial was emphasized in the Assembly program on that day.

Naturally for comparison and variety it was necessary to intersperse something of the modern, but George Washington and his contemporaries held full sway. The idea was carried out in costume, furniture and settings. The program took the form of entertaining for the distinguished guests of long ago—Washington, Lafayette, Benjamin Franklin, etc. Moving pictures of Paris as it is today were given for Lafayette and in return the Minuet was danced for him as it would have been danced in his time. A puppet show was given by the children to emphasize the interest in French exhibit in such a performance, which they call a "guigule" show.

Many Attend

The progress of time was shown by the part played for Benjamin Franklin and he was made aware of the scientific advancements since his day. Finally, the mode of travel was brought up to date by the airplane sketches given by the younger groups.

The whole affair seemed a very fitting way to celebrate the holiday and it linked up the old and new in a most telling and instructive fashion. The audience was unusually large and enthusiastic, and the school was favored with the presence of leaders in education in our community.

CHRISTIAN SCIENCE CHURCH

"Christ Jesus" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 28.

The Golden Text is: "Jesus Christ the same yesterday, and today, and for ever." (Hebrews 13:8).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "When Jesus came into the coats of Caesarea Philippi, he asked his disciples, saying, Whom do men say that I the Son of man am? And Simon Peter answered and said, Thou art the Christ, the Son of the living God." (Matthew 16:13, 16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The question then as now was, How did Jesus heal the sick? His answer to this question the world rejected. He appealed to his students: 'Whom do men say that I, the Son of man am?' With his usual impetuosity, Simon replied for his brethren, and his reply set forth a great fact: 'Thou art the Christ, the Son of the living God!'" (pp. 136, 137).

ELIMINATION OF RADIO NOISES

Between the studio microphone and the loud speaker in your radio receiving set, where the sound waves are changed into a program, are many obstacles to clear reception. Radio waves are sent out by other sources than broadcasting stations, the chief foe in this category being atmospheric electricity, commonly called static. These waves are at times crashing, scratching or buzzing sounds, and at present no adequate remedy to overcome static has been found.

It is quite possible, however, to reduce the noise caused by electrical equipment in the home, remarks the New Jersey Public Utility Information Committee.

First of all, a radio expert should make certain that the set is in perfect order and properly connected and grounded. The more common sources of noises that can be remedied are these: loose connections in house wiring; loose lamp sockets or loose bulbs in the sockets; electrical appliances with moving parts; cords or plugs with defective contacts; and light switches or door bell transformers.

Repeated tests made by electric companies that generate power indicate that less than twenty per cent of radio interference is due to power company equipment.

SANITARIUM COSTS RISE DURING 1936

According to a statement recently issued by Dr. Marcus W. Newcomb, medical director of Fairview Tuberculosis Sanatorium, it cost the taxpayers \$2,328.46 more to run the institution in 1936 than in 1935.

A breakdown of the cost for the two years, as submitted by Dr. Newcomb follows:

	1935	1936
Maintenance	\$100,851.37	\$98,980.56
Received		
from patients	51,547.84	47,719.37
Received, state	22,338.82	21,968.02
Paid county		
treasurer	73,886.66	69,678.39
Taxpayers cost	26,964.71	29,293.17
Per capita cost	2,514	2,497

According to Dr. Newcomb \$1970.81 less was spent in 1936 than in 1935, but \$1500 of this was in the reduction of salaries by Dr. Newcomb before Dr. Tracy assumed charge. It cost the taxpayers of Burlington county \$2,328.46 more to run the Sanatorium in 1936 than it did in 1935.

IF YOU SMELL GAS

LEAK NOTIFY COMPANY

A little gas leak may develop into a serious situation for both the householder and the gas company, remarks the New Jersey Public Utility Information Committee. Any person who detects the odor of escaping gas in the home or in the street should at once notify the gas company. If it is in your own home don't go around looking for it with a lighted match or candle. The results may surpass your wildest expectations. The gas company is equipped to care for such conditions and is on the alert to prevent trouble.

THINGS TO REMEMBER

ABOUT ELECTRICITY

Electricity is a necessity for the modern home. It is a servant so familiar that it seldom is treated with the respect it deserves. If not properly safeguarded, however, it offers certain hazards to life and property that may have serious results. It will pay you to observe the following suggestions offered by the New Jersey Public Utility Information Committee.

Have lightning arresters on all aerials near or under high power lines. Do not store gasoline near an electric switch. Do not touch or handle electric appliances in the bathroom or in the laundry if you are in the water or your hands are wet. Do not cover electric light bulbs with paper wrapped around the glass. Do not bend or tie knots in electric connection cords. See that all worn insulation is carefully repaired or replaced.

Our Government
of Balanced Powers

By RAYMOND PITCAIRN

National Chairman
Sentinels of the Republic

Among the famous admonitions of George Washington recalled by many Americans on his recent birthday celebration was the following:

"If in the opinion of the people the distribution or modification of the Constitutional powers be in any particular wrong, let it be corrected by an amendment in the way which the Constitution designates. But let there be no change by usurpation; for, though this in one instance may be the instrument of good, it is the customary weapon by which free governments are destroyed."

As this is written that admonition remains strongly in the minds of the American people.

Various members of Congress are pointing out in public utterances the necessity of preserving the independence of our three co-ordinate branches of government—Legislative, Executive, and Judicial—as established in the Constitution to safeguard individual liberties.

Nor are their words unheeded, as public sentiment, expressed in the press and in letters to Congress, demonstrates. Seldom has any public question aroused so widespread, non-partisan a discussion.

Undoubtedly this discussion will continue. And that is an encouraging sign in a republic which lists free speech and full discussion of public questions high among the rights of citizens guaranteed under the Constitution.

It is the province of an independent Congress to make our laws; of an independent Executive to enforce them, and of an independent Judiciary to interpret them.

That is our Constitutional system of government.
