PLANS MADE FOR LEAGUE OPENING

Mayors of Riverton and Palmyra May Throw Out First Ball Monday Night

The officers, managers and umpires of the Riverton Memorial Park Softball League convened on Monday night to discuss final plans for the league opening on Monday, May 10, at 6.30. President Joseph Yearly announced that efforts were being made to have Robert W. Knight, chairman of the Riverton borough property committee, act as master of ceremonies and introduce Mayor John F. Ward, of Palmyra, and Mayor H. McIlvain Biddle, of Riverton, who would then officially start the two games by throwing the first ball on the east and west diamonds.

Fields in Condition

Wilton E. Mount, reporting for the league grounds committee, stated that the grounds were in better shape than ever before and that a force of men would have everything ready for Monday.

Lawton J. Steedle, chairman of the registration committee, announced that he had received team roster from seven of the entries, the only exception being the Athletics.

Team Rosters

The members of the various teams are as follows:

Millside: Ray Zink, manager, Malone, Cisto, Conway, Tracy, Humes, Goodwin, J. McGann, Regan, Kirk, Gravenstein, Butts, Martin, Wolfe, Miller, Kenny, Steinmetz, Carroll and Hubbs.

Merchants: W. Scattergood manager, E. Morris, H. Finney, R. Atkinson, J. Morris, W. Smith, F. (continued on page 4)

TOMATO PLANTS ARRIVE HERE FROM SOUTHERN STATES

A positive indication of the advent of the planting season is the daily line-up of cars and trucks owned by farmers from all over the county, at the Thomas avenue siding, Riverton.

The reason for the gathering is to secure tomato plants which are shipped by express from southern states, by the Campbell Soup Company.

Fred Conway, local agent for the Railway Express Company, states that cars will continue to arrive daily until the last of May and that 60 or more will be shunted on the siding before the end of the season.

During the height of the planting period, seven or eight cars arrive during a single day and those waiting for plants are numbered in the hundreds.

Each carload contains from 800,000 to a million plants.

PLANS DISCUSSED FOR BALL TEAM

At a meeting of the Palmyra Athletic Club held on Tuesday evening plans were discussed concerning a baseball team for the coming season.

The following committee was appointed to investigate the possibilities of forming a nine to represent the club on the diamond: James Rapp, Ralph Rivers, James Wolfe, H. R. Flay, W. C. Stone and R. M. Cook.

There will be an open meeting the first Tuesday in June, to which ladies and friends will be invited.

Several novel features are being planned for the affair.

He: "If you'll give me your telephone number, I'll call you up sometime."

She: "It's in the book."

He: "Fine! And what's your name?"

She: "That's in the book, too!"

MRS. M. E. HAAS IS HONORED AT PARTY

Tuesday evening, about 350 people taxed the capacity of the Riverton firehouse, when the Burlington County Women's Democratic Club and the other Democratic clubs in the county paid tribute to Mrs. Mervil E. Haas, Democratic state committee-woman, on the occasion of her birthday.

Daniel Lichtenthal presented her with a large bouquet of flowers on behalf of the young Democrats of Burlington county, while Mrs. Florence Willis presented her with a very beautiful coffee table from the women's club. Mrs. Edna Parry made the large birthday cake with candles, which was brought to the room lighted.

The evening was spent in dancing to music furnished by a four piece orchestra. Representatives from every section of the county were present. Refreshments were served by the women's club.

BOARD RESCINDS BAN ON AWARDS

Riverton Pupils Will Be Eligible For American Legion Medal This Year

A. H. Lippincott, chairman of the Americanization Committee, of Post Rodgers 156 American Legion, of Palmyra, appeared before the Riverton Board of Education Monday night and presented a letter requesting that the board permit the legion to make its award to the outstanding boy and girl in the graduating class this year.

Mrs. Francis B. Elwell, former president of the Riverton board, and now chairman of the education committee, briefly stated the reasons why these awards had been discontinued several years ago.

After some further discussion Mrs. Elwell offered a motion that the letter be received and that the Legion be notified that the board had decided not to change its policy in this matter.

Used in Other Schools

Speaking on this motion, John L. Metzgar, a new member of the board, and former chairman of the Americanization Committee of the Legion, stated that these awards are given in many schools with complete satisfaction to all concerned, and asked his fellow members to carefully consider all angles of the matter before arriving at a final decision.

Mrs. Yost also spoke in favor of the awards.

When the vote was called the motion was lost and Mr. Metzgar then offered the following motion which was seconded by Arthur Burns, another new member of the board, and passed: "That the school awards offered by Post Rodgers No. 156 American Legion, be accepted by the Riverton Board of Education and presented to the outstanding boy and girl of the 1937 graduating class on the basis of the qualifications as set up by the American Legion."

American Legion School Award

These awards consist of a bronze medal and a certificate and are awarded on the basis of 20 per cent for each of the following qualifications:

Honor: Strength and stability of character, high standards of character and conduct, keen sense of what is right.

Courage: Bravery in the face of opposition and danger, and grit to stand up for the right and do one's duty.

Scholarship: Scholastic attainment; evidence of industry and application in studies.

Leadership: Ability to lead and to accomplish through group action.

Service: Kindness, unselfishness, fellowship; protection of the weak and promotion of the welfare of associates without hope of personal reward.

Method of Award: Selection by (continued on page 9)

McCROSSON GETS NEW APPOINTMENT

Named Superintendent of N. J. State Farm; Succeeds H. B. Smith

W. Rex McCrosson, prominent Palmyra realtor and former state commander of the American Legion, was named last week to the important post of superintendent of the New Jersey State Prison Farm, at Leesburg, below Millville, N. J.

The institution over which Mr. McCrosson has assumed charge is considered to be a model of its kind in the country, many unique features being employed in its construction and management. It is known as a "minimum security" type of prison.

Covers 1100 Acres

The Leesburg farm covers 1100 acres, 700 of which are being cultivated by the 240 male inmates.

The new superintendent was appointed to the position by the Board of Managers of the State Prison.

Mr. McCrosson has been connected for a long period in rehabilitation work for veterans, having served for three years as secretary of the board of managers at the New Jersey Home for Disabled Soldiers at Menlo Park.

Succeeds Smith

Mr. McCrosson succeeds H. B. Smith, who has been transferred to the state hospital, at Greystone, near Morristown. Mr. Smith was former engineer of Burlington county, and was appointed superintendent of the Leesburg farm over a year ago.

RACING SEASON TO OPEN MAY 16

Riverton Yacht Club Announces Program; E. K. Merrill Heads Committee

The racing season at the Riverton Yacht Club will get under way on Sunday, May 16, when the first race is scheduled in the spring series for Comets, according to an announcement made on Tuesday night by E. K. Merrill, chairman of the regatta committee.

Mr. Merrill stated that the local club is fortunate this year in being able to register a fleet in the Comet Class Racing Association, and expects that there will be keen competition in this class of boats.

Nine to Start

The regatta committee expects that there will be nine Comets entered in the spring series, six of these being boats which are registered in fleets at the shore.

The schedule for this class follows: Saturday and Sunday races, starting time 2.30 p.m.—May 16, 23, 29, June 5 and 12. Wednesday evening races, starting time 7 p.m.—May 19, 26, June 2, 9 and 16.

Duster Class

An elaborate program has been arranged for the Duster Class, the speedy boats which the local club has done much to develop. With three new entries this year the Duster group has grown to nine.

Racing dates are as follows: starting time 2.45 o'clock, except July 5—May 22, 29, 31, June 12, 19, 26, July 3, 5 (starting time 11 a.m.), 10, 17, 24, 31, August 28, September 5. Wednesday evening races starting time 7 o'clock—June 9, 16, 23, 30, July 7 and 14.

Other Events

Other events announced by the regatta committee are:

June 16 and July 18—Free for all races to the Red Dragon Canoe Club and return.

June 20—Red Dragon Day up-river.

July 11—The Riverton Club will entertain the Beverly Yacht Club.

August 5, 6 and 7—St. Michael's Regatta.

August 13 and 14—Chestertown Regatta.

The official opening of the club for the 1937 season will take place on Sunday, May 30, with special opening ceremonies.

DAVIS CUP STARS AT HOME FETE

To Play at Moorestown Field Club on May 15; Many Events Planned

The Cinnaminson Fete committees are simply seething with excitement over the marvelous program they are able to present at their annual fete on May 15, at 3 o'clock, at the Moorestown Field Club.

The tennis committee, Mrs. S. Emlen Stokes and Z. John Norris, announce that America's foremost ranking tennis players will take part in the series of exhibitions played that day in conjunction with the fete. Those who will compete are J. Donald Budge, of Oakland, California, America's No. 1 player; Frankie Parker, of Spring Lake, New Jersey, No. 2; Bryan Grant, of Atlanta, No. 3; and Bobby Riggs, of Los Angeles, No. 4.

R. Gene Mako, of Los Angeles, who shares No. 1 ranking doubles position with Budge, will also be on hand as will Joe Hunt, of Los Angeles, regarded by experts as the most promising of youth aces.

Wear to Officiate

The United States Lawn Tennis Association officials, Holcombe Ward, of New York, president; Joseph W. Wear, of Philadelphia, vice-president; Paul W. Gibbons, Philadelphia, tennis head; Walter L. Pate, Davis Cup captain, and Walter Merrill Hall, chairman of the United States Davis Cup committee, will officiate that day.

Many new amusements, as well as the old favorites, are being provided for children and grown-ups by Mrs. (continued on page 4)

AURORA BOREALIS IS SEEN HERE ON TUESDAY EVENING

A number of local residents observed the Aurora Borealis on Tuesday night, the display, according to scientists being most unusual for this section of the country.

When first observed at 10.30 p.m. by a member of The New Era staff and others, the manifestation appeared to be directly west of the foot of Main street.

The aurora at this time was in the shape of a gigantic column of light, resembling a beam of a search light except that there was a pronounced curve near the zenith. The end of the aurora frequently broke into a Y-shaped formation.

The phenomena appeared to be moving slowly to the west and south, being very faint at 11.15 p.m.

Scientists believe that the so-called "northern lights" are connected in some way with the sun spots which have been noted recently.

PGA QUALIFYING ROUND IS PLAYED

Forty-seven Compete in Event
At Riverton Country Club,
Coltart Winner

One of the big events of the year took place on the course of the Riverton Country Club last Monday when the qualifying round of the Philadelphia Section, P.G.A., attracted 47 of the leading pros in the Philadelphia area to Riverton. The event was won by Bruce Coltart, of Woodcrest, who spun two neat 70's to finish the 36-hole competition two strokes under par.

Seven Qualify

The leading seven, who qualified for the National Round to be played at Pittsburgh, were, in addition to Coltart, Ed Dudley, Philadelphia, 141; Clarence Dozer, Merion, 142; George Fazio, Jeffersonville, 143; Byron Nelson, Yardley, 145; Charles Schneider, Melrose, 146, and Leo Diegel, Philmont, 146.

Large Gallery

Although Coltart was the winner, he had comparatively few followers on his two rounds, the large gallery of over 400 choosing the performance of Dudley, Nelson and Walter Brickley, Riverton pro.

Brickley was the victim of several tough breaks, especially during the afternoon round, and finished just outside the leading seven with scores of 76 and 75.

AWARD TO STOWE FOR PERFECT JOB OF LUBRICATING

F. B. Stowe, of the new Atlantic service station at the intersection of River Road and S-41 highway, was the unsuspecting winner of the Atlantic Refining Company ten-dollar award for expert lubrication this week.

A driver with a Pennsylvania license tag pulled into the station and ordered two gallons of gasoline and then the owner asked to have his car lubricated.

Does Perfect Job

The stranger stood around talking to young Stowe while he lubricated the car and after the job was done, he presented his card and told Stowe he had done a perfect job of lubrication according to the standard requirements of the Atlantic Refining Company.

F. B. Stowe receives a check for \$5 and his father, T. B. Stowe, proprietor of the station, also receives a check for \$5. In addition, the son will receive his certificate for expert lubrication from the company.

MRS. KEEN IS 90 YEARS YOUNG

Mrs. Helen Keen, mother of Mrs. Robert F. White, of Fulton street, Riverton, celebrated her ninety-third birthday today (Thursday) with a family dinner.

Mrs. Keen comes from a long-lived family, her father living to be ninety-six. He was rector of St. Mary's Church in Philadelphia for fifty-three years.

Mrs. Keen is the oldest of a family of nine children and her brother, Francis Yarnall, of Washington, who is sixty-eight, is the youngest. They are the only children still living.

Mr. and Mrs. Keen moved to Riverton in 1910 and Mrs. Keen has always been an ardent and active church worker. They celebrated their fiftieth wedding anniversary in 1922. Mr. Keen died several years ago.

Mrs. Keen has two sons and two daughters, Mrs. White, of Riverton, and Mrs. E. G. Emery, of Seattle, Wash., and Thomas B. Keen, of Long Island, and Charles Yarnall Keen, of Cincinnati, Ohio.

J. Gardner Crowell, of Main street, is her grand son.

SURPRISE PARTY ON 75TH BIRTHDAY

A surprise party on your seventy-fifth birthday is quite an event, at least Mrs. Anne Shannon, of 405 Midway, Riverton, thought when fifty-eight members of the Philaetha Class of Central Baptist Church, swooped down on her Tuesday afternoon.

The president of the class, Mrs. Elias Toy, rang the door bell of the Shannon home and told the surprised lady that she had brought her a bouquet from her garden. While all this was going on the other members of the class stealthily slid in the back door and started to sing "Happy Birthday to You."

Mrs. Shannon received a birthday cake with seventy-five candles on it and a beautiful basket of flowers from the class, besides other gifts.

She also received a birthday card with fifty-eight names signed on it. The guests were: Mrs. Lillian Moore, Mrs. Ethel L. Lockett, Rev. George Lockett, Mrs. E. V. Adams, Mrs. Mabel Snelson, Mrs. Elizabeth A. Taylor, Mrs. Mary E. Johnson, Mrs. Laura M. ROUND-UP WILL COMMENCE MAY 10

Parents of Children of Pre-School Age Are Asked
To Cooperate

Parents of pre-school children are requested to cooperate with the Riverton school and P.T.A. during the annual "Summer Round-Up." All two, three, four and five year old children should be examined during the drive so that records can be completed before the end of the school year.

It is an advantage to the child as well as to the school to have a complete yearly health record available on admission to school. Local doctors will examine children in their offices on the following days:

Dr. C. S. Mills—Monday, May 10, 2 to 3 p.m.

Dr. H. B. Mark—Monday, May 10, 10 to 11 a.m.

Dr. D. H. LeFavor—Wednesday, May 12, 8.30 a.m.

OBITUARIES

MRS. ANNIE M. TOMES

Mrs. Annie M. Tomes, 82, of 127 East Fifth street, Palmyra, died at her late residence, April 28. She was the widow of the late James J. Tomes, one of the first marshals in Palmyra.

Funeral services were held Saturday, May 1, from the Snover Funeral Home, at 2.30.

Interment was made in Morgan Cemetery.

If Mrs. Tomes had lived until June she would have been a resident of Palmyra for fifty years.

She is survived by one son, Albert, and one daughter, Mrs. Samuel H. Avis, of Somers Point.

She was the grandmother of James J. Tomes, of Moorestown, and Margaret Tomes, of Palmyra.

EDWARD CORSON

Edward Corson, 82, of New Lisbon, and an old resident of Palmyra, died April 28 after a long illness.

Funeral services were held Friday afternoon at 2 o'clock from the Snover Funeral Home, the Rev. George Lockett officiating.

Interment was made in Morgan cemetery.

Mr. Corson left no relatives. He was the brother of Anna M. Corson, also a former resident of Palmyra, who died in 1932.

CHARLES H. SAYLOR

Charles H. Saylor, of 8454 Holman avenue, Delair, died suddenly at his home on Saturday.

Funeral services were held from the home of his son, Ralph, 415 West Fourth street, Palmyra, Wednesday afternoon at 2 o'clock, the Rev. Harold L. Creager officiating. Interment was made in Lansdale Cemetery, Lansdale, Pa., Frank A. Snover, funeral director.

BLAZE IN FIELDS THREATENS HOMES

At 2.30 Tuesday afternoon the Riverton Fire Department, under the direction of Chief Ezra Carhart, with the company from East Riverton, responded to an alarm on River Road across from the ice plant, where a field fire threatened several residences.

The blazing grass, in turn, ignited a large pile of waste lumber which flamed up in a lively fashion, giving the appearance of a blaze of serious proportions.

The fire was extinguished with the aid of pump cans and hand chemical tanks, no damage resulting.

YMCA DELEGATES MEET MAY 14-16

Convention Theme at Asbury to Be "Youth Confronts A New Day"

Six hundred delegates from the fifty-five Young Men's Christian Associations in New Jersey will meet at the Berkeley-Caret Hotel in Asbury Park, Friday, Saturday and Sunday, May 14, 15 and 16. The general convention theme, "Youth Confronts a New Day" will be considered under the following topics: "His Job and Security"; "His Ideals and Standards"; "His Guides and Leaders"; and "His Home and Friends."

A strong aggregation of speakers and leaders has been enlisted to lead the various sessions and present formal addresses on problems faced by young people today. The speakers include:

Rome A. Betts, member of field staff, American Bible Society.

James L. Ellenwood, executive secretary, New York State Committee YMCAs.

Dr. Peter K. Emmons, pastor, Westminster Presbyterian Church, Scranton.

Dr. Hornell Hart, professor of Social Ethics, Hartford Theological Seminary.

Lyman Hoover, International Committee Staff on furlough from Peiping, China.

J. Edward Sproul, member of National Council Staff in charge of Young Men's Work.

Judge Wells to Preside

One of the most interesting periods of the convention will be the banquet on Saturday night at which Judge Harold B. Wells, of Bordentown, will preside, and Lyman Hoover, of Peiping, China, will speak. Mr. Hoover, though still a very young man, has had an unusual experience during the last six years in his intimate contacts with the student life of China. He is a staff representative of the Rocky Mountain Student Field Council of the University of Illinois Association and of the Indianapolis YMCA. He is assigned by the national committee of the Y in China to work in the great educational center, Peiping, where he has been in charge of work carried on by the Y among the thousands of students there.

Important Work in China Hoover's influence has also been felt outside of student circles in Peiping. He early appreciated the need for an opportunity whereby cultured young Americans could meet Chinese of similar interests. He and Lennig Sweet, then general secretary of the Peiping Y, developed the Sino American Group in 1932 whereby young American business men, journalists and embassy language students can now meet and know intimately young leaders, business and professional men of China. He is a graduate of Butler College, class of 1922 and of Yale Divinity School, 1928. In 1921-22 he was a member of the executive committee of the Student Volunteer Movement for Foreign Missions, and later served as a traveling secretary of that organization. From 1928 until he sailed, September 6, 1930, for China, he was association regional secretary for the Student Division of YMCA assigned to the Rocky Mountain Field.

Local Delegation

Palmyra-Riverton YMCA will be represented by a large delegation at these meetings. Mrs. Robert E. Gowell will be an official delegate from the Ladies' Auxiliary. Others who plan to attend are A. E. Hargett, C. P. Mayfield, and Secretary

SUPERINTENDENT

W. REX MCCROSSON

of Palmyra, who was recently appointed superintendent of the New Jersey state prison farm at Leesburg.

W. E. Mount, Mrs. David Gould and Mrs. D. J. Symon.

BRIDGE CLUB IN FOURTH VICTORY

The Riverton Bridge Club won its fourth match of the season last Thursday night by scoring a 1550 victory over the Vineland Bridge Club.

The scores were as follows:

Mr. Burns and Mr. Ochs playing E. and W., won by a score of 620. Dr. Dey and Mr. Sims, playing north and south, won by a score of 1980.

Mr. Evans and Mr. Downs, playing east and west, lost by a score of 1,100.

Mr. Werner and Mr. Metzgar, playing north and south, won by a score of 50.

The local club now has a record of five wins and an equal number of losses for the season. The last match will be played at the Salem Country Club, on May 14, when the first annual banquet of the league will be held.

POWERS DELEGATE ON FLOOD CONTROL

Congressman D. Lane Powers was one of the delegates to the Rivers and Harbors Congress recently held in Washington.

The purpose of the conference was to study flood control. Because of his interest in this subject particularly as it applies to the Delaware River and its tributaries in New Jersey, Congressman Powers was appointed by Governor Hoffman as one of the delegates from New Jersey.

C. R. BEEGLE IS NAMED PRESIDENT OF STAMP CHAPTER

Fifteen enthusiastic stamp collectors from various points in South Jersey, members of the American Philatelic Society, met in the Community House at Moorestown last Friday to form a South Jersey Chapter of that society. Seven members of the local YMCA Stamp Club were included as charter members: R. G. Adams, Alfred Bauer, C. R. Beegle, E. H. Garey, J. A. Hess, C. P. Mayfield and R. C. Thomas.

C. R. Beegle, Riverton, was elected president, J. W. Chew, Merchantville, vice president; H. F. Walton, Jr., Moorestown, secretary, and C. P. Mayfield, Riverton, treasurer. The membership includes some advanced collectors of national reputations, and interesting programs are assured. The club will meet in the Moorestown Community House at 8.00 p.m. on the second Friday of each month. Membership will be by invitation.

DEMOCRATIC CLUB MEETS MAY 11

The annual Medford meeting of the Burlington County Democratic Women's Club will be held at the home of Miss Elizabeth R. Cowperthwait on Tuesday evening, May 11th, at 8.15 o'clock. Softball League

On Monday night the Memorial Park Softball League opens its sixth season.

Since its inception, this organization has been supported by baseball enthusiasts from Riverton, Palmyra and Cinnaminson, and, although the games have been played in Riverton, the league has been a splendid example of cooperation between all three communities.

The local league has always stood for the best in baseball and the continued support of our citizens is a fine expression of the enjoyment afforded by this phase of our national pastime.

Considerable credit is due to officials, umpires, managers and players who have contributed of their best to make softball here an example of clean sport all over South Jersey.

GIRL SCOUTS HAVE COURT OF AWARDS

Number Invested Into Troop;
Many Phases of Work Are Described by Girls

The Girl Scout Court of Awards was held in the Methodist Church on Tuesday evening with Captain Irene Anders in charge.

The ceremony opened with the Tri-Fold program, with Dorothea Gosner, Dorothy Mohrfield, Peggy Haines and Carol Lenker taking part in this explanation of the Girl Scout emblem.

A number of girls were invested into the troop in the "tenderfoot" class. They were: Barbara Smith, Clara Swayne, Jane Fisher, Jessie Lippincott, Bessie McLaughlin, Tommie Lou DeHall, Sallie Coddington, Dorothy Leyshon, Ruth Gardner and Virginia Abbill.

Explain Scout Work

Some of the girls explained the scout work by telling about trail signs, knots, compass and what to do in case of fire. These girls in their respective order were: Jessie Lippincott, Jane Fisher, Thelma Gamble and Ruth Haines. The Girl Scout points of health were also explained by Lois Underhill, who told about fresh air and sunshine; Dorothy Hurlings, exercise; Mary Schroeder, cleanliness, and Ruth Combs, rest.

Eleanor Gamble explained the judging of height, weight, distance and number; Natalie Ellms, service to the community, and Florence Henzler, hiking.

Awards for Merit

Those receiving awards for merit were: Dorothea Gosner, second class, home nurse, child nurse; Dorothy Mohrfield, second class, child nurse, health winner, scholarship; Eleanor Gamble, first class, observer; Peggy Haines, first class, housekeeper, child nurse, scholar, observer; Florence Henzler, first class, child nurse; Carol Lenker, scholarship, cook, housekeeper, child nurse; Lois Ward, second class; Virginia Schweizer, pioneer, handy-woman, housekeeper, dressmaker, 5-year service stripe; Thelma Gamble, patrol leader; Natalie Ellms, water life finder, child nurse, garden flower finder, world knowledge, journalist; Ruth Haines, housekeeper, junior citizen, Girl Scout aid; Helen Henzler, pioneer, and five year service stripe.

The mothers presented the girls with a basketball for use at their meetings.

DESCRIBES WORK OF STATE POLICE

Captain Russell A. Snook Is Guest Speaker at Meeting Of Rotarians

A "Joe McGinty" Case, in the parlance of State Police, is one in which a call carries with it anticipation of excitement and danger, but which turns out very tame. But not all are "Joe McGinty" by any means, according to Captain Russell A. Snook of the New Jersey organization who spoke on Thursday last, before an interested group of Rotarians on the work of the state police department.

Among the guests of the club were the police chiefs of Riverton, Palmyra and Cinnaminson, Messrs. Gootee, Beck and Dorworth, respectively.

Organized Crime

Captain Snook spoke seriously of the threat of organized crime which hangs over the head of every community, and every individual today, and covered very explicitly the responsibilities not only of the agencies set up to protect us, but of the citizen who is thus protected. He dwelt with justifiable pride upon the accomplishments of the service in the fifteen years it has been organized. Starting with 75 picked men, the troops now number 240, with an authorized limit of 300.

Credible police work is matched by equally credible performance in the fields of highway safety patrols, forest fire work and fish and game control. Police work includes essential but less known detective and identification bureaus.

Environment Important

Speaking with great feeling, Captain Snook recited a number of specific instances where circumstance and environment had led boys through delinquency, where some saving agency could have stepped in, on to the final chapters of criminality. He appealed for public support of all institutions devoted to boys' work as a primary contribution to a correction of the evils he described.

Recognizing the urgency of definite action in this direction, the state police department proposes to set up a crime prevention bureau to serve as a clearing house for all such organizations just as soon as its resources permit. Through such a course practical suggestions will be interchanged by organizations whose influences are helpful in this field.

Davis Cup Stars at Home Fete

(continued from page 1)

E. Russell Perkins and Mrs. James Davis.

Pet Booth

There is to be a booth devoted to mongrel pets—puppies, kittens, rabbits, white mice—any small animals that children love. If anyone can contribute to this booth, will he kindly communicate with Mrs. E. Russell Perkins, of Moorestown, before that date.

Be sure to learn your fortune at the fete this year. Mrs. Helen Worthington, of Pitman, will be present to give you a reading.

Movies, under the direction of Bob Hathaway, will be shown in Mrs. Lester Collins' barn, which adjoins the Field Club grounds.

For Children

How the children can possibly cover all the amusements of the day is a question. Ponies, the great game of Hitt, the Bottle, the Derby Races—three classes of them; guided by Betty Davis, fillies, by Dorothy Perkins, and finally the mares.

The men are also amply provided for. Dick Renaghan has charge of the obstacle putting. B. Hubert Cooper is superintendent of the Whoop.

Another new feature this year is a casting exhibition followed by contests in both salt water and fresh water casting.

Not to be outdone by their fathers the children will have an opportunity to cast for gold fish.

Delicious Supper

Miss Helen Woolman and Mrs. Ward Dix Kerlin, chairman of the supper committee, are providing the usual delicious supper served either in cafeteria style, or a la carte at tables. A special supper is being prepared for the children.

To wind up what promises to be one of Cinnaminson Home's most successful fetes, Mrs. Stuart E. Clark, of Riverton, and Mrs. Henry F. Walton, Jr., have planned a delightful dance, to take place Saturday evening at the Moorestown Field Club. They are assisted by:

Committees

Riverton: Miss Alice Parrish, Mrs. William Porter, Winfield Wilson, Mrs. Charles Carpenter, Miss Anne Glendenning Clark, Miss Mary Witter Rogers.

Moorestown: Miss Peggy Cooper, Miss Jane Walton, Miss Ina Mae Reagan, Miss Kathleen Kane, Thomas Elkinton, Kenneth Roberts.

