Annual Luncheon Bridge to Be Held at Porch Club by Riverton Group

An executive board meeting of the Riverton Parent-Teacher Association was held at the home of the president, Mrs. Charles H. Yost, on Monday afternoon of this week, at which time plans were completed for the Riverfront District meeting which is to be held in the Riverton School on Monday evening of next week, and the annual luncheon-bridge which is to be held at the Porch Club on Wednesday, April 12th.

The P.T.A. Luncheon Bridge is looked forward to each year by many people. Many invite friends and neighbors who formerly lived in Riverton, and have since moved away, to come back for this affair, and renew friendships.

Tickets

Tickets may be procured from any room mother or member of the executive board. The luncheon will be 45 cents, and a charge of 25 cents per person will be made for those remaining for bridge. An attractive prize will be provided for each table.

The profits from this luncheon-bridge are to be used for the general fund, which is badly in need of money at this time. So far this year, hundreds of bottles of milk have been given to under-privileged children, and the P.T.A. is anxious to continue this good work.

Those who are unable to attend the luncheon, but would like to come for cards, are urged to do so, while others, would not find it convenient to play cards have an equally cordial invitation to the luncheon.

County Council To Meet Here

The Riverfront District of the Burlington County Council of Parents and Teachers, has completed its arrangements to hold its regular meeting in Riverton School Auditorium next Monday evening, April 10, at 8 o'clock.

Mr. Arthur MacDonald, passenger agent of the Philadelphia & Western Railway Co., Schuylkill Valley Lines, Inc., will give an illustrated lecture on the wild flowers of Pennsylvania. These pictures will be shown in technicolor, and they have won widespread praise wherever they have been shown. Mrs. C. V. Devery will entertain with piano selections. All members of the P.T.A. and their friends are most cordially invited to attend the meeting.

—Publicity.

DEBATERS IN ACTION

The Palmyra High School Debate Club sent its two teams, affirmative and negative, to Trenton State Teachers' College on March 25, to participate in the preliminaries held there by the New Jersey Forensic League of Secondary Schools.

The members of the affirmative team were Martha Bradway and Ethel Philie and the members of the negative team were Frances Leyshon and Thomas Braddock.

The teams debated the question, resolved: That the United States should form an alliance with Great Britain.

Each team debated twice during the day. One team rated "good" each time and one debate received the grade "superior."

BIRTH

Dr. and Mrs. Hayes B. Brady, of Washington avenue, are receiving congratulations on the birth of a daughter, Nancy Lee, on Tuesday, March 28, at the Jewish Hospital, Philadelphia.

Mrs. Brady was formerly Miss Eleanor Bauer, daughter of Dr. and Mrs. H. W. Bauer, of Maple avenue.

MANY MOTORISTS OUT FOR FIRE

The Palmyra Fire Department answered a call for a field fire off S-41, below Broad, early Friday evening and extinguished the blaze in about two minutes.

The sounding of the siren brought out a swarm of motorists and Broad street was lined with cars for nearly its entire length. The machines followed the apparatus in a regular procession, with the last spectator's car getting back to the starting point about half an hour following the return of the trucks.

EBERLY NAMED ROTARY LEADER

David S. Little New Member of Local Organization; Ross Speaker

David S. Little, radio sales executive of RCA and well known all over the country in aviation circles, was inducted into the Palmyra-Riverton Rotary Club by the Reverend George Lockett at the meeting last Thursday. At the same session, the nominating committee of Joseph S. Low, Chairman, Dr. P. C. Hulse and Clement B. Lewis submitted the following names for officers during 1939-40.

Luke K. Eberly, president; George Friday, vice president; Howard Conover, treasurer; Joseph Seel, secretary; Robinet Cole, director; Walter D. Lamon, director.

These men were unanimously elected and will take office July 1st.

Ross Speaks

Bryant Ross of the local club gave a vocational talk on rubber compounds. Mr. Ross, who has been in the rubber business for 10 years, described briefly the process Latex goes through for shipment to this country, and showed specimens of both smoked and sun-dried rubber as it is packed in the 200 pound bales. He also exhibited samples of reclaimed rubber made from old tires, tubes, etc., and synthetic rubber which is used mainly in this country for special processes particularly in those industries which wish to use hoses for carrying oil.

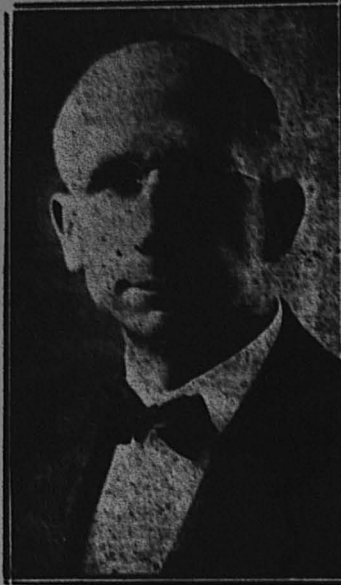

Mr. Ross spoke in some detail about the manufacture of rubber heels, in which process a large amount of rubber is employed. To a given amount of second grade or reclaimed rubber various materials for coloring, vulcanizing, and processing are added plus a large amount of clay which increases the life of a heel. The numerous ingredients are ground into the rubber by large rolls and the product is then placed in molds and finished under hydraulic presses where it remains for 15 minutes under 135 degrees F. There is continual research on rubber said Mr. Ross, and as an example he described the search for a rubber compound which will withstand heat. The original inner tube for instance, has a tensile strength of 4,000 pounds per square inch at normal temperature, but at 200 degrees F., a not unusual temperature for a tire, this drops to 400 pounds per square inch. We now see an increasing number of pneumatic tires on large trucks.

Oil Resistance

Oil resistance is also being worked upon, though in Mr. Ross' judgment, our tires will continually be made of synthetic rubber which is not subject to oil deterioration.

Another interesting development is the shipment of the pure Latex to this country. Ten years ago all rubber was sent in a dried state, but now much Latex is used as a backing for upholstery in automobiles, in rugs and in horse hair coats. A still more recent innovation is the mixing of rubber with Portland cement. Latex is also used for this purpose (continued on page 11)

TO OFFICIATE

J. ALBERT HARKE

Pastor of the Palmyra Moravian Church who will conduct the Easter Sunrise Service at Lakeview Memorial Park for the seventh consecutive year.

MORAVIAN EASTER SUNRISE SERVICE

Will Be Held at Lakeview Memorial Park; Music Starts at 4.30

This beautiful Christian service will again be featured as South Jersey's distinctive all outdoor Easter service. It is timed to begin just before sunrise, from the hillside altar facing east and overlooking the beautiful resting place of the departed.

Music from the Singing Tower will start at 4.30 a.m. At 5.15 the brass ensemble, under the direction of G. W. Perkins of Delanco, will introduce the service with several distinctive chorales of the church. The following players will participate: William Evald, Elwood Griscom, Marcel Haines, Miss Yvonne Pennington, Louis Pike, Charles Aydelotte, William Sprengle, Edmund Turock, Ralph Willis, Kenneth Griscom, Warren Dennis, Robert Milroy, Harry Haines, Albert Harke and George McMahon.

Easter Liturgy

The Delanco Male Chorus, noted for its musical services throughout the community, will be heard in two selections, "Jesus Christ Is Risen Today, Hallelujah" and "Christ Arose." They will sing from the altar with Mr. G. W. Perkins directing.

The traditional Moravian Easter Dawn Liturgy will again be featured interspersed with chorales sung by the congregation on the terrace, and accompanied by the brass ensemble. The pastor, the Rev. Albert J. Harke will conduct the service and give a brief Easter message, "Our Risen Lord." After the benediction chorales will again be heard.

Ample parking space is provided, and the whole service will be amplified. The large illuminated cross on top of the Singing Tower will again herald the symbolic Easter tribute of Christian people who believe in the Resurrection, and "Because He Lives Ye Shall Live Also."

EASTER VACATION

The Palmyra Public Schools will close this (Thursday) afternoon for the Easter vacation. Sessions will be resumed on Monday, April 17.

The Riverton Public School will be closed only on Good Friday and Easter Monday. Cinnaminson schools will be closed during the same period as in Palmyra.

SCHOLARSHIPS AT RUTGERS & N.J.C.

The basis for the awarding of 210 state scholarships to New Jersey boys and girls in the class of 1943 at Rutgers University, including the New Jersey College for Women, has been agreed upon by the University with representatives of the New Jersey Legislature and the State Board of Regents, according to a recent announcement by Dr. Fraser Metzger, chairman of the state scholarship committee and dean of men at Rutgers.

Commenting on the scholarships, (continued on page 12)

IMPORTANT DATES AT LOCAL SCHOOL

Board of Education Approves Various Functions in May and June

At the meeting of the Riverton Board of Education held on Monday night of this week, Miss Caroline M. Staman, supervising principle made the following recommendations for dates of various functions to be held during May and June:

Board of Education Dinner, Wednesday, May 10.

Play Day at Memorial Park, Tuesday, May 23.

These dates were approved with the exception of Play Day which was changed to Tuesday, June 3, with Wednesday, June 4, as the rain date. The change was made in anticipation of warmer weather at the later time.

Miss Staman's Report

Other excerpts from Miss Staman's report follow:

Attendance at dental clinics during the month was fifty. Twenty-seven children have been examined by the school physician, 19 of whom were excluded.

The annual school exhibit held in connection with the P.T.A. meeting March 20 won praise from the visitors. Some pictures have been taken of first grade and kindergarten activities that one of the publishing companies wishes to use. Copies of the new issue of the Riverton School Observer are here for board members.

The entire faculty attended sessions of Schoolmen's Week held at the University of Pennsylvania the afternoon of March 23 and found them stimulating.

The school was represented at the Burlington County Council of the American Junior Red Cross held in Mt. Holly and we learned that many of our regular activities are similar to those sponsored by the Red Cross in other districts and lack only the label.

Sixth Grade Trip

"The sixth grade had their trip to the Academy of Natural Sciences, Friday and reported it successful. There has not been time for a detailed report. There is great enthusiasm for these trips and we have arranged one for each grade during the term that will broaden some field of learning for them.

"We have been notified by the county superintendent that he will honor applications for state aid on transportation to the next Clare Tree Major play which will be held in Mt. Holly April 24. Parents have driven cars to Delanco for these plays for several years, only once in bad weather were the children obliged to pay their own transportation. I should like to use school transportation this time. (This was approved after a lengthy discussion).

LIBRARY TO BE CLOSED ALL DAY GOOD FRIDAY

The Riverton Public Library will be closed all day on Good Friday, April 7.

BUDGET ATTACKED BY WALTER LAMON

Former Freeholder Appears at Hearing Tuesday; Revision Adopted

At the hearing on the revised budget of Burlington county for the current year that was held in Mt. Holly on Tuesday afternoon of this week, Walter D. Lamon, former member and director of the board assailed the original and revised documents as being incorrect in several particulars.

The original budget was returned from the local government commissioner's office with nine items questioned by Mr. Darby. These included alleged incorrect statements of miscellaneous revenue anticipated, appropriations understated, amount to be raised by taxation understated and others.

Asks About Surplus

Mr. Lamon particularly inquired about \$100,000 which he stated should be in the surplus account. Director Palmer L. Adams said there was no surplus from 1938 as a result of overexpenditures. He claimed a \$40,000 deficit existed.

After the hearing, the revised budget was approved and will be sent to Mr. Darby. If this fails to win his commendation, another attempt will be made by the board.

The revision, among other things, asks that certain anticipated revenues be allowed in excess of last year on the grounds that there is a "reasonable expectation" of the larger sum being received.

County Council Health Project

Letters of appeal will be sent out this week from the Health Project Committee of the Burlington County Council of the Parent-Teacher Association, outlining the need for baby incubators and resuscitators in Zurburg and Burlington County Hospitals. Private individuals as well as all civic, social, religious and fraternal organizations will be circulated. For while the campaign is launched under the sponsorship of the County Council of the P.T.A., the project is one which enlists the interest of the entire community.

Contributions have already begun to come in and you are urged, either as an individual or through some organization of which you are a member, to cooperate as generously as possible in this worth while project.

Checks should be made payable to Burlington County Council P.T.A. and sent to Mrs. Winfield Crossley, of Moorestown.

RIVERTON School Notes

Mr. Frederick Blair, of Riverton, came on Friday, March 31st, to play the violin for the Music Appreciation Club. He was introduced by Dorothy Jane Baker. Mrs. Conroy accompanied him on the piano.

Cello Numbers

1. Sarabande, Handel.
2. Gavotte, Gabriel-Maria.
3. Reverie de Soir, Saint Saens.
4. Cradle Song, Brahms.

These selections were very well played, the comments were interesting and everyone listening enjoyed them immensely. You could tell it took lots of practice to reach the high standard of Mr. Blair's playing.—Dorothy Jane Baker.

Sixth Grade Social Studies Group Visits Academy Natural Sciences

On Friday, March 31st, our class accompanied by Mrs. Bush and Mrs. Williams spent a most profitable and enjoyable afternoon at the Academy of Natural Sciences. We went especially to see an exhibit, hear a lecture accompanied by picture slides and a museum trip about Early Man.

A very obliging guide described the beginning of animals on the earth by pretending there was a tree, the lower branches were the first species of life or animals. Then up until there was the first man known as the Java Man. He was apikie for he was covered with hair but did not have the power of speech. He was the first mammal to walk erect. The next stage of man was the Neanderthal Man who had human being-apikie characteristics and made stone tools. Our real ancestor was the Cro-Magnon Man or "thinking man" who was the first to speak.

We next made a tour of the museum and saw many things pertaining to early man's formation and habitation. Other exhibits included animals in their natural homes. These animals are not stuffed but were done in plaster of paris and were done in stretched over these forms. The scenes were inclosed with glass and looked very realistic. The mineral exhibit proved both interesting and valuable. The bird exhibit was attractive particularly those of Pennsylvania and New Jersey.

After spending over two hours at the museum, we returned home all feeling we had learned a great many new and interesting facts.—Edith Harris.

ASSEMBLIES AT PALMYRA HIGH

Mr. Joseph W. Wyks, executive assistant for the division of the Public Service corporation, spoke to the juniors and seniors of Palmyra high school, at a special assembly, on Tuesday, March 28, at 2:00 o'clock. Mr. Wyks spoke on the right of the individual to think and speak freely on citizenship. The title of his address was: "Thinking Citizenship, the First Line of Defense."

Thursday morning, March 30, the senior, junior, and sophomore commercial students of P.H. S. were addressed by Charles E. Metzgar, head of the secretarial division and intramural work at Temple University.

Guidance

Mr. Metzgar's topic was "Personality Guidance." He pointed out that in a group of young people who were recently dismissed from their jobs in a nearby city 65 per cent were discharged because of poor attitudes. Another survey revealed that from a large group of successful people 85 per cent were outstanding in personality, cooperation, courage, growth in mind, honesty, and effort are necessary qualities. The speaker himself was a fine example of a forceful personality and encouraged the school to give as much guidance as possible to this phase of the individual's life.

The program was sponsored by the Commercial Club the officers of which are: George Mack, president; Arthur Gowell, vice president; Betty Mullen, secretary; and Virginia Murray, treasurer. Teachers advising the club are Meyer Millman, George M. Dure, and Lawrence E. Bretsch.

GIRLS' TENNIS SLATE FOR YEAR

The Girls Athletic Association is just finishing its mid-winter program of activities which included badminton, table tennis and tennis. Double elimination tournaments have been conducted in both badminton and table tennis. The matches have been close, and great interest has been shown, especially by the freshmen girls. The finals have yet to be completed.

The spring program will begin this week with softball on Tuesday and Friday. Instruction in tennis will be given Monday and Wednesday, while Tuesday, Thursday and Friday will be devoted to practice.

The girls' tennis team is entered in the West Jersey High School Girls Tennis League and plans to have six matches starting May 3rd. The schedule is as follows:

May 3—Palmyra vs. Collingswood at Palmyra.

May 10—Palmyra vs. Woodbury at Palmyra.

May 17—Palmyra vs. Vineland at Palmyra.

May 22—Palmyra vs. Paulsboro at Paulsboro.

May 24—Palmyra vs. Haddonfield at Haddonfield.

May 31—Palmyra vs. Bridgeton at Bridgeton.

The G. A. A. plans to send 12 girls to Moorestown Community House for a swimming play day on Tuesday, April 25. A tennis play day has been planned with Moorestown high school for May 16.

FRESHLY DUG AND PROPERLY BALLED to your order!

YWCA NOTES

Meeting Here

The executive committee of the Young Women's Council of the Burlington County Y.W.C.A. will meet Wednesday, April 5, at the home of Mrs. Elwood Wurster, of Riverton, to plan for the April meeting.

The purpose of the council is to bring together young women of differing experiences and backgrounds on a basis of friendship and mutual understanding. Its program includes the discussion of current public affairs and the sponsoring of inter-club activities, such as the outing being planned for May 6 at Camp Ockanickon. Young Women's clubs of the Burlington County Y.W.C.A. are members of the council. These clubs and their presidents are as follows: Willingboro, Mrs. Earle Severs; Mt. Holly, Miss Veronica Berry; Moorestown, Miss Ruth Jenkins; and Florence, Miss Marguerite Lucas.

Serving on the executive committee of the council are: president, Mrs. Elwood Wurster, of Riverton; housewife; secretary, Miss Marian Killian, of Mt. Holly; secretary; members-at-large, Miss Ruth Jenkins, of Moorestown; teacher, and Miss Fannie Legnoli, of Florence, factory worker; representative of county board of directors, Mrs. Richard Rhoads, of Moorestown; housewife; staff adviser, Miss Katherine

Lucchini, general secretary, Burlington County Y.W.C.A.

County Activities Mrs. John Thacher, of Moorestown, Miss Margaret Lippincott, of Jobstown, and Miss Virginia Slim, girls' work secretary of the county Y.W.C.A. will attend a luncheon Wednesday at the headquarters of the National Board of the Y.W.C.A. will attend a luncheon Wednesday at the headquarters of the National Board of the Y.W.C.A. in New York City. There will be a discussion on the topic, "Adolescents, a project of the Commission on Secondary School Curriculum of the Progressive Education Association.

A club of Mt. Holly High School girls, of which Marie Bethel is president, has voted to affiliate with the Mt. Holly Y.W.C.A. The club meets each Thursday night and has as its adviser Miss Virginia Slim, girls' work secretary of the county Y.W.C.A.

FRESHLY DUG evergreens and shrubs ARE SAFER, MORE ECONOMICAL!

When you buy at a New Jersey Nursery, you have a chance to observe the evergreens and shrubs growing in the ground, not perched (maybe perched) in a wagon or a store. You know that the evergreens and shrubs are thriving under the same conditions that hold true in your garden or yard! You know that your purchases will be freshly dug, and properly balled—insurance against "growing losses."

When you take a chance on "By-by" night" dealings, you may save a few pennies but you fail to get assurance of vigorous, healthy stock from nurseries that are under inspection of The New Jersey Department of Agriculture. Take the gamble out of nursery-buying; deal with your local nurseryman.

Buy from your community nurseryman displaying this emblem. He guarantees your complete satisfaction with his nursery-grown stock and planting service.

Music Festival Planned For May

The second annual Music Festival is to be given on Monday evening, May 1 and Tuesday, May 2, by the Festival Chorus of Burlington county, in the Epworth M. E. Church, Palmyra.

The program is to be repeated the second evening, May 2, by special request, so that everyone will be able to enjoy the excellent music.

Eric Warnick, the director, has chosen 42 voices to sing with the soloists who are Alice Kreder, soprano; Elizabeth Lippincott, contralto; Beatrice Collins, contralto; and Edward N. Hoyt, tenor.

Assisting Mr. Warnick in directing the group is Spencer Atkinson. Mrs. Rachel Lord is the organist and Lee Mitten will be at the piano. A chamber orchestra will provide additional music.

The Festival Choral Group has been organized in the county expressly for the advancement of fine choral music.

LOCAL DEALER GOES TO DETROIT

A. Di Paola of A. D. P. Motors, Inc., Riverton, has returned from an interesting trip to Detroit where he participated in an all-time record delivery of Dodge trucks.

A party comprising 350 Dodge truck men from points in Pennsylvania, New Jersey, Maryland, Virginia, Delaware and District of Columbia arrived in Detroit Monday morning and spent the day in visits to the new mammoth Dodge truck plant and to the Dodge and Plymouth passenger car factories. A total of 117 dealers participated personally in the mass delivery; the remainder of the visitors were dealers' salesmen and other personnel acting as drivers of the many trucks involved in the simultaneous delivery.

The actual truck driveway took place the second day of the visit. Because of its impressive, streamlined appearance, the new truck driven by Mr. Paola drew much attention and prompted numerous questions en route.

"In Detroit the Dodge plants are busier than they have been for some time," Mr. Paola reports. "This applies also to the production of trucks, for which there is a steadily increasing demand."

"To the person who has not seen an automobile factory in recent years, a visit to the Dodge factories is a liberal education," said Paola. "Nowhere in the industry, we were told, has manufacturing efficiency reached so high a place as at Dodge."

The public is cordially invited to attend the affair.

OLD AGE ASSISTANCE Old age assistance was given to 1,333 Burlington county residents who received \$18,791 during February, according to reports announced this week. The reports were sent to the various county directors, from the pension office at Trenton.

The average monthly assistance to Burlington county pensioners was \$16.59, the figures show. Only three other New Jersey counties averaged less amounts; Cumberland paying \$16.21; Salem, \$16.50, and Sussex, \$16.42. The highest monthly average was paid in Morris county, with \$21.64.

Enjoy the coming spring weather... get out in the country in one of our reconditioned cars and fill your lungs with clean, fresh air!

You owe it to your wife and kiddies to take them out to the wide open spaces after a winter indoors. Call and inspect our selection. Terms will be arranged to suit your budget, and every car carries a full, thirty-day guarantee.

We have several good cars that can be purchased on \$10 down and \$2.50 per week. No finance charges.

ALL MAKES - ALL MODELS

RIVERTON

Miss Frances Downs, of East Riverton, was last week's winner in the Miscellaneous Club of the Sacred Heart P.-T.A.

Dr. and Mrs. J. G. Bickerton and Miss Charlotte Bickerton, of 200 Park avenue, were among those recently registered at the Chalfonte-Haddon Hall, Atlantic City.

Mr. R. M. Hollingshead, Jr., and son, R. M. Hollingshead, III, and Edward Collins Paulsen, of Riverton, sailed last Saturday for Bermuda.

J. C. Shivers, a student at Duke University, is spending the Easter holidays with his parents, Mr. and Mrs. J. C. Shivers, of Riverton.

Easter programs in the local churches will be found on pages 7 and 10 of this issue of The New Era.

A large number of members of the Delran Yacht Club enjoyed the bridge party held in the club house last Saturday evening.

PALMYRA

Shulman's new merchandise Club is now forming. First drawing will be held Friday, April 14.

Florence Hensler, Olla Bacon and Elizabeth Grassie, attended the confirmation at the Berlin Lutheran Church last Sunday.

Miss Helen Huyett, of Spring Garden street, returned home recently after an extended vacation in Florida.

Easter programs in the local churches will be found on pages 7 and 10 of this issue of The New Era.

Municipal Topics

Motor Vehicle Administration

New Jersey has nearly 980,000 registered motor vehicles and close to 1,200,000 licensed drivers. Their regulation is vested with the State Motor Vehicle Department. It is a task that involves much more than registration and licensing. The work of the department includes safety inspection and education, accident prevention, recording of bills of sale and insurance, highway patrolling and a continuing war against the reckless and careless driver. Registration and licensing are handled by 140 agencies throughout the State, located to serve the greatest convenience. The same offices record bills of sale and evidence of ownership. Demands of the ownership law frequently bring complaints of "too much red tape." Critics overlook the insurance it provides against car thefts, which have been greatly reduced in New Jersey since the system was inaugurated.

Financial Responsibility

The Financial Responsibility Division is another branch of broad scope and, perhaps, the least understood of the department's ramifications. Every operator of a motor vehicle convicted of reckless driving, leaving the scene of an accident, or driving while intoxicated, is subject to the provisions of the Financial Responsibility Act. In cases where the license of the offender is not revoked, a certificate of future responsibility becomes a condition to continued driving. The certificate is usually in the form of insurance covering public liability and property damage. Failure to comply with the requirement

New Spring Jewelry
SPINNING WHEEL
GIFT SHOP
PALMYRA

is followed by revocation of the vehicle registration and driver's license. Persons against whom judgments in excess of \$100 are returned as a result of automobile accidents likewise are subject to the law. In such instances, after satisfaction of the judgment, a certificate of responsibility for three years is required.

Records of Accidents

Records are kept of all drivers involved in accidents or violations of the motor vehicle and traffic laws. Three offenses result in a notice of license revocation on which the driver may ask for a hearing before final action. Last year more than 1,400 hearings were held.

The department has a force of 106 inspectors, 35 of whom are detailed in three shifts to a twenty-four hour patrol of heavily traveled highways. Since the patrol was established, accidents on the routes have shown a marked decrease. Other inspectors pass upon the qualifications of new drivers. A total of 112,359 applicants was examined in 1938.

Safety inspection of vehicles, a function recently added, is another factor contributing to accident reduction. The death toll last year was 865, compared with 1,278 in 1937, while the number of crashes dropped nearly 5,000 and 3,900 fewer persons were injured.

Safety education is conducted by pamphlets, posters and bulletins. Speakers are supplied for interested organizations and with the cooperation of the State Department of Education, courses in driving are taught in many high schools.

"The most serious situation facing the department today is that of the pedestrian accident," declares Deputy Commissioner William J. Deardon. "We have made reduction of this class of mishap the prime matter of consideration for 1939. It is our conviction there is a grave misunderstanding between pedestrian and automobile driver. The pedestrian surely does not want to be killed and the driver surely does not want to kill him, but neither is aware, or particularly interested, in the other's problem."

OBITUARIES

OLIVER S. JOHNSON

Oliver S. Johnson, 60, of 312 Penn street, died on Saturday, April 1.

Funeral services were held on Tuesday evening from the Penn street Church, under the direction of Frank A. Snover.

The remains were shipped to Smyrna, Delaware, on Wednesday for interment.

The deceased is survived by his wife, Lillie.

CHARLES DAVIS

Charles Davis, of 515 Sixth street, died on April 1.

Interment will be made today (Thursday) in the Wrightsville Cemetery under the direction of Frank A. Snover.

JOHN McANALEN

John McAnallen, 76, of 33 Pear

street, died on Saturday, April 1. Funeral services were held on Wednesday at 8 a.m. from the Snover Funeral Home, with High Requiem Mass at the Church of the Sacred Heart at 9 o'clock.

Interment was made in Holy Sepulchre Cemetery, Philadelphia. The deceased is survived by a daughter, Mrs. William A. Haws, with whom he made his home.

MRS. MARGARET BARLOW

Mrs. Margaret Barlow, of 8363 River Road, Delair, died suddenly on Friday, March 31.

Funeral services were held on Tuesday at 2 p.m. from her late residence, with interment in Arlington Cemetery, under the direction of Frank A. Snover.

The deceased is survived by her husband, Ernest and one daughter, Mrs. Catherine Christy; two brothers, Louis and William Doerr, of Camden, and three sisters, Mrs. Anna Wilson, of Camden, Mrs. Catherine Bryson, of Palmyra, and Mrs. Elizabeth Jordan Lippincott, of Delair.

MISS CHARLOTTE MARTER

Miss Charlotte Marter, of East Riverton, died on Thursday, March 30.

Funeral services were held on Monday at 2 p.m. from the Snover Funeral Home, with interment in Morgan Cemetery.

The deceased is survived by a brother, Morton Marter.

"There is one partnership," said Hi Ho, the sage of Chinatown, "that is dangerous to dissolve. Money and brains should never try to work independently."

Bruni, a wrestling bear, recently visited Middlesex (England) hospital to see his master, Jimmy Chipperfield, who was a patient.

WM. NEVILLE & ASSOCIATES, Inc.
12 South 12th Street, Philadelphia, Pa.Pedestrian Accident Facts
IN NEW JERSEY

Too many people who walked on foot without being alert to traffic conditions, or observing regulations, met tragedy during the year 1938. Approximately 49% of all the traffic fatalities, numbering 425, were pedestrians. In addition, 6,069 pedestrians were injured, some so seriously that they may yet die as a result, while others will be crippled for life.

Nineteen per cent of the year's total accidents involved collisions with pedestrians but they caused 49% of total traffic deaths and 24% of total traffic non-fatal injuries. In other words, every other person killed and every fourth person injured was a pedestrian.

Every day in the year there was an average of 17 pedestrian accidents, one death and 16 non-fatal injuries.

One out of every 15 pedestrian accidents resulted fatally, while in other types of traffic accidents, the ratio was one death in every 62 accidents.

