51st Year No. 29

RIVERTON—PALMYRA, N. J. THURSDAY, AUGUST 1, 1940

PRICE 5 CENTS

TRAFFIC DEATHS ARE INCREASING

Downward Trend for Past
29 Months Receives
Setback This Week

New Jersey's 29 months downward trend in traffic accident fatalities received a setback this week when Motor Vehicle Commissioner Arthur W. Magee, reporting for the first six months, announced an increase of 19 deaths over the corresponding months of last year.

Fatalities this year totaled 366 as against 347 in the first six months of 1939. The increase is slightly more than one-half of one per cent.

"The situation calls for a redoubling of safety efforts if New Jersey is to maintain its high position among the safer states," said the Commissioner. "If public officials, drivers and pedestrians will accept the challenge during the months ahead and renew their determination to practice and promote safety, the State can still complete the year with a reduction."

Reviewing the fatality record of the counties, Commissioner Magee said that Union had the greatest numerical increase in deaths with 23 more than last year. Atlantic had the best reduction with 12 fatalities less than last year.

Summary

Herewith is a comparative record of fatalities in the counties for the first six months of 1940 and 1939 together with the numerical changes:

County	1940	1939
Atlantic	13	25
Bergen	28	27
Burlington	12	16
Camden	24	18
Cape May	3	
Cumberland	7	14
Essex	61	64
Gloucester	9	12
Hudson	29	33
Hunterdon	6	2
Mercer	13	18
Middlesex	33	29
Monmouth	19	16
Morris	11	13
Ocean	12	6
Passaic	21	16
Salem	6	3
Somerset	8	11
Sussex	2	2
Union	38	15
Warren	11	4
Entire State	366	374

SACRED HEART CARNIVAL

The annual Sacred Heart Parish Carnival will take place this Friday and Saturday evenings on the lawn of the Knights of Columbus home, Broad and Elm. A 1940 Chevrolet sedan is being chanced off under the share plan and is on exhibit and chances may be had from Mrs. William Smith, at the K. of C. hall throughout the day.

New and attractive features have been planned for this year's affair, including a novel popularity contest. Miss Kathryn Dougherty, last year's queen of the carnival is in charge of the present contest while Robert J. Woods and Mrs. William Smith are in charge of the men's contest.

The advisory board consisting of Rev. John F. Welsh, pastor; William Eck, Leo Terrell, Robert J. Woods, and Leo Wallace state that this year's affair will surpass all previous carnivals held by the parish.

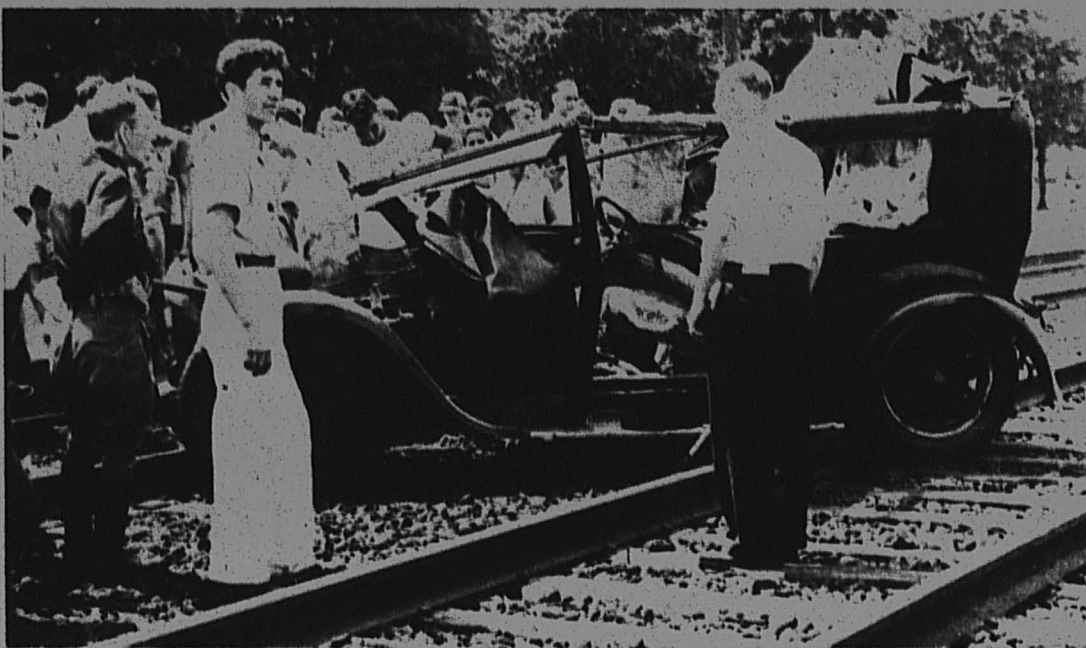

NOTICE

Surplus Commodities will be distributed August 6th and 7th as usual.

Mrs. Mary B. Sim,
Director of Welfare.

Speaking of grasshopper troubles in America, just recall for a moment what has happened to the crops over in Europe.

NARROW ESCAPE

New Era Staff Photo

William N. Brooks, 83 Alden avenue, Riverside Park, and Robert Cotton, also of Riverside, had a narrow escape from death shortly after noon on Monday of this week, when their stalled '29 Essex coach was reduced to wreckage by an eastbound Atlantic City express, at the Morgan avenue crossing, Palmyra. The machine was going south over the intersection when the motor died and the occupants quickly evacuated. The train, running at high speed, was so close that the engineer could not stop in time to avoid the crash. The radiator of the wrecked auto pictured above, was tossed about fifty yards from the point of impact, while a tire sped through the air at least 200 yards from the scene.

WILKIE MAY ATTEND RALLY

Arrangements are being made to have Wendell Wilkie, Republican nominee for president, attend the big Republican Rally being planned by the Burlington County Republican Committee, according to an announcement made on Tuesday of this week.

The affair will be held at Browns Mills between August 20 and September 2, the date to be determined when final plans are completed. All state and county candidates have been invited to attend.

ESCAPED FROM BYBERRY

While on patrol duty on Wednesday morning, Officer John Robinson, of the Riverton police, noticed a young man changing his clothes in the rear of the Hullings Plumbing Shop.

The youth stated that the garments had been donated by local residents which, upon investigation, proved true, but the fact that his former attire resembled institution clothing aroused the suspicions of the officer.

Questioning brought out the fact that the man has escaped from the Philadelphia Mental Hospital at Byberry and he was promptly returned to that institution.

The use of silk is now at a twenty-year low. But since there are few silk-worms in the United States we don't have to put 'em on relief.

VACANCIES FOR GROUND COURSE

Announcement was made this week that all persons between the ages of 18 and 26 who are still interested in the Ground Course that is being sponsored here by the Civil Aeronautics Authority can attend afternoon classes from Monday to Thursday between the hours of 2 and 5.

In addition, those who are willing to take their chances as alternates for those who may fail to pass the physical exam for the night classes, or anyone, regardless of age or sex, who would like to take the course on a non-competitive basis, upon the payment of \$10 is urged to report to J. P. Hughes, at the Palmyra police station on Friday of this week, between 7 and 8.30, to fill out the necessary application blanks.

Hours of Courses

Gilbert Jay, of the University of Pennsylvania, a certified Government instructor, will have charge of the classes here.

The six weeks' course will begin on Monday, August 5. Classes will be held on Monday, Tuesday, Wednesday and Thursday of each week.

The afternoon group will study from 2 until 5, while the hours for the evening class are from 7.30 to 10.30.

The man of the hour spent many days and nights getting there.

LOCAL FIREMEN RENDER HELP

Riverton and Palmyra firemen did yeoman service at the Camden conflagration on Tuesday afternoon of this week, in response to urgent appeals for help from Camden officials.

The Palmyra company, with 30 men and three pieces of apparatus responded at 3 p.m. The pumper was stationed at 11th and Market, at the end of a relay from Cooper River. Three hose crews manned the lines and went into action along the blazing inferno along Cooper street, between 9th and 10th, where an entire block of residences was destroyed. The Palmyra outfit arrived home at 11 p.m.

Riverton answered a call shortly before 4 o'clock and the pumper was located and a hydrant at 10th and Market where the blaze was at its hottest. From this point, the local men manned five lines and remained until well after midnight.

AMERICAN LEGION

The Frederick M. Rodgers American Legion post of Palmyra, will hold their regular monthly meeting in the post home next Tuesday evening at which time election of the new officers of the post will take place. All members are urged to be present at this meeting as the most important officer to be elected will be a new commander of the post.

At the present time Palmyra is tied with the Riverside post for membership in county enrollment.

JOINS FLEET

New Era Staff Photo

Last week the Str. Belevedere, out of Genoa, of the Italian Line came up stream and was moored to the pier opposite the Riverton Yacht Club, where the two Danish boats were tied up a few days previous. The Belevedere is said to be the largest boat that ever came up the river this far. The top of the mast is 135 feet above the waterline.

CAMPERS TAKE RIVER CRUISE

Tonight (Thursday) Parents'
Night with Exhibit and
Entertainment

With old man weather dealing knockout blows to most people and keeping them in the shade, the Y.M.C.A. Home Vacation campers kept up the fine pace they have been setting in summer recreational activities by traveling to Riverview Beach.

The group, with their parents and under the supervision of Bud Reeder of the Y.M.C.A. staff, and Ralph Durgin, associate director of the Day Camp, met at the Y.M.C.A. building, Tuesday morning at 7.30 a.m., where they took buses to the Camden ferries.

Traveling across the river, they boarded one of the Wilson Line boats for a very interesting trip down the Delaware River. On the way, the boys had an opportunity to observe several boats under construction at the Camden Ship Yards. Further down the river, the Navy Yard was pointed out to them and many reconconditioned destroyers and other boats were in evidence.

Amusements

The boys were fascinated by the many steamers of the different countries on the river and many arguments developed as a result of opposite opinions on the flags they were flying and what country each boat represented.

Arriving at the beach the boys couldn't get to the amusements fast enough. Roller coaster, merry-go-round, the miniature motor cars, the boat trip and the miniature trains were all patronized by the campers. Early in the afternoon the boys headed for home but with not quite as much zip as they showed earlier in the day.

Wednesday morning the boys again journeyed to the Moorestown Pool, where tests were given so the boys might earn their swimmers and beginners buttons. In the afternoon they played softball to determine the senior championship.

Parents Night

Tonight (Thursday) is Parent's Night. Here the craft work they had under construction will be on display and the boys will play host to their parents. As usual a theatrical production will be presented as only the Day Campers can present one and individual performers will be put on by the boys with refreshments being served at the end of the evening. Tomorrow morning (Friday) the boys will make their last visit of the 1940 season to wind up the camp. They came, they participated and we hope, they all had a swell time.

JOSEPH STACK CLUB SPEAKER

At the meeting of the Business and Professional Men's Club of Palmyra and Riverton held on Tuesday of this week, the speaker of the day was Joseph L. Stack, local ice dealer, who spoke on the most timely topic, "Ice Refrigeration."

Mr. Stack traced the history of the business since he entered the field as a helper in 1907. He told of the many changes that have occurred since that time and injected many interesting facts into his talk.

There will be no meetings of the club during August, but sessions will be resumed the first Tuesday in September.

Walter D. Lamon, Jr., chairman of the organization has joined the 157th Field Artillery, New Jersey National Guards, and will leave next week for a three-week tour of active duty with the first army.

Wait for perfection and the sun will never set.

Notice

There seems to be a bit of misunderstanding in the minds of some citizens regarding the use of the Palmyra Tennis Courts. The Palmyra Tennis Club desires to make its position clear in this matter. The courts are for the use of the citizens of Palmyra and members of the local club have no priority rights, or any privileges not accorded non-club members.

The Palmyra Tennis Club is endeavoring to cooperate with the respective councils in the operation of the courts and they urge any person not a member of the club to make full use of the local courts at all times. A book is being run to assure proper precedence in the use of the courts and all players are asked to register in this book immediately upon arrival at the courts for play.

COMFORT DURING HOT WEATHER

To be comfortable during hot weather, live sensibly, form regular habits of living, get plenty of rest, and above all, try to acquire a cheerful and philosophical outlook on life. Such is the advice offered by Dr. J. Lynn Mahaffey, State Health Director, and the U. S. Public Health Service, which has just issued a leaflet on "Comfort During Hot Weather."

Hot weather comfort and efficiency can be increased by following a few simple rules regarding food, drink, clothing, exercise, sleep and exposure to sun.

Recommendations of the Federal and State authorities are:

Food

The influence of a warm climate on the amount of food required by an individual is commonly exaggerated. The temperature of the body is adjusted not so much by increasing or diminishing the amount of heat we produce, as by regulating the amount of heat lost. It is therefore desirable during hot weather to increase the intake of fluids which will promote sweating, a mechanism by which the skin is cooled. Fresh fruits and vegetables are excellent sources of fluid and in addition contain food elements much needed by the body during hot weather. As a general consideration, fried foods and rich pastries should be curtailed as food of these types tends to increase heat production.

Drink

Attention has already been called to the necessity of drinking adequate amounts of water (6-8 glasses a day) to induce sweating. Fruit juices are excellent hot weather drinks, being palatable and effective in quenching thirst.

When on motor trips drink only from wells and springs approved by the health department. In many States, the State Health Department has signs posted denoting a safe water supply. When in doubt, it is advisable to inquire of local authorities.

When sweating is profuse a large amount of sodium chloride is lost. When excessive, the loss of fluid and of chloride from the blood may lead to heat cramps and to heat exhaustion. It is believed that these conditions may be prevented by the drinking of an occasional glass of water to which a small amount of table salt has been added. Three or four grains of salt to a pint of water should be sufficient.

Clothing

The weight, texture and color of the clothing have a great influence on the loss of heat through the evaporation of moisture from the skin. A safe and comfortable body temperature is maintained by free evaporation of sweat from the surface of the body. To aid in such evaporation, the clothing should be loose and of such character as to permit the easy passage of air. Materials such as cotton or linen aid most in avoiding the burning effect of the hot sun. It should be remembered that dark colors absorb the sun's rays and are, therefore, warm in hot weather. While clothes reflect the rays of the sun and are cool in hot weather.

Exercise

Light exercise adapted to your own strength and condition of health is preferable. All forms of active

physical exercise immediately before or after meals should be avoided. Swimming is one of the best sports for the hot weather since it does not cause overheating of the body.

Refrain from strenuous exercise during the hottest part of the day.

Sleep

A comfortable night's rest during the severe heat of summer will make the next day's heat seem less oppressive. The use of an oscillating electric fan which keeps air in motion without harmful direct drafts will help to insure a good night's sleep.

It is particularly beneficial to observe regular hours of sleep during the summer.

Bathing

Frequent bathing helps to keep the body cool and refreshed. The shower bath is recommended as it does not have the sedative and weakening effects of the protracted tub bath.

Exposure to Sun

It is best to begin with brief exposure each day until the skin becomes lightly tanned, after which the body may be exposed to the rays of the sun for longer periods. Persons with sensitive skins should be especially careful as overexposure to direct rays may cause severe burns.

According to the Public Health Service and State health authorities, the observance of these recommended procedures will do much to lessen the discomfort ordinarily experienced during the hot season.

FOOD PRICES

New Jersey retail food prices during June were less than 1 per cent below those of the previous month, although they were nearly 1.16 per cent above prices in June a year ago, the monthly survey of New Jersey retail food prices prepared by the State Department of Agriculture revealed.

All meats declined 0.28 per cent, with pork showing a seasonal decline of 4.24 per cent and veal, 1.48 per cent. Beef rose 0.22 per cent, lamb was up 2.21 per cent and poultry meat cost 1.61 per cent more.

A drop of 0.33 per cent was shown in dairy products during June. This was due to seasonal declines in the prices of butter and cheese. Fresh milk remained unchanged in price, and eggs experienced a slight seasonal increase.

"All fruits and vegetables declined 2.33 per cent and fresh fruits and vegetables were 2.38 per cent cheaper than in May, 1940. Beverages and chocolate cost 0.47 per cent less than the preceding month; coffee and tea were cheaper and cocoa and chocolate rose.

ROAD FUNDS

Allocation of \$50,000 in "dirt road" funds for road improvements in townships and boroughs in all parts of Burlington County was approved today by State Highway Commissioner E. Donald Sterner at the request of the Board of Freeholders.

Each year the Legislature sets aside \$2,625,000 of the automobilists' licenses fees and gasoline taxes on the basis of \$125,000 for each county for use by the towns, townships and borough and the Freeholders are allowed to apply a maximum of \$50,000 of this sum for dirt roads for gravel, sand cover and oil patching and other items.

and other items.

Commissioner Sterner also approved the schedule of the Freeholders for applying slow curing oil and sand to fourteen and seven-tenths miles of improved township and borough roads through a grant of \$10,000 or 90 per cent of a total expenditure of \$11,111. The program is as follows:

Woodland Township: Tabernacle-Chatsworth road; Westampton Township: new road; Lambertown Township: Postertown-Colemantown road; Pemberton Township: Magnolia-New Lisbon road; Fieldsboro: Various streets; Hainesport Township: Various streets; Delanco Township: Various streets; Springfield: Wrightstown road; Chester Township: Maple avenue; Wrightstown: Hanover road.

FIRST VOYAGE COVERS

The S. S. America, the largest commercial ship ever built in America, will make its maiden voyage leaving New York August 10 for Charlotte Amalie, Virgin Islands; San Juan, P. R.; Port-au-Prince, Haiti, and Havana, Cuba, and returning to New York August 22, 1940. To commemorate this voyage, a special cachet, in addition to the sea-post postmark, will be placed on all covers properly prepared and mailed aboard the steamship.

Collectors may send their covers under cover addressed to the Postmaster at New York, N. Y., with request that they be mailed on the first voyage of the S. S. America. The covers may be addressed to the senders or other persons in the United States or elsewhere, and postage must be fully prepaid at the regular rates. Senders should not prepare covers bearing an embossed or other cachet impression or printed matter that does not leave sufficient space for the official cachet in addition to the space required in the regulations for the address (3 1/4 inches at the right end of the envelope). If there is insufficient space for the official cachet, the covers will be forwarded without the cachet impression. Cachets will not be applied to the backs of covers. After cancellation the covers will be sent onward in the mails according to the addresses. Cards should not be sent as they usually can not be reasonably cached.

Consignments of covers should be sent in time to reach New York not later than August 8, 1940.

BUSINESS

In contrast to the vast uncertainties in the world at large, the political and economic outlook within the United States for the next few months at any rate takes on a reassuring certainty. Now that President Roosevelt has been nominated for a precedent-shattering third term try, the forth-coming political campaign cannot help but be a lively one. It doesn't require any great exercise of imagination to predict a record vote next November because the issues between candidates Wilkie and Roosevelt will be sharply drawn. Not the least of these issues will be business itself.

FOX THEATRE, RIVERSIDE

TUESDAY and WEDNESDAY

John Wayne and Claire Trevor in a scene from the screen play "Dark Command" with an all-star supporting cast including Walter Pidgeon, Roy Rogers and Porter Hall.

FEATURED IN DRAMA

Don Ameche, Eugene Leontovich, Mary Beth Hughes, Alan Curtis, George Ernest, Robert Lowery, Lionel Royce and Sig Rumann are featured in "Four Sons," the 20th Century-Fox film drama which comes to the Fox Theatre on Sunday and Monday. The picture, which has been called one of the great films of recent years, was produced by Darryl F. Zanuck and was directed by Archie Mayo. The film is from an original screen play by John Howard Lawson, which was suggested by a story by L. A. R. Wylie.

TRAFFIC HEAVY

Although Sunday traffic over the Tacony-Palmyra bridge was of large proportions, the record of 26,130 cars established the previous week was not broken, although about 24,000 machines used the span on the way to shore resorts.

Firemen Jolt Merchant Team

The Merchants were no match for the Riverton Firemen in a softball game played on Monday night of this week at Memorial Park and the result of the fray was an 18-2 decision for the smoke-eaters, their seventh win of the season.

Joe Yearly, Fireman left fielder, collected four hits out of five trips to the rubber, two of them being for the circuit. Every member of the winning cast got at least one bingle, with Freeman P. McDermott and Moorhouse fattening their average with three each.

Big Inning

George Knight went the full game for the losers and, while touched rather freely, was the victim of atrocious support with certain members of the outfield being frequent violators.

The Firemen really won the affair in the third, when eight markers were notched up.

Tony Gonteski twirled seven stanzas for the winners and Watkins the last two. Tony was particularly effective, allowing only four hits, two being made by Buchholz and one each by Burke and Knight.

Score by innings—
Firemen 008 213 301—18
Merchants 000 000 200—2
Batteries — Firemen: Gonteski, Watkins and McDermott. Merchants: Knight and Buchholz. Umpires: Carhart, Richman and Alloway.

Coming Games

Thursday, August 1—German Kitchen vs. Dawley Olds.

Monday, August 5—German Kitchen vs. Merchants.

Thursday, August 8—Firemen vs. Dawley Olds.

Playoffs start on Monday, August 12th.

RIVERTON SPLITS WEEK-END BILL

Despite adverse playing conditions because of the heat, Riverton A. A. managed to divide the past week-end bill, winning 14-7 from Palmyra on Sunday afternoon and dropping a close 7-6 verdict to Nicetown on Saturday. Both games were played at Memorial Park.

Thomas went the route on Sunday and, with Riverton getting away to a big start, was never seriously threatened although Palmyra nearly drew up on even terms in the fourth, when the count read 7-6 in favor of the eventual winners.

Diff Retires
Diffenbaugh started for Palmyra, but retired in favor of Murray.

The winners staged a brisk uprising in the sixth, when seven hits, two of them doubles, were good for six markers.

In the Saturday engagement, the locals got as many hits as their opponents, 10 in all, but could not bunch them with much effectiveness.

Four runs by Nicetown in the third and three more in the fifth started and concluded their scoring activities.

TRUCK ON FIRE

A light truck owned by Joseph Klein, of Philadelphia, loaded with two new gas ranges in crates caught fire in front of the Riverton station Friday afternoon.

A fire extinguisher from Woolston's Service Station manipulated by Mr. Reynolds quickly extinguished the blaze with slight damage to truck and contents.

OPENINGS IN NAVY RESERVE

Six hundred young men from the Eastern part of the United States, many of them from South Jersey, are now enjoying the cool sea breezes at the expense of Uncle Sam. They are being given a 30 day ocean voyage absolutely free to determine their fitness to become Officers in the United States Naval Reserve.

Among the ports to be visited during the present cruise of the Battleship "Wyoming" which left New York on July 15th are Norfolk, Va., and Guantanamo Bay, Cuba. Men will be given shore liberty whenever the ship is in port.

At the completion of the 30 day cruise those men so recommended by the Commanding Officer of the "Wyoming" will be appointed Reserve Midshipmen and give a 90 day training course ashore. During this period they will draw the pay of a Midshipman. On satisfactory completion of this course, they will be commissioned as "Ensign" in the Naval Reserve. Men who desire to continue their college studies this Fall may have their 90 day training course deferred until next spring following the closing of the college.

The next training cruise will start August 19th and be completed September 14th. Applications for this cruise are now being received by Lieutenant Commander Wilton R. Cole at the Naval Reserve Armory, Civic Center, Camden. As the number to be taken is limited, application should be made at once.

Candidates must be American born, single, between the ages of 19 and 27, pass the necessary physical examination and have a minimum of two years of college education.

TENANT FARM LOANS

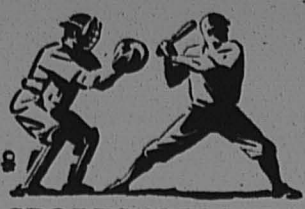

The Farm Security Administration has allocated the sum of \$92,777 to New Jersey this year for the Tenant Purchase Program, according to Joseph M. Roberts, Farm Security Administration Supervisor in Burlington. This amount, which is expected to permit the making of loans to 12 farm families for the purchase of farms, is the state's share of the fourth annual Congressional appropriation to carry out the provisions of the Bankhead-Jones Farm Tenant Act.