Golfers Take Notice

A Kickers' Handicap Golf Tournament, under the direction of Richard Lippincott, is being played at the Riverton Country Club, Saturday, May 15, for the benefit of the Cinnaminson Home.

BOY SCOUT NEWS

Over-night Hike

Riverton Troop No. 1, Boy Scouts of America, are planning an over-night hike this weekend along the Rancocas Creek near Bridgeboro.

The boys will leave Saturday afternoon, take their pup tents and return sometime Sunday afternoon.

There will be a camp fire Saturday night where yams of all kinds will be spun.

The troop is in charge of Earl Windhovel, scoutmaster.

Non-Criminal Prints

In describing the work of the identification bureau, Captain Snook made a strong plea for a wider acceptance of the opportunity for the non-criminal public to be fingerprinted, and gave some astonishing illustrations of situations with which people are constantly faced where a fingerprint would have been avoided if the principals had had fingerprints on file.

PALMYRA

The home and foreign missionary societies of the Epworth M. E. Church will hold their annual strawberry festival on Saturday, May 8, from 7 to 9.30 p.m., at the church.

The Misses Jean and Addie Seel, of Cinnaminson avenue, spent several days at Haddon Hall, Atlantic City, where Miss Seel has been recuperating from a tonsil operation.

Mrs. Jessie Warner and Mrs. C. W. Rudolph spent Tuesday in Atlantic City.

Mr. and Mrs. G. J. Seel, Joseph Seel and Mrs. Jessie Warner spent Sunday as guests of Mr. and Mrs. Earle Vondersmith, of Bryn Mawr.

Mrs. Emma Blaser and daughter Esther and son Weston, of Germantown, were dinner guests of Mr. and Mrs. C. W. Rudolph, of Washington avenue, Saturday evening.

The Girl Scout Mothers Association will meet at the home of Mrs. William Swayne, 817 Garfield avenue, on Tuesday evening, May 11, at 8 o'clock.

Mrs. Eula Roach, district president, officiated at the installation of officers in the Delanco Camp, P. O. of A., No. 14, Monday evening of this week.

The card party of the P. O. of A. met at the home of Mrs. Elsie Schmidt, of Highland avenue, Wednesday evening of this week.

Miss Thelma Fisher, Miss Betty Hassell, Miss Grace Evald, Miss Carrie Bates, and William Homan have been attending a course for Sunday school teachers for the past six weeks at Burlington.

Have you sent in your bid? On what? Turn to page 3.

SACRED HEART SCHOOL CARD PARTY, MAY 7

The card party to be given by the Sacred Heart Parish this Friday night, May 7, at the school hall, Fourth and Linden, promises to be a highly successful affair from every standpoint.

Father Thompson, who heads the general committee, announces that he is more than pleased with the generous response of all the organizations and societies of the parish in collecting prizes and otherwise assisting to make this card party the banner event of the season.

Pinochle, bridge, five hundred, and other games for non-card players have been arranged. Father Thompson will also introduce an innovation which he is sure will go over in a big way. This will not apply to the regular games of cards that will be played.

MERCHANTVILLE TRIUMPHS AGAIN

Crushes Palmyra for Second Time This Season By Lop-sided Count

The Merchantville jinx got in another good afternoon last Thursday as Coach Dimond's baseball tossers bowed to the charges of Bob Elder for the second time this season, the score of the fracas being 12 to 2 in favor of the opposition.

Merchantville crushed the locals in the initial contest of the season, but since that time Palmyra has been going along at a lively clip.

Get Only Three Hits

The heavy artillery of the Red and White was completely throttled by the hurling of the opposition, while the winners were able to pound out an assortment of 18 bingles from the offerings of the local moundsmen.

FRIENDS' TEACHER TO GO ABROAD

Institutions Exchange English
Instructors for 1937-38
School Term

Following the college system of exchanging professors, Moorestown Friends' School and the Brondesbury and Kilburn High School for Girls, in Brondesbury, a suburb of London, will exchange English instructors for the 1937-38 school term.

This announcement was made Tuesday by Chester L. Reagan, headmaster of Moorestown Friends' School, who reported the exchange of instructors was arranged through the English Speaking Union of the United States, a union for better relationships between the English speaking people of the world, of which John W. Davis is president.

Miss Caroline Stein, head of the Friends' School English department, will go to England early this summer to exchange positions with Miss Evelyn Laura Evans, senior English mistress of the Brondesbury School, a position she has held for the past nine years.

Selected By Committee

Miss Stein was selected by the education committee of the English Speaking Union as a result of her achievements in the use of the contract system of teaching. Production of an issue of The Moorestown News each year by her senior class is typical of the unusual and outstanding work developed in the English department at Friends' School under Miss Stein's direction.

Miss Evans, who will leave for America about a month after Miss Stein arrives in London, is the sister of Maurice Evans, youthful actor, whose playing of Shakespearean parts in New York this year has won him wide fame. She has traveled widely on the continent and has considerable athletic ability, having starred in tennis, hockey and skiing. Miss Evans also excels in dramatics.

To Sail in June

Miss Stein will sail the latter part of June, which will enable her to spend at least three weeks at the Brondesbury School before the end of its current school term, which will not close until August 1.

Miss Stein, who will have the honor of being the first Friends' School teacher in America to participate in such an exchange of instructors, is a graduate of Mount Holyoke and has done considerable graduate work at Harvard University and the University of Pennsylvania.

Miss Evans is co-author of a book on teaching English and Junior School methods. It will be published in the near future.

MAY RALLY OF EPWORTH LEAGUE

The Southern Group of the Trenton District Epworth League will hold its May Rally on Saturday, May 8, at Rancocas. The rally will start at 4 p.m. with a recreational program and supper will be served at 6 p.m. in the firehouse. The evening service will be held in the Methodist Church at 7.30. The Rev. James F. Boughton, of the Broadway M. E. Church, Camden, will be the speaker. Leagues in the Northern Group are also invited.

There will be a rally for the North Group of Trenton District, Friday evening, May 7, at the Clinton Avenue M. E. Church at 8 o'clock. The rally will be held in connection with celebration of the 85th anniversary of the Clinton Avenue Church. Dr. Oscar M. Buck, professor at Drew University, will be the speaker. Southern Group Leagues will be welcome at this rally.

The attendance cups will be awarded at both rallies in accordance with the new contest rules.

HOWARD STREET BEING AMEISITED

The Riverton highway department is engaged in applying ameisite on Howard street between Fourth and Third streets.

When the work is completed another thoroughfare will have been added to the growing list of Riverton's highways which have been permanently paved.

TO GO ABROAD

MISS CAROLINE STEIN

member of the Moorestown Friends' School faculty, who will teach in Brondesbury, England, during the 1937-38 school term.

FORUM ANNOUNCES MAY BROADCASTS

Adventures in art, music and in the careful planning of leisure time as a means by which both children and adults can develop broader interests in the world of today will be discussed in the Homemakers Forum programs to be broadcast over Station WOR this month.

These 15-minute talks on problems common to modern homemakers are a presentation of the Home Economics Extension Service of Rutgers University, and are under the direction of Mrs. Marion F. McDowell, child training and parent education specialist of the Extension Service. The May program follows:

Thursday, May 13—"Adventures in Art," Prof. Victor D'Amico, director Art Department, Fieldston School, New York City. 3.00 p.m.

Wednesday, May 19—"Mother Needs Recreation," Dr. Anna S. Starr, assistant director, Psychological and Mental Hygiene Clinic, Rutgers University. 3.15 p.m.

Wednesday, May 26—"Overcrowding the Home Curriculum," Mrs. Sidney A. Cook, board member, New Jersey Conference of Social Work, New Brunswick, N. J. 3.15 p.m.

P.H.S. SENIORS VISIT CAPITAL

Nearly 100 members of the senior class at Palmyra High School arrived back at their homes Wednesday evening after a three-day visit in the nation's capital.

While in Washington, trips were made to all the principal points of interest which included many of the new buildings on Constitution avenue.

The trip was voted a thorough success by the members of the graduating class.

The chaperones for the affair were Miss C. Elizabeth McDonnell and Porte A. Wolfe, class advisers; Mrs. Kay Long and James Hughes.

The seniors arrived in Washington on Monday morning and, during their visit were quartered at the New Colonial Hotel.

Only one week remains to secure new members for the Junior YMCA Stamp Club as far as the competition in which the boys have been engaged since mid-February is concerned. One of the requirements is that the new members must attend three meetings to qualify his sponsor in the competition.

Four more meetings are scheduled for this season which will end with the session on Friday, May 28, when the awards are made. New members will, of course, be welcomed up to the last meeting, but the prizes will be based on the record as it stands three weeks previous.

The committee is also offering special awards for attendance which will be made when other awards are announced at the last meeting. A surprise feature will also mark this meeting of May 28.

BELIEVES ELMS CAN BE SAVED

Disease Which Threatens Trees
May Be Eradicated in
Next Few Years

The American elm is still the most desirable ornamental species of tree for New Jersey, according to E. G. Rex, supervisor of plant pest control, State Department of Agriculture.

"This declaration may seem like heresy in the face of present conditions precipitated by the occurrence of the Dutch elm disease in the northern half of the state," Rex added, "but investigations by the state and federal departments of agriculture convince us that the disease will submit to an eradication effort which will be thorough and complete within a few years."

Ornament and Shade

The American elm, by virtue of its longevity, wide range of adaption, and symmetry and grace of outline well deserves its position as the most desirable tree for ornamental and shade purposes. Its normal habit of growth results in the unfolding of a huge canopy which does not attain its full glory until 25 or 50 years after planting.

Prospective purchasers of American elms are urged to make their selections from vigorous stock such as can be found at most of the nurseries of the state. Elms are trained in the nursery rows to an upright growth habit which is certain to be reflected in the ultimate shape of the mature tree.

As additional protection, sprays are used regularly on nursery trees and the inspection of New Jersey nurseries by the Department of Agriculture insures American elms of high vigor, free from Dutch elm disease infection and from insect pests.

TAX RATE IN COUNTY FOR 1937

Tax rates for Burlington county's 39 municipalities for 1937 were revealed Monday by Albert Collier, president of the Board of Taxation. Of those listed, 22 show slight increases over the 1936 assessment. Delran township remains the same.

The 1937 tax rates per \$100 valuation follow:

Bass River	3.52
Beverly City	5.62
Bordentown City	4.98
Bordentown Township	1.56
Burlington City	4.52
Burlington Township	4.74
Chester	8.06
Chesterfield	2.80
Cinnaminson	3.28
Delanco	5.34
Delran	3.44
Eastampton	5.22
Edgewater Park	4.78
EvESHAM	4.52
Fieldboro Borough	4.24
Florence	3.56
Hainesport	6.62
Lumberton	4.38
Mansfield	3.12
Medford	3.64
Moorestown	4.40
Mt. Holly	5.30
Mt. Laurel	4.98
New Hanover	6.32
North Hanover	4.12
Palmyra	4.30
Pemberton Borough	4.40
Pemberton Township	3.26
Riverside	6.04
Riverton	3.76

Springfield	3.66
Tabernacle	5.44
Washington	4.60
Westampton	6.20
Willingsboro	4.30
Woodland	5.10
Wrightstown	4.56

The tabulation of assessed valuations in the various taxing districts, just issued by the county taxing board contains some interesting information.

For instance, there are but three municipalities in the county having assessed valuations of more than \$5,000,000. They are Florence township, \$5,872,760; Burlington City, \$5,455,802; Moorestown \$5,276,455. The lowest is Wrightstown borough, \$62,255.

Riverton's valuation is \$2,412,150; Palmyra, \$3,679,305; Cinnaminson, \$1,563,075; Riverside, \$2,421,490.

AN INDUSTRY OF STRANGE CONTRASTS

The making of automobiles is an industry of strange and fascinating contrasts. In methods, machinery and men these contrasts form an interesting pattern that will be immortalized in the future by those who write the story of the development of the motor car. At the left is August Jorgensen, who daily forges conveyor hooks and small parts on his old-fashioned anvil at the Chevrolet Gear and Axle plant in Detroit. At the right, workmen are shown installing a huge 65-ton hammer base in the forge plant scarcely more than a half-mile away. It is, in the strictest sense of the word, nothing but an "anvil"; but a steam hammer replaces the brawny arm of Jorgensen, and on it Chevrolet crankshafts instead of conveyor hooks are forged.

TRIPS ENJOYED BY LARGE CROWD

Baseball Game Popular, Many
Go to Wilmington and
Phila. Navy Yard

The several trips which concluded the Youth Week activities were well attended and, from all reports, the affairs were thoroughly enjoyed by all those who participated. Over 250 boys and girls filled three double-decked buses on Friday afternoon to attend a baseball game at Baker Bowl between the Phillies and the Boston Bees, through the courtesy of the management of the local club.

Phillies Lose

The Phillies lost 10-2, but this failed to dampen the ardor of the youthful fans who, from recent sandlot exhibitions, absorbed much of the big-time technique of the national pastime.

Supervisors for the affair were: Wilton E. Mount, Mrs. Betty Hines, William Gibson, F. J. Schwartz and Arthur Terrell.

Boat Trip

Nearly a hundred river enthusiasts left the Y at 9 o'clock on Saturday morning for the boat trip down the Delaware to Wilmington. Return was made at 5.30 in the afternoon after a day on one of the big Wilson Line steamers.

Those in charge of this event were Mrs. R. E. Gowell, Richard M. Woodward, Mrs. Betty Hines, Wilton E. Mount, Mr. and Mrs. McNulty.

Navy Yard

The trip on Saturday afternoon to the United States Navy Yard, Philadelphia, also proved to be popular to a large number who were driven by William McDermott, Mayor John F. Ward, of Palmyra, and Frank Chambers.

Guides showed the visitors about the yard and explained many of the interesting features of this important naval base of Uncle Sam.

P.O.S. of A. NEWS

Camp 23, P. O. S. of A., Palmyra, will celebrate its forty-fourth anniversary by attending church at Central Baptist on May 9, at 7.30 p.m. The annual banquet and reunion will be held on Monday night, May 10, at 6.30.

An interesting Memorial Day program has been prepared for Sunday, May 30, with exercises in the hall.

RED CROSS CHAPTER MEETS AT BURLINGTON

The monthly meeting of Burlington County Chapter American Red Cross will be held in St. Mary's Guild House, Burlington, on Tuesday, May 11, at 2 p.m.

RED CROSS LIFE SAVING INSTITUTE

The American Red Cross is sponsoring a Life Saving Institute at the Moorestown Community House pool during the period May 4 to May 15. Instruction will be given free to all boys and girls over the age of 12. Classes start at 4.30 o'clock in the afternoon.

NEW BLANKET CLUB

The St. Agnes Guild of Christ Church, Palmyra, is opening a blanket club in which various prizes such as sheets, table linen and pillow cases can be obtained.

Those interested in entering this club are requested to phone Riverton 1160 at their earliest convenience.

Higher Taxes— Or True Economy?

By RAYMOND PITCAIRN
National Chairman
Sentinels of the Republic

During the past few weeks there have been increasing demands on Congress for curtailment of reckless spending.

From official sources have come warnings that the choice lies between a program of reasonable economy and a series of fresh additions to the already heavy burden of taxes.

Which of these two courses will Congress follow?

Each has its advocates. To bureaucrats and politicians who must depend for their jobs and their popularity on a continued program of public spending, the decision will seem an easy one. Naturally they would have Congress oppose any program of economy.

To the average citizen, who, either directly or indirectly, pays the taxes which officialdom spends, the answer will be similarly obvious. He wants to see his Congressman reduce, rather than increase, the steady drain on earnings and savings which now consumes so large a part of his income.

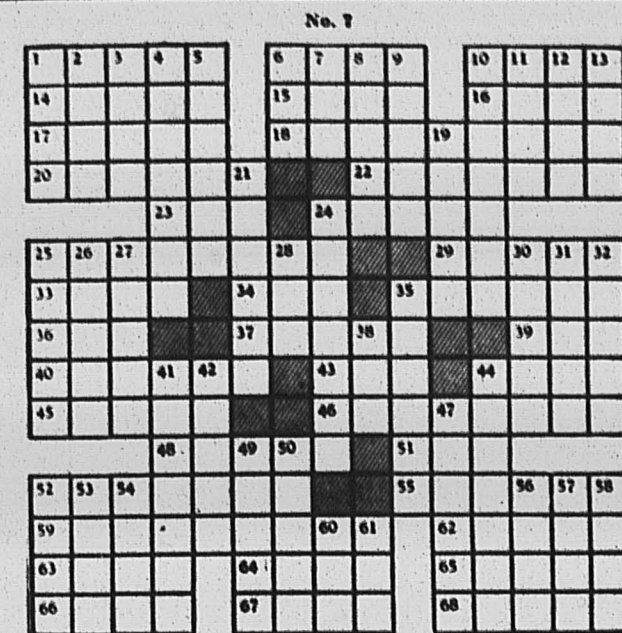

Unlike the bureaucrat and the politician he believes that the way to balance budgets is not by raising his taxes, but by cutting down the bills which he must pay.

By its decision Congress can demonstrate whose voice registers stronger at Washington—the politician's or the constituent's.

And in that demonstration the voters and taxpayers of America can find effective guidance when they are called upon to decide at the polls who shall represent their interests in Washington.

RIVERTON FIRST WINS CUP MATCH

Defeats Llanerch 4-3 on Local
Course as Other Teams
Lose Inaugural

Riverton's first team got away to a successful start on Tuesday, in the Women's Interclub Cup Matches, by defeating Llanerch first on the course of the Riverton Country Club by the score of 4-3, the match being in competition for the Fourth Cup. Matches were won by Mrs. H. M. Kieckhefer, Mrs. Richard Lippincott, Mrs. Roscius Downs and Mrs. P. A. Ransome.

Other Teams Lose
Playing at Sunnysbrook for the Seventh Cup the Riverton 2nd lost to Sunnysbrook 2nd, Mrs. Howard Coe winning her match 1 up, while Mrs. R. C. Charlton lost 1 up after a grueling battle of 22 holes. Riverton 3rd lost to Llanerch 3rd on the latter course, this being a match for the Eleventh Cup. The score of the Fourth Cup match: Mrs. Hendrickson lost to Mrs. Deasy 2-1. Mrs. Sheble lost to Mrs. Voorhis 2-1. Mrs. Humphreys lost to Mrs. Deardon 6-5. Mrs. Kieckhefer beat Mrs. Miller 2-1. Mrs. Lippincott beat Mrs. Anderson 7-6. Mrs. Downs beat Mrs. Fleming 3-1. Mrs. Ransome beat Mrs. Cloyd 4-2.

Committee Reports
Arthur H. Burns, chairman of the property committee, submitted a detailed report of minor repairs which had been made and suggesting some painting, etc., to be done during the summer. It was also decided to remove a section of the fence between the school property and that of William C. A. Co. adjoining, and the committee was instructed to look into new flooring for the rooms in the old portion of the building. John L. Metzgar, chairman of the supplies committee, submitted a list of manual training and general supplies and the clerk was instructed to advertise for bids. The clerk was also authorized to advertise for bids for coal. On request of Mrs. Yost, the clerk was instructed to endeavor to secure from the State Department of Education copies of the school law for each member of the board.

Miss Staman's Report
Boys, 114; girls, 113; total 227. Attendance Boys, 86.8; girls, 90.5; total, 89.3. Long absences due to the recent epidemic of chickenpox affected our attendance but fine spring weather will undoubtedly improve it. Seventeen children were examined by the school physician during the month, 8 excluded from school; 34 pupils attended the four dental clinics. The "Summer Round-Up" will be conducted in the same manner as last year, May 10 to 13. Plans are made and activities started for Play Day to be held June 2, if Memorial Park is available for our use on that date.

The class preparing to enter high school were given most satisfactory help in choosing their courses and making out their programs for next year. Mr. Jones and one of his teachers came in on the morning of April 26, and met each pupil who expects to enroll in Palmyra High School, talked with them, asked for information about them, and explained the various courses. They were given their Handbooks and parents came in the afternoon to approve the courses selected. Eight parents came to the meeting, three had talked with me previously, all communicated with me directly. Thursday, May 6th, these fifteen students will spend the day in their high school classes following the program arranged. It was a fine piece of guidance. We have one application for Moorestown high school, one pending, one boy going to a private

CHURCH NEWS

EPWORTH M. E. CHURCH
Rev. William A. Boyd, Pastor

Mother's Day will be celebrated in the Methodist Episcopal Church this Sunday. "The Conservation of Womanhood" is the subject of the sermon to be delivered by the Rev. W. A. Boyd, minister of the church. This service begins at eleven o'clock. The senior and junior choirs will sing special numbers in this service. At 7:45 we are having the Mothers' Tribute Service. Special features will consist of the following: The Boy Scouts, the Girl Scouts and their mothers will attend the service in a body, as will the Friendship Circle Bible Class. This class will provide the ushers for the service. A Mothers' chorus will sing hymns mother sang. Elizabeth Stein will give a tribute to Mother, as will Lloyd Griscom. Mrs. Arthur Mandeville will give the address, which will be entitled "Hannah." We welcome the community to all our meetings.

The mid-week church service will be in charge of the minister this week. The subject for consideration will be "The Holiness of the Father." The lesson is taken from I Peter 1:17-21.

FIRST LUTHERAN CHURCH
Rev. Harold L. Creager, Pastor

Mother's Day will be celebrated next Sunday. Special features for this occasion will be provided in the Sunday School. The sermon at the morning worship will be on the theme, "Rewards of Motherhood." All mothers connected with our Church or Sunday School are very specially invited.

The sermon at the evening worship will be "Some Things We Cannot Do Without."

This Friday evening play, "It Happened in June," which was recently presented by members of the church before the Companions Club, will be repeated in our church basement. This is an enjoyable comedy. Our friends are invited to attend. There will be no set admission charge—a silver offering will be received.

CENTRAL BAPTIST CHURCH
of Riverton and Palmyra

Rev. George Lockett, B.D., Pastor

The topic for the morning service at 11:15 will be "The Pearl of Great Price."

At 7:45 the P. O. S. of A. will make their annual visitation and the theme for the evening service will be "The True American."

Thursday, May 13. The choir will meet in the parish house for the purpose of rehearsing church music.

Saturday, May 15. The annual service of the presentation of the Lenten offering will be held in our Cathedral in Trenton.

COUNTY COUNCIL
MEETS ON MAY 12

A meeting of the Burlington County Council of the New Jersey Congress of Parents and Teachers will be held on Wednesday, May 12, at 10 a.m., in the Methodist Church, Delanco. Luncheon will be served during the noon recess.

WESLEYAN CLASS ANNUAL BANQUET

Tuesday evening, April 27th, the members of the Wesleyan Men's Bible Class of the Epworth M. E. Church, Palmyra, held their annual banquet.

The banquet was prepared and served by various members of the class, and from expressions of those who attended it was outstanding, both in quantity, quality and service. The invocation was given by Rev. William A. Boyd, pastor of the church, and following the banquet William W. Homan, superintendent of the Epworth M. E. Sunday School, gave the welcoming address; Rev. James F. Boughton, pastor of Broadway M. E. Church, Camden, and Rev. Roger R. Clement, pastor of Richmond Baptist Church, Philadelphia, made extemporaneous remarks, after which Dr. Jabez G. Bickerton, of Riverton, delivered the main speech of the evening.

General Singing

The class chorister, Edmund Jones, led the general singing, the Wesleyan Men's Class Double Quartet, accompanied by the class pianist, Dr. H. B. Mark, sang several selections, the Turnock Trio, consisting of Mr. and Mrs. Joseph E. Turnock, and son J. Edmund Turnock, contributed to the pleasure of the guests. Mrs. Mary E. Boughton also rendered several selections in her own inimitable manner and charm.

Mrs. Ruth Parsons Strahan presented several delightful and humorous recitations.

Benediction was pronounced by the class teacher, Reading Z. Poinsett.

CHRISTIAN SCIENCE CHURCH

"Adam and Fallen Man" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 9.

The Golden Text is: "As we have borne the image of the earthy, we shall also bear the image of the heavenly." (I Corinthians 15:49).

Among the citations which comprise the Lesson-Sermon the following from the Bible: "For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. For as in Adam all die, even so in Christ shall all be made alive" (Romans 8:2; I Corinthians 15:22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (p. 491).

FOOD FACTS

Do you know that—

More than 3,000 acres of farm land are required to grow the 9,000,000 pounds of potatoes used annually in American railway dining cars.

Fresh milk and dairy products are the richest and most dependable source of vitamin A, a deficiency of which is the cause of nutritional night blindness.

In Italy after preparing licorice extract, the fibrous residue of the root remaining has been converted into high grade cellulose to be used for lacquers and gun cotton.

Rhubarb is a rich source of vitamin C but about 30 per cent is lost in cooking.

These "food facts" are compiled by the Division of Consumer Information, New Jersey State Department of Agriculture.

SACRED HEART P.-T.A.

The Sacred Heart P.-T.A. will hold their regular monthly meeting in the school auditorium at 8 o'clock next Thursday, May 13. The executive committee will meet promptly at 2:30. Election of officers will be the business of the afternoon.

BIRTHS

Mr. and Mrs. Francis Nachman, of 605 Cinnaminson street, Riverton, are receiving congratulations on the birth of a son, John Joseph, at the Mary Haas Robbins Maternity Home on April 30.

Westfield Friends' School

At the fashion show held on April 14, the Westfield Friends' School raised the sum of \$75 instead of \$15, which was printed last week.

A number of boys from Westfield Friends' School joined the community groups on Friday going to the big league baseball game, played between the Phillies and the Boston B's. It was a most enjoyable trip as well as an interesting experience.

The kindergarten class enjoyed a trip to the Philadelphia Zoo on Thursday, April 29. They spent an interesting morning touring the houses and grounds. The monkeys and the elephants seemed to command a great deal of attention from the children.

Junior Olympics

On Wednesday, May 12, from 3 to 5 o'clock on the grounds of the Westfield Friends' School, will be held the "Junior Olympics." Guests will include children from some of the smaller Friends' schools, Hadonfield, Buckingham, Frankford and Lansdowne. There will be relay races, broad jumps, boys' 50-yard dashes, girls' 30-yard dashes, girls' potato races, three legged races, and other events to form a Junior Olympic program.

Closing Exercises

The closing day exercises will be held in the usual site in the school building. The school will present an original dramatization of Hawthorne's legend "Pandora's Box."

The pageant will express its story through pantomime, music and dancing in which the whole school will take part.

The summer vacation will start the following day, June 4th, at 3 o'clock.

SUNDAY FIELD TRIP

There will be a field trip, first day morning, fifth month 9th, 1937. Those desiring to go will meet at Rancocas Park at 6 a.m. (D.S.T.). Bring breakfast lunch. In case of rain the event will be postponed one week to fifth month 16th. For transportation consult James L. Moore, Jr., telephone 313.

RIVERTONIANS SEE HINDENBURG BURN

Had Motored to Lakehurst to See Big Air Craft Come in Thursday Night

The Hindenburg catastrophe at Lakehurst last Thursday night was witnessed by two Rivertonians.

Henry L. Randall and John F. Hackett, accompanied by L. L. Hill and L. L. Jones, of the Oneida Company, of Oneida, New York, drove over to the airport to see the big ship come in.

They arrived about seven o'clock and watched the air liner maneuver for a landing. It was raining at the time and Mr. Hackett and Mr. Jones remained in the car, while Mr. Randall and Mr. Hill walked over to a point near the entrance to the hangar.

Two Phases of Accident
From their different positions the two groups witnessed two phases of the accident.

