RIVERTON—PALMYRA, N. J., THURSDAY, MAY 2, 1940

PRICE FIVE CENTS

YOUTH CAPABLY GOVERN TOWNS

McDermott, Brewster, Mayors; Mulvaney Chairman of Township Committee

On Saturday, April 27, a new deal of politics was ushered in at Palmyra, Riverton, and Cinnaminson. The youth of the three communities completely took over the municipal government, naming their own committee heads, putting into effect their own party's platform, and discussing ways of bettering their respective town.

The Riverton council's main issue was discussing plans for a pavement from Riverton to Bellevue and a better lighting system on that road in order to decrease the amount of accidents and insure greater safety for pedestrians.

Officers

During the meeting one of the committee heads brought up the fact that one of the youth council member's car was parked in front of a fire hydrant and the offender was promptly arrested by the police chief.

Filling the various positions in the Borough of Riverton were: Mayor, Carl McDermott; councilmen, Jack Hullings, Mike Faunce, Marjorie Dimon, Harry Groome, and Betty Haines; clerk, Harold Bishop, treasurer-collector, Bob Waters; tax assessor, Bill Robinson; overseer of poor-recorder, Robert Yerkes; solicitor, Regina Link; engineer, Joe Springer; road supervisor, Harold Bright; fire chief, Bob Calhoun; chief of police, Clem Haas; school supervisor, Norman Armstrong; visiting nurse, Betty Allen; secretary, Verna Lamon.

Cinnaminson

At the Cinnaminson meeting, steps were taken, and committees appointed to investigate conditions of Pompton creek, and methods of beautifying it; inspecting lighting conditions and establishing sidewalks, and a committee appointed to set up a group of safety rules, to be

(Continued on page 2)

FIGHT CANCER WITH KNOWLEDGE

April was "cancer control month" all over America. Then, and in the coming month, the Women's Field Army Against Cancer is recruiting members and dollars in its campaign to protect our nation's health.

Seventy per cent of every enlistment dollar recruited in Burlington county will go toward the establishment of cancer control clinics at the County Hospital, in Mount Holly, and the Zurburg Memorial Hospital, in Riverside. Thirty per cent will go to support the national program.

Started in 1936

The Women's Field Army was started in 1936 by the American Society for the Control of Cancer. Its goal is to save lives from cancer by replacing blind fear with knowledge and to show men and women what they can do as individuals and as part of an organized movement to control this disease.

On Monday, April 29, Mrs. Eugene Bush, Miss Morette Gausler, Mrs. F. V. Hackett, Mrs. W. Lynn Hendrickson, Mrs. Edward Lippincott, Mrs. Richard Lippincott, Mrs. C. Singleton Mears, Miss Cornelia Murray, Miss Elaine Sheble, Mrs. Douglas Tyler met at the home of Mrs. Paul McCray, Jr., to organize a branch of the Women's Field Army in Riverton. Dr. T. Bruce Dickson gave a most informative talk which lent real force to the army's slogan—"Early Cancer Is Curable, Fight It with Knowledge."

Contributions for the drive may be mailed to Mrs. Paul McCray, Jr., 315 Thomas avenue, or handed to one of the above solicitors.

Youth Week Issue

This issue of The New Era has been written and edited by the staff of the Palmyrian, Palmyra High School publication, as a part of the local Youth Week program.

The members of The Palmyrian staff who have participated in this undertaking are as follows:

Editor-in-Chief Helen Wilcox
Associate Editor Alice Miller
News Editors Beatrice Weiner, Frances Cook
Alumni Editor Evelyn Kates
Feature Editor Mary Jane DeCoursey
Humor Editors Elinore Faunce, Harold Bishop
Exchange Editor Miriam Gorman
Sports Editors Carlette Seemuller, Robert Yerkes, William Burgess
Business Manager Ray Stevens
Advertising Manager Frank Stewart
Assistant Advertising Manager Betty Turner
Circulation Manager Edmund Turnock
Typists Della Haynes, Mildred Albertson, Carmella Cardea
Reporters Virginia Armstrong, Ann Magowan, Ruth Haines
Advisers Ella Hostetter, George M. Dare

HONOR ROLL ANNOUNCED

Sixty-six high school and 39 grade school students secured positions on the honor roll for the fifth report period. Forty-one of the 66 on the high school roll are high honor. To be on the high honor roll the student must have an E in citizenship and passing grades in all other work.

Seniors, Honor: Carlette Seemuller, Helen Wilcox.

Juniors, High Honor: Jane Craven, Richard Joyce, Doris Marshall, Louise Rahelic, Sarah Robinson, Jack Rockafellow, Grace Rush.

Juniors, Honor: Roy Choyce, Richard Koenig, Thurlay Stevenson.

Sophomores, High Honor: Palmer Adams, Charles Ahlman, Dorothy Cooper, Jeanne Haws, Robert Lewis, Peggy Ryan, Eleanor Voorhis, William Wells.

Sophomores, Honor: Frances Arndt, Virginia Carr, Jean Hardy, Ruth Henry, Kenneth Lippincott, Harrison Toy, Betty Warner, Jeanne Werner, Donald West.

Freshmen, High Honor: Beatrice Anderson, Margaret Celent, Richard Choyce, Alan Cooper, George Downs, Vesta Evans, Jean Ferguson, Shirley Friday, Marie Grab, Joan Graham, Roy Hardy, Dolores Haws, Lorraine Hawke, Marcella Klekot, Mary Laning, Roland Laning, Stanley Lipkowitz, Doris Paul, Joseph Schweitzer, Dorothy Wallace, Frank Weigand, Elizabeth Winks, Laura Yerkes.

Freshmen, Honor: Jane Bush, Deloris Clarke, Russell Farrow, Dean Garwood, Alfred King, Eleanor Metzger, Laura Nebel, Garth Redman, Robert Shaw, Deloris Stephens.

Eighth Grade: John Cawthorne, John Evans, Charles Weart, Joan Donaghy, Jane Fisher, Jean Grassie, Jessie Lippincott, Virginia Miles, Cecelia Sacca, Norma Schwink.

Seventh Grade: William Engle, Francis Mitchell, Thomas Schwink.

(continued on page 12)

RUMMAGE SALE

A rummage sale, under the auspices of the Riverton Porch Club, will be held on Thursday, May 9th, in the store next to the Keating Drug Store, on Broad street, Riverton. The proceeds of this sale will be given to the Community Center to carry on the fine work that is being done there.

The Riverton Welfare is not having a rummage sale this year, so it will be appreciated if anyone wishing to contribute clothing or any article for a rummage sale will do so at this time. Please notify Mrs. Roland Michener chairman in charge of the sale as soon as possible and all articles will be collected from your home.

Anyone wishing to donate money instead of clothing will contact Mrs. Stewart Clark, chairman of the committee to raise funds for the Community Center.

Mrs. E. L. Williams has very kindly loaned the store for this sale.

PALMYRA FIRE COMPANY NEWS

The Palmyra Volunteer Fire company is collecting information about the different types and makes of fire equipment in preparation for buying the new fire pumper. Nothing definite has been decided.

Plans are being made for a member of the fire company to give a talk to Palmyra high school students, demonstrating the use of fire extinguishers in the school. This instruction will be given in the near future, sometime before the close of the term.—Louise Rahelic.

Pets To Parade In Palmyra

The annual Pet Parade will be held Wednesday afternoon, May 8.

The Parade is open to anyone who is a student in Cinnaminson, Palmyra, and Riverton schools or who is a resident of Cinnaminson, Palmyra, or Riverton, and not over eighteen years of age.

Ribbons will be awarded to the winners for first place in each classification. A pet may be entered for only one classification.

Parade forms at the high school promptly at 4 p.m. Line of march will be from the high school to the Y.M.C.A. building where judging will take place.

Classifications

Division A, Dogs: Tallest dog, smallest dog, best dressed dog, dog with shortest tail, funniest dressed dog, most black dog, most white dog.

Division B, Cats: Most striped cat, best dressed cat, funniest dressed cat, most black cat, most white cat, cat with shortest tail.

Division C, Other Domestic Pets: Gold fish, turtles, parrots, white mice, canaries, other domestic pet birds.

Division D, Barnyard Pets: Chickens, ducks, pigs, calves, pigeons, rabbits, goats, ponies.

Division E, Miscellaneous: Any other pets not listed above.—Miriam Gorman.

HOBBY SHOW

The Hobby Show on May 9, will bring to the Community Center the most pretentious display of adult and children's hobbies yet exhibited. Registrations will be between 3.00 and 5.00 p.m. Between 8.00 and 10.00 p.m. there will be demonstrations of hobbies in action—a new and novel attraction which it is expected will attract a capacity house.

FIRST TOMATO PLANTS

The first carload of southern tomato plants arrived in Riverton on Saturday and the second was brought up from Camden early Monday morning by a switching engine.

Approximately 60 cars will be shipped here before the planting season is over.

—Robert Yerkes.

OBSERVE GOLDEN ANNIVERSARY

May 5th, the Riverton Fire company will celebrate its fiftieth anniversary. This organization was started on May 5, 1890. The original officers elected were: John C. Davis, president; Walter Spackman, vice president; A. J. Borie, secretary; and Charles A. Wright, treasurer. The present officers are: John W. Goodwin, president; Joseph Flynn, vice president; James J. Goodwin, secretary; and Ezra M. Carhart, Jr., chief.

The members are planning a celebration at the firehouse on May 4 for members of the company and their friends.—Virginia Armstrong.

Seniors Leave For Washington Monday Morning

Monday, May 6, at 7.37 a.m., D.S.T., one hundred and fifteen excited members of the senior class will board the train at the Palmyra station for Washington, D. C.

There will be three streamlined cars which will be attached to a New York-Washington express at the 30th Street Station in Philadelphia after being transferred from the regular bridge train.

In Baltimore, Maryland, they will leave the train at 9.09 E.S.T. and board buses which will take them to Annapolis where they will be guided through the United States Naval academy. From the academy they will go to Washington by bus and will reach there late afternoon. Lunch will be taken from home and eaten enroute to Washington.

Tours

The first point of interest will be the Capitol building. Thence to the Library of Congress and the Folger Shakespearean library. After that the class will go through the United States Supreme Court building. They will return to the New Colonial hotel for dinner at 6.00 p.m. The evening will be spent at leisure.

Tuesday morning they will breakfast at the hotel and leave at 8.30 for the Bureau of Engraving. Then they will visit the Washington monument and cross the Mall to the Pan American building. After that they will inspect the Corcoran Gallery, Red Cross building, D.A.R. building, and the home of the president, the White House. The class hopes to get a glimpse of the president.

Other Points of Interest

After lunch at the hotel, Arlington cemetery will be the first stop. Then they will proceed to Mount Vernon, the home of George Washington. On their way back to the hotel for dinner they will stop at the Lincoln Memorial and Mirror Pool. The evening will again be spent at leisure.

The next day, after breakfasting at the hotel, they will visit the F.B.I. and the Natural History building. Then the Arts and Industry, Medical, and Aircraft buildings will be inspected. The group will return for lunch at the hotel and spend the afternoon as they wish. The train will leave Union station at 2.00 p.m., E.S.T. and will arrive in Palmyra at 5.49 D.S.T.

The chaperones are Mrs. Ella McSparran, Dorothy Diener, Caroline Feiler, Porte A. Wolfe, Arthur Terrell, and Charles W. Ray, class adviser.—Beatrice Weiner.

P. H. S. Reorganizes Physical Education

Kenneth C. Dimond to Have New Assistant, W. F. Fiedler of Penn

Due to the fact that the high school enrollment has increased considerably within the last few years, it has been necessary to plan a reorganization of the Physical Education department for next year.

Kenneth C. Dimond has been appointed director of physical education and William F. Fiedler, Jr., of Philadelphia, has been appointed assistant to Mr. Dimond. Since Mr. Dimond has been carrying an unusually heavy load in both physical education and athletics, the Board of Education felt it necessary to give him some assistance in both departments. His new duties will include: Arrangement of schedules to be submitted to the board of education for approval.

The scheduling of all intramural activities in the gymnasium and the new athletic field.

The responsibility for the organization and coordination of physical education activities with the health and safety education program in the school.

The appointment, with the approval of the school officials, of certain teachers to accept the responsibility of varsity and junior varsity team coaching.

The administrative control of all aspects of the physical education and athletics program.

The responsibility for control of all physical education and athletic equipment as well as recommendations of purchase of same.

Appointments

The following appointments as assistants to Mr. Dimond have been made, subject to the approval of the board:

Track: Melvin H. Kreps, William F. Fiedler, Jr., Raymond G. Callaghan.

Tennis: John R. Gering.

Girl's physical education: Miss Beatrice Mattison.

Grade school physical education: Raymond G. Callaghan.

(continued on page 11)

New Club Is Formed Here

After meeting informally for the past two months, each Tuesday for lunch at the Riverton Country Club, a group of men from this vicinity organized the Business and Professional Men's Club of Palmyra and Riverton on Tuesday of this week, with Walter D. Lamon, Jr., being named temporary chairman and William Price, secretary-treasurer.

Those present at the organization meeting were: Dr. Hayes B. Brady, Dr. John C. Voss, Clayton Weikman, Joseph L. Stack, George F. Ginther, Edward O'Neill, Walter D. Lamon, Sr., Walter D. Lamon, Jr., Frank Bua, Thomas P. Shorten, Xavier H. Walter, George Borsall, James E. Wolfe, Paul M. Heisler, Jack Dawley, William Price, A. W. Mishaw, Russell Ward, William Dolby and F. W. Metzger. Christopher N. Peditto, who has been active in the formation of the club, was unable to be present at the session held this week.

CHILDREN'S MOVIE

Charles Shugars, manager of the Broadway theatre, will act as host to several hundred boys and girls from the three local communities on Tuesday, May 7, at 4.15 p.m. Mr. Shugars is offering this again as a Youth Week activity for all boys and girls 12 years and under. A full length show has been arranged including several entertaining shorts. The feature will be "Pride of the Bluegrass," starring Edith Fellows.

—Robert Yerkes.

AT OPEN HOUSE

More than 1,500 visitors, far exceeding estimates of New Jersey Bell Telephone Manager R. H. Brierly, visited local telephone exchange during Open House last week. Candid camera caught these groups on tour at opening. Upper left: Mrs. William Karney, Mrs. John Ward, Wire Chief F. W. Sut-ter and Mayor John E. Ward, of Palmyra, hear Guide John Williams describe part of the process which local exchange routes over 8,500 calls a day to separate destinations. Upper right: Mr. and Mrs. A. J. Strohlein and daughter, at left, and Mayor H. McIlvaine Biddle, of Riverton, right, discuss telephone service with Miss Doris Bravin, chief operator (center right). Lower left: A group of visitors including Manager Brierly (at left), Mayor and Mrs. Biddle and Rev. W. A. Boyd interested in the "Voice Mirror," which permits visitors to hear themselves as others hear them on the telephone. Lower right: At "listening post" watching operator at work while they listen to her Number, Please? and "Thank You!" are Mr. and Mrs. George Shaner, Jr., and George Shaner, Sr., among others. Brierly extends invitation to any who may have missed "Open House" to arrange to visit to exchange with him.

YOUTH CAPABLY GOVERN TOWNS (continued from page 1)

submitted to the teachers of Cinnaminson school.

Serving as chairman of the township committee was Thomas Mulvaney; committeemen, Sylvia Reynolds, Jack Dietz; township clerk, Olga Trotta; treasurer, George Ford; solicitor, George Mack; assessor, Bill Mickle; tax collector, Bill Matthews; recorder, Jessie Clemon; health officer, Della Haynes; visiting nurse, Lucille Leyshon; school supervisor, Dorothy Mentz; and chief of police, Bill Ross.

Palmyra

At the Palmyra business meeting, a discussion was held on the possibility of removing the town's gas lamps and replacing them with modern electric ones. The need of a new pump for the fire company at a cost of \$7,000 was brought up. The council decided that there was a definite need for this piece of apparatus. Steps were then taken to investigate the procuring of an automatic stop light for the Borough of Palmyra, thus doing away with the present man handled light.

During the discussion the telephone rang and then the fire siren. Instantly the youthful fire chief assumed his duties by going to a grass fire.

Serving in the capacity of mayor of Palmyra was Albert Brewster, councilmen were: Jack Conlaw, Ray Fichter, Russel Lord, Virginia Ambrose, Dick Deemer and John VanEmburg. Other officers were: recorder, Jean Smalley; justice of the peace, Franklin Marker; health officer, Bill Holmes; treasurer-collector, Russel Stickle; fire chief, Wesley Davies; chief of police, John Broemme; school supervisor, Helen Wilcox; assessor, Donald Fox; borough clerk, Elinore Faunce; and secretary, Anna May Wolfshmidt.

Tour

After the various council meetings, the governing bodies of the towns were taken on a tour of inspection of the water works, sewage disposal plant, and the Palmyra police station, on the Riverton, Palmyra, and Parry fire trucks. The student body was also given a talk on the "Sewage Disposal Plant, and

How It Functions," by Mr. R. A. Blatter at the high school.

Thus came to a close a memorable occasion for each of the people serving on the council, and may have been a "sneak-preview" of who our future governing body will be.—Harold Bishop

SUMMER ROUND-UP AT CINNAMINSON

The annual "Summer Round-Up" of children will be held in the Cinnaminson School Medical Room on May 3rd, at 1:30 p.m. Dr. Dickson and our two nurses, Miss Blair and Miss Cook, will cooperate in examining the children at this time.

Our P.T.A. sponsors this and provides transportation where it is needed. Mrs. George Dorworth has taken charge of this work for many years but since she has recently been in the hospital, Mrs. Thomas Mood and Mrs. Howard Humphreys have agreed to take over the work.

We feel that this is a great help in the preparation for next year. Any health defects are quickly checked and steps taken to remedy them so that all the children will be in the best possible condition to start school next September.—Publicity.

CONCERTS FOR MAY 7th AND 14th

Dorothy Johnstone-Baseler, nationally acclaimed harpist and organizer of the Dorothy Johnstone-Baseler Harp Ensemble, will be presented as soloist with the Festival Foundation Chorus in concert on May 7th and May 14th. The first concert will be given in the auditorium of the Moorestown High School; on May 14th the same program will be repeated at the Wilbur Watts High School, Burlington. Both start at 8:15 p.m. promptly.

The Festival Foundation, member of the New Jersey Federation of Music Clubs, with a county-wide membership, is a non-profit making musical group organized to establish a scholarship fund for the education of talented young music students; the work of all active members of the Foundation is a contribution to the aim of the entire group.

An active ticket-sale campaign for the Foundation's Spring Concerts is now in progress, deserving the support of all civic-minded and musically interested persons. Tickets, 50 cents each, may be obtained from any active member of the Festival Chorus, of which Eric Warnick is the musical director and conductor and Jean E. Morrison, accompanist.

BEGLEY, STOUT—OUT

Announcement was made this week of the withdrawal of Charles R. Stout and Thomas D. Begley from the race for the Republican Freshholder nominations at the coming primary election.

This narrows the field to Albert C. Jones and Fred Norcross, Good Government candidates, and Joseph S. Bright.

The move is said to have been made in the interest of party harmony.

P.T.A. COUNTY COUNCIL MEETING ON MAY 8

The regular Spring Council of the Burlington County Council of Parents and Teachers will be held May 8th in the Lutheran Church, Maple Shade.

The morning session, convening promptly at 10 a.m., will be devoted to reports of elected officers and committee chairmen. The entire year's accomplishments in the Parent-Teacher work in the County will be presented to the membership, and plans for the future indicated.

Under new business, the revised Council by-laws will be presented and voted on.

There will be music by the Council Chorus under the direction of Mrs. Devery, music chairman.

The speaker of the afternoon will be Dr. Emlen Stokes, whose subject will be "The Conservation of Intelligence." This is a subject which closely affects everyone interested in the public education system of the State, and is of very vital concern to a Parent-Teacher group. Dr. Stokes is a speaker of great magnetism and interest, and all who come out to hear him are sure to be more than repaid.

Send luncheon reservations not later than Monday, May 6th, to Mrs. Margaret Levy, Maple Shade; her telephone number is Maple Shade 1734-M. Luncheon 50 cents.

—County Publicity.

P.T.A. SPONSORS PANEL DISCUSSION

In cooperation with the Youth Week Committee of Palmyra headed by Mayor Ward, the Palmyra Parent Teacher Association has called a special Youth Week meeting for the evening of May 7.

The meeting will open at 8:00 p.m. with selections by the Glee Club of Cinnaminson school. Following the musical portion of the meeting there will be a play depicting the working of the Children's Crusade. This play, entitled "What It Means to Be An American," will be presented by the eighth grade pupils of Riverton school.

The meeting will close with a panel discussion on "Youth's Problems of Today." This panel discussion will be carried out by a group

BOYS PROVE TO BE COOKS

The boy's cooking class prepared two delicious and tempting dinners under the supervision of Dorothy Holder, home economics instructor.

The boys were divided into two groups, each preparing a separate menu. The first group consisted of Howard Barel, Richard Sulzowski, Bertram Marple, Roland Wells, Alton Johnson, and Conrad Windish. The following boys were in group two: William Meyers, Lawrence Ruffin, Charles Bishop, Alfred Winters, and Wesley Cooper.

The first group prepared: steak, mashed potatoes, peas, chocolate pudding, bread and butter, and coffee.

The dinner cooked by the second group was meat loaf, mashed potatoes, peas, coleslaw, fruit cup, chocolate cake, bread and butter, and milk.

Each boy had something to do, from making the meal to serving it. Beatrice Weiner

YACHTING NEWS

The Duster and Comet races will start May 11. Whether or not all the members will compete in this event is still uncertain. Many are still overhauling and putting the final touches on their new boats.

If expectations materialize there will be several new boats entering the club this year. Among those entering will be Dusters, Comets and a 38-foot cruiser.

At the club they are doing the general overhauling, fixing up the derrick boom and the landing floats. The regular column "Yacht Club Yarns" will be taken over by the regular club writers when the season officially opens.—Edith Kercher.

AWARDS MADE FOR SHORTHAND EXCELLENCE

The Gregg Publishing Company, each month gives a shorthand speed test to the pupils who take shorthand. There are different amounts of words a pupil may get per minute. The following students were graded in the following groups:

Sixty words per minute: Virginia Ambrose, Marjorie Dimon, Ruth Frank, Gladys Jewett, Regina Link, Mary Philie, Betty Renner, Mary Wiggins, and Peggy Stevenson.

Eighty words per minute: Harold Bishop, Arthur Gowell, Doris M. Mullen, Harold Rodman, Olga Trotta and Hilda Webb.

One hundred words per minute: Elinore Faunce.

The pupils must average 95 per cent correct to pass. A special award has been given to Hilda Webb, who in the last set of tests received a silver pin from the company for the highest number of words per minute and the lowest number of errors.

I quote Mr. Bretsch as saying

ACCIDENT REPORTED

William D. Kelly, 205 Chester avenue, Riverside ran his car into the rear of another driven by Bernard E. Goodwin, 614 Thomas avenue, Riverton. The accident occurred on route 25 at Highland avenue. No one was injured. Both cars were damaged.—Ruth Haines.

Westfield Friends' School

The week's activities at Westfield Friends' School consisted of the regular Friday morning Assembly at which time the different groups gave resumes of their progress in social studies and plans for future work in that field. There were piano solos and group singing as well.

The various classes are eager to explore the out of doors in Spring in relation to their Science work and with the approaching warm days there will be much activity along that line.

Those who had not been to the Open House in Palmyra, were taken Friday morning and we feel that due to the splendid organization of the Management the children gained much information. They have given evidence of it several times already. The experience was most beneficial.

On Wednesday we go to religious service in the Meeting House which is always a source for unusual spiritual development.

RIVERTON SCHOOL NOTES

The honor roll for the fifth period for Riverton School based on satisfactory citizenship is as follows:

First Grade
Hannah Booth, Jean Groff, Virginia Hooper, Jane Major, Sidney Ann Myers, Phyllis Swaine, Bessie Rouse, Bobby Andrews, Peter Evert, James Hoptroff, George King, George Horner, Donald Miller, Eddie O'Neill, Gordon Small, Dick Stewart, Roger Wagner, Walter Spicer.

Fourth grade, 62½ per cent.
Fifth grade, 100 per cent.
Sixth grade, 51.2 per cent.
Seventh C, 100 per cent.
Seventh S, 57.8 per cent.
Eighth Grade, 100 per cent.
The collection amounted to approximately \$13.00.—Dorothy Jane Baker, Chairman.

FORUM TONIGHT

The first of a series of town meeting forums sponsored by the Phalanx Fraternity will be held tonight in the Community Center at 8 o'clock.

The question to be discussed in the Fraternity's initial program in this worthwhile venture is, "How Can the Resources of Cinnaminson, Palmyra and Riverton Be Combined for Further Mutual Benefit?"

The Fraternity is proud to announce that this first meeting will be presided over by E. Newbold Cooper, of Moorestown, with Howard G. Taylor, of Cinnaminson, Joseph S. Low, of Palmyra, and Alex B. Garwood, of Riverton, participating in the discussion.

It is felt that the question chosen for this initial forum is one of vital interest to the citizens of the three communities and should serve as a challenge to elicit suggestions and ideas from those of us deeply concerned with the work of the communities.

In view of the importance of this question to citizens and workers of Cinnaminson, Palmyra and Riverton, everyone is cordially invited to be on hand tonight and take part in the meeting by asking questions of

the three participants above named after they have concluded their discussion on this vital subject.

The cooperation of the citizens of the three communities in this worthwhile program will not only be appreciated by the Phalanx Fraternity but highly encouraging to those on whose shoulders the progress of the communities depends.

TENNIS TOPICS

The Palmyra courts will open this week if the fine weather prevails and all tennis enthusiasts will congregate at the courts to start the season off right.

The business meeting for May will be held this Friday, May 3. This session will see the last of the series of game contests and the winner will be awarded a tennis racket. Those in second and third places will also be awarded fine prizes.

As soon as the season is well underway there will be a list of the tennis ratings of the Club each week in The New Era. So keep up with the affairs of the club, read your local papers.—Publicity.

CARD PARTY

The Riverton's Ladies' Club will hold their weekly card party today (Thursday) at 2 o'clock at the K.G.E. Hall, Riverside. Mrs. Marion Knight will be hostess.

The rummage sale will be held on May 30. Anyone wishing to donate, write Mrs. Anna T. Danneler, Riverton.

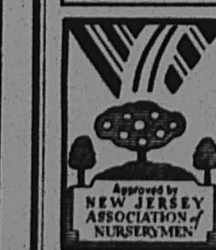

CAKE SALE

Benefit Riverton Girl Scouts, Saturday, May 11, starting 9:00 a.m. in front of the Main Street Market.

Some of the meaneast cracks are spoken with a smile.

NEW JERSEY ASSOCIATION OF NURSERYMEN
NEW JERSEY DEPARTMENT OF AGRICULTURE

SACRED HEART CHURCH
Riverton, N. J.
Rev. John F. Welsh, Pastor.
Rev. Vincent A. Luther, Assistant Pastor.

Masses on Sunday, May 5—
7:00—R. Dennis, V. Collar.
9:00—M. Kavanagh, V. Betz.
10:30—R. Fichter, A. Pfaff, T. Cardea.

Masses on the First Friday will be at 6:00 and 7:00 a.m. The six o'clock Mass will be served by Ralph Dennis and Andrew Pfaff.

On Thursday evening of this week there will be a meeting of all members of the Sacred Heart Dramatic Club at 8:00 o'clock in the school auditorium. There is a mistaken idea abroad that during the time of preparation for a play the regular meetings of the club are designed only for members of the cast. This is not true. The regular meetings are always for all members of the club.

The date for the production of the Play, "Seven Chances," has been changed to Friday evening, May 24th. The rest of the evening, from final curtain until midnight will be given to dancing with recorded music for those who desire to take advantage of it.

ABOUT TOWN

Mrs. William Monroe, daughter Janet and son, William, visited Mr. and Mrs. Ed. W. Fry and family, of Mechanicsburg, Penna., over the weekend.

The meetings of the "Debuten" were held at the homes of Norma Willis, of Church road, and Betty Conover, of Washington avenue. Three new members were accepted.

Mr. and Mrs. Arvid Hansen spent Sunday in New York visiting relatives.

Miss Mary Lou Elder entertained the "Gayteen Club" at her home, on Monday evening. They will have a doggie roast on Saturday night.

Miss Betty Ambrose, of Delanco, was the guest of Miss Mary Schoepher, of Leconey avenue, for the weekend.

Mr. and Mrs. Robert A. Blackburne, of Lindhurst, spent the weekend with Mr. Blackburne's sister, Mrs. L. R. Baker, of Garfield avenue.

L. R. Baker, Lenny Baker, of Palmyra, and Mr. R. A. Blackburne, of Lindhurst, were guests on the Athletics bench at the game Sunday.

Mrs. Dorothy Bonto, of Pear street, was the winner of the hand crocheted afghan chance off by the Dublette Sub-Deb Club Wednesday evening, April 24. The lucky number, 234, was drawn by Mrs. C. M. Dimon, of Henry street, where the club meeting was held.

Miss Eleanor Hulse, of Highland avenue, entertained the members of the Delta Chapter of the Chi Sigma Delta Sorority at her home on Tuesday evening.

The 9th and 10th winners of the

O. E. S. Merchandise Club were Mrs. Paulus, of Riverton, and Mrs. Virginia Vennel, of Maple Shade.

The Palmyra Fire department answered a call to extinguish a grass fire at the old Morgan homestead, at the foot of Cinnaminson avenue early Sunday afternoon.

Demolition of the old toll house and offices of the Tacony Palmyra Ferry company began last week. The old landmark has been in bad condition for many months now since several of the pilings under the structure collapsed and the building assumed an odd angle.

Elwood Rumble, of 204 Penn street, Riverton, was arrested by

The Sacred Heart P.T.A. will hold their regular monthly meeting in the school auditorium on Thursday afternoon, May 9, at 3 p.m. Election of officers will take place at this meeting.

Mr. and Mrs. Charles Delaney, and son Buddy, of Thomas avenue, spent Sunday in Atlantic City.

The regular monthly meeting of the Women's Society of the Central Baptist Church will be held on Wednesday, May 8, in the Junior room of the church starting at 10:30 a.m. A covered dish luncheon will be sponsored by the Philathea class of the church at 12:30 p.m. Bring 25 cents and a covered dish for the luncheon.

The St. Agnes Guild of the Christ

Church, will hold their annual birthday party for the parish on Thursday evening, May 9, at 8 p.m. in the Parish house.

COURTS OPEN

Councilman John Landgraf, of Palmyra, has announced that the Palmyra tennis courts will open officially on Saturday of this week, in connection with the Youth Week Celebration in these communities.

BIRTH

Mr. and Mrs. George Becker, of 1008 Garfield avenue, are receiving congratulations on the birth of a daughter, Jane Anne, on Wednesday, April 24, at Cooper Hospital, Camden.

BIRTH

A daughter, Margaret Joan, was born to Mr. and Mrs. Jack Fry, of Morgan avenue, April 21, at the Zurbrugg Memorial Hospital, Riverside.

Somewhere the guns roar and zoom toward the earth releasing their cargoes of death and destruction. But thank God all this turmoil is not happening on our own shores, and that we are separated from it by calm, peaceful, blue waters.

As the millions of people in this land read the papers with the latest war bulletins, we seem to see their lips moving, as tho they were uttering a prayer of thanks for being an "American."—Thurley Stevenson.

Nylon is a new form of glass that is spun so thin that it is guaranteed to produce non-run silk stockings. Evening gowns are also being made of this material as it is guarded against dangers of fire, the lady who wears it won't have to get excited when a cigarette ash drops on her glass gown.—Ann Magowan.

People are now finding out who Shakespeare meant when he said, "There's something rotten in Denmark."—Eleanor McDonald.

The old farmer is glad his son was a census taker for he has gathered enough new dirt to help crops along considerably.—Eleanor McDonald.

An editorial in the April 10th issue of the Saturday Evening Post mentions the fact that, of all the banks that were permanently closed during the bank holidays, the Palmyra bank is the only one to have been converted into a church.

The opening of the Community Center has helped a great amount in taking up the students spare time. However there is still one more thing that would help Palmyra. It is bound to bring in money besides all the fun that we could have. That one thing is a skating rink. Won't some business minded man take a hint?—Betty Conover.

While young German boys and girls are anticipating positions in the army, our local youth seem much more interested in partaking in the politics of the Tri-Community.

The little man who wasn't there was enumerated by a census reporter on a non-residential schedule, living in a vacant house.

It has been stated that the present war is a war to end all wars. That's what they said about the World war, too.

Dogs in Palmyra certainly lead the lives of dogs.

Spring is here and summer on its way. Children with bicycles, wagons, tops, marbles, and other toys are greatly in evidence. Please parents, drive carefully. Others love their children as much as you love yours.

UNCLE SAM INVESTIGATES

Why are people worrying about the census taker? You might think nobody had been asked a question since 1930. But pick up any modern magazine or listen to any radio program and hear or see a thousand questions staring at you! These questions cover anything from—
Do you make noises when you eat soup?
Are you having any fun?
Do you have gaptooths?
How are your dishpan hands?
Didn't daddy kiss you this morning?
Want to be a glamour girl?

Evans' Service Station
Broad & Main Sts. Riverton, N. J.
SUNOCO
GASOLINE and OIL
Tires - Batteries - Auto Accessories
Broad & Main Sts. Riverton, N. J.

What is this thing called love? Are your stockings haxable? Has your face had a Foo Foo mud pack lately? Are you the man who owns one?

Always Questions
As long as a human can talk there will always be questions. We the people have been asked questions and opinions since the beginning of time. Why are we worried about the census taker? Will he use his information against us later? Usually no, as this man has many people to cover and would not take the time to remember information about the many whom he interviews daily. The government is trying to help its people not harm them.

The information gained will be an invaluable aid to business, professions, the government and many other agencies.—Sue Browning.

FACTS CONCERNING HIGH SCHOOL HERE

Ten courses are offered at Palmyra high school. They are: practical arts and life, vocational agriculture, general clerical, commercial, accounting, commercial secretarial, pre-nursing, social scientific, college preparatory agriculture, classical, and scientific.

Our school is the only one that has such a complete commercial department. The content of the agriculture course is a cross section with emphasis on ornamental horticulture, side-line on poultry, fruit, and vegetable production and practical work in farm, shop and greenhouse. A great deal of stress is being given the finer arts; art classes and stage work, music; operetta and glee clubs.

Many in College
Graduates of P.H.S. may enter a college or university without taking a prep course providing they take the correct course and their rating is high. This year there are 166 P.H.S. graduates in college and other institutions of higher learning compared with the 115 of last year. This year there are 19 graduates studying on scholarships compared with the 13 of last year.

The faculty is carefully selected. They are chosen by the supervising principal and principals from all candidates, investigated by the board of education and must be recommended by the educational committee of the board. The salaries of the teachers is about average with other schools in South Jersey but not as high as those in North Jersey schools. Paul R. Jones is one of the few supervising principals listed in "Who's Who."

Cost
It costs about \$150,000 to run the

school a year. \$75,000 comes from the town, \$33,000 from the sending districts, the rest (about \$22,000) comes from state and federal governments. The tuition rate paid by the sending districts is about \$17.00 each student per year, \$60.00 of which comes from the state. Fifty-six per cent, of our students come from the sending districts.

The high school is well equipped. Among some of the advantages which are above average are: greenhouse, athletic field, stadium, library, science department, visual education and commercial department. The school buildings and equipment are valued at \$400,000. The colored students use the high school one night a week for social purposes.

Activities
Provisions for vitalizing our curricula are maintained by a county fund which pays three-fourths of the cost of field trips.

The value of the Washington trip to our seniors is that they see the heart of the nation together and it is a farewell to their classmates. Sports pay for themselves. In the past few years P.H.S. has secured: Four South Jersey championships in group III basketball, two championships in the Camden suburban basketball tournament, three championships in the Burlington county basketball tournament, one championship in the Burlington county track, three championships in Burlington county baseball, and two championships in South Jersey group III in baseball.—Harold Biahop.

THANKS!

It has been agreed that the Community House is to be turned over to the high school girls on Tuesday evening.

It's a "awell" idea. As it was, the boys had all the luck. They got everything. What girl would be brave and strong enough to confront one of our high school big shots and demand the use of a ping pong table or the pushers for shuffle board? You're right! Not one of them would.

We, the high school girls, thank the committee in charge for turning the Community House over to us for the evening.—Jean Seeb.

THE LAST MINUTE RUSH

Here it is after April the 17th and hardly any of us seniors have anything done yet! Yes, we're just like

NOTICE OF REGISTRY AND ELECTION

In conformity with the provisions of Title 10, Revised Statutes, and the amendments thereto and supplements thereto, NOTICE is hereby given that the District Board of Registry and Election in the TOWNSHIP OF CINNAMINSON, in the County of Burlington, will make a house to house canvass of voters on

TUESDAY, MAY 7, 1940
between the hours of seven o'clock a.m. and eight o'clock p.m. (Eastern Standard Time).

Town Opinion

If \$10,000 were given to your town how would you like to see it spent?

Mrs. Fred Conway, Riverton, housewife: I should like to see a swimming pool and a community center which could be used by both old and young alike.

Mrs. Grover F. Fox, Cinnaminson, housewife: With the \$10,000 there could be a community center, the town could be beautified, or, perhaps, a bank established.

William T. Du Hadway, Palmyra, supervisor in Philadelphia Electric Company: \$10,000 could be used to very good advantage if the streets were fixed and the town made more beautiful.

Benjamin F. Wormley, Palmyra, housewife: I'd give it to the Community Center right now, provided a night was set aside for the colored children. If it weren't I'd give half to make a separate center for these children.

Chief Morris Beck, Palmyra: I'd like to see permanent streets.

Miss Antoinette Campbell, Riverton, librarian: I would like to see part of it used for an addition to the library and equipment, and another part for improvements to the Memorial park.

Mrs. W. T. Miller, Palmyra, housewife: I'd like to see a town hall built.

Mr. Edwin P. Griffenberg, Palmyra, coal dealer: I think a nice library and improvement of the grove.

Mrs. Frank Kates, Palmyra, housewife: I'd like to see it spent in some way that would benefit the youth of the community. They make better citizens when they are taken off the streets.

Rev. John C. Chapman, Palmyra: I'd like to see a new Episcopal church built.

Mrs. M. H. De Coursey, Riverton, housewife: I think the improvement of the Community Center and the building of a swimming pool.

Mr. Harry Mills, Palmyra, salesman: Fix up the front part of the Community Center with flowers and trees and make improvements on the tennis court and have a quit ground.

PALMYRA CADETS

Many people of our community, and other small town communities have often wondered why, how and just who we are.

Who?

The Cadets are a fine group of boys. We have fifty regular members who come out, every Monday for two hours of drilling. The boys

work very hard and pay close attention to our leader.

Why?

We exist because, the fellows are greatly interested in parading and have many enjoyable moments. We have practice every Monday night. It keeps the boys off the corner, and makes them realize what's going on over in the other countries. They are carrying on a high honor established by the Senior Corps. The Cadets sincerely hope they will serve their country as well as our Senior Corps did.

How?

We exist, by means of plenty of backbone. The Senior representatives that take charge of us, keep us up, instead of down. Our card parties, our convassing the towns, cake sales, and tally days, make us stay where we are. Whenever we feel we need money, we almost are positive we can go to our Senior teachers, that is as a cor., not as persons, to borrow money.

The Cadets consist of boys from Riverton, Riverside, Parry, Palmyra, and one from Glassboro.

They are now putting on a Min-strel, working for new uniforms. Let's help them, and keep them "Over Here."—Marilouise Baker.

COOKING CORNER

Tuna Fish Salad (garnished with Pickles and Olives)
Potato Chips
Fruit Bran Muffins
Cherry Tarts
Coffee or Tea

This is the luncheon served by the advanced cooking class of Palmyra high school on April 18, to several members of the faculty; Miss Symonds, Miss Maier, Miss Myers, Miss Bortner, and Miss Mattison.

The class prepares and serves a different meal each week to gain practical experience in the art, and confidence in the work.

The girls who served this meal were: Doris Kauffman, Ethel Hamersley, Edna Armstrong, Margaret McCullough, Betty Altorfer, Jane Beauchamp, and Emma Cole. Mildred Lawrence is the teacher in charge.

Cherry Tart

2 1/2 cups sifted all-purpose flour
1 teaspoon salt
3/4 cup shortening
5 tablespoons cold water
Sift flour and salt together. Add 1/2 of shortening and cut in until mixture is as fine as meal. Add remaining shortening and continue cutting until particles are size of navy bean. Sprinkle water gradually over mixture. With a fork, work

lightly into a dough. Roll dough 1/4 inch thick and prick with fork. Cut in 5 inch rounds and fit into patty pans or over pans, pinching into about 7 pleats. Bake in very hot oven (450 degrees F.) 10 to 15 minutes. Make 12 deliciously tender, flaky tart shells.

Filling

3/4 cup sugar
3/4 teaspoon salt
2 tablespoons cornstarch
3 tablespoons orange juice
1 tablespoon lemon juice
1 cup cherry juice (unsweetened)
2 tablespoons butter
1 teaspoon grated orange rind
4 cups canned red, pitted cherries, drained

9 baked tart shells
Mix sugar, salt, cornstarch, and fruit juices. Cook over direct heat for 5 minutes until thickened and clear. Remove from stove and add butter, orange rind, and cherries. Cool. Pile filling into baked tart shells. Decorate top with baked pastry, hatchets, hearts, or flags.

