Happiness lies not in new conditions: it is the outcome of superiority to all conditions.—Kirkham.

# THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

49th Year No. 38

RIVERTON—PALMYRA, N. J., OCTOBER 6, 1938

PRICE FIVE CENTS

OCTOBER 9

OCTOBER 15

## ONLY ONE STOP IN THIS SECTION

Atlantic City Express Halts  
In Palmyra at 5.13  
Each Afternoon

Despite current reports to the contrary, through express trains to Atlantic City do not make a stop at Riverton.

When the new time tables went into effect last week, a stop at Palmyra was scheduled for the afternoon westbound train.

This is made at 5.13 p.m., the reason being given that it will accommodate commuters from Burlington, who formerly came down on the train that arrived here at 5.29. This has been discontinued.

### No Stops at Riverton

The new slate does not call for stops at Riverton, nor do any of the other expresses make stops at either Riverton or Palmyra.

Even though the regular stop of an Atlantic City train here is something of a novelty, many citizens feel that the situation will benefit only a comparatively small number of people, actually being an inconvenience to Rivertonians who formerly used the 5.29, since they will have to come back from Palmyra.

If all the through trains made stops at either Riverton or Palmyra, it would be a decided advantage, but this is probably too much to hope for in view of the fact that such a plan has been promoted for years with no result.

## First Reportable Crash This Year

The first reportable automobile accident of the year in Riverton occurred last Saturday afternoon, at Elm avenue and the south side of Broad street.

The cars involved in the collision were driven by Miss Helen Wood, Main street, Riverton, and Mrs. Mildred Longstreet, Elm terrace, Riverton.

At the time of the crash, the former was driving west on Broad street, while the other machine just crossed the railroad, southbound. Both cars were damaged extensively.

Emma Welsh, 9, a passenger in the Wood car, suffered painful face injuries and had several teeth knocked out. The others were uninjured.

Officer John Robinson, of the Riverton police, conducted an investigation.

### ENTHUSIASTIC GREETING

Employees of the New Jersey Bell Telephone Company on duty at various New England points were enthusiastically greeted by townspeople of the various communities in which they are operating.

The assistance rendered by these men is of great value in restoring the phone lines that were destroyed during the hurricane.

## NEW COURSE IN ENGLISH AT P.H.S.

A new course in English at Palmyra High School, which includes one of public speaking and speech each week, for all high school students, will also include special training in library methods.

All students will be taught library methods two or three weeks each year, at the beginning of the term, until they may become proficient in utilizing material the library has to offer.

## DONATION DAY FOR ZURBRUGG

Saturday, October 15, Will Be  
Observed by Riverton  
Hospital Auxiliary

Saturday, October 15th, will be donation day for the Zurbrugg Hospital. As usual, the Riverton Auxiliary will be active in collecting canned goods, fruit, vegetables and money for the use of the hospital.

Donation day has become important, not only because the gifts are of great material aid, but because it is the occasion when friends of the hospital may visit the building and learn more of its many facilities.

### Will Call

Tea will be served by the Riverside Auxiliary on the hospital grounds during the afternoon of the fifteenth, and all are cordially invited.

Mrs. Henry Randall, president of Riverton Auxiliary (phone Riverton 287), and Mrs. Francis B. Elwell (phone Riverton 255), will be glad to call for donations.

Money may be given to Mrs. A. M. Ellsworth, 700 Main street, the auxiliary treasurer. Your gifts will be most welcome and appreciated by those who maintain the Zurbrugg Hospital as an institution of great value to our community.

## 50th ANNIVERSARY

CHARLES F. EARP

Of 423 Thomas avenue, will celebrate his fiftieth anniversary with the Welsbach Street Illuminating Company, of Philadelphia, on October 8 of this year, having entered the employ of the organization in 1888. His entire business career has been spent with this and affiliated companies.

Mr. Earp was born in Philadelphia in 1869 and has resided in Riverton for 55 years, where, for several years, he was president of the Borough Council.

In addition, he was treasurer of the borough and custodian of the school funds for a period of 18 years. During the World War, he was treasurer of the Y.M.C.A. War Fund Campaign.

Mr. Earp was a member of the Riverton Country Club for 35 years, where one of his offices was chairman of the handicap committee. He was also a member of the Union League of Philadelphia for 29 years. Another civic office held by Mr. Earp was that of a member of the board of directors of the Riverton Fire Company, where he was also chairman of the house committee.

His son, Charles F. Earp, Jr., and grandson, Charles F. Earp, 3rd, also reside in Riverton.

## CLOTHESLINE RUMMAGE SALE

The Clothesline Rummage Sale of the Riverton-Cinnaminson Welfare Association is scheduled to be held in the yard adjacent to the Welfare Office, 609 Main street, Riverton, on Thursday, October 13. The affair will last all day.

In case of rain, the event will be held on October 14.

Contributions in the way of clothing of all kinds are now being received for the sale. Leave articles at the Welfare office or phone Riverton 284 and they will be called for.

### Don't

smoke in the garage.

## THANKS SCHOOL FOR ASSISTANCE

A letter from Miss Deborah Deacon, secretary of the Burlington County Teachers' Association, to Palmyra High School officials, expressed her thanks on behalf of the association, for the fine way in which the Palmyra school staff and students helped to make the recent institute a success.

Miss Deacon said that the boys and girls who directed automobile traffic and acted as hall monitors were most gracious and helpful.

## ENROLLMENT IS LARGEST SINCE '34

234 Pupils at Riverton Public  
School; Largest Number  
In Eighth Grade

At a meeting of the Riverton Board of Education held on Monday night of this week, Miss Caroline M. Staman, supervising principal of the school reported, that 234 pupils were enrolled this term, this being the largest number since 1934.

The eighth grade has the largest number of pupils, 32, while the first grade with 19 has the smallest.

### Attendance

The enrollment by grades is as follows:

Grade	Boys	Girls	Total
K	17	13	30
1	12	7	19
2	13	12	25
3	5	18	23
4	15	10	25
5	10	16	26
6	12	18	30
7	8	16	24
8	15	17	32
	107	127	234

Excerpts from Miss Staman's report follow:

"Twenty children have been added" (continued on page 12)

## BACK FROM 7,500 MILE JOURNEY

Four Legionnaires from this section returned home last Sunday after an extensive motor trip to Los Angeles for the annual American Legion convention held recently. Those who made the journey together were John L. Metzgar, of Riverton; Avery Willis, of Cinnaminson; William Gibson, of Palmyra, and David Baker, of Florence.

Leaving here on September 9, the party covered over 7,500 miles while they were away, visiting many points of interest along the route.

These included Grand Canyon, the Painted Desert, Yellowstone National Park, Boulder Dam, Black Hills, Hollywood and many other points of interest.

The program of the convention was also particularly impressive according to Mr. Metzgar.

While in California, the local men were the guests of Mr. Metzgar's sister and brother-in-law, Mr. and Mrs. Harvey Kunz, of Long Beach.

## GRAFFLIN SPEAKS TO ROTARIANS

Americanize America and Keep  
It American Is Keynote  
Of Address Here

"A life philosophy is that set of mental moorings which we progressively achieve for ourselves, through a deep love for, and an earnest quest after, untrammelled truth," said Dr. S. W. Grafflin, well known speaker under Y.M.C.A. auspices, to Palmyra-Riverton Rotarians last Thursday.

This type of philosophy he emphasized as distinguishing the founders of our country, and upon our recapturing of it, he believes, depends the future of our nation.

### Keep It American

"Americanize America and Keep It American" was the keynote of Dr. Grafflin's timely address, which along with the news from Charles R. Cole, chairman of the attendance committee, that the previous meeting was another hundred percent, the third of the month, marked an unusually enthusiastic session.

Dr. Grafflin spoke on "New Pioneers for New Frontiers," which he characterized as social and philosophical, as opposed to those already conquered, that had to do with land and communication.

### Futility of Force

The futility of force, the danger from organized and armed minor— (continued on page 2)

## Two More Trains May Come Off

With the number of trains through this section rapidly dwindling to the vanishing point, the Pennsylvania Railroad has petitioned the Public Utility Commission for permission to discontinue still two more locals.

One is the train that arrives in Riverton and Palmyra at about 11.30 a.m. on Sundays and holidays, bound for Camden.

The other, also listed for Sundays and holidays makes stops at Palmyra and Riverton at 4.50 and 4.53 respectively in the afternoon, bound for Trenton.

A hearing on the proposed discontinuation will be held on October 11, at 11 a.m., in Trenton.

### CALL FOR FIELD FIRE

Shortly before 1.30 o'clock, on Tuesday afternoon, two pieces of apparatus of the Palmyra Fire Company answered an alarm for a field fire on the west side of Delaware avenue, above Third street.

The blaze, which had a free sweep over a large area, was soon checked by means of brooms and a line from the booster tank. There was no damage.

### Don't

allow rubbish to accumulate in the cellar.

## PARENT TEACHER GROUP SESSION

Mrs. Fannie Ashby Presides; Interesting Program In Cinnaminson

The Parent-Teachers Association of Cinnaminson School No. 4 held the opening meeting and reception at the school on Friday, September 30. The president, Mrs. Fannie Ashby, presided and Mrs. Eleanor Young acted as chairman of the program committee in the absence of Mrs. Alverna Ticketta.

The program was as follows: Opening reading, "It," by Rudyard Kipling, Reverend Roberts. Piano solo, "Indian Trail" by Debussey, Regina Bowers. Baritone solo, "Poor Me," Nathaniel Dett, Edward Morton. Reading, "Just Whistle a Bit" Paul L. Dunbar, Mrs. Dorsey. Piano solo, "Variation" by Kilmer, Regina Bowers.

Address, "Dealing with Every-Day Problems of the Child," Mrs. Lena Skelley. Mrs. Skelley, principal of Merchantville School, stressed the necessity of studying children in order that they may be fit to meet the needs of this changing civilization. She also pointed out that the attitude of the home is reflected in school by the child. Her talk was ended by reciting "The House by the Side of the Road."

After the program a delicious repast was served in the dining room. An enjoyable evening was spent by all.

## FALL MEETING COUNTY COUNCIL

The fall meeting of the Burlington County Council of the New Jersey Congress of Parents and Teachers will be held on Columbus Day—October 12th, at Columbus. The morning session will be called to order at 10 a.m. Luncheon will be served at noon.

All members of the Riverton Association are cordially invited to attend. Those planning to attend should communicate with Mrs. Charles Yost before Friday night, so that she may make luncheon reservations.

## HOME MANAGERS HOLD MEETING

At the meeting of the Board of Managers of the Cinnaminson Home on Monday, seventeen guests were reported from Pennsylvania and eight from New Jersey.

There were 2,084 guest meals served during the month. Mrs. Mary E. Hatch, dietician at the home, was granted a leave of absence because of illness. Evelyn P. Kelley is acting dietician.

### TYLER-MANUSOS

The marriage of Miss Kathryn June Manusos, daughter of James J. Manusos, of Chicago and Mason City, Iowa, to Douglas Beck Tyler, son of Mr. and Mrs. Joseph Beck Tyler, of Riverton, took place on Saturday afternoon, at 3.30, in St. Paul's Church, Burlington.

The Rev. Walter T. Doyle performed the ceremony. The bride, who was given in marriage by her uncle George de Benneville Keim, wore a gown of ivory satin made on princess lines and wore her mother's lace veil arranged with a spray of orange blossoms. She carried a shower bouquet of calla lilies.

Mrs. Richard Lippincott, of Riverton, was matron of honor and Miss Marie Louise Manusos was her sister's maid of honor. The bridesmaids included Mrs. Leslie Miller, of Bronxville; Miss Marguerite Bowers, of Chicago; and Miss Charlotte Louise Gregg, of Edgewater Park.

Joseph C. Tyler was his brother's best man and ushers were John T. Manusos, Richard Lippincott, Le Pusey Warner, Jr., W. Lynn Hendrickson, Blaine E. Capehart and Larrierson E. Capehart.

A reception followed the ceremony at "Cubie Hall," the home of Mr. and Mrs. George de Benneville Keim, at Edgewater Park.

Following a wedding trip, Mr. and Mrs. Tyler will be at home after December 1, in Riverton.

## GRAFFLIN SPEAKS TO ROTARIANS

(continued from page 1)

ities, the emotionally unstable politician, and the need for industrial leadership that does not lack the courage of intelligent convictions are the new frontiers which challenge our powers as a nation said Dr. Grafflin.

They must be met, he thinks, with the same spirit as the pioneers of the West showed as they advanced the line of civilization. We cannot go back to where we were in 1914, the most prosperous era we ever knew, but we can recapture the basic theory on which this country was founded, and march forward to the idealism that was destroyed by the world war.

### About Dictators

Dr. Grafflin would deal firmly with dictators, unscrupulous leaders of strikes and un-American minorities of all kinds. He decried social security as a developer of soft and "cushy" people, and as a straight road to insecurity.

The only safety in the world is with us, and we must defy those forces which would make us weak. Such statements, ably illustrated with actual and imaginary analogies, kept the audience alert, and increased its already great respect for the eighty-year-old orator, who several times before has been the guest of the local Rotary Club.

## ABOUT FIRES

**Do You Know** that there is a destructive fire every minute during the year in the United States?

**Do You Know** that the total fire loss in this country every year is in excess of \$500,000,000?

**Do You Know** that at least 60 per cent of this tremendous fire loss is caused by carelessness, thoughtlessness or ignorance of fire prevention measures?

**Do You Know** that careless handling of matches and carelessness of smokers caused nearly \$40,000,000 worth of this annual damage?

**Do You Know** that the careless use of gasoline and kerosene caused upwards of \$15,000,000 of this loss?

**Do You Know** that defective chimneys and flues caused more than \$30,000,000 worth of this damage?

**Do You Know** that by observing a few little "don'ts" in our daily life, we the American people, could be saved the greater percentage of this appalling loss?

### NAMED SECRETARY

Miss Elinor Porter, of Palmyra, was re-elected secretary of the Democratic County Committee, at a meeting of that organization held recently.

**Don't** burn rubbish in furnace fire-box.

## ENVIALE RECORD OF ASSOCIATION

Cinnaminson B. & L. to Mature 49th Series Monday; Total of \$104,900

The Cinnaminson Building and Loan Association, of Riverton, will mature its forty-ninth consecutive series of shares on Monday evening, October 10, when the annual meeting will be held at the Cinnaminson Bank and Trust Company building. This forty-ninth series amounts to \$104,900, of which \$36,600 will be in maturing mortgage and stock loans. The balance, \$68,300, will be in free cash.

### Founded in 1878

Founded on October 1, 1878, this association has an enviable record through its sound, conservative management of having matured one series each year for the past 49 years.

That the soundness of its management is recognized by the community, is evidenced by the fact that shares are being subscribed for in increasing numbers, 660 having been taken in the 60th series last year. Books for the 61st series will be opened Monday evening and may be subscribed for at par for the next four months.

### Huge Sum Paid Out

The older residents in the Cinnaminson, Palmyra and Riverton communities need not be told of the advantages of membership in this institution, but new residents should make it their business to become

## YMCA BRIEFS

### District Plan

A district organization plan, which has received considerable study during the past summer, was reported on by a committee at the first fall meeting of the county Y.M.C.A. board last week. Lewis M. Parker, C. William Haines and A. E. Hargett comprised the committee. The proposals and recommendations of this committee were adopted by the county "Y" board, and Mr. Parker was named chairman of a committee to proceed with making the plan operative.

The county is to be divided into a dozen districts. On the various district committees will be members of the county Y.M.C.A. board, group leaders and other men interested in the purpose and program of the Young Men's Christian Association. In anticipating the purpose and operation of such a plan, Chairman Parker declared, "The district organizations are meant to supplement the county board—to provide that immediate personal contact with the actual 'Y' group work that is essential to the fullest development of such work; to send down deep into the soil of each locality the roots of Y.M.C.A. activity and influence—to the end that boys and young men of our county may better develop into truly Christian citizens."

### Roberts Presides

President Benjamin J. Roberts, who presided in the new capacity for the first time at the September meeting of the County Y.M.C.A. Board, the evening of the 27th, has already begun naming board members in various districts as conveners for getting the district organization plan into operation.

At this same meeting, Everett H. Haines, of Medford, reported on the 1938 camping season at Ockanickon and Matolionequay. John W. Thacher, of Moorestown, reviewed the highlights of a recent state Y.M.C.A. religious emphasis conference, and Stuart Chant, of Beverly, related experiences and reported as a delegate to the National Hi-Y Congress, at Berea, Kentucky, this past summer. Rev. Foster G. Crane, pastor of the Marlton Baptist Church, conducting the opening devotional period.

### Attending

These members of the board were in attendance: R. Stanley Perkins, Charles G. Lester, Beverly; Louis B. Forsyth, John H. Hutchinson, John H. Morrow, Lewis M. Parker, Bordentown; S. Roger Oliver, Lawrence K. Parsons, Edward M. Simons, Burlington; Caleb S. Ridgway, Roy Townsend, Hovey Wedel, Columbus; Leonard E. Spotts, Florence; Benjamin J. Roberts, Howard E. Wills, George D. Wright, Marlton; C. William Haines, Masonville; Everett H. and Maurice W. Haines, Medford; Howard C. Darnell, Arthur B. Harris, Irving Hollingshead, Henry F. Stockwell, H. F. Stockwell, Jr., John W. Thacher, Moorestown; Edward W. Fry, Grover E. Fox, John E. Ward, George N. Wimer, Palmyra; Francis B. Elwell, A. E. Hargett, Nathan Lane, Victor Ritschard, Howard Taylor and Richard Woodward, Riverton.

This coming week-end at Camp Ockanickon representatives from Y.M.C.A. groups and Phalanx Clubs will have their annual fall fellowship get-together. Some half dozen such "Y" organizations throughout Burlington county will send representatives. Forum discussions, an interchange of program suggestions, and organization practices will make up the program supplemented by music, fine arts, and various recreational features to be found at Camp Ockanickon.

### MANY MOVING

New Jersey people are changing addresses more extensively this traditional October "moving week" October 1-8, than last year, estimates prepared by the New Jersey Bell Telephone Company indicate.

Installation forces of the company expect telephone changes during the week to top the 10,000 mark, exceeding last October's figure by about five per cent.

As usual, the metropolitan area centering in Newark will show the greatest regional total, approximately 4,500.

## YVON ROBERT TO BATTLE JOE COX

Everything has been put in readiness for the premiere wrestling show of the 1938-39 season at the Camden Armory scheduled for Thursday night.

Promoters Frank and Ray Hanly have banded together a group of better names to help to make up their initial card of five bouts and each are expected to give a good account of themselves.

Yvon Robert, popular young French-Canadian who is recognized in some quarters of New England and all of Canada, as world's champion, will be seen defending his laurels against the rushes of Dynamite Joe Cox, the husky 225 pound Missourian in the main event catalogued for two out of three falls with a 90 minute limit.

### Rudy Dusek

Rudy Dusek, veteran member of the Dusek clan and master of all tricks of the game, will be in the semi-final with Gino "Reds" Vagnonne, of Illinois, in a bout limited to 30 minutes. Rudy has his work cut out for him, for "Reds" is said to be the hottest of young aspirants for the title.

Hank Barer, of Dartmouth, returns to local warfare after a year's absence when he takes on Ed "Strangler" White, of Alabama in the third bout. Bibber McCoy, of Massachusetts, is in the second fray with Bob Stein, of New York, and Al Getz, of Poland, will try and knock the tar out of Red Ryan, of Philadelphia, in the first bout.

### GAETIES OF 1883

This feature affair will be presented on Friday and Saturday evenings, October 21 and 22, at the Walt Whitman Hotel, Camden, for the benefit of the Cooper Hospital, by the junior auxiliary of that institution.

The affair will include an old-time melodrama, chorus routines and novelty numbers. Dancing will follow the show.

Tickets can be obtained from any member of the auxiliary.

## CINNAMINSON BUILDING AND LOAN ASSOCIATION

of Riverton, New Jersey

FRED P. HEMPHILL, Secretary

JOSEPH L. THOMAS, President

SINCE 1889

An unbroken record of success suggests a future investment for your serious consideration

49th Consecutive Series Now Maturing

This Association will mature its 49th consecutive series of shares on Monday evening, October 10, at the annual meeting in the Cinnaminson Bank and Trust Company building.

This series amounts to \$104,900, of which \$36,600 will be in maturing mortgages and stock loans. The balance of \$68,300, is in free cash.

The association, founded on October 1, 1878, has an enviable record, due to sound conservative management, having matured one series annually for the past 49 years.

## Community Confidence

The soundness of its management is recognized by the community as is evidenced by the fact that shares are being subscribed for in increasing numbers—660 being taken in the 60th series.

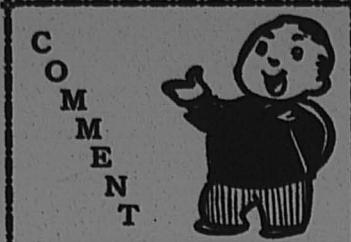

Books for the 61st series will be opened Monday and shares in it may be subscribed for at par during the next four months.

## Favorable Terms to New Members

Older residents in Riverton, Palmyra and Cinnaminson need no reminder of the advantages of membership, but new residents should become acquainted with an organization that, during the past 12 years, has paid to its members a total of \$1,859,050 in maturing shares.

To those who are looking toward financial independence, by means of sound savings investments, such an outstanding record merits consideration. This is especially true for those who are desirous of purchasing their homes on the deferred payment plan.

The association is in position to make loans to new members on the most favorable terms. The officers and directors will welcome new members who desire to secure shares in the 61st series.

## DON'TS FOR CHILDREN

**Don't** decorate the Christmas tree with candles and inflammable material.

**Don't** allow children to handle matches. Keep them out of the children's reach.

**Don't** let children play near a bonfire.

**Don't** set a lamp on a table cloth where a child can pull it off.

**Don't** let children carry lighted lamps.

### BAND PRACTICING

The Palmyra High School band is holding daily practice sessions on the school grounds, marching formations being particularly stressed. The local musicians showed to advantage last Saturday, and as a result of the intensive drills, should be one of the outstanding organizations of this nature in South Jersey scholastic circles.

More than 4,000 U. S. corporations have profit-sharing, bonus or pension plans for employees, Senate Committee finds. . . . New record high established in gold shipments to U. S. during war-scare flight of capital from Europe. . . . United States Gypsum Co. announces plans for construction of a complete gypsum plant at Jacksonville, Fla. . . . Grain movement now adding to traffic and revenue of western railroads. . . . Gasoline consumption may establish new record this year. . . . More than 1,500 workers returned to payrolls of Libbey-Owens-Ford Co. during September. D. H. Good-wille, vice president, reports. . . . Automobile tire sales rose 22 per cent in August over July. . . . Buick and Studebaker cut prices from \$51 to \$102 on 1939 models.

An orange weighing three pounds and measuring 18½ inches in circumference was produced recently in Rio Grande valley.

### PALMYRA WINS FROM PENNSGROVE

Red and White Gridders Tab Two Touchdowns To Gain Verdict

Starting out like a hurricane, the Palmyra High grid machine scored a brace of touchdowns early in the first period of the game with Pennsgrove, last Saturday afternoon in the first home game of the season, winning the affair by the score of 13-7. After such a splendid start, the affair looked to be well in hand, but the enemy refused to give up and, at one stage of the fracas, had the locals with their backs decidedly against the goal posts.

#### Fine Opening

Palmyra never looked better than during the first period and, by the same token, they never looked much worse than during the third.

The hostilities opened as Pennsgrove kicked to Palmyra's 10 yard stripe and Marshall carried it up to the 30. Two offside penalties helped the local cause and O'Neill slid off tackle to bring the oval to the 30 yard marker of the opposition.

On the next play, Marshall dropped back and accurately tossed an aerial to Sacca, who cantered over for the first score.

A passing attempt at conversion was null and void.

#### Second Soon After

The Red and White kicked to Pennsgrove's 10, but the enemy could do little with the local forward wall and were forced to kick. The boot was a short one that travelled only to the 30, where a fair catch signal by a Palmyra back was ignored. This oversight resulted in the locals starting their drive only 20 yards from pay territory.

After two cracks at the line, Stickle hurled a forward to Rothbaum and the count was boosted to 12. Another point was added shortly afterward as Caruso totted the leather over on the conversion.

#### Start for Third

Shortly after the second period opened, Marshall kicked from his own 35. The ball had a nice roll and carried to the 25 yard line of the invaders.

Having been unable to do much with Palmyra's line up to this point, Pennsgrove took to the air, with disastrous results. Rothbaum purloined a pass and was downed on the 20. Marshall then jaunted around right end being brought down five yards from the goal.

Another score seemed in the offing, but the offensive bogged down and Pennsgrove took the ball on downs.

#### Big Improvement

Pennsgrove was a much improved team after intermission and did the groundwork for a touchdown in the third canto.

The drive started after Palmyra had penetrated to the enemy's 10 yard marker, the fourth assault of the locals during the hostilities. Marshall, a consistent ground gainer all afternoon, was checked at this point and two aeriels failed, the ball going to the opposition.

L. Pennington then ripped off a first down and the locals received a severe setback when they were penalized half the distance to the goal line for slugging. This situation advanced the ball to Palmyra's 35.

#### Touchdown

K. Pennington raced to the 5 yard line on the first play of the last

### Country Club Notes

#### Golf Finals

The final events of the golf schedule were conducted last Saturday afternoon, with J. F. Jamison winning first honors in the 18-hole medal play. W. T. Blyler was second and R. H. Morgan third.

In the driving contest from the first tee, Walter D. Lamon, Jr., annexed the title, getting off a beautiful one that carried 275 yards. R. H. Morgan took second place and R. M. Hollingshead, Jr., was third.

Although the formal program has ended, club officials expect that a large number of members will take advantage of the fine autumn weather to play and that golf will still be very much in the picture until the first snow—if any.

#### Bowling Starts

The bowling program got under way on Monday of this week, when the men's and ladies' leagues both swung into action.

The men's loop, with 12 teams, bowls on Monday, Tuesday and Wednesday nights of each week, while the ladies' loop, with six teams, rolls Monday afternoons.

It is expected that both circuits will have a team in the Inter-club League.

quarter and his brother lugged it over the line on the second. The former converted on a plunge through the line. This completely changed the aspect of things, but more was to follow.

After an exchange of punts, Pennsgrove started another march from midfield. The Pennington boys and Koehler ripped the Red and White forward wall to shreds and, in three plays, the play had advanced to the local 15 yard line.

#### McDermott In

At this critical juncture, Coach Dimond sent in Paul McDermott, despite an injured leg and Marshall (who was withdrawn late in the third period) was also sent back into action.

K. Pennington drove an additional five yards, but the enemy fumbled on the next play which set them back to the 25 with last down coming up. An aerial was grounded and the locals took possession. The game ended soon afterward.

#### The summary:

Pennsgrove	Palmyra
Stewart	LE
Hocknell	LT
Fauntelroy	LG
Reeves	C
Koehler	RG
Frazee	RT
Devlin	RE
Moorison	QB
L. Pennington	RHB
Parvin	LHB
K. Pennington	FB

Score by periods—  
Palmyra 10 0 0 0—13  
Pennsgrove 0 0 0 7—7

Touchdowns—Sacca, Rothbaum, L. Pennington. Points after touchdown—K. Pennington, Caruso (rushing).

Palmyra Substitutions—Phile, Davis, Piergross, Shappell, W. McDermott, P. McDermott, Gibbon. Pennsgrove Substitutions—Robinson, Stratton.

Referee—Taylor; Umpire, Oberhofer, F. & M.; head linesman—Gilliland, Penn State.

### HADDONFIELD IS NEXT OPPONENT

Dimondmen Out for Second Victory of Season; Game at 2.30

Not at all satisfied with the performance of his charges last Saturday, Coach Ken Dimond, of Palmyra High, has had several intensive practice sessions this week in preparation for the engagement with Haddonfield this Saturday afternoon on the local gridiron. The game will get under way at 2.30.

Although the locals clicked in fine fashion during the first period, there was a noticeable letdown after intermission.

#### Reserves

This might be expected because of the starters needing a chance to recuperate, but, unless the reserves are strong, a formidable opponent is quite likely to take advantage of such a situation, as did Pennsgrove last Saturday.

A team is no stronger than its replacements and the Palmyra mentor is doing all possible to bolster up this deficiency.

Plenty of action was seen this week by the second and third teams.

#### Opponents Strong

Haddonfield won a 7-0 decision over Bridgeton last Saturday, displaying a stonewall defense at all times. The team evidently has a fairly strong running attack since only five passes were attempted and only one completed.

Palmyra did not play Haddonfield last year.

### SPORTS JOTTINGS

Pennsgrove had the edge in the matter of first downs, advancing the sticks on nine occasions, as compared with seven for Palmyra.

The locals attempted six passes, fifty per cent of which were good—not a bad record at all.

The opposition had little luck with their tosses. On five trips into the air, Palmyra intercepted three, while the remaining two were grounded.

The rival bands, both clad in red and white regalia, put on a nice performance between the halves. The Pennsgrove musicians numbered 50, while Palmyra's organization was 30 strong. The local outfit had a decided edge in marching ability.

A large crowd of Pennsgrove rooters made the trip here for the game, but most of them proved to be cheer leaders, there being about 30 in the yell gang.

Three players were ejected from the game for promiscuous use of their hands, two of those being men that Coach Dimond would rather have had in the game than on the bench. Pennsgrove lost their quarterback for the same reason.

The opposition made only two substitutions. For Palmyra, Rothbaum, Mento, O'Neill, Karn and Lelejko went the full distance.

#### 3,000 CARS UNFIT

The New Jersey Motor Vehicle Department estimates that 3,000 cars will be taken off the roads as a result of the state automobile inspection.

A total of 99.8 per cent of all cars registered in the state were submitted for the first period testing.

### Alley Gossip

#### Business Men's League

Puohli's took three from Delran, but the Claws and Fortnum still remain in a tie for first position, with a record of 5 and 1, winning a pair of games last week from the Farmers and Bell-Evans respectively.

High Singles—Poulson, Buohli, 241; Seither, Germania, 238; Ewald, Fortnum, 206; Schlam, Germania, 200.

#### The standing:

	W	L
Claws	5	1
Fortnum's	5	1
Buohli's	4	2
Snover	4	2
Germania	3	3
Delran	1	5
Bell-Evans	1	5
Farmers	1	5

#### County League

The eight teams in this circuit started operations this week with Shortens being the only outfit to come through the first evening without the loss of a game.

High Singles: Fallon, Shortens, 211; Bottger, Prudential, 202; Swain, Garden State, 202; Haines, Medford, 208; Hughes, Devlin 247.

#### Ladies League

The Wings took three from the Spuds and led the rest of the field by one game. The Luckies are in second place having a standing of 7 and 2.

High Singles: Mrs. Lloyd, Wings, 181; Mrs. Haines, Luckies, 187; Miss

### JUNIOR VARSITY WINS FIRST TILT

Palmyra secured partial revenge from Collingswood, last Friday afternoon on the home field, when the Red and White junior varsity annexed a 7-0 decision over the Collingswood jay-vees.

Brewster snared the opening kickoff and romped the entire length of the field for the only touchdown of the afternoon.

The locals were greatly outweighed by the opposition, but managed to successfully check the many scoring drives staged by their opponents.

All-rubber drums for shipping and storing acids and other corrosive liquids are now offered. They are said to be virtually indestructible.

Denneler, Murads, 164; Miss Ebert, Kools, 150; Mrs. N. Beitz, Camels, 154.

#### The standing:

	W	L
Wings	8	1
Luckies	7	2
Kools	4	5
Murads	4	5
Spuds	2	7
Camels	2	7

## PHILATELIC NEWSBITS

By S. E. Griffith

### 15 Cent Stamp Out October 13

The new 15 cent stamp will be issued on October 13, at Washington, D. C. This stamp will bear a portrait of James Buchanan taken from a statue by Henry Dexter in the National Gallery of Art, at Washington. It will be printed in a dark gray color.

### More Stamps Withdrawn

Four more stamps have been withdrawn from sale at the Philatelic Agency. These include the 1 and 2 cent Navy stamps, the 2 cent Army stamp, and the 3 cent Texas Centennial stamp.

Other stamps that may be withdrawn at any time are the remainders of the Army and Navy series and the regular postage series of 1922. The stocks of Virginia Dare and 25 cent Clipper stamps are reported to be running low.

The Chinese Radio Communication stamps reported in this column several weeks ago were not issued. The plate had been made, but for some reason, as yet not known, the set will not be issued. The stamps were to bear a portrait of President Roosevelt.

First day sales of the 13 cent Millard Fillmore stamp totaled \$14,832.22. There were 58,965 covers cancelled.

Several of the portraits on the Presidential series of stamps were designed from medals supplied by the United States Mint. Collectors may purchase these medals directly from the Philadelphia mint. They are made of bronze and are three inches in diameter. The price for each medal is one dollar plus postage.

The Haddon Heights Stamp Club will hold its annual stamp exhibition at the American Legion Home, in Haddon Heights, on Friday evening, October 21. This is always a good show and worth while attending. There is no admission charge and everyone is invited to attend.

The Merchantville Stamp Club requested one hundred frames from the South Jersey Association for their club exhibition in November. Details concerning this event will be announced later.

Another exhibition worthy of note is the one sponsored by the Keystone Stamp Club, of Philadelphia. Their exhibition will be held on October 21, 22, and 23 at the Central Y.M.C.A., in Philadelphia.

### Stamps for Shut-Ins

John L. Snowden, of Camden, presented an appeal at the last meeting of the delegates to the Association of South Jersey Stamp Clubs, for serious consideration of stamp donations to shut-ins. His appeal was touching the hearts of every member present as he stood with tears in his eyes and told of the tragedies of some of the shut-ins to whom he sends stamps. His work along the lines of gathering material for these unfortunates is a tribute to his fine character.

He was appointed by the association to carry on the work with their support. He makes this one appeal which I am only too happy to publish: "If you know of any person shut-in at home or in an institution whose days might be brightened by the hobby of stamp collecting, send his or her name to Mr. Snowden, 2615 Harrison avenue, Camden.

Mr. Snowden would be glad to receive stamp donations also as he communicates to shut-ins all over the nation. Some are located in the states of Washington and Oregon.

### Franz I Mourning Issue

R. A. Barry, Stamp Editor of the New York Herald Tribune, announced an interesting new foreign issue as follows:

"In memory of Prince Franz I, who died July 25, a few months after he abdicated as ruler of Liechtenstein in favor of his nephew, Prince Franz Joseph, that country has issued a mourning stamp of three-franc denomination in regular and miniature sheet form. The design is the same as the three-franc stamp of 1933, which showed the portrait of the

## OCTOBER RALLY EPWORTH LEAGUE

The October rally of the Southern Group of the Trenton District Epworth League will be held on Saturday afternoon and evening, October 8, in the Browns Mills M. E. Church. The program will start with an outdoor track meet at 4 p.m., weather permitting. In case of rain, the recreational program will be a backward spelling bee with each league participating. Supper will be served at 6 o'clock and reservations should be sent to Kenneth Beck, Browns Mills, N. J.

The evening service will begin at 7:30 and Douglas Kersey, district president, will preside. The speaker of the evening will be the Rev. Harold Wayman, newly appointed pastor at the Rancocas M. E. Church.

Hawaii, not Kansas, is the actual center of the "United States Extended," which includes our widely separated territorial units.

### NOTICE OF REGISTRY AND ELECTION

Two (2) Justices of the Peace for five (5) years.

GEORGE C. FRANK, Township Clerk.

### Legal Notices

### SHERIFF'S SALE

By virtue of a Writ of Fieri Facias to me directed, issued out of Court of Chancery of the State of New Jersey, I will sell at public sale on

THURSDAY, OCTOBER 13, 1938,

between the hours of 12 and 5 o'clock in the afternoon of the said day (to wit at 2

o'clock) Standard Time, at the Court House, Mount Holly, New Jersey:

ALL the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Borough of Riverton, in the County of Burlington and State of New Jersey.

BEGINNING at the Northerly corner of Fourth and Penn streets, and extends thence (1) Northeastwardly along the Northerly line of Fourth street, seventy-seven feet to a monument corner to land now or formerly of Francis B. Elwell, thence (2) Northwestwardly along said land now or formerly of Francis B. Elwell, parallel with Main street, one hundred feet to a monument, thence (3) Southwestwardly, parallel with Fourth street, seventy-seven feet to a point in the Northerly line of Penn street, thence (4) Southeastwardly along the Northerly line of Penn street one hundred feet to the place of beginning.

