As a nation, unless we are prepared for the worst we aren't prepared at all, so let us begrudge no effort.

# THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

Way back 1,000 B.C. a Chinese philosopher said: "The true government is that which governs least. But then they hadn't heard of the New Deal!"

## COUNTY Y.M.C.A. NAMES OFFICERS

John W. Thacher, Moorestown, was re-elected as President and Howard C. Darnell, Moorestown, as Treasurer, at the Annual Meeting of the Burlington County YMCA held at Mount Holly, Tuesday evening, May 26. William H. Wells, Bordentown and F. W. Holbein, of Mount Holly were elected as vice presidents, succeeding S. Roger Oliver, of Burlington and E. Newbold Cooper, of Moorestown, and Robert J. Finney, of Riverton, was elected recording secretary succeeding Louis B. Forsyth, of Bordentown.

A report of the Finance Campaign given by LeRoy Church, Bordentown, showed receipts beyond the \$7,000 mark, but still short of the goal of \$9,800.

Warren Ballentine, Columbus, acting director of the Cookstown Road U.S.O. spoke of the work being done in all U.S.O. units at Fort Dix.

Henry F. Stockwell, Moorestown, reported that the camps at Medford are in excellent shape, that staff and counsellors have been engaged and that busses will help relieve the transportation situation.

County Executive Secretary Clifford W. Ergood reported on the general condition of the association, indicating that the war is having its effect upon the work of the "Y" throughout the county.

### County Board

The following were re-elected to the county board of directors for a three-year term: John H. Morrow, William H. Wells, Bordentown; Caleb S. Ridgway, Jr., Columbus; Harlan A. Lowden, Burlington; Frank W. Thacher, Edgewater Park; Rev. R. J. Beazley, Jobstown; Charles H. Leeds, Marlton; William F. Overman, Lawrence B. Parker, Howard C. Darnell, Edwin B. Forsythe, Walter P. Stokes, Moorestown; F. W. Holbein, Mount Holly; George N. Wimer, Paul R. Jones, Palmyra; and Victor Ritschard, Riverton. The following were elected to the Board for a three-year term: Otto Mann, Beverly; J. Howard Whomsley, Burlington; Jerre T. Moreland, Florence; Arthur J. Atkinson, Mount Holly and James Kenney, Riverside.

### RIVERTON SUGAR RATIONING COMMITTEE

The deputy committee appointed to handle sugar rationing in Riverton will meet each Thursday from 2-4 p.m. at the Welfare Office, Main and Harrison Sts.

For canning fruit, the board may authorize an amount not to exceed one pound of sugar per four qts of finished canned fruit and one pound per year per person for use in preparing preserves, jams, jellies or fruit butters.

If any sugar allowance for canning is not used for this purpose within 30 days, the applicant must notify the Board to that effect.

Marion S. Hooper

### KEEP AUTOS OFF STREETS DURING NIGHT HOURS

Chief William Gootee advises all car owners in the community to keep their autos off the streets during the night.

This measure, he stated, will do much to prevent possible thefts of tires and gasoline.

### NEW TEACHER

Walter Hullings, of Hainesport, has recently been appointed teacher of industrial arts at Riverton Public School for next year on the basis of one and one-half days per week.

He will replace Robert Emens, who will assume a similar full-time post next year at the Palmyra Schools.

## WARDENS TO RECEIVE STIRRUP PUMPS SOON

At a recent meeting of the Riverton Air Raid Sector Wardens, the Supply Committee of the Riverton Civil Defense Council was instructed to purchase 50 stirrup pumps from Automatic Heat, Inc., of Philadelphia. The pump manufactured by this firm is an exact copy of those pumps used in London and is made of non-essential materials. The price is \$4.69 each.

All types and makes of pumps were thoroughly tried by the air raid wardens and the device selected was considered best by far, over all others. The price of \$4.69 per pump is considered very low, the operation of the apparatus is highly satisfactory and delivery is promised by mid-June.

Riverton house holders may be interested in owning one of these reasonably priced stirrup pumps for their own use. Air raid wardens can supply information.

## TRIAL BLACKOUT HERE MONDAY

The surprise test blackout held throughout New Jersey on Monday night of this week found local Defense Councils operating at a high degree of efficiency, according to statements made Tuesday by officials in Riverton, Palmyra and Cinnaminson.

The yellow, blue and red signals came in shortly after 10 o'clock, with the all-clear about one-half hour after the red alarm.

All defense units were speedily mobilized and functioned as though an actual air raid were in progress.

Various "incidents" were arranged such as fires, injuries, etc., and all were handled in a splendid manner. The blackout was practically 100 per cent effective.

With no previous warning as to the actual day or hour of the test, members of the defense organization were hastily mobilized from a wide variety of civic meetings and social functions.

