RETIREES AFTER LONG SERVICE

Frank A. Rue, of Riverton, Completed 51 Years with Pennsy

As he stepped from his train on Saturday evening at the Camden terminal, Frank A. Rue, of 112 Morgan avenue, Riverton, rounded out his fifty-first year of service with the Pennsylvania Railroad.

The completion of the trip marked the last regular run for Mr. Rue, who is now on the retired list after a period of long and efficient service.

He entered the employ of the railroad in April, 1888, at South Amboy, and was first engaged in maintenance work, but soon went into freight service, where he spent several years, later advancing to passenger runs. Mr. Rue became a passenger conductor in 1911.

Moves Here

Conductor Rue was on the run from South Amboy to Camden and from Long Branch to Philadelphia for a number of years and formerly resided in Long Branch, moving to Riverton 13 years ago.

Since that time he has been on the Amboy and Long Branch runs to Camden and Philadelphia, in addition to local service between Camden and Trenton and on other lines in the Philadelphia area.

Mr. Rue stated that one of the highlights of his railroad career was the occasion when the late President Woodrow Wilson had his private car attached to a train of which he was conductor.

He also added that, during his long service on the local lines he has known practically all of the residents of the various communities along the riverfront and has had as passengers the grandchildren of former commuters.

Many Friends

Mr. Rue remarked that he had (continued on page 11)

Painting Exhibit At Porch Club

On Tuesday afternoon and evening of this week, the members of the painting classes conducted by Mrs. Murray C. Boyer held their second annual exhibition in the Porch Club with 100 paintings on display.

Over two hundred canvases were completed during the course of the year and the work of each student was examined by two judges who determined which paintings should be hung for the exhibition.

The judges were Mrs. W. H. D. Koerner, of Asbury Park, who is the founder and vice president of the Asbury Park Art Association and who has served in a similar capacity at many other affairs, together with C. J. K. Anderson, noted artist, of Riverton.

The work of the thirty-one members of the class was the subject of much favorable comment on the part of the scores of art enthusiasts who attended the exhibition.

COUNTY COUNCIL P.T.A. MEETING

The spring meeting of the Burlington County Council of Parents and Teachers will be held at the Regional High School in Mount Holly, next Wednesday, May 10th.

The morning session will convene at ten o'clock, and luncheon will be served at noon.

An interesting program has been arranged, and it is hoped that Riverton will be well represented at this meeting. All those planning to attend should communicate with Mrs. Charles Yost, 631 Thomas avenue, Riverton, so that arrangements for transportation and luncheon may be made.—Publicity.

The modern equipment of the Palmyra Ambulance Association is available for community service 365 days in the year. This week the organization is conducting a tag day campaign for funds and is holding a cake sale on Saturday morning in front of the Clover Market, Broad street, Palmyra.

Buy a tag to help this worthwhile cause or assist by donating or purchasing a cake. Call Riverton 352-J if you wish to buy or contribute. Orders will be delivered. Donations may be left at the Palmyra police station or phone Edward Werrbach, secretary of the association, Riverton 325-J.

YMCA CAMPAIGN OPENS MONDAY

Eighty Men Comprise List of Local Workers; Thomas Is Chairman

Eighty men will be campaigning for funds in the annual Y.M.C.A. drive which is to open here next Monday night, with a launching dinner for workers at the Porch Club.

Carl H. Thomas is the general chairman, with J. Douglas Clark as chairman of the special gifts committee. Mr. Thomas has organized this year's collectors into four divisions, each of which has five teams, with a captain and three workers. Division leaders are: Charles S. Stickney, John F. Ward, Richard M. Woodward and Howard B. Conover.

Eight Groups Here

There are now eight Y.M.C.A. groups here, whose leaders are: Thomas Braddock, E. Newbold Cooper, James Durham, Clifford H. Loane, Robert McCurdy (who leads two groups), Francis J. Schwartz and Earl B. Whitcraft.

Through the various groups, in their weekly meetings, boys practice business procedure with their own officers. Leaders direct practical, applicable Bible study, and coach the members in many activities which provide opportunities for physical, social, intellectual and religious development. There are debates, social games, practical talks by invited speakers, parties, health instruction, indoor and outdoor athletics—opportunities for growing boys to achieve social self-realization.

Group members participate in county-wide and state-wide events, such as swimming meets, tournaments, conferences, trips, special entertainments. Many also attend (continued on page 2)

ANNUAL FETE ON FRIDAY, MAY 26

Benefit Affair Will Be Held at Cinnaminson Home; Your Support Asked

Plans are now completed for the Annual Fete of the Cinnaminson Home to be held Friday, May 26, from 5 until 9 p.m. under the direction of Mrs. M. Albert Linton, president of the home, and Mrs. James Davis, of Moorestown, chairman. Please note the day is Friday, a departure from the Saturday of former years.

Attractive booths will be arranged on the grounds of the Home for the sale of home-made cake and candies. Mrs. Harry F. Jones, of Riverton, and Mrs. Lloyd Heulings, of Moorestown, will have charge of the candy, and Mrs. Nathan Lane, Jr., and Mrs. William D. Lippincott, the cake. The amusement committee, with Mrs. S. Emlen Stokes as chairman are presenting an exhibition by experts in archery and an opportunity for amateurs to try their skill with the bow and arrow, a merry-go-round for smaller children, and in the evening in the Home building some special movies and other entertainment.

Supper Dance

Miss Helen E. Woolman will have charge of the dinner, including a hot dinner from 5:30 until 7:30 and a choice of supper platter and sandwiches for the children. In the evening there will also be a dance at the Riverton Country Club, under the direction of Mrs. J. V. Hackett, of Riverton.

"The proceeds of the Fete are to be used for remodeling the kitchen of the Home. Those in charge urge you keep this date in mind and plan to enjoy this occasion which has always meant so much to the annual spring festivities of the community and has helped to make possible the efficient service of the Cinnaminson Home for convalescent women sent by the social agencies and hospitals of Pennsylvania and New Jersey, a service which has been carried on for more than forty-five years. The Home needs and counts on your support to carry on this splendid work."

PALMYRA SCHOOL EXHIBIT
The Spring Garden and Cinnaminson Avenue school will hold their annual exhibit of pupils' work on Friday evening, May 5, from 7 to 9 o'clock. All parents and friends are cordially invited to visit the schools at that time.

NOTICE

Koerner's Bakery announces that they do not have door-to-door solicitors in Riverton, Palmyra or Cinnaminson. Anyone claiming to sell Koerner products in a door-to-door canvas, is deliberately misstating the facts.

APPOINTMENTS BY SCHOOL BOARD

Riverton Teachers Named for Year 1939-40; Few Changes Made

At the meeting of the Riverton Board of Education held on Monday night of this week numerous appointments were made for the next school year. These included part-time teachers and others.

Those named were as follows: Mrs. Velma Comegys, music, Mis Helen A. Bottcher, domestic science.

Milton A. Hutt, industrial arts. Raymond J. Callahan, health and physical education.

Mrs. Grace C. Duer, art. Eleanor J. Williams, office clerk.

Dr. T. Bruce Dickson, school physician.

Dr. George J. White, school dentist.

Miss Carolyn Cook and Miss Helen Blair, school nurses for the Visiting Nurse Society. The school nurses will also act as attendance officers.

Clarence T. Yerkes, broker of record.

Miss Staman's Report

Excerpts from the report of Miss Caroline M. Staman, supervising principal follow:

Attendance and health have been good. Four children were given special examinations by the school physicians during the month and forty attended dental clinics.

The annual summer Round-Up of pre-school children conducted by the P.T.A. has been arranged with local physicians for May 16th and 17th. This activity brings us a Kindergarten class as free from remediable physical defects as possible.

Mr. Jones talked to parents of 8th grade children April 17th discussing curricula and sent Miss MacDonald in on April 25th to enroll those who will attend Palmyra High School, probably twenty-seven. Those enrolled will spend May 31 in the school following their schedule as outlined for next year.

Adams Prepares New Jail Plans

At a meeting of the Burlington County Board of Freeholders held last Friday afternoon, Director Palmer L. Adams was authorized to prepare plans for a proposed addition to the county jail at Mt. Holly.

According to the consensus of opinion at present, the addition will be in the form of a dormitory in which temporary prisoners and those designated as being of the "model" type will be housed.

Adams proposed that the addition be constructed as a P.W.A. project. He will refer the plans to the board for approval when completed.

Mr. Adams was also authorized to prepare plans for a new auxiliary water system for the county buildings at New Lisbon. His proposal considers drawing water from Rancocas creek and would greatly increase the available supply.

JUDGE MATHEWS TO BE SPEAKER

Judge Frank Mathews will be the guest speaker at the regular monthly meeting of the Cinnaminson P.T.A. to be held on Wednesday night of next week, May 10, in the school auditorium. Judge Mathews will talk on "Americanism," a subject which should be of particular interest to everyone.

A cordial invitation to attend this meeting is extended to all parents and friends in the vicinity.

Preceding Judge Mathews' talk there will be a short business meeting at which the association will hold its annual election of officers. Everyone interested is urged to attend.

Dates Announced For Summer Round-Up

The annual Summer Round-Up of children will be conducted from May 15 to May 19. The Summer Round-Up is a major health project of the National Congress of Parents and Teachers and its purpose is to send children to the entering grades of school in good physical and mental condition. In this state it is sponsored by the New Jersey Congress of Parents and Teachers and the Medical Society.

The Round-Up group includes all children from two years of age to those eligible for school in September.

Names of children who will enter school in the fall for the first time have been secured through the school census.

Parents will be visited by a member of the local committee and will be advised to take their children to their family physician for examination.

A standard examination blank is used. Each child's blank is turned over to the school authorities to serve as the initial unit of the child's permanent health record.

Office Hours

The local doctors have cooperated with us and will examine the children in their offices on the following days:

Dr. H. W. Bauer: Tuesday, May 16, 2 to 3 p.m.

Dr. T. B. Dickson: Wednesday, May 17, 2.30 to 3.30 p.m.

Dr. H. L. Rogers: Wednesday, May 17, 2.30 to 3.30 p.m.

Dr. H. P. Landis, Jr.: Tuesday, May 16, 1 to 2 p.m.

Dr. Dean H. LeFavor: Wednesday, May 17, 9 to 10 a.m.

Dr. H. B. Mark: By appointment.

Dr. C. S. Mills: Tuesday, May 16, 3 to 4 p.m.

Dr. J. R. Siddall: Wednesday, May 17, until 10 a.m.

Dr. C. F. Voorhis: By appointment.

Dr. J. C. Voss: Tuesday, May 16, 3 to 4 p.m.

The doctors are giving their time without remuneration. Will you not make an effort to take your pre-school children to your family doctor for a health examination?

Following the physical examination in the spring, homes of prospective pupils will be visited and parents urged to have remediable defects found in the children corrected by the family physician and dentist.

Summer Round-Up Committee, Mrs. M. H. DeCoursey, chairman.

Mrs. A. H. Burns.

Mrs. J. H. Werner.

Y.M.C.A. CAMPAIGN OPENS MONDAY

(continued from page 1)

Camp Oceanachon, and their sisters camp at Matolionnequay.

Burlington county's first Y.M.C.A. home vacation camp was organized last summer at Palmyra-Riverton, under Secretary Bud Reeder's leadership.

Mr. Reeder has also had special relationship with the Palmyra-Riverton "Y" Group leaders during the past winter in a series of training conferences having had a number of these sessions in his home at Moorestown.

Board Members

On the twin-city Y.M.C.A. board are these men from Palmyra: Howard B. Conover, Robert J. Finney, Grover F. Fox, Edward W. Fry, Charles B. Marple, Paul R. Jones, Lawrence B. Thomas, John F. Stickney, Carl H. Thomas, John F. Ward and George N. Wimer. From Riverton: Robert G. Adams, E. Newbold Cooper (president), Francis B. Elwell, Nathan Lane, Clifton P. Mayfield, Victor Ritschard, Richard M. Woodward and Charles H. Yost.

Of the above list these men are members of the County Y.M.C.A. board: Edward W. Fry, Grover F. Fox, John F. Ward, George N. Wimer, E. Newbold Cooper, Francis B. Elwell, Nathan Lane, Victor Ritschard and Richard M. Woodward.

Campaign dates here are from May 8th to the 16th, on which date the Y.M.C.A. Women's Auxiliary will serve a closing dinner for all workers at the Y.M.C.A. building.

BENEFIT TEA

A tea to benefit the Incubator Fund, sponsored by the Burlington County Parent-Teacher Association, will be held on Thursday afternoon, May 18, by the Cinnaminson P.T.A., at the home of Mrs. Warnick, Burlington Pike, Cinnaminson. The charge will be 25 cents each, and everyone interested in this worthwhile cause is cordially invited to attend.

6 MILES AT SEA

Seashore homes and apartments at either Beach Haven or Brant Beach are actually six miles from the mainland out to sea.

An ideal spot for vacationists who wish to seek relief from hay fever, rose cold, and asthma, and at the same time enjoy every facility for a delightful seashore sojourn.

These resorts are noted for the cool ocean and bay breezes that make them the most desirable for relief from the oppressive mainland heat.

We have one of the largest listings of homes and apartments on the island and invite you to consult us at an early date before the big spring rush for seashore properties starts.

These properties consist of small homes and apartments right on up to the most exclusive at rents in proportion.

Either call us or take this ad with you and see Robert Osborn, Jr., at the Beach Haven Office or Lester Osborn at the Brant Beach Office of Robert R. Osborn & Sons.

Kentuckian Is Horse Show Judge

Dr. Carroll T. Jones has arranged a surprise for the exhibitors at the two-day horse show sponsored by the Ladies' Auxiliary of the Burlington County Hospital and to be held May 6 and 7 on the English Setter Club Farm near Mount Holly. The doctor refuses to divulge the name of the noted Kentucky horseman who will judge the three and five-gaited classes until he is introduced to the patrons and exhibitors at ten o'clock on the opening day of the show. It is admitted that this gentleman has judged at some of the largest shows and that it was only possible to secure him because the dates of the show fitted in with the judge's trip to the New York World's Fair.

Other Classes

Mrs. R. K. Ribsam (the former Miss Katherine Sharpless, of Trenton, who was for many years the premier rider of Burlington county; Mrs. Herbert W. Stuart, of Edgewater Park, who as Paddy Bonsall was a nationally known juvenile rider and exhibitor, who has owned and ridden many famous steeple-chase horses, have agreed to judge the Juvenile Championship classes and the adult horseman classes.

Seniors who are interested in going to college can secure needed information in the college guidance office set up in Room 113 under the supervision of Charles W. Ray. Information concerning scholarships, college board and State Teachers college exams, and ratings of colleges according to fields of interest and cost of attendance are available.

Organ Concert

Carl Bonawitz, noted radio organist gave a recital for the high school Monday, May 1, during activity period. The Hammond electric organ was furnished through the courtesy of John H. Wanamaker and Co. Mr. Bonawitz gave a short demonstration on Saturday evening preceding the senior play. At a later hour Monday he played for the grammar school.

Visitors' Day

Visitors' day will be May 31, this year in the high school. Seniors will not be required to attend school. All other students including next year's freshmen will go through their 1939-40 schedule. Enrollment of freshmen has been in progress for several days and on May 12 the same will begin for upper classesmen.

Practice Office Success

According to the last questionnaire, the Practice Office experiment is a success in the school. Teachers and students gave it strong approval. Lawrence E. Bretsch, who is in charge of the same, has submitted the plan to the state department for review. There is a possibility that it will be adopted for general use in the state next year.

"WHY SHOULD I CARE about New Jersey's Railroad Taxes?"

The railroads of New Jersey employ about 34,000 people. They pay over \$56,000,000 a year in wages. One family out of every 28 in the State is directly dependent upon the railroads for its livelihood. Bankrupt railroads will employ fewer people.

Each figure represents 1,000 workers employed by New Jersey Railroads

The railroads of New Jersey in 1938 bought about \$24,000,000 worth of materials and supplies from New Jersey merchants and manufacturers. The railroads are the most important customers of many businesses. Only if the railroads remain solvent can they continue to make these huge purchases, and, indirectly, give employment to many thousands of additional men and women.

Each case represents \$1,000,000 of local supplies purchased by New Jersey Railroads

The railroads of New Jersey provide transportation daily for about 350,000 New Jersey residents.

When New Jersey railroads are in difficulties, it hurts: every one of their employees every one of their suppliers every one of those dependent on their services every home-owner in the State.

The existence of almost every New Jersey railroad is threatened today by the heavy taxes levied against them.

The New Jersey railroads were able to pay large amounts in taxes in an earlier day, and the State benefited through huge tax receipts year after year. Today the conditions that made this possible no longer exist.

The railroads used to be almost the only transportation agency in New Jersey. Now they must share the available business with trucks, buses, airplanes, pipe lines, and inland and coastal waterways.

Since 1926, the New Jersey railroads have suffered losses in traffic and revenue of 90 to 95%. The value of the railroad properties is only from 30 to 50% of the valuations still

ALUMNI PLAN

SPRING DANCE

At a meeting held last week, the P.H.S. Alumni Association formally passed on all particulars concerning its annual Spring Cotillion, which will be held this year with the co-sponsorship of the Burlington Alumni Association.

The two associations have secured the popular Medford Lakes Log Cabin Lodge floor as the scene for the affair. The orchestra under the baton of Chuck Gordon, which played for the last Palmyra-Burlington Alumni dance and which proved so popular with the dancers, has again been engaged to provide the rhythms, in response to much demand. Chuck leads one of South Jersey's most versatile musical aggregations, and features Betty Kirk on the vocals.

The date has been set at Saturday evening, May 20th, and dancing will reign from 9 til 1. Dress is optional, and the tickets are priced at \$2.00 per couple.

Tickets are now on sale, and may be secured from any member of the executive committee. Bob Finney heads the general committee handling the Palmyra interests in the affair, while Ellis Lewis is in charge of the Burlington end.

VOLLEY BALL
TEAM AT P.H.S.

The Girls' Athletic Association sent a volley ball team to the Philadelphia Open Volley Ball Championship held at the Penn Athletic Club on Saturday, April 22. This was the second year for P.H.S. girls to enter this tournament.

Those participating were: Rita Saccia, Betty Haines, Sadie Hom, Mary Zakrewska, Betty Haines, Emma Rotenbury, and Irene Welis.

In spite of the low scores the girls made a good showing considering they were the youngest and least experienced team.

Miss Beatrice Mattison played on the Philadelphia Central Y.M.C.A. first team which defeated Diston Recreation Center for the Philadelphia Championship.

The motto of the French republic—"Liberty, Equality, Fraternity"—dates from the first revolution, July 14-15, 1789. It was later accepted as a declaration of political principles.

REAL ESTATE IN OUR CIVILIZATION

Walter D. Lamon Speaks to Rotarians Here: Kuenzels, Dawley New Members

Walter D. Lamon, former Burlington county freeholder, was the speaker in a program which featured the addition of two new members to the Rotary Club roster last Thursday night. Noah Kuenzell, proprietor of the Riverton Laundry and John Dawley, president of "Jack" Dawley, Inc. Oldsmobile dealer were inducted into membership by Past President E. N. Cooper. It is interesting to note that both men were sponsored by the speaker of the evening.

Mr. Lamon talked on the subject "Real Estate in our Civilization." Rotarians were glad to hear the return of Nathan Lane who has recovered from a recent operation. The announcement by President Mayfield that flowers had been sent to Rotarian Carl H. Thomas reminded the club that he had suffered the loss of his mother earlier in the week. Expressions of real regret showed the high regard in which Mr. Thomas is held by his fellow members.

P.T.A. ROUND-UP

The Cinnaminson P.T.A. will conduct the annual Summer Round-Up on Wednesday, May 10 at the public school from 2 to 3 p.m. The purpose of this examination is to have those children who enter school in the fall, free from all remedial defects. These defects are reported to parents together with recommendations for correction by the family physician. The cooperation of all parents is requested.

DR. SHEPHERD CELEBRANT
The fiftieth anniversary of Trinity Episcopal Church, Delair, will be celebrated at special services on Sunday.

Rev. Dr. R. Bowden Shepherd, archdeacon American of the New Jersey Diocese, will be celebrant at the morning Holy Communion services, and in the afternoon will extend greetings to members. Prominent clergymen from nearby towns will assist. They include: Rev. Francis B. Downs, of Riverton.

