PRICE FIVE CENTS

## NO CHANGE IN REPORT CARDS

Riverton School Board Votes To Keep Present Form; Patrol Discussed

The Riverton Board of Education, at a meeting held last Monday night, voted to retain the type of report card now in use, and decided that this card be issued six times each school year.

This action followed a proposal from Miss Caroline M. Staman, supervising principal of the school, that new report cards of a more personal, narrative type be employed during the present year.

A lengthy discussion by board members preceded the decision to retain the present form.

### Safety Patrol

The Safety Patrol started on Monday of this week under the supervision of the state and local police was also considered at length.

It was the consensus of opinion that the intersection at Broad and Main streets was too dangerous a crossing at which to station a student patrol officer. The members of the board appreciated the fact that the student would not direct traffic, but would act to restrain children from dashing into the street when cars might be approaching.

After several members of the board had expressed their opinions on the matter, it was voted to withdraw the patrol from Broad and Main streets and to continue the one at Main and Fourth, for the present, at least, under the supervision of one of the teachers.

### Metal Working Class

Mrs. Charles H. Yost requested that the board amend a previous resolution in respect to the metal working class at the school which will start in the near future. The previous ruling required that all persons taking the course be residents of Riverton. This was changed to read that residents of that community be given preference over those residing out of town.

Mrs. C. P. Mayfield has been appointed chairman in charge of this project.

### Auditor's Report

The report of the auditor, William H. Welcker, of the firm of Charles (continued on page 2)

## MRS. MURRAY C. BOYER CHAIRMAN OF SOCIAL WORK GROUP

Mrs. Murray C. Boyer, of Riverton, is chairman of the Burlington County Committee for the Common Sense Appeal of the New Jersey Conference of Social Work. Members of the Burlington County Committee enlisted to date include:

Mrs. S. Emlen Stokes, Moorestown; W. F. Reeve, Moorestown; Mrs. James M. Conroy, Moorestown; Mrs. Dorothy N. Cooper, Moorestown; Walter L. Bowen, Riverton; Mrs. Catherine Blair, Riverton; Miss Elizabeth C. White, Whitesbog; Mrs. F. Morse Archer, Jr., Moorestown; Miss Emma Severns, Mt. Holly; Miss Lucy W. Reeve, Burlington; Miss Edith Coale, Riverton; W. R. Valentine, Bordentown; Miss Elizabeth C. Devery, New Lisbon.

## MEETING OF LOCAL DELPHIAN SOCIETY

The Riverton Chapter of the Delphian Society will hold a meeting at the Riverton Country Club on Friday, October 15, at 9:45 o'clock.

Officers of the Riverton Chapter Mrs. David F. Gould, president; Mrs. Arthur T. Hagetoz, vice president; Mrs. H. C. Pittinger, secretary, and Mrs. T. R. Gardner, treasurer.

When pride turns a man's head he is sure to look the wrong way.

## BLAZING TAR IS CAUSE OF ALARM

The Palmyra Fire Department answered a call shortly before 2 o'clock last Thursday afternoon to extinguish a lot of blazing tar on Parry avenue, below Charles street.

Workmen were heating the material which was to be used on a driveway when the tar boiled over the top of the container and became ignited.

When the firemen arrived the flames were shooting high into the air and had scorched several trees nearby.

The blaze was quickly extinguished by the use of sand.

## DONATION DAY FOR ZURBRUGG

To Be on Saturday, October 9; Money for Potatoes Is Especially Needed

Saturday, October 9th, will be Donation Day at the Zurbrugg Hospital, and the local auxiliaries are working to make this annual affair a success, as it is of great importance to the hospital.

The Riverton Auxiliary is collecting donations of canned goods, fruit, jellies, etc., and is especially anxious for money with which to buy potatoes. Riverton has been responsible for this item for several years and has provided enough potatoes to last the hospital several months.

### All Donations Welcome

All donations will be most welcome and may be left with Mrs. Henry Randall, 709 Linden avenue, president of the Riverton Auxiliary, or, members of her committee. If the donor wishes goods collected, please telephone Mrs. F. B. Elwell, Riverton 235.

The Riverside Auxiliary will serve coffee and cake on the hospital grounds from 2 to 5 o'clock on Saturday, the 9th, and visitors are cordially invited to inspect the hospital then.

While the Zurbrugg Hospital is familiar to many, this is a good opportunity for everyone to see the beautiful building and its modern equipment, which is of such great value to our community.

## SAFETY PATROL IS BEGUN AT SCHOOL

Last week Chief Gootee, of the Riverton police, and Corporal McKinley, of the New Jersey State Police, conferred with Miss Caroline M. Staman, supervising principal of the local school, in respect to inaugurating a Safety Patrol.

After a survey of the situation had been made, it was decided to have pupil officers stationed at the following intersections: Fourth and Main, Broad and Main, in addition to the one previously established at Fourth and Howard.

The patrol started operating last Monday, but the board of education voted to eliminate the Broad and Main street post at its meeting on Monday night.

The patrol will not direct traffic at any intersection, but will work toward assisting younger children at the crossings.

### REGISTER FOR Y TRIPS

Prompt registration at the YMCA building, Palmyra, is requested for all those who intended to go on the following trips.

Saturday, October 23, Princeton-Rutgers game, at Princeton.

Saturday, October 30, West Point trip.

### TO ORGANIZE CLUB

Mrs. Mervil E. Haas, of Riverton, will organize the Democratic Woman's Club of Hunterdon County, on Saturday, October 9, at the court house, in Flemington.

## THE NEW ERA IS GIVEN NPA AWARD

Adjudged Third Best Weekly Tabloid in State; Many Papers Entered

The New Era was adjudged to be the third best weekly tabloid in New Jersey at the annual newspaper exhibit held at New Brunswick, under the auspices of the New Jersey Press Association, on Monday of this week.

Twenty-five publishers entered their papers in this class, which was unlimited in respect to circulation.

### Other Winners

First place in the tabloid class was taken by the Milburn-Short Hills Item, and second by the Bordentown Register. Both of these papers are published in much larger communities than The New Era and have a considerably larger circulation.

The judging was based on a single issue of each publication and the date was chosen by the committee in charge. Thus, there can be no special preparation for the exhibit as no editor knows what issue will be selected. The date for the exhibit this year was the paper printed during the week of May 10 to 14.

### Judge

The judge of the exhibit was W. Winfield Challenger, director of printing, N. W. Ayer & Son, Inc., advertising specialists, of Philadelphia.

The award to The New Era was based on the general excellence of the entire paper.

## MOUNT RESIGNS LOCAL YMCA POST

Leaves October 15 to Accept Important YMCA Position at Passaic, N. J.

Wilton E. Mount, who has been secretary of the local YMCA since February, 1931, has resigned his position as of October 15th. Mr. Mount has accepted a call to the Passaic, N. J., YMCA as Young Men's and Membership Secretary. He and his family will move to their new home in Passaic soon after his resignation takes effect.

As part of his "Y" duties, Mr. Mount has been the playground instructor of the Westfield Friends' School, Haddonfield Friends' School, and conducted the Riverton Memorial Park playground.

### No Successor Named

Mr. Mount states that he is indeed grateful to the people of these communities for the opportunity that he has had to serve youth through the various activities in which he has had a small part.

The board of directors have not as yet made any formal plans as to the future of the "Y" work of Palmyra and Riverton.

## WELDING CREW AT WORK ON TRACKS IN THIS SECTION

Several workmen in the employ of the Pennsylvania Railroad are engaged in welding work on the tracks which run through Riverton and Palmyra.

This operation consists of filling in the space between rail joints and then grinding the surface so that uneven places are entirely removed.

The work is done at regular intervals, being part of the maintenance to insure a roadbed which will be as smooth-riding as possible.

Acetylene-oxygen torches are employed in the welding process, and a large number of tanks filled with these materials are being stored at the Riverton freight station.

## ALMSHOUSE BIDS ON NOVEMBER 14

At a meeting held in Colonel Hugh A. Kelley's Trenton office last Friday, the Burlington County Board of Freeholders learned that plans for the new almshouse have been completed and that specifications are expected to be ready about November 1.

If there are no unexpected delays, the board expects to receive bids for the new building at a special meeting slated for November 19.

Based on the plans, construction may run as high as \$225,000, but bids will be requested with several alternatives.

## NEW YACHT CLUB IS FORMED HERE

Dr. C. F. Voorhis, of Palmyra, Is Commodore; Club House at Wright's Point

The formation of a new yacht club was announced on Tuesday of this week by Dr. Charles F. Voorhis, of Palmyra. The organization, which will be known as Delran Yacht Club, brings together a group of well-known Delaware River yachtsmen with the following officers: Dr. Charles F. Voorhis, commodore; G. Frederick Petry, vice commodore; George R. Conover, rear commodore; Walter S. Hansen, treasurer; George E. Cole, secretary. The board of governors consists of the following members: Dr. Charles F. Voorhis, chairman, John Burbage, George E. Cole, George R. Conover, Walter S. Hansen, G. Frederick Petry, Forrest Potts, Walter H. Schellenger, Benjamin F. Sinclair.

### Club House Location

The club house is the spacious building and grounds heretofore occupied by the Delaware Country Club, whose membership and facilities are merged with the new association under the Delran Yacht Club name and flag. The location and surroundings at Wright's Point on the east bank of the Delaware River in Cinnaminson township, is one of great natural beauty as well as providing ample and safe anchorage for pleasure boats.

The full program of winter activity is already under way, and by the opening of the 1938 season, Delran Yacht Club will offer unexcelled water approaches and recreational facilities for members and guests.

## EPWORTH LEAGUE TO HOLD RALLY

The Southern Group of the Trenton District Epworth League will hold its October rally at Delanco M. E. Church, on Saturday, October 9, 1937. The rally will start at 4 p.m. with a recreational program in the form of a musical contest. Each League present will give two selections, either sacred or secular. Supper will be served at 6 p.m., followed by the evening worship service at 7.30.

The Northern Group of the Trenton District Epworth League will hold their rally on the fourth Saturday of the month, starting with the October rally. This month's rally will be held in the Lambertville M. E. Church on Saturday, October 23. The rally will start at 4 p.m. There will be a musical contest during the recreation period, with two selections from each League represented. Supper will be served at 6 p.m., followed by a worship service at 7.30.

### FASHION SHOW

A fashion show by the Agnes Shop and Miss Verna L. Guest will be the feature of the covered dish luncheon to be held by the "Y" Auxiliary at the club rooms on October 14 at 1 o'clock.

All the friends of the Auxiliary are invited to attend and bring a covered dish and 25c.

## IMPROVEMENTS AT THE PORCH CLUB

Riverton Organization Begins 47th Year; Modernized House Facilities

The opening luncheon of the Porch Club, Riverton, held Tuesday afternoon, marked the beginning of the 47th year of that organization, which was founded in the early spring of 1890.

The affair was also the first function to be held in the club house, at Fourth and Howard streets since the completion of extensive improvements to the building.

### New Facilities

For many years The Porch Club has been entirely free from debt and last spring shares in the Cinnaminson Building and Loan Association matured. The club members decided to employ this money in making extensive alterations to the club house, completely modernizing it in every respect.

J. Fletcher Street, of Edgewater Park, was the architect in charge and the contracting work was handled by George W. Shaner & Sons, of Palmyra. Local labor was employed during the entire project.

### New Stage

During the building operations, additions were made on both sides of the existing structure and the interior was extensively altered in order to provide new accommodations.

The building now has a new, modern stage which will be of great value to the many activities where such a facility is most essential.

### Kitchen

A roomy kitchen, with complete equipment, is now available for the many luncheons, teas and suppers held at The Porch Club. Another addition is the provision of a separate board room for meetings of executive groups.

Included among the several other improvements is the installation of an oil burner.

The interior of the club house has been completely redecorated throughout.

### Used Often

The club house is used by many local organizations for various civic affairs, among these being the Riverton-Palmyra Rotary Club, Riverton-Palmyra Club, etc. (continued on page 2)

## PENSION PETITION IS WITHDRAWN BY RIVERTON POLICE

The petition requesting that a police pension plan be presented to the voters of Riverton at the general election has been withdrawn according to an announcement made on Monday by Chief William Gootee.

The reason for withdrawing the petition, according to Chief Gootee, is that two officers on the force who entered the service after reaching the age of 35 would be required to pay six or seven per cent of their salary instead of four per cent had they entered before attaining that age.

In view of the salaries of the men at present this assessment appeared to be excessive and has caused the temporary withdrawal, at least, of the petition.

## NO CHANGE IN REPORT CARDS

(Continued from page 1)

S. Rokey & Co. was presented at the meeting. The report showed that the books of the district clerk and custodian of school funds were correct and in the proper form.

A report from the Wagner-Taylor Co. concerning an inspection made by the fire insurance underwriters, revealed that the building was maintained in excellent condition in respect to elimination of fire hazards. All electrical wiring was found to be in fine shape and the fire extinguishers and hose were well maintained.

### Fire Drill

In a recent fire drill, the first of the year, the entire building was emptied in about one minute, this time being considered excellent.

The American Heating Co. declined to assume responsibility for extending the air duct outlets over the parapet in the new section of the building. This step is necessary in order to permit the ducts to function properly and enable these rooms to be adequately heated. The board voted to do this work at a cost not to exceed \$50.

### Miss Staman's Report

Excerpts from the report of the supervising principal follow:

Grade	Boys	Girls	Total
K	13	13	26
1	4	14	18
2	12	10	22
3	10	14	24
4	16	14	30
5	7	16	23
6	14	13	27
SR	13	6	19
SB	13	6	19
	114	112	226

Attendance: Boys, 95.4 per cent; girls, 96.2; total, 95.9.

The nurses have weighed and measured all the children and examined the eyes in the first three grades. Dental clinics start this week. Five children were sent to the school physician, four of whom were excluded because of colds. New entrants have been given an achievement test as a help in adjusting them to their group and a reading aptitudes test has been given to the first grade.

## LOCAL STUDENTS ATTEND EARLHAM

Among the 24 students from New Jersey attending Earlham College, at Richmond, Indiana, are Beresford Coe, a member of the freshman class and Gilbert Coe, a member of the junior class. Both are sons of Mr. and Mrs. Gilbert A. Coe, of 705 Thomas avenue, Riverton. Another Riverton student at Earlham is Walter Mattis, a sophomore. He is the son of Mr. and Mrs. Rosa E. Mattis, of 109 Seventh street.

## PARKING METERS, GOOD OR BAD?

The parking meter just at present seems to be located somewhere between the devil and the deep blue sea. There are those who think the parking meter is one of the cleverest gadgets ever invented, and there are others who think it must have been inspired by the Evil One himself. Officials of several street railways have stated that their schedules have been kept more successfully since the meters were installed. Executives of more than one large city have declared that traffic congestion has been considerably relieved since meters were installed.

The system has received uniform approval in the south-west where it has spread rapidly, reports the New Jersey Public Utility Information Committee. Many retail merchants have reported substantial gains in business. The final word in the matter seems to come from Oklahoma City, where a test case was brought by indignant citizens against "unconscionable use of the public thoroughfares." The Oklahoma Supreme Court held that the right to dispose of parking privileges for the best interests of everybody belonged to the municipality.

Fireflies have become so popular as the illumination of garden parties in Japan that supplying them is becoming a regular business.

## Westfield Friends' School

The first children's religious meeting was held Monday morning, October 4th, in the Westfield Meeting House. The school attended these meetings once a month last year and they made a very strong spiritual impression on the children.

James Skiffup will give a talk on health education to the children of the school at eleven o'clock on Wednesday, October 6th.

On Wednesday, October 13th, Mrs. Harold Marshall and her son, James, who is a pupil of the school, will give talks on their vacation in France.

The sport's program has been a very active one, with plans for soccer competition with other schools. The girls have been working toward a volleyball team and assisting the boys in their soccer competition. New equipment for the sports department includes a game of deck tennis and sets of in and out-door quoits.

The girls have been having a series of Indian dances under the supervision of Miss Whitcomb.

The boys are looking forward to their out-door cooking and eating hike in the near future.

George R. Conover, Jr., Grade VI.

### ABOUT TOWN

Work on the Palmyra sewer extension is keeping up with the schedule, and the project on the south side of Broad street has been completed as far as Park avenue. At present, workmen have nearly completed the laying of pipe on Pennsylvania avenue between Broad and Spring Garden streets.

Leaf raking and stoking the furnace (if you don't happen to have an oil burner) have become popular fall pastimes.

With the appearance of the Palmyra Red Devils in the football limelight, local enthusiasts need not go so far afield to get the thrills of the grid game.

Columbus Day, which falls on next Tuesday, will be a legal holiday for many.

The Palmyra station continues to remain open only two hours each day.

Many shoppers have already complained about the withdrawal of the 10.34 to Broad street.

## IMPROVEMENTS AT THE PORCH CLUB

(Continued from page 1)

ton-Cinnaminson Welfare Association, the Needlework Guild, and others.

With an extensive program planned for the year, Porch Club activities will require the use of the building for at least two days each week.

The building may be rented for affairs of a civic nature upon application to the house committee, of which Mrs. Robert Ayres is chairman.

### 200 Members

Under the leadership of Mrs. J. D. Clark, president, The Porch Club, will, during the present year, have its full quota of 200 members.

The organization, which is the third oldest of its kind in New Jersey, had eight charter members, only three of whom are living at present. These are Mrs. Horace G. Phillips (Miss Elizabeth S. Coale), Miss Helen Lippincott and Miss Celia Leavitt.

### NEW OFFICE HOURS

Dr. Charles F. Voorhis, of Palmyra, has announced that his winter schedule of office hours from October 1, to June 1, will be as follows:

Monday, Tuesday, Wednesday, Thursday and Friday: 10:30 a.m. to 12 noon; 6:30 p.m. to 8 p.m. Saturday: 10:30 a.m. to 2 p.m. Sunday: By appointment only.

## TALK GIVEN ON REPORT CARDS

Miss Caroline M. Staman, supervising principal of the Riverton Public School, gave an interesting talk on the importance of the report card, at a recent meeting of the Riverton P.T.A.

The present card has been in use for eight or nine years, and as educational practices have greatly improved during that period, and as the Riverton school's aim is to keep in step with the newer methods, it was decided that a new type of report card should be devised. Miss Staman displayed sample report cards from many private and public schools in New Jersey, as well as other states, and discussed the merits of the various cards.

### Desirable Features

According to Miss Staman, a desirable card to parents must show pupil achievement. It must be understandable, and report on all the objectives of the school, such as health, character, citizenship, personal traits, interests and activities. It must also secure cooperation between the home and the teacher, and include attendance data. A different type card for each school level is also desirable.

### Teacher Conferences

Miss Staman stated that no written report takes the place of a personal conference with the child's

teacher, and parents are invited to come to the school and talk over their school problems. It is suggested that an appointment be made in order to save the teacher's and parent's time, and to assure the attention of the teacher's undivided attention.

## CINNAMINSON HOME CONTINUES TO HAVE NUMEROUS GUESTS

After being filled to capacity during the summer months, the Cinnaminson Home continued to have numerous guests during September, although the number was somewhat smaller than that during August.

In September, over 2,000 meals were served and over 700 quarts of milk used.

Occupational therapy will be inaugurated at the home in the near future, under the guidance of Mrs. Murray C. Boyer, of Riverton, who will be assisted by Mrs. J. Carl De La Cour.

Articles made will be sold at the annual fete held for the benefit of the home next spring.

What is really momentous and all-important with us is the present, by which the future is shaped and colored.—Whittier.

## 150 ATTEND OPENING LUNCHEON, MEETING OF THE PORCH CLUB

On October 5th, at 1:00 p.m., a buffet luncheon preceded the business meeting which was attended by approximately 150 club members. The club was greeted by its president, Mrs. J. D. Clark, and Mrs. Henry Parrish, who emphasized especially the importance of the spiritual growth of the club as well as the material advantages. Forty-eight new club members were welcomed by Mrs. Clark.

### Thomas C. Shaffer Speaks

The lecturer of the afternoon was Thomas C. Shaffer, well-known speaker on current events and former teacher of history at George School. "The National Scene Today" was the title of Mr. Shaffer's discourse. The subjects particularly stressed were the Supreme Court issues, tariffs, a balanced budget, the Wagner Bill, the religious and racial toleration of President Roosevelt and his devotion to humanitarian reforms.

Mr. Shaffer discussed the various important factors concerning each of these topics which are so important to the country today. His intimate knowledge of national affairs and the able manner in which he presented pertinent information made his talk of particular interest to the club members.

## STATE POLICE TO BE HOSTS OCT. 13

The New Jersey State Police will be host to the New Jersey Association of Township Committees on October 13, at troop headquarters, Wilburtha.

Jacob D. Spiegel, Norma, president of township officials association, in accepting the invitation from the State Police, states that the annual meeting will be held at 11 o'clock, at which time officers for the coming year will be elected.

Speakers at the meeting will include E. Donald Sterner, Highway Department, Trenton.

Colonel Mark O. Kemberling, chief of the New Jersey State Police, will present to township officials a plea for an increase in the staff of the State Police to meet the increasing demands being made for highway patrol work.

Representatives from more than 100 township committees are expected to attend the meeting and participate in the discussion on road and state police problems.

### URGENTLY NEEDED NOW

The Riverton-Cinnaminson Welfare Association is urgently in need of blankets and sheets immediately. A prompt response to this appeal will be greatly appreciated by the association.

## OVER 250 ATTEND INDUSTRY AFFAIR

That there is widespread interest throughout Burlington county is the project for increasing the industrial facilities of the county was well demonstrated last Thursday when over 250 persons, representing its leading municipalities, attended an Industrial Day Luncheon held in the Broad Street Methodist Church, Burlington.

The meeting was sponsored by the Burlington County Industrial Committee, of which Freshholder Palmer L. Adams is chairman, and the New Jersey State Chamber of Commerce, under the leadership of Norman B. Thomson, manager of the South Jersey Division of the State C. of C.

### Many Organizations

Those attending came from chambers of commerce, service clubs and other civic organizations of Burlington county towns, and there were also a number of representatives of municipal governments.

The whole spirit of the meeting was one of optimism for the industrial future of Burlington county and the state, and it is expected that in the very near future a permanent organization will be established in the county. The movement in this section follows the lines taken by the State C. of C. to attract to New Jersey as many as possible of the industries which are contemplating moving out of other states because of high taxation and other troubles.

## CORN BORER IS BAD IN STATE

New Jersey farmers were warned against an increasing infestation of the European corn borer, an insect which has been known to destroy an entire corn crop.

Prof. H. R. Cox, extension agronomist at the New Jersey College of Agriculture, Rutgers University, reported that the insect has caused considerable damage to the Garden State's corn acreage this year and that the destruction is expected to become greater in the future unless prompt control measures are taken.

The agronomist urged farmers to obtain instructions for control from their county agricultural agents.

"At present, serious infestation of

field corn is confined to certain limited areas," Professor Cox said, "including lower Middlesex County, the Colts Neck and Allentown sections of Monmouth County and scattered areas in Burlington County. Infestation of sweet corn has also been found in these same localities, as well as in parts of Bergen and Essex Counties."

Speaking on the seriousness of the European corn borer, Professor Cox said, "a general rule is that an average of one corn borer per cornstalk means one bushel less corn per acre and 30 borers per stalk means total failure of the crop."

A baby was born in a hospital in the United States every 38 seconds in 1936. There were 831,500 babies born in hospitals last year.

## FOOD FACTS

Do You Know That—

Age is not a measure of the freshness of an egg. Interior condition, disclosed by candling, depends on the care the egg has received and so determines quality.

American bakers use about 6,000,000 pounds of honey annually.

To make a pound of butter, 10.5 quarts of milk are required.

7,000 public school boys located in 42 states are enrolled in cooking classes, according to the U. S. Office of Education.

These "food facts" are compiled by the Division of Consumer Information, New Jersey State Department of Agriculture.

## CLOTHING NEEDED

Clothing of all sorts is needed for the Riverton-Cinnaminson Welfare Association annual rummage sale. Articles can be left in the Welfare office, rear of 609 Main street, or will be called for on phoning the office, Riverton 294.

## PHILATELIC SOCIETY TO HOLD FIRST MEETING

Chapter 156, American Philatelic Society, of which C. R. Beagle, of Riverton, is president, will hold its first meeting of the season on Friday of this week, in the Community House, Moorestown.

Perry Elliott, of Westfield, a noted United States specialist, will be the speaker of the evening.

## Highway Lighting For Safety

"At least 35 per cent of the night fatal accidents, it seems reasonable to believe, should be prevented by the provision of adequate highway lighting," according to a report on Technological Trends recently submitted to President Roosevelt by the National Resources Committee.

Citing statistics compiled by the Travelers Insurance Company and the National Safety Council, the report proves the vital relationship of visibility to night fatalities, which in 1935 numbered 21,480 and comprised over 60 per cent of the total day and night traffic deaths, even though only one-fifth of the 24-hour traffic is on the road after dark.

From figures submitted by the states of New Jersey, Oregon, New York, North Carolina and Pennsylvania, it was observed that fatality experience was about the same for the summer months of May, June and July as it was for the winter months of November, December and January—with this one important exception: Between the hours of 5 to 8 p.m., fatalities were 58 per cent higher in the winter months when it is dark, than in the summer when it is light, and despite the fact that traffic volume is considerably less in the winter. The report estimates that a reduction of 47 per cent in night fatalities during the winter period should be expected if sufficient light were supplied.

Studies made by R. E. Simpson in 60 cities, quoted by the report, showed that the average day fatality rate per M.T.U. (million traffic units), on streets carrying 1,500 automobiles per hour, was .046. The ratio of night to day fatalities on these same streets, according to the grade of street lighting, varied from 8 to 1, to 47 to 1.

"While the extension of highway lighting may be justified on the basis of cold dollars-and-cents economics, based on anticipated reduction of night accidents, numerous other social effects may be expected," the report continues, mentioning the advantages resulting from the reduction in highway crime, more efficient utilization of highways, and increased comfort and enjoyment in night driving. Estimates show that about 80 per cent of traffic moves in the daytime as compared to 20 per cent at night—a fact which indicates that the tremendous investment in our highway system is in large part being wasted during the hours of darkness.

## The Kindly Word

"There is one man I'll never live long enough to forget. He came to me the morning I tackled my first job, put his hand on my shoulder, and with a smile said, in the friendliest way, 'My boy, you're getting along fine. Take it easy, don't get worried, and if you need any help—see me.'—Unknown.

Business Week has compiled an interesting survey showing what employed wage earners' families earn and how they spend it. Highest wage is on the Pacific Coast, where data compiled for Seattle shows that the chief wage earner of the average family takes in \$1,508 a year. The average number of workers per family is 1.18, and gross income is \$1,604.

A greater gross income is shown for New York—\$1,743—but this is due to a larger average number of workers per family, 1.62, and the chief wage earner receives but \$1,357.

Lowest gross income is found among Birmingham Negroes, \$806 per year.

Major expenditure is food, averaging around 35 per cent, with housing second.

Al Smith, after visiting in Italy, says there is no doubt the Italians are pleased with fascism, but that no such form of government could obtain in the United States until, first we have torn up the Declaration of Independence, and, second, thrown the Constitution in the ash can.—Portland Oregonian.

Try your chances though a million have failed. Their failure creates no precedent for you.—Whiting.

## PALMYRA

Several members of Palmyra Assembly, A.O.M.P., journeyed to Bridgeton last Thursday night to attend the honor night given to Cumberland Assembly by the New Jersey Boosters Association.

Mrs. Clair Adams, of New York is spending a few days at the home of Mrs. Bertha White.

Mr. and Mrs. F. W. Rohland and family returned to their home on Sunday after spending the summer in Asbury Park.

Mr. and Mrs. George Seel and family, of Maplewood, spent Sunday in Palmyra, visiting his parents, Mr. and Mrs. George Seel, of Cinnaminson avenue.

David Wood and daughter, of Collingswood, spent Sunday in Palmyra visiting friends. Mr. Wood at one time lived in Palmyra.

The winner of the Sacred Heart BTA blanket club this week was Mrs. Lester Hannum, of Leconey avenue.

## TO SPEAK AT RALLY

Mrs. Mervil E. Haas is listed as one of the speakers at the mass meeting to be held in the Burlington Armory, on Thursday, October 14th.

The Burlington County Democratic Committee is making arrangements for the affair.

## ANNUAL MEETING OF PRESBYTERIAN SYNOD

Prominent religious leaders will address the Synod of New Jersey of the Presbyterian Church when ministers and elders representing 138-250 communicants will gather in Atlantic City for the 115th annual meeting, October 18-20.

## EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

"The Conquering Church" is the title of the sermon to be given in the Methodist Episcopal Church by the Rev. W. A. Boyd, minister. The morning service begins at eleven o'clock. Everyone who does not attend any other church is exceedingly welcome to attend this service.

