BIG PARADE HERE ON MAY 17

Final arrangements are being made for a huge county-wide observance of "I Am an American Day" in Palmyra, on Sunday, May 17, according to James P. Hughes, of Palmyra, who heads the county committee in charge of the day's program.

Present plans call for a street parade starting at 2 o'clock, with the exercises to be held at 3 p.m. in the Palmyra High School stadium, which has a seating capacity of 3,000.

Mr. Hughes states that the parade will probably be the largest ever held in the riverfront town since invitations have been extended this year to all civilian defense units in the county and a large number are expected to send delegations.

Others to March

Also invited to participate are the cadet corps and bands from Bordentown Military Institute, Bordentown Industrial School, Boy Scouts, American Legion, Red Cross Units, Girl Scouts, State Colony Band, St. Peter's Cadets, of Riverside, Mt. Holly Boy's Band, Palmyra High School Band, Palmyra High School Girls' Drum and Bugle Corps, Palmyra Cadet Drum and Bugle Corps, in addition to units from various civic and patriotic organizations and the various fire companies of the county.

Palmer L. Adams, clerk of Burlington county, will be the marshal of the parade.

Program at Stadium

The program at the stadium will be in charge of Mr. Hughes, with greetings by Mayor John F. Ward, of Palmyra. In addition to Judge Frank A. Hendrickson, of Mt. Holly, the committee is arranging to have two other prominent speakers.

There will be several musical numbers and group singing by the audience.

The committee in charge of the program, in addition to Mr. Hughes, includes the following: Miss Jane B. Burr, D.A.R. Regent, of Burlington; Mrs. G. L. Nelson, Red Cross, Mt. Holly; Mrs. G. M. Rogers, Mt. Holly; Mrs. R. W. Wills, Colonial Dames, Mt. Holly; Mrs. H. V. Harter, Pemberton; J. O. Adams, Moorestown; Rev. James Rendall, Burlington County Red Cross Chairman, Beverly; and the following from Palmyra and Riverton: George M. Durgin, Palmer L. Adams, Mayor John F. Ward, Commander James B. Ryan, J. Russell Musser, Leslie W. Reeves, Paul R. Jones and F. W. Metzger.

The Porch Club

The closing event of the year at the Club will take place next Tuesday, May 12th when the Garden Section, Mrs. Carvel Sparks, chairman, has arranged a tour of the gardens of the former Bonaparte estate, now St. Joseph's Mission, in Bordentown. There will also be an inspection of the mansion. Those wishing to take advantage of this unusual opportunity please be at the gate of the estate at 2 o'clock. If cars are not available the Trenton bus goes past the entrance and meeting place.

The final monthly and the annual business meetings of the Club were held on Tuesday morning, May 5th. After the usual committee reports the resignation of the president, Mrs. Francis B. Elwell, was accepted with regrets. Mrs. Stewart A. Borger, first vice president, was appointed to fill the unexpired term of Mrs. Elwell for one year.

Mrs. Joseph L. Thomas, a former president, on behalf of the Club, presented Mrs. Elwell with an engraved silver dish in token of its appreciation of her sincere and inspiring guidance of the last three years.

After a box luncheon, the various

ASSISTANCE ON FILLING OUT QUESTIONNAIRES

Officials of Local Draft Board No. 1, of Palmyra, state that the advisory board meets on Tuesday and Wednesday evenings of each week in the Legion Home, Palmyra, between the hours of 7:30 and 9:00 p.m. to give assistance in filling out questionnaires.

Those who have difficulty in preparing their industrial questionnaires are asked to come to the home on those evenings, when necessary aid will be given.

YOUTH WEEK

Headed by the Rotary Club, which held its dinner meeting at the Community Center on Thursday last, a capacity audience attended one of the numerous events scheduled at the Center during the three weeks devoted to youth activities throughout the nation. The program was directed by Earl B. Whitcraft, director of the Community Center project, who outlined the history and development of the movement in a brief speech to the Rotarians.

The following program held the interested attention of the audience until the last event had been finished: Talk—"This is our Youth Center," Earl Whitcraft.

Youth Sings—High School Glee Club, High School Colored Girls Ensemble, directed by Miss Dorothy Diener.

Youth Dances—Folk Dancing and Tumbling—Girls, directed by Miss Mattison.

Youth Plays—Boxing Bouts, Ping Pong Exhibition by Ruth Yerkes and Sid White.

Youth Groups Perform—First Aid, Troop 5, A. B. Branson; Signaling and Tower Building, G. Weigand and Dr. Hayes Brady.

Youth Discusses Aviation—Herbert Brooks, John Noone.

Youth Jitterbugs—Contest to crown King and Queen.

The variety of the events scheduled showed the townspeople of the three communities in attendance how diversified are the fields of interest at the Center for both young persons and adults. Favorable comments were heard on all sides as to the value of such an enterprise to this area.

Kiddies' Affair

This (Thursday) evening at 7:30, at the Center, the Evening Section of the Palmyra Woman's Club will entertain the small children from the Palmyra Kindergarten, 1st, 2nd and 3rd grades. Tickets will be issued without charge; no child will be permitted to enter unless he first presents a pass.

No parents will be allowed to accompany the children but are requested to call for them at 9:15 p.m.

A unique program has been arranged by Mrs. Catherine Kreps, chairman. She will be assisted by Marie Lutz, Adelaide Weber, Sara Bartholemew, Jean Davis and Marie Reeves. This program will consist of the following:

"The More You See the Less you Know."

"3 reels of comedies shown by Melvin Kreps (machines kindly loaned through courtesy of the Palmyra Board of Education.)"

Refreshments.

Hobby Show

This event will be held at the Community Center on Friday, May 15, from 7 to 11 p.m., under the direction of the Phalanx.

The Committee is composed of Dr. Hayes B. Brady, Chairman; Harold Foulk, Henry DeHoll, Thomas Corson and Leon Guest.

The various divisions are as follows:

A—Natural History

B—Money

C—Stamps

D—Miscellaneous

E—Archaeology & History

TERMITES DAMAGING RIVERTON PUBLIC SCHOOL

At the meeting of the Riverton Board of Education held on Monday night of this week, Robert G. Adams, chairman of the property committee reported that termites had infested parts of the building on the first floor, in the vicinity of the kindergarten and first and second grade rooms. He stated that an examination by experts had definitely revealed the presence of the insects.

The Terminix Company submitted a proposal to immunize this part of the building against further attacks for the sum of \$383, the work being guaranteed for five years. The matter was referred to the property committee for further investigation.

Bids for next winter's supply of coal were received from the J. T. Evans Co., H. B. Williams and J. S. Collins & Son, Inc. These were referred to the property committee for tabulation and recommendation.

GASOLINE RATION

Close to 3,000,000 gasoline ration cards are now in the custody of County Clerks throughout the State in readiness for distribution to New Jersey motorists next Tuesday, Wednesday and Thursday (May 12, 13 and 14), it was announced by the State Rationing Administration.

Civilian registration for gasoline rationing will follow very much the same plan used for sugar rationing this week, rationing officials indicated. Public schools will be used for registration sites, and school teachers will act as registrars.

Five types of gasoline ration cards will be distributed as follows:

Card A: This is the basic ration card for all car-owners. It contains provision for the purchase of seven "ration units" of gasoline during the six and a half week period from May 15 to June 30. The average car-owner who does not use his car for business or to drive to work will receive Card A without the necessity of filling out any application forms whatever.

Card B: There are three "B" cards: B-1 with 11 "ration units," B-2 with 15 "ration units," and B-3 with 19 "ration units." These will be given on the basis of the distance the applicant must drive to get to work, or to carry on his business. Applicants for B cards must fill out an application form and state the distance they must travel to and from work.

Card X: This permits the holder to purchase as much gasoline as he needs. It will be given only to physicians, surgeons, nurses, osteopaths, chiropractors, veterinarians, ministers, government agencies, ambulances, hearses, taxis, buses, and truck and delivery cars.

Washington has not yet announced how many gallons of gasoline will constitute a "ration unit."

Farmers will be required to register for ration cards for their passenger cars, but will not need to register for gasoline to operate farm machinery. When gasoline is purchased by farmers for non-highway use, the purchaser will fill out a certificate which the gasoline dealer will supply him at the time of the purchase.

Local registration will take place in Palmyra, Riverton and Cinnaminson at the schools where residents registered for sugar. The hours each day, unless a change in plans is made are from 4 to 9 p.m.

Residents whose names begin with the following letters will register on:

May 12—A to G.

May 13—H to P.

May 14—Q to Z.

Those in Palmyra living south of the railroad register at the Spring Garden Street School, north of the railroad at the Delaware Avenue School.

A person applying for a ration card must bring the motor vehicle registration card for the vehicle for which he is making application.

HEAVY DAMAGE AT TAYLOR FARM

Damage amounting to many thousands of dollars was caused at the farm of Howard Taylor, off River road, Cinnaminson, on Sunday afternoon, when fire completely destroyed a large barn and a series of other structures immediately adjacent. Firemen from East Riverton, Riverton, Parry, Riverside Park and Riverside responded to a series of alarms and remained on the scene for over three hours.

The fire broke out at 3.45 in the cal of a truck that was housed in a shed which adjoined the main barn, the cause being unknown. Pending the arrival of the fire apparatus, members of the Taylor family fought the blaze with hand extinguishers, but were unable to bring it under control.

Spread Rapidly

The flames spread rapidly through the rambling building and soon the entire area was completely enveloped, but not before all livestock had been removed to safety.

Two pumpers managed to drive through the curtain of fire to the river where they were able to draught water for six lines of hose that were played on the fire and used to wet down nearby buildings. The quarters of the Delran Yacht Club became ignited several times, but prompt action prevented any considerable damage.

Heavy Loss

In addition to the buildings, the loss included several tons of fertilizers and insecticides, apple packing equipment, a quantity of hay and a wide variety of farm machinery. Fortunately Mr. Taylor's tractor and sprayer were out of the barn at the time of the blaze.

Firemen were recalled to the scene Monday to wet down the debris which smoldered for many hours.

The huge column of smoke and fire attracted hundreds of motorists to the scene and roads leading to the farm were jammed with cars.

Cinnaminson Home Not To Have Benefit Supper

At the monthly meeting of the board of managers of the Cinnaminson Home, after careful deliberation it was decided that, due to the war emergency, the open house and benefit supper would not be held as planned.

The managers appreciate the interest and help of their friends in the past and hope for their continued support, without which the fine work and high standards of the Home could not be maintained.

For more than 50 years the Cinnaminson Home has been of service to hundreds of convalescent women and children, many of whom could not otherwise resume their normal way of life.

The Home is not supported by a State appropriation and is entirely dependent on the generosity of its contributors. It is, therefore, with deep regret that the managers feel they must give up the opportunity of a Benefit for the Home now, in order to fulfill their duty as citizens in this time of stress.

The board wishes to extend a cordial invitation to interested friends to visit the Home at any time, where the staff will be most happy to welcome them.

The "Juice Department" is the designation given the Department of Electrical Engineering at the U. S. Naval Academy.

AS I SEE IT

By FRANK LEE SAYID

The word "complacency" stems from the Latin and so may hardly be considered something so new as to attract writers and speakers to the extent we have been hearing it in recent months. Whenever ideas run out someone steps up and tells us we are "complacent." It begins to make us weary.

Where are all these complacent people? Certainly not among those who are daily answering the call to the armed services. Certainly not those who are prayerfully serving their God. Certainly not those who are waiting their time and meanwhile putting their shoulders to the wheel.

For every care-free worker squandering his new-found wealth you can find ten pouring their energy into long hard days of toil—toil with a serious purpose that is never forgotten. Nor will you find complacency among those who see their business joining the thousands of dislocated enterprises throughout the land or their jobs in daily jeopardy.

Mounting taxes, rising costs of living, threats of inflation, shortages, rationing, disruption of normal life in a thousand ways—these things do not make for complacency. The plain fact is there is no complacency in a widespread sense. What passes for complacency is a spirit of waiting to be told what to do, when and how to do it—and it results from a long education in the doctrine "Washington will do your thinking."

People are anxious, uncertain, apprehensive—patiently waiting for the charted course but meanwhile clinging to as normal a life as they can muster. Why should they not? Wringing hands and living the war through every waking minute contribute nothing but shattered nerves. The slur and rebuke that attaches to the word complacency is however tempered, if the user cares to verify it in the dictionary, by a second definition, "disposition to please." So if we are indeed complacent it is because of that disposition to please—that standing by, ready to jump into whatever breach that is marked for service.

We think the average American is in just that position. He believes if he is needed, in a new specific way, he will recognize the call. He sees the prospect of broad changes in his "way of life." He used to talk most of preserving his way of life. Now he is afraid that, on the material side, he is not going to be able to preserve it anyhow, but he is all the more sure he is going to hold on to those things which, outlined in the first ten amendments to the Constitution, comprise his Bill of Rights.

So with forebodings in the back of his mind, he clings to the familiar pattern of things as they were. But he stands ready for whatever stern duty lies ahead and he expects his government not only to tell him what it is but why it is necessary. He has listened to many generalities but heard very few details—and many of these have been contradictory. Among us there will be found selfishness, greed and other base qualities common to mankind, but banish the thought that these qualities dominate America today. America is not complacent about this war.

INFORMATION CENTERS ARE NEEDED LOCALLY

At a recent meeting of the Palmyra Defense Council, a report of the Regional Defense Council session was made to the group by Rex McCrosson who emphasized that it was urgent that information centers be set up in various neighborhoods in case of daylight air-raids.

Nearly all preparations and precautions so far taken have been for night air-raids, but centers must be established where heads of families, who are away at work during the day can find out about the whereabouts of their families in case they were evacuated because of bombs in their neighborhood.

Plans are already being made to meet this emergency.

A well known admiral once said—a battle ship is called "she" because she rests better on the heart of a swell.

RED CROSS NEWS

Everyone realizes we must be "all out for victory," and not least among all the efforts is the Red Cross Sewing. During the winter the response was excellent, but Spring has lured many afield and the sewing has piled up.

There are skirts and dresses which should be finished now, but this cannot be accomplished unless enough workers come to the school on the regular sewing days—the second and fourth Mondays of each month.

Make next Monday a banner day for attendance. It is not likely that the sewing will continue through the Summer, so lend your services to finish the present allotment of work as quickly as possible.

A Call for Blood Donors
The government is asking for thousands of units of human blood a month to be used in transfusions to save the lives of soldiers, sailors and civilians suffering from shock following injuries, hemorrhage or burns.

Will you contribute to this great need?
The Medical Unit will come to Riverton on Wednesday, June 3. Call Mrs. David Gould, Riv. 901 for full particulars or mail her a post card saying you will contribute.

The regular monthly meeting of the Burlington County Chapter of the American Red Cross will be held in St. Mary's Guild House in Burlington on May 12, at 2:00 p.m. All committee and department chairmen are asked to attend and all members of the Red Cross are welcome. The Chapter is very eager to have more people attend these meetings, so if you can go call Mrs. Nathan Lane, local chairman, and transportation will be arranged.

BIRTH
Mr. and Mrs. Arthur Terrell, of Palmyra, are receiving congratulations on the birth of a son, Arthur Dennis, on Wednesday of last week in Zuerbrugg Memorial Hospital, Riverside. Mrs. Terrell will be remembered as the former Jean Smalley, of Riverton.

The Navy's new hospital ship, Solace, can carry nine month's supply of food.

McCAY-STANG
Miss Grace M. Stang, daughter of Mrs. Louis P. Stang, of Tunkhannock, Pa., became the bride of Albert McCay, of Palmyra, at a four o'clock ceremony in St. James Methodist Church, Olney, on Saturday, May 2.

The bride chose a gown of bluish satin and a fingertip veil of tulle. Her bouquet was of white roses and lilies of the valley.

Mrs. Arthur N. Palmer, of Palmyra, was her sister's matron of honor and Miss Helen Nyce, of Media, Pa., served as maid of honor. Miss Helen Essig, of Doylestown, Pa., attended Miss Stang as bridesmaid. They all appeared in similar frocks of silk jersey. Mrs. Palmer in aqua, Miss Nyce in pink coral and Miss Essig in apricot, and wore fresh roses in their hair.

Mr. Palmer served as best man. Following a reception at the Palmyra Woman's Club, the couple left for a wedding trip.

Mr. and Mrs. McCay will reside in Palmyra.

MCCURDY-BAKER
Mr. and Mrs. George H. Baker, of 615 Elm terrace, Riverton, announce the marriage of their daughter, Miss Betty Virginia Baker, to Robert G. McCurdy, son of Mr. and Mrs. Robert McCurdy, of Bridgeboro, on Thursday, April 30, in Camden.

The ceremony was performed by the Rev. William A. Boyd, pastor of the First Methodist Church, Camden.

CINNAMINSON SCHOOL NEWS
An exhibition of the School Activities will be held in the Auditorium of School No. 2, Friday evening, May 8, at 8:00 o'clock. A cordial invitation is extended to all parents and friends.

Due to the extra work required of the schools under the present National Emergency, we are combining our Exhibition and May Day exercises. Refreshments will be sold at the rear of the auditorium at the close of the program.

You are invited to visit the manual training and domestic science rooms.

HONOR ROLL

The following is a partial list of the men from Riverton and Cinnamonson, who are serving in the armed forces of the United States. The New Era asks that relatives of men who have been omitted from the Honor Roll communicate with this newspaper so that the roster can be made complete.

The New Era is being mailed free to all men in the service through the cooperation of the local Junior Chamber of Commerce and all changes of address should be sent to Robert May, 519 Maple avenue, Palmyra, who has charge of this project.

Members of the club are Mabel James, Malinda Ransom, Ethel Turner, Elsie Johnson, Rheba Ross, Lula Mae Johnson, Beatrice Murray, Helen Williams and Dorothy Hous-ton, president.

RIVERTON TAKES BOTH OPENING LEAGUE GAMES
Riverton A. A. started the baseball season in an auspicious manner over the past week-end when the locals took a pair of decisions at Memorial Park, winning Saturday 14-6 over Bordentown and downing Roeboling Sunday by the score of 6-5.

Rohloff and Van Emburgh divided the hurling chores for Riverton in the Saturday affair, allowing only six hits. Diefenbaugh, latest acquisition to the mound staff, worked on Sunday.