During the first three years of the program, 23 farm families in the state have purchased their own farms with Tenant Purchase loans totalling \$183,937, according to the F.S.A. Supervisor. Bearing three per cent interest, these loans run for a term of 40 years, but may be paid in full any time after the first five years. No down payment is required.

Burlington County is among the counties designated by the Secretary of Agriculture for the operation of the program this year. Loans can be made only in the designated counties, and only to farmers who cannot obtain credit from other sources for the purchase of family-size farms.

Tenant farmers and farm laborers who would like to acquire farms under this program should file their applications now with Mr. Roberts, Supervisor, Farm Security Administration, Post Office Building, Burlington, N. J. Farmers who applied last year, but did not receive loans, may be considered again this year. To receive consideration for loans under the current appropriation, applications should be filed without delay.

SPORTS JOTTINGS

The Merchants and Dawley Olds battled to an 8-8 tie at Memorial Park last Thursday evening, the affair being called at the end of the eighth on account of rain.

Riverton trimmed Riverside at Memorial Park last Wednesday night by the score of 5-4 in a well-played game. The Terrallmen also took Palmyra into camp on Friday night by the score of 5-2. Pete Leonard was the winning pitcher.

Riverton now has won three straight from Palmyra in the current series. The fourth game will be played at Palmyra on Friday night of this week.

ATTEND CONFERENCE

A meeting of the various Tenant Purchase Committees of the State of New Jersey was held in Brigantine on July 25th and 26th.

Burlington county was represented by a committee of three members: Messrs. Howard Entwistle, of Indian Mills, Arthur L. Richie, of Riverton, and Ernest Phillips, of Jobstown, who is a new member of the committee having replaced Elgar Busby, whose term expired the first of July. In addition Daniel Kensler, County Agricultural Agent of Mt. Holly, Joseph M. Roberts, County R. R. Supervisor, and Elizabeth C. Jacobsen, Home Management Supervisor of the Burlington office attended there for two days.

EXPRESS BLOWS CYLINDER HEAD

A possible train wreck was avoided when the "Nellie Bly" crack Atlantic City flyer blew a cylinder head at the Cedar avenue crossing, Riverton, Friday night at 7:55 o'clock.

The heavy steel head dragged along the rails throwing a shower of sparks and steam until the blown part disengaged itself from the cylinder and rolled into Broad street in front of the "Jack" Dawley Oldsmobile agency. Fortunately no automobiles were in the path of the heavy metal part.

YWCA NOTES

MEMBERS of the family have their good times together. Sometimes, picnic suppers are planned at the breakfast table. A wholesome picnic meal can be quickly prepared on the automatic gas range. Soon members of the family are whizzing away to the seashore or the mountains. Here is a typical picnic menu.

PICNIC BASKET
Banana, Bacon and Apple Sandwiches
Sardine and Horseradish Sandwiches
Chicken Tarts
Green Bean Salad in Tomato Cups
Olives
Fruit
Orange Cup Cakes
PiedmontSANDWICH FILLING
Banana, Bacon and Apple
4 slices crisped 1/4 cup finely chopped cabbage
1 tart apple 1/2 cup lemon dressing
1 1/2 tsp. salad 1/2 tsp. salt
2 bananas 12-16 slices bread
Peel and chop the apple; mix with chopped bacon and salad dressing. Crush the bananas and blend with cabbage, lemon juice and salt. Spread this mixture on half the buttered slices of bread, spread the apple mixture on the remaining half of the sliced bread. Put sandwiches together.Chicken Tarts
1 recipe flaky pastry
1 small can chicken
1 cup water
Simmer chicken with water and 4 tbsp. flour
1/2 tsp. salt
1/2 tsp. pepper
1/2 cup chopped olives
New Jersey green string beans are now practically stringless. They are listed by the trade as snap beans.

ABOUT TOWN

Mrs. Joshua W. Atlee, of Linden avenue, is a patient at the Jewish Hospital, Philadelphia.

Miss Jean Daily, of Merchantville, was the guest of Regina Groome, of Linden avenue, for several days during the past week.

The Alpha Gamma Class of the Central Baptist Church will meet this evening at the residence of Mary Wells, of Oxford Road.

THANKS

We wish to thank the Fire Companies who responded so promptly to the call for help on Saturday morning.

Mrs. Benjamin Lippincott and Household.

As the laws of human association replace throughout society the laws of animal survival, men will learn how to realize the harmony, the beauty, the abundance, the free fellowship which the myths of every people have attributed to the people of the golden age.—Horace Holley.

RUPTURE
SHIELD EXPERT HERE

H. M. SHEVNAV, widely known expert of Chicago, will personally be at the Walt Whitman Hotel, Camden, Sunday and Monday, only, August 4 and 5, from 9 A.M. to 5 P.M.

Mr. Shevnav says: The Zoetic Shield is a scientific improvement over all former methods affecting immediate results. It will not only hold the rupture perfectly but increase the circulation, strengthen the weakened parts, thereby closing the opening in days on the average case, regardless of how long standing or any position the rupture. A nationally known scientific method. No under straps or cumbersome trusses and absolutely no medicines or medical treatments.

Mr. Shevnav will be glad to demonstrate without charge.

424 6441 N. RICHMOND ST., Chicago. Large Incisional Hernia or rupture following surgical operation especially solicited.

Family Meals Are Fun

Seasonings ten minutes. Mix flour with one-quarter cup cold water, add to chicken and stir constantly until mixture thickens. Cool before filling tarts.
Roll pastry one-eighth inch thick. Cut in four and one-half inch squares, wet edges. Put as much chicken in center as square will hold. Fold over and press edges closely together. Brush over top with milk and bake in a hot oven at 450 degrees until brown, fifteen to twenty minutes. Makes eight to ten tarts.

Green Bean Salad in Tomato Cups

1 lb. string beans
1 onion, minced
2 tsp. minced parsley
French dressing
Paprika
6 medium sized tomatoes

Remove strings from the beans, cut into small pieces and cook in boiling water for thirty minutes. Add the salt the last ten minutes of cooking period. Drain and chill in automatic refrigerator. Add the onion, parsley and French dressing. Cut the tops from the tomatoes, scoop out the pulp, drain slightly and add to bean mixture. Fill tomato cups. (Wrap each tomato in waxed paper just before packing the hamper.)

Orange Cup Cakes
1/2 cup butter
1 cup sugar
2 eggs
Grated rind 1 orange
1 1/2 cups flour
1/2 tsp. salt
1/2 cups soda

Cream butter and sugar. Add beaten egg yolks, grated rind and lemon juice. Mix and sift dry ingredients and add alternately with orange juice. Fold in stiffly beaten egg whites. Decorate with candied orange peel, coconut, or chopped almonds. Bake in paper cups at 400 degrees for fifteen minutes.

MILLIONS FOR CONSUMERS

The families of the United States paid about \$90,000,000 for the lamp bulbs used in 1938. If the public had been obliged to buy the old carbon lamps in use in 1930 they would have had to pay about \$600,000,000 to obtain the same amount of light they obtained in 1938. Why the difference? Improved efficiency and quantity production is the answer.

But there is still another angle, remarks the New Jersey Public Utility Information Committee. Suppose those old carbon lamps had been used in 1938; how much would the electricity have cost the consumers? The cost of electricity used for lighting in 1938 is estimated at \$880,000.

000. If those lamps had not been improved, the cost of the electricity required to produce the same amount of light would have totalled \$3,880,000,000.

THINGS TO WATCH FOR
Women's shoes which can be raised or lowered by a screw-operated jack in the heel... a golf putter equipped with a two-handed grip and leveling gauge, for easing strain and better sighting... a combination policeman's billy and a gun... an apparatus which wakes a drowsy automobile driver by blowing ammonia vapor into his face when he relaxes his grip on the wheel... a non-slip crutch with three legs instead of one... an electrically heating toilet seat.AMERICAN

CHRISTIAN SCIENCE CHURCH

"Love" is the lesson-sermon subject for Sunday, August 4, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "O God, thou art my God." Because thy loving-kindness is better than life, my lips shall praise thee. (Psalms 63: 1, 3).
Among the lesson-sermon citations is the following from the Bible: "The Lord openeth the eyes of the blind; the Lord loveth the righteous." (Psalms 146: 8).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Christian Science God is universal, eternal, divine Love, which changeth not and causeth no evil, disease, nor death" (p. 140).

CENTRAL BAPTIST CHURCH

Rev. George Lockett, B.D., Pastor
Services Sunday, August 4th.
Bible School, 10:00 a.m.—For the comfort for those attending, especially during these warm Sundays, the school is being conducted on a brief program as possible. The teachers are cooperating by making their lessons interesting and to the point. So don't let the hot weather keep you home. Remember, visitors are always welcomed.

Morning Service, 11:15 a.m.—Following the morning service Communion will be served. Members of the church and denomination are not only invited, but all Christians, irrespective of denomination will be cordially welcomed to partake in this Holy Sacrament. "The Bread of Life" will be the subject of the Pastor's sermon. Anthems by the choir.

Community Twilight Service—7:00 p.m. in the Municipal Gymnasium. Pastor Lockett will deliver the sermon of the evening on the subject "Freedom in Christ." Dr. Dean H. LeFavor will be at the piano for the community singing. The choir of the church, under the direction of Mr. Claude Barto, will render the anthem of the evening. Come out and enjoy an hour in the cool of the evening. You will be refreshed physically and spiritually.

BETHANY EVANGELICAL LUTHERAN CHURCH

Broad Street and Morgan Avenue
Palmyra, N. J.
Rev. Harold Lee Rowe, Pastor
The Eleventh Sunday after Trinity.
Matins, 8:45 a.m.
Church School, 10:00 a.m.
The Service, 11:00 a.m.
Grove Vespers, 7:00 p.m.
In the absence of the pastor, the Rev. Charles King Wynkoop will conduct the Matins and the Service for the day. His subject will be "The Beginnings of Worship."

At the Grove Vesper Service the Rev. George Lockett of the Baptist Church will bring the message.

MRS. FREER RESIGNS

Mrs. Ruby R. Freer, executive secretary of the Burlington County Tuberculosis League for the past year, has resigned this position to accept an appointment with the New York State Department of Health.

Mrs. Freer came to Burlington county on July 1, 1939, from New York City with a record of several years' experience in public health and administration. She is a registered nurse and holds a B.S. degree in public health nursing from Teachers College, Columbia University.

During her year it the Tuberculosis League many changes have been effected and the program has been greatly expanded.
Mrs. Freer will be located in Nassau County, Long Island, in her new position and will take up her duties on September 1st. Her successor will be named within a few days.

SACRED HEART CHURCH

Fourth and Linden Avenue
Riverton, N. J.
Rev. John F. Welsh, Pastor
Sunday Masses: 7:00, 9:00, 10:30.
Daily Mass: 7 a.m.
Confessions every Saturday from 3:45 to 5:45 and from 7:30 till 9:00 o'clock.
Masses this Friday, the First Friday, will be at 6 and 7 o'clock.

Sunday Masses—7:00: William Brumbaugh and James Ross; 9:00: Donald Massey and Vincent Rowan; 10:30: Ralph Dennis, Robert Rowan, Thomas Lane. Daily Mass—7:00: Robert Kelly and William Smith.
If unable to make appointment please make sure you get a substitute.

Funeral and Weddings for August: William Brumbaugh, James Ross, George Strohm, M. Kavanagh.
The annual parish carnival will take place this Friday and Saturday evening on the lawn of the Knights of Columbus home, Broad and Elm avenues. A King and Queen contest of the parish and chancing off a 1940 Chevrolet under the share plan are two of the many features. All parishioners are urged to support the affair.

WESTFIELD FRIENDS MEETING

Burlington Pike
Sunday Morning
10 o'clock—Meeting for worship.

CELEBRATES FIRST MASS

The Sacred Heart Church was filled to capacity last Sunday at 10:30 a.m. when the Rev. Stephen I. Buividas, son of Mr. and Mrs. Joseph Buividas, Sr., of Palmyra, sang his first mass. Rev. Buividas is the first person in the history of the local church, which dates back to 1879, to be ordained to the priesthood.

A dinner was held for the members of the Rev. Buividas' family and friends and members of the clergy and seminarians with over 400 present in the Sacred Heart School at the conclusion of the mass celebrated by Rev. Buividas.
Members of the Sacred Heart parish and Rev. Buividas' friends attended a reception held in his honor at the Knights of Columbus home from 4 to 8 o'clock.

At his first mass the Rev. Buividas was assisted by Rev. John F. Welsh, pastor of the Sacred Heart Church, as arch priest of the mass; Rev. John J. Endebroch, assistant pastor at Our Lady of Perpetual Help, Maple Shade, as deacon; the Rev. Robert E. Aycock, S. S., professor of Biology at St. Mary's Seminary, Baltimore, Md., as sub-deacon of the mass. Three of Rev. Buividas' brothers, Anthony, Leon, and Charles together with altar boys of the parish served at the mass.

The parish choir under the direction of J. Allan Porter sang "Montani's Brevia," and many other beautiful hymns prepared for this occasion.

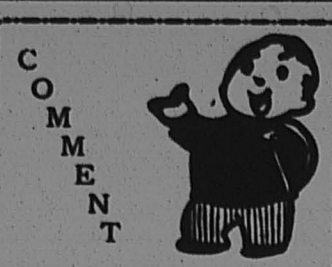

The sermon was given by the Rev. Dr. William F. Allan, J. C. D. professor of Canon Law and Moral Theology at St. Bernard's Seminary.

Of course Henry Wallace, as the vice presidential nominee is the farmers' candidate. He was nominated by such experienced agriculturists as Ed Kelley, of Chicago, Frank Hague, of Jersey City, Senator Guffy, of Pittsburgh, and Mr. Flynn, of the Bronx.

The President says the war emergency in Europe makes it advisable for him to run again and if you don't believe it is true, just ask any New Dealer who is holding a federal job.

When it comes to balancing the budget here is the difference between the two candidates for President: Wendell Willkie and Frankie won't-sky.

Somebody writes to ask "what is the fifth column?" The fifth column is the column which contains the classified bids.

Remember the good old days when the high flyer was the fellow who got a shave every day?

We might divide the people of the United States into two classes; pro-American and pro-paganda.

When somebody wrote that "Life begins at forty" the reference was to age and not to waistline.

FURTHER EXTENSION FOR APPLICATIONS

The United States Civil Service Commission announces that inasmuch as an insufficient number of applications have been received for the position of Firemen-Laborer (coal), the closing date for receipt of applications has been extended to August 14, 1940. Qualified persons are urged to apply.
Full particulars regarding the examination are furnished in the original announcement No. 2-172, and at the Riverton post office.

Rochester, N. Y. Rev. Allan, paid a tribute to those whom God has called to the priesthood and how happy and joyful the newly ordained priest's parents should be at this time.

Rev. Buividas, was ordained a priest for the Trenton Diocese last Saturday morning at St. Mary's Cathedral in Trenton, by the Most Rev. Bishop Griffin, D.D., and will be assigned to a parish in this diocese during the coming week.

TENNIS NOTES

The Palmyra Tennis Club's Netmen were easily set back by the Park Tennis Club, of Bridgeton, last Saturday at Bridgeton by the score of 7-0 under a blazing hot sun with the temperature at 102. The match was played on cement courts being the local's first attempt to play tennis on this type of surface.

The monthly meeting of the Palmyra Tennis Club will be held this Friday evening in Society Hall at 8:15. All members are requested to be present. A county tennis tournament open to all residents of Burlington County is being sponsored by Rose Valley, of Burlington, with the winner receiving the Howard Eastwood trophy. All those desiring to enter are asked to forward their name to Glenn Chambers, Burlington, by August 12. The local club's annual tournament is scheduled to start this week and all those desiring to enter should contact Jack Hannum, by calling Riverton 932. A number of persons have already entered the event.

Following the Philadelphia convention one of the delegates remarked with more truth than facetiousness that we now have one President in the White House and one on order.

KNOW YOUR BANK
Sources of a Bank's Earnings
OUR BANK, and other commercial banks, have two commodities to sell: credit and service. Credit is represented by loans and investments from which we receive earnings in the form of interest and dividends.
Many different types of services are rendered such as checking accounts, safe deposit boxes, and collections. For these services compensation is received in the way of fees and charges.
Figures from 13,500 commercial banks show that on the average 44 per cent of earnings are from loans, 34 per cent from investments, 7 per cent from fees and service charges, and the remaining 15 per cent from all other sources.

Ockanickon Items

Dr. Edgar F. Bunce told the Ockanickon campers at their Outdoor Chapel service Sunday morning about "Getting Along in the World." Dr. Bunce is Principal of the Glassboro Normal School and was formerly Supervising Principal at Mt. Holly.

Scheduled this week: A baseball game by the Senior Camp and the Medford Lakes team; a visit by Corporal John E. Bishop from the State Police Barracks, Hammonton in the interest of safety; area games; a party of the Senior campers of Ockanickon and Matollonequay; an outdoor picnic followed by an old fashioned athletic meet; a visit by the Boy Scouts of Four Mile and a demonstration of some of their work; a movie program.

Friday, August 21, marks the close of the second two weeks period

and there will be a noon picnic meal followed by the usual banquet at night, after which the leaders will stage a stunt night program. Saturday, August 31, marks the beginning of the fifth week. There will be the usual welcoming ceremony to new campers plus a special Indian program.

Matollonequay Items

Russell Henderson, of Bridgeton, father of two campers, was the speaker at the Sunday morning service at the Russell Memorial Outdoor Chapel.

In keeping with the observance of Christmas last week, the girls had a New Year's Eve party, Wednesday, July 21st. Their "midnight," however, arrived at 9 o'clock, standard time.

"Bluebird" is this week's production which will be given tonight (Thursday). Friday the Middler Area campers have a banquet after which they will present the play "Hiawatha." Camp honors will also be awarded.

VACATION CAMP CLOSING PROGRAM

Many Attend Performance That Marked End of Fine Season

"And so they lived happily ever after." These were the closing words of the play put on by the members of the Palmyra-Riverton Home Vacation camp last Thursday evening at the "Y" building and also the formal ending of the camp for the 1940 season.

Parents' Night was one of hilarious fun and frolic, with the members of the camp presenting a take-off on the popular story "Snow White and the Seven Dwarfs." With Herb Lefferts as the Prince, singing and acting his way along the funny bones of the audience, and with Art Hoyt disgracing Snow White in every way, with Bud Weir playing the part of the Witch to perfection, with Richard Horton acting the part of the Fairy Queen and with seven of the smaller boys playing the parts of the Seven Dwarfs, the play proceeded with the Prince finding Snow White in a forest and immediately falling in love with her.

Program

The program was opened with the salute to the flag and the entire audience singing "God Bless America," followed by a welcome to parents and friends by Arthur Hoyt, president of the Home Vacation Camp group. Four of the boys of the camp then gave a brief history of what took place during the four-week session.

Ralph Durgin, associate director, presented beginners and swimmers, buttons to the boys who had passed their American Red Cross Tests. Secretary Guy C. Hendry, of the County Y.M.C.A. staff was introduced as was Mrs. L. Arthur Hoyt, president of the Women's Auxiliary of the Palmyra-Riverton Y.M.C.A.

Following this, Robert Gilmore played a selection on the saxophone, Robert Farrow followed with a trumpet solo and Richard Schoettler rendered "Oh Susanna" on the harmonica. Knowing that some of the boys in the camp might have been a little "wacky," Eddie Hoyt and Tom Swayne presented a "duck duel." One of the funniest skits of the evening was the combination of Walter Dietz and Bobby Seither singing the song "Daisy Daisy," with Dietz being decked out as a southern gentleman and Seither acting the part of the southern belle.

Immediately after this the play of the evening was presented and following the play, refreshments were served to all those present.

Swimming Tests

Friday morning at the Moorestown Pool, Secretary Bud Reeder gave the swimmers' test to the following boys: Herbert Lefferts, Arthur and Edward Hoyt, Bud Weir, James Seither, David Hough and Martin Williams.

Friday afternoon the boys, following the burro ball trend so popular in the county, developed a game along the same lines, only with bicycles instead of burros. A grand time was had by all and the bicycles came out of the fracas without any damage being inflicted.

The directors of the summer camp wish to publicly thank all those people who cooperated with them and hope of a bigger and better camp for the 1941 season.

Members

The following boys were members of the camp this year: Thomas Allen, James Ballantyne, Harold Bauer, William Betz, David Brant, Raymond Carson, Frank Christie, Robert Clark, Wesley Cooper, Walter Deitz, James Dilke, Francis Durham, Robert Farrow, Royal Farrow, Vernon Foster, Louis Foulke, Edward Gilmore, Robert Gilmore, Elmer Gotta, George Hall, James Hamlin, John and Richard Hirsch-

NEW PRIEST AT SACRED HEART

Rev. Thomas T. Barry, of St. Paul's Church, Highland Park, was assigned by Bishop Griffin last Friday to succeed the Rev. Vincent A. Luther, as assistant pastor of the Sacred Heart Church, Riverton.

Rev. Barry, is a native of Trenton and has been at the Highland Park Church for the past six years and was assistant pastor at the St. Rose, of Lima Church, Freehold, for two years.

Rev. Barry, was ordained a priest in 1932 by Bishop McMahon, and received his education for the priesthood at St. Charles College, and St. Mary's College at Baltimore, and St. Bonaventure College, at Allegany, New York.

New Building Open Monday

If everything goes according to schedule, the Riverton post office will be located in the new building on Monday of next week, according to a statement made yesterday by Mrs. Mervil E. Haas, local postmaster.

Only minor equipment remains to be installed in the handsome new structure and, if this arrives before the weekend, moving operations will begin after the close of business on Saturday.

Open at 6.45

Mrs. Haas stated that the stamp window will be open at 6.45 a.m. as usual, and in common with events of this kind in other communities, it is expected that there will be considerable rivalry to purchase the first stamp.

There will be no ceremony attached to the opening as dedication exercises were held on July Fourth. The present post office, which is the former bank building, will thus become vacant. No information is available at present regarding the future occupancy of this property, which is owned by the Cinnaminson Bank and Trust Company.

CORPS COMPETITION

The eighth annual American Legion Rally and Bugle and Drum Corps Competition will be held at Clementon on Sunday, August 18th, according to an announcement by Harold F. Walters, chairman of the Rally Committee. The rally is sponsored by the Clementon American Legion Post No. 94.

RED CROSS

The Bugle is sounding for all Red Cross Knitted Work to be returned to the Committee.

All Knitters were asked to have the work returned by August 1st, and each day that it is delayed is hindering the Committee in preparing it for shipment.

Nothing can bring you peace but yourself. Nothing can bring you peace but the triumph of principles.—Emerson.

lein, Richard Horton, William Howe, Arthur and Edward Hoyt, Frank Kates, Thomas Laning, Herbert Lefferts, Lloyd Major, Bertram Marple, Frank Mathews, Robert McConnell, Joseph Nagle, John Noone, Raymond Reeve, Robert Robinson, Richard Rudolph, Raymond Schill, Martin Schoettler, Robert and James Seither, William Slim, Charles Stewart, Thomas Swayne, Jack Taylor, Raymond Thompson, Ralph, Richard Ulrich, Samuel Wagnery, William Watson, Charles Weir, Roland Werner, Paul Whiteman, George and Martin Williams, William Yerkes.

David Hough, William Ulrich and Ralph Durgin assisted County Secretary Bud Reeder in supervising the boys at the camp.

COMING GAMES

The following schedule of baseball games for Riverton A. A. was announced this week by Albert J. Farrow, booking manager.

Saturday, August 10, 3.00 p.m.—Bristol A. A.

Sunday, August 11, 3.00 p.m.—Glassboro.

Tuesday, August 13, 6.15 p.m.—Palmyra at Palmyra.

Wednesday, August 14, 6.15 p.m.—Stevens A. A.

Saturday, August 17, 3.00 p.m.—Resurrection A. A. of Philadelphia.

