JAIL INSPECTION BY FREEHOLDERS

Board Votes to Confer With Architect in Respect to Needed Changes

The Burlington County Board of Freeholders spent several hours last Thursday afternoon in inspecting the 129-year-old county jail from roof to basement.

Accompanied by Sheriff John M. Chant, the freeholders were given an opportunity of seeing for themselves the need for improvements which were recommended by the December grand jury.

Action Taken

After the inspection, and at the regular meeting held on the same afternoon, the board unanimously passed a resolution which authorized a conference with Colonel Hugh B. Kelley, Newark architect, concerning alterations at the jail and almshouse. Further action on these matters will be held in abeyance until the building requirements have been thoroughly considered from all angles.

Superintendent of Burials

The question of an appointment to the position of superintendent of soldiers' and sailors' burials was again brought before the board. This position was formerly held by the late Thomas Phares and carries with it a salary of \$300 per year.

Veterans' organizations have been asked by the board to recommend a suitable candidate to fill the vacancy. Over 30 letters have been received, naming either Samuel A. French, of Mt. Holly, or Arthur M. Kemble, of Moorestown.

Final action on the appointment was postponed for two weeks at the request of Director Adams, who felt that a certain misunderstanding over the matter could be settled by that time.

Poles on Broad Street

A petition was received from the Public Service Company requesting permission to erect three light poles on Broad street, Riverton. This work was authorized by the board.

Construction of a new deck on the bridge over the Mullica river at Lower Bank was also approved. The cost of the project will be about \$5000 with Burlington and Atlantic counties assuming an equal share of the expense.

Improvements

An improvement program for county buildings at Mt. Holly was discussed. This project will include painting the various structures, providing screens wherever needed and other necessary minor renovations.

The following departmental bills, in the amount of \$32,157.10, were approved and ordered paid: revenue and finance, \$4624.81; public buildings, \$13,507.19; public affairs, \$3958.08; bridges, \$2532.59; highways, \$7534.43.

ZONING BOARD TO MEET THURSDAY

The Riverton Zoning Board of Adjustment will meet tonight (Thursday, April 1) in the council chamber at the fire house, to consider an exception to the zoning ordinance in the case of the plans of the Porch Club respecting an addition to the present building.

The board is composed of the following: H. K. Rutherford, J. Beck Tyler, Harry F. Jones, Ross E. Mattis and Mrs. M. C. Boyer.

The memorial stone on the present club building was laid on March 13, 1909, and the structure was ready for occupancy a few months after.

PORCH CLUB

A business meeting of the club will be held on Tuesday afternoon, April 6, at 2.30 o'clock.

This session will be followed by a program of readings presented by Miss Dorothy McEwen Forrest, of Landsdowne, Pa.

TREES TRIMMED AROUND WIRES

A force of six men from the Asplundh Tree Co., of Jenkintown, has been engaged for the past two weeks in Palmyra and Riverton, in trimming the branches of trees which interfere with the electric wires of the Public Service Co.

The work is being paid for by the utility corporation, and is being done under the supervision of a member of the shade tree commission in each community.

Another week will be required to complete the project.

EASTER SERVICES WELL ATTENDED

Many at Lakeview for Sunrise; Large Congregations at Local Churches

Undaunted by the chilling weather several thousand people attended the annual Easter Sunrise Service at Lakeview Memorial Park, conducted by the Palmyra Moravian Church, Rev. Albert J. Harke, pastor.

The program included several selections by the vested choir and by a musical ensemble composed of trombones and trumpets.

Rev. Harke read the Moravian Easter Dawn Liturgy which is more than 205 years old and delivered a brief message on the subject "The Resurrection of Christ."

Many at Churches

Church services in Riverton, Palmyra and Cinnaminson were unusually well attended, although the coldness of the day compelled many new Easter outfits to be worn under fur garments designed for occasions in January or February.

Special musical programs and sermons were the order of the day at all local places of worship.

COUNTY HIGHWAY DEPARTMENT AT WORK ON STREETS

The Burlington County Road Department has been engaged for the past several days in painting crosswalk lines and highway guides on Broad street in Palmyra and Riverton, this thoroughfare being maintained by the county.

The paint used for this work is especially quick drying and there was little interference with traffic as a result of the operation.

CHERRY BLOSSOM WEEK APRIL 4-11

In case any local residents are planning to visit Washington to see the famous Japanese cherry blossoms, announcement has been made that Cherry Blossom Week will be during the period April 4 to 11.

According to recent reports, the cold weather has not injured the buds to any appreciable extent.

REPAIRS MADE ON HALL ROOF

For the past several weeks workmen have been engaged in making repairs to the roof and gutters of P. O. S. of A. Hall, Palmyra.

The large wooden scaffolding which has been erected for this work extends from the ground to a level with the eaves on the west side of the building.

PLATFORM RESURFACED

The cinder section of the platform at the Palmyra station was resurfaced this week with a carload of filler material shipped here by the railroad.

The material is said to pack easily and should keep the platform in excellent condition.

Workmen are also engaged in repairing the streets around the stations, both in Riverton and Palmyra.

RIVERTON MAN ADDRESSES SCOUTS

E. Newbold Cooper Speaker at Leadership Course; Camp Plans Discussed

On Wednesday evening of this week, March 31, the Scouters resumed their leadership course at the Mt. Holly High School. George W. Guyer, scout executive of the Camden Council, addressed the gathering on the subject of "The Senior Scout Program." A full discussion was indulged in and it was agreed that additional effort will be applied to keep the older Scout active, especially if he has any leadership ability. E. Newbold Cooper, vice president of the council, talked to the men on the subject of "Dangers and Pitfalls of Boys of Scout Age." This was followed by discussion.

Camp Plans Discussed

Plans for the regular organized camp season at Mahalala are shaping up. This summer the camp will be run for four weeks. Many troops are planning to raise funds by movie benefits, chicken dinners, and by gathering and selling old newspapers, etc. The regular fee of \$6.00 plus \$1.00 for registration will pre-

WOMAN'S CLUB

The regular meeting of the Palmyra Woman's Club will be held Monday afternoon, April 5, at 2.30 in the Club rooms in Society Hall.

The guest entertainer will be Mrs. Trueman Stackhouse, of Merchantville, who will give a descriptive recitation of songs of many lands.

April First

Today is the day of days for the practical jokers, both young and old. It marks the occasion when harassed zoo attendants cut telephone wires and let all messages for Messrs. Fox, Fish, Bear, etc., go where they may. Jails and morgues get more calls within 24 hours than during the rest of the year.

Fat pocketbooks, loaded cigars and other similar devices lurk in the offing.

Therefore, be alert, lest you fall an innocent victim to any of these time-worn devices which are dusted off for use on April 1 each year.

WORK ON PUMPER IS COMPLETED

Chief Ezra Carhart, Jr., of the Riverton Fire Department, reports that repairs to the 16-year-old pumper have been completed and that this piece of equipment is now in excellent operating condition.

A new pump was installed and certain other repairs made by representatives of the American La France Co.

The other pumper is now being thoroughly inspected to determine what repairs, if any, are necessary.

BARBOUR SPEAKER AT DINNER-DANCE

Former Senator to Be at Affair Sponsored by Associated Republican Clubs

Former United States Senator W. Warren Barbour will deliver the principal address at the dinner dance meeting of the Associated Republican Clubs of Burlington County at the Riverside fire house on Wednesday evening, April 7, at 6.30.

Those in charge of the affair believe that the former member of the United States Senate from New Jersey will have a message of great interest to the Republicans of the county.

Lawrence G. Mingin, county chairman of the Republican organization, and general chairman of this affair, has a full program for the evening. Nelson G. Myers, chairman of the entertainment committee, has secured many outstanding entertainers.

At the present time, from reports that have been given by the various members of the committee of arrangement, the advance sale has reached over two hundred.

Chairman Mingin is planning several surprises for those who attend.

ADVICE ON VICIOUS DOG CARE GIVEN BY CHIEF GOOTEE

A dog which is surly or vicious is a neighborhood nuisance, and often is an actual menace to public safety.

The man who owns such a dog owes it to his neighbors to keep it caged or tethered at all times. If he fails to do so, he hardly can complain if his neighbors insist that the animal be destroyed, no matter how deserving of human affection the ordinary dog may be.

William Gootee,
Chief of Police.

SCHOOL ZONE HIGHWAY SIGN

The Riverton Police Department has provided a highway school zone sign which will be placed in position at the intersection of Broad and Main streets, during the hours when children are crossing these busy thoroughfares.

The marker, which reads "Slow, School Zone," was constructed through the cooperation of several people, arrangements being made by Chief William Gootee.

ALMSHOUSE RAZED BY MORNING FIRE

County Institution at New Lisbon Total Loss; All Inmates Rescued

Fire practically destroyed the three-story Burlington County almshouse at New Lisbon, early Tuesday morning, but the prompt work of attendants at the various county institutions at the various county all the 140 inmates being rescued without injury.

The blaze was discovered on the second floor of the main building, shortly after 1.10 a.m. The alarm was promptly given and the work of getting the aged inmates out of the structure proceeded smoothly. The fire made rapid headway and it soon appeared that the main section was doomed.

Many Companies Respond

The Pemberton fire department was called to the scene and was followed by apparatus from Camp Dix, Browns Mills, Wrightstown, three from Mt. Holly and two from Burlington. Hose lines nearly a mile in length were laid from Rancocas Creek in order to tap all available water supplies.

Despite valiant work on the part of the firemen, the main portion of the building was almost a total loss. The left wing was damaged only slightly, while the right section, which contained the kitchen, suffered considerably from smoke and water.

Cause Not Determined

The cause of the blaze has not been determined although several theories have been advanced. The loss is estimated to run over \$100,000. County officials believe that it will be necessary to entirely rebuild the structure.

The inmates who are in good health are being quartered in other county buildings at New Lisbon, until further arrangements can be made.

Sick at Hospitals

Those who were ill were transported to hospitals in the county, some being taken to the Burlington County Hospital, Mt. Holly, and others to the Zurburg Memorial Hospital, Riverside.

The Palmyra ambulance was called to the scene and performed valuable service in transporting the sick to other quarters. The local equipment was manned by Paul Chandler and John Dietz.

In view of the age of the occupants and that many were infirm, the fact that there were no injuries to the inmates, speaks well of the organization which handled the situation with such efficiency.

CHORISTERS WILL GIVE CONCERT

To Appear Under Direction of Eric Warnick in Lutheran Church, April 8

On Thursday evening, April 8, the Choristers, under the direction of Eric Warnick, will present a sacred concert in the Lutheran Church, of Palmyra.

The Choristers, a permanent group of twenty selected singers organized by Elvin I. Powell, has been studying the master choral works for two years. The concert in the Lutheran Church will be the first local appearance of the group, and comes in response to repeated requests by music lovers of the community.

Bach Chorale

Outstanding among the choral works included on the program is a choral from the Bach motet, "Jesu Priceless Treasure." In this choral the theme is presented first in simple dignified harmony, followed immediately by two increasingly difficult and involved variations. It closes with a return to the original form.

Other numbers on the program include works by Haydn, Gounod, Tchaikowsky, Handel and Lutin. The personnel of the Choristers includes members from Beverly, Delanco, Riverside and Palmyra. All are singers of wide experience, who were originally drawn together by a mutual desire to study the master choral works.

Lee Milton, with his long experience and background of choral training, is invaluable in his position of accompanist to the Choristers.

CINNAMINSON P.T.A.

Owing to various causes, the spring meetings of the Cinnaminson P.T.A. are always smaller than others, and it is to be regretted that a small number assembled to listen to the useful message given last week by Paul R. Jones, supervising principal of the Palmyra Schools. The address was especially adapted to the needs of dealing with older children.

The school itself is doing finely with Miss Bryan as helping teacher, and the fine corps of faithful teachers all trying to "carry on." This is not difficult with the morale of the pupils being so very good.

Some of the P.T.A. members provided colored eggs for the lower grades. As it was not prudent for the bunnies to make the usual nests in the woods, which for several years they have seemed to choose as a proper place, the teachers distributed them in suitable ways. The pleasure of the little ones in finding them is equalled by that of those preparing them.

School Paper

The editorial staff of the school paper is arranging for an historical number, and busy reporters have been gathering news about by-gone days connected with the school.

Last week's issue was especially interesting, containing several original poems, essays on Easter, accounts of special activities, trips etc.

National Jamboree

F. Wallis Armstrong, Jr., of Moorestown, chairman of the council jamboree committee, recently announced that three more applications had been received for the National Jamboree. They are John H. Price, Robert Y. Heisler, and Lyman Hollingshead, all of Troop 27, of Pemberton. Other scouts of Burlington county going with the council group are Eugene E. Beyer and Raymond Underwood, of Mt. Holly; James Wilson, of Maple Shade; and Robert Pope, of Palmyra. William E. Gibson, Scoutmaster of Troop 21, Parry, will be in charge of the Burlington county delegation at the National Jamboree. There are only a few more places left as the council quota is 16, and the last day for applications to be received is April 15.

Mr. King has had years of experience in measuring men for clothes and you can set your mind at ease regarding the fit. Over 200 satisfied customers in Palmyra and Riverton will vouch for that.

As for prices, the values speak for themselves.

FIELD FIRE ON FRIDAY NIGHT

The Palmyra Fire Department received a call last Friday evening at 8 o'clock for a field fire at the intersection of S-41 and River road, the blaze being in a triangular strip of ground just south of the railroad embankment.

The brisk wind blowing at the time was carrying burning embers across the River road and endangering several gas stations in the vicinity.

Prompt action by the firemen prevented any property loss.

Another Monday Morning

The Parry and Palmyra firemen answered a call at 11 a.m. Monday for a serious brush fire off Burlington pike, near Pennsauken creek.

Fanned by a high wind, the flames threatened several houses on the pike and were checked just in time to save three hen houses from destruction.

A chemical line from the Palmyra pumper was used in squelching the blaze which burned over a considerable area.

JURY DRAWING FOR APRIL TERM

The Hon. Joseph B. Perskie, Justice of the Supreme Court, assigned to hold Circuit Court in the County of Burlington has fixed Wednesday, April 14th, 1937, at one o'clock p.m., in the Court House, Mt. Holly, for the drawing by the jury commission of the grand and petit jurors for the April term, 1937, of the courts of Burlington county.

The April term of courts will open on Tuesday, April 27th, 1937.

MANY EMPLOYERS FAIL TO FILE

Preliminary reports from collectors of internal revenue indicate many employers having less than eight employees have not yet filed their Federal Social Security tax returns on Form SS-1 for the month of January. This return must be filed by an employer who is liable for the tax imposed under Section 804, Title VIII of the Social Security Act, whether he has just one employee or any number of employees.

While the first return on Form SS-1 for the month of January 1937, is now past due, employers will not be penalized for the late filing of this return provided it is filed without further delay and reasonable cause is shown for the failure to file on time. In such case, however, there must be attached to the January return an affidavit setting forth the reasons for the delinquency in filing.

Fireworks vs. Autos

It appears likely that the general use of fireworks in New Jersey will be prohibited, as a bill to that effect has already passed the State Assembly. Exceptions are provided, however, for displays sponsored by civic organizations, etc.

The reason for this bill is, of course, to prevent accidents which occur from the use of fireworks, especially to children. In 1936, according to figures submitted by the New Jersey State Board of Health, two children died and 927 were injured as a result of shooting firecrackers, and the like, on July 4.

Any action designed to reduce the number of people killed and injured in accidents is a most commendable move, and the fireworks ban is of such a nature—but let us consider another set of figures submitted by the New Jersey Motor Vehicle Department:

Children under 15, killed in 1936 by automobiles 109

Children under 15, injured in 1936 by automobiles 3026

This terrible record speaks for itself, and besides it the fireworks toll pales to insignificance.

What is the remedy? We cannot place a ban on the use of motor vehicles, but some action to reduce this slaughter is certainly imperative.

Surely the American people are able to cope with this emergency.

Are we merely to shrug our shoulders and say "nothing can be done about it," or are we to put the goal of halting the cavalcade of death on the list of things to be done NOW?

REDUCTION IN PRICE OF COAL

A refreshing exception to constantly rising prices for food and many other necessities of life was announced yesterday by Richard McAllister, president of R. McAllister, the well-known coal dealers of Camden, its suburbs and South Jersey.

This came in the form of an official statement reduction in the price of coal, which Mr. McAllister says is the lowest that has been registered in many years. He pointed out that the coal industry as a whole has decided to do everything it can to give its customers an opportunity to lay in their supply of coal for next winter's needs now at very great savings.

Relatives and Friends Join Palmyra Couple in Observance of Golden Wedding

Mr. and Mrs. George J. Seel, Jr., of 313 Cinnaminson avenue, Palmyra, celebrated their fiftieth wedding anniversary Tuesday evening surrounded by all of their family and a host of friends.

The seven children and their children were all present: Mr. and Mrs. George J. 3rd, and their son, George 4th, and daughter, Madeline, of Maplewood; Joseph, Miss Adaline, of Palmyra; Clifton, of New York; Mrs. Russell Guldin and her three daughters, and Mr. and Mrs. C. W. Rudolph and their two children, and Miss Virginia, all of Palmyra.

Among the guests present were: Mrs. Mary Braker and Mrs. Edith Howey, of Delanco; Mr. and Mrs. James T. Weart, Mr. and Mrs. George N. Wimer, the Rev. and Mrs. George Lockett, Mrs. Lewis Wallace, Mr. and Mrs. James M. Weart, Mrs. M. Adams and daughter Helen, Miss Nora Carpenter, Mrs. C. F. Voorhis, Blar, all of Palmyra; and daughter Esther, of Germantown, and Mr. and Mrs. Fred Rohland, who celebrated their twenty-seventh anniversary, and Mr. and Mrs. Thomas VanOsten, who were celebrating their thirty-third anniversary the same evening.

The house was tastefully decorated with white and ferns and a mass of flowers from friends.

Miss Ethel Righter Wilson, of Philadelphia, offered several solos of old favorites.

LUCKY NUMBER UNCALLED FOR

The Philadelphia Market House announces that the lucky number 08375, drawn last Saturday night, which won the \$10 Easter egg, has not yet been presented at the store.

If the holder of this number does not call for the egg by Friday evening of this week another drawing will be necessary.

BIRTHS
Mr. and Mrs. John S. King, of 807 Washington avenue, Palmyra, are receiving congratulations on the birth of a son, John Stephen, 4th, at the Mary Haas Robbins Maternity Home, 408 Main street, Riverton, Friday, March 26.

STAMP ISSUE IS CAUSE OF PROTEST

General Lee Has But Two Stars On Collar in 4c Army-Navy Series

Aspirin, please, for Post-master General Farley. He is in trouble again with a stamp issue. And again sunny Dixie is the scene of the uprising.

First it was the 3c Army issue of the recent Hero Series which aroused a storm of protest from the "solid South"—for the South has not forgotten the horrors of Sherman's march to the sea and Sherman was featured on this stamp.

"Sunny Jim" went far out of his way to placate this feeling in the 4c issue just released. Robert E. Lee and "Stonewall" Jackson were chosen for the Army issue of this denomination and the traditional brown of 4c stamps was discarded in favor of the blue gray of the Confederacy.

Two Stars for Lee

But something slipped and again the constituency south of the Mason-Dixon line is raising its voice in protest. Robert E. Lee is shown with improper insignia. The point at issue is the two stars shown in his collar rather than the three stars surrounded by a wreath of laurel leaves authorized by General Orders No. 9, issued at Richmond, June 6, 1861.

We hope Mr. Farley gets it all straightened out before the series is printed out. Before the series is printed out, the great collector of stamps at the Philadelphia Bureau in Washington on March 24, the day that the possibility of reprint was first suggested.

Time For Teamwork

By RAYMOND PITCAIRN
National Chairman
Sentinels of the Republic

As every sports-follower knows, no athletic team, however brilliant its has been fighting a stiff battle against depression. The palm of victory—Recovery—is in sight. Yet it can be lost if lack of co-operation of teamwork—among the various agencies involved, persists.

Extravagance in government, which handicaps the workers on whose earnings the nation depends; overloading of public payrolls; the expense of all these differences between employers and employees, interfering seriously with needed production; disrespect for the laws under which we operate—all these are the antithesis of the teamwork we need.

In peace, teamwork—the quality of striving together for a common aim—has built great nations. In war, it has won more battles than could courage or shrewd strategy. As the simple verse of one soldier-poet has pointed out:

"It ain't the individual, nor the army as a whole,
But the everlasting teamwork of every bloomin' soul."

And it is this same co-operation that can bring us victory in our current striving for a sound and complete recovery.

BURKE & EISLEY LEAGUE CHAMPS

Win Title of Interboro Court Loop, Go Through Season With Single Loss

The Interboro Basketball League title was won last Thursday night by the fast Burke-Eisley quintet, as the loop leaders trounced the luckless Artisans by the top-sided score of 58-13.

The victory was the ninth of the season for the champs. They were set back only once, the YMCA five being the only aggregation able to accomplish this feat.

Rogers Wins

Rogers knotted up the second place honors by defeating the Trojans, the count being 25-10. A win for the latter would have given them undisputed possession of the runner-up berth.

The YMCA won its sixth game by trimming Tak-About, 30-17. This victory also enabled the Y to slip into the already crowded No. 2 position.

The Artisans never really got started in the race and finished with 10 straight defeats. Despite the fact that their cause was hopeless, it must be recorded that the lodge boys kept fighting grimly until the final whistle.

ENROLLMENTS FOR CMTC NOW OPEN

Camps to Be Held for Thirty Days in July and August. Age Limits 17-24

Sounding a call for more volunteers for this Summer's Citizens' Military Training Camps, Army Headquarters on Governors Island, New York Harbor, last Saturday announced that 5000 young men of New York, New Jersey and Delaware had filed applications to attend. Seventy-seven hundred enrollments are sought.

Vacancies exist in virtually all seven encampments for which candidates of the Second Corps Area are eligible, it was said. The camps, each operating for thirty days, are to be held during July and August.

Applicants Between 17-24 To gain acceptance, an applicant must be between 17 and 24 years, of good moral character, and be able to pass the physical examination. Public spirited physicians in communities throughout the three States of this Corps area have volunteered to examine candidates without charge. All necessary expenses are paid by the government. These include transportation to camp and return, with meals en route. At camp, the youths receive wholesome food, uniforms, athletic equipment, laundry service, medical attention, and other accommodations without charge.

Develop Character No obligation for future military service is incurred by entering the CMTC, it was explained in the Army announcement. The camps offer opportunity to learn to shoot, drill, and bivouac. They teach the principles of citizenship, encourage participation in athletics, and develop self-reliance, leadership and character.

Local chairmen have been appointed in every county to assist young men to enroll. The CMTC Officer, Governors Island, N. Y., will furnish the name and address of county chairmen to interested persons.

AUDIOMETER IS VALUABLE AID

Use of the phono-audiometer of the Bureau of Maternal and Child Health is a contribution of the State Department of Health to detect hearing defects.

"Children seldom realize that they are hard of hearing," according to the Health Department. "Their peculiarities are often explained as preoccupation, shyness, or just plain stupidity. They carry a double burden, their own handicap and the blame for habits that are but a natural result."

"We should befriend these misunderstood children, if for no other reason, because it is a matter of social economy. Doctors, nurses, teachers, welfare workers, parents, friends, all can give valuable assistance."

Accurate Tests Made "Accurate tests, scientifically conducted, should be made of the hearing of all children. The audiometer of the State Health Department, operated by a nurse, is utilized in class rooms. Each child is furnished with an ear phone, through which numbers are transmitted, from a record run on a machine. The pupil receives instructions and writes the numbers he hears on paper. "Since 1932 some 90,000 children have been given the test, defects detected and corrections recommended."

REVOCATION OF DRIVING LICENSES

A total of 90 persons lost their driver's licenses during the week ending March 25, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Fourteen were for drunken driving; 7 for reckless driving; 7 for speeding; 11 habitual violators; 7 were revocations resulting from fatal accidents and all others 14. With the inclusion of this week's figures, the Department during 1937 revoked 351 licenses for drunken driving and the total of all revocations reached 956.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

March has officially ushered in spring and the true gardener is anxious to get out his tools and begin work in earnest. One of the first chores is cleaning up the border, and all through Central and North Jersey it is time to remove most of the mulching material from around herbaceous perennials, shrubs and other plantings. Loosen up the surface soil, but do not dig deeply for this may injure the roots of plants. Remove weeds and check over the plants to make sure that they have come through the winter in good shape, replacing any that have died or suffered injury. Remember that the earlier perennials are transplanted the better they are established when the growing season begins.

Apply Fertilizer Give border plants, and particularly perennials, a good application of plant food, such as a good potato fertilizer, at the rate of about 20

pounds to 1000 square feet. Be careful not to get any fertilizer on the crowns of the plants, however. Simply scatter it on the ground about one inch away from the crowns and as far as the roots reach, which is probably almost to the next plant. This may be done before mixing it well with the soil while it is being loosened.

Use of Lime Some border plantings need lime at this time. It is best to have soil tested, however, before applying lime, for while most perennials thrive in a soil to which some lime has been added, excessive applications result in an undesirable condition. Just as in the case of lawns, the average garden soil benefits from a dressing of lime about once every three years.

The Butterflybush Among the best of summer blooming shrubs for borders and other spots in the garden are the kinds of Buddleia, or Butterflybush. There are now two new varieties being offered gardeners, which are much superior and should replace the older varieties. Already tried out and popular among keen horticulturists, Isle de France is a moderate growing, profuse blooming variety with large flower, deep purple clusters. Hartwegi is a profuse blooming kind with bright lavender flowers. Both of these new varieties are

slightly more hardy than some of the older ones, although during a severe winter all varieties will kill back to the ground. Both Isle de France and Hartwegi are rapid growers. They will attain a good height and bloom well by mid-summer. The flowers are well adapted for house decoration. Buddleias do best in a moderately rich, loamy soil that is not too acid. Liberal feeding with some plant food will produce very gratifying results.

RADIO GARDEN CLUB PROGRAM

"The Right Tree in the Right Place," suggestions for the gardener who is at a loss to know just what

trees to plant and where to plant them, will be discussed on the Radio Garden Club program to be broadcast Friday, April 2, at 3:15 p.m., over station WOR and other stations of the Mutual Broadcasting network by the Agricultural Extension Service of Rutgers University. Russell T. Edwards, director of education for the American Tree Association will be the guest speaker.

"Will They Come Up?" a discussion on seed sowing of annuals and perennials in flats and pots. In frames and in the open ground, will be given on Tuesday, April 6, at the same hour. Prof. H. M. Biehart, assistant in ornamental horticulture at the New Jersey College of Agriculture, has been scheduled as guest speaker.

Housekeeping Hints

By Home Economics Department
Public Service Electric and Gas Company

SINCE Easter comes so early this year, many winter coats and heavy clothes will be worn with the Easter bonnet, but the weather will not affect the serving of the traditional foods for Easter Dinner. There are two meats that seem to be as much a part of Easter as turkey is of Thanksgiving Day. They are Roast Lamb and Baked Ham.

On the menu Stuffed Lamb Shoulder is listed. This makes a delicious change from the usual Leg of Lamb and satisfies the appetites that demand dressings with their meat. Have the shoulder boned and a deep pocket cut into it. There is no need for the butcher to roll the meat. In fact, this reduces the size of the pocket for the stuffing. Leave the meat flat until it has been stuffed, then roll it slightly and fasten it with skewers.

One more thing about this recipe. You will notice that the meat is not covered and that it is roasted at a constant low temperature, 325 degrees, for the entire length of time. This is the latest method of cooking meat. You will be surprised at the nicely browned, moist roasts that result. We can say "farwell" to ovens smudged by spluttering fats, to undue shrinkage of the meat and to roasts that are dry and hard.

Hollandaise Sauce is rarely served in many households because it has a reputation for being uncertain. Our one warning is "never overheat the mixture" if you wish to avoid curdling.

The Macaroon Pudding is one of the favorites. The recipe is large: if your family numbers only four or five persons, use only half of the quantities mentioned in the recipe.

Stuffed Lamb Shoulder
1 shoulder of 4 cup short-lamb, ending
8 cups dry bread 1 tsp. chop-crumbs
1 egg, beaten 1 1/2 tsp. salt
1 tsp. onion, 1/2 tsp. pepper
chopped

Have shoulder boned and a pocket cut for stuffing. Mix ingredients for dressing and pack into pocket. Secure shoulder with a string. Roast uncovered at 325 degrees, allowing thirty minutes per pound. Serve with a border of stuffed onions.

Stuffed Onions
6 large onions 3/4 cup grated cheese
2 tbsp. butter 2 cups cooked spinach
juice Salt and pepper

Peel onions and boil for twenty minutes in salted water. Scoop out centers. Mix together the onion centers, chopped spinach, lemon juice and melted butter. Season with salt and pepper. Stuff onion shells and sprinkle with grated cheese. Place in the oven for fifteen minutes to melt cheese.

Asparagus
Cut tough ends from asparagus stalks. Wash and peel off scales. Tie in a bunch. Place on a rack over boiling water or stand in salted boiling water in lower part of double boiler. Invert upper part of double boiler over asparagus and cook for twenty to twenty-five minutes until tender. Remove from steamer with a fork and drain off the water.

Hollandaise Sauce
(Mystery Chef)
1 tsp. salt 3 egg yolks
1 tsp. paprika or 2 tsp. lemon juice
1/2 cup cold water 3 tsp. butter
Mix salt, paprika, cold water and egg yolks in a small saucepan. Stir until thoroughly blended. Add butter, Lower saucepan into boiling water, stir briskly and constantly. Watch butter when it melts the sauce will begin to thicken. Raise saucepan from boiling water, stirring constantly, continuing to raise and lower saucepan into boiling water until sauce has reached consistency of soft custard. Add lemon juice and serve.

Macaroon Pudding
1 tbsp. gelatine 1/2 tsp. salt
3 cups milk 15-20 small 4 eggs
1/2 cup sugar 1 tsp. vanilla
Soak gelatine in milk for five minutes. Heat milk, add beaten egg yolks to which salt and sugar have been added. Heat until mixture begins to thicken. Remove from fire and add beaten egg whites and vanilla. Place a hot pan in cold water. Place macaroons in bottom of pan, cover with gelatine mixture. Cool, then put in refrigerator for two hours or until firm. Turn out on serving plate and serve with whipped cream.

IF YOU suffer aches and pains, fast nerves and cramped muscles, apply an electric heating pad. The soothing warmth it gives will bring comfort and relaxation. You have heat a moment after you plug in and your choice of three degrees of heat. Prices from \$3.25 cash up. Small carrying charge if you buy on terms. The cost of operation is so low you will scarcely notice it.

HIT-RUN DRIVERS

"UNSPEAKABLES"

Need for Stronger Penalties
Stressed by State Motor
Vehicle Dept.

Citing the need for stronger penalties in the present law, Motor Vehicle Commissioner Arthur W. Magee, stated today that hit and run drivers have increased nearly 21 per cent in the past year in New Jersey. Two per cent of the total accident drivers last year were in this class. Calling them the "unspeakables" of the motor age, compared with which the modern criminal is a highly respected citizen, the Commissioner declared the hit and runner "is the most cowardly, craven and despicable form of human life known. He may have gotten away with his crime so far as the law is concerned, but if he is human (which is doubtful) he will never escape the burning, aching memory of his cowardly deed."

Quoting figures, Commissioner Magee said that the Motor Vehicle Department had reports of 1,500 of these callous drivers last year; 1,076 in 1935; 1,193 in 1934; 1,078 in 1933 and 1,320 in 1932. Eighty-nine of last year's drivers were involved in fatal accidents, 81 of which accidents caused the death of pedestrians. A number of these lives might have been saved had prompt medical attention been given.

Price Alone Is Not a Safe Guide To Quality of Canned Goods

Tests of 24 Canned Corn Samples Emphasize Need For Use of Definite Grade Terms

By FRED W. JACKSON

New Jersey Department of Agriculture

THE scene is at the counter of an average grocery store. A housewife is purchasing her week-end groceries. She has just asked about some canned corn. The grocer replies: "Which will you have, Mrs. White? We have several brands. Here are two on sale today. This is 15 cents a can. That brand is 21 cents. Which will you have?"

With only a difference in price to serve as a guide, Mrs. White finds herself in a dilemma. She takes pride in buying what she thinks is the best for her family. The more expensive one ought to be the better brand, she reasons. Mrs. White is inclined to choose the 21-cent corn. Is it the better one? Who knows?

But there are definite grade standards for canned fruits and vegetables. Most wholesale transactions and government purchases are based on them. Some few retail concerns have already adopted Grade A, Grade B or Grade C labels. Housewives who are able to buy under such specific grades are fortunate.

Recently 24 sample cans of corn were purchased on the same day in a county-seat town. Prices varied from 8 1/2 cents to 25 cents per can, which meant either 3 cans or 1 can for 25 cents. They were examined by a federal inspector; only one in this group scored

above 90. It had cost 17 cents and qualified as Grade A. In contrast, the two poorest cans scored Grade C with 64 and 63 points, respectively. But they had each cost 19 cents a can.

Four brands costing 8 1/2 cents per can, one brand 10 cents and three 15 cents, all scored higher than the 12 least expensive brands which had cost between 17 and 25 cents per can!