In the Saturday fracas the home guard collected 15 hits, with Williams, Sutters, Bacon and Schneider getting two apiece. Walton and Diefenbaugh each annexed a brace of bingles on Sunday.

The two wins gave the Riverton tossers top standing in the county league and showed the fans that some good baseball is in store for them this year.

NUTRITION TALK AND HOBBY SHOW AT PTA
A food demonstration by Mrs. Madeline Tilghman of the Interstate Dairy Council and a display of various hobbies were highlights of the April meeting of Phyllis Wheatley PTA of Cinnamonson School.

Having been introduced by Mrs. Eleanor J. Young, principal of the school, Mrs. Tilghman opened her discussion by giving figures which show the necessity for Americans to check up on their food habits.

Points stressed were the necessity for a balanced diet, careful scientific preparation of food and a constant checking to see that meals are suited to the individual needs of members of the household. Deficiencies of certain food elements lead to weaknesses and often illness therefore it is vital to National defense that we check up on our daily habits.

PALMYRA WINS

Palmyra, with Baker on the mound, took its league opener last week from Riverside A. C., the score being 3-2.

Baker, who seems started on another brilliant season, allowed only five hits and fanned 15 of the opposition.

Palmyra scored all of its runs in the fourth frame on some timely hitting by Kemmerle, Swower and Baker.

SPEAKS ON ASIATIC DEVELOPMENTS

A. W. Mishaw was the speaker at the meeting of the local Business and Professional Men's Club on Tuesday of this week, his topic being "The Present Asiatic Situation." The speaker has much first hand knowledge regarding the Far East, having served for a number of years in that part of the world with the U.S. Marine Corps.

Mr. Mishaw traced the development of conditions which led up to the Chinese-Japanese hostilities and showed how Japan had been assisted to a great extent by Fifth column activities that had been carefully planned years in advance.

PALMYRA TAKES NEWARK TITLE

Coach Melvin Kreps, of the Palmyra High School track team took five men to the invitation meet sponsored last Saturday by the Newark Board of Education and the Red and White squad came home with 26.5 points and the title. They won the decision over 20 schools in Group 3 and had the distinction of being the only outfit invited from South Jersey. Springfield was second, two points behind the charges of Coach Kreps.

In addition to winning the title, Palmyra took additional honors when Conwell broke the meet record in the 100-yard dash, covering the distance in 10 seconds flat. The fleet local sprinter also took first place in the 220 and was awarded a trophy for the most meritorious performance in the meet. His time in the latter event was 22.6.

The other big gun in the Palmyra armory was Flournoy who won the honors in the high and low hurdles, his times being 15.9 and 25.6 respectively for these events.

Orlemann took third in the 440, while Smith annexed third place in

OBITUARIES

JOSIAH C. CONWELL

Josiah C. Conwell, 59, of 501 Fifth street, died on Sunday, April 26.

Funeral services were held from the Mt. Zion A.M.E. Church, the Rev. George Mitchell, of Bridgeton, officiating.

Interment was made in Sunset Memorial Park, Pennsauken, under the direction of Franklin T. Walker, Camden.

The deceased is survived by his wife, Ella, and five children, Josiah, Jr., of West Chester, Pa.; Frank R. of Elizabeth, N. J.; Irving A. of Detroit, Michigan; Edward L. and Catherine O. Conwell, of Riverton; two brothers, Samuel H. and Howard Conwell, of Philadelphia; and three grandchildren, Carolyn Anne, Francine Harriet and Kathleen Adelaide Conwell.

Mr. Conwell was a Grand District Deputy of the Masonic Order in the State of New Jersey.

The U.S.S. Delaware, completed in 1911, was the world's first oil burning battleship.

About Town

The many friends of William H. Bottger, clerk of the Riverton Board of Education, will be glad to know that he is rapidly convalescing following an operation at a Philadelphia hospital.

Walter Brickley, popular pro at the Riverton Country Club has resumed his duties following a recent attack of pneumonia.

Mrs. M. Summerscale, of Philadelphia, spent several days this week with her sister, Mrs. Albert Smith, of Broad street.

Miss Mary Kemmerle and Mrs. Margaret Weber, of Ventnor, and Mrs. E. Haughey, of Collingdale, Pa., are guests of Mrs. Albert Smith, of Broad street.

PALMYRA AUXILIARY MEMBERSHIP CAMPAIGN

The yearly membership drive of the Palmyra Branch, Zuercher Memorial Hospital is now under way. Collectors will call for your dues shortly. New members are urgently needed to carry on this work.

Last year this organization purchased two over-bed tables and a heavy duty electric sewing machine for the hospital.

Two groups of five women each have been sewing at the hospital regularly. They have accomplished a great deal of sewing and the work was made easier and more efficient due to your help. We also decorated the nurses' dining hall appropriately at Christmas and Easter.

A cheerful response to the drive for members will enable us to carry on this important project.

BOY SCOUT NEWS

FIRST CALL!

WE believe the traveling public realizes that in time of war the armed forces have first call on the transportation facilities of this country.

Troops move by train. There's no faster, smoother, better way to transport an army.

But it takes a large number of passenger cars to do the job. Both Pullmans and Coaches. So fewer cars are available for civilian travel.

Warfare, however, no longer belongs strictly to the fighting man. Business men must keep production going top speed. That means a greatly increased volume of traffic.

So the railroads face the problem of providing comfortable accommodations for business people from fewer cars. To the best of its ability, Pennsylvania Railroad will provide for everyone. But should you occasionally be inconvenienced—as, for example, be obliged to take an "upper" instead of a private room or a "lower"—we ask that you accept it with patience and understanding. The armed forces come first!

Wednesday, May 13—Ascension Day. The Rev. Albert J. Harko, D.D., pastor, will speak on the theme "Gifts of the Holy Spirit." There will be a special service at 8:00 a.m. in the church. This service deserves the prayers and support of all who love to worship God.

MORAVIAN CHURCH
Palmyra, N. J.
Rev. Albert J. Harko, D.D., pastor
The congregation is preparing to observe another milestone in its history. Organized on May 1, 1865, it will be 76 years old on this date which falls on Sunday this week. The event will be observed by an anniversary service at 8:00 a.m. on Sunday, May 10, at the church. The service will be held in the morning service. More than thirty years of Bishop Harko's life have been spent in the ministry. He was born in the town of Harko, in the province of Ontario, Canada. He was brought to the United States by his parents and was educated in the Christian ministry. Bishop Harko's parents were in the early years of their life were residents of Cinnaminson, from whence they moved to Minneapolis and entered the home mission service of the Moravian Church. Rev. Harko will be speaking at the morning service at 8:00 a.m. There will be an evening service. The Young People, however, will hold their service at 7:15 p.m. as usual.

In reviewing the alarming fact of the startling increase in divorce during the past few years, it was found that the couples involved were not interested in any church or bible school. Unfortunately, where there were children, the lack of home training and parental guidance were particularly noticeable. To keep that interest in home ties and for the tranquility of married life, a good prescription will be found by becoming interested in some church and bible school. There are all de-

Lunch Box with Balanced Rations

Nourishing food and balanced meals for the men working hard on production jobs. Do you realize how important it is that the contents of their lunch boxes be planned and prepared with care? That to appeal to their appetites monotony must be avoided? It's so easy to fall into a routine, making the same kind of sandwiches day after day, but if you plan ahead, just as you plan the family meals, you will find that you can introduce plenty of variety.

If you would like suggestions for lunch box meals, just call our Home Economics Department. We have plenty of packed-lunch recipes which we will be glad to give to you.

Miss Margaret Dunbar, of Palmyra, was maid of honor and Miss Phyllis Fowler, of Glenside, Pa., Miss Jean Stover, of Riverton and Mrs. Neil Frech, of Palmyra, were bridesmaids.

Dr. Thomas McGurl, Jr. was the bridegroom's best man and ushers were Fred Hyatt, Jr., Richard Hyatt and Urie Megahan, Jr.

A reception at Newlin's, in Moorestown, followed the ceremony, after which the couple left for a wedding trip.

Dr. and Mrs. Hyatt will reside at 724 Garfield avenue, Palmyra.

VICTORY GARDENS

By John Perry, P.H.S. Faculty
In the present National emergency many persons are contemplating Victory Gardens to help supplement purchased foods. This is a very worthy and patriotic desire, but a few words of explanation should be given to those persons who intend to rush pell-mell into gardening enterprises.

Gardening has a great value as a form of recreation. In this respect it is a great contributor to national morale and health. In addition the growth of proper plants in a garden may play an important part in the diet of the family. Care should be given that valuable space, time, seeds, fertilizers and soil should not be wasted in trying to grow those crops that can best be produced by farmers already possessing the tools, equipment and skills necessary for the most economic production. In this respect it is urged that gardeners be confined to those vegetables of high vitamin content which are best when eaten fresh from the garden and not those vegetables which when produced in large quantities by farmers can be produced, shipped and stored more economically than is possible by the home gardener.

High Vitamins
Some of these high vitamin vegetables are: tomatoes, lettuce, radishes, string beans, lima beans, carrots, and kohlrabi.
The trouble has been that too many people grow such foods as sweet corn and potatoes which take up too

much space and which generally can be gotten cheaper at the store or farmers stand. Our advice is leave them to the specialists.

Don't attempt to start a garden on land that has been abandoned to rubbish heaps and otherwise used as a dump. If land is to be used as a garden that has not been used before select those places where a luxuriant growth of weeds indicates high fertility.

Persons attempting to start gardens on poor impoverished soil will hinder national food production rather than aid it, by wasting seed and fertilizer that might be used to a better purpose elsewhere.

In Palmyra and vicinity the soil suffers from a lack of organic matter which is necessary to conserve moisture during the hot summer months. It is suggested that persons desiring to increase the organic matter of their garden areas get in touch with Mr. Huyett of the highway department for information on securing sludge from the sewage disposal plant. This is obtainable for the hauling and while not extremely rich in fertilizing value, is extremely beneficial in preventing the leaching away of plant nutrients that is liable to result in sandy soil of the Palmyra type.

Due to the thoroughness of the bacterial action in the processing of this sludge there is no objectionable odor connected with its use.

IMPORTANT NOTICE
TO BUSINESS HOUSES

The following order, which is self-explanatory, has been received by

Edward K. Merrill, chairman of the Riverton Civil Defense Council:
Night lights in stores, gas stations, road stands, etc., must be extinguished when the last person leaves the premises every night unless an outside switch is already installed for your use. When finding lights on and no way of turning them off, and no one on the premises, you should call the proprietor and have him come to the premises and turn them off. This should be done now—not on blackout night.
Instruct your citizens when going out for the evening not to leave visible lights.

W. Rex McCrosson, Director

PLANS COMPLETE
FOR CELEBRATION

Many patriotic and civic organizations from all sections of Burlington county are expected to participate in the observation of "I Am an American Day" on Sunday, May 17, in Palmyra. This date has been proclaimed by President Roosevelt for the observation of this event and the county celebration will be held at the Palmyra High School stadium, where the exercises will be preceded by a street parade, starting at 2 p.m. Speakers at the stadium will include James P. Hughes, chairman of the occasion; Mayor John F. Ward, of Palmyra; Judge Frank A. Hendrickson; Assemblyman A. Matlack Stackhouse, of Moorestown, and others.

Parade

The parade will form at the American Legion Home, Palmyra, at 1:30 p.m. and will move out promptly at 2 o'clock, headed by Palmer L. Adams, clerk of Burlington county, who will act as marshal.

Organizations that will participate include the governing bodies of various county communities, civil defense units, American Legion, Red Cross, Boy Scouts, Girl Scouts, fire companies, civic and patriotic organizations, service men on furlough, Palmyra High School Band and Bugle Corps, Mt. Holly Band, Four Mile Colony Band, Palmyra Cadet Drum and Bugle Corps and other musical organizations.

The Palmyra Civil Defense Council units are expected to turn out in full force and it is believed that there will be large delegations from the Riverton and Cinnaminson units, in addition to many delegations from other municipalities.

At the Stadium

The ceremonies at the stadium will begin at 3 p.m. and the program will be as follows:

Massing of colors by all color guards in front of stadium.
First verse of "The Star Spangled Banner," by the audience.
Pledge of Allegiance to the Flag—Audience, led by a Boy Scout.

Invocation—By a chaplain.
Musical selection—P.H.S. Girls Drum and Bugle Corps.
Greetings to County—Mayor John Ward of Palmyra.

Musical Selection—a band.
Speech—Judge Hendrickson.
Musical selection—Mt. Holly Junior Cadets.
Speaker—A Matlack Stackhouse.
Musical Selection—By a band.
America—First verse, sung by the audience.

Benediction—By a chaplain.
Line of March
The parade will form in Palmyra, with Scouts on Garfield avenue, facing Broad; Defense units, patriotic organizations on Morgan avenue and fire companies on Highland avenue. Musical units will form in front of the American Legion Home.

The line of march will be as follows: South Broad street to Thomas avenue, left on Thomas at Harrison to Main street, north on Main street to Broad to Race and to the Stadium, where there is ample seating capacity for over 3,000. The route of the procession has been lengthened this year in order to give Rivertonians a better opportunity to view this part of the day's activities.

All citizens are urged to participate in the celebration, either by marching in the parade or by attending the exercises at the stadium.

RIVERTON RATION BOARD
ESTABLISHES OFFICE HOURS

Due to the increased responsibility and amount of work that has been placed upon the Riverton Rationing Board, it has become necessary for the board to set a specified time in which to interview applicants.

Beginning Monday evening, May 18, and every Monday thereafter until further notice, the Riverton Rationing Board will meet from 7:30 to 10 p.m. at their headquarters, Dreer's Nursery office, Fourth and Fulton streets, Riverton.

Members of the board respectfully request that all ration matters be taken up at that time and place, and unless absolutely necessary, to refrain from contacting members at their homes or during their regular business hours.

Should the time allowed for rationing matters be insufficient to meet the public demand, every consideration will be given to extend the time so as not to place any undue hardship upon the people.

The members of the local board serve without remuneration and are giving a tremendous amount of their time to rationing work. The cooperation of the general public will be greatly appreciated.

YOUTH WEEK

Hobby Show

This event will be held at the Community Center on Friday, May 15, from 7 to 11 p.m., under the direction of the Phalanx.

All exhibits are to be left at the Center between the hours of 3 and 5 p.m. on Friday, the day of the show.

Adults of Riverton, Palmyra and Cinnaminson are especially urged to exhibit. All entries will be insured. The Committee is composed of Dr. Hayes B. Brady, Chairman; Harold Foulk, Henry DeHoll, Thomas Corson and Leon Guest.

The various divisions are as follows:

A—Natural History
B—Money
C—Stamps
D—Miscellaneous
E—Archaeology & History
F—Handicrafts
G—Domestic Arts and Sciences
H—Art
I—Photography
J—Aviation
K—Organization exhibits

On Saturday of this week, youth officials will take over the government of Riverton, Palmyra and Cinnaminson. Those who will assume office were elected by the students of Palmyra High School on Monday of this week.

Coming events are:
May 15, Hobby Show at Center sponsored by Phalanx.
May 16, Youth governs in local communities.
May 17, "I Am an American Day."

CINNAMINSON RATIONING
BOARD

Gasoline

The office of Cecil Bowers, Burlington Pike, is, at present, headquarters for this rationing. Friday of each week will be the day appeals, etc., are accepted. Mrs. Wallace Armstrong, Jr. is taking care of this and will be available at above office between the hours of 2 and 4 on the day mentioned.

This week ONLY the hours will be from 10 a.m. to 4 p.m.

Automobiles, Tires and Tubes
Mr. Bowers' office will take care of these applications, which may be secured at any time. These must be filled out completely by the applicant and returned to above office, after which the Board, which at present meets once a week, will pass on the application and advise the applicant as to their decision.

VISITING NURSES
IN WAR TIMES

The following statement was issued recently by the local Visiting Nurse Society:

"During the past year we have heard a great deal about the necessity of First Aid in national defense. But war or peace the visiting nurses are always on hand to care for the sick whether they have the means to pay for their services or not. At this time when one out of two nurses may be called upon to care for the men in the armed forces, everyone, whether he be rich or poor, is dependent on the services of the local visiting nurse."

"The nurses, Miss Blair and Miss Cook, who serve Riverton, Cinnaminson and Palmyra not only make 3826 visits a year in our community, but also go daily to both the Riverton Public School and the Cinnaminson Public School, as well as to the Parochial School in Riverton three times a week. The nurses take eight children from the Riverton Public School each week to a dental clinic, where Dr. George J. White examines their teeth. In addition to this, Miss Blair and Miss Cook, under the guidance of Dr. H. P. Landis, Jr., run a well baby clinic every Tuesday morning at eleven o'clock at the Community Center in Palmyra."

"Sickness strikes every family at some time and it must be a comfort to us all to know that the visiting nurses are close by to care for the sick and to carry out the doctor's orders. There is a well stocked loan closet in the nurses' home equipped with many supplies for the sickroom. These can be rented for a small sum, or loaned free of charge to needy patients."

"Any neglect or curtailment of this essential protection of civilian health is inconsistent with the maximum efficiency of our great war effort. Let us help the Visiting Nurse Society of Riverton, Cinnaminson and Palmyra with our support, knowing that we in turn may need their help."

FASHION SHOW AND
DESSERT CARD PARTY

A fashion show and dessert card party will be given in the club rooms of the Palmyra Woman's Club, Wednesday, May 27. The charge will be 55 cents per person.

The fashion show will be sponsored by the Agnes Shop, under the supervision of Mrs. George Albright. Models have been selected from local residents.

The show will begin promptly at 1 o'clock and will be followed by dessert and cards. There will be a prize for each table and other prizes.

The proceeds will be used to defray expenses incurred in furnishing the new club rooms.

Reservations may be made by calling Mrs. George B. Shaner, Riverton 1032 or Mrs. Powell Thatcher, Riverton 594-W.

Seamen petty officers of the Navy wear rating badges on the right arms, other petty officers wear them on the left.

Nurseries, Cinnaminson Avenue, will be used. Mrs. Steele will be available at this office on Wednesday of each week from 10 a.m. to 3 p.m. Retailers or industrial users who failed to register during the specified time may do so on any Wednesday during the hours mentioned. Consumers who did not register may do so after May 21st, this date having been set by the government.