Riverton Control Center Staff was as follows: Miss Virginia Armstrong, Miss Hilda Grob and Miss Emily Robertson, telephonists; Edward K. Merrill, Commander; Lawrence Downs, fire; Chief William Gootee, police; David F. Gould, decontamination; Dr. H. B. Mark, medical; S. Reid Merley, demolition and repair; Colonel Frank Matthews, Assistant Commander; Rev. Francis B. Downs, Communications; J. W. Van Horn, Chief Air Raid Warden; John Strohlein, plotter; Robert G. Adams, log keeper; F. W. Metzger, controller.

In Palmyra the control center was manned by the following:

Mayor John Ward, coordinator; Paul R. Jones, plotter; Richard E. Wilson, defense police; Branson Cook, fire reserves; William Miller, chief air-raid warden; Harry R. Gail, decontamination; Wesley P. Huyett, demolition, rescue and repair; Curtis P. Flynn, supplies.

### TAKING FINGERPRINTS

The monthly business meeting of the Junior Chamber of Commerce will be held Tuesday night at 8:15 in the Palmyra Borough Hall. All members have been asked to bring a friend.

The group is now making preparations for the finger-printing of all those taking part in the Civilian defense activities of Palmyra. The members of the Palmyra Defense Council and the heads of several committees of the defense unit were fingerprinted at their meeting held last Thursday night. The members of the borough council have already been fingerprinted by the group.

The State Defense Council recently ordered all local defense councils in the State to see that such fingerprints are taken.

## HOWARD EASTWOOD ROTARY SPEAKER

Howard Eastwood, State Senator from Burlington county, was the principal speaker at the local Rotary Club last Thursday evening. After his introduction by Walter Lamon, the Senator proceeded to discuss his topic "An American Citizen."

"To explain American citizenship is to emphasize more emphatically old truths and spiritual truths," Eastwood explained, "with a reinstatement of these old concepts, plus practice."

Our older citizens have thought of citizenship synonymously with voting. If the right to vote was denied them no longer would their citizenship be meaningful. Whereas, with the new American citizen, one whose birthplace happened to be in a foreign country, his citizenship takes on more meaning because he compares the privileges enjoyed here with the subjugation of his rights in his native land. Therefore, to the latter, an American Citizenship means privileges and liberty worth untold hardships to preserve.

Senator Eastwood then stated that here in America we call one another Citizens because we are all members of a state or nation who enjoys political rights and privileges and gives in return his allegiance to the government. Today in a foreign nation people are considered subjects, so called because subjugation by rulers and dictators make him a servant to their whims or follies.

### Traces History

In tracing our democratic history from Colonial times Eastwood showed how for generations our American privileges have been challenged and tested. He said it has been out of these tests that the strength of our citizens has displayed itself to the world. Although we may seem to forget and sometimes abuse in use our privileges, still when the tests come we are ready to die for those truths upon which our foundations are constructed.

In closing Senator Eastwood quoted Theodore Roosevelt as follows: "I preach to you, then, my Country calls not for the life of ease, but for the life of strenuous endeavor. The Twentieth Century looms before us big with the fate of many nations. If we stand idly by, if we seek merely swollen, slothful ease, and ignoble peace, if we shrink from the hard contests where men must win at hazard of their lives and at the risk of all they hold dear, then the bolder and stronger people will pass by us and will win for themselves the domination of the world."

"Let us therefore boldly face the life of strife, resolute to do our duty well and manfully, resolute to uphold righteousness by deed and by word; resolute to be both honest and brave, to serve high ideals, yet to use practical methods. Above all, let us not shrink from strife, moral or physical, within or without the Nation, provided we are certain of the strife, through hard and dangerous endeavor, that we shall ultimately win the goal of true national greatness."

### Memorial Service

Prior to the speech made by Senator Eastwood a memorial service was conducted by K. P. Miller in memory of George F. Ginther, deceased, a past member of the Palmyra-Riverton Rotary.

President Joseph Seel appointed E. Newbold Cooper to induct a new Rotarian, Lemuel Burhoe, 300 Midway, Riverton. Burhoe's place of business is at the Riverside Metal Works and will come in under the classification "Metal Working Industry."

Birthday greetings were extended to Charles Geelan.

Peace rules the day, where reason rules the mind.—William Collins.

## FIELD DAY PROGRAM NEXT TUESDAY EVENING

The annual Field Day program given by the pupils of the Riverton Public School will be held at Memorial Park on Tuesday evening of next week, June 9. As usual, the Parent-Teacher Association will serve supper at the park before the various events and a large number are expected to attend the affair which is always one of the highlights of the school year.

According to Miss Caroline M. Staman, supervising principal of the school, competitive games will comprise the program, with all lower grades participating. The boys of the seventh and eighth grades will play a baseball game.

## U. S. O. DRIVE

More than 200 workers in the Burlington County USO war fund campaign will join in a pilgrimage to Fort Dix Sunday afternoon to see at first hand the wonderful work being done by the organization for which the campaign is being conducted.

