PALMYRA B. & L. MEETS TUESDAY

To Open 66th Series of Stock;
Organization Has Fine Long
Time Record

The Palmyra Building and Loan Association will meet next Tuesday evening, in P. O. S. of A. Hall, due to Monday being Labor Day.

The 66th series of stock will be opened at this meeting, and from all indications officials expect it will be subscribed for in increasing numbers, as have been the series during the past five years.

Paid Obligations

The eyes of the Building and Loan Leagues have been focused on Palmyra B. & L., especially during the depression. The way the Palmyra Building and Loan has functioned has been regarded by State Banking and Building and Loan officials as exceptional. It has paid its obligations when due, nearly \$200,000.00 having matured during the past 18 months. A keen sense of observing conditions plus conservatism has directed the affairs accordingly. In so doing, it has avoided many pitfalls and has successfully coped with many perplexing moments.

To save in the Palmyra Building and Loan Association, whether in free or income shares, proves to be a most profitable means of investment. Their earnings have substantiated a 4% payment on Income Shares for the past six months, and their maturities have been in 139 months.

Social Security

In this age of Social Security mindedness, the public has been more forcefully reminded that Palmyra Building & Loan Association has had the features of Social Security embodied in the very reason for its existence.

While the 66th Series is opened for the first on September 7th, the series will continue through the October and November meetings without any fines.

The Association is still carrying its slogan, "Let's All Join Palmyra B. & L."

SCHOLARSHIPS AT RUTGERS UNIV.

Two boys and three girls from Burlington county were among the 172 winners of state scholarships to Rutgers University and the New Jersey College for Women according to a recent announcement by Dr. Fraser Metzger, dean of the university.

The county winners are as follows: Ben Thompson, of Edgewater Park; Marian Moan, of Moorestown; Mary Lewis, of Mt. Holly, and Dorothy Rogers, of Riverside.

JOHNSON TAKES OVER BUSINESS

John R. Johnson, of 119 Market street, Palmyra, announces that he has taken over the cleaning, dyeing and pressing business formerly owned and operated by J. L. Young, at 19½ West Broad street, Palmyra.

Mr. Johnson has been associated with Mr. Young for the past twelve years. He states that he will endeavor to render an even greater measure of courtesy and service in the future.

BROADWAY THEATRE FRIDAY & SATURDAY

Shirley Temple in "Wee Willie Winkie."

Ocean City Convention
Edward Post, secretary of the Cape May County Historical and Genealogical Society, will broadcast over WPG Thursday, September 2, at 5 p.m., in the interest of the 19th annual convention of State Department of the New Jersey American Legion.

Not only will the invitation be extended to come to Ocean City, but Mr. Post will invite those interested to study with him the history of the founding of the resort by the Lake Brothers, likewise he will invite short side trips to historical and colonial Cape May County in which Ocean City is located. All legionnaires and auxiliary members will be welcome to visit the famous historical exhibits that are located in the county buildings at Cape May Court House, the county seat of the County of Cape May as founded in 1695.

SPANISH CONDITIONS TO BE SUBJECTS OF TRAVELER'S TALK

Patrick Murphy Malin, who has been travelling in Spain under the auspices of the Spanish Child Feeding Mission, will speak of his experiences at Westfield Meeting House on Tuesday, September 14, at 8 p.m. He visited both National and Rebel leaders for first hand information on conditions especially concerning non-combatants. All interested are invited.

ABOUT TOWN

Just after every one thought the weather experienced last week was about sufficient, along came sunny Saturday. The recovery proved only temporary, however, and the sun retired from view on Sunday, much to the chagrin of the weather prophets, who had forecast an improvement.

School days are just around the corner and, by the way, it won't be long until Christmas.

A little resurfacing would improve the south side of Broad street, in Riverton, between Lippincott and Linden avenue.

The palatial blue trailer owned by R. M. Hollingshead, of Riverton, always attracts considerable attention when observed on the local thoroughfares.

According to latest information, nothing has been done as yet to organize the Palmyra Athletic Club football team for the coming season.

Finishing touches are being made to repairs in local schools in preparation for the coming term.

Political activity is expected to get into full stride after the Labor Day weekend.

CARELESS DRIVER RECEIVES FINE

Henry Bailey, 23, of Pine street, Camden, was arrested last Monday by Officer John Robinson, of the Riverton police, on the charge of careless driving.

He was arraigned before Recorder Frank Probsting on Thursday night and fined \$2.00 and costs.

ANNOUNCEMENT OF Winter Schedule

SUPERINTENDENT OF M.E. CHURCH VISITS PALMYRA

The Rev. and Mrs. Harry Evaul and daughter Mary M., of Baltimore, are visiting Rev. Evaul's mother, Mrs. A. T. Evaul, of Berkley avenue, Palmyra, during this week.

Mr. Evaul, who is superintendent of the Frederick District in Maryland, was ordained in 1914 at Williamatic Church, in Connecticut.

He graduated from Dickinson College in 1912, and from the Boston School of Theology in 1915, at which time he was given a charge in Maryland. He then went to Baltimore in 1918, to Washington in 1921, back to Baltimore in 1924 and to Cumberland in 1928. In 1936 Mr. Evaul was made district superintendent, which position he holds at this time.

In 1933 Mr. Evaul received his Doctor of Divinity degree from Dickinson College.

The Rev. Evaul will be in charge of the community church service which will be held in the Methodist Church Sunday evening.

ON CONSTITUTIONAddresses Palmyra - Riverton
Rotary Club at 150th
Anniversary Nears

Arthur W. Lewis, of the firm of Bleakly, Stockwell & Burling, of Camden, a resident of Riverton, delivered a very enlightening address to the members of the Palmyra-Riverton Rotary Club, last Thursday evening, when he revealed to them the origin, objects and function of the United States Constitution.

While Mr. Lewis was limited as to time, he was commended for his selection of the important phases of a subject on which thousands of volumes have and still can be written.

In defining the Constitution, Mr. Lewis prefaced his remarks by quoting Gladstone, who said, "The Constitution of the United States is the most wonderful work ever struck off at a given time by the brain and purpose of man." In short, Mr. Lewis continued, this constitution is the fundamental organic law by which our National Union of States was formed and under which the United States Government is supposed to be administered.

Colonial Background

It has its background in the pages of Colonial history during the revolutionary war days. In 1744 delegates from the then 13 provinces, drafted a bill of Rights which they submitted to their Mother Country. Then followed the Articles of Confederation which were to establish "A firm league of friendship with each other," but which proved to be fatally defective as it failed to bind them as one confederacy. It was in 1787, in an effort to amend these Articles of Confederation that our new Constitution was formed. By the year 1791, this new Constitution was duly ratified, and all the thirteen states had joined the Union which was launched into existence under the Constitution adopted by the people as declared in its preamble.

In order to form a more perfect Union, Establish justice, Insure domestic tranquility, Provide for the common defense, Promote the general welfare, And to secure the Blessings of Liberty.

Sovereign States

It is this Constitution upon which is predicated our Federal and State forms of Government today; dual in character and peculiarly an American theory of Government. Each state is recognized as a sovereignty unto itself, delimited only to the extent of the enumerated powers delegated by the states to the Federal Government.

Moreover, within two years after the adoption of the Constitution, there was an amendment thereto, known as Article X, specifically confirming this theory of Federal and state sovereignty.

Delegated Powers

"The powers not delegated to the United States by the Constitution, nor permitted by it to the states, are reserved to the states respectively or to the people," it is therefore obvious that the Federal Government was intended and by the Constitution is a Government of enumerated and delegated powers.

This instrument to establish a plan of Government is distinguishable from any other form of government recognized in the world today, as covered in the first three Articles which relate respectively to the legislature, the executive and the judiciary.

The functions of these three departments of government are so coordinated that one may act as a check upon the other, and thus we have what is commonly called the "check and balance" system of government that insures democracy to the American people.

It is also significant that most of said unconstitutional Acts of Congress were passed immediately following wars or economic depressions; the very time when there should be a judicial check upon impulsive social changes by Congress. Deprive the Supreme Court of that right and you destroy our system of Democracy, whereupon our government will differ but little from some of the governments now in Continental Europe.

Personal "Constitutions"

Senator Borah hit the nail on the head when he said: "The Constitution of Italy is the fertile and restless brain of Mussolini; the Constitution of Germany is the daring and resourceful character of Hitler; the Constitution of Russia is the iron will of Stalin; the Constitution of the United States is the will and purpose of the American people, crystallized into a written document, binding upon the rulers and people alike."

Article 2 provides that the executive powers shall be vested in a President of the United States of America, and his duties and powers are executive and not legislative or judicial.

Transmit to the executive branch of the Government legislative powers and sanction control of the judiciary by the executive and you have a dictatorship.

Article 3 vests the judicial powers of the United States in our Supreme Court and in such inferior courts as the Congress may from time to time ordain and establish.

Near Perfection

This comes as near to the perfection of a Democratic form of Government as the human mind can possibly conceive.

The United States Constitution is the oldest form of written Government in the world today. It is capable of perpetual duration. Every desirable improvement can be adopted in an appropriate manner, by way of an appropriate amendment thereto.

No matter what the political situation may be, let us maintain our truly American theory of Government, Federal and State, with separation of powers—legislative, executive and judicial; then our Republican Democracy can march, hand in hand, through the ages to come, keeping pace with the ever-changing and progressing sciences of Man-kind.

TRAFFIC RULES
TO BE OBSERVEDMagee Urges Care to Prevent
Loss of Life Over Labor
Day Weekend

On the basis of what happened over the recent July 4th holidays, between 25 and 30 people will be killed in automobile accidents in New Jersey over the coming weekend. Motor Vehicle Commissioner Arthur W. Magee reluctantly predicts. More than 300 people will be injured, some permanently disabled or maimed for life.

But this awful toll of human life and suffering isn't at all necessary and can be prevented, the Commissioner insists, by the exercise of driving and walking courtesy and common sense on the part of drivers and pedestrians.

Observe Rules

It is unlikely there will be a single life lost or an accident, he says, if the following rules are observed:

1. Abstain entirely from alcoholic beverages before driving and while driving.

2. Don't be in a hurry and drive at excessive speed under any circumstances. It's a dangerous practice at best, and besides, several million cars will be on the highways including thousands driven by visitors from other states who may be ignorant of New Jersey's traffic rules and regulations.

3. If relinquishing the right of way at an intersection will avoid an accident, be charitable.

4. Obey all traffic signs and signals.

5. Give pedestrians every consideration.

6. Get an early start both leaving and returning.

7. Be alert and observing, keeping your mind on the business of driving and leave the scenery and other diversions to your passengers.

Commissioner Magee said that the July Fourth death toll was the highest holiday fatality record in history, 28 persons have succumbed to injuries sustained during the three-day period. The recent Memorial Day holiday claimed 19 lives and last Labor Day week-end 15 lives.

STRAYER'S FILLED
967 POSITIONS

Decision by Congress to get a record of unemployment comes at a time when the data obtained will undoubtedly reveal a decided increase in the number now employed. Calls for help are heard in many avenues of business activity. In practically all channels of industry and commerce, employment is steadily extending farther and farther.

These facts are reflected in the placements of students by business schools. In Philadelphia, for example, the placement records of Strayer's Business School, 807 Chestnut street, have been showing consistent improvement and serve as an encouraging index of the advancement of business recovery.

During the last calendar year, Strayer's Business School filled 967 positions. This was an excellent record but this year promises to far exceed it. From January 1 to July 31, 1937, Strayer's filled 6568 positions, averaging 94 per month, which is 17% better than the average for 1936.

New Jersey farmers completed the harvesting of an excellent crop of wheat. The preliminary estimate of the total production this year is about 1,536,000 bushels, or 25,000 bushels more than harvested last year and 383,000 bushels more than the five-year, 1928-1932, average crop.

No matter what the political situation may be, let us maintain our truly American theory of Government, Federal and State, with separation of powers—legislative, executive and judicial; then our Republican Democracy can march, hand in hand, through the ages to come, keeping pace with the ever-changing and progressing sciences of Man-kind.

NOTICE

The British postoffice showed a net surplus for last year of more than \$60,000,000, all departments showing increased revenues.

PALMYRA

Chief C. Morris Beck and Mrs. Beck have returned after a two-week motor trip which included stops at the Poconos, the Finger Lake district of New York, the Catskills, Adirondacks and a sojourn at Lake George.

Last week's winner in the Sacred Heart P.T.A. blanket club was Mrs. Stuart Buchholz, of 27 Charles st.

George Beddow and Robert Fletcher left last Thursday to spend a week in Atlantic City at the Crescent Hotel.

The Girl Scout Mothers of the Methodist Church troop, will hold their first meeting of the year at the home of Mrs. Clinton B. Gardner, of 103 Charles street, September 14th. The meeting will start with a covered dish luncheon at 12:30 p.m. All mothers urged to attend.

Miss Beatrice Mattison, a member of the Palmyra High School faculty, has returned from Poland, Maine.

The Girl Scouts of the Methodist Church troop will hold their first meeting on September 21. All girls 10 years of age or over, who wish to join are asked to be present that night, at the Methodist Church.

Mr. and Mrs. J. E. Lenker and daughter Carol, of Cinnaminson avenue, and Mrs. Lee Milton, of Cinnaminson street, Riverton, motored to Atlantic City on Tuesday.

Donald Powell and George Anderson, of Palmyra, returned Sunday from a motor trip through Canada and to Lake George.

FREE ADVICE ON
LOANS FOR HOMES

Pointing out that many financial institutions are making loans for modernization purposes, John E. McLaughlin, State Supervisor of the General Housing Information Bureau, urged property owners to take advantage of the free service offered by the local Bureau located at 55 Main street, Mount Holly, for help in securing such loans.

"This is the ideal time of the year to plan for the installation of new heating systems, new roofs, interior and exterior decorating and other forms of renovating and modernization," Mr. McLaughlin stated. "Property owners should begin making a survey of their needs, then consult a reputable builder, or if the contemplated repairs are extensive they should employ the services of a competent architect, and then select information from the local Bureau. Competent advice and assistance will be given them, applications will be completed and a list of cooperating financial institutions will be supplied," he continued.

"These Bureaus are operated by the Works Progress Administration, under the sponsorship of the New Jersey State Department of Labor, and the service rendered is absolutely free of charge. In addition to information regarding modernization loans, the Bureau is equipped to render aid and assistance in the securing of first mortgage loans for the purpose of refinancing existing mortgages, or obtaining money to build or buy a home. It is sometimes possible to incorporate the refinancing or existing mortgages with a modernization loan, combining both into one mortgage. Many persons have found this a practical way to bring their homes up to date and spread the cost of improvements over a long term," he concluded.

"Lighthouse" Signs

In a recent ruling regarding the placement of a sign on a tavern at Asbury Park, Dr. Frederick Burnett, state alcoholic beverage commissioner, wrote the following: "Confirming our conference of this morning: You are to remove forthwith the sign 'Get Lit at the Lighthouse'."

"To be sure, it is a smart, catchy phrase and does no harm if your customers disobey it. If, however, I allowed you to get away with it, then shortly we would be flooded with signs such as 'Get Soused at Sousa's,' 'Stewed at Stuart's,' or 'Pie-eyed at the Pianola.' Competitors are ever alert to fish successful ideas in the effort to outdo, resulting usually in overdo."

"Signs suggestive of intemperance are inconsistent with better vision, and so I am glad to have your wholehearted assurance that the offending sign will be removed forthwith."

Your purposed new slogan 'Meet Me at the Lighthouse' is approved."

SECOND CONTEST
GOES TO ASKEWMotor Outfit Evens Series By
Taking Friday Game;
By Score of 6-3

Askew jumped right back into the thick of the championship fight by taking the second game of the series last Friday night, the score of the fracas being 6-3.

No contest was possible on Thursday, because of the continued wet weather. A brief shower, late Friday afternoon, left the playing field in rather poor condition, but both teams made the best of things and turned in a snappy performance. Although the affair started at 6:40, only seven innings were possible before darkness intervened.

Oilers Start Fast

B. & E. started with a rush by tabbing a lone marker in the opening frame. Two more were added in the second as Landgraf rammed one over the outer cordon for a homer. This clout also scored Small who had arrived at first due to a miscue. These scoring expeditions were the only ones staged by the Oilers during the contest, although they had men on bases in every session except the last.

Askew Counter-attack

Askew tallied a pair in the first inning as a result of a single by G. Sutters, a double by L. Yearly and a one-baser by Knight.

The big assault came in the following canto and netted three runs. In this stanza, Gibson singled and this feat was duplicated by R. Wallace. Cole stroked, but was forced at second on Moorhouse's grounder, Gibson scoring. C. Wallace then singled and R. Wallace counted. The final run came in on an infield out.

The Motor Boys acquired a superluous marker in the fifth, to bring their final total to six.

Fields Brilliant

A fine exhibition was turned in by two guardians of the nether pastures. Yearly, who patrolled the left field sector for the Oilers, accepted six hard chances without a flaw. G. Sutters, roaming at the rover position for Askew, also accounted for the same number of outs and covered a lot of ground.

WEEKEND CARD

The management of the Riverton baseball team has arranged an attractive card of three games for Labor Day weekend.

On Saturday, the fast Pennsauken outfit will cavort on the local sward. This aggregation has pinned one defeat on the locals, with the second fracas ending in a tie.

Blue Eagles Again

On Labor Day morning, the locals will clash for the third time this season with the Palmyra Blue Eagles. Each team has one victory to its credit and the Monday fracas will be the decisive contest in the series.

Fern Rock, a fast club from over the river, will provide the opposition on Labor Day afternoon.

Present plans call for the last game of the season to be played on the Saturday following Labor Day.

PHONE NUMBERS OF
POLICE AND FIREMEN
IMPORTANT ITEMS

One of the most important uses of the telephone is its immediate response in an emergency. When a doctor or the fire department or the police are needed, they are needed right away. It is, therefore, important that the subscriber should cooperate if the operator is to give prompt and efficient aid when called. By observing a few fundamental rules the subscriber may help save some minutes when they are vital, remarks the New Jersey Public Utility Information Committee.

It is important to know the names and addresses of the doctor, the proper fire and police departments that serve your community. Their telephone numbers should be clearly typed or printed on a card and hung near the telephone. Don't depend on your memory for it may become hazy at the very time that it should be clear and alert. When you call the operator tell her the exact address of the fire or the house where the doctor or police are needed. Time is important, also exactness.

STATEMENT

August 28th, 1937
Dear Sir:

In order to correct a wrong impression, I was not advised, influenced or in any way asked to call the last game of the league season between B-E and Broadway by any one.

Darkness was evident during the eighth inning, and I was guided solely by this fact in calling the game at the end of this inning. At this time I asked one of the officials if this was the ninth inning, and was told that this was the ending of the eighth. Nothing else was said. I then called the game as above outlined.

Yours truly,
Edson Carhart,
Chief Umpire.

ANOTHER WORLD

At the rate instruments of warfare are being devised and manufactured, if we have another war we'll need another world.—Omaha World-Herald.

New Jersey farmers are harvesting one of the biggest crops of white potatoes in history. It is estimated that the total production this year will amount to about 10,092,000 bushels, or nearly 1,000,000 bushels more than was produced last year and nearly 3,500,000 bushels more than the average five-year, 1928-1932 crop.

MOTOR BOYS WIN
THIRD CONTESTB. & E. Bows 6-3 as Rallies in
Late Innings Fail; Enskat
Hits Homer

In a tense nine-inning battle, Askew took the lead in the playoff series last Monday night by downing B. & E. the score of the fracas being 6-3.

The weather having taken a turn for the better, a crowd of several hundred were present to watch the pastime on the east diamond, the scene having been shifted from the west field for the last three games.

Big Inning

Both teams went along for four frames without visiting the scoring station. The fireworks started as Askew pushing out a single to touch off the fuse. R. Wallace and Cole followed suit and the basosocks were jammed. Hynton then passed Moorhouse to force in the first run. E. Sutters followed with a one-baser and this scored Wallace.

The other Sutters representative kept the pot boiling with the fifth hit of the inning and his blow admitted Cole and Moorhouse. E. Wallace got a safe blow, but Elmer Sutters was caught off third for the first out. The fifth run was produced as G. Sutters cantered home on a long fly to center.

Add Another

The final Askew tally came in the seventh by virtue of an error which placed Cole on second. G. Sutters promptly advanced him to the plate by a smashing double.

Meanwhile the Oilers were pecking away at Knight, without much in the way of results, having accumulated five hits in as many innings, but no runs.

First Score

Burke & Easley produced their first tally in the sixth as Speer jostled one for a single and tramped on the ruler when Weikman poled out a double.

Two more counters were added in the following frame as Jack Easley bunched out a two-baser. Enskat then caught hold of one and deposited it in the creek in left field for a round tripper.

Threaten Again

The Oilers were not through with their offensive, however, and their efforts gave Askew supporters some uneasy minutes during the eighth and ninth sessions.

In the eighth, Thomas singled with one away. Weikman fled to right for the second out, but Paul Burke singled for his third hit of the evening. Knight then walked.

Jack Easley to fill the bases. In this crisis, Enskat hoisted one to Yearly for the final out.

Ninth Inning

Again in the ninth, the Oilers made a last desperate bid for the decision. Small walked to start the frame, but was forced at second on Landgraf's roller to short. Bonatelli cracked out a single to send looks of apprehension over the Askew adherents. Speer tapped one to Knight for the second out and the game was over as Sutters tagged.

CONTRADICTORY

Scientist are still puzzling over the fact that in a basket of strawberries, in direct contradiction of the well-known law of nature, the heaviest specimens always rise to the top.—Detroit News.

SPORTS CONTINUED
ON PAGE SIXCountry Club
Notes

In the four-ball medal play tournament held last Saturday, four contestants tied for first place, as follows: T. B. Hayard, J. F. Jamison, J. D. Clark and H. F. Jones. Second honors were shared by C. B. Wallace and J. K. Hiltner.

The schedule for Labor Day weekend is as follows: Saturday and Monday, President's Cup Tournament; this event will also be continued on September 11. Two lowest net scores win; full handicaps.

Monday, President's Cup Tournament. Two ball mixed foursome, alternate drives, alternate strokes; one-half of combined handicaps.

LT. JOSEPH WILLIAMS
WINS PENNA. STATE
RIFLE CHAMPIONSHIP

Lieutenant Joseph Williams, of 812 Morgan avenue, Palmyra, won the Pennsylvania State Rifle Championship last week with a score of 94 out of a possible 100.

Second place was taken with 93 and third with 91. Lieutenant Williams, who has won numerous medals and awards for his marksmanship, is now at Camp Perry, Ohio, where he is competing in the national matches.

THE UNPOPULAR PASTIME

The workers returning to their tasks in a Brooklyn shipyard recently were jeered by strikers. Working for a living seems to be the thing that stirs animosity these days.

—New York Sun.

Hitler and Mussolini may not be officially taking part in the Spanish civil war but the scrap given them a fine opportunity to try out the latest thing in munitions.

Bonatelli coming into third when Hynton rolled one along the third base line.

Many Stranded

Askew outthrew the Oilers by the count of 6-7, but had six men marooned on the bases as compared with two for Burke & Easley.

No passes were issued by either pitcher during the entire engagement.

The affair was called at the end of the seventh as the light, which was none too good at the outset, began to fall rapidly.

BURKE-EISLEY
ANNEX OPENERDown Askew 4-2 in First Game
Of Playoff Series; Have
Only Nine Men

After being postponed for two days because of the great prevalence, abundance and excess of wet weather, the local "world series" finally got under way last Wednesday night and, when the smoke of hostilities had died away, Burke & Easley went home with the first verdict in the bag, the count reading 4-2.

The victory of the Oilers was particularly remarkable as they took the field with a cast composed of only nine men.

Nab Two Early

B. & E. started with a rush and two runs were in before the game was barely under way. Sexton doubled to start the session and scored the first marker as Yearly singled. The latter crossed the rubber as Manager Burke tagged one to deep center. Paul became third out, however, as he attempted to stretch his bingle into a three bagger.

Homer for Sutters

Askew also broke into the scoring column in their half of the first as G. Sutters clouted the apple into the far reaches of right field for a four-master. The motor aggregation drew up on even terms with their opponents in the third canto, when Moorhouse got to second by virtue of an error and came in on George Sutters'

RIVERTON DROPS CLOSE CONTEST

St. Benedicts Bunches Hits in Second Inning to Gain 3-2 Decision

Riverton lost a 3-2 engagement last Saturday afternoon, at Memorial Park, to the St. Benedicts A.A. of Philadelphia, the fracas being pretty much of a pitchers' battle between Diffenbaugh, of the locals, and Coughlin, for the opposition. Riverton started off strongly in the opening canto when Reeves, lead-off man, was safe on an error. Jimmy made second as the opposition slumbered and came home as Terrill unleashed a single to center. The next three batters went out in order.

Land on Diffenbaugh

The invaders tallied all their runs in the second session, when Diffenbaugh temporarily lost his stuff. Foster started things with a triple, which would have been a homer had he not stumbled as he rounded third. Keenan then doubled to admit Foster. The third hit by Bresnan sent Keenan over the rubber and Manager Weikman sent the occupants of the bull pen into feverish activity.

Diff settled down a bit to fan the next batter, but Kain kept things going with a single and eventually scored through a series of errors.

Scoring Ends

At this point the local hurler suddenly regained control and the next two batters went out in order. The opposition made only five hits during the rest of the contest and the scoring position remained uncrossed. Meanwhile, Riverton was having difficulty in solving the offerings of Coughlin. After Terrill's hit in the first inning, the local bats were silent until McDermott smashed a single in the fifth.

Second for Riverton

In the sixth, with one away, Bartley was flied by a pitched ball and Easley walked. This promising situation was ended in short order as Windish and Sutters were easy outs.

The final run for the home cast came in the eighth stanza as Terrill got his second hit, this clout being a double. He went to third on an infield out and scored as Easley hoisted one to deep center.

Ninth Starts Well

The final frame started off in a promising manner as Sutters connected safely for the fourth Riverton hit. Rivers and Bright then proceeded to fan and, when Gibson tapped weakly to Coughlin, the game was over.

Diffenbaugh fanned 11 and issued three walks while his rival whiffed eight and passed two.

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

Sow Annuals Now

September is the month to sow many of the hardy annuals, such as larkspur, poppies, cornflowers and annual coreopsis, as well as several of the California annuals such as Gilla and Godetia. They do much better when they are sown in early fall and are allowed to establish good root systems before severely cold weather. The main danger will come from alternate freezing and thawing of the ground, which causes the plants to break loose and be thrown out by heaving action.

Fall sowing will produce strong plants which will be ready to start growing in early spring, and since most of them prefer cool growing conditions, they make larger plants and better flowers than those produced if planting is delayed until spring. The plants should not be put in the ground too early, but early enough to establish a root system that will not be hurt by frost.

This is also a good time to finish sowing perennials in frames. It is almost too late for open ground sowing of these plants, for they will not be large enough to withstand the heaving action of winter.

Keep disbudding dahlias and by all means cut back early blooming perennials so they can make a good strong fall growth.

If you have not already done so it would be well to cut down violas to allow for fall bloom from the young growth which comes from the crown of the plant.

Roses are now resuming good growth and in order to obtain the best blooms some should be disbudded. Leave only one bud to a shoot and cut the outside shoots down to three or four joints. This will give long-stemmed roses that the grower will be proud of and which will make excellent cut flowers. Do not fertilize roses at this time. It increases the possibility of winter injury.

ENLISTMENTS IN MARINE CORPS

The United States Marine Corps will continue to accept qualified young men for enlistment during the month of September, 1937. This announcement was made on Monday by Colonel B. S. Berry, U.S. Marine Corps, Officer in Charge of the Eastern Recruiting Division of the Marine Corps, with Headquarters in the New Custom House, Philadelphia, Pa.

Colonel Berry stated that although the 1000 increase in enlisted personnel authorized by Congress last year had been obtained, the Marine Corps Recruiting service will be required to procure approximately 400 new men during September to replace losses incurred by discharge and retirement.

At the present time, applicants for enlistment in the Marine Corps must be between 18 and 25 years of age, have some high school education, and be of good character and morals.

N. J. OYSTERS ARE INSPECTED

Sanitary shellfish control exercised by the State Department of Health assures a New Jersey product safe for consumption in the uncooked state, Dr. J. Lynn Mahaffey, State Health Director said just before the oyster season opened on September 1.

Great strides have been made in improving the general sanitation and supervision of the industry, said the Health Director. Proper sanitary control requires the expenditure of considerable time and effort on account of the industry's wide distribution along approximately 150 miles of coastline, containing numerous bays and thoroughfares, and the frequent inaccessibility of dealers and growing beds which must be inspected.

The old fashioned orator used to say that Rome wasn't built in a day. Neither was the WPA projects.

NEW CONSTITUTION STAMP SEPT. 17th

The Post Office Department has authorized the issuance of a special postage stamp in the 3-cent denomination to commemorate the one hundred and fiftieth anniversary of the signing of the United States Constitution. The stamp will be first offered for sale on September 17, 1937, at Philadelphia, Pa. It will be available at other post offices as soon thereafter as stock can be printed and distributed.

It is being printed in purple color and issued in sheets of 50.

Description

Included in the central design is a reproduction of the painting by Stearns depicting the signing of the Constitution. In a narrow panel with dark ground at the top of the stamp is the wording: "Constitution Sesquicentennial" in white roman letters, below which is a white ribbon panel with folded ends containing the inscription: "Signing of the Constitution—In Philadelphia Convention, September 17, 1787—Independence Hall," arranged in three lines, in dark gothic. Opposite this panel are the dates "1787" at the left, and "1937" at the right, in dark figures. In an upright panel at the left edge of the stamp is a representation of the roman fasces, symbol of power, and in a corresponding panel at the right is a reproduction of the flaming torch, emblem of enlightenment. In shield-shaped panels in each lower corner of the stamp is the denomination designation "3c" in white on a dark ground.

Selected Quality

For the benefit of collectors desiring stamps of selected quality for philatelic use, the 3-cent Constitution stamp will be placed on sale at the Philatelic Agency on September 18, 1937. To insure prompt shipment, mail orders to the agency must be limited to the 3-cent Constitution stamp, excluding other varieties of stamps heretofore on sale.

FOOD FACTS

Do You Know That—

Either sweet or sour milk can be used to polish linoleum. The flavor of cheese is judged by expert graders on the basis of smell rather than of taste.

Native Americans prefer a moderately strong butter, while Europeans are partial to mild, milky types. 36,000,000 bags of coffee have been destroyed by the Brazilian government since 1931 in an effort to stabilize prices.

These "food facts" are compiled by the Division of Consumer Information, New Jersey State Department of Agriculture.

PLANTS FOR YOUR GARDEN

By A. C. McLean
Extension Service, N. J. College of Agriculture

The Perennial Sneezeweed

One of the best of the fall blooming perennials is the Sneezeweed or Helenium. This is a perennial closely related to the sunflower and is a native of this country. Some forms of this plant reach a height of six feet, bearing large flowers, two inches in diameter, of a bright lemon yellow with dark disk. The Sneezeweed is an excellent border plant and makes a lovely cut flower.

One of the most attractive species of the Sneezeweed is the yellow autumnale. There are also forms which are red and bronze in color. The Europeans have studied this plant and produced original varieties which are well worth growing. These include Rubrum, Copperfield Orange, and several others. There are also varieties called Riverton Gem, and Riverton Beauty.

Prefers Moist Location

The Sneezeweed will grow in practically all kinds of soil, but it prefers a moist location. In early spring plant bulbs or cuttings. The stems and dead tips will result, but if these are cut off the plants will soon recover and bloom well in the fall. Pinching back the plants is an advantage in that it keeps them from getting too tall and leggy.