The members of the Cinnaminson Rationing Board are: Cecil Bowers, F. Wallace Armstrong, Jr., and Lester Steele. Mrs. F. Wallace Armstrong, Jr. is assistant to the board and Mrs. Lester Steele is secretary.

PALMYRA RATION BOARD
OFFICE IN BOROUGH HALL

The Local Rationing Board of the Borough of Palmyra is now located in the new Borough Hall.

Mrs. H. W. Morris has been appointed clerk in charge of this office under the Local Rationing Board, by the office of Price Administration.

The office will be open to the public daily except Saturdays between the hours of 1:00 and 5:00.

The report of the Board for the month of April is as follows:

GAIL DESCRIBES
TYPES OF WAR GAS

"The best defense against war gases is to know something about them." This was the keynote of a talk given to the members of the local Business and Professional Men's Club, of Palmyra and Riverton on Tuesday of this week, by Harry Gail, Palmyra High School faculty member and chairman of the decontamination committee of the Palmyra Civil Defense Council.

Mr. Gail described what properties are necessary for a war gas to be effective and asserted that all existing gases for war purposes are probably known to all countries. He said that it was extremely unlikely that others would be discovered due to the advance of chemical research.

Protection

The speaker said that the standard gas mask adopted by the United States offers complete protection to the face and respiratory organs from all types of war gases. He added, however, that while civilians in certain areas were to be equipped with such masks, none were available for distribution up to the present time.

In describing war gases, Mr. Gail said that there are four types, one being tear gas, which affects the eyes. This, however, would probably not be used against civilians even if enemy nations decided upon the barbarism of gassing towns.

The second type, sneeze gas, of which Adamsite is an example, is odorless, affects the eyes, nose and throat and causes severe mental depression. The antidote is a solution of baking soda.

The lung irritants, such as phosgene, are dangerous, since the gas, when taken into the lungs, absorbs moisture and fills the pulmonary organs. Pneumonia is liable to attack those who have breathed this gas.

The last type, mustard gas, is particularly insidious, since it persists for a long time, especially in cold weather. It will penetrate clothes and even leather. This gas can be detected by odor, as it smells like garlic or horse radish. It will affect the skin within two minutes after exposure and raises huge blisters.

Areas that are touched by this gas should be decontaminated quickly until proper decontamination measures have been carried out.

FIRE DEMONSTRATION

All fire companies in this vicinity participated in a demonstration on Monday night of this week at Broad street and Morgan avenue, Palmyra, when the old Y.M.C.A. building was employed as the scene of a supposed fire.

The drill included hose laying, ladder raising, rescue and first aid work and those in charge expressed themselves as being well satisfied over the performance of the various organizations that responded.

GIVES DINNER FOR
POLICE RESERVES

Through the kindness of Richard M. Hollingshead, of Linden avenue, Riverton, the members of the police reserves of the Riverton Civil Defense Council were tendered a full course turkey dinner on Thursday of last week, the occasion being the completion of the extensive training course given the reserves for the past several weeks by Chief William Gootee, of the Riverton police, who is also chairman of the police committee of the local defense council. The affair was held in a large tent located on the Hollingshead estate.

Guests present included Mayor H. McIlwain Biddle, of Riverton; Edward K. Merrill, chairman of the Defense Council; Colonel Frank Mathews, vice chairman of the council and F. W. Metzger, secretary of the same organization.

Following the dinner, Chief Gootee

acted as master of ceremonies and expressed the sincere thanks of those present to Mr. Hollingshead for his fine hospitality. The host responded with a brief talk and was followed by Mayor Biddle and Messrs. Merrill and Mathews, who congratulated the police for their interest in public welfare.

AS I SEE IT

By FRANK LEE SAYID

The pup, to which we introduced the customers just a few weeks back, has grown to gargantuan size—a fact which we noted as we watched him crunching a large bone just now and envied that perfect set of gleaming white teeth. We understand a perfect set of gleaming white teeth are given to those who have vitamin something or other in abundance, and we have often wondered why we were not as well fed as a dog in our youth.

Tradition is that our teeth were as reluctant to put in appearance as they have since been to stay and we are quite sure we have the distinction of sitting in a dentist chair at as early an age as any. This dentist owed our father quite a sum of money and the family was trying to take it out in trade. As might be supposed this plan did not appeal greatly to the dentist and as a youngster it was always easy to beg off by the mere suggestion that we had something better to do.

We were still in the toils of this arrangement when we lost our first tooth. It seems to us we have been losing them ever since. We alternate between novocaine and gas because either one makes the other seem preferable. We lean a little to gas because, under its influence, we understand we shed our characteristic role of Mr. Milktooth and become a turbulent, he-man sort of a fellow. It distresses us quite a little that we have never been able really to see ourself in this role.

However with repeated telling over the years it has become quite real and we recall it pleasantly when out-talked by fender-grazers and jostled by Christmas shoppers.

We have had some evidence in support of the tough-fellow hypothesis too. Once, as we came out of gas, we heard an Irish voice say: "Begorry! He's broke it." And as we returned from the distant voyage on which we had been, there was the dentist astride our legs, a nurse swinging from one arm and the porter, called in from the hall, wrestling with the other. On the floor lay the overturned gas tank with broken gauge. It was quite the best job we have done in that line.

On another occasion, with the first breath of gas, we mounted the high drivers seat of a stage coach and were doing famously with four horses until we came to a sharp curve. At this point the stage coach turned over and we landed on the point of our jaw. It was a nasty fall and our jaw hurt a lot. So when we had recovered a bit we remarked to the dentist, "Well, I'm glad that's out."

"Brother," he said, "we haven't even started yet. When you grabbed my arm as you jumped out of the chair, the tooth broke off." There was no use in telling him we had been driving four horses at full gallop. He wasn't there and he was a man utterly devoid of imagination.

It took gas to reveal that we have too a hidden streak of the Lothario which we had never suspected. Coming back from Elysian Fields one day, we opened our eyes to find the dentist gone but a personable young woman in white attending us. She stood behind holding a towel for us. One arm was on each side of our head. We were a little faint and we did lean our head against her arm. We did smile ever so little—just friendly-like. At this she said, "Mister, I think you are all right now."

There was that implication in her tone which warned us that we might be quite a fellow if the gas supply held out. But it is of course quite out of the question to sacrifice a tooth just for the thrill of being devil-may-care—and besides our lady is inclined to ridicule our part in any such adventure.

From the day we heaped sugar on our first extracted denticle to enjoy the sight of its misery without pain to us, on to the present day when we count each surviving pearl anxiously each morning, our lot has been the loss of one good oral friend after another. And as the fox terrier said as they cropped its tail: "It won't be long now."

During the past fiscal year the Navy Hydrographic Office has put out 2,331,000 nautical charts.

THE PEOPLE'S COLUMN

Editor,

The New Era, Riverton, N. J.

Dear Sir:

Again Palmyra and group have contributed to the entertainment of the soldiers at Fort Dix. On behalf of the service men and staff of the U.S.O. Club, Rexall Road, Wrightstown, I wish to thank them.

Mrs. Elizabeth Black was instrumental in bringing to our Club last night an excellent variety show, which was very enthusiastically received by several hundred service men. The show consisted of a skit with Ruth Strahan, Ruth Seiber, Lisa Stein, and Floss Stephens; a trumpet trio with Yvonne Pennington; dance numbers by Eleanor Kavanaugh, Nan Laverty, Dolores Haas, and a reading by Elizabeth Chambers.

From 9 o'clock on Buddy DeLaney and his orchestra, featuring Betty Parker, played for a special dance, which attracted a capacity crowd. We wish to thank Buddy DeLaney, members of his orchestra, and Miss Parker for donating their exceptional music.

The cooperation of these groups and of the Red Cross Motor Corps in helping in transportation was greatly appreciated by all.

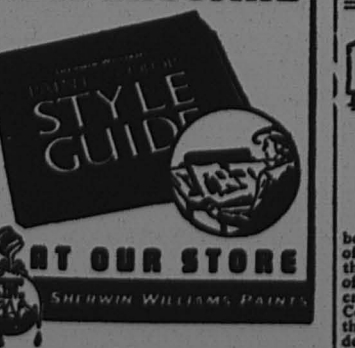

Sincerely yours,
FRANCES H. POSTEL,
Program Director.

PALMYRA WINS

Palmyra easily took the measure of Fieldsboro by the score of 9-3 in a Burlo League ball game played here on Sunday. Murphy hurled for the winners and kept eight hits well scattered.

The locals touched two opposition pitchers for 14 safeties and put the game away with a four run rally in the seventh.

YMCA BRIEFS

Billy and Jack Horner, of the Try-on Apartments, Palmyra, are the first boys from the Palmyra-Riverton communities to register for the 1942 season at Camp Ockanickon. As registrations are received at the County Headquarters, buttons bearing the Ockanickon "O" are mailed to those signing up, according to County Secretary Clifford W. Ergood.

The new Camp Ockanickon Executive, William H. Douglas, is completing the staff for the boys' camp which will include most of last year's staff members, and Mrs. Anne Warren Troth is completing the staff for Matolonequay.

The cabins in the Junior Area at Ockanickon are being shifted to form villages of five cabins each, which will help tremendously in the spirit and supervision of the most popular section of the camp.

Descriptive folders and registration cards will be sent upon request to the County Office, Mt. Holly.

SODALITY ACTIVITIES

The Blessed Virgin Sodality of the Sacred Heart Church are making plans for their annual crowning exercises to take place Sunday, May 31st. Special homage will be given to Our Lady, the Mother of Our Lord.

Last Sunday was known as World Sodality Day. In this diocese, the occasion was celebrated by the holding of special exercises on the grounds of Georgian Court College, at Lakewood. Some sixty members of the parish sodality and their friends were among those attending. Several processions took place, in the form of a cross, and the formation of a living rosary. Many prominent speakers took part in the ceremonies held at the conclusion of the crowning ceremonies.

A meeting of the sodalities throughout the county took place at the residence of Anne Kenning, of Riverside, Monday night, with plans discussed for the soldiers during the summer months. Such affairs may be held at the various parishes throughout the county, the proceeds from such events will be forwarded to the army chaplains for altar linens to be used at the army camps.

Whether the boys now in the service shall be invited to join the American Legion was the important question discussed at great length at the meeting of the Frederick M. Rodgers post 156, of Palmyra and Riverton held last Tuesday night.

All posts throughout the country have been asked to give their answer to this issue by vote. If in the affirmative, it will necessitate a change in the act of congress incorporating the American Legion extending eligibility to our new Army, Navy, and Marine Corps. The matter was of such importance that the post decided to hold a special meeting.

BLOOD DONORS CALLED IN RIVERTON JUNE 3

The American Red Cross has called upon volunteer donors to supply 350,000 pints of blood requested by the Army and Navy.

The armed forces' latest request brings the total of 1,280,000 pints the amount of blood requested, which includes the reserve supply with 1st and 900,000 pints during the next twelve months.

More than 250,000 pints already have been delivered and total donations are averaging 17,000 per week. Arrangements have been completed for a visit of the Mobile Unit to Riverton on June 3rd, at which time the people of Riverton may give their offerings of blood.

Mrs. David Gould is the chairman for Blood Donor Service for Riverton and appointments should be made with her, or a member of her committee.

BREAKFAST PLANNED BY WOMEN'S CLUB

The May breakfast of the Women's Club of Palmyra will be held in the club room on the 18th at 11 a.m.

There will be installation of officers and annual reports read by the chairmen of the various committees and departments.

This is always a very interesting meeting and all those attending are afforded the opportunity of learning of the work of the club during the past year.

Much has been accomplished and preparations are now under way for a busy year ahead.

Several members of the club will attend the state convention at Atlantic City, which convenes May 19 at Haddon Hall.

GOLF TOURNEY HERE

The Amateur Tournament sponsored by the South Jersey Golf Association will be held at the Riverton Country Club on Thursday, June 4.

Welfare Activities

Mrs. Mary B. Sim, executive secretary of the Riverton-Cinnaminson Welfare Association, recently addressed the nutrition classes being conducted by local Red Cross Chapters, telling of the work of the association.

Mrs. Sim said in part: "In our policy of doing both services we are unique in this part of New Jersey and elsewhere, in that we are a family service organization handling relief. More than once I have sat in the middle of informal discussions with Professional Social Workers on the one hand and Public Welfare workers on the other—the one contending that the two services cannot be adequately handled together, the other insisting that a broadened outlook is the only possible future for real Social Service."

However, our office policy conforms to the new State regulations set forth by the New Jersey Municipal Aid Administration which require a standard of training and experience in Social Case Work to fill the office of Director of Welfare.

"Our case load for the month from March 1st to April 1st was 46 families—a little lower than usual. When you consider that a case load of 50 families is the accepted number for a full time—5-day-a-week case worker you will know that we are well occupied with our 46 cases on a 3-day-a-week schedule. Of the 46 cases, 6 are relief families and 3 of the 6 have social problems added to their financial ones. All of these 6 families receive only supplementary relief—the fathers of 3 families are on private employment and their wages are insufficient to provide milk for the children; we have helped support a young mother and four children while the probation officer has searched unsuccessfully for the deserting husband. The others are two oldish women whose older husbands receive Old Age Assistance."

Care Taken

"We are asked how we take care of the families which come for direct relief help. We have a definite formula for that which is planned by the State Municipal Aid Administration and is supposed to be mandatory throughout the State.

"Deciding the legal residence of the head of a family is the first requirement. That person must have lived in New Jersey two consecutive years without interruption and one of these years must be within one municipality."

"The next requirement is to establish need. That takes considerable investigation—as to the number of employables in a family, how many, if any, are employed where and the wages. The state requires that the employers be contacted.

"If there is income sufficient to cover the budget which we work out for the family, the case is rejected. If the income does not cover our

budget, we can supplement that lack, if the need seems sufficient. If there is no income and there is need we give help but in the meantime begin finding out why there is no income or employment.

Budget

"Our budget covers the following items—rent, food, milk for children, elderly persons and pregnant or nursing mothers, fuel for heat and for light and cooking, limited household necessities such as soap, matches, etc. and a limited amount of insurance. Clothing is considered by the state to be an emergency item and if it weren't for the many thoughtful women in Riverton and Cinnaminson who keep us supplied with clothing, also the fund of \$60 which the Needlework Guild gives to us for shoes we frequently should have been in conflict with the State because with some of our families of children the emergency of clothing is ever present.

"The food is budgeted per person

New Jersey's use of the Telephone IN BLACKOUT TESTS

More than 4 million New Jersey people have now participated in blackout tests throughout the State. Here is how they responded to the New Jersey Defense Council's rule: "Do not telephone, unless urgent, during an air raid alarm and for some time after the 'all clear'."

In each test, telephone calling during the blackout period itself was well below normal. The situation was very different, however, immediately after the "all clear." In the first blackout test, telephone calling in some places skyrocketed after the "all clear" to more than four times normal. In the other tests, the calling after the "all clear" was from 1½ to 2½ times normal.

It is just as important to avoid making unnecessary calls for a considerable time after the "all clear" sounds as during the alarm or blackout. In the after period, the same telephone system you use every day must be kept free to put calls through swiftly for the military and civilian defense units, for police, doctors, ambulances, fire-fighters and others who carry on the work of rescue and restoration.

MANY ATTEND DINNER

A large number of Board of Education members from sending districts and municipal officials from Riverton, Palmyra and Cinnaminson attended the annual dinner tendered by the Palmyra Board of Education on Wednesday of last week. The affair being held in the school cafeteria.

A fine turkey dinner was served by the home economics department with the cooperation of the cafeteria staff.

The guests were welcomed by Leonard R. Baker, president of the Palmyra Board of Education, who spoke briefly.

Following the dinner, those present toured the school and viewed the various exhibits which had been arranged, the occasion also being the annual Exhibition Night.

At the Naval Academy rubber heels and low shoes were a first class privilege three years ago, but today they are worn by all midshipmen.

About Town

Buddy DeLaney and his orchestra, featuring Betty Parker, vocalist, furnished the music for the Junior Prom of the Gloucester Catholic High School on Wednesday evening. On Friday the orchestra will play for the Haddon Heights Junior Prom at the High School, and on Saturday evening for the Army and Navy Union Garrison No. 50, to be held in Camden.

Several functions have been held at the Riverton Country Club recently, among them being the dinner of the R.C.A. Personnel Division on Monday and the golf and dinner outing of the members of the Gloucester County Bar Association on Tuesday, with a large number participating. On Thursday the Burlington County Medical Association Auxiliary will hold a dinner, with about 100 reservations having been made.

The Riverton Yacht Club Auxiliary will give their annual Memorial Day supper from 5:30 to 7:00 o'clock on Saturday, May 30.

Tickets for the affair will be 50 cents per person.

Miss Jane Elizabeth Wolschmidt, daughter of Mr. and Mrs. Emerson Wolschmidt, of Riverton and Miss Marie Florence Giampalo, of Palmyra, were members of the graduating class in the School of Nursing at West Jersey Hospital, on Tuesday evening of this week.

Among those from this vicinity attending the graduation exercises of the West Jersey Hospital Nurses' School held in Camden on Tuesday of this week were Mr. and Mrs. Emerson Wolschmidt, Mrs. Anna Wolschmidt, Mr. and Mrs. Ernest Chew, Miss Charlotte Bishop, Mr. and Mrs. Edward Faunce, Mrs. Wesley Staveley and Mr. and Mrs. Alexander Smith.

Private William B. Haas, a student at the U. S. Army Motor Transport School, Miller Field, New York, spent the week-end with his parents, Mr. and Mrs. Clement Haas, of Riverton.

Word has been received from Private Clement A. Haas, 3rd, stationed at Camp Croft, South Carolina, with the Paratroops, that he is a member of the Camp Croft Baseball team, under the direction of Zeke Bonura, now in service, but formerly with the Giants and Washington. Clem is hitting .365 and playing shortstop.

DEFENSE COUNCIL DRILL

On Monday night of this week the members of the Riverton Civil Defense Council, together with the communications section and zone air raid wardens participated in a test mobilization to determine the efficiency of the headquarters unit in the event of an emergency.

Seven incidents were reported which necessitated the use of fire equipment, first aid groups, demolition squads, decontamination squads and police reserves. Each problem was quickly diagnosed and the proper equipment sent to handle the various situations.