Bran Muffins

3/4 cups milk
1 cup bran shreds
1 cup sifted flour
3 1/2 teaspoons baking powder
3/4 teaspoon salt
3 tablespoons sugar
1 egg, well beaten
3 tablespoons melted shortening

Pour milk over bran shreds and let stand 5 minutes. Sift flour once, measure, add baking powder, salt, and sugar, and sift again. Add egg and shortening to bran mixture and mix well. Add flour, beating only enough to dampen all flour. Bake in greased muffin pans in hot oven (425 F.) 25 to 30 minutes. Makes 12 muffins.

(To use your milk in this recipe, add 1/4 teaspoon soda and use 1/2 teaspoon less baking powder.)

Fruit Bran Muffins, add 1/4 cup finely cut dried apricots, figs, prunes, dates, or raisins to bran mixture.—Carlette Seemuller.

You can usually finger that the chip on a guy's shoulder came from his head.

THE RAIN CAME

The rain came down with great gusto shortly after 5.30 on Thursday afternoon of last week and the precipitation proved sufficient to call a halt to hostilities between the baseball tossers of Palmyra and Moorestown high schools in the last half of the ninth frame.

The cessation of the fray was not exactly a chunk of misfortune for the Red and White, for they trailed 4-2, the Quakers having pushed over a brace of runs in the upper bracket of the same stanza to break a 2-2 stalemate.

Since Palmyra could not finish its session at the rubber, the count reverted to the eighth and the affair thus ended in a tie.

Score in First

The game started loosely, with both outfits pushing over an unearned run in the first inning. Palmyra scored another in the fourth and enjoyed this slim advantage until the eighth, when the invaders knotted the count.

The two runs which were expunged from the records came as a result of two walks, a brace of looted bases, and Moorestown's sixth hit of the session off John Van Emburg, who went the route on the hill for the homesters. He fanned seven of the enemy and was generally most efficient.

Palmyra had numerous chances to sew up the affair, but one thing or another always happened to deter excursions to the plate.

Hits Divided

The Dimondinen annexed six bingles, these being poked out by Carhart, Ott, Henson, Brewster, Kemmerle and Gibson. All were of the one base character.

Palmyra had a fine chance to really put the thing on ice in the eighth, when Patterson, Moorestown starting hurler, retired under what appeared to be a beautiful barrage. He was relieved by Johnson and the assault fizzled.

With two runs over in the ninth, two out and the moisture starting

to come down in big league style, the opposition deliberately made the third out in order to end proceedings as quickly as possible.

Strategy Fails

Van Emburg, first up for Palmyra waited out his mound rival and eventually got a pass. Ott, the next batter, was a strikeout victim in short order, but Henson seemed in a fair way to get a free ticket when the ump called a halt.

The five-minute wait for things to clear was merely a gesture, since the infield was a quagmire and entirely unplayable.

Moorestown's aggregation waded to their bus in a most unenviable frame of mind.

CINNAMINSON P.-T.A.

The regular annual and final meeting of the Cinnaminson Parent-Teacher Association will be held in the auditorium of the school on the evening of May 8th. At this meeting the report of the nominating committee, Mrs. Howard Humphrey, chairman, will be presented, and the regular election of officers will be held.

On Tuesday, April 30th, the executive board of the association met at the home of the president, Mrs. Eric Warnick. Plans for the annual Field Day celebration to be held at the school later in the month were fully discussed. Mrs. Lester Steele, general chairman in charge of arrangements, appointed several committees.

A feature of the Field Day program this year will be a large cafeteria supper. Proceeds will be applied to a fund already started to purchase vestments for the school Glee Club. With such an object in view it deserves the fullest support of all parents and friends, who are most cordially invited to join in this final get-together of the school and the Parent-Teacher Association for the fiscal year. A delightful program of games and dances by the students of the school will precede the supper.

—Cinnaminson Parent-Teacher Publicity.

AFTER PLAY...

HOT-WATER-Convenience

Convenient Automatic Hot Water Service by Gas is a mighty good thing to have in homes where there are children. It is practical. It helps girls and boys to keep themselves clean by washing up promptly after play.

Install a modern automatic gas water heater* in your home. It provides turn-the-faucet hot water service for only a few cents a day! Ask Public Service or your plumber for an estimate based on your hot water usage.

* Sold at Public Service stores for as low as \$49.50 cash installed. May be purchased on monthly terms equivalent to a nickel-a-day. Small down payment. Liberal trade-in allowance on old equipment.

United We Stand

A "Tri Community"—advocated by the "Good-Will" party of the Youth Week political campaign is not just a whim of youth. It is a sound idea. Each of the boroughs of Riverton, Palmyra, and Cinnaminson depends on the other. They are, in reality, one community split into three divisions, namely: residential, residential with a business center, and the outlying farming district. There is one bank, one library, one theatre, and one high school among the three communities.

If the citizens are skeptical about the practicability of this plan, why couldn't the Youth Week next year be based on the assumption that the three divisions are one? They, the youth, may be able to show how to economize and be more efficient in the matter of protection and government. The police and fire departments could be centralized, providing more efficient but fewer pieces of equipment; education under one board is practical because there is only one high school and all students would have the same background; expenses could be cut down in regards to governing cost if there were only one council. One board of education and one council would provide for the best suited for office from the three communities rather than three times that number.

This plan, if given research, a complete set of plans, support of the three communities, and a chance to prove its efficiency, we believe, will be a success.—Helen Wilcox.

Free Speech, Free Press

Imagine a German newspaper saying: "Our government is persecuting the Jews without just cause," or a Russian newspaper declaring everything Stalin does is wrong. Picture an Italian newspaper trying to criticize Mussolini's actions. It can't happen there!

A French or British newspaper, making comments unfavorable to the policy of the government, would have nothing left of the article after the official censor had taken out the criticisms.

Free speech and free press, inalienable rights of people have been forgotten in many foreign countries today. Indeed the key-word of Europe seems to be war and censorship.

But what do we find in America? Newspapers criticizing the national government and its policies, the present administration, political candidates, national problems, and many other things... Other papers react favorably to national policies.

This is as it should be. The American people should read both sides and decide for themselves the right course, instead of having one opinion and only one forced down their throats, as in other countries. The newspaper is one of the main propaganda forces in the country; that is why it is necessary to have a free press and free speech.

The Constitution of the United States has, in its Bill of Rights, given us as a nation the right of free speech and press. Nothing can take that right away from us, unless we suddenly become too lax to be interested in what is going on about us, and allow a government to become too powerful.

So let's be thankful that we are American's. Let the Nazis and Communists declare that everything is wrong with the United States, that we are politically and economically unsound.

We admit that there are conditions which can be improved, such as national unemployment and disagreement of capital and labor.

But who is it that expects America to be Utopia, the land where everything is perfect. For after all, isn't Utopia the land that exists only in a politician's promises? European powers surely haven't achieved it with their procedures.—Louise Rahelic.

Let Us Have Peace

During the World war, 75,882 American soldiers died and were buried in France. Sixteen hundred of these graves contained bodies of unknown soldiers and were located in the following

military cemeteries: Theaucourt, Romagne, Bony and Belleau Wood. One casket was raised from each of the cemeteries and placed in a room. Sergeant Younger, of Chicago, Illinois, was detailed to make the selection. Major General Henry T. Allen gave Sergeant Younger a bouquet of roses, and directed him to place it on one of the coffins and by so doing select the veteran who would be the American Unknown soldier of the World war for all time to come.

November 10, 1921, the United States of America and the Foreign Powers of the world placed floral offerings on the coffin at the Capital Building.

Services were held Armistice Day, November 11, 1921, at the Capital and then the coffin was taken to Arlington Cemetery. The escort comprised soldiers, sailors and a platoon of infantry with fixed bayonets and horse-drawn machine guns.

When the casket was placed in its special crypt at Arlington Cemetery, Bishop Brent gave the invocation which was finished just as the bells across the river in Washington were ringing for the noon hour.

After singing "America" President Harding spoke to the nation by radio. At the conclusion of his address he laid upon the coffin the Medal of Honor and the Distinguished Service Cross. After representatives of other governments did likewise the casket was lowered to its last resting place. Bugles sounded "Taps," followed by the roar of guns firing the National Salute.

On April 7, 1940, New Jersey Legionnaires went to visit the Unknown Soldier's tomb, to pay tribute to those who fought and gave their lives for their country.

Let us remember that nothing but suffering comes of a war so why can't we as a nation, strive for peace and good fellowship so that we may never again have to have an unknown soldier.—Norma Willis.

APPRECIATION

Everyone complains of what these communities should have: For instance, a swimming pool, improved roads and improved river bank. Everybody seems to forget the good things that are in these towns. They forget that Palmyra has one of the best high schools in the whole state of New Jersey and is the only public school that has a greenhouse in all South Jersey. Riverton has its free library, where anybody can get any type of book they want, whether it's history, fiction, or biography. Both

communities have nice parks where you can get sufficient exercise, and, last, but not least, Palmyra has a Community Center which offers pleasure for anyone from Sister Sue and Buster to Grandma and Grandpa. We ought to stop complaining and begin to praise Riverton and Palmyra more. How about it? It isn't so bad after all.—Betty Conover.

COMMUNITY CENTER

For quite some time the youth of Palmyra, Riverton, and Cinnaminson needed a place where they

could spend their spare time in worthwhile recreation.

At last such a place has been obtained for them and plans have been carried out under the capable leadership of those who undertook the job of getting this project underway. Our youth and their families are satisfied and more than pleased that this age old problem of where to play has been taken care of.

But we must not forget that in order to keep this establishment essentially equipped so that it may keep up the good work it has been doing in keeping the youngsters happy and occupied, the people who are really interested in this advancement must not take a back seat.

There is yet and will be a great demand for many necessities, for money, equipment, and for physical help. Everyone should lend a hand in the best way they can. If we act now our youth will be able to receive, for a long time to come, the benefits of this great development—their new Community Center.—Virginia Armstrong.

OUR RIVER ROAD

"Down by the River," was once the happy cheer raised by the residents, visitors, hiking fans, strollers and motorists, but now the cry has a rough edge that pricks the people of our towns who were once themselves proud to speak of their "river bank."

You cannot take a peaceful ride along there because you are rudely bolted around by the holes, and your view is obstructed because of the rubbish heaps.

Though the road itself has been repaired from time to time, we know that what is needed is a new road bed. For a road that is used as that is, or would be used if it were fixed something could be done. We citizens of our communities will well agree that something should be done.

Take a ride or stroll by our river and see what you think of it.

How does it look to you? Why not have the most enjoyable section and the favorite spot of most of us made more enjoyable for us, our visitors and friends.—Edith Kercher.

If your telephone's in trouble

...you can be sure of quick repairs by a team of three skilled workers from one of twenty test centers that service New Jersey's 730,000 telephones, and the 4,000,000 miles of wire behind them.

Here's the team

The Repair Clerk (who receives your report of trouble and enters it on your particular service card)...the Test Deskman (who studies the report and, with highly sensitive equipment, locates the trouble spot—in your

telephone, the bell box, your line or in the central office)...and the Repairman (who, when he calls in from the field, gets your case and its diagnosis, and promptly goes to "clear" the difficulty).

Wherever you live in New Jersey, there's a telephone test center near with skilled workers ready to give quick, efficient, courteous service. Today the average New Jersey telephone is trouble only once in over two years.

OBITUARIES

MRS. A. WILLIAM SCHRAMM

Mrs. A. William Schramm, of 409 Linden avenue, died suddenly on Saturday at 3:30 p.m.

Funeral services were held on Tuesday at 2 p.m. from the Snover Funeral Home, the Rev. George Lockett officiating.

Interment was made in Arlington Cemetery.

The deceased is survived by her husband, A. William Schramm, a brother, Syd C. Verts, of Beach Haven; and a niece, Mrs. Walter Armstrong, of Riverton.

ALBERT VANSCIVER

Albert VanSciver, retired section foreman of the Trenton division of the Pennsylvania Railroad, died on Thursday, April 25, at his home, 619 Cinnaminson street, after a long illness.

Funeral services were held on Tuesday at 2 p.m. from the funeral home of J. J. Zisak, the Rev. W. A. Boyd officiating. Interment was made in the Methodist Cemetery, Palmyra.

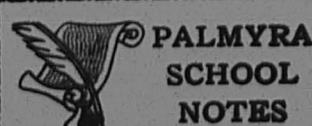

The deceased is survived by two brothers, Charles, of Philadelphia, and Milton, of Riverton, two daughters and one son, Ruth VanSciver, and Mrs. Ralph Danley, and Albert VanSciver, all of Riverton.

WILLIAM B. WILSON

William B. Wilson, 80, retired builder and contractor, died on Thursday, April 25, at the home of his daughter, Mrs. Calvin Stow, of East Riverton.

Funeral services were held on Monday at 2 p.m. at the funeral home of J. J. Zisak, the Rev. H. H. Scarborough officiating. Interment was made in the Asbury Methodist Cemetery.

Mr. Wilson was a life-long resident of this area, and was a member of Camp 23, P.O.S. of A. and the Asbury Methodist Church, also the United Brotherhood of Carpenters and Joiners of America.

A trip was taken Tuesday, April 23, by both first grade classes, with their teachers, Miss Carcella Landers and Miss Ruth Laessle. While visiting the Market Street ferries, Mr. Jakeway, the station master, took them for a ferry boat ride. On this short trip they saw other kinds of boats.

Returning to Camden, they were on a passenger car and baggage car in the train shed. Their guide made the trip very real.

From the ferry they proceeded to Central airport where they were fortunate enough to witness the "take-off" of five large planes. The autogiro, which carries mail to Philadelphia was an important part of the trip.

HENDRICKSON HERE

Senator Robert C. Hendrickson, of Woodbury, Republican candidate for Governor, will come to Burlington county today (Thursday) and

They arrived at Palmyra at 4:30 after an enjoyable and educational afternoon.

While studying a unit about birds in science, the pupils of Harriet Johnston's class became interested in the Audubon Bird society. As a result thirteen of the class joined the society. Each child received a membership pin and six folders describing birds of the vicinity.

Room 113 held a "recording" concert after school, April 25. The audience heard the music of Wagner, the great German composer. Another concert is being planned for next week with the music of Mozart as the main attraction.—Edith Kercher.

TOWNSHIP OF CINNAMINSON
NOTICE

NOTICE IS HEREBY GIVEN that The Township of Cinnaminson in the County of Burlington, State of New Jersey, on TUESDAY, MAY 14, 1940,

at eight o'clock in the evening (Daylight Saving Time), in the Cinnaminson Public School, situate on the Moorestown-Riverton Road at the intersection of the Pomona Road, in the Township of Cinnaminson, Burlington County, New Jersey, will sell at public sale:

1. All that certain parcel of land and premises, including dwelling-house, situate at Parry, in the said Township, and comprising Lots Nos. 725, 726, 740, 741, 742, 743, 744 and 745, as shown and designated on New Plan of Pennsville lots, made by John R. Parry, (being part of Lot No. 185 as shown and designated on Plan of Pennsville, now Parry), for not less than the minimum price of \$500.00.

TERMS OF SALE

1. The said parcel of land and premises will be sold to the highest bidder, but not for less than the minimum price thereof above mentioned; and no bid for the said property less than the specified minimum price will be received.

2. The successful bidder, immediately upon the acceptance of his bid, shall pay 25% of the amount thereof in cash to the Township of Cinnaminson, and the balance of the amount thereof shall be paid in cash to the Township within sixty days after the date of the sale, at the office of the Township Treasurer, and upon receipt of such payment, the Township will deliver to the purchaser a special warranty deed conveying the property in fee simple.

3. The balance of the amount of the accepted bid or purchase price shall be paid in cash to the Township within sixty days after the date of the sale, at the office of the Township Treasurer, and upon receipt of such payment, the Township will deliver to the purchaser a special warranty deed conveying the property in fee simple.

4. The title conveyed by the Township to the purchaser shall be free and clear of all taxes, assessments and other municipal liens to the date of sale.

5. In the event that the purchaser should fail or refuse to pay the balance of the purchase price and accept a deed of conveyance of the property in accordance with the terms of sale, the property shall be resold, (with or without a fixed minimum price, as the Township Committee may determine), and the amount of the deficiency, if any, shall be deducted from the bid and shall be retained by the Township.

By Order of the Township Committee of the Township of Cinnaminson in the County of Burlington.

HAROLD R. WEST, Township Clerk.
Dated: May 1, 1940.

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor
Bible School, 10.00 a.m. The Bible quiz is still in progress. It has created quite a lot of interest among the scholars and the questions are timely and most instructive. The quiz takes place during the opening session so plan to be on time. Much can be learned even if you don't take part.

Morning worship, 11.15 a.m. "The Master's Way" will be the pastor's subject for the morning sermon. Anthems and solos by the Senior choir and offertory by the Junior choir which has been an added and appreciated feature of the morning service. Communion will be served following the service. All Christians, regardless of denomination are most cordially invited to participate in this service.

E. Y. P. U., 6.45 p.m. One hour set apart for young people of high school age for spiritual enlightenment and education which should be filling the need of the youth of today.

Evening worship, 7.45 p.m. As a part in the program of Youth Week, the youth of our communities will attend and conduct the evening service, furnishing music by a brass quartette and a young people's choir. In the pulpit will be a man who likewise spent his youth in Palmyra, having attended the Methodist Church for years. Rev. Harry Evald, D.D., who is known to the older residents of our towns, is now superintendent of the Hagerstown Division of the Baltimore Methodist Conference. He is a forceful speaker and well liked at home as well as by all who have had the pleasure and opportunity of meeting and hearing him.

CHRISTIAN SCIENCE

"Everlasting Punishment" is the lesson-sermon subject for Sunday, May 5, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "The way of the Lord is strength to the upright; but destruction shall be to the workers of iniquity." (Proverbs 10:16)

Among the lesson-sermon citations is the following from the Bible: "As righteousness tendeth to life: so he that pursueth evil pursueth it to his own death." (Proverbs 11:19).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christ, or Truth, will destroy all our supposed suffering, and real suffering for your own sins will cease in proportion as the sin ceases" (p. 391).

METHODIST CHURCH

Palmyra, N. J.
Rev. William A. Boyd, Pastor
Bishop Herbert Welch, of Mt. Vernon, Iowa, will be the guest preacher this Sunday morning at eleven o'clock. We welcome to our church and community this foremost Methodist. Bishop Welch has been around the world as missionary and preacher. We invite the community to worship with us this Sunday. The Friendly and Senior Chorus will sing during this service.

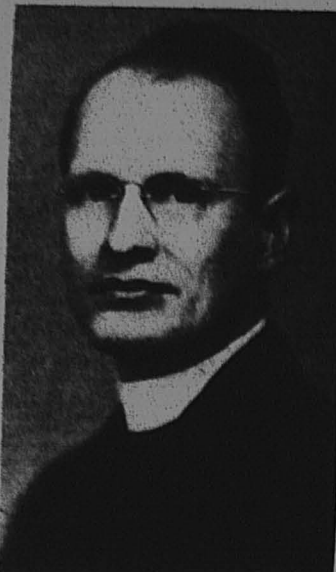

The Friendship Circle Bible Class will celebrate their 25th Anniversary Monday evening, May 6, at a banquet at Newlin's in Moorestown. The regular monthly meeting of the official board will be held in the Guild Room Tuesday evening at 8 o'clock. All members of the board are expected to be present.

The mid-week church service on Wednesday evening is a service of praise, prayer and bible study. We welcome to this service all who wish to respite from the busy affairs of life. "Come with us and we will do this good."

WESTFIELD FRIENDS MEETING

Wednesday, 8.00 p.m.
Reading Room in Church Building
Thomas Ave. and Seventh St., Riverton, open Tuesday and Friday, 2.30 to 4.30.

GUEST TO SPEAK TO YOUNG PEOPLE

The Young Peoples fellowship of Christ church, Palmyra, invites all boys and girls of Palmyra and Riverton to the parish house between two and five p.m. Sunday, May 5. Ping pong, dart-throwing and shuffle-board will be featured.

In the evening from seven to nine the regular meeting of the Young Peoples fellowship will be held. All boys and girls attending high school are cordially invited to this meeting.

Miss Gwen Morrison who attended the World Youth conference in Holland last year will be the speaker.—Mary Jane DeCoursey.

PORCH CLUB

The Porch club gave a bridge party Tuesday, April 30, for the benefit of the Riverton Free library. Tuesday, May 7, at 11.00 o'clock the annual meeting will be held. Those attending will bring a box lunch and the club will furnish dessert. Please notify Mrs. Ralph L. Flower, telephone 83-J, if you expect to stay for dessert.

The Garden section will entertain the club that day and the painting class will hold an exhibition from 4.00 to 8.30 p.m. All local residents are invited to attend the exhibit.—Mary Jane DeCoursey.

P. O. S. of A.

Camp 3 P. O. of A. will hold their annual banquet May 9, in the P. O. S. of A. hall at 6.30 p.m. All members are invited and a pleasant evening is promised to all who attend.

The P. O. S. of A. will hold their regular initiation meeting Monday, May 13, 8.30 p.m. at their hall.—Ruth Combs.

PALMYRA AUXILIARY MEMBERSHIP DRIVE

Palmyra Branch Zurburg Memorial Hospital Auxiliary will conduct its annual membership drive in May. During this month, auxiliary workers will call for your dues which are fifty cents per year. We also desire new members to help carry on our work.
Last year we were able to secure

the following equipment for the hospital:
One drug carrier.
One examining table for pre-natal clinic.
One gastro-evacuator.

We also furnished and bound 24 crib blankets. In addition, a committee directed by Mrs. Fred Seiber spent one day a month at the hospital sewing garments.

This year we are planning to furnish another gastro-evacuator and 12 stainless steel Haemostats for the operating room. The superintendent has requested these articles as they are badly needed. All money collected in the drive will be used to increase hospital equipment.

The report of the collectors will be made at the next meeting. This will be a birthday party at the home of Mrs. Frank King, 415 Cinnaminson avenue on Thursday, May 16, at 2.30 p.m.—Publicity.

SPRING GARDEN STREET SCHOOL TO HOLD EXHIBIT

Friday evening, from 7 to 9, the Palmyra public school, of Spring Garden street, will hold its annual exhibit. All parents and friends are welcome to attend.

The kindergarten, under the supervision of Miss Durgin, will have a display of stuffed dolls and animals, woodwork, weaving, painted vases, drawings and paintings.

The first grades of Miss Landers and Miss Laessle, will have a rhythm band, and will exhibit an airport, farm, post-office, and pet show. Miss Wallace and Miss MacFarland have helped the second grades to plan such things as, a complete circus, a bird display and also scenes of Eskimo and Indian life.

Under the direction of Miss Price and Miss Sawn, the third grades have planned units dealing with health, safety, birds, flowers and Mexican life.

The fourth grades of Miss Haney and Miss Johnson will carry visitors on a trip around the world, using scenes, posters and booklets of various countries of the world, to illustrate their trip.

The fifth grades of Mrs. Chamblay and Mrs. Davis will exhibit their school studies for the year, and also their art work.

Entertainment will be held outdoors, weather permitting.—Elinore Faunce.

Metro-Goldwyn-Mayer have produced a picture under the auspices of the American Legion entitled "The Flag Speaks." The date of release will be June 14, 1940, and Post Rogers No. 156 of Palmyra has made arrangements with the Broadway theatre to show the picture as soon as possible. It deals with the origin of the flag, where it was first displayed, and the flag etiquette.

The monthly meeting will be held Tuesday, May 7, at the Legion Home. All members are urged to attend.

Another card party is planned for May 10. There will be many useful prizes.

The annual poppy drive will be held the week of May 27. These poppies are made by disabled veterans and donations received by the post are used for rehabilitation.

The Legion carnival has been scheduled for the week of June 24. There will be many amusements on.

joyable to young and old.—Norma Willis.

SHEPHERDS OF BETHLEHEM

Plans have been completed for the installation of Officers of Friendship Lodge No. 11, Riverton, on Wednesday evening, May 8, at which time Marie Reinhard, Deputy Supreme Commander will install the following Officers:

Commander, Anna Troutman; vice commander, Jennie Leoney; marshal, Mary Borden; treasurer, Mary Hamelman; accountant, Florence Saar; scribe, Anna Lezenby; chaplain, Anna Haywood.

Riverton Lodge meets the second and fourth Wednesdays at the Fire House, Howard street.

THANKS

The members of the committees in charge of card party held by the Sacred Heart parish last Friday evening wish to express their thanks and appreciation to all the merchants and everyone who donated prizes, to those who took a chance under the share plan, and to all who attended the affair.

With the world situation what it is the school teacher might suspend lessons in geography for a year or two.

Tireless Effort

The Snover Funeral Home has pursued its course of constant improvement and modernization with tireless effort. As a result its services are available to all according to the latest accepted standards by leaders in the profession. Expense is kept to the point desired by those who engage our services.

"KNOWLEDGE", said Samuel Johnson, "is of two kinds: We know a subject ourselves, or we know where we can find information upon it."

Our new series of advertisements, of which this is the first message, will take you behind the scenes and tell you the facts about this bank—how it operates, how it serves, how you can use it advantageously. In other words, it will help you to "know the subject yourself."

If we miss some questions that are in your mind, however, don't hesitate to come in and ask us. We'll gladly answer them to the best of our ability. We really believe you will find it profitable to "KNOW YOUR BANK."

THETA SIGMA DANCE WENT WITH THE WIND

Nineteenth century Southern atmosphere was re-created in the high school gym last Saturday night. Music which was played by Chick Forest's orchestra floated from a lantern decked veranda. The stars hung low and the moon winked. The above is only the setting; the following is the plot. Jean Smalley and "Tommy" Lane were chosen as Scarlett O'Hara and Rhett Butler of the dance, sponsored by the Theta Sigma (honor society). After the announcement they lead the grand march. They were chosen on appearance, personality, and mannerisms.

When asked how it felt to be such a celebrity Jean replied, "I don't feel any different than when I went down to the Grand March—sort of thrilling though, especially since "Tommy" Lane was Rhett Butler. The dance was swell." To the same question "Monk" Lane answered, "When they read my name I was astonished. I was very glad to see Jean chosen as Scarlett. But I don't think my ears are big enough. I enjoyed the dance very much."

Richard Deemer was chairman of the dance. The decorations were made possible under the direction of Jean Hardy, chairman. On the committee with her were: Peggy Ryan, George Ford, Dorothy Cooper, Pauline Arndt, Frances Arndt, George Downs, Richard Deemer, Donald West, Placid Nace, Evelyn Rahelic, Frances Cook, Eleanor Voorhis, and Stanley Lipkowitz. Ray Stevens, Frank Stewart, and Earl Jensen, non-members of the group, helped with the clever lighting effects. Eleanor Voorhis had charge of the music. George Ford, Roy Hardy, and Joseph Schweitzer tended the door. Sarah Robinson, chairman, Frances Burns, and Frank Weigand were on the publicity committee.

Louis Oliver, a non-member built the fence for the veranda. About \$90 was taken in, \$37 of which was

profit. It was estimated that about 270 persons were present.—Helen Wilcox.

R.H.S. REORGANIZES PHYSICAL "ED"

(continued from page 1)

Baseball: Arthur Terrell.
Basketball: William F. Fiedler, Jr.
Intramural basketball: John R. Gering.
Soccer: Provided the sport is carried on—Meyer Millman.
Football: William F. Fiedler, Arthur Terrell and Porte A. Wolfe.

Training and Qualifications

Since Mr. Dimond has been coaching in Palmyra High School he has established an enviable record as follows:
Football: 63 games won, 52 lost, and 12 tied. This is an especially good record when you consider the fact that Palmyra High School plays one of the most difficult schedules in South Jersey in its class. Mr. Dimond has turned out the following championship teams:

Four South Jersey championships in Group III in basketball.
Two championships in the Camden Suburban Basketball tournament.

Three championships in the Burlington County Basketball tournament.
One championship in Burlington County Track.

Three championships in Burlington County Baseball.
Two championships in South Jersey Group III in Baseball.

In 1921 Mr. Dimond entered De Pauw University on a football scholarship. He captained his team during his senior year and also had the experience of playing against the "four horsemen" of Notre Dame.

In 1925 he became assistant athletic director in John Adams High School in Cleveland. In September, 1926, he was hired as athletic director by Palmyra, the position he has held these past 13 years.

New Member

Miss Mattison
Miss Beatrice Mattison graduated from the West Philadelphia High School and participated in all intramural sports, namely basketball, volleyball, hockey and track.

While at Temple University, she was the first student ever to receive a blazer in her Sophomore year. Miss Mattison participated in basketball, volleyball, swimming, apparatus, track and field and archery. Marjorie Morgan, a classmate of hers, and she won the First Women's Doubles Volley Ball Championship in 1932.

Since she has been teaching at Palmyra, she has played on the third All-Philadelphia Field Hockey Team, and they had an undefeated season in 1939.

In 1939 she played on the Central "Y" Volley Ball Team, which won the Philadelphia Open Championship. Also in 1939, Marjorie Morgan and she again won the Women's Doubles Volley Ball Championship; and Michael Baroukas and she won the Mixed Doubles Volley Ball Championship.

In 1940 she placed third in a gymnastic meet held at the Baltimore Turngemeinde.

Mr. Terrell
While at Palmyra High School, Mr. Terrell played football, baseball and basketball under the direction

School for several years. He also served in Landisburg, Penn., as coach in several sports.

He participated in football and track in high school. In college he became a student coach of track in his junior and senior years and coach of cross-country in his senior year. Mr. Kreps graduated from Shippensburg State Teachers' College, Pennsylvania, and received his Master's degree from Temple University. He was a member of the Varsity Club at Shippensburg State Teachers' College.

Mr. Callaghan entered Ithaca College of Physical Education on a partial scholarship based on athletic ability in the three major sports: football, basketball, track.

His first year at Ithaca he made the freshman football team and played quarterback. During the basketball season he played forward on the freshman team. In the spring of the same year he earned a position on the varsity track team.

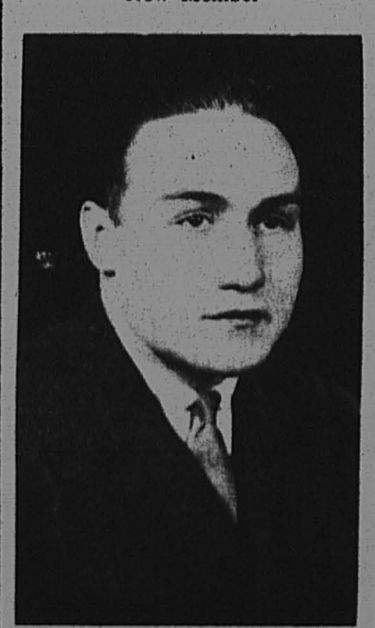

His second, third, and fourth years he played the same position, as well as halfback, on the varsity football squad. He played forward on the varsity basketball squad. During the spring of this last year he captained the track team.

He also had practical and theoretical courses in baseball, soccer, wrestling, boxing and lacrosse.

Mr. Callaghan has served the past two years as instructor in physical education in Palmyra and Riverton grade schools.

Mr. John R. Gering graduated from high school in Berwick, Pennsylvania, and from Bloomsburg State Teachers' College in Pennsylvania. He had four years experience in high school basketball and in college basketball. Mr. Gering played on the college tennis team four years and also participated in the Berwick City team for three years.

The last two years Mr. Gering has coached intra-mural basketball and varsity tennis in Palmyra High School.

WILLIAM F. FIEDLER, JR.
graduated from Philadelphia North East High School in 1933; from Pennington School in 1934, and from the University of Pennsylvania in 1938. He has done graduate work since that date.

Mr. Fiedler played with the Philadelphia Eagles in 1938 and was junior varsity coach at Penn Charter School in 1939. He was a member of the varsity football and lacrosse teams at University of Pennsylvania as well as a member of the track squad. He has also been active in swimming, basketball, and baseball.

Mr. Fiedler was a member of the group which accompanied James Crowley, Fordham Football Coach, when Mr. Crowley took a football squad to tour France and for exhibition games.

Mr. Millman played intra-mural soccer and basketball during his four years at Trenton State Teachers' College and intra-mural baseball and football during his junior and senior years. He was active in fraternity competition and in this respect played with the fraternity basketball team during his junior and senior years. He also participated in an intensive program of intra-murals.

Track Coach

Melvin H. Kreps has coached varsity track in the Palmyra High

Meet the Mayors

Mayor Biddle

It was with fear and trembling we approached the mayor's stately home. The door was opened by his charming wife. After stating the purpose of our visit we were gracefully invited into the house.

We had a glimpse of polished floors and lovely furniture. The mayor was found in the backyard working with plants.

We discovered he was born in Riverton in the same home where he is now living. He attended Friends Central school in Philadelphia. He thinks youth has more fun today than yesterday due to the radio and car.

The interview was terminated with Mayor Biddle's statement, "We try to give our Borough a good government."

Mayor Ward

Mayor Ward greeted us warmly with a friendly welcome that was a preview to the pleasant hour before us.

During that hour we were even more convinced than formerly of what a capable independent leader Palmyra has. Mayor Ward possesses one of the most pleasant personalities and as understanding a one as we had ever contacted.

John F. Ward was born in Philadelphia, educated at the South Philadelphia high school where he was president of his class, and at the University of Pennsylvania, Wharton school. He spent six years as a councilman and was later elected Mayor, which position he has held for five years.

Mayor Ward thinks the greatest need for improvement in Palmyra is in the housing. He stressed the fact that he has faith in the youth of today and he thinks that "Youth is our biggest business."—Mary Jane DeCoursey.

AWARD FOR HYLTON

S. J. Hylton, local driver for the Railway Express Agency, was awarded a certificate this week for having rounded off five years at the wheel of his truck without an accident. The document, which was signed by the president of the company, was presented to Mr. Hylton by Chief William Gootee, of Riverton, in an informal ceremony arranged by Fred Conway, Riverton agent.

CENTER EXHIBIT
ATTRACTS MANY

Varied Athletic Program Is Given as Activity of Youth Week

With an audience of two hundred and fifty interested spectators, the exhibition of athletic activities at the Community Center on Tuesday, April 30, showed the progress that has been made by leaders Frank Buccigross, Ted Keppler and Tommy Boylan. The exhibition included table tennis, boxing, wrestling and weight lifting.

Playing a fast game Donald West overcame Sidney White 21-4 and 21-17 in the table tennis, while Richard Koenig took over Walter Lezenby with scores of 21-16 and 21-15.

Two no decision boxing bouts pitted Tom Cardia against Jackie Wallace in the 140 pound class and Leon Mitchell against Marcy Lippincott in the 150 pound class. In each case fast clean bouts put the stamp of approval on the training the boys had received.

Wrestling

Three wrestling bouts were included in the program. Tom Veitheimer and Carl Brown put on an especially fast match which proved to draw as did the match between Harry Horner and Dave Wilson. George Weber, in the third bout secured a winning fall pinning Tommy Wing to the mat for a decision.

Least known of the sports, weight lifting proved of great interest to the crowd. The Beverly Bar Bell Club put on an interesting exhibition. Bob Johnson, of Burlington, and Carl Brown, of Edgewater Park, drew spontaneous applause with their balancing.

Demonstrating the art of weight lifting, Charles Caldrea did a one arm snatch of 100 pounds. Tommy Wing showed the two arm 145 (continued on page 2)

All For One
One For All

"How May Cinnaminson, Palmyra and Riverton Best Cooperate for the Betterment of All Three Communities?" was the topic discussed at a youth forum held in the local Community Center on Thursday night of last week.

A prominent citizen of each town led the discussion, the speakers being Howard Taylor, of Cinnaminson; Joseph S. Low, of Palmyra, and Alexander B. Garwood, of Riverton.

General Theme

The general thought brought out in the forum was that conditions which influence one community vitally concern all three, due to the fact that the geographical location is such that only artificial boundaries separate them.

This is especially true of transportation, business, education and many other factors.

Cooperation between the communities, whenever possible, was urged by all three speakers.

Publicity

Mr. Garwood, in his talk, advocated the inauguration of a publicity bureau for the three communities, stating that he felt the small cost of such a project would pay big dividends in attracting the right kind of people here.

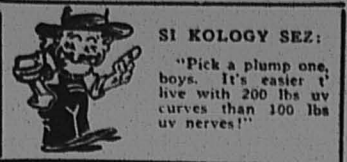

Mr. Taylor emphasized the importance of maintaining friendly relations in all phases of civic activities, while Mr. Low discussed the problem from the angle of actual consolidation.

All agreed that only by cooperation could Riverton, Palmyra and Cinnaminson develop to the best advantage of their respective citizens.

RIVERTON—PALMYRA, N. J. THURSDAY, MAY 9, 1940

PRICE FIVE CENTS

MISS PARKER RESIGNS

With deep regrets, the Riverton Board of Education accepted this week the resignation of Miss Harriet L. Parker, kindergarten teacher at the local school for the past 40 years.

Miss Parker following her recovery from a protracted illness, expected to return to her teaching duties, but found that this would be impossible.

The resignation is effective at the close of the school year. No successor to Miss Parker has been appointed.

LAST REHEARSAL
FOR COMEDY HERE

Footlight Players to Present "This Thing Called Love" May 10th and 11th

The Footlight Players will spend the better part of this evening in putting the finishing touches on "This Thing Called Love," a three-act comedy to be presented in the Riverton School auditorium on Friday and Saturday evenings, May 10th and 11th at 8:30 o'clock.

"What 'This Thing Called Love' attempts to demonstrate is that two people who love one another are in need of police protection more than seclusion after the first half dozen of the thrills of newly married bliss have carried them out of the clouds of romance. It is a lesson that was written for every woman who is married and every man who is not, also for every man who is married and every woman who is not.

Non-Profit

The Group feels that the Little Theatre public in this vicinity will agree that "This Thing Called Love" is one of the funniest and enjoyable comedies they have ever witnessed produced by an amateur group. It is felt that the residents of the local community are beginning to realize the need and value of a Little Theatre Group in its midst and by their continued support The Footlight Players will be enabled to carry on their project. It is an entirely non-profit organization composed of men and women who are interested in dramatics, directing, staging and working in the fields of the theatre. All proceeds of the productions are placed into the general fund and used only for the presentation of worth-while plays.

The group has recently presented several one-act plays at various meetings of local organizations in the communities and have been willing to co-operate to any extent possible with any organizations that request entertainment of this type at their meetings.

Cast

The production will be under the capable direction of Ruth Parsons Strahan.

The cast is as follows: Harry Bertrand, Robert Strahan; Florence Bertrand, Dorothy Mays; Ann Marvin, Thelma Fisher; Dumary, Neil Buckley; Dolly Garrett, Florence Stephens; Fred Garrett, Frank Theurer; Tice Collins, Tom Asay; Miss Alvaraz, Doris Hampton; Normie DeWitt, Earl Rowe.

The staging committee, with Bryan Wood as chairman, is busy in putting the finishing touches on the scenery. Edward Schill is in charge of sound effects. Costuming is under the directorship of Dorothy Mays.

Tickets may be purchased from any member of the group or at the door on the evenings of the performances. Should anyone prefer to call Riverton 714 and leave their name and address, the tickets will be delivered.

Dr. Alfred Kidder, eminent scientist, says that the present mechanical order of our civilization is due for a smash. The mechanical smash occurs nearly every day on most street corners.

Softball League
Schedule

The schedule of the Memorial Park Softball League, as approved by the Board of Managers, is as follows:

Monday, May 13—Dawley Olds vs. Broadway

Thursday, May 16—German Kitchen vs. Riverton

Monday, May 20—Dawley Olds vs. German Kitchen

Thursday, May 23—Broadway vs. Firemen

Monday, May 27—Dawley Olds vs. Firemen

Monday, June 3—Broadway vs. German Kitchen

Thursday, June 6—Firemen vs. German Kitchen

Monday, June 10—Broadway vs. Dawley Olds

Thursday, June 13—Firemen vs. Broadway

Monday, June 17—German Kitchen vs. Dawley Olds

Thursday, June 20—German Kitchen vs. Broadway

Monday, June 24—Firemen vs. Dawley Olds

Thursday, June 27—Dawley Olds vs. Broadway

Monday, July 1—German Kitchen vs. Firemen

Monday, July 8—Dawley Olds vs. German Kitchen

Thursday, July 11—German Kitchen vs. Firemen

Monday, July 15—Dawley Olds vs. Firemen

Thursday, July 18—Broadway vs. German Kitchen

Monday, July 22—Firemen vs. German Kitchen

Thursday, July 25—Broadway vs. Dawley Olds

Monday, July 29—Firemen vs. Broadway

Thursday, August 1—German Kitchen vs. Dawley Olds

Monday, August 5—German Kitchen vs. Broadway

Thursday, August 8—Firemen vs. Dawley Olds

Team first mentioned to begin game at bat.

Games begin at 6:45 D.S.T. Tuesdays open for postponements due to weather.

League Officials

Chairman Board of Managers—William N. Anderson.

Treasurer—Walter J. Schopp.

Secretary—Lawton J. Steedle.

Executive Committee—Joseph F. Yearly, F. W. Metzger, Robert W. Knight.

Head Umpires—Edson Carhart, Earl Rotenbury.

Scorer—Jack Showell.

The Dawley Olds team is composed of the 1939 championship Fortnum outfit, while the Firemen have many of last year's Dawley aggregation on their roster.

TO SPEAK ON HERALDRY

Mrs. Edwin Erie Sparks, of 900 Main street, Riverton, will entertain Colonial Chapter of the Commonwealth of Pennsylvania, Daughters of the Revolution, at a luncheon meeting in her home, on Friday afternoon of this week.

During the afternoon, Mrs. Carvel Sparks will speak on the topic "Heraldry" and will exhibit her extensive collection of coats-of-arms.

MARKSMAN WARNED

Residents in the vicinity of Second street and Morgan avenue were startled on two evenings last week by a fusillade of rifle shots.

No one was hit, nor was any property damage caused, but Riverton police, who are investigating the affair, promise that a severe penalty faces the culprit.

If the perpetrator is wise, there will be no recurrence of the incident.