Sunday, August 18, 3.00 p.m.—Riverside A. C.

All games will be played at Memorial Park unless otherwise indicated.

GROUND SCHOOL

STARTS CLASSES

The ground school course of the C.A.A. got under way Monday evening with 50 applicants attending the sessions. Of this number 39 had already passed the physical examination. Three girls were included.

The class was addressed by Mayor John F. Ward, of Palmyra, who said "Every one who is a success will bring credit to Palmyra and the United States and also to yourselves. We want you to know that Palmyra Borough Council and the school will be glad to aid you at any time."

The afternoon class was attended by 16 with three girls also present. Eight of this group had already passed their physical examination.

In order that 10 flight scholarships may be awarded it is necessary to have 50 applicants pass physical examinations. The total qualified to date is 47 with a possible 13 more.

The classes are being instructed by Gilbert Jay, Drexel Hill, Philadelphia, a senior in electrical engineering at the University of Pennsylvania, and are being held in the Palmyra High School.

OPPORTUNITY OFFERED

TO BECOME OFFICER

IN NAVAL RESERVE

In accordance with a plan for the rapid expansion of the Navy a number of prominent civilians are donating their services as interviewers of young men who would like to become commissioned officers in the Naval Reserve.

Young college men between the ages of 19 and 26 years are wanted now for training courses leading to a commission in the United States Naval Reserve. Those desiring to apply should contact E. R. Fenimore Johnson, 607 West Jersey Trust Building, Camden.

Qualifications

All travel in connection with the interview is at the applicant's expense and no expense will be paid by the Government until after enlistment. As the applications are expected to be very heavy, you are urged not to apply if you cannot definitely meet the following qualifications:

Be a native born, unmarried, male citizen between the ages of 19 and 26 years; have practically perfect eye sight without glasses; possess reasonably sound teeth, absolutely sound heart and lungs and be free of all marked physical defects; possess credits for a minimum of two years work from an accredited university or college; have a good reputation in your community.

If you possess all of the above qualifications, which are absolutely inflexible, then it would be worth your while to call on Mr. Johnson and it would save time if you bring the original or copy of your birth certificate and an authenticated transcript of your educational record or your diploma with you to the interview.

Applicants who are minors must

have their parents' or guardians' consent. Acceptable candidates will be enlisted as apprentice seamen through the regular Naval Reserve Recruiting Service within each Naval District. Thereafter they will be placed on active duty and transferred by commercial transportation including necessary expenses enroute to a Naval ship designated to cruise these candidates. No expenses will be paid prior to acceptance.

NEW ARRIVAL FOR FOREIGN FLEET

The international merchant marine fleet tied up at the pier on the Pennsylvania shore opposite the Riverton Yacht Club received a new addition on Tuesday afternoon when the S. S. Fargerstern, out of Oslo, came up the river light under the guidance of a brace of tugs.

This craft joins two Danish ships P. N. Damm and Norden together with the Italian steamer Belvedere, forming quite a floating League of Nations. The Danish boats are moored on the west side of the wharf, while the Belvedere and the Fargerstern are tied up on the east bulwark.

As usual, a large crowd of spectators viewed the mooring operations.

Lambing Died On Saturday

Peter Lambing, 54, of 122 Garfield avenue, Palmyra, became the tenth victim of the disastrous R. M. Hollinghead Company fire, when he succumbed as a result of severe burns on Saturday night of last week, in Cooper Hospital, Camden.

The deceased, who was a pipe-fitter at the plant, was placed on the critical list upon his admission to the hospital and his condition gradually became worse as the days passed.

Company officials stated that Mr. Lambing was a most loyal worker and that his loss would be keenly felt by the organization.

He is survived by his wife and a son, Joseph, of Philadelphia. Funeral services were held on Tuesday from his late residence with High Mass at the Church of the Sacred Heart at 9 a.m. Interment was made in St. Peter's Cemetery, Riverside, under the direction of the Sinner Funeral Home.

BRITISH WAR RELIEF ACTIVE

During July the Riverton-Palmyra Chapter of the British War Relief Society has, in spite of the hot weather, gone steadily about its work. A splendid job has been done by everyone—if we can do so much in the hot weather, what tremendous possibilities the fall and winter hold for us!

On August 2nd, the 150th "woolite" was turned in, and the 201st pound of wool given out. This Friday our third shipment will leave. Our chapter has now made arrangements to finish its work, through the British Red Cross, to the Women's War Committee Work Party of the Royal Empire Society, and our chairman has already received a letter of thanks from them for what we are doing to help.

Meeting Hours

The Surgical Bandage group, meeting at the Porch Club on Tuesdays from 9.30 to noon in the morning and 7.30 to 10.00 in the evening, is turning out beautifully made work. But we need many, many more on this important job, so join this group if you can and bring your friends with you.

All wool supplies are now on hand at 204 Lippincott avenue, although finished garments may be turned in to Miss Clelland at the Mildred Shop.

have their parents' or guardians' consent.

Acceptable candidates will be enlisted as apprentice seamen through the regular Naval Reserve Recruiting Service within each Naval District. Thereafter they will be placed on active duty and transferred by commercial transportation including necessary expenses enroute to a Naval ship designated to cruise these candidates. No expenses will be paid prior to acceptance.

PRICE 5 CENTS

EMERGENCY NOTE IS AUTHORIZED

Freeholders Act to Remove Hazardous Conditions on Beverly Road

An emergency note of \$37,000 was ordered issued by the Burlington County Board of Freeholders at a special meeting last Friday to eliminate hazardous conditions along Beverly Road in Burlington township.

The funds according to Director Albert C. Jones, who offered the resolution, will be taken out of the 1941 budget and replaced from money appropriated to the county from the state highway department next year.

The distance of the road to be improved is 6700 feet.

Scope of Project

Mr. Jones listed the costs of the highway improvement program as \$16,000 for construction of storm sewers, and the remaining \$20,900 to widen the road, including the old trolley car track area, construct concrete curbing and gutters, and put gravel fill in back of the curb line for walks.

The old car tracks will be removed. Jones said he hoped to secure W.P.A. funds for the project, and after conferring with W.P.A. officials last week he feels a W.P.A. project may be obtained, although one was rejected last May.

Projected Condition

The improvement was previously estimated at \$20,000 but Jones explained this would have excluded the curbing and sidewalks. The hazardous conditions were brought to the attention of the board last Friday by parents living along the road, who protested against the dangerous conditions existing around the Sheddaker school.

The Beverly road, long considered a danger spot, has been in need of improvement.

One child has been killed, another permanently crippled and several others injured badly while walking along the narrow roadway.

Chief Gootee Back On Duty

Riverton's popular chief of police, William Gootee, returned to duty last week, having recovered from a serious illness that caused him to be in bed for the past three months. The chief reports that he is feeling fine and his many friends were prompt to greet him and offer congratulations on his recovery when he assumed his regular tour of work last Thursday.

MANY WATCH DRILL

The weekly drills of the Palmyra Cadet Drum and Bugle Corps at Memorial Park always attracts a considerable number of spectators. The progress of the organization, both in regards to marching and music has been most noteworthy and the outfit's performance is a distinct tribute to the ability and perseverance of both personnel and instructors.

JURY DRAWING

The Hon. Joseph B. Perskie, Justice of the Supreme Court, has fixed Wednesday, August 28th, 1940, at 10 a.m., D.S.T., at the Court House, Mt. Holly, as the time and place for the drawing of the Grand and Petit Jurors for the September Term, 1940, of the Courts of Burlington County. The September Term of Courts will open Tuesday, September 10th, 1940.

One of our contemporaries says that what the country needs is more ex-Presidents. Well, we've got one on order.

SEWELL TEAM GETS ONE HIT

Leonard and Thomas Twirl
Brilliantly as Locals
Win 4-1

In one of the best ball games seen here in many a day, Riverton took a 4-1 decision on Saturday afternoon, at Memorial Park from Sewell A. A. by the score of 4-1.

The opposition got only one hit, this being off Leonard in the fourth. Thomas hurled the last five frames and was invincible. Neither local pitcher issued a pass and the one run tabbed by the opposition was of the unearned variety.

Robbins, visiting moundsman, was accorded splendid support by his mates, who played errorless ball and had a perfect game until Rothbaum opened the seventh with a one-baser.

Looked Big
The single tally annexed by Sewell in the fifth as a result of two miscues loomed large until Riverton cameup in the stretch frame.

After Rothbaum hit he pilfered second. Gibson fanned and P. McDermott skied to left. Wallace and Karitis stroled, loading the sacks and then Cole delivered a most opportune double to push in two runs. The attack of the home guards continued in the eighth when Brewster connected and was sacrificed to second by Freeman.

Two More In
Rothbaum was out on a long fly to right, but W. McDermott delivered a single and went to second on the first pitch. Both scored as Paul McDermott punched a double along the right field foul line. Wallace then crashed through with a brisk one to left, but McDermott was pinched at the plate on a perfect throw.

Thomas fanned eight during his tenure striking out the side in eighth.

TENNIS NOTES

The Palmyra Tennis Club met last Friday night at Society Hall with a large number of members present. It was decided at this meeting to start the club tournament for all classes about the middle of the month in order that it may be completed at the latest, September 1. Awards will be given for the champions of each division.

Two of the members will be selected by the executive board before Monday to represent the club in the county tennis tournament. This tournament is open to any resident of the county and is sponsored by Rose Valley, for the Howard Eastwood trophy. Information and registration blanks may be had from Harry Deemer, Sr. All entries must be in by Monday the day which the tournament will start (August 12).

All girls' matches of the club's handicap tournament of the first bracket must be completed by Saturday. Jack Dietz defaulted to R. Deemer, and Edmund Jones defeated James Ballantyne 8-6, 3-6, 6-3.

A match has been scheduled for August 25, with both the men's and girls' teams of the West New York tennis club and will be played in this area.

Riverton Bows To Palmyra

Palmyra took the fourth game in the current series with Riverton on Friday night of last week by the score of 5-4 in an engagement that was featured by extra-base hits during the seven innings of pastime. Riverton leads the feud 3-1.

Altadonna hurled for Palmyra, while Gibson was on the mound for Riverton. Both allowed seven hits. Riverton scored in the third as Freeman opened with a triple. Wallace and Gibson singled.

Take Lead

Palmyra went to the fore in the lower half of the same stanza as Fowler got an infield hit and went all the way to third on a wild heave. He counted as Altadonna's drive was messed up at third. Hamlin doubled to score another.

A double and two more boots were responsible for Palmyra's third run in the following frame.

Riverton added another in the sixth on a single, stolen base and an error, but Palmyra came back in the same session to score two more on three solid blows, one being Snyder's second double.

Freeman walked to open the seventh and, with two down, Wallace drove the apple across Spring Garden street for the circuit. The third out soon followed and the contest was called on account of darkness. Snyder, of Palmyra, had three for three, including two doubles. He also had 13 chances at first. Wallace had three hits for the losers, while Gibson also hit safely on two out of four trips.

INVITATION

Sealed bids, in duplicate, will be received at the Riverton post office until 11:30 a.m. o'clock (E.S.T.), August 14, 1940, and then publicly opened for furnishing the materials, and performing the work for planting at the Post Office at Riverton. Specifications, drawings, and bidding papers may be obtained from Mrs. Mervil E. Haas, postmaster.

SPORTS BRIEFS

Although outitting their opponents 10-3, Palmyra dropped a 6-4 decision to Moorestown last Saturday on the field of the winners. Humes returned to first base for Palmyra and got two hits.

The Firemen-Dawley Olds game this (Thursday) evening, promises to be one of the highlights of the current softball season.

KNOW YOUR BANK

How to Draw a Check

To help you avoid serious loss through fraudulent use, theft, forgery, or alteration, the following suggestions for drawing checks are made by the American Bankers Association, of which we are a member:

Never write a check with pencil. Use pen, ink, typewriter, or check protector. • Write amount of the check as far to the left as possible and fill in all blank spaces with a heavy line. • Be sure numerals and written amounts agree. • Don't erase an error; write a new check and destroy the old one. • Avoid making checks payable to "cash" or "bearer." Never sign blank checks. • Be careful how and where you sign or exhibit your banking signature. • Guard your bank checks and your cancelled checks, leaving none where they can be taken.

RED CROSS NEEDS YOUR HELP!

Dawley Ties For Loop Lead

The Dawley Olds softball team went into a tie for the league sun-berth on Thursday night of last week by virtue of a 14-5 win over the German Kitchen. The motor outfit and the Firemen now have a record of 7 and 4.

This stalemate will be broken this (Thursday) evening, when these two teams battle it out for the top rung of the ladder, with the winner automatically becoming a finals contender for the championship playoffs that start next Monday.

Merchants vs. G. K.

The way things shape up at present, the Merchants and German Kitchen will compete on Monday night, August 12, with the winner meeting the loser of the Firemen-Dawley clash on Tuesday.

The team that takes the Tuesday contest will then take on the winner of the aforesaid game this evening in a best three out of five series for the championship of the league.

Errors Aid

The Dawley win last week was accomplished by some timely hitting off Hilton, starting pitcher for G. K. and some very costly boots by his support.

In the five frames he worked 10 runs resulted from nine hits. Hubbs got a cheap home run with two aboard when his blow, really a single, rolled to deep center.

Williams hurled the last four frames for the losers and allowed five hits that accounted for four more tallies.

Landgraf and Carpenter got three bingles each. Kessler, Dawley hurler, was touched up rather freely during the early stages of the fracas but was in trouble only during the fourth, when four straight hits, one a double by Shaeffer coined as many tallies.

Score by innings—
G. K. 000 401 000-5
Dawley 234 010 13x-14
Batteries—Dawley: Kessler and Bonatelli. G. K.: Hilton, Williams and Schaeffer. Umpires: Rotenbury, Brennan, Alloway and Sutters.

MERCHANTS END IN LAST POST

Playing with only nine men and with at least half the regulars missing from the cast, the faltering Merchants dropped an 11-5 decision to German Kitchen on Monday night of this week and thus assured themselves of last place in the regular playing season.

The two teams will meet again, however, on Monday night of next week in the first game of the playoffs.

The winners got 17 hits, but many

of these would have been outs with a full defensive cast.

Hits for Circuit

In addition to pitching a nice game, Williams, of G. K. poled a four-master in the third with two aboard. Rothbaum and Hunter smacked doubles as their team took an early lead.

The Merchants managed to knot the count at 5-all in the fourth, but the Kitcheners went ahead in the next stanza and were never in danger thereafter.

Paul Burke, at third for the losers got three of his team's nine hits. Leenby played a fine game in center for the Merchants, being credited with eight putouts.

Score by innings:
G. K. 203 021 012-11
Merchants 100 400 000-5
Batteries—Merchants: Knight and Broderick. G. K.: Williams and I. McDermott. Umpires—Rotenbury, Alloway and Carhart.

The Standing
Dawley 7 4
Firemen 7 4
G. K. 6 6
Merchants 4 8
Have finished regular schedule.

FOX THEATRE CONTINUES AUGUST ANNIVERSARY OF SCREEN SUCCESSES

The following pictures are the finest selection of screen attractions ever offered in one month at this theatre. Every one of them are masterpieces in acting and are chock full of gala stars whom you will certainly enjoy seeing.

The first picture "The Mortal Storm" a Metro-Goldwyn-Mayer release, starring James Stewart and Margaret Sullivan is destined to be a picture long to be remembered by those who see it.

"Safari" with Douglas Fairbanks, Jr., and Madeline Carroll is the second hit of our Anniversary show. The acting in this picture is only as it could be done by Doug Fairbanks, Jr. The next two features, "An Angel from Texas" featuring Eddie Albert and Jane Wyman with Rosemary Lane, and "Susan and God" starring Joan Crawford and Frederic March are also outstanding pictures of the year.

"Typhoon with Dorothy (Sarong) Lamour and Robert Preston is a glorious hit in technicolor. Singing Bing Crosby and lovely Gloria Jean in "If I Had My Way." The next picture, the Pulitzer prize play, "Our Town" starring William Holden and Martha Scott, is the climax of pictures of this season.

And of course we could not leave out a picture with Baby Sandy in it so we give you "Sandy Is a Lady." . . . I Gues, I Hope, I Hope . . . you guessed it it's our humorous friend Bob Hope, with Paulette Goddard in "The Ghost Breakers," and then we finish up our month of hits with "Sporting Blood" with Robert Taylor and Maureen O'Sullivan and Lewis Stone. "Gangs of Chicago" with Lloyd Nolan, Lola

Lane and Barton MacLane.

A new Nick Carter adventure "Phantom Rider" with Walter Pidgeon and Florence Rice. The surprise hit of the year of the black horse of motion picture entertainment "My Love Came Back" starring Olivia DeHavilland and Jeffrey Lynn. This completes the schedule of pictures to be shown at the Fox Theatre during the month of August and we sincerely hope you enjoy seeing them as much as we have enjoyed booking them for your entertainment.

From the Times of last Oct. 27: Washington, D. C., Oct. 26.—The White House indicated displeasure today with the statement made yesterday at San Francisco by Secretary Wallace that war-time conditions and considerations of national safety made it necessary for President Roosevelt to succeed himself in 1940.

Friday, July 19, 1940: Roosevelt and Wallace.—New York Times.

MATOLLEONEQUAY ITEMS

Mrs. William J. Sahler, of Freehold, member of the Matollonequay Women's Committee from Monmouth County, was the speaker at the Russell Memorial Outdoor Chapel service last Sunday. Her talk was on "Being Prepared."

Monday night the girls' camp had the counterpart of the boys backward day, only they called it a Topsy-Turvy party.

Tuesday was the weekly eat-out day, preceded by land sports contents with campers from Medford Lakes. In the evening each area had its own program.

Wednesday was movie day. Thursday the counselors put on a minstrel show. A number of campers went on a caravan ride.

Friday evening everyone from Matollonequay is going to the Bowl

Wednesday, 8:00 p.m.
Reading Room in Church Building
Thomas Ave. and Seventh St., Riverton, open Tuesday and Friday, 2:30 to 4:30.

CHRISTIAN SCIENCE CHURCH
"Spirit" is the Lesson-Sermon subject for Sunday, August 11, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "Teach me to do thy will: for thou art my God; thy spirit is good; lead me into the land of uprightness." (Psalms 143: 10).
Among the lesson-sermon citations is the following from the Bible: "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands eternal in the heavens." (II Cor. 5:1).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spirit is the only substance, the invisible and indivisible infinite God. Things spiritual and eternal are substantial" (p. 335).

BETHANY EVANGELICAL LUTHERAN CHURCH
Broad Street and Morgan Avenue
Palmyra, N. J.

The Twelfth Sunday after Trinity.
Matins, 8:45 a.m.
Church School, 10:00 a.m.
The service, 11:00 a.m.
Grove Vespers, 7:00 p.m.
We welcome to our pulpit this Sunday, Mr. Ernest Kurkjian, a student at Temple University, Philadelphia. The theme of his message for the day will be "Unanswered Prayer."
The evening message at the Grove Vespers will be delivered by the Rev. Albert Harke, of the Moravian Church.
Next Sunday Pastor Rowe will be officiating at the morning services as usual following his vacation.

MORAVIAN CHURCH
Albert J. Harke, Pastor
The services next Sunday, August 11, are as follows:
9:30 a.m.—Sunday school. The attendance and interest is keeping up remarkably well in view of the hot weather and that many people are away on vacation.
10:45 a.m.—Morning service and Holy Communion. The pastor's message: "The Spirit of Power." We cordially invite all Christians to participate in the worship and Communion service.
7:00 p.m.—Union service in the Palmyra Grove. The pastor will be in charge and bring a timely message entitled: "At Jesus' Feet."

CENTRAL BAPTIST CHURCH
Rev. George Lockett, B.D., Pastor
Services for Sunday August 11th.
Bible School, 10:00 a.m.—This is the height of the vacation period which naturally lowers the attendance. However, there are many vacationists in our community to whom an invitation is extended to visit with "Central Baptist." Neither weather nor seasons dull the interest here. A hearty welcome awaits you.
Morning Worship, 11:00 a.m.—This will probably be the last Sunday before Pastor Lockett's vacation. His subject will be "The Christian and Pagan Views of Life." The choir which still comes out in goodly numbers, will make their musical contribution to the service.
Wednesday, 8:00 p.m.—The regular mid-week prayer service. This service, for the summer season, has been remarkably well attended. Why not come out and enter into this service and reap the real benefit of this Christian fellowship?

SACRED HEART CHURCH
Fourth and Linden Avenue
Riverton, N. J.
Rev. John F. Welsh, Pastor
Rev. Thomas T. Barry, Asst. Pastor
Sunday Masses: 7:00, 9:00, 10:30.
Daily Mass: 7 and 7:45 a.m.
Confessions every Saturday from 3:45 to 5:45 and from 7:30 till 9:00 o'clock.
Rev. John F. Welsh, extends his thanks and appreciation to the committee for the carnival and all the parishioners who helped in its success.
The Rev. Stephen I. Buividas, who was recently ordained, has been assigned to the Holy Trinity Church, Long Branch, as assistant pastor.
Sunday Masses, August 11th—7:00, George Strohmlein and M. Kavanagh. 9:00, Raymond Strohmlein, Andrew Pfaff and Vincent Collier.
Daily Mass: 7:00, Donald Massey and T. Zimmer; 9:00, William Smith and James Ross.
Feast of the Assumption is Thursday, August 15. All Catholics are bound to hear Mass on this day the same as Sunday and it is a Holy Day of Obligation.
Those to serve at Mass on that day are: 6:00, Andrew Pfaff and Ralph Dennis; 7:00, J. Hamlin and J. Ford; 8:00, Thomas Lane, Raymond Strohmlein, and Robert Rowan.
Do the truth you know and you shall learn the truth you need to know.
—George Macdonald.

PROTESTS ON DISCRIMINATION
The Burlington County Board of Freeholders' protest that Burlington county men are being discriminated against on Burlington County W.P.A. projects has been forwarded to W.P.A. authorities at Trenton by Congressman D. Lane Powers.
The protest, addressed to the Congressman by the board, charged that "there was marked discrimination against Burlington County W.P.A. workers at Fort Dix in favor of workers from other districts."
"It was brought to the attention of the Board," according to John F. Miller, clerk of the board who signed the protest to Powers, "that Burlington county men were being transferred from jobs that paid maximum rates to classifications where they received much lower rates of pay."
"On motion," Miller continued, "I was directed to write you about this condition and request that you look into this matter at once."
Powers replied to Miller that he had protested such alleged discrimination in the past and was again glad to make representations on behalf of the Burlington county men.
"It seems to me that the Burlington county men deserve prior consideration at Dix," the Congressman declared, "just as Mercer county men deserve prior consideration on Mercer county projects and Camden county men should be given first consideration for Camden work, etc."
The Congressman immediately forwarded the board's protest, with a recommendation of his own for favorable consideration, to Walter Gouge, district director of the W.P.A. at Trenton, who administers the W.P.A. regulations for the W.P.A. district in which Burlington county is included.

BIRTH
Mr. and Mrs. B. E. Darrow, of Truckville, Pa., are receiving congratulations on the birth of a daughter, Judith Evans, on August 5, in the Nesbitt Memorial Hospital, Kingston, Pa.
Mrs. Darrow is the daughter of Mr. and Mrs. Herbert Evans, 618 Elm terrace, Riverton.

Everybody finds out, sooner or later, that all success worth having is founded on Christian rules of conduct.—Henry Martyn Field.

PROTESTS OVER
PARKING RULES

Main Street Residents Ask
Restrictions Only in
Business Hours

The meeting of Riverton Borough Council last Thursday night, presided over by Councilman J. W. Sylvester, in the absence of Mayor H. McIlvain Biddle, was enlivened to a considerable extent by the loud and strenuous protests of residents in the apartment house at 524 Main street, regarding the one hour parking restriction as legislated in the ordinance recently passed.

The spokesmen for the complaint, Messrs. Wells and Tice, stated that they had been put to much inconvenience because of the time limit and asked that the ban be lifted after business hours. They also registered a protest over the poor condition of the municipal parking lot.

