THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

49th Year No. 1

RIVERTON—PALMYRA, N. J. THURSDAY, JANUARY 6, 1938

PRICE FIVE CENTS

WALTER D. LAMON NAMED DIRECTOR OF COUNTY BOARD OF FREEHOLDERS

Adams and Jones Fail to Vote
As Stout, Church Support
New Director

MANY APPOINTMENTS MADE AT MEETING

John F. Miller, of Bordentown Is
Selected as Clerk, Peditto
Chosen Solicitor

Walter D. Lamon, of Palmyra, was named director of the Burlington County Board of Freeholders at the organization meeting of that body held Monday noon of this week, in the court house, Mt. Holly, before an audience which filled every available inch of space in the court room, aisles and halls.

Lamon was nominated by Freeholder Church and this was seconded by Charles R. Stout. There were no other nominations and Lamon was supported by Stout and Church, with Jones and Adams not casting a ballot.

Lamon Takes Chair

Mr. Lamon assumed the duties of director at once and stated that he appreciated the honor accorded to him and would do everything in his power to carry out his oath of office to the very best of his ability. He said that he made this statement in an honest and sincere fashion and thanked his supporters for their assistance.

Nominations were then called for the position of clerk of the board. Freeholder Adams nominated the incumbent, Clarence Price, who he said, had had much to do with the achievements of the board during the past three years. Mr. Adams recited many of these accomplishments, much to the displeasure of a large number of spectators who were called to order on several occasions by Director Lamon. As a matter of fact, Mr. Lamon repeated this action numerous times during the afternoon, as partisan feeling, on the part of those present rose to a feverish pitch.

Church Names Miller

After the nomination of Price had been seconded by Albert C. Jones, Freeholder Church placed the name

John F. Miller, of Bordentown, before the board and stated that his candidate was well qualified for the position, having been office manager of a large business establishment and having held other responsible positions.

Miller was elected on the vote which followed, Jones and Adams being the minority that declared for Price.

Next in the order of business was
(continued on page 3)

THANK YOU

Post Rodgers, No. 156, American Legion extends many thanks to all those individuals and organizations, who in any way, assisted us, in the collection, repair and distribution of toys, etc.

We appreciate the spirit of cooperation you have shown.

With best wishes for a Happy and prosperous New Year.

Christmas Toy Committee,

Avery Willis, Chairman.

Russell Musser,
Commander.

LIBRARY BENEFIT

As announced last week, a benefit bridge for the Riverton Free Library will be held in The Porch Club, on Tuesday, January 11, at 2 o'clock.

The affair is being sponsored by The Porch Club and tickets are 50 cents. Reservations may be made with Mrs. Rowland Michener, phone Riverton 244-R.

Those who desire to attend are requested to make up tables, arrange for cards and table prizes.

Those in charge of the bridge hope that there will be a large attendance because the library is urgently in need of new books and the proceeds from the affair will do much toward enabling the library to make new acquisitions.

MAYOR BIDDLE STARTS NEW TERM

David F. Gould and Archibald G. Bush New Members
Of Local Council

The annual organization meeting of the Riverton Borough Council was held on Monday night of this week, with Mayor H. McIlvain Biddle beginning a new term of office.

Mayor Biddle swore into office the two new members of the local governing body, David F. Gould and Archibald G. Bush. They replace Edward K. Merrill and Gorham P. Sargent, who were not candidates for reelection.

The clerk of the borough, Daniel M. Clifton, administered the oath of office to Robinet Cole, who was reelected assessor.

Address by Mayor

After the new members had taken the oath, Mayor Biddle addressed the assemblage as follows:

"Members of Council, fellow citizens and guests.

"It is most gratifying to me to be with you at this meeting of Council for organization. Having been again elected Mayor, I take this opportunity of thanking the citizens of Riverton for the confidence they have displayed in me by conferring this honor.

"It is with reluctance, and one of the depressing duties of this body, to say good-bye to former members that we are losing through retirement, and especially so this year, as we are losing two associates who have been most able and faithful in the performance of their duties and obligations to the people of this community. So it is with sincere regret that we say good-bye to Messrs. E. K. Merrill and Gorham Sargent.

"It is with pleasure that we welcome to our midst two new members, Mr. Gould and Mr. Bush, and I know, gentlemen, that you will enjoy and profit by your association with this governing body, as much as we expect to by our association with you.

Improvements

"The year 1937 is now history. During the year we have improved the lighting on Broad street, so that it is now a well-illuminated highway.

"We have repaved a number of streets with permanent paving and will continue the program.

"We close the year with all bills paid, taxes having come in in a most satisfactory manner.

"All our departments have functioned well. Especially do I comment on the activities at Memorial Park, which were enjoyed by so many of our citizens.

"Your Mayor hopes that the wishes of the people have been carried out as well as possible, but I

NOTICE

In reply to a number of inquiries, we wish to state that The New Era has absolutely no connection with the Twin Borough Advertiser, the Palmyra Press, or any other newspaper.

The New Era is a legal newspaper and is distributed only to paid subscribers.

The New Era, Inc.

CLARK RETIRES AS DREER MANAGER

James C. Clark, for many years manager of the Dreer Nursery plant, at Riverton, has retired from this position, but will still retain his post as vice-president of the company.

Mr. and Mrs. Clark left this week to visit their daughter in Mexico City, where they will make an extended stay.

COUNTY COUNCIL TO MEET HERE

The Burlington County Council New Jersey Congress of Parents and Teachers will meet Wednesday, January 19, in the Riverton Public School, at 10 a.m.

Please make your luncheon reservations early, with Mrs. Charles Yost, 631 Thomas avenue, Riverton.

CONROW CHAIRMAN IN CINNAMINSON

To Head Township Committee;
Other Officials Named
At Jan. 1 Session

At the organization meeting of the Cinnaminson Township Committee held on January 1, Maurice Conrow was named chairman, replacing Charles Evans who had held the position for a number of years, but was not a candidate for member of the ruling body at the election last fall.

The other members of the committee are Herbert Dinges and Elmer Mandeville, the latter being sworn into office at the session held on Saturday.

Other Officials

Other township officials are, Joseph L. Keating, collector; Leslie W. Reeves, assessor; William Schmierer, treasurer; George C. Frank, clerk; Walter Carson, attorney; George Dorworth, chief of police, collector delinquent taxes, constable, truant officer, overseer of the poor; John Denneker, road overseer; Dr. Harry L. Rogers, health inspector.

TWO MOTORISTS PAY PENALTY IN PALMYRA

Two motorists were arrested on January 3, by Palmyra police. Those whose cases were disposed of by Recorder Carl Lutz are as follows: George Chester, Jr., 17 Chestnut street, Berlin, passing stop street; William L. Horton, Stevens drive, Burlington, careless driving.

RED CROSS MEETING

The regular meeting of Burlington County Chapter, American Red Cross will be held in St. Mary's Guild House, Burlington, on Tuesday, January 11, at 2.30 p.m.

CAR DEMOLISHED OCCUPANTS UNHURT

A car driven by Edward Werner, of East Monmouth street, Port Richmond, Pa., overturned several times on the Burlington Pike, near Lakeview Memorial Park, New Year's Eve, but the eight occupants escaped with only minor cuts and bruises.

Chief Dorworth, of Cinnaminson, who investigated the crash stated that it was a wonder that all were not killed, since the car was almost totally demolished and was given to a garage man in payment for having it removed from the scene.

NEEDED NOW

The Riverton-Cinnaminson Welfare Association is urgently in need of a stroller, man's suit size 42 and men's and boys' shoes in larger sizes.

If you have any articles of this nature which you wish to dispose of, kindly notify the Welfare Office, rear of 609 Main street, Riverton.

Your assistance in this matter will be greatly appreciated.

MANY SPEAK AT COUNCIL MEETING

Palmyra Officials Give Resume
of Work During 1937 and
Plans for Future

The annual organization meeting of Palmyra Borough Council was held in the council chamber at twelve o'clock noon on New Year's day with about thirty citizens present.

Mayor John F. Ward called the meeting to order and former councilman Floyd W. Spahr was asked to deliver the invocation.

The oath of office was next administered to Borough Clerk George J. Spencer, Mayor John F. Ward, Councilmen William F. Engle and Arthur Wright, Borough Assessor James H. Hartley, Solicitor Albert McCay and Welfare Director George N. Wimer.

Councilman Charles K. Mervine was nominated and unanimously elected President of Council.

Appointments

Mayor John F. Ward made the following appointments: Clerk, George J. Spencer; solicitor, Albert McCay; overseer of poor, Harry J. Saar; building inspector, Edward King; engineer, J. C. Remington, Jr.; physician, Dr. Dean H. LeFavor; director of relief, George N. Wimer; keeper of lock-up, Thomas Schwinck; chief of police, C. Morris Beck; marshals, Joseph H. Rodgers, J. Nelson Wallace, Lawrence Betty, William L. Stack; constables, C. Morris Beck, Joseph H. Rodgers, J. Nelson Wallace, Lawrence Betty; superintendent of disposal plant, R. Strickenbein; superintendent of highways, Harry Karn; auditor, William H. Welcher; delinquent tax collector, Lawrence Betty; pound keeper, Thomas Schwinck.

Charles K. Mervine and Dewitt Morris were reappointed to the Board of Health.

Special officers were appointed as follows: Charles K. Mervine, William F. Engle, Arthur P. Wright, T. Curtis Flynn, Wesley P. Huyett, C. Nevin Buchholz, Joseph L. Stack, James H. Hartley, Joseph Gallagher, Branson Cook, Frank Geddes, Louis Brown, R. Strickenbein, Harry Karn, Thomas Schwinck, Elmer Laughery, Walter Horner, Dewitt Morris, Irvin
(continued on page 2)

CAR INSPECTION STARTS JAN. 10

New Jersey Project Heralded
Most Progressive Safety
Move of Decade

Safety inspection of all motor vehicles registered in New Jersey will be started Monday, January 10, Motor Vehicle Commissioner Arthur W. Magee announced last week. Notices to the first batch of car owners were placed in the mails Monday.

Inspections will be carried out in 28 state-owned and operated stations. The second inspection will be made six months later. A fee of fifty cents will be charged for each inspection.

Believing that about 200 lives are sacrificed each year due to cars operated without proper lights and brakes, Commissioner Magee heralds the project as the most progressive safety move of a decade. He has requested the mayors in the 28 inspection cities to arrange suitable opening ceremonies. At the Trenton station, Governor Hoffman will be requested to drive the first car through the inspection lane.

Lost Time Question

In announcing the official opening of the inspection stations, Commissioner Magee desires to clear away the clouds of misunderstanding that have arisen among some car owners in the state who have complained that they will be forced to lose time away from their employment in order to present their cars for inspection.

He explained that every motor vehicle owner will be given one week's time in which to drive his car to the inspection station and that in the event the vehicle is rejected for adjustments or repairs, the owner has another seven days (Sundays and holidays excluded) in which to have the necessary repairs or adjustments made. If the repairs or adjustments are of a character that do not require any great amount of labor, the car can be brought back for re-inspection the same day.

Open 8.30 to 5

Another point the commissioner wants cleared up is that it is not necessary for the owner to accompany his car to the inspection station. Any licensed driver can submit the car. The hours of inspection at all stations will be from 8.30 a.m. to 5 p.m.

In a letter to the mayors of the cities, townships, boroughs and villages and to the boards of chosen freeholders today, Commissioner Magee has requested that all licensed governmental vehicles be taken in for inspection during the first week the stations are opened.

"By having government owned vehicles inspected first, it will set a good example to others," said the Commissioner.

Thieves Thwarted

After carefully spotting the lay of the land, or rather the lead, youthful marauders, who doubtless received soldier casting outfits for Christmas, smashed a window in the basement of The New Era building and purloined a quantity of old type from a box which reposed conveniently on a nearby shelf.

The type was of a sort, however,

which melts at a much higher temperature than ordinary metal and it is doubtful whether many lead warriors will be cast from the metal obtained by this masterly stroke.

The temptation has been removed from its former location and the culprits are warned that such activities in the future will prove to be fruitless.

MANY SPEAK AT COUNCIL MEETING

(continued from page 1)

E. Harker, Walter S. Shappell, Robert Cooke and Edward Werrbach.

Committees

Committees of Council were appointed by Mayor Ward as follows: Finance, C. Nevin Buchholz, chairman, Wesley P. Huyett and Arthur P. Wright; highways, rubbish and ashes, William F. Engle, chairman, T. Curtis Flynn and Wesley P. Huyett; garbage, William F. Engle, chairman, Charles K. Mervine and Arthur P. Wright; sewer and disposal plant, Charles K. Mervine, chairman, T. Curtis Flynn and William F. Engle; buildings, Arthur P. Wright, chairman, William F. Engle and Wesley P. Huyett; ordinances, Wesley P. Huyett, chairman, Charles K. Mervine and Arthur P. Wright; water and lighting, T. Curtis Flynn, chairman, Charles K. Mervine and Arthur P. Wright; parks and public property, T. Curtis Flynn, chairman, Wesley P. Huyett and C. Nevin Buchholz; trees, Wesley P. Huyett, chairman, William F. Engle and C. Nevin Buchholz; police and fire, Mayor John F. Ward, chairman, Charles K. Mervine, T. Curtis Flynn, C. Nevin Buchholz; health clinic, Miss Carolyn Cook, Dr. Dean Le Favor and Mayor John F. Ward.

Councilman Mervine offered a motion that appointments made by the Mayor be concurred in by borough council. The motion passed unanimously.

Subsequent motions were made and carried that the second Tuesday of every month be designated as the regular meeting night for council; the annual rental of the fire house was fixed; bonds were ordered renewed for the collector-treasurer, overseer of the poor, constables, clerk, building inspector and water company and the First Camden National Bank and the Cinnaminson Bank and Trust Company were named depositories for the ensuing year.

A beautiful basket of flowers from his friends was presented to Mayor John F. Ward during the meeting.

Mayor Ward's Address

Mayor Ward addressed the assemblage and expressed his appreciation for being returned to office. Unlike many public officials occupying non-paying posts in government circles, Mayor Ward stated that he did not want expressions of sympathy. He stated that he knew what he was doing when he ran for office, he asked for the privilege of serving, he got it, and will try to give the community the best that is in him while he has it. He complimented his council and stated that he felt that all were very sincere in performing the tasks assigned to them. The members of Palmyra Borough Council, he stated, have attended League of Municipalities meetings and have endeavored to keep themselves informed in the newer methods of administering borough affairs. The Mayor said that he felt that Palmyra Council as a whole, was better informed than most similar organizations.

Commendation

Mayor Ward commended the clerk, George J. Spencer, and cited his devotion to the Borough of Palmyra.

complaints were forthcoming concerning the administration of relief and that he had personally investigated a number of them, he has not found a single example where consideration and relief was not given to honest cases.

Councilman Mervine spoke briefly on the present sewer extension project and stated that the ultimate benefits would be a healthier town in which to live and increased revenues because of its installation.

Financial Condition

Councilman Buchholz spoke on the financial condition of the borough and assured those present that the borough was in sound financial condition and that the collection of taxes amounted to more than 100 per cent of the levy, this collection being made possible by the increased collection of back taxes. Councilman Buchholz stated that the credit of the borough had improved appreciably during the year. He asserted that one of the best ways to improve the financial condition of the borough would be to have more families move into town and increase the tax spread.

Councilman Engle took the floor and thanked the voters for returning him to office. He said that a new application for a WPA project has been made for this year's program and added that he felt the people of Palmyra had a safe and conservative borough government.

Building Code

Councilman Wright spoke about the new building code and stated that it had been given careful consideration and should meet the growing needs of the community for many years to come without further amendment. He remarked that much progress had been made in the demolition projects during the past year and that there was more to do. He commended the work of building inspector King, asserting that he has been giving the borough a real job.

Councilman Flynn said that the borough had completed a fine public park system and that no further big improvements are contemplated. All that remains to do is to properly maintain them and make them attractive that the citizens may enjoy to the fullest, every possible advantage they offer. Mr. Flynn stated that he hoped to have erected a rest room at the park but for the present it is too expensive for consideration this year.

Lighting

Reporting for the lighting, Mr. Flynn asserted that the lighting system was very good and while he recognized the fact that more lights were needed in some spots, his committee had tried, in the interest of economy, to keep the cost at a minimum. He said that he was glad to report that the 1937 lighting bill was the smallest the borough had had in many years.

Councilman Huyett went on record with the briefest address of the day by repeating what the Mayor had stated that "only God can make a tree," but he had planted lots of them and hoped that, in the near future, the borough would be enhanced by fine shade trees.

Solicitor Albert McCay stated that he was grateful for his appointment as borough solicitor and believed that a solicitor's first responsibility is to keep his client out of court and that he has worked toward this end continually.

Assessor Hartley spoke and expressed regret that more citizens were not present at the organization meeting to hear the various reports of committees and department heads.

Chief Beck

Chief C. Morris Beck stated that the police had a successful year and by successful he meant appreciable absence of criminal cases of major importance. During the year there was but one house entry and one service station holdup with small sums lost.

Chief Geddes, of the fire company spoke briefly and stated that his organization has the interest of Palmyra people at heart.

Collector Griscom remarked he was glad to report collections better this year than in recent years.

Relief Director George N. Wimer stated that his department had tried very hard to keep the relief bill in Palmyra at a minimum. He said that worthy cases had received aid from the borough and that no persons honestly in need were permitted to go hungry and without shelter and warmth during the year. He re-

HEATING PROBLEM AGAIN DISCUSSED

Exhaust Fan Being Used at Riverton School in New Part of Building

Arthur H. Burns, chairman of the property committee, reported at the regular meeting of the Riverton Board of Education held Monday night, that he is conducting tests with a temporary exhaust fan in the new section of the public school building in order to provide better heat distribution.

Mrs. Marion R. Elwell, chairman of the educational committee moved that Mrs. Vera Sarka be employed to substitute during the second semester for Miss Gardiner. The motion was carried by the board.

A letter was read from the Department of Public Instruction citing a new law that provides for the organization meeting of the board to be held on the first Monday following the annual meeting in February.

Terms Expiring

The terms of the board members expire this year as follows: Mrs. Marion R. Elwell, full three year term; Walter K. Woolman, full three year term; Hilton M. Smith, full three year term; Dr. J. Rowland Dey, unexpired two year term and Richard M. Woodward, unexpired one year term.

Hilton M. Smith, Dr. J. Rowland Dey and Richard M. Woodward have already signified their intention to run for election at the February meeting.

Miss Staman's Report

The supervising principal's report in part is as follows:

Absence during the month has been due to colds in most cases. We have one case of three-day measles and one of chicken pox to report, both developed during the holidays. 17 children have been sent to the school physician for special examination.

The usual Christmas activities were carried on. Gifts were made for parents in rooms from Kindergarten to eighth grade, in domestic science room, shop, and art room. Special arrangements were made for our Christmas play by the grades participating (1st, 2nd, and 3rd), and the Art Club. Christmas seals were sold in the school, canned goods collected for the Burlington County Children's Home and toys to be re-conditioned by the American Legion. Our Christmas play was successful and reflected credit on Miss Justice, Miss Evald and Miss Gardiner who trained the children, Mrs. Comegys who taught the music, and Mrs. Duer who supervised the work on the scenery. We were proud of our community carol singing under the Christmas trees on each floor during the week before Christmas. This constituted one of the nicest group exercises we have ever held.

FOOD FACTS

Do You Know That—

Hydroponics derived from the Greek word for water and labor is a term for growing crops in water cultures instead of soil.

Edmund Burke wrote "Milk is the first support of our childhood. The component parts of this are water, oil, and a sort of a very sweet salt called sugar of milk. All of these when blended have a great smoothness to the taste, and a relaxing quality to the skin."

Floating flour mills move along the Danube River in Roumania to wherever grain supplies are available.

Meats, especially pork and beef, will be more plentiful and lower priced in 1938, particularly in the latter part of the year, according to the U. S. Department of Agriculture. These "food facts" are compiled by the Division of Consumer Information, New Jersey State Department of Agriculture.

The majority of English words are of Saxon origin.

marked that he felt that it was a mistake in the administration of relief to provide any more than the bare necessities. Mr. Wimer stated that he felt this program had been instrumental in encouraging people to secure employment in order to better their own living conditions.

RIVERTON SCHOOL NOTES

The Riverton School Observer for December made its appearance recently and contains eight pages which are filled with news items about the school, essays, etc. It even has a lost and found column.

Jeanne Werner is editor and other members of her staff are:

Assistant editor, William Fleming; business manager, Richard Taylor; assistant business manager, Margaretta Smith; art editors, Richard Brown, Stanley Rielley; joke editor, Marjorie Cole; sport editors, Claire Keeley, Oliver Jacobs; printers, Ruth Henry, Charles Robinson; reporters, E. Conwell, J. Craig, K. Elwell, R. Fuller, L. Friday, P. Haberern, R. Henry, B. King, W. Lezenby, P. Mathews, G. Metzgar, C. Robinson, D. Robinson, D. Seelhorst, A. Showell, H. Smalley, R. Spickler, W. Swayne, R. Willis, F. Woodward.

P.-T.A. AIDS IN COLONY HOLIDAY

In a recent letter, Dr. C. T. Jones, superintendent of the Four Mile Colony at New Lisbon, thanked the Riverton Parent-Teacher Association for the 750 Christmas stockings which the organization sent to the boys at the colony. He said in part: "This has been done for so many years that the boys look forward to it nearly as much as they do Christmas, for, as you know, the stockings are distributed during the Christmas parties that are held on the day before, and Christmas eve. Christmas at the Colony this year was bigger and better than ever before."

Mrs. Thalberg King is chairman of the Christmas stocking committee of the P.-T.A., and on behalf of that organization, she publicly extends her appreciation to all those who so generously helped make and fill these stockings, namely:

YWCA NOTES

Annual Meeting

The annual meeting of the Burlington County YWCA will be held January 11th, at 1:00 o'clock, at Newlin's Restaurant, Moorestown. The general membership is invited. At the business meeting the members of the board of directors for the ensuing year will be announced. The program and policy for the year 1938 will be outlined by the president and presented for adoption. The speaker will be Mrs. Clayton Harcourt, chairman of the N. J. section of the Public Affairs Committee of the National Board YWCA. Her topic will be "The YWCA as a Social Force." Mrs. Harcourt is a resident of Ridgewood, N. J., and active in YWCA work throughout the state. Mrs. C. William Haines, of Masonville, is general chairman, assisted by Mrs. Eric Groesinger, of Pemberton, Mrs. C. S. Beckwith, of Pemberton, Miss Dorothy B. Sholl, of Burlington, and Mrs. Richard Eckman, of Mt. Holly.

Cinnaminson Public School, Delanco Public School, Farnum Public School, at Beverly; Mrs. Ralph Flower, Order Eastern Star, Palmyra; Palmyra High School, Palmyra Junior Woman's Club, Porch Club Juniors, Riverton; Riverton Parent-Teacher Association, Riverton Public School, Westfield Friends' School, Westfield Friends' Meeting. Publicity.

Riverton Yacht Club

There will be a meeting of the club at the home of Ogden Mattis, 200 Seventh street, Riverton, on Wednesday, January 12, at 8 o'clock. Commodore Dewees Showell hopes that a large number of members will plan to attend this first session of the New Year.

LAMON DIRECTOR OF FREEHOLDERS

(continued from page 1)

the selection of solicitor of the board. Stout nominated Christopher N. Peditto, of Palmyra and Church seconded. Jones countered with Lester Drenk, incumbent and Adams seconded.

Peditto Elected

The vote for this post was the same as that for clerk and Peditto was sworn into office.

The next resolution brought forth a question as to its legality by Freeholder Jones. It concerned the declaration of the post of acting superintendent of roads to be vacant and authorized the appointment of a road supervisor for a term of five years at a salary to be named by the board. This resolution was passed and the matter was referred to the solicitor for a written opinion.

Lewis A. MacFarland was elected to the position by the votes of Lamon, Church and Stout, with Adams and Jones deciding for the incumbent, Clifford Massey.

Unanimous

A novel note was injected into the proceedings as Walter T. Stewart was reappointed superintendent of the Hospital for the insane by a unanimous vote.

The same situation existed in the case of William J. Smith, who was named county fire marshal.

Business went back to the prior order of things as David Styer, of Bordentown, was named a member of the board of managers of Fairview, against the Jones-Adams candidate, Dr. Camerati, of Burlington.

Arthur Kimball, of Moorestown, received three votes for the post of superintendent of soldiers' and sailors' burials. Samuel I. French, of Mt. Holly, got the approval of Adams and Jones.

Other Appointments

Other appointments and resolutions which followed were: abolition of the office of assistant to the county treasurer and the creation of the post of clerk to the treasurer. A question of legality was also raised on this proposition, but Charles E. Adams was elected to the post for a term of one year. Edna Morris was defeated.

Charles B. Davidson, of Palmyra, was appointed special investigator and collector for the county treasurer, a position which he has held temporarily.

The office of the county engineer was ordered transferred to the department of bridges.

Ivins G. Wright, superintendent of the county almshouse was replaced by James C. McCormick, of Burlington.

The position of county electrician was declared to be no longer necessary and was abolished.

Nominations were not received for the positions of custodian of public buildings, physician for the almshouse and physician for the county jail.

In all these matters, Lamon, Stout and Church voted as a unit on one side, as did Adams and Jones on the other.

Departments

Department heads named by Director Lamon were as follows: highways, Stout; bridges, Church; buildings, Lamon; finance, Jones; public affairs, Adams.

When questioned by Freeholder Adams in respect to open meetings of the board, Director Lamon stated that these sessions would always be open and that he would just as soon have them in the armory where as many as possible could attend.

The freeholders who were starting another term in office were called upon by Director Lamon for remarks. Mr. Jones said that his primary and ultimate goal was always for the best interests of the county. He said that his heart went out to those who had been politically crucified and added that the same situation might have been said to exist three years ago, but that changes made at that time were for the best interests of the county and were effected in an effort to reduce the tax rate.

He expressed the desire that progress made in the next three years might be comparable to that made during the past three. He asserted that there wasn't a man in county employ who hadn't done his best

BOY SCOUT NEWS

Governor-Elect A. Harry Moore who was formerly president of the Jersey City Council, Boy Scouts of America, and at the present time is a member of the Region Two Committee, has extended an invitation to each Boy Scout Council in the state to appoint an Eagle Scout as the Governor's aides.

The Governor-Elect has invited these Scouts to form an official party at the inauguration and they will be the guests of the George Washington Council during their stay in Trenton.

President J. Aubrey Sutton of the Burlington County Council has accepted the invitation from Governor-Elect Moore and has appointed Eagle Scout Howard Mardin of Troop 29, of Maple Shade, as the Scout representative of the Eagle Scouts of the Council.

MANY THANKS

During the month of September, The New Era offered to send copies of the paper regularly to all college students whose parents were regular subscribers. This offer was accepted by a considerable number.

That this has been appreciated, is evidenced by the following gracious letter which was received recently from one of the students. An expression such as this makes The New Era feel more than amply repaid for the small cost involved.

Editor The New Era.

Dear Sir: I want to thank you for your gift of The New Era to college students. I have appreciated this so much. It makes me aware of everything that is happening in my home town which I miss through being away at school.

Thank you again,
Sincerely,
Miss — — — —

and concluded with the statement that he pledged everything in his power for the best interests of the county.

Stout Takes Floor

Freeholder Stout stated that he was glad to have the opportunity of serving his seventh term. He remarked that it was too bad that the board couldn't agree on all matters. He reviewed progress made in respect to county roads several years ago and asserted that considerable expenditure had been necessary in order to bring the system up to its present high standard. Much of this, he insisted had been completed by 1935, when expenditures began to drop and bonds were being paid off. The Dorrance money, said Mr. Stout materially helped in reducing the debt.

In closing, Mr. Stout said that he wants the tax rate kept as low as possible and that he intended to do his part for the best interests of the people.

There will be a special meeting of the board on Friday afternoon of this week.

YMCA BRIEFS

OCKANICKON DIRECTOR

The trustees of YMCA Camp Ockanickon, at their regular January meeting in Mt. Holly, Monday evening the 3rd, heard the report of a committee on a director for this coming season. It being the recommendation of this committee that now is the time to procure a permanent yearround man for this position, the trustees authorized the committee to proceed to interview qualified men. The committee is headed by Alex. L. Rogers, of Woodbury, an attorney. John W. Thacher, of Moorestown; Henry F. Stockwell, also of Moorestown; serving ex-officio, and Secretary Guy C. Hendry are Burlington county's representatives on this committee. John A. Levering represents Camden county, and Richard Applegate serves Monmouth county.

Rytex Printed Stationery

The Rytex Company has recently completed a new plant at Irvington, N. J.

This, in connection with The New Era system of mailing orders the same day they are received from you and delivering the same day they arrive from the factory, will assure more prompt service than ever before.