"The Rakestraw" will be the subject in "The Young People's Church Hour" at 7:45. This sermon will be brief, to the point and up to the minute. The song period is in charge of Rev. Boyd, and special music will be given by the choir. Next Sunday evening the Young People's choir will make its first appearance. All young people, come and bring your friends with you.

The mid-week Church Service on Wednesday evening at 8 o'clock will be in charge of the minister.

## CHRISTIAN SCIENCE CHURCH

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 10.

The Golden Text is: "The law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death." (Romans 8:2) Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Think not that I am come to destroy the law, or the prophets: I am not come to destroy but to fulfill. For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled." (Matthew 5:17,18)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus proved the Principle, which heals the sick and casts out error, to be divine. Few, however, except his students understood in the least his teachings and their glorious proof—namely, that Life, Truth and Love (the Principle of this unacknowledged Science) destroy all error, evil, disease, and death" (p. 473)

The site of Greenwich observatory was chosen and the first buildings designed by Sir Christopher Wren. The hill on which the observatory stands is 180 feet high.

## RIVERTON

Robert Horton, of Lippincott avenue, was the winner in the stocking club run by the Palmyra Hospital Auxiliary.

Mrs. H. M. Morris is spending a week with her son, J. M. Morris and family at Buffalo, N. Y.

Mrs. Emma Conaway, of Highland Park, Pa., is spending some time with her daughter, Mrs. Charles Shannon.

Miss Catherine Robbins, of 408 Main street, entertained the following guests at a dinner bridge on Tuesday, in honor of Miss Helen Kistner, of Camden, who is to be married on October 14: Misses Patricia Andrisane, Marie McHugh, Marie Anderson, Grace Becker, Frances Kouffman, of Camden, Mrs. Frank Nicky, of Collingswood, Miss Arabella Moss, of Gloucester, and the Misses Marjorie and Mary Jordan, of Riverside.

## DEMOCRATIC RALLY IN BURLINGTON

Senator A. Harry Moore will visit Burlington County next week in quest of votes in his campaign for governor. At a meeting of the Burlington County Democratic executive committee held in Riverside on Tuesday evening of this week, arrangements were completed for a big rally to be held in the armory at Burlington on Thursday, October 14.

In addition to Senator Moore, the speakers will include Congressman Edward Hart, of Hudson County, always a popular figure in this county. The A. Harry Moore quartette will be heard in a number of selections, and the Metropolitan Band will also entertain.

The local candidates, James Mercer Davis, Jr., for assembly; John Sauer and Firmin McFarland for freeholders, will also address the meeting.

Daniel Lichthenthal, Riverside attorney and Democratic County chairman, will be the presiding officer.

Mrs. Mervil E. Haas, of Riverton, and George M. Hillman, of Moorestown, members of the state committee are cooperating in arrangements.

## Health Question: What is the greatest single cause of death in the United States?

## Doc Says:

Heart disease exacts a greater toll in the United States than any other single cause of death at the present time.

It may be caused by one of several things; overwork; over-exertion; frequent over-indulgence in food or drink; other forms of dissipation; lack of rest, a severe illness; and hidden infections such as diseased tonsils or teeth.

Treatment of heart disease is a matter of applying medical knowledge to the individual case. There can be no general treatment applicable to all cases. With proper treatment and precautions prescribed, persons having heart disease can live happy, useful lives. For proper treatment consult your family physician.

A healthy person can help to ward off heart disease by these preventive measures: regular, moderate exercise; no over-exertion; no over-indulgence in food or drink; avoidance of emotional strain; frequent relaxation; adequate rest; an annual physical examination.

The material contained in this feature is prepared by The Medical Society of New Jersey, an organization embracing reputable physicians of the state.

The name Alcazar is from two Arabic words—al qasr—and its significance is "the castle" or "the fortress." Its introduction into western languages was due to the Moorish occupation of Spain.

The name of "Joey" for circus clowns has reference to Joseph Grimaldi, the famous English clown (1779-1837).

## ALMANAC

"Better some of a pudding than none of a pie."

## OBITUARIES

## MRS. ANNA L. H. EVAUL

Mrs. Anna Laura Heppard Evalul, widow of the late Abraham T. Evalul, died at her late residence, 350 Berkeley avenue, Palmyra, on Wednesday, September 28.

Funeral services were held from her home on Saturday at 2 o'clock, the Rev. William A. Boyd officiating. Interment was made in Morgan Cemetery, Frank A. Snover, funeral director.

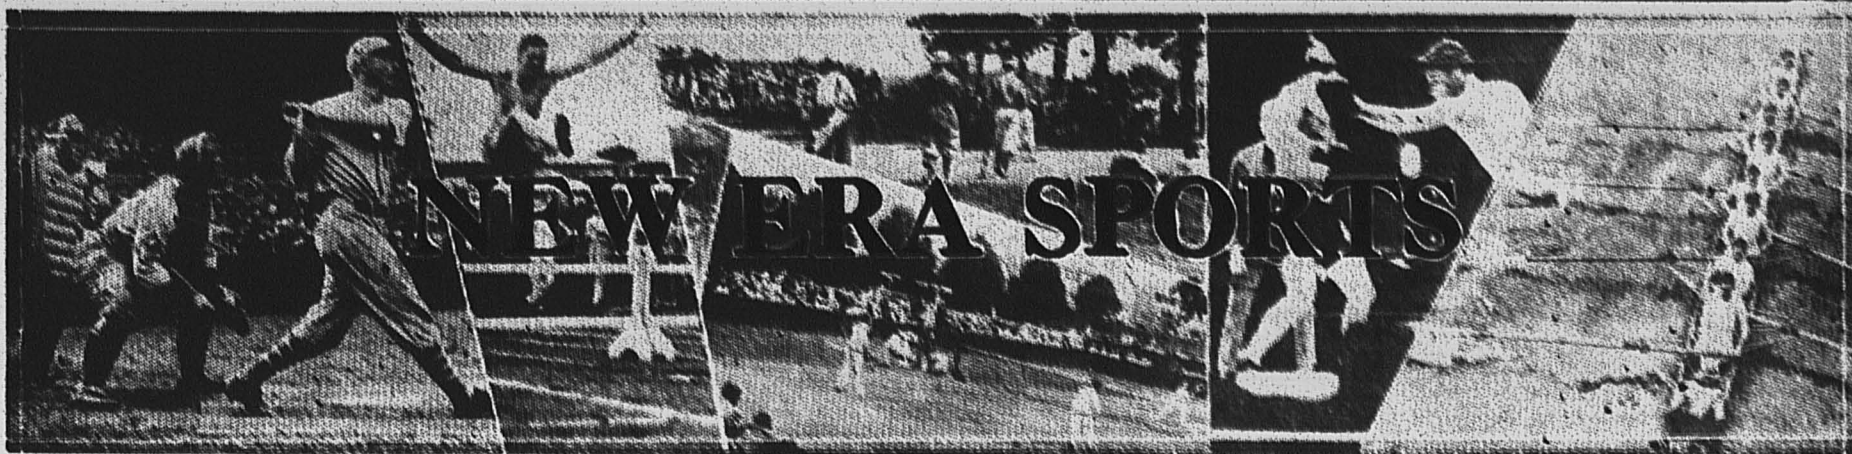

The deceased is survived by two sons, Leon, of Palmyra, and the Rev. Harry Evalul, of Baltimore, and two daughters, the Misses Grace and Stella, of Palmyra.

## MRS. EMMA C. MASHEK

Mrs. Emma C. Mashek, wife of Frank J. Mashek, Jr., died Wednesday morning at the home of her parents, Mr. and Mrs. David E. Coles, of Riverton Road.

Relatives and friends are invited to the funeral services to be held Friday afternoon at 2 o'clock at the Snover Funeral Home. The Christian Science service will be used. Interment will be made in the Moravian Cemetery.

Mrs. Mashek is survived by her husband, one daughter, Patricia Mary, her parents and four brothers, Leon and Robert, of Cinnaminson, Fred, of Trenton, and Raymond, of Long Island.

INITIAL NIGHT  
GAME ON FRIDAY

Palmyra Red Devils Open on Home Field Against the Tacony Aces

The Palmyra Red Devils will open their home season on Friday of this week at 8:30 o'clock under the floodlights at the high school field, Palmyra, their opponents being the strong Tacony Aces, of Philadelphia.

An elaborate program has been arranged for the initial contest which is expected to draw a large crowd of local grid enthusiasts.

## Legion Drill

Promptly at 8 o'clock, the crack Drum and Bugle Corps of Post Frederick M. Rodgers, American Legion, of Palmyra, will give an exhibition drill and contest. This outfit is one of the finest in the state and is well known not only for their precision in drill, but for their fine musical arrangements.

## Mayor Ward to Officiate

Mayor John F. Ward, of Palmyra, will be present at the affair and will throw out the ball just prior to 8:30. The local team opened the season recently by engaging the strong Clifton Heights aggregation and lost a close decision by the score of 3-0.

## Strong Lineup

On the team this year are a number of outstanding younger stars, with a sprinkling of veterans. The roster of local players who will see action on Friday includes: Reagle, DeVinney, Beddow, Peditto, Prieco, Pratt, Haines, Jennett, Wagner, Enskat, Zink, Borden, Daley, Vananberg and Williams.

## ABOUT THE COUNTY

An ordinance prohibiting the distribution of circulars within the township limits was adopted by the Mt. Holly township committee last week. This step follows a similar one in many other communities where circular situation became the subject of considerable complaint on the part of housewives.

The Burlington County Supervisors' Association held its first meeting of the 1937-38 school year at the Rancocas Valley Regional High School, Mt. Holly, last Tuesday afternoon.

Over 50 members of the Burlington County Association of Municipalities attended a meeting last week in the Mt. Holly court house to take action on the recent apportionment of the franchise taxes. It was decided to join other counties of the state in appealing the present method of distribution.

Disconnect electrical appliances when finished with them.

AL THOMAS AT  
GUARD POSITION

Al Thomas, of Palmyra, played a stellar game at guard in the Mt. St. Mary's - St. Joseph game last Saturday when the mountaineers opened their season at Emmitsburg, Maryland.

Thomas has been a member of the Mt. St. Mary's varsity for the past two seasons.

AUDUBON NEXT  
FOR PALMYRA HI

Palmyra High plays its first engagement of the present season on the local gridiron this Saturday afternoon at 2:30, with the strong Audubon outfit furnishing the opposition.

Audubon apparently has a powerful aggregation, having polished off Millville last Saturday by the score of 25-0.

Coach Ken Dimond has had his men hard at work all week, attempting to overcome the defects shown in the encounter with Pennsgrove.

All the regulars came through the game without injury and will be available for the Audubon fracas with the exception of Mount, who has been ill with influenza.

NEW OFFICERS  
AT YACHT CLUB

Dewees Showell, of Riverton, was named commodore of the Riverton Yacht Club at the annual election of officers of that organization held last week.

Mr. Showell, who has been prominently identified in boating circles for a number of years, succeeds Dr. C. F. Voorhis, of Palmyra.

Other officers elected were, Howard Evans, vice commodore; Thomas Coe, rear commodore and Edward K. Merrill, secretary-treasurer.

FREE  
TO PAID SUBSCRIBERS

If your son or daughter is attending prep school or college away from home, The New Era will be glad to send them a copy of each week's issue without charge. Just let us know their name and address.

PALMYRA DOWNS  
PENNSGROVE 13-0

Locals Tally Twice in Final Period to Annex First Win of Season

After being held scoreless for three periods, Palmyra swung into action during the final quarter to down Pennsgrove last Saturday afternoon by the score of 13-0 in a hard-fought game played on the field of the opposition.

Gamble, local fullback, contributed the sensational play of the fracas when he intercepted a Pennsgrove pass inside his own five-yard line and scampered the length of the field to break a scoreless deadlock. This gem came in the final period.

## Lack Scoring Punch

During the entire first half, the Red and White started several drives which apparently were destined for touchdowns. On each occasion, however, the scoring offensive broke down as passes went astray and the locals lost their power.

## Pennsgrove Rallies

After the intermission Pennsgrove showed renewed vigor and carried the fight well into Palmyra territory, but the Red and White defense stiffened to throttle all scoring thrusts.

The turning point of the fracas came when Gamble snared the aforementioned pass.

McDermott converted the extra point and the charges of Coach Dimond made the score read 13-0 as Marshall went over for a second 6-pointer a few minutes later.

## Time Prevents Another

Not being satisfied with this advantage, Palmyra then staged a third march down the field. With seconds remaining to play, Piergrass apparently crossed the final stripe, but the officials failed to detect the limit of forward motion and ruled that the playkin be put in play on the 3-inch line (if such a mark can be detected.)

The final whistle saved Pennsgrove from further embarrassment. Regulars and reserves played a steady game, there being no particularly outstanding performances with the exception of Gamble's long jaunt.

## CHICKEN SUPPER OCTOBER 14

The Ladies' Aid of the Methodist Church, of Palmyra, will hold their annual chicken supper on Thursday, October 14, in the social hall from 5:30 to 7 o'clock. Adult tickets, 65 cents, children 40 cents.

Don't smoke in bed. Many fires are caused this way.

THUNDERBIRD TO  
MEET ROWDY RUDY

Another corking good wrestling program has been arranged by Promoters Frank and Ray Hanly as their next weekly attraction in the Camden Armory, Thursday night.

Chief Thunderbird, Saanich Indian who crashed the portals of local wrestling fame by holding Ernie Duesch to a 90 minute draw and won from Cliff Olsen last week, is being brought back to tackle Rowdy Rudy in the final skirmish billed for one fall to a finish.

## Joe Cox on Bill

Dynamite Joe Cox, Kansas City bully, is being brought into Camden for the first time this season and he appears in a special bout which is replacing the usual semi-windup. Cox tangles with Irish Jack Kennedy of Texas in a bout carded for one fall with a half hour time limit.

Another strong supporting card has been put together to lend their help and they will show Stanley Pinto against Walter Podolok, Red Rebel Russell against Mike Maszuli, and Wee Willie Davis opposes Gafoor Khan in the curtain raiser. Each of these trays are for one fall with a half hour limit.

Country Club  
Notes

Bowling

The bowling season at the club opens next Monday night with 12 strong teams in the Fall Tournament race. These are captained by J. D. Clark, J. S. Bartley, S. H. Bonnell, R. T. Elliott, D. B. Tyler, W. L. Hendrickson, Edward Lippincott, J. F. Jamison, R. J. Woods, W. S. Wilson, C. E. Sims and M. L. Smith.

The Bowling Party will be held tonight (Thursday) at 7:30 o'clock. Howard B. Coe is chairman of the bowling committee.

The club championship for the season of 1936-37 was won by the team of W. L. Hendrickson.

McDERMOTT IS  
1937 CAPTAIN

## FIRE PREVENTION AROUSES NATION

President Proclaims Period from October 3 to 9 as Fire Prevention Week

Many industries in America are enjoying the greatest improvement they have seen in recent years. It is therefore to their advantage to keep the wheels turning at full speed. Fire would prove a costly interruption to any of these concerns, with its contingent loss of time, contracts, customers and profits while expenses for indispensable employees and overhead continue with discouraging regularity. Fire might prove more than an interruption to many industries, for it has been demonstrated time and again that a large percentage of destroyed factories do not resume operations.

Proclamation  
So important has become the need of conserving our resources that each year the President of the United States issues a proclamation, emphasizing the urgency of preventing fires and setting aside a week in direction. This year the period of October 3-9 is being observed as Fire Prevention Week.  
During Fire Prevention Week, the nation literally marches into battle against its enemy, destructive FIRE.  
In fact, the energy and seriousness displayed in studying fire prevention, in discovering and removing hazards and in improving the fire resistance of buildings prove conclusively that Americans are interested in conserving lives and property from fire, once they are the subject in true perspective and realize what fire really means to them.

## RED CROSS ROLL CALL CONFERENCE

The State Roll Call Conference of the American Red Cross will be held at the Walt Whitman, Camden, on Wednesday, October 20th, from 9:00 a.m. until 3:30 p.m.

All members of the Red Cross, and especially Roll Call workers, are expected to attend.

Among the speakers will be Miss Mary Conannon, advisor of the Junior Red Cross, Walter Davidson, assistant manager, Eastern Area, and Grant McCubbin, first-aid field representative, all of the National Red Cross, Washington, D. C.

Luncheon will be served at a cost of \$1.00.  
All those desiring to attend from Burlington county are asked to notify the executive secretary, Mary W. Samson, 24 W. Union street, Burlington, by October 15th, forwarding check to cover luncheon.

Truth expressed in poor grammar is more important than a silly ideal expressed in elegant phrases.—Atchison Globe.

## YMCA BRIEFS

**Leadership Course at Moorestown**  
A course in leadership training in group work, of six weeks duration, two hours an evening, at Moorestown Community House, commences Tuesday evening, October 12th, at 7:30. State and local YMCA's are cooperating. Similar seminar centers are Paterson, Morristown and Trenton.

Those attending at Moorestown will come from Camden, Cumberland and Gloucester counties, the YMCAs at Atlantic City, Carney's Point, Salem and Camden city, and the leaders of Burlington county YMCA groups.

The October 12th session will consider "Personal Relationships with Group Members," under the leadership of H. E. Wands, Boys' Work Secretary of the Newark YMCA.

### Week-end at Camp

A State YMCA sponsored week-end fellowship gathering of young men will be held at Camp Ockanickon October 9-10. A sharing of program experiences, discussion topics and club activities will enrich the program content of the groups represented. Phalanx fraternities (the beyond high school age YMCA organization) from Medford, Moorestown and Palmyra-Riverton will send delegates, also other communities where young men's work is being organized.

### Founder's Day

The birthday of George Williams, whose idea it was to organize the first Young Men's Christian Association, is being increasingly observed by YMCAs throughout the world as Founder's Day.

From the room in London, where George Williams first lived, when at the age of twenty-one he came from his country home into the employ of Hitchcock and Rogers, wholesale and retail drapers (the Wanamakers of London of his day—1844, the same year in which the YMCA was organized), a broadcast will be made October 11, from 6 to 6:30 p.m. over WEA and the combined systems of the National Broadcasting Company (Red Network) and the British Broadcasting Company.

Secretary Guy C. Hendry will be the Founder's Day speaker at a YMCA dinner at Millville, where a group of men active in the Young Men's Christian Association for many years will be specially honored at a large dinner gathering.

## OLD RAILROAD CAR AT NEW JERSEY STATE FAIR

A century-old coach once used on the historic "John Bull" train of the Camden & Amboy Railroad, first steam transportation line in New Jersey, was on display at the New Jersey State Fair, at Trenton, during the period September 26 to October 2.

## YWCA NOTES

### Concert

The Women's Symphony Orchestra of Philadelphia, with J. W. F. Leman as conductor, will make its first appearance in Burlington county in a concert to be given under the auspices of the Burlington county Young Women's Christian Association in the Riverside High School auditorium Thursday, evening, October 21.

Miss Florence Irons, of Burlington, well-known concert and radio artist, will be the soloist with the orchestra.

The Women's Symphony Orchestra of Philadelphia was organized in 1921 by Mabel Swint Ewer, and has achieved noteworthy success both in Philadelphia and in many eastern cities. Its annual series of concerts, given in the Bellevue-Stratford ballroom, are outstanding events in Philadelphia's musical calendar.

Mrs. William Grobler, of Moorestown, is chairman of the committee planning the concert.

A silence zone has been established at Dante's tomb in Ravenna, Italy.

START with a new Electrolux gas refrigerator and a modern gas range. You can buy them both on the divided payment plan at a small increase over the cash price. Electrolux prices are as low as \$139.75 cash and the Quality gas range illustrated is specially priced at \$59.50 cash with your old range. Regular price \$70 cash. It has a heavily insulated oven equipped with automatic heat control. Dependable broiler slides easily. Top burners give every kind of cooking heat—from fast frying to slow simmering.

**"My Telephone"**

Says Mrs. "V" of Hackensack, "keeping in touch with my friends seemed almost more than I could manage"

"With it, I merely call a number, and food and necessities—as well as friends—are delivered right to my door."

Mrs. "V" discovered this in a home experiment which she, and women in 16 New Jersey communities made, to measure the difference that a telephone makes in day-to-day living.

In this experiment, the women were pedometers to measure the distance walked, with and without the telephone, and kept records of all accomplishments. With the telephone, they—  
• strengthened and renewed friendships both in and out of town;  
• saved up to 4,000 steps a day (420 miles of walking in a year);  
• gained an average of one hour every day, for leisure, or added accomplishment—some gained 3 hours or more.

The more you use your telephone to go places, visit, and get things done quickly, the more you help yourself to enjoy a happier, easier, more satisfying life.

TALK 16 miles for 15¢, 30 miles for 25¢, any time, anywhere in New Jersey (station-to-station rates). Rates to points about 50 miles away, or more, are reduced every evening after 7, and all day Sunday.

NEW JERSEY BELL TELEPHONE COMPANY

## JUDGE BALDWIN ROTARY SPEAKER

Subject "Better Citizenship"  
Two New Members Are Installed Here

In a stirring appeal for an alert citizenry which demands high standards of its police department, Judge Clifford A. Baldwin, Judge of the Common Pleas Court of Camden County, and former County Prosecutor, spoke last Thursday before the Palmyra-Riverton Rotary Club on the subject of better citizenship.

Judge Baldwin congratulated the community on its freedom from many of the problems that confront urban centers—particularly that of juvenile delinquency, declaring our social laboratory was dealing with more precious material than any of science. He appealed for a charitable and generous attitude toward youthful offenders, pointing out that almost always there is a factor of heredity or environment, which accounts for abnormal behavior.

### Different Attitude

A survey of delinquency in Camden showed an unmistakable relation between the attitude of the residents and juvenile misbehavior which lands young people before a court. Where standards are high, police do not countenance youthful indiscretions which lead to crime. Where standards are low, police relax their supervision and the inevitable result is excesses on the part of those who are not subject to good home influences.

### Compliments

Judge Baldwin complimented Riverton and Palmyra on the excellence of their police organizations, but urged that the citizens of these communities stand firm in their insistence that there be no relaxation of vigilance in detecting the early seeds of trouble.

Two new members of Rotary were installed at this meeting—Robinet Cole, Comptroller of the Welshbach Street Lighting Co., and Maurice Joyce, superintendent of Lakeview Memorial Park.

## EXPENSES FOR PRIMARY ELECTION

Fifteen office seekers in Burlington county filed papers last week with County Clerk Lawrence G. Mingin, in Mt. Holly, relating to their expenses and receipts in the Primary Election campaign.

### State Assembly

Republicans—Dr. S. Emilen Stokes, Moorestown, expenditures \$219.50, receipts \$300.00; Herbert Worth, of Riverside, did not file.  
Democrats—James Mercer Davis, Jr., expenditures nothing, receipts nothing.

### Freeholder

Republicans—Albert C. Jones, Mt. Holly, expenditures \$918.43, receipts \$1100.00; Clarence G. Price, Mt. Holly, expenditures \$918.43, receipts \$1100.00; Nelson G. Myers, Mt. Holly, expenditures \$124.00, receipts \$600.00; Charles R. Stout, Florence, expenditures nothing, receipts \$50.00; F. George Furth, Moorestown, expenditures \$240.00, receipts \$500.00; neither Dr. Preston Moore nor Edward Bethards, Burlington, filed.

Democrats—John Theil, Maple Shade, expenditures \$52, receipts nothing; Firmin McFarland, expenditures nothing, receipts nothing. (John Sauer, Springside, did not file.)

### State Committee

Republicans—George deB. Keim, Edgewater Park, expenditures nothing, receipts nothing; Pearl M. Bridgman, Hainesport, expenditures nothing, receipts nothing.

Democrats—William B. Vandegrift, Burlington, expenditures \$91.50, receipts \$125.00; George M. Hillman, Jr., Moorestown, expenditures \$35.00, receipts \$35.00; Mervil E. Haas, Riverton, expenditures \$40.25, receipts \$40.25; Helen M. Rahn, Maple Shade, expenditures \$64.25, receipts nothing. (Elizabeth R. Cowperthwait, Medford, did not file.)

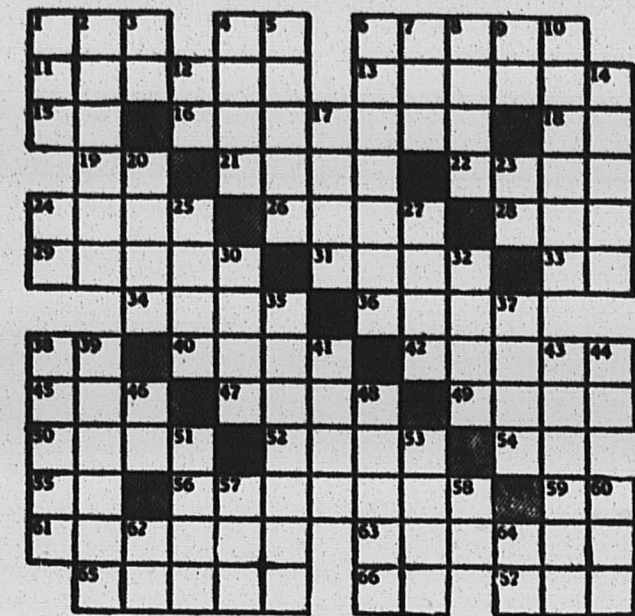

### CARD OF THANKS

I wish to thank my friends in Burlington County who loyally supported me in the Primary Election, September 21.

F. George Furth.

## YOUR GARDEN

By A. C. McLean  
Extension Service, N. J. College of Agriculture

Much has been said about getting bulbs into the ground early in the fall of the year. Finish this chore now and during the first part of October for best results.

Early October is an excellent time for transplanting perennials and most shrubs. They have all practically finished growth for the year and can be moved before the ground becomes too cold. By planting this material early in October, the plants will establish themselves before the ground freezes and so will not suffer from lack of water during the winter. Remember that even when they are dormant, plants transpire water and need moisture.

When transplanting, mound the earth up slightly around the roots and trunks of plants. This practice allows the soil to settle without forming a depression in which ice would form to cut off the plant's air supply.

If trees or shrubs are in full leaf at transplanting time, remove the leaves, for this will reduce the loss of water and will not harm the plant. Do not be afraid, also, to prune woody plants back rather heavily, for this top-pruning will help to balance the reduced root system. When the ground freezes, a mulch will be to the advantage of the transplants, for it will keep the soil from freezing too deeply around the roots and it will hold in the moisture.

Unless it is possible to move ever-

## PALMYRA COUNTY COMMITTEE MEETS

Members of the Republican County Committee of Palmyra held their reorganization meeting recently in the Palmyra police headquarters. Plans were discussed for the general election campaign and officers for the ensuing year named. The officers are: George N. Wimer, chairman; T. Curtis Flynn, treasurer, and E. W. Costen, secretary.

Committees appointed were: transportation, Mrs. Lillian Zougner and Charles Landgraf; finance, T. Curtis Flynn, Mrs. Florence Crawford, Richard Furman and Mrs. Mary Hare; meetings, Thomas Schwink, Mary Prisco.

A resolution was passed and adopted endorsing the entire Republican ticket from the governorship down to the local candidates.

Candidates receiving the endorsement of the group were: Lester Clee, Governor; S. Emilen Stokes, Assembly; Albert C. Jones and Charles R. Stout, Freeholders; John H. Ward, Mayor; Arthur T. Wright, and William Engle, Council; James Hartley, Assessor, and Carl W. Lutz, Justice of the Peace.

When reporting a fire speak slowly and distinctly.

## CAR INSPECTION IN STATE WILL START AFTER NOVEMBER 1

Stating that motorists will begin receiving their notices in the mail shortly after November 1, Motor Vehicle Commissioner Arthur W. Magee announced recently that arrangements for launching the state's new million dollar business—automobile safety inspection—are progressing satisfactorily.

He said that all the twenty-eight inspection stations with the exception of Newark and Newton have been completed and that equipment has been delivered at all the finished stations. The commissioner said it was impossible at this time to fix an exact date on which the inspection would begin but that he would have definite information on the subject as soon as he receives word from the Newark and Newton building contractors and from the equipment contractor.

## BIG FOOD SALE AT BEITZ STORE

Many Outstanding Bargains  
Offered from Oct. 7-13;  
Bird's Eye Food

E. Beitz & Sons, 115 E. Broad  
street, Palmyra, is participating in  
the big 7th Anniversary Sale of the  
Quaker Stores, which takes place  
from Thursday, October 7, until  
Wednesday, October 13.  
During this period the Beitz store  
will offer many sensational food  
bargains at especially low prices.

Buy Now  
Mr. Beitz advises all thrifty house-  
wives to restock their pantry now  
and load up for the winter season.  
He invites all local residents to stop  
in at the store and look over the  
many big values featured in the an-  
niversary sale.

Bird's Eye Food  
The Beitz store has also added  
the famous Bird's Eye Frosted Food  
line to their stock. This well-known  
brand includes fruits, vegetables,  
sea food of all kinds, poultry and  
meats.