COUNCIL CANDIDATES

There are four aspirants for the two Republican nominations for member of the Riverton Borough Council at the Primary election. They are David F. Gould and Archibald Bush, incumbents; John Goodwin and H. Aubrey Walburn.

There is a big field for the two vacancies on the Palmyra governing body with the following Republican standard bearers contending for nomination: William F. Engle and Arthur P. Wright, incumbents; Joseph L. Stack, James B. Henson and Charles V. Dickinson. The two democratic nominee candidates for the same posts are Mary A. Duffy and Ralph A. Sailer.

Painting Exhibit

Of Much Interest

There was a large attendance at the painting exhibit held at the Porch Club on Tuesday afternoon and evening of this week, when the 38 members of Mrs. Murray C. Boyer's painting classes of the Club staged their annual exhibition.

The various canvases were exceptionally well executed, especially those of the first year students.

The paintings, which numbered over 75 and included a wide variety of still life and landscapes represented the best works of each member of the class as judged by C. J. K. Anderson, of Riverton, and Lucille Howard, of Philadelphia.

Best Painting

Those who attended the exhibit were accorded the privilege of voting for the painting which appealed to them most and the balloting resulted in the following decision:

Seniors, 1st class: Mrs. Kathryn Krusen, pines. Second: Mrs. J. Douglas Clark, house and trees. Junior class, 1st: Miss Beulah Parry, flowers in front of mirror. 2nd: Mrs. H. McIlvain Biddle, seascape.

Over 120 people cast their vote during the exhibit.

AMONG LEADERS

According to the May 1 issue of the American Banker, 153 counties in the United States are listed as the source of 75 per cent of the manufacturing wages.

Of this number, Burlington county ranks 149th, with total wages paid in 1937 amounting to \$10,787,495.

The leading county is Wayne, in Michigan, where the 1937 wages totaled \$648,515,254.

PREPAREDNESS?

An article by Paul J. Mallon that appeared in the Philadelphia Inquirer gives some thought-provoking data about the so-called "preparedness" of the United States in case of an invasion by a foreign power.

The data was prepared by experts and should jar the smug people who glibly talk about "raising an army" of a million men "overnight."

Highlights of the article follow: "It would be a good 18 months before the army is equipped to defend this country from invasion. 'Not a modern anti-aircraft gun of sufficient altitude range exists in the army.'

"American inventive genius has developed the best aircraft, etc., but in none of these lines is the Government likely soon to be equipped to defend itself."

"When you consider that the Secretary of the Navy has practically conceded his Navy is vulnerable to modern weapons . . . you may be led to the conclusion that American security rests largely in prayer and geography."

Self-trust is the first secret of success.—Emerson.

LONG REPORT
BY COMMITTEE

Riverton Board of Education Authorizes Work for Summer Months

At the meeting of the Riverton Board of Education held on Monday night of this week, Dr. Rowland Dev, chairman of the property committee submitted a detailed report covering a survey made recently of the school buildings, together with recommendations for work to be done during the summer months.

Items to be considered include the painting of certain rooms, new bulletin boards, repair and refinishing floors, refinishing of furniture, the resurfacing of the playground, installation of a fence around same and a number of miscellaneous items.

Dr. Dey's committee was authorized to secure bids and estimates for the work and submit prices at the June meeting.

Supplies

The board also authorized that bids be requested for school supplies, these to be opened at the June meeting, which is scheduled for Monday, June 3, at 8 o'clock.

The sum of \$6.15 was voted as Riverton's share toward the purchase of an audiometer and a sight meter by the county superintendent of schools. The plan is that each school district will pay a proportionate sum for this equipment, which will then be available throughout the county. Similar instruments, now owned by the state are difficult to obtain because of the great demand.

YWCA NOTES

The Burlington County Y.W.C.A. will again conduct a summer day camp for girls of the county this year. The site, as last year, will be along the Rancocas Creek at New Lisbon.

Camp Shining Arrow, as the day camp is known, will open for a four weeks season beginning Tuesday, July 9. Sessions will be held each Tuesday, Wednesday, Thursday and Friday during the season. Miss Virginia Slim, girls' work secretary of the county Y.W.C.A., will again serve as camp director. Miss Betty Reeder, of Bordentown, will be in charge of swimming, and other counselors and junior aides are now being chosen.

CENTER EXHIBIT ATTRACTS MANY

(continued from page 1)

pound snatch and George Weber gave a fine exhibition of muscle control. Ted Kepler pressed 170 pounds at a body weight of 150, cleared and jerked 220 pounds. Any one thinking this no great feat should try it just once.

Officials

Earl B. Whitcraft, chairman of the Community Center committee, Edward Gunning, director of Burlington county recreation and recreation leaders, Frank Buccigross, Ted Kepler and Tommy Boylan acted as referees for the events.

The value of the weight training instruction at the Community Center is already showing itself in sturdier boys and men. There is opportunity for further expansion of the classes. Few people realize the high regard in which weight lifting is held by well known personages.

Admiral Richard E. Byrd is said to train this way before all of his expeditions and to take weights with him. Robert Taylor is reported to have been training in this way for the past six months and George O'Brien has been using them for years. Johnny Weismuller the swimming champion uses them and even Eleanor Powell is understood to credit her dancing stamina to use of weights.

Cornell, Notre Dame and other universities include weight lifting in their training schedules. Dances at the Center continue to draw crowds ranging from 200 to 300 persons each Saturday evening. Girls will find the Monday night activities of increasing interest. The regular Center schedule has been augmented by the Youth Week activities. The Hobby Show on Thursday, May 9, will be of interest to both young and old.

DEMOCRATS ORGANIZE

The Triple-Town's Democratic Club held their first meeting on Thursday evening, May 2nd. This is a club consisting of citizens from the three towns, Palmyra, Riverton and Cinnaminson Township. At the meeting the following temporary officers were elected.

Ralph Sailer, president; Mrs. Anne Redfield, secretary. Executive Board: Howard E. Powell, Douglas Edgerton, Palmyra; Mrs. Anne Denecker, Cinnaminson; Edwin Redfield, Sr., Miss Mary Duffy, Palmyra; Christopher Davis, Riverton.

At the meeting there was also formed an auxiliary club which will act along with the parent organization. The next meeting will be held at the home of Harold Franchitella, on Delaware avenue, Palmyra, on Friday, May 10, 1940, at 8 p.m., where the election of officers will be held.

AN INVITATION

Mount Holly, N. J.
May 6th, 1940.
To the Members of the Burlington County Republican Committee

Greetings:

The regular meeting of this committee will be held in the Court House, Mount Holly, Monday evening, May 13, at 8 p.m.

This will be the last meeting of the present County Committee, as a new committee will be elected this month. I sincerely hope that every member will endeavor to be present at this meeting. Bring your workers with you.

You are entitled to hear all candidates who are seeking nomination on the Republican ticket. Both candidates for governor, Senator Hendrickson and Ex-Governor Hoffman, have been invited and it is hoped that both will find it possible to attend. Mr. Hoffman has already accepted and we hope that Mr. Hendrickson can also arrange his engagements so that he may be with us. Let us have a great crowd present to greet them.

At the close of this term as your County Chairman I wish to thank you for the uniform courtesy which you have always extended to me. Our relations have been very pleasant as we have worked together for the success of the Republican Party. May this same success crown our efforts in the great contest which will face us this fall.

Very sincerely yours,
FRANK A. SNOVER,
Chairman.

This meeting will be open to every one, especially those interested in the Republican candidates.

AUTO DEATHS

New Jersey concluded the first quarter of the year with 166 traffic deaths, the same number as in the corresponding period of 1939, according to Motor Vehicle Commissioner Arthur W. Magee this week. Seven counties increased their fatalities, five reported no change and in nine there was a decrease below the previous quarter. Bergen, Camden, Hudson, Monmouth, Passaic, Union and Warren were the counties reporting increases.

Following is a comparative record of fatalities during the first quarter of 1940 and 1939 by counties:

Atlantic	5	9
Bergen	15	13
Burlington	8	8
Camden	12	8
Cumberland	4	8
Essex	32	41

YOU CAN HELP!

With the average count of nine hundred enjoying the center each week the problem of providing for the activities through the free will offerings of interested citizens becomes increasingly puzzling for the Committee. A meeting of representatives from organizations of all kinds in the three communities will be called in June to study the entire project. Meanwhile those of our citizens who have had the impulse to lend their financial support are urged to put that impulse in motion. The treasurer, William F. Engle, will not deny you the privilege of sharing the helpfulness many are offering.

NEW POLICE CAR

The Palmyra police expect delivery of their new patrol car within the next few days. This will be an Oldsmobile, purchased from Jack Dawley, Inc., local dealer, and will replace the present Chevrolet.

NOTICE TO BIDDERS

Bids for school supplies will be received by the Riverton Board of Education of the Borough of Riverton. Bids must be received not later than Monday, June 3, 1940, at 8 o'clock p.m. Daylight Saving Time. Bids will be received for supplies for office, art, kindergarten and general. The board reserves the right to reserve or reject any or all bids. Specifications may be secured from the District Clerk.

SILVER ANNIVERSARY

The Silver Anniversary of the Burlington County Historical Society (Annual Meeting) will be held in the Community House, Moorestown, on Saturday, May 11th, at 2.30 o'clock.

There will be an address by Miss Helen Burr Smith, New York City on the subject: "Early Silveranniversaries of West Jersey." Friends of members are cordially invited.

LEAGUE TRACK MEET

One of the highlights of the current track season will take place in the Palmyra High School stadium on Saturday afternoon of this week, at 1.30, when the annual South Jersey Group III League Meet will be held.

A large field is expected from the following schools, in addition to the Palmyra contingent: Moorestown, Burlington, Merchantville, Paulsboro and Gloucester.

This will be the first event of its kind to be held here and a large number of spectators is expected to be present.

BIRTH

Mr. and Mrs. David Fagen, of Riverton Road, are receiving congratulations on the birth of a daughter, Barbara, on April 27, at the Burlington County Hospital.

ATTEND POLICE SCHOOL

Police officers John Robinson, of Riverton, and Lawrence Betty, of Palmyra, are attending the South Jersey Police School, at Oaklyn, this year, the course covering a 10-week period, for portions of two afternoons each week.

The enrollment this year is 54 officers from the various communities in this area.

Chief William Gootes, of Riverton, was a member of last year's graduating class.

NEW JERSEY ASSOCIATION OF NURSERYMEN
NEW JERSEY DEPARTMENT OF AGRICULTURE

BRIEF ITEMS
from
ABOUT TOWN

The "Summer Round-Up" conducted by the Riverton Parent-Teacher Association has resulted in the listing of 22 children of kindergarten age in the community up to the present time.

The annual dinner given by the members of the Home Economics classes at the Riverton Public School to the members of the Board of Education will be held on Wednesday night of next week.

Ed Moorhouse, of Riverton, underwent a blood transfusion this week, in behalf of a Palmyra resident who is seriously ill at the Zurburg Memorial Hospital, Riverton.

Palmyra station presented the busiest appearance in many a month on Monday morning of this week when the members of the high school senior class entrained for Washington. In addition to those making the trip, there was a large delegation of faculty members, parents and friends on hand to view the departure.

The owner of the ship wrecking plant across the river, who has spent a considerable sum of money getting ready to start operations is reported to be having difficulty in getting vessels on which to operate.

It is reported that progress was made last week toward the widening of Main street, Riverton, on the south side of the railroad and that definite details will be announced in the near future.

Monday was a big day for tomato plant arrivals and the south side of Broad street was jammed with farmer's trucks until late in the afternoon.

"VICTORY" IS
IN SIGHT FOR
"Y" CAMPAIGN

"Victory" in the annual Y.M.C.A. finance campaign, which officially ends this week, was celebrated at a dinner meeting attended by 150 campaigners at the First Methodist church, Mount Holly, on Monday night.

Reports made to Chairman Howard C. Darnell, of Moorestown, indicated that the drive will go "over the top" when solicitations have been completed. Several canvassing teams reported that final clean-ups of their work will be accomplished by the end of this week.

Praises Work

Darnell, who was toastmaster at the dinner, praised the work of the many teams in both the West and East districts of the county. The best percentage record was turned in by the West district, headed by S. Roger Oliver, of Burlington. The East district was headed by Robert C. B. Parker, of Mount Holly.

Judge Frank A. Hendrickson, of Mount Holly, a speaker at the "Victory" dinner pointed to the many accomplishments of the Y.M.C.A. in its 35 years of existence in Burlington county. An active "Y" member when a boy, Judge Hendrickson has recently become interested in guidance and has been acting in an advisory capacity to a "Y" group in Mount Holly.

Not Revenue-Producing

In asking that final solicitations be made as quickly as possible, Chairman Darnell said that the Y.M.C.A. is not designed to be self-supporting. If it were a self-supporting organization its only object would be defeated for boys and young men would then be forced to forego its privileges owing to prohibitive costs, he said.

Much of the most valued work of the Y.M.C.A. to the community is not revenue-producing, it was pointed out. The "Y" is a great philanthropy in that it helps boys and young men to help themselves. On that basis, Darnell said that the Y.M.C.A. cannot be operated on a commercial basis any more than a

Districts

The west district, under Oliver, consisted of teams from Moorestown, Bridgeboro, Cinnaminson, Delanco, Maple Shade, Marlton, Masonville, Palmyra-Riverton and Riverside.

Chairman Parker's east district consisted of Mount Holly, Beverly, Bordentown, Burlington, Chesterfield, Jacobstown, Columbus, Crosswicks, Pemberton, Edgewater Park, Florence, Hainesport, Jobstown, Lambertown, Medford, New Lisbon, Rancocas, Vincentown and Wrightstown.

REILLY—READ

Announcement is made of the marriage of Miss Harriet Alice Read, daughter of Mr. and Mrs. Gilbert O. Read, of Ada, Ohio, and John Thomas Reilly, of Collingswood, which took place quietly on Saturday at four o'clock at the home of the bride's uncle and aunt, Mr. and Mrs. Anson A. George, 208 Browning road, Collingswood.

The ceremony was performed by the Rev. Robert M. MacNab, pastor of the Collingswood Presbyterian Church and the wedding march was played by a string quartet.

The bride was attended by her sister, Mrs. Murray Kirkpatrick, of Palmyra, and Harry W. George, of Collingswood, cousin of the bride, was best man.

The bride wore a gown of poudre blue with a corsage of orchids and gardenias and Mrs. Kirkpatrick wore dusty pink with a corsage of tea roses.

Immediately following a reception, Mr. and Mrs. Reilly left for New York City and a tour of Ohio. They will be at home after June 1, at the Browning road address in Collingswood. Miss Read formerly lived in Riverton.

MOORE HEADS
PATRON LIST

Word has been received from Trenton this week from Governor A. Harry Moore, wishing the Palmyra Drum and Bugle Corps the best of success in their first annual minstrel show "Over Here" which will be presented on Friday and Saturday evenings of next week in the Palmyra High School auditorium. Governor Moore, will also head the list of patrons for the production.

Rehearsals for the show have been going on for the past six weeks and the show will be ready for the opening curtain on Friday, May 17, at 8.15 p.m. The cadet corps is endeavoring to obtain funds from the production to aid them in the purchase of new equipment and uniforms. New regalia will be a big aid to them in the competitions and parades which they will enter in the future.

No matter what you're driving
now → THIS YEAR TRY
FORD!

AMONG all low-price cars for 1940..
the Ford has the longest springbase, the biggest hydraulic brakes, the greatest rear-seat knee-room!

It is the only car at the price with full Torque-Tube Drive, and the semi-centrifugal type clutch used on high-priced cars to give easy pedal action! It is the only low-price car with 8 cylinders instead of just six... yet it proved

its gas mileage better than any standard-equipped "six" at its price in the official 1940 Gilmore-Yosemite run!

It also gives you the most equipment of any low-price car without extra charge... including finger-tip gearshift of the easy-acting fine-car type, and a new front-window ventilation control that turns the air downward, away from passengers' faces and necks.

Before you choose your new car this year... try a Ford. No matter what you ask of a car, we believe you'll find that this one gives you most... by far!

The deceased is survived by her husband, William F. Harrison.

CRASH ON ROUTE 25

Two men were taken to Zurbrugg Memorial Hospital, Riverside, on Wednesday morning of this week as a result of a crash on Route 25, near Moorestown-Riverton road, at 8:30 o'clock.

The accident occurred when the car operated by Thomas Wilson, Jr., 20, of Jacksonville road, Burlington, ran into the rear of a machine owned and operated by Dr. W. Rowland Dunn of Palmyra. Wilson was found to be suffering from shock and cuts on the face, while a passenger, George Tyler, of Burlington, had multiple cuts of the face and head, together with a possible fractured skull.

Riding with Dr. Dunn were two young girls whom he was taking to Westfield Friends School. Both suffered slight injuries.

Both cars were extensively damaged. Chief George Dorworth, of Cinnaminson, conducted an investigation.

GRADUATE GROUP DANCE

The Palmyra High School Graduate Group will hold an informal recording dance Saturday night in the high school gymnasium. A novel musical quiz, with cash prizes, will feature the affair.

The committee in charge has announced that the dance is not restricted to members only but is open to the general public as well.

Mary Young, of the class of '36, was recently elected secretary of the group to succeed Natalie Evans, '39, who resigned. At the meeting last week, the group voted to present the Senior class with 4 awards of \$5 each at commencement. They will be based on scholarship and service to the school.

The dance committee is William Wallace, chairman; Mary Young, Harry Gootee and Jacob Weiner.

A strong thief, or thieves, forced an entrance into the American store, East Broad street, Palmyra, on Thursday night of last week. Entrance was gained by lifting the heavy frame of the cellar door from the ground and propping it up sufficiently to get into the premises.

The loot amounted to five cartons of cigarettes and 50 pennies. Palmyra police are conducting an investigation.

FAMOUS ARTISTS FOR CONCERT

LOUIS GESENSWAY

violinist, accompanied by Mary Hunt Penimore, and Cornelia Stabler, dramatic monologist, will be the guest artists at a recital at the Moorestown High School auditorium on Monday evening, May 13th, sponsored by the Burlington County Branch of the Women's International League for Peace and Freedom for the refugee funds of the American Friends Service Committee and the Women's International League.

Mr. Gesensway, who is first violinist with the Philadelphia Orchestra, joined the organization at the age of eighteen, he was then its youngest member. This year marks his sixteenth season with the orchestra.

Cornelia Stabler, the other artist on the program, is famous for her original character sketches. She writes and produces her own monologues and has been invited to perform at the White House.

Miss Grace Rhoades, of Moorestown, is the chairman of the committee on Arrangements. Serving with her are Mrs. Robert Richie, of Moorestown, Mrs. James Roberts, of Riverton, and Mrs. Harold Walton, of Mount Holly.

PHYLLIS WHEATLEY
P.T.A.

The regular monthly meeting of the Phyllis Wheatley P.T.A. was held on Friday, April 26, at School No. 4. The business session was opened by the president, Mrs. Fannie Ashby followed by the invocation led by Mrs. Betty McKim. The helping teacher for Cinnaminson Schools Miss Alma Prentice expressed her pleasure at being able to attend the meeting and witness the fine things going on there. Accompanying Miss Prentice was her mother and a friend.

Mrs. Jackson, a retired teacher from Washington, D.C., also congratulated the association on its many activities. Following the business session the meeting was turned over to the teachers of the school who had charge of the evenings entertainment. The program was known as "A Night of Fun."

After the program the members of the P.T.A. inspected the many fine hobbies of the parents which were on exhibition in one of the classrooms.

A delicious repast was served in the lunch room by the ways and means committee.—Publicity Committee.

WINS HONOR

Outstanding work at Riverside Military Academy, of Gainesville, Ga., has resulted in public commendation of Cadet Harry William Frank, Jr., son of Mrs. Harry W. Frank, of Burlington Pike, Riverton, N. J.

For having accumulated one hundred Merits above all deductions, Cadet Frank has been awarded a Merit Ribbon.

Special Orders were published before the Corps of more than five hundred and fifty Cadets in citation of this excellent record.

They used to say that F. D. got a lot of votes from folks who thought they were voting for Theodore Roosevelt. Maybe Tom Dewey is getting a lot of primary endorsements from folks who think they are voting for the Admiral.

PHONES INCREASE

A statewide increase of 4,500 telephones in March is reported by the New Jersey Bell Telephone Company. The number added since the first of the year was nearly 11,500, one-third more than the first-quarter telephone gain last year, and brought the total in use to 745,465 at the end of March. The average number of daily calls through the state-wide telephone system was approximately 230,000 greater than for the corresponding quarter of 1939.

R. H. Brierley, manager for the company in this section, said that the March gain in telephones in the area served by his office was 109, and for the first three months of this year 470.

REVOCATION OF DRIVER LICENSES

Reporting for the first quarter, Motor Vehicle Commissioner Arthur W. Magee announced this week that 2,623 drivers licenses were revoked, an increase of fifteen percent over the corresponding period of last year.

The biggest jump in revocation was among habitual violators, drivers who had been more than twice convicted of moving traffic violations or who were involved in more than two accidents for which responsible. There were 304 habituals removed from the highways this quarter as against 89 last year.

Another offense that brought many license revocations was driving while intoxicated, 280 having been convicted of this serious violation as compared with 284 in the first quarter of 1939.

Two Year Record

Following is a two year record of license revocations during the first quarter:

Driving while intoxicated	280	284
Reckless driving	95	84
Speeding	65	68
Fatal accidents	68	57
Obtaining license while on revoked list	21	6
Habitual violators	304	89
Failure to appear in answer to summons	158	87
Failure to pay fines	22	12
Leaving scene of accident	20	12
Misstatement of facts on application	15	13
Larceny auto rec. and driving without consent	40	33
Defective vision	4	2
Physically or mentally unfit	19	15
Fraud at examination	7	7
Driving without license	9	14
Permanent revocation

ASKED TO EXHIBIT

Charles F. Earp, of Riverton, has received the following letter from the management of the World's Fair:

World's Fair, New York
April 24, 1940

My dear Mr. Earp:

When I was in Atlantic City last week I was greatly impressed by the interesting collection of Lincoln stamps which you displayed and for which you won the prize deserved.

In view of the fact that I am endeavoring to get as many unusual collections as possible for our International Stamp Centennial Exhibition, I wonder if you would be good enough to consider entering them in our show. I am enclosing a formal application blank which I would appreciate your filling out and returning to me as soon as possible so that I may reserve space for your collection. I look forward indeed to having your reply and hope that you will cooperate with us in making this the outstanding philatelic event of all times.

Most cordially yours,
Signed Ernest A. Kehr, Director
International Stamp Centennial

COMMENT

Build Now

America is short of homes, according to the opinion of those who are in a position to know. Population increased through the worst of the depression, but many homes were burned or allowed to fall to pieces and few new ones were constructed.

In spite of war, panic and depression, real estate in this country has boomed every 16 to 20 years since 1865. According to the record, a boom is due in the early forties and many authorities on the subject state that it has already begun.

One expert says, "If you ever expect to build a home, there are many reasons for believing the next six months offer opportunities which probably won't exist again for many years."

"Why does the present offer this unusual opportunity? There are at least five reasons. Materials will probably advance in price. Cost of building labor will increase and its efficiency decrease. Building sites can be bought now at less than in the future. The cost of financing a home and interest rates, after dropping since 1929, will now probably advance."

POWERS TAKES ACTION ON W.P.A. REDUCTIONS

Federal W.P.A. reductions in New Jersey should be proportionate to the revenue derived from the State, according to an assertion made recently by Congressman D. Lane Powers to New Jersey W.P.A. headquarters.

Powers' charge came as result of State W.P.A. Administrator Robert W. Allan's refusal to reconsider W.P.A. personnel reductions in Bur-

lington County. Senator W. Warren Barbour, and Congressman Powers, in accordance with a request from the Burlington County Board of Chosen Freeholders, had previously claimed the county reductions were out of proportion to the rest of the State.

Allan, in a letter received by Congressman Powers today, declared that Burlington county's rate of reduction was not 27 per cent, as claimed by the Board of Freeholders, but 13.02 per cent. This, he asserted, was "fair and equitable" in comparison with reductions in other New Jersey counties.

Asks Data

Powers, in his reply to the state administrator, asked for a comparative list of the reductions, by counties, in New Jersey, and a comparison, by states, of the reductions throughout the nation.

"I would also appreciate it if you would explain," the Congressman asked Allan, "why it is that New Jersey has such a high rate of reduction, when the average for the nation is 9.94 per cent. This, in view of the fact that New Jersey is one of the heaviest contributors to the Federal Treasury, seems to me to be very inequitable."

"While there are people in New Jersey who are idle and want to work, while there are those in our State who are hungry and are eager to work for their bread, I firmly believe the Federal Government, through the Works Projects Administration, should provide employment in proportion to the amount of income the Government receives from New Jersey."

EASTWOOD LAUDS HARMONY SLATE

Senator Howard Eastwood, referring to the harmony program among the Republicans of Burlington county, has issued the following statement.

"I am happy indeed that, in view of the very probable success of the Republicans of New Jersey to elect a Republican Governor and materi-

ally aid in the election of a Republican President, those who have in mind the best interest of our party have agreed to eliminate not only this year, but in succeeding years, a bitter factional fight at the primary. The unanimity of this decision is evidenced by the withdrawal of Charles R. Stout and Thomas D. Begley as Freeholder candidates, and Mrs. Alma M. Evans for member of the State Committee. I am quite sure that all real Republicans will rejoice in the accomplishment of the harmony program and will show their sincerity to terminate bitter factional fights by not only endorsing the chosen Republican candidates at the primary, but will roll up a big vote for them.

Endorsed

The candidates so endorsed are: A. Matlack Stackhouse for Assemblyman, Albert C. Jones and Fred C. Norcross, Jr. for Freeholders; George deB. Keim for State Committee member and also for District Delegate to the National Convention, and Pearl M. Bridgman for State Committeewoman.

In addition, I desire to stress the importance of electing the only gubernatorial candidate whom I believe can win at the general election. That person is Harold G. Hoffman, who, by his broad experience in public life, has shown all the qualifications for this high office.

Of course, it is also important that the Republicans support W. Warren Barbour for United States Senator, and D. Lane Powers for Congressman.

TENNIS TEAM WINS

The Palmyra High Tennis team triumphed over the Riverside High netmen shutting them out 5-0, in a South Jersey tennis league match at the Palmyra Municipal courts, last Friday afternoon. All matches were taken by the local netmen in straight sets.

Palmyra will take on Moorestown today (Thursday) at Moorestown, while Camden High, defending champion of the Group 1 League, will play at Palmyra Friday after-

noon. Bridgeton High, the defending champion of South Jersey has challenged Coach Gering's outfit to a match and it will be played at the Palmyra courts on Monday.

Singles

Stickie, Palmyra, defeated Unley, of Riverside, 6-1, 6-0.

Hozier, Palmyra, defeated Walker, Riverside, 6-1, 6-3.

West, Palmyra, defeated Winklespecht, Riverside, 6-1, 6-1.

Wilson, Palmyra, defeated Hennings, Riverside, 6-1, 7-5.

Doubles

J. Dietz and R. Deemer, Palmyra, defeated Hoffman, and McCormick, Riverside 6-1, 6-1.

Relief Appropriations

For some time there has been considerable jockeying back and forth from the White House to Capitol Hill on the question of relief in the present fiscal year.

When the year started the administration estimated that something like \$985,000,000 would be needed for relief during this year. But some time ago it became apparent that this wouldn't be enough. They are estimating now that the amount which will be needed for relief will be something between a billion and a quarter and a billion and a half dollars.

The trouble has been, so far, getting the leaders in Congress to increase the appropriation to take care of these estimates. It is reported that the White House wanted Congress to take the initiative in this boosting of relief appropriations while Congress, on the other hand, was just as insistent that, if there was to be any boosting of the amount, President Roosevelt would have to make the recommendation. This brought the matter to a temporary deadlock. Neither side in the controversy seemed prepared to take the initiative. As a result of this, the President has asked authority from Congress to spend the \$985,000,000 relief appropriation during the first eight months of the coming fiscal year. This would mean that the new Congress, convened the first of the year, would be required to make another appropriation for relief. It all amounts to the same thing, because in the long run the total relief appropriation for the entire fiscal year would run up to the sum which the New Deal leaders now think will be necessary for relief.

This controversy is playing into the hands of the anti-New Dealers in both political parties. The permission to spend the relief appropriation for the whole year, within eight months, has already given rise to the charge in hostile circles that the New Deal is preparing to use relief again in an attempt to "buy" the election for their candidates in the coming campaign. Anti-New Dealers are asking why it is necessary to increase expenditures for relief in campaign year just as was the case back in 1936, and they point out that shortly after the 1936 election the W.P.A. agencies began to cut down on their activities.

Furthermore, it is the claim of New Deal apologists that prosperity is now coming back to the country. If this is true, then it looks somewhat strange that larger relief appropriations are necessary than were anticipated the first of the year.

Read Your Local Paper

To "Know Your Government" it is essential that you read your local newspapers, regularly and thoroughly. No other medium that you can buy devotes the time and space to learn and report about what is going on in your local government.

Too many of New Jersey's residents, particularly those who commute to neighboring states, read only the out-of-state dailies, and pay scant attention to their local news.

As a result they are in complete ignorance of what is going on in their home community, county and State. They read about Federal spending but know nothing about what their local governments are spending. They know what is happening in Europe—about the ruthless invasion by military autocrats of weaker countries—but they are blissfully unaware of the dangers of excessive spending in their home towns—and display the same lack of interest in local affairs that led to the downfall of many of the democracies in Europe.

After all, your local government counts most in your life—takes the largest part of your total annual taxes—affects your children and the investment you have made in establishing your home.

No matter how much you have learned about the theoretical aspects of political science and governmental finance, you simply cannot be informed about what is happening now in your local government unless you keep abreast of current newspaper reports.

Local taxpayers associations, composed of alert and active citizens in communities throughout New Jersey, and developed

under the auspices of the New Jersey Taxpayers Association, present a splendid example of what citizens can do to study and control the cost of local government.

Taking an active and concerned interest in local affairs, these citizens have built up a movement that is spreading its influence to all parts of the State, and is being emulated throughout the country. They realize that the roots of a successful democracy and citizen control of government lie in the local communities, and that careful nourishment of these roots will stimulate and invigorate the affairs of the community, state and nation.

The keystone of the success of these citizen groups is keeping informed about their local governments and using their information to good advantage. They realize fully that reflected in the local newspaper from issue to issue are the vital facts about their governments. Their experience is convincing reason that you should "Read Your Local Newspaper."

SMALL COST FOR SHADE TREES PAYS DIVIDEND

Shade trees are among the most cherished of the beauties of nature. In addition, they are always a distinct asset to a home or a street or park because they furnish comfort and shade. Property values are enhanced by preserving the native trees or by planting desirable species. The initial expense is relatively small and year after year little care is needed to keep them thriving.

In planting a shade tree be sure to place it in such a position that it will conform with the architectural plan of the grounds and building. Your nurseryman who is familiar with growth habits will be glad to advise you about locations and planting and will suggest the kind of tree best suited to your needs. In fact, many trees are purchased at a figure which will include planting.

Selection

In selecting trees those which are nursery grown are most satisfactory because in the nursery the trees have been transplanted several times so that a good fiber root system has been developed. Also when investing in a tree consider not only the price of the tree but the plant-

ing as well. To plant properly it is essential to prepare the hole for the tree in such a manner that the tree will take root quickly. The hole should be large enough to accommodate the full spread of the roots. If necessary add good soil and rotted manure or humus and firm the soil in the bottom of the hole to take out air pockets. The leader and branches should be cut back and thinned.

Firm Soil

After firming the soil around the roots, fill the balance of the hole with water to settle the soil and force out all air pockets. Holding the tree straight during planting is one very important factor. After the water is drained away the balance of the soil should be filled in and the tree should stand one or two inches deeper than it stood in the nursery.

Some one has aptly said that if you want to plant a tree, it is better practice to plant a one dollar tree into a five dollar hole than to plant a five dollar tree into a one dollar hole.

A Gallup poll conducted in Texas shows that the Lone Star State is still Democratic. We hope that John Hamilton, the Republican National Chairman, will be able to bear up under the news.

SCHOOL SPORTS ACTIVITIES PAY

The April report of Palmyra public schools activity fund, which is the fund that provides for many of the extra curricula activities and is supported by money raised entirely by the student body, disclosed several interesting facts.

The receipts from football were \$2,583.37 and from basketball \$259.20 which means that the revenue from these two sports will not only take care of all expenses connected with their season but will be sufficient to pay for the cost of the baseball, track, tennis, and girls' athletics. The three main costs of all these sports are equipment for the players, transportation for out of town games and referees' fees for all games.

In order to pay for such things as the "Tillicum" which is the senior class year book, the school newspaper better known as the "Palmyrian," and other literary and social activities, various groups raised several hundred dollars, perhaps two of the most successful projects are the student sale of candy which has netted \$257.33 and the recording dances that have produced \$116.10.

Every student who cares to, may purchase an activity fund ticket which costs \$3.00 and admits the pupil to every home sport, the "Tillicum," the "Palmyrian" and a special rate on many other events both at home and away. About five hundred and fifty pupils took advantage of this ticket which contributed \$1,422.00 to the fund. If two or more tickets are bought by children in the same family each ticket after the first one costs only \$1.00 but does not entitle the additional purchaser to the year book.

The total receipts to date are \$6,087.33 which means that the high school pupils deserve a great amount of credit for raising the money for their extra curricula activities which otherwise would have to be eliminated or paid for through some other source. G.M.D.

Westfield Friends' School

The younger children at Westfield have been busy and interested in boats. As you will see from the article below, the interest originated by our "Social Study Book." The boat models were done in plasticine and the judging was based on the following points:

1. Resemblance to a real ship.
2. Details of a real ship.
3. Quality of workmanship.
4. Beauty of curves and lines.

The project took the form of a contest and the write-up below expresses the winners' ideas.

Our Westfield Contest

"We made some boats, they are all very nice. How we came to have them was by our 'Social Studies' book. I was chairman when we invited the school in for the judging. The judges were Arthur Platt and Nancy Ritschard. They studied the boats very hard—finally they decided on one it was mine. I won the prize, the prize was a good pencil and two pieces of good tasting candy which I ate for lunch that very day. It tasted real good."

In still another room the town of Riverton is being constructed with blocks, by the kindergarten and first grade. Each child has built his own house and furnished it. The various homes are gayly colored and are surrounded by individual gardens.

A piano and choric speaking recital will be held at the school and given by the pupils on Friday evening, May 17th, at 7:30 o'clock. Those interested are cordially invited.

TWO GRASS FIRES

The Palmyra Fire Department answered two alarms for grass fires on Tuesday, the first coming at 11:30 a.m. for a small blaze on Spring Garden street, west of Pennsylvania avenue.

The second, shortly before 7 p.m. was for a fire between Morgan and Garfield avenues, south of Second street.

There was no damage at either location.

Beneath the rule of men entirely great, The pen is mightier than the sword.—Lytton.

This Bank is Eager to Make Loans

THE money we have available to lend is our stock in trade and, like a progressive merchant, we are anxious to keep that stock in use. Sound loans are an important source of bank earnings, so we naturally welcome opportunities to make them.

Unlike the merchant, however, the funds which we lend belong to our depositors and must be returned to them upon demand. Consequently, before making a loan we must make sure that this money will be safe during the life of the loan and that it will be paid back promptly when the loan matures.

A loan helps the borrower, puts money to work, stimulates business, and keeps men employed—all resulting in earnings and savings which help the community and help the bank. Your loan application will find a welcome here.

Church Notices

BETHANY EVANGELICAL LUTHERAN CHURCH

Broad Street and Morgan Avenue
Palmyra, N. J.

Rev. Harold Lee Rowe, Pastor
Church School, 9:45 a.m.
Chief service, 11:00 a.m. At this service the following members of the Confirmation Class will be confirmed: Jean Ferguson, Elizabeth Schirmer, Muriel Gundersen, Nora Gundersen, Jean Cronce, William Ulrich, Ralph Ulrich, Eugene Diebold, Hildegard Seehafer, and Margot Seehafer. "What Meant This?" will be the Pastor's subject for the morning sermon. A warm welcome awaits all who worship at Bethany.

Luther league, 6:45 p.m.
Vespers, 8:00 p.m. A special Mother's Day Service will be held in connection with the evening vespers. Each mother who attends this service will receive a floral gift. All mothers and friends of mothers are invited to attend. "Mother's Day Gifts" will be the subject of the pastor's evening message.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor
Services, Sunday, May 12th.
Bible School, 10:00 a.m.—Fair weather brought large attendance last Sunday. May it continue. Every member may consider it his or her privilege to invite their neighbor or friends who are not affiliated with any school, to attend "Central Baptist."

Morning service, 11:45 o'clock—"Pentecost" will be the subject of the pastor's sermon, being preceded by the rendition by the choir of "As One Whom His Mother Comforted" by Meredith, and soprano solo by Mrs. William J. Van Horn.

B.Y.P.U., 6:45 p.m. Young People's high school group. Meeting in the Sunday school room.

Evening worship, 7:45 p.m. The new emphasis that is being placed on Mother's Day, and which is being received universally as the deeper meaning for the day, will be dwelt upon by the pastor in the evening service, namely, "The Festival of the Christian Home." Show your appreciation of your mother by attending this service. Special music by the choir.

The men's meeting on Monday evening was a most successful affair. Lieutenant Commander James Ryan, U.S.N.R., gave a very enlightening address on the customs and workings of the U. S. Navy based upon his years of experience. Next meeting will be held the first Monday evening in June when a trip through the Canadian Rockies will be enjoyed through motion pictures.

Thursday, May 23rd, has been selected as the date when the Senior Choir, under the direction of their leader Mr. Claude Barto, and sponsored by the class of Mrs. Edward Hughes, will give a program of sacred music. This will be in celebration of "Music Week." The program will commence at 8:15 p.m. and will probably last about one hour. The public is most cordially invited to enjoy this sermon in music as it will be an inspiration to all who attend.

Wesleyan Men's Bible Class

For the Men of the Community

"So shines a good deed in a naughty world" said Portia in Shakespeare's "Merchant of Venice" as she saw in the distance a candle-light in her home in contrast to the darkness.

A good deed, a kind word, gives the light of comfort and helpfulness in darkened circumstances. Hence Jesus said, "Let your light so shine among men," do not hide it.

The inner-light of the indwelling Christ is to shine forth in helpful deeds and words. These qualities of brightness give to the Christian character a spiritual value and place amid what otherwise would be gloom, if not depression.

This inner-light shines out in good cheer and joyous greetings in our Bible Class. "The entrance of Thy Word giveth light." This gleam is revealed in the interpretation of the Bible.

A glad welcome awaits you next Sunday morning at 9:50.

CHRISTIAN SCIENCE CHURCH

"Adam and Fallen Man" is the lesson-sermon subject for Sunday, May 12, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit." (John 3:6).

Among the lesson-sermon citations is the following from the Bible: "So God created man in his own image, in the image of God created he him." (Genesis 1:27).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man reflects God; mankind represents the Adamic race, and is a human, not a divine, creation" (p. 525).

SACRED HEART CHURCH

Riverton N. J.
Rev. John F. Welsh, Pastor.
Rev. Vincent A. Luther, Assistant Pastor.
Daily Masses: 7:00 - 7:45 a.m.
Confessions: Every Saturday, 3:45

to 5:45 and 7:30 to 9:00
Sunday Masses, 7:00, 9:00, 10:15.

The sixth annual communion breakfast of the Blessed Virgin Sodality of the Sacred Heart Church will be held in the Sacred Heart School auditorium this Sunday, Mother's Day, following the 9 o'clock mass.

Rev. John F. Welsh, pastor of the church will deliver an address. A musical program under the direction of Margaret Casey, will be given in observance of Mother's Day. A large number of Mothers and members of the sodality are expected to attend the affair.

The present officers are Mary L. Casey, president; Ellen Brennan, secretary, and Nancy Carden, treasurer.

METHODIST CHURCH

Rev. William A. Boyd, Pastor

Mother's Day will be properly observed in our church this Sunday. In the morning at 11 o'clock the Rev. W. A. Boyd, will have as his sermon theme, "A Mother of Canaan." Mrs. Mary Davison will sing "The Holy City" as a solo. The Senior and Friendly Choirs will sing special numbers.

In the evening at 7:45 the service will be built around the theme "Motherhood" with Mrs. Laura Mandeville as speaker. A fine musical program has been provided. Mrs. Helen Johnson and Mrs. Lydia Strang will sing a duet. Doris Hampton will sing "Mother O' Mine" and the two choirs, the Senior and High School will sing special numbers. The mothers of the church will usher. The decorations will be composed of the memorial bouquets presented to the church in memory and as a tribute to departed as well as living mothers. After the evening service the flowers will be distributed among shut-in and sick mothers, who could not attend the services in the church.

"Temporal Prosperity" is to be the bible lesson in the mid-week church service of praise, prayer and bible study, this Wednesday evening at 8 o'clock. This meeting is in charge of the minister. The music is provided by the Epworth Mixed Quartet. We invite anyone who will to come and spend one hour in this delightful, helpful and inspiring mid-week religious opportunity. We are very glad to announce

that the Rev. Dr. Harry Evald, one of our own boys and now superintendent of the Hagerstown district of the Baltimore Conference, will be the speaker on the occasion of the 75th anniversary of the bible school, Sunday morning, June 16.

The Junior League is supporting a boy in the Methodist School in India, under the direction of Dr. E. Stanley Jones. The League is selling pansies, English daisies, baskets of gold Alyssum and Forget-Me-Not, at 25 cents per basket. Why not help this most excellent cause by ordering a basket from Mrs. Coward, Phone 1040, or Mrs. Jean Fisher.

P.T.A. SPONSORS TEA

A large and appreciative group of people enjoyed the second annual Spring Tea sponsored by the Phyllis Wheatley P.T.A. of Westfield School No. 4.