Stop in at The New Era Office and examine the new styles of Rytex Stationery. You will be amazed at the varied selection for only One Dollar per box.

THE NEW ERA, Inc.

Riverton

ABOUT TOWN

A considerable number of local residents attended the organization meeting of the Burlington County Board of Freeholders which was held last Monday afternoon.

Christmas decorations have begun to disappear, thus bringing to an end, for another year, the festive appearance of local communities.

With organization meetings over, local governing bodies now face the important task of budget preparation.

Just to end with a memory gem for the week, "income tax returns will soon be due."

ABOUT THE COUNTY

The firm of George W. Shaner & Sons, of Palmyra, was awarded the contract for the general construction work on a gymnasium building at the Pemberton High School. The price submitted was \$8,867.

Dr. Rebecca Lippincott, of Moorestown, was recently elected president of the Burlington County Soroptomist Club.

ENGAGED

Mr. and Mrs. Robert McCurdy, of 1109 Cinnaminson avenue, announce the engagement of their daughter Helen to William H. Kieme, of 330 Leconey avenue, Palmyra.

No date has been set for the wedding.

Service

The Snover Funeral Home offers a service, backed by years of experience, that is complete in every detail.

The use of the Funeral Home, with every modern appointment and convenience, adds nothing to the cost.

RIVERTON

Among those registered at Chalfonte-Haddon Hall recently were Mr. and Mrs. B. S. Mechling, Mr. and Mrs. J. W. Tile, Mr. and Mrs. R. M. Hollingshead and Mr. and Mrs. L. B. Jackson, all of Riverton.

John Tenhagen, of Detroit, Michigan, was the guest of Mrs. Otto Sauers on Sunday. Mr. Tenhagen is a former resident of Riverton.

The winners in the Sacred Heart P.T.A. Miscellaneous Club, on December 29, were Miss Katherine Downs, of Riverton, and Mrs. Abdill, of Morgan avenue.

The regular meeting of the Sacred Heart P.T.A. will be held in the school auditorium on Thursday, January 13, at 3 o'clock. The executive board will meet at 2.30.

Ralph Hubbs, son of Mr. and Mrs. Clarence Hubbs, has returned from the Zurbrugg Memorial Hospital where he underwent an operation for appendicitis recently.

Mrs. Charles Geelan, of Midway, entertained her Sunday school class from Central Baptist Church last Wednesday afternoon.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

Two great meetings will be held in the Methodist Church this Sunday. "A Faith for Today" is the title of a series of sermons to be delivered by the Rev. W. A. Boyd, minister of the church. These sermons are for men who want a faith by which they can live today. A faith that is honest and bold enough to face facts and govern the experiences of today. The series opens this Sunday morning with the first sermon on "The Meaning of Faith."

Sunday night will be China Night in our church. It is the second of "The International Nights." Miss Mary Johnson, direct from China, will give the address this evening. We all are interested in China in many ways. No person can speak on China so well as one who has been there and lived, with the Chinese.

Next Wednesday evening, the mid-week church service of praise, prayer and Bible study, will be resumed. "The Significance of Man" is the topic. The meeting begins at 8 o'clock.

Announcing the "Men's Fellowship" night, Thursday, January 13. Another good time, good fellowship and good eats, for every man that comes. Every man in the church is invited to come and bring another with him.

The men of the church will serve their annual turkey dinner, Thursday evening, February 24. Time and price of the dinner will be announced later.

The Greeks are said to have used coal more than 2,000 years ago.

LET US Simonize your car. Our service includes washing car, cleaning upholstery. Cars called for and delivered. We will do this job at your residence if desired. References furnished on request. A card will bring us to your door. \$4 and up. Harry Harnish, Route 41, King's Highway, Delaware Township, N. J. 1-6 to 1-13

PALMYRA

The Women's Auxiliary of Post Frederick M. Rodgers 156, American Legion, will meet on Tuesday, January 11, at 8 p.m., in the Legion Home.

Mrs. J. Windish, of Broad street was the winner in the P. O. of A. blanket club this week.

Walter K. Crane, a student at Washington College, and Robert K. Crane, a student at St. Andrew's Episcopal School, spent the holidays with their parents, Mr. and Mrs. Wilbur F. Crane, of Highland avenue.

Young people of high school age or over are cordially invited to attend the Young People's Epworth League of the Epworth M. E. Church at 7 o'clock each Sunday evening.

The YMCA Auxiliary will hold a covered dish luncheon on Thursday, January 13, at 1 o'clock. Mr. Thom, of Princeton, will be the speaker. The place of the luncheon will be announced later.

Mrs. C. W. Rudolph and Mrs. H. S. Guldin will entertain a number of friends at luncheon today (Thursday) at the home of Mrs. Rudolph.

Mrs. F. Rohland and daughter Anna, of Cinnaminson avenue, spent the holidays in Washington, D. C., visiting relatives.

Miss Blanche Clift, of Tioga, and Mr. and Mrs. Stanley Thomas and daughter Edith, of Narbeth, Pa., were among the guests at a family dinner at the home of Mr. and Mrs. George J. Seel, of Cinnaminson avenue, New Year's Day.

Charles Rohland, of Washington, D. C., visited his father, Fred Rohland, of Cinnaminson avenue, on Sunday.

DRESS SALE

The Agnes Dress Shop, Palmyra, is advertising its anniversary and clearance sale this week. Prices are severely cut on dresses in the various price classes. Read their advertisement in this issue and visit their shop and see for yourself these outstanding dress bargains.

Too often the fellow who has turned over a new leaf ends up by turning back to the front of the book to look at the pictures.

OBITUARIES

ABRAHAM KERN

Abraham Kern, died at the home of his granddaughter, Mrs. Frank Weigand, of 4505 Hurley street, Philadelphia, on December 22.

Funeral services were held from the Snover Funeral Home, the Rev. William A. Boyd officiating. Interment was made in the Palmyra Methodist Cemetery.

Mr. Kern is survived by a daughter, Mrs. Alice Walsh, of Philadelphia.

Mr. Kern was a former resident of Palmyra and was employed on the highway department.

Bridge, benefit of Riverton Library, auspices of The Porch Club, Porch Club building, Riverton.CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor

Services Sunday, January 9, 10.00 a.m.—Bible School. The school started the year of 1938 by excelling in attendance over a year ago. A fine beginning, may it continue. Let's not forget the strangers who come to our communities. Invite them to come along, that they too may share in the enjoyment that every one experiences in attending "Central Baptist."

11.15 a.m.—Morning Worship. Get the habit of staying to the morning worship immediately following the Bible School. Pastor's subject will be "Thy Kingdom Come," and will conclude the subjects during the Week of Prayer. The usual musical offerings and solos by the choir.

6.45 p.m.—All those of high school age, or who are interested in Young people, are invited to meet with the High School Young People's Group every Sunday at this hour, in the Sunday School room.

7.45 p.m.—Another good habit to acquire, and that is—attending the evening service. Lots of good will come from it. It will do you good, do the Pastor and choir a lot of good, and perhaps do your neighbor good the following week. Sermon subject, "Made In the Image of God."

Church of Christ, Scientist

"Sacrament" is the Lesson-Sermon subject for Sunday, January 9, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "The cup of blessing which we bless, is it not the communion of the blood of Christ? The bread which we break, is it not the communion of the body of Christ? (I Corinthians 10:16)

Among the Lesson-Sermon citations is the following from the Bible: "If ye love me, keep my commandments." (John 14:15)

The Lesson-Sermon also includes this passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To keep the commandments of our Master and follow his example, is our proper evidence of our gratitude for all that he has done." (p. 4)

NOTICE

Riverton, New Jersey.

The annual meeting of the stockholders of the Cinnaminson Bank and Trust Company will be held at its Banking House, on January 11, 1938, between the hours of 1 and 2 o'clock p.m., when and where an election will be held for directors to serve for the ensuing year and the transaction of such other business as may properly come before the meeting.

Howard B. Conover,
12-23 to 1-6 Secretary.

Purchase of land for federal forests was first authorized in 1911.

Marbles are more universally associated with boyhood than any other pastime.

NOTICE

With a number of new bicycles on the streets after Christmas, may I urge that parents caution their children against leaving their wheels for any extended period of time in public places without locking them. Leaving them unlocked is inviting danger of theft.

I would also advise that parents obtain the serial number of each bicycle and other important data which may be used by the police in the event that theft occurs.

Your cooperation in this matter will be appreciated.

William Gootee,
Chief, Riverton Police.

Twenty-three thousand miles of public highways have been built in China in the last five years.

LIGHT CONDITION

with

- 1—Modern I.E.S. Lamps
- 2—Additional electric outlets for convenient location of all your lamps

Lamps approved by the Illuminating Engineering Society diffuse light scientifically. They provide soft but adequate illumination over a wide radius. The light is "conditioned" for comfort in seeing. The Roseville Pottery Lamp, illustrated, is \$7.95 cash, \$6.95 if you trade in an old lamp. This and other I.E.S. lamps displayed at Public Service stores may be purchased on convenient terms with small carrying charge.

Additional electric outlets will make electricity available for lighting the "dark spots" in your home. See your electrical dealer about this.

THE PEOPLE'S COLUMN

Editor, The New Era,
Dear Sir:

A great number of our citizens read with regret the account of a 13 year old boy who was struck by an automobile while walking along the highway on Cinnaminson avenue several weeks ago. That his younger brother and sister accompanying him escaped is a miracle.

All of us who drive automobiles know how hard it is to see pedestrians walking at night. We all know how doubly hard it is to see pedestrians in wet or foggy weather. And a great many of us have at some time or other narrowly missed hitting people walking along the highways at night.

It seems to me that the responsibility for providing reasonable safety measures for everybody rests with the older folks and especially where the need for safety measures is so tragically demonstrated.

With Cinnaminson avenue being the only thoroughfare connecting the communities of Cinnaminson (Parry) and Palmyra it seems that a sidewalk, where none exists, of any material so long as it offers a good walking surface, particularly in wet weather, might prevent the recurrence of such accidents, along this particular highway.

A better system of street lights along the entire stretch from the Palmyra railroad station to Five Points, Parry, would undoubtedly reduce the hazard of the road and be very helpful to pedestrians.

This letter is in no sense a criticism of what has happened in the past—it is only my humble suggestion, that, if carried out might avoid future grief for an unknown number of citizens.

A New Era Reader.

ABOUT TIME

Time is something which we all have, but how we weave it into the web of life determines the pattern which we produce. It can be wasted and it can be made profitable. "I didn't have time" is a well-worn excuse, but there are many things about which we should take time. Here is a list which it is worth while thinking about: Take time to work—it is the price of success. Take time to think—it is the source of power. Take time to play—it is the secret of perpetual youth. Take time to read—it is the fountain of wisdom. Take time to worship—it is the highway to reverence. Take time to be friendly—it is the road to happiness. Take time to dream—it is hitching your wagon to a star. Take time to love and be loved—it is the privilege of the gods. Take time to look around—it is too short a day to be selfish. Take time to laugh—it is the music of the soul.

ENGAGED

Louis W. Jander, of 330 Horace avenue, Palmyra, announces the engagement of his daughter Marie to Edward C. Schill, son of Mr. and Mrs. Peter Schill, also of Palmyra. No date has been set for the wedding.

MAYOR BIDDLE STARTS NEW TERM

(continued from page 1)

again ask for the cooperation of all, and I would appreciate your attendance at our monthly meetings with any constructive suggestions that you may have.

"And, now I wish you continued happiness and prosperity for the year."

Appointments

Appointments made by Mayor Biddle for the current year, together with the members of the borough organization, are presented in a separate article in this issue of The New Era.

Councilman J. W. Sylvester was elected president of council by a unanimous vote.

The only other business transacted at the session was the rejection of an offer made for the lot located at 105 Bank avenue. This proposal was for \$1600 with the promise to construct a dwelling at a cost of not less than \$5000 by October 1 of this year.

Since the original price set by council for the property was \$2600, the members felt that the offer was not sufficiently large.

RADIO GARDEN CLUB PROGRAM

Continuing the series of broadcasts on house plants scheduled for January by the Radio Garden Club of the Agricultural Extension Service, Rutgers University, F. F. Rockwell, garden editor of the New York Times, will speak on Friday, January 7, on "A House Plant Budget for 1938." The program will be broadcast over WOR and other stations of the Mutual Broadcasting System at 2.15 p.m. and will be a presentation of the Federated Garden Clubs of New York State, Inc. "Controlling House Plant Pests" is the title of the talk to be given on Tuesday, January 11, at the same hour. Guest speaker will be Dr. C. C. Hamilton, associate entomologist at the New Jersey Agriculture Experiment Station.

ENGAGED

Mr. and Mrs. Leonard R. Baker, of 501 Garfield avenue, Palmyra, have announced the engagement of their daughter, Miss Cecelia Landis Baker, to E. Norman Moffit, of 818 Lincoln avenue, Palmyra.

Miss Baker is a graduate of Palmyra High School and attended the Pierce School, Philadelphia. Mr. Moffit also was graduated from Palmyra High School. He later finished Perkiomen Preparatory School and Gettysburg College, and is now a member of the faculty of the Paulsboro High School.

No date has been set for the wedding.

WEEKLY GAMES AT SACRED HEART

The second series of weekly games got under way on Monday night at the Sacred Heart school hall at Fourth street and Linden avenue, Riverton, with a large attendance. These popular games have created much enthusiasm, and many go home each Monday night with valuable rewards. On next Monday, a 56-piece fine china dinner set will be awarded, and the donation of 25 cents entitles the donor to play the entire 25 games. An award is made for each game.

This week awards were made to the following: Mrs. H. E. Cregier, hassock; H. E. Cregier, table lamp; Julia Wigmore, electric mantel clock; Eleanor Gallinet, salad bowl; W. Millinghausen, set cookie jars; Mae Headington, tapestry; Sid Headington, serving table; Mrs. Horace Richman, cocktail set; Frances Kemmerle, silk comfort; Mrs. E. Clare, console set; Harry Snyder, table cloth and scarfs; E. Buehler, rest cushion; Richard Fowler, 18 pound roaster; Mrs. J. Hallinan, kitchen set; Albert Yansick, Columbus ship model; Jack Weber, traveling bag; Mrs. Albert Schuler, 3-way floor lamp; Mrs. J. Ross, serving table; E. Kavanagh, hostess set; Winifred Brennan, console set; Mrs. B. Tracy, mantel clock; Ellen W. Brennan, 24 piece breakfast set.

Alley Gossip

Ladies' League

The Luckies and Murads held the same relative standing as each aggregation downed their opponents for three games.

High singles: Mrs. L. Baker, Cools, 178; Miss Denner, Murads, 167; Mrs. Long, Luckies, 167; Mrs. Henry, Kools, 155; Mrs. Zeller, Spuds, 140.

The standing:	W	L
Luckies	32	10
Murads	29	13
Kools	21	21
Camels	15	27
Spuds	15	27
Wings	14	28

K. of C. League

Gloucester took three games last week and assumed a two point advantage over Mt. Holly.

High singles: Sherman, Mt. Holly, 244; Lynch, Moorestown, 209; Sigman, Riverside, 233.

The standing:	W	L
Gloucester	22	11
Mt. Holly	20	13
Moorestown	18	15
Palmyra White	17	16
Riverside	17	16
Palmyra Blue	13	20
Palmyra Grey	13	20
Maple Shade	12	21

DELRAN YACHT CLUB

Nearly 100 members and guests of the Delran Yacht Club gathered in the club house at Wright's Point last Friday night, to welcome the New Year in the traditional fashion. Special decorations and lighting effects lent color to the occasion, with an orchestra providing music for dancing and entertainment.

The Ladies' Auxiliary served a bountiful buffet supper.

Under the leadership of Commodore Charles F. Voorhis, Delran Yacht Club is rapidly becoming a distinct factor in the social and recreational life of the community, and its success is already assured.

The New Year's eve party also served as a literal housewarming for a large new central heating system just completed and which permits full use of the entire building throughout the winter season.

CLASSES IN ESPERANTO

Miss Lidia Zamenhof, daughter of the founder of Esperanto, is spending several weeks in Philadelphia, where she will conduct classes.

Friday, January 7th, at 8 p.m., Miss Zamenhof will give a free talk at 219 S. Broad street, Philadelphia, and on Saturday evening she will give a free demonstration of how she teaches Esperanto, in the auditorium at the Friends Meeting House at 15th and Race streets.

Her Friday evening talk will be followed with one by Horace Holley, of New York, on "Civilizations Live and Die," under the auspices of the Baha'i Community, of Philadelphia.

JERSEY TOMATO SEED GOES TO MANY LANDS

Shipments of New Jersey certified tomato seed left this week for Georgia, Secretary W. H. Allen, State Department of Agriculture, announced recently. They will be used there in the first planting in March for the production of certified tomato plants.

Certified seed is of known parentage, with varieties adapted to New Jersey conditions. It must be true to type, free from disease, of good yielding strains and high germination potency.

Although the bulk of the New Jersey certified tomato seed is sent to Georgia, other shipments are exported to British South Africa, Australia, Porto Rico, Cuba and Mexico, and to all parts of the United States, Secretary Allen stated.

PORCH CLUB

On January 4th, Mr. Thomas Shaffer gave an interesting talk on National Affairs. The principal subject discussed was the present business recession and its contributing causes. A business meeting preceding the lecture was held at 2.30 p.m.

Eamon de Valera, Irish Free State president, was born in New York in 1882.

REFUNDING BONDS ARE AUTHORIZED

Two Ordinances Passed By Council at Final Session Of Past Year

Palmyra Borough Council passed two ordinances on final reading at the annual wind-up meeting of that body held in the council chamber last Wednesday night. One ordinance provided for the form and the other the authorization for the issuance of \$48,500 in refunding bonds. The bonds will mature \$5,000, each year except the last, which will be \$3,500, in 1947.

A letter from Hendrickson-Eastwood bidding 97, plus interest for the bonds was accepted by unanimous vote of the members present.

Two more resolutions were passed authorizing the issuance of bond anticipated notes in the amount of \$45,000 and the form of the notes themselves. These notes will be issued as needed, will bear 4½ per cent interest, and are issued to temporarily finance the present sewer extension project.

Compliments Spencer

The borough attorney Albert McCay complimented the borough clerk George Spencer for his helpful cooperation in preparing the papers necessary to complete the work in time to bring it within the time limit for 1937 business.

A letter was read from the Palmyra Woman's Club in which they stated that their program for 1938 included social service work for borderline welfare cases, that at present do not come under the care of the established welfare department. The letter stated that the club was successful in obtaining the services of Mrs. Frederick Blair of Riverton, who had agreed to devote not less than one afternoon per week on the project. The letter asked council for an appropriation of \$300 to carry on the work. No action was taken on this request.

Cacti As House Plants

The Christmas Cactus (Zygocactus truncatus), and Phyllocactus are both excellent possibilities, easily grown and bearing long enduring, brilliant flowers. They do well under ordinary house conditions in a well drained soil. It is not necessary to fill the pot entirely with soil, since both these cacti require only sufficient to permit the spreading of their roots. A soil that is light in texture is best since cacti are Xerophytic plants growing natively in dry and frequently arid positions where their roots are able to obtain a great deal of air. They will do well if planted in moss such as that used for orchids, or in a very light, well drained soil.

Cacti may be rooted from cuttings with very little difficulty, and with reasonable care and plenty of light they will make strong plants and produce lovely flowers. The hybrid forms are particularly attractive and may be obtained with flowers in all shades of red, in white, and in some of the yellow hues.

When choosing a cactus, select a plant that is of fairly good size, with branches well ripened. Give it a small amount of plant food and syringe it occasionally to keep the leaves free of dust. The soil should be kept dry except when the plants are growing actively, following the blooming season.

Cacti may be raised from seed, but it takes several years for them to bloom. It is most practical to obtain them from collectors of fancy plants and from florists.

Country Club Notes

BOWLING

Winter Tournament

The winter tournament began on Monday night of this week, with 12 teams engaging in a 42 game schedule.

The captains of the various entries are: J. D. Clark, J. S. Bartley, S. H. Bonsall, R. T. Elliott, D. B. Tyler, W. L. Hendrickson, J. Edward Lippincott, J. F. Jamison, R. J. Woods, W. S. Wilson, C. H. Yost and M. L. Smith.

The members of the bowling committee are, H. S. Coe, chairman; G. S. Hagstoz, R. J. Woods, J. C. Anderson and H. W. Stuart.

There will be a bowling party at the club this Friday evening at 7.30 o'clock.

FIVE STAR BOUTS ON ARMORY CARD

The second half of the 1937-38 wrestling season in the Camden Armory will get off to a good start, for the program which the Hanly Brothers have booked for Thursday night shows some of the outstanding toughest and roughest matmen in the business of bone cracking. Five bouts in all comprise the entire bill of fare and each set has the earmarks of a rough and tumble tussle.

Gino Garibaldi, Italian mat star who has been cutting capers with the best in the game in the last few months will attempt to add Wallie Dusek of Nebraska to his list of victims when they clash in the finale limited to 90 minutes, with the best two out of three falls to decide the winner.

George Koverly, free swinging Californian is in for a real battle when he stacks up against Wee Willie Davis of Virginia in the semi-final of one fall with a 30-minute time limit.

Another that will attract the eye of every fan, is the third fust between Rudy Dusek and Cliff Olsen which is also limited to a half hour. The other two 30 minute skirmishes will show Stanley Pinto opposing Bronko Valdez and Irish Jack Donovan mingling with Nick Campofreda in the curtain raiser.

PALMYRA MEETS MOORESTOWN NEXT

On Saturday night of this week, Palmyra High's court squad will attempt to break into the win column at the expense of Moorestown, when the Quakers invade the local floor. The Red and White has suffered reverses in the first two games, both of these being by narrow margins. Coach Dimond has had his squad hard at work for the past two weeks and expects that a more polished quintet will take the floor Saturday. A capacity crowd is expected to be on hand.

N. J. SAID TO BE "PROMISED LAND"

"New Jersey is the promised land . . . the pot of gold at the end of the rainbow."

So spoke Robert T. Bowman, of Trenton, chairman of the County Development committee of the New Jersey State Chamber of Commerce, Wednesday evening before the annual county-wide meeting of farmers and business men sponsored by the Mount Holly Rotary Club.

Mr. Bowman said in part: "The average Jerseyman does not appreciate the fact that during the first nine months of 1937 nearly eleven hundred new or reestablished businesses began operations in our state. More than 20,000 workers are employed by these firms, some employing as few as five, some several hundred."

Definite Reasons

"There are definite reasons why business men bring their plants to Jersey. Aside from our natural geographic advantage of being situated in the centre of America's greatest market, aside from the fact we have skilled, competent workers—there is a vital and compelling reason for this industrial migration."

"That reason is that industry here in New Jersey is free from that type of taxation and legislation which has driven manufacture out of states like Pennsylvania, Wisconsin, Michigan and many others."

"The greatest contribution the people of Jersey can make to the welfare of this state, is to prevent the exploitation of industry by the imposition of unfair and burdensome taxes."

In the early days of American settlement, sugar was shipped sewn up in palm leaf hats.

HOW ALMSHOUSE WILL LOOK

Architect's drawing of the proposed county institution at New Lisbon, which is designed to replace the structure destroyed by fire last year. The sketch, plans and specifications have been prepared by Colonel Hugh Kelly, the architect for the project.

NO BIDS MADE FOR LOCAL PROPERTY

Several Attend Sale Held By Local Borough But Fail To Give Offer

On Wednesday night of last week, a public sale of building lots owned by the Borough of Riverton failed to obtain an offer for any of the property in question, although a number of people who appeared interested in the matter attended the affair.

Walter Carson, borough attorney, informed the members of council that such a situation frequently existed at sales of this nature and advised that the governing body wait until definite offers were made before re-advertising the various parcels of ground.

The sale was held in connection with the final meeting of council for 1937.

Sewer Assessment

The report of the committee appointed to assess benefits and to determine damages in connection with the new sewer was rendered. This was accepted and the members, Alexander Shrader, David F. Gould and G. Rex Showell, were thanked by the board for their work.

The assessments per unit, against the various property owners who were benefited were as follows:

Thomas avenue, section, \$75.33; Front street, \$113.65; Second street, Elm and Morgan avenues, \$137.29.

The amount will be spread over a five-year period, if so desired, with interest at six per cent on the unpaid balance.

Letter to Askew

The borough clerk, Daniel M. Clifton, was instructed to write a letter of apology to the Askew Motor Co., of Riverton, in reference to a statement made at the last meeting of council in respect to the police car.

The members wished it understood that this statement was not authorized by them and did not have the sanction of council or the members of the police committee.

The matter of improving the operation of the traffic signal at Broad and Main streets was discussed and Councilman E. K. Merrill advised the members that an expert from the state motor vehicle department would visit Riverton and go over the situation in the near future.

Last for Two Members

At the close of the session, Edward K. Merrill and Gorham P. Sargent, retiring members, were thanked by Mayor Biddle for their fine work during the six-year period that they have served as councilmen.

The other members of the organization expressed similar sentiments and regrets that Messrs. Merrill and Sargent were leaving council.

The following bills were approved and ordered paid:

Ambulance Fund—Palmyra Ambulance Association	\$150.00
Borough Organization—Walter Carson, legal services and costs	351.23
Municipal Officers Association of South Jersey	1.00
Dr. H. Clifton, postage 1937	4.24
Clark, law and stamps	45.00

27—Thursday, 10.30 a.m.—French, Mrs. Harold Marshall.

31—Monday—Legislative luncheon, Trenton.

TRUCK ACCIDENT

BLOCKS HIGHWAY

Traffic was delayed for some time, at Five Points, last Wednesday night, when a huge trailer-truck, loaded with beer, upset after crashing into a pleasure car.

The mastodon of the road, owned by the Dalton Truck Company, of Virginia, collided with a car driven by Charles Canion, 3612 Spruce street, Philadelphia, shortly after nine o'clock, completely upsetting the truck and spilling bottles and barrels over the highway, and sending the car into a near-by ditch. Both vehicles were badly damaged, but none of the occupants were seriously injured.

Canion, driver of the car, was taken to the Zurburg Memorial Hospital, Riverside, for examination, but was later released. John Rock, of Balty, Va., driver of the truck, was uninjured but a helper riding with him suffered a severe cut of the hand. He was treated by a nearby physician. Miss Jeanette Sreth, 3434 N. Broad street, a passenger in the Canion automobile was also uninjured.

Chief of Police George Dorworth, of Cinnaminson, investigated.

ENGAGED

Mr. and Mrs. John W. Jack, of 29 West Stiles avenue, Collingswood, announce the engagement of their daughter Margaret to Edwin F. Friberg, of 118 West Fourth street, Palmyra. No date has been set for the wedding.

Mr. and Mrs. Earle J. Roray, of 313 Melrose avenue, have announced the engagement of their daughter, Henrietta Phoebe, to Robert A. Young, son of Mr. and Mrs. Samuel Young, of 408 Linden avenue, Riverton. No date has been set for the wedding.

Both Miss Roray and Mr. Young are graduates of Palmyra High School. No date has been set for the wedding.

THE PORCH CLUB

CAR INSPECTION STARTED MONDAY

State, County and Municipal Vehicles Are First in Station Lines

New Jersey's twenty-eight state-owned and operated motor vehicle safety inspection stations were officially opened by the Department of Motor Vehicles Monday morning, at 8.30 o'clock.

All the testing equipment has been installed and the crews have just finished two weeks of intensive training in readiness for the inspection of over a million registered motor vehicles. In most of the cities, appropriate dedication ceremonies have been arranged by the mayors and citizens' committees.

Motorists whose cars are slated for inspection the first week have already received their notices thru the mails. Arrangements have also been made to inspect all state, county and municipal motor vehicles during the coming week.

Many Visitors

The past two weeks have been given over to dealers, garagemen and repairmen who have flocked to the twenty-eight stations in droves for instruction and advice. Thousands of individuals have also driven their cars through the inspection lanes for preliminary, unofficial tests, the results of which have been most enlightening to both owners and the Motor Vehicle Department.

These unofficial tests, Commissioner Magee says, have provided an inkling of conditions to be found in vehicles once the inspection officially gets under way. Brand new cars, while mechanically good in most respects, have been found with headlights "shooting over the house-tops" the axle on another car of several years vintage was so loose that it could be moved several inches; while another car used extensively by a municipality was found to have no brakes at all on three wheels, while the fourth brake was only 50 per cent efficient.

The stations will be open from 8.30 a.m. to 5 p.m. daily.

OFFICERS NAMED BY DELAWARE FIRE COMPANY NO. 2

At a recent meeting of the members of Delaware Fire Co., No. 2, of East Riverton, the following officers were elected for the current year: J. C. Binder, president; William Oliver, vice president; Claude Bell, financial secretary; Andrew Oliver, recording secretary; Robert Fichter, treasurer; John Adams, chief; Charles Frank, first assistant chief; Claude Bell, second assistant chief. Trustees: Two year term, L. Ragena, V. Jensen; one year term, C. Frank, D. Van Bibber.