Such results are rather startling and disturbing to housewives seeking true food values in a period of advancing prices. However, the report only repeats and confirms the results of previous tests on peas and canned tomatoes recently discussed in these articles.

What is the solution? Are housewives forever to be denied simple definite information as to the actual quality of the contents of a can of processed food? Highly decorated labels with meaningless terms, all in the superlative, are no safe guide. Neither is price.

Consumers have been prompt to patronize those stores which are stocked with canned goods bearing labels with definite grade terms. They are also urged to make known to other merchants their interest in the more general use of simple Grade A, Grade B and Grade C labels.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

"The Kingdom of God" is the title of the sermon this Sunday Morning at eleven o'clock. "The Man Who Did Not Get There" is the theme of the evening sermon at 7.45. Some of the Easter music by the choir will be repeated in both morning and evening services.

Tuesday evening at 8 o'clock, in the Guild room, the regular monthly meeting of the official board will be held.

The mid-year annual conference will be held in State Street Methodist Church, Trenton, on Wednesday. Three sessions will be held, morning, afternoon and evening.

Bishop E. G. Richardson is to preside at each session.

The mid-week church service will be resumed on Wednesday evening at 8 o'clock. This meeting is in charge of the pastor.

CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, Pastor

The Sacrament of the Lord's Supper will be observed at Calvary Church next Sunday, April 4th, at eleven o'clock, at which time members will be received into the church.

The Junior Christian Endeavor Society will meet at 3 p.m.

The annual cake and apron sale of the Ladies' Aid Society will be held on Friday afternoon, April 2nd, in the Church School. Cakes, aprons and plants will be on sale.

The annual meeting of the Congregation will be held on Wednesday, April 7th, at 8 p.m., and will be followed, at 8.30 p.m., by the annual Corporation Meeting. A cordial invitation is extended to all those who have no church home in this community to enter into the worship and fellowship of Calvary Church.

WESLEYAN MEN'S BIBLE CLASS

One hundred and seven attended the service last Sunday morning and heard Dr. J. G. Bickerton deliver the last of his Lenten series.

Master Charles Hogg, boy singer of Philadelphia, gave several sacred selections, which he rendered in marvelous voice and manner.

Next Sunday, Reading Z. Poinsett will resume teaching the class, and all members are urged to be present to welcome him on his first address since his recovery.

Class services begin at 9.50 a.m., and all men of the community are invited to attend.

Husband: "One more payment and the furniture's ours."

Wife: "Good! Then we can throw it out and get some new stuff."

CHRISTIAN SCIENCE CHURCH

"Unreality" will be the subject of

the lesson-sermon in all Churches

of Christ, Scientist, on Sunday,

April 4.

The Golden Text is: "Surely God

will not bear vanity, neither will

the Almighty regard it." (Job 35:13).

Among the citations which com-

prise the lesson-sermon is the fol-

lowing from the Bible: "Love not

the world, neither the things that

are in the world. If any man love

the world, the love of the Father is

not in him. For all that is in the

world, the lust of the flesh, and the

lust of the eyes, and the pride of

life, is not of the Father, but is of

the world." (1 John 2:15,16).

The lesson-sermon also includes

the following passage from the

Christian Science textbook, "Science

and Health with Key to the Scrip-

tures" by Mary Baker Eddy: "Hu-

man hate has no legitimate mandate

and no kingdom. Love for God and

man is the true incentive in both

healing and teaching. Love inspires,

illuminates, designates, and leads the

way. Right motives give pinpoints to

thought, and strength and freedom

to speech and action. Love is

priestess at the altar of Truth.

Wait patiently for divine Love to

move upon the waters of mortal

mind, and form the perfect concept" (p. 454).

OBITUARIES

SAMUEL S. WESCOAT

Samuel S. Wescot, of 139 Frazer avenue, Collingswood, died suddenly at his home Sunday following an attack of pneumonia.

Funeral services were held Wednesday afternoon at 2 o'clock from his late residence.

The deceased lived in Palmyra from 1916 to 1925 and spent nine years with the Childs Stores.

Mr. Wescot was a member of Camp 23, P. O. S. of A.

He is survived by his widow.

Y STAMP CLUB ELECTS OFFICERS

Clifton P. Mayfield Named as President, S. E. Griffith Vice President

The YMCA Stamp Club held its annual election meeting last Friday evening. Clifton P. Mayfield was named president; S. E. Griffith, vice president; Frank Haley, secretary-treasurer; Wilton Mount, librarian, and Robert Adams, sales manager. Mr. Mayfield appointed S. I. Handle, assistant secretary, Arthur Hess, assistant treasurer and C. B. Marple, assistant sales manager. S. E. Griffith was named chairman of the entertainment committee which also included Alfred Bauer and C. R. Beegle.

Membership Committee

Lawton Steedle was appointed chairman of the membership committee, while R. C. Thomas and A. B. Donaghy were named as the other member of this committee. S. E. Griffith and Frank Haley were designated as delegates to the South Jersey Federation of Stamp Clubs, with S. I. Handle and Howard Johnston as alternates.

Members of the club are now selecting the programs of greatest interest out of more than seventy suggestions presented by the entertainment committee for the ensuing club year.

Talk by Mr. Case

Following the election of officers, Whitfield B. Case, of Trenton, gave a most interesting talk to members and their wives who were present in observation of "Ladies' Night."

Mr. Case, upon graduation from college, decided upon a trip around the world. With a very slim purse he determined at the outset to work his way and "hitch-hike" wherever possible. Because of a common language, England proved easy, France and Germany were more difficult, but his real problems began when he reached India.

Deck Passenger

Here some of his adventures paralleled those of Richard Halliburton. Particularly interesting was his account of the various funeral and burial customs encountered. Some of his passages were as "deck passenger" on boats carrying no other white men. This class provided simply a limited area on the deck where natives live, eat and sleep throughout the duration of the voyage.

Surrounded by low-caste natives, Mr. Case usually was able to extend the area of his occupancy

NEW ALMSHOUSE TO BE ERECTED

Freeholders Inspect Ruins, Hold Special Session to Plan Building Program

The Burlington County Board of Freeholders inspected the ruins of the almshouse on Tuesday afternoon and then convened in a special session to discuss plans for the rebuilding of the structure which was razed by fire.

At this session, five resolutions were passed, one being proposed by each member of the board.

Resolutions

Director Adams: Commending the excellent work of the almshouse personnel in assisting the patients to safety and preventing injury to the inmates.

Freeholder Lamon: Authorizing an investigation as to the origin of the fire.

Freeholder Jones: Authorizing Director Adams to make necessary arrangements to care for the inmates pending construction of a new building.

Freeholder Stout: Authorizing the solicitor of the board, Lester Drenk, to investigate the legal phases of financing a new structure.

Freeholder Church: Authorizing the employment of Colonel Hugh Kelley as architect.

All five resolutions were passed.

Kelley Present

Colonel Kelley was present at the session and was instructed to draw plans for a new building and to submit sketches at the next regular meeting of the board, which will be held on Friday, April 9.

Nash "Sleeping Car" Popular

Popularity of the bed feature in the lower priced 1936 Nash LaFayette sedan has resulted in inclusion of the sleeping car in all Nash LaFayette sedan models for 1937, according to announcement from C. H. Bliss, vice president and director of sales. The 1937 full size bed has been refined to give even greater convenience. The rear seat swings up to provide a clothing shelf, similar to that in Pullman cars. With the cushions used as a mattress the bed may be made up in ten minutes. These charming girls are illustrating the handy arrangement of the bed in the rear seat of a Nash Ambassador Six.

EUGENE HARGETT TO HEAD ROTARY

Elected President for Club Year Beginning in July; Lamon Meeting Speaker

The annual election of the Palmyra-Riverton Rotary Club was held last Thursday evening, with the unanimous endorsement of the ticket presented by the nominating committee of which Ross E. Mattis was chairman. The officers for the club year beginning in July will be: President, Eugene Hargett, vice president, C. P. Mayfield; secretary, Joseph Seel; treasurer, Ross E. Mattis.

Newly-elected directors are Karl Thomas and Robert Adams. E. N. Cooper, retiring president, automatically becomes a member of the board.

L. S. Gurnell, a new member representing the classification automobile retailing, was inducted into the club by Dr. Charles S. Mills.

Lamon Speaks

Walter D. Lamon was the speaker at this meeting, having for his theme, "What is the Individual Citizen's Responsibility for Good Government?" Mr. Lamon made the point that all government goes back to the individuals in the community, the state and the nation. Responsibility stares them squarely in the face. Just to the extent they dodge this responsibility—to that extent they will suffer from poor government.

America today stands at the crossroads of events because of the indifference of the individual to matters which do not appear to have an immediate and vital bearing on his personal affairs.

Rotarians Aid

"The ideals of Rotary tend to create in its membership more than average appreciation of this obligation to participate in the forces for good government," said Mr. Lamon. As centers of influence in this respect, he believed Rotarians are contributing much to overcome the inclination of most of us to avoid the sacrifice of energy and time demanded by a genuine interest in good government.

Politics must always be organized, but if we demand honesty and courage, we will get it, for control always gravitates to those who will grasp it. We must learn to form intelligent opinions apart from the propaganda of newspapers and radio.

Mr. Lamon closed with an appeal to make personal views known to your elected representatives in government, stating that these men welcome such counsel and that approval is quite as important as disapproval.

Coroner John N. Swartz, of Palmyra, is a member of the committee which is arranging for the testimonial dinner-dance to be accorded Freeholder Albert C. Jones.

The affair is scheduled to be held at Medford Lakes Lodge on the evening of Saturday, June 5.

Palmer L. Adams, director of the Burlington County Board of Freeholders, will act as toastmaster.

EXPRESS OFFICES AT NEW LOCATION

The local offices of the American Railway Express Company are now located in the Joseph T. Evans building, Main street, Riverton.

Extensive alterations have been made so that ample facilities are available for the needs of the company, and the Riverton manager, Fred Conway, feels that the new quarters will prove to be a distinct advantage in many respects.

BARGE BURNED NEAR BRIDGE

The fire on the gasoline-laden barge near the Tacony-Palmyra bridge caused considerable excitement here last Thursday, as local residents were attracted to the river by the huge columns of smoke and flames which were visible for miles around.

The blaze was discovered shortly after the craft passed under the Delair railroad span, and the barge was grounded in shallow water about one and one-half miles up stream.

The Philadelphia fireboat Blankenberg was summoned to the scene and fought the fire for several hours. No one was injured, but the loss to barge and cargo amounted to over \$10,000.

THE CHORISTERS SING TONIGHT

Will Give Concert in Lutheran Church, Palmyra; Twenty Singers in Group

If you enjoy good music, you are most cordially invited to attend a sacred concert this Thursday evening, April 8, in the Lutheran Church, Palmyra. The concert will be presented by The Choristers, a choral group of some twenty trained voices, under the direction of Eric Warnick.

The program Thursday evening will include "The Heavens Are Telling," by Haydn; "By Babylon's Wave," by Gounod; "Jesu, Priceless Treasure," by Bach; Hymn of Praise; and "Blest Are They," by Tchaikovsky; and the famous Hal-lelujah chorus by Handel.

The Choristers have been studying the master choral works for two years and this concert is their first local appearance following a successful concert in St. Stephen's Church, Beverly, on March 30.

Personnel of Group

The personnel of the group includes: Sopranos: Mary Miller Bair, Delanco; Elva A. Dunsmuir, Delanco; Marion Renner Gilpin, Merchantville; Helen Gulden, Palmyra; Anne McConnell, Palmyra.

Contraltos: Beatrice F. Collin, Delanco; Elizabeth T. Lippincott, Palmyra; Martha E. Pettit, Beverly; Clara R. Rivers, Palmyra.

Tenors: Robert H. Gabriellan, Riverton; Edward N. Hoyt, Riverton; Elvin I. Powell, Palmyra; William R. Smith, Riverton.

Bases: Carl C. Eisele, Riverton; (continued on page 9)

DINNER FOR RESERVE OFFICERS WILL BE HELD AT CAMP DIX

Several reserve officers from this vicinity are planning to attend the dinner of the Reserve Officers Association which will be held in the officers mess, Camp Dix, on Thursday, April 15, at 8 o'clock.

The meeting will start on hour late and Major-General Frank R. McCoy, commander of the Second Corps Area, will be the guest speaker. Many other prominent army officers are also expected to be present.

Military police will direct visitors to the mess hall after their arrival at camp.

Reservations for the affair must be made by April 10.

ENGAGED

Charles Yoos, of Oakdale, announced the engagement of his daughter, Miss Julia E. Yoos, to Earl B. Whitcraft, son of Mrs. Mary Sacco, of Hainesport, at a surprise party recently.

Miss Yoos is a clerk in the Farmers Trust Company, Mt. Holly. Mr. Whitcraft is a teacher in the Palmyra public schools. No date has been set for the wedding.

WERNER ELECTED BOARD PRESIDENT

Named at Meeting of Riverton Organization; Closing Exercises June 8th

John H. Werner was named president of the Riverton Board of Education, at a meeting of that body on Monday night. Mr. Werner succeeded Mrs. Francis B. Elwell, former head of the board.

At the same session Mrs. C. H. Yost was elected vice president.

Appointments ratified were as follows: W. H. Botter, district clerk; Dr. H. L. Rogers, medical inspector; C. Kenneth Davis, custodian of school funds; Miss Eleanor Williams, office clerk; attendance officers and school nurses, Miss Helen Blair and Miss Caroline Cook; broker of record, Clarence T. Yerkes; janitors, Walter Armstrong and George Carnie.

Closing Exercises

After some discussion by the members, it was voted to hold the closing exercises of the school in the auditorium on June 8.

Due to the existing dissatisfaction over the recent individual pictures taken of the pupils, Miss Caroline M. Staman, supervising principal, was authorized to exclude photographers from the school, except for the taking of class pictures.

Permission for Dance

The Youth Week Dance Committee, headed by Miss Eleanor Williams, was given permission to hold a dance in the school auditorium on Saturday, May 1, in connection with the activities of this annual event.

The property committee was instructed to cut back the fence on the rear of the school grounds to the extent of 10 feet on the Howard street side.

Letter of Commendation

The district clerk was instructed to write a letter of appreciation from the board to Miss Staman and the members of the faculty for the excellent exhibition which was prepared for parents' night.

A communication was read from Paul R. Jones, supervising principal of the Palmyra Public Schools, which stated that Mr. Jones appreciated the helpful suggestions by the Riverton group when he was present at the last meeting. In this connection, he advised the Riverton body that a department of educational guidance for college preparatory students would be in full operation in the near future.

Report of Miss Staman

The report of Miss Staman follows: Attendance has been considerably lowered by colds and an epidemic of chicken pox. Seventeen cases of (continued on page 4)

WILL PRESENT MEDALS TONIGHT

Robert Teeple, Arthur Waters To Be Honored for Heroic Rescue Attempt

Medals will be presented tonight (Thursday) to Arthur B. Waters, Jr., and Robert C. Teeple, at the meeting of the Riverton Borough Council which will be held in the Riverton firehouse, at 8 o'clock.

This honor will be accorded to the young men for their courageous attempt to rescue Leo Schaeffer, of Delaware river, on February 21.

The presentation will be made by the mayor of Riverton, H. McIlvaine Biddle, and it is expected that a large number of local citizens will be present.

Authorization for the medals was made at the last meeting of the Riverton Council and a special committee was appointed to arrange for the award.

COMPASS CLUB LADIES' NIGHT

The Compass Club of Palmyra and Riverton will be pleased to greet all Masons from Palmyra and Riverton, together with the adult members of their families at the annual "Open House Night" to be held in P.O.S. of A. Hall, Palmyra, on Friday evening, April 9, at 8.15 o'clock.

The entertainment will consist of a three-act comedy entitled "It Happened in June." This will be presented by the well-known cast of the Dramatic Club of the Palmyra Lutheran Church.

Come out and enjoy a social evening with your Masonic brethren and their families. This is your night.

Refreshments will be served. Publicity.

COLLEGE COURSES TO BE DISCUSSED

Important Meeting for Parents Planning to Send Children to College

A meeting of all parents who are interested in the curricula requirements for students who expect to attend college, will be held in the Palmyra High School auditorium, Thursday, April 15, at 8.00 p.m. It is very important that all parents of students in the Palmyra High School who contemplate sending their children to college should attend.

Several speakers will discuss college requirements and the particular advantages of attending certain institutions. Information will also be given to parents on the financial requirement for attendance in college.

It is hoped that parents will consider this meeting as a forum for discussion of children's problems, especially in regard to college training.

PALMYRA A.O.M.P. LADIES' NIGHT

Palmyra Assembly No. 65, A.O. M.P., will hold a Ladies' Night on Wednesday evening, April 14, at 8.30, in the Palmyra High School auditorium. One of the features will be a class from the Peter Pan exhibition of acrobatic, tap and toe dancing.

The committee has also been able to secure several very good acts of professional talent.

A number of door prizes will be given out to the ladies.

FIELD FIRES CAUSE ALARMS FOR LOCAL FIRE DEPARTMENTS

Local fire departments have answered several calls during the last week for field fires which threatened adjacent residences before being extinguished.

On Friday afternoon, the Riverton and East Riverton departments responded to a call for a grass fire of large proportions near the property occupied by C. Foster Brown, Riverton road, near the Burlington Pike.

The flames were brought under control just in time as a large barn was situated directly in the path of the fire.

The East Riverton firefighters and the Palmyra company were summoned, on Saturday afternoon, for another field fire which burned over a considerable area to the east of Highway 1, in Cinnaminson township.

The Riverton department was called Sunday morning for another fire at Second and Linden where a vacant lot was blazing in a lively manner. Several other lots in the vicinity were burned off at this time, under the supervision of the firefighters.

COUNTY 'Y' BOARD PLANS CAMPAIGN

Solicitation Period April 19th to May 4th Will Provide Funds for Work

Thirty members of the County YMCA Board, in session March 30, at Mount Holly, had explained to them plans for the annual YMCA maintenance campaign April 19 to May 4, headed by Frank W. Thacher, county campaign general chairman. Mr. Thacher is also chairman of the finance committee of the county YMCA organization and its treasurer, an office which he has held for thirty years.

Community Chairmen

Also present were additional men who serve as community campaign chairmen in certain communities. Mr. Thacher announced the men he had enlisted as community campaign chairmen and introduced those who were present. They were: Beverly, Charles G. Lester; Bordentown, Lewis M. Parker; Bridgeboro, Lester S. Fortnum; Browns Mills, Ralph H. Hullick; Burlington, Lawrence R. Parsons; Chesterfield, Arthur R. Brick; Cinnaminson, Howard G. Taylor, Jr.; Columbus, Caleb S. Heiser, Jr.; Riverside, George J. Pitman; Wrightstown, Herman Crosshaw.

Campaign Plans

After briefly outlining the plans worked out for this annual "cash for character" campaign, Mr. Thacher introduced S. Roger Oliver, of Burlington, a fellow board member, asking him to present details of which he had prepared for this year's campaign, dealing with such matters as the time schedule, area recommendations, ideas for making workers better solicitors by better acquaintance with the whole

VENDING MACHINE COMPANY HERE

Self-Serv Units to Be Made in Palmyra Plant; Output 1000 Per Month

The Self-Serv Manufacturing Company formerly of Camden, has moved into the factory building on Broad street and S-41, and, in about a week, will begin operations in the manufacture of coin vending machines.

The proprietor, Harry G. Reustle, a machine designer has been in this business for the past six years, and expects to buy the building the company now occupies, in order to expand the business.

All Kinds of Machines

The company manufactures all kinds of coin vending machines for chewing gum, salted peanuts, etc. At the present time the output is expected to be 1000 units per month. These, Mr. Reustle says, are shipped all over the United States and Canada. The company is now working on a trial order to be shipped to India.

The company sold 60,000 machines in the past six years and is now engaged on a contract for 10,000 chewing gum units. Mr. Reustle is the inventor and holds the patents for the machines they manufacture. The company was formerly located at 1041 Cambridge street, Camden.

DEMOCRATIC CLUB CARD PARTY HERE

The annual card party of the Burlington County Democratic Women's Club will be held in the W. C. Hall, Palmyra, on Friday evening, April 16th, at 8.15 o'clock.

The committee on arrangements are members of the Riverton and Palmyra district group of the club: Chairman, Mrs. Mervil E. Haas, State Committeewoman, Riverton; Mrs. Harry Williams, Palmyra; Mrs. John Doonan, Palmyra; Mrs. Mary C. Robbins, Riverton; Mrs. George Porter, Palmyra; Mrs. Nan Mitchell, Riverton; Miss Elinor Porter, Palmyra; Mrs. Anna Thomas, of Palmyra, and Mrs. Lucy E. Kenny, vice president of the County Club, Riverton.

Committees throughout the county are working under the direction of the club's president, Mrs. Florence Wills, of Ranococas.

Many fine prizes have been secured and a large attendance is expected. After the card playing, refreshments will be served.

APRIL RALLY OF EPWORTH LEAGUE

The April rally of the Trenton District Epworth League will be an all-district rally, including the leagues in both the northern and southern groups and will be held in the Broad street M. E. Church, Burlington, on Saturday, April 10th.

The rally will start at 4 p.m. with a recreational program in charge of the Broad street League, and supper will be served at 6 p.m. The evening worship service will be held in the church at 7.30 with Rev. Henry L. Bradley, of Delanco, as the speaker. Special musical selections have been arranged by the Burlington Leaguers. Attendance cups from both northern and southern groups will be awarded according to the new contest rules. Leaguers coming to the rally are asked to bring foodstuffs and clothing to be sent to the Deaconess Home, in Camden, and the Methodist Hospital in Philadelphia. Leagues will be given credit for what they bring.

CHICKEN SUPPER AT BRIDGEBORO

A chicken supper will be held in the Bridgeboro fire house on Saturday, April 10, under the auspices of the Bridgeboro M. E. Church. Supper served from 5.00 to 8.00. Adults, 65c; children, 35c.

Monthly Meeting

The regular monthly meeting of Burlington County Chapter American Red Cross will be held in St. Mary's Guild House, Burlington, on Tuesday, April 13th, at 2 p.m.

Flood Relief Fund

The Burlington County Chapter American Red Cross has been advised by the national organization that it made an appeal for \$10,000,000 to aid the flood victims and received \$23,000,000. While this was a much larger amount than asked for, there is no doubt but that every penny will be needed to complete the work of rehabilitation in the flood area. This work will consist of assistance in the repair and rebuilding of damaged homes, furnishing those homes, replacing lost clothing and other necessary personal belongings.

\$15,045 was raised by the Burlington County Chapter for this purpose, besides many hundreds of barrels and boxes of clothing and food.

5035 Membership

The Twentieth Annual Roll Call amounted to 5035 memberships—35 more than the quota assigned to the county.

LOCAL STUDENTS HAVE EXHIBITS

PHS Enters Thirteen Group Displays in Science Fair; Riverton Has Three

Several students in the Palmyra and Riverton public schools have entered exhibits in the third New Jersey Science Fair, which will be held in the Newark Museum during the week of April 12 to 17, according to Harry B. Weiss, chief of the Bureau of Plant Industry of the State Department of Agriculture.

For two years previous, the fair has been a part of the Annual Agricultural Week and the New Jersey Farm Show.

Interest State-wide

Interest in the fair is state-wide and representatives are listed from every section. Exhibits must fall within seven classes as follows: conservation, health, physical geography, physics and chemistry, agriculture, plant and animal life and biology.

The basis for judging depends upon clearness of objective, general value of idea, accuracy, originality, attractiveness, neatness and care.

Visitors at the science fairs have been impressed by the skill displayed in the student-planned and constructed exhibits.

Local Entries

Palmyra High School has thirteen group exhibits, with individual entries by the following: Tyler Vile, William Black, Donald Randolph, Douglas Mickle, Bruno Kondrot,

RADIO GARDEN CLUB PROGRAM

The Radio Garden Club will offer garden enthusiasts from coast to coast expert advice on seed sowing, rock gardening planning, the mechanics of tree planting and other spring gardening tasks on the programs it will broadcast this month over Station WOR and other stations of the Mutual Broadcasting System. CHRISTIAN SCIENCE CHURCH

"Are sin, disease and death real?" will be the subject of the Lesson-sermon in all Churches of Christ, Scientist, on Sunday, April 11.

The Golden Text is: "The Lord hath redeemed Jacob, and ransomed him from the hand of him that was stronger than he." (Jeremiah 31:11.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithfulness and truth." (Isaiah 25:1.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The evidence of the physical senses often reverses the real Science of being, and so creates a reign of discord, assigning seeming power to sin, sickness, and death; but the great facts of Life, rightly understood, defeat this triad of errors, contradict their false witness, and reveal the kingdom of heaven, the actual reign of harmony on earth" (p. 122.)

PARDON REQUEST BY ED ADAMSKI

Confessed Accomplice in Murder of Bradway Brown Has Served Three Years

Edward Adamski, confessed accomplice in the murder of Bradway Brown, of Palmyra, in 1933, is one of the 400 convicts who are seeking freedom from the New Jersey State Court of Pardons.

Adamski was sentenced from 20 to 30 years in prison for his part in the slaying, entering prison about three years ago, during April, 1935. Adamski, whose real name is Koronkiewicz, turned state's evidence in the trial and the other culprit arraigned for the same offense, Szwczak, pleaded non vult.

The Bradway Brown case was one of the most sensational in South Jersey for many years.

ELECTRICITY DOES MUCH HOUSEWORK

Most modern homes today have electric connections for almost every task. Electricity is so commonplace that it is seldom discussed, except when the bill arrives. But if the lights fail or the radio output drops to zero, then one realizes how important electricity really is. But few persons, probably know just how many household tasks are performed in their own homes by electric power, comments the New Jersey Public Utility Information Committee.

The average home contains these electric applications: floor, table, and wall lights, a vacuum cleaner, and electric space heater, a fan, a radio, an electric washer, a percolator, a toaster, and an automatic refrigerator. There are a great many other uses for electricity in the home but these are out-standing.

EMPLOYMENT ON UPWARD COURSE

Combined placements by the National Reemployment Service and the State Employment Service in New Jersey during the month of February, reduced the total of unemployed by 4141, according to information received by Mrs. Ethel M. Harlan, acting state director for the National Emergency Council.

Of this number 3570 persons were absorbed by private industry.

For the first time since the existence of the National Reemployment Service the national total of persons receiving positions in private employment exceeded the total of public replacements and assignments on relief work. Despite the short month 250,249 placements were made, of which 158,013 were in private employ. The gain noted in February over the same period of last year, was 223.8 per cent.

YOUTH WEEK TO
END WITH DANCE

Affair to Be Held Saturday,
May 1, in Riverton School;
Music Arranged

This year's Youth Week activities will come to an end with a dance to be held in Riverton school, on Saturday, May 1. A popular orchestra has been secured and the committee, headed by Miss Eleanor Williams, has planned a pleasant evening. Tickets may be secured from Miss Williams or any member of her committee, couples 50 cents, stag 35 cents.

Don't forget! The celebration begins on Saturday, April 25. Three communities will have new rulers on that day, and the younger folks will find a treat in a novel treasure hunt. Sunday afternoon, young people are cordially invited to a special church service. This will be non-sectarian, and a good speaker is assured.

Anyone interested in taking part in an evening's entertainment see Miss Diener at the high school.

HIGH SCHOOL
STUDENTS TO
VISIT PENN

Students in ten Burlington county secondary schools, with their parents and teachers, have been invited to visit the University of Pennsylvania, on Saturday, April 17, when the annual Engineering and Fine Arts Day on the campus will share interest with the collegiate dramatic festival of the Cultural Olympics.

Sponsored by the Towne Scientific School, the Moore School of Electrical Engineering, and the School of Fine Arts at the University, the Engineering and Fine Arts Day program will begin at noon and continue until 10 o'clock at night.

Cards of admission will not be required for the Engineering and Fine Arts Day program on April 17, but, because of the limited seating capacity of the Irvine auditorium, tickets will be issued for the collegiate dramatic festival of the Cultural Olympics to be held that day at 2:30 and 8:15 p.m.

Among the Burlington county secondary schools whose students, their parents and teachers, have been invited to attend Engineering and Fine Arts Day are: Bordertown High School; Bordertown Military Institute; Burlington High School; Saint Mary's Hall, Burlington; Moorestown Friends' School; Moorestown High School; Mount Holly High School; Palmyra High School; Pemberton High School and the Riverton Junior High School.

COVERED DISH LUNCHEON

The Garden Department of the Palmyra Woman's Club will hold a covered dish luncheon at the home of Mrs. Robert Snow, 911 Lincoln avenue, Palmyra, on Monday, April 12th.

Please bring in the holly terms. Publicity Committee.

FINALLY STARTS

Charged With Obtaining Money
Under False Pretenses on
Numerous Counts

The trial of Theodore Tobish, of Trenton, who is charged with defrauding Burlington county out of thousands of dollars during 1932, 1933 and 1934, finally got under way last Monday in Quarter Sessions Court, before Judge Frank A. Hendrickson.

The affair which had previously been postponed on five occasions, is a forerunner to trials of Freeholder Charles R. Stout and several former county officials who are also under indictment in connection with the alleged tax contract fraud.

Prosecutor Howard Eastwood stated that the case of the others, said to be involved, would probably be brought before the court as soon as the case against Tobish is completed.

Jury Selected

Monday was occupied with the selection of a jury composed of eight men and four women, together with the statements of the prosecutor.

Tuesday was taken up with the testimony of witnesses who told of various financial transactions which are alleged to have a bearing in the case.

PORCH CLUB

The drama committee of the Porch Club presented comedy in three acts called "Artichokes for Dinner," on the evening of March 30th at the parish house of Christ Church. Those in the cast were Mrs. Archibald Miller, Mrs. Francis Elwell, Mrs. Claude Anderson, Mrs. Charles Epp, Jr., Miss Elinore Hall, Miss Dora Perry, and Miss Elizabeth Hunn.

A business meeting held on Tuesday, April 6, at 2:30 p.m. was followed by recitations of poems by Dorothy McEwen Forrest. Mrs. Forrest had chosen selections from the works of Edna St. Vincent Millay, which she interpreted most delightfully, together with poems by Margaret Law and Sara Teasdale.

COLLINS-LIPPINCOTT

Miss Alice Prince Lippincott, daughter of Mr. and Mrs. Henry H. Lippincott, of Riverton, and Dr. Leon Howard Collins, Jr., son of Mr. Leon H. Collins, of Moorestown, were married last Friday at five o'clock at the home of the bride, Cinnamon, by the Rev. Dr. C. C. Cinnamon, in the presence of a large number of friends. The immediate families of the bride and bridegroom attended. A small reception followed.

LOUISE WINSLOW
GIVES PIANO SOLO

At the monthly recital given by pupils of the members of the Philadelphia Music Teachers' Association, Saturday, April 3, Louise Winslow, a pupil of Emma A. Price, played a piano solo entitled "Country Gardens" by Percy Grainger.

The recital was given in the Presbyterian auditorium, 1714 Chestnut street, Philadelphia.

cope with them when they arise.

Used Car Values

The department will interest itself in the determination of used car potentials, especially in the larger cities. This latter effort ties in with the work of the Quality Dealer committee, whose objective is the stabilization of dealerships from the standpoint of space, equipment, man power, management, and capital invested, so that these need not be in a constant state of readjustment and change. The committee will also study the shifting preferences of the consumer body, and keep close watch on legislative trends.

"The Research Department," said Mr. Holler, "is simply one more addition to an already imposing array of facilities which Chevrolet has placed at the disposal of its dealers. Probably no other retail organization in the world has comparable advantages at its command."

Information Counts

"Like the recent expansion of used car merchandising facilities, the Research Department operation is a further effort on the part of Chevrolet to gear its operations up with modern times and modern methods. There never was a period in the history of the world when the ability to keep informed counted so much toward success. All that we are attempting to do is to make the most of that fact, and place at our disposal and that of our dealers the knowledge we are able to obtain."

BIG FEATURE AT
MARKET HOUSE

Broadcasting Demonstration on
Friday Afternoon and Saturday Morning

Do you want to know how real broadcasts are conducted, or how your own voice would sound over the radio? Then visit the Philadelphia Market House on Friday afternoon or Saturday morning, where special broadcasting equipment will be installed through the courtesy of the Sunshine Biscuit Company.

See for yourself how it is all done and listen to the latest swing music. Bring your children for auditions, give them an opportunity to sing over the microphone. They might have talents of which you were never aware. Prizes and samples will be distributed to all. The proprietors of the Market House state there will be more fun and excitement than at the store opening, and urge all their patrons to avail themselves of the chance to see this unusual feature.

BIRTHS

Mr. and Mrs. Royal A. Bowers, of Lippincott avenue, Riverton, are receiving congratulations on the birth of a daughter, Mary Elizabeth, last Wednesday, March 31.

BUSINESS CARDS

The New Era offers Rytek Business Cards one hundred for One Dollar. Even lower prices on quantity orders.

The latter have been reported during the month, making a total of 21 cases, all in the lower grades. Five other children are quarantined at present.

Twenty-one children have been examined by the school physician and nine excluded. Forty-nine pupils have attended the dental clinics. If the board is willing to again offer diphtheria inoculation it should be authorized to be given now when general health conditions are satisfactory.

The annual school exhibit was held Monday evening, March 15th, and was very successful, bringing out more than three hundred people in spite of most inclement weather. The eighth grade gave a motion picture show which netted them \$27.54, with which they will buy their gift for the school and help pay their expenses to Valley Forge.