BEING the same premises of which the said Perot Nevin and Gertrude D. Nevin, his wife, became seized in fee by virtue of

two certain deeds of conveyance, the first from Samuel S. Daniels and Anna M. Daniels, his wife, dated February 26, 1923, and recorded in the office of the Clerk of Burlington County at Mount Holly, New Jersey, in Book 608 of Deeds, page 285 &c., and the second from Francis B. Elwell and Marion E. Elwell, his wife, dated November 1, 1927, and recorded in the aforesaid Burlington County Clerk's Office in Book 705 of Deeds, page 80 &c.

UNDER AND SUBJECT, nevertheless, to certain conditions and restrictions as contained in previous deeds.

Decree approximately \$3274.50 besides interest, costs and fees.

Seized as the property of Perot Nevin, et ux., et als., defendants; taken in execution at the suit of Mary J. Dickson, complainant; and to be sold by

JOHN M. CHANT, Sheriff.

Solicitors: Bleakly, Stockwell & Burling. Dated: September 14, 1938.

Printer's Fee \$23.52.

9:15 to 10:6-38

## Many Services

The Snover Funeral Home in the performance of its duty renders many different kinds of services. Some are the same as rendered by other competent Funeral Directors, and others that are exclusively a part of the Snover Service.

These are the ones that seem to be most appreciated, and the ones that make the Snover Service really different.

The Girl Scout Mothers Association, of Troop 1, of the Methodist Church, will hold their regular meeting on Tuesday, October 11, at 8 p.m., at the home of Mrs. William Hare, 19 West Charles street. All mothers are urged to be present.

Mrs. Curtis Stavelly, of Charles street, returned home from West Jersey Hospital on Monday, and is reported improving nicely.

Mrs. Leroy Blackman, of Ventnor, returned home this week after spending some time with her mother, Mrs. Laura Winner.

Miss Norma Grennig, of 815 Highland avenue, will entertain the members of the Shining Hour Class of Epworth M. E. Church at their regular monthly meeting and social on Friday, October 21.

Mr. and Mrs. Max R. Osburn, of Orlando, Florida, are spending several days with the parents of Mrs. Osburn, Mr. and Mrs. John Graham, of 400 Leconey avenue, Palmyra.

The many friends of C. Emerson Gregory, of Morgan avenue, will be glad to learn that he is convalescing in a satisfactory manner, following a serious operation at Zurrburg Memorial Hospital, Riverside.

Years ago, the Ely family was prominent in Palmyra and every one knew the Ely boys, Gus, Dan and Tink. Last Thursday they were in town looking up old friends not having been in Palmyra for many years. Very few people are left here who remember the boys in the fine looking men, Charles B. Ely, Daniel B. Ely and Theodore Ely.

## THE PORCH CLUB

October 4th marked the first meeting of the 1938-39 season of The Riverton Porch Club.

A luncheon was served at 1:00 o'clock to 140 guests.

Mrs. Douglas Clark, president, greeted the members and at this time eleven former juniors transferred to the senior club.

Because of the large number of members now in the organization some changes were made in the by-laws which Mrs. Joseph Thomas read. These will be read again at the next business meeting and voted upon.

## National Affairs

The speaker of the afternoon was Mr. Thomas Shaffer who talked on "National Affairs and American Politics." Mr. Shaffer gave the members some very interesting highlights on the recent disturbance in Europe, and said that even though an unfair advantage was taken of a smaller nation, still a great war was probably averted. Quoting from Benjamin Franklin he said, "No war is good and no peace is bad."

The speaker also expressed some very decided views on American politics such as the seeming popularity of shorter hours and higher wages. This he considers will never cure a depression as the majority of men would rather work than be part of this unsettled condition. Mr. Shaffer ended his talk by saying that labor is the great American problem of today.

Mr. Charles Goren, the popular bridge expert from Philadelphia, will

THIS  
is NOT the time

to **THINK**  
about  
**INSURANCE**

Right now—during Fire Prevention Week—is a good time to determine that you will dust off the old insurance policies and bring them out for careful scrutiny. Times change . . . and so does insurance. We gladly offer our services in advising the most complete form of protection for the least amount of money.

This office has specialized in insurance and has a background of 20 years' experience. We have kept abreast of the ever-changing trends in the insurance business, and this knowledge and advice is yours without obligation. We'll gladly help whether or not you might need insurance at this time.

Play safe and telephone Riverton 500 right now . . . for you never know when you might have to telephone for the fire company.

"Get another  
line on that  
roof"....

WHEN you hear such commands as this . . . and it's your house they're working on . . . many thoughts are flying through your head in a confused jumble.

Such thoughts as these: "How much furniture insurance did I have?" . . . "When does it expire?" . . . "What did I do with the policies?" . . . "Good Heavens—all of our jewelry is in the top bureau drawer" . . . "Can't get in to them now" . . . "It's too late." Why, oh why, did I put off renting a Safety Deposit Box?"

The world is full of men who will tell you, "I'll never do that again." But why wait until you suffer a loss in order to learn the lesson?

Rent a Safety Deposit Box in this Bank today and be prepared for any emergency. It only costs—less than 1c per day.

## One A Minute

According to available statistics compiled by insurance underwriters, the number of fires in the United States, during one year, averages one a minute. Every day, throughout this country about 1,500 fires break out. And this goes on, not only today, but during the entire 365 days in a year.

When all records for 1938 are in, approximately 7,000 people will have lost their lives as a result of fires, and the property loss from the same reason will amount to about \$400,000,000.

As a special reminder to our citizens concerning the tremendous losses occasioned by fire and what every one can do to lessen this destruction, the period during October 9 to 15 has been designated as Fire Prevention Week.

During this time, every one is particularly urged to examine their property with a view toward eliminating the more common factors that cause fires—accumulation of rubbish, makeshift electrical wiring, dirty chimneys, defective heating equipment, etc.

All this is a step in the right direction, but we should go farther than this. In addition to special precautions during this week, it is the duty of every one to make Fire Prevention Week last throughout the year.

There is little value in being careful for seven days and careless during the other 358. Remember—fire is no respecter of persons, the danger is always there, ready to take advantage of YOUR Carelessness. Don't give it the opportunity.

## What Other Editors Say

We think poverty to be infinitely desirable before the torments of covetousness.—Jeremy Taylor.

I look upon indolence as a sort of suicide, for the man is effectually destroyed, though the appetites of the brute may survive.—Lord Chesterfield.

The only man to me who is not respectable is the man who consumes more than he produces.—Elbert Hubbard.

Since Davey John Lewis was defeated in Maryland it is announced from Washington that the much advertised bridges will not be built over the Chesapeake Bay. The excuse is that "the bankers won't furnish the money." Why not purge them?

There is a broad distinction between character and reputation, for one may be destroyed by slander, while the other can never be harmed save by its possessor.—Holland.

A man must be excessively stupid, as well as uncharitable, who believes there is no virtue but on his own side.—Addison.

Long is the way (to learning) by rules; short and effective by examples.—Seneca.

There are many people who think that Sunday is a sponge to wipe out all the sins of the week.—Henry Ward Beecher.

There's nothing strange in the fact that the modern girl is a live wire. She carries practically no insulation.—Chase, Kan., Register.

Youth is not the age of pleasure; we then expect too much, and we are, therefore, exposed to daily disappointments and mortifications. When we are a little older, and have brought down our wishes to our experience, then we become calm and begin to enjoy ourselves.—Lord Liverpool.

A good man is the best friend, and therefore soonest to be chosen, longest to be retained and indeed never to be parted with, unless he ceases to be that for which he is chosen.—Jeremy Taylor.

Through ignorance of what is good and what is bad, the life of men is greatly perplexed.—Cicero.

## Church Notices

### CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services Sunday, October 9th.

10:00 a. m. Bible school. Last Sunday was promotion day at "Central Baptist." Many scholars from the Cradle Roll up, passed on to upper grades and, in many cases, taxed the capacity of some of the departments. All of which was evidence of the steady growth of the school. May this condition always prevail!

11:15 a. m. Morning worship. "Two Philosophies of Life" will be the subject of the morning sermon which will be preceded by the anthem by the choir. The congregation appreciated the selection of the choir last Sunday and the solo by Mr. Jermom which fell in close accord with the message of the morning.

6:45 p. m. B.Y.P.U. Senior and high school groups meet in the junior department and the Sunday School room respectively. This group always enjoys an interesting meeting.

7:45 p. m. Evening worship. Those who do not attend the evening service miss much for their benefit. There are a certain number, realizing this, who attend regularly. It has been suggested that these faithful few invite, or much better, bring another with them each Sunday. In no time, the benefits from this service will be far reaching. This Sunday the pastor will confine his sermon to "The Call to Service." The choir plans to contribute their usual bit to the service.

**EPWORTH M. E. CHURCH**  
Rev. William A. Boyd, Pastor

The Christian church is your best and most powerful instrument for the promotion of brotherhood and world peace. The Church can be courageously effective only as its members make it so by their loyalty to its program and its hours of holy worship.

The Rev. C. R. Nixon, assistant minister of the Haddonfield Methodist Church, will exchange sermons with the Rev. W. A. Boyd this Sunday morning, at eleven o'clock. Rev. Nixon is one of our brilliant young ministers.

"The Voices of Neville Chamberlain and Adolph Hitler"—The Voices of the Hour, with Startling Messages Heard Round the World" will be the subject of the Sunday evening sermon to be delivered by the Rev. Boyd. This evening service really is an individual power house. It feeds you with joy, with courage, with knowledge, with goodness and with religion—regardless of weather conditions or other circumstances.

One cannot easily forget the meeting last Sunday evening. The good fellowship, the excellent music by the choir, the spirited congregational singing, stirring sermon and the large number of young people in the audience—all of these together made a very great meeting.

The morning worship is at 11 o'clock and the evening service is at 7:45. We extend a very cordial welcome to all people everywhere to any and all of our meetings.

The church calendar for this week is as follows: Bazaar committee will meet in the Guild room Monday evening, at 7 o'clock.

The mid-week Church service will be held in the junior room, at eight o'clock. This meeting is in charge of the minister.

The sacrament of Christian Baptism will be administered in our Church, Sunday morning, October 30.

Persons wishing to join our Church will be given the opportunity last Sunday morning of October, at eleven o'clock. Such persons should see the minister at once.

Our Church and all its facilities are at the disposal of those who wish them. Call Riverton 328.

**CHRIST CHURCH**  
Palmyra

Rev. John H. Chapman, Rector

Sunday, October 9, Seventeenth Sunday after Trinity.

8:00 a. m. Holy Eucharist.

10:00 a. m. Church school.

11:00 a. m. Choral service and sermon.

7:30 p. m. Young People's Fellowship.

## CHRISTIAN SCIENCE CHURCH

"Are Sin, Disease, and Death Real?" is the lesson-sermon subject for Sunday, October 9, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "I will restore health unto thee, and I will heal thee of thy wounds, saith the Lord." (Jeremiah 30:17).

Among the lesson-sermon citations is the following from the Bible: "And the inhabitant shall not say, I am sick; the people that dwell therein shall be forgiven their iniquity." (Isaiah 33:24).

The lesson-sermon also includes this passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Instead of God sending sickness and death, He destroys them, and brings to light immortality. Omnipotent and infinite Mind made all and includes all" (p. 206).

**WERY—BEEGLE**

The marriage of Miss Virginia L. Beegle, daughter of Mr. and Mrs. C. Roland Beegle, of Riverton, to Mr. Jules F. Wery, son of Mrs. Juliette Wery, of Pottstown, Pennsylvania, will take place on Saturday afternoon, October 15, in the Calvary Presbyterian Church, Riverton.

A reception for the members of the immediate family and a few intimate friends will follow the ceremony at the home of the bride's parents.

**CHURCH BAZAAR**

The official board of the Epworth M. E. Church, together with its various organizations, will sponsor a bazaar to be held November 4 and 5, in the gymnasium of the church.

Every member of the church will participate in this event through contributions, service or purchases.

There will be on sale, cakes, groceries, delicatessen articles, handkerchiefs, dolls, toys, fancy articles and a large assortment of Christmas presents.

In addition to this there will be a hot dog stand.

On Saturday evening from 5 to 8 o'clock, the Ladies Aid Society of the Church will serve a platter dinner at 35c per plate. Dessert will be extra and can be bought at the ice cream stand.

**BIRTHS**

Mr. and Mrs. William J. LeCates, of 301 Seventh street, are receiving congratulations on the birth of a son, William Joseph LeCates, Jr., on Friday, September 30, at the Zurburg Memorial Hospital, Riverside.

Mrs. LeCates was formerly Miss Marcella Bowen, of Riverton.

Dr. and Mrs. M. A. Todd, of Riverton, are receiving congratulations on the birth of a son, Merwin Arnel Todd, 3rd, on Thursday, September 29, at the Zurburg Memorial Hospital.

Mr. and Mrs. John Lowe, of 311 Second street, are receiving congratulations on the birth of a daughter on Sunday, September 25, at the Zurburg Memorial Hospital, Riverside.

**Westfield Friends' School**

First Assembly

The first assembly of the year was held last Friday morning, September thirtieth. Jack Clement was in charge with Richard Robbins assisting him in the reading of the Bible story.

The program consisted of vacation experiences given by members of all classes in a variety of ways. Pictures and souvenirs helped to make the experiences very realistic.

**Graduate Studies**

Miss Charlotte Bickerton, Miss Kathleen Perkins and Miss Miriam Diehl are engaged in study in the Graduate School of the University of Pennsylvania.

Mr. Thomas Price, the sport's director, is pleased with the progress that the Garnet and Blue teams are making in soccer. A game is scheduled with Frankford Friends' School, on October 13th at 2 p. m.

**ATTEND DINNER**

Mrs. Alma Evans, of Riverton, and George N. Wimer, of Palmyra, were among the 400 guests of Chairman Freeman, of the Republican State Committee, at the Congressional Dinner at the Stacy-Trent Hotel, on Thursday evening of last week.

## BUSINESS EDUCATION

For 34 years, Strayer's Business School has been giving practical and exceptionally thorough training for positions as secretary, stenographer, typewriter, bookkeeper, typist and executive's assistant.

**THE STENOTYPE**

Stenotype has been taught for over ten years at Strayer's where 200 stenotype machines are in use and 350 students are attending day and night stenotype classes.

**CIVIL SERVICE**

Hundreds of Stenotype students have received appointments to Government positions at salaries from \$1200 to \$1800 a year.

**EMPLOYMENT**

Strayer's Business School finds employment for its graduates. Many of its graduates of high schools and colleges would do well to prepare for business positions. New classes start now, both day and night.

**Wesleyan Men's Bible Class**

Why it is that so many philosophers so frequently speak of our journey, but seldom of our journey's end?

Are you a pessimistic philosopher who believes there is more bad than good in the world, more pain than pleasure?

If that were true, how long do you think civilization would survive?

## FIRE PREVENTION WEEK

### October 9 to 15

### The BEST way

to prevent fires is to keep "fire prevention" conscious 365 days in the year.

### The BEST way

to be sure that you are properly protected in the event of fire is to place your insurance with an agent who has had a wide background of experience.

## E. B. RUDDEROW

## Insulation!

Aside from the primary reason why people have their homes insulated against heat and cold, our insulating material safeguards your home against the rapid spread of flames within the walls.

Most hollow walls act as a network of flues which in time of fire quickly spread the flames from one room to another.

Let us spend an hour with you explaining the real economic worth in insulating your home. It costs nothing to learn the story. DO IT NOW!

and tell you whether or not it is in good condition to start your first fire of the season.

This check-up will serve a double purpose. If there are any fire hazards we'll discover them, and if there are any flaws that will rob your heater of efficiency we'll tell you about them, too.

Just telephone Riverton 60 now and we'll give you a quick report.

## IN THE EVENT OF FIRE LOSSES

Statistics Show That Many Homes Have Too Little Fire Insurance

The purpose of Fire Prevention Week is self-explanatory, but along this line, it might be well to consider what the situation would be in the event of loss from a fire for which others, not so careful as yourself might have caused.

Insurance authorities state that probably nine out of every ten persons now carrying fire insurance on their homes and household furniture, could carry from two to five times as much as they have without being over-insured.

### Underestimates

They feel that the average man when figuring on the amount of insurance he needs, sees only chairs, tables, the piano and other bulky objects. What he is not so likely to notice is linens, silverware, clothing, dishes, kitchen utensils, curtains and other things, which probably have an aggregate value far in excess of the objects that caught his attention. If his original guess was \$2,000 it is more than likely that he needs \$5,000!

### Automatic Renewal

Local agents say there are other men who bought their fire insurance years ago. They have automatically renewed it, time after time, for the original amount. But since the day they bought that policy, they may have completely refurnished their homes, or bought costly rugs, jewelry, pictures, radio sets, fur coats sporting goods, etc., so that now the value of their household possessions is many times greater than the amount for which their fire policies are written.

### Consult Agent

Insurance men suggest that while you are still thinking about these points, why not call up your agent and ask him to help you decide how much insurance you need?

If you find that you need more, he will of course be glad to arrange it for you. If you find that you do not need any, he will be glad to have helped you.

## Don'ts For The Kitchen & House

### Don't

injure insulation by hanging electric light cords on nails or hooks.

### Don't

go away for a minute without detaching your electric appliances.

### Don't

start a fire in stove or fireplace with kerosene.

### Don't

polish a hot stove.

### Don't

leave a stove while broiling.

### Don't

pour hot water on burning fat—use earth, sand, flour or salt.

### Don't

hang clothes near a hot stove.

### Don't

use gasoline or naphtha for cleaning except in the open air.

### Don't

hunt for a gas leak with an open flame.

### Don't

fail to equip your home with reliable fire extinguishers.

### Don't

forget to keep the extinguishers in working order.

### Don't

leave everything to the landlord—See to it yourself that he has made your home safe.

### Don't

lose your head at a fire—keep yourself and others around you cool and avoid a panic.

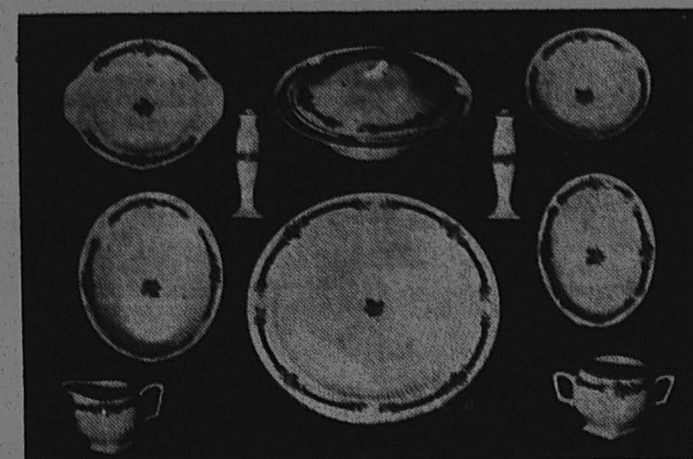

### Don't

burn autumn leaves—bury them.

### FLOOD CONDITION ENDED

Rains will no longer flood Spring Garden street and sections of Palmyra's municipal park, since the storm sewer in that part of the community was completed recently.

## ABSOLUTELY FREE

Above are shown a number of pieces in the \$100 set of dinnerware that will be given to lady patrons of the Broadway Theatre, Palmyra, starting Monday, October 11. The large \$150 cake platter will be the first item to be given.

The complete service is for eight and is characterized by the 22-karat etched gold pattern.

## BOROUGH OF RIVERTON

Sale of Lands for Unpaid Taxes for Years as Noted  
Sale on Saturday, October 15, 1938, at 10 o'clock a.m.

## NOTICE OF SALE

NOTICE is hereby given that I, C. Kenneth Davis, Collector of the Borough of Riverton, County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, the fifteenth day of October, 1938, at 10 o'clock in the morning of said day at the

## Riverton Council Chambers

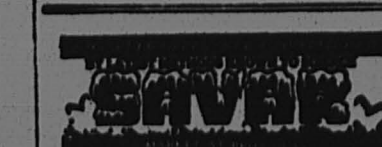

553 Howard Street, in said taxing district, expose for sale the several tracts and parcels of land hereinafter specified, or any part or parts of said land sufficient for the purpose on which taxes and liens for the years as noted remain unpaid and in arrears, to such person or persons who will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 6 per cent, per annum, thereon, including interest and costs of sale.

This sale is made under the provisions of an act of Legislature entitled "An Act concerning unpaid taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens thereon (P. L. 1916, p. 283, amending P. L. 1916, p. 883)."

The said lands hereunder described by Block and Lot numbers, and the names of the persons against whom the said taxes and liens have been assessed, and the amounts of the same including interest to July 1, 1938, are as follows:

Block 54 Lot 3 112 Thomas Avenue, Lot 40x150 Pauline S. Moody, Frame Dwelling Taxes for year	1934	107.88	26.19	134.07

(continued from page 1)

mitted from families new in the district in addition to those in the kindergarten.

"Medical examinations are almost completed, children as a group are in good condition. We have one case of chicken pox.

"Regular classroom work is proceeding satisfactorily and special classes have been adjusted. The new athletic program is finally settled and working out well.

"The eighth grade boys have the advantage of a period of mechanical drawing this year and there are special groups in both shop work and domestic science.

"A Student Council and Safety Patrol have been organized and have made a good start on their duties."

The clerk of the board, William Botter, announced that the estimated cost of tuition for Riverton students at Palmyra High School for the year would be \$120.76 per pupil. This figure may be subject to later revision. There are 100 pupils from Riverton at the Palmyra institution.

The board was advised that the revised schedule of insurance rates for school property would not affect the premium at the local school.

The Riverton Parent-Teacher Association was given permission to use the school auditorium on various occasions during the year.

There was a lengthy discussion concerning the tuition of post-graduate students at Palmyra High School, but no decision was reached.

Purchases authorized were: Copies of the New Jersey School Law for board members at \$1.00 each and 12 stools for the art room at \$2.00 each.

## COMMUNITY CHEST

Somewhere, there is a woman who

is in good health today simply and solely because of the work done by member agencies of the Community Chest.

Unrest, somewhere there is a happy united family which without help would have split into many parts.

Unrest, somewhere there is a lad in a good school who would otherwise have ended in a reformatory, somewhere there is a well old man who would probably have died before now, neglected and alone.

Perhaps you have met some of these people and do not know it, no one will ever be told.

But, you and your agencies supported by your Community Chest have made this possible. It is not the intention of any of the cooperating groups to publish their good deeds and those who have benefited are least likely to talk.

The only thing most of us are likely to hear is the isolated case where, through some lack of funds, or an appeal sent too late, a perfect job has not been done.

This means that you can hear very little about the work of the Welfare Association, the Visiting Nurses, The Burlington County Hospital and the Cinnaminson Home.

Day or Night

Yet these four local agencies of mercy and help stand always at the service of any one who may need them any hour of day or night.

Once a year they come into public notice as they make their appeal for your support. This year they are making one united appeal, the only 1938 appeal which will be made for local charities in the community.

They make a single appeal because they have a single aim, service to all.

Compared with the money which is spent in other communities by state boards to accomplish the same work, the amount needed here is small. This year the four agencies need a total of \$7,500; less than is spent on some communities of like size for relief work alone.

Actually less than would be spent in the two communities of Riverton and Cinnaminson alone under a politically

controlled set up. Money which, of course, would have to come out of local taxes. Thus, the Chest has for its slogan, "Support of the Chest is good business as well as good work."

### Amount Needed

Of course the amount needed is more than the Community Chest has ever asked for, but this is the first time all the agencies have ever been under it, the first time that one asking will cover all the local needs. The total is slightly in excess of that required by all the individuals last year, because there are more needy persons that a year ago. For just one instance, the Welfare Association has an increase of over 100 per cent of clients needing relief over the first six months of last year, but it points proudly to the fact that that total expenditure for this purpose has increased only 72 per cent.

Of all the monies collected by the Chest, 40 per cent will go to the Welfare, 30 per cent to the Visiting Nurses, 20 per cent to the Hospital and 10 per cent to the Cinnaminson Home. Of course any contributor can designate all of any gift to any special agency, but it is hoped that not many will do so for this upsets a ratio which careful bookkeeping has shown to be the fair and proper share of each according to present needs.

### Can Feel Justly Proud

This means that some of us will have to give a little bit more than we did last year. It is worth it, and we can arrange with the collector to spread out payments as needed. It also means that a lot of us who missed our chance to do some-

thing for the community last year and the year before will have that chance this year, and will take it. It is a grand work and one of which we can feel justly proud when we have taken a real part in it voluntarily. Just think, a nurse is in some sick bed because we have sent her there, some child is receiving medical care we have provided, some family is being kept together by our help. These are needed services, services which save the community much in keeping little ills from becoming great and demanding for more in time and money.

The services rendered by the member agencies of the Community Chest are services which the community must have. We have a right to just pride only if we give them voluntarily. If we shrink this opportunity, then they must be paid for out of our taxes at increased cost and decreased efficiency, and so we say again, "Support of the Chest is good business as well as good work."

Publicity.

49th Year No. 39

## NO LOCAL MEN ON WPA PROJECT

Road Work in Cinnaminson Has Not Taken People from Relief Rolls

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, further protests were authorized in respect to the fact that no local men have been assigned to the W.P.A. road project now under way in that community.

Township officials have been advised that the W.P.A. rolls from Burlington county are full and that there will be no additional appointments until vacancies are created.

State W.P.A. Director, Robert Allen, will be again advised of the local situation and will be asked that Cinnaminson men on relief be given jobs on the highway work.

Asks Nursery Center

Mrs. Helen Kelley, W.P.A. official, appeared before the committee and explained the apparent need and data concerning the establishment of a colored day nursery in Cinnaminson.

This would take care of the children of pre-school age whose mothers worked during the day. It would be designed to care for 30-40 children and provide employment for eight or nine people.

According to Mrs. Kelley, a project of a similar nature was recently authorized in Moorestown.

No Cost to Community  
This project, the W.P.A. official (continued on page 3)

## New Date Set By Tax Board

The Burlington County Board of Taxation recently established November 9 as the date for the hearing of the tax appeal of Palmer L. Adams, of Cinnaminson, for assessments against the estate of the late Dr. John T. Dorrance.

The hearing was originally set for September 15, but a postponement was granted on the application of Judge William D. Lippincott, of Moorestown, proctor of the Dorrance estate.

The appeal by Adams is based on his assertion that the estate was not assessed for personal property during the past four years and that, prior to such period, the personal holdings were valued at \$3,000.

The action, according to authorities, is similar in nature to a routine tax board appeal.

## Riverton P. T. A. Meets On Oct. 17

The Riverton Parent Teacher Association will hold the annual reception for parents and teachers on Monday, October 17, at 8 p.m., in the school auditorium.

The speaker for the affair will be Dr. Chester I. Ulmer, who will give his humorous talk on "How to Get Sick." Those who heard Dr. Ulmer at the annual State Convention of Parents and Teachers, held at Atlantic City last November, thoroughly enjoyed his witticisms and humor. Fathers and mothers who have not heard him may look forward to an enjoyable evening. He is well worth hearing, according to association officials.

Mrs. Edmund Turnock, chairman of the music committee, has arranged for a 15 minute musical program, under the direction of Miss Dorothy Diener, music supervisor of Palmyra schools.

The grade having the most parents present will receive a plant, and keen competition exists between the grades for this award.

Refreshments will be served by Mrs. Thomas Taylor and her committee.

## DONATION DAY FOR ZURBRUGG

The annual donation day for Zurbrugg Memorial Hospital, Riverside, comes on Saturday of this week, October 15, and the Riverton Auxiliary of the institution will, as usual, be active in collecting canned goods, fruit, vegetables and money for the use of the hospital.

Mrs. Henry Randall, president of Riverton Auxiliary (phone Riverton 287), and Mrs. Francis B. Elwell (phone Riverton 255), will be glad to call for donations.

Money may be given to Mrs. A. M. Ellsworth, 700 Main street, the auxiliary treasurer. Your gifts will be most welcome and appreciated by those who maintain the Zurbrugg Hospital as an institution of great value to our community.

## ANNUAL DRIVE FOR MEMBERS

Parent-Teacher Association of Palmyra Conducting Campaign

Mrs. Harold F. Marshall, chairman of membership committee. All invited to join.

The annual membership campaign of the Palmyra Parent Teacher Association is on now. Mrs. Harold F. Marshall, chairman of the committee has appointed the following members to be "Room Mothers" for the year:

Eighth Grade—Mrs. W. Wells, Mrs. C. Oliver and Mrs. J. Downs. Seventh Grade—Mrs. P. Van Sant and Mrs. H. F. Marshall.

Sixth Grade—Mrs. W. Nash and Mrs. W. Rudolph.

Fifth Grade—Mrs. W. Cooper and Mrs. G. Moffitt.

Fourth Grade—Mrs. Deitz and Mrs. R. Yerkes.

Third Grade—Mrs. W. Kraus and Mrs. S. Buchholz.

Second Grade—Mrs. A. Palmer and Mrs. T. D'Autrecht.

First Grade—Mrs. M. Tees and Mrs. W. Stephenson.

## RIVERTON GUILD MEETS OCT. 24

Luncheon of Needlework Group At 1 O'Clock; Business Session to Follow

The annual meeting of the Riverton Branch of the Needlework Guild will be held in the Riverton Porch Club, on Monday, October 24. The directors are reminded that all garments contributed by members must be in the Porch Club by ten o'clock on the morning of that day.

A feature of the day's program will be a luncheon served under the direction of Mrs. Maurice Belknap, to which everyone is most cordially invited. The charge will be 35 cents per person, the time 1 o'clock, and reservations may be placed with Mrs. Nathan Lane. Profits derived from the luncheon will be turned over to the Shoe Fund of the Riverton Branch.

Business Session at 2

The business meeting will convene at 2 o'clock in the afternoon. Mrs. James H. Mum of Salem, chairman of the South Jersey Branch, will be the guest of honor.

The splendid work of the Needlework Guild in supplying new, serviceable garments to accredited relief agencies is too well known to need enlarging upon. It is unique in service organizations in the simplicity and directness and economy with which it operates. This year special requests have come to the executive committee for: baby clothes and supplies, household linens, underwear and outside clothing for both boys and girls of from ten to fourteen years, towels, face towels and medium weight underclothing for both children and adults.

Organizations Aided  
The garments contributed by the Riverton Branch go directly to the following local organizations:

## PLAN FATHER SON BANQUET

Palmyra-Riverton YMCA Board Reviews Activities: Names Directors

President A. E. Hargett, of the Palmyra-Riverton Y.M.C.A. Board, and his fellow members have plans under way for the annual father and son banquet in November. They were discussed at length at the October 4th meeting of the board at the Y.M.C.A. building.

A number of reports were made of Y.M.C.A. happenings and activities here. Richard Woodward spoke of the recent visit of Dr. Samuel W. Grafflin. C. B. Marple commented on the Home Vacation Camp, from the viewpoint of a parent, at the conclusion of which the board registered the desire that this be conducted next summer. Secretary "Bud" Reeder, of the county Y.M.C.A. staff, acquainted the men of the board with the various Y.M.C.A. groups which are not meeting regularly, and of prospects for others which are to be and are being organized.

### Enjoy Football Game

Francis B. Elwell referred to the recent Y.C.A. football day at Princeton, and how much the boys enjoyed it. Grover Fox reviewed the district organization plan recently adopted by the County Y.M.C.A. Board, and how it would apply to Y.M.C.A. work here. A number of others commented on a variety of ways for enriching the programs of the various groups.

The board decided to have the Y.M.C.A. building open evenings as a meeting place for the various groups.

### Directors

This was the meeting when directors and trustees of the Young Men's Christian Association were named for the ensuing year. From Palmyra there are: Howard B. Conover, Robert J. Finney, Grover F. Fox, Edward W. Fry, Charles B. Marple, Lawrence B. Parker, Charles Stickney, Carl H. Thomas, John F. Ward and George N. Wimer. From Riverton—Robert G. Adams, E. Newbold Cooper, Francis B. Elwell, A. E. Hargett, Nathan Lane, Clifton P. Mayfield, John L. Metzgar, Victor Ritschard, Richard M. Woodward and Charles H. Yost; also these associate members—Robert Cole, Herbert M. Kieckhefer and Evan W. Stover.

### POWERS SUPPORTS HIGH SPEED LINE

Efforts to have Burlington and Mercer counties included in the interurban high speed line connecting Camden with Philadelphia are being made by Congressman D. Lane Powers.

The Congressman's interest was requested by C. N. Buchholz, finance officer for the Borough of Palmyra. Congressman Charles A. Wolverton, first New Jersey Congressional District, which includes Camden county, is now contacting Public Works Administration to ascertain status of the P.W.A. application for fourteen million dollars for construction of the proposed line. The rail service is to extend over the Delaware River Bridge and connect with the Market street subway in Philadelphia.

### Assures Support

Powers is interested in having Burlington and Mercer counties included in an extension of the system. He has today contacted Wolverton, asking latest information on his efforts, preliminary to making formal request of P.W.A. for inclusion of the two upper counties. Burlington county riverfront commuters, and residents of Trenton, would find the line an added travel convenience, the Congressman believes. He has assured Buchholz of his cooperation in the project.

The sausage tree (Kigelia pinnata) is a native of Africa. It has rough, pinnate leaves and peculiar flowers which hang suspended by long peduncles. From each flower a large fruit develops which resembles a sausage.

## ANNUAL DRIVE FOR MEMBERS

(continued from page 1)

rooms—Mrs. W. Hill and Mrs. Cherry.

### Personal Call

Each "room mother" will call personally on the parents on her list soliciting memberships in the Association. The dues of fifty cents a year help the association in its welfare work. Several pairs of glasses were provided for needy children last year in addition to a \$25.00 gift towards repairing the Band uniforms.

Membership is not limited to teachers and parents; all friends of school children interested in their welfare are invited to become members. We hope to have an increase in the number of fathers who are members also among the Riverton parents who sent their children to Palmyra High as the percentage in both these groups is much too small. So join now through the chairman of any of the "Room Mothers" mentioned above.

### Publicity

## Dont's For Smokers

**Don't** put lighted cigarettes near celluloid or imitation ivory articles.

**Don't** use any matches except safety matches.

**Don't** carry matches loose in the pockets—keep them in box or container.

**Don't** throw away a match unless you are sure it is out.

**Don't** throw matches into waste-paper baskets.

**Don't** smoke in bed.

**Don't** smoke or lean over a lamp when wearing a pyroxylin eye-shade.

### P.H.S. ALUMNI DAY SET FOR NOVEMBER 5

After many weeks of preparation, the Palmyra High School Alumni Association announces November 5th, as the date for its first annual Alumni Day. This occasion, the first to be held in the association's history, will be dedicated to all graduates of Palmyra High School, who will enjoy an all-day program of events.

The association has planned a series of many diversified activities, to be highlighted by the annual football clash between Moorestown and Palmyra. A tour of the improved high school building, reunions of each class, an entertainment, a mass meeting and a dance in the high school gym will complete the roster of events. Committees have been chosen to handle each phase of activity.

Further details will be found in next week's issue of the New Era.

Fourteen of the 144 members of the county council of London, England, are women.

## YMCA BRIEFS

### County Notes

The Burlington Y.M.C.A. board has plans under way for making a Y.M.C.A. meeting room available for the Hi-Y Club and other Y.M.C.A. groups.

In connection with the Mount Holly community evening education school, which is to be held in the new high school building, commencing October 18, a course in Y.M.C.A. group leadership will be offered, with Secretaries Hendry and Reeder in charge. They will ask Y.M.C.A. secretaries from over the state to assist.

The Y.M.C.A. brass quartette will play at the Wednesday evening session of the W.C.T.U. convention in Mount Holly, October 19.

The planning and development committee of camp Ockanichon will hold an all day session, Friday, October 21. From Burlington county the men in attendance will be Henry F. Stockwell, president of the board of trustees, and secretaries Hendry and Reeder.

Secretary Guy C. Hendry conducted an evening of games at the Julius-town school, October 12, which was a part of the P.T.A. program of welcome to the teachers of the township for the new year.