The caravan of Public Service buses which will transport the campaign workers from their home towns to the Fort will reach Dix at 4 o'clock. All four USO clubhouses at the cantonment will be visited and inspected, the Fort Dix Community Service Club, the Rexall Building, the Cookstown Building and the rifle range building.

The visitors will have an opportunity to see the soldiers enjoying the facilities of the clubs and learn from the men in service how much they enjoy and appreciate the USO.

### Judge Wells to Speak

Judge Harold B. Wells will be the civilian speaker for the occasion and it is expected that prominent army officers will also give their impressions of the United Service Organizations.

Next Monday will mark the beginning of the Corporate and Special Gifts campaign under the chairmanship of Norman F. S. Russell.

The intensive drive for individual contributions will begin in all communities of the county on June 15. Many of the local committees are holding organization meetings this week mapping out their territories and assigning sections to individual workers. The Mount Holly committee headed by Edward P. Hullings met Tuesday evening and the Beverly-Edgewater Park committee with Clarence G. Price, chairman, met on Wednesday evening.

### F. W. Thacher Chairman

Frank W. Thacher, of Riverside, is Chairman of the county campaign committee.

Dr. S. Emlen Stokes, of Moorestown, is Associate Chairman and Mayor Thomas J. Johnson, of Burlington, is County Treasurer.

County headquarters have been established in the offices of the Florence Thread Co., Inc., at Fairview street and New Jersey avenue, Riverside. Campaign Director William A. Derstine is in charge of the headquarters office. Mr. Derstine was formerly State Director of USO in Pennsylvania and is widely experienced in the work of the organization.

### CINNAMINSON RATIONING BOARD

The allotment of sugar for home canning has been increased over the 1 lb per person limit set previously by the government, and application for same will be taken care of as follows—

Thursday, June 4; Friday, June 5: 9:30 a.m. to 1 p.m., Steele's Nurseries Office.

In 1821 the Navy Department established a school for midshipmen on board the U.S.S. Guerriere then stationed at Norfolk.

## PROGRAM HERE MEMORIAL DAY

The honored dead of the armed forces of this Nation were paid tribute last Saturday in the local observance of Memorial Day. A street parade through Riverton and Palmyra preceded the exercises held at local cemeteries and in the Grove, Palmyra.

The parade, with Charles H. Yost as marshal moved from the Riverton fire house and followed the usual line of march. The number of participants was greater this year than for several years past.

### Colonel Mathews Speaker

Following the decoration of graves at the Methodist and Morgan Cemeteries, the program at the Grove attracted a large audience.

Palmer L. Adams, clerk of Burlington county and member of the American Legion, presided. There were remarks by Mayor John F. Ward, of Palmyra and the principal address of the day was given by Colonel Frank A. Mathews, of Riverton.

As a part of the exercises, a memorial wreath was placed at the base of the municipal flagpole in memory of George Zink and Walter Roman, both of whom have given their lives in the service of this Nation.

The invocation at the Grove was said by the Rev. Hugh V. Morton, pastor of Palmyra Episcopal Church and the benediction was given by the Rev. Francis J. Coan, assistant pastor of the Sacred Heart Church, Riverton.

Prayer at the Morgan Cemetery was offered by Rev. Albert J. Harke, pastor of the Moravian Church, while prayers were said at the Methodist Cemetery and at the exercises at the flagpole by the Rev. S. Dan Morgan, pastor of Central Baptist Church and the Rev. Harold Lee Rowe, pastor of Bethany Lutheran Church, respectively.

### COUNTY MEDICAL SOCIETY ELECTS NEW OFFICERS

The Burlington County Medical Society, at its May meeting held recently at the Riverton Country Club, installed new officers for the coming year.

The retiring president, Dr. Dean H. LeFavor, of Palmyra, made the president's address to the Society and to the Women's Auxiliary of the Burlington County Medical Society, who were the guests of honor at this annual meeting.

Dr. P. M. Scott, of Beverly, was installed as the new president for the year 1942-43, and Dr. H. B. Mark, of Riverton, became president-elect. Dr. E. W. Rodman, of Beverly, retained his post as secretary, and Dr. A. Ziccardi, of Maple Shade, assumed the office of treasurer of the Society.

Short speeches were made by Mrs. William Bray, of Pemberton, president of the Women's Auxiliary to the Burlington County Medical Society, and Mrs. Howard Hornberger, of Roebling, who is the newly elected president of the New Jersey State Medical Society Auxiliary.

"The Position of the Doctor in the Present War Situation" was presented by Captain Robert H. Lowe, U.S. Medical Corps, who is a member of the staff of the Surgeon General of the U. S. Army.

A number of the Society members have already enlisted in the U. S. Army Medical Corps and are awaiting the results of their examinations before being called into service with the armed forces.