Westfield Friends' School

The weekly assembly of the Westfield Friends' School was held Tuesday, May 2. Chairman Richard Gideon and William Dunn, Jr. introduced the various features of the program. The fifth and sixth grade girls gave a fashion show of Roman costumes made in conjunction with their work in Roman history. The boys exhibited models of Roman ships and chariots also made in their history project. Singing of several songs by the entire school was part of the program. A resume of the year's work was given by the first and second grades followed by a discussion of May Day and its customs by the third and fourth grades. Nancy Gideon of the first grade recited "The Little Black Hen", and the kindergarten children presented a song and chorale.

FIRE COMPANY DRIVE

During the week of May 22 the Delaware Fire Co. No. 2 will hold its annual drive for funds. The support of the public is earnestly solicited.

ANNUAL SPRING PARTY

The annual spring card and game party under the auspices of the Sacred Heart Church will be held Friday, May 19, in the school auditorium. The committee is planning many new and unusual features for your entertainment.

The assembly was followed by a picnic lunch in the grove shortly afterward.

HOW TO SLEEP SOUND

Do you ever doze off and then awake with a start at some real or fancied sound? Do you awake at night and imagine you smell something burning and then make a frantic search for fire?

Do you wonder about your valuables in those uncertain moments, and wish they were SAFE?

If you do... we suggest that you rent a Safety Deposit Box at this Bank today and put your valuables in a place where fire or burglars can't get at them... and then you'll be able to sleep better at nights and feel better when away from home. It costs less than 1c per day... ask any bank employee.

AT NEW YORK FAIR

As the visitor proceeds along the Avenue of Patriots, he arrives in the Welfare Section. Here is situated the Christian Science Building, having as its immediate friendly neighbors the Y.M.C.A. Pavilion directly across the street, the Jewish Palestine Exhibit nearby, and the Temple of Religion with its surrounding gardens.

The exterior conforms to the general color scheme of the Fair and presents a gay, joyous picture with its varying shades of yellow and violet. This building is typical of a religion of joy and good will for there is nothing somber in its expression. The Christian Scientists have endeavored to unite beauty and simplicity in their building. Over the entrance portal, in chaste lettering are the words "Christian Science." The roof has three circular setbacks, the lowest of which are the words in large blue letters, "The Christian Science Monitor, An International Daily Newspaper."

The fountains on either side of the entrance are each composed of six crystal tubes of varying height, from which water will cascade into elliptical pools lined with blue, and will be brilliantly illuminated at night from below the surface of the water.

Within the building will be found two Reading Rooms where the Bible, the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, and all other Christian Science literature may be read or obtained.

There are two other rooms, which visitors may use as a meeting place. These will appeal especially to visitors from other lands for here attendants speaking many languages will act as interpreters.

EPWORTH M. E. CHURCH

Rev. William A. Boyd, Pastor

This Sunday morning at 11 o'clock the sacrament of the Lord's supper will be administered in our church by the minister with the assistance of Rev. Dr. J. G. Bickerton. This is not just one more service. It is one of the most important of all church services. It is the commemoration of the death of Our Lord Jesus Christ and commands Him to be memorial to Him "until He come again." Every Christian is invited to this service and has the privilege of participating.

"Youth Week" will be introduced to our community by the churches of Palmyra in a Union Meeting to be held in the Methodist church this Sunday evening at 7:45. The Rev. George A. Hagedorn, of Philadelphia, representing the Lutheran Church will be the speaker. The Bible School Orchestra of the Methodist Church will play several selections. Ruth Fry will assist Mrs. Rachel Lord at the organ. The entire meeting will be conducted by the Young People of all the churches participating.

Wednesday evening at eight o'clock the Rev. Boyd will conduct an hour of prayer, Bible study and song. All persons feeling the need of such a meeting are invited to come.

Friday the M.Y.P.S. will go on a scavenger hunt leaving the church at 8 o'clock. Young people of the church and church school over high school age are invited to go on the frolic.

Do not forget the Strawberry festival to be given by the Missionary Societies of our Church. The date—Saturday evening, May 13.

Another item of great interest to the whole community is the coming of Dr. Lester H. Clee, Senator in Essex county, to speak in the high school, Friday evening, June 9. The friendly choir will rehearse this Friday afternoon at 4 o'clock.

BETHANY EVANGELICAL LUTHERAN CHURCH

Rev. Oliver W. Powers, Pastor

The fourth Sunday after Easter is called Cantate. It is named from the first word of the Introit, sing. "O sing unto the Lord a new song for He hath done marvelous things." The Lord hath made known His salvation. His righteousness hath He openly showed in the sight of the heathen. His right hand, and His holy arm hath gotten Him the victory.

The historic moment is emphasized in the Gospel. Here the sorrow of the disciples in the separation from Jesus is noted, but the principle thought is the necessity and expediency for the separation. Beyond the Ascension, toward which the Church now looks, lies Pentecost. Jesus' words have special bearing on this: "If I go not away, the Comforter will not come unto you, but if I depart, I will send Him unto you."

At the chief service, 11 a.m. the Rev. Oliver W. Powers, pastor will preach on the subject "The Promise of the Other Coming One." The Sunday School convenes at 10:00.

CHRISTIAN SCIENCE CHURCH

"Adam and Fallen Man" is the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, May 7.

The Golden Text is: "As in Adam all die, even so in Christ shall all be made alive." (1 Corinthians 15:22).

Among the citations which comprise the lesson-sermon is the following from the Bible: "For yet a little while, and the wicked shall not be; yea, thou shalt diligently consider his place, and it shall not be. But the meek shall inherit the earth; and shall delight themselves in the abundance of peace." (Psalms 37: 10, 11).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The real man being linked by Science to his Maker, mortals need only turn from sin and lose sight of mortal a.m. The lesson in most departments will be 'Paul Works a Hard Field.' In the evening at 7:45 at the Methodist Church the young people of the congregation will join with the youth of other churches in inaugurating Youth Week in the community. The speaker will be the world traveler and Home Missionary, the Rev. George A. Hagedorn.

Prominent Civic Leader Dies Here

Mrs. Winnifred C. Day, of Palmyra, Active in Church and Club Work

Mrs. Winnifred C. Day, wife of Edwin B. Day and mother of Eleanor Day Green died at her late home, 200 Cinnaminson avenue, Palmyra, on Saturday of last week after an illness of several months.

Mrs. Day, who was the daughter of William and Rose Anna Erickson, was born in Delanco in 1876 and was christened, confirmed and married in the Riverside Episcopal Church.

She was a member of Christ Church, Palmyra, for forty years and, until her health failed, was an active and consistent worker, giving at all times of her devotion and strength to its welfare.

President of Guild.

She reorganized St. Agnes Guild and served as its president for several years.

Merrill Enters Show Exhibit

Edward K. Merrill, National Champion of 16 foot "Comet" sailboats, winner of feature race at Lake Skaneateles, New York, will have an exhibit at the Hobby Show at Palmyra High School Thursday, May 11. Fifty-five fleets totaling over 1000 boats in U.S.A., Canada and Porto Rico hold elimination contests each summer and the winners compete for championship in the fall of each year. Mr. Merrill was the winner in 1938 over 48 contestants. He will speak informally about the hobby that has brought him national fame and even agrees to sail his boat if the gymnasium is flooded and electric fans are installed.

Archery

Eleanor Rexon, of Moorestown, Women's State Champion Archer, William Reed, Philadelphia Men's Champion Archer and Lester Rexon, President of Sauken Archery Association, will have an archery exhibit and will give demonstrations of their skill at the target. They will also talk about the hobby that has become a national pastime.

In addition to these exhibits over thirty hobbies have been registered including stamps, photography, minerals, spices, locomotives and many others of interest. Earl Whitcraft, of the Palmyra High School Faculty will be present and talk about his hobby—Indian Lore and Archaeology.

The Phalanx group has sponsored this worthwhile activity and Mayor John F. Ward, chairman of the Youth Week Committee, has asked for the support of Palmyra and the neighboring towns of Riverton and Cinnaminson. It will be without question both entertaining and instructive.

nothing but commendation for the commuters that have ridden his trains and stated that he had made many warm friendships during the years that he had been in contact with the traveling public.

In comparing train travel today with that a few years ago, Mr. Rue stated that it was not at all unusual for him to leave Trenton with 10 cars and to have 700 or 800 people aboard by the time he reached Camden. On the same trips today three cars are sufficient.

Fifty Year Emblem

Mr. Rue was presented with the Pennsylvania Fifty Year Service emblem last year by railroad officials. This award is earned by comparatively few employees.

On his last trip Saturday, the retiring conductor was accorded best wishes from a host of passengers and his fellow trainmen.

Although he has traveled hundreds of thousands of miles by train, Mr. Rue stated that this mode of transportation still appealed to him greatly. He and Mrs. Rue contemplate several long rail trips in the near future.

FINE WORK BY LOCAL FIREMEN

Afternoon Blaze Burns Roof Of Cinnamonson Avenue Home: Big Start

With practically the entire roof a mass of flames on their arrival, the Palmyra firemen did a splendid piece of work last Friday afternoon when they promptly extinguished a fire of serious proportions that destroyed the top floor of the two and one-half story frame dwelling located at the southeast corner of Cinnamonson avenue and Henry street, Palmyra. The residence was occupied by Mr. and Mrs. Harry G. Ellis, Mr. and Mrs. N. D. Randolph. The blaze had a terrific start before being discovered at 5:30, evidently having been underway for some time before it broke through the wooden shingled roof.

Appeared Doomed
The entire structure appeared destined for destruction on the prompt arrival of the apparatus, but a pair of two and one-half inch lines of hose were brought into play in a most effective manner by the firemen, under the direction of Chief Frank Geddes.

This avalanche of water soon brought the situation under control, but the equipment remained on the scene until after 6:30 before the last embers were extinguished.

The blaze originated on the top floor, the origin being undetermined.

A large crowd was attracted to the scene by the dense column of black smoke that arose from the burning building.

PHYLLIS WHEATLEY P.T.A.

The regular monthly meeting of the Phyllis Wheatley P.T.A. was held recently at School No. 4. The president, Mrs. Fannie Ashby, officiated. After completion of business the session was turned over to Mrs. Gladys Ricketts, chairman of the program committee.

Oliver Boardley sang "Mighty Lak a Rose." He was accompanied by Edna Ashby. This solo was followed by the main speaker, Miss Molly Womble of the Moorestown School. Miss Womble reminded the group that the week of April 29 is Boy and Girl Week and that we should pause and consider whether we are doing the most to help our children. She suggested that there are three places to help them—at play, at work and at school.

The next regular meeting will be held on May 26 at School No. 4.

DELTRAN YACHT CLUB

In its search for the unusual in entertainment, the Deltran Yacht Club presented a "Fashion Show" at the Club House last Saturday night with the many gowns and feminine finery capably modeled by male members of the Club. The result provided a highly enjoyable evening for a large gathering, and proved to be the high spot of the indoor season of which this was the final event.

The large float was towed up from Fifth street, Camden, last week, and put in place at the end of the club pier. A number of moorings were dropped over the weekend and some boats have already made their appearance.

Commodore Charles F. Voorhis, M.D., reports that plans are under way for the usual festivities Memorial Day, to signalize the official opening of the boating season.

AUXILIARY HAS FINE PROGRAM

The Woman's Auxiliary of Christ Church, Riverton, held a most successful entertainment on Wednesday of last week.

The main feature was an exhibition of samplers, and old and modern quilts and bed spreads.

The program began with a scene from the play "Cranford" in which nine ladies, in quaint costumes were entertained at a party by one of their number.

After the play, refreshments were served and then the audience enjoyed the exhibition which had been hung for display in a most artistic manner by Robert Mattis.

LEAVE OFF THE BLINDFOLD

when you buy nursery stock

Even though you might save a few cents now and again on a purchase from a "fly-by-night", you really save in the long run by buying your evergreens and shrubs from a member of the New Jersey Association of Nurserymen. He gives you:

A POSITIVE GUARANTEE of complete satisfaction with his nursery-grown stock and planting service.

PERSONAL RESPONSIBILITY: as a member of your community, building a permanent business, his service must be dependable.

WIDE CHOICE OF SUPERIOR STOCK: trees, perennial plants and shrubs you buy from him are freshly dug and benefit by New Jersey's vigorous climate, fertile soil, natural irrigation.

BETTER HANDLING: you suffer fewer "growing losses" for he knows the need for proper balling and expert re-planting.

EXPERT, READY ADVICE: available at all times to help you in large or small landscaping problems.

GENUINE AUTHORITY: it adds assurance to know that his large inventories are Department of Agriculture inspected.

Buy from your community nurseryman displaying this emblem. He guarantees your complete satisfaction, with his nursery-grown stock and planting service.

PALMYRA SCHOOL NOTES

Donald Scott-Morrison who combines conversation with his concert piano playing visited the Palmyra High School May 5. He traced the history of dance music from the days of the cave man to that of George Gershwin.

The boys who went to the Poultry Judging Contest, May 2, at the New Brunswick Experiment station were Donald Yerkes, Ralph Willis, John Conlow, John Boenitsch, and Norman Eirich. They judged Rhode Island Red hens and pullets, Barred Rock hens and pullets, Leghorn hens and pullets; identified twenty-five different kinds of poultry feeds; and judged white, and brown eggs.

National Posture Week, May 1-6, was observed by the girls' hygiene classes of Palmyra high school. Lectures were given, and lantern slides shown to point out the advantages of proper carriage. The girls were criticized individually, and helpful suggestions were made.

A week's real experience was gained by one P.H.S. commercial student. Ethel Wells filled a temporary position at Raymond Warner, realtors, doing secretarial work in place of the regular secretary who was ill.

LAST MEETING NEXT MONDAY

Final Session of Year for Riverton P.T.A. To Name Officers

Officers of the Riverton Parent-Teacher Association will be elected for the ensuing two year term at the regularly appointed meeting to be held in the school auditorium next Monday afternoon at 3:30. Committee chairmen will submit the final reports for their organization. The nominating committee has nominated for officers the following: president, Mrs. John P. Abell; vice president, Mrs. Charles F. Stewart; secretary, Mrs. Porter B. Caldwell; treasurer, Mrs. Alexander B. Garwood.

Miss Eloise Bryan, Burlington County Helping Teacher, and noted child psychologist, will be the guest speaker at the meeting.

Last Meeting

At 2:30 that afternoon, the association's Child Study Group will meet in the kindergarten room. An informal discussion on "Character Building" will be conducted under the leadership of Mrs. Robert G. Adams.

These are the last P.T.A. meetings of the season, and it is hoped the attendance will be large. A prize will be awarded to the class having the highest percentage of mothers present.

Young children may be left in the school library, under the care of a capable adult.

Tea will be served.—Publicity.

PLANS MADE FOR LOCAL FIELD DAY

Mrs. Charles H. Yost, president of the Riverton Parent Teacher Association, entertained the members of the Executive Board at luncheon on Monday of this week, at her home on Thomas avenue.

After the luncheon, a regular board meeting was held. Plans were made, and committees appointed, to take charge of the picnic supper to be served at Memorial Park, on Tuesday evening, June 6th, when the school children will observe "Field Day." This affair is always one of the outstanding events of the year in Riverton, and it is a good time to invite out-of-town guests to come and see the fine community spirit prevailing in Riverton.

SENIORS, GRADS ARE INVITED

The Palmyra High School Alumni Association wishes to issue a special invitation to all high school students and alumni not yet members of the association to attend its annual Spring Cotillion, to be held Saturday evening, May 20th. The dance will provide an excellent opportunity for all eligibles and prospective eligibles for membership in the group to get acquainted with the present members and to also enjoy a top-notch evening.

The affair will be held at the picturesque Medford Lakes Log Cabin Lodge, and the music will be rendered by Chuck Gordon and his 13-

piece swing band. Because of the success attending several prior undertakings with the Burlington Alumni Association, this organization is again co-sponsoring the dance with Palmyra. The two groups have been closely related for years and this friendly relationship always insures the success of any joint undertaking.

The dance will begin at 9 o'clock and will continue until one. Dress is optional, and the tickets are priced

Locals Have No Trouble in Notching Fifth Win; Long Hits Feature

Riverside was no match for Coach Ken Dimond's Palmyra High ball team last Thursday afternoon on the local field and the Red and White compiled the fifth win of the season by a 12-6 count.

Van Emburg started on the hill for Palmyra and did a fine job until the fifth, limiting the opposition to one single and an unearned run. At this stage the homesters were out in front with a 5-1 advantage and the situation seemed well in hand.

Grooves a Few

Van let down a bit, in the sixth, however, passing Winklespecht, after which Dyer tripled past McDermott. Hoffman then poled a four-ply clout.

The locals came back strong in the lower half of the same bracket and boosted their total by four, the result of a similar number of hits interspersed with a pair of boots by the opposition.

Van Emburg got through the sixth without trouble, but walked Winklespecht again in the eighth. Lynch blasted one out of the park and the next two men singled. This prompted Coach Dimond to send in Carhart who promptly squelched the opposition during the remainder of the pastime.

13 Hits

Palmyra took kindly to the offerings of Garbe, Ram pitcher, who retired to right field at the beginning of the sixth, Aaronson, the former occupant of that pasture assuming the hurling chores.

The curly-headed newcomer was royally greeted by the locals who splashed out four hits in succession from his slants. One of these was a triple by Kemmerle. With the bases loaded Aaronson walked Karitis to force in a run and, since none were out, the Riverside mentor waved his second pitching choice back to right field and Garbe re-assumed his old stand.

He had better luck this time, since Palmyra had a safe lead and every one wanted to get home for supper.

Kemmerle fattened his average with three out of five. McDermott, Turner and Rothbaum each connected on two occasions. Van Emburg's double in the fourth was timely and sent two markers over the rubber.

Notes

Stag Day

Nearly one hundred and sixty members and their guests were present at the official inaugural of the current golf season last Saturday, when Stag Day was observed with a full program of events including various golf activities, dinner and entertainment during the evening.

Walter D. Lamon, Jr., tied with Dan Mitchell of Woodbury, in low gross score for the day, both having 80's. Bud Hemphill was third with 81.

Gordon Bailey, of Woodcrest took low net honors with 70. The other prize winners in order were B. W. Blix, also of Woodbury, Steve Ferrie, H. N. Sheble and B. Goodwin, all local club members.

There was an eight way tie in the Kickers' Handicap, with the following having cards of 79 for this event: J. D. Clark, J. V. Hackett, Ray Coble, Dr. E. A. Meyer, Russell Sturgess, J. F. Jamison, H. F. Jones, and George Durgin, Jr.

Gordon Moffitt won the prize for accuracy when he drove his ball from the 17th tee to within two feet of the cup.

J. F. Jamison was the winner of the live pig.

BAKER PITCHES
SHUTOUT GAME

Len Baker allowed Gloucester only three hits last Friday afternoon and Palmyra annexed the sixth win over the season in a tilt played on the field of the opposition. The score was 5-0 in favor of the Dimondmen.

The Red and White started off in a sprightly manner when Cole and McDermott hit for the circuit in the initial stanza. The bases were barren on each occasion.

Palmyra batters connected safely on 10 occasions with Kemmerle, Turner and Karitis getting a pair apiece.

Baker was in command of the situation at all stages and the opposition never had a chance.

PALMYRA TAKES
LEAGUE OPENER

Palmyra's team in the National division of the Burlington County Baseball League got off to a fine start last Sunday afternoon by taking an 8-2 decision from Riverside at the park of the opposition.

Aladonna, Palmyra hurler, although touched up for 10 hits, kept the blows well scattered.

Fowler lead the Palmyra 12-hit offensive with three blows, including a double.

SPORTS JOTTINGS

The Delair Dragons handed the Dawley Olds team a setback last week, the locals being on the short end of a 9-5 count. The winning hurler was none other than Ike Hynton, who limited the slugging Olds cast to seven blows.

A good sized crowd was on hand to watch the opening games of the softball loop, Broadway proving to be the biggest drawing card.

Umpires Carhart and Rotenbury officiated behind the plate in fine fashion. Richman was back at his old stand at first.