The finance committee of the county Y.M.C.A. board, under the chairmanship of Howard C. Darnell,

## LIGHT CONDITION THAT DARK SPOT

Put an I.E.S. lamp in that dark spot in your home that needs better lighting. Modern I.E.S. lamps "condition" the light so that it is soft and restful to use. It is direct and indirect light combined, provided by a single Mazda light bulb set in a glass reflector.

The I.E.S. lamp illustrated is \$6.95 cash if you trade in an old lamp; \$7.95 without trade-in. See this and the entire line of attractive I.E.S. lamps at Public Service stores. They may be purchased on terms with small carrying charge.

**PUBLIC SERVICE**

of Moorestown, met at his home October 11.

The executive committee of the county board has been invited by President Benjamin J. Roberts to come to his home in Marlton for a meeting Monday evening, October 17.

The Hi-Y Council of the county will resume its fall meetings Sunday afternoon, October 30. At that time the matter of a delegation of some thirty fellows to the annual State Older Boys' Conference, at Trenton, will be discussed.

A paper published in Columbia, Warren county, Ohio, in the 1790's gave premiums for Indian scalps.

Lavender water is an alcoholic perfume, made by dissolving lavender oil in dilute alcohol.

## NO LOCAL MEN ON WPA PROJECT

(continued from page 1)

said, would cost the township nothing, since a community civic organization as co-sponsor would provide the necessary funds.

Such a co-sponsorship is being contemplated in Cinnaminson and, when the plans of this group have been completed, the matter will be given further consideration by the members of the governing body.

Mrs. Kelley stated that local people on relief would almost certainly be employed, provided women with the necessary qualifications were available.

### Jones Bill

Attorney Alex Denbo, of Burlington, representing Albert C. Jones, inquired about a \$310 bill that was alleged to be due the latter for the preparation of plans for Church road, the work being done in 1936.

Mr. Denbo was advised that Mr. Jones was authorized to do this with the understanding that the highway in question would be included in the state highway project for that year. The road was never taken over, so the bill was not paid.

Mr. Jones, it was stated, was willing to turn over the plans, provided the account was settled. After the situation was discussed, Mr. Denbo said that he would confer further with Mr. Jones and advise the committee at a later date.

### To Approve Orders

Herbert Dinges, committee member, was authorized to approve orders of the township engineer in respect to the purchase of materials for use in the W.P.A. road project.

The report of the chief of police, George Dorworth, showed considerable activity during the month, there being 13 motor vehicle accidents during that period, these occurring on River road or Route 25.

### Relief Situation

The committee was advised by William Schmierer, treasurer, that the State owed the township the sum of \$1200 on the relief account, but that there was no knowledge when any part of this would be paid.

Since the \$700 borrowed on an emergency note for relief purposes has been exhausted, certain legal steps were taken to provide additional funds to meet relief costs during the remainder of the year.

### ABOUT THE COUNTY

William Conroy, of Moorestown, an ex-big league baseball player, who is known by many in this section, broke into Bob Ripley's column recently. The Believe It or Not exponent stated that Conroy, while with Minneapolis of the American Association, fanned but four times out of 562 trips to the plate.

A bus route between Burlington and Bristol, over the bridge between the two communities, was established recently.

A U. S. Army engineer has been designated to survey the flood damage in Mt. Holly.

The advisability of construction of a sewage disposal plant is being considered in Mt. Holly.

A new ambulance for community use has been purchased by the Union Fire Company, of Medford. The motive power is furnished by a Ford V-8 85 h.p. motor. The chassis and equipment were specially constructed.

The African lion that recently caused so much trouble at wildwood was purchased, after its death, by C. E. Braddock, Medford taxidermist.

A star mail route now operates from Pemberton to Camden, with a Smithville resident driving a truck on a six months' contract.

Daniel Lichtenthal, of Riverside, was reelected chairman of the Burlington County Democratic committee, at a meeting of that organization held last week in Mt. Holly.

Flood damage in Mt. Holly is estimated to be about \$75,000.

Burlington county's twenty-fourth

## GEDDES THANKS LOCAL CITIZENS

As this is Fire Prevention week, may we remind you once more to look over your property as a precaution.

We want to thank the residents of Palmyra for the splendid cooperation given in the past year.

Our losses since last October were \$2,770.00, let's see if we can lower this figure during the coming year.—Frank H. Geddes, Chief, Palmyra Fire Department.

## BRIEF ITEMS from ABOUT TOWN

The white street markers in the vicinity of the Riverton station are badly in need of repainting.

Harry Stephany, of Cinnaminson avenue, Palmyra, won the electric shaver awarded by the Riverton A.A. football team.

The Palmyra Fire Department had a drill on Monday night, while Riverton practiced on Tuesday.

The members of the Delaware Fire Company, of East Riverton, are working on the foundations for a new fire house.

## JOINT MEETING WOMAN'S CLUBS

On Monday evening, October 17, at 8.15 o'clock, the Palmyra Woman's Club will entertain the members of the Junior Woman's Club, in Society Hall, Palmyra.

Amory H. Waite, Jr., will be the guest speaker, choosing for his topic the subject "With Admiral Byrd at Little America."

The committee in charge feels that this will be a very interesting meeting and hopes that every member of both the Junior and Senior Clubs will attend and bring a friend.

To apologize for the past may lose precious time that should be devoted to preparing the future.

motor vehicle fatality during 1938 occurred last week.

Miss Elizabeth Cowperthwait, of Medford, was elected president of the Burlington County Women's Democratic Club, at a meeting of that organization held last week.

Riverside firemen will ask that community to vote on the matter of a bond issue for a new fire truck. A drive for funds netted \$2,500 leaving \$4,500 to be raised in order to purchase the equipment desired.

## Just About Now is the time to plant Shrubs in your Garden

As a living property line, for fronting the foundation of your home, flanking the entrance or spotted in attractive clumps on the lawn to deter "short-cutting" . . . Spiraea, Snowberry, French Lilacs, Deutzias, etc. Dreer's Autumn Catalogue carries a complete list.

## HENRY A. DREER

The May-Flowering Silver Bell or Snowdrop Tree makes a magnificent accent spot in the garden.

Open weekdays from 8 a.m. until 5 p.m. and on Sunday (but not for business) from 1 until 5 p.m.

## BOY SCOUT NEWS

### Field Day

J. Aubrey Sutton, president of the council, announced, at a recent meeting of the Field Day and Court of Honor, that E. Newbold Cooper, vice-president of the council, from Riverton, would be the speaker at the Council Court of Honor that is to be held in Palmyra on October 15. Commissioner R. H. Gill stated that plans are moving forward for the Field Day and that acknowledgments are being received from the troops who will take part in the various events which will include tent pitching, water boiling, dressing race, knot tying, string burning, tug of war, fire by flint and steel, first aid race, bugling, and an O'Grady drill. Commissioner Gill announced that Captain Harry E. Lindberg, of Delanco, would have charge of troop formations and Arnold L. Piper, of Moorestown, would have charge of sound and lighting effects.

In calling on Mrs. Boyer to set up additional councils, Mrs. Zintl pointed out that, based on per capita tax collections of \$121 annually for New Jersey, residents of Vincentown pay a total tax bill of \$104,665.

## WILL FORM NEW E. C. T. C. UNITS

Preparing for united opposition against any new, unsound tax proposals at the forthcoming session of the legislature, the organization committee of the Emergency Consumers Tax Council of New Jersey recently enlisted Mrs. Murray C. Boyer, chairman of the Riverton Council, to form an additional unit in Vincentown.

"We women really mean business," declared Mrs. Florence Biddle Zintl, chairman of the committee. "We expect to have over 450 councils organized in every town and city in New Jersey within the next sixty days. And we are driving toward a goal of at least 100,000 members."

"During the last ten years tax col-

## TAXES ON AUTOS

Special taxes on motor vehicles again hit a new high level in 1937 with the result that the modern automobile, during its normal life span of eight years, pays taxes equal to double its value, Samuel R. Fletcher, Chairman of the New Jersey Conference of A.A.A. Automobile Clubs, declared recently.

There is no misfortune but to bear it nobly is good fortune.—Marcus Aurelius.

lections from the average New Jersey family have increased 33 per cent. We're going to see to it that this upward curve takes a sharp downward turn—and it's not going to take ten years either. We're starting with the 1939 session of the legislature to show our representatives that we mean business."

The Constitution of the United States at the Library of Congress is in a bronze frame which is gold plated.

## MOTORIST LEARNS SUMMONS IS REAL

Lawrence Zaleski, of 1122 Mt. Ephraim avenue, Camden, was given a hearing before Recorder Frank Probsting, of Riverton, on Friday night of last week, the charge being careless driving. He pleaded guilty and was fined \$5.00 and costs.

The offender was arrested about three weeks ago by Officer John Robinson, who gave him a summons to appear here. This Zaleski chose to ignore and it became necessary for Recorder Probsting to notify the state motor vehicle department, which in turn, issued a summons.

Seeing that the authorities meant business, he finally showed up for the hearing.

The Constitution of the United States at the Library of Congress is in a bronze frame which is gold plated.

## The Reason Why

It is occasionally pointed out that in England privately owned and publicly owned utility companies seem to exist amicably side by side, with each profiting and progressing. It is then asked, Why is this not possible in the United States?

The answer is found in differences of policy in the two nations. In England, both the privately and publicly owned utilities are treated identically. Each pays the same taxes, each must stand upon its own feet and raise money, if necessary, by the sale of securities on their merits to investors, and each is publicly regulated to precisely the same degree.

In this country, to the contrary, the publicly-owned utility is the pampered pet of politicians. It is subsidized from the public treasury. It is wholly or almost wholly free from taxation. It is subject to little or none of the regulation extended by states and the federal government over privately-owned and operated utilities. It is often given certain expensive services such as accounting, mail franking privilege, etc. And, if it incurs operating deficits, which usually happens, the taxpayers' money may be used to pay the loss.

Our private utilities, on the other hand, are publicly regulated in every phase of their operation: are taxed to the hilt; receive no favors or gratuities from government, and, in addition, are crucified by vote-seeking politicians.

That's the great difference between the American and the English attitude toward public utilities. In England, competition is on a fair basis. Political considerations are not paramount. No utility is favored and none penalized. Here's one place where we Americans can learn something immensely valuable from the English.

## Be Wary

A short time ago it was announced that the post office department was investigating certain "mail order" insurance companies, to see if they were operating in violation of the law.

Whatever the results of this investigation, the prospective insurance buyer will do well to keep on his guard. "Prize" policies, whether for life, accident, or what-not, usually contain long lists of exceptions and limiting clauses in fine print which make it impossible for the unwary buyer to actually obtain what he thinks he is purchasing.

Buy your insurance from a well-known company, with agents in your locality. Pay standard rates, and get policies that mean what they say. That's the best insurance protection anyone can obtain.

## What Other Editors Say

A lot of people writing plaintively to Washington say that the baby chewed up their social security cards. Evidently the babies think it's just another numbers racket anyway. And maybe it is.—Los Angeles Times.

A bumper wheat crop is predicted, and there is the prospect of longer breadlines. Figure it out how you will, "it don't make sense."—St. Louis Post-Dispatch.

A nation has quit growing if it can't provide a living for one group without taking it away from another.—Buffalo News.

To make its peace with the Department of Justice the American Medical Association might join the CIO.—Chicago News.

Our idea of zero in accomplishments is the success of certain scientists at Maryland University in perfecting a species of spinach that will withstand the hardest freezing weather.

Do you remember the good old days when college professors didn't know anything about finances and admitted it?

## YOUNG-RORAY

Central Baptist Church, Palmyra, was the scene of a very pretty wedding on Saturday, at 3 p. m., when Miss Henrietta P. Roray, daughter of Mr. and Mrs. Earle Roray, of Melrose avenue, Palmyra, became the bride of Robert Young, son of Mr. and Mrs. Samuel H. Young, of Riverton.

The bride, who was given in marriage by her father, wore a gown of ivory satin with a long veil. She carried white roses and lilies of the valley.

Miss Phoebe Roray, sister of the bride, was maid of honor and her gown was of aquamarine taffeta. Her bouquet was of pink roses.

Archie Seabrook, of Riverton, served as best man.

Miss Patience Northrop, of Riverton, played the wedding march and rendered several selections on the organ.

After a wedding trip, Mr. and Mrs. Young will be at home at Fourth and Elm avenue, Palmyra.

## PRESBYTERIAN SYNOD

The Synod of New Jersey Presbyterian Church in the U.S.A. will open its 116th annual meeting at Atlantic City next Monday. The three day convention will be held in the First Presbyterian Church. Synod headquarters will be at the Chalfonte.

The Rev. George H. Talbot, D.D., Passaic, the retiring moderator, will preach the sermon and conduct the communion service on Monday evening.

The Tuesday morning session will be given over to brief addresses and committee reports. The Rev. John J. Hiemenz, Patterson, chairman of the Golden Jubilee Committee will tell of the nation wide effort of the Alliance to maintain observance of the Sabbath in the modern world. The Rev. Charles W. Welch, D.D., Moderator of the General Assembly of the Presbyterian Church in the U.S.A., will speak on behalf of the National Missions Enterprise.

On Wednesday morning the convention will hear the Rev. Emil Brunner, D.D., University of Zurich, Switzerland, who is Guest Professor of Systematic Theology at Princeton Theological Seminary, Princeton. His subject will be "The Present Task of Theology."

## CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist Thomas Ave. and Seventh St. Riverton, N. J. Sunday School, 11 a. m. Sunday Services, 11 a. m. Wednesday, 8:00 p. m. Reading Room in Church Building Thomas Ave. and Seventh St., Riverton, open Tuesday and Friday, 2:30 to 4:30.

## CHRIST CHURCH

Rev. John H. Chapman, Rector Sunday, October 16, Eighteenth Sunday after Trinity. 8:00 a. m. Holy Eucharist. 10:00 a. m. Church school. 11:00 a. m. Choral service and sermon. 7:00 p. m. Young People's Fellowship.

## OBITUARIES

## MRS. MARY PATTERSON

Mrs. Mary Patterson, of 4 Kern street, East Riverton, died on Tuesday at the home of her daughter, Mrs. Edward Faunce.

Funeral services will be held on Saturday at 8 a. m. from the Snover Funeral Home, with High Requiem Mass at the Church of the Sacred Heart at 9 o'clock.

Interment will be made in Mt. Carmel Cemetery, Moorestown. The deceased is survived by four daughters.

## Church Notices

## EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor "On the plains of hesitation bleed the bones of countless millions who, at dawn of victory, sat down to rest, and resting, died."

The Rev. W. A. Boyd, minister of the Methodist Church in Palmyra will preach a series of sermons from the Book of Revelation. The first sermon will be given this Sunday morning, at eleven o'clock. Here are the first topics to be considered: "The Faithful Witness," Rev. 1: 4-5; "He Loved and Washed Us," Rev. 1:5; "He Made Us Kings and Priests," Rev. 1:6; "St. John's Ordination," Rev. 1:9; "The Living Christ," Rev. 1:18.

"The Man Who Disliked His Medicine" is the subject of the evening sermon, at 7:45. The Sunday school orchestra and our senior chorus choir will be on hand to give the first topics to be considered: "The Faithful Witness," Rev. 1: 4-5; "He Loved and Washed Us," Rev. 1:5; "He Made Us Kings and Priests," Rev. 1:6; "St. John's Ordination," Rev. 1:9; "The Living Christ," Rev. 1:18.

The official board will entertain the members and friends of the church this Wednesday evening, October 19, at 8 o'clock. Entertainment and refreshments will have been prepared by the committee. A royal welcome and a good social time awaits all who come.

The sacrament of baptism will be administered and the opportunity given to those who wish to join our church, Sunday morning, October 30, at 11 o'clock.

## CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor Services, Sunday, October 16, 10:00 a. m. Bible school. Last Sunday, we are happy to report, brought a very large attendance to the church.

11:15 a. m. Morning worship, "Overcome Evil with Good" will be Pastor Lockett's subject for the sermon of the morning. The choir will make its usual contribution to the service. All who feel the need of spiritual uplift are urged to come out.

6:45 p. m. B.Y.P.U. Senior and high school groups meet in the junior department and the Sunday School group respectively.

7:45 p. m. Evening worship, "Am I My Brother's Keeper?" is the title of this evening's sermon.

The following were installed into office by their Honorary President, Dr. J. G. Bickerton: president, Raymond Warner; vice presidents, Floyd W. Spahr, and Edw. Zeugner; secretary, John Noone; assistant secretary, E. R. Haring; statistician, J. E. Turnock; treasurer, Charles Dunbar; assistant treasurer, Henry G. Flick, Jr.; pianists, Dr. H. B. Mark and William L. Stephenson, first group and Augustus Perkins and J. E. Turnock, second group; violinist, Fred W. Schroepfer; chorister, Edmund T. Jones; teacher, Reading Z. Poinsett; benevolent committee, Ernest H. Senior; membership, J. H. Finney; publicity, Ralph S. Rivers; reception, Walter W. White; social, Arthur N. Palmer; ushering, W. P. Hayett; property custodian, Harry Mills.

The president and teacher were returned for their ninth term. Next Sunday Mr. Poinsett's subject is "The Sword of the Spirit" Heb. 4:1-13.

DeWitt Steedle, OUT OF DANGER The many friends of DeWitt Steedle, Palmyra, will be glad to learn that he is rapidly recovering from an appendicitis operation performed last week, at the Montgomery County Hospital, Norristown, Pa.

## P.H.S. SCIENCE STUDENTS

OBSERVE FIRE PREVENTION Under the supervision of Harry R. Gail, John R. Gering, Melvin H. Kreps, Robert A. Patchel and Earl Whitcraft, faculty members, Wednesday of this week was set aside as Fire Prevention Day, at Palmyra High School.

All science classes, on this day, held discussions on the following topics: relating to fire prevention: Causes of fire, hazards, etc. What to do in case of fire. The prevention of fire. Scientific fire control.

## SCHOOLS AND COLLEGES

## BUSINESS EDUCATION

For 34 years, Strayer's Business School has been giving practical and exceptionally thorough training for positions as secretary, stenographer, typist, bookkeeper, typist and executive's assistant.

## THE STENOGRAPHY

Stenography has been taught for over 100 years at Strayer's, where 200 stenography machines are in use and 150 students are attending day and night stenography classes.

## CIVIL SERVICE

Hundreds of Strayer-trained students have received appointments to Government positions at salaries from \$1260 to \$1620 a year.

## EMPLOYMENT

Strayer's Business School finds employment for its graduates. Licensed graduates of high schools and colleges would do well to prepare for business positions. New classes starting now, both day and night.

## 4th Floor Information

Strayer's Business School  
Established 1904  
807 Chestnut St., Phila., Pa.

## COMING EVENTS

Saturday, October 15, Boy Scout Field Day program, Palmyra athletic field, afternoon and evening.

Monday, October 17, Annual Reception of Riverton P.T.A., school auditorium, 8 p. m. Monday, October 17.

Meeting, Junior and Senior Palmyra Women's Clubs, Society Hall, Palmyra, 8:15 o'clock.

Monday, October 17, Organization meeting, Riverton Camera Club, Parish House, Christ Church, Riverton, 8 p. m.

Tuesday, October 18, Testimonial dinner for Russell Blackburne, Weber's Hof-Brau, Camden.

Wednesday, October 19, Meeting, Cinnaminson P.T.A. 8 p. m. Monday, October 24.

Meeting and luncheon, Riverton Needlework Guild, The Porch Club.

## Wesleyan Men's Bible Class

Last Sunday another large attendance greeted the officers who were elected as of October 1st, which time begins a new year for this organization.

The following were installed into office by their Honorary President, Dr. J. G. Bickerton: president, Raymond Warner; vice presidents, Floyd W. Spahr, and Edw. Zeugner; secretary, John Noone; assistant secretary, E. R. Haring; statistician, J. E. Turnock; treasurer, Charles Dunbar; assistant treasurer, Henry G. Flick, Jr.; pianists, Dr. H. B. Mark and William L. Stephenson, first group and Augustus Perkins and J. E. Turnock, second group; violinist, Fred W. Schroepfer; chorister, Edmund T. Jones; teacher, Reading Z. Poinsett; benevolent committee, Ernest H. Senior; membership, J. H. Finney; publicity, Ralph S. Rivers; reception, Walter W. White; social, Arthur N. Palmer; ushering, W. P. Hayett; property custodian, Harry Mills.

The president and teacher were returned for their ninth term. Next Sunday Mr. Poinsett's subject is "The Sword of the Spirit" Heb. 4:1-13.

## DeWitt Steedle

OUT OF DANGER The many friends of DeWitt Steedle, Palmyra, will be glad to learn that he is rapidly recovering from an appendicitis operation performed last week, at the Montgomery County Hospital, Norristown, Pa.

Mr. Steedle was suddenly stricken Friday of last week while visiting relatives in Norristown and was operated upon immediately. He is the Republican nominee for the post of auditor in Burlington county.

The sleep of a laboring man is sweet.—Old Testament.

## PALMYRA TAKES SECOND DECISION

Red and White Grid Machine Functions Perfectly to Down Haddonfield

Excelling in all departments, Palmyra High took Haddonfield into camp, last Saturday afternoon on the local gridiron, the score of the engagement being 6-0.

After threatening constantly during the entire first half and most of the third period, the Red and White pushed over the winning touchdown just before this canto ended. The score came as a result of a 60 yard romp by Marshall, fleet-footed back, who circled left end and scurried along the sideline for the six-point-er.

His trip was characterized by some very pretty broken field running and timely blocking on the part of the supporting cast.

## Start Early

The local offensive started to click right after the initial kickoff. Getting the ball on their own 30, the Red and White machine advanced as far as the enemy 8 yard line before a fumble scotched the scoring foray. Highlights in this march were three successful aials with Rothbaum on the receiving end. Marshall hurled two with deadly precision, while Stickle heaved the other.

## Back Again

Haddonfield spun off a first down at this point, but the Red and Black assault was checked on their own 28. The opposition was unable to get away a kick on the last down and Palmyra took possession on the Haddonfield 20 yard stripe.

This advance got as far as the 15 when a pass was intercepted and run back to Palmyra's 30.

Exchange of punts and a few running plays comprised the proceedings until the second quarter was nearing an end.

## Third Threat

Another Haddonfield fumble was recovered by Palmyra on the local 45. Gamble made five yards through the line, while a pass, Marshall to Davis advanced the pigskin to the enemy 35.

Marshall carried the sortie to the 10. A pass was incomplete and a running play picked up little yardage. The threat was removed, however, as an alert Haddonfield defense intercepted another aerial just as the half ended.

## Another March

Picking up where they left off, the charges of Coach Dimond were soon in scoring position shortly after intermission. Both Marshall and Gamble shook loose for long gains and the locals advanced to the 15-yard marker of the opposition, where the defense stiffened, Palmyra losing the ball on downs.

After two exchanges of kicks, Gamble intercepted another Haddonfield aerial on his own 48. The touchdown play followed.

Aided by a poor kick and two penalties for holding, the invaders staged their only scoring threat in the last quarter, but muffed it badly.

## Passes Intercepted

On one occasion they had the ball on the local 35, but Gamble snatched another forward to eliminate the danger. The second came soon after when a kick from behind the goal line carried to Palmyra's 20.

Again Gamble diagnosed the play correctly and a Haddonfield pass was snared by him.

## VAGNONNE WILL MEET E. DUSEK

As a result of his brilliant showing last week in the match with Rudy Dusek, who he defeated, Gino "Reds" Vagnonne, the Latin-American from Illinois, will next face Ernie Dusek, of Nebraska, in the final of the next wrestling bill offered by the Hanly brothers for Thursday night in the Camden Armory. The bout is limited to 90 minutes, with the best two out of three falls to decide the winner.

## Other Bouts

Another Gino will show his wares on the program, this being Gari-baldi, one of the five members of that St. Louis family who are cutting capers among the wrestlers. Gino is booked to meet Eddie Newman, another St. Louisan, in the semi-final of 30 minutes.

Hank Barber will again head the preliminaries and he meets George Ryan, of Philadelphia, in a 30 minute fray. Angelo Cioldi returns to the drilled after three years absence when he takes on Stan Sokolis in the second bout. Johnny James, of Texas, opens the show with John Swenski, of Boston, in the first scheduled half hour encounter.

## OPPONENT'S SCORES

Riverside, 0; Moorestown, 0. Collingswood, 9; Vineland, 0. Gloucester, 0; Woodrow Wilson, 0. Haddon Heights, 18; Merchantville, 7. Burlington, 12; Wildwood, 0. Pennsgrove, 6; Clayton, 0.

## Don't

throw water on a gasoline or kerosene fire; it will only spread the fire. Use a chemical fire-extinguisher or smother it out with sand.

Before hostilities were ended, Palmyra ripped three more first downs on straight football, play ending with the oval on the 35-yard marker of the opposition.

## All Play Well

As stated before, the entire Palmyra team functioned as a well-drilled machine. While Gamble and Marshall scintillated in the backfield, too much credit cannot be given to the forward wall.

Mento, Lelejek, Rothbaum, Phil, Karitis and Karn played the entire tilt without relief and successfully throttled the assaults of the ponderous Haddonfield backfield that was aided by an extremely heavy line.

The score fails to indicate the superiority of Palmyra, since the Red and White annexed 14 first downs, as compared to three for their opponents.

Palmyra	Haddonfield

## PALMYRA BAND MAKES BIG HIT

Now Composed of Thirty-Six Musicians; Has New Faculty Director

The Palmyra High School Band has made a decided hit with local football fans in the two appearances of this organization thus far this year.

Every one who has seen the organization on the field has been greatly impressed with the new uniforms, which are a decided improvement over the old regalia, together with the new musical numbers and intricate formations that have been added to the repertoire.

## Veteran Director

John R. Gering, a new member of the faculty this year, has taken over the duties of director, while R. H. Gehringer, as heretofore, continues as the instructor.

Mr. Gering is a veteran bandsman having played with a high school organization that won national honors on several occasions. His knowledge of marching has been reflected this year in the manner in which the local musicians outvie their tooting opponents on Saturday afternoons.

## Personnel

The complete personnel of the band, at present, is 36. This includes Thomas Braddock, Betty Wharmaby and Evelyn Kates, who, as drum majors, lead the organization. The other members are as follows:

Jane Beauchamp, clarinet; William Black, trumpet; John Bromme, bass horn; James Brown, trombone; Eugene Diamond, clarinet. Horace Elder, snare drum; Lester Feldman, snare drum; Donald Haring, saxophone; Albert Hark, trumpet; Lucille Leysahon, trombone. George McMahon, bass horn; Robert Milroy, trombone; Louis Pike, trumpet; John Polner, clarinet; Rufus Pratt, clarinet.

Harley Rivers, saxophone; Anna Ruch, saxophone; Richard Sprengle, cymbals; William Sprengle, trumpet; Ralph Willis, trumpet. Yvonne Pennington, trumpet; Elizabeth Faunce, clarinet; Edmund Turnock, trumpet; John Boenitsch, saxophone; Earl Jensen, bass drum. Harry Horner, snare drum; Charles Delaney, snare drum; Francis Jones, trumpet; Robert Stavelly, saxophone; Sidney Kuensel, trumpet.

Eric Seehafer, flute; Thelma Gamble, alto, Edith Feldman, alto. Mr. R. H. Gehringer—Instructor of band; Mr. John R. Gering—Director of Band.

## SPORTS JOTTINGS

Haddonfield trips to the air were most unsuccessful to say the least. Out of a total of 12 tosses, five were intercepted, while only a pair were good. The two completed accounted for two of their first downs.

Palmyra, on the other hand, had much better luck with their aerial excursions. Five of the 13 were completed for substantial gains, while two were snared by the opposition.

The locals were in there fighting from beginning to end, a greatly improved team over that of the previous Saturday.

The opposition had a fairly good defense, especially when the goal line was threatened, but their attack did not deserve even honorable mention. Of course, Palmyra put a serious crimp into the style in which their coach probably thought things should have gone.

As a matter of fact, practically the entire game was played in Haddonfield terrain. The opposition never advanced the ball past the midfield stripe, a poor kick and a pair of penalties furnishing the only occasions when they were over the frontier.

## PLEGED AT BUCKNELL

John Yost, son of Mr. and Mrs. Charles H. Yost, of 631 Thomas avenue, Riverton, has been pledged to Phi Kappa Psi social fraternity, at Bucknell University, where he recently enrolled as a freshman.

Yost is one of 140 men students at the university who pledged to social fraternities at the conclusion of the annual rushing week. He is enrolled in the commerce and finance course at Bucknell.

## DETECTIVE PRAISED

D. Frederick Burnett, state alcoholic beverage commissioner, has written County Prosecutor Howard Eastwood complimenting Detective Leo Baur, of the prosecutor's staff, who made an arrest recently on the possession of an unregistered still.

## RIVERTON LAUNDRY

Wet wash picked up by our drivers by 2 o'clock Saturday afternoons delivered on or before 8 o'clock Monday mornings.

## HADDON HEIGHTS NEXT ON SLATE

Palmyra Plays Away Saturday; Three Games at Home Will Follow

Next Saturday afternoon, the Palmyra High gridgers will trek to Haddon Heights, where the Dimondmen hope to rack up their third win of the season over the local football exponents.

Haddon Heights defeated Merchantville 18-7 last Saturday afternoon and won 19-0, from Paulsboro during the previous week.

From all indications, the affair should be closely contested.

## Conversion

## PHILATELIC NEWSBITS

By S. E. Griffith

Philatelic Motor Van  
The motor van, sponsored by the Post Office Department, will soon start on its tour of the country. The van will display practically all of the stamps of the United States. It will also have a small rotary press in operation showing how stamps are printed.

The P. O. Department is being swamped with requests from towns all over the country for the van to include them on its tour. If Palmyra and Riverton are to see this unusual exhibition then everyone who reads this column should write a letter now, requesting these two towns to be included in the tour.

### November Stamps Announced

The P. O. Department announced that six new stamps of the Presidential series will be issued during November. The dates of issue and colors are as follows:  
18 cent—Ulysses S. Grant—November 3—red brown.  
10 cent—Rutherford B. Hayes—November 10—blue.  
20 cent—James A. Garfield—November 10—dark green.  
5 dollars—Calvin Coolidge—November 17—red and black.  
21 cent—Chester A. Arthur—November 22—steel blue.  
22 cent—Grover Cleveland—November 22—dark red.

The 5 cent Navy stamp of the Army and Navy series has been withdrawn from sale at the Philatelic Agency.

First days sales of the 2 dollar Harding stamp amounted to 24,766 stamps sold with 19,895 covers cancelled on September 29, at Washington.

### New Lincoln Stamp

The 16 cent stamp portraying Abraham Lincoln will be issued at Washington, D. C., on October 20. This stamp will be printed in black. The portrait was made from a bust by Sarah Fisher Ames now in the Senate gallery.

Poland has issued a single stamp souvenir sheet commemorating a balloon ascent into the stratosphere. The event is being financed by the sale of this 75 groszy stamp printed in violet.

### Stamp Collectors' Round Table

A book, recently published, bearing the title "Stamp Collectors' Round Table" has been received by me and is worthy of comment here. The book, edited by Foster W. Loo, contains information on thirty-two branches of philately by as many outstanding experts in these fields.

I will make no attempt to list all the writers or the topics. However, some of the writers, known to stamp collectors everywhere, who have contributed to the text are: Ashbrook, Brazer, Perry, Johl, Norona, Knapp, Dietz, Clark and Fennel.

The book is published by the Frederick A. Stokes Company.

In the new Presidential Series of stamps George Washington's portrait is on the one cent stamp while that of Martha Washington is on the one and one-half cent stamp. Would this have anything to do with a better half?

Ramsey S. Black, Third Assistant Postmaster General, in a recent announcement, said, "It is doubtful that the new stamps in oil or book form will be released until after the completion of the stamps in sheets."

### Stamp Exhibitions

We list here a calendar of coming stamp exhibitions two of which are National exhibitions.  
October 21, Haddon Heights Club Exhibition, at American Legion Home, Haddon Heights.  
October 21 to 23, Keystone Stamp Club Exhibition, at Central Y.M.C.A., Philadelphia.  
October 27, Stampex National Exhibition, at Mosque Theatre building, Newark.  
November 5 to 13, National Stamp Exhibition, at Rockefeller Center, New York City.  
November 18, 19, Merchantville Stamp Exhibition, at Parish Hall, Merchantville.

## HEALTH PROGRAM AT CINNAMINSON

School Plans Constant Check on All Pupils; Summary of Activities

A health program, planned to keep a constant, close check on the physical condition of all children at the Cinnaminson School, is getting into full swing and, according to School officials, promises to do much to materially improve the general health of the pupils.

Dr. T. Bruce Dickson, school physician, is in the school building three times each week—Monday, Wednesday and Friday—and on these days any child not up to his normal physical condition in any way will be sent by his teacher to the medical room for a check-up by the doctor and, if advisable, will be sent home for treatment.

The school nurses, Miss Blair and Miss Cook, are in the building each day, as has been their custom in the past. They will also work in conjunction with Dr. Dickson's recommendations.

### Other Activities

Every school child is to receive cod liver oil daily, either at home or at school. During the cold weather a hot cereal and milk will be served each morning at 9 a.m. in the lunch room, at five cents a portion, to any child desiring it.

Dental Clinic is being held each Friday, with Dr. Hayes Brady, school dentist, in charge. There are quite a number of children taking advantage of this splendid work. With this excellent health program in operation, it is hoped the children will be kept in good physical condition, and that epidemics such as have been experienced in recent years, will be checked.

## Mystery Tuning Philco Radio Now At Etris Store

Considerable attention has been drawn to the new Philco 116-RX Mystery Tuning radio now on display at the John H. Etris store at 17 West Broad street, Palmyra.

This super set is housed in a walnut cabinet of distinguished simplicity. The portable Mystery Control unit will operate the set from any room in the house and its dial automatically tunes eight stations. The music may be made louder or softer or the set may be turned off completely from the Mystery Control unit.

There are no wires or connections necessary to operate the Mystery Control Unit. By a flip of a switch the set may be turned back to the manual control on the face of the panel.

This particular model has 14 tubes and has tuning bands for American, foreign and short wave broadcasts. It's the hit of the 1939 radio season and John H. Etris cordially invites you to visit his store and operate and hear it for yourself.

### NO AID FOR GROWERS

Tomato growers in this section will receive no government funds to reimburse them for losses sustained by floods, according to an announcement made this week.

The reason for this action is due to the fact that the A.A.A. has no funds available for this purpose.

## Country Club Notes

Bowling  
The 12 teams in the men's league swung into action last week, with four outfits winning all three games, these being Woods, Lippincott, Hendrickson and Hemphill. Wilson, Jamison, Tyler and Smith failed to break into the win column.

High singles: Elliott, 200; Coe, 204; High three: Hagstox, 199, 190, 178, total 567; Lippincott, 196, 188, 177, total 561.

Interclub matches start this week, with Riverton Green bowling Cynwyd on Thursday evening, at the alleys of the local club.

All British prime ministers since Sir Hugh Walpole have lived on Downing street.

den and the Palmyra Whites each won two games from their opponents last week in the first session of the season for this loop.  
High singles: Cooney, Mt. Holly, 201; De Runtz, Camden, 206.

## BOROUGH OF RIVERTON

Sale of Lands for Unpaid Taxes for Years as Noted  
Sale on Saturday, October 15, 1938, at 10 o'clock a.m.

### NOTICE OF SALE

NOTICE is hereby given that I, C. Kenneth Davis, Collector of the Borough of Riverton, County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, the fifteenth day of October, 1938, at 10 o'clock in the morning of said day at the

### Riverton Council Chambers

503 Howard Street, in said taxing district, expose for sale the several tracts and parcels of land hereinafter specified, or any part or parts of said land sufficient for the purpose upon which taxes and liens for the years as noted remain unpaid and in arrears, to such person or persons as will purchase the same for the lowest rate of interest on redemption, not such rate shall not be more than 8 per cent, per annum, thereon, including interest and costs of sale.  
This sale is made under the provisions of an Act of Legislature entitled "An Act concerning taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens thereon (P. L. 1918, p. 283, amending P. L. 1918, p. 883).  
The said lands hereunder described by Block and Lot numbers, and the names of the persons against whom the said taxes and liens have been assessed, and the amounts of the same including interest to July 1, 1938, are as follows:

Block 54 Lot 3	1934	1935	1936	1937

## GIVES FINE TALK ABOUT RUSSIA

Loren F. Jones Tells Rotarians That Country Will Be Great Nation

Russia, in the judgment of Loren F. Jones, an engineer who has twice been to that country for professional reasons, will progress until it becomes one of the world's greatest nations. The present form of government is not so unsuited to the people whose temperament is partly responsible for the conditions which now exist, Mr. Jones told Palmyra-Riverton Rotarians in a talk which was among the best given before the club in recent years. First residing in Russia during 1931, the speaker found many improvements on his second sojourn there in 1936; food and clothing particularly, were better than on his earlier trip.