About two-thirds of the victims in fatal pedestrian accidents committed some unsafe practice or violation that contributed to their accidents.

Because they know from experience how irksome bad pedestrian habits can be to a driver, very few operators were included among the pedestrian fatalities. Only one in every 14 pedestrians of eligible age who were killed was a licensed driver.

Three-fourths of the fatal and 45% of the non-fatal pedestrian accidents occurred during dark hours.

The greatest stride in pedestrian safety was made among children of school age. Although there were 69 children under 15 years of age killed by automobiles during the year, this was one-third less than in the previous year.

Elderly people (65 years and over), due to infirmities of age and attendant slower reaction to emergency, were high on the list of traffic victims. Ninety-six deaths were in this age group, ten of which occurred in the daytime and 86 at night.

Alcohol was a leading factor in pedestrian casualties. One-fifth (85) of the total pedestrian deaths were persons under the influence of alcohol and only two of these accidents occurred in daylight.

The most dangerous hour of the day from a pedestrian standpoint was 7 to 8 p.m. More walkers were killed and injured during this hour than during any other hour of the day. The next most dangerous hour was 5 to 6 p.m.

Saturday, when streets are thronged with shoppers and theatre-goers, was the most hazardous day of the week. Sunday ranked a close second for pedestrian deaths but was low for the week in injuries.

The majority of pedestrian accidents (92%) occurred on county and municipal streets and highways, although nearly one-third of the pedestrian fatalities were on State highway routes.

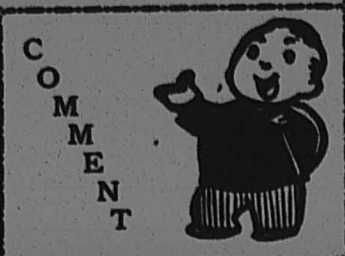

Most pedestrian accidents occurred between street intersections. These constituted 59% of the total. The number of fatal pedestrian accidents occurring in the middle of the block or on the open highway was even higher, being computed at 74% of the total.

More pedestrians were killed while crossing the street between intersections (jay walking) than from any other action. The actual casualties were 152 killed and 1,737 injured. Eighty-four per cent of these fatal accidents happened at night.

Second in importance of pedestrian actions was crossing at unsignalized or uncontrolled intersections. Deaths numbered 66 and injuries 1,392. Eighty-three of these fatal accidents and 53% of the non-fatal accidents occurred during darkness.

Stepping from behind parked vehicles was an outstanding faulty action of pedestrians that caused many accidents—a total of 1,277 accidents that resulted in 72 deaths and 1,205 persons injured. Slightly more than one-half of this number were killed during darkness, while two-thirds of the injury accidents took place in daylight.

Playing in the street ranked fourth with 19 deaths and 821 injured, most of them children.

Hitler has been the kingpin in so many triumphal entries of late that the Nazi leader and his supporting cast must have the routine rather well in hand by this time. Rather hard on Adolph, though, he no sooner gets back from one trip than he has to start on another. Many hope that he gets travel weary.

The Federal Trade Commission has banned another huge "lottery." This time it is a dairy company in Harrisburg. It seems that the latest offender was selling a fudge and every now and then a free one was awarded to the person who held the "lucky" stick, said stick bearing the word "free." No more free fudgies says the trade commission. Perhaps the boys and girls were squandering all their money on the confections in the hope of getting one for nothing.

The Boston Humane Society is said to be up in arms over the goldfish swallowing craze. While not going on the record in favor of this fad in institutions of higher learning, it is to be wondered whether the goldfish suffer any worse fate than the humble sardine when it is being herded into a can.

A Future Delicacy?

It's as silent as a daisy's opening.
It's as durable as an oak tree.
It's as modern as this spring day.

Gas refrigeration by Electrolux is different. It has the advantages common to all gas appliances—repair-free, low operating cost, and long life. In addition, the Electrolux gas refrigerator offers the householder controlled food preservation and such refinements as adjustable shelves, finger-tip ice cube release, and stain-resisting Newton finish.

The Electrolux to meet your needs is on display at our nearest showroom. Come and see it. Prices are low, and liberal deferred payment plans are available.

Church Notices

BETHANY EVANGELICAL
LUTHERAN CHURCH
Rev. Oliver W. Powers, Pastor

Easter is the climax of the church year, as the Resurrection it commemorates in the innermost center of the Christian's life and hope. It is the feast of feasts, the king of days. The contrast with the long sorrowful season of Lent adds to this greatly. Joy fills the hearts of all Christians on this day, and from earliest times men and women have greeted each other with the salutation "Christ Is Risen; He Is Risen Indeed."

At the sunrise service, 6.30, the pastor, the Rev. Oliver W. Powers, will preach on the subject "Victory." The choir, under the direction of Mr. Lee Mitton, will sing "To the Place Came Mary Weeping," by Baines. At the chief service, 11 a.m., Communion will be administered, and Mr. Powers' sermon topic will be "The Risen Lord Appears." The choir will sing the anthem, "Hail To The King," by Mendelssohn-Bartoldy. In the evening at 7.30 the Sunday School will present the Easter pageant "Easter Praises."

Holy Week services began Tuesday at 8.00 p.m. Last night the beautiful cantata "Olivet to Calvary" was sung by the choir, augmented by singers from the community. Tonight the Sacrament of Holy Communion will be administered. There will be a brief communion address. Good Friday the service will be solemn; the pastor will preach on the "Seventh Word from the Cross."

CHRISTIAN SCIENCE CHURCH

"Are Sin, Disease and Death Real?" is the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, April 9.

The Golden Text is: "I am the Lord that healeth thee." (Exodus 15:26)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool." (Isaiah 1:18)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Sin should become unreal to every one. It is in itself inconsistent, a divided kingdom. Its supposed realism has no divine authority, and I rejoice in the apprehension of this grand verity. To prove scientifically the error or unreality of sin, you must first see the claim of sin, and then destroy it" (pp. 354, 461).

RIVERTON
SCHOOL
NOTES

The Safety Patrol of Riverton Public School took a trip to Philadelphia recently.

Mrs. Rodman, Mrs. Haberern, and Mr. Callaghan kindly used their cars to convey the patrol on their trip.

The outing started at Station WCAU where the pupils listened and participated in the program "The Man on the Farm." The patrol was taken through several studios and the sound effects room, the latter proving very interesting. After an appetizer at a nearby drugstore the group went to the movies to see "The Flying Irishman" starring Douglas (wrong way) Corrigan. Everyone had an enjoyable time.

The first car rolled away from Riverton School about 11.00 a.m. and returned late in the afternoon.

—Laura Yerkes.

McHUGH SUIT DISMISSED

Judge Frank A. Hendrickson, in the District Court, has dismissed the suit of John F. McHugh, of Burlington, against the county for arrears claimed to be due him for salary as sergeant-at-arms of the District Court. McHugh has been receiving \$900 per year, but claimed the law entitles him to \$1,500. McHugh's case is now listed in the Common Pleas court for the April term.

GET RID OF RHEUMATISM

Pains Ease Off the First Day

If you suffer from torturing rheumatic pains, stiff joints and sore muscles, it is because your system is full of the dangerous acid poisons that cause rheumatism. What you need is Laubert's New Rheum Tablets and Capsules. These marvelous medicines will quickly relieve the most acute rheumatic pains. They act on the blood, liver and stomach and drive out the dangerous poisons which cause the trouble. You must use an internal medicine to get rid of the cause of crippling stiffness, soreness and torturing pains that are caused by rheumatism. With Laubert's New Rheum Tablets and Capsules there is no long, agonizing wait for relief. Pains ease off the first day and almost like magic your muscles and joints limber up and aching disappears. Price, 60c and \$1.20 per package at most druggists or mailed direct from laboratory. A regular 60c package mailed FREE (taxes only) to any sufferer for 10c to cover mailing expenses.

A. G. Laubert, P.D., Coatesville, Pa.

Washing
the Walls

Brought the Telephone
Repairman

WATER had dripped down on the telephone wires... and short-circuited the line to the central office. A sudden rainstorm beating through an open window could have done the same thing.

In the central office, switchboard lamps and special signals reported the trouble promptly and tests were started to find its location.

Many highly accurate devices are used today to discover and correct any faults in the system behind your telephone.

Delicate electric meters at test centers locate trouble almost to the foot on telephone lines even miles away... gas pressure in a toll cable will drop, sounding an alarm at the central office, when a cable break occurs... and frequent check-up of circuits detects most faults before they can affect service.

You can depend upon your telephone to enable you to talk with almost anyone, anywhere, any time—easily, clearly, cheaply.

CALL 18 miles for 15c; 42 miles for 35c; any time in New Jersey (station-to-station rates). After 7 at night and all of Sunday, reduced rates apply on calls of over 50 miles.

NEW JERSEY BELL TELEPHONE COMPANY

ABOUT THE COUNTY

Ten people have been killed in Burlington County since the first of the year in motor vehicle accidents.

Judge Frank A. Hendrickson began his second five-year term as Common Pleas Judge of Burlington county last week.

Bequests totalling \$100,000 are shown in the will of Miss Lydia A. Brown, Burlington city librarian, who died recently.

The annual Y.M.C.A. finance campaign in Mt. Holly opened last week.

A public sale of its remaining assets, consisting of real estate, bills receivable, and other items of the delunct Mount Holly National Bank, will be held at 34 Washington street, Mount Holly, on Wednesday, April 19, at two o'clock, according to a recent announcement made yesterday by Spencer L. Haines, receiver.

NO MORE YEAR BOOKS

"Yes, we have no more Year Books, we have no more Year Books, today."

That is the refrain heard in the office of Congressman D. Lane Powers. The Congressman, who borrowed 200 extra copies of the 1938 Agricultural Year Books after his own allotment of 400 was exhausted by requests from his district, said today he is forced to tell all future applicants that not only is he out of the books, but he doesn't know where to get any more.

"However," the Congressman continued, "We've 1935 and 1937 books—a few of them—and loads of Agricultural Bulletins, which I'll be glad to send any who write me at Washington."

"If you wish to be happy for an hour, get intoxicated. If you wish to be happy for three days, get married. If you wish to be happy for eight days, kill your pig and eat it. But if you wish to be happy forever, be out of the books, but he doesn't become a gardener."—Chinese.

The Use of the Home

More and more people have turned to the use of the Snover Funeral Home in recent years. It offers so many advantages that few use their own homes today.

The use of the Snover Funeral Home is extended to everyone—without charge—which is just another one of the many refinements available with the Snover Service.

Record Gain In

World Telephones

Ever since 1904, when only about 4 million telephones were in use throughout the world, the number of telephones has grown on the average by just about one million instruments a year. Some years, notably the decade of the twenties, were marked by a world-wide telephone growth well in excess of a million sets, while the depression years from 1931 to 1933 showed losses. At the beginning of 1937, there were 37,000,000 telephones in service in the world; and during that year this total increased by 2,146,985 telephones, a greater net gain than that recorded in any previous year. Indications are that the world total of telephones will pass the 41 million mark sometime during 1939.

These figures have been compiled through world-wide surveys undertaken each year by the chief statistician of the American Telephone and Telegraph Company and are based upon reports obtained from telephone companies and government departments in every country.

Most in U. S.

At the beginning of 1938, there were slightly more than 2 billion people in the world and 39,245,069 telephones. The United States has only about 1/17th of the World's population, but very nearly one-half of the world's telephones. On January 1, 1938, there was, in fact, a total of 19,853,401 telephones in this country, including some 5,500,000 "dial" operated instruments. The United States has 15.09 telephones for every 100 of the population, or 25 per cent more than the country next best developed from a telephone viewpoint, viz., New Zealand, with 11.97 telephones per 100 population.

Number of Calls

During 1937, over 28 billion local and long distance telephone calls were completed in the United States. This is equal to some 900 messages for each second of each day and night throughout the year, or to more than 220 messages for every man, woman and child in the United States. The average calling rate for the world outside the United States during 1937 amounted to only about 15 messages per capita.

The American public as its disposal telephone facilities far more extensive than those found in any other country. On the average, the American telephone user in each community, whether large or small, can reach a much greater proportion of his fellow citizens by telephone. An extensive network of long distance cables and wires provides him with the world's most rapid and dependable system of inter-communication. By means of overseas circuits he can speak to nearly every country in the civilized world. These facts are evidence of the greater usefulness and value of telephone service in America than elsewhere.

NOTICE

All copy intended for publication in The New Era must be in our hands not later than 12 noon on Wednesday of each week. Material received on Monday and Tuesday will be given preference over that submitted later.

The cooperation of everyone in this respect will be greatly appreciated.

PALMYRA SCHOOL NOTES

Seventh Grade Science Club

Much interest has been aroused in the new seventh grade science forums which have just been started by Earl B. Whitcraft. Palmyra's seventh grade classes are the first to be chartered by the National Science Forum, which is sponsored by The Scott, Foresman & Co. in schools throughout the United States. Already the coveted charter has been received along with pins, which were given to S. F. members to signify their right to participate in the varied affairs of the organization.

Of course the objectives of these groups have been definitely determined. They are: the art of thinking scientifically, the development of leadership through scientific planning, and learning to work and progress with others through scientific thinking. The club's activities and meetings are conducted entirely through student leadership. So far, a splendid attitude has been demonstrated in all phases of the work. They can and like to carry on such activities themselves. The teacher acts as a guide and helper.

Student Officers

7A — President, Charles Bailey; vice president, Carter Henderson; secretary, Betty Robin; reporter, John Cawthorne. 7B — President, Jessie Lippincott; vice president, Fred Bauer; secretary, Richard Carson; reporter, Virginia Miles.

Program

April 6—Both classes will journey to the Palmyra-Riverton Water Co. to study the water supply. Remainder of program to be given later.

Benediction

Organ: "Festival March" Mosenthal

A cordial invitation is extended to all those in the community who

have no regular church home to enter into the worship and fellowship of

Calvary Church.

PALMYRA MORAVIAN CHURCH

Rev. Albert J. Harke, Pastor

We announce the following ser-

VICES for Holy Week and Easter.

Maundy Thursday at 8:00 p.m.

Preparatory service and Holy Com-

munion.

Good Friday at 2:30 p.m. A sol-

emn service of meditation as the

story of the crucifixion is read. This

will be followed by a Holy Com-

munion service.

Easter Sunday, April 9

5:15 a.m.—Sunrise service at Lake-

view Memorial Park (as announced

in another column).

9:30 a.m.—Easter session of the

Sunday School.

10:45 a.m.—Morning service with

Easter liturgy and sermon; "The

Empty Tomb." Altar decorated with

a large display of Easter flowers.

7:30 p.m.—Easter evening service.

Program by the Primary Depart-

ment of the Sunday School, and

choir music.

EPWORTH M. E. CHURCH

Rev. W. A. Boyd, Pastor

Easter Sunday will be a great day

in the Methodist Church. At 11

o'clock the Rev. W. A. Boyd will

preach about "The Everlasting

Hope." The music will be very un-

usual. There will be special num-

bers by the Senior Choir and the

Young People's Fellowship Choir

of thirty-five voices. Mrs. Rachel

Lord will be at the organ assisted

by Yvonne Pennington, trumpet

and George Durgin, Jr., violinist.

Persons who desire to join our

church fellowship will be given the

opportunity during this service.

"The Holy City" by Gaul will be

given by the choir in the evening at

7:45. This is a remarkable cantata

arranged for solo, chorus and or-

chestra. Mrs. Rachel Lord will be at

the console, assisted by the trum-

peters of our church. Mr. Ernest A.

Warnick, the very able and com-

petent director will conduct.

All persons, classes and organiza-

tion placing flower tributes in the

church chancel as memorials should

be sure to have them brought to the

church not later than Saturday af-

ternoon.

The M.Y.P.S. (Methodist Young

People's Society) got off to a good

start last Sunday evening. The first

worship program will be held this

Sunday evening at 6:45 in the junior

room. The speakers will be Mar-

garet Smith, Russell Hammelman

and Lloyd Griscom. The subject

will be "The Resurrection of Jesus

Christ." Tom Assay will direct the

singing, Patience Northrop will be

at the piano and Charles Sayre will

be in charge. All young people over

high school age, in or out of col-

lege, married or single are urged

to come and enjoy this meeting for

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

On Good Friday evening, in the

church, the choir, under their cap-

able director, Mr. Claude Barto, will

render Theodore Dubois' beautiful

Lenten cantata, "The Seven Last

Words of Christ." A brief service

will prelude the rendition, to which

a most cordial invitation is extend-

ed to the public.

Easter Sunday Services

Sunrise Service, 6:30 a.m. Sermon-

ette by the pastor. Double duet,

comprising Mrs. Elsie Hughes, Miss

Jean Seel, sopranos and Miss D.

Helene Johnson and Miss Irma Bar-

to, altos, will render "Hosanna" by

Granier.

Bible School, 10:00 a.m. An Easter

Pageant under the direction of the

Alpha Gamma Class will be present-

ed in the school this Sunday. This

promises to be a very interesting

and illuminating program. All mem-

bers will want to be there if pos-

sible, but don't forget to invite

friends or bring your visitors.

Morning service, 11:15 a.m. Easter

will be celebrated in a very big way

at "Central Baptist." Appropriate

sermon, baptism, fine congrega-

tional singing and specially prepared

music by the choir. The pastor's

subject will be "The Law of Im-

mortality." Stults' "And When the

Sabbath was Past" and Handel's

"Hallelujah Chorus" are the anthems

to be rendered by the choir, direct-

ed by Mr. Claude Barto. Mrs. Elsie

Hughes, soprano, will sing that

world renowned composition by

Knapp, "Open the Gates of the

Temple." Mrs. Elvin I. Powell will

be at the console.

B.Y.P.U., 6:45 p.m. for high school

students or young people of the

high school age. However, this does

not preclude any who desire to meet

with this group.

Evening worship, 7:45 p.m. The

day will be concluded in a most

fitting way by a Baptismal service.

A class of eight will receive this

holy ordinance. This class consists

of Charles R. Weart, Robert E.

Lewis, Richard G. Taylor, Richard

Koenig, Mark Hoepfner, Lillian

Wells, Tommie L. Deholl and June

Beyer. In keeping with the spirit

of the service, the pastor will base

his sermon on "The Resurrection."

"Awake Thou That Sleepest" by

Maker and "In the End of the Sab-

bath" by Spinks, anthems that are

filled with inspiration, will be ren-

dered by the choir.

YOUNG PEOPLE'S EPWORTH LEAGUE

TEST OUR WELCOME

We had a fine service last Sun-

day and invite all young people's

group to attend our special Easter

service at 7:45 p.m.

The theme will be "When I Sur-

vay the Wondrous Cross." The

speaker will be Mrs. W. A. Boyd

and George Durgin will play several

violin selections.

CHOIR TO PRESENT SEVEN LAST WORDS

After months of preparation, the

choir of Central Baptist Church will

render "The Seven Last Words of

Christ" by Dubois on Good Friday

evening in the church at eight

o'clock. This Lenten cantata is one

of some renown and is considered

one of the favorites of the season.

The solo parts will be sung by

Mrs. Violet Seither, Miss Anne Mc-

Connell, sopranos, of Palmyra, and

Mr. Edward Hoyt, tenor, and Mr.

Russell Jermon, bass, of Riverton.

The rendition will be under the

baton of the director of the choir,

Mr. Claude Barto, of Riverton, with

Mrs. Elvin I. Powell, of Palmyra,

at the console.

The public has been extended the

invitation to attend.

M. E. YOUNG PEOPLE'S SOCIETY HOLDS MEETING

The Methodist Young People's

Society will hold its first worship

service on Sunday evening at 6:45

in the Junior room of the Church

School.

The service will be in charge of

Charles Sayre, of Moorestown, a

student minister, who will be aided

by Thomas Assay, song leader, and

Margaret Mount, Russell Hamel-

man and Lloyd Griscom, who will

speak on several phases of The

Resurrection.

All young people over high school

age are invited to join this new

group.

EPWORTH CHOIR PRESENTS GAUL'S "HOLY CITY"

On Sunday evening, April 9, at

7:45 o'clock, the choir of the Ep-

worth M. E. Church, Palmyra, un-

der the direction of Eric Warnick,

will present the cantata, "Holy

City," by Gaul.

The soloists for this cantata are:

Alice Kreder, soprano; Grace Bil-

lard, soprano; Carrie Bates, soprano;

Lydia Strang, contralto; Doris

Hampton, contralto; Brooke Tids-

well, tenor; Elwood Johnson, bass

and William Schryer, bass.

Mrs. Rachel Lord will be at the

organ.

CONSIDER TRIP TO N. Y. FAIR

The Burlington County Republican

Committee, the Young Republican

Unit of Burlington County and the

Burlington County Woman's Repub-

lican Club are considering a joint

expedition to the World's Fair some

time in May and a joint committee

of three members from each or-

ganization met in Mt. Holly on

Monday night of this week to dis-

cuss the affair.

The committee, of which Mrs.

Alma Evans and George N. Wimer

are members, will render a report

on the matter some time next week.

The trip, if made, will probably

be taken in a special train on the

Pennsylvania Railroad. Gloucester

Republican organizations have al-

ready arranged for a similar pilgrim-

age.

COUNTY COUNCIL CONVENED HERE

NEW LIGHTS IN PARRY

Five new street lights were recently installed in a heretofore unlighted section of Parry. The new illumination, which was available for the first time Monday, was greatly appreciated by residents in the vicinity.

10 BROAD STREET
Phone 1212
RIVERTON, N. J.

Y.M.C.A. LEADERS CONVENE HERE

Plans Made for Annual Finance Drive; Mayor Ward Heads Youth Week Group

President E. Newbold Cooper had the April meeting of the Palmyra-Riverton Y.M.C.A. Board at his home on Tuesday evening. Present from Palmyra were Howard B. Conover, Grover F. Fox, Edward W. Fry, Lawrence B. Parker, Charles S. Stickney, Carl H. Thomas, Mayor John F. Ward, and George N. Wimer. The Riverton members in attendance were: President Cooper, Robert G. Adams, Clifton P. Mayfield, Victor Ritschard and Richard M. Woodward.

Maurice Joyce represented Cinnaminson. Secretaries Guy C. Hendry and T. P. Reeder, of the County staff, and Edmund R. Tomb of the Y.M.C.A. Staff also attended.

Groups Here

In his report on the various Y.M.C.A. groups here, Mr. Reeder stated there were eight, one new group having been organized since February board meeting, made up of grade school boys and led by Francis J. Schwartz. The others are: Phalanx, E. Newbold Cooper, leader; Lone Eagle Hi-Y, Robert McCurdy, leader; Gra-Y, James Durham, leader; Gra-Y, Thomas Braddock, leader; Lincoln Hi-Y, Clifford Loane, leader; Twin-City Spartans, Robert McCurdy, leader; Lenni-Lenape Gra-Y, Earl Whitcraft, leader.

Carl H. Thomas, who is general chairman of the finance campaign for securing Y.M.C.A. funds, then outlined his plan of organization for the drive which will be held early in May. He stated that there would be four divisions, each with five teams, made up of a captain and three workers—thus making an organization of 80 men. Division leaders are Charles S. Stickney, John F. Ward, Richard M. Woodward and Howard B. Conover.

Youth Week

Secretary Tomb commented on the Y.M.C.A.'s part in helping to deal with the whole community problem of juvenile delinquency. He also presented findings relating to financing the work of the Y.M.C.A.

Mayor Ward was named chairman of a committee on Youth Week observance, together with Lawrence B. Parker, Charles S. Stickney, Maurice Joyce and Edward Fry.

There are hot springs near the Polar Circle.

PALMYRA WOMAN'S CLUB

On Monday, April 17, the Garden Department of the club will meet at 2:30 o'clock.

Dan McGovern will give an illustrated lecture entitled "Snow Peaks and Flower Meadows in the Canadian Rockies."

JURORS PRAISE WORK OF FURTH

The Burlington County Grand Jury, which closed its business on last week with a report to Judge Frank A. Hendrickson on the county jail conditions, praised Sheriff Furth's administration of the building and made only one recommendation. This was that the "sub-way" cells be abandoned at the earliest possible moment and that "immediate steps be taken to house the inmates of the 'subway' portion

of the county prison in more modern, better ventilated and more sanitary quarters."

Abandonment of the "subway" cells, suggested some time ago by Sheriff F. George Furth and recommended by the Grand Jury, cannot be effected without an addition to the institution, it was declared by the sheriff.

The jurors complimented Sheriff Furth on his administration and upkeep of the prison, mentioning in particular the "delousing" system recently installed, the furnishing of inexpensive uniforms to the prisoners and the efforts he has made to raise the standard of prisoners' living conditions.

Members of the jury committee who recently inspected the jail, are Fred P. Smith, chairman of the Moorestown Township Committee; Harry J. Chant, of Willingboro; John Parker, of Maple Shade; Agnes J. Wright, of Columbus, and Thomas McCann, of Moorestown. John N. Swartz, of Palmyra, was foreman.

ABOUT THE COUNTY

Horse race gambling equipment, including a special radio and private including a special radio and private the race tracks, were seized in an ostensibly private dwelling house at 20 Alden avenue in Rosbling on Tuesday. Authorities intimated that the "layout" was one of the biggest in this section.

Returned to his home on Saturday, after three weeks' treatment at the Zabrugg Memorial Hospital, Riverside, for injuries resulting from an automobile accident, Malcolm Lewis, of Cherry street, was taken to the Cooper Hospital, Camden, on Wednesday. He will undergo an operation for a splintered jawbone received in the accident in which Mr. and Mrs. Ellis H. Parker, Jr., also were injured.

Raiding a farm at Willow Bend Corner road in Evesham township on Friday, State Alcoholic Department Investigators Wright and Bar-

GIVEN 60 DAYS

Clyde Daniels, 25, of 524 West Fourth street, Palmyra, was arrested by police in that community on Monday of this week, the charge of being drunk and disorderly being brought against him by his father, Anthony Daniels.

Upon being given a hearing before Mayor John F. Ward, young Daniels was found guilty and sentenced to 60 days in the Mt. Holly jail.

ILLNESS DECREASES

Illness in Burlington county last month showed a decrease from March, 1938, in a report made yesterday by Dr. Robert C. Strode, district health officer. Diseases in the county totaled 124, as against 155 cases in March, 1938.

lett said they found 25 five-gallon cans of untaxed alcohol and materials for making more. Peter Vender, who was found ill on the premises, will be arrested on his recovery.

DRESS UP! NEW JERSEY

This year, beautify your home grounds—Make an outdoor living room out of that green-bare back yard of yours.

New Jersey nurserymen always carry a very complete inventory of thriving nursery stock—trees, shrubs and perennial plants, in variety to meet any landscape need.

Your community nurseryman, member of the New Jersey Nurserymen's Association, is an expert at landscape design for small homes as well as large. He has no equal in planting experience and ability.

Telephone or, better yet, drive out to see him this week. Even if you're not quite ready to "talk turkey" you'll find he knows his business—and can lay out a landscape plan to fit your budget.

Do you know that realtors claim that landscaping adds 10% to the value of property?

Buy from your community nurseryman displaying this emblem. He guarantees your complete satisfaction with his nursery-grown stock and planting service.

NEW JERSEY COUNCIL - TRENTON, NEW JERSEY

NEW JERSEY ASSOCIATION OF NURSERYMEN

NEW JERSEY—THE PERFECT STATE—TO LIVE, WORK AND PLAY

RECREATION IS MOST VALUABLE

Rotarians Hear Miss Kathryn Dunwoodie of Moorestown; Projects Outlined

A well planned recreation program exerts a socializing influence on persons of all ages, helps prevent delinquency, and aids in developing personality and character through participation, said Miss Kathryn Dunwoodie of the Moorestown Recreation Commission, to Palmyra-Riverton Rotarians at their last meeting.

Speaking on the value of recreation to a community she first told what recreational opportunities could do for a community, and then illustrated how they may be worked out by citing the Moorestown setup. Miss Dunwoodie's talk was of particular interest at this time since many Rotarians are closely affiliated with Y.M.C.A., Boy Scouts, and other socializing movements which are attacking youth problems locally. William Engle, a member of the Palmyra Council, and in charge of that borough's recreation facilities, was a guest of the club.

Aids Good Citizenship

A recreation program is an adjunct to the school in training for good citizenship and helps along this line particularly, in Miss Dunwoodie's judgment, by providing for meetings, and physical equipment, and by making leadership available. Thus are certain activities made socially acceptable in a community.

Rotarians were astounded at the great number of projects which the Moorestown Recreation Commission either sponsors or assists with, during the year. They include something for persons all the way from childhood. To mention a few: mothers' clubs, swimming groups, craft groups, a choral group, a dramatic club, a symphonic appreciation hour, camping and hiking trips, boys clubs, baseball and basketball, bicycling, track meets, men's volleyball, quarts, a camera club, and numerous others. Obviously so great a number of activities cannot be handled by a small professional staff, and it is necessary to have many volunteer leaders.