Four teachers and the principal attended sessions of Schoolmen's Week at the University of Pennsylvania. Mr. Hunt spent a day at the Industrial Arts Conference at Asbury Park, and Mrs. Duer attended the meeting of the Eastern Arts Association in New York.

The eighth grade Domestic Science Class is again planning to entertain the Board of Education at dinner and suggest May 15th as an alternative date.

Board Dinner

Following this report it was decided to hold the board dinner on Wednesday, May 12.

Authorization was given to carry out the necessary work in respect to diphtheria inoculation.

OBITUARIES

MRS. A. S. KING

Mrs. A. S. King, of Baltimore, formerly of Riverton, died suddenly last week at the home of her sister in Baltimore.

Funeral services were held last Saturday and burial made in Baltimore.

Half mile: Durgin, Morgenstern, Buvidas, Deemer and McMahan.

Shot put and discus: Wolschmidt, Applegate, Gamble, Burgunder, Semple and Davidson.

High jump: Applegate, Coe, Bonal, Gamble and Buvidas.

Broad jump: Applegate, Gamble, Wolschmidt, Mulvaney and Rowe.

Pole vault: Bye, Houser, Anderson, Shea and Vinc.

Shot put and discus: Wolschmidt, Applegate, Gamble, Burgunder, Semple and Davidson.

Schedule

The 1937 team faces a more difficult schedule than has ever been attempted at Palmyra High, with eleven dates on the card. Four of these are dual affairs, with two triangular meets and participation in the Long Branch Relays, Penn Relays, Newark Invitation, the Morrisville Invitation and the Burlington County Meet.

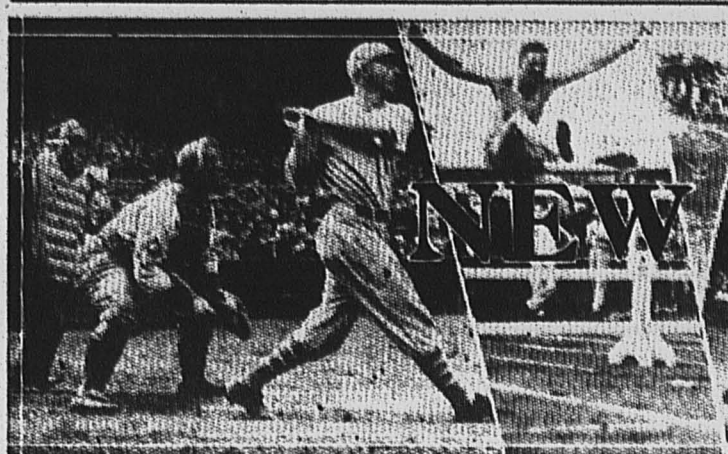

Due to the lack of proper local facilities, all competition will take place on the tracks of opponents. But Coach Kreps hopes that local track enthusiasts will avail themselves of the opportunity of seeing the Red and White squad in action.

The complete schedule follows:
April 7, Haddonfield.
April 17, Long Branch Relays.
April 21, Audubon.
April 23 and 24, Penn Relays.
April 28, Pittman and Millville.
May 1, Newark Invitation.
May 5, Paulsboro.
May 12, Glassboro.
May 17, Riverside and Burlington.
May 29, Burlington County Meet.
June 5, Morrisville Invitation.

Funeral services will be held at 2 o'clock, Friday afternoon, from the Christ Church Episcopal, Riverton, the Rev. Francis B. Downs officiating.

Friends may call Thursday evening at the Snover Funeral Home.

Miss Morrow is survived by two sisters, Mrs. William L. White, of Riverton, Mrs. Margaret Burns, of Ireland and by one brother, John Morrow, also of Ireland.

HARD SCHEDULE
FOR TRACK TEAM

Palmyra High School Squad
Will Participate in 11 Meets,
Prospects Good

The Palmyra High School track and field squad has been hard at work for several weeks in preparation for a lengthy season which opened yesterday with a dual meet at Haddonfield.

Despite the handicap of not having a regulation cinder path of any description, the candidates for the team have a pronounced fighting spirit, which Coach Melvin Kreps feels will be of great aid in competition.

Led by the veterans, Frank Applegate, J. Seemuller, A. Mount, G. Durgin, W. Wolschmidt and R. Bye, the candidates for the team are rapidly developing into mid-season form.

Keen Competition

There is keen competition in the mile with Mount, Burns, Bohus, Miller and Piergrass fighting for positions on the team. The boys are so well matched at present that no conclusions can be drawn as to those who will start in meet competition.

In the high jump, Bob Coe, center on the basketball team is giving the veteran Applegate a tussle for top honors. Applegate also rates high among the broad jumpers.

Jack Seemuller is being hard-pressed by a number of good sprinters.

George Durgin and Bill Morgenstern will probably be the outstanding performers in the half mile.

Men on Squad
The present squad numbers 30 men as follows:

100 and 200 yard dashes: Seemuller, R. Ransom, L. Ransom, Marshall, Mulvaney and Stanford.

Quarter mile: Durgin, R. Ransom, Marshall, Morgenstern and Seemuller.

Half mile: Durgin, Morgenstern, Buvidas, Deemer and McMahan.

Shot put and discus: Wolschmidt, Applegate, Gamble, Burgunder, Semple and Davidson.

High jump: Applegate, Coe, Bonal, Gamble and Buvidas.

Broad jump: Applegate, Gamble, Wolschmidt, Mulvaney and Rowe.

Pole vault: Bye, Houser, Anderson, Shea and Vinc.

Shot put and discus: Wolschmidt, Applegate, Gamble, Burgunder, Semple and Davidson.

Country Club
Notes

Bowling

As the spring tournament goes into the last week, the team of W. L. Hendrickson has a big game ahead over the group headed by J. E. Lippincott, in second place. The entry of C. E. Sims, which won the winter tournament, slumped badly during the latter part of the season and has managed to annex only 13 victories. High singles of 225 were bowled by Cooper, of the Wilson team, and 235 by Hagstos, of the Tyler group. The latter rolled a high set of 620.

The standing:

W	L	
W. L. Hendrickson	30	9
J. E. Lippincott	24	15
J. D. Clark	22	17
J. F. Jamison	22	17
D. B. Tyler	21	18
S. H. Bonnell	20	19
R. T. Elliott	19	20
W. S. Wilson	19	20
J. E. Bartley	18	21
M. L. Smith	16	23
C. E. Sims	13	26
R. J. Woods	11	28

Ladies' League

The second place of Miss Brita Hendrickson gained slightly on the league leaders by winning all three games from the entry of Mrs. Frank Story, while Miss Elinore Hall's bowlers could annex only a single victory over the last place team of Miss Alice Parrish.

Mrs. Earl Shrader bowled a high game of 170, Mrs. Frank Story rolled 168, while Miss Alice annexed high set and high single honors for the week with games of 174, 170, 166.

The standing:

W	L	
Miss Elinore Hall	20	10
Miss Brita Hendrickson	17	13
Mrs. Frank Story	12	17
Miss Alice Parrish	11	19

Golf Meeting

The annual spring meeting and dinner of the Philadelphia Section, P.G.A., will be held at the club on Monday, April 12, at 7 p.m. A sweepstake tournament for the members is being arranged for the afternoon by the club pro, Walter P. Brickley.

Bumper Board Tournament
The ladies' Bumper Board Tournament got under way on Tuesday morning with eighteen entries, these being as follows: Mrs. P. A. Ransom, Mrs. E. B. Humphreys, Mrs. H. N. Shible, Mrs. H. M. Kieckhefer, Mrs. F. C. Langenberg, Mrs. Richard Lippincott, Mrs. Lloyd Cross, Mrs. R. S. Charlton, Mrs. Roscius Downs, Mrs. J. W. Fawcett, Mrs. Leslie Krusen, Mrs. Earl Shrader, Mrs. Howard Coe, Mrs. J. S. Lucas, Miss Hilda Smith, Mrs. G. E. Krusen, Mrs. Douglas Clark and Mrs. T. H. Budd.

Playing dates are as follows: Friday, April 9; Tuesday, April 13; Friday, April 16; Tuesday, April 20, with the finals coming on Friday, April 23.

No man is worth more than three dollars a day, from his neck down.—B. T. Barnum.

all persons stay off the diamond. The remainder of the infield has been graded and other work is being done to eliminate difficulties experienced by the players during previous seasons.

Tennis Courts

The tennis courts have been dragged and rolled. Time is needed for the surface to settle properly, however, and Mr. Mount states that they will be ready for use by May 1, weather permitting.

The new tractor, recently purchased by the borough, has been used extensively in this work and, according to Mr. Mount, much time and money has been saved by this piece of equipment.

Golf Playing Banned

Mr. Mount states that the rule against golf playing in the park will be strictly enforced in the future.

The schedule for the baseball season calls for Friday nights being open. Organizations desiring to play hardball games on such days will be required to give two weeks' notice of their intentions, and permission will be granted in the order of receipt of the applications.

Announcement has been made that the recreation department of the WPA will provide supervision of playground facilities at the park on afternoons, after school, and on Saturday mornings.

LITTLE WOLF TO
BATTLE PINTO

Exponent of Deathlock Meets
Nebraska Skullbuster on
Thursday Night

It will be the Indian deathlock versus forearm slashes when Chief Little Wolf, the copper-skinned warrior, clashes with Stanley Pinto, Nebraska "skullbuster," in the star bout of the next mat show of the Twin City Athletic Club at the Camden Armory, Thursday night. The bout which is expected to draw an early capacity house, is timed for a 90 minute limit, with best two out of three falls to win.

Pinto and Wolf have been bitter foes since three years ago. The Nebraska has always tried to get Wolf in the same ring with him, but for some reason, the chief ignored his pleas. The Hanly has been working on this bout now for the last two months and only last week their efforts were crowned with success.

Laverne Baxter of Rahway and the latest to join the ranks of matadors will be seen struggling with Abe Coleman, drop kick specialist in the semi-windup down for one fall with a half hour time limit.

The preliminary list will be headed by Irish Jack Kennedy, of Dallas, Texas, and Mike Streilich of California. One fall will decide this issue. Bill Sledge, another Texan

meets Marshall Blackstock of Georgia, in the second duel. Bernie Kaplan of Philadelphia opens the show again and this time he meets Bobby Roberts of Boston in another half hour bout.

BASEBALL PLANS
ARE DISCUSSED

Officers Elected for Riverton
Softball League, Joseph
Yearly President

Over 50 baseball enthusiasts attended the meeting held in the Riverton fire house last Wednesday evening to discuss plans for the coming baseball season. Both hard and softball representatives were present.

The latter group got off to a flying start by electing league officials. These were as follows: Joseph Yearly, president; Clarence Hubbs, vice president; L. J. Steidle, secretary; Walter Schopp, treasurer.

Executive Board

The executive board is composed of Richard M. Woodward, Fred Conway, Wilton E. Mount and Walter Wright. William Schopp heads the schedule committee.

Other committee appointments were: Grounds—Mount, Hubbs and Mattis; Rules—Hylton, Carly and Woodward; Registration—L. Steidle and Edson Carhart; Publicity—Schopp, Latch and Metzger; Finance—Wright, Mount and Woodward. Games will be played on Monday and Thursday nights and the lid will be pried off on Monday, May 10.

Teams represented at the meeting were Broadway, Collins, Tab-Aboost, Burke-Bisley and Athletics. Additional teams expected to enter the league are the K. of C., Riverton Fire Company and the Athletics.

Those interested in hardball convened in a separate session, under the leadership of Robert W. Knight, chairman of the borough property committee.

Organization of a team to play on the Memorial Park field was discussed, and it was decided to form a nine which will perform on Wednesday evenings and Saturday afternoons. Plans were made for the appointment of a committee which will sponsor the organization and act also with the borough council to better advertise the contests, afford financial backing and generally supervise the activities of the ball club.

NEW ATLANTIC SERVICE STATION

Opened at S-41 and River Road, Palmyra By T. B. Stowe: Has All Facilities

T. B. Stowe cordially invites local residents to visit the new Atlantic service station, recently opened at S-41 and River Road, Palmyra.

The latest available equipment has been installed at the station and every facility is afforded for the complete lubrication of all makes of cars by the check chart system.

Washing Department

An important feature of the station is the car-washing department where motorists can assure themselves of 100 per cent satisfaction in every respect.

Atlantic gasoline and motor oil will be handled exclusively, and there are ample facilities at the conveniently located pumps.

Mr. Stowe also announces that he will carry a complete line of Le tires and tubes in stock at all times.

Cars Called for and Delivered

For the further convenience of patrons who desire to have their autos washed or serviced, cars will be called for and delivered.

Atlantic credit cards will be honored.

FINE DIAMOND AT PALMYRA PARK

Workmen are engaged in resurfacing the baseball diamond at the Palmyra Recreation Field and, when this work is completed, the local park will have one of the finest national pastime layouts in South Jersey.

The Palmyra diamond was constructed according to big league standards and has always presented an excellent playing surface. The field will be used by Palmyra High School for its home baseball games, and it is expected that the work will be finished by April 30, when fans will have their first opportunity of seeing the local toppers in action on the home lot.

FLOUNDER FRY ARE LIBERATED

Distribution of 28,682,000 flounder fry in the Shrewsbury, Shraak, Manasquan, Metedeconk and Toms rivers and the tributaries of Barnegat Bay during the past week by game wardens will eventually increase the sport of coastal fishing, the New Jersey Fish and Game Commission announced on Monday.

Scarcity of flounders during the past few years has been well known to salt water anglers who trust that the liberation of the large number of flounder fry will enhance the fishing for those who enjoy this particular sport in coastal waters.

The millions of flounder fry distributed by the game wardens were secured from the Federal Bureau of Fisheries and transported from Woods Hole, Massachusetts, in huge tank trucks without losing a single fish.

First Liberation

Liberation of this species of fish marks the first venture of its kind by the commission in the tidal waters of the State and is in line with the constant objective of the commission to provide sport for New Jersey fishermen. The flounder fry will be a catchable size in 1938 and it is the intention of the commission to keep up the liberation of the species annually.

Salt water fishing is attracting increased numbers of sportsmen annually to the tidal waters of New Jersey as well as its bays and ocean coastline. Fishermen from many other states also travel to New Jersey to enjoy the sport.

Be not niggardly of what costs these nothing, as courtesy.—Poor Richard.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

The first part of April is the best time of the year to make seed beds for annual flowers and many herbaceous perennials. There are several reasons why this is true, one being that most annuals and a number of hardy perennials germinate and grow better under rather cool, moist conditions. Furthermore, at this time of the year soil moisture is near the top of the ground and the beds will not need as much watering as would be necessary next month. Seeds of most hardy perennials and annuals will not be damaged by a light frost, should one occur in April.

Seed Bed

Build a seed bed in a well drained spot, making sure that the soil is light and friable. If the soil is naturally heavy, mix sand with it. Seeds need moisture to germinate, but not too much. This is one of the main reasons for having the soil rather loose and light so that water passes through it readily.

At this time of the year, seeds should be sown very shallow. A good practice is to cover the beds with burlap. They will then need very little added moisture—perhaps none at all. The soil must always be moist on top, however. Early sowing of seeds will assist germination.

Cover with Loose Sand

Mark out rows in the seed bed with a lath, or board about three or

four inches apart. Sow the seeds in the light indentations and cover with a light sifting of loose soil or sand. Press the soil down firmly with a board and when finished cover the bed with burlap. A word of warning at this point: examine the seed bed each morning, for if the burlap is left on too long the seedlings will become yellow and they may die. Remove the burlap as soon as the seeds start to break ground.

Plant Scotch Heather

For that spot in the garden where a dwarf, evergreen shrub is desired for a ground cover, plant Scotch Heather. It is an easy shrub to grow in a rather acid soil that is well drained and not too fertile. Scotch Heather is a member of the Heath Family and it is closely related to the ericas or heaths.

Scotch Heather (*Calluna vulgaris*) is perfectly hardy in the eastern part of this country. It may be obtained in white, and the range of colors runs through pink to a deep crimson. Its flowers are small, rounded bells, coming in July and August.

Rock Garden Plant

The heaths generally bloom earlier and as a group are not quite so hardy as true heather, but they are well suited to growing in the rock garden.

Nurserymen are now offering a good collection of these plants. Beginners should first plant the true heather and its handsome varieties and then, as they learn more about their culture, go on to the heaths. While the plants are still rather expensive, they may be propagated easily from cuttings in the summer as well as by seed in the fall and winter.

The Flowers that Bloom in the Spring

Are the most appreciated of all after the weary winter months. Nice pot plant of English Daisies, Primroses, Mertensias, Dwarf Phlox, Violas, Columbines, etc., in flower or which will bloom soon may be had at

CAR INSPECTION RULES OUTLINED

Old Age to Have No Bearing If Car Is Mechanically Safe, States Magee

Disturbing reports in connection with the impending safety inspection of motor vehicles to the effect that many poorer folk would be deprived of their automobiles because of antiquity, were set at rest by Motor Vehicle Commissioner Arthur W. Magee, today.

The Commissioner stated that the age of a car will have no bearing whatever on the inspection result so long as the car is mechanically safe and complies with regulations regarding equipment. On the other hand, the so-called "rattletaps" that too often makes its appearance on the roadways minus brakes, proper lighting and other safeguards, is doomed to disappear from traffic no matter what its age may be.

Unsafe Cars Banned

"Safety inspection will be exactly what the name implies," said Mr. Magee. "It will detect cars that are unsafe and will prevent their use on the highways until the defects have been remedied."

Fear of losing work in connection with presenting their cars for inspection, has been expressed in letters to the Commissioner. This will not be necessary, the Commissioner says, because the inspection stations will be open six days a week.

In a bulletin issued today, Commissioner Magee describes the procedure to be followed when the cars are presented for inspection at the 28 official stations:

Procedure Described

1. Upon arrival at the inspection station, the owner's name, address, kind of car and registration number are recorded on a card in duplicate which is given to the driver to carry with him through the test. Various test results will be indicated in this card by punching.

2. The head lamps will be tested for focus, aim and light output. All lamps must be of an improved type and in good operating condition.

(a) The tail lamp must be unobstructed and in good operating condition; a white light must illuminate the license plate, rendering it visible from a distance of fifty feet.

(b) The windshield wiper must be in proper working order.

(c) Required mirror must be in good condition and so placed and adjusted as to afford a clear view of the rear.

Windshield

(d) The windshield must permit clear vision. Windshield and side windows must not have any sign, poster or other non-transparent material upon them other than a certificate or other article required to be displayed by law or by regulation by the Commissioner.

(e) The horn must have a volume sufficient to be heard at 200 feet and must be in good working order.

(f) The license plates must not be mutilated, or obscured in any way by bumper cleats, trunk rack or other equipment.

3. The steering gear will be tested for excessive looseness and play. The tie rod drag link and associated parts must be secure. Alignment of front and rear wheels will be tested. Unless the wheels are excessively out of alignment, the cars are not rejected on this basis. One of the principal reasons for this test is that it quickly brings to the attention of the car owner a cause of tire wear. Of course, a very serious misalignment condition causes difficult steering control.

Brakes to Be Tested

4. All brakes will be tested and must be capable of stopping vehicle within certain determined distances at the speed of 20 miles per hour. Insufficient braking capacity or unduly unequal distribution of same will be cause for rejection.

5. The station supervisor will then examine the punched card and the results of all the tests, which have been punched by different examiners, are reviewed. If all the features tested are satisfactory, a certificate is attached to the windshield upon payment of the fifty cent fee. If the car fails to pass inspection, the reason for failure is noted on the duplicate card which is given to the owner and the original kept

RIVERTON SCHOOL NOTES

Junior Assembly

The Junior Assembly was opened by a kindergarten song, "The Wind." The first grade girls gave a very good exhibition of a fairy dance. The Bible was read and the Lord's prayer said. The third grade girls sang "Rosa" and the boys sang "Jason." A song called "School Song" by the second grade boys was very much appreciated and applauded.

Miss Gardiner's class gave that well-known play, "The Fairy Foot," where the little Fairy Foot Prince was sent away by his father and mother, the King and Queen, to tend the sheep. There he met a girl who had large feet and lead her to a fountain where she dips her feet into the water and made them small. Then they marry and live in the castle happily ever after. This was the end of the Junior Assembly which had a very interesting program.

School Observer

No. 2, Volume 6, of the "Riverton School Observer" made its appearance last week, the editor being Harry Orlmann. Included in its columns is the following list of coming events:

April 9—Junior assembly, Indian Tableau, second grade.

April 9—Assembly, Miss Clark's program.

April 12-17—Science Fair at Newark.

April 16—Assembly, 7R Sketches from essays read.

April 16-30—Public Ledger exhibits.

April 22—Movie, "Frontier Woman."

April 23—Assembly, "Geography of Communication," Movie.

April 30—Play at Delanco, "Toby

at the station. The car owner is then given several days to have such corrections made. He then must return to the station for a re-test of the defective features.

"Hello my dear! . . . you sound as though you're right here . . ."

Away . . . yet Home too

That call coming from over the miles in the evening . . . when one's far from home . . . chases away many a bit of loneliness at both ends of the line.

Why not try it more often?

Reductions up to 40% (depending on distance) apply after 7 at night and anytime Sunday on calls of about 50 miles and over. For example, then you can call 380 miles for 75c . . . 500 miles for 95c (station-to-station three minute rates).

RIVERTON

Miss Naomi Evans spent Tuesday in Bowie, Maryland, where she attended the horse races.

Mrs. Harriet Eckenhoff and mother, of Beverly, have moved to 631 Linden avenue, the property formerly occupied by Frank Bach and family.

The Misses Alice and Eleanor Caskey, of Holmesburg, Pa., spent Sunday with their brother, W. L. Caskey, of Morgan avenue.

Over six hundred women of the Women's Republican Clubs of New Jersey attended a luncheon at the Stacey-Trent, in Trenton, Monday, in honor of the two assemblywomen from New Jersey. Mrs. Pearl Bridgman, vice chairman of the state committee, was in charge of arrangements. Among the guests of honor were Governor and Mrs. Hoffman, Ex-senator W. Warren Barbour and Mrs. Barbour, Congressman Hamilton Fish, of New York; Mrs. Mary Roebeling, of Trenton, chairman of the Social Security Board for New Jersey; John Jeffers, chairman of the State Republican committee, with Mrs. Jeffers; members of the state committee and vice chairman of the county committee.

The winners of the Sacred Heart PTA blanket club last week were Miss Betty Downs, of Riverton, and Mrs. William Reidenbaker, of Parry.

Mrs. Frank Speer was the winner this week in the hosiery club run by Mrs. Lewis Bell.

Mrs. Charles DeLaney was the luncheon guest of Mrs. Earl Perkins and Mrs. E. R. Dodge, of Philadelphia, last Thursday.

Mrs. Edward Rogers, of Burlington, spent last Friday with Mr. and Mrs. Clifford Nesbitt.

The winners in the Woodbury Hosiery Mills Stocking Club for the past two weeks were Mrs. E. F. Smith, of Riverside; Mrs. C. W. Kersey, of Palmyra; Miss Eleanor Williams and Mrs. George Perkins, both of Riverton.

Mr. and Mrs. J. W. Sylvester, of 107 Seventh street, were recent visitors in Atlantic City, stopping at Chalfonte-Haddon Hall.

Mr. and Mrs. James Ward, of Philadelphia, spent last Friday with Mr. and Mrs. Charles DeLaney.

G. Rex Showell is now associated with the Riverton Cleaners and Dyers. All work guaranteed, and called for an delivered. Phone, Riverton 988.

The finance committee of the county board recommended a budget calling for a \$9000 goal for the Y.M.C.A. fiscal year which begins May 1, 1937.

All over the county right now community chairmen are busy enlisting captains and captains, in turn, workers. During the present week a number of meetings of community chairmen and captains are scheduled, all a part of the process of developing an organization of 200 solicitors who will call on the friends and supporters of the Y.M.C.A. over the years for the renewal of their annual investments which make possible the carrying on of the work of the Young Men's Christian Association among the youth of our county.

ANNIVERSARY OF 'ABDU'L-BAHA'S VISIT TO AMERICA, APRIL 11

On Sunday, April 11, at 8 p.m., a meeting will be held at the St. James Hotel, 15th and Walnut streets, Philadelphia, to commemorate the twenty-fifth anniversary of the arrival in New York of 'Abdu'l-Baha, son of the founder of the Baha'i Faith.

Mountfort Mills, a lawyer and noted New York peace advocate and active figure in the League of Nations, will be one of the speakers. Prof. Stanwood Cobb, of Chevy Chase, Md., will also talk. The Book Dealers Weekly, London, England, writes: "Mr. Cobb is famous in America as a writer on progressive education. He writes of all the great changes in educating children which are bound to come and which are already beginning to take place." Of particular interest in connection with the anniversary are statements made by 'Abdu'l-Baha in many parts of this country during 1912, which were accurate forecasts of the labor disturbances and strikes which are occurring today. The public is cordially invited. Free admission.

ALMSHOUSE FIRE PERPETRATOR SENT TO INSANE HOSPITAL

Mrs. M. E. Rodman, 57, of Burlington, who admitted being responsible for the fire which destroyed the Burlington County almshouse last Tuesday, was committed to the State Hospital for Insane, in Trenton, on Monday of this week.

Prosecutor Howard Eastwood stated that the woman had been judged insane by Dr. Robert McCandless, psychiatrist of the state hospital staff; Dr. John S. Conroy, county physician, and Dr. Louis E. Viteri, of the Burlington County Hospital.

Mrs. Rodman was a temporary employee at the almshouse at the time the fire occurred.

\$9000 Goal
The finance committee of the
county board recommended a budget
calling for a \$9000 goal for the Y.M.-
C.A. fiscal year which begins May 1,
1937.

All over the county right now
community chairmen are busy en-
listing captains; and captains, in
turn, workers. During the present
week a number of meetings of com-
munity chairmen and captains are
scheduled, all a part of the process
of developing an organization of 200
solicitors who will call on the
friends and supporters of the Y.M.-
C.A. over the years for the renewal
of their annual investments which
make possible the carrying on of the
work of the Young Men's Christian
Association among the youth of our
county.

ANNIVERSARY OF 'ABDUL-BAHA'S VISIT TO AMERICA, APRIL 11

On Sunday, April 11, at 8 p.m., a
meeting will be held at the St.
James Hotel, 13th and Walnut
streets, Philadelphia, to commem-
orate the twenty-fifth anniversary of
the arrival in New York of 'Abdu'l-
Baha, son of the founder of the
Baha' Faith.

Mountfort Mills, a lawyer and
noted New York peace advocate and
active figure in the League of Na-
tions, will be one of the speakers.
Prof. Stanwood Cobb, of Chevy
Chase, Md., will also talk. The
Book Dealers Weekly, London, Eng-
land, writes: "Mr. Cobb is famous
in America as a writer on progres-
sive education. He writes of all the
great changes in educating children
which are bound to come and which
are already beginning to take place."
Of particular interest in connec-
tion with the anniversary are state-
ments made by 'Abdu'l-Bahadn many
parts of this country during 1912,
which were accurate forecasts of
the labor disturbances and strikes
which are occurring today.

The public is cordially invited.

ALMSHOUSE FIRE PERPETRATOR SENT TO INSANE HOSPITAL

Mrs. M. E. Rodman, 57, of Bur-
lington, who admitted being re-
sponsible for the fire which destroyed
the Burlington County almshouse
last Tuesday, was committed to the
State Hospital for Insane, in Tren-
ton, on Monday of this week.

Prosecutor Howard Eastwood
stated that the woman had been
judged insane by Dr. Robert Mc-
Candless, psychiatrist of the state
hospital staff; Dr. John S. Conroy,
county physician, and Dr. Louis E.
Viteri, of the Burlington County
Hospital.

Mrs. Rodman was a temporary
employee at the almshouse at the
time the fire occurred.

LARGER ACREAGE TO BE PLANTED

Statement Made By N. J. Dept.
of Agriculture, Large
Gain in Corn

New Jersey farmers expect to plant this spring about 17,000 acres more than they harvested last year and nearly 50,000 acres more than the ten-year average annual acreage harvested, 1926-1935. The total area intended for planting this spring is about 689,230 acres, as compared with 672,150 acres harvested in 1936 and 640,009 acres, the average annual acreage harvested during the ten-year period, 1926-1935.

This statement is made in a crop report recently issued by the New Jersey Department of Agriculture.

Proposed Increases

The intended increase in acreages of this spring's planting, as compared with last year's harvesting is as follows: field corn, 6000 acres; white potatoes, total crop, 3000 acres; all time hay, 4000 acres; soybeans, 1000 acres; sweet corn, 950 acres; all cabbage, 300 acres; snap beans, spring and summer, 360 acres; lima beans for market, 370 acres; green peas for market, 750 acres; peppers, 335 acres; cantaloupes, 430 acres; watermelons, 150 acres; celery, spring, 60 acres; lettuce, spring, 180 acres; strawberries, 650 acres; strawberries, 510 acres; carrots, 25 acres and cauliflower, 180 acres.

Decreased Acreage

On the other hand, farmers are planning to decrease the acreages of the following crops, as compared with those harvested last year: oats, 1000 acres; tomatoes for market, 1050 acres; eggplants, 60 acres and spinach, spring, 10 acres.

Figures on winter wheat and rye which was planted last fall, as well as figures on second, or fall crops, such as celery, snap beans, spinach, etc., which will be planted in the middle of summer are not included in this report. The data on acreages of fruits and certain berries also are not included.

The intended 1937 acreages of barley, sweet potatoes, cowpeas, tomatoes for canning, cucumbers, onions and beets for market are the same as those harvested during 1936.

Camp Mahalala
County Scout Executive George A. Darlington announced on Monday that Camp Mahalala will open for its summer program on July 11, for a four weeks' period. He stated that the camp was being made ready with new equipment to include pumping outfit and boats. John B. Stokes, Moorestown will be the program director, and William B. Gibson, Parry, will be provisional scoutmaster. Howard Mardin, Maple Shade, will have charge of the nature lore program. The camp will be open one week longer this year to accommodate the large number of Scouts of Sumner and other troops. Two troops, with a total of sixty Scouts, have already signed up.

FIRST POSTAGE STAMP ISSUE

"One Penny Black" Appeared
in Great Britain During
Year of 1840

He was an official in the British Postal Service, so it is not surprising that his curiosity was aroused by the peculiar actions of his housemaid whom he observed from time to time examining mail delivered to her at the door and then refusing to pay the postage due, with the result that the carrier took it away with him again. At that time practically all mail was delivered C.O.D. because the public had misgivings over the certainty of delivery.

Questioning the maid closely about this transaction, she confessed she and her sweetheart had developed a code which enabled messages to pass between them without the extravagance of the postal fee. She would examine the letter carefully, note the message and then refuse it. This, so the story goes, set the postal official to thinking and out of the cogitation was germinated the idea of the postage stamp for prepayment of mail.

First Postage Stamp

On May 6, 1840, the British Government issued the world's first postage stamp—the famous "One Penny Black"—amid a storm of derision which centered about the public distaste for "slobbering over the back of Queen Victoria's face."

By the way of compromise, William Mulready designed an official envelope which, in a sense, was the first "stamped" envelope in the world. The design of this envelope created a furor of ridicule which took the mind of the public off the postage stamp. The envelope was soon withdrawn but the stamp survived. One might suppose that this stamp would be a very valuable item for collectors, but the law of supply and demand operates in philately as elsewhere and the "One Penny Black" is readily obtainable for a few dollars.

"Now my son," said his fond mother, as the boy was starting off to join the Navy, "remember to be punctual in rising every morning, so you will not keep the captain waiting breakfast for you."—The P.G.W. News.

IT'S POLITE TO AGREE

A Virginia family was training a colored girl from the country in her duties as maid. On answering the telephone the first day she brought no message.

"Who was that, Sara?"
"Twasnt nobody, Mrs. Bailey, jes' a lady sayin' 'It's a long distance from New York' and I say, 'Yes ma'am, it sho' is!'"—Judge.

EXPERIENCED

"Did you give the man the third degree?" asked the police officer.
"Yes. We browbeat him and badgered him with every question we could possibly think of."

"What did he do?"
"He dozed off and merely said now and then, 'Yes, my dear, you are perfectly right.'"—Rochester Gas and Electric News.

CITIZENS' LEAGUE FOR POWERS BILL

Act Proposes to Remove the
Maximum Age Limit on
Civil Service

Congressman D. Lane Powers' bill which would remove the maximum age limit for entering civil service employ has received the endorsement of the American Citizens' League, Inc., the Congressman was advised last Saturday.

The advice came from the office of the League in New York. There is a state office of the organization in Newark.

Many individual members of the League, from several Eastern States, have written the Congressman to applaud his measure and to offer their support. According to word today from the Congressman's office in Washington, they declared that they are urging their own Congressmen to back the bill.

The measure is titled: "To Prohibit Discrimination solely because of maximum age" in Federal employ, both with and without civil service covering. However, it is seen as most applicable to civil service jobs where strict age regulations prohibit many qualified applicants from obtaining the right to compete.

Explains Measure

In explaining his measure, the Congressman said today:

"This would not apply to any other than the civilian services. But I do believe that if a clerk has served a private industry long and faithfully and efficiently in that position, and if the industry should for some reason close its doors, that clerk should have the right and the privilege, despite his age, to apply for a Federal position."