As with all perennial sunflowers, the Sneezeweed increases rapidly by stolons. It does best if divided often, as the old clumps become too heavy and produce too many buds. It is best to divide the clumps in early spring.

TROUT SEASON OPENED AGAIN

Trout fishermen will find well stocked streams during the thirty-day September trout season in New Jersey which opened on September 1. Commissioner Lewis Spinks, chairman of the Fish Hatcheries Committee of the State Fish and Game Commission, announced on Wednesday.

Streams throughout the state are reported in excellent condition by Commissioner Spinks, with the water high and cool. Reports received from Harry E. Cudney, chief warden, state that the excellent trout streams in the northern section of the state are in better condition than at any time since the State Fish and Game Commission started September stocking.

FOR SOWING IN SEPTEMBER

As Professor McLean in his article today says, September is the month to sow many of the hardy annuals and for the sowing of perennials in frames. Plant bulbs now for a garden sparkling with color in spring—Narcissus, Anemones, Crocus, Scillas, etc. For the best types of bulbs, annuals and perennials, see our autumn catalogue just off the press.

DREER'S

Plant the Helenium Riverton Beauty and other flowering perennials in October.

Open weekdays from 8 a.m. until 5 p.m. and on Sunday (but not for business) from 1 until 5 p.m.

BURKE & EISLEY TIES UP SERIES

Take Fourth Game by Count of 8-2; Big Inning Nets Five Runs

Burke & Eisley plunged right back into the thick of the championship fight by pinning back the ears of the Askew aggregation, on Tuesday night, by the score of 8-2.

The Oilers took the field with a revised lineup, Jack Eisley playing the keystone position, with Richmond at first and the Hynton patrolling in right field. This proved to be a better winning combination than any tried heretofore by Manager Burke.

Big Inning Does It

One big inning turned the tide in favor of the Burke-Eisley clan, this frame being the third.

Burke started things in a mild manner by grounding out. Speer drew a pass and Thomas singled. Eisley followed suit and the first marker came in. Moorhouse dropped Weikman fly and the second tally resulted. Enakat poled one to center which was badly handled. Result: two more runs. At this stage of the fracas, the Askewites were throwing the ball about with great abandon.

Total of Five

Bonnatelli doubled to score Enakat, but was nailed trying for third. Richmond then made the third out. In addition to the big payoff, the Oilers pushed over singletons in the second, fifth and seventh.

While this was going on Askew collected 10 hits, one more than the winners. With men on bases, however, the B-E hurler, Clarence Hubbs, was practically invincible.

Askew Tallies

The first Motor run came in the second, and it took three hits to do the trick. McDermott singled, as did Gibson. The former scored as R. Wallace doubled. At this point Hubbs tightened his belt and put a stop to the activity.

The other Askew center came in the fourth as a result of two hits and an infield out. The last offensive staged by Askew came in the sixth as Hubbs lost control momentarily and passed two batters in a row. As only one was out at the time, the Askew rooters sensed a rally. Clarence pulled himself together, however, and two easy outs followed.

Hubbs Stars on Mound

Hubbs pitched a splendid game and deserved to win, but Knight also performed better than the score indicates. Damaging errors of omission and commission helped the Askew cause not at all.

Weikman covered a lot of ground at shortstop, handling eight hard chances without the semblance of an error.

TWO LICENSES NEEDED

Before the average man can get married these days he has to show his girl two licenses—marriage and automobile.—Grand Island Independent.

MANY CHANGES IN EQUIPMENT LAW

Trucks Must Carry Flares or Electric Lanterns; Certain Other Provisions

Nearly a score of changes in the equipment section of the Motor Vehicle Act, one of which requires the use of two red reflectors of an approved type on the rear of all commercial vehicles, became effective for New Jersey automobile owners on September 1st. Motor Vehicle Commissioner Arthur W. Magee announced recently.

Commercial vehicles weighing over 5,000 pounds unladen must also carry at least three portable flares, or electric lanterns of a type approved by the commissioner. Whenever such a vehicle shall become disabled and cannot immediately be removed from the highway, the flares or lanterns must be placed approximately 100 feet in front, 100 feet in the rear and on the traffic side of the vehicle.

Inadequate Lights

An important change that applies to all types of motor vehicles, limits the speed to not more than twenty miles an hour of all cars operating at night with cowl, oil, acetylene or other inadequate driving lamps.

Other highlights in the Act are as follows:

Prohibits the altering of equipment or performance of equipment that has been approved at an official inspection station designated by the commissioner with intent to defeat the purpose of such inspection; and prohibits any person from driving or using any such vehicle with equipment so altered.

Parking Lights

Requires every motor vehicle parked at night on a street or highway to exhibit a white light on the traffic side, visible from a distance of 500 feet to the front, and a red light visible to a distance of 500 feet from the rear. Any lighted headlamps upon a parked vehicle shall be depressed or dimmed while parked.

This paragraph changes the current Act which requires the display of the two running lights and the rear light when parked.

Prohibits the driving of any motor vehicle on the windshield of which is any sign, poster, sticker or other non-transparent material other than a certificate required to be so displayed by statute or by regulation of the commissioner.

Safety Glass

Prohibits persons from selling or offering for sale any unapproved device or equipment of a type which is required to be approved by the Commissioner and prohibits the sale of such device or equipment if it is intended to change the design or design performance of any device or equipment required to be approved.

Provides a penalty of not more than \$25 for driving any motor vehicle, manufactured on or after July 1, 1935, not equipped with approved safety glass in all doors and windows. The original Act failed to provide a penalty.

The revised Act also specifies certain definite braking requirements and stopping distances for cars and trailers, as well as certain provisions touching on the use and aim of headlamps, auxiliary, fog and spot lamps.

The dry weather is reducing the amount of peaches. If there were more precipitation, New Jersey farmers would harvest an ideal crop. The August condition indicates a total production of 1,882,000 bushels of peaches, or 530,000 bushels more than in 1936 and nearly 240,000 bushels more than the average crop.

WESTFIELD FRIENDS' SCHOOL OPENS ON TUESDAY, SEPT. 21

The Westfield Friends' School opens Tuesday, September 21. This year the school is planning to enlarge the daily program by lengthening the school day one hour, to provide an opportunity for the children to take field trips in science, engage in hobby activities and for study periods which will eliminate the necessity for assignments in home work. In addition to this there will be the regular play period each day.

Two new members who have been added to the faculty of Westfield Friends' this year are Robert E. Kemp and Miss Doris W. Whitcomb. Mr. Kemp is a graduate of Trenton State Teachers' College with a Bachelor of Science degree and is especially equipped to work with elementary school children in science and mathematics. In addition to regular classes in science which Mr. Kemp will teach, he will also conduct field trips for groups of children throughout the school.

Miss Doris W. Whitcomb, B.S. Temple University graduate, with specialization in kindergarten work, will have charge of the kindergarten and will assist in the afternoon in the dramatic work for the school. In charge of the classroom instruction are Miss Charlotte Bickerton, Miss Miriam Diehl and Miss Kathleen Perkins.

Other members of the faculty are: Wilton E. Mount, director of sports; Miss Arrah Lee Gaul, instructor in art; James Wallace, music; Dr. MacConaughy, school psychologist; and Dr. S. Emilen Stokes, school physician.

Miss Bickerton, the principal, has just returned from Columbia Teachers' College, Columbia University, where she has been in touch with specialists in curriculum. Through her cooperation with these specialists the school is prepared to carry out the most approved modern methods in assisting the child to develop to his fullest ability.

Public Service Corporation of New Jersey

Dividend No. 121 on Common Stock

Dividend No. 75 on 8% Cumulative Preferred Stock

Dividend No. 59 on 7% Cumulative Preferred Stock

Dividend No. 37 on \$5.00 Cumulative Preferred Stock

TWO KILLED IN CROSSING CRASH

New York Express Demolishes Capone Machine at East Riverton Crossing

Samuel Capone, 52, and small son, Louis, aged two, of 607 Park avenue, Palmyra, were instantly killed on Labor Day morning, at about 10:30, when the Buick coupe driven by Capone was demolished at the Dreer crossing, East Riverton, by an Atlantic City-New York express.

Both train and auto were proceeding east, the crash occurring when Capone turned over the crossing directly in front of the speeding express.

Bodies Hurlied in Air

The car was hurled clear of the tracks to the south side of the railroad. The bodies of Capone and his son were projected some distance in advance of the machine, both falling clear of the wreckage. The Palmyra ambulance was called to the scene and the boy transported to the Zurburg Memorial Hospital, Riverside, where he was pronounced dead. The body of Capone was removed to the Snover Funeral Home, Palmyra.

Unaware of Train

Capone, who had a reputation of being a very careful driver, evidently did not see the train according to eye-witnesses, who stated that the engineer could not possibly have averted the crash, so close was the express when Capone turned onto the tracks.

The roadway where the accident occurred leads to the Dreer River-view greenhouses, and lies between Union Landing road and Taylor lane. Observers stated that the train blew for the crossing.

Capone was employed at the Tacony-Palmyra bridge, where he was one of the tower operators.

Car Completely Wrecked

The auto was a complete wreck, being struck squarely in the center of the right side. "Twisted metal" was all that remained of the body, from the cowl to the rear bumper.

With the exception of a bent pilot, the train was undamaged and, after a delay of about 45 minutes, proceeded to Trenton.

Chief George Dorworth, of the Cinnaminson police, investigated the affair.

DRUNKEN DRIVER FROM ARLINGTON IS SENT TO JAIL

James Dimmak, 43, of 726 Devon street, Arlington, N. J., was arrested last Sunday night on Church road by Chief George Dorworth, of the Cinnaminson police.

Dimmak was taken to Dr. H. L. Rogers, of Riverton, who pronounced him intoxicated and unfit to operate a car.

Upon being arraigned before Recorder Cecil Bowers, Dimmak was fined \$200 and costs, which he was unable to pay. In lieu of the fine, he was committed to Mt. Holly jail and his license was revoked for the period of two years.

A Kentucky judge fined a man for riding a bicycle while intoxicated. We don't believe he could do it.

RIVERTON SCHOOL OPENS SEPT. 13

As announced previously, the Riverton public school will open on Monday, September 13.

According to Miss Caroline M. Staman, supervising principal, children will be admitted to the kindergarten if they have an age status of four and one-half years. This means that a child who was four years and three months on September 1, 1933, is eligible.

Children of proper age will be admitted during the first ten days of school, until September 24, on presentation of birth certificate and certificate of successful vaccination.

The office of the school will be open on Thursday and Friday of this week.

TRAFFIC DEATHS BREAK RECORD

680 Killed During First Seven Months of Year; 163 More Than 1936

Motor Vehicle Commissioner Arthur W. Magee reports that in addition to breaking all existing records for traffic fatalities, the first seven months of the year also saw more multiple death accidents than in any comparable period in the history of the Department. He attributes both increases to inadequate facilities with which to properly patrol the highways.

Total deaths during the seven months were 680, an increase of 163 over last year. Six accidents claimed four deaths each, seven caused three deaths each and there were seventeen accidents in which two people were killed, making a total of 79 deaths in 30 accidents.

Pedestrian Deaths Drop

The only favorable aspect of the casualty picture was the fact that pedestrian fatalities slightly declined. Of the 680 deaths, 307, or 50 percent were pedestrians while the pedestrian percentage for last year was nearly 55 percent.

In eight different counties, fatality totals were higher than at any time in the past four years. These counties were Atlantic, Bergen, Camden, Hudson, Middlesex, Salem, Somerset and Union. Four rural counties, Cumberland, Ocean, Sussex and Warren had the lowest records in four years.

Among the larger cities the increases were as follows: Newark, 50; Jersey City, 31 to 34; Paterson, 8 to 16; Camden, 8 to 17, and Elizabeth, 11 to 12. Trenton deaths dropped from eight to five; Atlantic City, 13 to 12, and Bayonne 8 to 1.

WITHDRAW FROM PRIMARY RACE

Lawrence G. Mingin, county clerk, has announced that the following persons have declined to stand as candidates for the offices for which they filed petitions:

Henry Carpenter, Jr., for Republican nomination for Governor.

James J. Goodwin, for Republican nomination for Member of the Board of Chosen Freeholders.

Joseph A. Daly, for Member of the Democratic State Committee (Male).

Each has requested that his name be omitted from the primary election ballots.

TO SPEAK AT FRIENDS MEETING, HADDONFIELD

T. Edmund Harvey, an English Friend, will address a joint meeting of the Friends of Haddonfield Quarter in the Meeting House at Walnut and Ellis streets, Haddonfield, on Fifth Day, Ninth Month, 16th, at 8.15 p.m.

Mr. Harvey is a member of the British Parliament and former chairman of the Friends Council for International Service.

EIGHTH ANNUAL FLOWER SHOW

Many Classes for Exhibitors in Event to Be Staged by Woman's Club

The eighth annual Flower Show of the Garden Department of the Palmyra Woman's Club will be held at Society Hall on Friday, September 17, 6:00 p.m. to 10:00 p.m., and Saturday, September 18, 10:00 a.m. to 9:30 p.m.

Rules Covering Exhibition

1. There will be no charge for entries.

2. All exhibits must have been grown by exhibitor except where stated.

3. Exhibitors are required to furnish their own receptacles, but Club will not be responsible for same. (Please do not use milk bottles.)

4. Where only one exhibit is made in any class, no award will be made unless the judges consider it meritorious.

5. The hall will be open Friday, September 17, from 8:00 a.m. to 11:30 a.m. Any exhibit arriving after 11:30 a.m. will be debarré.

6. Exhibits to be eligible for competition must contain exact number called for in the list.

7. No exhibitor will be allowed to make more than one entry in each class.

8. Winners of premiums will apply to desk for premium certificates on Saturday evening, 9:30 o'clock.

9. In scoring for Grand Prizes, first prize will count three points, second prize two points, third prize one point.

10. No exhibit may be removed before 9:30 p.m. Saturday.

Artistic Arrangement Classes—Color Harmony 20%; balance 20%; perfection 20%; distinction 20%; re- (continued on page 11)

TWO INJURED WHEN CAR OVERTURNS IN NIGHT ACCIDENT

Two men were injured, one seriously, last Wednesday night when a Buick roadster driven by Karl Heino, 902 Union avenue, Delair, turned over near the Collins' lumber yard at 8.15 o'clock. With Heino at the time was Samuel T. Whorton, 607 Market street, Philadelphia.

Both men were taken to the Zurburg Memorial Hospital, Riverside, in the Palmyra ambulance which made a quick trip to the scene of the crash.

Heino was found to have a fractured skull in addition to numerous lacerations. Whorton was bruised and cut in several places, but his injuries were of a minor nature.

The crash occurred as Heino was driving east on the south side of Broad street. He evidently missed the turn at Lippincott and continued straight up the railroad incline to the coal pockets and ran into a concrete retaining abutment. This caused the car to roll over the edge of the incline into Broad street, both men being pinned under the machine. They were extricated by those who first arrived on the scene.

The car had a smashed steering wheel and windshield.

With the traffic rush of Labor Day holiday over, Chief C. Morris Beck and the members of the Palmyra Police Department have an unbroken record of accident-less weeks during the summer season at the busy intersection of 8-41 and River road, Palmyra.

Each Saturday and Sunday the officers have handled thousands and thousands of cars smoothly and efficiently.

JURORS DRAWN FOR COURT TERM

The panels of grand and petit jurors for service during the September term of the Burlington county court were drawn last week by Sheriff John M. Chant, Francis H. Reed, jury commissioner, and Judge Frank A. Hendrickson.

Those from Riverton, Palmyra and Cinnaminson who were drawn for duty include the following:

Spencer L. Haines and Robert W. Knight, of Riverton, and George J. Spencer, of Palmyra.

Frank J. Hamilton, of Riverton; Rose Keating, Charles A. Perkins and Alfred Frenzel, of Cinnaminson; Walter Carpenter, Joseph L. Stack, Elizabeth Williams and Claire Lippincott, of Palmyra.

FIRST MEETING OF SCHOOL BOARD

Constitution Day to Be Held Holiday with Appropriate Program by Pupils

The first full meeting of the Riverton Board of Education was held on Tuesday evening, at which time the members approved the application of 16 members of last year's graduating class for admission to Palmyra High School.

Those planning to enter the higher institution of learning are: Porter Caldwell, Dorothy Cooper, Virginia Armstrong, Sarah E. Robbins, Jacqueline Pennington, Jack McVaugh, Ann Magowan, Marjorie Lewis, Edith J. Kirk, Norman DeLaney, Frederick S. Foulke, Francis Jones, Sallie M. Coddington, Ethyl Cummings and Granville Darr, Jr. The applications of Frederick Steiner and John Longstreet to attend Moorestown were also approved.

The board also acted favorably on the application of three graduates of Sacred Heart School to enter the high school in Palmyra. These were Thomas Ford, John Perkins and John McDermott.

Work Completed

Arthur H. Burns, chairman of the property committee, reported that all work planned during the summer had been completed and that the school was in fine condition for re-opening. The members of the board expressed approval of the way the work had been done and conducted a personal inspection of the building.

The clerk of the board, William H. Botter, announced that he had received a communication from the Palmyra Board of Education which stated that tuition for high school (continued on page 12)

FOOTBALL NOTICE

Coach Kenneth Dimond, of Palmyra High School, requests that all candidates for the football team report at the high school gym, this afternoon (Thursday) at 2:30. Bring shorts and football shoes.

More than 800 trees and 3,500 shrubs surround the Capitol building at Washington.

OFFICIALS NAMED FOR ELECTIONS

New Districts Are Created in Cinnaminson Township, Palmyra Borough

The members of the district boards of registry and election for 1937 were announced last Thursday by the Burlington County Board of Elections.

Three new voting districts have been created this year because of the increase in voters. These districts are in Riverside, Palmyra and Cinnaminson and gives the county a total of 93 election districts.

The members of the district boards in Riverton, Palmyra and Cinnaminson are as follows:

1st District
P. Francis Brannan, Albert Schuler, Sr., D.; Catherine Brown, Festus Morris, R.

2nd District
Agnes Richmond, Edman Thomas, D.; Earl R. Tanner, George F. Dorworth, Jr., R.

3rd District
Riverton Borough—1st District: Mary R. McDermott, Joseph Laverty, D.; Mary Elizabeth Showell, William H. Stiles, R.

2nd District
Rose Heatherington, Elsie Roth, D.; Dorcas M. Steedle, Blandon G. Cook, R.

3rd District
Joseph Flynn, Frank J. Hamlin, D.; Howard R. Elliott, G. Lloyd Major, R.

Palmyra Borough—1st District
Anna Wallace, Louis Granel, D.; Harry M. Schaffer, Anna Davis, R.

2nd District
John J. Doonan, Elizabeth Williams, D.; Harry Fish, William L. Hare, R.

3rd District
Walker H. Cummings, Elwood Sawyer, D.; Alfred Kopenhoefer, James Henson, R.

4th District
Rosalee A. Burger, William A. McCamy, D.; Laura G. Shoester, Edward A. King, R.

5th District
James H. Jenkins,

FORTNUM HOLDS USED CAR SALE

Renewed and Guaranteed Cars
Offered at Attractive
Prices in Sept.

During September Lester S. Fortnum, local Ford dealer, will take part in the Ford Dealers' National-wide Used Car Clearance Sale. Mr. Fortnum announced today. All Ford dealers in the United States will join in the special used car activity.

The entire stock of used cars and trucks on hand, including many "R & G" cars, will be offered in this sale. Mr. Fortnum said. The "R & G" insignia, standing for Renewed and Guaranteed, is placed on used cars which meet strict specifications as to condition and are backed by a written money-back guarantee.

Preparations for the sale by the Lester S. Fortnum Agency have included renovation and decoration of the used car lot at 115 W. Broad street, as well as a thorough check-up and classification of all cars in stock.

"The 'R & G' plan now being used nationally by Ford dealers offers the public a reliable guide to used car values," Mr. Fortnum explained. "Cars and trucks carrying the 'R & G' label are those which are fully guaranteed under the money-back plan. Cars which cannot economically be placed in this class are offered in other classifications and are priced accordingly.

"The September clearance sale will include cars of all classifications and all makes and models. Throughout the country, over 100,000 used cars and trucks will be offered in this sale."

BAND CONCERT IN PALMYRA GROVE

An attractive program has been arranged for the weekly band concert, which will be given as usual, on Friday evening, at 7:30 o'clock, in the Grove, Palmyra, under the direction of Gustav Hagedorn, conductor.

Program

March—The Purple Carnival, by Alford.
Selections from Robinhood, by deKoven.
Waltzes—The Blue Danube, by Strauss.
Serenade for Horn and Flute, by Titi.
Messers, T. Kirkham and L. Abramson.
Overture Rienz, by Wagner.
Intermission

NOTICE

Beginning Monday, September 13, the Riverton Free Library Association announces a new schedule of hours.

The library will be open every weekday, Monday to Friday inclusive, from 4 to 6 p.m. and from 7 to 9 p.m.

On Saturday, the library will be open from 10 a.m. to noon, and from 7 to 9 in the evening.

There are still a number of summer books out, and the librarian urges that these books be returned as soon as possible, that they may go back into general circulation.

CECIL A. BOWERS WINS TWO AWARDS

Cecil A. Bowers, of East Riverton, genial manager of the service department of Rice and Holman, Inc., Ford dealers, of Merchantville and Moorestown, recently won two awards for efficiency in the management of that department.

The first prize was a trip to the Ford plant in Detroit, and the second was the distinguished service medal.

HOUSEHOLD NOTE

Rubber dishes are something new and useful in tableware. A prudent hostess will see, of course, that the steak is no tougher than the plate. —San Francisco Chronicle.

FOR ASSEMBLY

HERBERT L. WORTH

young Riverside attorney, this week announced his candidacy for the Republican nomination for the Assembly from Burlington county. His campaign manager is N. Morton Rigg, of Burlington.

The candidate was born in the city of Burlington, his family later moving to Riverside. He was graduated from Riverside grammar school and Palmyra high school and then attended Temple University, Philadelphia, where he obtained his law degree. He is a counsellor-at-law as well as an attorney and active practitioner.

Worth's Statement

Mr. Worth's platform is based on economy with special emphasis on the necessity of tax reduction, including gasoline and motor vehicle taxes. His statement on this problem follows:

"It is my opinion that economy in government depends upon a curtailment of government expenses and a program of intelligent spending. A government to function properly must spend money, but it is wise spending and the consolidation of governmental offices that must be accomplished. This subject is a matter of greatest importance to all of us who are earning less than \$5,000 per year, because it is a known fact that 89% of the national income is paid by those who earn less than \$5,000 per year. The idea of 'soak the rich' is just a coined phrase and statistics show it is not true. While the rich contribute 11% of the national income, those of us making \$5,000 or less a year contribute the other 89%. You may think you don't pay taxes, but today our taxes are sugar coated and hidden in various business transactions, leaving none of us conscious of the assessment."

Efficiency and Economy Low Taxes

Born and raised in Burlington county. Native of Mount Holly. Educated in public schools of Mount Holly.

Has conducted own business for past 12 years in county. Served in National Guard, Co. E, Mt. Holly; active in YMCA, Boy Scout and Legion Campaigns.

Member Rotary, Elks, Moose, Relief Fire Company, Burlington County Game Protective League and Columbus Grange No. 58. President of Mt. Holly Republican Club, Vice President of Electric League of Burlington County, Burlington County Unit Young Republicans of New Jersey.

"Earnestly Solicits
Your Support"

I wish to thank the 10,000 voters who supported me at last year's primary. I hope to merit their support again, and that of their friends at this year's primary.

Ordered and paid for by the Candidate

CONSTITUTION DAY MEETING IN GROVE PALMYRA, SEPT. 17

The Palmyra committee in charge of the program for Constitution Day, September 17, has announced that there will be a community meeting in the Grove, Palmyra, on the evening of that day, the program starting at 7:30 o'clock.

The speaker on that occasion will be Arthur W. Lewis, of Riverton, who spoke so ably on the Constitution at a recent meeting of the Palmyra-Riverton Rotary Club.

In addition to the meeting in the Grove there will be appropriate exercises in both Palmyra and Riverton schools on that day.

Special services commemorating the 150th anniversary of the signing of the Constitution will be held in the Central Baptist Church, Palmyra, this Sunday evening.

CINNAMINSON P.T.A.

The Cinnaminson P.T.A. will open their first meeting of the season on Wednesday, September 15, at 8:30 p.m., with E. Newbold Cooper, of Riverton, as the speaker.

Prescott Herr, of Moorestown, will sing, and Miss Marjorie Wilson, of Palmyra, will render several selections on the piano.

The evening will be an interesting one, so come out and help us enjoy it.

The average woman enjoys being envied even more than the average man enjoys being praised.

ment. Yes, today there are taxes on almost everything we buy, including necessities and luxuries, but the tax is hidden and not one in a hundred realizes it when he buys.

"Economy and efficiency in government will be reached when all of us become conscious of the burden each of us is bearing and then demand a curtailment of governmental expenses."

"I am bitterly opposed to any gasoline tax. It is a continuation of the Sales Tax and discriminates particularly against the motoring public. The operator of an automobile is being taxed unmercifully and is carrying much more than his share of the burden. A three cent state tax on an 11 or 12 cent gross sales item is out of proportion to all sound reasoning and fairness."

345 Taxes
"When you drive your car it may be surprising to you to learn that you are taxed 345 times. There are 27 taxes on the purchase of an automobile and 117 taxes on its upkeep. Before the gas and oil reach you, there are 201 taxes by the time it is placed in your car. As a matter of fact the tax on gasoline is greater than its wholesale cost."

"Gasoline is as much a necessity today as food and clothing and it is my purpose to use every ounce of energy that is within me to effect a reduction of this unjust, unfair and discriminatory tax."

ON COUNTY STAFF

J. PAUL REEDER

who has been appointed to the Burlington County YMCA staff according to a recent announcement by Howard G. Taylor, Jr., president of the county YMCA board.

Mr. Reeder graduated from Gettysburg College in 1935. With the exception of his freshman year, he was the Gettysburg Student YMCA secretary.

Mr. Reeder lived in Camden, and then moved to Trenton, completing his high school work there. He was an active YMCA member in both cities. During summer months for a number of years he was employed in various capacities at Camp Wilson, the Trenton YMCA Camp, finally becoming swimming instructor. During his senior year in high school, Mr. Reeder held the state 100 yard swimming championship.

At Gettysburg, Reeder, popularly known as "Bud," played varsity football. He was a member of the Owl and Nightingale Dramatic Society, president during his senior year of the student council and also of his fraternity, Kappa Delta Rho. He also qualified for Kappa Phi Kappa, national educational fraternity.

Immediately following graduation, Mr. Reeder worked on a special project for New Jersey at the State Prison. Later he taught at Rider College, Trenton, after which he became affiliated with the National Youth Administration, spending sixteen months in this field, having supervision of many groups of children in club activities, and special responsibility for the training of the leaders of such clubs.

Since returning to Trenton, after his college days at Gettysburg, Mr. Reeder has also completed two years of part time study toward his Master's Degree at Rutgers, in the field of personnel work and vocational guidance.

Mr. Reeder married a Trenton girl, who was Mary Ann English. The Reeders are now living at 449 E. Second street, Moorestown, having come to Burlington county September 1st. His work will take him to all portions of the county.

ABOUT TOWN

Many local members of the American Legion are planning to attend the 19th annual convention of the New Jersey Department, which opens today (Thursday), at Ocean City, continuing until September 12.

The cool weather on Labor Day, while a welcome relief from the heat of last week, spoiled the holiday for a lot of people who were at the shore, many vacationists returning home early in the afternoon.

The early exodus from Atlantic City was reflected by the comparatively small number of New York bound trains passing through here during the evening.

College and prep school students are busily engaged in making final arrangements for their departure to various institutions of learning.

The primary election is only one week from next Tuesday.

The chilly air on Monday morning reminded home owners that heater fires are not far in the offing.

The old-fashioned saloon may have had its iniquities, but it never had a stein with lipstick on the rim. —Hutchinson News.

PLAY FESTIVAL SEPT. 10, 11, 12

Bringing forcibly to the attention of the people of New Jersey the accomplishments in the field of organized recreation during the past year, the big Play Festival under the direction of the Recreational Division of the Works Progress Administration, which is being held at Roosevelt Park on Route 25, near Metuchen in Middlesex county this weekend, September 10, 11 and 12, is the most important event of the year.

The exhibition and demonstration which has been planned will have contributions from each of the 21 counties of the state, embracing every branch of recreational activity, including sports, model airplane building and flying, bocce, folk dancing, nature exhibits, craft exhibits, an art exhibition, an Indian historical exhibit and a hobby exhibit. There will also be dramatics and a puppet show.

Burlington county's part in the exposition will begin on Saturday afternoon when a colored girls' softball team from the Beverly playground will play a team from Cumberland county.

On Sunday afternoon an original play written by a Burlington county man will be staged. The title of the play is "The Solution" and the actors who will participate in its production will be drawn from Mt. Holly, Pemberton, Delanco, Beverly and Moorestown.

Roosevelt Park is one of the most beautifully laid out parks in the state and covers 200 acres of ground with excellent picnic facilities. Everybody is welcome and there is no charge for any part of the play festival. More than fifty thousand people from all over the state are expected to attend including the Governor and many notable personages of the state and also from Washington.

URGED TO WATCH SCHOOL CHILDREN

On the eve of the Fall school term motorists are urged by the Keystone Automobile Club of New Jersey to give their fullest cooperation to the movement fostered by the club for the protection of school children.

Trevor B. Mathews, manager of the Camden Division of the club, points out that many dangers confront children returning to school after the summer vacation, and emphasizes the responsibility of motorists in safeguarding the lives of pupils.

"A factor having important bearing on the problems of child safety," he said, "is the appearance on the streets of thousands of youngsters attending school for the first time. These children have not had the benefit of safety instruction in the classrooms, and in their behalf we appeal particularly to motorists. To a very great extent, the safety of first-year pupils will depend upon the care with which motor vehicles are operated, not only in the vicinity of schools, but on all streets where children are walking on their way to and from their classrooms."

Use Caution
All drivers are strongly urged to use the utmost caution where children are crossing streets. No one can foretell when a child is going to rush forward from a group into the path of moving vehicles. Because of this uncertainty the duty devolves upon the motorist to have his car under such control that he can stop at a moment's notice. Safe drivers never take chances where children are concerned.

"The Keystone Automobile Club of New Jersey also wishes to impress upon motor vehicle operators the importance of cooperating with the School Safety Patrols. The boys and girls who constitute these patrols are doing a splendid work in accident prevention. They are always on the alert to safeguard fellow pupils, but their effort will be hampered without complete cooperation of motorists."

FREE
TO PAID SUBSCRIBERS

If your son or daughter is attending prep school or college away from home, The New Era will be glad to send them a copy of each week's issue without charge. Just let us know their name and address.

One Second

A second to most of us merely means a small fraction of a minute and is regarded as a unit of time which is of no particular consequence. However, a second is not to be trifled with, especially at railroad crossings.

Suppose, for example, that a train is approaching a crossing at 60 miles per hour, or about 88 feet per second. You, in a car, make a turn over the same crossing, at the rate of 15 miles an hour, or 22 feet per second, and are that distance from the track on which the train is approaching. Under such condition, a collision is inevitable and this is how crossing accidents happen.

If the train were one second later, or even half a second, you would escape.

But—IT DOESN'T PAY TO TAKE CHANCES WITH SECONDS.

When you approach a crossing and there is any doubt as to whether you can beat a train over, DON'T TAKE A CHANCE. Your estimate of seconds may be bad.

Remember—while you take a fleeting glance at a train it may have moved toward you nearly a hundred feet.