District Conference

Such a program bears on the objectives for developing a satisfactory community; it helps teach people to behave and act properly in social situations they meet. It also constructs circumstances which encourage people to set up their own leadership. Thus a sound recreation program is not something apart from life, but actually is life.

Walter D. Lamon, chairman of the local committee for the approaching district conference at Atlantic City, announced details of the meeting, and informed the group that Dr. Dean LeFavor has been requested to act as pianist at the affair. President-elect Eberly was appointed official delegate to the convention.

Pitman National Bank Building
Pitman, N. J.

RUPTURE SHIELD EXPERT HERE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Walt Whitman Hotel, Camden, Thursday and Friday, only, April 20 and 21, from 9 a.m. to 6 p.m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly but increase the circulation, strengthens the weakened parts, thereby closes the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume no matter the size or location. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge. Add 4441 N. RICHMOND ST., Chicago. Large Incisional Hernia or rupture following surgical operation especially solicited.

PORCH CLUB

On Tuesday, April 11, Mr. Randolph Ashton, of Morris Heights, Pa., lectured at the Porch Club on "Birds and the Various Ways to Attract Them to Your Gardens." Mr. Ashton brought with him colored motion pictures of birds in their native settings these pictures were taken in various places to catch the birds in their natural haunts also many of them were taken from Mr. Ashton's own living room window. After the lecture ice cream formed into the shape of birds was served.

Thursday morning at 10:30 Miss Besse Howard will again lecture on "International Relations." Tuesday, April 18, at 1 p.m. will be the charter luncheon. Make reservations not later than Saturday, April 15, with Mrs. David Gould. Telephone 901.

STATE POLICE GET MAN WHO ROBBED GAS STATION

New Jersey State police from the Berlin barracks apprehended D. L. Lillibridge, 234 North 10th street, Philadelphia, recently on suspicion that he had been implicated in numerous South Jersey robberies recently.

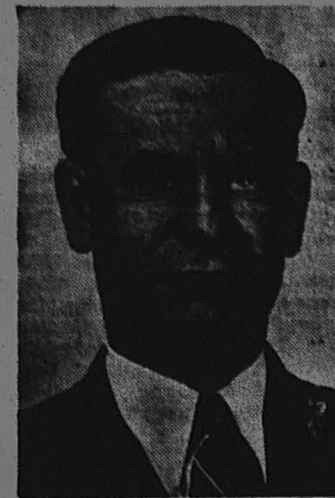

Upon being brought to Palmyra he confessed to breaking into the H. B. Williams service station, S-41, Palmyra, on March 25, at which time he took a mirror, clock and flashlight.

The troopers took him back to Berlin for further questioning.

BANKERS' DINNER

The 18th annual banquet of the Burlington County Bankers' Association will be held in the Walt Whitman Hotel, Camden, on Wednesday evening, May 3, at 6:30 o'clock.

AT CAMP

CLEMENT A. DURAN

The new director of Camp Ockanickon. He has been called to this position by the Camp Ockanickon Trustees on a joint arrangement with the State Y.M.C.A. Committee, and will give six months of each year to Ockanickon and the other six to State Y.M.C.A. matters, particularly as related to this section of New Jersey.

Mr. Duran comes here from Albany, New York, where he has been the assistant general secretary. For the past eight summers he directed the Albany Y.M.C.A. Camp. Other association responsibilities have included the direction of the young men's work of the YMCA for the past four years as well as community wide activities and general program.

Prior to going to Albany, Duran was Boys' Work Secretary in

Poughkeepsie, Amsterdam and also in Yonkers. He went to Albany as Boys' Work Secretary, served in this capacity five years, and three years ago, was made Assistant General Secretary.

In his camping experience in New York State, he had much to do with having a number of young Iroquois Indians trained in the crafts of their fore-fathers, whom he later made available for camp work to the various associations throughout that state. Out of this experience, he was made an honorary chief of the

Iroquois nation, and his Indian name is Te-Ho-Ron-Ya-Te, the translation of which means Bright Skies.

Ockanickon's new "Chief" will begin his work here April 17. He was at the camp for a reunion of counselors and to meet the Ockanickon Trustees, Monday, April 10.

Belgium has been invaded during every major European war in recent centuries and it was at Waterloo in Belgium that Napoleon fought his fateful battle.

The Girl Scout Mothers of Troop 1, will hold a rummage sale on Friday and Saturday, May 5 and 6. Any persons having articles to donate, please call Riverton 567-W or 551-J. The place will be announced later.

Mrs. L. Winner and son, of Cinnaminson avenue, spent the Easter holidays with Mr. and Mrs. LeRoy Blackman, of Ventnor.

The Shining Hour Class of Epworth M. E. Church School, will hold its regular meeting and social in the form of a covered dish supper on Friday, April 21, at the Church. All members are urged to be present.

Mr. and Mrs. Walter Michel and family, of Montclair, were guests over the holidays at the home of Lt. Commander and Mrs. James Ryan. Miss Dorothy and Shirley Ryan returned to Montclair with Mr. and Mrs. Michel.

Mrs. Leroy Reeves, of Easton, Pa., spent last week with her sister, Mrs. George Pancoast, of Fourth and Horace avenue.

Mrs. Gertrude Dinn, of Horace avenue, entertained a number of friends Wednesday evening.

Mr. and Mrs. Earl Naylor, of Burlington, spent the weekend with Mr. and Mrs. James M. Weart, of Broad street.

The many friends of Mrs. Winnie Day, of Cinnaminson avenue, will be glad to know that she is slightly improved following her serious illness.

Lt. Commander and Mrs. James Ryan and daughter Peggy, and Mrs. Ardella Wallace left on Wednesday for Ohio where they will visit Commander Ryan's parents for several days.

Mr. and Mrs. George Seel, III, and family, of Maplewood, and Cliff Seel, of New York, spent the weekend at the home of their parents, Mr. and Mrs. George Seel, of Cinnaminson avenue.

Mrs. B. C. Horner and son Joseph, of Morgan avenue, spent the Easter holidays in Bridgeton as the guests of Mrs. John T. Rowen.

Mrs. C. C. Green, of Point Pleasant, formerly of Palmyra, spent Tuesday with Mrs. Walton Taylor, of Garfield avenue.

Health Question: What Is Meant by Occupational Therapy?

Doc Says:

Permitting ill or physically handicapped persons to do work which will not injure them is sometimes a part of their prescribed treatment. It helps to take their thoughts off their illness. This is known as occupational therapy.

Some tuberculous patients and patients with heart disease are permitted and encouraged to do light work, depending upon their condition.

Weaving, designing, light carpentry, gardening, landscaping, music, and other pursuits have been taken up by persons who have been in institutions for their health. This often has an economic as well as a curative value. Patients sometimes learn to do work which makes them self-supporting when they have recovered sufficiently to be discharged from further institutional care.

Occupational therapy is receiving increasing attention today in institutions for people who are in ill health or otherwise physically handicapped. This feature is prepared by the Burlington County Medical Society and the Medical Society of New Jersey.

Judge Sharp—Just where did the defendant's suit hit you, Miss? Sully—Well, Your Honor, if I had been wearing a license plate it would have been badly damaged.

RIVERTON

Mr. and Mrs. Gilbert Coe, of Thomas avenue, motored to Richmond, Indiana, this week with their sons, Beresford and G. Robertson, who are students at Earlham College in that community.

Misses Alice and Rose Lavery, of New York City, spent the Easter holidays with their parents, Mr. and Mrs. Joseph Lavery, of Cinnaminson street.

Mrs. Ethel Williams, of Broad street, was the winner in last week's drawing of the Sacred Heart Miscellaneous Club.

The Sacred Heart P.T.A. will hold its regular meeting on Thursday (today) in the school auditorium. The executive meeting is called for 2.30 and the regular meeting at 3 o'clock.

Mrs. B. C. Ross, of Park avenue, is spending the week in Norwalk, Connecticut.

Mr. and Mrs. Urban Watson and family, were visitors in Washington, D. C., on Sunday.

John H. Yost, son of Mr. and Mrs. Charles H. Yost, of Thomas avenue, has returned to his studies at Bucknell University, Lewisburg, Pa., after spending the Easter holidays with his parents.

Mr. and Mrs. Charles Tricker, of Saddle River, spent last Thursday with Mrs. Millard Coddington, of Elm avenue.

Wallace, of Palmyra, rolled 221, 224 and 246, for a total pinfall of 691 as the locals took three games from Fairview last Saturday.

You won't ever get started if you wait for conditions to be just right.

BROADWAY PILOT PRESENTS LINEUP

Bill Anderson Predicts Team Will Be Strongest Ever This Season

With the Askew-Oakwood-Dawley Oldsmobile cast having two legs on the Memorial Park championship Cup, the same number as Broadway, the movie pilot, Bill Anderson, realizes that it is now or never for his team and is planning to make a desperate bid this year for permanent possession of the coveted trophy.

As usual, Anderson has his roster practically filled considerably in advance of the season's opener and recently announced the cast upon which he bases his pennant hopes.

Several Veterans
The Broadway leader has retained a number of the old guard who have served with him during a number of torrid campaigns, among these being Bill Baker, Chick Foulke, Jack Easley, Paul Burke, Clay Weikman, Vince Daley, Tony Gonteski, Buck Buchholz and H. Anderson.

Newcomers include the veteran Hylton, Humes, a flashy felder and strong batter, and Sexton, a flashy all-round player.

Look Good
On paper this aggregation appears strong enough to give the other entries plenty of trouble and Broadway can always be considered as a serious contender.

Whether or not the cast is sufficiently strong to down the championship Dawleyites is a matter that can only be decided after the season opens. At any rate, Bill says that this is the last attempt for his third championship.

YOUNG SENSATION BATTLES DUSEK

Bob Managoff, sensational 21 year old Armenian who ploughed through four tough hombres to win the one night elimination tournament in the Camden armory last week, has been booked to meet Ernie Dusek, Nebraskan, in the return bout, booked as the feature of Thursday night's card in the Camden drillshed. The match promises to be plenty hot from the start to finish, is catalogued for two out of three falls, with a 90 minute time limit.

In winning last week's honors, Managoff had to first pin Ed Strangier White and followed this with triumphs over George Lenihan, Ernie Dusek and Chief Chewacki. In the time he has been in the game, which is something like over two years, he has won every match of last week's battle with Dusek tops them all. However, he will be plenty busy this week. Ernie, without a doubt is rated as the toughest hombre in the business and is really at his toughest when he's out to reverse the tables on his foe.

Other Bouts

Another bout which comes in for some of the limelight is the semi-windup clash between Gino Garibaldi, back home after a month's trip through the New England states and Frank Brunowicz, Polish idol of mat. Their match calls for a 30 minute time limit, with one fall to determine the winner. Still another bout which is deserving of some of the spotlight is the third fracas between Cliff Olsen and Nick Campofreda also marked down for 30 minutes. Abe Coleman meets Ed Cook and Tommy Rae comes together with Eddie Newman in other matches to round out the card.

Maybe Mr. Garner wasn't avoiding the subject, after all, when he said, when informed that the boom for him for President was progressing, that as a youth he was the "best danged shortstop in east Texas." Maybe he thinks the White House needs a shortstop more than it does a quarterback.—Indianapolis News.

A woman writer has made the statement that women don't like perfect husbands. How do they know whether they would like them or not?—Leavenworth Times.

Country Club Notes

Men's League

This week marks the end of the winter tournament. Clark's team won three games on Monday night and Hagstoz must take an equal number to finish on equal terms. If a deadlock results, the winner of the playoff will meet the Jamison bowlers, title-holders for the first half.

The Standing—
Clark 29 13
Hagstoz 26 13
Bonsall 25 14
Bartley 24 15
Lippincott 21 18
Wilson 18 21
Jamison 16 23
Hendrickson 15 24
Smith 12 27
Elliott 11 28

Ladies League

The second half championship was won by Miss Gausler's team, the margin of victory being four games over Mrs. Richard Lippincott's entry in second place.

Mrs. Hackett's bowlers took the first half but no plans have been made for a playoff.

High Singles—
Mrs. Shrader, 158.
Mrs. Hackett, 182.
Mrs. Miller, 182.
Mrs. Loney, 188.

The standing, final 2nd half—
Miss Gausler 24 6
Mrs. R. Lippincott 20 10
Mrs. Graff 16 14
Mrs. Story 11 19
Mrs. Hackett 10 20
Mrs. E. Lippincott 10 20

Bumper Board Tournament

The following club members are entered in the ladies' spring tournament: Mrs. George Lorenz, Mrs. Richard Lippincott, Mrs. Edward Lippincott, Mrs. George Krusen, Mrs. Leslie Krusen, Mrs. Arthur Burns, Mrs. Howard Coe, Mrs. H. M. Kieckhefer, Mrs. H. N. Sheble, Mrs. R. S. Charleston, Mrs. R. I. Downs, Mrs. Earl Shrader, Mrs. J. C. Anderson, Mrs. J. D. Clark, Mrs. R. M. Hollingshead, Jr., Mrs. J. G. Vilasack, Mrs. A. E. Schuh, Mrs. Edwards, Mrs. Johnston, Mrs. Dean H. LeFavor, Mrs. Assay, Mrs. Conroy, Miss Curtis, Mrs. Schoch and Mrs. Loney.

Two Vacancies In Local League

At the present time there are two vacancies in the Memorial Park Softball League and President Walter C. Wright is desirous of having these filled as soon as possible.

He requested that any organization desirous of entering the league send their application to a meeting of the loop officials that is to be held in the Riverton fire house next Monday evening at 8 o'clock.

Averages of the local pin topplers are:

Brosius, 187.
Nelson, 182.
Wallace, 180.
Caracci, 177.
Winklespecht, 173.
Wallace, of Palmyra, has the high single game of the league with 266.

RIVERTON BALL TEAM ORGANIZED

Strong Cast Will Play at Memorial Park; L. R. Baker Heads A. A.

At a meeting held on Monday night of this week, the Riverton Athletic Association was formally organized for the season, with Leonard R. Baker being the unanimous choice of a number of baseball enthusiasts for the office of president.

Those present at the affair deemed that the organization was particularly fortunate in having Mr. Baker to fill this important post, since he has long been a keen follower of the national pastime and brings a wealth of experience to the association.

Other officers elected were vice president and treasurer, Richard M. Woodward; secretary, Arthur Terwill.

Rules Committee
President Baker appointed the following committee to draw up the rules for the organization: Richard M. Woodward, chairman; Charles E. Sims, Robert W. Knight, Francis Cole, George Borner, Walter C. Wright and F. W. Metzger.

Mr. Sims, a veteran ball player, was also named manager of the team for the coming season. He announced that a practice session will be held at Memorial Park on Saturday afternoon, at 1 o'clock.

Urged to Try Out
The new manager stated that he is desirous of having all those interested in playing on the team report to him at this time and asserted that all candidates will be given an equal chance to show their wares.

According to Mr. Sims there are nine vacancies on the team at present with everyone starting from scratch. Candidates are requested to report in uniform for the Saturday workout.

Players Present
A number of players were present at the meeting and all indicated their willingness to come out for the team. The group included some promising talent, among whom were the following: Diffebaugh, Baker, Carhart and Gibson, pitchers; Karltis and McDermott, catchers; outfielders and infielders were Freeman, Whitmeyer, E. Wallace, C. Wallace, R. Wallace, Sutters, Fries and LeCates.

It is expected that this group will be augmented on Saturday. Present plans call for the opening of the season on Memorial Day.

With the various offices filled by interested and capable men and with considerable material available, local enthusiasts are looking forward to a most successful season.

PALMYRA TEAM IN THIRD PLACE

The Palmyra bowling team in the International Division of the South Jersey Bowling League is in third position, seven games behind the leading Trenton Eagles.

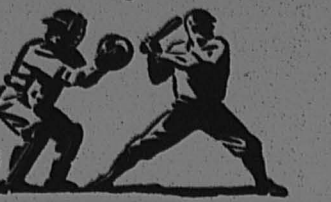

Averages of the local pin topplers are:

Brosius, 187.
Nelson, 182.
Wallace, 180.
Caracci, 177.
Winklespecht, 173.
Wallace, of Palmyra, has the high single game of the league with 266.

SPORTS JOTTINGS

SPORTS JOTTINGS

Bob Conroy, member of the Riverton Country Club, qualified for the sixteen in the Eastern States Invitation Tournament at Wildwood last week, but was eliminated in the second round.

Baseball is reported to be at a low ebb in Burlington, this being the first year for a long time that a team from there has not been entered in the county circuit.

Due to the Easter recess the high school baseball squad held no practice sessions during the week.

The "Summer League" which starts April 21 at the Palmyra Bowling Alleys, has a number of crack bowlers enrolled. The loop will continue for seven weeks, with several three-man teams in action.

The golf schedule for the season at the Riverton Country Club will be announced in the near future.

The Race Track Amendment

The proposed amendment to the Constitution of New Jersey is an attempt to change a section of an article in the laws of the state which now prohibits the operation of race tracks for gambling purposes.

The amendment on which the citizens of New Jersey will be asked to vote on June 20, would legalize the "pari-mutuel system of betting" at race tracks.

In order that voters may have ample time to consider the various aspects of the proposed amendment, certain pros and cons of the subject are presented at this time.

The State Association to Defeat the Race Track Gambling Amendment, Inc. offers the following:

"Experience in such states as Massachusetts and Rhode Island, for instance, definitely proves that pari-mutuel gambling demoralizes local retail trade.

"When a share of the average man's salary is lost in gambling he buys fewer shoes, less clothing, food, milk, gasoline and other products which he and his family need.

"As the Providence (Rhode Island) Evening Bulletin said in commenting on pari-mutuel gambling: "It made debtors of people who had always been known as 'good payers'."

"When you cut the pocketbook by losses in gambling you will add to the already overloaded relief rolls.

"Savings accounts in banks become seriously affected.

"Our youth should not be trained to try 'getting something for nothing.'"

"Legalized gambling" has a sanctimonious sound but it is non-productive, vicious promotion to fleece the public of well-earned money in a wild speculation. During its five years of operation the Rockingham Race Track at Salem, New Hampshire, made for its promoters (less than a dozen men) nearly one and a half million dollars for their own profits and salaries.

"To legalize pari-mutuel race track gambling in New Jersey is to invite the collusion of gamblers and their entourage of racketeers with corrupt politicians. One breeds the other and each depends upon the other.

"The State of New Jersey should not become a partner in a vicious, unhealthy, non-productive gambling promotion.

"Regardless of how much the parks and tracks may be 'legalized,' or dignified with pomp and display, or 'honored' with the presence of public officials, pari-mutuel race tracks are a festering sore which slowly eats into the economic life and moral fibre of the whole community.

On the other side of the fence, U. S. Senator William H. Smathers recently commented as follows:

"Old Age Relief this year will cost the New Jersey counties approximately \$1,000,000. Next year the cost is bound to rise, thereby increasing demands on taxpayers, who for years have been petitioning their local government for tax relief.

"Payment of Old Age Relief costs from revenues which the State would receive from legalized wagering is not a myth . . . it is a fact.

"When results of legalized wagering in other states are analyzed, they soundly indicate that New Jersey would receive more than \$2,000,000 of new revenue annually from a direct tax on legalized wagering. The counties could share in this new wealth, and part of its apportionment would be based on an agreement that Old Age Relief costs would be removed from county tax bills.

"Removal of at least one tax burden from the taxpayers will be of material and most beneficial tax reduction. In fact, it would be a welcomed thrill. Counties sharing in the new revenue in many instances would see tax rates tumble more than 30 cents.

"At the same time I am not unmindful of the multitude of other benefits which legalized wagering would bring to the State. The benefits would be both moral and economic. Wagering would be brought out into the open, under strict regulation. Presently, it is unregulated, and when this is permitted it creates a dangerous condition honeycombed with evil. The economic phase means additional business to a vast number of diversified enterprises in the State which would increase employment and create greater purchasing power.

"I predict that at the special election on June 20, when the people vote on the pending amendment, they will take the step forward to wipe out hypocrisy; and protect our youth with more vigor than some of those opposing the amendment for purely personal and selfish reasons.

You can talk all you want to about Washington and Lincoln, but judging by present day standards, the real 'first American' is going to be the fellow who invents a government plan to make everybody rich without working.

Well, if there is another World War and Uncle Sam gets into it, it will be necessary for Congress to raise the legal debt limit considerably higher than forty-five billions.

The Washington Monument is 555 feet high, which seemed to be pretty high all around there until they got to working on the national debt.

The trouble with a lot of modern streamlined thinking is that it travels fast but ends up at the wrong place.

A naturalized American, of Italian birth says that he would rather be a paper mill worker in the United States than to be king of Italy. Well in spite of our widespread unemployment there is a lot better chance for a mill worker to have a real job.

Of course, it is entirely proper for one to condemn the seizure of the Czech territory in unmeasured terms, but in our opinion it will take more than words to stop Hitler.

Mayor LaGuardia's trips over the country during the past five years are said to have cost the city \$1,012. No statement is made as to whether it was worth it.

Germany has adopted a system of fiat money. Now some of our financial theorists have a chance to see how it will work without trying it on us.

Insufficient recognition has been given to the ingenuity of the proprietors of beauty shops in inventing cut names for their establishments.

In the yellow pages of a telephone directory, we find these: Cozy Beauty Shoppe, Dream Rose Beauty Shoppe, Curley-Q-Hair Shoppe, Lady-Faire Beauty Salon, La Petite Parisienne Shoppe, Towne Hall Beauty Shoppe, Dainty Lady Studio, Doll House Beauty Salon, Rosy-Peach Beauty Shoppe, Rouge-Bos Beauty Salon, Silver Swan Studio, Good Looks Beauty Shoppe, Lovely Lady Beauty Shop, Magic Mirror Beauty Shop, and Mystic Beauty Parlor.

There are 439 Shoppes, 58 Parlors, 127 Salons, 1 Beauty Bar, - Beauty Mart, 1 Chateau of Beauty, 13 Beauty Studios, 4 Hair Stylists, 1 Laboratory, 1 Beauty Nook.

To those who may wonder what prompted us to scan the classified list of beauty shops, we hasten to explain that our motive was purely professional, that is, literary.—Imperial Type Magazine.

MARY TURNER IN COLLEGE PAGEANT

Miss Mary Turner, daughter of Mr. and Mrs. Luther R. Turner, 222 Linden Avenue, Riverton, is a member of the cast for "The Sleeping Princess," the pageant which Wilson College students will present at their thirty-eighth annual May Day celebration Saturday, May 6th, on the college green.

Based upon the age-old fairy story, "The Sleeping Beauty," the drama will be staged for the amusement of the May Queen and her court in a natural amphitheater on the banks of the Conococheague. In accordance with tradition, every detail of the entire fete is under student direction.

Miss Turner is a sophomore. She will take part in the Dance of the Haymakers, one of the original dances which will make this year's pageant the most notable Wilson May Day production in a decade.

It is said that nothing is sure but death and taxation. To this may now be added, and national deficits.

We used to be prosperous back in the good old Coolidge days when everything worked but a cigarette lighter.

INFORMATION, PLEASE!

ABOUT

New Jersey Railroad Taxes

1. Question: What New Jersey railroads owe the State back taxes?

Answer: Every railroad in the State has paid a substantial part of its taxes. The Central Railroad of N. J., Lehigh Valley, Erie, D. L. & W., New York Central, New York, Susquehanna and Western, New Jersey and New York, Reading, and New York and Long Branch, altogether have paid \$7,427,992 on their tax bill since 1932, but are contesting an additional levy of \$34,334,312 as excessive.

2. Question: Why have these taxes not been paid?

Answer: (A) The railroads have not had, do not have, and cannot get the money with which to pay them. They had to borrow money to pay a large portion of the taxes already paid. (B) The taxes assessed against them are based upon excessive valuations of their properties.

3. Question: What do the railroads propose to do about their back taxes claimed by the State?

Answer: They are offering to pay to the full limit of their ability. In addition to the \$7,427,992 they have already paid, they offered to pay \$12,206,375 which would bring their total payments for the years 1932 to 1938 up to 72 1/2% of the original levy. Of this amount, they can pay \$4,261,344 in cash and the remainder in installments over a period of years. This offer has been rejected by the State.

4. Question: Why should such a compromise of railroad taxes be made by the State?

Answer: For the purpose of giving the State the largest amount of additional railroad tax money that can possibly be secured, namely, \$12,206,375, as offered by the railroads. If the offer is refused, some of the railroads owing the money are certain to go into bankruptcy, which means that the State may get nothing from them for an indefinite period of time.

5. Question: Suppose some of the railroads go into receivership, what of it?

Answer: The State would get less money than if it compromised the taxes on the basis proposed. As soon as a railroad goes into receivership it cannot be compelled to pay more in taxes than the Bankruptcy Court orders its receiver to pay.

Receivership means more than reduced or lost tax payments. It means more unemployment for railroad workers, less business for railroad supply houses, reduced railroad service. When railroads are in bankruptcy, stations are closed, trains taken off and branch lines eliminated. This reduces the value of homes in all of the affected areas. If more New Jersey railroads are allowed to fail, the blow will fall hardest on citizens who own real estate of any kind.

The only way these consequences can be avoided is through a prompt settlement of the New Jersey railroad tax problem, which is now before the Legislature for consideration.

BRIEF ITEMS from ABOUT TOWN

The Jack and Jill wagon has made its appearance for the season.

A number of handsome tulip trees are being planted on the property of R. M. Hollingshead, Second street and Linden Avenue, Riverton.

Despite the rather chilling breezes on Sunday, there was a brave show of Easter finery here and local churches were filled with large congregations. The early morning snowfall was erased by the rain that followed.

Traffic lines on the highway at Broad and Main streets, Riverton, were repainted last week and at Broad and Cinnaminson, Palmyra, on Monday.

The Palmyra Fire Department was called to extinguish a field fire off S-41 last week.

A Mt. Holly paper states that a building boom is needed in that community. The same situation holds true for Palmyra, Riverton and Cinnaminson.

GAME LEAGUE BANQUET APRIL 20

Gill Robb Wilson, commissioner of aeronautics of New Jersey, will be the principal speaker at the annual banquet of the Burlington County Game Protective League, according to an announcement by E. Budd Marter, president, and Harry B. Ulmer, chairman of the banquet committee. The banquet will take place in the Moorestown Community House on Thursday night of next week.

There will be a capacity crowd on hand for the big annual party, as the tickets are selling very rapidly and there are not many left for distribution. Those wishing to attend are urged to see about their reservations quickly, so they can be sure of having a place.

Commissioner Wilson is well known throughout New Jersey as a forceful and entertaining after-dinner speaker. He is also well known as a big game hunter and member of the Explorers' Club in New York, and his subject next Thursday will deal with that phase of his activities. He will tell the Game League members and their guests about some of his experiences hunting big game and is also expected to bring an interesting message on the subject of wildlife conservation.

President Marter will conduct the after-dinner program this year, and has promised the members of the League that the speaking will be kept to a minimum.

TROUT SEASON OPENS SATURDAY

With streams reported in fine condition and well-stocked with thousands of Brook, Brown and Rainbow trout, New Jersey's trout season will open next Saturday, April 15, with a record-breaking army of anglers ready to travel to favorite fishing places.

During the season, which closes on July 15, the public trout streams will continue to be stocked so that there may be no let-up in the sport. All the famous trout streams of the State such as the Musconetcong, South Branch of the Raritan, Flat, Wanaque, Saddle, Pequest, Paulinskill and Black Rivers, numerous creeks, brooks, lakes and ponds that are trout stream feeders, located in nineteen of the State's twenty-one counties, will be loaded with plenty of trout when the season officially opens.

COUNTY SECURES ROAD ALLOTMENT

State Highway Commissioner E. Donald Sterner recently approved the application of the Burlington County Board of Freeholders for \$50,000 in Highway Department funds for improving township and

Game wardens will post metal signs where stocking is done during the season, one sign at the main point of stocking and others 500 feet above and below the stocking point. These signs will read "No Fishing Between Signs Today" and fishermen are expected to obey the warning under penalty of losing their licenses.

borough dirt roads.

Each county is permitted a maximum grant of \$50,000 every year for maintenance and repair of dirt roads in townships and boroughs. There are more than 6,000 miles of dirt roads located in New Jersey. These funds are spent for surface treatments with bituminous materials and spreading of gravel and cinders.

Commissioner Sterner also approved the construction of the Tabernacle-Chatsworth Road, Section 2, Woodland Township, under the sponsorship of the Highway Department-W.P.A. Work Relief Program. The job will provide 3,516 man-weeks of employment. Labor will be supplied by the W.P.A. Materials will be purchased through a

FURTH NAMED STATE CHAIRMAN

Sheriff George F. Furth has been appointed chairman of the program committee of the New Jersey Penal and Correctional Association, a recently formed organization composed of sheriffs of all counties in the state, wardens of reformatories and county and state prisons. The appointment was made by Fred Bethke, president, who is warden of the Mercer County Workhouse.