HELP NEEDED ON AIRPLANE PROJECT

The need for model airplanes for the United States Navy is urgent. Young men and boys with some experience in building model planes can make a real contribution to the war effort by volunteering to help build the solid models requested from the Riverton Public School. The work will be done in the school shop under the direction of Mr. Robert Emens, industrial arts teacher.

Anyone interested may apply at the school office for further information during the day or call Riverton 930 evenings.

DEFENSE MOVIES

There will be two evenings of motion pictures on Home Defense in the Palmyra High School auditorium Monday and Tuesday, May 18 and 19 for adults only at 8 p.m. Admission will be free. The motion pictures will instruct how to take care of your own home if we are bombed from the air, as well as many other calamities that may befall. There will be a prominent speaker each evening—one a government official from Washington, and a State official on Citizens' Home Defense.

These men will give pertinent information on National and State affairs. Following the speakers more pictures showing what England has been going through, described by Lowell Thomas, the great American commentator, will be shown, also pictures showing American boys in their army life and training.

The evenings will close with a stirring solo by Past Commander Paul Engle of the Raymond Thoir Post American Legion and District Governor of International Rotary Clubs.

This program has been arranged by the local defense councils. The committee is headed by George A. Wofner, and is composed of E. K. Merrill, Colonel Frank Mathews, of Riverton; Captain Harold West, J. Russell Musser, C. S. Mears, Percy Nixon and Nelson Randolph of Cinnaminson Township; Paul R. Jones, James Hughes, Russell Dilks of Palmyra; and Mr. Ross from East Riverton.

COMPLETE FIRE COURSE

At a meeting of the Riverton Civil Defense Council held last week, Lawrence Downs, chairman of the Fire committee of that organization, reported that the intensive training course for reserve firemen had recently been completed with six men of the class carrying through from start to finish. The course was of several weeks' duration.

Those who were instructed by Mr. Downs were: Harry J. Crowther, Philip T. Flach, Jr., Frank Story, W. J. Meyer, Gus Young and Winfield F. Green.

GAS RATION

According to all reports, the issuance of gasoline ration cards proceeded smoothly in local communities on Tuesday and Wednesday of this week. The largest number of motorists appearing at any one time seemed to be in Cinnaminson on Tuesday night.

GUSTAVE F. FELDMANN

Gustave F. Feldmann, 56, of Wash-Broad street, Palmyra, died on Saturday, May 9.

Services were held from the Snover Funeral Home on Tuesday at 2 p.m. the Rev. D. Roe Haney officiating.

Interment was made in the Methodist Cemetery, Palmyra.

The deceased is survived by his wife, Florence, two sons, Lester and Gustave, and a daughter, Mrs. Mildred Wallace, of Palmyra. His mother, Mrs. Orian Polis, of Palmyra, also survives.

WPA workers last week completed the Palmyra Borough Hall, a job of transforming an 80-year-old Methodist Church into a modern municipal building.

Until the borough took it over it was known for many years as Society Hall and practically every lodge and other organizations in the borough used it as a meeting place. Some of these meetings were attended by men and women from all parts of the state.

Before altering the ancient structure WPA men moved it back 40 feet from its old site to its present location. Sturdy timbers that formed the sills and framework of the original church are still performing the same functions in the renovated structure.

The appearance of the building was changed by the workers who added an imposing tower and a graceful entrance. The exterior was treated with a brick veneer. The interior has been arranged with a view of using every inch of space to advantage, even to the building of a cloak room under the stairway.

The council chamber on the second floor will seat about 200 persons and has already been used on several occasions. The formal dedication will be held at a date in the near future.

"WORK OR FIGHT"

A meeting of all Selective Service Local Board Members; Government Appeal Agents; and Clerks of Boards of Mercer and Burlington counties, was held in Trenton, New Jersey, Friday evening, May 8. Those attending from Local Board No. 1, for Burlington county, Palmyra, New Jersey, were: Leonard R. Baker, chairman; Chas. H. Yost, secretary; Alfred M. Addison, local board member; George N. Wimer, Government appeal agent; Evan W. Stover, chief clerk.

The meeting was called by State Headquarters for Selective Service and was addressed by E. E. Lewis, personnel director; Major P. E. Schwehm, man power division; Lieutenant C. E. Rundquist, occupational advisor; and Col. Rhodes, representing National Headquarters of Selective Service, Washington.

The men responsible for local administration of the Selective Service Act, were bluntly told what would be expected of them in the future. Deferments for occupational reasons will of necessity be for shorter periods and with greater pressure to be brought on employers to train replacements.

It was indicated that a revival of the slogan of the last War of "Work or Fight" would shortly be in effect.

Dependency classifications in the future will fall in two categories, 3-A and 3-B. 3-B will indicate the registrant with dependents who is working in a vital or war industry, while 3-A will indicate a registrant, with dependents, in a civil occupation.

The meeting was well attended by those responsible for the functioning of the Selective Service system in Burlington and Mercer Counties and many problems of occupational and dependency nature were discussed in general.

Y. M. C. A.

The Burlington County YMCA has developed a candy selling plan which it will use in assisting boys and girls to earn extra money needed this year to attend Camp Ockanickon and Matolonequay. Realizing that higher cost would affect the attendance of some, the County Board is seeking to use this idea to help

CINNAMINSON AUDIT

To the Honorable
The Chairman and Members of the Township Committee,
Cinnaminson Township,
Burlington County, N. J.
Gentlemen:
An audit of the financial accounts and transactions of the Township of Cinnaminson in the County of Burlington for the year ending December 31, 1941 has recently been completed. The results of the audit have been set forth in detail in a report submitted May 9th, 1942. The following is submitted for publication as required by Statute.

STATEMENT OF FINANCIAL CONDITION AS OF DECEMBER 31, 1941		
The Township owes for the following: None		
To meet these obligations the Township has:		
Cash	\$27,041.15	\$19,924.59
Taxes Receivable	10,751.36	
Tax Title Liens	37,192.51	
Less Reserve	37,192.51	
Franchise Taxes Receivable	None	
Foreclosed Tax Title Liens	4,400.86	
Less Reserve	4,400.86	
Revenue Accounts Receivable	83.57	
Less Reserve	83.57	
Due from Capital Account	1,038.25	
Less Reserve	1,038.25	
Deferred School Revenues	25,851.25	
Less Reserve	25,851.25	
Which leaves a Cash Surplus Revenue of	19,924.59	\$19,924.59

The following recommendations are submitted for your consideration: in the 1942 budget appropriate, with the prior written consent of the Commissioner of Local Government, Capital Surplus in the event that any State Aid road work is contemplated; adopt a Resolution specifically authorizing the turning over to the Township Solicitor of the tax title liens certificates which have been forwarded to him for foreclosure; collect interest on all delinquent items.

I hereby certify that the report submitted on May 9th 1942 is a true and correct report of the financial accounts of the Township of Cinnaminson, County of Burlington, for the year 1941 as obtained from the books and papers of the Township presented to the auditors, supplemented by personal inquiry and investigation and I believe it to be a true report of the financial condition of the Township.

I also certify that the work was done by me or under my direction and the preceding comments are correct to the best of my knowledge and belief.

Respectfully submitted,
ALBERT J. FROHOCK

"Mortals and Immortals" is the Lesson-Sermon subject for Sunday, May 17, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "They that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit." (Romans 8:5).

Among the Lesson-Sermon citations is the following from the Bible: "The Lord knoweth the days of the upright: and their inheritance shall be for ever." (Psalms 37:18).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "This mortal seeming is temporal; it never merges into immortal being, but finally disappears, and immortal man, spiritual and eternal, is found to be the real man." (P. 190).

SACRED HEART CHURCH
Fourth and Linden Avenues
Riverton, N. J.
Rev. William F. Quinn, Pastor
Rev. Francis J. Coan, Assistant Pastor

Masses—Sundays at 6, 7, 9, and 10:30 o'clock.
Weekdays—7 and 8 o'clock.
Confessions are held on Saturday 3:45 to 5:45 and 7:30 till 9 p.m.
Novena devotions to Our Lady of the Miraculous Medal are held each Monday night at 7:45.

Baptism will be administered, each Sunday during the summer season, directly following the 10:30 o'clock Mass. The pastor should be contacted a few days before.
The Confraternity will conduct its weekly meeting tonight in the school auditorium and will hold their weekly dance on Sunday night in the school. All high school students are urged to attend the meeting.
On Monday, an anniversary Mass was celebrated by the pastor for the Reverend John McGrath, deceased pastor of the Church. It was the

fifth anniversary of his death.
Novena services are held in honor of Our Lady of the Miraculous Medal each Monday night at 7:45 p.m. The present novena being held, will be concluded on Monday, May 25. Such novena devotions will be resumed in September.

A special Mass was said yesterday in honor of the Silver Jubilee of the Episcopal Consecration of our present Holy Father in Rome. For the past several weeks the school children under the direction of the Sisters, have been preparing a spiritual bouquet to be presented to His Holiness along with Catholics throughout the world in honor of his Jubilee celebration.

Today, Thursday, is the feast of the Ascension, and is a Holy Day of Obligation. Mass will be said at 6, 7, 8, and 9 o'clock.

A meeting of the Sacred Heart P.T.A. will be held tonight in the school auditorium at 8 o'clock.
Monsignor Crean, Chancellor of the Trenton diocese has invited the parish Holy Name Society to attend a meeting of the Trenton unit to be held tonight in the Cathedral auditorium, Trenton at 8:15 p.m.

The parish P.T.A. had the honor of entertaining here as their guests some 500 priests, Sisters, members of the Trenton regional conference of P.T.A. and their friends. Despite the inclement weather Father Quinn has been assured by Mrs. William Thorne and the members of the diocesan committee that the meeting was not only very successful, but was one of the most enjoyable meetings to be conducted by the diocesan unit.

Distinctive features of the meeting were its business-like character and comparative brevity, the wonderfulness of the luncheon served, the quality of the program presented, the fact that for the first time they were permitted to visit a parish convent and rectory.

More than two hundred individuals visited the rectory and convent of the parish. Credit for the success of the affair should be given to Mrs. Herbert Kemmerle, president of the Sacred Heart P.T.A., Mrs. Roy E. Sanford, in charge of the luncheon arrangements, and Mrs. William H. Rowan, in charge of the program, Mrs. Edward Kavanaugh, in charge of raising funds for expenses and other officers of the P.T.A.

Next Sunday, May 24—Bethany Congregation will receive nine persons in the beautiful rite of Confirmation. In addition there will be others received by church letter. This is also Anniversary Sunday for the congregation when the fourth birthday is celebrated. Holy Communion will be administered at both the early service at 8:45 and the later service at 11:00. A large group of worshippers is expected at these services.

On Monday, May 18, the pastor, with the parish delegate, Mr. J. J. Vatter will attend the opening session of the Fifth Annual Convention of the Central Penna. Synod of the United Lutheran Church in America, at St. Pauls Lutheran Church, Allentown, Pa. They will return Thursday of the same week.

The bicentennial celebration of arrival of Henry Melchior Muhlenberg, patriarch of American Lutheranism, will be held Tuesday, May 19, in the Academy of Music. Tickets for this affair can be secured at the Muhlenberg Building, 1228 Spruce Street, Philadelphia.

MORAVIAN CHURCH

Palmyra, N. J.
Rev. Albert J. Harke, B.D., pastor

Next Sunday, May 17, our congregation completes 79 years of its existence. After ten years of home missionary effort in the vicinity, a little stone church was finally built and the people met in it for the first time on May 17, 1863, in dedication services. On that day the Palmyra Moravian congregation was formally organized. It began with nineteen charter communicant members, and a church building free of all debt. Slowly but steadily the congregation has grown through the years. Its ministry has been a blessing to hundreds of people in these 79 years. Next Sunday it launches out upon the eightieth year of the preaching

of the Gospel of Christ in this community.

The anniversary will be observed with two services.
At 10:45 a.m.—Morning service with liturgy and anthem. The pastor's sermon theme will be "Forward with God."

At 3:30 p.m.—The Anniversary Lovefeast will be held. To this service the neighboring Moravian churches have been specially invited. Their pastors will bring brief messages. The choir will sing appropriate anthems at both services. Everyone interested is cordially invited.

CENTRAL BAPTIST CHURCH
5th St. and Maple Ave., Palmyra
Rev. S. Dan Morgan, Pastor

"Twenty-seven million young people have never heard of the Bible," read a head line. No, this is not news from a pagan country, but an unbelievable fact concerning the young people of Christian United States of America. This is a challenge for everyone to see that the truths of this great book are inculcated in the hearts of the youth of America. In these truths will be found the stamina to 'carry on,' and the hope for the future. This can only be accomplished by bringing the youth to the place where they may gain this knowledge. It cannot be obtained through 'absent' application. "Central Baptist" invites parents and their children to avail themselves of this privilege.

Services, Sunday, May 17—Bible School, 10:00 a.m.—Classes to meet the needs of all ages.
Morning Worship, 11:15 a.m.—"Does Your Anchor Hold?" The day is here when this question must be answered in the affirmative if the individual is to stand the test that looms ahead. Pastor Morgan will speak on this at the morning service. To add to the worship period, the choir will render "Great and Glorious" by Turner, and "Lift Up Your Heads" by Ashford.

Jr. B.Y.P.U., 6:45 p.m.—Meeting in the Junior Department.
Sr. B.Y.P.U., 6:55 p.m.—Meeting in the Main School. The groups enjoyed a well attended and highly interesting Hymn Sing in the Baptist Church in Merchantville last Sunday evening.
Evening Worship, 7:45 p.m.—The thought provoking question, "Why Do People Go Away?" will be the subject of the evening sermon. Come out and compare your answer with the correct one. "Even Me" by Warren will be sung by the choir.
The theme, "The Praying Church," will be meditated upon at the mid-week Prayer and Praise Service on Wednesday evening at 8 o'clock.

ROAD WORK POSTPONED

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, no bids were received for road oil. This is because of a ruling that approval for work construction or maintenance will not be given unless it can be shown that such projects are connected with National defense. Several of the township roads were oiled, however, before the ruling became effective.

The township auditor, Albert J. Frohock, submitted his report for 1941 and complimented officials for the fine condition of the records and the financial status of the municipality.

Have a Look at It

It can't bake waffles if the cord is broken or the plug worn out. Have it repaired NOW. Look over your toaster and your coffee maker too and any other appliances you have. Maybe they would do better work if some minor repairs were made. Certainly they would give you longer service. War production has stopped the manufacture of most electric appliances. Be patriotic and make your old ones last.

HAYDEN—WESTON

Mr. and Mrs. John A. Smith, of Merchantville, formerly of Riverton, announce the marriage of their daughter, Beatrice Smith Weston, to Edward Charles Hayden on Saturday, May 9, at Easton, Pennsylvania.

Open House at New Borough Hall May 29

Open house for the new Palmyra Borough Hall was set for Friday, May 29, by Mayor John F. Ward, at the regular meeting of Council held in the new Council chamber Tuesday night. The new building will be open for public inspection between the hours of 7:00 and 10:00 p.m.

Mayor Ward, in speaking of the new municipal building, stated that it is there for the use of Palmyra organizations who wish to make proper use of it for a meeting place. No food may be prepared or served in it and nothing may be stored there. Whatever is brought to the building for meeting purposes, such as records, books, etc., must be taken out when the meeting is over. Councilman T. Curtis Flynn is the man to contact for use of the meeting rooms.

Demands

Councilman Huyett reported that the property owners, namely Mrs. Emily Lutz, Nathan Wallace and Louis Wallace, owning land on South Broad Street, West of the new municipal building, have made heavy demands on the borough for the dedication of a part of their frontage to extend the new street past the new municipal building. The matter was referred back to the highway department for consultation with the borough attorney.

Mayor John F. Ward appointed the following Fourth of July Committee to serve this year: DeWitt Morris, T. Curtis Flynn, William F. Engle, Henry Naisby, James Hughes and John Landgraf. The exercises this year will consist of a morning program for the young folks and the afternoon will be taken up with the formal dedication of the new borough hall.

DeWitt Morris presented the Mayor and Members of Council with a certificate of presentation to commemorate the donation of a new American flag for the Board of Health room in the new Borough Hall. The Mayor accepted with thanks and remarks appropriate to the occasion.

New Gas Station?

Councilman Huyett stated that the Y.M.C.A. board had an opportunity to sell the old "Y" building at the corner of Broad and Garfield avenue and before the purchaser would go through with the deal he wanted council to go on record as favoring a gasoline service station on the site if and when he chose to build it.

Councilman Mervine objected on the grounds that the people living in the immediate vicinity should be given an opportunity to express their feelings in the matter. The motion was defeated with only Councilman Huyett voting in the affirmative. Councilman Landgraf stated that

ROSES

While it may seem that Dreer's have an inexhaustible supply of fine Rose plants in the field along Broad Street, yet you'd be surprised to know that quite a number of varieties are no longer obtainable, so place your order soon if you are "choosy." Among the fine new ones still to be had are Apricot Queen, California, Mme. Perraud, (big fine plants of this lovely "buff"), Mrs. Oliver Ames, Orange Nassau, etc. Come see them.

ABOVE ALL—VICTORY

IN carrying on our business of banking, there is one consideration that dominates all others... Victory. The vital war role of America's banks—how they are helping to finance the war, assure adequate food supplies, accelerate war production and keep the economic machine on an even keel—will be discussed in this new series of advertisements entitled "Banks and the War." Our next message will be on a subject of intense personal interest to everyone—Defense Bonds. Watch for it.

STAMP COLLECTING AS A BUSINESS

Eugene Klein, an electrical engineer whose hobby of stamp collecting became his life work, took the local Rotary Club behind the scenes of the stamp business last week in a talk which covered some of the outstanding "finds" of philately. Mr. Klein is internationally known both as a collector and as a dealer and his offices in Philadelphia are the meeting place of prominent men from all over America.

One of the best known examples of great profit from a stamp "find" is that of the 24 cent air mail of 1918. When this stamp was put on sale a collector bought a sheet of 100 stamps at the post office window. After paying his money he was examining the sheet to be sure it was as perfect as he desired it to be, when he noticed the airplane shown on the stamp was upside down.

Retains Sheet

Involuntarily he exclaimed over this and the clerk, realizing that something had gone wrong in the printing, insisted that the sheet be returned. The buyer insisted that the transaction was complete and left the window. Subsequent attempts of postal inspectors to secure the sheet were unsuccessful.