And above all, when you approach a crossing—STOP. LOOK AND LISTEN.

ROTARY DISTRICT GOVERNOR HERE

George S. Williams Speaks on International Sessions
At Nice, France

George S. Williams, of Millsboro, Delaware, the newly-elected governor of the newly-created 184th District of Rotary International, which includes the Riverton-Palmyra Club, was guest of that organization last Thursday evening. Mr. Williams, representing the Capital Investments Classification of his own club, is prominent in Delaware political, economic and educational circles.

1122 in District

He was for seven years chairman of the State Board of Education, and during the administration of Governor Buck, was state treasurer. Following the partitioning of the old 50th Rotary District he was elected governor of the new district created. One of his first duties is to call upon all of the thirty-one clubs in the district, which embraces South Jersey and Delaware, and become acquainted with the 1122 Rotarians registered in these clubs.

German Situation

Mr. Williams recently returned from the International Convention at Nice, France, and devoted much of his talk to the evidences of international good will observed among the delegates from the nations of the world. It was highly significant that the new President of Rotary International, Maurice Duperrey, was nominated by a German delegate—and even more significant that a government decree should abolish Rotary Clubs in Germany shortly thereafter. International good will is regrettably not welcome in dictatorships.

GARDEN CARD PARTY

Women's Auxiliary Palmyra-Riverton YMCA will hold a garden card party at the home of Mrs. A. E. Hargett, Riverton-Moorestown road, Thursday, September 16, at 2 p.m. The tickets are 35c which includes refreshments and prizes. All members and friends of the auxiliary are urged to attend.

GOODWIN OUT OF COUNTY CONTEST

James J. Goodwin, of Riverton, has withdrawn his name from the ballot as candidate for one of the Republican nominations for Freeholder.

In his announcement Mr. Goodwin said: "I have withdrawn from the contest for the Republican nomination for Freeholder after due consideration in order to give my support to the candidacies of Albert C. Jones and Clarence G. Price and I earnestly request all my friends to support these two candidates also. "I wish to thank my many friends for their consideration in supporting my candidacy."

IN A HURRY

As an old saying has it, "Everytime you take a breath, a Chinese dies." And even this isn't fast enough to suit the impatient Japs.—Washington Post.

RADIO GARDEN CLUB PROGRAM

To assist garden clubs in planning their programs for the coming fall and winter months, the Radio Garden Club of the Agricultural Extension Service, Rutgers University, has scheduled a talk on "Program Planning for Garden Groups" to be given over WOR and other stations of the Mutual Broadcasting System at 3:45 p.m. Friday, September 3rd. Mrs. William Crocker, president of the Federated Garden Clubs of New York State, Inc., and Dorothy Bidle Johnson, editor of "Garden Digest," have collaborated in preparing the talk. "The New York Federation will sponsor the program. "Introducing Children to Gardening" is the title of the broadcast to be given on Tuesday, September 7, by Blanche P. Durgin, chairman of junior education for the Garden Club of New Jersey, which will sponsor the program. Miss Durgin's talk will also be broadcast at 3:45 p.m., and the program is a presentation of the Garden Club of New Jersey.

REUNION OF FORMER FAIRVIEW PATIENTS ON SEPTEMBER 18

Former patients, their friends and anyone interested, are invited to attend a reunion of former patients of Fairview Sanatorium, at that institution on Sunday, September 18, at 2 o'clock.

The principal speaker will be Professor E. J. Beardsley, M.D. Besides the speaker there will be entertainment and refreshments for everyone.

Frank Kreutzberg, of Palmyra, is chairman of the committee in charge of arrangements. The reunion of Fairview Sanatorium was started in September 1917, with four patients. Dr. Marcus W. Newcomb became medical director in August 1919. At the present there are 114 under treatment.

The present board of managers includes Dr. J. W. Bowley, Dr. Richard D. Anderson, Dr. George Tracey, Harry Tresch and David Styer. The reunion will be an annual affair.

BRIDGE CLUB TO START SEASON

The Riverton Bridge Club which is affiliated with the South Jersey Whist League, is lining up the local talent in preparation for the opening match of the season on September 15.

The local organization was a member of the league last year and finished well up in the final standing.

Anyone who is interested in playing with the Riverton team is requested to communicate with Dr. J. Rowland Dey or Richard M. Woodward.

Church Notices

EPWORTH M. E. CHURCH
Rev. William A. Boyd, Pastor

The Rev. William A. Boyd, pastor of the church, will preach at both morning and evening services. Mr. Boyd has just returned from a month's vacation.

The church school has been carrying on during the summer, and the evening church services, along with the many other activities of the church and school will be in full swing very soon. You are cordially invited to attend the prayer service at 7:45 on Wednesday evening.

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor

Sunday, September 12
10 a.m. Bible School, classes for all ages. Come and study God's word.

11:15 a.m. Morning worship. Sermon subject, "The Pure in Heart." This is our Communion Sunday. 7:45 p.m. Evening worship. Celebration of the 150th anniversary of the Constitution of the United States. All are invited to attend the service which will begin the week of celebration.

CHRISTIAN SCIENCE CHURCH
"Substance" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, September 12.

The Golden Text is: "Thine, O Lord, is the greatness, and the power, and glory, and the victory, and the majesty." (I Chronicles 29:11). Among the citations which comprise the lesson-sermon is the following from the Bible: "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor anything taken from it: and God doeth it, that men should fear before him. That which is to be hath already been; and God requireth that which is past." (Ecclesiastes 3:14,15).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The divine Principle, or Spirit, comprehends and expresses all, and all must therefore be as perfect as the divine Principle is perfect. Nothing is new to eternal Mind, the author of all things, who from all eternity knoweth His own ideas. Deity was acquainted with His work. Spirit is the only substance and consciousness created by divine Science" (pp 518, 278).

RIVERTON

Mr. and Mrs. William Dietrich and children, of Harrison street, spent the week in Shamokin, Pa.

Mr. and Mrs. Frank Murphy, of Paoli, spent Sunday with Mr. and Mrs. Robert Hullings.

Mrs. Ogden Steedle and daughter Katherine, of Cinnaminson street, returned Monday after spending ten days in the Poconos.

Mr. and Mrs. Burdick, of Connecticut, visited Mrs. Otto Sauer, of Howard street, on Monday.

Mr. and Mrs. Morris Steedle, of Howard street, have returned after spending ten days at Ocean Grove.

Mrs. Frank C. Cole, of Main street, is spending several days at Atlantic City.

Harold Speak and daughters, Lucille and Amy, of Detroit, Michigan, visited Mr. and Mrs. Lee Milton, of Cinnaminson street, last week.

Dr. F. S. Janney Stoddard returned home today, after spending the summer in Stoddardsville, Pa.

Charles H. DeGrau, of Yokohama, Japan, spent Tuesday with his aunt, Mrs. Robert Hullings.

Mr. and Mrs. Leon Gray and children, of Harrison street, motored to Delaware Water Gap, on Sunday.

Mrs. Clarence T. Yerkes and family, of 202 Linden avenue, have returned after spending two weeks at the Scarborough Hotel, Ocean City.

The winner of the Sacred Heart P.T.A. quilt club during the week of September 1, was Miss Francis Smith, of Camden.

Mrs. A. B. Garwood and children, of Linden avenue, are spending the week in Ocean City.

A number of friends offered their congratulations to Mrs. Eli Brown, of 407 Thomas avenue, Wednesday birthday.

OBITUARIES

CATHERINE F. WHITE

Catherine F. White, of 509 Cinnaminson street, died Tuesday, September 7, as a result of injuries sustained when she fell down stairs a week ago.

Funeral services will be held Saturday at 1 o'clock from the Snover Funeral Home, the Rev. Francis B. Downs officiating. Interment will be made in Fernwood Cemetery, Philadelphia.

Friends may call Friday evening, from 7 to 9.

Besides her husband, Mrs. White is survived by four children, Mrs. Margaret Collins, of Camden; John White, of Palmyra; Walter White, of Riverside, and Mrs. Rebecca Trauger, who lives at home.

SAMUEL CAPONE

Samuel Capone, 52, of 607 Park avenue, Palmyra, and his two-year-old son Louis, were killed on Monday, when an express train crashed into their car at Dreer's River View crossing.

Funeral services will be held today (Thursday) at 8 a.m. from his late residence, with requiem mass at the Church of the Sacred Heart at 9 o'clock.

Interment will be made in St. Peter's Cemetery, Riverside. Capone is survived by a wife and two other children.

WILLIAM T. McALLISTER

William T. McAllister, of 7 East Broad street, died Saturday, September 4, at his home in Palmyra. Funeral services were held from the Snover Funeral Home on Tuesday at 2 o'clock with the Rev. Harold L. Creager officiating.

Interment was made in Woodland Cemetery, Philadelphia. He is survived by his wife, Julia, and two sons, Walter and Carl.

Mr. McAllister has been a merchant in Palmyra for more than a quarter of a century. He was a member of the Palmyra Assembly, A.O.M.P.

PENNSAUKEN IS EASY WINNER

Riverton Hurlers Handicapped By Wet Ball after Rain Interrupts Game

Riverton dropped a 16-5 decision to Pennsauken, last Saturday afternoon in a free-hitting engagement, the affair being interrupted at the end of the third frame by a sudden shower.

When play was resumed after a 20-minute intermission, the pitcher's mound was very soggy and the footing bad.

Opponents at Bat

Unfortunately for the locals, the enemy was at bat when hostilities were resumed and Pennsauken proceeded to sew up the contest with a 10-run rally.

In all fairness to the Riverton aggregation, playing conditions contributed materially to this scoring bee. Gibson, and Diefenbaugh, who relieved him, were handicapped by the wetness of the ball and many blows which should have been out went for hits because of the inability of the fielders to get traction in the mire.

Sixteen Bat

Sixteen Pennsauken players batted in this frame and their performance used up so much time that the field had dried off materially when the locals finally came to bat in the lower half of the same stanza. Thus, the opposition did not labor under as severe a handicap as the home outfit. Before the rain descended the game had all the aspects of being a tight encounter with the opposition sporting a 3-2 advantage at the end of the third session.

Hits Homer

Harper, Riverton catcher, smote one into deep left in the initial canto for a round-tripper. This blast scored Terrill who received a free ticket.

The local attack was paced by Windish, who had three out of five and Cole, who connected safely for a similar number in four trips to the rubber. Harper got a single in addition to his four-py play.

Riverton

Reeves, rf	5	0	1	3	0
Terrill, 2b, cf	3	1	0	3	2
Thomas, cf, p	5	0	1	2	1
Harper, c	5	1	2	6	0
Windish, 1b	5	1	3	9	0
Suttons, 3b	3	2	0	1	1
Bright, rf	4	0	1	2	0
Cole, ss	4	0	3	1	3

The cause of the oilers was not aided by the absence of Sexton and mall from the lineup.

With the series over, all that remains for softball this season is the fair being planned for the players

Blue Eagles 7 2 0 0 0 0 0 -9
 Riverton 0 1 3 0 2 0 0 -6

\$1.50 enclosed to cover subscription and merchandise.

YOUR CHOICE

FISHING REEL

All metal, capacity 80 yards. This reel has a level winding attachment, balanced handle and adjustable click. An article of worth while value to every fisherman.

SKILLET

Made of the famous Pyrex Flame-ware. It is 7 1/4 inches in diameter and 1 1/2 inches deep and comes with removable metal handle. The skillet is made of clear, transparent heat-resistant glass developed for top-of-stove cooking by a formula different than that used in the regular Pyrex ovenware.

WATERING CAN

This attractively enamelled watering can in the one-quart size and long spout is just the thing for watering house plants and window boxes. You get the water on the plant and not on the floor.

WALLET

Genuine leather. Size, 3 1/4 x 8 1/2 inches. "Zipper" attachment over bill compartment. Coin container with snap flap, two sections for cards, driving license, etc. A quality, article needed by all men. Even if you have one already, a spare will come in handy when your present wallet wears out—or it would make an ideal gift.

TOOL BOX

This convenient metal box is what every man needs for tools, fishing tackle, etc. It measures 6 x 14 inches and is 5 inches deep. Compartment for tools and handy five-sectioned tray in top for nails, screws, etc. Tray slides back as lid is raised. Complete with handle, lock and key.

FLASHLIGHT

A genuine Winchester flashlight with solid bronze case and focusing beam. A handy article in any household. Convenient hook enables light to be attached to belt for out-door work. It is equipped with signalling button for Scout use. Complete with battery and bulb.

WRESTLING WILL BEGIN SEPT. 16

Wrestling in Camden will once again come into its own on Thursday night, September 16, when the Twin City Athletic Club raises the curtain on the first show of the 1937-38 season.

The Camden Armory where the Henly Brothers, Frank and Ray, have presented weekly bills for the past five years, will again be the scene of their weekly cards. The program of five encounters will be presented each week and will consist of four one-fall matches and topped by a star bout of two out of three falls with a 90 minute time limit. The drill shed ringmasters are still lining up their initial card, which they hope to have completed by next week when it will be announced.

SALE AT SACRIFICE in Edgewater Park, N. J., near the alluring Delaware River, beautiful 9 room house, large, exquisite grounds and shrubs, slate roof, fireplace, hardwood floors, hot water heat with oil burner, automatic gas hot water heater, large built-in cedar chest, two-car garage, in perfect condition. A palace at the price of an ordinary home. Reason for sacrifice—owner must leave this country. Seeing is believing. Don't hesitate, but investigate and be convinced that this is a "once in a life time" opportunity to own a real home at a ridiculously unbelievable low figure. Can be financed. For further information and inspection, call, phone or write J. H. Hancock, Real Estate Broker, 21 Scott st., Riverside, N. J. Phone, Riverside 44 or 141-W.

Adventure Is Coming In The American Boy

Readers who like adventure and the lure of far places will find plenty to please them in coming issues of THE AMERICAN BOY Magazine. They'll read, for instance, of seamen and saboteurs and San Francisco water-front trouble; of daring adventure in the world of pseudo-science, and of the feud aboard a plunging, rolling battleship.

They'll read, too, of excitement aboard a transport plane blaring over jungled Mexican mountains, and of stranger planes that are not bound to earth but swing through the noiselessness of space. Readers can follow a young ex-Mountie as he searches for clues in the wild northlands, and Tierney, the pie-eating detective, on the trail of city criminals.

A new feature in THE AMERICAN BOY is picture pages that tell stories. Pictures, for instance, that vividly show a day of life of a coast guardman, and how an Eskimo husky sled dog does his work. They transmit the thrill of battling a hundred pound, water-churning tarpon. Tips on how it's done are also given pictorially—ranging from how to run a broken field to how to be correct in a ballroom!

NOTE: Subscription prices of THE AMERICAN BOY will be raised in the near future. Send your subscription order at once to take advantage of the bargain rates now in effect: one year at \$1.00 or three years at \$2.00. Foreign subscription 50c a year extra. Send your name, address and remittance to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Mich. On newsstands the price is 15c a copy. 9-9-16

Justice is the insurance which we have on our lives and property; to which may be added, and obedience is the premium which we pay for it.—William Penn.

Always Demanding HOT WATER

Calls for hot water in the home cannot be timed. They come, sometimes a cupful, sometimes a tubful, 'most any time of day or night. Hot water for the dishes, the scrubbing brush, the clothes washer, dad's shaving brush, the shower-bath and what-not! How can Mrs. Housewife keep hot water on hand?

HERE IS THE SOLUTION—Take advantage of our Free Trial Offer—the use of a modern, insulated, fully automatic gas water heater on trial in your own home. This offer is to demonstrate the all around superiority and low cost of this service. No charge for the heater during trial period. You pay only for the gas used—A FEW CENTS A DAY. Once installed, you'll find it the answer to your hot water problem.

For further information, communicate with your plumbing or heating contractor—or the Public Service office nearest you.

PUBLIC SERVICE

EIGHTH ANNUAL FLOWER SHOW

(continued from page 1)

lation of bloom to container 20%.

With the appearance of football schedules for the season there will doubtless be the usual number of games arranged with Pending and Open.

THE NEW CHAMPS

ASKEW MOTOR

Sitting, left to right—E. Wallace, Knight, Umpire Carhart, one of the Sutters twins, C. Wallace, Moorhouse. Standing, left to right—Umpire Rotenbury, R. Wallace, Gibson Cole, the other Sutters twin, L. Yearly and Umpire Richman. The following players were not present when the picture was taken: P. McDermott, W. McDermott, J. Wallace, J. Allen and J. Lewis.

RUNNERS-UP

BURKE & EISLEY

Sitting, left to right—Bonnatelli, Small, Hubbs, Thomas, Yearly and Hylton. Standing, left to right—Umpire Carhart, President Joseph Yearly, Manager Paul Burke, Landgraf, Weikman, Eisley, Speer, Enskat, Umpires Richman and Rotenbury. The following members of the team were not present when the picture was taken: Sexton, Richmond and Glass.

DOG SHOW AT CENTRAL AIRPORT

The sixth annual dog show of the Camden County Kennel Club will be held at Camden Central Airport Sunday, September 19, from 9.00 a.m. to 6.00 p.m.

Between 800 and 1000 entries, including the best known dogs of all breeds from this country and Canada, will be judged for championship points.

The roster of forty judges will include Mr. Whitted, of Durham, N. C., and Mr. C. A. Backus of Huntington, Ind.

The Camden show is recognized as one of the biggest of its kind in America. It is attended by all the professional handlers with their strings of dogs. Of special interest is the news that many of the dogs that took first place in the shows of various cities, among them the Wire-hair Terrier that took first honors at Madison Square Gardens show in New York City, will be entered in this show.

Many beautiful trophies of sterling silver, as well as prize money running to \$2000, will be awarded in the various classes.

Refreshments will be served on the grounds.

The executive committee of the dog show, which consists of President John H. Irving and Secretary Walter Emmett, cordially invites you to attend this fine showing of highly pedigreed dogs. Dog lovers will find it a feast for the eyes.

SAYS QUARTERLY REPORTS NEEDED

Quarterly reports of total wages paid to workers are necessary for the determination of the amount and duration of benefits payable to eligible New Jersey unemployed individuals beginning January 1, 1939, James G. Robinson, executive director of the Unemployment Compensation Commission of New Jersey, declares in urging New Jersey employers to cooperate in completing the forms.

FIRST MEETING OF SCHOOL BOARD

(continued from page 1)

pupils this year would be \$117.50 per student.

Increase Over Last Year
The fee last year was \$103.70, making an increase of \$11.80 during the present school terms. This increase according to the Palmyra board, was necessary in view of the rising cost of school materials, new courses and the restoration of salary cuts to the teachers.

The board voted that tuition to the Riverton school would be \$75 per year to children who resided outside the borough, one-half of this sum to be payable when the student enters the school and the other half at the beginning of the second semester.

YACHT CLUB YARNS

BY NUTE
AND
MIKE

Well Wednesday brought in the week with a cloudburst. And that's all we can say for it—Rain!

Not having run the usual Wednesday evening races, with one race left we find the score: Rub Gladney 23, Ted Hunn 22, Tom Coe 22, John Ayres 10, Bert Shoemaker 9. Despite the weather, etc., much new interest has arisen in our poplar Duster fleet. This new tide of enthusiasm may be attributed to the generosity of one Howard Evans. A very nice trophy donated to the Dusters by the aforementioned fleet member, has brought more than one boat a little higher into the wind. The trophy, which may be seen in L. L. Keating's store, must be won by one skipper three times to obtain permanent possession. Races for this cup, usually held on Saturday, have resulted in the following standing: Tom Coe, winner of 1st series; 2nd series: Rub Gladney 27 points; 3rd series: T. Coe 24, T. Hunn, J. Ayres, E. Shoemaker 22, Bob Lippincott 18.

Saturday Overnight Race

Rubber won. Boy, is he getting good lately! Meeting at the club about eight o'clock, skippers wanted a good hour fighting over the amount of sail allowed each boat. Finally settling down to the original rules, someone suggested waiting for the approaching storm to blow over. That guy almost got thrown overboard. Leaving at 9:10 (ten minutes late), all went well for fifteen minutes, then—Rowdy! Down! Did that storm hit! Then it seems Nute Hunn, one of your most honorable scribes, with Chas. Mooney as crew, took a flip. These two having been formally initiated into the "Horizontal Club," proceeded to swim their boat home. This was immediately followed by Marcie Lippincott and J. Knight crew, sticking the bow of their boat under a wave; after that they never stopped till that bateau was on its side. Thus Marcie's second bid for membership, and Sir Dungan's initiation into our Horizontal fleet. Next came Howard Evans and Ash Beaumont crew, to fill out membership applications. Boy I'll bet "Horizontal King" Gladney appreciates these new members. The next mishap came when E. Shoemaker and H. Lippincott crew, broke a gase neck and were forced to retire from the race. Everyone concedes M. Lippincott and J. Knight the honor of the longest swim of the night, leading with 2 1/4 hours. N. Hunn and C. Mooney followed with 1 1/4 hours and H. Evans and A. Beaumont 1 1/4 hours. Some swim, eh!

Then Becalmed
Everything smoothed out and all went well till the fleet reached the mid-way mark (Burlington Island), then they got becalmed. Here everyone caught up to each other and left pretty even with three gals, Link Ridley, Alice Lippincott, and Taty Graf, taking the lead, in the club sixteen footer. Incidentally the gals showed up some of the boys. They at least finished the race. Somewhere in that dark night, things shifted to the final tally of Rub Gladney first, Bob Lippincott second, Tom Coe third, disqualified; Red Merrill fourth, the gullpin gal!

FOUR ARRESTED BY LOCAL POLICE

The Riverton police arrested four persons over the weekend, all being charged with traffic violations. They were given a hearing on Tuesday night before Recorder Frank Probsting.

The cases were as follows:
Elmer W. Elder, 38 Mill road, Moorestown, arrested by Officer Robinson on Monday night, charged with passing an amber light. He paid costs and was given a suspended sentence.
Myron Wolverton, Third and Willow, Delanco, arrested by Chief William Gootee, charged with passing cars at intersection on wrong side of line. Sentence suspended upon payment of costs.
John Reebing, 233 Fifth street, Roebing, arrested by Chief Gootee, charged with passing a red light. Fined \$2 and costs.
George A. Madden, Cross Keys, arrested by Chief Gootee, charged with careless driving after running into the rear of a car driven by Mrs. C. H. Earl, of Bryn Mawr. Fined \$2 and costs.

Chief Gootee advises motorists that the Riverton police are conducting an intensive drive against all motorists who violate traffic ordinances and that all regulations are being strictly enforced.

Good Government Republican Candidates

FOR

Freeholders

Primary Election, Sept. 21

Albert C. Jones

Clarence G. Price

They Stand on the Record of the Good Government Freeholders, in which Both have Played an Important Part.

A Few Accomplishments:
County tax rate reduced in three years from \$1.21 to 65 cents.
\$1,214,383.71 saved during three years in amounts raised by taxation, bonds and notes.
Whole county debt of \$795,000 liquidated.
Plans for \$350,000 almshouse defeated. Cost will be \$150,000 instead.
Power of Road Oil Barons broken. County this year bought its oil at lowest prices in whole state.
Delanco Bridge Contractors forced to return \$52,000 to County.

RIVERTON POLICE PRESENT PETITION

Signed by 220 Citizens Asking Vote on Establishment of Pension Fund

Chief William Gootee, of the Riverton police, presented a petition signed by 220 voters at a meeting of the Riverton Borough Council held last Thursday night, the petition requesting that the matter of starting a pension fund for police officers be submitted to the voters at the next election.

According to the provisions of a state act governing this matter, police officers contribute four per cent of their salary and a like sum is appropriated by the respective municipality.

Petition Accepted
Council voted to accept the petition and decided that the pension situation be referred to borough council for an early opinion regarding the desirability of the matter. It is understood that definite action will be taken at a special meeting to be held in the near future.

Final action on the appropriation of funds for a clinic to treat venereal diseases, in cooperation with Palmyra and Cinnaminson, will also be taken at this same special meeting.

Holland Situation
Chief Ezra Carhart, Jr., appeared before council and stated that he had conferred with William Holland regarding the unrightful condition of the front of his property on Broad street and that Mr. Holland had promised to do what he could to remedy this situation.

Mr. Holland, who was present at the session, asserted that he was willing to negotiate in every way possible and that he would welcome suggestions from council as to what steps he could take to alleviate the difficulty. He invited the members to inspect his premises and stated that he would be glad to follow their advice in respect to making his place of business more presentable.

Houses Being Razed
The residence on Cinnaminson street which was declared to be a fire hazard and unsightly by residents in that section, at the last meeting of council is being torn down by the owners, thus removing the source of complaint.
Councilman J. W. Sylvester, of the (continued on page 11)

WESLEYAN CLASS TO HAVE FLOWER SHOW ON SEPTEMBER 24

Enthusiasm, cooperation and the many pleasing comments received by members of the Wesleyan Class last year for the beautiful flower display presented to the public has encouraged the members to have another exhibit, on Friday evening, September 24th, in the class room of the church building, between the hours of 7 and 10 o'clock.

Music will also add to the attractiveness of the evening. Another feature this year will be that of awards. The committee will appreciate receiving flowers of any kind, but suggests that they are carefully arranged in basket or vase and sent to the class room by noon of the day the exhibit takes place.

CARD OF THANKS
We wish to thank our many friends for their kind expressions of sympathy during our recent bereavement, especially those who sent cars and flowers to the funeral.
William White and Family.

BIRTHS
Mr. and Mrs. Edward York Smith, of Main street, are receiving congratulations on the birth of a son, William Louis, at Cooper Hospital, on Wednesday, September 15.

THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

49th Year No. 37 RIVERTON—PALMYRA, N. J., THURSDAY, SEPTEMBER 16, 1937 PRICE FIVE CENTS

NUMEROUS GUESTS AT LOCAL HOME

The Cinnaminson Home has been running close to capacity for the month. There were 17 adults remaining from last month and 18 new adults and three babies this month.

Twenty-nine of these were from Pennsylvania and nine from New Jersey.

There were 2638 meals served during the month of August. Constitution Day will be observed at the home with a special program.

CASE AGAINST STOUT QUASHED

MacFarland, Ziegler and Adams Also Cleared by Recent Court Action
Indictments against Charles R. Stout, freeholder; Louis A. MacFarland, former superintendent of roads for Burlington county; Harry J. Ziegler, former county auditor, and Alfonso Adams, former clerk of the Board of Freeholders, were nolle prossed by Judge Frank A. Hendrickson sitting in special sessions court at the Court House last week, upon motion of Prosecutor Howard Eastwood.

No Other Evidence
In making his motion for dismissal of the charges, which were for malfeasance of office, Eastwood stated that, since the return of the verdict of not guilty in the case against Theodore Tobish, of Trenton, there is practically no other evidence against the officials and the outcome probably would be the same.

"Therefore," Eastwood said, "I concluded it would be unfair to press action against the remaining defendants. I wish to say that the indictments against Alfonso Adams are entirely unjustified because he was serving as an administrative officer, subject to the direction of the Board of Freeholders, and merely signed checks at the direction of the board."

Entirely Justified
Judge Hendrickson, in granting the motion to nolle pro, said the prosecutor was entirely justified in making this motion. "It is difficult to see the possibility of a conviction of the four men for malfeasance in view of the verdict of not guilty in the Tobish trial. According to that verdict, nothing was taken from the county and no malfeasance therefore was committed."

The judge complimented the Prosecutor and counsel representing Tobish for the splendid manner in which the case was conducted and said the verdict of the jury should not reflect unfair criticism upon the Prosecutor.

SOFTBALL LOOP MEETS TONIGHT

President Joseph Yearly has called an important meeting of all managers and officials of the local Softball League in the Riverton Fire House tonight (Thursday) at 8:30 o'clock.

The purpose of the session will be to formulate plans for the annual entertainment and buffet supper which is an important function following the cessation of active warfare on the diamond.

President Yearly has been working on arrangements for some time and advance dope appears to indicate that the frolic this year will be something out of the ordinary.

CANDIDATES

The principal candidates for Republican nominations to the more important positions at the primary election to be held next Tuesday are as follows: the names being given in the order in which they appear on the ballot. Where there is no contest, names have been omitted.

For Governor
Clifford R. Powell, "Regular Republican on his Record."
Lester H. Clee, "Republican."

For Member of General Assembly
Herbert L. Worth, "Reduce gasoline tax."
S. Emlen Stokes, incumbent, seeking reelection, "Pledged to Economy and Tax Reduction."

For Freeholder
Charles R. Stout, "Experienced in county affairs." "I shall devote my unswerving effort in the service of the people, in the future, as in the past. Just as I have always dealt fairly with people in every walk of life, I ask the support of all party voters regardless of station."

Albert C. Jones and Clarence G. Price, bracketed together. "Low taxes, good government, best qualified." "Have been honest and faithful, and have had an important part in, and stand on the record of the Good Government Administration of Burlington County which has been solely responsible for the saving of thousands of dollars."

Nelson G. Myers, "Efficiency and economy—low taxes." "In the past years I have given freely of my time to fraternal, civic and community affairs, and for the general welfare of Burlington County, and I hope that next Tuesday's election will open up for me a broader field in which to serve the people. This is my last appeal to the voters for their support, for which I shall be very grateful."

F. George Furth, "For a business administration." "The knowledge and experience I have obtained as auditor of Burlington county I feel certain will be a valuable asset in the performance of my duty in the position to which I now aspire. If honored with election, my activities will be unhampered with any other interests. I propose to give undivided time and attention to the work."

For Riverton Assessor
Robert Cole.
Robert W. Knight.
George D. Steele.
Frank Probsting, Jr.

For Riverton Borough Council
Archibald Bush.
David F. Gould.
Raymond M. Fuller.

NO REPORT ON MISSING GIRL

Mary Jane Donaghy, of Riverton Disappeared September 10; Police Active

Up to Wednesday afternoon, no information had been received regarding the whereabouts of Mary Jane Donaghy, of 515 Howard street, Riverton, who left home shortly after noon on Tuesday, September 10, and has not been seen since that time.

The description of the girl has been broadcast by the various police radio systems and published in many papers, to no avail.

Police Investigate
The Riverton police, under the direction of Chief William Gootee, have been most active on the case, carefully checking all information which might give a clue to the girl's location. Thus far, the leads uncovered have been unproductive, but the work is still being continued.

Officer John Robinson, who has a Delphos father thinks his son should become President some day—he is just like Roosevelt, spends all the money he can borrow.—Delphos Republican.

DINNER DANCE AT MEDFORD LAKES

The Burlington County Unit of Young Republicans will hold its annual pre-primary dinner dance at Medford Lakes on Friday night, September 17. The committee in charge expects the Log Cabin Lodge will be called on to handle a capacity crowd.

It has been decided not to have a guest speaker, but merely call on the candidates and introduce men and women of prominence who may be there. This is being done so there will be more time for dancing.

PORCH CLUB HAS LARGE PROGRAM

Educational Activities Planned For Coming Year: First Meeting October 5

The Porch Club, Riverton, has planned an extensive and interesting program for the coming club year, particular emphasis being placed on various educational activities. The first meeting will be held on Tuesday, October 5, with luncheon at 1 o'clock, followed by a business session. The speaker of the afternoon will be Thomas C. Shaffer, who will talk on "National Affairs."

Noted Authority
Mr. Shaffer, who was a former teacher of history at the George School, has attained national recognition for his ability as a speaker on current events in the United States.

He has spoken on numerous occasions in eastern cities and has conducted a series of talks at the Penn A. C. Century Club, and before many other organizations. Mr. Shaffer is a special writer on the staff of one of the large metropolitan dailies and appears on several radio programs.