The purpose of the association is to investigate penal and correctional institutions in order to form new ideas for conduct of such institutions. Arrangements are being made for a meeting to be held at Sing Sing prison next month, at which

time the members will be guests of Warden Lawes.

The recommendation of the building committee.

Councilman Huyett reported that 109 new trees are to be planted this spring and ten replacements from last year's planting will be made.

The patching of the highways will be completed in about two weeks he stated.

The report of the building inspector showed new work totaling \$7,870 with fees of \$43.

The sanitary inspector's report revealed 18 cases of chicken pox and one case of scarlet fever. Fees amounting to \$21 were submitted.

Garbage "Bootlegger"

Councilman Flynn in reply to a question from the Mayor concerning the status of the garbage bootlegger, stated that the matter is being investigated by the board of health.

Mr. Flynn stated that he ran across the so called garbage bootlegger in town the other day and stated that he watched him for quite a while and as far as he could see there could be little cause for complaint in his method of collecting garbage.

The bootlegger with his donkey-drawn vehicle, who slides in and out of town collecting the "cream" of the garbage, according to the mayor, is a serious thorn in the side of the borough paid collector.

Councilman Buchholz stated that it was a mystery to him, why the bootlegger could come in and collect garbage from the rear of properties without compensation while the man to whom the borough pays \$700 annually collects his from the curb only.

THINGS TO WATCH FOR

A new "all-year system" for providing hot water from the same an-

thratic-burning equipment that heats the home in winter . . . A golf ball in 480 different color combinations to lessen chances of players getting wrong ball after driving over a hill . . . An all-metal electric fly trap that electrocutes flies and deposits their bodies in a removable tray . . . Puncture-proof Seal-o-matic inner tubes built by scientists who studied the structure of the human skin and modeled a three-ply tube with plastic inner layers which "grow" over and "heal" cuts, changing dangerous blowouts into safe, slow leaks . . . Possible appearance of a three-cent air-mail lettergram, consisting of one sheet of paper folded up and having a weight limit of half an ounce; it is being considered by the Post Office Department . . .

A new carbonated beverage whose main ingredient is the tropical fruit papaya . . . A folding camp chair with back that can be raised or lowered to fit the contours of a human being.

STAMP INAUGURATION

A special issue of 3-cent stamps commemorating the Sesquicentennial of the Inauguration of Washington as First President will be first placed on sale at New York, N. Y., on April 30, 1939. The central design of the stamp portrays Washington taking the oath of office on the balcony of the Federal Building, New York City, on April 30, 1789. The stamp is of the special-delivery size, arranged vertically, and is printed in purple by the rotary process.

Church Notices

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B. D., Pastor

"Central Baptist" experienced one of the finest Easter in its history. With an increasing attendance at the Sunrise Service, and from the Bible School at 10.00 a.m. to the closing evening service at 7.45 p.m., the church was filled to more than its seating capacity. Many non-residential members returned to worship in their former church, together with a large number of visitors. It was estimated that over 1100 people attended services here throughout the day.

Services for Sunday, April 16. Bible School 10.00 a.m.—If the attendance and enthusiasm that prevailed last Sunday were to continue, there would be no question as to the influence that "Central Baptist" would have in the Community. May it continue!

Morning service, 11.15 a.m. "The After Glow" will be the subject of the Pastor's sermon. "King All Glorious" by Vail will be rendered by the choir. The guest soloist for the morning will be Mr. Lawrence Kimball, of Vineland, who will sing "The Good Shepherd" by Van de Water.

B.Y.P.U. 6.45 p.m.—The B.Y.P.U. will have as their guests, at their regular Sunday evening meeting this week, the Young People's Societies of the Epworth M. E. and Christ Churches of Palmyra. Mr. Murray Kirkpatrick will address the meeting. An invitation is extended to all of high school age.

Evening service, 7.45 p.m. If there are any in our vicinity who desire to attend an evening service, but unfortunately the doors of their church are closed they will be welcomed to worship at "Central Baptist." Here you will find just as interesting a service as any in the day. The choir will render "Seek Ye the Lord" by Roberts. Mrs. Violet Seither will be the soloist of the evening, and will have as her offering "Shepherd Divine, I Come." Pastor Lockett will deliver a very inspiring sermon on the subject "Bread Upon the Waters."

CHRISTIAN SCIENCE CHURCH
"Doctrine of Atonement" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 16.

The Golden Text is: "We also joy in God through our Lord Jesus Christ, by whom we have now received the atonement." (Romans 5:11).

Among the citations which comprise the lesson-sermon is the following from the Bible: "And, behold, they brought to him a man sick of the palsy, lying on a bed; and Jesus seeing their faith said unto the sick of the palsy: Son, be of good cheer; thy sins be forgiven thee. But that ye may know that the Son of man hath power on earth to forgive sins, (then saith he to the sick of the palsy.) Arise, take up thy bed, and go unto thine house. And he arose, and departed to his house." (Matthew 9: 2, 6, 7).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The same power which heals sin heals also sickness. This is 'the beauty of holiness,' that when Truth heals the sick, it casts out evils, and when Truth casts out the evil called disease, it heals the sick" (p. 135).

BETHANY EVANGELICAL LUTHERAN CHURCH

Rev. Oliver W. Powers, Pastor

The greatest festival day of the church year is past. For churches throughout the land this season has been of great blessings. Easter Sunday is past but the Easter cycle continues for five Sundays after the Festival. The first Sunday after Easter is called "Quasi Modo Geniti" from the first line of the Introit "As new born babes desire the sincere milk of the Word." On Sunday at the chief service, 11 a.m., the pastor, the Rev. Oliver W. Powers, will preach on another Easter theme "An Appearance to Convince." At 8 p.m., Mr. Powers will speak on "The Opportunity for Education in America." On Saturday at 8 p.m. there will be a reception at the home of the pastor to honor the twenty-five new members who have recently united with the congregation. Harry Storicks, Jacob Wilcox, Jay Lenker, Louis Bettinger, and Victor Jensen are in charge of the plans.

Westfield Friends School

Assembly

The weekly assembly held on Tuesday, April 11, was conducted by Dorothy Porter and Howard Dunn of Second Grade. The program included songs, poems, choric speaking and talks on trips taken during vacation.

Miss Anne Clark gave a very interesting and vivid account of her recent visit to Bermuda. Harvey Hirst described his trip to Washington, Williamsburg and Annapolis. Arthur Platt told of his visit to Radio City and the World's Fair Grounds.

Jean Clark recited Hillaire Belloc's poem on "The Yak" and then gave a description of the animal and his value to the people of Tibet.

Harry Mark showed his pet duck and Barbara Ross explained how her Easter Rabbit blind his eyes. The piano and singing classes are preparing for their annual recital which will be held Friday evening, May 11.

DRIVE STARTED FOR INCUBATOR

(continued from page 1)

wouldn't do everything in his power to save a life. Well here is a chance! By contributing to this campaign, you can help save a life. And you and you and you! Everything you give will help—everything you give will be used, directly and intact, toward the purchase of these most essential pieces of hospital equipment.

While the campaign is launched under the auspices of the Burlington County Council of Parents and Teachers, this is a thoroughly socialized project in which every organization

EXHIBITION AT CINNAMINSON

Next Wednesday night, April 19, the regular monthly meeting of the Cinnaminson P.T.A. will be held in the school. An exhibition of the children's work will be the main part of the program. This will not be in the form of a "show," but is planned to give the parents an idea of just what the pupils are doing along certain special lines such as art, dancing, science, etc. Visitors will be invited to the various classrooms to see at first hand just what is being accomplished.

A very short business meeting is scheduled for 8.00 after which the "exhibition" part of the program will take place. All parents and friends are very cordially invited to attend this meeting.

Plans for a spring supper are being completed. The date is Thursday, April 27.

CAKE SALE

The Riverton Fire Company will hold a cake sale on Saturday afternoon of this week in front of the Main Street Market.

The affair will begin at 2 o'clock and patrons are urged to come early while the selection is at its best.

Shiny, black carpenter ants are the cause of some of the damage to wooden buildings blamed on termites.

zation and every individual in the County is asked to co-operate to the limit of their capacity.

During the week, the committee in charge of the campaign will send letters to all civic, social, fraternal and religious organizations in the county, asking their support. Won't you, either through some organization to which you belong, or as a private individual, give as much as you are able? Whether the amount is great or small, give!

Checks should be made payable to Burlington County Council of Parents and Teachers, and sent to Mrs. Winfield Crossley, 231 Camden avenue, Moorestown, N. J.

GENERAL ELECTRIC

TRIPLE-THURST REFRIGERATORS

NEW ISSUE

\$17,500,000

THE PORT OF NEW YORK AUTHORITY

General and Refunding Bonds

Fourth Series, 3%, Due 1976

To be dated Dec. 15, 1936

(Second Installment)

To mature Dec. 15, 1976

Principal and semi-annual interest (June 15 and Dec. 15) payable at the principal offices of the Paying Agent or Agents

Subject to redemption prior to Dec. 15, 1950, only through the operation of the Sinking Fund. Subject to this limitation, the bonds may be redeemed in whole, or in part, at the option of the Port of New York Authority on interest payment dates, at 103% beginning on Dec. 15, 1941, and thereafter on or before Dec. 15, 1945, at 102% thereafter and on or before Dec. 15, 1950, at 101% thereafter and on or before Dec. 15, 1955, at 100% thereafter to maturity. Payments will be made into the "Fourth Series, 3%, Due 1976 Sinking Fund," commencing in 1941. The moneys in the Sinking Fund will be applied to the retirement of the Bonds of the Fourth Series, by purchase or call. Coupon Bonds will be issued in the denomination of \$1,000, registrable as to principal, or as to both principal and interest, and when so registered recoverable into coupon form upon payment of a nominal fee.

Exempt in the opinion of Counsel from Federal income taxes without the consent of the States of New York and New Jersey, and exempt from New York State Income Tax.

Legal in the opinion of General Counsel and Bond Counsel for investment in New York and New Jersey for state and municipal officers, banks and savings banks, insurance companies, trustees and other fiduciaries and eligible for deposit with state or municipal officers or agencies in New York and New Jersey for any purpose for which bonds of such States, respectively, may be deposited.

To be issued to refund \$16,500,000 General and Refunding Bonds, Second Series, 3 3/4%, Due December 1, 1935; the surplus bond proceeds, if any, to be applied toward any other purpose for which General and Refunding Bonds may be issued.

Sealed proposals for the purchase of the above \$17,500,000 of bonds will be received by the Port Authority on April 11, 1939, and must reach the office of the General Manager of the Port Authority, 111 Eighth Avenue, New York City at or before ten thirty o'clock in the morning on that date, or such adjourned date as the Authority may determine. Proposals must be in the prescribed form and must be for all or none.

Each offer must be accompanied by a certified

All legal proceedings incident to the issuance and sale of these Bonds, are subject to the approval of Julius Henry Cohen, General Counsel for the Port of New York Authority, and of Thomson, Wood & Hoffman, Bond Counsel.

Copies of the Official Statement of the Port Authority regarding these Bonds, of the resolutions pursuant to which they are to be issued, and of the prescribed bidding forms, may be obtained at the offices of the General Manager of the Port Authority, 111 Eighth Avenue, New York.

All sales by the Port Authority will be made within the City of New York, and the above is not to be construed as an offer to sell Bonds elsewhere.

THE PORT OF NEW YORK AUTHORITY
FRANK C. FERGUSON, Chairman

April 4, 1939.

YMCA BRIEFS

Public Speaking

Burlington's public speaking group, which has members from six or eight communities, will have a dinner meeting to conclude the present series of Monday evenings together, under the leadership of Carl Dahmen. Eighteen men and women are now better able to stand on their feet and express themselves. They have learned much from fellow members, who have spoken on a great variety of subjects and interests, some assigned, others of their own selection. Secretary Guy C. Hendry, who organized this group, will be a guest at the closing dinner meeting.

The Y.M.C.A.'s first work here in the county in the field of organizing a public speaking group was in Burlington three years ago, which Secretary Hendry directed. This year, upon invitation of Secretary Hendry, Carl Dahmen, of Burlington, a member of the previous public speaking groups there, became the leader, while Mr. Rosenfeld had a similar group at Pemberton.

Another Work Day at Camp

Spring of the year and our thoughts turn to the out-of-doors—a lovely spot and a place to swing your arms and breathe deeply. Camp Ockanickon again invites any person who wants to have some real fun, and work with it, to come to camp this Saturday, April 15, for a clean-up day.

A swell meal, all you can eat, will be provided at noon by the camp chef. How about removing that extra weight around that waistline, perspire that winter "orniness" out of your system and get back to nature for a day.

Call or write to the County Y.M.C.A. before Friday noon, to count you in for Saturday noon "chow."

84th BIRTHDAY

A. C. Roray, of 34 Henry street, Palmyra, celebrated his eighty-fourth birthday quietly on Monday of this week, April 10, with a few friends from Chester spending the day with him.

Mr. Roray was born in Fairton, N. J., on April 10, 1855. On May 27, 1882 he married Miss Henrietta Drinkhouse, of Philadelphia, and moved to Palmyra on April 17, 1893.

Mr. Roray, who works every day, is secretary of the Philadelphia North American Composition Company.

When asked what he thought of the modern generation, Mr. Roray said that he believed that they were quite all right. His longevity, Mr. Roray claims comes from hard work and simple living.

Mr. Roray finds great enjoyment in church music and was a member of the Central Baptist Church Choir from 1893 until 1935.

Mrs. Roray, who died in 1915, is buried in Morgan Cemetery.

Mr. Roray has two children, Mrs. William Greenwalt, with whom he makes his home, and Earle Roray, of Melrose avenue.

COUNTY COUNCIL CONVENED HERE

(continued from page 2)

southern spring conference, April 21 at Mount Holly, and the county council dinner at Burlington on April 27th.

Mrs. Clifton P. Mayfield told the audience of the many things done by the P.T.A. in the past, toward bettering the health of the children, and made a report on the organization's present plans to buy a baby incubator or a resuscitator for the two Burlington county hospitals. During the past year fifteen premature babies died in one of the hospitals, and the authorities felt confident that at least ten of them might have been saved if they had an incubator.

At the conclusion of the meeting refreshments were served.

The regular meeting of the Riverton P.T.A. will be held in the Riverton school, Monday, April 17, at 3 o'clock. Phyllis B. Davis will be the speaker. A movie, "Care and Routine of the Dionne Quintuplets" will be shown.

—Publicity.

SPRING CONCERT

The Spring Concert and Dance of the Burlington County Choral Society will be held Friday evening, April 21, in the Moorestown Community House.

This unusual group is under the direction of Mrs. Flora Test and features soloists Alice Kreder, Vilma Comegys, Prescott Herr, and Carmine Marchese. Marjorie Wilson is the accompanist. The concert without the dance will be repeated Friday evening, May 5, at the Regional High School, Mt. Holly, under the auspices of the Mt. Holly Junior Women's Club.

CARD PARTY

The River Town Ladies Club will hold a party in Society Hall, Palmyra, on Thursday, April 20.

The door prize is a ten piece dresser set in a beautiful case and there are over 100 other valuable prizes. Refreshments will be served. Donation 25c.

One Motorist In Twenty Violates Law

All things considered, the average New Jersey automobile driver is a pretty careful and law-abiding person, judging from the records of the Motor Vehicle Department.

There were 1,257,000 of them licensed by the State last year—the greatest number in history. Yet, but 66,000, or one in every twenty, got into difficulties with the law for major traffic violations. Incidental, their derelictions enriched the coffers of the State Treasury to the tune of \$202,000 which was the amount paid in fines where State officers made the arrests.

Accidents

On the other hand some 53,000 resident drivers, or one in every twenty-five, were involved in reportable accidents, some, but not all, the direct result of the major violations heretofore mentioned. These accidents, involving but four per cent of total drivers, were exceptionally costly, nevertheless. They snuffed out the lives of 865 people, injured 25,000 others and imposed an economic loss, based on accepted standards, of twenty-three millions of dollars.

"It is this small minority that makes necessary the unceasing activities of law enforcement agencies," said Motor Vehicle Commissioner Arthur W. Magee. "With them, safety education falls upon deaf ears. The only language they understand is when their pocketbooks are hit, whether it be through the medium of a fine or suspension of their driver's license."

Majority Right

"We cannot get away from the

fact however, that by far the majority of New Jersey drivers are careful and try to do the right thing when in traffic. How else can one explain the fact that about 1,150,000 drivers, (excluding the 66,000 law violators) made no trouble for the authorities last year and kept their driving records clean.

"I say without hesitation that New Jersey drivers, on the average, are the best in the country and the record furnishes proof of my assertion."

AND HOW!

"Vacation plans don't bother me," Said William Henry Penn; "My wife decides where I shall go, And my employer when."

Municipal Topics

Salvaging Lives

Picture a city of 21,000 people, the inhabitants, as in all cities, ranging from infants in arms, boys and girls of school and adolescent ages, to mature men and women and the very old.

Imagine the problems of such a city multiplied by the fact every one of the inhabitants, without exception, has some special need. Many of the children are bereft of parents. Another large group mentally ill and unable to care for themselves. Nearly all in pressing need of medical attention and physical rehabilitation. Some never again to be usefully employed except by an arduous process of re-education. Some capable of responding only to the simplest training and all in need of shelter, food and clothing.

William J. Ellis of the State Institutions Department uses such an illustration in summarizing the work of the department he directs. In addition to the institutional population, there are nearly 30,000 aged and more than 30,000 dependent children living in private homes who are assisted through non-institutional agencies.

19 Institutions

The department consists of 19 institutions, including three large mental hospitals, four others for the mentally deficient, six for adult offenders, two homes and training schools for juvenile delinquents, a village for epileptics, a tuberculosis sanatorium, and two soldiers' homes. There are two more agencies that do not maintain institutions, the Board of Children's Guardians, caring for dependent children, and the Commission for the Blind. The department likewise has a division of Old Age Assistance which, through county welfare boards, aids in the support of persons over 65 years old and otherwise qualified, who cannot maintain themselves.

The mere size of the institutional populations creates formidable prob-

lems of housekeeping, food and general welfare. Many of the patients cannot take care of the simplest needs for themselves. All of them must be carefully supervised every minute of the day and night.

"While institutional budgets represent a large sum of money in the aggregate, it must be remembered expenditures for maintaining an average patient or inmate are extremely low," states the commissioner. "To feed a ward in an institution may cost as low as 23 cents a day, with seven cents represented by farm products which the inmate helps to grow. To clothe a patient may entail an expenditure of only \$10 or \$12 a year.

"From its inception, the work of the department has rested on the two-fold foundation of the prevention of social ills and the rehabilitation, where possible, of individuals placed in institutions.

"There are the mental hygiene clinics operated in the community by our three mental hospitals, forming

the first point of attack and designed to deal with mental maladjustments of children and adults. The cause of mental disease may be minor, such as a social or family situation, magnified out of all proportion to the real significance. In the case of a child it may be a school situation which a little patience, common sense or guidance can correct.

"The Juvenile Situation
"Cooperation by the department with schools, juvenile courts and other agencies in studying the cases of juvenile delinquency is another aspect of prevention. By concentrating upon understanding help to children in behavior difficulties a large measure of adult crime can be eliminated.

"Closely related to the prevention work is the rehabilitation of patients and inmates of the institutions. The cornerstone of the reconditioning process is the classification system. Classification strives to examine each inmate or patient and to mark his potentialities for physical, mental and social rehabilitation, and to prescribe a course of treatment or training making the most of the individual's assets. Within each classification there is a future separation of types and groups.

"So in the final analysis, institutions are but the extended arm of the community. Institutions were once looked upon as unrelated to the community, places for vengeful punishment or negligent segregation. Today they are specialized commun-

NEW JERSEY WINS NATIONAL HONOR

State Highway Commissioner E. Donald Sterner's programs of center island construction and highway lighting made substantial contributions toward the selection of New Jersey as grand prize winner in the traffic contest conducted last year by the National Safety Council, according to Lloyd A. Blanchard, eastern representative of the council.

AGENTS TO MEET

CURB PROJECT IS CONSIDERED HERE

Riverton Borough Council to Formulate Plans at Special Meeting

The matter of curb installation on certain Riverton streets was discussed at considerable length when Riverton Borough Council convened last Thursday evening.

Councilman J. W. Sylvester, chairman of the highway committee presented certain data regarding a W.P.A. project to do this work, but it was unanimously decided not to enter into an agreement with W.P.A.

Walter Carson, borough attorney outlined the procedure necessary to inaugurate a project of this nature that will be conducted by the borough and a special meeting will be held on Monday evening, April 24, to consider the matter of a proposed curb ordinance.

Sections to Be Considered

At this time a report will be rendered by the highway committee in respect to the streets where new curbs will be constructed. This will tie in with the street paving program, since it has been a policy that pavement will not be laid down on thoroughfares where no curbs have been installed.

If the proposed project is adopted, the cost of the improvement will be assessed against the various property owners that will be benefited, a method that has been followed in other work of a similar nature.

Plumbing Fees

Councilman Earl Shrader, chairman of the special committee that is making an investigation of plumbing registration and job permit fees, stated that his group has been actively engaged in assembling information regarding this subject, but could only report "progress" at the present time.

The report of the borough auditor, William Welcker, was read. This contained the usual commendation for the manner in which the borough affairs were conducted, together with certain recommendations of a minor nature.

Celebrates Her 90th Birthday

A very delightful open house was enjoyed on Monday last at the home of Mr. and Mrs. L. E. Carpenter on Eighth street, Riverton, in celebration of the ninetieth birthday of Mrs. Carpenter's mother, Mrs. J. N. Menefee, who was born in Stanford, Kentucky, but who now makes her home among her eight children who are widely scattered geographically.

Mrs. Menefee has spent over a year and a half with her, two sons, J. T. Menefee, of Louisville, Kentucky, and George G. Menefee, of Birmingham, Alabama; two grandsons, Jack Carpenter and Samuel W. Menefee, Jr., and a great grandson, Samuel W. Menefee, 3rd, all of Riverton.

TRUCK SPEEDING

Chief William Gootee, of the Riverton police announces numerous complaints have been received regarding speeding on the part of delivery truck drivers.

The chief warns that the operators of such vehicles must stop this practice immediately or be prepared to face the consequences.

THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

50th Year No. 16

RIVERTON—PALMYRA, N. J., THURSDAY, APRIL 20, 1939

PRICE FIVE CENTS

FIRE APPARATUS OUT OF TOWN

At the meeting of the Riverton Borough Council held last week, Councilman Robert W. Knight stated that in the event of a fire in an outside community he felt that one piece of apparatus should be kept here in the event that another fire should break out locally.

He pointed out that last week at the McKim fire every piece of apparatus from Riverton, Palmyra and Cinnaminson was at the blaze.

The matter will be considered by the fire and water committee of council in conjunction with the Riverton Fire Company.

LOCAL YOUTH WEEK PROGRAM

Mayor John F. Ward, Palmyra, Heads Committee Here; Starts May 7th

The week of May 7th to 14th will be observed nationally as Youth Week and a full week of activities is promised by Mayor John F. Ward, chairman of the local committee arranging the program. The support of every person interested in youth is asked to make this year's observance of unusual interest.

On Sunday, May 7th, a conference of young people from all the churches will be held featured by music, address and a discussion. On Tuesday, the 9th, at 4:15 p.m., Charles A. Shugars and the Broadway Theatre will act as hosts to all children under 12 years of age at a special matinee free to the children of Palmyra and Riverton. Mr. Shugars has arranged a fine show including the feature "Borderland" starring William Boyd.

Thursday evening the Phalanx Group will sponsor a Hobby Show and a Hobby Lobby in the high school gymnasium. After the show an interesting entertainment is being prepared by Phalanx. Contact Earl Whitcraft about your hobby. Help these men to put on a worthwhile exhibit.

Paul R. Jones, supervisor of schools, and members of his faculty will conduct vocational guidance forums in the high school each day during the week. Men and women experienced in this important service will address the classes.

Student Officials

Students elected from the high school will hold all the offices of local government for the day on Saturday, the 13th. James Hughes, instructor of classes in government and sociology, has made this the climax of a project in connection with his classes. Groups of his students attend each regular meeting of the Palmyra Borough Council as part of their classwork. Members of the governing body in Palmyra address the students on functions of government and lead informal discussions on present day problems.

Mr. Hughes reports keen competition for places on the tickets of the two political parties, American Youth and the United Party. Campaign posters will appear this week, followed by the presentation of candidates in assembly. Soap boxes are provided for political speeches and press conferences will be held. The ballots include the platforms of the parties.

On May 13th the students elected will be inducted into office and will proceed to organize, announce their plans and reforms for our community. The meeting will be followed by a tour of inspection of the town.

In addition to the above features it is planned to have an amateur night, music appreciation hour, a "mutt" parade, and trips to the Navy Yard and the Franklin Institute.

Remember the dates and watch this paper for other announcements.

HOUSE BREAKERS COME TO TOWN

Gang Active in Cinnaminson and Riverton Early Saturday Night

The early evening, Jimmy the window house breakers who have been active in these parts of late, with recent breaks in Delanco to their discredit, struck last Saturday night in Riverton and Cinnaminson, entering two homes in each community and attempting a third robbery in Riverton.

Police believe that each incident occurred before 9 o'clock. All homes were unoccupied at the time and no lights were left burning.

Reports to Police

The first theft in Riverton was discovered by Otto P. Becker, 306 Midway, who notified Riverton police at 9:15. Police, upon investigating, found that entrance had been gained by prying up a rear window.

Mr. Becker stated that valuable jewelry had been taken, together with six dollars in cash. The second attempt was reported by Richard M. Woodward, 303 Midway, who found that the marauders had attempted to get into his home by the same methods. The attempt was frustrated, however, when a flower pot prevented the would-be robbers from getting the window open sufficiently to gain entrance.

Third Discovered

The third break was discovered at the home of W. T. Walker, 707 Thomas avenue. The family happened to be out of town and did not return until Tuesday of this week. The gang evidently spent considerable time at this location since a number of rooms were ransacked. The loss has not been entirely determined at present.

Those who committed the breaks evidently worked with quickness and despatch, since none of those residing in the vicinity noted anything out of the ordinary during the period in which the crimes were evidently committed.

In Cinnaminson

Either shortly before or shortly after the Riverton episodes, the same group invaded the home of Grover F. Fox, 303 Cleveland avenue, Cinnaminson.

Mr. Fox discovered the break-up on returning home shortly after 9:45. He immediately notified Chief George Dorworth, of Cinnaminson, who found that entrance had been made via the back door, a skeleton key being employed.

All the rooms were ransacked but the thieves apparently took only about \$3.00 in cash together with some small change.

Biggest Loss

The greatest loss in the series was sustained by Clarence Cole, of Cuthbert road. Entrance to this residence was by the same method as at the Fox home. Here forty dollars was taken together with jewelry amounting to about \$125. The marauders went through all parts of the house in an intensive search for valuables.

No Fingerprints

New Jersey State police were called into the case by the police department of both communities, but a thorough investigation failed to reveal fingerprints in any of the houses entered.

This and other factors led officials to believe that the breaks were the work of an experienced gang of criminals who employed a car to get to the scene and make a rapid departure.

NEW RESIDENCE

A building permit has been granted to Jacob Strohm for the erection of a residence on the lot located at the northwest corner of Linden

INSURANCE MEN WILL MEET HERE

The Burlington County Association of Insurance Agents will meet at the Riverton Country Club on Friday evening, April 21, at 6:30 p.m. H. Donald Sterner, president and William F. O'Brien, secretary and treasurer of the New Jersey Association of Underwriters will be guest speakers, while the principal speaker will be Laurence J. Ackerman, Professor of Insurance, University of Newark.

Walter D. Lamon, president, will preside and Arthur N. Cutler, secretary and treasurer, will be in charge of the arrangements.

INCUBATOR DRIVE HAS GOOD START

Contributions Asked for Worthy Cause: Sponsored by County P.T.A.

The Infant Incubator Campaign sponsored by the Burlington County Council of Parents and Teachers has only just begun, but, according to those in charge, the response has already been generous and enthusiastic. A substantial number of local Parent-Teacher associations are planning benefits for the fund, and several county organizations have announced their readiness to make contributions. The drive will be short and intensive, and this prompt response to its announcement is particularly gratifying and an omen of brilliant success.

The survey which preceded the opening of the drive disclosed the appalling fact that an average of more than a score of babies died annually in our two county hospitals due to a lack of proper emergency equipment. In some instances the need of a modern infant incubator was clearly indicated; in other cases, the tiny lives could almost certainly have been saved by the prompt use of a resuscitator. This latter development is also dramatically helpful in cases of near-drowning and asphyxiation.