PALMYRA P.T.A. TO MEET TUESDAY

The regular meeting of the Palmyra Parent-Teacher Association will be held at the high school, Tuesday, January 18, at 8.15 p.m.

A special program of interest to all parents is scheduled. Parents will visit classes as it is Class Demonstration Night.

Everybody is welcome.

THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

49th Year No. 2

RIVERTON—PALMYRA, N. J., THURSDAY, JANUARY 13, 1938

PRICE FIVE CENTS

41 INDICTMENTS BY GRAND JURY

The Burlington County grand jury after convening on four occasions, returned 41 indictments last week to Judge Frank A. Hendrickson. Nine of these were ordered impounded by Prosecutor Howard Eastwood.

Included among the true bills were the cases of Mary and Charles Pratt, of Palmyra, who were charged with the possession and sale of illicit beverages.

CHRISTMAS SEAL SALES FOR 1937

Amount to \$150 More than Last Year at This Time; Still Short of Goal

Much interest has been shown in the 1937 Seal Sale in Burlington County, and generous support, given by clubs, organizations, industrial plants, school children and private individuals, has brought the amount collected to date \$4,780.00, which is an increase of more than \$150.00 over last year's amount at this time.

According to League officials, there are many persons who have either mislaid or forgotten the seals, and it is hoped that this reminder letter sent out by the Burlington County Tuberculosis League in November, and save the cost of a follow-up letter.

Probably the goal of \$5,500.00 will then be reached, and the health work in the county will continue as before.

Expresses Gratitude

Daisy S. Hollingshead, executive secretary of the Burlington County Tuberculosis League expresses the gratitude of the League members and her personal thanks for the co-operation of the people who have helped in any way.

In order to have the residents of a community know the amounts contributed the following list is appended:

Beverly	\$217.59
Bordentown	339.58
Brown's Mills	82.55
Burlington	443.83
Chatsworth	11.21
Columbus	72.28

NEEDED URGENTLY

Children's shoes. If they need repairing and are not too badly worn, this work can be taken care of. Kindly leave with Walter Shappell, Cinnaminson Avenue School, Palmyra, or with George N. Wimer, police station, Palmyra.

Your cooperation will be greatly appreciated.

George N. Wimer, Welfare Director.

MISS KATHARINE A. WELCH

IMPROVEMENTS AT LOCAL LAUNDRY

New Equipment Provides Even
Better Service to Patrons
Than Ever Before

During the past several weeks, extensive improvements have been made at the Riverton Laundry which have resulted in greatly increased efficiency and even better service to patrons than ever before.

One of the more important installations has been the addition of an International Fuel Saver water tube heating boiler, with automatic stoker. In connection with this most modern heating unit, a 70-foot stack has been erected, this having a diameter of 36 inches.

And what connection has this with improved service, you may ask. It is this, according to Mr. Kuensell, proprietor of the laundry: with the new equipment it is possible to maintain an even steam pressure at all times, under a minimum load. This, in turn, enables all ironing machinery to function in the most effective manner and assures a perfect finish on all types of garments.

No Smoke

With the new boiler and stack, all smoke is eliminated and this factor has been greatly appreciated by nearby residents. It is, in addition, a step which is being taken by a great number of plants.

While we are on the subject of ironers, Mr. Kuensell has recently purchased the most up-to-date machines of this type. These cost \$2,800 per unit and operate at a 125 pound steam pressure. A novel system of finger-tip control enables the operators to open or close the machines with a minimum of effort. To see the skilled employees of the local laundry take a shirt thru the cuff and binder, front and back ironer, sew on a button if necessary, fold neatly and have ready for the wearer in faultless condition—all in a very short space of time—is a spectacle to open the eyes of a casual observer.

In addition to the machines for shirts, there is also ironing equipment for various other kinds of clothes including apparatus for wash suits, socks, stockings and even one for chef's caps.

Wonderful System

Perhaps you have often wondered when you sent your clothes to the Riverton Laundry, just how they were handled and how you always managed to get the right ones back again. Here's how it is done.

After the clothes are weighed, one numbered key of the seven similarly numbered which are used in the key-tag system, is hooked to the laundry bag. Another is attached to each of the component groups into which your clothes are distributed: namely, white, silk, wool, socks, dresses and the last is left with the tag bearing your name. All clothes go through the wash with only a number.

Different Machines

The various lots go through different washing machines, since the time of washing, kind of soap and various other details are all different for the various kinds of clothes. Each lot of clothes occupies an individual compartment of the washer.

Meanwhile, the key with your tag on it has been transferred to the point where the clothes are assembled after being run through the drying equipment. Before it can be moved to other operations, all tags must be accounted for. The absence of one key means that all your clothes have not been finished and automatically prevents any shortage.

Have to Fit

Incidentally, all seven keys fit on a bar and are hung from hooks by this bar. To prevent keys being placed on the wrong bar, an ingenious system has been devised whereby keys bearing the number 156, for example, will fit only on a bar with the same number. The result is that no lots of clothes get mixed.

This same system is followed through the various ironing operations. At the present time, Mr. Kuensell stated that approximately 3,000 bags of laundry are received weekly. The number of pieces in each bag varies considerably, but it is safe to esti-

Celebrates Her 90th Birthday

Mrs. Annie Greer Waltram, mother of Mrs. William Letford, Palmyra, celebrated her 90th birthday on Monday with a group of about sixty friends and relatives.

Mrs. Waltram received many lovely cards, gifts and flowers, and showed that she was 90 years young by cutting the cake and serving it to her guests. She is in the best of health and attributes her long life to the absence of any serious illness. Mrs. Waltram was dressed in gray and looked as if she would follow in the footsteps of her long-lived family. Her paternal grandmother was 104 years of age.

Among those present was a delegation from the Needlework Guild including all the officers and the honorary president of the Palmyra branch. Four generations were present at the celebration.

Discuss Method Of Financing

(continued from page 1)

county, appeared before the board and presented three plans for the financing of the proposed almshouse.

These were as follows: (1) spreading the payment over a period of from 20 to 25 years, which Collins considered the most practical and economical; (2) paying for the building in four years, and (3) making the entire payment at once by using the cash surplus of the county.

In connection with the first two plans which involve the issuance of bonds, Mr. Collins recommended that his firm be authorized to make a complete survey of the county finances at a cost of \$1,000.

Result in Saving

He stated that similar surveys had been made for various other counties and municipalities and the data which he had compiled enabled those who issued bonds to obtain a much better price for them than if such information had not been available to prospective buyers. He felt that such work would pay good dividends to the county.

Freeholder Adams asserted that such a course was unnecessary in that similar data were already available in the quarterly debt statements, which are required to be submitted to the state and those would give sufficient information to prospective bidders on the county bonds.

In the vote which followed, the survey was authorized by a 3-2 decision, Adams and Jones comprising the minority.

Bond Issue

Mr. Adams then attacked the plan of spreading the cost of the almshouse over the 25 year period, stating that the county had over \$400,000 free surplus available at the close of 1937. (This figure was estimated to be at \$288,000 in the Collins report.)

Adams asserted that the money could be borrowed from the banks at a very low rate of interest and that this figure would be much less than that required for a bond issue. He further said that the county could pay cash for the new building and not increase the tax rate.

In reply to this, Mr. Collins stated that such a course would save interest, but would necessitate an increase in taxes. He advised leaving some of the surplus for reserve and remarked that the plan he recommended would assure the county the lowest tax rate and was more desirable for the people.

Mr. Adams and Mr. Collins then engaged in a discussion as to whether the almshouse could be paid for in cash without increasing taxes, Adams saying that it could, and Collins that it could not. This apparently ended in a draw.

Lamon's Statement

Director Lamon said that every mate that several hundred thousand articles of wearing apparel are laundered each week.

To return these to the proper owner presents a task of considerable magnitude, as you might well imagine, but with the system employed at the Riverton Laundry it becomes very simple provided you know how to do it, as Mr. Kuensell and his 32 employees seem to perfectly, we might add.

one was entitled to his opinion on the matter. He stated that he felt it was right and proper to amortize the project over a period of 20 to 25 years.

Final action was not taken at the meeting. In connection with the financial question, there was also a lengthy discussion between Collins and Adams in respect to a previous survey made for the county by the firm of the former. The cost of this, including printing of the bonds and the various advertisements, was taken care of by the brokers in return for the privilege of buying certain bonds at a premium. Adams said that this didn't cost the county one penny.

No Appointments

Freeholder Adams nominated Frank Reynolds, incumbent, for the post of custodian of buildings. This

was voted to be laid over for future action, the decision being another of those common 3-2 affairs. Similar action was taken on the nomination of Dr. John S. Conroy for the position of physician to the county jail and also to the almshouse. Both motions were sponsored by Adams.

BIRTH

Mr. and Mrs. William Russell, of 108 East Pearl street, Burlington, are receiving congratulations on the birth of a daughter, Mary Ann, on January 5, at the Mary Haas Robbins Maternity Home.

Tourist (in Yellowstone Park): "Those Indians have a blood-curdling yell."

Guide: "Yes, ma'am; every one of 'em is a college graduate."—Exchange.

Westfield Friends' School

On Thursday, January 13th, the children of Westfield Friends' will visit Deere's Nursery to observe the winter care of seeds and plants as part of their science work. The third and fourth grades will be particularly interested in considering the kinds of work that are necessary for such an industry, in as much as their theme for the year in social studies is the "Progress of Civilization Through Man's Work." The second grade will be interested in the trip from still another angle since they are studying "Community Life" and will be alert to see the values of such an industry as Deere's Nursery in our community.

ANNOUNCING . . .

Additional Floor Area in our Laundry!
New Steam Power and Boiler Equipment!
New Shirt Ironing Equipment!

ALL TO BETTER SERVE OUR CUSTOMERS

A CORNER IN OUR SHIRT IRONING DEPARTMENT

Pictured here is an operator at a new shirt ironing machine which irons collar and cuffs in a few seconds, behind her another machine irons the front and back of the shirt and still a third machine irons the sleeves. Such speed and perfect workmanship enables us to launder shirts to a snowy whiteness and deliver them ironed and ready to wear at very reasonable prices.

E. N. COOPER IS COUNCIL OFFICIAL

Local Man Named Vice President of County Boy Scout Organization

Major J. Aubrey Sutton, of Moorestown, was re-elected president of the Burlington County Council, Boy Scouts of America, at the twelfth annual meeting of the organization, held in the Moorestown Community House, Monday evening. A dinner preceded the annual session.

Other officers who were re-elected are: E. Newbold Cooper, of Riverton, vice president; former mayor Harold V. Holmes, of Burlington, treasurer.

E. A. Mechling, vice president for the past several years, became chairman of the advisory board, succeeding George deB. Keim, who recently resigned due to the pressure of business. G. Lloyd Cowan, Jr., of Edgewater Park, was chosen vice president as Mechling's successor, and Reginald Gill, of Beverly, succeeded Walter Krall of Roehling, Dr. William J. Carrington, of Atlantic City, spoke on the "Contribution That the Youth is Making Towards World Peace."

Makes Presentation

Three highly prized Scout Awards were presented by Mr. Cooper. Major Sutton received the Silver Beaver Award which is made for distinguished service to boyhood within the jurisdiction of the Council. Walter Krall, of Roehling, was presented with the Boy Scout statuette in appreciation for his services, and the Scouter Training Award Key went to V. Larwood Caldwell, of Delanco, in recognition of his service in training courses and camp and council work.

Prosecutor Howard Eastwood was the toastmaster, and the invocation was by the Rev. E. L. Sanford, II, rector of the Trinity Episcopal Church, Moorestown.

Committees

J. W. Thacher, of Moorestown, was chairman of the banquet committee. Other members were: H. T. Greenwood, Jr., of Moorestown; H. V. Holmes, of Burlington; Clarence Norcross, of Beverly; Robert Wood, of Moorestown; George W. Lippincott, of Mt. Holly; William C. Coles, Jr., of Moorestown; David Styer, of Bordentown; and Richard Devereux, of Burlington.

CAMERON BECK TO BE GUEST SPEAKER

Cameron Beck, of the New York Stock Exchange, will speak at the Burlington High School Friday evening, January 14, at 8 o'clock, on "Leadership for Tomorrow," at a free public meeting. Cooperating are the parent-teacher associations of Burlington county and the YMCA. Invitations are also going to P.T.A. and YMCA members throughout the county.

According to reports Mr. Beck is dynamic and inspiring as a speaker. He is the director of the New York Stock Exchange Institute, formerly the Stock Exchange personnel director and is one of America's best known speakers, who, in recent years, has addressed over 5,000,000 people from coast to coast.

In past years, on schedules arranged by Secretary Guy C. Hendry, of the County YMCA, Mr. Beck has spoken in most of the high schools of the county and at many commencements. Last week he made several addresses in and around Boston. His address on Friday evening the 14th, will be his only speaking appointment on this visit to Burlington county.

Prior to 1890 designs for paper money issued by the United States Treasury were changed frequently.

CHARTER LUNCHEON
OF WOMAN'S CLUB

On Monday afternoon, January 17th, at 1 o'clock, the Woman's Club of Palmyra will hold their annual charter luncheon in the club room in Society Hall. All luncheon reservations must be made to Mrs. R. E. Sanford, Riverton 555-J not later than January 14th.

Dr. Frederick W. Griffin, rector of the First Unitarian Church, of Philadelphia, will be our guest speaker. His topic will be "Pedlar's Progress, the Life of Bronson Alcott." Those of our members who had the privilege to attend the spring convention, in Atlantic City, will recall Dr. Griffin's wonderful lecture on "Think." We feel sure that a great treat is again in store for us.

We will also have as our guest Mrs. D. Truman Stackhouse, our first district vice president.

May we not make this the banner day of the year?

Evelyn Weart,
Publicity Chairman.

BANK OFFICIALS

NAMED FOR YEAR

At the annual meeting of the Cinnaminson Bank and Trust Company held on Tuesday afternoon of this week, Earl L. Williams was re-elected president and trust officer of the institution. Howard B. Conover was re-elected secretary-treasurer and Edmund S. Holmes and Charles S. Mills were named vice presidents.

The board of directors for the current year is as follows: Howard B. Conover, George C. Frank, John F. Hackett, Arthur C. Haines, William A. Hendrickson, Edmund S. Holmes, Charles S. Mills, Howard M. Rogers, James T. Weart, Earl L. Williams.

Other officers elected were: H. J. Kemmerle, assistant treasurer; Morris H. DeCoursey, assistant secretary; Marie I. Wiseman, assistant trust officer.

WEEKLY GAMES

AT SACRED HEART

Mrs. John Griffinburg was the recipient of the 54-piece dinner set awarded at the weekly games at the Sacred Heart school hall this week. Many other handsome prizes were awarded in addition to special prizes among which were the following:

William Brumbaugh, 3-piece console set; Jean Fabritore, 24-piece breakfast set; R. Stroblein, 3-tier chrome table; Pearl Eagans, drip-olator and whistling teapot; H. Cregier, 3-section table; John N. Hullings, maple chair; John Broderick, traveling bag; Mrs. B. Tracy, ball bearing sweeper; Winnifred Russell, pair modernistic lamps; Richard Fowler, lady's overnight bag and pair boudoir lamps; Martin Casey, hand painted card table; Mrs. S. Polis, 3-piece kitchen set and life size Charlie McCarthy; William J. Leysen, fernery; F. H. Haines, salad bowl set; Morris Beck, leather seat chair and 12-piece hostess set; George W. Peacock, comfort.

Special Next Week

As a special award, a walnut dressing table and bench will be given away at the games next Monday evening.

PALMYRA

Misses Eleanor and Thelma Gamble, Irene Renner, Blanche Kuenzell, Mary Kercher, Carrie Bates, Mrs. Earl Northrop, George Kennedy, Edmund Turnock, Thalberg King, Clifford Johnson and William Kercher, were among the Palmyra representatives at the Trenton District Epworth League rally held in Florence, last Saturday.

The women's auxiliary of the Palmyra-Riverton YMCA will hold a covered dish luncheon at the home of Mrs. Clarence Yerkes, of 202 Linden avenue, today (Thursday), January 13. Edward R. Tomb, of Princeton, associate secretary of the state YMCA staff, will be the speaker. Howard G. Taylor, Jr., and Guy C. Hendry, of the county YMCA will be guests.

Mr. and Mrs. Frank Bus, of Broad street, celebrated their silver wedding anniversary on Sunday, January 9. A number of friends and relatives were present at a dinner in honor of the couple.

Mrs. Annie Carroll, of Baltimore, formerly of Broad and Vine streets, Palmyra, visited Mrs. A. B. Powell on Thursday.

Mrs. H. Denelabeck, of 28 Rowland street, was the winner in P. O. of A. blanket club last week.

The Boy Scout Mothers Association held its regular meeting and election of officers last Thursday afternoon in the Epworth M. E. Church, at which time Mrs. Ernest Senior, of Garfield avenue, was elected president.

PALMYRA AGAIN
BOWS TO CATHOLIC

Palmyra lost its second engagement of the season to Camden Catholic in a hard-fought encounter, on Tuesday night of this week, the affair, which was played at Convention Hall, resulting in a 38-35 decision for the opposition.

The locals started with a rush and were out in front by the count of 23-13 when the first half ended. Camden came back strong in the third quarter, however, and went to the fore within a few minutes of the end of hostilities, the score at this time being 34-33.

Lead Changes

With the game within a minute of the time limit, the Red and White forged ahead 35-34, but Camden was fortunate in being able to ring in a pair of field goals to annex the decision.

In both encounters with the Irish, Palmyra has played a stellar card game and, on each occasion, their opponents were able to come out on top as a result of points made in the last few seconds.

ABOUT TOWN

Municipal cars and trucks belonging to local communities were among the first vehicles to be tested at the state auto inspection stations during the first part of the week.

The snowfall of Monday afternoon amounted to 1/596 inches, according to local weather bureau figures. But on Tuesday—that was a different story altogether.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

"What Religion Is and Does" is the title of the sermon the Rev. W. A. Boyd will bring to the church this Sunday morning, January 16, at 11 o'clock. This is the second sermon in the series "A Faith for Today." Here again, there is much confusion in the thinking of a great many people about religion. What religion should do and what it is doing, is also a question of live interest to a great many people. What is the thought on religion today? Here is a subject of very great importance to all religious thinkers.

The Glee Club from the Borden-town Industrial School for Colored People, will provide the musical program this Sunday evening. Dr. W. B. Valentine, president of the school will be the speaker. This will be a service of unique importance. "David and the Kingdom Ideal" is the lesson for the Praise, Prayer and Study Hour, Wednesday evening at 8 o'clock. It is a long step from Sunday to Sunday. This meeting helps one over the long highway of six days' work and play.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services, Sunday, January 16. The members of the Bible school are certainly to be commended for their attendance. The interest shown forecasts a successful New Year. The school starts promptly at 10 o'clock.

11.15 a.m. Morning worship. "Freedom for Life," will be the subject of the morning sermon. 6.45 p.m. The High School Young People's Group hold helpful meetings in the Sunday School room. 7.45 p.m. Evening worship. The Philathea Class of the Bible School will attend the evening service in a body, as a part of the celebration of their 28th anniversary. Appropriate for this occasion, the pastor will have as his subject, "Philathea, Lovers of Truth."

The annual meeting of the church will be held in the social hall on Wednesday evening, January 19th. Dinner will be served at 6.30, and will be followed by a devotional meeting, after which the reports for the year, election of officers, and business of the church will be transacted.

Church of Christ, Scientist

"Life" is the lesson-sermon subject for Sunday, January 16, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "In the beginning was the Word, and the Word was with God, and the Word was God. . . . In him was life; and the life was the light of men." (John 1:14).

Among the lesson-sermon citations is the following from the Bible: "For with thee is the fountain of life: in thy light shall we see light." (Psalm 36:9).

The lesson-sermon also includes this passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is divine Life, and Life is no more confined to the forms which reflect it than substance is in its shadow. Life is Mind, the creator reflected in His creations" (p. 331).

Wesleyan Men's
Bible Class

Last Sunday the Wesleyan service proved quite interesting and unusual. The Sunday School lesson was used as the subject, but presented in two parts. The first part, "The Preaching of John the Baptist," by Mr. Poinsett; the second part, "Jesus' Entrance Upon His Ministry," by Dr. Bickerton. As this was the first time a subject has been handled in this manner, it was questioned as to the results, however, all agreed that the idea was a good one. The soloist, Miss Thora Jonassen, of Philadelphia, was greatly appreciated. Next Sunday the message by Mr. Poinsett containing the regular lesson series and, as an added feature, a male quartet from the Bethany Temple Presbyterian Church, of Philadelphia, will assist.

Men, you are welcome to this and every service, regardless of age or denomination. Only one hour beginning promptly at 9.50, Epworth M. E. Church.

RIVERTON

Mr. and Mrs. George R. Conover and son sailed last Friday for a holiday in Nassau.

The winners in the January 5 drawing of the Sacred Heart miscellaneous club were Mrs. Ethel Stroblein, of 900 Washington avenue and Mrs. Edward Wallace, of Main street.

Miss Patience Northrop, of 221 Thomas avenue, will entertain the members of the Shining Hour Class, of Epworth M. E. Church, on Friday evening.

Dr. Alexander C. Purdy will lecture at the Westfield Friends' School on Sunday, January 16, at 7.30 p.m. The public is cordially invited.

Young people of high school age are cordially invited to attend the Young People's League of the Epworth M. E. Church which meets on Sunday evenings at 7 o'clock. Mr. Hoffman, of the Palmyra High School faculty, will be the speaker this Sunday.

COMING EVENTS

Monday, January 17—
Meeting, Riverton P.T.A., school auditorium, 8 p.m.Tuesday, January 18—
Meeting, Palmyra P.T.A., high school, 8 p.m.Wednesday, January 19—
Meeting and luncheon, Burlington County Council, P.T.A., program begins at 10 a.m., Riverton public school.Monday, January 24—
Basketball, Interborough League, high school gym, Palmyra, three games.

MAYOR J. F. WARD
AT POLICE COURTTraffic Violators Arraigned
Before Head of Palmyra
Governing Body

Since January 7, those who have been arrested in Palmyra for violations of the motor vehicle law have been arraigned before Mayor John F. Ward, who has presided over the court.

Cases heard recently for careless driving and passing stop streets included the following:

Herman Margolitz, 1536 Mt. Ephraim avenue, Camden; Pasquale De Carlo, 926 S. Fifth street, Camden; T. S. Klein, 28 E. Holly avenue, Oaklyn; George T. Fullerton, 2911 Cleveland avenue, Camden; George E. Bass, 633 Cedar street, Camden; John Shultz, 2275 57th street, Philadelphia.

Arrested January 10

E. Broncone, 235 Bridgeboro st., Riverside; H. J. Gruetorich, White Horse Pike, Berlin; Thomas L. White, 432 N Third street, Camden; T. R. Van Horn, 1313 Mt. Ephraim avenue, Camden; Fred Hughes, 604 Delaware avenue, Riverside; Joseph Marchese, 1467 S. Fourth street, Camden; James Licci, 1227 Tree street, Philadelphia; S. M. Swartley, 118 Fern avenue, Collingswood.

K. OF C. CARD
PARTY JAN. 21

The Knights of Columbus will give their first card and game party of the season on Friday evening, January 21st at the K. of C. Hall, Broad street and Elm avenue.

Mrs. John N. Hallinan is sponsoring this affair and has an able number of ladies to assist her committee to make this party an outstanding event.

The committee is now gathering prizes and, since this is the first of the winter season, some very handsome articles will be awarded.

Refreshments will be served and a door prize will be awarded. Bridge, Pinochle, Five Hundred and other games will be played and the donation will be 35 cents.

NOX CUM LIBRIS
AT CLUB MEETING

The regular meeting of the Palmyra Junior Woman's Club will be held in Society Hall Monday evening, January 17, at 8 o'clock.

The program, which is in charge of Lisa Lotta Stein, is entitled "Nox Cum Libris" or "A Night with the Books." Anyone who has ever heard or seen a program conducted by Miss Stein needs no persuasion to come out and hear the affair under her leadership this Monday evening, but for those who have not, we strongly urge you to come and bring your friends. We are sure her programs will prove very interesting and we do not want you to be among the missing.

F. V. Stephens,
Publicity Chairman.SCOUT MOTHS ELECT
MRS. ERNEST SENIOR

The regular meeting of the Boy Scout Mothers Association was held on January 6, at the M. E. Church, and election of officers took place. Mrs. Ernest Senior was elected president.

Mothers and friends of the Boy Scouts are urged to assist our new president and help boost our association during the New Year so it will be almost 100%.

Notice for February's meeting will be given at a later date.
Publicity Committee.

PALMYRA DOWNS QUAKER QUINTET

Red and White Rallies in Last
Half as Close Guarding
Features Fray

Palmyra played its first Burlington
County League court contest, last
Saturday night on the local floor
and turned in the first win of the
season at the expense of the Moorestown
High quintet, the score being
26-14.

Every inch of space available was
taken by the several hundred spectators
who viewed the proceedings.
The fracas started off in a conservative
manner, with both teams
playing cautiously, with the result
that the count read 2-2 at the end
of the first quarter.

Defense Good
This defensive game went on until
the end of the half, the locals being
out in front by a score of 5-3 at this
time. Moorestown's game appeared
to be built around a passing play be-
tween the two guards aft the foul
line, with a toss to either forward
or center, if and when one shook
loose from the tenacious Palmyra
guards.

When this failed, the Quakers re-
sorted to long shots which seldom
reached the mark.
Palmyra appeared content to play
this sort of game during the first
half, allowing the opposition to make
the leads. When the third period
opened, however, the Red and White
took off their wraps and went to
work.

Scoring Starts
After Rothbaum converted a foul,
Baker cut the cords with a long toss
and the former rifled in another
double-decker. Marshall followed
suit and Hubbs kept things going
with a neat heave from close in.
Baker converted another free throw,
annexed another doubleton and
Rothbaum completed the rout with
his third field goal.

This savage drive completely be-
wildered the opposition and the final
frame saw the locals coasting along
with a comfortable advantage.
Marshall and Rothbaum scored
three times from the floor, while
Baker tallied twice in this manner
and converted three out of four
charity throws.

Juniors Lose
The junior varsity lost to the
Moorestown reserves by the score
of 22-13 in the opening encounter
of the evening.

Mrs. Story	2	4

Interclub League
 Tonight (Thursday) Riverton
Green will bowl the Overbrook
Green on the local alleys in games
which will have a distinct bearing
on the first half championship of the
league.

Riverton is now out in front of
the runner-up Old York Road Blues
by two points. Should the locals
win all three, their rivals must be
content with second place honors
even if they annex a similar num-
ber of victories.

Overbrook Green is at the top
of the second division and will no
doubt make a desperate attempt to
silence the heavy artillery of the
local pin-toppers, but advance in-
dications seem to forecast a win for
Riverton.

COURT LEAGUE TO START ON JAN. 24

Six Teams Entered in Race:
 Three Games Each Week;
 Easley Referee

Basketball fans are assured of a
splendid opportunity of seeing their
favorite local stars perform on the
court, when the Interborough
League swings into action, on Mon-
day evening, January 24, when three
games will be played in the high
school gymnasium, Palmyra.
 The first encounter will start at
7 o'clock, with the others following
at 8 and 9 p.m.
 There are six teams entered in
the loop and the present schedule
calls for a slate of five games, with
a playoff at the end of the regular
season.

Teams Entered
 The organizations entered in the
league, with their respective man-
agers are as follows:
 Artisans, Walter Poulson; Palmyra
5 and 10, Dick Steedle; Trojans,
Edward Humes; Millside, Raymond
Zink; Pal's Club, Jack Shea; K. of
C., William McDermott.

The various managers are report-
ed to have scoured the local com-
munities for all available talent and
fans may expect to be treated to a
stellar brand of basketball.

Easley to Officiate
 The loop officials feel that they
have been particularly fortunate in
securing the services of Jack Easley
as referee. Mr. Easley knows the
court game from A to Z, having
played at Palmyra High, Temple
University and been a member of
the champion Turner cast for sev-
eral seasons.

Jack can be expected to keep
things moving at a rapid pace and
his presence on the floor will assure
all organizations of impartial treat-
ment from the official standpoint.
 A nominal fee of 10c will be
charged for admission. This small
sum will cover all three games each
night and will only cover the nec-
essary expenses of operating the
league.

Officials hope that a goodly crowd
will be present on the opening night.

damage had been done to the plate glass windows and that previous requests for police cooperation had been ignored. A motion was passed instructing the police to put a stop to the practice. Mayor Ward stated that the public park was the place to play baseball and a few squares walk to the park would do their legs good.