May Take Action

After considerable discussion, the Council advised those protesting to submit a petition stating their grievances at the September meeting. Several of the members stated that they were in favor of amending the ordinance to eliminate the time limit in the business section, but felt that revision of the ordinance should be deferred until it was certain that there were no other defects.

It was voted to clean up the parking lot and to install adequate driveway facilities.

River Bank Again

The time-worn topic, the deplorable condition of the river bank in front of certain properties between Thomas and Elm, was brought to the fore by Councilman Sylvester, who stated that certain sections were in a dangerous condition.

Council decided to notify the owners where hazards exist and may take other action in the near future. Decision was reached to place a sign on Main street, at the entrance to the borough, stating the speed limit, in an endeavor to curb fast driving on that thoroughfare.

Station

Mr. Sylvester, in reporting on the proposed station move, said that a conference was being arranged with Council members, members of the Board of Freeholders and railroad officials. The Freeholders on Friday set Wednesday, August 21, at 2 p.m. as the date for the meeting.

Mr. Sylvester also reported that the Pennsylvania Railroad had granted permission for the widening of Main street on their property north of the Evans building on the east side of that thoroughfare. No statement was made, however, as to the time the work will be begun.

HOUSE BURNS

A one-story frame dwelling, rented by Harry Wurster, and located on the Howard Haines farm, off Pomona road, Cinnaminson, burned to the ground early Friday evening of last week, despite the efforts of three fire companies, who were hampered by lack of water and the fact that the structure was a mass of flames on their arrival.

The house was occupied by a family of pickers, who lost all their belongings. Mr. Wurster discovered the blaze, but had to run nearly a mile in order to turn in an alarm. Firemen from Parry, East Riverton and Riverton responded, but could do little but stand by and prevent any possible spread of the flames.

IT'S THE TRUTH

Most men would take a little time off occasionally, if it weren't for the odd jobs about the house which their wives have been saving for them.—Exchange.

The teller down at the bank says "A dollar is dressed in public underwear." Well, I see on Main street I wear in a smile!

BRICKLEY IS
P.G.A. QUALIFIER

By shooting a tidy 138, six under par for 36 holes at Paxton Hollow, on Friday of last week, Walter Brickley, pro at Riverton Country Club, earned a berth on the Philadelphia District delegation that will compete in the National Professional Golfers' Association Championship at Hershey, Pa., late in August.

The local district is allotted seven competitors in the national and the Friday round was won by Ted Turner with 135. Brickley, who had two 69's for the day, finished fourth, being tied with Bruce Coltart, formerly of Woodcrest and now pro at Seaview.

Brickley, who has been shooting excellent golf this year, should finish well up among the leaders when the Hershey tournament opens on August 26.

WILL PROTEST
WATER CHARGES

Riverton Residents Reported
To Be Considering
Commission Plea

There is a strong possibility that residents of Riverton will, in the near future, present a petition to the New Jersey Public Utilities Commission in protest over alleged high rates charged by the Palmyra-Riverton Water Company.

This action was indicated on Thursday night of last week, when Wayne E. Ayres, Riverton resident, appeared before the Borough Council in that community and asked the proper procedure to make such a protest.

Many Agree

Mr. Ayres stated that there was general discontent over the charges made for water and said that he represented a group of citizens who desired to take some action on the situation.

He was advised by Councilman Robert W. Knight that the proper procedure was for those interested to form an organization and present a petition to the utilities commission, since, in matters of this nature governing bodies could not take the matter up directly.

Mr. Ayres asserted that he felt confident such a committee could be formed and promised further action. He also remarked that he would furnish information giving rates in other communities in support of this statement regarding the situation here.

MISS SALLIE CODDINGTON
PURCHASES FIRST STAMP

The new Riverton post office was thrown open to the public on Monday morning of this week, with Miss Sallie Coddington, of Cinnaminson street, Riverton, having the honor of purchasing the first stamp promptly at 6:45.

Miss Coddington, who is the daughter of Mr. and Mrs. Frank P. Coddington was up at 6 o'clock and awaited the arrival of the postal force.

Mr. Mattis sold her a State of Wyoming 50th Anniversary 3-cent stamp which was placed on an envelope addressed to her aunt, Mrs. Paul E. Good, Margate City, N. J.

Sallie has made arrangements to have the envelope returned and will add it to her hobby collection.

The New Era purchased the first box key last Friday morning, all boxes having locks instead of a combination as formerly.

Much favorable comment regarding the new facilities was heard from the patrons who entered the building for the first time.

POISED FOR NIGHT ADVANCE TO N. Y.

New Era Staff Photo
Major Charles V. Dickinson, of the 157th Field Artillery, New Jersey National Guard, and resident of Palmyra, snapped by New Era photographer just before the 44-mobile unit convoy left for 3-weeks training period in upper New York State. The unit, over a mile long, started up Route 25 at 1:30 a.m. last Saturday.

Local Defense
Units Planned

Declaring that a united New Jersey is our "first column" in building a preparedness program in the State, Governor A. Harry Moore this week presented to the 568 New Jersey municipalities in New Jersey, a detailed plan for the organization of local defense councils. The plan, prepared after months of study by the Emergency Committee, calls for a local set-up similar to the State Committee which Governor Moore organized last September. The New Jersey plan, first of its kind to be offered by a chief executive, provides for a major committee of civic-minded citizens, under whom the various activities will be carried out.

Objects

Prompted by the need for technicians in the various war product industries, the plan's first object will be to survey each community to determine how many persons, with special technical training, are available and also the number of persons enrolled in the various vocational education units now operating throughout the State. A check will also be kept upon the number of persons gaining employment in private industry through this special training. It stresses the fact that labor and management must work together to prevent strikes and labor disturbances during the critical period.

Other details of the plan call for the organization of a police reserve unit in each community to serve as a second line of defense to the established police departments, not only in the event of an emergency, but also in times of panic and riots.

Motor Unit

A motor patrol unit is suggested to function in cooperation with the police reserve. In this phase of the plan, citizens owning automobiles will be organized into a working unit to serve in the event of an emergency. Their value will be evidenced in emergencies where it may be necessary for large numbers of persons to be moved in an orderly manner to a distant point, or in the transporting of injured persons or refugees from the scene of a disaster.

The Governor, in presenting the plan to the various municipal heads in the State, has urged that immediate steps be taken to complete organization in each community as soon as possible. The Community Defense Plan was recommended by the New Jersey Defense Council.

Councilman Huyett reported that 1.9 miles of street had been resurfaced with macadam; 1 1/4 miles resurfaced with gravel and that 1 1/2 miles remain to be done this season. The gravel streets will be oiled with 25,000 gallons of oil in the near future.

Councilman Huyett announced that the Pennsylvania Railroad has already started to replace the old bell signal at the Elm avenue crossing with the new, more efficient blinker-light signal.

Mayor Ward asked the newspaper (continued on page 5)

COMMUNITY CENTER
ASKS ASSISTANCE

Shoppers in Riverton, Palmyra and Cinnaminson were greeted this week in most of the stores with "Running or a Shoestring" placards above collecting containers which hopefully awaited such contributions as could be spared in the interest of the summer activities of the Community Center.

Acting on the endorsement of some eighty representatives of local organizations at a mass meeting held in June, the Center Committee under the leadership of Earl B. Whitcraft, put in effect a summer program in which a considerable proportion of the 800 young people registered with it have found a part. It has however been done on a shoe string—and now the shoe string is broken, requiring this appeal to the public.

Difficulty

Through the generosity of the Cinnaminson National Bank and Trust Company, an unusually adequate building is available for use of the Community. Through cooperation of the W.P.A. Recreational organization under leadership of Mr. Edward Gunning, unusual supervision is available. For a relatively small amount, a most substantial community asset may be maintained. The difficulty has been to secure even the small amount—and hence the present appeal.

A card party sponsored by Mrs. Conrad Friday, Mrs. Beatrice Anderson, Mrs. Palmer Adams and Mrs. John Ward, some weeks ago, solved some of their immediate financial problems.

Activities

One of the summer activities that has been giving enthusiastic support is a four team soft ball league which the boys have run with a minimum of guidance and supervision. The Wednesday and Saturday evening dances even in the warmest weather are widely attended.

Frank Buccigross, who did such a fine piece of work with the young people at the Center resigned some weeks ago to accept a position in another field.

Folding chairs and magazines are greatly needed at the Center. The young people have learned that there is almost always a drift of cooler air passing through the Center than most places and the call for new magazines has been frequent.

On all counts the Community Center is filling a real need and has a potentiality of usefulness that merits full cooperation on the part of the communities it serves. Chip in for the summer program when you pass the new collection boxes.

Rescues Man,
Falls Dead Later

William Smith, 55, of Fairfax drive, Cinnaminson, died Saturday evening of heart failure, following his rescue from drowning of Neil O'Donnell, at Pennsauken Creek.

Having pulled O'Donnell from the stream, Smith started to wash his dog and was apparently seized with an attack. He was noticed a few minutes later by two men, lying in three feet of water. They immediately sounded an alarm and a first aid group consisting of Palmyra firemen and others started resuscitation.

This proved to be of no avail, however, and after nearly an hour and a half of work, Smith was pronounced dead by two physicians, Dr. T. Bruce Dickinson and Dr. H. P. Landis, who had been called to the scene.

Coroner James J. Tomes, of Moorestown, issued a certificate of death due to heart failure and the body was taken to the Snover Funeral Home.

The deceased is survived by his wife, Grace, and a brother.

BOY SCOUT NEWS

Troop 50 is completing a summer of real activity, some of the events being:

Overnight hikes, and a trip to the Lebanon State Forest where we saw wild deer, found a fossilized jaw bone from a deer, saw a pure red cedar water stream. We spent our time eating, sleeping, swimming and hiking and felt the true beauties of a day and night with nature. Later, we had seven boys at the World's Fair on Scout Day. Albert Parker, Richard Rudolph, David Leysan and Mr. Morse recently returned from a week's stay at Camp Edge where they all "enjoyed themselves to the full."

Let's not forget our regular meetings where we are learning the rudiments of drill and Arthur Gowell and Mr. Morse are teaching advancement in Scouting.

Very soon, we start our fall activities with Parent's Night, contests, etc. This is your chance to get in the swim.

Are you twelve? Do you want to be a scout? Just drop in any Friday at the Episcopal Church, Riverton, and receive a hearty welcome.

G. Lloyd Major, Scribe.

SPORTS BRIEFS

Joe Burk, greatest single sculls champion the world has ever known, announced his permanent retirement yesterday.

Supreme in his field for the past four years, the Delanco Township oarsman achieved the most sensational heights ever recorded in the annals of sculling.

The fact that he has clinched all major titles available in senior singles, coupled with the grave international war conditions, brought about Burk's surprise decision.

A fairly good sized crowd was present at Memorial Park on Saturday afternoon to view the scheduled ball game with Glassboro. The opposition failed to put in an appearance, however, and hostilities were null and void.

Palmyra and Riverside battled 14 innings at the local park on Saturday afternoon, with the invaders finally winning out 1-0. The Rappers also lost a 12-5 decision to Maple Shade on Sunday as the opposition staged an eight run offensive in the opening stanza.

Ed McVaugh, Lou Jacoby, George King, and George Hagstoz, of Riverton and Donald West, and Jack Pfeiffer of Palmyra, are among those from this area entered in the Burlington County Tennis Tournament at the Rose Valley Courts, Burlington. West, defeated William Twitchell, of Burlington 6-2, 6-2, on Monday evening.

TENNIS NOTES

Don West, won over Sid White in the handicap tournament in the finals last Sunday at the local courts with scores at 6-0, 3-6, 6-1. In the semi-finals West, set back John Marshall, 6-2, 6-4, while White defeated Russell Jermon, 6-1, 6-2.

Results of the girl's handicap tournament are: Doris Steedle defeated M. White 6-3, 6-3. Doris Mullen, defeated Ruth Baker, 6-2, 8-6, and Mildred Cook defaulted to Betty Baker. Jack Pfeiffer and Don West were selected to represent the tennis club in the county tennis tournament at Burlington.

Busy Time For Cadet Corps

The Palmyra Bugle and Drum Cadet Corps are preparing for a busy weekend as this Saturday they will be among the five organizations to attend the 78th Division annual reunion at Fort Dix. The corps to be present are Archers-Epler Post National, Champions of V.F.W., Upper Darby, Hamilton-Fish V.F.W. of Philadelphia, Willow Grove Cadet Corps, and James C. McFarland Corps of Burlington. This contest was made possible by the Mayor of Union City and the judges at Fort Dix are to be furnished by the All American Judges Association.

On Sunday the corps will attend the eighth annual American Legion Rally and Bugle and Drum Corps Competition at Clementon. This affair is sponsored by the Clementon American Legion post No. 49. A competition for the Junior Corps will start at 2 p.m. at Clementon Lake Park while a parade of all the corps will be held later in the day through the streets of Clementon. Prizes at Clementon rank as high as \$150 and as low as \$20. Corps from all sections of New Jersey, Pennsylvania, and Delaware have been extended invitations to the affair.

The cadet corps will also be present next Tuesday evening at the Palmyra Recreation Park to render several numbers when members of the Athletics-Chicago White Sox will play an exhibition game against the Old Timers.

Palmyra and Riverside battled 14 innings at the local park on Saturday afternoon, with the invaders finally winning out 1-0. The Rappers also lost a 12-5 decision to Maple Shade on Sunday as the opposition staged an eight run offensive in the opening stanza.

BRISTOL NINE IS BLANKED HERE

Al Thomas Hurls Brilliantly As Mates Accord Perfect Support

Bristol A. A. came to town last Saturday for the third game of the series with Riverton A. A. and returned home on the short end of a 1-0 verdict as Al Thomas, home guard hurler applied the whitewash brush in sterling fashion.

Prior to the Saturday engagement, each team had taken one decision. The affair was played in quick time, only one hour and 25 minutes being required for the nine innings of pastime.

In the Saturday game, the lone run of the intras came in the fourth frame, when Freeman dumped one down the third base line for an infield hit. The ball was fielded by Stover, who threw wild to first, Freeman going down. He advanced on Rothbaum's sacrifice and scored as Wallace blasted his second hit of the day.

McDermott also singled and Karits walked to cram the sacks, but the next two batters went down in order. The only other fare-up was McDermott's double in the eighth, but he was stranded.

Tight Spots
Thomas was in trouble twice. With two down in the fourth frame, runners on first and second Cahill drove the ball to center, but McDermott's perfect throw to the rubber nailed Palumbo who attempted to score on the hit.

The other danger spot came as Stallone started things in the seventh with a one-baser. He advanced to second on a push-up and dashed to third on a wild heave. Felner walked and VanZant hit sharply to Wallace. The latter heaved the apple to Freeman forcing Felner and Fred's throw nailed VanZant at first for a twin-killing.

The opposition got more than one hit in only one frame. Riverton played errorless ball.

Riverton 000 100 000-1

Two base hit—McDermott. Sacrifice hits—Freeman, Rothbaum, McDermott, Cahill, VanZant. Double plays—Wallace, Freeman, Rothbaum; Karits, Cole, Palumbo; Stallone, Palos, Struck. Struck out—By Thomas 4, by Stover 5. Base on balls—Off Thomas 1, off Stover 2. Left on bases—Bristol 6, Riverton 8. Umpires—Bright and Alloway.

THANK YOU!
WE ARE indeed gratified with the enthusiasm shown at the opening for the current season at the PALMYRA BOWLING ALLEYS. We trust that we will continue to receive this support.

We are now taking reservations for leagues and will consider it a great pleasure to have the privilege of talking over your needs with you at your earliest convenience.

Palmyra Bowling Alleys
Riverton 1135 Morgan at Broad Street

FIREMEN WIN CRUCIAL GAME
Despite the absence of their talented manager, Bill Anderson, who was sojourning in Canada, the Firemen took Dawley Oils on Thursday night of last week to automatically enter the playoffs and finish the regular season in first place. The score of the engagement was 8-4.

Hubbs took the hill for the Olds outfit and lasted 1 1/2 innings, being relieved by Kessler. The starting hurler was touched for five hits and these, abetted by sloppy fielding on the part of his infield, netted four runs. The Firemen netted another in the fourth on a single knock and three more in the seventh as a result of a pass and four singles.

Nearly Tied
The Dawleyites got one back in the third and seemed destined to get back into the ball game in the following stanza. In this frame, four bingles, all of the one-base category, were good for three tallies.

From then on, however, the losers never had a chance as Gonteski bore down and retired the side in order during the last five innings.

Freeman, C. Wallace and L. Yearly were the big guns in the Fireman attack, getting seven of their team's 12 hits.

Dawley got eight off Tony, with Kessler, Carpenter and Hubbs poling out a pair.

Score by innings:
Firemen 220 100 300-8
Dawley 001 300 000-4

Batteries—Firemen: Gonteski and McDermott. Dawley: Hubbs, Kessler and Bonatelli, Fowler. Umpires—Carhart and Rotenbury.

WILLKIE CLUBS
A State-wide membership drive by Willkie-for-President Clubs was launched last week with the distribution of uniform membership cards to the 220 New Jersey clubs according to announcement of Donald J. Smith of Montclair, president of the Associated Willkie-for-President Clubs of New Jersey.

Mr. Smith said that "the potential members of these clubs could run in excess of a quarter of a million persons," basing the estimate on petitions and telegrams from New Jerseyans on Mr. Willkie's behalf.

At the same time new clubs will be organized particularly in South Jersey counties and in industrial areas and large cities.

The club memberships will be sold, members being asked to contribute according to their means or "from nothing upwards," according to Mr. Smith. He said an effort would be made to sell the memberships at \$1 each but cards would be given without charge to those who could not afford to pay.

Pledge
The cards bear the pledge: "I hereby pledge that I am a voluntary worker and that I will give my sincere efforts and all the time I can spare between now and Election Day toward securing the co-operation of my friends and acquaintances in registering and voting for Wendell L. Willkie for President of the United States."

Mr. Smith said the clubs would not solicit contributions leaving that to the Republican State Finance Committee. He added: "However, if an independent, a Democrat or a Republican wishes to contribute funds solely to the election of Mr. Willkie and is desirous that the money not be used for the county or State campaign, we are permitted to receive such contributions."

"Efforts of our Willkie clubs are to be directed toward getting out the registration and vote of independent, Democrats who are for publicans."

"Our efforts in this direction will supplement those of the county Republican organizations. While we are maintaining our independence from all political affiliations, we nevertheless are working in harmony with the Republican organization. It is going to be very expensive for the Associated Willkie Clubs to carry on this effort to elect Mr. Willkie because the New Deal has more billions to spend in 1940 than in 1936 and we hope that all citizens will join clubs to support this independent organization which did so much toward nominating Mr. Willkie."

Sixty Clubs
State headquarters for the Associated Willkie Clubs have been set up in Newark at 12 Commerce street. This will be used as a point of distribution of Willkie buttons, car stickers, pamphlets and information on the campaign. Volunteers will man this headquarters. The South Orange quarters at 132 Connett Place will be continued for the present for clerical work and mailing of campaign material in volume.

There were about 60 Willkie clubs in New Jersey, mostly in the suburbs of the northern section of the state, when the State association was formed. These had grown to 168 clubs in five weeks or by the time the Republican National Convention started in Philadelphia in June, and since the convention the number has increased to 220 with more being added daily. They range in membership from 12 to more than 800 persons, depending on the size of the locality.

MERCHANTS ARE OUT OF RACE
Playing smart ball behind the five hit pitching of Bob Williams, the German Kitchen eliminated the Merchants from further competition in the Memorial Park Softball League playoffs on Monday night, taking a 6-3 decision from the fourth place team.

Ferren, of the losers, hit a homer in the ninth with one aboard, but two were gone and this proved the last threat of the Merchants.

Scoreless Until Fourth
The affair produced no tallies until the fourth, when the storemen coined an unearned marker. This lead was short-lived, however, as G.K. retaliated with a pair in the fifth and added similar bunches in the seventh and eighth.

Chick Foulke, on the mound for the losers, allowed 11 bingles, with Shaeffer, Williams and Rothbaum each getting a pair. Buchholz annexed a brace for the Merchants.

ABOUT TOWN

Mr. and Mrs. Leonard R. Baker, of Garfield avenue, spent the week-end at Ocean City.

Mr. and Mrs. Frank Snowden, and family, of Lincoln avenue, have returned home following a month's stay at Ocean City.

Mrs. Conrad Friday, of Highland avenue, was this week's winner in the Christ church merchandise club.

Lieut. Commander James B. Ryan, and Mrs. Ryan and family, of Cinnaminson avenue, were the guests of Dr. and Mrs. W. Roland Dunn, of Palmyra, who are spending the summer at their cottage at Elsinboro Point, for several days during the past week.

Mrs. Edwin W. Redfield, Sr., of Pennsylvania avenue, was hostess to the Lucky Social Club at her home Monday evening.

Mr. and Mrs. Joseph S. Low, and Mr. and Mrs. William McKee, and daughter, Sally Jo, of Washington avenue, are spending two weeks at Beach Haven.

The members of the Sunshine club were the guests of Mrs. Alexander Murphy, of Elm avenue, at her cottage at Stone Harbor today.

Miss Helen Arndt, of Highland avenue, was last week's winner in the Sacred Heart P.T.A. merchandise club.

Miss Jean Wood, of Marietta, South Carolina, spent the past five weeks visiting Mrs. Bryon Wood and family of Garfield avenue.

Mr. and Mrs. Albert Smith, Jr., of West Broad street, spent last week in Ventnor.

Clarence Mattis, of Seventh street, Riverton, who returned home last Saturday, following an operation at Zabrugg Memorial Hospital, Riverside, is improving rapidly.

Miss Edith Bowers, of East Riverton, is spending the summer at Plymouth, North Carolina.

Mr. and Mrs. John Wright, of 401 Second street, were among those recently registered at the Chalfonte-Haddon Hall, Atlantic City.

Mrs. Anna T. Danneler, of Riverton, spent Monday in Ocean City.

Wilton E. Mount, former secretary of the local Y.M.C.A., now of Passaic, visited friends in these communities on Tuesday.

Mrs. Mary Posh will serve as hostess at the card party of the River Towns Ladies Club to be held today (Thursday) at 2 p.m. at the K.G.E. Hall, Riverside. The Club is planning a big card party for September.

September 19. Anyone wishing tickets write Mrs. Anna T. Danneler, of Riverton.

Mrs. Edward Faunce, and family, of Seventh street, and Mac Parsons, of West Charles street, spent Saturday visiting relatives at Ventnor.

A shower was given for Ruth Horner, of Elm avenue, by the members of the Alpha Gamma Class of the Central Baptist Church Monday evening at the residence of Mr. Phillip Meyers, of Melrose avenue.

Mr. and Mrs. James Maquire, of Linden avenue, were Sunday visitors at Seaside Heights.

Ruth Frank, of Washington avenue, is spending the week with Mrs. Harold Meville, of Jersey City.

Mary McCardell, of Harrison street, is spending a few weeks with Mrs. Samuel McCardell, of Sparrows Point, Md.

George J. Seel, of Cinnaminson avenue, and his sister, Mrs. Catherine Kiel, of Seattle, Washington, visited Mr. and Mrs. Louis Grant, over the weekend. Mr. and Mrs. Grant, who were former residents of Palmyra, are now residing at the Odd Fellows Home at Middletown, Pa.

Mr. and Mrs. Charles DeLaney, and son Buddy, of Thomas avenue, were visitors at Asbury Park, on Sunday.

Mr. and Mrs. Woodburn McCord, and family of Garfield avenue, are spending a few weeks vacationing at the Poconos.

Mrs. Edward Clift, of Montclair, spent several days visiting Mr. and Mrs. George Case and family, of Maple avenue.

Mr. Edward Malley, of Parry, was the 14th winner in the Parry Fire Company Ladies' Auxiliary merchandise club.