Add to Security

The committee feels that these two very essential pieces of equipment in the hands of the splendidly efficient hospital staffs will add immeasurably to the sense of security of every family in the county—and if everyone able to donate any amount, however small, will make that contribution promptly, the dream of saving the lives which have been sacrificed to their lack can become an immediate reality.

Everyone is asked to join this drive. School children with their pennies, substantial citizens with their more substantial gifts, and every organization of every size and kind in the county. Checks should be made payable to the Burlington County Council of Parents and Teachers, and sent to Mrs. Winfield Crossley, 231 Camden avenue, Moorestown.

Loose Manhole Cover Hazardous

A peculiar accident happened on Broad street, near Cinnaminson, Riverton, early Tuesday afternoon of this week when a loose manhole cover caused damage to the chassis of a local ice dealer's truck. The cover flipped backward as the front wheels of the truck passed over it and the heavy iron object dented the framework of the body. Highway employees were quickly summoned to the scene and anchored the cover down to prevent a similar occurrence.

The dwelling, which will be of brick veneer construction is estimated to cost \$7,500.

NEWCOMB GIVES FAIRVIEW REPORT

106 Admissions During Year at Sanatorium; 69 Were Discharged in 1938

The report of activities at Fairview Sanatorium was submitted to the Burlington County Board of Freeholders last week by Marcus W. Newcomb, superintendent and medical director of the institution.

Excerpts from the report follow: During the year, there were 106 admissions, 69 discharges, and 30 deaths. Of the admissions, 67 were far advanced, 4 minimal, 17 moderately advanced, 12 for observation, 1 silicosis, 2 pulmonary abscess, 1 laryngeal tuberculosis, 1 emphysema, and 1 asthma.

Of the discharges, 3 were arrested, 4 apparently arrested, 7 quiescent, 25 improved, 4 non-tuberculous, 21 unimproved, 1 inactive tuberculosis, 2 juvenile type improved, 1 cancer, and 1 healed pulmonary abscess.

Deaths Fewer

We have had 4 less deaths than in 1937. When you consider that all of our admissions were advanced cases, excepting four, and that several of the patients who died were in the institution less than twelve hours, we consider this death rate very low.

The daily average number of patients for the year was 107.04. Our daily average for Burlington County patients was 68.87. The total number of Burlington county patient days was 25,140; the total number of patient days was 39,071. There is a slight increase, over last year, in the total number of Burlington County patients and outside patients.

Financial Report

In presenting our financial report, I desire to call your attention to the fact that we have stayed within our appropriation and have a balance of \$30.09. I also want to call to your attention that we promised \$66,000.00 in anticipated revenue and we have (continued on page 3)

Local Residents On Jury Lists

Six people from this section were drawn for the Grand Jury last week by Sheriff F. George Furth and Jury Commissioner F. H. Reed. The list includes Mayor John F. Ward, of Palmyra.

Ten local residents were also chosen for the Petit Jury. Those chosen from this vicinity follow.

Grand Jury

Eugene Bush, grocer, Palmyra. Lester S. Fortnum, merchant, Delran.

Lester Steele, nurseryman, Cinnaminson. Harry Barry, postmaster, Palmyra. John F. Ward, banker, Palmyra. Walter L. Bowen, publisher, Riverton.

Petit Jury

Louise H. Dunn, housewife, Palmyra. Elizabeth Friday, housewife, Cinnaminson. Robert Mullings, Sr., plumber, Riverton. Jay E. Lenker, salesman, Palmyra. Kathryn M. Mervine, housewife, Palmyra. Sarah Rivel, housewife, Palmyra. Julia E. Rue, housewife, Riverton. Jennie Sandoz, housewife, Palmyra. Evelyn Weart, housewife, Palmyra. Lillian Zeugner, housewife, Palmyra.

EDUCATOR NEW ROTARY MEMBER

Paul R. Jones Inducted into Local Club; Sykes Talks on Life Insurance

Life Insurance is the banding together of intelligent men for collective security, said Frank H. Sykes, vice president of the Fidelity Mutual Life Insurance Company, to Palmyra-Riverton Rotarians at their Thursday night meeting.

Mr. Sykes, who is also prominent in civic activities and for two terms acted as president of the governing commission of Lower Merion Township, his home, gave a talk on Life Insurance which was the highlight of an unusually interesting evening.

Life Insurance

Jones News Member

Included in the program was the welcoming of another new member, Paul R. Jones, supervising principal of the Palmyra Schools. Mr. Jones was inducted by Carl H. Thomas. A distinguished guest, President Samuel T. J. Bennett of the Philadelphia Rotary Club was introduced by Robert G. Adams; they were fellow travelers to the last Rotary International Convention at San Francisco. Mr. Bennett spoke briefly about the trip, and Mr. Adams' contribution to its success.

Mr. Sykes went rather fully into the background of life insurance and stressed its service, its financial backing and its amazing growth. Beginning with the idea of collective security, gained by the mutual co-operation of persons of all kinds of occupations, needs, and chances of death and disability, he pointed out the tremendous capital of over twenty-four and a half billion dollars which such union of interests has built up. Last year there was distributed to beneficiaries of individuals who had died almost one billion dollars, and well over a billion went to living policy holders.

Insurance Laws

Mr. Sykes emphasized the strict regulations that control the operation of all life insurance companies. He pointed out, for instance, that

P.T.A. SUPPER

A Spring Supper will be given by the Cinnaminson P.T.A. at the Cinnaminson School next Thursday, April 27th, from 5 to 8 o'clock. Tickets are 50 cents each. There will be dancing in the auditorium following the supper.

GAS PUMPS GONE

Upon order from the Riverton Borough Council, the gas pumps located in front of the unused garage at Broad and Howard streets, Riverton, have been removed from their former location on the sidewalk. The concrete base that remains will also be taken away.

each state has its own code of insurance laws under which a company must be licensed if it wishes to do business in that state, and to every State Insurance Department it must make an elaborate report annually. There is a thorough examination every three years by several state authorities.

It includes all the books of the company and may be of several months duration, at the company's expense. Legitimate life insurance companies, however, in Mr. Sykes' opinion, need have no fear of requirements, however stringent, provided they are within the bounds of common sense.

Beats Depression

Perhaps the outstanding contribution of life insurance has been its ability to stand up under the blows of the recent severe economic depression. Where banks, and building and loan associations failed by the hundreds, the total loss to life insurance companies was only 8/10 of 1%. This remarkable record Mr. Sykes attributes to the sound policies under which life insurance companies operate.

In conclusion Mr. Sykes mentioned that only about 6% of the average income goes into life insurance savings. In a rich country such as ours this means that the surface has not even been scratched and that much more can be done. Even so, life insurance in the United States exceeds that in all the other countries of the world combined. It stands as a monument to American thrift and to the agency system.

"TOVARICH"

Rehearsals for the comedy play, "Tovarich," to be presented by Footlight Players at Palmyra High School May 12 and 13, are progressing favorably.

This presentation, sponsored by Delran Yacht Club, promises to be an outstanding entertainment and social event.

Tickets are 50 cents and usable either night.

ORDINANCE

An Ordinance to prevent nuisances and to prevent promiscuous distribution of circulars, and hand bills and other purposes:

Sec. 1.—Be it Ordained by the Council of the Borough of Riverton, N.J., that it shall be unlawful to distribute cast or place or cause to be distributed cast or place or on any of the sidewalks or footways or public places of the Borough of Riverton, or upon any porch of any store, dwelling house or other building, within the limits of said Borough, any paper, circular, advertisement, hand bill, waste paper or rubbish provided that nothing herein contained shall be held to prohibit the regular distribution of legal newspapers, magazines or matter delivered through the United States Mail.

Sec. 2.—Any person or persons violating any of the provisions of section one of this Ordinance shall on conviction thereof be fined and pay a sum not in excess of Ten Dollars for each and every offense, or imprisonment in the County Jail for not more than Ten days, or both.

Sec. 3.—Be it further Ordained that all Ordinances and parts of Ordinances inconsistent herewith, be and the same are hereby repealed and this Ordinance shall take effect immediately upon the publication.

I hereby certify the foregoing Ordinance to be a true copy of an Ordinance passed at the regular meeting of the Council held on Thursday evening, April 13, 1939, and hearing on said Ordinance will be held in the Council Chamber of the Riverton Fire House on Thursday evening, May 11, 1939, at 8 p.m. D.S.T.

DANIEL M. CLIFTON, Borough Clerk.

Dated April 13, 1939.
21-4-20 to 4-27-39.

Automatic Heat DOES NOT MEAN COSTLY FUELS!

When you install a Fairbanks-Morse Automatic Coal Burner, your fuel bills can be reduced. And they stay down—year after year. Here is the only type of automatic heat that can cost less than hand firing. Let us prove it to you. Phone us now.

Fairbanks-Morse Automatic Coal Burner

No coal shoveling—NONE. NO DUST, installed in a few hours. No extras to buy. Slips into the furnace you now have. Gets more heat out of cheaper grades of coal. Investigate!

NEWCOMB GIVES FAIRVIEW REPORT

(continued from page 1)

turned in to the county treasurer \$612.99 more than we had promised. Our total per capita cost to the taxpayers is lower than last year. Considering the number of permanent improvements that have been made, I consider this a very satisfactory report.

Spent for maintenance	\$105,230.63
Received from patients	44,035.49
Received from State	22,577.50
Paid county treasurer	66,612.99
Cost to taxpayers	38,617.64
No. of meals served	151,815
No. of patient days	39,071
No. Burl. Co. patient days	25,140
Average patient days	107.04
Avg. Burl. Co. patient days	68.87

We have had many gifts and donations from individuals and organizations. A number of entertainments have been given by groups from our County which were greatly enjoyed and appreciated by our patients. These gifts and entertainments make the patients' stay in the Sanatorium much more pleasant. I wish to take this opportunity to thank each and everyone for this kindness.

Appreciation

I want to thank our Business Manager, Mr. William H. Reeves, for his efficient help and fine co-operation in running the Institution. Our relations have been very pleasant throughout the year.

Our resident physician, Dr. Charles Gruenwald, has done excellent work. I want to acknowledge my appreciation of his loyalty and his interest in the welfare of the patients and the Sanatorium.

To our supervisor of nurses, Miss Mary E. Boyer, I wish to express my deep gratitude for the assistance she has rendered me during the year.

Our dietetics department has been very ably managed by our dietitian, Miss Mary Wilson. There has been a decided improvement in our meals under her supervision.

I want to pay tribute to our Nursing Staff as a whole. Oftentimes, the floor nurse receives very little praise or commendation for her work. All of our nurses work very hard and often under most trying cir-

ABOUT THE COUNTY

A new dyeing and finishing plant for cotton textiles will be erected in Mt. Holly in the near future. The enterprise is being sponsored by a group of business men in that community.

Plans for participating in the dedicating of the new Bordentown post office were formulated last week at a dinner meeting of the Burlington County Postmasters' Association, held at the Crescent Inn, on the South Pemberton road.

During the month of March, the Burlington County Hospital was filled to capacity with patients, according to an announcement made this week. A daily average of 100 patients was under treatment at the hospital.

The annual Spring Flower Show of the Garden Club of Moorestown is scheduled this year for May 9, and as usual will be held in the Moorestown Community House.

Approval by President Roosevelt has been given a W.P.A. project to

circumstances; but they perform their duties efficiently and cheerfully. We have a great many very sick patients, but each one receives excellent care and attention. I want to compliment the staff and thank them for their good work.

The office has run smoothly and efficiently under Miss Danley and Miss Mancini. Our laboratory work is in charge of our new technician, Mrs. Lucy Atkinson, who is doing excellent work.

I want to thank all other employees for their good work and co-operation during the past year. We feel that we have a very good corps of workers.

I want to compliment the patients for the manner in which they have taken the cure. At best it is a tedious matter, but a cheerful attitude not only helps their own cure but encourages their fellow patients.

I wish to thank you, the Board of Chosen Freeholders, and you, the Board of Managers, for your interest and help. With your continued cooperation and support, I am sure we shall be able to reduce the death rate and the number of tuberculosis cases in our county.

DON'T GAMBLE

when you buy Nursery Stock

When you buy evergreens and shrubs from a "fly-by-night," you not only take a long gamble on "growing losses" but also risk delay in improving your property when his "cull" stock fails to grow.

So buy from your community nurseryman who is a member of the New Jersey Association of Nurserymen and who guarantees your complete satisfaction with his nursery-grown stock and planting service.

Your local nurseryman is a responsible member of your community. He is a specialist in horticulture, in landscaping, in nursery stock handling and re-planting. His stock is large and grown in the same type of soil to which you will transplant it. Obviously he is an expert on the types of nursery stock that will thrive in your community.

Whether your landscaping problems are in terms of square feet or acres, you'll get a better deal and far better service by letting a New Jersey nurseryman serve you. Remember his nursery receives State Department of Agriculture inspection.

Buy from your community nurseryman displaying this emblem. He guarantees your complete satisfaction, with his nursery-grown stock and planting service.

CHORUS SINGERS
FROM WIDE AREA

The singers who compose the Festival Chorus of Burlington County represent a wide area, coming from Mt. Holly, Moorestown, Columbus, Burlington, Delanco, Riverside, Riverton, Palmyra, Pennsauken and Glenside, Pa.

The musicians who will accompany the group are from Burlington, Moorestown, Riverton and Palmyra. In the opinion of many, a chorus chosen from so many towns must truly be inspired to sing. The program they are presenting proves that. Musicians and laymen alike will understand when they attend the Festival to be given Monday, May 1, and Tuesday, May 2, at the Epworth Methodist Episcopal Church in Palmyra. No distance is too great to travel and no hour too long to practice for the truly great lovers of music who make up the Festival Choral group.

While emphasis has been placed on ensemble work, the concert will offer two soloists, Alice Kreder, soprano and Beatrice Collin, a contralto, in songs by Wagner and Brahms. Mrs. Kreder, Edward Hoyt, tenor, and Eric Warnick, baritone, will sing the trio from Act 5 of "Faust" by Gounod, followed by a short but impressive finale for semi-chorus. Eric Warnick will conduct and Spencer Atkinson will be guest conductor.

Nine-tenths of the continent of Australia is desert.

Church today (Thursday) starting at 10.30 a.m.

Mrs. John Goodwin, of Thomas avenue, was the winner in the April 12 drawing of the Sacred Heart Miscellaneous Club.

Horace P. Asay, Sr., of Parry avenue, and daughter Mary and son Robert, have moved to the property at 201 Seventh street, together with Mr. Asay's sons, Thomas and Hardy, who formerly lived in the Mansfield apartments.

F. Wilhelm Sollman, noted lecturer, will speak on "The Social and Religious Conditions of Present Day Germany" on Sunday, April 23, at the Westfield Friends School. The lecture will begin at 7 p.m. The public is cordially invited.

The Sacred Heart P.T.A. will hold its regular food sale on Thursday, April 27, at the school. Watch for more details.

Among those registered at the Chalfonte - Haddon Hall recently were Mr. and Mrs. Eugene A. Zieher, Mr. and Mrs. Arthur L. Richie and Mr. and Mrs. V. Ritschard, all of Riverton.

The Girls Friendly Society will hold a rummage sale on Thursday, May 4. Donations for the sale may be left at Smith's Store, Main street.

HART-SENSEMAN

Raul B. Hart, of 216 Garfield avenue, Palmyra, and Mrs. Laura P. Senseman, of Margate City, were married in the West Philadelphia Presbyterian Church last Wednesday, April 12.

Mrs. Senseman is the widow of Dr. Theodore Senseman, a well-known physician at the Atlantic City Hospital, who died four years ago.

Mr. Hart formerly lived in Pennington, but has been a resident of Palmyra for the past year. He is a graduate of Lafayette College, and Mrs. Hart is a graduate of Ogontz School and formerly of Jenkintown, Pa.

Mr. and Mrs. Hart will make their home in Margate City.

TRACK MEET HERE
THIS SATURDAY

Due to a last-minute change in plans, the track meet with Millville slated for Saturday afternoon, at Millville, will be held in Palmyra, starting at 1 o'clock.

A large crowd is expected to attend the affair.

LIGHTING ON ROUTE 25

State Highway Commissioner E. Donald Sterner recently renewed an agreement with the City of Burlington to share the cost of safety lighting at intersections of Routes 25 and S-25.

Route 25 has 24 600-candle power lights at crossings, and Route S-25 has 4 600-candle power lights.

In Houlton, Me., a farm home went up in flames. So did \$450 in the owner's trousers. There's one fellow who wishes his wife had raided his pockets.—Boston Transcript.

BUDGET CERTIFICATION

Township of Cinnaminson

1. Walter R. Darby, Commissioner of Local Government, have this twenty-eighth day of February, 1939, under the provisions of section 40-2.33 of the Revised Statutes, refused to approve the attached budget of the Township of Cinnaminson, County of Burlington, for the following reasons:

1. Item of revenue overrated.
2. Item of appropriation omitted and item of appropriation understated.
3. Amount to be raised by taxation understated in the amount of \$14,810.96.
N. D. DORSETT, Field Supervisor
for Walter R. Darby
Commissioner of Local Government
STATEMENT OF TOWNSHIP COMMITTEE

Whereas the estimated tax rate of the Township of Cinnaminson for the year 1939 is \$3.84 it is caused by about \$5,000.00 increase in the County taxes over last year, and about \$3,400.00 increase over last year for Local School Purpose. Also an increase of about \$2,000.00 over last year for Relief. The above rate of \$3.84 is an increase of about 40c over last year.

MILLVILLE TRACK MEET
Coach Melvin Kreps' Palmyra High track team make a trek to Millville on Saturday afternoon of this week to engage in a dual meet with the high school of that community.

On Wednesday of next week the locals meet Glassboro High, at Glassboro.

Geauga, the name of a county in Ohio, is an Indian name meaning "Raccoon".

ENGAGEMENTS FOR
SCHOOL TOSSERS

Weather permitting, the Palmyra High School's baseball tossers will engage Burlington High on the Palmyra Recreation Park asfield, this (Thursday) afternoon, at 3.30 o'clock.

On Friday, the locals journey to Camden for an engagement with Camden Catholic.

Merchantville comes to town on Tuesday afternoon of next week for the first of a two game series. This, together with the Burlington fracas, are Group 3 league tilts.

First Practice
Held Saturday

Despite unfavorable weather conditions, there were fifteen candidates for the Riverton A. A. ball team present at the initial practice session held last Saturday afternoon, at Memorial Park.

Manager Charles Sims, assisted by Leonard R. Baker put the squad through an intensive drill in fundamentals and, from all accounts, the workout proved to be especially valuable.

Another practice will be held at the park on Saturday afternoon of this week and Manager Sims again urges the attendance of all those who may be interested in trying out for the team.

The league committee held a meeting on Monday night of this week and further plans were made for the coming season, including the purchase of necessary equipment and uniforms.
Riverton Borough Council has already granted permission for use of the park on Saturday afternoons throughout the season and will maintain the playing surface in excellent condition.

CRUSHER CASEY
MEETS TOM RAE

Steve (Crusher) Casey, Ireland's famous grappling son and claimant to the world's championship, will put his title claim at stake Thursday night in the Camden Armory when he clashes with Tommy Rae, fleet footed Bostonian, in the feature bout marked down for two out of three falls, with a 90 minute time limit.

This bout, should provide the fans who like orthodox wrestling, in preference to the dirty tactics used by villains of the mat, with one of the most interesting scraps staged in some time. Both are known never to overstep the rules and regulations of the game and as the result it should be interesting to watch these behemoths maneuver each other in different holds. Each have an advantage over the other. The Irishman will hold weight and height over Rae as well as strength, while the Boston grappler is fast and possesses the knowledge of the game, that very few catch-as-catch-can artists can boast.

Rough and Tough

And for fans who like their sport served to them in a rough and tough manner, there's the special bout which brings together Bob Managoff, sensational Armenian from Chicago and Cliff Olsen, dynamic Swede from Minnesota, who are to settle their difficulties in a one hour match, with one fall to determine the winner. Managoff's recent victories over Ernie Dusek scored in two successive weeks, makes him a top favorite in this battle.
Still another tough hombre is Stanley Pinto, of Nebraska, and the game's foremost forearm artist, who will make his return bow when he takes on Len Macaluso, of Colgate, in the third 30 minute scrap. Nick Campofreda comes back for another try at a victory when he meets Jake Patterson, of Syracuse, while Pate Balran, of Lithuania, meets George Lenihan in the curtain raiser.

Country Club
Notes

Clark Wins

The men's bowling team captained by J. D. Clark won the winter tournament with the entries of Bon-sall, Hagstox and Bartley tied for second place.

No date has been set for the championship playoff between Clark's team and the first half winners, the Jamison bowlers.

P. G. A. Meeting

Nearly fifty members of the Pennsylvania Section P. G. A. convened at the local club on Monday of this week.
Tom Frazer and Charles Arena won the golf tournament, a best ball affair, with a score of 69.

Golf Program

Golf activities at the club open on Saturday, May 6, with a full program having been arranged for Stag Day.

May events are as follows:
Saturday, May 6—"Stag Day."
Wednesday, May 10—Suburban Cup Match. Riverton vs. Woodbury.

Saturday, May 13—Walter H. Lippincott Trophy. Qualifying round handicap medal play. 16 low net scores qualify. (Handicap Match Play) Three-quarter difference in handicap.

Wednesday, May 17—Suburban Cup Match. Riverton vs. Pennsylvania 1st.

Saturday, May 20, or Sunday, May 21 (Either Day)—Match play vs. par. Three-quarter of handicap (best 18 holes to govern). First round of Lippincott trophy.

Wednesday, May 24—Suburban Cup Match. Riverton vs. North Hills 1st.

Thursday, May 25—South Jersey Amateur.

Saturday, May 27—Merchandise tournament. Second round of Lippincott trophy.

Sunday afternoon, May 28—Costume tournament. Two ball mixed foursome.

Tuesday, May 30—Flag tournament. Par plus handicap.

Saturday, June 3—Four ball match play. Best ball of partners vs. par. (One-half combined handicap). Semifinal Lippincott trophy.

The schedule for the first half is being prepared by Walter J. Schopp and will be released in the near future. The first games are slated for the second Monday in May.

CAMERA CLUB
MEETS APRIL 26

The Burlington County Camera Club will hold their next meeting at Hullings Store, 202 Broad street, Riverton, on Wednesday, April 26, at 8 p.m.

W. H. Rhawn of Beverly, will talk on the subject, "How to Make a Print." He will also answer questions on the difficulties you encounter while making your pictures. After Mr. Rhawn's talk we will have judging of prints and general discussion. Everyone is invited.

YWCA NOTES

Recognition Ceremonial Planned

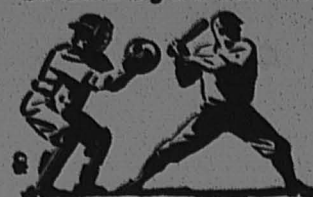

A recognition ceremonial for new members of Girl Reserve clubs in the Riverbank Council will be held in the Robert Stacy Junior High School, Burlington, May 3. The ceremonial is being sponsored by the Burlington City Y.W.C.A. board, and the program is being planned by Lillian Butler and Frances Dunigan, of the Beverly Reserves.

Clubs which will take part in the ceremonial, and their advisers, are: Burlington, Miss Mary Jane Jones, adviser, and William Allen, Burlington, Miss Edith Christianson, adviser; Beverly, Mrs. E. B. Morrill, adviser; Riverside, Miss Marion Gubany, adviser, Springdale, Miss Mildred Griscom, adviser; Columbus 1, Miss Alva Ridgway, adviser; Columbus 2, Mrs. A. B. Pencock, adviser; Burlington, Miss Ann Sutton, adviser; Stevens Station, Mrs. Joseph Snyder, adviser; East Riverton, Miss Ernestine Robinson, adviser; and Willingboro, Mrs. Earle Sever, Mrs. Lynton Bell and Mrs. Elwood Wurster, advisers.

So you don't pay any taxes? Why do you suppose your landlord added \$10 to your rent when his taxes went up?—St. Louis Star-Times.

SPORTS JOTTINGS

The group of citizens from Riverton and Palmyra who have organized the Riverton A.A. deserve a considerable amount of commendation for their efforts toward putting a hardball team on the field at Memorial Park this season. It is to be hoped that local fans will show their appreciation by turning out in goodly numbers at the games.

Manager Bill Anderson, Broadway mentor announces that he has signed Joe Yearly, former Athletics star, as a member of the Movie cast for the coming softball season.

Richard Payne, manager of the new league entry, the Cubs, reports that he will have a hustling cast of youngsters that will give the other teams plenty of trouble before the season is over.

Bob Applegate, one of the mainstays of the Athletics pitching staff last season has been seriously ill for some time and will be unable to play ball this year. His absence will prove a serious drawback to the Fighting Farmers.

Every one but the weather man appears to be getting enthusiastic about baseball.

ROAD CONDITIONS

Browns Mills-Cookstown Road, New Hanover and Pemberton townships. Bridge closed. Detour Browns Mills to Wrightstown to Cookstown. Chesterfield - Georgetown Road, Chesterfield Township, two and three-tenths miles and Jobstown to Route 39, Springfield township, two miles, under construction with traffic maintained.

Chesterfield-Crosswicks Road culvert being reconstructed one-half mile south of Crosswicks. One way traffic being maintained.

Uniform Examinations

Sponsored by one of the large oil companies, and guided by the American Association of Motor Vehicle Administrators, a study is being made at Yale University regarding uniform standards for the licensing of motor vehicle operators.

As a result of this work, motor vehicle administrators all over the country are, for the first time, getting scientific facts on this subject, facts gathered not from their own states alone, but from the country as a whole.

Later the Yale group will turn over to them suggested uniform licensing standards which can be reviewed and adopted where state laws and conditions make such adoption advisable.

Commissioner A. W. Magee, of New Jersey, says, "The purpose of this study is not to rule drivers off the road or to make it unfairly difficult for them to secure licenses. On the contrary, uniform license standards will benefit all motorists through accident reduction."

The subject of this investigation is one which should interest every driver. In some states there are no established tests at all and, in others, the examinations are of a very sketchy character.

The result of such a situation is that when some of these visitors come to New Jersey they are entirely unfamiliar with our requirements. As a matter of fact, it is entirely probable that they could not pass a New Jersey examination, which, by the way, is not considered to be any too difficult.

If the various states cooperate with one another in this matter, roads all over the country will be much safer to drive upon.

Vicious Propaganda

Last week naval authorities asked Congress to pass a bill which would provide adequate penalties for those persons who are apprehended in the act of distributing pro-Communist and other scurrilous propaganda, in printed form, aboard ships. The offenses usually occurred during visiting days.

While it is not believed that the red circulars would have any demoralizing effect upon the high calibre of men that comprise our excellent navy, the fact remains that foreign agents can, with impunity, distribute their ballyhoo wherever and whenever they choose.

Such legislation should be promptly enacted and the scope should be broadened to include all such acts of this nature, regardless of where they are committed. The penalties, needless to say, should be severe.

The United States is a country of free speech, but when any organization seeks to destroy the government by means of revolutionary dogmas, it is time to call a halt and to do it in a vigorous fashion.

What Other Editors Say

Stalin has opened his campaign against lazy workmen in Russia by sentencing to death the first fellow convicted. The penalty may not be considered so severe. Everybody knows a few fellows who would rather be shot than go to work.—Pittsburgh Headlight.

Some bright young man has just invented a splashless egg-beater. Now that the kitchen has been made livable, why doesn't somebody come through with a splashless automobile tire?—Montreal Star.

Murals may be painted in New York subway stations. It is anticipated all faces will be shown clean-shaven in deference to the people who love to draw mustaches.—Edmonton Journal.

Our nominee for the "Forgotten Man": That sturdy old fashioned chap who used to boast, "I have paid all my debts; I can look 'em all in the eye and say ***."—Manhattan News.

COMMENT

Taxes vs. Employment

The only real solution to the problem of unemployment is employment. Yet, those who profess to be most anxious to solve the unemployment problem continue to attempt to pile more taxes upon industry, and upon the hundreds of thousands of small employers who are the backbone of American employment. The unemployment problem will not be greatly alleviated so long as it is made difficult for an employer to venture into the employment of labor by piling a tax loan upon him for each man he hires.

A summary of the Goodyear Tire and Rubber Company's business for the year 1938 points out that in that year Goodyear paid a total of \$9,317,738 in taxes within the United States. This amount of money was equivalent to \$345 per employee on their United States payroll.—New Jersey Telegram.

"Fish have no means of communication," declares a naturalist. Perhaps that's the reason why they never respond to lines we drop them.—Richmond News Leader.