### CLOSING EXERCISES

The closing exercises of the Riverton Public School will be held in the auditorium on Wednesday, June 17, at 8 o'clock.

Interpretation of various musical selections will be a feature of the program.

## AS I SEE IT

By FRANK LEE SAYID

We have always envied the philosophical calm with which a dog seemed to accept the variety of strange experiences which make up a dog's life in the household of man. Sandy, the arrival of fur we introduced to our "public" a few months ago but who now measures over four feet from tip to tip, has, however, proven the exception to the rule.

Sandy has been transplanted to the country, but he has not taken root. Sandy finds it all very strange and confusing and refuses to adjust himself to his environment with the philosophy of his kind. Principal among his uncertainties is the variety of moving things that come within the range of his vision.

We have a great number of what appear to be large bumble-bees busy at work taking our pump house apart. The natives call them carpenter bees because they bore holes nearly a half inch in diameter through any wood that strikes their fancy. Right now the eaves of the pump house strike their fancy. The holes are making it resemble a Swiss cheese except they are as uniform in size and precision as though bored with a bit.

The noise of these bees as they hover in the air, trying to choose where next to set to work, is considerable and offers a challenge to Sandy which is met by imprecations on his part which echo from hill to hill as long as our patience lasts—only to be resumed when we retire from the scene.

This is rather annoying, too, because his preoccupation with bees makes it entirely safe for the audacious rabbit which frequents our garden to shop around among the tenderest of our market basket products. This rabbit is not really hungry, he just gets a tremendous kick out of nipping this and that under the very nose of its guardian.

Some remote ancestral memory arose in Sandy when he first observed the cows in the pasture and led him to adopt an air of authority which was entirely lost on the subjects of his attention. Becoming more insistent that they should respect him and accept his dictation, he ventured just a bit too close, whereupon Bessie, the oldest matron of the group, turned upon him and chased him clear out of the pasture. Since then Sandy stands at the edge of the field and contents himself with calling names.

Myopic to the point that he can not even recognize us until we are near enough to touch him, the parade of butterflies and birds, of horses and cows, of squirrels and chipmunks, of pigeons lighting and departing from the barn roof, of ground hogs and rabbits and countless crawling things—all this motion has our Sandy in a dither of excitement which brings him to days end in complete exhaustion.

That is to say exhaustion until we arrive home worn out from the cares of business and craving peace and quiet and a chance to read the paper. At this point Sandy revives with an irrepressible urge to play bite-and-tag-you-are-it—and tug-of-war—and fetch the stick. And if we ignore his invitations we can be sure two dirty front paws will be planted on our shirtfront altho it incurs the inevitable penalty of having his hind feet stepped on.

The wolf in this canine mastodon is sadly lacking. When he stirs up a rabbit, he is more taken back than is the rabbit and a pair of chickens have the same right of way with him as would the Bald Eagle. We had thought to reinforce his bass voice with a sign reading "beware of the dog" but under the circumstances now feel it should read "do not startle the dog."

Like all over-grown children, too much is doubtless expected of our seven month old guardian. If you wander up our lane after night-fall a year from now, however, it might pay you to telephone first. The wolf may not be in Sandy's heart but it sure is in his jaws.

## RIVERTON WINS TWO

Riverton continued its pace in the Burlington county baseball league the past weekend by triumphing over Bordentown 8-4 Memorial Day at the losers' field and defeating Beverly here 7-3 Sunday.

Medford, now in fourth place in the league will pay a visit to Memorial Park Wednesday of this week. Medford is expected to give every club a real battle for the championship this year. The contest is called for 6:15 p.m. with a large crowd expected to attend. This is the first local home game of the season. Riverton will take to the road Sunday, meeting R. D. Wood at Florence and traveling to Fieldsboro Tuesday night.

## Sunday Game

Bob Bauer, Temple twirler the past season, pitched Riverton to its 7-3 win over Beverly Sunday before a large crowd. He limited the visitors to five safeties, with four of them coming in the 1st inning. He allowed no hits the rest of the contest until the 9th inning when Fieldsboro picked up one. Bauer whiffed eight and allowed no walks.

George Sutters paced the locals with three bingles in as many times up to lead in the 12th hit assault. Bolton Elwell, Yale star, belted out a home run in the 7th inning and Shinn laced a triple in the eighth to aid in the victory.

## McDERMOTT-BUCHANAN

Announcement is made of the marriage of Miss Helen Buchanan, daughter of Mr. and Mrs. Joseph Buchanan, of 106 North Twenty-fourth street, and Corp. William J. McDermott, of Riverton, which took place quietly on Tuesday, May 26, in St. Joseph's R. C. church, Camden. Corporal McDermott is stationed at Fort Eustis, Va., in the service of the U. S. Army.