SERVICE with a SMILE

SOME people just TALK about it. We really give you service with a smile . . . and it's good service, too! This is one place where you don't have to worry about getting "charged plenty" for just fixing a door handle or tightening up a bolt. You pay exactly what the job is worth and not one nickel more.

We can keep smiling in here because we're doing a good job for people. That pleases us—keeps us happy—and it must please our customers, too, because they keep coming back.

You'll find a welcome here any time—and you'll get a good job done on your car (any make or model) and the price will be right.

Won't you come in soon and make us prove this statement?

We also specialize in lubrication service.

ARTHUR S. CHENOWETH

who is superintendent of schools and a member of the Rotary Club of Atlantic City, New Jersey, will attend the meeting of the local Rotary Club on August 29, in his official capacity of Governor of this Rotary District.

He will meet with President George Friday, Secretary Robert G. Adams, and other officers and members of the Club to consult with them on matters relating to club administration and Rotary service activities.

Mr. Chenoweth was elected to the office of district governor at the 1940 Rotary Convention which was held in Havana, Cuba, during June, and will continue to serve until the 1941 Convention in Denver.

The 5,000 Rotary Clubs of more than 60 countries of the world are grouped into 149 Districts. The districts in the United States bear numbers from 100 to 200. The 184th District, of which the Rotary Club of Palmyra and Riverton is a part, consists of 36 clubs located in cities of Delaware and southern New Jersey, and has a membership of approximately 1400 Rotarians.

ADVANCED FLIGHT COURSE

TO FOLLOW PRELIMINARY

According to an announcement made this week, there are now 54 qualified members of the Ground School Aviation Course now being conducted in Palmyra. Officials in charge also stated that a new course will begin on October 1, upon the completion of the present school.

Another announcement of interest is that the ten students who obtain the highest grades in the present course will not only receive a flight course of 35 solo hours, but also, if they pass that course they will be eligible for an advanced course in flight instruction.

High Powered Motors
The difference between the preliminary and advanced courses is that the latter is given in planes of 120 to 225 h.p. motors as compared with 50 h.p. motors in the preliminary. The preliminary begins on October 1 and will end about January 1, while the advanced will start about the middle of January.

Robert Snover, manager of the Palmyra airport, plans to obtain a plane of 125 h.p. so that advanced training can be given here.

SOCIETY HALL

(continued from page 1)

representatives present to please request those attending the band concert to leave their dogs at home. The canine howls in response to the brass section add nothing to the concert. The number, "The Whistler and His Dog" drew an unusual response from the dogs present and proved to be a discordant note in the program.

Mayor Ward presented the four Borough truck drivers with safe driving awards for the ninth consecutive year. Each received a certificate and handsome leather wallet awarded by the insurance company. The men are: James Rambo, John Patterson, Percy Grimes and Harry Karn.

The ordinance prohibiting the granting of club (liquor) licenses in the Borough of Palmyra passed unanimously its third and final reading. There were no objectors present.

New Light

Councilman Mervine asked for the installation of nine new electric street lights at needed points in the

town, and received the unanimous consent of council to have them installed.

The Riverton and Palmyra Water Company agreed to extend its mains in the vicinity of Chestnut street and Memorial avenue to accommodate new home construction now in progress at those points.

The Mayor thanked the sponsoring committee for their cooperation in getting the C.A.A. pilot training program under way. He reported that the class of over 50 is progressing nicely and that the school officials have generously made classrooms available to them for ground school instruction.

METHODIST CHURCH

Palmyra, N. J.

Rev. William A. Boyd, Pastor

The Rev. Paul Greiner, of the Silvertown Circuit, will be the speaker at the morning service on Sunday, August 18.

Mrs. William Moore, soprano, will be the soloist.

A cordial welcome awaits you. The service starts at 11 o'clock.

KENNEY—FORD

Miss Margaret M. Ford, daughter of Mr. and Mrs. John J. Ford, of 621 Linden avenue, became the bride of Albert H. Kenney, son of Mr. and Mrs. James Kenney, of Riverside, on Saturday morning at 9.30 at the Church of the Sacred Heart.

The Rev. John F. Welsh performed the ceremony and Allen Porter, organist, played the wedding march and accompanied Mrs. R. J. Woods in vocal selections.

The bride, who was given in marriage by her father, wore a gown of white organza, and her long tulle veil was held by a halo of orange blossoms. Her bouquet was of white roses, gardenias and bovardia.

Mrs. William Enskat, of Palmyra, as matron of honor, wore a yellow dotted swiss model and a headress of blue tulle. She carried yellow roses and delphinium. Miss Patricia Ford, of Riverton, cousin of the bride, and Miss Elizabeth Weber, of Palmyra, were bridesmaids, wearing blue dotted swiss and headresses of yellow tulle. Their bouquets were of yellow roses and delphinium.

James McDermott, of Riverside, was best man, and John and James Kenney, brothers of the groom, served as ushers.

On their return from a wedding trip, Mr. and Mrs. Kenney will reside at 616 Linden avenue, Riverton.

LORE—SHOWELL

Mr. and Mrs. G. Rex Showell, of Howard street, announce the marriage of their daughter Betty, to Norman Graham Lore, son of Dr. and Mrs. A. P. Lore, of Palmyra, which took place on Saturday, August 10.

ROUTINE BUSINESS

The Cinnaminson Township Committee met on Tuesday night of this week, but only routine business was transacted.

BAND CONCERT

John E. Curry, upon whose shoulders rest the responsibility of affording good and interesting concerts through the medium of the Mercer and Burlington County W.P.A. Band, writes that he has been unusually fortunate in securing for the Palmyra Friday evening concert, three fine extra features.

Martin Mayer, well-known conductor of the famous Winkler Band and of the Crescent Temple Shrine Band, will, for the second time this year, appear before Palmyrians as guest conductor.

Always exercising a keen insight into the musical likes and dislikes of his audience, Mr. Mayer has surpassed all previous efforts in the program chosen for Friday evening.

Miss Rita Stearle, of Bordentown, New Jersey, has demonstrated a very fine talent as a cornet soloist. She is a pupil of Mr. Mayer who was for many years a leading cornet soloist in New Jersey.

Miss Stearle is but sixteen years of age and has appeared on numerous occasions as soloist in the past two years. She will play the exceedingly difficult "Variations on the Carnival of Venice" by Herbert Clark.

Balancing the instrumental phase of the concert will be David Deen,

Church Notices

CALVARY PRESBYTERIAN CHURCH

Riverton
Sunday, August 18
Morning worship, 11 a.m.
The Rev. Robert W. Kirkpatrick, pastor of the Presbyterian Church (South), of Accomac, Va., will deliver the sermon.

CHRISTIAN SCIENCE CHURCH

"Soul" is the lesson-sermon subject for Sunday, August 18, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "Come and hear, all ye that fear God, and I will declare what he hath done for my soul." (Psalms 66:16).
Among the lesson-sermon citations is the following from the Bible: "He only is my rock and my salvation: . . . the rock of my strength, and my refuge, is in God." (Psalms 62: 6, 7).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Soul or Spirit signifies Deity and nothing else" (p. 466).

SACRED HEART CHURCH

Fourth and Linden Avenue
Riverton, N. J.

POWERS WILL CONDUCT EXAM FOR WEST POINT

Congressman D. Lane Powers today invited all interested and eligible young men in Burlington and Mercer counties to vie for the two appointments he will have for West Point next year.
Selection of the two winners will be decided by results of a competitive examination to be held for the Congressman by the United States Civil Service on October 5, this year.
As in all past appointments to Annapolis or West Point, Congressman Powers will name the appointees directly as a result of the competitive examination. Civil Service prepares the questions, conducts the tests, and marks the papers.

No Favoritism

"As usual, I shall not show any favoritism or political preference among the candidates," the Congressman declared today. "I believe these appointments are given to the boys of the district and the Civil Service tests show which young men, through merit, are entitled to the appointments."
Congressman Powers does not have an Annapolis appointment for next year. He asks that all young men interested in the West Point competitive write him formal letter of application at his Washington office.

The successful competitors will take the entrance examinations next Spring and enter the Academy July 1, 1941. Civil Service holds the competitive in October to allow the candidates time to prepare for the difficult entrance tests.

Spiritual force is stronger than material; thoughts rule the world.—Emerson.

THE PEOPLE'S COLUMN

Willkie's Nomination

Out of the murky mists that have been pouring up all over the world, and have been confusing the American mind and decelerating its industrial tempo, the nomination of Wendell Willkie comes like a beacon light. I strongly feel that if delegates had the good "grass-roots" sense to nominate an inspiring personality free of all political commitments without the aid of organized political machinery, the fundamental common sense displayed at the convention will prevail by the people at the November election.

In my opinion, the nomination of

PUBLIC SERVICE

"RED CROSS NEEDS YOUR HELP"

A Western physician says beating a carpet vigorously is the best of exercise. It tends, however, to draw vacuum cleaner salesmen to the scene.—Atlanta Constitution.

Success demands a steady flow of new ideas.

Willkie and the prospect of his election, will raise new hopes throughout the American populace and end an era of defeatism and idleness. Despite the seriousness of the world situation, and the acuteness of our domestic problems, we may well expect a rebirth of confidence in the American destiny. This confidence is expressed in a belief that the wastage of 70,000,000 man years of work (since 1933) will stop. Confidence that the Government's business will be conducted with the competence of a successful business management. Confidence that military preparedness from all angles, personnel, morale, and equipment, will be efficiently and speedily executed. Confidence that free institutions will be preserved. Confidence that the "driving force of private enterprise"

—Carl K. Withers.

Editor's Note: Mr. Withers, President of the Lincoln National Bank of Newark, N. J., was President of the New Jersey Bankers Association in 1933 and holds many important committee posts in the State and Nation.

E. Reeves Morgan, was elected commander of the Frederick M. Rodgers Post 156, American Legion at a meeting held Tuesday night.

Mr. Morgan resides at 33 Le-June road, and succeeds Avery Willis as commander. Installation of officers will take place at the October meeting. The new commander has been a member of the local post for 20 years and has been an active member.

Other officers elected include Avery Willis, senior vice commander; Horace Rowland, junior vice commander; Charles H. Yost, finance officer; Albert Davis, adjutant; David Baker, sergeant at arms; Edward Hughes, historian; Avery Willis and George Luce, members of the county committee.

At the meeting Commander Avery

Willis requested that all members of the post make an effort to attend the State American Legion Convention at Camden Thursday, Friday and Saturday of next week.

DAWLEY WINS

Dawley Olds trimmed German Kitchen 5-3 on Tuesday night and will meet the Firemen this (Thursday) evening in the start of a five game series to decide the local softball championship.

PUT WENDELL WILLKIE OVER

Keynote Sounded as G.O.P. Leaders in County Plan Campaign

On Monday night of this week, a group of prominent members of the Republican party in Burlington county met informally with the representatives of several county newspapers to discuss plans for the coming campaign, which will formally open on Wednesday evening, September 4, with a gigantic rally.

A. Matlack Stackhouse, member of the General Assembly, and a candidate for re-election, spoke briefly, his talk being one of the highlights of the evening. Mr. Stackhouse said that putting Willkie across was the main concern of Republicans and that it was up to members of the party in Burlington county to get every possible vote for the national ticket.

Champion in Willkie

He said that the American people have a champion in Mr. Willkie and that by electing him we will prepare ourselves to face the world, no matter what the eventuality.

Other speakers were: Freeholder Albert C. Jones, Frank A. Snover, chairman of the Republican county committee; Fred C. Norcross, candidate for member of the Board of Freeholders; George N. Wimer, ex-sheriff of Burlington county, secretary of the county G.O.P. committee and member of the executive board; Daniel Lemmon, treasurer of the county committee and Henry Tresch, veteran member of the party.

Paper Represented

The press was represented by Frank Chambers, of Palmyra, who presided at the session and acted as leader for the round-table discussion that followed.

Other newspapers having delegates present were: Mt. Holly News, Moorestown News, Burlington Home News, Pemberton Times-Advertiser, Riverside Press, Riverside Tribune, Burlington Press, Maple Shade Progress, Central Record, of Medford; N. J. Mirror, of Mt. Holly, and The New Era.

Star Teams To Play Friday

Baseball fans in this section will be afforded an unusual treat on Friday evening of this week, at 6 o'clock, when two championship teams of the Atlantic Baseball School will play a tournament game at Palmyra Recreation Park.

The outfit competing are Camden, composed of players from Camden and Burlington counties and the City Champions of Philadelphia. Camden recently vanquished Wilmington and the winner of the Friday engagement will journey to Pittsburgh for a third round contest. Included on the Camden roster are Len Baker, Jr., who needs no introduction to local enthusiasts; Worrell, of Vincennes; Berry, of Burlington; Sweeney, of Florence and other high school stars.

There is no admission charge.

WILLKIE CLUBS

Announcement was made this week that two Willkie Clubs have been organized in this section. Leonard R. Baker, is president of the Palmyra Club, while D'Orey Van Bibber heads the East Riverton organization.

Mr. Van Bibber is a native of Elwood, Indiana, the home of the Republican presidential candidate.

LOOK IN OLD PHONE BOOKS FOR VALUABLES

It's time to give the old telephone directory a shake to dislodge any papers of value stored there for safe keeping or neckties placed there for pressing—a new edition is being distributed, the old books taken up at the same time. According to the New Jersey Bell Telephone Company this will be an unusual directory distribution if someone doesn't find out, too late, that valuables he left in the telephone book were carted away in error.

Reflecting again an increase in business activity, the new book for Camden, Burlington and Gloucester counties contains about 1,000 more listings than the volume it displaces, the New Jersey Bell Telephone Company reports, and nearly 2,000 more of the directories will be distributed. The last issue was distributed last November and is obsolete by some 15,000 directory changes of one sort and another the company says.

NEW SPEED LIMIT ON SOME ROADS

Forty-five Miles Per Hour to Be Allowed on September 1st

Forty-five miles an hour speed will be permitted on certain sections of the state highway system on and after September 1. Motor Vehicle Commissioner Arthur W. Magee announced this week. Commissioner Magee has just completed a speed survey of the state highway system and has designated the places where the higher speed is to be permitted. These zones will be posted with two distinct types of signs, one notifying the motorist that he is entering the 45 miles speed zone and another at the end of the zone. At places where the zone is more than two miles in length there will be signs posted at one mile intervals stating the speed limit.

Determination

In determining these zones, the Motor Vehicle Department took into consideration hazards such as street intersections, curves, hills and other conditions. In addition, there were speed checks made at approximately 275 stations along the state highway system and consideration was also given to accidents per million vehicle miles.

Under the law increasing the speed limit, the Motor Vehicle Department was vested with the duty of establishing the 45 miles speed zones and the State Highway Department responsibility of installing the signs. Commissioner Magee makes it plain that the 45 mile zones are only on the state highway system and none are on county or municipal roadways. The maximum speed on county and municipal streets and on the unposted portions of state highways remain at 40 miles per hour.

Hereabouts

Following is a list of certain of the 45 mile speed zones designated in this area.

Route 25

Cranbury Circle to Route No. 33 (Robbinsville); Routes No. 25 and No. 39 (south intersection) to point north of Burlington City; south of Edgewater Park Road to Department Bridge; south of Riverside to Federal street (Camden).

Route No. 38 — From Airport Circle to end of Route 38 excluding circles, 15.8 miles.

Route No. 39—Point south of Columbus to point north of Red Lion Circle, 11.8 miles; point south of Red Lion to 8-curve north of Atison, 9.8 miles; beginning of concrete south of Atison to point north of Route 43, 7.6 miles.

Route No. 40—Airport to Lakehurst, excluding circles, 48.1 miles; curve east of Route No. 37 to Breton Woods road, 9.5 miles.

SKILLED DRIVING

An appeal for skilled driving is made by Motor Vehicle Commissioner Arthur W. Magee in a new safety pamphlet now being distributed at the State automobile testing stations. Through this medium New Jersey's million old car owners will be reached with the appeal during the next six months.

Under the caption, "The Skilled Driver," the pamphlet reads as follows: "The reason so many people are killed and injured each year in automobile accidents is the failure of motorists to apply skill in their driving."

"Nearly anyone, after a few hours instruction, can drive a car but the trouble lies in the fact that all too many drivers never get beyond the stage of the beginner. Lacking the necessary judgment and understanding, they remain in the kindergarten class of driving all their lives."

"Today's greatest need is skilled driving which is nothing more than the ability to handle a car without danger to self and others. Furthermore, the skilled driver

—keeps abreast of traffic conditions and laws.
—never questions the right of way;
—drives carefully and is prepared at all times for emergency.
—shows special consideration for his passengers.

—does not increase his speed when another signals to pass.
—refuses to permit annoying incidents to interfere with his driving.
—neither exceeds the speed limits or pokes along, but drives according to conditions and legal requirements.

—respects the right of way and makes allowances for the faults of pedestrians.
—starts his stopping early.
—maintains a safe distance from the car ahead.
—reduces speed and exercises absolute control over the car when he sees children at play or jaywalkers in the street.
—believes in and observes road signs."

CALENDAR

PALMYRA HIGH SCHOOL

September 9—Faculty meeting at 1:00 p.m. in room 114.

Route 8-41—Palmyra Bridge to West Berlin excluding circle, 16.0 miles.

Route No. 42. (Black Horse Pike)—Point south of Blackwood to point north of McKee City, 34.4 miles.

Route No. 43 (White Horse Pike)—Atco Lake to point one mile north of Route 39 intersection (Hammononton), 10.0 miles; point south of Route 39 intersection (Hammononton) to point north of Elwood, 6.2 miles; point south of Elwood to point north of Devonshire, 1.4 miles; point north of Devonshire to point north of Egg Harbor City, 1.9 miles; point south of school zone (south of Egg Harbor City) to point north of Germania, 1.3 miles; point south of Germania to point north of Pomona, 2.5 miles; point south of Pomona to point north of Absecon (Route 4), 4.2 miles.

G.O.P. RALLY ON SEPT. 4th

The executive committee of the Burlington County Republican Committee has set Wednesday night, September 4, as the date for the big rally which is scheduled as the formal opening event of the general election campaign in the county.

The affair will be held at the Pig 'n' Whistle Inn at Brown's Mills, and arrangements for it are being made by the County Committee in conjunction with a committee from the Brown's Mills Improvement Association.

Plans are being made to have the meeting open with a band concert at 7:30 o'clock, this to be followed by a speaking program. Included among the speakers will be a figure of national importance as a representative of the Willkie-McNary ticket. Gubernatorial candidate Robert C. Hendrickson will be present as will United States Senator W. Warren Barbour, Congressman D. Lane Powers and the various county candidates.

It is expected that the event will be one of the largest Republican rallies ever held in Burlington county, and arrangements are being made to take care of an overflow crowd.

CRASH DAMAGES LOCAL AMBULANCE

Local Drivers Absolved of All Blame in Crash on Skyway

On Saturday, August 17, while taking W. K. Letford, of Parry avenue, Palmyra, to his son's home at 24 Prince street, Baldwin, L. I., the Palmyra ambulance was involved in an accident on the Pulaski Skyway, above Newark.

A Buick sedan, driven by Maurice C. Pines, coming in the opposite direction skidded across the highway and crashed into the left front of the ambulance, which was on the right side of the highway, while the other car was across the white line.

The driver of the Buick was arrested for lack of care and prudence in operating a motor vehicle and given a summons to appear in court August 27. The owner of the car, Mrs. Jennie Rosenberg, was thrown out of the vehicle and severely injured. She was taken to St. James Hospital, in Newark, and treated for a possible fractured spine, nose, jaw and lacerated scalp.

Powell Hurt
Donald Powell, 703 Walnut street, Palmyra, who was acting as nurse and riding in the back of the ambulance had two bones broken in his right foot. He was treated in the Medical Center, Jersey City, and brought to his home later in the day.

W. Russell Dilks, 110 Pear street, Palmyra, the driver of the ambulance, was not injured, as was Joseph Dietz, of 111 West Charles street, who was also in the front seat.

The ambulance, sidetracked by a Dodge after being hit. The driver of this car was William Sorg, of Madison.

No Blame to Local Driver
The police records in the third precinct station, Newark, show that the driver of the Buick was the cause of the accident and Dilks was absolved of all blame.

Plans are being made to have the ambulance in service as soon as possible. Until then the ambulance of the American Legion in Riverside is available to people in this vicinity who need it.

The three men in the ambulance are all members of the Palmyra Ambulance Association and they and the equipment were sent on the trip with the full sanction of the governing body of the organization.

SCHOOL OPENING
The Sacred Heart School will open on Wednesday, September 4, at 9 a.m.

Palmyra High School will start classes on Tuesday morning, September 10.

OLD TIMERS IN FEATURE GAME

Large Crowd Views Classic: A's Stars and Stoney McLinn Are Guests Here

The Palmyra "Old Timers" baseball team of the period 1927-28 engaged the present cast of players from that community on Tuesday night of this week before a crowd of several thousand fans, with the result that the "youngsters" emerged on the long end of a 6-1 score after six innings of pastime.

Guests for the occasion were several members of the Philadelphia Athletics and Stoney McLinn, veteran Philadelphia sports writer and radio commentator. A's present included Coach Lena Blackburn, Bob Johnson, Frank Hayes and Hal Wagner.

The big leaguers put on their usual stunt of long range batting for the crowd and several balls carried far across the road in deep center field. Following the game, the Palmyra Cadet Bugle and Drum Corps staged an exhibition drill that was one of the features of the evening.

The Game
The stars of former years were managed by Tom Shorten, resplendent in a big league uniform. The oldest's pilot also patrolled right field for part of the fracas and poked out a hit on his only trip to the rubber.

All in all, 19 members of the senior cast saw action, with each of three hurlers doing a two inning stretch on the hill.

Clayt Weikman started hurling and was touched for a brace of tallies during his tenure, one being a rather spotty homer by Baker. Earl Harder, former curve artist, was the next occupant of the mound and still carried plenty of power in his arm. Ernie Schuck was the final chucker and performed equally as well as his predecessors.

The trio was touched for a total of 12 hits, but many of these might well have been cut down by the Old Timers in their palmer days.

The old guard faced a trio of (Continued on page 3)

PALMYRA HIGH SCHOOL RE-EXAMINATIONS

Re-examinations will be held at Palmyra High School on Friday, September 6th, at 9:00 a.m.

A pupil who received "D" in a subject is eligible to reexamination, provided he presents written evidence from an approved tutor, of having done twenty hours of work during the summer.

V. M. BROWER, High School Principal.

Miss McDonnell will be at the high school Friday, September 6, from 9:00 a.m. to 3:00 p.m. and Monday, September 9, from 9:00 a.m. to 12 noon to register students who have not registered yet.

FLEET STATUS UNCHANGED

During the past two weeks there has been no change in the lineup of the foreign merchant fleet tied up opposite the Riverton Yacht Club, the same four boats remaining at the pier.

The Belvedere, Italian craft, is apparently the only vessel with steam up as occasional puffs of smoke issue from the funnel of this craft.

All hoist their national ensigns daily, but there is little evidence of activity about the wharf. A lighter is drawn up alongside the F. N. Damm, smaller Danish ship, but to date nothing of interest has happened as a result.

EAST RIVERTON ACTIVITIES

Last weekend was a busy one in East Riverton, with two of the local organizations conducting activities. The members of Delaware Fire Company No. 2 staged their annual carnival, while the Forrest Hill Boat Club conducted a regatta for motor boats, the first in the history of the organization.

DAWLEY TAKES SERIES OPENER

Dawley Olds took the first game of the championship series on Thursday night of last week, when the Riverton Firemen went down on the short end of a 7-2 count.

Manager Bill Anderson took over the hurling task for the hosemen and allowed 13 safeties, three being bunts. None were for extra bases. With the exception of the three tallies in the eighth, errors played a prominent part in the Dawley scoring forays, their initial markers in the first stanza all being of the unearned variety.

Anderson retired in the eighth with the bases crammed and one away. Gonteski aided by a twin killing put out the fire.

Threaten Once

The Firemen were almost completely controlled by Kessler, winning moundsman, who gave up only nine hits, Moorhouse getting three and Sutter a pair.