Bridge Class
The first bridge class will be conducted under the supervision of Charles Goren, from 10 to 12 a.m., Thursday, October 7. The committee in charge of this section feels particularly fortunate in having secured the presence of Mr. Goren, who is one of the leading bridge exponents of the country today.

Mr. Goren, who resides in Philadelphia, recently took second place at the National Bridge Tournament, held in New York City. He has given numerous lectures on the subject and is the author of two books and many articles on the finer points of the game.

Mr. Goren will conduct the second class on October 21.

Other Activities
Other activities include painting, under the direction of Mrs. Murray C. Boyer; French conversation, under the direction of Mrs. Harold Marshall; the interior decoration section, of which Mrs. Charles E. Carpenter is chairman; cooking section, Mrs. Clarence W. Rodman, chairman; drama, Mrs. Henry W. Shreve, chairman; garden, Mrs. Bradford Stetson, chairman; literature, Mrs. Howard S. Coe, chairman; music appreciation, Mrs. Henry H. Lippincott, chairman; choral, Mrs. Maurice C. Belknap, chairman, and exercising, Mrs. Roland Michener, chairman. Mrs. Michener is also chairman of the bridge section, while national and international relations are under the chairmanship of Mrs. Nathan Lane.

ANNUAL MEETING OF COUNTY WCTU SEPT. 29

The annual meeting of the Burlington County WCTU will be held in the Columbus Baptist Church, on Wednesday, September 29, at 10 o'clock, with President Mabel Gilbert in the chair.

The annual election will be held and reports of all departments received. There will be a bon lunch and ice cream at noon. The session will be an all-day affair.

STATE PARK TO BE REQUESTED

Freeholders Will Ask State to Acquire Smithville Dam Section of Creek

The Burlington County Board of Freeholders, at a meeting held last Friday afternoon, unanimously voted to request the state to create a park in the vicinity of the Smithville section of Ramocas Creek.

The action of the board does not anticipate the state acquiring any property along the creek, with the exception of the dam, at Smithville, which would be repaired under the proposal.

Situation Bad
The action of the board was prompted by the very bad conditions which have existed along the dam since that structure collapsed last in the spring. The water level has been such that properties have decreased in value and the stagnant water in pools has greatly increased the mosquito menace.

The Campers' Association has made strenuous efforts to relieve existing conditions and appropriated \$700 to repair the dam.

Does No Good
The money was spent without materially raising the level of the water and a second sum of \$1700 was provided and another contractor set to work. According to Freeholder Albert C. Jones this project will only relieve the situation temporarily because of the depth of piling necessary to provide a permanent dam. A concrete structure, he stated, would cost about \$50,000.

The matter has been brought to the attention of Governor Hoffman and also the attorney general's office. Both offices have been interested in the matter, as have the members of the Board of Freeholders, but, prior to Friday, no solution seemed apparent.

Plan for Park
Freeholder Walter D. Lamon suggested that a preliminary plan be prepared showing the topography of the creek area and that this be sent to the state with the request that the section be acquired for a park and this was agreed to by the members of the board.

It was stated that the establishment of a state park would not affect the property owners in any way except that the dam would be repaired (continued on page 2)

FLOWER SHOW OPENS TOMORROW NIGHT IN SOCIETY HALL

Final arrangements have been made for the eighth annual flower show to be given by the garden department of the Palmyra Woman's Club, the affair opening tomorrow (Friday) night in Society Hall, Palmyra, at 8 o'clock.

The hours on Friday are from 6 to 10 p.m. and from 10 a.m. to 9:30 p.m., on Saturday. There are many classes for entries and an attractive array of prizes is available for the winners. For complete details regarding rules and points of award in the various classes, those interested are requested to consult last week's issue of The New Era.

FRANCHISE TAX LOSSES LOCALLY

Cinnaminson Township Will Lose \$7,434.56 During Present Year

A summary of the amounts lost by local communities as a result of the present apportionment of the franchise tax is shown in a summary prepared for Mayor John Ward, of Palmyra, by William H. Welker, certified public accountant.

This shows that in 1935, Palmyra received the sum of \$11,198.51 in franchise taxes. This was reduced, in 1937, to \$6,945.35, a loss of \$4,253.16. As a result of this, the estimated increase in the 1938 borough tax will be at the rate of \$2210.

Worse in Cinnaminson

In Cinnaminson the situation is even worse. The amount received from the franchise tax in 1935 was \$11,358.05, while the 1937 figure was only \$3,922.30, the decrease in this case being \$7,434.56. This situation will result in the 1938 tax rate being increased at the rate of \$6685.

The reduction in Riverton is considerably less than that in Palmyra or Cinnaminson. In 1935, Riverton received the sum of \$6,334.21, while the amount during the present year was \$4,683.90, or \$1,650.31 less. This will affect the tax rate about \$1240.

NEW JERSEY ON ACCREDITED LIST

Accreditation of New Jersey, the goal of a 20-year campaign to eradicate bovine tuberculosis, was celebrated last week at a Trenton luncheon conference sponsored by the State Board of Agriculture and attended by prominent cattle breeders and dairymen, veterinarians, public health officials and others interested in New Jersey's dairy industry.

Declaration of final accreditation for Middlesex and Salem counties by the U. S. Department of Agriculture last week brings to New Jersey this state-wide recognition.

The total cost of the tuberculosis control program from state and federal funds has been \$6,800,000, of which about \$5,340,000 represents indemnities paid to dairymen to compensate them for condemned reactors. Over 2,000,000 tests have been applied with \$1,000 cattle reacting. The present cattle population of the state is about 190,000 head which are valued at \$18,000,000. Continued testing to protect this investment and to maintain New Jersey as an accredited area was urged by Dr. R. A. Hendershott, chief of the Bureau of Animal Industry.

REVOCATION OF DRIVING LICENSES

A total of 104 persons lost their driver's licenses during the week ending September 10, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Thirty-four were for drunken driving; 7 for reckless driving; 21 for speeding; 14 for failure to appear in answer to summonses and all others 22.

With the inclusion of this week's figures, the Department during 1937 revoked 1146 licenses for drunken driving and the total of all revocations reached 3680.

RADIO GARDEN CLUB PROGRAM

"September Notes on Shrubbery and Trees" will be given to Radio Garden Club listeners in the program to be broadcast over WOR and other stations of the Mutual Broadcasting network on Friday, September 17, at 3:45 p.m. Maarten Buel, nurseryman, of River Edge, N. J., will be the guest speaker presented by the Agricultural Extension Service of Rutgers University in cooperation with the Federation of Garden Clubs of Bergen County.

On Tuesday, September 21, at the same hour, the Radio Garden Club will broadcast its 500th program. As guest speaker, Marjorie Sewell Cautley, landscape architect, will offer garden enthusiasts interesting suggestions on "Planning the Small Garden." The co-sponsor of the program is the Garden Club of New Jersey.

YMCA BRIEFS

Hi-Y Conference

One of the divisions of the New Jersey State Hi-Y Training Conference will be held at YMCA, Camp Ockanickon, Medford, this coming week-end.

This year's theme is "Charting Our Course." This conference is for officers and members of Hi-Y Clubs, where delegates from Trenton and points South will be in session twenty-four hours, commencing with registration at 2 p.m. on Saturday. Addresses, discussion periods, workshop services, time for meals, recreation, sleep and forum sessions will make up a busy week-end, ushering in the Hi-Y work for 1937-38.

Speakers of note are to be Louis Knebel, Boys' Work Secretary of the YMCA of Philadelphia, and Rev. Edward W. Fooks, of Jamesburg. Burlington county's Hi-Y Clubs have selected their official delegates, and Secretaries Reeder and Hendry will attend. Matollonequay Lodge, on the upper lake of the Ockanickon tract, will be used for this conference.

Busy Fall Season at Camp Starting off with the Labor Day week-end, with a registration of two hundred at a Christian Endeavor Conference from Philadelphia, this promises to be a record fall for entertaining conferences and groups at Camp Ockanickon.

Besides the Hi-Y Conference this week-end, two more State YMCA gatherings are booked for this fall: the annual Group Leaders' Institute,

October 2-3; and the Young Men's Fall Fellowship, October 3-4.

Dressed Freshmen will again have their camp for three days, commencing September 20th.

Two Young Men's Clubs had outings and dinners at Camp this week—Burlington the evening of the 14th, and the Y's Men's Club members and their wives on Wednesday, the 15th.

Bookings and information regarding reservations are handled either through the Burlington County YMCA office, Mount Holly, or direct with the camp secretary, Heber B. Sink, at Medford, who can be reached by phone either at his Medford residence or by calling Camp Ockanickon, Medford 113.

There is only one perfect blonde to every hundred perfect brunettes.

To Those Interested in Tax Relief:

VOTE FOR

GEORGE D. STEEDLE

For Assessor

FACTS:

RIVERTON: The highest assessed Municipality in Burlington County.

Ratio of assessment in County is \$660 per person; in Riverton, \$1071 per person.

County and State taxes amount to \$96 per \$100 assessed valuation. Every \$100 reduction in assessment will thus mean an actual saving of \$96 to you. Totals savings from \$16,000 to \$15,000.

Lower assessments will lower Riverton's Tax Bill.

Maintenance Improvements do not have to be assessed. (Authority: County Board of Taxation.)

Those keeping their properties "Up" should not be penalized.

By showing the people how to reduce the school budget without affecting our schools.

Steedle saved the taxpayers \$10,000 in 1932.

The Steedle Plan

LOWER ASSESSMENTS: No additional assessments for Maintenance Improvements: comparable assessments with your neighbor on the street, in the town and in the county.

Vote for the taxpayer with a workable plan for Tax Relief.

For Assessor

NEW INDUSTRY AFFAIR PLANNED

Burlington County Committee Will Sponsor Luncheon On September 30

More than a dozen industrialists, men who are well known throughout the eastern section and who are vitally interested in bringing new industries to New Jersey, will be among the special guests at a luncheon to be sponsored by the newly-formed Burlington County Industrial Committee. The affair will be held at noon on Thursday, September 30, in the Broad Street Methodist Church, Burlington, and will form a definite step forward in the movement to attract new industries to Burlington county.

Norman F. S. Russell, of Edgewater Park, president of the U. S. Cast Iron Pipe and Foundry Company, at Burlington, will preside over the luncheon program in his capacity of Burlington county director for the New Jersey State Chamber of Commerce, which is sponsoring the event jointly with the Burlington county organization.

Speakers

Among the men who will be at the speakers' table will be J. R. Roberts, general manager of the new General Motors plant at Linden; Robert T. Bowman, president of the Trenton Chamber of Commerce; William B. Duryee, state secretary of agriculture; George H. Mattam, manager of the Standard Oil Company of New Jersey; Percy S. Young, of the Public Service Corporation of New Jersey; Freeholder Palmer L. Adams, of Burlington county; Norman F. Titus, executive secretary of the State Chamber of Commerce; Col. Edward Rose, of Trenton, connected with the Public Service Corporation, and Bayard Colgate, president of Colgate-Palmolive-Peet Company.

During the luncheon there will be musical entertainment, and following the meal the party, expected to number upwards of 300, will visit the U. S. Pipe Foundry plant for a tour of inspection.

Percy B. Sholl and John Marter, of Burlington and Mayor William I. Leonard, of Philadelphia, are making arrangements for the meeting place for this luncheon.

Invitations to Many

Mayor Thomas J. Johnson and Carl Lang, of Burlington; Clarence G. Price of Mount Holly, and Edward E. Hyland, of Moorestown, assisted by all the mayors and township committee chairmen of the various municipalities in the county, are getting in touch with service clubs, chambers of commerce and other organizations and inviting them to send representatives to the meeting on September 30. This committee will also handle the distribution of tickets. The tickets are being prepared now, and will be ready shortly.

At this luncheon-meeting the advantages of Burlington county as a place for industries to locate will be stressed, and plans will be made for an active campaign designed to increase the industrial facilities of the county. Particular emphasis will be placed in the county's tax rate, which is the lowest in the state, and is expected to be even lower in the future, and on the county's especially fine combination of industrial and agriculture advantages.

CARD OF THANKS

I want to thank all who have been so kind to me during my recent stay in the hospital and all the time I have been in Riverton. Riverton is the nicest place I have ever been, and it is with reluctance that I leave it for Philadelphia, where I expect to find employment. Mrs. Charles W. Black.

WEDDINGS

Last Saturday afternoon, Herbert Pagden and Martha Hubbard, both of Palmyra, were married by the Rev. W. A. Boyd, in the Methodist parsonage.

Last Saturday evening, Benjamin K. Jones, of Merchantville, and Rose E. Woodward, of Haddonfield, were married in the parsonage by the Rev. W. A. Boyd.

In Spencer, Iowa, it is unlawful to make personal remarks about passers-by.

Be Sure to Vote

Primary election is next Tuesday, and nominations will be made for important state, county and local offices.

In a number of cases, those who are nominated are practically elected because of the unequal division of party strength in certain sections. This situation makes the primaries as important as the general election itself.

Don't be one of those who stays away from the polls next Tuesday. You have a right to vote—so why not do it?

Look over the list of candidates for each office, examine their records and achievements, decide for yourself whom you will support, and then go to the polls.

Don't adopt the attitude that your ballot doesn't make any difference. What if we all felt that way?

And just remember, there are a lot of individuals in other countries who would like very much to really vote according to their feelings on many questions, but they can't. They vote the way they are told and elections are just a sham.

Vote for the candidates of your choice—BUT VOTE.

PROGRAM FOR GROVE EXERCISES

Announced at Meeting Palmyra Council: Police Present Pension Petition

At the Palmyra Borough Council meeting Tuesday night, T. Curtis Flynn, chairman of the committee for the observance of the sesqui-centennial of the signing of the Constitution of the United States, announced an appropriate program to be held in the Grove at 8 o'clock Friday evening.

He stated that there will be selections by the Palmyra Drum and Bugle Corps, patriotic singing led by Edmund T. Jones, cornet solos by J. Edmund Turnock, Jr., and piano solos by J. Edmund Turnock, Sr. The principal speaker will be Arthur W. Lewis, attorney from Riverton, and Mayor John F. Ward will preside.

In the event of inclement weather the exercises will be held in the P.O.S. of A. Hall. The members of the committee in charge of the affair are T. Curtis Flynn, chairman; Rev. George Lockett, Floyd Spahr, George N. Wimer, H. B. Williams, Albert McCay, Paul R. Jones and Frank McCormick.

Auditor's Report

The annual auditor's report was presented by Mr. Davis and Mr. Workman, representing the firm of Charles Rocky and Company. The auditors congratulated the borough for the excellent manner in which the records were kept and with the exception of a few minor changes, everything was found to be in good order. The report was accepted by a vote of council and ordered to be published in a Palmyra newspaper. Councilman Flynn reported that the band concerts in the Grove have been very much appreciated and stated that he wished to thank De Witt Morris, Thomas Schwink and Harry Karm for their help in making them a success. He also recommended that a letter be sent to the state director of music of the WPA, thanking them for providing this series of concerts.

Apply for State Aid

Councilman Engle presented an application for state aid for the paving of Spring Garden street from

Cinnaminson avenue to Route S-41. The application was approved and ordered sent to the state. A second application was made, applying for the transfer of funds left over from the Highland avenue project, to be used next year on the highway improvement program. The new building code ordinance, submitted by Arthur W. Wright, passed first reading and will be published in a Palmyra paper, prior to a public hearing which is to be held on September 28.

Welfare Report

George N. Wimer, welfare director, reported for the month of August, 9 cases covering 30 persons, and submitted bills for the month amounting to \$204.76.

The subject of unemployed men not being able to secure work on the sewer project was discussed at considerable length. Mayor Ward has promised to do everything possible to secure employment for more Palmyra men on this work, but little hope is extended, because of drastic cuts being made by the administration in the WPA rolls. There are at present 54 men on the project, only half of which are from Palmyra. Recorder Carl W. Lutz submitted \$28 in fines. A petition bearing 480 signatures was presented in favor of the police pension plan. Council voted to accept the petition and to place the question before the voters on the ballot at the coming general election.

Invitations have been issued by Mr. and Mrs. William Armstrong Hendrickson, of 208 Lippincott avenue, Riverton, for the wedding of their daughter, Miss Brita Hendrickson, and J. Markley Freed, Jr., son of Mr. and Mrs. J. Markley Freed, of Chestnut Hill, Pa., which will take place on Saturday, October 16, in Christ Church, Riverton, at six-thirty o'clock.

Miss Eleanor D. Sordon, of 708 Thomas avenue, was among the students who resumed their studies at Ursinus College today. Miss Sordon is a member of the sophomore class.

Mr. and Mrs. Charles Yost and family were weekend visitors in Ocean City.

Mrs. Herbert M. Morris is spending two weeks as the guest of Mrs. Veale in Baltimore.

RIVERTON

Mrs. Richard Hollingshead, Sr., has returned to her home on Linden avenue after spending the summer at Margate City.

Mr. and Mrs. George Ames and grandson, of Lakeland, Florida, returned home Tuesday after visiting Mrs. Ames' mother, Mrs. Mary L. Stratton, of 6 Broad street.

Miss Margaret Heisler, of 410 Midway, will return to Swarthmore College on September 28 to complete her senior year.

Miss Mildred Cook returned to her home on Lippincott avenue on Tuesday after an appendicitis operation in Zurburg Memorial Hospital, Riverside, last week.

Myron Smith, of Brooklyn, New York, and Thomas Anthony, of Reading, Pa., spent Sunday with Jack Carpenter, of Eighth street.

William Good, son of Mr. and Mrs. Paul E. Good, of Linden avenue, who was graduated from Palmyra high school last year, has been unconditionally accepted at Lehigh University. William left on Monday for the University where he will take up the mechanical engineering course.

Miss Margaret Shockor has entered training for a nurse at Mt. Sinai Hospital, Philadelphia.

Mrs. Philip Weigel has returned to her home after spending several weeks with her sister, Miss Louise Reed, of Merchantville.

Miss Margaret Heisler returned on Friday, September 10, from a three month's trip abroad. She arrived on the S.S. Hamburg.

Miss Elaine Sheble will leave next week to continue her studies at Bradford Junior College, Bradford, Mass.

Mr. and Mrs. Richard Bushley, of Rochester, N. Y., spent the weekend at the home of Mr. and Mrs. Paul E. Good. Mrs. Bushley is spending the week in Margate City with her mother, Mrs. J. M. Coddington.

Mr. and Mrs. John R. Metzgar spent the weekend in Ocean City.

Mr. and Mrs. C. Y. Devery and son spent several days in Atlantic City last week.

Mr. and Mrs. John Frehafer have returned to their home on Thomas avenue, after spending the summer in Seaside Park.

Mr. and Mrs. Charles Stewart and family have returned to Riverton after summering in Ocean City.

Miss Mae Lavery is on a ten days' tour of Canada.

Mr. and Mrs. Clifford Nesbitt spent Sunday in Trenton visiting Mrs. N. Muldoon, who is quite ill.

Mrs. Edith Perkins, of Bellevue avenue, E. Riverton, was last week's winner in the merchandise club of Miss Marjory Chambers.

Mrs. Edward Moorhouse, of 506 Main street, who underwent a major operation at the Zurburg Memorial Hospital, three weeks ago, returned home on Monday.

Jackie Lavery returned to his home on Cinnaminson street after spending a week with Jack Ford, of Dover, Delaware.

Among those attending the state convention of the P. O. S. of A. in Atlantic City last week were: Frank Coddington, David Coles, Nathan Coombs, George Evans, Charles Rapp, Harry Holt, Thomas Ward, George F. Bailey, Furman Wood, Walter Horner and Leslie W. Reeves, past president.

Last week's winners in the stock-in-the-class club run by Mrs. Lewis Bell were Grace Goodwin and Bertha Giberson, both of Riverton. This week the winners were Mrs. Thelma Quimby, of Runnemede, and Mrs. Dorothy Calman, of Camden.

PALMYRA

The Girl Scouts of the Methodist Church Troop will hold their first meeting of the fall season in the troop rooms in the Church basement Tuesday evening, September 21, at 7:30. All girls over 10 are invited to attend this meeting.

The Service Troop Boy Scouts will hold their regular meeting Thursday night in the Lutheran Church. There will also be a doggie roast that evening in Birmingham. All boys are to meet at the church at 7 o'clock.

Miss Sarah Messenger, of Palmyra, Donald Koener, Mr. and Mrs. Richard Cross and son, Donald Cross, of Camden; spent the weekend in New York.

The Palmyra Auxiliary of the Zurburg Memorial Hospital will meet at the home of Miss Adaline Seel, 313 Cinnaminson avenue, on Thursday, September 16, at 2 o'clock. This is an important meeting and all members are urged to be present.

Miss Esther Snow, of Lincoln avenue, entered the nurses' training school at Cooper Hospital this week.

The Palmyra Branch of the Zurburg Memorial Hospital Auxiliary will hold their meeting at the home of Mrs. Joseph Seel on Thursday at 2 o'clock.

Miss B. Mattison and her mother have moved from 815 Parry avenue to 916 Garfield avenue.

The members of the Lutheran Church, Palmyra, will hold a covered dish supper in the church on Wednesday evening, September 22, at 6:30 o'clock. Everyone welcome. Bring a covered dish. A silver offering will be taken.

Mr. and Mrs. T. R. Branson and Earl Lotz, of Palmyra, and Mr. and Mrs. William McKee, of Mayfair, were guests at a dinner given by Mr. and Mrs. F. N. Johnson on Sunday.

The annual dinner meeting of the Sunday School Board of the Epworth M. E. Church will be held on Monday evening, September 27. All members of the board are requested to keep this date open and plan to attend.

John Sacca has received a scholarship to St. Joseph's College for his athletic ability during his four years at Palmyra High School.

Mr. and Mrs. C. W. Rudolph and family were weekend visitors in Ocean City.

Mrs. H. P. Haines and son and daughter have returned after spending the week in Margate City.

The White Dragons will hold their meeting at the home of Miss Helen Hensler, 14 W. Charles street, on Monday evening at 7:30. All members are urged to attend and anyone wishing to become a member is cordially invited.

Miss Helene Johnson has returned after spending the summer at Wisconsin Country Club, at Mt. Pocono.

Mrs. Helen Fox left on Tuesday for Philadelphia where she will spend the winter.

Miss Dorothy Stavelly has returned to her home on Charles street after spending the summer in the Poconos.

Last Thursday the Girl Scouts of the Methodist Troop made thirty-two jars of tomato relish and 150 glasses of jelly. These items will be used in their Good Service work to fill baskets at Thanksgiving and Christmas time.

The Girl Scout Mothers will hold a rummage sale, October 15 and 16, at the YMCA building. Anyone having rummage to donate, call Riverton 442-W or 551-J, or 373.

The annual meeting of the Philaetha Class will be held in the Social Hall of Central Baptist Church on Thursday, September 23, following a covered dish luncheon at one o'clock. This is the annual get-together and the yearly reports of the

committees will be read. All members are urged to be present.

Mrs. Joseph G. Seel and Mrs. Jessie Warner, of Cinnaminson avenue, are spending the week in Ocean City.

NOTICE

The Riverton Post Office will be closed after 10 o'clock on Friday, September 17, Constitution Day, but all mail will be dispensed as usual. Mervil E. Haas, Postmaster.

The average distance between airplane landing fields in the United States is 13 1/4 miles.

OBITUARIES

McCrosen—On the 13th inst., Katharine Walsh, wife of Thomas McCrosen, funeral from her late residence, 319 Garfield avenue, Palmyra, N. J., Friday, the 17th inst. Requiem Mass at the Church of the Sacred Heart, Riverton, at 10 a.m. Interment Cathedral Cemetery, Philadelphia.

MRS. FILOMENA TALORICCO
Mrs. Filomena Talorico died at the home of her daughter, Mrs. James Jenkins, Fourth and Delaware avenue, Palmyra, last Thursday, September 9.

Funeral services were held from the Snover Funeral Home Monday morning at 9 o'clock, with Solemn Requiem High Mass at the Church of the Sacred Heart, Riverton.

Interment was made in Holy Cross Cemetery, Philadelphia.

ALL STARS BOW TO RIVERTON A.A.

Softballers Scintillate on Hard-Ball Diamond; Loan Three Players

The All-Stars, composed of players from the local Softball League, engaged the Riverton A.A. in a regulation ball game, last Saturday afternoon and came out on the short end of a 5-4 count.

The victory of the hardballers was of a hollow nature, however, since the All-Stars loaned the hardballers three of their players. This step was necessitated by the fact that the A.A. was unable to muster a full team, injuries, departures to college, etc., having seriously depleted their ranks.

Gonteski Hurls

Tony Gonteski, Broadway ace, demonstrated that he can hurl a hard ball as well as one of the larger spheroids by going the route for the All-Stars on the mound. He allowed only four hits and did not give a batter. Four of Riverton's runs were unearned and Tony deserved a better fate.

The hardball cast pushed over a brace of tallies in the opening frame as a result of an error, two singles and a long fly to the outfield.

Cole Gets Homer

The final markers came in the fifth frame when Cole blasted a four-py clout to score two men ahead of him. Both these runners were placed on base by two miscues on the part of Sexton, All-Star shortstop.

Meanwhile, Diffenbaugh was going along in fine fashion for Riverton. He fanned two men in each of the first four sessions and didn't allow a hit until the fifth.

Diff walked three men in the third, however, and the Stars tabbed a single marker on a wild pitch.

Add Three More

Three more were added in the seventh as a result of a triple by Conway, singles by Lynch and Sexton and an error or two. This ended the scoring for the afternoon, Gonteski being the only other man to reach first, this resulting from his single in the ninth. The blow was the fifth of the afternoon made off Diffenbaugh, who fanned 15 of the All-Star batters.

The contest was the last of the season for the local outfit, further pastime not being contemplated because of lack of players and the falling off in attendance.

TRENTON FAIR OPENS SEPT. 26

With the opening day of the New Jersey State Fair set for Sunday, September 26, workmen are rushing to completion improvements that will make the big exhibition this year a credit to the celebration of its fiftieth year of existence.

"Lucky" Teter and his Hell Drivers will be the opening afternoon attraction with Dr. Edwin Franko Goldman and his band featuring at night together with an all-star stage presentation. Monday, September 27, will be Children's Day, with model plane contests as the afternoon feature along with vaudeville in front of the grandstand. In the evening there will be all-star revue and fireworks. Tuesday will be "Trenton Day"; Wednesday, Grange Day with Louis J. Taber, Master of the National Grange as the guest; Thursday will be Governor's Day, with Governor Harold G. Hoffman and living ex-Governors as guests; Friday will be Mercer County Day and Saturday, October 2, the final day, Auto Race Day. Harness racing will be featured Tuesday, Wednesday and Thursday, and the revue and fireworks will be repeated each night.

Exhibition Buildings

The main attraction in the way of buildings this year will be the renovated agricultural building which will be known as the Grange Exhibit and Convention Hall. The State Building will contain the usual high standard of institutional exhibits, and the Domestic Arts, Poultry, Show and the Manufacturers' Merchants' Buildings will all offer new attractions.

The midway this year will probably prove to be the busiest place on the fair grounds. For the first time it will be brilliantly lighted at night so that visitors may enjoy themselves until the gates close. The attractions will be the Cetlin-Wilson "World on Parade," regarded as the best of midway offerings.

By Diffenbaugh, 15; by Gonteski, 5. Base on balls—Diffenbaugh, 3; Gonteski, 0. Hit by pitcher—by Gonteski, Shea. Left on base—All-Stars, 6; Riverton, 3. Umpires—Anderson and Cahill.

As the Season Closed

The All-Stars presented a snappy cast and showed the hardball team (what there was of it) that they could perform on the big lot as well as on the smaller diamond.

Shea, at first, Broderston, catcher, and Knight, in right, who played for Riverton, were the players loaned by the All-Stars.

Bill Anderson, All-Star manager, did a very satisfactory job of calling balls and strikes. Tom Cahill who assumed the managerial duties for the A.A. during the afternoon, also officiated as base ump. With both leaders acting as umpires, a fine time was had by all.

Tony surprised the onlookers by appearing on the mound for the Stars, nearly every one having considered him only in the role of a softball hurler.

George Swain, of the softball cast, held down the hot corner in a very creditable manner.

With a little more practice together, the All-Stars could give the A.A. a busy afternoon, even if the latter had its full strength on the field.

Next time you are washing fannies or wipers put about a teaspoon of olive oil in the water. It will keep them beautifully soft.

ALL STARS BOW TO RIVERTON A.A.

Softballers Scintillate on Hard-Ball Diamond; Loan Three Players

The All-Stars, composed of players from the local Softball League, engaged the Riverton A.A. in a regulation ball game, last Saturday afternoon and came out on the short end of a 5-4 count.

The victory of the hardballers was of a hollow nature, however, since the All-Stars loaned the hardballers three of their players. This step was necessitated by the fact that the A.A. was unable to muster a full team, injuries, departures to college, etc., having seriously depleted their ranks.

Gonteski Hurls

Tony Gonteski, Broadway ace, demonstrated that he can hurl a hard ball as well as one of the larger spheroids by going the route for the All-Stars on the mound. He allowed only four hits and did not give a batter. Four of Riverton's runs were unearned and Tony deserved a better fate.

The hardball cast pushed over a brace of tallies in the opening frame as a result of an error, two singles and a long fly to the outfield.

Cole Gets Homer

The final markers came in the fifth frame when Cole blasted a four-py clout to score two men ahead of him. Both these runners were placed on base by two miscues on the part of Sexton, All-Star shortstop.

Meanwhile, Diffenbaugh was going along in fine fashion for Riverton. He fanned two men in each of the first four sessions and didn't allow a hit until the fifth.

Diff walked three men in the third, however, and the Stars tabbed a single marker on a wild pitch.

Add Three More

Three more were added in the seventh as a result of a triple by Conway, singles by Lynch and Sexton and an error or two. This ended the scoring for the afternoon, Gonteski being the only other man to reach first, this resulting from his single in the ninth. The blow was the fifth of the afternoon made off Diffenbaugh, who fanned 15 of the All-Star batters.

The contest was the last of the season for the local outfit, further pastime not being contemplated because of lack of players and the falling off in attendance.

PALMYRA GRID SQUAD ACTIVE

Forty Candidates Report for Local Varsity: First Game On September 25

Coach Ken Dimond started grooming his 1937 grid squad for the coming season last Thursday afternoon, when 40 candidates reported for the first practice of the season. Two sessions were held on Friday, Saturday and Monday, with daily workouts thereafter.

The first encounter listed on the schedule is with Collingswood, Saturday, September 25, at the field of the opposition.

Veterans Back

The Palmyra mentor has nine letter men available from last year's team, and these should form a nucleus for the 1937 grid edition. In addition, an equal number of the 1936 second stringers are available for duty.

Listed among the letter men are P. McDermott, halfback; Marshall, halfback; Gamble, fullback; Prisco, halfback; Mento, a quarterback who is to be converted into a linebacker; Mickle and Applegate, tackles; Glenn and Sacca, ends.

Others from Last Year

Included among those who reported from last year's squad, in addition to those listed in the foregoing are Wallace, a center; Troutman and Haberman, tackles; Mount Mitchell, Cardea and Lezenby, guards; Davis and O'Neill, backs.

Griffith, who formerly played center for Riverside High, is now enrolled at Palmyra and will be eligible for the squad this year.

New Material

Among the new men who have shown promise to date, Gibson, Suters, Rothbaum, Fichter, C. McDermott and Faunce have shown to best advantage.

According to early dope, the biggest problem confronting the Palmyra mentor at the present time is to provide a suitable occupant for the quarterback berth.

The first drills for the squad included intense training in fundamentals. Coach Dimond expressed himself as being pleased with the condition of the men, many having reported in excellent trim.

Schedule

The schedule at present calls for nine games, with one open date, that being October 2.