One of the Parry cast set the strikeout record for the year, whiffing on four successive trips to the rubber.

Fortnum played with only nine men, but managed to win despite the shortage.

Sergeant George Small, of Fortnum, appeared in a natty white uniform that easily won him the title of the best attired player on the field.

OFFER AUDITORIUM

The Riverton Board of Education has offered the use of the public school auditorium to the junior class of the Palmyra High School for the junior prom in the event that the facilities are needed.

The move was prompted by the fact that excessive rains this spring have created a condition in the high school gymnasium which may prevent the dance being held at its usual location.

Why?

Metropolitan newspapers are carrying numerous accounts of extensive building operations in Philadelphia and various suburban communities in Pennsylvania. Similar projects are also underway in various South Jersey towns.

Locally, however, new building operations are practically at a standstill and have been for a number of years. In Riverton, as a matter of fact, it is doubtful whether there are as many dwellings now as there were 10 years ago, due to the demolition of a number of old structures.

"For Sale" and "Rent" signs are all too numerous.

Many reasons have been given for this situation, but there seems to be no underlying obstacles that appear too difficult to overcome as compared with the obvious advantages of residing here.

For the purpose of this discussion, Palmyra, Riverton and Cinnaminson will be considered as a unit, since there are many facilities which are too closely connected to be segregated to one community.

In the first place, tax rates are most reasonable as compared with many other municipalities. Schools are excellent, both in the elementary and high school grades.

Police and fire protection is all that could be desired and the water supply is both excellent in quality and adequate for all needs. All utilities are available. Streets are, on the whole, better than average and shade trees are in abundance.

Both Riverton and Palmyra have ample play facilities in their municipal parks. The Riverton Country Club boasts one of the finest courses in the east, and the Delran and Riverton Yacht Clubs afford an opportunity for yachting enthusiasts to enjoy their pastime.

The Tacony-Palmyra bridge offers easy and convenient access to Philadelphia and the west, while the Camden bridge is easily reached. Route 25, the through highway to New York and the north, is one of the best in the country, and fine roads lead to all shore points and the south. Motor traffic on this side of the river has many advantages as compared with that on the other side.

Public transportation, while not of the best, is still far better than that in many other communities, both in respect to train service and that of busses, since one can reach Camden or Broad Street station by train, or Camden, Philadelphia and Frankford by bus.

Despite all these obvious advantages, no one seems interested in moving here and, worse than that, few seem to care whether anything is done about the situation or not.

It seems high time that an organized movement of some sort was inaugurated to advertise the advantages of our communities in the proper manner. If some such step is undertaken every one who resides in this section will benefit thereby.

When a business man makes a mistake he tries to correct it. When a government commits an error, it tries to conceal it or blame it on an imaginary cause.—Floyd W. Parsons.

Ranchers say sheep aren't worth much after shearing. That sounds like something they'd learned from the well known agricultural experiment station we call Wall Street.—Kansas City Star.

An explorer says that wolf meat is very nourishing. And we've had a good meal on our doorstep all this time without knowing it.—Eureka, Kan., Herald.

New York World's Fair heads have gone to considerable trouble to arrange a series of educational exhibits. But the average visitor's panoramic view will still be a fan dancer, a roller coaster, and a hot dog stand.—Boston Transcript.

ABOUT THE COUNTY

The recent sale of the assets of the defunct Mt. Holly National Bank netted the sum of \$4,455.

Mt. Holly's tax rate for the current year is \$6.14.

Four Burlington county men continue as directors on the Camden and Burlington County Railway Company, as a result of the annual meeting held in Philadelphia on Monday. They are Edward H. Lewis, Walter I. Dill, and Henry J. Sherman, of Moorestown.

Work is steadily progressing on the 65-acre extension to Strawberry Lake, Moorestown.

NOTICE

Attention is called to the fact that all dogs in Palmyra, whether licensed or not, are liable to be picked up by the dog catcher since a local ordinance prohibits unleashed dogs roaming the streets.

The old fashioned boy who used to be punished with a trip to bed without his supper, now has a daughter whom he punishes by sending her to bed without her breakfast.

One of our friends who has a lazy wife says that he always buys a new suit with two pairs of pants because his spouse is too tired to go through all the pockets.

Since everybody is now smoking cigarettes the country no longer needs a five cent cigar. But we could do with a free running catsup bottle.

Westfield Friends' School

On Wednesday of this week, May 10th, an exhibition of child art began at the School of Industrial Art in Philadelphia. It will continue for ten days, and will include a great deal of work done by the children of Westfield Friends.

On Friday night, May 12, at 7:30 at the school. Mr. Wallace will present his annual musicale. The program will be varied with solo piano selections by his pupils, a short concert by the second grade band, and choric speaking by all the grades.

The Haddonfield Friends' School will entertain the second, third, fourth, fifth and sixth grades of Westfield at a play day on Monday, May 15. The program consists of luncheon and games.

The Tuesday assemblies are discontinued for the year due to the preparation needed for the closing events of the school year.

ENTER MOORESTOWN HIGH

At the meeting of the Riverton Board of Education held on Monday night of this week two applications of eighth grade students to enter Moorestown High School next fall were approved. These were for Jane Bush and Edward Goodenow.

Four such applications have thus been approved by the board.

COAL BIDS

The Riverton Board of Education will receive bids for coal at a meeting to be held on Monday, May 22.

DOGWOOD IS NAMED N. J. STATE FLOWER

By WILLIAM P. HOWE

Issued by the New Jersey Association of Nurserymen, New Brunswick, N. J., in Cooperation with the New Jersey Council.

Dogwood! Could anything lovelier be so misnamed? Where did the name come from, many ask. One legend has it that the bark of the dogwood tree was made into a medicine with which to wash many dogs. Also a century or two ago, the best gunpowder was made from the charcoal of the wood. It made such a loud barking noise as it exploded it was called dog powder. Hence the name.

Be that as it may the dogwood is "a thing of beauty and a joy forever."

Two outstanding Sunday afternoon drives for full enjoyment of its beauty, are the routes to Valley Forge, Pa., and Caldwell and environs, in New Jersey.

There are two groups of dogwood, the flowering which is a tree, and the species whose main value is in the berries and is listed as a shrub.

The common dogwood of the eastern part of this continent is considered one of the loveliest trees in the world. It is known to nurserymen as cornus florida and has large white flowers that form a perfect snowdrift in May and glittering red berries in the fall. The foliage turns all shades of red—from pink to maroon—and even in the winter the twiggy branches of the tree are attractive.

Pink Variety

Cornus florida rubra is the pink dogwood and is similar to the white except that the flowers are shades of pink. It is beautiful planted as a specimen or grouped with the white variety. When encountered in woods it sometimes is found to measure 30 feet or more in height.

Then there is the cornus kousa, or Japanese dogwood with creamy white flowers which come after the foliage and the kousa chinensis, the Chinese variety brought to this country by Dr. E. H. Wilson for the Arnold Arboretum around 1907. The flowers are more stately in shape and bloom in June after the leaves have appeared. They have a particular claim to fame by staying in bloom for nearly a month.

Dogwood is best sought at the nursery with a ball of earth and burlapped. It should be planted only the depth of the ball—no more. It

ROTARIAN SPEAKS ON "REAL ESTATE"

At a recent meeting of the Palmyra-Riverton Rotary Club Walter D. Lamon, member of the local organization. Spoke on the topic "Real Estate in Our Civilization."

Mr. Lamon's talk was as follows: "In our own country I think we may expect more, rather than less, social control over building and land development. With this will come a greater need for specialized knowledge, appreciation of social factors and planning policies. We will have to think in terms of neighborhood potentialities over a period of ten or twenty years and make accurate studies to forecast developments which intelligently guide investors in their plans. The real estate business as such will become a higher developed field of responsibility and specialized technique."

Transition

If we are in transition to small farm ownership, as is found in France, and there is evidence that eventually we may be, the Realtor will not suffer. Ours is a fundamental business.

The real estate profession extends far back into antiquity, getting its start contemporaneously with the beginning of civilization as we know it today.

There is more regulation today, perhaps, but the real estate profession has faced regulation before and still survives.

I hope, however, that some of our early regulations will not be repeated. I find that in 21 B.C. the Code of Hammurabi provided that: "If a builder build a house for a man and do not make the construction firm, and the house which he has built collapse and cause the death of the owner of the house, that builder shall be put to death."

Nero's Plan

An interesting highlight on the way Nero handled the alum problem is worthy of consideration.

Because of Rome's situation on the seven hills, and the steady impoverishment of the capital from their impoverished land to live on the dole of the government, Rome

became congested, and unsanitary. Nero conceived the gigantic plan of renewing and rebuilding the whole metropolis from the very foundations. The slightest work of improvement was fiercely opposed by private owners of property, and gave occasion to an endless amount of law suits, etc.

To rid himself of all these difficulties in the simplest way he burnt the city. Then he ordered his architects to draw a new plan for Rome according to the best principles of hygiene and comfort. The new city was built along these lines.

Many Own Homes

In these United States of America, over 40 per cent of our families own or are buying their own homes. Only 42 per cent of families on farms are renters. The average size of the American farm is 154 acres. There are still wide spaces of air, light, and wholesome soil. So long as we can keep this percentage of land distribution from falling, the fundamental bulwark of a free civilization here is safe.

Real Estate is the foundation of all values and security, and the home the most important requisite to human happiness. Upon its use and development depends our living standard. Its value will increase with its usage. It is the American home which assures this future of the United States, and it has been the Realtors of America who have played the major part in establishing the high figure of American family home ownership, which marks the present safety margin of American civilization.

Ours is not an ordinary profession. Something of the seal of the evangelist should motivate us in our work. We are sellers of the "Good Earth," and as Pearl Buck, in her novel of that title, showed when mankind becomes buffeted by the trials of life it falls back on the good earth to regain solace. Who else deals in these things? For every dollar we persuade people to put into a future home or acre of land, we have rendered civilization a service. We establish our fellow man on the way to happiness and to us goes the credit of a higher America, of a greater realization of the spirit that our forefathers fought for.

CINNAMINSON LODGE I.O.O.F.

Cinnaminson Lodge No. 301 I.O.O.F. held installation of officers in their club rooms last Friday evening. Albert Gorman, was installed as Noble Grand; Raymond Bailey, Vice Grand; and Charles Salton, Warden. The work was done by D. G. M. Reese Williams and his staff, of Amity Lodge, of Merchantville. After the business of the evening a social hour was held and much fun was enjoyed by everyone.

Cinnaminson Lodge visited the Bridgeboro Lodge Tuesday evening to aid in the selection of a new D. D. G. M. to be elected in July. The delegation from the local lodge was under the leadership of Noble Grand Albert Gorman.

SCHOOL MUSIC PROGRAM

Recently the music appreciation Club of Riverton School had as guests Mr. Morrison who played the instruments of the woodwind choir accompanied by Mrs. Morrison on the piano. Mr. Frederick Blair, from Riverton, presented Mr. Morrison who is an instructor at Girard College.

Two weeks later, April 28, Mr. Blair and three gentlemen presented a string-quartet.

Mr. Carl Lang, viola; Mr. Walter Paw, violin; Mr. Frederick Blair, cello; Mr. Spencer Atkinson, piano.

Mr. Morrison plans to return to our school soon to give a demonstration of the brass instruments.—Betty Blackwell.

Councilman Flynn stated that he was not ready yet with his promised report concerning apartment houses but he did state that the survey showed a total of 58 apartment houses in Palmyra with apartments totaling 135. This he stated will bring in some increase in sewer rentals. The Ellsworth property, Seventh and Main streets, Riverton, is being repainted.

BUILDING CODE DISCUSSED AGAIN

Palmyra Council Deliberates
On Responsibility of
Enforcement

Once again the operation of the new building code and specific duties of the building inspector came up for an airing in the regular meeting of the Palmyra Borough Council held Tuesday night.

The controversy began when it was learned that a garage was being erected on the rear of the property at Broad street and Washington avenue in violation of the established building line.

A permit was granted by the building inspector for the work when it was laid out, but the point in question was, does the building inspector assume responsibility for carrying out the specific provisions of the building code or does the scope of his work include the observance of building lines, the selection of materials and the assurance of first class workmanship.

Concerned with Enforcement
There seemed to be a prevalence of opinion among the councilmen that the building inspector should only be concerned with the enforcement of the provisions of the building code itself.

The building committee, however, is going to make a thorough study of the situation and come out with a clean cut statement concerning the scope of the building inspector's work.

It was decided upon the advice of the borough attorney to notify the owners of the property on Washington avenue that the permit is revoked and that the owners appear before council and show cause why it should not be revoked.

Information Please

A full hour's time was devoted to the conduct of an "information please" program for the benefit of the High School government and sociology class. The class members demonstrated that they were thinking "on all six" when it comes to government matters. They advanced question after question concerning such subjects as road improvement program, riverbank policy, city dump and ferry slip eyecores, relief investigation and bonded indebtedness. The councilmen however, were a match for the youngsters and answered all of their questions satisfactorily.

Bus Fare Concession

A representative of Public Service was present at the meeting and announced that the fare limit heretofore at Arch street, Palmyra, would be moved up to Cinnaminson avenue affecting a 5c reduction in fare on other than interstate business.

He also announced that strip tickets would soon be sold at six for \$1.25 instead of a minimum of 12 for \$2.50 as heretofore.

Mayor John F. Ward complimented Fire Chief Geddes for the efficient work of the Palmyra department in the fire on Cinnaminson avenue last Friday afternoon.

ENGAGED

Mrs. Millard F. Allen, of Delanco, has announced the engagement of her daughter, Miss Margaret L. Southwick, to John A. Windsor, son of Mr. and Mrs. Charles H. Windsor, of Washington avenue, Palmyra.

The wedding will take place in June.

APPRECIATION

We take this opportunity to express our sincere appreciation to the Palmyra Fire Department and every one who so efficiently rendered service in fighting the fire at our home.

EPWORTH M. E. CHURCH
Rev. William A. Boyd, Pastor

"The Highway of Methodism" is the topic of the message to be delivered by the Rev. W. A. Boyd, this Sunday morning at 11 o'clock. The music will be supplied by the Senior and Friendly Chorus. The subject of the sermonette to the young people is "Friendship with God."

The service this evening is in honor of Our Mother. The speaker is to be Mrs. Laura Mandeville. Music will be provided by the Senior Choir. Alice Kreder, soprano, Mrs. Gertrude Turnock and her son Edmond will sing a duet. The women of the In-A-Much-Bible Class will do the ushering.

Do not forget the Strawberry Festival to be held in our Church School Temple this Saturday from 5.30 to 9.30, under the auspices of the Missionary Societies. Tickets are 20 cents. Everybody welcome.

Flowers will be sold at the festival by the members of the Junior League.

BETHANY EVANGELICAL
LUTHERAN CHURCH

Rev. Oliver W. Powers, Pastor

The fifth Sunday after Easter is called Rogate or Rogation Sunday. The word means pray. It is thus a special prayer Sunday in the post-Easter season. "Mother's Day," which is observed by most people on this Sunday, is not on the Church Year Calendar, non-the-less it is generally observed in America. It is not, however, given over to sheer sentimentalism, but is used to emphasize the place and importance of the Christian home.

The pastor, the Rev. Oliver W. Powers, will speak on "Mother's Day of Men in the Bible," at the chief service, 11 a.m. Special music by the choir, under the direction of Mr. Lee Mitton, will include the anthem "As One Whom His Mother Comforteth," by Meredith.

On Thursday, May 18, the church observes Ascension Day. In many countries of the world this day is a legal holiday; in America the day is gaining attention and respect. On this day at Bethany Church the chief service will be sung at 7.30 p.m., and the pastor will preach on the subject "The Elevated Christ." The choir will sing "Lift Up Your Hearts" by Ashford.

CHRISTIAN SCIENCE
CHURCH TO BROADCAST

The Columbia Church of the Air program under the auspices of the Christian Science Church will be broadcast from Boston, Massachusetts, on Sunday, May 14, at 10.00 a.m. Daylight Saving Time, by Ezra W. Palmer, C.S.B., clerk of the Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, over a nation-wide network of the Columbia Broadcasting System, and may be heard in New Jersey over Station WABC.

CHRISTIAN SCIENCE CHURCH

"Mortals and Immortals" is the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, May 14.

The Golden Text is: "We that are in this tabernacle do groan, being burdened; not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of life." (11 Corinthians 5:4).

Among the citations which comprise the lesson-sermon is the following from the Bible: "If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. Set your affection on things above, not on things on the earth." (Colossians 3:1, 2).

Wesleyan Men's
Bible Class

For the Men of the Community "MOTHER'S DAY"

To make an estimate of one's Mother is beyond our ability. She is so superior in her influence, not only in her family but in Community Life.

Poets have sung her praises; artists have portrayed her, yet there is a spiritual quality about her that cannot be put into verse or on canvas.

Jesus so loved His Mother, when even upon the cross He thought of her and her needs in the future, and provided for her when He said "Woman behold thy son; to the disciple, behold thy Mother and from that hour that disciple took her unto his own home," St. John 19:26-27.

Mother in her abiding love, unselfish deeds, self-surrender to the best and highest interests of her household, secures for her an enduring place in our thought and affection.

"Mother's Day" is our gracious opportunity to pay her an affectionate tribute. In offering this tribute our Bible Class cordially invites you to join with us in expressing gratitude for Mother, to whom we owe so much.

Dr. J. G. Bickerton will speak. Guest soloist. The ladies are welcome.

CLEE TO SPEAK HERE
Lester H. Clee will speak at Palmyra High School on Friday, June 9, on the question of the proposed horse racing amendment.

P.T.A. PLANS
PARTY FOR
FUND AID

The Cinnaminson P.T.A. will hold a dessert bridge and game party next Thursday, May 18th, at the home of Mrs. Warnick, Cinnaminson, to benefit the Incubator Fund, a project of the Burlington County Parent-Teacher Association. Ice cream, home-made cake and coffee will be served at 2 p.m. and cards and other games will follow for all those who care to play. The charge is 25 cents each, and everyone interested is cordially invited. The proceeds will go into the County Incubator Fund.

Make up a table or come alone, and have a pleasant afternoon while doing your bit toward helping a good cause.

For transportation please advise either the school office or Mrs. Steele and arrangements will gladly be made.

WINS SCHOLARSHIP

DePauw University, Greencastle, Indiana recently announced scholarship awards totalling \$93,000 to honor high school graduates who will be enrolled there in September as freshmen. More than 400 applications were received for the Edward Rector Scholarship grants for which only 93 could be granted. Each scholarship is valued at \$1,000 providing full tuition for four years. To be eligible the applicant must be in the highest ten per cent of his class and have an average of 90 per cent or better. The finest list of applicants ever to apply came this year, according to Dean G. Herbert Smith. One of these valuable scholarships was awarded to Robert Capner Stover, 630 Linden Avenue, Riverton.

That Tribute to Mother

It should be something alive... growing... such as a plant that will respond with beauty to her thoughtful care. An Idea: She'd like one of our colored dish gardens which depict in miniature an American dooryard scene, perhaps recalling her own girlhood home. We have them at \$1.00, \$1.25 and \$2.00 each.

WOUNDED BY
PISTOL BULLET

Frank Stewart, 19, of 216 Garfield Avenue, Palmyra, was rushed to Zurburg Memorial Hospital, Riverside, on Monday night of this week in the Palmyra ambulance with a bullet from an army revolver imbedded in his shoulder.

His condition was reported not to be serious.

The youth, who is a junior at Palmyra High School, is an amateur collector of firearms and the accident occurred when he shot himself while handling the pistol.

The early types of paints were made by blending pigments with a quantity of fat or grease.

Madame Van Hemert, Florence Stephens; Madame Chaufourier-Dubieff, Marie Schill; and Commisar Gorotchenko, Edward Dunlap.

Everyone is awaiting the Footlight Players debut and from all reports tickets are being sold very rapidly.

be unselfish as these above mentioned men and women, who are willing to exhibit, not for any personal glory but that others may share with them, and so that many youths and adults as well may find for themselves unrecognized talents and so make better use of their leisure hours. If Mt. Holly can have a hobby show every year that attracts thousands of visitors, why can't we?

The Palmyra Police department will aid in the care of these valuable exhibits. A public address system will be installed and everyone over the age of 12 years is cordially invited to exhibit and to visit.