Beautiful weather added to the effectiveness of the affair which was held at the home of the president,

CARD OF THANKS

We sincerely wish to thank our many friends and neighbors for their kindness shown to us during our recent bereavement. Especially to those who sent cars and flowers. Mrs. Ralph Danley, Albert and Ruth Van Sciver.

More and More People

are availing themselves of the use of the Snover Funeral Home with its facilities modernly adapted to the conduct of funeral services.

Among other things the Snover Funeral Home is air conditioned, which, with the approach of hot weather, makes its use especially desirable.

GOODWIN FOR BRIGHT

James J. Goodwin, of Riverton, this week disclosed his support for Senator Robert C. Hendrickson for governor. Goodwin whose petition for assembly from Burlington county was refused by County Clerk Adams on the grounds that it was too late, plans to conduct a vigorous campaign for clean government in his county. His statement follows:

"I wish to declare my wholehearted support of Senator Hendrickson and urge all my friends to work and vote for this real Republican."

"The withdrawal of Stout and Begley leaves the clean government group of Burlington county without a candidate, except Joseph Bright, and the Hague-Hoffman forces are trying desperately to convince people that he is a Powell supporter."

The public, however, will not fall for this, as they all know that Joe Bright was forced out as County Treasurer.

It is important that Robert Hendrickson be elected governor and Joseph Bright be elected to the Board of Chosen Freeholders, if this county of Burlington is to continue to enjoy home rule and not manipulation by North Jersey.

(signed) JAMES J. GOODWIN, Riverton, N. J.

HOBBY SHOW

(continued from page 1)

If you have not already registered your hobby for tonight's great show, by all means do so this afternoon between the hours of 3 and 5, at the Community Center.

STOKES GIVES SUPPER FOR HENDRICKSON

Over 150 business and professional men from all parts of Burlington county attended the buffet supper given by Dr. S. Emlen Stokes on Thursday evening of last week, at the Moorestown Field Club in honor of Senator Hendrickson, candidate for the Republican nomination for governor.

The affair concluded a day's visit by the Senator in the county. Philip Frankfield, executive secretary of the New England branch of the Communist Party, insisted on making a stump speech before the Dies Committee the other day. The reds insist on the right of the press to make speeches whenever and wherever it wants to—except in Russia, where they liquidate you for doing it.

FOX TO SHOW "3 CHEERS FOR IRISH"

"Three Cheers for the Irish," which will open on the Fox screen Monday promises to be one of the warmest, family stories emanating from Hollywood.

It concerns a retired New York cop, Thomas Mitchell's role, and his three beautiful daughters, played by Priscilla Lane, Virginia Grey and Irene Hervey.

They decide that Pop is to run for office of Alderman. The campaign progresses smoothly, aided by Alan Hale and William Lundigan, until Irene accepts campaign funds from a racketeer. Priscilla elopes with Dennis Morgan, a young rookie cop, disliked by Casey. Then Casey discovers the source of his campaign money, and his public admission of this dumbfounds the people into electing him.

"MAGNIFICENT" SAYS CRITIC

Here's what the Daily News critic had to say about "Gone With the Wind" playing at the Broadway Theatre this Friday and Saturday.

"Gone With the Wind" is the most magnificent motion picture of all times. And the longest. If it took Margaret Mitchell 10 years to write and David O. Selznick three years to produce this incomparable picture of Americans, who am I to complain about a mere three hours and 40-minute—with intermission—unfolding on the Astor screen of the greatest and most beautiful color spectacle in the history of motion pictures? Selznick has hit the high spots of Miss Mitchell's thousand-page drama.

There are scenes so breathtakingly beautiful that they will be indelibly imprinted on your mind for days to come.

I will be one among many who will bow to Vivien Leigh's performance. She really becomes Scarlett O'Hara, changing in mood and character and age just as did the selfish, self-willed heroine of Miss Mitchell's imagination.

Of course, Clark Gable is all we expected him to be as Rhett Butler. Olivia de Havilland's sensitive, beautiful performance as Melanie, is second only to that of Miss Leigh. Leslie Howard's Ashley is just what Miss Mitchell intended him to be. Much praise goes to many actors besides the four principals. And, of course, no small part of credit for the picture's success goes to Director Fleming.

MEMORIAL PARK TENNIS

A recent survey around Memorial Park tennis courts revealed that many other improvements are being completed.

Robert Knight, chairman of Memorial Park committee tells us that plans for the coming season's activities are practically completed and a full program is assured for everybody. Mr. Knight further informs us that he has appointed a citizens' tennis committee to plan and supervise all tennis matters for the spring and summer.

This committee has been functioning for several weeks now and much preliminary work has been accomplished. Members of the committee are Russell Jermon, Edward Wallace and Richard Woodward. All are experienced in promoting tennis affairs and many events interesting for both players and spectators are contemplated.

The date of opening the tennis courts is scheduled for Saturday, May 18th. Be get your rackets dusted off and be ready for opening day.—Publicity.

PEDITTO SPEAKER

At the meeting of the Palmyra-Riverton Business and Professional Men's Club on Tuesday of this week, at the Riverton Country Club, Christopher N. Peditto, club members gave a most interesting talk on the Courts of New Jersey. New members in attendance were John N. Swartz and Ted Kessler.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

The active gardening season is here at last and flower lovers who have been dividing perennials and planting gladioli and dahlias between rainstorms may now go to work out-of-doors in earnest.

Phipps, which should not be planted later than mid-June, gladioli may be put into the ground from now until July 1. Constant planting makes for succession of bloom. Gladioli are fairly cheap—cheap enough to use fresh and vigorous stock. Many commercial florists do not use the corms more than once, and although the amateur may not wish to follow this plan, it would be advisable to buy some fresh stock each year if young corms have not been grown from the cornels which develop around the old ones. Finer flowers will be the result.

Dahlias

When planting dahlias, be sure to lay the divisions horizontally so that the sprouts have plenty of soil to come through and thus develop a good root system. Early planting is also conducive to good root development, and if the young plants are pinched back during June and early July they will be ready to produce a good crop of shoots in August. The best flowers come from the shoots developed from the lower part of the plants; these grow rapidly, so don't let the plants get too big.

Be sure to look over the garden once a week from now on for evidences of plant lice and other insect troubles. If any are found, use nicotine sulphate or one of the pyrethrum sprays or dusts. These materials may be obtained from most seedsmen. When purchasing them, get some finely divided sulphur or one of the wettable sulphurs to protect roses from the red spider. Nicotine sulphate or arsenate of lead may be added to the sulphur for insect control, though it may be preferable to buy them already mixed. Spraying or dusting every 10 days during the growing season will keep rose bushes healthy and will pay good dividends in the form of perfect flowers.

In the midst of depressing care and labor I turn constantly to divine Love for guidance, and find rest.—Mary Baker Eddy.

ALUMNI DANCE SATURDAY AT MEDFORD LAKES

The Palmyra High School Alumni Association, which is headed by President Thomas Cahill, wishes to make its last call to all dance lovers of the community to bear in mind the annual Burlington - Palmyra Alumni Spring Dance to be held this Saturday evening, May 11th. Due to numerous requests and the wide popularity of previous dances held at Medford Lakes Log Cabin Lodge, the affair will again be held there this year. The promise of balmy weather and the beautiful setting offered by the Medford site insures an enjoyable evening to all who plan to attend. Milton Mann and his twelve-piece orchestra, together with his girl vocalist, will provide sweet and swing music, beginning at nine and running until one. Dress will be optional, and tickets, priced at \$2.00 per couple, may be obtained from any member of the executive committee or at the door Saturday night.

The proceeds realized from this affair will be used by both groups to swell their respective scholarship funds. In addition, the Palmyra association is making plans to present two awards to outstanding seniors at the high school commencement

WOMEN'S FIELD ARMY

WORK TO START ON NEW AIRPORT

Workmen Clearing Land of
Trees and Brush: New
Plane Purchased

Robert Snover, proprietor of the new Palmyra Airport announces that the necessary legal procedure has been completed and that work on the construction of the new flying field will begin today. The removal of trees is the first work on the list and this will be followed by power graders to level off the land.

Purchases Plane

Mr. Snover has placed an order for a 50 h.p. Taylor Craft training plane which will be delivered in about two weeks. Work will begin in a couple of days on the construction of a hangar for this ship. Unlike most airports, the new field will have individual hangars for each plane. This new system reduces the fire hazard and facilitates the rapid movement of planes in and out of hangars.

The new Palmyra Airport, located on the West side of S-41 highway between the railroad and the Tacony-Palmyra Bridge, will be used for private flying and the training of fliers. It is reported that the area of the new field is greater than that of the Camden Airport.

CARLSON'S CONTINUE BUSINESS ON ROUTE 25

John Carlson, former proprietor of Carlson's Drug Store at 606 Main street, Riverton, announces, that because of ill health he is forced to give up the operation of the drug store and will continue in the business of ice cream and lunch room operation at the Burlington Pike store.

He appreciates the patronage of his friends in the past and invites them to avail themselves of his services at the new address.

WIDER STREET ASSURED HERE

Riverton Project Will Be
Started as Soon as
Permits Obtained

At the meeting of Riverton Borough Council held on Thursday night of this week, the greater part of the four hour session was devoted to the discussion of two subjects, the proposed widening of Main street and the consideration of an ordinance restricting parking in the business section of the community. Council passed a resolution authorizing that the street work be started as soon as legal consent has been obtained from all property owners in the area where the improvement is contemplated.

South of Railroad

According to the blueprints, the wider street will include the portion from the railroad to the end of the government property on the east side of the highway and from the J. S. Collins and Son building to the boundary of the Cinnaminson Bank and Trust Company property of the west.

Property owners of the east will dedicate five feet to the borough and the pavement will be eight and one-half feet wider than at present. Present plans call for the elimination of the present "grass" plot between sidewalk and curb. The street will be 15 feet wider on the west side.

Borough to Assume Cost
The improvement will be made without cost to the property owners, since the borough will assume the expense of laying down new sidewalks.

The Burlington County Board of Freeholders has agreed to pave the section between the present pavement edge and the new curb. The construction company in charge of the new post office will lay the new sidewalk in conformity with the proposed plans as soon as (continued on page 11)

Annual School Exhibit May 24

The annual school exhibit in the Delaware Avenue and High School Buildings will be held from 7.30 to 9.30 p.m., on Friday, May 24. All friends of the school are invited to attend the exhibit. However, parents should accompany all children who are not in the Delaware Avenue schools.

There will be an orchestra concert and a band concert in the auditorium. All classrooms will be open for exhibit.

The stadium will be open for inspection from 7.30 to 8.30 p.m. Visitors will be given an opportunity at that time to see the new dressing rooms and locker rooms underneath the stadium.

The program of exhibits will be published in the newspapers next week.

ANNUAL MEETING OF PALMYRA WOMEN'S CLUB

The annual meeting of the Palmyra Women's Club will be held on Monday, May 20, at 2.30 p.m. at which time the chairman of all departments will submit yearly reports. Installation of officers will also take place.

LARGE ATTENDANCE AT ITALIAN-AMERICAN CLUB

An enthusiastic meeting of the Palmyra Italian-American Club was held in West Palmyra on Tuesday night of this week with a large number of members in attendance.

Plans for future activities were discussed and much interest shown in the proposed program.

The members look forward to a period of increased interest in club affairs.

PRICE FIVE CENTS

P.H.S. STUDENT WINS AWARD

Franklin Marker, a Senior at Palmyra High School was awarded a silver medal for placing second in South Jersey in the "Future Farmers of America" directed practice contest. This contest which is sponsored by the Vocational Agriculture Teachers' Association was based on the care and thoroughness with which the students competing kept records on the work done by them last summer. Franklin, a Delanco boy, was employed at various times during June, July, and August on four different farms and at Dreer's Nursery. He kept a careful and accurate record of the jobs, skills acquired, hours worked, and money received.

Show Of Cadet Corps This Week

The Palmyra Bugle and Drum Cadet Corps will present their first annual minstrel show "Over Here" in the Palmyra High School auditorium Friday, and Saturday evenings. Curtain is at 8.15 p.m.

The show will be in two acts and many well known persons such as President Roosevelt, John L. Lewis, Chamberlain, Mussolini, and men about town are impersonated in the production. The four end-men are William Rahalic, James Zink, Robert Mathews, and Stuart Headman. The production is under the capable direction of Harry Bauer, and he is being assisted by a number who have volunteered their services.

Miss Virginia Miles, will be at the piano. The Palmyra Dumbbells, an organization of twelve girls and several other girls will take part in the only all girl chorus in the show. Promoters will be Jean Ferguson and Phyllis Krauss.

Specialties
The three "M's of Melody" will be featured in a specialty act and they are Jack Mathews, Alfred Mohrmann and Dante Mento. Several of the songs in the production were written by members of the cadet corps.

A letter was received from Congressman D. Lane Powers, wishing the cadet corps success. A huge patron list will be headed by Governor Moore, followed by Congressman Powers.

Proceeds from this venture will go along with the receipts obtained from other affairs held by the cadet corps toward the purchase of new uniforms and equipment.

Tickets may be purchased from any member of the cadet corps or at the door. Should anyone prefer to call Riverton 925 or 316 leave their name and address, the tickets will be delivered.

In Riverton tickets may be purchased at Keatings.

P.T.A. MEETING

The regular monthly meeting of the Palmyra Parent-Teacher Association will be held at the High School, May 21, at 8.15 p.m. This meeting is of special interest to parents of Eighth Grade pupils.

The program, under the supervision of Miss C. Elizabeth McDonnell will consist of descriptions and explanations of the various courses offered in Palmyra High School. An unusual feature of these explanations will be that they will be carried out not by members of the faculty, but by students enrolled in the courses under consideration.

Earl Whitcraft, of the school faculty, will give several vocal solos accompanied on the piano by Mrs. Whitcraft.

NEW MEMBER

The Palmyra-Riverton Business and Professional Men's Club welcomed a new member this week he being C. Ward Lowden, of Palmyra.

There was a large attendance at the weekly luncheon.

Primary Election Next Week Tuesday

Large Ballot Necessary Due
to Naming Delegates
to Conventions

The Primary Election, on Tuesday of next week, is expected to bring out a large vote in this section, particularly in Riverton and Palmyra, where the Republican nominations for members of the borough councils occupy the center of interest. Close contests are expected in both communities.

In addition to the local positions, the voters of each major party will name delegates at large to the national conventions, alternate delegates-at-large to the national conventions, alternate delegates-at-large, district delegates and alternate district delegates.

Republican

The Republican slate for State and National positions is as follows:
For United States Senator: W. Warren Barbour, C. Dan Coskey and George O. Pullen.
For Governor: Robert C. Hendrickson, Harold G. Hoffman.

For member of the House of Representatives: D. Lane Powers.
For member of the General Assembly: A. Matlack Stackhouse.

For Coroner: Emerald White, Howard C. Adams, William P. Young.

For member of the Board of Chosen Freeholders: Joseph S. Bright, Albert C. Jones, Frederick C. Norcross, Jr.

For member of the State Committee: George deB. Keim, Pearl M. Bridgum.

Democratic

The Democratic slate follows:
For United States Senator: James H. R. Cromwell.

For Governor: Charles Edison.
For member of the House of Representatives: Donald T. Morrissey, James Vincent Herron, Thomas D. Dignan.

For member of the General Assembly: Edwin C. B. Clark.

For Coroner: A. John McNulty.

For member of the Board of Chosen Freeholders: Harry E. Moyer.

For member of the State Committee: George M. Hillman, Elizabeth R. Cowperthwait, Helen M. Rahn.

Riverton Council

David F. Gould, R; Archibald G. Bush, R; John W. Goodwin, R; H. Aubrey Walburn, R.

County Committees

Council: Arthur P. Wright, R; William F. Engle, R; James B. Henson, R; Joseph L. Stack, R; Charles V. Dickinson, R; Mary A. Duffy, D; Ralph A. Saller, D.

(continued on page 2)

TIME CHANGE FOR RIVERTON P.T.A. MEETING

Dr. T. Bruce Dickson will be the speaker at 3.00 o'clock on Monday, May 20, at the combined monthly and annual meeting of the Riverton P.T.A. in the school auditorium. His subject will be "Preventative Medicine."

The yearly reports from the chairmen of the various committees will follow this talk.
Music will be provided by Mrs. C. V. Devery and two of her piano pupils, Barbara Berger and Stanley Gilbert will entertain with several selections.

Instead of before, the Child Study Group will be held at the close of the regular meeting, under the direction of Mrs. Richard Hooper. There will be a moving picture, "You and Your Children."

Refreshments will be served.

FIREMEN SUGGEST NEW MACK PUMP

Palmyra Volunteers Submit
Findings to Council;
To Meet Again

A committee of firemen from Independence Fire Co. No. 1 of Palmyra, met with council on Tuesday night and stated that they had carefully investigated the pumper field and recommended the purchase of a Mack fire truck.

The outfit in question costs about \$8,400, has a six cylinder engine, pump with capacity of 750 gallons per minute, a 200 gallon booster tank and space for 1000 feet of 2½ inch hose and 500 feet and 1½ inch hose.

The firemen were asked to meet with the council Wednesday to further discuss the possibility of purchase.

Protests Deposit

Herbert Parsons, builder registered his protest against paying a deposit for water service on Chestnut street to serve new homes he is building. The local water company, it was stated, asked for a \$500 deposit at first, later reduced to \$125. In order to encourage new building within the town, Mayor Ward asked that the property and water committee chairmen investigate and endeavor to remove such obstructions to development. The property committee reported that there are five new homes under construction in Palmyra at this time and many more are in prospect.

Burn Tent Army

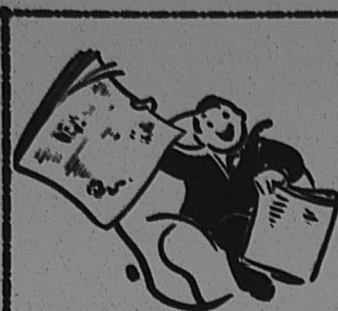

The press was asked to urge people to make an effort to burn tent caterpillar nests now before the worms emerge and start destruction. Now is the time to do it. The trees are one of the town's biggest assets and everybody should join in protecting their beauty.

Councilman Landgraf was at the Municipal Park on Tuesday and accepted two new trees planted by the Girl Scouts.

Councilman Huyett reported that Filbert, Temple and Second streets were completely graveled and ready for oil with East Spring Garden, Wallace and West Fifth and Sixth streets on the program. Macadam will be laid on Elm, Delaware and Garfield avenues.

Boys Complimented
Four boys, namely, Charles Conover, Robert Gibson, Richard Malory and Arthur Burton in Robert Emen's class at the high school were praised for their excellent work in preparing a much needed tax map of the borough, showing lot, block and street numbers. The maps will be of great aid to the officials.

\$500 REWARD

BRIEF ITEMS from ABOUT TOWN

Work on the interior of the new post office is going along ahead of schedule. Present indications are that the structure will be completed about July 1, with the possibility that dedication may take place as part of the Fourth of July program.

Alterations to the stores in the Price Building, Main street, Riverton, are in progress.

With reserved seats, intermission and a four hour show, the Broadway Theatre, Palmyra, had all the earmarks of a big time playhouse during the showing of "Gone with the Wind" on Friday and Saturday nights of last week.

The booster tank of the Riverton ladder truck was employed to good advantage on Monday night in extinguishing a stubborn, smelly blaze on the dump in the rear of Memorial Park.

The Palmyra Fire Department answered a call shortly after 5 o'clock Monday for a small grass fire in the 800 block, Morgan avenue.

PET SHOW IS GRAND EVENT

A dog's life? Not so bad if you received as much attention as those canine pals that were entered last Wednesday in the Cinnaminson, Palmyra-Riverton Y.M.C.A. Pet Show. Tall dogs, small dogs, dogs dressed up and with no place to go, dogs dressed to compete with the funniest of the funny, white dogs, black dogs, smiling children, bewildered children, but all with pets or rooting for the pet owned by their friend.

With chief dog judge, Mayor John F. Ward, in charge, ably assisted by George Dare of the high school faculty, the four footed friends of man were brought within a circle according to their respective classifications and judged. Some of the dogs were apparently not on speaking terms and voiced their displeasure at the intrusion of others in the same animal family but the Mayor's soothing voice soon quieted the most unruly.

Judging

Not to be outdone by the Mayor's prowess and possible claim to judicial prominence, real estate Richard Woodward assumed the chair of chief judge of the capering cats. With a man of courage and wisdom also from the high school faculty, Robert Patchel, assisting in the judging. It was a comparatively easy job to select the most striped cat as there were no entries but when the choice of the blackest feline was to be... low and behold... twin blacks appeared. Judicial wisdom was at its best and two first prizes were awarded, and with a gleam in his eye, Judge Woodward declared, "There shall be no blackouts around here."

Taken by surprise, Clinton Gardiner of the High School faculty offered to judge the miscellaneous and barnyard division. This man of wisdom deserves a mantle for his keen ability. A peaceful pony, skiddish squirrel, rambling rabbit, terrified tadpole, tired turtle, and giddy goldfish, were among the entries to be judged by Mr. Gardiner.

The judging of the entries was preceded by a pet parade from the high school to the Y.M.C.A. building. Ray Callaghan of the Palmyra-Riverton Schools served as chief announcer. There were close to two-hundred children and parents and we are told that the mothers were also rooting for certain pets.

OBITUARIES

SAMUEL WAKEMAN

Samuel Wiley Wakeman, a former assistant general manager of the New York Shipbuilding Corp., died last week in New York.

Mr. Wakeman came to the Camden yard in 1900 and resigned in 1915 to go with the Bethlehem Shipbuilding Co., at Quincy, Mass. At

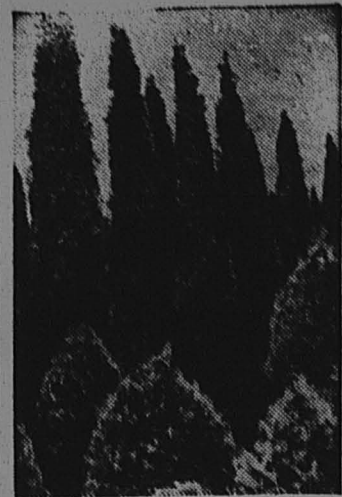

the time of his death he was vice president in charge of all Bethlehem shipbuilding operations at Quincy, Boston, Staten Island, New York, Sparrows Point, Md., and San Francisco.

While with the Camden yard, Mr. Wakeman held various executive positions. His last post was as head of the planning and production department.

Mr. Wakeman resided on Main street, Riverton, a number of years ago. He was active in civic affairs, serving on the Board of Education and later becoming president of that organization.

My own hope is, a sun will pierce the thickest cloud earth ever stretched.—Browning.

Few of us know where we are or where we're going.

PROMPT DELIVERY

Sale Aids Center To Extent Of \$85

Recognizing the Community wide service rendered by the new Community Center the Riverton Porch Club last week set a mark, at which other organizations in the area may shoot, by conducting a successful rummage sale, the proceeds of which in the amount of \$85.00 went to the Center fund. This practical expression of encouragement for the committee, struggling to finance the project without a "drive" for funds, brings sharply in relief the conservative outlays which so far have kept the Center in operation.

The Community Center committee in very few instances has made a direct appeal either to individuals or organizations. The unusual character of the enterprise and the unusual success with which it has met resulted in voluntary contributions of about \$200.00 which has financed three months of operations. Most of its equipment has been of course donated.

Thanks for Committee

Although it has been severely handicapped by lack of funds the committee preferred to demonstrate the possibilities of the Center with the resources at hand. The hundreds who have thronged its rooms from Riverton, Cinnaminson and

Palmyra each week have been the most eloquent testimonial of the success of that demonstration.

Too much thanks can hardly be extended Mrs. Roland Michener and her Porch Club committee for pointing the way for other organizations whose financial situation or bylaws make it impossible to appropriate contributions even to a cause as worthy as the Center. For obviously the Center Committee must have resources to continue on even the modest scale of outlay which has so far characterized its operations.

Meeting June 10

The Center committee has fixed June 10 for a meeting of representatives of some sixty organizations in the three communities, and of other interested citizens, to discuss plans for the future of the Center. This of course does not contemplate any appeal for funds but seeks to pool the judgment of the community in the development of the program in the months ahead.

Attendance at the Hobby Show last Thursday exceeded all expectations. The Phalanx Society, sponsor of the show, recruited the most extensive display seen in this area and the judges were hard put in some classes to decide the winning exhibits. The exhibition was notable for the large number of adults from all three communities who attended since most of the entries were in the junior classifications.

SCHNEIDER OPENS ATLANTIC STATION

Modern Facilities for Auto Service in Palmyra's Business Section

The opening of the new, modern Atlantic Service Station, at Broad street and Morgan avenue, this week, adds another to Palmyra's improved business section.

Paul J. Schneider, a lifelong resident of Riverside and well known here is the new proprietor. Mr. Schneider has completed a rigid course of instruction in service station operation and management with the Atlantic Refining Company experts. Only uniformed attendants, expertly trained the "Atlantic way" will be employed.

All Facilities

The station located on the corner has spacious driveways entering from both streets and unusual space to maneuver a car safely on the island. The famous White Flash Plus gasolines and Atlantic High Film Strength motor oils will be sold. Other lines include the reputable Lee tires, and Exide batteries and service.

The modern, indoor lubricity is equipped with every conceivable gun and tool needed to execute the nationally famous "Florida Road Test" lubrication on any make of automobile.

Free parking at the rear of the station is available to patrons.

An Atlantic Refining Company expert will be at the new station on Monday, Tuesday and Wednesday, of next week to supervise all lubrication jobs that come into the station.

The radio advertised Florida Road Test Games will be available at this station.

Mr. Schneider stated that he is completing arrangements to make his home in Palmyra in the immediate future.

METHODIST CHURCH Rev. William A. Boyd, Pastor

"The Gates Are Open" is the title of the sermon the Rev. W. A. Boyd, will bring to his Church this Sunday morning at 11 o'clock. During this service the Senior and Friendly Choirs will sing special selections.

In the evening at 7:45 a very beautiful vesper service will be held. "Our Sure Defense" is the theme of the sermon Mr. Boyd will deliver. There will be vesper music on the organ, inspiring song service and special numbers by the Senior and High School Choirs.

In the mid-week church service on Wednesday evening the lesson study is to be about "How Can We Know the Will of God?" This is a very delightful, helpful and inspiring hour of prayer, praise and Bible study. The hour is from 8 to 8:45. We invite the community to attend this service. The Epworth Mixed Quartet will sing selections.

Monday evening, May 20, the Fourth Quarterly Conference will be held in the Junior room of the Church, at 8 o'clock. Dr. T. S. Brock, superintendent of the Trenton District will preside at this meeting. All members of the conference are to have all reports written and ready to be read.

The Church School Board executive committee will meet on Wednesday evening at 8 o'clock. This is a very important meeting. All superintendents and officers in the church school are expected to be present. The meeting will be held in the Junior Room.

BIRTH

Mr. and Mrs. Raymond Doughen, of Atlantic City, are receiving congratulations on the birth of a daughter, Dorothy Jeannette, on Saturday, April 27, at the Atlantic City Hospital. Mrs. Doughen is the former Miss Emily Perkins, of Riverton.

NOTICE

The Township dump (for residents of Cinnaminson Township ONLY) is located at the end of LeJune road at Pennsauken Creek.

Markers have been erected to designate the limits of this dump. Any person apprehended for using any other location within the township as a dumping ground will be prosecuted according to law.

Let us make hay while the sun shines.—Cervantes.

THE BLUE COAL WAY IS THE EASY WAY TO HEAT YOUR HOME

BRIEF ITEMS from ABOUT TOWN

Work on the interior of the new post office is going along ahead of schedule. Present indications are that the structure will be completed about July 1, with the possibility that dedication may take place as part of the Fourth of July program.

Alterations to the stores in the Price Building, Main street, Riverton, are in progress.

With reserved seats, intermission and a four hour show, the Broadway Theatre, Palmyra, had all the earmarks of a big time playhouse during the showing of "Gone with the Wind" on Friday and Saturday nights of last week.

Manager Charles Shugars is to be complimented in securing the picture locally, since many communities in South Jersey probably will not have a showing.

The booster tank of the Riverton ladder truck was employed to good advantage on Monday night in extinguishing a stubborn, smelly blaze on the dump in the rear of Memorial Park.

The Palmyra Fire Department answered a call shortly after 5 o'clock Monday for a small grass fire in the 800 block, Morgan avenue.

The nursery stock that you select will be freshly dug for you when you buy from your community nurseryman, who is a member of the New Jersey Association of Nurserymen.

Buy from your community nurseryman displaying this emblem. He guarantees your complete satisfaction with his nursery-grown stock and planting service.

Vote for . . .

JOSEPH L. STACK

REPUBLICAN CANDIDATE FOR

BOROUGH COUNCIL

PALMYRA, N. J.

Primary Election, Tuesday, May 21, 1940

Being in Palmyra most of the time I will be available for service and can devote more time to the job of making Palmyra a better place in which to live.

Ordered and paid for by the Candidate.

This Is Tulip Time

If you haven't seen the grand display of Tulips in our garden south of the railroad, please don't miss this delightful show . . . next Saturday and Sunday they should be at their peak of glorious color. Flowering on plants grown from bulbs imported from the now war-torn fields of Holland.

And to remind—watch the roses in the companion garden as they come into bloom . . . and very soon now . . . so that you may see them at their best.

Henry A. Dreer, Inc.

Building Gardens Beautiful since 1838

Everybody knows that Golden Bantam Corn and Lima Beans never taste sweeter than when gathered fresh from plants in your own grounds. Find room for a few rows in your garden.

PROMPT DELIVERY

Sale Aids Center To Extent Of \$85

Recognizing the Community wide service rendered by the new Community Center the Riverton Porch Club last week set a mark, at which other organizations in the area may shoot, by conducting a successful rummage sale, the proceeds of which in the amount of \$85.00 went to the Center fund. This practical expression of encouragement for the committee, struggling to finance the project without a "drive" for funds, brings sharply in relief the conservative outlays which so far have kept the Center in operation.

The Community Center committee in very few instances has made a direct appeal either to individuals or organizations. The unusual character of the enterprise and the unusual success with which it has met resulted in voluntary contributions of about \$200.00 which has financed three months of operations. Most of its equipment has been of course donated.

Thanks for Committee

Although it has been severely handicapped by lack of funds the committee preferred to demonstrate the possibilities of the Center with the resources at hand. The hundreds who have thronged its rooms from Riverton, Cinnaminson and

Palmyra each week have been the most eloquent testimonial of the success of that demonstration.

Too much thanks can hardly be extended Mrs. Roland Michener and her Porch Club committee for pointing the way for other organizations whose financial situation or bylaws make it impossible to appropriate contributions even to a cause as worthy as the Center. For obviously the Center Committee must have resources to continue on even the modest scale of outlay which has so far characterized its operations.

Meeting June 10

The Center committee has fixed June 10 for a meeting of representatives of some sixty organizations in the three communities, and of other interested citizens, to discuss plans for the future of the Center. This of course does not contemplate any appeal for funds but seeks to pool the judgment of the community in the development of the program in the months ahead.

Attendance at the Hobby Show last Thursday exceeded all expectations. The Phalanx Society, sponsor of the show, recruited the most extensive display seen in this area and the judges were hard put in some classes to decide the winning exhibits. The exhibition was notable for the large number of adults from all three communities who attended since most of the entries were in the junior classifications.

SCHNEIDER OPENS ATLANTIC STATION

Modern Facilities for Auto Service in Palmyra's Business Section

The opening of the new, modern Atlantic Service Station, at Broad street and Morgan avenue, this week, adds another to Palmyra's improved business section.

Paul J. Schneider, a lifelong resident of Riverside and well known here is the new proprietor. Mr. Schneider has completed a rigid course of instruction in service station operation and management with the Atlantic Refining Company experts. Only uniformed attendants, expertly trained the "Atlantic way" will be employed.

All Facilities

The station located on the corner has spacious driveways entering from both streets and unusual space to maneuver a car safely on the island. The famous White Flash Plus gasoline and Atlantic High Film Strength motor oils will be sold. Other lines include the reputable Lee tires, and Exide batteries and service.

The modern, indoor lubricity is equipped with every conceivable gun and tool needed to execute the nationally famous "Florida Road Test" lubrication on any make of automobile.

Free parking at the rear of the station is available to patrons.

An Atlantic Refining Company expert will be at the new station on Monday, Tuesday and Wednesday, of next week to supervise all lubrication jobs that come into the station.

The radio advertised Florida Road Test Games will be available at this station.

Mr. Schneider stated that he is completing arrangements to make his home in Palmyra in the immediate future.

METHODIST CHURCH Rev. William A. Boyd, Pastor

"The Gates Are Open" is the title of the sermon the Rev. W. A. Boyd, will bring to his Church this Sunday morning at 11 o'clock. During this service the Senior and Friendly Choirs will sing special selections.

In the evening at 7:45 a very beautiful vesper service will be held. "Our Sure Defense" is the theme of the sermon Mr. Boyd will deliver. There will be vesper music on the organ, inspiring song service and special numbers by the Senior and High School Choirs.

In the mid-week church service on Wednesday evening the lesson study is to be about "How Can We Know the Will of God?" This is a very delightful, helpful and inspiring hour of prayer, praise and Bible study. The hour is from 8 to 8:45. We invite the community to attend this service. The Epworth Mixed Quartet will sing selections.

Monday evening, May 20, the Fourth Quarterly Conference will be held in the Junior room of the Church, at 8 o'clock. Dr. T. S. Brock, superintendent of the Trenton District will preside at this meeting. All members of the conference are to have all reports written and ready to be read.

The Church School Board executive committee will meet on Wednesday evening at 8 o'clock. This is a very important meeting. All superintendents and officers in the church school are expected to be present. The meeting will be held in the Junior Room.

BIRTH

Mr. and Mrs. Raymond Doughen, of Atlantic City, are receiving congratulations on the birth of a daughter, Dorothy Jeannette, on Saturday, April 27, at the Atlantic City Hospital. Mrs. Doughen is the former Miss Emily Perkins, of Riverton.

NOTICE

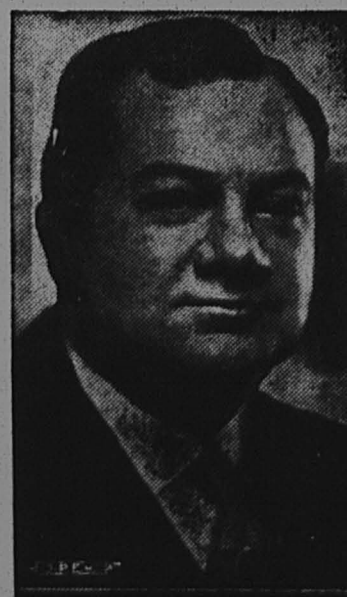

The Township dump (for residents of Cinnaminson Township ONLY) is located at the end of LeJune road at Pennsauken Creek. Markers have been erected to designate the limits of this dump. Any person apprehended for using any other location within the township as a dumping ground will be prosecuted according to law.

Let us make hay while the sun shines.—Cervantes.

Shining Hour Class of the Methodist Church at its regular business meeting and social tonight.

Mrs. Frank King, of 415 Cinnaminson avenue, will entertain the Palmyra Branch of the Zuberger Memorial Hospital Auxiliary at its Fifth Anniversary party today at 12:30 p.m.

The ladies auxiliary of the Parry Volunteer Fire Company will hold a rummage sale on Saturday, May 18, at 10 a.m., at the fire house.

Mrs. Charles Shaffer, Jr., of Fork Landing Road, was the winner in the first drawing of the Miscellaneous Club sponsored by the ladies auxiliary of the Parry Fire Company.

Mrs. Edwin W. Redfield, of Pennsylvania avenue, will be hostess to the members of the Lucky Social Club this evening.

Mrs. Frank J. Betz, of Spring Garden street, was last week's winner of the Sacred Heart P.T.A. miscellaneous club.

The Y.M.C.A. Auxiliary will give a dance on Saturday evening in the Y.M.C.A. from 7:30 till 10:30 p.m. Refreshments. Mr. and Mrs. B. B. Henderson, will be chaperones.

Mr. and Mrs. George J. Seel, III, and daughter Mitzie, of Maplewood, Mr. and Mrs. Edwin F. Seel, of Philadelphia, and Mr. Clifton Seel, of New York City, spent Sunday with Mr. and Mrs. George Seel, of Cinnaminson avenue.

The Shining Hour Class of the Methodist Church will give their annual entertainment on Friday at 8 p.m. in the Wesleyan Room of the Church.

Mr. and Mrs. George Follman, and children, of West Wood Park, Manoa, Pa., spent the past weekend as the guests of Mr. and Mrs. John Odgen, of Garfield avenue.

A number of the ladies of the Palmyra Order of Eastern Star, will attend the Eastern Convention being held in Atlantic City, on Wednesday and Thursday of this week. Among those attending from here are Mrs. Frank Crispie, Mrs. Edward Hoyt, Mrs. Joseph Abdl, Mrs. Edward Hughes, Mrs. C. W. Rudolph, Miss Virginia Seel, Mrs.

G. R. Price, Mrs. T. V. Weller, Mrs. James Weart, Mrs. Mark Nace, Mrs. William Branson, and Mrs. Minnetta Bowker.

The Alpha Gamma Class of the Central Baptist Church, held a progressive dinner on Monday evening. Those who participated were Janet Baker, Doris F. Vaughn, Mary Wells, and Betty Showell, of Howard street, where their monthly meeting was held.

Mrs. Harry May, of Maple avenue, was hostess to the members of her card club last Thursday evening.

TOMATO PLANTS RIDE STREAMLINED TRAINS

With the speed of streamlined passenger trains and thermometers hung within cars to record maximum and minimum temperatures on the journey, early shipments of tomato plants grown in Georgia from New Jersey certified seed are returning to the Garden State in perfect condition, the New Jersey State Department of Agriculture reported this week. Most of them come to Riverton.

Not more than 48 hours expires from the time the young plants are pulled from the fields near Savannah, Ga., until they are replanted in New Jersey soil. E. G. Rex, supervisor of New Jersey State Seed Certification in the Department of Agriculture, said.

Mr. and Mrs. George J. Seel, III, and daughter Mitzie, of Maplewood, Mr. and Mrs. Edwin F. Seel, of Philadelphia, and Mr. Clifton Seel, of New York City, spent Sunday with Mr. and Mrs. George Seel, of Cinnaminson avenue.

The Shining Hour Class of the Methodist Church will give their annual entertainment on Friday at 8 p.m. in the Wesleyan Room of the Church.

Mr. and Mrs. George Follman, and children, of West Wood Park, Manoa, Pa., spent the past weekend as the guests of Mr. and Mrs. John Odgen, of Garfield avenue.

A number of the ladies of the Palmyra Order of Eastern Star, will attend the Eastern Convention being held in Atlantic City, on Wednesday and Thursday of this week. Among those attending from here are Mrs. Frank Crispie, Mrs. Edward Hoyt, Mrs. Joseph Abdl, Mrs. Edward Hughes, Mrs. C. W. Rudolph, Miss Virginia Seel, Mrs.

Temperature and other factors in different sections of the car are checked on each trip to insure arrival in good condition.

A total of nearly 100 cars, each containing an average of 600,000 tomato plants or more than enough to plant 220 acres is expected during May. In many cases, cars loaded with these plants are attached to some of the fastest north bound passenger express trains. At present the special tomato plant cars are attached to all but two of the streamlined special through Savannah.

HOPE FOR CHESTNUT

American chestnut, "blitzkrieg" victim of the blight from Maine to Georgia, is now being replaced on New Jersey's State Forests.

A ray of hope exists that the chestnut may once more grow in the woodlands and along the roadsides of the United States from the successful planting of 215 blight resistant seedlings of the second generation on the Jenny Jump State Forest, Warren County, according to a report made this week by Forest Supervisor C. B. Cramer, to State Forester, C. P. Wilber, director of the Department of Conservation and Development.

The better day, the better deed.—Thomas Middleton.

FOX—RIVERSIDE—FRIDAY AND SATURDAY

Fate of a Nation at Stake—Randolph Scott, Errol Flynn and Miriam Hopkins defend the gold cache that might have changed the history of the nation had it reached its destination! Scene is from "Virginia City," coming to the Fox Theatre, Riverside, Friday and Saturday.

SCOUT NEWS

Burlington County Council Boy Scouts will move into a two day encampment on May 24 and 25 in one of the features of the spring program, the 1940 camporee. All the troops in the council, represented in patrol units, will demonstrate Scout knowledge at Camden County Reservation, Creek road, near Bridgeboro, in the Friday and Saturday affair.

Rain or shine the scouts will "Be Prepared" in this annual test of camping skill. Organized for the first class test of a 14-mile hike, scouts will hike into the encampment Friday evening, be reviewed, make camp and join the first night's festivities.

Saturday will be devoted to project and scouting tests on a competitive patrol basis. The entire acreage, ideally situated, will be encompassed by the scouts with parents and friends of scouting invited to participate in the activities.

J. A. Commander, J. B. Ryan, U.S.N. Retired, of Palmyra, is chairman of the camporee, assisted by E. R. Fenimore Johnson, of Moorestown, and John T. Quinn, of Mt. Holly. Scout Executive George A. Darlington will be chief at the camp.

World's Fair Troop

Announcement was made at scout headquarters recently that there are still many openings in the county troop to be represented at the New York World's Fair on August 19th. To date just two Scouts have been accepted in the council patrol. Charles M. Weart and Warren H. Lamont, both of Troop 5, Palmyra, are the initial members of the troop.

Applications for the troop can be made through scout headquarters, 226 Chester avenue, Moorestown.

COAL BIDS RECEIVED

At the meeting of the Riverton Board of Education held on Monday night of this week bids were received for coal during the next school year.