## YWCA NOTES

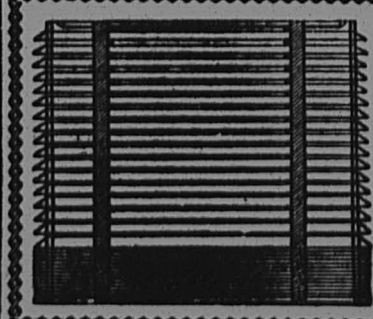

Girl Reserves Elect County Officers  
Officers of senior and junior groups of Burlington County Girl Reserves have been elected for the coming year, and were installed by Mrs. John W. Thacher, of Moorestown, chairman of the Girl Reserve Committee of the Burlington County Y.W.C.A., at a ceremony held recently.

Senior high school Girl Reserves chose their officers as follows: President, Doris Perkins, of Riverside; vice president, Florence Fuss, of Beverly; and treasurer, Peggy Shannon, of Mount Holly. County officers selected by the junior high school Girl Reserves are: president, Lucinda Dwight, of Burlington, vice president, Doris Craft, of Burlington, and treasurer, Marie Hunt, of Burlington.

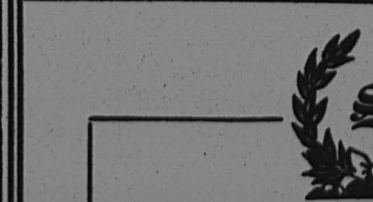

County YWCA Day Camp Plans  
Early registrations for Camp Shining Arrow, the Summer Day Camp operated by the Burlington County YWCA on the Rancocas Creek at New Lisbon, exceed those received by this date in former years, according to Mrs. Bettie Brick Collier, county Girl Reserve secretary, who will be the camp director.

Gasoline rationing will prevent many families from making their customary trips to the shore, and this is causing increased interest in the day camp, Mrs. Collier reports. Registrations, which will be limited to 110 girls per week this year because of a decrease in the number of buses available for transportation, are being received now at the YWCA office in Mount Holly. The camp opens June 30th and will close July 24th.

## WORK QUESTIONNAIRES SHOW MANY DEFICIENCIES

Indefinite or deficient information on the occupational questionnaires mailed to civilian registrants 18 to 64 is causing concern in the offices of the United States Employment Service. It was asserted today by William L. Dill, regional director of the Social Security Board.

The result will be that many thousands of civilians will be called in to employment service offices unnecessarily, at considerable inconvenience to themselves, unless registrants complete their questionnaires more accurately and more fully, Mr. Dill said.

The three purposes of the undertaking are:

To avoid the induction into the armed forces of men who are more urgently needed in war production, to replace workers who are now deferred from military service on occupational grounds whenever possible, with vocational trainees or other qualified persons who, because of age, sex or other reasons, are not suitable for military service, and

To speed up war production by promoting the transfer of workers from non-essential to essential work.

"It is highly probable that the United States Employment Service will play a vital advisory part in the determination of who is to be drafted into the military service," Mr. Dill said.

"If inadequate reporting is done on the questionnaire, it may mean that men entitled to deferment or exemption will be taken into the service, at considerable loss to our war production effort."

Review of forms received to date has revealed the following flaws:

Many employers' names are incorrectly given. A high percentage of the forms are illegible. Frequently, when duties are described, it is not made clear whether they relate to the present or past jobs. Questions relating to dependents are not fully answered. The branch or department of the employer's business is omitted often.

To reduce the inaccuracies, Mr. Dill urged that every registrant who is not certain that he understands all of the questions to go to the employment service, to his employer, to his labor union or to some other informed person for assistance. "All questions should be answered in full and every questionnaire should be completed so that it can be read easily and quickly," Mr. Dill added.

## RESOLUTION

Whereas, the United States is now and may be for some time, engaged in a war which will require the expenditure of tremendous sums of money by the national government and

Whereas, the greatest possible assistance of not only every citizen, but also of every political subdivision is required to bring this world conflict to a victorious and successful conclusion, and

Whereas, the Burlington County Board of Chosen Freeholders recognizes its responsibility to the effect that governmental peacetime functions must be curtailed to the utmost in order to effect savings for the purpose of lowering taxes for civil governmental needs as well as building up a reserve against future contingencies, and

Whereas, due to the serious rubber shortage coupled with the rationing of motor fuel, there will be a tremendous falling off of revenues in license fees and gas taxes, this shrinkage will be progressive and may within a year run as high as fifty percent of the 1941 gross receipts.

Now, therefore, be it resolved, by the Board of Chosen Freeholders of the County of Burlington that the following resolutions be effective immediately and that every County Department Head is hereby directed to put them into effect at once:

1—That no work, unless it is of an emergency nature be undertaken until this resolution is rescinded by the Board of Chosen Freeholders of Burlington County.

2—That only maintenances of all County functions and appurtenances such as various institutions, roads and bridges be carried on.

3—Members who leave the County services to enter the military services of the United States shall not be replaced unless replacement is absolutely necessary and essential to the proper functioning of the County Government.