They both saw the Hindenburg sail around in a circle over the hangar and head for the mooring mast. Mr. Randall stood in a position which gave him a full broadside view of the ship. As it approached the mooring mast he noted an illumination of the rear section of the ship (about one eighth of its length) and the thought crossed his mind that a lot of lights must have been turned on inside.

This glow was almost instantly followed by a spear of flame which stabbed through the fabric and flashed up the side toward the bow with a hissing noise like a Roman candle.

Bursts Into Flames
This was followed by a terrific explosion as the central part of the big bag burst into flames. The rear of the ship sank to the ground slowly, followed by the middle section, (continued on page 4)

MOTHER-DAUGHTER ANNUAL BANQUET OF JUNIOR PORCH CLUB

The annual Mother-Daughter banquet of the Junior Porch Club was held last Wednesday evening with an audience of over 60 members and daughters, together with the prospective members of next year and their mothers.

Miss Irene Sipple, president of the club, was toastmistress, and called upon Mrs. H. M. Kiecheler, outgoing junior advisor and Mrs. A. M. Miller, incoming junior advisor for brief remarks.

Helen Mueller entertained with a number of piano solos and the five-reel movie, "The Romance of Riverton" was shown.

The newly elected officers for the coming year also spoke briefly on club plans for next fall.

PORCH CLUB

The annual meeting will be held on May 18th, at 11:00 a.m., when the department reports as well as the reports of the Visiting Nurse, Welfare, and Convention, will be heard. Club members are requested to bring a box luncheon, the club providing coffee and dessert.

NOTICE TO SOFTBALL

UMPIRES AND MANAGERS
Your attention is especially called to several slight changes in the rule book, and it is thought that some of the managers may be keeping their books in their pockets rather than checking up on these changes.

In order to avoid any controversies it is suggested that both umpires and managers become familiar with the rules as they apply.

HOWARD B. CONOVER

who was elected president of the Burlington County Bankers' Association at the annual meeting of that body held last Thursday evening at Log Cabin Lodge, Medford Lakes.

REVOCATION OF DRIVING LICENSES

A total of 103 persons lost their driver's licenses during the week ending May 7, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Forty were for drunken driving; 5 for reckless driving; 17 for speeding; 11 habitual violators; 6 were revocations resulting from fatal accidents, and all others 24.

With the inclusion of this week's figures, the department during 1937, revoked 523 licenses for drunken driving and the total of all revocations reached 1428.

D. A. R. TABLET UNVEILED MONDAY

Mrs. R. Selby Williams Gives Dedication Address at St. Mary's Hall

On St. Mary's campus, Burlington, Monday afternoon, May 10, the Annis Stockton Chapter, Daughters of the American Revolution unveiled and dedicated a beautiful bronze tablet on an oak tree planted by the chapter, in honor of the 100th anniversary of the founding of St. Mary's Hall.

Among the distinguished guests present was the Venerable R. Bowden Shepherd, former Arch Deacon of New Jersey.

Prayer was offered by the chapter's chaplain, Mrs. Anna Blackburn, of Palmyra. The dedication address was given by Mrs. R. Selby Williams, honorary regent, of Riverton.

The presentation was made by the chapter regent, Miss Edith Weller, principal of St. Mary's, received the gift with appropriate remarks.

Mrs. David Baird, of Beverly, honorary regent, assisted by her granddaughter, unveiled the tablet.

The program was delightfully interspersed with musical numbers rendered by the girls of St. Mary's who sang "America," "Trees," and "The Bells of St. Mary's."

Rev. Ward, the rector of old St. Mary's Church, offered the benediction.

ROTARIANS HEAR TALK ON AVIATION

David Little Describes Great Strides Made Recently in Aircraft

The report of the Von Hindenburg disaster came on Thursday evening, as a tragic climax to the absorbing talk on developments in aviation just completed at the Rotary Club by David Little, well-known local aviation authority. Mr. Little, who was technical checker of the article on aviation in the April issue of Fortune, which has been so widely commented upon, spoke on the great strides made recently in heavier-than-air craft, saying in part:

"High altitude flying, which is a feature of modern air transport, means much greater dependence upon instruments. The old-time intuitive flyer is giving way to the college man with a slide rule and higher mathematics as his equipment."

Radio Frequency
"One hazard of flying in bad weather has been the occasional inability of the pilot to orient himself in the silent zone above his landing field, when the periodic weather report was on. This resulted from the weather report and the radio beam being on the same wave frequency."

"If it so happens that the weather report came on just when he entered the zone marking his field, he would have no knowledge that his radio beam was interrupted and possibly go through the silent zone by which his field would normally be identified."

Filter Equipment
"A filter equipment which will enable the pilot, through a switch on his instrument panel, to cut out the beam or the weather report at will, (continued on page 9)

FINAL NOTICE

Notice is hereby given that all dogs in Palmyra must be registered on or before Saturday, May 15.

Persons owning dogs who do not comply with this ruling will be summoned to appear before the borough recorder, and dealt with according to law.

Chief, Palmyra Police.
C. Morris Beck,

Spring Colors Beautiful

At this season of the year, the grounds surrounding a large number of homes in Riverton, Palmyra and Cinnaminson present a particularly beautiful appearance and are the cause for much admiration on the part of passing motorists and pedestrians.

Particularly outstanding this year are the dogwood blossoms, both of the white and pink varieties, the latter being most colorful.

Tulips, in a wide variety of shades, appear to have been more extensively planted than for a number of years past.

The delicate tone of wisteria blooms lends considerable charm to many locations, as do the purple and white lilacs which are seen in great abundance.

Asales of brilliant crimson form vivid spots of color to lawns and the many attractive rock gardens are spots of beauty.

NURSE'S WORK TO BE RESTRICTED

Limited to School Activities; Engineers Give Report on Proposed Pool

Palmyra Borough Council was advised by the Palmyra Board of Education at the council meeting Tuesday night, that after June 30th, the services of the school nurse would be restricted to school work only. This information was imparted in a letter addressed to the Palmyra Board of Health and relayed to Council through Councilman Mervine.

Mr. Mervine stated that he regretted this action on the part of the Board of Education since it will undo all of the good work done in the years past when the nurse functioned as a child hygiene nurse. The services of the child hygiene nurse in the past have included work in four classifications, according to Mr. Mervine. They are, pre-natal, motherhood, pre-school and school cases. Under the new arrangement the attention paid to children of pre-school age will be eliminated, and this Mr. Mervine strongly objected to.

Question of Salary
One councilman asked if the decision of the Board of Education was inspired by the failure of council to appropriate a sum towards the payment of the child hygiene nurse's salary.

Mr. Mervine stated that such an idea was of little consequence since, after all, it all comes out of the taxpayers' pocket, no matter which governing body might pay it.

Under the old arrangement, pre-school children received attention fifty weeks in the year and now, Mr. Mervine stated, the nurse will have nothing to do all summer and the pre-school children will be deprived of the benefits of such a service. (continued on page 4)

CRASH AT RIVER ROAD AND S-41 INJURES DRIVER

At 12:30 Saturday afternoon the Chevrolet coach driven by Frank Natle, 427 Winslow street, Camden, and the Buick sedan driven by G. W. Philpott, Fellowship road, Maple Shade, collided at the intersection of River road and S-41, Palmyra.

Both machines were damaged and Natle was cut about the nose and suffered a thigh injury. He was treated by Dr. Dean LeFavor, of Palmyra.

At the time of the crash, Natle was making a left turn from River road into S-41, while Philpott was going south on the latter thoroughfare.

The accident was investigated by Chief C. Morris Beck and Officer Wallace, of the Palmyra police.

MUCH INTEREST IN WASHER AUCTION

No Strings to Offer, Nothing To Buy, High Bid Gets New G-E Machine

Interest is running high, especially among the women folks, in the coming auction of a brand new General Electric washing machine at the Taylor-Mathers showroom, 309 East Broad street, Palmyra.

Entering into the second week of this highly speculative contest, all sorts of wild guesses are floating from back yard to back yard and from telephone to telephone. Rumor has it that side bets are being placed as to just what price under the retail price of \$74.95 will take the washer.

One young man put in a sealed bid and said that if he gets it at his price, he'll resell it at a profit (we believe him, too—he isn't even engaged).

The contest is clean cut, there are no strings on the offer. It is being done to introduce this splendid line of General Electric washing machines. Only one will go at the highest price bid UNDER THE RETAIL PRICE. After that the price is \$74.95.

If you are a woman and could use a fine new washer we suggest to turn to page 6, fill in your bid and mail it today. If you are a man reading this article, we suggest the same; after all it's a better bet than a sweepstake ticket, and you don't pay unless you win.

This washer is on display in the window of the showroom of Taylor-Mathers. Stop in—look it over—and fill out your bid on the spot, seal it in an envelope and leave it at the store for the bid opening day, which is Saturday, May 22nd.

Westfield Friends School

Plans have been completed for the "Junior Olympic Festival" which will be held on the campus, Wednesday, May 12, from 3 to 5 p.m. Buckingham, Frankford, Lansdowne and Haddonfield Friends' Schools will be our guests and participate in the contests with us. There will be races, thirty and fifty yard dashes, jumps, ball contests and many other events to make up an interesting program. Refreshments will be on sale under the old beech tree. In case of rain the event will be held on Thursday.

A student council has been formed at the school, with representatives from each class. The purpose of this council is to make and enforce rules for the betterment of the school. A point system is kept for each of the grades. The representatives are as follows:

Sixth Class—Robert Flower, Roy Heister.

Fifth Class—June Rodman, Mark Hoepfner, Richard Hollerith (secretary).

Fourth Class—Harvey Hirst, Joan Bailey.

Third Class—Barbara Bromley, George Krusen.

Second Class—Ann Atlee.

First Class—Nancy Rituchard.

Kindergarten—Carolyn Jessup, Gordon Krusen.

The school monitors are the following: David Pittenger (head monitor), Calvin Robbins, Polly Roberts, Richard Robbins, Richard Gideon, Sonny Entwistle, Russell Laskovsky, Esther Wilson, Lenore Meyer, Barbara Jane Ronsome.

ENTERTAIN P.T.A. BOARD AT LUNCHEON

Mrs. H. P. Orlmann, of Elm Terrace, retiring president of the Riverton Parent-Teacher Association entertained her executive board at luncheon at the Riverton Country Club on Monday of this week.

Among the guests present were: Miss Caroline M. Staman, Mrs. A. Harold Baker, Mrs. Montgomery A. Simons, Mrs. David F. Gould, Mrs. Edward H. Blackwell, Mrs. Charles F. Stewart, Mrs. Francis B. Elwell, Mrs. J. Rowland Dey, Mrs. John H. Werner, Mrs. C. V. Devery, Mrs. John P. Abell, Mrs. Clarence T. Yerkes, Mrs. Frederick W. Metzger and Mrs. Porter B. Caldwell.

PALMYRA SCHOOL NOTES

Fourth Grade

A perfect attendance record for April was attained by the following pupils: Lucy Austin, Doris Caker, Beulah Gaines, Beatrice Johnson, Clara Vincent, William Allen, Joseph Austin, Leonard Cherry, Charles Person, Leroy Person and John Poindexter.

Fifth Grade

In the fifth grade the perfect attendance group is as follows: Portia Gale, Gloria Grimes, Dolores Ruffin, Ada Vincent, Elsie White and William Vincent.

Sixth Grade

The following pupils of the sixth grade have not been absent or tardy during the month of April: Jack Makin, Warren Milroy, Harold Rogers, Zepito Sacchetti, Charles Taylor, Frank Weigand, Conrad Windish, Beatrice Anderson, Dorothy Austin, Jennie De Marco, Lorraine Hawke, Laura Nebel, Patricia Rogers, Sara Ann Wright, Jeannette Little and Clare Oliver.

Fifty-two and four-tenths per cent of room 101 were neither absent nor tardy during the month of April. Those pupils are: Winfield Buckingham, Alan Cooper, George Downs, Dean Garwood, Thomas Hullings, Charles Jones, George Luce, Bertram Marple, Joseph Nos, Joseph Schweizer, Rudolph Volpe, Roland Wells, Betty Bacon, Ruth Cannon.

Hazel Dadino, Jane Ewalt, Dorothy Koppenshoefer, Doris Meyer, Evelyn Rahelic, Molly Reid, Linda Sacchetti and Delores Stephens. Thomas Hullings and Linda Sacchetti have not been absent or tardy during the entire year.

Seventh Grade

This week the geography classes are studying and discussing the coming coronation of King George of England. They are planning to construct a large booklet which will contain newspaper clippings and pictures of this event.

On Wednesday they plan to listen to the ceremonies radioed from London. Louis Oliver has loaned his radio for the occasion.

Newspaper Work

The newspaper work in the seventh grade is proceeding rapidly. Instead of having class papers, we are making each person an editor and he or she is producing the sheet for him or herself.

There are many veterans of the newspaper world in our class and some of the more popular names for the papers are Gazette, Chronicle, Ledger, Star, News, and the usual Bulletin.

Eighth Grade

Last Thursday, May 6, the prospective freshmen of 1937 spent a very enjoyable day visiting the high school. Schedules, which, with the help of Mr. Ray and Miss McDonnell, had been made out the previous week, were followed. The students were given a chance to see what would happen next year.

A lunch room committee, to keep order while eating in the cafeteria,

consists of the following people: Marilouise Baker, Richard Joyce, Gloria Markey, George Rivel and Jean Seiber.

Six new monitors were added to the monitor squad to help keep order outside in the lines. The new monitors are all from the eighth grade. They are: Marcy Lippincott, Gloria Markey, Sara Williams, Francis Ohmberger, Florence Hensler, Arthur Vreeland.

MANY OPENINGS IN U. S. ARMY

A new requisition for men to serve in the Philippine Islands has just been received from the War Department. These openings are in the Chemical Warfare Service, Coast Artillery, Infantry, Medical Department and Ordnance Department. It is the desire of the War Department to have this quota enlisted in time to sail on the transport from New York on May 19th. This is a fine opportunity for qualified men to see the Orient.

There are still large quotas of men needed for all the branches of the service with stations in Hawaii, Panama and the Second Corps Area. Men qualified as cooks, typists, mechanics, machinists, carpenters, radiomen, musicians, draftsmen, welders, photographers, etc., have a fine chance to serve in one of the many organizations needing such specialists.

Further information can be obtained from the recruiting officer, post-office building, Camden, N. J.

Nevada has a population of less than one to a square mile.

"BOAT CRUISE" IS PLANNED JUNE 14

Plans for the first annual Cooper Caper Show Boat Cruise were outlined at a meeting of the general committee of the Cooper Hospital Junior Auxiliary at the home of Mrs. W. D. Kerlin, Jr., Moorestown.

June 14th has definitely been selected as the date and the Wilson Line Steamer "State of Pennsylvania" has been chartered for exclusive use on this night.

Special stunts and entertainment are being worked out by the entertainment committee and an evening of novelty and surprise is promised everyone taking the cruise.

Mrs. Kerlin announced the following members of the general committee:

Riverton: Mrs. W. H. Hahl. Moorestown: Mrs. E. S. Wilson, Jr., Mrs. Heberton F. Williams, Mrs. John S. Collins.

Haddonfield: Mrs. R. M. Kraft, Mrs. H. J. Smith, Miss Elizabeth Riggins, Mrs. Ward D. Kerlin, Jr. Merchantville: Mrs. Calvin Tenniswood.

Haddon Heights: Mrs. Raymond Brierley. Camden: Mrs. Everett Hires. Westmont and Collingswood: Mrs. John Van Arkle.

Tickets may be secured from any member of the Junior Auxiliary committee.

CHRISTIAN SCIENCE CHURCH

"Mortals and Immortals" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 16, 1937.

The Golden Text is: "They that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you." (Romans 8:5, 9).

Among the citations which complete the Lesson-Sermon is the following from the Bible: "Know ye that the Lord be is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture" (Psalms 100:3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind. He has been forever in the eternal Mind, God; but infinite Mind can never be in man, but is reflected by man. The spiritual man's consciousness and individuality are reflections of God" (p. 336).

The Riverton Yacht Club

Within a few days the Riverton Yacht Club will inaugurate its 1937 season of activities.

Founded July 1, 1865, as the first yacht club on the Delaware River, and one of the first in the United States, the local organization can well look back upon a record of which our citizens should be justly proud.

During the depression period and under the severe competition of automobiles used for recreation instead of boats, the club carried on despite great difficulties.

With the crowded condition of the highways people are once more turning to the water for pleasure and relaxation, and interest in the Yacht Club is again on the upturn.

Under the able leadership of Dr. C. F. Voorhis, commodore, and E. K. Merrill, chairman of the regatta committee, the Riverton Yacht Club is more than keeping abreast of the times, and continued growth should be inevitable.

We extend our best wishes for a most successful 1937 season.

CLEAN-UP WEEK
SET FOR PALMYRA

Collections Start on Monday,
May 17, Citizens Urged
To Cooperate

Mayor John F. Ward, of Palmyra, has designated the period May 17-21, as Clean-Up Week, in that community and asks the cooperation of all citizens in taking advantage of the special collections of rubbish which will be made from Monday to Thursday of that week.

The collection schedule is as follows:
Monday and Tuesday: South of railroad, both sides of Lincoln to Public road.
Wednesday and Thursday: North of railroad from west side of Elm avenue to S-41.

No Garbage
Those in charge of the clean-up wish to emphasize the fact that no garbage will be taken, and that no rubbish will be carried from cellars or yards.

Material to be carried away should be placed in boxes or barrels on the curb.

MEMORIAL SERVICE
WILL BE HELD BY
LOCAL A. O. M. P.

Palmyra Assembly, A.O.M.P., will hold a memorial service for brothers departed during the past year at their next meeting on Tuesday evening, May 18. This is the annual custom by most assemblies throughout the order at the May meeting, and a large attendance is urged to take part in the services.

There will also be several candidates initiated at this meeting. The session is scheduled to wind up with a feast.

On Monday evening, May 17, Palmyra Assembly will pay a visit to Haddon Assembly at Haddonfield. The delegation will meet at Palmyra station at 7.30.

A producers' banquet will be held at the Old Mill Inn on Thursday, June 24. Every member who secures a new member and the new member are invited to attend, at this banquet free. All other members are invited to attend for the small sum of 65c.

Nurse's Work to
Be Restricted

(continued from page 1)

Thus, for the same salary, the people lose this extra summer service.

Mr. Mervine explained that the New Jersey State Department of Education and the State Board of Health are at loggerheads concerning the school nurse situation. He did state, however, that the State Board of Health was in a position, through its organization, to better prescribe for the needs of school children than the State Educational Department.

Committee to Investigate

Mayor Ward appointed Councilmen Mervine, Buchholz and Engle to serve on a committee to meet with the educational committee of the Board of Education as well as with representatives from the New Jersey Department of Health and the Educational Department of the State, to discuss the situation. Councilman Buchholz declined to serve, however, and Councilman Flynn was appointed in his stead. The Mayor will sit with this committee.

Assessor James Hartley announced an increase in the borough tax rate for 1937 of ten cents per hundred dollars of assessment.

Gets Liquor License

Thomas P. Shorten was granted a retail liquor license for the property 701 Park avenue, Palmyra, in the place of the one held by William Kooker, formerly of the same address.

A representative of the Palmyra W.P.A. workers was present and asked if something could not be done about habitual delays in the receipt of their pay checks. Councilman Huyett was asked to investigate.

Councilman Huyett reported that 603 trees had been planted to date by the W.P.A. force and that they were engaged in grading and general cleanup work.

A second request is made by the borough authorities of the boys in the community, to refrain from damaging these young trees planted by the tree committee. A letter to this effect was circulated through the high school by the supervisor. Council passed a motion asking for the reinstatement of Homer Hill, area engineer of the W.P.A. for this district. The members of council were high in their praise of the services rendered Palmyra by this engineer who had been removed by the executive committee of the W.P.A.

Lower Insurance Rate

Councilman Wright stated that inquiry about a year ago asking for a cheaper fire insurance rate for Palmyra has brought forth a series of recommendations that, if followed, would reduce the rate. Among the requirements was the installation of a 750 gallon pumping apparatus on the Packard truck. This, the Mayor stated, would put reduction out of consideration for the present at least.

Councilman Flynn reported that he would soon have the new Palmyra building code ready for consideration by council and that it would be brought before the members at a special meeting.

Councilman Flynn stated that the Riverton and Palmyra Water Company had agreed to construct, within the next ten days, two tie-in mains in the vicinity of Memorial avenue where pressure has been below that required for fire protection.

Park Ready for Use

Mr. Flynn reported that the municipal park is in A-1 condition, and already baseball and tennis are being played. He emphasized that he would like to see the citizens of Palmyra utilize the facilities of the park to the fullest extent.

Remington and Goff borough engineering cast shadows of doom over the proposed swimming pool at the park as suggested by the American Legion. The letter stated that doubt was felt that the WPA would be interested in such a project, and that the estimated cost of \$15,000 was entirely too low. The upkeep after construction, and the problem of drainage, too, were matters of serious consideration. Mr. Flynn will meet with the Legion committee and the borough engineers to discuss the situation.

To Widen Broad Street

Councilman Engle reported that the county freeholders intend to widen the portion of Broad street now occupied by the discarded trolley tracks. No word has been received as yet regarding the oiling of Highland avenue, from the borough engineers, he said. The gravel streets not to be cut open by the sewer project will be oiled in the early part of June, Mr. Engle reported. A committee will investigate the possibility of widening West Broad street from Leconey avenue to Lester S. Fortnum's place of business. The property owners in this area have agreed to dedicate the necessary land to the borough if it can be accomplished.

Drainage Sewer

An agreement with the Tacony-Palmyra Bridge Company was executed in which the bridge company agreed to pay half of the sponsor's share in constructing a drainage sewer at the foot of Market street as a WPA project. The project is designed to eliminate the flooding of the area in the vicinity of the foot of Market street.

The building inspector's report noted improvements amounting to \$6,177.50 with fees of \$38.50. The sanitary inspector's report included fees of \$17 and the notation of one case of mumps and two cases of whooping cough.

The police report included two assault cases, two fighting cases, one suspicion case, one intoxication case, four cases of larceny, one assault and battery case and four traffic cases. The police accommodated 105 night lodgers, answered 40 calls and complaints, and 14 ambulance calls. Recorder Carl W. Lutz paid \$22 in fines to the borough.

A letter from the members of the sewing room project was read in which thanks was extended to the Mayor and council for financial aid in order that the project might be continued.

The welfare report showed a decrease of 22 cases during the month.

SOFTBALL LOOP
OPENS SEASON

Mayor H. McIlvaine Biddle, of Riverton, Tosses First Ball; Many Attend

The Riverton Memorial Park Softball League opened its 1937 season on Monday night, as a crowd of several hundred watched Mayor H. McIlvaine Biddle, of Riverton, toss the first ball to Walter (Sonny) Wright, to officially inaugurate current activities.

Mayor Biddle was introduced by Councilman Robert W. Knight, chairman of the Riverton borough property committee. Mr. Knight spoke briefly on the fact that Memorial Park was dedicated to the boys from Riverton who lost their lives in the World War. He also remarked that one of the men who fought in the war was still playing ball in the league and he felt that "Sonny" Wright should have the honor of catching the first ball of the 1937 season.

Mayor Biddle then whipped over a perfect strike to "Sonny" and the hostilities were on.

Winners

In the two games of the evening, the champion Broadway aggregation turned in an 11 to 3 verdict over Collins, while the fast Burke-Easley outfit subdued Askew by an 8-5 count.

Broadway got off to a flying start in the initial frame by pushing five big runs across the rubber. Conway singled to start the fracas, Daly doubled and two bobbles on the part of the Collins infield helped the cause along. Cahill added the final touch by blasting a tainted four-master into right field.

Collins Scores

Collins managed to score three runs in the second stanza, but this ended such activity for the evening. D. Oliver walked, Lesbee singled and Lieber sent one of Gonteski's slants sailing into the creek for a beautiful homer.

The victors added six more runs during the remainder of the game. Cahill, Broadway second baseman, got four hits out of five trips to the rubber, while Finney and Lieber each collected a pair for the losers.

Score by innings:
Broadway 5 0 0 2 1 0 1 2—11
Collins 0 3 0 0 0 0 0 0—3

Batteries: Broadway—Gonteski and Wright; Collins—Long, W. Oliver and Pfaff. Umpires: Rotenbury and Richman.

Burke-Easley Team Wins
Burke and Easley took over the other opening fracas from the Askew Motors team by the tight score of eight to five. At the beginning of the game we planned to tell you, if B & E won handily, that Askew was knocked slightly askew, but the game was close and well-contested, so that pun is out. We just like you to know what you missed—and rejoice yet!

In the opening stanza, Burke and Easley, the Bankers of former years took down the gas hose and squirted out two hits which netted two runs. Later, in the sixth frame they got out the pressure gun and popped Pitcher Knight and Pitcher Knight's slightly butterflyfingered helpers for six runs. Two and six make eight, so all the gasoline-mongers' runs are accounted for.

Sutters Scores Grand Slam

The Askew Motors team got three men on base in the third inning without hitting the ball out of the infield—two scratch hits and an error. Then up to the plate stepped George Sutters and smote a home run, a grand slam, a four master, or what

GAME LEAGUE TO
MEET AT MEDFORD

Sportsmen from all parts of Burlington county and various parts of South Jersey will attend a joint meeting of the Burlington County Game Protective League and Affiliated Sportsmen's Clubs of New Jersey at Medford Lakes on Thursday night, May 20. This will be a dinner meeting, with the meal at 6.30 and the business session starting at 8.00 o'clock. Burlington county sportsmen will make dinner reservations with the League secretary, Harold T. Parker, Mount Holly.

E. Budd Marter, of Edgewater Park, president of both organizations, says that the meeting will be of much interest, as sportsmen's affair will be discussed, the principal speaker will be Commodore Harcourt, of the Atlantic City Tuna Club, and some entertaining features have been arranged.

This will be the last meeting of both organizations until fall and a large attendance is expected.

BENEFIT DANCE AT
PARRY FIRE HOUSE

A dance will be held in the Parry Fire House on Saturday, May 22, at 8.30 p.m.

The affair is being given as a benefit for the Ladies' Auxiliary of the East Riverton Fire Company. There will be modern and square dancing. Tickets are available at 25 cents.

ever you prefer to call it. At any rate there are four Askew runs. Three singles manufactured another Motor run in the fifth canto.

The most potent Askew batsman was home run hitter George Sutters, while Joe Yearly, Jr., beat out three hits, including a double, to lead the Service Men.

Crisp weather made ski-pants appropriate, only nobody had the nerve to wear them.

Score by innings:
Askew 0 0 4 0 1 0 0 0—5
Burke-Easley 2 0 0 0 0 5 0 0—8
Batteries: Burke-Easley: Hytton and Bonatelli; Askew: G. Knight and McDermott. Umpires: Carhart and Johnson.

Observed at the Opening
A big league atmosphere was furnished with music supplied by a sound car which was sent to Riverton through the courtesy of the Freihofer Baking Co.

Both diamonds were in perfect condition and many improvements have been made since last season. These include rubber plates, regulation bases, skinned base paths and pitcher's box, foul lines perfectly aligned and turf in excellent shape.

The position of the east diamond has been altered so that fewer balls will be lost in the creek. This change should be a decided advantage.

The Burke-Easley team was handsomely attired in red and blue caps with white shirts bearing blue letters.

The Askew boys performed well despite the fact that their brand-new regalia did not arrive in time for the opener.