The proposals submitted for 100 tons, more or less, of No. 1 buckwheat, white ash anthracite were as follows:

H. B. Williams, \$6.47 per ton.
J. T. Evans, Co., \$6.20 per ton.
J. S. Collins and Son, \$6.30 per ton.

The bids were ordered referred to the supply committee for tabulation and report.

QUAKERS WIN
LEAGUE MEET

Palmyra Gets Four Firsts as
Conwell, Huyett, Flournoy
Take Events

Moorestown annexed the title in the annual South Jersey Group 3 League Track meet held on Saturday afternoon of last week at the local stadium, the Quakers finishing with the total of 50 points. Palmyra annexed the runner-up post with 33 1/2, while the other scores were: Burlington 32 1/2, Merchantville 22 and Gloucester 5. Paulsboro was not entered.

The Red and White took four firsts, with Huyett winning the mile, Conwell leading the field in the 100 yard dash and the 220 hurdles and Flournoy breaking the tape in the 120 high hurdles.

Nice Mile
Huyett ran a beautiful race in the mile, taking the lead at the gun and easily shaking off all opposition in the last lap. He finished 75 yards ahead of Benoit, also of Palmyra, who took second.

Conwell's performance in the 100 yard dash was exceptionally noteworthy, the time being 10 seconds flat for a new league record.

The Red and White got off to a fine start, carding 16 points in the first two events, to be finished. The weakness of the locals in the field vents, however, allowed Moorestown to assume the lead with the ard half finished and the Quakers

were never headed thereafter. Palmyra was blanked in the 440, high jump, shot put and javelin.

Summary

120 High Hurdles—Flournoy, P. 1st; Benoit, P. 2nd; Gray, M. 4th. 4:46—(new league record).
100 Yard Dash—Conwell, P. 1st; Haas, M. 2nd; Beverly, M. 3rd; Paety, M. 4th. 10 seconds (new league record).

220 Low Hurdles—Conwell, P. 1st; Aldridge, M. 2nd; Lefcaik, M. 3rd; Rockafellow, M. 4th. 28.7 seconds.
Shot Put—Adams, M. 1st; Plichta, M. 2nd; Thomas, B. 3rd; Hallowell, M. 4th. 43 feet, 9 inches.

Broad Jump—King, M. 1st; Brown, B. 2nd; Podolak, B. 3rd; Flournoy, P. 4th. 19 feet, 9 inches.
220 Yard Dash—H. B. Ryan, P. 1st; Dennis, B. 2nd; Paetz, M. 3rd; Johnson, M. 4th. 22.8 seconds.

Javelin—Mackin, G. 1st; Flamm, M. 2nd; Tyler, B. 3rd; Berry, M. 4th. 152 feet 3 inches.
High Jump—King, M. 1st; tied for second—Rockafellow, M. 1st; Eure, B.; Meekins, M. 5 feet, 6 1/2 inches.

880 Yard Run—Podolak, B. 1st; Harding, B. 2nd; Call, M. 3rd; Clements, M. 4th. 2:08.
Freshman Relay—Burlington, 1st; Palmyra, 2nd; Moorestown, 3rd. 1:43.
Mile Relay—Burlington, 1st; Moorestown, 2nd, Palmyra, 3rd.

Prizes Won: Pet show: George Rotenbury, Mary Berger, and Jane Adams. Hobby Show: The Mexican table won a third prize. A personal prize for Gladys Good's place mat was awarded, and Priscilla Woodward received a first prize for weaving.

Barbara Berger won third prize for oil painting. A group prize for the arrangement of glazed pottery and weaving was won by the weaving and modeling club.—Dorothy Jane Baker.

Gravy, coffee and salads are beyond the knowledge and skill of four out of five cooks.

RIVERTON
SCHOOL
NOTES

Youth Week

The eighth grade of the Riverton Public School contributed to Youth Week a play entitled "Liberty and Union" which was presented May 7th at the Palmyra High School auditorium. The characters were as follows: American Family: Father, John Rodman; mother, Margaret Boren; grandfather, Leon Gray; children, Milton Moreland and Jean Walters. European Family: Father, John Carlson; mother, Kathryn Krantz; children, Virginia Moyer and Gladys Good. History, Bebe Carhart; Peace, Betty Blackwell; war, Dick Wanger; committee, Dorothy Jane Baker, chairman, Shirley Pennington, Jane Cook, and Emilio Craig.

Also for Youth Week some pupils of Riverton School entered the pet show. The following entered their pets: Dogs, Virginia Hooper, Eddie O'Neill, George Rotenbury, Charles E. Karp, Lois Burns, Joan DeCoursey, Gaynor Seither, Charles Stewart, Lawrence Parsons, Jane Adams, Mildred Bauer, Royal Farrow, Martha Jane Daniels, Dorothy Morbin, Roger, Tadpoles, Suzanne Sparks, Rabbits, Leon Foulke, Turtles, Mary Lou Bush. The following entered in the Hobby Show: Jack Carhart, patch covers; Lois Burns, ash tray; Frank Matthews, airplanes.

The clubs of Riverton School entered their oil painting, pottery and manuscripts. A group of girls from the seventh and eighth grades exhibited a Mexican layout of napkins, place mats, plates, center pieces, and candle sticks.

Prizes Won: Pet show: George Rotenbury, Mary Berger, and Jane Adams. Hobby Show: The Mexican table won a third prize. A personal prize for Gladys Good's place mat was awarded, and Priscilla Woodward received a first prize for weaving.

Barbara Berger won third prize for oil painting. A group prize for the arrangement of glazed pottery and weaving was won by the weaving and modeling club.—Dorothy Jane Baker.

NO REGISTRATIONS ON
PRIMARY DAY THIS YEAR

Voters this year cannot register on Primary Day, according to an attorney generally ruling, made public this week by County Clerk Palmer L. Adams. District election boards on Tuesday canvassed their areas to register voters for the primary, on May 21. The new ruling, an interpretation of a new election law, reveals that those not registered on Primary Day cannot do so at that time.

The next registration day will be on Tuesday, October 15, Mr. Adams stated.

Sometimes it is better to forget the past for the sake of the future.

NOTICE OF REGISTRY AND
ELECTION

In conformity with the provisions of Title 19, Revised Statutes, and the amendments thereof and supplements thereto, NOTICE is hereby given that the District Board of Registry and Election in the BOROUGH OF RIVERTON, in the County of Burlington, will meet on the dates and at the place hereinafter designated for the purpose of adding to and revising the Registry List:
TUESDAY, OCTOBER 15, 1940
between the hours of one o'clock p.m. and nine o'clock p.m.

FIRST DISTRICT

Mrs. Reeves Is P. T. A. Leader

At the Annual Meeting of the Cinnaminson Parent-Teacher Association held in the auditorium of the Cinnaminson School last Wednesday night, the following officers were elected to carry on the work of the association for the next year: Mrs. Leslie Reeves, president; Mrs. Arthur Stowe, first vice president and Mrs. Alice Thomason, second vice president; Mrs. Thomas R. Bromley, treasurer; and Mrs. J. K. Taylor, secretary.

Mrs. Reeves took advantage of the number of active workers present at the meeting, and was able to make several key appointments to her executive board before the motion to adjourn.

The business of the meeting was largely concerned with a discussion of plans for the forthcoming Field Day, to be held on the school grounds on the afternoon and evening of May 28th (Tuesday).

Field Day
Elaborate plans for Field Day are in preparation—games, exhibitions and drills by the school children; and a big cafeteria-picnic supper served by the Parent-Teacher Association. It will be a truly gala affair, terminating in a father-and-son baseball game in the evening.

Supper arrangement will include plenty of picnic tables and chairs for all parents and friends who wish to share the good time and the good food in store for all comers. Cafeteria service from one long table will offer such picnic "indispensables" as hot dogs, hamburgers, potato salad, baked beans, cole slaw, sandwiches of various kinds, hot and cold beverages, ice cream, homemade cake and candies. All items on the menu, 5 cents each, and ample portions; except the candy, which will be of the penny variety.

Come out and enjoy Field Day with the children, and have an economical and delightful picnic supper with your friends. The Parent-Teacher Association will welcome you.

COUNTY COUNCIL P.T.A. INSTRUCTION SCHOOL

On Wednesday, May 2nd, the Burlington County Council of Parents and Teachers will hold a School of Instruction in Parent-Teacher techniques on the lawn of the Rancocas Meeting House; in case of inclement weather, the sessions will be held indoors.

The School of Instruction will be under the general direction of Mrs. Harold Gilpin, sixth vice president of the New Jersey Congress and director of the seven southern counties. Assisting her will be Mrs. Joseph A. Jones, State High Schools chairman; Mrs. John L. Bannan, State Summer Round-Up chairman; Mrs. Joseph Till, State Membership chairman; and Mrs. Eric Warrick, State Publicity chairman.

Each of these, supplementing Mrs. Gilpin's instruction on the general organization of Parent-Teacher work, will conduct a special conference on her own particular phase of activity. All local presidents—particularly incoming presidents—and officers and members of executive boards, are most strongly urged to attend this School of Instruction, which is the first of such pretensions that Burlington County has had for several years.

Come and bring a box luncheon; there will be hot coffee and ice cream on sale. Opening session promptly at 10 a.m. The date, May 22nd; and the place, Rancocas Meeting House.

RIVERTON A.A. TO OPEN MAY 25 WITH PALMYRA

The Riverton A.A. baseball team will start their 1940 season with the crack Palmyra nine on the latter's field. This game on Saturday, May 25, will be followed on Sunday, May 26, with the same clubs as rivals on the Riverton diamond.

These contests will open a seven game series between these bitter enemies for the Community Championship. Last season the Palmyrians were the victors in a short series. There will be several new faces in the Riverton lineup this year although the greater part of last

year's group is returning.

A new manager, Art Terrell, will coach and pilot the team in place of Charles Sims who guided the tossers to a successful season during 1939.

The lineup will more than likely be gathered from the following players:

Catchers: "Joe" Karitis, "Winnie" Schneider.
Pitchers: "Len" Baker, "Al" Diffenbaugh, "Al" Thomas, "Pete" Leonard, "Flip" Carhart.
Infielders: "Hoot" Gibson, "Sam" Rothbaum, "Freck" Freeman, "Bill" Wittmeyer, "Franny" Coles, "Art" Terrell.

Outfielders: "Bert" Brewster, "Herb" Kemmerle, "Pudge" McDermott, "Bill" McDermott, "Shorty" Wallace.

The field has had a complete renovation this year and the spectators will have plenty of seating space due to the new bleachers that have been placed on the third base line. New dugouts have been constructed and everything points to more satisfaction for the fans.

The players, too, will have more colorful uniforms wearing light blue caps and red, white and blue stockings.

One unfortunate note has been given to the setup however as Elmer Sutters, veteran third baseman will be unable to play because of an injury sustained in baseball.

Remember the dates—May 25 at Palmyra, 3:15; May 26 at Riverton, 2:45.

THE PEOPLE'S COLUMN

To the Editor of The New Era
Dear Sir:

For the first time in the twenty-one years I have resided in Riverton I am addressing you on a public matter. That at least will evidence the importance I attach to the re-election of David F. Gould to Council.

If there were fundamental issues

at stake upon which the public should pass judgment, those issues might overshadow the candidate in the minds of the voters. I am unaware, however, of any issue to which such weight should be attached.

Those who have worked with Mr. Gould are unanimous in their endorsement of both his devotion to the job in hand and his practical common sense execution of that job. He has of course no monopoly on these qualities. He has, however, exhibited them in high degree and there is therefore no question whatever on this important qualification for Councilmanic responsibility.

That in itself might not motivate me to a public expression of this kind but I feel there is something much more important in his candidacy. It is the fact that as chairman of the sewer committee he has devoted uncounted hours to the study of that project which must be completed by November, 1941. To this he has not brought a lay mind, but that of a trained engineer.

To throw overboard this knowledge and this ability, to me does not make sense. No private enterprise would countenance it. This project is an important major enterprise for the community and we should be grateful that a man so well qualified should expose himself to all the headaches and personal sacrifices it entails, without imposing on him the necessity of add-

ing to it a political campaign.
Yours very truly,
(signed) Clifton P. Mayfield.

OLIVER-HOFFMAN
Mr. and Mrs. Edward Hoffman, of Camden, announce the marriage of their daughter, Edna Marie Hoffman, to J. David L. Oliver, son of Mr. and Mrs. G. Roland Oliver, of 736 Garfield avenue, Palmyra, on Saturday, May 11.

CAFETERIA SUPPER
The Ladies Aid Society of Calvary Presbyterian Church, will hold a cafeteria supper on Thursday, May 23, from 5.30 to 7.30 in the church. A fine menu has been arranged.

State Aid

One of the most treacherous trends in taxation today is the practice of what is called "subventions" or "state-aid" to local governments.

Briefly, we mean by "subventions" and "state-aid," funds that are collected by the State and paid out of the State Treasury to counties and municipalities for local purposes.

Accepted eagerly by local governments because of the instinctive desire for "something for nothing," the practice invariably becomes deeply entrenched in a state before taxpayers realize that it is they who must foot the bill.

Since it looks like "easy money," the local governments try to get as much of it as they can, and many local officials even boast to the taxpayers when they get a "haul" from the state.

The "catch" to this system of governmental spending is that the money really comes from local taxpayers in the first place. It is a well-known but little heeded axiom that "the government can give to the people only what it takes from the people." There is no place for the government to get its revenue except from taxpayers.

A notable example of what happens when the practice of "state-aid" gets out of control is the recent experience of New York State's taxpayers. There the State budget is dominated by "state-aid" items, since the State government turns over more than half the tax money it collects to the cities for local use. So rapidly has this class of expenditures grown that New York's proposed State budget this year threatened to increase the state income tax by \$15,000,000. This proposal was killed, however, when taxpayers marched 8,000 strong to Albany, in a mass protest against tax increases.

Fortunately for New Jersey taxpayers, our State is not as deeply enmeshed in this system of spending as are virtually all her sister states. Whenever attempts have been made to create the new taxes that would be involved in such plans, the New Jersey Taxpayers Association and other civic organizations have fought them off.

Even so "state-aid" does exist in New Jersey to a far greater extent than most people realize. According to the Annual Report of the State Comptroller, of a total of \$127,031,276 expended by the State in the fiscal year ending June 30, 1939, a total of \$44,334,321 was turned over to the counties, townships and municipalities for local purposes. Every penny of this money came from the taxpayers.

It is vitally important that taxpayers prevent the practice of "state-aid" and "subventions" from spreading. It must be admitted that the most effective way to keep the cost of government within the paying ability of taxpayers is to keep local expenditures under local control. Since "subventions" to local governments look like "easy money" they lead to "easy spending" and discourage economy.

The Next Issue

It is becoming increasingly apparent that the next big international issue to be fought out in the United States Senate will be the extending of credit to the allies for war munitions. This cannot be accomplished without the repeal of the Johnson Act but there is little doubt that such a proposal will be made by the internationalists in the Senate within the next few months. The allies are going to run short of actual cash to expend for war materials some of these days and then we will be told that it is necessary for us to extend credit in the interest of "preserving the world for democracy."

It will be remembered that the Johnson Act was passed at a

time when the public was indignant because the European nations, except Finland, were welching on the payment of their war debts. The act provides that credit cannot be extended to a debt defaulter. Then we were irritated because European nations were calling Uncle Sam "Uncle Shylock," and the allies were intimating that after all they could have won the World War without our help.

It would seem that these recollections would make the repeal of the Johnson Act impossible now. But the American people are sentimental, emotional and possess short public memories. That has been indicated more than once in the past. And the country will be coated with the finest barrage of propaganda in the history of the country.

There is bitter opposition in the farming sections to the repeal of the Johnson Act. But the farmers will be told that the repeal of this act means that Europe will buy our corn, wheat, pork and other products and that the American agriculturist will be told that the continuance of their jobs depends on extending credit to the allies so that the wheels of our industry may be kept going.

No attempt will be made to recall the fact that the prosperity accorded to the farmers and the workers during the first World War well nigh ruined them after peace came and brought on a depression from which we have not yet recovered.

Any prosperity now built on war orders will react just as disastrously later on. Moreover one might ask what has become of the domestic prosperity which was promised us by the New Deal. If it is necessary for us to build prosperity on the shedding of blood in Europe rather than on sound economic procedures then we do indeed need a change of administration at Washington.

Nevertheless, the stage is now being set for the next international barrage at Washington. The propaganda will fly so thick and fast it will be impossible to answer the blasts. By combining the cry of "world democracy" and "American prosperity" the propagandists have more than an even chance of putting it over, unless the real American public is more than vigilant.

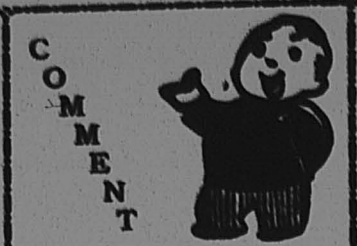

THANKS

"The Youth Activities Program in Cinnaminson, Riverton and Palmyra during the past two weeks was the most successful since its origin five years ago. I wish to thank the members of the committee for their splendid cooperation and to express on behalf of the committee sincere appreciation of the generous support received from the citizens of the three communities.

This annual project has become a fine tradition and should become increasingly important in the years to come."

John F. Ward, Chairman.
I also wish to thank The New Era for the fine publicity you have given us.

Don't be ashamed of your job or the size of your business; be proud and earnest and the people will respect you.

A Buffalo woman lawyer says that the fair sex of America is lagging in the job of gaining parity. Gaining parity? The women have been ahead for almost a generation. About the only thing we men have left for ourselves is chewing tobacco.

A New Dealer declares that the Republican Party has not been the party of expansion. That is true so far as the national debt and taxes are concerned.

The old fashioned man who used to play hooky from school on the first bright day has a son who leads the campus strikers.

We know of a fond mother who is so germ conscious she won't spank her little girl with anything but a sterilized hair brush.

Models of Leonardo da Vinci will be exhibited at the New York World's Fair this year. But don't get excited, men. All of them are over 400 years old.

The Hawaiian Democratic convention backs the third term. Does this come under the category of "pineapple sauce"?

Don't forget to vote next Tuesday.

CORRECTION

Second place in the junior class of paintings exhibited last week at the Porch Club by the pupils of Mrs. Murray C. Boyer was awarded to Mrs. Robert Biddle, 2nd and not as was reported in last week's issue of The New Era.

We're hoping that the coming generation can pull us through.

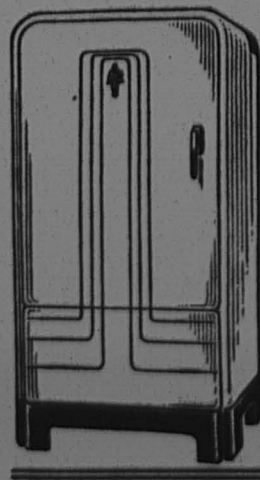

What is it that's—

—quiet as a guilty pup?

—as free of mechanical trouble as a sailboat?

—as white as a new handkerchief?

—as popular as the mailman?

There is only one answer. It's an ELECTROLUX Gas Refrigerator. Our showroom contains an Electrolux display, and low prices with a liberal deferred payment plan prevail in every case.

PUBLIC SERVICE

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

These long and sunny spring days offer an excellent opportunity to transplant garden materials which may have been grown from seeds in flats or seed beds earlier in the season. Danger of frost should be over by this time and, as a general rule, early transplanting is a good policy. Do not set out plants when the soil is too wet. Soil should be pressed closely around the roots of plants and it will harden later if too moist. Young plants live on the moisture stored in them until new root hairs are formed and these form more rapidly when the soil is not too wet.

Transplanting

It is ideal to transplant in rather dry soil and bring the soil in direct contact with the roots by copious watering after planting. Two essential factors in successful transplanting are successful transplanting around the roots and then sufficient moisture at the roots so that they have plenty of water as soon as the root hairs are developed. This will be within 24 hours if the plant is in good growing condition. A slight shading during this period is a big advantage for it lessens water transpiration and keeps the plant from wilting. Remember, in all transplanting a good portion of the roots are destroyed so that it is advisable to reduce the leaf surface, particularly with large plants. They will soon make plenty of leaf surface again.

Seed Planting

Seed planting can be continued in the open ground but the seed bed should be shaded with muslin, paper, or salt hay until the seed has germinated, for the ground is apt to dry out rapidly from now on, particularly on the surface. Continue planting gladioli and dahlias.

Be sure to have the sprayer ready and watch for plant-lice. It is also a good plan to spray plants that are subject to fungus diseases, particularly roses, delphiniums and lilies, with a fungicide. Many gardeners believe that for roses sulphur is the best fungicide, but Bordeaux mixture is preferred for most other plants.

HOBBY SHOW GREAT SUCCESS

A near capacity crowd gathered at the Community Center last Thursday night, May 9, and witnessed one of the most pretentious and attractive hobby shows yet given in this vicinity. This affair, educational and instructive in every particular, was sponsored by the Palmyra Fraternity as part of the Youth Week Program.

A very fine and enthusiastic showing was made by the children and, under the different divisions, ribbons were awarded as follows:

Natural History: William Dunn, Herbert Brooks.
Archaeology and History: Robene Garwood and Leonard Keenan.
Handicraft: Herbert Brooks, Courtney P. Houston, Jr., Alan and Donald Cooper.

Domestic Arts and Sciences: Priscilla Woodward, Eleanor Voorhis, Gladys Good.
Art: Frank Weigand, John Caution, Barbara Borger.

Camera Craft: Frank Christie, Stamps: George Luce, William Engle, Frank Christie.

Miscellaneous: George Weigand, Jr., Dorothy Blackbe, Eugene Diamond.

Group Exhibit: Troop No. 9 Boy Scout Troop, Riverton School Art Club, Riverton School Girls Handicraft Club.

Special award for Maps and Charts: Jessie Lippincott.

TENNIS COURTS OPEN MAY 18

The Tennis Committee has completed details to open the courts at Memorial Park for the summer.

New nets and other equipment have been procured and, together with the repairs to the fence, resurfacing of the courts, it is expected that the facilities at Riverton will be of the best.

The committee is endeavoring to secure a young man to take care of the courts. His duties will be to keep the surface in first class condition, renew the lines and see to it that regulations which govern the courts are adhered to. All applications for this position must be made to J. R. Jermon, 105 Seventh street, Riverton (man must be resident of Riverton, and 16 years or over).

SCHOOL OF INSTRUCTION

Mrs. Harold B. Gilpin, Southern District Director of the State Parent Teacher Association will conduct a School of Instruction on May 22nd, at 10:30 a.m., at the Rancocas Friends' Meeting House. Bring a box lunch. Those wishing transportation please notify Mrs. John Abell, Elm terrace, Riverton, phone 959.

LIQUOR QUESTION HOTLY CONTESTED

(continued from page 1)

vote in the case of a tie and cast their votes accordingly. He said he had his own feelings against the business but that his feelings in the matter would not necessarily dictate the way he would vote under all conditions.

The mayor pointed out that a new ordinance had recently been passed limiting the number of licenses within the Borough to four consumption and two distribution. Since there was but one distribution license in the Borough, the Mayor wanted to know if Council was not obligated to grant the new applicant his license, since his papers were in order, there were no objections, and that the applicant apparently enjoyed a good reputation.

Attorney McCay stated that he believed they were obligated to grant, unless good reasons were given to the contrary.

The attorney for the applicant indicated that he would appeal the decision and council stated they would be willing to go to Newark again if necessary in defense.

To Amend Ordinance

Councilman Mervine moved that the recent ordinance be amended to limit the number of consumption licenses to four and the number of distribution licenses to one, and that the attorney be instructed to prepare such an amendment. Councilman Engle countered with an amendment to Mr. Mervine's motion regulating the consumption to three and the distribution to one. Mayor Ward called for a vote on the Engle amendment and it resulted in a tie with the members voting as follows: No: Mervine, Wright, Flynn; Yes: Engle, Huyett, Landgraf. Mayor Ward voted yes making the Engle amendment good.

Mr. Mervine asked to have his motion withdrawn and after a discussion the Mayor, with the consent of all parties, agreed.

Immediately thereafter the same motions were made again and drew the same vote with the Mayor breaking the ties by voting yes. Councilman Flynn stated that this means the colored people will not be permitted to have a place of their own where they can go to be served with liquor. He said he had investigated the situations in other towns and found that Palmyra was the only town that did not have one devoted to serving colored patrons. He further stated that police chiefs in other places said a place for the colored trade was the best way to handle the situation.

Mayor Ward said that such was not the case, the ordinance makes

BETHANY EVANGELICAL LUTHERAN CHURCH
Broad Street and Morgan Avenue
Palmyra, N. J.

Rev. Harold Lee Rowe, Pastor
Sunday, May 19.
Church School, 9:45 a.m.
Chief Service, 11:00 a.m. Sermon subject, "The Dilemma of Nicodemus."
Luther League, 6:45 p.m.
Vespers, 8:00 p.m. Sermon subject, "Evil Takes a Holiday."

The pastor at Bethany together with the lay delegate of the Parish, Mr. J. J. Vatter, will attend the sessions of the Third Annual Convention of the Central Pennsylvania Synod of the United Lutheran Church in America at Johnstown, May 20th to 23rd.

Holy Communion Sunday, May 26. Chief Service, 11:00 a.m.

CHRISTIAN SCIENCE CHURCH

"Mortals and Immortals" is the lesson-sermon subject for Sunday, May 19, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "This corruptible must put on incorruption, and this mortal must put on immortality." (1 Corinthians 15:53).

Among the lesson sermon citations is the following from the Bible: "The righteous shall never be removed; but the wicked shall not inhabit the earth." (Proverbs 10:30). The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Let the perfect model be present in your thoughts instead of its demoralized opposite. This spiritualization of thought lets in the light, and brings the divine Mind, Life and Death, into your consciousness" (p. 407).

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Services Sunday, May 19th.
Bible School, 10:00 a.m.—Classes for all ages and teachers for classes.
Morning service, 11:15—"Saved in Christ" will be the subject of the sermon for the morning. Anthems by the choir.

B.Y.P.U., 6:45 p.m.—One hour service for young people of high school age.

Evening Service, 7:45 p.m.—Why not enjoy your Sunday evenings by attending the evening service? You get a real inspiration for the week. The pastor will have as his subject, "The Pool of Bethesda." Anthems by the choir.

A charter will be presented to the L.T.S. Class, which has been sponsored by the Philathea Class, on Friday evening, May 17th, at 8 o'clock in the Sunday school. Everyone invited. Entertainment and refreshments.

A spring party for the children of the primary department will be held on Saturday afternoon from 2 to 3 o'clock in the Primary room.

On next Thursday evening, May 23rd, at 8:15 o'clock, the choir will present a very fine program of Sacred music in connection with the celebration of "Music Week." A careful selection of the numbers has been made by their director, Mr. Claude Barto, being especially appealing to everyone in these particular times. The public is most cordially welcomed to this concert. It will be music that everyone likes to hear. The presentation is being sponsored by the members of the class of Mrs. Edward Hughes.

Twilight Services are being arranged by the several churches in Palmyra as has been the yearly custom. Singing in the Grove is one of the features of the service. However, it becomes necessary that a piano be secured for the services as the one that has been on the Municipal Band Stand has become useless. Anyone having a piano to loan for the occasion or knowing where a loan of one can be made, kindly phone Pastor George Lockett, and arrangements will be made to procure same.

Men should be eternally grateful that they don't understand women.

77th ANNIVERSARY OF CONGREGATION

Next Sunday the Palmyra Moravian Church, at Five Points, will observe the seventy-seventh anniversary of its organization with two festive services.

10:45 a.m.—Anniversary sermon by the Rev. F. P. Stocker, of Bethlehem, Pa., President of the Eastern District of the Moravian church.
3:00 p.m.—Anniversary Lovefeast. Delegations from the other Moravian congregations will be present, and their pastors will bring brief messages of greeting. The Rev. F. P. Stocker will give the closing address. The choir will be heard in festival anthems at both services.

SACRED HEART CHURCH

Riverton N. J.

Rev. John F. Welsh, Pastor.
Rev. Vincent A. Luther, Assistant Pastor.

Sunday Masses, 7:00, 9:00, 10:30.

Confessions: Every Saturday, 3:45 to 5:45 and 7:30 to 9:00.

Miraculous Medal Novena: Every Monday evening at 7:45.
Religious Instruction: Elementary School Children, Friday at 3:45.

Wednesday, Friday and Saturday of this week are Ember Days, days of Fast and Abstinence. By special Papal Indult, working men and their families are permitted the use of flesh meat once on Wednesday and Saturday.

Next Sunday, the Feast of the Trinity, is the last Sunday on which to fulfill the obligation of receiving Holy Communion during the Easter season. This is a serious obligation binding in conscience for every Catholic. Sick people are not excused. Those in charge of the sick should notify the priest who will be glad to take care of them.

Sunday afternoon at three o'clock the Annual May Crowning and Reception will be held by the young ladies of the Senior and Junior Societies.

dalities. They will be assisted by the children of Sacred Heart School, Mary Casey, prefect of the Sodality, will be May Queen.

Tickets for the play, "Seven Chances," are being sent out this week. Other tickets may be procured from any member of the cast.

Meeting of Sacred Heart Dramatic Club: Thursday evening at 7:30.

Masses on Sunday: 7:00, A. Pfaff, T. Cardia; 9:00, J. Ford, J. Laverty; 10:30, R. Strohm, R. Dennis, V. Collar.

MALONEY-ROBBIE

The wedding of Miss Elizabeth Marion Robbie, daughter of Mr. and Mrs. Kenneth Robbie, of Woodland avenue, Newport News, Virginia, and John Mood Maloney, Jr., son of Mr. and Mrs. John Mood Maloney, of Martine avenue, took place on May 10 in the chapel of St. Paul's Episcopal Church.

The couple were attended by Mr. and Mrs. John Richie, also of Newport News.

Following a wedding breakfast, Mr. and Mrs. Maloney left for a short wedding journey. They will make their home in Hilton Village, Virginia.

ATTEND BANQUET

The annual banquet of the Burlington County Bankers Association was held at the Walt Whitman Hotel on Thursday night of this week.

Those from this section who attended were: Mr. and Mrs. Howard Conover, Mr. and Mrs. Morris H. DeCoursey and Mr. and Mrs. Herbert Kemmerle.

Guests included Joseph F. Hammond, president, and Armit H. Coate, secretary, of the New Jersey Bankers Association.

MRS. LOUISE RICKER DIES SUDDENLY HERE

Mrs. Louise Ricker, 77, was found dead on Tuesday morning of this week, at a residence on Washington street, Parry.

The body was discovered when Mrs. I. S. Tarten, of Philadelphia, who was calling was unable to gain admittance and saw Mrs. Ricker sitting in a chair near the window.

Believing her to be dead or seriously ill, she notified Chief George Dorworth, of Cinnaminson, who entered the house, having called Dr. T. Bruce Dickson. The doctor stated that the woman had been dead for about 12 hours.

Coroner James Tomes, of Moorestown, gave permission for the body to be removed to the Snover Funeral Home, Palmyra.

BIRTH

Mr. and Mrs. William Evans, Jr., of 414 Lippincott avenue, Riverton, are receiving congratulations on the birth of a son, William Evans, 3rd, on Monday of this week, in Cooper Hospital, Camden.

GIRL SCOUT MEETING

The regular meeting of the Girl Scout Troop Committee will be held Tuesday evening, May 21st, at 8 o'clock at the home of Mrs. Archibald Bush.

If age and experience bring wisdom, they should bring wisdom.

KNOW YOUR BANK

The Logic of Service Charges

A BANK has two commodities to sell—credit and services—and compensation for these is essential if the bank is to operate soundly.

Every service rendered costs the bank money. There are direct expenses such as the cost of the actual time spent in handling checks—examining them to guard against forgery and alteration, sending those deposited to other banks for collection, bookkeeping entries, filing, postage, stationery, forms and records. There are indirect costs such as rent, light, heat, depreciation, salaries, insurance, taxes.

If a depositor's loanable balance is not large enough to produce sufficient earnings to offset the costs of services rendered, then a charge is necessary. This, you will agree, is simply sound business practice.

Cinnaminson Bank and Trust Co.
RIVERTON, N. J.

PALMYRA DROPS GLOUCESTER TEAM

Locals Take Weird Ten Inning Fracas as the Lead Changes Frequently

It took Palmyra High 10 innings to push over a decision over Gloucester on Thursday afternoon, at Palmyra Recreation Park, in a fracas that finally wound up with the locals on the long end of an 11-10 count.

Each team appeared to have the affair sewed on sundry occasions, but the encounter developed into somewhat of a free-for-all scoring bee, where one or two runs became merely incidental.

The invaders led 4-3 up to the end of the fifth, but the Dimondmen went to the van in the sixth by tabbing a pair of markers. Gloucester got two more in the seventh, but the locals evened things up in the lower half of the same stanza.

In Lead Again

Palmyra went to the fore in the eighth by virtue of a singleton, but the enemy pushed over three in the ninth for a two run bulge.

The Dimondmen appeared to be through in their last stand as the first two batters were easy outs. At this crucial point, Gibson jostled one for a merry single and Snyder, diminutive catcher connected for this third bingle of the afternoon.

Carhart proved to be the Frank Merriwell by poling out a juicy double and things were again at a stalemate, the count reading 9-all.

One More

Gloucester still had a kick left and scored their 11th run on a walk, sacrifice, stolen base and a single, which again brought up the Dimondmen for another Custer's last stand.

By this time the fourth hurler of the opposition was on duty, but Ott greeted him with a lusty single and the catcher assumed the pitching chores. He pitched to Van Emburg, who promptly whacked one for a safety and the catcher who was pitching was waved back to his former post behind the platter.

Upon looking over the available mound talent, the opposition coach found little to please his eye, but the first baseman (perhaps he was nearest) was the next pitching choice. This youth, sensing probable disaster, reluctantly assumed the throne and promptly walked Kenson to cram the bases.

Hits Two

Brewster, in an African dodger act, was not sufficiently adroit to evade a fast one and Ott sauntered in with the tying marker. Kemmerle took his turn, but the first baseman-pitcher was still wild and Herb also got plunked. The winning run resulted from this bit of poor marksmanship and the affair was history.

Van Emburg, who relieved Leonard for Palmyra, with two out in the third, twirled nicely and would have won in regulation innings had not a pair of misuses in the ninth given the opposition a new lease on life.

Palmyra got 15 hits off the assorted offerings of the Gloucester "pitchers," with Snyder annexing four, including a triple. Gibson got a pair, one being good for three bases, while Van Emburg connected safely on two occasions.

Score by innings:
Gloucester 103 000 203 1—10
Palmyra 012 002 112 2—11

TENNIS TOPICS

The Palmyra tennis season is in full swing and challenges are coming in right and left. Jack Hannum challenged Dick Deemer with Dick winning by 6-4 and 6-3.

Arthur Faunce challenged Jimmy Ballantyne but Jim won to the tune of 6-1 and 6-4. Bill McCamy challenged mighty "Pop" Deemer and Pop was repulsed with the score of 6-1 and 6-3.

The Palmyra Tennis Club plays Delanco Tennis Club this coming Saturday, May 18, in a tournament at the Palmyra courts, at 2 o'clock. It is the first match this season and a lively tussle is expected.

A lot of people prefer to appear dumb as a protective device.

SPORTS CALENDAR

Monday, May 20: Memorial Park Softball League, 6:45. Dawley Olds vs. German Kitchen.

Wednesday, May 22, 3:20: Track meet, P.H.S. vs. Glassboro, stadium.

Wednesday, May 22, 3:15: Baseball, P.H.S. vs. Camden Catholic, Recreation Park.

Wednesday, May 23: Memorial Park Softball League, 6:45. All Stars vs. Firemen.

Saturday, May 25: Baseball, Riverton vs. Palmyra, Recreation Park.

Sunday, May 26: Baseball, Palmyra vs. Riverton, Memorial Park.

All Stars Win League Opener

The Memorial Park Softball League opened the current season on Monday night of this week with the All-Stars (no sponsor to date) defeating Dawley Olds, the 1939 champion cast by the count of 5-3.

The affair was exceptionally well-played, both teams appearing in mid-season form.

The stars pushed over three runs in the first and were never severely pressed. Successive hits by Foulke, Buchholz, Humes and Terrell were responsible for the initial assault on Hubbs, Dawley pitcher, who allowed 12 safeties.

Four Off Knight

Knight hurled for the All-Stars and gave up four hits.

Foulke, at third for the winners was a shining light, handling six chances with great dexterity.

A fair sized crowd viewed the proceedings.

The firemen meet German Kitchen this (Thursday) evening.

The Lineups

All Stars: Weikman, ss; Broderston, r; Foulke, 3b; Buchholz, c; Humes, 1b; Terrell, 2b; Baker, lf; Cahill, rf; Anderson, cf; Knight, p.

Dawley: Kessler, r; Carpenter, 2b; Beddow, cf; Enskat, lf; Coles, ss; Hubbs, p; Hoff, 1b; Schuck, rf; Small 3b; Bonatelli, p.

Score by innings:
Dawley 010 100 000—2
All Stars 310 010 00x—5

Umpires—Rotenbury, Richman and Carhart.

PIKE SEASON TO OPEN

Another chapter of the 1940 New Jersey fishing schedule will be started when the pike, pickerel and picker season opens on May 20 to give licensed anglers an opportunity to participate in their favorite sport.

The State Fish and Game Commission announced this week. The season will remain open until November 30.

"DR. KILDARE'S STRANGE CASE" AT FOX THEATRE, RIVERSIDE, SUN. - MON.

"Dr. Kildare's Strange Case," latest "Dr. Kildare" film will show Sunday and Monday at the Fox Theatre, Riverside. It is a worthy successor to the previous films of the scientific romance series. Fourth of the series, "Dr. Kildare's Strange Case" moves at a brisk pace, directed by Harold S. Bucquet, with Lionel Barrymore as the irascible

Dr. Gillespie, Lew Ayres as the young impulsive Dr. Jimmy Kildare, and Laraine Day as nurse Mary Lamont in the leading roles.

The film traces the activities of Ayres, young interne assistant at Barrymore, as he takes matters into his own hands to help a surgeon friend who is in trouble over what is thought to be a bungled brain operation. Principals in the cast include Sheppard Strudwick, late of the New York stage, Samuel S. Hinds, Emma Dunn, Nat Pendleton, Walter Kingsford and Alma Kruger.

Highlight of the film comes with the screen's first picturization of the use of insulin shock to bring a demented person back to normalcy. John Seitz photographed the film effectively to enhance the tense situations within the hospital.

NETMEN WIN TWO

The Palmyra High School netmen were victorious in two out of three matches held during the past week, shutting out Moorestown and Camden High by 5-0 scores and being handed their first setback in four matches by Bridgeton High 3-2.

By beating Camden High, Coach Gering's squad now stands an excellent chance of capturing the South Jersey Group 1 tennis league. Two matches remain to be played in league competition, Woodrow Wilson, today at Camden, and Collingswood away on Tuesday.

Bridgeton 3 - Palmyra 2

Singles
Peck, Bridgeton, defeated Stickle, Palmyra, 1-6, 6-4, 3-6; West, Palmyra, defeated Newton, Bridgeton, 6-2 7-5; Hozier, Palmyra defeated Fisher, Bridgeton, 1-6, 6-3, 6-4; Peterson, Bridgeton, defeated Wilson, Palmyra, 6-4, 6-1.

Doubles

Cotler, and Monaghan, Bridgeton, defeated Dietz, and Deemer, Palmyra, 7-9 6-4 9-7.

Palmyra 5 - Camden 0

Singles
Stickle Palmyra, defeated Sussman, Camden, 6-0, 6-1; West, Palmyra, defeated Taylor Camden, 6-4, 6-2; Hozier, Palmyra, defeated Whitney, Camden, 6-1, 6-1; Wilson, defeated Manning, Camden, 3-6, 6-3, 7-5.

Doubles

Dietz, and Deemer, Palmyra, defeated J. Moor, and W. Moor, Camden, 6-2, 15-13.

PALMYRA SPLITS WEEKEND GAMES

The Palmyra entry in the Burlington County Baseball Loop got off to a good home start on Saturday afternoon, with Mayor John F. Ward looping the first ball over the rubber for a perfect strike. The homesters took Delanco into camp 5-1 behind the six hit pitching of Diffenbaugh. He whiffed 15 of the enemy.

Palmyra scored all their runs in the initial frame and breezed through the remainder of the contest easily.

Lose Sunday

The locals journeyed to Riverside on Sunday and sustained the first reverse in three starts, losing by the

NOT SINCE "JESSE JAMES" HAS HE HAD SUCH A ROLE!

count of 12-2. Murray, Altadonna and Hamlin all worked on the hill, but were touched for 16 hits. Palmyra went hitless, but Roberts, Riverside pitcher failed to enter the Hall of Fame when two walks and a brace of errors allowed his foes to tab two runs in the ninth frame.

The charges of Manager Jim Rapp are now in second place, trailing Maple Shade by half a game.

WASHINGTON TRIP ENJOYED

One hundred and four thrilled and exhausted P.H.S. seniors arrived at Palmyra station at 5:49 p.m., May 8. The group spent three happy and glorious days touring Annapolis, Mount Vernon, and Washington, D. C.

The trip was enjoyed by all, including the four chaperones. Mr. Blackstone, manager of the New Colonial Hotel and Mr. Reigle, representative of the P.R.R. both stated that this class was a well-behaved group.

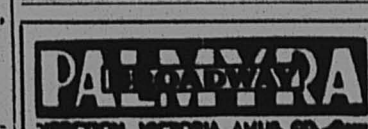

The group appreciates the fact that this class was a well-behaved group for them to have this educational and pleasure trip.

SOLID TRAIN TOMATOES

The tomato planting season is in full swing, with arrivals of southern plants at Riverton reaching the peak of the year on Monday of this week, when 12 cars arrived here.