Mr. Jones took up in more or less chronological order his interesting experiences, comparing them for his two visits. The railroads, said the engineer are better than in 1931, but hotel and home accommodations have improved but little. Moscow once a city of 1,500,000 souls, now supports 4,000,000 people, and the average citizen has one quarter of a room to live in. Engineers who rate well among Soviet citizens may have a half a room, while a chief engineer sometimes has a whole room to himself.

Parades usually late  
Parades have become an important feature of Moscow life, but are usually late, and often the participants do not know what they are parading for. The November 7th demonstration, celebrating the revolution is a large procession, well organized, and impressive to those privileged to see it. Streets are cleared and no one is even allowed to cross until the marchers have gone by.

Mr. Jones' experiences with his American automobile were novel, to say the least. In common with all other foreign motorists, he employed a chauffeur, which class of employee, receives the highest wages paid to those who work with their hands, in Russia.

Gasoline Scarce

No one can buy gasoline, but must secure the proper card from an official to procure it from one of the four gas stations in Moscow. A wait of two or three hours to secure the fluid is not unusual, and on more than one occasion, the long trek would be made only to find the tanks dry. Twice all gasoline vehicles were stopped for several days, during the speaker's stay. Tires must be pumped by hand, and each car washed daily.

The theatre, and the arts in general, are excellent, receiving strong government support. Americans are particularly fond of the world famous ballet, to which they go many times.

Foreigners Suspected

An outstanding change between 1931 and 1936 is the present deep-seated suspicion of all foreigners. There are a minimum of non-residents in the country and Russians will not mix with them socially. The government has saved face by blaming many difficulties on foreigners, and even gives courses, at which attendance is required, in the detection of foreign spies. Only once was Mr. Jones able to entertain Russians at dinner, and then a member of the secret police was invited among the guests. Engineers would not even ride into Moscow in the American automobile.

Mr. Jones touched slightly on the arrests made for political reasons, and also pointed out the difficulty of anyone's escaping from the country. Barbed wire entanglements twenty feet wide line the borders, and even the roads stop short of the boundary lines making it impossible to drive a car out of Russia.

Progress Inevitable

In his concluding remarks, Mr. Jones emphasized the fact that Russia is developing at a good rate, and its steady progress is inevitable. Education plays an important part, and students continuing in school or university as long as they are able to pass the increasingly difficult examinations. Age does not matter, only

## TWO MORE W.P.A. STREET PROJECTS

Two projects acted upon favorably today by State Commissioner E. Donald Sterner for the state highway department, W.P.A. work relief program will give 1,196 man-weeks of employment in Burlington county.

Materials will be purchased by a grant of state aid and labor supplied through W.P.A.  
Under this arrangement Hainesport was authorized to award the construction of Lumberton road to the low bidder, the DelPatra Construction Co., of Atlantic City, at \$2,612.

Agreements were ratified with Florence Township for W.P.A. labor on the improvement of Jacksonville road. The work to include bituminous surface treated gravel will extend one and two-tenths miles.

## COUNTY FIREMEN URGE CAUTION

Ask Fifty-Two Weeks in Year For Fire Prevention Activities

The Fire Prevention Committee of the Burlington County Firemen's Association has issued the following statement in connection with Fire Prevention Week, which ends on Saturday, October 15:

Every year one week in October is named "Fire Prevention Week" to be observed throughout the United States.

Every year the Burlington County Firemen's Association name fifty-two weeks of the year as "Fire prevention Weeks."

Why don't the citizens of Burlington county do the same?  
No doubt every person in the county could make an inspection in their individual homes and find any number of fire hazards such as ashes in wood or cardboard containers; matches placed where children or mice could easily reach them; gasoline stored in the house; inflammable cleaning fluids being used inside where there is an open flame in the gas or coal range; electric lamp cords placed under rugs and various other items too numerous to be listed here.

Last year the fire loss in Burlington county was \$150,149.00. Why not reduce this figure and make our county the safest county in the United States in which to live?

It can be done.  
Will you help?

This article was prepared by The Fire Prevention Committee of the Burlington County Firemen's Association.

## FALL MEETING OF HISTORICAL SOCIETY

The fall meeting of the Burlington County Historical Society will be held in the Friends Meeting House, Crosswicks, on Saturday afternoon, October 15, at 2:30 o'clock.

The principal address will be given by Dorothy Cross, of Trenton, who will speak on the subject "Indian Background of Crosswicks and Vicinity."

Guests of members are welcome.

## AGRICULTURAL YEAR BOOKS

The 1938 edition of the Agricultural Year Book is now available to residents of Burlington and Mercer counties, which comprise the Fourth Congressional District of New Jersey, according to Congressman D. Lane Powers.

The Congressman has just received word from the folding room of the House of Representatives that 400 Year Books have been placed to his credit. Anyone who is a resident of his district and who wishes one of the books need only write his Trenton or Washington office, the Congressman added, and he will immediately fill the request.

brains seem to control. Young Russians, are fairly happy, they have more material things than ever, and are sold on the development plan. The land of the Soviets may some day rank with the United States as one of the two leading powers in the world.

The discovery of the arc lamp by Davy in 1800 marked the beginning of electric lighting.

## Legal Notices

### NOTICE OF REGISTRY AND ELECTION

In conformity with the provisions of Title 19, Revised Statutes, and the amendments thereof and supplements thereto, NOTICE is hereby given that the District Board of Registry and Election in the BOROUGH OF RIVERTON, in the County of Burlington, will meet on the dates and at the place hereinafter designated for the purpose of adding to and revising the Registry List:

WEDNESDAY, OCTOBER 18, 1938, between the hours of one o'clock p.m. and nine o'clock p.m.

### FIRST DISTRICT

All that portion situated East and West of the Pennsylvania railroad and bounded by the following streets: Borough line from Main street, to Pompton Creek, to Bank street, to Penn street, to Third street, to Church lane, to Fourth street, continuing through Church lane to Broad street, thence East of the Pennsylvania railroad on both sides of Main street, excluding the Collins building, to the point of starting at the Borough line, containing therein the following streets: Bank street, Sixth street, Fifth street, Fourth street, Third street, Broad street, Seventh street, Eighth street, Ninth street, Fulton street, Hoskins street, Cinnaminson street, Main street, Penn street, Church lane, and Delaware street.

### RIVERTON FIRE HOUSE

## SOCIOLOGY CLASS ATTENDS COUNCIL

(continued from page 1)

to secure a share of its benefits for  
our people whose taxes support it."

Go to Polls

The Mayor urged upon the class  
members the importance of adults  
exercising their right to vote. He  
said that the great group who find  
it under the present set-up, almost  
an advantage to be in want, consti-  
tute the greatest "pressure group"  
in our country today. The unfor-  
tunate part of the whole thing is  
that the people who could control  
the national ballot, stay at home and  
fail to vote. In closing the Mayor  
extended the invitation for the class  
to attend meetings whenever it  
could do so, and invited them to ask  
any questions they wanted during  
the course of the meeting.

Collins Gets Award

Bids for terra cotta pipe for the  
construction of a storm sewer were  
opened and the award made to J. S.  
Collins & Son on their low bid of  
\$1,567, less 2 per cent cash discount.  
Other bidders were H. B. Williams,  
Augustus Reeve, Inc., Camden, and  
the J. J. Fitzgerald Co., of Philadel-  
phia.

Councilman Huyett reported that  
a few trees had been blown crooked  
by the recent storm and that these  
would be straightened around on the  
next tree project. He reported forty  
replacements for the year.

Councilman Wright reported that  
two buildings owned by the borough  
were in a dangerous condition and  
in need of porch and step repairs.  
He was authorized to secure bids  
for the repairs and report at the  
next meeting.

Councilman Flynn reported pro-  
gress in his committee.  
The building inspector's report in-  
cluded improvements for the month  
totaling \$1358, and returned fees  
amounting to \$9.

Don't Burn Leaves

Councilman Engle asked the press  
to urge the cooperation of citizens  
in refraining from burning leaves in  
the streets. The fires burn the oil  
recently applied to the streets and  
thereby does damage to the high-  
ways.

He reported that the storm sewer  
was progressing and that it should  
be completed according to Mr. Engle.  
The report of George N. Wimer,  
Welfare Director in the borough was  
read. The report showed that by  
September 30th there were but 6  
cases covering 16 persons, the low-  
est point since 1936. The amount  
expended for relief for the month  
was \$133.78, this, too, being a new  
low for relief expenditures.

The sanitary inspector reported \$6  
in fees and one case of whooping  
cough.

A letter written to Congressman  
D. Lane Powers and Senator Powell  
rely were read before council. Mr.  
Buchholz in his letter called atten-  
tion to the efforts being made in  
Camden county to secure high speed  
trolley service to Philadelphia on a  
federal project.

Mr. Buchholz stated that, if such  
a project should be seriously con-  
sidered by the Government, the  
riverfront section should be included.

Transportation Committee

Mayor Ward appointed a trans-  
portation committee consisting of  
Councilman Buchholz, William P.  
Engle and George Luce. The Mayor  
also stated that he hoped other com-  
munities along the riverfront affect-  
ed by improved transportation fac-  
ilities would also take similar ac-  
tion and unite in securing an im-  
provement for our commuting pub-  
lic.

The suggestion of using the fire  
siren by the school authorities to  
denote half sessions during stormy  
weather was rejected upon the ad-  
vice of the fire department. They  
stated that the fire siren should be  
reserved exclusively for alarms of  
fire. It is used at noon only for  
test purposes. Should a real fire oc-  
cur at the same time the school was  
using it to denote a half session con-  
fusion would result and serious fire  
damage might result.

Czechoslovakian pine, seasoned for  
seventy-five years before use in mak-  
ing violins, is bequeathed, like Jew-  
elry, from father to son.

## COUNTY IS SUED FOR BRIDGE WORK

Late Tuesday afternoon, Walter  
D. Lamon, of Palmyra, director of  
the Board of Freeholders, was  
served papers relative to a suit con-  
cerning a claim of the Bridgewell  
Engineering Corporation for \$15-  
200 against the county, this sum be-  
ing alleged due the firm for work  
done on the Delanco-Riverside  
bridge in 1935.

The engineering bill has been the  
subject of discussion at several  
board meetings during the past two  
years and it is expected that the  
matter will be considered at length  
when the members convene on Fri-  
day afternoon of this week.

## RIVERTON

Mrs. B. C. Ross and children, of  
Park avenue, Riverton, are enjoying  
a vacation in Florida.

Miss Eleanor Leonard, of Frank-  
ford, Pa., Miss Irene Richardson, of  
Burlington, Miss Ruth Horner of  
Palmyra, Walter Meyers of Tacony  
and Lawrence Schweizer, of Palmyra,  
were guests of C. Howard  
Yerkes on Saturday evening at his  
home, 202 Linden avenue.

Mr. and Mrs. Howard Law, of  
Linden avenue, moved to the Price  
apartments this week.

Mr. and Mrs. George S. Hagstoz,  
of Broad street and Elm avenue, re-  
turned home recently from a cruise  
to Bermuda.

Mrs. R. M. Hollingshead, of 201  
Linden avenue, returned home re-  
cently after spending some time in  
Atlantic City where she was regis-  
tered at Chalfonte-Haddon Hall.

Don't forget the rummage sale  
sponsored by the Cinnaminson  
P.T.A. to be held in the Parry Fire  
House on Saturday of this week,  
October 15, beginning at 10 a.m.

Mr. and Mrs. Frank Clement of  
101 Main street, were among those  
registered at Chalfonte-Haddon Hall  
recently.

The regular monthly meeting of  
the executive board of the Cinnamin-  
son school was held last Friday  
evening, October 7, at the school  
with Mrs. Ernest Warnick presiding.

Mrs. Lucy Kenny and Mrs. Mervil  
Haas, attended the dedication of the  
West New York Federal Building  
on Wednesday.

## THE PORCH CLUB

Mr. Alfred Richter, of Merchant-  
ville, gave a very interesting talk on  
music at the music section of the  
club on Tuesday of this week. Mr.  
Richter having talked at the Porch  
Club last year, gave a review of  
last year's talk before beginning his  
new one, "Melody and Poetry." He  
also played selections from some of  
the old and new composers to show  
the relation of the music to the  
words.

The art class, under the instruc-  
tion of Mrs. Murray Boyer, began  
painting last Wednesday. Because  
of the large number of pupils in  
the class this year, the advanced pu-  
pils painted out-door scenes at the  
park, while the new pupils painted at  
the Porch Club. There are fourteen  
in each class and Mrs. Boyer divides  
her time equally between the ele-  
mentary and advanced pupils. The  
next class will be on Wednesday,  
October 19, from 9 to 12 o'clock.

Mr. Charles Goren was welcomed  
back to the Porch Club last Thurs-  
day morning when he gave his first  
of a series of six lectures on bridge.  
His next appearance will be Thurs-  
day morning, October 20, at 10  
o'clock. All members are invited to  
attend these classes. The fee for  
non-members is \$2.00 for the six  
lectures.

On Tuesday, October 18, there  
will be tournament bridge playing at  
the Porch Club, a new experiment  
this season that it is hoped everyone  
will enjoy.

With oversized casters, a bed foot-  
board has been converted into a bi-  
cycle in Portrush, England.

## PALMYRA

Donald Powell, a student at Wash-  
ington College, Chestertown, Mary-  
land, visited his parents, Mr. and  
Mrs. Elvin I. Powell, of Memorial  
avenue, on Sunday.

John A. Reinhart, of Vine street,  
returned home on Friday from the  
Zurbrugg Memorial Hospital, where  
he underwent an operation recently.  
Mrs. Reinhart was taken to the same  
hospital Saturday for an operation.

Mr. and Mrs. Elvin I. Powell, of  
Memorial avenue, motored to Ches-  
tertown, Maryland, on Friday, where  
they visited their son Donald, who is  
a student at Washington College.

The Senior Girl Scouts, of Troop  
1, will hold their regular meeting on  
Thursday at 7.30 p.m. in the Legion  
Home.

B. Beauchamp, of Ohio, is visit-  
ing his parents at Cinnaminson ave-  
nue and Pear street.

The Shining Hour Class, of Ep-  
worth M. E. Church School, will  
hold their regular meeting and so-  
cial on Friday, October 21, at the  
home of Miss Norma Greenig, of 825  
Highland avenue. The meeting will  
take the form of a Halloween party.  
All members are requested to mask.

The Girl Scout Mothers Associ-  
ation, of Troop 1, are requested to  
keep November 8 open for a Hal-  
loween party. Details will be an-  
nounced later.

RIVERTON  
SCHOOL  
NOTES

The following clubs have been formed in the Riverton Public School and meet every week: Safety Club, The Globe Trotters, Manuscript Club, Stamp Club, and Music Appreciation Club. Their reports follow.

## Safety Club

Safety is one of the most important problems facing us today.

Our "Safety Club" is aiming through its discussion of accidents under the headings available and unavoidable to lower the percentage in both columns. Trying to make living as safe as is humanly possible to do so.

The club decided at its first meeting that one of its chief interests would be to know about different accidents, what caused them, and then how to prevent them by applying knowledge gained in our talks. Due to notices every where showing that fifty per cent of all accidents occur in the homes, we took up this phase first. Deciding after reading about home accidents in the papers and hearing about others first hand from club members, that each one could talk over these at home trying to prevent similar occurrences.

Our slogan though old is valuable. "It is better to be safe than sorry."

This being "Fire Prevention Week" we will turn our attention to accidents caused by fire and to the prevention of such disasters.

Club officers were chosen, then subjects discussed and plans made to take up safety from all angles. Talks will be given as to the automobile accidents, those caused by pedestrians as well as drivers, bicycle riders, children playing in the streets, etc.

The safety lessons learned during club periods or meetings also afford chances for oral expression, individual and group activities as well as a desire to be of service in the community.

The boys and girls in the club are members of the sixth, seventh, and eighth grades. (The club being elective) was pleased to learn so many were interested in safety, the members appear to enjoy and take part in our meetings. The president and members sincerely hope they can encourage others to be interested in safety not only for himself or herself but for the good of all.

G. M. Williams, Sponsor.

## The Globe Trotters

The current event club of Riverton school organized with a membership of twelve boys and girls from grades six, seven and eight. As children grow in maturity, experience, and knowledge, reading for them should change in dimensions. Habits of reading must be developed which will tie up with the life and experience of the pupil.

The aim of the club is to make the study of current events a means to an end, to awaken and stimulate an interest in current happenings published in daily newspapers and approved news magazines, and told by world event commentators.

Nancy J. Bush, Sponsor.

## Manuscript Writing Club

"A thing of beauty is a joy forever" Manuscript writing is advocated because of its beauty, the beautiful simplicity of its form, and the satisfying effect that results from right use of a tool.

Gladys Good, President of Club

Kathar M. Rothbar, Sponsor.

## Stamp Club

Thirteen "stamp minded" children from sixth, seventh, and eighth grades have formed a stamp club. They named Janice Pippitt president and Dorothy Watson secretary and treasurer.

The aim of the club is not so much the accumulation of stamps as the acquiring of a knowledge of the historical and geographical background of the different stamps. Each week there are stamp talks by different members of the club. In these talks they are encouraged to use the scientific philatelic terminology. Thus far the United States commemoratives have been the chief interest. A part of each period is

NEW CLASS AT  
WOMAN'S CLUB

The Arts and Crafts Class of the Palmyra Woman's Club will meet every Monday at the club rooms, Society Hall, Palmyra, between the hours of 10 and 4, to study the arts of rug making, crocheting and raffia work.

The course is being given under the auspices of the American Home Department of the club.

Westfield Friends  
School

## Soccer

The Garnet and Blue soccer team is ready to meet Frankford Friends' team on this afternoon (Thursday), at 2 p.m. on the Westfield grounds. The public is invited to see the game.

Plans are being made to have an outside speaker at our regular Friday morning assembly to speak in the interest of Fire Prevention. The assembly will be held at 9 a.m.

## Assembly

Last week's assembly was in charge of Shirley Cook and Richard Gideon. The program included a French poem by Richard Robbins, an original song called "The Farmer" by the first and second grades, reports on primitive peoples by Esther Wilson, Nancy Ritchard and Russell Laslocky, and an original story by Richard Hershey.

The school is very much interested in establishing a fiction library. Personal loans from the children with old and new books from the school collections will form the nucleus. The books will be arranged in three classes so that different reading levels will have an opportunity to pull up their averages in reading. The object of the library is to not only stimulate improvement in reading but appreciation and love for reading as well.

Under the direction of Miss Anne Clark, who is assisting in the primary grades, articles for the Needlework Guild are being collected.

## MONITOR RULES

The Palmyra High School Monitors have adopted the following rules for members of the corps.

A Good Monitor Should Always be on time. Have the ability to be impartial and give tickets to his own friends if they disobey rules.

Be dignified in his behavior while on duty.

Be able to direct people to their destinations capably. Not abuse his authority.

Be neat enough in his attire to be a credit to the force instead of a detriment.

Be obedient and respectful to all of his superiors.

Always display his armband prominently.

## Not chew gum.

Members The members are: A. Sacca, chief monitor; J. Smalley, W. Mickle, M. Faunce, C. Lezenby, R. Bottger, J. Mathews, H. Smith, C. McDermott, E. Stocker, E. Bohus, V. Lamon, C. Gamble, J. Palmer, A. Mohrmann, B. Woodcock, N. Kirkpatrick, P. Burk, H. Bright, R. Fichter, G. Mack, A. Marshall.

spent in exhibiting individual collections and exchanging stamps. Interesting facts and illustrations noticed in newspapers are being collected into a scrapbook by one of the girls.

Ida W. Clark, Sponsor

## Music Appreciation Club

The Music Appreciation Club will come together to listen to the NBC Music Appreciation Hour which is broadcast from 2 to 2:30 p.m. every Friday afternoon. Club members have purchased notebooks with which they can follow the programs very carefully. We want to improve in our understanding and appreciation of music.

The club has nineteen members. The officers are: President, Arthur Hoyt; vice-president, Betty Blackwell; secretary, Dorothy Baker; treasurer, Betty Henry.

Velma L. Comeys, Sponsor.

PALMYRA  
SCHOOL  
NOTES

## New Physical Education Teacher

Mr. Raymond Callaghan has been elected by the Palmyra Board of Education to teach physical education in grades 1-8 three days each week. He is employed in Riverton the other two days.

Mr. Callaghan graduated from the Ithaca School of Education, Ithaca, New York, and was head of the physical education department in Woodbine for three years.

For a number of years Palmyra, because of large high school classes, has not been able to provide a physical education instructor below the seventh grade. Miss Mattison will still continue with the 7th and 8th grade girls' physical education.

## Palmyrian Out

The first issue of the Palmyrian appeared this week. Phyllis Carson and Claire Robinson, are co-editors of the paper and Mrs. Ermy Heck, faculty adviser.

Members of the Journalism class from which the paper's staff were selected are: Ruth Baker, Grace Beyer, Olive Smith, Martha Bradley, Ethel Philie, Elizabeth Lippincott, Jane Hulse, Margie Nace, Doris Woodcock, June Hires, Dorothea Trout, Phyllis Howard, Charles Aydelotte, Francis Cole, Phillip Lezenby, Robert May, Dante Mento, William Peak, Thomas Piergrass, Edward Richter, Robert Bottger, Emil Bohus, Jane Beauchamp, Mary Jane DeCoursey, Ida Diamond, Ruth Frank, Miriam Gorman, Mary Kirkpatrick, Frances Leyshon, Helen Mansfield, Emilie Cook, Charlotte Armstrong, Carmella Cardea, Evelyn Kates, Helen Wilcox, Beatrice Weiner, Agnes Weber, Jane Stowe, Jean Sims, Carlette Seemuller, Jane Mustard, Alice Miller and Mabel Llewellyn.

Herr Hitler was injured, according to an international news dispatch, not by a bullet or any other missile of a destructive nature, but by (of all things) a bouquet of flowers tossed at him by some ardent admirer.

On account of this incident, flower throwing at the Fuehrer is placed on the list of verboten activities.

There are, without doubt, many people who would like to hurl other objects at the German dictator, but it is not believed that flowers would be included in this category.

In view of the posey ban, the loyal rooters will probably have to tear up newspapers to show their feeling. Hitler's injuries are reported not to be serious, the total amount of the damage being a slight dislocation of the hirsute facial adornment.

President Roosevelt, no less, has decided that there is too much activity on the part of foreign espionage agents in factories and shipyards where Federal contract work is being done. There are many who are in hearty agreement with his opinion, although this situation has been perfectly obvious for a long time.

The time to crack down on such agents is RIGHT NOW and the penalties should be most severe. The United States has been far too lenient in the matter of protecting its military and naval operations.

In Japan, for example, it is a very serious offense to even carry a camera in a "fortified area," such areas including sections that are miles distant from any fortification.

## BAZAAR AND SUPPER

The Methodist Church will have a bazaar and supper in the gymnasium on Friday and Saturday, November 4-5. Supper will be served on Saturday from 5 to 8. Tickets 35c. Fancy goods, home made pastries, dolls and toys will be on sale.

Here is an opportunity to purchase your Christmas presents.

LUNCHEON AT  
PALMYRA CHURCH

A covered dish luncheon will be given Thursday, October 20, at one o'clock in the rectory of Christ Church, Palmyra, for the benefit of St. Agnes Guild.

Please bring your own service. After the luncheon the rector, Rev. John Chapman, will give an account of his tragic experience during the flood of 1937 in Indiana, when his church was destroyed and the rectory washed off its foundations and floated away.

The hostesses will be Mrs. George Reber, Mrs. Marcus Schontz, and Mrs. Lillie E. Letford.

## IT STILL GOES ON

The war between automobiles and people still continues as is evidenced by the following headlines observed recently:

TWO MEN FATALLY HURT IN HIGHWAY MISHAP.

THREE BOYS KILLED, 3 HURT IN CAR CRASH.

KILLED IN AUTO CRASH. (Phillipsburg, N. J.)

YOUTH HELD AFTER FOUR CAR CRASH. (Trenton, N. J.)

HURT IN CAR CRASH. (Gloucester, N. J.)

NO PREP SCHOOL  
FOR MONTE CARLO

A tavern owner in New Jersey recently requested approval of roulette, baccarat and trente-et-quarante games in his establishment, no betting being permitted and only stage money being allowed.

Commissioner D. Frederick Burnett answered the request in his usual droll manner as follows:

"You make the project look like an innocent and even instructive diversification, with both management and patrons naively handling stage money and never a thought of gambling or side bets—perish the thought—entering their guileless souls."

"But, I do not share your optimistic view. When the wheels begin to spin and excitement runs high, precious few will be interested in breaking the bank with stage money."

"While the educational values that the prospectus sets out are not to be lightly glossed over, I am not in favor of making a tavern a prep school for Monte Carlo."

"The project is disapproved."

The Turks have a proverb which says: "Every fish that escapes appears larger than it is." Fishermen are the same the world over.

## BLACKBURNE DINNER

Reports from ticket salesmen show that there will be an attendance of about 600 baseball fans from South Jersey and Philadelphia at the testimonial dinner to be given Russell "Lena" Blackburne, coach of the Athletics, next Tuesday night at Weber's Hof-Brau, Central Airport, Camden.

The dinner is being given to Blackburne under the sponsorship of a group of baseball players and followers in Burlington county, under the leadership of Lawrence G. Mingen, who is county clerk and also president of the Burlington County Baseball League. Blackburne is a resident of the county, making his home in Palmyra, and his fellow citizens are promoting the affair to honor him for the excellent contribution he has made during his long career in organized baseball.

Encouraging reports were received from various sub-committees at a meeting of the general committee held this week in the Burlington Elks' Club.

Another meeting, to complete all arrangements, will be held at the same place on Friday night of this week, at which time all tickets and money must be turned in to the committee.

NEW MARCH OF TIME  
AGAIN REPORTS ON  
HEADLINE NEWS

Thirty American lives a day and a quarter of a billion dollars' worth of property a year are destroyed by fire through negligence and indifference, according to "U. S. Fire Fighters," an episode in the new issue of the March of Time now playing at the Savar Theatre. This appalling toll, the March of Time reveals, is unnecessary and has actually been reduced in a score of U. S. communities through a plan of fire protection, long advocated by Franklin H. Wentworth, No. 1 U. S. fire prevention expert.

## New Conception

"U. S. Fire Fighters" disclose that Wentworth's painstaking and careful investigation of the U. S. fire problem during the past 40 years has been responsible for the development of a new conception of fire fighting, which places its emphasis not on the number of fires extinguished, but on the number of fires actually prevented. Greatest strides, the film shows, have been made in reducing industrial fire losses. Shown in the picture are the Wentworth fire prevention and fire fighting systems in use today, which have cut industrial fires by 50 per cent.

In contrast to industrial fire control advances, "U. S. Fire Fighters" portrays the innumerable fire hazards which still menace every U. S. home, have actually cost every U. S. citizen, by their very existence, an estimable loss in tax and insurance rates, and have skyrocketed the nation's residence fire losses 40 per cent in the past 10 years.

## Co-Feature

Co-featured with "U. S. Fire Fighters" in this issue of March of Time is an episode entitled "The British Dilemma." This subject is a searching pictorial analysis of Hitler's ruthless plans of conquest as they affect Britain's foreign policy.

The film shows why, when Hitler first laid down his plans of conquest in "Mein Kampf" fourteen years ago, not only did he designate Czechoslovakia as his second conquest, but in so doing also stressed the importance of keeping England friendly or neutral in the struggle by which he aimed finally to annihilate France and establish Germany as a world power second to none. In line with his desire to keep England neutral, March of Time discloses, Hitler has established a Bureau of War Psychology to study the reaction of British populations to war, in order to determine just how far Germany might venture before the British people would fight.

## S. J. LEAGUE TO START

The South Jersey bowling league will start this week, with Palmyra having a team entered in the International Division.

The local bowlers will see action on Saturday night, at the Palmyra alleys.

BROADWAY THEATRE  
THURS., FRI. & SAT.

RIVERTON A.A.  
PLAYS OCT. 22

The newly organized Riverton A. A. will open up its football season, Saturday October 22, at Memorial Park, Riverton. The team is composed of local boys most of whom have graduated from Palmyra High School within the past few years. The outfit intends to play Saturdays at Riverton and will also have a home game for Thanksgiving.

At a meeting held Thursday, October 6, Lloyd Gladney, of Riverton, was elected president and John Knight, of Howard street, Riverton, secretary and treasurer. The A.A. earnestly asks the support of the residents of Riverton and will, in turn, try to give them a good clean exhibition on the field.

Those signed up to play are Walt Poulson, Herman Dietz, Jesse Morris, Edward Bell, Robert Mathews, John Knight, Ralph Hunt, Dick Payne, Henry Borden, John Wallace, Edw. Bart, George Chudburn, Luke Brennan, Howard Leconey, Rocky Bonatelli, Harry Woerner, William Gladney, Earl Lenker is coaching the team.

Harry Stephany, of Cinnaminson avenue, Palmyra, was the winner of the electric shaver with ticket No. 298.

STATE CONFERENCE OF DEMOCRATIC CLUBS The state conference of the Women's Democratic Club will be held on Saturday, October 15, in the Berkeley Carteret Hotel, Asbury Park.

Among the notables who will be on hand to address the meeting will be William H. Ely, candidate for senator, Mrs. Thomas McAllister, director women's division Democratic National Committee and Mrs. Izetta Jewell Miller, of the W.P.A. The Honorable Mary T. Norton will be chairman of the conference.

About 100 women from the county will attend. The delegation from Burlington county will be led by State committeewoman, Mrs. Mervil E. Haas.

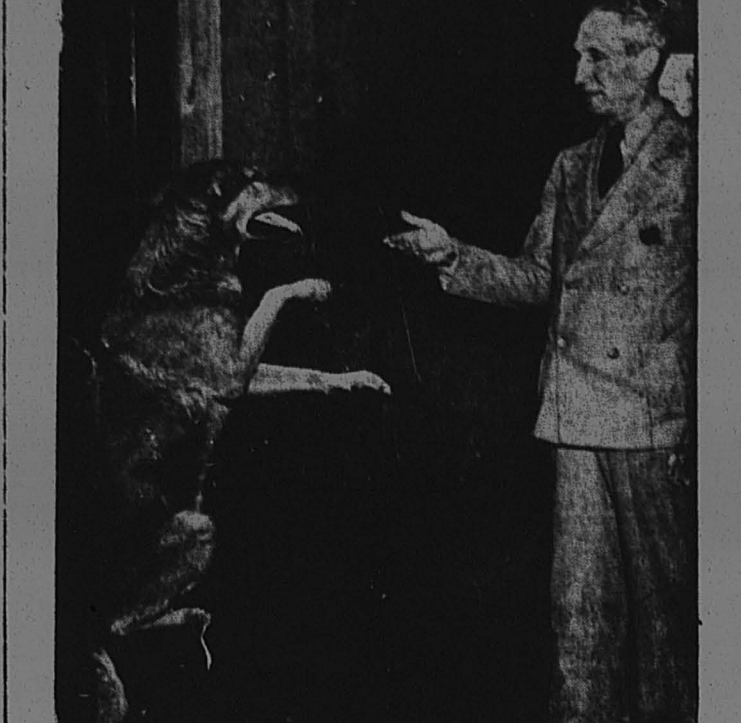

TO FORM GIRL'S  
BASKETBALL TEAM

All girls of high school age or over in Riverton or Palmyra who are interested in the formation of a Riverton-Palmyra group to enter the Burlington County Girl's Basketball League for the 1938-39 season will meet at the Y.M.C.A. in Palmyra on Wednesday evening, October 26, at 8 o'clock.

All members of the softball team are asked to attend whether they are interested in basketball or not so that those who contributed to the softball team franchise in the county league may have the money returned to them.

Mrs. Julia Plaskett, Miss Grace Sipple,

## AT FOX RIVERSIDE, SUNDAY AND MONDAY

"Rinney Boy," famous movie dog in person, will be at the Fox Theatre, Riverside, Sunday and Monday, October 16th and 17th.

PLANTS FOR YOUR  
GARDEN

By A. C. McLean  
Extension Service, N. J. College of Agriculture

## The American Asters

Among the most striking fall blooming flowers are the native American asters which, strangely, seem to be regarded more highly by European gardeners than by flower lovers of this country. There is a large group of species which the nature lover associates with country roadsides, woodlands, and meadows.

Dwarf forms of the American asters are now being offered, and they are ideal for the larger rock garden and the front of the flower border. Some of these are low bushes which grow from 12 to 16 inches in height and produce a mass of flowers during September and early October.

Taller asters, both the New England Aster (Aster novae-angliae) and the New York Aster (a novel) are very satisfactory as cut flowers, and have been developed in a multitude of varieties. They come in hues of pink, reds, good shades of blue and purple, as well as in white. It makes little difference which varieties are bought, for they are all good.

Most of the named varieties are much superior to the wild forms, although some very good forms can be found.

Asters are among the easiest of all perennials to grow. They multiply very rapidly and should be divided every two years for best results. When not divided, they are apt to crowd themselves out by making too many shoots from the crown. While these asters are rampant growers, they can be restrained with a very little trouble.

It is a good idea to visit some nursery which has a collection of hardy asters and pick out the kinds you want now.

## EXPORT APPLES

The passing of the European War scare has been welcomed by New Jersey fruit growers who were threatened with the loss of their favorable export market for apples. Since July there has been a steady demand in Europe, South America and Palestine for Garden State fruits. The threat of hostilities brought immediate cancellations of shipping orders and inquiries from Great Britain and Continental Europe. However, since the tense-ness of the situation there has relaxed this important export outlet has been restored.

A new graveyard of prehistoric animals has been discovered near Robert Lee, Texas.

## SOCIAL CASE WORK

An advanced course in social case work will be given by the Rutgers University Extension Division at Camden, beginning October 17. Classes will be held each Monday afternoon at the Court House from 4.15 to 6.15 o'clock.

This is a continuation of introductory social case work with more detailed consideration of attitudes in relation to case work. The course at Camden is a part of the University's social work program which is offering courses in other sections of the state.

Japan's compulsory retirement age for army officers varies between forty-five for lieutenants and sixty-five for generals.

## COMMUNITY CHEST DRIVE OPENS SOON

Campaigners to Start October  
17: Four Organizations  
To Receive Funds

Some one you know well is going to ring your doorbell sometime this coming week, some one with whose face you are familiar and yet a person who will be many people you do not know. He or she will speak in a voice you know and yet it will be the voices of many who speak. Really, the one you see will not be there at all, but many sick, many hungry, many fortunate ones will be there unseen, summed up in that one person, who is a representative.

After all a representative is one who stands in the place of many others and speaks for them. And the representative of the Community Chest who calls upon you will stand in the place of all those who need your help and cannot come themselves. It is the needs of Riverton and Cinnaminson that knock at your door.

### One Group

This year the work of collection for all the welfare agencies of the community has been entrusted to one group. The Welfare Association, the Visiting Nurses, the Burlington County Hospital, and the Cinnaminson Home are all members of the Community Chest. United as they are in the common cause of social betterment, relief of sickness and distress, prevention of moral and physical decay they come at this time with one single plea, the good of all the needy in our own community. There will be no overlapping of work and there should be no repetition of appeals. Our Community Chest supports the good work of our community.

### Takes Care of All

This appeal which takes care of all the needs of mercy done by local agencies is under the direction of Archibald Bush and Mrs. William Porter. The captains are Mrs. F. Blair, Mrs. J. G. Crowell, Miss E. Coale, Mrs. L. Meunier, Mrs. J. P. Abell and Mr. E. Stener. Working with each of these capable leaders is a group of from five to twenty representatives who will call at every home in the community from October 17th to October 29th.