Broadway took the field attired in red and white, the aggregation being very well turned out for the initial contest.

Great Britain is widening 3,000 miles of road.

CATHOLIC HAS
ONE BIG FRAME

Scores Six Runs in Second to Beat Locals By 6-2 Count, DeShields Stars

Fine relief hurling by DeShields proved of no avail as Camden Catholic conquered Palmyra High's ball tossers last Friday afternoon by a 6-2 count, the victors scoring all their tallies in a big second inning uprising.

Baker started for the Red and White, but two walks and a brace of errors, sandwiched in between a single proved his undoing in the second stanza. DeShields was rushed into action, but six runs crossed before the side was retired.

No More for Camden

This ended the Camden scoring for the day as DeShields effectively collared the opposition.

The damage was done, however, as the local batters were unable to solve the delivery of Jaworski with any degree of success.

The Red and White staged a mild rally in the eighth which netted two runs. Whittemyer walked to open the session and stole second, later scoring on DeVinney's lustrous single into center. The latter went all the way to third as Amyzeb booted Wallace's bounder and counted as McDermott grounded out.

YMCA BRIEFS

Meeting of Secretaries

The May meeting of the county secretaries of New Jersey was held May 7, at the Mortimer L. Schiff Scout Reservation, Mendham, New Jersey. Secretaries Wilton E. Mount and Guy C. Hendry, from Burlington County, attended. A special guest was Hugh D. Maydole, now a resident of Princeton, who retired April 1, from the state secretaryship of New Hampshire. Many years of Mr. Maydole's association secretaryship were spent in New Jersey, first in Camden, then Camden county, following which he spent a number of years in Somerset county and with the state committee. Later he joined the national town and country staff and the past eight years was state secretary of New Hampshire. He is remembered by some of the old-timers at Camp Ockanickon, particularly when it was located up in the Delaware near Byram, Pa.

Open House Day

Notice has come to hundreds of old Ockanickon campers both boys and girls, that Saturday, May 22, will be Open House Day at camp. Anyone interested in camp is invited to come to Ockanickon on this date, arriving from two o'clock on that Saturday afternoon. Refreshments will be served to all visiting guests at Matollonequay Lodge, a combination headquarters and dining room building at the new girls' camp location on the upper lake, portion of Ockanickon's 530 "Acres for Character."

To Select Secretary

Howard G. Taylor, president of the County YMCA board, has named a special committee to study the question of selecting a secretary to fill the position vacated by Clifford Ergood. These members of the county board are Everett H. Haines, Robert C. B. Parker, John W. Thacher. This committee will report at the annual board meeting which is scheduled for Tuesday evening, May 25.

Early Camp Registrations

The early receipt of registrations for Camps Ockanickon and Matollonequay indicate the alertness of campers in the matter of taking advantage of the dollar a week reduction in the registration fee for all those who enroll before June 1st. This dollar a week reduction is also available up to June 1st, to all those enrolling for the first time. 1937 illustrated camp folders with enrollment forms attached may be had at the county YMCA headquarters at Mt. Holly.

YWCA NOTES

Day Camp

A contest for the naming of the day camp to be conducted by the Burlington County YWCA, July 6 to 30, is being conducted among girls of the county this week. The winning name will be announced at the end of May, and the girl who submits the best name will be awarded the opportunity of attending the camp for the entire month free of charge.

The camp site this year will be along the Rancocas Creek between Medford and Vincentown, in a beautiful grove of trees, with an open meadow adjoining which is well adapted to use for sports. The camp will be in session each Tuesday, Wednesday and Thursday from July 6 to 30. There will be a registration fee of fifty cents, and a weekly fee of one dollar, which includes transportation. Campers will bring their own lunch each day.

Varied Program

A varied program of activities is being planned, including swimming, nature study, handicrafts, games, dramatics, etc.

The day camp committee will meet Friday morning, May 14, at the Moorestown Community House to discuss further details. Committee members are: Miss Hannah Severns, Moorestown, chairman; Mrs. Eben Shinn, Rancocas; Mrs. Robert Sim, Riverton; Mrs. R. C. B. Parker, Mt. Holly; Mrs. Charles S. Beckwith, Pemberton; Mrs. E. P. Darlington, New Lisbon; Miss Nan Evans, Riverton; Miss Caroline Nice, Moorestown.

FIND OUT WHY YOUR FEET HURT

Free Examination By Specialists At Hirschblond's, Mount Holly, May 15

Did you ever stop to think why your feet hurt? Why corns form on the toes, callouses on the soles and bunions at the great toe joint? Or perhaps your feet ache and pain, tire easily, burn, perspire excessively or rheumatic-like pains creep up the calves of your legs, your thighs and sometimes to more remote parts of the body.

You will find an answer to these questions and a remedy for these conditions at Hirschblond's Quality Shoe Store, 36 Main street, Mount Holly, Saturday, May 15, when the famous Dr. Scholl's expert foot specialists will diagnose your troubles and suggest the proper remedy.

There is positively no obligation to buy.

Dr. Scholl, whose arches and other foot appliances have brought comfort to thousands of people for many years, is now building his own shoes, and the caravan which will come to Mount Holly on the 15th will carry more than 1000 pairs of these scientifically-constructed shoes for men, women and children.

A shoe built on correct principles, together with the Scholl foot appliances, should be able to successfully cope with any foot condition.

If you are not enjoying complete foot comfort, you are invited to avail yourself of the services and advice of the Scholl foot experts at Hirschblond's store on the 15th, and it is suggested that, in order to avoid waiting, you telephone for an appointment, Mt. Holly 320.

BOY SCOUT NEWS

Boy Scouts of Burlington County are preparing for the camporees that are to be held in the six districts of the council. Among district commissioners who are planning meetings of their scoutmasters is Paul R. Jones, of the Palmyra-Riverton District. Camporees will be held on Friday night, June 4, Scouts breaking camp on Saturday evening, June 5. A patrol will represent each troop and will be given 1000 points by the judges when they enter the camping area. Points will be deducted, during their 24-hour stay, for any errors that are made.

Summer Camp

A recent check on the scout troops of Burlington County shows that the camp will be well filled for a four-weeks' camping period this summer. The camp will open on Sunday afternoon, July 6, under the direction of the camp director, George A. Darlington, who will be assisted by John B. Stokes, Jr., of Moorestown, as program director. Four troops are at present, registered. These are Troop 21, of Parry, under Scoutmaster William B. Gibson; Troop 30, of Moorestown, under Scoutmaster Herbert Bloomer; Troop 26, of Riverside, under Scoutmaster Al Dallman, and Troop 29, of Maple Shade, under Scoutmaster Herbert Scilly. These troops represent a total camp registration of 90 scouts. By registering early, troops get an advantage of reduction in the enrollment fee.

National Jamboree

Plans are moving forward for scouts who are signing up for the national jamboree. To date eight scouts have signed up from the Burlington County Council to attend this affair. The scouts are as follows: Eugene E. Beyer, Jr., Raymond Underwood and Joseph Weiser, of Mt. Holly; John Price, Robert Heisler and Lyman Hollingshead, of Pemberton; Albert Thiel, of Palmyra, and James Wilson, of Maple Shade. There is room for 8 more boys who can meet the qualifications of having been a Scout previous to January 1, 1937, and having the camp requirements. Any scout or parent who is interested in the national jamboree is requested to get in touch with the council office in Moorestown by the closing date of May 20.

RIVERTON SCHOOL NOTES

Senior Assembly

The upper grade assembly on Friday, May 7, 1937, was opened by the Student Council president, Dorothy Cooper. After the opening exercises, a special Mother's Day prayer was read. Miss Staman's announcements followed. Then the program was turned over to radio announcer, Katharine Elwell.

This is the 7R "Act to Please Club" broadcasting from the Riverton Public School. A varied program has been planned in dedication to our mothers. Remember:

That, you have a mother dear,
Let not a word or act give pain;
But cherish, love her, with your life;
You ne'er can have her like again.

Jeanne Werner and Patricia Haberman will play a duet, "Under the Mistletoe," by Englewood.

Richard Brown will entertain us with Hawaiian selections on his guitar.

"Symptoms," and "Uncle Podger Hangs a Picture," are two of Jerome K. Jerome's most amusing essays. The 7R English class is responsible for their present dramatic form.

In "Symptoms," you will see Robert Fuller as the man who suffers from various symptoms, Anna Jay Showell is the maid, John Rogers takes the part of the doctor, and the chemist is played by Frederick Woodward.

Scene 1: At the home of Mr.

Fuller.

Scene 2: Dr. Roger's office.
Scene 3: The chemist's laboratory.
Let us all sing "A Merry Life," page 176.

Margaretta Smith will render a piano solo, "The Album Leaf," by Edward Grieg.

We hope that you will enjoy the way "Uncle Podger Hangs a Picture." The helpless Uncle Podger is portrayed by Charles Mooney, Aunt Maria by Jeanne Werner, the cook by Marjorie Cole. There are several children in the family.

This play takes place in the Podger home.

Parents please remain after the program for refreshments.

This is station RPS signing off. The Student Council president then led the assembly in the flag salute and the singing of the "Star Spangled Banner."

Junior Assembly

The mothers who witnessed the Junior Assembly Friday morning, May 7, 1937, were entertained by the lower grades.

Donald Symon led the opening and closing exercises and announced the various programs.

"The Three Little Kittens" was given by the kindergarten. A toy orchestra made up of first graders played two songs, "Old King Cole" was then presented by the kindergarten boys with Leon Foulke portraying the king. "May," a springtime song, was sung by the second grade. The third grade sang two songs, "Coo Coo" and "Dancing Song."

"Mistress Mary," the well-known nursery rhyme was enacted by the kindergarten girls. Joellyn Van-

Harry Orlmann.

GUEST DAY FOR GIRLS AT DREXEL

The annual "guest day" for high school junior and senior girls, given under the auspices of Drexel Institute of Technology, will be held Saturday, May 15, at the college. Invitations have been extended to students in the secondary schools in the eastern part of Pennsylvania and parts of the states of Delaware, Maryland and New Jersey.

In addition to numerous conferences and individual consultations, the program includes a luncheon at the Sarah Drexel Van Rensselaer Dormitory for Women, games and sports, and a picnic supper at Drexel Lodge, the college's beautiful country club in Delaware County.

Following registration in the morning there will be an opportunity for the high school students for individual conferences with the Deans of the Schools of Business Administration, Home Economics and Library Science.

At 11:00 a.m. the Guidance Conference will be held in the Art Gallery with Miss Crawley, of the Drexel faculty, presiding.

Girls will then take the guests to the Women's Dormitory for luncheon and from there to Drexel Lodge, Newton Square, where games and sports will include archery, badminton, basketball, pool shooting, paddle tennis, ping pong, tennis and water target.

Horn played the part of Mistress Mary. Lorraine Davis sang while Mistress Mary worked in the garden.

THE PEOPLE'S COLUMN

Editor The New Era,
Riverton, N. J.

In a recent issue of your paper there was cited a statement by Abraham Lincoln in reference to the Supreme Court of the United States.

May I call the attention of your readers to another statement by Abraham Lincoln on the same subject: "We think it (the Supreme Court's) decisions on Constitutional questions, when fully settled, should control not only the particular cases decided, but the general policy of the country, subject to be disturbed only by amendment of the Constitution as provided in that instrument itself. More than this would be revolution."

Signed,

For Good Government.

DR. P. K. EMMONS WILL BE SPEAKER

Dr. Peter K. Emmons, minister of the Westminster Presbyterian Church, Scranton, Pennsylvania, will be one of the principal speakers at the fifty-seventh annual meeting of the New Jersey Young Men's Christian Associations at Asbury Park, May 14, 15 and 16.

Dr. Emmons graduated from Princeton Theological Seminary in 1915 and served for a number of years as minister of the first Presbyterian Church in Trenton. While in Trenton, he was elected district governor of Rotary International for New Jersey and is still very popular throughout the state as a result of these many contacts.

Dr. Emmons is now a member of the trustees of Princeton Theological Seminary, the board of directors of the Chamber of Commerce in Scranton and is also a thirty-second degree Mason.

Topics of Addresses

The topics on which he will deliver addresses at the May convention in Asbury Park are "The Unique Opportunity of YMCA Leaders in Helping Youth" and "Youth's Guides and Leaders."

The New Jersey YMCA's operate in fifty-five different units and have in their membership and constituency nearly 100,000 members and constituents; 11,300 volunteer workers; 200 professional secretaries and property valued at \$12,500,000. Although small in area, New Jersey rates as one of the strongest YMCA states in the entire country.

STRAWBERRY FESTIVAL AND CONCERT BY BAND

The third annual strawberry festival and concert given by Mingin's Band, of Palmyra, will take place Saturday afternoon and evening, June 15, on the grounds of Society Hall, Palmyra.

There will be hourly concerts at 7 and 9 o'clock.

Tickets for the affair are 15c.

Equipped

The Snover Funeral Home, whose privilege it has been to serve these communities for many years, has by constant modernization and application of up-to-date methods, built itself into an institution equipped to efficiently and economically perform its appointed task.

OLD TRUNK MAY CONTAIN PRIZE

Westtown School Stickers Are Highly Prized By Modern Stamp Collectors

There are probably more opportunities for people in this section of Burlington County than anywhere else in America, to uncover, in that old trunk in the attic, an envelope bearing a little sticker much sought by stamp collectors. Did anyone in your family attend the Westtown Friends School in the period between 1853 and 1870? If so, you will be interested in these facts.

The Westtown School at Westtown, Pa., is the oldest of the secondary schools in America managed by the Society of Friends. It was established in 1799 and many of its students came from this section of New Jersey. Particularly in the period of which we write. Naturally they sent letters home and at that point begins the interest of stamp collectors.

Free Delivery Unknown

Free collection and delivery of mail was unheard of in 1853 and available only in the largest cities as late as 1863. The postal service collected and delivered to post-offices and individuals had to find a means of getting their mail to and from the post office. In the larger communities this service was performed by private companies for a fee. Many of these companies distributed and sold private stamps for the purpose and these are the "locals" which now range from a few dollars up to thousands of dollars in value.

Getting the mail to West Chester or Milltown was a considerable problem for the Westtown students, in the early days, and proved quite an assumed this responsibility. So expense for the school later on, when in 1853, the school issued, and sold for 2 cents, its own stamps to pay for this service.

Stamps, Small Stickers

These stamps were small rectangular stickers printed in gold and bearing the single word Westtown. They were issued at different times in two sizes and with and without a hyphen. Letters bearing these stamps were taken by stage to West Chester, less frequently to Milltown. After March 4, 1859, they were sent from Street Road post office, located at the railroad station, which later became the Westtown post office.

So look in that old trunk and if you find one make some collector happy. But if you value his friendship please, we implore you, leave it attached to the entire envelope on which you found it.

ANNUAL MEETING

The annual meeting of the Riverton Free Library Association will be held Monday evening, May 17, at 8 o'clock, in the Library. All subscribers have the privilege of attending this meeting.

PALMYRA

The Rev. William A. Boyd has returned after spending several days in Washington, D. C.

Mrs. Harry Kennedy, of Washington avenue, and Mrs. James M. Weart, of Highland avenue, are attending the convention of the State Federation of Woman's Clubs in Atlantic City this week.

Mrs. Alfred Bauer, of Washington avenue, is recuperating from a broken collar bone received when she fell on the steps in her home several weeks ago.

Mrs. Ada O. Smith, of Palmyra, has returned from California, where she spent the winter. Mrs. Smith will soon leave for Cape May where she will open the Sea Crest Inn.

Don't forget the Philathea Class flower mart to be held on May 22 at Taylor-Mathers store.

Mr. and Mrs. Ellsworth Coates and daughter Nancy, of Highland avenue, spent Sunday with Mr. and Mrs. Earl Naylor, of Burlington, at which time they motored to Lakehurst.

Clifton Seel, of New York, spent the weekend with his parents, Mr. and Mrs. George Seel, of Cinnaminson avenue.

The Palmyra Woman's Club will hold its annual business meeting on May 17 when the new officers will be

installed and the program will be in charge of the civic department under the leadership of Mrs. J. C. Malory. The speaker will be Paul Reese Jones, supervising principal of the Palmyra schools.

The Black Dragon Fencing Fraternity will hold a movie benefit during the week of May 17. Tickets may be secured from any member of the fraternity.

The Girl Scouts of the Methodist Church troop will go camping over the weekend of May 22 at Camp Matollonequay. The girls will leave the church at 8 a.m. Be sure to have 75c registration in by Tuesday. Mothers of the girls are invited, at a cost of \$1.75.

The White Dragons will hold a movie benefit during the week of May 24. Tickets may be secured from any of the girls.

The Girl Scouts and their mothers wish to thank all those who helped in any way to make their rummage sale a success.

Mr. and Mrs. George J. Seel, 3rd, and daughter Mitzi, of Maplewood, N. J., spent the weekend with his parents, Mr. and Mrs. George J. Seel, Jr., of Cinnaminson avenue.

A big fish of the "sea devil" variety, recently caught off the coast of California, was twelve feet across and weighed 800 pounds.

Puzzle No. 7 Solved:

Rotarians Hear

Talk on Aviation (continued from page 1)

is the solution which has been perfected in the laboratory, and will soon be standard equipment. This, however, requires a special transmitting system which sends out voice on one cycle and beam on another, from one antenna. Congress has acted to furnish \$11,000,000 to build this type of station on all airways during the next five years.

"The science of weather forecasting also has made rapid strides in recent years. Barometric readings on the surface of the earth have failed to reveal the great stagnant air masses which do not mix with the circulating air as the earth rotates.

99 Per Cent Certain

"These masses are of great significance among the conditions which control the weather. Their study has resulted in an accuracy of forecast which makes it possible not only to maintain a 99% certainty of schedule, but to dispatch planes literally to the edge of bad weather. As soon as observation posts can regularly be maintained at sea, further accuracy will be possible along our coastal areas.

Flying at high altitudes gives increased passenger comfort, operating economy and safety. T.W.A. cannot even operate economically below 7,000 and prefers a level of 10,000 feet where it is 90% free of inclement weather, and where such bad weather as is encountered is slow-moving and of small area.

Flight Levels

"It is interesting to know that westbound traffic flies on even 1000 foot levels, and eastbound on the odd 1000 foot altitudes. Furthermore, a government dispatcher, who knows at all times just what traffic is in the air, must approve the schedule of each flight. This schedule tells in advance the speed and the exact time of passage over each point en route, and this approved schedule may not be changed except to save the ship.

"Pilot and co-pilot, together with the company and the government meteorologists, spend the hour before take-off in mapping all details of the flight for final approval by the company and government traffic control dispatcher.

Larger Ships

"Ships," said Mr. Little, "will be much larger within five years. With four engines, they will accommodate 40 to 45 passengers. The greatest problem is the airports. The new ships will require paved runways two or three miles long with cleared areas two miles in length on each end. Finding such areas near the terminal cities is exceedingly difficult.

"Among the safety devices just ahead are radio markers on ridges and hills; shafts, beams or sheets of radio; halo illuminating fog lights which will pierce up to 2000 feet of ordinary fog and at least 600 feet of the very densest and anti-static antenna eliminating rain static.

"Finally the new ships will go back to the original tricycle landing gear—one wheel in front and two in the rear, thus eliminating another hazard."

One could not listen to Mr. Little's account of what is being done without acquiring greatly increased confidence in our air service.

Pairings for the first round which will be played on Saturday May 15 are:

Rogers vs. Wallace, Lippincott vs. Kieckhefer, Lamont vs. Bartlett, Coale vs. Sheble, Coe vs. Moffitt, Gregg vs. Tyler, Charlton vs. Durgin, Hemphill vs. Blyler.

The second round will be played on May 22, with the semi-finals being scheduled for May 29.

BITTER RIVALS TO CLASH AT CAMDEN

Gino Garibaldi Meets Ernie Dusek Thursday Night; Gino for Revenge

Two of wrestling's most bitter rivals are due to clash in the main event of a program booked for Thursday night at the Camden Armory. By virtue of his victory over Wallie Dusek last week, Gino Garibaldi, Italian favorite bonecrusher, won the right to meet Ernie Dusek in a return contest to be decided by one fall with no time limit.

Gino and Ernie put up a whale of a battle several weeks ago, the decision being in favor of the Nebraska an, much to the dissatisfaction of the many fans who were present that night. In getting the wildcat to agree to another bout, the Hanly's offered him a flat guarantee of \$1000, which is unusual in wrestling promotion.

The Latin-American claims the last decision was the most outrageous ever rendered against him since the start of his career and will make up for it, when they meet Thursday night.

Irish Jack Kennedy, sensational southern grappler and Abe Coleman of New York, are expected to wage a battle of dropkicks when they meet in the special encounter listed for one fall with an hour time limit. Bill Sledge and Jim Coffield meet in the third bout. George Harbin takes on Bernie Kaplan in the second and Demetri LaRue of Roumania takes his initial bow in the first bout with Marshall Blackstock of Georgia. They are each carded for one fall with a half hour time limit.

WESTMINSTER CHOIR TO SING AT MT. HOLLY

A musical program of unusual excellence will be given in the auditorium of the First Baptist Church, Mount Holly, on the evening of Thursday, May 13, beginning at 8 o'clock. This concert will be given by the widely-known Chapel Choir of the Westminster Choir School of Princeton. Some fifty or more voices will make up the chorus, the singing of the group being unaccompanied.

Colored clothes appear darker when wet because the minute drops of water fill up the space between the threads and refract the light.

BASEBALL SQUAD

The varsity baseball squad of Palmyra High School. Kneeling, left to right: DeShields and Diffebaugh, pitchers; Freeman, 2nd base; W. Whitmeyer, center field; Captain Shea and Rothbaum, 1st basemen; Cole, shortstop; Sutters, 3rd base; A. Whitmeyer, manager.

First row, standing left to right: Ledinsky, assistant manager; Winner, catcher; Williams, infielder; DeVinney, Prisco, Wallace and Allen, outfielders; Martucci and Gibson, pitchers; Turner, 2nd base; O'Neil, catcher.

Second row, standing left to right: McDermott, catcher; Baker pitcher.

THREE HITS WIN FOR MOORESTOWN

Diffebaugh Pitches Nice Game, But Palmyra Loses by Count of 5 to 3

Diffebaugh allowed Moorestown High only three hits, but the opposition succeeded in downing Palmyra by the score of 5-3, on the local diamond last Tuesday afternoon, the win for Moorestown being caused largely by shoddy base running on the part of the local tossers.

The Red and White connected with the apple safely on eight occasions, including a triple by Winner and a double by Rothbaum. In addition, the locals were aided by six bobbles on the part of the invaders.

Runs Cut Off

Three potential Palmyra runs were cut off at the plate when the runners on third attempted to score on ground balls hit with the infield drawn in, first base being unoccupied on each occasion. The locals had eight stranded on the paths, compared to one for Moorestown.

The charges of Coach Dimond threatened to send Allelo to the showers several times, but each rally faded out, usually with runners on second and third.

Artisan's League

The Highwaymen won all four points from the Boogymen last week and the Bandits took the same number from the Pirates. The Footpads purloined three games from the Thieves.

High singles: Hires, 212, Bandits; Edinger, 215, Pirates; Buchholz, 217, Footpads; Hunter, 214, Highwaymen.

Palmyra League

Germania is pushing the leaders hard and reduced the margin of the Stones to a single game by winning three from Bell-Evans. The Stones dropped two to the Messick bowlers and seem headed for second place unless Germania finds the going too fast.

High singles: Wallace, 200, Stones; Wach, 200, Germania; Watkins, 201, Fortnum.

The teams stand as follows:

PLANS COMPLETED FOR HOME FETE

Davis Cup Team Plays at 3 p.m., Midway With Many Booths To Be Feature

The plans for the Cinnaminson Home fete are complete. Everything is in readiness for the entertainment of the gay throng expected on Saturday, May 15th, at 3 o'clock. Tennis fans are those especially favored, for the United States Davis Cup Team plays at the Moorestown Field Club that afternoon. J. Donald Budge, Frank Parker, Bryan M. Grant, Jr., Robert L. Riggs, Gene Mako and Joseph R. Hunt will play in three matches, both singles and doubles.

Z. John Morris, chairman of the tennis committee, has named the following men to assist him in direction of the schedule on Saturday: Dr. S. Emlen Stokes, Jonathan Pettit, E. Hubert Cooper, James M. Stokes, Leonard Dudley, Russell Perkins, Edgar Scott, Frank D'Olier, Howard F. Knight, Alexander C. Wood, Jr.

Midway a Feature

The midway will be brilliant with flags; the booths harboring all good things for which our cooks are famous: cakes, candies, jellies, and luscious cinnamon buns. The book table, a new feature this year, has a splendid collection of fiction and more serious reading. In fact the committee is still collecting and will be glad to call for books anyone may wish to donate. Please get in touch with Mrs. Willis V. Daugherty, Moorestown, or Mrs. Harry L. Rogers, Riverton.

Miss Kathleen Curtis and Edward W. Curtis, Jr., are planning a big surprise in connection with the Derby races which were such a success last year.

Balloon Race

There is also to be a balloon race. Five hundred balloons, with return postage, will be released some 15 or 20 minutes after the tennis matches are completed, each balloon identified as to its purchaser. Three grand prizes will be awarded for those balloons that come to earth farthest from the Moorestown Field Club. The returns will be known in several days and announcement will be made in the local papers the following week.

Winfield Wilson, of Riverton, announces that Anthony J. Pilar, of Newark, N. J., will be present to give an exhibition of casting. Mr. Pilar has just won the contest in accurate casting at Madison Square Garden this spring. He is a member of the Belmont Fishing Club. After the casting there will be an opportunity for try outs.

Supper Committee

Miss Helen Woolman, assisted by Mrs. Ward Dix Kerlin and Mrs. Richard D. Barclay are providing a luscious supper. They have a large

OFFICERS TO BE NAMED BY P.T.A.

Officers for the next two years will be elected at the last meeting of the Riverton Parent-Teacher Association in the school auditorium on Monday, May 17, at 3.30 p.m. Miss Helen Blair, visiting nurse, will talk on "Health," and annual reports of the president and committee chairmen will be read.

A plant will be presented to the class having the largest number of mothers attending the meeting and refreshments will be served.

Come to vote and find out what your P.T.A. has done during the past year. Publicity.

SCREEN ENAMEL

It's a wonder how just one hole in a screen attracts all manner of insects! But don't blame the screen, it's rust that breaks the screen wires, makes screen holes. Just one coat of this screen enamel protects against rust. What's more, it's easy to apply, won't clog the mesh, makes screens bright and attractive, and it prevents rain from washing copper stains onto your house. One quart will cover the screens of an average 8-room home.

ADAMS TELLS OF \$36,000 OFFER

Made to Settle Oil Case Out of Court; Stout Makes Emphatic Denial

Palmer L. Adams, director of the Burlington County Board of Freeholders, made a statement at the meeting of that body held last Friday afternoon, to the effect that defense attorneys had offered to settle the recent oil scandal case out of court before the trial began, the amount of settlement proposed being \$36,000, which included a \$10,000 fine.

Mr. Adams added that he could prove this statement and named State Senator Clifford Powell, a defense attorney, and Prosecutor Howard A. Eastwood as being in a position to substantiate his remarks.

As late as Monday night no further information had been released by these two men concerning the situation.

Stout Makes Denial Freeholder Charles R. Stout made an emphatic denial at the time of Adams' remarks saying, "This is positively false and you may have to prove this."

Adams' retort was that it was true and that he could back up his charge with definite proof. The situation arose in connection with the plans for a new almshouse, at an estimated cost of \$334,000, which had been prepared by Colonel Hugh Kelly and which the freeholders had gone over earlier in the week.