Congressman Powers was instrumental in having put through a similar measure for the State of New Jersey, while a member of the State Legislature.

SOUTHERN SPRING CONFERENCE AT ELMER, APRIL 9

The spring meeting of the Southern District of the New Jersey Congress of Parents and Teachers will be held on Friday, April 9, at 10 a.m., in the Methodist Episcopal Church of Elmer, New Jersey. Anyone wishing to attend this meeting please communicate with Mrs. H. P. Orlemann, Jr., Riverton 404-J.

ENGAGED

Mr. and Mrs. George R. Jones, of 325 Berkeley avenue, Palmyra, announce the engagement of their daughter, Miss Anna Marie Jones, to John William Griffiths, son of Mr. and Mrs. Pendry Griffiths, of 1114 North Twenty-sixth street, Camden. No date has been set for the wedding.

PALMYRA SCHOOL NOTES

Safety Program

Through the courtesy of Public Service Corporation a splendid safety program was presented to the children in the second, third and fourth grades during the past week. Mr. Ohlson, assistant director of safety education, gave a brief talk to the children about the various phases of safety, after which he presented the sound film, "The Giant Story." This film has been prepared especially for primary children, and it teaches many valuable lessons in an interesting way. A short safety story is given for each of the letters in the word "Safety." Following this film a comic on the Animal School was very thoroughly enjoyed by the boys and girls.

First Grade

The first grade pupils are making plans for a store. They are busy making toy money, and collecting orange crates and empty food containers.

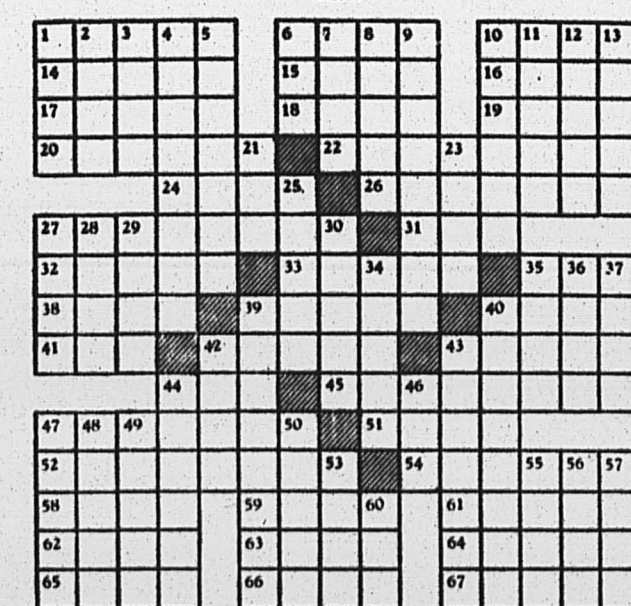

Through this store unit, they hope to learn the difference between a penny, nickel, dime and quarter, and also they hope to gain some knowledge of the store keeper, as a community helper.

First—Third Grades

The committees for the week are:

"I DREAD WASHING
BLANKETS"

MODEL 2G
Capacity 8 pounds

Most women do—because of the time and energy that is lost in wringing wet blankets. With a double-tub washer it is different. The blankets are damp-dried in the spin-basket, which extracts as much as 25 per cent more water than a wringer. It saves wear, time and effort. Buy a G-E—Wash with ease!

SUB-STATION IS BEING DISMANTLED

Public Service Equipment in East Riverton Is No Longer Needed

A force of workmen is engaged in removing the six large transformers and other equipment from the East Riverton Public Service sub-station, located at Reed and Broad streets, the plant having been discontinued about a month ago.

According to a representative of the company, the station was constructed to take care of the current load occasioned by the ice plant in East Riverton, but this is no longer necessary because of other power houses.

The function of the unit being discontinued will be absorbed by the Riverside station.

No information is available regarding the disposition of the brick building on the Public Service property.

As the unit was entirely automatic, no employees are affected by the change.

LOCAL BRIDGE CLUB LOSES ANOTHER

On Wednesday evening, March 31, the Riverton Bridge Club was host to the Victor A. A. Bridge Club, at which time a scheduled match in the South Jersey Whist League was played. The Victor A. A. Bridge Club won by the team score of 3820 points. The pair scores were as follows:

Mr. Burns and Mr. Ochs, playing N. and S., lost by a score of 1520 points.

Dr. Dey and Mr. Woodward, playing E. and W. won by a score of 620 points.

Mr. Carty and Mr. Evans, playing N. and S., lost by a score of 1420 points.

Mr. Conover and Mr. Yost, playing E. and W., lost by a score of 2540 points.

The Riverton Bridge Club has now won three and lost four matches and will continue their schedule on April 21, when they will be guests of the Vineland Bridge Club, at Vineland.

The last match of the season will be played at the Salem Country Club on Friday, May 14, when there will be a dinner to all members of all the clubs in the league. In the evening the team matches will be played and there will also be a duplicate arranged for those not playing in the matches.

LADIES' AUXILIARY HOLDS OPEN HOUSE

The Auxiliary of the YMCA will hold an open house for the boys, their families and friends, tonight (Thursday) at 8:00 o'clock.

CAR OVERTURNS ON BROAD STREET

A 1930 Ford coupe, driven by Elmer G. Gastler, overturned on Broad street, Palmyra, between Morgan and Maple avenues, Wednesday morning, the driver being fortunate to escape with only a scratched hand.

Gastler was going toward Riverton when the accident occurred, his car becoming unmanageable when it struck an obstruction on the pavement.

During the turning over process, the machine narrowly missed a boy riding a bicycle.

The doctor gazed into his patient's eyes. "You say you have trouble with that eye?" he said. "But there's something more. On looking at it I see signs of liver trouble, or anemia, and I fear of chronic nervous affection."

"Look at the other eye, doctor," said the patient. "That is my glass eye."—Alabama Powergrams.

TEEPLE-WATERS RECEIVE MEDALS

Presented Thursday Night By Mayor Biddle; Auditor's Report Received

Arthur B. Waters, Jr., and Robert C. Teeple were presented handsome gold medals by Mayor H. McIlvain Biddle, of Riverton, at the meeting of the Borough Council held last Thursday evening, the awards being made in recognition of the brave attempt of the two men to rescue Leo Schaeffer from drowning, on February 21.

In making the presentation, Mayor Biddle said in part, "In behalf of the citizens of Riverton, I want to express my appreciation for the wonderful work that you did in attempting to save the life of the Schaeffer boy."

"Because of my long experience with conditions on the Delaware River, no one realizes more than myself the chance you took in diving into ice-cold water on February 21st."

"We are all grateful that you survived the shock and are with us tonight."

"The people of Riverton desire to remember your heroic act in a fitting manner and feel that some token should be presented to you commemorating your deed. I take great pleasure, therefore, in presenting a medal to each of you, together with a letter of commendation from Governor Hoffman."

Letter from Governor.
The letters from the Governor read as follows:

State of New Jersey
EXECUTIVE DEPARTMENT
April 5, 1937.

Dear Arthur:
May I join with your many friends in congratulating you upon the courage demonstrated by you and Robert Teeple in endeavoring to save the life of a fellow human being?

Such an act on your part is true nobility of character.

Sincerely,
Harold G. Hoffman,
Governor.

FOUR ACCIDENTS ON RIVER ROAD

Cars Skid on Slippery Surface, Machines Damaged But No People Injured

Four accidents due to the slippery condition of River road in wet weather happened in five days last week between Taylor Lane and Union Landing road.

The first occurred on Monday, April 5, when Benjamin Weintraub, of 1254 Empire avenue, Camden, lost control of his machine and struck a pole. No one was injured although the car was badly damaged.

On Thursday, April 8, the car of Samuel Cugliotta, of 410 Arch street, Palmyra, skidded and upset. The driver was uninjured.

Eugene Dunning, of 304 Maple avenue, Delanco, who was driving a car owned by the New Jersey Auto Supply Company, of Camden, ran into the rear of a truck owned by Filocene DeLuca, of 414 Kosuth street, Riverside, and driven by Pasquale Sarlo, of 310 Bem street, Riverside. Sarlo had stopped to look at another accident.

The final crash happened on Friday, April 9, when John Black, of Delaware avenue, Delanco, ran into a car owned and driven by Mrs. Francis Shaw, of 305 Cleveland avenue, Palmyra. Officer Dorworth investigated all the accidents.

Estimates Cost

Alfred H. Lippincott, speaking for the Legion, stated that a swimming pool 40x104 feet would cost less than the average person realizes. A competent engineer estimated that the cost of labor and materials would be less than \$15,000, and if done as a P.W.A. project, 45 per cent of the cost would be borne by the government in the form of a grant. Everyone agreed that such

LEGION PROPOSES SWIMMING POOL

Asks Palmyra Borough Council To Consider Possibility of P.W.A. Project

At the meeting of the Palmyra Borough Council held on Tuesday night a petition was received from Post Frederick M. Rodgers No. 156, American Legion, requesting that the governing body consider the feasibility of initiating a P.W.A. project for building a regular swimming pool at the municipal park. The petition stated that, due to the pollution of the waters of the Delaware river and Pennsauken creek, healthful swimming facilities are not available.

The conference will close with a dinner meeting at 6:30 p.m. at which time Dr. Frank Kingdon, president, University of Newark, and a member of the board of directors of the New Jersey conference, will be the guest speaker.

The success of the conference is largely dependent on your interest and cooperation. Further details of the program will appear next week.

FLOOD CONTROL BILL IS PASSED

Congressman D. Lane Powers announced on Monday that his bill for a flood control survey of the Delaware River had been passed by the House of Representatives.

The measure authorizes a survey by the War Department engineers to prevent recurrence of floods which caused so much havoc along the Delaware riverfront in Burlington and Mercer counties two winters ago.

The Flood Control Committee of the House reported out the bill a few weeks ago. It was then put on the Unanimous Consent Calendar, passing last week, the Congressman declared, without a dissenting vote.

It was the unanimous opinion of the board that the amount required was too high, and the architect instructed to ascertain what reductions could be made. Colonel Kelley was also requested to prepare the necessary forms for a PWA application, whereby the county could be assisted in building to the amount of 45 per cent of the total cost, the grant being made on the basis of labor requirements.

Reindexing Bid

There was only one bidder on the proposal to complete the reindexing of the records of the surrogate's office, this being from the Russell Indexing Co., of Pittsburgh.

This firm gave a price of \$12,000 with an additional figure of \$1740 for record books.

As only \$7,000 was appropriated for the work and \$1740 for the books, authorization was granted by the board to enter into a contract with the Russell Co. for this amount.

The project will require months to complete, and an additional appropriation during the next fiscal year will be necessary.

Federal expenditures for this work have amounted to \$20,000.

Pasteurization of Milk

Bids were also opened for the pasteurization of milk produced at the county almshouse farm on the basis of 500 quarts daily.

Proposals were received from the Farmers' Cooperative Dairy Association, Wrightstown; J. Sterling Davis, Wrightstown; Holly Dairy, (continued on page 11)

LECTURE AT WESTFIELD FRIENDS' MEETING HOUSE

Citizens of Palmyra, Riverton and Cinnaminson are cordially invited to attend a lecture by Douglas V. Steere, of Haverford College, to be given in the Westfield Friends' Meeting House at 7:30 p.m., on Sunday, April 18.

The topic for the lecture is "Inward Worship and Outward Life."

ANNUAL CHARTER LUNCHEON OF CLUB

The annual charter luncheon of the Riverton Porch Club will be held in the club rooms on April 20th at 1 p.m. For all luncheon reservations kindly notify Mrs. Edward Borer by April 17th, telephone 764.

Clean-Up Week

Mayor H. McIlvain Biddle, of Riverton, has designated the period from Tuesday, April 20 to Thursday, April 22, as the time for the annual Clean-up Campaign in Riverton.

On these days the borough will cooperate by having carted away, free of charge, all rubbish placed in boxes or barrels on the curb.

Those in charge of the clean-up wish to emphasize the fact that no rubbish will be carried from cellars or yards and that no garbage will be taken.

Borough officials have expressed the desire that citizens take full advantage of this opportunity of spring property-cleaning and assist in maintaining the excellent reputation that Riverton has always enjoyed as a tidy residential community.

TROUT SEASON WILL OPEN TODAY

Miles of Streams Well Stocked
With Fish of Good Size,
License Fee \$2.10

Miles of streams well stocked with large Brook, Brown and Rainbow trout from the world famous Hackettstown Fish Hatchery which is experiencing one of the busiest periods of its history, will be ready for New Jersey's enthusiastic army of licensed anglers when the trout season gets under way today. George C. Warren, Jr., president of the State Board of Fish and Game Commissioners, announced recently.

Good fishing conditions are anticipated throughout the state by game wardens who have worked incessantly for weeks transporting hundreds of thousands of trout to the streams. Rod and reel sportsmen can be assured that many of the streams contain big fighting fish of unusual size. The season remains open from April 15 to July 15.

There will be no let-up in the sport as the season advances as tens of thousands of adult fish have been held in reserve at the hatchery pools for distribution at intervals into streams as fast as the army of anglers takes them out.

Restocking of Streams
"As soon as the supply is noticeably fished out of any trout stream, truck loads of hatchery fish will be rolling to restock these waters," declares President Warren. "It is the objective of the State Fish and Game Commission to supply sufficient trout to the natural public trout streams to permit anglers to get their daily bag limit, not only once, but repeatedly during the season."

Trout streams during the season will be posted for forty-eight hours after restocking. Metal signs will be posted at points where the stocking has taken place to warn sportsmen against fishing during the forty-eight hour period. Game wardens have been instructed to distribute the trout so that the forty-eight hour ban will not interfere with week-end fishing.

Bag Limit
Trout to be legally taken during the season must be seven inches in size. The daily bag limit is ten fish. Following the closing of the spring trout season on July 15, it will be re-opened on September 1 for a thirty day period.

New Jersey resident anglers may secure a fishing license for \$2.10. The combination resident hunting and fishing license is \$3.10. The non-resident alien fishing license costs \$5.50 and the non-resident and alien combination hunting and fishing license is \$10.50.

HOME FORUM ON RADIO PROGRAMS

Suggestions on developing richer, broader interests for both adults and children in the world of today will be discussed on the Homemakers Forum programs which the Home Economics Extension Service of Rutgers University will present over Station WOR at 3:15 p.m., successive Wednesdays during the next three months.

Taking as its theme "Enlarging Our World," the series will feature as guest speakers prominent educators and specialists in various fields of adult education. The programs will be directed by Mrs. Marion F. McDowell, child training and parent education specialist of the Extension Service. The April program follows:

April 21: "Interests and Personality," Dr. J. Berkeley Gordon, medical director, State Hospital, Marlboro, N. J.

April 28: "Camping and Character," Prof. Ernest G. Osborne, parent education associate, Teachers College, Columbia University.

CLUB HOBBY AND FASHION SHOW

The Palmyra Junior Woman's Club will hold a hobby and fashion show at their meeting on Monday, April 19.

Miss Marjorie Spahr, of Morgan avenue, is in charge, and all members are requested to be present.

Officers for the coming year will be elected.

SURPRISE SHOWER

The operators in the Riverton-Palmyra telephone exchange gave Miss Betty Sloan a surprise shower at the home of Mrs. William Reidenbaker, last Tuesday evening. Miss Sloan will become the bride of Joseph Ziccardi, of Maple Shade, on June 1.

Those attending the shower were: Miss Veronica and Miss Marion Ziccardi, Mrs. Frances Reidenbaker, Mrs. Katherine Storicks, Mrs. Mary McDermott, Mrs. Agnes Foster, the Misses Helen and Doris Bravin, Mrs. Hazel Woolford, Mrs. Elizabeth Steinback, Miss Bessie Bacon, Mrs. Edward Wallace, Miss Betty Edinger, Mrs. Ebert, Mrs. Mary Krantz, Mrs. Mary Bell, and Miss Jeanette D'Autrechy.

PHONEY MONEY AROUND AGAIN

The Treasury Department has recently issued warnings regarding two types of counterfeit bills which have made their appearance in the Philadelphia metropolitan and suburban areas.

The more common of the two is a \$5 silver certificate which, according to experts, can easily be recognized as spurious. The Lincoln portrait resembles a newspaper picture and an excess of ink is used which gives the note a smudged appearance.

The most important feature of this counterfeit is the check numbers which appear on the upper part of the bill and the face plate number, JJ189, in the lower corner.

\$10 Note
The counterfeit \$10 silver certificate is of the series of 1934, check letter "J," face plate number 26, back plate number 303, portrait of Hamilton.

This is printed on one sheet of bond paper from photo-mechanical plates of fair workmanship. The portrait is not clearly defined, being too dark and blending with the oval background, while the seal of the treasurer and the serial numbering are poorly executed in dull lustreless blue.

RUNAWAY BOY PICKED UP HERE

Robert Hunter, 10, Picked Up by Officer Robinson on Tuesday Morning

The watchful eye of the crossing watchman, William W. Cook, at J. Broad and Main streets, Riverton, assisted in returning a runaway boy to his parents on Tuesday morning of this week.

Cook noticed a small boy loitering around the station platform about four o'clock in the morning, but the lad disappeared before the return of Officer John J. Robinson, who had been patrolling the town.

Cook notified Robinson that he had seen the boy and a search was started. After about twenty minutes, Robinson found the lad hiding on the rear stairs leading to the station platform above the Keating Cigar store on Main street.

The Camden police were notified and came for the boy telling Robinson that this made the third time he had run away. The boy was Robert Hunter, 10, of 557 Washington street, Camden.

JOINT MEETING OF PTA AND PALMYRA WOMAN'S CLUB

Tuesday evening, April 20, at 8:15, the Palmyra Woman's Club will have a joint meeting with the Palmyra P.T.A. in the high school auditorium at which time Dr. Edwin Wittmeyer, head of the psychology department at the University of Pennsylvania, will address the meeting on the topic "The Adolescent and the Latch Key."

Those who have heard Dr. Wittmeyer realize the unusual privilege in having him present for this occasion.

A play by the Junior Woman's Club will precede the address, the members of the cast having been coached by Mrs. Ruth Strahan.

The public is cordially invited to attend this joint meeting. Dr. Wittmeyer prefers that there be no children in the audience.

"When in doubt, tell the truth."

BLOSSOM SEASON DATES ARE GIVEN

Keystone Auto Club of N. J. Gives Schedule of Many Eastern Festivals

Here's good news for the motorist. The Keystone Automobile Club of New Jersey reports that blossom time this year finds the highways and byways in better shape for travel than they have been for years. The mild winter has left road surfaces virtually unmarked, in contrast to the serious damage which followed rigorous winter and flood conditions in preceding seasons.

Famous Japanese Cherry

While probably the most publicized spring blossoms in the country are Washington's famous Japanese cherry blossoms, Keystone's touring advisers emphasize that blossoms know no boundaries and that beautiful and inspiring sights may be found close at hand, or relished after mile on long trips to sections famed for their orchards.

Blossom Dates

April 26 to May 1. Virginia Garden Week.

April 26 to May 8. Bridgeton, N. J. Peach blossoms, apple blossoms at height week of May 3.

April 26-May 1. Wilmington, Del. Longwood Gardens Azalea display.

April 30-May 1. Winchester, Va. Shenandoah Valley Apple Blossom Festival.

May 1-4. Eastern Shore of Maryland. Local garden days.

May 1-14. Valley Forge, Pa. Dogwood blossoms.

May 4-7. Annapolis, Md. Maryland Garden Pilgrimage.

May 4-June 6. Pennsylvania. Lo-

cal garden days in many parts of the state.
May 16-21. Asbury Park, N. J. Holland Tulip Week.
June 13-19. Asheville, N. C. Rhododendron Festival.

BOY SCOUT NEWS

Weekly Meeting

Edward Rosenblatt, of the R.C.A. Victor Company, addressed the Scouters of Burlington County at their weekly meeting at the Palmyra High School on Wednesday evening.

He demonstrated several very delicate instruments for measuring and recording sound waves. This was followed by a talk on the Radio Merit Badge. Doctor Howard C. Curtis, song leader of the Moorestown Rotary Club, talked to the men about singing in the scout troops.

He stated that in group singing the leader must have self confidence to lead properly. The next session of the training course will be held on the weekend of April 17 and 18, at Camp Mahalala, where the out-doors program will be featured.

Summer Camp

With the strong enthusiasm indicated in Camp Mahalala last summer the camp committee has decided to open the camp for an extra week this season, making a four-week camping period. Two troops have already signed up for their periods at camp. These are Troop 21, Parry, with a reservation for 25 scouts, and Troop 26, Riverside, with a reservation for 25 scouts. It is expected during this week that several more troop camp reservations will be made. The camp is being made ready, with several new canoes being added to the equipment and a new water pumping outfit being installed.

National Jamboree

Eight scouts from our council have already signed up for the National Jamboree that is to be held in Washington, D.C., June 30 to July 9. These scouts are as follows: James Wilson, Troop 29, Maple Shade; Robert Pope, Troop 9, Palmyra; Eugene E. Beyer, Jr., Troop 17, Mt. Holly; Raymond Underwood,

Troop 17, Mt. Holly; Albert Thiel, Troop 5, Palmyra; Joseph Weber, Jr., Troop 12, Mt. Holly; Robert Heisler, John H. Price, L. B. Hollingshead, all of Troop 27, Pemberton. These scouts will be under the direction of Scoutmaster William B. Gibson, who will be the Jamboree Leader. Scoutmaster Harry Schneider, of Troop 27, Pemberton, will be a member of the regional staff at the Jamboree. Scout Executive George A. Darlington will also be a member of the regional staff in the capacity of one of the directors of post office communications.

PLAY PRESENTED AT LADIES' NIGHT

The Compass Club, of Palmyra and Riverton, held its annual Ladies' Night, last Friday evening in P. O. S. of A. Hall, Palmyra, a large number of Masons and members of their families being present.

The entertainment consisted of the presentation of a three-act comedy entitled "It Happened in June," by the Dramatic Club of the Palmyra Lutheran Church.

The cast of characters follows: Betty Branson, pretty young owner of the Shady Grove Store, Florence Harding.

Susie Crundel, Betty's best friend and nearest neighbor, Mrs. Hayes B. Brady.

Nell Crundel, Susie's sixteen-year-old sister, Carol Bauer.

Mollie Jessup, cook for the Bransons, Mrs. James H. Ingram.

Evalina Scroggs, homeliest girl in the village, Mrs. Harry F. Shaffer.

Charles Atkins, a young visitor in Shady Grove, Dr. Hayes E. Brady.

Randy Stewart, his friend, who sells insurance, Andrew Baker, Jr.

Jim Pritchett, a village character with nothing to do in particular, Thomas Hettel.

Jarvis Sneed, the meanest man in the county and president of the Shady Grove Bank, Stuart Buchholz.

The play was produced by special permission of the copyright owners.

Troop 17, Mt. Holly; Albert Thiel, Troop 5, Palmyra; Joseph Weber, Jr., Troop 12, Mt. Holly; Robert Heisler, John H. Price, L. B. Hollingshead, all of Troop 27, Pemberton. These scouts will be under the direction of Scoutmaster William B. Gibson, who will be the Jamboree Leader. Scoutmaster Harry Schneider, of Troop 27, Pemberton, will be a member of the regional staff at the Jamboree. Scout Executive George A. AMERICAN LEGION

The fifth annual National Aerial Membership Round-up takes place on Sunday, May 2. Planes from all points of the compass will converge on Indianapolis loaded with mail bags filled with membership cards in the American Legion.

U.S. Army pursuit ships, National Guard planes, commercial liners and private craft will participate.

Commander Charles E. Rosendahl, U. S. N., of the Naval Air Station, Lakehurst, N. J., is expected with a Goodyear blimp.

He fired several shots in the general direction of the officers and one of the bullets struck Buvidas under the shoulder as he turned into Market street from Ninth.

Buvidas was a patient at the Jefferson Hospital for several days following the shooting, returning to his home about 10 days ago.

Club Annual Tea

On Monday, April 19, at 2:30, the Garden Department of the Palmyra Woman's Club will hold their annual tea in the club rooms in Society Hall.

Mrs. C. D. Taylor, of Merchantville, speaker of the afternoon, will address the club on "The Lure of the Unusual in Garden Planting."

BANDIT WHO SHOT BUVIDAS RECEIVES PRISON SENTENCE

George Shaw, 19, of Boston, Mass., was sentenced to serve from 10 to 20 years in the Eastern Penitentiary after pleading guilty, last Friday, to holding up a Philadelphia restaurant and shooting Joseph Buvidas, of Palmyra, on March 22.

The affair occurred as Shaw was endeavoring to escape from police who were pursuing him after the cafeteria holdup.

He fired several shots in the general direction of the officers and one of the bullets struck Buvidas under the shoulder as he turned into Market street from Ninth.

Buvidas was a patient at the Jefferson Hospital for several days following the shooting, returning to his home about 10 days ago.

YWCA NOTES

Observing the 20th anniversary of the first meeting held to plan for the organization of a YWCA in Burlington county, the board of directors of the Burlington County Young Women's Christian Association has issued invitations to members of the association to attend a rededication service, to be held at 3 p.m. Monday, April 26, at the Moorestown Field Club.

The first meeting took place April 26, 1917, when a group of representative women met in Mt. Holly, although the actual organization of the YWCA was not completed until later that year. Efforts will be made to have as many as possible of the original group at Monday's meeting.

Attend Regional Conference

The Burlington County YMCA was represented at the Eastern Regional Conference, held in New York City this Monday, Tuesday and Wednesday, by Mrs. John Nelson, of Pemberton, and Miss Katherine Lucchini, county secretary.

Mrs. R. G. Dunn, Sr., and Miss Dorothy B. Sholl, of Burlington, attended Monday's sessions, while representatives at Tuesday's meetings included Mrs. Richard Eckman, county president; Mrs. Norman Haker and Miss Margaret Huff, of Mt. Holly, and Mrs. Carlton Tillinghast, of

No Time For Clemency

The Borough Council of Riverton, at its last meeting, passed a resolution to the effect that public interests would not best be served by granting clemency to Edward Adamski, who is serving a 20 to 30 year sentence in the state prison for his part in the murder of Bradway Brown, of Cinnaminson Township, in 1933. Adamski, who has served about three years of his term, recently applied to the New Jersey State Board of Pardons for release.

The stand taken by Riverton Council in this matter is one which should have the approval of every local citizen.

It is to be hoped that the state board will waste very little time considering the pardon application of an individual who was convicted as a participant in committing such a dastardly crime and who has the colossal nerve to apply for a pardon after serving only a very small portion of his sentence.

Railroads and Prosperity

The tremendous importance of the railroads to the other industries of the nation, is illustrated by statistics detailing their buying during 1936.

In that year, they spent more than \$534,000,000 for materials and supplies, more than \$192,000,000 for new locomotives and cars, and over \$255,000,000 for coal and fuel oil. Their direct purchases thus totaled almost a billion dollars—\$982,204,000, to be exact.

A list of the industries that share in the fruits of this almost inconceivable private spending, would fill many a page. The railroads use about 70,000 separate commodities. They are among the best customers of all the commodity industries—textiles, metals, coal—as well as manufacturing industries. Thus, their influence on employment conditions can hardly be exaggerated. Directly, in normal times, they are the largest single employer in the nation—and indirectly, they provide employment for untold thousands of workers in the industries they patronize.

It can be said without equivocation that few single factors can be more beneficial to the well-being of the nation than a prosperous railroad industry. They are the backbone of commerce—without the service they perform with such amazing efficiency and clarity, business would virtually come to a stop. They are creators of purchasing power, income and wealth. They are tremendous taxpayers—notably to county and state governments. Their salutary social and economic influence is felt in the most remote hamlet, and in every business.

In brief, the cold facts definitely show that prosperity for the railroads—assured and continued, undampened by adverse legislative tendencies—would constitute a great advance toward the goal of prosperity for us all.

MUCH INTEREST IN JUNIOR Y CLUB

Philatelists Learn About Water-Marks and Perforations; Honor Roll Grows

Demonstrations of the proper way to determine the perforation size and to detect watermarks in stamps was a feature of the Friday night meeting of the Y.M.C.A. Junior Stamp Club. The use of cellophane covering was also demonstrated to the keen interest of the boys.

Jack Craig and Frederick Woodward each gave short talks describing their collections, one of the objectives being to encourage ability to speak as well as to understand

the stamps. The Honor Roll of Pages now includes the names of Robert Cooper, John E. Craig, Wilbur F. Crane, 3rd, Charles H. Bailey, Jr., Edward Trautman, Arthur Hoyt, Frederick Woodward, Charles B. Marple, Jr., William W. Howe, Jr. The drive for new members continues with interest of the boys maintained by the prizes offered for the two bringing in the largest numbers. Boys under fifteen who think they might become interested in collecting will be welcome at a meeting on any Friday evening at 7:15 o'clock.

PALMYRA DROPS OPENING COMBAT

Errors Aid Merchantville in 15-2 Win; Local Bats Produce Four Hits

The Palmyra High School diamond luminaries lost the first encounter of the season to Merchantville, on Monday afternoon by the score of 15-2, the affair taking place on the newly conditioned Palmyra Recreation Park field.

The encounter was lined up after the original schedule was announced, being part of a home and home series, the return engagement being slated for April 27.

Bad Start

The fracas was really not so one-sided as the score would appear to indicate, two bad innings for the locals being responsible for 11 invader runs.

Palmyra got off to a bad start in the initial stanza when four miscues and a pair of hits produced six counters for Merchantville. While game, the enemy tallied two in the fourth, five in the fifth and single counters in the seventh and eighth.

DeShields on Mound

DeShields started on the mound for Palmyra and, with the exception of the first inning debacle, for which he was not responsible, did very well until the enemy got his range in the sixth frame. He whiffed 8 of the Merchantville batters and struck out the side in the third and fifth innings.

Gibson relieved DeShields and held the invaders to two runs during his term of duty. The Red and White batters were unable to solve the delivery of Straub, who pitched a nice game and was never in danger.

The locals were able to connect for only four scattered singles and 15 went down via the strikeout route.

CHURCH NEWS

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor
Rev. Dr. T. S. Brock, superintendent of the Trenton District of the New Jersey annual conference, will be the preacher in the Methodist Episcopal Church Sunday morning at eleven o'clock.

"Half and Half" is the title of the evening message to be delivered by the Rev. W. A. Boyd, minister of the church. This service will be one hour long. Come and enjoy that "hymn sing" directed by Mr. Boyd. The surprise feature will be to the delight of all the people. The music by the choir and organist will be attractive.

Wednesday evening at 8 o'clock the mid-week meeting will be in charge of the minister.

Thursday evening the choir will rehearse at 7:45.

The senior choir will have a party in the intermediate room of the School Temple, on Friday evening, April 23, at 8 o'clock. Members are requested to bring a guest with them.

CENTRAL BAPTIST CHURCH

of Riverton and Palmyra
Rev. George Lockett, B.D., Pastor

Sunday, April 18, 1937

10:00 a.m. Bible School.
11:15 a.m. Morning worship. "The Glory of God's House," will be the title of the sermon preached by the Rev. George Lockett. Miss Anne McConnell will sing "How Lovely Are Thy Dwellings," and the choir will render a special anthem.

7:00 p.m. Young People. There has been an average attendance of 30 members at the Young People's meetings this past month. Young people of the church and community are cordially invited to attend. The missionary committee, headed by Doris Hough, will have charge of the program and there will be a guest speaker.

7:45 p.m. The evening song service and worship. After the song service Pastor Lockett will speak on "The Hiding of His Power." A welcome is extended to everyone.

The Junior Philathea Class will give a kitchen cabinet band entertainment Friday evening, April 16, in the Sunday school, at 8:15 o'clock.

CHRISTIAN SCIENCE CHURCH

"Doctrine of Atonement" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 18.
The Golden Text is: "John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world" (John 1:29).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her; and immediately she was made straight, and glorified God" (Luke 13:11-13).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus taught the way of Life by demonstration, that we may understand how this divine Principle heals the sick, casts out error, and triumphs over death. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man" (pp. 25, 26).

RIVERTON P.T.A. MEETS ON MONDAY

The last meeting of the Riverton Parent-Teacher Association will be held on Monday, April 19, at 2:30 p.m., under the leadership of Mrs. Francis S. Elwell. A regular P.T.A. meeting will start at 3:30 p.m. with Miss Edna Young Bond, State Health Chairman at Trenton, as guest speaker. The hospitality committee will serve refreshments after the meeting. Publicity.

WESLEYAN MEN'S BIBLE CLASS

A large number of men attended the class service last Sunday morning including a number of visitors. The Wesleyan double quartette sang several selections, which were well received by those present.

Reading Poinsett expounded upon Nebuchadnezzar's Dream of the Image and Daniel's Interpretation of this Dream.

Mr. Poinsett will continue next Sunday with this interpretation, showing how it clearly and surely points to the culmination of the governments of the present time.

Arrangements are being made for the class banquet which will be held Tuesday evening, April 27. Reservations for tickets closes Friday, April 23rd. The speaker will be Dr. J. G. Bickerton. Tickets 75c each. Come, and bring the ladies, also.