Be it further resolved that any County Department Head ignoring or violating the requirements of this resolution will be brought before the Board at a public meeting to explain why these conditions have not been carried out to the fullest extent.

(Signed) Albert C. Jones, Director.

Adopted May 8, 1942.

## PALMYRA WINS TWO

Palmyra continued to set the pace in the Burlington County Baseball League by winning a brace of games over the week-end. The locals, with Murray pitching, took R. D. Wood 9-5 and trimmed Roebing 9-3 with Baker doing duty on the mound.

Palmyra has yet to be defeated in a league game this year.

Neither affair was close, as the winners took an early lead on both occasions and were never seriously threatened. Baker allowed the opposition only five hits, while the Woodsmen hit seven off Murray.

Kemmerle hit the ball hard in both engagements, being ably assisted by Humes and Henson.

## PROMOTED

Word was received here last week that Thomas Cahill, son of Mr. and Mrs. Thomas Cahill, of 600 Washington avenue, Palmyra, has been promoted to the rank of Regimental Sergeant Major in the Army of the United States.

The Red Cross is opening a conservation campaign and everyone is asked to save all scraps of wool, rayon and cotton, no matter how tiny. The half-inch strip you cut off a hem and the little ends of knitting wool which you usually throw away can all be used. Further details of this campaign will be announced next week, together with the location of collection boxes.

The Blood Donor Services wishes to thank the volunteers who gave their blood on Wednesday. They will receive a letter of thanks and a special pin from headquarters.

## LIPPINCOTT TAKES TWO STAR BOAT RACES

Rear Commodore Robert Lippincott swept to a pair of close victories in the 77th annual opening day regatta of the Riverton Yacht Club on Sunday of this week.

Lippincott skipped the star class yacht Blue Star, No. 605, with his brother Raymond Lippincott as crew mate, to victory by just a minute in the opening race over a ten mile course, as his first conquest of the year.

## Sets Pace

There were five star class yachts in the event, and Lippincott led much of the way. He was timed in 55 minutes for the three-mile distance in the rather fresh winds.

In the afternoon he came back and won by plenty to spare, in the much stronger winds, over a 15-mile distance. By the grace of victories he not only featured the club's opening day, but in addition took a substantial lead in the Riverton star class elimination series of five races. Three more events will be held on successive Sundays.

Stan Lippincott, brother of Bob, was the opposition in the morning race, and after taking the lead on two occasions, finally finished second in the battle with the strong tide. Thompson Coe, club secretary and treasurer, was third in Bon Air, while Commodore Charles Knight sailed his Mizar to fourth.

## 77th Season

Prior to the regatta Commodore Charles Knight presided at the flag-raising ceremony, as the club formally went into commission for its 77th season. It is one of the oldest yacht clubs in the country. Vice Commodore John P. Mudd, Rear Commodore Bob Lippincott and Secretary-Treasurer Thompson W. Coe aided at the ceremonies. Saturday night the ladies auxiliary held its annual supper.

Star Class (1st Race)—1, Blue Star, No. 605, Bob Lippincott and Raymond Lippincott; 2, Nimbus, No. 128, Stan Lippincott and Dewees F. Howell; 3, Bon Air, No. 1336, T. Coe and Howard Frome; 4, Mizar, No. 960, Commodore Charles Knight and Gus Probsting; 5, Arrow, No. 572, Walter Hansen. Time—55 minutes.

Star Class (2nd Race)—1, Blue Star, total points 10; 2, Bon Air, 7 points; 3, Nimbus, 7 points; 4, Mizar, 4 points; 5, Arrow, 3 points. Time 1:30.

Comet Class—1, Hy-Fly, Nick Sheble and Lloyd Gladney; 2, Shu-fly, John Rogers and Robert Levin; 3, Syrocco, Howard Lippincott and Doris Melcer; 4, Robin, Marcy Lippincott, broke rudder and withdrew. Duster Class—1, No. 33, Bill Waters; 2, No. 19, Elmer Heinel; 3, No. 1, Walter DeFrehn; 4, Duster, John Bruff; 5, No. 28, Lou Clelland, disqualified, fouled at start. No. 4, Ted Clelland, capsized.

## HOME OWNERS CAN HAVE REPAIRS MADE

Owners of homes which are in need of repairs need have no hesitancy in having the necessary work done. Joseph F. Yearly of the J. T. Evans, Co., asserted today. Most of the materials needed for putting a house into good condition are readily available and there are no governmental restrictions on this type of work, he said.

"The best way to conserve property is to keep it in repair," he said. "The government's recent order limiting construction specifically exempts home maintenance and repair, provided they do not involve changes in structure or design. Materials for these necessary repair jobs can be obtained without permits, he pointed out. In addition, materials can be had for many remodeling projects. The government order permits any home owner to spend up to \$500 in a 12-month period on remodeling without special authorization. This limit covers most jobs that the average person would care to undertake at one time.