Under the new trade treaty Germany is to get its petroleum from Rumania. However, Herr Goebbels will continue to supply the banana oil.

Headline: "New Deal Business Aid in Test Tube." Some business men think a test tube is just about the right size.—Boston Transcript.

Members of the German-American Bund pledge "undivided allegiance to the flag." But the moot issue remains—Which flag?—Trenton Times.

MORE FREEDOM FROM HOUSEWORK

...when you have Automatic Hot Water Service

Automatic Hot Water Service by Gas saves time and work in the home. It keeps hot water on tap, day and night, without requiring the slightest attention. You have hot water at the faucet always—for baths, dishes, laundry, cleaning and in time of sickness. There is no waiting for hot water, no running up and down stairs to light the gas or fix a fire. Automatic Hot Water Service by Gas is completely automatic.

Thousands of families in New Jersey have this service at low cost. For example, here is a fair estimate of cost—A family in Bayonne, Hudson County, pays about \$2.66 per month for gas, based on a comparison of actual gas bills before and after an automatic gas water heater was installed. Ask Public Service or your local plumber for an estimate of cost based on your hot water needs.

PUBLIC SERVICE

RIVERTON SCHOOL NOTES

April 11th was a memorable day for the children of the third grade of the Riverton School. This was the day they went by bus to the Academy of Natural Sciences to hear an illustrated talk on spring birds. At the entrance of the Academy Mrs. Law, a guide, met them and took them to the bird lecture room. Here they were shown and told about common birds of this vicinity. They were interested in learning how birds have adapted themselves to their environments. After this instructional talk they were guided to the large bird cases in one of the main rooms of the building. Here they were able to compare the birds of the same family. One case was entirely filled with many kinds of hawks.

Although they had come primarily to see and learn about birds, they were also keenly interested in the animals in their natural habitats. Mrs. Law was very willing to tell them about these animals.

Two enjoyable hours quickly passed by. They said good-bye to their excellent guide. She invited them to come again very soon to see many other interesting things.

ROSES STAGE COMEBACK IN SOUTH JERSEY

By JACQUES L. LEGENDRE

For many years, residents of South Jersey have thought that on account of the sandy soil existing in many sections, roses could not be grown successfully in the average garden. Only the more fortunate could go to the expense of bringing in Pennsylvania loam to make up beds according to specifications.

However, after many experiments in the southern counties of the state, home gardeners are demonstrating that with the average soil, good drainage and proper fertilizers, roses will prosper in the home garden.

Beautiful Garden

A visit to the rose gardens at one of the nurseries located at Riverton only seven miles from Camden will convince even the most skeptical. Groups of 25 each of most of the standard varieties of roses and also many novelties from both American and European growers demonstrate the versatility of all types. The first two weeks in June or late September are suggested for such a visit.

After the discovery of the Japanese beetle in New Jersey, many rose fans gave up the growing of roses. This pest is no longer a threat. Although the beetles continue to be plentiful, they can be suppressed by sprays, parasites and other enemies. Even where beetles are still prevalent in large numbers, roses can be grown and will give full satisfaction because the beetle infestation does not start much before the end of June after the first flush of flowers has passed. The rose bushes hibernate in late summer and when the fall crop of rose blooms appears there are no beetles. In the heavily infested areas, flowers should be removed from the bushes after early July and kept off until early August. This method of treatment will bring back a large crop of flowers in September and October when the beetles are absent.

Planting Time

Regarding the best time to plant roses, there are different opinions on this subject—some advocate in the fall, others in the spring. In the case of spring planting, plant early—that is, if setting out dormant plants. Dormant roses are usually planted during March and early April, but planting may be delayed until May 1. For later planting, potted roses, which can be found at most of the up-to-date nurseries, will give satisfaction.

Regarding varieties, especially for the beginner in rose growing, selections from the standard varieties which are being offered by most nurseries are recommended. A good collection of a dozen varieties might include: Edith Nellie Perkins, Etolle de Hollande, Golden Dawn, Hinrich Gaele, Imperial Potentilla, Mc-

TICKETS FOR WORLD'S FAIR

New York World's Fair tickets, in the special pre-opening souvenir book of tickets combination may be had at the county Y.M.C.A. office. This contains five general admission tickets, usable by anyone, and six feature admission tickets, value \$5.40, sale price \$3.75. The price of single admissions is 75c, and 25c for children up to 14.

Secretary Hendry's supply of these souvenir books of tickets is

Gredy's Scarlet, Mme. Jules Bouche, Mrs. E. P. Thom, Mrs. Sam McGredy, Pres. Hoover, Talisman, and Ville de Paris.

For those seeking worthwhile novelties, Crimson Glory, Mmme. Joseph Perraud, Pink Dawn and R. M. S. Queen Mary are suggested.

limited. No more will be available after the fair opens April 30, except any remaining number of his combination he may happen to have.

There will be Y.M.C.A. service at the fair. It's building is completed. Guide service, both at the fair and in New York City for visitors from a distance will be available, as well as overnight accommodations for groups of boys and young men.

According to Secretary Hendry, interest throughout the county in the fair is evidenced by the fact that he already has filled orders for 50 books of tickets. He does not expect the remaining supply to last long, since it's only a matter of days now till the opening—April 30.

It is said that folk music is still sung by the natives in rural sections no farther than thirty miles from New York City. And it is no doubt a credit to some of the musical hash that goes over big on Broadway.

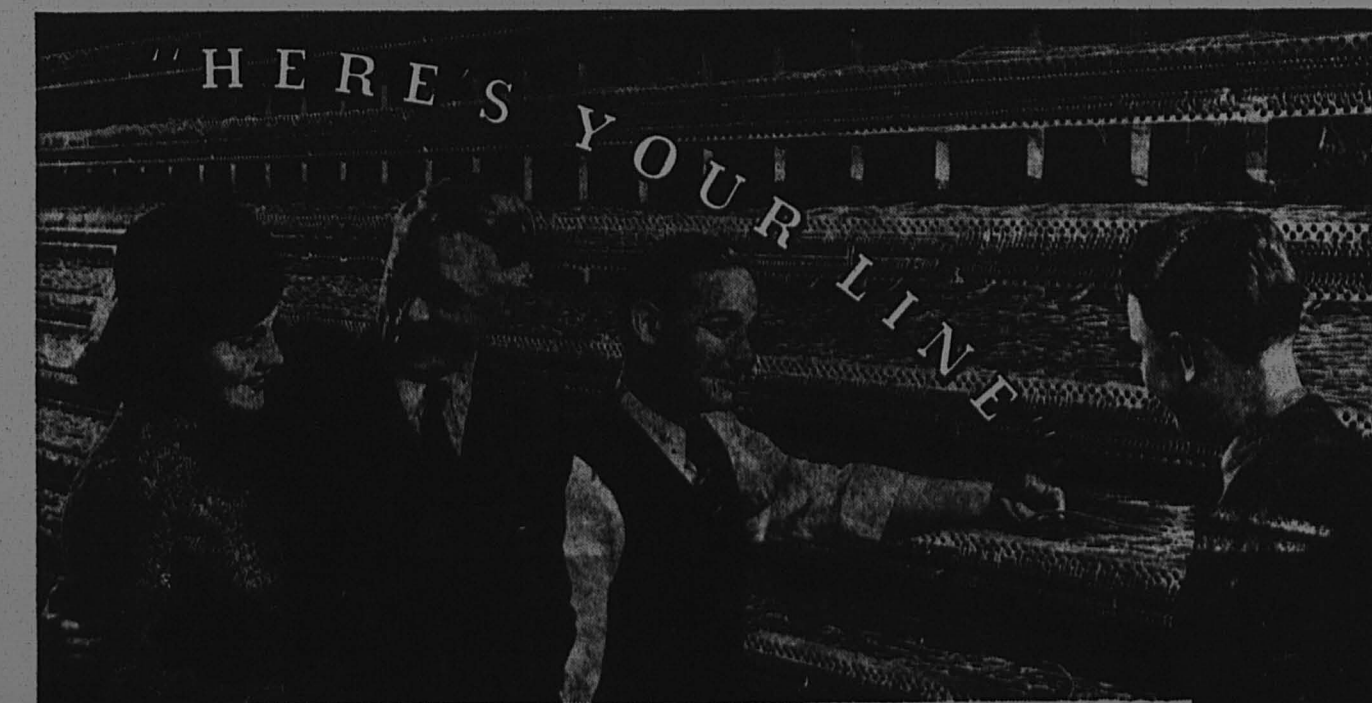

Fashions in Flower Seeds for 1939

Morning Glories Crimson Rambler, Cornell (red with white rim), and the Gold Medal Winner, Scarlett O'Hara, at 25c per packet; Heavenly Blue at 15c per packet. Marigold Burpee's Red and Gold Hybrids at 25 cents per packet. Plant seed of the new Strawberry Red Baron Solemacher. Fruits the same season from seed which may be sown in the flower garden as it does not make runners. Packet 25c.

HENRY A. DREER

Tamarix Summer Glow (\$1.00 each) a new shrub which bears misty masses of red flowers in late autumn.

Open weekdays from 8 a.m. until 5 p.m. and on Sunday (but not for business) from 1 until 5 p.m.

THIS IS TELEPHONE "MAIN STREET"
Every Telephone Line in Town is Here

"Main Street" is a connecting link between the switchboard equipment and the lines to telephones in homes and offices. When you move, take a different class of service, or get a new telephone number, the necessary changing of lines is done here. Last year, nearly 155,000 new telephone connections and 139,000 dis-

connections were made in New Jersey, nearly all requiring changes on central office main frames.

The telephone instrument is only a small part of the plant and equipment that enables you to talk quickly, clearly, cheaply, with almost anyone anywhere, any time

You can talk 10 miles for 15c; 30 miles for 25c, any time in New Jersey (station-to-station rates). Calls of over 50 miles carry reduced rates after 7 week nights and all of Sunday.

STATE SOIL CONSERVATION COMMITTEE ADOPTS SEAL

Pointing out that the week of April 17th is officially designated as Conservation Week, the State Soil Conservation Committee today called upon consumers and taxpayers to recognize that they have as great a stake as farmers in the protection of agricultural soil from erosion and depletion.

"Few of us appreciate what it means to live in what is rightly called the Garden State," said Professor Laurence A. Bevan, chairman of the committee and acting director of Rutgers University's Agricultural Extension Service. "Having a supply of wholesome milk, fruit, vegetables and poultry products right at hand helps to make New Jersey a better place in which to live. But unless we protect the soil upon which all forms of agriculture depend, we cannot expect this happy situation to endure."

The committee's official seal was recently adopted in accordance with the state's 1937 Soil Conservation Act. Designed by Miss Pauline Whitman of New Brunswick, it illustrates the new contour patterns by which farmers are striving to retard the downhill flow of water and thereby keep their soil where it belongs, at the same time making their contribution to flood control, the protection of stream channels and reservoirs, and the conservation of aquatic life.

SENIOR PLAY ON APRIL 28 and 29

"Stage Door," a play in three acts will be presented by the Senior Class of Palmyra High School on Friday and Saturday evenings, April 28 and 29, in the high school auditorium. The curtain will be at 8:15. Admission is 40 cents for adults and 25 cents for school children. Tickets can be secured from any member of the Senior class and the proceeds will go toward the Washington fund. "Stage Door" is a cleverly written, fast moving play depicting the life of stage-struck girls. The action takes place in a club devoted entirely to actresses. The different types of personalities of these girls, which are very cleverly portrayed, make the play an interesting and vivid one.

Miss Edna K. Ziegler, dramatic coach, is in charge of production and the cast includes: Virginia Howe, Marie Cato, Carolyn Bauer, Rita Sacco, Dorothea Trout, Anne Teusner, Louise Moorhouse, Olive Smith, Virginia Murray, June Hires, Dorothy Powers, Frances Leiphon, Grace Herbst, Elizabeth Lippincott, Marjorie Nace, Mabel Llewellyn, Doris Woodcock, Phyllis Carson, Helen Mansfield, Dorothy Denner, Naomi Swayne, Charles Flournoy, Hilton Smith, Robert Bottger, Robert Kelly, Emil Bohus, William Evald, Jack Mathews, Thomas Braddock, William Leidy, Albert Sacca, Robert Mays and Dante Mento.

CARD PARTY BY PALMYRA P.T.A.

On Friday evening, April 21, at 8:15 o'clock a card party will be held in the Legion Hall, Palmyra. The affair will be conducted by the Palmyra P.T.A. and the proceeds will be donated to the fund to purchase an incubator for the Burlington County Hospital and a resuscitator for the Zurburg Hospital. The fund for the resuscitator is sponsored by the Burlington County Council P.T.A. It is requested that all players bring their own cards. Chinese checkers will also be played and there will be numerous prizes and refreshments. Donation—35 cents.

ROUTE 41 MADE THROUGH STREET

Burlington county alumni of the University of Pennsylvania will hold a reunion dinner Wednesday night, April 26, at the Willows, in Mount Holly. Addresses by Dr. Robert A. Brotemarkle, associate professor of psychology and personnel officer of the university, and W. Austin Bishop, wrestling coach and coach of the 150-pound varsity football team, will feature the program.

Dr. Brotemarkle, who is a former resident of Mount Holly, will report on recent developments at the University and plans for the Bicenennial Celebration which will mark the close of Pennsylvania's second century in 1940. Mr. Bishop will discuss recent highlights in athletics. Other features will be showings of the sound motion picture, "Pennsylvania Looks Ahead," and of a composite football motion picture group-

ing the best plays in each of the games of the University's 1938 football schedule.

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B. D., Pastor

Services—Sunday, April 23

Bible School 10:00 a.m.—No one is too big to attend Bible School and surely no one is too young. It has been the experience of many churches in the past that as the young grow into the school, the old grow out. Not so in "Central Baptist" for there are classes to meet any age. Another feature of the school—parents attending the school and wishing to stay for the morning service, may leave their children in competent care during the service.

Morning Service 11:15 a.m.—The pastor will have as his subject "The Upper Room" for the morning service. A fine sermon by the pastor and offerings by the choir makes for a very inspiring service.

B.Y.P.U., 6:45 p.m.—Every Sunday at this hour you may expect a very interesting meeting for the young people of high school age.

Evening service 7:45 p.m.—The evening service at "Central Baptist" is an excellent prelude for the coming week. It furnishes you with the courage and inspiration and faith so essential for these days. Many are finding it that. Are you? The subject of the evening sermon will be "More than Conquerors." Anthems by the choir and solo will precede the sermon.

BETHANY EVANGELICAL LUTHERAN CHURCH
Rev. Oliver W. Powers, Pastor

The second Sunday after Easter is called Misericordias Domini, meaning the goodness of the Lord. It is also called Good Shepherd Sunday from the Gospel for the day. At the chief service, 11 a.m. the pastor, the Rev. Oliver W. Powers, will preach on the subject "The One Fool." At the vesper, 8 p.m. Mr. Powers' topic will be "The Congregation's Witnessing."

The Lenten season culminating in the Easter festival brought many accessions to the rolls of Bethany Church. Twenty-eight were added by transfer and renewal of faith, and many students have joined the Sunday School.

An increased interest in church has been evidenced not only in the Churches in our community but is noted throughout the land. This proves again that there is no place like home. For when troubles come and unrest arises the only safe haven is the fold of Christ.

CHRISTIAN SCIENCE CHURCH

"Probation after Death" is the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, April 23.

The Golden Text is: "Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me." (Psalms 23:4).

Among the citations which comprise the lesson-sermon is the following from the Bible: "If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. For ye are dead, and your life is hid with Christ in God. When Christ, who is our life, shall appear, then shall ye also appear with him in glory." (Colossians 3: 1, 3, 4).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus said substantially, 'He that believeth in me shall not see death.' That is, he who perceives the true idea of Life loses his belief in death. He who has the true idea of good loses all sense of evil, and by reason of this is being ushered into the undying realities of Spirit" (p. 324).

EPWORTH M. E. CHURCH
Rev. William A. Boyd, Pastor

"Things Which God Reveals to Them that Love Him" is the theme

of a very interesting and helpful message the Rev. W. A. Boyd will give in the Methodist Church this Sunday morning at 11 o'clock. Let's see if preaching is really "Foolishness" or if it is of value to the people of this day.

The Young People's Choir of thirty-five voices will sing this Sunday morning. A new feature of the morning service will be a sermonette for the benefit of the large number of young people in attendance. The subject of the sermonette this Sunday is "Living for Christ."

"Blind Alley" is the title of the evening sermon to be delivered by the Rev. Boyd. This is a meeting of real inspiration. The large audiences, the many young people, the excellent congregational singing in charge of the minister, the beautiful organ numbers played by Rachael Lord, and the good singing of the Senior Choir combine to make this

WILL EXPLAIN STUDY COURSES

All parents who have children in the Eighth Grade in Palmyra should, if at all possible, meet in the high school auditorium at 2:00 o'clock Wednesday afternoon, April 26.

At this time the courses of study will be explained to the parents. The parents will have a chance to receive advice from the school officials

a meeting you will not want to miss after you have attended once. The mid-week church service is held every Wednesday evening at 8 o'clock. This is an hour of prayer, praise and bible study. It is conducted by the minister.

Riverton, N. J.

"Y" AUXILIARY MEETING

The next meeting of the Palmyra-Riverton Y.M.C.A. Auxiliary will be held in the "Y" building, Palmyra, on Thursday, May 18, at 1 o'clock. The affair will be in the form of a covered dish luncheon, after which Mrs. S. B. Jones, interior decorator for Gimbel Brothers will be the speaker.

In about fifty gallons of milk there is only enough vitamin B-1 to weigh as much as a postage stamp.

BOROUGH OF RIVERTON

1938 AUDIT

April 12, 1939

The Honorable Mayor and Members of the Borough Council, Riverton, N. J.

We report that we have audited the financial books and accounts of the BOROUGH OF RIVERTON for the year ended December 31, 1938, and submit herein the statements and exhibits as listed in the table of contents which show the financial condition of the Borough as of that date.

SCOPE OF THE AUDIT: The scope of the audit covers the financial transactions of the Tax Collector and Treasurer, Borough Clerk, Delinquent Tax Collector, Building Inspector, Street Superintendent, Health Inspector, Police Recorder and the activities of the Governing Body.

The scope of the audit does not and cannot determine the character of services rendered for which payment is made nor can it determine the character or quantity of materials supplied for which claims have been passed. These details are necessarily covered by approvals on such claims.

The accounts and records were found to be subject to the following comments: NEW REGULATIONS BY LOCAL GOVERNMENT BOARD: As a result of new laws approved in 1938, providing for the creation of the Local Government Board, such Board has adopted various resolutions and issued a new book of requirements to all Registered Municipal Accountants, setting forth new regulations for auditing the accounts of the various municipalities for the year 1938. You have already been advised of some of these new requirements in a special communication received from us. In reading over the report herewith, you will observe that several comments and recommendations are entirely new, when compared with previous reports and we are obliged to call your attention to these new matters, in accordance with the directions of the Local Government Board.

CONDITION OF RECORDS AND CONDUCT OF OFFICES: The records of the municipality were found to be in excellent condition. The Treasurer has installed a new cash disbursement book and a general ledger for the year 1939. These changes will increase the value of the records to the officials of the Borough.

The various books and records were adjusted to agree with this report. CONDITION OF FINANCES: The finances of the Borough of Riverton were in good condition as of the close of the year under audit. There was a cash surplus of \$3,872.39 as of December 31, 1938. This condition is the result of conservative budgets and good tax collections.

RECOMMENDATIONS: That the Tax Collector be given a change fund.

That separate bank accounts be maintained for current, trust assessment and capital account funds.

That the Treasurer's report to the Governing Body of the receipts and disbursements for the year contain his affidavit.

That the Delinquent Tax Collector turn over all collections and reports to the Tax Collector prior to December 31 of each year.

That the interest collection policy be corrected.

That every legal means be taken to realize upon all outstanding taxes.

That an all-inclusive tax sale be held as required by law.

That no personal taxes be included in the tax title liens.

That the outstanding sewer rents be collected by legal means.

That bids be secured on all expenditures where the grand total of all probable orders is expected to exceed \$1,000.00.

That the minor officials referred to be provided without delay.

Unless such bonds are secured, it will be necessary to relieve such officials of the handling of Borough funds and transfer same to some other bonded officer.

We shall be pleased to assist you to the fullest extent in connection with the recommendations of this report.

ACKNOWLEDGMENT: In the course of our audit, we received the complete co-operation of all the officials of the Borough and we greatly appreciate the courtesies extended to us.

CERTIFICATION: It is hereby certified that to the best of our knowledge and belief the within report is a true and correct statement of the financial condition of the Borough of Riverton in the County of Burlington for the year 1938, as shown by the books and records of the said Borough submitted to us, supplemented by personal inquiry and investigation.

Yours very truly,
CHARLES S. ROCKEY & CO.,
Registered Municipal Accountant (N. J.)
WILLIAM H. LOCKER,

BRIEF ITEMS
from
ABOUT TOWN

The trustees of the Riverton Free Library will meet in the library on Monday, April 24, at 8 o'clock.

An exhibition, social and sketch, "The Ladies of Cranford," will be given on Wednesday evening, May 3, at 8 o'clock in the Christ Church Parish House.

The directors of the Riverton-Cinnaminson Welfare association met at the home of Mrs. Murray C. Boyer on Tuesday night of this week.

A Maryland chicken supper will be held in the Mt. Zion A. M. E. Church on Thursday, April 27, from 5 to 8 p.m.

The Riverton highway department has completed extensive patching work with bituminous concrete on streets in that community.

Riverton Borough Council is going ahead with plans for widening the east side of Main street between the railroad and Seventh.

A revision of the Riverton ordinance dealing with the distribution of circulars appears in this issue of The New Era as does the report of the auditor. Both notices should be perused by local residents.

The Delran Yacht Club members convened at the club house on Wednesday night of this week.

Paul R. Jones, supervising principal of Palmyra High School, conferred with parents of the members of the Riverton Public School eighth grade on Monday of this week relative to courses next year at the high school.

"JACK" DAWLEY, Inc.

TO ASK PARDON FOR PARKERS

According to an announcement made last week, a number of prominent Mt. Holly residents have started a movement to seek a presidential pardon for Ellis H. Parker and his son Ellis, Jr., who are under conviction on kidnapping conspiracy charges.

The United States Circuit Court of Appeals having refused to reverse the conviction an appeal to the United States Supreme Court offers the only remaining hope for the convicted pair. Lack of funds may prevent the situation being fought to the highest tribunal and, if such is the case, a pardon is the only manner in which the Parkers can avoid serving the prison sentence.

CLUB PLAYERS WIN 2ND PLACE

The Palmyra Junior Women's Club won second place in the Tenth Annual Little Theatre Tournament which was held at Haddonfield on Saturday, April 9. The members presented an original play "Hollywood, Farewell" written and directed by Ruth Parsons Strahan. The judges gave special mention to the team work of the entire cast.

The members of the cast were as follows: Thelma Fisher, Doris Hampton, Kitty Kepner, Florence Stephens, Mildred Mickle, Lisa Lotta Stein, Dorothy Jay and Ruth Saaber.

YMCA BRIEFS

A "We Want to Know" conference, jointly arranged by the Y.W.C.A. and Y.M.C.A. for high school age young people, is booked for Camp Ockanickon this coming Saturday, April 22, and much of the conference will be in the nature of discussion groups having to do with what the outlook is beyond high school, current and anticipated Social Legislation, Boy and Girl Relations, Etiquette—especially dating, Good Citizenship in Politics, Good Citizenship Socially, and what should our attitude be toward war, and toward refugees of other nations.

Daniel Blackman, a prominent Y.M.C.A. layman from Gloucester county will be the one speaker.

A portion of the afternoon will be given over to recreation and in the evening, there will be a dance.

Two meals, a group fee and the price of the dance included in the one charge of 85c per person.

Secretary T. P. Reeder, who has invited all of the County Hi-Y club members to participate indicates that there will be a very fine enrollment.

The Y.W.C.A. and Y.M.C.A. of Burlington County, the Camden County Y.M.C.A. and the Camden City Y.W.C.A. and Y.M.C.A. are co-operating.

Camp Business Secretary Heber

BUDGET APPROVAL EXPECTED SOON

According to present expectations, State Auditor Walter Darby will approve the revised budget of Burlington County that was submitted to him last week by the Board of Freeholders.

The document, which has been revised on several occasions to comply with Darby's orders provides for a tax rate of \$1.0275 per \$100 assessed valuation.

This is an estimated increase of approximately 36 cents over the rate for 1938.

A public hearing is scheduled for this (Thursday) morning in Mt. Holly.

RUMMAGE SALE

There will be a rummage sale Saturday, April 22 at 525 West Broad street. The affair is sponsored by Delran Yacht Club.

B. Sink and his staff will serve the two meals. This conference is the first of this kind ever to be held at Ockanickon under the above auspices.

6 MILES AT SEA

Seashore homes and apartments at either Beach Haven or Brant Beach are actually six miles from the mainland out to sea.

An ideal spot for vacationists who wish to seek relief from hay fever, rhe cold, and asthma, and at the same time enjoy every facility for a delightful seashore sojourn.

These resorts are noted for the cool ocean and bay breezes that make them the most desirable for relief from the oppressive mainland heat.

We have one of the largest listings of homes and apartments on the island and invite you to consult us at an early date before the big spring rush for seashore properties starts.

These properties consist of small homes and apartments right on up to the most exclusive at rents in proportion.

Either call us or take this ad with you and see Robert Osborn, Jr., at the Beach Haven Office or Lester Osborn at the Brant Beach Office of Robert R. Osborn & Sons.

J. L. LIPPINCOTT CO.

PORCH CLUB

Monday, April 24, at 2:30 p.m. is the date set by the Garden section for exchanging the small plants that have been grown by the members of that section, for this purpose.

Tuesday, April 25, at 2:30 p.m. the luncheon section will present a grand tour entitled "Cheeses of the Nations."

On April 13, Miss Besse Howard gave the last of a series of lectures, at the Porch Club, on "International Relations." Miss Howard at this time was much interested in the fate of Yugoslavia, as its situation and its natural resources make it a very attractive prey to both Mussolini and Hitler. Miss Howard also doubts whether Hitler can halt his drive for new possessions, whether it would not mean the collapse of the Hitler regime.

Miss Howard will sail for Europe again in July to again study world events.

The charter luncheon on April 18 marked the closing of one of the most successful seasons of the Riverton Porch Club. One hundred and five members attended.

The president, Mrs. Douglas Clark, read some of the minutes, from the records of the first recording secretaries, when the club was but a few people meeting at each others homes. The club has grown from a few members to well over 200 with still its original aim.

Mrs. Francis B. Elwell, the president, for the coming year, gave a short speech.

After the luncheon two plays were given "Anti-Clockwise" and "Catherine Parr." The cast included Mrs. Frederick Blair, Miss Edith Ridley, Mrs. Jay Reed, Mrs. Stewart Borge, Mrs. Claude Anderson, and Mrs. E. C. Hughes.

COUNTY COUNCIL
P-T.A. CONFERENCE

The Spring Conference for the Southern Section of the New Jersey Congress of Parents and Teachers will be held on Friday, April 21, at the Methodist Church, in Mt. Holly.

Mrs. Harold Gilpin, Southern Director, is to be in charge, and the theme will be "Patterns for Family Living."

The morning session is scheduled to start at ten o'clock sharp, with Mrs. Albert L. Gardner, State President, as the principal speaker. Conferences are to be led by the State Chairman of the Departments of Membership, School Education, Programs, Social Hygiene, Juvenile Protection, National Parent-Teacher, and Character Education.

Kaser to Speak

Luncheon is to be served at noon, and during the afternoon session there will be remarks by Louis J. Kaser, superintendent of schools of Burlington County, and singing by the Burlington Mothers' Chorus. The principal speaker of the afternoon session is to be Mr. George Harvey Ivins, Headmaster of Oaklane Country-Day School, of Temple University, who will speak on "Philosophy of the Home."

These conferences are always very interesting and enlightening, and it is hoped that Riverton will be well represented. All those planning to

OBITUARIES

JAMES CUZZUPE

James Cuzzupe, 17, died on Saturday, April 15, at his late residence, 319 West Fourth street, Palmyra. High Requiem Mass was offered by Rev. John F. Welsh on Wednesday, at the Church of the Sacred Heart, with interment in Calvary Cemetery, Camden, under the direction of Jerome J. Zisak.

The deceased is survived by his parents, Mr. and Mrs. Joseph Cuzzupe and one brother and a sister. He was a student at Palmyra High School.

ROBERT CROSSLEY

Robert Crossley, formerly of Palmyra, died on Monday, April 17, at his home in Philadelphia.

Funeral services were held on Wednesday at 2 p.m. from the Snover Funeral Home, the Rev. George Lockett officiating. Interment was made in Morgan Cemetery.