There will be demonstrations of  
the Bird's Eye products on Thursday  
and Friday of this week, when rep-  
resentatives of the company will give  
instructions in how to prepare the  
various items for the table.

## ACTIVITIES OF LOCAL AUXILIARY

Palmyra Branch of Zurbrugg Hospital to Assist in Donation Day

The Palmyra Auxiliary of Zurbrugg Memorial Hospital, Riverside, has begun its third year with a membership of about 100.

Citizens of the town are urged to join this worthwhile organization, dues are 50 cents per year. Meetings are held on the third Thursday afternoon of each month.

The purpose of the organization is to raise funds to help purchase necessary equipment at the hospital. Now we are contributing toward a much needed incubator.

Annual Donation Day

Visitors are welcome at the hospital, and anyone interested is urged to go and visit the institution. A good time for doing this will be Saturday afternoon, October 9, when the annual Donation Day is held.

Our Auxiliary has always contributed generously at this time and hopes to do even better this year. Through the courtesy of Prof. Paul R. Jones, we are permitted to place containers in the school buildings and are asking each school child to bring at least one article of food, dry groceries, canned goods, jellies, etc. Mrs. Fred Seebler is in charge.

Present Officers

Each year the Auxiliary has decorated the nurses' dining room at Christmas and Easter time. Since so many Palmyra babies are born at Zurbrugg Hospital, it seemed a nice thought to have a babies' branch of our Auxiliary to which really all Palmyra babies should belong. The annual fee is 10 cents and Miss Adeline Seel is in charge.

The present officers of the Palmyra group are Mrs. Thomas Bradstock, president; Miss Pearl Combs, vice president; and Mrs. Elvin I. Powell, secretary and treasurer. Publicity Committee.

## CHANGES IN PENNA. VEHICLE RULES

Changes in the law affecting operation of motor vehicles in Pennsylvania are called to the attention of motorists by the Keystone Automobile Club of New Jersey.

One clarifies the meaning of the yellow traffic light, another tightens restrictions on parking or stopping on the highway, and a third prohibits "U" turns on two-way streets, in both business and residence districts, unless official signs are erected permitting the turns.

Under the amendments now in effect, the yellow traffic signal, when shown alone, means that traffic facing the signal shall stop before entering the nearest crosswalk at the intersection, but if such stop cannot be made in safety vehicles may be driven cautiously through the intersection.

Struck in Rear

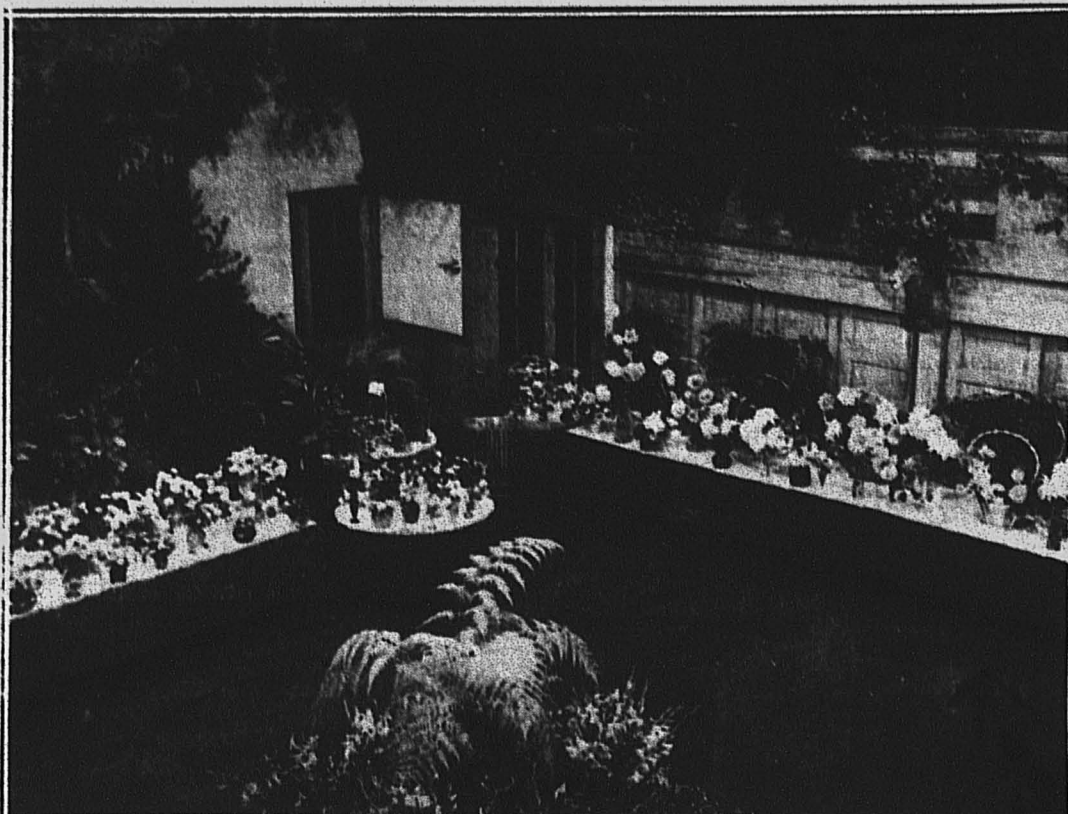

"The law now takes cognizance of a condition which heretofore has been accorded only slight recognition," said Trevor B. Mathews, manager of the Camden division of the club. "Under the former regulations, motorists were required to stop on the amber light, unless they were 'within the intersection' at the time the light changed. In consequence of the effort to bring cars to a sudden halt on the appearance of the yellow light, many drivers became involved in accidents due to skidding on wet or icy streets or being struck from the rear by vehicles unable to stop in time."

Good Driving Judgment

"Leeway now is given for exercise of good driving judgment. If a stop cannot be made without endangering life and property, the motorist may proceed on the yellow, if, however, the yellow appears when the car is within safe stopping distance, the vehicle must not cross the intersection. The regulation is intended to insure safety—not to provide a new excuse for 'beating' the traffic lights."

Heretofore, the club statement points out, motorists were forbidden to park or stop on the highway unless a clear view of the vehicle could be obtained from a distance of 200 feet, in both directions. The law now forbids such stopping unless the view can be obtained from a distance of 300 feet.

## FLOWER SHOW

The above picture discloses only a portion of the beautiful floral exhibit of the Wesleyan Men's Bible Class, of Palmyra, which took place recently. Many pleasing comments concerning the affair have been extended to the committee in charge.

## COLUMBUS DAY Tuesday, October 12

Like many great men, Christopher Columbus died without public recognition of the great discoveries he had made.

His achievements were made possible only after he had persevered hard and long to secure necessary cooperation from the authorities of that day.

Few believed in him, but, with a sincere conviction that his beliefs were correct, he carried on in spite of all obstacles.

In this modern age, our country needs men with the characteristics of Christopher Columbus, perhaps more today than ever before.

## CINNAMINSON PTA TO HOLD MEETING

The October meeting of the Cinnaminson P.T.A. will be held Wednesday evening, October 13th, at 8 o'clock. The regular session will be followed by a reception to the teachers and school board.

John F. Ward, mayor of Palmyra, and Miss Ann McConnell, also of Palmyra, will sing.

All teachers, parents and their friends are urged to come as a very fine program has been arranged. Publicity.

## "JUNIOR DAY" TO BE TALK SUBJECT

Miss Maria H. Stryker to Speak  
Under Auspices of Palmyra Guild

The Palmyra Branch of the Needlework Guild of America takes great pleasure in announcing to the public that Miss Maria Halsey Stryker will speak to celebrate "Junior Day" on Thursday, October 21, at 8 p.m., at the Lutheran Church.

Miss Stryker is very well known in Burlington county as she is the daughter of Reverend Peter Stryker, who for many years was the rector of St. Stephen's Church, Beverly, and founded St. Stephen's Church, Riverside.

Forceful Speaker

Miss Stryker has been associated with juvenile court movements and since 1924 has been the National Junior Director of the Needlework Guild. Miss Stryker carries on the organizing of the children to "aid children" in this great charity, and is a forceful and inspirational speaker. All will enjoy her message.

Everyone interested in the Needlework Guild of America is invited. If you contribute two articles of clothing to this great "charity that helps all charities," you are welcome. If you would like to know more of this great work, you are welcome. Everyone is welcome!

Juniors Invited

All junior members are especially invited. This includes the Junior Honor Roll, Junior Baptist Workers, Afagata Club, Happy Workers, Primary Department of the Baptist Church, Girls' Aid Lutheran Church, Public School Sewing Department, Boy Scout Troop 1, Boy Scout Service Troop 9, Girl Scout Troop 1, Girl Scout Troop 2, Girl Scout Troop 1, Parry.

**WILLIAM GOOD IS  
PLEDGED TO THETA XI**

William Good, son of Mr. and Mrs. Paul E. Good, 407 Linden avenue, Riverton, is one of 214 freshmen to be pledged to fraternities at Lehigh University at the close of the annual "rush" season.

Mr. Good is one of 11 men to be pledged by Theta Xi social fraternity. There are chapters of 20 national social fraternities in the Lehigh campus. Initiation of the men is not permissible until the close of the first semester, which must be completed satisfactorily to the dean by the pledgee.

**American Boy Introduces  
A New Football Game**

In the early fall issues of THE AMERICAN BOY there'll be presented the story of a new game—six-man football—anybody can score, a football, wide open as basketball, thrilling as hockey!

The game came to life through the need of small schools for some substitute for 11-man football, which was too expensive. Stephen Epler, a Nebraska graduate student in athletics, developed the game of six-man football to meet this need. In six-man football anybody can score, the possibility of injury from mass plays is minimized, and the game is open enough for spectators to follow every exciting development.

The new game is a hit. New schools are taking it up every day. In coming issues THE AMERICAN BOY tells the world about this practical new game. In addition, it presents The American Boy Official Handbook, which can be obtained from the magazine at 20 cents a copy, or 15 cents when bought in bulk.

**NOTE:** Subscription prices of THE AMERICAN BOY will be raised in the near future. Send your subscription order at once to take advantage of the bargain rates now in effect: one year at \$1.00 or three years at \$2.00. Foreign subscription 50c a year extra. Send your name, address and remittance to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Mich. On newstands the price is 15c a copy.

Steam shovels have cut into the hill where Napoleon stood a century and a half ago, west of Moscow, and watched the city burn.

**We have it!**  
**blue coal!**  
Your furnace was designed for anthracite. For the utmost in heating satisfaction always order "blue coal"—America's finest anthracite. ## CINNAMINSON B & L MATURES SERIES

Maintains Unbroken Record of Annual Payments Since First in 1889

At an adjourned meeting of the board of directors of the Cinnamonson Building and Loan Association held last Friday evening, the maturing of the 48th series was authorized without further payment. Holders of shares in this series will receive their cancelled mortgages, cancelled stock loans or checks for free shares at the next regular meeting of the Association on Monday evening, October 11.

Mortgage loans and stock loans amounting to \$35,475 will be satisfied, and free stock amounting to \$90,075 will be paid off in cash, a grand total of \$125,550. The communities of Cinnamonson, Palmyra and Riverton will be greatly benefited by this distribution, as the vast majority of this stock is held locally.

First Series in 1889

This association thus maintains its unexcelled record of maturing its series annually since the maturing of its first series in 1889. During the past eleven years, over one and three quarter millions of dollars have been distributed, an average of \$160,000 per annum. This highly meritorious performance, covering as it does, all the years of the depression, has merited the confidence of the community which has responded generously by subscribing during the past seven years to over 4800 shares in new series.

60th Series Opens

The books for the 60th series will be opened next Monday evening in conjunction with the annual meeting, at which time all residents interested in the purchase of a home or in laying the foundation for future financial independence may subscribe to new shares.

### CHICKEN SUPPER-BAZAAR

The Palmyra Moravian Church will hold one of its famous chicken suppers and bazaars on Wednesday, October 20, at the church.

Supper will be served from 5 to 8 o'clock in the evening. Tickets are priced at 75 cents for adults and 40 cents for children.

### FOOD FACTS

#### Do You Know That—

25,000 quarts of milk were consumed daily at the 1937 Boy Scouts' Jamboree held in Washington, D. C. Natives of nearly every country have superstitions about beans. In New England, burning of warmed-over beans on the new week is considered a bad omen for the new week. The cranberry was originally called craneberry because the blossom resembles the crane. Hawaiian pineapples now lead peaches as America's most popular canned fruit.

These "food facts" are compiled by the Division of Consumer Information, New Jersey Department of Agriculture.

The early lawyers of Ohio charged an average of from \$3 to \$5 per suit, and many clients protested loudly against what they said were "exorbitant" fees.

### BOROUGH OF RIVERTON

Sale of Lands for Unpaid Taxes for Years as Noted  
Sale on Saturday, October 16, 1937, at 10 o'clock a.m.

#### NOTICE OF SALE

NOTICE is hereby given that I, C. Kenneth Davis, Collector of the Borough of Riverton, County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, the sixteenth day of October, 1937, at ten o'clock in the morning of said day at the

#### Riverton Council Chambers

503 Howard Street, in said taxing district, expose for sale the several tracts and parcels of land hereinafter specified, or any part or parts of said land sufficient for the purpose of such case made and provided, for the years as noted remain unpaid and in arrears, to such person or persons as will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 8 per cent, per annum, thereon, including interest and costs of sale.

This sale is made under the provisions of an act of Legislature entitled "An Act concerning unpaid taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens thereon" (P.L. 1919, p. 283, amending P.L. 1918, p. 833).

The said lands hereunder described by Block and Lot numbers, and the names of the persons against whom the said taxes and liens have been assessed, and the amounts of the same including interest to July 1, 1937, are as follows:

Block	Lot	Owner	Taxes for year	Interest to July 1, 1937
Block 13	Lot 5	Mrs. Isabella Ford, Frame Residence	1933 \$ 31.00	\$ 7.13
Block 13	Lot 6	211 Howard Street, and 220-222 Cinnamonson Street	1934 37.20	8.25
Block 13	Lot 7	Gertrude W. Knight, Frame Dwellings	1935 41.20	9.02
Block 13	Lot 8		1936 38.80	8.43
Block 20	Lot 3	204 Main Street, and 100 x 245 Burlington County Trust Company	1934 250.12	45.61
Block 20	Lot 4		1935 271.92	58.31
Block 20	Lot 5		1936 256.08	55.98
Block 24	Lot 24	112 Broad Street, Lot 105 x 150	1934 111.60	20.44
Block 24	Lot 25	Est. R. H. Plag, Jr., Frame Residence	1935 123.60	25.18
Block 24	Lot 26		1936 97.00	20.66
Block 31	Lot 20	520 Cinnamonson Street, Lot 25 x 122	1934 93.32	17.33
Block 31	Lot 21	Mrs. R. G. Shirley (Owner of record, Anna B. Mahn)	1935 119.48	25.16
Block 31	Lot 22		1936 112.52	23.77
Block 31	Lot 16	510 Broad Street, Lot 22 1/2 x 80	1934 26.76	5.47

## RIVERTON P.T.A. 21st RECEPTION

To Be Held Monday, October 18, at 8 p.m. A. M. Bean to Speak

The twenty-first annual reception of the Parent-Teacher Association of Riverton will be held in the school auditorium next Monday evening, October 18th, at 8 o'clock. The speaker will be A. M. Bean, county superintendent of Camden schools.

There will also be a special musical program, and refreshments will be served by the fathers. Invitations have been mailed to all parents and teachers, and it is hoped there will be a large attendance.

#### Urged to Come

There are but three evening meetings of the P.T.A. during the year, and fathers as well as mothers are urged to come. Mrs. C. H. Yost, president of the Riverton P.T.A., states that it inspires a child to have his or her parents interested in school activities, and when parents come to the school meetings they learn of the problems which the children face.

#### Board Meeting

An executive board meeting was held on Monday morning, October 11th, at the home of Mrs. Charles Yost. Nearly every member was present and interesting reports were given by each chairman.

#### Tea for Room Mothers

On Friday afternoon, October 15, at 3.30, there will be a tea for the "Room Mothers" and the hospitality committee in the school library. The idea of the meeting is to acquaint the various members of the committee with their duties.

## CARS COLLIDE AT LOCAL INTERSECTION; TWO ARE INJURED

Two people were seriously hurt in an automobile crash last Saturday morning at the intersection of Parry avenue and Charles street, Palmyra, the injured being Mrs. Edith Fisher, of Riverton and Arthur O. Goldman, of 37 Front street, Palmyra.

Mrs. Fisher is in the Zurbrugg Memorial Hospital, Riverside with a possible fractured skull and severe body bruises. Goldman, who was sent to Riverside and later removed to the Pennsylvania Hospital, has a fractured jaw, broken arm and severe cuts on the face.

#### Car Turned Over

The affair occurred when the car, in which Mrs. Fisher was a passenger, driven by Amelia Smith, of 900 Columbia avenue, Palmyra, struck the center of the Goldman machine, completely turning it over and projecting it on the sidewalk at the southwest corner of the intersection. The Goldman car was badly damaged, while the Smith machine had the front smashed in.

The accident was investigated by Chief C. Morris Beck and Officer Nelson Wallace, of the Palmyra police.

RIVERTON—PALMYRA, N. J., THURSDAY, OCTOBER 14, 1937

PRICE FIVE CENTS

## WEBER DISCOVERS ARMIDA'S TENDER

Lawrence Weber, of East Riverton, found a clinker-built tender last Saturday morning about a mile above the Riverton Yacht Club. Weber notified the Riverton police who, in turn, called the Harbor Police of Philadelphia. They identified the craft as belonging to the yacht Armida owned by Elwood C. Beale, of Torresdale who is believed to have been drowned in the Delaware River last week. The Philadelphia police took charge of the tender.

## DONATION DAY IS SUCCESSFUL HERE

Riverton Auxiliary of Zurbrugg Memorial Hospital Collects Money and Food

Th Riverton Auxiliary of the Zurbrugg Memorial Hospital, Riverside, reports that a most successful donation day for that institution was held last Saturday. Among other contributions, the sum of \$70 was collected and a portion of this money was used in purchasing 3,000 pounds of potatoes, 13 bushels of apples and four cases of tomato juice.

#### School Children Aid

The children of the Riverton public school and the Westfield Friends' school took great interest in the affair. At the Riverton school assembly last Friday the classes presented a donation of over 100 articles, and a goodly quantity was given at Westfield.

In spite of the inclement weather, many visited the hospital on October 9, and an impressive pile of food-stuffs was on view.

#### Oxygen Tent

The Riverton Auxiliary will be responsible for the purchase of a much-needed oxygen tent for the hospital, in the near future. The will be obtained by the use of funds available at present, and additional money which will be raised at a card party to be held shortly after the first of the year. This added piece of equipment will do much toward rounding out the completeness of the facilities at Zurbrugg.

The members of the board of trustees of the hospital wish to express their sincere appreciation for the splendid response on the part of the members of the auxiliary and by the general public.

## TWO CARS MEET ON ROUTE 25

Two cars collided Saturday night on Route 25 near the Union Landing Road at 6.45 o'clock. Both machines were extensively damaged, but neither driver was hurt.

The affair occurred when Albert Cook, 604 Front street, Palmyra, who was going east on the pike made a left turn in front of a machine driven by Margaret Constance, Moyamensing avenue, Philadelphia. Cook was arraigned before Recorder Cecil A. Bowers on a charge of careless driving made by the driver of the other car. He was given a suspended sentence.

Chief George Dorworth, of Cinnamonson, investigated the accident.

#### THANKS

The members of the Parry Volunteer Fire Company wish to express their sincere appreciation to all those who so generously contributed in the recent drive staged by that organization.

### CAUTION

Chief William Gootes, of the Riverton Police, earnestly requests that all parents caution children against riding bicycles after dark upon the highways. He also advises against the practice of two riding on a single bicycle.

## KILLED IN CRASH SATURDAY NIGHT

Victor Raviola, 13, of Palmyra, Has Skull Fractured; Companion Hurt

Victor Raviola, 13, of 25 Rowland avenue, Palmyra, was fatally injured last Saturday night at 7.45 o'clock when he and a companion, Harry Mears, 13, of 18 East Broad street, Palmyra, were struck by a car driven by Warren G. Blyler, of 309 Midway, Riverton.

Both boys were riding on a single bicycle at the time of the accident.

#### Did Not See Them

The accident occurred near the intersection of Broad street and Elm avenue. Blyler, who was driving east on Broad street, told Palmyra police that he did not see the boys until it was too late to avoid a crash. According to the police report the riders were going in the same direction and the Blyler car struck the rear of the wheel, throwing both boys into the air.

Raviola was riding on the handle bars at the time.

Rain was falling at the time the unfortunate affair occurred.

It was reported that the bicycle was not equipped with a rear reflector.

#### Rushed to Hospital

Mears was rushed to the Zurbrugg Memorial Hospital in the Riverton police car, while Frank Snover took the Raviola boy to the same institution. The latter died on Sunday.

## LOCAL GUILD TO MEET ON OCT. 15

Members Urged to Have Garments Ready; 13 Organizations in Need of Aid

The annual meeting of the Riverton Branch of the Needlework Guild will be held in the Parry Club on Wednesday, the 27th, and between now and then an intensive effort is being made to increase membership and contributions.

#### 13 Needy Groups

There are 13 organizations, nearly all of them located in Burlington county, among which the Needlework Guild garments will be distributed this year. Special and urgent requests have arisen from these organizations for infants' wear; nightwear for men, women and children; bed linen and towels; knitted articles and little girls' dresses. Members who have not already made or purchased these garments are asked to consider these requests.

Directors are reminded that contributions must be in the Parry Club by 9 a.m. on the 27th. The business meeting, which all interested persons are cordially invited to attend, will be held at 3.30 that same afternoon.

#### Appeal by Guild

Have you your Needlework Guild garment ready? Your local director will be calling for them any day now. Do you know someone—a friend, a neighbor, a newcomer in town—who does not belong to our local branch? Won't you please give her name to one of the directors?

### NOTICE

The offices of The New Era are now located in the old post office building, 609 Main street, next door to the former location. The telephone number remains Riverton 712 as formerly.

#### NEEDED

The Palmyra Welfare is urgently in need of a baby's high chair. Any one having a chair which they no longer need kindly advise George N. Wimer, Director of Welfare.

## STOLEN MACHINE RECOVERED HERE

On Saturday night at 11.45 o'clock, Chief George Dorworth, of the Cinnamonson police, was notified by Rudolph Grobb, Jr., of Palmyra, that he had observed a car in a field off Route 25, near Taylors Lane.

After an investigation by Chief Dorworth, it was learned that the car was owned by the Camden Abattoir Co., had been stolen and later abandoned.

The incident was later taken up with the detective bureau of the Camden police.

## TRAFFIC RULES ARE DISCUSSED

Members of Palmyra Borough Council Are Sworn in as Special Officers

The question of enforcement of motor vehicle laws was considered at length by the Palmyra Borough Council at a meeting held last Tuesday night, the discussion being particularly timely in view of the accidents during the past week. Palmyra has, fortunately, been free of such a condition for a long time. Council served notice on the general public that all regulations will be enforced to the letter and that violators will be fined strictly in accordance with the provisions of existing laws.

#### License Revocation

Driving licenses will be revoked in the cases of habitual offenders. All members of council were sworn in as special police officers at this meeting.

A letter was ordered sent to Paul R. Jones, supervising principal of Palmyra Schools asking his cooperation in calling attention of the pupils to speed laws, and the installation of proper lights and signals on bicycles. Also that it is against the law for more than one person to ride on a bicycle.

#### Railroad Crossings

The matter of railroad crossings was considered in a discussion with a representative of the Pennsylvania Railroad. Council desires to have the Walnut street and municipal crossings closed and a new one 30 feet wide at Chestnut street opened. In addition to this, the borough desires the railroad to deed to it a strip 15 feet wide, on the south side of the tracks, from Park avenue

## GUILD MEETING ON OCTOBER 21

Junior Day to Be Celebrated  
at Special Meeting in Palmyra Church

Junior Day of the Needlework Guild will be celebrated Thursday, October 21st. A special meeting will be held in the Lutheran Church at 8 p.m. This affair is free to all. Miss Maria Halsey Stryker, national junior chairman, will be greeted by Mayor John F. Ward, and will later talk to the Juniors.

### Junior Play

Preceding this talk a short play entitled "Guild Torches" will be given by the Juniors under the direction of Miss Helen Hadden. Representatives from the following Junior groups will participate: Junior Baptist Workers, Junior Honor Roll, Junior Cradle Roll, Happy Workers, Primary Department of the Baptist Church, Girls' Aid of the Lutheran Church, Public School Sewing Department, Agagatz Club, Boy Scout Troop No. 1, Service Troop Boy Scout Troop No. 9, Girl Scout Troop No. 1, Girl Scout Troop No. 2, Girl Scout No. 1 Parry.

### Membership 287

The total membership of these groups is 287, of which 118 are girls and 169 are boys. They contributed 379 garments to the Needlework Guild last year.

These Juniors have a splendid record but they will go on to greater things—bigger gifts, more members and greater service. They are the best kind of American citizens—builders for good. That is what the great Needlework Guild is—"gifts of love and mercy for those less fortunate than you."

Publicity Chairman.

## ENTERTAINMENT FOR CLUB JUNIORS

On Monday evening, October 18th, at 8:15 o'clock, the Woman's Club of Palmyra will have as their guests the members of the Junior Woman's Club. Members will please take note that there will not be an afternoon meeting on this day, as also that the meeting will be held in the YMCA rooms at Broad and Garfield avenue.

Mrs. Warren Heyward Burnett, of Madison, N. J., will be the speaker. Mrs. Burnett has a collection of dolls from all over the world which she will bring with her. Her topic will be "Costumes and Customs Around the World."

Come out, members of both clubs, for a fine evening of entertainment. Mrs. James M. Weart, Publicity Chairman.

## BIG RALLY IS PLANNED FOR CLEE

The Burlington County Republican Committee is making plans for a big rally to be held on Thursday, October 21, at the Burlington armory in support of the campaign of Lester H. Clee for Governor.

The Republican party standard bearer will be present at the affair and will deliver an address which should be of great interest to all members of the party.

The Burlington County American Legion Band has been engaged for the occasion and county political leaders of the party are making extensive plans to make the affair one of the best in the state.

All members of the party are cordially invited to attend the rally. George N. Wimer, former sheriff of Burlington County, is general chairman of arrangements.

## CONVENTION OF NEW JERSEY WCTU

The 63rd annual convention of the Woman's Christian Temperance Union of New Jersey will be held in First Methodist Church, Vineland, October 19-22, opening prayer service at seven p.m., on Tuesday. There will be sessions each day at nine a.m. and two and eight p.m. Evening speakers include Judge Rusling Leap on Wednesday; Mrs. Margaret C. Munns, World and National WCTU treasurer. All meetings will be open to the public.

## STOUT APPOINTS TO COMMITTEE

Republican County Chairman Charles R. Stout, of Florence, has named the executive committee from the membership of the County Committee.

The members follow: Charles R. Stout, chairman county committee; Florence; Mrs. Effie Phillipino, first vice chairman, Maple Shade; Mrs. Blanche Fox, second vice chairman, Burlington; Nelson G. Myers, secretary, Mr. Holly; Marion C. Haines, assistant secretary, Delanco; F. George Furth, treasurer, Moorestown; Mae E. Lynch, Bordentown; Harry Adams, Beverly road, Burlington; Stanley T. Russ, Delanco; Nettie F. Smith, Bridgeboro; Blanche R. Gilpin, Moorestown; Anna B. Mingin, Medford; George N. Wimer, Palmyra; Ray Wells, Jr., Pemberton; William Currie, Riverside; Alma M. Evans, Riverton; Mrs. Sarah Parker, Florence; Mrs. Pearl Bridgegum, Hainesport, state committee; Mrs. Newton Morton, Florence, and Mrs. Nellie Russell, Springside, Burlington, two Republican members of County Board of Elections.

## CAMPAIGN OF CLEE INAUGURATED IN NORTHERN COUNTIES

The Republican gubernatorial drive of Senator Lester H. Clee will swing into high gear this coming week, according to an announcement made last Monday by the Republican State Committee.

Three weeks of vigorous campaigning started on Wednesday, when Clee began a series of speeches which will take him into every county in the state.

The first counties invaded by the Republican gubernatorial candidate, were Somerset and Hunterdon, where he addressed a series of meetings, October 13th. Clee's complete itinerary will be made public in the near future.

Senator Clee's broad campaign strategy calls for visits to every corner of the State.

The present plan provides for full days in each of the larger, more populous counties, starting early in the morning and extending into the night. There will be luncheons and dinners with county chairmen and groups of key workers, speeches to special groups, and major addresses at afternoon and night meetings. Supplementing these personal appearances, will be a series of major radio broadcasts.