"There has been much contradictory and confusing talk about building and remodeling restrictions," he said. "The most advisable procedure for any person considering changes in his home is to consult his lumber or building materials dealer, who has the latest and most authentic information on what building can be done."

Especially important right now," he said, "is home insulation, which will reduce heating costs and conserve fuel for war uses. Insulating materials are available which also can be used to build new interior walls and ceilings.

## BIRTH

## RIVERTON SCHOOL NOTES

Memorial Day has meant more in the Fifth Grade this year than it ever has before. During this year the pupils of this class have not only remembered the brave heroes who gave their lives for our country in years gone by, but have remembered those brave boys of today who are standing by ready to defend us.

During the past winter the members of the Fifth Grade have turned over to Mrs. Charlotte Unland over twelve hundred cross word puzzles which she in turn has made into books for the convalescent soldiers at Fort Dix. During the month of May the pupils themselves made the books, and on Friday, May 29, they delivered to Mrs. Unland one hundred books, each containing four puzzles and with a pencil attached. When these were completed the class voted to continue this project of bringing a bit of cheer into the lives of others.

## PALMYRA MAN TO BE ORDAINED TO PRIESTHOOD

Along with six members of his class, Fr. Jerome-Marie Prisco, O.F.M., of 376 Arch street, Palmyra, will be ordained to the Sacred Priesthood in the Order of Friars Minor on Sunday, June 7th, at Saint Francis Seminary, Lowell, Massachusetts.

Fr. Jerome-Marie, formerly known as Dominique Prisco, is the son of Mrs. Carmela-Santa Prisco. He was born in Palmyra, October 31, 1909, and attended and graduated from Palmyra Public and High Schools. After a brief but promising career as a dancer and instructor, he entered Saint Francis Seminary in September 1933, where he received preparatory training before being admitted into the Franciscan Order.

In 1935, Fr. Jerome-Marie was received into the Order as a member of the Province of the Immaculate Conception at the Immaculate Conception Monastery, Troy, New York. It was on this occasion when Father was invested with the Brown Habit of the Poverello of Assisi and given the religious name "Jerome-Marie." In the Monastery of the Order he spent the year of Novitiate, when he studied the Rule of the Order and obligations incumbent upon a Franciscan Religious. With this year ended he pronounced his Simple Vows of Poverty, Chastity and Obedience on August 25, 1936. In pursuance of higher studies, he went to St. Anthony's Seminary, Catskill, New York, where he completed his college course and study of Scholastic Philosophy, following both the Thomistic and Scotistic Schools of

thought. Thence he returned to St. Francis Seminary, Lowell, to take up the prescribed course of Sacred Theology and other ecclesiastical arts and sciences. Upon finishing the first year of the theology course, he made his Solemn Profession in the Order of Friars Minor on Sunday, August 25, 1940. Throughout these years of study for the Holy Priesthood, Fr. Jerome-Marie has been the organist for the choir in each Seminary and for the classes in Ecclesiastical Chant. He is the first local man and life-member of the Sacred Heart Church to have gone away to prepare for the Sacred Ministry, and the first in the history of the Parish to become a member of a Religious Order.

Father will be ordained to the Subdiaconate May 31st, the Diaconate June 4th, and Priesthood June 7th. He will celebrate his First Solemn Mass Sunday morning, June 14th at 10:30 o'clock in the Sacred Heart Church, Riverton. The assisting ministers will be: the Reverend William F. Quinn, pastor of the Archpriest; the Reverend John F. Welsh, former pastor of the Sacred Heart Church as the Deacon, and the Reverend Francis Conn, assistant pastor as the Sub-deacon. John B. De Angelis, a seminarian from the Immaculate Conception Seminary, Burlington, N. J., will act as Master of Ceremonies, and four other seminarians will serve as Acolytes, Thurifer and Naviularius. The sermon will be delivered by Fr. Jerome-Marie's present Superior, the Reverend Leonard Bacigalupo, O.F.M., D.D., L.G., professor of Dogmatic Theology and Ecclesiastical History at St. Francis Seminary.

A reception will take place in the afternoon from 4 to 6 o'clock in Sacred Heart School Hall, Riverton.

## Make This Cake Without Sugar

Learn to Use Sugar Substitutes in Desserts for the Duration of the War

HERE is a beautiful cake that looks like a pre-war cake, tastes like one, yet it is made entirely without sugar. The glistening icing on the cake is made with corn syrup and is sweet and delicious.

**Sugarless Icing**  
1/2 cup salt 1/4 cup lemon  
1 egg white 1/4 cup light corn 1/4 cup almond  
1/4 cup light corn 1/4 cup almond  
1/4 cup light corn 1/4 cup almond

Add salt to egg white and beat until stiff but not dry. Gradually add corn syrup, beating constantly. Add flavorings and continue to beat until icing holds a peak well. Spread on cake. Note: Use 1/4 cup light corn syrup and 1/4 cup honey, if you so desire.