Mr. Adams stated that he was preparing an alternate set of plans for a building which would house 201 (continued on page 9)

POPPY DAY TO BE OBSERVED HERE MONDAY, MAY 24

Preparations for Poppy Day, to be observed here Monday, May 24, are going forward rapidly, according to George Durgin, chairman of the committee in charge of the sale for Frederick M. Rogers Post, American Legion.

The little red flowers are made by disabled World War veterans, comrades of the men in whose honor they will be worn.

The poppies are being counted and arranged in readiness for distribution to the members of the local Legion Post, who will make a house-to-house visit on Monday evening to offer them to those who wear them as a tribute to the World War dead. All funds derived from the sale of the poppies go into the welfare fund of the American Legion.

"The poppies are paper replicas of the wild European poppies which bloomed along the battle front and in the war cemeteries during the World War. It was this flower, growing between the rows of wooden crosses across fresh battle graves, which inspired Colonel John McCrea to write the famous poem, "In Flanders Field."

ENGAGED

Mr. and Mrs. Ross Elliott, of Fulton street, announce the engagement of their daughter Helen, to George Swan Hagatos, son of Mr. and Mrs. Arthur Hagatos, of Lippincott avenue. The wedding will take place quietly on June 26th.

HELP TO PREVENT FOREST FIRES

The brief spring season has already brought to this state several forest fires. Fortunately they were not as wide-spread or as disastrous as previous conflagrations, but they may be considered an indication of the danger that exists. In the spring and fall of every year this state is subject to the menace of forest fires, because of the extensive tracts of wooded areas within its borders. So please be careful and help preserve our forests, urges the New Jersey Public Utility Information Committee. Whether you be a visitor (continued on page 9)

ANNUAL EXHIBIT AT HIGH SCHOOL

Delaware Avenue Grade School Work to Be Displayed Also on May 26

The annual school exhibit of the Delaware avenue grade building and the high school will be held Wednesday evening, May 26, 1937, at 8:00 o'clock. The affair will begin with a program of the music department in the auditorium and the exhibits may be viewed immediately after this performance. All rooms in the school will be exhibited as well as special classroom, but no room will be open for exhibit until after the performance in the auditorium. The program in the auditorium will consist of the high school and grade choruses, swingers, the high school band and the high school orchestra.

The public is cordially invited to attend this exhibit, but only children enrolled in the Delaware avenue building will be admitted unless they are accompanied by their parents. Such pupils should stay with their parents during the entire exhibit.

MEMORIAL DAY PLANS ANNOUNCED

Observance to Start Sunday Evening, Parade Monday At 1.30 o'clock

The Frederick M. Rodgers Post, American Legion, is rapidly completing plans for the observance of Memorial Day, May 31, in these communities. Carl H. Thomas, general chairman in charge of the arrangements, has planned a comprehensive program at the cemeteries in this district, as well as a stirring parade and a program at Riverton Memorial Park.

The observance will start on Sunday evening, May 30, when the veterans will attend a memorial service at Central Baptist Church. This church was attended by Frederick M. Rodgers, who lost his life during the World War, and in whose memory the local post of the American Legion is named. All veterans are asked to meet at the post home on Broad street, at 7.30 p.m.

Parade Monday

On Monday, May 31, the parade will form at 1.30 p.m., proceeding to Morgan cemetery and, after the salute to the dead they will continue to the Methodist cemetery and from (continued on page 9)

Memorial Week Proclaimed

Governor Harold G. Hoffman, by proclamation recently designated the week ending May 30, as Memorial Week for New Jersey.

The Governor suggested the seven days be dedicated to memorial services of all kinds, culminating in the traditional Memorial Day services May 30.

"There are so many claims on the attention of the American people that sometimes we forget essential things that we should remember," said the proclamation, which says: "We were born into a country and a condition unique in the world. This

ANNUAL FETE IS WELL ATTENDED

Gay Throng at Moorestown Field Club Last Saturday for Home Benefit

The sun did shine on Saturday for the annual Cinnamon Fete and Tennis Matches. The Moorestown Field Club grounds were thronged with a crowd none the less gay because they were wearing suits and coats rather than the usual summer dresses and white flannels.

The tennis fans were treated to some outstanding play on the part of the U. S. Davis Cup Team in spite of the low turf bounce and somewhat slippery courts. An account of the matches is given on the sports page of this issue of The New Era.

While the tennis was in progress, the children were having the time of their young lives with pony rides, movies, gold fish, fortune telling, hit the bottle, whoop la, a balloon race and plenty of ice cream and candy. The attractive booths which lined the entrance to the tennis did a record business with cakes, candy, books, toys, handwork, ice cream and lemonade.

Following the matches a grand supper was served on the lawn and in the club house. A derby race game with girls as ponies and dice the size of a basketball was played on the tennis courts. Obstacle putting and casting occupied the men and before anyone realized it was time for the dance which rounded out a most successful day.

Mrs. Edgar Scott, who was general chairman of the fete, reports that a substantial sum for the Cinnamon Home was realized as a result of the affair.

Members of Mrs. Scott's general committee were: Mrs. James Davis, Miss Kathleen Curtis, Mrs. Murray C. Boyer, Mrs. Harry F. Jones, Mrs. C. S. Somerville, Mrs. Joseph B. Taylor, Mrs. J. B. Stokes, Mrs. Robert Biddle II, Mrs. Harry L. Rogers, Mrs. M. V. Daugherty, Mrs. John Douglas Clark, Mrs. Joseph Morgan, Mrs. Robert B. Sim, Mrs. Joseph Evans, Miss Carrie M. Garrison, Mrs. Alexander C. Wood, Jr., Mrs. M. Albert Linton, Mrs. Richard Barclay, Mrs. Donald Powers, Dr. Elizabeth Ford Love, Mrs. B. Hubert Cooper, Mrs. Henry F. Walton, Jr., Mrs. S. Emlen Stokes and Mrs. Albert B. Panoast.

RIVERTON SCHOOL NOTES

Board of Education Dinner

The eighth grade girls of the Riverton Public School prepared a dinner for the members of the board of education which was given in the kindergarten room on Wednesday, May 12, 1937, at 6 p.m.

Those present were: Mr. and Mrs. F. B. Elwell, Mr. and Mrs. Hilton M. Smith, Mr. and Mrs. J. L. Metzger, Mr. and Mrs. A. H. Burns, Mr. and Mrs. J. H. Werner, Mr. and Mrs. W. H. Botiger, Mr. and Mrs. C. H. Yost, Dr. and Mrs. H. L. Rogers and Miss C. M. Staman.

Miss Darnell supervised the planning of the menu and the preparation of the food. The spring flowers used for table decorations were very effective.

Mr. Werner was pleasantly surprised with a birthday cake with lighted candles which were arranged in his initials.

The board members duly appreciated the efforts of the girls who tried to make this dinner an unforgettable one.

Notice

Remember the Riverton Circus on June 2nd. The P.T.A. will serve supper as it usually does.

ADDITION MADE TO ETRIS STORE

Installation of Radio Repair Shop With Experienced Man in Charge

John H. Etris, hardware dealer, of Palmyra, is building an additional room at the rear of his retail store where a thoroughly modern radio repair shop will be installed.

Thomas Harrington, an experienced radio man, has been engaged to carry on this work. Mr. Harrington is a graduate of a radio repair school and is thoroughly familiar with servicing all makes of radio sets for either home or automobile.

Mr. Etris will continue to sell Philco, Grunow and Emerson radios as well as a full line of Philco radio tubes. He will also maintain a free tube testing service. In addition to the radio line, the Etris store will continue to feature Norge and Grunow electric refrigerators.

GIRL RESERVE CLUB TO HAVE CAKE SALE

The Girl Reserve Club of Palmyra and Riverton is holding a cake sale this Saturday, May 22, on the Y.M.C.A. grounds.

Your contributions and patronage will aid in making this endeavor a success, and will be greatly appreciated by the girls.

The combination headquarters building and dining hall for the girls' camp is being appropriately called Matollonequay Lodge. This building is completed.

New Swimming Beach

A new swimming beach on the lodge side of the girls' camp lake is nearly completed. Work is well under way on a combination wharf, diving pier, and bridge across the lake from swimming beach to swimming beach on either side. Tent houses are being constructed. A site for an outdoor chapel at Camp Matollonequay has been chosen. A stone altar is already constructed. Lumber is on the property for the benches. Boats have been ordered. A special table for use in the dining hall has been designed. Much clearing of underbrush in various areas has been completed. Here, as in the boys' camp on the Lower Lake, there will be three distinct camping areas; one for Juniors with the ages of 9 and 11; one for Middles 12-14; and a third for Seniors 15-17; and in both cases, the Senior Camps will be across the Lake from the other two.

On reunion day this coming Saturday, everyone will be encouraged to visit Camp Matollonequay. Free refreshments will be served at Matollonequay Lodge. In addition, ice cream and cake will be on sale there.

ANNUAL REUNION AT YMCA CAMP

To Be Held Saturday, May 22; Hundreds of Boys and Girls Expected

Saturday, May 22, will be the annual spring reunion and open house day at YMCA Camp Ockanichon, Medford, New Jersey. Invitations have been mailed to hundreds of boys and girls throughout Burlington, Camden, Gloucester and Monmouth counties to be sure and plan to be at Camp on this date.

Of special interest this year, will be the progress of the Upper Lake area of the 520 Ockanichon tract where plans are moving forward rapidly for the completion of the girls' camp in time for the scheduled opening, the same date as the boys' camp on the Lower Lake, Wednesday, July 7th.

The name chosen for the girls' camp is Matollonequay (this was the name of Chief Ockanichon's squaw).

The combination headquarters building and dining hall for the girls' camp is being appropriately called Matollonequay Lodge. This building is completed.

New Swimming Beach

A new swimming beach on the lodge side of the girls' camp lake is nearly completed. Riverton Yacht Club

First Race of Season

The first race of the season, an event for boats in the Comet class, was held last Sunday, the contest being won by Lynn Hendrickson, the time being one hour and 50 minutes.

Jack Wright led much of the way, but over-reached the mark on the last leg, which gave Hendrickson a chance to obtain the lead. While these two boats were battling for first position, Jerry Hatch worked his craft along the Jersey shore and nearly won, coming in a close third, with Wright crossing the line shortly after the winner.

Jesse Haydock finished fourth, while the boat of Ralph Swope got away to a late start, withdrawing from the contest.

Another race in the Comet class will be held this Sunday afternoon at 2:30.

Dusters Start Saturday

The first race for Dusters will be held on Saturday afternoon at 2:30 o'clock. With several new boats entered in this class, club officials expect that competition will be keener than ever.

HARDBALL SEASON TO START MAY 29

The local hardball season will get under way on Saturday, May 29, at 3 p.m. on the Memorial Park field, according to an announcement made Tuesday by the team officials who are Clayton Weikman, field manager; William Anderson, business manager; and Arthur Terrill, treasurer.

Present plans call for Saturday afternoon and Wednesday evening games at Riverton, and Tuesday night contests at Palmyra, the twilight games getting under way at 6:30.

Prospects Good

Those in charge of the team have lined up a promising array of talent and prospects appear bright for a successful season.

The present roster of the club includes the following: Pitchers: Weikman, Thomas, Gibson, Diefenbaugh; catchers: Harper and Bright; infielders: Windish, Coles, Sutters, Rivers, Cole and Terrill; outfielders: Reese, Easley, Sexton and Conway.

BOY SCOUT NEWS

The executive board of Burlington County Boy Scout Council met at the home of the scout executive, George A. Darlington, on Tuesday evening. Edward A. Mechling, who has been chairman of the camp committee for the past 12 years, asked to be relieved of that duty. He will be succeeded by F. Wallis Armstrong, Jr. Mr. Mechling will, however, be retained on the executive and advisory boards. Being an outdoor man and knowing nature lore thoroughly, he has rendered valuable service at Camp Mahalala. Every scout and scout leader who has attended camp knows Mr. Mechling will regret his decision to drop camp activities. His successor, being a civil engineer by profession, is also a nature student and fully appreciates the work he will be called on to do, having been a member of the camp committee for the past four years.

Meeting at Camp

Chairman Armstrong has called a meeting of all members of the camp committee, together with all scoutmasters in the county for Wednesday evening, May 19, at Camp Mahalala. Dinner will be served at 6:30 o'clock.

William C. Avery, chairman of civic service, is completing arrangements for an all-day picnic for all scouts, parents and friends of scouting to be held at Camp Mahalala on Saturday, June 12th.

Political Waste Can Be Cut

Apologists for government extravagance claim that it is impossible to balance the budget now and that we must submit to still higher taxes and national debts.

If a ten per cent cut were made in all appropriations approved or pending in this Congress, a saving of \$732,500,000 would be effected—enough to balance the budget next year. And then if the proposal made by Senator Byrnes, one of the Administration leaders, to cut \$500,000,000 from the proposed \$1,500,000,000 relief bill, were accepted, we could begin to reduce the debt and start on the long road toward sound fiscal policies.

During recent years, millions of families have been forced to cut their budgets ten, twenty, or fifty per cent and they have come through without undue hardship. Thousands of businesses have been forced to do the same thing to escape bankruptcy. Based on visible evidence, it is not unreasonable to believe that at least ten per cent of all government spending represents pure, non-productive political waste.

A bill to make the ten per cent cut in expenditures a reality, has been introduced in the House. In the name of governmental sanity and solvency, and in the interest of recovery and stability, it should be passed.

Teach Them How

The most dangerous group of drivers, according to statistics, is the group which ought to be the safest: The so-called "teen-age" class. When a person of eighteen or younger has an accident it is almost always a serious one. It is 42 per cent more likely to be fatal than if an older driver were involved.

In the opinion of authorities, the chief difficulty is that young people who drive cars lack both training and judgment. They have no formal instruction behind the wheel. Usually they learn to drive by watching older persons or a young companion. In this way they learn bad practices along with good ones, and, being young, they are apt to exaggerate the bad and minimize the good. As one bad apple contaminates a barrel, one poor driver can create dozens of worse ones if he attempts the role of teacher.

Fortunately, the high schools of the nation are recognizing a responsibility for these facts. According to the safety education division of the National Bureau of Casualty and Surety Underwriters, some five thousand high schools in more than half the states are now giving instruction in the principles of traffic safety. Some schools are actually teaching their students how to drive by giving real road training in real cars. These states, California, Indiana and North Carolina, have made such instruction compulsory, while state departments of education in 28 states have issued model courses of study in traffic safety. The subject of good driving has become the fastest growing movement in the history of American education.

Already there are significant results. In Rhode Island, more than a thousand high school boys and girls were taught to drive in a course sponsored by the Motor Vehicle Department of that state. Their driving records were kept in a special file for a period of three years. In all that time not one of the youngsters was involved in a reportable accident and not one was convicted of a traffic violation. Outstanding educators say there is no greater function for education than teaching children how to do better, the things they may expect to do in life. Certainly, teaching them how to drive motor cars so as not to kill themselves and others, fits neatly into that definition.

Benjamin Franklin's mother-in-law was opposed to her daughter marrying a printer. She said there were already two printing presses in the U. S. and it was doubtful if a third could find enough business to thrive.

Mrs. Henry Mullenders, of Antwerp, Belgium, is visiting at the home of her aunts, Mr. Lynston Donaldson and Miss Ida Schmoelke, of Main street.

Mrs. J. D. Clark, Mrs. C. P. Mayfield and Mrs. William G. Porter were recent visitors in Atlantic City, stopping at Chalfont-Haddon Hall.

Mr. and Mrs. Carl W. Kucher, of Trieste, Italy, and Mr. and Mrs. E. C. Granberry, of New York, were visitors at the home of Mr. and Mrs. R. M. Bigelow, of Lippincott avenue, over the weekend.

The many friends of Robert Waters will be glad to know that he is recuperating from an appendix operation in the Pennsylvania Hospital last Thursday.

Another sharp drop in diphtheria cases and deaths in New Jersey has been announced by Dr. J. Lynston Haffey, State Health Director. Only 549 cases of diphtheria and 21 deaths were recorded in the entire state last year. This shows a 90 per cent reduction of case incidence in eight years, a truly remarkable achievement in public health for a State of 4,000,000 people. Deaths decreased 95 per cent in the same period, from prior to 1930 fatalities from diphtheria numbered from 300 to 600 a year.

Compared with 1935, which was the lowest year on record, cases dropped 33 per cent in 1936 and deaths decreased 56 per cent. The fatality rate of 3.8 per cent compares well with the previous low record of 5 per cent.

"There is no mystery about this conquest of diphtheria," Dr. Haffey said. "Thousands of children are protected against this disease each year by the use of toxoid, administered by private physicians, by health departments and in clinics. As a result, those who can catch the disease are becoming fewer, and therefore the number of cases from whom diphtheria germs can spread also declines."

PALMYRA P.T.A. ELECTS OFFICERS

The annual election of the Palmyra P.T.A. was held Tuesday evening in the high school auditorium, but the office of president is still open.

The following officers were elected: First vice president, Mrs. James T. Weart, Jr.; second vice president, Miss Ann Winkler; secretary, Mrs. Maurice Sandoz; and treasurer, Mrs. Karl Frank.

An operetta, "Cinderella," was presented by the pupils of the fifth grade under the direction of Mrs. Alex Chambley and Mrs. Vera Davis. Much credit is due both the cast and the directors for the fine performance which was given.

ANNUAL ELECTION

The annual election meeting of the Cinnaminson Branch of the Zurburg Memorial Hospital Auxiliary will be held at Camp Linghocken on June 1, in the form of a covered dish luncheon.

All members are to meet at the home of Mrs. Joseph T. Evans, on

Corps Competition
Councilman Knight stated that he may work out a junior drum and bugle corps competition for the Fourth of July program this year in lieu of the usual band concert. The committee is also considering holding a street dance in the evening. Mr. Knight asked the press to express the appreciation of the borough for the valuable help from the National Youth Administration for work done at Memorial Park.

The motion to transfer \$350 from the dog fund to surplus revenue was passed.

Fire Police Graduation

Frank Stroheim invited the mayor and council to attend the graduation of six members of the Riverton Fire Department at the Riverside fire house, Wednesday, May 19 at 8 p.m. Six of the Riverton men have taken a nine week's course sponsored by the New Jersey State Police in fire-police work. Mayor Biddle was deeply impressed by the interest shown by these firemen and asked The New Era to publish their names.

They are: Jacob Stroheim, captain; Joseph Flynn, William Watkins, James Goodwin, Edwin Kapan and Frank Stroheim.

GEORGE KOVERLY TO BATTLE OLSEN

Unruly Californian and Swedish Terror Will Clash in Camden Armory

Two battering rams of the mat game who care little for their scalp and much less for their lives while performing on the mat, will toss each other in an effort to chalk up a victory next Thursday night when they clash in the star bout at the Camden Armory.

The two knights of the padded ring are George Koverly, the pugacious and unruly Californian and Cliff Olsen, the Swedish terror who once laid claim to the world's championship. They will battle it out in a two out of three fall match with a 90 minute time limit.

Bill Sledge, good looking Texas ranger, will be on the spot in his fray with Abe Coleman of New York who he meets in the semifinal of one fall with a half hour time limit. Another Texan who faces an acid test is Irish Jack Kennedy when he clashes with Jim Coffield of Kansas City in the third bout, booked for the same distance. Sledge and Kennedy have never been beaten in the armory, although they have been held to a draw.

Ed Meke of Ohio will be seen in the second dual with Jack Hader of Kansas City, while Nick Campofredo of Baltimore opens the show with Rebel Red Russell of Alabama.

ONE BIG INNING WINS FOR LOCALS

Diffenbaugh Fans Fifteen as Palmyra Beats Burlington By 3-2 Count

Palmyra won a crucial game in the Burlington County Scholastic League last Thursday afternoon by knocking out Burlington, the locals being on the long end of a 3-2 verdict.

The opposition whittled away at an early Palmyra lead and threatened to knot the count in the ninth as Padrosa tripled into center, with two down. Diffenbaugh was equal to the occasion, however, and whiffed Rudnicki for the final out, the strikeout being his fifteenth of the afternoon.

Locals Score in Third
All the Palmyra scoring came in the third stanza. Whitmeyer singled to open the session and advanced to third as Sutters punched out another hit. DeVinney fanned, but Turner kept the rally going by jostling out the third single of the inning, the two runners crossing the rubber.

Turner romped to third as a throw to home failed to catch Sutters at the plate. He scored a minute later as McDermott laid down a perfect sacrifice.

Burlington tallied single markers in the sixth and seventh.

Diffenbaugh Fans Fifteen as Palmyra Beats Burlington By 3-2 Count

Palmyra won a crucial game in the

ASKEW-BROADWAY IN 4-4 DEADLOCK

Champs Held on Even Terms By
New Team; Second Win
For Burke-Eisley

What started out as an apparently easy win for Broadway turned out to be the season's closest game, on Monday night, a tie between Broadway and Askew, 4 to 4. Leadoff man Fred Conway, for Broadway, smote the first pitched ball out of the park for a home run, but Askew pitcher Knight then settled down and allowed no further hits until the eighth inning.

Meanwhile, Askew hadn't exactly been mauling the offerings of Bill Anderson, Movie hurler. They had a single and a double off him in the second frame, but these were nullified by a Broadway double killing. Two more Askew bingles in the fifth didn't make an Askew spike dent the platter. These two, however, were a foretaste of the big sixth.

Big Sixth

For in the bottom of this stanza R. Wallace opened with a single, which was followed by another single from the bat of E. Sutters. Then Yearly walked for the third straight time. After G. Sutters had opened to Cahill, E. Wallace singled, letting in two runs, and then reached second on an error. P. McDermott got in on what we evasively call a "fielder's choice," and during the ensuing error bee, two more runs crossed in the cause of Askew Motors. Then ended the Askew scoring for the evening.

Broadway went to town in the eighth. Vince Daly made first on a single which Buchholz followed with a handsome three bagger, Daly inevitably scoring. Buchholz himself scored not long after on Anderson's long fly.

One Askewite reached base in the eighth, but he died there. In the Broadway ninth, with darkness sneaking up, Conway opened with a single. After Terrell had popped out, Baker made base on an error. Vince Daly, whom the sideline quarterbacks thought Knight would pass intentionally, singled, filling the bases with Broadway players. Beddow's one bagger then scored the tying run.

Double Killing

Broadway was enroute to scoring more runs, what with the bases crowded to capacity, but Buchholz lined a scorcher to E. Sutters at third. All hitters had to do was step on the hot corner marker, doubling Baker.

In the last half of the ninth, after two were out, R. Wallace singled and E. Sutters doubled, but they perished on the bases when Yearly, the walking champion, dribbled weakly to the pitcher, who by this time had been changed from Bill Anderson to Tony Gonteski.

Anderson walked to open the first extra frame and Cahill got a life on an error, but the next three men for Broadway popped out. In the last half of the tenth, E. Wallace got his third hit, after one was out, but P. McDermott popped and Knight fanned.

Hurlers in Good Form

Knight showed good pitching form throughout the game, walking but one, and allowing only six safeties. He seemed, however, to weaken slightly on the homestretch. Broadway undoubtedly has the best pitching staff in the league, consisting of Bill Anderson and Tony Gonteski.

Askew has a strong team that should give the rest of the league plenty of trouble. Its batting order contains two Sutters, two McDermotts, and three Wallaces, a situation almost as bad as a season of two ago when four Yearlys cavorted on one team.

Score by innings:
Askew Motor 0000040000—4
Broadway 1000000210—4
Batteries—Broadway: Anderson Gonteski and Buchholz; Askew: Knight and McDermott. Umpires: Carhart and Johnson.

Burke-Eisley—Collins

Burke-Eisley won their second victory of the season in the other Monday night fracas at the expense of the Collins aggregation, the score being 6-3. The contest was close until the sixth stanza when Collins tabbed four markers which put them

800 SEE DAVIS CUP STARS PLAY

A crowd of over 800 attended the exhibition tennis matches held last Saturday afternoon on the grass courts of the Moorestown Field Club, in connection with the Cinnaminson Home fete and were rewarded by seeing several of the Davis Cup stars in action.

Don Budge, number one ranking player of the country, defeated Joe Hunt 9-7, 6-3.

"Bitty" Grant, of Atlanta, Georgia, also turned out. Hunt 6-2, 6-1 in the opening encounter.

Gene Mako split two sets with Wayne Sabin, the former winning the first 7-5, but losing the second by the same score.

Budge and Mako teamed together to win the first set of doubles from Grant and Sabin, 6-1, but lost the second and final encounter of the afternoon by the score of 11-9.

PIKE-PICKEREL SEASON NOW OPEN

Licensed Anglers Are Urged to
Take These Species and
Aid Bass Survival

The New Jersey pike and pickerel season opening today is expected to relieve the pressure on trout streams of the state where much sport has been reported since the official season opened on April 15, according to the State Fish and Game Commission.

The commission urged licensed anglers to take an early advantage of the pike and pickerel season as every pickerel taken before the bass season opens on June 15 will lessen the danger of big pickerel raiding the bass nets and taking more bass than probably any angler during the entire season.

Opening of the season will give the wet and dry fly purist a long sought opportunity to indulge in his favorite sport. The mid-season for pike, pickerel and bass will remain open until November 30. The season will again be opened for winter fishing from January 1 to January 20.

Trout Fishing Successful

Trout fishing throughout New Jersey this year has been more than successful because of the liberal restocking program supervised by the State Fish and Game Commission from the world famous Hackensack town Fish Hatchery. Game wardens report many licensed rod and reel anglers have been catching daily bag limits at favorite fishing spots each time they venture into the rural areas for a day's sport.

The program of re-stocking trout in the various public streams will be continued until the trout season closes on July 15, the State Fish and Game Commission announced today, so that there will be no let-up in the sport. Licensed sportsmen can expect to catch their bag limit repeatedly during the open season, it was announced.

out in front with a six-run advantage.

It all happened this way: Burke singled after Enskat was safe following a boot by Lieber. Richmond outled out another single and the bases were jammed to capacity as Small came to bat. He promptly whaled one of Long's fast ones into the creek for a grand slam.

Small, incidentally, was the hitting star of the evening, collecting a homer, a triple, a double and a single.

Burke and Sexton each got a brace of bingles for the winners, while Finney, D. Oliver and Long connected safely on two occasions.

The score by innings:
Burke-Eisley 200104010—8
Collins 100000011—3
Batteries—Burke-Eisley: Hubbs and Bonnatelli; Collins: Long and W. Oliver. Umpires—Rotenbury and Richman.

MILLSIDE AND ATHLETICS WIN

Former Downs Merchants By
Score of 8-6, Tak-Abost
Losses Opener

The Athletics and Millside won their opening games in the Riverton softball loop last Thursday night as the former administered a 7-5 trouncing to Tak-Abost while Millside nosed out the Merchants by the count of 8-6 in the other engagement.

The Merchants forged ahead by a single counter in the third stanza, but this advantage was of brief duration, as Millside pushed a trio of markers over in the following frame. The Merchants also made threatening gestures for victory in the eighth inning, but the rally fell two runs short of tying the score.

Two Homers

Regan and McGann, of the victors, each poled out a four-master. The bases were bare when McGann hit for the circuit, but Regan's clout brought Lutts home ahead of him.

Merchants 020200020—6
Batteries—Millside: Lutts and McGann; Merchants: Landgraf and Lezenby.

Athletics vs. Tak-Abost

The other engagement of the evening was briskly contested throughout, hits being few and far between as the twirlers attained mid-season form.