Kessler was in danger only in the seventh, when L. Yearly laid one down and beat it out for a hit. Sutters followed suit and J. Yearly's sacrifice advanced both runners. P. McDermott skied to right and two markers came in after the catch.

A snappy unassisted double play by Coles in the ninth squelched an incipient rally and provided the fielding gem of the evening.

Every member of the Dawley cast hit safely at least once, with Kessler, Carpenter and Coles getting two apiece.

Score by innings:
Firemen 000 000 200—2
Dawley 300 010 03—7
Batteries—Dawley: Kessler and Fowler; Firemen: Anderson, Gonteski and P. McDermott.
Umpires: Carhart, Alloway and Rotenbury.

NEW STAMPS

A special series of postage stamps honoring famous American artists will be placed on sale on the dates and at the offices listed below:

One-cent (green): Gilbert Charles Stuart, Narragansett, R. I., September 5.

Two-cent (red): Jas. A. McNeill Whistler, Lowell, Mass., September 5.

Three-cent (purple): Augustus Saint-Gaudens, New York, N. Y., September 16.

Five-cent (blue): Daniel Chester French, Stockbridge, Mass., September 16.

Ten-cent (brown): Frederic Remington, Canton, N. Y., September 30. The stamps will be 0.86 by 0.98 inch in size, arranged vertically, issued in sheets of 70, and printed by the rotary process.

CORONADO STAMP

A special issue of 3-cent stamps commemorating the 40th anniversary of the Coronado Expedition will be first placed on sale at Albuquerque, New Mexico, on September 7, 1940. The central design of this stamp shows a reproduction of the painting by Gerald Cassidy entitled "Coronado and His Captains." The stamp will be of the special-delivery size, arranged horizontally, and printed in purple by the rotary process, 50 to a sheet.

DEMOCRATS TO START CAMPAIGN

Several hundred Burlington county Democrats are planning to inaugurate the State-wide campaign for the Presidential election year at Sea Girt on Saturday afternoon, August 24, when Governor A. Harry Moore will honor President Franklin D. Roosevelt: Charles Edison, Democratic candidate for Governor and James H. R. Cromwell, the party's candidate for United States Senator.

While the reception will be of state-wide importance, Burlington county Democrats are planning to take a leading part in the program. George M. Hillman and Miss Elizabeth R. Cowperthwaite, Democratic state committee members from this county, will lead the contingent from this section.

Extends Invitation

Governor Moore has extended an invitation to all Democrats of the state to attend the reception in honor of the candidates. Hillman said this week that he attaches the greatest importance to the effect of the Sea Girt reception. It is imperative to start immediately an intensive drive throughout the county, in order to impress all party workers of the necessity of supporting the entire ticket, Hillman indicated.

Buses will transport Burlington county Democrats to the reception and arrangements are now being made by county committee officials.

Dignity to Hold Meetings

Thomas S. Dignan, Democratic candidate for Congress, announced this week that he will hold three informal conferences with county committee members and election officers to discuss local problems and plans for the campaign. Meetings will be held on August 14, at the home of William R. Murphy, at Bordentown; August 15, at John Earling's, Florence township; August 19, Mrs. Katherine McCluskey's, at Burlington.

PRICES REMAIN STABLE

While European countries find their food supplies cut to near-famine proportions, New Jersey housewives are able to obtain ample quantities of all fresh fruits and vegetables as well as meat and poultry products at almost no increase in cost, the survey of retail food prices issued monthly by the New Jersey State Department of Agriculture revealed.

A drop of 0.23 per cent in New Jersey prices for July under those reported in June was recorded. However, the July price this year was 2.47 per cent higher than for the same month a year ago.

Funny, isn't it . . . that people have the best times at the parties you didn't attend . . . or is it?

HERDS T. B. FREE

Burlington county dairy herds were re-accredited for a period of two years as free from bovine tuberculosis, Dr. R. A. Hendershot, chief of the Bureau of Animal Industry, New Jersey Department of Agriculture, announced this week.

Accreditation of the entire state already has been accomplished, but tuberculosis tests are repeated every year in each county under the state and federal bovine tuberculosis eradication program to protect herds against the appearance of the disease.

There are 22,515 cattle in 1,270 herds in Burlington County. In order to receive accreditation, each county must have fewer than one-half of one per cent reactors. Burlington County showed a 99.85 per cent perfect health record.

POLITICAL CLUB MEETING

The Triple Town's Democratic Club, Palmyra, N. J., held a meeting last Thursday evening at the home of Edwin Redfield, Sr., on Pennsylvania avenue. The guest speaker for the evening was Joseph Daily, of Beverly, who gave an interesting talk, "The Third Term and Its Possibilities." The membership Committee reported 64 new members. It was decided to hold a

N. J. FAIR

Many improvements have been made to the 135-acre New Jersey State Fair Grounds in preparation for the opening of the 53rd Annual Fair on Sunday, September 22. A vast modernization program was launched last fall after the close of the 1939 Fair and the work of improving the grounds and buildings will be continued up to the eve of this year's opening.

The New Jersey State Fair grounds, Trenton, are regarded as one of the best adapted in the country. Located on main highways, it has always been used for annual fairs and the entire plant is adapted

to catering to the wants of thousands who annually visit the farmers' show-windows in order to see what the modern agriculturist is accomplishing in the way of keeping up New Jersey's prestige as the Garden State.

WEBER-REYNOLDS

Mr. and Mrs. David Reynolds, of 2137 North 37th street, Camden, announce the marriage of their daughter, Dorothy A. DeLaney, to Joseph J. Weber, son of Mr. and Mrs. Nicholas Weber, 108 Morgan avenue, Riverton, on Thursday, August 15, at the Sacred Heart Church.

COVERED DISH SUPPER

The Ladies Aid of Asbury M. E. Church, Cinnaminson, will hold a covered dish supper at the East Riverton fire house on Wednesday, August 28, from 5 to 8 p.m.

BOY SCOUT NEWS

World's Fair Service Troop W. Hooton Stokes, of Moorestown, Scoutmaster of the Burlington County Council World's Fair Service Troop left Monday morning, with George Widmaier, Assistant Scoutmaster of Troop 2, Riverside, who will assist him at the Fair. The following Scouts are members of the Troop: Robert Compton, Robert Hamilton, Ned Love, William Sumner, Gerard Williams, and Norman Brunton, all of Moorestown; Milton Deitz, Arthur Hoyt, Warren Lamson, Harry Ward, Jr., and Charles Weart, all of Palmyra; Goodwin Donnelly, Jr., James Gallagher, Donald Lender, and Alvin Panaro, all of Florence; Robert Mathes and Logan Morris, Jr., both of Mt. Holly; Richard Ketchel and David Young, both of Riverside; Stanley Leongberg, Read Perkins, Earl Plumley, Warren Schoen, and Thornton Scott, all of Haddonfield; and Jack Evans, of Maple Shade.

Members of the Troop will entertain at Trenton and from there they will go directly to the World's Fair Grounds. During their stay at the Fair the Scouts will carry on service activities about the Fair grounds, will be taken on educational tours and enjoy programs in the World's Fair camp. The scouts will return on Monday, August 26th.

WORK AT STADIUM

All during the summer, a large force of men has been engaged on various projects at the new Palmyra High School stadium. Concrete ticket booths have been installed at points of vantage and a number of rooms have been finished under the stadium proper.

The football field is in perfect shape for the coming season and the entire athletic plant is a subject for much favorable comment on the part of residents in this section.

OLD AGE INSURANCE PAID

During the first half-year of operating its plan of monthly old-age and survivors insurance payments, the Social Security Board began sending monthly checks to 94 men, women and children in Burlington county, it was announced today by Joseph M. Davis, manager of the Board's Camden office.

The total of monthly payments during June was \$1,804.96 and, in addition, 21 residents of Burlington county received \$3,041.71 in lump-sum payments from January 1 to June 30, 1940.

Most married men think they would be rich if they had remained single.

Councilman John C. Landgraf, at this month's borough council meeting in behalf of the Palmyra Borough Council extended an invitation to the general public to be present to watch tournament play as some of the best tennis players of this area have entered the tournament.

Those who are seeded in the men's tournament are Don West, Jack Pfeiffer, Sidney White, and J. Russell Jermon.

BASEBALL GAMES

The attraction at Memorial Park this Saturday afternoon at 3 o'clock will be the well-known Sewell A. C., of Camden.

Sunday, August 25, will see Palmyra at Memorial Park for another game in the current series. These two teams will wind up their feud on Labor Day in a twin bill, starting at 1:30. Both engagements will be played in Riverton.

East Falls will play here on Saturday, August 31, and Riverside A. C. on Sunday, September 1. The locals were rained out last Saturday afternoon for the first time this season.

DUTCH EAST INDIES IN LATEST MARCH OF TIME

The manager of the Fox Theatre, Riverside, announced that he has secured the latest March of Time film, "Spoils of Conquest." The film brings to the screen an exciting story of the Dutch East Indies, richest colonial empire in the world, which is today left virtually unprotected against Japanese aggression, now that the Netherlands itself has been taken over by Germany.

"Spoils of Conquest" shows how the Dutch East Indies are the chief source of rubber and tin for America's new national defense program, making it a particularly important and timely subject right now.

OLD TIMERS

present-day pitchers, Manager Rapp sending Roark, Murray and Altadonna into action. These three allowed seven safeties, Eckert getting a pair, while Harper, Shorten, Edge, Krause and Weikman collected one apiece.

Harper scored the only run for his team, stealing second and counting as Eckert singled and was trapped between first and second.

The former luminaries loaded the bases in the first stanza, but couldn't cross the platter.

Every man on the squad saw action and played remarkably well, considering the fact that many hung up their suits years ago.

SPORTS JOTTINGS

Rain prevented the playing of the second game in the local championship series between the Firemen and Dawley Olds at Memorial Park last Friday night and also on Monday of this week.

It won't be long before the P.H.S. grid squad will start drilling for the coming campaign.

George Hagstos, of Riverton, Jack Pfeiffer, and Don West, of Palmyra, have advanced to the second round of play in the Burlington County Tennis Tournament at Rose Valley. Seeded No. 6 in the tourney, Hagstos easily defeated Joseph Mikulski, of Burlington, 6-1, 6-1. Don West set back William Twitchell, Burlington, 6-2, 6-2. Pfeiffer, was defaulted by William Van Ness, Burlington.

Lou Jacoby, was defeated by Edward Kingdom, Burlington, 6-3, 6-2. George King, defaulted to Tom Page, Riverside, Herb Berglund, of Roebling, who is seeded No. 1 in the tournament, set back Edward McVaugh, of Riverton, 6-2, 6-0. The latter has been No. 1 for the Riverton Country Club. Don West and Jack Pfeiffer are representing the Palmyra Tennis Club. Due to the inclement weather, second rounds will probably be played Thursday or Friday of this week.

Score by innings:
Palmyra 111 111-6
Old Timers 001 000-1

Home run—Baker. Two base hit—Mick. Struck out—by Weikman, by Harder 1, by Schuck 1, by Murray 2, by Roark 2. Base on balls—off Roark 2, off Murray 2, off Harder, off Weikman 2. Left on bases—Palmyra 3, Old Timers 7.

All Must Help

Award to Rhode Island of first place in the 1939 national safety contest, an honor won by New Jersey in 1938, is the subject of some timely comment by Arthur F. Loewe, educational chairman of New Jersey State League of Municipalities Safety Committee. New Jersey dropped to third place. Mr. Loewe attributes the loss in standing, at least in part, to a relaxing of efforts.

One of the major considerations in the contest is a low death rate, which factor with the reduction below the average of the three preceding years accounts for 50 of the possible 100 points. New Jersey had a total of 814 street and highway fatalities last year, a figure 51 below the 1938 deaths, but it was not enough, Mr. Loewe points out, to win the coveted award.

It would have been easily possible for New Jersey to better the showing it made, he believes, through concerted action on safety education and promotion. But it is a job for all, rather than a few.

"If, for example, New Jersey had the same percentage reduction in motor vehicle deaths as Rhode Island," he cites, "it would have meant 28 more lives would have been saved in New Jersey. When one realizes there are over 500 municipalities in New Jersey, it does not take much imagination to show the possibility of having one of every 19 towns save just one more life. That might have meant 28 of our many municipalities might have added just one more lighted intersection in the fight for safety, or perhaps torn down just one obstruction to view, or perhaps added just one more educational program which would have provided the necessary memory stimulant reminding the motorist and pedestrian of the hazard that caused his death.

"Specific action pays dividends in greater safety. No one need look any further than to the reductions in death accomplished upon state highways. We know specific action has been taken against the various hazards uncovered by investigations made by State Police, the Motor Vehicle Department and Highway Department.

"During 1939 on the entire 1,500 or more miles of the state highway system, taken as a whole, we find a 44 per cent reduction in fatal night accidents. This, of course, has been accomplished by light, road betterment, car development and the development produced in our motorists and pedestrians through the actions of enforcement officials, whether the action has been regulatory or educational. On the other hand, on the 123 miles of state highway which had been lighted continuously between municipalities, we find there has been a 76 per cent reduction in night accidents.

"The solving of the safety problem in New Jersey, or in any state, is too big for any one person or any one organization. It needs the coordinated, cooperative efforts of every man, woman and child. The problem is so broad there is a place for everyone's skill, everyone's knowledge and everyone's willingness to act."

A survey of 2500 years just completed at Harvard University, in which they were aided by a score of American and European scholars, states that the "boasted civilization" of the present century has proven to be the bloodiest period in all history—the 13th century the best.

BRIEF ITEMS
from
ABOUT TOWN

E. Mercer Shreve, of Penn street, is spending the month of August with Mr. and Mrs. Gorham P. Sargent, at their cottage, Blue Spruce, Bass Rocks, Gloucester, Mass.

Mr. and Mrs. Walter W. Moyer and daughter, Virginia, of Fulton street, are spending the month of August on the Eastern Shore.

Mr. and Mrs. Edward Blackwell and daughter, M. Elizabeth, of Elm terrace, have returned from an extensive tour of the western states, visiting Yellowstone Park, among other points of interest.

Gorham P. Sargent, Jr., will be a member of the entering class at Bowdoin Military Institute next month.

Mrs. Anna T. Denecker will serve as hostess at the weekly card party of the River Towns Ladies Club, to be held today (Thursday) at 2 o'clock at the K.G.E. Hall, Riverside.

Mr. and Mrs. John McLaughlin, and son John, of Elm avenue, are spending the week at Ocean City.

Mr. Roy Hirst, of Memorial avenue, was the 10th winner in the merchandise club sponsored by the St. Agnes Guild of the Christ Church, Palmyra.

Mrs. Horace Richman, of Second street, will entertain the members of the Lucky Social Club this evening.

Marjorie West, of Morgan avenue, is spending four weeks at the Christmas Tree Inn at Bridgeton, Maine.

Mr. and Mrs. Joseph Flynn and family, of Thomas avenue, and Mr. and Mrs. Raymond Fisher and family, of Delaware avenue, spent last week at Wildwood.

Dorothy Bonnaal, of Lincoln avenue, was hostess to the Sub-Debs last evening.

Mr. and Mrs. Frederick Seeber and family, of Garfield avenue, are vacationing at Ship Bottom.

Polly Mae Mathews, of Thomas avenue, and Margaretta Smith, of Linden avenue, spent last week at the Holiday House, Island Heights.

Mrs. Elizabeth Yansick, of Pear street, was last week's winner in the Sacred Heart P.T.A. merchandise club.

Mrs. Norman Moffitt, of Garfield avenue, is spending several days at Schenectady, New York.

Mr. and Mrs. Harry B. Williams, of Highland avenue, are touring the Western States.

MULFORD—PARRY

Announcement has been made of the marriage of Miss Charlotte Mills Parry, daughter of Mrs. Edwin Satterthwaite Parry, of 854 Main street, Riverton, and the late Mr. Parry, and Dr. William P. Mulford, son of Mrs. Ephraim R. Mulford, of East Broad street, Burlington, and the late Dr. Mulford, which took place quietly on Friday afternoon, August 16, at five o'clock, at the home of the bride's mother. The Rev. Q. R. Ferguson, rector of the Gibbstown Episcopal Church, officiated.

In September, Dr. Mulford will return to the University of Virginia for six months' practice as assistant student house physician, after which he will serve a two years' internship at Grasslands Hospital, Westchester county, New York. The bride is a graduate of St. Mary's Hall, Burlington, and Dr. Mulford was graduated from the University of Virginia.

ABOUT TOWN

Mrs. Ellen Schaeffer, of Broad street, Riverton, and Mr. and Mrs. Joseph McDermott, of Cinnaminson street, spent last week at Atlantic City.

Mrs. Fred Bock, of Burlington Pike, was the 15th winner in the merchandise club of the Parry Fire Company Ladies Auxiliary.

Mrs. John C. Hoepfner, and son Mark, and Mrs. John W. Milroy and sons, Warren and Robert, of Washington avenue, were visitors at Atlantic City last Thursday.

Mr. and Mrs. Walter Carter, and son Walter, Jr., of Maple avenue, spent the weekend at their cottage at the Poconos.

Rev. and Mrs. Melvin H. Way, and daughter, Virginia, of Baltimore, Md., are spending two weeks as the guests of Mrs. Matilda Vollmer, of Walnut street.

Mrs. Alma Evans, of Thomas avenue, who is a member of the Burlington County Republican Committee, was the guest of the Hudson County Republican Club at their Rally at Rye Beach, New York, on Monday.

Mrs. Martha Kaefer, of Darby, Pa., spent several days this week with Mr. and Mrs. Irwin P. Booth, of Linden avenue.

Mrs. Helen Kapus, of Lippincott avenue, is spending the remainder of the summer at Atlantic City.

Jane Beauchamp, and Mary Asay, of Garfield avenue, along with Mrs. Mabel Williams, of Blackwood, Mrs. Alfred McKay, of Philadelphia, and Mrs. Lucille Wills, of Norfolk, Va., spent last Thursday at Atlantic City.

Mr. and Mrs. Elvin I. Powell, of Walnut street, are spending two weeks at Lake George, New York.

Mrs. Samuel Fortune, of Beverly, entertained at a shower on Friday evening in honor of Miss Anne Smith, of Palmyra. Miss Smith's marriage to Bruce Knapp, of Burlington, will take place on Saturday.

The guests were Mrs. Fred Smith, of Palmyra; Mrs. Lee McIlhenny, Mrs. Joseph Lickertman, Mrs. Myra Dilks, of Riverton; Mrs. Robert Knapp, of Riverside; Mrs. Walter Fitzpatrick, Mrs. Walter Knapp, and Mrs. Frank Conjamie, of Beverly; Mrs. Cyril Conover, and Miss Esther Turner, of Burlington.

Miss Theresa Taylor, of Shamokin, Pa., is spending several weeks with Mr. and Mrs. William Dietrich and family, of Harrison street.

The sewing circle of Palmyra and Riverton were the guests of Mrs. Charles Seemuller at the cottage at Stone Harbor, Tuesday.

Mrs. Harry V. Groome, and daughter Betty Anne, spent last Thursday with Mr. and Mrs. Frank McLaughlin, of Chestnut Hill.

Betty Nash, of Washington avenue, has returned home after spending two weeks at Beach Haven.

Mr. and Mrs. Samuel Silver and daughter, Sandra, of Pitman, spent Sunday with Mrs. Matilda Vollmer, of Walnut street.

A meeting will be held this evening of all of last year's members of the Palmyra Red Devils and all those interested in joining this year's squad at the residence of Pete Heiler, of 802 Washington avenue at 9 o'clock. A general practice will be held this Sunday morning probably at 11 a. m.

Mrs. Florence Evans, of Thomas avenue, is spending two weeks with Miss Lillian Griener, of Philadelphia.

Thomas Piergross, Leonard Baker, Frederick Henzler, and Robert Stavel, of Palmyra, spent the past weekend visiting friends at Gettysburg, Pa.

Mrs. Clarence Bell, Jr., and family, of Lippincott avenue, are spending the week at Surf City.

Harry Groome, Jr., of Linden avenue, spent the weekend with Mr. and Mrs. Charles Wagner, of Manoa, Pa.

OBITUARIES

MRS. MARY E. RYAN

Solemn Requiem Mass was sung for Mrs. Mary E. Ryan, of 629 South Conestoga street, on Tuesday at 10 a. m. at the Church of the Transfiguration, Philadelphia. Mrs. Ryan died on Friday, August 16, after a short illness. She was 81. Surviving are four children, eighteen grandchildren, and one brother, Louis Brennan, of East Riverton.

BERNHARD H. DINN

Bernhard H. Dinn, of 23 Pear street, died suddenly at his home on Monday, August 19.

Funeral services will be held on Friday, August 23, from his late residence, the Rev. H. L. Rowe officiating.

Interment will be made in Morgan Cemetery. The deceased is survived by his parents, Mr. and Mrs. Ludwig Dinn, his wife, Elsie, and daughter. A brother and two sisters also survive.

WALTER PERKINS

Walter Perkins, brother of Thomas Perkins, of East Riverton, died on Saturday, August 17, at the Temple University Hospital.

Funeral services were held on Wednesday at 2 p. m. from the Snover Funeral Home, the Rev. H. H. Scarborough officiating. Interment was made in Asbury Methodist Cemetery.

ELIZABETH M. TEES

Mrs. Elizabeth M. Tees, of 516 Morgan avenue, died on Thursday, August 15.

Funeral services were held from the Snover Funeral Home on Monday at 2:30 p. m., the Rev. George Lockett officiating. Interment was made in Morgan Cemetery.

Mrs. Tees is survived by her husband, Walter S. Tees, a son and daughter, Gilbert Tees, and Mrs. Welland Murray.

PARENTS' NIGHT AT LOCAL PARK

The children of the Play Center, at Memorial Park, spent an evening last week entertaining their parents with various activities. Prizes were awarded for the many events through the courtesy of the following: A. & P. Market, John Ruppert, Acme Market, L. L. Keating, Broadway Theatre, Etris Store, Schwering Store, Blankenbush Pharmacy, Ross Evans, Schulman's, James Wolfe & 10. Schorr's, American Stores, Blane's Drug Store, and Rogers News Agency.

Winners were as follows: Balloon Blowing: Walter Moorhouse and Fay Myer. Peanut Race: Richard Caldwell and Judy Wigmore.

50-Yard Dash: Walter Lezenby, Lillian Hopkins, Charles Spickler, Frances Measey.

25-Yard Dash: May Meyer. Bubbles: Tom Laverty, Carolyn Coates.

Perfect Attendance: Buddy Willie, Janet Bowers.

Bicycle Race: Alice Cook, Gladys Lezenby.

The members of the flag patrol were: Bebe Carhart, Margaret Wolf-schmidt, Judy Wigmore, James Laverty and Sonny Measey.

Refreshments were served at the close of the program.

Those in charge of the affair received many well-merited compliments from the parents who attended.

We can do anything we want to do if we stick to it long enough. —Helen Keller.

CHRISTIAN SCIENCE CHURCH

"Mind" is the lesson-sermon subject for Sunday, August 25, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "Blessed be the name of God for ever and ever: for wisdom and might are his: . . . he giveth wisdom unto the wise, and knowledge to them that know understanding." (Daniel 2:20, 21).
Among the lesson-sermon citations is the following from the Bible: "The fear of the Lord is the beginning of wisdom: a good understanding have all they that do his commandments: his praise endureth for ever." (Psalms 111:10).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When we realize that there is one Mind, the divine law of loving our neighbors as ourselves is unfolded; whereas a belief in many ruling minds hinders man's normal drift towards the one Mind, one God, and leads human thought into opposite channels where selfishness reigns" (p. 205).

BURLINGTON CO. COUNCIL OF CHRISTIAN EDUCATION

A Leadership Training School for Christian workers, under the auspices of the Burlington County Council of Christian Education, will be held in Mount Holly again this autumn on Monday evenings, October 28 to December 2.
Miss Hulda K. Hewitt, of Mount Holly, is chairman of the committee planning this school. Rev. John B. Kirby, pastor of the Medford Methodist Church, will again serve as the dean, and he announces that six courses will be offered this year.