The purchaser started visiting stamp dealers and was at first offered but \$100 for the sheet but as news of the "find" spread the bids were rapidly raised. Mr. Klein recognizing the real value of the material invited the owner to his office and after some negotiation purchased it for \$15,000. Interesting side light on the acquirability of the seller was, that on top of this \$15,000 per cent return on his investment, he demanded \$11 for the case in which the sheet was carried.

Mr. Klein sold this sheet to the son of the fabulously wealthy Hetty Green for \$20,000. When Mr. Green took the sheet home he found it too large for the album page so he decided to retain certain particularly desirable portions of it and sell the remaining stamps. The first were sold at \$350 each, then the price was raised to \$500 each, then \$750 each—and the value has been increasing ever since. The last sale of one of these stamps was for a price of \$4000.

\$5,000 Stamp

Other similar stories told by Mr. Klein included the famous Alexander, Va., post office provisional which was found in a garret and the sale of which for \$5,000 enabled a young couple to be married just at the time they were desperately dependent over the years of waiting that seemed to stretch ahead.

He also told of his purchases of old envelopes from a mass of material cleared from the files of an old Philadelphia business house which included stamps for which as much as \$2,000 each were paid.

A hobbyist whose enthusiasms were kept in check to provide his listeners with many interesting side lights on the stamp business, Mr. Klein held his audience as few in such a specialized business are able to do. He was introduced to the club by C. P. Mayfield.

Among the guests at the dinner meeting were Joseph A. Miller, son of Rev. K. P. Miller of Delanco, who was home on army furlough, Wilbert N. Mick of Laurel Springs, N. J., and Stanley Griffith of Palmyra, President of the South Jersey Federation of Stamp Clubs.

Palmyra issued 5018 sugar ration books last week, School Supervisor Jones reports.
Riverton schools issued 2336 sugar books and Cinnaminson 2557.

RIVERTON MEETS PALMYRA AT MEMORIAL PARK SUNDAY

The first clash of the season between the two local entries in the Burlington County Baseball League takes place this Sunday at Memorial Park, when Palmyra and Riverton clash at 3 p.m.

Both teams are undefeated to date in loop competition and a keenly fought contest appears in the offing. A large delegation of fans from both communities is expected to view the fracas.

Len Baker, Palmyra mound ace is expected to draw the hurling assignment for the Palmyrians and will probably be opposed by Diefenbaugh for Riverton. With these two top notch twirlers on the hill the affair should develop into a tight pitching battle where a single run may mean much.

SHOWS HISTORICAL STATE DOCUMENTS

George J. Miller, of Trenton, former assistant director of the Public Record Office of New Jersey was the speaker at the meeting of the local Business and Professional Men's Club on Tuesday of this week, his subject concerning historical documents of the State together with their restoration and preservation.

Mr. Miller said that there are thousands of old documents now kept at the State Library which are of considerable value to historians and which reveal many of the early activities of New Jersey residents. These include tax bills, tavern licenses, naturalization papers, township record books and the like.

Sturgeon in Delaware
As an interesting sidelight, Mr. Miller told of one coroner's record in 1688 which covered the death of a young woman who was drowned when a sturgeon upset her canoe in the Delaware River.

The speaker showed several documents which dated back to 1685. These, as might be expected, were in very poor condition, having been attacked by mildew, eaten by insects and torn where folded. He then displayed others of the same date which had been restored and asserted that they can be preserved indefinitely.

Treatment

The paper is first cleaned and a solution of cellulose acetate applied. This is fused into the paper by heat and pressure so that the sheet becomes firm and can be readily handled.

Another method used is to apply thin transparent silk over the surface of a document and fuse it to the paper. Mr. Miller showed one example of this, a bound volume of the Minutes of the Council of the Proprietors of the Eastern Division of New Jersey for the period 1685 to 1705.

The speaker also showed how microphotography is being used to make a permanent record of various books, etc. He exhibited a small roll of film which contained the transcript of 1,600 pages of documents.

Dr. S. Emile Stokes, of Moorestown was a guest at the luncheon.

RIVERTON P.T.A. HOLDS FINAL MEETING OF YEAR

The Riverton Parent-Teacher Association held its final meeting of the year on Monday of this week. An entertainment was presented by pupils of the school which included several numbers by the rhythm band and a playlet, "Hansel and Gretel."

Annual reports were presented by the chairmen of the various committees. The speaker of the afternoon was Earl Whitcraft, a member of the faculty of the Palmyra Junior High School, his topic being "Recreation in the Home and Community in These Times."

Mr. Whitcraft stated that we all

SHRADER RESIGNS FROM COUNCIL

At the meeting of Riverton Borough Council held on Thursday night of last week, the resignation of Councilman Earl A. Shrader was accepted with sincere regrets.

Captain Shrader, who was recently ordered to active duty in the Chemical Warfare Service of the Army is now stationed in Washington.

There was considerable discussion at the meeting regarding the appointment of a successor to Captain Shrader to serve until the next election, but no decision was reached. It is expected that such an appointment will be made at the next meeting of Council.

need recreation as well as rest. He said that there should be a close contact between parents and their children and that children should be encouraged to read and to have hobbies. A good home, he said, will provide the following: social life, literature, family fellowship and music. The speaker concluded by saying that recreation can mean a lot or a little to all of us, depending upon the individual attitude.

Tea was served at the close of the program. Members of the association are asked to remember that the annual Field Day program will be held on Tuesday, June 9, at Memorial Park.

Mr. Whitcraft stated that we all

DOCTORS LEAVE FOR MILITARY SERVICE

Two Riverton doctors left last week for service with Army medical units, the physicians being Dr. Paul M. McCreary, Jr., of Thomas avenue and Dr. John R. Siddall, of Lippincott avenue.

Dr. McCreary, who entered the Army with the rank of captain, left with the University of Pennsylvania Hospital Unit for a camp in Louisiana, while Dr. Siddall, who entered with the rank of First Lieutenant, left with the Jefferson Hospital Unit for Texas.

VOLUNTEER BLOOD DONOR SERVICE

Thrilling to the challenging opportunity to save the lives of thousands of soldiers and sailors and civilians, men and women on every side want to know more about this service. Here are answers to some of your questions.

How do I prepare myself to be a blood donor?
Live as usual but do not eat fatty food, such as cream, butter or other fats for 4 hours previously.

What is done with the blood?
Your blood is sent to a laboratory where it is processed into dried plasma, made ready for use as a transfusion, and sent to Army and Navy for distribution.

Is it as good as usual blood transfusions?

Yes, it is better in many cases. No blood typing is necessary; the plasma keeps for years and can be administered almost immediately. It can be transported in small kits containing one ampoule of plasma and a pint of sterile water. These kits can be carried on planes, on battlefields, by landing parties, and by infantry, tank, and artillery units, enabling transfusions to be given anywhere, when and as needed.

Are there any personal benefits?
Yes. As a service to the donor, the blood is "typed" and the donor informed of his or her blood group. This information may be of great value to the donor in some future emergency involving his or her own life or a friend's.

TENNIS CLUB MEETING
The Dela-Valley tennis club, of this area, will conduct its first meeting of the 1942 season, Friday of this week, May 22, at 8 p.m. in the residence of James Ballantyne, of 508 Morgan avenue, Palmyra. John Marshall, president of the club invites everyone in Palmyra, Riverton, and Cinnaminson interest-

MANY MARCH IN LOCAL PARADE

Favored by perfect weather the fourth annual observation of "I Am an American Day" was held in Palmyra on Sunday with a large street parade that was followed by exercises in the Palmyra High School stadium. There was a large participation in the procession and the audience at the stadium taxed the seating capacity.

Headed by Palmer L. Adams, mounted marshal, his aides and a police escort, the parade moved over principal streets in Palmyra and Riverton to the stadium, where the formal program was held.

Among the units participating were: a splendid delegation from the Palmyra Defense Council that included air raid wardens, police and fire reserves, first aid and motor corps units and the emergency mobile unit. The Red Cross had in line its Motor Corps, Grey Ladies and Nurses' Aides.

Others in line were: Sacred Heart Girl Scouts, Boy Scouts, P. O. of A., Mt. Holly Cadet Band, Four Mile Colony Band, Palmyra High School Girls' Drum and Bugle Corps, Palmyra Cadet Drum and Bugle Corps, Palmyra Ambulance Association and fire companies from Palmyra, Riverton and Cinnaminson.

At Stadium

At the stadium the following program was carried out:

Presiding—James P. Hughes, Chairman of Burlington County Americanization and Citizenship Committee.
Massing of colors by all color Guards in front of stadium.
"The Star Spangled Banner," sung by the audience.
Invocation—Father Hugh Morton, Christ Church.

Musical selection—P.H.S. Girls Drum and Bugle Corps.
Greetings to County—Mayor John Ward of Palmyra.

Musical selection—Colony Band.
Speech on America—American Legion Contest Winner, Sidney Filderman, of Riverside.

Speech—Judge Hendrickson.

Musical selection—Mt. Holly Junior Cadets.
Speaker—A. Matlack Stackhouse.

Musical selection—Palmyra Cadet Corps.
Speaker—J. Mattison Whomsey, county air raid observation chief.

"America," 1st verse—sung by the audience.
Benediction—Father Wm. Quinn, Sacred Heart Church.

FALLS THROUGH SKYLIGHT, IS SERIOUSLY INJURED

Samuel F. Spritz of 1604 Green street, Philadelphia, was seriously injured shortly before 5 o'clock on Tuesday afternoon of this week when he fell through a porch skylight at the former Vaughan residence, Bank avenue, Riverton, hit a stone ledge 15 feet below and crashed to the cement floor.

AS I SEE IT

By FRANK LEE SAYID

Some time ago we unfolded to our public the mysteries of the world calendar idea, which is gaining support in many countries. We fear we did not bring to the subject the enthusiasm of the crusader. Had we then known the tangle in which the weeks of May were scheduled to find themselves we should have put more fire into our pen.

We have just discovered there are eleven "weeks" dedicated to special observances in the month of May—not to mention eleven special "days" the proponents of which are probably only biding their time to stretch into a new calendar to cope with this lavish outlay of time. You can't crowd them into the four conventional weeks of our present system and do justice to the great causes to which they are dedicated.

With over half the month gone we need not worry about our participation in Egg Week, Music Week, Restaurant Week, Raisin Week or Golf Week. They are all behind us. And so are Moving Day, Child Health Day, National Health Day and several other great annual events of like importance. We would, however, feel better if we knew for certain whether the observance of Egg Week was intended for us or for the chickens. It is going to be embarrassing when Eric, out in the country, brings up the subject.

The days ahead do give us some concern. As these lines are read we have passed Good Will Week and we do not yet know how far we should have gone in its observance. There are those whose concepts of this important celebration are so narrow as to construe our well meant Good Will as freeness. Will the incorporators of this project, which took an international slant on the 18th, advise us how ready the constituents are to accept our Good Will without affront.

Cotton Week and Fruit Week and Foreign Trade Week all crowd one upon the other and we regret that, in their cases too, so few seem enlightened as to the proper means of celebration. We are particularly intrigued with the thought of Foreign Trade Week. We vision certain of our newest products already on the way to the Jax's powers—perhaps they arrived on Good Will Day—sent with love and kisses from the mothers and fathers of boys now "over there." It would make the week go off with a bang!

The competition for the 18th was formidable. Nothing could persuade the league on behalf of outdoor cleanliness to accept the 17th or 19th. Probably they hoped for the celebrations of Good Will to bring out

many who would stay for their party. Anyhow the 18th was Outdoor Cleanliness Day. Here, too, there is an embarrassing ambiguity of directions. Was it that we were to scrub up Mother Nature or was it that we were to do our own scrubbing outdoors?

National Maritime Day is still ahead. All the boys and girls in Kansas and Iowa are to think of ships and the sea. Deponent steth not what other observances are in store.

But there is one week on this calendar that needs no promotion, requires no explanation, deserves complete support. It is Buddy Poppy Week. May 17th-23rd, and we hope every man, woman and child in America remembers it gratefully and generously.

HEMPHILL—LEIDY

Miss Helen K. Leidy, daughter of Mr. and Mrs. Phares S. Leidy, of Riverton, became the bride of Wesley L. Hemphill, son of Mr. and Mrs. Fred P. Hemphill, of 406 Lippincott avenue, Riverton, at a four o'clock ceremony on Saturday, May 16, in the Calvary Presbyterian Church. The ceremony was performed by the Rev. Robert Kirkpatrick, pastor of the Presbyterian Church of Accomac, Virginia. Mrs. Ruth Peterson Bell played the wedding march.

The bride, who was given in marriage by her father, wore a gown of white faille with sweetheart neckline and bouffant skirt; main train. She wore a lace bordered veil held by a tiara of seed pearls and she carried a bouquet of gardenias, white roses and sweet peas.

Mrs. Leland Cooney, of Drexel Hill, Pa., served as matron of honor and her gown of orchid faille was fashioned on lines like that of the bride. She wore a matching off-the-face hat with face veil, and carried yellow roses.

The bridesmaids, Miss Lorraine Leidy, of Sharon Hill, Pa., cousin of the bride, and Mrs. Edwin Moore, of Palmyra, wore similar frocks of apple green faille with matching off-the-face hats and face veil and carried pink roses and snapdragons.

Prudence Moore, of Palmyra, a flower girl and wore a frock of yellow faille, following the same lines as those of the other attendants, with a similar matching hat. She carried a bouquet of mixed spring flowers.

Dr. J. Allen Hemphill, of Mt. Holly, was his brother's best man and ushers included William R. Leidy, brother of the bride, J. Vincent Hackett, William M. Shoemaker, 3rd and John R. Fuller, all of Riverton.

Mrs. Leidy wore a gown of blue lace with white accessories, and a corsage of orchids. The bridegroom's mother chose flowered crepe with white accessories and an orchid corsage.

A reception was held at the Riverton Porch Club immediately following the ceremony, after which Mr. Hemphill and his bride left for a brief honeymoon. They will be at home after May 25 in Washington, D. C.

Both Mr. and Mrs. Hemphill are graduates of Palmyra High School and Mr. Hemphill was also graduated from Lehigh University.

Riverton Boy Scouts will collect salvage material every Saturday morning until further notice. Those who have material for collection are requested to leave their name and address at any local store.

P.T.A. CONFERENCE

High tribute was paid to Mrs. Richard Burtis, retiring president of the Burlington County Council of Parents and Teachers at the annual Spring Meeting at Medford School, May 13. A presentation of gifts in appreciation of her leadership and enthusiasm which have been an inspiration to all members, followed by Mrs. Mary Krupnick, an evening bag and U. S. savings bond from the Council and a Parent-Teacher ring from the executive board.

Mrs. Burtis and all other retiring officers and chairmen gave splendid reports of their activities during the past year.

Mrs. Morris Foulk of Woodbury, 2nd Vice-President of the State Congress, and Southern District Chairman, installed the following officers after their election: Mrs. Winfield Crossley, of Moorestown, President; Mrs. Theron Foote of Birmingham, Vice-President; Mrs. Samuel McGaw, Jr., of Maple Shade, Recording Secretary; Mrs. William Wells, of Delanco, Corresponding Secretary; Mrs. Luther Trostle, of Beverly, Treasurer; and the following District Chairmen: Bordentown, Mrs. Walter Rogers of Roeboling; Burlington, Mrs. James Shaw of Springside; Eastern, Mrs. William Wurst of Hainesport; Moorestown, Mrs. Carmen Kintzing of Marlton; Riverfront, Mrs. Roy Hullings, of Riverside; Southern, Mrs. Frank Smith of Ranococas; Mt. Holly, Mrs. Norman Reeves of Mt. Holly; Western, Mrs. Harold van Zant of Marlton.

WILL RECEIVE DEGREE AT BUCKNELL UNIVERSITY

John Yost, son of Mr. and Mrs. Charles H. Yost, 631 Thomas avenue, Riverton, is scheduled to be graduated from Bucknell University on Saturday, May 23. A graduate of the Palmyra High School, Yost will receive a Bachelor of Science in Commerce and Finance at Bucknell.

A member of the Phi Kappa Psi social fraternity, Yost has been active in intramural sports, playing fraternity basketball, baseball and soccer. Yost was a member of the varsity soccer team during his last two years at Bucknell.

Yost belongs to a class of 250 Bucknell seniors who will receive their diplomas from President Arnaud C. Marts as the highlight of the University's ninety-second annual Commencement.

HOLY NAME FEDERATION MEETS IN MOORESTOWN

Rev. William Cahill, a member of the order of the Society of the Divine Word, and former athletic director of the Catholic University in China, at the monthly meeting of the Burlington County Federation of Holy Name Societies held at Our Lady of Good Counsel School, Moorestown, last week.

Some 400 men from all sections of the county attended the meeting which was under the direction of the Rev. Gunnard, curate of the Moorestown parish.

Greetings were extended by the officers of the county federation and the pastors and curates of the various parishes represented at the affair.

Edwin P. Clark, of Bordentown, a member of the New Jersey State Defense Council staff, was also present and spoke on "Patriotism." Clark urged those who are not already taking part in the various civilian defense groups to do so, as there is a place for everyone under the new set up of the local defense councils. He defined the various committees, and the type of work they do.

A luncheon was served by Our Lady of Good Counsel PTA at the conclusion of the meeting.

MRS. HERBERT KEMMERLE ELECTED P.T.A. PRESIDENT

Mrs. Herbert Kemmerle was re-elected president of the Sacred Heart P.T.A. at a meeting held last Thursday at the Sacred Heart School auditorium.

Other new officers are Mrs. William O'Keefe, first vice president; Mrs. William Montague, second vice president; Mrs. Leo Wallace, third vice president; Mrs. Edward Founce, secretary and Mrs. Raymond Fichter, treasurer. Mrs. William H. Rowan was re-appointed as program chairman.

Paul R. Jones, principal of the Palmyra public schools was present and spoke on the various courses at Palmyra High School and of their value to the individual in future years.

White works became the uniform for final exams at the U. S. Naval Academy in the Sweltering May of 1941.

MOTOR VEHICLE DEATHS DURING FIRST QUARTER

New Jersey traffic deaths during the first quarter totaled 251 as compared with 214 last year, an increase of 17 per cent. Motor Vehicle Commissioner Arthur W. Magee announced recently.