Tak-Abost scored twice in the opening frame, but the A's countered in the second with a brace of runs. The eventual winners added three more in the fourth and a pair in the seventh to put the game on ice.

Williams, of the Farmers, connected for a homer in the seventh, bringing in Headman who had previously singled.

Athletics 020300020—7
Batteries—Athletics: Haines and J. Shaeffer; Tak-Abost: E. Hubbs and Henson.

MRS. C. A. YOST NAMED PRESIDENT

Will Head Riverton P-TA Next
Year; Miss Helen Blair
Guest Speaker

The last meeting of the Riverton Parent-Teacher Association was held in the school auditorium on Monday afternoon. Miss Helen Blair, visiting nurse, was introduced by Mrs. H. P. Orlemann, Jr., and spoke on "Health." Miss Blair asked that the mothers consider her as a public health salesman who is trying to sell something really worth while to them. The ideas for sale were explained and listed as follows: sleep, rest, fresh air, sunshine, water, food, posture, cleanliness and mental hygiene.

Miss Blair emphasized the importance of calling a doctor immediately for pains in ear, stomach, teeth and eyes, in order to prevent serious consequences and of teaching well children how to keep well and of helping delicate children by showing them how to become well.

Reports Read

Miss Caroline M. Staman, supervising principal; Mrs. H. P. Orlemann, Jr., and her committee chairman read their annual reports of the year's work. Mrs. G. Harold Baker, on behalf of the Riverton P.T.A., presented Mrs. Orlemann with a past president's pin as a token of appreciation for her untiring efforts and work during her term of office.

Officers Elected

The following officers were elected for a period of two years: Mrs. Charles H. Yost, president; Mrs. J. Rowland Day, secretary, and Mrs. Charles F. Stewart, treasurer. Refreshments were served by Mrs. G. Harold Baker and her committee assisted by girls of the domestic science class. Mrs. Margatroyd's class won the attendance prize.

The report of the president was in part as follows:

Nine Meetings Held

During the past year nine meetings have been held in the school auditorium, three evening meetings and six afternoon meetings, with an average attendance of 140. The topic of the year was "Character Growth—A Home and School Responsibility."

Among the speakers who discussed this topic were Miss Caroline M. Staman, supervising principal of Riverton school; E. Newbold Cooper, supervising principal of the elementary school at Girard College; R. C. B. Parker, supervising principal of Mt. Holly schools; Mrs. Eugene Pharo, Burlington County Council chairman; H. Paul Jones, Mt. Vernon School; Miss Edna Young Bond, State health chairman and Miss Helen Blair, visiting nurse. At the November meeting Mrs. Nathan Lane gave an interesting illustrated talk on Switzerland.

The annual Christmas party, Founders Day celebration, Field Day and the chocolate sale were also a part of this year's program. The proceeds of the candy sale were given to Miss Staman to purchase books for the Hannah H. Chew Memorial Library. The school faculty was entertained by the executive board at a tea in March.

The Christmas stocking committee cut material, distributed for making and filling by nearby schools and groups 850 stockings and delivered them to the boys of the Four Mile Colony at New Lisbon.

159 Members

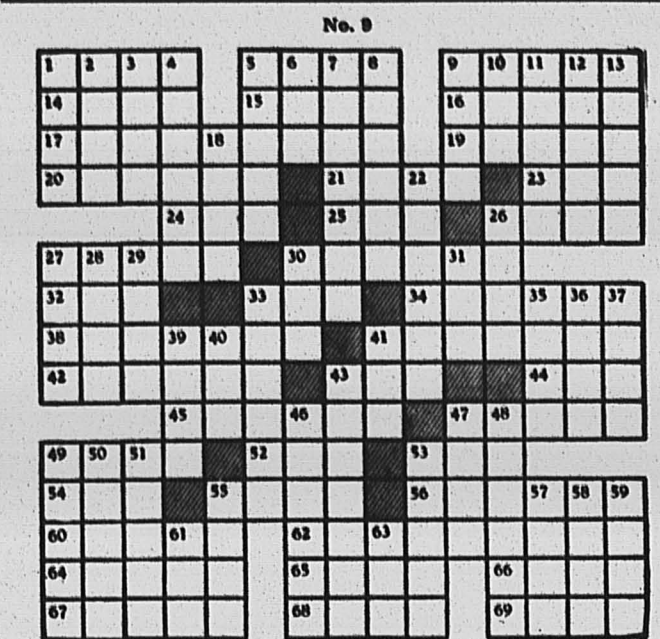

The membership committee reports 82 mothers, 38 fathers, 12 teachers (100%) and 27 life members making a total of 159 members.

The child study group has held three meetings during the year with very capable leaders conducting each meeting, followed by a discussion. The "Summer Round-Up" committee has completed the spring examinations with the cooperation of local doctors and visiting nurses.

Fine Program
The program committee arranged a fine program and the entertainment, hospitality and music committees have done their share toward making each meeting very interesting.

The association sent two delegates to the state convention in Atlantic City and your president and other members have attended all county council meetings. The association gladly furnished funds to buy a complete Christmas

REVOCATION OF
DRIVING LICENSES

A total of 114 persons lost their driver's licenses during the week ending May 14, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Thirty-three were for drunken driving 15 for reckless driving; 20 for speeding; 10 habitual violators; 4 were revocations resulting from fatal accidents and all others 32.

With the inclusion of this week's figures, the department during 1937 revoked 556 licenses for drunken driving and the total of all revocations reached 1540.

dinner for a needy family, and for free milk which was given to under-nourished children in the school; to date 460 bottles have been distributed. Our county dues have been paid and our state dues will be paid this month; a Founders' Day gift was sent to the state in February. I wish at this time to express my appreciation of the loyal support and cooperation of all those who have helped make this year a successful one for the Riverton P.T.A.

Respectfully submitted,
Amanda D. Orlemann.

PRODUCTION AND PRICES OF AGRICULTURAL PRODUCTS

Poised on the peak of the production line in this graph is the farm tractor that worked overtime in 1930 and 1931 as farmers vainly tried to save themselves from disastrously slumping prices by increasing their crop acreages. At the bottom of the dotted or price line is the farmer's crop dollar after its skid from a 1929 normal to a 1932 bottom. In isolated instances, farmers are often able to recoup their losses after a low price year by increasing their acreages. However, any concerted action of thousands of farmers, adding thousands of acres of cropland at once, can flood the market with much more food and agricultural materials than the consuming public and manufacturers need. The surpluses send commodity prices even lower, and the farmer's problem is further aggravated. The Agricultural Adjustment Administration points to the fact that, as shown by the direction of the lines at the right of the graph, prices of agricultural products are picking up as production tapers down to normal. If and when perfectly adjusted, production and prices of farm crops will closely parallel each other.

Everybody wants HOT WATER!

Water—water—where's the hot water?
Mother has enough supervising to do without having to think about the hot water supply from morning till night; without the up-and-down-hikes to tend a pot stove or to light, "keep track" and turn off a heater.

Put an end to the problem once and for all—by installing 100% automatic hot water service by GAS. From then on—the hot water everyone needs without ever waiting for it. Continuous, 140 degree hot water service at a cost of only 12¢ a day for the average family.

Just talk with your local plumbing or heating contractor or communicate with Public Service. A water heating representative will gladly call and estimate the cost for automatic service in your home.

AUTO ACCIDENTS UP 24 PER CENT

Magee Says Outlook Far From
Encouraging; Situation
Must Improve

Motor Vehicle Commissioner Arthur W. Magee reports that automobile accidents during the first quarter numbered 8,189, an increase of 24 per cent over the corresponding total for 1936, and resulted in 292 deaths and injury to 5,847 persons. The number of fatalities was 120 more than in the first quarter last year while the persons injured represents an increase of 43 per cent. Compared with the 24 per cent increase in total accidents, the "collision with pedestrian type" (1774) increased by 19 per cent; the "collision with other motor vehicle type" (5509) increased by 19 per cent; the "collision with fixed object type" (544) increased by 53 per cent; the bicycle accidents (108) showed an advance of 140 per cent and the "non-collision type" (157) increased by 64 per cent. The "collision with pedestrian type" of accident caused the death of 179 and injury of 1,679 this year as compared with 115 deaths and 1,329 injured last year.

Twenty Children Killed

Twenty child pedestrians (under 15 years) were fatally injured, the same number as met death from automobiles in the same period last year. There was a 19 per cent increase in the number injured however, the total jumping from 461 to 550 this year.

When the first quarter ended last year, two persons had been killed in accidents involving drivers who "had been drinking." In the same period this year 13 drivers were killed while the use of alcoholic beverages while driving is not a major cause of accidents, the practice is, nevertheless, rapidly increasing in New Jersey. So far this year 398 accident drivers have been described to have been in this condition as compared with 212 last year, an increase of nearly 88 per cent.

Hit-Run Drivers

The most brutal practice of all, hit and run, is also on the increase this year, the cases reported jumping from 248 to 293, a rise of 18 per cent. Daylight accidents increased 14 per cent during the quarter while darkness accidents increased 37 per cent, the latter showing that too many drivers over-drive their headlights. "The outlook is far from encouraging," said Commissioner Magee. "Other states are reporting comparable and in some cases greater increases in accidents and casualties. It is but a reflection of the times which have brought with them more automobiles on the roadways and many, many more miles of travel.

Not Uncontrollable

"It is not however, a matter which the authorities should accept as uncontrollable. People can, and should, be made to drive safely and the only way this can be brought about is for the state and municipalities to have sufficient traffic officers to adequately patrol the highways where accidents frequently occur and rigidly enforce the traffic laws.

RADIO GARDEN CLUB PROGRAM

To help those who wish to bring the beauty of the outdoor garden into the home through the medium of artistic flower arrangements, the Radio Garden Club of the Agricultural Extension Service, Rutgers University, has scheduled a talk on "The Spring Flower Bowl" for Tuesday, May 25. Mrs. Elizabeth M. Berdan, Bergen County Home Demonstration Agent, will be the guest speaker. Mrs. Berdan will be heard over Station WOR and other stations of the Mutual Broadcasting Network at 3:15 p.m. The program is a presentation of the Federation of Garden Clubs of Bergen County, N. J., a co-sponsor of the Radio Garden Club.

"Landscaping the Home Garden" is the title of the talk to be given on Friday, May 28, at the same hour by A. C. Pfander, assistant superintendent of the New York Botanical Garden. The program will be a presentation of the Botanical Garden, another of the Radio Garden Club's co-sponsors.

Adams Tells of \$36,000 Offer

(continued from page 1)

inmates and 20 attendants at a cost of \$170,000.

At this point Freeholder LeRoy Church remarked that a representative from Colonel Kelly's office had been waiting for an audience since 11 a.m. and that a meeting had been scheduled for that time.

Adams denied that a session had been planned and remarked that he had been trying to get a resolution read for some time which was of considerable importance to the county. This resolution dealt with a civil suit being brought by the county against Theodore Tobish and the Tar Distribution Corporation, etc., for alleged over payments made by the county for tar.

This resolution was tabled on April 15, by the board despite several attempts by Adams to have it brought up for action. Mr. Stout then remarked that the resolution had been tabled and that he was against bringing it up.

At this point Adams made the statement regarding the settlement offer, evidently to indicate that a civil suit would have a chance of success.

Special Meeting Thursday

After the fare-up had subsided it was agreed that the new plans prepared by Adams would be turned over to Colonel Kelly on Monday and that a special session would be called when the colonel was ready to discuss the situation.

A special meeting will be held this (Thursday) afternoon to go over the necessary resolutions incident to financing the project for rebuilding a new almshouse.

In further connection with the almshouse, a proposal by the Hainesport Wrecking Company, to raise the remains of the old building at no cost to the county was tabled to permit removal of all material which might be needed by the county.

WPA Projects

Director Adams was authorized to sign the WPA projects, one being a continuation, while the other two are new.

The work being continued deals with a survey of the county network of highways, with the proposed future widths. There are 389 lineal miles of roads to be considered in this work. Federal funds appropriated amount to \$14,775 while the share of the county is \$2440. The first new project concerns employment of needy registered nurses for general illness, while the second will provide work for needy persons in furnishing care for children, etc., in households where the housewife is incapacitated and the family is unable to pay for such assistance.

None of the projects will interfere with regular employment.

Heating Equipment

H. H. Andrews, a resident of Bordentown, and representative of the Warren-Balderston Co., of Trenton, dealers in heating equipment, appeared before the board to protest his company not getting an order after he had submitted a low estimate on certain supplies needed at the Birmingham Inn, temporary almshouse.

Mr. Andrews stated that he had been invited to bid on several items and when he checked up on his estimate, found that the equipment had already been purchased at a higher figure.

Director Adams stated that there evidently had been some misunderstanding over the matter as it was the desire of county officials to save money whenever possible. He added that in the case of the Birmingham Inn purchases it was necessary to get the material as quickly as possible and that the almshouse superintendent, Irvins G. Wright, had been authorized to make the necessary purchases.

Freeholders Church and Stout criticized the way the affair had been handled, at considerable length.

Bids for Pipe

Bids were received by the board for the purchase of 440 feet of 24 inch terra cotta pipe and for 450 feet for 27 inch pipe to be used in the construction of a storm sewer at Delanco. The contract was awarded to E. S. Stevens, of Edgewater Park, who submitted the low estimate of \$1918.50 less two per cent in 15 days, a net amount of \$1880.13.

Palmyra School Notes

Primary Schools Hold Exhibit

The exhibit by the primary schools was held on Friday night, May 14, in the Spring Garden street school.

"The Rabbit who wanted Red Wings," a motion picture, and a miniature grocery store proved most interesting to the visitors in the first grade room. Besides these the children exhibited hand-made dolls, and objects cut from wood, such as boats, airplanes, rabbits, and ducks.

Fifty-four parents and friends signed the visitors' list in the second grade room, where some work for each child was on display.

Forty-eight visitors signed the register in grade three in spite of the downpour of rain.

Dutch Display

Interest in Mrs. Taylor's fourth grade room centered in a miniature Dutch House and life-size figures of a Dutch boy and girl. The entire class helped with the house. The Dutch House and life-size figures Parker, Buff Weigand, Alfred D'Vece, Anna DeMarco, Norma Caruso, Eleanor Sauter, Janet Woodward and Cecelia Prisco.

In the study of geography the fourth grade pupils have made salt-and-flour maps of New Jersey.

One of the interesting displays connected with the fifth grade exhibit was the "museum." The boys and girls brought many unusual objects from our own country as well as from foreign countries.

The oldest object shown was a plate from England over 239 years old, exhibited by Clara Swayne.

Virginia Abdill has started a doll collection from foreign lands. She had five of them in the "museum."

Alaskan Unit

The fifth grade under Mrs. Verna B. Davis has been working on an Alaskan Unit for the past week.

They have learned that some of the leading industries of Alaska are salmon fishing, lumbering, mining and fur trading. To illustrate these facts they have built a miniature scene on the sand table. Among the other activities in connection with this unit were pie graphs, travel posters and an Alaskan totem pole.

Help to Prevent Forest Fires

(continued from page 1)

itor or a resident, a camper or a fisherman, a hiker or motorist, please see that lighted stoves of cigars or cigarettes are completely extinguished before they are thrown away. Throw water on all fires and cover them with earth. Your co-operation may save New Jersey a great deal of property and perhaps even the loss of lives.

Mr. Stout introduced a resolution that Irvins G. Wright be authorized to purchase a new pasteurizer outfit for the almshouse dairy at a cost of approximately \$880 delivered. Mr. Stout said he had investigated the matter thoroughly and he felt that the \$880 equipment would be satisfactory in every respect.

This matter, which had been discussed during previous meetings was passed by a unanimous vote.

In the evening, Rev. Lockett will preach on "The Victory of Love." The Philathea class will hold a flower mart at the Taylor-Mathers store on Saturday afternoon and evening.

CHRISTIAN SCIENCE CHURCH

"Soul and Body" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 23.
The Golden Text is: "Rejoice the soul of thy servant: for unto thee, O Lord, do I lift up my soul." (Psalms 86:4.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "What know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's." (I Corinthians 6:19, 20.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When we realize that Life is Spirit, never

in nor of matter, this understanding will expand into self-completeness, finding all in God, good, and needing no other consciousness. Spirit and its formations are the only realities of being. The universe of Spirit is peopled with spiritual beings, and Man is the offspring, not of the low, but of the highest qualities of Mind." (p. 264.)

OBITUARIES

ROBERT E. STEEDLE

Robert E. Steedle, referee in bankruptcy, died suddenly at his home, 109 North Melbourne avenue, Atlantic City, Wednesday of last week. He was 48.

Although not confined to his home, Mr. Steedle had been a sufferer from a heart condition for some time. He formerly lived in Riverton, and attended the Palmyra high school. At the same time, he attended night classes at Temple University. Mr. Steedle was admitted to the Pennsylvania bar in 1911, two years before he completed his law course, and to the New Jersey bar a year later. He entered the law office of John C. Bell, in Philadelphia, who at that time was attorney general of Pennsylvania.

In 1914 he married Alma Herbert, daughter of Mr. and Mrs. William Herbert, of Atlantic City, and in 1917 moved to the resort to practice law. He entered the office of Bolte, Sooy and Gill where he remained five years and then opened his own office.

In 1929 he was named referee in bankruptcy for the Atlantic City district. His last appointment as referee was in 1934.

Mr. Steedle was a past president of the Atlantic County Bar Association and a director of the National Association of Referees. He was also a member of the Law Academy of Philadelphia, the American Bar Association, Past Masters in Masonry, the Atlantic City Rotary Club, Atlantic City Country Club, and a director of the South Jersey Title and Finance Company.

Mr. Steedle was survived by his widow, Mrs. Alma Herbert Steedle; his mother and father, Mr. and Mrs. Morris Steedle, of Riverton; three brothers, Lawton and DeWitt, of Riverton, and Elroy, of Newark, Del.; three sisters, Mrs. Dougherty, of Willow Grove; Mrs. Irving Donaghy and Mrs. Harold Cooper, of Riverton, and a son, Robert.

Interment was made in Pleasantville Cemetery last Saturday.

BESSIE S. BISHOP

Mrs. Bessie S. Bishop (nee Hartley), of 220 South Washington avenue, Moorestown, died Friday, May 14. She was the widow of the late Montgomery S. Bishop and daughter of James Hartley, Sr.

Funeral services were held Monday at 2.30 p.m. at the Snover Funeral Home.

Interment was made in the Westfield Friends' burying ground. She is survived by her brother, James Hartley, of Palmyra.

FRANK W. STEWART

Frank W. Stewart, 54, of 216 Garfield avenue, died Thursday, May 13. Funeral services were held Saturday at 8 p.m. from the Snover Funeral Home, the Rev. W. A. Boyd officiating.

Cremation took place in the Cheltenham Crematory, Philadelphia. Mr. Stewart is survived by his wife and a son, Frank, Jr.

MRS. RACHEL E. REX

Mrs. Rachel E. Rex, believed to be Palmyra's oldest resident, died Friday at the home of her daughter, Mrs. Emma J. Green, 713 Lincoln avenue. Mrs. Rex was 98. A heart attack caused her death.

Widow of Washington Rex, the aged woman had made her home here with her daughter for the last 20 years, previously residing in Glenhope, Pa.

Mrs. Rex is survived by her daughter, 18 grandchildren, 26 great-grand-

Two Streamlined Beauties

Nash Grey is one of the rising new Universal stars in the Universal production "Love in a Bungalow." She has the leading feminine role and has been acclaimed by critics as one of the most promising young artists in Hollywood. She is shown with a Nash Ambassador Six convertible coupe, which also takes an important part in the rollicking comedy. Nash's popularity in 1937 like that of Miss Grey has been steadily on the increase. This is one of six body models offered by the Nash dealers throughout the country.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

One of the main chores to be done in the garden now is to cultivate the soil with a light, narrow rake to destroy the many weeds that are shooting up as the result of recent warm weather. It is not necessary to cultivate deeply; a light raking once a week will do.

Plants that are still to be transplanted should be set out immediately, for the longer this task is left undone the more difficult it will be to bring the plants through the warm days of summer without providing quite a bit of shade for them the first few days. More tender material can be left until after May 15, for there is still a possibility that we may have low temperatures at night.

Most of the hardy and half-hardy plants can be put out as soon as convenient, however.

Plant Bulbs Now

Gladioli, dahlias, and practically all of the summer flowering bulbs may be planted at this time.

Look over shrubs and perennials now for any evidences of plant lice. One spraying when the numbers of plant lice are small is worth several when the infestation is heavy. Examine all plants in the garden every three or four days to see that no lice or other insects are present. As soon as they are detected, spraying should be done. As for plant diseases that may be expected to occur, do not wait until a disease appears, for in this case spraying acts as a preventive rather than a cure.

Hollyhocks, delphiniums and other garden flowers upon which diseases so often occur annually may be treated with an application of Bordeaux mixture as soon as possible, and the treatment should be repeated once a week as new leaves develop.

Young lily plants, too, should have a weekly application of Bordeaux to prevent the botrytis disease. Madonna Lilies, all the elegans group, and most of the marionette are subject to this disease. Regal and Tiger Lilies are practically immune.

NEW RAY GIVES HOME PROTECTION

A watchman that never sleeps and that never fails to give an alarm is now protecting many American homes from invasion by burglars and other intruders. In its most comprehensive form, this device, often called the telelector, sounds a bell or whistle or other noise-producing alarm and floods with light a door or window when a would-be invader of the home approaches within a few feet of it. The cleverest and most experienced burglars or cracksmen are helpless in its presence because the alarm can't be seen.

The alarm is essentially a beam of "invisible light," remarks the New Jersey Public Utility Information Committee. It incorporates an "electric eye" and operates with a relay in light waves. When any person walks into or otherwise breaks the beam of invisible light, the signal is flashed to the alarm. The burglar doesn't know it is there until he hears the alarm, and then it is usually too late to do anything but leave in a hurry.

MARKET HOUSE HAS INSTALLED SPECIAL BUTTER SHOW CASE

The Philadelphia Market House, in line with its policy of providing the maximum service to its patrons, has installed a special new-type refrigerated show case for butter only.

Every one appreciates the delicate flavor of fresh creamy butter, but this flavor is often impaired when butter is kept in the same case with cheese, etc.

When stored in the manner it is now handled at the Philadelphia Market House, butter will always maintain the uniform flavor which is so desired by all customers.

ANNUAL PLAY OF FELLOWSHIP GROUP

The Young People's Fellowship of Christ Church in Riverton will present its annual play on Friday, May 28th, in the parish house, Fourth and Howard streets. This year they have turned to farce comedy and are going to give a screamingly funny play called "Mummy and the Mumps."

The action of the play takes place in a girls' boarding school just after term time. Some of the girls have had to remain due to a general epidemic of mumps. To complicate the smooth running of the play the nephew of the headmistress has smuggled in his best friend to stay with him for a while. It takes some contriving to keep him out of sight of the eagle eye of the headmistress. Failing this he is introduced to the aunt as Sir Hector Fish.

Into this scene of tension comes a mummy, shipped to the school in advance of its owner, Sir Hector Fish, a distinguished English archeologist who is to teach at the school the following fall. Sir Hector himself has been detained at quarantine by a case of the mumps.

Shortly after arrival the mummy disappears completely from its case and is seen at odd places about the grounds. Simultaneously with this comes the news that Sir Hector himself has been kidnapped or in some other way is missing from the quarantine hospital. Various other complications develop, including no less than three adolescent love affairs.

All in all there is plenty of tenses, excitement, and a great many ludicrous situations before the whole web of intrigue is finally unwound, and the perplexed visitors and students restored to a semblance of peace.

A \$35,000,000,000 Debt—and H.C.L.

By RAYMOND PITCAIRN
National Chairman
Sentinels of the Republic

Within the past few weeks the nation has heard protests from two great groups of citizens against increasing costs of living. They ask protection from the threat of further rises.

During the same period it has learned that our national debt has passed the thirty-five billion dollar mark—reaching an all-time high.

To economists these facts bear an interesting relation to each other. Why?

Not only because a thirty-five billion dollar debt means a mortgage of \$270 against the future earnings of every man, woman and child in America.

Not only because public debt has an unpleasant habit of stretching over future generations, and thus constitutes a lien on the labors of future generations.

Not only because public debt means, in reality, postponed taxes, which both this and the coming generation must pay.

But also because excessive public debt is generally recognized by economists as the road to inflation—with all its ballooning of the cost of living.

Despite promises of balanced budgets, our national debt has continued its steady ascent during recent years. Billion by billion it has climbed to its present altitude.

Again Washington has promised that the mad ascent will cease. Congress must be reminded of that pledge.

For if our public debt continues to mount, and brings the threatened inflation in its train, fantastic rises in the cost of living will no longer constitute a mere threat. They can become a grim and tragic reality.

AN ORDINANCE OF THE BOROUGH OF RIVERTON, IN THE COUNTY OF BURLINGTON, IN THE STATE OF NEW JERSEY, PROVIDING FOR THE EXTENSION OF THE SANITARY SEWER SYSTEM OF THE BOROUGH BY THE CONSTRUCTION AND INSTALLATION OF A SANITARY SEWER, WITH THE NECESSARY APPURTENANCES, IN PORTIONS OF FIRST STREET, SECOND STREET, THOMAS AVENUE, ELM AVENUE, AND MORGAN AVENUE, AS A LOCAL IMPROVEMENT, MAKING AN APPROPRIATION THEREFOR, AND AUTHORIZING THE TEMPORARY FINANCING THEREOF BY THE ISSUE OF THE BOND ANTICIPATION NOTES OF THE SAID BOROUGH.

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF RIVERTON, IN THE COUNTY OF BURLINGTON, IN THE STATE OF NEW JERSEY:

SECTION 1: That the municipal sanitary sewerage system of the said Borough shall be extended by the construction and installation of a sanitary sewer, with the necessary appurtenances, in the following portions of the Streets and Avenues hereinafter designated, namely: in First Street, from the existing manhole at the intersection of Linden Avenue, Westward, 345 feet; in Second Street, from the existing manhole at the intersection of Linden Avenue, Westward, 108 feet to the intersection of Morgan Avenue and thence Northward, 163 feet; in Second Street, from the existing manhole at the intersection of Morgan Avenue, Westward, 80 feet to the middle of Thomas Avenue, and thence in Thomas Avenue, Northward, 350 feet to the middle of First Street.

SECTION 2: That said sanitary sewer, and the necessary appurtenances thereto shall be constructed and installed in accordance with the plans and specifications thereof prepared by Messrs. Sherman and Sleeper, Borough Engineer, and approved and adopted for the purpose of said improvement and shall be filed with the Borough Clerk and kept on file for reference and public inspection.

SECTION 3: That the necessary appurtenances thereto shall be constructed and installed by the said Borough, and the cost of said improvement, including incidental expenses, shall be assessed

upon the lands specially benefited by said improvement to the extent of such benefits, and that the remainder of such costs and expenses, if any, shall be borne by the said Borough.

SECTION 4: That the sum of Three Thousand Dollars (\$3,000.00) of said sum is hereby appropriated to pay the costs and expenses, including incidental expenses, of the construction and installation of said sanitary sewer and the necessary appurtenances thereto; and that said sum of Three Thousand Dollars (\$3,000.00) be and the same is hereby determined and declared to be the maximum amount of money to be raised for said purpose.