After Collingswood, comes the open date. Audubon and Haddon Heights come to Palmyra on the following Saturdays. Three games away then follow, these being slated with Burlington, Merchantville and Moorestown. A home engagement with South River is next in line and the locals then journey to Bordentown. The final engagement is the Turkey Day classic with Riverside on the home gridiron.

The complete schedule follows: September 25—Collingswood, away. October 2—Open. October 9—Audubon, home. October 16—Haddon Heights, home. October 23—Burlington, away. October 30—Merchantville, away. November 6—Moorestown, away. November 13—South River, home. November 20—Bordentown, away. November 25—Riverside, home.

HARPER PACES LOCAL BATTERS

(continued from page 5)

tunity of commending the men who have performed so creditably before local fans for many years. Reeves, Terrill, Easley, Harper, Foulke, Bartley, Weikman and Baker.

A number of these men have announced their intention of retiring from the team. Their places will be hard to fill, but players of this caliber are needed if baseball in Riverton is to continue.

ALL WORKERS MAY BE INCLUDED IN N. J. LAW

Extension of New Jersey's unemployment compensation laws so as eventually to embrace all workers, regardless of the number employed in any one establishment, is the goal of the New Jersey Unemployment Compensation Commission.

Under existing legislation in New Jersey, only workers in establishments where eight or more persons are employed are subject to the law's provisions.

Warren Barbour, former United States Senator and chairman of the commission, told delegates of the New Jersey State Federation of Labor at their annual convention at Asbury Park, last Monday.

Under existing legislation in New Jersey, only workers in establishments where eight or more persons are employed are subject to the law's provisions.

Warren Barbour, former United States Senator and chairman of the commission, told delegates of the New Jersey State Federation of Labor at their annual convention at Asbury Park, last Monday.

FRANK PROBING, JR.

Abolition of the New Jersey State Department of Agriculture as proposed by Reverend Lester H. Clee, State Senator of Essex County, and the creation of a Commissioner of Agriculture, would convert the farm agency into a political bureau. This charge was made by Senator Clifford R. Powell, Republican candidate for nomination for Governor, while on tour of the agricultural counties of Cumberland and Gloucester. Pointing out that Rev. Dr. Clee's sponsorship of Senate Bill 69, in the 1937 session was labeled "governmental reorganization," Senator Powell declared it would make the Department of Agriculture completely "subservient to politics." "Farmers would lose their power in the regulation of their affairs, and solution of their problems," he said. They would suddenly see under Rev. Dr. Clee's program, the non-political State Department of Agriculture, become completely dominated by politics.

Clee, State Senator of Essex County, and the creation of a Commissioner of Agriculture, would convert the farm agency into a political bureau. This charge was made by Senator Clifford R. Powell, Republican candidate for nomination for Governor, while on tour of the agricultural counties of Cumberland and Gloucester. Pointing out that Rev. Dr. Clee's sponsorship of Senate Bill 69, in the 1937 session was labeled "governmental reorganization," Senator Powell declared it would make the Department of Agriculture completely "subservient to politics." "Farmers would lose their power in the regulation of their affairs, and solution of their problems," he said. They would suddenly see under Rev. Dr. Clee's program, the non-political State Department of Agriculture, become completely dominated by politics.

POWELL OBJECTS TO CLEE BILL

Abolition of the New Jersey State Department of Agriculture as proposed by Reverend Lester H. Clee, State Senator of Essex County, and the creation of a Commissioner of Agriculture, would convert the farm agency into a political bureau. This charge was made by Senator Clifford R. Powell, Republican candidate for nomination for Governor, while on tour of the agricultural counties of Cumberland and Gloucester. Pointing out that Rev. Dr. Clee's sponsorship of Senate Bill 69, in the 1937 session was labeled "governmental reorganization," Senator Powell declared it would make the Department of Agriculture completely "subservient to politics." "Farmers would lose their power in the regulation of their affairs, and solution of their problems," he said. They would suddenly see under Rev. Dr. Clee's program, the non-political State Department of Agriculture, become completely dominated by politics.

THE PEOPLE'S COLUMN

To the Editor of The New Era:

For the first time in many years Burlington County has an opportunity to help nominate and elect one of its own citizens as Governor. There are many Republicans in Riverton, and this man is a Republican with fifteen years of service in the Legislature. There is no doubt that he is the outstanding man in that Legislature and in his party. He has a splendid record of achievement. He has been majority leader of the House, then Speaker, then majority leader of the Senate, then its President and Acting Governor. If his opponents had anything "on" him it would have been brought out by now. They have nothing because his record has been consistently excellent.

In the military forces he served his country with distinction during the World War at the risk of his life and the actual sustaining of severe wounds, and he is still serving in the National Guard.

I am wondering just what more the voters of this town and county want or expect to justify their support of a fellow resident for the highest office in the State.

The size of the vote for Senator Powell in this County on Primary Election day will not be of merely personal interest to him. It will be an interesting indication to every young person in Burlington County contemplating a career in politics as to just what to expect from his fellow residents as a reward for a laborious fifteen years of conspicuous, brilliant, earnest and honest public service.

Republican.

PALMYRA A. O. M. P.

The summer vacations are now over and people are getting back to their fall and winter routine. After this summer breathing space the Artisans are ready to resume their fall activities with renewed enthusiasm. The members are again thinking of membership and the several nice prizes which are offered to those who secure new members.

Palmyra Assembly is starting to plan for its coming meetings, trying to make them interesting and helpful for those who attend. The first fall meeting will be held next Tuesday, September 21, in the P.O.S. of A. Hall. The usual attendance prizes will be given and after the meeting there will be a social and a general social get-together.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

September is a good time to plant peonies, Japanese and Siberian iris and several of the other perennial plants. Begin planting about the middle of the month and continue until the end. Planting in September permits the plants to become well rooted before severe winter weather sets in. Soil conditions are best at this time, since there is more moisture present now.

Now is the appropriate time to transplant any plants that need such care. Most of the early blooming perennials are fully mature at this season, although some have already started to make fall growth. However, there is very little danger in moving even these plants.

Order spring flowering bulbs, such as tulips, hyacinths, crocus and narcissus now, and plant them as soon as convenient. These bulbs require fall root growth to establish strong plants for spring bloom.

There are several chores that the gardener should do now. The garden should be given a fall clean-up to avoid carrying any diseased plants through the winter to damage new growth next spring. Late ripening perennials and wood plants should also be planted. Another chore is the harvesting of gladiolus and dahlias.

Remember that spring bulbs should not be kept out of the ground to dry in the fall of the year. Such a practice will do more harm than good, since excessively dry bulbs do not grow well.

HUGE SALE ON NOW AT SMITH'S

Hundreds of Items Listed at
Amazing Bargains: Prices
Reduced 50%

Smith's store, at 414 Main street, Riverton, has launched this week, an expansion sale in which the prices on almost everything in the store have been cut 50% or more.

The sale is conducted in order to clear their stock to make room for a new and larger supply of merchandise. Hundreds of items are listed at unheard-of prices. The merchandise is the same high quality for which the Smith store is noted—only the prices are changed.

Broad in Scope

The sale is broad in its scope and includes items of clothing for men, women, children and infants, as well as gift items, greeting cards and notions. The sale is an excellent opportunity to buy Needlework Guild articles and get real value for little money.

The entire store has been rearranged and the stock attractively and conveniently displayed, with everything plainly marked.

The management cordially invites you to come in and see the stock while it is large and varied.

STATEMENTS BY STOKES GROUP

Dr. S. Emilen Stokes, of Moorestown, candidate for Republican nomination for Assembly, has pledged himself, if re-elected, to continue his fight for economy and efficiency in state government.

"Economy," when mentioned in connection with Dr. Stokes, is far from idle talk," says a statement issued by the Assemblymen's campaign committee, members of which are: Edward A. Macchia and H. F. Stockwell, Jr., of Moorestown; Dr. Harry L. Rogers, of Riverton; Morris Haines, of Medford; Morris K. Perinchief, of Mount Holly, and Charles D. Barton, of Marlton.

Continuing, the statement says, "Dr. Stokes stands for constructive economy in the operation of our all too costly state government and has a voting record in Assembly to prove it."

"He voted against the original appropriations bill last year, his first in Assembly, for it included an \$100,000 item for a new park in one of the northern counties."

"Further proof that our Assemblyman is opposed to the spoils system is found in his stand for civil service. He believes that all efficient and capable state employees should be protected by civil service if the efficiency of our state departments is to be maintained at the high standard."

"Dr. Stokes, one of education's leading advocates, will fight unceasingly for the support of the public schools and for the benefit of persons charged with the responsibility of their proper conduct and continued improvement."

The committee in closing, declared "The people of Burlington County have been honored by having a man of Dr. Stokes' type represent them in the Assembly and they owe it to themselves, if they stand for good, clean government, to honor him with renomination and re-election."

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor
10.00 a.m. Sunday School.
11.15 a.m. Church Service, the topic of the sermon will be "Volunteers for Service."

7.45 p.m. Evening Church Service, the topic for the sermon will be "The Great Mission of the Church." September 26 will be rally day in the Baptist Church. The service will be at 10.30, a combination of the Church School and Church service.

FIRST LUTHERAN CHURCH
Rev. Harold L. Creager, Pastor
A covered dish supper will be held in the social hall of the Lutheran Church on September 22 at 6.30. Everyone is welcome to attend and bring a covered dish. A silver offering will be taken.

The Ladies' Aid Society will meet on October 5 at the home of Mrs. Harold L. Creager, 731 Garfield avenue, at 8 o'clock.

EPWORTH M. E. CHURCH
Rev. William A. Boyd, Pastor
"The God We Forget" will be the topic of the sermon to be delivered by the Rev. W. A. Boyd, minister, this Sunday morning at eleven o'clock. The music will be in charge of A. E. Warnick. Mrs. John Lord will be at the console and the chorus choir will sing.

"Queen America Abdicates Her Throne" is the subject of the evening sermon. This will be a very interesting sermon for young people. Old and young are invited to this service, at 7.45. Good music will be supplied by the choir and Mrs. Lord will play some of her popular numbers on the organ.

The High School League will begin this Sunday evening in the Intermediate room at 7 o'clock. Mr. Boyd will be in charge of this meeting.

WORTH ENDORSED BY G.O.P. CLUB

The Riverside Republican Club this week unanimously endorsed Herbert L. Worth for the Republican nomination for the General Assembly.

Sheriff John M. Chant, president of the club, gave Worth his unqualified approval. "I have known Herbert Worth all his life," said the Sheriff, "and I do not hesitate to say there is not a finer young man in all Burlington county. He has a sterling character, coupled with ability of the highest order. His brilliant success in his legal career has proven him alert, capable and aggressive. I know of no man more qualified for assemblyman than Herbert L. Worth."

Mr. Worth in a brief address expressed his heartfelt appreciation of the warm support given his candidacy and added that he was more than gratified, he was really surprised, at the overwhelming reception he was receiving from voters throughout the county.

BENJAMIN R. FAUNCE
ENDORSES HILLMAN

Benjamin R. Faunce, a prominent merchant of Riverside and Democratic candidate for State Senator from Burlington County in 1933, issued a statement to the press on Tuesday, endorsing George M. Hillman, Jr., of Moorestown, for reelection to the Democratic State Committee.

NEW AWARDS TO SAFE DRIVERS

Four Classes Cover Operators Up to Half Million Miles: Details of Plan

The New Jersey Safe Drivers' Committee has recently announced that additional awards to accident-free car operators provide for recognition in classes over 500,000 miles. This action has been taken at the request of many drivers who are justly proud of their splendid records. The emblems are available only to those who have previously qualified as Safe Drivers.

The classes are, over 100,000 miles, over 200,000 miles, over 300,000 miles, and over 500,000 miles.

To Get One

Instructions given by the committee in order to obtain one of these new insignia are as follows:

"The Awards are attractively done in three colors—blue, red and gold. Do you want one? If so follow these instructions carefully:

"Write us stating within which of the four groups your record falls, (over 100,000 or 200,000 or 300,000 or 500,000 miles).

"Print your name and address. Then enclose 10c in postage stamps (or coin) to cover handling and mailing the new Award to you, protected by a glassine container. When you get it—destroy the old emblem."

If later, you sell your car, or find emblem getting dirty and want to replace it, simply ask for duplicate without extra cost.

NOTICE

Transportation will be provided for those who find it inconvenient to bring their exhibits to the Palmyra Women's Club Flower Show on Friday and Saturday, September 17 and 18. Phone Riverton 605.

BIG PROGRAM AT PRINCETON UNIV.

In Honor of Constitution on Friday Evening; Governor Hoffman to Speak

George deBenneville Keim, chairman of the New Jersey United States Constitution Commission, has announced the program for the State Celebration to be held this Friday evening on the campus of Princeton University in front of Nassau Hall. The exercises will start at 7:30 o'clock with selections by the Trenton Colonial Band, directed by Professor Gustav Hagedorn. This will be followed by an invocation by the Right Reverend Paul Matthews, of Princeton. The Westminster Choir will sing "America," followed by an address of welcome by Dr. Charles R. Erdman, Mayor of Princeton, and chairman of the Mercer County Constitution Committee. Mr. Keim will speak briefly, outlining plans for Constitutional celebrations throughout the State.

Pageant to Be Given

Bart Simmons, noted baritone of New York, will render a solo, and then the pageant "We the People" will be presented.

President Harold W. Dodds, of Princeton University, is to introduce Governor Harold G. Hoffman, who will talk on the Constitution. Alfred E. Smith, of New York, will deliver the main oration of the evening. Monsignor Maurice F. Spillane, of Atlantic City, will bring the exercises to a close with the benediction. Constitution Day will be observed throughout the State. Governor Hoffman has proclaimed a legal holiday, and many municipalities will have celebrations for those unable to make the trip to Princeton. The

public is invited. No admission will be charged and tickets will not be needed.

FOOD SALE TO BE HELD THIS SATURDAY

The Semper Fidelis Bible Class of the Calvary Presbyterian Church will hold their homemade food sale this Saturday, September 18th, instead of last Saturday, September 11. There will be homemade jellies, pies, cakes, crullers, etc., on sale. If you desire to order by phone call Riverton 610-M, or call at the Riverton A. & P. Store in person.

In 1839 Isaac Winslow attempted to can corn at Portland, Me. It was not until 1858 that the process was successful.

RIVERTON POLICE PRESENT PETITION

(continued from page 1)

highway committee, reported that the improvement schedule was nearing completion. Upon being questioned by Councilman Knight regarding the condition of Front, Second, Morgan and Thomas, where the new sewer was laid, Mr. Sylvester said that these streets would be taken care of in the near future.

Residents on the highways in question have complained about the dust since sections of the oil surface were removed when excavating was in progress. This portion of these streets has not yet been re-oiled.

New Buses

Councilman Knight questioned a representative of the Public Service Co., who was present at the meeting, regarding the possibility of new buses on the local line. Mr. Knight was advised that no definite plans had been made to provide new equipment on this line, but that it was hoped more modern vehicles would be forthcoming in the not too far distant future.

Mayor Biddle suggested that the highway department do something about reducing the sharp angle at the corner of Broad street and Elm avenue. The matter was referred to the highway department with power to act.

The following report was rendered by Police Chief Gootee: arrests, 2; accidents, 3; complaints answered and investigated, 18; complaints investigated about dogs, 5; calls from other police, 5; homes reported closed, 37.

Bills approved and ordered paid were as follows:

At least 26 different fruits and vegetables are now available as

frosted foods.

Milk is often called a "foundation

food," as well as a "protective food,"

because it provides some of every

food element needed.

The average loaf of bread contains

flour from 0.97 pounds of wheat.

Cardoon is a thistle-like vegetable

popular in France.

These "food facts" are compiled

by the Division of Consumer Infor-

mation, New Jersey State Depart-

ment of Agriculture.

GARDEN PARTY OF Y

AUXILIARY, SEPT 16

The Women's Auxiliary of the

Palmyra-Riverton YMCA will hold

a garden party at the home of Mrs.

A. E. Hargett, Riverton-Moorestown

NO REPORT ON MISSING GIRL

(continued from page 1)

been assigned to the work, has made numerous investigations and spent much time on the case.

Description

The missing girl is 14 years of age, blonde with blue eyes. She has a small scar on the nose and left cheek. When last seen she was attired in a brown dress and camel's hair coat. She wore brown slippers and stockings to match and had a white hat. The girl also wore a wrist watch with the initials M.J.D. With only limited funds in her possession, it is not believed that any extensive purchase of clothes has been made and she carried no other apparel with her.

Suitcase Found

Evidently her departure had been planned for some time, because a suitcase containing her clothes and other belongings was found in a Main street garage five days before she was reported missing. At the time the bag was discovered, police were unable to trace its ownership, identification being made after the girl had left home.

Persons having any information, however slight, regarding the missing girl are requested to inform the Riverton police immediately.

Aluminum cooking pans are frequently warped out of shape by repeatedly putting cold water in them while they are still hot.

K. OF C. CARD PARTY FRIDAY, OCTOBER 1

The card party season will be formally opened at the Knights of Columbus hall on Friday evening, October 1st, games to begin at 8:30 o'clock.

St. Joseph's Council, renowned for the splendid array of prizes at their card parties and the manner in which they are conducted, have planned to concentrate on one large card party each month, instead of semi-monthly. In this way more time will be allotted to make each affair bigger and better than the average, with more time to gather still more prizes.

Games for non-card players will be held on the first floor, and the same donation will be accepted—35 cents.

CINNAMINSON BRANCH OF AUXILIARY MEETS

The Cinnaminson Branch of the Zurbrugg Memorial Hospital Auxiliary met at the home of Mrs. Robert Evans, on Branch Pike, last Tuesday. Eighteen members were present.

The Cinnaminson group is planning a card party for September 29 at the home of Mrs. Joseph T. Evans at 1:30.

POWELL VETERANS TO HOLD RALLY ON FRIDAY

The Powell veterans will hold a gigantic rally on Friday, September 17, at Mt. Holly.

There will be a short street parade, boxing matches and addresses by Governor Hoffman and others.

RIVERTON SCHOOL NOTES

The S-B group of the Riverton public school will be in charge of the following program Friday morning, September 17, 1937, in the school auditorium.

Program

Constitution Day
Songs—Battle Hymn of the Republic; Keller's American Hymn; Hail, Columbia; Closing—Star Spangled Banner.
Play—Constitution Day. Characters—J. Werner, M. Smith, F. Woodward, W. Lezenby, J. Craig, R. Taylor, R. Fuller, R. Brown, D. Robinson.

Student in charge of play—Katharine Elwell.
History shown in 32 beautiful colored slides will complete the program.
P. Haberer, A. J. Showell and R. Willis will have charge of the second part of the program.

PORCH CLUB

The Drama and Literature departments will have their organization meeting on Tuesday, September 21, at 3 o'clock.

Mrs. George H. Gordon will present the tentative outline for the year's study.

Those who have not already joined this group are invited to do so at this meeting.

Good Government Republican Candidates FOR Freeholders

Albert C. Jones

They Stand on the Record of the Good Government Freeholders, in which Both have Played an Important Part.

A Few Accomplishments:

County tax rate reduced in three years from \$1.21 to 65 cents.

\$1,214,383.71 saved during three years in amounts raised by taxation, bonds and notes.

Whole county debt of \$795,000 liquidated.

Plans for \$350,000 almshouse defeated. Cost will be \$150,000 instead.

Power of Road Oil Barons broken. County this year bought its oil at lowest prices in whole state.

Delanco Bridge Contractors forced to return \$52,000 to County.

THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

49th Year No. 38

THE NEW ERA, THURSDAY, SEPTEMBER 23, 1937

PRICE FIVE CENTS

SENATOR CLIFFORD POWELL CARRIES RIVERTON, PALMYRA, CINNAMINSON

S. Emlen Stokes Has Local Majority for Assembly Over Worth

JONES-PRICE LEAD IN THIS SECTION

Stout Trails in Freeholder Race Locally; Big Vote for Mrs. Bridgman

Clifford R. Powell, Burlington county's candidate for the Republican nomination for governor, was given a substantial majority over his opponent, Lester H. Clew, in the primary election in Riverton, Palmyra and Cinnaminson.

Senator Powell received a total of 520 votes in Riverton compared to 352 for Clew. In Palmyra, Powell polled 779 and the figure for Clew was 455. The count in Cinnaminson read, Powell, 304; Clew, 224.

The vote for A. Harry Moore, Democratic candidate for governor was as follows: Riverton, 74; Palmyra, 234; Cinnaminson, 53.

Stokes Favored

Dr. S. Emlen Stokes, of Moorestown, Republican candidate for the assemblyman nomination, ran ahead of his opponent, Herbert L. Worth, of Riverside, in all three communities, although a majority for the latter was returned in the first and second Palmyra districts and in the second and third in Cinnaminson.

The totals in Riverton were: Stokes, 494; Worth, 284; Palmyra: Stokes, 626; Worth, 507; Cinnaminson: Stokes, 262; Worth, 235.

James M. Davis, Jr., the Democratic candidate for assemblyman was unopposed.

(continued on page 9)

INJURED IN CRASH ON CINNAMINSON AVE. LAST FRIDAY

Mrs. Adele G. Hoepfner, of 711 Washington avenue, Palmyra, was painfully injured about the head, last Friday morning when the Buick coupe she was driving left the road just above Steele's Nursery, on Cinnaminson avenue.

The accident happened at about 9:45 when the surface of the highway was wet as a result of the light rain. Mrs. Hoepfner was going toward Palmyra, when the machine left the road for no apparent reason and sideswiped a light pole. She was cut by flying glass as the right hand window of the car was shattered.

Mrs. Hoepfner was removed to the Zurbrugg Hospital, Riverside, by the Palmyra ambulance, which was summoned by Officer Betty, of the Palmyra police.

According to Chief George Dorworth, of the Cinnaminson police, and Chief C. Morris Beck, of Palmyra, several accidents have occurred along this particular stretch of road, in wet weather, no apparent cause for the crashes being discernible.

URGENTLY NEEDED NOW

The Riverton-Cinnaminson Welfare Association is urgently in need of all kinds of bedding immediately. A prompt response to this appeal will be greatly appreciated by the association.

FIRES IN COUNTY DURING AUGUST

Nearly 200 firemen attended the meeting of the Burlington County Firemen's Association at Christ Episcopal Church parish hall, Bordentown, last week. County Fire Marshal William J. Smith reported 48 fire alarms in the county during August, 38 of which were general and 10 silent. Loss on buildings was estimated at \$2525, and on contents, \$3600. The next meeting of the association will be held in Beverly, Wednesday evening, October 20.

Platinum was the first metal used in the wires of electric lamps.

COUNTY VOTE

93 Districts Complete Returns (Unofficial)

Governor—
Clifford R. Powell 16,200
Lester Clew 7,948

Assembly—
S. Emlen Stokes 12,727
Herbert L. Worth 9,260

Freeholder—
Charles R. Stout 10,411
Albert C. Jones 11,056

Clarence G. Price 9,118
Nelson G. Myers 6,346

F. George Furth 5,615

At press time Clew led Powell throughout the state by a large majority.

RIVERTON P.T.A. MEETS TUESDAY

Miss Caroline M. Staman to Be Speaker; Committees Plan Year's Work

The meeting of the Riverton Parent-Teacher Association originally scheduled for Monday, September 27, will be held on Tuesday, September 28, at 1:30, in the school auditorium. This change is necessary due to the County Teachers' Institute being held in Palmyra on Monday.

At the Tuesday meeting, Miss Caroline M. Staman, supervising principal of the Riverton school, will discuss the changes in the report cards for the coming year. This subject will be of timely interest to all parents.

To Give Play

A play will be presented by the eighth grade pupils, in keeping with recent observations of the 150th Anniversary of the Adoption of the Constitution.

During the meeting Mrs. Joseph Turnock will sing several solos, and will be accompanied on the piano by Mrs. C. V. Devery.

Refreshments will be served at the close of the program. All parents are urged to attend this meeting as it will give them an opportunity to meet Miss Staman and their children's teachers. Arrangements have been made to have a reliable person at the school to take care of small children while their mothers attend the meetings.

Executive Session

While this is the first general meeting of the P.T.A., individual committees already have been actively at work in the school's interest.

On the first day of school, the decoration committee brought flowers and arranged them in vases in all the class rooms.

In addition, an executive board meeting was held at the home of Mrs. Charles H. Yeast, on the 18th, with practically every member present.

Membership Campaign

A membership campaign was planned, and it was suggested that the association have as many of the members as possible on the hospitality committee, of which Mrs. David Symon is chairman.

This committee will be divided into groups to care for the various meetings. Two "room mothers" will be appointed for each class room. The plans are to have a meeting of this group once a month to be sure that no family will be missed in the campaign to enroll all parents in the association. Publicity.

50% Vote

About half of the registered voters went to the polls for the election, the total number voting being 1573 as compared with the registry figures of 3055. The third and fourth districts each polled over 60%, while the first was low with only 38.6% polled.

MEMBERS OF LEGION GO TO CONVENTION

The Atlantic City-New York express made a special stop at Palmyra on Tuesday morning to take aboard 50 members of Post Frederick M. Rodgers, No. 156, American Legion, who were bound for the national convention, in New York City.

Included in the group were 35 members of the local drum and bugle corps, this organization being one of the two musical units to parade with the Burlington county delegation, which participated in the monster parade held on Tuesday.

According to members of the Legion, the procession required twelve hours to pass a given point. The Legionnaires returned to Riverton and Palmyra Wednesday morning.

PALMYRA RACE FOR COMMITTEE

John F. Ward Runs Unopposed For Republican Mayor Nomination

John F. Ward, incumbent, who was unopposed for the Republican nomination for mayor in Palmyra, received a total of 1097 votes in the primary election.

William F. Engle and Arthur Wright, incumbents, were also unopposed for the Republican nominations for members of the borough council, the former receiving 1017 votes and the latter 1014.

Howard E. Powell, Democratic candidate for nomination for mayor polled a total of 207 votes in the five districts.

Assessor

James H. Hartley ran unopposed for the Republican nomination for assessor and received 1051 votes. The Democratic candidate for the same post polled 220.

Carl W. Lutz was the Republican choice for justice of the peace and his total was 1050.

County Committee

There were numerous contests on both the Republican and Democratic tickets for the post of county committee.

On the Republican side, T. Curtis Flynn and Mary Prisco were elected in the first district. In the second district, Thomas Schwick and Mary Hare were elected. The successful candidates in the third district were George N. Wimer and Florence Crawford.

In the fourth district, Ellsworth W. Coates defeated Frank A. Snover, 184-149, and Lillian H. Zeugner was elected without opposition.

Richard P. Furman, Jr., and Elsie M. Landgraf were elected in the fifth district, the latter winning from Florence Saar by the count of 103 to 74.

Democratic

The Democratic results for members of the county committee were as follows: William L. Leyrer and Florence C. Dietz, first district; Harry T. Williams defeated Joseph G. Gorman, Jr., in the second district and Ocie Lee Gennett was also elected.

In the third district, Robert C. Thomas defeated Leo J. Zink, 39-29; Mary E. McLaughlin defeated Elinor S. Porter 40-28. William A. Smith and Caroline F. Carson were elected in the fourth district. Howard E. Powell and Hazel Ohmberger were the successful candidates in the fifth district, the latter winning over Nan Bronnum, 45-26.

HIT-RUN KILLS MAN ON S-41

Leon Cook, of Lenola, Mangled By Philadelphia Motorist Early Sunday Morning

Leon Cook, 62, of 13 Villa avenue, Lenola, was struck by a hit and run driver and instantly killed Sunday morning at 1:45 while walking along the S-41 on the way home from Palmyra.

Dan Campbell, of Philadelphia, was driving from Atlantic City when he hit Cook, and did not stop.

John Weber, Gerlad Malone, William Eck and Bernard Oliver were going toward Atlantic City and saw the accident happen. They went back to the circle on S-41 near Maple Shade and reported the accident to the Maple Shade police who were investigating another accident. Campbell was caught and given a hearing at 9 o'clock Sunday morning, where he was held under \$1000 bail and fined \$27.50 for leaving the scene of an accident. Campbell procured the bail and is being held for the next session of the grand jury. He claimed that he did not know he had hit anyone.

Funeral services for Cook were held Wednesday morning from the home of his son, Joseph, at the Villa avenue address, the Rev. George Lockett, of Central Baptist Church, Palmyra, officiating.

Interment was held in Lakeview Cemetery, Frank A. Snover, funeral director.

The deceased is survived by his widow, Lydia, one son, Joseph, and two daughters, Mrs. Dortha Selby and Miss Doris Cook, both of Lenola.

Mr. Cook died from a broken neck, a broken right leg and right arm, and multiple fractures of the pelvis.

NO LOCAL CONTESTS IN CINNAMINSON'S PRIMARY ELECTION

There were no local contests in the Cinnaminson primary election, Elmer E. Manderville, Republican, running unopposed for the nomination to the post of member of the township committee. He polled a total of 370 votes.

Members of the Republican county committee who were elected follow: David B. Coles and Bessie E. Kerns, 1st district; William M. Johnson and Dorothy Houston, 2nd district; William F. Kennard and Jessie M. Dorworth, 3rd district.

Elected as members of the Democratic county committee were: Xavier Walters, 1st district; Albert Schuler and Catherine Brennan, 2nd district; John M. Renshaw, 3rd district.

Cecil Bowers was nominated justice of the peace.

Many Stay at Home

As in many other communities, a light vote was polled in Cinnaminson, only 613 exercising their right of franchise. In the three election districts there are 1384 registered voters.

The second district polled the highest percentage, where 228 out of 485 registered cast their ballot.

Butcher: "This pound of butter you sent me is three ounces short."

Grocer: "I mislaid the pound weight, so I weighed it by the pound of chops you sent me yesterday."

SMITH'S SALE DRAWS BUYERS

Second Week Promises Bigger Volume as News of Values Spreads Locally

The expansion sale at Smith's Store, 414 Main street, Riverton, entering into the second week is meeting with unusual success according to reports.

The enthusiastic housewives are buying heavily of the many attractive bargains offered, some articles having been completely sold out.

Coming at this time, many are taking advantage of the 50 per cent cut in prices to purchase articles for the Needlework Guild.

Hundreds of Bargains
The store offers hundreds of bargains in practically every department, such as men's, women's, children's and infants' wear; gifts, pottery, greeting cards, books, toys, toilet articles, yarns and dress materials.

An advertisement in this issue of The New Era lists many of the special items in the sale—showing the sale price and the former retail price.

The goods offered are quality throughout, and are being sold at greatly reduced prices to make room for a new and larger stock of merchandise.

SAFETY PATROLS VALUABLE AID

School safety patrols deserve the fullest cooperation of motorists in their humanitarian work of saving lives and preventing injuries. The Keystone Automobile Club of New Jersey declares in a statement urging every motor vehicle driver to be "considerate and helpful."

"With more motor vehicles and more children on the streets than ever before at the beginning of a school year, the safety problem is most acute," said Edward P. Curran, safety director of the club. "We are asking all operators to exercise the utmost care in the vicinity of schools and at all other points where children are crossing the streets."

Doing Great Job
"The school safety patrols are doing a great job in preventing younger children from dashing pell mell into the streets. The efforts of the patrol are concentrated on orderly movement of child-pedestrian traffic. The efforts of motorists should be directed to a similar end; that is, there should be orderly movement of cars in the vicinity of schools, without passing and cutting in."

"With vehicular traffic moving smoothly, the task of the Patrols will be made easier and the chances of accident will be greatly decreased."

More than 10,000 safety patrolmen have been equipped with Sam Browne belts and arm shields by the club, which is undertaking this year its most extensive safety campaign in the schools. Safety posters for school room display will be distributed every month, the total running in excess of 60,000. In addition the club makes available to the schools safety handbooks and a high school safety textbook. Many high schools are using the textbook, which is designed to equip young men and women for the responsibilities of driving.