## ENROLLMENT IS BREAKING RECORD

A growing desire among young folks to follow business pursuits is strikingly reflected in increased enrollment in courses in stenography, stenotypy, bookkeeping, and allied commercial subjects. Some of this increase can, of course, be attributed to the fact that business improvement itself has made it possible for more high and prep school graduates to continue their education. But this year's registrations in commercial courses show such noticeable increase that they seem to indicate that a larger percentage of secondary school graduates are seeking additional training and that young people are being drawn toward business in greater numbers than ever before.

Taking one of the Philadelphia business schools as an example—Strayer's Business School at 807 Chestnut street—enrollment at the beginning of the present term far outstrips the highest record of the past. In all its 34 years' existence, Strayer's has never had such a large number of new entrants.

Despite the steadily increasing number of students in commercial courses, however, the demand for their services, when properly trained, keeps ahead of available supply of persons well prepared to shoulder responsibility as stenographers, typists, stenotypists, bookkeepers, private secretaries and other office specialists.

Be true to your word, your work and your friend. — John Boyle O'Reilly.

It is estimated that Hawaii pays more taxes into the United States treasury than nineteen of the states.

## MRS. MAYFIELD IS CHAIRMAN OF N. J. COLLEGE COMMITTEE

Mrs. Clifton P. Mayfield, of Riverton, is chairman of the college committee of the New Jersey State Federation of Women's Clubs, which is making plans for the sixth annual College Day of the Federation. The college committee will be host to about 400 clubwomen and high school girls at New Jersey College for Women, in New Brunswick, Saturday, October 16.

The Federation has extended an invitation to all clubwomen as well as teachers and mothers to participate in the day's program. Registration will begin in Agora, Jameson Campus, at 10:30 o'clock. From this building visitors will be taken on a tour of the campus by undergraduate hostesses. Special classes will be open to them and displays and exhibits prepared.

### Afternoon Program

Following luncheon in Cooper Hall greetings will be given Miss Margaret T. Corwin, dean of the college; Mrs. Alfred R. Driscoll, president of the State Federation and Miss Betty Van Duyn '36 of Glen Ridge, president of the student body. During the afternoon there will be a sports program in which college girls will demonstrate archery, fencing and tennis for the guests. A dramatic program will follow in the Little Theatre on Douglas Campus.

All clubwomen are urged to join the group and to bring high school girls to the college campus with them. The college committee has also extended invitations to teachers and parents who are not affiliated with the Federation.

"What Is This Legion?"

The American Legion, with a membership close to the million mark having been in existence eighteen and a half years, is the most influential body of ex-soldiers in history. Those eighteen and a half years have been replete with the drama of service "for God and Country," in the inspiring language of the preamble to the Legion's constitution. Those years have proved conclusively that no economic or political group, section or interest can gain control of the Legion, that while the course of events may for a time convince a given segment of the population that the Legion is on the wrong track, the time inevitably comes when that segment is glad to utter fervent "Thank God for the American Legion!"

For despite various predictions to the contrary, the Legion has not become a praetorian guard aiming to seize the power of the state, as did the first Praetorian Guard and as ex-service men in other countries have done. Quite the reverse. The Legion has, indeed, set its face against any manhandling, any overriding of the Constitution of the United States and the precious privileges of its Bill of Rights, and the existence of this greatest ex-service men's organization is the finest insurance policy this country can have, that we shall not have an autocracy of either the masses or the classes, but shall continue to be a government of, by and for the people. (To be continued)

The Rev. Frederick Halloran, N. J. Department Chaplain, will be the speaker at the next regular meeting of the Frederick M. Rodgers Post, 156. All members and ex-service men are urged to attend and hear this splendid speaker, Tuesday, November 2nd.

### ABOUT TOWN

The members of the Riverton baseball team are sporting their new jackets which are most attractive in two colors, black and gold.

The Falcons also have new jackets with a two-color effect, the tones being red and blue.

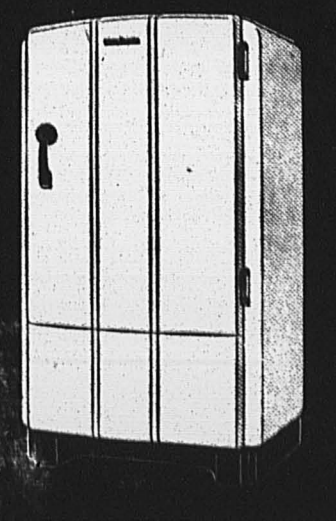

A number of local men ushered at the Princeton-Cornell football game in Palmer stadium last Saturday.

## SYMPHONY ORCHESTRA

This women's organization, of Philadelphia, under the baton of J. W. F. Leman, conductor, will give a concert on Thursday, October 21, at 8:30 p.m., in the auditorium of the Riverside High School. The affair is being given as a benefit for the Burlington County YWCA. The soloist will be Miss Florence Irons, of Burlington.

## Thousands are buying new GENERAL ELECTRIC REFRIGERATORS NOW!

## CONTRACT GIVEN FOR MEMORIAL

Will Be Erected in "Masonic Block" at the Lakeview Memorial Park

Contract for the erection of an imposing memorial for the Masonic section at Lakeview Memorial Park, in Cinnaminson Township, has been awarded to M. Y. Neeley, according to an announcement by President Leonard R. Baker. Joseph N. Hettel is the architect, having submitted the design which was selected as being the most satisfactory. The Masonic Memorial is to be erected in the center of what is known as the "Masonic Block," a reservation made exclusively for the masonic fraternity and their families, as well as for those identified with organizations affiliated with the fraternity. According to Lakeview officials more than 60 per cent of the available space has already been sold.

The contract for the erection of the memorial specifies that the granite structure is to be erected on a circular plot symbolic of Eternity and the Eternal principles on which Free Masonry is founded. Above each of the four portals will be carved the Masonic emblems and the words "The Scepter of the Prince and the Staff of the Beggar" are laid side by side. Corinthian columns, it is announced, mark the four Portals associated with the Corinthian period. The ceiling of the Memorial is to be executed in genuine fresco mural with the star-decked heavens. The words "To the Glory of Almighty God and in Memory of Those who have passed the Unseen Portals," will be carved on the frieze on the inside of the Memorial structure.

In the Masonic section as through-out the Memorial Park, monuments are not permitted. A tablet in bronze, set flush with the turf, permanently marks each interment, being to preserve the park-like character which is so attractive. Arrangements are under way for fitting ceremonies to mark the official dedication of the Masonic Memorial, and in the meantime officials of the park are having a series of sacred concerts each Sunday between 3 and 4 o'clock, with music from the tower.

## MORE ROADS TO BE MAINTAINED

(continued from page 1)

township line to Broad street, could be done with the current appropriation of \$14,000.

### Improvements

Director Palmer L. Adams reported that the renovated heating system at the county insane hospital was functioning in an efficient manner, and that the new ice machine had been installed to the satisfaction of all concerned.

He also stated that the pasteurizing apparatus had been placed in operation at the county farm and that the milk was of better quality than heretofore.

The following departmental bills were approved and ordered paid:

Public buildings, \$20,429.43; public affairs, \$20,609.81; finance, \$24,422.38; roads, \$20,221.93; bridges, \$2,593.19, a total of \$88,276.74.

## SHAKESPEAREAN PLAYS TO BE PRESENTED

It is announced that the James Hendrickson & Claire Bruce Company, Shakespearean players from New York City with a record run of eleven years touring in the Shakespearean plays, will appear at the high school auditorium, Moorestown, in "Macbeth" on Friday evening, October 22. The company has been brought to this section through the efforts of Moorestown Home and School Association. Tickets for the performance are on sale at the Service Pharmacy or the Rose Shop. Unusually low admission prices have been made for students.

Mr. Hendrickson and Miss Bruce will have in their supporting company such well known players as John Burke, Grace Marshall, Howard Whitfield, John Ireland, Elaine Sheldon, Vincent Copeland, Edward England, Robert Gale, Martin Wells and others.

## THE PEOPLE'S COLUMN

Palmyra, N. J., Oct. 12, 1937.  
AN OPEN LETTER

To Mr. Charles Nevin Buchholz, Palmyra, N. J.

Dear Sir:

As a registered Republican and a resident of the Borough of Palmyra, permit me to reply to your open letter addressed "To All Republicans," and printed in the Twin Borough Advertiser.

During the course of your malicious attack upon Freeholder Charles R. Stout, you declaim "I, as a life-long Republican and a member of a Republican family for generations back, am heartily ashamed."

You ought to be.

Charles R. Stout, whom you vilify, is so far above you in every attribute of a man, I marvel that you would dare to assail his good name.

I have known Freeholder Stout for many years, and I know him as every other fair-minded person in the county knows him, for an upright citizen, a staunch friend, ever ready to lend a hand to those in distress, and a faithful official, who has done more than a hundred of your mud-slinging friends have done or will ever do for this great country of ours. I admire the self-restraint, the courage and the patience of Mr. Stout, who, assailed from ambush, libelled and conspired against by those who hated him for what he was and what they could never better his head and bided his time. His conscience was clear. He had nothing to fear. He knew that justice would be done in good time and that those who had perjured themselves and plotted against him, would be overtaken sooner or later. Already part of that expectation has been realized; the rest is on the way.

In your self-sufficiency you try to make it appear that Freeholder Stout sought to evade trial upon the flimsy indictments found against him, for malfeasance, which you can hardly be expected to know, involves no personal dishonesty on the part of the person thus accused. He was ready to go to trial at a minute's notice, during the year in which the indictments stood unremoved. Finally, Prosecutor Eastwood, convinced that there was no case against Mr. Stout, moved for dismissal of the indictments, which Judge Hendrickson immediately granted, expressing unqualified approval of the course recommended by the State.

I notice that you slur the Prosecutor in a cowardly way by intimating the neglect "of some official to perform his duty." I sincerely hope Mr. Eastwood will not let you get away with that. However people may have disagreed with the Prosecutor with reference to these cases, you are the first to dare to asperse his honesty in the discharge of his duty or in any other capacity.

You say that you propose to go off and be a party of your own. Is that a promise? Should you attempt to crawl back out of your loneliness, there will be loyal Republicans waiting to give you a welcome such as you never dreamed of, but which you will remember to your dying day.

Very truly yours,  
E. Horace Houder,  
719 Lincoln Avenue,  
Palmyra, N. J.

PALMYRA A. O. M. P.

Next Tuesday night, October 19, will be "every member night" at the regular meeting of Palmyra Assembly, A.O.M.P., in the P.O.S.A. Hall. Every member has been given a special invitation to be present and enjoy the entertainment arranged for the occasion. Several new members are expected to be initiated, according to the membership committee report.

The entertainment will be furnished by Professor Fitzgibbon, the noted hypnotist, who gives a lecture on the body and health in addition to his exhibition of hypnotism. He is one of the best in his line and has amazed audiences all over the country.

There will be extra attendance prizes; also a speaker from the Most Excellent Assembly is expected.

## EVERYTHING SET FOR STAG PARTY

Big Event to Be Held Monday Night in the Riverton Fire House at 8:30

Final plans for the Riverton Softball League Stag Party slated for next Monday evening, October 18, at 8:30 o'clock, in the Riverton Fire House, were formulated at a meeting of the committee in charge held on Monday of this week.

Various reports made to general chairman, Joseph Yearly indicated that the affair will even surpass advance indications.

### Entertainment

Arthur W. Kees, former manager of the Broadway Theatre, Palmyra, and now serving in the same capacity at the Savar, Camden, reported that he had been able to secure a number of star performers who would put on a show that would be well worth several times the price of admission.

Clarence Hubbs reported that the management of the Red Hill Inn had generously donated the services of their complete orchestra for the entire evening.

In addition to these features, several other novelties have been planned.

Richard M. Woodward, reporting for the speaker's committee, stated that Lena Blackstone had promised to be on hand and that he hoped Jack Quinn, veteran big league pitcher, would also be present.

Mr. Woodward announced that a prominent football player would also give a short talk.

### Guests

Chairman Yearly stated that Freeholders Stout, Jones, Adams and Lamon had accepted his invitation to be present. George Furth, of Moorestown, and other county officials will also attend the party.

In addition, Mayor H. McIlwaine, of Riverton, and members of the Riverton Borough Council will be included among the guests.

### Tickets

Tickets for the party are going rapidly, and J. Lawton Steele, chairman of the ticket committee, states that prompt reservations are essential to avoid a last-minute disappointment, because all indications point to a complete sell-out.

Tickets can be obtained from any of the team managers or from members of the party committee.

Mexico puts out more than 50 per cent of the world's silver.

Any game played in the street is a game of chance.

## When John Barleycorn Drives

John Barleycorn causes a high percentage of our 38,000 annual traffic deaths.

A report from the California Department of Motor Vehicles shows a condition that exists in many states. California experienced 2,838 traffic deaths last year. Of these, about 21 per cent involved drivers and pedestrians who were known to have been drinking. It is reasonable to assume that liquor was a factor in a much greater proportion, as it is often impossible to legally prove mild intoxication.

No lethal weapon ever invented by man is more potentially deadly than a mixture of alcohol and gasoline. Medical tests have proven that as little as two or three ounces of liquor will seriously impair a driver's reflexes—even though he may appear to be sober in all respects—and at the same time give him an influx of Dutch courage that results in inexcusable recklessness. By the same token, drinking pedestrians, their senses of caution dimmed, unknowingly take the chances that breed death and injury.

There is no excuse for a driver taking the wheel of his car after drinking. Here is a case where the law must be adamant, and must be exerted ruthlessly, impartially and immediately. It is a notorious fact that in many communities, prosecuting and police officials are lax about the drinker at the wheel, and are only too willing to reduce a charge of drunken driving to the less important charge of recklessness, if a little "pull" is exerted. The sole consequence of such a policy is to make these drivers believe they can get away with it—and they repeat the offense at the first opportunity.

Drunken driving can be handled by adequate laws, which impose fines, jail terms and license revocation on offenders, coupled with aggressive police and prosecution work. When a fifth of the traffic fatalities in a representative state are known to be the result of liquor, it's time to "crack" down.

## Westfield Friends' School

## Trips

The third and fourth grades are studying about all kinds of farms, so on October 4th, we went to visit the Millside Dairy Farms.

We saw the cows. They are all Jerseys. One of the cows is blind. There were two full-grown bulls and one baby bull. The cows eat carrots, hay, silage and oats.

We saw the bottle sterilizer. This machine cost \$7,000. We watched the bottles being filled with milk—and then caps put on them. First, they put cardboard caps on, then tin foil caps. We saw the refrigerator room where the milk is kept until it is sold.

George Krusen, Grade IV.

The Kindergarten, first and second grades visited Millside Farms on Monday, October 11th.

## The Bulls

The bulls are big. Bulls are very strong. They are lazy. The bulls are kept by themselves. The farmer does not want them because they do not give milk.

Russel Laslochy, Grade II.

## The Milk Trip

We saw the milk come out of big pails and get pasteurized. Then it went through pipes and down the cooler and trickled down into a trough and filled the bottles.

Nancy Ritchard, Grade II.

On Thursday, October 11th, we all went to Lippincott's farm on the Burlington Pike. We were interested in looking at the farm machinery. There were modern machines which are pulled by a tractor, and some of the old kinds which are pulled by horses. There were two

leighs and an old cider press. In the packing house men were sorting and packing apples and broccoli to be sent to cities. Two mules had just pulled a wagon load of pumpkins into the packing house. The mules did not like us very much. Chilton Anderson, Grade IV.

## RIVERTON YACHT CLUB TO MEET

The Riverton Yacht Club is holding its regular monthly meeting at the home of the commodore, 407 Eighth street, Riverton, Friday, October 15, at 8 p.m. It is anticipated that the meeting will be short and arrangements have been made to provide games and refreshments for members and friends after the business has been transacted.

The ladies of the club have arranged a party to be held in conjunction with the meeting, and all members are requested to bring their wives so that they may enjoy cards and refreshments. The party is not restricted to members and any friends desiring to make up a table may do so by calling Mrs. Story at Riverton 219, or Mrs. Showell at Riverton 709-J.

Tickets are 50c per person and may be secured by calling either of the above two members or from any Yacht Club member.

## GOOD HUNTING IN STORE

During the past year 30,052 pheasants were released in New Jersey, of which 21,212 were propagated at state game farms. Total quail liberated throughout the state was 14,069, of which 13,788 were released on the commission's own farm. Total rabbits released reached 26,916.

## SUBSCRIBE TO THE NEW ERA WHY?

Because, among other reasons, it is the only weekly paper in Burlington County, with the exception of three Mt. Holly papers, to have a representative regularly cover the Freeholder meetings.

Because it is the only paper circulated in Riverton, Palmyra and Cinnaminson which assigns a member of its staff to cover all local sports events.

Because it is the only paper circulated in Riverton which covers the meetings of the Riverton borough council and board of education.

Because it is the only weekly newspaper circulated in Burlington county which has a complete photographic department available for timely news events.

And last, but by no means least, it carries the advertising message of your local merchants and keeps you in touch with their many money-saving specials.

## PALMYRA

The Fortnightly met at the home of Mrs. Horace Housler on Lincoln avenue last Friday evening. Twelve members were present. Mrs. Maye read a story "The Alphabet ABC."

The Junior Philathea Class will meet at the church next Monday evening. Their meeting will be preceded by a covered dish supper at 6:30. The business of the evening will be the lecture of officers.

The Philathea Class will hold a doggie roast at Taylor's cabin next Tuesday at 10 o'clock a.m. All those desiring to go will meet at the Palmyra station at 9:30 o'clock.

Miss Mary Kemmerle, of Atlantic City, spent Monday at the Kemmerle home on Broad street.

Mrs. Anna Rockhill, of Broad street, spent Sunday with her sons, Elwood Holmes, of Lumberton, and Edward Holmes, of Beverly.

Clyde Stiles, of Camden, spent Tuesday with his sister, Mrs. A. B. Powell.

Mr. and Mrs. F. N. Johnson entertained at a farewell party Saturday in honor of Mr. and Mrs. William McKee, of Mayfair, who will move to St. Louis shortly. About twenty guests were present.

## OBITUARIES

## VICTOR E. RAVIOLA, JR.

Victor E. Raviola, Jr., of 35 Rowland street, Palmyra, died on Monday following an automobile accident last Saturday evening.

Funeral services were held from his late residence on Wednesday morning at 8 o'clock, with mass at the Church of the Sacred Heart at 9 o'clock, the Rev. John Welsh officiating.

Interment was made in Mt. Carmel Cemetery, Moorestown.

The deceased is survived by his parents, Victor and Mary.

## MISS FRANCES S. GREEN

Miss Frances S. Green, of Lincoln avenue, Palmyra, died suddenly on Friday, October 8th.

Funeral services were held Monday afternoon at 2 o'clock from the Snover Funeral Home, the Rev. William A. Boyd officiating.

Interment was made in Arlington Cemetery, Camden.

Miss Green, who was a teacher in the Palmyra grade school, is survived by her mother, Mrs. Emma Green, four sisters and two brothers.

## GRIFFITHS-WOODSIDE

Mrs. J. H. Woodside, of 327 Lecony avenue, announces the marriage of her daughter, Anna Marie, to John W. Griffiths, son of Mr. and Mrs. P. Griffiths, of Camden, on Saturday, October 9, at Media.

Coconut shells filled with explosives were used as bombs in a Hawaiian revolution.

## Church Notices

## CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services, Sunday, Oct. 17th

10:00 a.m. Bible school. The attendance at the school last week was quite gratifying, especially, in the face of the inclement weather.

11:15 a.m. Morning service. Pastor Lockett has selected as his subject, "Follow Me."

7:00 p.m. High School Young People's Group meet in the Bible school room. With "Jack" Sessumler in the chair as president, the group can look forward to a very eventful year. All young people invited.

7:45 p.m. Evening service. Covenant Chapter, Order of the Eastern Star, will pay a visit to the church at this service. The pastor will have an appropriate text for his sermon, and there will be special music by the choir. This service is not confined to members of the order, but is an opportunity for all members to come out and welcome the visitors.

## EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

"Impossible Without Faith," this is the subject of the sermon in the Methodist Church by the minister, Rev. W. A. Boyd, this Sunday morning at eleven o'clock. There will be singing by the church choir and the organ numbers by Mrs. Rachel Lord.

The evening service is always bright, cheerful and happy. "A Judge Who Lost Out" is the topic of the sermon by Mr. Boyd. The song period is directed by the minister.

The senior choir, in charge of Mr. Warnick, the "Friendly Choristers" will sing for the first time. Come, bring your friends with you.

Sunday evening at 7 o'clock the Young People's Church League meets in the Intermediate room. Margaret Mount has charge of the meeting this week. Young people in high school, college or out of school are welcome to attend this meeting.

The Methodist League for Youth—young people 12-16 years of age—will meet this Sunday evening in the Wesleyan room at 7 o'clock. Miss Elizabeth Hassel will be in charge this Sunday.

Mid-week prayer and study hour every Wednesday evening from 8 to 9. All teachers of Bible classes and those interested in Bible reading should attend this meeting. The lesson this week is on "Achieving the Life of Faith." Read Gen. chapters 12:1-9; 15:1-6, and 22:1-19.

## CHRISTIAN SCIENCE CHURCH

"Doctrine of Atonement" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 17.

The Golden Text is: "God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord." (1 Corinthians 1:9)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "As ye have therefore received Christ Jesus the Lord, so walk ye in him: For in him dwelleth all the fulness of the Godhead bodily." (Colossians 2:9)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Glory be to God, and peace to the struggling hearts! Christ hath rolled away the stone from the door of human hope and faith, and through the revelation and demonstration of life in God, hath elevated them to possible at-one-ment with the spiritual idea of man and his divine Principle, Love." (p. 45)

The study group conducted by Mrs. Arthur Mandeville will meet at the Cinnaminson School Wednesday afternoon, October 20th, at 3 o'clock.

Dr. Casselman, of the Department of Health, Trenton, will speak on Social Diseases. There will be a question box at this meeting for those desiring questions answered.

Preceding this session a covered dish luncheon will be held in the school lunch room. Everyone welcome—no charge—just bring a covered dish. Those desiring transportation call Riverton 1516.

Patlietty.

## CINNAMINSON P.T.A.

The study group conducted by Mrs. Arthur Mandeville will meet at the Cinnaminson School Wednesday afternoon, October 20th, at 3 o'clock.

Dr. Casselman, of the Department of Health, Trenton, will speak on Social Diseases. There will be a question box at this meeting for those desiring questions answered.

Preceding this session a covered dish luncheon will be held in the school lunch room. Everyone welcome—no charge—just bring a covered dish. Those desiring transportation call Riverton 1516.

Tenderfoot Awards—Captain Ashmore. Merit Badge Awards—Mrs. E. W. McNeil, Regional Director from Headquarters.

Golden Eagle Award—Mrs. Nancy Drummer, Captain Barrington Troop.

Closing Circle—The Golden Sun-Taps. Song—The Mermald.

## PALMYRA LOSES BY SINGLE POINT

Audubon Tallies in Initial Quarter to Annex Game By 7-6 Count

Failure to convert the point after touchdown cost Palmyra a tie with Audubon, last Saturday afternoon, on the local field, the invaders returning home with a 7-6 decision following a hard-fought engagement played before 3000 fans.

The touchdown made by the Green and Gold came early in the first period and was followed by perfect placement for the extra point.

Palmyra went over for a six-pointer in the third quarter, but the attempt at conversion by rushing failed.

## Fumbles Pave Way

Shortly after the game opened, an exchange of kicks gave Palmyra the ball on their own 30 yard stripe. On the first play a local back fumbled and, after at least six men had their hands on the elusive pigskin, the enemy player finally held it firmly in his clutches.

Audubon then decided not to take advantage of this golden opportunity and promptly fumbled on the next play, Rothbaum recovering for Palmyra.

Not to be outdone in this Alphonse-Gaston act, the Red and White again could not handle the oval, and Audubon recovered.

## Start Drive

Sensing that Palmyra was apparently in earnest about wanting them to have the ball, the invaders then started the drive which resulted in the first score. A pass was good for 15 yards and Cochran, Audubon back, toted the ball to the 10, and eventually a first down was made on the local five-yard stripe. Here Palmyra braced and held the invaders for two downs, but Cochran smashed through on the third attempt for the score. He later booted a perfect placement for the extra point.

## Threaten Again

This ended the excitement until late in the second quarter when Palmyra was again threatened deep in her own territory. This situation was also brought about by a fumble and the Green and Gold took possession of the ball on the local 10-yard line.

At this point the charges of Coach Dimond staged a perfect defense with their backs to the wall. Three Audubon plays could only advance the ball a distance of five yards, and the last attempt in the form of a pass was knocked down by the alert local secondary.

McDermott booted out of danger and the half ended shortly after with Palmyra throwing passes in a futile attempt to score.

## Different Team

A different Red and White eleven took the field as the third period got under way. The players were the same as those in the first half, but they performed in a vastly different manner. From the opening kickoff it was all Palmyra.

An Audubon kick from short punt formation was blocked but the invaders got the ball 10 yards from their own goal. After receiving the ball at midfield on a subsequent kick, the homesters' offense began clicking. A pass, Gamble to Rothbaum was good for 20 yards. Gamble then heaved another to Saca which put the ball on the enemy 10. Prisco picked up four on a line play, but two additional thrusts into the line failed to gain. Marshall then cir-

## Final Rally

Starting from their own 20, Audubon began a late offensive and reeled off four first downs in a row. This attack carried the ball to the Palmyra 30-yard marker as the game ended.

The invaders outscored Palmyra in the matter of first downs, the count being seven for Audubon as compared with four for Palmyra.

Score by periods:  
Palmyra 0 0 6 0—6  
Audubon 7 0 0 0—7

## NORTHMONT NEXT FOR RED DEVILS

The strong Northmont A. A. has been signed as the next opponents for the Palmyra Red Devils in a night game to be played on the local high school field, tomorrow (Friday) night, the kickoff being scheduled for 8:30 o'clock.

Coach Frank Kates has had his men hard at work during the week at lengthy practice sessions and has succeeded in ironing out a number of the weaknesses discovered in last week's game.

The Red Devils will take the field with full strength and officials predict that the local attack will give the Northmont team plenty of trouble during the evening.

## Country Club Notes

In the last matches of the season held last Saturday, A. P. Gregg and G. M. Bartlett were the winners in the Kichers Handicap.

W. W. Chalmers and W. T. Blyler won the honors for low net, while Dr. Myer took first place for low gross.

The bowling season started last Monday night. A complete account of the matches will be published from week to week.

Artisan's League  
The Bandits got away to a good start by taking four from the Bootleggers. Hires had 209 for the winners. The Demons won the limit from the Buccaneers while the Highwaymen annexed three from the Footpads. Ville, of the Thieves, rolled 245 for his team which took three from the Pirates.

Business Men's League  
Bell-Evans captured three from the Ramblers. The Claws bowed to Lloyds in two out of three. (continued on page 7)

From the Sidelines  
It was a tough engagement for the locals to lose, and the Audubon victory was not due to the superior offense of the invaders, but can be directly attributed to the fumbles in the first quarter.

Both on the defense and attack, the locals appeared to have much the better of the going once they really got under way.

The four Audubon first downs in the waning minutes of the encounter meant little or nothing. Without these being counted, Palmyra outscored the enemy in this respect, 4-3.

Audubon attempted only one type of pass, a short affair over the scrimmage line. This clicked well for a while, but was later solved by the locals.

Passed to the ends and end runs appeared to be the locals best offensive weapon. Both lines were very strong.

The Audubon band, composed of 50 members and a girls' drum and bugle corps of 40, staged a brilliant drill between the halves.

McDermott's kicking was an important asset to the locals during the entire fracas.

## Alley Gossip

County League  
Garden State took three games from Shorten's with H. Haines being high man for the winners with 231. Beverly downed the Kickheffer five in three games while Medford won two from Devlin's. J. Haines, of Medford, had a high single of 212. Crozier took Coddington's for a like number. Burke rolled 213 for the Painters.

The standing:  
Garden State 6 0  
Beverly 5 1  
Coddington 4 2  
Devlin 3 3  
Crozier 3 3  
Medford 2 4  
Shorten 1 5  
Kickheffer 0 6

Artisan's League  
The Bandits got away to a good start by taking four from the Bootleggers. Hires had 209 for the winners. The Demons won the limit from the Buccaneers while the Highwaymen annexed three from the Footpads. Ville, of the Thieves, rolled 245 for his team which took three from the Pirates.

McDermott's kicking was an important asset to the locals during the entire fracas.

## PARTY PLATFORM IS VOTED UPON

Republicans Emphasize Liberal Tendencies and Advance Of Common Man

A broad platform of liberal tendencies emphasizing the interest of the party in the welfare and advancement of the common man through its candidate for Governor, Lester H. Clee, was offered to the voters of the state by the Republican party when the platform was adopted at the annual state convention held last week in Trenton.