The deceased was the son of the late William and Martha Crossley and is survived by two uncles, William Estine, of 925 Garfield avenue, Palmyra, and Edward Estine, of Philadelphia.

PALMYRA DROPS
DUAL TRACK MEET

Haddonfield took the measure of Palmyra in a dual track meet here Monday afternoon. The score was 52½-42½.

Burns took first place in the mile for the locals and Phil matched this performance in the pole vault. The Red and White mile relay team consisting of Burns, Brown, Fox and Seemuller won this event.

P-T.A. AFFAIR
GREAT SUCCESS

The annual luncheon-bridge given by the Riverton Parent-Teacher Association at the Porch Club on Wednesday of last week was one of the outstanding affairs of the year in the opinion of everyone attending. The committee in charge reports that the affair was also a financial success, and thanks all those who attended, as well as those who contributed so generously, and the mothers who worked so diligently, to make the affair outstanding.

The regular April meeting was held in the school auditorium on Monday of this week, with Mrs. Charles Yost presiding. The Child Study Group, of which Mrs. Robert G. Adams is chairman, did not have an informal discussion, as is customary, but viewed a motion picture showing the daily care and routine of the Dionne Quintuplets.

Interesting Facts
Mrs. Phyllis B. Davis, assistant extension specialist in Child Training and Parent Education at Rut-

FOR A PLEASANT TIME

Come and see the lovely old quilts and samplers made by the ancestors of many Riverton families, also see how the "Ladies of Cranford" acted and dressed in the good old days.

A pleasant time, with refreshments, will be had by all. The performance is scheduled for Wednesday evening, May 3, at Christ Church Parish House, Riverton. Tickets 50c.

gers, told the audience many interesting facts concerning the training of the Quintuplets, and while the picture was being shown, she commented on particularly interesting points. At the conclusion of the picture, Mrs. Davis gave an interesting talk on Home-School problems, and urged the parents to be more tolerant. She said we must realize that none of us are perfect, and teachers are apt to make mistakes, just as parents and children do at times.

Tea was served at the close of the meeting by Mrs. Thomas Taylor, and her hospitality committee. —Publicity.

50th Year No. 17

CURB ORDINANCE
APPROVED HERE

Riverton Project to Include
Several Streets; Public
Hearing on Question

At an adjourned meeting of Riverton Borough Council held on Monday night of this week an ordinance providing for the construction of concrete curbs on certain sections of various local streets passed first reading by a unanimous vote.

The ordinance will come up for public hearing and final passage at the regular May meeting of the governing body.

Streets Included

The streets to be included are as follows:

Highway between Main and Thomas; Seventh street from the Palmyra line to Lippincott avenue; Lippincott avenue from Seventh street to Broad and from Fourth to Second streets; Fourth street between Main street and Linden avenue; Thomas avenue between Fourth and Second streets; Howard street between Third street and Bank avenue.

Since the required curbing has already been constructed along many of the properties, the total linear footage of new work will probably be about 2,500 feet.

If the ordinance is passed (and serious opposition is not expected) bids for construction will be taken at an early date, since installation of curbs in the areas in question ties in with the proposed bituminous concrete paving program of the highway department in 1939 and 1940.

Woman's Club
May Program

Events of the program of the Palmyra Woman's Club for May are as follows:

Monday, May 1, 2:30 o'clock. Business meeting followed by a program arranged by the music department. Adele Tucker Gulbranson, lyric soprano, will render several selections of a group entitled "The Elegant Eighties and the Naughty Nineties."

On Monday, May 15, at 2:30 p.m. A business meeting will include reports from the various departments and installation of officers.

There will also be an exhibition of the work of the members of the arts and crafts classes.

Under the teaching of St. Paul in Berea, the early Christian gave a fine example of Bible study. "They received the Word with all readiness of mind and searched the Scriptures daily."

With this same purpose in view, we assemble together in Bible study in our Bible Class each Sunday morning at 9:50.

We cordially invite to our fellowship kindred minds to know through the Holy Scriptures the mind of God in our lives and destiny.

Next Sunday Mr. Poinsett will use as his subject "The Great Commission," Matt. 28:16-20.

In addition a tuba solo by George McMahon.

Will you plan to be with us?

AT LOCAL CHURCH
Rev. Harry L. Bowditch, D.D., general secretary of the Lord's Day Alliance of the U. S. will speak at Calvary Presbyterian Church on Sunday morning.

Dr. Bowditch has an interesting message regarding some of the issues confronting our state, among them the proposed race track amendment.

FEATURE BOWLING
MATCH TUESDAY

According to all indications the Palmyra bowling alleys will be crowded to capacity on Tuesday night of next week when the Murda, winners of the season's championship in the Ladies' League, will bowl the Garden State team, title holders of the first half in the county circuit.

Followers of these two teams assert that both outfits are in top form for the coming affair and that a close match can be expected.

PROGRAM FOR
MUSIC FESTIVAL

Will Be Given in Epworth
M. E. Church, Palmyra,
on May 1 and 2

The Burlington County Festival Chorus will present the following program on Monday, May 1 and Tuesday, May 2, in the Epworth M. E. Church, Palmyra.

"Festival Prelude," Johann Sebastian Bach.

"Song of Momus," Johann Sebastian Bach.

"You Spotted Snakes," G. A. MacFadden.

"Blow, Blow, Thou Winter Wind," H. W. Parker.

"It Was a Lover and His Lass," J. Barnby.

"I Will Call Upon the Lord," W. A. Mozart.

"How Lovely Is Thy Dwelling Place," Johannes Brahms.

"Festival Prelude, Die Meistersingers," Richard Wagner.

"By Babylon's Wave," Charles Gounod.

"My Love Dwelt in a Northern Land," Edward Elgar.

"Hallelujah, from the Messiah," George F. Handel.

Solos

Alice Kreder, soprano, will sing "Traume" by Richard Wagner. It was this song which furnished the material for Wagner's tremendous music drama "Tristan and Isolde."

Beatrice Collin, contralto, will sing "When in Bloom" by Johannes Brahms.

The Philomusian Quartette will play the theme variations from Franz Schubert's posthumous D Minor Quartette for strings and the Scherzo from Borodine's Second Quartette.

Alice Kreder, Edward A. Hoyt and Eric Warnick will sing the trio from Act 5, "Faust" followed by the churchly finale for semi-chorus.

The members of the Philomusian String Quartette are Carlton Tillinghast and Peter Protich, violins; Carl Lang, viola and Frederick Blair, violoncellist.

Eric Warnick and Spencer Atkinson will conduct. Rachel Lord will be at the organ and Lee Mitton at the piano.

PORCH CLUB

On April 24 the Garden section of the club met at the club house to exchange small potted plants which each member has been growing for this purpose.

The members of the Board of Directors held their last meeting at the home of Mrs. Douglas Clark, president. Luncheon was served.

The luncheon committee took charge of the afternoon meeting at the club house. "Cheese of the Nations" was the topic. Many kinds of cheeses were on display for sampling and talks were given by Mrs. David Gould and Mrs. Harold Marshall.

FIRE IN BARN

The Palmyra Fire Department was called shortly before midnight Tuesday for a fire in the barn located in the rear of Koerner's Bakery on Broad street.

The blaze which was assuming lively proportions was quickly doused by the firemen.

ROTARIANS VIEW
NEWS PICTURE

Vivid Presentation of How
Items Gathered by
United Press

"News in the Air," a graphic talking picture illustrative of the United Press, and how it works, particularly emphasizing the preparation of items for radio news broadcasters was the program of the Palmyra-Riverton Rotary Club last Thursday night.

The film which is owned by the Standard Oil Company, uses the sinking of the U.S.S. Panay as the chief incident around which the action revolves. An audience after having seen it has a much more vivid idea of how the news is gathered from the four corners of the earth and passed on to the citizens of our country.

Convention

President-elect Luke K. Eberly, head of the delegation which visited Newark, Delaware, last week to participate in the granting of the charter to a new Rotary Club in that city, reported on the trip. The dinner and ceremonies were held in the dining hall of the University of Delaware. International Rotary was represented by United States Senator, George S. Williams, former Rotary District Governor who presented charter 4921 to the new organization.

Walter Lamon, chairman of the committee having in charge the arrangements for the approaching Atlantic City Convention, again discussed plans for as many of Palmyra-Riverton members to attend as possible. Carl H. Thomas who is in charge of arrangements for the Rotary International Convention at Cleveland next June also presented transportation and other facts to the club.

New Scenery On
School Stage

The regular monthly meeting of the Cinnaminson P-T.A. was held last Wednesday night at the school. Due to illness, Mrs. Warnick, the president, was unable to attend, and Mrs. Parker took charge of the business meeting. Reports from various committee chairmen and officers were given.

Following the short business meeting, a program had been arranged to acquaint parents and friends with types of activities which take place from day to day in the classroom. Science, literature, art, music and dancing were featured. After a few remarks by Mrs. Magowan, the new stage scenery was presented to the school by the eighth grade. The auditorium was filled with people who applauded heartily when the curtains were drawn and the scenery displayed. It consists of a back drop and sides painted in oil, and the scene depicted is very realistic. Much credit is due the eighth grade pupils for this work, which will be a permanent reminder of this year's graduating class. After this presentation, there was tap dancing, movies, managed by seventh graders with the school's new movie projector, a play, "The Patchwork Quilt," and songs by the Glee Club.

When this part of the program was over, each teacher was in her classroom to answer questions and volunteer information to parents and friends.

CONVENTION

The 54th annual convention of The Needlework Guild of America will be held in the Bellevue-Stratford Hotel, Philadelphia, May 4th, 5th and 6th. Those planning to attend from this vicinity are requested to notify Mrs. William G. Porter, of Riverton.

RUMMAGE

The Riverton-Cinnaminson Welfare Association is making plans for the Spring Rummage Sale that is sponsored each year by that organization.

The event will be held during May and all those who have articles to leave them at the Welfare office, rear of 609 Main street, Riverton, or to phone 284 and they will be called for.

The cooperation of all local residents is requested for this worthwhile cause.

MANY FEATURES
FOR YOUTH WEEK

Church Service, Movie Show,
Pet and Hobby Show,
Already Arranged

Further progress in the Youth Week program, including several new features, is reported by Mayor John F. Ward, chairman of the committee, and this year's activities give every promise of success.

Sunday evening, May 7th, at 7:45 a union service of young people from all the local churches will be held in the Epworth M. E. Church. The speaker will be Rev. George A. Hagedorn, of Philadelphia, and the high school and church orchestras will combine under the direction of Cecil Gust.

Vocational Guidance

Monday morning will start the vocational guidance forums in the high school. Paul R. Jones, supervisor, announces the following speakers: Monday morning, Bertha Lawrence, member of the staff of the New Jersey State Teachers College; Tuesday, William N. Ottinger, of University of Pennsylvania Law School faculty; Wednesday, S. Herman Macy, superintendent of admissions and discharges of Girard College; Thursday, Lewis D. Brown, representative of Dun & Bradstreet, Inc. Friday's speaker will be announced next week.

Monday evening at 8 p.m. the National League Baseball moving picture will be shown in the Y.M.C.A. building. Tuesday afternoon at 4:15 Charles A. Shugars wants 1000 girls and boys under 12 years of age to be his guests at the Broadway Theatre. There will be no charge for admission and Mr. Shugars said he can accommodate more than 1000 but he will be very disappointed if only 999 come to see his matinee featuring "Borderland" and several popular shorts.

Tuesday evening at 8 p.m. students from James Hughes' high school classes and members of Palmyra's governing body will conduct an "Information please" on questions of municipal government.

Wednesday afternoon the Palmyra Police Department, with Chief C. M. Beck as chairman, is sponsoring the "muff" parade. Prizes will be given to entries in the parade and show, contact the police for details.

Thursday, at 7 p.m. the pet show in the Y.M.C.A. building in charge of the Phalanx. Prizes will be awarded to pets entered before 7 p.m. and any pet, with the exception of dogs, can be exhibited. Thursday evening at 7 p.m. Phalanx will also sponsor the Hobby Show in the high school gymnasium. The pet show has been planned for the younger children and the hobby show will be restricted to adults and children over 12 years. Phalanx urges the support of everyone interested in hobbies by placing an exhibit. To date the registration covers a wide range. Several exhibitors have agreed to talk about their hobbies. A real show is promised and it is believed this year's exhibition will mark the beginning of a general interest in hobby shows as instructive and entertaining community activities. The attendance of adults is urged.

Saturday, May 13, at 1:30 p.m. the

SCHOOL TEACHERS
NAMED FOR YEAR

Cinnaminson School Board
Makes Appointments
for 1939-40

In a recent meeting of the Cinnaminson Board of Education the following members of the faculty were appointed for the school year 1939-40:

Mildred Magowan, Lillian P. Ivins, Eleanor R. Rush, Lillie Reid-enbaker, Elizabeth B. Parker, Sara S. Clark, Evelyn T. Kolster, Alice H. Thomason, Margaret Platt, Anna S. Whitehill, Eleanor J. Young, Alice A. Terry, Gertrude N. Nelson, Laura Keach, Catherine M. Pitts, Charlotte N. Rogers, and Thomas P. Jones.

Two raises amounting to \$100 were granted to two of the teachers in the lower salary bracket.

Other Business

The board passed a motion to advertise for coal bids in the May 4th issue of The New Era. Bids for 100 tons of pea coal will be advertised for, and opened at the place and date in the advertisement.

Authorization was made for the purchase of \$450 worth of books for the coming school year in accordance with the recommendation of the supervising principal.

Chairman Howard Taylor was authorized to buy bats and baseballs for the spring playground activity.

Insurance Men
Convened Here

Close to fifty insurance agents and their friends attended the dinner of the Burlington County Association of Insurance Agents held in the Riverton Country Club last Friday night.

Laurence J. Ackerman, professor of insurance at the University of Newark was the principal speaker. He delivered a very interesting and instructive message to insurance agents, praising them for their organization and citing who they could better serve the insurance buying public and the companies they represent.

Other speakers were: "Don" Pearsall, chairman of the membership committee in the state association; Theodore S. Brown, chairman of the executive committee; C. Stanley Stulls, member of the executive committee in the National Association; H. Donald Holmes, president; and William F. O'Brien, secretary and treasurer of the New Jersey Association.

THIRD VICTORY FOR DIMOND MEN

Palmyra Gets 6-4 Decision
from Merchantville in
Erratic Game

Palmyra High won its third baseball engagement of the season on Tuesday afternoon when Merchantville was sent home on the short end of a 6-4 verdict. The fracas was weirdly played from beginning to end, with the last two runs of the locals being the only ones of the earned variety.

Len Baker, of the Red and White, opposed Junior Straub on the mound. The local hurler's control was not of the best since he donated eight passes, one being intentional. He allowed seven hits, three of which were bunts and fanned 15.

Straub Wild Also

Straub had a fit of wildness, issuing three walks and uncorking a similar number of wild heaves, one of which proved costly. He also whiffed 15 and gave up only five bingles.

Two of these were bunched in the lower half of the eighth and won the ball game for the locals. The score was knotted at 4-4 at the moment. Turner singled with one down and Captain Cole poled a scorcher into deep left that the Merchantville patrol got his hand on but could not hold. The ball rolled across Park avenue and Cole circled the bases.

Straub's Error Helps

Straub helped his own downfall in the initial stanza when, after two were gone, Rothbaum got a lift on an error. He stole second and went to third on Karitis' one baser. When Turner rolled weakly to the box Junior tossed the apple into right field and both runners crossed. Turner went to second on the play and scored as a result of two wild heaves. The catcher of the opposition abetted the local cause no end since every runner that made first promptly stole second.

A promising Merchantville rally in the eighth was nipped in the bud when, after one run was in, Straub popped to Henson who relayed the ball to Cole at third doubling the runner who had attempted to score.

SOFTBALL SLATE

President Walter C. Wright, of the Memorial Park Softball League has announced that the schedule for the coming season will be released next week. First games are slated for Monday, May 8.

A final meeting will be held in the Riverton Fire House on Monday evening, May 1, when the managers of the following teams are requested to be present:

Parry
Fortnum
Cubs
Broadway
Athletes
Sigma Kappa
Cardinals
Jack Dawley

CINNAMINSON P.T.A.

Don't forget the supper at school this evening (Thursday), served from five to eight. Tickets are 50 cents each, and the proceeds will benefit the general treasury of the Association.

Judge Frank Matthews will be the guest speaker at the next regular meeting, on May 10th. His subject will be "Americanism."

Election of officers will take place at this meeting.

P.O.S. of A. NEWS

Washington Camp No. 23 is now formulating plans for their 46th anniversary celebration to be held Monday, May 15.

Watch for further announcements and attend our regular weekly Monday evening meetings in order to keep abreast of the plans of your anniversary committee.

B. R. LEACH and a CUSTOMER posed for this picture! . . .

The lady is a smart buyer . . . she goes to her community nurseryman who displays the Association of Nurserymen sign and buys stock as it is GROWING IN THE GROUND.

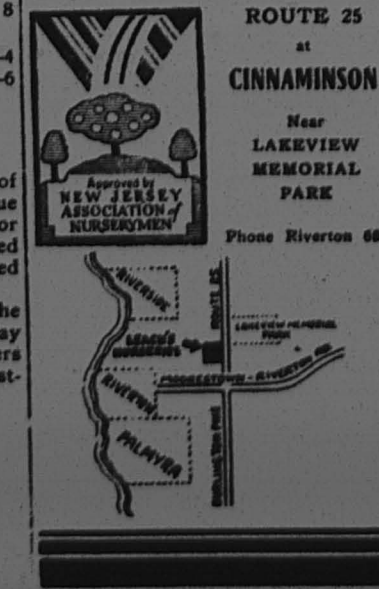

She knows it will THRIVE when transplanted by experts on her property and has the added security of GUARANTEED satisfaction.

She comes here each year, selects the plants she has in mind up to the limit of her annual planting budget so that in a few years from now she will have a landscape layout that if purchased at one time might have been too much for the family budget.

Visit our nursery and let us show you how you too can budget your nursery stock buying and make it EASY to beautify your grounds.

Open daily (including Saturday and Sunday) from 8 a.m. to 5 p.m.

LEACH'S NURSERIES

Assembly—Tuesday, April 25

The assembly this morning was very interesting; it was a program that showed what the pupils are doing in their classes. Several pupils recited poems, gave book reports, and nature talks. Nancy Ritchard and Arthur Platt entertained with piano solos.

The first and second grades part in the program was an explanation of their work in social studies on life in Holland. Each pupil talked about one particular phase of the Dutch people and their life. The characters have been chosen

SCOUT GATHERING

There will be a gathering of the local scout troops and also Troop 41, of Philadelphia, on Friday, April 28, at 8:00 p.m. at the Parish House, Fourth and Howard streets, Riverton. There will also be a drum and bugle corps from Troop 41. Everyone is invited.

for the spring pageant to be given during commencement week. Watch this column for further developments.

Next Tuesday we will have our weekly assembly after which the students, teachers, and our visitors will have an outdoor luncheon. Parents and other friends of the school are welcome to attend both the assembly and the luncheon.

HIGH SCHOOL TRIP

The Economic Geography class and the Marketing Class enjoyed a trip through the Lenox Pottery at Trenton, on April 3, under the direction of Meyer Millman. The students were shown through the entire plant. They observed the making of pottery by hand and that made in molds. The glazing and painting processes were very interesting.

A trip to Camden to the Supplee Dairy Company is planned for Friday, April 28. The students will be shown through the plant and expect to see every process the milk goes through from the time it comes into the dairy until the time it goes out.

The kettledrum is the only drum having a definite musical pitch.

A New Jersey Nurseryman POSED FOR THIS PICTURE

He is an upstanding member of your community . . . hiring local help . . . buying at local stores . . . sending his children to the local schools.

His stock of trees, perennial plants and shrubs is of superior quality, his inventories of nursery products are large, to please all tastes, and free of "culls."

He is in business to stay—abhors "fly-by-night" sales tactics. His deliveries are properly balled, swiftly transported and carefully re-planted.

He is subject to inspection by the State Department of Agriculture and the official emblem he displays indicates his nursery has passed muster.

This picture of a New Jersey Nurseryman is no sentimental plea to win your patronage. Rather, it is intended to explain why it will pay you to do business with a New Jersey business-man who is highly responsible and always available when you need him.

Buy from your community nurseryman displaying this emblem. He guarantees your complete satisfaction with his nursery-grown stock and planting service.

ROSES IN JUNE—Dreer's field display offers a magnificent spectacle. Keep it in mind.

Baraca-Philathea Rally Saturday

New Jersey Union to Meet in
Central Baptist Church
This Saturday

Central Baptist Church will be host of the New Jersey Baraca-Philathea Union as they hold their Spring Rally here on this Saturday.

A very interesting program has been arranged, consisting of addresses from prominent speakers connected with the various churches throughout the state. It will start in the afternoon and will conclude with a dinner at 6 p.m.

Program

The program as arranged will be: Song service, Mr. Harry Knissel, leader, First Methodist Church, Collingswood; organist, Mrs. Elvin I. Powell, Central Baptist Church, Palmyra.

Prayer, Mr. A. Moulton McNutt, First Methodist Church, Collingswood.

Welcome, Mrs. Lillian Moore, teacher of Hostess Class. Response, Mrs. Lucile Mail, President of State Union.

Organ selection, Mrs. Elvin I. Powell.

Using Baraca-Philathea Platform, "Go Out and Bring Someone In," Mrs. Stacy C. Myers, St. Paul's Methodist Church, Paulsboro.

"Reaching the Unreached," Rev. George Lockett, pastor Central Baptist Church, Palmyra.

Vocal solo, Mrs. Cathryn Marvin, Woodlynne Methodist Church.

Offering, song service.

"The Prayer Circle—What It Means, Its Purpose and Its Effect on a Class," Miss Katherine Newcomb, First Methodist Church, Collingswood.

"Christian Leadership," Rev. Eric A. Oesterle, pastor First Baptist Church, Collingswood.

Vocal solo, Mrs. Reba Dobbins Sharp, Grace Baptist Church, Camden.

"What Baraca-Philathea Means to Me—What Does It Mean to You?" Mr. Robert K. Hill, vice president of State Union.

Roll Call, Mrs. Ella Haines, secretary of State Union.

Adjournment—Get acquainted. Supper at 6 p.m.

Address, "Cultivating the Christian," Rev. James S. Pemberton, pastor, First Methodist Church, Camden.

"Living for Jesus," Philathea Quartette, Central Baptist Church, Palmyra.

DEMOCRATS TO HOLD CARD PARTY

The annual card party of the Burlington County Women's Democratic club will be held in Roebbling this year at the Holy Assumption Hall on May 9th. Mrs. John Earling, of Roebbling, is the chairman. Each year the annual card party is held in a different part of the county. Nearly two hundred prizes have been promised by members of the club and their friends. There will be a novelty drawing connected with this card party in the form of a "Country Grocery Store." A whole counter full of groceries will be given to the person holding the right coupon.

There are members of the Burlington County Women's Democratic Club in every town and township of the county and tickets may be procured from them or at the door on May 9th. Miss Elizabeth Cowperthwaite, of Medford, is the president of the club. The next regular meeting will be on June 13 at Mount Holly.

ENGAGED

Mr. and Mrs. Walter Lefferts, of 5057 Homestead avenue, Merchantville, have announced the engagement of their daughter, Miss Florence Hamer Lefferts to John Dietz, son of Mr. and Mrs. Herman Dietz, of 101 West Charles street, Palmyra. The wedding will take place on June 10 in the Hancock Memorial M. E. Church, Philadelphia.

BAKER & BERRY IN MOUND DUEL

High School Hurriers Hold Batters Helpless; Locals Win 1-0 in 11th

After a couple of postponements, baseball at Palmyra High finally got under way on Thursday afternoon when the locals and Burlington met in an eleven inning classic, the Red and White finally winning 1-0 behind the masterful pitching of Len Baker, whose single in the final frame really won the ball game.

Baker and his worthy mound opponent, Berry, had the batters at their mercy at practically all stages, the Blue and White getting three scattered singles, while Palmyra connected safely on four occasions.

Berry did not allow a hit until the seventh, when Turner socked a one-baser.

The affair was extremely well-played from start to finish, only three misuses being perpetrated during the skirmish.

Strikeouts Frequent

Baker whiffed 17 of the enemy, while Berry went a little better, sending down 19 Palmyra batters via the strikeout route. Both twirlers had excellent control, Berry giving a brace of free tickets, and Baker issued four, one of these being intentional.

The Rundermen had a man on base in each of the first five innings, but the runders died on the initial baserun. Baker fanned the side in the fourth and seventh.

The ninth proved to be Burlington's big chance, but the local hurler proved equal to the emergency. This frame started with Gray getting a life on an error. Miksis fanned, but Makuka batted out a single, Gray moving to third. Ghaut took three swings and the local board of strategy ordered Ralten passed to fill the sacks.

Out of Trouble

Baker then proceeded to fan Berry on three pitched balls. Burlington expired meekly in the last two stanzas.

Palmyra, on the other hand, went out in order for five cantos. McDermott stroled in the sixth and took third when the Burlington shortstop muffed up Baker's roller, the latter going to second. Things looked promising with only one away, but Berry's strikeout ball took the next pair of Palmyra batters.

Turner's hit came in the next frame and he purloined second to no avail.

Threaten Again

Palmyra knocked at the payoff station in the eighth, but the door was locked. McDermott connected safely and stole second. He took third on an outfield off Lelejo was passed, but Berry squelched the uprising again.

Things became quiet again until the eleventh rolled around. Baker singled and pilfered second. Lelejo popped to third. Kemmerle came through with a sprightly single and Rothbaum skied to first for the second out.

Berry had pitched a ball and a strike to Karitis when Ralten, Burlington catcher let the next one roll to the backstop. Baker sauntered over with the only and winning tally of the ball game and the satisfied fans went home to a late dinner.

MILLVILLE BOWS TO LOCAL TEAM

Palmyra Tracksters Annex Second Verdict in Week; Score 68-36

Millville High proved unequal to the task of stopping Coach Melvin Kreps' Palmyra track team and the locals took a 68-36 decision last Saturday afternoon, at Palmyra.

The locals excelled in the running events taking a first in everything except the 220. Millville garnered only four firsts, three of these coming in the field competition.

Summary

The summary follows:

100-yard dash—Won by Flounroy, Palmyra; second, Conwell, Palmyra; third, Cossaboon, Millville. Time—10.3 seconds.

220-yard dash—Won by Cossaboon, Millville; second, Seemuller, Palmyra; third, Conwell, Palmyra. Time—25 seconds.

440-yard sprint—Won by Fox, Palmyra; second, Husey, Millville; third, Seemuller, Palmyra. Time—57.2 seconds.

880-yard run—Won by Brown,

meetings are being planned.

Walter P. Brickley, local pro, is making arrangements in South Jersey.

PALMYRA SWAMPS MERCHANTVILLE

Local Track Team Garners 72 Points in Dual Meet Here

In a home track meet that was postponed from Tuesday on account of rain, Palmyra High School's team took Merchantville into camp on Thursday afternoon by the score of 72 to 17.

The charges of Coach Melvin Kreps showed to advantage in all events, making practically a clean sweep of the dashes and distance runs, winning most of them with ease.

Burns outdistanced the field in the mile, while Seemuller, Fox, Burns, Brown, Conwell, Bohus and Flounroy were consistent point winners.

Merchantville took only two firsts, these being in the broad jump and shot put.

Summary

Palmyra, 72; Merchantville, 17. 100-yard dash—Won by Conwell, Palmyra; second, Flounroy, Palmyra; third, Mars, Merchantville. Time—10.6 seconds.

220-yard dash—Won by Seemuller, Palmyra; second, Conwell, Palmyra; third, Flounroy, Palmyra. Time—24.8 seconds.

440-yard sprint—Won by Fox, Palmyra; second, Seemuller, Palmyra; third, Mars, Merchantville. Time—64 seconds.

880-yard run—Won by Brown, Palmyra; second, Fox, Palmyra; third, Connelly, of Merchantville. Time—2 minutes, 20 seconds.

1 mile run—Won by Burns, Palmyra; second, Bohus, Palmyra; third, tie between Benoit and Huyett, Palmyra. Time—5 minutes, 32 seconds.

Broad jump—Won by Alles, Merchantville; second, Flounroy, Palmyra; third, Miller, Palmyra. Distance—19 feet, 2 1/2 inches.

High jump—Won by Marker, Palmyra; second, Ott, Palmyra; third, Rockfellow, Merchantville. Height—5 feet, 4 inches.

Pole vault—Won by Houser, Palmyra; second, Westall, Palmyra; third, Lippincott, Palmyra. Height—10 feet.

Discus—Won by Phile, Palmyra; second, Ott, Palmyra; third, Mento, Palmyra. Distance—90 feet, 3 and 5/8 inches.