SECTION 5: That the sum of One Hundred Dollars (\$100.00), which is available in the Sewer Appropriation of the 1937 current budget of the said Borough, be and the same is hereby appropriated, as a down payment under the provisions of Section 204 of the Local Bond Act of the State of New Jersey, to and for the purpose of paying the costs and expenses, including incidental expenses, of the construction and installation of the said sanitary sewer, which sum of One Hundred Dollars (\$100.00) is not less than a part of the total estimated maximum amount of money to be raised from all sources for the said purpose as determined by dividing such total amount by the number of years hereinafter determined as the period of usefulness of the said sanitary sewer.

SECTION 6: That the remaining Twenty-nine Hundred Dollars (\$2,900.00) of said sum or appropriation of Three Thousand Dollars (\$3,000.00), or so much thereof as shall be necessary, shall be obtained by the issue of the Bond Anticipation Notes of the said Borough of Riverton in the County of Burlington, in the State of New Jersey; and that such Notes be and the same are hereby authorized to be issued under and in accordance with the provisions of an Act of the Legislature of the State of New Jersey entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, town, township, village or any other municipality, other than a school district (Revision of 1935)", approved March 20, 1935, being Chapter 77 of the Pamphlet Laws of 1935 of said State, and the supplement thereto and amendments thereof; and that all other matters relating therewith in relation to the authorization, issue and sale of such Bond Anticipation Notes not contained in this Ordinance shall be determined hereafter by appropriate resolution or resolutions of the Borough Council, provided, however, that the rate of interest upon such Notes shall not exceed six per centum per annum.

SECTION 7: That it is hereby determined and declared that the period of usefulness, (within the limitation of Article IV of said Chapter 77 of the Pamphlet Laws of 1935 of

the State of New Jersey, as supplemented and amended, of the said sanitary sewer and the necessary appurtenances thereto is forty years.

SECTION 8: That it is hereby further determined and declared that the Supplemental Bond Anticipation Notes required by Chapter 77 of the Pamphlet Laws of 1935 of the State of New Jersey have been duly made and filed in the office of the Borough Clerk of the said Borough prior to the passage of this Ordinance; and that such Statement shows that the Bond Anticipation Notes herein authorized will be within all limitations prescribed by said Act; and that the gross debt of said Borough, as defined in Section 102 of the said Act, is hereby increased by the sum of Twenty-nine Hundred Dollars (\$2,900.00).

SECTION 9: That it is hereby further determined and separately stated that the total amount of the proceeds of the said Bond Anticipation Notes, to be expended for interest on the said Notes, engineering and inspection costs, legal expenses, and the cost of issuing the said Notes, including printing and the advertisement of this Ordinance, is the sum of Nine Hundred Dollars (\$900.00).

SECTION 10: That this Ordinance shall become operative, after its final passage, adoption, approval and publication, on the earliest date allowed by law.

FINAL PLANS FOR MEMORIAL DAY

Program Announced by Carl H. Thomas, General Chairman of Committee

Carl H. Thomas, general chairman of the Memorial Day committee of Post Frederick M. Rodgers, No. 156, American Legion, announced that final plans had been completed for the observance of the holiday this year, the program starting with a memorial service on Sunday evening at Central Baptist Church, the place of worship attended by Frederick M. Rodgers, for whom the post was named.

All graves of service men in this district will be decorated and there will be a parade, with appropriate exercises at Riverton Memorial Park on Monday, May 31.

82 Graves

Members of the local post will decorate a total of 82 graves of veterans of all wars located in six cemeteries. A firing squad will give a salute to the dead on Sunday at the following burial places: Ashbury, Lakeview Memorial Park, Wrightstown and Moravian.

The same ceremony will be followed at the Methodist and Morgan cemeteries on Monday in connection with the exercises for that day.

Special Invitations
Special invitations to attend the Memorial Day services have been extended to the following widows or close relatives of deceased veterans:

G. A. R.
Mrs. Mary E. Richter, Mrs. Anna Blackburn, Mrs. Richard Coates and Mrs. William Heath.

World War
Mrs. Caroline Rodgers, M. Margaret Mohrman, Mrs. Mary Moser, Mrs. Cecilia Kelly, Mrs. Edward Reitzler and Harry W. Hubbs.

Died in Service
The Riverton and Palmyra men who died in the service during the World War, and to whom tribute will be paid on Memorial Day are:

Frederick M. Rodgers
B. Harrison Mohrman
(continued on page 2)

MEMORIAL DAY
The complete program for Memorial Day will be found on page 3 of this week's issue of The New Era.

FREEHOLDERS MEET AT DIFFERENT TIMES TO DISCUSS PLANS

The conferences planned by the Board of Freeholders for Tuesday to discuss plans for a new almshouse did not materialize, because of the failure of the members to agree on the time of the meeting.

Freeholder LeRoy Church desired to have the 11 o'clock session postponed until 2 p.m. in order that the board might discuss the plans of Director Adams with Colonel Hugh Kelly, Jersey City architect, thus eliminating the need for a dual discussion.

Adams insisted that all members had previously agreed to meet on Tuesday morning.

The result of all this was that Adams and Jones were present in the morning while Church and Lamson appeared at 2 o'clock.

NOTICE

Chief William Gootie is engaged this week in taking the annual census of dogs in Riverton. Persons who desire to register their dogs may obtain tags from Chief Gootie while he is taking the census or from the borough clerk, Daniel M. Clifton, 504 Main street.

Memorial Day

The day when we do honor "to those who gave their lives for this nation might live."

The day when pilgrimages are made to the final resting places of our revered soldier dead—to eulogize their deeds and to decorate their graves.

We remember when the programs now carried out by members of the American Legion were conducted by the Grand Army of the Republic.

Many of us recall the days when the Boys of '61 marched in Memorial Day parades with resolute stride—and they turned out on such occasions in goodly numbers, many posts 100 per cent strong.

Then many were forced by advancing years to ride instead of walking, and the number of the marchers grew smaller and smaller until, in many communities, there are none left to either ride or walk. A mere handful marched in New York City last year, but these men were accorded an ovation seldom equalled in that, the largest city of our nation.

With the passing of these heroes of '61-'65, something splendid and fine has gone from our lives, never to return.

It remains for us to carry out the tradition of Memorial Day in the same fitting manner that the G.A.R. has done for many years.

If you belong to an organization that is invited to participate in the parade—get out the old uniform and march with your comrades. Yours is an honored privilege.

If you are just one of the many who do not belong to any such organization, the least you can do is to watch the procession and give the boys a hand as they swing by.

After all, Memorial Day comes but once a year, and in this era of hustle and bustle, a few minutes are not too much to do homage to those who fought the good fight for this land of ours.

BALLOON MAKES REMARKABLE TRIP

Released at Home Fete at Four P.M., Found in Barnegat Bay Hour Later

The balloon bearing the name of Mrs. James Davis, of Moorestown, won first prize for distance in the race staged in connection with the Cinnaminson Home Fete held recently.

A truly remarkable run was made by this balloon, it being picked up in Barnegat Bay by a fisherman at five o'clock, just a little over an hour after it had been released at Moorestown.

One Found at Tuckerton
Second award was given to Miss Margaret Roberts, of Moorestown, as her balloon nearly equalled the record of the first prize winner, Miss Roberts' entry being found near Tuckerton.

The balloon which won third prize belonged to Mrs. Charles Wolfe. This was located near Medford Lakes.

NEWS SCOOP

By Nute and Mike

On Monday, May 31st, The Riverton Yacht Club will open its seventy-second consecutive season, with a double feature program. One day only! Admission by membership card only.

The main attraction will be races for the popular Duster and Comet classes.

The feature events will begin at 2 o'clock, with activities continuing throughout the day. Supper will be served at six o'clock.

See you Monday, mate.

What this old world needs more than anything else is just a bit more old-fashioned kindness. — Jerry Fleishman.

AT CONVENTION OF N. J. BANKERS

E.L. Williams and H.B. Conover Attend Sessions Held in Atlantic City

E. L. Williams, president, and H. B. Conover, treasurer, of the Cinnaminson Bank and Trust Company, Riverton, attended the annual convention of the New Jersey Bankers Association held on Thursday, Friday and Saturday, of last week at the Hotel Traymore, Atlantic City.

The affair drew hundreds of bankers from all over the state, and the banquet on Friday evening was attended by 1,500 members of the association and guests. Garret A. Denise, president of the association, presided at the dinner.

British Economist Speaks

One of the features of the program was a talk given by Major L. L. B. Angus, British economist and investment consultant, who chose as his topic "The Economic Outlook under Managed Money."

Other subjects discussed by various speakers were: "The New Jersey Bankers Pension Plan," by John L. Williamson, of the Trenton Banking Co.; "The Tax Problem in New Jersey," by Norman P. Titus, secretary of the N. J. State Chamber of Commerce, and "Looking Forward," by Dr. James L. Eilenwood, world traveler and author, of New York City.

NEEDED NOW

The Riverton - Cinnaminson Welfare Association is urgently in need of boys' and girls' white clothing such as dresses, shirts, knickers, etc., for commencement wear.

Leave articles at the Welfare office, 609 Main street, Riverton, or phone Riverton 284, and they will be called for.

LADIES' NIGHT AT PALMYRA A. C.

In appreciation of the contributions and support accorded to their activities, the members of the Palmyra Athletic Club have planned an attractive program for Ladies' Night to be held in the club room, Society Hall, Palmyra, on Tuesday evening, June 1, at 8:30 o'clock.

The main attraction for the evening will be the appearance of Professor Fitzgibbons, noted hypnotist, who has delighted many audiences in the eastern part of the country. Refreshments will be served and there will be no admission charge.

CHANCES FOR PWA GRANT ARE POOR

Unofficial Opinion Given to Freeholders on Grant For Almshouse

Allen Mills, an architect for the Federal Government, speaking unofficially, told the Burlington County Board of Freeholders last Thursday afternoon that the county had little chance of obtaining a PWA grant in rebuilding the almshouse.

Mr. Mills advised that the matter be taken up with the WPA instead of PWA, since the latter organization has over 3000 similar projects under consideration and the outlook for funds being provided is not promising.

Resolution Not Read

The meeting was called to act on a resolution prepared by the county solicitor, Lester Drenth, in respect to the issuance of bonds to provide funds for the rebuilding of the almshouse. The resolution was not presented at the Thursday session.

Other business transacted at the Thursday meeting included the authorization of a telephone switchboard for the county buildings at Mt. Holly and the purchase of ballot boxes for the new election districts in Cinnaminson Township and the Borough of Palmyra.

The boxes will be obtained by county clerk, Lawrence G. Mingin.

DELPHIAN SOCIETY TO FORM CHAPTER

Plans have been completed for the organization of the local chapter of the National Delphian Society. The meeting will be held Friday morning at the home of Mrs. William G. Porter, Park and Highland avenue. Officers for the first year will be elected, the first year's program outlined and application for charter for a three-year period will be made.

The object of Delphian training is to assist the modern woman to attain an even higher place in life, to be more successful in home and family life, social life and community activities or any career. It offers that opportunity by helping her to develop those qualities necessary for distinctive achievement. It is a medium for the cultivation of one's own pleasure in worthwhile things and the sharing of the pleasure through ability to talk well upon them.

Club rooms of the eastern division of the Delphian Society are located in the Barclay Hotel, New York City, and are for the use of all Delphian members.

Mrs. Edith Roberts, field organizer, will be in charge of the meeting, assisted by Miss Hallie Beard.

FINAL WARNING

Notice is hereby given that all dogs in Riverton must be registered on or before Thursday, June 10.

Residents of Riverton owning dogs who do not comply with the dog ordinance will be given a summons to appear before the police recorder, and will be dealt with according to the provisions of the law.

William Gootie, Chief, Riverton Police.

CIRCUS COMING TO MEMORIAL PARK

To Be Presented by Pupils of Riverton Public School on Wednesday, June 2

A most spectacular troupe of circus performers, under the direction of Miss Caroline M. Staman, supervising principal of Riverton Public School, will be at Memorial Park, Riverton, on Wednesday, June 2. A mammoth circus parade will precede the regular performance.

The side show will include such freaks as: Sky High, the giant; Sammie Short and his sister Sallie, midgies; the Jolly Juggler and Powerful Paul, the strong man. The Kindergarten troupe will feature a tight rope walker, performing bears, clowns and riders. A merry-go-round, trained animals, a waiting giraffe, monkeys, so highly trained that cages are needless, a tribe of New Jersey Indians, dancers, bicycle racers, and brightly dressed comical clowns in profusion will all be there to amuse you. The peanuts, popcorn and pink lemonade so necessary to a circus have not been forgotten.

Only One Performance

The faculty and pupils of Riverton school have done everything possible to make this year's Field Day a real treat for everyone, and cordially invite the public to attend. There will be but one performance which will start promptly at 6 p.m. on Wednesday, June 2, at Memorial Park. In case of rain the same schedule will be followed on Thursday, June 3.

Picnic Supper

The Riverton Parent-Teacher Association will serve a picnic supper at the park starting at 5 o'clock. The home-made cakes, candies, sandwiches, potato salad, hot dogs, ice cream and coffee will be on sale at a nominal cost. Come early, have your supper and enjoy the circus.

Publicity.

The Sacred Heart P.T.A. is holding its regular food sale today (Thursday) in the school auditorium.

Mrs. Edward Faunce is in charge of the affair. Orders will be taken and delivered, call Riverton 1116.

The newly elected officers of the Sacred Heart P.T.A. will appreciate the continued cooperation of their friends in Palmyra and Riverton.

These new officers are: Mrs. T. Cavanaugh, president; Mrs. Edward Steedle, first vice president; Mrs. H. Kemmerle, second vice president; Mrs. E. McNulty, third vice president; Mrs. Edward Faunce, secretary; Mrs. T. Gottlieb, treasurer; and Mrs. John Strohm, corresponding secretary.

LAMON OFFICES AT NEW LOCATION

Prominent Palmyra Realtor to
Be at 516 Cinnaminson
After June 1

On and after Tuesday, June 1, the
offices of Walter D. Lamon, prom-
inent realtor and insurance agent,
will be located in new and spacious
quarters at 516 Cinnaminson avenue,
Palmyra, moving from his present
address at 522 Garfield avenue.

The building located on this prop-
erty was purchased by Mr. Lamon
last year, and several months have
been spent in completely renovating
the structure. The first floor, where
the offices are located, has been
lowered to the ground level and
complete facilities installed for the
conduct of the business.

Started in 1926

Mr. Lamon inaugurated his real
estate business on January 1, 1926,
and expanded to include insurance
on February 15, 1929. He has been
assisted for several years by Mrs.
Lamon who has efficiently con-
ducted the management of the office.

Walter D. Lamon, Jr., joined the
organization on September 1, 1936,
after completing an intensive course
on insurance with the Travelers In-
surance, of Hartford, Connecticut.

GIRL SCOUTS ON CAMPING TRIP

Troop No. 1 of the Girl Scouts
of the Methodist Church left Pal-
myra last Saturday morning at 8.30
for a weekend at Camp Ockanickon.

The members of the troop taking
the trip under the direction of Miss
Irene Anders, their captain, and
Miss Elizabeth Hassell, one of the
troop committee, were: Ruth
Coombs, Ruth and Jane Beyer, Vir-
ginia Abdill, Natalie Ellms, Jane
Fisher, Eleanor and Thelma Gamble,
Dorothea Gosner, Ruth Gardner,
Grace Horner, Margaret Haines,
Ruth Haines, Helen and Florence
Henzler, Edith Feldman, Florence
Kerrigan, Carol Lenker, Jessie Lip-
pincott, Dorothy Mohrfield, Lois

Smith, Clarissa Swayne. The fol-
lowing mothers also accompanied
the girls: Mrs. R. Haines, Mrs. H.
P. Haines, Mrs. Charles Gosner,
Mrs. John Kerrigan, Mrs. Fred Hen-
zler.

The girls enjoyed boating, swim-
ming, hiking and a camp fire Sat-
urday night at which time all kinds
of stunts and capers were presented.

PLANS COMPLETE FOR BOAT CRUISE

The entertainment program for
the Cooper Capers Show, Boat
Cruise to be held the night of June
14th aboard the S.S. "State of Penn-
sylvania," flagship of the Willson
Line fleet, has been completed.

Heading the program will be a
forty-minute floor show consisting
of five specialty acts, and a chorus
of six girls. The show will consist
of the finest, professional talent
available in Philadelphia. On the
top deck two forty-minute talking
picture shows will be given in the
open air theatre. Dancing in the
ballroom will be to the tunes of
Harry Taylor's nine-piece orchestra.
A strolling accordion player will
rove the decks encouraging group
singing. Several surprise novelties
and games have been arranged by
the committee.

Mrs. Ward Dix Kerlin, chairman
of the cruise committee, stated that
according to the advanced demand
for tickets, the affair will be the
most successful ever put on by the
Junior Auxiliary of the Cooper Hos-
pital. Funds raised by this benefit
trip will be used to help the Auxil-
iary in their work for the Cooper
Hospital.

ENGAGED

Mrs. Edwin Parry, of Main street,
announces the engagement of her
daughter, Miss Dora Bond Parry,
to Richard Morris Graff, son of Mr.
and Mrs. Filson Graff, of Eighth
street.

ENGAGED

Mr. and Mrs. T. Morrell Parry,
of Riverton, announce the engage-
ment, of their daughter, Letitia

COURSE FINISHED
BY FIRE POLICE

Six from Riverton and Eight
from Cinnaminson in
Graduating Class

The graduation exercises of the Burlington County Fire Police Training School were held last Wednesday night in the Riverside Fire House, a class of 99 receiving certificates showing satisfactory completion of the course.

Each man in the class received 19 hours of instruction on fire police duties, Sergeant John V. Conover, of the New Jersey State Police, being in charge of the school.

Church Makes Presentation
The certificates were presented by Freeholder LeRoy Church. Included among the speakers were Lawrence G. Mingin, county clerk; William Goote, chief of the Riverton police, and Walter McClain, chief of the Medford fire department.

Riverton had six men in the graduating class and eight members were from Cinnaminson Township.

Revocation of
DRIVING LICENSES
A total of 98 persons lost their driver's licenses during the week ending May 21, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Nineteen were for drunken driving; 4 for reckless driving; 15 for speeding; 18 habitual violators; 8 for failure to appear in answer to summonses; 7 were revocations resulting from fatal accidents and all others 17.

With the inclusion of this week's figures, the Department during 1937 revoked 575 licenses for drunken driving and the total of all revocations reached 1628.

FOOD FACTS

Do You Know That:
Although ranking forty-fifth in size, New Jersey raises first in the production of early potatoes, sweet corn, peppers and egg plants.

The surplus of seven farm families was required to provide for one city dweller in 1790 while today the same number of farms can supply 84 city consumers.

Consumption of canned foods has increased 800 per cent since 1912. 400 million quarts of vitamin D milk are now sold annually in over 300 American cities.

JEAN HARLOW AND
ROBERT TAYLOR STAR
IN FILM AT FOX

Two of the outstanding names in the film firmament are co-starred in "Personal Property," which will be presented at the Fox Theatre, Riverside, on Friday and Saturday, May 28 and 29.

These stars are Jean Harlow and Robert Taylor, who make their first appearance together in the comedy drama which is based on the H. M. Harwood stage play, "Man in Possession," which enjoyed a big run on the New York stage.

The new picture, coming from the Metro-Goldwyn-Mayer studios, was directed by W. S. Van Dyke, who has come to be known as "the man who has never made a failure."

In the supporting cast are Reginald Owen, Una O'Connor, Henrietta Crossman, E. E. Clive, Cora Witherspoon, Marla Shelton, Forester Harvey, Lionel Braham and Barnett Parker.

The complications of the unique plot combine to make this production one of the merriest and most hilarious screen comedies of the year.

ATHLETICS PLAY
IN RARE FORM

Swamp Millside 23-0 in Hitting
Orgy; Tak-Aboust Trims
Merchants 9-5

In the Softball League games played last Thursday night, the Athletics pounded the apple to all corners of the lot to score a 23-0 verdict over Millside, while Tak-Aboust was taking the measure of the Merchants in the other engagement, the score of this fracas being 9-5 in favor of the batters.

The A's served notice to all contenders that they are a force to be reckoned with this season. The members of this cast poled out a total of 23 hits, many being for extra bases.

Shivers Pitches Well
Shivers turned in a most creditable performance on the mound, limiting the Millside hitters to a total of five bingles.

The Athletics started the contest off with a bang by pushing seven counters across the rubber in the initial session. They added five more for good luck in the following stanza and picked up the remainder of their runs in dribbles of one, two or three during the remaining innings.

Score by innings:
Athletics 7 5 1 0 2 3 2 1 —23
Millside 0 0 0 0 0 0 0 0 —0
Batteries—Athletics: Shivers and J. Shaffer; Millside: D. Lutz and J. McGann. Umpires: Rotenbury and Richman.

Merchants-Tak-Aboust
The other game of the evening was closely contested throughout and, although Tak-Aboust led 9-5 at the end of the sixth inning, the Merchants threatened to upset the final verdict on several occasions.

The latter started the contest in a lively fashion, counting three times in the opening canto on hits by Atkinson, Morris, Landgraf and Sherman.

Opponents Score 4
Not to be outdone by their opponents, Tak-Aboust did one better in their half of the inning, as four hits produced a similar number of counters.

Two of these bingles were doubles by Sacca and E. Hubbe. The victors tallied a singleton in the fifth and four more in the sixth, one of these being a round-tripper by Sacca.

The best the Merchants could do to match this scoring was to tally twice in the sixth on hits by Friberg, Gibson and Smith.

Score by innings:
Merchants 3 0 0 0 2 0 0 0 —5
Tak-Aboust 4 0 0 1 4 0 0 x —9
Batteries—Merchants: Landgraf and E. Morris; Tak-Aboust: E. Hubbs and Mathis. Umpires: Carhart, Johnson and Alloway.

IN EAST RIVERTON

(Fidgety) Phil Stills, the long-legged fielder of soft ball fame at Memorial Park, Riverton, announced this week that he has taken over the management of the Tak-Aboust shop on Broad street, in East Riverton.

If Phil catches as many customers for Tak-Aboust and Breyers ice cream as he has caught high-flying soft baseballs with the home-run label on them, we predict that he'll be very busy behind the counter of his new shop.

Second Round for Trophy

In second round matches played last week by the Walter H. Lippincott Trophy, C. B. Wallace beat Richard Lippincott 5 and A. D. B. Tyler bested Gordon Moffitt by the score of 7 and 6.

The semi-final round to be played on Saturday, May 29, will see Wallace play the winner of the Lamont-Sheble match, while Tyler will engage the victor in the contest between Chariton and Hemphill.

Merchandise Tournament

The merchandise tournament played last Saturday drew an entry list of 40 golfers. The prizes donated by the contestants ranged from insurance policies, gas, oil, food, pictures, etc., to a set of false teeth.

The first fifteen winners in their respective order were as follows: L. G. Rogers, O. W. Morgenstern, F. Jamison, W. D. Lamont, Jr., Victor Ritschard, J. E. Lippincott, George Durgin, A. P. Gregg, D. B. Tyler, Edward Ridgway, W. L. Hemphill, J. D. Clark, Dr. Meyers, E. S. Wood, and W. Rogers.

Other Entries

Other entries, who also received awards were: F. Graf, J. Coale, J. Hackett, T. Moffitt, G. Lorenz, H. Evans, D. B. Stokes, C. Carpenter, S. Hilton, R. Geary, R. Chariton, H. Coe, C. W. Coward, J. B. Tyler, C. B. Wallace, G. Moffitt, G. M. Bartlett, J. Gillam, L. Krusen, C. Anett, N. F. S. Russell and J. S. Collins.

Coming Events

The program for Memorial Day weekend includes the semi-final round for the Lippincott Trophy on May 29 and an 18-hole medal play full handicap tournament on the same day. On Sunday, May 30, the Costume Tournament will be held. This affair will be a two-ball mixed foursome with prizes for costumes and golf.

The Flag Tournament will be held on Monday, May 31.

Dusters Start Saturday

Five Dusters started the first race of the season for this class on Saturday afternoon in a light breeze. As the boats rounded the last mark and headed up the river toward the finish line the order was as follows: Shoemaker, Hunn, Coe, Gladney and Ayres.

By some strange twist of fate, sailing skill, or both, the Dusters passed the judges in exactly the reverse order on which they started the final leg, with Ayres winning; Gladney finishing second and Coe third.

Comet Races

In the Comet races held last Wednesday night Jack Wright turned the tables on Hendrickson who won the first encounter. Wright sailed over the finish with a comfortable margin, Hatch took second honors, with Hendrickson third and Haydock fourth.

The third race of the series was held on Sunday afternoon, and Wright turned in his second straight victory of the season. Haydock finished second in this encounter, with Hendrickson taking third honors.

BROADWAY NOSES
OUT TAK-ABOOST

Champs Win by Count of 4-2.
Burke & Easley Smothers
Merchants 17-5

Tak-Aboust offered unexpected opposition to the champion Broadway aggregation last Monday night and, although the latter were out-hit 9 to 8, managed to win the ball game by the count of 4-2.

Broadway made the most of their hits, counting twice in the opening stanza on a walk to Terrill, a double by Baker, an infield out and Buchholz' one-base rap.

Tak-Aboust Scores

Tak-Aboust threatened to knot the count in the lower half of the inning, but could only push over a single counter before Messenger made the final out, leaving runners stranded on second and third.

Broadway crossed the rubber again in the sixth on a combination of errors by the Booster infield. The final score came in the following frame as Cahill hit for the circuit.

Tak-Aboust graduated their second run in the fifth canto and appeared well on the way to take the lead, but Smith was doubled off second as E. Hubbs skied out to Conway.

Score by innings:
Broadway 2 0 0 0 1 1 0 0 —4
Tak-Aboust 1 0 0 1 0 0 0 0 —2
Batteries—Broadway: Gonteski Wright and Buchholz. Tak-Aboust: E. Hubbs and Henson. Umpires: Rotenbury and Richman.

Burke-Easley vs. Merchants
Burke-Easley won their 3rd straight victory of the season at the expense of the luckless Merchants, the affair being decided as early as the second canto when the gasoline boys pushed over seven markers to take the lead, which was never threatened.

The winners combed the offerings of E. Morris and Brennan for a total of 16 bingles. Richmond performed the hurling duties for Burke and Easley and turned back the opposition with a meagre assortment of five hits.

Yearly, of the Oilers, got a four-master in the seventh, scoring Sexton ahead of him. The bingle was Yearly's fourth safe clout of the evening. Sexton also fattened his batting average with three out of four.

Score by innings:
Merchants 0 0 1 1 0 0 3 0 —5
Burke-Easley 0 7 2 0 4 2 0 x —17
Batteries—Merchants: E. Morris, Brennan and Landgraf. Burke and Easley: Richmond and Bonastelli. Umpires: Carhart, Johnson and Alloway.

COUNTY TRACK

MEET MAY 29

The annual Burlington County Scholastic Track Meet will be held on Saturday, May 29, on the Burlington High School athletic field, with the first event getting under way at 1:30 p.m. The affair is sponsored by Twin City Bears, a Moorestown organization.

Palmyra is out to make a serious bid for the championship now held by Moorestown High, the latter needing only one more win to obtain permanent possession of the cup donated by the Bears.

Competition in the high school events is expected to be keen, with the Red and White, and Burlington furnishing most of the opposition for Moorestown.

Seven high schools, together with many grammar and parochial schools, are planning to enter teams.