The place is the Palmyra High School gym. The time, 8 p.m. Hobbies may be placed between the hours of 3.30 to 5.30 and 6.30 to 7.45.

Show with us, the Palanx and exhibitors, some enthusiasm and we'll be able to continue this youth week project year after year until it gives any of our other communities.

ON STUDENT COUNCIL

Mary Turner, of Riverton, has been elected to represent her class on the student council of Wilson College, Chambersburg, Pa., for 1939-40.

Members are elected by class vote every year and as council representatives play an important part in the Wilson College government association.

Miss Turner is the daughter of Mr. and Mrs. Luther R. Turner, 222 Linden Avenue.

Robert W. Kirkpatrick, of Palmyra, will be ordained by the Presbytery of Monmouth, in Calvary Presbyterian Church, Riverton, on Friday, May 19, at 8 p.m.

Mr. Kirkpatrick has been called to the church at Acamag, Virginia, a branch of the Presbytery of Norfolk, of the Presbyterian Church of the U. S.

He is well known in this vicinity, having graduated from Palmyra High School and will be graduated from Princeton Theological Seminary on Tuesday, May 16.

PASSES RED LIGHT

According to Officer Robinson, of the Riverton police, two small children narrowly escaped being run into when Bernardo Maroso, 1403 South 15th street, Philadelphia, went through a red light at Broad and Main streets, Riverton, early Tuesday evening.

The children started to cross the intersection as Officer Robinson changed the light to red on Broad street. They happened to look up just in time to avoid the oncoming machine.

Maroso was given a hearing before Recorder Frank Probsting and let off with a suspended sentence, a reprimand and the payment of costs.

Curb Project Approved in
Riverton; Bids to Be
Requested Later

The Riverton council chambers were devoid of citizens last Thursday night at the meeting of the local governing body when two ordinances came up for final hearing. These dealt with the distribution of circulars and the installation of curbs in certain sections of the community.

Both passed second reading and were adopted by a unanimous vote.

Before the provisions of the curb legislation are carried out it will be necessary for the borough to take bids on the work. It is expected that these will be advertised for in the near future.

No Package Store

A Camden citizen, evidently being unaware of the status of liquor stores here, wrote for a form in order that he might make application for a permit to operate a package establishment.

The clerk, Daniel M. Clifton, was instructed to write the individual advising of the various and sundry reasons why such an establishment was entirely out of order.

The borough auditor, William H. Welcker, presented a bill in the amount of \$475 covering the 1938 audit and services performed in preparing the budget. His former charge for this work was \$300, but he stated that the increase was necessary because of the greatly increased amount of work occasioned by the requirements of Dr. Darby's office.

Council agreed that such was the case and the bill was approved along with the other departmental bills.

Stop Street

The matter of making Main street a stop street was discussed at length and the matter was finally referred to the highway committee for investigation and report.

The special committee on the plumbing ordinance and code had no further report to render.

Mayor H. McIlvaine Biddle appointed the following councilman committee to handle the Fourth of July celebration: Robert W. Knight, chairman; David F. Gould, J. W. Sylvester and Archibald Bush.

Progress on plans toward widening Main street, south of the railroad on the east side between the tracks and Seventh street was held up for the time being, at least, when Mayor Biddle reported that two property owners have registered objections.

No reply has been received from two others, while favorable action has been taken by the remainder.

The matter will receive further consideration in the near future.

Wesleyan Men's
Bible Class

Lincoln wrote the following as the purpose of his life, "Die when I may, I want it said of me that I always plucked a thorn and planted a rose, where I thought a rose would grow."

How true is this ideal to the Word of God in Galatians 6: 2 "Bear ye one another's burdens, and so fulfil the law of Christ."

A kind word, a helpful deed, given in the spirit of our Lord, makes our assemblies attractive and inviting.

In our Bible Class we seek to have in fellowship and mutual aid the motto above expressed.

Be with us next Sunday at 9:50 and join in our hymns of praise and helpful fellowship. Mr. Poinsett will speak from the 13th chapter of Numbers, verses 21-33.

Next Tuesday evening at 6:30 the annual banquet will be held in the Moore Club, Riverton. Dr. Leon T. Moore, Pastor of Calvary M. E. Church, Philadelphia, will be the speaker. Other entertaining talent.

FULL PROGRAM
FOR HOME FETE

Feature to Be Exhibition of
Archery; Affair Planned
for Friday, May 26

One of the special features of the Cinnaminson Home Lawn Fete to be held on the ground of the Home, Friday, May 26th, will be an exhibition in archery by Mr. and Mrs. Lester Rexon, of Moorestown.

Mr. Rexon is "Sauken" champion. In 1937 and 1938, he was one of the American team of thirty men chosen from eastern states to play in the international cable matches. Mrs. Rexon will also participate in the exhibition matches. Anyone wishing an opportunity to try his or her own skill with the bow and arrow may do so. The charge will be six arrows for 10c and 18 for 25c. In the evening after supper, there will be movies and a magician by way of entertainment at the home before the dance. Mrs. Samuel Emlen Stokes is chairman of amusements.

Dance

The Cinnaminson Home Fete Dance will be held in the evening at the Riverton Country Club from 9 to 12 p.m. with Don Christ and His Esquires furnishing the music. This orchestra was featured by Larry Clinton on New Year's eve and is under the management of United Orchestra Service. Young and old will enjoy the affair as the Esquires provide for everyone from the jitterbugs to the most conservative of dancers.

Tickets

Tickets may be obtained from any of the following committee members:

Miss Betsy Barclay, Mrs. Stuart B. Clark, Miss Nancy Clark, of Riverton; Miss Margaret Hall, of Haddonfield; Miss Charlotte Lou, of Collingswood; Walter Barclay, Ross Elliott, John Fuller, William Shoemaker, Jack Stetson, of Riverton; Bayard Kraft, of Collingswood; Richard Scott and Samuel Stokes, of Moorestown, or call Mrs. J. Renders Report

The Riverton Parent-Teacher Association held its annual meeting last Monday afternoon, at which time the officers for the ensuing term of two years were elected and installed. They are: Mrs. John P. Abell, president; Miss Caroline M. Staman, first vice president; Mrs. Charles F. Stewart, second vice president; Mrs. Porter B. Caldwell, secretary, and Mrs. Alexander B. Garwood, treasurer.

Mrs. Charles H. Yost, the retiring president, together with the chairman of her various committees, submitted their annual reports.

Report

Mrs. Yost's report, in part, was as follows:

"During the past year three evening meetings and six afternoon meetings have been held at the Riverton Public School for our own Association, and a meeting for the Riverton District. The year's topic was 'Home and School Problems,' and the slogan and aim: 'To gain tolerance, wisdom and understanding of children, through new knowledge.'"

On September 18, the first meeting was held. Miss Helen Blair, visiting nurse, spoke on sex education. On September 22, Mrs. R. G. Adams and the president attended a Parent Education meeting in Moorestown.

September 29, Dr. Graffin spoke to the children and parents.

October 12, Miss Staman and the president attended the Fall Conference. Dr. Lesher spoke on "Sex Psychology."

The annual reception was held on October 17. Dr. C. I. Ulmer gave a humorous lecture on "How to get sick."

On November 2, 3, and 4 the president attended the State P.T.A. Convention at Atlantic City. Miss Staman and Mrs. Mayfield came for one day.

Dr. Mary Roberts, of Moorestown, spoke at the November meeting on "The Youth of Today."

The annual candy sale was held in November, and the association bought 21 new books for the school library, out of the profits.

Over 100 Guests

The annual exhibit of the Palmyra high school will be held May 26 from 7:30 to 9:30 p.m.

An unusual feature on exhibition evening is a dinner to be served to 100 guests, who include members of the boards of education, which send students to the local school. This dinner will be prepared and served by cooking students at 6:15 p.m. in the high school cafeteria.

The harmonica band will play under the direction of W. R. Kay, with the accompaniment of Winifred Sterling. The selections to be rendered will be: "In a Monastery Garden," by Ketelbey; "Memories," by Van Alstyne, and "Carry Me Back to Ole Virginia," by Bland. The band and orchestra will play for an hour during the exhibition.

Open for Inspection

In connection with the agriculture course, the greenhouse will be open for inspection. Live chicks, laying hens, and roosters, raised at home, will be displayed as projects of the students in the agricultural shop.

The exhibit in the art room, under the supervision of Emma Sawyer, will be divided into two sections, the fine arts, which include: posters, water colors, pencil, ink, and charcoal sketches, and the craft arts, which include wood carving, leather work, desk sets of cretonne, and masks of paper mache.

WELFARE RENDERS
ANNUAL REPORT

Valuable Information Given on
Activities of Riverton
Cinnaminson Ass'n

Mrs. Mary B. Sim, executive secretary of the Riverton-Cinnaminson Welfare Association recently rendered the following report to The Porch Club in connection with the activities of the association during the past year.

Sponsorship by the Porch Club of the movement which, seven years ago, culminated in the employment of a trained social worker for the Riverton-Cinnaminson Welfare Association has led to the practice of a formal annual report to that body. The 1939 report has factual information which answers some of the questions that have been raised about the phases of the work which are the most conspicuous to the public, although probably by no means the most important.

The primary objective of the Riverton-Cinnaminson Welfare Association has been, and still is, to render a "family service" type of social service work which will anticipate those mental, physical and economic maladjustments which if unchecked sooner or later become social problems—usually expensive to the community and always force points of social infection.

The line between this type of social service however, and that which is embraced in the popular mind as "relief" is not always clearly marked. Therefore, when public expenditures for straight relief became increasingly necessary, it was natural for Riverton Council and Cinnaminson Township Committee to see the wisdom of its administration through the agency which was already working in the very field in which the outlays would be made. The Welfare Association was accordingly designated administrators of "relief" in both communities and its executive secretary appointed director of welfare.

For Common Good

While deploring the fact that the rising tide of "relief" work demanded more and more of the time the Welfare Association preferred to devote to "family service" the extravagance of duplication which any other plan would involve and has acquiesced in the diversion of the time of its executive secretary in the interest of the common good. It is, however, still hopeful that the condition may be alleviated by "full time" employment.

During 1931-33, unemployment was becoming a problem. However, from 1935 to 1938 employment in many lines of work has at one time or another suffered almost complete collapse. That state is still felt and so far as local welfare records go, there is not great improvement at present.

Last fall, for the first time, the (continued on page 2)

licity luncheon held at Medford Lakes in November, and the Riverton Publicity Record Book was awarded the Gold Star—the highest award.

Toys were contributed to the American Legion and Welfare Association, for the poor children for Christmas.

On December 7th a tea was given at the home of the president, by the executive board to the room mothers and teachers. (to be continued)

WELFARE RENDERS ANNUAL REPORT

(Continued from page 1)

Riverton-Cinnaminson Welfare Association was a beneficiary of the Community Chest Drive and believes the public welcomes the combining of the financial appeals. It is understood that the same group of agencies will again be embraced in the Community Chest appeal scheduled for next fall.

Work in Two Parts

This year's work of the Riverton-Cinnaminson Welfare Association has gradually changed from its usual two parts—direct relief and social problems to a combination of the two. Now it is faced with an increasing number of families of education, training and high living standard where unemployment has necessitated the acceptance of relief help. With that need they have brought social problems of long inadequacy in the individual because of his inability to provide for his family; long time worry over ever-increasing bills; increasing firmness on the part of collectors, sickness, lack of clothing that keeps the children from enjoying the social contacts which formed a large part of their earlier life. A family less used to a standard above the average would at the first pinch of need, come to the association office for help. Given an opportunity to discuss the situation, ways and means are found whereby with a little financial assistance from Welfare—adequate plan may be worked out by Mrs. Sim, especially where there are workable members in a family.

The other type of family, however, finds it impossible to appeal for assistance. Usually a friend or relative comes with the problem of the almost desperate need—and the added problem of overcoming the family pride, so that the need may be ministered.

Then—usually found emergencies at hand of various kinds—and there is usually sickness. In some such cases relatively high expenditures have been inevitable but along with it comes the greater need toward helping to establish a sane viewpoint, a willingness to face the facts honestly and work toward a future.

Case Load

The association case load during the year has gradually increased from month to month until April of this year when it dropped. The peak was reached in January of 1939. During that month the Welfare office was giving some form of service to 80 families numbering 242 individuals. When one remembers that a case load of 50 families for a full time worker is considered high, it may explain to some extent the volume of work attempted on a "half time" basis and the urgency of the full time status for which the Association is so anxious. At the present time the case load is 62 families, 215 individuals.

Through the generosity of various persons in this community, the tuition was provided which paid the latter half of the freshman college year for a Riverton girl whose father had lost his employment. By being able to finish her first year, this girl will be eligible for student employment for her sophomore year. There is every reason to believe that every dollar expended on her behalf will ultimately be repaid and this may well prove to be the nucleus of a student loan fund.

Employment

There have been the usual placements in the various institutions. Glasses have been provided for six persons; one pair was paid for by the local chapter of the Red Cross. The Red Cross also made it possible to send a girl to Camp Matohonequay for two weeks last summer—an experience for her of untold value.

Mrs. Gilbert Coe, and her able clothing committee functions regularly each week and have made a very substantial contribution in this phase of association activities.

The Welfare office has carried on an effective employment service—27 men and women have been on call for employment. Ten were placed in permanent domestic jobs; 17 on call for odd job work and 1 girl placed in a permanent business position.

At Christmas time 35 families received Christmas dinner coupons, amounting in cash to \$106.

FINISHING A FINE PROJECT

Charles Hawke and George DeVinney, fifth grade pupils at the Spring Garden Street School, Palmyra, are completing the work of planting a splendid Maple tree at the conclusion of a program held last Wednesday afternoon.

Appropriate exercises, consisting of songs and recitations, were included on the program and Paul R. Jones, supervising principal of Palmyra Schools, spoke briefly.

Pupils from the two upper grades of the school participated.

LOCAL MAN ON CONVENTION COMMITTEE

President Benjamin J. Roberts, of the county Y.M.C.A. board, appointed a state Y.M.C.A. convention promotion committee at the March meeting, made up of Lewis M. Parker, chairman, Bordentown—Francis B. Elwell, Riverton; Edwin R. Kiner, Mount Holly; S. Roger Oliver, Burlington; Henry F. Stockwell, Jr., Moorestown; Leonard E. Spotts, Florence; George N. Wimer, Palmyra; and Howard E. Wills, Marlton.

This committee is urging both

county and local Y.M.C.A. board members and group leaders to attend this one day convention.

On this year's program are two guest speakers: Dr. Alexander J. Stoddard, superintendent of schools of Philadelphia, who has just come to this position from Denver; and Dr. Henry M. Busch, professor of adult education of Western Reserve University, Cleveland.

The place is the Berkeley-Carteret Hotel, Asbury Park, this Saturday, May 20.

Dr. Stoddard will speak at the convention luncheon on "The Plight of Youth Today."

The banquet session, scheduled from six to nine, will receive a re-

port of the Commission on Youth, and then hear Dr. Henry M. Busch speak on "The Strategy of the Y.M.C.A. in its Program with Young Men."

Burlington county's four official representatives at the voting sessions of the state convention are: President Roberts, of Marlton; Treasurer Howard C. Darnell, Moorestown; John W. Thatcher, Moorestown; and Secretary Guy C. Hendry.

Statement By Kieckhefer Co.

The following statement regarding the strike situation has been issued by the management of the Kieckhefer container company:

"Inasmuch as certain information has been published in various local newspapers concerning the strike at our Delair plant, the management of the Kieckhefer Container Company believes that it owes to its employees and the general public a statement of the company's position in the matter. The facts are as follows:

"The following three unions are involved, all affiliates of the American Federation of Labor, namely: The International Brotherhood of Pulp, Sulphite and Paper Mill Workers Union, Local No. 380.

The International Brotherhood of Firemen & Oilers Union, Local No. 126.

The International Brotherhood of Teamsters, Chauffeurs, Stablemen and Helpers Union, Local No. 676.

"On May 3rd, 1939, after several previous conferences, the company met with representatives of the three unions to consider a proposed agreement. At this meeting the discussion was based largely on how the plant should be divided into bargaining units. The teamsters Union asked for sole bargaining rights for warehouse men, platform men, loaders, yard men, checkers, plant crane and yard crane operators, in addition to truck drivers and helpers.

"The Firemen and Oilers Union asked for sole bargaining rights for maintenance, electrical and power-house employees, and the Paper Mill Workers Union asked to be given sole bargaining rights for the remainder of our production employees.

Letter to Unions

"On May 5th in a letter addressed to the unions, the management agreed to recognize and grant sole bargaining rights to the Paper Mill Workers Union for production employees, as this union unquestionably represented the majority of our production workers as evidenced by a check of signatures on application cards made by our auditor, which showed 436 members out of a total of 602 production employees. The company likewise agreed to recognize and grant sole bargaining rights to the Firemen & Oilers Union, covering maintenance, electrical and power-house employees upon submission of proof of membership, and agreed to recognize and grant sole bargaining rights to the Teamsters Union for all truck drivers and their helpers. In these three instances the company considered the above bargaining units to be appropriate, and that the rights of the majority in each of these three groups would be assured as provided by the Labor Relations Act.

"The company questioned the suitability of a bargaining unit comprising the seven classifications of warehouse men, platform men, loaders, yard men, checkers and crane operators on the grounds that such classifications in most instances comprised a minority group in a large number of purely production departments, although emphasizing the fact that the membership of some employees in such classifications in the Teamsters Union had not been questioned.

Strike Called

"Without further discussions the company received on May 6th, a telegram from the three unions stating a strike would be called at 6:00 a.m. on May 8th, unless all questions of representation and bargaining rights were settled to the complete satisfaction of the three unions. This telegram, in the form of an ultimatum, seemed to preclude any further negotiations, although the company had expressed the hopes that negotiations and friendly relations would be maintained. Despite the telegram received by the company from the unions stating the strike would be called on May 8th, the strike was suddenly called at 4:00 p.m. Saturday, May 6, and a picket line established at that time.

"As evidenced by the telegram received from the three unions sent May 6th, the strike involves no dispute as to wages, hours or working conditions. The company prides itself upon the fact that its wage scale

SPORTS JOTTINGS

Palmyra's team in the Burlington County League failed to start its home season last Saturday afternoon when rain washed out the engagement with Medford. The locals trek to Columbus this Saturday and play at home on Wednesday evening of next week.

Andy Pfaff organized a team to represent the K. of C. and thus filled the vacancy in the Memorial Park Softball League. Andy has headed other teams in previous years and has the best wishes of many local fans for a most successful season.

A reliable first baseman, who has not yet been signed for the season (but who is to retire to coast about his playing ability) desires a berth with a softball league team. Any manager interested is requested

PALMYRA SCHOOL NOTES

Carolyn Bauer won the forensics key given Saturday, May 13, in the tournament of plays at the University of Newark. The key is presented to the person who gives an outstanding interpretation. The play was "Boccaccio's Untold Tale," a legend of old Florence, and Miss Bauer was cast in the role of a serving woman.

Participate in Quiz

Clement Haas, John Hulings, Robert Verkes, Robert Waters, Richard Deemer, John Haynes, and Donald Fox participated in an "Information Please" program in the Palmyra Fire House, Tuesday evening, May 9. The boys asked questions about municipal and county government, and the members of the borough council gave interesting and complete answers.

Freshman Party

The annual freshman party will be held in the gym, Saturday, May 20, at 8:00 p.m. There will be a program given by members of the class, followed by games, dancing and refreshments.

Junior Prom

The Junior Prom will be held during the week of June 12. The orchestra and place will be announced later.

Camera Club

The Camera club contest closes May 25. There are three prizes: first, \$2.50; second, \$1.00; and third, 50 cents.

RIVERTON SCHOOL NOTES

The kindergarten gave an assembly program on Friday morning, May 12th. The assembly was opened by the third grade which was responsible for the Bible reading and the Lord's prayer. The first and second grades each sang two songs. The kindergarten then gave a play named "Signs of Spring" which was taken from a song. The following people took part: Announcer, George Horner; the sun, Eddie O'Neill; the wind, Gordon Small; the rain, Jimmie Hopcroft; the flowers, Eileen Johnson; Carol Lou Warnecke; Virginia Hooper; Anna Louise McLaughlin; and Frances Bowers; the butterflies, Billie DeNight; Suzanne Sparks; and Sidney Myers; the rabbit, Dickie Stewart. The whole class then sang a song entitled "The Thunderstorm." The program was enjoyed by all.

is amongst the highest in the industry, and regrets that the three unions have decided to strike rather than to carry on negotiations in a friendly manner."