The platform pledged a sincere effort upon the part of not only Senator Clee but the candidates for the state senate and the general assembly to carry out the honest declarations for the improvement of the state government and shows that the gubernatorial nominee is endeavoring to make no promises which he cannot live up to.

### Agriculture

Pointing out that agriculture is an industry representing an investment of over \$350,000,000, the platform declared that it is "essential that an adjustment in the relationship between producer and distributor be made," and support is given the Department of Agriculture; the Agricultural College and the Agricultural Experiment Station at New Brunswick. "In addition the platform declares that one of the handicaps of the farmer is the lack of proper development of 'farm to market' roads and the party is pledged to support an adequate program for development of these roads.

Teachers of the state are given the assurance that the party is continuing its traditional policy of favoring tenure for them as well as continued maintenance in a solvent manner of the teachers' pension and annuity fund.

### No New Taxes

No new taxes are pledged, and the platform says "none will be levied," adding that government services properly handled and with the proper economies, the state's income will be ample.

A sympathetic understanding toward labor is necessary if the state is to meet the needs of its workers the platform declared, adding that the party recognizes the legal rights of both labor and industry must be safeguarded.

Proper changes were promised in the court of chancery procedure which "would insure a fair and equitable hearing for all parties concerned" and the party also was pledged to the enforcement of a minimum wage law.

### Pardon System

"Judges and prosecutors must be chosen by their character, merit and qualifications the party declared, inasmuch as 'maintenance of order and the enforcement of law are the first obligations of government.' Abuses by the present parole and pardon system are condemned in the platform which pledges the party to sponsor suitable legislation for their correction.

In the field of juvenile delinquency, the party recognizes that the youth of the state must be protected and the social welfare advanced.

## INSTALLATION AT PALMYRA POST

J. Russell Musser has been installed as commander of Frederick M. Rodgers Post, No. 156, American Legion, of Palmyra, for the coming year.

Other officers of the post are: Charles A. King, senior vice commander; Joseph L. Stack, junior vice commander; Percy Hotchkiss, adjutant; Charles Yost, finance officer; Avery Willis, chaplain; Charles Bailey, historian; and Harry Shaffer, sergeant-at-arms.

Music washes away from the soul the dust of everyday life.—Auerbach.

**NOTICE OF SETTLEMENT**  
Administratrix Account.  
Notice is hereby given that the First and Final Account of the subscriber, Administratrix, will be audited and stated by the Surrogate and reported for settlement and allowance in the Orphans' Court of the County of Burlington at a session to be held Thursday, November 18th, 1937, at 10 o'clock in the forenoon.

GEORGE M. LUTZ, Administratrix.  
Dated: October 11, 1937. 10-14-11-11-37

## Legal Notices

### NOTICE OF REGISTRY AND ELECTION

202 Broad Street

**AND NOTICE** is further given that a **GENERAL ELECTION** will be held in said Borough at the place of registration on **TUESDAY, NOVEMBER 2, 1937**, between the hours of seven o'clock a.m. and eight o'clock p.m. for the purpose of electing the following:

Member of the General Assembly.  
Two (2) Members of the Board of Chosen Freeholders.  
Two (2) Councilmen (Full Term).  
Assessor (Full Term).  
Three (3) Justices of the Peace (Full Term).  
**DANIEL M. CLIFTON**  
Borough Clerk.

## YOUR GARDEN

### WHAT TO DO THIS WEEK

By A. C. McLean  
Extension Service, N. J. College of Agriculture

Most hardy roses should be transplanted in the fall of the year rather than in the spring and the work should be done in October or early November. This would be advisable for bush roses most of the climbers, polyanthus, and the hybrid perpetuals. Most of the hybrid teas also are sufficiently hardy for fall planting provided soil is hilled-up around the base of the plants to give ample winter protection. This is a good practice to follow with all fall planted roses.

Start digging gladioli in October before the ground becomes too cold and before a penetrating frost comes. In digging the plants, cut off the tops and put the corms in a tray or box that they will dry thoroughly before they are stored for the winter. If the gardener desires to increase the number of corms, however, he should leave the plants in the ground as long as possible, for the small corms grow faster in the fall than in the summer.

After the corms have been dug and dried for two weeks, remove the old roots and scatter naphthalene flakes over the corms, with the shucks left on, to kill any gladioli thrips that may be present. About one ounce of flakes should be scattered over 100 corms, and the trays or boxes should then be covered with papers or canvas to confine the fumes. Most thrip trouble can be traced to permitting the adult insects to winter over on stored corms. If the corms can be stored at a temperature ranging from 38 to 40 degrees Fahrenheit, the infestation should be cleaned up by the cold. Details of other methods of thrips control can be secured from the County Agricultural Agent or from the State College of Agriculture at New Brunswick, N. J.

All tender plants may be dug now except dahlias, which should be left in the ground a week or two after

the tops have been killed by frost before they are dug. Tuberoses and most tender bulbs should be taken out of the ground before frost seriously injures the tops, however. This is particularly true of tuberoses, for frost may destroy the flower buds already formed for next year close to the crown of the plant. This accounts for the fact that many tuberoses fail to bloom, even though the plants seem well developed.

Maine hatches more trout, salmon and lake trout than any state in the Union.

## ROSES

Many rosarians, both amateur and commercial, give preference to fall planting of roses. The best time to do this is when in a thoroughly dormant condition about the first of November.

Select the varieties you desire from our Autumn Catalogue and we will deliver at planting time in good strong two-year-old plants.

# DREER'S

Our roses are universally considered to be the best obtainable anywhere.

Open weekdays from 8 a.m. until 5 p.m. and on Sunday (but not for business) from 1 until 5 p.m.

Ever stranded on a desert island?

The "F" family of Westfield were during an expedition? Mrs. "F" and other New Jersey women made to find out the difference the telephone makes in daily living.

Mrs. "F" measured her steps, and recorded her daily accomplishments for ten days without, and ten days with the telephone's help.

Without the telephone, Mrs. "F" wrote, "We might as well have been on a desert island. We were losing touch with everyone we knew, especially my two daughters—16 and 9—and friends mean so much to growing girls."

With the telephone, the "desert island" disappeared. "My girls were in the thick of things again, and I found my old friends calling up, getting back in touch."

**"In Touch!"** The more you use your telephone to get places, visit, get things done quickly, the more you help yourself to enjoy a happier, easier, more satisfying life.

**TALK 18 miles for 15¢, 30 miles for 25¢, any time anywhere in New Jersey (station-to-station rates). On calls of 30 miles or more, rates are reduced nightly after 7, and all of Sunday.**

Each wire a peacemaker, to measure the distance we walked, with and without the telephone. With the telephone, they

saved up to 4,000 steps a day (420 miles of walking a year);

gained an average of one hour every day, for leisure, or added accomplishments—some gained 5 hours or more;

strengthened and renewed friendships, both in and out of town.

NEW JERSEY BELL TELEPHONE COMPANY

## BOY SCOUT NEWS

The Fall meeting of the Order of the Arrow was held in the Arrow Cabin at Camp Mahalala this past weekend. Burd Schoener, president of the local lodge, presided, and reports were made on various activities of the order. Three very excellent meals were cooked by Larry Caldwell and John B. Stokes, Jr. A committee was appointed consisting of Tom O. Perkins, of Delanco, as chairman, who will be assisted by Bill Phils, of Delanco, and Al Dallman and Clifford Meeks, of Riverside, to arrange three activities for the Fall and Winter. One of these activities will take the form of the Annual Barn Dance to be held at the Camp during the Thanksgiving holidays. Martin Eckert, of Parry, was appointed chairman of the committee to draw up the plans for the alteration of the Arrow Cabin, which will provide a kitchen and dining room.

The Scoutmasters of Burlington County met in the Mahalala Cabin at Camp Mahalala on Wednesday evening and discussed plans for the Fall and Winter Scout program. Among the things discussed were the Advancement Charts, Programs, and Training Courses. The training courses will start about the latter part of October to give the new Scoutmasters in the county an opportunity to learn something about Scout programs.

The meeting of the county executive board was held at the home of Eugene E. Beyer, of Mt. Holly, on Tuesday evening, plans and programs were gone over at the meeting for the Fall meetings of the district committee.

Many of the experiences and good times of last Summer's camp season are still being vibrated throughout Burlington County. Many troops have begun to plan for next Summer by creating camp funds and saving towards this end. For four years "camp" has been a fifty-two week program of Troop 21 of Parry, and a good many other troops are making plans for camp in 1938.

## COUNTY BRIEFS

Lester Collins and Byron Roberts, of Moorestown, with C. B. Lewis, of Riverton, have been named by the state board of agriculture to serve as members of the state apple growers' committee who will be prepared to give information to growers regarding purchase of Jersey apples by the F.S.C.C.

State police have been most active of late in several communities arresting alleged operators of the numbers game and confiscating slot and pin ball machines.

Bids have been requested for the new police radio system in Moorestown, the township committee having authorized a bond issue of \$4,500 to finance the project.

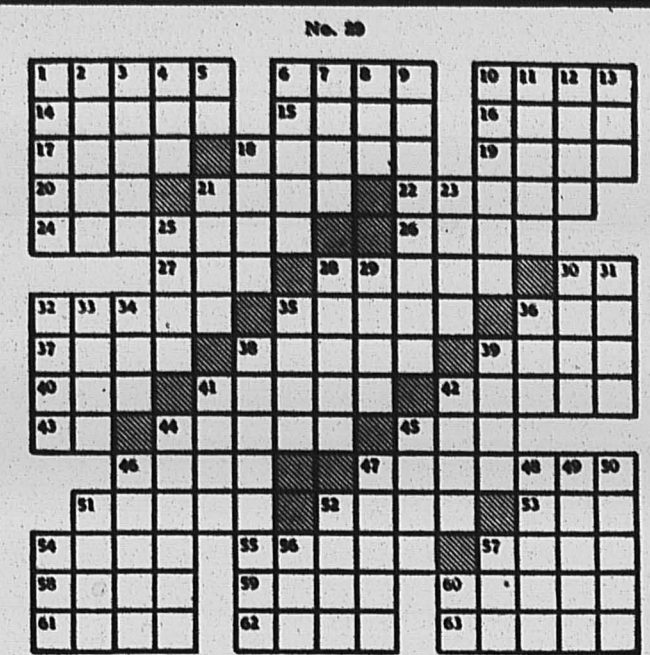

## RADIO GARDEN CLUB PROGRAM

How to store tender perennial plants for the winter will be described by Mrs. H. D. Thomas, garden consultant of Paterson, when she speaks during the Radio Garden Club program Friday, October 15, at 3:45 p.m., over station WOR and other stations of the Mutual Broadcasting System.

Mrs. Thomas will speak as the guest of the Federation of Garden Clubs of Bergen County, N. J., one of the organizations cooperating with the Agricultural Extension Service, Rutgers University, in presenting the Radio Garden Club programs.

"Late Blooming Perennials" will be discussed by Mrs. Wheeler H. Peckham, horticulturist, of Sterlington, N. Y., during the Radio Garden Club program of Tuesday, October 19, at the same hour. The program will be that of the Garden Club of New Jersey.

## RIVERTON

F. M. Carpenter, of Asbury Park, is spending a few days with his brother, Leroy Carpenter, of Eighth street, on his way to Miami, Florida, where he will spend the winter.

Mrs. Mary Hazelton, of Thomas avenue, entertained friends from New York last week.

The winners for the last three weeks in the stocking club run by Mrs. Lewis Bell were Mrs. Gertrude Gray, Mrs. William Wolfenbarger and Mrs. William Thomas.

Charles Delaney and son "Buddy," of Riverton, and Gordon Stewart and son "Bud," of Woodbury, witnessed the Princeton-Cornell game last Saturday.

Miss Margaret Shockcor, of Linden avenue, is recuperating from an appendicitis operation in Mt. Sinai Hospital, Philadelphia, where she is training for a nurse.

Charles DeGrau, Sr., of Yokohama, Japan, arrived in the United States last Wednesday where he will visit friends for the next several weeks.

Mrs. Elsie Brownell, of Frankford, spent Sunday with her father, Edwin Evans, of Linden avenue.

Mrs. Harriet Kirby, of Linden avenue, is spending several weeks in Atlantic City at the Hotel Ambassador.

The Burlington County Republican Committee will hold a dinner-dance at the Moorestown Community House on Wednesday, October 20, at 6.30, tickets \$1. The music of the evening will be furnished by the Downey Conservatory of Music. John A. Eaton, of Trenton, will be the speaker of the evening. Mrs. Mary Kobus, of Camden, is also expected to be among the speakers. Tickets for the evening may be procured from any of the members of the county committee. Reservations should be made not later than October 18 to Mrs. Alma Evans, chairman of dinner arrangements.

Mrs. Catherine Longacre, of Collingswood, spent Saturday with Mrs. Florence Evald, of Harrison street.

Mrs. Louis Clelland and sons, of Newton Corner, Boston, spent last week with her mother, Mrs. H. T. Johnston, of Elm Terrace.

Miss Alice Lavery, of Far Hills, N. Y., spent last week with her parents, Mr. and Mrs. Joseph Lavery, and relatives in Moorestown.

Mr. and Mrs. Fred Papworth, of Cinnaminson street, have moved to the property at 431 Thomas avenue.

Mr. and Mrs. Ralph Warnick, of New Brunswick, have moved into one of the apartments at The Maple.

The Woman's Republican Club of Burlington County will hold a covered dish luncheon in the Bridgeboro fire house on Tuesday, October 19, at 12 o'clock noon. All Republican women are invited to attend and bring a covered dish and 15 cents.

Mr. and Mrs. DeWitt E. Tuttle, of North Jersey, have moved into the property at Fourth and Penn streets.

Mr. and Mrs. Harry Michel, of Camden, have moved into the property formerly occupied by Mrs. Lutz, at 219 Thomas avenue.

Mrs. Joseph J. Siddall, of Lippincott avenue, who suffered an injury to her back several weeks ago while at Prince Edward Island on her vacation, went to Cooper Hospital on Tuesday for X-ray examinations. Mrs. Raymond Jenkins, a registered nurse and friend of the Siddalls, returned to Riverton with them at the time of the accident, and will remain with Mrs. Siddall until she has completely recovered.

## MEAT PRICES WILL

### CONTINUE TO BE HIGH

In spite of a slight decrease in meat prices amounting to 0.50 per cent during September, as compared with August, no great relief is in sight for family meat budgets before next summer, the monthly retail food price surveys made by the State Department of Agriculture reveal.

## PALMYRA AUXILIARY

### TO HAVE LUNCHEON

The regular meeting of the Palmyra Auxiliary of the Zuberger Memorial Hospital, will be held on Thursday, October 21, at the home of Mrs. Muriel Rudolph, 913 Washington avenue, Palmyra. The session will be preceded by a covered dish luncheon at 1 o'clock.

Mrs. Harry King, Fourth street and Cinnaminson avenue, Palmyra, was the winner last week in the stocking club of the auxiliary.

## GIFTS TO RUTGERS

TOTAL \$381,000

Gifts and bequests totaling \$381,000 have been received by Rutgers University in the past year, according to the annual report of President Robert C. Clothier, submitted to Governor Harold G. Hoffman this week. Dr. Clothier also said that other substantial bequests had been announced.

Blessed are the poor. They are the only ones who have any political influence.

## EMPLOYMENT

Strayer's Business School filled 877 positions in 1936 and 1937 during the first 3 months of the year. The school and college graduates who are unemployed might do well to write for business positions. New classes starting now, both day and night. Charges moderate.

## B & L OFFICIALS INSPECT SCHOOL

Shown Many Improvements;  
Additional Facilities  
At Low Cost

Upon the invitation of Paul R. Jones, principal of the Palmyra public schools, members of the board of directors of the Palmyra Building and Loan Association paid the high school a visit on Monday evening last.

Mr. Jones, who escorted the board throughout the building, was accompanied by President Leonard R. Baker, George Snyder and George Rivel, representing the board of education.

During the tour of inspection, Mr. Jones pointed out the new renovations and the many innovations that have been made and introduced this year, giving very definitely and concisely the reasons for the changes and their needed effect.

### Great Saving

It was brought to the attention of the visitors, that to make additions to the present school building, in order to give the desired room, and at the same time adopt the new features as are being carried out in the school this year, would require an expenditure of at least \$80,000. It was interesting to note that through the careful planning and the ingenuity of Mr. Jones and the board of education, this whole program has been finished at a cost of \$15,000.

The art, office practice, and music rooms, were pointed out by Mr. Jones as some of the new departments which are being conducted this year in connection with a "Learn to Drive Cars" and reading blue print classes, all being introduced for the express purpose of better qualifying the students for either further college training, or to more readily fit them for employment, should they be denied additional education.

At the conclusion of the inspection, the visitors expressed their appreciation for such an interesting and beneficial visit, and commended Mr. Jones and the board of education for the results accomplished.

### Visitors Welcome

President Leonard Baker informed his guests that there still were several items needed to complete the program, and when this is concluded, the board contemplates holding an "open house" for the local citizens and all those interested.

In answer to a question offered by one of the visitors, Mr. Baker stated that a welcome always awaits those who desire to visit during school hours. A monitor is always waiting to welcome visitors. They will be given every courtesy and will be personally escorted through the school.

The visiting members of the board of directors of the Palmyra Building and Loan Association were, President, Clarence T. Yerkes; vice president, Edward Jessup; secretary, Frank L. Dargin; treasurer, Forrest C. MacCorkle; assistant secretary, Harvey G. Fisher; solicitor, Joseph S. Low, and directors George Clover, George Harvey, Clarence Cole, William Henry, Curtis Staveland and Joseph Seel.

### ABOUT THE COUNTY

Senator A. Harry Moore made his first visit to Burlington county in his present campaign for governor when he was the guest speaker at a Democratic rally held in Burlington last Thursday night.

Judge Frank A. Matthews, of Riverton, addressed the first meeting of the Young Men's Club, of Burlington, last Tuesday night, selecting "The Constitution" as the subject for his talk.

Four towns in the county will vote on the question of police pension funds. These are Palmyra, Riverside, Bordentown and Florence.

About 500 prisoners have been transferred from Trenton to the new penal institution near Bordentown.

The new regional high school at Mt. Holly will be formally dedicated on Saturday, October 23. The ceremonies will begin at 2 o'clock.

## LESTER H. CLEE

who will speak at a rally to be held in the Burlington armory tonight (Thursday) at 8 o'clock.

### FREED-HENDRICKSON

Miss Brita Hendrickson, daughter of Mr. and Mrs. William A. Hendrickson, of 208 Lippincott avenue, became the bride of Joseph Markley Freed, Jr., son of Mr. and Mrs. Joseph Markley Freed, of Chestnut Hill, at a very fashionable wedding in Christ Church, Episcopal, Riverton, at six-thirty Saturday evening. The Rev. Francis B. Downs officiated and G. Lincoln Ridley played the wedding march.

Miss Hendrickson attended National Park Seminary in Washington, D. C., and was graduated from the Agnes Irwin School, Philadelphia. She made her debut to society in 1932. Mr. Freed was graduated from Germantown Academy and the University of Pennsylvania.

The bride, who entered the church on the arm of her father, wore a gown in an exquisite model of white velvet fashioned on princess lines. Her veil falling from a rose point lace cap, was trimmed with orange blossoms and she carried a bouquet of lilies of the valley and white orchids.

Mrs. W. Lynn Hendrickson, sister-in-law of the bride, attended as matron of honor and Miss Jean Cantrell, of Germantown, as maid of honor. They wore gowns of dark blue velvet models with which they were matching velvet hats wreathed in pink and blue forget-me-nots. Their bouquets were of pink dahlias and blue delphinium.

The bridesmaids were Miss Helen Elizabeth Freed, of Chestnut Hill, Miss Anne Donnelly, Mrs. Mulford Simons, and Mrs. Philip K. Schwartz of Germantown. Their frocks were of blue velvet in a lighter shade, with similar hats and carried bouquets of dahlias and delphinium.

The bridegroom was attended by his father as best man and the ushers were Joseph T. Raebuck, Milford

### BIRTH

Mr. and Mrs. Randolph Woodward, of 814 Washington avenue, Palmyra, are receiving congratulations on the birth of a son, Warren Worth, on Sunday, October 10, at the Mary Haas Robbins Maternity Home.

Simons, Lester C. Bosler, Jr., of Germantown, David Freed, of Chestnut Hill, the bridegroom's brother, and W. Lynn Hendrickson, the bride's brother.

Mrs. Hendrickson wore a gold lame gown with black accessories, while Mrs. Freed wore black lace and sequins.

A reception at the Hendrickson home followed the ceremony. After October 25, Mr. and Mrs. Freed will be at home at 150 West Washington Lane, Germantown.

### WCTU MEETING AT MOORESTOWN

Mrs. Sabina Reagan, state chairman of legislation, will be guest speaker on the program of Moorestown Women's Christian Temperance Union in the Community House in Moorestown, on Tuesday, October 26, 9:30 a.m. to 2 p.m.

Miss Helen Putnam, of Philadelphia, and Miss Ella Moore, of Moorestown, will be the soloists. Another speaker of interest will be Mrs. Ida Hudson, better known as Mother Ruth, of Sunday School Times.

James Killup will also exhibit his temperance trailer. Lunch will be served for 35c. Everyone is welcome.

Wife: "Dear, I saw the sweetest little hat downtown today." Husband: "Put it on, let's see how you look in it."—Rail.

## OVER 150 ATTEND 21st RECEPTION

A. M. Bean Is Guest Speaker  
at Affair Given by the  
Riverton P.T.A.

With more than 150 members and guests present, the Riverton Parent-Teacher Association conducted its twenty-first annual reception last Monday evening in the school auditorium.

The meeting was opened with a short address by the president, Mrs. Charles H. Yost, after which Edward Turnock and Yvonne Pennington, former pupils of the Riverton school, played trumpet solos and duets. They were accompanied on the piano by Miss Diener.

### Miss Staman Speaks

Mrs. Yost next presented Miss Caroline M. Staman, supervising principal of the school, who conveyed the appreciation of the faculty in having so many interested parents present at the meeting. In commenting upon the progress of the school, Miss Staman informed the meeting that forty-two new pupils have been registered since the opening in September. She not only welcomed these children in the school, but extended a most cordial invitation to their parents to take part in all of the activities of the school.

Mrs. William Wells, of Delanco, district vice president of the county P.T.A., spoke briefly upon activities in the riverfront district of the association, and invited the members of the Riverton Association to attend the district meeting in the Delanco school on November 15th.

Mrs. Velma L. Comegys, the new music instructor, was introduced and entertained the association with several solos. She was accompanied on the piano by Mrs. C. V. Devery.

### Judge Matthews

Judge Frank A. Matthews, Jr., gave an interesting talk on the evolution of the dramatic arts, tracing their origin from ancient times, and putting exceptional stress upon the rapid development of the drama during the time of the Greeks.

John H. Werner, president of the board of education, spoke on behalf of the board, and advised the parents that the board's meetings are every bit as public as those of the association, and invited the public to attend these sessions any time.

### Guest Speaker

William H. Bottger, district clerk of the board of education, introduced the speaker of the evening, A. M. Bean, superintendent of schools of Camden county, who based his subject upon this year's P.T.A. topic, "Back to the Home." In general, he built his talk around the desirability of improving home conditions; making the home a sturdier and more dependable refuge for the entire family, from the strain and stress of modern living, thus promoting family happiness and a greater spirit of mutual helpfulness within the fireside circle.

Mr. Bean's talk was warmly welcomed by those present, and at its conclusion, the parents, teachers and guests were served with refreshments by the parents.

Miss Eval's room won the plant for having the largest percentage of parents present at the reception.

The annual convention of the New Jersey Congress of Parents and Teachers will be held at the Ambassador Hotel in Atlantic City on November 3rd, 4th and 5th. Thursday, the 4th, is the most important day, and all local members who can possibly attend are urged to do so. Please notify the president, Mrs. C. H. Yost, in advance if you plan to attend the convention, and the local association will pay the registration fee.

### PORCH CLUB

The next meeting of the Porch Club will be held on Tuesday, October 26, at 2:30 p.m. Francis McComber, chief interior decorator of James McCutcheon and Co., of New York, will be the speaker.

The garden department pilgrimage to Scott Arboretum at Swarthmore has been postponed until Monday, October 25. All those planning to go, meet at the Porch Club at 12 noon.

## SENT TO JAIL FOR 30 DAYS

Clarence Pensyl, 50, who has resided at 622 Main street, Riverton, for the past eight months, was arraigned before Recorder Frank Probsting, of Riverton, last Tuesday night, charged with using loud and profane language at Broad and Main streets on Monday of this week.

He pleaded not guilty to the charge, but refused to make any statement. After hearing the testimony of several witnesses, Recorder Probsting sentenced him to 30 days in Mt. Holly jail.

The arrest was made by Officer John Carhart, toward whom Pensyl directed his remarks.

According to the witnesses who gave evidence at the hearing, Pensyl is alleged to have been abusive on numerous occasions in respect to his police, and to have insulted local citizens on various occasions, the latest being September 14, 26, 27 and October 18.

The man was previously taken into custody by the Palmyra police after a robbery in that community. When Officer Betty questioned him on the street he became belligerent and the officer found it necessary to detain him.

## DRAWINGS FOR BALLOT POSITIONS

A drawing for candidate's positions on the general election ballots was made by County Clerk Lawrence G. Mingin on Wednesday afternoon at three o'clock, as prescribed by law. With this last formality completed, bids for printing were opened. The Daily Enterprise, Inc., of Burlington, was the successful bidder for the printing of 133,000 sample and official ballots for the county's 93 voting districts. The New Jersey Mirror, of Mount Holly, was the only other bidder.

The Republican column, which will be on the left hand side, contains the names of the following candidates for state and county offices: For Governor, Lester H. Clee; Assembly, S. Emilen Stokes; Freeholders, Albert C. Jones and Charles R. Stout. Jones won the top position in the freeholder division.

### Democrats

The Democrats, and their positions, are: For Governor, A. Harry Moore; Assembly, James Mercer Davis, Jr.; Freeholders, Firmin C. Farland and John C. Sauer.

The independents, and their positions, are: For Governor, John T. Chandler, "Communist Party"; James F. Murray, "Roosevelt-Labor-Anti-Hague"; Henry Jager, "Socialist"; Dinah P. Ghadiali, "Independent—No Graft"; Eugene A. Smith, "National Prohibition Party"; John C. Butterworth, "Socialist Labor Party"; Assembly, J. Sharpless Richie, Riverton, "National Prohibition Party"; Freeholders, Elmer Bauer, Lenola, and Samuel E. Goldner, of Mount Holly, both "National Prohibition Party."

### PALMYRA A. O. M. P.

The regular meeting of the Artisans was held on Tuesday evening of this week with a large attendance, the occasion being every member night.

Delegations were present from Dorian and Camden Assemblies. The bowling committee reported a very encouraging start in this sport at the Palmyra alleys and expect a bigger year than for several years past. There are eight teams, with six men on a team in the Artisan's league.

The proposed visit to Atlantic City Assembly on Wednesday, October 27, has been cancelled for the present, owing to other conflicting activities.

After the meeting there was an excellent entertainment.

### PLAYGROUND TEAM

The Palmyra playground football team is being reorganized. Any boys weighing 125 pounds or under who wish to play are requested to get in touch with Officer William Stack, of the Palmyra police, or Frank Kreutzberg as soon as possible.

The Roman Emperor Tiberius made an edict against marriage by women over fifty or men over sixty, but it was soon repealed.

## Westfield Friends' School

The fifth and sixth grades are studying about the story of our nation. We are beginning with the Indians and their communities before the coming of the Europeans to settle here. In geography we are learning about the natural regions of the United States so that we can understand why it was that the Indian communities were different in the various regions. We have been especially interested in the Sioux Indians of the plains and the Iroquois of the woodlands.

### Our Teepee

In planning our teepee we had certain committees. We cut paper into the shape of buffalo skins and fastened it to poles that the children had brought. On the outside of the paper we have drawn Indian designs which the Sioux Indians used to do their own teepees.

Jim Marshall.

### Bead Work

The class has been learning how to do Indian beadwork. We made our looms out of cigar boxes and with a needle and thread and some beads we got down to work. The girls are making headbands and the boys are making bracelets. When they are finished and the scenery of the Iroquois long house is painted, we will give the Indian play we have made up.

David Pittinger.

## PALMYRA LOSES SOCCER CONTEST

Palmyra High School's soccer team lost the first game of the season on Thursday, October 14, by the score of 4-3, Audubon being the opposition.

The game was played at the Riverton Memorial Park before a crowd of about 200 fans.

A brilliant passing attack by the home team in the first half enabled the Pal's to hold a 3-1 lead over the Green and Gold at halftime. The visitors rallied in the second half to entirely outplay the Pal's second stringers and turn apparent defeat into a victory.