The member agencies supported by the Community Chest need \$7,500 all told to carry on their good work in your name during the coming year. They all do work which has to be done, work which is necessary, work which saves the community many times its cost in reclaimed lives, and in disasters prevented. It is work which should be carried on by the agencies from your kind gifts, work over which they and so you can keep a strict control. But it is work which must be done. If the standards cannot be maintained by gifts the work will be taken over by government agencies and we will be taxed for it and pay far more than its present cost. But no one thinks of this, for no one can think that there is a single person in the community who will not gladly claim a share in helping the less fortunate members.

### Appeals from Many

And so it is that you will have a crowded door step this coming week. On it will stand an old man supporting his frail wife, beside them a fretful baby cries for hunger. Down the steps and out into the street straggle the crippled, an expectant mother in thread-bare dress, her husband harassed by lack of work. There too will be the "bad boy," who will be really bad only if there is not some understanding hand to help; and those whose future help depends on just a week or two of care right now. These, and the girl who runs on the brace you provided for her leg last year, and the child who can read because you provided glasses then. All these will be there in one person who represents them all, who represents the Community Chest.

And as that person turns from your doorstep if you will look closely you will see that to each one of these needy ones is given the proper attention. Again he is a representative, but this time it is you who is represented, you as through the do-

nation, which is yourself extended, you minister to the needs of the community.

### Pin Faith on You

The agencies of the Community Chest, know that you will want to be well represented when the good work of the community is being done. That is why they are pinning such faith in you and all your neighbors, that they are making only one appeal this year for all the needy of Riverton and Cinnaminson. They know that you will give to this one drive more than you have given to the many drives of past years because you need not hang back for other appeals to come, they know that you realize that the need is greater than ever before and therefore that you will want to be fully represented in the alleviation of that need and they are sure that you realize as well as they that "Support of the Community Chest is Good Business as Well as Good Work." ## RIVERTON SCOUTS CAPTURE HONORS

Troop 50 Wins Council Shield  
In Field Day Program  
Held at Palmyra

The Council Shield for field day events, at the mammoth affair held last Saturday afternoon, at Palmyra, by the Boy Scouts of Burlington County, was won by Troop 50, of Riverton, under the leadership of Scoutmaster Dr. Hayes Brady. Hundreds of Scouts participated in the various activities of the day and the program was continued well into the evening under floodlights. Thousands of spectators from all parts of the county were present at the highly successful affair.

### 19 Points

In winning the Shield, the local troop compiled a total of 19 points. Troop 5, of Palmyra, was tied for third place. Events included shelter tent pitching, knot tying, string burning, water boiling, dressing race, tag of war, fire by flint and steel, first aid race and bugling.

The highest advancement honor in Scouting which is the Eagle Scout rank, was awarded to Scouts John Aldridge and George Ries, of Troop 29, Maple Shade; and Scout Joseph D. Weber of Troop 12, Mt. Holly.

### Court of Honor

The Court of Honor was opened by selection from Troop 12, Mt. Holly, Drum and Bugle Corps. The invocation was given by Rev. Hollis W. Colwell of St. Stephens Episcopal Church of Beverly. County Scout Executive Darlington then lead the assembled Scouts in the Scout Oath. The opening address was given by Major J. Aubrey Sut-

(continued from page 3)

## Survey At Site Of Post Office

For several days last week, a government architect was engaged at the site of the new post office, Main street, Riverton and in the general vicinity of the proposed building.

It was learned that, when a new building of this nature is erected, a complete survey is made of the neighborhood in order to determine the existing types of architecture. With this information available, government experts then go over the situation and prepare plans for a structure that will be in harmony with the environment.

The government representative was provided with photographs of every building on Main street, between Harrison and Seventh.

Those in charge of the work state that it will be some time before a decision is reached regarding the type of building that will be constructed here.

## DRUNKEN DRIVER ARRESTED HERE

While driving an extremely erratic course, 6:30 Sunday morning, Charles M. Alles, of Philadelphia, was apprehended by Palmyra police, on S-41 near River road.

He was given a hearing before acting recorder, Mayor John F. Ward, on Sunday evening and pronounced guilty on the charge of driving an automobile while under the influence of intoxicating liquor. The result was that he was assessed a fine of \$200 and costs, together with having his license suspended for a period of two years.

### MRS. KENNY CHAIRMAN

Mrs. Lucy Kenney, of Riverton, was named chairman of the executive committee of the Woman's Democratic Club of Burlington County, at a meeting held last week.

PRICE FIVE CENTS

## Local Transportation (Editorial)

Of late, there has been considerable interest shown by river-front communities in the extension of the proposed high speed transit line to communities in this section, although these were not included in the original prospectus.

In Palmyra and Riverton committees from Council, have been formed for the purpose of furthering this idea, and the cooperation of other municipalities has been requested.

This situation again brings up the old controversy as to what type of transportation is best suited to the requirements of these communities. In order to clarify the issue, a brief survey of the transportation question seems to be in order.

In the first place, local conditions could hardly be worse. More and more trains have been taken off, the reason given being lack of patronage. This, in many cases, appears to be justified. If people don't ride, the railroad cannot be expected to move empty cars up and down the tracks.

On the other hand, curtailed schedules do not improve the attitude of the public toward railroad patronage, nor do they improve transportation in general. In many cases, railroads have won back riders by adding new facilities and increasing the number and speed of trains.

Along the Main Line and many other routes in Pennsylvania, one can get a train almost any hour of the day or night. These trains are well patronized.

Before going into the matter of what might be the solution to present difficulties in present railroad transportation, it might be well to consider whether any type of conveyance would solve the problem. This leads immediately to the consideration of private cars and busses.

There are many South Jersey residents who drive into Philadelphia daily via the Camden bridge. Quite frequently these cars carry several passengers, and the number so transported de-

(continued on page 4)

## LOCAL FISHERMEN GET LARGE CATCH

A local group of surf fishing enthusiasts reported making one of the largest catches of the season recently, at Ship Bottom, where they hauled 75 weakfish out of the briny deep.

Those who participated were Jack Easley, Stan Carty and Horace Richmond. Mr. Carty won the honors for the largest fish by reeling in a weakfish that tipped the scales at something over four pounds.

Others who fished in this section also reported good luck, but a party that went out for striped bass returned home empty handed.

## Board Discusses Milk Purchases

The right of Mrs. Leon Egan to change the source of supply of milk served in the school lunch room was seriously questioned at the regular meeting of the Cinnaminson Board of Education, held in the school house, Tuesday night.

The school board had previously requested Mrs. Egan to explain why she had discontinued serving Millside Farms milk and secured Bishop's milk in its stead. Her reply was read at the meeting in which she stated she noticed the children were not finishing all of the milk served them and some was left in the bottles in a number of cases and that she had changed over to Bishop's milk with the knowledge of Mrs. J. M. Davidson, board member.

### Objects Strenuously

B. R. Leach was a strenuous objector and questioned Mrs. Egan's right to do the buying for the board. He stated that she was hired to prepare and serve proper foods and was willing to trust to her feminine judgment about such matters, but that the buying was a board matter and should not be relegated to employees. Mrs. Davidson stated that she questioned several of the children and had favorable reports on Bishop's milk. (continued on page 9)

## PLANS APPROVED BY FREEHOLDERS

Work to Start in Near Future  
On Office Building  
At Mt. Holly

At a meeting held on Friday afternoon of last week, the Burlington County Board of Freeholders approved the plans for the addition to the county office building, at Mt. Holly, by a unanimous vote.

The cost of the addition to the present structure and renovations to the older section will cost approximately \$20,000, of which sum 45 percent will be a P.W.A. grant.

Under the provisions of the government contract, ground for building must be broken by November 19.

### Bidders Must Qualify

The question of pre-qualification of bidders for the general contract was the subject of a lengthy discussion by members of the board.

Director Walter D. Lamon and Freeholder Palmer L. Adams expressed the opinion that the qualification requirement would exclude many reliable county contractors from bidding on the project, since they did not have sufficient financial backing.

Other members of the board did not concur with this, stating that any good builder could obtain funds to finance the job in event he were the successful bidder.

They also asserted that financial responsibility of bidders was essential, because the county would have to stand the loss in the event of default on the part of any contractor.

### Old Resolution

The Board was willing, however, to reduce the qualifying sum to (continued on page 2)

## COUNCIL DISCUSSES TRANSPORTATION

Special Committee of Riverton  
Borough Council Named  
To Investigate

The improvement of transportation facilities for river-front towns occupied a prominent place in the deliberations of the Riverton Borough Council, last Thursday night.

Councilman J. W. Sylvester brought the matter up by relating a conversation between prominent men in this community recently, at which this matter was discussed in relation to the lack of activity in real estate circles. It was stated that eight properties had been sold in Haddonfield within a week, largely due, it was thought, to adequate transportation facilities, and the opinion was expressed that if Riverton could be included in the high-speed line plans it would be a great help.

### Reviews Situation

In reviewing the situation, Mr. Sylvester said that, according to the public press, the South Jersey Transit Authority had made application to the Public Works Authority at Washington for loans and grants totaling \$14,000,000 for the extension of the high-speed line over the Delaware River Bridge into the numerous South Jersey communities surrounding the City of Camden.

"It will be noted," said Mr. Sylvester, "that the river-front towns in Burlington County are not included in this highly important transit improvement."

This has been confirmed by Secretary Kates of the S.J.T.A., who stated that the Authority's engineers had recommended against such extension for the following reasons: 1. The river-front towns are already served into the center of Philadelphia by the P.R.R. via the Delair bridge. 2. The traveling population is not sufficiently large at this time to justify the expenditure necessary. Further inquiry, continued Mr. Sylvester, (continued from page 10)

## Will Prepare Suit Defense

The Burlington County Board of Freeholders, at Friday meeting, received formal notification of the suit for \$15,200, interest and costs, entered against the county by the Bridgewell Engineering Co. Papers are returnable within 20 days.

Upon a unanimous vote, the solicitor, Christopher N. Peditto, was authorized to prepare data for proper defense and the inauguration of a counter suit.

The action is brought by the engineering company to recover the balance alleged to be due them on a \$25,000 contract for the Delanco-Riverside bridge construction. The firm states that the work was carried out by them in accordance with plans and specifications, but that the county terminated the contract and dismissed the plaintiff after \$10,000 had been paid.

### GOLDEN ANNIVERSARY

Mr. and Mrs. George W. Shaner, Sr., of 621 Washington avenue, will celebrate their Golden Wedding anniversary on Sunday, October 23.

Mr. and Mrs. Shaner were married by Rev. Burrows, the Episcopal rector, in 1888, and have lived in Palmyra the entire period of their married life.

### BIDS ON NOVEMBER 14

The Burlington County Board of Freeholders, in a meeting held on Tuesday, authorized advertising for bids on construction of a new two-and-a-half story county office building at Mt. Holly. It was announced that prospective bidders must qualify as to responsibility before October 25 and the bids will be opened in the courthouse November 14, at 2 p.m.

## Plans Approved By Freeholders

(continued from page 1)

\$15,000, when the solicitor, Christopher N. Peditto, called attention to a resolution passed several years ago which made it obligatory for bidders to pre-qualify.

On a motion regarding the date for bidders to qualify in respect to financial responsibility, Mr. Adams voted "no," his reason being that he felt the arrangement would exclude many Burlington county contractors from entering a proposal.

It was also voted that the wage rates for the work be the same as those adopted on the almshouse project. This will, however, be subject to P.W.A. approval.

### Kelly Architect

Colonel Hugh A. Kelly was given the architect's contract for a flat six per cent on the total cost of the work, with no extras.

Mr. Adams cast the only negative vote on this question, his reason being that any one of a number of competent architects in Burlington county should have been given the job.

The plans, as they stand at the present time, contain a number of alternates, one or all of which must be eliminated in the event that the complete program costs more than \$28,902, since this is the maximum sum to be expended.

### New Well

The county engineer, F. L. Brannin, submitted a report concerning the water system at the county property, New Lisbon. The supply has been declared inadequate on several occasions and a survey was made to determine how the situation could be corrected.

Insurance authorities and Mr. Brannin recommended the provision of a new well of 300 gallon capacity, the cleaning and repair of the present well to provide 325 gallons per minute and the redevelopment of a well not in use that would yield 140 gallons per minute additional, a total of 765 gallons per minute.

New water mains were also suggested and it was estimated that the cost of the work would be about \$18,000 for the wells alone.

### Insurance Lower

Mr. Brannin said that he had been informed a 50 per cent reduction in insurance rates could be obtained if the necessary improvements were made. A down payment for the work of \$2,500 was included in this year's budget.

The project was authorized by a 4-1 vote, Mr. Adams being against it. His reason was that the county should go ahead with the funds available and apply for government aid. He said he realized that the work was necessary, but did not feel it was being financed in the proper manner.

### Sub-Contractors

The question of sub-contractors for the almshouse again came up for a prolonged review, when approval was asked for reinforced concrete slabs, metal lathing and painting.

No Burlington county firms were included and Mr. Adams requested that approval be withheld on the painting contract. He stated that he felt a Burlington county firm should get this work.

James Cantwell, of Colonel Kelly's office, who was present at the meeting, stated that every opportunity had been given county firms to bid on the work, but that either none were interested or the proposals were too high.

He requested the members of the board to submit the names of county contractors who were prepared to do the work, and assured the board that they would receive every possible consideration.

The following departmental bills were approved and ordered paid: roads, \$26,873.04; bridges, \$10,794.48; revenue and finance, \$23,625.95; public affairs, \$24,935.05; buildings, \$23,129.92, a total of \$109,358.44.

The session adjourned until Tuesday at 6:30 p.m., by which time practically all the spectators had departed and half of the press representatives.

Most physicians of the state favor pre-marital physical examinations and blood tests as one means of combating the spread of venereal disease.

## JERSEY REPAIR MEN WORK IN STRICKEN AREA

James M. Davidson, of Palmyra, and Paul Schrank, of Riverton, were members of the reconstruction crew of the New Jersey Bell Telephone Company sent to New England to repair damage done by the recent rain and wind storm there.

Telephone crews from Pennsylvania, Ohio, New York, Delaware and the District of Columbia also sent help to the stricken area. The New Jersey contingent, which left on September 26 and returned October 16, worked in Danielson, Connecticut, and the surrounding territory.

### Odd Incidents

A number of odd and interesting incidents are related by some of the members of these crews. For instance, it was noted that while chickens and geese and pretty much all of the wild bird life seemed to have blown away, owners of turkeys suffered little loss. These birds seemed to have a premonition of approaching disaster and found places of refuge behind fences and boulders before the wind began to blow with much force.

Several ingenious devices were employed to bridge over the period until the light and power companies could resume business.

One farmer secured light by gearing up to a generator an old gasoline engine which he had previously used on a wood saw. A service station proprietor removed a tire from the rear wheel of a bicycle and ran a belt from the wheel to the pump supplying gas. When a customer drove up, the attendant mounted the bike and "pedaled" the required amount of gas.

## CAMERA CLUB IS FORMED LOCALLY

Next Meeting Will Be Held November 7; Rev. Downs Temporary Chairman

A representative group of ardent camera fans answered the first call for the formation of a local camera club Monday evening, at the Christ Church Parish House, Riverton.

Rev. Francis B. Downs accepted the appointment of temporary chairman until such time as all camera enthusiasts have been given an opportunity to join the club and effect their own permanent organization.

Next Meeting, November 7. Those present submitted names of other prospective members who will be contacted in time for the next meeting. The organization is open to adult members, men or women, and anyone interested in such a club is cordially invited to attend the next meeting which is to be held in the Parish House on Monday evening, November 7th.

Those attending the next meeting are urged to bring prints of their own work and if you want to "shoot" some indoor shots, lighting equipment will be set up for the members to try their luck under flood lamps. Bring your cameras loaded for action.

Following the temporary organization an informal discussion and exchange of ideas took place.

### POWERS WILL INSPECT WORK AT CAMP DIX

General Henry L. Gibbins, Quartermaster General of the United States Army, and Congressman D. Lane Powers, Representative of Burlington and Mercer counties, will make a formal inspection tour of the construction work at Camp Dix on Monday, October 31.

The Congressman is ranking Minority member of the War Department Appropriations Committee, and as such is assured chairmanship of the committee when Republicans obtain a majority in the House of Representatives. The friendship between the two men began when General Gibbins appeared before Powers' committee to testify during hearings on the War Department budget for the fiscal year 1939.

The Medical Society of New Jersey, founded in 1766, is the oldest state medical society in the United States.

## ANNAPOLIS EXAM IS ANNOUNCED

One Appointment in 1939 to Be Made by Congressman D. Lane Powers

Announcement of a competitive examination for his 1939 appointment to the Naval Academy at Annapolis was made this week by Congressman D. Lane Powers.

The competitive, he declared, will be conducted for him by the United States Civil Service on Saturday, January 7, 1939, and the successful candidate will enter the Academy in June of 1939. The candidates will strive for one vacancy.

### 16 to 20 Age Limit

Under his competitive system, the Congressman, who represents Burlington and Mercer counties, pointed out that every young man between the ages of 16 and 20 is eligible for appointment. The examination is conducted by Civil Service and appointments are made directly in accordance with the results. All examination papers are kept for 30 days after appointments are announced and may be inspected by any candidate or his representative, to insure the fairness of the examinations.

### No Politics

"Any young man who wishes to compete," Powers declared, "need only write me at my Trenton office and express his desire. He will immediately be sent complete information, as well as authorizations for a preliminary physical examination and for the competitive. I conceive these appointments as being given, not to me, but to the boys of the district, and every candidate has an equal and fair chance to win the appointment, which is made on merit alone, as shown by the examination, and no political or other influence receives any consideration from me."

### WARNING

Councilman J. W. Sylvester, of Riverton, who is chairman of the highway department, asks that local residents refrain from burning leaves in the street.

The heat from such fires actually burns out the oil or tar in the paving and induces a breakdown in the pavement at the shoulders of the road.

The same request has been made by the Palmyra highway department.

## SACRED HEART P.T.A.

The Sacred Heart P.T.A. motored to Trenton on Wednesday, October 12, to attend a Diocesan meeting.

The session, as usual, was one of great importance both socially and educationally.

This was followed on Thursday, with the local P.T.A. meeting. The mothers were entertained with a Columbus Day program of folk dancing by the upper grade children.

Father, Welsh gave a splendid talk. Tea was served at the close of the meeting and all had a very pleasant afternoon.

On Thursday, October 27, this same group of mothers and school workers will hold the first of a series of social sales in the school auditorium beginning at 2 p.m. Mrs. Herbert Kemmerle is in charge.

Orders taken by phoning Riverton 1039, or come and see for yourself all the good things you may buy at reasonable prices. Publicity.

## Many Attend P.T.A. Affair

The Riverton Public School's twenty-second annual reception of parents and teachers was held Monday evening, October 17, with an exceptionally large number of parents present.

The attendance prize was awarded to Mrs. Murgatroyd's class.

Mrs. C. V. Devery played several piano selections while the guests were arriving, after which, Mrs. Charles H. Yost, the president of the association welcomed the visitors.

Pupils of the Palmyra High School presented a well chosen musical program, under the direction of Miss Dorothy Diener, music supervisor of that school. Edmund Tunick sang "On the Road to Mandalay," after which the girls trio, consisting of Dorothy Anderson, Mary Phil and Martha Bradway, sang "The Hone Tree," "Lift Thine Eyes," and "Calm as the Night."

Asked to Visit School

Miss Caroline M. Stamen, supervising principal of the Riverton School, extended a warm welcome to all parents, and invited them to visit the school at any time to discuss their child's problems with the teachers. She stated that National Education Week would be observed during the week of November 6th, and parents were given a special invitation to see their children at work in regular sessions during that week. In that connection, she said many fathers will have a holiday on Election Day, November 8th, and Miss Stamen thought this date would be

an excellent opportunity for them to come to the school. The school will be closed on Thursday, November 10th and Friday, November 11th, due to the Teachers Convention, and the Armistice Day holiday.

"How to Get Sick"

Mrs. Yost next introduced the principal speaker of the evening, Chester H. Ulmer, M. D., of Gibbstown, who gave a humorous talk on "How to Get Sick." After a brief serious instruction, the entire address presented the subject of health and illness in a facetious manner. Instead of telling the listeners how to avoid getting heart disease, indigestion, over weight, rheumatism, high blood pressure, etc., Dr. Ulmer revealed just how to acquire these.

Humorous anecdotes were frequently interspersed throughout the address to emphasize important points. Many opportunities were taken during the talk to put over practical medical information about health and the prevention of disease.

The listeners were especially amused when Dr. Ulmer told them of some of the home remedies resorted to by previous generations, when attempting to cure various illnesses in their families.

Refreshments were served at the conclusion of Dr. Ulmer's talk. Publicity.

## REPUBLICANS FIRST

As a result of a drawing held last week in the County Clerk's office, the Republican ticket was given first place on the General Election ballot.

(continued from page 1)

ton, President of the Council, who outlined the advancement that has been made in Scouting during the past year. A regular campfire was held, with songs led by Jack Dalton, Program Director at Camp Mahala and an Indian dance staged by Troop 5, Palmyra. E. Newbold Cooper, vice president of the council, gave the address of the evening, in which he told the Scouts the many ways that Scouting prepared them for the future.

Investiture

One of the largest out-door Tenderfoot Investiture ceremonies ever held by the council was put on under the direction of Commissioner R. H. Gill. He was assisted by the Tenderfoot Investiture Team of Troop 5, Palmyra. The following local scouts were among those advanced to Tenderfoot Rank in this ceremony:

Palmyra, Troop 5: John Evans, Stanley Lipkowitz, Lawrence McKay, Charles E. West, Eugene Horter, Robert Shaw, Robert de Gother, and John Kessler.

Palmyra, Troop 9: Carl Swain and Robert McGee.

Parry, Troop 21: Robert R. Showell, Donald Choyce, Warren Gluyess, Eric Vitenheimer and David Banniff.

Merit Badges

The following Second and First Class ranks and Merit Badges were awarded to local Scouts:

Parry, Troop 21, Second Class Rank: Samuel Costa.

Palmyra, Troop 5, Second Class Rank: Ramon Hermann, Jack Makin, C. Bertram Marple, Milton Tees, Robert Joyce, Robert Cannon, Ray Hardy, Thomas Wallis, Raymond Schill, Elmer Fry, and Jack Cliff.

First Class Rank: Ernest Senior, Bruce Read, and Francis Ohmberg.

Merit Badges: Ernest Senior, swimming and life saving; Francis Ohmberg, swimming, life saving and personal health; George Kennedy, public health; Lawrence Schweizer, camping; Roy Gideon, safety, fireman and pioneering; Jack Rockafellow, personal health and canoeing; Albert Thiel, camping; Warren Lamon, first aid, personal health and pioneering, and Robert Staveland, pioneering. Veteran awards: Robert W. Read, 10 years, and Harold F. Gerkins, 15 years.

Troop 9

Palmyra, Troop 9, First Class Rank: James Brown, Warren C. Jensen and David Miller.

Merit Badges: James Brown, stamp collecting, leathercraft and public health; Warren C. Jensen, life saving and swimming.

Riverton, Troop 50, Merit Badges: Richard Kinsey, swimming, reading and wood work; Bernard Coe, life saving and swimming.

Star Scout Awards were made to the following local Scouts: Roy Gideon and Warren Lamon, both of Troop 5, Palmyra.

These awards were made by John W. Thatcher, chairman of the advancement committee. He was assisted by members of the executive board, which included Lt. Col. J. B. Ryan, U.S.N. Ret., of Palmyra; E. Newbold Cooper, of Riverton; R. H. Gill, of Beverly; V. Larwood Caldwell, of Delanco; and W. Krall, of Roehling. The Court of Honor was closed with "Taps" from the bugler of Troop 12 Drum and Bugle Corps.

## GRASS FIRES

Two calls for the Palmyra Fire Department came in quick succession Tuesday noon, but both were extinguished without damage.

One was for a field near the Palmyra High School, while the other was for burning leaves along a hedge, at Fourth and Garfield.

Firemen wish to caution residents about burning leaves and grass at this time of year when the abundance of dry material makes such an operation particularly hazardous.

## SCOUTS IN ACTION

Scouts follow their motto, "Be Prepared." They can tie knots that can be untied; they know how to camp and can build fires the safe way.

### BUSINESS ON UPGRADE

Reports from many authoritative sources show that business is showing considerable vitality. Even when the war scare was at its height, it didn't go back a great deal on the whole, though security prices sagged. Today, with business certain that hostilities have been postponed for some time, it is moving up steadily.

There are some dark spots in the picture, of course. One big one is the dilemma of the railroads—the upshot of the wage negotiations: will to a large extent determine the immediate future of this industry. In some areas labor troubles remain an unsettling factor, and there are rumors of more strikes ahead. If these occur on a large scale, the entire outlook could be quickly changed for the worse.

In the meantime, retail trade is improving in most parts of the country, production is picking up in all lines of raw and manufactured goods, and construction is going forward. New life in construction, as a matter of fact, is one of the very best of the business omens.

### JOURNALISM TRIPS

Several members of the journalism class at Palmyra High School recently attended a meeting of the Columbia Scholastic Press Association held at Drexel.

## Local Transportation

(continued from page 1)

prives all types of common carrier of a considerable amount of revenue.

Commuters of this type have, however, come to depend upon other means of transportation when the private driver occasionally cannot accommodate them. They thus demand, and expect adequate service, even though they patronize the train or bus infrequently. Such a situation, although obviously unfair, will probably continue to exist as long as the driver desires to carry passengers who are "permitted" to share the cost of the trip. Paying passengers who are "permitted" to share the cost of the trip. Paying motor vehicle, but utility companies are becoming more intimately concerned over the amateur standing of many drivers.

There is no question that many residents in this section are bus-minded, using trains only in the winter, or when weather conditions restrict movement on the highways. They prefer a more frequent schedule and stops nearer to point of origin and destination as compared to the obvious disadvantages entailed by use of this type of transportation.

It appears, however, that busses will not solve the difficulty, due to the already congested condition of highways, both in cities and suburban areas. A train, with three well-filled cars, will carry, in comfort, as many people as can be transported in eight or ten motor coaches. By the elimination of one such train, several more vehicles will be added to the already crowded streets. In addition, there are few examples of large suburban communities where busses transport the major part of the traveling public.

One needs only to consider North Jersey, southern Connecticut, New York and Long Island to ascertain that most of the commuters and shoppers to New York City travel on trains, despite the existence of added motor vehicle facilities. The same condition exists in numerous Pennsylvania municipalities where, on any morning, or throughout the day, the majority of the people going to Philadelphia travel by train. Busses are merely supplemental.

Believing that train transportation and not that by means of busses is the solution to the local problem, the question then arising is how this mode of travel can be adjusted so as to provide satisfaction.

This is no easy problem, but is one that should be considered carefully from all possible angles. It is made more difficult because of the fact that facilities in Philadelphia have not kept abreast of the times.

There are many who believe the Delair bridge trains offer a solution, but this thought is questioned by those who argue that the roundabout trip from North Philadelphia to Broad street, or Thirtieth street station is a deterring factor that can never be overcome. These individuals state that a transfer to the subway at North Philadelphia is a more expedient route to the center of the city than by continuing in the train. Others, on the other hand, refute this emphatically. The transfer, however, is not a popular one, due to the fact that subway trains at this point are crowded.

Still others state that the few trains running on this line do not suit their own particular business hours. Any increase in the schedule would have to be justified by added patronage which, at the present time, is dubious. The only solution to the devious route would be a connection with the Reading so that trains could go into the terminal of that railroad on Market street. There is, moreover, a possibility that this service will be impaired when steam trains no longer run into Broad Street Station.

Present conditions in respect to train transportation and connections to Philadelphia on the New Jersey side of the river, are obsolete. The ferries are still used by those who have business in that section of Philadelphia near the river. Here, the only change from years past, is that there are fewer trains to Camden.

The high speed line over the Delaware River bridge is not popular, due to the fact that train riders from New Jersey points must change at Broadway, Camden, and many more must change again at the Eighth street terminal, a bottleneck, if there ever was one.

The advocates of a high speed line from riverfront towns

## Church Notices

1811 — 1938

The one hundred and twenty-seventh anniversary of the organization of the Asbury M. E. Church will be observed on Thursday, October 27th, with the following program:  
10:30 a.m. Song service.  
11:00 a.m. Rev. H. J. Bugg.  
2:30 a.m. Love feast.  
3:00 p.m. Preaching by Rev. H. L. Broadway.  
7:00 p.m. Song service.  
7:30 p.m. Preaching Rev. R. Hunt-singer.  
Lunch will be served to those who wish to stay for afternoon and evening services.

**CHRISTIAN SCIENCE CHURCH**  
"Probation After Death" is the lesson-sermon subject for Sunday, October 23, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil." (Ecclesiastes 12:14).

Among the lesson-sermon citations is the following from the Bible: "Jesus saith unto him, Thomas, because thou hast seen me, thou hast believed: blessed are they that have not seen, and yet have believed." (John 20:29).

The lesson-sermon also includes this passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave" (p. 46).

## BIRTH

Mr. and Mrs. Robert T. Smith, of Riverton, are receiving congratulations on the birth of a son, Alvin T. Smith, on Sunday, October 16, at the West Jersey Hospital. The baby weighed 8 pounds and 10 ounces. Mrs. Smith was formerly Miss Suzanne Teeple.

With direct connections to the metropolis point out that the elimination of the transfer at Camden and a considerably augmented number of trains would do much toward solving present difficulties. The completion of the Locust street subway will contribute materially toward the success of this plan, since many more passengers would be carried directly to their destination.

Opponents of the high speed tie-in offer the argument that such transportation is not to be desired, in that it produces a strap-hanging situation that is common on nearly all subway and elevated lines. They favor a strong attitude in respect to standard trains of the type that are used by the Pennsylvania railroad along the Main Line, etc. Whether the objections of this group could be overcome by the type of equipment employed is a matter of conjecture.

Regardless of equipment, it is obvious that the present system of transfer at Camden will never be entirely satisfactory. A direct line however, would appeal to many riders.

It is probably too much to hope for, but there really is a solution to the difficulty which, if adopted many years ago, would have aided South Jersey tremendously. This a direct rail connection into the center of Philadelphia via Camden. This could still be done via the existing bridge, since a tunnel appears out of the question at present.

The line would then go direct to the Pennsylvania suburban station, via subway, with perhaps one intermediate stop in Philadelphia. The station could easily serve both New Jersey and Pennsylvania passengers, whereas it now is utilized by those going to or from Pennsylvania points.

The facilities would be very similar to those at the Pennsylvania station in New York City, where New Jersey and Long Island commuters are served with ample transportation facilities. Since, however, such a project would necessitate a subway under Filbert street it is doubtful whether it will ever become a reality. Lacking the ideal, it is better to accept the most desirable substitute.

Realizing the antiquated means of transportation in this section and the injurious effect it has upon community development, the time to do SOMETHING about it appears to be here at the present time.

Committees from riverfront towns should unite and determine whether the high speed extension, as planned at present, would be an advantage. If such appears to be the consensus of opinion, no time should be lost in taking prompt steps to become included within the scope of the project.

## CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor  
Services for Sunday, October 23.  
10:00 a.m. Sunday School  
11:15 a.m. Morning worship The subject of the morning's message by Pastor Lockett will be "Jesus the Health."

6:45 p.m. B.Y.P.U. The senior and high school groups will meet in the junior department and Sunday school rooms respectively.  
7:45 p.m. Evening worship. This week "Central Baptist" joins in the National Bible School movement in the celebration of the 48th anniversary of the Baraca and Philaetha classes.

Mrs. Lillian Moore, Thomas Van Oaten and Miss Ruth Horner will be the speakers. Claude Barto will render a violin solo and Miss Elizabeth Wood will give a soprano solo.

## CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist  
Thomas Ave. and Seventh St.  
Riverton, N. J.  
Sunday School, 11 a.m.  
Sunday Services, 11 a.m.  
Wednesday, 8:00 p.m.  
Reading Room in Church Building  
Thomas Ave. and Seventh St., Riverton, open Tuesday and Friday, 2:30 to 4:30.

## TO WED

The marriage of Miss Sally Hollingsworth Macleod, daughter of Mr. and Mrs. Cameron Macleod, of Berwyn, to Robert Biddle 3rd, son of Mrs. Robert Biddle, 2nd, of Riverton, and the late Mr. Biddle, will take place on Friday afternoon, December 2, at 4 o'clock, in the Washington Memorial Chapel, at Valley Forge.

## ENGAGED

Mrs. Laura Morris Rieger, of 207 Elm avenue, entertained at a supper on Friday evening to announce the engagement of her daughter, Miss Jean Norris Rieger to Harold E. Wagner, son of Mr. and Mrs. William R. Wagner, also of Riverton. Miss Rieger is the daughter of Harry R. Rieger, of Philadelphia. Both Miss Rieger and Mr. Wagner are graduates of Palmyra High School, the latter also having attended Duke University.

## COMING EVENTS

Saturday, October 22.  
Football, Palmyra vs. Burlington, high school field, 2:30 o'clock.

Monday, October 24.  
Meeting and luncheon, Riverton Needlework Guild, The Porch Club.

Monday, October 24.  
Meeting, Softball League officials and managers, Riverton Fire House, 7:30 p.m.

Tuesday, October 25.  
Meeting, Palmyra-Riverton Stamp Club, Legion home, Palmyra, 8 p.m.

Wednesday, October 26.  
Chicken supper, Palmyra Moravian Church, 5 to 8 o'clock.

Thursday, October 27.  
Covered dish luncheon, 1 p.m. Cinnaminson P.T.A. at home of Mrs. Ernest Warnick.

Friday, November 4.  
Covered dish luncheon, "Y" building, auspices Palmyra-Riverton Women's Auxiliary, 1 p.m. Miss Marion Forman, of the Philadelphia Dairy Council, speaker.

## Wesleyan Men's Bible Class

## FOR THE MEN OF THE COMMUNITY

What is the power that keeps the human body going? Call it anything you like but the fact remains that it is the Soul, or the God within you, isn't it?

Do you agree that no human being can destroy that Soul because it belongs to the Creator and is only loaned to us for a short time?

Don't you think that a man's mind is the eyesight of his soul? Do you believe in things that cannot be seen?

Has science been able to locate a thought in the mind of man—but you will admit, won't you, that thoughts exist and are controlled by the soul of man?

We will be glad to see you Sunday at 9:50 a.m.

Mr. Poinsett's message:

"The Lord of the Sabbath" Mark 2: 23-28, 3: 1-6.

## EPWORTH M. E. CHURCH

Rev. W. A. Boyd, Pastor

Common dangers to the Church and democracy call for united action. America's three great Christian faiths, Protestantism, Catholicism and the Jew are openly and flagrantly attacked by Atheism, Communism, Radicalism, and Fascism. The Church dare not yield her ground. She must fight. She must be loyal to her Lord. This is no time for disloyalty. Members of the Christian Church rally to your places of worship this Sunday. Get into the battle. If you do not go to any other Church in this community come to the Methodist Church. Be sure to hear Rev. Boyd on Sunday.

The second sermon out of the Book of Revelation—"Kings and Priests" Rev. 1: 6, will be given this Sunday morning at eleven o'clock. "Ye That Stand in the House of the Lord" very beautiful anthem by Walter Spinney, will be given by the Senior Choir.

Another popular evening service will be held at 7:45. "The Face of Jesus" is the title of the sermon by Mr. Boyd. Mrs. Kenneth Kreder, soprano soloist and radio artist, will sing "Song of God" by Spencer Atkinson. "Gloria in Excelsis" by Mozart will be sung by the augmented chorus choir.

"The Prophetic Vision of God and Goodness" is the general topic of a series of Bible lessons to be given by Rev. Boyd in the mid-week services on Wednesday evenings from eight to nine o'clock. One of the weekly topics are: "The Call of the Prophet," "Amos and Justice," "What is the True Religion?" "Exposing Popular Fallacies," "Jeremiah Against the World." All persons, especially Bible teachers and Bible students are invited to this Bible study period.

The sacrament of baptism will be administered and those wishing to join our Church will be given the opportunity, Sunday morning, October 30, at eleven o'clock.

"There is no more terrible sight," once wrote Goethe, "than ignorance in action."

## PALMYRA LOSES BY SINGLE POINT

Haddon Heights Conversion Provides Margin of Saturday Win

Failure to convert the try after a third period touchdown cost Palmyra High the ball game, last Saturday afternoon, when Haddon Heights handed the locals their second reverse of the season, in a game played on the field of the opposition in perfect baseball weather. The game was evenly contested throughout, with neither team having a commanding edge, although the Red and White definitely outplayed their opponents during the entire first half.