JUNIOR PORCH CLUB ELECTION

At the meeting of the Junior Porch Club held on Tuesday afternoon, the following officers were elected for the current year: President, Mrs. Charles Earp, Jr.; vice president, Miss Irene Sipple; secretary, Miss Olivia Steiner; treasurer, Miss Edith Ridley.

Mrs. E. Newbold Cooper was the guest speaker and told of the many phases of social and welfare work. The members were presented with wool and each will knit a sweater for the Needlework Guild.

A poet mailed an effusion entitled "Why Do I Live," to a literary review.

The editor returned the poem with the following note: "You live because you didn't dare bring it to yourself."—Y. M. C. A., Brooklyn Central.

ERNIE DUSEK TO BATTLE THE CHIEF

Four Members of Riot Squad Will See Action in the Camden Armory

All the records of attendance in the Camden Armory are expected to be broken Thursday night when the Hanly brothers present a special show as their next wrestling attraction. The card will feature the first time anywhere this season, the four durable Duseks and each are lined up against tough opposition.

Ernie, termed the wildcat of the quartet will be seen in the stellar role when he collides with Chief Little Wolf, Navajo Indian, in a fray booked for the distance of one fall to a finish.

Ernie and Wolf are bitter foes and have been for several years and a glance over their record reveals that the standing between them is about even, with the tomahawk totter having the slight edge, if anything.

Irish Jack Kennedy, young Texas mat star, might get his first jolt in the armory since making his debut when he meets Rudy, veteran member of the group, in the semi-final of one fall with a half hour time limit. This is a return match, both wrestling to a 30 minute draw in their first meeting. Joe Dusek is due for a tough match when he mingles with Abe Coleman in the second bout. Wallie Dusek, a cousin of the Bohemians, will make his bow in this area when he clashes with Jack Hader of Kansas City in the first of these star bouts.

An extra bout will start the proceedings and it will show Bernie Kaplan of Philadelphia, clashing with George Lenihan of Boston, in the first half hour fray.

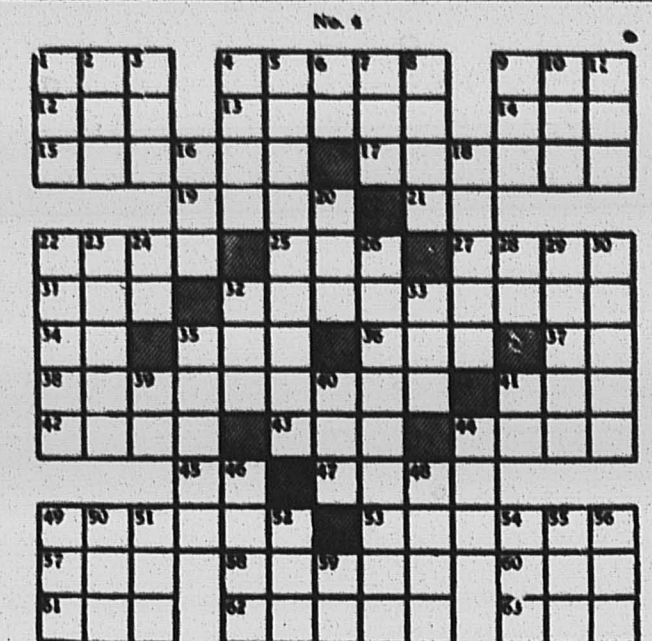

EMPLOYEES FAVOR POWERS' MEASURE

The approval of the United Civil Service Employees has been granted Congressman D. Lane Powers' bill to prohibit discrimination solely because of maximum age against those who wish to enter Federal employ.

E. Claude Babcock, national president of the organization, wrote the Congressman and offered his support and that of his members. Babcock is former president of the American Federation of Government Employees, an A. F. of L. affiliate, and former secretary of the Civil Service Commission. He is a past national commander of the Disabled American Veterans.

a project would be very desirable, and Councilman Flynn was in-
structed to look into the matter and
present a survey of his findings at
the next meeting.

The American Legion, Mr. Lip-
pincott stated, would lend its heart-
iest support if borough council would
initiate such a project.

Councilman Huyett, reporting for
the tree commission, stated that a
number of trees had been cut down,
new ones planted and many trim-
med. He also stated that bad trees
located within property lines would
be removed if such action were re-
quested by the property owners.

Councilman Flynn reported that
the baseball diamond at the munici-
pal park had been re-graded and the
first game was played on Monday.

Thirty-five loads of riprap were
used to build the diamond up to
grade level. W. G. Smith, from the
P.W.A., stated that this organiza-
tion would again like to supervise
the playground activities at the park
during the summer. Mr. Flynn
asked that persons interested in
playing ball communicate with him
for use of the field and that requests
be put in writing.

Water Supply Low

Flynn reported that the water
committee had met with the water
company officials regarding the
water supply at the municipal ave-
nue, which is below that which might be
required to extinguish a fire. E. A.
Hargrett, of the Riverton-Palmyra
Water Company, asked the council
to write a letter asking that the con-
dition be corrected. This, Flynn
stated, had been done.

The building inspector reported
improvements amounting to \$3865
with fees of \$15.

Condition of Broad Street
Councilman Engle reported for
the highway department, stating that
the condition of the south side of
Broad street has caused his depart-
ment more grief than any other part
of the road system. This street from
Cinnaminson avenue to the borough
line, has stubbornly resisted every
attempt at repair. Engle said that
he is investigating the possibility of
amalgam on this stretch of highway
and has learned that the cost of do-
ing this section will approximate
\$4000. Mr. Engle suggested that he
would like to use \$1200 that is now
on hand from the dirt road fund and
amalgam this street until the
\$1200 is exhausted. Engle suggested
that the mayor issue a proclamation
designating May 17 to 22 as clean-up
week and that the highway depart-
ment would cooperate in removing
rubbish at that time.

Bills for Payment

Councilman Buchholz presented
the usual bills for payment which
were passed. The request of the
Palmyra Board of Education for
\$5000 by April 23, was passed by
resolution. Payment of \$500 for
baby bonds and \$42.50 in interest
was also passed. Relief bills
amounting to \$490.66 for the month
of March were ordered paid.
Councilman Mervine, reporting
for the sewer committee, offered an
agreement between the Palmyra
Borough Council and the Pennsylv-
ania Railroad to extend the sewer
under the tracks. The proposed ex-
tension agreement was passed.
On April 19, 8 p.m., a public hear-
ing on the proposed sewer exten-
sion will be held at the firehouse. Fol-
lowing the hearing, the ordinance as
published will be presented for final
reading.

The sanitary inspector reported
fees amounting to \$18 for the is-
suing of permits. The board of
health reported four cases of chicken
pox, two of mumps and two of
whooping cough.

Sewing Project

Miss Kelly and Miss Patterson
petitioned council for the sewing
materials now being used in the
project of the W.P.A. in order
to continue the project in Palmyra.
The government, at this time, is
paying the entire payroll of \$931.20
monthly for the 14 workers, and is
also furnishing materials to the ex-
tent of 7 percent of the monthly
payroll which amounts to \$66.18.
The borough is asked to spend ap-
proximately \$90 monthly for the pro-
ject, \$80 of which should revert to
the borough in the event the State
Financial Assistance Corporation is
given funds by the New Jersey Leg-
islature.

BAKER PITCHES BRILLIANT GAME

Locals Lose Close Contest to
Pemberton by 3 to 1 Count;
Burlington Next

Palmyra High School lost the
second ball game of the season on
Tuesday afternoon, but bowed to
Pemberton only after a bitter strug-
gle, the lads from the eastern end of
the county finally winning by a
3-1 count.

Baker, starting his first contest
for the locals, pitched a nice game
as did Diffebaugh who relieved him,
but a two-run rally by the opposi-
tion in the sixth put the game on ice
for Pemberton.

Hitting Situation

Baseball critics who have seen the
Red and White in action this season
feel that the team will begin to click
as soon as the hitters gets their eyes
on the ball. To date the locals have
barged out only eight hits in two
games.

The third encounter will take place
on Friday afternoon when the charges
of Coach Dimond journey to
Burlington.

MT HOLLY GAME IS POSTPONED

The opening game for Coach Di-
mond's Palmyra High School toppers
scheduled for last Saturday after-
noon, at Mt. Holly, was called off
on account of rain.

According to the revised schedule
the contest will be staged on May 21.

The report of the police depart-
ment included seven traffic viola-
tions, 108 lodgers accommodated, 30
calls answered and 13 ambulance
calls.

Assessor James Hartley suggested
that Palmyra make some move to
communicate with the officials of

INVESTITURE FOR NEW SCOUT TROOP

Ceremony Will Take Place on Friday Evening in Church Parish House

On Friday evening at 8 o'clock, Troop 50, Boy Scouts of America, will officially begin its career in the Christ Church Parish House, Riverton, with the investing of 10 boys to the rank of Tenderfoot Scouts.

The organization is being sponsored by the troop committee, Rev. Francis B. Downs, chairman; Stuart B. Clark, treasurer; A. B. Garwood, J. Gardner Crowell and E. Newbold Cooper.

Earl Windhovel has been chosen an scoutmaster and is ably assisted by Ted Hunn.

Darlington to Be Present

The Chief Scout of Burlington county, George A. Darlington, will be in charge of the impressive investiture ceremony.

The parents of the boys are cordially invited to be present and to give their support to the boys who are trying to do at least one good turn daily and to live according to the high principles taught in Scout-ing.

The new scouts have been working hard to earn money to provide funds for camp and to buy uniforms for the entire troop. Their project at the present time is collecting newspapers and corrugated boxes. Mr. Windhovel states that anyone having papers to dispose of can call Riverton 37 and the scouts will be glad to carry them away.

PALMYRA SCHOOL NOTES

Sixth Grade

Miss Elisabeth C. Hassell's history class is studying about the life in the Middle Ages. Several boys are building a castle while some of the girls are making and dressing dolls as the people dressed at that time. Pupils of Miss Van Sciver's room have completed the study of Europe by coloring maps, locating the principal cities, seaports and rivers. Great interest was shown in learning the exchange of products between the United States and each country of Europe.

Seventh Grade

The children of Miss Vida M. Bortner's class are still in the lead in the "spelling league" being conducted in Arthur Terrell's room. Mr. Terrell's class holds second place.

The class is also starting a new country in geography. In arithmetic the class is starting a new chapter on "Interest."

Many of the seventh grade pupils are entering the Youth Week Amateur Hour.

This week in assembly the seventh grade of Arthur Terrell is to spell against Miss Mary G. Brown's eighth grade.

The members of Mr. Terrell's team are Eleanor Hulse, Placid Nace, Betty Nash, Robert Adler and Emanuel Rothbaum.

The eighth grade has had more experience than the seventh in spelling but that fact does not foretell the outcome.

Student Council members sponsor the spelling matches and the object is to find the best group of spellers in the grammar school. So far, Miss Mary Egan's room is leading.

been made by the borough engineers and that the proposed extension would cost in the neighborhood of \$1200.

In connection with this matter, the sewer committee was instructed to confer with the property owners in the neighborhood and to render a report at the next meeting.

Auditor's Report

William H. Welcker, representative of the Charles S. Rockey & Co., borough auditors, was present at the meeting and gave a resume of the audit of the financial condition. Mr. Welcker stated that the improvement along this line during the past year was even better than usual, and felt that the borough officials had made a very creditable achievement in conducting the affairs of Riverton.

Walter Carson, borough attorney, rendered a report on foreclosure proceedings concerning several properties which had been taken over on tax liens.

Zoning Board

A report was read from the Zoning Board of Adjustment recommending that an exception to the zoning ordinance be made and that a permit be issued to the Porch Club permitting that organization to erect an addition to its building in accordance with the application and plans submitted.

The report was adopted by unanimous vote and the building inspector was authorized to grant the necessary permit.

Councilman Merrill stated that the previous action of the building inspector in originally refusing to grant this permit should not be criticized, because his course was entirely in accordance with the provisions of the zoning ordinance.

No Clemency

Councilman Robert W. Knight proposed a resolution dealing with the pardon application of Edward Adamski, accomplice in the murder of Evelyn Brown. This resolution, which was adopted by a unanimous vote was to the effect that the Riverton Council did not feel that clemency at this time was advisable for public interest.

The building inspector reported that permits had been issued for the construction of a two-car garage at Fourth and Cinnaminson streets on the property of J. C. Clark, and for a greenhouse of 1700 square feet on the property of Walter K. Woolman.

Plans for the Fourth

The chairman of the Fourth of July committee, Mr. Knight, requested that the organization be formed early this year in order to properly handle all necessary details. Mr. Knight was instructed to look into the possibility of cooperating with Palmyra in respect to the festivities of the day.

The following bills were ordered paid:

RIVERTON SCHOOL NOTES

Ledger Exhibit

In the Public Ledger Building in Philadelphia, Sixth and Chestnut streets, in Room 425 there is being held an exhibit of all school arts and handicrafts from April 15 to 30 under the direction of Miss Dixie Lee of the Public Ledger newspaper.

The Riverton Public School is exhibiting the puppets and stage which were made by the pupils for the Christmas entertainment. Paintings on oil-cloth, "The Occupations of New Jersey," which were done by pupils for Social Studies, make a colorful display. "African Scenes," made in cigar boxes with cellophane covers, were different from anything shown. Besides a frieze, "Indian Weaving," there is a sample of finger painting. The various pieces of pottery made in Modeling Club are worthy of recognition.

The school recommends that you see this interesting exhibit.

John Rogers.

Science Fair

Exhibits were taken to Newark April 12 for the State Science Fair being held in the Newark Museum from April 13 to 18. Lester Friday, Stanley Rieley, and Jack McVaugh made projects to represent the Riverton Public School.

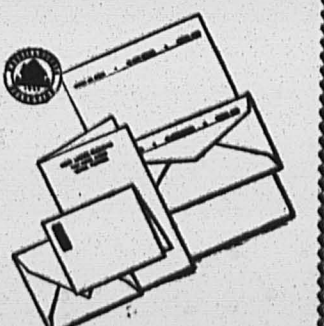

At the fair there are many interesting exhibits such as a collection of snakes, models of modern airports and airplanes, and a miniature New York City with 590 houses, the new Washington bridge, and various means of transportation. Another school displayed a radio made by a high school student. These are but a few of the many science projects shown.

Many would find it interesting to study these exhibits.

REDUCTIONS IN MILK AND CREAM PRICES EFFECTIVE FRIDAY

Effective tomorrow (Friday) a reduction will be made in the price of milk and cream sold in New Jersey.

The cuts, which were ordered by the New Jersey Milk Control Board, amount to one cent on quarts of grade A and B milk, with no change in the price of pints.

Heavy cream will sell for two cents less a half pint, with proportionate reductions on pints and quarts. Light cream will be reduced one cent a half pint.

According to the Control Board, the reduction will place prices on a level with those of April, 1935.

BOROUGH OF RIVERTON : : 1936 AUDIT

The Honorable Mayor and Members of the Borough Council, Riverton, N. J.

We report that we have audited the financial books and accounts of the BOROUGH OF RIVERTON for the year ended December 31, 1936, and submit herein statements and schedules shown in the table of contents which exhibit the financial condition of the Borough as of that date.

SCOPE OF THE AUDIT: The scope of the audit covers the financial transactions of the Tax Collector and Treasurer, Delinquent Tax Collector, Borough Clerk, Building Inspector, Street Superintendent, Board of Health Inspector, Police Recorder and the activities of the Governing Body.

The scope of the audit does not and cannot determine the character of services rendered to the community or the character of the character or quality of the materials supplied for which claims have been passed. These details are necessarily covered by the approvals on such claims.

The accounts were found to be subject to the following comments:
CASH AND BANK ACCOUNT: Total cash book receipts were compared with bank deposit disbursements.
As of December 31, 1936, the cash accounts of the Collector and Treasurer were reconciled with the bank balances which were confirmed to us directly by the Cinnaminson Bank and Trust Co., the depository of the Borough.

RECOMMENDATIONS:
That interest and costs on released tax sale certificates be cancelled by proper resolution.

That the outstanding sewer rents be collected by legal means.

That the amount due from the former recorder be collected.

That the tax overpayment be credited as directed in a preceding paragraph.

That the Bonds for certain officials referred to be provided.

That the balance of dog tax reserve not needed in 1937 be transferred to surplus revenue by proper resolution.

We shall be pleased to assist you to the fullest extent in connection with the recommendations of this report.

CERTIFICATION: It is hereby certified that to the best of our knowledge and belief the within report is a true and correct statement of the financial condition of the Borough of Riverton in the County of Burlington for the year 1936, as shown by the books and records of the said Borough submitted to us, supplemented by personal inquiry and investigation.

Yours very truly,
CHARLES S. ROCKEY & CO.,
WILLIAM H. WELCKER,
Registered Municipal Accountant (N.J.)

Jefferson's Birthday and Its Message

By RAYMOND PITCAIRN

National Chairman
Sentinels of the Republic

"The whole art of government consists in the art of being honest." This is one of the most famous utterances of Thomas Jefferson, author of the Declaration of Independence, third President of the United States, and, in the words of a noted biographer, "the foremost expounder of the rights of man."

As, at this time, an entire nation observes the anniversary of his birthday, many other of his admonitions may well be recalled. Here are a few, whose value is as great today as when in the early days of our Republic, they were first uttered by one of the greatest of our Presidents:

Liberty:
"Liberty is the great parent of science and of virtue; and a nation will be great in both in proportion as it is free."

"Our liberty depends on the freedom of the press, and that cannot be limited without being lost."

The Constitution:
"I wish support from no quarter longer than my object candidly scanned shall merit it; and especially, not longer than I shall vigorously adhere to the Constitution."

Respect for Law:
"Laws made by common consent must not be trampled on by individuals."

The voluntary support of laws, formed by persons of their own choice, distinguishes peculiarly the minds capable of self government."

Individual Enterprise:
"Agriculture, manufactures, commerce and navigation, the four pillars of our prosperity, are the most thriving when left most free to individual enterprise."

Personal Rights:
"It would be a dangerous delusion were a confidence in the men of our choice to allay our fears for the safety of our rights."

Economy in Government:
"A rigid economy of the public contributions, and absolute interdiction of all useless expenses, will go far towards keeping the government honest and unoppressive."

"I think we have more machinery of government than is necessary, too many parasites living on the labor of the industrious!"

The People:
"The will of the people is the only legitimate foundation of any government."

A STROKE OF GENIUS

"How did you make your neighbor keep his hens in his own yard?"
"One night I hid a half-dozen eggs under a bush in my garden, and next day I let him see me gather them. I wasn't bothered after that."—Grit.

More people in the United States have automobiles than telephones. There are approximately 21,500,000 automobiles and 17,425,000 telephones.

France's new law provides vacations for all workers.

NEW food ideas pep up the family's faded appetites at this time of year. And, since every housewife has to plan for meals three times each day, it is helpful to gather new recipes. Suggestions in this article make use of an economical spring meat—lamb. However, if your family has an aversion to this meat combine beef with it in the meat ring. It is bound to appeal to them because it is nice looking and is very delicious. When serving it, pile fresh peas and carrot strips in the center and arrange parsley around the sides.

The mint in your garden has not dared raise its head yet, but keep the recipe for mint dressing in mind when it does appear. Here we suggest serving it chilled on crisp watercress, but you might like to have it hot with the lamb ring.

Baked Lamb Ring
2 lbs. ground
1 cup milk or
1 egg
1 cup bread
2 tbs. minced
onion

2 tbs. minced
1 tbs. minced
green
pepper
2 tbs. minced
parsley
1/2 tsp. salt
1/2 tsp. pepper

Beat egg, add milk and combine with other ingredients and pack into an eight inch ring mold that has been greased. Bake for one hour at 350 degrees. Turn onto a plate, serve with Cape Sauce. Serves eight.

Caper Sauce
4 tbs. butter
3 tbs. flour
1 tsp. salt
1/2 tsp. pepper
1 tsp. lemon juice

Melt half the butter, add flour with seasonings. Add boiling water gradually and cook gently until thick.

ened. Add remaining butter, remove from heat and add capers and lemon juice. Serve hot.

Fresh Mint Dressing
3 tbs. sugar
1/2 cup cold
1/2 cup vinegar
1/2 cup chopped
mint leaves

Combine lemon juice, vinegar and two tablespoons of chopped mint. Simmer until reduced to one-half the original quantity. Add sugar, water and salt. Strain and chill. When thoroughly chilled add remaining mint leaves and serve.

English Apple Pie
3 lbs. tart apples
1/2 cup butter
1/2 cup sugar
2 tbs. lemon
juice
1 cup flour

Pare and slice apples. Mix with sugar. Pack firmly into a pie pan. Sprinkle with lemon juice. Cut butter and brown sugar into the flour until the mixture resembles coarse meal. Spread mixture over apples and press down firmly, especially around the edges of the pan. Bake at 350 degrees for about fifty minutes or until the apples are tender.

Banana-Orange Ice Cream
1 lb. marsh-
mallows
1/2 cup orange
juice
1 tbs. lemon
juice
1/2 cup heavy
cream

Partly melt marshmallows in orange juice over low heat. Remove from heat and beat with egg beater until completely dissolved. Add lemon juice, milk and bananas and beat again until well combined. Fold in the whipped cream. Pour into freezing tray and

Bloom of Garden State Peaches
Attracts Many Orchard Visitors

Excellent 1937 Crop Promised; Industry Revived By Improved Varieties Developed At Experiment Station

By FRED W. JACKSON
New Jersey Department of Agriculture

PEACH trees are in full bloom in south Jersey. The colorful orchards are attracting many visitors. But whether or not peaches will be plentiful next August is really what matters most to New Jersey growers. That depends largely upon what happens these days to the blossoms. Fair, warm weather will mean ample pollination of the flowers by bees and other insects and no laurel an abundant crop. Cold, rainy weather and frost are real hazards to the attractive but delicate bloom.

Each year, at this season, the orchardists watch weather conditions very closely, knowing how they determine the fate of the crop. Already reports have been received stating that winter injury has reduced the prospects of the peach crop in certain southern states.

New Varieties

During the 1937 harvest season, consumers will have an opportunity to enjoy some of the new kinds of peaches which have been developed at the New Jersey Agricultural Experiment Station by Professor M. A. Black. A number of trees of the improved kinds are due to bear heavily in 1937. One of the principal characteristics of the new peaches is the fact that they can be left on the trees to attain full maturity and yet have good shipping quality.

Peaches are one of the most delicate fruits and are difficult to handle when ripe. Consequently, most peaches are picked when green and allowed to ripen in transit. Of course, such a process is not natural ripening but consists merely of a softening of the flesh.

Natural Tree Ripening

Authorities predict that the new varieties will revolutionize the peach industry of the East, principally because of the full flavor and natural maturity attained by ripening on the tree. City consumers will be able to enjoy ripe luscious peaches of full flavor with the melting flesh quality which up to now have been enjoyed only by those residing in the peach growing districts.

The new varieties include Cumberland, a semi-free stone, with white flesh ripening soon after August 1; Jubilee, a free-stone yellow peach ripening with Cumberland; and Bellepeach, which is an outstanding yellow peach of high quality following Jubilee.

COUNTY Y DRIVE
GETS UNDER WAY

Howard G. Taylor, Jr., Chairman
Cinnaminson Committee;
33rd Year of Y

Meetings in five towns of Burlington county this week will launch the annual County YMCA finance campaign to provide operating funds for its thirty-third year. Nearly two hundred men are enlisted as workers, under the general chairmanship of Frank W. Thacher, who has a remarkable record of over thirty years as treasurer of the County YMCA. S. Roger Oliver, of Burlington, is assisting Mr. Thacher in certain county-wide ways in directing the campaign.

In a statement following a recent appraisal of its work over the year, Mr. Oliver points to the reasons why he considers the County YMCA a preferred investment of proven worth.

Investment of Worth

Among the reasons he cites are these: "A wilderness has been transformed into a paradise of 'Acres for Character' for Burlington county girls and boys. Camp Ockanickon and Camp Matollicue give Health, Happiness and High Ideals to hundreds of boys and girls each year.

"The group work program of the County YMCA turns undirected gangs into organized groups for good citizenship. It is cheaper for a county to mold youth, rather than to punish lawbreakers.

"In the wholesome discussions in connection with the meetings of groups, Hi-Y Clubs and Palanx Fraternities, free thinking in the right direction is stimulated."

Mr. Oliver pointed out, "Square boys and not square miles determine the true worth of a community. Modern highway construction costs as much as \$45,000 per mile. The County YMCA could operate for five years on a like amount."

"Education equips a boy to make a better living. The YMCA equips him to live a better life. Millions of dollars are spent for education and only hundreds, in comparison, for direct Christian character development efforts."

Loyal Supporters

Pointing to such men as Howard G. Taylor, Jr., president of the County YMCA; Frank W. Thacher, treasurer; Henry F. Stockwell, president of the board of trustees of Camp Ockanickon; Judge Harold B. Wells, speaker for excellence at YMCA gatherings all over the East; and William Overman, who for so many years headed the work in Burlington county, he makes the comment: "These men, and many others, all of them busy men of Burlington county, have, for years, invested their time and money in your Burlington County YMCA."

It takes funds to conduct these YMCA activities for better citizenship, but better citizenship certainly returns money to the pockets of citizens in less taxes for law enforcement and institutional costs."

PORCH CLUB

A large attendance of club members and three former presidents, Miss Antoinette B. Campbell, Mrs. Reuben F. Corry, and Mrs. Hurray C. Boyer, were present at the charter luncheon held on April 20th.

The club room was artistically decorated with urns of spring flowers. For the afternoon's program, a trio of Junior, Elizabeth Ridley, Elizabeth Hunn and Alice Parrish, sang groups of folk songs, accompanied on the piano by Mrs. Helen Schriber Mueller. An original essay telling of the origin and meaning of the folk songs was read by Irene Sippel. Mrs. Mueller gave three instrumental selections which were executed with fine technique.

REV. C. T. BATES
NAMED MODERATOR

The Rev. Charles T. Bates, pastor of the Riverton Presbyterian Church, was elected moderator of the Presbytery of Monmouth during the spring meeting last week at Matawan. He succeeds the Rev. Robert A. Mark, of Allentown.

The Revs. J. Shuckelford Daury, of Moorestown, and M. R. Campbell, of Lakewood, with George T. Reid, of Mount Holly, and L. T. Davidson, of Matawan, were chosen as commissioners to the general assembly of the Presbyterian Church in Columbus, Ohio.

Mr. Bates was also moderator in 1927.

SEWER PROJECT
GETS APPROVED

Palmyra Council Authorizes Six
Projects to Complete
Local System

The Palmyra Borough Council passed the proposed sanitary sewer extension project at an adjourned meeting held in the firehouse Monday night, by a vote of five to one. Councilman Buchholz being the only member to record a negative vote. The meeting was called at 8 o'clock and all citizens present were given an opportunity by Mayor Ward to express their views on the subject. The vote was taken at 10:30 p.m. Immediate negotiations are being made with the borough engineers and the WPA officials to secure materials in order that a quick start may be made.

Six WPA Projects
The work involves six WPA projects which, all told, will provide the extension to the unsewered sections of the borough, and will include enlargement and improvement to the present disposal plant.

Everything that could be done in order to facilitate the work up to the point of the final passage of the ordinance has been done.

The right of way to extend the mains under the Pennsylvania Railroad property has been secured. No definite date has been given when work will actually commence.

WESLEYAN MEN'S
BIBLE CLASS

The Wesleyan Men's Bible Class is preparing for its annual banquet to be held Tuesday evening, April 27th, at 6:30, in the gymnasium of the Epworth M. E. Church, Palmyra. This banquet promises to be the best yet, both in eats and entertainment.

Dr. J. G. Bickerton is to be the main speaker of the evening, and a number of other features have been arranged for the enjoyment of the guests.

All members of the class and their friends are welcome to attend, and be sure to bring the ladies.

Tickets are seventy-five cents and the number is limited. Be sure to obtain yours as soon as possible.

Next Sunday, Reading Pointsett will talk on the 5th chapter of Daniel, dealing with the fall of the Babylonian Kingdom and its relation to prophecy. Services 9:50 a.m. All men are welcome.

PALMYRA A. O. M. P.

Palmyra Assembly held its regular meeting on Tuesday night. A delegation from Enterprise Assembly, of Philadelphia, was present. The ladies' night committee reported that a very successful ladies' night was held on Wednesday, April 14.

The bowling season is nearing the end, and this year the members of the teams will hold a banquet in May.

After the meeting all members participated in "arto-socko."

Action is the prayer that's always answered.—Elbert Hubbard.

TOBISH ACQUITTED
IN FRAUD TRIAL

Found Not Guilty by Jury After
Five Hour Deliberation
Monday Afternoon

Theodore Tobish, Trenton road tar broker, was found not guilty Monday evening, on charges of obtaining money under false pretenses, the trial having been conducted in the Quarter Sessions Court, Mount Holly, Judge Frank A. Hendrickson presiding.

The case went to the jury at about five o'clock and the verdict was returned at 10 p.m.

With the acquittal of Tobish, it is expected that attorneys for Charles R. Stout and others indicted by the grand jury in connection with the alleged malfeasance, will move to have the indictments quashed.

FEDERAL GRANT
IS REQUESTED FOR
NEW ALMSHOUSE

At a meeting last Friday, the Burlington County Board of Freeholders unanimously approved an application for a \$350,000 Federal grant to build a new almshouse at New Lisbon.

Although this sum was named in the application, the members of the board wish to state that this does not mean that such an amount will be used for construction.

According to Colonel Hugh A. Kelly, architect, the Federal government will not make the board spend the entire amount requested, but he stated that it would be easier to make a decrease than to increase it to conform to needs.

All members went on record as being in agreement that the cost should be reduced as much as possible and, toward this end, a conference was held with William J. Ellis, state commissioner of institutions and agencies, on Wednesday morning.

Under existing P.W.A. provisions, 45 per cent. of the cost would be borne by the Federal government.

Daylight Saving Arrives

Sunday will usher in the annual advent of daylight saving, the boon of suburbanites and the bane of most agriculturists.

The extra hour during the evening will afford more time for work in the garden, tennis, baseball and numerous other activities. Don't, however, forget to set your

PLANS COMPLETE
FOR YOUTH WEEK

Program Opens Saturday when
Young Rulers Take Charge
in Two Boroughs

The annual observance of Youth Week will begin on Saturday, April 24, at 2 p.m., when students of Palmyra High School will assume for a brief period, all the municipal offices in Palmyra and Riverton.

This event will be one of many which have been planned for the enjoyment of the younger generation during the period April 24 to May 2.

Borough Officials

The borough officials in Palmyra and Riverton were chosen in an election held last week at the high school.

They will be given instructions regarding their respective offices by the members of the regular governing bodies who will assemble at the council chambers in both communities under the direction of Mayor John F. Ward, of Palmyra, and Mayor H. McIlvain Biddle, of Riverton.

Elected in Palmyra

Those elected in Palmyra are as follows: mayor, Joseph Horner; chief of police, James Henson; fire chief, William Koski; members of council, William McDermott, John Pfeiffer, Marjorie Koenig, Dorothy Mays, Joseph Grant, Howard Bacon, Robert Mallory; clerk, Nancy Men-to; assessor, Howard Lippincott; collector, William Whittmeyer; recorder, Margaret Dunbar; director of welfare, Jane Rutherford; supervisor of disposal plant, Jack Shea.

To Serve in Riverton

The Riverton officials will be: mayor, Frank Davidson; chief of police, George Winner; fire chief, William Wolfshmidt; members of council, William Good, Donald Clement, Alfred DiMuro, Dorothy Wolcott, Virginia Wheeler, Gerry Michener; clerk, Ethel Clark; assessor, Harold Reynolds; collector, Robert McCurdy.

Airplane Stunt

At three o'clock on Saturday afternoon, there will be airplane stunting over Memorial Park, Riverton. All boys and girls are especially invited to this affair as there will be numerous prize awards.

The feature of the program for Monday will be Amateur Night in the auditorium of the Palmyra High School, at 8 o'clock. Students from the various schools will present a variety program under the supervision of the Student Council of the (continued on page 9)

MRS. F. B. ELWELL LEADS PTA GROUP

Choses Topic "Seeing Ourselves as Our Children See Us."
Miss Bond Speaks

Mrs. Francis B. Elwell chose the topic "Seeing Ourselves as Our Children See Us" for discussion at the Child Study group held in the Riverton public school on Monday afternoon. Mrs. Elwell was assisted in the different phases of the subject as found in the current National Parent-Teacher Magazine and taken from the radio program "Raising Your Parents" by Mrs. Charles Yost. Mrs. Harry L. Rogers and Mrs. J. Gardiner Crowell. The problems most frequently submitted by children were: the necessity of entertaining younger children who are not cooperative, the parents who break promises, and the weekly allowance. After a very interesting discussion by the members, Mrs. Elwell read papers written by pupils on "What I Expect of My Parents" and "What I Expect of My Teacher."

Regular Meeting

A regular P.T.A. meeting followed with Mrs. H. P. Orlmann, Jr., presiding. Miss Edna Young Bond, State health chairman, traced the development of the first kindergarten to the present progressive school system. The routine and environment of home life were studied and an effort made to lessen the gap between home and regular school routine.