OIL DEALERS TO HOLD SHOW, DANCE

The Petroleum Retailers Association of Camden, Gloucester and Burlington counties, will hold its first annual show and dance, October 6th, 1937, at the Moose hall in Camden. The well known radio entertainer, Bob Mack, will act as master of ceremonies and will be supported by the finest array of talent obtainable. The show will last about one hour and will be followed by dancing until 2 a.m., to the music of Jim Fettes and his twelve-piece band, made famous by his all summer engagement at Willow Grove Park this year, and his many radio appearances of the past.

The public is cordially invited to attend and tickets may be obtained at all the leading gasoline stations in the three counties, or at the door.

EXPENSES LISTED BY CANDIDATES

Primary election campaign expenditures and contribution reports of the three major candidates for the Republican and Democratic nominations for Governor were filed late last week with Thomas A. Mathis, secretary of state.

Senator Clifford R. Powell, of Burlington county, Republican candidate, listed expenditures of \$5566 in addition to commitments of \$7835, which will be paid at a later date. His total expense will be \$13,400. Receipts were set at \$13,583.

Largest contributors to Senator Powell were: Personal contribution, \$3000; his law firm, Powell and Parker, \$1500; Mrs. Irene E. Powell, his wife and campaign manager, \$250; Harold T. Parker, his law partner, \$200; John F. Lafferty, of Camden, \$1000; William Morgan and Walter Shay, of Camden, \$100 each; Joseph C. Kingston, 2d, of Freehold, \$500. Rev. Lester H. Clee, of Essex county, opponent to Senator Powell listed expenses at \$17,993 and contributions at \$22,944.

ABOUT TOWN

Clarence Hubbs had the distinction of being the first to vote in the third district during election Tuesday.

Local football is at a low ebb, with only the high school team playing before the home fans, four encounters being slated on the Palmyra field.

Tree trimming is still going on along several Palmyra thoroughfares.

Many a heater got its first workout of the season during the past few days. Some predict a severe winter, while other prophets state it will be mild. Almanacs play safe by stating that there will be cold weather during the early part of December. Take your choice.

The Riverton Softball League stag party promises to be a big event in October.

A 587-pound tuna was caught off Nova Scotia recently. Local anglers are requested to look to their laurels.

LUNCHEON RESERVATIONS

Members of the Porch Club who plan to attend the opening luncheon on Tuesday, October 5, are requested to make reservations with Mrs. David G. Gould, 6 Seventh street, phone Riverton 901, on or before Saturday, October 2.

CINNAMINSON P.T.A.

The first Cinnaminson School P.T.A. meeting for this school term was held Wednesday evening, September 15, at 8 o'clock.

E. Newbold Cooper, supervisor of elementary and secondary education of Girard College, talked to the parents and teachers about the health and welfare of children in this country compared to the children in England.

Prescott Herr, of Moorestown, sang several delightful vocal selections and Miss Marjorie Wilson, of Palmyra, delighted the gathering with piano selections. Mrs. Thomas Moad is busy getting the membership drive started, and it is her aim to have this year's membership the largest in the history of the organization.

USED CAR SALES INCREASE HERE

Lester S. Fortnum's Quota in National Ford Campaign Nearly Reached

Heavy sales in used cars and trucks throughout the first three weeks of the Ford Dealers' Annual Used Car Clearance Sale indicate unusual success for the September campaign, according to William J. Kraus of Lester S. Fortnum, local Ford dealers.

"Our own sales in this community compare favorably with reports from other Ford dealers throughout the country, all of whom are joining in the nation-wide sale," Mr. Kraus said.

Advertising Helps
"The success of the sale is probably due to a large extent, to an expanded advertising program, and reduced prices, coupled with the Ford dealers' 'R & G' plan, which offers buyers guaranteed values in used cars and trucks. Many late model 'R & G' used cars, which may well be described as the next best thing to a new car, are being sold," Mr. Kraus said.

Commercial cars and trucks as well as passenger cars classified according to condition, Mr. Kraus explained. Those carrying the "R & G" emblem, which stands for Renewed and Guaranteed, are required to meet rigid specifications as to condition and are sold with a written money-back guarantee.

All makes and models of both cars and trucks are included among the units offered as guaranteed "R & G" cars, and business in all classifications has been brisk, Mr. Kraus said.

A word to the wise is usually more than sufficient. They've thought of "that" already.

TYPEWRITER AID TO ALL STUDENTS

Noted Psychologist Advises Use Even By Young Children

Garry C. Myers, Ph.D., head of Department of Parent Education, Cleveland College, Western Reserve University, recently said:

"I have no commercial interest in any typewriter. But I do have a very deep interest in the typewriter as an educational tool."

"For each of my older two children while in college a typewriter was provided as standard equipment. Throughout their public school life all our children have had access to a typewriter in the home. All learned to 'play' on it, learned their alphabet, learned to print words for fun as they would have us spell out these words for them, even before entering school."

At College

"For the college student today, a typewriter is about as necessary as a fountain pen. He could afford to deny himself many other things, if necessary, in order to have this very useful tool. All else being equal, that student in college or high school who prepares outside papers and notes with a typewriter will receive higher grades than if he wrote them in long hand. Experiments have demonstrated that the same college paper will be graded higher by the teacher when typed than when written in script. Besides, the added neatness afforded through the use of a typewriter would seem to contribute to more orderly thinking, and a higher level of accuracy, by the student."

Once the college student and his parents realize the value of a typewriter, ways will be found by nearly every student to include it in his essential college equipment.

Helps in Spelling

"Frequently I have pointed out the value of the typewriter as an aid to the learning of reading and spelling. The child who has trouble with spelling will find it to his advantage to print his spelling words slowly and carefully on the typewriter. Having so printed them he will choose to compare the words typed with the original, getting good motivated practice in learning to spell these words."

"Many children with trouble in reading and spelling will confuse certain letters of the alphabet and an occasional child is a mirror writer. I can think of no better way to help such children than by guiding them in the use of a typewriter."

SHORT COURSE AT RUTGERS UNIV.

Practical experience and technical study for persons interested in fruit growing will be offered in a 12-weeks' course beginning November 1 at the New Jersey College of Agriculture, Rutgers University, Prof. Frank G. Helyar, director of resident instruction at the College, announced recently.

Such subjects as plant propagation, fruit judging, insect control, pruning, plant disease control, soil fertility and horticultural machinery will be studied in connection with this course. In addition to classroom lectures, students will have the opportunity to gain practice in the science of pomology by work in the College of Agriculture's orchards, laboratories and greenhouses.

The course is open to everyone 16 years of age or more who has had a public school education. Tuition is free to residents of New Jersey.

"The course in fruit growing should prove of particular value to persons who have had some experience in the industry, such as foremen and owners of orchards who desire the most advanced technical information, or sons of fruit growers who have not had the opportunity of taking a four-year college course but who wish to follow fruit growing as a business."

PLANTS FOR YOUR GARDEN

By A. C. McLean
Extension Service, N. J. College
of Agriculture

While the spring-blooming crocus is a familiar sight in many gardens, its sister flower, the fall-blooming type, is not so frequently seen. This fall bulb is an excellent addition to the garden plan, since its lovely bright flowers enhance the beauty of the garden at this time. Use them in rock gardens or in the front of the border.

Plant fall-blooming crocus not later than September 15 to obtain the best bloom. They will grow well in almost any soil provided it is not too acid nor too wet. The field mouse must be guarded against, for to him crocus bulbs are a rare delicacy.

Zonatus, a rosy lilac form, and Sativus, a saffron colored crocus with lilac and white flowers, are lovely. Then there is Speciosus, which is also lilac and purple as well as white. These varieties are now becoming most popular on American markets, although there is a long list of other fall-blooming crocus. There are also varieties of the Crocus Family which show their flowers throughout the winter in some climates. In this latitude, however, they do not bloom until very early spring.

Look over the plant catalogue and select those varieties which appeal most. Once planted, crocus bulbs need very little care and they will last for years, provided the foliage is permitted to ripen before it is cut off.

JERSEY APPLES GO TO FOREIGN LANDS

Natives of a number of foreign countries have evidently taken a liking to New Jersey apples, according to the records of the State Department of Agriculture. Shipments of apples to far-off Palestine as well as to England, Brazil, Argentina and Cuba have been made in the past few weeks.

Besides qualifying for the official grade standards, every export lot must pass a rigid inspection to insure freedom from any diseases and insects which might be transferred abroad. All shipments must be accompanied by a bill of health issued by the department.

Impossible?

Yes; but little by little and without realizing it, you may waste the energy needed to carry a 300-pound piano up 2 flights of stairs—every day—simply by not using your telephone.

A group of New Jersey women in 16 communities found this out by measuring their home and social activities, with and without the telephone.* Using it, they:

- saved up to 4,000 steps every day; the average was 950 steps, a daily saving of enough energy to carry a 300-pound piano up two flights of stairs;
- gained an average of one hour every day, for leisure or added accomplishment—some gained 3 hours or more;
- strengthened and renewed friendships both in and out of town.

The more you use your telephone to go places, visit, and get things done quickly, the more you help yourself to enjoy a happier, easier, more satisfying life.

* Each woman wore a pedometer, set to her step, to measure the distance walked during ten days without the telephone's help and ten days with it. Each kept a record of all she did. Savings in energy (when using the telephone) were found by converting the steps saved into foot-pounds.

Talk 16 miles for 15¢, 30 miles for 25¢ any time, anywhere in New Jersey (station-to-station rates). Rates for calls to points of about 50 miles or more away are reduced every evening after 7, and all day Sunday.

Mrs. Frank Rue, of Elm avenue, is visiting at the home of her sister-in-law, Mrs. William Dye, of Long Branch.

Mrs. Harry Gottlieb entertained at bridge on Monday afternoon for the benefit of the Palmyra Woman's Club.

Mrs. Thomas Cashin has returned to her home after spending several weeks in Williamsport, Canada.

Miss Dell Teeple has returned to her home on Main street after spending the summer in Ocean City.

Miss Jane Rutherford, of Elm Terrace, left Tuesday for Elmhurst, Illinois, where she is enrolled at Principia College.

Miss Mary L. Turner, daughter of Mr. and Mrs. L. R. Turner, of 222 Linden avenue, left Monday for Chambersburg, Pennsylvania, where she has enrolled as a freshman in Wilson College.

Dr. Bertram R. West, of Philadelphia, has leased his property at 303 Park avenue, Riverton, to Bryant Ross, of Connecticut. Mr. Ross is the Philadelphia representative of the R. F. Vanderbilt Company, New York City.

Mrs. Annie Cole returned to the home of her daughter, Mrs. William R. Evans, on Thomas avenue, Sunday, after having spent the summer at Wildwood.

PALMYRA

The Boy Scout Mothers' Association will start their monthly meetings on October 7 at 8 o'clock, at the home of Mrs. George B. Weiland, of 823 Columbia avenue. All mothers are invited.

Mr. and Mrs. F. F. Brailard, of Westfield, N.J., visited Mr. and Mrs. Harry Bates, of 608 Highland avenue, on Tuesday.

Rev. William A. Boyd, of 500 Morgan avenue, left Wednesday for Atlantic City, where he is attending the annual conference of the Methodist Church.

Mrs. Corella Cann, Arrowit and William Powell spent last week in Avalon.

Mr. and Mrs. Stanley Black were visitors in Avalon last Thursday.

Mr. and Mrs. Albert Smith, of Palmyra, and Mr. and Mrs. Albert Smith, of Stonehurst, spent last week at Manahawkin.

Mrs. A. B. Powell fell on Broad street Monday evening and injured her left ankle and both knees.

Mr. and Mrs. Elwood Holmes, of Lumberton, spent Friday with his mother, Mrs. Anna Rockhill, of Del-

CHURCH NEWS

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

Sunday morning, the Rev. Dr. J. G. Bickerton, of Riverton, will be the speaker and in the evening Reading E. Pohnsett will preach, in the absence of Rev. Boyd, who is attending the annual conference.

The Church School will also observe Promotion Day in all departments. Come and join with us at 9:45 a.m.

On Monday evening the Sunday School Board will hold its annual dinner meeting and conference. All officers and teachers of the church school are requested to be present.

The choir rehearsal will be held tonight (Thursday) at 8 o'clock. All members are requested to be present.

CALVARY PRESBYTERIAN CHURCH

Rev. C. T. Bates, Pastor

Sunday, September 26, will be the celebration of the tenth anniversary of the re-dedication of the Church, which will be celebrated by an individual roll call. It is also the Preparatory Service. All members are urged to be present.

Sunday, October 3, will be the one hundredth anniversary of the founding of Presbyterian Foreign Missions. A communion service will be celebrated all over the world among Presbyterians in honor of this event.

Monmouth Presbytery will meet in this church on Monday and Tuesday, September 27 and 28. Dr. Herick B. Young will be the speaker in the afternoon and the young people of the Mt. Holly church will present a pageant "The Years Ahead."

The retiring moderator, the Rev. Charles T. Bates, will deliver the sermon of the evening, at which time communion will be observed.

CHRISTIAN SCIENCE CHURCH

"Reality" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 26.

The Golden Text is: "For ever, O Lord, thy word is settled in heaven." (Psalm 119: 89)

Among the citations which comprise the Lesson-Sermon is the following passage from the Bible: "Keep thy heart with all diligence; for out of it are the issues of life. Ponder the path of thy feet, and let all thy ways be established." (Proverbs 4: 23, 26)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Human theories are helpless to make man harmonious or immortal, since he is so already, according to Christian Science. Our only need is to know this and reduce to practice the real man's divine Principle, Love." (p. 490)

OUTLINE OF COURSE

The complete outline of the scope of the course follows:

Sheet Metal
A. Black iron and galvanized iron: Mail boxes, waste paper baskets.

B. Tin: Electric toasters, utility boxes.

C. Aluminum, German silver: Jewelry boxes, metal ornaments.

Beaten Metal
A. Black iron: Ash trays, fire place equipment.

B. Copper and Brass: Ash trays, bookends, desk equipment.

C. Aluminum, German silver, and pewter: Jewelry and utility boxes, bookends, desk equipment, jewelry.

Art Metal
A. Band iron: Table lamps, floor lamps, candle holders, flower holders.

B. Sheet iron: Mail boxes, lanterns, fire place equipment.

C. Combination band and sheet iron and wood: Tile top tables, end tables, lanterns, magazine racks.

Molding
A. Sand molding: Bookends, ornaments.

B. Die molding: Rings, miscellaneous jewelry.

Spinning
A. Copper: Lamps, dishes.

B. Pewter: Dishes, ash trays.

10th ANNIVERSARY OF REDEDICATION RIVERTON CHURCH

Next Sunday, September 26, the members of Calvary Presbyterian Church, Riverton, will celebrate the tenth anniversary of the rededication of their church.

A unique feature of this service will be a roll call of every member and a presentation of a certificate of membership.

This Sunday will also be the preparatory service.

PRESBYTERY TO MEET ON SEPT. 27

The autumn meeting of Monmouth Presbytery will convene in Calvary Presbyterian Church, Riverton, on Monday afternoon, at 2:30 o'clock, September 27.

The afternoon sermon will be devoted to memorial services in connection with the one hundredth anniversary of the founding of Presbyterian foreign missions. Dr. Herick B. Young, a prominent speaker, will make the address of the afternoon.

At the celebration of the Lord's Supper in the evening, the retiring Moderator, the Rev. Charles T. Bates, will preach and preside at the Communion.

On Tuesday the usual business of the Presbytery will be conducted. The public is cordially invited to attend all these sessions and services.

100th ANNIVERSARY OF PRESBYTERIAN MISSIONS ON OCT. 3

The one hundredth anniversary of the founding of Presbyterian foreign missions will be celebrated on October 3, in all Presbyterian Churches and Mission stations, at home and abroad, with a communion service to bear testimony of their faith in Christ.

Everyone is cordially invited to this service in Calvary Church.

GIRL SCOUT NEWS

The Girl Scouts of the Methodist Church troop held their first meeting on Tuesday night and reported six new members.

Captain Ashmore wishes to thank the girls and all their friends who so kindly donated fruit and jars to make the canning a success.

On Saturday, September 25, the girls will have a breakfast hike. The girls will meet at the home of Lieutenant Hensler, 14 West Church street, promptly at 5:30 a.m. All girls are requested by Captain Ashmore to bring breakfast and a written permission from parents.

On September 28, at 5:30 p.m., the girls will have a corn roast hike, meeting at the home of Captain Ashmore, Cinnaminson and Charles streets. The girls are again requested to bring written permission.

Don't forget the Girl Scout Mothers' rummage sale on October 15 and 16, at the YMCA building. Anyone having rummage to donate, call Riverton 442-W, 551-J or 373.

Funeral services were held from the Snover Funeral Home at 10 o'clock Saturday morning.

Interment was made in Morgan Cemetery, Frank A. Snover officiating.

Mr. Dillon, who was a detective in the Wanamaker store, Philadelphia, is survived by his widow, one brother, Stanley, of Philadelphia, and a sister, Mrs. Margaret Buek, of Philadelphia.

WESLEYAN FLOWER EXHIBIT FRIDAY EVENING SEPT. 24

The flower display to be presented to the public this Friday evening by the Wesleyan Bible class promises to be quite attractive and interesting, according to members of that organization.

The musical feature of the evening will be selections on the Marimba by Joseph W. Conway, of Moorestown. The affair will be open from 7 to 10 o'clock in the class room of the Methodist Church.

All exhibits are to be at the church by 2 o'clock Friday.

The season of suppers, movie benefits, etc., is on.

OBITUARIES

FRANCIS E. BAKER

Francis E. Baker, 34, died at his late residence, 110 Midway, last Wednesday, after a long illness.

Mr. Baker attended Massachusetts Institute of Technology and was a graduate of Massachusetts State College, class of 1925. Since his graduation, he had been employed as an entomologist at the research laboratories of the Bureau of Entomology, United States Department of Agriculture, Moorestown.

He is survived by his father, Nathan E., of Orlando, Florida, his wife Helen (nee Jessup), and a daughter, Mary Louise.

John DILLON, 50, of 625 Garfield avenue, Palmyra, died suddenly at Margate last Wednesday. Mr. Dillon had been fishing all day and complained in the evening of not feeling well. A few minutes later he had died.

Funeral services were held from the Snover Funeral Home at 10 o'clock Saturday morning.

Interment was made in Morgan Cemetery, Frank A. Snover officiating.

Mr. Dillon, who was a detective in the Wanamaker store, Philadelphia, is survived by his widow, one brother, Stanley, of Philadelphia, and a sister, Mrs. Margaret Buek, of Philadelphia.

Swimming Instructor: "Can you swim very well?"
Freshman: "No, sir, but I can sure wade."

BOWLING SEASON TO START SOON

Five Leagues to Roll on Local Alleys; County Loop to Be Big Feature

The Palmyra Bowling Alleys promises to be an active place during the winter months, with five leagues signed up to roll all games at the local establishment. In addition it is expected that Palmyra will enter a team in the fast South Jersey league, rolling every other week at home.

The popular Ladies' League will start the program each week, the eight teams competing on Monday nights. The entries in the loop are Murda, winners last year; Luckies, Camels, Kools, Spuds and Wings.

The Burlington County League will swing into action on Tuesday of next week. According to Ed Beitz, manager of the Palmyra alleys, this loop will be one of the strongest in South Jersey, bowling from scratch, with no handicaps.

The members of this organization are, Mr. Holly, Medford, Burlington, Beverly, Farmers, Buohla, Kieckhefer and Riverside.

The Knights of Columbus league, a new outfit this year, will be composed of teams from Burlington and Camden counties.

There are eight squads enrolled at present, the following councils being represented: Gloucester, Hadron Heights, Camden, Moorestown, Riverside, Mt. Holly, and two teams from St. Joseph's Council, Riverton.

A strong Artisans' League will roll on Thursday evenings. At present there are eight teams in this loop, but the names have not been selected as yet. According to current reports, the Artisans will be back in the form of other years, when their loop was one of the fastest in this section.

Business Men's League will occupy the center of the stage on Fridays. The teams entered in this competition are: Germania, Bell-Evans, Fortnum's V-S, Schuck, Lloyd, Ramblers, Philadelphia Market House and Richmond. The first games will be rolled on Friday of this week.

Further details regarding the members of the various teams will be published in later issues of The New Era and full information regarding standing and averages will be covered each week in this paper.

MANY OPENINGS IN CCC CAMPS

There will be a new CCC enrollment the early part of October. Our quota for both white and colored boys from Riverton and Cinnaminson is unlimited. The age limits are 17 to 24 years inclusive. The applicant must be a citizen of the United States and unmarried. Those who hold honorable discharges dated not less than six months ago may enlist. All interested, please report at once to the Riverton-Cinnaminson Welfare Association, rear No. 609 Main street, Riverton, between the hours 9:00 to 12:00 a.m.

Another important meeting of all committee members will be held in the Riverton fire house, next Monday evening at 8:30. Chairman Yearly is desirous of having all members present at the session and expects that final arrangements of all details will have been made by that time.

Tickets for the affair will be 25 cents and will be placed on sale the first of next week.

Important Meeting
Another important meeting of all committee members will be held in the Riverton fire house, next Monday evening at 8:30. Chairman Yearly is desirous of having all members present at the session and expects that final arrangements of all details will have been made by that time.

Tickets for the affair will be 25 cents and will be placed on sale the first of next week.

FREE TO PAID SUBSCRIBERS
If your son or daughter is attending prep school or college away from home, The New Era will be glad to send them a copy of each week's issue without charge. Just let us know their name and address.

THE EXCEPTION
Everything in the modern home is controlled by switches except the children.—Atchison Globe.

RIVERTON WINS IN S. J. LEAGUE

The South Jersey Whist League opened its season last Wednesday night, September 15, with all the matches being played at the Woodbury Country Club.

The members of the Riverton Bridge Club were hosts to the Merchanville Country Club, the local team winning by the total score of 4080 points.

The individual scores were as follows: Mr. Ocha and Mr. Burns (R), playing N and S against Mr. Loughrey and Mr. Donges (M), won by a score of 1480 points.

Mr. Sims and Mr. Woodward (R), playing E and W against Mr. Burris and Mr. Bortin (M), won by a score of 130 points.

Mr. Burgess and Dr. Dey (R), playing N and S against Mr. Clark and Mrs. Besselink (M), won by a score of 2330 points.

Mr. Evans and Mr. Carty (R), playing E and W against Mr. Clark and Mr. Rosenant (M), won by a score of 140 points.

SOFTBALL STAG PARTY ON OCT. 18

Big Affair to Be Staged in Riverton Fire House; Elaborate Program

Further plans were made for the Riverton Softball League stag party, at a meeting of managers, players and executive committee held last Monday night.

The date for the affair has been set for Monday, October 18, at 8:30 o'clock, in the Riverton fire house.

The program at present calls for an elaborate entertainment, interesting speakers, presentation of the championship to the winning Askew team, and a buffet supper.

Committees
Joseph Yearly, president of the League, is in general charge of arrangements, being assisted by the following committees: Finance—Walter C. Wright, Clarence Hubbs, and Fred Conway; entertainment: Clarence Hubbs, Thomas Cahill and Robert Fry; speakers: Richard M. Woodward, Wilton E. Mount and Walter C. Wright; tickets: Lawton J. Steele, William Schopp; publicity: Karl W. Latch, F. W. Metzger; supper: Ezra Carhart, Jr., R. Wallace; music: Edson Carhart, Ezra Carhart, Jr., transportation: Paul Burke, William Anderson.

Important Meeting
Another important meeting of all committee members will be held in the Riverton fire house, next Monday evening at 8:30. Chairman Yearly is desirous of having all members present at the session and expects that final arrangements of all details will have been made by that time.

Tickets for the affair will be 25 cents and will be placed on sale the first of next week.

FREE TO PAID SUBSCRIBERS
If your son or daughter is attending prep school or college away from home, The New Era will be glad to send them a copy of each week's issue without charge. Just let us know their name and address.

THE EXCEPTION
Everything in the modern home is controlled by switches except the children.—Atchison Globe.

S. J. AMATEUR PLAYED TODAY

Big Field to Compete on Local Course; C. B. Wallace Among Favorites

The South Jersey Amateur Tournament opened this (Thursday) morning on the course of the Riverton Country Club, with over 150 of the best golfers in this section of the state competing for the much-prized title.

The competition, which is an 18-hole medal play affair, got under way at 9 o'clock, with the players being sent out in threesomes at 10-minute intervals.

Three Classes
The top flight players, those with handicaps from 0 to 8, will compete in class A. The second class will be composed of those with handicaps ranging from 9 to 16, while players with handicaps of 17 and over will form the third group.

Among the members of the local club who are expected to finish toward the top in class A are C. Brook Wallace, Dr. E. A. Meyer, Harvey Hirst, Edward Lippincott, Richard Lippincott and a number of others.

Many Clubs Represented
Nearly every club in this section of the state had one or more entrants, with the following being represented: Woodcrest, Tavistock, Spring Hill, Merchantville, Woodbury, Pittman, Burlington County, Ocean City, Wildwood, Atlantic City, Cape May, Bridgeton and others.

The local course is in excellent shape for the affair with the greens and fairways being carefully groomed for the occasion.

It is expected that a large number of spectators will be on hand to follow their favorites during the competition.

A splendid array of prizes has been provided by the committee in charge.

GOOD LIGHTING MOST IMPORTANT

Good lighting is one of the most important contributions to modern home comfort. Poor lighting or inadequate lighting may cause annoyance or irritation that will destroy the most elaborate attempts to make a home restful and comfortable. The one important factor at all times is shining the light from direct contact with the eyes, advises the New Jersey Public Utility Information Committee. This one precaution will help avoid eyestrain and headache and attendant nervousness and will go far to induce the atmosphere of comfort and relaxation that the word "home" should convey.

A total of 129 persons lost their driver's licenses during the week ending Thursday, September 16, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Thirty-four were for drunken driving; 20 for reckless driving; 33 for speeding; 5 for failure to appear in answer to summonses; 13 were revocations resulting from fatal accidents and all others 24.

With the inclusion of this week's figures, the Department during 1937 revoked 1180 licenses for drunken driving and the total of all revocations reached 3899.

REVOCATION OF DRIVING LICENSES

A total of 129 persons lost their driver's licenses during the week ending Thursday, September 16, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Thirty-four were for drunken driving; 20 for reckless driving; 33 for speeding; 5 for failure to appear in answer to summonses; 13 were revocations resulting from fatal accidents and all others 24.

With the inclusion of this week's figures, the Department during 1937 revoked 1180 licenses for drunken driving and the total of all revocations reached 3899.

GOOD CROP OF N. J. SWEET POTATOES
New Jersey farmers expect to harvest 2,240,000 bushels of sweet potatoes, or 160,000 bushels less than last year and nearly 500,000 bushels more than the average crop. The September 1, condition indicates a sweet potato crop in the country as a whole of about 74,857,000 bushels. This production is 17 per cent greater than the 1936 crop and 13 per cent larger than the 1928-1932 average.

Country Club Notes

The four ball match tournament held last Saturday afternoon was won by E. Lippincott and A. Selther. Second honors were taken by S. Gillam and G. M. Bartlett.

Many club members will compete in the South Jersey Amateur Tournament which will be played on the local course today (Thursday).

There will be a four medal play tournament on Saturday, September 25, with the golf program for the season coming to a close on the final Saturday, when there will be a driving contest, in addition to other activities.

With the golf season nearing a close, the bowling committee is already making plans for the opening of this important phase of winter activity.

YWCA NOTES

Social Workers' Club
Members of the Burlington County Social Workers' Club will join with members of the Camden and South Jersey clubs for a tri-county supper meeting at Camp Ockanickon on Thursday, September 23, at 6.30 o'clock. This meeting has been arranged by the N. J. Conference of Social Work. Irving Engelman, assistant director of Old Age Relief, will be the main speaker. Members are asked to bring a box supper. Ice cream and coffee will be served at a nominal fee. Transportation will be arranged for those desiring it by Miss Jean Dreidlein, Mt. Holly 627.

Meeting of Executive Committee
A meeting of the executive committee was held at the Willows on September 16th, at 6.30 p.m.

Plans for the coming year were made and committees suggested. The first regular meeting will be held on October 23.

Leadership Conference
In preparation for a full program of Girl Reserve activities this fall and winter, the girls' work committee of the Burlington County Young Women's Christian Association will sponsor a leadership conference at Camp Ockanickon October 1, 2, 3. All leaders of Girl Reserve Clubs and members of club advisory committees are invited to attend the conference, which will open with a picnic supper at the camp Friday evening, October 1. A discussion of the organization and administration of a Girl Reserve Club, led by Miss Lucchini, will begin that evening and will be continued Saturday morning. Preceding the lunch period Saturday, Mrs. Beckwith will outline important points in parliamentary law which should be followed in club meetings. A recreation period is planned for Saturday afternoon, followed by a talk on club records and reports by Mrs. Thacher. Miss Lucchini will explain the possibilities for personality development offered in club programs. Around the campfire Saturday evening, Miss Evelyn Beckwith, of Bordentown, will speak on music for Girl Reserves, and the day will end with a summary of the various discussions.

Adventure Is Coming In The American Boy

Readers who like adventure and the lure of far places will find plenty to please them in coming issues of THE AMERICAN BOY Magazine. They'll read, for instance, of seamen and sabotage and San Francisco water-front trouble; of daring adventure in the world of pseudo-science, and of the feud aboard a plunging, rolling battleship.

They'll read, too, of excitement aboard a transport plane blaring over jungled Mexican mountains, and of stranger planes that are not bound to earth but swing through the noiselessness of space. Readers can follow a young ex-Mountie as he searches for clues in the wild northlands, and Tierney, the pie-eating detective, on the trail of city criminals.

A new feature in THE AMERICAN BOY is picture pages that tell stories. Pictures, for instance, that vividly show a day of life of a coast guardman, and how an Eskimo husky sled dog does his work. They transmit the thrill of battling a hundred pound, water-churning tarpon. Tips on how it's done are also given pictorially—ranging from how to run a broken field to how to be correct in a ballroom!

NOTE: Subscription prices of THE AMERICAN BOY will be raised in the near future. Send your subscription order at once to take advantage of the bargain rates now in effect: one year at \$1.00 or three years at \$2.00. Foreign subscription 50c a year extra. Send your name, address and remittance to THE AMERICAN BOY, 7450 Second Blvd., Detroit, Mich. On newsstands the price is 15c a copy.

WANTED
Energetic young man or woman in Riverton, Palmyra and Cinnaminson to obtain new subscriptions to The New Era.
Liberal Commission
Only those genuinely interested need apply.
Call at The New Era Office 607 Main Street, Riverton on Friday or Saturday morning.

YMCA BRIEFS

T. Paul Reeder, newly-appointed assistant county YMCA secretary, paid his first visit to the Moorestown Y's Men's Club Wednesday noon. He looks forward with much interest to membership in this club.

The first fall meeting of the County YMCA Board will be held at The Willows, Mt. Holly, September 28. Immediately following dinner, the members will adjourn to the new high school, and after an inspection of the building the business meeting will be held in the library.

The trustees of Camp Ockanickon heard reports of the boys' and girls' camps at their meeting, in Mount Holly, September 13. At that time the planning and development committee was commissioned to make a thorough study of the camp property and outline the upkeep and repair work to be undertaken this fall, also to choose a location for Camden County's lodge at the girls' camp site.

Some dozen delegates from Burlington county, headed by Howard G. Taylor, Jr., president of the county YMCA board, will journey to Camp Wayawayda, the State YMCA camp at Andover, this week-end to attend the state YMCA religious work conference.