## Mento Gets Score

Palmyra took what appeared to be a commanding lead in the third canto when Lelejek, local tackle, blocked an opposition punt on the Heights 25 yard stripe. Mento coming in fast on the play scooped up the pigskin and romped for the score, being tackled just as he crossed the line.

The charges of Coach Dimond then attempted the conversion by means of a placement with Marshall holding and Paul McDermott doing the booting. The kick was wide, however, and it was a costly affair, as later events proved.

## In Five Minutes

The Haddon Heights score was one of those last-ditch affairs, since only a few minutes remained to play in the last period when the fatal march started.

Taking the ball on their own 30, a pass advanced the oval to the Palmyra 45. Two running plays carried to the local 20 and the Red and White was being stampeded in a lively fashion.

Two more line plays netted eight yards each and after being checked once, the touchdown followed from the four yard line.

The conversion and, incidentally, the ball game, resulted from a bit of deception as a wide end run fooled the entire Palmyra team.

## Evenly Matched

The two elevens were about evenly matched in all departments, Haddon Heights getting eight first downs to Palmyra's six, but several of the Heights' came in, the last scoring thrust.

Yardage gained amounted to 165 for the locals and 164 for the enemy. Palmyra suffered more heavily in the matter of penalties, being set back a total of 40 yards for infractions, as compared with five yards for Haddon Heights.

## BURLINGTON HERE THIS SATURDAY

Palmyra Appears to Have Edge Over Blue and White, but Takes No Chances

One of Palmyra's arch-rivals on the gridiron comes to town next Saturday afternoon as Burlington invades local terrain for the next engagement of the Red and White. The affair will get under way at 2:30. Coach Dimond has put his squad through the paces in rather a vigorous manner all week, being determined to have the next tilt finish on the right side of the ledger.

Burlington received a nice trimming last week, Moorestown turning the trick by a 20-0 count.

## Should Win

Palmyra appears to have a definite edge over the charges of Coach Rundle, since the Blue and White mentor is having a terrific job in whipping a green squad into shape. Many of the starters are sophomores with little experience. Regardless of this, Palmyra is taking nothing for granted and Coach Dimond is stressing the fact that there must be no letup in the action, a tendency that has harassed the locals this season.

## GAME SEASON NOVEMBER 10

Sportsmen of New Jersey are in for several weeks of fine hunting this fall when the upland game season opens on November 10, even surpassing the great sport of last year when practically all hunters found sufficient game and birds affled to satisfy them, the New Jersey Fish and Game Commission predicted this week.

Continued statewide stocking of rabbits, pheasants and quail by the State Fish and Game Commission; volunteer winter feeding of birds and game and good breeding conditions in the wild are responsible for the ideal hunting conditions this year, the commission said. The season will close on December 15.

## OPPONENTS' SCORES

Moorestown, 20; Burlington, 0. Haddonfield, 27; Merchantville, 13. Collingswood, 0; Atlantic City, 0. Riverside, 13; Bordentown, 6.

There is practically no market in Argentina for embalming fluids, as fewer than five bodies a year are embalmed there.

## Camels

The personnel of the various teams is as follows:

**Spuds**  
Mrs. P. Snover, Mrs. N. Verner, Mrs. E. Meunier, Mrs. E. Swartz, Miss E. Meunier, Mrs. E. Swartz.

**Camels**  
Mrs. E. Beitz, Miss A. Price, Miss M. McLaughlin, Mrs. M. Schwartz, Mrs. J. Metzgar, Mrs. N. Beitz.

## Country Club Notes

## Interclub Bowling League

Riverton Green got off to a good start in the opening games of the season last week, by taking two out of three from the Cynwyd Blues. A 959 game figured in the win. The members of this outfit are Hagatos, Clark, Coe, Peterson and Kitzmiller. Riverton White dropped all three. The teams in the loop, in addition to the two Riverton entries are: two each from the following, Cynwyd, Old York Road, Union League, Overbrook and Penn A. C. Single teams represent Germantown and Manufacturers.

## Local League

Lippincott's team continues to set the pace for the other entries, the leaders having won six straight. High Singles: Pittinger, 218; Clark, 214; Miller, 245; Coward, 208; Brickley, 203.

High three: Miller, 582; Farrell, 558; Clark, 558; Elliott, 559.

The standing:  
W L  
Lippincott 6 0  
Hemphill 5 1  
Hendrickson 5 1  
Elliott 5 1  
Woods 4 2  
Clark 3 3  
Jamison 3 3  
Bartley 2 4  
Bonsall 1 5  
Smith 1 5  
Tyler 0 6  
Wilson 0 6

## SPORTS JOTTINGS

We may be wrong, but the point after touchdown play appears to be one of the silliest things about the gridiron sport of today.

The conversion affair actually takes about five seconds, and, in many cases, a specialist is rushed into the fracas for it and yanked as soon as he boots the ball.

Two teams may have battled on equal terms during the entire 60 minutes of a game, with each scoring a touchdown. One outfit fails to convert, while the other is successful. Thus the decision goes to one eleven on the basis of a single point that took up about one seven-hundredth part of the entire playing time.

The net result is that one team gets an unearned win, while the other is credited with a loss that is equally as unjust.

A large crowd attended the first night football game of the season last Wednesday evening at Palmyra.

The Riverton A.A. football team swings into action Saturday afternoon, at Memorial Park.

## GETS HOLE IN ONE ON SUNDAY

John S. Collins became the fifth golfer to secure an ace on the Riverton Country Club course this year, when he obtained a hole-in-one last Sunday.

Mr. Collins, using a number 7 iron on the 17th, had the satisfaction of seeing the ball carry to the green and bounce in on the first hop. The distance is 142 yards.

## ON ADVISORY BOARD

Dr. S. Emlen Stokes, was recently appointed chairman of the advisory board of the Burlington Country Council, Boy Scouts of America.

## MEETING SOFTBALL LEAGUE OFFICIALS

Planned for Monday, Oct. 24; All Managers Urged to Attend Affair

A meeting of the officials and managers of the Memorial Park Softball League was held on Monday night of this week to determine what sort of a function would be held this year to award the championship cup and other honors.

Due to the extremely poor attendance, it was impossible to arrive at any definite decision regarding the matter.

In view of this situation, President Walter C. Wright has issued a notice for another session on Monday evening of next week.

## At Fire House

This will be held in the Riverton Fire House, at 7:30 o'clock and will be limited to local officials, the umpires and managers of the respective teams.

If sufficient interest is not shown Mr. Wright stated that no other course would be open than to abandon plans for any festivities this year.

Should a majority of those concerned fail to attend, the affair will be automatically dropped without further announcement.

## ERNIE DUSEK TO BATTLE THURSDAY

More skullbusting will prevail at the Camden Armory, Thursday night when the Hanly brothers present the third show of the present

## PHILATELIC NEWSBITS

By S. E. Griffith

### 25th Stamp Column

This week's stamp column marks the twenty-fifth consecutive week of its appearance as a regular feature of the New Era. When one passes a mile stone it becomes quite proper to stop and reminisce a bit. The general policy of this column since its inception has been to present local stamp news, general news, about stamp issues of this country, news of outstanding foreign issues, and topics for the general advancement of the hobby.

With these policies ever before me in the preparation of the weekly column, I have endeavored to faithfully bring to you accurate news concerning stamp issues. We make no attempt to be "first on the street" with stamp news. However, in the past 25 weeks, this column has presented stamp news on many occasions in advance of metropolitan newspapers and national magazines and has been quoted on numerous occasions.

There is a great deal of stamp news which would fill more space than is used by this column. We do not publish a list of plate numbers on the U. S. stamps other than the commemorative stamps. We do not present the historical background concerning commemorative stamps. This material may be secured from an encyclopedia. We do not describe all of the new foreign issues for obvious reasons. We will publish a list of new stamps from any specific country if a reader should request it.

If this column in its policy and practice meets with your approval, it shall be continued along the same lines.

### Old British Collection on Exhibition

Herbert Bracey, of Palmyra, will exhibit his fine collection of stamps of Great Britain at the Palmyra American Legion Home on Tuesday, October 25, at 8 p.m. Mr. Bracey was born in England and started his collection as a boy there in 1893. The collection includes the early Queen Victoria issues and has many of the paper and plate varieties in it.

Great Britain was the first country to use postage stamps. In 1840 the first stamps were issued with a portrait of Queen Victoria as the central subject. Next year the centennial anniversary of this stamp is to be celebrated.

Stamp collectors will have a real treat in store for themselves when they see Mr. Bracey's collection which will be exhibited for the first time.

### Meeting Night Changed

The Palmyra-Riverton stamp club has changed the regular meeting night to the fourth Tuesday of each month. The first session to be held on this new schedule will be the October meeting. Members should keep this change in mind. The next meeting will be held at the Palmyra American Legion Home on October 25, at 8 p.m. Visitors are welcome.

The new 17 cent Andrew Johnson stamp will be issued at Washington, D. C., on October 27. The portrait of Johnson was designed from a bust by William C. McCauslen now in the Senate Gallery at Washington. This stamp will be printed with crimson ink.

The report that a diplomatic protest restrained China from issuing her Radio Communication stamps, picturing President Roosevelt, has been denied by the White House, the State Department, the Post Office Department and the Chinese Embassy.

stamps to make their appearance during the month of November are from Guatemala. Twenty-two stamps for internal and international use will be issued. These stamps will measure 25mm. by 40mm. and will be printed in bicolor by the photogravure process. The internal set will consist of 10 pictorial stamps and the international set will have 12 pictorial stamps.

A commemorative set of 12 stamps will be issued for the first Central American Philatelic Exhibition. This set will contain one stamp showing the flag and one stamp showing the president of each of the following

## ABOUT THE COUNTY

Grass growing 12 feet above the ground in a tree on one of the principal thoroughfares of Mt. Holly presents rather an unusual sight. The blades, of which there are at least 30, are about six inches in length.

Union Fire Company, of Mt. Holly, will house its new pumper on Saturday, October 29, with a large parade and other ceremonies.

A town meeting for the organization of a civic association was held in Mt. Holly last week.

Burlington county's 27th motor vehicle fatality for 1938 occurred last week.

Dr. P. Conner Hulse, of Palmyra, recently addressed the members of the Mt. Holly Junior Women's League.

Mrs. Pearl M. Bridgum, state Republican committeewoman, entertained the officers of the Burlington County Women's Republican Club, at a luncheon held in Mt. Holly, last week.

## YOUR GARDEN

### WHAT TO DO THIS WEEK

By A. C. McLean  
Extension Service, N. J. College of Agriculture

Although early spring is generally considered planting time, in all sections of the state except those in which winters are quite severe, many plants fare better when set out at this season of the year. Among these plants are practically all deciduous shrubs, evergreens and bulbs.

Roses in particular seem to appreciate the opportunity to become well established and form new roots before winter sets in. It will not injure newly planted roses to cut them back some, even if there are leaves present, for the leaves will soon drop off anyway.

### Moving Evergreens

If there are evergreens to be moved, it is better to finish this task as soon as possible in order to give a chance to get their roots established before winter. Deciduous trees can be transplanted later in the fall than evergreens, for they have no foliage to support over winter. It is not so imperative for them to have a new system of roots to obtain water from the soil since they require less water.

There is an advantage in permitting deciduous plants to become well rooted before winter sets in, however, for there is some evaporation of water from the wood itself and, if planted too late, they sometimes dry up by spring even if the roots are in moist ground. The main reason for cutting back deciduous material in the fall is to reduce the loss of water over winter, for plants transpire even when dormant. If the root system is not strong and the ground is frozen deeply, the loss over winter is sometimes quite severe. Probably there is as much winter damage from excess loss of water as from severe cold.

Finish planting hardy bulbs as soon as they are available and start cleaning the garden for winter. It will soon be time to be harvesting gladioli and dahlias.

### MADE HONORARY MEMBER

At the last meeting of the Riverton Yacht Club, it was unanimously voted that Charles C. Rianhard, of Riverton, be made an honorary member of that organization. This action was taken in view of his long and invaluable services to the club.

After considerable research, the German standards committee has decided that paint of a blue gray color is most satisfactory for stationary machinery in factories.

countries Panama, Costa Rica, Nicaragua, Honduras, Salvador, and Guatemala.

Editorial Note: The New Era feels that Mr. Griffith has done a splendid job in preparing material for this column each week. Comments regarding it are welcome and will be turned over to the author as received.

## CANDIDATES FILE EXPENSE ACCOUNTS

F. Geo. Furth, Winner of G.O.P. Sheriff Nomination Leads with \$572

Candidates for nomination to county offices at the recent primary election filed expense accounts last week with County Clerk Lawrence G. Mingin. F. George Furth, of Moorestown, Republican sheriff nominee, led the field with expenses amounting to \$572.05.

Second highest spender was Clarence G. Price, who won the Republican nod for the Freeholder post. He expended \$516.42. George N. Wimer, of Palmyra, who lost in the sheriff race, posted a statement which showed \$478.60.

### Other Accounts

Sums spent by the other candidates were reported as follows:  
Republican—Walter D. Lamon, of Palmyra, for freeholder, \$448; Nelson G. Myers, of Mount Holly, for sheriff, \$123.50; Dr. S. Emlen Stokes, of Moorestown, for assembly, \$115; Willard Greenwald, of Lumberton, for freeholder, \$55; Romulus Campana, of Burlington, for freeholder, \$50; Pearl M. Bridgum, of Hainesport, for auditor, \$118.10; Russell M. Stoddard, of Mount Holly, for coronor, \$42; Hiram H. Earnest, of Mount Holly, for coronor, \$33.50; William O. Cunningham, of Riverside, coronor, \$175; John M. Shull, of Burlington, coronor, \$45.

DeWitt H. Steedle, of Palmyra, successful candidate for the Republican nomination for auditor, who is recuperating from an emergency operation for appendicitis, was granted a court order for an extension of time to file his expense account.

Democratic—John F. McHugh, of Burlington, for sheriff, \$10; John C. Sauer, of Springside, for freeholder, \$8; Floyd Radcliffe, of Palmyra, for auditor, \$175; John M. Renshaw, of Palmyra, for sheriff, none.

## CINNAMINSON P.T.A.

The Cinamminson P.T.A. will hold a covered dish luncheon next Thursday, October 27th, at 1 p.m., at the home of Mrs. Ernest Warnick, president of the association. It is not necessary to be a member of the organization to attend these luncheons—anyone sufficiently interested is cordially invited. The charge is a covered dish and twenty-five cents and the proceeds will benefit the general fund. Mrs. Mood is assisting Mrs. Warnick with the arrangements. This will be the first luncheon since the summer schedule, and a large turn-out is hoped for by those in charge.

The rummage sale held last Saturday, in the Parry Fire House, proved quite a success, and the members of the committee, headed by Mrs. Musser, are hoping for a good response to a similar sale to be held on Saturday of this week, October 22, at Adams' Service Station, East Riverton.

Mrs. Warnick, Mrs. Schwartz, Mrs. Hotchkiss, and Mrs. Kennard attended County Council at Columbus last Wednesday, and from their reports a very interesting and instructive meeting was held. One of the highlights was a talk on Social Hygiene in the Schools, sponsored by the County Board.

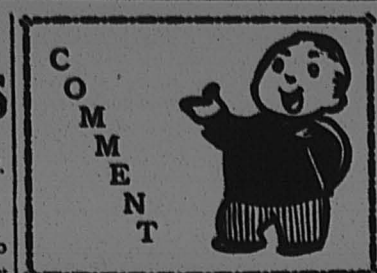

## COUNTY LEGION INSTALLATION

John L. Metzgar, of Riverton, was a member of the committee in charge of the installation of county American Legion officers, the ceremony taking place on Thursday evening of last week, at the Red Hill Inn.

Over three hundred Legionnaires and their guests attended the affair. Isadore S. Worth, of Riverside, is the new county commander, replacing Charles H. Yost, of Riverton, who held the post during the past year.

## PLEGGED TO FRATERNITY

Edward Collins Paulus, of Riverton, was recently pledged to Alpha Tau Omega fraternity at University of Michigan.

During the fog, last Thursday evening, the motor freight cars roared up and down Route 25 without any appreciable reduction in speed.

October's "bright, blue weather" last week was faintly reminiscent of August. Automatic heaters kept pace with the conditions, but the less-fortunate owners of manual stoked furnaces either sweltered or gave up in disgust.

Hardly a day passes, but what at least a dozen letters of ballyhoo go into The New Era waste-baskets. These include all sorts of devices for space-grabbing, to be published free of charge with never a penny's worth of paid advertising accompanying them. One enterprising publicity agent sends at least one release a day. He merely pockets the entire appropriation of one of his clients and trusts upon free publicity to achieve the desired results. To date his attempts with the New Era along this line have been a 100 per cent failure.

A new high in war-time atrocity appears to have been reached by the Japanese. The Sunday edition of a Philadelphia newspaper contained actual photographs of Japanese soldiers at bayonet practice using bound prisoners as living targets. Such a form of torture permitted by a "civilized" nation is almost beyond the bounds of comprehension.

There is however, a lesson to be learned from this horror and that is to take no chances that Americans should ever be on the receiving end of the weapons. The way to assure our safety, in respect to the Japanese, is to have armed forces sufficiently strong to discourage aggression.

It is highly improbable that Japan would ever undertake to commit a serious hostile act against the United States so long as we maintain military and naval superiority. Bullies never go into a fight that there is any chance of losing.

## WOODCOCK WATERFOWL SEASON OPENED OCT. 15

New Jersey's woodcock and waterfowl seasons opened on October 15 with many hunters taking an active part in the sport. The woodcock season closes on November 14, while the waterfowl season will continue until November 28.

Thousands of sportsmen have taken out the special State license required by law for the hunting of woodcock. The time for hunting geese, ducks and coot is from 7 a.m. to 4 p.m., while other migratory birds may be hunted from 7 a.m. to sunset. A Federal stamp is required for hunting ducks and geese. The daily bag limit for ducks, except Wood Duck, is ten in the aggregate of all kinds, but not more than three of any one, or three in the aggregate of Canvasbacks, Red-head, Bufflehead and Ruddy; geese, except Snow Goose, Ross's Goose and Brant, five in the aggregate of all kinds. Coot, 25; Wilson's snipe or Jacksnipe, 15. Possession limit, two days bag on ducks and geese; one days bag on coot and snipe. The bag and possession limit on woodcock is four birds.

## FIELD TRIALS

The Burlington County Game Protective League Field Trials will be held at Camp Dix on Monday, October 24. Beagle females will start at 8 a.m. Everybody is welcome, with or without dogs.

## WERY-BEEGLE

The marriage of Miss Virginia Lake Beegle, daughter of Mr. and Mrs. Charles Roland Beegle, of Riverton, to Mr. Jules Francois Wery, son of Mrs. Juliette Wery, of Punxsatowney, Pa., took place Saturday, October 15, at four o'clock, in the Calvary Presbyterian Church, Riverton. The Rev. Charles T. Bates performed the ceremony.

The bride, who was given in marriage by her father, wore her mother's wedding gown of ivory satin trimmed with old Duchesse lace. Her tulle veil was held in place with a coronet of orange blossoms. She carried a bouquet of white roses and lily of the valley.

Miss Floraine J. Peterson, as maid of honor, wore an empire gown of rust colored velvet. She carried a sheath of gold chrysanthemums. The attendants were Miss Betty R. Sim and Miss Margaret D. Miller, of Riverton; Miss Aura G. Wood and Mrs. W. G. Kranich, Jr., of Philadelphia. Their gowns were green velvet and they also carried gold chrysanthemums.

Mr. John Donald Minney, of Philadelphia, acted as best man and the ushers were Dr. J. Allen Hemphill and Mr. Wesley Hemphill, of Riverton; Mr. Charles J. Meyers, of Maple Shade, and Mr. William G. Kranich, Jr., of Philadelphia.

Miss Charlotte Ridley sang before the ceremony and Mrs. Frank A. Bell played the wedding march. A reception for the immediate family and a few intimate friends followed the ceremony at the home of the bride's parents.

The young couple will drive to Florida for their honeymoon. They will be at home after November 15, at 521 Liverpool avenue, Egg Harbor.

## SCHOOL STUDENTS TAKE FIELD TRIPS

During the past two weeks, two different class-groups from the Cinamminson Public School, have taken field trips in connection with their social studies. On October 4th, twenty-eight members of the seventh grade whose special social study project is industries, visited the Hardwick-Magee Rug Manufacturing Company at Seventh street and Lehigh avenue in the morning; and the Mead Packing Company, at Huntington and Germantown avenues, in the afternoon. The students, supervised by their room-teacher, Miss Rush, made the entire trip in one of the school buses.

Last Thursday, the first grade, twenty-two strong and thrilled by words, rode on the 9:15 train from Riverside to Palmyra with their teacher, Mrs. Wistishill. A school bus, driven by no less person than the grandfather of one of the first graders, took the youngsters to Riverside and picked them up again at the Palmyra station. Only five of the children in the group had ever been on a train before, and as the grade has been "studying" transportation methods, the shared experience was particularly valuable and stimulating—not to say lots of fun.

The light of happiness is often shut out by the shadow of suspicion.

## Annual Meeting Needlework Guild

A final reminder to all members and directors of the Riverton Branch of the Needlework Guild—the annual meeting will be held in the Porch Club on Monday, the twenty-fourth, and all garments must be in the Porch Club rooms not later than ten o'clock of that day.

Luncheon will be served at one o'clock to those interested in inspecting the garments contributed and in attending the business meeting which will immediately follow. The luncheon, for which 35 cents per person will be charged, is being arranged by Mrs. Maurice Belknap, and reservations may be made with Mrs. Nathan Lane. Any proceeds above the actual cost will be diverted to the guild's shoe fund.

**BOARD DISCUSSES**  
**Milk Purchases**  
(continued from page 1)  
op's milk. Mr. Leach stated that  
milk is kept up to certain State  
specifications prescribed by it and  
that all milks are kept slightly above  
the State mark. Mr. Leach charged  
that there was more to the question  
than meets the eye and suggested  
that a relative of Mrs. Egan's in the  
employ of Bishop might have had  
something to do with the switch  
over. He offered to bet Mrs. Davidson  
that he could put 10 different  
glasses of milk before her, from  
10 different dairies, and number the  
glasses from 1 to 10 and she couldn't  
pick out any one that was better  
than another.

**Question of Policy**  
He stated that it was not a question  
of whose milk was better but  
it all boiled down to a question of  
policy and business management.  
Leach charged that the lunch room  
was grossly mismanaged in years  
past and it was only until this year  
that it produced some kind of a  
secretary should keep a list of all  
supplies received for the lunch room  
and balance them against portions  
served and put the lunch room on a  
sound business basis. There is no  
reason, Leach further stated, why  
the lunch room can't be made to  
produce a profit for the taxpayers  
rather than cost them money.  
Several attempts were made to  
close the matter and finally a motion  
made by B. R. Leach to buy milk  
from the Supply Dairy for the  
month of November and 7 other  
dealers a month at a time thereafter,  
received the support of Morris Con-  
row, provided the clerk write to the  
state for an analysis covering the  
eight dealers serving this territory.  
The motion was passed and will  
probably come up for consideration  
again when the State reports are re-  
ceived and tabulated.

**Bus Situation**  
A letter from the W.P.A. suggest-  
ing a "white collar" project to be  
formulated in the Hotel Hildebrecht  
in Trenton, at an early date urging  
school board cooperation was re-  
jected. The name of candidate Ely  
on the letterhead and the close proxim-  
ity of the general election date was  
the subject of a side remark.  
A letter from County Superin-  
tendent Louis J. Kaser was read in  
which he cited the abuses of school  
bus transportation and stated that  
a survey of the county transporta-  
tion system would soon be made and  
suggested that if any abuses existed  
they should be corrected ahead of  
the survey.  
The only abuses that exist in Cin-  
naminson are the five "courtesy"  
riders which consist of school chil-  
dren living near the school but  
whom are given rides in order to  
relieve them of the hazards of cross-  
ing the highly dangerous Route 25.  
It was decided to acquaint Mr. Kaser  
of these facts by letter without  
waiting for the survey. The sur-  
vey it was stated is a W.P.A. project.

**New Secretary**  
Mrs. Evan W. Stover was appoint-  
ed to fill the office of school secre-  
tary to fill the vacancy created by  
the resignation of Mrs. Dorothy S.  
Reeves. The appointment was for a  
sixty-day period, subject to con-  
tinuation at the end of that time.  
Authorization was made for the  
purchase of a new Underwood type-  
writer for Miss Emma D. Frank,  
district clerk.  
Permission was granted the P.T.A.  
to use the school building for card  
parties during the season.  
Immediate repairs were ordered  
for the school sliding board which  
was reported in a dangerous condi-  
tion.

## GAMES TO START

Father John F. Welsh of the  
Sacred Heart parish announces that  
the first of a series of game nights  
to be conducted by the parish will  
begin on next Monday night, Octo-  
ber 24th, at the school hall, Linden  
avenue above Fourth street, Riv-  
erton.

These games proved to be very  
popular last season, and many re-  
quests have been made to continue  
them again this season.  
In order that players may leave the  
hall by 11 p.m., games will begin at  
8 o'clock sharp. A fine assortment  
of valuable prizes will be distributed  
each Monday night. Edward Collar  
is chairman of the committees in charge.

## RIVERTON

Miss Betty Sim, of 401 Thomas  
avenue, entertained last Friday even-  
ing in honor of Miss Virginia L.  
Beagle and Jules Francois Wery,  
whose marriage took place last Sat-  
urday. The guests, who were mem-  
bers of the wedding party, including  
the following from Riverton: Miss  
Florence Peterson, Miss Margaret  
D. Miller, Mrs. Frank Bell, Dr.  
J. Allen Hemphill and Wesley J.  
Hemphill.

Mrs. Joseph T. Evans, of Burling-  
ton Pike, entertained the Cinnamin-  
son Branch of the Zurburg Mem-  
orial Hospital, at their annual tea  
and card party.

Robinet S. Cole, son of Mr. and  
Mrs. Robinet S. Cole, of 108 Midway,  
has begun his studies at the Penn-  
sylvania State College of Optometry,  
in Philadelphia.

Mrs. John H. Moore and daugh-  
ters Pearl and Lillian, have moved  
from the Tryon Apartments, Palmyra,  
to 629 Thomas avenue, Riverton.

## PALMYRA

The Palmyra Moravian Church  
will give its annual chicken supper  
on Wednesday, October 26, from 5  
to 8 o'clock at the Church. Tickets  
75c for adults and 40c for children.

Dr. and Mrs. Dean Hart LeFavor,  
of Morgan avenue, have as their  
house guests, Dr. and Mrs. Law-  
rence Proctor, of Toronto, Canada.

The winner in the Sacred Heart  
P.T.A. Miscellaneous Club for last  
week was Mrs. Joseph Noe, of 721  
Pennsylvania avenue.

The Shining Hour Class of Ep-  
worth M. E. Church School will  
meet at the home of Miss Norma  
Greening, of 825 Highland avenue,  
on Friday evening. The meeting will  
be in the form of a Hallowe'en party  
and all members are requested to  
mask.

Mr. and Mrs. Albert Smith, Sr.,  
and Mr. and Mrs. S. Salenberg,  
of Stonehurst, Pa., were the guests of  
Mr. and Mrs. Albert Smith, of  
Broad street, on Sunday.

A large number from this vicinity  
attended the Blackburne testimonial  
dinner on Tuesday evening of this  
week.

New residents include Mr. and  
Mrs. V. R. Kelly, who moved here  
recently from Germantown, Pa.

Geysers attain their highest de-  
velopment in Iceland, New Zealand  
and Yellowstone Park.

president of the Burlington County  
League.

Judge Harry S. McDevitt, presi-  
dent judge of the Common Pleas  
court in Philadelphia, acted in the  
capacity of toastmaster.

## NEW ERA BUSINESS NOTES

Follow the business news at  
home—it pays big dividends

The Philadelphia Market House is  
conducting the big 96th Anniversary  
Sale of Kellogg's food products. The  
affair features many desirable and  
delicious items at a cost lower than  
last year. The sale starts Thursday,  
October 20, and ends Saturday, Oc-  
tober 29. Consult the advertisement  
in this issue and ask to see the cir-  
cular at the store which advertises  
many more special items.

Handy pocket thrift banks may be  
had at the Cinnaminson Bank and  
Trust Company. They are supplied  
through the courtesy of H. B. Wil-  
liams whose advertisement appears  
on the back of the bank. They hold  
three dollars in dimes and are an  
easy way to get started on a savings  
account.

Calvin Stow, builder of many years  
standing in these communities is ad-  
vertising new construction or re-  
modeling jobs without the usual  
cash outlay. Mr. Stow will be glad  
to go over your building problem  
with you and explain the terms un-  
der which your job may be financed.  
See his ad. in this issue.

Nan Cabot candies are on sale at  
McAllisters. See their ad for prices.

L. L. Keating is offering some  
real special values this week. Con-  
sult his advertisement.

Tony's Beauty Salon is advertising  
attractive beauty aids at special  
prices for one month. See his ad-  
vertisement for details.

Shulman's Department Store an-  
nounces the formation of a new \$5  
merchandise club. Consult their ad-  
vertisement and ask at the store for  
complete information.

Red Wing Pottery is being fea-  
tured this week at the Spinning  
Wheel Gift Shop. See this ad for  
prices.

## OBITUARIES

**MRS. CORELLA P. CANN**  
Mrs. Corella P. Cann, former post  
office employee, died at her Palmyra  
home on Tuesday.

Funeral services will be held on  
Saturday, at 2 p.m., from her late  
residence, Rev. William A. Boyd  
and Rev. George Lockett officiating.

Interment will be made in Mor-  
gan Cemetery under the direction  
of Frank A. Snover.

The deceased survived by two  
sisters, Mrs. Edward King, and Mrs.  
Sarah J. Darnell, of Highland ave-  
nue, Palmyra.

Mrs. Cann was a member of Ep-  
worth M. E. Church, Palmyra, and  
also the local chapter P. O. of A.  
Mrs. Cann will be remembered for  
over 30 years of service in the Pal-  
myra Post Office, having retired a  
year ago.

## THE PORCH CLUB

A very successful bridge tourna-  
ment was held at the club on Tues-  
day afternoon. There were twenty-  
four pairs competing. The north  
and south winners were Mrs.  
Charles F. Earp, Jr., and Mrs.  
Dewees Showell, with a score of  
plus 1300. The east and west win-  
ners were Mrs. M. M. Dickinson  
and Mrs. W. M. Shoemaker, Jr., with  
a score of plus 2880. Each winner  
was presented with twin decks of  
cards.

The runners-up were: north and  
south, Mrs. Howard D. Sordon and  
Mrs. Arthur T. Hagstoz, with a  
score of plus 2760; Mrs. Howard S.  
Coe and Mrs. Edwin E. Ochs, with  
a score of plus 2670. East and west  
runners up were Mrs. John C. An-  
derson and Mrs. Dwight E. Tuttle  
with a score of plus 60 and Mrs.  
Walter Moyer and Mrs. Porter B.  
Caldwell, with a score of minus 50.  
Mr. Charles Goren will lecture at  
the club on Thursday morning, Oc-  
tober 20, at 10 o'clock.

Besides man, only monkeys have  
learned the art of throwing.

The greatest land height is the  
summit of Everest, 29,141 feet.

## WELFARE IS TOPIC OF SPEAKER HERE

Mrs. Dorothy N. Cooper Gives Talk at Meeting of Local Rotary Club

Local communities, aided by Federal grants apportioned to them through a state agency should again take over the administration of relief, believes Mrs. Dorothy N. Cooper, executive secretary of the Moorestown Welfare Association. In her talk to Palmyra-Riverton Rotarians, Mrs. Cooper stressed the need for active interest on the part of every citizen in legislation concerning the solution of the unemployment situation, America's greatest social problem.

### Guests Present

Nathan Lane, Jr., vice president, presided at the meeting in the absence of Clifton P. Mayfield, and introduced as guests of the Community Service Committee, Messrs. George N. Wimmer, of Palmyra, Charles Evans, of Cinnaminson, and David Gould, of Riverton, all of whom are vital forces in the social service work of their districts. The club was also glad to welcome back for a visit Ross E. Mattis, for many years its treasurer, but now a member of the Atlantic City Rotary Club.

Present day social work, said Mrs. Cooper, dealing as it does with family problems, needs a trained worker to direct it. Relief is but a part of many home situations, which call for outside aid in their adjustment, she told the club, and gave several illustrative cases to demonstrate the point.

### Desire Work

Mrs. Cooper believes that 95 per cent of those on relief are sincerely desirous of obtaining a job, and discounted heavily the common belief in the shiftlessness of W.P.A. workers. She urged everyone not to jump at conclusions, but when there is criticism of one's local relief agency to go to the person in charge so as to be sure of the facts.

There is needed, she feels, a revival of the feeling of social responsibility for our neighbors, and less of the attitude that as long as the government is doing it, we need not bother with the problem.

### Will Cut Down Waste

Work is better than the dole, in Mrs. Cooper's judgment, and her experience shows that those individuals so unfortunate as to be on relief, would rather have a job than a handout. State standards for the handling of relief problems are necessary, to prevent unenlightened local communities from starving their unemployed, but they should also lead to the setting up of job projects in each district. This policy, plus Federal aid, will do much to cut down waste and the spending of such huge sums of money.

Another feature of the meeting was several piano solos by Dr. LeFavor, club pianist, whose talent is always appreciated by his fellow-members.

## WHERE ARE SOCIAL SECURITY FUNDS

Every one of the 40,000,000 workers who pays a tax into the Federal Treasury for old-age pensions and unemployment insurance has a right to demand—

"What is the government doing with MY money?"

The answer appears daily in the Treasury Statement.

As of June 30, 1938:  
Old-Age Pension taxes \$ 708,751,980  
Unemployment Insurance taxes 1,058,220,907

TOTAL TAKEN IN \$1,766,972,887

Lump-sum Old-Age Benefits \$ 543,032

Unemployment Claims 191,975,000

TOTAL PAID OUT \$ 1,974,060,032

SHOULD HAVE ON RESERVE \$1,569,560,855

ACTUALLY ON RESERVE \$ 14,489,824

SPENT BY THE NEW DEAL FOR CURRENT EXPENDITURES \$1,555,071,031

The administration has pilfered the Social Security Trust Funds of more than one and one-half billion dollars.

Soon, claims are going to become heavy against social security re-

## SNOVER MAKES APPOINTMENTS

Chairman Frank Snover, of the Burlington County Republican Committee, has announced the appointment of the following executive committee:

The officers of the county committee and George N. Wimmer, Palmyra; Herman Quigley, Bordentown; Oscar Locke, Burlington; Mrs. Effie Philippino, Maple Shade; Mrs. Marion C. Haines, Delanco; Samuel Briggs, Evesham; William Foulks, Florence; Mrs. Anna Mingin, Medford; Mrs. Blanche Gilpin, John L. Lebegood and Mrs. Esther Oithens, Moorestown; Mrs. Irene Rose, Mount Holly; Richard Woodward and Hilton Smith, Riverton; Mrs. Dorothy M. Bissig, Riverside; Mrs. Florence Thompson, Southampton; Mrs. Edith Harvey, Tabernacle and Joseph Burkle, Willingboro.

Rules committee—Hilton Smith, Riverton; Mrs. Evelyn Belcher, Medford; Mrs. Pauline Bartlett, Burlington; and Theodore Schwartzler, Mount Holly.

Publicity committee—Frank E. Chambers, Riverside; James J. Tomes, Moorestown; Charles F. Clymer, Medford, and Charles La Tour, Mount Holly.

## COUNCIL DISCUSSES TRANSPORTATION

(continued from page 1)

Sylvester, elicited the information that there was considerably apathy shown by the river-front towns in the return of the Authority's questionnaire distributed several months ago. In fact, some communities made no return whatever.

Mr. Sylvester expressed the opinion there is a suspicion that the attitude of the transportation representatives of the river-front towns, as given at a mass meeting of all interested communities held at the Walt Whitman Hotel following the questionnaire, had its influence with the Authority. It was reported, following the meeting, that the river-front representatives tried to discourage the Authority in its desire to tie up the Delaware River Bridge to South Jersey communities, and that the river-front towns were concerned. They endeavored to interest the Authority in greater improvement to the railroad service, contending that a hook-up of the high-speed lines to the local communities would attract a class of people more or less undesirable.