Miss Bond said that it has been demonstrated in the modern system that knowledge should come from within children rather than be poured into them and that play itself is not a virtue, but may develop virtue in the player. In regard to character Miss Bond stated that this quality comes from within but must be nurtured from without, that hard work in play develops character and that it is the duty of parents and teachers to make it possible for boys and girls to do the right thing. A plant was awarded to Mrs. Bush's class for the highest percentage of mothers attending the meeting, and Mrs. G. Harold Baker's committee served tea and cookies. Publicity.

MEMBERS OF PORCH CLUB PLAN TO VISIT MORRIS ARBORETUM

Members of the Porch Club, under the direction of the Garden Section of that organization, will visit the Morris Arboretum, at Chestnut Hill, on Thursday, May 6.

Those wishing to make the trip are requested to meet at the Porch Club at 12:45 p.m. Please notify Mrs. C. W. Rodman, phone Riverton 1153, whether you can take a car or desire transportation.

OBITUARIES

CHESTER K. GOODWIN

Chester K. Goodwin, 48, of 3347 Holman avenue, Delair, died at his late residence last Saturday, April 17th.

Funeral services were held Tuesday afternoon at 2 o'clock from the Snover Funeral Home, the Rev. Harold L. Crease officiating. Interment was made in Arlington Cemetery, Camden.

Mr. Goodwin is survived by his wife, Emma, and four children, Richard, Frank, Chester, Jr., and Margaret, all of Delair.

EMIL H. SEIFERT

Emil H. Seifert, 74, of 909 Columbia avenue, Palmyra, died at his home Tuesday morning, April 20. Funeral services will be held Friday afternoon at 2:30 o'clock from his late residence, the Rev. William A. Boyd officiating. Friends may call Thursday evening.

Interment will be made in Odd Fellows Cemetery, Burlington, under the direction of Frank A. Snover. The deceased is survived by his widow, Ann (nee Loesch).

Mr. Seifert was employed at the Keystone Watch Case Corporation, Riverside, for a number of years.

BENEFIT BRIDGE TUESDAY, APRIL 27

Next Tuesday, April 27, the Riverton Branch of the Needlework Guild will give a benefit bridge in the Riverton Porch Club. The admission will be fifty cents per player and there will be attractive door prizes.

It is exceedingly important that the local branch raise a substantial sum for the purchase of garments, and here is an opportunity to make your contribution and enjoy a delightful afternoon at the same time. Directors are urged to notify their contributing members and make up tables among their friends.

Make your reservations through Mrs. William G. Porter. Remember, two o'clock, Tuesday, April 27, at the Porch Club.

ENGAGED

Mr. and Mrs. Harold Evans, of Germantown, Pa., announce the engagement of their daughter, Sylvia Hathaway Evans, to Joseph H. Taylor, son of Mr. and Mrs. Howard G. Taylor, Jr., of Riverton.

Miss Evans, who is a graduate of the Germantown Friends' School and is now completing her senior year at Bryn Mawr College, is planning to teach next year in the Brearley School in New York City.

Mr. Taylor, a graduate of Moorestown Friends' School and Haverford College, is now teaching at the Moorestown Friends' School and expects to go to the Germantown Friends' School next year to teach mathematics. No date has been set for the wedding.

SOFT BALL TEAMS READY FOR ACTION

Managers, Players and Officials of Loop Urged to Attend Meeting May 3

Joseph Yearly, president of the Softball League, reports that practically all plans have been completed for the opening of the 1937 season on Monday, May 10, but that a final meeting will be held on May 3 to iron out a few remaining details.

All players, managers and league officials are urged to attend this important session.

Schedule Out Soon

William Schopp, who has charge of the schedule, announces that playing dates will be released in the near future.

The grounds committee reports that the two diamonds have been placed in condition for the season, and that rubber home plates have been installed.

The staff of umpires includes the following arbitrators: Chief umpire, Edson Carhart; assistants, Rotenbury, Welsh, Johnson, Alloway and Richman.

TRANSPLANTING SHADE TREES

Ordinarily one saves both time and money by buying young, nursery-grown shade trees. There are cases, however, in which this general statement may not be true. One such case is where a property owner wishes to move a young tree from one part of his lawn to another. Another exception is to be found on many farms in New Jersey, where there are numerous young trees of desirable species in the farm woods and along fence rows, and where the nearest source of nursery grown trees is many miles distant. Under such conditions the would-be planter may logically consider using the trees on his property.

It is not an easy matter to successfully transplant young trees that have grown wild in the fields and woods. Before attempting the transplanting of wild trees, it would pay one to get the best advice one can regarding the procedure to follow. For information see your county agricultural agent, Charles A. Thompson, Mt. Holly, N. J.

Youth Week

The annual observance of Youth Week begins on Saturday, April 24, and the members of the joint committee from Riverton and Palmyra have arranged an elaborate program of events for the benefit of the young folks of our communities.

Those in charge of the affair deserve the commendation of all local citizens for the time and thought they have given in preparation for this observance.

Clean fun and recreation are essential for the welfare of our nation, and such occasions as Youth Week are especially helpful in furthering this cause.

Clean Up Now

You can see signs of spring fever almost everywhere. Farmers are plowing and sowing their fields. Suburbanites are planting their gardens. Housewives are cleaning and revamping homes. Communities are starting improvement projects.

Winter is apt to be a time of general neglect—partly because of severe weather and partly because of the press of other matters in that busy season. Vacant lots, yards and even streets become unsightly. Now is the time for a thorough spring cleaning, extending through the community, in the interest of health, safety and civic progress.

When a movement to paint up, clean up and beautify sweeps a community, it leaves in its wake a healthier, happier town. From the standpoint of fire safety alone, the movement pays big dividends—as records show, many a disastrous fire has been caused by rubbish and litter. Drop a cigarette or a cigar butt into an accumulation of trash and a conflagration may follow—furthermore, piled rubbish is always susceptible to spontaneous ignition.

Carry out the clean-up campaign by carefully burning all trash in incinerators and under close supervision. Every citizen and every business will benefit—socially and economically.

Don't let the Clean-up Campaign end this week, make it your business EVERY WEEK.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

It is now time to start setting out plants in the open ground, for the earlier they are planted the better it is for the succeeding crop of flowers. Perennials moved in April do better than those that are left for planting in May.

Lilies often do well when planted in the spring, but they should be put into the ground early so that they will become rooted before hot weather. Unless bulbs are purchased directly from the grower and freshly dug, examine them carefully to be sure they are plump and sound. A bulb with dry scales is almost sure to decay. There is no cause for alarm if the bulb has started to grow, however, provided the scales are good and plump. It is possible to move lilies successfully in full growth if the roots are not allowed to dry.

Dahlias and Gladioli

Gladioli and even dahlias may also be planted in the open ground now. Just a word of caution about planting dahlias now, however. Keep them well pruned until the middle of July, for if they are allowed to make a heavy top growth early in the season the plantings will be

small and of little value. Most gardeners like to leave dahlias planting until the first of June.

If your garden plan includes summer bulbs, such as montbretias or tritonas, tigridias and zephyranthes, order them immediately and plant them as soon as received. All of these plants resent being kept out of the ground in a dry condition for too long a time. The cold ground will not damage them and they will become plump and start growth as soon as the soil is warm enough.

After May 1, the ground begins to dry out, and unless seed plantings are completed as soon as possible there is danger of losing some of the plantings. Zinnias, dahlias, and other large seeds can be kept for a while longer before sowing, but all plants with hard-coated seeds and the hardy and half-hardy annuals and perennials should be put in the ground immediately.

Controlling Gladiolus Thrips

In past years many gardeners have not planted gladioli because of the prevalence of thrips, but recent experiments have pointed the way to control of these pests, and this flower may soon regain its old popularity.

If gladiolus bulbs are treated before planting with a corrosive sublimate solution there is little danger of thrip infestation until late summer. Best results are obtained if the treated gladiolus bulbs are planted early—before June 1. Make a corrosive sublimate solution at the rate of one ounce of corrosive subli-

SECOND VICTORY FOR PALMYRA HI

Camden Catholic Bows 9-5 as Red and White Displays Hitting Power

Palmyra High made it two in a row by pounding out a 9-5 win over Camden Catholic, on Tuesday afternoon, the game which was played at the Farnham Park Athletic Field being the initial contest of the season for the opposition.

Gibson started on the hill for the locals and was relieved in the fourth by DeShields, who throttled the Camdenites for the remainder of the contest.

Palmyra Shows Power

Palmyra showed distinct evidence of newly acquired hitting strength by collecting nine bingles, one of these being a three-master by Rothbaum, who has been shifted to left field now that Captain Shea is back at the initial sack.

The charges of Coach Dimond have showed tremendous improvement since the first games with Merchantville and Pemberton and are out to contribute the first league defeat of the season to Moorestown when the two teams meet on the latter's field, Friday afternoon.

SOMETHING NEW AT CARD PARTY

Father Thompson, of the Sacred Heart parish, is heading a committee that will put on a large card party for the benefit of the parish on Friday evening, May 7th, at the Parochial school hall.

Women's and men's organizations in the parish are concentrating their efforts to help make this a huge success from every standpoint. Several separate committees are now soliciting prizes, and Father Thompson says he has a pleasing innovation that will be introduced in addition to the regular games of bridge, pinocle, etc.

mate to eight gallons of water and soak the corms for at least one hour. They may be left in the solution overnight without injury.

Solution Poisonous

Corrosive sublimate (bichloride of mercury) is poisonous and should be handled with great caution. Circular No. 333 of the New Jersey Agricultural Experiment Station, which discusses this treatment in detail, is free to residents of New Jersey.

Some of the newer gladiolus varieties are excellent. Among them are Picardy, Maid of Orleans, Pitzer's Triumph, Red Phipps, Red Lory, Albattross, Marmora, Emile Autrum, Loyalty and Golden Dream. The last two are yellows, well worth planting for variety.

RIVERTON

Mrs. J. J. Siddall, of Lippincott avenue, entertained her three nieces for several days last week. They were Miss Florence Jenkins, of Lynn, Mass., Miss Elizabeth Jenkins, of Newtonville, Mass., and Miss Doris Nicholson, of Brookline, Mass.

Yesterday (Wednesday) the Misses Coale, of Riverton, entertained the board of managers of the Cinnaminson Home for luncheon and a whole day session in preparation for the annual Cinnaminson Home Fete on May 15th. It was an old fashioned sewing bee, but there is nothing old fashioned about sewing. The newest and loveliest possible luncheon sets have been especially designed and will be on sale at the fete.

Mr. and Mrs. Richard Milton Hollingshead, of Linden avenue, have returned to their home after spending the winter at The Warwick, in Philadelphia.

Mr. and Mrs. Ernest Chew entertained a number of friends at dinner Saturday.

Mr. and Mrs. C. C. Miller have returned to their home on Lippincott avenue after spending several weeks in Asheville, North Carolina.

Mr. George Siddall, of Linden avenue, was the winner this week in the stock club run by Mrs. Lewis Bell.

Mrs. George Lutz and family and Mrs. Walter Sippel, of Thomas avenue, who have been spending the winter in Florida, have returned to their homes. Mr. Sippel and daughter, Grace, drove to Florida two weeks ago and Mrs. Sippel motored back with them.

Mr. and Mrs. Charles Perkins, of Frankford, spent the weekend with Mr. and Mrs. Robert Hullings.

PALMYRA

The winners of the Sacred Heart PTA blanket club last week were Mrs. A. E. Conlow and Mrs. McGovern.

The P. O. of A. card party was held at the home of Miss Florence Saar last evening.

About thirty-five members and friends attended the luncheon last Thursday given for the benefit of the Flower Fund of the Philaetha Class of Central Baptist Church.

The Girl Scout Troop of the Methodist Church will hold a rummage sale at 217 West Broad street, on May 7 and 8. Anyone wishing to contribute to the sale may call Riverton 551-J.

The regular monthly meeting of the Philaetha Class of Central Baptist Church will be held at the home of Mrs. Edward King, of Highland avenue, next Thursday at 2:30 p.m.

Thirty-three friends of Gene Horter gathered at his home, 824 Columbia avenue, last Thursday evening for the occasion being a party in honor of his 11th birthday. Numerous games were played and prizes awarded to the winners who were the following: Jane Foster, Robert Latch, Lawrence McCay, Virginia Wright, Laura Young, Melvin Harrison, Harry Ward and Frank Weigand.

PALMYRA TRIMS BURLINGTON HIGH

Diffenbaugh Sets Enemy Down With Single Hit, Fans Eleven Batters

Palmyra crashed into the win column last Friday afternoon when Coach Dimond's tossers applied the whitewash brush to Burlington High School, the Red and White getting a 5-0 decision.

Diffenbaugh was on the hill for the locals and turned in a brilliant exhibition, giving the opposition only a single hit. He whiffed 11 Burlington batters and walked one.

SAFEST DRIVER

George A. Metz, a Public Service bus driver employed in Camden, shares with Theodore Edwards of the Indianapolis Railway Company, the honor of being the country's safest bus driver in the field of city operation. The contest was conducted by the magazine "Bus Transportation" to find the country's outstanding bus driver based on number of miles of operation without accident.

All of the leading bus companies in the United States entered drivers in the contest which was to determine the men with the best records of safe operation. Solid gold watches were awarded to the two winners in the city contests.

Metz, who is fifty-two years old, has a safety record extending over a period of nearly fourteen years during which he has driven a bus on city streets a distance of 372,120 miles without a single accident. He is now operating a bus on the Westfield avenue route in Camden. He learned to drive a bus in July 1923, and has been at this work ever since.

When asked to what he attributed his success in avoiding accidents Metz declared: "Common sense and good judgment will take you a long way."

Dr. A. W. Guild, of Chicago, says the brain's thinking power is sometimes increased by the extra blood given it as the result of stimulants.

RADIO GARDEN CLUB PROGRAM

"Watchful Gardening," a county agent's visit with an amateur gardener, in which he points out control measures for plant pests and diseases, is the title of the talk to be given by Roy Bossolt, assistant agricultural agent of Bergen County, on the Radio Garden Club program to be broadcast by the Agricultural Extension Service, Rutgers University, on Friday, April 23. Mr. Bossolt will speak over Station WOR and other stations of the Mutual Broadcasting System at 3:15 p.m., and the program will be a presentation of the Federation of Garden Clubs of Bergen County.

On Tuesday, April 27, at the same hour, Helen M. Tillinghast, gourd specialist, of Vernon, Connecticut, will speak on "Ornamental Gourds," their planting and cultivation.

A radio Garden Club program is broadcast every Tuesday and Friday afternoon for a 15-minute period, and the guest speakers are eminent horticulturists and garden experts. Co-sponsors of the Agricultural Extension Service in presenting these programs are the Brooklyn Botanic Garden, the Garden Club of New Jersey, the Federated Garden Clubs of New York State, Inc., the New York Botanical Garden, and the Federation of Garden Clubs of Bergen County, N. PENN RELAYS TO START ON FRIDAY

Palmyra High School to Enter Teams in Several Events, Competition Keen

The Penn Relays, Eastern track classic, will get under way tomorrow and Coach Kreps, Palmyra H. S. track team mentor, has entered his best sprinters in several events.

On Friday afternoon at 3:45 o'clock, the Red and White team, composed of Seemuller, Ransom, Morgenstern and Durgin, will compete in the Philadelphia Suburban One Mile Championship Relay.

Thirteen Entries

There will be stiff competition in this event with thirteen entries as follows: Haddonfield, Collingswood, Riverside, Haddon Heights, Merchantville, Moorestown, Paulsboro, Camden, Woodbury, Camden Vocational, Lansdale and Ambler, Pa.

On Saturday at 12:40, the same team will run in Event 34, which is one of the sections of the High School Mile Relay.

There are fourteen entries in this race with Riverside the only nearby competitor of the Palmyra runners.

DUSEK TO CLASH WITH JOE COX

Leader of Riot Squad Hopes to Settle Feud With Kansas City Wrestler

Fresh from his victory over Chief Little Wolf, Ernie Dusek, leader of the four Duseks, will next meet an arch rival in Dynamite Joe Cox of Kansas City, in the feature bout of Tawin City Athletic Club wrestling bill at the Camden Armory on Thursday night. The scrap is down for a 90 minute limit, with best two out of three falls to decide the contest.

Ernie and the "dynamiter" have been at odds for several years and in pairing them again, the Hanlys are once again bringing to light this feud which is still unsettled.

N. J. HAS NEW
LOW IN INFANT
DEATH RATE

Last year New Jersey attained its lowest infant mortality rate, since vital statistics have been compiled by the State Department of Health. The death rate of infants under one year of age in 1936 was 44 per each 1000 babies born alive, Dr. J. Lynn Mahaffey, State Health Director, revealed. In 1935 the infant mortality rate was 46.1.

As a result of more scientific care in births the number of deaths of mothers also dropped, it was pointed out, the total for last year being 202, or 3.7 per cent of each 1000 babies born. In 1935 the mortality rate of mothers was 4.5 per cent.

"Well, dad," said Jimmy at the breakfast table, "I've done my good turn for the day." "What?" exclaimed his father. "You've been very quick about it. What did you do?" "It was easy," exclaimed the boy. "I saw old Mr. Brown going for the seven-twenty train, and he was afraid he would miss it, so I let our dog loose, and Mr. Brown got to the station in time."—Clipped.

PREPARE CAR FOR
SUMMER DRIVING

Change Motor Oil and Apply New Lubricants, Check All Equipment

Winter is always hard on a car. Often it must be left standing for hours in the cold. Frost, snow, and dirt are part of its winter diet. In order to put the car into shape for the most pleasurable spring and summer driving, several things should be done.

The radiator should be drained and flushed in order to insure a clear flow of water through the cooling system. Motor oil should be changed and new lubricant applied all around. The carburetor and fuel system ought to be checked carefully for warmer weather. Brakes should be tested, and particular care should be given to the steering apparatus. In most cases, simple adjustments will be all that is required to put them in perfect running order. The importance of brakes and steering gear, however, makes it mandatory that they be checked before being subjected to any hard driving.

Good Tires

Good tires are among the most important equipment of an automobile, for considerations of both safety and comfort in driving. All tools and emergency equipment should be checked carefully. All lights should be tested, and headlamp beams properly adjusted. New windshield wiper blades are inexpensive, and old blades should be replaced if worn after a hard winter's use. The body of the car should be thoroughly cleaned and polished to revive the beauty of its luster.

A motor tune-up is one of the best precautionary measures that the motorist can take in the spring. The battery should be checked carefully, and the generator charging rate adjusted for long-distance running at good speeds. Shock absorbers may also need adjusting, and a thorough

FOOD FACTS

Do You Know That:

An appetizing sauce condiment can be made with prepared horseradish and sour cream in 50-50 proportions.

Of 148 remedies for night blindness listed in a Chinese herbal compiled in 1597, at least 85 have proven to be rich in vitamin A!

Three ounces of butter and one pint of fresh milk furnish more than 5000 vitamin A units, the daily-dose age recommended to aid in warding off colds.

On commercial poultry farms, fresh eggs are collected from the nests three or four times each day to insure freshness and quality.

Domestic science studies disclose that the average housewife walks about five miles daily in performing her household duties.

Tomato juice continued in 1936 as America's fastest growing beverage, registering a 50 per cent increase over the 1935 pack.

In terms of quality the kinds of salmon are ranked as follows: (1) chinook, (2) sockeye or red, (3) coho or medium red, (4) pink and (5) chum.

A pigment called carotin imparts the yellow color to milk and cream. These "food facts" are compiled by the Division of Consumer Information, New Jersey State Department of Agriculture.

Numerically, barber shops lead the country's small "service establishments."

greasing of the chassis will add much to the pleasure of driving.

Check Fan Belt

The fan belt, which is not called upon to carry much of a load during routine city driving, should be checked and adjusted to function properly on longer and faster runs. Body bolts, door hinges, and latches must be oiled and tightened to eliminate the squeaks and rattles that sometimes develop during the rough winter season.

These are a few suggestions to drivers who soon feel the call of the open road. If they are followed, the motorist will find his spring driving much pleasanter.

SOCIAL WORKER'S
MONTHLY REPORT

Riverton - Cinnaminson Board
Hears of Measures to Aid
Juvenile Offenders

I recently attended the conference organized by the Social Workers' Club of South Jersey, at Vineland, and was particularly interested in the talks of Dr. Edgar A. Doll, of the Training School, in charge of research, and of Judge S. Rusling Leap, of Cumberland County. Dr. Doll is doing interesting work in studying causes of mental deficiency—these are, in the greatest proportion inherited, and next in number are those due to birth injury—the latter are about ten per cent of the total. Judge Leap gave interesting case studies to indicate his success in using the "classification" method in his court. Whenever there appears to be the slightest question as to a defendant's case he has complete physical and psychological tests made, and in some cases psychiatric as well. This has been particularly effective in juvenile court cases and has saved the commitment of many boys to Jamesburg, when what was needed was correction of house conditions or other environmental changes. Judge Leap's enlightened viewpoint which looks upon corrective measures, not punishment, as the chief function of the law, is a most hopeful indication of what all social workers vision for the future.

Another field of preventive as well as corrective work which Dr. A. J. Caselman of the U. S. Public Health Service represented in the Bureau of Venereal Disease. There is a definite effort being made to provide a clinic nearby so that the difficulties of getting patients to Mount Holly may be met.

I want to mention the cooperation of Chief of Police William Gootee and his tactful handling of a commitment problem in which I required his help.

The work in March proved interesting and varied. There were 75 active cases carried over, with 11 new and five reopened. However, these had been cases which some occasional help, not which have been successful. The case load carried on April 1st is 62.

The Work Relief Project stopped last week we find that practically all of the men have found work either on the farms or in industry. At the present moment only those who are sick or aged are receiving material help.

OBITUARIES

ELI W. BROWN

Eli W. Brown, 79, of 407 Thomas
avenue, Riverton, died at his home
suddenly Wednesday morning from
a heart attack.

Mr. Brown was born on the old
Hubbs farm in Palmyra and has
spent all of his years in this vicinity.
In his youth he learned the trade of
stone mason with George Eval and
later entered the business for him-
self.

Mrs. Brown was before her mar-
riage, Emma L. Clelland, sister of
Robert H. Clelland. Before coming
to Riverton Mrs. Brown lived at
Dallas, Luzerne County, Pa.

The Browns were married in the
parsonage of the old Fairview Chris-
tian Church by the Rev. E. F. Par-
vin on August 21, 1881.

Mr. and Mrs. Brown had five
children, four boys and one girl:
Harold, Palmyra, both deceased,
Robert, of Palmyra, Eli, who lives
at home, and Mrs. Lee van Buskirk,
who lives in Canadensis, Pa.

Mr. and Mrs. Brown celebrated
their fiftieth anniversary on August
21, 1931.

Mr. Brown built the P. O. S. of A.
Building on the corner of Broad and
Main streets, Riverton.

Funeral services will be held at
his late residence Saturday after-
noon at 2 o'clock, and interment
will be made in Morgan cemetery,
under the direction of Frank A.
Snover.

Friends may call Friday evening.

GEORGE H. WONFOR

George H. Wonfor, son of Mr.
and Mrs. George A. Wonfor, of Pal-
myra, died in the Lima Hospital,
Lima, Ohio, last Friday, suffering
from a stomach ailment.

Mr. Wonfor was head of one of
the largest photographic concerns
in Lima. He started the business six
years ago after serving a year in the
aerial photographic corps of the U.
S. Army.

He was the third generation of the
Wonfor family in this line of work,
his grandfather, George H. Wonfor
conducting a photographic studio in
Camden about forty years ago.

Mr. Wonfor was born in Wild-
wood and was educated in Camden
and Palmyra schools. He left Pal-
myra high school to enter business
with his father in Camden.

The body was brought east for
burial in Harleigh cemetery, Cam-
den.

Beside his parents, Mr. Wonfor
is survived by his wife and daughter,
Maralyn Ann, 15 months, and a
younger sister, who is supervisor at
Christ Hospital in Jersey City.

many and varied and include almost
every type of competition possible
on a bike. Prizes will be awarded.

Those in charge of the meet state
that ownership of a bicycle is not
necessary for entrance, but those
having wheels are urged to bring
their own.

Baseball Trip
Friday afternoon has been re-
served for the baseball trip to Phi-
ladelphia to see a big league game,
but details regarding this phase of
the program have not been definitely
decided upon, and it is possible that
the trip may be made on Thursday.
Further details will be announced
later.

A boat trip to Wilmington has
been planned for Saturday morning,
and those desiring to sail the Dela-
ware are requested to meet at the
Y building at 8 o'clock. Transporta-
tion to Philadelphia will be pro-
vided by a special bus.

Other trips of interest are being
planned and these will start at 10
a.m. from the YMCA building. The
full schedule will be released in the
near future.

Youth Week Dance
The Youth Week Dance will be
held on Saturday evening in the
auditorium of the Riverton public
school at 8 o'clock. Miss Eleanor
Williams has charge of this event,
and has engaged a popular swing
band for the occasion.

Sunday Service
The program will be brought to
a conclusion on Sunday at 4 p.m.
when special Youth Week Services
will be held in Christ Church, Epis-
copal, Riverton, the Rev. Francis B.
Downs officiating.

Rev. Downs is also chairman of
the Sunday service committee.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

Beginning this Sunday morning the worship service will be one hour long. "The Shadow of the Almighty" is the title of the sermon by the Rev. W. A. Boyd at the Sunday morning service at 11 o'clock. Music will be supplied by the Senior and Junior Choirs, with Mrs. Rachel Lord at the organ.

The evening worship will begin at 7:45. "Daylight Saving—What Are You Going to Do With It?" This is the title of a very interesting message by the minister. The Epworth Mixed Quartet will sing, as will the Chorus Choir. Mr. Boyd will have charge of the Hymn Sing. This service will also be one hour long.

On Wednesday evening at eight o'clock, the mid-week church meeting is conducted by the minister. Interesting topics are presented and discussed by both pastor and congregation. Everyone is invited to this service.

A very important meeting of the nominating committee will be held in the Guild room, Monday evening at eight o'clock sharp. All members of the committee will please be present. This is the Quarterly Conference committee appointed to nominate all church officers for the coming year.

CHRISTIAN SCIENCE CHURCH

"Probation After Death" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 25.

The Golden Text is: "I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors; and their works do follow them." (Revelations 14:13).

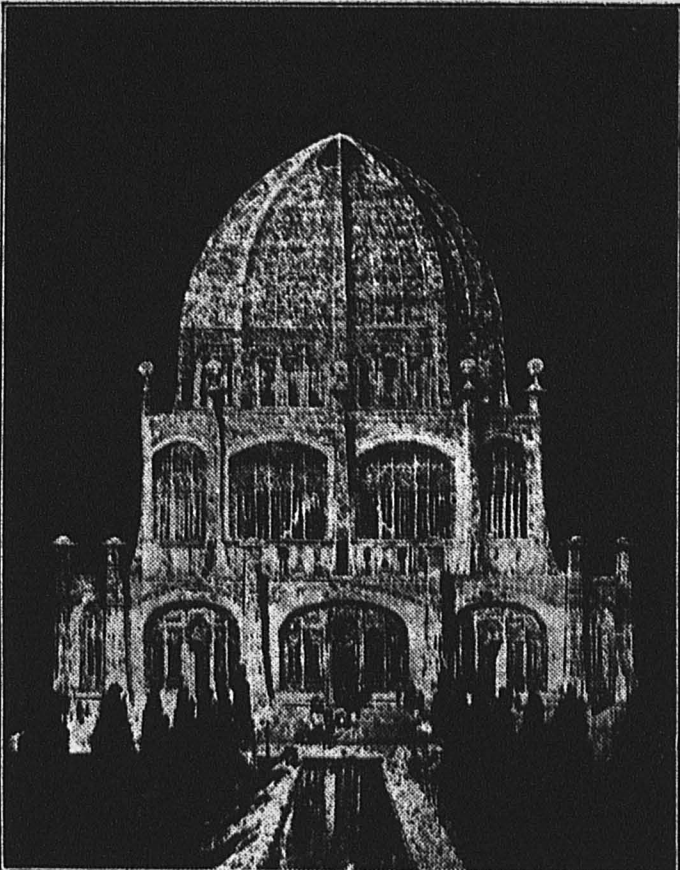

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write; for these words are true and faithful. He that overcometh shall inherit all things; and I will be his God, and he shall be my son" (Revelations 21:5,7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The sting of death is sin; and the

strength of sin is the law, the law of mortal belief, at war with the facts of immortal Life, even with the spiritual law which says to the grave, 'Where is thy victory?' But when this corruptible shall have put on incorruption, and this mortal shall put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory." (p. 496).

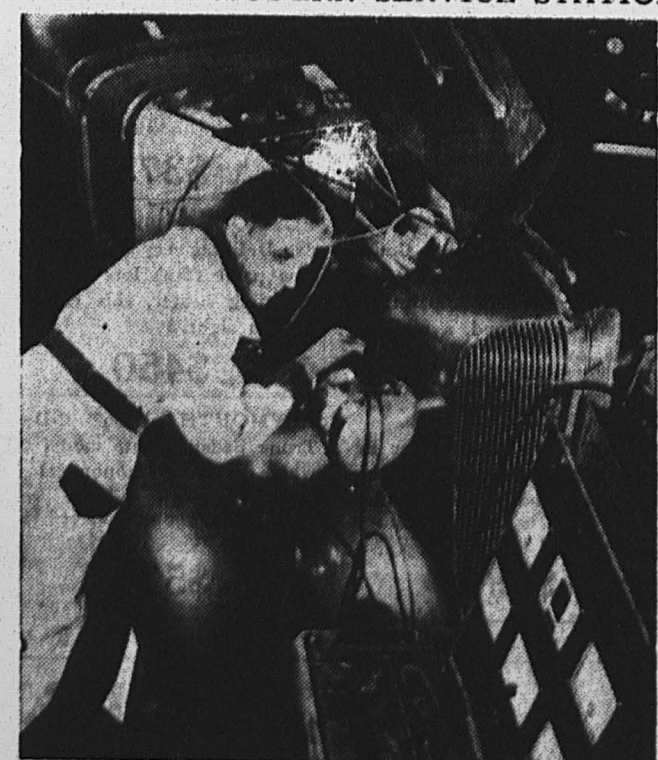

Policeman (to tramp sitting on top of oak tree): "Hey! What are you doing up there?"
Tramp: I don't know; I must have sat on an acorn."—Clipped.

BAHA'I HOUSE OF WORSHIP

One of the historical events of Abdul-Baha's visit to American 25 years ago, was the dedication by him of the ground at Wilmette, Illinois, on which was to be erected the Baha'i Temple shown above. This event will be commemorated on May 1st, at the 29th annual convention to be held in the foundation hall of the Temple by delegates from all parts of the United States and Canada, including a representation from Philadelphia.

SCIENCE IN MODERN SERVICE STATION

Whether it be used for a spring tune-up for an owner, or the reconditioning of a used car, the up-to-date dealer's service equipment is a far cry from the screw driver and monkey-wrench era.

The modern automobile service man is practically surrounded by a maze of scientific laboratory apparatus with which he can swiftly and accurately diagnose a car's condition.

In the photo, a member of the Chevrolet retail service department is running a delicate motor analysis, incidental to the reconditioning of a used car.

SPECIAL MUSIC BY CHURCH CHOIR

The choir of Central Baptist Church will again give a special program of music at the evening service, Sunday, April 25th. It will be under the direction of their Director, Claude Y. Barto, and will consist of the following numbers:

Anthem: "Golden Are the Billows." Cadman.
Anthem: "They That Trust In the Lord." Wolcott.

Tenor solo: "How Many Hired Servants." Sullivan, Edmund Jones.
Anthem: "The Lord Brings Back His Own." Galbraith.

Anthem: "Seek Ye the Lord." Roberts.

Quartet: "Abide With Me." Harker.

Anthem: "My Faith Looks Up to Thee." Schaefer, with violin obbligato.

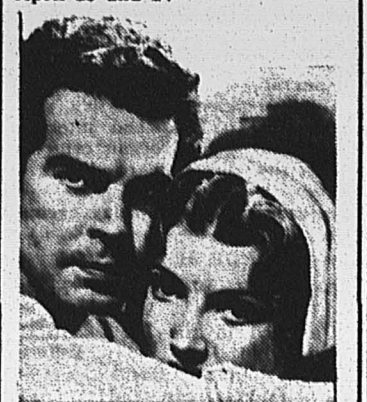

"What happened, dear?" she asked her husband as he was getting out to investigate.
"Puncture," he said briefly.
"You ought to have been on the lookout for this," was the helpful remark. "You remember the guide warned you that there was a fork in the road."—Clipped.

PALMYRA SCHOOL NOTES

Annual Pet Show

The boys and girls of the fifth grades of Palmyra School, as a conclusion to Kindness to Animals Week, held a pet show on the school playground last Friday afternoon. There were twenty-two entries in the dog class, three in the cat class, and six in the miscellaneous class which included rabbits, ducks, pigeons, white mice, baby chicks and turtles. Some of the dogs and cats were very well dressed for the occasion, and many of them performed tricks. A Pekinese family consisting of mother, father and baby, attracted much attention. All of the pets were very well behaved and the judges decided to award a blue ribbon to each entrant. Special awards in each class were designated by a merit seal on the ribbon. Following the show there was a parade of the pets.