The Bible course, "The Prophecy and Their Messages" should be of particular interest in these times. "The Use of Dramatics in Religious Education" will teach how to present the great Christian truths in the way that Jesus used. The course "The Growth of Christian Personality During Childhood" will be taught by Miss Pearl Rosser, of Philadelphia, whose teaching was so greatly appreciated by those who sat in her class last year.
"Understanding Youth," "Recreational Leadership" and "The Technique of Leading Parent Groups," are the other courses to be presented. The committee is working to secure the best qualified instructors in each of these fields. Full information will be sent to each Church School in the county.

It is said that several hundred houses will be built at Washington, D. C. to house the defense workers who will come to the national capital. We presume this will call also for several thousand new swivel chairs.

Of course there are a lot of publicity departments set up by the New Deal, in its various bureaus, at the taxpayers' expense. And they certainly have succeeded in making a goodly portion of the country Santa Claus conscious.

It is said that when President Roosevelt hears of another Democrat joining the Willie bandwagon he just throws back his head and laughs. He must be having quite an uproarious time.

Some men ought to be praised for what they refuse to do. For instance, out in Wyoming, Wendell Willkie refused to wear a ten gallon hat.

The War Department admits that it has only bought 33 airplanes in seven weeks. But just remember how many more there are "on order."

Secretary of Agriculture Wallace says he will resign or take a leave of absence from his cabinet job after he is notified that he is a candidate for Vice President. This shows that the New Dealers are sensitive and obedient to public criticism—especially on the eve of a Presidential campaign.

from the torrid weather during the latter days of July should remember that Mayor E. Kelly turned on the heat at the New Deal convention at Chicago, and probably he forgot to turn it off.

Of course, President Roosevelt was actually drafted at the Chicago New Deal Convention. Don't you remember the old one about "we planned it that way"?

These cities and towns who are worrying about the accuracy of the new 1940 census figures should remember that it is the quality of population which counts, not the quantity.

W.P.A. MAY CLOSE HIGHWAY PROJECTS

Burlington county may be faced with a \$50,000 road completion project next year due to WPA cessation, it was asserted by County officials last week.
Despite unofficial denials of curtailment of WPA highway work in Burlington county, Engineer Brannin is reported to feel that present indications now are that a complete shutdown of all WPA projects can be expected in the near future.
This, it is understood, is largely caused by transfer of WPA workmen to national defense projects, mostly at Fort Dix.

HOLVICK SUES COUNTY

Claiming that the pay he received from the county while sergeant of arms of the district court from 1929 to 1934 was less than the legal stipulation, Frank Holvick, of Mount Holly, and formerly of Riverton, brought suit last week against the county in Common Pleas Court. If tried, the suit will be heard before Frank A. Hendrickson and a jury.

Holvick asks \$2,300 and interest, alleging that he was not paid the legal salary for the job which he occupied from June 7, 1929, to April 1, 1934. His case closely parallels that of John J. McHugh, of Burlington, present district court sergeant

at arms, who several months ago received a verdict in a suit brought against the county.

ROAD WORK CURTAILED

Curtilment of county road work was ordered last week, the reason being that the department has insufficient funds to last the year at the present rate of expenditure.

As a result of the order, made by Road Director Albert C. Jones, three road gangs in the lower part of the county were laid off indefinitely and 126 men were given notices that they will work only two weeks out of three.

KNOW YOUR BANK

Our Membership in the F. D. I. C.
WHAT does that now-familiar phrase "Member of the Federal Deposit Insurance Corporation" mean to you? It means that your bank is one of 13,600 of the country's 15,000 banks which have qualified for F.D.I.C. membership. Each depositor in an insured bank is protected against loss to a maximum of \$5,000 of his total deposits.

The federal government itself does not guarantee bank deposits. The government contributed \$150,000,000 to the capital of the F.D.I.C., but is not under agreement or obligation to contribute anything further. The banks themselves pay the entire cost of deposit insurance, being assessed one-twelfth of one per cent of their average total deposits each year.

Deposit insurance does not make all banks equally safe. Sound management will always be a vitally important factor.

Cinnaminson Bank and Trust Co. RIVERTON, N. J.

Member Federal Deposit Insurance Corporation

Use of the Home . . .
The use of the Snover Funeral Home, with its every facility for the proper conduct of a funeral service, adds nothing to the expense.

Phone—Riverton 830

The main reason for the curtailment, according to Mr. Jones is the fact that the county highway department was compelled to spend over \$20,000 for snow removal, while no appropriation for this item was included in the budget for the current year.

"All is of God that is and is to be; us still, Resting in childlike trust upon His will Who moves to His great ends unthwarted by the ill."

PALMYRA DRUM & BUGLE CORPS TO COMPETE AT LEGION CONVENTION

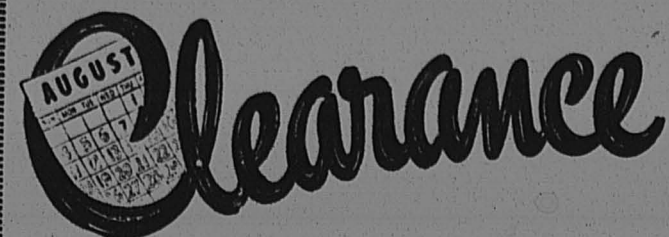

The Palmyra Drum and Bugle Corps will be among Junior Cadet Corps from all sections of the State entered in drill competition to be held this Saturday at the Camden High School Football field starting at 9 a.m.

A parade of all senior and Junior Cadet Corps along with American Legion bands from the state will start at 4:30 o'clock.

The Palmyra Cadet Corps was awarded \$75 last Saturday at Fort Dix as they placed second in the competition held at the 78th Division Annual Reunion last Saturday. First prize was won by the Archer-Eppler Post of Upper Darby, Pa., which is the national champion of the V.F.W.

The drum and bugle corps competition of the American Legion scheduled for last Sunday at Clemen-ton was postponed until September 1st because of inclement weather.

Take ADVANTAGE of our

FEW "USED CAR" SHOPPING DAYS REMAIN BEFORE THE 1941 Oldsmobile MAKES ITS BOW

Just before a NEW MODEL makes its appearance—that's the time to buy a good used car. Most every dealer is anxious to reduce his used car stock and that's the time he will "bend over backwards" to move his remaining "Used Car" stock.

Look at this list and visit our office for an appraisal of your present car. We know you will be agreeably surprised.

1939 OLDSMOBILE

4-DOOR SEDAN—Radio, heater, defrosters, good paint and mechanically good, low mileage.

1938 CHEVROLET

TOWN SEDAN—Radio, heater, trunk, fine appearance and exceptionally low mileage.

1937 DODGE

4-DOOR SEDAN—Good condition throughout.

1937 PLYMOUTH

4-DOOR SEDAN—Original paint, good rubber. This car has had good care.

1937 CHEVROLET

MASTER DeLUXE TOWN SEDAN—Radio, heater. Kept in excellent condition by local owner.

1937 STUDEBAKER

4-DOOR DeLUXE "DICTATOR"—Radio, heater, defrosters, deluxe steering wheel, electric clock. One of the best used cars we have ever traded.

1936 CHEVROLET

COUPE—Fine appearance and in good running condition. Priced right.

1935 DODGE

CONVERTIBLE COUPE—Radio, new paint, motor completely overhauled.

Several Other Cars from \$50 to \$200—Low GMAC Terms

EXTRA CAUTION FOR CHILDREN

State Motor Vehicle Head
Asks Cooperation as
Schools Open

The return, within the next few days, of some 915,000 boys and girls to the school classrooms, brought from Motor Vehicle Commissioner Arthur W. Magee this week a plea for extra caution on the part of the automobile driver.

A bit more concentration on the business of driving, a slower speed in the school areas where children are playing and a sharper eye upon a line of parked cars were specific things Commissioner Magee asks the driver to keep in mind.

"The opening of schools always changes the complexion of the child safety picture," said the Commissioner. "For one thing, it 'channelizes' the heavy flow of child pedestrian traffic at certain times of the day. There is great need for care at those times. Safety patrols, extra police officers, mechanical aids, all are valuable in promoting safety near schools but their sphere of influence is limited. Again, safety lessons in the schools are most helpful; but the motorist cannot fail to realize that children often forget lessons learned and, especially in the height of play, are heedless of the most fundamental of safety precepts.

Keep Them Safe

"We want to make the best record for child safety in New Jersey history this school year. And when we say that we are thinking not simply in terms of statistics. What we are dealing with are our own sons and daughters, the hope of the future of our state and nation. We cannot look upon them merely as numbers on a chart, symbols on a board or part of a curve on a graph. These are our children whose lives we want to spare, whose bodies we want to keep whole, and well and strong.

"We send them to school sound in mind and body. We want them to return home that way, today and every day. We send them away from home able to walk and run. We want them to come back to us still able to do so.

"The opening of schools provides each motorist with an opportunity to save the most precious of our possessions—the lives of our children. If each driver will recognize the fullness of this opportunity, New Jersey's accomplishment will be truly, lastingly monumental."

Firemen Will Collect Papers

The members of Independence Fire Company No. 1, of Palmyra are endeavoring to raise funds for the purchase of new uniforms. In this connection, they are collecting old paper and magazines.

Dates of collection will be announced in the near future in The New Era. On these days, the firemen, with your permission will gather up the material you wish to give and haul it away immediately. This is an opportunity not only to aid the firemen in their worthwhile project, but also to free your cellar or attic from a potential fire hazard.

The firemen earnestly solicit your cooperation in this matter. Watch for announcement of the collection dates.

THE WILLKIE WAY
"I am not interested in the support of anybody who stands for any form of prejudice against anybody's race or religion or who stands for any foreign economic or political philosophy in this country."

"I don't have to be President, but I do have to keep my beliefs clear to live with myself."

It is motive alone that gives character to the actions of men.
—Bruyere.

CALENDAR PALMYRA PUBLIC SCHOOL

For the School Year 1940-41

September 9—Faculty meeting at 1:00 p.m. in room 114.

September 10—Opening day of school.

November 8 and 11—State Teachers' convention—school closed.

November 21 and 22—Thanksgiving vacation (tentative).

December 23 to January 1 (inclusive)—Christmas vacation.

February 12—Lincoln's birthday.

April 11 to 18 (inclusive)—Easter vacation.

May 30—Memorial Day.

June 19—High School Commencement.

June 20—Grade school closing exercises and last day of school for both high school and grade school.

P. R. JONES,
Supervising Principal.

SCHOOL OPENING

The Riverton Public School will open on Monday, September 9. Kindergarten children may be enrolled on September 4, 5, 6. Children who were 4 years old before June 1 may be enrolled for Kindergarten on the presentation of birth and vaccination certificates during September 4, 5, and 6.

Parents are urged to enroll their children before the opening day.

GOOTEE LAUDS COAST GUARD

Chief William Gootee, of the Riverton police, is loud in his praise of the efficiency of the United States Coast Guard, following a mishap to his 23-foot cabin cruiser off Ocean City on Thursday of last week.

The chief purchased the boat at Brant Beach and set out for his summer cottage at Wildwood Villas via the outside route. When opposite Ocean City a bearing in the motor burned out and the craft drifted to a point offshore from the 12th Street Station, where its plight was observed by the vigilant guardsmen.

Within a short time a picket boat appeared on the scene and towed the chief's craft to the inner bay, where repairs were made. The trip was resumed on Sunday.

British War Relief

Funds are most urgently needed at once by hospitals in Great Britain for the equipment of beds. Forty dollars will buy full equipment for one bed.

The British War Relief Society has launched a major effort to raise funds for this purpose, hoping to equip 10,000 beds.

The need is acute. Thousands of hospitalized men, women and children will be properly cared for if our response is quick. How many can we in Riverton and Palmyra equip?

Contributions to this fund may be sent or given to Mrs. Lincoln Ridley, 401 Main street, or to Miss C. G. Murray, 204 Lippincott avenue, Riverton. Checks should be made payable to the British War Relief Society, Inc.

Work Done

On August 12 the Riverton-Palmyra Chapter, B.W.R.S., dispatched its third lot of "woolies." To date, we have sent 185 knitted garments, and have our fourth box nearly full. Last week Time Magazine (page 45) carried a statement of the aims and policies of the British War Relief Society. Read it, get your friends to read it, and help us all you can with work and contributions!

Miss C. G. MURRAY, Chairman, Riverton-Palmyra Chapter B.W.R.S.

RED CROSS NOTES

It is with a deep sense of gratitude for the willingness of those who have tried to do their "bit" in times of great need that the Riverton-Cinaminson Red Cross Committee thanks all who have helped to complete the sewing and knitting allotments made thus far.

The committee has delivered to the production chairman of the Burlington County Chapter of the American Red Cross, the following articles completed since last October: 24 complete layettes, 36 women's slips, 25 women's dresses, 1 knitted shawl, 3 caps, 3 pair mittens, 42 pair socks, 93 sweaters (8 more not yet completed).

With each dress a small roll of the material and extra buttons were included, and a colorful handkerchief tucked in the pocket.

Commendation

The County Committee highly commended the workmanship of the articles turned in by the local unit. During the session of the Westfield Friends' School Day Camp the children made toys which were sold and from which \$5.11 was realized. This was given to the Red Cross for refugee relief. The Committee wishes to thank the children, together with Miss Marjorie Ferguson, of Edgewater Park, and Miss Nancy Clark, of Riverton, who were in charge of the work.

New materials have been received for children's dresses and for baby blankets, which are to be made in the next few weeks. Please watch the paper for announcement of sewing days.

A new consignment of wool has (continued on page 8)

NEW JERSEY STATE POLICE

Many Activities Carried On By Force During Past Year

A total of 37,951 persons were arrested by New Jersey State Police during the fiscal year from July 1, 1939, to June 30, 1940. These figures were revealed by Col. Mark O. Kimbrell, superintendent of the New Jersey State Police, in his annual report on the activities of the 283 men comprising the force, which operates on the rural roads of the State.

These arrests resulted in 35,889 convictions from whom fines amounting to \$153,894 were collected and \$1,000 was turned into the State Treasury through forfeited bail. Always alert while on patrol the State Police recovered 383 stolen cars valued at \$165,113 and recovered stolen property valued at \$65,360.36. In addition, the report shows that confiscated unlawful property, valued at \$33,861.03 was turned over to the proper authorities and that license fees amounting to \$2,814 were collected from private detectives, railroad, street railway, canal and steamboat policemen.

Many Complaints

During the year the police received complaints, all of which involved advice or check-up of some type or another, the majority necessitating extensive investigation and interrogation of many persons, a total of 36,802 individual calls being made. In the course of this work and in patrolling the highways a total of 7,064.479 miles were covered by 121,735 patrols.

Showing extreme courtesy, especially to visitors, the State Police nevertheless have maintained a constant vigil on the roads and the record of highway deaths in the State, one of the lowest in the nation, speaks volumes for the force. A total of 105,206 warnings were given motorists during the year and in addition, the presence of State Police has kept careless drivers thinking of others with a resultant prevention of property and loss of life.

G. O. P. Rally September 4

Wednesday night, September 4, is the date for the big Republican rally which is scheduled as the formal opening event of the general election campaign in the county.

The affair will be held at the Pigeon Whistle Inn at Brown's Mill. Plans are being made to have the meeting open with a band concert at 7:30 o'clock, this to be followed by a speaking program. Included among the speakers will be a figure of national importance as a representative of the Willkie-McNary ticket, gubernatorial candidate Robert C. Hendrickson will be present as will United States Senator W. Warren Barbour, Congressman D. Lane Powers and the various county candidates.

It is expected that the event will be one of the largest Republican rallies ever held in Burlington county, and arrangements are being made to take care of an overflow crowd.

GRID WORK ON SEPTEMBER 3rd

William Fiedler, football coach at Palmyra High School announced this week that practice will start on Tuesday, September 3, at 2:30 p.m. Candidates will report at the new stadium.

There will be only light work during the first week, including setting up exercises and conditioning. Fundamentals will be taught during the first five days, but there will be no contact work until the second week.

A large squad is expected to report on the first day of practice.

SPORTS JOTTINGS

Palmyra dropped a 10-8 verdict to Moorestown last Saturday afternoon. Henson and Baker led the local offense with two hits each.

One of the largest crowds ever to view a baseball game thronged Palmyra Recreation Park on Friday night of last week to view the conflict between Camden and the South Phillips, contenders in the Atlantic Baseball School Tournament.

The Camden team, composed of players under 19 from Camden, Burlington and Gloucester counties lost the decision by the score of 14-2.

Mayor John F. Ward, of Palmyra, threw out the first ball as a squad of photographers snapped the event. Len Baker, former Palmyra High star, saw action on the mound for the losing aggregation.

ALIENS REGISTER AT POST OFFICE

The Post Office started fingerprinting all aliens in Riverton on August 27 in compliance with an order from the Department of Justice.

The task must be completed in four months.

However, in instructions from the department in Washington, it was pointed out that the actual job of taking fingerprints is comparatively simple. The huge task of filing and classifying these prints will not fall upon the individual postmasters.

Fingerprinting is not new, however, to most first and second class postmasters for they have frequent occasion to use fingerprinting during their regular line of duty.

"It is only necessary to get legible fingerprints," the orders said, "These must be accompanied by full details, and name and age of the alien."

There are 3,600,000 aliens throughout the United States, sprinkled through a total population of about 130,000,000 persons. The huge task will require an enormous bureau in Washington.

The Department of Justice has started an educational program for those of foreign birth, who have not become naturalized citizens. Through foreign language newspapers and radio stations, the word will be passed along with full instructions on how to go about registering.

Aliens who make application at the Post Office will be given a sample of the blank they are required to fill out. This can be completed at home and they will then be able to fill out the official forms at the Post Office with little difficulty.

COUNTY BANKERS ON A.B.A. CONVENTION COMMITTEE
C. K. Withers, General Chairman of the Committee from the New Jersey Bankers Association appointed to arrange for the forthcoming 66th Annual Convention of the American Bankers Association to be held in Atlantic City, September 22-26, has announced the appointment

of the following local bankers to assist in the arrangements: A. H. Coate, secretary, New Jersey Bankers Association, Moorestown, secretary and treasurer of general committee; Howard F. Lewis, assistant cashier, Mechanics National Bank, Burlington, member of committee on State and National participation; Charles S. Goldy, cashier, First National Bank, Riverside, member entertainment committee.

PALMYRA BOWS TO RIVERTON

Riverton took the fourth decision in the current series with Palmyra on Sunday afternoon, at Memorial Park, the score being 2-1.

Gibson, of Riverton, and Heimach, of Palmyra, were exceedingly frugal in the matter of giving up hits, both teams making only three each.

The winner tabbed a run in the second, but Palmyra knotted the count in the following frame only to have their opponents score what proved to be the winning marker in the fourth.

Meet Labor Day
These two teams will wind up the series at Memorial Park on Labor Day. Palmyra has one win, this coming in a twilight game at Palmyra.

COES ANNOUNCE INSURANCE PARTNERSHIP FORMATION

An announcement of interest to residents of this vicinity was made this week by Howard S. Coe and Horace R. Coe, who have formed an insurance partnership under the name of Coe and Coe, which will be located in the Insurance Exchange Building, 134-38 South Fourth street, Philadelphia.

Complete facilities are available for writing and servicing all forms of fire, casualty, marine and life insurance.

A. R. V. Coe, father of the Messrs. Coe, will be associated in the business.

Howard Coe, has been connected with insurance activities for the past 34 years, while his brother has been active along similar lines for 26 years. Thus, both have broad experiences in this particular field.

FOURTH PLACE

The Palmyra Cadet Drum and Bugle Corps took fourth place in the competition held for junior organizations at Camden on Saturday of last week in connection with the State American Legion Convention. The award netted the local outfit \$25 in cash.

First award went to the Garfield Corps.

If you wish success in life, make perseverance your bosom friend, experience your wise counselor, caution your elder brother, and hope your guardian genius.—Addison.

Do You Have This Lamp in Your Living Room?

- The lamp known as the I.E.S. 6-way floor type is a wonderful lighting convenience.
- It provides six steps of lighting . . . from the small "night light" to full direct and indirect light for general illumination.
- To be specific, this lamp has two electric switches, one controlling three "candle" style lights and the other a 3-lite Mazda bulb in the reflector.
- Thus you can light one, two or three 40 watt "candles", turn on a 100-200 or 300 watt indirect light, or have any combination of these lights.
- This lamp, and all those marked "I.E.S.", are built to specifications of the Illumination Engineering Society to provide correct light for seeing.
- See this and other beautifully styled I.E.S. lamps displayed at the nearest Public Service showroom or at your electrical dealer's.

7:00—Community Vespers, Bethany Church. Sermon, "What is Man?"
The last of the Community Vespers services will be held at 7:00 p.m. in Bethany church with the pastor, the Rev. Harold Lee Rowe, officiating. The subject of his message will be, "What is Man?"

CHRISTIAN SCIENCE CHURCH

"Christ Jesus" is the lesson-sermon subject for Sunday, September 1, in all Christian Science Churches and Societies throughout the world. The Golden Text is: "God sent not his Son into the world to condemn the world; but that the world through him might be saved." (John 3:17).
Among the lesson-sermon citations is the following from the Bible: "Repent ye: for the kingdom of heaven is at hand." (Matthew 3:2).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Through repentance, spiritual baptism, and regeneration, mortals put off their material beliefs and false individuality" (p. 242).

CALVARY PRESBYTERIAN

Rev. Charles T. Bates, D.D., Pastor
Services Sunday, September 1
11:00 a.m.—Morning worship. The Rev. W. Taylor Dale will preach. Rev. Dale, who is the permanent clerk of the Presbytery of Monmouth, is the pastor of the Lakehurst, N. J. Presbyterian Church. He was recently appointed general secretary of the Lord's Day Alliance of New Jersey.

SACRED HEART CHURCH

Fourth and Linden Avenue
Riverton, N. J.
Rev. John F. Welsh, Pastor
Rev. Thomas T. Barry Ass't Pastor
Sunday Masses—7, 9, and 10:30 o'clock.
Daily Mass—7 a.m.
Confessions—Saturday, 3:45 to 5:45 and 7:30 till 9 p.m.

MISS MARION WARREN

T. B. LEAGUE SECRETARY
Miss Marion Warren, recently appointed Executive Secretary of the Burlington County Tuberculosis League, began her duties last week. She comes to Burlington county after fourteen years as health supervisor of the Audubon public schools. A graduate of the Cooper Hospital School of Nursing, Miss Warren continued her nursing education at the Pennsylvania School of Social Work and the University of Pennsylvania. She has been active in state work for a number of years and is at present a member of the board of directors of the State Organization

TIMES PROVOKE SAVING THOUGHT

Uncertainty of Conditions Presents the Question of Financial Security

By B. THRIPTY

Not for years have people generally given so much consideration to the question of their financial security in the future.

In the face of a return to normal business conditions, somewhat premature, due to the armament spending, people will be earning more than they have for years. This in effect, was experienced during the last World War. But as fast as money rolled in it was lavishly spent. As a result, when times became harder, there was no money for the rainy days.

Those who have lived through that period are going to be more frugal—they are going to budget their spending and save for the future. The younger generation who did not have this experience should take the example of their elders, and do likewise.

53 Years Old

The one great saving organization

for Public Health Nursing, serving as chairman of the School Nursing Section.

In reference to her new position, Miss Warren says, "I am looking forward with real pleasure to my work in Burlington County. It is a privilege to be affiliated with an organization which has contributed so much to the health and general welfare of the community. We hope to continue the same high quality of service that the League has rendered in the past."

Officers of the League are: president, Dr. Marcus W. Newcomb, Browns Mills; first vice president, Mrs. W. H. Heister, Jr., Pemberton; secretary, Mrs. Nelson D. W. Purney, Mount Holly; treasurer, Miss Dorothy Burr, Pemberton; Seal Sale Chairman, Dr. Joseph Stokes, of Moorestown.