Casualties increased in thirteen of the twenty-one counties. Atlantic, Burlington, Camden, Essex, Hudson, Mercer, Ocean, Passaic, Salem, Somerset, Sussex, Union and Warren. Cape May and Morris counties kept their deaths at last year's levels while decreases were reported in Bergen, Cumberland, Gloucester, Hunterdon, Middlesex and Monmouth counties.

The greatest where deaths jumped from 28 to 44 while there was an increase of eight in both Hudson and Union counties. Middlesex had the biggest decrease with fatalities dropping from 22 to 14.

Following is a two year comparison of fatalities covering the first quarter:

	1942	1941
Atlantic	13	7
Bergen	23	27
Burlington	12	11
Camden	17	14
Cape May	2	2
Cumberland	6	8
Essex	44	28
Gloucester	5	6

PALMYRA WINS TITLE

The Palmyra High School track team annexed another title here on Saturday afternoon when the charges of Coach Melvin Kreps took the South Jersey Group 2 crown by a substantial margin. The locals amassed a total of 62½ points as compared with 37½ for Pennsgrove in second place. The also rans were Burlington, Moorestown and Salem. Palmyra first place winners were: Flounroy in the 120 high hurdles, Conwell in the 100 yard dash, Flounroy in the 220 yard low hurdles,

About Town

Captain C. Singleton Mears, of Riverton, has been assigned to duty in the Army Air Corps at a post in a mid-western state.

Sergeant Howard Elliott, Jr., of Riverton, was one of the soldiers who broadcast from Australia last week to the folks at home. Several members of his family and friends heard the broadcast.

Riverton Boy Scouts will collect salvage material every Saturday morning until further notice. Those who have material for collection are requested to leave their name and address at any local store.

Sherman C. Gootee, U.S.N., son of Mr. and Mrs. William Gootee, of Riverton, is spending a furlough at the home of his parents.

RIVERTON CHILD SEVERELY BITTEN BY VICIOUS DOG

Mary McCormick, aged 3, daughter of Mr. and Mrs. William McCormick, 200 Second street, Riverton, was badly bitten by a dog owned by a local resident while she was walking along Thomas avenue on Sunday.

The child was taken to the Burlington County Hospital, where she was treated for bites on the back and face. Since the offending animal is reported to have bitten two other persons of late it was taken in charge by Chief William Gootee of the Riverton police and turned over to a veterinarian for destruction.

Why unnecessary telephone calls may delay urgent ones in an air raid emergency

IT WOULD BE out of the question to build a telephone system large enough to take care of all the calls that would result if everybody tried to telephone at once—just as it would be impracticable to build highway and transportation systems in the expectation that everyone would want to use them at the same time.

Your telephone system, whether dial or manually-operated, is equipped and manned to take care of calling that is normally distributed in varying amounts throughout the day, with some reserve for the unexpected. Should many more than the normal number of calls be crowded into a very short period, the system would probably be clogged and many calls, emergency calls among them, would not get through.

The rule, "Don't telephone unless urgent", applies both during an air raid alarm, and for some time afterward, because defense action must be taken in both periods by telephone. General public observance of the rule will go far to insure fast, dependable telephone service in case of an emergency.

CINNAMINSON AUDIT

May 9, 1942

To the Honorable The Chairman and Members of the Township Committee, Cinnaminson Township, Burlington County, N. J.

Gentlemen: An audit of the financial accounts and transactions of the Township of Cinnaminson for the year ending December 31, 1941, has recently been completed. The results of the audit have been set forth in detail in a report submitted May 8th, 1942. The following is submitted for publication as required by Statute.

STATEMENT OF FINANCIAL CONDITION AS OF DECEMBER 31, 1941

The Township owes for the following: None		
Cash		\$19,924.99
Taxes Receivable	\$27,041.15	
Tax Title Liens	10,751.36	
Less Reserve	37,792.51	
Franchise Taxes Receivable	37,792.51	
Foreclosed Tax Title Liens	None	
Less Reserve	4,400.86	
Revenue Accounts Receivable	4,400.86	
Less Reserve	83.37	
Due from Capital Accounts	1,035.25	
Less Reserve	1,035.25	
Deferred School Revenues	23,851.25	
Less Reserve	23,851.25	
Which leaves a Cash Surplus Revenue of		\$19,924.99

The following recommendations are submitted for your consideration: In the 1942 budget appropriate, with the prior written consent of the Commissioner of Local Government, Capital Surplus in the event that any State Aid road work is contemplated; adopt a Resolution specifically authorizing the turning over to the Township Solicitor of the tax title liens certificates which have been forwarded to him for foreclosure; collect interest on all delinquent items.

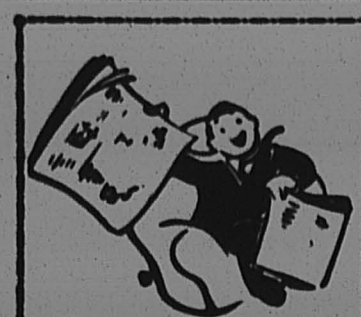

I hereby certify that the report submitted on May 8th 1942 is a true and correct report of the financial accounts of the Township of Cinnaminson, County of Burlington, for the year 1941 as obtained from the books and papers of the Township presented to the auditors, supplemented by personal inquiry and investigation and I believe it to be a true report of the financial condition of the Township.

I also certify that the work was done by me or under my direction and the preceding comments are correct to the best of my knowledge and belief.

Respectfully submitted,
ALBERT J. PROCTOR

ABOUT TOWN

The directors of the Riverton Cinnaminson Welfare Association met in the office of the association on Tuesday night of this week.

Sam Rothbaum, of Palmyra, was recently elected captain of the Duke University basketball team for the 1942-43 season.

The Sacred Heart P.T.A. will hold a Food Sale on Wednesday, May 27, at the Sacred Heart School Hall at 1 p.m. Mrs. Morgan is the chairman for this sale. Orders will be taken by calling Riverton 549-J.

A Flower Mart and Food Sale will be held at Central Baptist Church by the Fidelis Class on Saturday, May 23, from 11 a.m. to 4 p.m. There will also be a needlework table.

The members of the Junior Woman's Club of Palmyra enjoyed a dinner at the Riverton Country Club on Monday evening of this week.

The members of the ladies' golf team at the Riverton Country Club held a white elephant tournament on Tuesday which was followed by luncheon at the club.

Janet Bradley, Lorraine Davis, Joan DeCoursey, Betty King, and Doris Lippincott, pupils of Miss Emma A. Price, having passed an audition in music with high averages on May 2, received certificates from the Philadelphia Music Teachers Association.

Charles Henry Bailey, of Broad and Main streets, Riverton, returned from the Naval Hospital, Philadelphia, on May 12, following an operation. He is reported to be getting along nicely.

Mrs. Oscar White and Miss Helen Coles, of Cinnaminson, spent the weekend in Connecticut visiting P.F.C. Oscar White and P.F.C. Robert Kallas, of Bradley Field.

The Junior Class of Palmyra High School will hold the annual Junior Prom on June 9th this year, and Riverton School will again be the location for the affair. The orchestra for this final event of the Palmyra High social season will be that of Phil Vincent.

Vincent's aggregation enjoyed a successful engagement at the Duke Ranch in Atlantic City last summer. Dorothy Koppenhaver and Charles Conover are co-chairmen for the affair.

The annual Sacred Heart Parish picnic is to be held June 7, at Clementon Park. With gas being rationed those intending to make the trip are requested to leave their names at the Sacred Heart Rectory or at the school as soon as possible.

The Confraternity of Christian Doctrine will conduct a recording dance Sunday night in the Sacred Heart School.

The Junior Chamber of Commerce will conduct its semi-monthly meeting Tuesday night at 8:30 p.m. in Palmyra's new borough hall. The chapter received permission from the local council last week to meet there.

each 2nd and 4th Tuesday. Several projects are being discussed and every member is urged to be present. Contributions are still being received by the group for the Community Center. These will keep the building open to our youth for another year. Donations are being received by Henry Naishy of 800 Parry avenue, Palmyra campaign chairman.

Buddy De Laney and his orchestra, featuring Betty Parker, vocalist, will furnish the music for the Germantown High School Junior Prom, to be held at the Germantown Cricket Club on Friday evening.

GAS RATION CARDS

Since there has been some misunderstanding as to the persons who should receive X and B cards for gasoline, the Palmyra Rationing Board will allow these cards to be exchanged for a lower card,—that is, the person with an X card may receive a B or A card, and the person with a B card may receive a lower rating, either B-1, B-2 or an A card. Unfortunately, many business organizations misinformed their employees as to the proper type of card they should request. This has caused some confusion in the minds of people who made application for cards, and naturally resulted in a misunderstanding of the rationing program for gasoline.

Those who are interested in making application for a lower card may call at the Local Rationing Board office in Borough Hall Mondays through Fridays from 1:00 to 5:00 p.m.

The applicant should be sure to bring his automobile registration card, and also his rationing card, the latter to be returned when the new card is issued.

BOY
SCOUT
NEWS

18 men attended the closing outdoor meeting of the Scoutmaster's Training Course that was held Sunday afternoon and evening at the Camden Boy Scout Reservation. The meeting opened with an exhibition of outdoor camping gadgets which showed the different methods of building fires, tent pitching, and health and safety. This was followed by an adventure trail through the woods where the men had to put to practice the skills they had learned in the previous meetings to advance along the trail.

A demonstration of tin can craft was put on by Dwight E. Tuttle, Chairman of the Council Leadership Training Committee.

Each man cooked his own supper which consisted of kabob, twist on the stick, coffee, and apples for dessert.

An evening campfire program followed the clean-up of the campsite during the course of which certificates were awarded to those who had completed the course. Certificates for completing the Scoutmaster's Training Course were awarded to Herman Johnson, Herbert Bloomer, George Vogt and Walter Baker, all of Maple Shade; George Fish, Ranocas; Dr. W. S. Niedersauser, Bob Whiting, Jim Moore, Frank Atkinson, J. Warner E. Love, Henry Franks, all of Moorestown; V. Larwood, Caldwell, Delanco; Ira J. Kolb, Pemberton; and Harold Gray, Vincentown.

This training course was put on for the benefit of all Scouters in District E and District F. Similar training courses will be run in other districts in the Council and men who have missed one or two of the meetings in this training course will have an opportunity to make them up at the other courses.

CINNAMINSON RATION BOARD

Sugar

Special Purpose Application forms for home canning, medical necessities, etc., have been received and may be had any Wednesday, 10 a.m. to 3 p.m., at Steele's Nurseries office. The allotment for canning is one pound per person covering the period up to July 1st.

Notice

"Any person who uses his motor vehicle or inboard motorboat for transporting a child to or from school and who finds that the ration card issued to him is insufficient to enable him to transport such child, may apply for a supplemental ration to any board in the rationed area. The board may, in its discretion, grant the application, but only if it finds that a supplemental ration is essential to the transportation of the child to school and that the age of the child and the distance from school are such that walking to or from school or any other method of transportation would be unduly arduous or hazardous."

The Rationing Board of Cinnaminson Township has arranged for the different ones mentioned below to handle the following departments—

Clothing—Ruth Armstrong, Eva Dorworth, Helen Steele.

Automobiles—Wallace Armstrong, Jr., Cecil Bowers, Lester Steele.

Foods—Helen Steele, Lester Steele.

Fuel and Liquids—Ruth Armstrong, Wallace Armstrong, Jr.

Metal Products—Mr. Armstrong, Mr. Steele.

Tires, Tubes, Rubber Goods—Mr. Bowers, Mr. Armstrong.

All members of the Board and their assistants will co-operate in the functioning of the various departments. Temporarily, sugar is being handled at the office of Steele's Nurseries. All other items are being taken care of at the home of Cecil A. Bowers, Route 25.

TO BICYCLE RIDERS

Attention again is focused on the bicycle as a convenience and a menace, the Keystone Automobile Club says, in a bulletin emphasizing the importance of traffic law compliance by "bike" users, young and old.

In recent months, the Club reports,

thousands of adults have joined the ranks of juvenile bike riders, some for pleasure and others because of tire and gasoline restrictions. "Unfortunately," the bulletin continues, "a great many—probably a majority—of bicycle riders pay no attention to a requirement of motor

vehicle law that a bicycle used in hours of darkness must be equipped with a headlight and a red light or reflector in the rear.

"A constant stream of complaints reaches the Club from motorists who experience difficulty in avoiding accidents with bicycles at night. Many narrow escapes are reported, and the principal complaint is that lightless bikes emerge without warning from side streets or roads into heavily traveled streets. Second in importance is the dangerous practice of boys and girls riding in groups, spread out all over the road and zig-zagging in such manner that the approaching motorist is at a loss to know how to proceed.

"Adults who have taken to the bike as a means of transportation are cautioned to observe the traffic rules, with particular reference to traffic lights and 'stop' signs. The law covers bicycle operators in the same degree it applies to all other forms of transportation."

Certain occasions, considered either collectively or individually and observed properly, tend to give the activity of man infinite scope; but mere merry-making or needless gift-giving is not that in which human capacities find the most appropriate and proper exercise.—Mary Baker Eddy.

Reading Room in Church Building, Thomas Avenue and Seventh Street, Riverton, open Tuesday and Friday, 2:30 to 4:30 p.m.

"Soul and Body" is the Lesson-Sermon subject for Sunday, May 24, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "Why art thou cast down, O my soul? and why art thou disquieted within me? hope thou in God: for I shall yet praise him, who is the health of my countenance, and my God." (Psalms 42: 11).

Among the Lesson-Sermon citations is the following from the Bible: "There is one body, and one Spirit, . . . One God and Father of all, who is above all, and through all, and in you all." (Ephesians 4:6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Because of human ignorance of the divine Principle, Love, the Father of all is represented as a corporeal creator; hence men recognize themselves as merely physical, and are ignorant of man as God's image or reflection and of man's eternal incorporeal existence." (P. 13).

SACRED HEART CHURCH
Fourth and Linden Avenues
Riverton, N. J.
Rev. William F. Quinn, Pastor
Rev. Francis J. Coan, Assistant Pastor

Masses—Sundays at 6, 7, 9, and 10:30 o'clock.
Weekdays—7 and 8 o'clock.
Confessions are held on Saturday 3:45 to 5:45 and 7:30 till 9 p.m.
The last service in the Novena devotion to Our Lady of the Miraculous Medal will be held on Monday night at 7:45 concluding the present novena. These devotions will be resumed in September.

Twenty-three girls and boys will receive their First Holy Communion this Sunday at the 9 o'clock Mass. Many of the friends of those receiving Holy Communion will attend this Mass. Confessions for those receiving their First Communion will be Saturday morning at 10 a.m.

Announcement was made at the county Holy Name meeting held last week at Moorestown, that a meeting of the executive staff of each parish society together with the pastor of each parish will be held in the near future.

The annual parish picnic will be held at Clement Park this year on June 17th. Due to the gas rationing and other difficulties those desiring to go on the picnic are requested to notify the pastor or the Sisters by Sunday night. The Confraternity of Christian Doctrine meets each Thursday night in the school auditorium at 7:30. All high school students are urged to be present. The group will conduct their weekly parish dance Sunday night in the school.

CENTRAL BAPTIST CHURCH
5th St. and Maple Ave., Palmyra
Rev. S. Dan Morgan, Pastor

The gasless and tireless days that are here and probably will last a while, might be looked upon as a blessing in disguise. It will give the individual time to meditate and come to a fuller appreciation of the many things that he has so casually accepted over a period of years, not accepting these as blessings. It will at least give the individual more time to accept the opportunity of worship, for which this country was founded. Then we will be getting nearer to a successful conclusion of the present conflict, and building a foundation upon which there can be built a world of permanent peace. "Central Baptist" welcomes strangers and bids them to come to the services.

SerVICES, Sunday, May 24th—
Bible School, 10 a.m.—From the cradle roll to classes for the sages. So that includes everyone.
Morning Service, 11:15 a.m.—The subject of the morning service will be "He that Saves." The choir will render "O How Amiable Are Thy Dwellings" by Rogers, and "Recessional" by DeKoven.

Jr. B.Y.P.U., 6:45 p.m.—In the Junior Department room.
Sr. B.Y.P.U., 6:55 p.m.—In the main Sunday School room. These two groups, covering all ages, conduct discussions of everyday interest and importance to youth. They are always interesting.

Evening Worship, 7:45 p.m.—Frederick M. Rodgers Post, No. 156, American Legion will attend the evening service, as has been their custom since its organization, in commemoration of their buddies who

have "gone West." Members, their wives, and their friends, have been invited. Pastor Morgan will deliver the sermon, his subject being, "The Purchased Possession." The appropriate anthem, "America The Beautiful" by Fisher, will be sung by the choir.
Don't miss the mid-week Prayer and Praise Service on Wednesday evenings at eight o'clock. The theme for the next meeting will be "The Friend of God."

EPWORTH METHODIST CHURCH
Fifth Street and Morgan Avenue
Palmyra, N. J.
Rev. D. Roe Haney, B.D., Minister

Sunday's program in Epworth Church will begin with Church School in the various departments and classes at 9:45. The departments and classes are well arranged with trained teachers to take care of all pupils from the Nursery Department on up. Also the Nursery Department is prepared to care for babies and small children while the parents worship.

Church worship will be at 11 and 7:45 o'clock. The minister will preach in the morning on "A Needed Witness." The Junior Choir will sing "Nature's Hymn of Praise." The Senior Choir will sing "The Lord is my Rock" by Woodman. The organ numbers will be "Hymn of Praise" by Wely, "Melody in F" by Rubinstein, and "Song Without Words" by Thome.

The minister will deliver a short sermon in the evening, the choir will sing and Mrs. Gertrude Turnock will render a solo. Mrs. Lord will play "Salute D'Amour" by Elgar, "Cantilene" by Salome, and "Songs in the Night" by Spinney.

The Epworth League will meet for song service, devotions and discussion at 7 o'clock.
Prayer Meeting will be conducted Wednesday evening at 8 o'clock. A hearty welcome is extended to all in the various services.

Only what feeds and fills the sentiment with unworldliness, can give peace and good will towards men.—Mary Baker Eddy.

SPRINGTIME
Who can resist the beauty—
The wonder and surprise,
A miracle of miracles
Before our very eyes!
The winter spell is broken,
Old Mother Earth awakes
And lo, the transformation!
Our breathless souls it shakes.