### Committee Named

Following the above statement, Mr. Sylvester read from the New Era an account of what the Palmyra Borough Council is doing in the matter, and suggested that Mayor Biddle appoint a committee of three to investigate the problem and see what could be done. The Mayor appointed Messrs. Sylvester, Shradler and Knight.

Councilman Gould reported for the sewer committee that in the matter of construction of a sewer disposal plant, application had been made for government funds for the project, and plans filed with the State Board of Health for approval. To date no reply had been received from either, he said.

Mr. Sylvester, chairman of the highway committee, reported that holes in the streets had been filled with broken stone and oil instead of cold patch or bituminous concrete, with very satisfactory results. Mr. Sylvester further reported that several streets had been oiled and that paving had been started on Linden avenue between Broad and Fourth streets.

Mr. Sylvester requested residents not to burn leaves or trash on streets that had been oiled or paved with bituminous concrete.

### Clean Up Lots

Councilman Shradler, chairman of the police committee, said that a survey had been made of lots where grass and weeds constituted a fire

serves. The only way the government can make up the deficit in these reserve funds is by levying heavier and heavier taxes, many of which are bound to fall upon the worker who already has paid into the social security funds.

hazard, and submitted a list of the owners of such lots. Several of these lots, he said, had come into the possession of the borough through tax sales, and recommended that they be cleaned up and that other owners be obliged to do the same.

Mr. Shradler further reported that a checkup by the police department revealed more than 80 dogs which were registered last year had not been registered this year, and that when Chief Gootee makes his final report, steps will be taken to enforce the law covering registration.

### New Hydrants

On recommendation of Councilman Bush a resolution was passed to install two additional fire hydrants—one at Broad and Maple Lane, and one at Highway and Lippincott avenue.

D. M. Clifton, borough clerk, reported that a government representative had applied to him for permission to drain surface water from the proposed new post office property on Main street into the sanitary sewer. Mr. Clifton pointed out that a borough ordinance explicitly prohibits doing this, and was instructed to deny the request.

Councilman Lane recommended that the borough carry public liability insurance covering accidents on the highways and at Memorial Park, and was instructed to secure coverage to January 15, next year. A longer term policy will be taken out after provision for the premium is made in the budget for 1939.

### Streets Lines

On recommendation of Mr. Shradler a motion was passed to request the county maintenance crew to repaint the traffic lines in Riverton. Formerly this was done by the county whenever needed, but it is now necessary to make application each time, Mr. Shradler explained.

Mr. Sylvester recommended that an ordinance be prepared requiring that suitable driveways be constructed for the entrance of automobiles into private properties and that the pavement be properly reinforced. He pointed out that in many cases cars are driven over the curbs and sidewalks, damaging both. This was referred to the ordinance committee.

The building inspector's report showed construction amounting to \$60.62 and \$11.50 in fees.

### Fire Truck Bonds

The sale of \$6000 fire truck bonds was awarded to Blythe & Co., Inc., 1600 Walnut street, Philadelphia, on their bid of \$6,016.62 at 2 3/4 per cent interest. Other bids were as follows: Burlington County Trust Co., of Moorestown, at par, bonds to carry coupon rate of 3 1/2 per cent interest; C. C. Collins & Co., Fidelity Trust Building, Philadelphia, premium of \$7.00, 2 3/4 per cent; A. C. Wood, Jr. & Co., 511 Chestnut street, Philadelphia, premium \$10.50, 3 per cent. A bid was received by the borough clerk Friday morning from Buckley Bros., 1529 Walnut street, Philadelphia, for \$6,000 premium and 2 3/4 per cent interest.

Funds appropriated having become exhausted a second emergency relief note was authorized at a special meeting of the Borough Council held September 26. The total amount appropriated for local relief this year to date is \$4300.

The following bills were ordered paid.

Borough Organization: C. Kenneth Davis, hire and stamps, \$45; Usher Publishing Co., repairs to seal, \$1.69.

Police: William Gootee, salary \$140, phone \$3, \$143.00; John Robinson, salary \$130, phone \$3, \$133.00; John Carhart, salary \$130, phone \$3, \$133.00; William Thomason, special duty, \$20; Robert Wright, special duty, \$20; Hoy Bowers, special duty, \$8; George Horner, special duty, \$8; Beverly Motor Co., repairs and adjustments, \$2.25 and \$5.95; Public Service Electric and Gas Co., traffic light, \$7.54; New Jersey Bell Telephone Co., September 5-55, October \$6.20; Clinton B. Woolston, gas and oil, September \$23.97, October \$8.32; Evans Service Station, gas and oil, \$10.03.

Shade Trees: J. A. Peck, tree surgery, \$250.65.

Lighting: Public Service Electric and Gas Co., gas \$230.10, electric \$204.25.

Garbage: John Dziedzic, contract, \$75.

School Funds: C. Kenneth Davis, custodian, \$4,700.

Elections: The New Era, Inc., ballots \$96, envelopes \$41.25.

Interest Assessment Notes: Cinnaminson Bank & Trust Co., \$9.70.

Fire Truck (down payment): The New Era, Inc., notices to bidders, 12.80 and ordinance, \$20.80.

Township of Cinnaminson in the County of Burlington

NOTICE OF SALE OF LAND FOR UNPAID TAXES

NOTICE is hereby given that I, Joseph E. Keene, Collector of the Township of Cinnaminson, in the County of Burlington, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on Saturday, November 12th, 1938, at one o'clock in the afternoon of said day at the

OFFICE OF THE TOWNSHIP COLLECTOR ON THE NORTH SIDE OF BROAD ST. WEST OF POMPOEY AVE. KA. RIVERTON, BURLINGTON COUNTY, NEW JERSEY, in said taxing district, sell the several lots and parcels of land hereinafter described to make the amounts severally chargeable

in the same, as hereinafter set forth: Said lots and parcels of land will be sold for the amounts chargeable thereto on the first day of July, 1938, together with interest from said date to date of sale, with cost thereof, to such person or persons as will purchase the same for the lowest rate of interest on redemption, but such rate shall not be more than 8 per cent. per annum.

This sale is made under the provisions of an act of Legislature entitled "An act concerning unpaid taxes, assessments and other municipal charges on real property, and providing for the collection thereof by the creation and enforcement of liens thereon." (Revision of 1918) being P.L. 1918, c. 283, as supplemented and amended.

The lots and parcels of land to be sold and the names of the owners thereof against whom the said taxes and liens have been assessed and the amounts of the same including interest to July 1st, 1938, are as follows:

Isaac Dobson, lot, Wrightsville, 1938 Taxes \$ 2.54 .62 1939 Taxes 2.28 .41 1937 Taxes 2.28 .22

Mamie Elliott, lot, Wrightsville, lot 5 1938 Taxes 2.28 .62 1939 Taxes 2.28 .41 1937 Taxes 2.28 .22

## Palmyra May Obtain Stadium

(continued from page 1)

"The share of the Palmyra Board of Education, of the cost, it will be noted, is \$11,591.00. This amount is not a bond issue, but is rather a transfer from current expense account to capital account. This money is now on hand.

"The land to be used for the project is in the vicinity of the high school building. That land will be transferred to the Board of Education by the Borough Council, in exchange for the present athletic field.

"This will afford the school a large play area, close enough to the school to be used by all physical education classes of the Delaware avenue grades and high school. The present athletic field is too far from the school to be used for such a purpose.

To Seat 3,000

"The new field will offer the advantage of a stadium to seat approximately 3,000 people. 1/4 mile running track with an inside curb, football field, soccer field, and other recreation areas.

"One real advantage, of course, is removal of the present hazard crossing the railroad track to get to the athletic field from the school.

"The present fence and other equipment on the athletic field will be used for the new field. Addition of fence will be purchased which, of course, is included in the total cost of the project.

Many Similar

"Many projects of this type have been completed in this locality, within the last year or so, such as Collingswood, Audubon, Woodbury, Haddon Heights and other projects such as Riverside and Haddonfield. "The total cost of the project is \$66,919.00—Palmyra's share is \$11,591.00. This project has already been approved by the W.P.A. and the vote of the people is required—not for a bond issue or the purchase of land—but only for the transfer of money from the current expense account to the capital outlay account.

JOHN F. MILLER, Clerk. October 19, 1938. 10-19-20-18

## PROPOSAL

Notice is hereby given that sealed bids will be received by the Board of Chosen Freeholders of the County of Burlington in the Court House at Mount Holly, N. J., on MONDAY, NOVEMBER 14th, 1938 at 3:00 P.M. Eastern Standard Time, for drilling one 8-inch artesian well at the County institutions at New Lisbon to furnish a minimum of 200 gallons of water per minute, well to be equipped with pump and automatic controls ready to deliver water to the supply system.

Prospective bidders are referred to specifications covering the above work, prepared by F. L. Brannin, County Engineer, which specifications are on file in his office in the Administration Building. Copies of said specifications may be obtained without deposit or cost during business hours. Prospective bidders will be required to prequalify as to financial rating, etc., at least 20 days prior to receipt of bids. Proposals must be accompanied by a certified check in an amount equal to 10% of the lump sum bid, payable to Joseph S. Bright, County Treasurer.

The right is reserved to reject any or all bids, and to waive any immaterial defects or informalities in any bid, should it be for the interest of the County to do so. By order of the Board of Chosen Freeholders. JOHN F. MILLER, Clerk. 11-10-20-18

## HADDONFIELD IS HOCKEY WINNER

The Haddonfield High School hockey team defeated the Palmyra eleven on Tuesday afternoon, at Palmyra by the score of 5-1. Miss Wheeler led the attack for the "Haddons" with three goals.

4,576 VISITS ARE MADE BY NURSES

Annual Report of Association Shows Tremendous Amount Of Fine Work

The annual report of the Visiting Nurse Society of Riverton and Cinnaminson, compiled by Mrs. E. M. Ritschard, chairman of the organization, indicates the great volume of community service that is rendered each year by this splendid association.

Mrs. Ritschard's report follows: "During the year from October 1, 1937, to October 1, 1938, the Visiting Nurses made a total of 4,576 visits. These visits represented care of expectant mothers, obstetrical nursing, care of new babies and infants, prevention of disease, investigation of tuberculosis, communicable and non-communicable disease and bed side nursing of all types.

"Last fall, the American Red Cross appointed Miss Bean as the new field supervisor for the State of New Jersey. This contact with the state supervisor helps to keep abreast of the National Red Cross standards. Miss Bean made periodic visits and assisted our nurses in an advisory capacity whenever needed.

"In February, a County Health Council was formed to act as a clearing house for all organizations interested in public health and welfare. Each organization is to have a representative on this council. In this way ideas may be exchanged and duplication of work avoided.

"Last spring, Mrs. A. C. Giberson died after a prolonged illness. Mrs. Giberson had served on the Visiting (continued on page 10)

Form Health Council

## Rotary Leader To Visit Here

"Safari on Wheels" a motion picture of a trip through darkest Africa by an intrepid explorer and his wife, was the interesting program at the last Palmyra-Riverton Rotary meeting. Nathan Lane, Jr., vice president, presided again in the absence of Clifton P. Mayfield, president, who is still on his vacation.

Next week's speaker will be Rev. Thomas V. Wingate, district governor, who will make the annual visitation to the club. Before the session he will confer with the board of directors at 5 o'clock, in the Cinnaminson Bank building, on the progress of local Rotary.

11,000 Miles

Mr. and Mrs. Lawrence Thaw headed an expedition which drove three automobiles, a station-wagon and two light trucks, over 11,000 miles, from Algiers to Nairobi, often encountering terrible conditions, particularly during the rainy season. The venture was backed by the Standard Oil Company of New Jersey, whose products were used throughout the journey, although but little advertising marks the picture.

Native hunters, pigmies, and an elephant hunt were outstanding features of the entertainment, which led more than one Rotarian to feel the vicarious thrill of

## MANY PLAN TO ATTEND AFFAIR

Young Republicans Dine-Dance At Medford Lakes Lodge On November 8

Considerable interest is being shown in the pre-election dinner-dance to be held by the Burlington County Unit of Young Republicans, and a large crowd is expected to be on hand when the party gets underway on Saturday night of next week at the Log Cabin Lodge, Medford Lakes.

Tickets are reported to be selling rapidly, and Republicans from all parts of the county are planning to attend the affair, which will be the final big party rally prior to the general election on November 8.

John S. Conroy, 3d, Edgewater Park, has accepted the invitation to be the toastmaster.

U. S. Senate candidates W. Warren Barbour and Congressman D. Lane Powers, candidate for reelection, will head the list of speakers, while other state and county candidates will be heard from briefly.

A surprise The name of the principal speaker is being withheld, it having been decided to bring him as a surprise to the people attending the dinner. He is well-known throughout the state, and the committee guarantees that his part of the program will be pleasing to all.

The arrangements for the dinner-dance are being made under the general leadership of Fred C. Norcross, Jr., chairman of the Young Republicans.

Some tickets are still available among Young Republicans throughout the county, and it is suggested that reservations be made early.

**CHICKEN SUPPER**  
The annual chicken supper of the Cinnaminson P.T.A. will be held on Wednesday, November 16, between the hours of 5 and 8 p.m., in the school.

Tickets for adults are 65 cents, while children's tickets are priced at 50 cents.

## GRADUATE WORK BY FACULTY MEMBERS

The splendid work-spirit which pervades Cinnaminson Public School this year is being substantially stimulated by the large number of extension courses being taken by various members of the faculty.

Mrs. Mildred Magowan, supervising principal, is taking two courses at Rutgers University: "Principles and Practices of Curriculum Development" and "Physiological and Sociological Trends in Education."

Mrs. Alice Thomason, Mrs. Evelyn Kolster and Mrs. Sarah Clark are taking "Curriculum Development" at the University of Pennsylvania.

Mrs. Elizabeth Parker is studying at Rutgers: "Philosophy of Education" and "Fundamentals of English."

Miss Margaret Platt is taking an extension course, at Glassboro—"Europe Since 1914."

Mrs. Eleanor Young, of School No. 4, is studying "Supervision of Instruction," at Pennsylvania.

### ENGAGED

Dr. and Mrs. Francis Henry Tomlin, of Haddonfield, announce the engagement of their daughter, Miss Florence Sutton Tomlin, to Joseph C. Tyler, son of Mr. and Mrs. Joseph Beck Tyler, of Riverton.

No date has been set for the wedding.

### THINGS TO WATCH FOR

Return of the hair-net, this time in gay colors such as orchid, red, pink and Copenhagen blue to match the new fall dresses. . . . New vitamin, K, major use of which will be to aid blood coagulation after surgical operations. . . . Novel device for autos making it possible to lock the entire hood of the motor by turning a key on the dashboard. . . . "Free finger" glove with zipper fasteners on the thumb and forefinger which free these fingers without removing the glove. . . . Stirring device for chilling drinks without dilution of your favorite mix. . . . Higher shoe prices.

## Another Crash On Route 25

Route 25, near Taylor's Lane was the scene of an accident on Tuesday at 6:45 p.m., when Lovell Grims, of 22 Whitaker street, Riverside, ran his car into the rear of a tractor-trailer owned by the Interstate Magazine Hauling Corporation, 791 East 139th street, Bronx, New York.

The truck was driven by Gustav Lenhn, 1804 State street, Bridgeport, Connecticut. Riding with Lenhn was his helper, John Nolan, 759 East 138th street, Bronx.

Grims was taken to the Zurburg Memorial Hospital by Mrs. Powe, of Morrisville, N. J., while Alfred Kendall, who was riding with Grims, was taken by Frederick Voges, of Burlington. Both were committed.

They suffered lacerations of the scalp and hands and possible concussions of the brain.

## PREFERRED NUMBER COMBINATIONS OUT

For the benefit of the thousands of car owners who have contacted the Department and the various license agents for preferred, or the same license numbers that they now hold, Motor Vehicle Commissioner Arthur W. Magee again advises that the expiration date for 1938 registrations has been extended, by legislative act, to March 31, 1939.

Except in rare instances, license agents will be unable to comply with the requests for preferred number combinations next year by reason of the change in the system of number registration plates. The 1939 plate will also be smaller than the present tags.

The highest number combination that will appear on the new plates will be "999," while the county designation of two letters will be on the left hand side. These plates will not be available for distribution until February 1, instead of November 1, as heretofore.

Designations  
County designations under the new system will be as follows:

Atlantic—AA to AM.  
Burlington—AO to AZ.  
Bergen—BA to BE; RA to RE.  
Camden—CA to CE.  
Essex—EA to EY; FA to FE;  
JA to JE.

Hudson—HA to HE; IA to IE.  
Gloucester—ZA to ZJ.  
Cumberland—ZK to ZU.  
Cape May—ZV to ZE.  
Mercer—LA to LU.  
Ocean—LV to LZ.  
Middlesex—KA to KZ.  
Monmouth—MA to MZ.  
Passaic—PA to PE; YA to YF.  
Salem—SA to SE.  
Somerset—SK to ST.  
Sussex—SV to SZ.  
Union—UA to UZ; NA to NL.  
Warren—WA to WF.  
Hunterdon—WT to WZ.  
Morris—VA to VP.

## ABOUT THE COUNTY

The return of prohibition was predicted at the 64th annual convention of the New Jersey W.C.T.U. held last week, at Mt. Holly.

Albert B. Waters, assistant treasurer and trust officer of the Farmers' Trust Company, of Mt. Holly, was elected secretary of the Burlington County Bankers' Association at a meeting of that organization held last week.

According to a recent announcement, the approval of the cross-Jersey ship canal is likely to be secured next month, when the Atlantic Deepwater Waterways Commission meets with the U. S. Board of Rivers and Harbors.

## VISITS AMERICAN LA FRANCE PLANT

(continued from page 1)

over a period of eight hours. The equipment is then completely overhauled and given other tests, both before and after installation in the truck.

Body work is also done with a great degree of exactness, all parts being electrically welded and fitted by hand.

The finishing department was particularly impressive, Mr. Strohle said. Here, each body is given two coats of surface primer and six coats of color, all being rubbed down. Prior to this, the bare metal surface is washed four times and given an initial coat of oil priming.

A final coat of finish and a real polishing job completes the operation. Paints employed are given a thorough exposure test before being used on a production basis.

### Ladders

The same degree of efficiency prevails in the ladder department, Mr. Strohle observed. All the ladders are made from four to six years in age, being inspected and tested in the laboratory before being used. Numerous inspections follow during the course of construction and all pieces with the slightest defect are rejected.

Other features worthy of note were that even the smallest parts used in truck construction were made at the plant in order to conform with the high quality that is maintained.

Steel is heated and load tested before being used and all gears go through a special hardening process.

### Parts

According to plant officials the American La France Company carries a complete stock of parts for all apparatus made by them during the past 25 years.

While at the factory, Mr. Strohle saw equipment being made for Newark, Highland Falls, Ill., Bradock, Pa., Charlottesville, Va., Elyria, Ohio, and many other places. The equipment for Elyria consisted of three pieces of apparatus while that of Newark was a mammoth 125-foot aerial ladder that reached to the top of a 10 story building.

### New Equipment

Mr. Strohle brought back with him a number of photographs showing types of trucks that were recently built by American La France. These included the Newark ladder, a stream-lined pumper and city service trucks. All showed the tremendous developments that have been made by La France in this type of equipment during recent years.

As a member of the Riverton Fire Company, Mr. Strohle stated that he felt the acquisition of the American La France truck was advisable before he visited the plant, but now that he has seen the facilities, he is more firmly convinced than ever before.

## ACTIVITIES OF "Y" AUXILIARY

The first activity planned by the ladies of the Palmyra-Riverton Y.W.C.A. Auxiliary during the fall season will be a covered dish luncheon on Friday, November 4, in the "Y" building, Palmyra, at 1 o'clock.

Miss Marion Porman, of the Philadelphia Dairy Council will speak on the subject, "The Throne Rooms of the World."

All mothers and friends of the boys are invited to attend.

The annual meeting of the state board will be held November 10 at Passaic. All members are urged to attend. Kindly advise the president of the auxiliary if you will be able to go.

The annual Father and Son Banquet will be held on November 15.

### AT GIBBS SCHOOL

Miss Emily Robertson, the daughter of Mr. and Mrs. Robert Robertson, of 307 Eighth street, Riverton, is attending the Katharine Gibbs School in Boston this winter. She is enrolled as a resident student, and she is taking the first year of the Two Year Course.

Cost of firing the 2,100-pound projectile of 16-inch United States coast defense guns is about \$2,000.

## MEETING COUNTY G.O.P. COMMITTEE

The last meeting of the Burlington County Republican Committee before election will be held in the Mt. Holly court house, on Monday evening, October 31.

Many county officials will be present and Frank Snover, chairman of the county committee is especially desirous that the attendance be large.

The principal speaker of the evening will be Joseph Edgar, of New Brunswick. Mr. Edgar is the assistant prosecutor of Middlesex county and a member of the New Jersey Tax Commission.

## RIVERTON SCHOOL NOTES

### Seventh Grade Club

The seventh grade home room is organized as the "Act to Please Club" with the following code:

1. Be loyal to God and country.
2. Keep the "Golden Rule."
3. Be a cooperative citizen at home, school, and community.
4. Keep mind and body healthy, use proper habits of work and play.
5. Understand and accept responsibilities.
6. Improve your studies in every way.
7. Think well before speaking and acting.
8. Be polite and cheerful.
9. Be sympathetic toward people and animals.
10. "Act to please" on every occasion.

June Rodman Dorothy Baker  
Charles Elwell Betty Blackwell

## WEEKLY GAMES AT SACRED HEART

There was a good attendance at the first of the series of weekly games at the Sacred Heart school hall, on Monday evening. These game parties that prove so popular will continue each Monday night, and, with the donation at but 25 cents, and the splendid type of prizes, a large attendance is expected each week.

Among those who were successful in being awarded prizes were the following:  
Joseph Glutz, kitchen set and casserole; Charles W. Shippe, military set; Blanche Keating, table lamp; Mrs. Massey, blanket; Miss C. O'Connell, clothes hamper; Helen Becker, mantel clock; Leon D. Gray, cutlery set; Hannah Berryman, silverware; Mrs. E. LaPierre, floor lamp; Helen Becker, card table.

A \$2.50 door prize was also awarded.

## PALMYRA WOMAN'S CLUB MEETINGS

The Palmyra Woman's Club will hold a meeting on Monday afternoon, November 7, at 2:30 o'clock, in the club rooms, Society Hall.

Following the business session there will be a demonstration by the Bond Bread Bakers.

On Monday, November 21, at 2:30 p.m., a program of the American Home Department of the club will be presented. The speaker will be Grace Livingston Hill.

## YWCA NOTES

### County Notes

Hallowe'en parties are being arranged by girl reserve clubs in Mansville, Chatsworth, the Beverly junior club and the Springside club.

A matinee dance for high school students will be held in the near future by the senior Girl Reserves of the Allen School, in Burlington.

Miss Katherine Lucchini, county Y.W.C.A. secretary, and Mrs. Charles S. Beckwith, of Pemberton, will attend the Adult Education Conference at Temple University, on Thursday.

Miss Virginia Slim, girl's work secretary, has returned from a round table discussion on community analysis for Girl Reserve secretaries, held recently in New York City.

## COVERED DISH LUNCHEON NOV. 2

The Ladies' Aid Society of Calvary Presbyterian Church will hold a covered dish luncheon on Wednesday, November 2, at 1 p. m. in the church social hall.

This is the annual gold bag luncheon and all members are asked to bring a covered dish and 25 cents. Visitors are also welcome. For reservations call Mrs. Roland Price, Riverton 939-J, or Mrs. Kendall, Riverton 474. Reservations must be made on or before October 30.

One woman is listed among the 600 inhabitants of South Georgia, an island in the South Atlantic Ocean.

## ANNOUNCING

the only COMPLETE ONE-STOP Service Station in Town  
ONE STOP

and

— you're set for  
WINTER DRIVING

BRAKES

LIGHTS

GREASING

WASHING

TUNING

A WEAVER brake tester, the same as used by the State, is installed at our station. You can drive up and test your brakes at any time or we will do it for you without charge. It's the only brake tester of its kind in Palmyra or Riverton. Don't wait for the State examination . . . keep your car safe for your own sake . . . drive in tomorrow.

Installed in our station is the WEAVER HEADLIGHT TESTER, which also is the equipment used by the State in testing headlights. We will check your headlights at any time, day or night, absolutely free. The testing is done on new level concrete mounting which means a highly accurate testing. Your lights, like your brakes, should be tested at regular intervals.

THE RIVERTON ESSO STATION offers the best in greasing service, applied with the best equipment money can buy . . . the hammer-pressure type. Applied on our overhead lift using Esso lubricants, and indoors where the grease will flow and penetrate. A regular "grease job" every 1000 miles will keep your car young and save expensive repair bills.

CAR WASHING done indoors with a high-pressure booster water pump and special nozzle that produces 350 pound pressure. Cars are put on the lift and washed underneath the chassis as well as on the outside. The "underneath" washing keeps dirt and grit from destroying underneath moving parts. It's not a FACE WASH, it's a BATH.

DOES YOUR CAR use too much gas, start hard, knock on hills, stall in traffic? If it does we can quickly analyze the trouble with our laboratory tester and correct its particular ills. In addition to a general repair service, we are in a position to render a complete battery service on these cold mornings soon to come. Call 460 when your car won't start.

## Not Dead Yet

The politicians have been fighting the holding company in the public utility field, and have been denouncing centralized management.

One wonders just how they are going to laugh off the achievements of the telephone system during the recent hurricane that struck the Atlantic seaboard, and resulted in hundreds of deaths and untold millions in property damage.

Nearly 400,000 phones were put out of service by this disaster. The emergency was met by extra repair crews from affiliated telephone companies in other areas. These crews came from as far south as Virginia and from as far west as Illinois and brought with them hundreds of fully equipped trucks. During the days of abnormally high traffic, operating forces were also augmented by operators sent in from other companies.

In previous times of crisis, telephone, gas and electric utilities have restored service in a similar manner. The secret of such great achievements is centralized management of operating units—and centralized management means the holding company, with the finances, the equipment and the engineers necessary for meeting a crisis. If the utility business were broken down into unrelated, local units, it is obvious that disaster would leave them helpless. It might be months before a lone company could restore service. Quick resumption of such services as power and communication is essential in saving lives and property.

The great utilities in all fields, through the holding company plan, have diversified their properties so that disasters in one area cannot disrupt the organization. They are thus ready to meet any conceivable emergency—and lick it. They have set record after record for service and efficiency, in normal as well as abnormal times. These records are the irrefutable answer to the fallacious statements of the politicians who have damned the holding company, for political purposes, and threaten it with the "death sentence."

## Keep Up The Good Work

Pessimists who have doubted that the automobile accident rate can be reduced, have been happily proven wrong this year, for the rate has gone down sharply since 1937.

Apparently the public ear has finally been opened to the teachings of the safety experts. States and communities have carried on more and better prevention campaigns than in the past. The insurance industry has assumed leadership in combatting the highway slaughter and has issued invaluable books to be used in schools, by individuals and by civic authorities. In some areas there has been noticeable improvement in traffic law enforcement, and the arrest and punishment of offenders. Lastly, a start has been made in various states to make accidents impossible by constructing modern highways, without intersections, and with separated lanes that prevent head-on collisions.

We have learned that safe driving is the product of safe thinking. Relatively few drivers are congenitally reckless—and the only cure for this minority is revocation of licenses. Most drivers who cause accidents are simply thoughtless and ignorant. They do not realize the chances they take until a calamity occurs, or the messages of the workers in the accident prevention field reach them and awaken them to their errors.

Now the country must fight all the harder to keep the accident rate down—and to reduce it further. A good start has been made. And the interest and cooperation of everyone is needed if this good record is to be continued.

Traffic deaths so far this year are off 25 per cent, compared to the corresponding period last year. Pedestrians are learning to keep their eyes peeled, their ears cocked and to walk in a crouching position, ready for an instant jump. It's getting harder every day to hit one.—Washington Post.

Man prides himself on his superiority. Then a tornado comes along or a flood looks in the attic window.—Pittsburgh Post-Gazette.

## Church Notices

## CALVARY PRESBYTERIAN

Rev. Charles T. Bates, B.D., Pastor

Next Sunday morning, October 30, Covenant Chapter 108, Order of Eastern Star will worship, in a body, at Calvary Presbyterian Church, at 11 o'clock.

Musical selections: "Virgin's Prayer" by Massenet, "Meditation" by Lemaigre and "Marche Pontificale" by Tombeile. The choir will sing "Fairest Lord Jesus" by Christiansen. The Church School will meet at 9:45 o'clock and offers classes for all ages. The Church school is the only institution the whole object of which is to prepare youth for the Christian way of life and to fit them for useful Christian service. Use it for your children.

The Midweek Service is held each Wednesday evening at eight o'clock and offers a service of inspiration.

On Wednesday, November 2, the Ladies' Aid Society will hold a covered dish luncheon, at 1 p.m., in the social hall. This will be the annual gold bag luncheon. Members are asked to bring a covered dish and 25 cents. Visitors will be welcomed.

The Women's Missionary Society will hold its monthly meeting on Wednesday, November 2, at 3 p.m. The speaker will be Miss Ruth Chester, from Nanking, China. A cordial invitation is extended to ladies of the community to attend.

The Church auditorium of Calvary Church will be open each Wednesday from 10 a.m. until 6 p.m. for any who will enter for prayer. People of the community are invited to come in for prayer as they can.

A sincere invitation is given to all in the community who have no regular church home to enter into the worship and fellowship of Calvary Church.

## CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services Sunday, October 30, 10:00 a.m. Bible school. The increasing interest shown in the school has been very gratifying. This has been indicated by attendance averages which are growing every Sunday.

The school greatly missed Assistant Superintendent William Cooper, Sr., who has been confined to his home due to illness.

The annual meeting and dinner of the Sunday School will be held in the social hall on Tuesday evening, November 1. It is hoped that all officers and teachers will be present with their reports. Kindly notify the secretary, James M. Weart, by this Sunday if you expect to attend the dinner, so that provision may be made for you.

11:15 a.m. Morning worship. The pastor will have as his subject "The Adoniram Judson Fellowship." A report from the Annual New Jersey Baptist Convention being held in Asbury Park this week will also be given by the pastor, who is attending the convention with Mrs. Lockett.

7:45 p.m. B.Y.P.U. The senior and high school groups meet at this hour every Sunday with interesting services and instructive spiritual training.

6:45 p.m. Evening worship. The choir, under the baton of their director, Mr. Claude Barto, will render that well known cantata, "Ruth," by Gaul which is always inspiring. Members of the church are especially urged to be present and bring their friends.

CANTATA "RUTH" BY BAPTIST CHOIR

At 7:45 o'clock this Sunday evening in Central Baptist Church the choir, under the baton of their director, Mr. Claude Barto, will render that well known and greatly cherished cantata, "Ruth," by Gaul. The evening service will be devoted to the rendition to which the public is most cordially invited. Among the soloists taking their respective parts in the cantata will be Mrs. Violet Seither, Elizabeth Wood and Ann McConell, sopranos; Mrs. Sadie Mack and D. Helene Johnson, altos and Mr. Russell Jermon, baritone.

By test, radio receiving conditions were improved when the moon entered the earth's shadow, causing an eclipse.

Human tears are antiseptic. Even when diluted six million times they have been known to destroy microbes found in the air.

## CHRISTIAN SCIENCE CHURCH

"Everlasting Punishment" is the lesson-sermon subject for Sunday, October 30, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "Rejoice not against me, O mine enemy: when I fall, I shall arise: when I sit in darkness, the Lord shall be a light unto me." (Micah 7:8).

Among the lesson-sermon citations is the following from the Bible: "But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof." (Romans 13:14).

The lesson-sermon also includes this passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man's wisdom finds no satisfaction in sin, since God has sentenced sin to suffer." (p. 322).

## EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

How lately have taken your tonic? How often do you take it? Of course, I mean your religious tonic. It comes in the divine worship every Sunday morning, at 11 o'clock and again in the evening, at 7:45—and then, on your table is the great spiritual tonic, the Bible. Pick it up and read it. It will do your heart good. Be sure to mix it with prayer and you will never become spiritually anemic.

The church of the "Great Physician" is at your service. Here is your opportunity to hear about St. John, the man of God in exile on the lonely Rock of Patmos. This is another sermon on the Book of Revelation by the Rev. W. A. Boyd. In addition to the sermon, the choir will sing an anthem "Come, Weary Soul" by J. L. Gilbert. The soloists are to be Doris Hampton and Ellwood Johnson.

The sacrament of Baptism will be administered in this service. Persons who wish to join our church fellowship will have the opportunity during this service.

"Young people's night" this Sunday at 7:45. This will be a great service. The young men's Brass Quartet will play. The senior choir will sing "A Vesper Prayer" by Walter Howe Jones. The soloists are to be Alice Kreder, soprano and William Shryer, baritone. "To Drink or Not to Drink—That's the Question" is the title of the sermon to be delivered by the minister.

"Hosea and Redeeming Love" is the title of the Bible study for the mid-week Church meeting, Wednesday evening, at 8 o'clock.

## SPECIAL MUSICAL SERVICE SUNDAY

First Church of Christ, Scientist Thomas Ave. and Seventh St. Riverton, N. J. Sunday School, 11 a.m. Sunday Services, 8:00 p.m. Reading Room in Church Building Thomas Ave. and Seventh St. Riverton, open Tuesday and Friday, 2:30 to 4:30.

Sunday evening, November 6, is the date scheduled for November's special musical service at Epworth M. E. Church. The program to be presented is particularly fine and represents considerable work on the part of the choir and its leader, Eric Warnick.

The musical numbers to be offered are as follows: "Hear My Prayer"—Mendelssohn, with soprano solo by Alice Kreder, assisted by the full chorus.

"Unfold Ye Portals," Gounod, from "The Redemption" full chorus and trumpets.

"Adagio," from Sonata (Moonlight) Op. 27, No. 2 by Beethoven, with Rachel Lord at the organ and Eric Warnick at the piano.

The members of the trumpet quartet used in "Unfold Ye Portals" are Yvonne Pennington, Louis Pike, John Melroy and William Evald.

Due to the cooperation of Rev. Boyd, the minister, and the choir, the Sunday evening services have been well attended. The increased interest on the part of the laymen is most gratifying and encouraging. Alice Kreder's singing has been received with appreciation and enthusiasm.

Mr. Warnick has announced that two new voices have been added to the choir, Mr. Brooke Tidwell, of Mt. Holly, tenor, and Mr. William Shryer, of Masonville, bass. They will continue as regular members throughout the winter season.

## COMING EVENTS

Thursday, October 27.

Covered dish luncheon, 1 p.m. Cinnaminson P.T.A. at home of Mrs. Ernest Warnick.

Friday, October 28.

School election, Palmyra High School, 7-9 p.m.

Saturday, October 29.

Football, Palmyra athletic field, 2:30 p.m., Palmyra High vs. Merchantville.

Wednesday, November 2.

Covered dish luncheon, Calvary Presbyterian Church social hall, 1 p.m., auspices of Ladies' Aid Society.

Friday, November 4.

Covered dish luncheon, "Y" building, auspices Palmyra-Riverton Women's Auxiliary, 1 p.m. Miss Marion Forman, of the Philadelphia Dairy Council, speaker.

Friday, November 4.

Bazaar, Epworth M. E. Church, Palmyra.

Friday, November 4.

Covered dish luncheon, Y.M.C.A. Auxiliary, "Y" building, Palmyra, 1 p.m.

Saturday, November 5.

Bazaar, Epworth M. E. Church, Palmyra.

## Wesleyan Men's Bible Class

## FOR THE MEN OF THE COMMUNITY

Don't you think looking backward toward the so-called beautiful past is painting To-day with colors that are more or less dark and dismal? You will agree, won't you, that God himself cannot bring back the Past, neither can He bring on the thing called To-morrow until the hour arrives, then To-morrow will be today.

Why not forget the Past, save when recollections of other days make us happier; and what is true of the Past is equally true of the oncoming Future.

Don't we often fall down by trying to look into the Future when we tolerate To-day with the hope of To-morrow.