PALMYRA DROPS INITIAL GAME

After maintaining an unbroken winning streak of eight games, Palmyra High's baseball team came to the end of the road last Friday afternoon at Merchantville when Coach Elder's charges sent the Red and White home on the short end of a 2-1 count.

Len Baker, local pitching ace, toiled for the Dimondmen and had the opposition eating out of his hand for most of the skirmish. He fanned 17 and issued three walks. The twelve hits he allowed were well scattered, except in the ninth and many of the blows were of a shady character.

Straub Winner

Palmyra, on the other hand, could do little with the offerings of Junior Straub and secured five bows, two of these by Cole. The locals scored in the second and the enemy evened the count in the third. Things went along in this fashion until the ninth when the winning tally came after two were down.

PALMYRA

Westfield Friends' School

A large and enthusiastic audience greeted the well conducted performance of the musical and choral speaking departments of the Westfield Friends' School last Friday evening.

The kindergarten gave short recitations and songs, and joined in with the first and second grades for the second appearance of the rhythm orchestra.

Mr. Wallace's pupils played piano solos even those who just recently began taking lessons. All played with skill. Michael Crowell, Dorothy Porter, John Robert Jamison, Russell Laslocky, Jean Clark, Lenore Meyer, Nancy Ritschard, Arthur Platt, Jack Clement, Joan Anderson and Richard Hollerith, rendered the piano selections.

The second grade recited A. A. Milne's "Bad Sir Brian Botany," with ability and stage presence. The third and fourth grades selected parts of "Hiawatha" to recite. The fifth and sixth classes told "The Ballad of John Silver" and recited with actions, one of Aesop's Fables.

Jean Finnie, a 13 year old pupil of Mr. Wallace's from Chestnut Hill, concluded the program by playing "Minute Waltz" by Chopin and "The Butterfly" by Lovalect remarkably well.

The singing consisted of the fol-

YWCA NOTES

Members of the Burlington County Y.W.C.A. and their families and friends are invited to attend the Y.W.C.A. Family Day to be held at Camp Matohonequay, near Medford Lakes, Saturday afternoon and evening, May 20.

The program will begin at two o'clock with games, races, music and a softball contest. Guests will bring picnic suppers, and ice cream will be on sale. In the evening there will be campfire and folk dancing led by Mr. and Mrs. John Hodgkin. An unusually pleasant outing is anticipated.

IN APPRECIATION

We wish to express our sincere thanks to all who so generously supported the cake sale held at 13 East Broad street, Saturday, May 13. The Committee.

W.C.T.U. MEETING

The Burlington county W.C.T.U. will hold the Spring Institute on Thursday, May 25, in the Riverside M. E. Church at 10 a.m. and 2 p.m. This will be an all day session.

PALMYRA TAKES
CLOSE DECISION

Locals Start Tilt with Hit
Barrage but Haddonfield
Throws Big Score

Palmyra started things off with a bang in the baseball tilt with Haddonfield last Thursday afternoon and splashed a barrage of hits off Wideman, enemy hurler, to coin a total of six markers during the lower half of the initial stanza.

This bulge was most needed, however, as the game ended with the locals winning by a 9-8 count after the hostiles threatened to wrest the decision by some timely hitting during the closing frames.

Seven Hits

Kemmerle greeted Wideman with a single and McDermott advanced him to third with a neat sacrifice. Cole, Turner, Karitis, Rothbaum, Gamble and Henson barged out one-basers and Carhart stroled. During all this macing activity runs clattered over the plate with great regularity and the enemy pitcher seemed destined for early relief. The batting congress ended when Kemmerle, up for the second time, hit into a double killing.

The Dimondmen added two more in the second canto and then the attack went into hibernation with the original Haddonfield hurler still on the premises.

Carhart Does Well

Carhart, local twirler, had the situation well in hand for most of the time, but the opposition tallied thrice in the third by virtue of a pass, a brace of bobbles, a single and a four master by Gallagher.

Carhart whiffed the side in the fourth after Polacio smote a three bagger and repeated this performance in the seventh.

The pastiming tightened up a bit in the eighth as Haddonfield annexed three more counters. These came as a result of a single, an error, a walk, sacrifice hit and another triple by the same Polacio.

Deciding Run

Palmyra came to life in the same inning and scored what proved to be the deciding run. Turner and Karitis, the spearhead of the Palmyra attack figuring prominently.

An enemy pinch hitter welcomed Carhart with a single in the ninth and the next batter repeated. Coach Dimond rushed VanEmburg into the fray and he promptly passed the first batter to cram the bases. A long fly to Rothbaum brought in a run, but Karitis picked a man off first base for the second out. Another tally resulted when Gallagher's grounder was muffed up, but the last batter skied to Rothbaum and the day was saved.

SPORTS JOTTINGS

Palmyra's team in the Burlington County League failed to start its home season last Saturday afternoon when rain washed out the engagement with Medford. The locals trek to Columbus this Saturday and play at home on Wednesday evening of next week.

Andy Pfaff organized a team to represent the K. of C. and thus filled the vacancy in the Memorial Park Softball League. Andy has headed other teams in previous years and has the best wishes of many local fans for a most successful season.

A reliable first baseman, who has not yet been signed for the season (but who is so reticent to boast about his playing ability) desires a berth with a softball league team. Any manager interested is requested to write Box B, The New Era office.

Ike Hylton, former Dodger star hurler, is reported to be one of the sensations in the Camden Softball circuit.

PALMYRA GETS
THIRD POSITION

Coach Melvin Kreps' track team finished in third place last Saturday afternoon in the Group 3 meet held at Paulsboro. Burlington won the affair with 33 points, Moorestown was second with 26 and two-thirds, while the Red and White garnered 22 and one-sixth. Gloucester, Paulsboro and Merchantville finished in that order.

Palmyra point winners were as follows:
100 yard dash—Flournoy, second.
440-yard dash—Fox, second; Seemuller, third.
Half mile—Brown, third.
Mile—Hergut, first; Burns, third.
Pole vault—Houser, first.
Javelin—Ott, first.

PLAY INSTRUCTOR
NOW AT PARK

Announcement was made this week that a playground instructor furnished by the National Recreation will be on duty at Memorial Park on weekdays from three to five each afternoon to supervise and organize games for children.

This schedule will prevail until school closes.
Two of the park tennis courts are now ready for use and it is expected that the others will be available by the end of the week.

ATHLETICS TAKE
FIRST DECISION

The Athletics launched their current campaign in a successful manner last Thursday night in the local softball loop by taking an 8-4 verdict from Sigma Kappa, the affair going only seven frames before darkness intervened.

Haines did the hurling for the A's and held the enemy well in hand until the seventh when the fraternity lads pushed over three tallies. The farmers did all of their scoring during the early frames, Stickle being the S.K. pitcher who allowed nine hits. He also allowed four walks.

NO TEA

Dear Sir:
Will you please advise whether it is permissible for an owner of a tavern who, under doctor's orders, must refrain from consuming alcoholic liquors, to fill an empty liquor bottle with tea and consume that when requested by a customer to drink with him although said customer knows not what the owner drinks?

My dear Mr. —
Tea in liquor bottles won't go, doctor's orders or no. Customers are not to be charged the liquor rate for treating the proprietor to bewitched water.

PALMYRA DROPS
INITIAL GAME

After maintaining an unbroken winning streak of eight games, Palmyra High's baseball team came to the end of the road last Friday afternoon at Merchantville when Coach Elder's charges sent the Red and White home on the short end of a 2-1 count.

Len Baker, local pitching ace, toiled for the Dimondmen and had the opposition eating out of his hand for most of the skirmish. He fanned 17 and issued three walks. The twelve hits he allowed were well scattered, except in the ninth and many of the blows were of a shady character.

Straub Winner

Palmyra, on the other hand, could do little with the offerings of Junior Straub and secured five bows, two of these by Cole. The locals scored in the second and the enemy evaded the count in the third. Things went along in this fashion until the ninth when the winning tally came after two were down.

ABOUT THE COUNTY

Edwin R. Kiner, of Mount Holly, was appointed a deputy county clerk by County Clerk Lawrence G. Minchin this week. Mr. Kiner, who has served in the clerk's office for several years, assumed his new duties on Tuesday, when he was sworn in.

F. W. Shivers, of Bordentown, was elected president of the Burlington County Board of Agriculture at the recent meeting of the Executive Committee. Benjamin Roberts, of Moorestown, was elected vice president, with Forrest H. Jennings, of Vincentown, as secretary, and Barclay Allen, of Vincentown, as treasurer.

Approximately 5,000 persons in the vicinity of Mount Holly have already signed petitions, which have been in circulation. In addition, William H. Absalom, secretary-treasurer of the Parker committee, announced that about \$500 has been contributed to the fund needed to press a Supreme Court appeal.

Liquor bottles must be labeled and the contents must be strictly as represented. The law cannot be enforced in any other way. If your client can possess such a bottle to fool customers, so can the hostesses who make it a practice.
For your client, in his delicate condition, I suggest soda pop or else refrain until he recovers. I am sure his importunate friends will understand if he pleads "doctor's orders."
Very truly yours,

Commissioner.

Notes

Riverton's team in the Interclub League won handily last Sunday in a division C match, taking the decision from the Pennsylvania Golf Club in matches played at Riverton and on the terrain of the opposition. The win places the locals in third position in the division, 14 points behind the leading North Hill team.

DAWLEY OLDS,
BROADWAY WIN

Knight Limits Sigma Kappa
to Five Hits and Poles
Four Ply Clout

George Knight, Dawley Olds pitching ace was in fine form Monday night as his team pried off the lid of the current season, winning their initial tilt from Sigma Kappa by the score of 11-10.

The fraternity aggregation held the motor power house in check for the first few frames, but a tall rally by the green-shirted team put the fracas in the bag during the fifth stanza.

In addition to holding the enemy bats in check, Knight rammed one into deep center for the circuit.

Score by innings—
Oakwood 000 000 00-0
Sigma Kappa 010 262 0x-11
Batteries—Dawley: Knight and W. McDermott; Sigma Kappa: Baker and Gibbon. Umpires—Carhart and Alloway.

Broadway Takes Another

The Broadway juggernaut rolled up its second win of the season against Andy Pfaff's newly organized K. of C. outfit. The Knights have a cast of youngsters that should develop into a good team, but the movie men were a little too tough for them to handle at this stage of the season.

A couple of good pitchers would help the Kacey cause no end.

New Uniforms

New regalia made its first appearance this year as Broadway took the field in very fancy shirts in a blue and white color scheme. Sigma Kappa's habiliments, also very natty are blue and gold while the Dawley aggregation was resplendent in green and white attire.

This (Thursday) evening the Athletics will meet Fortnum while the Cubs will cross bats with Parry.

W. P. A. Work Comes High

Investigation by Congress of the W.P.A. activities is already disclosing some interesting facts. In addition to revelations concerning communistic minded influence in the Workers Alliance it has been developed by the committee that improvements constructed in New York cost two and a half times as much, when performed by W.P.A. workers as jobs under private contract.

Allen W. Stephens, engineer loaned to the investigators by the Treasury Department, told the committee that the W.P.A. World's Fair building, now about 95 per cent complete, would cost \$370,000 instead of \$250,000 as at first announced. He said 17.3 per cent of the labor was on relief while 82.3 per cent was performed by non-relief workers although the money had been appropriated by Congress to help the relief situation.

Mr. Stephens declared that the cost of the building was 43½ cents per cubic foot while the Federal building, which was built under private contract, had cost 20 cents per cubic foot.

"In other words," said Congressman O'Neill, of Kentucky, you mean that it costs about two and a half times as much to construct a project under W.P.A. as it does by private contract?"
"Yes, that's it," was Mr. Stephens' answer. Mr. Stephens had stated that overhead and administration costs had not been taken into consideration in the figures. The efficiency of W.P.A. work was about forty per cent of that done under private contract, he asserted.

Here is a good example of the efficiency and economy of the policy of the government in business. And when the government goes into business it does so with the taxpayer's money.

The case cited in the foregoing is only one of many thousands that could be given.

If the W.P.A. is necessary to relieve unemployment why is it not possible to conduct the work on a business-like basis? No one expects the same efficiency as that which prevails under private contract, but the difference between the two seems to indicate that something definitely is wrong.

Is it necessary to spend \$1.00 to get 40 cents worth of work?

John Lewis, the C.I.O. dictator recently laid the law down to a member of Congress regarding the future of the W.P.A. Among his valuable suggestions was that this group have the right to organize, probably under the watchful eye of Lewis.

The only apparent result of such an organization would be an epidemic of strikes.

It has been suggested that July Fourth would be a suitable occasion to have the formal housing ceremonies for the new Riverton fire truck. This thought will doubtless receive the serious consideration of the committee in charge of the activities of the day.

Congratulations to the members of the committee in charge of Youth Week activities. A fine job well done.

Do your part in contributing to the Y.M.C.A. finance campaign and assist this splendid organization in carrying its service to the youth of our communities.

Here's hoping that some of the countries still owing us a war debt, are among those who are sending us their gold for safe keeping during the current war scare.—Linn, Kansas, Record.

What Other Editors Say

The editor of an exchange addressed a communication to a dissatisfied citizen as follows: "When you were a boy you wouldn't study; when you were a young man you didn't try to improve yourself in a trade or in a business; and now that another man is doing better than you are you yell that there is something wrong with the social system. The social system is all right. The trouble is that from the very first you trained yourself to become a bum."—Concordia Kansan.

According to government reports, Afghanistan, Monaco and the Island of Yap failed to send us any immigrants for the year 1938, although each was entitled to fill a quota of one hundred. It might be well if other countries practiced a similar restraint—in view of our present unemployment situation.

It is said that 766,000 persons spent a nickel and called the telephone company in New York last month to get the latest weather predictions. The official weather forecasts ought to be touched by such an expression of human faith.

Denouncing the dictators in Europe may meet with general approval but it is no answer to the statement that there are still 11,000,000 people out of work in the United States.

MAN PAST FORTY GETS POWERS' AID

The Federal Government should lead the way in the drive to employ the "man past forty," Congressman D. Lane Powers declared today in a statement requesting immediate House of Representatives action on his bill to eliminate maximum age limitations in Federal employment.

Powers' bill, H.R. 1677, is now before the Civil Service Committee of the House. The Congressman, who represents Burlington and Mercer counties, asked the committee chairman to give immediate consideration to reporting his measure.

Started Movement

Pleas of President Roosevelt for industry to "remember the man past forty," the recent drive of the American Legion, and the action of the Senate in reporting Senator Mead's (D-N.Y.) bill aimed at the same purpose, were detailed by Powers in his request.

The New Jersey Congressman initiated efforts in 1933 for elimination of the Federal maximum age bars. The bill he introduced at that time followed along the same lines as the measure he had passed, while a member of the New Jersey State Legislature, which removed the age bars in New Jersey State employment.

Powers' request for committee action was addressed to the Honorable Robert Ramspeck, (D-Georgia) chairman of the Civil Service Committee of the House.

MISS FRIES WINS SHOW HONORS

At the annual graduation and banquet of the Northeast Beauty Culture School held at the Walton Roof Garden, in Philadelphia, last week, Miss Etta Fries, of Palmyra, was awarded first prize for her entry in the style show.

Miss Kay Gill, of Philadelphia, modeled the winning coiffure which was an evening affair.

Miss Fries, who entered school recently, won first place over a number of stylists who were graduates.

HIGH STANDING

Jane H. Blackwell, daughter of Mr. and Mrs. Edward H. Blackwell, Elm Terrace, Riverton, recently topped the list of seven successful candidates in an examination for the position of social investigator in Burlington county.

The tests were conducted by the New Jersey Civil Service Commission and a large number of aspirants entered the competition.

SPARE FLOWERS, SHRUBBERY

Complaints have reached the Riverton police that flowers and shrubs were being stolen in this vicinity and some greedy gardener or sneak thief has plundered the rose garden on Cedar street that is the property of Dreers.

It is unfortunate that, in our midst, there are a few people who have no respect for the property of others and who would steal anything that is not nailed down or protected by barbed wire or policemen.

By their malicious work in stealing plants, they discourage the efforts of garden enthusiasts who have contributed much to make our community beautiful.

If these marauders are apprehended they will be dealt with to the full extent of the law and no clemency will be shown.

WILLIAM GOOTEE,
Chief, Riverton Police.

American Holly Thrives In New Jersey Gardens

By B. R. LEACH

Issued by the New Jersey Association of Nurserymen, New Brunswick, New Jersey.

The American gardening public is slowly awakening to the desirability and beauty of the hollies of which there are several varieties suitable for planting in New Jersey.

For many years a mistaken idea prevailed that hollies were difficult to transplant, the notion no doubt being based on the many failures of those who went into the woods and brought home holly trees, most of which subsequently died because of insufficient roots.

Nursery grown hollies, on the contrary, are among the easiest of all plants to move successfully from the nursery to the garden because they are frequently transplanted in the nursery and are available with a solid ball of earth filled with vigorous, fibrous roots.

Varieties

As regards varieties there can be no doubt that the American Holly (Ilex opaca) is the most valuable and outstanding. This variety has everything that any other evergreen possesses, including year-round foliage, vigorous growth and long life, but far more than all this, it has the red berries which have typified the Christmas spirit for centuries.

Planted singly or in pairs at the front door and strung with colored lights at Christmas time, the holly is truly one of the most beautiful trees for the lawn. Planted at strategic points on the lawn where they will have ample room to grow, hollies will develop into large, imposing, and compact trees. There are few trees or plants which, regardless of cost, can compare to the hollies when considered in terms of continuous satisfaction throughout the entire year. In addition, they are not any more expensive than the usual run of quality evergreens.

Always Attractive

Another less showy, but highly desirable variety of holly is the Japanese Holly (Ilex crenata). This plant has small non-spiny foliage and black berries. It is valuable as a background for flowering plants such as rhododendrons, azaleas and andromedas. It is very useful for dressing up those spots in all gardens where practically no sun ever enters. Sheared low it makes a wonderful plant for use under trees and will stand drought and prosper in the face of severe competition with the roots of shade trees. Sheared or allowed to grow more loosely it makes the finest kind of a year-round, quick-growing evergreen hedge.

Home gardeners are turning to hollies as a means of developing a well-rounded garden picture which will be attractive at all seasons of the year.

NEW COUNTY ROAD

State Highway Commissioner E. Donald Sterner recently provided 3,519 man-weeks of employment for residents of Burlington County by approving plans for the construction of the Tabernacle-Chatsworth Road, Sections 1 and 2, Tabernacle Township.

The improvement will be sponsored under the Highway Department W.P.A. Work Relief Program. Bids for the project will be received by the township officials.

Plans call for a gravel base on the four and eight-tenths miles of Section 2, and a six-inch bituminous surface for Section 1.

COUNTY ROAD WORK

Browns Mills-Cookstown Road, New Hanover and Pemberton Townships, bridge closed. Detour Browns Mills to Wrightstown to Cookstown.

Chesterfield - Georgetown Road, Chesterfield Township, two and three-tenths miles, and Jobstown to Route 39, Springfield Township, two miles, under construction with traffic maintained.

Chesterfield - Crosswicks Road closed during construction. Detour by way of Bordentown-Chesterfield Road.

23,134 AUTOS FAIL TO PASS

State Inspection Last Year Shows Rejections for Numerous Reasons

A total of 23,134 automobile registration plates were collected by the Motor Vehicle Department last year for failure of the owners to comply with the motor vehicle inspection law.

Reporting on the first year's enforcement of the inspection law, Motor Vehicle Commissioner Arthur W. Magee stated that "the inspection program played no mean part in the splendid reduction in the highway accident toll which resulted in New Jersey winning the National Traffic Safety Contest" and adds the opinion that "a State-owned and operated inspection set-up has a very definite place in progressive motor vehicle administration."