The outstanding offensive players for the Red and White were Bacon, Burns and Burke. On the defense, Captain Schoener played a bang up game breaking up numerous scoring threats of the Audubonites.

### What Is This Legion?

Continued from last week—

To what does the American Legion owe its strength and its prestige? To nothing save the fact that its membership comprises the most representative body of Americans in America. It's solidarity is the very product of its lack of homogeneity. Its sameness is born of the very host of dissimilarities which go to make up the roster of its membership. Every shade of political opinion, every known creed, every condition of private economy is represented in its rolls. It has the reputation (we do not say undeserved) of harboring a group of two fisted drinkers, and without having the reputation, it has equally a far more extensive body of dries than can be found in any comparable organization. It embraces every conceivable complexion of every conceivable quality or quantity about which there can be any conceivable difference of opinion. (To be continued.)

The regular monthly meeting of the Frederick M. Rodgers Post, 156, will be held on Tuesday, November 9 at 8:15 p.m., instead of November 2, as the election board has use of the Post home on November 2.

### Monthly Meeting

Twenty-five members from all sections of the county attended the regular monthly meeting of Burlington County Chapter American Red Cross, held on Tuesday, October 12, 1937, with Mrs. Guy L. Nelson, of Mount Holly, chairman presiding. After the reports of the secretary and treasurer, Mrs. J. Frank Schuler, Florence, production chairman, stated 336 garments had been given out during the month to those in need.

Miss Reba Troxell, Junior Red Cross secretary, gave an account of the Junior Red Cross County Council, organized in Mount Holly on October 11. She also stated the Junior members are preparing 175 Christmas boxes for children in foreign countries.

The Motor Corps report showed that 95 persons had been transported to clinics, 12 workers having given 158 hours and driven 1029 miles for this purpose.

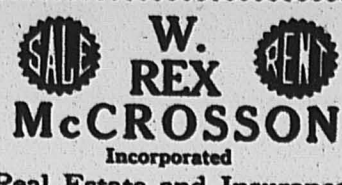

### First Aid Classes

First Aid classes have been formed in Mount Holly. This includes members of a fire company, and a large class in Springfield School, Burlington, who will be taught by Vernon E. Dickerson.

The chairman announced the appointment of Harold M. Smith, of Bordentown, Dean of the Bordentown Military Institute, as County Roll Call chairman. Miss Pearl Creevy, Roll Call field representative, was present and discussed plans for the Roll Call; Roll Call supplies were distributed for the campaign, which begins on Armistice Day.

It was announced the annual meeting and Roll Call Rally will be held in St. Mary's Guild House, Burlington, on November 9, when members of the National staff will be present.

Mary W. Samson,  
Executive Secretary.

### PRINTING

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices.

## Widen Main Street

Traffic congestion along both sides of Main street, has been noted of late, the condition being particularly pronounced on Harrison, near Main, and on Main from the railroad to Seventh.

Many prospective patrons of the various business establishments in this area have complained bitterly about the lack of parking space.

In this section are located the Cinnaminson Bank, the post office, Railway Express Agency, J. S. Collins &amp; Son, J. T. Evans, Frank's Meat Market, Carlson's Pharmacy, The New Era, H. D. Hullings &amp; Son, Atlantic Commission and Dependable Motors. Truly an important business section.

Main street, at this point, could easily be widened and parking at an angle with the curb would allow many more machines to stop in this area at the same time. Business would increase.

The problem is apparent, and a practical solution seems to be at hand. Action by the various people concerned appears to be indicated.

## Why Not?

"I wish that I had known that you carried this. It would have saved me a trip in town." Such a statement is heard many, many times each year by our local merchants, who are our fellow citizens and neighbors.

Many residents patronize the local merchants and business houses only occasionally, doing the bulk of their buying elsewhere.

The stock our merchants carry and the reasonable prices charged deserve your careful consideration before going out of town.

Give them a chance to supply your needs, if they do not have the particular item in stock that you need, they'll be glad to obtain it for you promptly and, at that, it will doubtless reach you quicker than if you had it delivered from the city.

Why not give our local tradesmen a fair deal and secure needed articles at home, or at least try to, before going elsewhere?

### ABOUT TOWN

With Halloween in the not too far distant future, local residents would do well to start thinking about getting portable objects to a place of security.

Many local residents are planning to attend the Clee rally in Burlington tonight.

Residents are cautioned against burning leaves on the newly cut sections of several local streets.

The various building operations in the business section are nearing completion. The New Era moved equipment into their new quarters today and the old building is being bricked over for the use of the new Dependable Motors Co., in addition to extensive interior alterations.

The first killing frost of last Friday night ruined all but the hardest flowers in local gardens. Crops, in general, were not affected as harvesting had been practically completed.

Snow flurries were reported in several communities last week, but this harbinger of winter was not observed here.

Fisherman: "I tell you, it was that long; I never saw such a fish."

Friend: "I believe you."

## YMCA BRIEFS

### Football Trip

This coming Saturday is State YMCA day at Princeton, where thousands of boys will be guests of the University Athletic Association at the Princeton-Rutgers game.

Hundreds of requests have to be made in advance because of the necessity of having a tax ticket and YMCA identification button. Orders for these have been forwarded to Princeton, and they will be dispersed by Secretary Guy C. Hendry to the various groups up there next Saturday afternoon.

"Y" Leadership Course

The second of a series of six sessions on leadership in group work for YMCA leaders of South Jersey was held at Moorestown Community House, Tuesday evening, October 19th. The guest speaker was O. S. Clark, general secretary of the Young Men's Christian Association of Ridgewood, N. J. Some fifty men are taking advantage of this opportunity.

A small boy was about to purchase a ticket for the movie in the afternoon. The box-office girl asked: "Why aren't you at school?"

"Oh, it's all right, ma'am," said the youngster. "I've got the measles."

## NEW TYPE NOZZLE

### FOR FIRE DEPT.

(continued from page 1)

#### Resignation

The resignation of Wilton Mount, director of recreation, was accepted with regret and the members of the council wished Mr. Mount every success in his new work which will take him to Passaic, N. J. No successor was appointed.

Mr. Mount, who was present at the meeting, asked council to rigidly enforce the rule about golf playing in Memorial Park. He stated that he had received splendid cooperation from the local police, but felt that efforts to prevent golf playing there should be continued until the practice has been definitely wiped out.

#### Soccer Field

Mr. Mount also advised council that the section of the park was being used by the soccer team of Palmyra high school and that necessary equipment, such as goals, had been installed.

Councilman Sylvester reported that the work on Linden avenue had been completed, with the exception of the stretch between Midway and Park. He stated that he expected to have this section done in the near future.

Councilman Sargent urged that this work be done as soon as possible, due to the difficulty in laying paving material in colder weather. The following bills were approved and ordered paid:

Borough Organization—	
Gulf Oil Corp. Lubricate oil	\$ 2.75

## KIDNAPPED GIRL

### IS FOUND HERE

(continued from page 1)

In every detail, but was unable to give a description of the men involved or the car in which she was kidnapped.

The girl was reported to have a fine reputation and is extremely well thought of by her neighbors and employer. No reason for the abduction has been ascertained by Philadelphia detectives who are making a detailed investigation of the incident.

With the exception of shock, Miss Fox suffered no injuries as a result of the ruthless act.

## RADIO GARDEN

### CLUB PROGRAM

As an aid to gardeners about to undertake the annual chore of fall garden cleaning, a talk on "Garden Sanitation" will be offered by the Radio Garden Club of the Agricultural Extension Service, Rutgers University, Friday, October 22 at 3:45 p.m. over WOR and other stations of the Mutual Broadcasting System. Guest speaker will be Dr. C. H. Connors, head of the department of ornamental horticulture at the New Jersey College of Agriculture.

"Training an Ivy Hedge" is the title of the broadcast to be given at the same hour Tuesday, October 26, by David Rowland, superintendent of Woodlawn, estate of the late James Neilson in New Brunswick.

About the only satisfaction that comes from being broke is that it enables you to deal decisively with investment salesmen.

"Why aren't you at school?" "Oh, it's all right, ma'am," said the youngster. "I've got the measles."

A small boy was about to purchase a ticket for the movie in the afternoon. The box-office girl asked: "Why aren't you at school?"

"Oh, it's all right, ma'am," said the youngster. "I've got the measles."

### COMMENT

America has already, whether she realizes it or not, taken the first step on the dangerous path which leads to war, according to former United States Senator W. Warren Barbour at a recent meeting, during which he drew attention to the obvious abandonment by the President of the nation's neutrality policy. He likened the situation which the President's recent Chicago speech has developed to that of 1916 and which resulted in this country's being drawn into the World War.

"The President has precipitously tread on dangerous ground and, in my opinion, is stepping wholly in the wrong direction," for Senator Barbour said. "What should be made crystal clear at this critical time is that America MUST NOT and WILL NOT become embroiled in ANY War. And, by the same token, America will not loan a single penny (except perhaps to Finland, which is paying her war debts to us), to any nation for war purposes. This is the intent of the neutrality policy recently enacted by the Congress, which is the first legislation of its kind in the history of the country. The President should abide by that policy. If we shake our finger under the noses of other nations, we must expect to follow up our threats and this can only lead to one end—our own entry into war."

"Such money as we spend at a time like this should be spent wholly in the defense of our own country. This money SHOULD be spent, for above all else at a time like this we must be fully prepared to defend ourselves against any and all nations having the temerity to attack us. Any note or diplomatic gesture along any other line is simply treating the dangerous path that will lead us again into eventual trouble. No matter where our sympathies may lie, we certainly should benefit from the experiences of the past and not even glance in the direction in which the President was obviously looking when he indicated the part he felt we should play in the present dangerous situation."

"Such a role is not the role we should find ourselves in again. Our position, and it should be an adamant one, should be to make it absolutely clear to the whole world and right now that America is neither going to fight nor finance any one else's wars again."

## WOMEN'S GROUP

### PLANS MEETING

On Monday afternoon, October 25, at 2 o'clock, the Palmyra women members of the Burlington County Republican Committee will sponsor a meeting in P.O.S. of A. Hall, Palmyra.

A prominent speaker has been secured for the occasion and all ladies of the town are cordially invited to attend the session. Refreshments will be served at the close of the program.

## STONE LAYING AT

### PARK MEMORIAL

On Sunday, October 17th, at 3:00 p.m., an informal bronze plate and stone laying service was held at Lakeview Memorial Park, on the Burlington Pike, in connection with the building of the beautiful Masonic Memorial.

Eleven bronze name plates, 12 x 6 inches, bearing the name and number of lodges located in Burlington County, were laid around the inner circular edge of a flagstone path surrounding the Memorial, being firmly imbedded in concrete and cement.

On Sunday, October 24th, the plates of the Camden County Lodges will be laid, and on the following Sunday, October 31st, those of Gloucester County.

While of particular interest to members of the Masonic Fraternity, all are cordially invited to attend the service.

The owner of a cheap watch brought it into the jeweler's shop to see what could be done for it. "The mistake I made, of course," he admitted, "was in dropping it."

"Well, I don't suppose you could help that," the jeweler remarked. "The mistake you made was picking it up."

Everything's changed—except the weather.

The impossible is depressing instead of stimulating.

## ALMANAC

"He is just preaching who does not care to do well."

OCTOBER

1—The famous Metropolitan Opera House opened in New York, 1883.

2—Nicola Sacco and Bartolomeo Vanzetti denied new trial, 1926.

3—The Erie Canal opened between Utica and Rome, New York, 1809.

4—Grant took command of the department of the Tennessee, 1863.

5—Founders of the Amos Society founded in America, 1842.

6—The New York Subway opened to general traffic, 1904.

7—The Statue of Liberty unveiled in New York harbor, 1886.

Meeting, Riverton - Cinnaminson Welfare Association, Porch Club, 8 p.m.

Pass Successful

The second touchdown came as a result of the only pass thrown by Haddon Heights during the entire engagement. The enemy started a drive at midfield which showed signs of bogging down on the local 20. At this juncture, Valerio faded back and hurled the oval to Hickland, who was downed only two yards from scoring territory. Valerio made up this deficiency on the next play. The conversion attempt was blocked.

Final Score

The final touchdown came in the last quarter as Palmyra took to the air in an attempt to pull the game out of the fire. After several unsuccessful aerial attempts, a local pass went with a considerable degree of accuracy into the waiting arms of DiPaolo, enemy back, who raced 40 yards unmolested for the final score of the afternoon. The third Heights attempt at conversion, by means of a pass was a complete failure.

The affair was one-sided from beginning to end, with Palmyra failing to penetrate into the invader's terrain during any stage of the hostilities.

The impossible is depressing instead of stimulating.

## HADDON HEIGHTS

### ROMPS TO WIN

Opponents of P. H. S. Score in Three Periods to Gain 18-0 Victory

Palmyra High School failed to fulfill the expectations of local rooters last Saturday afternoon, when the Red and White eleven dropped an 18-0 decision to Haddon Heights in the second home engagement of the season.

The local offensive failed to click during the entire skirmish and the charges of Coach Dimond were able to register only one first down as compared to 11 for their opponents.

First Score Early

The visitors started their first scoring drive shortly after the game was begun. A Palmyra punt was run back from midfield to the local 30 yard stripe and Valerio, plunging fullback of the enemy spun off three first downs in a row, tearing the local line to shreds. He crashed over for the score from the two yard line. The try for conversion was partially blocked.

Goals—Hinderer, Bradley.

Score by periods:

Haddon Heights 1 0—1

Palmyra 0 0—0

Touchdowns—Lauz, Lovett, Huffer, (pass), Substitutions—Northmont, Brickhouse, Stubbs, Seaton, Oldham, Rudderow, Heyne, C. Sink, Palmyra: Webber and Peditto.

Palmyra Subs

TO PLAY FRIDAY

The Palmyra High School reserves, who have been working under the direction of P. A. Wolfe, assistant football coach, will play their first home game of the season on Friday afternoon of this week, meeting the strong Collingswood junior varsity.

The subs have played one other engagement, this being a 6-6 deadlock with Haddonfield.

The kickoff is slated for 3:30 o'clock.

FOOD FACTS

Do You Know That—

Green colored vegetables, fruit, some meats, whole grains and milk are reliable sources for most minerals.

In Porto Rico it is considered an insult or a reproach to call a person a calabaz, which is Spanish for squash.

An apple powder has been developed by a pediatrician for use in infant feeding.

A new instrument, a jelometer, has been developed for use in jelly making.

These "food facts" are compiled by the Division of Consumer Information, New Jersey State Department of Agriculture.

ALARM FOR GRASS FIRE

AT MEMORIAL PARK

The Riverton Fire Department responded to an alarm shortly before 6 o'clock, on last Monday evening, for a grass fire at Memorial Park. The blaze was quickly extinguished without damage.

## HOCKEY CONTEST

### RESULTS IN TIE

The Palmyra High School girls' hockey team journeyed to Haddonfield last Friday afternoon and the encounter with the lassies of the opposition resulted in a 1-1 stalemate.

Margaret Hinderer, Haddonfield captain, tallied the initial goal during the first half while Miss Bradley, of the Red and White was responsible for the marker which tied the score.

RAY STEELE TO

MEET KENNEDY

Another wild night is promised wrestling fans who pack the Camden Armory each week to watch the pachyderms do their stuff. This Thursday's bill of fare promises to surpass last week's card which produced more rough action, than has been witnessed in the drill shed in a long time.

Ray Steele, popular bronzed Californian, will serve as an acid test for Irish Jack Kennedy when they occupy opposite corners in the main bout billed for one fall to a finish.

Kennedy has been setting a fast pace in the armory this season, losing one outright verdict out of five bouts and Ernie Dusek, the rough Nebraska, has been the only grappler to turn back the durable Irish youth.

However, in Steele, Jack is meeting an opponent who grapples exactly different than Dusek and he should be at his best for the lad from the Lone Star state is strictly an orthodox wrestler when the occasion permits him to be.

Mike Mazurki, tall Polish grappler, has his work cut out for him when he meets Wally Dusek of Nebraska, in the semi-final of one fall with a half hour time limit. According to Rudy Dusek, oldest of the riot squad, cousin Wally is going to uncover a batch of new tricks when he makes his season debut. Other 30 minute matches are Stanley Pinto and Dr. Freddy Meyers, Abe Coleman and Willie Davis. Mike Strellich opens the card with Al Mercier of Boston.

STAMP CLUB TO

MEET ON OCT. 22

The Palmyra-Riverton YMCA Stamp Club will hold its next meeting on Friday, October 22, in the Legion Home, Palmyra, at 8:30 o'clock.

Arthur Cabbage, of Atlantic City, will be the guest speaker and show his prize collection of Confederate stamps.

Visitors from other clubs and those interested in philately are invited to attend.

Heights completely by surprise.

The second half drive of the Red and White, which was so noticeable during the Audubon game, was entirely lacking last Saturday.

Haddon Heights had a perfect record in respect to completion of passes, while that of Palmyra was null, void and a perfect zero.

## ANNUAL MEETING OF LOCAL GUILD

To Be Held at the Porch Club,  
Riverton, on October 27,  
At 1.30 O'clock

The annual meeting of the Riverton Branch of the Needlework Guild will be held Wednesday, October 27, in the Porch Club, Riverton, at 1.30. The unusually early hour has been made necessary by the fact that the Porch Club will be used later in the afternoon. So instead of serving afternoon tea, as has been the custom in past years, coffee and cake will be served at the very outset of the meeting, with members of the Junior Porch Club acting as hostesses.

Following this brief initial period of sociability and refreshment, during which contributions by Guild members will be on display, the meeting will be addressed by Miss Isabel Gray, superintendent of the Burlington County Home. As the contributions of the Riverton Branch are largely distributed among organizations local to Burlington county, Miss Gray's message should be of unusual interest.

Early Contributions  
As time grows short, members are urged to get their contributions into the hands of the directors as soon as possible. And the directors are reminded that all garments should be in the Porch Club by 9 o'clock of the morning of the 27th as there is a great deal of work involved in their sorting and arrangement. All members are most cordially invited to attend this annual meeting the one time of the year when the really splendid work of the Needlework Guild is concretely presented.

## OBITUARIES

### MISS ALICE CONRAD D'OLIER

Alice Conrad D'Olier, patron of music and civic leader, died in her 62nd year Thursday, at her home, 323 Wood street, Burlington.

Miss D'Olier, sister of Col. Franklin D'Olier, first national commander of the American Legion, at one time studied music in Europe under Harold Bauer. She was past president of the Burlington County Historical Society and the St. Mary's Hall Alumnae Association, and a member of the Acorn Club of Philadelphia and the Colonial Dames of New Jersey.

Miss D'Olier was also the sister of the late Mrs. Walter H. Lippincott, of Philadelphia, and was a descendant of John Woolman, Quaker preacher, writer and abolitionist, assisting in the organization of the John Woolman Association, founded to perpetuate his memory.

Funeral services were held Monday at 4 p.m. at St. Mary's Protestant Episcopal Church.

Colonel and Mrs. Franklin D'Olier were former residents of Riverton.

### HOWARD H. HARTMAN, JR.

Howard H. Hartman, Jr., 53, died at his home on October 14.

Funeral services were held Monday, October 18, from a Camden funeral parlor.

Interment was made in the Methodist Cemetery, Palmyra.

The deceased was the son of Howard and the late Lena Hartman, of Camden.

### MRS. EMMA HAMILTON

Mrs. Emma Hamilton, 75, of Birmingham Inn, New Lisbon, died Thursday evening.

Funeral services were held Saturday afternoon at 2 o'clock from the Snover Funeral Home, the Rev. Harold Creager officiating.

Interment was made in the Methodist Cemetery, Palmyra.

Mrs. Hamilton is survived by two nephews, Walter and Louis Pike, of Palmyra, and one niece, Mrs. Ada Voght, of Moorestown.

Junior: "The harmonica you gave me was the best present I ever got."

Uncle: "I'm glad to hear that."

Junior: "Yes, mother gives me a quarter a week not to play it."

## ANNUAL MEETING

### OF LOCAL GUILD

To Be Held at the Porch Club,  
Riverton, on October 27,  
At 1.30 O'clock

The annual meeting of the River-  
ton Branch of the Needlework Guild  
will be held Wednesday, October 27,  
in the Porch Club, Riverton, at 1.30.  
The unusually early hour has been  
made necessary by the fact that the  
Porch Club will be used later in  
the afternoon. So instead of serving  
afternoon tea, as has been the  
custom in past years, coffee and cake  
will be served at the very outset of  
the meeting, with members of the  
Junior Porch Club acting as hos-  
tesses.

Following this brief initial period  
of sociability and refreshment, dur-  
ing which contributions by Guild  
members will be on display, the  
meeting will be addressed by Miss  
Isabel Gray, superintendent of the  
Burlington County Home.

As the contributions of the River-  
ton Branch are largely distributed  
among organizations local to Bur-  
lington county, Miss Gray's message  
should be of unusual interest.

Early Contributions

As time grows short, members are  
urged to get their contributions into  
the hands of the directors as soon  
as possible. And the directors are  
reminded that all garments should  
be in the Porch Club by 9 o'clock  
of the morning of the 27th as there  
is a great deal of work involved in  
their sorting and arrangement.

All members are most cordially  
invited to attend this annual meet-  
ing, the one time of the year when  
the really splendid work of the Needle-  
work Guild is concretely presented.

Miss Alice Conrad D'Olier, patron of  
music and civic leader, died in her  
62nd year Thursday, at her home,  
323 Wood street, Burlington.

Miss D'Olier, sister of Col. Frank-  
lin D'Olier, first national commander  
of the American Legion, at one  
time studied music in Europe under  
Harold Bauer. She was past presi-  
dent of the Burlington County His-  
torical Society and the St. Mary's  
Hall Alumnae Association, and a  
member of the Acorn Club of Phila-  
delphia and the Colonial Dames of  
New Jersey.

Miss D'Olier was also the sister of  
the late Mrs. Walter H. Lippincott,  
of Philadelphia, and was a descend-  
ant of John Woolman, Quaker  
preacher, writer and abolitionist, as-  
sisting in the organization of the  
John Woolman Association, founded  
to perpetuate his memory.

Funeral services were held Mon-  
day at 4 p.m., at St. Mary's Protest-  
ant Episcopal Church.

Colonel and Mrs. Franklin D'Olier  
were former residents of Riverton.

Howard H. Hartman, Jr., 53, died  
at his home on New Lisbon, died  
Thursday evening.

Funeral services were held Mon-  
day, October 18, from a Camden  
funeral parlor.

Interment was made in the Meth-  
odist Cemetery, Palmyra.

The deceased was the son of How-  
ard and the late Lena Hartman, of  
Camden.

Mrs. Emma Hamilton, 75, of Bir-  
mingham, Tenn., died Thursday  
evening.

Funeral services were held Satur-  
day afternoon at 2 o'clock from the  
Snover Funeral Home, the Rev. Har-  
old Creager officiating.

Interment was made in the Meth-  
odist Cemetery, Palmyra.

Mrs. Hamilton is survived by two  
nephews, Walter and Louis Pike, of  
Palmyra, and one niece, Mrs. Ada  
Voght, of Moorestown.

Junior: "The harmonica you gave  
me was the best present I ever got."  
Uncle: "I'm glad to hear that."  
Junior: "Yes, mother gives me a  
quarter a week not to play it."

Rytex Hyllted Visiting Cards are  
on sale at The New Era, One Hun-  
dred for Seventy-five cents.

These affidavits supported by endorsed County Checks, were submitted to the Prosecutor for his use before the Grand Jury to aid in securing the indictments later brought in against the said Charles R. Stout. There is no record of the County being reimbursed for the labor.

The State of New Jersey has a statute of limitations which prohibits the use of such evidence in criminal actions two years after the performance of the act. This usually means the use of the affidavits as legal evidence, for no reason other than the fact that the acts were committed two years prior to the hearing by the Grand Jury.

Had there not been such delay in

So much for the resume of the legal action. What is not widely known is that through one of Freeholders the County was offered \$36,000 to have these charges withdrawn and hushed up. This statement was made by the Freeholder at a regular meeting of the Board of Freeholders. Two of the members of the Board rushed to the Prosecutor's office and requested that the charges be kept quiet. The Prosecutor stated that he could not do so inasmuch as the same offer had been made to him. In addition to stating that this offer had been made to him, he recommended that the Board of Freeholders be notified.

## SHERIFF'S SALE

By virtue of a Writ of Fieri Facias to me directed, issued out of Court of Chancery of the State of New Jersey, I will sell at public sale on

THURSDAY, NOVEMBER 18, 1937, between the hours of 12 and 3 o'clock in the afternoon of said day (to wit, at 2 o'clock) Standard Time, at the Court House, Mount Holly, New Jersey.

ALL THE FOLLOWING tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Township of Cinnaminson, in the County of Burlington and State of New Jersey.

BEGINNING at the point of intersection of the Southeastern line of the Camden and Westfield Turnpike with the Northeastern line of Myrtlewood Avenue, and extends thence (1) Northeastwardly along the Southeastern line of Camden and Westfield Turnpike one hundred and fifty feet to a point in the dividing line between Lots Nos. 32 and 33, on Plan of Cinnaminson Heights, made by Thomas R. Bromley, C. E. December, 1925, and intended to be the Southeastern line of the said Turnpike; thence (2) Southeastwardly along said dividing line between Lots Nos. 32 and 33, at right angles to Camden and Westfield Turnpike, one hundred and fifty feet to a point in the Northwesterly line of Lot No. 92, on said Plan; thence (3) Southwestwardly along the Northwesterly line of Lots Nos. 92 and 111, parallel with Camden and Westfield Turnpike, one hundred and fifty feet to a point in the Northeastern line of Myrtlewood Avenue; thence (4) Northeastwardly along the Northeastern line of Myrtlewood Avenue, one hundred and fifty feet to the place of beginning.

Being Lots Nos. 31 and 32, on said Plan, ERECTING THEREON AND THEREFROM, however, all that certain tract of land containing ninety-three one-thousandths (0.093) of an acre, be the same more or less, as particularly described in deed from Antonio Zimolung and Helen Zimolung, his wife, to The State of New Jersey, dated May 24, 1934, and recorded in the aforesaid Burlington County Clerk's office in Book 826 of Deeds, page 364.

Decrees approximately \$1,740.57 besides interest, costs and fees.

Seized as the property of Antonio Zimolung, et al., defendants, taken in execution at the suit of Palmyra Building and Loan Association of Palmyra, New Jersey, complainant; and to be sold by

JOHN M. CHANT, Sheriff.

Solicitor: Joseph W. Low.  
Dated: October 20, 1937.  
10-21 to 11-18-37.

The United States Patent Office established a merit system 14 years before the Civil Service act was passed.

It has been found that more than 10,000,000 persons are treated annually in the hospitals of the United States.

Approximately 960 nurses draw pensions in England because their health was ruined by active war service.

A man can do what he ought to do, and when he says he cannot, it is because he will not.—Fritche.

## SAFETY for the BICYCLE RIDER

Red Tail Lamps, Single and Twin Head Lamps.  
Sirens, Bells, Tires.  
A large supply of Bicycle Accessories

**S. J. Coddington**  
519 Howard Street  
Riverton

There are 207 religious bodies in the United States with a combined membership of over 62,000,000.

Brass ornaments will remain bright longer if, after polishing, they are given a thin coat of white shellac.

Airplanes are forbidden by law to pass over the White House in Washington, D. C.

Sift a little flour over the top of the cake before icing it and the icing will not run off.

When a man's expecting a real letter, nothing is so irritating as to be handed a bunch of circulars.

## THE NEW ERA AT NEW LOCATION

Improvements in Modernized Building at 609 Main Street, Riverton

On Thursday of last week, all the equipment of The New Era was moved from the old location at 607 Main street to the modernized building next door, at 609 Main, which was formerly occupied by the Atlantic Commission Co., and prior to that, by the post office.

The new quarters of The New Era provide additional office space and dark room facilities for the complete photographic department.

Printing Department

The presses and other equipment in the printing department have been located in the most efficient manner possible and it is expected that the new arrangement will greatly facilitate all operations of the business.

The lighting is of the most modern type and is based on a survey of the needs as made by an expert of the Public Service Co.

The entire plant has been completely reconditioned and several new pieces of equipment added which will aid in the production of the organization.

Established 49 years ago, The New Era is now better prepared than ever before to serve the printing and weekly newspaper requirements of these and other communities.

## Contractors

The general contracting in the new building was done by Edward King, of Palmyra. Plumbing and heating equipment was installed by George Bonnell, of Palmyra, while the electrical work was done by Earle Harder, also of Palmyra.

The moving of the heavy presses and other equipment was performed without a single hitch by James Hartshorne, of Moorestown, and the machine work was done by representatives of the Northern Machine Works, of Philadelphia.