BOY SCOUT NEWS

At a meeting of the scoutmasters and camp committee of the Burlington County Council, Boy Scouts of America, held Wednesday at Camp Mahalala, plans were completed for the Camporees to be held in all Scout Districts throughout the county on the week-end of June 4th and 5th. District Commissioner Reginald H. Gill, of Beverly, is the director of the county-wide affair. Moorestown scouts will camp overnight at Strawbridge Park; Beverly, Riverside and Delanco troops will use the Delanco Ball Park. The several troops in Burlington will use the Memorial Hall grounds. Judges in the Beverly district will be Kirkland Marter, Beverly; Clifford Meeks, Riverside; and Clarence Hunt, Delanco.

Judges in the Moorestown district will be Robert Wood and Alfred Deyo, of Moorestown, and William Wilkins, Marlton.

Bill Gibson, scoutmaster of Parry, gives assurance that he will enter for the camporee and bring 25 scouts to camp. This troop has built an enviable record during the past four camp seasons by having his entire troop in camp.

Camp Personnel

The camp staff personnel will be in charge of Scout Executive George A. Darlington, who will be the camp director. He will be assisted by Program Director John B. Stokes, Jr., Moorestown. First aid activities will be supervised by William Brown, of Collegeville, Pa., who is a medical student in Hahnemann Medical College.

NEW POLICY AT TAK-ABOOST SHOP

Fry's to Have Enlarged Menu of Tasty Sandwiches, Discontinuing Platters

With the advent of hot weather, appetites have a tendency to become jaded and most people lose interest in the heavy meals which seem so essential during the winter months. In line with serving the most appetizing food suitable for the summer, Fry's Tak-Aboost Shop, Palmyra, has announced a change in policy which will become effective on Monday, May 31.

Just Right for Summer

On that date, this popular rendezvous will specialize in an enlarged menu of tasty sandwiches which are guaranteed to tickle the palates of all those who "just don't care about eating" when the mercury hovers around the century mark. Delicious home-made soups will supplement the wide and varied sandwich selection.

Beginning May 31, platter dinners will be discontinued.

ADAMS PROPOSED FOR GOVERNOR

Harmony Candidate Suggested At Recent Convention of Young GOP's

Surrogate John Macko, of Somerset county, proposed the name of Palmer L. Adams, of Palmyra, as a harmony candidate for governor, at the sixth annual convention of Young Republicans held last week at Asbury Park.

The by-laws of the organization prohibit the endorsement of candidates, but the convention pledged to offer the name of Adams to the leaders of the state GOP.

King Urges Support

Ronald King, of Burlington, newly elected secretary of the association, also urged the support of Adams.

Macko suggested that officers of the Young Republican Club hold a conference with state leaders if they fail to agree on a harmony candidate and urge the acceptance of the candidacy of Adams.

State Committee Meeting

A recent meeting of the state committee of the American Legion witnessed the introduction of many resolutions of wide scope, some being adopted and others referred to committee. Resolutions adopted included the petitioning of New Jersey Members of Congress to assist in naming one of the new battle-ships under construction after the State of New Jersey. Another was to express sympathy, through the press, on the suffering and loss of life in the airship Hindenberg disaster.

A resolution opposing the plan to increase the number of United States Supreme Court judges was filed, explanation being made that action of a recent national committee meeting adequately expressed the stand of the American Legion on this subject.

Resolutions

Resolutions referred to committee included the following: Alleged defects in Civil Service regulations; charges of "red tape" and discrimination in WPA employment; objection to unnaturalized aliens holding American jobs, and asking preference for American citizens. Committees will give their recommendations at a future meeting.

Announcement was made that the next state committee meeting will be held in the Trenton War Memorial on June 26, at which time Governor Harold G. Hoffman and Motor Vehicle Commissioner Magee will talk on auto safety.

DETOUR REPORTS GIVEN BY CLUB

Thousands of highway detours throughout the country present a seasonal problem to motorists, who, however, can avoid inconveniences and in some cases actual hardship by checking on the routes before starting on long trips.

Trevor B. Mathews, manager of the Camden Division of the Keystone Automobile Club of New Jersey, said on Monday that his organization is handling thousands of requests from members for accurate road information, which is supplied to the club through the cooperation of the various state highway departments, some of which issue detour maps while others give detailed written information.

"The country's highway picture is constantly changing," said the club official. "During the summer season detour information is issued by highway departments on an average of every two weeks. As road projects are completed the detour maps are revised to conform to the changes. Similarly our information is kept up-to-date on new construction affecting travel."

While at this time Maryland has comparatively few detours, Pennsylvania has 71, varying in length from one to 20 miles; New York has 91 and New Jersey, 41. In addition, there are numerous "road hazards" at points of new construction where travel is maintained.

In many instances, it is pointed out, motorists can avoid detours altogether by taking alternate routes.

AN ORDINANCE OF THE BOROUGH OF RIVERTON IN THE COUNTY OF BURLINGTON, NEW JERSEY, PROVIDING FOR THE CONSTRUCTION OF THE SANITARY SEWERAGE SYSTEM OF THE SAID BOROUGH BY THE CONSTRUCTION AND INSTALLATION OF A SANITARY SEWER WITH THE NECESSARY APPURTENANCES IN PORTIONS OF FIRST STREET, SECOND STREET, THOMAS AVENUE, BELM AVENUE AND MORGAN AVENUE, AS A LOCAL IMPROVEMENT, MAKING AN APPROPRIATION THEREFOR AND AUTHORIZING THE TEMPORARY FINANCING THEREOF BY THE ISSUE OF THE BOND ANTICIPATION NOTES OF THE SAID BOROUGH.

BE IT ORDAINED BY the Borough Council of the Borough of Riverton in the State of New Jersey:

SECTION 1: That the municipal sanitary sewerage system of the said Borough shall be extended by the construction and installation of a sanitary sewer, with the necessary appurtenances, in the following portions of the Streets and Avenues hereinafter designated, to-wit: from the intersection of Second Street and Thomas Avenue, Westwardly, in Elm Avenue, 100 feet to the intersection of Morgan Avenue and thence Northwardly, in Morgan Avenue, 163 feet; in Second Street, from the existing manhole between Main Lane and Thomas Avenue, Westwardly, 80 feet to the middle of Thomas Avenue, and thence Northwardly, 330 feet to the middle of First Street.

SECTION 2: That said sanitary sewer and the necessary appurtenances thereto shall be constructed and installed in accordance with the plans and specifications therefor prepared by Messrs. Sherman and Sleeper, Borough Engineer, dated May 11, 1937, which plans are hereby approved and adopted for the purpose of said improvement and shall be filed with the Borough Clerk and kept on file for reference and public inspection.

SECTION 3: That the sum of Three Thousand Dollars (\$3,000.00) be and the same is hereby appropriated to pay the costs and expenses of said improvement, including incidental expenses, shall be assessed upon the lands specially benefited by said improvement to the extent of such benefits, and that the remainder of such costs and expenses, if any, shall be borne by the said Borough.

SECTION 4: That the sum of Three Thousand Dollars (\$3,000.00) be and the same is hereby appropriated to pay the costs and expenses of the construction and installation of said sanitary sewer, and that said sum of Three Thousand Dollars (\$3,000.00) be and the same is hereby determined and declared to be the maximum amount of money to be raised for said purpose.

SECTION 5: That the sum of One Hundred Dollars (\$100.00) which is available from the Sewer Appropriation of the 1937 current budget of the said Borough, be and the same is hereby appropriated to a down payment under the provisions of Section 204 of the Local Bond Act of the State of New Jersey, to and for the purpose of paying the costs and expenses, including incidental expenses of the construction and installation of the said sanitary sewer, which sum of One Hundred Dollars (\$100.00) is not less than a part of the total estimated maximum amount of money to be raised from all sources for the said purpose as determined by dividing such total amount by the number of lots or lots hereinafter determined as the period of usefulness of the said sanitary sewer.

SECTION 6: That the remaining Twenty-nine Hundred Dollars (\$2,900.00) of said appropriation of Three Thousand Dollars (\$3,000.00) shall be raised by the issue of the Bond Anticipation Notes of the said Borough of Riverton, in the County of Burlington, in the State of New Jersey; and that the said Notes shall be issued under the authority of the resolution of the Borough Council, authorized to be issued under and in accordance with the provisions of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, town, township, village or any other municipality, other than a school district (Revision of 1935)," approved March 28, 1935, being Chapter 17 of the Pamphlet Laws of 1935 of said State, and the supplies thereto and amendments thereof; and that all other matters, details and particulars in relation to the authorization, issue and sale of such Bond Anticipation Notes not contained in this Ordinance shall be determined hereafter by appropriate resolution or resolutions of the Borough Council of the said Borough adopted according to law; provided, however, that the rate of interest upon such Notes shall not exceed six per centum per year.

SECTION 7: That it is hereby determined and declared that the period of usefulness, within the limit of Article IV of the Constitution of the State of New Jersey, as amended, of the said sanitary sewer and the necessary appurtenances thereto is forty years.

SECTION 8: That it is hereby further determined and declared that the supplemental Debt Statement required by said Chapter 17 of the Pamphlet Laws of 1935 of the State of New Jersey, as amended, made and filed in the office of the Borough Clerk of the said Borough prior to the passage of this Ordinance; and that such Statement shows that the said Ordinance is in accordance with the provisions of said Chapter 17 of the Pamphlet Laws of 1935 of the State of New Jersey, as amended, and that the said Ordinance is hereby approved and adopted, on the earliest date allowed by law.

SECTION 9: That it is hereby further determined and declared that the total amount of the proceeds of the said Bond Anticipation Notes, when sold, shall be used to pay the costs, legal expenses, and the cost of issuing the said Notes, including the printing and the advertisement of this Ordinance, in the sum of One Hundred Dollars (\$100.00).

SECTION 10: That this Ordinance shall become operative, after its final passage, adoption, approval and publication, on the earliest date allowed by law.

NOTICE is hereby given that an Ordinance, of which the foregoing is a copy, was duly introduced and passed upon first reading in the Borough Council of the Borough of Riverton in the County of Burlington, State of New Jersey, at a meeting thereof held on the thirteenth day of May, 1937, and that the final passage and adoption of the said Ordinance will be considered by the said Borough Council at a meeting thereof to be held in the Council Room of the said Borough, on the second floor of the Fire House, situate on the Northeast side of Howard Street, between Main Street and Fifth Street, in the said Borough of Riverton, in the County of Burlington, State of New Jersey, on the tenth day of June, 1937, at 7 o'clock in the evening, Standard Time, at which place and time a hearing concerning said Ordinance will be afforded to all persons interested therein.

ASKEW LOSES TO BROADWAY TEAM

Puts Up Game Fight, But Champs Stage Big Rally to Win by 14-2 Count

The junior Askew cast was equal in fighting spirit to the champion Broadway aggregation, but the movie softball tossers displayed decidedly more drive and took the play-off of last week's tie game by the score of 14-2, the contest being played on Tuesday night.

The engagement was close until the fifth stanza, when Broadway pounded Knight for several hits which, coupled with an error or two, resulted in eight large runs crossing the platter for the Movieites.

Three Homers

Three round-trippers were jostled over the heads of the outfielders. Broadway benefited by the clouts of Manager Anderson and Foulke, while Yearly smote a four-master for the losers.

The victory put Broadway into a tie with Burke & Easley in respect to total games won. The Athletics also have a perfect record, but have only two victories in the win column.

Score by innings:

Broadway 0 0 1 3 8 0 0 1 1—14

Askew 0 1 0 0 0 0 0 0 1—2

GLASSWARE TO BE GIVEN AT BROADWAY THEATRE, PALMYRA

Starting Monday, May 31st, and every Monday and Thursday thereafter, the Broadway Theatre will give to its lady patrons the new Golden Glow Madrid Tableware, sturdy enough to last a lifetime.

This tableware cannot be purchased in any store—it is made exclusively for theatre trade.

Each lady purchasing a ticket on Monday, May 31st, will receive 6 water tumblers to start her set. Every Monday and Thursday two or more pieces will be given out with the exception of the larger pieces which will be given out singly.

This set is now on display in the lobby of the Broadway Theatre.

NOTICE

All members of the Methodist Church Troop Girl Scouts will meet at the Legion Home Monday, at 1.15, in uniform.

Miss Irene Anders, Captain.

Batteries—Askew: Knight, Gibson and McDermott; Broadway: Anderson and Buchholz. Umpires—Carhart, Johnson and Alloway.

PALMYRA WINS COUNTY TITLE

Locals Down Mt. Holly 1-0 as Diffenbaugh Gives Rivals Only Three Hits

Palmyra High School annexed the Burlington County Scholastic Baseball League title last Friday afternoon by defeating Mt. Holly by the score of 1-0, in the final encounter.

The locals closed the loop season with a record of six wins against two losses, trimming Mt. Holly 6 twice, Moorestown and Pemberton once, and Burlington on two occasions. Games were lost to Moorestown and Pemberton.

Diffenbaugh Pitches

The fracas was limited to seven innings due to the fact that Mt. Holly also had a game scheduled with Pemberton for the same date. Palmyra took the field at 6 p.m. after the first engagement had been completed.

Diffenbaugh did the mound duty for the Red and White and, as usual, limited the opposition to a trio of safe singles. He fanned 13 in the abbreviated contest.

According to the latest announcement, the game was the final one of the season for the local tossers.

NOTICE
Dr. Charles F. Voorhis announces his summer schedule of office hours to take effect between June 1 and October 1 as follows: 10.30 to 12 a.m. and 6.30 to 8.00 p.m. daily, including Friday. Wednesday evening, Friday evening and Sunday by appointment.

10:00 a.m. Sunday School.
11:15 a.m. Morning worship. The topic of the sermon for this service will be "Echoes From the Northern Baptist Convention."
7:00 p.m. Young People's Service.
7:45 p.m. The American Legion Post Rodgers 156 will hold a memorial service at which time they will conduct their Ten O'clock Ritual. The topic for the evening service will be "To Safeguard the Future."

FIRST LUTHERAN CHURCH

Rev. Harold L. Creager, Pastor
The subject for the morning service will be "Filling the Vacant Place."

Starting with this Sunday there will be no evening services during the summer.

The Ladies' Aid is planning a covered dish luncheon for next Tuesday, June 1.

Next Thursday the Woman's League of Gettysburg College will hold a banquet in the Lutheran Church at 6:30. Further details will be given next week.

CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, Pastor

The worship at Calvary Church next Sunday morning, May 30th, will be the preparatory service, in anticipation of the Communion which will be held on June 6th. The Session of the Church will meet immediately following the preparatory service and will gladly welcome any who may wish to unite with the Church at this time.

The last meeting of the Women's Missionary Society until October will be held in the Church school auditorium on Wednesday afternoon, June 2nd, at three o'clock. Mrs. Earle J. Woodberry, a Presbyterian missionary from Ichow, Shantung, China, will speak of her work there. Mrs. Woodberry has been in China for twelve years, and has been engaged chiefly in teaching Bible classes, conducting kindergartens and working among the Chinese women. She brings a vitally interesting message. All ladies of the congregation and their friends are cordially invited to attend this meeting.

CHRISTIAN SCIENCE CHURCH

"Ancient and Modern Necromancy, alias, Mesmerism and Hypnotism, Denounced" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 30.

The Golden Text is: "I am with thee to save thee and to deliver thee, saith the Lord. And I will deliver thee out of the hand of the wicked, and I will redeem thee out of the hand of the terrible." (Jeremiah 15:20, 21.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And the Lord spake unto Moses, saying, Speak unto all the congregation of the children of Israel, and say unto them, Ye shall be holy: for I the Lord your God am holy. Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the Lord your God." (Leviticus 19:23, 24.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When the Science of Mind is understood, spiritualism will be found mainly erroneous, having no scientific basis nor origin, no proof nor power outside of human testimony. It is the offspring of the physical senses. There is no sensuality in Spirit. Spiritualism therefore presupposes Spirit, which is ever infinite, to be a corporal being, a finite form, a theosophy contrary to Christian Science." (p. 71.)

NOTICE

The office of Dr. Hayes B. Brady will be closed from Sunday, May 16 until Tuesday, June 1. Dr. Brady will be out of town during this period.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor
In the Methodist Episcopal Church, the Rev. William A. Boyd will preach on Sunday morning. Music will be furnished by the senior and junior choirs. During this service opportunity will be given to those who wish to join our church. "Charters of Freedom" is the subject of the evening sermon by Mr. Boyd. This service will be patriotic in character.

Children's Day will be observed the first Sunday in June. The baptismal service for infants will be in the morning at eleven o'clock. The children's exercises by members of the church and church school will be in the evening at 7 o'clock.

FLOWER DISTRIBUTION

The members of the Flower Guild of Christ Church, Riverton, have started their annual distribution of flowers to the hospitals during the summer.

Anyone wishing to donate flowers for this cause may get in touch with Mrs. Carl Peterson, 407 Bank avenue.

It is requested that flowers be brought to the home of Mrs. Peterson, any time on Tuesday or on Wednesday morning up to 10:30. Distribution will be made on Wednesday.

CHRISTIAN SCIENCE CHURCH TO BROADCAST

The Columbia Church of the Air program under the auspices of the Christian Science Church will be broadcast from St. Louis on Sunday, May 30, 1937, by E. Howard Hooper, Christian Science Committee on Publication for Missouri, at 9 a.m. Eastern Standard Time, or 10 a.m. Eastern Daylight Saving Time, over a nationwide network of the Columbia Broadcasting System, and may be heard in New Jersey over Stations WABC and WPG.

OBITUARIES

WILLIAM H. BAKER

William H. Baker, 80, of 717 Main street, Riverton, died Monday, May 24, after a long illness.

Funeral services were held from his late residence, Wednesday, the Rev. Francis B. Downs officiating. Interment was made in Lakeview Memorial Park.

Mr. Baker was an old resident in Riverton, having lived here forty-five years.

He is survived by his widow, Alice Troth Baker and one son, William H. Jr.

DR. GEORGE H. PANCOAST

Dr. George H. Pancost 76, of 135 West Fourth street, Palmyra, died at his home Saturday evening after a long illness.

Dr. Pancost came to Palmyra in 1895 and was one of its oldest residents.

He was graduated from Jefferson Medical College, class of 1884, and followed his profession for five years, after which he was connected with the firm of Smith, Kline and French, a wholesale drug company. After a service of forty-five years with the company he retired owing to poor health.

He was past master of Covenant Lodge, F. & A. M., a member of Siloam Chapter, Camden; a member of the Philadelphia Commandery, K. T.; a 32nd degree Scottish Rite Mason and a member of the Crescent Shrine A.A.O.N.M., Trenton.

Masonic funeral services were held Wednesday evening from a Philadelphia funeral home.

Interment was made this (Thursday) morning in Mt. Moriah Cemetery, Philadelphia.

Dr. Pancost is survived by his widow and one brother, Samuel R. of Point O' Woods, Long Island.

A xylophone of dinosaur bones has been constructed by Professor Charles W. Weidmann, of the University of Nebraska.

PALMYRA SCHOOL NOTES

First Grade
The first experiment with the bean seeds failed because of too much water and no sunlight. The second trial has been very successful. The roots look sturdy and the plants are just poking through.

The naturtutims are four inches tall. Each pupil is going to transplant some of them in his own garden at home.

Third Grade

Honor list for Citizenship: Hamilton Carson, Ruth Cooper, Raymond LeCate, Rita Marconi, Blanche Redfield, Richard Ulrich, Thomas Swayne, Carol Ward.

Fourth and Fifth Grades

The fourth grade pupils have just completed bird booklets. As various birds were seen this spring the pupils would give descriptions to the class. Each member of the class wrote his description and compiled it in the form of a booklet.

The fifth grade pupils have been making health posters.

Seventh Grade

The seventh grade room of Earl Whitcraft has been crowded with material in preparation for the exhibit of Wednesday, May 26. Charts, pictures, maps, booklets, and models have added greatly in decorating the walls and available spaces.

In class periods we have been studying Spain and Portugal. With the aid of newspaper clippings, we have attempted to discover the causes and outcome of the war in Spain.

After several weeks of getting scoops and getting scooped, the editors of Arthur Terrell's class have finally published their papers.

Many different types of printing, composition and arrangement were discovered. The editors dwelt mostly upon quantity not quality.

When the final vote was taken William Keen's paper won first prize for the best appearance. Emanuel Rothbaum edited the "best all around" paper and Virginia Carr and Laura Hanson had the best paper on fashions.

Westfield Friends' School

This Friday evening at 7:30 o'clock the pupils of James Wallace, music instructor, will give a recital at the school. All children participate in the choric speech program which will immediately follow the musicale. Parents and friends are invited to attend.

The final number of the school magazine "The Scroll" will be issued next Thursday, June 3rd. John Entwistle, of Palmyra, is publishing it for us. It promises to be an interesting and attractive publication which is the culmination of the work accomplished during the last semester in creative writing.

Dramatic Presentation

On Thursday afternoon, June 3d, the school will present an original dramatization of "Pandora's Box" at five o'clock. At six o'clock a buffet supper will be served at the cost of fifty cents for adults and thirty cents for children.

The School Fair will immediately follow the supper, and will include sale of crafts made by the children, the school magazine, books, and many other interesting things. Those desiring to bring box lunch the evening of the play may feel free to do so. In case of rain Thursday the play, supper and fair will be postponed until Friday. Should the weather continue inclement the events will take place Saturday afternoon at the same time.

Well Trained

Vicar: "I have never christened a child who has behaved so well as yours!"

"THE MUMMY AND THE MUMPS" PROMISES MUCH EXCITEMENT

If you see a bat-eared ghost floating around the corner of Fourth and Howard streets, do not be alarmed. It is only "Dooley." "Dooley" has been long dead. Once he, or rather she, was an important personage in Egypt. Now "Dooley" is the mummy of Sir Hector Fish who has brought her to Riverton to appear in the Young People's Fellowship play, "The Mummy and the Mumps."

Yes, the mummy has the mumps, so do a lot of other people, among them Sir Hector. That is what makes life so difficult for all those who have had to stay past term time at Miss Smith's fashionable school for girls. Of course the headmistress' nephew, whom she knows to be visiting her, and Bill Briskie, the nephew's college roommate who is visiting the nephew without the aunt's knowledge, complicate the situation considerably.

Two college boys certainly cannot stay long at a girls' school without there being some interest aroused between them and the girls.

However, great as are the difficulties of young love, they are as nothing to the difficulties of being possessed of a mummy which vanishes from its case and turns up in such odd places as the pickle closet and the ice house. Dooley has been seen in the neighborhood every night for the past week. If you run across her do not be alarmed, she has a very fine nature. And above all, do not harm her or frighten her away. The Fellowship needs her badly for one of the steller roles in their play at the parish house this Friday night.

YMCA STAMP CLUB of Palmyra and Riverton

The Palmyra-Riverton Y.M.C.A. Stamp Club will meet in the Y building, Palmyra, Friday, May 28, at 8 o'clock.

J. Arthur Hess will be the speaker of the evening and has chosen for his subject the topic "United States and Covers."

The trophy won at Ates will be on display and certificates will be awarded to the individual exhibitors.

RADIO GARDEN CLUB PROGRAM

"Peonies—Herbaceous and Shrubby" will be discussed by Dr. C. H. Connors, head of the department of ornamental horticulture at the New Jersey College of Agriculture, during the Radio Garden Club program of the Agricultural Extension Service, Rutgers University, Tuesday, June 1. Dr. Connors will be heard over Station WOR and other stations of the Mutual Broadcasting Network at 3:15 p.m., as the guest of the Garden Club of New Jersey, a co-sponsor with the Extension Service of these programs.

Guest speaker on the Radio Garden Club program of Friday, June 4, at the same hour, will be Mary Pennington, New York City, who

HOSPITAL AUXILIARY MEETS TUESDAY, JUNE 1

The Riverton Branch of the Zurbrugg Memorial Hospital Auxiliary will meet at the home of Mrs. Nathan Lane, 305 Highway, Riverton, on Tuesday, June 1, at 3 p.m. All members are urged to be present.

BIRTHS

Mr. and Mrs. Jefferson Edwards, of Cinnaminson avenue, Palmyra, are receiving congratulations upon the birth of a son, William Walton, in Zurbrugg Memorial Hospital, Riverton, on Monday, May 17.

will speak on "Gardens in the Sky." This broadcast will be presented by the Federated Garden Clubs of New York State, Inc., another co-sponsor of these programs.

YWCA NOTES

Camp Registrations

Registrations for the Day Camp to be conducted by the Burlington County YWCA this July are being received at the county office in Mt. Holly. The camp will be on Haines Creek, between Cotoxan and Cedar Lake.

Mature high school students who are interested in acting as junior aides or counsellors-in-training at the camp will be interviewed within the next week. These girls will have an opportunity to obtain camp experience under supervision, with a directed course of study, which will help fit them for regular camp jobs.

The route of the bus which will provide transportation to the Day Camp will be announced after registrations are received.

MANY EXPECTED AT JONES DINNER

Early Reservations Urged by Committee; John Morrow To Be Speaker

Those who wish to attend the testimonial dinner for Freeholder Albert C. Jones are advised by the committee that the proper move is to make reservations as soon as possible, as the demand for tickets is heavy and there are indications that a capacity crowd will be on hand to do honor to the popular Freeholder.

The dinner, which is under the sponsorship of the Burlington County Young Republicans, will be held at the Log Cabin Lodge, Medford Lakes, on Saturday night, June 5. These young Republican affairs always have a large attendance, and the committee feels certain it can say that there will be at least 650 on hand for this one.

The various details of the program are being worked out by the sub-committees, and everything is moving along toward completion of arrangements that will make this one of the outstanding parties of its kind in Burlington county. Mrs. Frank E. Chambers, of Palmyra, is general chairman, and is being assisted by a large group of interested members of the Young Republicans.

Principal Speaker

The principal speaker will be John Morrow, immediate past chairman of the Philadelphia County Young Republicans. He is well-known as

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

Early-blooming shrubs that are pruned at any time from now until the middle of June will still have time to make early summer growth and set a good crop of flower buds for next year. These shrubs will do much better if pruned into shape now than when pruned during the winter.

In this group are included all the lilacs, forsythias, and early blooming spireas. Cut out the surplus wood of those which have finished blooming and trim the plants into the desired shape. Then the young shoots will be strong enough to set a

a forceful talker, and the committee feels it is fortunate in being able to arrange for his appearance at Medford Lakes.

The musical end of the program will be in the capable hands of Elwood Weidman and his Royal Commanders, while group singing during the evening will be under the direction of S. Roger Oliver, of Burlington. The Commanders will also play for the dancing which will follow the dinner.

Young Republicans are planning to turn out in full force in honor of their Freeholder, and all who want to be members of the crowd are again reminded that the sensible thing to do is get the tickets right away.

good crop of blooming buds in late July and August.

Trim Wisteria

Trim back the long growing shoots of wisteria now and keep them pinched off during the summer. Wisteria is another plant that sets its flower buds the year before they bloom, and if it is allowed to grow rampantly most of the strength will go into the surplus vegetable shoots instead of into the flower buds. By keeping the shoots pinched back the spurs which bear the flower buds for next year are supplied with an abundance of plant food.

Don't forget that it is absolutely necessary to examine garden plants at regular intervals for the presence of plant pests, especially for aphids or plant lice. At the first signs of an infestation, apply a spray of either nicotine, pyrethrum or rotenone.

NEW PICNIC GROVE AT OLD BUTLER PLACE

Although Butler Place, situated about five miles east of the traffic circle along State Highway Route S-40, on Lebanon State Forest, Burlington and Ocean counties, is relatively new in the picnic areas created and developed by the CCC, under the supervision of the Department of Conservation and Development, for more than 66 years this spot provided rest, refreshment and shelter for travelers, and figured prominently in the history and social and industrial activities of this section of South Jersey for many decades.