Parking

Councilman Flynn again brought up the question of parking in the central business section and, after considerable discussion, it was decided to invite the merchants in this area to attend a meeting to be held in the council chamber Monday, January 17, at 7 p.m. At this time informal discussion of parking regulations will be held and the merchants will be given an opportunity to express their views before any regulation is provided by council.

Relief Director Wimer reported for the month ending December 31, 21 cases covering 86 persons. The relief expenditures for the month were \$562.49 as against \$258.07 for the month of November. Need for relief is on the increase and the director stated that he expected it to be even heavier in the next few months.

Director Wimer reported progress in the Riverside clinic for social diseases and stated that in his opinion the town would benefit greatly thru its operation. The sewing project contract submitted by Mrs. Kelly was signed by council for the ensuing year.

49th Year No. 3

COUNCIL APPROVES BUDGET FOR YEAR

Slashes Made in Numerous Departments to Maintain Low Tax Rate

At a meeting held last Thursday night, the Riverton Borough Council approved its budget for the current fiscal year, this requiring the sum of \$33,337.61 to be raised by taxation for conduct of municipal affairs.

Due to the fact that estimated receipts will be less, because of smaller payments from the state on gross receipts taxes, and that the assessed valuation is about \$60,000 less than last year, appropriations for several departments were reduced in order to prevent a rise in the tax rate.

Cuts Made
The sum of \$200 was lopped from the police appropriation and the borough property allotment received a similar cut.

Other decreases from 1937 appropriations were: printing, \$50; Fourth of July, \$100; insurance, \$100; elections, \$50, and highways, \$500.

Increases, that were granted because of urgent necessity, included a \$500 jump for welfare and one of \$100 for street lighting.

Temporary Appropriation
Other business transacted at the meeting, included the adoption of a temporary budget to provide funds until the regular budget could be established.

Councilman J. W. Sylvester, chairman of the highway committee, reported that Front street had been graded between Lippincott and Morgan avenues and that this stretch had also been resurfaced.

The gutters on Cinnaminson street, between Broad and fifth, have been filled in with gravel and the same work has been done on one side of Lippincott avenue.

Light at Station
The question of improved lighting at the northeast corner of the station, on Broad street, was also discussed. The illumination at this point is poor and motorists have crashed into the station platform on several occasions. Several plans for eliminating this difficulty were proposed, but final action was deferred (continued on page 10)

BUDGET FOR 1938 GETS APPROVAL IN CINNAMINSON

A special meeting of the Cinnaminson Township Committee, held this week, the budget for 1938 was approved. This will be published, in complete form, in next week's issue of The New Era.

The date for the public hearing on the budget was set for Saturday, February 19, from 2 to 3 o'clock, at the home of the clerk of the committee, George C. Frank, Burlington Pike, Cinnaminson.

Upon instruction from the governing body, Mr. Frank was instructed to write the Pennsylvania Railroad requesting that blinker lights be installed at the crossing at Taylor's Lane, in East Riverton, since this intersection had no protection of any sort and was used by a considerable number of motorists.

RIVERTON-PALMYRA, N. J., THURSDAY, JANUARY 20, 1938

PRICE FIVE CENTS

TWO ARRESTS MADE DURING PAST WEEK

Two motorists were arrested in Palmyra during the past week for motor vehicle violations. They were, Albert J. Woodfield, 911 Belmont avenue, Collingswood; Peter Divoel, 5 Vine street, Palmyra, both for passing stop streets.

Mayor John F. Ward heard both cases.

FARM SHOW TO OPEN ON JAN. 25

Big Event for Agriculturists To Continue Four Days at Trenton

New Jersey Agricultural Week opens on Tuesday, January 25, in Trenton, with a varied program planned for the farmers of the state.

The following invitation to attend has been issued by Herman C. Demme, president of the State Board of Agriculture:

Starting on January 25 and continuing through January 28 it will be the privilege and pleasure of the State Board of Agriculture to co-operate with the agricultural organizations of this state in holding the Agricultural Week and the Farm Products Show in Trenton. You are invited to attend the Farm Products Show and see for yourself the exhibits which evidence the advancement being made to promote and protect New Jersey agricultural industry with its gross annual income of one hundred million dollars.

Farm Show Free
You are especially invited and urged to attend the various educational meetings held under the auspices of the many agricultural associations of the state. The Farm Show and all meetings are free to anyone wishing to attend.

I wish to take this opportunity to thank the many state agencies and agricultural associations for their cooperation in making possible each year Agricultural Week and the Farm Show. It is the hope of the State Board that farmers coming to Trenton this year will avail themselves of the opportunity to visit the State Department of Agriculture and become acquainted with the members of the staff.

Papers by the Local Men
At the meetings of the various organizations which will be held during the week, the following papers will be presented by local men:

New Jersey Association of Nurserymen, "Sales at the Nursery," by B. R. Leach, of Riverton; New Jersey State Horticultural Society, "Should New Jersey Growers Sponsor an Apple Promotion Program," by C. B. Lewis, Riverton; New Jersey Beekeepers' Association, Report of the Committee on Public Relations, by Richard D. Barclay, of Riverton, chairman.

Dr. George T. Tracy, of Beverly, was reelected president of the board of managers of Fairview Sanatorium, Burlington county's tubercular hospital at New Lisbon, at the annual meeting of the board held last week. The meeting was preceded by a dinner served in the dining room at the hospital.

Other officers elected were Dr. Richard D. Anderson, Burlington, vice president; Dr. Marcus W. Newcomb, Browns Mills, superintendent, medical director and secretary for a three year term; William H. Reeves, New Lisbon, assistant superintendent and business manager for three years; Miss Mary E. Boyer, supervisor of nurses for one year; Dr. Charles Gruenwald, resident physician for one year; Dr. E. C. Steinbeck, Burlington, dentist for one year.

SCHOOL BOARD PASSES BUDGET

Amount Requested in Riverton To Be \$39,029.90; Two Members Retiring

The Riverton Board of Education met last Thursday night and passed the budget for next year, which will be submitted to the voters of the borough for approval at the annual meeting on February 8. The amount thought to be necessary is \$39,029.90.

Walter K. Woolman said he thought the school bonds could be refinanced for three per cent and, after some discussion, a motion by Mr. Woolman was passed instructing the district clerk to confer with Assistant Commissioner of Education Strahan about the matter. The rate now being paid on the bonds for the old school is four per cent and for the new school building is four per cent.

Members Retiring
Mrs. Francis B. Elwell, whose term expires this year, and who will not be a candidate for reelection, in bidding farewell to her fellow members, expressed her appreciation of the associations she had enjoyed for six years and wished the board every success. She paid high tribute to the splendid work being done by Miss Caroline M. Staman, supervising principal.

Walter K. Woolman, who is also retiring from the board this year, said he had greatly enjoyed the work. He stated that he had held almost every job in Riverton and that he had enjoyed the work more kick out of it than all the others put together. In addition to the pleasure derived from the work itself, he declared that he had accumulated a great fund of information.

Others Speak
President Werner said he had been impressed with the calibre and ability of the members of the board when he became associated with them three years ago, and thought the present school building is a monument to their conscientious and untiring efforts.

Hilton M. Smith said he had enjoyed it all, including the scrape, and moved a vote of appreciation for Mr. Woolman.

Mrs. Charles H. Yost expressed her pleasure in her association with her fellow members and in the work, especially the building operations.

Mr. William H. Botger said he greatly appreciated the assistance that had been given him in taking up his new duties as district clerk. The organization meeting will be held February 14, the first Monday following the annual election.

Oil Bill
A bill presented by the Bituminous Service Co., for \$194.40, and stated to be in arrears, was also the subject of debate. Freeholder Jones stated that the oil in question had been delivered at a time when the state inspector was not on duty. He added further, that he had advised the company that oil delivered under such conditions was done at their own risk, since the county could only pay on material so inspected.

The account was ordered to be turned over to the solicitor, Christoforo (continued on page 2)

DISCUSS PALMYRA APPROPRIATION

Cinnaminson Officials Explain Action to Members of Palmyra Council

At a special meeting held on Tuesday night of this week, the members of the Cinnaminson Township Committee met with the members of the Palmyra High School Board to discuss the action of the former organization in discontinuing the appropriation of \$600 to Palmyra for fire protection.

In speaking of the matter, Maurice Conrow, chairman of the Cinnaminson Committee, stated that the decision had been arrived at after careful consideration. He remarked that, while Cinnaminson, two years ago, had only a chemical truck, it now has two additional pieces of apparatus.

Needs of Local Companies
He stated that the township was only allowed to spend \$2,000 for fire protection, and that when \$1,200 (continued on page 12)

BRICKLEY STARTS YEAR OFF RIGHT

If his first game of the year means anything, Walter P. Brickley, pro at the Riverton Country Club, should be among the leading golfers hereabouts when final returns for 1938 are in.

In his first round of the new year, played a few days ago, Mr. Brickley turned in the fine score of 68, which is three under par for the course.

DISCUSSION OVER PROPOSED RATES

Scale Prepared by Kelly for Wages on Almshouse To Be Revised

Among a number of items discussed by the Burlington County Board of Freeholders, at a meeting held before another large audience, last Friday afternoon, was the hourly wage scale for the various jobs at the proposed almshouse.

The scale was submitted by the architect, Colonel Hugh Kelly, upon instructions from the board. Freeholder Adams stated that he was not satisfied with certain of the rates and the members of the board then voted to authorize a survey of the situation by Director Walter D. Lamon and Freeholder Albert C. Jones.

Bills Questioned
When the bills for December and the first part of January were brought up for payment, Freeholder Adams asked whether there had been any changes in salaries from those which were paid before the first of the year.

After a lengthy discussion it developed that three employees in the highway department were not being paid in accordance with the scale previously established for their respective positions, two being paid more, and one less than the stipulated amount.

This matter was adjusted, the sum involved being \$12.80. The question will be debated further at the budget meeting, when all salaries to county employees will be established by the members of the board.

No Restrictions
Several of those present stated that they believed no restrictions were necessary and felt that things should remain as they were.

All in all, the matter was considered from every possible angle and Mayor Ward offered an opportunity to all those who were present to express their sentiments.

(continued on page 3)

THIRD ANNUAL RIVERTON YACHT CLUB BANQUET

On Friday, February 11, 1938, at seven o'clock, the Riverton Yacht Club is holding its third annual banquet. This year the affair will be held at Weber's Hof Brau, Central Airport and Crescent Boulevard, Camden.

Arrangements have been made for a very entertaining evening. The program is in charge of William Shoemaker, Dewees F. Shouell and Rodman Merrill are in charge of ticket sales. Decorations are being handled by Edward Hunn and advertising is in the capable hands of John Ayres and Howard Evans. Tickets at \$1.25 per person may be obtained from any Yacht Club member.

GENERAL BUTLER TO SPEAK HERE

"The U. S. at Peace by Attending to Its Own Business," will be the topic of an address to be made by Major General Smedley D. Butler, retired, of Newton Square, in the Palmyra High School auditorium on Monday evening, February 21, at 8.15 o'clock.

Major General Butler has long been a familiar figure in this nation's life, having served at the U. S. Marine Base, Quantico, Va., and also more recently having been Director of Public Safety in Philadelphia.

The entire program is under the direction of the American Home Department of the Woman's Club, of Palmyra.

Mrs. H. B. Williams heads the committee in charge of arrangements and is assisted by Mrs. W. Roland Dunn, Mrs. C. Morris Beck, Mrs. E. A. Hargett, Mrs. J. Milton E. Jewett, Mrs. C. B. Marple, Mrs. J. L. Metzgar, Mrs. John A. Stuckey and Mrs. Everett F. Wiggins.

Tickets may be secured from any member of the club or at the door, near.

HEARING HELD ON PARKING PROBLEM

Palmyra Council Meets With Local Merchants Several Solutions Offered

Mayor John F. Ward, members of the Palmyra Borough Council and C. Morris Beck, chief of police, met with a number of local merchants, to discuss the parking problem in that community. Many suggestions of a constructive nature were offered and Mayor Ward thanked those who attended, stating that Council would take the matter under advisement.

The Mayor opened the session asserting that there had been considerable talk for the past two years, concerning parking in the business section. He remarked that it was not the purpose of Council to promulgate unwanted regulations, the main thought being to benefit as many business men as possible, and to work the matter out in a satisfactory manner to all concerned.

All-Day Parking
The general consensus of opinion seemed to be that all-day parking in the business section should be eliminated.

The merits of limiting parking on Cinnaminson avenue, between Fifth street and Broad, were also considered at length, many of those present being in favor of a one-hour limit within the area in question.

Many plans were suggested for parking restrictions on the north side of Broad street, from Morgan avenue to Delaware.

These included a two-hour limit between Morgan avenue and the store of L. G. Rogers, on both sides of Broad street; a one-hour limit on the north side of Broad street, from Cinnaminson avenue to Lester S. Fortnum's and a two-hour period on the other side of the street.

Several of those present stated that they believed no restrictions were necessary and felt that things should remain as they were.

All in all, the matter was considered from every possible angle and Mayor Ward offered an opportunity to all those who were present to express their sentiments.

(continued on page 3)

DISCUSSION OVER PROPOSED RATES

(continued from page 1)

phers N. Peditto.

Binding

The next matter concerned an account of \$4500 submitted by the Ritchie Bindery for work done on books in the county clerk's office. A representative of the company stated that the account was 14 months overdue and that he was taking a loss of \$1500 on the job. Freeholder Adams agreed to sign the voucher, provided the other members of the board would also affix their signatures. This subject was debated at length, with the result that the solicitor was authorized to go over the costs of the job, on the basis of detailed information furnished by the company and to render a complete report to the board. The members will then determine what price should be paid for the work.

Adam's objection was that the price was too high and that the amount had already been paid down \$1500 by County Clerk Lawrence G. Mingin.

WPA Project

Helen Kelly, of Moorestown, WPA representative, requested the board to put the housekeeping aid project into operation at once. This had already been authorized by the freeholders several months ago, but had not been started.

The plan is designed to furnish employment for about 50 women, on the basis of 40 hours per week. The work will consist of assisting housekeepers who are on relief and are unable, because of illness, or other reasons, to do their own work. The county's share of the cost will consist of housing the office and this can be accomplished by means of existing facilities. The project was ordered started at once.

Delay on Nursing

Another WPA project, that of furnishing nursing service to families on relief, was ordered held over for further investigation. The reason for this was that the county medical association was reported to have objected to the fact that registered nurses would be employed who had not had social service experience.

Lamon, Stout and Church voted against Adams and Jones in deferring action.

Freeholder Charles R. Stout requested authorization to purchase four snow plows which he asserted were needed in the event of a heavy downfall. One type would cost \$425 each, with freight at \$15 and the other \$640 with freight costs at \$26. The purchase was authorized.

Printing Specifications

Bids were received for printing specifications for the new alms house and the contract was awarded to the New Jersey Mirror at a price of \$1.59 per page. Other bidders were the Mount Holly Herald, \$1.79 per page and the Burlington Printing and Publishing Co., \$2.80 per page. The printing estimates were lower than those received for mimeographing, the price for that type of job being approximately \$1.85 per page.

The solicitor rendered a report which stated that the appointment of Lewis A. MacFarland, supervisor of roads, should be for the full term of five years.

Nominations

For the third time since the first of the year, Freeholder Adams nominated Frederick Reynolds for the post of custodian of buildings; Dr. J. B. Conroy for the position of physician to the alms house and the same individual to a like post at the county jail.

These nominations went the way of the others, being defeated by a 3-2 vote.

The following departmental accounts were approved and ordered paid:

For December: Revenue and finance, \$526.63; bridges, \$2,067.60; highways, \$1,095.02; public affairs, \$6051.90; buildings, \$9121.39, a total of \$19,762.57.

For January: Revenue and finance, \$58,173.83; bridges, \$1,997.51; highways, \$4,195.52; public affairs, \$4846.66; buildings, \$9422.08, a total of \$78,639.15.

There are 17 acres in the white-house grounds.

Meeting on Tuesday

The regular monthly meeting of the Frederick M. Rodgers Post 156, will be held at the Post Home, Tuesday evening, February 1st.

Commander Musser invites all ex-service men of the community to attend these meetings and to get acquainted with the work that the American Legion is doing for you and yours. They who died that the world might be made a better and safer one. Though they gave their all, their work has not been fully achieved. Ours is a continuing responsibility to carry on, for God and Country, as we look to the future, confident that ours is a worthy cause to which we can wholeheartedly and enthusiastically devote ourselves in the years to come.

Roland Cowan, N. J. State Department adjutant, will be the speaker at the next meeting.

County Commander Yost, Messrs. Metzgar, Hotchkiss and Musser attended the Burlington County executive meeting held at Riverside, last Friday. Gibson, Willis and Musser attended the Child Welfare Area B conference at Newark, Sunday, January 16. The Area B takes in the following states: New York, New Jersey, Delaware, Virginia, West Virginia, Maryland, Pennsylvania and District of Columbia.

The Post will sponsor a movie benefit week of February 14.

FIRST GAMES ON MONDAY EVENING

The first games in the Interborough Basketball League will be held on Monday evening of next week, in the high school gymnasium, Palmyra, and loop officials state that everything is in readiness for the initial tap.

The first engagement will get under way at 7 o'clock, with the other contests starting at 8 and 9 p.m.

The managers of the various entries all feel confident that they have assembled the winning aggregation and the race should be a close one, according to current opinion.

The price of admission to all three games is only 10 cents, which, according to Walter Poulson, one of the sponsors of the league, will buy the biggest value in basketball that can be obtained anywhere in this section.

Two trains are to be dropped, one westbound and the other eastbound. Major points on the line are Jamesburg and Hightstown.

The railroad contended the average daily revenue of the trains was \$413. One westbound and one eastbound train will be maintained.

BE IT RESOLVED, that the following statements of revenues and appropriations shall constitute the Local Budget for the year 1938:

BE IT FURTHER RESOLVED, that said budget be published in The New Era, of Riverton, in the issue of 20th day of January, 1938.

Notice is hereby given that the budget and tax resolution was approved by the Mayor and Council of the Borough of Riverton, County of Burlington, on January 23, 1938.

A hearing on the budget and tax resolution will be held at Council Chamber, in the Fire House, on the 10th day of February, 1938, at 8 o'clock p.m., at which time and place objections to said budget and tax resolution of the Borough of Riverton for the year 1938 may be presented by any taxpayer of said municipality.

It is hereby certified that the budget annexed hereto and hereby made a part hereof is a true copy of the budget approved by resolution of the governing body on the 13th day of January, 1938.

Certified by me: DANIEL M. CLIFTON, Clerk.

This 13th day of January, 1938.

BURGLAR ALARM IS MOST UNIQUE

New Device Warns of Intruder When He Approaches and Sets Off Alarm

A patent has been granted the Electro-Physical Laboratories, Inc., of 136 E. Knight avenue, Collingswood, N. J., on their invention of a new type burglar alarm. The new invention known as the "Co-Shwa" has many practical uses and is readily adaptable to many kinds of conditions requiring its use.

The instrument is unique, in that it warns of the approach of an intruder before actual contact is made, or broken, through an attempted entry by the intruder. The mere approach of any human within the

field of its scope automatically sets off the alarm and keeps it sounding so long as the person stays within the protected zone.

Fine for Poultrymen

The apparatus is readily adapted for use about poultry houses, giving warning of the approach of two or four-footed marauders.

The inventor, H. E. Schwaner, has been several years perfecting the device. Mr. Schwaner was chief engineer in charge of communications in the German navy during the World War. He later disagreed on German politics and fled the country, coming to America. Here in America, Mr. Schwaner has held posts on the engineering staff of such companies as the Columbia Graphophone; RCA and Philco radio corporations.

The new device is being advertised for sale for the first time this week in The New Era and elsewhere.

BOROUGH OF RIVERTON LOCAL BUDGET NOTICE

Local Budget of the Borough of Riverton, County of Burlington, for the fiscal year 1938.

Section 1.

BE IT RESOLVED, that the following statements of revenues and appropriations shall constitute the Local Budget for the year 1938:

BE IT FURTHER RESOLVED, that said budget be published in The New Era, of Riverton, in the issue of 20th day of January, 1938.

Notice is hereby given that the budget and tax resolution was approved by the Mayor and Council of the Borough of Riverton, County of Burlington, on January 23, 1938.

A hearing on the budget and tax resolution will be held at Council Chamber, in the Fire House, on the 10th day of February, 1938, at 8 o'clock p.m., at which time and place objections to said budget and tax resolution of the Borough of Riverton for the year 1938 may be presented by any taxpayer of said municipality.

It is hereby certified that the budget annexed hereto and hereby made a part hereof is a true copy of the budget approved by resolution of the governing body on the 13th day of January, 1938.

Certified by me: DANIEL M. CLIFTON, Clerk.

This 13th day of January, 1938.

Our Country

The following editorial, which appeared in a recent issue of the Philadelphia Inquirer, seemed so excellent that we are reprinting it for the benefit of our readers who may have overlooked it in the Philadelphia paper:

There are times when we need someone outside the family to size up and tell us where we get off; someone who doesn't love us and isn't afraid of hurting our feelings; who will inform us in plain words when and how we are making fools of ourselves. Whether we like it or not—and generally we don't like it—it's good for us now and then to have our self-complacency jarred by an outsider's honest opinion. This is true of individuals and perhaps it is equally true of nations.

With this in mind we invite careful reading of this unimpassioned view expressed in a recent issue of the London Sphere: "The United States contains 6 per cent of the world's area and 7 per cent of its population. It normally consumes 48 per cent of the world's coffee, 53 per cent of its tin, 56 per cent of its rubber, 21 per cent of its sugar, 72 per cent of its silk, 36 per cent of its coal, 42 per cent of its pig iron, 47 per cent of its copper, and 69 per cent of its crude petroleum."

"The United States operates 60 per cent of the world's telephone and telegraph facilities, owns 80 per cent of the motor cars in use, operates 33 per cent of the railroads. It produces 70 per cent of the oil, 60 per cent of the wheat and cotton, 50 per cent of the copper and pig iron, and 40 per cent of the lead and coal output of the globe."

"The United States possesses almost \$11,000,000,000 in gold, or nearly half of the world's monetary metal. It has two-thirds of civilization's banking resources. The purchasing power of the population is greater than that of the 500,000,000 people in Europe and much larger than that of the more than a billion Asians."

"Responsible leadership which can not translate such a bulging economy into assured prosperity is destitute of capacity. But pompous statesmen, looking over the estate, solemnly declare that the methods by which it was created are all wrong, ought to be abandoned, must be discarded, that the time has come to substitute political management for individual initiative and supervision. "There is only one way to characterize that proposal—it is just damn foolishness."

So far as that last brief pointed phrase is concerned, do we hear a motion to add a few more adjectives and make it unanimous?

RIVERTON

Ruth Biddle, of Philadelphia, and May Lavery, of Riverton, were the winners in the Sacred Heart miscellaneous club last week.

Jean Gowell, of Riverton, pupil of Miss Emma A. Price, played a piano selection "March of the Wee Folks," by Jessie Gaynor, at the Philadelphia Music Teachers' Association's monthly pupils' recital hour on Saturday, January 8, at the Presser Auditorium, 1714 Chestnut street, Philadelphia.

The winners in the stocking club of Mrs. Lewis Bell, from December 27 to January 13 inclusive are Mrs. Marian Sauer, Mrs. Edmund Turnock, Mrs. Meyers, Mrs. Elsie VanSciver, Mrs. Kathryn Bishop, Mrs. Anna Hughes, Mrs. Frances Reidenbaker, of Riverton, and Mrs. Frank Dorsey, of Camden.

Clifford Nesbitt, of Thomas avenue, who has been ill, is improving rapidly.

Shame restrains more than law, Delay is fatal to good resolutions.

ABOUT TOWN

The sudden change in the weather, on Monday, revived the hopes of skating enthusiasts.

The recently completed Dependable Motors building, in Riverton, makes a fine addition to the business section.

When communities begin to have parking problems, it is usually a certain sign of expansion.

According to recent indications, there will be little in the way of competition at the various school board elections which will be held in February.

At frequent intervals, we hear talk about the revival of the Riverton Town Meeting, but no one seems to want to take the initiative in getting it really started.

The owners of cars bearing low numbers received notices this week to take their machines to Mt. Holly for inspection.

According to Josh Billings an essential to teaching a dog a trick is that the teacher must know more than the dog.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor
"What Is Christianity?" This question will be answered by the Rev. W. A. Boyd, of the Methodist Church, this Sunday morning at 11 o'clock. This is the third sermon in the series "A Faith for Today." Ask what is Christianity and you will get a score of different answers. There is so much misunderstanding and confusion about this important subject. To you, just what is Christianity? Come hear this subject discussed by Mr. Boyd.
Dr. A. H. Hartunian, Ukrainian, will be the speaker this Sunday evening, at 7:45 o'clock. Dr. Hartunian knows much about the Russian situation. He comes from what is known as Little Russia, located on the shores of the Black Sea. The entire community is invited to this service. The music will be made up of Russian hymns, anthems and organ selections.

"How to Live Wisely and Well" is the lesson study for the Prayer and Study Service, Wednesday evening at 8 o'clock. All persons interested in the study and practice of God's Word should not miss this meeting.

The Men's Annual Turkey Dinner will be served on Thursday afternoon, February 24. Tickets will be 40c and 75c. Put this date down in your mind and diary.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor
Services, Sunday, January 23, 10:00 a.m. Bible School.
11:15 a.m. Morning Worship.
Due to the illness of the pastor last week the pulpit was supplied by Rev. Charles R. Hench, chairman of Camden Baptist Extension Society. Pastor Lockett expects to occupy the pulpit this Sunday, and will have as his subject "Freedom from Life."

6:45 p.m. Young People's High School Group will have as their leader, Marjorie West, of the Worship Committee. Miss West has taken for her subject, "We Need the Church."

7:45 p.m. In celebration of their 28th anniversary, the Philathea Class deferred their visit to the church until this Sunday, owing to the pastor's illness. Members will meet in the classroom at 7:30 p.m. Pastor Lockett will have as his subject, "Philathea, Lovers of Truth." The pastor appreciates the fine cooperation of Superintendent Van Osten, who conducted the evening's service, and to Claude Barto and members of the choir, who, upon short notice, rendered a program of sacred music, in his absence.

Church of Christ, Scientist
"Truth" is the Lesson-Sermon subject for Sunday, January 23, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "Thou, O Lord, art a God full of compassion, and gracious, longsuffering, and plenteous in mercy and truth." (Psalms 86:15.)

Among the Lesson-Sermon citations is the following from the Bible: "But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be entreated, full of mercy and good fruits, without partiality, and without hypocrisy." (James 3:17.)

The Lesson-Sermon also includes this passage from the Christian Science textbook, "Science and Health by Mary Baker Eddy: "Truth cannot be contaminated by error. The statement that Truth is real necessarily includes the correlated statement, that error, Truth's unlikeness, is unreal." (p. 287.)

PALMYRA A. O. M. P.

The Artisans opened their first meeting of the new year with all of the new officers occupying the chairs.

The membership chairman has planned an extensive campaign for new members and told of the prizes offered to the producers.

The members will meet when the bowling league is running with a full personnel of eight six-man teams. A basketball team has been entered in the Interborough League, playing every Monday night at the high school gym.

After the meeting the usual good show was enjoyed.

Italy is establishing throughout the country a chain of experimental stations to improve the cultivation of olive trees.

Chats with the Minister

The church occupies a very important place in the life of any community. It is a strange thing that many men and women who do not attend church would not want to live in a neighborhood where there was no church.

The church needs the assistance of every Christian, it is the institution through which God does His work in the world; if we desire a better community we should strengthen the church and support its work; that it may become more efficient in carrying out God's plans to bring the world back to Him. The church touches all ages; it appeals to childhood and makes impressions that are never forgotten; it teaches youth great spiritual and moral lessons; it ministers to the sick of heart and mind and soul; it gives new courage to the sad and downhearted, it stands for truth and justice; its great object is winning men to Christ.

"A church is a society for the purpose of making men like Christ, earth like heaven, and the kingdoms of the world like the kingdom of heaven." So it is a great privilege to associate and have fellowship with God's people, it helps us along life's way. The church welcomes you. The church invites you to share its blessings.

"Come ye disconsolate, where'er ye languish
Come to the mercy seat, fervently kneel
Here bring your wounded hearts,
Here tell your anguish,
Earth has no sorrow that heaven cannot heal,
Here see the Bread of Life; see waters flowing
Forth from the throne of God,
pure from above,
Come to the feast of love; come, ever knowing
Earth has no sorrow but Heaven can remove."

Go to some church next Sunday.
George Lockett, Pastor
Central Baptist Church
of Riverton and Palmyra.

COMING EVENTS

Monday, January 24—Basketball, Interborough League, high school gym, Palmyra, three games.
Monday, January 24—Basketball, high school gymnasium, Palmyra, three games, Interborough League, first at 7 o'clock.
Monday, January 24—Meeting, Camp 23, P.O.S. of A., Palmyra.
Tuesday, January 25—Meeting, Ladies' Auxiliary, Post Frederick M. Rodgers, Legion Home, 8 p.m.