## LOCAL ROADS-TO BE ADDED TO COUNTY SYSTEM NEXT YEAR

Included in the 32 miles of highways which the Burlington County Board of Freeholders voted to add to the county system next year are the following in this vicinity:

In the Borough of Palmyra—Highland avenue, from Broad street to Cinnaminson township line, 4 miles.

In Cinnaminson township—Highland avenue from Palmyra borough line to S-25, a distance of 8 miles.

Also in Cinnaminson township, Church road, from the Moorestown township line to Route 25, at Five Points, a distance of 1.3 miles.

These additions will improve existing roads and will, in the opinion of local residents, be a great accommodation to motorists in this section of the county.

## RUMMAGE SALE

The Riverton-Cinnaminson Welfare Association rummage sale will be held in the Roberts building, Main and Howard streets, Riverton, on Thursday afternoon, November 4, from 1 to 4 o'clock.

The store will be open all morning of that day for contributions. Donations will be collected if the Welfare office 609 Main street, is notified.

## APPEAL

To the residents of Riverton: During the Halloween season, bring in, or stow away, all porch and lawn furniture and do not put milk bottles out on the porch or steps in the early evening.

William G. Gootee, Chief, Riverton Police.

RIVERTON—PALMYRA, N. J., THURSDAY, OCTOBER 28, 1937

PRICE FIVE CENTS

## WALLACE BREAKS COURSE RECORD

The course record for amateurs, at the Riverton Country Club, was broken last Friday afternoon, by C. B. Wallace, club champion, who turned a card of 67, one stroke better than the former record of 68, which was held by Edward Lippincott.

Wallace went out in 32, or three under par, and had a 35 for the last nine, this figure being one stroke under par.

The open record for the course is held by the club pro, Walter Brickley.

## CLEE WILL BE AT DINNER-DANCE

Promises to Attend Affair at Medford Lakes Lodge on Saturday, Oct. 30

Senator Lester H. Clee, Republican candidate for Governor, will attend the dinner-dance to be given by Young Republicans of Burlington county at Medford Lakes, on Saturday night of this week.

Definite information in response to an invitation sent to Senator Clee was received on Monday. He wired that he would be in Atlantic City during the early part of the evening and had arranged to stop at Medford Lakes on his way home.

The Young Republicans feel that they have been greatly honored by the candidate's acceptance.

Driscoll to Speak

Alfred E. Driscoll, of Haddonfield, will share the speaking honors with Senator Clee. He is one of the outstanding Young Republicans in Camden county and at present is directing activities for the Republican candidate in South Jersey. He is known as a very pleasing speaker.

The music during the dinner and for the dance later in the evening will be furnished by Elwood Weidman and his Royal Commanders.

Price to Be Toastmaster

Clarence G. Price, clerk of the Board of Freeholders, will be the toastmaster, the invocation will be by John M. Swartz, of Palmyra, and the group singing will be directed by H. Prescott Herr, of Moorestown.

As a last warning, the committee advises early reservations by all those who wish to attend, as accommodations will be limited to the number of tickets sold.

## MANY WORK ON MOTORS' BUILDING

During the past week, workmen have been swarming all over the building at 607 Main street, Riverton, which was formerly occupied by The New Era, and will, in the near future, become the salesroom and service department of Dependable Motors, Dodge and Plymouth dealers.

The entire building will be bricked over and a large display window placed at the front. In addition, there will be many other alterations. When completed, the modernized structure will be an important addition to the business section of Riverton.

## NOTICE

For Halloween

Harmless fun in Palmyra on Halloween is not objectionable, but the cooperation of all parents is requested in instructing their children that damage of property will not be tolerated. Where such damage occurs parents will be held responsible.

Soaping windows and automobiles will not be permitted.

Special officers will be on duty to enforce these regulations.

Chief, Palmyra Police.  
C. Morris Beck.

## ANNUAL REPORT OF NURSE SOCIETY

25th Year for Organization in Riverton, Palmyra and Cinnaminson

The following is the complete twenty-fifth annual report of Visiting Nurse Society of Riverton, Cinnaminson and Palmyra.

The year 1937 is of particular interest to the Visiting Nurse Society of Riverton, Cinnaminson and Palmyra, New Jersey, because it marks twenty-five years of that organization's life.

The idea of establishing a local nursing service came to Miss Martha Biddle after hearing some address on the subject, and she at once set to work to make the idea a reality, also to collect enough money for a year's salary, before ever a nurse was engaged.

Established in 1912

So it was, that on November 1st, 1912, our first nurse, Miss Elizabeth W. Ancker, came on duty.

At that date, all over our country, Visiting Nursing, or as it was later called, Public Health Nursing, was in its infancy, for we find two great organizations, the Red Cross Public Health Nursing Service and the National Organization for Public Health Nursing; both, are celebrating their quarter century of life this year.

From the beginning the Visiting Nurse Society has been under the auspices of the Riverton Porch Club, as people objected to giving money unless connected with some known organization.

First Annual Report

The first annual report records a total of 809 visits, and also refers to the cooperation of the doctors, which has continued through the twenty-five years.

The second year, \$100 was donated by the Riverton Borough.

By 1916, feeling the need of help to direct our work and keep us up to standards, and feeling also the pressure of the Great War, when nurses were being conscripted, we affiliated with the Red Cross Town and Country Nursing Service, and all through these twenty years, they have been our kindly advisers.

The original committee, five in number, were as follows: Miss Martha McI. Biddle, Miss Elizabeth Campbell, Miss Cornelia Coale, Mrs. Charles Evans, and Dr. Frances Janney-Stoddart. As the work and interest grew, the Palmyra women joined the board, among them Mrs. A. C. Hirsch, who is still an active member.

That year also marked the donation of our first car, together with its upkeep for twelve months, by a member of the Community.

In the winter of 1917, a second nurse had to be called in temporarily, and by 1918, Palmyra and the outlying districts being included, two nurses were needed steadily, as school work at Cinnaminson had begun.

Mention should be made of the long-time connection with the Metropolitan Life Insurance Company, whose policy holders call on us for nursing service, and we in turn, are paid for each visit by the insurance company, the sum being worked out each year on a detailed cash-per-visit study.

The same satisfactory arrangement holds with the John Hancock Mutual Life Insurance Company, but is of shorter duration. This plan has avoided duplication of nursing services and has aided our work.

Home Purchased

It was in 1920 that the house at 600 Lincoln avenue, Palmyra, was purchased to provide satisfactory living quarters for the nurses; some years later a garage for two cars was added. These stand in the name of the Society, free of debt. We have been fortunate to have (continued on page 3)

## WINS HONORS AT PENNSYLVANIA

In recognition of his high academic standing during the past two terms, T. Bayard Brunt, Jr., 405 Eighth street, Riverton, has been granted "Distinction" by the College of the University of Pennsylvania, according to announcement by Dr. Paul H. Musser, dean of the College.

Brunt, who is a senior at Pennsylvania and a member of Accacia, formerly attended the Moorestown Friends' School where he was prominent in student activities.

## GENERAL ELECTION IS NEXT TUESDAY

State and County Situation Holds Main Interest; Few Local Issues

With the general election, scheduled for next Tuesday, November 2, looming up in the immediate future, interest has been centered in the various state and county candidates, with few, if any, important contests occurring in the local situation, as far as Riverton, Palmyra and Cinnaminson are concerned.

For governor, the two principal aspirants to that office are Lester H. Clee, Republican standard bearer, and A. Harry Moore, Democratic.

Assemblyman

For member of the state general assembly, Dr. S. Emlen Stokes, incumbent, of Moorestown, is the Republican nominee. He is opposed by James M. Davis, Jr., upon whom the Democrats pin their hopes.

In the freholder situation, Charles R. Stout and Albert C. Jones, Republican incumbents, are opposed by John C. Sauer and Firmin M. McFarland, Democrats.

Local Situation

In Riverton, H. McIlvaine Biddle is running unopposed for reelection to the office of mayor, as are Archibald Bush and David Gould for members of the borough council.

In Palmyra, John F. Ward, Republican and present mayor, is opposed for reelection by Howard E. Powell, Democrat.

William F. Engle and Arthur Wright, Republicans, are running unopposed for reelection to the borough council.

Elmer E. Manderville, Republican, has no opposition for the post of member of the township committee in Cinnaminson.

WARNING

I wish to warn the young people of this vicinity concerning the destruction of property and malicious mischief of any kind during the Halloween activities. I will personally prosecute any persons who are of the legal age that insist on willfully destroying property or molesting individuals.

William G. Gootee, Chief, Riverton Police.

## TOYS FOR LEGION

Anyone having old toys to contribute to the Legion this year, phone J. R. Musser, Riverton 709-W, Avery Willis, 970-R-3, or John L. Metzgar, 1052, and they will gladly call for them. Help spread Christmas cheer and contribute to this good work.

## NOTICE

All copy intended for publication in The New Era must be in our hands not later than 12 noon on Wednesday of each week. Material received on Monday and Tuesday will be given preference over that submitted

# THE PEOPLE'S COLUMN

## AN OPEN LETTER

Tired as the voters must be of the controversy arising from recent contemptible attacks upon one of the nominees for Freeholder, I still must reply, in the interest of fair play, to the latest mud broadside from the same source.

I pass over C. N. Buchholz's impudent references to court officers. My only concern at this time is lest there be some who might be misled by the trickery resorted to by this fellow, who poses as a reformer. There may be some who are unaware that the latest two-and-a-half column tirade against Freeholder Charles R. Stout was simply a rehash of the GREAT CONSPIRACY, by which it was hoped to drive him into retirement. And it is for that sole reason, that I turn briefly to the re-published affidavits, signed by one Harry M. Wilkinson, a laborer, then living in Burlington township.

This person is alleged to have deposed that he tramped shade trees on Mr. Stout's farm, for which he was paid by the county. He also swore that gravel was carried by county trucks to the Stout farm, to fill in low places. He further declared under oath that he had spent 4½ hours working on a heater in the Stout house and garage, for which he was paid by the county nearly five years ago. All of which has been periodically waved aloft by the "mob" for the past two years. There is absolutely nothing in Buchholz's assault upon Freeholder Stout that has not already been published. They were churned over and over until aroused public sentiment forced the head-hunters to drop out of sight for awhile.

Following a great hullabaloo over the county and much scenery setting, the "evidence," including the Wilkinson affidavits, was placed in Prosecutor Eastwood's hands, and by him given to the Grand Jury to do with what it deemed appropriate. These documents as well as all other matters pertaining to the case, were presented by the State, gone over at length by the Grand Jury and then thrown out as unworthy of consideration. I do not know Wilkinson, but maybe the Grand Jury did.

And now, a year and a half after this phase of the matter was disposed of by the court, Buchholz and his pals bring it out of the closet, dust it off and try to make a new scandal out of it. But it did not work out as they had hoped. The cowardly attack has bounced right back upon those who made it—the "despised Ambroses" who are always going to do "terrible" things to folks who get in their way.

So far as concerns these ancient affidavits, brought out at Hallowe'en time, to alarm the timid, they have been so thoroughly discredited that I now drop the subject. The time has passed when sane people can be misled by such tripe.

With reference to Buchholz's gratuitous statement that my open letter to him, published last week, was "produced in the office of one of the foremost real estate operators in Palmyra" may I brand it as a malicious lie, designed to minimize the effect of my reply to Buchholz and his gang.

Now, as to the rest of the bad smell, which is noticeable wherever the Four Horsemen are, I will leave it for Prosecutor Eastwood to give the facts a badly needed airing, which he does so effectually in his letter. It leaves little more to be said.

E. Horace Houser,  
719 Lincoln avenue,  
Palmyra, N. J.

320 Leconey avenue,  
Palmyra, N. J.

To the Editor:

The following communication from the prosecutor should be read by every citizen of Burlington County in fairness to Mr. Eastwood and Mr. Stout.

John Graham.

Eastwood's Letter  
October 19, 1937.

Mr. John Graham,  
320 Leconey avenue,  
Palmyra, N. J.

Dear Mr. Graham:

Kindly pardon my delay in answering yours of the 7th, but my

court engagements have been such that my correspondence has suffered as a consequence.

I beg to thank you for copy of open letter of Charles Nevin Buchholz appearing in the "Twin Borough Advertiser." I feel that I fully discharged my duty as Prosecutor in presenting the evidence in the cases against Tar Distribution Corporation, Theodore Tobish, Charles R. Stout, Louis MacFarland, Harry J. Ziegler and Alfonza Adams, as well as disposing of same through the trials of Tobish and Tar Distribution Corporation. All of the available and admissible evidence that could be obtained was presented to the Grand and Petit Juries. The Petit Jury, after hearing the evidences offered by both sides, returned a verdict of "not guilty," having apparently concluded that no crime had been committed. At least, that was the effect of their verdict.

Mr. Stout, and the other county officials, were indicted charged with malfeasance in office. Their acts of malfeasance were alleged to have made it possible for Theodore Tobish and the Tar Distribution Corporation to defraud the county. The effect of the verdict returned was that the county had not been defrauded of any money and I therefore concluded that it would have been futile and foolish to have burdened the county with the expense of additional trials. Judge Haddockson expressed himself as fully in accord with my views, when he granted my application to dismiss the remaining indictments against the county officials.

Of course, you understand that a Grand Jury only hears one side of the case; that is, the evidence produced by the State. When an indictment is returned, and the case is tried before a Petit Jury, the State not only presents its evidence, but the defendant is given his opportunity to present witnesses to prove that the charges of the State are not true. The defendants submitted proof at the trial explaining the conditions developed by the investigation, and the Jury's verdict indicated that defendants' explanations were satisfactory to them.

I am fully convinced that no matter has been more thoroughly investigated by a Grand Jury, nor more comprehensively tried before a Petit Jury.

Trusting that I have clearly stated the matter to you, I remain,  
Very truly yours,  
(Signed) Howard Eastwood,  
HE:J  
Prosecutor of the Pleas.

## An Open Letter

I am informed, and I believe that an unprejudiced inquiry will reveal that the affidavit of Harry M. Wilkinson, published as a part of the Twin Borough Advertiser, and all other evidence of every kind and character seeking to incriminate Charles R. Stout and other officials, were submitted to the grand jury, acted upon by that body, and the only indictments returned were those involved in the charges against Theodore Tobish and the Tar Distribution Corporation. Those charges have been successfully disposed of so far as Charles R. Stout and others are concerned, as outlined in the reply from Prosecutor Eastwood to Mr. Graham. It is therefore apparent that the grand jury which investigated Mr. Wilkinson's affidavit and other alleged charges, was of the opinion that there was no real substance to any such charges.

Joseph G. Seel.

## TWO CARS CRASH ON RIVER ROAD

At 8:30 o'clock last Thursday evening, the car driven by Henry Woodside, 101 Cinnaminson avenue, Palmyra, crashed into the rear of a truck owned by Hunter Brothers, of East Riverton, the accident occurring on River road, near Union Landing road.

Mr. Woodside, who suffered multiple lacerations about the face, was taken to the Zurburg Memorial Hospital, Riverside, but was released the same evening.

Both cars were extensively damaged. Chief George Dorworth, of Cinnaminson, investigated the affair, and both drivers were summoned to appear before Recorder Cecil Bowers, later this week.

Playing safe often leads to failure.

## YWCA NOTES

### County Notes

A supper for all Girl Reserve Club advisers in the county will be held in the county YWCA office, Mt. Holly, at 6:00 p.m., Sunday, October 31. This affair has been arranged to give the advisers an opportunity to become acquainted with each other and to talk over their mutual interests.

Teacher: "Really, Johnny, your handwriting is terrible. You must learn to write better."  
Johnny: "Well, if I did, you'd be finding fault with my spelling."  
Watchman-Examiner.

## TWENTY-FIFTH ANNIVERSARY OF VISITING NURSE SOCIETY

### NURSING STAFF

The two nurses of the Association, Miss Carolyn N. Cook, left and Miss Helen Blair, right, who have given faithful service for a number of years.

### ANNUAL REPORT NURSE SOCIETY

(continued from page 1)

two nurses stay with us long enough to know the community well, and its resources.

In recognition of ten years of faithful service, a sabbatical leave of three months, on salary, was granted, first to Miss Helen Blair; who used it in study of up-to-date nursing practice, as well as vacation; and later to Miss Carolyn N. Cook, who traveled abroad and visited some hospitals and health centers. This plan was in accord with regulations of service suggested by the National Organization of Public Health Nursing, and we feel has been amply justified by results.

But perhaps this is enough of the past to show the growth and development that have been of such deep interest to those closely connected. It is an ideal to strive for—to teach habits of health and right living to our boys and girls, so that they may have their full physical powers for work and service.

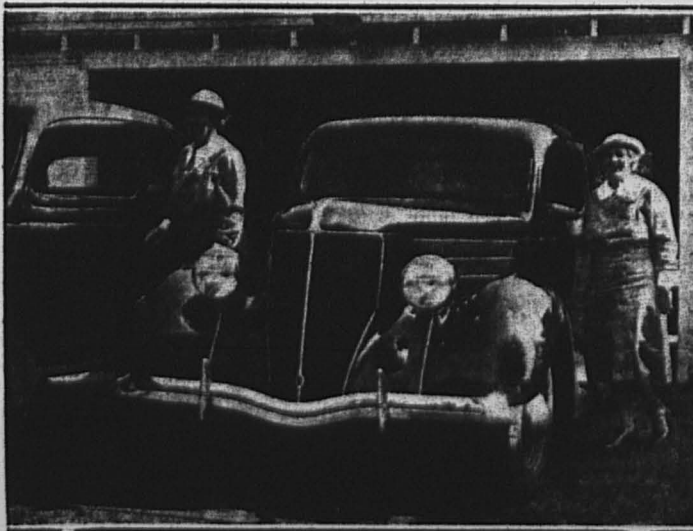

During the past twelve months, ending October 1st, the committee has held regular meetings once a month except during July and August.

In April, all of our group were invited to the home of Mrs. Emlen Stokes of Moorestown, to hear Miss Evelyn Davis, an educator in public health nursing. It was a large gathering of all the neighboring nursing groups in South Jersey, and Miss Davis gave us an excellent address followed by tea and a social hour.

### New Clinic

Perhaps the subject claiming most thought and effort from the nurses and committee has been the proposed new clinic at Riverside. Through the enthusiasm of a group of officials and citizens in our three communities this effort to establish a clinic for venereal diseases at the Zurburg Memorial Hospital is almost an accomplished fact.

### READY FOR SERVICE

Miss Helen Blair, left, and Miss Carolyn N. Cook, right, are shown ready to leave in their cars for a day's work at their various activities.

Holly, which called for 160 cars. For this volunteer service of the transportation corps, we are deeply grateful, as we believe the patients are.

But our aim is not to increase but to decrease the above statistics, to educate toward health rather than correct. For instance, quoting from the October Public Health Nursing Magazine:

"If all regular class rooms are sight-saving rooms, the number of glasses provided takes on a new significance."

Again: "The number of children kept home by parents, because of signs of communicable disease, is far more significant in judging accomplishment, than the number of children excluded from school for the same reason."

As in other years, we have had support from the Boroughs of Riverton and Palmyra and Township of Cinnaminson, from the schools and the community collections, the Red Cross, the Needlework Guild, and other Societies.

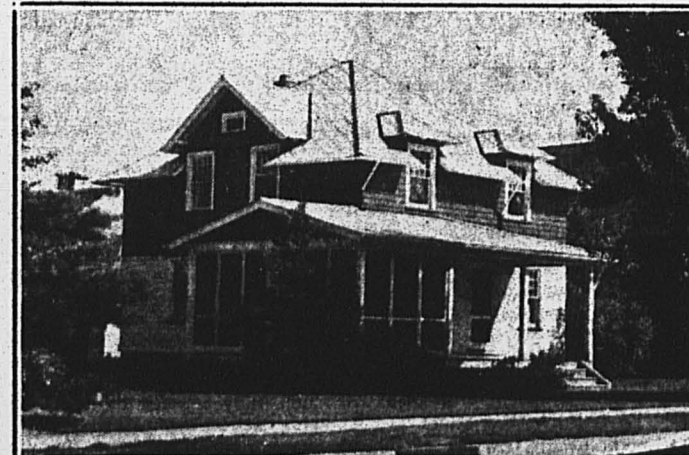

To all of these we give sincere thanks for the cooperation which makes our work possible.

### Treasurer's Report

Below is the treasurer's report: Receipts—1936-37

### TYPICAL SCHOOL CLINIC EXAMINATIONS

These examinations are given at the Cinnaminson Public Schools, the Sacred Heart Parochial School, Riverton, and at the Riverton Public School. The nurses are shown in various clinical activities with Dr. Harry L. Rogers, of Riverton.

October 1, 1936, to September 30, 1937 and found correct.

W. T. Blyler.

Officers for 1937

At the annual meeting held October 11th, 1937, the following officers were elected for one year:

Chairman—Mrs. Victor Ritschard.  
Vice chairman—Mrs. Eugene R. Zieber.

Treasurer—Mrs. Ralph L. Flower.  
Assistant treasurer—Miss Martha McI. Biddle.

Secretary—Mrs. William A. McCamy.

### PORCH CLUB

Miss Mildred W. Whitman, head of the department of interior decoration, at the Traphagen School of Fashion, in New York City, spoke at the Porch Club last Tuesday afternoon.

She traced the styles of decoration down from the Victorian period to the present day and then warned every one to properly place each piece of furniture so as not to ruin the effect of a perfect setting. Tea was served at the conclusion of Miss Whitman's talk.

## THE NEW ERA

### PRINTING

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices.

## The Community Chest

The annual drive for funds for the Riverton-Cinnaminson Community Chest will begin on Monday, November 1. Contributions made to the Chest are apportioned among three organizations—The Cinnaminson Home, The Visiting Nurse Society of Riverton, Palmyra and Cinnaminson and The Burlington County Hospital, all devoted to helping those who are in need of aid.

When considering your donation to this year's Community Chest, give careful thoughts to its purposes and you will realize that a more worthwhile endeavor cannot be found.

## Visiting Nurse Society

The Visiting Nurse Society of Riverton, Palmyra and Cinnaminson is now celebrating the 25th anniversary of the organization of the association. Having been established in 1912 it is rounding out a quarter century of helpful service in these communities.

The activities of this splendid society are many and varied, but the keynote of all is the same—health service to those who may be in need.

During the past year the nurses of the organization made a total of 5,285 visits and held numerous clinics in addition, all of which involved a vast amount of work.

May we present our congratulations to the members of the Visiting Nurse Society for their achievements in the past and express our wish that their humanitarian endeavors will continue for many more years to come.

## Last Minute Propaganda

General election is next Tuesday, at which time local citizens will vote for governor of the state, a member of the general assembly, two freeholders and a number of local officials.

There has been plenty of time since the primaries to judge the merits of the respective candidates and to make a decision regarding which of the various nominees deserve support.

There probably will be the usual last-minute flood of propaganda regarding the ability of certain candidates for their particular office and numerous reasons why others are not qualified. Such stuff is generally bunk, to use a homely expression.

All of this is intended to stampede voters just before election day and to cause them to change their carefully planned ideas about casting their ballot.

If certain office seekers have your support a few days before election, don't pay too much attention to last-minute promises and the like.

### GIRL SCOUT NEWS

The Girl Scout Mothers of Troop No. 1, of the Methodist Church are planning a luncheon on November 9, at 12.30. The affair will be held at the home of Mrs. H. P. Haines, 806 Cinnaminson avenue, Palmyra.

The Girl Scout Mothers are planning a trip to the Abbott Ice Cream Company, in Philadelphia, on November 19. Those wishing to go are requested to get in touch with the mothers of any of the members of the troop. Meet at the Palmyra station at 9 o'clock.

The Girl Scouts of Troop No. 1 Methodist Church, are requested to report at the Methodist Church, Sunday morning, at 10.45, to celebrate the birthday of Juliet Low, founder of the Girl Scout movement in the United States.

The Girl Scouts of the Methodist Church are invited to attend a Hal-

low'en party in the Lutheran Church, on Monday evening, November 1, at 7.30. All girls are asked to come in costume. There will be no meeting on Tuesday evening.

The Girl Scouts of Palmyra, will entertain their mothers at a tea in honor of Juliet Low's birthday, on Wednesday, November 3, at 3.30 p.m., in the Lutheran Church. A speaker from state headquarters will be present.

### BIRTHS

Mr. and Mrs. Ellsworth W. Coates of 610 Highland avenue, are receiving congratulations on the birth of a son, Saturday, October 23, in the Zurburg Memorial Hospital, Riverside.

Mr. and Mrs. James E. Wolfe, of Broad street, Palmyra, are receiving congratulations on the birth of a son, on Wednesday, November 27, in the Zurburg Memorial Hospital, Riverside.

### VISITS CAPITOL

ARMITT H. COATE

Prominent Moorestown official of the New Jersey Bankers' Association who attended the dedication exercises for the new Federal Reserve Building at Washington, D. C., last Wednesday. Fred I. Collins, president of the Association, and Mr. Coate, secretary, represented the New Jersey Bankers at the ceremonies.

### CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services, Sunday, October 31st 10.00 a.m. Bible school.

11.15 a.m. Morning worship. Rev. Lockett, who is attending the annual meeting of the Northern Baptist Convention, at Trenton this week, will report on the high spots in its proceedings.

7.00 p.m. Young People's High School Group in the Sunday school room.

7.45 p.m. Evening service. "The Walk to Emmaus" will be the subject of the sermon which will be accompanied by a solo and anthems by the choir.

Wednesday evening, 8 o'clock. You are especially urged to enjoy this mid-week prayer service.

The annual meeting of the Sunday school will be held this Tuesday evening at 8 o'clock in the social hall. All officers, teachers and department heads should attend this annual gathering.

### EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

The "Sacrament of Baptism" will be administered in our church this Sunday morning at eleven o'clock. Those having children to be baptized should get in touch with the minister at once. During this service, the opportunity to join our church will be given those who desire. Rev. W. A. Boyd will speak about "The Child in the Midst."

"My Candidate" is the title of the sermon to be delivered by Rev. Boyd during the evening service, at 7.45 o'clock. This is a message of importance to every voter in this community. We sincerely invite the public to attend this meeting. The Senior Choir and the Young People's Friendly Choir will sing.

"The Friendly Hour," immediately after the evening church service, is open to all our people. We want you to stay and meet some of your friends and neighbors.

"How Human Nature Is Changed" is the subject of the Bible Study period, this Wednesday evening, at eight o'clock. We invite the community to this Bible Study hour.

Men, do not forget the date—Thursday, November 4, the place—the social room of the church. Come prepared to eat, drink and be merry.

### CHRISTIAN SCIENCE CHURCH

"Everlasting Punishment" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 31.

The Golden Text is: "Blessed is the man whom thou chastenest, O Lord, and teachest him out of thy law." (Psalms 94:12)

The Lesson-Sermon is the following from the Bible: "The soul that sinneth, it shall die. The soul shall not bear the iniquity of the father, neither shall the father bear the iniquity of the son: the righteousness of the righteous shall be upon him, and the wickedness of the wicked shall be upon him. But if the wicked will turn from all his sins that he hath committed, and keep all my statutes, and do that which is lawful and right, he shall surely live, he shall not die." (Ezekiel 18:20,21)

The Lesson-Sermon also includes the following passage from the

### CHOIR TO GIVE CONCERT TONIGHT

Under the baton of their director, Claude Y. Barto, the members of the Central Baptist choir will give a program of secular music in the Sunday school room at 8.15 o'clock, this (Thursday) evening. The program will consist of the following numbers:

1. Full chorus, "Just Singing Along," Moore.
2. Three-part chorus for women's voices, "The Owl and the Pussy Cat," Fox.
3. Male chorus, "Morning," Speaks-Baldwin.
4. Piano duet, Selected, by two members.
5. Short sketch, "His Fate."
6. Piano solo, Selected, Mrs. Edith Feeney.
7. Offering.
8. Male chorus, "Old King Cole," Forsyth.
9. Three-part chorus, "A China Tragedy," Thomas.
10. Mixed chorus, "Allah's Holiday," Friml.

A silver offering to be taken will defray the cost of music which has been added recently to the library of the choir.

### LAST WARNING

For the information of local residents, the provisions of the state traffic act regarding the operation of bicycles are again printed below.

Parents are requested to cooperate with the local police by instructing their children regarding these regulations.

For the information of all concerned, police officers have been instructed to rigidly enforce the provisions of this act.

### ARTICLE III

#### Bicycles

Lights on Bicycles. 1. All bicycles when in use on any street at night shall carry at least one lighted lamp on the front of such bicycle, which lamp shall show a white light and be of such a nature and so displayed that it may be seen at least 200 feet distant in the direction toward which the bicycle is proceeding; and if such front lamp is so arranged that it will show a red light visible for a distance of at least 200 feet in the rear thereof, then no red light attached to the rear of such bicycle will be necessary; provided, however, that where such front light does not show a red light visible for a distance of at least 200 feet from the rear, then there shall be attached to the rear of such bicycle one lighted lamp showing a red light visible for a distance of 200 feet from the rear thereof, such light to be kept lighted one-half hour after sunset.