RIVERTON

in our community, the Palmyra Building & Loan Association, has been through depressions since its birth 53 years ago, and is now presenting you a safe and profitable means of investment, where your savings can not only be held secured, but where they can be available to you at all times. And all the while you do not need your savings, they are yielding you a profitable dividend.

The Palmyra Building & Loan Association will open their 72nd Series Tuesday, September 3, 1940, in the P.O.S. of A. Hall. You can become a member by subscribing for as low as \$1.00 per month. Office will be open from 3 until 9 o'clock.

The greatest events of an age are its best thoughts. It is the nature of thought to find its way into action.—Bovee.

THINGS TO WATCH FOR

A photo-electric phonograph—in which a photo-electric cell is used to amplify the vibrations of a "floating" sapphire needle in the record groove. They say tone and reproduction fidelity are improved over the standard type pick-up, and that the floating needle increases life of records by 900 per cent . . . a tiny automatic fire alarm for homes—no larger than a person's hand, and set off by a thermostatic device which has mercury as the activating agent . . . a ladder-shoe, for workers who stand for long on ladders. Steel-soled, it supports the whole foot while providing a sure, non-slip grip on the ladder rung . . . an insulation material made from peanut hulls—said to be almost as efficient as cork and, if produced in large volume, 35 per cent cheaper . . . at fairs, sports events and scenes of emergencies, a handy new number 1 bus equipped with telephone booths—they're oper-

ating at the New York World's Fair now.

More Parks Needed

More than 700,000 visitors enjoyed New Jersey's 60,000 acres of state-owned parks and forests last year, an increase of 33 per cent over the preceding twelve months.

The growing appeal the figures reveal of this type of recreation is cited by Alden T. Cottrell, Assistant Forester of the State Department of Conservation and Development. In view of demands that expenditures not of emergency character be deferred to ease the strain of defense and other necessary spending, the long-urged park expansion program is being held in abeyance this year, but Cottrell believes it a project of sufficient importance for action as the earlier funds are available.

Cabins for public use at a modest charge have proved an especially popular addition at the Stokes Forest in Sussex County, so much that such facilities have been provided at the Lebanon and Parvin reservations in South Jersey. Others are planned for later construction. Evidence of the demand is the fact the eleven cabins at Stokes Forest were all occupied during three weekends in February of this year.

Erected by C.C.C. labor under general supervision of the department and turned over when completed to the State, which provides the furnishing, the cabins are well-planned, attractive and comfortable. One of the most attractive features, placed at one end of the cabin, is a huge fireplace, built of fieldstone and ornamented with a massive log mantel. Installed in some of the fireplaces are units which provide circulating air.

The cabins consist of a single large room, 14 to 19 feet, used as a combination living room and sleeping quarters and having an all which encloses a kitchen and lavatory with an outside entrance. The furnishings are simple but adequate. Two ample double-deck bunks complete with springs and mattresses offer solid sleeping comfort. A trestle table, benches, one or two folding chairs and an improved type kerosene lamp complete the living room furnishings. The kitchen contains a wood-burning stove, refrigerator, sink, shelves and storage space. All have running water and some include shower baths.

The Stokes cabin colony is a complete unit by itself, facing on Lake Acquittunk and having a private bathing beach. Each is built far enough from the other to afford privacy and there is a parking spur for the occupant's automobile. Large casement windows afford a view of the lake and make the cabins light and airy.

In the South Jersey reservations a somewhat different type of construction is being employed. Instead of a log exterior, a finish known as "wane siding" is used. The interior differs little, however, except that wood stoves have been substituted for fireplaces in some cases.

Still another type of facility is the camping shelter, which has been most developed at the Jenny Jump Forest in Warren County. This affords more comfort than a mere camp site, but is less complete than a cabin. Cooking is done out of doors and a stove heats the shelter, which has sleeping accommodations for four persons.

Receipts from cabin rents pay the entire cost of their administration and servicing.

God protect us from class hatred, race hatred and mass hatred, and similar devil's brew.—Scheffel.

BRIEF ITEMS
from
ABOUT TOWN

Marjorie Dimon, of Henry street, and Mr. and Mrs. William G. Seither, of East Charles street, are spending the week at Westfield, Pa.

Rev. and Mrs. George Lockett, of Elm avenue, are spending three weeks at Ocean Grove.

Forty members of the Palmyra Eastern Star were the guests of Mr. and Mrs. Charles Seemuller, of Fourth street, at their cottage at Stone Harbor.

Misses Marie and Doris Dennis, of Garfield avenue, are visiting with Mr. and Mrs. Nelson Watts, of Miami, Fla., formerly of Palmyra.

Mrs. George Daddino, of West Broad street, was last week's winner in the Sacred Heart P.T.A. merchandise club.

The River Town Ladies' Club will hold its weekly card party today (Thursday) at 2 o'clock at the K.G.E. Hall, Riverside. Mrs. Noe will serve as hostess.

Mrs. F. P. Coddington, of Cinnamon street, is spending the week at Margate City.

Mrs. J. P. Reese, of Elm terrace, is visiting Mr. and Mrs. Walter Moyer at Locust Bluff, near Millington, Maryland.

Mr. and Mrs. DeVer K. Warner will spend the week-end and remain over Labor Day with Mr. and Mrs. Gorham P. Sargent at their cottage, "The Blue Spruce," Bass Rocks, Massachusetts.

Fred C. and William H. P. Langenberg, of 201 Fourth street, have returned from Camp Onondaga, Long Lake, N. Y., where they spent the summer. Both boys are proudly displaying the many medals they won.

TOWNSHIP OF CINNAMINSON

NOTICE

NOTICE IS HEREBY GIVEN that The Township of Cinnamon in the County of Burlington, State of New Jersey, on TUESDAY, SEPTEMBER 10, 1940, at 7:30 o'clock in the evening, (Standard Time), in the Cinnamon Public School, situated on the Moorestown-Riverton Road at the intersection of the Pomona Road, in the Township of Cinnamon, Burlington County, New Jersey, will sell at public sale, upon the following terms, all that certain parcel of land (hereinafter referred to as the property) situated in the said Township on the Southern side of Culbert Road and being lot numbered 159 on a map entitled "Palmyra Extension Adjoining Palmyra, N. J." dated April, 1926, and filed in the office of the County Clerk of the said County of Burlington.

TERMS OF SALE

1. Said property will be sold to the highest bidder therefor, but not for less than \$106.00, or no bid less than said amount will be received.

2. The purchaser shall, immediately upon the acceptance of his bid, pay 25% of the amount thereof in cash to the Township; and in the event of the failure of the bidder to make such payment, the property will immediately be again offered for sale as if such bid had not been made.

3. The balance of the amount of the accepted bid shall be paid in cash to the Township, within thirty days after the date of the sale, at the office of the Township Treasurer, and upon receipt of such payment, the Township will deliver to the purchaser a special warranty deed conveying the property in fee simple, subject, however, to the usual building and use restrictions which are heretofore made by the said Township for lots shown on the said map of Palmyra Extension.

4. The title conveyed by the Township to the purchaser shall be free and clear of all taxes, assessments and other municipal liens up to and including the year 1940.

5. In the event that the purchaser should fail or refuse to pay the balance of the amount of the accepted bid and accept a deed of conveyance of the property in accordance with the terms of sale, the property shall be resold, (with or without a fixed minimum price, as the Township Committee may determine), and the amount of the deficiency, if any, shall be deducted from the initial payment made by the first purchaser and shall be retained by the Township.

By order of the Township Committee of The Township of Cinnamon in the County of Burlington.

HAROLD R. WEST, Township Clerk.
Dated August 28, 1940.
8-29 to 9-5-40

OBITUARIES

JOHN F. WERRBACH, Sr.

John F. Werrbach, of 1011 Garfield avenue, died on Sunday, August 25.

Funeral services were held on Wednesday at 2 p.m. from the Snover Funeral Home, the Rev. H. L. Rowe officiating.

Interment was made in Lakeview Memorial Park.

The deceased is survived by his wife Elizabeth, and two sons, John and Edward.

He was employed at the J. T. Evans Co. for more than 20 years.

ELLA F. LLOYD

Ella F. Lloyd, of 411 Garfield avenue, died on Tuesday, August 27.

Funeral services will be held on Friday at 1:30 p.m. from the Snover Funeral Home, the Rev. H. L. Rowe officiating.

Interment will be made in Forest Hills Cemetery, Somerset, Pa.

The deceased is survived by her daughter, Mrs. Emily Smith, with whom she made her home.

ASK INSTRUCTION

According to information received yesterday, a petition will be presented to the Palmyra Board of Education this (Thursday) evening requesting that a work room be established at the high school where evening classes can be held for young and old giving instruction in various trades and occupations that will enable residents to qualify for national defense work.

It is reported that there are 200 signatures on the petition.

YOUR GARDEN

WHAT TO DO THIS WEEK

By A. C. McLean
Extension Service, N. J. College of Agriculture

Now is the time to get the garden ready for the fall season. This calls for a general garden clean-up, and secondly for attention to individual plants.

Roses should receive an application of fertilizer now, fertilizer containing not too much nitrogen. As roses are no longer injured by Japanese beetles, for this year at least, they should make good strong growth before frost, especially if given a little extra encouragement. Very often New Jersey gardeners obtain the best bloom from roses in September and October.

If chrysanthemums in the garden are getting tall, staking should be done without further delay, otherwise fall rains will beat the plants down. Although dahlias should have been cut back earlier, it is not too late to do it if they, too, have become somewhat leggy. Remove the superfluous buds as they are formed, leaving only crown buds to produce flowers. A little extra fertilizer often does dahlias good at this time of year.

Geraniums

Geraniums and other plants intended for the house this winter should be lifted now, repotted, and the pots sunk in the ground so that they make good root growth before the time comes to bring them into the house. Cuttings of such plants as lantanas may also be taken now and rooted in sand. Both lantanas and verbenas may be saved for next year by potting up choice specimens now and rooting cuttings from them later inside for planting outdoors next spring.

As soon as those fall bulbs you order arrive, they may be planted. Seed of annual delphiniums or larkspurs, cornflowers, annual coreopsis, and poppies should be ordered now, but not planted until the middle or latter part of September.

Although peonies generally benefit from fall planting, be sure the foliage ripens somewhat before this task is undertaken. When purchasing divisions or clumps, be sure the buds are stout and healthy and capable of producing good blooms next year. If the weather is dry soak the plants thoroughly when planting is finished.

MANY DRIVERS
LOSE LICENSES

Motor Vehicle Commissioner Arthur W. Magee announced today that 5,185 drivers had their licenses revoked during the first six months of the year, an increase of 11 per cent over the same period of 1939.

Included in the list were 591 drunken drivers and 488 habitual violators. The latter classification more than doubled. These were drivers who had been more than twice convicted of moving violations of the traffic act or who had been involved in more than two accidents for which responsible.

Habitual violators lose their licenses for indefinite periods and are not eligible for restoration of the driving privilege until assuming a healthier attitude toward their responsibilities as drivers, Commissioner Magee said.

Also included in the list of revocation causes were 324 drivers who failed to appear before magistrates in answer to summons.

Two Year Record

Following is a two year comparison of revocation causes for the first six months:

	1940	1939
Driving while intoxicated	591	594
Reckless driving	192	182
Speeding	157	183
Fatal accidents	122	105
Obtaining license while on revoked list	36	18
Habitual violators	488	209
Failure to appear	324	259
Failure to pay fines	38	34
Leaving scene of accident	35	23
Misstatement on application for license	4	23
Larceny and record and driving without consent	71	73
Defective vision	11	4
Physically or mentally unfit	57	50
Fraud at examination	16	18

COMPLAINTS ON

long as some motorists give hitch-hikers a lift, so long will this form of parasite continue to thrive," he said. "Motorists, have it well within their own power to squelch the hiker. Unanimous refusal of drivers to pick up the ride moochers would soon put an end to the practice. There is no reason why the tax-burdened motorist should feel under any obligation to give transportation to any ride beggar who makes the request with a jerk of the thumb. The hitch-hiker who confidently waggles his thumb at a motorist wouldn't avoid them, and crashes with ap-think of getting a ride on a street car or train by the same means, because he knows it wouldn't work."

Warning is given by the club that motorists frequently have been repaid for their kindness "with a clout on the back of the head and robbed of car or money." Others have found themselves defendants in damage suits because of injury to the self-invited guests. Aside from these serious considerations, motorists are jeopardized by the appearance of the hikers on the highways. Cars often are forced to swerve sharply to avoid them, and crashes with approaching vehicles sometimes result.

COMMENT

President Roosevelt has informed the newspapermen at Hyde Park, New York, that he is too busy to debate with Mr. Wilkie, the Republican candidate, the all-important issues of the Presidential campaign. This announcement may well cause one to ask just what the President is doing that makes him too preoccupied to discuss the important matters that are now up for discussion. It is true that the war situation in Europe is critical. But, despite all the hysteria that is spread abroad by those who are seeking to turn the minds of the American public from domestic issues, the situation is no more critical than it has been for some time past. The President has not been too busy to take vacations during the past few months when occasion warranted it and he thought he needed a rest. There is no evidence that we are about to be attacked either by Japan or by Germany.

Just why then, is the President too busy at this time to debate with Wendell Wilkie? If it is a matter of inspecting the national defenses then there are many military and naval men who can do it much better than the President, because they know what it is all about. For seven and a half years, Mr. Roosevelt was not too busy to make radio speeches, and do vacationing. It is true that our defenses were allowed to lapse during this time, but certainly the crisis just now is not so great that neglected defense requires all the personal attention of the President.

It is true that Mr. Roosevelt is the President now of 130,000,000 people, Republicans and Democrats alike. But the Presidential election which comes about every four years has not been suspended. There are many grave questions up for consideration. These embrace not only military armaments, and the President could well give over the details to men who know a great deal more about military affairs than he, but they involve also our economic defenses. And these are important too. Because if the present spending spree is continued, without adequate preparation for meeting this expense, then we are going to slip into a totalitarian form of government.

Furthermore, there is the question of the third term. Far greater Presidents than Mr. Roosevelt, who had crises to meet when the country was much poorer and weaker than now, were satisfied with two terms. As yet, a great many of us are not convinced that the danger is so im-

Estate of Emilie Kendall Archer, Deceased.

Notice is hereby given that an order has been made by George B. Bittig, Surrogate of the County of Burlington, bearing date the 15th day of August, 1940, upon application of the subscriber, Executor, requiring the creditors of Emilie Kendall Archer, late of the County of Burlington, deceased, to bring in their claims against the estate of the said decedent, under oath or affirmation, on or before February 16, 1941, or they will be barred of any action therefor against the said Executor.

KATHARINE S. A. ZIEBER, Executor.

Prorator: Geo. Howard Walton.

Dated: August 16, 1940.

B-22 to 9-19-40

BURLINGTON COUNTY CIRCUIT COURT

C. H. Haines & Sons, Inc.

Plaintiff, In Attachment.

Vs. On Contract

Henry H. Haines, Defendant. NOTICE OF ATTACHMENT

Notice is hereby given that a Writ of Attachment at the suit of C. H. Haines & Sons, Inc. against the rights and credits, moneys and effects, goods and chattels, lands and tenements of Henry H. Haines, for the sum of FIVE HUNDRED DOLLARS, (\$500.00), issued out of the Burlington County Circuit Court on the sixth day of July, 1940, returnable on the second day of August, 1940, has been served and duly executed and was returned on the thirteenth day of July, 1940, by the Sheriff of Burlington County.

Dated, August 23rd, 1940.

PALMER L. ADAMS, Clerk.

CURRY & FURNELL, Attorneys.

8-29 to 9-19-40

ment now that we should break our established tradition and give Mr. Roosevelt more time in the White House than was accorded men like Washington, Jefferson, Jackson and Lincoln. Nor are we entirely convinced that Mr. Roosevelt is the only man in the country big enough wise enough, or efficient enough, to pilot us through the next four years.

At any rate, Mr. Roosevelt is the candidate of the New Deal party as well as the President of the United States. He is seeking an unprecedented third term on a record whose efficiency does not justify such an unusual political triumph. He should not be too busy looking over training camps to be able to discuss the all-important issues of this campaign year.

TENNIS TOURNAMENT

J. Russell Jermon, who is seeded No. 4, in the Palmyra Tennis Club tournament advanced to his second round by defeating Fred Wiggins over the weekend, while an upset was created by Jack Hannum when he defeated Sidney White, also seeded in the tournament.

All first round matches must be played by midnight tonight and second rounds by Monday night. The finals are expected to take place on Saturday, September 7, weather permitting, at the local courts.

Results of the first rounds are: (Winner listed first) J. Russell Jermon-Fred Wiggins, 6-4, 6-2. Jack Hannum-Sidney White, 0-5, 6-2, 7-5. E. Coates-E. Jones, 7-5, 6-1. W. Munroe-H. Deemer, Sr., 7-5, 6-4. C.

W. Snyder-J. Ballantyne, 6-0, 6-2. J. Dietz-W. Schmeier, 4-6, 6-4, 6-4. R. Cannon-B. Wood, 6-3, 2-6, 6-4. W. McCamy-D. Kitchen, 6-1, 6-0. E. Stone-H. Deemer, Jr., 6-0, 6-0. R. Deemer-W. Turner, 6-2, 6-3.

All the girls who are entered in the tournament are requested to get their second round played off over this weekend.

Don West, of Palmyra, defeated Jack Pfeiffer, also of Palmyra, in the Burlington County Tennis Tournament 6-2, 6-1, to advance to the quarter-finals. Carl Johnson, of Roebing, set back George Hagstoz, of Riverton, in the second round 6-1, 6-8, 6-4.

SOFTBALL SERIES IS CALLED OFF

The championship series in the Memorial Park Softball League has been called off, largely because of the inability of the two teams, the Firemen and Dawley to agree on playing dates.

The original schedule called for a five games series to be played on successive nights, but for one reason or another this failed to work out. Only two engagements were held, Dawley taking the first conflict, while the Firemen annexed the verdict last Thursday night by the score of 4-2.

Interest during the entire season, especially on the part of the spectators was at a low ebb and it is doubtful if the circuit will exist another year.

year. In addition, other activities have interfered with two teams having full strength on the field at various times.

WIN AT SHORE

B. R. Shoemaker, of Riverton, won the Duster event at Stone Harbor last Saturday afternoon. Several local skippers were entered in this event.

Riverton Yacht Club members also participated in the Comet class event, with Edward K. Merrill, Phil Somerville and Howard Lippincott finishing among the leaders.

THINGS TO WATCH FOR

A combination pocket mirror and miniature flashlight for milady's pocketbook. It makes now powdering easier at night. . . . Now on the market is an automatic blueprinting machine which is said to turn out in an hour as many blueprints as are turned out in a day by present production methods. . . . A "cold" locker for home or small store; sub-zero temperatures are maintained at a cost of only a dollar a month, enabling housewives to quick freeze and keep a streamlined "barrel of food" on tap. . . . With the coming of stratoliners (airplanes that travel at high altitudes), a pen company has brought out a fountain pen that will not burst at high altitudes. . . . Seedless vegetables. Experiments in the University of Michigan laboratories reveal that progress is being made in this direction with peppers, squash, cucumbers and tomatoes.

The Major Objectives of Sound Bank Management

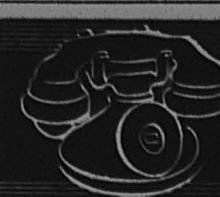

THE FOUR broad objectives toward which the management of this bank constantly strives are:

1. To accept and safeguard the funds of depositors and to be prepared to meet promptly and fully the demands of depositors for their funds when they desire them.
2. To make the bank useful in the business and financial development of the community by offering a complete and well-rounded banking service, and to satisfy all sound credit needs.
3. To operate at a reasonable profit to enable the bank to build up reserves and surplus for the protection of depositors and stockholders, and to reimburse the stockholders for the use of the capital which they invested in the bank.
4. To give personnel good working conditions, an opportunity to better themselves, and adequate compensation for their services.

RED CROSS NEWS

(Continued from Page 1)

been received and will be distributed after Labor Day. All requests for wool and all questions concerning the work will please be made to Mrs. Filson Graff, call Riverton 99-J.

The need is growing, and the destitution in Europe this winter will be appalling. It is the earnest request of the Committee that all who have helped will continue their efforts, and that many others will join the ranks of the workers.

AT GIBBS SCHOOL

Miss D. Lenore Hayward, Elm terrace and Midway, Riverton, has registered at the Katharine Gibbs School in Boston for the coming year. Miss Hayward will begin her secretarial training in September.

LANDGRAF—SORDON

The marriage of Miss Eleanor Dorothy Sordon, daughter of Mr. and Mrs. Howard D. Sordon, of Riverton, and Carl F. Landgraf, son of Mr. and Mrs. Charles Landgraf, of Palmyra, will take place on Saturday, August 31, at 6.30 o'clock in the Calvary Presbyterian Church, Riverton. The Rev. Dr. Carl Miller, of Delanco, will perform the ceremony.

Miss Virginia Rogers, of Merchantville, will be maid of honor and only attendant to the bride.

Richard Landgraf will be his brother's best man. Edward P. Sordon, and John Landgraf, brothers of

TOWN HALL PASSED

The new municipal home for Palmyra's official family became a reality when the ordinance authorizing the purchase and renovation of Society Hall passed third and final reading without opposition at a special meeting held Tuesday night.

With complete interior renovation and brick veneering on the outside the new municipal hall will serve a very useful purpose and present a decided improvement in Palmyra's business section.

BALL SCHOOL COMING

Mayor John F. Ward, of Palmyra, announced that verbal assurances have been given by Atlantic Refining Company officials that the very popular baseball school conducted by that company will be held on the Palmyra municipal field next season.

the bride and groom respectively, will serve as ushers.

A small reception for the immediate families and the bridal party will follow the ceremony.

149 Government Positions

100 positions paying more than \$100 a month each were received by Strayer trained students during the past eleven months. During the same time, 49 other Strayer trained students obtained good permanent business positions. Send for booklet or call.

WE'RE CLEANED OUT!

the last of
165 new Oldsmobiles
WAS SOLD THIS WEEK

The public acceptance of the 1940 models was very gratifying to us, and we take this means of expressing our appreciation to the many local buyers. Within a very short time the curtain will rise on the 1941 product, which we are sure will have many new important features and added values.

In the short time left it will be necessary for us to clear the decks of our present Used Car stock. We are giving special attention to the reconditioning of these cars and have reduced them to strictly bargain levels.

If You're Looking for a Car... Look Here FIRST

Remember This Ratio—1 to 9

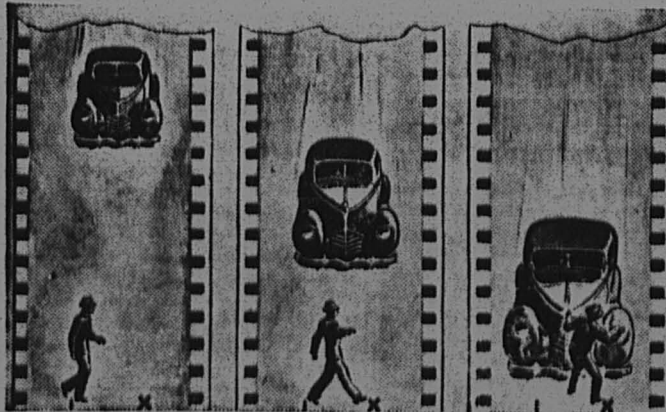

While a pedestrian takes one step and advances one yard, an automobile driven at a mere 30 miles an hour advances nine yards.

This is simple arithmetic, says "Smash Hits of the Year," latest booklet published by The Travelers in its safety crusade, but

few persons stop to realize it. It is especially true that adults who have never learned to drive have little or no conception of the vast differences between walking speeds and vehicle speeds.

The simulated movie strip below shows what is likely to happen when a walker underestimates the speed of an approaching car.