Eight of these came during the middle of the morning in a solid train.

By noon, both sides of South Broad street were lined for blocks with farmer's trucks awaiting delivery. Unloading was carried on from Linden avenue to east of the freight station with commercial vehicles from scores of New Jersey and Pennsylvania communities on the receiving end.

WIDER STREET ASSURED HERE

(continued from page 11)
the matter has been finally settled with government officials.

The improvement, when completed, will add materially to the parking facilities in the heart of the business section and has the approval of many business men.

Parking
The restriction of parking in certain sections to a one-hour limit was decided upon, while parking on one side of certain streets was banned entirely, according to the provisions of an ordinance which is being prepared by the borough solicitor, Walter Carson.

This ordinance will be published in full in a later issue of The New Era as soon as approval of the state commissioner of motor vehicles has been obtained.

There was also a long discussion concerning more adequate parking facilities on the west side of Main street, north of the railroad, but no definite decision was reached on this question.

Department bills in the amount of \$12,071.73 were approved and ordered paid, this sum including second quarter county taxes of \$6,377.81.

The suspicions of women, so far as men are concerned, are not without foundation.

FOX RIVERSIDE

Friday and Saturday, May 17-18

BETTER THAN "DODGE CITY"

To Riverton Citizens

May 14, 1940.
The Mayor and those members of Council whose terms do not expire this year feel it incumbent upon them to acquaint the citizens of Riverton with the capabilities of Messrs. Bush and Gould who have been urged to stand for re-nomination this year.

Both men have devoted themselves earnestly and with exceptional ability to their respective public duties and each merits a return to office by this Community which is so fortunate as to have men of their type willing to give their time and energy purely as a civic duty.

Mr. Bush, a graduate of Swarthmore College, has been Chairman of the Ordinance and Fire and Water Committees. While recognizing the importance and necessity of Fire Company to the community he has always kept the interest of the Borough as a whole in mind in recommending expenditures for this activity. During his term as chairman a new fire truck together with any necessary hose and other equipment has been purchased. There is probably no community in the state of comparable size better equipped with adequate apparatus than the Borough of Riverton.

Mr. Gould, a graduate of Massachusetts Institute of Technology, a Chemical Engineer, has been chairman of the Sewer and Borough Property Committees. He has given unsparingly of his time in collaborating with the Borough Engineers in the preparation of the necessary plans and specifications for the proposed sewage disposal plant. In addition to this work has taken time to visit sewage disposal plants in various parts of the state in order to acquaint himself with the latest and most up-to-date improvements in sewage disposal designs and practices so that Riverton's plant will be the last word in approved installations. As the State Board of Health has notified the Borough that this plant must be in operation by November 1st, 1941, would be most unfortunate for this community not to have a man of his ability and qualifications to head up the Sewer Committee and to supervise the construction of this most important project.

From the foregoing outline it can be seen that it is most desirable for the best interests of the whole community that these men, who are strongly endorsed by their associates of the past two and more years, be re-nominated next Tuesday.

H. McIlvaine Biddle, Mayor.
Robert W. Knight.
Nathan Lane.
Earl A. Shrader.
J. W. Sylvester.
Members of Council.

For Council

HAROLD AUBREY WATBURN
Certified public accountant, 4 the States of New Jersey and Pennsylvania. Registered Municipal Accountant of New Jersey and for many years auditor for various New Jersey municipalities.

Chiefly interested in keeping the Borough tax rate as low as possible as will permit the maintenance of the necessary basic municipal services, such as police and fire protection, etc.

The increased rates for the years 1939 and 1940 were wholly unnecessary and could very easily have been avoided had Council taken proper action.

The present Borough road appropriation is substantially higher than comparable municipalities. The whole program of permanent road improvements out of current operations should be studied and re-examined in the light of today's conditions.

—H. Aubrey Walburn.

JOHN W. GOODWIN
In announcing my candidacy on the Republican ticket for Member of Borough Council of Riverton I might say that I resided in Riverton for the past 18 years, and have been interested in civic activities and our local government, and by reason of my close relations with local affairs I feel qualified to ask the citizens of Riverton for their support, Tuesday, May 21st. I have been active in the Riverton Fire Co. for the past 8 years and at the present time, President.

Assuring the citizens that if I am

JOS. L. STACK OUT FOR COUNCIL

Seeks Public Office for First Time; Palmyra Resident For 40 Years

Joseph L. Stack, of 227 West Broad street, Palmyra, is a candidate for Palmyra Borough Council, seeking the Republican nomination at the Primary election next Tuesday.

"Joe" as he is best known in Palmyra, has been a resident of the borough for the past 40 years and has operated a successful coal and ice business for the past 20 years. He has always maintained an active interest in civic affairs having been a fireman for the past 23 years and chief of the fire department 10 years. He has been a member of the Ambulance Association since its inception and is a four-star member of the American Legion. "Joe" served in the United States Navy during the 1st World War.

"Joe" states that this is the first time he has ever run for public office in the borough and asserted that his only interest is to make Palmyra a better place in which to live, keep the tax rate down to the lowest possible level and feels that because he is in town most every day he will be readily available if needed and can devote more time to the work if elected.

WRIGHT, ENGLE VOTERS' CHOICE

Obtain Republican Nominations For Members of the Borough Council

Arthur P. Wright and William F. Engle won the Republican nominations for member of the Palmyra Borough Council at the Tuesday election, leading a field of five candidates.

Wright was high man on the ticket with 714 votes, and carried all districts while Engle, who ran second, nosed out Joseph L. Stack by a margin of 65. Stack won in the first and fifth from Engle, Dickinson and Henson finished in that order.

With factional battles on in every district for members of the Republican County Committee, there was a fairly heavy vote polled, particularly during the latter part of the day.

The tally was not completed in two of the districts until after 8 o'clock on Wednesday morning.

Committee Winners

First district—A. F. Sacca and Hannah P. Flynn; second district—Thomas Schwick and D. E. Christine; third district—George N. Wimer and Elizabeth Henningway Tees; fourth district—W. F. Nash and H. B. Reiter; fifth district—Joseph L. Stack and L. M. Ingram.

The strength of the Democrats is indicated by the fact that Mary A. Duffy and Ralph A. Sailer received 151 and 164 votes respectively for the party nominations for members of borough council.

Edwin A. Griscorn, running unopposed for the Republican nomination for collector polled a total of 1,217 votes in the five districts.

Circus Coming To Riverton June 4

On Tuesday, June 4th, at 6:00 p.m., in Memorial Park, the Riverton School will present a circus at the annual Field Day. Supper will be served at 5:00 o'clock by the Parent-Teacher Association. Come early, bring your appetites for supper and don't forget the peanuts and pink lemonade.

POPPY SALE

The Frederick M. Rodgers, American Legion Post, of Palmyra, will officially open their annual Poppy Sale this Friday evening with the aid of the Palmyra Bugle and Drum Cadet Corps who will parade at 7:30. The committee in charge of the sale urges the residents of Palmyra, Riverton, and Cinnaminson to purchase their poppies here in their own community. A contribution of any amount will be greatly appreciated.

The members of the Post and the Palmyra Bugle and Drum Corps will attend their annual Memorial Day church service this Sunday evening in a body at the Central Baptist Church at 7:45.

MANDEVILLE NAMED

In a quiet privacy, insofar as the local situation was concerned, Elmer Mandeville, member of the Cinnaminson Township Committee, received the Republican nomination for re-election to that post at the election on Tuesday. Sticker opposition failed to materialize. There were no Democratic nominees.

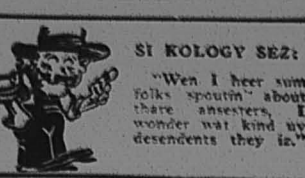

The other contests were for members of the Republican County Committee, in the 1st district, where David B. Coles defeated Alexander C. Wood, 3rd, and Irene G. Parson won from Mary Manco in a close vote.

It's a pity that no way has been found to harness the energy that is dissipated on golf courses.

THE NEW ERA

RIVERTON :: CINNAMINSON :: PALMYRA

RIVERTON—PALMYRA, N. J., THURSDAY, MAY 23, 1940

PRICE FIVE CENTS

GOULD, BUSH FOR COUNCIL

David F. Gould and Archibald Bush, present members of Riverton Borough Council, easily defeated their opponents, H. Aubrey Walburn and John W. Goodwin, for the Republican nominations as members of the local governing body at the primary election.

The winners carried all three districts. The voting was light with the exception of the second district, where over 300 votes were polled.

The only other local contests were for members of the Republican county committee. In the first district, G. Rex Showell and Verda Austin were named; Alma M. Evans and Richard M. Woodward were the choice in the second, while Mary Alloway and Hilton M. Smith won in the third.

The Democratic vote was exceptionally light.

RED CROSS APPEAL

Ten Million Dollars Needed \$600 from Riverton and Cinnaminson

Is six hundred dollars so much to ask from this peaceful town and community where we hear the planes fly overhead night and day without fear or panic? What is six hundred dollars when we think of our safety—our light—our water—our gas—without which we could hardly carry on?

When our representative calls upon you this week of May 27 to remember these things and the long line of refugees driven from country to country, and GIVE so that we too may support this great organization for its emergency needs resulting from the present conflict, wherever they may develop. These funds are to be used wholly and exclusively for war relief work—no part will be used in the regular activities and program of the Red Cross, no part will be used to meet expenses of this campaign.

As the Red Cross of Germany, Russia and Japan have announced that they can take care of their own needs and do not require assistance, the American Red Cross will use the funds asked for at this time to relieve the sufferings in the other countries thus far involved in the armed conflict. These countries have indicated that they will welcome assistance from the American Red Cross. All contributions from children will go to the children's fund.

Riverton and Cinnaminson is your chance: let there be no Black-out of Mercy.

WAGNER CLUB SPEAKER

The Palmyra-Riverton Business and Professional Men's Club was honored on Tuesday by having Harold Wagner as the guest speaker at the weekly luncheon of the organization held at the Riverton Country Club.

Mr. Wagner told of interesting incidents that occurred during the spring training in California. New members welcomed were: Russell Martin and Horace Seither. The active membership at present is twenty-nine.

All copy for this issue must be received not later than 12 noon on Tuesday.

The cooperation of our news contributors and advertisers will be greatly appreciated.

PALMYRA SCHOOL EXHIBITS

The annual school exhibit, grades 6 to 12, will be held in the Delaware Avenue and high school buildings, Friday evening, May 24, 7:30 to 9:30. Many special features are planned. There will be an orchestra concert in the auditorium from 7:45 to 8:30 and a band concert in the auditorium from 8:45 to 9:30. Visitors may attend one or both concerts or the exhibit as they desire.

A dinner will be served to the local and sending Boards of Education by the Palmyra Parent-Teacher Association in cooperation with the high school Home Economics Department. A complete service of dishes, silverware, etc., has been presented to the Palmyra Board of Education by the Parent-Teacher Association and will be used for the first time. The complete service will care for 150 persons.

MEMORIAL DAY

The Frederick M. Rodgers, American Legion post, will have charge of the Memorial Day program this year with Palmer L. Adams, as chairman, assisted by Avery Willis, commander.

The parade will start at 1:30 o'clock from the Riverton firehouse. Those who will participate include Mayor H. McIlvaine Biddle, of Riverton, Mayor John F. Ward, of Palmyra, and their respective councils. A squad from the 114th Infantry from Burlington. All local veterans are invited to march. The Palmyra Bugle and Drum Cadet Corps, the Palmyra and Riverton Branches of the Red Cross will be represented together with a huge float. The Palmyra High School Band, Girl Scouts, and both Boy Scout troops, and all the school children of the three communities will parade also in addition to the Columbus Cadets.

The line of march will be from Riverton Fire House, down Broad street, to Cinnaminson avenue, out Cinnaminson avenue, to the Morgan cemetery, returning to the Methodist cemetery, with the services to be held in the Grove.

Former Judge Frank A. Mathews, will be the principal speaker. Mayor Ward, and Mayor Biddle, will also speak. Avery Willis, commander of the Palmyra post will be in charge of the services held in the Grove. A minister from each community will give the invocation and benediction.

The Palmyra P.O.S. of A. will furnish the flags given to the school children to be placed on the graves of the two cemeteries.

Those assisting Mr. Adams are Avery Willis, George Durgin, Harold Marshall, William Engle, Charles King, Charles Joyce, George Luce, William Gibson, Joseph Seel, and George Weiband.

Powers Quoted On Defenses

In response to the scores of letters he receives daily urging national preparedness, Congressman D. Lane Powers recently issued a statement favoring "a preparedness program that is carried out safely, carefully and swiftly, and in conformity with a definite plan."

Letters urging a greater national defense system have flooded the Congressman's office within the past few days. Of the approximately one hundred received, only two have stressed the need for a preparedness program that is carefully thought out in advance, according to Powers.

"As ranking minority member of the War Department Sub-Committee of Appropriations," the Congressman stated, "I can authoritatively say that our committee has always counseled a careful expansion of our national defense."

NEW ACME OPENS IN PALMYRA

BOY SCOUT NEWS

Burlington County Boy Scouts will move into encampment on Friday and Saturday, May 24 and 25, for a two day test of Scouting knowledge at Camden Reservation on Rancocas Creek between Bridgeboro and Masonville. The annual camporee has been increased in difficulty of tests and scope of activities with nearly 100 scouts taking part.

The patrols will hike from Bridgeboro road to the encampment early Friday evening where judging of equipment will be the first test of the two-day period. Through Friday night and Saturday they will be judged on camping ability, knowledge of Scoutcraft and competitive events in Scouting tests.

Lieut. Commander James B. Ryan, U. S. N. Retired, of Palmyra, is general chairman assisted by John T. Quinn, of Mount Holly, and Richard Devereaux, of Burlington. The committee has been working on the program for nearly two months and Commander Ryan announced this week that all is in readiness for the Camporee. Scout Executive George A. Darlington will serve as Camp Director.

One of the most vital tests of the Camporee is the preparedness of the scouts for rain or fair weather. The Camporee is held despite weather conditions and the patrols must pitch camp for any emergencies.

At the conclusion of the camping on Saturday night three classifications of awards will be made by the judges. The three standards which a patrol may equal are proficient, standard and participating. The awards will be made when the patrols pass in review before the Camp staff preparatory to breaking camp.

NEW CITIZENS' DAY MAY 26

New Citizens Day ceremonies will be held May 26th at all clubs, organizations and the general public are cordially invited.

On May 3, 1940, President Roosevelt issued a Proclamation designating one Sunday every year as "I am an American" or "New Citizens Recognition Day."

This day is to serve annually as a day of welcome and ceremony for all young Americans who reach the age of 21 years in that year and all new citizens who have been naturalized within the last year.

Since some two million young men and women in the United States each year reach the age of 21 years and since thousands of men and women are annually naturalized, "it is very desirable that the sovereign citizens of our Nation be prepared for the responsibilities and impressed with the significance of their status in our self-governing Republic."

It is hoped that beginning with next year all states and communities will celebrate "New Citizens Day" on the third Sunday in May.

Why?

The question has sometimes been asked "Why Should New Citizens Be Especially Welcomed?" The answer is "Because all new citizens have assumed additional responsibilities as full members of the American nation and at the same time have gained additional rights, which are of great importance to themselves. New Citizens Day is, in a sense, like the birthday on which young people come of age. It marks the beginning of rights and responsibilities which make them freer and more important to the community than they were before."

Too many citizens of the United States have through carelessness come to regard their own citizen-

ship as a matter of routine which is only important on election days and the fourth of July. They have not thought as seriously as they ought about the blessings of our American form of government.

Citizenship Day celebrations were held as far back as 1915 but now we are striving to gain a uniform day.

Mayors of a number of towns and cities throughout the country have issued proclamations similar to that issued by Burlington County Americanization and Citizenship Committee is hoping and preparing for a large turnout next Sunday. The ceremonies are to be held in the Court House at Mt. Holly, Sunday, May 26th, at 3 o'clock.

Features

Some of the features of the program will be music furnished by a twelve piece section of the Mount Holly High School orchestra. The main speaker will be the Honorable Frank A. Hendrickson, Judge of the Burlington County Court of Common Pleas. Other speeches, singing by the group, and patriotic souvenirs will complete the program.

Among the patriotic organizations taking part in the program will be the American Legion, the Veterans of Foreign Wars, the Daughters of the American Revolution, the Patriotic Sons of America and the Burlington County American and Citizenship Committee.

The program is scheduled to last about an hour and all interested citizens are urged to attend.—J. P. Hughes, Burlington County American and Citizenship Committee.

FISHER, MATTIS ROTARY SPEAKERS

The modern functions of one of the oldest governmental agencies in recorded history was explained to the local Rotary Club last Thursday when C. B. Fisher, superintendent of Weights and Measures of Burlington County, told of the operations of his department. Mr. Fisher pointed out that both in ancient Egypt and Babylon the checks on weights and measures were very important features of governmental operations.

Numerous passages in the scriptures refer to proper measures and weights of the day and the Hebrews conducted in the Temples what might be considered Bureaus of Standards. Greeks and Romans alike had offices corresponding to a superintendent of weights and measures.

Back to 1791

In America attempts to standardize these basic elements of commerce and trade go back as far as 1791 but the surprising fact remains that the first specific organization for nation-wide standardization was as recent as 1901. The Bureau of Standards in the Nation's Capitol, established definite standards of linear, mass and capacity measurements. The immediate consequence of this development was to make increasingly difficult the types of fraud which had marked trade throughout the ages.

The function of the Bureau of Weights and Measures is to prevent and correct inexactness in commercial measurements and to take punitive steps where fraud is found. It makes an annual inspection and check of appliances and places its seal thereon as evidence of its accuracy. It calibrates all large measures and meters, licenses coal and oil dealers and watches over the transportation and sale of these commodities. It constantly endeavors to standardize bottles, cans, etc.

Urging housewives to buy by weight or numerical count, Mr. Fisher suggests it is wise to see that the scale starts at zero and then check at home to see that one really gets what he pays for. Following his talk he introduced his assistant Clarence Mattis who explained the items in an exhibit of fraudulent measures and containers.

The sun reflecting upon the mud of strands and shores is unpolluted in his beam.—Taylor.

PALMYRA SCHOOL NOTES

"The Merchant of Venice"

On Saturday, May 18th, Palmyra High School Drama class members presented their annual one-act play at the University of Newark in the drama festival sponsored by that institution, for the parent organization, The New Jersey Forensic League of Secondary Schools.

This year the class chose to present the trial scene from "The Merchant of Venice" by William Shakespeare. The following students participated in the event:

Richard Deemer, Edmund Turnock, Robert Yerkes, John Parsons, Frank Stewart, Barbara Freeland, Betty Allen, James Brown, Ray Stevens and Lucille Leysch.

The New Jersey Forensic key for the best actor of the group was awarded to Edmund Turnock for his realistic acting of the Duke of Venice, Judge of the Court. The critic judge had this to say of the play as a whole and the work of the Thespians: That the make-up was excellent, particularly that of Shylock in approximating the age of a man of seventy; That the group worked well together thus establishing the essential mood of the play; That John Parsons' interpretation of Bassanio was an excellent piece of acting worthy of special mention.

The group was entertained at luncheon later in the afternoon, at the home of Doris Barbour, a graduate of Palmyra High School in the class of 1929. Miss Barbour was a delightful hostess and incidentally was a former student of the coach, Edna K. Ziegler.

DR. DICKSON IS P. T. A. SPEAKER

On Monday, May 20th, following the monthly reports of the secretary and treasurer of the Riverton Parent-Teacher Association, Mrs. John Abell, president, introduced Dr. Bruce Dickson, school physician, who spoke on "Preventative Medicine." He said that because of preventative measures taken today against diseases, the span of life has increased since the 18th century from 35 years of age to 62.

There has been great reduction in all the following contagious diseases—diphtheria, typhoid fever, scarlet fever, etc.—having been brought about by various tests, early diagnosis, better sanitation and living. Appendicitis has decreased because of intelligent recognition of symptoms and immediate calling of physician. Smallpox is practically unheard of today in this country, and this state has had only one case in seven years, because of compulsory vaccination. Tuberculosis is being checked by tests given in school and followed by any treatment necessary.

Spotted Fever

A recent malady in the East is the Rocky Mountain spotted fever, contracted through infected ticks. While all ticks found are not infectious, they should be removed immediately by tweezers and destroyed. Children should be watched closely for these as well as dogs, to whom they more often cling. Dr. Dickson advised mothers to look over their children's hair and clothing even more than once a day for ticks, and to thoroughly disinfect the spot from which they are removed. Sickness and mortality have been greatly reduced by all these "ounces of prevention" and can continue to be decreased.

Dr. Dickson's talk was followed by three piano selections. Stanley Gilbert played "Dance of Jesters," by Anthony, Barbara Berger played Valse Lucille, by Friml and Mrs. C. V. Devery and Barbara Berger played a duet, Gondoliers by Nevin Reports

Mrs. Abell continued the meeting by asking for annual reports from the chairmen of various committees and from Miss Stamen, principal of the Riverton School. During the year 1939-1940 the Parent-Teacher Association has provided 1416 bottles of milk for underweight children in the school. Money from the sale of Dairy Maid Chocolate was given to Miss Stamen for the purchase of fifteen books for the Hannah Chew School Library. The Association helped finance a lecture by Dr. Samuel Grafflin, a leader in Y.M.C.A. work. They have also purchased glasses for one child in the school and have supplied napkins, tablecloths and ice for the surplus commodity luncheons served each noon in the school.

Mrs. Abell thanked all the committees for their co-operative work during the year and the meeting was brought to a close with the showing of a movie, "You and Your Children," procured from the state by the Child Study Group, Mrs. Richard Hooper, chairman.

Tea and cookies were served by Mrs. Walter W. Moyer and her committee. Miss Elsie Evald's room won the plant for the largest attendance of mothers.

Room 114: Drama, E. K. Ziegler—Black board and bulletin exhibiting the three major plays given this year.

Library, L. K. Devor and A. M. Maier—The library exhibit will be centered upon the theme "Travel Through Books."

Room 208: Sociology, American Government, Citizenship and Problems of American Culture, James Hughes—Projects, notebooks and scrapbooks.

Room 113: Economics, Charles W. Ray—Notebooks.

Room 213: American History, A. Terrell—Workbooks, original documents and general examples of classroom work.

Room 110: Mathematics, J. B. Haines—Sample of types of work done.

Room 214: Bookkeeping I, Meyer Millman—Work done by students during the course of the school year. Cash book and special journal exercises.

Room 112: Bookkeeping II, George Dare—Columnar journals, typed financial statements.

Room 112: Junior Business Training, George Dare—Budget forms, sales forms, notebooks, charts and posters. Business Organization, George Dare—Charts, special budgets and reports for business. Commercial law, George M. Dare—Notebooks.

Room 214: Marketing, Meyer Millman—Canned goods and clothing charts, Geography—Product exhibit, together with written work done by students for homework.

Room 216: Typing, John Connolly—Speed charts, artistic typing, individual papers of classwork.

Room 206: Office Practices, Lawrence E. Bretsch—Exhibit of all forms of materials printed in practice. Demonstrations on various machines.

Room 122: Biology, Melvin H. Kreps—Posters and notebooks.

Rooms 209-211: Physics, Chemistry and General Science, Harry R. Gail—Models, charts, posters, home-constructed apparatus, and laboratory setups. General Science, John R. Gering—Drawings, posters and models.

Room 215: General Science, Robert Patchel—Ventilation, electricity machines. General Mathematics—Budgets, personal cash accounts, banking, bills, sales slips, credit.

Room 215: Problems of Personal and Social Adjustment, E. H. McSparran—Notebooks, posters, outlines, etc.

Room 108: Tillicum, Porte A. Wolfe—Year book pictures, etc.

Room 2: Agriculture, John F. Perry—Poultry, bees, animals, vegetables, fertilizer, demonstrations, propagation of plants.

There's so much confusing talk about size in motor cars this year, that we want to list the following five facts about the 1940 Ford here in the paper where everybody can see and refer to them:

1. Ford springbase, front spring center to rear spring center, is 123 inches. This is substantially greater than in any other car at the price.
2. Ford rear-seat knee-room, even measured with front seat adjusted all the way back, is greater than in any other car at the price.
3. Ford Sedans, from windshield to rear window, inside the body where length means most, measure 100 1/4 inches. This is greater than in cars far higher-priced than the Ford.

4. Ford hydraulic brakes, with their 12-inch drums, are the biggest hydraulics ever used on a low-price car.

5. Not only is the car itself big, but it has a big-car engine. Although an 85 h.p. Ford gave more miles per gallon than any standard-equipped "6" in this year's official Gilmore-Yosemite Economy Run... its engine is an "eight." This is something found in no other car at the price, although 8 or more cylinders are a characteristic of all of America's biggest and finest cars today.

BRIEF ITEMS
from
ABOUT TOWN

Mrs. H. Herbert, of 707 Cinnaminson street, was the winner in the May 17 drawing of Shulman's Merchandise Club.

Miss Thelma Fisher and Mrs. M. F. Joyce, of Riverton, were among those recently registered at the Chalfonte-Haddon Hall.

Mrs. L. E. Carpenter, of Eighth street, has returned home after a vacation at Fort Worth, Texas.

Mrs. Bobby Shannan and Mrs. Walter Kuntz will serve as hostesses at the weekly card party of the River Town Ladies Club to be held today (Thursday) at the K.G.E. Hall, Riverside.

Don't forget the rummage sale on May 24 and 25 at 14 Scott street, Riverside.

CARD OF THANKS

We wish to express our deep appreciation of the kindness of friends and neighbors in our recent bereavement.

—The Stanford Family.

THANKS

I appreciate the confidence of those who supported me in Tuesday's primary election.

David F. Gould.

"DOWN JERSEY"

"Down Jersey," by Cornelius Weygandt, famous Philadelphia historian and antiquarian, was published last week. It is of particular interest to Burlington countians, having many references to early folklore and history of the section. Miss Hazel C. Clark, county librarian, has written the following review of the book.

To the tourist hurrying to Atlantic City, and driving rapidly down the White Horse Pike or the New York road, South Jersey appears very drab and uninteresting. He sees nothing but rows of billboards and hot dog stands surrounded by a flat country-side covered with stunted oak and pine trees. But if he will take the time to turn off these superhighways he will find some of the charm of the South Jersey that Dr. Weygandt describes so well in this book. It is no guide book that Dr. Weygandt has written but rather a labor of love filled with delightful essays expressing the gratitude of a life-time for the many refreshing hours spent in this area.

An imaginary line drawn from Trenton to Toms River would mark the northern boundary of "Down Jersey." But from Cape May to Trenton and from Toms River to Salem he wanders back and forth, writing of blueberries, of marl pits, of fox hunting in the pines, and even of "Jersey lightning."

The author is not concerned with the history of the region as it is taught in the history textbooks. A reference to the index does not show a single mention of the American Revolution. His interest is rather in the folk history of the people, their life, their work and their traditions. Scattered through the book are many tales of the early settlers, and an amazing group they must have been if we can believe these stories: Hezekiah Ballinger, who became notorious for his skill in horse trading; "Squealin' Billy Lippincott" who was forced to use "unfriendly" language when struggling with a balky horse, and many others whose names sound strangely familiar in these modern times.

Burlington county looms large in the book, for the author has crossed it again and again. Tabernacle,

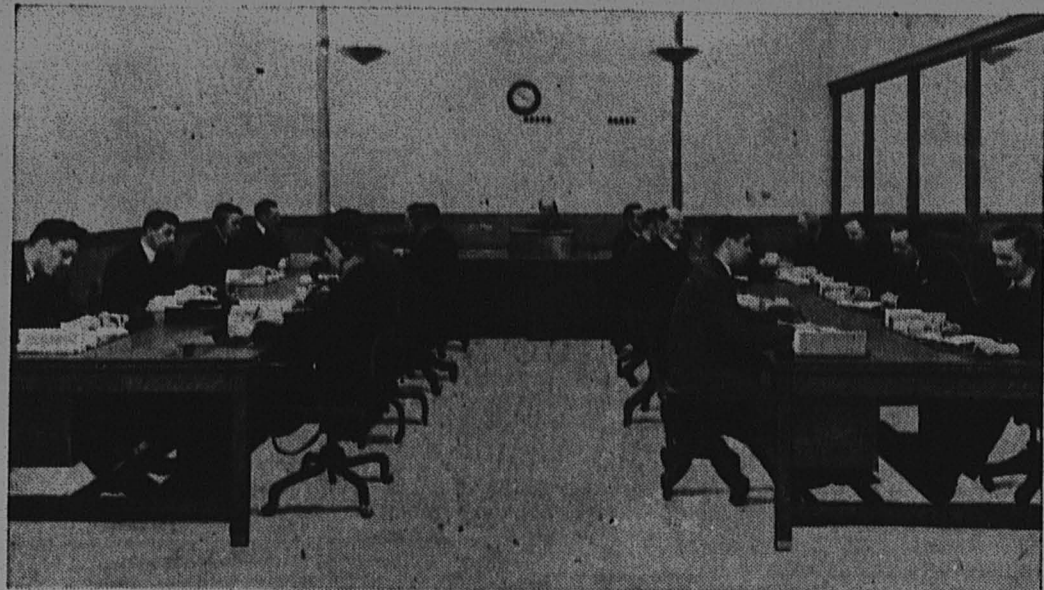

Chatsworth, Bordentown, Crosswicks, New Gretna and many other towns have been visited. Mount Holly receives its share of attention and a full page picture of the Court House is included. It is unfortunate that through a mistake of the printer credit for the photograph is given to "Mitchell" instead of Michell where it belongs. A whole chapter is devoted to the village of Rancocas, and its quiet charm subtly described. Burlington is mentioned several times, but it is

not the cities of which the author writes but rather of the people and their ways of life. One cannot fail to recognize the enthusiasm of the author for his subject. He knows and loves South Jersey, not the gay resorts along the shore, not the deer hunting in the pines, but the real country-side and the many friends he has made among the men and women who live there.

The book is fully illustrated, many of the illustrations are copies

of old prints and photographs.—Mt. Holly Herald.

Senator Guffey, Pennsylvania New Dealer, has introduced a bill in the Senate directing Uncle Sam to pay to Anthony J. Drexel Biddle, U. S. Ambassador to Poland, the sum of \$243,361 for antique furniture and other personal property lost during the Nazi invasion of Poland. Antiques must be about as expensive in Poland as they are in our country.

Unique Three-way Telephone Communication System
Installed by Public Service for Customers' Convenience

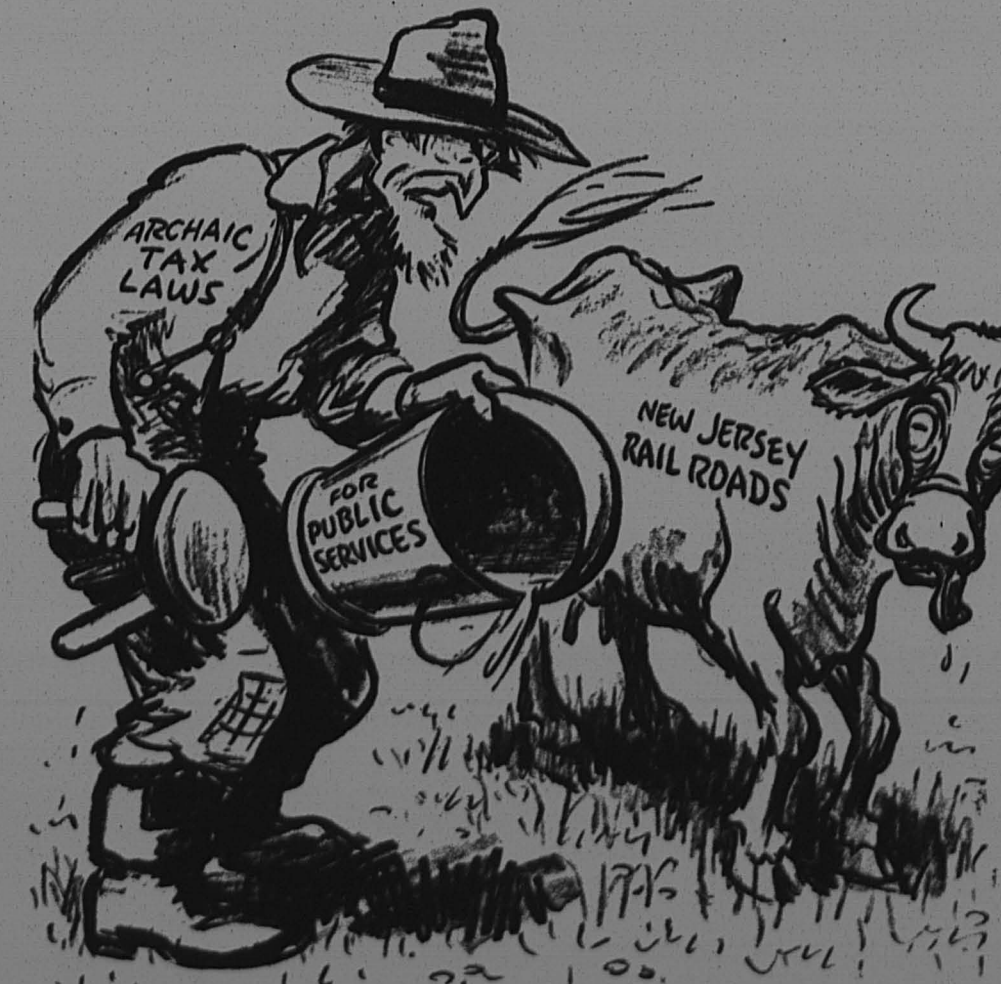

A UNIQUE three-way telephone communication system has been installed in the customers' service department of Public Service Electric and Gas Company in Newark. Thereby it is possible for an employee, answering a call from a customer seeking information or service, to speak with other departments of the company to obtain the necessary information—all in a single operation.

This new communication system is operated through a central sixteen-position telephone table equipped with the key method plan of operation. The new method replaces the more obsolete cord and plug system. The key plan is exceptionally flexible for coping with the hundreds of thousands of telephone calls received yearly in the customers' service department.

This type of operation also provides a control of operation at both the company's switchboard and at the table monitor turret in the department, at which is stationed a supervisor. This assures prompt handling of telephone calls.

The sixteen-position table is "U" shaped, each leg of the "U" accommodating eight positions. The telephone monitor turret for supervisory and training purposes is installed at that part of the table forming the base of the "U". Besides an individual telephone turret, each of the sixteen positions at the table is provided with a counterpane rack located for efficient use.

Under-fed or Over-milked?

New Jersey Citizens' Committee for the Princeton Survey

"There is no absolute criterion of a 'fair' or 'equitable' tax on a railroad. The closest practical approach to such a goal is likely to occur when the amount of such tax is determined primarily with a view to its effect upon the long-run performance, by the railroad, of its economic function of transportation."—Harley L. Lutz, Princeton University, in *The Taxation of Railroads in New Jersey*.

W.P.A. SITUATION
IS CORRECTED

Work Projects Administration officials have assured Senator W. Warren Barbour and Congressman D. Lane Powers that the alleged discrimination against Burlington county workers in the recent W.P.A. reductions, has been corrected.

According to figures received by Congressman Powers officially today, the reduction of Burlington County workers for May was only 5.4 per cent, as against 9.8 for the entire nation. The New Jersey percentage of reduction was 5.2 per cent.

Powers and Barbour, acting on requests for correction of the discrimination against county workers, as charged by the Burlington County Board of Chosen Freeholders, made strenuous protests to W.P.A. officials here. Both legislators declared that Burlington County's reductions were not proportionate to the rest of the State, and that New Jersey workers had received more severe cuts than those in other states.

AMERICAN HOLLY NOW
INEXPENSIVE THRIVES
UNDER N. J. CONDITIONS

American holly (Ilex opaca) is one of the most beautiful ever-green plants. Yet as well as holly is known, relatively few are planted each year. In New Jersey this plant can be used either as a specimen or for hedge or foundation planting or in a border.

By constant trimming, excellent holly hedges can be made. This also encourages new growth. In order to produce a crop of holly berries each year, both the male and female plants are needed. They will produce berries when planted alone but the berries will not mature to full size as they do on pollinated plants. Holly is quite versatile and will grow in the sun, shade or semi-shade in almost any kind of soil. It prefers soil of acid reaction and will grow very nicely in a group planting where rhododendron and azalea thrive.

Hardy Plant
Holly is probably not used more generally because many believe holly is not hardy, but this belief is fast disappearing. There are numerous large holly trees in New Jersey which have survived the last two or three severe winters without injury. Even when planted in unsheltered places holly has proved to be harder than native hemlock.

There are many English hollies which grow in New Jersey with but very little winter protection. This type of holly is more beautiful than our own native species. The leaves are of various shapes and the colors range from bright glossy green to a shiny green leaf with variegated edges. One variety has glossy green leaves during the summer which turn to purple and reddish tints during the winter.

Japanese holly (Ilex crenata) has a small leaf somewhat like box-wood. The growth is irregular with a glossy leaf and small black berries.

DEFERRED PAYMENTS
FOR VACATION TRIPS

For the first time in transportation history, it will become possible this spring to arrange for defraying the expense of railroad journeys, including vacation trips through convenient monthly deferred payments, it was announced this week by the Pennsylvania Railroad. The new plan will go into effect May 20th, and will be available throughout the territory of the system generally for round-trip journeys to all points in the United States, Canada, and Mexico, costing \$50 or more.

As far as the prospective traveler is concerned, every detail in the new

STATE AID FOR
COUNTY ROADS

State Highway Commissioner E. Donald Sterner recently tentatively approved a grant of \$439,040 from the automobilists' license fees for the Burlington County Freeholders' annual work program on roads and bridges.

Final action on the allocation cannot be taken by Commissioner Sterner until the Legislature passes the Highway Department Appropriation bill which has been reported favorably by the Joint Appropriations Committee.

This grant of State Aid for Burlington county represents \$404,040 of the \$6,000,000 apportioned annually by the Legislature upon the ratio of county area, road mileage and population, and \$35,000 which is given to each county regardless of size.

The schedule submitted by the Burlington Freeholders provides for the use of the money on the following projects:

Payment of bonds and interest on county roads and bridges, \$34,231; lighting, \$2,782; operation of bridges, \$5,645; construction or reconstruction of roads, \$98,200; construction or reconstruction of bridges, \$26,700; maintenance and extraordinary repair of roads, \$185,865; maintenance and repair of bridges and culverts, \$42,065; and administration and engineering, \$43,550.

Poor indeed must thou be, if around thee Thou no ray of light and joy canst throw.—Harriet W. Sewall.

INDUSTRIES NEED
CONFIDENCE FOR
RETURN TO NORMALCY

George deB. Keim, of Edgewater Park, named member of the Republican State Committee from Burlington county, issued the following statement this week:

"New Jersey will prosper as its industries prosper. The thousands of people in the state who are now on relief can secure jobs only if private industry is given an opportunity to enjoy the highest degree of profitable operations.

"It is necessary for the Republican party to have in its platform a demand that industry be left alone, that private initiative be restored, that the American way be used as the only way to a greater and more prosperous New Jersey and America.

It is time that all factions in the Republican party forget their differences and present a solid front in bringing back to America the ideas and ideals that have made this country the envy of the world.

"As a member of the State Committee, I will pledge my efforts to the restoration of private enterprise and creation of jobs for the unemployed by the stimulation of industry, the return to our normal democratic procedure, where government is created to serve the people rather than the people to serve the government.

"With this spirit re-installed into the minds of the American people, all classes, labor, management, agricultural interests and government employees themselves will be placed in a better position to go forward with America."

In our wakened moments at night, we wonder how many filing cabinets are in use in Washington, D. C., where they are located, and what average they cover.

NEW JERSEY BELL TELEPHONE COMPANY

Westfield Friends' School

On Friday evening, May 17th, there was a festive and delightful occasion at the Westfield Friends' School when the music department assisted by the Choric Speaking classes gave their annual recital under the direction of James Boyer Wallace, the music instructor.

The building was particularly attractive with its decoration of tulips, lilacs, dogwood and evergreens. A very large and appreciative audience helped to make the evening a very successful and enjoyable one.

The program included piano and vocal selections, choric speaking and numbers by the rhythm band.

The next event to be given at the school will be the outdoor pageant entitled, "The Pied Piper of Hamelin" which will be held at 5 o'clock on Tuesday, May 28th. The pageant will be interpreted in pantomime and dancing with Mrs. J. Vincent Hackett as reader. Miss Edyth Rafael, the art and dancing instructor, will do solo dancing.

Immediately after the pageant, supper will be served south of the school building. The father and son baseball game will follow the supper as usual.

The final assembly and Commencement will be held at the school on Friday morning at 11:00 o'clock on June 7th. A picnic lunch and organized sports will follow the assembly and concludes the events for the school year.

CONWELL WINS AT COLLINGSWOOD

The few star performers on Palmyra High's track team came through as expected in the South Jersey Group 3 meet held last Saturday at Collingswood, but the local squad, lacking strong entries in the field events, could do no better than fifth with 19½ points, trail-

ing Moorestown, Haddon Heights, Woodbury and Haddonfield.

Conwell, Red and White flash, captured a brace of firsts, leading the field in the 100 yard dash for a new record of 10.1 seconds. He also captured the 220 yard low hurdles.

Huyett Wins

Huyett duplicated his performance of the previous week and romped away with the mile run. Flournoy took fourth in the 120 high hurdles and the broad jump, while Wentzell tied for third in the pole vault.

The locals failed to place in any of the other events on the card.

The annual Burlington County Meet will be held at the local stadium on Saturday of this week, starting time being 1:30. Moorestown, with a well-balanced team is favored to win and the charges of Coach Melvin Kreps will doubtless finish in the runner-up post.

MISS DELORES BIDDLE TO RECEIVE DEGREE

Miss Delores M. Biddle, of 301 Front street, Riverton, will be graduated from the State Teachers College, at West Chester, Pa., on Tuesday, May 28. She will receive a Bachelor of Science Degree in Elementary Education, having completed a four year course in the Intermediate Department.