On every side such joyous sounds,
The birds in chorus sing.
Soft breezes rustle through the trees
And all proclaim—'tis Spring!
Oh happy, joyful time of year
With beauty every place;
Each tree and bush and shrub and flower
Takes on new life and grace.

God's creatures on the earth and skies
Come forth to sing His praise.
'Tis Springtime! Let us all be glad
And thankful all our days.

Joan Ruth Entwistle, of 1119 Morgan Avenue, Palmyra, who graduates on Monday from the Junior School of Virginia Intermont College at Bristol, Virginia.

She will graduate as an honor student being listed as second on the Dean's honor roll.

Joan was graduated in 1937 from Westfield Friends School in Riverton.

RETAIL FOOD PRICES ROSE 4.99% IN APRIL

A rise of 4.99 per cent in the average retail price of all foods in April as compared to March is indicated in the monthly summary of the New Jersey State Department of Agriculture. This is the largest increase re-

ported in two consecutive months since the wave of frantic buying which occurred at the outbreak of war in Europe in September, 1939. April prices for all foods were 22.46 per cent higher than a year ago in April 1941.

Some relief in the form of price ceilings for certain foods, established at the levels prevailing in March, probably will prove timely and welcome to New Jersey housewives who saw 48 of the 83 listed food items advance during April while 16 remained steady and 19 declined. According to the federal price control plan, prices for certain foods cannot exceed the highest March levels, thus offsetting the advances recorded during April.

Westfield Friends' School

The annual outdoor fête of the year will be held on Wednesday, May 27th, at 5 o'clock. The events will open with Group Dances followed by a Pet Show. All kinds of pets will be entered and ribbons will be awarded for the best of each class. Everyone is invited to come and bring a picnic supper, sugar and cups included. Ice cream and coffee will be on sale on the grounds.

Rain date—May 28. The Commencement for the Sixth Class will be held in conjunction with the music and choric speaking recital on Wednesday, June 3rd, at 7:30 p.m. in the school building.

Old-Fashioned Moss Roses

with their dainty buds nestling in their fragrant mossy

in the four colors, white, rose, crimson and light pink.
Another old favorite is the ideal white garden rose Frau
Karl Druschki,—sometimes known as the White Ameri-
can Beauty.

Passers-by on country roads often make wondering
admiring comment on great bushes of semi-double golden
and deep yellow roses growing in old gardens, usually
along with shrubs. These are Harison's Yellow and Per-
sian Yellow. Try them in your own garden.

Rotarians Hear About Word Derivations

Hobbies again were the theme of-
ered the local Rotary Club last week
when Wendel Sooy, principal of
Gloucester High School, discussed
his own unusual interests. Mr. Sooy,
who has appeared on the radio pro-
gram Hobby Lobby and given Rip-
ley material for a number of his fea-
tures, specializes in the origins of
words and expressions and in short
cut arithmetical computations. He
was introduced by J. W. Van Horn.

The word "butterfly," said Mr.
Sooy, was originally flutter by and
the natural twist of the tongue pro-
duced the word now used. The word
"spud" arose from an Irish Society
for Prevention of Unhealthy Diet—
organized to combat the concentra-
tion of the Irish at one time on po-
tatoes as their essential food. "Hobo"
was once "hoe boy"—one who jour-
neyed from farm to farm looking for
work.

Derivations

"Tip" is simply an abbreviation of,
"To insure promptness and "Cop"
stood originally for Constabulary of
Police (Canadian). These are a few
of the score of words which Mr.
Sooy traced back in his interesting
talk. Winning a bet that he could
give an eight year old four Latin
words that the latter would in a few
moments understand and remember,
he chose four months of the year:
September, October, November, De-
cember. Then in each case he struck
out the "ber" leaving, Sept, seven;
Octo, eight; Novem, nine; and De-
cem, ten—explaining that the months
in the calendar of that day were the
seventh to the tenth months of the
year.

One of the most interesting dem-
onstrations was how the Arabic num-
erals in use today were derived
from various positions of the fingers
of the hands. In his mathematical
wizardry he left his audience far be-
hind with split second squaring and
cubing of numbers and other light-
ning calculations involving memory
of thousands of number associations.
Among the guests of the Club was
Lieutenant Matthews, recently com-
missioned, following his training
course at Fort Benning, and Colonel
Frank Matthews, his father.

TRIAL BLACKOUT COMING SOON

A practise blackout, covering the
entire state of New Jersey will be
staged sometime during the week of
May 31—June 6.

Notices have been sent to each of
the chairman of 563 local defense
councils to make preparation for the
practise blackout "to test the effi-
ciency of protective forces without
giving previous definite time warn-
ing."

Harry H. Neuberger, director of
civil protection of the New Jersey
Defense Council, who has had charge
of the preparations, said that all
chairmen and other officials of local
defense councils have been notified
that every precaution must be taken
to insure against injury and ac-
cidents during the all-state blackout.
"Accidents can and must be avoided,"
he said. "They can be only if
officials understand and obey instruc-
tions and see to it that the public
and members of the protective forces
do the same."

The warning will be given in the
usual manner except that it will be
preceded by the words "Practise—
Practise" followed by the color of
the warning signal. This was done
so as not to confuse it with a real
raid, if one should occur during
the week.

Same Rules

Virtually the same rules and regu-
lations will apply during the all-state
blackout as prevailed during the sec-
tional blackouts during the recent
months. All traffic will be halted
with the exception of doctors, nurses
on calls, U. S. mail and postal in-
spectors, Fire and Police cars, public
utility repair crews, clergymen trav-
eling to give spiritual aid and units
of the U. S. Army, Navy and
Marines.

All other cars will be ordered to
pull to the side of the roads, turn
out lights and remain immobile until
the "all clear" signal is given.

Neuberger said that the test will
be longer than the fifteen minutes
duration of previous tests. He re-
fused to disclose, however, how long
it would last.

Chief of air raid wardens were not-
ified that they must immediately ar-
range to have post and sector war-
dens prepare weekly schedules so
that posts and sectors will be manned
on short notice at any time of the
day or night.

AS I SEE IT

By FRANK LEE SAYID

It was close and hot in that crowded room where the Ration Board was endeavoring to service late-comers for gasoline and sugar cards—to accept the change of heart of those who had bitten off more than they felt it was wise to chew—to hear petitions for retreading and recapping. It was hot and uncomfortable. But the lady who later voiced to the world in general that "it was simply disgusting—why couldn't they have more people to take care of this crowd"—the lady will never know how near she came to being asked why she did not volunteer to help in the assignment which the members of the ration board and our teachers had so cheerfully accepted.

We think the 100,000 teachers in the seventeen Eastern states who registered 8,000,000 motorists, after registering many more millions of sugar consumers, are deserving of a good deal of praise. They weren't paid for it. They were not even released from their regular jobs. They did it cheerfully and patiently and some of the "beefers" should have red faces.

It must be said, however, that the teachers were the innocent victims of a good deal of "beefing" which arose from the wholly unnecessary confusion over what it was all about. Most of us don't know yet, because as fast as one announcement is made with official authority it is replaced by another. All the "Wake up America" slogans and all the editorials on "Unity" which are written will not overcome the handicap imposed by such conflicting and confusing sequences of official opinion as were voiced in this gasoline "crisis."

First Mr. Ickes proclaimed an imminent emergency for gasoline users. Then a Congressional Committee branded the announcement as unsubstantiated by the facts. Then Mr. Henderson proclaimed that rationing was at hand and that the public would be lucky if it had three to five gallons a week—adding, according to a dispatch from John Covett, "Even that is too blank good for them." Whereupon Mr. Ickes announced no such limitation was ever contemplated.

This was quickly followed by the three gallon ruling at the very time when the Western Pennsylvania surplus was first made news. Meanwhile the President of the American Railway Association was pointing to available tank cars and some one in Washington was proving there was not motive power to haul them. The Department of the Interior was advocating a pipe line for which the O.P.M. said steel could not be used. Now, months later, talk is of the availability of unused pipe lines which could have been relayed.

Then came the crack-down on scores of loyal non-chiseling Americans who made the mistake of thinking that gasoline purchased prior to rationing could properly be used as it might have been, without question, a day previous. They were charged of having "blood in their tanks" and pilloried in the press for heading for the shore with a B or X card which they had thought related to the future. Had there been a punch mark on their card, justification for the charge would have been apparent, but on that day the BILL of Rights took a woeful beating.

Potential chiselers there were aplenty no doubt, but once in America a man was esteemed innocent until proven guilty. Even the most sincere advocates of the crack-down became confused when, on the Tuesday following, Leon Henderson ruled that holders of B cards who managed to save some gasoline from their business needs might use the rest for pleasure trips "or any purpose they desire."

Finally Speaker Rayburn, following conference with the President and leaders of Congress, said that "within four months after a Congressional authorization, a barge and pipe line system could be established"—presumably by relaying existing

pipe lines. The emergency arose four months ago. The public began to point that out and there came the warning signals of national rationing.

Obviously national rationing could not relate to gas. It must therefore relate to rubber. Did it have to do with rubber all along? It sounds plausible, but is it rubber or will that too give way to a new motive?

We do not know the future needs of rubber, to be sure. Certainly we can not let private interest outweigh public necessity. But by now we have heard "wolf, wolf" so many times we feel it is time there were some facts. Nothing that the American people can be told is likely to be news to our enemies. We think facts from an unimpeachable, authoritative source are in order.

What has been done, what is being done, and what can be done about rubber? The president of the Standard Oil Company has said a new process which will double or triple the output of synthetic plants is now available. What is to be done about it?

Give the American people the facts. They are not a nation of "beefers," nor are they a nation of children. They will make any sacrifice to win this war—but they need to be treated like intelligent adults in order to make the decisions of free men.

SUMMER HOURS AT PALMYRA 5 & 10

Beginning Wednesday, June 3, the Palmyra 5 and 10 cent store will close on Wednesday at 1 p.m. during June, July and August.

The following is the summer schedule of store hours: Monday, 9 a.m. to 9:30 p.m.; Tuesday, 9 a.m. to 6 p.m.; Wednesday, 9 a.m. to 1 p.m.; Thursday, 9 a.m. to 6 p.m.; Friday and Saturday, 9 a.m. to 10 p.m.

PALMYRA TRACK TEAM TAKES ANOTHER TITLE

Conwell and Flournoy each took three firsts in the South Jersey Scholastic League track meet staged in the local stadium last Saturday, the Red and White winning the affair with a total of 49½ points. Burlington was second with 33½.

Conwell won the 100, 220 and high jump, while Flournoy took both hurdle events and the broad jump. Conwell set a new meet record in the 100, sprinting the distance in 10 seconds flat. Flournoy also broke the meet mark in the high hurdles.

Orlemann, another local luminary, won the 440 and also established a new mark, 54.2 seconds.

PALMYRA WINS GAME IN ELEVENTH INNING

Before a large crowd, Palmyra took Riverton 10-6 in a thrilling game played Sunday afternoon at Memorial Park, the affair going 11 innings before the decision was reached.

Palmyra led 3-2 going into the last half of the ninth, but the homesters knotted the count with some timely hitting. The winners tabbed three tallies in the upper half of the 10th, but Riverton came right back and knocked out the count again.

Not to be denied, Palmyra tabbed four more in the final frame and Riverton was unable to match this rally.

Murphy went nine frames for Palmyra and was relieved by Len Baker. Joe Rohloff went the route for Riverton.

Heisler, Humes and Kemmerle accounted for seven of the eight hits off Rohloff, while Shinn and Pole were the big guns in the Riverton attack.

The win sent Palmyra into undisputed possession of first place in the Burlington County League.

LOCAL LAUNDRY IN NATIONAL INSTITUTE

The Riverton Laundry has been accepted into full membership by the American Institute of Laundering, research and industry representative of a majority of North America's 7,000 professional laundries.

This announcement was received today from George H. Johnson, general manager of the Institute, which has its million dollar headquarters, laboratory, and model plant in Joliet, Illinois.

The Institute is international in scope, directly representing professional laundriers of the United States and Canada, and has active members in 21 foreign nations.

PLEDGE TO U.S.O.

A pledge of \$10,000, representing a month's contributions from 20,000 shipyard workers, was handed to the U. S. Navy Relief Society last night by officials of the Industrial Union of Marine and Shipbuilding Workers of America, Local No. 1.

The donation is part of the union's victory "stepup program" of "Fight to win, work to win and give to win." Union officials declared the money, earmarked for the Navy Relief Society, would first have to be sent to the National Council of the CIO for inclusion in the war relief fund and then would be sent back to the Navy Relief.

PLAN CELEBRATION FOR INDEPENDENCE DAY

The Palmyra Fourth of July Committee met Monday evening at the Borough Hall to plan this year's events in the municipal grove.

The program will combine children's events starting at 12:30 with the Borough Hall dedication exercises to begin at two o'clock.

DeWitt Morris will arrange a party for the youngsters and there will be the regular ice cream tickets. At the dedication Mayor Ward will make an address of welcome to be followed by speakers whose names will be announced later.

Music, patriotic decorations and other features will be arranged. A ball game will be held at 3:30 at the Palmyra park.

I would not give one moment of heaven for all the joy and riches of the world, even if it lasted for thousands of years.—Martin Luther.

ASSOCIATION HAS GOAL OF 1,000 MEMBERS

The Burlington County Branch of the National Association for the advancement of Colored People entered the third week of its campaign with every sign going well over the goal set for 1,000 members.

The campaign was officially started Sunday, May 17, at the First Baptist Church, Riverside. At that time, Dr. Charles Gibson, of Burlington, cited the great need for such an organization in the county. He stated the aim and objectives of the association which are in full accord with the National government's policy of equality of opportunity for all of the citizens.

Local chairmen for the campaign are: Peel Pointedre, Riverton; Grace Dorsey and Inez Green, Cinnaminson; J. R. Johnson, Palmyra. The drive will end Sunday, June 7, when the association will sponsor a mass meeting in Wilbur Watts High School, Burlington, at 3 p.m. The Hon. E. Frederick Morrow will address the audience and present the charter. All are invited to attend.

U.S.O. CAMPAIGN WILL BEGIN JUNE 1

Burlington County's 1942 campaign for the war fund of the United Service Organizations will begin June 1, it was announced last week by Frank W. Thacher, of Riverside, chairman of the campaign committee.

Dr. S. Emlen Stokes, of Moorestown, is Associate Chairman and Mayor Thomas J. Johnson, of Burlington, is County Treasurer.

County headquarters have been established in an office on the second floor of the Florence Thread Co., Inc., at Fairview and New Jersey Avenue, Riverside. Campaign Director William A. Derstine will be in charge of the headquarters office. Mr. Derstine was formerly State Director of USO in Pennsylvania and is widely experienced in the work of the organization.

Mr. Thacher announced that every community in Burlington County is being organized for the campaign and that he is receiving a hearty response from all workers. A local repository for funds will be established in each community.

The Chairman emphasized that the service of the USO embraces all religious faiths and is devoted 100 per cent to the welfare and comfort of all the men in the armed forces of the nation. He hopes to receive the undivided support of all citizens of Burlington County in promoting this splendid work.

Chief Dorworth, who was 57 years of age at the time of his death headed the police department for 10 years and served as an officer for seven years. He was a member of the Burlington County Patrolmen's Ben-Evans Association and the South

DIED LAST THURSDAY

Chief of Police in Cinnaminson Township for the past several years and the first full time law enforcement officer ever employed by the township died suddenly on Thursday morning of last week at his late residence, Burlington Pike, Parry.

Chief Dorworth was taken ill shortly after midnight the same day and his condition became rapidly worse. His sudden passing came as a great shock to his many friends in this section of the State.

Chief Dorworth represented the finest type of law enforcement official. Ever devoted to his duties, he was on call 24 hours each day and no request for assistance ever went unanswered, regardless of the hour or the weather. Always courteous in the performance of his work, he had no superiors and few equals as a police officer. By his passing Cinnaminson has lost a valued public official.

GAMES FOR RIVERTON

Riverton will risk its record in 3 contests this weekend, traveling to Bordentown Memorial Day for an afternoon contest and engaging Beverly at Memorial Park Sunday at 2:45 p.m., in attempting to hold on to second position. They engaged Bordentown here a few weeks ago, trouncing the visitors 14-6.

Riverton will also take to the road on Tuesday night in meeting the Riverside A. C. at the Riverside field.

At the end of our first winter of war we believe that this community would be interested to know just what has been accomplished by the various Red Cross committees. We present a brief summary of the activities of each.

Blood Donor Service

The Mobile Unit from Red Cross Headquarters in Philadelphia will arrive on Wednesday, June 3rd, at 2 p.m. at the Porch Club. 120 appointment cards have been sent to volunteers who are ready to contribute to the "Blood Bank."

First Aid

In January and February Mr. Jerome Yentzer instructed 85 men and women in the Standard Course of First Aid. In March and April Mr. Yentzer instructed a class of 45 in the Advanced Class of First Aid. This was made up of First Aiders who have volunteered for the First Aid Posts in Riverton and the women of the Red Cross Motor Corps. Dr. Luther Bradley instructed a colored class of 45 in First Aid at the Community House in East Riverton.

Home Nursing

Two classes in Home Nursing have been given under the direction of the Riverton Branch. The class in the fall had 10 members who received certificates after 24 hours of instruction by Miss Helen Blair, Visiting Nurse. The spring group of 21 is taught by Mrs. John C. Voss and will be completed in June.

Nurse's Aides

One class of 16 from Burlington County has completed this course and a second group of 10 finishes this week. A third class of 8 has started. The course consists of 35 hours of class work and 45 hours of practical work in a hospital. Only two women from Riverton are taking this course and the need for more Aides is very pressing.

Gray Ladies

Four Gray Ladies from Riverton went to the Station Hospital at Fort Dix every Monday afternoon for two hours. They visited the boys, taught handicrafts, played games, talked to them and took them books and magazines. They also provided little necessities like writing paper and tooth paste to both soldiers and nurses who were unable to afford them. This work has been stopped entirely by the gas rationing.

Motor Corps

The Riverton Branch of the Motor Corps has completed the three compulsory courses necessary for their training—Standard First Aid, Advanced First Aid and Motor Mechanics. During the winter and spring they have been active in Social Service work, driving at Fort Dix for the Community Service and at the Chapter House in Beverly. The work has been curtailed to a great extent by the gas rationing, except where it is possible to use the Red Cross Chapter car.