Eighty-five representatives of the Hi-Y Clubs of southern New Jersey were registered for the Saturday and Sunday conference at Ockanickon

(really at Matollonequay) this past weekend, considering the theme, "Charting Our Course." The Burlington county delegates decided to organize a county Hi-Y council, a clearing house organization for exchange of ideas for club programs and activities and YMCA events of interest to the entire county. Two events specially mentioned were: the annual Princeton football day, this year, Saturday October 23, when Rutgers will be Princeton's opponent; and the annual State Older Boys' Conference, the first weekend in December at Orange.

Burlington county leaders of YMCA groups and Hi-Y clubs are being reminded of the weekend of October 2-3, the annual state-wide Group Leaders' Institute at Camp Ockanickon. Programs will be mailed shortly from the county YMCA office, Mount Holly.

APPLE HARVEST FAR ABOVE 5-YEAR AVERAGE

New Jersey fruit growers are harvesting an excellent crop of apples. This year's total production is estimated at 5,220,000 bushels, or nearly 1,800,000 bushels more than last year and 1,800,000 bushels more than the average annual production for the five-year period, 1928-1932.

RESOLUTIONS BY S. J. ALLIANCE

At the semi-annual convention of the Burlington County Workers Alliance the following resolutions were unanimously passed:

Whereas the Legislature has failed utterly in its duty to many thousands of our fellow citizens, who through no fault of their own are in a state of destitution, and neglecting to face this grave problem, in an humane and intelligent way, but rather from the standpoint of political expediency, and

Whereas, these people are facing a condition far worse than the already deplorable condition, in which they now are compelled to exist, due to the virtual exhaustion of the inadequate funds provided and the fact that no municipality is able to bear this extraordinary, increasing and continuing burden, therefore be it

Resolved by the Burlington County Workers Alliance, in convention assembled, at Alliance Hall, Riverside, N. J., that we demand of Governor Hoffman that he call a special session of the legislature not later than October 18, 1937, and that the State of New Jersey take upon itself the burden and duty and providing adequate relief in CASH, on a state-wide budget standard, consisting of food, shelter, clothing, fuel, light, medical attention, etc., and further be it

Resolved that a copy of this resolution be sent to the Governor, the State Senator and Assemblyman, representing Burlington county, South Jersey Regional Council, George Smith, Secretary, Palmyra, N. J.

Resolution
Whereas, it has come to our attention that a number of people employed on Recreation Projects in Burlington County are to be dismissed as of September 15th, and Whereas, investigation shows that most of these are in need, and trained for this special work, and

Whereas, this dismissal is contrary to the statement made on behalf of the President of the United States by Marvin H. McIntyre, Secretary to the President, "that no further layoffs would be made except for cause," therefore be it

Resolved, by the Burlington County Workers Alliance, in convention assembled at Alliance Hall, Riverside, N. J., that we protest these dismissals and demand the immediate reinstatement of all affected, and further be it

Resolved that a copy of these resolutions be sent to the President of the United States, Harry Hopkins, W.P.A. Administrator, W. H. J. Ely, State Administrator, and Dayton W. McKean, Branch Manager.

UNFAVORABLE WEATHER REDUCED TOMATO CROP

The excessive rainfall during August found some vegetables in a critical stage of development and damaged them considerably. On this account the anticipated harvest of 198,000 tons of tomatoes for manufacture did not materialize. The farmers harvested only about 151,000 tons. In other words, this important crop was reduced by unfavorable weather nearly 25 per cent. On the other hand, the hardy varieties of vegetables withstood the heavy precipitation nicely and yielded an average crop.

EXPANSION SALE

PRICES CUT 50% AND MORE

In order to clear our stock and make room for new and greater merchandise we are offering practically everything in our store at these unheard-of prices. Everything in this sale is quality throughout. Come in while the selection is large. Compare these prices.

BIG LUNCHEON NEXT THURSDAY

Many Expected at Industrial
Affair to Be Held in
Burlington at 12.15

Enthusiasm is being shown throughout Burlington county for the industrial luncheon which will be held in the Broad Street Methodist Church, Burlington, at 12.15 on Thursday of next week, and indications are that there will be a capacity crowd on hand for the big event which will crystallize efforts of county leaders to increase the industrial life of the county.

Jointly sponsored by the Burlington County Industrial Committee, of which Freeholder Palmer L. Adams is chairman, and the New Jersey State Chamber of Commerce—the latter organization working through Norman B. Thomson, manager of its South Jersey Division—the affair promises to be one of the biggest and finest ever held in the county.

Prominent Guests

In addition to the prominent industrialists whose names were announced last week, several others have signified their intention of being present at the meeting, among them being Andrew P. Monroe, vice president of the New Jersey Bell Telephone Company and vice president and finance committee chairman of the State Chamber of Commerce; F. H. Corregan, vice president of the Radio Corporation of America and director of the State Chamber of Commerce, and J. W. Burnison, president of the Camden County Chamber of Commerce. The Saturday Evening Post, of Philadelphia, is also showing an interest in the event, and will send a representative, whose name is not known as yet.

As well as the two organizations already mentioned, the project has the sponsorship of organized chambers of commerce, service clubs, the Burlington County Board of Agriculture, the Board of Freeholders, Granges, newspapers, realtors, county, city, borough and township officials.

Trip to Plant

Following the luncheon on Thursday there will be a short speaking program, and then the party will make a tour of the United States Cast Iron Pipe and Foundry at Burlington. Music during the program will be furnished by Burlington county talent.

Through this luncheon an organization will be perfected to obtain complete knowledge about the possibilities for industrial expansion in Burlington county, so that the proper effort can be made to induce new industries to come here when they are forced out of other locations because of high taxes or for other reasons. Burlington county's low tax rate, its excellent combined industrial, agricultural and residential possibilities will be stressed, and everything possible will be done to give the county the place it properly deserves in the world of industry.

Tickets for the luncheon, priced at 85 cents each, are now available and may be obtained from the following: Charles Evans, H. McIlvain Biddle, Riverton; John F. Ward, Palmyra.

Puzzle No. 26 Solved:

Gold in the Garden

The advent of Autumn is heralded in the garden by flowers of brightest coloring, in which the golden yellows of the Hardy Sunflowers, Gaillardias, Dahlias, and Chrysanthemums predominate. Among the perennials blooming now, which can be planted at the present time for a fine display next season, are the Helianthus, Gaillardias, Gay Feathers, Cardinal Flowers, Sedums, Veronicas and Hardy Asters.

DREER'S

Autumn catalogue lists these in the best varieties.

See our new pink Buddleia Charming (Butterfly Bush), in flower now in our Trial Gardens.

Open weekdays from 8 a.m. until 5 p.m. and on Sunday (but not for business) from 1 until 5 p.m.

POWELL CARRIES
LOCAL TOWNS

(continued from page 1)
Freeholders

Strength for Jones and Price, Republican candidates for the two freeholder nominations, was apparent in all three communities. Jones took the lead from Stout in the three Riverton districts, won all in Palmyra, with the exception of the first and captured all three in Cinnaminson.

Price bettered Stout throughout Riverton and captured all but the first in Palmyra. He also had a decided advantage throughout Cinnaminson.

Totals
The totals from all three communities were:
Riverton—Stout 357; Jones 475; Price 387.
Palmyra—Stout 444; Jones 671; Price 602.
Cinnaminson—Stout 141; Jones 305; Price 256.

F. George Furth and Nelson G. Myers, other Republican candidates for freeholder nominations ran considerably behind the leaders.

Edward Bethards and J. Preston Moore, also freeholder aspirants on the Republican ticket, received only

a scattering vote in all three communities.

Democratic

There were three Democratic candidates for the freeholder nominations of that party. John C. Sauer defeated his opponents in Riverton, Palmyra and Cinnaminson by a close majority. John Thiel and Firmen McFarland were the other contestants.

Big Vote for Bridgum
Pearl M. Bridgum, running unopposed for member of the Republican state committee, polled a big vote in all three communities, as did George deB. Keim, who was also unopposed for male member of the state committee of the Republican party.

Mrs. Haas Ahead
Mrs. Mervil E. Haas, of Riverton, led her two opponents by a substantial margin in the contest for Democratic member of the state committee. Mrs. Haas polled 72 votes in Riverton; 172 in Palmyra and 59 in Cinnaminson as compared with a very small number for her opponents, Helen M. Rahn and Elizabeth R. Cowperthwait.

George M. Hillman, Jr., ran ahead of William B. Vandegrift in the contest for male member of the Democratic state committee.

Sweden collected \$26,600,000 in automobile taxes last year.

YOUR CHOICE

FISHING REEL

All metal, capacity 80 yards. This reel has a level winding attachment, balanced handle and adjustable click. An article of worth while value to every fisherman.

WATERING CAN

This attractively enamel watering can in the one-quart size and long spout is just the thing for watering house plants and window boxes. You get the water on the plant and not on the floor.

TOOL BOX

This convenient metal box is what every man needs for tools, fishing tackle, etc. It measures 6 x 14 inches and is 5 inches deep. Compartment for tools and handy five-sectioned tray in top for nails, screws, etc. Tray slides back as lid is raised. Complete with handle, lock and key.

SKILLET

Made of the famous Pyrex Flame-ware. It is 7 1/2 inches in diameter and 1 1/2 inches deep and comes with removable metal handle. The skillet is made of clear, transparent heat-resistant glass developed for top-of-stove cooking by a formula different than that used in the regular Pyrex ovenware.

WALLET

Genuine leather. Size, 3 1/2 x 8 1/2 inches. "Zipper" attachment over bill compartment. Coin container with snap flap, two sections for cards, driving license, etc. A quality, article needed by all men. Even if you have one already, a spare will come in handy when your present wallet wears out—or it would make an ideal gift.

FLASHLIGHT

A genuine Winchester flashlight with solid bronze case and focusing beam. A handy article in any household. Convenient hook enables light to be attached to belt for out-door work. It is equipped with signalling button for Scout use. Complete with battery and bulb.

AT FOX, RIVERSIDE

Alice Faye and Don Ameche in "You Can't Have Everything," new musical at Fox, Riverside, Sunday and Monday, September 26 and 27.

SCHOOL AT RUTGERS FOR TRAFFIC POLICE

The soft answer that turns away wrath may also turn the tide of the mounting traffic accident and fatality record of the nation if given a trial. New Jersey traffic policemen in session at the Rutgers University Traffic Officers' Training School spent part of their first week's class periods in studying the elements of public relations, strategy in handling people and public speaking. As a result, more effective results in curbing the accident-prone driver may be expected from a tactful approach than from the familiar "Pull over, there, you."

SHERIFF'S SALE

By virtue of a Writ of Fieri Facias to me directed, issued out of Court of Chancery of the State of New Jersey, I will sell at public sale on THURSDAY, SEPTEMBER 30, A.D., 1937, between the hours of 12 and 5 o'clock in the afternoon of said day (to wit, at 2 o'clock) Standard Time, at the Court House, Mount Holly, New Jersey:

ALL the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Borough of Riverton in the County of Burlington and State of New Jersey, viz:

BEING the same land and premises which Roscoe C. Shinn, Sheriff, by his deed of conveyance bearing date August 18th, 1931, and recorded in the office of the Clerk of Burlington County in Book No. 738 of Deeds, page 186 &c., granted and conveyed unto the said Franklin P. Davis, Jr., in fee.

BROADWAY THEATRE FRIDAY & SATURDAY

The Ritz Brothers who are featured with Alice Faye and Don Ameche in "You Can't Have Everything."

CARD PARTY

The Cinnaminson Auxiliary to the Zurburg Memorial Hospital, Riverton, will hold a public card party Wednesday, September 29, at 1:30 p.m., at the home of Mrs. Joseph T. Evans, Burlington pike. Pinocle, bridge and 500 and other games for non-players. Kindly furnish own cards. Prizes, door prizes and refreshments. Donation 35c. Mrs. R. J. Woods, General Chairman.

HOSPITAL UNIT DOES MUCH WORK

The social service department of the Burlington County Hospital had a very busy summer, with all of the clinics open and the attendance as high as usual.

In addition, several hundred school children were admitted for tonsil and adenoid operations. Because of the interest of friends, the department was able to extend its camp project and give to several children, this year, the benefit of camp life. The Burlington County YWCA and YMCA were most generous, and made special arrangements to take care of three children who needed very special attention.

The department had ten children at these camps for various periods during the months of July and August.

Two others were at Bonnie Brae, while an equal number were at the Children's Seashore Home all summer.

The Cinnaminson Home also received guests for five weeks. All of these persons had been patients in the hospital during the past year, and the social service department hopes that they were benefited by their vacations to an appreciable extent.

TIMELY ADVICE ON MUSHROOMS

Don't Pick Them Unless Sure Of Variety Says Expert: Tests Valueless

Families desirous of picking up a good free meal of delicious field mushrooms this season had better confine their collecting to the varieties they know are edible if they don't want the feast to end in tragedy.

This is the advice of Dr. C. M. Haenseler, associate plant pathologist at the New Jersey Agricultural Experiment Station, Rutgers University, who has issued a warning against gathering the fungi unless one "knows his mushrooms."

Common Variety "Once one has come to know the common and delicious field mushroom with its unusually thick cap, the thick, short fleshy stem, the ring on the stem of young specimens and the pink gills which become black with age, he may safely gather it, for there are no poisonous varieties which it resembles," Dr. Haenseler explained.

It is when a mushroom fancier starts picking varieties he is not sure about that danger begins, according to the plant pathologist. "While written descriptions and illustrations are helpful," he says, "the wise collector will have each edible species pointed out to him by a reliable instructor. Further suggestions for mushroom collectors are set down by Dr. Haenseler as follows:

Poisonous Ones in Woods Be very cautious when collecting species growing in woodlands. Most of the poisonous species grow in the woods.

Be careful when collecting young, unexpanded mushrooms or "button mushrooms." Poisonous and edible species which are easily distinguished when expanded may look alike in the button stage.

Do not depend upon any kind of tests. There is no test which is reliable.

Use only freshly gathered specimens. Partially decayed specimens may cause ptomaine poisoning and overripe ones may cause digestive disturbances.

Lastly, become thoroughly familiar with the two deadly species, Amanita muscaria and Amanita phalloides and avoid any form which closely resembles them.

BOROUGH OF RIVERTON

Sale of Lands for Unpaid Taxes for Years as Noted

Sale on Saturday, October 16, 1937, at 10 o'clock a.m.

NOTICE OF SALE

NOTICE is hereby given that I, C. Kenneth Davis, Collector of the Borough of Riverton, County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, the sixteenth day of October, 1937, at ten o'clock in the morning of said day at the

Riverton Council Chambers

503 Howard Street, in said taxing district, expose for sale the several tracts and parcels of land hereinafter specified, or any part or parts of said land sufficient for the purpose on which taxes and liens for the years as noted are unpaid, and in arrears, to such person or persons as will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 8 per cent, per annum, thereon, including interest and costs of sale.

This sale is made under the provisions of an act of Legislature entitled "An Act concerning unpaid taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens thereon" (P.L. 1919, p. 783, amending P.L. 1918, p. 883).

The said lands hereunder described by Block and Lot numbers, and the names of the persons against whom the said taxes and liens have been assessed, and the amounts of the same including interest to July 1, 1937, are as follows:

YMCA STAMP CLUB of Palmyra and Riverton

First Meeting

The first meeting of the season will be held in the Y building, Palmyra, on Friday, September 24, at 8 o'clock.

The guest speaker will be Herbert Shatz, well-known stamp authority, who will talk on arranging, mounting and writing up a collection.

He will also discuss albums, commercial mounts, gum on stamps and their cleaning and preservation. Non-members are invited.

New Stamp

Postmaster General James A. Farley has announced that the new three-cent Hawaiian postage stamp, first of the Territorial series of four stamps will be issued by the Post Office Department, will be placed on sale for the first time at the Honolulu post office on October 18, and at post offices throughout Hawaii and the United States on the following day or as soon thereafter as distribution will permit.

The new stamp, which is to be purple in color, will be 0.84 by 1.44 inches in size, arranged vertically. It will be printed in sheets of fifty by the rotary process.

The central design will be a reproduction of the statue of King Kamehameha I, who first placed the Hawaiian Islands under a single sovereignty.

Constitution Issue

Stamps of the new Constitution issue were received at the Riverton postoffice on Monday. Perforation and coloring appears to be generally good. The color of the stamps is rather startling, inasmuch as the official designation is "purple." The shade must be seen to be appreciated.

With the two deadly species, Amanita muscaria and Amanita phalloides and avoid any form which closely resembles them.

RADIO GARDEN CLUB PROGRAM

The Radio Garden Club of the Agricultural Extension Service, Rutgers University, will feature as guest speaker on its Friday, September 24, program, Dr. Arthur Harman Graves, curator of public instruction at the Brooklyn Botanic Garden. Dr. Graves will speak over WOR and other stations of the Mutual Broadcasting Network at 3:45 p.m. on the subject of "Making a New Chestnut Tree." The program will be sponsored by the Botanic Garden in cooperation with the Extension Service.

Professor Hortus returns again to the microphone on Tuesday, September 28, for a Radio Garden Club program in which he will answer questions from the Club's listeners on fall gardening practices.

Garage Attendant: "What kind of gasoline do you want?" Lady Motorist: "I think I'll have out of that blue pump to match the car."

FREE TRIAL OFFER On Automatic Gas Water Heaters LIBERAL ALLOWANCE ON OLD EQUIPMENT

Please have your representative call to discuss Automatic Hot Water Service by Gas.

THIS COUPON entitles you to the use of a modern, insulated Automatic Gas Water Heater on FREE TRIAL. You pay only for the gas used—a matter of but a few cents a day.

Accept this offer. Learn what it is to have all the hot water you want, automatically. See for yourself how little this service costs. The cost of 100% automatic service by gas is comparable to the cost of non-automatic water heating by a furnace.

TRADE-IN ALLOWANCE A liberal allowance is made for old water heating equipment turned in on a new automatic gas water heater. Investigate. Use the coupon or phone your local plumbing or heating contractor or the Public Service office nearest you.

PUBLIC SERVICE

MRS. H. A. KENNEDY WINS GRAND PRIZE

Given at Eighth Annual Flower Show of Palmyra Woman's Club Last Week

Mrs. H. A. Kennedy, of 12 Charles street, Palmyra, was the winner of the first grand award at the eighth annual flower show, given by the garden department of the Palmyra Woman's Club, last Friday and Saturday, Society Hall, Palmyra.

The affair, which was one of the most successful held in this vicinity, attracted a large number of visitors and was participated in by 195 exhibitors.

Other Awards

The second grand award was won by Mrs. Jennie Beideman, while third honors were taken by Mrs. Robert Snow.

Individual winners in the various sections were as follows:
Dahlias: Mrs. Louis Brown, first; Mrs. Robert Snow, second.
Roses: Mrs. Jennie Beideman, first; Mrs. Emma Doerfel, second.
Garden flowers: Mrs. H. A. Kennedy, first; Mrs. Robert Snow, second.

Artistic arrangement: Mrs. H. A. Kennedy, first; Mrs. Robert Snow, second.

Men's section: H. A. Kennedy, first; J. H. Abdill, second.
Junior: Miss Marie Jander, first; Mrs. Carl Lutz, second.

Juniors under 14: Jane Evald, first; Peggy Ryan, second; Beatrice Anderson, third.

Garden department only: Mrs. E. Griscom, first; Mrs. Sidney Headington, second.

Not previous winners: Mrs. John Hoepfner, first.

Judges

The judges of the show were, Mrs. Charles Fitting, Hammon; Mrs. Joseph Weston, Haddonfield; and Pierre Stanton, of Mt. Holly.

The members of the garden department of the club wish to thank all those who contributed in making the affair a success and the townspeople for their generous support.

Best exhibit of Gourds, first, Mrs. A. C. Giberson; second, Mrs. Sidney Headington; third, Mrs. Robert Snow.

Palmyra Assembly resumed its meetings on Tuesday night after a two-month summer holiday. It was decided to make the October meeting an every-member night, and plans were made for a large attendance and special entertainment.

Several prizes were on display which can be secured by getting new members. For producers also there is to be held a producers' dinner at Weber's Hof Brau on November 29.

The assembly will attend the Cumberland Assembly of Bridgeton, at its home night on Thursday, September 30, leaving Palmyra station at 7:15 p.m. sharp. Every member is invited.

"Are you positive," demanded counsel, "that the prisoner is the man who stole your car?"

"Well," answered the witness, "I was until you cross-examined me. Now I'm not sure whether I ever had a car at all."

Golfer (far off in the rough): "Say, caddy, why do you keep looking at your watch?"

Caddy: "It isn't a watch, sir, it's a compass."

WANT-ADS

SALE—Good cider and wine press, with grinder attached. 316 Berkley ave., Palmyra, 9-23-11

THANK YOU
I desire to thank the citizens of Riverton who voted for me for the office of assessor at the primary election Tuesday, and also wish to congratulate Robinet Cole, the successful candidate.

Frank Probsting, Jr.

NOTICE
All building operations in Palmyra costing over \$50 require a permit which can be obtained from the building inspector, Edward A. King, 831 Highland avenue, Palmyra.

A fine is provided for violations of this provision.

ENGAGED
Announcement has been made of the engagement of Miss Cecelia Feeney, daughter of Mr. and Mrs. John Feeney, of Burlington, to Owen Bottger, son of Mr. and Mrs. William H. Bottger, of Linden avenue, Riverton.

No date has been set for the wedding.

Palmyra Woman's Club to Hold Fall Meeting on Oct. 4

The first meeting of the coming season of the Woman's Club of Palmyra will be held in the club room on Monday, October 4th. The meeting will be preceded by a covered dish luncheon at one o'clock. The fee will be twenty-five cents.

The entire meeting will be under the direction of the literature department. Mrs. Theodore K. Warner, a member of the ex-presidents' Club of the first district, will be the guest speaker. Her topic will be "In the Footsteps of the Brontes."

As this is the opening meeting it is the wish of our new president, Mrs. Harry A. Kennedy, that we have a large gathering.

Please make all luncheon reservations to Mrs. R. E. Sanford, phone 555-J, not later than Friday, October first. Rolls, butter and coffee will be supplied by the committee.

Mrs. James M. Weart, Publicity Chairman.

URGENTLY NEEDED NOW
The Riverton-Cinnaminson Welfare Association is urgently in need of all kinds of bedding immediately. A prompt response to this appeal will be greatly appreciated by the association.

Carelessness in respect to fires invites disaster. Keep fire prevention in mind throughout the whole year.

CHANGES IN LOCAL BUSINESS SECTION

The New Era to Move Into Old Post Office; New Auto Agency is Here

A number of important changes will take place in the Riverton business section on Main street during the near future, and one new enterprise will be added to the business establishments of the borough.

The New Era will vacate the premises at 607 Main street, to move into the old post office building next door at 609 Main street, where extensive alterations have been made to provide necessary accommodations.

Enlarged Offices
Additional office space will be provided and new facilities installed for the more efficient conduct of the printing and publishing business of this long-established local organization.

The building has been extended at the rear and the offices of the Riverton-Cinnaminson Welfare Association will be at the same address as heretofore.

Dodge-Plymouth Agency
The building now occupied by The New Era and owned by Joseph T. Evans, will be extensively altered to provide a showroom and service space for the Dependable Motors, Inc., which will have a local agency for Dodge and Plymouth cars.

Jack Sallor, who is manager of the motor company, has conducted a similar agency in Gloucester, N. J., for a number of years, and the Riverton establishment is an expansion of his organization.

A used car lot has already been located on property owned by the Pennsylvania Railroad, on Main street, adjacent to the north side of the Evans building.

Herbert C. Salmon, 214 Garfield avenue, Palmyra, formerly with L. S. Gurnell, will be associated with Dependable Motors as a salesman.

Atlantic Commission
The Atlantic Commission Co., which has maintained an office in the old post office building, will vacate this location and move into (continued on page 2)

Palmyra Station Hours Curtailed

Present Plans Call for Two-hour Opening During Early Morning Hours

According to a notice posted on the Palmyra railroad station, the building, in the future will be open for business only between the hours of 7:15 and 9:30 each morning, the greatly restricted hours becoming in force on Tuesday of this week.

As soon as he learned about the order, Mayor John F. Ward, of Palmyra, lodged a written protest concerning the new hours with the division superintendent, at Jersey City.

Great Inconvenience
In a statement made on Monday night, Mayor Ward said that he felt that the railroad could improve (continued on page 2)

DRUNKEN DRIVER IS SENTENCED TO JAIL FOR THIRTY DAYS

Robert P. Wilmore, 54, of 1834 Merrine street, Philadelphia, was arrested shortly after 2 o'clock, last Saturday morning by Captain Joseph Rodgers, of the Palmyra police, after Wilmore had driven his car along the sidewalk at Broad street and Leconey avenue.

Wilmore was taken to Dr. Dean LeFavor who pronounced him to be under the influence of intoxicating liquor and unfit to operate an auto.

He was given a hearing before Recorder Carl Lutz on Saturday afternoon and fined \$200 and \$25 costs.

Wilmore was unable to pay this sum and was, therefore, committed to the county jail in Mt. Holly for a period of 30 days.

It is NEVER safe to clean with gasoline, benzine, naphtha or any inflammable liquid at home.

CARELESSNESS CAUSES FIRES

Thousands Killed and Maimed
Annually: Majority Are
Women, Children

Thousands of people, the majority of them women and children, are burned to death every year and many more are seriously injured. Every day such fires occur, precious homes—with all their treasures—become flaming torches and all too often the occupants do not escape.

This is a heavy price to pay for carelessness, which is the real cause of most costly fires in homes—careless construction, careless handling of fire dangers and careless fire protection.

Careless Construction

By careless construction is meant the urge for beauty and convenience in a dwelling that makes the purchaser require a built-in bookcase in the living room, instead of a substantial door at the head of the cellar stairs to check fire starting below the first floor; or a fine breakfast nook . . . in lieu of a ceiling of cement on metal lath extending from foundation to foundation in the cellar, to prevent flames spreading up through the house. Another safety feature often overlooked is the placing of incombustible fire stops in the walls at all floor levels so that hollow spaces will not permit fire to roar upwards as in a chimney. And of course many people desiring convenience, thoughtlessly prefer extra closet space to a fire-resistive roof or safe chimney.

Retard Spread

The purpose of fire-resistive construction is to retard the spread of flames, thus protecting life and property. This is vitally important because there are indifferent people who will continually be careless about fire.

Nevertheless, much can be done in educating the public to prevent fires. Many use gasoline for cleaning; others pour kerosene on fires to start them rapidly or to quicken them. These foolish acts kill and maim hundreds annually.

Again, paint or oil-soaked rags or clothing used in painting are left in a corner or in a closet. Spontaneous combustion develops under such conditions. Only mops or cleaning cloths in daily use are a constant source of these fires. The only safe place to keep these hazards is in a tightly covered metal container.

Other Hazards

Other common fire hazards that require watching are carelessness with smoking materials and matches—accumulations of papers in cellars or attics—failure to operate electrical appliances and heating plants with common sense.

It is up to everyone, for his own protection, to see that the simple rules of safety from fire are carefully observed. Now is a good time to start—during Fire Prevention Week. Once begun, it is not difficult to continue—for safety's sake.

CHANGE IN LOCAL BUSINESS SECTION

(continued from page 1)

the south side of the Evans building where ample space has been provided for the needs of this firm.

The front of the Evans building will thus be occupied by the Evans offices, the Railway Express and the Atlantic Commission.

Big Improvement

When the various alterations have been completed, this part of the local business section will enter upon a new phase of activity and the improvements should result in increased business for all concerned.

The building operations, which have been going on for some time, are being done by local carpenters, plumbers and electricians, and have provided work for a considerable number of men.

WELKER SPEAKS IN BOSTON

William H. Welker, auditor for a number of South Jersey communities, was the principal speaker at a conference of the Municipal Finance Officers Association of the United States and Canada, at the annual meeting of that organization held recently in Boston, Mass.

PLAN FOR CREEK PARK SUBMITTED

(continued from page 1)

able. The county was advised to make another request for traffic lights at dangerous intersections next year.

Dirt Road Fund Increased

The Board was advised by the state highway department that, according to an act passed during this year, the county appropriation for the dirt road fund had been increased from \$25,000 to \$50,000, thus doubling the amount of money that can be divided among the various municipalities of the county.

The members of the board voted that necessary steps be taken to secure this money from the state motor vehicle fund.

Front Street, Florence

Albert C. Jones, director of highways, and County Engineer E. L. Brannin were authorized to confer with township officials of Florence street, in that municipality. The appropriation calls for an expenditure of \$14,000 for widening and repaving, but it is also desired to lower the grade and install concrete gutters and curbs. The estimated cost of the complete undertaking is about \$45,000, and further information is desired in respect as to how much work can be done with the current appropriation.

Conference With Kelley

The members of the board will confer with Colonel Hugh Kelley, architect, on Friday, October 1, to go over plans for the new almshouse, the conference to be held in Trenton. Several freeholders will attend the meeting of the Association of Chosen Freeholders, at the Bridgeton Country Club, on October 11.

Nursing Project

Dr. Richard Anderson, of Burlington, and Dr. Charles A. Munro, of Marlton, appeared as representatives of the public relations committee of the Burlington County Medical

Society, to inquire as to the new WPA project which would supply free nursing in the county.

After the physicians were assured the nurses would be qualified, they asked that the nurses be called upon to register at the various hospitals in the county so they could be available whenever wanted.

The board held the matter under advisement until the project has been finally sanctioned.

PALMYRA STATION HOURS CURTAILED

(continued from page 1)

the public attitude toward train riding by increasing service and properly maintaining its stations than by curtailing existing facilities and thus inconveniencing its patrons.

As far as could be learned, the railroad has taken no action on the protest to date and no information is available concerning the attitude of Pennsylvania officials.

Many Express Opinion

A number of Palmyra citizens have expressed themselves in no uncertain terms regarding the limited hours during which the station will be open and it appears that the action of borough officials protesting the curtailment will have strong local backing.

Hours at the Riverton station remain as heretofore with the exception that the building will be closed all day on Sundays.

BIRTH

Mr. and Mrs. C. Singleton Mears of Shrewsbury Yard announce the birth of a daughter on September 21, at the Lying-In Hospital, Philadelphia. The child will be named Margaret Singleton Mears.

Fire Prevention Week

This year Fire Prevention Week will be observed from October 3 to 9. The slogan for the week, featured in posters and news releases issued by the National Board of Fire Underwriters, is "Lend a Hand."

This slogan is particularly apt. For if fire is to be prevented and controlled—and the hundreds of millions of dollars and thousands of lives fire destroys each year, are to be saved—all of us must lend a hand. Fire is largely an individual problem—each one of us, with the exercise of a little effort and care, can easily eliminate the common hazards on our property.

It is a simple matter to put on an individualized fire prevention period of your own, starting today. How long has it been since you cleaned out basement and attic—old newspapers, furniture, clothing and other odds and ends that are prolific sources of fire? Maximum demands will soon be made upon your heating plant—before then, have it inspected by an expert, and if necessary, repair and replace parts. Remember that amateur electrical repairs may be the cause of turning your home into a heap of ash and wreckage, unless properly installed and inspected.

Yes, it's always time to "Lend a Hand" when fire is involved.

If Your House Catches Fire

If your house catches fire—keep your head. Follow a simple but vital routine and your chance of escaping safely will be tremendously increased. Succumb to panic and thoughtless activity and your next stop may be the hospital or the morgue.

Writing in McCall's, John J. McElligott, New York Fire Chief, points out that two-thirds of our annual fire deaths occur in dwellings, mainly because the occupants don't know how to get out. And three-fourths of these victims are trapped on top floors, because they fail to recognize the danger signals of heat and pressure on bedroom doors.