Kindergarten

The "Time Club" of the kindergarten of Palmyra school is progressing quite rapidly. They have 11 members in the morning class and 10 in the afternoon. Those in the morning are: Edward Murray, Raymond Carson, Clarence Jones, Anna Don, Mabel Salmter, Marvin Ashmore, Helen Mae Hunter, Teddy Woodland, Barbara Cherry, Billy Makin, Patsy Bright. The members in the afternoon are: Sandra Carroll, George Wentzel, Emma DeVinney, Grace Walter, Billy Watson, Byron Stauffer, Peggy McCay, Jean Swayne, Collins Haines and Joan Stroup.

First Grade

The fifth grade pet show aroused the interest of the first grade in pets. They decided to have a toy pet parade.

There were eighteen entrants including toy dogs, rabbits, chicks, teddy bears, a duck, a horse, a lion and a monkey.

Second Grade

The second grade had 100 per cent attendance on three days of last week.

The pupils studied last week about animals and how to be kind to them. The second grade of Miss Josephine M. Wallace had perfect attendance several days last week.

Third Grade

On last Friday afternoon Miss Viola M. Price's class enjoyed the pet show given by the fifth grades. During Kindness to Animals Week the third grade read Albert Payson Terhune's "True Dog Stories."

Fourth Grade

The boys and girls of Mrs. Elizabeth T. Taylor's fourth grade are building a miniature Dutch house. They are copying, as closely as they can, the home of the Dutch Twins in the book by Lucy Fitch Perkins. Each child is making some part of the house or its furnishings.

Fifth Grade

The study of Hawaii by the fifth grade has proved very interesting thus far.

The boys and girls have planned many ways by which they will show what they have learned about Hawaii. Of special interest was the pineapple industry, which work they hope to reproduce on a small scale.

A committee worked on interior and exterior view of a volcano, and Jessie Lippincott, Ida Craven, and Eileen Rae made a large painting of the interior view. The exterior is being done by Clare Swayne and Ruth Gardner.

The class has begun a unit of work on the Philippine Islands. The bank banner came to this room for the week of April 13 to 20.

BIRTHS

Mr. and Mrs. Joseph Wells, of Palmyra, are receiving congratulations on the birth of a daughter, Patricia Anna, on April 14, at the Mary Haas Robbins Maternity Home, Main street, Riverton.

Until about twenty-five years ago legal notices in New Orleans were printed in both French and English. Today they are published only in English. The use of French as a language by the people of that city is also much less than formerly. Practically who speaks French, however, also speaks English.

MARRIED FIFTY YEARS

MR. and MRS. WILLIAM SCHIEHLE

of Moorestown, who celebrated their fiftieth wedding anniversary on Wednesday, April 21. A dinner in honor of the occasion was given at the home of Mr. and Mrs. John Burgmann, 706 Highland avenue, Palmyra.

FIFTIETH WEDDING ANNIVERSARY IS CELEBRATED HERE

A dinner in honor of the golden wedding anniversary of Mr. and Mrs. William Schiehle, of Moorestown, was held on Wednesday evening at the home of Mr. and Mrs. John Burgmann, 706 Highland avenue, Palmyra.

The couple were married at the Palmyra Moravian Church fifty years ago.

Those present were Rev. A. J. Harke and Mrs. Harke, Mr. and Mrs. Albert Sperber, of Pensauken; Mr. and Mrs. Paul Schiehle, of Riverside; the Misses Thelma, Jean, Ruth and Caroline Sperber, Albert Sperber, Jr., and Mr. and Mrs. Alex Chambley, of Palmyra.

DRAWN ON JURY FOR APRIL TERM

Included on the panels of the grand and petit juries for the April term of court in Burlington county are the following from Riverton, Palmyra and Cinnaminson:

Grand Jurors
Charles B. Jessup, Riverton; Harry Kemmerle, Palmyra, and Alma Evans, Riverton.

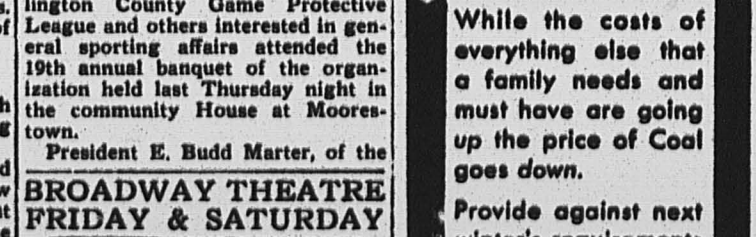

Petit Jurors
Howard Hercher, Cinnaminson; Ethel Cummings, Riverton; Jane A. Boyer, Riverton; Anna C. Friday, Riverton; Andrew Wilkins, Palmyra; Martin L. Knight, Palmyra; Hester W. Morris, Palmyra; Robert McIntosh, Cinnaminson; Matilda Decker, Riverton; Joseph Gilbert Riverton; Harry Dinges, Cinnaminson; Thomas Perkins, Cinnaminson, and Ruth B. Weigand, Palmyra.

YMCA CAMPS TO OPEN ON JULY 7

Matollonequay in New Quarters On Upper Lake, Early Enrollment Urged

On July 7, the two YMCA camps near Medford will open for the season, Ockanichon, for boys, being in its 32nd year, while it will be the fourth year for the girls as part of the Ockanichon organization. Camp Matollonequay, for girls, will begin its first season on the Upper Lake site with a fine new combination dining hall - lodge - administration building with well-developed areas and conveniences.

Ages

Boys and girls of nine years of age and up are accepted. There are separate camping areas and programs at both camps for different age groups arranged as follows: Juniors, 9-11; middle, 12-14, and seniors, 15-17. Each area has its own director, both in the boys' and girls' camp. In the junior camp, the schedule provides for a daily rest period and earlier taps.

Early enrollments are urged for the 1937 season and full information can be obtained by writing Guy C. Hendry, secretary, Burlington County YMCA, Mt. Holly, N. J.

DOWN STAIRS AND UP?

...when you need Hot Water?

12 cents a day for the average family buys complete freedom from hot-water-stair-climbing. Never again the need to run down to light or turn off—or, if you have a pot stove—to see about the fire. Never again will you have to wait for water to heat. Automatic Hot Water Service by Gas eliminates all the bother.

Ask your Plumbing or Heating Contractor about it—or 'phone Public Service. Our water heating representative will gladly call and give you full information.

Pony Express As Postal Pioneers

(continued from page 1)

from there to Sacramento and the river boats to San Francisco over the Central Overland Route. The Government claimed mail could not be transported over the mountain of this northern route in winter and so let the contractors over an even more lengthy route.

Pony Express

This gave rise to the most colorful, spectacular and romantic page of our entire postal history—the Pony Express—launched by a failing express company in an effort to prove the overland route passable and thereby gain a mail contract which would save them financially.

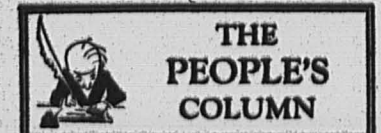

Brightly picked, experienced riders were selected to the best and fastest horses to be found were purchased. Riders started simultaneously from St. Joseph and from Sacramento on April 3, 1850, with the first mails, and except for a month when the Pab-Ute Indians were on the war path, the service was continued for nineteen months winter and summer. To the anxious west they brought all the news of politics and of war impending.

The mail was carried in relays at top speed night and day. Each rider covered 75 to 100 miles of sage brush and desert, snow-drifted trails and swollen streams, mountains and prairie. But they cut twelve days from the established schedule.

High Cost of Mail

Indiana best every foot of the way and yet the riders were armed only with a revolver—no horses, no arms, as every possible scrap of weight was eliminated. Speed and skill in avoiding ambush were the principal weapons. In consequence mail was rated at \$5.00 per half ounce.

It is recorded that but one bag of mail was lost in the history-making trip. History-making because it was the Pony Express that drew California and the west, with its gold and silver, to the Union cause and perhaps saved the Union.

COMMUNICATION FROM "A MUSICAL CRITIC"

A crowded room greeted the Kitchen Band last Friday evening in the Central Baptist Sunday School auditorium, announced by the M. C. as its premier performance; and its final, if the prediction of a loquacious patron came true. Rather unkind!

It has been inferred that the Band was overtrained and consequently had gone a little stale, or sour, if you please. We have heard of such a condition in connection with wrestlers and boxers, but think the sobriquet does not apply. True, the ensemble was occasionally tardy in the "entrances," but this critic believes that it was due to the "entrancing" manner in which the solo parts were "rendered."

Anyway, one can be excused for such lapses when it is recalled that many of the "boys" had, for the first time, that manly feeling inevitable on the introduction to long pants; and what a fit!

We have a strong recollection of

seeing the great Maestro Creator direct his famous band, and in observing the director of the Kitchen Band in action we were frequently reminded of this great artist; such directing is seldom seen!

As for the violinist, we still suspect "he" was a clever fake; maybe using mirrors or "something."

Taken as a whole the Band gave a creditable "exhibition" and should "hang" together.

Cy. Bartolsky.

YOUNG RULERS GOVERN HERE

Assume Offices in Palmyra, Riverton as Part of Youth Week

Youth Week opened in Riverton and Palmyra at 2 o'clock on Saturday afternoon when Palmyra High School students assumed all borough offices in both communities and served in their respective capacities for the remainder of the day.

In Riverton, the Youth Week Mayor, Frank Davidson, was sworn into office by Mayor H. McIlwain Biddle. Davidson took the oath of the borough clerk, Ethyl Clark, who administered the oath of office to the members of council and the other officials who were as follows:

Chief of police, George Winner; fire chief, William Wolfchmidt; members of council, William Good, Donald Clement, Alfred Dillmer, Dorothy Wolcott, Virginia Wheeler, Gerry Michener, assessor, Harold Reynolds; collector, Robert McCurdy.

Business Session

Council then proceeded with a regular business session at which time the reports of the various committees were read and other business transacted.

The matters which received attention included a discussion of the proposed swimming pool in Palmyra and the construction of a sewage disposal plant in Riverton.

Several members of the regular borough council and a number of spectators were present for the ceremony.

In Palmyra

The same procedure was followed in Palmyra, where Mayor John F. Ward administered the oath of office (continued on page 9)

STOLEN CAR IS LOCATED BY THE RIVERTON POLICE

Last Saturday morning, April 17, at 4 o'clock, the suspicions of Officer John Robinson were aroused by a Buick sedan with four occupants stopped near Broad and Main streets in Riverton.

Upon investigation Officer Robinson found that the driver had a driver's license but was using a registration card issued for a Dodge instead of a Buick.

The driver of the car, Alvin Faber, of 133 E. Wishard street, Philadelphia, was detained on the charge of driving on fictitious tags and the other occupants of the car were released. Faber was fined \$25 and costs at a hearing before Recorder Frank Probsting.

The Riverton police later got in touch with the Bureau of Stolen Cars in Philadelphia and found that the Buick had been stolen from North Carolina the week previous. This led to the arrest of Emanuel Scheiderman, who sold the car to Faber, on the charge of extortion. Scheiderman, who lives at 5109 Torredale avenue, Philadelphia, will have a hearing this Friday morning in City Hall on the extortion charge.

SOCIAL SECURITY SUBJECT OF TALK

M. Albert Linton, President of Provident Mutual, Speaks To Rotarians

With an involved and little-understood and technical subject upon which to speak, M. Albert Linton, president of the Provident Mutual Life Insurance Company, held the Palmyra-Riverton Rotary Club in rapt attention as he reduced to understandable terms the intricacies of the Old Age Security features of the Social Security Act.

At the outset, he pointed to the differences between the Old Age Income provisions which are contributory on the part of employers and employees, and the old age pensions which are free to qualifying individuals, the cost being shared on a basis of 50-50 between state and federal government. No state action or participation is required for the old age income—a tax of one per cent, rising to three per cent in 1949, being paid on the individual's earnings by both the individual and the employer.

Mr. Linton said in part, "While twenty-seven million will be covered under the act as it stands, fully 47 per cent of American workers will not be eligible. These include owners of businesses, servants, governmental employees, marine workers, professional men and casual workers. This is a feature to which much thought is now being given.

Numerous Inequalities
"There are numerous other inequalities in the act which seem to make it certain that revisions will be made. A man must stop the clock in which he is engaged at the age of 65 to secure his income—but he may resume work in one of the unaffected classifications. He may not use any part of his income over \$3000 from one job to compute his retirement income—but he may work for three of four companies and compute his retirement income from his earnings in each company up to \$3000, thus multiplying the benefits.

One of the most serious inequalities discussed by Mr. Linton is the penalty which the younger worker must pay in order to provide the funds for the incomes of the older workers. In this connection he said the average income in 1942 would be \$18.00 per month.

The second inequality is the fact that the man who has been taxed for the best years of his life for the old age income will, on securing it, be confronted with idlers who have contributed nothing but get a free old age pension larger than his income. Politically minded legislators have already provided in many (continued on page 9)

Busier Than Christmas Rush

The Christmas holidays are usually associated with the busiest period of the year at post offices, but the Riverton office, according to Mrs. Merrill E. Haas, postmaster, has a season which is busier and lasts longer than that at the end of the year.

During the entire month of April, and usually for two weeks in May at least 70 sacks of postal matter are cleared daily from Riverton, and on many days the number reaches 100 sacks.

ADJUSTMENT FOR ALMSHOUSE FIRE

County Will Receive Total of \$24,420 According to Agreement Reached

At a conference held last Friday morning between the Burlington County Board of Freeholders and insurance company adjusters, a settlement of \$24,420.64 was announced to cover property damaged by fire at the recent blaze which destroyed the county almshouse, at New Lisbon.

The sum to be received on the buildings amounts to \$20,552.52, while that for furniture and equipment is \$3868.02. Insurance carried amounted to \$30,000 on the structures and \$5000 on equipment.

Building Improvement
At the same session the freeholders authorized the issuance of notes in the amount of not more than \$5000, payable within a year, to provide for the share of the county in a WPA project for the improvement of the county buildings at Mt. Holly.

No action was taken on the request of WPA representatives in respect to a writer's project which was proposed by that organization. (continued on page 9)

MAGEE REQUESTS HIGHWAY PATROL

Increase in Fatal Accidents During First Quarter Is Basis of Action

An increase of more than 100 traffic fatalities in New Jersey during the first quarter and the likelihood of a continued upward trend during the spring and summer months, was given by Motor Vehicle Commissioner Arthur W. Magee, Monday as an argument in support of his proposal to the appropriations committee for a road patrol.

Incomplete figures for the first three months of the year place the deaths on all streets and highways at 285 as compared with 172 in the same period last year. One hundred and one of this year's fatal accidents occurred on State Highways as against 56 in the same quarter last year.

Sixteen in Week
Added cause for alarm, the Commissioner says, was the increase in last week-end when sixteen lives were snuffed out in automobile accidents in the State. It was one of the worst week-end tolls in many years and can be taken as a criterion, he says, of what can be expected in the better motoring months ahead unless adequate measures are taken to meet the situation.

Stating that a study of this year's fatal accidents on State Highways discloses that approximately eighty per cent occurred during hours of darkness and in the early morning daylight hours when regulation and enforcement was at a minimum, Commissioner Magee believes that he can reduce accidents and fatalities thirty per cent with an adequate road patrol of 200 men, performing twenty-four hours service. With such a staff he could patrol the 1600 (continued on page 9)

FIRE COMPANY TO STAGE BENEFIT

The Riverton Fire Company will hold a movie benefit from Monday, May 10, to Friday, May 14, at the Broadway Theatre, Palmyra.

During the remainder of this week, members of the company will be out during the evenings selling tickets for the affair.

Local citizens are urged to avail themselves of this opportunity of seeing a good show and supporting the fire company which renders valuable assistance in times of emergency.

AMATEUR NIGHT IS BIG SUCCESS

Nineteen Contestants in Youth Week Feature; Lucille Bradley Wins 1st

Nineteen of Riverton's and Palmyra's young people entertained at Amateur Night in the Palmyra High School auditorium Monday evening of this week, the affair being given as part of the Youth Week program.

Very little nervousness was shown among the youngsters and the "show went on" in true trouper style.

Among the contestants were: Adeline Talorica, vocal solo; Harry Nanni, piano soloist; Dorothy Koppenhoefer, vocal solo; Arthur Hoyt, piano solo; Ruth Bellas, vocal solo; Charlotte Frank and Warren Jensen, vocal duo; Lucille Bradley and Laura Hensen, accordion and guitar duo; Marion King, vocal solo; Virginia Armstrong and Ann Magowen, vocal duo; Dolores Leonard, Esther Messenger, Caroline Messenger and Helen Haines, girls' quartette; Betty Hill, tap dancer, and Harry Hill, vocal solo.

Master of Ceremonies
The master of ceremonies, Joseph Grant, carried on in true MC style. When he felt the audience was getting too noisy he did not hesitate to remind them that if they got too rambunctious the show would stop.

The prize winners were: First, Lucille Bradley and Laura Hensen, \$3; second, Harry Hill, \$2, and Harry Nanni, \$1.

Coupons for 10c good at Fry's Talk-About shop were given to all the Palmyra police, under the direction of Chief C. Morris Beck.

The judges for the affair were: George Bonsall, Jr., Marjorie Nace, Frank Davidson, Jane Rutherford, Margaret Shockcor, Robert Waters.

The accompanist for the evening was Martha Martin.

A reward for their good behavior, the boys and girls were given a treat by a tap dance by one of the King Boys accompanied by another of the King Boys. And they were good.

The coach for the evening's entertainment was Miss Dorothy Deiner, music teacher at Palmyra High School.

BROAD STREET IMPROVEMENTS

The south side of Broad street, in Palmyra, from Cinnaminson avenue to the Riverton borough line, has been greatly improved recently by the application of asphalt over several sections of the surface.

This action was taken by Councilman Engle, chairman of the Palmyra highway committee, after his recommendation was approved at the last meeting of Borough Council.

GEORGE S. WASHINGTON ASSISTS IN CEREMONY

George Steptoe Washington left Wednesday for Fredericksburg, Va., to take part in planting an oak tree on Thursday, April 29, near the grave of Mary Ball Washington, mother of George Washington, by the Steptoe descendants of Colonel George Eakridge, of Westmoreland County, Virginia.

They are able because they think they are able.—Virgil.

FURTHER EVENTS FOR YOUTH WEEK

Include Cycle Meet, Ball Game, Trips on Saturday, Dance, Sunday Service

This Thursday afternoon the Youth Week celebration will continue with a bicycle meet in Memorial Park, at 4 p.m. Every type of cycle competition will be featured, and various prizes will be awarded.

Friday at 1:15 p.m., a large delegation will journey to the Phillies park to see a big league ball game. This event is an annual feature to which boys and girls alike, look forward with great anticipation.

Boat Trip Saturday
Those wishing to go on the boat trip, will meet at the YMCA on Saturday at 8 a.m. This trip to Wilmington via the Wilson Line has always proved to be a popular feature of Youth Week.

At 10 a.m. parties will leave the YMCA for Franklin Institute, the Philadelphia Navy Yard and Central Airport. Those wishing to visit the Institute and Planetarium, may do so at the special price of 30c. The price for the Institute alone is 15c.

Dance Saturday
On Saturday evening at 8 o'clock, the Youth dance, a Maytime frolic, will be held in the Riverton public school. Sherry Lynn's orchestra will provide the "swing music" for the occasion. Tickets are 35c stag, and 50c per couple.

Miss Eleanor Williams is chairman of the dance committee.

Sunday Service
Sunday afternoon at 4 o'clock, Youth Week will come to a fitting climax at a special youth service to be held in Christ Church, Riverton. (continued on page 9)

BURGLARY ATTEMPT FAILS AS ROBBER ABANDONS TOOLS

An attempted robbery at the home of Julius Caprano, 419 Morgan avenue, Palmyra, on Thursday night, at 8 o'clock, resulted in the would-be thief losing his tools, due to the prompt action of Mrs. Caprano and the Palmyra police, under the direction of Chief C. Morris Beck.

Mrs. Caprano, who was on the unlighted enclosed porch of her home, heard a noise at the rear of the house and, upon investigation saw a man about to enter the residence via the back door which had been pried open.

She immediately notified the police who failed to locate the intruder, but who found a pair of gloves, jimmy and other equipment which he had abandoned while making a hasty departure.

Police have identified the jimmy as being the one used on other jobs in several other nearby communities.

DATE FOR HOME FETE, MAY 15

Plans Well Under Way. Book Table New Feature This Year

The last weeks of April are marked with great activity for many women of Riverton and Moorestown. The plans for the annual Cinnaminson fete and tennis matches to be held May fifteenth at the Moorestown Field Club are well under way. Mrs. Edgar Scott has been named general chairman.

Among those who are assisting Mrs. Scott as chairmen of committees are:

Amusements: Mrs. E. Russell Perkins, Moorestown; Mrs. James Davis, Moorestown; Miss Kathleen Curtis, Riverton.

Decorations: Mrs. Murray C. Boyer, Riverton.

Candy: Mrs. Harry F. Jones, Riverton; Mrs. Lloyd Heulings, Moorestown.

Soft Drinks: Mrs. C. S. Somervell, Riverton; Mrs. Joseph B. Tyler, Riverton.

Cake: Mrs. J. B. Stokes, Moorestown; Mrs. Robert Biddle 11, Riverton.

Books: Mrs. Harry L. Rogers, Riverton; Mrs. W. V. Dougherty, Moorestown.

Toys: Mrs. Douglas Clark, Riverton; Mrs. Joseph Morgan, Riverton.

Pantry: Mrs. Robert B. Sim, Cinnaminson.

Cinnaminson Home Table: Mrs. Joseph Evans, Cinnaminson; Mrs. Carrie M. Garrison, Cinnaminson.

Hostesses: Mrs. Alexander C. Wood, Jr., Cinnaminson; Mrs. M. Albert Linton, Moorestown.

Properties: Mrs. Richard Barclay, Riverton.

Publicity: Mrs. Donald Powers, Moorestown; Dr. Elizabeth Ford Love, Moorestown.

Whoo-l-a: Mrs. B. Hubert Cooper, Moorestown.

Dance: Mrs. Stuart B. Clark, Riverton; Mrs. Henry F. Walton, Jr., Moorestown.

Tennis: Mrs. S. Emlen Stokes, Moorestown; Mr. Z. John Norris, Haddonfield.

Tickets: Mrs. Albert B. Pancoast, Moorestown.

Supper: Miss Helen Woolman, Riverton; Mrs. Ward Dix Kerlin, Moorestown.

The Cinnaminson Home has been serving the women and children of New Jersey and Pennsylvania for 47 years; first as a summer vacation home, but for the last 20 years as a home for convalescents. It owes its existence to the untiring work and generous support of the people of our communities—donations of supplies that come from schools and churches at holiday times—the gifts from the neighboring Needlework Guilds and the general interest manifested at the Annual Fete.

During 1936 the Home cared for 306 guests who were sent by 32 social agencies in Pennsylvania and 41 in New Jersey.

Book Table

The book table will be a new feature at the fete this year. Second-hand books not more than two years old will be on sale for children and grown-ups. The committee asks that when housecleaning your book shelves, you will kindly lay aside those books you have enjoyed reading once but will probably never read again, telephone one of your members who will call for your books.

Committee: Riverton—Mrs. Harry L. Rogers, chairman; Mrs. W. V. Chalmers, Mrs. Harold N. Sheble, Mrs. Richard D. Barclay, Moorestown—Mrs. Willis V. Dougherty, Mrs. James Davis, Mrs. John W. Fawcett, Pemberton—Mrs. Theodore H. Budd.

JUNIOR WOMAN'S CLUB MEETING

The meeting of the Junior Woman's Club of Palmyra, will be held Monday, May 3, at 8 o'clock, instead of the regular time, 7:30.

There will be election of officers, departments and committees for the new year discussed.

Cards will be following the business meeting.

Plans for the mother and daughter banquet on May 17 will be made, Miss Dorothy Salmter being in charge of arrangements.

MUTT PARADE IS FEATURE EVENT

Big dogs, little dogs, skinny dogs, fat dogs—in brief, almost every type of canine imaginable, participated in the Youth Week mutt parade which wended its halting way through the streets of Riverton and Palmyra on Wednesday afternoon.

The procession finally wound up at the Grove, Palmyra, where the judges proceeded to do their stuff.

The staff of arbiters included: Miss Mary Egan, Dr. J. E. Dunwoody, Mrs. W. H. Walton and Harry Schwering.

The affair was under the general supervision of Earl Windhovel.

The winners of first and second prizes in each of the 10 classes will be announced at a later date.

BROADWAY FILLED TO CAPACITY FOR YOUTH WEEK SHOW

The Broadway Theatre, Palmyra, was filled to capacity on Tuesday afternoon when a special Youth show was given free to children under 12 through the courtesy of the Victoria Amusement co. and the local manager, Charles Shugars.

Long before the doors were opened several hundred youngsters had assembled for the event and the line extended along Broad street from the theatre to Cinnaminson avenue and halfway to Fourth street.

The special features provided by Mr. Shugars were genuinely appreciated, if the volume of applause can be considered as any indication of the amount of enjoyment afforded the youngsters.

The supervisors were the following: Wilton E. Mount, Mrs. R. E. Cowell, chairman, Mrs. D. J. Symon, Mrs. Arthur Hoyt, Mrs. J. B. Mickle, Mrs. Claude Barto, Mrs. Arthur Burns, Mrs. Roy Hardy, Mrs. Roland Dunn, Mrs. David Gould, Mrs. A. E. Hargett, Mrs. H. L. Warren and Mrs. C. H. Yost.

DAVIS-ARMSTRONG

Miss Margaret Armstrong, daughter of Mr. and Mrs. Luke Armstrong of 218 Velde avenue, Delair, and John Davis, son of Mr. Anna Davis of Palmyra, were married in Sacred Heart Church last Saturday morning, April 24, at 11 o'clock, by the Rev. Thompson.

The bride was dressed in white satin, made on princess lines, and wore a veil which has been handed down through the family for many years. She carried white calla lilies.

Miss Ethel Rose, of Delair, cousin of the bride, who was bridesmaid, wore a gown of blue taffeta, with a large picture hat to match and carried a bouquet of sweet peas.

The best man was Howard Davis, brother of the groom.

Mr. Davis was dressed in an ensemble of dark blue crepe with ivory accessories. She wore a corsage of mixed flowers.

Mrs. Armstrong wore a jacket suit of beige with brown accessories.

A wedding breakfast was held at the home of the bride, and the reception at the home of the groom.

After a wedding trip to Atlantic City, Mr. and Mrs. Davis will reside in Delair.

SACRED HEART CARD PARTY

FRIDAY, MAY 7

The card party committee of the Sacred Heart parish that is working under the chairmanship of Father Thompson is very much encouraged by the fine spirit of cooperation that is being shown to make this one of the outstanding card parties of the season.

The members of the prize committee predict the gathering of a great number of worthwhile prizes. The date for the affair has been set for Friday, May 7th, at the parochial school hall at Fourth street and Linden avenue.

BIRTHS

Mr. and Mrs. Frank O. Smith, of 407 Howard street, Riverton, are receiving congratulations on the birth of twin sons, Frank Richard and Robert Kenny, at the Zurbrugg Memorial Hospital, Riverside, last Wednesday, April 21.

Mrs. Smith will be remembered as Miss Miriam Kenny, daughter of Mr. and Mrs. Harry Kenny, of Linden avenue.

HOBBY OWNERS EXHIBIT WARES

The Youth Week hobby show was held on Wednesday night in the Palmyra High School under the supervision of the Phalanx Fraternity.

Hundreds of visitors attended the affair and viewed the wide range of exhibits displayed by the youthful collectors.

There were eleven divisions in the show and many classes in each division. Opportunity was afforded to

show almost any kind of collection or hobby in which a boy or girl might be interested, from snakes to radio sets.

Although all exhibits were prepared by juniors, it was the opinion of many who attended that the displays compared most favorably with adult affairs of a similar nature.

Prize awards will be announced at a later date.

Please notify Mrs. C. W. Rodman, phone Riverton 1153, whether you can take a car or desire transportation.

ENROLLMENT FOR C. M. T. C. CAMPS

Emphasizing that enrollment in the Citizens' Military Training Camps does not obligate young men to attend for more than one summer, Colonel George H. Baird, in charge of enrollment for the Second Corps Area, announced Monday at Army headquarters on Governors Island, New York Harbor, that New Jersey youths who apply now can be assured of being accepted under the State quota of 1713 applications.

Because of the generous allotment of vacancies made this year to New Jersey, he explained, unusual opportunity exists for the late comers to gain admittance to the camps. In the past all available vacancies have been filled shortly after opening of the enrollment lists.

No Further Obligation

"There is no obligation to go to camp a second, third, or fourth summer unless the C.M.T.C. student so wishes," Colonel Baird said. "All the government desires is that a young man attend camp for one summer. The officers in charge will try, without lowering the standard of training, to make his duties and recreation so pleasant that he will be eager to go back the next and succeeding summers. But there is no obligation that he do so, either written or implied."

TREASURE HUNT PROVES POPULAR

A modern version of a treasure hunt was staged at Memorial Park, Riverton, on Saturday afternoon as part of the Youth Week program, when an airplane, flying low over the field distributed the treasure tickets.

After stunting briefly for the benefit of the several hundred children who had assembled for the affair, the pilot released thousands of bits of cardboard. As these fluttered to the ground a mild riot ensued as the youngsters scrambled to secure the coupons.

The ground was cleared as if by magic, after which prizes were awarded by Wilton E. Mount and his corps of assistants.

BOY SCOUT NEWS

Scout leaders of Burlington County enjoyed a session of lineoleum block carving at their weekly meeting that was held last Wednesday evening at the Presbyterian Chapter House in Moorestown.

Henry Frankland and Charles Stoner demonstrated the possibilities in this work and furnished the men with carving sets and lineoleum so that they could demonstrate their prowess in carving some of the Merit Badge subjects. Previous to this meeting the Training Course group enjoyed a week-end session at Camp Mahalala, where out-door tin can cooking was enjoyed, along with nature hikes and following out the rudiments of troop camping.

Jim Moore, of Moorestown, and Howard Mardin, of Maple Shade, staff members of Camp Mahalala, planned the nature part of the program, and George Weigand, of Palmyra, and County Scout Executive George A. Darlington planned the troop camping features.

District camporees for all troops in the county will be held on the week-end of June 4 and 5 at various points in the county which will be designated at a later date.

Camp Registrations

Registrations for Camp Mahalala are coming in at the county office and the trends indicate that a full four-weeks' camping period will be enjoyed by the majority of the scouts of Burlington county.

George A. Darlington, county scout executive, will be camp director and will be assisted by John B. Stokes, Jr., of Moorestown, who will be program director. Albert Lees, of Moorestown, will have charge of the water front, and Howard Mardin, of Maple Shade, and James Moore, of Moorestown, will be in charge of the nature program. Roy Van Ness, of Roebbing, will direct the activities of the training post, William B. Gibson, of Palmyra, will be scoutcraft director, supervising the provisional troops that come to camp. He will be assisted by George Kennedy, of Palmyra. This week a new pump is being installed at camp that will insure a plentiful supply of water. Over 2000 trees, which include Norway spruce, white pine, maple and oak have been set out which will further beautify the camp property.

STAMP CLUB WINS ATEX PRIZE CUP

The Palmyra-Riverton YMCA Stamp Club won first prize in the division of the Association of South Jersey Stamp Clubs, at the ATEX Stamp Exhibition held April 23-25 at the Colton Manor, Atlantic City.

The award was made by George W. Weimar, cup donated by George W. Weimar, of Merchantville.

The prize-winning display was composed of eight sections provided by club members. These were as follows: C. R. Beegle, Columbians and Jubilees; C. P. Mayfield, covers; Arthur Hess, covers; S. E. Griffith, United States; A. B. Donaghy, Kings; Albert Mourning; Robert G. Adams, British America; Frank Haley, United States and Chamber of Commerce Issue of New Zealand; C. B. Marple, United States.

"TOBY TYLER" AT DELANCO SCHOOL

When "Toby Tyler" comes to the Delanco public school on the 30th of April, one of the most important actors in the play will have no lines to say, and will not be on the Clare Tree Major payroll.

His name is Mr. Stubbs, and his sole vocal contribution to the performance will be a sort of cackle. This may nevertheless mean a great deal in Mr. Stubbs' native language, and though the boys and girls may not understand what he is saying, it will probably mean a great deal to them—for Mr. Stubbs is a monkey, a real, live performing monkey.

For many children, Mr. Stubbs' visit will provide the first opportunity to see a live monkey. In Europe, the itinerant organ grinder, with his monkey dressed in a bright little coat and cap, collecting pennies in a shining tin cup, is a very usual sight.

But monkeys are not so common here, and Mr. Stubbs is proving a great attraction to his young audiences. He travels in a warmly lined basket, and his care is a very serious responsibility to his young master. His food is carefully planned and no indiscriminate feeding is allowed between meals.

"Toby Tyler" with its gay scenery and lively action will be brought to Delanco by the Burlington County Teachers Association, of which Miss Elizabeth Cowperthwait, principal of the Medford school, is chairman.

The play "Toby Tyler" in which Mr. Stubbs appears, will be given in the school auditorium at 9:45 and 12:45.

Make your reservations early.

DODELIN-SCHULER

Miss Catherine Schuler, daughter of Mr. and Mrs. Albert Schuler, of East Riverton, became the bride of Gerland Dodelin, son of Mrs. Isabel Dodelin, of Philadelphia, at the Sacred Heart Church at 10 o'clock Saturday morning, the Rev. Thompson officiating.