Road Condition

A majority of the 23,134 registrations collected represent cars that were in such poor condition that they were not worth fixing. Such vehicles were removed from the roads by the simple process of being deprived of their registration plates.

Other reasons for non-compliance with the law were "expiration of registration due to death of owner, or sale of car; car re-possessed, or junked, or wrecked in an accident; lay-up of seasonal vehicles such as fuel oil trucks in the summer and ice trucks in the winter."

During the first inspection period, 922,332 cars were inspected and approved, 324,296, or 35 per cent on initial examination. A total of 1,722,266 defects were found in the 598,035 vehicles that were rejected on first examination, of deficiencies.

More Pass

The second inspection saw 950,012 vehicles inspected and approved. Whereas but 35 per cent were approved on initial inspection in the earlier period, 42 per cent successfully passed the tests on first examination in the second inspection period. Here also, there was a 13 per cent decrease in the total number of reasons for rejection and there was also a decrease of 16 per cent in lighting and 7 per cent in braking rejections. Total causes for rejection were 1,494,286 as compared with 1,722,266 in the first inspection period.

The third inspection, now well under way, is expected by Commissioner Magee to find a still higher percentage of cars approved on initial inspection and a further decrease in the number of causes for rejection.

ALUMNI DANCE SATURDAY NIGHT

All dancing enthusiasts, of Riverton and Palmyra, are urged to keep Saturday evening, May 20, in mind.

It is the date of the annual Spring Cotillion sponsored jointly by the Palmyra and Burlington High School Alumni Associations. The two groups have been working for some time on this dance, and everything is in readiness for a highly enjoyable evening.

The ever-popular Medford Lakes floor will serve as the scene for the affair, while Chuck Gordon's versatile orchestra will furnish sweet and swing melodies. Chuck is well remembered for the excellent music he afforded at the last Alumni dance and has since gained even more popularity.

Dancing will start at nine and will continue until one. Dress is optional and the tickets are priced at \$2.00 per couple. They may be obtained from any member of the executive committee, or by simply calling Riverton 1133.

NEW COUNTY ROADS

Having obtained a saving of \$10,436 under estimated costs, State Highway Commissioner E. Donald Sterner today authorized Tabernacle Township to award the contract for the construction of Tabernacle-Chatsworth Road, Section 1 and 2, to Joseph Lafferty, of Haddon Heights, for \$10,952. Eight contractors submitted bids to the township officials.

The project is included in the Highway Department-W.P.A. Work Relief Program. It will provide 2,760 man-weeks of employment. Labor will be furnished by the W.P.A. and materials will be purchased through a grant of Highway Department funds.

Plans call for a bituminous treated gravel surface six inches deep and 20 feet wide over a six and three-tenths miles stretch.

Commissioner Sterner also approved plans for the construction of the Columbus-Johnstown and Jallstown-Lewisville Roads, Springfield Township, under the supervision of the Highway Department-W.P.A. program. The project will give 1,980 man-weeks of employment. The roads two and four-tenths miles long, will be surfaced with a six-inch layer of gravel at a width of 20 feet.

Post office money-orders were originated in 1894, that relative might send money to soldiers during the civil war.

Church Notices

BETHANY EVANGELICAL LUTHERAN CHURCH

Rev. Oliver W. Powers, Pastor

Sunday is called Exaudi, the Sunday after Ascension. The Latin name is derived from the first word of the Introit, Exaudi, Hear. The other name describes the historical moment which the church year emphasizes. It marks a unique period in the life of Jesus' disciples. Back of them but a few days is the moment of separation, the Ascension; ahead of them, the promise still to be realized, is Pentecost. At Bethany Church the pastor, the Rev. Oliver W. Powers will preach at the chief service, 11 a.m., on the topic "Reigning Glory." The choir, under the direction of Mr. Lee Mitton, will sing the anthem "King All Glorious" by Barnby.

Tonight at 7:30 p.m. at the Ascension Day Service Mr. Powers will speak on the subject "The Elevated Christ." He will say:

"Today, we recall the moment when Jesus finished His work and returned to the Father; when He stepped from the visible back into the invisible world, from whence He is able to draw all others unto Himself. . . . There is a double meaning in the words which Jesus uttered before His Passion, 'And I, if I be lifted up from the earth will draw all men unto Me.' He spoke of His elevation on the Cross when the world, no longer willing to endure Him, would reject Him. He spoke also, of His elevation to the right hand of the Father. . . . When we hear the gospel for Ascension Day, two contrary emotions pass through our souls, sorrow and joy—sorrow because we serve an invisible Lord, joy because this invisible Lord will draw all men unto Him. . . . We must remember that because Christ has become invisible, He can be nearer to all of us than any visible person can be. For the cloud which took Him away from our eyes was for Him the way to the throne of authority over all peoples and nations. We pray that we may all be drawn to Him."

CHRISTIAN SCIENCE CHURCH

"Soul and Body" is the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, May 21.

The Golden Text is: "If thou draw out thy soul to the hungry, and satisfy the afflicted soul; then shall thy light rise in obscurity, and thy darkness be as the noon day." (Isaiah 58:10).

Among the citations which comprise the lesson-sermon is the following from the Bible: "The highway of the upright is to depart from evil: he that keepeth his way will preserve his soul." (Proverbs 10:17).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is but one way—namely, God and His idea—which leads to spiritual being."

The scientific government of the body must be attained through the divine Mind. It is impossible to gain control over the body in any other way. On this fundamental point, timid conservatism is absolutely inadmissible. Only through radical reliance on Truth can scientific healing power be realized" (p. 167).

CARDS OF THANKS

We wish to express our appreciation to our friends and neighbors who were so kind during our recent bereavement, especially those who sent cars and flowers to the funeral.

New Era Staff Photo

The Moravian church at Five Points will be the scene of festival services next Sunday, May 21, as it observes the seventy-sixth anniversary of its organization. The Rev. Henry A. Kuehl, pastor of the Moravian church at Emmaus, Pa., will be the guest speaker at the three services of the day. The choir, under the direction of Mr. John M. Burgmann will be heard in festive anthems at all three services. Rev. Albert J. Harke began his fifteenth year as pastor on May 1.

10:45 a.m. "Te Deum Laudamus," and the Anniversary sermon by the Rev. H. A. Kuehl, of Emmaus, Pa. Traditional Moravian Lovefeast. Pastors of the other Moravian churches of this district will be present with delegations from their congregations, and bring brief messages of greeting. A luncheon will be served to all guests remaining for the evening service.

7:30 p.m. Closing service, opening with a gospel hymn sing. Our guest speaker will bring the message. Other visiting pastors will participate in the service.

Sunday, May 21—Whitsunday. Holy Communion at 10:45 a.m.

METHODIST CHURCH

Rev. William A. Boyd, Pastor

"Divine Guidance" is the title of the message to be delivered by the Rev. W. A. Boyd, in the Methodist Church this Sunday morning at 11 o'clock. The sermonette to the Young People is on the subject "Sharing with Christ." The Senior and Friendly Choir will sing during this service.

A beautiful vesper service will be held at 7:45. Dimmed colorful lighting and excellent music by Rachael Lord on the organ and George Durgin, Jr., on the violin will make this a very remarkable vesper. A new series of sermons will be given by the minister on the subject "Courtship, Love, Marriage and Divorce." This will begin on Sunday evening, the first sermon being "Courtship." This series will be of especial interest to our Young People contemplating matrimony in the future. Come and bring your friends along with you. Everybody is welcome to these beautiful Sunday evening vespers.

Every Wednesday evening at 8:00 o'clock the minister of our church conducts a mid-week church service of prayer, praise and bible study from 8 until 9 o'clock. The meeting is open to the whole community. Come with us and we will do this good."

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services Sunday, May 21st.
Bible School 10 a.m.—While many were absent due to Mothers Day visitations, the school enjoyed the presence of many visitors for the same reason, thus making an advance in the attendance of a year ago. To those visiting in Palmyra and Riverton, "Central Baptist" extends a most cordial welcome and again directs your attention to the fact that you will find here classes where any one of any age will feel at home.

Morning Worship 11:15 a.m.—"The Promise of Rest" will be the subject for the sermon by Pastor Lockett for this service. The choir under the direction of Mr. Russell Jermon will render the anthem of the morning with Mr. Edward Hoyt as soloist.

B.Y.P.U. 6:45 p.m.—This Young Peoples group meets weekly at this hour in the Sunday School room. Evening Worship 7:45 p.m.—Starting with a song service, followed by the selections by the choir and sermon by the Pastor on "The Corner Stone of a Nation." Mrs.

ACTIVITIES OF CINNAMINSON P.T.A.

This afternoon (Thursday) the Cinnaminson P.T.A. is sponsoring a benefit bridge and game party at the home of Mrs. Warnick, Burlington Pike, Cinnaminson. Proceeds will be given to the Incubator Fund, a project of the Burlington County Parent-Teacher Association.

Ice cream, home-made cake and coffee will be served at 2 p.m. and cards and other games will follow. The charge is 25 cents each, and it is hoped there will be a large gathering to help this very worthy cause. Anyone interested is cordially invited.

At the regular meeting last Wednesday night in the school, Judge Mathews, of Riverton, was the speaker. His talk on "Americanism" was most interesting and stressed the fact that if high school children were taught just what our form of government really is, they would not be interested in the various "isms," so popular now, when they reach college. Judge Mathews believes that there should be one teacher in every high school to teach only the Constitution of the United States.

Preceding this splendid talk, the following officers were elected for the coming year: First vice president, Mrs. Leslie Reeves; second vice president, Mrs. Alice Thomas; secretary, Mrs. J. K. Taylor; treasurer, Mrs. P. Hotchkiss. The term of Mrs. Warnick, president, is for one more year.

On Field Day, Monday, May 29, there is to be a demonstration by the children, showing the muscular development from the kindergarten through the grades. Following this part of the program, there will be the picnic supper, with ample table facilities; and after supper, the father and son baseball game, as usual. It is hoped many parents and friends will be able to attend. Don't forget the date Monday, May 29.

You won't get dizzy doing a good turn.—Trotty Veck Message.

Marcus Chaburn will be the soloist of the evening service.

The regular Wednesday evening prayer service will be held in the Sunday School room at 8 o'clock. A real service of help and inspiration open for every one who needs it. On Thursday afternoon the Philathea class will hold their regular monthly meeting.

MRS. HOLLINGSHEAD RESIGNS AS SECRETARY

Resignation of Mrs. Daisy Hollingshead as executive secretary of the Burlington County Tuberculosis League, was announced this week. The resignation will be effective July 1. In accepting her resignation, the Tuberculosis League expressed appreciation of the fine work done by Mrs. Hollingshead during her 11 years' service.

NAMED DIRECTOR

George N. Wimer, of Palmyra, was named a director of the Burlington Historical Society at a meeting of that organization held on Saturday afternoon last week.

PALMYRA WINS PAIR IN ROW

Camden Catholic and Gloucester Bow to Locals; Three Pitchers Work

Palmyra crashed back into the win column this week, winning ball games on successive days, Camden Catholic being the victim on Monday by a 4-2 count, while Gloucester took it on the chin 6-4 on Tuesday afternoon.

Van Emberg performed nicely on the mound against the Irish and held the opposition to single runs in the first and seventh frames. The Dimondmen tallied once in the opening canto and forged ahead with the winning markers in the seventh.

Van Emberg and Cole contributed a pair of bingles each, while Turner and Duff connected at timely moments.

Carhart hurled for seven frames against Gloucester allowing nine hits and four tallies during his tenure. Baker, who relieved him in the eighth, allowed no hits and walked two.

Palmyra started briskly against Irvin, starting enemy twirler and pursued him off the mound in the third with one down. Makin, the relief had better luck.

Kemmerle poked out a single to start things off and McDermott walked. Cole advanced both runners on a neat sacrifice and Turner contributed a rollicking double.

More in Third

McDermott contributed to Irvin's downfall in the third by opening the frame with a one-baser. Cole came through with a single and Turner sacrificed. Karitis cracked one safely to admit both runners. At this juncture Irvin retired to patrol the centerfield beat.

Single markers for the Red and White in the fifth and sixth were without particular incident.

Each of the four pitchers walked a pair of hitters, while Gloucester each struck out two. Carhart and Baker fanned an equal number, four.

Cole had a perfect day at the plate, getting two for two. McDermott got two out of three and Karitis did likewise.

MEMORIAL DAY PROGRAM HERE

Exercises Planned by Local Post of Legion; Parade Ends at Memorial Park

The Memorial Day program in this section is being arranged by a committee of members of Post Frederick M. Rodgers, 156, American Legion, headed by Palmer L. Adams.

As usual, the principal event of the day will be the parade and exercises, the parade will then go up this year the marching units will form in front of the Legion Home, Palmyra, marching on Cinnaminson avenue to Morgan cemetery, where flowers will be placed on the graves of war veterans and a brief program given. Following this, the procession will counter-march to Methodist cemetery, Palmyra, and a similar program will be conducted.

In accordance with the usual custom of alternating between Riverton and Palmyra for the final exercises, the parade will then go up Broad street and out Main to Memorial Park, where the exercises will be concluded.

Starts at 1 o'clock

The parade will start at one o'clock from the Legion Home with the following organizations in line: Marshal and Aides, G.A.R. Veterans and Widows of G.A.R. Veterans, Gold Star Mothers and Fathers or next kin.

Mayor and Members of Council of Palmyra and Riverton. Officiating Clergymen. School Boards of Palmyra and Riverton.

Co. K 114th Infantry of N. J. Palmyra Drum and Bugle Corps. Post Rodgers.

Field Day At Cinnaminson

Cinnaminson School will hold its Field Day next Monday, May 29. Exhibitions of physical education through the grades will be given by the children, each grade taking part. There will be May Poles, games, dances, and various other stunts, beginning at 8:00 o'clock.

A picnic supper is scheduled immediately following the children's part of the program. There will be "hot dog" sandwiches, potato salad, ice cream, cake and beverages for sale for those who do not care to pack their suppers. The P.T.A. will have charge of the refreshment stand, with Mrs. Wood, as chairman of arrangements. Plenty of tables and benches will be available.

After supper there will be the usual father and son baseball game. School buses will run at 2:30, and will pick up parents and friends as well as the children.

The school grounds make an ideal spot for a picnic of this sort, and everyone interested is cordially invited to attend.

The dessert bridge held at Mrs. Warrick's last Thursday to benefit the County Incubator Fund was a pleasant affair. Tables set in a beautiful garden added much to everyone's enjoyment. Final reports on the amount to be turned over to the Fund are not in as yet.

DREER INVITATIONS

Invitations have been issued by Henry A. Dreer, Inc., to visit their nurseries at Riverton, New Jersey, on Saturday, June 10, or Sunday, June 11, to view their rose display. The gardens will be open from 10 a.m. to 6 p.m. (D.B.T.).

Refreshments will be sold by the Ladies of the John B. Deaver Auxiliary for the benefit of the Lankenau Hospital.

This DECORATION DAY

WE HONOR THOSE WHO DIED TO DEFEND A NOBLE CAUSE

The man who fights and dies for a cause which, in his own mind, is right . . . he has died a valorous death. For he has defended his beliefs in the hope that they might continue. We honor these men next Tuesday. They are men who make great nations.

RIVERTON AUXILIARY OF ZURBRUGG HOSPITAL PLANS ANNUAL MEETING

The annual meeting of the Riverton Auxiliary of the Zurbrugg Memorial Hospital will be held on Thursday, June 1st, at the Nurses' Home of the hospital, at three o'clock.

The members of the Riverton Auxiliary are cordially invited to inspect the new nurses' home and to stay for tea after the meeting. This attractive building is a great improvement to the excellent facilities of the Zurbrugg Hospital.

Mrs. Henry L. Randall, auxiliary president, will gladly arrange for transportation, if notified by May 30th. Phone Riverton 287.

The membership committee is collecting the annual dues of fifty cents and is anxious to procure new members also. Please contact Mrs. Thomas A. Cahlin, chairman. The auxiliary has presented a microscope to the hospital within the past year.

LESTER H. CLEE HERE JUNE 9

On Friday evening, June 9th, an unusual opportunity is offered the people of Palmyra and neighboring cities to hear Dr. Lester H. Clee, on the very timely and important subject of the proposed race track amendment, which comes before the voters of this State at the special election on June 20th.

The local Ministerial Committee, under its Chairman, Rev. William A. Boyd and several of the leading citizens of Palmyra, including Walter D. Lamon and Christopher N. Peditto have engaged the Palmyra High School Auditorium for the evening to accommodate the large number of people expected.

For many years Dr. Clee has been the leader of the fight against the race track interests in this state. He is bringing this question direct to every citizen in the state who is willing to give twenty minutes of their time to hear him speak. It is an opportunity that every thoughtful citizen in this locality should not miss.

IN GRADUATING CLASS Chief William Gootee, of Riverton, will be one of the members of the graduating class of the South Jersey Police School when final exercises are held at Oaklyn, on Monday, June 5.

Certificates will be awarded to members of the class which comprise officers from many communities in this vicinity.

NEW HOME

Daniel M. Clifton, Riverton building inspector recently issued a permit for the construction of a dwelling on the southeast corner of Elm terrace and Midway.

The residence, which is estimated to cost approximately \$12,500 is being erected for T. B. Haywood, of Delaware.

E. RIVERTON MAN KILLED IN CRASH

Samuel T. Pile, of 11 Kern street, East Riverton, met death on River road, near Riverside, on Sunday morning shortly after he had left his home bound for a fishing trip.

The car driven by the deceased was hit by another machine driven by Vincent Berthoud, Riverside, and Pile was thrown clear to land against a concrete abutment.

He was rushed to the Zurbrugg Memorial Hospital, Riverside, but was found to be dead upon arrival. Coroner John M. Swartz, of Palmyra, said that Pile had a fractured skull and internal injuries.

The driver of the other machine was arrested on a technical charge of manslaughter and given a hearing before Judge Hendrickson on Monday.

MANY NOVELTIES AT HOME FETE

Affair Will Be Held This Friday Afternoon; Gala Occasion

Fete Day at the Cinnaminson Home for Convalescent Women, on Riverton road, this Friday, offers an array of attractions as gala as any in former years.

One of the features sure to be popular with everyone who attends is the superb program of talking motion pictures to be shown in the interim between supper and dancing at the Riverton Country Club, which starts at nine o'clock.

Five reels of entertaining "movies," including travelogues, comedy and science, have been obtained through the kindness of Mr. Simon Myers, of Moorestown.

Mrs. James Davis, of Moorestown, general chairman of the fete, has announced that owing to the fact a magician of considerable reputation has been deleted from the program.

Booths

Attractive booths will be arranged by Mrs. Murray Boyer, of Riverton, on the grounds of the Home for the sale of home-made cake and candies. Mrs. Harry F. Jones, of Riverton, and Mrs. Lloyd Heulings, of Moorestown, will have charge of the candy, and Mrs. Nathan Lane, Jr., and Mrs. William D. Lippincott, the cake.

Mr. and Mrs. Lester Rexon, of Moorestown, have consented to give an exhibition in archery on the Cinnaminson Home grounds as another extra feature, and there will be opportunity for fete-goers to try their skill for a nominal charge. Mrs. B. Emlen Stokes, of Moorestown, is chairman of the amusement committee.

Supper

As usual, hot suppers and platter suppers will be served from 5 to 7:30 o'clock. The committee includes Miss Helen Woolman, of Riverton, chairman, Mrs. Ward Dix Kerlin, of Moorestown, and Mrs. Richard D. Barclay, of Riverton. Tickets may be obtained from Mrs. Joseph Morgan, Riverton 1030.

The proceeds from the annual fete are to be used for remodeling the kitchen at the home.

Come and have a lot of fun! I—tell you—sports for everyone. N—of a minute dull or slow. N—o one bored, all faces glow. A—rchery contests, real clump too M—akes dandy arrows, firm and true I—ndoor Mr. Myers with movies N—a dance that night, real music S—upper served, both cold and hot. Rummage Sale

The Riverton-Cinnaminson Welfare Association will hold an all-day clothesline rummage sale in the rear of The New Era building, 609 Main street, Riverton, today (Thursday).

Mrs. Gilbert Coe, chairman of the committee, in charge of the affair reports that an unusual selection will be available for prospective buyers.

In case of rain the sale will be held on Friday of this week.

The new tree that was planted at the Spring Garden Street School, Palmyra, is coming along nicely.

LEGION AWARDS WILL BE MADE

Riverton School Board Accepts Offer of Local Post American Legion

At a meeting of the Riverton Board of Education held on Monday night of this week it was unanimously voted to accept the offer of Post Frederick M. Rodgers, American Legion, of an award to the boy and girl in the graduating class who, in the opinion of the faculty, was outstanding in a number of qualifications named by the Legion.

The awards will be presented at the closing exercises in June.

Coal Bids

There were three bidders on the matter of furnishing coal for the next school year, the quantity being 100 tons, more or less, of No. 1 buckwheat. The proposals were as follows: J. T. Evans Co., \$5.50 per ton; J. B. Collins & Son, \$6.50 per ton. The bids were received and referred to the supply committee for a report at the June meeting.

A survey of painting needs has been made by the property committee, headed by Richard M. Woodward. He reported that the work required was far more than the janitors could handle during the summer months and asked that approval be given to advertise for bids on the work that could not be taken care of by the regular force. This was granted by a unanimous vote.

Dr. J. Rowland Dey and A. C. Farrow also presented recommendations that certain equipment and supplies be purchased. Bids will be taken on the various items which cover a wide range.

The board voted to accept the invitation of Post Rodgers to participate in the Memorial Day exercises.

Trooper Nabs Robber Suspect

State trooper John Magee, of the Bridgeboro barracks, made a most important capture last week when he took James Stafford into custody on Route 38 near Moorestown. The culprit aroused suspicion when the trooper observed him driving a car slowly near a gas station.

Stafford, who was armed when apprehended has an unsavory record and did a prison term for robbery several years ago.

Following his arrest, police went to his home in Philadelphia where a quantity of jewelry and a number of pawn tickets were found.

Police suspect him of being involved in a series of house robberies that have been committed recently in this section, including two in Riverton and Cinnaminson.

When arraigned before Judge Hendrickson, Stafford pleaded non vult and sentence was suspended pending further investigation.

Cake Sale

The Riverton Fire Company will hold a cake sale all day Saturday of this week in front of the Main Street Market.

Proceeds will be added to the uniform fund and the cooperation of all residents is earnestly solicited.

EARLE HARDER ROTARY SPEAKER

Local Electrical Contractor
Discusses Many New
Developments

Palmyra-Riverton Rotarians had a glimpse into the role electricity will play in the future, as they listened to the very interesting talk by Earle B. Harder, who holds the classification of electrical contracting in the club. Mr. Harder spoke after Past President Joseph S. Low had ably introduced Mr. Laurence Reinicker into membership. Mr. Reinicker who was a friend and business associate of Past President Eugene Hargett for 17 years, assumed the classification of municipal water service.

Mr. Harder, among other examples, mentioned the new silent type switches now on the market, and demonstrated a photo electric switch. With this instrument you can open your garage doors simply by driving your car up to them in such a way as to intercept a small beam of light. As the ray is broken, it trips a switch, which automatically starts a motor that opens your garage doors and lights your way from the garage to house.

New Lamp

Another interesting exhibit was that of the new fluorescent lamp. Mr. Harder compared it with the usual filament type 40-W bulb, but a vast difference was noticeable, even to the casual observer; not only did the fluorescent lamp throw a light which was brighter and quite similar to daylight, but consumed only 20-W in so doing. Its life is about twice that of the old type globe, and in addition, it has no wires of any kind and generates practically no heat.

Mr. Harder closed his talk by explaining the safety rules set up in the National Electrical Code, and how it is applied locally. He told the club members that the electrical contractors in Burlington county have formed an organization called the Electric League of Burlington County, which meets monthly with officers of both the Public Service and the Middle Department Fire Rating Association of Philadelphia to discuss any problems which confront the members in their every day work. Mr. Harder's talk was a very excellent illustration of the fact that a man who knows his business fully can present it to a group in a highly interesting manner.

The club was saddened as President Mayfield spoke of the passing of Clinton B. Woolston, long a valued member of its roster.

Munich, Germany, owes its foundation and even its name to a monastery.

PALMYRA SCHOOL NOTES

An upside-down shorthand test was received with enthusiasm by the students in one of Lawrence E. Bretsch's classes a few weeks ago. The Gregg Publishing Company found the test so interesting that they published it, together with a letter from Mr. Bretsch, in the May issue of the "Business Education World" a magazine for commercial teachers.

Home room 209 will have a party May 27 at the home of William Mathews. Donah. Fox is in charge of the entertainment.

The fifth grades in the Cinnaminson street building were taken on an imaginary trip to South America and the Canal Zone by Mrs. Harold Jaynes, who showed a collection of ancient Indian pottery, beads, and laces.

Three girls from the Drama club, Elizabeth Faunce, Louise Moorhouse, and Ruth Black, presented the play, "The Purple Door Knob," at a luncheon meeting of the University of Michigan Women, held Saturday, May 20, at the Art Alliance in Philadelphia.

It was unlawful to serve a meal of more than two courses in fourteenth century England.

ATHLETICS TRIM FORTNUM TEAM

In a well played softball league game last Thursday night at Memorial Park, the hustling Athletics took the Fortnum V-8 aggregation into camp by an 8-7 count.

The affair was closely contested from beginning to end with the eventual winners pushing over the deciding marker in the ninth frame.

Haines pitched effectively for the A's. In the other encounter of the evening, the Cubs pulled something in the nature of a mild upset by earning the decision over Parry. Dietz was on the mound for the victors and did a nice job. The score was 8-7.

The flower beds in the various Palmyra parks were planted this week under the supervision of Chief C. Morris Beck.

Don't take a chance on EVERGREENS BUY ONLY HOME-GROWN NEW JERSEY STOCK

These are the few remaining spring weeks when evergreens are safely transplanted.

So jump into your car and drive out to your community nurseryman—member of the New Jersey Association of Nurserymen. Look over his evergreen plantings, healthy stock that evidences at a glance its vigorous pedigree—evergreens that are adapted to New Jersey's soils and climate—in shapes, sizes and colors to fit any garden plan. So much more sensible, isn't it, than to take a chance on stock of unknown origin peddled by fly-by-nights, dried out and weakened by lack of nourishment during days "out of ground"?

Whether you buy a single tree or a dozen, you'll find your New Jersey Nurseryman eager to aid you. For, beyond growing and selling, you'll find him interested in the beauty of the community in which you both live.

Buy from your community nurseryman displaying this emblem. He guarantees your complete satisfaction, with his nursery grown stock and planting service.

Westfield Friends' School

The final weeks of every School year are always crowded with new and unfinished projects. Although Westfield Friends' School does not close until Friday, June 9, we are busy with various events.

On Monday, May 15, the upper classes went to Haddonfield Friends' School to visit. We arrived in time for luncheon and were entertained in the afternoon with two plays and sports. One play was given by the children of the school and the other—a Puppet Show—was given by the Philadelphia Dairy Council. The words of several children—"We had neat fun"—quite expressed the feeling everyone had after such a delightful afternoon.

The Spring Pageant is also taking our time and interest. The Pageant is to be given June 1st at five-thirty o'clock on the outdoor stage to the right of the Meeting House. At the conclusion of this part of the program a hot supper will be served and the annual Fair will be in progress immediately following the pageant and continuing throughout the evening.

The Westfield Scroll which will be ready for circulation on the afternoon of June 1st is assembled and is being published by the sixth grade. The magazine is full of choice articles and stories written by the children and should give its readers a clear idea of what children can do and are doing.

CHRISTIAN SCIENCE CHURCH

"Ancient and Modern Necromancy alias Mesmerism and Hypnotism, Denounced" is the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday.

The Golden Text is: "Mind hand shall be upon the prophets that see vanity, and that divine lies: . . . and ye shall know that I am the Lord God." (Ezekiel 13: 9).

Among the citations which comprise the lesson-sermon is the following from the Bible: "I would seek unto God, and unto God would I commit my cause: Which doeth great things and unsearchable; marvellous things without number." (Job 5: 8, 9).

The lesson-sermon also includes

Wesleyan Men's Bible Class

For the Men of the Community

Sir Walter Scott, the distinguished author, when dying said "Bring me the Book." "What book," asked his son-in-law. "The Book," Sir Walter said, "the Bible, there is but One."

Such is the supremacy of the Bible in the World's literature. There is no book so nourishing and inspirational as the Bible. In one's pilgrimage through life, with its mysteries, the Bible is our safest guide. As the Psalmist said "Thy Word is a lamp unto my feet and a light unto my path."

In our Class the Bible is the center of our thought, its precepts honored. But it is the "Word of God" without doubt or question, enriching in wisdom in its revealing of life and destiny. Be one with us next Sunday at 9.50 as we open the Book of Books and listen to its interpretations.

the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In a world of sin and sensuality hastening to a greater development of power, it is wise earnestly to consider whether it is the human mind or the divine Mind which is influencing one. Science only can explain the incredible good and evil elements now coming to the surface. Mortals must find refuge in Truth in order to escape the error of these latter days" (pp. 82, 83).

Ward; selection, Columbus Cadets; address, Isador S. Worth, Burlington County Commander American Legion; benediction, Rev. John F. Welsh; song, "Star Spangled Banner," assemblage.

Charles A. King, Post Commander will be master of ceremonies and Palmer L. Adams is chairman of the Post Memorial Day Committee.

At the conclusion of the services at the Riverton Memorial Park, a ball game will take place.

Services will be held at the Central Baptist Church on Sunday

RIVERTON TAX RATE

The Riverton tax rate for this year as announced by C. Kenneth Davis, collector, is \$4.42 per \$100 of assessed valuation.

The breakdown with 1938 comparison is as follows:

The increase this year is largely caused by the increase in the county rate. The rise in the borough tax is occasioned chiefly by an error made last year in the utility valuations made by the county tax board. This resulted in a \$2000 deficiency in revenue which must be made up this year.

State School	.2912	.2931
Soldier bonus	.0223	.0199
County tax	1.0275	.6530
Library tax	.0251	.0266
District school	1.6110	1.6814
Borough	1.4429	1.2460
	\$4.42	\$3.92

RAIN CURTAINS
MONDAY GAME

Palmyra-Moorestown Tilt Ends
in 4-4 Stalemate as
Locals Pound Ball

Palmyra and Moorestown played to a 4-4 deadlock Monday afternoon on the Quaker field as a heavy down-pour swept over the field and curtailed hostilities as the fracas was in the last half of the eighth stanza. The Dimondmen hit the ball hard enough to win several games, getting eight safeties off two Moorestown hurlers, six of these being for extra bases, including a resounding triple and a two bager by Paul McDermott. Aiello and Johnson tightened up when hits meant runs, however, and Palmyra had seven stranded, four of these languishing on third.

Leonard Starts

Leonard, a promising junior south-paw member of the Palmyra hurling corps started the affair because of the preponderance of left handers in the Moorestown batting array. He went along nicely for three frames, but was hastily jettisoned in the fourth in favor of VanEmburburg. Two were aboard at the time with none out.

Moorestown started the scoring in the first, getting one on a cheap single, a sacrifice, infield out and a barefaced steal of home. They added two more in the fourth on another one bager, a damaging error and another single. The final tally came in the sixth as a result of a double and another boot by the Palmyra infield.

Wasted

Meanwhile the locals hit with gusto, but not to advantage. McDermott tripled in the first with one down, but got no further.

With one gone, Karitis doubled in the second and moved to third on a wild pitch. His next move was to don his catching equipment. In the third things looked better as Kemmerle singled and stole second. After McDermott fled out, Cole doubled to admit Kemmerle and Turner did likewise to bring in Cole. VanEmburburg singled to start the fifth, but that was all.

Duff blasted one as the sixth opened and went to third on an error by the pitcher, who mishandled Brewster's bunt. The next two batters were easy outs, but McDermott came to the rescue with a potent double.

Weather Bad

This knotted the count, but it appeared as though the effort might be wasted as heavy precipitation seemed about to arrive. The rain held off, but Moorestown proved a menace in the lower half of the frame as VanEmburburg lost control momentarily and passed two batters. The side was finally retired with-out damage and Palmyra got runners to second and third in the eighth. This demonstration was cut down by a snappy double play and as Moorestown came to bat rain came down vigorously. After an armistice was called for 15 minutes hostilities were definitely postponed until a later date.

High jump—Won by Martin, Burlington; second, Ott, Palmyra; third, Willey, Burlington. Height—5 feet, 4 inches.

Broad jump—Won by Conroy, Burlington; second, Podolak, Burlington; third, Flounoy, Palmyra. Distance—19 feet, 4 and three-quarter inches.

Mile relay—Won by Palmyra (Seemuller, Burns, Brown, Fox); second, Burlington. Time—3 minutes, 41 seconds.

SIXTH PLACE IN
GROUP 3 MEET

Palmyra, with 18 1/2 points, finished sixth in the South Jersey Group 3 track meet held last Saturday. Ten schools competed in the affair which was won by Woodbury.

The locals took only one first, this honor going to Burns, who led the field in the mile run, his time being 4 minutes 37 1/2 seconds.

Brown, of Palmyra, finished fifth in the 880 while Houser tied for second in the pole vault.

The other point winner for the Red and White was Flounoy, who took second place in the broad jump.

Daylight saving was in effect in eighteen states, six Canadian provinces and ten foreign countries last year.

SPORTS JOTTINGS

The Palmyra Burlington County League team defeated Medford 8-1 last week, at Palmyra. Zimmer, of the locals, did a nice bit of hurling during the course of the engagement.

The Palmyra Giants lost a 6-4 decision to Camden Twelfth Ward at Dudley Grange last Sunday.

Monday night games in the local softball loop were washed out by the rain.

ROTHBAUM HITS
BALL WITH GUSTO

Gets Triple with Bases Full
as Locals Earn Decision
Over Moorestown

Palmyra High won another ball game last Thursday afternoon, but the local board of strategy had a plenitude of anxious moments before Moorestown finally bowed by the count of 8-6.

The affair was played under conditions that contributed to the lethargic performance of the locals, the high wind raising clouds of dust that simulated a high powered sand storm, causing Coach Dimond to relay signals to the third base coach via radio.

Sam Rothbaum's bat was a potent factor in the win, the first sacker getting three for three, including a resounding triple with a full house aboard.

Take Lead

Moorestown inaugurated the past-timing by tabbing a brace of runs in the initial stanza. This was followed by two more in the fourth, both being of the unearned classification.

At this point the affair appeared to be well in the bag for the Quakers as the Palmyra offensive had been of a most dilatory nature, being confined to a single marker in the second.

The Red and White finally came to life in the fifth with a brisk rally which started after two were down. McDermott was safe on a fielder's choice and Cole connected for a single. Turner was hit on the ankle and Karitis stroled to force in a run.

Rothbaum, the next hitter, excursioned one into the far reaches of center field to clear the decks.

Need More

This gave the Dimondmen a one run lead with the count 5-4. As things turned out it was not enough, since the opposition got singletons in the sixth and seventh to forge ahead again.

Palmyra went to the fore again in the stretch frame when four one-basers were good for two tallies. The final run came in the eighth when Baker lashed out a triple and crossed the rubber on Cole's second hit of the afternoon.

Moorestown got a man as far as third in the ninth with only one out, but Baker whiffed the last two batters to end the affair.

Each Get Twelve

Baker allowed Moorestown 12 hits, but two of these were bunts and three more were of a disreputable character. He fanned 13 and issued only one free ticket.

Palmyra touched Regotter for the same number, but all were of the simon pure variety.

Baker's support tottered on several occasions and the shabby fielding contributed much to the Quaker scoring. He fanned the side in the fourth, but a wild leave to third allowed two runners to score.

All ended well, however, so no real damage was done.

South Jersey Amateur
The next big event in local golfing circles comes on Friday of this week when the South Jersey Amateur Tournament will be held on the local course. The event will draw the best golfers from all over this part of the state and about 20 members of the Riverton club will be entered in the competition.

Walter P. Brickley just missed joining the select circle in the sectional qualifying round of the P.G.A. on Monday of this week. The local pro had a card of 153 for the 36 holes which left him one over the 152 necessary.

Results last week in the competition for the Walter H. Lippincott Trophy:

Hackett beat Allen, 1 up.
Colwell beat Moffitt, 6 and 4.

PICKEREL SEASON
OPENED SATURDAY

Great days are ahead for New Jersey anglers with the pike and pickerel season which opened on May 20 which will relieve the pressure on trout streams and give the fly fishermen his long sought opportunity to play with the wary trout, the State Fish and Game Commission announced this week.

Later on June 15 the bass season opens to furnish further sport for enthusiastic fishermen who venture into the rural areas for excitement and pleasure. The pike and pickerel season will stay open until November 30 and after being closed for a month will re-open on January 1 for twenty days of winter fishing. The bass season closes on November 30.

The State Fish and Game Commission urged licensed anglers to take an early advantage of the pike and pickerel season pointing out that every pickerel taken before the bass season opens on June 15 will lessen the danger of large pickerel raiding the bass nests and taking more bass than probably any angler during the entire season.

Game wardens report many licensed rod and reel anglers have been catching daily bag limits of trout at favorite fishing spots since the season opened on April 15. The program of re-stocking trout at various public streams will be continued until the season closes on

Decoration Day

Originally begun as a memorial occasion to honor the dead of the Civil War May 30 is now a holiday of more far-reaching proportions, being observed in the majority of the states to pay tribute to the nation's soldier dead of many wars.

It is entirely fitting that this great country should devote the short time of a single day to honor those men who made the supreme sacrifice for their country. If it were not for them and others, fortunately, who are still alive, it can be stated with considerable certainty that this country would not be as it is today.

These honored dead are heroes and the passing of the years should not dim the appreciation of our public toward their gift to democracy.

May we continue always to observe the Day with fitting ceremony, bearing in mind the words of the immortal Lincoln who said,

"That we here highly resolve that these dead shall not have died in vain; and that this nation, under God, shall have a new birth of freedom; and that the government of the people, by the people and for the people shall not perish from the earth."

Riverton Streets

While street departments in many communities are the target for considerable unfavorable criticism, it is rare that favorable comment is directed to those who do a good job in construction and maintaining excellent highways.

For this reason, and in appreciation of a sound program, it seems only fair that the Riverton Borough Council should be accorded congratulations on the gradual, but steady improvement of streets in this community.

One only has to go to countless other municipalities in this section in order to appreciate the fine work that has been done here.

The program as adopted several years ago is not spectacular, nor does it cost the taxpayers an excessive amount of money each year. Rather, the plan involves a gradual construction of permanent paving and, at the same time, all other streets receive adequate attention. In a comparatively few years the entire borough will have streets paved with bituminous concrete that should remain in excellent condition for many years.

The plan has been carefully thought out so that a definite procedure is followed annually. Streets with the poorest surface are given successive treatments so that when the time comes for permanent paving, these thoroughfares are ready for the ameisite or whatever material may be used. Highways which are more heavily used naturally reach ultimate treatment first, with others following in regular succession.

Those who devised the program and those who are continuing the work are to be congratulated.

What Other Editors Say

DIRECT RELIEF PROBABLY BEST

After all the fuss and flummypoodle many of us stubborn reactionaries believe that if depression alms had been given out only in the form of direct relief, instead of camouflaged under fancy and expensive other names, the cost in dollars would have been far less, the actual relief rendered far greater and recovery speeded instead of retarded. After all is said and done to date not an inch of progress toward solution of the problem has been made.—Fairmont, Minn., Daily Sentinel.

In 1936, the last year in which an authoritative study was made, the cost of government (national, state and local) was \$10 more per person in the United States than was the cost of all types of government in Great Britain.—Sunday Oregonian.

John Lewis says that he expects trouble in Harlan county, Kentucky. It would appear more fitting if, instead of making a firebrand statement of this nature that he issue one calling upon the miners to abstain from violence.

In All Fairness

In all fairness, public ownership projects should pay taxes on the same basis as private utilities and submit to the same kind of regulation and accounting practices. Otherwise, their "cheapness" is a fallacy.—Meriden, Conn., Record.

Of every dollar spent in America today, 22 cents is paid out for taxes and approximately 10 of these 22 cents are paid into the federal coffers. In the four years between 1925 and 1929 only 12 cents of each dollar went to the tax collectors. In 1937, it is estimated that 17.7 cents in each dollar was paid in taxes, and in 1938, 22 cents.

The pavement on Elm Terrace is receiving the consideration of Riverton Borough Council, and deservedly so. Not long ago the street was paved with bituminous concrete from Broad to Seventh. At the present time there are seven locations where this pavement has been dug up and improperly replaced, thus destroying the otherwise smooth surface.

Council is deliberating upon a method whereby contractors or others who dig up a street, shall restore the surface to its original condition.

There are persistent rumors that there will be a number of surprises when the various candidates for county offices at the primary election announce themselves.

COUNTY COUNCIL NAMES OFFICERS

Mrs. Richard Burtis, of Mount Holly, was elected chairman of the Burlington County Council, Parent-Teacher Association, at the annual spring meeting held recently in the Regional High School, Mt. Holly. Several members of local associations attended.

Other officers elected include Mrs. Harold Van Sant, of Marlton, secretary; Mrs. H. S. Frazer, of Medford, corresponding secretary; Mrs. Harvey Buzby, of Rancocas, treasurer.

The following vice chairmen were named: Borden district, Mrs. Max Kessler; Burlington district, Mrs. Frank Brotherton; Eastern district, Mrs. Clifton Mayfield, of Riverton; Moorestown district, Dr. Elizabeth Ford Love; Mount Holly district, Mrs. Roger Pennock, of Lumberton; Riverfront district, Mrs. William Wells, of Delanco; southern district, Mrs. Theron Foote, of Birmingham; Western district, Mrs. C. J. Erickson, of Moorestown. The officers were installed by Mrs. Herman Krupnick, of Mount Holly, a past officer of the council.

During the all-day meeting, a report was made by Mrs. Winfield Crossley, of Moorestown, chairman of the financial campaign to provide baby incubators for county hospitals. So far \$284 has been raised of the \$1,200 needed, she said.

BIG RUSH FOR TOMATO PLANTS

The South side of Broad street, Riverton, has presented a very busy appearance of late, due to the arrival of southern tomato plants in large quantities.

On Monday of this week, seven cars were spotted on the Thomas avenue siding and scores of trucks were lined up to await their turn at the delivery doors.

The planters come from a considerable distance here to obtain the plants as was evidenced by the points of origin displayed on the numerous commercial vehicles.

YMCA BRIEFS

To Consider Camping Matters

The May meeting of the County Y.M.C.A. Board was held at Camp Ockanickon with a dinner at 7:00 o'clock. Prior to the dinner the members made an inspection of the camp property.

Irving Hollingshead, chairman of the camp promotion committee of the county "Y" board, and Clement A. Duran, new executive director of Camp Ockanickon, presented plans for the participation of board members in a camp enrollment campaign. Dr. Duran also acquainted the board with plans of the camp trustees for the 1939 camping season.

Hendry to Attend Conference

The triennial conference of the Association of Y.M.C.A. Secretaries of the United States and Canada will be held at the Royal York Hotel, Toronto, the week of May 29 - June 3. Secretary Guy C. Hendry, who is

president of the New Jersey Association of "Y" Secretaries, will attend.

In connection with this conference there will be sessions of the National Association of Town and Country Secretaries, to which all county secretaries of America and Canada belong. The national president of this association is Edmund R. Tomb, a member of the New Jersey State Y.M.C.A. staff, and a frequent visitor to Burlington county on Y.M.C.A. matters.

BIRTHS

Mr. and Mrs. John Marshall, of West Charles street, are receiving congratulations on the birth of a son at the Women's Hospital, Philadelphia.

Mr. and Mrs. Millard Wallace, of Garfield avenue, are receiving congratulations on the birth of a son at the Zurburg Memorial Hospital. Mrs. Wallace was formerly Miss Florence Feldman, of Palmyra.

NO LEGION AWARD AT CINNAMINSON

Board of Education Feels Method Used Includes Too Wide Scope

The Cinnaminson Board of Education again rejected the offer of the local American Legion to make awards to outstanding graduates, at a recent meeting. A letter extending the offer from A. H. Lippincott, chairman of the Americanism committee, was read by the clerk.

The board instructed the clerk to write Mr. Lippincott stating that it was decidedly in favor of encouraging Americanism in the school but felt that the method and qualifications for the award were too broad in their scope. They suggested that the graduates be given an assignment to write an essay on Americanism and make the award on the basis of the best essay.

Coal Bid Awarded

The bid for coal for the school year 1939-40 was awarded to E. B. Williams on his low bid of \$6.97 per ton on 100 tons of pea coal with the privilege of ordering an additional 25 tons at the same price if needed.

Bids for janitor's supplies to the Hoffman Co. amounting to \$200.54 less 3 per cent and for school supplies to the Milton-Bradley Co. amounting to \$426 were awarded by the board at the same meeting.

Delegates

Mrs. James M. Davidson and Mrs. Mildred Magowan were appointed as delegates to represent the Cinnaminson Board at a meeting of the State Federation of Boards of Education to be held at the Stacy-Trent Hotel in Trenton on June 2, 1939.

Mrs. Magowan announced that the closing exercises for school No. 2 will be held on June 13th and for school No. 4 on June 14th. May day, she announced, will be held on May 29th.

Mrs. Young of school No. 4 was given permission to take 30 or more pupils on a trip to the New York World's Fair, expenses to be borne by the students.

MRS. J. P. ABELL P.T.A. LEADER

The annual report of Mrs. Charles H. Yost, president of the Riverton Parent Teacher Association, continued from The New Era of last week, follows:

The Christmas Party was given to the school children on December 22.

The Christmas stocking committee delivered 558 Christmas stockings to the boys at the Four Mile Colony.

On January 16th we had an evening meeting. Dr. Wilbur Saunders, headmaster at Peddy Institute, was the principal speaker.

On January 19th, Mrs. E. M. Carhart, Mrs. A. B. Garwood, and your President attended the County Council at Moorestown.

The Talent Day food sale was a great success. On March 20th the children's work was on exhibition, and received much praise. The auditorium was filled for the meeting, with John Werner in charge. A play was written and presented by the Hon. Frank A. Matthews.

District Meeting

On April 10th your president was chairman of the Riverfront District meeting held in the Riverton School auditorium.

On April 12 the annual luncheon and bridge was held at the Porch Club.

The second child study group was held on April 17, under the guidance of Mrs. R. G. Adams. The Dionne Quintuplet movie was shown, and the speaker was Mrs. P. B. Davis from Rutgers.

On May 10th the County Council was held at Mount Holly. Mrs. John Abell and Mrs. Charles Stewart represented Riverton.

On May 15th the third child study group was led by Mrs. R. G. Adams, and at the regular meeting Miss Eloise Bryan, Burlington County Helping Teacher was guest speaker.

June 6th will be Field Day, when

the usual supper will be served, and it is hoped the day will be a greater success than ever. The Riverton P.T.A. has 142 members. Up to date, we have given 1237 bottles of free milk.

Committee Work

The hospitality committee served delicious refreshments and the music committee furnished music at all meetings, while the decoration committee provided the plants and decorated the Christmas Tree. The publicity committee has prepared advance notices of all meetings, study groups and county councils and writeups of all P.T.A. events.

The "Summer Round-Up" committee has spent many hours calling on families with pre-school children, urging them to have their children given complete physical examinations.

The Publication Chairman has gotten more than our quota of subscriptions and is preparing a Publications Book for future reference.

The local life membership chairman has contacted the members on all occasions, extending invitations to them to attend our programs. The historian has compiled a very authentic history of the Riverton Association, which is the oldest P.T.A. in the state.

To Miss Staman and all the teachers, the school children, room-mothers, members of the executive board, and friends, we owe a great debt of gratitude for their splendid co-operation at all times, in assisting with many programs, and perfect attendance at all meetings. Without their assistance the P.T.A. could not have carried on.

Respectfully submitted,

GRACE M. YOST, President.
Immediately after the installation ceremony, the incoming president presented Mrs. Yost with a P.T.A. president's pin.

Monday Meeting

Entertainment during Monday's meeting was furnished by Mrs. C. V. Devery and three of her piano pupils. Stanley Gilbert and Cy Devery played two duets, and Mrs. Devery and Barbara Borger played. The music was very much enjoyed by all present.

The guest speaker for the afternoon was Miss Eloise Bryan, Burlington County Helping Teacher,

who spoke on "Home and School Problems."

At 2:30 on Monday afternoon a child study group was conducted, under the leadership of Mrs. Robert G. Adams. The topic was "character building," and Mrs. Adams skillfully guided the audience in an open discussion, which followed many interesting channels of thought.

OBITUARIES

RUDOLPH WOIDLILL

Stricken with a heart attack while practicing for a ball game at Eder Field, May 14, Rudolph Woidlill, 50, of 435 North Vermont avenue, Atlantic City, died on the way to the hospital.

The deceased who had lived in Atlantic City for 17 years, was employed by the N. J. Bell Telephone Company during the entire period. Prior to going to Atlantic City he had been engaged in the same capacity in Philadelphia, formerly residing in Riverton.

A widower, Mr. Woidlill is survived by a son, Rudolph, Jr., 18; two daughters, Marie, 20, and Doris, 12; his father, Julius; a sister, Mrs. Pauline Hall and two brothers, Walter, of Manheim, Pa., and Julius, Jr., of Glassboro.

The funeral was held Thursday afternoon of last week at 2 o'clock at the Wimberg funeral home, 400 Liverpool avenue, Egg Harbor City, the Rev. Charles E. String, pastor of St. Johns Reformed Church, officiating. Interment was made in Egg Harbor cemetery.

IRVING A. COLLINS

Irving A. Collins, 66, South Jersey and Miami Beach, Fla., banker and real estate operator, died of a stroke Tuesday at his home, 721 Chester avenue, Moorestown.

Mr. Collins was president of the Riverside Trust Co., a director of the Burlington County Trust Co., and a director of the First National Bank of Miami Beach. He was an officer of the Miami Beach Improvement Co. and the Miami Beach Bay Shore Co.

He was born in Moorestown and became interested in Florida real estate more than 25 years ago. Since that time he divided his time between here and Florida.

Mr. Collins was a 32nd degree Mason, being a member of the Masonic lodge, Moorestown, as well as of the Philadelphia Union League, Pine Valley Club and the Moorestown Field Club.

He is survived by his widow, Beatrice, three daughters and a son, five grandchildren, and a brother and sister. His children are John S. Collins and Mrs. Vincent G. Bush, Moorestown; Mrs. Frank Dunlevy, Poughkeepsie, N. Y., and Mrs. Boyd Kinsey, Montreal. His other survivors are Lester Collins, fruit grower here, and Mrs. Thomas J. Pancoast, Miami Beach. John S. Collins is head of a lumber firm in Moorestown.

Funeral services were held Wednesday.

BRENDA MAE FISHER

Brenda Mae Fisher, infant daughter of Charles and Charlotte Lees Fisher, of 817 Washington avenue, died on Saturday, May 20.

Funeral services were held on Tuesday at 11 a.m. from the Snover Funeral Home, Rev. Frank Ulrich, of Philadelphia, officiating.

Interment was made in Arlington Cemetery, Merchantville.

JOHN READ

John Read died at the home of his daughter, Mrs. Charles Seemuller, 1 Fourth street, on Friday, May 19. He was the husband of the late Margaret Seemuller and formerly lived on Cinnaminson avenue, Palmyra.

BETHANY EVANGELICAL LUTHERAN CHURCH

Rev. Oliver W. Powers, Pastor
Sunday is the Festival of Pentecost, Whitsunday. It is the last of three great festivals of equal rank, Christmas and Easter being the other two. It commemorates the Descent of the Promised Comforter, God the Holy Ghost.

At the chief service, 11 a.m., there will be communion and sermon. The pastor, the Rev. Oliver W. Powers, will preach on the subject "Arise, Let Us Go Forward." An interesting feature of the service will be the confirmation of the following young catechumens: Jean Grassie, Robert Hays, Warren Jensen, Emma Knight, Betty Roben, Elmer Stocker, Frank Weigand. Special music by the choir, under the direction of Mr. Lee Milton, will include Gounod's "Send Out Thy Light."

Sunday School is at 10.00 a.m. The lesson in most departments is "Paul Pleads His Own Case." Mr. James H. Ingram, Superintendent, announced last Sunday that the School is making a steady increase in enrollment.

MORAVIAN CHURCH

Abert J. Harke, Pastor
Palmyra
Services for Whitsunday, May 28, 10.45 a.m. Morning services with liturgy for Whitsunday and sermon: "The Fullness of the Holy Spirit." What does it mean to be filled with the Holy Spirit? Let the bible answer this question for us. The Whitsunday Holy Communion service will follow the sermon.

7.30 p.m. A service extraordinary has been arranged for this hour combining the young people's meeting and evening service. The pastor will preside and lead in a short song and devotional service. The feature will be the sermon in the form of a "Chalk Talk" by Mr. Fred Cowell, of Camden, N. J. Mr. Cowell has consecrated this talent to the Lord's service and uses it effectively to preach the Gospel in a wonderful way. We invite everyone to come and bring your friends.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor
Bible School 10.00 a.m.—That the importance of such training as one receives in a school of this kind, is vital to the future stability of any nation is shown in the pages of history. Many statesmen who have served our country in times of need have received their impetus and inspiration through early training in a bible school. By this type of leadership we can hope to bring our country back to a healthy condition. Too great a stress cannot be placed on the importance of attending this hour of spiritual training for every age. Parents, bring your children. Children, bring your parents.

Morning worship, 11.15 a.m.—The pastor will have as the subject of the morning service "A Personal Experience." "This Is the Day" will be rendered by the choir, to be followed by a soprano solo by Mrs. J. W. Van Horn.

B.Y.P.U. 7.00 p.m.—The young people of high school age will meet in the Sunday School room at this hour when they will be addressed by Dr. P. Conner Hulce. A very interesting meeting is being planned, so young folks be on hand.

Evening worship, 7.45 p.m.—Post Frederick M. Rodgers No. 156, American Legion will be guests at the evening service. This has been the annual Memorial Service of the Post Rodgers since its organization. Frederick M. Rodgers having been a member of "Central Baptist." Pastor Lockett has prepared a special sermon for the occasion on "The Price of Liberty." The choir has also arranged an appropriate musical program and will render the anthems, "Recessional" under the direction of J. Russell Jermon.

A quartette will sing in a special arrangement "Lead Kindly Light." Mrs. J. W. Van Horn, soprano; Mrs. George Mack, alto; Edward Hoyt, tenor, and J. Russell Jermon, baritone. Members are urged to come out and enter into the service and welcome the visiting Legionnaires.

BOY SCOUT NEWS

Boy Scouts in Burlington County are getting their uniforms and equipment checked over for Summer Scouting events. The Scout Troops will assist in their communities throughout the county in Memorial Day events.

Camporees

The camp equipment is getting the final going over and polish for the Council Camporee that will be held on June 16 and 17th. at Strawbridge Park in Moorestown. One patrol from each troop in the Council will take part. On this weekend there will be about one hundred and fifty Boy Scouts under canvas doing good camp housekeeping.

Camp Mahalala

Plans are being made for a big season at Camp Mahalala this summer. Camp will open on Sunday afternoon, July 9th, for a four weeks period.

FESTIVE EVENTS AT FRIENDS SCHOOL

On Thursday, June 1, Westfield Friends' School will present a program of festivities. The program will begin at 5.30 p.m. with a pageant entitled "The Sleeping Princess," in which the children of all grades will take part. At 6.30 a hot supper will be served out of doors to be followed by a father and son baseball game, movies for children, and a gala "fair."

The attractions at the fair will include a fishing pond, automobile rides in a small gasoline auto and several booths where candy, cake, flowers and gadgets may be had. Supper tickets—adults, 50 cents; children, 35 cents.

HONOR STUDENTS IN SENIOR CLASS

"Our Place in the World of Tomorrow" has been chosen as the subject for the commencement exercises. This topic will be divided in the following way: "In Drama," by Carolyn Bauer and "In Music," by Martha Bradway, who were chosen by the honor graduates; "In Education" by Marjorie Nace and "In Medicine" by Ethel Philo who were chosen by the class; and "In Government" by Walter Snover.

LEGION POPPY SALE ON FRIDAY

The Frederick M. Rodgers Post No. 156, American Legion, has received the poppies which will be distributed by the members in a house to house canvas on Friday, May 26. George M. Durgin is chairman of the committee in charge of the distribution.

The poppies are made of crepe paper in exact replica of the wild poppies of France which grew along the World War battle front. These poppies are made by disabled veterans in the various hospitals and convalescent workrooms. Not only are these men able to make small sums of money for needy dependents in this way, but by relieving them of long hours of idleness in government hospitals they are helped along the road to recovery.

All the funds received from the sale of these poppies are used in the welfare work of the American Legion. Last year more than 250,000 needy children of the World War veterans were aided as the result of Poppy Day.

When a Legionnaire calls on you Friday evening, May 26, with a poppy, remember that it is to be worn not only as a tribute to the World War dead but to aid a disabled buddy still living.

and "In the Industrial World" by William Evald who were chosen by the Executive committee.

Among those in the class to graduate the evening of June 15, there will be twenty-one honor graduates. To become an honor graduate one must be in the upper tenth of the class. They are as follows: Carolyn Bauer, Ruth Baker, Thomas Bradock, Martha Bradway, Edith Davis, Dorothy Ely, Elizabeth Faunce, June Hires, Virginia Howe, Robert Kelly, Frances Leyahon, Elizabeth Lippincott, Martha Martin, Betty Mullen,

NO GAMES ON TUESDAY NIGHT

Although the schedule provides that postponed games shall be played on Tuesday, only one team, Fortnum, had a full cast on that evening of this week to get off the tilts that were called off on account of Monday's rain.

Neither Broadway or Parry had sufficient men to take the field while Fortnum's opponents, Sigma Kappa, were also deficient.

The V-8 outfit started to play a pick-up team, but this fizzled out and the county loop contest failed to get underway because Burlington failed to appear.

All in all a very discouraging evening for the fans who turned out in fair numbers. About forty players were in evidence, but there were no games.

Thursday

The Kaceys face the Cubs this (Thursday) evening and the other tilt is between the A's and Dawley Olds. This should be one of the features of the season.

ABOUT TOWN

A number of delegates from the local O.E.S. attended the annual convention in Asbury Park last Thursday. Among those attending from Palmyra and Riverton were: Mrs. Anna Friday, Charles Seemiller, Mrs. Minetta Bowker, Mrs. Leslie Reeves, Mrs. Fannie Reeves, Mrs. Roland Price, Mr. and Mrs. Alfred Branson, Mrs. Elizabeth Hemingway, Mrs. Hilton Smith, Mrs. Vee-der Weller, Miss Adeline Seel, Mrs. C. W. Rudolph, Mrs. George Erickson, Mrs. Edward Hoyt, Mrs. David Christie, Miss Virginia Seel.

Mrs. Emma Blaser and daughter, Esther, of Germantown; Mr. and Mrs. Edwin Seel, of West Philadelphia, and Miss Carrie Seel, of Lansdowne, were guests at the home of Mr. and Mrs. George Seel, Jr., of Cinnaminson avenue.

Mrs. James M. Weart and son Buddy; Mrs. Ellsworth Coates and daughter, Nancy and Mr. and Mrs. Eula Roach, all of Palmyra, spent Saturday attending the fourth birthday party of Miss Marjorie Naylor.

CELEBRATES 85th BIRTHDAY

Mrs. Sarah H. Wiggins, of 604 Washington avenue, Palmyra, celebrated her eighty-fifth birthday Saturday afternoon with an open house from two until five. Over one hundred guests and well-wishers from New York, Pennsylvania, Hightstown and numerous points in South Jersey helped Mrs. Wiggins to pass the happy afternoon.

Mrs. Wiggins, who has been a resident of Palmyra for 53 years has been a member of the Central Baptist Church for 50 years and is the oldest member of that congregation.

A quiet life is the contributing factor to her long life Mrs. Wiggins stated. This younger generation is quite all right she claims and is very active herself.

The guest of honor was dressed in Alice Blue crepe and wore a corsage of pink roses. She received many beautiful flowers and lovely gifts.

The centerpiece on the dining room table was made of pink roses.