Riverton Yacht Club

First Meeting
The Riverton Yacht Club held its first meeting of 1938 at the home of Ogden Mattis on January 12th.
Howard A. Washington and Howard Lippincott were elected to the board of directors for a three year term. Frank Snover was elected to fill the vacancy created by the resignation of George Cole.
The house and pier committee reported that considerable work had been done on the pier and that a quantity of lumber had been purchased so additional work could be completed as soon as weather permits. Howard Lippincott, E. K. Merrill and Robert A. Marshall were appointed as a committee to take care of the construction of a new float.

Coming Banquet
Plans were discussed for the coming banquet and various committees were appointed to work out the details. Ogden Mattis, the new chairman of the Regatta Committee, was authorized to purchase first and second prizes for the duster class to be awarded at the affair. The Howard Evans Trophy will also be awarded at that time.

It was reported at this meeting by Mr. Merrill that the Delaware River Yacht Racing Association had met this winter and discussed plans for this summer's activities.

Following adjournment of the meeting refreshments were served and the women's auxiliary enjoyed cards and other games. Prizes were donated by Howard A. Washington of George S. Washington & Sons.

WEEKLY GAMES AT SACRED HEART

A good crowd of enthusiastic players attended the weekly games at the Sacred Heart School hall, on Monday night.

Each week a valuable special prize is awarded in addition to the 25 regular awards, and the \$2.50 door prize.

Among the successful players this week were the following:
Cake plate and cover, R. Polis; 12 piece hostess set, William Wigmore; four Turkish towels and dozen cakes soap, Mrs. Harry Gottlieb; white base table lamp, Mrs. William H. Rowan; box bonbons and stationery, R. Polis; four piece kitchen set, Mae Laverty; electric toaster, William Braumbaugh; walnut server, Stephen Buvidas; 11 piece punch bowl set, Gertrude Femmore; electric mantel clock, Mrs. R. E. Sanford; Turkish towels, R. Fowler; bed comfort, Edward C. Barr; three piece dressing table set, Joseph Dougherty; two Doule boilers, Mrs. John J. Ford; set cookie jars, Mrs. Hedley Williams; 24 piece breakfast set, Charles Getty; eight piece cocktail set, "Bud" Malone; bonbons and stationery, R. Silvious; Turkish towels, D. J. Ward, Jr.; two boudoir lamps, James Anderson; cordial set, Mae Laverty; vanity dresser and bench, Harry Snyder.

MRS. LAURA M. WAY
Mrs. Laura M. Way, a former resident of Palmyra, and wife of Horace S. Way, died on Sunday, January 16, at Pilsom, Pa.
Funeral services will be held today (Thursday) at the Oliver H. Bair Building, with interment in Mt. Peace Cemetery.
Mrs. Way is survived by her husband.
Curiosity leads to knowledge.

AGENT FOR NEW HOME LAUNDRY

H. C. Schwering, of Palmyra, Invites All to Witness Bendix Performance

H. C. Schwering, Palmyra hardware and electrical appliance dealer announces the agency for the new Bendix home laundry. Each day at 2:00 p.m. a free demonstration of an actual family washing is given at the store. Mr. Schwering cordially invites any man or woman interested to witness this performance. He was emphatic in stating that absolutely no effort will be made to sell this machine to anyone witnessing the demonstration. He asserted that, since the machine is such a radical departure from any other type home washing machine marketed, he wants particularly the women of these communities to see it do an actual wash.

Fully Automatic
The Bendix Home Laundry is fully automatic in operation. The only effort is to place the dry clothes in the washer door, add powdered soap and bluing, set the dials for the desired washing, and then leave the rest to the machine. From there on the machine mixes the hot and cold water to the desired temperature, washes the clothes the desired time, expels the soapy water, fills up with fresh water and gives the clothes a first rinse. This water is again expelled and a second rinse of fresh water is automatically performed. This water is also evacuated and a third spray-rinse is set into operation. After the final rinse, the water is automatically drained off and the clothes dried to a ready-to-hang-up dryness through centrifugal force. The machine is left clean and clear of traces of the preceding wash and is ready for another batch of clothes.

P.O.S. of A. NEWS

The Camp wishes to notify those members who were not present at the regular meeting held January 17, that the action on dues, benefits and salaries of officers was voted to remain the same as last year.

Camp will be called to order next Monday at 7:30 o'clock, in order to allow the members time to attend the Burlington County meeting, to be held at Columbus. It is hoped we may have a large representation. Come out and give your support. County Committee.

"Why worry because your hair falls out? Suppose it ached and you had to have it pulled, like your teeth!"

LIGHT CONDITION YOUR HOME

Use I. E. S. Lamps and Have Convenient Electric Outlets

It is important that you have good light in enough places for convenient use. Provide it by LIGHT CONDITIONING your home. You can do this inexpensively with— (1) modern lamps approved by the Illuminating Engineering Society and— (2) additional electric outlets for convenient location of lamps.

A new line of attractive and moderately priced I. E. S. lamps are on display at Public Service stores. An I. E. S. 6 way floor lamp with tailored silk shade, the type illustrated, is \$15.95 cash, or \$14.95 if you trade in an old lamp. Small carrying charge on terms.

New electric outlets can be installed by your local electrical dealer.

PUBLIC SERVICE

YMCA BRIEFS

County Board

The January County YMCA Board meeting will be combined with the annual meeting of the County Council of Religious Education, Tuesday evening, the 25th, at the Medford M. E. Church, according to a joint announcement by Howard G. Taylor, president of the County YMCA Board, and John W. Thacher, a county "Y" board member, and president of the County Council of Religious Education.

Dr. Samuel Hamilton, Professor of Religious Education at New York University, will be the speaker of the evening. Some years ago Dr. Hamilton was the executive head of religious education activities for New Jersey. He is a recognized leader in his field.

Interest on the part of the YMCA and its own work in the field of religious education prompted this joint meeting, where the address will be by a man who speaks as one of authority.

EPWORTH LEAGUE NORTHERN RALLY

The January Epworth League rally of the Northern Group of the Trenton District Epworth League will be held in the Crosswicks M. E. Church, Saturday afternoon and evening, January 22, 1938.

The rally will start at 4 p.m. with a recreational program under the direction of Sam Bentley, of Burlington, district fourth vice president, and will be in the form of progressive games with representatives from each League taking part. The recreational awards will be presented to the League securing the largest number of points during the afternoon.

Supper will be served at 6 p.m., and reservations should be sent to Rev. John Oman at Crosswicks.

The speaker at the evening worship service at 7:30 o'clock, will be Dr. L. Morgan Chambers, pastor of the State Street M. E. Church, Trenton, N. J. A large crowd is expected from the Leagues in Trenton and the surrounding communities.

The February rally will be held in the Titusville M. E. Church Saturday, February 26, 1938.

It happened in the Cascade Mountains. "What," returned the amateur hunter, a college professor, of his guide, "what is the name of the species I just shot?"

"Well, sir," returned the guide, suavely, "I've just been investigating and he says his name is Smith."—Exchange.

A-5271

POWERS SPONSORS LOWER HOLC RATES

Home owners of the nation will benefit from reduced Home Owners Loan Corporation rates, if the measure of which Congressman D. Lane Powers is a co-sponsor is passed.

The Congressman, representative of Mercer and Burlington counties, recently signed the petition discharging the House banking and currency committee from further consideration of the measure. This would bring the bill to the House of Representatives for action. It is now bottled in committee.

The measure reduces HOLC interest rates to three and one-half percent, and extends the amortization period from 15 to 20 years. Many residents of local communities and hundreds from other cities and towns in Burlington and Mercer counties have written the Congressman approving his fight for passage of the bill.

GRANGE SPELLING BEE

About 100 New Jersey boys and girls from the sixth, seventh and eighth grades will compete in the ninth annual Grange Spelling Bee held as a concluding feature of Agricultural Week and the Farm Show sponsored by the Department of Agriculture in Trenton, January 25 to 28.

For the past two months communities in all parts of the state have held elimination contests to select the final contestants for the meet Friday afternoon, January 28, in the Trenton YMCA auditorium.

PIES CONTINUE TO BE POPULAR

Pie—any kind of pie—that delectable pastry, or whatever you choose to call it, is still holding its own against the recent tendency in American homes to have its baking done outside the kitchen. The convenience and efficiency of the modern gas range is said to be the reason why "home cooking" is at its best in the kitchens of American homes. A recent survey in a typical city of 100,000 population showed that seventy-nine percent of the families still bake at home, although only eight percent make their own bread.

But pie stands at the top with a percentage of 94.5 families which bake their own, remarks the New Jersey Public Utility Information Committee. Ninety-three percent bake their own cakes, 74.2 percent bake cookies, and jellies and jams range 66.3 percent. Biscuits are holding up fairly well with 49.5 percent. There is every reason to believe that the trail of good cooking leads back to the kitchen.

PALMYRA BESTS RIVERSIDE EASILY

Locals Win Second Decision in Burlo League by 23-11 Verdict

Palmyra romped to its second straight Burlington County League victory, last Friday night at Riverside, as the locals annexed a 23-11 decision at the expense of the home high school aggregation.

The win indicates that the Red and White is the team that must be stopped by the other entries, if any aspire to topple the locals from their throne of county champions.

Start Slowly
The first period started in a conservative manner, with neither team breaking into the scoring column. Palmyra picked up five markers in the second quarter, while Riverside was able to convert a single charity throw.

The Red and White continued to increase their advantage in the third period and the game finished with the pupils of Coach Diamond still going away.

10 From Floor
Palmyra tallied 10 times from the floor and converted three free throws, while their opponents did as well from the foul line, but were able to obtain only four two-pointers.

Rothbaum was high scorer of the evening, swishing the cords for a total of nine markers. Eight of the Palmyra squad saw action during the engagement.

Palmyra	Field	Free	Points	Rebounds
Rothbaum, i	4	1	2	9
Sutters, i	1	0	0	2

SOUTH JERSEY STAMP EXHIBIT

The third annual stamp exhibition of the Association of South Jersey Stamp Clubs will be held Friday, Saturday and Sunday, February 18, 19 and 20, in the main ballroom of the Walt Whitman Hotel, Camden. The judges are Judge Albert Maris, noted collector of Liberia; Harry A. Lee, Chester, international known exhibitor of foreign stamps; and George Henbster, well-known Philadelphia philatelist. First prizes will be awarded in each of the 11 classes and second and third prizes will be given where sufficient entries warrant. A silver cup will be awarded the best in the show. All participants will receive certificates. There will be 150 frames of stamps, all the property of members of the associated clubs, members, and each frame will hold nine album sheets. There will thus be about 1300 album sheets on view.

Alley Gossip

County League

Garden State won the first-half title by defeating their leading opponents, Coddington, last week, the final margin of the States being two games. Prior to the last match, the champs boasted the slender advantage of only a single point and the Painters had a fine opportunity to grab off the honors, but failed in the pinches.

Swain contributed no little to his team's victory by smashing the pins for a high single of 253.

Shortens finished in third position, five games behind the Painters.

High singles: Swain, Garden State, 253; Vile, Coddington, 213; Farrell, Beverly, 211; Roth, Kickhefer, 215; Evalul, Ramblers, 210.

Final standing, first half:

	W	L
Garden State	33	9
Coddington	31	11
Shorten	26	16
Beverly	21	21
Devlin	21	21
Ramblers	16	26
Kickhefer	12	30
Medford	8	34

K. of C. League

Mt. Holly climbed into a tie for first place by taking three games from the Palmyra Whites, as Gloucester won a pair from Moorestown.

The Palmyra Whites, leaders of the three local teams, are now in a tie for fourth place with Riverside. High singles: Dadinio, Palmyra Grey, 217; Olt, Maple Shade, 226; Fallon, Moorestown, 226; Cooney, Mt. Holly, 210; Dougherty, Palmyra White, 202.

The standing:	W	L
Gloucester	25	14
Mt. Holly	25	14
Moorestown	21	18
Palmyra White	20	19
Riverside	20	19
Palmyra Grey	17	22
Palmyra Blue	14	25
Maple Shade	14	25

Artisans'

The Highwaymen took the Demons for four points and gained a notch on the second-place Footpads, who were able to annex only three from the Bootleggers. The Thieves, who are in third position, maintained their standing by registering a clean sweep over the lowly Buccaneers.

High singles: Hunter, Highwaymen, 246; Taylor, Footpads, 220; Green, Bootleggers, 217; Edinger, Pirates, 220.

The standing:	W	L
Highwaymen	33	15
Footpads	31	17
Thieves	27	21
Demons	24	24
Bandits	24	24
Pirates	23	25
Bootleggers	15	33
Buccaneers	11	37

Ladies' League

The Camels, Murads and Spuds each won two games in the first week of the second half.

High singles: Mrs. Brown, Kools, 181; Mrs. Haines, Luckies, 162; Miss Adair, Murads, 160; Mrs. Voorhis, Wings, 149.

Palmyra League

The second half started last week and Lloyds, Buohl, Claws and Fortnum annexed two wins, while the other entries were charged with a similar number of losses.

High singles: Wallace, Schucks, 208; Evalul, Fortnum, 228; Adams, Claws, 255; Haines, Farmers, 219; Hardy, Buohl, 235.

The average year-round centigrade temperature at the South pole is 25 degrees below zero.

BITTER ENEMIES ON ARMORY BILL

Country Club Notes

Two of wrestling's most bitter enemies are what Promoters Frank and Ray Hanly are offering the fans in the final of a double win/loss show at the Camden Armory, on Thursday night. The program is exceptionally good, as should house the biggest crowd of the season.

The rassin' enemies involved in the finals are none other than Ernie Dusek, wildcat from the plains of Nebraska and Gino Garibaldi, the prize citizen of the Italian race. The other feature event will show the return of Yvon Robert, sensational French-Canadian, and he clashes with another Nebraskan, on ly this one happens to be that skill-busting artist in Stanley Pinto.

They are both to battle it out in a one fall to a finish match as will Ernie and Gino.

Other Bouts

In the remaining bouts, the Hanlys have put together a card that should lend its help in jamming the patrons into the drilled. Ed Meske will oppose Dyonomite Joe Cox. Cliff Olsen tangles with Bill Sledge and Bert Rubi will again open the show and this time he faces a tougher hombre in Jim Colfield of Kansas City. They are each booked for a half hour limit.

ABOUT THE COUNTY

Senator Clifford R. Powell was made chairman of the appropriations committee at the opening session of the legislature last week. Assemblymen Dr. S. Emlen Stokes was appointed to committee on alcoholic beverage control, emergency relief and public health.

THE BURLINGTON COUNTY FIREMEN'S

Ladies Auxiliary met last week at Beverly.

A Burlington barber was fined last week for admitting a customer into his shop after 7 p.m.

The Burlington County Fire Chiefs Unit held its meeting last week in Camden City Hall where the members were guests of Chief I. A. Howell, of the Department of Public Safety.

Judge Frank A. Hendrickson's trip to Miami caused the postponement of criminal court session until January 27.

ANNUAL MEETING HOSPITAL BOARD

The annual meeting of the Board of Managers of the Burlington County Hospital was held last week at the hospital. All the officers elected are as follows: President, Franklin S. Chambers, New Lisbon; first vice president, Alexander C. Wood, Jr., Riverton; second vice president, Alfred C. Darnell, Medford; secretary, Miss Rebekah B. Willis, Mount Holly; assistant secretary, Mrs. Walter K. Woolman, Riverton; treasurer, Walter L. Dill; Mount Holly; and assistant treasurer, Dr. T. J. Summey, Moorestown.

All members of the medical staff were re-elected for the coming year. Dr. Frederick D. Fahrenbruch and Dr. Lloyd B. Greene were named members of the medical executive board for three years.

Diner: "Waiter! This stew is terrible. What kind is it?"

Waiter: "The chef calls it his enthusiastic stew."

Diner: "Why?"

Waiter: "He puts everything he has into it."—Boys' Life.

There are millions of women farmers in Russia.

Country Club Notes

High scores prevailed last week, as the teams of Elliott, Tyler and Lippincott went into a three-cornered tie for first place. Seven teams have a record of 3-3. The winter tournament bears all the marks of developing into a stiff battle for initial honors.

High singles: Hagstoz, 224; Story, 233; Hendrickson, 212; Hackett, 216; Coe, 214; Wallace, 214; Coward, 208; Farrell, 205. High three: Hagstoz, 224, 210, 193, total 627.

The standing:

	W	L
Elliott	4	2
Tyler	4	2
Lippincott	4	2
Hendrickson	3	3
Smith	3	3
Jamison	3	3
Woods	3	3
Wilson	3	3
Clark	3	3
Bartley	3	3
Yost	2	4
Bonsal	1	5

Second Half Starts

The second-half competition gets under way this (Thursday) evening, as the Riverton White meets Manufacturers and the local Green clash with Germantown. These games will be rolled at Riverton.

The scores of last week's matches:

Riverton Green	W	L
Clark	198	224

AGAINST CROP CONTROL

Opposition to compulsory crop control, the Wagner-Connelly wages and hours bill and diversion of state highway funds was voiced by the New Jersey Farm Bureau in three of a number of resolutions adopted last week at the 19th annual convention.

Dr. Frank App, of Bridgeton, president of the Bureau, and the other officers and trustees were re-elected. The staff includes: Herbert T. Borden, Mickleton, vice president; C. E. Garrettson, Trenton, assistant treasurer; Dr. W. H. Whitton, Neshaun; Joseph Barton, Marlton; and Barclay Allen, Vincentown, trustees.

There are millions of women farmers in Russia.

TESTIMONIAL FOR H. F. STOCKWELL

County Association Insurance Agents Give Affair; Lamon New Leader

Sixty members of the Burlington County Association of Insurance Agents and their guests attended a testimonial dinner tendered the retiring president of the organization, H. F. Stockwell, Jr., of Moorestown, at an affair given on Wednesday, January 12, in the Community House, Moorestown.

Following the invocation by Edward A. Kashner, of Florence, those present did justice to the bountiful repast. Between courses there was group singing, led by Harry Taylor, who also rendered several vocal and piano solos.

Dr. Stokes Speaker

Following the dinner, Toastmaster Robert Aaronsen, of Bordentown, introduced the first speaker of the evening, Dr. S. Emlen Stokes, of Moorestown, member of the N. J. State Assembly.

Dr. Stokes paid glowing tribute to Mr. Stockwell and stated that he was greatly pleased that he was able to be present at such a memorable occasion.

Mr. Aaronsen then reviewed the progress of the organization under the leadership of Mr. Stockwell and stated that the group had indeed been fortunate in having so efficient a leader.

In behalf of the association, he presented Mr. Stockwell with a large airplane-style traveling case and the guest of honor responded with brief remarks.

The past officers of the association were then introduced and all echoed the sentiments expressed by Mr. Aaronsen.

New President

The toastmaster next presented the new president, Walter D. Lamon of Palmyra, present director of the Burlington County Board of Freeholders. Mr. Lamon stated that Mr. Stockwell had done much for the organization and that he hoped he would be able to carry on the work as ably as his predecessor.

John Devlin, "Ambassador from the Irish Free State," was the last speaker and his brilliant wit and humor was received with great applause.

The program was brought to a close by the awarding of a number of fine door prizes which had been donated by the various insurance companies.

Letters regretting inability to attend were read from Clifford Powell, State Senator; William F. Brown, editor of the "New Jersey Agent," and Charles E. Meek, president of the N. J. Association of Underwriters.

Committee in Charge

The committee in charge of the affair included, Leslie W. Reeves, Howard F. Knight and Arthur N. Cutler.

Among those present from this vicinity were, Mr. and Mrs. Walter D. Lamon, Mr. and Mrs. Leslie W. Reeves, E. R. Williams, and Richard M. Woodward.

COMMITTEE WILL PROBE CAR DEATHS

A special investigating committee, appointed by Thomas Shreve, foreman of the Burlington County December term grand jury, is planning a sweeping investigation of the causes of the rapidly increasing number of auto fatalities in Burlington county.

According to figures submitted to the grand jury by Prosecutor Howard Eastwood, who is in hearty accord with the grand jury's efforts to reduce the number of deaths by autos, eighteen persons were killed in motor vehicle accidents in Burlington county from October 1 to January 1, of last year.

Special Committee

The special investigating committee is headed by John L. Lebengood, a member of the Moorestown Township Committee. Other members are Mrs. Virginia T. Collier, of Bordentown; J. Horace Eaton, of Bordentown; Former Sheriff George N. Wimer, of Palmyra, and J. Edgar Gandy, of Burlington.

Mr. Lebengood has revealed that the committee and the entire grand jury will endeavor to obtain the cooperation and coordination of the State Police, Motor Vehicle Department, Highway Department, local police chiefs, police magistrates and justices of the peace and various officials of the municipalities in the county.

The committee's first conference will be at the Court House, Mount Holly, on Tuesday, January 18, when representatives of the State Highway Department, Motor Vehicle Department and State Police will appear before the special investigating group.

W.C.T.U. MEETS ON JANUARY 27

The Mid-Winter Institute of the Burlington County W.C.T.U. will be held in the Burlington M. E. Church, on Thursday, January 27, at an all-day meeting.

Sessions will be held at 10 a.m. and 2 p.m., with a Temperance Rally at 8 p.m.

Mrs. Ada S. Nodocker, of Roselle, state president of the organization, will be the guest speaker at all the meetings.

An award will be presented to the Union having the most members present.

Luncheon will be served by the ladies of the church.

"Oh, yes," said the pilot of the steamboat, "I've been on this river so long I know where every stump is."

Just then the boat struck a stump which shook it from stem to stern. "There," he continued, "that's one of them now."—New Jersey Bell.

LARGE NUMBER AT LOCAL P.T.A.

Mrs. Walter L. Bowen and Hon. J. Claud Simon Speakers At Meeting

A well-attended meeting of the Riverton Parent-Teacher Association was held on Monday evening in the school auditorium.

Mrs. Charles H. Yost, president of the local association, opened the affair with greetings to all the parents and friends. While introducing Mrs. Walter L. Bowen, the state president, to the audience, Mrs. Yost reminded her listeners that Riverton has played a very important part in parent-teacher work. In fact, the New Jersey Congress of Parents and Teachers was organized in Riverton on October 27, 1900, when Mrs. Edward H. Ogden assembled a group of mothers for a luncheon at the Calvary Presbyterian Church. Riverton has given the state three presidents and one secretary. Mrs. Edwin C. Grice was the first president. Mrs. Alexander Marcy, Jr., later became president, and Mrs. Walter L. Bowen has been president for the past three years. Mrs. Howard Sharp of Riverton was state secretary of the association.

Started in Riverton

Mrs. Bowen stated that it was through her affiliations with these pioneers in P.T.A. work that she became interested in the organization. She stated it has grown from a small group in Riverton, until today, there are more than 900 associations in the state, with a membership of over 85,000. In addition, there are more than two and one half million members in the United States. Mrs. Bowen pointed out that, in the early years, many educators refused to open the doors of their schools to the P.T.A., because they thought they were meddling with the value of the organization. She stated that it never interferes with the school, but cooperates always, and forms a close link between the home and the school. It is not a commercial nor a political organization, but it is interested strictly in child welfare.

She continued her remarks by saying, "The unrest and financial situation in the country has made it hard for many girls and boys to attend school. The Parent-Teacher Association wants the child to be strong mentally, physically, morally and socially, and has supplied thousands of quarts of milk, gallons of cod liver oil, free hot lunches, taken care of eyes, tonsils and hospitaliza-

tion of many, many unfortunate children. Without the assistance of the P.T.A., those children might be handicapped all their lives."

Musical Numbers

At the conclusion of Mrs. Bowen's talk, the Boys' Chorus of the Riverton School provided excellent entertainment for their parents and friends by singing three numbers: "John Peel," "Old Black Joe," and "Texas Cowboy Stampede." The Mothers' Chorus of the Delanco Parent-Teacher Association, under the direction of Mrs. Fisher, rendered "Come Sweet Morning," "When the Land is White with Moonlight," and "Dawn."

After the musical part of the program, Judge Frank A. Mathews presented the Hon. J. Claud Simon, a former assemblyman, who gave a most interesting talk on the Constitution of the United States. He compared our form of government, where the individual is everything, and the state merely a means to an end, with certain foreign countries where the individual counts as nothing and the state is everything.

Quick Action Bad

Mr. Simon cautioned the people about acting too quickly in changing the Constitution, and cited the Eighteenth Amendment, which he said was rushed through while the people of the Nation were going through the post-war period of hysteria. He felt that not enough time had been given to the problem, and instead of benefiting the youth of the country, certain types of criminals and gangsters developed, and became a menace to the Nation. Mr. Simon explained the position of the Supreme Court, and its value to the people. He said laws must change to meet changing business and economical conditions, but the people must debate the changes, and have a system of orderly progress, to keep it from going too fast. Mr. Simon said when the American people stop and think intelligently they will solve their problems to the best interests of all.

At the conclusion of the meeting, Mrs. Yost announced that Mrs. Williams' class won the plant for having the most fathers present, and Miss Justice's room won the plant for having the most parents. Mrs. J. D. Symon and her committee served refreshments.

APPLES IN STORAGE

Approximately 978,000 bushels of choice winter apples, or more than one bushel for every family in the state were still in storage this month in New Jersey according to W. H. Allen, Secretary of the State Department of Agriculture.

FIRE will strike 400 homes tonight . . .

Four hundred homes burn every night . . . and 400 more every day, throughout the year. That is the grim fire toll in this country.

We hope you will never join this 400, but suppose fire did visit your home—would you be prepared? Would you be able to replace everything that was destroyed without loss or delay.

Do not take needless chances. For a very moderate charge (\$2.50 per year) you can rent a SAFETY DEPOSIT BOX in our vaults and give certain items of your property year-round protection. Come in and see the modern safeguards we provide for your valuable personal property.

SCHOOL AND COMMUNITY

The Visiting Teacher

Your home may in the near future be visited by a teacher of the high school. He is what is known as a visiting teacher. First of all let it be made clear that he is not a truant officer.

The call he makes is a friendly one. He comes not as one who is checking on your child, but as one who comes to help your child and you as parents. There are many causes of failure in school work. Among the most important is absence. No child can succeed in school work when he does not attend classes regularly. The visiting teacher calls at your home to explain the relation between repeated absence and scholastic failure. He comes as one who wishes to consult you as parents as to what is the best solution of the problem. He seeks advice. He solicits your cooperation.

The school can work to the child's best advantage only when it has the cooperation of all members involved in making his school life a success. You as parents form a vital part of the educational program of your child. We, as a school, cannot hope to carry on a successful educational program without parent cooperation. It is the function of the visiting teacher to outline a method by which you as parents and we as school teachers and school supervisors can work together to promote your child's best interests.

Often a child fails in school who attends classes regularly. Many factors could be at the bottom of the trouble. The child may have a notion to quit school. He has probably talked the matter over at home. Some parents say, "Well, it's up to you," and let it go at that. But, fathers and mothers, this is a very critical time in the life of your child. What you child needs at this time is not an indifferent answer nor simply an answer of approval of what he is about to do. He needs advice and sound advice. The teachers of your local school are in a position to give it. They have studied child psychology, educational psychology, educational philosophy, business trends in the world today and many other things that are related to your child's life. We are in our school program endeavoring to make your child aware of business conditions of today and the value of an education to successful life careers. Perhaps a private conference with the teacher will help your son realize what an important step he is about to take. You, as parents, well know that this step will determine your child's future. It should not be pushed lightly aside. He should be made aware of what faces him if he so does. He should be given the opportunity to weigh all things in the balance of his own mind to determine what is best. We can but advise him. We cannot make him change his mind but we feel that we can help him in making this and other important decisions. Send him to us that we may help him. A post card or a telephone call will bring the visiting teacher to your home to advise you.

Sometimes parents are totally unaware of what their children are doing in school. They see the child's report card and do not fully understand what the grades signify, nor the import of the remarks on the back. Frequently other maladjustments of your child bring about failure. Do not hesitate to call in the visiting teacher.

Remember then, that he comes to help you and your child solve your child's problems. He comes to solicit your cooperation, in order that your child may have a better and fuller training for the future.

Note: The Palmyra Board of Education is attempting to facilitate a little better contact between the home and the school, through the services of the visiting teacher. Mr. Robert Patchel, a member of the high school staff will act in that capacity.

This article has been contributed by him to explain more clearly the work of the visiting teacher.

Newly-wed Husband: "Do you mean to say there's only one course for dinner tonight? Just cheese?" Wife: "Yes, dear. You see, when the chops caught fire and fell into the dessert I had to use the soup to put it out."—Exchange.

NEXT TWO GAMES AWAY FROM HOME

On Friday night of this week, Palmyra journeys to Bordentown, to engage the local high school talent in a Burlington County Scholastic Basketball League encounter.