Miss Schuler was dressed in a gown of white lace and wore a tulle veil held in place with orange blossoms, she carried a shower bouquet of white roses.

The maid of honor, Miss Marie Magrew, of Philadelphia, was dressed in violet taffeta with hat and slippers to match and carried a bouquet of pink roses.

The bridesmaids, who were Mrs. Lawrence Schuler, of West Oaklyn, and Miss Mary Clark, of Delanco, wore gowns of pink taffeta with hat and slippers to match and carried bouquets of pink roses.

Edward Trainer, of Philadelphia, was best man.

Mrs. Schuler wore a gown of blue crepe and Mrs. Dodelin chose a gown of black and white.

A reception was held at the home of the bride.

After the wedding trip, Mr. and Mrs. Dodelin will live in Mayfair, Pa.

SCHMIERER-FOELL

A very pretty wedding was solemnized Saturday, April 24th, at six o'clock, when Miss Elizabeth Louise Foell, daughter of Mr. and Mrs. Albert Foell, of Park avenue, Philadelphia, became the bride of Earle Wilbur Schmierer, son of Mrs. Joseph Schmierer, of Palmyra. The ceremony was performed by the Rev. Frank Kuntz, of the Lutheran Church of the Apostles, Philadelphia.

The bride, who was given in marriage by her father, wore a gown of white marquisette, with a long veil also of marquisette. She carried a bouquet of white sweet peas and baby's breath.

Miss Foell was attended by Miss Edna Lambek, who wore a gown of apricot silk and carried a bouquet of mixed flowers. Joseph Schmierer was his brother's best man.

The ushers were Robert Moore, of Riverton, and Wilson Schmierer, brother of the groom. Members of the family attended the reception at the bride's home following the ceremony.

After a wedding trip through the South Mr. and Mrs. Schmierer will make their home in Germantown.

ONE HIT GIVEN BY DIFFENBAUGH

Palmyra Twirler Gives Fine Exhibition as Locals Trim Moorestown 1-0

Diftenbaugh, ace hurler of the Palmyra High School baseball team, turned in another brilliant exhibition last Friday afternoon when he allowed Moorestown a single scratch hit in 10 innings, the locals winning the engagement by the score of 1-0.

The game marked the second time this season that Diftenbaugh has given the enemy sluggers a lone bingle, the former occasion being last Tuesday when he turned in the same feat against Burlington.

Palmyra Scores

After nine frames in which neither team could cross the rubber, Palmyra shoved home the deciding run when Shea singled, stole second, went to third on a sacrifice by Winner and romped home when Diftenbaugh lifted a long fly to center field. Having knocked at the baseball Hall of Fame for two games, local rooters are pulling for the Palmyra twirler to turn in a no-hit, no-run game before the end of the season.

In the Methodist Church this Sunday morning the Holy Communion Service will be held. The Sacrament of the Lord's Supper will be administered by the Rev. W. A. Boyd, minister of the church. The senior and junior chorus choirs will sing. A great youth service will be held in the evening at 7:45; the Young People's fellowship period from 7 to 7:45; the religious period from 7:45 to 8:45. The Philadelphia Youth's Brass Quartet will give several numbers on their trumpets. The Graham Sisters, noted gospel singers, will be present and sing. The young people will conduct the service. The minister will give an address upon the subject "Youth in the Saddle." Everyone is invited to this meeting.

Tuesday evening at 7:45, the Quarterly Conference will be held in our church. Dr. T. S. Brock, superintendent of the Trenton District, will preside at this meeting. All members of the conference are expected to be present.

Wednesday evening at 8 o'clock the mid-week church service will be held in the junior room. All members and friends of the church are invited to this meeting.

CHRISTIAN SCIENCE CHURCH

"Everlasting Punishment" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 2.

The Golden Text is: "Evil pursueth sinners: but to the righteous good shall be repayed" (Proverbs 13:21).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting. And let us not be weary in well doing: for in due season we shall reap, if we faint not" (Galatians 6:7-9).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The belief of sin, which has grown terrible in strength and influence, is an unconscious error in the beginning, an embryonic thought without motive; but afterwards it governs the so-called man. To hold yourself superior to it and governs man, is true wisdom (pp. 188, 231).

YMCA BRIEFS

Finance Campaign

May 1st marks the beginning of the fiscal period for the 33rd year of the Burlington County YMCA. This week, and up to May 4th, some 200 workers in two dozen communities are gathering funds for the association's budget, which is \$9000 for this year. Meetings of workers were held in five sections of the county last week, on five successive evenings. Instead of five area report meetings, workers from all sections of the county are being invited to a central final report meeting scheduled for Tuesday evening, May 4th, in Mt. Holly, at the home of Edward H. Lewis.

Frank W. Thatcher, county general campaign chairman, is asking each community chairman to assemble his figures from individual workers so to be prepared to give a final report on the evening of May 4th.

Girls' Camp at Ockanickon
Gratifying progress is reported by Everett H. Haines, chairman of the property committee of YMCA Camp Ockanickon, in the matter of work already well under way in preparation for the operation of the girls' camp this summer on the upper lake portion of the 530 "Acres for Character" of the Ockanickon property. This camp is being called Matolion-equay, which was the name of Chief Ockanickon's squaw.

CARE OF LAWN

DURING SPRING

Nearly all lawns will be benefited by applying some fertilizer early in the spring. Usually the best kind to use is a mixed or complete fertilizer of a grade like 5-10-5, 5-8-7, or 6-6-5. From 15 to 25 pounds to 1000 square feet is about the right amount.

If the lawn has not been limed for four or five years a coating of a liming material at the rate of from 30 to 40 pounds to 1000 square feet would also be in order. Such an application should satisfy the needs of the soil for lime for a number of years to come.

In case the sod has a fairly good stand of the desirable grasses, no reseeding is needed. In many cases, however, the stand of grass is thin, and frequently contains many weeds. If that is the situation, reseeding would be quite helpful. The seed may be scratched in lightly with a fine-toothed garden rake and the surface then rolled. If some good top soil is available or, better yet, a compost containing good top soil, this material may well be brushed into the old soil before the seed is sown. Use only seed of the right ingredients and having good germination and purity. The mixtures recommended by the New Jersey Experiment Station and sold by many seedsmen in the State are dependable.

If the surface of the lawn has been heaved by winter freezes rolling would be helpful. This operation is best done in early spring after freezing weather is no longer to be expected. Choose a day when the soil is moderately moist but not wet.

HEIGHT REQUIREMENT

REDUCED FOR MARINES

Marine Corps Headquarters announced Monday that height requirements for enlistment in the United States Marine Corps had been temporarily reduced to a minimum of sixty-four inches. The maximum height standard of seventy-four inches remains unchanged.

Young men who are interested in the Marine Corps should communicate with the Officer in Charge, Headquarters, Eastern Recruiting Division, Room 405 New Custom, Second and Chestnut streets, Philadelphia, Pa., at which station applications to fill vacancies in the Marine Corps are being accepted.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

Cultivating is the main chore for the gardener now that the weather has become warmer. This can be done with hoe, spading fork, or even a rake, and it is an excellent way to get a head start on the weeds which are germinating and would cause much trouble later on. Borders do not need deep cultivation now, but a light raking will be of much benefit. Probably the real benefit of most cultivation is in destroying weeds.

Finish planting perennials and shrubs as soon as possible. Evergreens can generally be moved with success a little later in the spring than deciduous shrubs, and all plants can be moved when in active growth only by taking the most careful precautions.

By this time most vegetation will have started or given some indication of beginning activity, and winter losses can be checked and replacements made.

Examine shrubs for the start of aphid infestations. The apt aphid and some of the other species start early. Dusting or spraying for this pest when there are only a few present will help to avoid trouble later in the season. A weekly examination of shrubs and young perennials will keep the gardener aware of their progress.

Start transplanting the hardier annuals to the open now, but leave the tender ones until later because there is still the possibility of a light frost in May.

Gladiolus corms may also be planted now. Gardeners who like to raise their own stock should plant the gladiolus corms as soon as possible. Cormlets are those little hard shelled offsets which are produced around the old corms. It is possible to grow a fair sized corm in one year from these cormlets, and 50 per cent of them will bloom the second year if well cared for. Some growers find it possible to grow them to blooming size the first year, but they must be planted early while the ground is still moist, for they need a great deal of moisture to grow.

There are two methods by which the cormlets may be supplied with moisture. One way is to soak them at least 24 hours before planting, and the other is to crack the hard outer skin to permit soil moisture to penetrate more readily. This can

be done very easily with a pair of small forceps such as may be purchased in the drug store. If the cormlets are then peeled, most of them will grow well.

Fertilizer should be put around the border and lawn as soon as possible. While it will do some good if applied later, it is best to make applications early, as there must be time for soil water to dissolve nutrient substances before the plant can use them.

One doesn't hear much nowadays about opportunity. The most of the talk is about pensions.—Acheson Globe.

NO CHANGE IN WPA POLICY

William H. J. Ely, State WPA Administrator, last Saturday stated that "our policy of last October has not changed in regard to rights of workers who accept private employment to return to WPA rolls."

The statement issued last October, which was sent to all district directors, read as follows: "All persons leaving a project to accept private employment shall be granted preferential rights to re-employment on the Works Program, if application for such reinstatement is made within 60 days."

... sounds as though you're right here"

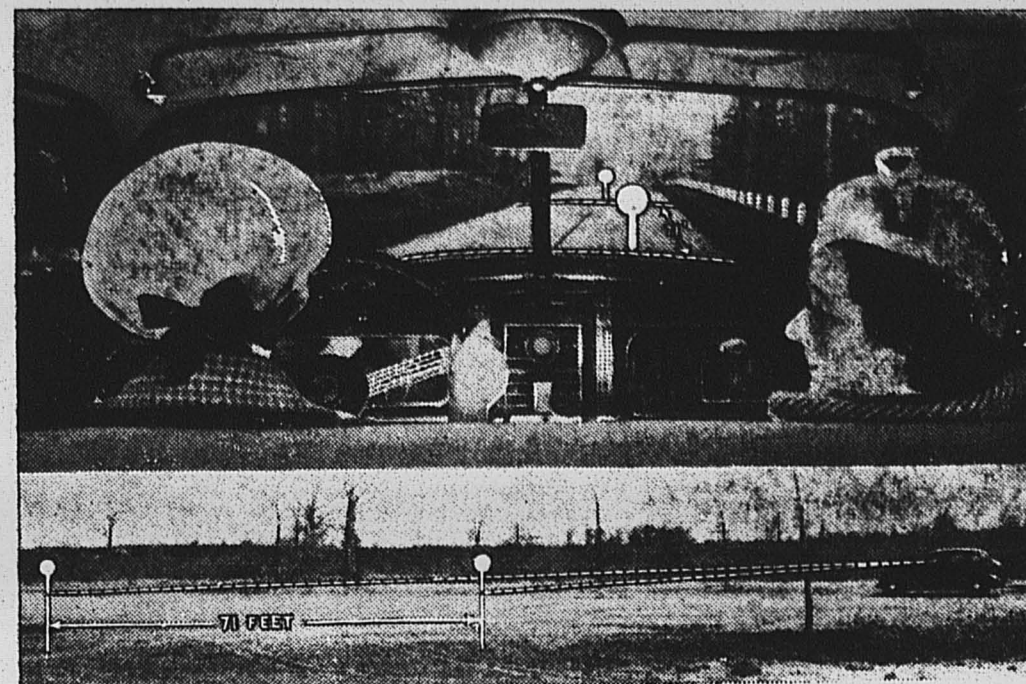

If you were Shut in

—or were "down" a bit at the end of a busy day, wouldn't you perk up at the sound of a friend's voice coming to you cheerfully and naturally over the miles?

You can call 16 miles for 15c—42 miles for 35c anywhere in New Jersey (Station-to-station rates). And after 7 at night and all of Sunday rates are reduced on all calls of about 50 miles and over.

ENGINEERS ADD 71 FEET TO ROAD VISIBILITY

Automobile engineers are continually striving to build greater SAFETY into the cars they design. An example of how a small change can vitally affect a great many drivers is the cam arrangement in the adjustable front seat of the new Chevrolet. As the seat is moved forward to its normal position for a short driver it also rises. For example: A person 5 feet 2 inches tall or "short" can see 71 feet closer to the car, over the center of the hood, in the 1937 Chevrolet than he could in previous models. Women drivers, especially, consider this engineering foresight a boon to driving safety and comfort.

HEADLIGHT GLARE IS OBJECTIONABLE

In the whole of motordom there probably is not a single driver who at one time or another has not complained of the other fellow's blinding headlights.

"Not that he isn't justified in his complaints," says Trevor B. Mathews, manager of the Camden Division of Keystone Automobile Club of New Jersey, "but it seldom occurs to him that he can soften the glare by keeping his own windshield spotless."

"It has been demonstrated that even a carefully focused light will glare in one's eyes if he is looking through a windshield coated with dust and dirt. The rays of light are deflected by the millions of dust particles and the glare is very pronounced. If the approaching light is out of focus, the effect under dirty windshield conditions is practically blinding."

Before starting on a night's drive, motorists are advised to spend a few minutes cleaning and polishing the windshield. Those who make a practice of this find night driving much more enjoyable.

Incidentally, it is suggested that motorists go a step further and make certain their own headlights are in proper focus, thereby giving the other fellow a "break."

RADIO GARDEN CLUB PROGRAM

"Summer Window Box Gardens" is the title of the talk to be given for the Radio Garden Club of the Agricultural Extension Service on Tuesday, May 4, by Prof. R. B. Farnham, assistant ornamental horticulturist at the New Jersey Agricultural Experiment Station. Professor Farnham will speak over Station WOR and other stations of the Mutual Broadcasting System at 3.15 p.m. as guest speaker for the Garden Club of New Jersey, which broadcasts twice a month in cooperation with the Extension Service.

On Friday, May 7, at the same hour the Radio Garden Club will present Peter Koster of Bagatelle Nursery, Huntington, Long Island, who will speak on "Success with Rhododendrons." Mr. Koster's talk will be sponsored by the Federated Garden Clubs of New York State, Inc., another agency cooperating with the Extension Service in presenting these talks.

REVOCATION OF DRIVING LICENSES

A total of 78 persons lost their driving licenses during the week ending April 23, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Twenty-four were for drunken driving; 8 for reckless driving; 3 for speeding; 20 habitual violators; 6 for failure to appear in answer to summonses; 5 were revocations resulting from fatal accidents and all others 12.

With the inclusion of this week's figures, the department during 1937 revoked 469 licenses for drunken driving and the total of all revocations reached 1264.

LOCAL BUSINESS

MEN VISIT MINES

See All Operations in Tunnel
600 Feet Below Ground
at Shamokin, Pa.

George MacCord, of Palmyra, acted as host for a group of local business and professional men on a trip through the coal mines of the Stevens Coal Co., Shamokin, Pa., last Friday. Those in the party were William J. Kraus, of Lester S. Fortnum; Dr. George J. White, dentist, of Riverton; Luke K. Eberly, Palmyra druggist; George MacCord, coal dealer, and Karl W. Latch, of The New Era.

The party arrived at the mines on the day the order was given to close down indefinitely. Thus, the usual transportation to the mines via electric locomotive was not available. The "miners" were outfitted with coats, belts to carry a storage battery and tin helmets equipped with electric lights. One of the mining engineers acted as guide and the trip underground was begun on foot.

Part of the party was met by one of these locomotives and given a lift further into the interior of the mine for a distance of about a mile.

The trip through the breakers where the coal is screened, graded and washed was exceeding interesting. The rock and slate is removed in a huge cone filled with a swirling mixture of sand and water. The engine station is located throughout the mine and men are constantly on watch for dangerous gases.

No Boots—Wet Feet
The party made one serious mistake; it was not equipped with rubber boots, and all and sundry came out with feet soaking wet and an accumulation of coal dirt sufficient to last for next winter.

The trip through the breakers where the coal is screened, graded and washed was exceeding interesting. The rock and slate is removed in a huge cone filled with a swirling mixture of sand and water. The engine station is located throughout the mine and men are constantly on watch for dangerous gases.

Bootleg Coal Interior
The bootleg coal mines were in abundance throughout the region, but after a trip through a legitimate mine there could be little room for doubt about the quality of coal from a legitimate dealer as compared with coal from a bootleg mine, where no machinery is available for washing, grading, or rock and slate removal.

AMERICAN LEGION

McCrosson to Preside
Service Officers and Rehabilitation Committee representing the 275 New Jersey American Legion Posts and 21 county committees will meet this Sunday afternoon in the auditorium of the Veterans' Administration Hospital at Lyons for the seventh annual Service-Rehabilitation Conference, sponsored by the American Legion, Department of New Jersey. The conference will start at 1:30 o'clock, with Thomas J. Hennion, of Morris Plains, State Service Officer, and W. Rex McCrosson, of Palmyra, State Rehabilitation Chairman, as presiding officers.

Carl E. Brown, of Washington, D. C., American Legion National Service Officer, will be the principal speaker.

As a start however, he has asked the Appropriations Committee for twenty-five men to use in localities where and during the hours when accidents most frequently occur.

YOUNG RULERS
GOVERN HERE
(continued from page 1)
to the Youth Week borough leader, Joseph Horner. Mr. Horner indicated the clerk, Nancy Mento, into office and Miss Mento swore in the following:

Chief of police, James Henson; fire chief, William McDermott; John Pfeleiger, Marjorie Koenig, Dorothy Mays, Joseph Grant, Howard Bacon, Robert Mallory; assessor, Howard Lippincott; collector, William Whittemyer; recorder, Margaret Dunbar; director of welfare, Jane Rutherford; superintendent of disposal plant, Jack Shea.

Inspection by Council
In the business session of council which followed the young governing body discussed, in detail, many phases of activities which concerned Palmyra and advanced several ideas which showed a keen insight into public affairs.

Following adjournment, the Palmyra officials were joined by those from Riverton and visits were made to the sewage disposal plant, the water works and the fire and police stations in both communities.

Fire Chiefs Function
Both fire chiefs had an opportunity to watch their departments in action when an alarm was turned in for a "blaze" near the standpipes on Highland avenue. Both Palmyra and Riverton pumps were pressed into action and three streams of water were employed in squelching the "conflagration."

Routine duties were performed by the heads of the police departments and other Youth Week officials.

SOCIAL SECURITY

SUBJECT OF TALK

(continued from page 1)
this will be a bitter pill for the industrious.

Huge Reserve
As an actuary, Mr. Linton's greatest concern has to do with the prospect for the forty-seven billion dollar reserve set up under the act. This stands in the way of adequate care for old people during the next ten to twenty years and is directly contrary to the system in effect in Great Britain and elsewhere. Most systems provide the same incomes at the outset which prevail later.

According to Mr. Linton, this huge reserve, absorbing government issues, must pay three per cent which are never retired and the prospect of reducing the government debt is negligible. Two billion dollars will be so accumulated in 1940 when the taxes are to be increased fifty per cent and yet no old age income will have been paid. The two per cent could stand and be ahead of the benefits paid until 1950.

Mr. Linton is convinced that since all this must come from the pockets of our workers, and since each generation must decide how much it will contribute to the wellbeing of its aged, the sensible rational solution would be a pay-as-you-go policy which would eliminate the perpetuation of three per cent bonds destined never to be retired.

Coordination Needed
He believes the benefits must be related to the living standards of the people—that the free and contributing systems must be coordinated, that the tax should not be increased until the outlays require it, that the reserves should be abandoned so that benefits may be paid out of general revenue, and that a wider application of eligibility should be in force.

The Senate Finance Committee and an outside committee of which Mr. Linton is a member is now working in connection with the Social Security Board to develop a solution to offer Congress which will iron out the difficulties inherent in the present act.

ADJUSTMENT FOR

ALMSHOUSE FIRE

(continued from page 1)
Damage to Engine
The matter of damage to the engine of the Niagara Fire Company at Burlington was again brought up for discussion. The equipment was put out of commission while repairing to the almshouse fire and the sum of \$900 is necessary for repairs.

The solicitor of the board, Lester Drenk, reported that no appropriation was available to pay this account and, in addition, there was no existing authorization whereby a settlement could be made.

Water Supply Adequate
A communication was read from Ivin G. Wright, almshouse superintendent, which stated that a thorough investigation had been made concerning the availability of an adequate water supply for fire purposes at Birmingham Inn, which is to be employed as a temporary almshouse. Mr. Wright stated that tests had been made with a pumper of the Pemberton Fire Department and that no difficulty was experienced in obtaining a sufficient quantity from the nearby creek even though the stream was as low as it usually gets.

Standpipe Connections
William J. Smith, county fire marshal, made a recommendation to the board that outlets with adapters be installed at the base of the standpipe at New Lisbon, so that pumper connections could be made easily. He also suggested that the matter at that point were not large enough in the event of an emergency. These matters will be discussed in detail at a later date.

Payment of county bills in the amount of \$51,269.96 was authorized the division being as follows: Revenue and finance, \$220,150; public buildings, \$22,503.28; public affairs, \$17,545.21; bridges, \$1681.39; highways, \$7337.58.

STRATEGY
The up-to-date young man, invited by dad to come to the wood shed, will start a sit-down strike.—New York Sun.

FURTHER EVENTS

FOR YOUTH WEEK

(continued from page 1)
The speaker will be the Very Reverend John Crocker, chaplain of students at Princeton. Canon Crocker is a very interesting and inspirational preacher and has a national reputation for his work with young people. The junior and senior choirs of Christ Church will sing and boys will usher and take a large part in the service. Young people from Riverton, Palmyra and Cinnaminson are cordially invited to attend.

RIVERTON
SCHOOL
NOTES

The time for the assemblies held in the school Friday, April 23rd, was reversed, the senior assembly being held in the morning at 9:15 and junior assembly in the afternoon at 2:30.

The Bell Telephone Company furnished an interesting and instructive series of colored slides for the morning program, "A Journey Through New Jersey." Mr. Page was the lecturer who told many facts heretofore unknown to the student body.

The children of the lower grades had an Indian program that was very realistic. Jane Adams of the third grade sang a lullaby. The first grade sang three spring songs. Five interesting still-life Indian scenes were presented by the second grade and two Indian dances. The boys and girls had an Indian orchestra that played a piece on little tom-toms and castanets like little boxes. This program was a credit to the classes and was enjoyed by all.

Sarah Robinson.

Westfield Friends
School

On Wednesday, April 14, Westfield Friends' School gave a fashion show and tea at the home of Mrs. Charles C. Miller, 101 Lippincott avenue, Riverton. The committee of arrangements included Mrs. Victor Ritschard, Mrs. Howard Cox, Mrs. Elliott Kras, Mrs. J. Douglas Clark, Mrs. Thomas Bromley, Mrs. John Clement and Mrs. Ralph Flower. The mothers of the fifth and sixth grades acted as hostesses. Children's apparel was displayed by Blum's store, Philadelphia, and women's clothes by Mary Sheldon Roberts, of Moorestown. The amount of \$15 was raised for the Westfield Friends' School endowment fund. There was a most enthusiastic audience of patrons, alumni and friends.

School Assemblies

The school assemblies have had as special guests, Miss Garrison, of the Cinnamondale Home, who spoke on China, Miss Forman, of the Interstate Dairy Council, who gave a puppet show and on Wednesday the 26th, Mrs. Claude Anderson spoke on some of her experiences in Germany.

On Wednesday, May 12, Westfield Friends' School will entertain students from Buckingham, Lansdowne, Frankford, and Haddonfield Friends' Schools. The occasion will be a Junior Olympic meet.

On Friday, April 23, John Lester, executive secretary of the Council on Education, visited the school and observed the academic work.

NATIONAL COMMITTEE
CHAIRMAN ON RADIO

John Hamilton, chairman of the Republican National Committee, has announced that he will break his post-election silence during May. He will make his first broadcast next Saturday night (May 1) on a nationwide hookup.

"I have done a great deal of listening in the last six months," Mr. Hamilton said. "All over the country I find the old lines of political allegiance shifting and new lines forming. Political developments since the election have been rapid and important. It seems to me the time has come to look at the new political picture, to re-examine the old, and to discuss the position and attitude of the Republican Party in the changed set-up."

Next Saturday night (May 1) and on the Saturday night following, May 8, Mr. Hamilton will speak over the Red Network of the National Broadcasting Company from 9:30 to 10:00 o'clock, E.S.T. On Sunday night, May 16, and again on a Sunday night, May 23, he will broadcast over the Columbia Network from 10:00 to 10:30 o'clock E.S.T.

SUBJECT OF TALK

R. E. Sweet Shows Specialized Collection to Members of Senior Club

That the old saying, "There is nothing new under the sun" has in it as much truth as rhetoric was demonstrated in the talk given by R. E. Sweet, of Merchantville, last Friday at the YMCA Stamp Club. Mr. Sweet spoke on "Pre-cancelled Stamps" and showed his highly specialized, but interesting collection. For the history of this modern device for expediting the mails we must go all the way back to 1844, several years before the United States Government issued the first stamps of any kind. At that time flourishing private companies were operating in the large cities, which for a fee of 1c collected letters and took them to the post office or delivered them from the post office to the addressees.

Time Saver

In order to save time, a clerk in the New York office of Hale and Co., one of these private carriers, ruled red and black lines alternately in both directions across its stamps before he sold them. That is exactly the motive which prompted the postmaster at Wheeling, W. Va., to hand stamp many of the stamps sold from his office in 1847, after stamps had been introduced in the U. S. postal system.

Cumberland, Me., in 1859 sent out circulars in envelopes on which the corner card of the firm and the cancellation of the stamp had been printed in one operation, but the first official authorization of this practice was as late as May 29, 1903, and Boston was the first city to use it under that authorization; private printers did the work.

The practice was sanctioned by law in 1909, and the work thereafter was done by the post office or by printers under its close supervision. It was not however until 1916 that the post office department undertook to find whether it could do the work cheaper. Three cities were found in which the costs could be cut by doing the work in the Bureau of Engraving and Printing.

Still Printed Locally

While other cities were gradually added it was not until the speedy rotary presses were installed in the Bureau of Engraving and Printing in 1922-1923 that the great demand in the large cities could be supplied. Smaller offices still print their supplies locally.

The large mailer under this plan may buy his stamps already cancelled, sort and package his outgoing mail, so that little or no delay is incurred for this phase of post office operation. This is particularly useful in handling third class mail and getting it on its way promptly, because third class mail normally is held until first class mail is dispatched. Obviously if it is already sorted and cancelled the probable delay on this account is minimized.

KITCHENETTE AT
NURSES' HOME

The kitchenette, which is the gift of the Mt. Holly Auxiliary to the Nurses' Home at the Burlington County Hospital, has been completed and is now in frequent use by the nurses.

It contains a three-burner stove, green painted table and chairs, and a cabinet. The hospital installed a sink to complete the equipment while the auxiliary had the floor covered with linoleum, and hung net curtains at the window.

The cabinet holds the toaster, bread box and other necessary equipment. In the space underneath are towels, tablecloths, silver, pots and pans, all received at a shower given for the new kitchenette.

The room has a large closet which contains the new glass and china set. The nurses buy most of the food themselves, though occasionally a manufacturer presents sample boxes of cereal. A nurse having an early class after night duty can eat something just before going to bed, or girls without time or money to spend in the village can fix themselves a bite whenever they wish.

In the United States there are 820 library books for each 1,000 in population.

Fifth Grade. John Cauthorne. Harold Johnson, a pupil of the fifth grade, has been ill for the past three months. He will not return this term. We hope he shall fully recover and be with us next fall.

Seventh Grade

This week the seventh grade under Mr. Arthur Terrell is beginning newspaper work. They are going to elect a staff from each seventh grade room.

During the next few weeks they are going to read other papers and select material to put on their sheet.

Each class is to be divided into rival papers. The girls will represent one group and the boys the other. When they have finished they hope to find which of the seventh grade groups will make the best journalists.

Study Germany

The bank banner for the grade school is still in possession of Mr. Earl Whitcraft's room. They challenge any other room to take it away from them.

The study of Germany proved very interesting to the seventh grade, especially in the discussion of the Rhine River Valley. Many projects were constructed on this unit as well as actual material.

They are now in the middle of the study of the Scandinavian Countries. Very interesting reports have been given during the class periods. William Swayne gave a fine report on "Matches and How they are Made in Sweden." The class discussion which follows each report is extremely worthwhile and valuable.

WITH the first warm days, everyone who has even a small plot of ground will be working and planning a garden. It is fun to see these gardens grow but they can be made much more enjoyable if they are used as an outdoor living room and dining room, with parties among the flowers on spring evenings and week-ends.

Your refrigerator will help you in the preparation of delicious salads that are hearty and satisfying; and controlled temperatures in your oven will assure perfect cakes with a minimum of watching.

A hearty supper salad with cinnamon muffins and a delicious new cake can be made early in the day, ready for serving at the party. The Cinnamon Muffins can be easily reheated by putting them into a paper bag and placing them in the oven heated to 325 degrees, or in the top of a double boiler.

Spring Supper Salad

1 tsp. gelatine 1/2 c. cayenne
4 tsp. cold 1/2 cup chopped
water celery
1 cup boiling Cooked aspara-
water gus tips
1/2 cup cream 1 bunch
1 1/2 cups grated radishes
yellow cheese crisp salad
1/2 tsp. salt greens

Soften the gelatine in cold water and dissolve in the boiling water. Allow to chill. Whip the cream, fold in grated cheese, salt, cayenne and celery. Add the partly set gelatine and mix well. Oil a ring mold and line the sides with asparagus tips. Pour in enough cheese mixture to hold asparagus tips in place and chill. When firm, add rest of mixture and put into refrigerator to congeal. Unmold on plate, garnish with radish roses and crisp salad greens.

"ROMEO AND JULIET" AT SAVAR

NORMA SHEARER

Modjeska, Ellen Terry, Julia Marlowe, Katharine Cornell, these are the names which have brought to life on the stage, "Juliet," Shakespeare's most beloved heroine. Now comes the long-looked-forward-to filmization of "Romeo and Juliet," with the First Lady of the Screen eclipsing any and every role she has attempted before with a portrayal which for its sensitive understanding and poignant beauty will be the talk of picture-goers for years to come, beginning tomorrow at Savar Theatre, Camden.

JUNIOR STAMP
CLUB EXHIBIT

YMCA Group Held Affair Last Friday: First Award to David Layshon

The Junior YMCA Stamp Club held its first exhibition at the meeting on Friday last, with a number of boys learning at first hand what really constituted a good collection. Album pages were judged for neatness, arrangement, condition and knowledge of the stamps shown.

First prize for the best exhibition on these counts went to David Layshon. Prizes were also given, in order of excellence of the entries, to the following: Charles Robinson, Arthur Hoyt, William Howe, Alan Cooper and Frederick Woodward.

New Members

Five more members will be eligible for classification as Page at the next meeting when they bring cards signed by parents testifying to the care and attention they give to their collections. Among new members recently added to the roll are Robert Shaw, Harold Rogers, Richard Taylor, Newbold Cooper and Carter Henderson.

Meetings are held in the YMCA each Friday evening from 7:15 to 8:00 o'clock and are open to boys between the ages of nine and fifteen whether at present collectors or not.

Fifty Billion Dollars —Of Your Money

By RAYMOND PITCAIRN
National Chairman
Sentinels of the Republic

From many observers of the Washington scene have come recent protests that the present Congress seems to ignore various urgently needed measures.

Constructive plans for re-employment, re-organization to reduce the cost and the number of political office-holders, effective steps toward a balanced budget, and numerous other projects, they point out, have made little progress during the present session.

But in one phase of their work, all agree, members of Congress have been far from inactive. That is the introduction of bills providing for spending huge volumes of public funds.

During the few months that the present Congress has been in session, members of the House of Representatives alone have tossed gaily into the legislative hopper more than 7,000 appropriation bills.

"Making allowance for overlapping bills," announced one member of the Appropriations Committee, "more than \$50,000,000,000 would be required to cover all the proposed expenditures."

Fifty Billion Dollars—of other people's money.

Of course, neither the Appropriations Committee nor any one else expects all those 7,000 bills to pass. But the casual way in which they are offered, the astronomical totals they achieve, continue to demonstrate the attitude of office-holders toward public funds.

If they—and the public—would remember that all appropriations must come from taxes; if they—and the public—would remember that all taxes fall ultimately on the workers and earners, appropriation bills would be fewer in number—and more modest in their totals.

It is the duty of office-holders, as representatives of the people, to remember these things. And it is no less the duty of citizens to remind their representatives of the facts.

When both groups realize this truth, \$50,000,000,000 may mean as much to office-holders as it does to the men and women who would be called upon to produce it in the sweat of their labor—and may be as carefully considered.

Nash Adds Opera Coupe to 1937 Line

This new opera coupe has just been added to the 1937 Nash lines. It was announced today by C. H. Bliss, vice president of sales of the Nash Motors division of the Nash-Kelvinator Corporation. Two comfortable seats swing out from the rear of the body to provide room for two extra passengers, making the coupe a five passenger model with all passengers protected from the weather at all times. The spare tire is mounted in the rear deck, which likewise provides ample luggage space. When the opera seats are not in use the space behind the driver's seat is available for luggage. The model has been added to all three Nash lines, the Ambassador Eight, Ambassador Six and Nash LaFayette "400". In the Nash LaFayette series the opera coupe is offered at a price far below that of any other car of similar body type.