While attending West Chester, Miss Biddle was a member of the Women's Athletic Association, Secretary of the Elementary Club, a member of the Music Club, and a member of the Kollege Klub.

MARTER TO SPEAK HERE

E. Budd Marter, of Beverly, well-known game hunter and sportsman, will be the speaker at the meeting of the Men's Club of Calvary Presbyterian Church, Riverton, this (Thursday) evening, at 8 o'clock.

Mr. Marter will illustrate his talk with motion pictures.

The Lord God is a sun and shield; the Lord will give grace and glory; no good thing will he withhold from them that walk uprightly.—Psalms.

RIVERTON OPENS SEASON SATURDAY

This Saturday afternoon the new and untired Riverton team opens its 1940 season at Palmyra. Under a new manager and minus several of last year's mainstays the Riverton boys are an unknown quality.

One oddity meeting the spectator's eye during this series will be the appearance of Al Dittenbaugh, of last year's team, on the mound for Palmyra.

Because Riverton lacks the slugger type of batter, most of the attack will be composed of smart baserunning and the making use of all kinds of base hits.

If there is one characteristic by which this year's Riverton team will be known it is "hustle." The team will battle every team, win or lose for nine innings. Many games will probably be won on spirit alone and without doubt, from the fan's viewpoint there is nothing finer than a hustling, fighting team.

Some of the teams already scheduled for games are Bristol A. A., New York Ship, Landereth Seed and Twelfth Ward. With teams of this sort on the list the fans will have the benefit of seeing the best in independent circles.

On Memorial day at 3:15 Bristol A. A. undefeated in eight games will be the Riverton opponent.

The probable lineup for Riverton against Palmyra will be: Freeman, 2b; Brewster, 1f; Kemmerle, cf; Gibson, 1b; Karitis, c; Thomas, p; Cole, ss; Wittmeyer, 3b; Carhart, rf.

Riverton at Palmyra, Saturday, May 25, 3:15 p.m.
Palmyra at Riverton, Sunday, May 26, 3 o'clock

MOORESTOWN FRIENDS TWENTIETH ANNIVERSARY

The Moorestown Friends' School is this year celebrating its twentieth anniversary since the joining of the two historic institutions and one of the outstanding events of the school calendar is marked by the annual "Color Contests" to be held on the school grounds Thursday, May 30th.

The undergraduate games start at 1:30 p.m. The P.T.A. has arranged for adult contests and innovations, starting at 4:00 p.m.

Parents and their friends are urged to attend and bring sandwich suppers. Ice cream, milk, and coffee will be available on the grounds.

There will be the usual exhibits. The school in its individual and collective accomplishments, its enrollment and high record of college successes may well mark its joint twentieth anniversary for special satisfaction in its progress.

The Parent-Teacher Association, in its three years of organization, has accomplished much also in both interest and adult fun and companionship.

GETS DOUBLE EAGLE

Walter Brickley, pro at the Riverton Country Club, established something in the way of a record on Wednesday of last week, while playing on the local course.

Mr. Brickley hit a long ball off the tee on the 497 yard 13th and his second shot found the cup for a double eagle. The hole is a par 5. Playing with Mr. Brickley were R. M. Hollingshead, Jr., W. L. Hemphill and Dr. Clement.

FOOD COSTS

The cost of living for the average New Jersey family, as determined by the quarterly report made by the New Jersey Department of Agriculture was 0.4 per cent lower in

March, 1940, than in the preceding December.

The largest relative decline was noted in food which was 1.7 per cent lower in March, 1940, than in December, 1939, and 2.9 per cent below the peak reached in September, 1939, after the outbreak of hostilities in Europe. Cereals and bakery products rose 2.0 per cent and all fruits and vegetables were 7.3 per cent higher in March, 1940, than in December, 1939. However, all major food groups were lower in average retail price.

Are we to mark this day with a white or a black stone?—Cervantes.

OBITUARIES

MRS. MARGARET BRADDOCK

Mrs. Margaret Braddock, of 1183 Yorkship Square, Camden, died on Wednesday, May 15.

Funeral services were held on Saturday at 2 p.m. at the funeral home of Frank J. Leonard, 1451 Broadway. Interment was made in Mt. Moriah Cemetery, Philadelphia.

Mrs. Braddock was the widow of Richard T. Braddock and is survived by two daughters, Miss Agnes Braddock, of Camden, and Mrs. Sarah Willingmyre, of Washington, D. C., and a son, Thomas, of Palmyra.

WILLIAM W. STANFORD

William W. Stanford, 59, for many years the janitor at Cinnaminson School, died on Friday, May 17, at his home, Burlington Pike.

Funeral services were held on Tuesday at 2 p.m. from the Snover Funeral Home.

Interment was made in Wrightsville Cemetery.

The deceased is survived by his wife, Nora and ten children.

THANKS

The Palmyra Bugle and Drum Cadet Corps desire to extend their thanks and appreciation to all those who helped making their first minstrel show a success, among them the advertisers, Bowker's, and the agents in the towns, Keating's and L. G. Rogers, and the excellent publicity given us by The New Era during the campaign and all those who purchased tickets.

BLANKENBUSH AGAIN

PROP. OF DRUG STORE

B. E. Blankenbush who needs no introduction to Rivertonians has again assumed proprietorship of his drug store at 606 Main street, Riverton.

Mr. Blankenbush, owner of a drug

store in Merchantville as well as here has completely re-stocked the Riverton store with popular items of merchandise including the famous Fryer Ice Cream at his soda fountain.

Mr. Blankenbush has made several worthwhile improvements to the store and plans for even more in the immediate future. Mr. Blankenbush reports a big increase in his business in the short while since he took over management again.

Christ Church, Riverton, was the scene of a very pretty wedding when Miss Elizabeth G. Knight, daughter of Mr. and Mrs. Robert W. Knight, of 211 Howard street, became the bride of Harry J. Crowther, of Philadelphia.

The ceremony was performed by the Rev. Francis B. Downs, rector of the church. G. Lincoln Ridley, organist, played the wedding march and accompanied Mrs. Frank Dwores, of Camden, who sang preceding the ceremony.

The bride, who was given in marriage by her father, wore a gown of white marquisette trimmed in

lace, and a fingertip veil held in place with a tiara of pearls. Her bouquet was of white roses, lilies of the valley and gardenias.

Mrs. Grandon Layton, cousin of the bride, was matron of honor and her gown was of aqua marquisette and lace. She carried talisman roses.

Mary Anne Knight, niece of the bride, was flower girl and was dressed in yellow dotted swiss trimmed in aqua. She carried an old fashioned bouquet of talisman roses.

Ushers were Norman Crowther, brother of the groom, Louis Tiede, of Philadelphia, Charles Knight and Edwin McVaugh, of Riverton.

After a wedding trip along the Skyline Drive, Mr. and Mrs. Crowther are now at home at McVaugh's Lane, Riverton.

there would be far greater compliance with the law if the reasonable 50-mile limit were established."

The bill of Assemblyman Worrell seeks to supersede the law passed last year, granting a 5-mile increase in the maximum to 45 miles per hour, effective September 1, 1940. While saying that this is a "step in the right direction," the Club manager argues that the Legislature should "go the whole way" and make the limit 50.

EFFECTS IN PENNA.

"If we had any basis for fear that a 50-mile limit would endanger safety," he continued, "we would be the first to oppose it. We have, however, noted the effects of 50 mile speeds in other States, notably Pennsylvania, and we are convinced that it increases respect for law enforcement and results in accident decline."

"The driver who is satisfied that 50 miles per hour on the open road is a 'good' speed and that he is in danger of arrest if he violates it will stay within the limit. Under present conditions, he expects consideration from enforcement officers if his speed is 'clocked' greater than 40."

"We should very much like to see an enforceable law put on the books and then have agencies of the government sent out to enforce it."

It is to be doubted whether "he keeps us out of war" will be a paramount issue in the coming campaign. We have heard that one division of the club. "We believe

"Make it fifty," urges the Keystone Automobile Club, in a statement supporting a bill introduced by Assemblyman Worrell, providing for abolition of the present "archaic" 40-mile speed limit for automobiles in New Jersey.

"It cannot be contended that the motorists of New Jersey have respect for or attempt to obey the 40-mile law," said Trevor B. Mathews, manager of the Camden division of the club. "We believe

Our Policy

Keep our soldiers out of Europe.

Build our armed forces to the point where we are REALLY PREPARED for ANY emergency.

Search out "Fifth Column" agitators and their ilk, deal with them quickly and severely.

All these are well within our power to accomplish and offer the best and only insurance for National peace and security.

Relief

After seven years of New Deal spending to "prime the pump" to restore normalcy, the relief question looms larger than ever. The number on relief has grown appreciably since 1933 and the New Deal leaders do not hesitate to tell us that we will always have the question with us—that relief has become a permanent institution.

Just how true this latter prediction remains to be seen. We may all be on relief if the present spending policy continues. However, we are now directly interested in what ought to be done about the relief problem now.

Under New Deal control, relief, like many other problems, has been made a federal activity. The federal government has assumed control of the problem and has thus created another Washington bureaucracy. This is entirely foreign to the American theory of government. The makers of the Constitution carefully preserved the states, as a bulwark for the preservation of our liberties, as a protection against the kind of totalitarian government we now see flowering in Germany, Italy and Russia.

Every move to destroy state sovereignty is a move against American constitutional liberty and freedom of action. It is obviously true that the states can no longer carry the relief burden by themselves. They need help from the federal government—so long as the problem is unsolved—just as communities sometimes need aid from the states.

Yet it is a sound procedure to give the state the right to control and direct relief. State officials are in closer touch with the situation. They should have part of the responsibility of raising the money and the responsibility of seeing that it goes into the right channels. Only in this way will we avoid the danger of a further growth of federal bureaucracy and the setting up of another federal political machine in which the temptation will be great to play politics with human misery. Congressman Jenkins of Ohio well said recently:

"If we believe that this intimate personal matter of assisting the people to secure their daily bread can be better done by the agency nearer the people than by the big, ponderous far-away federal government, there is no reason why we cannot find a way by which these close-up agencies can do it. A sensible, well-administered program would encourage those who can make their own way, to attempt to do it. When the people understand that relief is for those who cannot work and cannot get work and is not for loafers and racketeers they will loyally support such a program because it will appeal to their sense of justice."

Costly Speculation

Excessive and unsound land developments in the South Jersey Pines are estimated by Alvin T. M. Lee, agricultural economist of the United States Department of Agriculture, to have caused losses of at least \$100,000,000 to investors in such ventures.

Data assembled by Mr. Lee, who is associated with the New Jersey Agricultural Experiment Station, indicates as many as 200 land development schemes in the area over a period of years with more than 200,000 acres involved. The number of individuals directly affected is placed at not less than 1,000,000 and each year, he declares, hundreds more are added to the list.

"No other land use problem in the State," asserts a report of his research, "approaches this one as to number of social and economic problems created, the area of the state affected, and the extent to which the welfare of the entire population within and

immediately outside its borders is affected."

There are today approximately 1,200,000 acres of privately owned land in the area, representing a fourth of the state, which have no, or very little, socially productive use. The total population of the Pines is only 64 persons per square mile compared with 538 for the state as a whole.

"Exhaustion of natural resources, the inability to compete successfully with other areas, and the destruction by frequent and devastating forest fires, together with inherent low productive capacity of the sandy soil has left most of the Pines land in a state of chronic economic maladjustment," continues the report.

"Nearness of the area to the metropolitan centers of New York City and Philadelphia, and the low value of the land, has made the area a haven for persons who have promoted and still continue to promote unsound land development schemes. This activity consists chiefly in buying land at low prices, subdividing it (mostly on paper), and then selling it as building sites or small farm plots at prices approaching urban land values. Sales are made chiefly to city dwellers who have little opportunity of knowing the actual value of the land for agricultural or any other use.

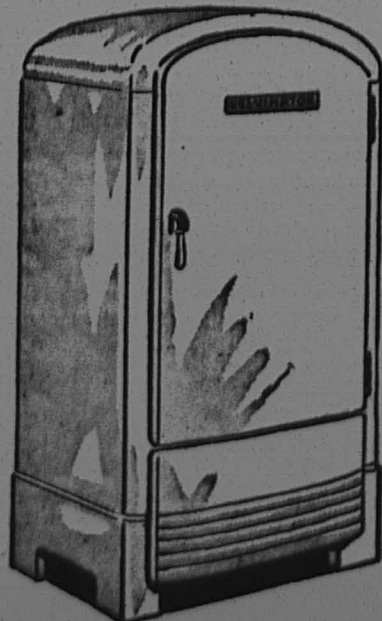

"Existence of land schemes of the type found in the Pines is in almost all cases a financial burden upon the local municipality. Most of the land which is subdivided into such uneconomic units becomes tax delinquent immediately. In New Jersey, the local municipality has to pay taxes to the state and county on all the assessments in the municipality, even though some of the taxes may be uncollectible. The average annual rate of the state and county taxes during the last fifty years has amounted to about \$1.25 per \$100 assessed valuation. Chronically tax delinquent land which is not worth the cost of getting it into township ownership has, in almost all instances, been merely omitted from the assessment records.

"As a result, there are today thousands of such lots scattered throughout the land development schemes in the South Jersey Pines which have an ownership status similar to that of 'no man's land.' Omitting such tax delinquent property from the tax records is merely a 'stop-further-loss' practice. It has already cost the municipality the amounts paid in state and county taxes for the period during which it was tax delinquent. This period varies from one to more than ten years, depending upon when the township committee decided to clear the books of such property."

The 850 residents of the New Deal's \$4,000,000 resettlement project at Hightstown have given up and gone into private enterprise.

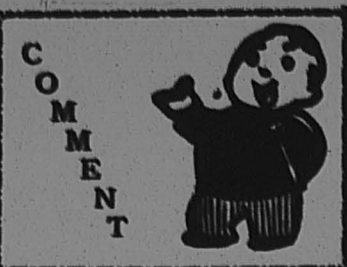

Why?—Winston-Salem Union-Republican.
Women don't like women.THE FAMILY'S HEALTH
DEPENDS PARTLY ON

You

You are the custodian of the household and, as such, largely responsible for the well-being of every member. You see that the food which is served is wholesome and nourishing and you are particular about refrigeration. That is why Kelvinator is your choice. Run by electricity, this automatic refrigerator costs little to operate. The temperature inside the storage compartment never goes above fifty degrees and in this atmosphere perishable foods keep their freshness for days. See the different Kelvinator models at our showrooms. Prices for a big 6 cubic foot refrigerator start at \$114.75 cash. Payment terms are easy.

PUBLIC SERVICE

It is rumored that the Democratic National Convention will hand President Roosevelt a third nomination on a silver platter with the understanding that he will decline it. Knowing politicians as we do, we don't think that if we were a delegate we would want to take a chance like that.

The way warships are being bombed, torpedoed and destroyed, according to the official dispatches, indicates that the British and German navies have already been sunk two or three times.

The map of Europe is changing so rapidly that the only satisfactory way to teach geography now is with motion pictures.

It is said that the W.P.A. rat killing campaign in New Orleans cost \$297 a rat. It would have been cheaper to buy them off.

Speaking of this "pot of gold" program we hear about on the radio, we presume they get the stuff fresh from the hills of Old Kentucky.

It is reported Secretary of the Interior Harold Ickes has said that if President Roosevelt is re-elected for a third term he will resign his position. This is the most powerful and convincing third term argument we have heard to date.

It is no longer popular to say "go to the ant, thou sluggard." Nowadays the thing to do is to advise him to get on relief.

To the politicians and financiers over in Europe we are no longer "Shylocks" but "Goldlocks."

RESPECT RIGHTS
OF PEDESTRIANS

In the midst of the State-wide campaign of educating pedestrians in safer usage of the streets and highways, Motor Vehicle Commissioner Arthur W. Magee recently reminded drivers of their lawful obligation to respect pedestrian rights at street intersections.

"It is rather difficult to ask pedestrians to cross streets only at intersections when to do so means exposure to drivers who neither slow down or give them the slightest consideration," said the Commissioner.

For the benefit of drivers in general and the inconsiderate ones in particular, Commissioner Magee wants it known that the pedestrian has the right of way at unsignaled and unprotected intersections when he is crossing the roadway within a marked crosswalk or within an unmarked sidewalk at the end of the block. The law provides a penalty for drivers who fail to yield the right of way to pedestrians at such points.

Cross on "Go"

Another pedestrian right not generally respected by drivers prevails at intersections controlled either by a traffic signal or police officer. Pedestrians, like vehicles, must cross with the "Go" signal but a pedestrian crossing or starting across has the right of way over all vehicles, including those making turns, until he has reached the opposite curb or place of safety.

"Despite the firmness of the law on this point, it is not commonly respected," said the Commissioner. "A pedestrian caught in the middle of an intersection frequently finds himself with his coat-tails being fanned by traffic trying to see how close it can come to him."

Benefit of Doubt

"Drivers will argue that pedestrians don't respect their rights and the pedestrian properly replies that unless a traffic policeman is looking, the man on foot cannot be sure of any consideration. While the correctness of either assertion is debatable there is no question but that the pedestrian should be given the benefit of the doubt when there is any doubt."

"If the driver will insist at intersections upon no more than his legal right or better yet, a little less than his legal right, he may receive more consideration from the pedestrian. No class issue is involved since all of us sometimes walk and most of us sometime ride. All that is needed is to remember when we drive what it feels like to walk and when we walk what it feels like to drive."

ERRORS IN METER READING
VERY RARE THESE DAYS

In view of the fact that a meter reader, whether he be from the gas, electric or the water company, frequently has to call several times to obtain his reading, the high level of accuracy that exists is a cause of amazement to most persons. The old belief that a wrong meter reading was responsible for an unusually large bill has almost died out. It really has no foundation in fact, according to the New Jersey Public Utility Information Committee.

One utility company reports that seventeen of its meter readers did not make an error last year. One man read 84,027 meters in 1936 without a mistake. This same man has not made a mistake in six years, during which time he read 487,465 meters. Another man has read 440,114 meters in seven years, also without an error.

THINGS TO WATCH FOR

A new kind of golf tee, made of transparent plastic—said to be practically unbreakable and less likely to get lost, because of its "glow" . . . an improved type of safety razor, especially designed to be used with brushless shaving creams without clogging . . . more different-brand cigarettes in the "king" size pioneered by Pall Mall, including one new name—and another new brand of regular length but 24 fags per pack instead of 20 . . . a line of print dress goods with airline insignias featured in the designs, and with colors designated as altitude blue, pilot gold, airport green, fuselage gray . . . a

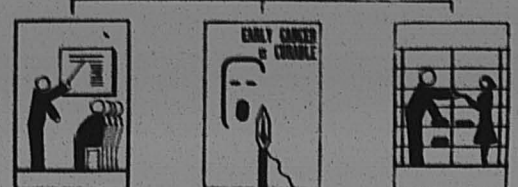

RYTEX STATIONERY, \$1.00

AT THE NEW ERA OFFICE

—Bubble Birthday Party—

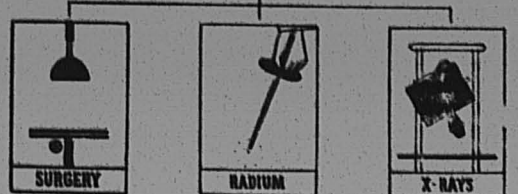

SURPRISE the children with a Bubble Birthday party! The refreshments are simple, nutritious and attractive. The home-made ice cream will please the little folks.

Want a balloon tablecloth? Scatter cellophane circles of different sizes and various colors on a white linen cloth. Arrange the popcorn balls around the edge of a mirror. Attach a bunch of balloons to the ceiling or lighting fixture so they will be reflected in the mirror.

Bubble Sandwiches
Make jam, marmalade and other sandwiches. Cut them in round shapes with cutters to represent bubbles. "Frost" top with cream cheese tinted different colors: green, pink, orange, etc.Bubble Birthday Cakes
(Jiffy Cake)
3 eggs
1 cup sugar
2 cups cake flour
4 tsp. baking powder
1/2 tsp. salt
1/2 cup soft butter
1 tsp. vanilla
Break three eggs in a cup; fill with milk. Pour into mixing bowl. Add sugar, flour which has been sifted with baking powder and salt, butter, vanilla. Mix until well blended. Pour into well greased muffin tin, or the lined with different colored fluted paper cups. Bake in gas range with oven heat control set at 400 degrees for fifteen to eighteen minutes. Makes twenty large cup cakes.Vanilla Ice Cream
1/2 cup chilled whipping cream
1/2 cup granulated sugar
1/2 tsp. sugar
2 eggs
1 tsp. vanilla
Whip one-half teaspoon sugar and cream until thick. Beat the eggs and one-quarter cup sugar together in electric mixer; add salt and vanilla. Fold whipped cream into egg mixture. Freeze in tray of automatic refrigerator.Bubble Popcorn Balls
2 cups sugar
3 tsp. molasses
2 cups popped corn
Melt sugar in a very heavy skillet over gas flame set at "simmer," stirring constantly. When melted, add molasses and butter and mix well. Pour over popped corn. Stir thoroughly. Form into balls. Let harden. Wrap in waxed paper and then in crushed cellophane. Use for centerpiece of party table.Lemon Frosting

First Church of Christ, Scientist
Thomas Ave. and Seventh St.
Riverton, N. J.

Sunday School, 9:30 a.m.
Sunday Services, 11 a.m.
Wednesday, 8:00 p.m.

Reading Room in Church Building
Thomas Ave. and Seventh St., Riverton, on Tuesday and Friday, 2:30 to 4:30.

WESTFIELD FRIENDS MEETING

Burlington Pike
Sunday Morning
10 o'clock—First Day School.
11 o'clock—Meeting for worship.

CHRISTIAN SCIENCE CHURCH

"Soul and Body" is the lesson-
sermon subject for Sunday, May 26,
in all Christian Science Churches
and Societies throughout the world.
The Golden Text is: "My soul
longeth, yea, even fainteth for the
courts of the Lord: my heart and
my flesh crieth out for the living
God." (Psalms 84:28).

Among the lesson-sermon cita-
tions is the following from the
Bible: "But we all, with the open
face beholding as in a glass the
glory of the Lord, are changed into
the same image from glory to glory,
even as by the Spirit of the Lord." (II Corinthians 3:18).

The lesson-sermon also includes
the following passage from the
Christian Science textbook, "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy: "Iden-
tity is the reflection of Spirit, the
reflection in multifarious forms of
the living Principle, Love" (p. 477).

SACRED HEART CHURCH

Riverton N. J.
Rev. John F. Welsh, Pastor,
Rev. Vincent A. Luther, Assis-
tant Pastor.

Sunday Masses, 7:00, 9:00, 10:30.
Daily Masses, 7:00, 7:45.
Confessions: Every Saturday, 3:45
until 5:45; and 7:30 until 9:00.
Religious Instruction: Elementary
School Children, Friday at 3:45.

On the occasion of the beautiful
ceremonies of the May Crowning
last Sunday we heard a question
raised. How do Catholics justify
themselves in adoring Mary and
making her equal to God? We
promptly deny the implication. Any
Catholic who would presume to
adore Mary and to make her equal
to God would be condemned as a
heretic and immediately excommu-
nicated from the Catholic Church. On
the other hand, we rather venerate
or honor her as the Queen of all
angels and saints since it was upon
her that God conferred the greatest
dignity given to any creature, nam-
ely, Mother of the Son of God made
man. Adoration is given to God
alone as the supreme and infinite
being in whom there can be no
equal. Veneration is given to God's
proven friends and to Mary in a
special way since she is the great-
est of these. The difference between
ourselves and Mary may be meas-
ured only by infinity.

Final rehearsals are being held
for the play "Seven Chances" to be
given by the Sacred Heart Dram-
atic Club on this Friday the 24th.
Curtain time, promptly at 8:15.

Sunday Masses: 7:00 a.m., H.
Groome and R. Strohlein; 9:00 a.m.,
J. Ross and W. Brumbaugh; 10:30
a.m., R. Fichter, R. Rowan, and T.
Lane.

In the near future a meeting will

be called for the Bazaar committees.
This affair may be scheduled for
early August.

Wesleyan Men's Bible Class

For the Men of the Community

"The Seed is the Word of God"
Springtime is nature's resurrec-
tion morn! Hidden seeds in the
prepared soil break forth and cover
the fields with the promise of har-
vests of grain. The seeds contain
within themselves the reproducing
forces that strikingly suggest what
St. Luke writes, "The seed is the
Word of God." St. Luke 6:11.

To produce, the seed must be
planted in favorable soil. This is
also true of the "Word of God." In
the Parable of the Sower, Jesus
states the various conditions in
which the seed, the word of God,
either fails or flourishes.

The word of God holds within it
tremendous power, when appropri-
ately received comes forth in moral
strength and spiritual beauty.

In our Bible studies "The Word
of God," the seed of eternal truth,
is received in faithful hearts pro-
ducing, when thus received, redeem-
ed lives.

Be present next Sunday morning
at 9:50 and may the Holy Seed find
its planting in your heart.

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor

Bible School, 10 a.m.—For the
newcomers or summer visitors in
our communities, a standing and
most cordial invitation is extended
to attend "Central Baptist" Bible
School. In fact, any service. A
fine place to become acquainted and
develop new friendships. Besides
there is work for everyone to do.
And in that work is where you may
expect real satisfaction and pleasure.

Morning service, 11:15 a.m.—We
again wish to dwell on a service
that is featured in "Central Baptist,"
namely, that of caring for the chil-
dren of parents who wish to attend
the morning service which follows
immediately after the Bible School.

The choir will render the anthem of
the morning with a solo by one of
its members. Pastor Lockett's ser-
mon will be based on the subject of
"Prayer for Others."

B.Y.P.U., 6:45 p.m.—Last week's
high school group was addressed by
Mr. George N. Wimer who gave
very helpful and inspiring admo-
nitions to his listeners. These inter-
esting meetings are responsible for
the large attendance and the inter-
est displayed by the young people of
high school age.

Evening Worship, 7:45 p.m.—As
has been the custom of Post Fred-
erick M. Rodgers, they will make
their annual visitation to the church
of their comrade, for whom the
Post was named on this evening's
service. Special music by the choir.
"Our Heritage" will be the subject
of the sermon. The impressive "Ten
o'clock Ritual" will be conducted
by the members of the Post at the
conclusion of the service.

For a real spiritual and timely
help for the days in which we live,
attend the mid-week prayer service
which is held every Wednesday
evening at eight o'clock.

COLORED MALE CHORUS
COMING HERE SOON

The Jack Holmes colored male
chorus of twenty voices, known to
many of the leading churches
throughout the state, will be heard
in the near future in this vicinity.

Cecil A. Bowers, of East Riverton,
manager of the chorus, has an-
nounced that Jack Holmes, direc-
tor, will be heard in a solo number
over station WCAU on Sunday
evening at 10 o'clock.

Watch the church ads for their
appearance locally, singing sacred
numbers and the spirituals which
the race has contributed to Ameri-
can music.

COURTS OPEN

The tennis courts at Memorial
Park opened last week with a large
number of players in action.

Those using the courts are asked
to read the rules posted there and
to abide by their provisions.

COOPER-BRODERSON

The marriage of Miss Kathryn B.
Broderston, daughter of Mr. and
Mrs. William I. Broderston, of 400
Cinnaminson avenue, Palmyra to
William Cooper, Jr., son of Mr. and
Mrs. William Cooper, also of Pal-
myra, will take place at 7 o'clock
Saturday evening, May 25, in Cen-
tral Baptist Church, Palmyra.

The bride will be attended by her
sister, Mrs. William Watkins, Jr.,
of Riverton, as matron of honor,
while her bridesmaid will be her
sister, Miss Bertha Broderston.

The best man will be Melvin A.
Cooper, brother of the bridegroom,
and the ushers Howard C. Shuck, of
Riverton, G. Woodburn MacCord,
of Palmyra, and William J. Vaughn,
of Philadelphia.

Following the ceremony, a recep-
tion will be held at the home of the
bride's sister, Mrs. William Wat-
kins, Jr., of Riverton.

Upon their return from an exten-
sive wedding trip the couple will
reside at 407 Cinnaminson avenue,
Palmyra.

SACRED CONCERT HELD TONIGHT

The Central Baptist Church choir
under the able direction of Mr.
Claude Barto will present, for one
hour, a program of carefully selected
anthems and solos in the church this
evening at 8:15 o'clock. The pro-
gram thus arranged is one in the
celebration of Music Week and a
timely inspiration for any and every-
one. Therefore the public is invited
to enjoy the concert in the spirit of
helpfulness. Mrs. Elvin I. Powell,
the organist of the church, will be
at the console.

The program will comprise the
following numbers:
Prelude, "Hymn of Nuns," Lefe-
bure-Wely.

Anthems
"Hear Our Prayer," Rubenstein-
Wilson.

"Accept Our Thanks," Sibelius-
Hodson.

"King All Glorious," George M.
Vail (incidental solo, Mrs. Edward
Hughes).

Tenor solo, "If With All Your
Hearts," Mendelssohn, Mr. Edward
N. Hoyt.

Anthems, "Let Not Your Hearts
Be Troubled," Myles B. Foster.

"Consider and Hear Me," Alfred
Wooley (incidental solo, Miss Anna
M. McConnell).

Part II

Alto solo, "How Long Wilt Thou

Know Me," Teichowsky.

Miss Ruth Horner.

Duet and chorus, "I Waited for
the Lord," Mendelssohn. Mrs.
Hughes and Mrs. J. W. Van Horn.

Baritone solo, "The Publican,"
James Seither.

Vanderwater, Mr. J. Russell Jer-
mon.

Anthems, "Lord, Thou Hast Been
Our Dwelling Place," J. Truman
Wolcott.

"The Heavenly Song,"
Grey-Parks, (incidental solo, Mrs.
James Seither).

"Thanks Be to
God," Stanley Dickson.

Postlude, "Alleluiah, Alleluiah,"
W. D. Armstrong.

CINNAMINSON P.T.A.

CAFETERIA PICNIC

On Tuesday, May 28th, the Cin-
naminson Parent-Teacher Associ-
ation will sponsor a cafeteria-picnic
on the school grounds as part of the
Field Day exercises.

The entire school will participate
in the Field Day plans—dances,
games, drills and exercises on the
athletic field will pleasantly fill the
hours of the afternoon. Seating fa-
cilities will be provided for parents
and guests under the shade of the
trees. The school buses will pro-
vide transportation.

A complete cafeteria-picnic will
be served by the Ways and Means

Committee of the Parent-Teacher
Association. All items on the menu,
5c each—hot dogs, hamburger-rolls,
sandwiches, cole slaw, potato salad,
baked beans, hot and cold bever-
ages, ice cream and home-made
cake. In addition to the 5c items,
there will be plenty of "penny
candies on sale."

Plenty of picnic tables and seats
will be provided—and everyone is
most cordially invited to come and
share the afternoon and evening
with us. Proceeds will be applied
to the Parent-Teacher fund for pur-
chasing vestments for the school
Glee Club. Come out and help!

ENGAGED

Mr. and Mrs. Emerson L. Wolf-
schmidt, of 409 Seventh street, Riv-
erton, announce the engagement of
their daughter, Anna May, to Wes-
ley Curtis Staveland, son of Mr. and
Mrs. Curtis E. Staveland, of 16 West
Charles Street, Palmyra.

GIRL SCOUT MEETING

The regular meeting of the Girl
Scout Troop Committee has been
postponed until Tuesday evening,
May 28th. The affair will be held
at the home of Mrs. J. Rowland
Dey, Linden avenue, Riverton.

Forget Me," Teichowsky. Miss
Ruth Horner.

Duet and chorus, "I Waited for
the Lord," Mendelssohn. Mrs.
Hughes and Mrs. J. W. Van Horn.

Baritone solo, "The Publican,"
James Seither.

Vanderwater, Mr. J. Russell Jer-
mon.

Anthems, "Lord, Thou Hast Been
Our Dwelling Place," J. Truman
Wolcott.

"The Heavenly Song,"
Grey-Parks, (incidental solo, Mrs.

YOUR BANK

KNOW

Building Individual

Credit Standing

CREDIT standing is a person's financial repu-
tation. In determining this credit standing as a
basis for a loan a bank considers these factors:

Has he a good job?

Has he held it for some time?

Does it seem permanent?

Has he been able to keep continuously employed?

Is he industrious?

Does he take advantage of opportunities?

Does he seem stable, or is he constantly switch-
ing from one job to another?

Has he a steady income?

Is he thrifty?

Is he building up a reserve in the form of sav-
ings, life insurance, etc.?

Is he honest, trustworthy, reliable?

Does he pay his debts and obligations promptly?

Is he always in debt?

Does he overdraw his bank account?

Does he study to improve himself in his work?

Is he looking forward and planning for the future?

A study of these factors will indicate the course
you should follow to strengthen your personal
credit standing. Always keep this question in
mind, "Will the bank be justified—on the basis
of my record—in entrusting its depositors' funds to me?"

large variety and new foods which will help them in their problem of planning meals. He also states that the systematic arrangement and pricing enables customers to make comparisons in prices of various brands and helps them in their selection of merchandise.

William Broadwater, Jr., is in charge of the meat department. He wishes to call attention to the fact that this new market represents the last word in modern meat merchandising equipment with every facility for the refrigeration and preservation of the fine and tender quality meats for which Acme Markets are so well known elsewhere.

In opening this new market in Palmyra, Acme Markets are following an established company policy of making the hundreds of money-saving values available for and convenient to more and more home-keepers. The residents of Palmyra will find this new modern super market an asset and a market which is in keeping with the high standards of the community.

THINGS TO WATCH FOR

Men's hats that have a "built-in" angle—that is, the crown is built a half-inch higher on one side than the other, so that even if it is worn squarely on the head, it will have that "omphish" (or would it be?) angle . . . a small, portable sandpapering machine for refinishing high-chairs, tilt-top tables and things around the house—runs by electric motor and has an endless belt of sandpaper . . . giant-screen tele-

time service. Call Riverton 1184. 5-23-1t

RIVERTON :: CINNAMINSON :: PALMYRA

51st Year No. 20

RIVERTON—PALMYRA, N. J., THURSDAY, MAY 30, 1940

MEMORIAL DAY

We pause in tribute, and with a firm resolution:

And that the Government of the people, by the people and for the people, shall not perish from the earth.—Abraham Lincoln.

LOCAL MEMORIAL DAY PROGRAM

Parade Starts from Riverton at 1:30; Palmer L. Adams Marshall

The local observance of Memorial Day will start at 1:30 o'clock on Thursday afternoon of this week, when the parade will move from out the Riverton fire house.

The line of march will be down Broad street to Cinnaminson avenue, to Morgan cemetery, where services will be held. After reforming, the procession will then return to Methodist cemetery for another service and thence to the Grove, where Judge Frank Mathews, of Riverton, will be the speaker of the day.

Post Fredrick M. Rodgers, 156 American Legion, of Palmyra and Riverton, is in charge of the day's observance.

In Parade
The parade will be led by Palmer L. Adams as marshal. His aides will include Avery Willis, George Durgin, Harold Marshall, Joseph Seel, William Engle, Charles King, Charles Joyce, George Luce, William Gibson and George Weigand. In the line of march will be the following units:

Mayor John F. Ward, of Palmyra, and members of Council.
Mayor H. McIlwain Biddle, of Riverton, and members of Council.
Members of Boards of Education.
Gold Star Mothers.
Officiating clergymen.
Platoon of Infantry, 114th Regiment, N. J. N. G.
Palmyra Cadet Drum and Bugle Corps.
Girl Scouts.
Boy Scouts.
American Red Cross Units, with float.

Palmyra High School Band.
Columbus Cadets.
League members and veterans.
School children.

The flags to be placed on the graves will be furnished by the Palmyra P. O. S. of A.
Civic and fraternal organizations.
Fire companies.

DAWLEY CLUB SPEAKER

At the well-attended meeting of the Palmyra-Riverton Business and Professional Men's Club held on Tuesday afternoon of this week, the speaker of the day was Jack Dawley, local Olds dealer, who gave a most interesting discussion on the automobile industry and what it means to the country.

Next week the luncheon will be held at 11:30 and several members of the Athletics team will be guests. Following the luncheon the club will adjourn to Shibe Park to view the A's-Detroit game. A special bus will leave the Country Club at 1:30. Thomas Shorten is in charge of arrangements.

RED CROSS APPEAL

Your local newspaper has kindly afforded me the opportunity of using its columns to appeal to the people of Burlington County for a full hearted and generous support of the war relief fund now being raised by the American Red Cross for the benefit of the war refugees.

Man has unleashed against man the most horrible force of destruction the world has ever witnessed. The most pitiful victims of this devastation are the helpless women and children of the invaded countries. Words fail to express the depth of the suffering of the bodies, minds and spirits of the war refugees. While you cannot help their crushed spirits nor their fear crazed minds, you can help relieve the suffering of their bodies.

In every city, town and village of this county, as throughout the land, the American Red Cross has an efficient and willing group of workers who will soon call upon you for your contribution. Our county has \$12,000.00 to raise. We should raise more. So dig deep and give with that same generous spirit which has always characterized the people of Burlington county.

(Signed) WILLIAM H. WELLS, Burlington County Chapter American Red Cross

Plants Grown By P.H.S. Students

Under the supervision of Chief C. Morris Beck, Palmyra employees are engaged this week in landscaping the various flower beds maintained by the borough throughout the community, including those along the railroad near the station, in the several parks and adjacent to the traffic booth on S-41.

The assortment this year includes geraniums, cannas, zinnias, snapdragons and marigolds. The thousands of plants have been grown at the high school greenhouse by agricultural students under the direction of Mr. Perry, faculty member. A glance at the plants is sufficient to reveal that the lads have done a fine job.

From all indications, the flower beds will be even more attractive this year than ever before.

YACHT CLUB SUPPER
The Riverton Yacht Club will open the season on Decoration Day with a supper at the club house from 3:30 to 7 p.m.

Tickets for the affair are 50 cents and can be obtained from members or at the club.
Every one is welcome to attend the affair and the committee in charge promises a bountiful and tasty repast.

SUPPER-CIRCUS

ANNUAL FIELD DAY

June 4th is the date, Tuesday, the day of the annual Field Day of the Riverton Public School at Memorial Park.

At 5:00 p.m. the Parent-Teacher Association will serve a cafeteria supper of sandwiches, salads, hot dogs, coffee, cold drinks, ice cream, cakes and candy.

At 6:00 p.m. the school will entertain with a parade and circus. Come see the wild animals, the clowns, the two-headed lady, etc., and enjoy an evening full of entertainment.

In case of inclement weather the date is Wednesday, June 5th.

Resolution

WHEREAS: In the face of events which threaten to shake the foundations of our world, we call our citizens to a program for national unity.
Here in America our problems, social, political and economic, are becoming issues of bitterness and conflict. Events abroad bring home to us the failure of human wisdom. More than anything else we need a new spirit—the spirit of Moral Re-Armament to mobilize the best in everyone and conquer the fear and selfishness in us all.

To build a fear-free, hate-free, greed-free America we must restore to our democracy its true strength which lies in the simple virtues of faith and sacrifice. We must release again the uniting power of honest apology and learn the secret of listening for Divine Guidance. Every citizen has a part. Everyone can start with himself.

We can then secure true co-operation in civic and state affairs, between management and labor and between nation and nation.
May our own community take its full part in restoring sanity and lasting peace to the world.

NOW THEREFORE BE IT RE-

CHAMPIONSHIP MATCH

The South Jersey Scholastic Tennis Championship will be decided on Friday afternoon of this week at Dudley Grange, Camden, the participants being Palmyra, winner in the northern division and Bridgeton.

The victor will play for the State Championship in other sectional contests.

Nine Firemen Are Graduates

Nine members of the Parry Volunteer Fire Company, the largest delegation in the county, received diplomas on Saturday night of last week at the annual graduation exercises of the Burlington County Firemen's School, in Mt. Holly.

The local men have completed a 36-week course and successfully passed the rigid examinations. The Parry men in the graduating class were: Henry Hathaway, chief; Charles Dorworth, assistant chief; William Kennard, president of the company and Firemen Nelson Stellwag, Ernest Schuck, Charles Morris, Joseph Higgins, Malcolm Veitenheimer and William Grossman.

At Bristow, Okla., by city ordinance, peanuts are the first course on any bill of fare at the restaurants. What a feast for the politicians!

SO LVED, as Director of the Board of Chosen Freeholders of Burlington County, I do hereby ask the people of this county to set aside and consider June 1 to 7 as Moral Re-Armament days and do urge that all our citizens join the army of one hundred million who will be listening to the appeal to God throughout the world, and look to God for direction and obey the Divine Will, thereby finding a common mind, a common plan, bringing a new citizenship, a new integrity, unselfishness and love into our national character.
(Signed) ALBERT C. JONES.
Adopted May 24th, 1940.

COMMUNITY CENTER NOTES

1. The Center will be closed on Memorial Day.
2. Saturday night dance on June 1 is the last one scheduled for the season.
3. New ping-pong tables will soon be added to the equipment.
4. A class for boys interested in rope skipping as a training method will be opened by Tommy Boylan.
5. Folding chairs are greatly needed at the Center—who will donate some?
6. Watch for final announcement of public meeting to consider plans for future of the Center—now tentatively fixed for June 10.

Community Center Committee
Riverton-Cinnaminson-Palmyra

MANY ATTEND SCHOOL AFFAIR

Annual Exhibit at Palmyra Popular; Dinner for School Boards

The buildings of the Palmyra schools were thronged from early until late Friday evening of last week, when hundreds of parents from this section and sending districts attended the annual exhibit of the school, inspected the various facilities and viewed with interest the many demonstrations performed by the students.