Next Tuesday afternoon, Camden Vocational will be met on the floor of the latter, this affair being scheduled for 3.30 o'clock.

The next home engagement is slated for Friday, January 28, when Paulsboro will invade Red and White terrain.

To date, the locals have a record of two wins and no losses in the county loop, their victims having been Moorestown and Riverside.

Stern opposition is expected, however, when Palmyra meets Burlington, on Friday, February 4, in the first of two games.

CINNAMINSON P.T.A.

N. J. State Trooper Stecker spoke on "Safety" to the parents of the Cinnaminson P.T.A. Wednesday evening, January 12. After a short business meeting, the pupils of the seventh and eighth grades presented two short plays entitled "The Trial of Jimmie Germ" and "The Children of Safety Land."

On February 3, the eighth grade domestic science class will prepare and serve a sauerkraut supper, in the school lunch room. Tickets will be 35 cents. Publicity.

K. OF C. CARD PARTY ON FRIDAY

Mrs. John Hallinan, assisted by Mrs. Mary Malone, announces that everything is now in readiness for the first big card party of the season, at the Knights of Columbus hall this Friday night, January 21st.

Pinochle, five hundred, bridge and other games will be played, and the cards will be dealt at 8.30 p.m.

A door prize will be awarded, and refreshments served.

The donation of 35 cents will be received at the door.

The State of Washington provides periodic mental and physical examinations of drivers.

COUNCIL APPROVES BUDGET FOR YEAR

(continued from page 1)

until after a consultation with railroad officials.

A state inspector will confer with Councilman Earl Shrader, chairman of the police committee, in the near future, in respect to the operation of the traffic signal at Broad and Main streets.

Special Officers

The appointment of three special police officers for a period of six months was ratified. The men who will be called upon by the police committee as needed are Roy Bowers, William Thomason and George Horner.

Councilman Knight, chairman of the borough property committee, reported that the hilly pond at the rear of Memorial Park had been cleaned out and that it was now suitable for skating, if and when the ice reached the necessary thickness.

The following bills were approved and passed:

Borough Organization—Daniel M. Clifton, clerk, sal. Jan. \$ 66.66
N. J. State Municipal League, dues 35.00
Highway—Robert H. Clelland, salary, Jan. 50.00
Police—William Gootze, salary, Jan. 140.00
Tel. driver's license, postage 7.00
John Carhart, salary 130.00
Telephone and driver's license 6.00
John Robinson, salary 130.00
Telephone and driver's license 6.00
Roy Bowers, special duty 8.00
William Thomason, special duty 4.00
George Horner, special duty 4.00
N. J. Bell Telephone Co. 6.30
Fire and Water—E. M. Cashari, telephone, Jan. 3.00
Insurance—Indemnity Ins. Co., fidelity bond C. K. Davis 150.00
Indemnity Ins. Co., fidelity bond D. M. Clifton 5.00
Garbage—John Driedric, Jan. salary 75.00
Dog Regulation—Usher Pugh Co., brass dog tags 8.25
Welfare—Com. Welfare Ass'n, salaries, Jan. 115.00
Direct Relief, Jan. 4.80
C. Kenneth Davis—Custodian School Funds 3,900.00
D. H. Clifton—Clark's cash account 500.00

"Usher, can you change these tickets for me please?"

"Is there something wrong with the seats, sir?"

"No, the seats are fine. It's the cement column in front of them I don't like."—Exchange.

NOTICE

Notice is hereby given to the legal voters of the District of the Borough of Riverton, in the County of Burlington, that the annual meeting for the election of five (5) members of the Board of Education will be held at the School House, on

TUESDAY, FEBRUARY 8, 1938

from 7:00 o'clock p.m. to 9:00 p.m., and as much longer as may be necessary, to enable all the legal voters to cast their ballots.

Three (3) members will be elected for 3 years; one (1) member will be elected for two years; one (1) member will be elected for 1 year.

At said meeting will be submitted the question of voting a tax for the following purposes:

For current expenses \$36,579.90

For repairs and replacements 1,000.00

For manual training 850.00

The total amount thought to be necessary is \$39,029.90

For bond redemption and interest on bonded indebtedness 6,100.00

Do not the above on or after January 1, 1938.

WILLIAM H. BOTTFER, District Clerk.

NOTE—The term "current expenses" includes principals' teachers' salaries, and medical inspectors' salaries, fuel, textbooks, school supplies, transportation of pupils, tuition of pupils attending schools in other districts with the consent of the Board of Education, school libraries, compensation of the District Clerk, of the custodian of school moneys and of truant officers, truant schools, insurance and the incidental expenses of the district.

A member of the Board of Education, shall be at least 21 years of age, a citizen and resident of the school district, and shall have been such a citizen and resident for at least three years immediately preceding his or her becoming a member of such Board.

Persons who may vote in addition to those registered for the last preceding general election and those whose names appear on the permanent registry list of the municipality are those who register at the polling place on the Saturday evening preceding the election between the hours of 7 o'clock and 9 o'clock p.m. Any person may register who is qualified to vote in that district for a member of the legislature. 11-1-20-38

registered for the last preceding general election and those whose names appear on the permanent registry list of the municipality are those who register at the polling place on the Saturday evening preceding the election between the hours of 7 o'clock and 9 o'clock p.m. Any person may register who is qualified to vote in that district for a member of the legislature. 11-1-20-38

AUXILIARY MEETING

The Frederick M. Rodgers, Post 156, Auxiliary will hold a meeting at the Legion Home Tuesday evening, January 25, at 8 o'clock. All eligible women are urged to attend.

DANCE ON JANUARY 22

There will be a dance in the Palmyra High School gymnasium, on Saturday evening, January 22, the affair being a benefit for The Tillicum.

Music will be provided by the PHS Swingers.

Persons who may vote in addition to those registered for the last preceding general election and those whose names appear on the permanent registry list of the municipality are those who register at the polling place on the Saturday evening preceding the election between the hours of 7 o'clock and 9 o'clock p.m. Any person may register who is qualified to vote in that district for a member of the legislature. 11-1-20-38

PALMYRA B. & L. MATURES SERIES

Amount of 42nd Payment is \$28,000; \$10,110 Cancelled In Mortgages

Whether a depression or a recession, it seems that it matters little to the Palmyra Building & Loan Association when it comes to paying off maturities.

They have been credited both far and wide for having met maturities during the depression days. Now, in keeping with such a reputation, they matured their 42nd series in the heart of a recession.

While the total of the series amounted to \$28,000, considerably less than previous maturities, still it represented the cancellation of \$10,110 in mortgages, \$3,990.00 in share loans, and a cash distribution of \$14,710.00.

Does Much Good
Sums of money representing either a cash distribution or a cancellation of indebtedness coming in times when it is most needed, do far greater good both financially and psychologically than do larger amounts, when the need is not so great.

So, it can be again said of the Palmyra Building & Loan Association, that by continuing to function as they have in the past, they are contributing largely to the success of the communities, and are the balancing wheel in such times as these through which we are now passing.

Publicity Committee.
Miss Anna Rohland entertained a number of friends on Saturday evening on the occasion of the birthday of several. Among the guests were Mr. and Mrs. Edward Hughes, Misses Adaline and Jean Seel and Joseph Seel of Palmyra, and James Bank, of Pitman.

PALMYRA

Miss Mary Rhoades, of Henry street, was the winner of the P. O. of A. blanket club drawing this week.

Mrs. Dean H. Lefavor, of 619 Morgan avenue, will leave on Saturday for Miami, Florida, accompanied by her mother, Mrs. John Patterson, of Philadelphia. They will be registered at the El Commodore Hotel until early in March.

The regular monthly meeting of the Palmyra branch of the Women's Auxiliary of Zorbrugg Memorial Hospital will be held today (Thursday), at 2 o'clock, at the home of Miss Ellen Horton, of 426 Lippincott avenue, Riverton.

The Philathea Class, of Central Baptist Church, celebrated its 28th birthday last Wednesday, with a party held in the church. Sixty-six members of the class were present and the teacher, Mrs. E. Moore, of Riverton, and Mrs. C. Y. Barto were presented with plants, their birthdays falling on that day.

Mrs. William W. Homan, of Memorial avenue, who has been ill, is improving slowly.

Miss Adaline Seel, Mrs. Dorothy Brown and Mrs. Emeline McLaughlin were hostesses at a covered dish luncheon held at the home of Miss Seel, last Thursday, for a group from the Junior Philathea Class of Central Baptist Church.

Miss Anna Rohland entertained a number of friends on Saturday evening on the occasion of the birthday of several. Among the guests were Mr. and Mrs. Edward Hughes, Misses Adaline and Jean Seel and Joseph Seel of Palmyra, and James Bank, of Pitman.

Mrs. C. W. Rudolph of Washington avenue, gave a birthday dinner last Friday in honor of her sisters, Misses Adaline and Jean Seel. Among the guests were Mrs. Eleanor Showers, Mrs. Emma Blaser and daughters and Mr. Esther and Weston, of Germantown, and James Bank, of Pitman.

A species of spider, native to Burma, is phosphorescent and "turns on its light" when frightened.

Riverton Needed
He went on to say that the East Riverton company did not have as new equipment, nor had it been organized as long as the one in Parry. There was, therefore, in the opinion of the committee, need for assistance from Riverton, in that section.

Mr. Conrow said that he felt the present course was better than dividing the money appropriated between the two companies. He concluded by saying that he was deeply appreciative of the assistance rendered by Palmyra.

Herbert Dinges, another member of the Cinnaminson Committee, stated that Mr. Conrow had presented the matter in a most satisfactory manner.

Palmyra Committee
C. Nevin Buchholz, member of the Palmyra committee, stated that if Palmyra had been relieved of duty the only thing to do was to accept the situation. He went on to say, however, that the Palmyra apparatus was the property of the borough and he wanted it understood that the trucks would not respond to calls for fires in the sections of Cleveland, Morgan, Garfield and other streets which were in the township, but closely adjacent to Palmyra. He felt that Palmyra would not be justified in allowing their apparatus to go to such fires under existing conditions and asked Mr. Conrow to notify the residents in the area in question, to that effect.

Others Speak
Councilman T. Curtis Flynn, of Palmyra, said that he wanted this clearly understood: Cinnaminson was not paying Palmyra any money, therefore, Palmyra would not furnish fire protection service.

Councilman Charles K. Mervine, of Palmyra, said that Mr. Conrow had made a clear statement of the situation and that he felt the main point was to be certain that both groups clearly understood each other. Mr. Conrow then stated that Cinnaminson residents in the Palmyra extension area would be instructed not to call the Palmyra Fire Department and would be advised regarding whom to call in case of a fire.

Special programs for women have been planned during Agricultural Week and the Farm Show sponsored by the State Department of Agriculture in Trenton, January 25 to 28. The Homemakers' Institute on Thursday, January 27, has been an annual feature for many years which attracts city as well as farm women.

The program is so varied as to include an illustrated lecture on Oriental rugs and a talk on "Home Safety."

Palmyra residents in the Palmyra extension area would be instructed not to call the Palmyra Fire Department and would be advised regarding whom to call in case of a fire.

DEPENDABLE MOTORS ANNOUNCES OPENING OF NEW BUILDING

Dependable Motors, Inc., local Dodge and Plymouth dealers, announce the formal opening of their new offices, showroom and service department, at 607 Main street, Riverton, in the re-modeled building formerly occupied by The New Era.

The structure has practically been rebuilt, providing a spacious salesroom, two private offices, and a thoroughly modern shop in the rear portion of the building. The used car lot will remain at its present location next to the Joseph T. Evans office.

Raymond L. Siris, attorney, is in charge of the company and will be assisted by Herbert C. Salmon and Louis Hahle as salesmen.

Service Department
Frank Lloyd, known to many in these communities will be in charge of the service department. This department is equipped with all of the latest mechanical devices to properly service any make car.

The management cordially invites everyone to visit their new showroom, see the latest model Dodge and Plymouth cars and become familiar with the facilities for service this new agency offers.

The establishment will be open daily from 8.30 a.m. to 9 p.m.

The new civil airfield at Kallang, Malaya, is declared to be the most modern in the world.

SCHOOL BOARD ELECTIONS FEB. 8

Five Candidates File Petitions In Cinnaminson; Only Two Vacancies

Elections for members of the boards of education in Cinnaminson, Riverton and Palmyra will take place on Tuesday evening, February 8, in the school buildings of the respective communities.

In Cinnaminson, there are five candidates for the full term of three years and only two vacancies. Those who filed petitions are, B. R. Leach and Leslie Reeves, incumbents; A. E. Hargett, Victor Jensen and Rev. Madison Bove.

In view of the number of candidates, a large vote is expected. Contest in Riverton
In Riverton, there will be contest also, four aspirants for the full term having entered the field to fill three positions.

Hilton M. Smith, whose term expires this year, will be a candidate for reelection. Walter K. Woolman and Mrs. Francis B. Elwell, present members, will not run again.

Those who filed petitions in addition to Mr. Smith are, Mrs. Alice M. Little, John L. Carhart and Albert C. Farrow.

Dr. J. Rowland Dey is running unopposed for an unexpired term of two years, as is Richard M. Woodward for a similar term of one year.

In Palmyra, where three terms expire, there will be no opposition to those who have signified their intentions of being candidates.

Mrs. Marian Mallory and Albert McKay, incumbents have announced their intention to run for reelection, but it is understood that Frank Snowden, member of the present board, did not file.

As no one filed in Mr. Snowden's place, a vacancy exists. Just what action will be taken by the voters is uncertain at this time.

LARGE VOLUME OF
WATER DELAYS CARS
ON RIVER ROAD
The torrential rains of Monday night, accompanied by high winds and tides caused the River road to be flooded on Tuesday morning, the water pouring across the highway at a point just west of the bridge over Pennsauken creek.

Cars were able to move through the swirling stream, but at a slow pace. One-way traffic was in order. The highway acted much in the manner of a dam and the current over the paved surface was particularly fast. Shoulders on the north side were badly eroded.

The flood reached a level with the first floors of several homes which border the creek at this point. Police from Palmyra and Pennsauken were on the scene.

BIRTH
Mr. and Mrs. Harold Meunier, of 117 Oxford Road, Palmyra, are receiving congratulations on the birth of a daughter, Madonna Louise, on January 20 at the Mary Haas Robbins Maternity Home.

Traveling motor post offices are being established in South Africa.

THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

RIVERTON—PALMYRA, N. J. THURSDAY, JANUARY 27, 1938

PRICE FIVE CENTS

Concerning Free Newspapers

With free "newspapers" being distributed in this section, many citizens may be tempted to ask, "Why should I pay \$1.50 to subscribe to The New Era?"

We ask your indulgence in reading what we believe is the answer. People peruse newspapers because of the news that they contain, and merchants advertise their wares therein because of this reader interest.

Reader interest is, therefore, the chief purpose of a newspaper, and we feel that The New Era offers much more in the way of live local news than any of the free papers.

Here are a few reasons why we consider that The New Era is worth the subscription price: During 1937, The New Era published a 12-page paper in 42 weeks out of the 52. Advertising in these issues averaged from 40 to 50 per cent of the total space, so that there were from six to seven pages of news every week.

This, in itself, is not significant without an analysis of the subject of news articles. The New Era covers local happenings in Riverton, Palmyra and Cinnaminson, in addition to county and state happenings which may have a local aspect. Fillers, inserted merely to occupy space, are rarely employed.

In order to give our readers live news, The New Era does the following: Has a member of its staff attend all meetings of the Burlington County Board of Freeholders; local council, township committee and boards of education meetings.

Has a member of its staff cover all local sports events. Obtains first-hand information regarding all local accidents, fires, etc., from eye-witness versions, or from police and fire department officials. Clipping articles from other papers is not part of our policy.

The New Era contains more original local pictures than ALL other newspapers circulated in this vicinity. In substantiating these statements, we offer the following statistics from corresponding issues of The New Era and Paper A, which is distributed free:

	Number of News Articles	Space Occupied By News Articles	
		Inches	Pages
The New Era	75	464	6
Paper A	45	270	3½

If and when any of the free papers provide as much news or, if we may be permitted to be somewhat egotistical, as high quality local news as The New Era, then there will be no need for a legal newspaper in this section and one could not long survive.

The same situation holds true, not only locally, but throughout the entire country. If free circulation were the answer to reader interest and advertisers' problems, we would find our leading dailies, weeklies and monthly publications being distributed on this basis.

Until such time as this occurs, The New Era will continue to base its policy upon maintaining reader interest as compared with one founded upon mass circulation.

We feel that this course is a sound one, since during the past year, despite the fact that we were faced with the most severe competition in South Jersey, in the matter of free distribution, The New Era has gained nearly two hundred subscribers.

MEASLES COMMON IN BURLINGTON
To date local communities have been fortunate in escaping the epidemic of measles which has descended upon Burlington.

In that community, a total of over 125 cases have been reported, more than 50 coming down with the malady within the past week. Strict precautions are being taken to halt the spread of the disease.

WOMEN'S REPUBLICAN CLUB HOLDS MEETING
The regular monthly meeting of the Burlington County Women's Republican Club was held last week, at Bridgeboro, Mrs. Pearl Bridgum, of Hainesport, presiding.

The affair was in charge of Mrs. J. C. Gillam, chairman of the legislative committee, who spoke on the topic, "Legislation."

It was announced that Mrs. A. Haines Lippincott, of Camden, will speak on the subject "Peace" at the next meeting to be held on February 17.

SI ROLOGY SEP.
Looks like them Japs in China is likely to find themselves in the same fix as the little boy whose eyes was bigger than his stomach!

JURY PROPOSES 8-POINT PLAN

Action Taken to Reduce Car Fatalities and Crashes; State Aid Asked

In a report issued on Tuesday of this week, the special committee of the Burlington County grand jury urged adoption of a permanent county-wide plan, with state assistance, to reduce auto fatalities and accidents in the county.

In addition to the 8-point plan for accident reduction, the grand jury asked Prosecutor Howard Eastwood to summon for a conference all chiefs of police, justices of the peace and committing magistrates in the county.

It is proposed to have these officials meet with the grand jury on February 8 and 9, at which time the details of the plan will be discussed and cooperation requested.

Many Opinions
The plan was adopted by the special committee of the grand jury after numerous officials had testified regarding various road hazards and had given their opinions regarding safety.

The factors recommended in the grand jury proposal are as follows: Extension of the State patrol system on Routes 25 and 39 to all other parts of the county.

Greater co-ordination of all enforcement agencies. More stringent enforcement on stop streets and all other motor vehicle regulations.

A survey by the State Highway Department on the adequacy and effectiveness of stop street and other warning signs on highways.

Installation of traffic and street lights wherever necessary in the county.

Dual Highway
Extension as soon as possible of the dual highway system in the county to reduce accidents, the report stated.

PLANS BEING MADE FOR ANNUAL BOY SCOUT CAMPAIGN
Warren A. Brown, of Florence, general chairman of the Boy Scout Campaign, held a meeting of his committee last Wednesday evening at the home of E. R. Fenimore Johnson, of Moorestown.

The following men, who were present will assist Mr. Brown in the campaign: Alexander C. Wood, Jr., of Riverton, will be chairman of initial gifts list; George W. Lippincott, of Mt. Holly, will be chairman of the regular organization; Richard Devereux, of Burlington, will be in charge of the plans and details of the campaign; E. Fenimore Johnson, of Moorestown, is chairman of publicity committee; J. J. Robinson, of Riverton, is prospect list chairman; L. E. Collins, of Moorestown, is to arrange for meetings for the campaign; N. F. S. Russell, of Edgewater Park, will be chairman of corporation gifts, and H. Ford Stockwell, Jr., of Moorestown, will have charge of auditing at the close of the campaign.

The tentative date for the campaign is set for the week of February 14.

DINNER HONORING SOLICITOR PEDITTO
Americans of Italian extraction from all of the principal towns in Burlington county are preparing for the Recognition Dinner to be given in honor of Christopher N. Peditto, well known attorney, of Palmyra.

The dinner will be held on February 6, in the Italian-American Recreation Hall at Riverside. The affair is to be given in honor of Peditto's recent appointment as county solicitor.

Mrs. Bowen said in part: "Today New Jersey has more than 85,000 members in the parent-teacher association, and Burlington county has had four out of ten state presidents. Mrs. Augustus H. Reeve, of Moorestown, has not only been state president, but National president, and last year she was president of the International Federation of Home and School. We can all help to promote peace among nations, and there is nothing quite so fine as peace. Through the International Federation we have a rare opportunity to help establish peace."

Mrs. Bowen stated that the New (continued on page 9)

COMMITTEES FOR COUNTY GOP UNIT

Appointed by Fred Norcross, President of Young Republican Club

At a meeting of the Burlington County Unit of Young Republicans which was held in Mt. Holly last week, President Fred Norcross, of Pemberton, made committee appointments for the year, many local residents being included.

The organization is as follows: Entertainment—Paul Austin, Burlington, chairman; Elizabeth Chambers, Palmyra; Palmer L. Adams, Palmyra; James Goodwin, Riverton; John N. Swartz, Palmyra; Marjorie Shotwell, Burlington; Sue Fenimore, Delanco; Clarence G. Price, Mt. Holly; Albert C. Jones, Mt. Holly; Clifford E. Massey, Lumberton; Ivins G. Wright, Beverly; John Kenney, Riverside; Whitford Barclay, Riverside; Frank Atkinson, Moorestown; Beatrice Seither, Palmyra; Howard McCormick, Bordentown; Russell M. Stoddard, Mt. Holly, and Alfred Jones, Pemberton.

Public Affairs—Kirkland D. Marter, Beverly, chairman; Edna Morris, Moorestown; Howard Bright, Riverside; Viola Frazier and Joseph W. Bowley, Burlington.

Men's campaign—Frank A. Snover, Palmyra, chairman; Palmer L. Adams, Albert C. Jones, Clarence G. Price, Henry Rosenfeld, Jr., Mt. Holly; Paul Austin, John L. Lebegood, Moorestown; Clifford E. Massey, Lumberton; Ivins G. Wright, and Lester A. Drenk, Riverside.

Women's campaign—Jane Wright, Beverly, chairman; Elizabeth Jones, Mt. Holly; Genevieve Steele, Riverside; Alma M. Evans, Riverton; Mrs. John N. Swartz, Palmyra; Elizabeth Chambers, Palmyra; Mrs. Carole Shober, Burlington; Mrs. L. J. Appleton, Moorestown, and Mrs. Blanche R. Gilpin, Moorestown.

Organization

Organization—Clifford E. Massey, chairman; Leon Rosenfeld, Mt. Holly; Arthur Prager, Riverside; Lorena Blankenmeyer, Riverside; Eleanor Kashner, Florence; Curtis Nutt and Clarence G. Price, Mt. Holly. Speakers—Albert C. Jones, chairman; Alexander Denbo, Burlington; Henry Rosenfeld, Jr.; Lester A. Drenk, Jane Wright and Alma M. Evans.

Finance—Paul Austin, chairman; Vito Camerda, Burlington; Melvin Shotwell, Burlington; Frank Cunningham, Moorestown, and Genevieve Steele. By-laws—Henry Rosenfeld, Jr., chairman; Ronald T. King, Burlington; Eleanor Austin, Burlington; George Erickson, Palmyra; H. Prescott Herr, Moorestown; Lester A. Drenk and Marjorie Shotwell.

Executive—Palmer L. Adams, and Frank E. Chambers, Palmyra; Lester A. Drenk and John Kenney, Riverside; Ivins G. Wright, Beverly; Paul Austin and Ronald T. King, Burlington; Clifford E. Massey, Lumberton; Albert C. Jones, Clarence G. Price and Henry Rosenfeld, Jr., Mt. Holly; John L. Lebegood, Moorestown, and Howard Bright, Riverside.

RADIO GARDEN CLUB PROGRAM

Living plant pictures that can be created by any ingenious gardener who wishes to give added beauty to the interior of her home will be described on the Radio Garden Club program scheduled for Friday, January 28. As guest speaker, the Agricultural Extension Service of Rutgers University will present Esther C. Grayson, author and lecturer, of Ridgefield, N. J. The program will be heard at 2:15 p.m. over WOR and other stations of the Mutual Broadcasting network.

The Radio Garden Club's first broadcast for February will be given on Tuesday, February 1, by Prof. R. B. Farnham, extension specialist in floriculture at the New Jersey College of Agriculture, Trenton. Farnham will speak on "Planning Your Seed Order," and the program will be a presentation of the Garden Club of New Jersey.

ARMY ASSISTS IN EMPLOYMENT

Pointing to evidences of the grave unemployment situation existing throughout the country, Colonel William H. Patterson, U. S. Army, in charge of recruiting in New York, New Jersey and Delaware, recently urged a wider recognition of the importance of the Regular Army as an ally in the Government's campaign to aid the great mass of the jobless.

Today's modernized, motorized army is quite a different place than the Army usually pictured in popular imagination, according to Colonel Patterson. Infinite opportunities await the ambitious young man. More than 220 trades and crafts are utilized in the military service. Both the trained and the untrained are eligible for enlistment.

High Type Men

Never before has the Army attracted such a high type of young American. College men and high school graduates are to be found at all Army posts serving in various special and regular duties. Every year hundreds of Army enlisted men compete for cadetship at West Point. Last year's football captain at West Point, Cadet Jim Isbell, was one of the many who entered West Point in this way. Colonel Patterson said ninety vacancies are reserved at the Military Academy for Regular Army soldiers.

Vacancies

Seventeen hundred vacancies now exist in Army posts in New York, New Jersey and Delaware, Colonel Patterson announced. There are also openings in various units in the Panama Canal Zone and Hawaii. Age limits are 17 to 35 years. Candidates must be unmarried and have full citizenship papers. A physical examination and an intelligence test are required.

Postmasters in every community in New York State, New Jersey and Delaware will furnish interested young men with the address of the nearest Army recruiting station. The Army has recruiting representatives conveniently located in 32 different cities and towns of the three states.

FEBRUARY PROGRAM OF PORCH CLUB

The following is the Porch Club program for February:

- 1—Tuesday, 11 a.m.—Literature and Drama Departments. Book reviews. Box lunch.
- 2—Tuesday, 2:30 p.m.—Business meeting. Dramatic sketches.
- 3—Wednesday, 9:30 a.m.—Exercising. Mrs. Alexine Tomes.
- 4—Thursday, 10:30 a.m.—Bridge. Mr. Charles Goren.
- 5—Monday, 9-12 a.m.—Painting. Mrs. Murray C. Boyer.
- 6—Tuesday, 10:30 a.m.—French conversation. Mrs. Harold Marshall.
- 7—Wednesday, 9:30 a.m.—Exercising. Mrs. Alexine Tomes.
- 8—Thursday, 10:30 a.m.—International Current Events. Miss Besse Howard.
- 9—Tuesday, 10:30 a.m.—"Menu Making." Miss Helen Farrell.
- 10—Wednesday, 9:30 a.m.—Exercising. Mrs. Alexine Tomes.
- 11—Thursday, 10:30 a.m.—Bridge. Mr. Charles Goren.
- 12—Monday, 9-12 a.m.—Painting. Mrs. Murray C. Boyer.
- 13—Tuesday, 10 a.m.—Executive Board meeting.
- 14—Wednesday, 9:30 a.m.—Exercising. Mrs. Alexine Tomes.
- 15—Thursday—Literature Conference. Collingswood.

ABOUT THE COUNTY

Immediate construction of the river to ocean canal, which would cross Burlington county, was recently recommended by Frederick von Nieda, of Atlantic City.

Last week, District Attorney Geaghan, of Brooklyn, requested, for the third time that Ellis H. Parker and son be extradited to be tried in Brooklyn for the Paul H. Wendel kidnapping.

The gray seal, which was found in the Delaware river, off Florence, Pa. last week, was presented to the Philadelphia Zoological Gardens. Scientists were unable to explain how the mammal strayed so far from its Arctic habitat.

VALENTINE DANCE

The K and M Chapters of Alpha Psi Nu Sorority announce that they will present Ed Dages and his orchestra at a Valentine Day Dance to be held at the Riverton Country Club, on Saturday, February 12. Dress is optional and tickets for the affair are \$1.50 per couple. Further details will be found in later issues of The New Era.

HIGGINS-STOCKDALE

The marriage of Miss Margaret Stockdale, daughter of Mrs. Frances Stockdale, of 42 Henry street, Palmyra, to Joseph Francis Higgins, of 33 High street, Maple Shade, took place at three o'clock last Saturday, in the Church of the Sacred Heart, Riverton.

The ceremony was performed by the Rev. John Welsh, and Miss Agnes McCarrick sang. The bride wore a gown of satin made on princess lines with rose point lace at the neckline. It was fashioned with long sleeves and a skirt which flared into a fan-shaped train. Her veil fell from a Juliet cap of seed pearls and she carried lilies of the valley and roses.