To-day is the only thing we have in the matter of Time—why not profit by applying ourselves to the duties of To-day not To-morrow. Sunday at 9:50 a.m. Mr. Poinsett will speak on "A Spiritual Paradox," 2 Cor. 4:8-18.

## CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist Thomas Ave. and Seventh St. Riverton, N. J. Sunday School, 11 a.m. Sunday Services, 8:00 p.m. Reading Room in Church Building Thomas Ave. and Seventh St. Riverton, open Tuesday and Friday, 2:30 to 4:30.

## BURLINGTON HAS TOUCHDOWN DRIVE

Palmyra Loses 6-0 in Upset; Red and White Outgains, But Lacks Punch

Burlington had sufficient power for one touchdown drive, last Saturday afternoon, on the local football arena and this proved to be sufficient as the charges of Coach Rundle handed Palmyra a 6-0 reverse in a bitterly fought engagement before several thousand fans.

Outgained 10-8 in the matter of first downs and possessing an offense built strictly around an offensive thrust and two backs, Brown and Makuka, the Blue and White pushed over the deciding tally late in the second quarter. The ponderous line of the opposition also played a prominent part in the march, which was also featured by Burlington's only successful aerial.

## Start Strong

As usual, Palmyra started off with a rush. After an exchange of punts, Burlington again kicked to the local 30, where Marshall made the oval back to the 40. McDermott made it a first down at mid-field and a pass, Marshall to Stickle, was good for 25 yards. A line play picked up a few more and another aerial intended for McDermott was ruled good on an interference charge.

This made it another first down on Burlington's 15. Two threats at the line failed to gain, but Marshall dropped back and tossed a short pass to O'Neill, who was snared five yards from the payoff station for another first down. Two running plays failed to gain and an offside penalty against the local gave Burlington a slight respite, but this was picked up, and a few more added, as a lateral from Mento to Marshall almost resulted in a touchdown.

With last down coming up, another pass was attempted, but Burlington was equal to the occasion and the heave was null and void.

## This Did It

Things quieted down considerably until the closing minutes of the half, when the Blue and White offense began to function with considerable efficiency. The drive started from Palmyra's 40, with Brown picking 10 yards on the first play. A pass, Coates to Brown, brought the ball to the local 15 and Makuka crashed to the local 15 and Makuka crashed.

Brown went through the line for three and Makuka went over on the next play. A pass attempt at conversion was a failure.

The invaders threatened again, within a few minutes, when Dennis paroled a Palmyra pass and completed to the Red and White 15. Three plays nearly resulted in a first down, with the locals being saved possible further embarrassment by the intermission.

## Enemy's Ball

The third session was marked by two assaults by the Rundlemen, but Palmyra by this time, had fathomed the running style of the opposition and each drive was checked before assuming too alarming proportions. The final stanza was all Palmyra's, but Burlington fought grimly and succeeded in protecting the slender lead.

Ripping off four first downs in a row, largely by some fine line busting by Paul McDermott, Palmyra rolled to the Burlington 30 before being checked.

## Two More

Another carried well past midfield

## JOE COX WILL MEET VAGNONNE

Wrestling will be served at its best Thursday night, when the Hanly brothers stage another of those hair-raising bills in the Camden Armory.

In climaxing this great program, the brother pilots of the Camden drillshed are bringing together two of the outstanding bone-breakers of the present era. Dynamite Joe Cox, the 226 pound husky from Mountaintown, Missouri, is slated to oppose Gino Vaggonne, the fiery Italian from Illinois, in the feature scrap down for two out of three falls with a 90 minute time limit.

Cox won acclaim from the 5700 people who attended last week's bill when he mowed down Ernie Dusek for the second time in as many weeks.

## Special Match

A special match will replace the usual semi-windup and it renews the feud between the Garibaldis and the Duseks, for Gino, oldest of his family meets Emil Dusek in a bout to be decided by one fall, with an hour time limit.

The fair will sure fly in this scrap for there never was a time when these pachyderms didn't go the limit. Three other 30 minute frays make up the rest of the bill.

## ON LEHIGH TEAM

Frank Elliott, of Riverton, held one of the end assignments for the Lehigh Junior Varsity when the Engineers tackled the Penn J.V.'s last week, at Taylor Field, Bethlehem.

before bogging down, but there was still time for a third. This was aided materially by a 15 yard penalty, when Burlington interfered after a signal for a free kick.

As a result of this infringement, Palmyra was given the ball at the invader's 20 on a first down. The locals took to the air, with no success whatever and Burlington took possession just before the game ended.

## Injuries Hurt

Coach Dimond's outfit was greatly handicapped by injuries that practically ruined his aerial game. Sacca was hurt early in the fray and Rothbaum, with an injured leg, lacked much of his usual speed.

Gamble did not see action and Marshall was injured on two occasions, but courageously remained in action.

This situation was clearly evidenced by the fact that Palmyra completed only three out of 14 tosses. The opposition tried only four, one of which was successful.

The summary: Palmyra LE Dennis Karn LT Thomas Karn LG Schwed Karitis C Pankiewicz Philie RG Stipick Lelejo RT Kie Kulleson Stickle QB Coates O'Neill RHB Martin P. McDermott LHB Brown P. McDermott FB Makuka

Score by periods—Palmyra 0 0 0 0—Burlington 0 6 0 0—Touchdown—Makuka.

Palmyra Substitutions—Piergrass, Davis, Rothbaum, Liberi, Keen.

Burlington Substitutions—Tyler, G. Schwed.

Officials—Referee, Watson, W. Maryland; umpire, Williams, Delaware; head linesman, Lobley, Penn.

## MERCHANTVILLE TO OPPOSE PALMYRA

Coach Dimond Grooming Team To End Losing Streak; Offense Stressed

With two reverses in a row chalked up against his grid machine, Coach Dimond took strenuous measures this week to bolster up his scoring department, in anticipation for the game with Merchantville on Saturday afternoon of this week.

The affair will be the second in succession to be played on home terrain.

The next opponents of the Red and White took a sound lacing from Audubon last Saturday.

## Review of Situation

Thus far this season Palmyra has shown a fairly good defensive team, even in the reverses, since no opponent has managed to score more than one touchdown against the (continued on page 6)

## Country Club Notes

## Men's League

Lippincott's team lost the first game last week and went into a tie for first honors with the outfit captained by W. L. Hendrickson.

Monday night of this week Wilson's team won the first game.

High Singles: Clark, 203; Hackett, 245; Jacoby, 204; Coe, 204; Anderson, 211; Coward, 210; Hamelman, 201.

High Three: Hackett, 160, 160, 245, total, 565.

The standing as of last week:

W	L
Lippincott	8 1
Hendrickson	8 1
Elliott	6 3
Clark	6 3
Hemphill	5 4
Woods	5 4
Jamison	5 4
Smith	4 5
Bartley	3 6
Bonsall	2 7
Tyler	2 7
Wilson	0 9

## Ladies League

High three over average: Mrs. Schuh, 188.

High Single: Miss Parrish, 192.

W	L
Miss Parrish	8 1
Mrs. Graff	5 4
Mrs. Gausler	4 5
Mrs. R. Lippincott	4 5
Mrs. Story	3 6
Mrs. E. Lippincott	3 6

## Inter-Club Leagues

Riverton Green meets Germantown Cricket Club on the local alleys, this (Thursday) evening.

Miss Alice Parrish is vice president of the Women's Interclub League. The local team bowls Overbrook at home on November 4.

## Bowling Party

There will be a mixed bowling party at the club on Friday evening of this week at 7:30 o'clock.

Women's Golf Championship

Mrs. Richard Lippincott was medalist in the championship qualifying round played recently with a card of 95.

Mrs. Lippincott also won the championship by defeating Mrs. Hendricks in the final round of the tournament.

## OPPONENT'S SCORES

Collingswood, 26; Bridgeton, 6. Gloucester, 13; Pittman, 0. Wilson, 19; Haddonfield, 6. Riverside, 18; P.S.D., 0. Woodbury, 13; Haddon Heights, 0. Audubon, 25; Merchantville, 7. South River, 55; Union, 6. Pennsgrove, 0; Swedes

## PHILATELIC NEWSBITS

By S. E. Griffith

### First Day Sales

The first day sale of the 14 cent Franklin Pierce stamp amounted to \$17,433.44. There were 49,819 covers cancelled. The sale of the 15 cent James Buchanan stamp totaled \$16,308.45, with 52,209 covers cancelled.

The postmaster at Washington introduced a new plan this time by announcing the number of first day covers bearing blocks of four stamps.

This report shows that 2,538 covers bore blocks of the 14 cent stamp and 4,120 covers bore blocks of the 15 cent stamp.

### New 18-Cent Stamp

The new 18 cent stamp, bearing a portrait of Ulysses S. Grant, will be issued on November 3rd, at Washington, D. C. The portrait was designed from a statue of Grant, by Franklin Simmons, which is located in the rotunda of the Capitol at Washington. This stamp will be printed in a red brown color.

### Merchantville Stamp Show

The stamp exhibition being sponsored by the Merchantville Stamp Club will be one of the big shows of the year. Six other clubs will have material on exhibition. The exhibition will be held at Grace Church Parish House, in Merchantville, on November 18 and 19.

A banquet will be held at 6 p.m. on the first night with tickets obtainable from the Merchantville Stamp Club. The judges for this exhibition are: Elmer C. Pratt, stamp editor of the Camden Courier-Post; Russell Fowler, president of the Association of South Jersey Stamp Clubs, and your columnist.

I was interested in seeing the types of the 5 cent airmail envelope on exhibition at the Haddon Heights Stamp Show last Friday evening. The two types are considerably different and are worth looking for. Type "A" shows an outline drawing of an airplane. Type "B" has a line of color between the rudder and the fuselage with shading on the underside of the wing. The difference is readily seen without the aid of a magnifying glass.

It is rumored that a new 6 cent airmail stamp may be issued in the near future to replace the now current bicolored stamp. The reason has been given that a bicolored stamp is too expensive to produce. Another reason for its unpopularity with the post office department is that a bi-color stamp must be printed by flat plate presses which are comparatively slow considering the speed with which the rotary presses could turn out a single color stamp.

### Haliburton Expedition

Richard Haliburton is going to sail a 65 foot Foochow Trader Junk from Hong Kong to Treasure Island, in San Francisco Bay. He expects to start in January and arrive at San Francisco shortly after the World's Fair opens there in March. Mr. Haliburton will hardly make history with this adventure but he does expect a great many stamp collectors to finance his scheme. He will carry covers over 9000 miles of ocean for the price of \$1.00 each and to keep occupied during the trip will autograph them.

I do not subscribe to this type of cover and never recommend them, but many collectors will, for years to come, finance this type of adventure.

### Printing Commemorative

A movement has been under way for some time to induce the post office department, to issue a stamp commemorating the 300th anniversary of the establishment of the first printing press in what is now the United States, by Stephen Daye.

Printing is the third largest industry of the United States. It was invented about the middle of the 15th century, at the time Erasmus was preaching the policy of public education. The plan of Erasmus would have fallen by the wayside if it had not been for printing, "the Art preservative of all other arts," to furnish educational material to the masses. This industry truly called "The Mother of Progress" should be honored by this country.

August Dietz has submitted a design to the post office department,

## MERCHANTVILLE TO OPPOSE PALMYRA

(continued from page 5)

Dimondmen. On two occasions, i. e. the Collingswood and Burlington game this proved to be sufficient for the enemy to annex the decision. The Haddon Heights fracas was lost by one point.

On the other hand, while holding the opposition to low scores, Palmyra has failed to do much goal crossing, acquiring only three touchdowns in five tilts.

### Outgain Opponents

The Red and White managed to outgain both Burlington and Haddon Heights, but the offense failed to function in high gear when a few yards meant a score. This was particularly evident last Saturday.

Realizing this situation, the local mentor has spent much time during the week toward developing a drive that will roll along without developing engine trouble at crucial moments.

Local fans feel that if Dimond succeeds in his efforts, the Red and White should go places during the remaining games on the schedule.

Whether or not the large squad of invalids will be ready for action this week is problematical at the present time.

## YOUR GARDEN

### WHAT TO DO THIS WEEK

By A. C. McLean  
Extension Service, N. J. College of Agriculture

### Dig Dahlias

Now is the time to think about digging dahlias. Although it is advisable to get them out of the ground before it starts to freeze and before the weather becomes too wet and cool, they should be left in the ground at least 10 days, if possible, after frost has killed the tops. This gives the roots a chance to ripen, that is, to stabilize starches and sugar after the plants have stopped taking in much water. The tubers seem to keep better if they can have this so-called ripening period after the frost has killed the tops.

After digging, dry the surface somewhat, but take care that the tubers are not too dry; the commonest trouble in keeping dahlias over winter is in drying out, rather than in decay. Store them in a cool, rather damp cellar, if possible. Pile the clumps with the stems down to let the excess water drain out of the stems. If the tubers are piled with the stems up, rot will sometimes start at the base of the stems. This is where the buds for next year's blooms are located, and there is no use saving the roots if the buds are gone.

### Rules for Storing

Another good way to keep dahlias is to coat them well with wax. This method is particularly effective if they cannot be stored in a cool, damp cellar. They may either be dipped in melted paraffin or treated with one of the new cold waxes used with vegetables. This will protect them from drying out over winter. Be sure that the stems are well coated.

Still another good plan is to pack the tubers in dry sand, ashes, or dried peat moss, taking care that they do not dry out too much. They should not be stored where it is too warm, as even if the material is dry the roots will sometimes start to grow.

Be sure that all labels are tight on the roots, for the roots will shrink somewhat in storage and the labels will easily come off next spring. It is advisable to wire them tightly around one of the roots below the stem.

It is not wise to attempt to divide the clumps until next spring, after which honors several American printers. I suggest that this stamp should not only honor the 300th anniversary of the Stephen Daye press, at Cambridge, in 1638, but also the 500th anniversary of the invention of printing by John Gutenberg in 1438, at Mainz, Germany.

San Marino is the oldest existing republic. It has had ten centuries of uninterrupted existence.

## REPUBLICAN RALLIES

Burlington county Republicans are snapping into a line of activity that will keep everybody mindful of the general election on November 8. The announcement of meetings and rallies comes from the County Committee headquarters opened in Mount Holly this week.

On October 27 there will be a rally in the Burlington High School with Burlington Republicans participating in the arrangements.

The last big rally under the present schedule will be held at the Moorestown Community House on November 3 and that is expected to be a very large time.

## "JITTERBUG" CONTEST

All those who "savvy live" and like to see what the "jitterbugs" do when the "cats" get "whacky" and "schmalts" it is urged to attend Merchantville's Annual Halloween Parade. The usual costume parade which has been enjoyed by spectators and contestants alike for a good many years will have a competitor this year in the form of a jitterbug contest. Advance interest taken in this affair indicates it will be just as popular with the "alligators" as it will be entertaining to the "ickies."

The affair will be held at the corner of Centre street and Park avenue, Merchantville, on Monday night, October 31, and is sponsored by the Merchantville Business Association. There will be cash for both the costume parade and the "jitterbug" contest.

Not all species of mosquitoes attack man. Some attack birds only, and many species do not suck blood.

the buds have started. Pieces of broken root are of no value, so do not store them.

The ideal place to keep dahlias is a cellar where apples and potatoes are stored, but if such a place is not available, they may be put in the coolest end of an ordinary house cellar provided they are packed carefully.

the buds have started. Pieces of broken root are of no value, so do not store them.

the buds have started. Pieces of broken root are of no value, so do not store them.

## INTRODUCES CANDIDATES

Mrs. Mervil E. Haas, of Riverton, introduced the Democratic candidates for election at the Candidates' dinner given last week, in Burlington, under the auspices of the Burlington City Women's Democratic Club.

Over 125 persons attended the affair.

The Antilles, as the West Indies were called on maps showing an extension 1,000 miles west of the Azores, were listed long before Columbus set out on his famous voyage. The name Antilles is a corruption of Antilla, or Antigla, a mythical land shown on ancient charts to the north of the present West Indies.

Oysters and clams contain 200 times as much iodine as beefsteak.

## YOU DON'T NEED CASH TO BUILD OR REMODEL

We will be glad to talk over your building problem and explain our plan of financing without obligation to you.

## CALVIN STOW

BUILDING CONTRACTOR  
RIVERTON, N. J.

Plans for the Palmyra High School Alumni Day are rapidly being brought to a conclusion. It is expected that a large crowd will attend the gala affair, which is being inaugurated this year for the first time, on Saturday, November 5th.

A tentative schedule of events includes: Registration in the early afternoon; witnessing the gridiron clash between Palmyra and Moorestown; class reunions at the high school in the evening, a tour of the improved building, general meeting, followed by a dance to be given in the high school gym.

The price of admission to alumni is 40 cents which includes all activities. Students are invited to attend the dance and the price has been set at 40 cents a couple, 25 cents each.

The Palmyra High School Alumni Association urges all of the former students of P.H.S. to return and take part in the scheduled festivities. Officers feel it will be a grand opportunity to renew old acquaintances and meet new friends.

SAFETY ISLAND CONTRACT  
Acting as the agent for the Federal Government, State Highway Commissioner E. Donald Sterner recently obtained low bids giving a saving of \$46,993 under estimated costs on four projects.

Francis A. Canuso & Son of Philadelphia at \$225,998 were low for the installation of a centre safety island and widening to a dual highway on three and three-tenths miles of Route 25, between the Camden Airport and Union School House Road in Pennsauken Township, the cost to be divided between the State and the Federal Government.

## POWERS ASSURES SPEED LINE AID

Advices Palmyra Council That He Will Aid Riverfront Town Inclusion

Congressman D. Lane Powers' offer of aid in the battle for a high speed line connecting New Jersey points with Philadelphia via the Camden Bridge, has been welcomed by Congressman Charles A. Wolverton, of Camden, originator of the present efforts.

On request of the Palmyra Borough Council, Powers recently contacted Wolverton, offering his aid in attempts to obtain PWA allocation for construction of the line. Powers asserted he was interested in seeing that the line extended throughout the Burlington county riverfront towns.

### Of Great Benefit

The proposed line, it was pointed out, will affect savings in transportation for riverfront commuters to Philadelphia, and would also affect great saving in time. Powers has assured Palmyra Borough Council of his desire to further the plans for the PWA allocation.

In a letter to Powers, Wolverton declared: "Replying to your recent communication expressing interest on behalf of the contemplated extension of the high speed line from Philadelphia to portions of Burlington and Mercer counties, would say that I have communicated with a representative of the South Jersey Transit Commission and find that the subject matter of your request is being given consideration."

### May Get Approval

"I can well understand the advantages to be gained. The report of the engineers to the commission with respect to the matter indicated that such is a subject for future development owing to the fact that there would not be sufficient use under present conditions to justify the expense. It was indicated, however, that this situation might improve in the near future to such an extent as to justify favorable action with regard to the matter."

"I assure you of my desire to cooperate with you in every way that may be within my power."

## LARGE PROGRAM FOR ALUMNI DAY

Plans for the Palmyra High School Alumni Day are rapidly being brought to a conclusion. It is expected that a large crowd will attend the gala affair, which is being inaugurated this year for the first time, on Saturday, November 5th.

A tentative schedule of events includes: Registration in the early afternoon; witnessing the gridiron clash between Palmyra and Moorestown; class reunions at the high school in the evening, a tour of the improved building, general meeting, followed by a dance to be given in the high school gym.

The price of admission to alumni is 40 cents which includes all activities. Students are invited to attend the dance and the price has been set at 40 cents a couple, 25 cents each.

The Palmyra High School Alumni Association urges all of the former students of P.H.S. to return and take part in the scheduled festivities. Officers feel it will be a grand opportunity to renew old acquaintances and meet new friends.

## DESTRUCTIVE ISMS

Opposition to the many destructive isms that are growing in this country have been meeting with resistance of force in several instances of late.

While no right-minded person can give countenance to force in settling such things any more than any other vicious methods, yet it is no wonder that the people are taking it in hand for the government seems to do nothing more than appoint committees and then pigeonhole their reports.

Those persons who are espousing the cause of these un-American movements, that lead inevitably to destruction of our form of government, should be forced into the open and be judged by the people on the true merits of their basic sentiments.

Much of this anti-American stuff is said to originate in some of the leading colleges and other institutions of learning in the land, but that should be no protection in any way from forcing them to come squarely out in the open and be judged.

For several years the most violent isms that threaten this nation have been taking advantage of the leniency of the kindly laws of this nation to carry forward their destructive work. It is every way in keeping with justice—even if the methods be rather rough—to crush out these poisonous and deadly nests of sedition to this nation. When the people are fully informed, and when they become full aroused these destructive isms that are not, in fact, entitled to the protection of the government they are constantly seeking to destroy, will be handled in a manner to really administer justice without any molly-coddle actions.

## WORKS FOR GROWERS

On October 10, Richard J. Hughes, Democratic Congressional nominee sent the following telegram to United States Senator William H. Smathers, in Atlantic City, and to Hon. William H. J. Ely, the Democratic candidate for United States Senator, at his headquarters, in Newark:

"Crops of tomato growers and other produce farmers in several New Jersey counties have suffered from disastrous and unprecedented weather conditions. Apparently no immediate assistance available under existing appropriations. As candidate for Congress from Fourth Congressional District comprising Burlington and Mercer counties which were seriously affected I am as matter of duty concerned with the unfortunate plight of these farmers. Will you join me in the next session of Congress to see that funds are made available for their relief. Please wire answer immediately. Best wishes.

(Signed) Richard J. Hughes." Senator Smathers assured cooperation.

Shakespeare's father was a wool merchant.

Mrs. John Reinhard, of Vine street, is reported improving nicely, after an operation at the Zurbrugg Memorial Hospital.

Donald Powell, a student at Washington College, Chestertown, Md., visited his parents, Mr. and Mrs. Elvin I. Powell, on Sunday.

Mr. and Mrs. Albert Smith, of Broad street, were over night visitors of Mr. Smith's parents, Mr. and Mrs. Albert Smith, Sr., of Stonehurst, Pa., on Thursday.

Evelyn Makin, five year old daughter of Mr. and Mrs. John Makin, of Vine street, was taken to the Zurbrugg Memorial Hospital on Saturday for observation.

The Girl Scout Mothers Association, of Troop 1, will hold a Halloween party on Tuesday evening, November 8, at the home of Mrs. J. Kerrigan, 18 East Charles street. All mothers are urged to be present.

Mr. and Mrs. F. Luby, of Philadelphia, are receiving congratulations on the birth of a son, at the Abington Hospital. Mrs. Luby was formerly Miss Margaret Messenger, of Palmyra.

Frederick M. Rodgers Post No. 156, American Legion, will hold its regular meeting on Tuesday evening, November 1. All members are requested to attend.

## RIVERTON

Dr. and Mrs. T. Bruce Dickson, of Main street, are receiving congratulations on the birth of a son, T. Bruce Dickson, Jr., on Friday, October 21, at Lankenau Hospital, Philadelphia.

The Cinnaminson Branch of the Zurbrugg Memorial Hospital Auxiliary, will hold their regular meeting at the home of Mrs. James Davidson, of 1101 Garfield avenue, on Tuesday, November 1, at 2 p. m.

Mrs. Leonard Candy, of Zeisner avenue, was the winner in the Sacred Heart Miscellaneous Club for October 19. A new club will start in two or three weeks. Get in touch with the captains if you desire to join.

Mrs. Annie Cole, of Riverton, is spending the week in Washington, D. C., visiting friends.

The members of the Cinnaminson Branch of the Zurbrugg Memorial Hospital Auxiliary, wish to thank all those who helped to make their card party a success.

The Sacred Heart P.T.A. will hold a Halloween party on Monday afternoon in the school hall, for the children of the school.

## NEW ERA

## BUSINESS

## NOTES

Follow the business news at home—It pays big dividends

The Palmyra 5c and 10c Store, operated by James E. Wolfe, is offering an attractive assortment of Halloween accessories including special candies, popcorn, peanuts, masks, bon bon, table covers, bridge sets, etc., at special Halloween prices. Consult their advertisement for items and prices.

L. L. Keating has a big special on Peppodent antiseptic. See his ad for price.

The Spinning Wheel Gift Shop is suggesting that you place your Christmas Card orders early. They offer a new and attractive stock of individual designs.

## ASKS CONFERENCE

New Jersey Branch of the Women's International League for Peace and Freedom.

With an expression of sympathy for the suffering of the Czechoslovakian people and a declaration of solidarity with them, the N. J. Branch of the Women's International League for Peace and Freedom today wrote to President Roosevelt and Secretary of State Hull, urging the calling of an international conference toward the end that the Czechoslovakian sacrifice shall not have been wholly in vain.

This action was taken by unanimous vote of the State Board of Directors at a meeting held Friday in Moorestown. The proposed conference is to deal with economic, political and disarmament problems and the most important point stressed is that it is to be a new kind of world conference, organized on a thoroughly democratic basis with representatives of labor unions, farm organizations, cooperatives and business as well as of governments participating on equal terms.

Representatives from all parts of the state were present during the all-day session presided over by Mrs. Hiram Elfenbein, of Jersey City, State President.

Keen interest was shown also in the answers to the peace questionnaires circulated by the league to all congressional candidates in the coming election. Tabulated results, compiled by Mrs. Robert Foester, of Princeton, State Congressional Chairman, will be in every member's hands before election day.

The afternoon session was addressed by Mildred Scott Olmstead, National Organization Secretary, who recently attended a meeting of the International Executive Board at Geneva, Switzerland, and by Esther Holmes Jones of the Friends' General Conference.

On the League State Board from this vicinity are: Miss Helen Lippincott, Mrs. J. Lawrence Lippincott, Mrs. James E. Roberts, Mrs. Ralph Clayberger, of Merchantville.

Koerner's Bakery offers a big layer cake special for Saturday—see their ad in this issue.

The Philadelphia Market House has a special low price on Popeye Food (spinach). See their ad in this issue.

The Riverton Esso Station, the only "one stop" service station in town has an interesting message to motorists contained in a half page ad in this issue.

## YOUNG PEOPLE'S

## EPWORTH LEAGUE

This Sunday, October 30, we invite all young people of high school age to come to our league service.

The best place to be, and the best persons to be with are Christians, so come and be in God's house.

Don't forget our masked social this Friday, October 28, in the league room. Come masked and bring 10 cents with you.

J. Edmund Turnock, President.

The Empire State building in New York has nearly seven miles of elevator shaft.

## 4,576 VISITS ARE MADE BY NURSES

(continued from page 1)

Nurse committee for many years and her interest and cooperation were greatly appreciated. We shall miss her wisdom and valued judgment.

"Throughout the year we carried on an educational program at our meetings. The aim was to educate ourselves as board members and to keep us enlightened on the trends of public health nursing.

### New Clinic

"Perhaps our outstanding achievement of the year was the establishment of a clinic for venereal disease at the Zurburg Memorial Hospital, in Riverside. This clinic takes place every Monday afternoon. It was brought about by the cooperation of the State Department of Health at Trenton, the mayors of the towns, the doctors and interested citizens, the Visiting Nurse Committee and the generous assistance of the hospital. With such widespread publicity on syphilis we feel that this clinic is of vital importance to our community. Transportation of patients has been a problem; all the more we appreciate the help of all those who have persevered in the formation and continuance of this clinic.

### Transportation Corps

"Another phase of our work which continues week after week and year after year is the Volunteer Transportation Corps. These volunteers transport patients from the Nurses Home to the clinics at the Burlington County Hospital at Mt. Holly. Sometimes hours of waiting are necessary before the patients are brought back to their homes. This is indeed a most worthwhile service, one which deserves recognition and gratitude and without which our health program would be greatly curtailed. This past year 252 patients were transported and 131 cars used.

"The nurses benefited greatly by their summer vacations. Miss Cook underwent a tonsil operation the latter part of June and took the month of July in which to recuperate. Miss Blair was away in August, enjoying a trip to England. She returned greatly refreshed by her journey, ready once more to assume the responsibilities of the winter months.

### To Maintain High Service

"Last fall, Mrs. Charles Evans resigned as chairman of the committee. We have missed her splendid leadership, but greatly appreciate the years of inspiration, service and guidance which she gave so faithfully to this organization. Fortunately she has remained as a member of the committee and has continued her active interest in our program. "It is the earnest desire of the members of the committee to maintain a high standard of service in our communities and to seek the interest and cooperation of the citizens in our public health program."

E. M. Ritschard, chairman. The treasurer's twenty-sixth annual report of the association for the year ending October 1, 1938, is as follows:

## CINNAMINSON PUBLIC SCHOOL

Visit Evergreen Farms

Last week the 4th and 5th grades of Cinnaminson Public School visited, on successive days, the beautifully landscaped grounds of the Evergreen Farms estate. Supervised by their grade teachers and personally conducted by Mr. Oliver, resident caretaker on the premises, the boys and girls were taken on an extended tour of the grounds and shown the rare trees and plants which contribute to the beauty of the farms and make it one of the show places of the vicinity.

The 5th grade is making a special study of tree-types this year, and the courtesy of the Groves family in allowing them to study the numerous rare and beautiful specimens on the Farms' grounds was greatly appreciated.

### Local Trips

Later in the week, the 4th graders under Mrs. Thomson, bent on finding out what makes the wheels of their own community go 'round, visited the Riverton post office and the New Era Publishing offices.

In both places the youngsters were given a cordial and most helpful welcome, and they returned to school full of plans for establishing mailing systems and printing presses of their own.

### At Zoo

On Friday, the Kindergarten and 2nd grade groups visited Philadelphia's famous Baby Zoo. This journey fitted nicely into the social study projects of both groups, as the older ones are studying pets and the tiniest ones are concerned with boats, an interest furthered by a ride home on the Camden Ferry. This trip was made on one of the regular school buses, supervised by two teachers and four members of the school safety patrol.

### VISIT SON AT MANLIUS

Mr. and Mrs. R. M. Hollingshead, Jr., of 105 Midway, Riverton, attended Parents' Weekend at the Manlius School, where their son, Richard M. Hollingshead is a student at the 70 year old military institution. Hundreds of parents and other members of the families of Manlius students from many eastern states were at the school Saturday and Sunday, the annual fall Parents' weekend, Col. Guido F. Verbeck, headmaster, reported.

Truthfulness is the week-day religion of the English people.—Dean Inge.

## PALMYRA SCHOOL NOTES

### Outside District Enrollment

According to figures released by school officials this week, about half of the students enrolled at Palmyra High School come from outside districts.

The classification is as follows: Cinnaminson—seniors, 30; juniors, 21; sophomores, 29; freshmen, 20, total, 100.

Riverton—seniors 32; juniors, 31; sophomores, 20; freshmen, 28, total, 111.

Pennsauken—seniors, 12; juniors, 15; sophomores 23, total, 46.

Delran—seniors, 20; juniors, 22; sophomores, 23; freshmen, 19, total, 84.

Delanco—seniors 16; juniors, 17; sophomores, 24; freshmen, 24, total, 68.

At the assembly on November 1, the Moorestown High School players will give one of their productions. This exchange of plays between the two schools is an annual affair.

The school library contains 42 current publications, ranging from dailies to weeklies and monthly magazines.

All advertisements, with certain exceptions, in the daily newspapers and magazines of Lima, Peru, are subject to an ad valorem tax of 10 per cent under a law recently enacted.

Wednesday, November 23, 10:00 a.m.—Elementary French, Mrs. Marshall. 11:15 a.m.—Advanced French.

Tuesday, November 29, 10 a.m.—Executive board meeting.

Wednesday, November 30, 9 to 12 o'clock—Painting, Mrs. Boyer.

## COOKIE SALE TO AID GIRL SCOUTS

The Girl Scout Cookie Sale opened in Palmyra on Friday, October 21, and will continue for three weeks. These affairs are held all over the country by Girl Scout troops to raise funds.

Girl Scout Cookies are made by the Keebler Baking Company and sell for 25 cents per pound.

Girl Scouts of Troop No. 1 and the Girl Scout Senior Troop of Palmyra are doing the selling. Burlington county does not have a county Girl Scout organization and the Girl Scouts of Palmyra are affiliated with the Camden county division.

The annual cookie sale is the only means of raising funds for the county organization and officials earnestly hope that all the residents of Palmyra and Riverton will assist the Girl Scouts.

Telephone orders will be received at Riverton 280-W, 551-J, and 584.

## DEMOCRATIC CLUB DINNER-DANCE

The eleventh annual candidates' dinner-dance sponsored by the Burlington County Democratic Women's Club will be held in the Riverside Fire House on Saturday evening, October 29, at 7 o'clock.

Speakers will include the various party candidates, Mrs. Mervil E. Haas and George M. Hillman, members of the state committee; Crawford Jamieson, Senator from Mercer county and George Shay, professor of political science at Princeton University.

Tickets for the affair can be obtained locally from Mrs. Haas, Mrs. Lucy Kenny, Miss Elinor Porter, or any member of the Burlington County Democratic Women's Club.

## MANY ATTEND PORCH CLUB COOKING CLASS

A cooking class, which is one of the many sections of the Porch Club this year, held a very interesting meeting Tuesday afternoon, over which Miss Mary Forman, of the Interstate Dairy Council, presided. Miss Forman prepared a complete Swedish meal, which was served to those present. Forty-five members attended the meeting and were given menu cards which also contained some very attractive recipes.

### THANKS

The members of the Parry Volunteer Fire Company wish to express their sincere thanks to all those who so generously made contributions in the recent drive for funds to meet operating expenses.

## AT FOX, RIVERSIDE, FRIDAY AND SATURDAY

## FLOWER SHOW AT CINNAMINSON SCHOOL

Plans have been completed for a Chrysanthemum Show to be held in the auditorium of the Cinnaminson School, on Tuesday, November 1, at 2 p.m.

Mrs. Ivins, 8th grade teacher, is in charge of the arrangements, and acting as judges will be Mrs. Henry Parrish, representing the Riverton Garden Club; Mrs. Robert Snow, the Palmyra Garden Club; and Mrs. Robert Sim, the Cinnaminson P.T.A. The prizes, ten in all, to be awarded by the judges are being furnished by the Parent-Teacher Association.

### APPRECIATION

The Board of Trustees of the Zurburg Memorial Hospital desire to express their deep appreciation to the various ladies' organizations and the many donors who assisted in making Donation Day at the Hospital a splendid success.

The many generous gifts received on that day are of great importance in the hospital budget.

## INSTANTLY KILLED

Harold Holman, 20, of Trenton, was instantly killed upon being struck by an automobile, last Sunday, while the victim was walking on the Lumberton road, near Hainesport. Theodore Ruecki, of Hainesport, was the driver of the car that figured in the accident.

BRIEF ITEMS  
from  
ABOUT TOWN

General Election falls on Tuesday, November 8.

Despite warnings from both Riverton and Palmyra governing bodies, many citizens continue to burn leaves on the streets. They thus contribute materially to the more rapid deterioration of the pavement.

Outdoor appurtenances and miscellaneous objects of a movable nature are being taken indoors to avoid their almost certain removal to parts unknown during the activities of mischief night.

A considerable number of Hal-lowe'en affairs have been planned locally for Saturday evening.

According to an account that appeared in a Camden newspaper this week, Charles Hahn, of Palmyra, is urging that all citizens of that community oppose the construction of a new high school stadium.

The manufacture of artificial ice became general thirty-eight years ago.

## COMMENT

State Highway Commissioner E. Donald Sterner recently stated that Route 25, near the Newark Airport, is sufficient for safe travel by only 14,000 vehicles during a single day. And yet, he remarked, on this stretch of highway over holidays, over 100,000 machines have crowded their way during 24 hours and the normal daily traffic is about 60,000 cars.

This illustrates a typical condition of how New Jersey's roads, excellent as they are, have already become outmoded by the vast amount of traffic that they must accommodate.

One New England community that was hard hit by the hurricane has applied for Federal grant of \$1,010,000 to repair the damage. One million dollars of this sum is to rehabilitate the municipally owned gas and electric plant.

While this is out of commission, current is being purchased from one of the utility corporations in Connecticut, which furnished the juice in the emergency.

Although the city electric plant is owned by the local citizens, as taxpayers, the prevailing rates have never been noted for their lowness as compared with the corresponding charges of utility companies in the state.

The government will, however, probably appropriate a considerable sum as an outright grant thus enabling the community to continue in competition with private enterprise on a most unfair basis.

The pioneers did not invent the sod house. Indians built sod houses before the appearance of the white man.

A push-button type of telephone has been developed. This is an improvement of the dial system in speeding up calls.