The first thing the householder should do if awakened by fire, is to feel the bedroom door panel. If the wood is hot, don't open the door unless you want to sign your death warrant. If there is an exit via a window or roof, take it. If not, stay in the room with the door closed and call for help.

If the door is relatively cool, open it an inch, with your body braced against it so it can be instantly slammed if a rush of hot air follows the opening. If the heat outside is bearable, move with the utmost speed. Don't try to save belongings. Fire travels a thousand times faster than the uninitiated realize. A stairway that is passable one minute, may be a roaring inferno the next. And once you're outside—stay out! Many a life has been lost because someone rushed back inside a burning building.

Chief McElligott recommends that every family hold periodic fire drills, especially if there are children. The experience these drills provide may be a life-saver if fire eventually breaks out—a mind and body trained in the technique of escaping a burning building, are not so susceptible to the deadly delay and panic.

YMCA BRIEFS

Leaders' Institute

The annual state-wide group leaders' institute will be held at Camp Ockanickon this coming week-end, October 2-3, with sessions from Saturday afternoon at 2:30 to Sunday afternoon till 3 p.m. Howard G. Taylor, president of the county YMCA board, will preside at the Saturday evening session. He will introduce Richard E. Wood, of Moorestown, who will speak on "Why We Should Be World-Minded Citizens." Cliff Ergood will follow Mr. Wood and conduct a discussion period.

board meeting, which convened at The Willows for dinner, Tuesday evening, September 28th. Some two dozen members were in attendance. Significant reports of the boys' camp—Ockanickon, and the girls' camp—Matollonequay, were made by members of the camp board of trustees, John W. Thacher and Everett Haines. Maurice Haines reported on how things now are with the YMCA's in China.

Many fires are caused by defects in heating systems or carelessness in maintenance or operation. Losses from these fires are tremendous and involve many fatalities.

"Is he economical?" "Why, he is so thrifty that he has postponed buying an atlas until world affairs are more settled."

RIVERTON

The winner in the Sacred Heart P.T.A. blanket club last week was Miss Jeannette D'Autrechy, of Palmyra, and this week's winner was Mrs. William Rowan, of Thomas avenue.

Mr. and Mrs. Peter Geelan, of South Cambridge, N. Y., and Mr. and Mrs. Armon McTearian, of Troy, N. Y., were weekend guests at the home of Mr. and Mrs. Charles Geelan.

Mr. and Mrs. Merle Schaff and family have moved to an apartment in Philadelphia for the winter.

Mrs. J. J. Siddall is suffering from a broken back received when she slipped into a service station grease pit in the Province of New Brunswick, Canada, ten days ago. Mrs. Siddall got out of her car while the work was being done and slipped on a step into the pit striking her back on the step and the same time she fell into the pit. After ten days in the Mounton Hospital, New Brunswick, Mrs. Siddall was brought to her home on Lippincott avenue in Riverton. Mrs. Siddall is in a plaster cast which she will probably wear for several months.

Mrs. Maude Dannehower and son Robert, of New York, spent several days this week with Mrs. Florence Eval.

Mrs. Alma Evans spent last week-end in Toms River as the guest of Mr. and Mrs. Thomas Calhoun.

Mr. and Mrs. Giberson, of Lippincott avenue, have moved into the Stiles apartment on Main street.

The candidates of the G.F.S. will hold a food sale in front of Smith's store on Friday, October 1, from 3 to 5 p.m.

The G.F.S. members will have a rummage sale in the basement of the Parish House, Fourth and Howard streets, Thursday afternoon, October 7, 2 to 4:30. Any donation will be gratefully received. Phone 783.

Mr. and Mrs. John White, of 816 Washington avenue, are receiving congratulations on the birth of a daughter, Myrtle Faith, on September 21, at the West Jersey Hospital.

PALMYRA

The Palmyra Junior Woman's Club will have a card party on Monday, October 4, at 8:30 p.m., in Society Hall. Tickets will be 25c and there will be prizes and refreshments. The Club will also hold a rummage sale in Society Hall on October 2.

The Ladies Aid of the First Lutheran Church, Palmyra, will hold their next meeting at the home of Mrs. Harold L. Creager, 735 Garfield avenue, Palmyra, on Tuesday, October 5, at 8 o'clock.

K. C. CARD PARTY
FRIDAY NIGHT

The members of St. Joseph's Council Knights of Columbus have completed all their plans for a large-scale card party to be held this Friday night, October 1st, at the local K. of C. Hall.

Beautiful and unique prizes have been collected for this first card party of the season. Pinochle, bridge and five hundred will be played, also games for non-card players.

COVERED DISH LUNCHEON

The "Y" Auxiliary are planning a covered dish luncheon on Thursday, October 14, at 1 o'clock, in the "Y" rooms. All the friends of the Auxiliary are invited to attend and bring a dish and 25c. Following the luncheon there will be a fashion show by the Agnes Shop and Miss Verna Guest.

"Oh yes," said the pilot of the steamboat, "I've been on this river so long I know where every stump is."

Just then the boat struck a stump which shook it from stem to stern. "There," he continued, "that's one of them now."

DIVORCES INCREASE,
FINANCIAL WORRY
IS BASIC REASON

The increasing number of applications for divorces have been quite noticeable during the past few years of the depression. While there are many reasons presented for the requests, the basic cause has been financial difficulties, in other words, hard times.

When financial worry comes in the door, it breeds discontent, discontent brings irritability, and irritability brings conflict between man and wife.

Preserve the Home

The peace and tranquility of the home can be preserved, families kept intact, and the real American home can be preserved, if some thought is given to the cause—the lack of systematic saving for such emergencies.

The Palmyra Building & Loan Association offers you one of the best mediums in which you can save, with earnings above the average. They will hold their regular meeting this Monday, and will receive subscriptions to their new series from 3 until 9 p.m. in P. O. S. of A. Hall.

Church Notices

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor

Very seldom does Central Baptist start out on a definite object without accomplishing results. While a goal of 400 in attendance for Bible School and a like amount in a Rally Day offering seemed rather high, yet with the cooperation of every department and every individual, this was achieved. The picture presented at the Rally Day exercises was a most impressive sight and will long be remembered as 423 members from the cradle roll to the aged, crowded seating capacity of the church.

The services this Sunday will be as follows: 10:00 a.m., Bible School. Now that it was proven it can be done, no doubt the attendance at the school will be in the higher brackets. Visitors are made to feel right at home. If any are in the neighborhood, you are invited to come and see for yourself.

11:15 a.m., Morning Worship. Following the morning service, Pastor Lockett will have as his subject "The Sins That Crucified Him." Special music by the choir.

7:00 p.m., Young People's High School Group will meet in the Bible School room.

7:45 p.m., Evening Worship. Song service of fifteen minutes, followed by sermon by the pastor, "The Unspeaking Gift."

EPWORTH M. E. CHURCH
Rev. William A. Boyd, Pastor

"The Feast of Love" is the title of the message to be delivered by the Rev. W. A. Boyd, minister, this Sunday morning at eleven o'clock. The senior choir under the direction of A. E. Warnick will sing during the service.

Sunday evening at 7:45, the Young People's church hour. "Let It Out" will be the subject of the address to be given by Rev. Boyd. The song service will be directed by Mr. Boyd. The senior choir will sing. Mrs. John Lord will be at the organ. The trumpeters will be present.

The official board will meet in the Guild room this Monday evening at 8 o'clock. All members of the board are expected to be present.

Wednesday evening at 8 o'clock, the mid-week church services will be conducted by the minister.

This Sunday is Rally Day in every department of the church and church school. Every person affiliated with our church in any department is urged to be in his place Sunday.

CORRECTION

Miss Elinor S. Porter, Democratic candidate for County Committee (Female) in the 3rd District, Palmyra, received 40 votes and her opponent Miss Mary McLaughlin received 28 votes, in the primary election September 21st. The New Era election chart had these figures reversed in last week's issue.

Face powder is now used by 95 of every 100 women in England.

STOUT ELECTED
COUNTY CHAIRMAN

Freeholder Charles R. Stout was elected chairman of the Burlington County Republican Committee at its annual meeting held in Mt. Holly, Tuesday night. The Stout ticket won against the ticket sponsored by the New Deal group.

The ballot was as follows: chairman, Charles R. Stout 102, Dr. Harold E. Longsdorf 45; first vice chairman, Effie E. Phillippino 80, Alma Evans 64; second vice chairman, Blanche Fox 84, Carrie T. Shober 48; secretary, Nelson G. Myers (acclamation); assistant secretary, Marion C. Haines (acclamation); treasurer, F. George Furth (acclamation).

The meeting made certain committee appointments and endorsed the entire Republican ticket before adjournment.

Former Sheriff George N. Wimer acted as temporary chairman and Nelson G. Myers acted as temporary secretary.

OBITUARIES

GEORGE W. SACK

George W. Sack, 75, husband of Mary Sack, died at his home Broad and Vine streets, Monday evening, following a long illness.

Funeral services will be held this afternoon (Thursday) from his late residence, the Rev. Harold L. Creager officiating.

Interment will be made in the Arlington Mausoleum, Camden, Frank A. Snover, funeral director.

CHARLES C. WOLF

Charles C. Wolf, 63, of 803 Engard avenue, Delair, died at his home suddenly Monday evening.

Funeral services will be held from the Snover Funeral Home, Friday afternoon at 2 o'clock, the Rev. McDonald, of Delair, officiating.

Interment will be made in Oakland Cemetery, Philadelphia.

MRS. HARVEY E. STEWART

Mrs. Harvey E. Stewart, wife of Harvey E. Stewart, of 430 Thomas avenue, Riverton, died Monday following a long illness.

Funeral services will be held this (Thursday) afternoon from her late residence, the Rev. Francis B. Downs, of Riverton, and the Rev. Samuel Hardman, of Riverside, officiating.

Interment will be made in Lakeview Cemetery, Frank A. Snover, funeral director.

Mrs. Stewart is survived by her husband, one son, Charles, of Riverton, and three daughters, Mrs. Arthur Johansen, of Scotch Plains; Mrs. Edward L. Coffey, of Brooklyn, and Mrs. Brooks Evert, of Riverton.

Mrs. Stewart was one of the early members of the Riverton Parent-Teacher Association.

MRS. ALICE R. STERLING

Mrs. Alice R. Sterling, wife of Bowman S. Sterling, of Philadelphia, formerly of Palmyra, died on Friday, September 24, and was buried in Ashburnham, Massachusetts, Tuesday, September 28.

Mrs. Sterling is survived by her husband, two daughters, Mrs. Frank T. Steele, of Philadelphia, and Mrs. Walter L. Bowen, of Riverton, and six grandchildren.

CLOTHING NEEDED

Clothing of all sorts is needed for the Riverton-Cinnaminson Welfare Association annual rummage sale. Articles can be left in the Welfare office, rear of 609 Main street, or will be called for on phoning the office, Riverton 284.

PALMYRA LOSES IN LAST QUARTER

Collingswood Repeats Last Year's Performance to Win by 6-0 Score

The Collingswood jinx again proved too much of a handicap for Palmyra High to overcome, and the South Jersey Group 4 champs managed to eke out a 6-0 victory over the locals, in the season's opener played last Saturday afternoon on the field of the opposition.

As in 1936, a last quarter touchdown by the enemy provided the winning margin after the Red and White had played the champs to a standstill for three-quarters of the engagement.

Scoring Chance Fails

The charges of Coach Dimond had an excellent opportunity to score with the game only a few minutes old when Habernern, Palmyra left guard, blocked a punt on the enemy 40 yard line and recovered the ball on the 35. The local offense advanced the pigskin to the 20 yard stripe where a lateral went astray and Collingswood took possession.

Collingswood Tallies

The lone score of the game resulted in a Collingswood drive from the local 40-yard marker. The advance proceeded to within 12 yards of the Red and White goal where resistance stiffened. At this point, Coach Irvine called upon his strong reserves and three plays through the line sent the ball over.

The try for conversion was blocked by Griffith, Palmyra center.

The battle was witnessed by 5,500 fans, including a large delegation of local reporters.

Statistics of Game

POPULAR BILL AT CAMDEN ARMORY

Chief Thunderbird, Saanich tribesman, practically unknown to Camden Armory fans until he ran across Ernie Dusek a few weeks ago is being brought back by the two Hanlyns to star in their next grappling show scheduled for Thursday night in the huge drillshed.

Stanley Pinto of Nebraska and Ed Meake of Ohio, should put on one of those sizzling affairs when they meet in the semi-final of one fall with a 45 minute limit. Irish Jack Kennedy meets a tartar in Casey Berger of Arizona in the third tilt of 30 minutes. Mike Masurli faces Jake Patterson of Syracuse in the second and Walter Podolok opens with Rebel Red Russell in the first 30 minute match.

Electric cords and appliances should bear the approved label of Underwriters' Laboratories.

GAME LEAGUE TO MEET ON OCT. 14th

President E. Budd Marter has called a meeting of the Burlington County Game Protective League to be held at the court house in Mount Holly, on Thursday night, October 14, at eight o'clock.

This will be the first meeting after the usual summer lay-off and it is expected that the attendance will be large.

Business of interest will be taken up for general discussion; arrangements have been made for a program of entertainment and there will be a distribution of door prizes.

BIGGEST EVENT OF FALL SEASON

Softball League Stag Party Promises to Draw Large Crowd Oct. 18

"The biggest event of the fall sports season," This, in the opinion of the committee in charge of arrangements describes the Softball League Stag Party which will be held in the Riverton Fire House, on Monday evening, October 18, at 8:30 o'clock.

Included on the program will be various and sundry acts of entertainment, speakers, an orchestra and a bountiful buffet supper.

Kees Assisting

The entertainment committee has enlisted the support of Arthur W. Kees, former manager of the Broadway Theatre, Palmyra, and now holding a similar position at the Savar. Mr. Kees has promised to furnish a dazzling array of talent for the occasion. Other members of this committee reported much progress at a meeting of those in charge of the affair held last Monday night.

Tickets on Sale

Tickets for the affair are on sale at the extremely moderate price of 25 cents, admission being charged only to defray the necessary expenses of the party.

According to President Joseph Yearly, a ticket selling at this figure will buy the most in entertainment that can be obtained anywhere and that those who attend will see a show worth at least several times the price of admission.

Tickets can be obtained from any of the team managers or members of the league committee. The affair is open to the general public, but those interested in being present are urged to obtain their tickets as soon as possible, since the capacity of the hall is only 250 and all indications point to an early sellout.

BEAGLE AND HOUND TRIALS

All members interested in the Burlington County Game League Beagle and Hound Trials are invited to meet at Jones' Garage, Mount Holly, on Tuesday, October 5, at 8 p.m. Marcus W. Newcomb, M.D., Chairman.

REVOCATION OF DRIVING LICENSES

A total of 154 persons lost their driver's licenses during the week ending Friday, September 24, according to an announcement made by Motor Vehicle Commissioner Arthur W. Magee.

Twenty-eight were for drunken driving; 8 for reckless driving; 14 for speeding; 48 for failure to appear in answer to summonses; 11 were revocations resulting from fatal accidents; 23 habitual violators and all others 22.

With the inclusion of this week's figures, the department during 1937 revoked 1,208 licenses for drunken driving and the total of all revocations reached 5,963.

JERSEY POTATOES ARE PLENTIFUL THIS YEAR

New Jersey farmers are harvesting about 10,400,000 bushels of white potatoes, or 1,100,000 bushels more than last year and 3,800,000 bushels more than the average crop. The nation's potato prospects on September 1, indicate a crop of 403,393,000 bushels, which is 22 per cent larger than the 1936 crop and 8 per cent above the average production.

Soviet Russia harvested 212,000,000 acres of grain in 1936.

WALLACE WINS S. J. AMATEUR

Local Golfer Shoots 75 to Annex Title; 17 Year Old Youth Second

C. Brook Wallace, of Riverton, and local country club champion, annexed the South Jersey Amateur Championship last Thursday afternoon, on the Riverton course, when he shot a 75 in the 18-hole medal play to lead a field of 150 of South Jersey's best amateurs.

Wallace had previously been runner-up three times in this event.

36 for First Nine

The new champion was one of the early starters and spun a 36 for the first nine. He was two over par on the second, but got a birdie 4 on the fifth, which gave him one over par going out.

In the last nine, he was one over par on the 10th, 11th and 15th, getting a 39.

His scores compared with par follow:

	Out	In
Par Wallace	4 3 4 3 4 4 4 4 4 4 35	4 3 5 4 3 4 4 4 3 35
Par Wallace	4 3 3 3 5 4 6 4 3 4 35	4 3 3 3 5 4 6 4 3 4 35

Jennings Second

As the afternoon wore on, the score of Wallace stood practically unchallenged until Sonny Jennings, of Medford Lakes, posted a 76. This was later equalled by Ben Besenick, of Merchantville, but none of the late finishers were able to do better than 77 and the 75 of Wallace proved to be good enough to win the affair.

Jennings, who is only 17 years old, went out in the very snappy score of 35, but his game fell off during the last nine and he had to be content with a 41 which left him one short of a deadlock with Wallace.

Jennings' Card

Jennings' card, compared with par, was as follows:

	Out	In
Par Jennings	4 3 4 3 4 4 4 4 4 4 35	4 3 4 3 4 4 4 4 4 4 35
Par Jennings	4 3 4 3 4 4 4 4 4 4 35	4 3 4 3 4 4 4 4 4 4 35

Class B Winner

In Class B, handicaps from 9 to 16, H. F. Jones, of Riverton, shot 37 and 43 for a low gross of 80. The low net honors were captured by Dr. W. P. Chaffant, Jr., of Ocean City, who went around in 81 which, with his handicap of 13, gave him a 68.

Class C

The Class C winner (handicaps over 16) was another local golfer, H. C. Pittinger, who had 47-43 for a low gross of 90. L. C. Krusen, also of Riverton, won the low net prize in this class by shooting a 93. A 20-handicap gave him a net score of 70.

A large number of guests were present to watch the event, which was played in ideal weather over a course in perfect condition.

An ocean liner going at a twenty-five-knot speed burns 700 tons of oil daily.

If you want a thing done well don't do it yourself unless you know how.

PENNSGROVE IS NEXT OPPONENT

On Saturday, Palmyra High journeyed to Pennsgrove for the second contest of the season in which the locals hope to annex their first victory of the season.

The first home game comes on the following Saturday, October 9, when Audubon provides the opposition on the local field.

Haddon Heights plays at Palmyra on October 16, after which there will be three games in succession on enemy territory.

Important Meeting

An important meeting for all bowlers in the Artisans' League will be held at the Palmyra Alleys to-night (Thursday) at 8:30 o'clock. The presence of all those entered in this league is urgently requested.

FALSE ALARMS ARE DANGEROUS

Everyone should be ever alert to prevent prankish children and irresponsible grown-ups from sounding false alarms. They not only endanger the lives of firemen, pedestrians and others, but also take the firemen and their apparatus away from their stations when they may be needed vitally for actual fire. The sounding of a false alarm is a serious offense and is being punished severely by heavy fines and imprisonment.

Many fires originate in paper which is allowed to pile up in cellars. Get rid of it now.

EVERYONE LOSES WHEN FIRES OCCUR

In Recent Years Annual Waste By Fire Has Been on Enormous Scale

"Don't think you are not concerned with fire losses," cautions the National Board of Fire Underwriters in a bulletin sent out in connection with Fire Prevention Week, "because fires burn up wealth irrevocably."

Few people look beyond the fact that most burned property value is replaced by insurance. And it is indeed a fortunate thing that sound fire insurance does provide a financial safeguard which enables so many to rebuild. But, the truth of the matter is that burned material cannot be replaced.

Gone Forever

It is gone forever, and the nation is poorer by that much in tangible wealth. In recent years, the annual fire waste has been on such an enormous scale that if continued indefinitely, our country eventually may be devoid of natural resources, our industries impoverished and property well nigh impossible. Fire brings unemployment, loss of time, wages and buying power, sometimes checking the growth of communities and reaching out a detaining hand to dependent or allied industries.

So it is with a feeling of anticipation that the awakening of many citizens to the consciousness of fire dangers is observed—an anticipation that perhaps this criminal waste of resources may be checked. Lead a hand—everyone—during Fire Prevention Week.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of
Agriculture

Too much emphasis cannot be
placed upon the early planting of
bulbs, despite the fact that some
gardeners believe that if bulbs are
planted too early they will start
fall growth and suffer injury. This
is an erroneous idea. Except at
times with some of the tender bulbs,
such as Paper-white Narcissus and
a few others, it is very seldom that
this injury occurs. Bulbs may be
put into the ground up until the
time is frozen, and even after that
time if it is possible to work the
ground.

Iris, grape-hyacinths and the Ma-
donna Lily naturally make fall
growth, and they need this to do well
in the spring. Give them a little
protection when the ground begins
to freeze so they will not lose all
their leaves.

Finish planting peonies, Oriental
Poppies, Bleeding-hearts, Virginia
Cowslips, Japanese and Siberian
Iris and daylilies as soon as possible.
Most of these plants make some fall
growth.

Watch for late attacks of plant
lice and spray with any of the stand-
ard insecticides that contain either
nicotine, pyrethrum or rotenone. In
preparing spray mixtures, read the

SAFETY RULES

One of the rules of safety is to
know how to save life when fire
strikes. If you value your life, keep
calm in case of fire.

1. When clothing becomes ignited,
drop to the floor and roll into a rug
or blanket to smother the fire, keep-
ing the rug tight about the neck to
protect the face and hair from flames
and the lungs from inhaling deadly
fumes.

2. When the alarm of fire sounds
in a public building, WALK, never
run, to the nearest exit. Running
starts a panic. In ANY building,
upon discovery of fire, first call the
fire department, then warn other
occupants.

3. If you awaken at night and
smell smoke, don't open the door
and let in super-heated air and
fumes to cause your death. Place
your hand on the door and if it feels
hot, keep it closed. If it isn't hot,
place your foot against it, avert
your face and open it a little. If
there is pressure from fire outside,
you can then slam the door shut and
seek another means of exit. Plan
now what other exit might be avail-
able in case of fire.

Fire is a good servant, but a hard
master.

Labels on the packages carefully and
use the products according to the
recommendations of the manufac-
turer. Good results can generally
be secured from any of the standard
kinds if they are used according to
directions.

Use The New Era Want-Ad Column as a medium for exchange, sale, buy or rent—Just Phone 712. Only ten cents per line per insertion.

Women don't run Marathons

They save them—in their household and social activities—by using their telephones.

A group of New Jersey women found this out by measuring* their day-to-day accomplishments for ten days with, and ten days without, the aid of the telephone.

Their average saving in steps when using the telephone equaled about five marathons every year (a marathon is over 26 miles long.) (The maximum saving totaled over 4,000 steps a day—enough to run 16 marathons a year.) With the telephone they also—gained up to 3½ hours extra every day—for leisure or added accomplishment; and strengthened and renewed friendships both in and out of town.

The more you use your telephone to go places, visit, and get things done quickly, the more you help yourself to enjoy a happier, easier, more satisfying life.

TALK 18 miles for 15¢, 30 miles for 25¢, any time, anywhere in New Jersey (station-to-station rates). Rates to points about 50 miles away, or more, are reduced every evening after 7, and all day Sunday.

*Each recorded her daily activities, and wore a pedometer, set to her step, to measure the miles she walked when with and without the telephone.

NEW JERSEY BELL TELEPHONE COMPANY

NEW TYPE FIRE EXTINGUISHER
 Uses Powder Instead of Liquid; Pumped to Base of Fire; Quick Acting

The South Jersey Insulating Company is advertising in this issue of The New Era an entirely new type fire extinguisher known as the Warr extinguisher, and for which it has the agency in South Jersey.

The cylinder, unlike most extinguishers, is filled with a dry powder, and is pumped to the base of the flames, similar to any other hand extinguisher. The unique features of the Warr extinguisher, however, are that the material in the cylinder does not deteriorate with age, will not leak out, forms no dangerous gases, is non-explosive in action, will not injure persons, furniture or clothing and snuffs out flames instantly.

100 Per Cent Effective

It is 100 per cent effective in all types of fires such as: automobile fires, grease fires, gasoline or kerosene fires, etc. The simplicity of its construction and operation makes the Warr fire extinguisher ideal for domestic use.

Its makers claim that once the Warr extinguisher is filled with the dry chemical powder, it is ready for instant use regardless of the days, months or years it may have hung unused. The powder will not freeze, evaporate, or deteriorate, nor can time affect its fire extinguishing properties. It requires no periodic inspection or adjustment while not in use.

Complete information on this revolutionary type of fire extinguisher may be had by calling Camden 1230 or by dropping a card to the South Jersey Insulating Co., at 300 Broadway, Camden, N. J.

SPONTANEOUS IGNITION
 A careful search for hazards that might cause these "mystery" fires is well worth the effort: Have any oil-soaked rags used for dusting or polishing been left in attic, closets, kitchen, pantry or cellar?

HERE'S THE PROTECTION YOU NEED

The WARR Fire Extinguisher . . .
 was perfected by Chief Edward H. Warr, an active fire fighter for over 25 years. His long experience with disastrous fires, originating from simple and preventable causes, inspired Chief Warr to perfect a fool-proof, quick acting, non-explosive, dependable and personally safe fire extinguisher; one which would snuff out flames instantly without generating dangerous chemical fumes, or be injurious to persons, furniture, clothing, etc.

AT LAST—A QUICK, SAFE, INEXPENSIVE, FIRE EXTINGUISHER THAT IS EFFECTIVE ON ANY TYPE OF FIRE

OUR SERVICE DEPARTMENT WILL BE UNDER THE SUPERVISION OF MR. FRANK LLOYD, WHO HAS BEEN THE WELL-KNOWN DODGE-PLYMOUTH SERVICE MAN IN THIS VICINITY FOR MANY YEARS

Our Slogan—"WE ARE DEPENDABLE"

FIRST MEETING RIVERTON P.T.A.

A large number attended the first meeting of the Riverton P.T.A. which was held last Thursday afternoon in the school auditorium.

Mrs. Charles H. Yost, president of the association, opened the session with an address of welcome and outlined plans for the year.

Miss Caroline M. Staman, supervising principal, gave an interesting talk on the importance of the report card.

The eighth grade pupils presented a sketch on the Constitutional Convention and there were vocal selections by Mrs. Joseph Turnock, who was accompanied by Mrs. C. V. Devery.

Milton C. Hutt, discussed the plans for the metal working class for adults which will start in the near future.

BRIDGE CLASS STARTS ON OCT. 7

Charles A. Goren, contract bridge teacher and national tournament star will begin his series of six lectures at the Porch Club, Riverton, Thursday, October 7, at 10 a.m.

Members are requested to arrive before that hour, as the lectures will begin promptly.

Mr. Goren, who is a member of a number of well-known bridge clubs of the east, is also one of the Four Aces who won the national team of four championships in 1936-37.

Last spring, Mr. Goren won the pair, mixed pair, and team of four championships in Maryland, playing with three different partners. Two weeks ago he did the same thing at Warren, Pa.

Mr. Goren, at present, is in a tie for first place in respect to national bridge standing.

RED DEVILS TO PLAY HERE OCT. 8

The Palmyra Red Devils will play their first game on the local field under lights on Friday, October 8, at 8:45 o'clock.

Last Sunday the locals lost to the crack Clifton Heights team by the score of 2-0.

The fast L.A.M. eleven of Norristown will be met on the field of the opposition this Sunday afternoon.

MYERS THANKS VOTERS

Although defeated for the office of Freeholder it is with deep appreciation and gratitude that I extend my thanks to the voters of Burlington County for their support in the primary election. My whole-hearted support will be given to the victorious nominees.

Nelson G. Myers.

Westfield Friends' School

Westfield Friends' School opened Tuesday, September 21. An assembly was held in the fifth and sixth grade rooms. June Rodman gave a speech welcoming the boys and girls to the new teachers. We sang the school song and returned to classes.

On Thursday, September 23, the third, fourth, fifth and sixth grades went to Camp Ockanickon where we had lunch and took nature walks, to collect nature specimens. We went boat riding and came home in time for the bus.

In our science classes we have been studying plant and animal life. We have taken field trips in order to become acquainted with wild life about us. One of the pupils in the fifth grade brought in a box turtle. We have made a pen for him and named him "Tomy." We have put dirt, rocks, plants, and a pool of water to make him feel at home.

A collection of rocks is also on display. We hope to add to this collection many more specimens of rocks.

Later on we plan to make a salt water aquarium which will have in it some small fish, sand, and salt water plants.

David Pittenger, 6th Grade.

The normal dust count over a city such as Washington, D. C., is about 5,400 particles to the cubic inch.

CARD OF THANKS

I wish to thank all the voters of the second district who voted for me for county committee in the primary election on September 21st.

Mrs. Alma Evans.

BOROUGH OF RIVERTON

Sale of Lands for Unpaid Taxes for Years as Noted
Sale on Saturday, October 16, 1937, at 10 o'clock a.m.

NOTICE OF SALE

NOTICE is hereby given that I, C. Kenneth Davis, Collector of the Borough of Riverton, County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, the sixteenth day of October, 1937, at ten o'clock in the morning of said day at the

Riverton Council Chambers

503 Howard Street, in said taxing district, expose for sale the several tracts and parcels of land hereinafter specified, or any part or parts of said land sufficient for the purpose on which taxes and liens for the years as noted remain unpaid and in arrears, to such person or persons as will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 8 per cent, per annum, thereon, including interest and costs of sale.

This sale is made under the provisions of an act of Legislature entitled "An Act concerning unpaid taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens thereon" (P.L. 1919, p. 283, amending P.L. 1918, p. 883).

The said lands hereunder described by Block and Lot numbers, and the names of the persons against whom the said taxes and liens have been assessed, and the amounts of the same including interest to July 1, 1937, are as follows:

Block	Lot	Owner	Taxes for year	1933	1934	1935	1936	Interest July 1, 1937

SHERIFF'S SALE

By virtue of a Writ of Fieri Facias to me directed, issued out of Court of Chancery of the State of New Jersey, I will sell at public sale on

THURSDAY, SEPTEMBER 30, A.D., 1937, between the hours of 12 and 5 o'clock in the afternoon of said day (to wit, at 2 o'clock) Standard Time, at the Court House, Mount Holly, New Jersey:

ALL the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Borough of Riverton, in the County of Burlington and State of New Jersey, viz:

BEGINNING at a point in the Southwesterly line of Linden Avenue (formerly First), distant 275 feet Northwestwardly from the Westerly corner of Linden Avenue and Seventh Street; thence Northwestwardly along said Southwesterly line of Linden Avenue, the distance of 50 feet; thence between parallel lines of that width or frontage, Southwesterly at right angles to said Linden Avenue, the distance of 150 feet.

BEING bounded Northeastwardly by Linden Avenue (formerly First); Southeastwardly and Southwesterly by land now or formerly of Sara Ida Davis.

BEING the same land and premises which Roscoe C. Shinn, Sheriff, by his deed of conveyance bearing date August 18th, 1931, and recorded in the office of the Clerk of Burlington County in Book No. 738 of Deeds, page 186 &c., granted and conveyed unto the said Franklin P. States, Jr., in fee. Decree approximately \$3,501.16 besides interest, costs and fees.

Seized as the property of Franklin P. States, Jr., et ux., et al. defendants; taken in execution at the suit of Cinnaminson Building and Loan Association, of Riverton, New Jersey, complainant; and to be sold by

JOHN M. CHANT, Sheriff.

Solicitor: Wm. D. Lippincott.
Dated: September 1, 1937. 9-9-9-30-37
Printer's fee \$19.74