Miss Myrtle Warner, of Camden, was maid of honor and was gowned in aqua net trimmed in matching velvet. She carried Talisman roses. Miss Dorothy Dimon, of Palmyra, was bridesmaid and wore a gown like that of Miss Warner in wood rose shade trimmed in Dubonnet. She wore Dubonnet accessories and carried Talisman roses.

Joseph McLaughlin, of Philadelphia, was best man, and James Bulvidas, of Palmyra, was usher.

The bride's mother wore a gown of royal blue with navy accessories and wore a corsage of gardenias. Mrs. Higgins was gowned in blue printed crepe and wore gardenias also.

Following a reception, Mr. Higgins and his bride left for a honeymoon and will be at home after February 1.

ENGAGED

Mr. and Mrs. Walter V. Sippel, of 209 Thomas avenue, Riverton, announce the engagement of their daughter, Miss Irene Sippel, to W. Hayward Powers, Jr., of New York City and Rye, N. Y.

Miss Sippel is a graduate of Miss Illman's School, Philadelphia. Mr. Powers, son of Mr. and Mrs. Walter H. Powers, of Rye, attended the Loomis School, and was graduated from the Kirmayer School in New York. He is a member of the Manuscript Island Club of Rye, and of the Sons of the American Revolution.

ENGAGED

Mr. and Mrs. John V. Koenig, of 215 Horace avenue, Palmyra, announce the engagement of their daughter, Miss Janet Elizabeth Koenig, to Daniel E. Bates, son of Mr. and Mrs. Walter D. Bates, of 223 Horace avenue.

To keep love you must return it.

Assembly Program

On Friday, January 20, the regular assembly was in charge of the chairman, June Rodman.

The scriptures were read by Margaret Meyer.

The chief feature of the program was a clever demonstration of a nine string marionette, called Clippo, the clown, this being given by Miss Martinielli, of Gimbel Brothers. Shirley Cook explained the new unit work in the fourth grade on the history of writing.

George Conover gave a vivid description of his recent trip to Nassau. Harvey Hirst was asked to tell how he won a penknife as a prize from the Philadelphia Inquirer. David Pittenger played the assembly march.

This week, the fifth and sixth grades will visit the Philadelphia Art Museum in connection with their work on "The Progress of Democracy During the Middle Ages."

The third and fourth grades will visit The New Era office to observe methods of printing.

SOUTH JERSEY STAMP EXHIBIT

If you are interested in stamp collecting, even mildly, it will pay you to visit the Third Annual Stamp Exhibition, to be held by the Association of South Jersey Stamp Clubs, to be held in the main ballroom of the Walt Whitman Hotel, in Camden, on Friday, Saturday or Sunday, Feb. 18, 19 and 20.

Hundreds of sheets of the best stamps owned by the members of the 15 associated stamp clubs will be shown and even if you are not an advanced collector you will enjoy the color of it and be fascinated with these bits of stamped paper that tell so much of art and history.

There will be a reception committee that will gladly explain any point you want to know or show you any particular stamp or collection that you wish to see.

The advance entry demands this year will allow of grouping all the classes and a catalogue of the exhibition will be published. This will allow the visitor to see the show to greater advantage.

The judging will be done on Friday evening by Judge Albert Maris, a collector of Liberia; Harry A. Lee, noted for his foreign collection, and George A. Henheffer, a well-known philatelist. As soon as possible prize ribbons will be posted on the collections so the public will know the relative values as judged.

DEMONSTRATION LESSON TAUGHT AT CAMDEN

A demonstration lesson to an upper grade class in literature was held for the teachers of the Camden Teacher's Study Centre by Mrs. Eleanor J. Young, principal of Cinnaminson School No. 4, on last Thursday evening.

The lesson was based on the loyalty and devotion of dumb animals. The story chosen was one of Albert P. Terhune's stories about the loyalty of a Great Dane.

To make the story more impressive, a Great Dane was allowed in class by his master, who lives in Cinnaminson township. A Sealyham was also permitted to be with the Great Dane.

The children who took part were transported by Howard G. Taylor, Jr., Mrs. Mildred Magowan, supervisor, and Mrs. Betty McKim.

MID-WINTER SESSION HISTORICAL SOCIETY

The mid-winter meeting of the Burlington County Historical Society will be held in the Cooper House, 457 High street, Burlington, N. J., on Saturday afternoon, January 29, 1938, at 2:30 o'clock.

There will be an address by Howard L. Hughes, librarian, Trenton Free Library on the subject: "The Trenton Campaign." Guests of members are welcome.

STILL 10c A DAY

The world-famous Remington Portable Typewriter can still be bought for 10c a day. The two most popular models may be seen at The New Era Office.

OBTAINED 987

JOB IN COUNTY

The Unemployment Compensation Commission of New Jersey announced today that during 1937 a total of 987 jobs were filled in Burlington county through the free, public employment office located at 55 Main street, Mt. Holly, which is operated by the New Jersey State Employment Service Division.

The placements in all employment included 768 jobs for men and 219 for women. The majority of jobs filled were with private employers. In the first eleven months of this year, private employers hired 548 applicants through the Mt. Holly office, including 334 men and 214 women.

Public employment of all kinds accounted for 439 placements, 434 for men and 5 of women. The majority of these jobs were on construction projects, including highways, at prevailing wages. Relief placements at the security wage on WPA projects were a negligible fraction of the total as during the year such projects were almost entirely manned by employables on relief in a registered, classified and assigned to the WPA by the Employment Service in 1935 and 1936.

YMCA STAMP CLUB of Palmyra and Riverton

Meeting January 28

The Palmyra-Riverton YMCA Stamp Club will hold a meeting tomorrow (Friday) night in the American Legion Home, Palmyra, at 8 o'clock.

Henry Gingrich, of Glassboro, will speak on the subject of "General Collecting," a topic which should be of interest to all members. There will be a short business session and a raffle has been arranged by the committee. This innovation is expected to be most interesting.

WEEKLY GAMES AT SACRED HEART

Despite the inclement weather, a large crowd turned out to enjoy the weekly games being played at the Sacred Heart School hall on Monday night, at 8:30 o'clock.

Another fine assortment of prizes was awarded, and each week seems to bring added novelties and specials.

The name of the person awarded the cow was not learned, as well as a number of others receiving valuable awards.

Some of the recipients were as follows: A. E. Conlow, 5-piece kitchen set; James Anderson, basket of groceries; A. E. Fowler, bedroom clock; M. A. Casey, smoker; Roberta Tracy, blanket; Mrs. H. Frehafer, special; Mrs. Siddle, electric toaster; George W. Peacock, clothes hamper; Clarence Hamlin, 11-piece punch bowl set; Betty Ehrlich, bedspread; Mrs. M. Carvello, card table; William Watson, 26-piece table ware; Mrs. Siddle, 24-piece breakfast set; G. Penimore, percolator and whistling teapot; Richard Fowler, 1 pair modernistic lamps; John N. Hullings, electric mantle clock; Fred Heberle, indirect light table lamp; C. Walter, walnut server with electric percolator set.

MARKETS FLOODED

There are all kinds of coals flooding the markets masquerading under various titles, but the EVANS firm is the only agent in this vicinity for PREMIUM ANTHRACITE coal, the cream of the lot.

"It goes farther and heats longer." Ask EVANS about easy financing of ALTERATIONS and NEW HOMES, estimates free.

GET READY FOR TURKEY DINNER

The men of the Methodist Church will serve a turkey dinner in the gymnasium of the church, Thursday evening, February 24. The repast will be served between the hours of five and seven o'clock. Tickets are 40 and 75 cents.

The entire community is invited to this gala occasion of the men. There will be plenty to eat—plenty of fun for everyone who can get in. Get your tickets early, from any member of the committee or members of the church.

First come first served. Germany's 65,000,000 rats destroyed \$550,000 worth of food and other things every day.

SNIPED AT WHILE DRIVING AUTO

A Palmyra resident, while driving through Masonville one evening recently had the unpleasant experience of having a rifle bullet strike the window of his car. Only the fact that the window was closed prevented him from being injured by the projectile.

The Palmyra police were notified of the affair and they, in turn, advised State Police who are conducting an investigation.

It is reported that several other cars have been struck by bullets in this same section and officials state that a severe penalty will await the offender when he is apprehended.

The hardest work is dodging work.

The Funeral Home

The Snover Funeral Home, air conditioned, equipped with every modern convenience, and especially designed for funeral services, is, as always, offered for use without additional expense.

This is but one of the features that has made the Snover Service really distinctive in these communities.

COUNTY WELFARE
BOARD REPORTPresented by Harold B. Cooper,
Director: Shows Scope
Of Activities

In summarizing the past year's activity, Harold B. Cooper, director of the Burlington County Welfare Board, took the opportunity of making an appraisal of the work of 1937 as a guide in determining future policies. The text of Mr. Cooper's summation follows:

"The administration of old age assistance is still a major function of this board and because of the possibility of continued increases in the case load in the next year careful consideration must be given to applicants' resources and those of legally responsible relatives."

"At the present time there is a heavy influx of applications. This can doubtless be attributed to the present business recession, which has reflected on the contributions that the legally responsible relatives have been making to their parents and grandparents."

"Old age assistance is now provided in 47 states, New Jersey having 25,121 beneficiaries."

Case Load

"Our case load increased from 858 cases as of January 1, 1937, to 1015 cases as of January 1, 1938, showing a net increase of 157 after taking into consideration 194 cases that were discharged from the case load during the year because of deaths, admissions to public institutions, sufficient income of recipients, improvements in financial conditions of legally responsible relatives which enabled them to maintain recipients, and other reasons."

"We received and investigated over 500 applications during 1937, part of which withdrew or were rejected because they could not meet the requirements of the law."

"In addition to the investigation of the new applications it was necessary, in accordance with the law, to contact all active cases at least twice during the year. Due to the rapidly changing social and financial conditions, it was also necessary to contact some of our recipients more than twice a year."

Not a Pension

"About 25 per cent of the total amount expended has been recovered under the reimbursement plan. We still have not succeeded in dispelling the impression that Old Age Assistance is not a 'pension.' The reimbursement procedure is often misunderstood. It is sometimes difficult to make the applicant realize that, in agreeing to reimburse the governmental agencies out of whatever assets—whether real estate or personal property, including life insurance, he may have or may acquire—the assistance he will receive is a loan without interest from his government. He is actually paying his way wholly or partially. Also, if living in his own home, he will be permitted to remain there the rest of his life or keep it as long as it is useful to him. These facts clearly indicate the need for continued insistence that equities be assigned and relatives, responsible and able, be required to help so that public funds may be spent for the purpose for which they are intended."

"During the past year it has been possible to direct our emphasis towards increasing service to the aged, over and above the essential determination of eligibility and amount of assistance needed. Particular attention has been directed to the health needs of clients."

Cooperative Activities

"While the administration of Old Age Assistance does, as can be seen from the above, constitute the greater portion of our work, there are a number of activities in which the County Welfare Board can, as the result of its perfected organization, give worthwhile cooperation to other agencies. Indirectly at least, these are of help to the Board in its own work. Stated briefly, these cooperative activities are as follows:

"Dependent children—Investigation of petitions for assistance for dependent children is made by the field workers of the State Board of Children's Guardians. Hearings on Home Life cases are held before Mr. Cooper as referee for the Welfare Board and Mr. Stackhouse as county adjuster. Their findings and recommendations are submitted to the Board for its approval."

"Commission for the Blind—This state group, like the Board of Children's Guardians, works in conjunction with the County Welfare Board and, in the same manner, submits its recommendations for the Board's approval."

"Civilian Conservation Corps—As County Coordinators for the enrollment of boys in CCC Camps, we have supervised the enrollment of 167 boys during the past year."

Child Welfare

"Child Welfare Division—Since February of this past year, Mrs. Helen Conant has been associated with us in the development of Child Welfare Services in the county. She has already had the problems of 356 children presented to her. It has been her work to consult with and advise others whenever possible in handling the problems of these children; to refer them for attention to already existing agencies, private and public, national, state and county, and to supervise the very large number of those children for whom no facilities are yet available."

Appreciation

"We wish to express our deepest thanks to all those who have made it possible for us to carry on with our work. We could not have done all that we have without the fine cooperation of the Board of Freeholders, private agencies, overseers of the poor, the various state and county institutions and the many officials and individuals of state, county and municipalities who have always been most willing to lend their assistance. To each we owe a debt of gratitude, and we want them to know that what they have done is greatly appreciated, not only by us but also by the many who, as the result of their cooperation, have found life made a little easier."

SUCCESSFUL SALE

The Boy Scouts of Troop 21, of Parry, conducted a cake sale on Saturday, January 22, under the direction of Scoutmaster William B. Gibson. The sale was very successful, the profit being \$19.50. The money will be placed in the troop treasury, in preparation for the summer camping at Mahalala. William E. Peak, Scribe.

Maxims are the condensed good sense of nations.

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor

Services, Sunday, January 30, 10:00 a.m., Bible School. A new feature of the opening exercises of the school will be adopted this Sunday, in the nature of a Bible quiz. It will be conducted for a ten minute period and will be a contest between boys and girls; four of each will present themselves every Sunday for the questioning.

11:15 a.m., Morning Worship. All those attending the Bible School should avail themselves of the privilege of attending the morning service. It is always helpful and inspirational. "What Is Faith?" will be the subject of the sermon.

6:45 p.m., Young People's High School Group. This meeting will be under the supervision of the Fellowship Committee with Charlotte Seemuller, leader. An open discussion on a current topic of interest will take place and will be led by Harry Horner.

7:45 p.m., Evening Worship. "Can the World Meet Man's Needs Without God?" a subject that should make its appeal to all, particularly at this time, will be the pastor's theme for the evening sermon. The choir, as usual, will make their contributions to both morning and evening services.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor
"Faith in God" is the theme of the sermon to be given by the Rev. W. A. Boyd, this Sunday morning at eleven o'clock.

This is the fourth sermon in the series "A Faith for Today." Have you lost Faith in God? Has sin or death or sorrow or disappointment shaken your faith in the plans of God? Then hear this sermon. The music of the morning will be provided by the senior and junior choirs.

Sunday evening will be "Japanese Night" in our church. It is the last of the International Night. Miss Betty Kilburn, recently from China is to be the speaker. She comes from the land in which we are all very much interested: the land of mysticism, war and aggression. A land divided between the government and the militarists; the land headed, only God knows where. Hymns of All Nations will be used in this service. These hymns will be sung by the choir, male quartet, mixed quartet, and solo voices.

"The ways of Good Men and Evil Doers" will be the Lesson Study for this Wednesday evening, from eight to nine o'clock.

Church of Christ, Scientist
"Love" is the Lesson-Sermon subject for Sunday, January 30, in all Christian Science Churches and Societies throughout the world. The Golden Text is: "We have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him." (I John 4:16).

Among the Lesson-Sermon citations is the following from the Bible: "Love thy neighbor as thyself; therefore love is the fulfilling of the law." (Romans 13:10). The Lesson-Sermon also includes this passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love, the adamant of error, self-will, self-justification, and self-love, which wars against spiritual love and is the law of sin and death." (p. 242).

The Girl Scout Mothers of Troop 1, will hold their meeting on February 8, at the home of Mrs. J. Kerrigan, 18 East Charles street, at 8:30 p.m. Final plans will be made for the banquet and all mothers are urged to attend.

The Girls Aid Sunday School Class, of the Lutheran Church, are selling Daisy dish cloths. The proceeds of this sale will go toward buying new hymn books. These cloths sell for 10c and can be obtained from any member of the class.

The Junior Porch Club, of Riverton, will hold a meeting in the Porch Club building, on Tuesday evening, February 1, at 8 o'clock.

The guest speaker will be Mrs. A. K. Rome, who has been a resident of Java for the past several years. Mrs. Rome will describe the life of the Javanese and will display a collection of curios and articles used by these people. All junior and senior members of the club are invited to attend.

BIRTH

Mr. and Mrs. William Landgraf, of Wellsburg, N. Y., formerly of Palmyra, have announced the birth of a daughter, Carol Ruth, on January 13.

RIVERTON

Miss Patience Northrop, of 221 Thomas avenue, was among the recent graduates of Pierce School. Their exercises were held in the Academy of Music last Thursday night.

Mr. and Mrs. Earl Northrop and daughter, Patience, of 221 Thomas avenue, are vacationing in Florida.

Mr. and Mrs. Joseph Kaldenback, of Upper Darby, were guests of Mr. and Mrs. Charles DeLaney, of Thomas avenue, on Friday.

Miss Betty Sim, a student dietitian at Hahnemann Hospital, spent the weekend with her parents, Mr. and Mrs. Harry Sim, of Thomas avenue.

Mrs. H. L. Unland, of 638 Thomas avenue, entertained several friends at luncheon last Thursday.

Miss Margaret Heisler, a student at Swarthmore College, spent the weekend with her parents, Mr. and Mrs. Roy V. Heisler, of Midway.

The January food sale of the Sacred Heart P.T.A. will be held in the school auditorium today (Thursday) January 27. Orders taken and delivered by phoning Mrs. Harry Groom, Riverton 821.

The winners in the Sacred Heart Household Linen Club for January 12 were Ruth Biddle, of Philadelphia, and Mae Laverty, of Riverton. On January 19 the winners were R. W. L. and Mrs. J. W. L. of Downs, East Riverton.

The Riverton Electric Shoe Repair opens this week under new management. All work is done under a "satisfaction or money back" guarantee.

PALMYRA

The Women's Home and Foreign Missionary Society of the Epworth M. E. Church, Palmyra, held a luncheon meeting last week in the social room of the church. Mrs. Walter D. Lamont and Mrs. Herbert Parsons, hostesses, were assisted by Mrs. Ernest Senior, Mrs. Melvin B. Cromwell, Mrs. George Durgin, Mrs. Wilbur Eval, Mrs. Harry Pluck and Mrs. Samuel Johnson.

Mrs. Samuel Silver left Sunday for her home in Cleveland, Ohio, after spending the holidays with her parents, Mr. and Mrs. Elvin I. Powell, of Memorial avenue.

Mrs. H. W. Alloway, of 213 Elm avenue, was the winner of the P. O. of A. blanket club last week.

Mr. and Mrs. Elwood Marter and family, of Lumberton, were guests of Mr. Marter's mother, Mrs. Anna Rockhill, of Delaware avenue, on Sunday.

The Girl Scout Mothers of Troop 1, will hold their meeting on February 8, at the home of Mrs. J. Kerrigan, 18 East Charles street, at 8:30 p.m. Final plans will be made for the banquet and all mothers are urged to attend.

The Girls Aid Sunday School Class, of the Lutheran Church, are selling Daisy dish cloths. The proceeds of this sale will go toward buying new hymn books. These cloths sell for 10c and can be obtained from any member of the class.

The Junior Porch Club, of Riverton, will hold a meeting in the Porch Club building, on Tuesday evening, February 1, at 8 o'clock.

The guest speaker will be Mrs. A. K. Rome, who has been a resident of Java for the past several years. Mrs. Rome will describe the life of the Javanese and will display a collection of curios and articles used by these people. All junior and senior members of the club are invited to attend.

BIRTH

Mr. and Mrs. William Landgraf, of Wellsburg, N. Y., formerly of Palmyra, have announced the birth of a daughter, Carol Ruth, on January 13.

OBITUARIES

MRS. ANNA S. DONALDSON

Mrs. Anna S. Donaldson, of 205 Main street, wife of the late Weston Donaldson, passed away early Sunday morning, January 16, after an illness of nearly three weeks.

Mrs. Donaldson had been a resident of Riverton for 38 years and during that time was a loyal and interested member of Christ Church and of the Porch Club. She has also been a faithful worker for the Home for Incurables in Philadelphia for 60 years.

Mrs. Donaldson is survived by her sisters, Miss Ida Schmoel and Mrs. George J. Newton, of Riverton.

JOHN H. REITHER

John H. Reither, 70, died at his late residence, 713 S. Clinton avenue, Trenton, on Monday of last week. Funeral services were held on Thursday, in Trenton.

He is survived by his wife, Elizabeth Smith Reither, a daughter, Mrs. Caroline Combs, both of Trenton; a son, John of St. Louis, Mo.; a sister, Mrs. J. P. Toman, of Trenton, and three step children, Mrs. Harry Neill, of Trenton; Stanley Smith, of Ardmore, and A. M. Smith, of Riverton.

Mr. Reither was one of the oldest employees of the John A. Roebling Co., having been connected with the firm for 52 years.

SARAH M. HINKLE

Sarah M. Hinkle, 94, of 406 Leconey avenue, Palmyra, died Sunday, at her late residence.

Funeral services were held on Wednesday at 1 p.m., the Rev. George Lockett, officiating. Interment was made in Point Pleasant Cemetery, Philadelphia, under the direction of Frank A. Snover.

The deceased is survived by a sister, Hattie G. Benner, and a brother Howard, of the same address.

JURY PROPOSES

8-POINT PLAN
(continued from page 1)

duction of accidents by such a system on a highway being estimated at 45 per cent.

That the State Highway Department construct pedestrian sidewalks along important arteries of travel in built-up sections.

That an educational program be undertaken with Parent-Teacher Association, Boy Scouts, service clubs, fraternal and other organizations participating, to create sentiment for fuller obedience to motor vehicle laws, and to impress upon parents and children the danger of using streets for bicycling and roller skating, as well as use of highways by pedestrians at night.

RED CROSS
+ NEWS

5154 Membership

At the regular meeting of Burlington County Chapter American Red Cross it was announced that while the county Roll Call quota was 5,000 memberships, the chapter had gone over the top and secured 5,154, with several small districts yet to hear from.

Mrs. J. Frank Schuyler, of Florence, production chairman, stated many sweaters, socks, beanies and other articles had been made and shipped to government hospitals for the use of disabled veterans confined therein.

The Junior Red Cross report, submitted by Miss Reba Troxell, showed increased interest in this branch of the work and that the Juniors had extended much Christmas cheer to the needy.

Miss Dorothy E. Middleton, of Moorestown, gave an account of the eight First Aid Highway stations and their work; she also said six new first aid classes will soon be started in the county; one class is now being conducted in the Spring-side school by Vernon E. Dickerson, of Burlington, who will soon start a similar class in Stevens School, among pupils of the 7th and 8th grades.

Field Representative

A letter from the National Red Cross stated that Charles H. McFarland had been appointed field representative for the State of New Jersey, in the place of Otto S. Lund, resigned. Mr. McFarland is a native of West Virginia and has already moved his family to New Jersey.

A great increase was reported in assistance rendered to both civilians and the families of the World War veterans.

Miss Mary W. Samson, executive secretary, was elected a chapter delegate to attend an Institute for executive secretaries, to be held in Newark this week.

The budget for 1938 was submitted and accepted by the members. Life Saving plans were made and all branches urged to send in their contributions to this fund at this time.

Executive Secretary,
Mary W. Samson,MEAT PRICES GO
DOWNWARD AGAIN

The December, 1937, average retail price of 83 food commodities showed meat costs 6.97 per cent below the previous month, but meat prices are still relatively high according to the Department of Agriculture in a report issued this week. An increased use of fresh eggs as an economical meat substitute was suggested in view of the decline of about 2 cents per dozen for eggs during December.

All foods declined 2.18 per cent in December below the November level and 5.5 per cent below the October level when prices first began the downward trend. The December level also slumped 2.41 per cent in comparison with the same month in 1936, but was 24.94 per cent higher than in December, 1932.

FOOD FACTS

Did you know that—
700,000 pounds of cheddar cheese were packed in valvued cans in 1937, according to the U. S. Department of Agriculture.

Commercial unfermented fruit juices are becoming popular in Mohammedan countries where intoxicating beverages are banned by the Koran.

The "bakers dozen" is said to have originated in Amsterdam where a baker, on the advice of St. Nicholas, gave thirteen rolls instead of twelve to demonstrate his generosity and so avoid a curse placed on him by an old hag.

Stored in a vault in Paris, the international standard kilogram, serves as a basis for the American system of weights.

These "food facts" are compiled by the Division of Consumer Information of New Jersey State Department of Agriculture.

POWERS RECEIVES
REQUESTS FOR
1937 YEAR BOOKS

Requests for copies of the 1937 Agricultural Year Books, said to be one of the best issued by the Department of Agriculture, are still flooding the office of Congressman D. Lane Powers in Washington.

The Congressman has about 150 of these volumes left to his credit with the Government printing office and will continue sending them out until the supply is exhausted. He announces it will be a case of "first come, first served." Requests should be addressed to him at Washington.

Even the moon has its depressions.

BOY
SCOUT
NEWS

Anniversary Week

Nearly 1,000 Boy Scouts of the Burlington County Council will join with the million Scouts and Scout leaders throughout the nation in celebrating Boy Scout Anniversary Week, February 6 to 12, dates of which were announced by George A. Darlington, Scout executive.

Boy Scout Week will commemorate the twenty-eighth anniversary of the founding of the Scouting movement in America, during which time more than 7,500,000 boys and men have engaged in Scouting's character influencing, citizenship training program of camping, service and organized activity. Mr. Darlington declared.

Three high points will mark the week's activity by Burlington County Scouts, who will begin the celebration with the observance of Scout Sunday, February 6, in accordance with the 12th point of their Law "A Scout Is Reverent," by attending in Scout uniform, the various churches of their respective faiths.

As is traditional in Scouting on February 8, every Boy Scout and leader in America will re-dedicate himself to Scouting ideals by renewing his Scout oath in a ceremony which will occur on a nation wide basis at 8:00 p.m.

Duart Method of
Permanent WavingCONFIDENCE EXPRESSED
IN N. J. LEGISLATURE

Confidence that the Republican majority in the state legislature will "carry out its platform and campaign pledges and commitments," was expressed recently by Clayton E. Freeman, Republican state chairman.

"The Republican party, with control of both the Assembly and the Senate, has a wonderful opportunity to present and adopt a program which will not only represent the

keeping of party and platform pledges, but will be in every sense a program promoting the general welfare of the people of the state," read a statement by Freeman. "I have every confidence that our Republican Senators and Assemblymen are fully aware of their responsibilities and of the opportunity offered by the 1938 Legislative session and will do the things they promised."

ARTISANS NOSE OUT FIVE & TEN

Goal in Last Minute Gives
Lodgemen 20-18 Decision;
Three Fast Games

The Interborough Court League got off to a good start on Monday evening of this week and the fans who braved the bad weather were treated to three fast games of basketball.

The thriller of the occasion was afforded by the Artisan-5 & 10 engagement, the former aggregation nosing out their opponents by a count of 20-18, the winning points being snared by Carpenter, Lodge-man forward, in the last minute of play.

The two teams appeared most evenly matched and neither outfit was able to assume a lead of more than a few points at any stage of the hostilities. At the end of the first half, the count was tied at 10-all.

Pals' Club vs. K. of C.

The Pals' Club, composed entirely of ex-high school luminaries, romped to a 20-11 win over the K. of C. quintet in the second encounter.

The winners led 13-5 as the half ended and held their rivals under control at all times. During the final period, the Kacees outplayed the winners, but were unable to cash in on many of their numerous shots.

Wagner, of the Pals, was high scorer with five double-deckers to his credit.

Trojans-Millside

The smooth functioning Trojan five had little trouble in running roughshod over Millside and the Milkmen found themselves at the short end of a 27-11 count, when the final whistle blew.

Messinger, Trojan forward, looped in six from the floor to set the pace for the winners.

Seen from the Gallery

The Trojans, in blue and white, and Millside in blue and gold were easily the best appearing teams on the floor.

Jack Easley officiated for all three games and turned in a stellar performance. He probably covered more ground than a jaunt to Philadelphia and return.

League officials are to be complimented on getting together such an array of talent for the league. Some thrilling battles appear to be in store for the cash customers.

Next week's games are: K. of C. vs. 5 & 10; Artisans vs. Trojans; Millside vs. Pals' Club.

Ladies League

The margin of Mrs. Hendrickson's team over the rest of the field was considerably reduced this week as the leading group suffered two reverses.

	W	L
High singles: Miss Parrish, 161 (in each of two games); Mrs. Howard Coe, 190.		
The standing:		
Mrs. Hendrickson	6	3
Mrs. Story	5	4
Miss Hall	4	5
Miss Parrish	3	6

Interclub League

Riverton Green started the second half by winning three games at the expense of Germantown. In the third session of the evening, the locals bowled a total of 1124. This is within 36 pins of the record, 1160, now held by Old York Road Blue.

Riverton White lost a pair to Manufacturers.

On Thursday of this week, the Green team will oppose Union League Blue and the Whites will clash with Overbrook White. These games will be bowled at Riverton.

Alley Gossip

County League

Coddington and Shortens started the second half in the right direction by winning all three games from their respective opponents.

High singles: Botzger, Ramblers, 221; Headman, Gloucester, 247; Weikman, Shortens, 231; Burke, Coddington, 239.

The standing:

	W	L

The first half records of the league show that Hagstod, of Riverton, won first honors for high single game with a score of 278. Kitzmiller, also of Riverton, annexed second honors with his game of 268.

There are 1,024,000 persons by the name of Johnson in the United States.

TWO HOME GAMES NEXT ON SLATE

Tomorrow (Friday) evening, the Palmyra High court team will meet Paulsboro on the local floor and, on Tuesday, Camden Vocational will play a return engagement.

The locals have nine games remaining and seven of these will be staged in home territory. The only games away are encounters with Burlington and Moorestown, the date for the former being Friday, February 4.

Paulsboro met Woodrow Wilson last week and suffered a 72-47 reverse. Wilson has a crack team this year and has already disposed of Camden High.

With this picture in mind, tomorrow's game promises something rather interesting in the way of action.

DUSEK AND OLSEN SIGNED FOR BOUT

Wrestling fans who crave lots of action will be duly rewarded Thursday night in the Camden Armory when Promoters Frank and Ray Hanly present a natural match in their star encounter. The affair in question is between Ernie Dusek, topman of those rascals from way out Omaha and Cliff Olsen, the wild and ferocious Swede from Minnesota. They are booked to go the distance of 90 minutes, with the best two out of three falls to win.

The Hanlys were a long time in signing this pair of bonebusters. The climax came last Thursday night prior to their respective matches when the Hanlys read the riot act to them. The purse they are to receive for this night's work is the highest the Camden promoters have ever given to any wrestler for they realize it was the match the people have been anxious to see.

Dynamite Joe Cox, Kansas City bully will attempt to add more laurels to his name when he meets Rebel Red Russell of Georgia in the semi-windup of one fall 30 minutes. Slim Zimelman, of California will make his drilled debut against an old favorite in Len Macaluso of Colgate.

In the third bout, Jim Parker, of Memphis, also shows for the first time against Bert Rubi, of Hungary. Ralph Garibaldi opens the show with Jim Coffield.

STAMP CLUB TO MEET ON FRIDAY

Just as an infantryman retains his place as the backbone of an army in spite of all the modern developments in the art of slaughter, so in the pursuit of stamp collecting the general collection is the backbone of the hobby in spite of all the forms of specialization to which the years have given rise.

The joys of the general collector will be the theme of the forthcoming meeting of the Palmyra-Riverton YMCA Stamp Club to be held in Legion Hall, Palmyra, on January 28. Henry Gingrich, of Glassboro, well-known South Jersey educator, is well qualified to speak on the subject and will feature the program of the evening, illustrating his talk with portions of his own valuable collection.

There will be other interesting items on the program which will be directed to those who are interested in starting a collection as well as to those who have reached a point in specialization where they are interested in exploring new fields. Both groups will find Mr. Gingrich to be a speaker of unusual knowledge and appeal. The club cordially invites attendance of those outside its membership.

PALMYRA WINS THIRD IN LEAGUE

Bordtown Latest Victim of
Red and White; Marshall
Gets 14 Points

Bordtown became the third Burlo Scholastic Basketball League opponent to fall before the Palmyra court aggregation as the locals romped away with a 37-28 decision, last Friday night, the affair being played on the court of the opposition.

In the absence of Sam Rothbaum from the lineup, Marshall, Palmyra guard, set the pace for the winners, by cutting the cords for a total of 14 points.

Uses 11 Men

Coach Dimond sent 11 members of his squad into action during the evening. The locals took command of the situation from the opening whistle and, while the margin separating the two teams was never great, Bordtown did not seriously threaten.

Palmyra was out in front at the end of the half by the score of 20-13. With Bordtown disposed of, the Red and White has only Burlington to add to their list of county opponents, since Riverside and Moorestown have already been met once and defeated.

	10	10	9	8-37
Palmyra				
Bordtown	8	5	8	7-28

PALMYRA ALONE IN FIRST PLACE

Palmyra now holds undisputed possession of first place in the county scholastic court loop, by virtue of Burlington's setback by Moorestown, last Saturday night.

Prior to that time, Burlington had not been defeated by a league opponent. The reverse sent the Blue and White back into a third position as Coach Isenberg's charges moved into the runnerup berth with a record of 3 and 1.

Palmyra meets Moorestown on February 18, on the Quaker court, where the latter are reported to be especially hard to beat.

The locals routed the Moorestownians in their first encounter.

Store Manager: "What do you mean by arguing with that customer? Don't you know our rule? The customer is always right."

Floorwalker: "I know it. But he insisted that he was wrong."—Exchange.

Alaskan Eskimos, like Indian tribes in the United States, used a sign language.

THE PEOPLE'S COLUMN

SCHOOL AND THE COMMUNITY

Three factors are directly responsible for successful life in any community. These three factors are government, religion and education. It is not the purpose of this article to discuss their relative importance nor their bearing upon one another. It is important that we be aware of our relations to them; aware to the degree that we do some thing or things for each that we might have an effective, progressive, safe, happy and complete community life. The first two factors we shall leave to the political scientist and the community churches to discuss; the latter we shall dwell upon to some length.

No community can consider itself a part of the great parade of civilization who leaves outside its doors a vivid consciousness of its relations and duties to education. It is the very core of future progress.

As citizens we pay taxes for many things; roads, government, welfare, social control, education. The last of these items demands our greatest attention. Budgeting our family income we like to know what our money does, where it goes. But we glibly pay our taxes and yet little do we know what part they play in effective community life. We, as citizens might be better aware of what these taxes do.

We are vitally concerned about our children when they are directly under our control. Nor does sending them to school in any way reduce our parental responsibility. We should consider it our business to know what our child does when in the care of our public schools.

One parent when asked if she were a member of her local Parent-Teacher Association replied, "Yes, I pay my fifty cents." To her the association was something to which to belong—no more. She failed to realize that membership meant much more than that. For nine years her child had attended school but only when he began to completely fail did she realize her relation to the most effective education of her son. Only when the future of her child faced complete failure did she go to the school to find out what the matter was. It was not a new story. Her son had failed all along—oh yes, he had successfully passed from one grade to another—but still he had failed; his parents too had failed. He failed because he had failed to get the most out of his school life. His ability was far superior to his productivity. His parents failed because they knew better than anyone what he could do, and too they knew in what ways he failed to come up to expectations.

The public school trains your child throughout the most vital hours of his day, throughout the most vital years of his life. No educational set-up is complete without three things; the teacher, the parent, the child. This is a triangle of human relationships with the child as its apex. All things lead to his development. We pass to him the great heritage of the past; we are the agents of his future. No triangle is complete without its three sides, and in their proper relationship to each other. The effective education of the child must dominate all things, permeate all things. Through child life we build for the future. What is our contribution?

What can we do as parents? To the goal of effective child education we as parents can make a definite contribution. A Parent-Teacher Association has been set up in our local school. It means just what its name implies; an association of parents and teachers. One parent says, "That's all right for Mrs. —, she has the time. What can be more important than the educational welfare of our own children? Mrs. — has the time because she finds the time; she has the interest because she makes it her business to have the interest. She makes her relations to school life a vital part of her life because it is a vital part of her child's life. So she takes an active part in the Parent-Teacher Association. We cannot all be president, secretary, or treasurer; but we can all be active members.

We get out of life just what we

put into it. Community life like many other things gives back just what we put into it. We are not apart from it we are a part of it! Support your local educational institution and it will support you. Visit your child's school. See into whose hands you place his future welfare. See how well it is equipped to carry on this important part of community life. See how its functions; see its relation to your child; see your relation to it. With this will come a better understanding between parent and teacher, between teacher and pupil, between parent and child. You are the keeper of this great heritage, the youth, the future is in them. What shall be your contribution?

Contributed.

Taxpayer Protests

Riverton, N. J., Jan. 24, 1938.

Editor, New Era
Riverton, N. J.
Dear Sir:

If the School Board this year is asking for an increase of \$4,600, more than last year, when the cost of education per pupil has been higher in Riverton than in any other district in Burlington County for many years, it does seem reasonable that they should show in detail where this great increase is to be spent.

In this eighth year of depression, when our relief load in Riverton will be greater than ever before, and where we are facing a loss in assessed value of over \$60,000 under last year, it is to be hoped that the taxpayers will come out in force and defeat this increase at the next school election, and also defeat those candidates who are not property holders.

Very respectfully,

Taxpayer.

TWO HUNDRED AT COUNCIL MEETING

(continued from page 1)

Jersey Congress of Parents and Teachers has always stood for tenure for teachers, and has always endorsed it.

Juvenile Delinquency

In speaking of juvenile delinquency, Mrs. Bowen remarked: "We have a situation today with the youth that requires every bit of thought and action we can give it. There are many thousands of young people today who are idle because they are unable to find jobs, and we all know what happens when they have nothing to do. The P.T.A. can play an important part in lessening the amount of juvenile delinquency by establishing recreational centers and play grounds, to give the youth something to do. If you build such places, let the youth build the equipment. They can do it, and will like to do it, under proper supervision, but be careful of the one you select. Do not select someone who cannot smile and understand the actions of the young folks, as they are bundles of life and energy.

"The schools are taxed beyond their capacity. Teachers are doing everything they can, and deserve a high tribute for the work they are doing to keep youth out of trouble. Some homes are handicapped financially, and their children are taken care of in the schools by the P.T.A. They are given milk, cod liver oil, hot lunches, etc. When our work is done, and we have stepped aside to let the younger people take over, places, those same children will eventually take over our work, and will be grateful to the parent-teacher association for having made it possible for them to carry on. The world needs good thoughtful, level-headed thinkers, and we can supply them if we carry the banner high. The one object of the parent-teacher association is child welfare in all its phases, and we can do no better than to follow in the footsteps of the early workers.

Means of Raising Funds

"We have much need for money," she commented, "but be careful about how you get the money. There are all sorts of commercial concerns coming to us with propositions. If we will stop and think 'Is this according to the ideals of the Congress?' we will find our answer many times." Mrs. Bowen cautioned the various associations against all forms of gambling as a means of raising funds for the P.T.A.

Mrs. Bowen continued by saying: "Just because your child is out of school, your responsibility does not end. You have a responsibility to your neighbor's child, and all the children in the community. It is only by united efforts of our members that we can get things done. If all people whose children are out of school retired, it would make a serious handicap. If we are not interested in our own schools, who should be? Take Riverton for example. We have a fine school building and a fine school system. We have lots of such fine institutions all through the state. We do not have them because we have state school money, but because people in the communities want the best they can get for their children, and they supply the money for those schools. We want the state to supply to every district in New Jersey sufficient funds for every child to have an equal educational opportunity from five to eighteen years. There are many things in the P.T.A. for us to do, and all I ask you to do is to be earnest and honest and co-operate."

Inspect School

At the conclusion of Mrs. Bowen's talk, the morning session was adjourned, and while many visitors inspected the school, others went to the parish house, where the Episcopal Guild served a delicious luncheon. The Parish Club was open, and an invitation was extended to all to come there and rest and refresh themselves.

The afternoon session was called to order at 1:45 by Mrs. Pharo. Assembly singing, preceded a report of registration by Mrs. Charles Gas-kill, and vocal solos by Hilda de Graw Smith, of Riverton, by the State Board of Agriculture recently.

Secretary Allen explained that the

SEE HOME LAUNDRY DEMONSTRATION

Pictured here is a group of local women who, last Friday, attended the daily demonstration of the new Bendix Home Laundry, at the Scher-inger Store, in Palmyra. Every day at 2:00 p.m., a free demonstration is given at which time an actual family wash is completely laundered.

Southern counties brought greetings to those assembled.

Mrs. Charles Schaefer, state chairman of school education, spoke on the importance of keeping school boards out of politics, and of selecting men and women who will look after the welfare of the children.

Louis J. Kaser, county superintendent of schools, spoke briefly of the financial situation of the schools of the county.

Mrs. Irwin Speaks

The principal speaker of the afternoon session was Mrs. Thomas Irwin, fourth vice president of the State Congress. Mrs. Irwin chose as her topic "The Three Most Beautiful Words." She considered the words "Home," "Love," and "Mother." The most beautiful, Mrs. Irwin said, that the perfect home is not necessarily the one that is always spic and span, but rather the one where the children may bring their friends to play. She stressed the importance of the parents being congenial in the presence of their children, and of being as polite to their own children as to people outside the home. She said: "Families who play together stay together." Mrs. Irwin said: "We cannot love only our own children, but we must love all children. Our children were given to us by God in trust for a certain number of years and we will be asked for an accounting of that stewardship, and I hope everyone will be able to give a good accounting."

Mrs. Irwin's ideal mother is not too up-to-date, nor too old-fashioned. She does not forget that one time she was young, and understands the child's language. She continued by saying: "Do you make comparisons between your children? Do you make companions of them? Do you keep your promises, and never speak too quickly, but think before you speak? Do you give your children allowances? Do you give the right kind of guidance? Do you make the older children take the younger ones with them when they go out? By answering these questions, you can tell whether or not you are an ideal mother."

COMMENT

For the past two weeks, the United States Senate has accomplished exactly nothing in the way of legislation and all because a small group desires to prevent a vote on a certain bill.

Without attempting to discuss the merits of the bill in question, a filibuster, per se, is rather a silly thing. Just imagine a Senator talking about nothing for several hours, without anyone paying him the slightest bit of attention. And the thing goes on and on. And we might ask in passing, must all this idle talk be published in the Congressional Record?

Why not a law against a filibuster?

EXTENDED AREA UNDER DUTCH ELM QUARANTINE

An extended area in New Jersey has been placed under quarantine for 1938 because of the Dutch elm disease. Secretary W. H. Allen of the State Department of Agriculture stated recently in announcing the new rules and regulations for diseased trees and the repeal of the 1936 regulations by the State Board of Agriculture recently.

Secretary Allen explained that the

BENDIX
HOME LAUNDRY
Washes...Rinses...Damp-Dries
AUTOMATICALLY

THE SUCCESSOR TO THE WASHING MACHINE!

THIS IS ALL YOU DO:

- 1 Put dry soiled clothes in dry cylinder.
- 2 Set two automatic controls... add soap and bluing.
- 3 Remove clean clothes—damp-dry, ready for line.

Amazing but true! Bendix now does your week's wash without hands ever touching water. All you do is set the simple automatic controls. The Home Laundry then washes, triple rinses in fresh water, damp-dries, cleans itself and stops... all automatically. Pays for itself, too... yet may be owned with a small down payment and easy terms to suit your budget.

TWO HUNDRED AT COUNCIL MEETING

(continued from page 1)

Jersey Congress of Parents and Teachers has always stood for tenure for teachers, and has always endorsed it.

Juvenile Delinquency

In speaking of juvenile delinquency, Mrs. Bowen remarked: "We have a situation today with the youth that requires every bit of thought and action we can give it. There are many thousands of young people today who are idle because they are unable to find jobs, and we all know what happens when they have nothing to do. The P.T.A. can play an important part in lessening the amount of juvenile delinquency by establishing recreational centers and play grounds, to give the youth something to do. If you build such places, let the youth build the equipment. They can do it, and will like to do it, under proper supervision, but be careful of the one you select. Do not select someone who cannot smile and understand the actions of the young folks, as they are bundles of life and energy."

"The schools are taxed beyond their capacity. Teachers are doing everything they can, and deserve a high tribute for the work they are doing to keep youth out of trouble. Some homes are handicapped financially, and their children are taken care of in the schools by the P.T.A. They are given milk, cod liver oil, hot lunches, etc. When our work is done, and we have stepped aside to let the younger people take our places, those same children will eventually take over our work, and will be grateful to the parent-teacher association for having made it possible for them to carry on. The world needs good thoughtful, level-headed thinkers, and we can supply them if we carry the banner high. The one object of the parent-teacher association is child welfare in all its phases, and we can do no better than to follow in the footsteps of the early workers."

Means of Raising Funds

"We have much need for money," she commented, "but be careful about how you get the money. There are all sorts of commercial concerns coming to us with propositions. If we will stop and think 'Is this according to the ideals of the Congress?' we will find our answer many times." Mrs. Bowen cautioned the various associations against all forms of gambling as a means of raising funds for the P.T.A.

Mrs. Bowen continued by saying: "Just because your child is out of school, your responsibility does not end. You have a responsibility to your neighbor's child, and all the children in the community. It is only by united efforts of our members that we can get things done. If all people whose children are out of school retired, it would make a serious handicap. If we are not interested in our own schools, who should be? Take Riverton for example. We have a fine school building and a fine school system. We have lots of such fine institutions all through the state. We do not have them because we have state school money, but because people in the communities want the best they can get for their children, and their neighbors' children, and they supply the money for those schools. We want the state to supply to every district in New Jersey sufficient funds for every child to have an equal educational opportunity from five to eighteen years. There are many things in the P.T.A. for us to do, and all I ask you to do is to be earnest and honest and co-operate."

Inspect School
At the conclusion of Mrs. Bowen's talk, the morning session was adjourned, and while many visitors inspected the school, others went to the parish house, where the Episcopal Guild served a delicious luncheon. The Parish Club was open, and invitation was extended to all to come there and rest and refresh themselves.

The afternoon session was called to order at 1:45 by Mrs. Pharo. Assembly singing, preceded a report of registration by Mrs. Charles Gas-kill, and vocal solos by Hilda de Graw Smith, of Riverside.

Mrs. Morris Fink, second vice president and director of the seven

SEE HOME LAUNDRY DEMONSTRATION

Pictured here is a group of local women who, last Friday, attended the daily demonstration of the new Bendix Home Laundry, at the Schwering Store, in Palmyra. Every day at 2:00 p.m., a free demonstration is given at which time an actual family wash is completely laundered.

Southern counties brought greetings to those assembled.

Mrs. Charles Schaefer, state chairman of school education, spoke on the importance of keeping school boards out of politics, and of selecting men and women who will look after the welfare of the children.

Louis J. Kaser, county superintendent of schools, spoke briefly of the financial situation of the schools of the county.

Mrs. Irwin Speaks
The principal speaker of the afternoon session was Mrs. Thomas Irwin, fourth vice president of the State Congress. Mrs. Irwin chose as her topic "The Three Most Beautiful Words." She considers the words "Home," "Love," and "Mother" the most beautiful. Mrs. Irwin said that the perfect home is not necessarily the one that is always spic and span, but rather the one where the children may bring their friends to play. She stressed the importance of the parents being congenial in the presence of their children, and of being as polite to their own children as to people outside the home. She said: "Families who play together stay together." Mrs. Irwin said: "We cannot love only our own children, but we must love all children. Our children were given to us by God in trust for a certain number of years and we will be asked for an accounting of that stewardship, and I hope everyone will be able to give a good accounting."

Mrs. Irwin's ideal mother is not too up-to-date, nor too old-fashioned. She does not forget that one time she was young, and understands the child's language. She continued by saying: "Do you make comparisons between your children? Do you make companions of them? Do you keep your promises, and never speak too quickly, but think before you speak? Do you give your children allowances? Do you give the right kind of guidance? Do you make the older children take the younger ones with them when they go out? By answering these questions, you can tell whether or not you are an ideal mother."

COMMENT

For the past two weeks, the United States Senate has accomplished exactly nothing in the way of legislation and all because a small group desires to prevent a vote on a certain bill.

Without attempting to discuss the merits of the bill in question, a filibuster, per se, is rather a silly thing. Just imagine a Senator talking about nothing for several hours, without anyone paying him the slightest bit of attention. And the thing goes on and on. And we might ask in passing, must all this idle talk be published in the Congressional Record?

Why not a law against a filibuster?

EXTENDED AREA UNDER DUTCH ELM QUARANTINE

An extended area in New Jersey has been placed under quarantine for 1938 because of the Dutch elm disease. Secretary W. H. Allen of the State Department of Agriculture stated recently in announcing the new rules and regulations for diseased trees and the repeal of the 1936 regulations by the State Board of Agriculture recently.

Secretary Allen explained that the

need for the increased quarantine area did not indicate heavy infection in that territory but rather precautionary measures to prevent an increase or spread of the disease.

Burlington county is still reported to be free from infected trees.

YWCA NOTES

Tea in Burlington
Miss Pao-Chen Shih, student secretary of the China YWCA, will be introduced to friends of the Burlington Branch of the YWCA at a tea to be held in the Burlington Clubhouse, Penn and York streets, at 3 o'clock Saturday afternoon, January 29.

The board of directors of the local branch, of which Mrs. Walter Anderson, is president, have arranged the affair. There will be music with Mrs. Stanley Lippincott, of Palmyra, as soloist, accompanied by Carlton W. Tillinghast, violinist, and Spencer Atkinson, pianist.

SOIL CONSERVATION
DISTRICT CONSIDERED

Decision was reserved by the State Soil Conservation Committee last week following a hearing at the Moorestown Community House on the desirability of establishing a soil conservation district that would embrace a 100-square-mile area in Camden and Burlington counties with Moorestown as its approximate center.

H. J. Baker, chairman of the committee and director of the New Jersey Extension Service, Rutgers University, presided at the session. He declined to predict when a decision may be made, but said the matter is likely to come up for consideration at a special meeting before the next scheduled session, set for February 14.

If the committee finds from the testimony that the district is "desirable and necessary," it must proceed to hold a referendum of all land owners in the district. Baker said opportunity for "thorough discussion" would be given before any referendum.

Forty Attend
About 40 farmers attended the

meeting and heard the details of the plan explained. The proposal met a generally favorable reception, none of the spokesmen voicing any hostility to the establishment of a district. The petition proposes that the district embrace Chester, Cinnaminson and Delran townships in Burlington county and Delaware, Voorhees and approximately the eastern third of Pennsauken townships in Camden county.

Speakers included C. B. Lewis, Riverton; Lester Collins, Moorestown; Charles Barton, Marlton; Howard G. Taylor, Jr., Riverton; John C. Gilmore, Jr., Haddonfield; and Preston Roberts, Moorestown.

SCOUT MOTHERS

The Boy Scout Mother's Association will hold a regular meeting at the home of Mrs. Marguerite Seelhurst, 400 Lippincott avenue, on Thursday, February 3.

The final arrangements for the Boy Scout banquet will be made at that time.

All mothers are urged to attend the meeting and assist in making the banquet a success. —Secretary.

LOCAL BUDGET NOTICE

Local Budget of the Township of Cinnaminson, County of Burlington, for the fiscal year 1938.

BE IT RESOLVED, that the following statements of revenues and appropriations shall constitute the local budget for the year 1938: BE IT FURTHER RESOLVED, that said budget be published in The New Era, of Riverton, N. J., in the issue of the 27th day of January, 1938.

Notice is hereby given that the budget and tax resolution was approved by the Township Committee of the Township of Cinnaminson, County of Burlington, on January 18, 1938.

A hearing on the budget and tax resolution will be held at the Township Clerk's Office (George C. Frank), 15th day of February, 1938, between the hours of 2:00 and 3:00 o'clock p.m., at which time and place objections to said budget and tax resolution of the Township of Cinnaminson for the year 1938 may be presented by any taxpayer of said municipality.

It is hereby certified that the budget annexed hereto and hereby made a part hereof is a true copy of the budget approved by resolution of the governing body on the 18th day of January, 1938.

GEORGE C. FRANK,
Clerk.

VOCATIONAL BOWS TO LOCAL QUINTET

Rothbaum and Marshall High Scorers as Palmyra Gets 44-35 Decision

Palmyra High romped to its fourth court win of the current season, on Tuesday, when the local quintet downed Camden Vocational by the count of 44-35, in a free-scoring contest played on the floor of the opposition.

Rothbaum and Marshall, forward and center respectively, for the Red and White, led their teammates on the offense, these two members of the squad accounting for 27 of the local markers.

Lead at Half

Palmyra got the jump on the opposition, by virtue of a fast start and held a 22-13 advantage as the first half ended. The Camdenites were unable to reduce this during the final quarters.

The total amassed by the local passers was the largest collected during any of the games this year and indicates that Coach Dimond has made considerable progress in developing a scoring machine.

Nine members of the Red and White contingent saw action during the fray.

PHONE BUSINESS BETTER DURING 1937 THAN '36

Judging by the telephone business, the last year in New Jersey was a better year on the whole than 1936, although characterized by a marked tapering off in the last few months.

"The usual telephone measures of general business activity, such as stations in service, use of the telephone particularly for distance calling, and construction required to meet demands for new service all increased moderately," G. W. McRae, vice president and general manager of the New Jersey Bell Telephone Company states in a preliminary summary of telephone results.

"The number of telephones in use at the end of the year is approximately 688,000, within 10,000 of the peak reached in the summer of 1931, and represents a gain for the year of about 34,000. New Jersey people made over 120,000 more calls a day, on the average, than they made in 1936 and the increase in long distance calling was particularly noticeable.

"On the financial side, taxes took a large part of telephone revenue—amounting to \$9.58 for each telephone in service compared with \$8.84 in 1936—due to this increase in expenses, a 9 per cent increase in the annual payroll, and the added costs of accomplishing a larger job, earnings improved only slightly. Net telephone earnings in relation to the investment of over \$200,000,000 in telephone plant will amount to approximately 4.4 per cent for 1937, compared with 4.1 per cent in 1936."

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

Mid-winter is a good time to plan for next spring's garden. Careful planning now will save much work next season when many gardening chores will demand attention.

The first step is to draw a plan of the garden border and mark in the approximate location of the various plants. Then, with the seed catalogues as reference books, plan just which plants will be added to the collection and their tentative location. New plants do not necessarily mean novelties. Resolve this year to try some of the flowers that have never before been grown in your garden. The gardener who plans ahead now and orders seeds or plants early will be one jump ahead of the multitude of chores which await him next spring.

Keep house plants in good condition by inspecting them regularly to see that they are free from insect troubles and not suffering from an improper amount of water. During the dull winter days be sure to give house plants all the sun it is possible for them to have.

FOOD FACTS

About 600,000 paper milk bottles are used daily in New York City. Ten different forms of Vitamin D, as it occurs in various plant and animal sources, have been recognized.

A new breakfast food—an orange pulp product—is one of the results of research to find new uses for surplus agricultural crops.

MUSICAL COMEDY HERE FEB. 18, 19

(continued from page 1)

professional direction of one of the experts from the Rogers Company.

Sigma Kappa again invites all those who wish to take part to contact the talent committee. Tryouts for 15 principals, and 10 specialists and a chorus of 100 girls and boys will be conducted by the director Monday, January 31, at Society Hall, Palmyra. High school pupils should report there at 4 o'clock while older people may report at 7 (same place).

The following is a list of the committee as announced by Joseph L. Sherman, general chairman of the affair:

Tickets: Walter L. Smith, chairman, Clarence N. Hubbs, G. Raymond Coles, Joseph Yearly, Edwin Friberg; talent, Walter D. Lamont, chairman, Lawrence Bradshaw, Fred Davis, Jack Shea, C. Leon Guest; publicity, Clarence N. Hubbs, chairman, William Cooper; Melvin Stebbins, Lybrand Mathes; finance, A. Harold Zayotti, chairman, Lloyd Griscom, Robert Fry, Robert McCurdy; program, John McDermott, chairman, Jack Pfeiffer, Jacob Wiener, John Saccia, Clarence N. Hubbs, Harold Baker; property, G. Raymond Coles, chairman, Joseph L. Sherman, Carl McAllister; ushers, Francis Gamble, chairman, William McDermott, Harold Reynolds, Jack Shea.

TAKE FEAR OUT OF BUSINESS MAN'S MIND

Mrs. N. Myers Fittler, of Bryn Mawr, formerly of Riverton, writes as follows in the Philadelphia Inquirer column: "If I were president, here's what I would do:"

"If I were President I would first take the word 'fear' out of the business man's mind entirely, and make him feel he is an independent American citizen once more, and that laws are made to help rather than hinder. "I would lift the surplus taxes, which are killing all business.

"I would restore the feeling of confidence between labor and business executives, and establish an honest give and take principle under responsible, commonsense unions.

"I would make the individual States responsible for the relief problem, with some help from the Federal Government in emergencies."

PORCH CLUB

The members of the Literature and Drama Group of the Porch Club have planned a meeting on Tuesday, February 1st, at 11 a.m. Mr. Paul Evans, Professor of English Language of George School will talk on "Creative Writing," and Mrs. Hermet Stuart will review the book "Emma," by Jane Austen, telling of the life and other works of the author. There will be a box luncheon after the morning meeting.

The regular business meeting will be held on Tuesday, February 1, at 2:30 p.m. The Drama Department will entertain with two sketches—one from "Jane Eyre" and one from Maxwell Anderson's "The Star-Wagon."

The speaker for January 25 was Mrs. Doris Stacy Miller, whose subject was entitled "First Aid in Decoration." Suitable placing of furniture to obtain proper balance in a room is important, said Mrs. Miller. She advised those who re-paper to consider carefully the height, size, and location of a room in selecting the color and style of wallpapers. A number of attractive and unusual samples of wallpapers, drapery material and fabrics for upholstery were shown. Mrs. Miller explained how a color scheme is evolved from the motif in a patterned fabric and demonstrated the effective combination of colors with the materials at hand.