Shot put—Won by Plichtle, Merchantville; second, Minnick, Merchantville; third, Mento, Palmyra. Distance—39 feet, 6 inches.

1 mile relay—Won by Palmyra (Seemuller, Fox, Brown, Burns); second, Merchantville. Time—3 minutes, 40 seconds.

BROADWAY WINS INITIAL GAME

Manager Bill Anderson's Broadway movie team won the first tilt of the softball season at Alden Park taking the Pennsylvania aggregation into camp by the score of 19-9.

The locals combed the offerings of the rival hurler for 20 hits. Ike Hylton twirled for Broadway and kept the opposition subdued fairly well.

Humes, of Broadway got four hits and a walk out of five trips to the rubber.

Score by innings:
Broadway 314 630 200—19
Alden Park 030 000 402—9

Refugee Children

A movement is being sponsored by certain individuals and organizations to bring 20,000 refugee children into this country from Germany. The plan calls for these youngsters to be adopted by citizens of this country and those favoring the plan state that there will be no difficulty attending such a procedure.

Basically the idea is meritorious but, does not charity begin at home?

There are certainly several times 20,000 children in the United States who could be very well assisted in a similar manner. The need of those already living here, while perhaps not as dire as those in Germany, is still sufficiently serious to merit our whole-hearted attention.

Every dollar spent on the German children might very probably mean a dollar less to be spent on charitable work for our own boys and girls.

Speeding On Route 25

There has been considerable agitation of late concerning alleged speed traps on the Burlington Pike and excessive fines being assessed against those taken into custody for violation of motor vehicle regulations on this stretch of highway in Burlington county.

Such charges should be carefully investigated and, if abuses have occurred, they should be stopped; however, PROPER ENFORCEMENT of speed regulations on Route 25 should not be neglected just because a few individuals have complained about being arrested for speeding.

Few motorists are honest enough to admit that they were exceeding the speed limit when arrested by an officer, and it is quite probable that a number of the complaints have been lodged by these "innocent" victims.

A survey conducted by The New Era on several occasions has revealed the fact that a large number of motorists using Route 25 could be arrested for speeding, and the fact that a considerable number have been apprehended is not surprising. As a matter of fact, the number could very well be much larger.

The Burlington Pike should not be allowed to become a "highway of death" speedway nor should motorists be unjustly penalized.

Adequate and proper law enforcement is the answer.

What Other Editors Say

War games on the Pacific coast have resulted in the repulse of a theoretical invasion by enemy planes. The sad part about the outcome was that the guns used in repelling the hostile forces were also imaginary.

The old fashioned merchant who gave you a good nickel cigar on Saturday night when you paid your bill is being too rapidly succeeded by the cash and carry store.

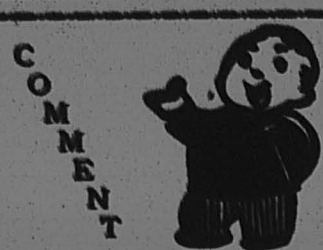

Agricultural experts in Kansas have found a kind of grass that will withstand drought. Now if they could only find some stocks and bonds that were frost proof.

One of our friends who is an inveterate radio fan says: "I always listen to the advertising build-up at the end of the program because lots of time it is funnier than the straight comedy."

This is an era of red shirts, brown shirts, black shirts and green shirts, but the silk shirt seems to be out so far as the average American is concerned.

We understand that the WPA theatrical project will not put on Uncle Tom's Cabin until the PWA project of rebuilding the cabin has been completed.

When Walt Simmons retired as village grocer at Palisades, N. Y., 300 residents got up a testimonial letter for him plus some cash gifts. Wonder if they all had paid their grocery bill?—Boston Transcript.

By PRESIDENT BUNCE

Glassboro State Teachers College
"At this season of the year high school seniors in all of the New Jersey high schools are beginning to make plans for entering institutions of higher learning or are looking for jobs. The college authorities are also busy at work selecting for next September a new lot of students who seem to give promise for the special field of work which each college undertakes."

"The wise high school senior endeavors to be admitted to a college or other post-high school institution which best serves his ability, his special interest, and his parents' financial situation. Many disillusionments, many heartaches, and much money would be saved if more in-

telligent planning were done by all concerned. A college has no moral right to accept freshman students who are not fitted to profit greatly from the courses it offers.

"Each college has its own standards and its own entrance requirements. These are usually determined by the product it hopes to turn out at graduation time. A Teachers College such as ours at Glassboro must be influenced at all times by its ideals for the teaching profession.

"We must continually be asking ourselves these questions among others: What type of young man or woman should we admit in order that the education and training we are prepared to give will produce a finished product a beginning teacher who will efficiently serve the public schools of tomorrow? How many graduates will be able to positions in New Jersey four years hence?"

"We never can answer our own questions to our entire satisfaction, but we do have certain beliefs which past experience has proved to be valid and which we dare to propose for the immediate future. These might be stated thus: We should accept as next year's freshmen:

1. Only those whose marks in

high school averaged 80 or C plus or higher.

2. Only those who are free from defects in hearing, sight or speech, and who keep themselves physically fit.

3. Only those who have acquired the habit of using good English, correct spelling, and legible handwriting.

4. Only those who are honest, dependable, and morally clean and upright.

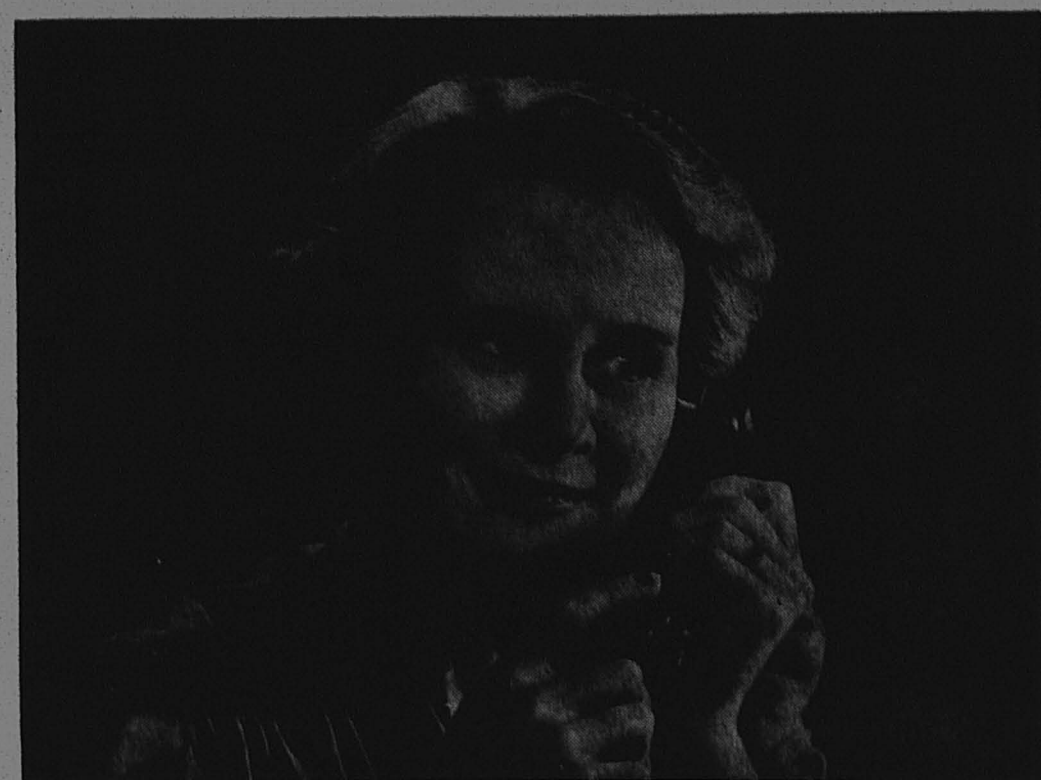

5. Only those who are personally attractive as individuals and who possess enthusiasm, energy, and initiative.

6. Only those who are interested in participating in such activities as art, music, public speaking, sports and club work.

7. Only those who can finance their college education with the small amount of help to be obtained from the college through loans and scholarships.

8. Only as many as we know can adequately be accommodated at the college and then be placed in teaching positions four years hence.

9. Only those who really desire to become teachers and are willing to sacrifice and to strive diligently to achieve that desire.

New Proprietor At Unity Shoe

Angelo Thomas, new proprietor of the United Shoe Repairing establishment at 105 W. Broad street, Palmyra, is announcing that his shop is now equipped to put crepe half soles and heels on your old shoes. This new material is quite popular today and in addition wears well and is economical.

It is the ideal material for school children's shoes and has the added advantage of being waterproof.

Angelo Thomas has spent his life in shoe rebuilding and is quite proficient in corrective shoe rebuilding in accordance with doctor's prescriptions. He spent two years in the Jefferson Hospital doing nothing but corrective shoe rebuilding.

A special introductory offer is made in his advertisement this week.

PALMYRA TAKES SECOND DECISION

Camden Catholic was the second victim of the season for the Red and White ball tossers last Friday afternoon in a game that was played at Palmyra Recreation Park. The affair which was originally slated for the field of the Irish was transferred here because of poor playing conditions in Camden. The score, incidentally was 5-3.

Coach Dimond used four hurlers during the fracas, Van Emberg, Carhart, Lelejo and Gibson getting into the skirmish.

Allow Seven Hits
Camden compiled a total of seven hits during the afternoon with Palmyra matching this performance. Cole and Turner led the local offense with a pair each.

The Dimondmen took the lead with a pair of tallies in the third and added another in the following frame. Camden dented the rubber in the fifth and boosted their total by two more in the stretch canto. The locals put the game on ice by pushing over two more in the lower half of the same stanza.

From its hermetically sealed Polarsphere freezing unit to its built-in thermometer a Kelvinator refrigerator is new! With gleaming white acid-resisting finish and chromium door handle it will improve the appearance of any kitchen. But most importantly, Kelvinator refrigeration, based upon twenty-five years' experience in the field, offers trouble-free operation and low cost. It is a money-saving, labor-saving, health-saving necessity in the home of today and tomorrow.

Prices are low and payment terms are liberal. A six cubic foot model may be had for the low cash price of \$149.50. So visit our showroom and pick out the Kelvinator to meet your needs.

PUBLIC SERVICE

Ladies' Auxiliary is planning a platter luncheon to be served at 12 o'clock, as a large proportion of the exhibitors will have to be on hand at ten for these special events. The program this year includes several special events with emphasis upon classes for horses that are not used for show purposes; bare-back riders and harness horses.

Steel railroad tracks laid north and south have longer life than those east and west, but the reason is unknown.

BOROUGH OF RIVERTON 1938 AUDIT

April 12, 1939

The Honorable Mayor and
Members of the Borough Council,
Riverton, N. J.

We report that we have audited the financial books and accounts of the Borough of Riverton for the year ended December 31, 1938, and submit herein the statements and exhibits as listed in the table of contents which show the financial condition of the Borough as of that date.

SCOPE OF THE AUDIT: The scope of the audit covers the financial transactions of the Tax Collector and Treasurer, Borough Clerk, Delinquent Tax Collector, Building Inspector, Street Superintendent, Health Inspector, Police Recorder and the activities of the Governing Body.

The scope of the audit does not and cannot determine the character or quantity of materials supplied for which claims have been passed. These details are necessarily covered by the approvals on such claims.

The accounts and records were found to be subject to the following comments:

NEW REGULATIONS BY LOCAL GOVERNMENT BOARD: As a result of new laws approved in 1938, providing for the creation of the Local Government Board, such Board has adopted various resolutions and issued a new book of requirements to all Registered Municipal Accountants, setting forth new regulations for auditing the accounts of the various municipalities for the year 1938. You have already been advised of some of these new requirements in a special communication received from us. The recommendations are entirely new, when compared with previous reports and we are obliged to call your attention to these new matters, in accordance with the directions of the Local Government Board.

CONDITION OF RECORDS AND CONDUCT OF OFFICES: The records of the municipality were found to be in excellent condition.

The Treasurer has installed a new cash disbursement book and a general ledger for the year 1939. These changes will increase the value of the records to the officials of the Borough.

The various books and records were adjusted to agree with this report.

RECOMMENDATIONS: The finances of the Borough of Riverton were in good condition as of the close of the year under audit. There was a cash surplus of \$3,872.39 as of December 31, 1938. This condition is the result of conservative budgets and good tax collections.

RECOMMENDATIONS: The finances of the Borough for the coming year should improve still further as the 1939 budget is not only again carefully drawn but also on a cash basis.

That the Tax Collector be given a change fund.

That separate bank accounts be maintained for current, trust assessment and capital account funds.

That the Treasurer's report to the Governing Body of the receipts and disbursements for the year contain his affidavit.

That the Delinquent Tax Collector turn over all collections and reports to the Tax Collector prior to December 31 of each year.

That the interest collection policy be corrected.

That every legal means be taken to realize upon all outstanding taxes.

That an all-inclusive tax sale be held as required by law.

That no personal taxes be included in the tax title liens.

That the outstanding sewer rents be collected by legal means.

That bids be secured on all expenditures where the grand total of all probable orders is expected to exceed \$1,000.00.

That the bonds for certain minor officials referred to be provided without delay.

Unless such bonds are secured, it will be necessary to relieve such officials of the handling of Borough funds and transfer same to some other bonded officer.

We shall be pleased to assist you to the fullest extent in connection with the recommendations of this report.

ACKNOWLEDGMENT: In the course of our audit, we received the complete co-operation of all the officials of the Borough and we greatly appreciate the courtesies extended to us.

CERTIFICATION: It is hereby certified that to the best of our knowledge and belief the within report is a true and correct statement of the financial condition of the Borough of Riverton for the year 1938, as shown by the books and records of the said Borough submitted to us, supplemented by personal inquiry and investigation.

Yours very truly,
CHARLES S. ROCKEY & CO.,
WILLIAM H. WILKINSON,
Registered Municipal Accountant (N. J.)

SENSATIONAL
NEW HARTFORD PLAN
REDUCES AUTO
Insurance COST!

Don't Insure Your Car Anywhere Else Until You Have Investigated This Opportunity to Save Money.

DO YOU use your car for personal and pleasure purposes only and not for business (except for transportation to and from work)? If so, we will write Automobile Liability and Property Damage Insurance for you at a discount of the regular rates of 20%.

DO YOU qualify under the above requirements and in addition:
(a) drive not more than 7,500 miles per year;
(b) confine the use of your car to not more than one other person in your household;
(c) are that other person and yourself both at least 25 years of age? If so, we will write your Automobile Liability and Property Damage Insurance at a discount off the regular rates of 25%.

In Addition—
If you complete your one-year policy period without having a loss you will receive a Safe Driver Reward in cash that will cut the final net cost to you by still another 15%!

Here's What You Get, Together With These Unprecedented Savings in Cost:

(1) Standard full coverage Automobile Liability and Property Damage Insurance—exactly the same broad protection against loss for which you have previously paid nearly 50% more;
(2) The dependable security of one of the nation's largest, strongest non-assembly stock insurance carriers—the Hartford Accident and Indemnity Company. Hartford time-tested insurance is backed by resources of over 75 million dollars, including a surplus to policyholders of 20 millions;
(3) Prompt, capable service wherever you may go through a coast-to-coast organization of over 17,000 agents and claim representatives which blankets the United States and Canada and stands ready to assist you twenty-four hours of every day. You can always locate the nearest Hartford agent quickly, simply by phoning Western Union (Canadian National Telegraphs in Canada)—a distinctive Hartford service feature.

WHERE ELSE CAN YOU GET SO MUCH FOR SUCH SMALL COST?

You Owe It to Yourself to Investigate This Remarkable Money-Saving Opportunity to Get the Best in Automobile Insurance.

We will be glad to explain this New Hartford Plan in full detail without obligation to you. Visit or phone our office, or we will call upon request.

DAY and NIGHT SERVICE

BETHANY EVANGELICAL LUTHERAN CHURCH

Rev. Oliver W. Powers, Pastor

The third Sunday after Easter is called Jubilate. It means make a joyful noise, and the rest of the liturgy continues "unto God, all ye lands." There is a contrast, however, between the joy of the post-Easter Season and the Gospel for the day which is full of sorrow because of the impending separation of Jesus and His disciples. But with this experience comes a joy to the disciples not of, or from, or like the world's joy, but one that is uniquely their own. The process of acquiring this never-failing joy is one that is a true post-Easter story to every believing heart. We, too, must begin to learn "the joy set before us."

At the chief service, 11 a.m., the pastor, the Rev. Oliver W. Powers, will preach on the subject "The Never-Failing Joy." Special post-Easter music will be sung by the choir under the direction of Mr. Lee Milton.

Sunday School is at 10 a.m. The topic in most departments will be "Paul Crosses over into Europe." All are cordially invited to Sunday School and the Service.

EPWORTH M. E. CHURCH

Rev. W. A. Boyd, Pastor

Many people blame oncoming National and International Problems on the loss of moral and religious standards. This is too true to each of us. We live with and suffer for our own folly and the infidelity of others. The greatest mistake of the ages is the neglect of reverence for loyalty to the Church of God. Put up your barricades, protect yourself against irreverence for and disloyalty to God's Church. Hear this message "The Foolishness of Men vs. the Wisdom of God" by the Rev. W. A. Boyd, this Sunday morning at 11 o'clock. During this service the Senior and Young People's Friendly Choir will sing.

Summer vesper services will begin in our church this Sunday evening at 7:45. "Daylight Saving" is the title of the message to be given by the Rev. W. A. Boyd. The young people will participate in this service. The minister will conduct a

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B. D., Pastor

Services, Sunday, April 30 Bible school, 10:00 a.m. With clear skies prevailing, the school witnessed an excellent attendance last Sunday. Many visitors were present and enjoyed the hospitality of "Central Baptist." Spring brings new comers in our vicinity. To those who are without church affiliations, an invitation is extended to attend our school. Everyone is made to feel at home in classes of their own age.

Morning service, 11:15 a.m. The pastor's subject for this service will be "They That Wait Upon the Lord." Anthems and solos by the choir.

The church's sympathy goes out to Mr. Claude Barro in his bereavement of the sudden loss of his brother. In his absence, Mr. Russell Jermon has kindly offered to direct the choir.

B.Y.P.U., 6:45 p.m. For the young people of high school age.

Evening service, 7:45 p.m. The ordinance of Baptism will be conferred upon two candidates at the conclusion of the service. "Baptism" will be the theme of the sermon.

spirited song sing. The senior choir will participate. Mrs. Rachel Lord will be at the organ. The Young People will be here. Come and enjoy the presence of the Lord in this beautiful summer evening service.

Be sure to look in another column of this paper for the program of the May festival to be given in our church Monday and Tuesday evenings of this week May 1 and 2, beginning at eight o'clock. This festival is in the interest of music week. The chorus is composed of singers and musicians from all parts of Burlington county. The chorus will be accompanied by the "Interborough String Quartet" with Mr. Mitten at the piano and Mrs. Rachel Lord at the organ and Mr. Eric Warnick directing.

A special meeting of the official board of our church will be held on Tuesday evening of this coming week at 8 o'clock in the guild room. Please do not forget to turn your clock back this Saturday evening. Daylight saving begins Saturday at midnight.

CHRISTIAN SCIENCE CHURCH

"Everlasting Punishment" is the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, April 30.

The Golden Text is: "Shall not the Judge of all the earth do right?" (Genesis 18:25).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Have mercy upon me, O God, according to thy loving-kindness: according unto the multitude of thy tender mercies blot out my transgressions. Wash me thoroughly from mine iniquity, and cleanse me from my sin." (Psalms 51: 1, 2).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Reform comes by understanding that there is no abiding pleasure in evil, and also by gaining an affection for good according to Science, which reveals the immortal fact that neither pleasure nor pain, appetite nor passion, can exist in or of matter, while divine Mind can and does destroy the false beliefs of pleasure, pain, or fear and all the sinful appetites of the human mind" (p. 327).

which will be preceded by a short service and contribution by the choir.

The New Jersey Baraca-Philathea Union will hold their Spring Rally in the church on this Saturday afternoon and evening to which an invitation is extended to all who are interested.

What Happens to Your VALUABLES

when you and your family are out to dinner?

"Dinner-hour" burglars are not at all uncommon and with the warm spring weather at hand you will probably be making more auto trips and do more dining out.

Why not safeguard your valuables against loss through burglary, and fire too for that matter, by renting a SAFETY DEPOSIT BOX in this bank now?

Do it now and enjoy those moments of freedom that come with summer weather.

JAMES CAGNEY

IN CHANCERY OF NEW JERSEY

To HERBERT CLARK and KATE CLARK, his wife: By virtue of an order of the Court of Chancery of New Jersey, made on the day of the date hereof, in a cause wherein Margaret Wallace Ryan, Substituted Trustee for Emma R. Polis, under the last will and testament of John Wallace, deceased, is complainant, and you, Herbert Clark and Kate Clark, his wife, and others, are defendants, you are required to appear and answer the bill of said complainant on or before the 20th day of June, 1939, or the said bill will be taken as confessed against you.

The said bill is filed to foreclose a mortgage given by Herbert Clark and Kate Clark, his wife, to Lewis H. Wallace, Surviving Trustee for Emma R. Polis, under the last will and testament of John Wallace, deceased, dated April 23rd, 1931, and recorded in the Office of the Clerk of Burlington County in Book No. 254 of Mortgages, page 121, upon lands situate in the Township of Cinnaminson, County of Burlington and State of New Jersey, more particularly described in said bill of complaint.

And you, Herbert Clark and Kate Clark, his wife, are made defendants because you executed the bond accompanying the mortgage being foreclosed, and by reason of conveyance by you of premises covered by said mortgage for a nominal consideration, may have retained some interest therein.

WM. D. LIPPINCOTT,
Solicitor of Complainant,
35 North Fourth Street,
Camden, New Jersey.

Dated, April 19, 1939.
4-27 to 5-18-39

AN ORDINANCE OF THE BOROUGH OF RIVERTON IN THE COUNTY OF BURLINGTON, STATE OF NEW JERSEY, PROVIDING FOR THE CONSTRUCTION BY THE SAID BOROUGH OF CONCRETE CURBS ON PORTIONS OF HIGHWAY, SEVENTH STREET, LIPPINCOTT AVENUE, FOURTH STREET, THOMAS AVENUE AND HOWARD STREET IN THE SAID BOROUGH, AS A LOCAL IMPROVEMENT, MAKING AN APPROPRIATION THEREFOR AND AUTHORIZING THE TEMPORARY FINANCING THEREOF BY THE ISSUE OF THE BOND ANTICIPATION NOTES OF THE SAID BOROUGH.

BE IT ORDAINED by the Borough Council of the Borough of Riverton in the County of Burlington, in the State of New Jersey: SECTION 1: That concrete curbs, (except where such curbs, in good condition and proper location, are already in existence), shall be constructed by the said Borough on both sides of Highway, from Main Street to Thomas Avenue; on both sides of Seventh Street from the Borough Line to Lippincott Avenue; on both sides of Lippincott Avenue from Seventh Street to Broad Street and from Fourth Street to Second Street; on both sides of Fourth Street from Linden Avenue to Elm Avenue, from Main Street to Lippincott Avenue, from Thomas Avenue to Lippincott Avenue, and from Thomas Avenue to Linden Avenue; on both sides of Thomas Avenue from Fourth Street to Second Street; and on both sides of Howard Street from Third Street to Bank Avenue, in the said Borough.

SECTION 2: That said concrete curbs shall be constructed by the said Borough in accordance with the plans and specifications therefore prepared by Sherman and Sleeper, Borough Engineers, dated April, 1939; that said plans and specifications be and they are hereby approved and adopted for the purpose of said improvement and ordered to be filed with the Borough Clerk of the said Borough and kept on file for reference and public inspection; and that said concrete curbs shall be constructed under the supervision of the said Borough Engineers.

SECTION 3: That said concrete curbs shall be constructed by the said Borough as a local improvement, and that the costs and

expenses of the construction thereof, including incidental expenses, shall be assessed upon the lands and real estate specially benefited by the said improvement, to the extent of such benefits, and that the remainder, if any, of such costs and expenses shall be borne by the said Borough.

SECTION 4: That all assessments which shall be imposed upon lands and real estate for special benefits resulting therefrom the construction of said concrete curbs shall be payable in five annual installments.

SECTION 5: That the sum of Three Thousand Dollars (\$3,000.00) be and the same is hereby appropriated to pay the costs and expenses, including incidental expenses, of the construction of said concrete curbs; and that said sum of Three Thousand Dollars (\$3,000.00) be the maximum amount of money to be raised from all sources for said purpose.

SECTION 6: That the sum of Three Hundred Dollars (\$300.00), which is available in the roads and streets appropriation of the local budget of the said Borough for the year 1939, be and the same is hereby appropriated, as a down payment under the provisions of the Local Bond Law of the State of New Jersey, (being Title 40, Subtitle 1, Chapter 1 of the Revised Statutes of New Jersey, 1937), to and for the purpose of paying the costs and expenses, including incidental expenses, of the construction of said concrete curbs; which sum of Three Hundred Dollars (\$300.00) is not less than a part of the total estimated maximum amount of money to be raised from all sources by the said Borough for the said purpose as determined by dividing such total amount by the number of years hereinafter determined as the period of usefulness of the said concrete curbs.

SECTION 7: That the remaining Two Thousand Seven Hundred Dollars (\$2,700.00) of said sum or appropriation of Three Thousand Dollars (\$3,000.00), or so much thereof as may be necessary, shall be obtained by the issue of the Bond Anticipation Notes of the said The Borough of Riverton in the County of Burlington, in the State of New Jersey; and that the issue of such Notes be and the same is hereby authorized in the total amount of Two Thousand Seven Hundred Dollars (\$2,700.00), under and in accordance with the provisions of the said Local Bond Law, (Title 40, Subtitle 1, Chapter 1 of the Revised Statutes of New Jersey, 1937); and that all other matters, details and particulars in relation to the authorization, issue and sale of such Bond Anticipation Notes not contained in this Ordinance shall be determined hereafter by appropriate resolution or resolutions of the Borough Council of the said Borough adopted according to law; provided, however, that said Bond Anticipation Notes (including renewals) shall mature and be paid not more than two years from the date of the original Notes, except that such Notes in an amount not exceeding the special assessments confirmed, unpaid and not delinquent, may be renewed for not exceeding five years from the date of original issue thereof, and that the rate of interest upon such Notes shall not exceed six per centum per annum.

SECTION 8: That it is hereby determined and declared that the period of usefulness, (within the meaning and limitation of the said Local Bond Law), of the said concrete curbs is ten years.

SECTION 9: That it is hereby further determined and declared that the Supplemental Debt Statement required by the said Local Bond Law has been duly made and filed in the office of the Borough Clerk of the said Borough prior to the passage upon first reading of this Ordinance; and that such Debt Statement shows that the Bond Anticipation Notes herein authorized will be within all debt limitations prescribed by said Law; and that the gross debt of the said Borough, as defined in the said Local Bond Law, is hereby increased by the sum of Two Thousand Seven Hundred Dollars (\$2,700.00).

SECTION 10: That it is hereby further determined and separately stated that the total amount of the proceeds of the said Bond Anticipation Notes to be expended for

NO LICENSE

John E. Leonard, 15, of 21 Rowland street, Palmyra, escaped with a suspended sentence and reprimand for driving his brother's car through Riverton on Monday without being the possessor of a license.

interest on the said Notes, engineering and inspection costs, legal expenses, and the cost of issuing the said Notes, including printing and the advertisement of this Ordinance, is the sum of Seven Hundred and Fifty Dollars (\$750.00).

SECTION 11: That this Ordinance shall take effect, after its final passage, approval, adoption and publication, on the earliest date allowed by law.

NOTICE is hereby given that an Ordinance, of which the foregoing is a copy, was duly introduced and passed upon first reading by the Borough Council of the Borough of Riverton in the County of Burlington, State of New Jersey, at a meeting thereof held on the twenty-fourth day of April, 1939, and that the final passage and adoption of the said Ordinance will be considered by the said Borough Council at a meeting thereof to be held in the Council Room of the said Borough, on the second floor of the Fire House, situate on the Northeast side of Howard Street, between Main Street and Fifth Street, in the said The Borough of Riverton in the County of Burlington, State of New Jersey, on the eleventh day of May, 1939, at 7 o'clock in the evening, (Standard Time), at which place and time a hearing concerning the said Ordinance will be afforded by the said Borough Council to all persons interested therein.

By Order of the Borough Council of The Borough of Riverton in the County of Burlington.

DANIEL M. CLIFTON,
Borough Clerk.

Dated, April 26, 1939.
4-27 to 5-4-39.

Officer John Robinson apprehended the youth suspecting he was young to secure a driver's credentials.