Audible Signal. 2. Bicycles shall be equipped with an audible signal which can be heard easily at a distance of 200 feet.

Position of Hands and Feet. 3. The rider of any bicycle shall not allow the same to proceed in any street by inertia movement with his feet removed from the pedals, nor shall such rider remove both hands from the handlebars while riding the bicycle nor practice any trick or fancy riding in any street.

SHALL HE CARRY UPON HIS BICYCLE ANY OTHER PERSON.

Not to Hold to Moving Vehicle. 4. It shall be unlawful for the rider of a bicycle or a person on roller skates to hold fast or to hitch on to automobiles or other vehicles.

Why Cows Should Be Clean

Some cow barns are dirty. Then the cows are skinny. Then the milk is not good. Clean the cows once a day. Clean the barns once a day. The litter carrier helps the man do this.

What Cows Should Eat—Why Cows Give Milk

A cow eats tall grasses. A cow eats carrots too. A cow drinks water. She likes water whenever she can get it. A cow likes hay because she sleeps in it. She gets milked in straw. Do you know why a cow gives milk? I don't know why myself, but I think it is just Nature, don't you? Nancy Ritschard.

Keeping the Milk Fresh

The men must have clean clothes. They must clean the bottles. They must clean the tops of the cans to see if it is fresh. A man looks at every milk bottle. Once people thought that a fairy made milk sour. Something makes milk sour. It is not a fairy, it is a little plant. These plants are so little you cannot see them. The air is full of these plants. Gretchen Kleckhefer.

YOUNG PEOPLE'S LEAGUE

The Young People's League of the Epworth M. E. Church, Palmyra, extends a welcome to young people who do not attend any other league to attend our service this Sunday evening, at 7 o'clock.

## ALMANAC

"Stretch your feet only so far as your covering goes."

OCTOBER 28—Mayor Harrison of Chicago, assassinated, 1893.

30—Mussolini made dictator of Italy, 1922.

31—China proclaimed a republic, ending ancient monarchy, 1911.

NOVEMBER 1—Tunnel under river between Detroit and Windsor opened, 1930.

2—Gen. George Washington delivered farewell address to army, 1783.

3—Greek monarchy re-established and George II recalled, 1935.

4—Austria accepts peace terms submitted by allied powers, 1918.

COMING EVENTS

Thursday, October 28  
Concert, Central Baptist Church Choir, Sunday School room of the church, 8.15 p.m.

Monday, November 1  
The Riverton-Cinnaminson Community Chest begins annual drive for funds.

Monday, November 1  
Meeting, Palmyra Junior Woman's Club, in YMCA building, Palmyra, 8 o'clock.

Thursday November 4  
Meeting, Sacred Heart P.T.A., school auditorium, 3 p.m.

Wednesday, 8.00 p.m.

Reading Room in Church Building  
Thomas Ave. and Seventh St., Riverton,  
open Tuesday and Friday, 2.30 to 4.3.

## Westfield Friends' School

After the second grade had been to the Millside Dairy they decided that they would like to write about some of the things they had seen and also would like to keep the stories for their books. A few of the titles are listed below and also some of their stories.

Why Cows Should Be Clean

Some cow barns are dirty. Then the cows are skinny. Then the milk is not good. Clean the cows once a day. Clean the barns once a day. The litter carrier helps the man do this.

What Cows Should Eat—Why Cows Give Milk

A cow eats tall grasses. A cow eats carrots too. A cow drinks water. She likes water whenever she can get it. A cow likes hay because she sleeps in it. She gets milked in straw. Do you know why a cow gives milk? I don't know why myself, but I think it is just Nature, don't you? Nancy Ritschard.

Keeping the Milk Fresh

The men must have clean clothes. They must clean the bottles. They must clean the tops of the cans to see if it is fresh. A man looks at every milk bottle. Once people thought that a fairy made milk sour. Something makes milk sour. It is not a fairy, it is a little plant. These plants are so little you cannot see them. The air is full of these plants. Gretchen Kleckhefer.

YOUNG PEOPLE'S LEAGUE

The Young People's League of the Epworth M. E. Church, Palmyra, extends a welcome to young people who do not attend any other league to attend our service this Sunday evening, at 7 o'clock.

## FINANCING THE NEW ALMSHOUSE

Subject of Lengthy Discussion By Freeholders; May Get Lower Insurance

The subject of refinancing the new county alms house, at New Lisbon, was the subject of a lengthy discussion by the Burlington County Board of Freeholders, at a meeting held last Friday afternoon.

The discourse was chiefly between C. C. Collings, of the Collings Investment Co., of Philadelphia, and Palmer L. Adams, director of the board.

### Disagree on Theory

These individuals disagreed in their respective theories regarding the method which should be employed in financing the construction of the proposed building.

The conference was terminated late in the afternoon when a motion was passed authorizing a survey of the monetary status of the county.

Representatives of Stockwell & Knight, insurance brokers, of Moorestown, were also present at the meeting and stated that, if certain recommendations were adopted, a substantial reduction in insurance rates on county buildings, at New Lisbon, might be possible.

### To Wait for Report

Upon a motion by Freeholder Walter Lamon, the board voted to wait until a detailed statement was available from the insurance rating engineers, before taking any definite action on the recommendations.

## MONTHLY REPORT OF COUNTY FIRES

William J. Smith, county fire marshal, gave his monthly report of fires at the monthly meeting of the Burlington County Firemen's Association held last week in the Hope Hose Company, Beverly.

The fire marshal's report showed 31 alarms in the various districts as follows:

Beverly 1, Burlington City 4, Bordentown 3, Bridgeton 1, Colton 1, Florence 1, Lambertville 1, Medford 1, Marlton 1 out of district, Mt. Holly 2, Maple Shade 3, Moorestown 3, New Greta 1, Pemberton 1, Palmyra 2, East Riverton 2, Riverside 1, Vincentown 2.

The value of the buildings was \$6800, loss on buildings \$6250, value of contents, \$2900, loss on contents \$1100, insurance on buildings \$7000, and insurance on contents \$1200.

## WILDFOWL SEASON OPENS ON NOV. 1

An early wildfowl hunting season in New Jersey will be to use live features attracting licensed sportsmen this year to the great outdoors, the State Fish and Game Commission announced recently. Starting twenty-six days earlier than last year, the open season for hunting wild ducks and geese will open November 1 and conclude on November 30.

During the season hunting will be allowed from 7 a.m. to 4 p.m. daily for geese, ducks, English snipe and coot. A Federal stamp is required for hunting ducks and geese.

Daily Bag Limit

Hunters are prohibited by regulation from baiting or shooting over baited water or land, to use live decoys; to use any gun except shotgun not larger than ten gauge and holding not more than two shells. There is no open season on Wood Duck, Ruddy Duck, Buffhead Duck, Canvasback Duck, Redhead Duck, Brant, Snow Goose, Ross's Goose or Swan. The daily bag limit for ducks, except Wood Duck, Ruddy Duck, Canvasback, Redhead and Buffhead, is ten in the aggregate of all kinds; geese, except Snow Goose, Ross's Goose and Brant, five in the aggregate of all kinds; coot, twenty-five; Wilson's Snipe or Jacksnipe, fifteen. The possession limit is one day's bag.

New York City's assessed real estate valuation is set at 16 billion dollars.

## YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean  
Extension Service, N. J. College of Agriculture

Prepare soil for spring planting in November before the ground freezes. This is particularly advisable in flower beds, unless they are already planted with spring bulbs, and in the border where annuals have grown. By November the annuals will have finished blooming and most of the gladioli and dahlias will have been harvested.

Just as the farmer follows a system of rotation with cover crops to provide the humus which is so essential to the soil, so the gardener should provide this organic matter to obtain best results. Remember that humus acts as a buffer in the soil and prevents many soil ills. The application of manure is probably one of the best methods to provide needed organic matter. Dig the manure into the ground now, leaving the soil rough and bumpy over winter, then in the spring it will be ready for final working and conditioning. If manure is not available, straw, hay or leaves will provide humus. However, it is not advisable to use refuse of growing plants, for plant diseases are spread very easily in this way.

Small plots of open ground will be benefited by digging in a dressing of manure. If leaves, hay or straw stalks have already been put on top of the ground, a nitrogenous material such as cyanamid, nitrate of soda or sulfate of ammonia with some lime may be dug into the soil. This practice will hasten decomposition of the material to make it readily available for plant nutrients. Dig this organic matter into the soil now and then re-digging the ground in the spring will put it in the best mechanical condition for plant growth. For small plots this will be found the most satisfactory way of keeping the soil fertile.

## STAMP CLUB HEARS ARTHUR CUBBAGE

The members of the Palmyra-Riverton YMCA Stamp Club met in the Legion Home, Palmyra, last Friday night and Arthur J. Cubbage, of Atlantic City, was the guest speaker.

Mr. Cubbage, who has won many prizes for his collection, gave a most interesting talk on Confederate stamps and exhibited a number of his outstanding pieces.

He related how the various issues of Southern stamps depicted the story of the whole war and how the Confederacy was forced to utilize every available source of material in order to continue the struggle as long as it did. Envelopes were made from old bills and even wallpaper.

Some stamps were printed in England, but, for the most part the South had to rely upon its own resources, poor as they were.

## CLOTHING READY FOR LOCAL NEEDY

The WPA sewing project is now established in the American Legion, Palmyra, and is prepared to furnish garments to needy families.

By needy families, we do not mean only those on relief, but families where there are children and the income is so small that they cannot be adequately clothed.

We know that there are such families in Palmyra, but, for some reason, they fail to take advantage of our offer.

If it is a matter of reluctance to come to the welfare office and ask for clothing, I can see them at my residence.

Naturally, all cases must be investigated.

George N. Wimer, Welfare Director.

## WELFARE OFFICE REAR OF NEW ERA

The offices of the Riverton-Cinnaminson Welfare Association are in the same building as heretofore, at 609 Main street, Riverton.

The only change has been that the location is now in the rear of The New Era establishment. Entrance to the Welfare office is on south side of the building as was the case before the change was made.

## DEAN DETTON TO CLASH WITH STEELE

Once again Frank and Ray Hanly stepped out of their ranks to steal a match within the grasp of other promoters when they clinched what they consider one of the most important bouts of the present era.

The two behemoths who agreed to have it out in the main event at the Camden armory are Dean Detton, Mormon flash who hails from Salt Lake City, former heavyweight champion and Ray Steele, the California ace. They will tangle in a one fall tilt, labeled for an hour time limit.

Another bout that will be worth watching from start to finish is the special contest between Abe Coleman of New York and Rudy Dussek of Nebraska. This is also carded for an hour time limit. Mike Masurki meets Scotty McDougall in the third half hour go. Billy Hanson meets Wee Willie Davis and Stanley Pinto opens the show with Al Mercer.

## MERCHANTVILLE NEXT ON LIST

The opposition for Palmyra scheduled on Saturday afternoon is Merchantville, with the contest to be played on enemy terrain.

On the basis of past performance, the two teams appear to be fairly evenly matched, although comparative scores appear to be less reliable this year than ever before in forecasting the probable results of grid contests.

Audubon trounced Merchantville 19-0, while the locals lost to the former by only a single point. On the other hand, Haddon Heights just ousted the Red and White's next opponent while they trimmed the charges of Coach Dimond by an 18-0 tally. All of which sheds little or no light on the outcome.

After getting back in a winning stride last week at Burlington, Palmyra hopes to be able to continue the good work this Saturday afternoon and the boys have put in a strenuous week toward this end.

## RADIO GARDEN CLUB PROGRAM

"Selecting a Perfect Tree" is the title of the broadcast to be given on the Radio Garden Club program which the Agricultural Extension Service of Rutgers University will present Friday afternoon, October 29, over WOR and other stations of the Mutual Broadcasting Network.

Richard E. Conley, of Outpost Nurseries, Ridgefield, Connecticut, will be guest speaker and his talk will go on the air at 3.45 p.m.

With old days just around the corner, the garden's bird inhabitants should be given special care and protection. To assist the gardener who wishes to make birds welcome in his garden, the Radio Garden Club has scheduled for its Tuesday, November 2, broadcast a talk on "Shrub Harbors for Hungry Birds."

Charles W. Holton, chairman of bird conservation for the Garden Club of New Jersey, will speak as guest of that organization, which is presenting the program in cooperation with the Extension Service.

## RIVERTON

Mrs. Joseph McDermott, of Cinaminson street, was the winner in the Sacred Heart quilt club last week.

The regular meeting of the Sacred Heart P.T.A. will be held in the school auditorium on Thursday, November 4, at 3 o'clock, one week earlier than usual. All mothers are urged to come out and bring children under school age with them. Young ladies will be on hand to look after the kiddies. There will be entertainment and refreshments. The executive committee will meet at 2.30.

The Cinaminson branch of the Zurbrugg Memorial Hospital Auxiliary will hold a covered dish luncheon on November 3, at the home of Mrs. George Knouse and Mrs. Mary Fowler, of Melrose avenue, at 12.30. The business meeting will follow the luncheon. All members are requested to be present.

Mrs. Joseph Morgan has returned to her home on Main street after spending several months in Vancouver, Canada.

Mrs. Joseph M. Roberts, of Lippincott avenue, has returned to her home after spending last week with relatives in Haddonfield.

Mrs. James Wright and son James, Jr., of Pottstown, Pa., are spending the week with Mrs. Wright's parents, Mr. and Mrs. Otto Becker.

Mrs. Claude Barto entertained several members of the Philathea class at luncheon last Tuesday.

The Junior Philathea class will hold a covered dish luncheon at the home of Mrs. Dorothy Brown, 416 Linden avenue, next Wednesday, November 3, at 1 o'clock.

## RIVERTON School Notes

**Daddy Long Legs**  
Sixty children of the Riverton Public School accompanied the children of Burlington County Schools when they went to the Clare Tree Major Theatre at Delanco, Monday, October 25, 1937, to see "Daddy Long Legs." This was the first play of the season and it was very good. The most interesting characters were Daddy Long Legs, Judy Abbott, the superintendent and the trustee. Her school mates helped in making the play a real success by their love for Judy. The play started in an Orphan Asylum, where Judy was taking care of the little children. The orphan was working her way through high school. Later Daddy Long Legs sent her to college. She was to write him letters and address them to John Smith. She did not know who her guardian was, but she wrote to him just the same. She falls in love with Mr. Pendleton who visits her often, but she thinks he does so because he is one of her schoolmate's uncle. She is sent to Mr. Pendleton's farm for her vacation. He comes to see her there and he tells her that he is Daddy Long Legs. They confess their love for each other.

The children of the Riverton Public School wish to take this opportunity to thank the mothers very much for the transportation.

Marilyn Yost, Grade 7.

## DISPLAY WINDOW IS ATTRACTIVE

Clifton P. Taylor's Riverton Market House is sporting an attractively decorated display window apropos to the Halloween season. The window, decorated by C. W. Ludlow, has a background of corn stalks and in the center is a tripod of poles from which is suspended a ham. Underneath the ham is an imitation fire made from twigs and red crepe paper, which is illuminated at night. The balance of the window decorations carry out the Halloween color scheme.

## PALMYRA

Mrs. May Hough, of Palmyra, was the winner in the stocking club of the Palmyra branch of the Zurbrugg Memorial Hospital Auxiliary.

Mrs. William S. Blundin, of Ocean City, spent Thursday and Friday with her aunt, Mrs. George J. Seel. Mrs. Blundin, who is well known in this vicinity, left Tuesday to spend the winter in St. Petersburg, Florida.

Mrs. Eva Swalt, of Trenton, a former resident of Riverton, visited Mrs. Evelyn Roach, of Delaware avenue, on Tuesday.

Mrs. Ethel Haines, Mrs. Mary King, and Mrs. Evelyn Roach, district president, attended the P. O. of A. convention at Asbury Park last Tuesday and Wednesday.

The P. O. of A. will hold its first card party of the year at the home of Mrs. William Kraus, of Lincoln avenue.

Dr. and Mrs. John Lord, of Cinaminson avenue, celebrated their 25th wedding anniversary last Saturday.

Mr. and Mrs. Albert Smith spent Sunday with Walter Kemmerle and family, of Riverside.

Mrs. Anna Rockhill entertained Mr. and Mrs. Gaskill and daughter, of Delanco, and Mrs. Phoebe Bewick, of Florence, on Sunday.

Mrs. Milton Klotz, of Highland avenue, entertained at a tea for the Palmyra Red Cross, last Tuesday afternoon.

The Lutheran Church Men's Club entertained their wives at a Halloween party last Tuesday evening. Games were played during the evening and refreshments served. The members of the committee in charge of the evening's celebration were Thomas Hettel, president of the club, Harry Storicks, Andrew Barkel and Clifford Miletad.

## POLICE PENSION WILL NOT INCREASE CINNAMINSON TAXES

In reference to the establishment of a police pension fund in Cinaminson township, Chief George Dorworth states that, by voting for this question, citizens will not increase their taxes one cent, since the four per cent to be paid by the township can be taken care of by the current appropriation.

The pension situation will be voted upon at the general election, next Tuesday.

Husband: "I read here in the paper that it takes a thousand camels annually to make paint brushes."

Wife: "Do tell! Isn't it wonderful how they can train animals to do things!"—Clipped.

## PALMYRA DOWNS BURLINGTON 6-0

Locals Get Decision in 24th Clash with Old Rival: 1500 View Game

Palmyra High annexed its second win of the season last Saturday afternoon when the Red and White outplayed its traditional rival, Burlington, to win by the score of 6-0.

The locals threatened throughout the entire engagement, but were able to tally only once, the touchdown coming in the third period as Prisco slid off tackle from the Burlington 1-yard stripe.

First Chance Fails

Palmyra missed an early opportunity to score in the first quarter when Mitchell recovered a fumble by the opposition on the Burlington 15-yard line. Gamble then heaved a pass to Rothbaum who snared the oval, but was just outside the end zone when the catch was made. This nullified the otherwise successful aerial.

After the desperate Burlington defense staved off several other Palmyra drives, the Red and White finally scored their well-earned six-pointer shortly after the third stanza opened.

Coach Dimond's proteges obtained possession of the ball on the 45-yard line of their rivals after Burlington lost the ball on downs following a bad pass from center.

Prisco picked up 20 yards in an off-tackle play and Marshall romped around end for 11 more. Gamble then drove to within eight yards of the enemy goal. Three plays advanced the pignin to one yard from the payoff station and Prisco made up this deficiency on the fourth down.

Team Looked Better

Despite the fact that the going was heavy, due to the heavy rains during the morning, the local offense functioned in a greatly improved manner, as compared with the performance in the game with Haddon Heights, the week previous.

One great deficiency of Palmyra, fumbling, was conspicuous by its absence, and followers of the team seem to feel that the Red and White outfit should give its remaining opponents plenty of trouble during the balance of the season.

Burlington	Palmyra
Daddino	le Sacca
Chiemingo	lt Troutman
Martin	lg Mento
Pankiewicz	cg Griffith
Costello	rg Mitchell
Mudrick	rt Mickle
Kittleson	re Rothbaum
Podroza	qb Prisco
Marshall	lb Marshall
Burkley	rbb McDermott
Rudnicki	fb Gamble

Score by periods:

Burlington	0	0	0	0
Palmyra	0	0	6	0

Touchdown—Prisco. Referee—Ireton, Syracuse. Head linesman—Smith, Susquehanna. Umpire—Williams, Delaware.

Palmyra substitutions—Glenn, Applegate, O'Neill.

## JUNIOR VARSITY LOSES 12 TO 0

The Palmyra High School junior varsity lost a hard-fought game last Friday afternoon, on the local field, to the Collingswood reserves by the score of 12-0.

The lineup for the locals was as follows: Allen and Schindwein, ends; Chatburne and Calhoun, tackles; Fyle and Van Emburgh, guards; Groome, center; Davis, quarterback; Brewster and Sandoz, halfbacks; Bromme, fullback.

The next game for the junior varsity will be tomorrow (Friday) afternoon, on the high school field, with the Burlington reserves as the opposition.

## MEETING OF PALMYRA JUNIOR WOMEN'S CLUB

The regular meeting of the Palmyra Junior Women's Club will be held Monday evening, November 1, at 8 o'clock, in the YMCA building, Palmyra.

Miss Ruth Seiber has planned the meeting, which is to be a "Witches Outing."

F. Stephens, Publicity Chairman.

## Country Club Notes

Re-elected

Walter Brickley, club pro, was re-elected secretary-treasurer, of the P.G.A., at a meeting of that body held on Wednesday. The term of office is for one year.

Bowling

The teams of W. L. Hendrickson and Edward Lippincott are in a tie for first place, with a record of five wins against a single loss.

During the past week, high single games were rolled by Hagston, 210; Elliott, 218; Hamelman, 225.

The standing:	W	L
Hendrickson	5	1
Lippincott	5	1
Bartley	4	2
Woods	3	3
Clark	3	3
Bonsall	3	3
Elliott	3	3
Smith	2	4
Tyler	2	4
Jamison	2	4
Wilson	2	4
Yost	1	5

## Ladies' League

The team captained by Mrs. Lynn Hendrickson has won six straight games and leads the league. High single games rolled last week were: Mrs. A. H. Burns, 154; Miss Elizabeth Ridley, 151; Miss M. Gausler,

155; Mrs. Frederick Langenberg, 171; Mrs. George Hagston, 151. Mrs. Langenberg also had a high set of 171, 162 and 159.

The standing:	W	L
Mrs. Hendrickson	6	0
Mrs. Story	3	3
Miss Parrish	2	1
Miss Hall	1	5

## Soccer Team LOSES ANOTHER

The Palmyra High School soccer team suffered its third straight loss on Monday, October 20, at the hands of the Purple and Gold boosters of Camden High by the score of 2-0, the game being played at the River-ton Memorial Park before a large crowd.

After being held to a scoreless tie in the first half Camden unleashed a powerful offense in the final period to tally a brace of goals.

Kerna and Stanford starred for Palmyra.

## GAMES CONTINUE MONDAY NIGHT

The games conducted at the Sacred Heart School hall on Linden avenue on last Monday night were attended by over 400 people. The players were amazed at the high quality prizes that were distributed, such as bridge lamps, arm chairs, cocktail sets, waffle iron, and many other handsome articles.

These games will be held weekly on each Monday night at the school hall. The affair begins at 8:30 and the donation is 25 cents.

Gallagher, Moorestown, 210; Dougherty, Greys, 207; Underwood, Gloucester, 206.		
The standing of this league:		
Gloucester	5	1
Riverside	4	2
Palmyra Greys	4	2
Moorestown	3	3
Palmyra Blues	2	4
Mount Holly	2	4
Maple Shade	2	4
Palmyra Whites	2	4

## PALMYRA SCHOOL NOTES

### Kindergarten

The kindergarten children are getting ready for a Halloween party, which is this Friday. Since they will come to the party masked, they plan to make their own false faces, besides making baskets and room decorations.

The first grade has been busily engaged in writing stories about the signs of Fall which we have noticed around us.

Our new books "Little Friends" are liked very much.

### Second Grade

We were very much interested in Christopher Columbus this month. We are trying very hard to improve the appearance of our teeth. We have made posters to help us remember to brush them twice daily.

Last week our room filled a small box for the American Junior Red Cross. Ruth Reed, Jane Hannum, Billy Kraus, Wayne Peck, Wilmer Ripka, James Ballantyne and Gaynor Seither brought toys for the box.

### Third Grade

We have enjoyed finding and identifying pretty autumn leaves. Then we mounted them and made booklets.

Five new pupils John Abbott, Robert Elder, Helen DeGothier, Dolores Kellogg, and Anna Schubert have entered our group.

### Fourth Grade

Last Friday, October 22, the fourth grade Reading Club held its third meeting. The program was arranged by Estella McCay, president and Carol Ward, vice president of the organization. Stories, poems and riddles were given by the children taking part. Those who performed were Helen Creager, Jo Ann Burger, Margaret Dilka, Catherine Bryson, Alfred Nale and Frank Carite.

### Fifth Grade

So many interesting things have been happening in the fifth grade that we can mention only the most important.

As an outgrowth of reading, the class chose pupils to dramatize "Rumplestiltskin" for the Friday assembly. Everyone has a part, either by acting or bringing in properties.

### Short Play

Chewing gum was the topic of a sketch given during the regular assembly program on October 20. It was an attempt on the part of the assembly committee to abolish the chewing of gum in school.

Various students gave recitations, chewing gum all the while. Among these were a poem by Carolyn Bauer and a song by Marjorie Neal, as well as a song by the whole class.

## HOCKEY TEAM LOSES 5 TO 1

On Saturday, October 22, the Palmyra hockey team journeyed to Collingswood and once more bowed to the strong eleven of the opposition, the score being 5-1.

The Red and White threatened many times during the first half, but failed to penetrate the opposing defense. The half ended with the opposition leading 3-0.

In the second half the Palmyra eleven came back strong and managed a lone score which was driven in by E. Bradley. Collingswood scored two more goals, and the game ended with the final count being 5-1.

## CINNAMINSON AND PALMYRA TO VOTE ON POLICE PENSIONS

Five towns in Burlington county will ask their voters at the November 2nd election to express their approval or disapproval of pensions for the police of their municipalities.

In Palmyra, Cinnaminson township, Riverside, Bordentown and Florence the question of police pensions will be on the general election ballot.

The move to have municipalities take favorable action on this question is sponsored by the local police, as it is provided by state law that police with 20 years of service and over the age of 50 years, are entitled to pension privileges, also that they must retire at the age of 65 years. If approved by the local citizenry, each town is to set up its own pension board, to be composed of an official, preferably the mayor or chairman of the township committee, a civilian and policeman. This pension law does not apply to volunteer firemen.

Garwood Bacon, with his guitar, then sang a Spanish song, followed by another one, whistled. He was given a loud applause and came back with "The First Time I Met You."

## HALLGREEN-RICHMAN

A very pretty wedding was solemnized at the Pearsonville M. E. Church, White Horse, Trenton, on Saturday, October 23rd, at 2:30 p.m., when Eleanor Stow Richman, formerly of Riverton, became the bride of Bender Vincent Hallgreen, of White Horse.

The Rev. R. Heyward, pastor of the church, assisted by Rev. H. F. Wayman, officiated at the ceremony and Miss Lilah Mason, the bride's aunt, played the wedding march.

Mrs. Heyward, wife of the pastor, sang "Oh Promise Me."

The bride was given in marriage by her father, Herbert W. Richman.

Miss Dorothy M. Richman, sister of the bride, was maid of honor and the bridesmaids were Misses Elizabeth and Roberta Richman, of Moorestown, and Miss Doris Hampton, of Riverton.

Otis Hallgreen, brother of the groom, was best man and Arthur George and Raymond Hallgreen were ushers. A reception for members of the immediate families and the bridal party followed, after which the couple left on a wedding trip through Niagara Falls, Canada and the New England states.

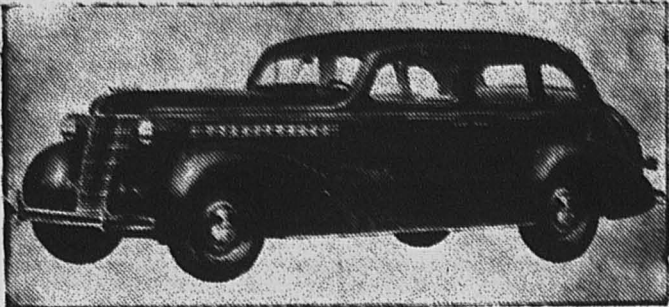

## DUTY AT RIVERSIDE MILL ON MONDAY

**NOTICE OF SALE OF LAND FOR UNPAID TAXES**  
NOTICE is hereby given that I, Joseph E. Keating, Collector of the Township of Cinnaminson, in the County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, November 20th, 1937, at one o'clock in the afternoon of said day at the

OFFICE OF THE TOWNSHIP COLLECTOR ON THE NORTH SIDE OF BROAD ST. WEST OF POMEROY AVE. EAST RIVERTON, BURLINGTON COUNTY, NEW JERSEY.

in said taxing district, sell the several lots and parcels of land hereinafter described to make the amounts severally chargeable against the same, as hereinafter set forth. Said lots and parcels of land will be sold for the amounts chargeable thereon on the first day of July, 1937, together with interest from said date to date of sale, with cost thereof, to such person or persons as will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 8 per cent. per annum.

This sale is made under the provisions of an act of Legislature entitled "An act concerning unpaid taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens thereon" (Revision of 1918) being P.L. 1918, p. 283, as supplemented and amended.

The lots and parcels of land to be sold and the names of the owners thereof against whom the said taxes and liens have been assessed and the amounts of the same including interest to July 1st, 1937, are as follows:
