# THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

51st Year No. 5

RIVERTON—PALMYRA, N. J., THURSDAY, FEBRUARY 1, 1940

PRICE FIVE CENTS

## LOCAL COUNCIL APPROVES BUDGET

### Little Changes in Expenditures for Current Year in Riverton Borough

The new budget amounting to \$49,027.50 was considered at an all-journed meeting of the Riverton Borough Council held in the Council chamber last Thursday night.

The items, for the most part, are the same as last year and the complete budget will be published at a later date in The New Era.

The Council went into executive session to consider the request of the Riverton Volunteer Fire Company who wanted the budget increased to provide for a \$900 increase in Borough rental.

### Not Enough

At the conclusion of the executive session the Mayor advised John Goodwin that the request of the fire company had been given careful consideration and that council had decided to grant a \$300 increase with the understanding that it would not be a permanent one. Mr. Goodwin stated that he felt sure that the members of the fire company would feel that the \$300 would not be enough, however, he would transmit the offer to the company.

Mr. Goodwin stated that the building needed certain repairs and that, with the decrease in membership, it was becoming increasingly difficult to finance the fire company. The mayor replied that the governing body is trying to keep the tax rate in the community down to the lowest possible level and felt that the increase of \$300 was a liberal allowance to tide the firemen over this year.

## Rotary Inducts New Members

Two new members of the Palmyra-Riverton Rotary Club were inducted by Past-President Howard Conover last week at the regular meeting. Arthur M. Bowker, with classification, restaurant, and C. Ward Lowden, with the classification, electrical appliances—retail, were the new members, bringing the roster to a total of 36 members.

Chester L. Reagan, principal of the Moorestown Friends School and past president of the Moorestown Club spoke on the opportunities of Rotary in the great problems of the day.

## PALMYRA WOMAN'S CLUB

The members of the Palmyra Woman's Club will hold their monthly business meeting in the club room, Society Hall, Monday afternoon, February 5, at 2.30 o'clock.

The program will be on music and Miss Lena Brance Jones, will be the guest of the afternoon. She is a noted pianist of Philadelphia and a member of the Philadelphia Music Club. Her topic will be "Jazz in Its Better Phases."

All members are urged to be present to hear Miss Jones.

### TO DEDICATE HOME

The splendid new Burlington County Welfare Home, at New Lisbon will be dedicated with appropriate ceremonies on Saturday afternoon of this week, at 2 o'clock.

The principal speaker for the occasion will be Commissioner William J. Ellis, of the New Jersey State Department of Institutions and Agencies.

County welfare officials extend a cordial invitation to the general public to attend the event.

## SEVERAL WALK ACROSS RIVER

The Delaware River has been frozen from bank to bank for several days in the vicinity of Palmyra and Riverton. This condition has tempted a number of venturesome people to cross the stream on the ice and a considerable group accomplished this feat on Sunday, something which has not been done for a number of years at a point where the river is over a mile wide.

Since the ice breakers went down stream last week no craft have attempted to use the channel and the river has been completely blocked to navigation.

Due to the width of the Delaware in this vicinity it is not believed that any difficulty will be caused when milder weather arrives and the ice is broken up.

## Will Vote On School Addition

The Cinnaminson Board of Education has for several years been considering alterations and additions to its Colored School. In September 1938 the voters approved application for Government aid through W.P.A. After a year's delay this application was rejected.

A new proposal will be presented by the Board at the regular School Election on February 13, at 7.00 p.m. This proposal calls for the addition of two 40-pupil classrooms and an assembly room seating 175 persons. It will also supply a medical examination room and a teachers' retiring room. The assembly room will have a separate outside entrance and separate heating and lighting so that no portion of the school proper need be used in the evenings.

### Bond Issue

The Board of Education has planned a bond issue of \$26,000 to be so timed that the first payment on the new issue will be made after the present bond issue will expire, thereby not increasing the tax rate for this new building program.

In order that all citizens may have a full understanding of the matter before casting their ballots, a public meeting is being called for Tuesday, February 6, at 8.00 p.m. At this meeting a full discussion will be held on this very vital and much-needed addition for the colored population. Mr. Radney, the architect, will be present with sketches and will answer all questions.

## "DARK VICTORY" IS SUCCESSFUL

"Dark Victory," the second production of The Footlight Players of the current season, which was presented on Friday and Saturday evenings in the Riverton School Auditorium, proved that the local Little Theatre Group really has considerable talent in its midst.

Members of The Village Playbox of Haddon Heights and the Plays and Players of Haddonfield, both Little Theatre Groups, were among those present at the Saturday evening performance.

The Footlight Players was organized for the purpose of creating fellowship in the surrounding communities and has devoted itself to the presentation of worth-while plays for the entertainment of the local residents. The organization is completely non-profit, and any revenue taken in as the results of its efforts is turned back into the Group for the purpose of building scenery, properties, and the purchase of lighting equipment.

The attendance at the last production indicates that their efforts are well appreciated, which makes the Group more determined to produce plays of the better type for the enjoyment of Little Theatre lovers.

## PICKPOCKETS AT WORK HERE SUNDAY

Professional pickpockets from out of town invaded Palmyra last Sunday afternoon and "lifted" four wallets from individuals who attended the dedication of the new Lutheran Church. This was unquestionably the work of professionals who mingle in crowds to ply their illegal art.

Police Chief C. Morris Beck, of Palmyra, by clever work, has traced the route taken by these law-breakers in leaving town and has recovered portions of the wallet of one of the victims and scraps of identifying papers.

## Anniversary Of YMCA Auxiliary

The Women's Auxiliary of the Palmyra-Riverton Y.M.C.A. will celebrate its eighth anniversary on Thursday, February 8, with a luncheon at 1 p.m. at the building. Mothers of Y.M.C.A. group members and summer campers, wives of local and county board members and interested friends are invited.

The guest speaker on this occasion will be Edmund R. Tomb, of Princeton, as associate secretary on the staff of the State Y.M.C.A. committee.

Dorothy Johnstone Baseler, of Ardmore, Pa., will play a number of selections on the harp.

### Reservations

Mrs. L. Arthur Hoyt, president of the auxiliary, announced at a meeting of the board Tuesday afternoon that Mrs. Robert E. Gowell would be in charge of the luncheon arrangements, the cost of which will be 50 cents.

Reservations will be accepted by Mrs. Gowell by phone up to Wednesday noon, February 7th, by calling her at her residence, Riverton 610-M, or a post card addressed to her at 307 Midway, Riverton.

Officers for the ensuing year will be elected at this meeting.

### Information

More detailed information about this anniversary luncheon meeting may be had from any of the following members of the Auxiliary board: Mrs. Claude Y. Barto, Mrs. Stanley H. Gilbert, Mrs. Robert E. Gowell, Mrs. L. Arthur Hoyt or Mrs. G. Lloyd Major, of Riverton, and Mrs. Howard B. Conover, Mrs. W. Roland Dunn, Mrs. Harry B. Henderson, Mrs. Roy T. Hardy or Mrs. James B. Mickle, of Palmyra.

Secretaries Guy C. Hendry and T. Praul Reeder, of the county Y.M.C.A. staff, attended the board meeting at the home of Mrs. G. Lloyd Major, 201 Elm avenue, on Tuesday afternoon, when the details of the anniversary celebration were settled.

Lovers of music are specially invited to come and enjoy the harpist.

### LOCALS WIN ANOTHER

Palmyra High's court team took a close decision on Tuesday of this week by racking up a 36-34 win over Camden Vocational on the floor of the opposition.

The Red and White went into the last quarter facing a 32-23 deficit, but this was soon erased as Henson swung into action. He swished the cords for 16 markers to lead both teams in scoring.

Hoff won the engagement with his field goal in the last few seconds of the fracas.

## SCHOOL BUDGET IS CONSIDERED

### Sum to Be Raised by Taxation in Riverton About Same as in Prior Year

At the meeting of the Riverton Board of Education held on Monday night of this week, the budget for the coming fiscal school year was approved by a unanimous vote. This will be submitted to the voters at the annual school election which will be held on Tuesday, February 13.

The budget contains essentially the same appropriations as last year, the amount to be raised by taxation being \$34,223.97 as compared with \$35,203.97 in 1939.

The sum required for current expenses is \$32,323.97, while that for the same purpose last year was \$33,303.97.

### No Contest

Three members of the Board of Education will be elected for the full term of three years and a like number of petitions have been filed. These are by Mrs. Charles Yost, Dr. J. Rowland Dey and Robert G. Adams, all incumbents.

Election officials approved by the Board are: G. Rex Showell, Floyd Smith and Spencer Johnson.

At the Monday session the question of the salaries of the teaching staff was discussed at considerable length, but no action was taken.

The Board will reorganize at a meeting scheduled for Monday, February 19.

## Plan New Girl Scout Troop

Because of the enthusiasm of a group of school girls in wanting a scout troop and the willingness of Miss Meribah Gardiner to act as troop leader, provided she had backing and assistance—a group of mothers has been laying plans to organize an Intermediate Girl Scout Troop in Riverton.

### Organizers

With the help of the National Office of the Girl Scouts of America and Miss Katherine Dunwoodie, girls work secretary, of Moorestown, and Miss Katherine Taylor, who was a scout leader in West Chester, Pa., before she came to Moorestown Friends School to teach, arrangements have been made to hold the first meeting in the Ladies' parlor of the Presbyterian Church on Monday, February 5th. Because of the experience of Miss Katherine Graff, who was leader of a troop several years ago and the advice from the National Office, it has been thought best to limit the group to girls ranging from 10 to 12 years old, feeling that it would be better to have a small well organized group than a large unwieldy one. If other girls are interested, Miss Gardiner will be glad to have their names to submit to the committee for later consideration.

### Committee

The troop committee is composed of: Mrs. Robert G. Adams, Mrs. Archibald Bush, Mrs. Helen Baker, Mrs. Joe Daniels, Mrs. J. Rowland Dey, Mrs. Winfield Wilson and Mrs. Richard M. Woodward.

## PORCH CLUB

A bridge tournament was held on Tuesday afternoon. The winners east and west were Mrs. Schuh and Mrs. Berger; north and south were Mrs. Merrill and Mrs. Hicks. Tea was served and prizes were awarded. Mr. Goren's first lecture of the second series will be given on Thursday morning, February 1st, at 10.15, and his second lecture will be on the following Thursday morning, February 8th.

It will be appreciated if members desiring to donate books for the (continued on page 12)

### BRIEF ITEMS from ABOUT TOWN

Xavier Walters, 1201 Morgan avenue, has been named postmaster at Palmyra to succeed the late Harry Barry. The appointment was announced last week.

The Palmyra Fire Department answered a call on Sunday afternoon for a grass fire near S-41. There was no damage.

The officers of the newly formed Men's Club of Christ Church, Palmyra, are as follows: Walter David, president; Harold R. West, vice president; Herbert Brooks, treasurer and C. R. Houchins, secretary.

Large numbers of Palmyra High School students have enjoyed skating at the rink located on the new athletic field, the facilities being the most centrally located of any in this section.

### GIRLS' COURT TEAM CHAMPS

Boasting a record unblemished by a single defeat the Palmyra girls' basketball team won the first half championship in the Burlington County Court League and is out to clinch the season's title by repeating their performance in the second half that will start in the near future.

Home games will be played in the Palmyra High School gymnasium and the schedule is to be announced in the near future.

The players who turned in a brilliant portion of the competition are: Rita Piergross, Grace Sipple, Peg Wigmore, Marie Piergross and Tess Prisco, forwards; Betty Whartnaby, Edith Spitzmiller, Millie Vallaria, Rita Sacca and Ella Dellaport, guards.

### LOU PLUMMER VS. ERNIE DUSEK

The more rougher and dirtier tricks of the razzlin' game will replace the finer and cleaner points of the game Monday night in the Camden Armory. The Hanlys have put a program together that is typical of those fans have been accustomed of seeing each week.

There was a time when a razzler, if he was successful with one of the Duseks, considered himself one of the favored few and went around boasting of the accomplishment. But times have changed since then and the matmen along with them. Following the trend of the times is Lou Plummer, the Indiana "killer" who isn't content with pinning one Dusek, but is going through the entire family, as far as he's gone. The former Notre Dame football great has the chance to complete the list Monday night when he answers the gong against Ernie, the wildcat, in the star bout of two out of three falls with a 90 minute time limit.

Other Bouts  
Don Evans, hustling Buffalo adonis, has had some pretty tough assignments in the past weeks, but his hardest task comes in the semi-final when he meets Jim Parker of Tennessee in a contest of 30 minutes. Parker is one of the toughest to come from the south and if Evans survives, he is then due for bigger game. Tarzan White also comes in for another tough scrap as he clashes with Don McIntyre, of Texas, in the third half hour event. Two other half hour bouts make up the remaining part of the show.

The libraries of the State have information on cancer.

### PROPER USE OF CAR HEADLIGHTS

Declaring that night traffic accidents constitute the most serious safety problem now facing the country, the Keystone Automobile Club nominates "education of motorists in the proper use of headlights" as the first important step in a campaign to reduce the "horror toll" of night driving.

Blinding glare from passing cars can be minimized to great extent, with safety to all concerned, by universal use of the lower or "passing" light beams, according to club officials, who say that flagrant disregard of this requirement of the law is responsible for a large percentage of night crashes.

Too Dangerous  
Because of conditions largely created by motorists themselves, it is further asserted, night driving now is five or six times as dangerous to life and limb as day driving.

Lack of consideration for "the other fellow" has long been a cardinal sin of motoring, and this lack is especially obvious in the matter of headlight courtesies, club officials declare. Very few motorists consistently use the lower beam in passing, and blinding glare of headlights is the rule, rather than the exception. Enforcement of this rule of the road is practically nil, it is pointed out, with the further observation that safety demands "self enforcement" by all drivers.

A report made for the club by Dr. H. C. Dickerson, chief of the Automotive Division of the United States Bureau of Standards, and nationally known traffic authority, stresses the necessity for using the lower beam. "The driving beam," the report says, "is designed to permit seeing. But these lights must not be used for meeting other cars. The depressed beam is designed for that. It gives plenty of light near the car, but rarely rises high enough to

glare in the eyes of another driver. Depressing lights when meeting cars becomes necessary and should be enforced."

Approximately 2,000 New Jersey women enlisted in the Feld Army in 1939. April is the enlistment month.

### PATH OF LIGHT

PROPER illumination in the home is important. Plenty of light helps to create an atmosphere of brightness and cheer. Adequate illumination is needed for safety, convenience and necessity. Use good diffused light for work, a soft shaded glow for decorative effect and colored light for novel arrangement.

Today, persons who are building or renting a house often request a series of light switches called "The Path of Light." With this switch control one can go from room to room, turning on lights ahead and turning off lights behind, without retracing steps. The "Path of Light" extends from the front door, through the house, from cellar to attic, and terminates in the garage.

An illuminated house number, placed 42 to 48 inches from the ground, is a courtesy to guests. The weather-proof lighting over the front door is usually controlled by a switch inside the house. To obtain light while unlocking the door, a momentary contact switch is often placed near the house number.

Halls and all rooms should have light switches at both entrance and exit doors. It is a further convenience to have portable lamps attached to electric outlets with switch control. Noiseless switches, the color of the wall, will correspond with decorations.

Light for stairways is especially important and switches should be

placed at both the top and bottom of the stairs. If the front stairways has a midway landing, it is best to install there a decorative fixture such as a wall bracket or recessed light.

For the cellar descending stairs an ordinary ceiling light may be placed near the foot (with controls at top and bottom). Houses with cellars leading into a playroom can have a decorative lighted stair-rail. This is done by placing under the rail tubular lights end-to-end in a suitable reflector. This fixture cannot be detected but the lighting is unusual and in keeping with the gay atmosphere.

The attic light, at least 60 watts, is usually turned on at the bottom of the ascending stairs.

Light from the house to the garage is not only a convenience but also a safety measure. A garage adjacent to a house may be lighted with a single weatherproof unit carrying a 160 watt lamp with switch controls at the garage and at the back-door of the house.

If the garage is a separate building, away from the house, the distance may be lighted with a spray-on light with a switch developed unit with a spread-beam lens that sprays the illumination over the area. Or, two floodlights placed high on either side of the garage doors will make visible the path to the house.

### PLANTET SOILLESS GROWTH COMPOSITION

Here is an opportunity for the Plant enthusiast who loves to try "something new." Plantet is a perfectly balanced soluble plant food for growing plants without soil. It represents a very interesting and successful method of plant culture. Clean and odorless; one rounded teaspoonful making one gallon of solution. 8 oz. jar 75c.

### B. & L. CHECKS COME IN HANDY

Palmyra Building & Loan Pays Another Maturity of \$21,800.00

By I. M. THRIFTY

Sickness and the cold snap have prevailed over our vicinity, bringing added financial burdens on the residents of the communities. This is one of those unexpected occurrences that come to everyone. The physical suffering is surely bad enough but it brings with it the added mental distress of paying the bills.

Although it is rather a coincidence at this particular moment, it has happened many times in the last fifty odd years in the history of the Palmyra Building & Loan Association, namely, the paying off a maturity when funds have been needed the most.

There were many who, having given forethought to anticipated financial demands a few years ago, were relieved of the mental anguish of facing additional expenses. Their savings, did as they always will, come to their aid like a good friend.

### Value

The value of having Building & Loan savings to fall back upon, cannot be over estimated. It has saved many a life, a home, a business, as has been the experience of the Palmyra Building & Loan Association.

There is none who does not need to save, therefore the old slogan "Every member of the family should be a member of Palmyra B. & L." is still a good one and should be seriously considered by the youth as well as the grown-up.

An opportunity to become shareholders in this fine Association will be afforded everyone on Monday, March 4th, when they will open new series, the 71st.

### Scouting Beckons All Boys

### SCOUTING the American Way

When the Boy Scouts of America celebrates its 30th birthday on Thursday, February 8, all of the 1,330,000 Scouts, Cubs and Scout leaders will re-dedicate themselves to the service motive which has characterized the Movement for three decades. Scouting offers adventure, fun and achievement—attractive to all boys—through the democratic life of the Scout Troop and Patrol, as essential ingredients in its character-influencing program for the boys of America. Drawing on the rich experience of the Movement, local and national Scout leaders anticipate the opportunity to serve more boys loyally.

### YMCA BRIEFS

#### Phalanx Council Meeting

The first regular meeting of the Burlington County Y.M.C.A. Phalanx Council was held Sunday afternoon, January 28, at the Mount Holly Baptist Church.

Thomas Smith, representing one of the two Mt. Holly groups interested in Phalanx, was elected temporary chairman of the council, Russell Bisbing of Florence was elected acting secretary.

The council discussed plans for the coming winter months after which Eric Schaeffer, of the Riverside Phalanx explained to the council the activities of the State Tri-bunal. He also told them about the Tenth Annual Young Men's Congress, to be held February 24-25 at Bridgeton. The speakers and the discussion leaders will center their talks around the theme "Youth's Personal Religions." After Schaeffer had finished the six clubs present at the meeting signified their intention of having representatives attend this conference.

#### Court League

Plans for a basketball league were discussed and progress made to date was reported by County Secretary Reeder. The League plans to get under way by February 5. The winners will be eligible for the State Tournament. Teams in the league will be Lumberton, Moorestown, Mount Holly A, Mount Holly B and Riverside.

#### NO ACTIVE CASES

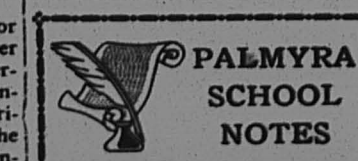

Six hundred and eighteen students from a total of seven hundred and eighty-eight of the high schools were given the Mantoux Test on January 8th and 9th. Up to the present time 110 X-rays have been taken from the one hundred seventy-two reactors. The school is glad to say that no active cases have been discovered. Three X-rays revealed enlargement of the heart, a condition which parents should be happy to discover. The administration is anxious to complete all necessary X-rays, for only when this is done, can we be sure that there are no actual cases.

—Mary A. Symonds.

the purpose of strengthening the council and the following committees were appointed: New Club Promotion, Edwin B. Forsythe, Medford, and Ned Thompson, Mount Holly; Recreation, Eric Schaeffer, Riverside and Robert Foster, of Moorestown; Council Meeting Programs, Archie Grieves, Mt. Holly and Warren Leary, Lumberton.

After the appointment of committees the meeting was adjourned.

The following clubs were represented: Florence, Lumberton, Mt. Holly A and Mount Holly B and Moorestown.

### PALMYRA SCHOOL NOTES

The Honor Society elected officers at a meeting on January 15. They are as follows:

George Ford, president; Doris Mullen, vice president; Donald West, secretary; Palmer Adams, treasurer.

A petition for special privileges was sent to the student council to be approved. Students received special badges to signify membership. Miss Caroline Feiler is faculty adviser of the society.

Terracing as a means of saving New Jersey soil, was the topic of a motion picture shown to agricultural and social science classes through the courtesy of the State Department of Agriculture. Mr. Cortlyon

who presented the picture, later discussed the conditions of soil in the United States and means of preserving our natural resources.

The Play Reading Committee for the senior's annual production was chosen by means of each home-room electing two members. They are: Clem Haas, Jack Hullings, 110; Carlette Seemuller, Jean Smalley, 113; Richard Kercher, Ruth Robert-

son, 112; Mary Jane DeCoursey, Jack Deitz, 108. In addition to those elected members the class officers and adviser will serve on the committee.

### CARD PARTY

The Rivertowns Ladies Club will hold their next card party Thursday afternoon, February 1, at 2 o'clock in the home of Mrs. Sadie Winkel-spect, 44 Hancock street, Riverside.

### Had You Rather Be Guest Than Hostess?

"I'd give more parties if refreshments weren't such a problem," a friend remarked. With electric appliances one can prepare the food in the living room and chat with the guests during the process.

Chocolate waffle cake with ice cream and coffee is nice to serve. Make the waffle batter and the ice cream in the morning and store in the automatic refrigerator. When serving time comes, plug in the electric waffle iron and electric coffee maker. There is a new waffle iron that cooks two waffles at the same time.

Here are recipes for party waffles.

#### Chocolate Waffle Cake

$\frac{3}{4}$  cup butter  $\frac{1}{2}$  cup milk  
1 cup sugar  $\frac{1}{4}$  cup chopped nuts  
4 egg yolks 1 tsp. vanilla  
1 cup flour 4 egg whites,  
 $\frac{1}{2}$  cup cocoa beaten  
2 tsp. baking powder

Cream butter and sugar. Add beaten egg yolks. Sift dry ingredients and add alternately with the milk. Add chopped nuts and vanilla. Fold in beaten egg whites. Bake on a preheated waffle iron. Put 3 waffles together with Butter icing to form a layer cake.

#### Corned Beef Tomato Waffle

$\frac{1}{2}$  cup chopped 2 cups tomatoes  
cooked corned 3 cups flour  
beef 3 tsp. salt  
2 tsp. grated  $\frac{1}{2}$  tsp. minced  
cheese 2 tsp. minced  
3 tsp. butter onion  
1 recipe for waffles

Melt butter, add onion and cook slightly. Add flour, blend well. Add tomatoes and salt and cook until thick. Add corned beef and grated

2 cups cake flour  $\frac{1}{2}$  cup milk  
2 tsp. sugar (about)  
4 tsp. baking  $\frac{1}{2}$  tsp. salt  
powder 6 tsp. butter  
1 egg

Sift dry ingredients together. Cut in butter and add beaten egg with milk. Roll to  $\frac{1}{4}$  inch thickness and bake on waffle maker. Place sweetened crushed fruit in between two quarters of the waffle; top with more fruit and whipped cream. Makes 8 shortcakes.

## RIVERTON

The members of the Lucky Social Club will be entertained this week by Mrs. Henrietta Bucher, of Stewart avenue, Riverside Park. Cards will be played.

The Sacred Heart Dramatic Club will hold their monthly meeting in the school auditorium this evening (Thursday).

Mr. and Mrs. Stewart A. Borger, of 200 Park avenue, were among those recently registered at the Chalfonte-Haddon Hall, Atlantic City.

The J. D. Club gave a dinner at the Russian Inn, Philadelphia, on Tuesday, in honor of the birthday of Ann Coles, after which the group attended the theatre.

Mr. and Mrs. Alexander M. Smith, of Seventh street, will celebrate their 26th wedding anniversary on Friday.

The Sacred Heart School Alumni association will give a pre-lenten recording dance to be held on Tuesday evening from 8.30 to 12. Admission is 15 cents stag and 25 cents a couple. Mary E. Holvick, is in charge of this affair.

Mrs. Edward Zisak, of Lippincott avenue, is on the sick list this week.

Mrs. Alfred Gierich, of Atlantic City, spent Sunday as the guest of Mr. and Mrs. Harry Groome, and family, of Linden avenue.

Young Ronald Flynn, of Thomas avenue, has returned from the Zurbrugg Hospital after an appendicitis operation.

The St. Joseph Rams will hold their weekly meeting at the home of Thomas Carda, of West Broad street, this (Thursday) evening.

The Sacred Heart P.T.A. will hold their monthly meeting on Thursday, February 8, at 3 p.m. in the school auditorium.

The Porch Club painting class, instructed by Mrs. Murray C. Boyer, has 20 pictures in the Gimbel Amateur Show this week.

Mrs. Bertha M. Smith is recuperating from an operation at Zurbrugg Memorial Hospital.

Mr. and Mrs. Charles F. Earp, Jr., formerly of Elm Terrace, have moved to 8th and Thomas avenue.

## PALMYRA

Leslie W. Reeves, of Highland avenue, was the winner in the third drawing of Shulman's merchandise Club.

Katherine Gottlieb, Haddonfield, spent the weekend as the guest of Margaret Barr, of Morgan avenue.

Mrs. Conrad Friday, of 1100 Highland avenue, was this week's winner in the Christ Church Miscellaneous club.

The Young People's fellowship of the Christ Church, Palmyra, will sponsor a recording dance to be held in the parish house on Saturday evening, February 3, starting at 8 p.m. Everyone is invited. Refreshments for all.

Mrs. Hayes B. Brady, of Washington avenue, entertained the members of the Psi-Chi-Delta sorority at her home on Tuesday evening. Cards were played.

Mr. C. Daily, of Cinnamonson, was last week's winner in the Sacred Heart merchandise club.

Mr. and Mrs. Martin O. Vogt, of 218 Linden avenue, entertained the members of the "Dark Victory" cast, at their home on Saturday evening, after the Little Theatre Group's second presentation of the current season.

Mr. and Mrs. Leo Foster, of Lincoln avenue, have returned home after spending a few weeks at Miami, Florida.

Leslie W. Reeves, of Highland avenue, was last week's winner in Shulman's merchandise club.

Mr. and Mrs. Theodore DeVinney, of 12 New Jersey avenue, Palmyra, will celebrate their 25th anniversary on Saturday, February 3.

Post Frederick M. Rodgers No. 156 will hold its meeting on Tuesday, February 6, at 8.15 p.m. in the Legion Home.

## BIRTH

Mr. and Mrs. Charles Knight, of Riverton, are receiving congratulations on the birth of a daughter, Carol Jean, on Wednesday, January 24, at the Zurbrugg Memorial Hospital.

Mrs. Knight was formerly Ann McVaugh.

## GIRL SCOUTS

Last Saturday nine senior scouts of Troop 2, accompanied by Mrs. Mae Ashmore and Mrs. Mildred Haines, attended the Second Annual Senior Scout Conference at the Camden Y.W.C.A. The girls were all attired in the attractive new second dresses which some of them made themselves.

A skit entitled "That's Wrong. This Is Right" was given by Troop 31, Camden and their boy friends, Troop 14, Merchantville, staged a very attractive fashion review with members of the troop acting as models. A one act play was given by Haddonfield Troop No. 5.

There were short, interesting classes including Choral Reading, Sketch, Outdoor Activities, Home-making and Hostess and the scouts could select the subjects which interested them most.

Next week the local girls are starting to make costumes for the International Mother and Daughter Banquet to be given by Troops 1 and 2 in March.

All girls of high school age are invited to join. There is lots of fun ahead. Meetings are held in Legion Hall Thursdays at 7.30 p.m.

"DARK VICTORY"  
(continued from page 1)

As can be readily seen the interest in the Little Theatre Group movement is growing rapidly in the surrounding communities, and for anyone interested the Footlight Players extend an invitation to join their Group.

Membership is limited and applications should be sent to Miss Ruth Seeber, secretary, 208 Garfield avenue, Palmyra.

GLOUCESTER IS  
WINNER HERE

Local Quintet Fades in Final  
Half to Drop Second  
Loop Decision

The Palmyra basketball squad engaged in a thrilling tussle with Gloucester High last Friday night in the local gym with the visitors winning by a 31-27 count. This was the second league defeat for the Red and White, the other coming at the hands of Merchantville High.

Palmyra held a three point lead over the invaders at half-time, but Gloucester started a rally during the third chukker to climb a point above the locals, making a 25-24 score going into the final period. The game was close going throughout, the decision not being clinched until the last few minutes of play when Machin and Reitz, racked up several points to put the game on the ice for the visitors. Palmyra was outscored 6-3 in the final quarter.

## Mustard Leads

Neither club was too accurate in tries from the foul line. Palmyra missed 6 out of 11 chances and Gloucester converted only 7 out of 15.

Mustard, Palmyra center, led the Red and White attack tallying a dozen points. Reitz for the invaders also garnered the same number. Henson, racked up 7 points with Machin pacing Gloucester followed with the same tally.

## SPORTS JOTTINGS

Palmyra is now tied with Paulsboro for second place in the Group 3 league. They meet Merchantville here on Friday night, this outfit being undefeated in the loop. But having been defeated by Camden Catholic.

The Palmyra Junior Varsity came from behind in their second half of their tilt with Gloucester winning by a 28 to 21 count.

Coming games are: Friday, February 2, Merchantville, home. February 6, Burlington, home. Friday, February 9, Paulsboro, away. February 13, Camden Vocational, home.

## FIRST MEETING OF YOUNG PEOPLE IN NEW CHURCH

The topic for the first meeting of the Lutheran Young People of Bethany Church, to be held in the new church building, Sunday, at Broad and Morgan, will be given by Earl Whitcraft. The topic "What Is Christianity," will begin at 6.45 p.m. in the Sunday School room.

There is to be informal discussion among the group. An invitation is extended to all of our church, and to those of other churches, who would like to attend.

The topic for next Sunday, February 11, will appear in the next issue of this paper.

—Publicity.

STATE OF NEW JERSEY  
EXECUTIVE DEPARTMENT

## Proclamation

On February 17, 1897, the National Congress of Parents and Teachers was organized, which was followed later by the organization of State and Local Parent-Teacher Associations.

It is well for us to celebrate this anniversary, for it marks the beginning of a new attitude towards educational problems. Because these organizations exist, parents have come to learn more about various phases of school administration, about which they had little information previously.

From this knowledge has come action along various lines beneficial to both children and adults. The field of their activities is ever-widening, and the possibilities for bettering their communities is almost unlimited.

In the hope that the Parent-Teacher Associations of New Jersey will continue to manifest their splendid civic spirit which has animated them from the beginning of their organization,

I, A. HARRY MOORE, Governor of the State of New Jersey, do hereby proclaim

Saturday, February 17th

as

## New Jersey Parent-Teacher Day

and I urge that the day be observed by appropriate exercises in the schools.

(SEAL)

BY THE GOVERNOR:  
Thomas A. Mathis,  
Secretary of State

A. HARRY MOORE,  
Governor.

GIVEN under my hand and the Great Seal of the State of New Jersey, this twelfth day of January, in the year of Our Lord one thousand nine hundred and forty, and in the Independence of the United States the one hundred and sixty-fourth.

WALT WHITMAN HOUSE  
A National Shrine at Camden, N. J.

Fifth Annual Stamp Exhibition  
ASSOCIATION OF SOUTH JERSEY STAMP CLUBS  
WALT WHITMAN HOTEL  
FEB. 17 - 18 - 19 - 20, 1940

February 17, 18, 19, 20

On the 17th, 18th, 19th and 20th of this month will be a most interesting stamp exhibition in the main ball room of the Walt Whitman Hotel, Camden, when 1500 of the best stamp album pages owned by collectors in Camden and South Jersey will be on display for prize ribbons, trophies and a medal of the American Philatelic Society, for the best display in the show, and at least 90 album pages of the best collection of school stamp clubs in the same district who will compete for ribbons and valuable stamp prizes.

This exhibition, which is free to all, will be of great interest to stamp collectors and non-collectors as well and to school children of all ages who should attend to see just what valuable collections of stamps look like.

On the 20th the new Walt Whit-

man 5 cent stamp will go on sale, in Camden only, and at that time the exhibition officials will mail all over the world thousands of envelopes with the new stamp attached, an official seal of the show and a memorial picture of the Walt Whitman House, with proper wording thereon. This service is being handled by experts and every resident in this section of South Jersey should see that their friends in other places receive at least one of these historic letters.

On that evening at 7 o'clock, in the Junior ball room of the hotel will be held the Walt Whitman Day banquet of the Association of South Jersey Stamp Clubs, the sponsors of the exhibition, in collaboration with the Chamber of Commerce, the Walt Whitman Foundation and several other service clubs of the city. James Waldo Fawcett, editor and stamp columnist of the Washington (D.C.) Evening Star, a Walt Whitman authority and an able speaker, will be the guest of honor and will give an address in his inimitable manner on Whitman and a stamp.

Tickets for the banquet may be purchased from members of any local stamp club. Particulars as to the purchase of the illustrated envelopes, the stamps thereon and the seal of the exhibition may be had of any officer of the organization or of Elmer C. Pratt, P. O. Box 149, Camden, N. J.

YOUR GARDEN  
WHAT TO DO THIS WEEK  
By A. C. McLean  
Extension Service, N. J. College of Agriculture

Back in the days before there were so many greenhouses, many gardeners with spacious grounds used coldframes entirely for wintering plants and starting early ones. The same successful results which these gardeners obtained can be enjoyed now by flower growers who do not have the need for larger structures, provided they are willing to give a coldframe the attention it requires.

every day the sun shines brightly after mid-February, it is surprising how much heat can be conserved in a coldframe. As soon as frost is out of the ground in the frame, seeds of such hardy plants as Sweet Alyssum and Cornflowers may be sown. Be sure not to sow any seeds of plants not marked "hardy" in the catalogues until March, however.

## Coldframe

A well-managed coldframe is also an excellent place to start bulbs for early flowers and for starting chrysanthemum clumps so early cuttings may be obtained. By taking chrysanthemum cuttings early, there is less chance of trouble with nematodes.

Directions for constructing a coldframe may be obtained from almost any garden book. A good mat for covering may be made of old carpets doubled and sewed together or from burlap bags sewed together and stuffed with excelsior. Straw mats may be purchased already made.

Pruning may be started on sunny days, and if there is a thaw it would be well to loosen the mulch around perennials and see how they are surviving the winter. Do not remove the mulch simply to loosen it and let the air in. If this is done, plants which would otherwise suffer can often be brought through the winter successfully. Now is also a good time to get seeds ready for early spring sowing, for seeds of poppies and Cornflowers may be sown very early in the open ground. Poppies, especially need the coolness of early spring to get a good start.

Tell people that cancer is curable. People should be interested in preventing this disease, but there should be no morbid fear or phobia.

## Importance of Omission

When subject to galling criticism on the part of the Republicans and other anti-New Dealers, the leaders of the professional cult have often countered with the question: "What would you do if you were in our place?" They have sought to infer that their opponents have no constructive substitute program to offer. But such a program has been outlined by Republican leaders like Senator Taft and other G.O.P. statesmen in both houses of Congress. And a good example of constructive effort is furnished by the Republicans under the wise leadership of Joe Martin in the present House of Representatives.

But even aside from this it may be suggested that if the Republicans win in November they can render the country great service in what they don't do—to be more accurate perhaps, in what they refuse to carry over from the New Deal. For instance, here are some of the things which the Republicans won't do:

They will not seek to restore prosperity by profligate spending in an effort to "prime the pump of business."

They will not barter away the markets and the rights of the American farmer and producer through free trade treaties.

They will not slaughter pigs or plow under crops, or pay the farmers for doing these things.

They will not make our foreign policy dangerous and ridiculous by seeking to establish a neutral zone 300 miles out at sea contrary to all international practice.

They will not bring the country to the brink of inflation by further unbalancing the budget.

They will not buy gold and silver from foreign producers at twice its value and bury it in the hills of Kentucky.

Perhaps you can think of a few more "don'ts" and "won'ts" through which the Republicans, when they get into power, can render real service to the country.

## Government Interference

An example of the way in which government interference in private enterprise defeats the purposes of curing the depression may be found in the utility industry. It has been stated recently from various sources that during the year 1940 the utilities will spend something like \$600,000,000 for expansion and improvement. This is a sizeable sum. But Mr. Wendell Wilkie, who certainly knows the utility industry, pointed out in an address the other day that if it were not for the uncertainties caused by New Deal penetration and threats of penetration the utilities would be spending a billion and a quarter dollars this year—just twice the sum which likely will be expended.

The reason for this curtailment of expenditure, or failure to expand as would normally be the case, can be found in just four words—fear of government encroachment. Up until the New Dealers theories of public ownership got into full action the great utilities of the country were accustomed to spend for expansion and replacement steadily, year after year, dependent on the growth of the nation. But the college professors brought the threat of government competition with and strangulation of private utilities. And the threats were carried into action, often with tremendous drains on the taxpayers money. The TVA is the outstanding example.

Much might be said about the unsoundness of the government's going into private business and the unfairness to America's taxpayers. But even in this one instance of utility expansion, the errors of government competition are plain enough.

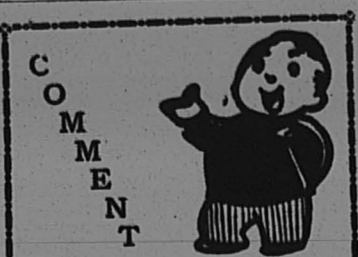

The great utilities of the country have with the issuance of securities properly authorized and regulated, been a sound source of investment for little Americans (financially) as well as big ones. True, there have been many abuses, but there have been abuses in all fields. The remedy is in regulation toward sound business practice and not in destruction.

But when the government steps in and threatens a big industry with federal competition, expansion is frozen. Spending of the companies' money dries up. The government spends our money instead, and this is money which comes from the tax-

payer now, or is stored up against him as a future liability.

The case of the utilities cited above is a good example of how it works. The utilities become frightened and curtail expenditures. The government must take up the slack by spending the people's money or going further into debt. There you have it.

Our per capita debt for all branches of government totaled \$59.28 in 1938. In 1938 it totaled \$432.65. In other words, the worker with the smallest income, who probably delays going to the dentist or hesitates to buy a new pair of shoes because he can't afford it, owes the government nearly \$500! Some day a start must be made to pay the public debt. Paying it will be painful—but less painful than not paying it, which is something all of us will eventually find out if we continue to follow the line of least resistance. Those who have subscribed to the belief that we have been getting something for nothing are due for a rude awakening, and the sooner it comes the better off we shall be.—Red Wing, Minn., Republican.

Argentina and the United States break off negotiations for a trade treaty. The Good Neighbor policy seems to be having its troubles, but they aren't nearly so bad as the ones the American farmer will have if a pact is completed.

If Prime Minister Chamberlain isn't satisfied with his cabinet we are willing to lend him Mr. Ickes.

Be careful girls when you wear your new sealskin coat. You may get rabbit fever.

Fashion note: Hats will blend with hair styles this spring. Will the bald man have to go bare-headed?

Secretary of State Cordell Hull warns the British that if they force one of our ships into the war zone for search and it hits a mine, Great Britain will be responsible for the damages. John Bull will doubtless say: OK, put it on our charge account.

It is alleged that the New Deal has spent more money in its seven years than Uncle Sam has expended in all of his wars to date. Which is another reason for hoping we don't get in any seven years' war under the New Deal.

They are calling Governor Paul McNutt, the handsome erstwhile Democratic candidate for President, Venus de Paulo McNutt. We don't know whether he has lost his arms but somebody seems to have pinned his ears back.

There wouldn't be so many wars if nations weren't able to pay for them on the installment plan.

## BUSINESS

Everybody talks about the weather, of course, and with business people it isn't just "small talk," either, for the weather is a more important factor than most of us realize, in almost all business and industry. For instance, rising incomes on railroads, especially western lines, are credited to consistently heavy coal shipments this winter as a result of the severe and widespread cold weather. Some roads also see an improved crop outlook for next summer as a result of timely recent snowfalls.

And King Winter's almost unprecedented wallop at the Sunny South will be felt on many a northern breakfast table for months to come, in higher orange and grapefruit prices. Citrus growers of the Rio Grande valley had about half their \$20,000,000 crop harvested, at what they termed "unsatisfactory" prices, before the killing frosts arrived. . . . now they expect price increases to reimburse them for the large part of the crop that was destroyed. Somewhat the same situation may be expected with respect to southern-grown cabbages, beets, spinach and other vegetables. On

## THINGS TO WATCH FOR

A doorbell with a special timing device so that it sounds a soprano chime, and then follows, a few seconds later with a harmonizing contralto note . . . a new movie camera lens, extremely sensitive, that will permit dawn and dusk photography, and save on flood-lighting requirements . . . a thing to "listen" for—passenger earphones on Transcontinental and Western Airlines, so the passengers can listen in on the pilot's conversations with the airport radio operators . . . a device designed to let you apply dental floss skillfully without putting your fingers in your mouth.

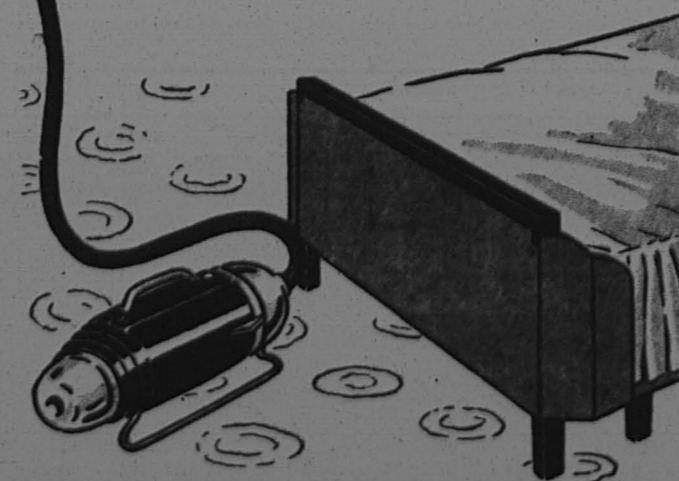

Information about cancer may be obtained by residents of New Jersey from the New Jersey State Cancer Committee, 151 Livingston avenue, New Brunswick.

If you think you have cancer, consult your family physician. Your physician is the best source of information on cancer.

the other hand, canned grapefruit juice may become more plentiful and cheap, as packers hustle to "process" large quantities of fruit which was ruined for fresh shipment but reclaimable for canning.

YOU'LL USE this electric cleaner all over the house. It draws the embedded dirt out of rugs and carpets and removes the surface dust and lint. It cleans mattresses and pillows and all your upholstered furniture. Because of its long handle you are able to reach high mouldings and shelves, clean the backs of pictures and get at the dirt that collects behind the radiators. Complete with tools this Universal cleaner is only \$59.95 cash. Carrying charge extra.

## Drunken Driving Very Expensive

Motorists who drove in New Jersey while intoxicated and were caught, paid the staggering sum of approximately a quarter of a million dollars cash on the line for their folly last year.

This was the amount, Motor Vehicle Commissioner Arthur W. Magee reports, that 1,256 drivers convicted of the offense, were assessed in fines. A few of them went to jail as well.

"A rather expensive habit" is how Commissioner Magee describes it, adding that in addition to the minimum mandatory \$200 fine imposed in each case, the penalty also included the revocation of driving privileges for two years. The latter penalty, especially where it interferes with the earning power of a driver, can be far more costly than the \$200 fine, the Commissioner declares.

### Warning

Admitting that there were many more motorists who drank and drove than the 1,256 who were convicted last year simply because they were lucky enough to avoid detection, the Commissioner warns that sooner or later their "luck" will break.

"The sensible thing to do is stop right now before there is an accident that the odor of alcohol will make doubly difficult to explain," he adds. "Driving an automobile on today's crowded highways requires full and complete use of mental faculties, undulled by alcohol or drugs in any form."

### Summary

In his report of license revocations for the year, Commissioner Magee states that 4,980 drivers lost their operating privileges for various infractions. A two year comparison, according to violations is as follows:

	1939	1938
Driving while intoxicated	1256	1425
Reckless driving	413	447
Speeding	412	406
Fatal accidents	205	322
Obtaining licenses while on revoked list	51	101
Habitual violators	478	526
Failure to appear	720	760
Failure to pay fines	99	136
Leaving scene of accident	61	69
Misstatement of facts on application	31	21
Larceny, receiving and driving without consent	111	97
Defective vision	9	12
Physically or mentally unfit	99	92
Fraud at examinations	31	33
Driving without license	56	65
Misrepresenting age	2	6
Permanent revocations, bad records	6	8
Failure to report change of address	122	
Careless driving	157	
Other violations	661	810
	4980	5336

### K. of C. CARD PARTY

The Knights of Columbus will hold another big card party in their hall at Broad street and Elm avenue on Friday evening, February 2. The Ladies Auxiliary will be sponsors for the affair, which is the fifth in a series started in the fall. They have all been marked by fine prizes and Friday's party will be no exception. The door prize will be a beautiful Bulova wrist watch for lady or gentleman. There will be games for those who do not play cards and refreshments will be served.

Admission is thirty-five cents. Play starts promptly at 8:30 p.m.

Avoid advertised "cures" for cancer. Cancer is curable but not through the use of commercial preparations put up in packages.

## Anti-Pneumonia Serum Still Needed Despite New Treatment Measures

### Doc Says:

Belief that use of anti-pneumonia serums is no longer urgent because of good results obtained from using sulfanilamide and sulapyridine has been expressed in some quarters.

Good results have been reported from the use of sulfanilamide and

## Legal Notices

### NOTICE

NOTICE is hereby given to the legal voters of the School District of the Township of Cinnaminson in the County of Burlington that the annual meeting for the election of one member of the Board of Education will be held at the Westfield Public School on

TUESDAY, FEBRUARY 13, 1940 from 7 o'clock p.m. to 9 o'clock p.m. and as much longer as may be necessary, to enable all the legal voters present to cast their ballots.

One member will be elected three years. At said meeting will be submitted the question of voting a tax for the following purposes:

For Current Expense ..... \$34,206.00  
For Repairs and Replacements ..... 2,400.00  
For Manual Training ..... 750.00

The total thought to be necessary is ..... \$37,356.00

The following proposition will also be submitted:

RESOLVED, That the Board of Education of the Township of Cinnaminson in the County of Burlington is hereby authorized—

PROPOSAL No. 1

(a) To repair and enlarge the present No. 4 School; the addition to consist of two new classrooms and an assembly room, together with the necessary heating, inside toilet and lavatory facilities and equipment, at a cost not to exceed the sum of Twenty-six Thousand Dollars (\$26,000.00).

(b) To issue bonds of the school district for said purposes in the principal amount of Twenty-six Thousand Dollars (\$26,000.00) and to expend the proceeds of said bonds for said purposes.

Dated this 27th day of January, 1940.  
EMMA D. FRANK,  
District Clerk.

### NOTICE

Notice is hereby given to the legal voters of the School District of the Borough of Riverton, in the County of Burlington, that the annual meeting for the election of three (3) members of the Board of Education will be held at the School House, on

TUESDAY, FEBRUARY 13, 1940 from 7:00 o'clock p.m. to 9:00 p.m. and as much longer as may be necessary, to enable all the legal voters present to cast their ballots.

Three (3) members will be elected 3 years. At said meeting will be submitted the question of voting a tax for the following purposes:

For current expenses ..... \$32,323.97  
For repairs and replacements ..... 1,000.00  
For manual training ..... 900.00  
For bond redemption and interest on bonded indebtedness ..... 6,050.00

The total amount thought necessary is ..... \$34,223.97

Dated this Thirtieth day of January, 1940.  
WILLIAM H. BOTTOER,  
District Clerk.

NOTE—The term "current expenses" includes principals', teachers', janitors', medical inspectors' salaries, fuel, textbooks, school supplies, flags, transportation of pupils, tuition of pupils attending schools in other districts with the consent of the Board of Education, school libraries, compensation of the District Clerk, of the custodian of school moneys and of trust officers, trust schools, insurance and the incidental expenses of the schools.

Members of the Board of Education, shall be at least 21 years of age, a citizen and shall have been a citizen and resident for at least three years immediately preceding his or her becoming a member of such Board, and shall be able to read and write.

Petitions, legally nominating candidates to be voted on at said meeting, must be filed with the District Clerk at least twenty days before the date of the meeting in order to have the names of such candidates printed on the official ballots to be used in voting. In calculating the above-mentioned twenty days either the filing day or the election day but not both may be counted. Blank forms for this purpose may be obtained from the District Clerk.

Persons who may vote in addition to those registered for the last preceding general election and those whose names appear on the permanent registry list of the municipality are those who register at the polling place on the Saturday evening preceding the election between the hours of 7 o'clock and 9 o'clock p.m. Any person who may register who is qualified to vote in that district for a member of the legislature

sulapyridine, but they are still in the experimental stage. Many cases that do not respond to this type of treatment will respond to anti-pneumonia serum.

The results obtained from the use of anti-pneumococci serum have been so favorable that it would be unfortunate if it were to be assumed that these serums are no longer needed.

Previous appropriations by the state legislature to enable needy pneumonia cases to secure serum have saved many lives. It is very desirable that this work be continued effectively during the current "pneumonia season." A legislative appropriation for that purpose is urged by all who are familiar with pneumonia therapy and the results that have been already attained.

For the three year period, 1935-1937, New Jersey enjoyed the lowest pneumonia mortality rate in the United States. There is little doubt that legislative appropriations to finance the use of treatment serums for the needy have contributed to this record.

This feature is prepared by the Burlington County Medical Society and the Medical Society of New Jersey.

**GOLDEN ANNIVERSARY**  
Mr. and Mrs. Peter G. Schill, of 834 Parry avenue, Palmyra, celebrated their fiftieth wedding anniversary Sunday.

The couple were the guests of their seven children and other relatives at an "open house" at the Parry avenue address. Mr. Schill is 79 and his wife is 71.

Their seven children are Mrs. Thomas Loveridge, John Schill, Mrs. Edward Pritchard, Mrs. George Ford and Mrs. Griffith Lloyd, all of Philadelphia, and George Schill and Edward Schill.

## Westfield Friends' School

Several classes of the school have had very interesting trips recently in connection with their social studies. Following are two accounts of the excursions.

### Our Trip to Riverton

The fourth and fifth grades have been studying about "Protecting Our Community," and fire came up in our study. So on January 29, 1940, we took a trip to the fire house. When we got there, Mr. Carhart, the fire chief, was not there but in a few minutes, Mr. Gootee, chief of Police, drove in and invited us into the police station. He showed us many interesting things and told us about crimes and how arrests are made. He showed us the cells where they keep people when they do bad things. Then he told us how valuable finger prints are in detecting crime. He also invited us down someday to have our finger prints taken for personal identification.

Nancy Ritschard, Grade III.

Mr. Carhart then came and showed us around the fire-house. He answered all our questions. One thing that impressed us was the asbestos suit which the firemen wear when they have to go into a burning building.

When it was time to go home, Mr. Carhart asked us if we would like to take a ride on the fire truck. We had such fun.

We all are very grateful to both Mr. Gootee and Mr. Carhart for their kindness, but most of all for helping us to understand how well we are protected as citizens of Riverton.

Jan Clark, Grade V.

### Our Trip to the Warehouse

We went to Leggetts warehouse in Camden in Miss Perkins' car. Miss Perkins went in to buy groceries.

First we came into the office. In a case there were samples of foods they had. Then a man took us up in the elevator to the second floor. We saw how the foods were all arranged in order. All the foods in cans were together and all the foods in glass were together and all the foods in boxes were together. All the same fruits were packed together and all the same vegetables were packed together. The man told us about the different packing houses that were near the places where the different fruits and vegetables grow. The foods are then sent to Leggetts by trains, trucks, and boats. They can get the foods by boat because the warehouse is on the Delaware river.

While we were walking around we saw a mouse trap—lots of mice near food—we saw a red bucket with water in it—in case of fire.

There were different temperatures in the building. The office was warm and the storerooms were cold. The workers in the office worked well and fast. They did not even stop working when we came into the office.

They gave us some candy when we left and we didn't know how to thank them so we gave them a cheer and wrote them a letter when we came home.

Ruth Koenig, Grade III.

## PALMYRA GAS STATION ENTERED

The Sunoco service station located on S-41 near the Tacony-Palmyra bridge was entered on Wednesday night of last week some time between 11 and 11:30 by marauders who got little for their trouble, largely due to the vigilance of the Palmyra police.

The proprietor, Louis Grundel, 701 New Jersey avenue, Palmyra, stated that he closed the place at 11 o'clock. At 11:30, an officer on patrol noticed that one of the windows was open and made an investigation which disclosed that illegal entry had been made.

After making a survey, Mr. Grundel found that the only item stolen was three gallons of oil, the thieves evidently having been frightened

away before they could obtain more loot.

### SECURES PATENT

Increased speed in printing industries through practical application of quick drying ink has been made possible by a local resident, Carl P. Mann, of 2 Shrewsbury road, Riverton, an engineer for the Selas Co. in Philadelphia. With Frederic Hess, of Philadelphia, president of

the company, he invented the Selas dryer, now used extensively by leading magazines and commercial printers.

Mann has just been granted a patent on an improvement in the dryer and is working on further improvements.

Three approved methods of cancer treatment are radium, surgery, and X-ray, alone or in combination.

## Cinderella Sauce!

are cooked may be substituted for one cup of the milk in the white sauce.

**Scalloped Vegetables**  
3 cups cooked vegetables 2 cups MEDIUM WHITE SAUCE  
2 cups bread crumbs 2 tbsp. butter  
Combine vegetables and white sauce and pour into a buttered casserole. Melt the butter, add bread crumbs and toss them until well browned. Sprinkle crumbs over vegetables and sauce. Bake at 350 degrees for twenty to twenty-five minutes.

**Creamed Vegetables, Meat or Fish**  
2 cups cooked vegetables, meat or fish 1 1/2 cups MEDIUM WHITE SAUCE  
Combine vegetables, meat or fish with the white sauce and garnish.

### Chart for White Sauce

## Church Notices

## CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor  
Services Sunday, February 4th.  
Bible School 10:00 a.m.—This school only convenes for one hour. One hour a week seems too little a time to devote to the largest and the most vital of subjects. It is here that ages from the children of the cradle roll to the great-grandparents receive instruction that builds and retains character and molds the lives of successful generations. A warm fellowship awaits you at "Central Baptist."

Morning Worship—11:15 a.m.—Communion will be served following the morning service to which all Christians are invited. The Pastor will have a subject appropriate to the communion service. Likewise the choir will offer their usual contribution in music.

B.Y.P.U., 6:45 p.m.—High School Group meets on the Sunday School room for an hour's service.

Evening Service, 7:45 p.m.—"The Four Alls of Jesus" will be the subject of the evening service. Solos and music by the choir following the usual congregation song service.

Monday, February 5th—A meeting of all men of the church will be held in the Sunday School room at 8:15. Mr. David Little, of Riverton, will deliver his interesting discourse on "Travels in the Air." A social time will follow the meeting. Men of all ages are invited.

Friday, February 9—The World's Day of Prayer will be observed from 10 to 11 a.m.—in the church when the women will gather for prayer as has been their custom for several years past.

## METHODIST CHURCH

Rev. William A. Boyd, Pastor  
Sunday morning the Holy Communion Service will be observed. All members of the church and those who expect to become members should be present at this service.

The evening service begins at 7:45. The sermon will be delivered by the Rev. W. A. Boyd, minister of the church. The High School and the Senior Chorus will sing; the trumpeters will be there and all the people are invited to this friendly, Christian service.

The Ladies Aid Society will meet in the intermediate room at 2:30. This meeting is important. Final plans for the pork and kraut supper are to be completed.

The regular meeting of the official board will be held on Tuesday and all members are requested to be sure and be present.

The mid-week, prayer, praise and bible study hour will be resumed this Wednesday evening at 6 o'clock. This will be a Lenten Service. The topic of the message will be "The Washing of the Feet."

## SAFE DRIVERS

Eleven Public Service Coordinated Transport bus salesmen who have had perfect driving records for ten or more consecutive years with the company were honored on Tuesday evening, January 30, at a Safety Night program in the auditorium of Public Service Terminal Building, Newark. Each of these men has driven Public Service busses more than 500,000 miles without an accident. Matthew R. Boylan, vice president in charge of operation, presented a wrist watch to each man.

## CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist  
Thomas Ave. and Seventh St.  
Riverton, N. J.  
Sunday School, 9:30 a.m.  
Sunday Services, 11 a.m.  
Wednesday, 8:00 p.m.  
Reading Room in Church Building  
Thomas Ave. and Seventh St., Riverton, open Tuesday and Friday, 2:30 to 4:30.

## WESTFIELD FRIENDS MEETING

Burlington Pike  
Sunday Morning  
10 o'clock—First-Day School.  
11 o'clock—Meeting for worship.

## Wesleyan Men's Bible Class

For the Men of the Community

Of Jesus it was said, "He went about doing good." This statement of the life of Jesus is both true and comprehensive.

To Pilate Jesus said, "My kingdom is not of this world, if it were, then would my servants fight." The Kingdom of God which Jesus founded is that of love, justice and brotherly kindness. These principles He embodied in his wonderful life of unselfish service, even to the sacrifice of His life for others. The influence of His life for others is ever widening and blessing humanity. What a contrast to the cruelty and bloody tracks of earth's conquerors—"Jesus went about doing good."

Healing, comforting, relieving burdens, ever and always sympathizing. For these and other blessings He is worshipped and acclaimed as the world's Redeemer and King.

The disciples were so like Jesus that it was said of them, "They have been with Jesus." The radiance of goodness of Jesus was reflected in their self-surrendered lives and service to others. It is our purpose as a Bible Class that it may be said of us, "They have been with Jesus," as we worship and take our place in the home and society. Come with us and share in the influence of Him who went about doing good. Every Sunday morning at 9:50.

## SACRED HEART CHURCH

Riverton, N. J.  
Pastor, Rev. John F. Welch.  
Assistant Pastor, Rev. Vincent A. Luther.  
Sunday Masses—7:00 - 9:00 - 10:15.  
Daily Masses—7:00 - 7:45.  
Confessions every Saturday, 3:45, 5:45 and 7:30 to 9:00.

A delightful little play, "The Little Lady of Yesterday" will be given by the children of Sacred Heart School on Sunday, February 4th. Curtain promptly at 8:00 p.m. A matinee will be given on Friday afternoon at 3:15. A cordial invitation is extended to all in the vicinity.

Friday, February 2nd, is the Feast of the Purification of the Blessed Virgin Mary. Candles will be blessed and may be procured after the seven o'clock Mass or on next Sunday. Every Catholic home should possess some blessed candles. They are used on many occasions, but particularly needed on the occasion of a sick call.

Saturday, February 3rd, is the Feast of St. Blasius. It is an old custom for Catholics to present themselves at church on that day for blessing of throats. These blessings will be given after the seven o'clock Mass, in the afternoon at three o'clock, and again in the evening at seven.

Next week we begin the Holy Season of Lent on Ash Wednesday. Ashes will be distributed after Mass on that morning and also in the evening after services. Evening services on Ash Wednesday will be at 7:45.

A pre-Lenten dance will be given by the Sacred Heart Alumni Association on Tuesday evening, February 6th, at 8:30. It will be a recording. The young people of the parish are invited.

Masses for Sunday, February 4:  
7:00—R. Fichter, H. Groome.  
9:00—W. Betz, W. Kemmerle.  
10:15—R. Dennis, R. Rowan, T. Lane.

Dramatic Club Meeting—Thursday evening, February 1st, at 8:00 o'clock.

## NOTICE

I hereby give notice that on and after February 1, 1940, I will not be responsible for debts other than those contracted by myself.

"TEST OUR WELCOME"

## "Test Our Welcome"

The church needs you and you need the church. "Do we let our religion lie on the shelf," so to speak? Let's take our work for Christ more seriously, by supporting our church and doing His work.

We invite all young people of high school age and over to attend our Epworth League service. This Sunday, at 6:45 sharp. Our speaker this Sunday will be Mr. Griscom. The memory verse this week is found in Matthew 3:17 "and lo a voice from heaven saying, This is my beloved Son, in whom I am well pleased."

Our history-hymn for this week is "When I Survey the Wondrous Cross." Let us not forget the Epworth League rally Friday, February 9, at Berlin.

## CHRISTIAN SCIENCE CHURCH

"Love" is the lesson-sermon subject for Sunday, February 4, in all Christian Science Churches and Societies throughout the world. The Golden Text is: "The love of God is shed abroad in our hearts by the Holy Ghost which is given unto us." (Romans 5:5).

Among the citations which comprise the lesson-sermon is the following from the Bible: "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with lovingkindness have I drawn thee." (Jeremiah 31:3).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Love is impartial and universal in its adaptation and bestowal. It is the open fountain which cries, 'Ho, every one that thirsteth, come ye to the waters'" (p. 13).

Cancer is a disorderly and uncontrolled growth of cells.

## Municipal Topics

## 1940 Census

"The 1940 decennial census will provide the most exhaustive assemblage of facts ever compiled on the population, resources, business and occupational activities of the United States, thus bringing up to date the most complete statistical record possessed by any nation."

The statement is by the Bureau of Census of the United States Department of Commerce and with it comes a highly interesting resume of 150 years of census taking showing the growth of the country during the period. For example:

"The first census in 1790 showed a total population—in 17 states—of 3,929,214. At that time Virginia was the most populous state with 747,610. Pennsylvania was second, with 434,373; North Carolina third, with 393,751; Massachusetts fourth, with 378,787; New York 340,120 and Maryland 319,728. The entire population of the United States at that time was only a little larger than the population of Chicago today. The entire population of New York

State was about equal to today's population of Rochester alone."

## Population Density

Contrasting the 1790 density of population, which was 4.5 persons per square mile, with the 41.3 figure of 1930, it is pointed out New Jersey in 1930 had a density of Belgium, Holland and other European countries.

Early censuses were concerned principally with measuring growth. This year the census will go exhaustively into such matters as the nation's working population, which has become of vast importance because of the twin problems of employment and relief. Both the extent and nature of employment will be checked. When the tabulation is completed, it will give the most comprehensive picture of the situation ever brought together. At the same time a valuable basis of study will be afforded Federal, State and municipal authorities in devising remedies.

## Complexities

Discussing the complexities the census has assumed, the statement has this to say:

"During the 150 years spanned by the census the center of population has moved from the Atlantic seaboard to Indiana and the geographical center to Kansas. These 150 years have seen great cities like Chicago, St. Louis, Denver and San Francisco expand from mere settlements and these same 150 years have encompassed the beginnings and the development of steam navigation; the great railroad transportation system with its 240,000 miles of track; the telegraph and telephone with their 93,000,000 miles of wire; the electric light and power industry; the automobile and the radio, wilderness trails have been transformed into nearly 4,000,000 miles of roadways traversed by 30,000,000 motor cars and trucks.

"The population records of the census embrace over 8,000,000 pages and a mile of shelving and they are weighted with historical interest. So precious have these records become that, in order to avoid frequent handling and the danger of destruction, they are now being micro-filmed. These volumes contain the enumeration records of every President of the United States, except Washing-

ton, and Washington's is recorded by the initials 'P.U.S.'—President of the United States—in a notation written by Robert Morris on a circular containing the list of the occupants of the Capitol Building at Philadelphia, Thomas Jefferson, Secretary of State, also signed that list—now preserved in census records."

## SPECIAL FILM AT THEATRE ON SOCIAL HYGIENE DAY

Thursday, February 1, is Social Hygiene Day and the Visiting Nurse Society is sponsoring a film, "With These Weapons" from the Social Hygiene Association, New York City. It is being put on at the Palmyra Broadway Theatre at 1 p.m. and 6 p.m. There is no admission charge. Come and be educated.

Cancer does not result from eating foods cooked in aluminum cooking utensils.

Phone, Riverton 830

Above is a facsimile of the official seal of the Fifth Annual Stamp Exhibition of the Association of South Jersey Stamp Clubs which this year is built around Walt Whitman as its theme. The exhibition will be held at the Hotel Walt Whitman from February 17 to 30, the last day being the date of the first day sale in Camden of the new 5 cent Walt Whitman stamp.

The official cachet of the association shows a picture of the Walt Whitman House on Mickle street. These envelopes, with the seal above on its reverse side and the Walt Whitman stamp with its "First Day of Issue" cancellation will be well worth saving for their historical importance and are now for sale at 15 cents each by E. C. Pratt, for the association, P. O. Box 149, Camden.

Ever since the fact that only twenty million of these Walt Whitman stamps would be printed was made known there has been a rush for these covers with its first day cancellation on February 20. The usual stamp order is about a hundred million which will make these stamps hard to get as twenty million stamps will not go far in this collecting age.

## First Log of Marines

Battered and worn is an old day book that rests in the archives of the Historical Society of Pennsylvania, yet within its covers are some of the most dissimilar entries ever included in a single volume. Its pages reveal records of Masonic meetings, tavern bills, hardware accounts and data comprising the first log of the Marines.

Flames of the Revolution had not yet begun to smoulder in 1749, when a Quaker gentleman neatly inscribed in the leather-bound book the minutes of a Masonic meeting. For some six years thereafter accounts of similar meetings were faithfully entered in the ledger of Tun Tavern, formerly a riverside hostelry near the Delaware in old Philadelphia.

But the Masons moved to new quarters in 1755, leaving their ledger behind. A score of years later when the Marines were drumming up recruits for the new Continental Navy, they made their rendezvous at the tavern, and the book was used to jot down the names and records of the newly-recruited sea soldiers.

Almost as legible as when they were written the book reveals the muster roll, pay roll and other records of these early American Marines, the first of the entries beginning in 1776, and showing the various sums they were paid in pounds, shillings and pence.

Soon after 1779 the Marines abandoned the book and the tavern proprietor found it handy to itemize the bar bills of his customers, these accounts running up until 1786. Nearly fifty years later a hardware merchant used the aging tome as a day book.

After serving so many purposes the forgotten book lay in an attic for another half-century until it became the property of the Historical Society in 1891.

## COLD WEATHER WARNING

Here's a cold weather warning from the Keystone Automobile Club:

"Check your car for carbon monoxide, the most insidious enemy of motoring."

On the basis of engineering in-

vestigations it is believed that many otherwise unexplained highway accidents are due to drivers unknowingly breathing dangerous amounts of escaping exhaust gases, especially in cold weather when car windows are kept closed.

Reports of investigations received by the Club show that in two per cent of the vehicles tested the carbon monoxide concentration was found potentially dangerous.

Sources of Trouble  
The source of the trouble was traced to one or more of the following defects in the exhaust system:

Loose exhaust pipe or manifold connection, blown-out exhaust gasket, cracked exhaust manifold, leaky muffler or faulty design of the ex-

haust system. Exhaust gases escaping from these defects may enter the vehicle in large quantities without the driver being aware of the danger, it is asserted.

"Motorists generally," said Trevor B. Mathews, manager of the Camden Division of the club, "realize the danger of carbon monoxide in closed garages, although annually many are killed through failure to take proper precautions. The danger to drivers on the open road has not been sufficiently emphasized. It now appears, however, that accidents involving experienced drivers traveling along straight highways under safe operating conditions may be caused by carbon monoxide rendering the operators less efficient. Inhalation of the gases may cause

headache, sleepiness, weakness, impaired judgment and decreased driving ability."

## OLDS SALES INCREASE

Oldsmobile sales of new Sixes and Eights for the second 10-day selling period of January totaled 4,123 units, the second largest volume for this period in Oldsmobile's history, D. E. Ralston, general sales manager for the company announced this week.

"Sales this year increased more than 19 per cent over the 3,458 cars sold during the same period last year," said Ralston, "and more than 18 per cent over the 3,490 cars sold during the first ten days of January this year," he added.

"While substantial sales increases have been made in each of the three series of Oldsmobiles this year, the most noteworthy sales gain is found in the Oldsmobile Custom '8" Cruiser series. Sales for the second ten days of January of this series totaled 969 units and gained approximately 31 per cent over the 740 eight cylinder Oldsmobiles sold during the first ten days of January this year."

## GUIDANCE WORK

The guidance department, under the direction of Miss McDonnell, in cooperation with Mr. Whitcraft of the grammar school faculty, is presenting a group of talks to the eighth grade students, to better acquaint them with the high-school courses so that they may make a better choice of their courses.

Miss McDonnell gave the first talk January 9, which covered the high school in general as to social and athletic activities, and scholarship.

Each of the courses will be explained by a member of the high school faculty. The schedule is as follows:

January 23—Mr. Jones, social scientific, practical arts and life.

February 6—Mr. Perry, agricultural courses.

February 20—Mr. Bretsch, Mr. Millman, commercial courses.

March 5—Mr. Ray, classical.

March 19—Mr. Kreps, scientific.

At the last meeting the pupils will decide "What Am I to Choose and Why?"

The Women's Field Army for the control of cancer was organized in 1936 to enlist the women of America in a sensible program to control cancer.

Do not entertain morbid fears about cancer. Most of those who think they have it and who are examined do not have it.

The increased incidence of cancer is due in part to more accurate diagnosis.

## Biscuits

## Are A Treat

## BISCUIT VARIATIONS

Standard Biscuit Recipe  
2½ cups flour 6 tbs. short-  
ening  
½ tsp. salt ¼ to 1 cup  
5 tsp. baking powder milk

Mix and sift dry ingredients. Cut in shortening and add milk, mixing lightly. Cut out and bake for ten minutes at 450 degrees.

Maple Sugar Biscuits  
1 standard Butter  
recipe of Grated maple  
biscuits sugar

Mix biscuits, cut out. Brush tops with butter and sprinkle with grated maple sugar. Bake at 450 degrees for twelve minutes.

Filled Biscuit for Salad or Tea  
Bake biscuits in small muffin tins, scoop out center and fill with:  
Chopped crisp bacon and cooked egg, or  
Anchovy paste, or  
Grated horseradish mixed with Roquefort cheese.

Filled Biscuit as a Simple Dessert  
Fill shells with:  
Orange marmalade and top with whipped cream into which a very little chocolate has been grated; or mixture of raisins, nuts, flavored with lemon juice, or fresh or canned fruit; apple sauce and top with whipped cream.

Filled Biscuit as Luncheon Dish or Accompaniment  
Fill center with:  
Newburg of seafood, or  
Creamed meats or vegetables, or Spinach chopped fine and mixed with cooked egg.

A little salt, pepper and mace.

MOST families are delighted when mother serves hot breads—particularly biscuits. Many mothers with a keen eye for efficiency double the biscuit recipe and make enough bread for several meals.

Quick breads require a hot oven. The insulated oven of the gas range has a heat control which regulates the temperature and can hold the heat at 450 degrees.

To robust biscuits, place them in the bun-warmer over the gas flame. They may also be freshened by heating in the oven in a heavy paper bag that has been dampened.

Swedish Tea Rolls  
2 cups flour ½ cup butter  
2 tsp. baking 2/3 cup milk  
powder (about)  
½ tsp. salt 1/3 cup sugar

Sift dry ingredients except cinnamon and sugar, cut in the butter and add milk gradually to form a soft dough. Roll to one-third inch thickness and cut into three inch squares. Put a small amount of cinnamon and sugar mixture on one-half of each square. Fold each square in half, sprinkle with more cinnamon and sugar and bake at 450 degrees for fifteen minutes.

## The Porch Club

(continued from page 1)  
Library bridge will either bring them to the club or call Mrs. Abell who will be pleased to call for them.

An enthusiastic group of artists under instruction of Mrs. Murray C. Oyer began their second series of lessons on Wednesday, January 31st. Both the beginners and the advanced students have taken a deep interest in their work and have had several exhibitions displaying some very talented work in still life, landscape and portrait. Some of their canvases are now among those being shown in the Gimbel Brothers store in Philadelphia.

The program for February 6th will be Arts and Crafts at 10 o'clock in the morning. At 2:30 there will be a business meeting after which the Literature Group will entertain the club with an imitation of one of the well known and popular radio programs. Time and effort has been put into this program and it should be highly entertaining. Following this there will be a Time Magazine Quiz, in which all those attending can participate. The winner will be awarded a prize by the editors of Time Magazine. It is hoped that there will be a large attendance.

## SLIPPERY ROADS CAUSE CRASHES

Several Accidents Result When Drivers Fail to Observe Necessary Caution

The light snow that fell on Friday caused highways in this section to become almost solid sheets of ice and a number of auto mishaps were occasioned when careless drivers drove their machines without regard to the hazardous going. As a matter of fact, after seeing some of the speedsters in action, many marvelled that the toll was not greater.

The first crash occurred when a large truck, driven by Lewis Tori, South 28th street, Philadelphia, and owned by the Tripoli Supply Co., got out of control and overturned near Lakeview Memorial Park, on Route 25.

No one was injured, but the vehicle was damaged extensively.

Same Place

The second accident occurred at the same location at 11 o'clock Friday morning when the machine operated by Rev. Wayne Womer, 279 Highland avenue, Newark, going toward Camden, performed a series of weird maneuvers on the slippery pavement and finally turned over.

The car was wrecked, but here again, fortunately, there were no injuries.

The third affair of the day came at noon, near Five Points, the auto driven by Walter Gager, Farmworth avenue, Bordentown, being involved.

Pumps Go Down

This car was going toward Camden, but gyrated all over the road in such a manner as to leave the driver considerably mystified as to his destination.

During the course of the erratic skid, the machine mowed down two gasoline pumps located in front of the Frenzel station on the east-bound side of the road.

There were no injuries, but property damage was considerable.

Chief George Dorworth, of Cinnaminson, investigated all three accidents.

## Final Dividend Of Closed Bank

Spencer L. Haines, receiver of the closed Palmyra National Bank is now distributing a fourth (final) dividend to depositors of that institution.

This dividend amounts to \$3.37 per cent of the original claims. Prior dividends aggregate 45 per cent, making a total of 53.37 per cent.

Checks may be obtained at the receiver's office, 13 East Broad street, second floor, Palmyra, every weekday (including holidays) up to and including Saturday, February 24, between the hours of 9 and 5 on weekdays and 9 and 12 on Saturdays.

For further convenience of depositors the receiver will arrange to distribute checks on Wednesday and Friday evenings of each week, from 7 to 9 p.m.

All checks must be called for by Saturday, February 24th. After that date they will be returned to Washington and the office closed. It will then be necessary for the claimants to wait until they receive further instructions from the Comptroller's office.

WATER MAIN BREAKS

A bad break occurred in the water main on Main street, opposite the site of the new post office, Riverton, on Wednesday morning of this week.

The paving in the center of the highway bulged outward and a large volume of water poured through the

(continued on page 9)

## MATHEWS LECTURE NEXT TUESDAY

Judge Frank Mathews, of Riverton, will present his third talk in a series of four lectures on the Constitution of the United States in the auditorium of the Cinnaminson Public School, on Tuesday evening, February 13, at 8 o'clock. The fourth discussion will be held at the same location and time on February 27.

The series is being given under the auspices of the Cinnaminson Parent-Teacher Association and many have taken advantage of this fine opportunity to learn more about our government from this talented speaker who has complete knowledge concerning this broad topic.

## FOUNDERS DAY IN CINNAMINSON

Parent Teacher Association  
Program; Mrs. Charles Evans to Speak

On Wednesday, the fourteenth, the Cinnaminson Parent-Teacher Association will hold its regular Founders' Day celebration. As usual, a voluntary offering will be received as the Founders' Day gift for extension work in the state.

The guest speaker of the evening will be Mrs. Charles Evans, one of the charter members of the Cinnaminson Parent-Teacher group, who was also a guest at last year's Founders' Day observance. On Wednesday evening Mrs. Evans will bring a brief message of work among young people which will be new to most of her hearers and of very vital interest to all.

Safety Patrol

The second half of the program will be in charge of the school's Safety Patrol under the direction of Mrs. Elizabeth Parker. Members of the Safety Patrol will present two short one-act plays: "The Cup" and "Timmy's Narrow Escape." The first demonstrates a safety principal in swimming, the second in bicycling—both very timely, and right in line with the work of the local Patrol group.

The cast of characters is as follows:

"The Cup"—Charlotte, Bella Taylor; Billy, Warren Hughes; Fred, Ben Costa; George, Herbert Gale; Mr. Boone, Calvin Knowlton.

"Timmy's Narrow Escape"—Joan, Ruth Hotchkiss; Jane, Irma Yerkes; Elsie, Mary King; Harriet, Marie Dilks; Bob, Ben Costa; Jerry, Billy Hall; Jack, Jim Dilks; Timmy, a kindergarten.

Committees  
Stage committee—Ruth Bittling, Katherine Gale, Rose Bittling, Ruth Holtz, Ruby Kuensell.

Prompter, Mildred Perkins; announcer, Alice Bittling. As a further part of the student participation part of the program, Mr. Hay and his harmonica group will entertain.

The school buses will run for the convenience of parents, members and friends, and it is expected that this Founders' Day will be one of the really fine, big meetings of the Parent-Teacher year.

Oratory Contest

Post Frederick M. Rodgers, Legion Post, will sponsor the second portion of the oratorical contest in which the winners of all the Americanism contests held by the legion posts throughout the county will be represented and participate to select a winner to represent Burlington county.

The affair will take place next (continued on page 12)

## HE SHALL NOT PERISH

So long as there is a desire for freedom; so long as there is tolerance and forbearance; so long as there is democracy — so long will the memory of Abraham Lincoln remain fresh.

## "The Rivals" On Saturday

After weeks of arduous practice the Drama Club of Palmyra High School will present Richard Brinsley Sheridan's comedy "The Rivals," this Saturday evening, February 10, in the Palmyra School auditorium. Curtain will be at 8:15 and the admission is forty cents for adults. The proceeds from the performance will aid the School Activity Fund.

The play, dealing with many intriguing situations and characters, is to be presented Friday afternoon as a matinee for the student body.

Cast

Following is the cast selected for the play:  
Cast in Order of Appearance:  
Fag, George Mack; coachman, Edmund Turnock; Lydia Languih, Jean Smalley; Lucy, Mary Jane DeCoursey; Julia, Lucille Leshon;

Mrs. Maleprop, Beatrice Weiner; Sir Anthony, Richard Deemer; Captain Absolute, John Parsons; Faulkland, Robert Yerkes; Bob Acres, Arthur Gowell; Sir Lucius, Louis Franklin; David, James Brown.

Prologue and epilogue, Mary Philie.

## PORCH CLUB

About 60 members enjoyed the February 6th meeting of the Porch Club. This meeting was in charge of the Literature group, who mimicked a well known and very popular radio program "Information Please." Those taking part were Mrs. Singleton Moss, Mrs. Henry Randall, as announcer, and the board of experts were Mrs. Henry Shreve, Mrs. Claude Anderson, Mrs. Stewart Berger and Mrs. Stuart Clark. The questions were completely unrehearsed.

After this program Time Magazine offered a test in which all of those present took part. A prize of any \$5.00 book was given by the Time Magazine, for the person making the highest score. This was won by Mrs. Charles Loney.

Miss Besse Howard's lecture on International Relations which was scheduled for February 15 has been postponed, due to illness in her family. Miss Howard has cancelled all engagements and the date when she can next lecture at the club will be announced later.

The exercising class again meets on Monday morning with the exercising starting promptly at 10 o'clock. Various kinds of exercising is specialized in and Miss Tomes is (continued on page 12)

## SKATER WITH SAIL IS VERY SPEEDY

A number of people driving along Bank avenue, Riverton, last Saturday afternoon paused to watch the performance of a skater with a sail who was enjoying rapid transportation up and down the river on the smooth ice near the shore in the vicinity of the Riverton Yacht Club.

The speed attained by the individual with the help of the brisk wind blowing was almost incredible and he darted up and down the frozen surface at what must have been a rate between 40 and 50 miles per hour. Travel in either direction presented no obstacle, so cleverly did the skater handle the cumbersome sail. Stops and starts were achieved without difficulty and not once did the performer falter or even come close to taking a fall on the ice.

## SCHOOL ELECTIONS NEXT TUESDAY

No Contest in Riverton; Taylor Opposed by Rev. Bowe in Cinnaminson

Elections for members of the Board of Education in Palmyra, Riverton and Cinnaminson will be held in the school buildings of the respective communities on Tuesday night of next week (February 13) from 7 to 9 o'clock.

Voters will also decide upon budget appropriations for the next fiscal year.

In Riverton, there will be no contest. Mrs. Charles Yost, Dr. J. Rowland Dey and Robert G. Adams, incumbents seeking re-election. There are three vacancies.

Cinnaminson

In Cinnaminson, Howard Taylor, member and president of the Board of Education is opposed by Rev. Madison Bowe, pastor of the St. Paul's Baptist Church, of East Riverton. One vacancy exists.

The Cinnaminson voters will also decide upon a bond issue of \$26,000 for contemplated addition and improvements to the colored school in addition to voting upon current operating expenses.

Palmyra

Palmyra has four candidates for three vacancies existing for the full term of two years. The aspirants are Leonard R. Baker, George M. Durgin and William Donaghy, present members, and Thomas Cahill, Jr., who is seeking a post for the first time.

James B. Ryan is running without opposition for the unexpired term of Frank Snowden, who resigned recently.

The proposed budget is as follows:

Current Expenses	\$47,816.22
Repairs, Replacements	7,000.00
Manual Training	4,000.00
Vocational Training	1,000.00
Library	500.00
Purchase of Land	700.00
Total	\$61,616.22

## SCANT ATTENDANCE AT OPEN MEETING

The open meeting held for a public discussion of the proposed alterations and additions to the present colored school building in Cinnaminson Township attracted no more than thirty people on Tuesday night of this week.

The colored representation after a complete description of the proposed changes by the architect seemed entirely satisfied with the project. The only change was the suggested removal of the teachers' rest room from the basement to a small room set aside for an auditorium kitchen on the plans.

The voters will be called upon to vote on the \$26,000.00 school project

## WANDERING TIRE RAISES HAVOC

Wrecks Rear of Car in Freak Accident; Owner Happy Then Downcast

One night last week Howard Haines was sitting in his office, on Route 25, near Five Points, when he heard a loud crash at 10:45 o'clock. Upon investigation, he found that the rear end of his car, parked in front of the store had apparently been struck by a shell from a "Big Bertha."

A search for the cause of the damage revealed a huge tire in the nearby vicinity, this projectile having hit the car and bounding some distance away.

Mr. Haines called Chief George Dorworth, of the Cinnaminson police, who found that the tire had come from a westbound truck, crossed the safety island and the eastbound lane, bouncing into the air over a flower bed with just the right angle to hit the auto. The missile weighed about 200 pounds.

Locate Truck

Believing that the truck could not go far with a tire missing, the chief started down the highway and soon found a commercial vehicle pulled off the side of the road with one tire of a dual rear wheel flat and the other one missing.

The driver, Nathan Moore, Havre de Grace, and employed by the East Coast Freight Lines, of Richmond, Va., was in a great dither over the loss of the tire and was greatly overjoyed when Mr. Dorworth told him of its recovery. He agreed to return to the Haines store to claim ownership.

The trip into the store was made in such a manner that only Moore gleefully identified the rubber spheroid.

He was then shown the damaged car and, upon this, his jubilation received a considerable setback.

All ended well, however, when an insurance

### BRIEF ITEMS from ABOUT TOWN

Before the snow on Friday, the Parry Volunteer Fire Company answered several calls for grass fires. No damage resulted.

An accident occurred on Route 25 last week near Five Points when the machine operated by Ruth Thompson, 2793 Stevens street, Camden, was run into by a car driven by Leon Brelward, 3 Walnut street, Bordentown. The crash took place when the Thompson auto was making a diagonal turn to the westbound lane. No one was injured and no arrest was made by Chief George Dorworth, of Cinnaminson, who conducted an investigation.

East Riverton was without water for several hours last week, due to a break in the mains over the Pompton Creek bridge. Fortunately no fires broke out while repairs were being made.

Painters are engaged on the exterior of the Palmyra railroad station. This work will result in a much needed improvement.

The new Riverton post office is going up fast, workmen starting on the placement of window and door frames on the first floor during the first part of the week.

The ice has played some strange pranks with the channel markers in the Delaware River herabouts. On Tuesday morning of this week, the red nun buoy that designates one edge of the channel, off the foot of Linden avenue, was observed several hundred yards to the north of its proper location, on the far side of the black can buoy that marks the other limit of deep water. It is to be hoped that no vessel using the buoy to set his course, since the present location is directly over a bar, instead of the channel.

**CENTRAL BAPTIST CHURCH**  
Rev. George Lockett, B.D., Pastor  
Services Sunday, February 11th.  
Bible School, 10:00 a.m.—Don't attend any bible school? You are then invited to Central Baptist. You are neither too young or too old. There are classes with good teachers for any age.

Morning Worship, 11:15 a.m.—"We That Are Strong" will be the sermon subject of the morning by the Pastor. Anthems and solos by the choir. When you visit the bible school plan to attend the morning service which follows immediately.

B.Y.P.U., 6:45 p.m.—Interesting meetings are held in the Sunday School Room every Sunday at this hour for those of High School age. If you have never attended, this service is recommended to you.

Evening worship 7:45 p.m.—Let us not forget that Sunday does not end after the morning service, and that there is much to be gained by attending the evening service. The pastor will have as his subject "Sub- mit Yourselves to God." The choir will be on hand to furnish their usual anthem. Come out and enjoy this service.

The men's meeting on Monday evening proved a great success, having about 46 present in spite of all the illness. David Little held the attention of his listeners for almost an hour when he very ably and thoroughly enlightened them on the various phases of air travel. William Cooper, Jr., acted as chairman of the meeting and was given authority to appoint a nominating committee for the election of officers.

### LOCAL BUDGET

Section 1.  
Local Budget of the Borough of Riverton, County of Burlington, for the fiscal year 1940.  
BE IT RESOLVED, that the following statements of revenues and appropriations shall constitute the local budget for the year 1940:  
BE IT FURTHER RESOLVED, that said budget be published in The New Era, at Riverton, in the issue of 8th day of February, 1940.  
Notice is hereby given that the budget and tax resolution was approved by the Council of the Borough of Riverton, County of Burlington, on January 26, 1940. A hearing on the budget and tax resolution will be held at the Fire House on the 29th of February, 1940, at 8 o'clock, at which time and place objections to said budget and tax resolution of the Borough of Riverton for the year 1940 may be presented by any taxpayer of said municipality.

STATEMENT (Required by Revised Statutes Section 40:2-14)	1940	Actual 1939	Actual 1938
Taxes for 1940	\$ 7,230.72	\$ 7,230.72	\$ 7,863.52
State Soldiers' Bonus Bond (Estimated for 1940)	153.00	153.00	153.00
County (Estimated for 1940)	25,811.25	25,811.25	17,817.41
(c) County Library (Estimated for 1940)	623.34	623.34	714.86
Local District Schools (Estimated for 1940)	40,063.97	41,303.97	45,129.90
Local Purposes	18,095.48		
(a) As shown by Budget Less Bank Stock		37,642.05	33,637.61
(b) Bank Stock Tax		302.16	300.01
Totals	\$111,988.36	\$113,108.09	\$105,699.81
Tax Rate (Estimated for 1940)	4.37	4.42	3.92

**LOCAL BUDGET — EXPLANATORY STATEMENT**  
The Borough closed its books for 1939 with a cash surplus of \$2,156.31, which amount is being taken up as a miscellaneous revenue in the budget for 1940. Although there have been increases found necessary in several items of the budget, for instance: The Fire Company \$350.00, Foreclosure of Tax Title Liens \$350.00, Lighting \$300.00, Streets and Roads \$300.00, and other minor increases, the Mayor and Council have been able to avoid any serious increase in the local purpose tax by the use of the surplus cash above mentioned. From information received, there will be a reduction in the amount required to operate the schools of approximately \$1,200.00 and the combined figures, as shown by the Statement thereby result in a reduction in the estimated tax rate from \$4.42 to \$4.37 or a difference of \$0.05 compared to the rate for 1939. This, however, does not take up any increase in the County tax of which there seems to be persistent reports from the Board of Freeholders. The figures in this regard are not yet available. The Tax Collector, C. Kenneth Davis, collected approximately 85% of the current taxes and almost 61% of the delinquent taxes. These percentages are very high compared to the average tax collections in surrounding municipalities and they greatly assist in keeping the Borough upon a cash basis, as contemplated by the statutes and result in a much improved financial condition, insofar as the accounts under the jurisdiction of the Mayor and Council are concerned. Taxpayers are urged to meet their obligations promptly in 1940 so that the improvement may be continued.

ANTICIPATED REVENUES	Anticipated	Realized in 1939	Realized in 1938
General Revenues			
1. Surplus Revenue Cash Appropriated	\$ 2,100.00	\$ 3,872.39	\$ 3,872.39

ers in view of forming a permanent men's organization.

### MILITARY BALL WAS MOST SUCCESSFUL

The Military Ball held by the members of the American Legion Cadet Corps last Saturday evening in the high school gymnasium was both a financial and social success and the organization extends thanks to the public who made the event so successful. The affair was enjoyed by everyone, especially the grand march which was led by Mr. and Mrs. Leonard R. Baker, Sr. Mr. Baker is president of the Palmyra Board of Education. Those following were the directors of the corps including Mr. and Mrs. Harry Goome, Mr. and Mrs. Horace Rowland, Mr. and Mrs. Raymond Richter, Sr., president of the organization, and Marcellous Baker, who was in charge of the Ball.

The committee desires to compliment George Bishop, and George Trautman, for the work they did in the decorating of the gymnasium for the event.

**ON THE AIR**  
The Main Street Market, of 528 Main street, Riverton, has joined in a cooperative broadcast from radio station WCAM every Monday afternoon from 3 to 4:30 o'clock. Prize awards and music are both features of the program.

Cancer is not contagious or communicable. It is not a "catching" disease.

### Westfield Friends' School

The regular Assembly at Westfield Friends' School was held as usual, February 2. The program was quite simple and was devoted to entertainment for the upper groups by the little children and the program was conducted by the younger group. It proved most worthwhile as the responses were easy and free. There were several musical selections in addition to the stories, articles and announcements. The proposed trip to the post office by the kindergarten and first grade will take place some day this week. On Wednesday the Upper School will attend Meeting and we are always gratified that they are really interested in going and contributing to the worship.

The regular work for all groups in Social Studies is progressing satisfactorily as well as the work in the regular "tool subjects."

### CARD OF THANKS

We wish to express our appreciation for the many kindnesses shown in our recent bereavement, especially to those who sent cars and flowers to the funeral.  
Mrs. C. Watson Richman and family.

### PALMYRA WINS FROM BURLINGTON

Coach Dimond's Palmyra High court aggregation racked up a 34-25 win over Burlington on Tuesday night at the local gym, leading from start to finish.

The first quarter produced little in the way of scoring, but the Red and White boasted a 17-7 lead at intermission as Henson, high scorer for the evening, commenced to ring the bell.

Burlington rallied in the third period and trailed by only three markers at one stage. Henson and Hoff then went into action to put the affair on ice.

Each team scored twice from the floor in the last two minutes of play. The win was the fourth loop decision for Palmyra.

### AUXILIARY LUNCHEON

The Palmyra Branch of the Zurburg Memorial Hospital Auxiliary will hold a covered dish luncheon at the home of Mrs. W. C. Rudolph, of 913 Washington avenue, on Thursday, February 15, at 1 p.m. Mrs. Fred Seebach has been appointed sewing chairman. This group will do hospital sewing on the first Thursday of each month. Anyone interested in this work call the chairman, Riverton 853.

Chronic or repeated irritation may be a predisposing cause of cancer.

### TRAFFIC DEATHS 814 DURING 1939

Street and highway traffic in New Jersey was responsible for 814 deaths during the year 1939, according to the report of Motor Vehicle Commissioner Arthur W. Magee today. Total deaths in the previous year numbered 865 and in 1937 twelve hundred and seventy-eight.

It was the second consecutive year that traffic fatalities decreased in the Garden State and likewise the lowest death toll in sixteen years. Under the circumstances, Commissioner Magee hopes that New Jersey will again win the National Interstate Traffic Safety Contest in which it carried high honors in 1938 for its life-saving record and well-rounded program of safety activity.

Back in 1923 the last time that traffic deaths fell below the 1939 figure was in 1923 when 774 persons were killed in accidents. But in that year, the Commissioner points out, there were only 427,166 automobiles registered and 501,518 drivers licensed as compared with 1,034,924 cars and over 1,300,000 drivers last year. In other words, last year's death toll was comparable with the 1923 level despite the fact that there were 142 per cent more automobiles in use and 159 per cent more drivers on the streets and highways.

For the purpose of further comparison, Commissioner Magee points out that in 1923 there was one traffic fatality for every 558 automobiles and every 649 drivers. Last year there was one death for every 1,262 cars and every 1,576 drivers, indicating that traffic safety has improved despite the greater use of the streets and highways.

Deaths  
Following is a comparative record of traffic fatalities in the counties during the past two years:

County	1938	1939
Atlantic	50	46
Bergen	78	87
Burlington	39	36
Camden	61	37
Cape May	9	4
Cumberland	14	24
Essex	95	117
Gloucester	25	24
Hudson	70	67
Hunterdon	21	8
Mercer	35	44
Middlesex	90	71
Monmouth	57	44
Morris	27	37
Ocean	20	15
Passaic	47	50
Salem	26	9
Somerset	17	25
Sussex	10	13
Union	62	43
Warren	12	13
	865	814

Deaths by Years  
The following table provides an interesting study of the increase in automobile ownership and licensed drivers during the past seventeen years; the steady and corresponding rise in traffic fatalities until two years ago when car inspection, stricter enforcement of the traffic laws and an intensified safety campaign began to produce results in the form of a substantial decrease in highway deaths:

Year	Traffic Deaths	Cars Registered
1923	774	427,156
1924	862	579,978
1925	862	579,978
1926	861	651,516
1927	1027	712,402
1928	1075	765,730
1929	1275	832,102
1930	1269	852,703
1931	1302	869,613
1932	1180	860,769
1933	1185	851,502
1934	1227	875,978
1935	1188	900,164
1936	1107	936,482
1937	1278	1,008,090
1938	865	1,024,096
1939	814	1,034,924*

\*Provisional—Fiscal years expires March 31, 1940.  
Let us see to it that our lives, like jewels of great price, be noteworthy not because of their wealth, but because of their weight.—Seneca.

### LECTURE - DEMONSTRATION

The Ladies Aid Society, of Calvary Presbyterian Church, invites members and friends to a Bond Bread Lecture-Demonstration to be held at the church school, February 14, at 2 o'clock. Admission 25 cents per person.

Party luncheon dishes will be prepared before the group, these being given away at the close of the meeting.  
Coffee

## PALMYRA

Mr. and Mrs. Robert J. Woods, of Columbia avenue, are spending a few weeks at Miami Beach, Fla.

Mrs. Anna Davis, of Arch street, attended the wedding of her niece at the St. Patrick's Cathedral, New York City, Saturday.

Mrs. John Milroy, of Washington avenue, was the winner in the miscellaneous club sponsored by the Palmyra P-T.A. executive board.

George Zink, of Horace avenue, is spending two weeks at Miami, Fla.

Mrs. William Dinn, of Cinnaminson avenue, was last week's winner of the dress club sponsored by the Pureka Shoppe.

Mrs. Elsie Wolfe, of LeJume Road, will entertain the members of the Lucky Social Club this evening at the home of Mrs. Lillian Whartnaby, of Cuthbert road.

The Ladies Auxiliary of the Palmyra Fire Company held installation of officers last Wednesday evening at the fire house. Mrs. Simpson, and her committee were present and a covered dish luncheon followed.

W. C. Poulson, of Melrose avenue, is recovering from a severe attack of gripe.

The members of the Shining Hour Class, of Epworth Methodist Church, will hold a progressive dinner this evening.

The Ladies Aid Society of the Methodist Church will hold a pork and kraut supper Thursday evening, February 15, from 5 to 8 o'clock. Tickets are being sold by the members of the organization at 40 cents each.

Mrs. Green, of 200 Cinnaminson avenue, was the winner in the miscellaneous club sponsored by the St. Agnes Guild of the Christ Church.

Thelma Jones, of Delanco, entertained the members of the Palmyra-Riverton Sub-Debs at her home on Wednesday evening.

Mrs. Morris Beck, of Highland avenue, was the winner last week of the merchandise club sponsored by Shulman's.

Eula Roach, of Delaware avenue, has returned home from the Zurburg Memorial Hospital, Riverside, and his condition is greatly improved.

Mr. and Mrs. Stanley Craft, of Willow Grove, spent Sunday with Mrs. A. B. Powell, of West Broad street.

The members of the St. Agnes Guild of the Christ Church, will hold a fish cake sale on Friday, February 16th, at the parish house. Orders will be taken by calling Riverton 631 or 295 and will be delivered. This event will be under the direction of Mrs. Davids. The fish cakes will be 35c per dozen or 20 cents a half-dozen.

Mrs. Harold Stevens, of Haddonfield, entertained the members of the Palmyra Chapter of Chi Sigma Delta sorority at her home on Tuesday evening. Bridge was played.

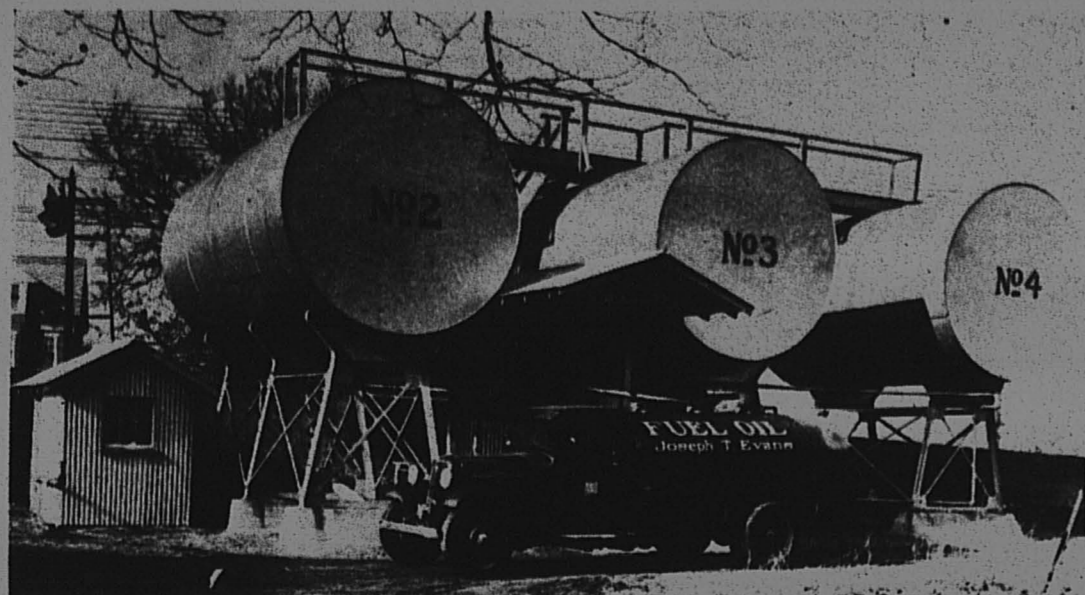

## RIVERTON

The Sacred Heart P-T.A. will hold its regular monthly meeting in the school auditorium (Thursday) afternoon starting at 3 p.m.

Miss Elaine Sheble, of Riverton, will be the guest of Robert Bartholomew, of Moorestown, at the Theta Delta Chi fraternity during Junior Week activities at Cornell University.

Mr. and Mrs. Charles Evans, of

## EVANS FUEL OIL STORAGE PLANT IN OPERATION

The J. T. Evans Co., of Riverton, has recently completed installation of its bulk fuel oil storage plant. The three tanks pictured here have a combined capacity of 50,000 gallons. The Evans Co. through this improvement is in a position to render faster service in any emergency, and greatly facilitate general delivery among its customers.

Riverton, were among those recently registered at the Chalfonte-Haddon Hall, Atlantic City.

Mrs. Louis J. Meunier, of Linden avenue, and Mrs. Frank A. Snover, of Lincoln avenue, are spending the month at Miami, Florida.

Miss Nancy G. Clark, daughter of Mr. and Mrs. Stuart Benson Clark, of Riverton, entertained at bridge and tea at the Acorn Club, Philadelphia, last Saturday.

Mr. and Mrs. Harold Baker, of Elm terrace, are spending two weeks at Jacksonville, Florida.

William H. Stiles, of Riverton, who manages the Branin Drug Store at Medford, is ill at his home.

Mrs. J. Russell Holvick, of Elm avenue, was last week's winner in the drawing of the Sacred Heart P-T.A. merchandise club.

The Woman's Republican Club of Burlington county will hold a desert-bridge at the Florence Fire House Thursday, February 15. Tickets will be fifty cents including membership.

Mrs. William G. Frank, of Thomas avenue, is under observation at the Zurburg Hospital, Riverside.

Mrs. Louis DesCognets, of Main street, is spending the winter at the Warrick Hotel, Philadelphia.

Mr. and Mrs. J. Carl De La Cour, of Bank avenue, are spending several weeks in Florida.

Mr. S. Reid Merley, of Elm terrace, who has been in the Zurburg Memorial Hospital, is getting along very nicely.

Jack Yost, of Thomas avenue, who is home from Bucknell college at Lewisburg, Pa., is also on the sick list this week with the gripe.

Mrs. Hobart Wright, of Linden avenue, has been on the sick list for the past two weeks.

Mrs. Harry C. Sim, of Thomas avenue, and Mrs. John F. Ogden, of Garfield avenue, spent Wednesday and Thursday of the past week as the guests of Mr. and Mrs. George Follman, of West Wood Park, Manoa, Pa.

The Sacred Heart School Alumni Association will hold their monthly meeting in the school auditorium, Thursday, February 15, at 8 p.m.

Raymond Stroheim, of Fulton street, entertained the St. Joseph's Rams at his home on Wednesday evening.

Teach us delight in simple things  
And mirth that has no bitter springs;  
Forgiveness free of evil done,  
And love to all men 'neath the sun.  
—Rudyard Kipling.

Our grand business in life is not to see what lies dimly at a distance, but to do what lies clearly at hand.—Carlyle.

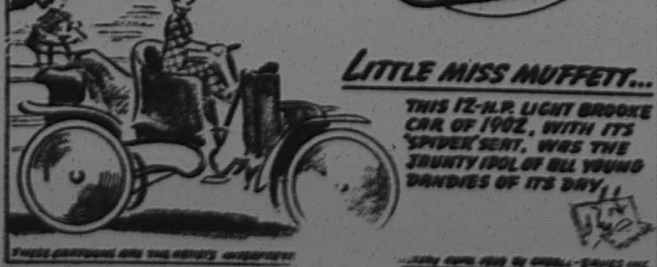

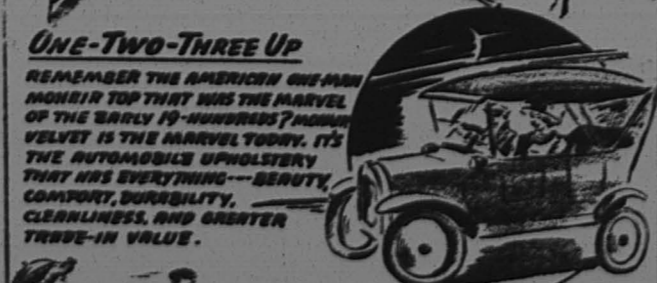

Twenty colleges and universities in New Jersey maintain a student health service.

## "GULLIVER'S TRAVELS"

Showing at the Fox Theatre, Riverside, Friday and Saturday in technicolor. The giant of musicals shows featuring the popular song hits, "Faithful Forever," "It's a Hap-Hap-Happy Day," "Blue Birds in the Moonlight."

## CANDIDATE

THOMAS F. CAHILL, JR.  
of Palmyra, who has announced his candidacy for member of the Palmyra Board of Education at the annual election that is scheduled for Tuesday, February 13, in the high school building from 7 to 9 p.m.

As the result of placing contribution boxes in the churches and in the local stores, to which was added some voluntary contributions, the sum of \$102.31 was collected for the emergency work of the Riverton Branch of the American Red Cross. With the money so raised wool was purchased, from which 32 sweaters and 5 pairs of stockings were knitted. In addition, twelve complete layettes were made by an enthusiastic group of women under the direction of Mrs. Stewart A. Borger. This work was done at the Porch Club, which relinquished to the Red Cross the time originally allotted to its Arts and Crafts Committee.

More Needed  
Our friends and members will be interested to know that three representatives of the American Red Cross journeyed to Europe by air in the fall of 1939, and that two are now stationed there to receive all shipments sent from the United States. One shipment had arrived at the beginning of December, and a second left the first week in January.

A call has come to the Riverton Branch for more knitted articles, and muslin slips for girls. Will

those interested in knitting please communicate with Mrs. Filson Graff, 300 Eighth street, Riverton, Telephone 99-J), Chairman of the Knitting Committee.

The Porch Club again offers the use of its Club House for the Red Cross sewing and knitting that will be done during the month of March.

## WELFARE HOME IS DEDICATED

The new Burlington County Welfare Home was dedicated at New Lisbon before 200 persons last Saturday.

The doors were opened for an inspection of the building after the ceremonies.

Albert C. Jones, director of the board of freeholders, presented the building to Simon Myers, of Moorestown, president of the Burlington county welfare board, and chairman of the dedication.

Other speakers were Harold Cooper, director of the county welfare board, and assistant superintendent of the new home; Miss Martha Venable, of Marlton, secretary of the welfare board; Charles J. Ellis, commissioner of the state department of institutions and agencies; Judge Frank A. Hendrickson and State Senator Howard Eastwood.

Invocation was given by Rev. Thomas L. Rideout, pastor of St. Andrew's Episcopal Church, Mt. Holly. The building, a three-story brick structure, with the latest modern improvements, cost \$300,000.

FRANK COOK DIES HERE  
Frank Cook, of Medford, former Democratic member of the Burlington County Board of Freeholders for one term starting in 1931 suffered a fatal heart attack in Cinnaminson, last Friday night, shortly before 10 o'clock.

A passing motorist noticed Cook near his car on the Branch Pike and stopped to render assistance. Seeing that the man was ill he rushed him to the home of Chief George Dorworth, of Cinnaminson. During the short trip, the former Freeholder became much worse and he was taken immediately to the office of Dr. Dean Le Favor, who pronounced him dead.

He was 70 years of age.

## RIVERTON SCHOOL NOTES

In the recent cartoon contest held by the Burlington County Superintendent of Schools, Dr. Louis J. Kaser, pupils of the Riverton School submitted original cartoons calling attention to the shortage in school funds that it is hoped will be made up by the present state legislature. Among these cartoons those submitted by Dorothy Jane Baker and Janet Smalley were selected for publication, and that of Dorothy Jane Baker awarded second prize for the county.

Monday, February 12, the school will be closed because of Lincoln's Birthday.

Goodness and philanthropy begin with work and never stop working. All that is worth reckoning is what we do, and the best of everything is not too good, but is economy and riches.—Mary Baker Eddy.

## THINGS TO WATCH FOR

A combination of brandy and coffee as flavoring for ice cream... invisible hinges, especially suitable for book-case or cabinet doors where regular hinges would break the clean, streamline, ultra-modern effect. Aluminum colored traffic marker lines—the color being impregnated in an asphaltic composition imbedded in the pavement... traffic direction from the air—the Philadelphia police plan to use an autogyro as aerial observation post over congested areas and instruct traffic officers by short-wave radio on how to divert streams of cars—rubber neckties, that shed soup and egg stains... a two-quart milk bottle that requires only one-fourth more room in the ice-box than the one-quart bottle—in Chicago, after less than a month's use of such

bottles, leading dairies reported 20 per cent increase in sale of home-delivered milk in sections where they were introduced... money dollar bills—since it's reported that hard-pressed European nations are counterfeiting large quantities of U. S. money.

## COLLISION

Dr. Reuben Troxell, of Bridesburg, stopped his car suddenly on River road late Thursday evening and the machine operated by Herbert M. Beans, River drive, Merchantville, crashed into the rear, causing considerable damage, but no injuries.

The affair, which happened in East Riverton, was investigated by Chief George Dorworth, of Cinnaminson, but no official action was taken.

## The Little Refinements

The Snover Funeral Home has lifted itself above the average by its constant vigilance over ways and means to improve its service.

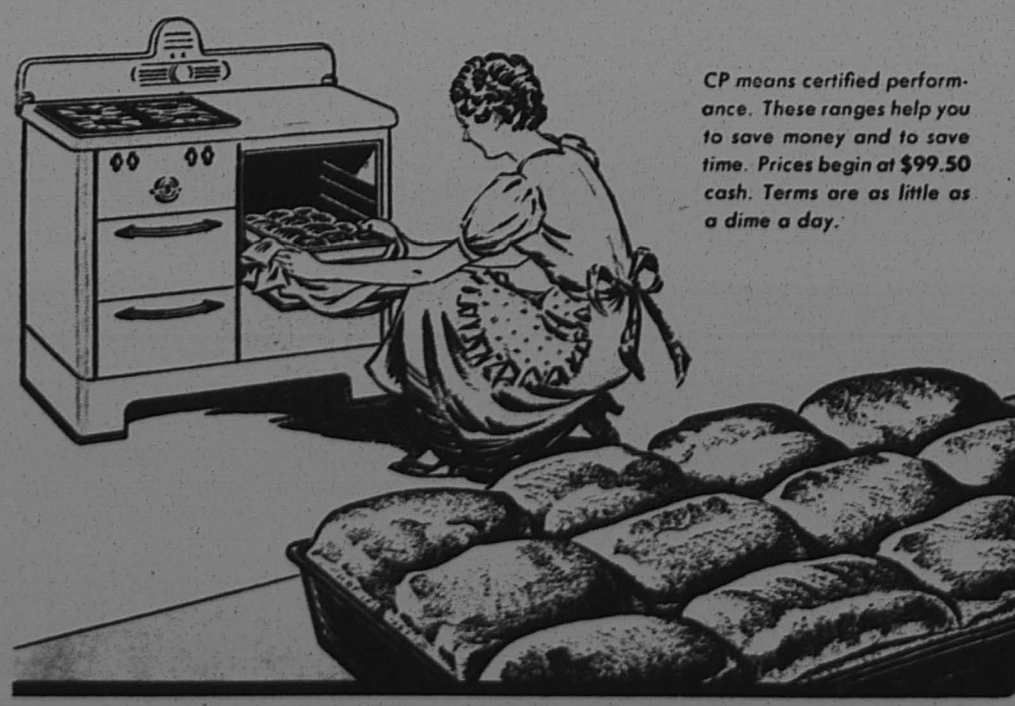

Every little refinement that adds to the measure of our service is quickly adopted, thus relieving the burden of those who place their dependence in us.

## BAKE AND COOK WITH A CP GAS RANGE

More than twenty of the best features of all ranges are combined in one CP gas range. They have well insulated ovens, automatically lighted and heat controlled, that reach a high temperature quickly or do long slow cooking—top burners give fast boiling or slow simmering heat and light without matches—broilers have larger broiling area than those of old style ranges—all burners light automatically—these are some of the CP features.

CP means certified performance. These ranges help you to save money and to save time. Prices begin at \$99.50 cash. Terms are as little as a dime a day.

## PUBLIC SERVICE

## LOCALS LOSE TO MERCHANTVILLE

Group III League Leaders  
Win 35-24 in Game  
Played Friday

Merchantville appears headed for the title in the South Jersey Group 3 Basketball League competition, their latest move in this direction being a 35-24 win over Coach Dimond's Palmyra outfit in a game played here on Friday night of last week.

The locals put up a good fight, especially during the first half of the engagement. They led 6-2 at the end of the first quarter and were on the short end of an 11-9 count when intermission rolled around.

The winners gradually pulled away during the final stages of the fracas and outscored the Red and White by five and four points respectively during the third and final cantos.

15 Points

Palmyra stopped W. Nunn, one of the invading stars, rather effectively, but a chap by the name of Ciol took his place in the scoring column, racking up seven two-pointers and a free throw for a total of 15.

Henson, Mitchell and Hoff were in the van of the scoring for the homesters, but none broke into double figures.

Merchantville did valiant work from the free-throw line, while the performance of the locals in this respect was decidedly below par.

### COUNTY ROAD WORK

Bridge over Mill Creek is under reconstruction between Rancocas and Route 25. Traffic maintained but special caution is required at the approaches on each side.

Bispham street, Mount Holly, is closed for bridge construction. Short detour over adjacent streets.

The road from Jobstown to State Highway Route 39, Springfield Township, is under construction for two miles with traffic maintained.

### SPORTS JOTTINGS

On Friday of this week Palmyra journeys to Paulsboro for the second game of the season with the court team of that community. The first fracas resulted in a close decision for the Red and White.

The next home game is scheduled for Tuesday, February 13, with Camden Vocational providing the opposition. Moorestown comes here on Friday, February 16. This leaves only two games remaining on the slate, one with Gloucester away and the final with Riverside on the home floor.

The record of the locals, including the game played last Saturday is five wins and seven losses, not bad considering the fact that Coach Dimond lost his entire 1939 championship team via the graduation route.

### APPREHENDED HERE

James Newman, 15, of Easton, Pa., applied for a night's lodging at the Palmyra police station Friday. Upon questioning by local officers, who were suspicious because of his attire, the youth admitted that he had escaped from the Glen Mills, Pa., Reformatory, where he was serving a term for stealing pocket-books in his home community.

Reformatory officials were notified and Newman was taken back to Glen Mills on Saturday morning.

Twenty colleges and universities in New Jersey maintain a student health service.

### PARRY A.A. BREAKS EVEN

The Parry A. A. basketball team has won two games and lost three in the past two weeks giving them a season's average of five wins and five losses.

Williams, Rothbaum, Mafull, Messenger and Winner's have been the stars of the season.

On Friday, February 9, Parry will go to Marlton to play the Marlton C. C. in a double bill. Any team wishing to book this club can do so by writing Wilson A. Morris, Jr., R. D. No. 1, Box 4, Parry.

### TENNIS TOPICS

The P.T.C. held its February business meeting on Friday night, February 2. It was decided to postpone the scheduled card party indefinitely and to have a George Washington Party on February 23. Entertainment will be supplied by the social committee.

It is rumored that two more tennis courts are to be built this summer near the present four courts. This means more tennis for everybody and it may mean an extension of the time restriction for each player. Here's hoping.

A ladder is being constructed for the club which will give the rating of each member as regards to his

tennis ability. This is expected to stimulate higher interest in tennis and it will be the cause of much friendly rivalry.—S. W.

### BUSINESS

While there seems to be some slackening off in manufacturing industries from the wave of activity that started last fall with prospects of a war boom, merchandising experts see no reason to retract their general forecasts—a 5 to 10 per cent increase for the first half of this year over 1939. The purchasing power released by the high level of industrial operations in recent months is now making itself felt and should carry over any mild recession in the heavy lines. Steel's

operating rate is around 75 per cent of capacity, compared to December levels of above 90, but indications of a new industrial upswing by early spring are seen in: carloadings of freight are holding steady at 90 per cent of normal; farm income from marketings is expected to continue the increase shown last year; the auto industry is expected to be in the market for a large tonnage of steel by spring; wholesale furniture orders at the big market here ran 30 to 60 per cent ahead of last year; and shipbuilding is booming.

New Jersey has 21 cancer clinics in hospitals. Of these, 12 have been approved by the American College of Surgeons. It is expected that the total number will be considerably increased.

## That Remembrance On SAINT VALENTINE'S DAY

... or at any other season is most appreciated by mother, wife or sweetheart when it is a gift that grows in beauty all the time—say a lovely plant of Daphne, Dracaena, African Violet, or a myriad others from which to select at the greenhouses. The blue bells of the Grape Hyacinths (plants in 4 inch pans at a dollar each) are exceptionally pretty.

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices.

## School Elections

The annual school elections will be held in this section on Tuesday night of next week, but unless there is a decided change in the attitude of the voters, election officials will hardly be overworked in counting the ballots, due to the prevailing lack of interest on the part of local citizens. In Riverton, for example, the staggering total of 26 votes was registered last year. This reflects an appalling lack of interest in civic affairs.

The budget of the school board is an important factor in the establishment of the tax rate in any community, the amount required, in many cases, approaching the total necessary for all other operating expenses of a municipality.

If you feel that the proposed budget is right and proper, register your confidence in the Board of Education by going out to vote Tuesday. Should you be against the proposal, cast your vote accordingly. At any rate, take time to vote.

As for members of the Board of Education, remember that those on the Board are YOUR representatives and are spending YOUR money. Be certain that you have a part in placing most capable men and women in these responsible positions.

## A Great Anniversary

This week all America is celebrating the 30th anniversary of the establishment of the Boy Scout Movement in America. The movement has its enthusiastic supporters everywhere. Indeed in its three decades nearly 9,000,000 Americans have been Scouts, Cubs and leaders. Today there are over 1,330,000 boys and men actively enrolled.

Now as never before, American adults are giving their time, energies and financial support to time-tested boys and girls organizations that help mold their children into types of citizens that will guarantee the continued existence of the United States along the pattern set by the nation's founders who gave America its democratic form of government and its precious heritage, the Constitution and its Bill of Rights.

Supplementing existing organizations such as the home, church and school, the Boy Scouts of America engages boys' leisure-time energies in outdoor life and activities of cultural and practical values which lead boys to become dependable men.

Every President of the United States since William Howard Taft has been an enthusiastic supporter of Scouting and every American who knows anything about Scouting's beneficial program acknowledges it as worthy of continued confidence and trust.

## All That Goes Up

Good intentions made in the summer are often nipped by winter's chilling blasts. This is especially true of the New Deal. Intent to balance the budget has been frostbitten time after time. Now it is admitted there can be no budget balancing in the near future, but this is not all. Government expenditures have been constantly increasing over estimates since the fiscal year began, July 1, 1939, until it has been necessary for the administration at Washington to increase the budget estimate for this fiscal year, which ends on June 30 next. It is now estimated the expenditures will be nearly \$9,200,000,000, under the new method of bookkeeping. Under the old method they will be \$9,737,000,000.

Which brings us to another thought: A lot of fun has been made of the decade known as the "twenties." We have been told it was an era of bootlegging, rum-running and Horse and Buggy politics and business. But in those twenties the government had a surplus year after year. In the New Deal thirties we have had a deficit year after year.

Since the government estimates that it will have a deficit in 1940-41, next year will represent the eleventh consecutive year of deficits, according to the Alexander Hamilton Institute. The current period of deficits will thus equal in duration the period of surpluses which began with the fiscal year 1919-1920.

If new taxes are not imposed, the debt at the end of next

year will be \$45,399,000,000, or \$29,214,000,000 larger than at the beginning of the current eleven-year period of deficits when the debt amounted to \$16,185,000,000. This increase in the debt will be more than three times as large as the decrease in the debt during the previous eleven-year period of surpluses. During that period the debt was reduced by \$9,299,000,000. The debt at the end of the next fiscal year will thus be nearly \$20,000,000,000 larger than the debt at the end of the 1918-1919 fiscal year when it amounted to \$25,484,000,000 after rising, as the result of the war, from \$1,225,000,000 on June 30, 1916.

The figures show that reducing a debt is a slower and more painful process than piling one up, just as it is easier to run down hill than to plod toward the summit. And the further we go down hill the further we have to climb back. Either must we do that or face financial disaster.

social problem at the present time.

Democracy said that John L. Lewis, who said Roosevelt would be defeated if nominated for a third term, is a very poor prophet. However, his campaign contributions to the New Deal in 1936 prove that he is a real angel.

Some people say this is a man's world. But if men had the nerve to put on hats of the same chassis the women are wearing, a revolution would start in thirty minutes.

Somebody wants to know where swing music gets its name. The men who play it ought to.

## ABOUT THE COUNTY

The Burlington Trade Association will hold its annual dinner meeting and election of officers this (Thursday) evening in the Masonic Hall.

An excellent program is being arranged for the occasion and 100 or more members and their wives are expected to be present.

Mayor John F. Ward, of Palmyra, will be the guest speaker.

Cantwell and Welsh, Trenton architects, were engaged last week by the Burlington County Board of Freeholders to draw alternate plans for either remodeling of or construction of an addition to the century-old county jail.

Situations such as these, and they are not uncommon, present a great

quarters for the County Treasurer and the County Auditor has been solved by the removal of their offices to the three rooms formerly used as headquarters for the Old Age Pension Department, in the former County Clerk's office.

The change gives to the county's fiscal officers badly needed room and keeps the two officials in touch with each other in the performance of their duties, which are more or less related.

## AUTO TAGS READY

New Jersey's new green and black auto tags for 1940 went on sale last week at agencies throughout the state.

Although the licenses may be purchased now, they cannot be used until March 15 and are not required until April 1. However, any auto owner wishing a special number is urged to make reservations before February 15 as none will be taken after that date. All owners are advised to purchase their tags now to avoid the deadline rush.

## DECLINES STATE AID

Decision to decline state assistance in financing relief in Mount Holly was reached by the township committee last week. Feeling that the township is able to "care for its own" the committee formally voted to withdraw as a recipient of state relief funds.

The decision actually will bring little change in relief administration in Mount Holly, however, as no state funds were received here in 1939 and township committeemen declared last night that the prospect of receiving money from the state this year was slim.

## BIRTHDAY PARTY

Jimmy Ballantyne, 3rd, celebrated his 9th birthday, Saturday, February 3, when he entertained his two cousins, Mabel Jane Ballantyne, of West Philadelphia, Charles Cummings, Beverly Hills, Pa., and Richard Eberly, of Palmyra, at a theatre party at the local theatre, followed by a dinner and party at the home, 428 Cinnaminson avenue, Palmyra.

It is the little things well done that go to make up a successful and truly good life.—Theodore Roosevelt.

The problem of providing roomier

## WATER MAIN BREAK

(continued from page 1)

opening. There was also a break near the hydrant on the west side of the street. Water company employees soon arrived on the scene, stopped the flow and started repair work.

Traffic at the break was directed by Officer John Carhart until the flood subsided.

Some  
Like It  
Well Done!

FOR Sunday dinner—presumably the most elaborate meal of the week—many homemakers choose a nice roast of beef and plan the menu around the meat course. There is a new method of roasting beef, which has proved satisfactory. If the time and temperature are controlled, the roast is used correctly the meat is always cooked to the desired degree—rare, medium or well done.

Buy a five or six pound roast. Small pieces of beef lose a portion of their good flavor in cooking.

ROASTING  
The new method for roasting recommends a lower temperature for the entire cooking period. The meats are not covered and no water is added. Since a longer time is required for roasting, the meats will be browned without having been seared at a high temperature.

MEAT  
Beef—Standing Rib Roast 35¢  
Rare ..... 15 min. per lb.  
Medium ..... 22 min. per lb.  
Well Done ..... 30 min. per lb.  
Add 10-15 min. per lb. for boned, rolled roast.

Baked Potatoes  
Wash 6 large potatoes, dry thoroughly and rub with oil or shortening. Place them on rack in oven around the pans. Bake for the last 1½ hours with meat, or potatoes may be pared, rubbed with butter and placed in pan around meat.

Glazed Carrots  
6 to 8 carrots Salt and pepper

2 tbsp. brown sugar  
1 cup hot water  
¼ tsp. nutmeg

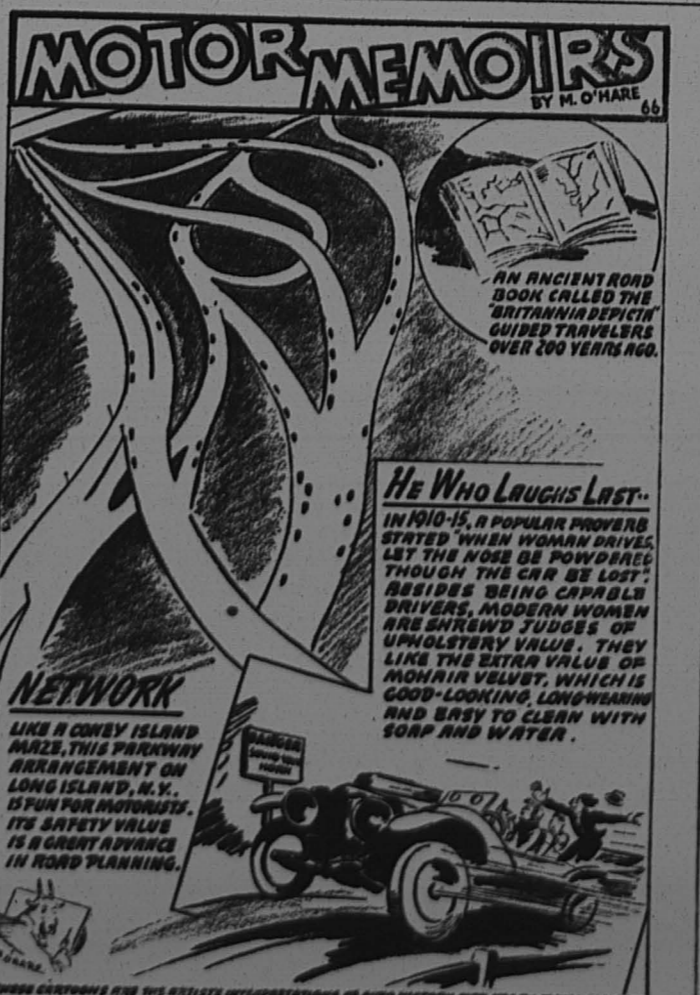

Wash, scrape and cut carrots into lengthwise shreds. Place half in a buttered casserole, sprinkle with half the sugar, seasonings and butter. Add remaining carrots and seasonings. Add water. Cover and bake for the last 1½ hours with the meat.

Jellied Avocado Salad  
1 pkg. lemon 1 grapefruit  
gelatine 2 cups boiling water  
1 avocado pear  
Dissolve gelatine in water. Cool until thickened. Arrange slices of avocado and sections of grapefruit in a mold. Pour thickened jelly over fruit. When firm, unmold on lettuce.

Caramel Apple Pudding  
4 large apples 1 cup brown sugar  
¾ cup water ½ tsp. cinnamon  
¾ cup butter ½ tsp. salt  
1 cup bread flour 1 cup grapefruit

Peel and slice apples and place in buttered casserole. Add water. Mix other ingredients as for pastry and spread over apples. Cover and bake on upper rack for the last 1½ hours with meat. Serve with whipped cream or hard sauce.

Brown Sugar Hard Sauce  
4 tbsp. shortening brown sugar  
1 egg ¼ tsp. vanilla  
1½ cups light 1 tsp. hot water  
Cream shortening and sugar, add vanilla, and hot water and beat thoroughly.

Every duty brings its peculiar delight, every denial its appropriate compensation, every thought its recompense, every cross its crown:—Charles Milday.  
pay goes with performance as if Mercey to him that shows it, is the rule.—Cowper.

## Church Notices

## CHRISTIAN SCIENCE CHURCH

"Spirit" is the lesson-sermon subject for Sunday, February 11, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "God is a Spirit; and they that worship him must worship him in spirit and in truth." (John 4:24).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Who hath directed the Spirit of the Lord, or being his counsellor hath taught him?" (Isaiah 40:13).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spirit is not separate from God. Spirit is God. Spirit being God, there is but one Spirit, for there can be but one infinite and therefore one God" (pp. 192, 334).

## LUTHERAN CHURCH

Next Sunday is Invocavit, the first Sunday in Lent. At Bethany Lutheran Church the chief service will be held at 11 a.m. and vespers at 8 p.m.

Rev. Dr. C. P. Swank will be with us and officiate at both services. Particular attention is called to the Wednesday evening Lenten services at 8 o'clock. These will continue during the Lenten season. We earnestly commend to our people their attendance at the services of the church during this devotional and penitential season of the Church year.

## SACRED HEART CHURCH

Riverton, N. J.  
Pastor, Rev. John F. Welsh.  
Assistant Pastor, Rev. Vincent A. Luther.

Sunday Masses—7:00 - 9:00 - 10:15.  
Daily Masses—7:00 - 7:45.  
Confessions every Saturday, 3:45, 5:45 and 7:30 to 9:00.

Stations of the Cross and Benediction every Friday at 7:45 p.m.

Classes in religious instruction will continue every Thursday evening at 7:15 for high school children and every Friday afternoon at 3:45 for elementary school children. The attendance during the past two weeks has been unusually good. Much praise is due the children for their interest and the parents of these children for their cooperation. Some lively discussion was started in the high school division last week over a debate between Edwin Pippitt and Anne Lavery. We do not know who won the debate but we must say that Anne put up a magnificent fight against colossal odds. More of it this week.

For the duration of the Holy Season of Lent the time for the Novena in Honor of Our Lady of the Miraculous Medal will be held on Tuesday evenings instead of Mondays. Novena exercises will be joined with Lenten devotions.

On Thursday evening at 8:00 o'clock there will be a meeting for the Sacred Heart School Alumni Association in the school auditorium.

Masses for the First Sunday in Lent:

7:00—R. Stroblein, A. Pfaff.  
9:00—J. Hamlin, J. Ford.  
10:15—R. Fichter, J. Wallace, T. Cardea.

Some Lenten Regulations—All who have completed their twenty-first and have not yet begun their sixtieth year are bound to the fast on every day during Lent except Sundays. Exceptions—Pregnant women, those nursing infants, the sick, and all who on account of old age or weak constitution, cannot fast without detriment to their health.

On all days of fast and abstinence, workmen and their families are permitted to use flesh meat once a day, with the exception of Friday, Saturday, Wednesday, the Wednesday of Holy Week, the forenoon of Holy Saturday, and the Vigil of Christmas.

Prayers for the cast of the annual Passion Play will be held in the

## METHODIST CHURCH

Rev. William A. Boyd, Pastor.

The Rev. Dr. T. S. Brock, S.T.D., superintendent of the Trenton District will be the guest preacher in our church this Sunday morning at eleven o'clock. Dr. Brock is one of the outstanding preachers in Methodism. His personality and sermonizing is most excellent. Every member and friend of our church should hear him. The Senior and Friendly choirs will sing during the service.

The Boy Scouts of our church will attend the evening service in a body. Rev. Boyd will conduct a song service and preach a special sermon to the boys on the subject, "Abraham Lincoln—the American." The Senior and High School Choirs will provide the music. The parents and friends of the boys and of our Church are invited to attend this service.

Lenten Services are now being held in our church every Wednesday evening from eight to nine o'clock. The subject for consideration this week was "Jesus and the Washing of the Feet." Next Wednesday the topic will be "Simply to Thy Cross I Cling." The Epworth Mixed Quartet will sing during each service. The community is also urged to attend these Lenten Meetings.

Don't forget the pork and kroust supplied to be served by the Ladies Aid Society of the church, Thursday evening, February 15, at 5:00 o'clock. Get your tickets at once. Adults 50 cents.

Let us serve instead of rule, knock instead of push at the door of human hearts, and allow to each and every one the same rights and privileges that we claim for ourselves.—Mary Baker Eddy.

school auditorium after the 10:15 Mass this Sunday. The affair will be under the direction of Mr. Fitzpatrick. Members of the dramatic club are urged to be on hand.

## THE WORLD DAY OF PRAYER

This Friday, the first Friday in Lent, the World Day of prayer service will be held in Calvary Presbyterian church, Riverton, at 3:00 o'clock.

The program has been planned by a committee from the combined Missionary societies of the Methodist, Lutheran and Presbyterian churches.

The World Day of Prayer is a day different from all others. In it the women form a link in the chain of prayer around the world, beginning in New Zealand and the Fiji Islands and ending at Gambell on St. Lawrence Island. The words of prayer on our lips will also be on the lips of millions of our unseen sisters in every nation of the world. We will lift our voices with those of millions and reach out to grasp their hands in Christian fellowship and faith. There is a real spirit of unity among the Christian women of all nations—what could it not do for this selfish, ignorant, war-torn, sick and helpless old world?

The theme for this World Day of Prayer will be, "In quietness and confidence shall be your strength." It is worthy of serious meditation on the part of everyone and we urge all women of the community to attend this meeting and join in prayer with all Christian women in the world.

## SIX HURT IN TRUCK-CAR CRASH

Crashing into the rear of a Buick sedan with terrific force, a huge truck demolished the pleasure car and injured six people last Saturday night, on S-25, near Cove road.

The victims of the accident, all from Palmyra and Riverton, had attended the dance at Palmyra High School sponsored by the Cadet Drum and Bugle Corps and were going to a restaurant at the time the affair occurred.

The occupants of the sedan were: Russell Hunter, the driver; Placid Nace, Marjorie Nace, Helen Mansfield, Fred Freeman and Clement Haas. All suffered from shock, bruises and lacerations, but miraculously escaped serious injury.

## YOUR GARDEN

## WHAT TO DO THIS WEEK

By A. C. McLean  
Extension Service, N. J. College of Agriculture

Many an enthusiastic gardener is watching the sun climb higher in the sky these winter days, eager to start active work on his hobby. Although the weather is still too cold to begin seedbed preparation, there are a number of things which can be done out-of-doors.

As soon as the snow is off the ground, seeds of poppies, annual larkspurs and cornflowers may be sown. By broadcasting them now, rather than waiting until a seedbed can be prepared, and thinning the seedlings when they are three or four inches tall, the plants will have ample opportunity to make good growth during cool weather of early spring and produce a profusion of bloom in late May and early June. Cornflowers, poppies and larkspurs are some of the annual flowers which do not like hot weather.

Another outdoor chore which should be done now is loosening mulches around herbaceous perennials, and especially hardy bulbs. Mulches may be completely removed from crocuses and snow-

drops and other bulbs which bloom naturally in late February or March. Other herbaceous plant materials should just be given air, and mulches left on them until later in the season. This will prevent their suffering for lack of air, which often is the cause of failure.

Pruning work may also be started now on mild days. By finishing up this task as soon as the danger of winter injury is over, one may sail straight ahead with active spring gardening when the time arrives.

## DR. PORTER ON PLANT RESEARCH

How a tiny tomato, not much larger than a currant, was crossed with a favorite California species, doomed to possible extinction through a plant disease, was one of the subjects of research in this little known field of scientific exploration, explained last week by Dr. D. R. Porter in an illustrated talk before the Rotary Club.

Dr. Porter is conducting studies of plant diseases, their detection, cure and more particularly of the development of resistant types, at the experimental farms of the Campbell Soup Company. He has had wide experience in this field at the University of California.

Commonly held to be the direct result of weather conditions, Dr. Porter explained that plant diseases were accelerated or retarded by varying conditions of heat, moisture, etc., but the diseases themselves were in consequences of microscopic plant organisms having seeds, roots, leaves and structural characteristics similar to regular plant life.

While control of diseases can be exercised in some degree by rotation of crops and by spraying, dusting, fumigating and treating of seeds, the most desirable solution is the development of disease resisting types and this is the chief objective of Dr. Porter's work.

His talk was illustrated by lantern slides operated by David S. Little and a wide variety of experiments with various vegetables were thus traced to their several successful conclusions. A new striped water melon developed from a citron-line

melon, crossed with a domestic favorite badly affected by a wilt disease, was featured in the talk.

This melon which will be on the market within a few years has a 12 per cent sugar content which is considerably higher than any water-melon yet known.

## SCOUT BANQUET

Preparations have been practically completed for scout week in the community. This will start officially today (Thursday). A banquet will be held in the Methodist Church at which time C. Aubrey Sutton, president of the Burlington County Boy Scouts, will be toastmaster. George A. Darlington, county scout executive, will be the principal speaker at the affair.

Fifty-five New Jersey hospitals receive cancer patients who are unable to pay for services.

most anxious to be of help to anyone requesting these.

Tuesday morning, February 15, at 10 o'clock the Arts and Crafts again meet to continue on with their painting of trays, pottery work and glove making.

At 2:30 o'clock in the afternoon Mrs. Donald Dorian, will talk on "Literature of New Jersey."

Wednesday, February 14th, from 9 to 12 a.m., the beginners painting class meets with Mrs. Boyer. This is also New Jersey Day at the Academy of Fine Arts.

## AMERICAN LEGION

(continued from page 1)

Thursday evening in the Palmyra High School auditorium at 8 p.m. Richard Deemer, and George Ford students at Palmyra High School, will represent Palmyra. Palmyra High School is now in possession of a trophy which was won last year. In order to keep this, they must win it two years.

Winners in this contest will later go ahead to participate in the regional and state contests to the national elimination in the spring. A \$4,000 scholarship is the reward for the winner in the national contest. Each student on the program will render a prepared address and an extemporaneous address on the Bill of Rights. The general public is invited to attend this affair.

## Grave Markers

The local American Legion recently decided that permanent grave markers will be secured and placed upon the graves of the 105 veterans buried in cemeteries in and about Palmyra and Riverton.

## Sons of Legion

A committee has been appointed from Post Rodgers to investigate a Sons of American Legion squadron. Any son of a legion member who is interested should contact George W. Luce, 102 Pearl street, or call 1003.

The post has formed an American Legion Division to collect funds for the Boy Scouts 1940 Finance Campaign.

## OBITUARIES

### MAURICE G. BELKNAP

Maurice G. Belknap, husband of Anna W. J. Belknap, of Bank avenue, died on Monday, February 5. Funeral services will be held today (Thursday) from the Oliver H. Bair building, 1820 Chestnut street, Philadelphia. Interment will be private.

### MARY V. SHARP

Mary V. Sharp, of 416 Linden avenue, died on Monday, February 5. The deceased was the widow of the late Dr. Lewis L. Sharp.

Funeral services will be held today (Thursday) at 11 a.m. from the Snover Funeral Home, the Rev. George Lockett officiating. Interment will be made in Morgan cemetery.

The deceased is survived by her daughter, Mrs. James Brown, with whom she made her home and a son, Lewis, of Palmyra.

### ELLIS H. PARKER

Ellis H. Parker former chief of Burlington county detectives, died early Sunday from a brain tumor. Although he had been reported ill, his death came as a decided shock to his family and thousands of friends.

During his life Parker established a nation-wide reputation in solving many difficult crime problems.

He is survived by his wife, Cora E. Giberson Parker and eight children: Mildred Parker, of Mt. Holly; Mrs. Jane Brown, of Lumberton; Mrs. Andrew Sahol, of Roeboling; Mrs. William Fullerton, of Camden; Ellis, Jr., Anthony, Howard and Helen Parker. There are eight grandchildren.

Funeral services will be held today (Thursday) at 2 o'clock from

the Biting Funeral Home, Mt. Holly.

### ANNA L. JAMES

Anna L. James, wife of James L. James, of East Riverton, died on Sunday, February 4.

Funeral services were held on Wednesday from the Baptist Church at East Riverton, the Rev. Madison Bowe officiating.

Interment was made in Wrightsville Cemetery under the direction of the Snover Funeral Home.

The deceased is survived by her husband and a daughter.

### CHARLES W. RICHMAN

Charles W. Richman, of 620 Thomas avenue, died on Friday, February 2.

Funeral services were held from his late residence on Tuesday, the Rev. William A. Boyd officiating. Interment was made in Arlington cemetery, Merchantville, under the

direction of Frank A. Snover. The deceased is survived by his wife, Anna Stow Richman and a son Herbert, of Seventh street, Riverton.

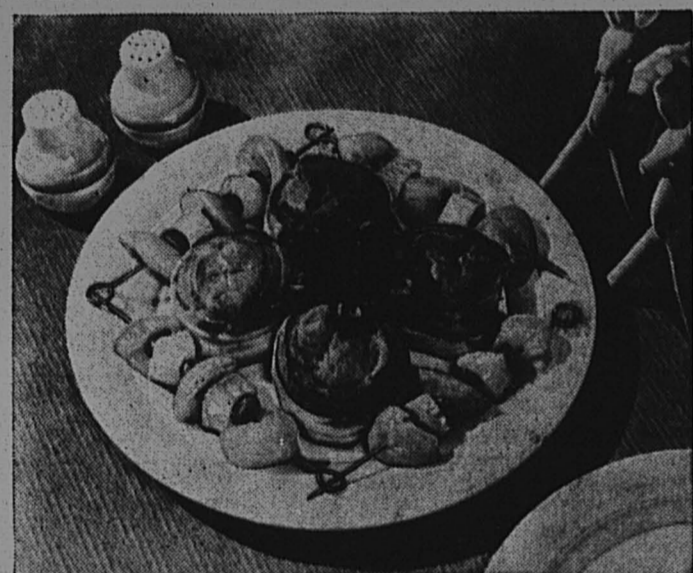

## P-T.A. MEETS

The regular monthly meeting of the Phyllis Wheatley P.T.A. of School No. 4 was held on January 27, at 8:30. The guest speaker, Mrs. Camilla Lockwood, stressed the need for cooperation between the P.T.A. and the home in order to have a well functioning organization in the school and in the home. Others who appeared on the program were Mrs. Harvey Pleasand, reading; Courtney Houston, piano solo; and Edna Ashby, piano solo.

Following the program a delicious repast was served in the lunch room of the school. The next meeting will be held on February 24 at School No. 4.

—Publicity.

## Have You Heard?.....

THIS seems to be a year of new innovations of food preparation. Fruit kabob, broiled and served with meat, is one of the interesting ideas. It's new to broil vegetables and fruits and give these familiar eatables a distinctive flavor.

With broiled lamb chops wrapped with bacon, serve a garnish of tasty fruit kabobs. Arrange on skewers alternate pieces of cherry, pineapple squares and canned apricots. Brush with melted butter and broil until fruit is lightly browned. Also, pineapple squares with cooked sweet potato square make delicious kabobs when broiled.

Fruit served with the meat course should always be hot. Broiled apples, peaches, prunes with stones removed and filled with tart jelly, and also cherries are good.

For dessert, did you ever try grapefruit sprinkled with brown sugar and broiled?

Canned or left-over vegetables may be put in the broiler pan, brushed with butter, and put in the oven. Broil for 10 minutes. The rack of meat and fruit is slipped into place so that during the five-minute broiling period the juices will drip

through the rack and season the vegetables.

Here are directions for broiling in your gas range a complete luncheon at one time.

### Broiled Vegetable Luncheon

4 slices American cheese  
4 potatoes, parboiled  
1 lb. string beans or 1 No. 2 can string beans  
1 egg plant  
2 large tomatoes  
½ cup melted butter  
Salt and pepper  
1 cup cracker crumbs

Slice egg plant in ½ inch thick slices. Salt and pepper and let stand 30 minutes. Dip in melted butter and then in cracker crumbs. Put on broiler. Add potatoes cut in half and brush with melted butter. Put in broiler 5 inches from flame and broil 12 mins. Remove broiler. Turn egg plant and put a slice of cheese between 2 slices of egg plant. Turn potatoes and brush with melted butter.

Cut tomatoes in 2 thick slices and brush with melted butter. Salt and pepper. Lay string beans on tomato slices and sprinkle with buttered cracker crumbs. Return to broiler 6 inches from flame and broil 10 minutes.

## Hytest Premium Anthracite Goes Farther

Cold weather and thrift require that you get the greatest number of B.T.U.'s (heat units) from your coal. Premium Anthracite is high in carbon content—clean and shiny black.

## "HONEST ABE"

Next Monday we celebrate the birthday of Abraham Lincoln, one of the greatest Presidents America has ever known.

Too few of us ever stop in the hurly burly of modern living to consider the great deeds of this our beloved Emancipator.

We say thank God for America—and thank GOD for Lincoln—may his works ever serve to inspire us to greater heights and inspire the development of our youth—that from their ranks may come more men equally as great.

WE OFFER THE FOLLOWING  
DAWLEY SAFETY TESTED  
USED CARS THIS WEEK—  
EVERY ONE AN HONEST  
VALUE.

## HEAVY ICE FLOES ON RIVER HERE

Tug "Triton" Sinks; Figured in Accident Last Fall; Many at River

The Delaware River in this section has become a nemesis for the tug Triton, for this craft sank in the stream last Friday evening following a tangle with a miniature iceberg, coming to rest in shallow water several hundred yards off the Pennsylvania shore, opposite Bellevue.

The crew was rescued following heroic efforts by scores of volunteers, police and firemen from local communities participating. The Philadelphia fireboat Blankenburg finally succeeded in reaching the marooned mariners.

The Triton is the same craft that was towing the Socony barge that broke away and piled up near the Riverton Yacht Club last fall.

Ice Bad

Salvage operations on the wrecked vessel were started on Saturday and completed early Sunday morning, but the derrick barge was, in turn, battered by the ice and sank at the scene shortly after the Triton was afloat. The crew jumped to safety on only the superstructure remained above water.

The river ice was especially bad on Saturday, huge floes breaking up and making navigation particularly difficult. Both ice breakers came up stream and were berthed at the House of Correction pier while the tug John Wanamaker was utilized in aiding smaller craft. She towed two small gasoline tugs and two barges to a point opposite Riverton where the smaller boats started off on their own. Bucking against tide and ice the procession made slow progress, actually losing ground at times. A third tug came up from Philadelphia, however, and helped to win the battle.

The wind and rain of Saturday night resulted in all the ice piling up on the New Jersey shore, the opposite side showing entirely clear water. The pier of the Riverton Yacht Club took a terrific battering, but no damage was done.

## Mrs. Haas Gets Unique Honor

Mrs. Mervil E. Haas, Riverton postmaster, at the personal invitation of Nellie Taylor, director of the United States Mint, is serving as a member of the Annual Assay Commission, which convened at the Philadelphia Mint, on Wednesday of this week for a two day session.

It is the first time that any one from this section has been honored by being named a member of this commission which is one of the oldest and most dignified institutions of the government having met annually since the time of George Washington.

The function of the group is to make and supervise tests with reference to the weight and fineness of certain coins that have been reserved by various mints throughout the preceding year to determine whether there has been conformity to the requirements of the law.

### 1939 FIRE RECORD

In 1939 Independence Fire Company received 36 calls, of which 29 were for grass fires and seven for house fires. The estimated damage was \$1,950.

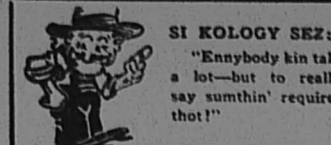

### CONCERT

Piano students of the Marjorie Chloe Wilson Music Studio will appear in a winter concert, Monday evening, February 19, at 8:15, at the Riverton Porch Club. Complimentary tickets may be obtained by calling at the studio, 706 Morgan avenue, Palmyra.

# THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

RIVERTON—PALMYRA, N. J., THURSDAY, FEBRUARY 15, 1940

SI KOLOGY SEE:  
"Everybody has talk a lot—but to really say sumthin' requires that!"

## PALMYRA WOMAN'S CLUB

On Monday, February 19, at 8 p.m. the Senior Woman's Club will entertain their husbands and members of the Junior Woman's Club, their husbands or escorts. Dan McGowan, well known lecturer will present his famous illustrated lecture, "The Canadian Rockies."

Those who have heard Mr. McGowan know an enjoyable evening is in store for them. A fee of 25 cents will be charged for those who are not husbands of senior or junior members.

## Founders Day Program Feb. 19

The combined Founders Day and Talent Day, with the Annual Food Sale, will be held on Monday, February 19, in the Riverton Public School auditorium under the auspices of the Parent-Teacher Association of that community.

Members of the committee will be at the auditorium from 12:45 p.m. Monday to receive food for the sale, which starts at 2 o'clock. There will be the usual attractive tables of delicatessen, cakes, candy, etc.

At 2:30, the Child Study Group, under the leadership of Mrs. Richard Hooper, will meet in the kindergarten room, where an open discussion will be held on the topic "Learning Ways of Democracy."

### Mrs. Hagstoz to Speak

Mrs. Hagstoz will be present to take charge of small children.

The committee, under the chairmanship of Mrs. Charles E. Stewart, recommends that all come early to the affair so that they may enjoy a long afternoon and, incidentally, take home a home-cooked supper.

### PALMYRA P-T.A.

The regular monthly business meeting of the Palmyra Parent-Teacher Association will be held in the high school auditorium on Tuesday evening, February 20th, at 8:15 p.m. A candle lighting service to honor "Founders Day" will be conducted by the officers of the association. This will be followed by a Washington - Lincoln Program which has been arranged under the able direction of Miss Edna K. Ziegler, a member of our High School Faculty.

A cordial invitation is extended to all parents of all students in all branches of our schools. This program arranged for your benefit should prove to be most interesting.

### NOTICE

Due to the fact that Thursday, February 22, Washington's Birthday, is a legal holiday and there will be no mail deliveries on that day, The New Era will be published on Wednesday of next week, instead of Thursday.

All news and advertising copy must, therefore, be submitted not later than 12 o'clock, noon, on Tuesday.

### SPARTANS MAKE RECORD

The Twin City Spartans last week set a record beating West End in basketball 46 to 0. The lineup was as follows:

Bishop was high scorer for the Hubbs.  
Bishop was high scorer for the Spartans racking up 20 points.

## ANNIVERSARY OF YMCA AUXILIARY

Over Eighty Attend Birthday Party Held Last Week; Mrs. Hoyt Re-Elected

More than 80 women attended the luncheon in celebration of the 8th anniversary of the Y.M.C.A. Women's Auxiliary of Palmyra-Riverton, at the "Y" Building, February 8. Mrs. L. Arthur Hoyt, presided.

After a delicious luncheon, a very delightful part of the program was the music of Dorothy Johnstone Baseler, harpist. During the meal, singing was directed by Secretary Guy C. Hendry, accompanied at the piano by Mrs. W. Roland Dunn. Mrs. Baseler also accompanied on the harp. The principal speaker was Edmund R. Tomb, of Princeton, a member of the State Y.M.C.A. staff, who took as his subject "Investment in Youth." Mr. Tomb cited a number of illustrations of the return from such investment, and the part of the Young Men's Christian Association in preparing boys and young men for Christian citizenship.

### Many Introduced

When called upon for remarks, Secretary Hendry used his time to introduce a number of guests. Among these were the wives of Palmyra-Riverton board members, the original members of the auxiliary board, the present members, wives of County Board members, Y.W.C.A. secretaries, his associate, Bud Reeder and Mrs. Reeder, and his own wife.

There was a beautifully decorated three-layer birthday cake large enough so that each of the guests had a piece. This had been made by Mrs. Hoyt.

Mrs. Edward Hughes sang two solos, one with piano accompaniment which was played by Mrs. Claude Y. Barto and the other with harp accompaniment by Mrs. Baseler.

During the business session a review of the past year was presented by Mrs. G. Lloyd Major. The financial report was presented by Mrs. Helen Warren and the following were elected officers for the ensuing year: President, Mrs. L. Arthur Hoyt, first vice president, Mrs. Robert E. Gowell; second vice president, Mrs. Howard B. Conover; corresponding secretary, Mrs. Roy Hardy, recording secretary, Mrs. G. Lloyd Major, and treasurer, Mrs. Stanley H. Gilbert.

In addition to the above officers, the following are members of the board: From Riverton, Mrs. Claude Y. Barto, and from Palmyra, Mrs. W. Robert Dunn, Mrs. Harry B. Henderson and Mrs. James B. Mickle.

### PALMYRA LOSES

Palmyra lost a tough decision on Tuesday night in the high school gym when Camden Vocational annexed a 17-15 verdict in a game marked by the excellence of the defense of both sides.

The Red and White led 15-11 at the end of the third period, but Camden knotted the count with only 10 seconds remaining of regulation playing time.

In the "sudden death" overtime period the Redtraders put a quick end to the fracas by dropping in a few seconds after hostilities were renewed.

### DOG LICENSES

Harold R. West, clerk of Cinnaminson Township, advises that dog tags for 1940 can be obtained at his residence, 1108 Morgan avenue.

All dog owners in the Township are advised to register their pets as soon as possible in order to avoid the penalty imposed by the law for neglect to secure the necessary license.

## SHORT SESSION OF RIVERTON COUNCIL

J. W. Sylvestre, president of the Riverton Borough Council, presided at a meeting of the local governing body on Thursday evening of last week, due to the absence of Mayor H. McIlvaine Biddle, on account of illness.

Routine reports were submitted by the chairmen of the various committees, but there was little business to claim the attention of the members and the session was adjourned shortly after 9 o'clock.

## Bretsch Tells Of Practice Office

In an article entitled "Office Practice? No!! Practice Office," published in the February number of "Business Education Observer," Lawrence E. Bretsch, member of the Palmyra High School faculty, tells of the unique program for commercial students which he has developed at the local institution.

Excerpts from the article of Mr. Bretsch follow:  
Office practice as a course in Palmyra, is no longer known by that name. It is called practice office because it is now organized as a regular business office with the teacher as manager and the pupils as employees, and is no more a stiff, formal teacher-pupil give-and-take recitation course. Furthermore, most of the work done in Practice Office is actual work and not theoretical book assignments.

Practice Office is actually a laboratory plan in conjunction with the regular course, but even the regular course is run as a business office. Should one visit the classroom he would wonder if he had not stepped into an office instead of a class.

### Four Work Each Day

Each day four pupils, or employees, work in Practice Office where they are hired, where they can be fired and where they are paid for their work. Each employee spends a full day of work every 15 days or at least 12 times a year. Practice office opens at 8:30 and closes at 4 p.m. The four employees, as students, are excused from all of their classes for the day but are expected to keep up their homework in other subjects and work in Practice office. One is in charge of two others in the capacity of a clerk.

## NO TRAFFIC FATALITIES IN SEVERAL TOWNS

Safety advocates were encouraged today by an announcement from Motor Vehicle Commissioner Arthur W. Magee that 282 municipalities, representing one-half the 566 municipalities in the State, reported no traffic fatalities during the year 1939. The record compared with 274 death-free municipalities in 1938 and 228 in 1937.

For 172 of the 282 municipalities, it was the second consecutive year without an accident death.

None of the municipalities on the list are in the higher population brackets although four are found in the group between 10,000 and 25,000. The remainder are boroughs and townships having a population of below 10,000.

### Burlington County

Following is a list of the municipalities that completed the year without a traffic fatality (\* indicates municipalities with a clear two-year record):

\*Bordentown City, Chester Township, Cinnaminson, Evesham, \*Fieldsboro, \*Lumberton, North Hanover, Pemberton Borough, Pemberton Township, \*Riverside, \*Riverton, Springfield, \*Tabernacle, \*Washington, \*Westampton, Willingboro, \*Wrightstown, \*Mt. Holly.

## TAYLOR WINNER IN CINNAMINSON

Baker, Durgin, Donaghy and Ryan Named to School

Howard Taylor

## Scout Finance Drive On Now

In conjunction with National Boy Scout Week, February 8 to 15, Burlington County Council, B.S.A., inaugurated its annual financial campaign on Sunday, February 11, in order to carry out the budget as set for 1940.

E. R. Compton, of Moorestown, is serving as general chairman assisted by Mrs. Richard D. Anderson, of Burlington; Mrs. S. Emlen Stokes, of Moorestown, and Miss Elizabeth R. Cowperthwait, of Medford.

The goal set for 1940 is \$10,000 which will be needed to carry on the program as set by National Boy Scouts of America and the county council.

"Scouting is the public's organization and not that of any individual," said Mr. Compton, "we must all strive to make this annual financial campaign a success in order to carry on with our program."

Norman F. S. Russell, of Edgewater Park, will serve as corporation chairman; C. Singleton Means, of Riverton, general gifts chairman, and Lt. Commander J. B. Ryan, U.S.N., retired, of Palmyra, regular gifts chairman.

Community chairmen are as follows: David Sizer, Bordentown-Columbus; Bud Scott, Delanco; Warren A. Brown, Florence; Howard R. Vocum, Maple Shade; Albert S. Lippincott, Marlton; Thomas Bethel, Medford; Arthur B. Harris, Moorestown; William A. Stringfellow, Mount Holly; Theo. H. Budd, Pemberton-New Lisbon; Robert J. Summers, Riverside; George M. Durgin, Palmyra-Riverton-Cinnaminson, and Harry T. Allen, Vincentown.

## REV. LOCKETT IS ROTARY SPEAKER

How small circumstances may change the course of history was pointedly emphasized by Rev. George Lockett in discussing the life of George Washington at the meeting of the Palmyra-Riverton Rotary Club last week. What would have been the history of America if Washington had joined the British Navy when a lad as he earnestly wished to do? What would have been the outcome of the Revolution if Washington had contracted smallpox when the plague raged at Morristown—had he not gained immunity early in life by a mild case contracted in a visit to Barbados?

A great admirer of Lincoln and a widely known authority on his life, Mr. Lockett freely conceded, however, the premier position of Washington in the history of the nation—points to the fact that his life was one of even greater sacrifice. Born to the purple, he risked friendship, riches and life itself in the cause of the colonies and endured the trials, jealousies and recriminations which are the common lot of the great leaders.

Mr. Lockett concluded his speech with some pointed analogies between Washington's life and work and the conditions that are faced by us all today.

## DEEMER, FORD ARE LOCAL SPEAKERS

The members of the local legion post earnestly solicit the attendance of the general public at the Americanism contest to be held Thursday evening at the Palmyra High School auditorium at 8.15. This will include the winners of all the Americanism contests held by the legion posts throughout the county who will participate in order to select a winner to represent Burlington county. Students from Riverside, Burlington, Moorestown, and Palmyra will participate. The winner of this contest to be held at Lower County Regional high school at Lindenwood, late this month. This will be followed by the State and National contests. The winner of the national receives a \$4,000 college scholarship.

Two From Here

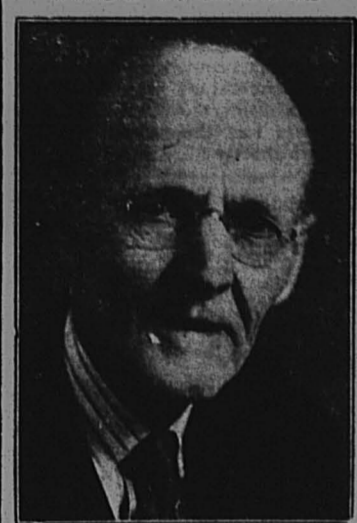

Each participant will render a prepared address followed by an extemporaneous address on the Bill of Rights. Palmyra High School is

now in possession of a trophy which Ethel Philie, won last year and in order for them to keep it they must win it two years.

Frederick M. Rodgers post will be represented by Richard Deemer, and George Ford. They have been coached by Charles W. Ray, faculty member.

The members of the Palmyra Bugle and Drum corps will be on hand to play a few numbers at the opening of the program. The Palmyra post urges everyone to attend as they will find it an interesting affair and they desire the county contest to be held in Palmyra again next year.

## PAUL P. HARRIS

Founder and President Emeritus of Rotary International which is celebrating its 35th Anniversary on February 23rd by observing Rotary Week from 15th to 23rd throughout the 5020 clubs in all parts of the world.

Celebrating the thirty-fifth anniversary of the founding of Rotary International and its own fourteenth anniversary the Palmyra-Riverton Rotary Club from February 15 to 23 inclusive is joining the 5020 Clubs of the world in a Rotary Observance Week, the high spot of which will be a special Ladies' Night program on Washington's Birthday. Under sponsorship of the Camden Club, a group of interested business men of Riverton, Palmyra and Cinnaminson met on December 4, 1925, and decided to organize a club. Organization was effected on December 18, 1925, and the charter was presented on February 23, 1926—the club officially dating from that day. Six of the charter members of the club are active on the present roster—Joseph T. Evans, Joseph S. Low, Dr. Charles S. Mills, Harry B. Williams and Luke K. Eberly, now its president.

Dr. Mills First President

Presentation of the charter was made by Gilbert J. Palen, then Governor of this district, to Dr. Charles S. Mills the first president. Speeches were made by Mayor Weart, of Palmyra, and representatives of service clubs from nearby communities.

Rotary International was founded as a local club in Chicago on

February 23, 1905, by Paul Harris, a lonely young attorney, who had long nursed the idea that business men could and should be personal friends. The name Rotary was adopted in deference to the plan by which meetings rotated among the homes or offices of the members.

Three years later in 1908 the second club was organized in San Francisco by a member who had gone there to live. Clubs were organized in Oakland, Seattle, Los Angeles and in 1909 the idea spread eastward and clubs sprang up in New York and Boston. In 1910 the movement became international in character with the organization of the Winnipeg Club in Canada. The next move was to Ireland and following that the International aspects of Rotary grew in leaps and bounds.

## Special Meeting

A special meeting is scheduled by the local Club on February 15, at which a committee headed by C. P. Mayfield will dramatize some of the high spots in Rotary's history. This will be followed on Sunday by a special Rotary Service at the Baptist Church under the direction of Rotarian, the Rev. George Lockett. A Rotary display will be shown in the window of Rotarian Arthur Bowker.

On Washington's Birthday the committee under the chairmanship of Robert C. Adams has prepared an anniversary program of unusual interest. Thursday, February 23, Town Meeting of the Air will be guests of Rotary Club No. 1 in Chicago and one of the speakers on employer-employee relations will be Almon E. Roth, past president of Rotary International and President of the Pacific American Ship Owners Association.

## Handicap of Defective Hearing Lightened By "Lip-Reading"

The selection of measures to help the person with defective hearing

depends upon the nature and cause of the hearing impairment, and the point to which it has progressed.

Proper medical treatment can relieve deafness due to certain causes, but will not cure all cases of hearing impairment.

Hearing aids are beneficial in certain cases of defective hearing, but again it is necessary to caution that they are not helpful in all cases. Whether a hearing aid will be useful, and if so what type should be selected, can only be determined by a careful medical examination.

Lip-reading is an invaluable social

asset for the hard-of-hearing. It is strongly recommended for all persons with defective hearing. It is easier to acquire lip-reading ability before the hearing is completely lost because it is possible to check what is "seen" against what is heard.

## BRIEF ITEMS from ABOUT TOWN

The Palmyra-Riverton Y.M.C.A. Board will convene for a special meeting which is being called by President Lawrence B. Parker at the "Y" Building, Wednesday, February 21.

Secretary T. Praul Reeder will not be at the Y.M.C.A. Building Thursday, February 15, as is his usual schedule on Thursday afternoons because he will be in New York along with Secretary Guy Hendry, attending an Eastern Regional Conference of County Secretaries, February 14-15. He was there, however, Saturday, February 10, for the Junior Y.M.C.A. Group Ping Pong contest for that section of the county.

"If Palmyra Had" an article appearing in the latest issue of the P.H.S. "Palmyrian" is well worth reading.

The New Era editorial staff enjoyed hearing from Wilton E. Mount, former local Y.M.C.A. secretary at the Passaic, N. J., Y.M.C.A., that as a result of reading about the Trans-Pacific flight picture, shown recently at the Palmyra-Riverton club, he has been enabled to secure the film for one of his weekly group programs.

Leap Year Week will be appropriately observed at Palmyra High School during the period February 20 to 24.

The Palmyra High School Dramatic Club ably presented "The Rivals" before large audiences on Friday and Saturday of last week.

The recent bad break in the water line on Main street, Riverton, was repaired the same day it occurred, although workmen labored far into the evening to repair the damage.

The Palmyra High School girls' basketball team dropped two decisions recently, these being a 32-24 reverse from Pemberton and a 19-13 setback at the hands of the Mt. Holly damsels.

## Practice Office

(continued from page 1)

ity of assistant manager and supervises the work as would the manager (who is teaching classes in other rooms much of the time). The fourth employee is in charge of the switchboard and does miscellaneous work.

The practice office laboratory plan has been approved for experimental use in the school by the State Department of Education and is now in its second year of operation.

System  
Work done is handled under the production or job sheet system. All the work is composed of actual business jobs such as might occur in any office, as sent in by teachers and others. It covers a wide range.

Employees are hired at a theoretical wage of \$7.00 per week. Wages are advanced according to his worth. Poor performance results in no raises and unsatisfactory work results in the employee being fired after two warnings. The salary is noted on the report card of each student instead of the usual grade.

Work is divided into several groups which include the following: typing, duplicating, calculating, telephone usage, dictation, main office work (assisting regular employees) record keeping, etc.

What used to be the Office Practice Class is now a division of Practice Office. An Assistant Manager

is appointed for each fiscal period for each class. He is trained by a series of conferences by the Manager and supervises the work of others.

## Six Periods

Work in class is divided into six fiscal periods (the same as school report periods) during which time the employees are trained in the use of equipment and other operations. The manager has a definite schedule for conferences with employees on each day of the week.

The Practice Office system is merely the application of the old theory of "learning by doing" and in this case that theory is carried nearly to the extreme. Pupils find the work more interesting but at the same time find that the responsibility for getting their work done is put firmly on their shoulders and not on the teacher, for the teacher is but a manager.

## 3,600 Jobs

Scheduling all the activities of the office requires intricate synchronization to have the plan function smoothly. Motivation is easier for the teacher for the pupils feel it a privilege to learn that working a full day in an office is like and to have the freedom of business, and the rest of the school is relieved of much clerical work, (by having it done in Practice Office) thus allowing the teachers more time to better handle their own courses. Unlike many courses of the school which run independently, Practice Office has found for itself a real place in the curriculum. It is dependent upon other departments for the actual work (for practice) which it does and last year, in return, did over 3,600 separate jobs for other departments of the school.

## County Shade Tree Board

At the meeting of the Burlington County Board of Freeholders held last Friday, a resolution was passed which authorized the creation of the Burlington County Shade Tree Commission an organization composed of five individuals, who will serve without remuneration.

Those named in a resolution proposed by Freeholders LeRoy Church and approved by the Board are: Benjamin M. Haines, of Moorestown; William Wells, of Bordentown; E. D. Garrison, of Jobstown; Hammel Lippincott, of Mt. Holly, and Winston C. Parker, of Moorestown, who will also act as technical adviser.

Director Albert C. Jones will act as ex-officio member of the commission.

No Appropriation  
Mr. Church explained that no appropriation will be asked for the commission, but felt that beautification of the county highways was a project that merited serious consideration.

The commission has the power to do work as provided for in the statutes, but all actions are subject to the consent of the Board of Freeholders.

The resolution authorized the planting, trimming, spraying and protection of trees and the care and control of parks and parkways along county thoroughfares.

Details regarding the actual functioning of the new commission have not been formulated.

## CARD PARTY

The Riverton Ladies Club will hold their next card party at the home of Mrs. Russ, 104 Grant street, Riverside, Thursday afternoon, at 2 o'clock. Many beautiful prizes.

## YWCA NOTES

Mrs. William Grobler, of Moorestown, has been appointed general chairman of the annual financial campaign of the Burlington County Young Women's Christian Association, according to an announcement by Miss Gertrude Brick, of Crosswicks, county president.

Dates for the campaign this year will be March 4 to 11. Community chairmen who will aid Mrs. Grobler will be named within the next few weeks.

## CLUB NOTES

New officers of the Burlington Inter-club Council, composed of the clubs which use the Burlington Y.W.C.A. clubhouse, have been elected as follows: President, Eileen Bennett; vice president, Lenora Myers and secretary, Marion Appleton.

The Springside Girl Reserves were guests of the Shedaker Girl Reserves at a meeting held last week in the Shedaker School, Burlington Township. Elizabeth McGinley, of Edgewater Park, acted as hostess.

Miss Katherine Lucchini, general secretary of the Burlington County Y.W.C.A., and Miss Virginia Slim,

girls' work secretary, were guests of the Florence Industrial Club at a covered dish supper held Tuesday night at the Florence Library Hall. Louise Semtemphelter, newly elected president of the club, was in charge.

Plans are being made by the Roebing Girl Reserves for a world fellowship service of the Epworth League of Roebing, to be held Sunday evening, March 3. The committee on arrangements includes Dorothy Thomas, Bella Shaffer, Muriel Sweetman, Lois Luyber and Adama Schaum.

## MRS. ARMSTRONG NAMED

Mrs. F. W. D'Olier, of Moorestown, chairman of the social service department of the Burlington County Hospital, has appointed Mrs. F. Wallis Armstrong, Jr., Riverton road, Moorestown, as volunteer to assist with the chest clinics. The clinic, which meets on the first and third Mondays of each month, is conducted by the Burlington County Tuberculosis League.

Mrs. Ruby Freer, executive secretary, expressed great satisfaction with Mrs. D'Olier's appointment. For some time we have been eager to have volunteer assistance. Mrs. Armstrong will make the patients feel welcome and help remove that dread which many people have of chest examinations. She will

## INTERSECTION LIGHTS

State Highway Commissioner E. Donald Sterner recently renewed an agreement with the Burlington County Freeholders for safety lighting to be maintained at dangerous intersections on Routes 4, 25, 525 38, 39, 40, S40 and S41. The division of charges will be on 52 units of 400 candle power each and 43 of 600 candle power each.

## RAMS NAME OFFICERS

The members of the St. Joseph Rams met at the home of William Kemmerle, of Garfield avenue, last Wednesday evening, and elected new officers for the present year. Those named were Ralph Dennis, president; Thomas Lane, vice president; and Andrew Pfaff, secretary and treasurer. The organization has entered the basketball tournament in Camden.

## PALMYRA

The winner of the fourteenth drawing of the miscellaneous club conducted by the executive board of the Palmyra P.T.A. was Mrs. William Schropp, of Lincoln avenue.

Thomas Edson, of Lower Merion, spent the weekend as the guest of J. Merritt Sanford, of Highland avenue.

Mrs. Charles A. Mohrfield, of Cinnaminson avenue, and Mrs. Eula Roach, of Delaware avenue, were the past two winners in the merchandise club sponsored by the P. O. of A.

Placid Nace, of Lincoln avenue, entertained a number of school friends at a party on Saturday evening.

The regular monthly business meeting of the Father's Association of Troop 5, Boy Scouts will be held in the Methodist Church on Monday evening, February 19, at 8 o'clock. All Dads are requested to be present.

Mrs. Lillian Whartnaby, of Cuthbert road, will entertain the members of the Lucky Social Club, this evening (Thursday).

The St. Agnes Guild of the Christ Church, will hold a fish cake sale on Friday, February 16, at the parish house. Orders will be taken by calling Mrs. W. David, 295 or Mrs. P. Farrow, and they will be delivered.

Mrs. George Shaner, of Lincoln avenue, was the winner in the merchandise club of the Christ Church.

Miss Margaret Hiltner, of 610 Parry avenue, was the fifth winner in Shulman's Merchandise Club.

Miss Nora Carpenter, of Washington avenue, and Miss Betty Huyett, of Spring Garden street, are visiting friends and relatives at Miami, Florida.

The Alpha Gamma class of the Central Baptist Church, meets at the home of Mrs. Sidney Furman, of Leconey avenue.

Mrs. William Miller, of Garfield avenue, entertained at a bridge luncheon, Wednesday.

Adelaide and Virginia Seel, of Cinnaminson avenue, have been on the sick list for the past two weeks.

CINNAMINSON  
1940 BUDGET

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, the budget 1940 was approved by a unanimous vote and the date for the public hearing set for Tuesday, March 12, in the Cinnaminson School.

The estimated tax rate for 1940 is \$3.80, this figure being based, however, on county taxes being the same as in 1939.

The full budget will be published in the next issue of The New Era. The highway program for the current year was discussed in detail at the session.

Mrs. Mary Sim, executive secretary of the Riverton-Cinnaminson Welfare Association reported relief expenditures of \$310.48 for January as compared with \$482.62 for the same period of 1939.

**LOCAL SKATER SECOND**  
William J. McDermott, Jr., of Riverton, placed second in his group in the Men's Senior Novice Derby event of the Silver Skate Contest being sponsored by a Philadelphia newspaper at the Arena on Tuesday night.

He competed in the semifinals on Wednesday evening.

**MUCH ACTIVITY**  
The Cinnaminson Public School was bustling with activity on Tuesday night of this week when the school elections were held in the auditorium.

A classroom on the second floor was filled to capacity by an audience listening to an address by Judge Frank Mathews, of Riverton, while another room held a number of spectators who attended the meeting of the Township Committee.

## RIVERTON

Mr. and Mrs. H. M. Kieckhefer, of Riverton, were among those recently registered at The Pine Needles, Southern Pines, N. C.

The lecture scheduled for February 18 at the Westfield Friends Meeting House has been postponed until a later date.

Mr. and Mrs. Charles DeLaney, of Thomas avenue, were among the guests entertained at a party given by Mr. and Mrs. James Ward, of Ertlon.

Mrs. John Odgen, of Garfield avenue, was last week's winner in the Sacred Heart merchandise club.

Mary E. Bowers, of Hightstown, a student at the Temple University hospital, spent Monday with Mr. and Mrs. George Carnie, and family of Thomas avenue.

Mr. and Mrs. James Fitzgerald, of Thomas avenue, spent Sunday and Monday in New York City.

The Sacred Heart P.T.A. will hold a covered dish luncheon, in the school auditorium today (Thursday) at 1 p.m. admission is 25 cents and a covered dish. Proceeds will go toward the P.T.A.'s part in the interior decorating of the church. Mrs. Harry Stack, is in charge of the affair.

Mr. and Mrs. James S. Coale, of Thomas avenue, are spending several weeks at Miami, Fla.

Mrs. Harry Groome, of Linden avenue, spent Sunday as the guest of Mr. and Mrs. Frank S. McLaughlin, of Drexel Hill, Pa.

A Heinz food demonstration will be held in the parish house of the Christ Church at 8 p.m. Friday, February 23. The public is cordially invited. No charge.

Mr. and Mrs. Robert Blackburne, of Lynnhurst, spent the weekend

as the guest of Mr. and Mrs. Leonard R. Baker, and family of Garfield avenue.

Helen Leidy, of Burlington Pike, entertained the members of the Chi Sigma Delta sorority, Tuesday evening, cards were played.

George Hunt, of Elm avenue, is a patient at the Zurburg Hospital, Riverside.

Mr. and Mrs. Thomas Key, of Cleveland avenue, are spending several weeks at Miami, Fla.

Ruth Coombs, of Leconey avenue, entertained the Sub-Debs on Wednesday evening.

Mr. Albert Smith, of West Broad street, spent Sunday with Mary Kemmerle, of Atlantic City.

**LUTHERAN YOUNG PEOPLE**  
The topic for this Sunday evening, will be "Why Pray," given by Dr. Hayes Brady.

The past two topics were interesting to all those who attended, and everyone benefitted a bit from the

discussion.  
Remember, it is informal discussion, and we would like more young people to attend these worthwhile discussions. So come out and bring your friends with you. Make it a big gathering this week.  
—Publicity.

## WRESTLING

The Hanlys have slated a double windup to feature Monday night's show at the Camden Armory and from a look at the supporting bouts as well as the main events, another wild night is in store for the fans.

Lou Plummer, South Bend, Indiana rowdy who, in two successive weeks, forced Ernie Dusek to take the short ends of the decision in their battles will be seen in the curtain closer against Don Evans, dashing young Buffalo grappler, in a contest to be decided by one fall with no time limit.

There is also the first half of the double feature which brings together Ernie Dusek, the much-touted Nebraska wildcat and Gino Vagnonne, of Chicago, which is also scheduled for one fall to a finish.

PALMYRA TAKES  
SECOND PLACE

Mustard's Goal in Final Minutes of Paulsboro Game Aids Locals Win

Palmyra and Paulsboro engaged in a thrilling contest last Friday night at the Paulsboro High Gymnasium, with the Diamondmen taking the fracas by the score of 24-22.

A field goal by John Mustard, with less than a minute left in the battle was the deciding factor of the tilt. The local outfit by virtue of the victory climbed into second place in the Group 3 league while Paulsboro slid into third position.

Mitchell High

Mitchell, Palmyra forward, played an excellent game, being high gun for the Red and White. He garnered 15 points in the tilt dropping in six baskets and three out of four foul tries. Glickman paced the losers with eight, while Owens, racked up six counters.

The local basketballers turned in a splendid performance, especially in the last few minutes of the engagement. Both clubs were accurate in foul tries with Palmyra tossing in 5 out of 7 chances while Coach Ross's passers converted 6 out of 8. Both teams used their starting five throughout the entire contest.

Mitchell, caged three consecutive field goals and two foul shots to give Palmyra an 8-5 lead at the end of the first chukker. Paulsboro came back strong in the second period with baskets by Owens and Glickman to overcome the Red and White leading leaving Palmyra just one point in the rear at half-time, 14-13.

## In Arrears

Paulsboro continued scoring after intermission but the Palmyra dribblers battled their way ahead with the aid of goals by Henson and Mitchell. Just before the third quarter ended Hoff sank a foul shot to come within a doubleton of Paulsboro. A basket by Knott, Paulsboro giant center, gave his team a four point lead. With clever passing and less than four minutes left in the tussle, Rivel and Hoff snaggd field goals enabling Palmyra to even things up at 22 all. Time was passing quickly as Mustard, slit the cords with a two-pointer and Palmyra led again. The Red and White managed to hold on to the ball in the closing seconds of the battle.

By A. C. McLean  
Extension Service, N. J. College of Agriculture

Coach Dimond's dribblers will play host to their arch rival, Moorestown High, at the local gym Friday night. The remaining two games on the schedule are Gloucester High February 23, Riverside, home, February 27.

## LOCAL STUDENT SPEAKER

A tuberculin testing project for Mount Holly High School was launched on Friday, February 9, with an assembly program sponsored by the Burlington County Tuberculosis League. A sound film "Behind The Shadows" was shown, followed by a talk by Miss Ruth Stevens, a junior student from Palmyra High School where a tuberculin testing project has just been completed.

This is one of the sidelines preparatory to active spring gardening work which may intrigue the amateur plant grower who is especially eager to get started with his hobby. Another way to chill seeds is to place them in damp sand and put them out-of-doors. Covering with a mulch will insure against too severe freezing.

## ON DEAN'S LIST

In a report released by the Dean's office of Hobart College recently, Joseph Edwin Grant, son of Mr. and Mrs. J. W. Grant, of 608 Warrington avenue, East Riverton, was listed as one of the twenty-three undergraduates who have maintained better than a "B" honor standing during their college careers.

Mr. Grant, who is a sophomore at Hobart, is a member of the Neutral Body and an active participant in intramural athletics.

## BIRTH

Mr. and Mrs. Arthur W. Lewis, of Thomas avenue, Riverton, are receiving congratulations on the birth of a son, Russell Cooper, on February 2, in the West Jersey Hospital.

## Your Income Tax

Again the Federal tax collector is knocking on the door, and to make his visit a little less painful to motorists the Keystone Automobile Club has compiled a list of deductions which car owners may claim in filing their income tax reports.

A sizeable list of deductions may be made, including uncompensated loss by fire or casualty, according to Harrison G. Kildare, counsel for the club. His statement covering the entire subject follows:

"Full deductions may be made for:

"(a) Registration fees paid by the taxpayer (under 'Taxes Paid,' which is Item 9, Schedule F, on Form 1040A-1939).

"(b) Operators' license fees, paid by the taxpayer, both for himself and the members of his family, if he foots the bill. (Item 9.)

"(c) Gasoline and oil taxes, paid in states where local laws impose the tax directly on the buyer and not on the seller. Pennsylvania, New Jersey and Maryland motorists may deduct the state tax. However, the Federal Gasoline Tax of 1 cent per gallon is not deductible. (Item 9.)

"(d) Loss by accident is deductible, unless the owner has been compensated for the loss. This includes loss by fire or casualty. Deduct under 'Other Deductions Authorized by Law.' (Item 10, Schedule G.)

"(e) Interest paid on personal indebtedness, including finance company loans. Consult your finance company for the exact rate of interest because finance charges include cost of insurance and other items which are not exempt. When the actual interest figure has been determined, deduct under 'Interest' (Item 8, Schedule E.)

"The following items are not deductible: Cost of a new automobile, loss on trade-in, expense of traveling between home to place of business, accident and damages paid by the taxpayer, expense of defending a damage suit, or fines for violating traffic laws.

"If the vehicle is used in business, certain additional credits are allowed. These deductions may be grouped under one head as 'Expense Paid' (Schedule B-34) and titled, 'Automobile-Business Use.' If the taxpayer has been reimbursed by his employer for any expenses, this part of the income should be included in total taxable income declared under Item 1 (Schedule B-1, 2). If the vehicle is used partly for pleasure and partly for business, the taxpayer may deduct as 'business use'

the proper proportion of his total operating expense. Thus, if the car is used for business 80 per cent of the time he may take credit for 80 per cent of the total operating expense for 1939.

"Proper items for consideration under this head include:

"(1) Operating cost, covering (a) full cost of fuel, (b) maintenance and repair costs, (c) garage rent, (d) insurance premiums (net), and (e) automobile club dues.

"(2) Depreciation is allowed on some reasonable basis. On the theory that the average motor vehicle has a usable life of four years, a deduction of 25 per cent of the list price is considered reasonable for pleasure cars. Allowances of 10 to 30 per cent may be accepted on trucks, and 16 2/3 per cent on house trailers used in business.

"(3) Loss in trade on a new car, if any.

"Acquiring title to a motor vehicle by purchase, gift or inheritance does not constitute income. But if title is received in consideration of services rendered or as a prize in a competition or in a lottery, it must be declared under 'Income.'

"Federal manufacturer's taxes are levied on the manufacturer and may not be deducted by the purchaser of a new vehicle, even though he pays for them in the price of his car."

**BUSINESS CENSUS IS STARTED HERE**

Compilation of the 1940 census of business, manufacturing, mining and quarrying began in Palmyra on Saturday, February 10, under the supervision of Daniel F. Egan, United States Census supervisor for District No. 4 and Harry U. Bourbeau, of Moorestown, New Jersey, as assistant supervisor, with headquarters in the Federal Building, Trenton. All businesses and manufacturers in Palmyra will be visited by the enumerator, Russell William Dougherty, who will ask them the questions required by Act of Congress.

Mr. Egan wishes it known that enumerators are sworn to secrecy and the data they collect can be used only for the purpose of compiling statistical reports and not for the purpose of taxation and regulation.

Pertinent information covering some 400 types of manufacturing,

## VITAMIN B-1

The truly amazing effects of pure crystalline Vitamin B-1 on Plant growth represent one of the newest and most exciting discoveries ever made. Not a fertilizer, nor plant food yet it enables plants to gain the greatest benefits from the soil. Even seeds soaked in the concentration are tremendously stimulated.

1/10-gram (\$1.00) makes enough solution for a season in the average garden and home.

**Henry A. Dreer, Inc.**

Building Gardens Beautiful since 1838  
Plantabbs now contain Vitamin-B. Package of 30 tablets, 25c.

93 retail trades, several wholesale, mining and quarrying classifications plus amusements, hotels and tourists camps, construction and sales-financing firms will be sought by 6,000 men and women among the nation's 3,200,000 establishments.

In the spring, 121,000 more enumerators will take the field for the general decennial census of population, agriculture and housing throughout the country.

### ABOUT THE COUNTY

Miss Elizabeth R. Cowperthwaite, of Medford, and George M. Hillman, of Moorestown, have filed nominating petitions with the Secretary of State as alternate delegates for the Fourth Congressional District for the national Democratic convention.

The City of Bordentown is completely overhauling the interior of the historic old Gilder family home-stand on Crosswicks street, which is now owned by the city. The oldest portion of the house, the wing nearest the highway, dates back to 1788.

Harry U. Bourbeau, of East Maple avenue, Moorestown, has been appointed supervisor of the census for Burlington county. His headquarters are in Trenton and he has a staff of enumerators working under him, all of whom went to a school of instruction before going out to meet the public.

### PING PONG TOURNEY

Saturday morning, February 10, the Palmyra-Riverton Y.M.C.A. building was the scene of a very hotly contested area Ping Pong tournament to determine which Grammar School Y.M.C.A. group would represent the Palmyra-Riverton area at Mt. Holly for the County Ping Pong Championships in March, and also to determine the three boys who will be eligible for

the county individual championships.

Frank Ely, clever paddle wielder of the Bridgeboro Gra-Y, emerged victorious after a series of individual contests. Albert "Pete" Pascale, a diminutive sparkplug of the Pathfinder Gra-Y Group of Moorestown, finished second, with "Tommy" Lanning, another "shorty" placing third. Lanning represented the Cinnaminson School Gra-Y group.

The team champions were not determined until the very last match of the day when Kenneth Cook, of Moorestown, was successful in quelling Paul Ackerman, of Bridgeboro, to win the match and also the team championship for the Quaker Town group. The matches were very interesting the boys are now pointing for the county championships.

One of those "city women" was visiting in the hills of New England. She: "This place has so many odd and peculiar people."

**IT'S EASY TO HEAT YOUR HOME WITH 'blue coal'**

"blue coal" is easy to start—easy to control. It burns steadily and banks perfectly. For trouble-free, money-saving heat, ask for "blue coal" by name. It's America's finest anthracite.

**THE PORT OF NEW YORK AUTHORITY**

General and Refunding Bonds  
Fourth Series, 3%, Due 1976

To be dated Dec. 15, 1936 (Third Installment) To mature Dec. 15, 1976

Principal and semi-annual interest (June 15 and Dec. 15) payable at the principal offices of the Paying Agent or Agents.

Subject to redemption prior to Dec. 15, 1950, only through the operation of the Sinking Fund. Subject to this limitation, redeemable in whole, or in part, at the option of the Port of New York Authority on interest payment dates, at 103% beginning on Dec. 15, 1941, and thereafter on or before Dec. 15, 1945; at 102% thereafter and on or before Dec. 15, 1950; at 101% thereafter and on or before Dec. 15, 1955; and at 100% thereafter after maturity. Payments will be made into the "Fourth Series, 3%, Due 1976 Sinking Fund," commencing in 1941. The moneys in the Sinking Fund will be applied to the retirement of the Bonds of the Fourth Series, by purchase or call. Coupon Bonds will be issued in the denomination of \$1,000, registrable as to principal, or as to both principal and interest, and when so registered convertible into coupon form upon payment of a nominal fee.

Exempt in the opinion of General Counsel and Bond Counsel from Federal income taxes without the consent of the States of New York and New Jersey, and exempt from New York State Income Taxes.

Legal in the opinion of Counsel for investment in New York and New Jersey for state and municipal officers, banks and savings banks, insurance companies, trustees and other fiduciaries, and eligible for deposit with state or municipal officers or agencies in New York or New Jersey for any purpose for which bonds of such states, respectively, may be deposited.

To be issued to provide funds to refund New York-New Jersey Interstate Tunnel Bonds, Series E, heretofore issued for Holland Tunnel purposes.

Sealed proposals for the purchase of the above \$33,000,000, of bonds will be received by the Port Authority on February 19, 1940, and must reach the office of the General Manager of the Port Authority, 111 Eighth Avenue, New York City at or before eleven o'clock in the morning on that date, or such adjourned time or date as the Authority may determine. Proposals must be in the prescribed form and must be for all or none.

Each offer must be accompanied by a certified check or cashier's check in an amount of \$660,000. The Port Authority reserves the right to accept or reject any and all bids, and generally to take such action as may best serve the public interest. The Port Authority will announce the acceptance of bids at or before 6 o'clock in the afternoon of the day upon which bids are received, and temporary Bonds will be available for delivery on or about March 1, 1940.

All legal proceedings incident to the issuance and sale of these Bonds are subject to the approval of Julius Henry Cohen, General Counsel for The Port of New York Authority, and of Thomson, Wood & Hoffman, Bond Counsel.

Copies of the Official Statement of the Port Authority regarding these Bonds, of the resolutions pursuant to which they are to be issued, and of the prescribed bidding forms, may be obtained at the offices of the General Manager of the Port Authority, 111 Eighth Avenue, New York.

All sales by the Port Authority will be made within the City of New York, and the above is not to be construed as an offer to sell Bonds elsewhere.

## The Small Business Man

Too often when the average man thinks of business in the United States he visualizes huge steel mills, utilities, railroads and broad-scale mercantile establishments. All of these institutions have the proper place in the American economic life. But we must never forget that the backbone of the economic welfare of the United States is the small business man. It was the little fellow in business who made this country possible.

Long before we knew anything about giant monopolies, or listened to proposals for their regulation or dissolution, the small business man had been at work founding a great country. He did it with his little shop, his small plant, and his modest store. He operated on the principles of honesty, integrity, thrift and service. He became prosperous and he made the country prosperous.

There are hundreds of thousands of such business men in the United States and they are just as important to our welfare as they ever were. Unfortunately, however, with the spotlight thrown on the big corporations of the country we hear less about the little business fellow. He has become the real forgotten man. Yet he and his kind in the aggregate are the foundation of the nation.

A great many of the socialistic experimenters have traveled far beyond the little business man. They look upon him as a product of the now archaic horse and buggy age. They are used to gazing at the stars and other big things. In our country they see only the giant corporations. Their purpose is not to dissolve these corporations but to seize them, to make them a part of the government. This is the next step toward socialism.

But those who have the real interests of the country at heart do not want this to happen. They know that it spells European totalitarianism rather than democratic America. They realize the peril of monopoly, whether it is private or federal. What they most desire is to give the small business man a chance to survive, to return to prosperity. If such a desirable state of economic bliss can be brought about then we need not worry about the future. When the small business man becomes prosperous the farmer and the worker will be prosperous. There will be money to buy our surplus crops, and jobs for all those who want to work.

## The Cross Roads

It is a popular custom in national campaign years to say that America is now at the cross roads, that the election just ahead is now at the cross roads, that the election just ahead is the most important in the history of the country.

Yet it is truer this year than any since the dark days of the Civil War that the people of the nation are really "at the cross roads." This time it is no mere figure of speech. For seven years we have been traveling a new and untried path in the experience of America. Many of the old principles have been thrown overboard. Principles of states' rights and individual responsibility have been disregarded for a new federal bureaucracy at Washington and national paternalism. The old axioms concerning thrift have been set aside. The government has sought to spend us into prosperity. Orthodox theories of finance have gone by the boards. We have been buying the world's gold and silver at nearly fifty per cent more than it is worth and burying the yellow metal in the hills of Kentucky. It is now unlawful for the individual to possess gold coin.

We have repudiated the idea of individual enterprise and put the government into private business. Our indebtedness has doubled and reached the legal limit of forty-five billions of dollars. There are disciples of the new dispensation who insist that we must go forward on the path which has been cut out for us by the New Deal. They are preparing to put on a great drive to see to it that President Roosevelt be nominated and elected for a third term because there is no one else who can continue to keep these novel policies in effect. On the other hand, there are sound, keen statesmen among us who say that if we continue on this road we are sure to reach the brink of national disaster. Only by a turn to the right do they say, adopting the sound and

time-tried standards of the past, can we make America prosperous and happy again.

It may be truly said therefore that Americans are at the cross-roads. They must choose in November which way they intend to go. Will it be to the left and more socialistic experimentation or toward the right, and adoption of orthodox methods?

There can be no turning back. We cannot revert to the calm and peaceful debt-free days we knew before the World War, any more than we can turn back the calendar. We must go forward. What the people must decide is which path they will choose.

It is suggested that we lend the Finns money with which to buy war supplies. But according to the dispatches from the front they must be capturing all they need from the Russians.

Grover Whalen, president of the New York World Fair, returning from Europe says the skies are clouded and gloomy over there and that the "one bright star in a troubled and international sky" is the reciprocal tariff program of Secretary Hull. In short, it proves to the world that Santa Claus is still alive.

We have as much fun as anybody kidding the tightwads but we notice we are never taxed anything for their support.—Exchange.

A man earning \$18 a week pays approximately \$123.48 a year in hidden taxes.

Now that the roller skating season has supplanted ice skating, motorists would be greatly appreciative if certain youngsters on

Thomas avenue were a trifle less daring in the manner they dart about when autos approach. Despite the greatest care exercised on the part of the drivers some one may get hurt if the fooling is not stopped.

Ice sinks tug Triton. Derrick barge raises tug. Ice sinks barge. Sounds like a game of checkers with the ice winning easily.

## BUSINESS

Even though general industrial activity slackened in January, as was anticipated, from the peaks of last fall, operations were maintained at all-time levels for January. This was in spite of an absence of the seasonal January expansion. The adjusted index of industrial production showed 120 per cent of the 1923-25 average, compared to 128 for December, the record high for any month.

On the retail side, January stock-taking revealed that stores' position with respect to the amount of merchandise on their shelves is sound and leaves most retailers in a favorable, "open-to-buy" position for spring. Inventories generally are higher than last year, but not out of line with the upturn in retail sales. Active January trade prevented accumulation of overstocks of staple merchandise, which had been ordered ahead fairly liberally since the war's outbreak in September, to forestall higher prices.

Cancer is curable, especially if treated in its early stages.

## LEGISLATIVE DINNER

The date of the legislative dinner sponsored by the Burlington County Women's Republican Club, at the Stacy Trent Hotel, Trenton, has been definitely set for Monday evening, February 19, at 5:30 sharp. This is two weeks later than the date originally contemplated but the Republican women have graciously deferred the date of their annual dinner to the 19th, in order not to conflict with other events previously scheduled.

The legislative dinner promises to be one of the best given at the capital city by the Burlington County Women's organization. Besides the excellent dinner provided, there will be speakers of note to address the diners. Afterward the visitors will repair to the State House to watch the lawmakers at work. Special seating arrangements will be made.

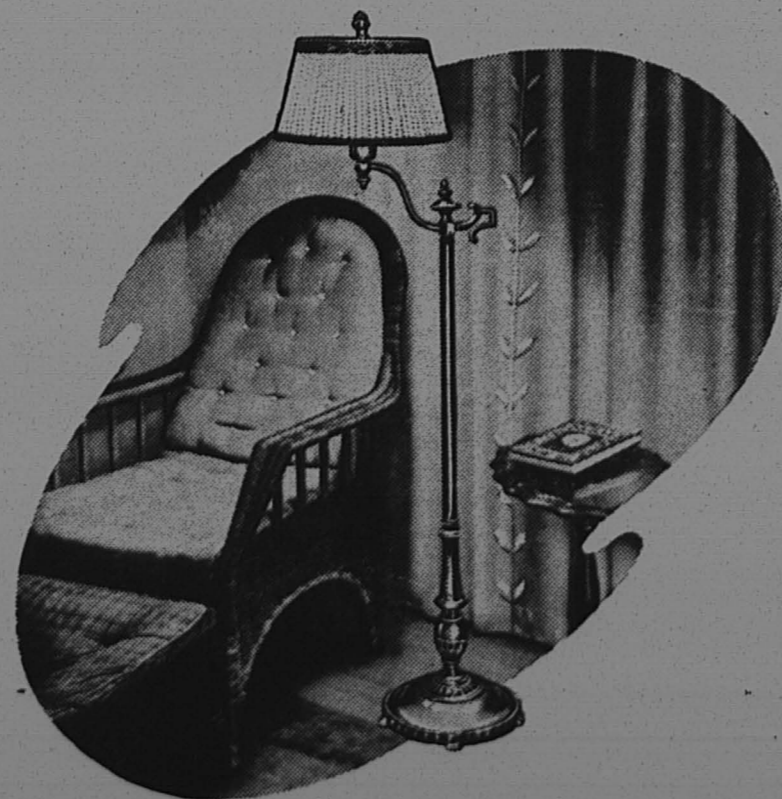

Among those appointed to handle tickets are: Mrs. George N. Wimer and Mrs. Walter D. Lamont, of Palmyra, and Mrs. Alma Evans, of Riverton.

The Women's Republican Club of Burlington County has planned to hold its next regular meeting in the form of a dessert-bridge on Thursday, February 15, at one o'clock in the afternoon at the American Legion home in Florence. Members of the club and friends are invited to make their reservations with Mrs. Sarah Parker, of Florence, or their local chairman.

## DOCTORS ENDORSE TESTS

In view of the fact that there has been considerable opposition in some localities to such public health measures as the immunization against contagious diseases, the Burlington County Medical Society at its regular meeting held at the Moorestown Field Club on February 8, 1940, went on record as endorsing the Mantoux test for tuberculosis, the Schick test for diphtheria, the immunization against smallpox with vaccine and the immunization against diphtheria with toxoid.

Signed, E. W. Rodman, Secretary.

## A Good Place for Good Light

Wherever you have a comfortable chair it is well to have good light. An I.E.S. bridge lamp, for example, provides soft, restful light for reading. Light is direct and indirect combined. Silk shade comes in tan, gold or rust color. Price complete, \$12.75 cash. Small carrying charge if purchased on convenient monthly terms.

\*Approved by the Illuminating Engineering Society and sold at Public Service stores.

PUBLIC SERVICE

## OBITUARIES

## MAURICE G. BELKNAP

Maurice G. Belknap, of 311 Bank avenue, Riverton, died of pneumonia on Monday, February 5, in the West Jersey Homeopathic Hospital.

He had been a resident of Riverton for twelve years, and for many years before that was a regular summer guest at the Lawn House on the River Bank.

A graduate of the Law School of the University of Pennsylvania, he practiced law in Philadelphia, being associated for many years with E. Spencer Miller, in the Crozer building.

Mr. Belknap was a member of the Philadelphia Bar Association, the Pennsylvania Society of Mayflower Descendants, the Sons of the Revolution, the Order of Founders and Patriots, the Society of Colonial Wars, and the Society of Veterans of Foreign Wars.

He held the rank of Lieutenant Commander in the Naval Coast Defense Reserve during the World War, and was always a loyal member of the Riverton Yacht Club.

His wife, who was Anna Whitall James, of Riverton, and a sister Miss Leilah Belknap, of Los Angeles, California, survive him.

## DAVID OLIVER

David Oliver, of Rosemont, Pa., formerly of Riverton, died on Wednesday, February 7.

Funeral services were held on Saturday, with interment in Philadelphia.

The deceased is survived by his widow, Prudence Duncan.

## ROSE F. HEPFNER

Mrs. Rose F. Hepfner, of Broad and Randolph streets, East Riverton, widow of the late George Hepfner, died on Sunday, February 11.

Funeral services were held on Wednesday at 2 p.m. from her late residence, the Rev. A. J. Harke, officiating.

Interment was made in Morgan Cemetery under the direction of Frank A. Snover.

The deceased is survived by a son George.

## CHARLES HAINES

Charles Haines, of 37 Boyd street, Camden, husband of the late Catherine Smith Haines, died on Sunday, February 11.

Funeral services will be held today (Thursday) from his late residence, with interment in Morgan Cemetery, under the direction of Frank A. Snover.

A daughter, Mrs. Ida Jones, of Palmyra, survives.

## Doc Says:

State Anti-Pneumonia Serum Appropriation Economic Investment

The pneumonia mortality rate could be reduced considerably more than 25 per cent if anti-pneumonia serum were made available to all cases for which it is suitable.

This conclusion was included in the report presented to Governor Moore by the New Jersey Health and Welfare Conference.

The New Jersey Legislature will be asked again this year to appropriate funds for providing serum to needy pneumonia cases who could not otherwise obtain it. Since its use favorably influences the mortality rate so greatly, the appropriation for this purpose is not a charitable handout but an economic investment for the state. The saving in lives has great economic significance. Many of these patients are heads of families and breadwinners. Their loss causes great social and economic dislocation for their families and for the communities of which they are a part.

The financial interests of the state, as well as humanitarian interests, will therefore be served if the Legislature appropriates funds adequate to meet the need.

This feature is prepared by the Burlington County Medical Society and the Medical Society of New Jersey.

## A Gay Valentine Party...

A VALENTINE party is an excellent way to launch a leap-year campaign. Show your young man that you are not only beautiful but that you can really cook. This decorative valentine cake may lead to a wedding cake next Spring.

## Valentine Cake

1 cup shortening  
2 cups sugar  
1 cup flour  
1 egg, beaten

4 tsp. baking powder  
1 cup milk  
1 tsp. vanilla  
1/4 tsp. mace  
Cream the shortening and sugar and add the beaten eggs. Mix and sift flour, baking powder and salt alternately with the milk, add flavoring. Bake in tube pan, ten inches in diameter and four and one-quarter inches deep with heat control of the oven of your range set for about an hour at 350 degrees.

Frost entire cake with Ornamental Frosting. When dry decorate side and top with heart designs using Butter or Ornamental Frosting.

NOTE:—For symmetrical hearts, place cookie cutter on cake to make impression and with pastry tube follow outline of this impression.

## Ornamental Frosting

4 egg whites  
3 cups sifted confectioner's sugar

1/4 tsp. cream  
1/4 tsp. tartar  
1 tsp. vanilla  
Beat egg whites with two tablespoons of sugar for three minutes in the electric mixer; continue to beat and add same amount of sugar at a time, beating thoroughly after each addition, until a knife cut down into frosting makes a clear cut. Add vanilla. The success depends entirely on the thorough beating after each addition of sugar.

## Butter Frosting for Cake Decorating

1 cup butter  
1 cup powdered sugar  
2 egg whites  
1/2 tsp. flavoring  
Cream butter and sugar until light and creamy. Slowly add un-

beaten whites and beat until creamy. Add flavoring.

## Valentine Refrigerator Dessert

Border: Butter frosting  
Food coloring  
Tiny drop oil of cinnamon  
Plain pound or sponge cake

Prepare butter frosting, using one and one-half cups confectioner's sugar; add coloring, oil of cinnamon. Slice cake three-eighths inch thick, cut each slice with heart shaped cutter or pattern three inches wide and three and one-half inches high. Frost one side and the edge of each heart; place in automatic refrigerator until firm. Line bottom and sides of spring form pan, eight inches in diameter with waxed paper; stand hearts up right, around sides, frosted side out. Return to refrigerator and chill.

Filling: 2 cups unwetted pineapple  
1 cup sugar  
1 cup salt  
2 tsp. gelatine  
2 tsp. lemon juice  
1/4 cup cold water  
1 cup heavy cream

Heat pineapple juice, add gelatine softened in cold water, stir until dissolved. Add sugar, salt, lemon juice. Put in refrigerator, or over ice water until it begins to stiffen. Beat until fluffy, fold in stiffly beaten egg whites. Fold in one-half cup cream, whipped. Pour into heart-lined pan, chill over night.

Just before serving:—Put on platter and remove sides of pan only, leaving bottom; peel off paper. Frost small back section of each heart. Whip remaining one-half cup cream, outline hearts and decorate top. Remove title of filling from center; wrap stones of carnations with waxed paper, insert.

## Church Notices

## PRESIDENT OF THE POLYTECHNIC INSTITUTE OF PUERTO RICO TO SPEAK AT THE CALVARY PRESBYTERIAN CHURCH

Doctor Jarvis S. Morris, president of the Polytechnic Institute of San German, Puerto Rico, will speak at the morning worship in Calvary Presbyterian Church, next Sunday, February 18. In a recent interview, Doctor Morris said:

"The Polytechnic Institute of San German, Puerto Rico, is the only Presbyterian college, and also the only Christian, Protestant, and private institution doing college work in Puerto Rico."

## Fine Records

Asked as to the possibilities of the present student body for finding their places in the economic life of Puerto Rico, Dr. Morris said that many would go into the teaching profession, some into business, and some into medical training. Some will come to the States for further training. As a rule, he said, Polytechnic graduates make conspicuous records in schools and colleges in the states, such as in Syracuse and Columbia. Two former Polytechnic young people are on insular scholarships in the States, one at Park College and one at Penn State.

As to where former graduates of the Institute may be found, Dr. Morris replied: "The present commissioner of education in Puerto Rico is one of our graduates, as is the superintendent of English teaching on the island. Five graduates are high school teachers, two are mayors of cities. About half the number of Protestant ministers of all denominations in Puerto Rico were former Polytechnic graduates. But they do not all remain in Puerto Rico. Dr. Abilio, the head of the Spanish Department of Duke University, is a former graduate. In fact," he said, "many of the leading Spanish teachers in colleges and high schools in the United States have attended Polytechnic."

## Impressive Speaker

Dr. Morris received his A.B. at Park College, his Th.D., Th.M., and M.A. at Princeton University, then spent a year in the University of Berlin as a fellow of Princeton. In 1937 he received his Th.D. at Union Seminary, New York.

Doctor Morris is one of the most impressive speakers of the Presbyterian Board of National Missions and his coming to Riverton affords an excellent opportunity to hear of the Christian work being done in Puerto Rico.

## CHRISTIAN SCIENCE CHURCH

"Soul" is the lesson-sermon subject for Sunday, February 18, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "I will set my tabernacle among you; and my soul shall not depart from you. And I will walk among you, and will be your God, and ye shall be my people." (Leviticus 26:11, 12). Among the citations which comprise the lesson-sermon is the following from the Bible: "For the Lord God is a sun and shield; the Lord will give grace and glory; no good thing will he withhold from them that walk uprightly." (Psalms 84:11).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The divine Mind is the Soul of man, and gives man dominion over all things" (p. 307).

## BETHANY LUTHERAN CHURCH

Reminiscere—The second Sunday in Lent. Chief service, 11 a.m. Vespers, 8 p.m. Wednesday services during Lent, 8 p.m. Rev. Dr. C. P. Swank will officiate at all services.

## WESTFIELD FRIENDS MEETING

Burlington Pike Sunday Morning 10 o'clock—First Day School. 11 o'clock—Meeting for worship.

## CHRISTIAN SCIENCE CHURCH First Church of Christ, Scientist Thomas Ave. and Seventh St. Riverton, N. J.

Sunday School, 9:30 a.m. Sunday Services, 11 a.m. Wednesday, 8:00 p.m. Reading Room in Church Building Thomas Ave. and Seventh St. Riverton, open Tuesday and Friday, 2:30 to 4:30.

## EPWORTH LEAGUE PALMYRA

J. EDMUND TURNOCK President

## "Test Our Welcome"

The Young People's Epworth League welcomes all young people of high school age and over to attend our service at 6:45 p.m. where "God is made Real." Our speaker this Sunday is Mrs. Arthur Mandeville, who will speak upon "Stewardship." Our memory verse for this Sunday is found in John 10:10 "The Thief cometh not, but for to steal, and to kill, and to destroy; I am that they might have life, and that they might have it more abundantly."

Our history-hymn for this Sunday is "Onward Christian Soldiers."

## CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor Services Sunday, February 18th. Bible School 10:00 a.m.—Someone has said "show me an enthusiastic bible school and I will show you a successful church." That might be said of "Central Baptist." Here you will find an enthusiastic school. One which interests all who attend. If you are not a regular attendant or have no school affiliations, you are cordially invited to join us. There is a class for you.

Morning worship 11:15 a.m.—In observing the 35th anniversary of Rotary International, the Palmyra-Riverton Rotary Club will attend the morning service. The club's "Bish" Lockett, will have as his subject "Three Views of Life." You can count on good music by the choir and an inspiring sermon. B.Y.O.U. 6:45 p.m.—The high school young peoples group meets in the Sunday School room for an hour of interest to all young people of this age.

Evening Worship 7:45 p.m.—"Pure Religion" will be the subject of the evening sermon. When you attend this service endeavor to bring with you your neighbor, friend or one who has not acquired the habit of evening church attendance. They will thank you for it, and besides, it will do you good. Try it this Sunday.

## ARTISANS TO TAKE TRIP

Every member of the Palmyra Assembly A.O.M.P. is invited on a cruise "South of the Sun." Many interesting places will be visited such as Barbadoes, Rio De Janeiro, Buenos Aires and the famed pitch lakes of Trinidad. All these places will be seen in their wonderful natural colors.

This trip will be available through the facilities of a movie camera and technicolor film.

This month's meeting will be known as "Lucky Member Night." Just before the boat sails on its cruise one of our members will be chosen to be honored at our May meeting. No one will know who this person will be then, when he will be honored just as any of our great Artisans who have been honored in the past.

As a special added attraction, a great Artisan, dean of all piano players, Harry Shuster, will be present. Howard Vile, well known orchestra leader, is taking charge of the trip.

## Evans' Service Station

## Wesleyan Men's Bible Class

## For the Men of the Community

St. Francis of Assisi said to another Monk, "Let us go to the village today and preach."

On their return to the monastery, the Monk said, "We went to preach in the village, but did not." To which St. Francis replied, "By our walk we preached."

This suggestive incident reminds one of the value of consistency in our associations with our religious profession. It is what we do rather than what we say that gives sincerity to our high calling. There are unconscious influences as well as conscious, that have their effect on others.

As an impressive Lenten season lesson, may we remember "As we walk, we preach." There are indulgences not only now but always that have no place in religious life. The sacrificial teaching of "Lent" should have its influence with us.

The purposeful walk on Sunday to our Bible Class has its telling influence on others. "If we walk in the light as He is in the light we have fellowship one with another." The Wesleyans welcome guests any Sunday morning at 9:50.

## SACRED HEART CHURCH Riverton, N. J.

Pastor, Rev. John F. Welsh. Assistant Pastor, Rev. Vincent A. Lusher. Sunday Masses—7:00 - 9:00 - 10:15. Daily Masses—7:00 - 7:45. Confessions every Saturday, 3:45, 5:45 and 7:30 to 9:00. Miraculous Medal Novena and Lenten Devotions - Tuesday at 7:45 p.m. Stations of the Cross and Benediction—Friday at 2:30 and 7:45 p.m.

Sunday Masses, February 18—7:00: William Wallace, V. Collar. 9:00: J. Laverty, William Brumbaugh. 10:15: H. Groome, R. Dennis, R. Rowan.

EPWORTH METHODIST CHURCH Rev. W. A. Boyd, Pastor "The Sacrifice of God the Father" is the title of the morning sermon in the Methodist Church this Sunday morning at eleven o'clock. This is an important and interesting subject. We often talk about the sufferings of Jesus Christ, but what about the sufferings of God the Father? Come hear this message by the Rev. W. A. Boyd, minister of the church. The Senior and Friendly Choirs will sing during this service. "The Supreme Court Saves Four Lives" is the title of the sermon by Rev. Boyd in the evening service at 7:45. We invite the public to attend all of our meetings. We especially

Riverton, N. J.

dition—Friday at 2:30 and 7:45 p.m.

We were very much gratified to see the large attendance at the Lenten Devotions last week. Just as it was through the blasphemies of Calvary that Our Divine Lord accomplished the Alleluia of Easter Sunday so through our Lenten sacrifices do we follow Him from the Cross to the Resurrection. Did our dear Lord not say, "If any man will come after me, let him deny himself and take up his cross and follow me"? Both by command and example therefore does He show us that one of the supreme tests of sanctification is the practice of mortification and self-denial. Let us prepare ourselves then and live this Lent as if it were going to be our last. It undoubtedly will be the last for some.

Religious Instruction Classes—Elementary School Children, Friday afternoon at 3:45. Public High School, Thursday evening at 7:15.

Those installed were president, Miss Florence O. Saar; vice president, Mrs. Sadie Morham; secretary, Mrs. Marie Reynolds; treasurer, Mrs. Morris Beck; chaplain, Mrs. Virginia Windish; publicity, Mrs. Grace Dinn; trustees, Mrs. Reba Dilks, Mrs. Ella Geddes and Mrs. Neita Hoff.

The new president Miss Florence Saar, gave a welcome address to those followed by a Valentine party and a covered dish supper. Plans were discussed in regard to a card party to be held on Thursday, February 29, at the fire house.

## CARDS OF THANKS

The family of the late Mrs. Mary B. Sharp wish to express their deep gratitude and appreciation to their friends and neighbors for all the kindness and sincere sympathy extended to us in our recent bereavement.

Dorothy S. Brown, Lewis W. Sharp, John Preston Sharp, M.D.

## Y. M. C. A.

The Y.M.C.A. secretaries connected with the operation of Camp Ockanickon met at Camden for an all-day planning session on Lincoln's birthday. Secretaries Hendry and Reeder and the Camp's business manager, Heber Sink, represented Burlington county.

Wednesday and Thursday of this week at Sloane House Y.M.C.A., New York City, secretaries from the Eastern Region of the United States who are working in towns, counties and communities convened for their annual session. Secretary Hendry is chairman of this conference this year. The states represented were Maine, New Hampshire, Vermont, Massachusetts, New York, New Jersey, Pennsylvania and Virginia.

A special meeting of the Camp Ockanickon Trustees is being called by President Stockwell and Camp Director C. A. Duran, for February 20, in Moorestown to act on the recommendations of the Secretaries for the 1940 season which opens July 6 for six weeks.

The annual Young Men's Congress will be held this year at Bridgeton, February 24-25, around the theme "Youth's Personal Relations." Some ten or a dozen clubs from the county will be represented.

At a special meeting of the Burlington County Y.M.C.A. Phalanx Council, presided over by Thomas Smith, chairman of the council, the group decided to start a basketball league, Tuesday evening, February 13, at the Pemberton Baptist Church Recreation Hall. Five teams entered in the league representing Mt. Holly A, Mt. Holly B, Moorestown, Riverside and Lumberton.

The recreation committee, represented by Robert Foster, reported that the date of Saturday, March 2, had been set for an evening social and dance, the place to be announced at a later date.

Fifteen young men from the various fraternities are planning to attend the Young Men's Congress, to be held at Bridgeton, Saturday and Sunday, February 24-25. Groups present at the meeting were Florence, Moorestown, Mt. Holly A, Mt. Holly B and Riverside.

## CADET CORPS CARD PARTY

The American Legion Bugle and Drum Cadets Corps has made plans for a huge card party to be held Friday evening, February 23, in the local K. of C. hall. Admission will be twenty-five cents and the affair will start at 9 p.m.

Proceeds of the card party will aid toward the purchase of new uniforms and equipment and tickets are being sold by the members of the organization. The affair will be under the leadership of Harry Groome, assisted by George Bishop, of Riverton, Thomas Cardea, of Palmyra, and Stewart Headman, of Riverside. Raymond Fichter, Sr., one of the directors of the cadet corps is in charge of many of their social affairs.

## Westfield Friends' School

The kindergarten, having built a small post office in their room, decided business would be better if they knew exactly how a post office was organized. They went to the Riverton Post Office on February 5th, and Mrs. Haas explained how they managed things. The children were greatly interested and took turns cancelling letters and mailing packages. They learned just what a post office should have, and were convinced of the need for improvement in their own.

The children also discovered what a special occasion means in the life of a postmaster and mailman—Valentine's Day is keeping them exceptionally busy, and the mailbags are overflowing.

On Tuesday, February 13th, we had a guest come to school. She was a sculptor and had gone to Westfield. Her name was Mrs. William Shoemaker. She showed us some statues she had made. They were made of clay and plaster. She said that if you did not have armatures or braces and you handled a statue a lot, it would break. She also explained how to make bronze and plaster statues. We ended the program by singing the school song.

—George Krusen, Grade VI.

**SORORITY DANCE**  
The Chi Delta Sorority will hold a dance in the Junior Ballroom of the Hotel Walt Whitman Saturday night, February 17, 1940, with Jimmie Morello and his "Sophisticates of Swing." Tickets may be obtained from any sorority member or the door. (Price \$1.75 couple, tax included). Dress optional. This will mark the first dance to be given by the Chi Sigma Delta Sorority.

The affair is being organized by Grace Chapter members: Thelma Chatham, Janet Barber, Doris Woodcock, Evelyn Kates, Ruth Hunter, Eleanor Hulse, Mary Kirk.

## PALMYRA MAY HAVE AIRPORT

Permission for Construction Given to Robert Snover: Street to Be Paved

Consent of Palmyra Borough Council was given Robert Snover for the establishment of an airport near S-41 highway, at the regular meeting held in the Council Chamber, Tuesday night. Mr. Snover stated that all of the safety requirements of both the Federal and State governments would have to be met before permission could be obtained for its establishment.

The application of Paul Valeri for a retail liquor consumption license for an Italian restaurant he plans to open near the bridge approach was held over for investigation of existing ordinances.

The salary of Harry Saar, relief director was raised from \$400 per year to \$500 by resolution unanimously passed by council.

Councilman Huyett reported that 70 loads of wood had been delivered to the needy and that his committee plans to plant 90 new trees beginning next week.

Spring Garden Paving

The long effort to have Spring Garden street paved was productive of results this year. Councilman Huyett reported that he was advised that it would go during 1940 provided council appointed a Burlington county engineer on the job. It was decided therefore to ask for a release by the Camden engineer who had worked on the project and then proceed with the work under the direction of Shedwick and Wills.

The garbage contract was authorized executed for another three years at the annual contract rate of \$700 per year. The contract will be made with the present collector.

Councilman Huyett asked Council if something could be done to enforce the dog regulations more severely. Mr. Huyett stated that several people who allowed their dogs to run at large should be arrested.

and given the fine provided by law, \$10 for each violation.

### Snover Speaks

County Treasurer Frank A. Snover, was present at the meeting and gave the Councilmen an impromptu resume of tax collections in the county during the year of his administration in office. He stated that for the year just passed 96.6 per cent of the taxes had been collected and that 50 per cent of the county taxes had been collected for the first quarter of 1940.

Mr. Snover pointed out that the old age pensions have been increasing at the rate of \$35,000 per year and are getting to be a very serious problem in the finances of the county.

Good tax collections in the county have been responsible for the anticipated lowered county tax rate this year, Mr. Snover stated.

Mr. Snover stated that good tax collectors, by working with the people, can, in most cases, work out a plan where it is possible to pay taxes and save their properties.

Mayor Ward thanked Mr. Snover for his remarks and stated that he had done a good job and that Palmyra was proud of him.

The salary of the building inspector was increased \$50 annually by unanimous vote.

Assessor James Hartley delivered an enlightening talk on the work of the assessor to the members of the Sociology Class from Palmyra High School in attendance at the meeting.

## SHERIFF'S SALE

By virtue of a Writ of Fieri Facias to me directed, issued out of Court of Chancery of the State of New Jersey, I will sell at public sale on

THURSDAY, MARCH 14, A. D. 1940, between the hours of 12 and 5 o'clock in the afternoon of said day to wit, at 2 o'clock in the afternoon, at the Court House, Mount Holly, New Jersey:

ALL the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Borough of Riverton, in the County of Burlington and State of New Jersey, viz:

BEGINNING at a point for a corner in the middle of Howard Street at the distance of fifty feet Northwardly from the middle of Howard Street, thence along the middle of Howard Street, Northwesterly seventy-five feet to a point for a corner; thence Southwesterly between parallel lines of that width, parallel with said Fifth Street, the distance of thirty feet to the Western edge of Howard Street, thence continuing onward in the same direction a further distance of one hundred feet in depth clear of the street.

BEING a part of the same land and premises which Heulings Lippincott and J. Lawrence Lippincott, Surviving Executors under the last will and testament of Ezra Lippincott, deceased, by their deed of conveyance dated May 24th, 1920, and recorded in the Burlington County Clerk's Office in Book No. 149 of Deeds, page 269 &c., granted and conveyed unto Marion Sauer, in fee.

And the said Marion Sauer departed this life on February 16th, 1939, leaving a last will and testament duly admitted to probate by the Surrogate of Burlington County on October 28th, 1939, wherein she did, among other things, give, devise and bequeath unto her sister-in-law, Albertina Cole, and her nephew, Charles R. Cole, absolutely and forever, all of her estate, real, personal and mixed, whereupon title to the above described premises became vested in said Albertina Cole and Charles R. Cole, in fee.

TOGETHER with a right of way over a certain tract of land now or lately belonging to the said Marion Sauer, adjoining the land and premises above described, bounded and described as follows, viz:

BEGINNING at a point in the Northernly line of Fifth Street, at the distance of eighty-five feet Westwardly from the Western line of Howard Street and extending thence Westwardly along the Northernly line of Fifth Street, the distance of fifteen feet to a point for a corner; thence extending Northwardly between parallel lines of that width, the distance of twenty-five feet to lands of said Marion Sauer first above described, for the use of the owner of the lot of land first above described, her heirs and assigns, and her servants and the tenants and occupants from time to time, of the premises first above described, and any other person or persons for their benefit and advantage at all times freely to pass and repass on foot or with animals, vehicles, automobiles, loads or otherwise, to and from between the lands first above described and said Fifth Street.

Decree approximately \$2,069.71 besides interest, costs and fees.

Served as the property of Charles R. Cole, et al., defendants; taken in execution at the suit of Cinnaminson Building and Loan Association, of Riverton, New Jersey, complainant; and to be sold by

F. GEORGE FURTH, Sheriff.

Solicitor: Wm. D. Lippincott.

Dated: February 14, 1940.

At 2:15 to 3:40

Printer's Fee, \$39.00.

## BRIEF ITEMS from ABOUT TOWN

The Tom Brown road, just east of the New Albany road had about the biggest collection of drifts seen in this section for many a year. For a distance of several hundred feet the snow was piled higher than the top of a car and on Saturday plows had succeeded in clearing it only to the extent of permitting one-way traffic.

The River road was blocked by the storm until early afternoon following the day of the "big snow" last week.

The Borough of Palmyra has made arrangements to purchase Society Hall for use as a municipal building at a purchase price reported to be \$2,875. Extensive alterations will be made.

The storm last week aided the sale of car chains and snow removal equipment, items that have moved very slowly this winter.

Train travel took a decided increase on Thursday of last week as scores of local residents depended upon the old reliable railroad as a means of getting them to Camden and Philadelphia.

The largest drift in this section was in front of Daddino's store, West Broad street, Palmyra. The huge pile towered above the top of the

first floor windows. Another big one was in front of the Philadelphia Market House.

Street snow plows may not be used very frequently, but many Palmyra citizens have expressed themselves most emphatically to the effect that such equipment would be a good investment for that community.

## PALMYRA HIGH SCHOOL ORCHESTRA ENTERTAINS AT CINNAMINSON

The Palmyra High School Orchestra, under the direction of Mr. Walter Pew, of Moorestown, entertained at the Cinnaminson School on Monday morning, February 19th. The audience was delighted with the several lovely selections played. In addition to the orchestral numbers, Virginia Miles rendered a piano solo—"The Doll Dance." Eileen Rae entertained with two violin solos—"Schon Rosmarin," and "Minuet in G," by Beethoven.

Members of the orchestra who played were: George Durgin, Wharton Biddle, Albert Tropea, William Robinson, Willis Harker, Manuel Hurel, Eugene Diamond, Irwin Booth.

Harry Horner, Norman Oram, Louis Pike, Eileen Rae, Dorothy Leyshon, Lucille Leyshon, Laura Nebel, Doris Meyers, Maude Wells, Elsie Kercher, Robert Milroy, James Brown, Edwin Turnock, Arthur Hoyt.

Programs of this type help to develop a closer relationship between the Cinnaminson Elementary School and the Palmyra High School to which these boys and girls finally wend their way.

We are looking forward to a visit from the Palmyra High School Band sometime in the near future. It is to be hoped that these concerts may stimulate an interest in school orchestras and bands.

The Cinnaminson School wishes to express its appreciation and thanks to Mr. Pew, the High School Orchestra and Mr. Jones, the Palmyra supervisor for the delightful visit on Monday.

## SCHOOL CLOSED ON THURSDAY FRIDAY

Due to the holiday, the Riverton Public School will be closed on Thursday and Friday of this week, February 22 and 23.

## LOCAL BUDGET

Section 1: Local Budget of the Township of Cinnaminson, County of Burlington for the fiscal year, 1940.

BE IT RESOLVED, that the following statements of revenues and appropriations shall constitute the local budget for the year 1940:

BE IT FURTHER RESOLVED, that said budget be published in The New Era in the issue of the 21st day of February, 1940.

Notice is hereby given that the budget and tax resolution was approved by the Township Committee of the Cinnaminson Township, County of Burlington, on February 13th, 1940.

A hearing on the budget and tax resolution will be held at Cinnaminson Public School, on the 12th day of March, 1940, at 7:30 o'clock, at which time and place objections to said budget and tax resolution of the Township of Cinnaminson for the year 1940 may be presented by any taxpayer of said municipality.

STATEMENT—(Required by Revised Statutes Section 40:2—14)

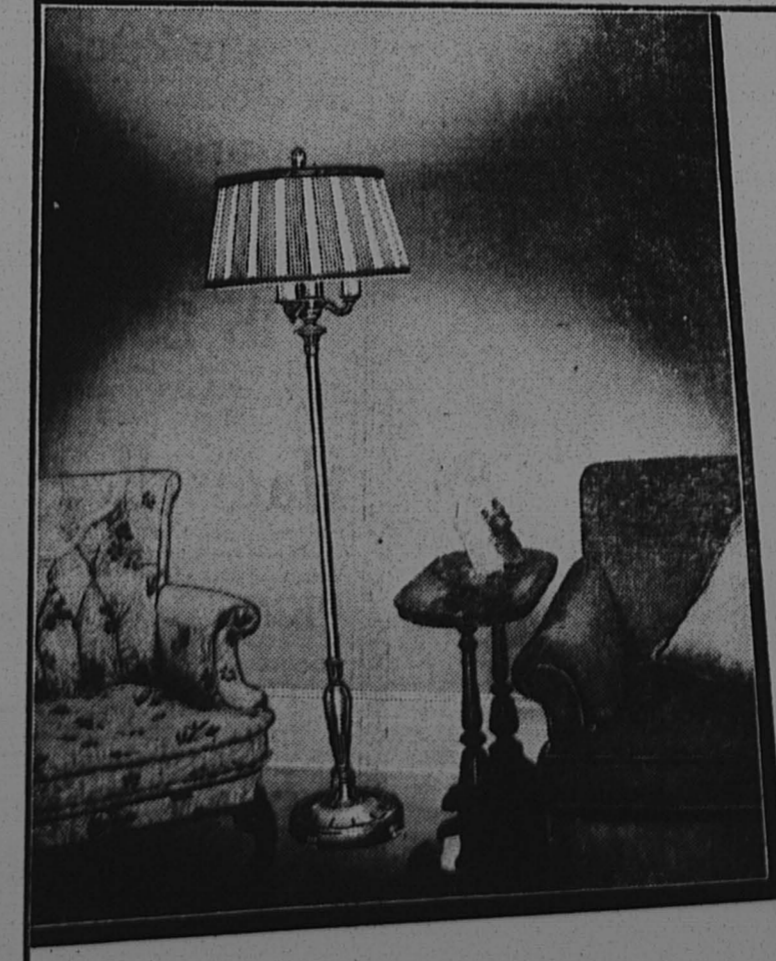

Taxes For 1940 Actual 1939 Actual 1938

State School (Estimate for 1940) 5,043.00 \$ 5,042.81 \$ 5,015.88

(b) Relief Fund		2,533.62	690.74
Tax Rate (Estimated for 1940)	3.80	3.92	3.44

LOCAL BUDGET — EXPLANATORY STATEMENT  
The estimated tax rate for 1940 is \$3.80, which is \$1.12 less than the 1939 rate. It has been possible to keep the rate down because of the action of the Legislature in permitting the anticipation of Franchise and Gross Receipts taxes for 1938, 1939 and 1940. While of course the County rate is not yet known, allowance has been made for an increase of about \$1,000.00 if the County tax is not increased the 1940 tax rate should be about \$0.99 less than the \$3.80 above mentioned.

Because of the failure to collect Franchise and Gross receipts tax in past years, the cash deficit of \$14,234.55 had to be included in the 1940 Budget. It is seems likely, the Franchise and Gross receipts taxes are paid during 1940, the improved cash condition of the Township should be reflected in the 1941 Budget.

During 1939 a beginning was made in the foreclosing of Tax Title Liens. It is planned to continue this in 1940 and these foreclosures should of course result in putting the property thus disposed of back on the tax paying list once more.

General Revenues	Anticipated 1940	Anticipated 1939	Realized in Cash in 1939

## PALMYRA

Mrs. Hayes Brady, and Mrs. John C. Hoepfner, of Washington avenue, were the winners in the merchandise club sponsored by executive board of the Palmyra P.T.A.

Lillian Stowe, of Garfield avenue, underwent an appendicitis operation, Friday at the Zurburg Memorial Hospital, Riverside.

Mrs. M. Shea, of West Broad street, was this week's winner in the Christ Church merchandise club.

Mr. Samuel McDonald has returned to Palmyra after a brief stay at Ocean City and is now residing at the home of Mrs. M. Haines, of West Fourth street.

Mr. and Mrs. William Zaun, of Morgan avenue, spent the past week in New York City.

A card party will be given by the Ladies Auxiliary of the Independence Fire Co. in the Fire house, Thursday, February 29, at 8.15. Tickets are twenty-five cents. Refreshments and a door prize.

Mrs. Mary Zaun, of Morgan avenue, has been on the sick list for the past few weeks.

Mrs. Gibson, of Highland avenue, was the winner of last week's drawing of the Sacred Heart P.T.A. merchandise club.

Several persons from this area attended the testimonial dinner given to Assemblyman A. Matlack Stackhouse, and Senator Howard Eastwood, at the Stacy Trent Hotel, Trenton, by the Woman's Republican Club on Monday night. Those who attended later viewed the assembly session in the house.

A Heinzfood demonstration will be given by the St. Agnes Guild, of the Christ Church, Friday, February 23, in the parish house at 8 p.m. There will be no charge and everyone is invited to attend.

Mrs. M. Winstein, of the Burlington Pike, will entertain the members of the Lucky Social club at her home this (Thursday) evening.

The St. Joseph Rams, met at the home of Ralph Dennis, of Cinnaminson avenue, last Wednesday evening.

Mr. and Mrs. George Follman, of West Wood Park, Manoa, Pa., enjoyed the weekend as the guests of Mr. and Mrs. John Ogden, of Garfield avenue.

Lillian Marshall, of Morgan avenue, will entertain the Sub-Debs at her home this evening (Wednesday).

CENTRAL BAPTIST CHURCH  
Rev. George Lockett, B.D., Pastor

Bible School, 10.00 a.m.—The school welcomed back many of its members who have unfortunately been absent due to illness. But the recent epidemic is still having its toll on attendance. However those who have been on a forced absence seem glad to be back again. Speaks well for the influence of the school. If you are not a regular attendant, you are invited to become one.

Morning Worship, 11.15 a.m.—What is so refreshing than to treat yourself to a good sermon, inspiring music and Christian fellowship every Sunday morning. Try it out next Sunday, if you haven't any other church affiliations. Unless you are different from the usual person, you will enjoy it too. The subject of the pastors sermon will be, "The Gracious Invitation." Special solo and anthems by the choir.

B.Y.P.U., 6.45 p.m.—Here is where those of high school age come in for a real interesting hour. Subject of utmost importance in lives of students of that age are given very thorough consideration and discussion. If you are in this age—you are welcome.

Evening Service, 7.45 p.m.—A very appropriate and timely subject has been announced by the Pastor, "Washington and Divine Providence." There is no question that this will be most edifying and especially helpful to the individual of the

## RIVERTON

The Riverton Ladies' Club will hold their next card party at 104 Grant street, Riverside, Thursday, February 22, at 2 o'clock.

The organization will also give a turkey dinner and game party on Wednesday, March 27, in K.G.E. Hall, Riverside. Proceeds will be devoted to a charitable cause.

Margaret Weller, of Elm avenue, entertained the members of her bridge club Tuesday night.

The Sacred Heart P.T.A. will hold their monthly food sale in the school auditorium, Thursday, February 29, in the afternoon. Mrs. John McNulty, is in charge. Orders for foods will be taken and delivered by calling Riverton 925 or 1039.

Mrs. Burton Darrow, of Trucks-ville, Pa., is visiting her parents, Mr. and Mrs. Herbert Evans, of Elm Terrace.

Mrs. Harry Groome, of Linden avenue entertained at a bridge-luncheon Tuesday afternoon.

Mrs. Emma Marlin, of 423 Lippincott avenue, will return Friday from a short stay in Hollywood, Florida.

## Obituary

EMMA B. RUDDEROW  
Miss Emma B. Rudderow, for many years recorder of vital statistics for the Borough of Riverton, died on Monday, February 19.

Funeral services will be held on Thursday at 2 p.m. from the residence of Miss Helen Wood, 616 Main street, with whom she made her home. The Rev. Francis B. Downs, rector of Christ Church, Riverton, will officiate.

Interment will be made in Coleston Cemetery, under the direction of the Snover Funeral Home. Miss Rudderow lived in Riverton nearly all her life and was in business here for about 15 years.

## Wesleyan Men's Bible Class

For the Men of the Community

There appeared recently a cartoon in which the Cross of Jesus stood and underneath the word "Right"; near it a huge unsheathed sword, under which was the word "Might." The Cross in its silent witness to the self-sacrifice for others stands in vivid contrast to the revengeful and destructive force of the sword.

The sword in the hands of the anti-Christ nations is slaying its way over weak peoples, but the believers still assert their faith in the ultimate victory of the Cross and repeat what Paul said, "God forbid that I should glory save in the Cross of Jesus." One of our Class Mottos is "In the Cross of Christ I glory." We meet each Sunday morning in our unalterable confidence in the triumph.

## YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean  
Extension Service, N. J. College of Agriculture

Late February is a good time to get started with pruning, important routine work which will probably be entered into with enthusiasm by all gardeners who are eager for spring to come around that proverbial corner. Although a few more cold days can be expected, getting started early with pruning greatly facilitates spring operations.

In pruning woody plants for landscape effect remember that a natural and pleasing contour is the one big aim. Avoid stiff, unnatural effects. It is usually better to remove unsound and unnecessary old wood first, for it is the young, vigorous growth on most flowering shrubs which produces the best foliage and flowers.

Pruning, of course, is mainly a thinning process, and successful handling of it depends a great deal upon the good judgment of the gardener.

Pruning shrubs and trees which flower before June usually means

that some of their bloom will be sacrificed, because the flower buds are already formed. It is not wise to prune early-blooming subjects heavily unless the plants are very unsightly. Instead, wait until after they have bloomed. However, shrubs which bloom after early June may be cut back rather heavily if desired. Such plants as hydrangeas, buddleias, Roses-of-Sharon or Shrub-altheas usually do better with rather severe pruning.

When pruning climbers, particularly the ramblers type, the old wood may be removed and three or four young canes left to each plant. Distribute these around the trellis and cut off any excess growth at the top. Managed in this way, the plants should send out good, strong shoots and produce a mass of bloom in early summer. In the case of Hybrid Teas and other bush roses, it is sometimes advisable to cut back to the point where the earth is mounded up around the stems for winter protection.

Gardeners who are faced with the problem of pruning grape vines or bush berries and those who wish more detailed information about pruning other ornamentals would do well to consult their county agricultural agents.

B.C.M.A. OFFICERS

Charles C. Shipp, of Delanco, was elected president of the Burlington County Municipal Association at its meeting here recently. Other officers are J. Garfield Lemmon, Pemberton township, vice

president; John J. Lebengood, of Moorestown, secretary, and Charles W. MacFarland, Westampton, treasurer.

Very interesting non-political talk on "Democracy—the altruistic Conception of service."

Besides Mr. Hillman and Mr. Coughle, Daniel Lichtenthal, Burlington County's new Prosecutor, addressed a few words to the women.

## BUSINESS

The charting of any reliable line for fore-telling the course of business in 1940 gets more difficult as the year gets into stride and rather widely varying figures come to hand from different sources. About the only point of general agreement is that "before the year is out" we shall see a strong revival of the recovery trend. No one seems willing to "say when," though. Meanwhile, here are two heartening notes: American women this winter have been buying 25 per cent more fur coats and neckpieces than in the same months of the 1938-39 season—which may indicate there is some good in the "ill winds" that have made things so cold generally this winter, but also reflects greater profits, wider employment, gains in purchasing power. And the latter is also mirrored clearly in a 10 per cent rise in jewelry sales for the final quarter of 1939, since this is an almost 100 per cent luxury field, and is entirely at the mercy of fluctuations in the business cycle.

CANDIDATE

George Hillman, Mount Holly lawyer and Burlington County Democratic State Committeeman, announced his candidacy for reelection to that office at the annual mid-winter dinner meeting of the Burlington County Democratic Women's Club on Tuesday evening.

One hundred of the Democratic women and their friends attended the dinner at the Willows Mt. Holly. Miss Elizabeth Cowperthwaite, the president of the club presided. Walter Coughle, Trenton lawyer, gave a

speech on "Democracy—the altruistic Conception of service."

Besides Mr. Hillman and Mr. Coughle, Daniel Lichtenthal, Burlington County's new Prosecutor, addressed a few words to the women.

## PALMYRA WINS OVER MOORESTOWN

Quakers Put Up Strong Fight Before Bowling 27-24 Here Friday Night

Palmyra High's court aggregation treated the fans to another one of those photo finishes last Friday night in the local gym by turning in a 27-24 decision over Coach Iserberg's Quakers.

Not to be outdone by the varsity, the Jayvees also had a thriller, losing to the Moorestown reserves in the last minute by the margin of 30-27.

The windup was close throughout, the biggest gap that separated the two teams being five points with the locals in the van.

Start Slowly

The Red and White started in a leisurely manner and the Quakers rang the bell twice before Palmyra broke into the scoring column. The quarter ended with the opposition leading by a single point. The tables were reversed at the half, however, when the Dimondmen boasted a similar advantage.

The third frame was the best of the evening for the defending Group 3 champs as they coined six doubletons while holding their adversaries to eight points.

Soon Erased

This advantage was soon erased as Moorestown sank a free throw and two field goals while Palmyra's scoring efforts were confined to a lone charity conversion.

With two minutes remaining, the homesters had an advantage of a single tally, the board reading 25-24. Moorestown had two foul tries but dubbed both and the clock showed 33 seconds to play as time out was called by Moorestown.

Henson put the affair out of the doubtful class as he hooked one in just before the final whistle.

Tied at One Minute

In the Jayvee game Moorestown, coming from behind, boasted a slim lead of one point with two minutes to go. A foul shot raised this to two, but Conwell, of Palmyra, knotted the count with a gilt-edged toss and the clock read one minute of playing time remaining.

Moorestown made good in this crisis, racking up a field goal and a foul in this short interval to take the verdict.

Excitement during the closing seconds of this affair easily equalled that of the varsity engagement.

## SPORTS JOTTINGS

In the game last Friday, both Palmyra and Moorestown boasted perfect records from the 15-foot mark at the end of the first half. The locals having four out of four, while the Quakers made good on five tosses. The record failed to last through the third frame.

With second place at stake in the Group 3 circuit, the Red and White plays Gloucester on foreign boards Friday night of this week. Palmyra needs a win to assure a tie for second, the best Paulsboro can do by winning their two remaining games is to finish 7-3, the same as the Dimondmen.

The leading Merchantville outfit still has two games to play, but no one expects that Elder's men will drop either fracas.

Just in passing, it might be said that Coach Dimond has accomplished the seeming impossible in finishing so high up in scholastic circles. With an entirely new team, the local mentor has a brace of wins over Moorestown, Burlington and Paulsboro in the South Jersey loop, only Merchantville and Gloucester having verdicts over the Red and White.

## SLIGHT INCREASE IN FOOD PRICES

The average retail cost of all foods in New Jersey was 0.41 per cent higher in January, 1940, than in December, 1939, and 1.22 per cent higher than in January, 1939, according to the monthly report of retail food prices issued by the State Department of Agriculture.

The slight increase in January costs over those of the preceding month occurred despite the fact that meats, fats and oils and sugar and sweets were reported lower, while the average price of eggs, canned fish and beverages and chocolate remained steady. Higher prices were recorded for fruits and vegetables, cereals and bakery items and dairy products.

All meats declined 2.92 per cent in January below the December price. Beef was 6.44 per cent lower; pork, 4.47 per cent and poultry meat unchanged. However, veal prices mounted 7.78 per cent and lamb, 2.66 per cent.

Totals				
	1	2	3	4
Palmyra	7	5	12	3-27
Moorestown	8	3	8	5-24

## ABOUT THE COUNTY

Work on the long delayed reconstruction of the dam across the Rancocas creek at Smithville, was started last week, with the removal of the remains of the old structure.

The construction will be undertaken as a W.P.A. project, with the cost of materials being defrayed by interested property owners along the creek, chiefly in the Ewansville summer camp section. The W.P.A. has already agreed to provide the labor.

Pickup and deliveries of mail and express to and from airplanes while in flight will be extended to Burlington and throughout most of New Jersey if an application now before the Civil Aeronautics Authority is approved.

## LEFT-HAND TURNS

"Give the left-turner a break," is the plea of the Keystone Automobile Club in a safety bulletin urging motorists to show more consideration and courtesy to fellow drivers in the making of turns.

Accident analyses show, according to Trevor B. Mathews, manager of the Camden Division of the club, that numerous accidents are caused directly by the failure, or refusal, of drivers to show common courtesy to fellow operators at street and road intersections.

"A considerable number of motorists apparently think only of their own convenience," he said. "Even at the risk of personal injury they will not yield a few seconds to the driver who has signaled his intention to make a left turn and is in the proper position to complete the turning movement."

"This is especially noticeable when cars are stopped at traffic signals. The man with his arm extended showing clearly his intention to turn to the left is, in many instances, completely ignored by drivers at the head of the line of oncoming traffic. Moreover, it is not uncommon to see a car swing to the left of one which is about to make a left turn, thereby endangering occupants of both."

## COME EARLY

Now is the time for wise automobile owners who have the price—to buy their 1940 license tags, agents say. Offices can take care of applicants for new licenses rapidly.

ly at this time of the year, but when the last-minute rush starts in a few weeks, the line-up will be long.

Those who wish reserved numbers must apply by March 1, sending a check or money order in payment, with their applications. Licenses can be used after March 15, and must be on all cars by April 1. "Come early and avoid the rush," is timely advice.

## NEW CORONER

Announcement was made yesterday that Emerald White, of Bordentown, has been appointed by Governor A. Harry Moore to succeed Hiram H. Earnest, of Mount Holly, as a Burlington County coroner. Earnest recently tendered his resignation to the Governor. White will serve until the next election.

## ORATORY WINNER

The American Legion Oratory Contest held last Thursday night in the auditorium of Palmyra High School was won by Morton Aaronson, representative of the Riverside High School. He will represent Burlington county in the state-wide competition.

The two local entries, Richard Deemer and George Ford, finished fourth and fifth respectively.

## FUEL TAXES

J. H. Thayer Martin, State Tax Commissioner, recently made public the receipts of the Motor Fuel Tax Division, of the New Jersey State Tax Department, for 1939.

The year represented a new high in the collections of the division. Total gross receipts collected amounted to \$25,521,922.58. From this there is to be deducted \$2,262,472.96 in refunds to those persons who were subject to relief from the tax because of their use of fuels for refundable purposes as set forth in the Act. This deduction from the gross figure shows a net collection figure of \$23,259,449.62, or an increase of \$899,787.60 over 1938, the previous high year.

## PRINTING

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices.

## The Cost Of Government

When faced with the facts about the steep rise in the cost of government during recent years, apologists are prone to offer the time-worn theory that "it is natural, unavoidable and symbolic of civic progress that the cost of government continue to rise."

That this theory is ridiculous and dangerous is easily proven when it is examined critically and impartially. Were taxpayers to accept increasing governmental expenditures as unavoidable, they would soon find themselves in an overwhelming and ruinous sea of taxes.

In New Jersey the total tax revenue collected for state and local purposes in 1931 was \$336,000,000. In 1933 this dipped to less than \$300,000,000, but began immediately to rise again, so that it now exceeds \$350,000,000 annually, or about a million dollars daily to run our State and local governments.

It is important to remember that the more money we pay to run our government, the less we have remaining to purchase our private needs. If we curtail our private purchases, we cut down the flow of revenue into private enterprise that is so necessary to sustain employment.

This puts us in the midst of a vicious circle—decreased purchasing power—unemployment—increasing governmental costs to ease unemployment distress—and subsequent rising taxation to pay for the cost of government, which in turn cuts down private purchasing power.

There is only one practical way to sidestep this vicious circle—that is to cut down governmental spending. It is misleading to declare that "essential services cannot be maintained unless more money is spent." Essential services can be maintained without boosting the cost, if government applies the same common sense fiscal methods that private individuals and business men are compelled to use.

The effective way to cut down governmental spending is for organized taxpayers to resist strongly any attempts to increase budgets. This is the dynamic theme of the current campaign by the New Jersey Taxpayers Association and its allied local associations against the grim menace of threatened increases in State and local taxes, organized taxpayers are ready for a determined stand to keep the cost of government under control.

## A Man Of Letters

Five hundred years ago a mechanic of Mainz, Germany, placed his name enduringly among the benefactors of mankind. He invented movable type, and became the father of printing. He received almost no adulation in his lifetime, but today the name of Johannes Gutenberg elicits commendation and gratefulness throughout the civilized world.

An anniversary (announces the printing anniversary committee of the American Institute of Graphic Arts) is worthy of observance not so much for the event it commemorates as for the consequences of that original impetus and the extent of its achievement. The year 1940 will be observed by common consent as the 500th anniversary of the invention of printing from movable type because the printed word has contributed more than anything else to the spread of knowledge and the progress of civilization.

For this celebration "The Relation of Printing to Life" has been chosen as the fundamental theme. Newspaper publishers will participate actively. Libraries are planning comprehensive exhibitions. The anniversary will supply the keynote for many Book Fairs. Dramatic groups will present pageants and stage productions. Masterpieces of the printing art may emerge from publishers' presses. In dozens of ways printing will be publicized and Gutenberg's name reborn.

Other milestones of typographical history deserve and have special attention. In 1539 printing was introduced into the western world at Mexico City. The first book published in the Rio Grande at Cambridge, Massachusetts, in 1640, was the "Bay Psalm Book" from the Stephen Daye Press. In-

identally, back in Gutenberg's time the authorities gravely suspected his work as akin to witchcraft. Five hundred years later authoritarian governments frequently treat the products of the press as if they were more dangerous than witchcraft.—Christian Science Monitor.

## COMMENT

In olden days, car drivers hated to face the perils of "country" driving with snow on the ground. The wheels of progress have turned rapidly, however, since in modern times the highways that lead out through the open spaces are cleared of snow soon after a storm while cars slide and founder over most city streets until the snow is removed via the cheapest method—the good old reliable melting process (no patent applied for).

Income tax time draws nigh.

From all advance information, the New Jersey primary election in May promises to be something in the nature of a six-ring circus.

It's about time for some one to see the "first" robin.

These are the days when the bright lads in Commissioner Darby's office work overtime to harass the various municipalities throughout the state by tinkering with budgets submitted for approval.

Now that the time and place for the convention of the Democratic

and Republican parties has been selected all that remains is for each group to name a candidate.

There seems to have been a great deal of discussion as to whether or not the American Youth Congress should have passed a resolution expressing its sympathy with Finland but we doubt whether it will make much difference in the results over in Finland.

One of our married friends of long and varied experience says that he prefers the old-fashioned woman. He would rather be hit with a rolling pin than burned by a cigarette.

Mahatma Ghandi has to be a good diplomat when he dickers with the British. If he lost his shirt when he dickered with them as our statesmen general do, it would be just too bad.

Former Governor Earle of Pennsylvania, has been named minister to Bulgaria. Well, any old port is good in a storm.

Who says the New Deal hasn't increased employment? The Federal payroll has been nearly doubled in the past seven years.

Elliott Roosevelt say that his father ought not run for a third term. What was that quotation about wisdom coming out of the mouths of infants?

## PROTECT YOUR ELECTRIC GADGETS AND YOURSELF

Every one of the 22,750,000 electric customers in the United States last year used at least one electric appliance. Proper care of such equipment is therefore important for it makes for efficiency and longer life. Portable extension lamps should have extra heavy cords and waterproof covering. Outdoor radio aerials should not be installed near power lines. Fallen overhead wires should never be touched. If they are alive, you may not be. Call the electric company.

There are other safeguards to be observed, warns the New Jersey Public Utility Information Committee. Blown fuses are the result of over-loading and should be replaced. Do not use makeshift devices. Have several spare fuses at hand. Do not touch an electric switch or appliance if your hands are wet or you are in water or standing on a wet floor. Electric irons should be kept away from inflammable materials and disconnected when not in use. Additional wiring should be done only by responsible electricians and all wiring should be inspected at regular intervals. Disconnect radios before working on them and keep all wires and sockets dry.

## NOT INCONSISTENT

Mr. Wildwood, N. J.  
My Dear Mr. \_\_\_\_\_:  
I have your inquiry of January 31st.

There is nothing inconsistent in holding down a job as Shellfish Inspector and also being a liquor licensee. The duties, in general, are quite dissimilar. Probably your experience as Inspector will qualify you admirably to deal with poor fish and hard shells in your tavern.

Very truly yours,  
D. Frederick Burnett,  
Commissioner.

**Now BANKS SERVE**

**Everybody Benefits WHEN BANKS MAKE LOANS**

Benefits of sound loans extend in all directions:

- BORROWERS obtain funds.
- BUSINESS is stimulated.
- WORKERS are employed.
- COMMUNITIES enjoy prosperity.
- BANKS obtain revenue and put funds to work constructively.

Hogeland, Jessie Lippincott, Charles Wallace, Ralph Hubbs, Betty Robin, David Holstrom and John Courthorne.

Ruth Stevens spoke to the entire assembly of the Mount Holly Regional high school, Friday afternoon February 9. Since that school expects to administer the Manteaux test, she explained how enthusiasm was aroused in Palmyra high school. To open the topic she read "P.H.S. Students Currently Worried," written by Sarah Robinson which appeared in the January 30, issue of the Palmyrian.

## NOTICE

The annual meeting of the Palmyra Building & Loan Association will be held on Monday evening, March 4th, 1940, at 9 p.m., in the P.O.S. of A. Hall, Palmyra, New Jersey, for the election of members of the Board of Directors and for the transaction of any other business that may come before the meeting. Polls open from 7 until 9 p.m.

## GETS DEGREE

The Degree of Bachelor of Science in Education was conferred upon Miss Josephine M. Wallace at the Commencement Exercises of the University of Pennsylvania on February 17, 1940. Miss Wallace is a second grade teacher in the Cinnaminson Avenue School.

Have you enlarged your mental horizon, expanded your personality—have you grown larger, or shrunk smaller?

ton, open Tuesday and Friday, 2:30  
to 4:30.

## CHRISTIAN SCIENCE CHURCH

"Mind" is the lesson-sermon sub-  
ject for Sunday, February 25, in all  
Christian Science Churches and So-  
cieties throughout the world.  
The Golden Text is: "Great is our  
Lord, and of great power: his un-  
derstanding is infinite." (Psalms  
147:5).

Among the citations which com-  
prise the lesson-sermon is the follow-  
ing from the Bible: "Behold, God ex-  
alteth by his power: who teach-  
eth like him?" (Job 36:22).

The lesson-sermon also includes  
the following passage from the  
Christian Science textbook, "Science  
and Health with Key to the Scrip-  
tures" by Mary Baker Eddy: "Mind  
is God. There can be but one Mind,  
because there is but one God; and  
if mortals claimed no other Mind  
and accepted no other, sin would be  
unknown" (p. 469).

## SACRED HEART CHURCH

Riverton, N. J.  
Pastor, Rev. John F. Welsh.  
Assistant Pastor, Rev. Vincent A.  
Luther.

Sunday Masses—7:00 - 9:00 - 10:15.  
Confessions every Saturday, 3:45,  
5:45 and 7:30 to 9:00.  
Daily Masses—7:00 - 7:45.

Lenten Devotions and Miraculous  
Medal Novena, Tuesday at 7:45 p.m.  
Stations of the Cross and Benedic-  
tion, Friday at 2:30 and 7:45 p.m.  
Religious instruction: Elementary  
School, Friday at 3:45 p.m. High  
School, Thursday at 7:15 p.m.

Attendance at evening devotions  
since the beginning of Lent has been  
approximately three hundred and  
fifty each evening. While this is  
good we cannot help but feel that  
there are still many of our people  
who are not taking full advantage  
of the extra spiritual opportunities  
of the season. We would like to see  
our church filled to its capacity  
every Tuesday and Friday evening.  
An average attendance of one mem-  
ber from each family would almost  
accomplish this.

Every year at this time questions  
are raised as to lawfulness of eat-  
ing between meals, lunches at night,  
etc., for those bound to the fast.  
According to the legislation of the  
Church those subject to the strict  
law of fasting are not allowed to  
take anything between meals. Li-  
quids, with the exception of those  
which contain food value like milk, do  
not come under the law of fasting.  
A serious breakage of the law of  
fasting would be the equivalent of  
two ounces of food between meals.  
Any thing less is a breakage but  
slight. The safe principle is to take  
nothing at all between meals.

Masses on Sunday, February 25.  
7:00—Thomas Lane, John Wal-  
sh.  
9:00—James Ross, George Stro-  
hle.

Rehearsals have started for the  
Grand Play, "Upper Room" which  
is to be given by the Sacred Heart  
Dramatic Club on Palm Sunday and  
on Monday of Holy Week. Pro-  
duction is under the direction of  
Mr. Frank E. Fitzpatrick, of Phila-  
delphia.

About the time a man begins to  
feel that he is a pretty smart oper-  
ator, the stock market collapses.

## OBITUARIES

## JESSE W. CODDINGTON

Jesse W. Coddington, age 27, was  
hit by a truck and instantly killed  
while walking on the highway near  
his home at Saddle River, February  
14th.

Funeral services were held at the  
Snover Funeral Home on Monday,  
the Rev. George Lockett, pastor of  
Central Baptist Church, Palmyra,  
officiating. Burial was held in Lake  
View Memorial Park.

He was employed as shipping  
clerk by William Tricker, Inc., of  
Saddle River.

He attended the Palmyra High  
School and graduated with the class  
of '31. He was awarded the New  
Jersey Alumni Renaissance Polytech-  
nic Institute gold medal for the  
highest average in Mathematics and  
Science for the four years.

He was a direct descendant of  
William Coddington who landed at  
Salem, Mass., 1630, founded Provi-  
dence, and elected the first Judge  
and Governor in 1640.

The survivors include the widow,  
Enez; a daughter, Carolyn, 3; the  
parents, Mr. and Mrs. Jesse M. Cod-  
dington; two brothers, Charles, of  
Palmyra, and Paul, of Rochester,  
New York, and a sister, Mrs. Eliza-  
beth Bushley, of Seattle, Wash.

## ACKNOWLEDGMENT

Members of the family of the late  
Jesse W. Coddington wish to ex-  
press deep gratitude and apprecia-  
tion to friends and neighbors for  
all the kindness and sincere sym-  
pathy extended to us in our recent  
bereavement.

Enez Coddington,  
Mr. and Mrs. Jesse M. Cod-  
dington and family.

New Jersey State Museum at Tren-  
ton reveals to a rapidly increasing  
number of visitors the great variety  
of instruments used in our orches-  
tral work and emphasizes the con-  
stant efforts manufacturers are  
making to develop new ideas and  
instruments, to redesign, modernize  
and perfect the old ones. The ex-  
tent to which electric amplification  
is utilized is a distinct surprise to  
everyone. Most of the instru-  
ments displayed are American made  
with many improvements and in-  
novations, such as for example a  
natural light wood violin and cello.

The key instruments range from  
modernistic spinnet types to con-  
ventional grand pianos in modern  
design and pianos which work  
through radio tubes and speakers.

Small organs, also operating by  
means of electrical impulses and de-  
signed for home-use are also on  
display, as are accordions from  
baby-sizes to concert-instruments  
with six or more shifts.

## Strings

The string instruments include an  
unusually fine group of guitars, one  
showing the various steps of manu-  
facture and another which employs  
a loud-speaker, a natural wood cello  
and violin which were completed  
only a few days before the opening  
of the exhibit, a standard concert-  
harp, ukeleles, mandolin, banjo,  
bass-fiddle and viola.

Among the brasses is found a  
flugelhorn, a sousaphone, a eupho-  
nium, French horn, and a complete  
line of cornets, trumpets, trombones  
and saxophones. The woodwinds  
include silver flutes, piccolo, bas-  
soons, oboes, clarinets and bass-  
clarinets, one of which is made of  
transparent plastic with brass me-  
chanics, the only one in the world.

The percussion group is complete  
with tympanis, bass, trap and snare

drums, marimbaphone, triangle,  
tambourine, cymbals, castanets and  
the infrequently seen Glocken-  
spiel. A collection of harmonicas,  
ocarinas, music boxes are also on  
display, as is an electric vibraphone.

A series of illustrated lectures,  
given by Dr. Boris Erich Nelson,  
musicologist, who is acting as an  
special adviser to the exhibit, will be  
continued on Thursday afternoons,  
as also the afternoon musicals which  
are held each Sunday at four  
o'clock.

The New Jersey State Museum is  
open to the public daily from 9:00  
a.m. to 5:00 p.m., except Sundays  
and holidays when the visiting  
hours are from 2:00 until 5:00 in the  
afternoon.

## GLASSBORO ENROLLMENT

Included in the enrollment of the  
State Teachers College at Glass-  
boro are representatives from all but  
five of the twenty-one counties in  
New Jersey.

Camden county figures highest in  
this record with 152 graduates of  
various Camden schools now en-  
rolled at Glassboro. Of this number  
122 are women, while 30 are men.

Gloucester county ranks second  
with 74 women and 27 men, making  
a total of 101. Cumberland county  
takes third place with 49 students;  
11 men and 38 women. There are 27  
women and 13 men now at the col-  
lege with their homes in Atlantic  
County. Both Salem and Burling-  
ton counties have 21 undergraduates  
enrolled.

Following these are Cape May  
county with fourteen students, and  
Union county with ten.

The nine remaining counties in-  
cluding, Bergen, Essex, Hudson,  
Warren, Mercer, Middlesex, Morris  
and Ocean, have one to seven stu-  
dents at Glassboro.

The residents of this vicinity now  
studying at the college, include:  
Eleanor Friday, Esther Roberts,  
Hilton Smith, Mary Elizabeth  
Webb, Jane Hulce.

## CHIEF IMPROVING

The many friends of Chief of po-  
lice C. Morris Beck, of Palmyra,  
are glad to learn that he is recover-  
ing from an illness which has con-  
fined him to his home for over two  
weeks.

## YWCA NOTES

## Finance Campaign

The regular monthly meeting of  
the Board of Directors of the Bur-  
lington County Y.W.C.A. took place  
in the office of the association on  
February 20. In the absence of the  
president, Mrs. John W. Thacher,  
the vice president, presided. Mrs.  
Lottie Rhoads, member of the  
Moorestown Young Women's Club  
spoke briefly on club program and  
conferences. The greater part of  
the time was given to deliberation  
on plans for the Finance Campaign  
under the leadership of Mrs. Wil-  
liam Grobler, of Moorestown, cam-  
paign chairman.

The Personal Committee, Mrs.  
Carlton W. Tillinghast, chairman;  
Mrs. Alexander C. Wood, Jr., and  
Mrs. Charles S. Beckwith, met brief-  
ly before the regular board meeting.  
On February 29 Mrs. Alexander  
C. Wood, Jr., of Harmony Hall,  
Riverton, will be hostess at a ten  
o'clock breakfast for the members  
of the Y.W.C.A. who are carrying  
responsibility for the forthcoming  
finance campaign.

Community chairmen already ap-  
pointed by Mrs. Grobler, the gen-  
eral chairman, are Mrs. A. B. Har-  
ling, Beverly-Edgewater Park; Miss  
Annie Vanvliet, Burlington; Mrs.  
Earl Severs, Cooperstown; Mrs. Al-  
bert Evans, Medford; Mrs. Robert  
E. Hamilton, Moorestown; Mrs.  
Harold Will, Marlton; and Mrs.  
William H. Heisler, Jr., Pemberton.

## AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys  
and young men read The American  
Boy Magazine every month and  
consider it more as a living com-  
panion than as a magazine.

"It's as much a buddy to me as  
my neighborhood chum," writes one  
high school senior. "The American  
Boy seems to understand a boy's  
problems and considers them in  
such a sympathetic and helpful way.  
It gives advice and entertaining  
reading on every subject in which a  
young fellow is interested. It is  
particularly helpful in sports. I made  
our school basketball team because  
of playing tips I read in The Amer-  
ican Boy."

Many famous athletes in all  
sports credit much of their success  
to helpful suggestions received from  
sports articles carried in The Amer-  
ican Boy Magazine. Virtually every  
issue offers advice from a famous  
coach or player. Football, basket-  
ball, track, tennis in fact every ma-  
jor sport is covered in fiction and  
fact articles.

## Recommended

Teachers, librarians, parents and  
leaders of boys clubs also recom-  
mend The American Boy enthusi-  
astically. They have found that as  
a general rule regular readers of  
The American Boy advance more  
rapidly and develop more worth-  
while characteristics than do boys  
who do not read it.

Trained writers and artists, fa-  
mous coaches and athletes, explor-  
ers, scientists and men successful in  
business and industry join with an  
experienced staff to produce in The  
American Boy, the sort of reading  
matter boys like best.

The American Boy sells on most  
newsstands at 20c a copy. Subscrip-  
tion prices are \$2.00 for one year  
or \$3.50 for three years. Foreign  
rates 50c a year extra. To subscribe  
simply send your name, address and  
remittance direct to The American  
Boy, 7430 Second Blvd., Detroit,  
Michigan.

## February 14, 1940

BOROUGH OF RIVERTON  
1. Walter R. Darby, Commissioner of  
Local Government, have this fourteenth  
day of February, 1940, under the provisions  
of section 40-2-43 of the Revised Statutes,  
related to approve the attached budget of  
the Borough of Riverton, County of Bur-  
lington, for the following reasons:

1. Appropriations submitted.
2. The Amount to be Raised by Tax-  
ation for Local Purposes under-  
estimated in the sum of \$1,581.76.
3. The Dedicated Assessment Budget  
Appropriation underestimated.
4. The Dedicated Assessment Budget  
Revenues underestimated.
5. H. D. DORSETT,  
Field Agent,  
For: Walter R. Darby, Commissioner  
Department of Local Government.

## MANY REQUESTS FOR SAFETY FILM

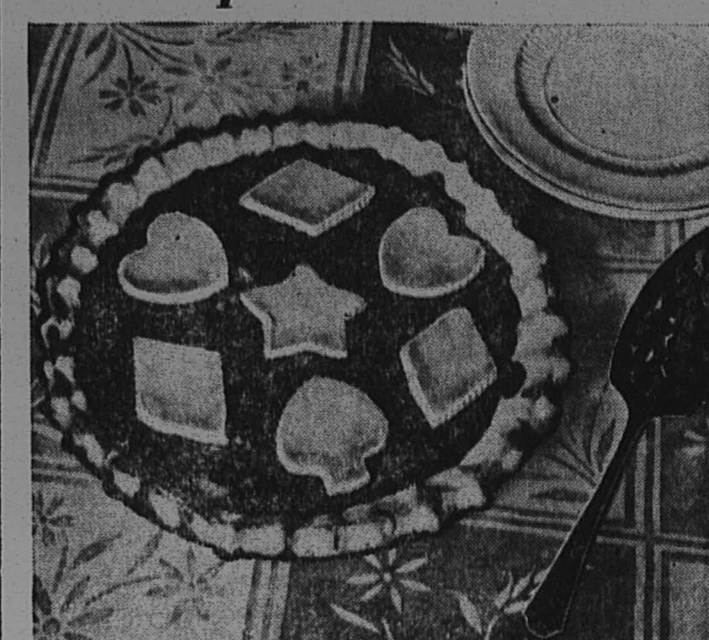

Requests continue to pour in for  
the moving picture, "For Safety's  
Sake," depicting State Highway  
Commissioner E. Donald Sterner's  
safety construction program to  
lessen the dangers of accidents on  
State Routes, and efforts are now  
being made to arrange a schedule  
for 1940 which will assure every or-  
ganization a chance to view the film,  
it was announced today.

In connection with this, Commis-  
sioner Sterner urged every group  
wishing to obtain a free public  
showing of the film to forward ap-  
plications to the State Highway De-  
partment, Trenton, mentioning the  
date desired.

The picture, which runs approxi-  
mately 25 minutes, is in sound and  
color and was filmed entirely by em-  
ployees of the State Highway De-  
partment to keep production costs  
at a minimum.

The film is of educational value  
to motorists and pedestrians because

## Dress-Up Your Pies . . . .

DRESS-UP the top of your pies.  
Use a lattice, vines, crosses, or  
double crust. You may cut out  
amusing crust figures with the  
cookie cutter for your pies. Cut-  
outs of hearts and diamonds, a lit-  
tle man or an old-fashioned bunnet-  
girl are amusing.

For a glossy brown glaze, brush  
the top of the pie crust with cream,  
or egg white to two tablespoons of  
granulated sugar dissolved in  
water.

The secret of tender pastry lies  
in quick handling, chilled ingredi-  
ents, in using little water and in  
using a high baking temperature.

Flaky Pastry  
2 cups flour 2/3 cup short-  
ening  
1 tsp. salt Cold water

Mix and sift flour and salt. Cut  
in two tablespoons of the short-  
ening with a knife. Add enough  
water to make a stiff dough. Roll  
out in an oblong piece on a slightly  
floured board and dot with bits of  
shortening, using one-third the re-  
maining quantity. Fold over ends to  
the center and fold again to make  
four layers. Press ends together  
and roll out. Dot again with short-  
ening, fold and roll. Repeat this  
process a third time. Chill thor-  
oughly in automatic refrigerator.

Chocolate Pie  
1 cup milk, scalded  
1 cup sugar  
2 1/2 tsp. corn-  
starch  
2 sqs. choco-  
late, melted  
3 egg yolks,  
beaten  
1/2 tsp. vanilla

1 tbsp. butter 3 egg whites  
1/2 cup milk 6 tbsp. sugar  
Scald milk, add sugar, butter  
and cornstarch well mixed with  
cold milk and cook until it begins  
to thicken in a double boiler. Add  
the melted chocolate, beaten egg  
yolks and salt. Beat vigorously  
with an egg beater and cook until  
very thick. Add flavoring. Pour into  
baked shell. Top with a meringue  
made by beating the egg whites  
stiff and adding six tablespoons of  
sugar. Put back in oven of gas  
range set at 350 degrees for twenty  
minutes to brown.

Conserve Tart  
Make tart shells by rolling pastry  
over muffin tins or tart shells and  
baking 450 degrees for fifteen min-  
utes. Fill shells with marmalade or  
conserves and top with a meringue  
made by beating egg whites stiff  
and adding two tablespoons sugar  
for each egg white. Brown at 350  
degrees for twenty minutes. Or,  
they may be served with whipped  
cream.

Apple Pie  
4 to 6 tart, 1 tsp. cinnamon  
juicy 1 tsp. lemon  
apples 1/2 cup  
1/2 cup sugar 1 tsp. butter  
 Pare the apples and slice very  
thin. Put into pie pan lined with  
pastry. Mix the sugar and cinnam-  
on and sprinkle over the apples.  
Dot with butter. Cover with top  
crust which has been slit. Bake at  
425 degrees for fifteen minutes, re-  
duce temperature to 350 degrees  
for thirty-five to forty minutes.

## YOUR HOUSE PLANTS

May be kept clean, healthy and free from insects by  
frequent spraying, syringing or dusting. We carry a full  
line of Atomizers, Sprayers, Sprinklers and Dusting  
equipment, to keep mealy bug, plant lice and other insects  
in check. See our catalog, or write or phone our nursery  
or office for prices.

## Henry A. Dreer, Inc.

Building Gardens Beautiful since 1838

With "Twist-Ems," you can keep unruly plants within  
bounds by a simple twist of the wrist. Handy for all sorts  
of household uses. Four-inch size, 250 for 25 cents.

it displays New Jersey's natural at-  
tractions and industries and every  
phase of the safety construction pro-  
gram, describing the reasons for the  
various changes in the construction  
of State routes since Commissioner  
Sterner inaugurated his "accident  
laboratories" to determine the prin-  
cipal causes of accidents.

## SOCIAL SECURITY

Editor's Note: Every worker who  
has a Social Security account  
number card should know how the  
recent Congressional changes in  
the Old-Age and Survivors In-  
surance provisions of the Social  
Security Act apply to him or her.  
For the benefit of readers of The  
New Era the Social Security  
Board's field office manager for  
this area, Joseph M. Davis, has  
prepared a series of brief articles,  
each containing one point of the  
new provisions. Following is the  
third of the series.

For calculating benefits provided  
under the new Federal old-age and  
survivors insurance system, a for-  
mula, based on the worker's average  
monthly wage, has been adopted.

To find this "average wage," take  
a commercial or industrial worker's  
total wages, as reported by his em-  
ployer, and divide this total by the  
number of months he could have  
been in employment since 1936. A  
monthly benefit is figured as fol-  
lows: A basic amount equal to 40  
per cent of the first \$50 of his aver-  
age monthly wage plus 10 per cent  
of the next \$200 of average month-  
ly wage; to this is added 1 per cent  
of the basic amount for each year  
in which the worker earns at least  
\$200 in covered employment.

Example: Jim Blank, a factory  
worker, receives \$100 a month in  
wages from 1936 until the end of  
1939. At that time he reaches age  
65 and decides to retire to get his  
monthly old-age insurance benefits,  
beginning next year. Jim's monthly  
benefit will amount to \$25.75. Here  
is how it is figured: 40 per cent of  
the first \$50 of his average monthly  
wages is \$20. Add 10 per cent of  
the remaining \$50, or \$5. That makes  
\$25. The law provides for an addi-  
tional 1 per cent of this \$25 for each

year that he was covered (1937,  
1938, and 1939). One per cent of  
\$25 is 25c, and three times 25c is 75c.  
So Jim's monthly benefit will be  
\$25.75.

For further information call or  
write Joseph M. Davis, Manager,  
414 Post Office Building, Camden,  
New Jersey.

## PHONE COMPANY MEN ARE SAFE DRIVERS

Recognition of a new safe-driving  
record of 121,000 miles between ac-  
cidents in more than 9,000,000 miles  
of operation of the New Jersey Bell  
Telephone Company's motor vehicle  
fleet last year is being accorded  
telephone drivers this month.  
Of seventy-six accidents charged  
against drivers of nearly 1,000 tele-  
phone trucks and automobiles, none  
involved serious personal injury, the  
company reports.

Nearly 400 of the telephone  
drivers have never been in any de-  
gree responsible for even the most  
minor accident in the entire dozen  
years the company has been in ex-  
istence and the safe-driving records  
kept. At meetings throughout the  
State appropriate insignia for their  
motor vehicle radiators, and certi-  
ficates for the drivers, are being pre-  
sented to these drivers; to nearly  
300 eleven-year safe-drivers, and to  
more than 900 drivers whose re-  
cords are spotless for from nine years  
to one.

The degree of achievement of the  
telephone drivers may be gauged,  
the company states, by the fact that  
the seventy-six accidents of 1939,  
a new low number, represents a ten  
per cent improvement over 1938  
when eighty-five accidents occurred;  
and compares with 283 accidents in  
1929.

It takes a heap of overhead to  
make a home.

A stretch in bed from 7 to 7 is a  
dandy cure for that all-gone feeling.

## Westfield Friends' School

The kindergarten has begun a picture poster in connection with their study of the home. It will show all the people who are in any way related to the home, and all the outside people and things upon which the persons in the home depend.

The second and third grades, in connection with their intensive study of transportation have made a centerpiece for the table in the lunchroom. It shows the development of transportation from the beginning up to the modern streamlined vehicles. The well constructed models in the parade indicate a full understanding of the subject.

### A Description

While I was sick, I had nothing to do, so I wrote this description:

### My Room

I'm going to pretend that I have the privilege of having my room decorated just like I want it. First I would have wallpaper with horses on it. They would probably be jumping over hurdles. Then I would have a walnut finished desk. It would have about eight drawers in it, four on each side. I would have a nice chair that would swing around when I turned it. I would have a good many other chairs in

there too. I would have a microscope. It would be for anything I wanted to do outside my school work. My bed would be in one corner of the room sunk in the wall. Up there I would have small compartments. Of course I would have a radio, on a table by my bed. Don't I wish I'd wake up some morning and find all this true!

Richard Gideon, Grade VI

### WELFARE COUNCIL MEETING

A meeting of the Burlington County Welfare Council will be held on Monday, February 26, in the Willows, Mt. Holly, at 6:30 p.m. The speaker will be James E. Sidel, field and legislative director of the National Child Labor Commission. His topic will be of vital interest, since it deals with the bill before the New Jersey Senate that is designed to protect New Jersey Child workers.

The general public is cordially invited to attend.

### PARRY A. A. BASKETBALL

On Friday night the Parry A.A. will play two games in the Community Center, (former Lutheran Church) Palmyra, meeting St. John's Lutheran Church, of Bridgeport at 8 p.m. and Woodbury A. C. at 9:15.

The public is invited to attend. The organization has won three and lost two of the last five games played, both reverses being by a narrow margin.

### 'SOUTH OF THE BORDER' AT FOX

"South of the Border," starring Gene Autry and Smiley Burnette, showing at the Fox Riverside Theatre Sunday and Monday, February 25 and 26. Supplementing the program will be Richard Dix and Gail Patrick in "Reno."

## NEWCOMB GIVES ANNUAL REPORT

Fairview Superintendent Urges Mantoux Test in Schools Be Continued

Dr. Marcus W. Newcomb, superintendent and medical director of Fairview Sanatorium, recently submitted his annual report to the Board of Managers of that institution and the Burlington County Board of Freeholders.

Excerpts from the report follow: "I have finished two decades as your Superintendent or Medical Director and I am now starting on the third decade. I have the honor to present to you for your consideration my 21st Annual Report.

"During the year there were 103 admissions, 64 discharges and 54 deaths. Of the admissions, 64 were far advanced, 6 minimal, 11 moderately advanced, 17 for observation, 1 suspicious bronchiectasis, 1 tuberculous peritonitis, 1 military tuberculosis, 1 chronic fibroid pulmonary tuberculosis and 1 pulmonary abscess and emphysema.

"Of the discharges, 2 were arrested, 3 apparently arrested, 1 quiescent, 30 improved, 6 non-tuberculous, and 22 unimproved.

"We have had 54 deaths this year, which is the highest we have ever had. This is not surprising when we find that 64 of our admissions were far advanced and 11 moderately advanced. Two patients died within 16 days, one in 11 days, two in 6 days, one in 5 days, one in 4 days, one in 3 days, one in 2 days, and two within 24 hours. A number of our deaths were in our older patients who had been in the Sanatorium from a few years up to nine years.

"The daily average number of patients for the year was 100.03. Our daily average for Burlington County patients was 69.19. The total number of Burlington County Patient Days was 25,257. The total number of patient days was 36,511.

Departments reports include a wide variety of activities.

Financial Report  
Amount spent for maintenance, \$106,504.11.  
Amount received from patients, \$35,756.22.  
(Continued on page 3)

## Y.W.C.A. Drive Opens March 4

As a preliminary to the opening of the annual finance campaign of the Burlington County Young Women's Christian Association on March 4th, teas for members and friends of the association are being held in several county communities this week.

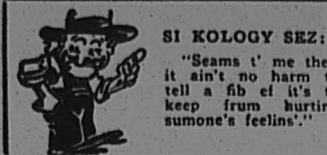

Culminating preparations for the campaign, a breakfast will be held at 10 a. m., Thursday, February 29th, at the home of Mrs. Alexander C. Wood, Jr., near Riverton at which all women who will aid in the drive will be guests. Mrs. Elwood W. W. of Riverton, and Mrs. Charles Gibson, of Burlington, will report briefly on Y. W. C. A. activities.

Piano selections will be played by Mrs. A. B. Peacock, of Columbus. Mrs. William Grobler, finance campaign chairman, announces the following additional community chairman: Mrs. E. Forrest Hann and Mrs. Robert H. Aaronson, Bordertown; Mrs. A. B. Peacock, Columbus; Miss Gertrude N. Brick, Crosswicks; Mrs. Clarence Asay, Delanco; Mrs. Jack Magee, Florence; Miss Sara R. Haines, Masonville; Miss Alice Rowan, Mt. Holly; Mrs. E. P. Darlington, New Lisbon; Mrs. Alexander Saria, Palmyra; Mrs. Albert R. Shinn and Mrs. Frank D. Smith, Rancocas; Mrs. Howard S. Coe, Riverton; Mrs. Ralph W. Haines, Vincentown; Miss Margaret Lippincott, Jobstown; Mrs. Charles G. Lester, Lambertown.

## NOT ON DISPLAY

This car was not hoisted to the platform of the Riverton station for exhibition purposes, but did a climbing act under its own power early Sunday morning after a series of "jitterbug" evolutions. The traffic signal at Broad and Main streets was brought to earth by the crash. A remarkable feature of the incident was that no one was injured.

## RIVERTON COMMITTEES

Committees of the Riverton Board of Education as named this week by Mrs. Charles H. Yost, president, are as follows:

Committees  
Educational—Robert G. Adams, chairman; J. Rowland Dey, Thomas R. Taylor.  
Financial—Thomas R. Taylor, chairman; R. M. Woodward, Hilton M. Smith.  
Property—Dr. J. Rowland Dey, chairman; A. H. Burns, Albert Farrow.  
Supplies—A. H. Burns, chairman; Hilton M. Smith, Mrs. David Little.

## Mayor Casts Deciding Vote

Guilty as charged, and a verdict of five days suspension of license, was handed down by Palmyra Council sitting as judge and jury in the case of Thomas P. Shorten vs. the Borough of Palmyra, at a hearing held in the fire house Tuesday night.

The conviction came as the result of the deciding vote of Mayor John F. Ward, following three hours and ten minutes of testimony and cross-examination of ten witnesses, the zealous efforts of the prosecuting Attorney Albert McCay and Defense Attorney D. Zick, aided by voluminous mimeographed decisions emanating from the office of T. Frederick Burnett, Commissioner of Alcoholic Beverage Control in the State of New Jersey.

Back in August

The defendant was charged with keeping his taproom open for business after 1:00 o'clock a. m. (D. S. T.) on the morning of August 20, 1939 (Sunday). Two inspectors from the A. B. C. testified that they appeared at the taproom in question at approximately 2:00 a. m. and found all doors locked, the shades drawn and were granted admittance by the proprietor after having established their identity. They testified that they found four patrons seated at a table in the service room and two men standing in the same room. Partly filled glasses of beer (seven in all) were on the table before the patrons. The inspectors stated that the proprietor verbally admitted his guilt to them, but refused to put it in writing.

All of the occupants present at the time of the arrival of the A. B. C. men, citizens from Palmyra, Riverton and Parry, were present to experience a shortage in anticipated (Continued on page 2)

## COUNTY BUDGET APPROVED

After weeks of laborious effort, the Burlington County Board of Freeholders finally approved the county budget for 1940 on Friday of last week.

The result of their work has the unanimous approval of taxpayers throughout the county for, instead of an increased tax rate over last year, as was first thought to be necessary, the figure for the current year shows a substantial decrease.

The rate of \$.955, compared with \$1.0274 in 1939.

A public hearing on the budget will be held in Mt. Holly on Thursday, March 14.

The complete budget appears in this issue of The New Era.

## Statement by Price

The statement by Clarence G. Price, chairman, finance committee follows: "It is most gratifying to me, as chairman of the 1939 and 1940 Finance Committee that the Board is able to present to the people a cash basis budget with a rate of approximately 95 cents. I say approximately because there is a possibility of a further reduction when the exact amount of assessed valuation has been determined and the Bank Stock Tax for the year has been levied, which items have not been considered in compiling the 95 cent rate.

"I contribute a large portion of this reduction to the splendid work done by the Treasurer's office under Frank A. Snover, Treasurer. At the beginning of 1939 when the present administration took over the affairs of the county there were some \$66,000.00 outstanding in delinquent taxes, no surplus and a deficiency in anticipated revenue of \$27,865.23. With these items a full cash basis budget for 1939 was impossible and would have caused a cash deficit of some \$60,000.00 with a rate far beyond the pocketbooks of our people.

## True Budget

"At the beginning of business in 1940 there were but \$2,604.53 tax delinquency, indicating 99.65 per cent of all taxes having been collected, and a substantial surplus account had been created, all of which tend to produce the rate we hope to enjoy in 1940. This has come about even though in 1939 the county did experience a shortage in anticipated (Continued on page 2)

## YOUTH WEEK COMMITTEE

Mayor John F. Ward, Robert J. Finney, Paul R. Jones and Clifton P. Mayfield were named as the 1940 Youth Week Committee by President Lawrence B. Parker at a special meeting of the Palmyra-Riverton Y. M. C. A. Board, February 21st. Youth Week will be observed nationally this year, April 27th to May 4th.

## Curtis Artists At Porch Club

On Tuesday, March 5th, at 2:30 p. m., a musical program will be given at the Porch Club by Willa Stewart, soprano; Nathan Goldstein and Charles Libove, violins, with Louis Shub, accompanist. The artists are from the Curtis Institute of Music.

The program follows:

## PROGRAM

I  
Bel piacere e godere fido amor; Handel  
Sommi Dei

II  
Second Movement from Concerto No. 2, in D minor, Opus 22; Romance  
Scherzo-Tarantelle; Wieniawski  
Nathan Goldstein  
III  
"Elle est la, pres de lui" from Mignon; Thomas  
Willa Stewart  
IV  
Second Movement from Concerto in G minor, Opus 26; Bruch  
Adagio  
Praeludium and Allegro; Pagnani-Kreiser  
Charles Libove  
V  
Spirit Flower; Campbell-Tipton  
Ecstasy  
Sleep Now; Barber  
I Hear an Army  
Willa Stewart  
VI  
Concerto for two violins in D minor, Allegro, Andante, Allegro; Bach  
Perpetuum Mobile, Opus 34, No. 5  
Nathan Goldstein and Charles Libove

## Background of Artists

Willa Stewart came to Curtis Institute from Springfield, Mo., where she studied piano, violin and musical theory in addition to singing in glee clubs and choirs. At Curtis she concentrates on vocal work, with Madame Elisabeth Schumann as her major teacher.  
Nathan Goldstein and Charles Libove both are pupils of Madame Lea Luboschitz in violin and are both 14 years of age. They play frequently together, two such performances have been the Bach Concerto in D minor and the Handel Sonata in E, each for two violins, given in radio concert broadcasts from the school.  
Louis Shub is an accomplished pianist, whether he appears as supporting artist or as soloist. His teacher in his major subject is Harry Kaufman. As a Curtis student he has been accompanist for many vocalists and instrumentalists in various public appearances and radio concerts.

## AUTO WRECKS TRAFFIC LIGHT

Machine Comes to Rest on Platform of Riverton Railroad Station

Riverton's traffic signal, which has been functioning intermittently for some time, was given a knock-out blow shortly after 1 o'clock Sunday morning in a freakish auto accident, the car that caused the damage coming to rest on the east end of the railroad station platform with its radiator pointing toward the river.

The machine was driven by John C. Bishop, 4007 Higby street, Tacoma, and with him was William Quinn, 7901 Torresdale avenue, Philadelphia. Almost miraculously, both men escaped injury.

### How It Happened

The affair occurred when Bishop, going west on Broad street, hit both gas and brake pedals with his foot as the car approached the intersection. At this time another machine was coming around the end of the station going east, and Bishop evidently thought the driver was about to make a left turn to Main street.

Officer John Robinson, who was on duty at the time, stated that the lights on the wrecked car were dimmed and the driver evidently believed that he could go to the left of the traffic signal and avoid a crash.

### Misses Robinson

Following this course he narrowly missed hitting Officer Robinson, who had stepped out to investigate the sudden burst of speed.

The right front wheel crashed into the signal upright and the machine then slewed around in such a manner that the entire left side crashed into the station with a terrific impact. Needless to relate, the auto was extensively damaged.

Bishop was given a summons for careless driving and appeared before Recorder William Bottger on Sunday morning, at which time he was fined \$5 and costs.

A crowd, comparatively large for that hour of the morning, gathered at the scene and watched salvage operations conducted by the wrecking truck and employees of the Bellevue Garage.

## BLACK DUCKS AT COVE

During the recent cold weather, a considerable number of black ducks have inhabited a cove at East Riverton.

Investigation showed that they were apparently badly in need of food and L. L. Keating, assisted by Lawrence Downs took over the task of supplying provender.

This operation had to be conducted at night with the aid of flashlights, since the ducks would not eat if the food was put out in the daytime.

## CHIMNEY FIRE

The Parry Fire Company, under the direction of Chief Henry Hathaway, extinguished a chimney fire shortly after 8:30 on Wednesday morning of this week at the home of William Pratt, Wrightsville. Damage was slight.

Libove both are pupils of Madame Lea Luboschitz in violin and are both 14 years of age. They play frequently together, two such performances have been the Bach Concerto in D minor and the Handel Sonata in E, each for two violins, given in radio concert broadcasts from the school.

Louis Shub is an accomplished pianist, whether he appears as supporting artist or as soloist. His teacher in his major subject is Harry Kaufman. As a Curtis student he has been accompanist for many vocalists and instrumentalists in various public appearances and radio concerts.

## PALMYRA

Miss Martha L. Harke, daughter of the Rev. and Mrs. Albert J. Harke, left for Washington, D. C., this week, where she has accepted a civil service position in the U. S. Treasury Department.

Mrs. Anna Toy, of Cinnaminson avenue, was the seventh winner in Shulman's Merchandise Club.

Mrs. Ernest Barkel, of Horace avenue, entertained the Shining Hour Class of the Methodist Church at its regular meeting and social last Thursday.

A Chicken Patty Supper will be given by the L.T.S. Philathea Class of the Central Baptist Church on Saturday, March 9, between 5.30 and 7.30 p.m. Tickets are fifty cents. The affair will be held in the social hall of the church.

Betty Graeff, of Haddon Heights, was this week's winner of the Eureka Dress Club.

The regular monthly meeting of the St. Agnes Guild will be held on Monday, March 4, at 8 p.m., in the parish house. All members are urged to attend and are asked to make settlement for all outstanding tickets for any event held during 1939.

## Powers Out For Re-election

Congressman D. Lane Powers formally announced last week he would be a candidate for re-election.

Petitions bearing the Congressman's name were filed with Secretary of State Thomas Mathis Saturday.

Powers has been Representative of the 4th Congressional District of New Jersey since the district, which includes Mercer and Burlington counties, was formed in 1932. He has served in the 73rd, 74th, 75th and 76th Congresses.

Due to his continued tenure, Powers has worked his way up to the position where he is now ranking minority member of the War Department Appropriations Committee, and also on the Legislative Appropriations Committee. He is fourth ranking minority member of the House Committee on Appropriations.

### Statement

Powers' formal statement of his candidacy follows:

"I have filed my petitions for nomination and election to Congress this year with the hope that I may have the opportunity to continue in Washington the type of representation which I know the people of our Congressional District highly deserve, and which I have consistently tried to give them."

"I feel the experience I have gained during the eight years of my incumbency make my services increasingly valuable to my constituency. When a Republican Majority is elected to the House of Representatives next year, which I am confident will be accomplished, the seniority I have gained will make it possible for me to give even better service to our district."

### NOTICE OF SETTLEMENT EXECUTORS ACCOUNT

Estate of SARAH B. LETHERBURY, Deceased.

Notice is hereby given that the First and Final Account of the subscribers, Executors, will be audited and stated by the Surrogate and reported for settlement and allowance to the Orphans' Court of the County of Burlington at a session to be held on that day, March 28, 1940, at ten o'clock in the forenoon.

HARRY L. COCHRAN and CHARLES C. LISTER, Executors.

Practor: Ralph N. Kellam.  
Dated: February 14, 1940.  
2-24 to 3-21-40.

Burlington County Surrogate's Court  
RULE TO DECEASED  
EXECUTOR'S NOTICE  
Estate of LINDA SCHMOELE NEWTON, Deceased.

Notice is hereby given that an order has been made by George B. Hitting, Surrogate of the County of Burlington, allowing the 27th day of January, 1940, upon application of the subscriber, Executor, requiring the creditors of Linda Schmoele Newton, late of the County of Burlington, deceased, to bring in their claims against the estate of the said deceased, under oath or affirmation, on or before July 27, 1940, or they will be deemed of any action therefore against the said Executor.

CAMDEN TRUST COMPANY,  
Successor by Merger to Camden Safe Deposit & Trust Company, Executor.  
Practor: Norcross & Parr.  
Dated: January 27, 1940.  
2-12-29

## SHERIFF'S SALE

By virtue of a Writ of Fieri Facias to me directed, issued out of Court of the County of New Jersey I will sell at public sale on

THURSDAY, MARCH 14, A. D. 1940, between the hours of 12 and 5 o'clock in the afternoon of said day (to wit, at 2 o'clock) Standard Time, at the Court House, Mount Holly, New Jersey—

ALL the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Borough of Riverton, in the County of Burlington and State of New Jersey, viz: BEGINNING at a point for a corner in the middle of Howard Street at the distance of fifty feet Northwesterly from the middle of Fifth street, thence along the middle of Howard street, Northwesterly seventy-five feet to a point for a corner thence Southwesterly between parallel lines of that width, parallel with said Fifth Street, the distance of thirty feet to the Westerly edge of Howard Street, thence continuing onwesterly in the same direction a further distance of one hundred feet in depth clear of the street.

BEING a part of the same land and premises which Heulings Lippincott and J. Lawrence Lippincott, Surviving Executors under the last will and testament of Ezra Lippincott, deceased, by their deed of conveyance dated May 28th, 1920, and recorded in the Burlington County Clerk's Office in Book No. 149 of Deeds, page 269 &c., granted and conveyed unto Marion Sauer, in fee.

And the said Marion Sauer departed this life on February 16th, 1939, leaving a last will and testament duly admitted to probate by the Surrogate of Burlington County on October 28th, 1939, wherein she did, among other things, give, devise and bequeath unto her sister-in-law, Albertina Cole, and her nephew, Charles R. Cole, above lately and hereafter all of her estate, real, personal and mixed, whereupon title to the above described premises became vested in said Albertina Cole and Charles R. Cole, in fee.

TOGETHER with a right of way over a certain tract of land now or lately belonging to the said Marion Sauer, adjoining the

net income after deduction of dividends on capital stocks of subsidiary companies held by the public was \$25,722,729.25. The preferred stock dividends of the Corporation aggregated \$9,850,936, leaving a balance of \$15,871,793.25 earned on the common stock, equal to \$2.88 per share on the stock outstanding during the year and at the end of the year.

Gains  
All three branches of the business—electricity, gas and transportation—registered gains over 1938, both in sales and revenues. This is attributed, in large measure, to a general upswing in industrial activity throughout the state, particularly so in the last four months of the year, and to a marked acceleration in the building trades. The kilowatt hour consumption of electricity by residential customers showed an increase every month over the usage in the corresponding month of 1938. Residential gas sales (including sales for building heating) showed a slight increase, while industrial gas sales scored a substantial percentage of increase over the previous year, as did those for building heating. Public Service Co-ordinated Transport and affiliated transportation companies registered gratifying gains for the year both in revenue and passengers carried.

## PALMYRA EARNS SECOND PLACE

Locals Down Gloucester to Clinch Runner-Up Post In So. Jersey Loop

By virtue of a 25-19 decision over Gloucester on Friday night of last week, Palmyra High's court squad clinched second place in the South Jersey Group 3 Court League, finishing behind the leading Merchantville quintet which went through the season with a perfect record.

Although beaten by Gloucester in the first game of the series played here several weeks ago, the Red and White was complete master of the situation in the second conflict which was played on the floor of the opposition.

### Big Lead

The first frame was fairly even, but the Diamondmen really went into action when the second quarter rolled around. During this eight-minute period Palmyra swished the cords for 12 tallies and held their opponents to a meagre two.

The third stanza was another evenly fought phase of the battle, and the slight edge held by the opposition in the finale failed to close the gap. It was the seventh win of the Red and White in league competition, the locals having been defeated by Merchantville twice and by their late opponents on the only other occasion.

Henson and Hoff led the offense for the winners, garnering nine and eight points, respectively.

my neighborhood chum," writes one high school senior. "The American Boy seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in The American Boy."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in The American Boy Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis in fact every major sport is covered in fiction and fact articles.

### Recommended

Teachers, librarians, parents and leaders of boys clubs also recommend The American Boy enthusiastically. They have found that as a general rule regular readers of The American Boy advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in The American Boy, the most of reading matter boys like best.

The American Boy sells on most newsstands at 20c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to The American Boy, 7430 Second Blvd., Detroit, Michigan.

## BUSINESS

Has the European war done much to American prices? It's pretty hard for John Q. Public to tell, just by examining the price tags on shirts or socks, or hefting a 10-cent loaf of bread, or seeing how big a cauliflower he can get for 15 cents. But we do find that wholesale commodity prices zoomed 27.2 per cent between late August and September 22—when the war was 19 days old. By now, about 40 per cent of that increase has settled down—as has the war—though the general level of such prices is still 16.5 per cent higher than August.

The natural expectation is that, sooner or later, this will be reflected in retail prices, too. But actually it's almost impossible for the layman to spot these results, because the retail price levels of almost all staple merchandise remain the same—except in very drastic situations—and the differential is made up by putting a little less material in the shirt-tail, or fewer buttons, or short thread-count. As one merchandising expert puts it: "There'll always be a dollar shirt and a two-fifty shirt—always a dollar sock and a three-for-a-dollar sock."

## PRINTING

The New Era Office is equipped to do all kinds of Fine Printing at reasonable prices.

## More Regimentation

One of the latest efforts to regiment a great industry can be found in the proposed legislation in Congress to give Uncle Sam rigid control of the oil industry, at least so far as production of oil is concerned.

There is little complaint that the prices of oil and gasoline are too high. In fact, without the burdensome taxes on gasoline, that product would be selling to the consumers now at an unheard of low price. The excuse for this legislation is the "preservation of natural resources." Fear is expressed that the producers will waste the oil underground to the extent that some of these days we may be entirely out of the product.

Those who have watched the trend of New Deal legislation, however, think there is more to the story than this. They believe the design of the legislation only follows the pattern drawn by the socialist-minded leaders during the past seven years; the aim being greater and greater control of private industry by the politicians.

The protest of Federal control of the oil industry is not coming from the big oil producers alone. It comes from the governors of the oil producing states who are opposing the legislation, regardless of politics.

The states are now seeking to control oil production by state compacts and with agreement between the states and the various oil producers. In spite of the fact there has been over-production from time to time they have been getting along pretty well and the consumer has not suffered. The bringing of Illinois into line with the other states, it is believed, will almost wholly solve the problem.

The proved oil reserves are huge and are constantly being added to. There is no danger that we will run out of oil in America in this generation or the next—probably not before a new fuel has been designed for motors and gasoline will have become passe anyhow.

All this, however, does not deter the social experiments. The politicians are itching for control of a new industry. If they get it they will have a lot of fun controlling oil production. But the little fellow who buys gasoline at the red pump will probably be the one who will have to pay through the nose.

## Trucks Pay Their Way?

That annual highway costs for heavy vehicles in New Jersey are substantially greater than the amounts which they now pay in gasoline taxes and license fees was indicated by Public Interest Folder Series No. 7 released recently by the Princeton Survey of New Jersey Finance. The statement explained that public policy must determine what proportion of these greater costs should be borne by the heavier vehicles.

The Folder presented a practical and scientific method for allocating pavement costs among highway users by demonstrating that pavement costs are closely related to the weights of the vehicles using the roads.

At the present time the annual cost for the replacement and maintenance of New Jersey's 17,000 miles of improved roads and streets is estimated conservatively at \$50,000,000. This amount provides only for costs beyond those necessary for a "horse and buggy road."

It is explained that annual highway cost depends directly on the amount of use which motor vehicles make of the pavements as measured by the number of vehicles, their size, speed, weight, and their annual mileages. Proceeding on this principle, the Folder for purposes of demonstration divides New Jersey vehicles traveling on New Jersey pavements into five classes according to the thickness of pavement which is designed to support them. In a colorful illustration of the five pavement types, the Folder reveals that only 18,000 New Jersey vehicles—only about 1.8 per cent of all vehicles—require the thickest pavements, for example, a ten-inch concrete pavement or its equivalent, while 967,000 or 99 per cent would "be adequately served by the thinnest pavement."

The illustration shows pavement thicknesses which vary

from 6 inches for a wheel load no greater than 2,880 pounds to 10 inches for a maximum wheel load of 8,000 pounds.

It points out that the annual cost of providing pavements which are used by vehicles with wheel loads no greater than 2,880 pounds is \$37,900,000 more than for a "horse and buggy" road, whereas to provide for vehicles with wheel loads up to 8,000 pounds the annual cost is \$50,000,000 above the "horse and buggy" level. It appears that even though the number of heavy vehicles is relatively small, a considerable increase in annual highway costs arises from the use which these vehicles make of the roads.

Some people boo because it is the best they can do with a limited vocabulary.—Exchange.

## ABOUT THE COUNTY

Failure of the Medford Gas Company to meet expenses and loss of more than one-half of its customers has prompted the utility to apply for permission to discontinue service.

If the application is allowed, 125 gas users will be forced to adopt other means of cooking their meals, it was said here yesterday.

For nearly 40 years the gas company has supplied fuel to Medford consumers. Formed as an independent concern, it has remained so until the present time. Since 1934 the company has lost more than one-half of its customers, it is understood.

District Attorney Tom Dewey says in a public address that we ought to live within our income. How times have changed. A few years ago such a statement wouldn't have been deemed necessary. Now it gets into the headlines.

A late find of the tireless archeologists is a buried prehistoric hatchet weighing 145 pounds. Peacemakers must have run large in those times.—Winnipeg Tribune.

After reading a few headlines in newspapers their rescuers had brought, a shipwrecked party decided to stay on their desert island.—Red Wing, Minn., Republican.

Anyway, the man who is eaten by the cannibals doesn't have to listen to the after-dinner speech.—Washington, D. C., Post.

Mrs. Pearl M. Bridegum, of Hainesport, Republican State Committee woman from Burlington County and Vice Chairman of the State Committee, was unanimously

chosen Republican National Committee woman from New Jersey at a meeting of the State Committee at Trenton last week.

A Burlington man told his wife: "The radio isn't working. I'll call the dealer. You give it to him when he arrives."

A man came to the house on Monday night. "Do you want the radio?" the lady of the house asked him. He nodded and took the radio.

The family is without a radio. The caller wasn't the dealer.

## STATE AID FOR ROADS

State Highway Commissioner E. Donald Serner recently approved the use of \$75,000 in State Aid funds for street and road improvements in 18 Burlington County municipalities. Under the law each county is granted \$75,000 for Township and Borough Aid.

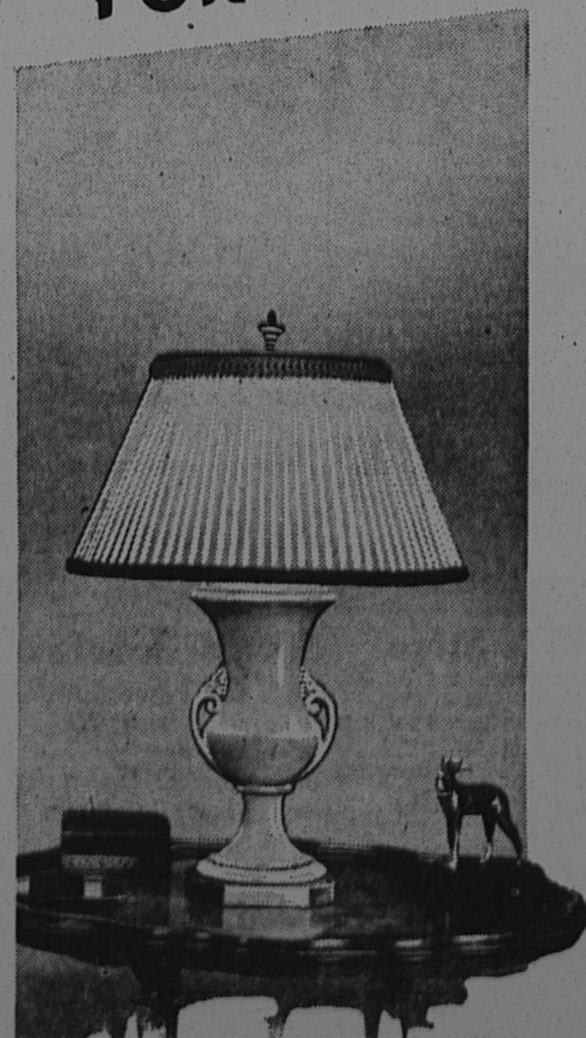

The schedule of improvements follows: Bass River—West Greenbush road, Old Atlantic City road and Soocys lane; Beverly—Putnam, Magnolia, Third, Manor and Spruce streets; Chester—Woodlawn avenue and Center avenue; Chesterfield—Old York Road, Section 1; Delanco—Union avenue, Cedar street and Delaware avenue; Delran—Creek road; Evesham—Evesboro-Medford road; Fieldsboro—Delaware avenue and various streets; Hainesport—New road; Lumberton—New road and Mt. Holly-Lumberton road.

Mansfield—Mansfield-Georgetown road, Section 2; New Hanover-Hockanick road, Section 2; North Hanover—Paulson road; Palmyra—Spring Garden street; Pemberton—Birmingham-North Pemberton road, Section 2, and Browns Mills Junction road; Riverside—Cleveland and New Jersey avenues; Tabernacle—Hodgehouse road, and Washington—Lower Bank and River road.

## YEAR BOOK?

Congressman D. Lane Powers announces he has a few copies of the 1939 Agricultural Year Books still available. Any who wish copies of the book, entitled "Food and Life," should write the Congressman at his Washington office.

## FOR TABLE OR DESK...

This beautiful I.E.S. BETTER LIGHT-BETTER SIGHT LAMP will provide soft, restful light wherever placed. Illumination is direct and indirect combined. The base is of china and comes in ivory, tan, oxblood or blue. Pleated silk shade is eggshell with trim to match base selected. Price complete, \$8.95 cash. Small carrying charge if purchased on convenient monthly terms.

Lamp illustrated is approved by the Illuminating Engineering Society and sold at Public Service stores.

Lena Blanche Jones, who last week gave a musical lecture before the Palmyra Women's Club, was one of the judges.

## Serve This Fish Dinner During Lent

FISH dinners are very popular during Lent. Most people agree that fish tastes best when broiled. Broiling is cooking by direct exposure to heat. Many gas ranges have a special broiling compartment. Fish which are to be broiled can be divided into three classes: (1) Small or medium sized fish, (2) larger fish which have been cut into filets or (3) fish steaks. Small fish may be broiled whole. Medium sized fish are split down the back and broiled whole. Larger fish are cut into one inch steaks for broiling, or they may be cut into filets.

Preparation of fish for broiling:—Wipe the fish dry and sprinkle with salt and pepper. The broiler should be greased and heated thoroughly before the fish is placed on it. Lean fish should be brushed with butter or French dressing before broiling.

Recipe for broiling:—Place the fish, skin down, on broiling pan or on a large taffy pan and see that broiler is placed two inches below the gas flame. When the fish is browned thoroughly on one side, turn it carefully and brown it on the other side. Then either lower the flame or place the broiling pan farther away from the flame to finish cooking more slowly. Loosen the fish carefully and remove to a hot platter. Immediately after removing from broiler, spread fish with Lemon Butter Sauce. Garnish with slices of lemon and water-cress.

Lemon Butter Sauce  
1/2 cup butter 1 tsp. chopped  
2 tbsp. lemon parsley  
Juice Paprika

Melt butter and add lemon, parsley and paprika. If a thinner sauce is desired, two tablespoons of boiling water may be added.

Potato Puffs  
3 medium sized 1/2 cup flour  
potatoes 2 eggs  
1/2 cup boiling 1 tsp. salt  
water 1/4 tsp. pepper  
1/2 cup short- f. g. nutmeg  
ening

Pare potatoes and cook in boiling salted water. When done put through a ricer or coarse sieve. Put

Sift together all dry ingredients. Cut in shortening with two knives. Add milk or water gradually, making a soft dough. Toss onto slightly floured board, roll out to one inch thickness, cut with biscuit cutter and bake in quick oven, 450 degrees, fifteen minutes, or bake in a large cake, split in half before using, both halves used crust side down. Two thinner cakes laid one on the other in the same pan can be made. Brush or dot the lower with butter before placing the second.

Strawberry Shortcake  
One quart frosted strawberries, washed, hulled, sliced.  
Mix with one cup sugar, allow to stand for two hours at least, in a cool place. Serve on biscuit shortcake with plain or whipped cream.

2 cups flour 1/2 cup milk or  
4 tsp. baking powder 1 tsp. salt  
2 tsp. short- 4 tsp. sugar  
ening

Thomas Ave. and Seventh St.  
Riverton, N. J.  
Sunday School, 9:30 a.m.  
Sunday Services, 11 a.m.  
Wednesday, 8:00 p.m.  
Reading Room in Church Building  
Thomas Ave. and Seventh St., Riverton, open Tuesday and Friday, 2:30 to 4:30.

**CHRISTIAN SCIENCE CHURCH**  
"Christ Jesus" is the Lesson-Sermon subject for Sunday, March 3, in all Christian Science Churches and Societies throughout the world.  
The Golden Text is: "God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ." (II Corinthians 4:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through thy name." (Luke 10:17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus established his church and maintained his mission on a spiritual foundation of Christ-healing. He taught his followers that his religion had a divine Principle, which would cast out error and heal both the sick and the sinning" (p. 136).

**MORAVIAN CHURCH**  
Albert J. Harke, Pastor  
Palmyra

Services for Sunday, March 3  
9:30 a.m. Sunday School.  
10:45 a.m. Morning worship. The subject of the gospel message will be God's first question in the Bible: "Where art thou?"  
6:45 p.m. Young people's meeting. A happy spiritual service conducted by and for young people.  
7:30 p.m. Evening service with a gospel message, "God's People."  
Wednesday at 8:00 p.m. Lenten devotions for the deepening of our prayer and devotional life.

**CENTRAL BAPTIST CHURCH**  
Rev. George Lockett, B.D., Pastor  
Services, Sunday, March 3rd  
Bible School, 10:00 a.m.—One of the features of the school is that every member of a family may attend. No one need to stay at home. Whether it be baby brother or sister or grandmother or grandfather, there is a class for all. The cradle roll takes care of the tots so the parents can feel that their children are cared for. Another feature is that children are properly cared for while parents attend the morning service. Why not try this out next Sunday?

Morning Service, 11:15 a.m.—Pastor Lockett will have as his subject for his sermon, "In Remembrance of Me." A particularly appropriate subject for the communion service which will follow at the close of the sermon. Special musical arrangements by the choir.  
B. Y. P. U., 6:45 p.m.—While everyone of any age is welcomed at this meeting, it is primarily for those of high school age, and the subjects discussed and program are of importance and of especial interest to this group.

Evening Worship, 7:45 p.m.—The subject for the evening service, "The Four Great Questions," should warrant the interest of every member as it pertains to and can be well applied to daily problems and experiences of the individual. Come out and bring your friends.

This Thursday afternoon at 2:00 p.m. at the home of Mrs. Dimon, 49 Henry street, the Philathea Class will hold their regular monthly meeting. Weather permitting, a good attendance is anticipated.

**SACRED HEART CHURCH**  
Riverton, N. J.  
Pastor, Rev. John F. Welsh.  
Assistant Pastor, Rev. Vincent A. Luther.

Sunday Masses—7:00 - 9:00 - 10:15.  
Daily Masses—7:00 - 7:45.  
Confessions every Saturday, 3:45, 5:45 and 7:30 to 9:00.  
Miraculous Medal Novena and Lenten Devotions—Tuesday evening at 7:45.

Stations of the Cross and Benediction—Friday at 2:30 and 7:45 p.m.  
Religious Instruction—Elementary School, Friday at 3:45; Public High School, Tuesday evening at 7:15.

We are in the midst of the season wherein Catholics may make their Easter Communion. This is a serious obligation to be fulfilled by every Catholic under penalty of grievous sin. Confinement to the home or elsewhere does not excuse. In such cases the priest should be notified and he will be pleased to bring Holy Communion directly to your home.

The procedure to be followed when the priest brings the Blessed Sacrament to your home is as follows: Do not talk to him when he comes in. This respect is in reverence to Our Divine Lord Whom the priest carries. Meet him at the door with a lighted blessed candle and conduct him to the sick room. On a table near the sick person there should be prepared: a crucifix, holy water, two blessed candles, a glass of water, a teaspoon, a napkin. A practical thought is to have all these instruments put away in one place so that in time of urgent necessity when connected thought is almost impossible it won't be necessary to think of all these things nor to run all over the house looking for them. People in the house should leave the sick room while the priest hears the Confession of the patient. Then all should return to kneel reverently and pray during the administration of the Blessed Sacrament and Extreme Unction.

First Friday Masses, 6:00—Andrew Pfaff, Ralph Dennis; 7:00—W. Brumbaugh, M. Kavanagh.  
Sunday Masses, 7:00—R. Fichter, H. Groome; 9:00—M. Kavanagh, Wm. Betz; 10:15—R. Dennis, R. Roman, T. Lane.  
Sacred Heart Dramatic Club—Meeting, Thursday evening at 8:00 o'clock.

**METHODIST CHURCH**  
Rev. William A. Boyd, Pastor  
No matter who you are—after you have been to Divine Worship on Sunday Morning you feel better all of the following week. Your faith is stronger, your heart is lighter and your courage is greatly renewed. You have honored your God, respected yourself and performed one of your duties as a Christian or citizen to God and to His Church.

Come to church this Sunday morning at 11 o'clock and worship God. The sermon: "The Cross—Foolishness?" by the Rev. Boyd.  
"The Mills of God" is the title of the evening sermon by Mr. Boyd. You will be interested in the singing of the senior and high school voices, forty in all. This service begins at 7:45.

In the Lenten Service this coming Wednesday evening at 8 o'clock, the minister will preach about "The New Commandment." We welcome strangers and friends of the community to any and all of our meetings.

The Ordinance of Baptism will be administered in our church Palm Sunday morning. New members will be received into our church fellowship Easter Sunday morning.  
There will be no Holy Communion service in our church this Sunday morning. This service will be held on Thursday evening during Holy Week.

## MISSIONARY SPEAKER

Mrs. W. T. Cook (the former Maude Hemphill, of Riverton) will address the Women's Missionary Society of the Presbyterian Church on Wednesday, March 6, at 3 p.m., on her work in Chosen (Korea), where she has been a missionary for a number of years. All women of the community are invited.

**DR. P. A. SPINELLI**  
OPTOMETRIST  
EYES EXAMINED  
Phone Riverside 615  
10 Scott Street, Riverton, N. J. (Back's Building)

## Wesleyan Men's Bible Class

For the Men of the Community

The Lenten Season is a tender call to believers to sympathetically enter into fellowship with the Christ in His temptation of forty days.

In the vivid language of St. Mark, Jesus was driven by the Spirit into the Wilderness to be tempted by the devil, during which time He hungered but came forth "refreshed by the Angels."

The redemption of mankind was not a mere announcement; that would not have been availing. Redemption required the presence of the Son of God in human form to secure personal understanding of the struggles of mankind.

In His temptation such was Christ's experience that it is recorded, "He was tempted in all points like as we are, yet without sin. He knows how to succor those who are tempted and tried."

Thus Christ understands our trials and fully sympathizes with us and is ever near to support us in our needs. Jesus knows not by theory but by practical experience. This brings Him very near to the human heart. Hence He said, "In this world ye will have tribulations; but he of good cheer, I have overcome the world."

In our Class the understanding and sympathetic Christ gives good cheer and victory over trials. Join with us next Sunday and catch the vision and feel the sympathy of the abiding presence of Him who was tempted but gloriously triumphed, ever ready to sustain and bring us off more than conquerors.

## Rotary Club Anniversary

Celebration of the fourteenth anniversary of the local Rotary Club and the thirty-fifth anniversary of the founding of the International organization took the form of Ladies' night last Thursday evening when a program, sponsored by a committee headed by Robert G. Adams, proved of unusual interest.

Sixty-three Rotarians, their ladies and guests, sat down to the Anniversary Dinner at which President Luke K. Eberly acted as toastmaster. Following a brief talk by E. Newbold Cooper in the significance of the Rotary movement, the program of entertainment was opened by "Steps of Modern Youth"—a jam session of three couples of young people from Palmyra who displayed the latest development in the Terpsichorean art. The group was comprised of Jean Tees, Eleanor Kay, Dante Mento, Bill Verner and Charles Cardes.

## Present Play

The Footlight Players, directed by Ruth Parsons Strahan, presented a one-act comedy, "The Perfect Secretary" with Lisa Stein, Ruth Secher and Florence Stephens in the lead roles. Entertaining and well acted, the play pleasantly fitted into the program of the evening which included an interesting special feature introduced by Dr. Dean LeFavor—a "broadcasting" experiment.

Each person present in turn stepped to the microphone, introduced himself, and said a few words. As soon as the "Broadcast" was completed Dr. LeFavor surprised his audience by playing back the full broadcast, including singing, which he had registered on a record. Following the scheduled program fifteen tables of progressive games were played, during which manual dexterity and skill were mixed with

## LEONA HUNT

mental alertness tests of unusual and interesting character.  
Among the ladies, Mrs. J. W. Van Horn scored high and took first prize, while among the men, President Luke Eberly carried off first honors.

## CORPS TO COMPETE

During 1939 the Palmyra organization was the official representative of the county, and this honor entitled them to lead the Burlington delegation in the convention parade held last fall at Cape May.

Competition is much keener this year for this privilege, and the official county corps will be determined as a result of a contest to be held in the early Spring.

It is expected that organizations from all over the county will participate, including the following: Riverside, Burlington, Bordentown and Mt. Holly.

Several communities have already placed bids for the function with the county Legion board.

The winner of this competition will represent Burlington County at the Fourth of July celebration at Princeton and at a number of other functions.

## TENNIS CLUB NOTES

The regular monthly meeting of the Palmyra Tennis Club will be held on Friday evening, March 1st, in Society Hall, at 8 o'clock. All members are urged to be present, as important business is to be discussed.

The table tennis team scored a signal victory over the Stratford M. E. Church last week. These ping-pongers are certainly going to town under the leadership of Brian Wood. Keep up the good work, boys.

The outdoor tennis season is getting closer and interest is growing in the standing of the members. Jack Hannum, Chairman of the Outdoor Tennis Committee, has something up his sleeve. What is it, Jack? Confucius (I mean Jack) says: "Come out Friday evening and find out."

A big surprise is in store for Friday evening. The meeting is going to be bright, snappy and interesting—and afterwards? Come out—you won't regret it.

Publicity.

## DEMOLISHES LAMP POST

William Breuer, of Stewart avenue, Riverside, parked his car on Linden avenue, above Midway, on Saturday of last week, with the emergency brake set to hold the machine on the grade at this point.

While he was absent for a few minutes the brake became released in some manner and the auto started out down the hill under its own guidance. This proved to be most faulty as the car soon came to rest at Linden and Midway after demolishing a lamp post at the intersection.

Chief William Goote, of the Riverton police, investigated the affair, but no official action was taken.

## The Little Refinements

The Snover Funeral Home has lifted itself above the average by its constant vigilance over ways and means to improve its service.

Every little refinement that adds to the measure of our service is quickly adopted, thus relieving the burden of those who place their dependence in us.

## The

Snover Funeral Home

Incorporated

## YMCA BRIEFS

Boy and girl campers at Ockanickon and Matolionequay, along with counselors and staff members from Burlington County, will have a reunion Saturday, March 2nd, at the Community House, Moorestown, commencing at 1:30 o'clock.

Camp Director C. Duran plans to have included in the program a brief welcoming message, a swim, during which there will be an opportunity for parents to confer, camp movies and refreshments, along with announcements concerning the 1940 season.

## SPECIAL MEETING

The Rivertown Ladies' Club will hold a special meeting on Monday, March 4th, at the home of Mrs. Ruth Gray, Gray's Barn, Burlington pike, at 2 o'clock.

Plans will be made for the turkey dinner and game party that is scheduled for the K. G. E. Hall, Riverside, on March 27th.

Members of the committee as announced by Mrs. Anna T. Denner, president of the club, include Mrs. Pfau, Mrs. Evans and Mrs. Birchard.

## SPORTS JOTTINGS

Now that the regular basketball season is over for P. H. S., all that remains is the consideration of the South Jersey Tournament.

The Palmyra Robins, local entry in the County League, still have practically all of their second-half schedule to play before calling it quits for the season.

With the court season a thing of the past, all that Coach Dimond has to do before he has a vacation is to turn out a baseball team—no small task, incidentally.

## BACHELORS' CLUB DINNER POSTPONED

A change has become necessary in the arrangements for the dinner of the Burlington County Bachelors' Club originally scheduled to be held at Weimann's Grill in Trenton, on February 29. It was found that the date was not suitable to a great many who were vitally interested in the meeting.

The new arrangements are now to hold the dinner on Friday night, March 8th, in Billy Evans' Hill Top Inn, at Hainesport. In revising the plans it was also found that the per capita cost would be less. As was originally scheduled, former Governor Edward Casper Stokes will be the principal speaker of the evening.

The requirements for the dinner are the same, that is, participants must have reached thirty years of age and never been married. Divorced men and widowers are taboo. Anyone who can honestly say that he can meet these requirements is welcome and can secure tickets from any member of the committee.

H. Prescott Herr, of Moorestown, assistant supervisor of roads of Burlington County, will be toastmaster.

Herr is general chairman of the arrangements, assisted by George Hillman, Moorestown, member of the Burlington County Tax Board; Daniel R. Lemmon, Brown's Mills, Bordentown; Alex Denbo, Spencer Atkinson, George Freck, Burlington; W. Ross Quicksall, Ralph Buri.

## RIVERTOWN CARD PARTY

The Rivertown Ladies' Club will hold a card party today (Thursday) at 2 o'clock in the home of Mrs. Butterfoss, Henry and Filmore streets, Riverside. The affair is being sponsored by Mrs. Butterfoss and Mrs. Wilkinson. There will be many beautiful prizes.

Transportation will be provided from the A. & P. store, Riverside, at 2 o'clock.

## YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean  
Extension Service, N. J. College of Agriculture

This is the time of year for forcing a few sprays of forsythia or even young shoots of apple or peach trees in order to add a spring-like note to the living room. When merely put in water, such branches will seem to come to life in a few days, providing colorful decorations and no end of interest to persons who have an opportunity to watch their day-by-day development.

As for the routine of garden management this week, be sure to remove any snow which may be lingering on top of the coldframe so that as much light as possible may reach the bed. If seeds are being started in the frame, be sure to cover the glass at night with an old carpet, bags, or preferably straw mats.

After the recent snow it would seem almost impossible that evergreens or shrubs could suffer for want of water. But because much of the stock is lost due to drying out late winter, it would be well to water the soil around shrubs carefully, giving it a good soaking as soon as the frost is out of the ground if there is any indication of dryness.

## Stored Stock

A far-sighted gardener looks over his stored dahlia and canna stock at this time of the year to make sure that it is not too dry. If dryness is noticed, the material may be soaked in a pail of water and dried off carefully or else wrapped in damp burlap. Any signs of decay can be cut away and the surface of the roots dusted with dry sulphur or even dry soil. Stored dahlia roots are much more apt to become too dry than to rot, however.

Dahlias root very easily from cuttings, and stock of any desired variety may be increased by starting a root now either in a pot or box and making cuttings of young shoots as fast as they appear. Perhaps you would like to try some of the new plant hormones which are so widely advertised for aiding the growth of such cuttings. If not, only good, clean sand and a sunny window are needed to produce new stock.

House Amaryllis plants are starting to grow now, and if crowded it might be well to repot them in preparation for blooming. After they have flowered, be sure to keep the foliage growing in order that buds be made for next year. Amaryllis will last for years if given good care, and it is not too late to get bulbs and pot them for bloom this season.

## POWERS NAMED TO BOARD OF WEST POINT ACADEMY

For the eighth consecutive year Congressman D. Lane Powers has been named a member of the Board of Visitors of the U. S. Military Academy at West Point.

Powers received notice of his appointment from Edward T. Taylor, chairman of the House of Representatives Committee on Appropriations.

tions, The New Jersey Congressman is ranking Minority Chairman of the War Department Appropriations Committee.

The Board of Visitors of the Academy corresponds to the Board of Trustees of a civilian college. Powers was first appointed to that post when he came to Congress in 1933, and has served each year since. In 1934 and 1935 he was also named to the Board of Visitors of the Naval Academy at Annapolis, but had to refuse appointment in 1936 and subsequently, pleading of pressure of other Congressional work.

## PARTICIPATE IN RECITAL

Elaine Friday and Thelma Davis, pupils of Emma A. Price, took part in the monthly recital hour given by pupils of members of the Philadelphia Music Teachers Association, on Saturday, February 24th, at the Presser Auditorium, Philadelphia.

They played a duet, "Neapolitan Dance Song," by Tchaikowsky.

## Westfield Friends' School

The second and third grade children all wrote letters to Miss Perkins last week while she was sick. The only help that they asked for was the spelling of a few difficult words. This letter is one that was written by Ruth Koenig in the third grade.

Dear Miss Perkins:

We are very sorry that you are sick. We miss you. I hope you aren't in bed with pain. We will work as hard as if you were here and we will not forget you and will think about you all day.

I know the poem we were to learn last week.

Here is a prayer I think you will like.

We each had a gift this morning. A beautiful fresh new day.

Please help us take it and use it, In just the very best way.

Love,

Ruth Koenig.

## Palmyra Budget Passes Final

The Palmyra Borough budget for the fiscal year 1940, with the unqualified blessing of Walter R. Darby, State Auditor, passed final reading by the unanimous vote of Council, Tuesday night at an adjourned meeting of that body.

Mayor Ward smilingly noted that council is still battling 100 per cent since there was not a single Palmyra taxpayer present to raise a dissenting voice.

The total amount of the budget is \$133,815.78 with the sum of \$53,408.21 to be raised by taxation. The local authorities estimate that the local rate for 1940 will be around \$4.70. If this figure is established it will amount to a reduction of 14 cents over the 1939 rate.

### Remington Disproves Rumor

J. C. Remington, borough engineer, was present at the meeting and stated that he had been in touch with the State authorities and was happy to report that the allotment of

\$3,000 for the paving of Spring Garden street is granted to Palmyra with no strings attached concerning the engineering services. The statement made in Council at a previous meeting that a Burlington county engineer had to be employed in order to get the allotment was a false rumor, entirely without foundation.

### Valuable Plans Missing

Mr. Remington also reported to Council that a part of the engineering plans, known as the "as built plans" on the new sewer project are missing. These plans are needed to successfully locate sewer connections. A former W.P.A. employee working with the engineers at the time has the complete set made by himself at the time the engineers made theirs. Some difficulty has been experienced in getting his records to complete the gap occasioned by the loss of the Borough engineers' plans, but Mr. Remington stated that he hoped he would be able to get them by Wednesday night of this week. If he was unable to secure them, he stated that he would have to bring the matter to Council for their help and backing in securing them. The plans are a vital part in completing the assessment records and the actual economical operation of the new sewer system.

### MOVIE BENEFIT

The Frederick M. Rogers, Post 156, will sponsor a movie benefit the week of March 11. Some splendid features have been arranged including Monday and Tuesday, "The Invisible Man Returns," Wednesday, Charley McCarthy in "The Detective," Thursday, "The Jones Family," Friday. The post will appreciate all those who purchase tickets.