The exhibit was preceded by a dinner to the boards of education from the various sending districts, and municipal officials with 150 in attendance. This part of the evening's program was in the capable hands of members of the home economics department of the school and the Palmyra Parent-Teacher Association.

Welcome by Baker

Leonard R. Baker, president of the Palmyra Board of Education welcomed the guests and spoke of the fine spirit of cooperation that prevailed between the Palmyra Board and those of the sending districts. He said that this feeling was a source of much satisfaction to all and that it had materially aided in the progress made by the local institution of learning.

Mr. Baker then introduced Dr. Louis J. Kaser, county superintendent of schools, who spoke briefly. Dr. Kaser complimented the Palmyra Board for the manner in which the schools were managed and also lauded the cooperation with the sending districts.

He asserted that this was a most important factor toward the making of better institutions of learning. Dr. Kaser stated that schools cannot stand still—they either go forward or backward. In this connection, he said that there was no doubt but what Palmyra was one of the leaders in the forward movement.

Program

The dinner, which was served on the new 150-piece china service, with a complete silver service donated by the local P.T.A., was excellent in every respect. Following this affair, the guests were conducted through the school and to the stadium where they had an opportunity to view the new improvements which will release space in the school proper for additional facilities.

During the evening the school orchestra played.

(Continued on page 3)

Reeves Named To Welfare Board

The Burlington County Board of Freeholders appointed Leslie W. Reeves, of Cinnaminson, to the County Welfare Board on Friday of last week. He replaces William S. Fryer, Sr., of Mt. Holly, who has served two five-year terms and was one of the original members of the board.

The appointment had been laid over at the last two meetings. Freeholders LeRoy Church and Charles R. Stout wanted Fryer reappointed, but were voted down by Freeholders Clarence G. Price, John M. Chant and Director Albert C. Jones. Reeves' appointment was 3-1. Stout not voting. Church said he was not opposed to Reeves, but was against throwing Fryer off the board because he had done a good job through years of service and his reappointment was recommended by other members of the welfare board.

Price said he was for Reeves because he felt the lower end of the riverfront section should be represented on the welfare body. Stout protested the matter should have been talked over before the public meeting.

BRIEF ITEMS from ABOUT TOWN

The contributing membership drive for the Independence Fire Company No. 1 of Palmyra, will be held during the week of June 17.

The Riverton Fourth of July committee, under the chairmanship of Councilman Robert W. Knight, has already held two meetings and plans are rapidly shaping up for the big celebration here. The program of the day will follow closely that of last year, with the possibility that the new post office will be dedicated, providing construction has been completed by that time. Dr. J. Rowland Day is in charge of the sub-committee which is making arrangements for the fireworks.

The softball game called for last Thursday night was slated off on account of rain. Being one of the many sports activities curtailed by the miserable weather that has persisted for the past 10 days.

Skippers at the Riverton Yacht Club have been slow in getting their craft ready for action this year, but once the racing season is really underway officials expect the entry list in various classes to be larger than ever before.

PALMYRA TAKES MERCHANTVILLE

Coach Ken Dimond's ball tossers racked up another win on Friday afternoon of last week when the locals took Merchantville into camp by a count of 6-5, pushing over the winning tally in the eighth frame after erasing a three run deficit in the sixth stanza.

The Red and White started off handsomely in the initial frame as Henderson stroled, pilfered second, went to third on Carhart's single and came home after Gibson's pop to short as the opposition took a nap.

The enemy tabbed a marker in the second, but the tie was broken in the lower half of the same frame as Kemmerle tripled along the right field foul line and scored as Windish connected for a one-baser.

Take Lead

The invaders went out in front by a considerable margin in the third, when four spotty singles off LeCates, Palmyra hurler, were good for four runs. In this stanza the local infield threw the apple about with great zeal, but always to the wrong place or at the wrong time. VanEmburg hurled the remainder of the engagement and held the opposition scoreless.

Palmyra evened the tally in the sixth and Carhart was tagged and Gibson walked. Kemmerle came through nicely with a timely single that brought two across. He stole second and came in with the knotting marker as Mitchell also nudged one safely.

Brewster singled in the eighth with one away and stole second. Carhart's second hit seemed good to push in the run, but Brewster slipped rounding third and the next two batters were retired in order.

TRACK MEET POSTPONED

Due to inclement weather, the Burlington County Scholastic track meet originally slated for last Saturday, at the Palmyra High School

Lawn Mowers Sharpened
by Modern Machinery
Expert Work Guaranteed
Palmyra Lawn Mower Service
412 Delaware Ave., Palmyra, N. J.
Phone Riverton 883

stadium, has been postponed until Saturday of this week at the same location.

A large entry list is expected. The affair will get under way promptly at 1:30 p.m.

TRAFFIC DEATHS IN FOUR MONTHS

Reporting for the first four months, Motor Vehicle Commissioner Arthur W. Magee announced today that traffic fatalities in the State numbered 217 which was four less than its counterpart in 1939. It is the lowest four months total in nine years.

The greatest numerical reductions occurred in Essex and Atlantic counties while Union and Monmouth counties had the greatest numerical increases in fatalities with eight more in Union and seven more in Monmouth.

Following is a four months comparison of fatalities in the counties together with the changes:

	1939	1940
Atlantic	5	15
Bergen	21	19
Burlington	10	9
Camden	16	14
Cap. May	4	2
Cumberland	4	12
Essex	37	52
Gloucester	4	5
Hudson	16	20
Hunterdon	1	2
Merced	8	13
Middlesex	22	18
Monmouth	13	6
Morris	5	8
Ocean	4	4
Passaic	16	13
Salem	3	3
Somerset	3	3
Sussex	3	1
Union	20	12
Warren	8	2
State	217	231

HAINES WINNER

BANKERS PRESIDENT

H. DOUGLAS DAVIS
Vice president in charge of the trust department of the Plainfield Trust Co., who heads the New Jersey Bankers Association for the coming year.

Elected vice president of the New Jersey Bankers Association was L. A. Chambliss, second vice president of the Fidelity Union Trust Co., Newark.

ACCIDENTS ON PIKE

On Saturday of last week, two cars were involved in a crash at Five Points, Parry, which resulted in three persons being taken to Zurburg Memorial Hospital, Riverside.

by Chief George Dorworth, of Cinnaminson.

The affair occurred when a machine driven by Hugh Welding, 138 Rancocas road, Riverside, ran into a machine operated by John Bauer, Club House road, Browns Mills.

At the hospital, Mrs. Nellie Bauer was found to be suffering from contusions, while passengers in the other vehicle, John Welding, had a fractured shoulder and William VanAnsburch, lacerations.

Both drivers were summoned to appear before Recorder Cecil Sowers, but the hearing was postponed until May 31.

On Monday of this week, at 7:30, Florence Gannor, 570 Benson street, Camden, lost control of her car at Route 25 and Jackson street, Parry. The machine hit a tree and ended up in a ditch. The driver was uninjured. Chief Dorworth investigated.

PALMYRA WINS

Somehow or other the poor weather abated long enough on Monday afternoon of this week for Palmyra to journey to Haddonfield and play a ball game. The result was highly satisfactory to the locals, for they emerged on the long end of a 1-0 count as Mike Faunce limited the opposition to five hits while his mates pounded three opposing hurlers for a total of eight, including a triple by Kemmerle.

Henson connected safely on three occasions, while Kemmerle and Mitchell each hammered out a pair. The big inning for the Red and White was the sixth when four tallies clattered over the rubber.

The game was one of the best

played by the charges of Coach Dimond this year.

ANOTHER POSTPONED

Another game in the Memorial Park Softball loop went into the postponed class as rain descended on Monday night just before the start of hostilities between the Firemen and Dawley Olds. This makes the second conflict that will have to be played later in the season.

There is no game Thursday on account of the holiday, but next Monday night will see the Merchants opposing the German Kitchen ten.

Dawley leads the circuit at present with a pair of wins against no reverses.

This is the day which the Lord hath made; we will rejoice and be glad in it.—Psalms.

MANY ATTEND SCHOOL AFFAIR

(continued from page 1)

chestra, under the baton of Walter Pew, director, gave a 45-minute concert and this was followed by an hour of equal duration by the school band under the direction of Mr. Gering.

Attending

Among those from Palmyra who attended the dinner were: Mayor and Mrs. John F. Ward, Mr. and Mrs. Leonard R. Baker, Dr. and Mrs. Hayes B. Brady, Dr. and Mrs. Charles F. Voorhis, Mr. and Mrs. George Luce, Rev. Gerald Chapman, Rev. and Mrs. Harold L. Rowe, Mr. and Mrs. Arthur Wright, Mr. and Mrs. John Landgraf, Mr. and Mrs. Carl Lutz, Commander and Mrs. James B. Ryan, Albert McCay, Joseph S. Low, Wesley P. Huyett, Mark W. Nace, Mr. and Mrs. George Spencer, Mr. and Mrs. George Rivel, Mr. and Mrs. Ralph Rivers, Mr. and Mrs. George Durgin, William Donaghy, William F. Engle, Mrs. William Mallory, Mr. and Mrs. Sidney Burger, and James Weart.

Riverton guests included: Miss Caroline Staman, Mr. and Mrs. Charles H. Yost, Mr. and Mrs. William H. Botger, Dr. H. B. Mark, Mr. and Mrs. Richard M. Woodward, Mr. and Mrs. Albert Barrow, Mrs. Frank Mathews and Mr. and Mrs. Robert G. Adams.

Those from Cinnaminson were: Rev. and Mrs. Albert J. Harke, Mrs. H. F. Magowan, Miss Emma Frank, Howard Taylor and Maurice Conrow.

ARTISANS

One of the most colorful meetings ever held in the entire Artisan Order was held Tuesday evening, May 21, in the P. O. S. of A. Hall by the Palmyra Assembly of Artisans.

After the regular meeting in which two candidates were initiated in a beautifully decorated room, the Assembly proceeded with its Honor Festivities.

Leading the procession into the Assembly room was Howard Vile, who very ably directed the entire program. Following Mr. Vile was the Guard of Honor, all of whom were dressed in white caps and blue gowns.

Following the Guard of Honor was the double quartet, dressed in white caps and dark red gowns.

After the procession entered and each person took his place, Mr. Vile directed the Guard of Honor to find the "Unknown Member."

The "Unknown Member" was finally located and was found to be one of the Past Masters of the Assembly and deserving any honor which might be bestowed upon him, Joseph Tees.

Mr. Tees was robed in white cap and gown and escorted to the place of honor, where he received the plaudits of the Assembly.

He was presented with a beautiful chair, reflector lamp, table, and several other wonderful gifts, each being presented by one of the members of the Assembly, each one lauding the work done in the past by "Brother Joe."

Between presentations the Assembly was entertained by the double quartet and also by two soloists.

The Assembly was also honored by the presence of the three Most Excellent Officers, who presented Mr. Tees with a gift.

It was certainly a night long to be remembered and showed the real Artisan spirit.

CORRECTION

Mary Hare was the winner in the Palmyra second district for the post of Republican County Committee member instead of Dorothy Christine as was incorrectly stated in last week's issue of The New Era.

(Sch's Building)

ABOUT THE COUNTY

Prospects of a \$10,000,000 State and Federal financial lake project at Bordentown were seen as members of the Burlington county and Mercer county Boards of Freeholders met Thursday to discuss tentative plans for the enterprise.

While his father was seeking work in Camden and his mother busily did her house work, two-year-old Albert Francis Lucas toddled away from his home near Ewanville on Monday morning. Two hours later his body was found in 18 inches of water that had collected from spring rains in an open cellar.

Announcement was made on Wednesday of the resignation of Miss Katherine Lucchini as general secretary of the Burlington County Y.W.C.A., effective July 1. Miss Lucchini has held the position since September, 1936. She has accepted a position as general secretary of the Y.W.C.A. in her home town, Meriden, Conn., and will begin her duties there this fall.

Miss J. Margaret Warner, of Burlington, was elected corresponding secretary of the New Jersey Federation of Business and Professional Women at the annual meeting held on Saturday at Atlantic City.

CARD OF THANKS

We wish to take this opportunity of thanking the voters of Burlington County for the confidence expressed by nominating and electing us in the Republican primary on Tuesday. The two of us who were elected are prepared to carry on with our work as members of the State Committee as we have in the past. Those of us who were nominated pledge that, if elected at the general election in November, they will do their best to warrant the confidence shown and will perform the duties of their respective offices to the best of their ability.

A. MATLACK STACKHOUSE,
ALBERT C. JONES,
FRED C. NORCROSS, Jr.,
GEORGE DEB. KEIM,
PEARLY M. BRIDEGUM.

BASEBALL HERE ON THURSDAY

Riverton A. A. will attempt to open the current baseball season on Memorial Day afternoon, at 3:15, in Memorial Park, with the fast Bristol A. A. as the opposition.

This outfit has breezed through its first eight games without a reverse and the locals can expect a tough assignment for the afternoon. Al Thomas, ex-St. Mary's luminary will do the hurling chores for Riverton and is reported to be in mid-season form. With a fair amount of support from the remainder of the cast, Al should turn in a win.

Both week-end games with Palmyra A. A. were called off on account of inclement weather.

RIVERTON SCHOOL NOTES

Tuesday, June 4th, will be Circus Day in Riverton. The entire Riverton School will participate in the circus performance to be given at 6 p.m. in Memorial Park. The performance will open with the usual circus parade. The "Munchkins" from the "Land of Oz" will appear and there will be the usual wild and trained animal acts. Clowns will help everyone enjoy themselves. There will be a merry-go-round and side shows with many freaks as Barnum and Bailey. Charlie raves will add to the excitement and a daring rodeo will follow the main show. The Parent-Teacher Association will serve supper for the crowd and sell pink lemonade and peanuts.

The school calendar provides two holidays this week, Memorial Day and the day following.

LUNCHEON-MEETING OF LOCAL WOMAN'S CLUB

A covered dish luncheon and final business meeting of the season for the Palmyra Women's Club will be held on Monday, June 3, in the club rooms.

Mrs. Phillip Howard will speak on "Birds in Our Garden."

Our president, Mrs. J. Robinson, will also bring to us "Echoes from the Atlantic City Convention."

Make your luncheon reservations with Mrs. R. E. Sanford not later than May 31.

ATTEND CONVENTION

Mr. and Mrs. Howard Conover, of Washington avenue, Palmyra, spent Thursday, Friday and Saturday of last week in Atlantic City, where Mr. Conover attended the sessions of the New Jersey Bankers Association Convention held at the Hotel Ambassador.

The meetings were largely attended this year there being a large delegation present from Burlington county.

Armitt H. Coate, of Moorestown, is secretary of the state association.

DANCING STAR REVEALS HER DRAMATIC TALENTS IN "PRIMROSE PATH"

Already acclaimed the foremost dancing star of the screen, and having displayed her versatility as a comedienne in numerous films, Ginger Rogers now about-faces and plays probably the most dramatic role of her career in "Primrose Path" which plays at the Fox Theatre, Riverside, Sunday and Monday. The popular star and Joel McCrea share stellar honors in this RKO Radio film produced and directed by Gregory La Cava.

Miss Rogers won her spurs as an outstanding comedienne in "Vivacious Lady" and "Bachelor Mother," established her right to top flight dramatic honors in "Stage Door," combined comedy and pathos in the recent "Fifth Avenue Girl," and for many years has been recognized as Hollywood's foremost dancing star by virtue of her highly successful musicals with Fred Astaire.

In "Primrose Path" the talented star has a strong dramatic role, alive with moments of comedy and pathos but essentially a role requiring the most sympathetic understanding. She portrays a young illiterate daughter of a dissolute family living "across the tracks" in a small, seacoast town. Her desperate efforts to break away from her unwelcome environment, her marriage to an ambitious young worker and the stirring results when her new husband finds out what sort of family she has, all make for the poignant, human drama of the film.

Miss Rogers and McCrea have been surrounded with a fine cast of players, including Marjorie Ram-

beau, Henry Travers, Miles Mander, Queenie Vassar and little Joan Carroll.

NO WORRIES FOR

P. S. GUARDSMEN

New Jersey National guardsmen, employees of Public Service, who will respond to orders of the War Department to join regular army troops for maneuvers early in August, will at least have no worries about lost time, wages or salaries, so far as their civilian jobs are concerned. The training area will be in northern New York State near the Canadian border and the entire New Jersey guard will take part. Instead of the usual two weeks, the period of training will be extended to three weeks.

Speaking for Public Service, Thomas N. McCarter, chairman of the board, today made the following statement:

"In keeping with the company's conception of good citizenship and its desire to be co-operative with State and Nation, our Executive Committee has voted to assure all Public Service employees who are members of the New Jersey National Guard and who, by virtue of their membership in that organization will be called to camp in August, that they will be fully taken care of during that period, so far as wages, salaries and jobs are concerned. There will be no danger of loss of jobs or deductions from pay for such absenteeism."

Count that day lost whose low descending sun
Views from thy hand no worthy action done.—Unknown.

RED CROSS NEWS

TEN MILLION DOLLARS NEEDED

600 FROM RIVERTON AND CINNAMINSON

Mobilized for Mercy! We must go over the top. Any failure would be at the expense of those tragic war refugees. Any lack of spirit or energy on our part might deprive some woman or child of the very necessities of life. We are soldiers of mercy—the last outpost of a peace loving people. We must do the job now assigned to us.

As the Red Cross of Germany, Russia and Japan have announced that they can take care of their own needs and do not require assistance, the American Red Cross will use the funds asked for at this time to relieve the sufferings in the other countries thus far involved in the armed conflict.

A few of the larger items of the more than 700 different types of supplies which have already been purchased in the United States by the Red Cross Societies of belligerent nations, or countries harboring refugees, follow:

120,000 blankets
105,000 suits of knitted underwear
276,000 yards of bed sheeting
45,000 pairs of shoes
23,000 surgical instruments
100 tons drugs
266,000 tablets (to combat pneumonia)
500,000 tablets sulfanilamide (to combat infection)
38 x-ray units
32 generating motors for x-ray units
100-bed hospital unit (containing 700 items)
10 fifty-bed hospital tents
10 motor ambulances
131,000 pounds of wool yarn (for sweaters, etc.)
1,500,000 yards gauze for surgical dressings
92,000 pounds absorbent cotton
There are 400,000 surgical dressings, now in a New York warehouse, which will be shipped on the first available boat for use in Belgium and Holland.

Ambulance and hospital trucks also will be shipped for the Belgian and Netherlands Red Cross as soon as delivery can be obtained.

A pledge of cooperation of the American Hebrew Congregation was received from the president, Robert P. Goldman, of Cincinnati. Far-away Hawaiian Red Cross chapter cable full support and cooperation.

ABOUT TOWN

Mrs. Helen Enskat, of 128 Garfield avenue, was the winner in the May 25 drawing of Shulman's Merchandise Club.

Mrs. J. P. Reese, of Elm terrace, left Saturday for an extended visit with relatives at Berea, Kentucky.

Evelyn Kates, of Garfield avenue, was hostess to the Dookerdee girls last Thursday evening.

The last winner of the present merchandise club conducted by the Christ Church, was Harold Edwards, of Parry avenue. A new club will start during the coming week and those interested are asked to contact Mrs. Walter David, Riverton 295, or any captain of the club.

Mrs. Robert Finney, of Cinnaminson street entertained her sorority at bridge on Tuesday evening.

Mrs. Robert C. Thomas, of East Fifth street, was last week's winner of the Sacred Heart merchandise Club.

Regina Groome, of Linden avenue, was the weekend guest of Jean Daily, of Mercantile.

Evans' Service Station
Broad & Main Sts. Riverton, N. J.
SUNOCO
GASOLINE and OIL
Tires - Batteries - Auto Accessories
Broad & Main Sts. Riverton, N. J.

The Sacred Heart P.T.A. will hold their regular monthly meeting in the school auditorium on Thursday, June 6, at 3 p.m.

Mr. and Mrs. Albert Tahler, of West Broad street, spent the past weekend visiting friends in Coatesville, Pa.

Jean Seiber, of Garfield avenue, will entertain the Sub-Debs. this evening.

Mrs. Elmer Vaughn, of Morgan avenue, will be hostess to the members of her card party this evening.

Elias Malone, of Garfield avenue, and Harry May, Jr., of Maple avenue spent several days of the past week in New York City.

ANCIENT YEW ONE OF MOST USEFUL EVERGREENS

Taxus is the ancient name of the yew, and is derived from the old Greek name for this tree, which formed part of the forests in a period long ante-dating historic times. The yew, although an evergreen does not belong to the conifers since it does bear cones. With a few other genera rarely seen in the northern states the yews comprise the small group of Taxaceae, one of the most ancient plant families on the earth.

Stout Saxon warriors made their long bows of the yew boughs and with it conquered western Europe. Today with the revival of archery, yew boughs are in great demand. Yews were used as property boundaries in Europe because of their permanence and the reverence in which they were held.

Wood Strong

The wood of the yew tree is highly valued for cabinet making, as it is heavy, hard, strong, elastic and close grained. The bright red berries are sweet and non-poisonous, horses and cattle. The English have cultivated their native yews (Taxus baccata) for centuries and have produced many good varieties.

The American yew (Taxus canadensis) is not of much importance for gardens. But we have a splendid substitute for our American species in the Japanese yew (Taxus cuspidata), a native of Japan. It is a native of Manchuria, which has proven to be one of the hardest evergreens in the northern states. This tree, when grown from seed, develops a central leader and a conical shape, keeping its thick dark green foliage down to the ground. As it is a very slow process to work stock up from seed, nurserymen started to graft side branches from this tree. These made no leaders, and became the spreading form of the Taxus cuspidata. To distinguish between the two forms the name "capitata" was added to the original.

Red Berries

Like its American and English relatives the Japanese yew has

bright red berries and can easily be trimmed in all shapes. As they lend themselves so easily to trimming, both Taxus cuspidata and capitata make a beautiful evergreen hedge. They also can be planted in foundation and group plantings.

Yews will grow in any soil that is fertile and well drained. Drainage is very important because with a few feet they soon lose their glossy green color and turn yellowish. Nurserymen, to live up to their name as beautifiers of nature, are always trying to improve plant life, and have introduced a number of varieties from these original Japanese types. Many of these hybrids are very useful in landscape work due to their different forms of growth and habits.

NOTICE

Take notice that John B. Keating intends to apply to Cinnaminson Township Committee of Cinnaminson for a Plenary Retail Consumption license for premises situated at 1 Broad street, East Riverton. Objections, if any, should be made immediately in writing to Harold E. West.

Church Notices

BETHANY EVANGELICAL LUTHERAN CHURCH
Broad Street and Morgan Avenue
Palmyra, N. J.
Rev. Harold Lee Rowe, Pastor
Church school, 10:00 a.m.
Worship service, 11:00 a.m. The Rev. Dr. M. R. Hamsher, president of the Central Pennsylvania Synod of the United Lutheran Church in America, will deliver the morning message and install the Rev. Harold Lee Rowe as the pastor of the church. All members and friends of Bethany are invited to attend.
Luther League, 6:45 p.m.
Next Sunday, June 9, Youth Day at Bethany, at which time the Church School will worship with the church members in a combined service at 10:30 a.m. This service will supplement the annual Children's Day Service in that all groups in the church will have a part in the service. Plan now to attend this service.

In the afternoon at 2:30 the Annual Baccalaureate services for the graduating class of the Palmyra High School.

11 o'clock—Meeting for worship.

CHRISTIAN SCIENCE CHURCH
"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" is the lesson-sermon subject in all Christian Science Churches and Societies throughout the world on June 2.
The Golden Text is: "Sing unto the Lord, praise ye the Lord: for he hath delivered the soul of the poor from the hand of evildoers." (Jeremiah 20:13).
Among the lesson-sermon citations is the following from the Bible: "But whose hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil." (Proverbs 1:33).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Science only can explain the incredible good and evil elements now coming to the surface. Mortals must take refuge in Truth in order to escape the error of these latter days" (p. 83).

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor
Services for Sunday, June 2nd.
Bible school, 10:00 a.m.—Building generations of faithful and true Americans is one of the functions of a bible school. Here is where the foundations are laid that are of sufficient strength to stand the rebuffs of life, and come out victorious. Character building, the lack of which is now causing the ills on the Eastern Continent, should give us our greatest concern in America today. It behooves every parent to set the example for their children by attending a Bible school and church of their own denomination. If you do not have any church affiliations, you will be most cordially received at "Central Baptist."
Morning service, 11:15 — What should be the first consideration but which is in many cases the last—"The Value of Prayer"—when people have tried everything else to meet the vicissitudes of life, will be the subject of the pastor's sermon for the morning service. Vocal solo and anthem by the choir. The observance of Holy Communion will follow the sermon in which all Christians are invited to participate.
Evening service, 7:45 p.m.—If you wish a good tonic to inspire you for the week's work, you could do no better than to attend the evening

service. "The Four Horsemen" will be the subject of the sermon. Song service preceding the sermon with rendition by the choir.

The Primary, Beginners and Cradle Roll departments have issued invitations to all mothers to attend a meeting on Friday evening, June 7th, at 8 o'clock, to meet the officers and teachers. The program will consist of a speaker, music and refreshments. Don't forget the date. These departments in conjunction with the Junior department will hold Children's Day exercises in the church at ten o'clock Sunday morning on June 9th instead of the evening service as in previous years. Parents of the children are most cordially invited.

Wesleyan Men's Bible Class
For the Men of the Community
In the midst of the Civil War with its forebodings, a person asked Mr. Lincoln, "Is God on our side?" The important question is, "Are we on God's side," said Mr. Lincoln. God is the ruler of the universe and its destiny is in His hands. The outer confusion and inward anxieties of the day, owing to the ravages of war that are merciless and disastrous, naturally raise the question "Are we on God's side?" If so, then all will end according to the Divine purpose.

"Who is on the Lord's side," thus the challenge was given to the Israelites centuries ago. The same challenge is given to us today. This means life surrender to the will of God and obedience to the Holy Commandment.

As a Bible Class we answer to the important question, "Are we on God's side?" in the surrender of our lives and a patient trust that God will triumph. Let us rally together next Sunday under the inspiration that all will end well for God is on the throne.

SACRED HEART CHURCH
Riverton, N. J.
Rev. John F. Welsh, Pastor.
Rev. Vincent A. Luther, Assistant Pastor.
Sunday Masses, 7:00, 9:00, 10:30 a.m.
Daily Masses, 7:00, 7:45 a.m.
Confessions every Saturday from 3:45 to 5:45 and 7:30 to 9:00.
Miraculous Medal Novena—Monday evening at 7:45.

Friday of this week is the Feast of the Sacred Heart of Jesus. There will be special devotions on Friday evening at 7:45. All our people are urged to attend.

The play, "Seven Chances," given last Friday evening was most successful. Congratulations are due Mr. Frank Fitzpatrick and all members of the cast and committees.

Sunday Masses: 7:00, R. Dennis, V. Collar; 9:00, M. Kavanagh, W. Betz; 10:30, R. Fichter, A. Pfaff, H. Groome.

An error was made in our column of last week. An article on the Mother of God read thus: "The difference between ourselves and Mary may be measured only by infinity." That is wrong. What we really wrote

was—"The difference between ourselves and Mary may be measured by the difference between sin and sinlessness but the difference between Mary and God may be measured only by infinity."

We wish to thank the voters of Riverton who supported us in the recent Primary Election, as candidates for the Republican nomination for members of the Borough Council.

H. AUBREY WALBURN, JOHN GOODWIN.

THANKS
I wish to thank the voters of the second district, Riverton, for their support in electing me to the Republican County Committee.

ALMA M. EVANS

OBITUARIES
CATHERINE BRYSON
Catherine Bryson, of 731 Parry avenue, died on Thursday, May 28. Funeral services were held on Monday at 2 p.m. from the Snover Funeral Home, the Rev. H. L. Rowe officiating. Interment was made in Arlington cemetery.

The deceased is survived by her husband, William J. Bryson, Jr., and a daughter, Catherine Anne; two sisters, Mrs. Elizabeth Lippincott and Mrs. Anna Wilson, of Delair, and two brothers, William and Louis Doerr, of Camden.

Mrs. Bryson was a member of Camp No. 62 P. O. of A., Camden.

COLORED MALE CHORUS
TO SING HERE JUNE 9
The Jack Holmes colored male chorus of twenty voices, known to many of the leading churches throughout the state, will be heard on Father's Day, Sunday, June 9, at the Wesleyan Bible Class Meeting, 10 a.m., in the Methodist Church, Palmyra.

A lot of spoiled daughters who get married put their husbands on the old man's charge account.

Gigantic Payroll

The National Small Businessmen's Association in a recent tabulation of the national payroll for January 1940 disclosed the fact that each month the government at Washington makes out checks to more than 12,400,000 persons on the federal payroll. The number seems unbelievable to most of us who have not studied the situation, and the association adds that this number does not include the approximately 1,700,000 direct relief cases charged to the government.

Space here forbids giving an analysis of the payroll in detail. But checks are given to 968,851 on the administrative payroll, 294,000 to the military, 858,694 to those receiving military pensions and aids, 319,613 on the Federal Public Works, 2,202,638 on the W.P.A., 293,692 in the C.C.C. camps, 758,354 in the National Youth Administration, 1,925,957 to those receiving old age assistance, 3,468,281 receiving farm aid payments. The monthly payroll in all was \$509,160,000 which is at the rate of considerably more than six billion dollars a year!

Of course it is not to be maintained that a great deal of the activity is not necessary and worthy. But it is a fact that with so many persons getting federal pay checks the growth of bureaucracy is not at all surprising. It is estimated that the federal payroll contributes directly to some 26,000,000 in 11,000,000 families, with every third family in the country being supported in some degree by a federal check. If you are interested in democracy, and opposed to federal paternalism or totalitarianism these figures ought to set you to thinking.

Donald Despain, spokesman for the Small Businessmen's Association, well says:

"The burden of taxes and debt which supports this tremendous federal outlay has been holding back business recovery in every field of national economy. One-fourth of every working man's pay is earmarked for taxes before the pay envelope is opened.

"Genuine business recovery throughout the United States would provide real jobs for millions now on the public-assistance rolls. That is the bright goal toward which every patriotic American looks hopefully—the solid restoration of robust private enterprise. Then, and only then, may the country expect curtailment in Washington's gigantic spending bureaucracy, which already has made every third family dependent on some form of public assistance.

"No one in our day opposes the proper social functions of government. But every American is alarmed by the current trends in federal management."

CITIZENSHIP
DAY SUNDAY

The Honorable Frank Hendrickson, Judge of Court of Common Pleas, Burlington county gave a splendid address the past Sunday at the ceremonies held by the Burlington County Americanization and citizenship committee at the Court House, Mt. Holly. Judge Hendrickson, spoke on the value of being an American citizen and those who are being naturalized new citizens and those approaching the voting age. The three departments of the federal government.

Those who participated on the program of the annual New Citizens Day were: Mt. Holly High School Band, Rev. M. O. Peirce, of Mt. Holly, County Commander of Veterans of Foreign Wars, greetings from Palmer L. Adams, clerk of Burlington county, address by Judge Frank A. Hendrickson, "What Citizenship Means to Me" by a newly naturalized citizen, Mr. William Adamson, of Riverside; "What Citizenship Means to Me" by a young native born citizen, Joseph Grant, of East Riverton; address of welcome to the new citizens, by George G. Doran, of Medford.

who is the County Commander of American Legion. The program was concluded with the singing of patriotic songs and presentation of souvenirs to the large attendance. Benediction was given by Mayor John F. Ward, of Palmyra.

The Burlington County Citizenship committee under the direction of James P. Hughes, desires to thank the Boards of Education for permitting the citizenship classes to be held in the various schools throughout the county, also the P. O. S. of A. of Palmyra, who furnished the flags to those in attendance at the affair.

THANKS

I wish to thank the members of the River Towns Ladies Club for the beautiful gift which they presented to me. I am grateful to you all and appreciate your thoughtfulness.
Anna T. Denneker, President.

RUMMAGE SALE

The River Towns Ladies Club will continue their Rummage Sale on May 31 and June 1 at 14 Scott street, Riverside.

Anyone having shoes, clothing or furniture to donate, write Mrs. Anna T. Denneker, Riverton.

GEORGE F. GINTHER
NEW ROTARY MEMBER

With the classification of "Fire Insurance," George F. Ginther, well-known Riverton real estate and insurance man, was made a member of the local Rotary Club at its regular meeting last Thursday evening, being inducted into membership by Past President Dr. P. Conner Hulse.

The club enjoyed the showing of the new American Air Lines sound picture, "Flags of the Air" which depicted most attractively a transcontinental flight of this great line of ships. The showing was arranged by former Rotarian, David S. Little who, until recently, was a resident of the community and active member of the club. Mr. W. A. Carr and Mr. C. J. Streeter of the American Air Lines exhibited the picture.

YWCA NOTES

Miss Katherine Abbot Wells, of Needham, Mass., has been appointed general secretary of the Burlington County Y.W.C.A., to succeed Miss Katherine Luchini, who has resigned to accept a similar position at Meriden, Conn. Miss Virginia Slim, of Merchantville, will continue as girls work secretary.

Miss Wells is a graduate of Mount Holyoke College and received her Master's Degree in Education from the Harvard University School of Education. She was director of Girl Scout work in Monmouth county, in 1930-31, and the following year served as assistant secretary of the International Institute at the Y.W.C.A. in New Bedford, Mass. She was a church and girls workers at Trinity Church, Boston, Mass., and for the past three years was association director and acting national director of the Church Army of the Episcopal Church at the headquarters and training center in New York City. She also has had considerable experience in camping and settlement work.

Miss Wells will assume her new duties in Burlington county September 1.

THINGS TO WATCH FOR

A throat examiner flashlight made of lucite, the transparent plastic that bends light around corners . . . An air-operated body polisher for automobiles—it rotates like the motion of the human hand and runs on air

pressure from the spare tire . . . Undersea beach toys for the kids—in both aluminum and rubber.
O Light divine! we need no fuller test
That all is ordered well;
We know enough to trust that all is best
Where Love and Wisdom dwell.
—Christopher P. Cranch.

KNOW
★
YOUR BANK

Who Owns This Bank?

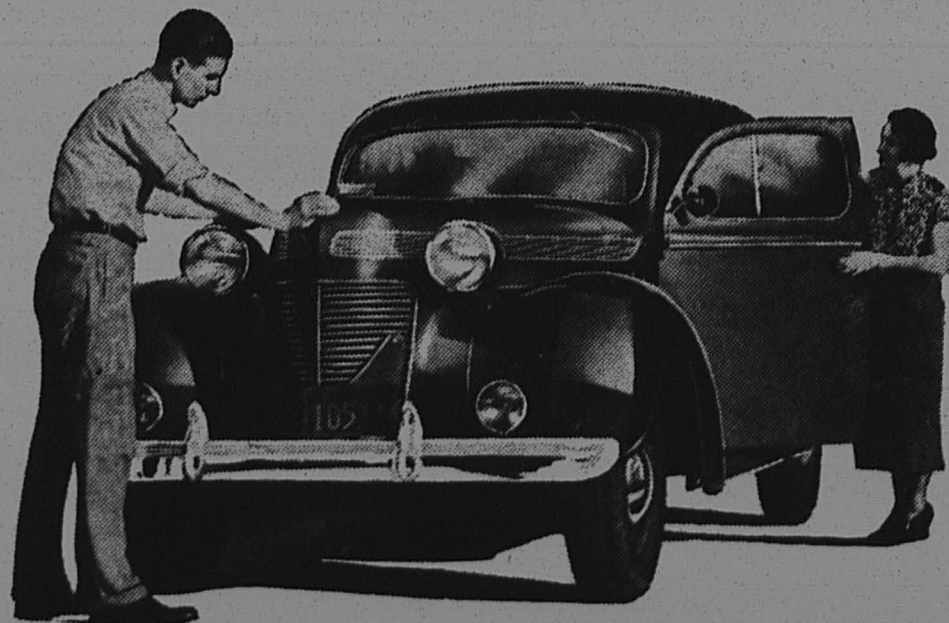

You probably know the answer, yet it's one of those simple, obvious facts that are often lost sight of. The stockholders who own this bank are your neighbors and ours—average citizens who take part in the home, social and business life of this community.

They invested their money in our capital stock because they had faith in the community's future, and in the progressiveness of their fellow men. Often the money they invested was part of their hard-earned life savings.

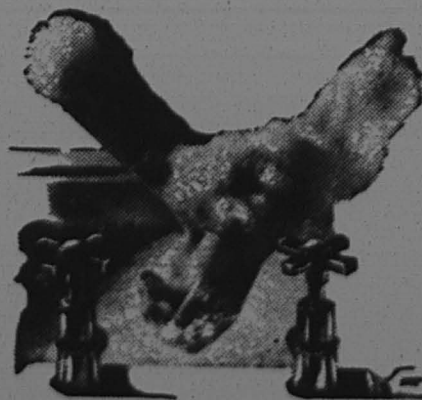

This confidence on the part of our stockholders, who in turn enjoy the confidence and respect of many others, is a good-will-building force which we value highly. To quote a familiar saying, it means that we are "of the people, for the people and by the people"

Cinnaminson Bank and Trust Co.
RIVERTON, N. J.

After Work on the Car...
HOT-WATER-Convenience

When you finish working on the car you want hot water right away for washing up! A modern automatic gas water heater keeps hot water ready, day and night, for all your hot water needs. This service costs very little—only a few cents per 24 hours! Ask Public Service or your plumber for an estimate based on your hot water usage. Modern automatic gas water heaters are sold for as low as \$49.50 cash, installed. You may purchase on monthly terms equivalent to about a nickel-a-day. Small down payment. Liberal trade-in allowance on an old water heater.

Steel production is going up. Nobody could be surprised at that, in view of the way Europe's war has been raging, and our own defensive re-arming plans are being pushed. Armaments always call for lots of steel. But most of the executives attending the 49th general meeting of the American Iron and Steel Institute last week feel there's good business ahead for steel, completely apart from war orders. And an industry like steel can't help pulling a lot of other industrial activity along with it when it moves forward. Buying of steel for purposes not at all related to war has been expanding in recent weeks and promises to keep going. In a period of four weeks the rate of ingot production has stepped up from 61 per cent of capacity to 75 or 76. At this time a year ago it was below 50 per cent, and in 1938 it was down to 29. Some of the leaders mentioned the possibility of a rate of 90 per cent if there are no drastic changes in the war situation in the next few weeks.

The much glibed-at unpopularity of millionaires around this country in the last half-dozen years or so will be as nothing compared to the unpopularity of any new "war millionaires." President Roosevelt has lost no time asserting he doesn't want to see a new crop of same created. Government officials are indicating that the anti-trust laws will be dusted off and whirled into action to prevent that sort of thing—if the suppliers of defense needs of the country show any inclination to enter into any sub rosa activities to boost prices. They're looking into possibilities of excess-profits taxation. The net result of such activity, if it becomes necessary to apply it, would make overstuffed earnings—those inconsistent with the volume of business done—a sort of ring-around-the-rosy game, in which the producers take from the consumers, and the Treasury recaptures the winnings.

YOUR GARDEN WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

Now that most 1940 gardens are established, the rest of the spring and the summer will find gardeners chiefly concerned with maintenance—cultivating, watering, fertilizing, controlling insects and plant diseases, and perhaps mulching.

Cultivation is important at this particular time to keep weeds from gaining a foothold and to allow air to penetrate the soil. It is not necessary to cultivate deeply; in fact,

deep cultivation would do more harm than good because plant roots would be destroyed to some extent. Two inches is enough.

The right way to water plants is really less trouble than the wrong way. Rather than give the garden a sprinkling each evening with the hose, soak it to a depth of at least six inches whenever it dries out to a considerable depth. Light waterings tend to bring roots to the surface and cause plants to suffer more than dry spells than if no watering is done at all.

Mulching

Surface fertilization is also to be avoided. The rule should be to use just a little—not more than five to 10 pounds per 1,000 square feet—and to dig it into the soil. Separate applications several weeks apart may be necessary, but it is never advisable to apply a great deal of fertilizer all at once. Another precaution is to make sure the fertilizer is soluble in water and that it does not have to decompose before it is available to plants.

The practice of mulching beds and borders has lightened the task of cultivating and watering for many gardeners during the last few years. Peanut hulls, salt hay, cut straw or best of all, peat moss, carefully spread over the soil in a two inch layer helps control weeds and materially lightens the garden upkeep job.

Gardeners who object to the appearance of mulch in the flower borders can achieve the same benefits by hoeing or stirring the topsoil to make dust mulch an inch or half-inch deep, although results are not so permanent as when peat-moss is used.

1,300,795 DRIVERS

New Jersey licensed 1,300,795 persons to drive its 1,045,604 registered motor vehicles during the license year ending March 31, according to a report by Motor Vehicle Commissioner Arthur W. Magee. The ratio was five drivers for every four automobiles.

Both the number of registered vehicles and licensed drivers broke all existing records.

Further analyzed, the figures reveal that 255,191, or more than a quarter of a million drivers, didn't own the cars they drove. This group included, of course, the commercial vehicle driver, private chauffeur, bus and taxicab operator as well as the Missus, Junior and Daughter.

There was a time however, when the number of cars in use exceeded the number of licensed drivers. That was back in 1908, '09 and '10 when goggles, linen dusters and French horns were the vogue, mechanical breakdowns were frequent and a trip through the country was received with roadside jibes of, "I sold my wheel for an automobile. Got a Horse."

But the automobile was fast "catching on," Motor Vehicle Department records showing that with the exception of 1911 and 1912 when there was an unexplained drop in car registrations, automobile registrations and drivers began to increase and have continued a consistent upward trend to the present time.

For those who might be statistically inclined, Commissioner Magee suggests a comparison of last year's

1,045,604 motor vehicles and 1,300,795 drivers with the 13,759 cars and 15,269 drivers in 1906, the year the Motor Vehicle Department came into existence.