Nutrition and Canteen

A class of 39 has completed the course in nutrition under the inspiring leadership of Miss Pennell. There were ten lectures of two hours each, a moving picture, "Meat and Romance," an oral quiz and a written examination. About three-fourths of the class are continuing with the canteen work which consists of practice in planning menus and food preparation and service for large groups in the present emergency or any disaster. Six members of the canteen group will be in attendance to prepare refreshments for the blood donors when the Mobile Unit is in Riverton.

Home Service

The activities of this department have been relatively light in this community. The Riverton Branch has assisted in the county work. There have been some discharge cases. In the event of the death of the supporting member of a family, a man in the service will ask to be discharged from duty. It is the function of the Home Service Department, in conjunction with the local draft board, to report on the home conditions and financial status of the family. Six family histories have been obtained at the request of Service Hospital authorities to aid the doctors in making a diagnosis for patients in the Psychiatric ward. Five follow-up visits have been made in these cases.

Knitting

The number of knitted garments turned in from January 1st to the present is 123 sweaters, 37 caps, 15 helmets, 12 pr. socks, 1 afghan, 1 pr. mittens. Any persons having knitted out longer than two months please return just as soon as possible.

Sewing

The Sewing Section since October has met on the second and fourth Mondays of the month. There are 226 members and the largest meeting had 47 present. A total of 431 articles have been turned in: 33 hospital gowns, 37 women's dresses, 13 women's skirts, 39 ditty bags, 20 boy's outing flannel shirts, 17 girl's dresses, 18 girl's skirts, 2 girls bloomers, 17 girl's nightgowns. Baby articles included 93 diapers, 16 dresses, 18 kimonos, 15 sleeping gowns, 59 booties, 14 caps, 23 blankets and 7 bibs. This group will continue to meet until further notice.

Junior Red Cross

Sewing groups have been formed at the Riverton school, which has won a banner for 100 per cent membership, at the Sacred Heart School, and a combined group for the Cinnamon and Westfield Schools. The groups sew, knit, fill ditty bags and collect games for the soldiers at Fort Dix and the children in England.

BIRTH

Mr. and Mrs. Garfield Reynolds, of 2137 Merchantville avenue, Pennsauken, are receiving congratulations on the birth of a daughter, Sondra Lee, on Tuesday, May 26, at the West Jersey Homeopathic Hospital.

CARS COLLIDE AT
FOURTH AND ELM

Three people suffered bruises and cuts and two cars were badly damaged in a crash at Fourth street and Elm avenue, shortly before 1 p.m., Wednesday of this week.

The Oldsmobile sedan, driven by Edward Thum was going west on Fourth street, while a truck driven by Harry Wille, employee of the Riverton Market House was proceeding south on Elm. They came together at the intersection and the Thum car was projected between a tree and pole and over the sidewalk to the lawn of the apartment house on the corner.

The third person involved, Charles Spickler, was a passenger in the delivery truck.

All three were taken to Dr. Dean H. LeFavor by Palmyra police who conducted an investigation.

The Thum machine was towed from the scene by the wrecker from the Bellevue Garage.

EVACUATION PLANS OF
N. J. DEFENSE COUNCIL

Preparing for any eventuality, the Evacuation Committee of the New Jersey Defense Council announced today that it has virtually completed preliminary plans for three types of evacuation. The plans have been prepared in cooperation with Army officials in the Second Corps Area which includes New Jersey, New York and Delaware.

William T. Vanderlip, of Newark, chairman of the committee, outlined the following three types of evacuation for which his committee has made preliminary plans:

1—Temporary local evacuation, to be used in the event of single air raids.

2—Selective evacuation, to be used in case of continuous raids.

3—General evacuation, to be used in the threat of an invasion.

Temporary Local Evacuation. Temporary local evacuation, as its name indicates, is temporary in nature and local in character, and is

used in the Second Corps Area which includes New Jersey, New York and Delaware.

The committee pointed out that in this type of evacuation the local defense councils will be called upon to solve the housing problem in their particular area and will be responsible for planning and handling. The State Defense Council, however, will issue instructive suggestions.

The second type, Selective Evacuation, is the orderly removal of children, invalids and some women from the dangerous target areas and their dispersion to the relatively greater safety of suburban and rural districts, such as has been carried out in England.

Vanderlip said that his committee has about completed the plans for this type of evacuation and will, in the very near future, distribute copies of it to chairmen of local defense councils and the chief executives of all municipalities in the state.

The program for general evacuation is now being studied, Vanderlip said and will be made public following the distribution of information on selective evacuation.

The members of the committee serving with Vanderlip are Harry J. Stevens, vice chairman, Thomas Colleton, Frank T. Malloy, Dr. William S. Carpenter, C. Raymond Swain and Oliver F. VanCamp.

He pointed out that no selective evacuation should be undertaken except on the order of the Director of Civilian Defense. If air raids, he said, become frequent enough so that women and children are needlessly exposed to serious danger it might be necessary to evacuate for the sake

of civilian morale and it also might become necessary if the military authorities advise that the enemy is in a position to make intensive air raids. The Director of Civilian Defense will then be in the best position to carry out the plan devised.

Sunday Services, 11:30 a.m.
Wednesday, 8:00 p.m.
Reading Room in Church Building, Thomas Avenue and Seventh Street, Riverton, open Tuesday and Friday, 2:30 to 4:30 p.m.

"Ancient and Modern Necromancy alias Mesmerism and Hypnotism, Denounced" is the Lesson-Sermon subject for Sunday, May 31, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "The idols have spoken vanity, and the diviners have seen a lie, and have told false dreams; they comfort in vain." (Zechariah 10:2)

Among the Lesson-Sermon citations is the following from the Bible: "And have no fellowship with the unfruitful works of darkness, but rather reprove them." (Ephesians 5:11).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Secret are the present methods of animal magnetism that they ensnare the age into indolence, and produce the very apathy on the subject which the criminal desires." (P. 102).

May 31, 1942, Trinity Sunday—8:45—Matins and Sermon.
10:00 a.m.—Church School.
11:00 a.m.—The Service and Sermon.

8:00 p.m.—Sr. Luther League.

Pastor Rowe will have as the theme for the morning sermon at Matins and The Service, "An Interview with Jesus," based on the Gospel for the Day.

Bethany Church had the privilege of receiving 11 new members last Sunday at The Service. The summer months always test the church member's loyalties. Will you put your Church first? The growing church is the church with a consistent, faithful attendance on the part of the majority of its members. We invite you to make Bethany Church and all the churches of the community, strong churches.

By common consent the members of the Sr. Luther League decided to

continue their Sunday evening Fire-side meetings during the summer months. Our program consists of devotion, study and discussion. Refreshments and a social hour follow. This Sunday evening the meeting will be held at the home of Virginia Miles with the pastor leading the discussion of "World Lutheranism." The hour of meeting is 8:00. Parents should encourage all boys and girls of high school age and over to attend. They cannot spend this hour of a Sunday evening without some profit.

The Weekly Calendar—Tuesday, June 2—The Ladies Guild meets at the church at 8:00.

Wednesday—Social Missions, 7:30 p.m. at the Church; Senior Choir Rehearsal, 8:00 p.m., at the Church.

Thursday—Boy Scouts, 7:30 p.m. at the Church; Church School for children ages 4-12 will begin Monday, June 15, to continue for 3 weeks, meeting each morning, Monday through Friday.

SACRED HEART CHURCH Fourth and Linden Avenues Riverton, N. J.

Rev. William F. Quinn, Pastor
Rev. Francis J. Coan, Assistant Pastor

Masses—Sundays at 6, 7, 9, and 10:30 o'clock.
Weekdays—7 and 8 o'clock.

Confessions are held on Saturday 3:45 to 5:45 and 7:30 till 9 p.m.

The last meeting of the season of the Confraternity of Christian Doctrine will be held Thursday of this week. The group will continue to conduct their weekly dance on Sunday nights during the summer in the auditorium of the school.

Mass will be celebrated on Memorial Day at 7 and 8 o'clock. The crowning exercises of the Blessed Mother will take place this Sunday afternoon at 3 p.m. Some fifteen girls will be received into the Blessed Virgin Sodality.

A meeting of the Holy Name Society of the parish was held in the school auditorium Tuesday night to make arrangements to start doing something for the members of the parish now in the service of our country.

This Sunday is known in the Church as Trinity Sunday, and is the last Sunday for members of the parish to make their Easter duty. Thursday of this week is the feast of Corpus Christi.

CENTRAL BAPTIST CHURCH 5th St. and Maple Ave., Palmyra Rev. S. Dan Morgan, Pastor

Are you looking for peace of mind? Do you seek happiness? Do you lack the courage necessary to carry you through? Do you need real friends? All these things which are most prized and desired by everyone may be had without cost. It only requires a little determination and resolve to attend the services of your respective church. If you have no church affiliations, why not resolve to prove this to your satisfaction next Sunday by a visit to "Central Baptist?"

Services, Sunday, May 31st—Bible School, 10 a.m.—Here you will learn, in a most practical way, the application of the teachings of this Great Book. Classes for everyone.

Morning Worship, 11:15 a.m.—"What Do You Get Out of Christianity?" This will be the subject of the morning sermon. "Land of Hope and Glory" by Elgar-Fagge, and "The Woods and Every Sweet Smelling Tree," by West, will be sung by the choir.

Jr. B.Y.P.U.—6:45 p.m. Meets in the Jr. Department Room.
Sr. B.Y.P.U.—6:55 p.m. Meets in the Main School.

Evening Worship, 7:45 p.m.—How Much for Your Soul? Another question which will have to be answered by every individual. And the answer should not be delayed. If

you attend the evening service you will receive a real inspiration and help, brought to you by the Pastor as he dwells on this important question. "Even Song" by Cadman, will be the anthem to be rendered by the choir.

Wednesday evening, June 3rd, at 8 o'clock the quarterly business meeting of the church will be held in the Sunday School room. Every member of the church is expected to attend as there will be several matters of importance needing their presence. There will also be an election of two members to the Board of Deacons. Make plans now to be present.

EPWORTH METHODIST CHURCH Fifth Street and Morgan Avenue Palmyra, N. J.

Rev. D. Roe Haney, B.D., Minister

Last we forget the blessings brought to us by others without appreciation it is well enough that we have a day in which to pause and pay tribute of appreciation to the ones who have given their lives to preserve the things which we appreciate; therefore Epworth Church will give some consideration to thoughts that will be in keeping with the Memorial season in the Church services.

The minister will preach at 11 o'clock on "Memory for whom memory is due." The Junior Choir will sing "America, The Beautiful," and the Senior Choir "No Shadows Yonder."

Mrs. Lord's organ numbers will be "Memorial" by Nevins, "On Wings of Song," by Mendelssohn, and "A Mighty Fortress Is Our God" by Luther.

The evening service will be at 7:45. The sermon topic will be "The Virtues of Loyalty." The Choir will sing "Beautiful Saviour" by Christiansen, and Maude Wells will sing as a solo "Have Thine Own Way" by Stebbins.

Miss Eileen Rae will render a violin solo. The organ numbers will be "Pomp and Circumstance" by Elgar, "Andante" by Tchaikovsky, and "Alceste" by Gluck.

Church School in various departments will begin at 9:45.

WATSON—FINK
Miss Mary Biddle Fink, daughter of Mr. and Mrs. Harold J. Fink, of Cinnaminson, became the bride of Thomas Watson, son of Mr. and Mrs. Leon Watson, of Merchantville, at a 3 p.m. ceremony, last Saturday, in the Trinity Episcopal Church, Moorestown. Rev. Edgar L. Sanford, pastor of the church, performed the ceremony.

The bride was gown in ivory satin with sweetheart neckline made en train. Her tulle veil fell from a coronet of the same material and she carried a bouquet of white roses, orchids and delphinium.

Miss Helen C. Porter, of Moorestown, was maid of honor for her cousin. Her gown was of powder blue marquisette with matching veil. Miss Jean Fink, of New York City, as bridesmaid, wore a gown of pink marquisette with matching veil. Both carried bouquets of spring flowers.

Dorothy Porter, of Moorestown, was flower girl. She wore a long pink frock with blue ribbons and carried an old-fashioned bouquet of mixed flowers.

Donald Ulmer, of Moorestown, was best man, and the ushers were Thomas Gibb, of Moorestown, and Orville S. Johnson, of Collingswood.

Following the ceremony, a reception was held at the home of the bride's parents. Mr. and Mrs. Watson will reside in Morristown when they return from a wedding trip.

NO TRACE OF MAN FLOATING IN RIVER
Local police and firemen, together with a Coast Guard boat spent several hours Sunday evening searching for a man reported to be floating down the Delaware on a tree, but no trace of marooned person was found.

The report of the incident is alleged to have come from Beverly, the only place where the man was seen.

The river was very high Sunday night and a large assortment of debris from the flooded areas passed the local shores.

Blessed are the meek: for they shall inherit the earth.—Matthew 5:5

IT TAKES COOPERATION

YOU can help your electric dealer to help you keep your ELECTRIC APPLIANCES working properly—by cooperating when you need new parts to replace worn or broken parts.

The fact is that manufacturers are in great need of vital materials—metal, rubber, etc.—in order to continue making new parts. Consequently, before manufacturers can deliver new parts to a dealer for his customers' appliances, an equal number of old parts is required in return.

Your cooperation is important. We must have your worn out or broken part before we can provide you with a replacement part.

Old brush rolls or holders from your electric vacuum cleaner—old wringer rolls from your electric washer—the old rubber belt from your electric refrigerator or your cleaner—other worn or broken parts from your small electric appliances... these should all be returned to your local dealer when new replacement parts are needed. Manufacturers need your cooperation.

SACRED HEART PARISH
MAY PROCESSION

The annual Sacred Heart Parish May Procession will be conducted on Sunday afternoon, May 31, at 3 o'clock.

The following groups of the Parish will participate in the crowning exercise:

Senior Sodality of the Blessed Virgin Mary, Junior Sodality of the Blessed Virgin Mary, Children of the Sacred Heart School, Altar Boys' Sanctuary Society.

The procession will leave the Sacred Heart School at three o'clock, proceed down Linden avenue to Fourth street and enter the main door of the Church.

Those taking leading parts in the procession are as follows:

Leader—Hazel Dennis.
Leader of First Communion Group—Elaine Fichter.

Flower Girl—Mary Jane Loreaux.
Leader of the Faith Group—Elizabeth Haws.

Our Lady of Grace Banner—Patricia Barr.

Leader of Hope Group—Lorraine Earley.

Leader of Charity Group—Teresa Hopkins.

Our Lady of Perpetual Help Banner—Margaret Haynes.

Cross-bearer in Rosary Group—Virginia Hylton.

Three Hail Marys—Ann Shea, Eleanor Shea, Mary Walters.

Leader of the Joyful Mysteries—Elizabeth Esloa.

Leader of the Sorrowful Mysteries—Eunise Bonner.

Leader of the Glorious Mysteries—Agnes Hunt.

Queen of Peace Banner—Margaret Smith.

Flower Girl—Mary McGovern.

Leader of Marine Group—Dolores Stack.

Miss Betty Corner was elected as May Queen and will have the honor of crowning the statue of the Blessed Virgin Mary.

Attendants to May Queen:
Crown bearer—Frances McLaughlin.

Flower Girls—Peggy Thomas and Betty Weber.

Train bearers—Martin Mongan and Jean Montague.

Guard of Honor—Elmer Mattingly, Richard Laverty, Garland Perkins, Remy Hullings, Edward Liberi, Wilber Lynch, Edward Steedle, Thomas McGirr, Ralph Cipoletti, Robert Eck, Joseph McGovern, Lawrence Wallace, Jacob Cugliotta, James Dailey.

The principle feature of the exercise will be the reception of new members into the Sodality. Eighteen young ladies will be received. All

the vocal selections will be rendered by the School Children. The Sermon will be delivered by one of the Priests of the Parish. The ceremonies will close with Benediction of the Blessed Sacrament.

GAS CARDS IN NEW JERSEY

Final totals on the gasoline rationing registration released here today by the Office of James Kerney, Jr., State Director of the Office of Price Administration show that \$73,057 gasoline ration cards were issued to New Jersey car owners.

The approximate proportion of cards issued in each of the five categories is as follows: A cards, 33 per cent; B-1 cards, 9 per cent; B-2 cards, 10 per cent; B-3 cards, 40 per cent; and X cards, 8 per cent.

The proportion of X cards issued in New Jersey, rationing officials pointed out, is 2 per cent below the average for all rationed states as announced in Washington last week.

THINGS TO WATCH FOR

Ordinary paperboard, laminated with cellophane, is being tested by du Pont as a substitute for tin plate in cans . . . With essential oils and glycerin becoming scarce, it is not surprising that a new way to make soap should be discovered—so a patent has been taken out by the J. E. McCormack company on a process for converting whole milk into soap! . . . Something to listen for: A stirring new wartime march entitled "This is God's War," first published by Associated Music Publishers. The music is by Baldwin Bergerson and lyrics by David Gregory, inspired by Carl Byoir's poem, "Joe Louis Named The War," first published in Collier's and presented on "I Am An American" Day . . . New wrinkles in the food field: An item called lima bean loaf, by California Consolidated Canneries; may be sliced, fried in butter, diluted to make soup, baked en casserole or used as stuffing in meats . . . and vegetable-flavored

ice cream. An Illinois dairy products company that has been testing them reports definitely that "corn" flavor is easily the most popular.

The one who will be found in trial capable of great acts of love is ever the one who is always doing considerate small ones.—F. W. Robertson.

ROSE LOVERS
ATTENTION

We urge you not to miss the gorgeous display of Roses now in full glory of bloom in Dreer's Rose Garden, opposite Memorial Park. See the Roses now while at their best.

To aid in the conservation of gasoline and tires the plans for Dreer's Annual Rose Festival have been cancelled but this beautiful garden is of easy access to all of the readers of this invitation and we hope our neighbors will not miss it.

The Home
Front

MODERN wars are fought on many fronts/
and one of them is right at home. Life
must go on. People must live, eat, have shelter
and clothing, and carry on in many ways as
they did before the war.

The regular services offered by banks to
provide safety for money, expedite payments,
facilitate thrift and so on, are still as important
as ever. We continue to offer them, even
though the stress is now on the special war-
time services. You are invited to use this bank.