**Butter Cakes and Cookies**  
Honey—Replace half the sugar with honey. Reduce the liquid 1/4 cup for each cup of honey used. Example: In recipe calling for 1 cup sugar use 1/2 cup sugar and 1/2 cup honey.

**Corn Syrup**—Replace half the sugar with corn syrup and reduce the liquid 1/4 cup for each cup of syrup used. Cakes made with syrup are heavier than sugar cakes and usually stay moist longer.

**Pie Fillings**  
All sugar may be replaced with corn syrup or honey. Reduce liquid or increase flour to thicken as desired. (Honey gives a definite honey flavor to fillings.)

**Desserts**  
Sugar may be omitted entirely in shortcakes and cobblers if berries

to be used with them are sweetened. In custards, rice puddings, etc., light corn syrup may be substituted for sugar.

Keep electric appliances in good repair. Take worn or broken parts to your dealer. He will sell you a replacement part.

the Knights of Columbus. All high  
school students and men of the par-  
ish have been invited to receive Holy  
Communion together with these two  
splendid parish organizations at the  
7 o'clock Mass Sunday.

Thursday of this coming week will  
be the feast of the Sacred Heart of  
Jesus, the patron of this parish and  
in whose honor the parish was  
named. Those who can should at-  
tend Mass.

At the meeting of the Holy Name  
Society held in the school last Tues-  
day night, a general discussion was  
held in many parish organizations,  
particularly the matter of doing  
something for those in the service.

Parents of those of the parish are  
asked to cooperate with a member  
of the parish society if he should  
call at your home. Forms are being  
distributed to the parents of those  
80 young men in the service, to ob-  
tain an idea where the young man  
entered the service and when, if he  
is receiving mail and gifts, and when  
he was born.

The Holy Name Society is making  
preparation to aid in this matter, and  
will endeavor to do what they can.  
More detailed information will be an-  
nounced by the group at future meet-  
ings. These forms should be returned  
to the rectory or school this Sun-  
day night, as arrangements may be  
made to send something according  
to the location of the individual.

Reading Room in Church Build-  
ing, Thomas Avenue and Seventh  
Street, Riverton, open Tuesday and  
Friday, 2:30 to 4:30 p.m.

"God the Only Cause and Creator"  
is the Lesson-Sermon subject for  
Sunday, June 7, in all Christian  
Science Churches and Societies  
throughout the world.  
The Golden Text is: "Lord, thou  
art God, which hast made heaven,  
and earth, and the sea, and all that  
in them is." (Acts 4:24).

Among the Lesson-Sermon cita-  
tions is the following from the Bi-  
ble: "And call no man your father  
upon the earth: for one is your

Father, which is in heaven."

(Matthew 23:9).

The Lesson-Sermon also includes  
the following passage from the  
Christian Science textbook, "Science  
and Health with Key to the Scrip-  
tures" by Mary Baker Eddy: "Some-  
time we shall learn how Spirit, the  
great architect, has created men and  
women in Science. We ought to  
weary of the fleeting and false and to  
cherish nothing which hinders our  
highest selfhood." (P. 68).

Henry Ward Beecher offered a  
very wise admonition when he said,  
"The strength of a man consists in  
finding out the way God is going,  
and going in that way too." Like-  
wise, this applies to a nation. Yes,  
our nation. The only way you can  
best find out where 'God is going'  
is by attending God's church. There  
is where his will is made known unto  
everyone. If you are a stranger here,  
and have no church affiliations,  
why not accept the invitation to at-  
tend "Central Baptist," the home-like  
church?

Services, Sunday, June 7th—  
Bible School, 10:00 a.m.—This is  
an all-inclusive school with classes  
to fit all ages.  
Morning Worship, 11:15 a.m.—  
"The Light of Life" will be the sub-  
ject of the morning sermon. The  
choir will sing "I Am He That Liv-  
eth" by Simper. The ordinance of  
Holy Communion will be observed  
following the sermon to which all  
Christians are most cordially invited.  
Baccalaureate Service, 3 p.m.—  
Pastor Morgan will deliver the Bac-  
calaureate sermon before the gradu-  
ation class of Palmyra High School  
on the subject "Be True to Your  
Limitations." The anthem, "The  
Pillars of the Earth" will be ren-  
dered by the choir.

Jr. B.Y.P.U., 6:45 p.m.—In the Jr.  
Department room.  
Sr. B.Y.P.U., 6:55 p.m.—In the  
Main school room.  
Evening Worship, 7:45 p.m.—  
"Where Are Your Sins?" will be the  
theme of the evening worship period.  
Another of the vital questions of the

day. It will be worth your while to  
attend his service. Good congrega-  
tional singing and an anthem by the  
choir, "Beside the Still Waters" by  
Hamblen.

Wednesday evening at 8 o'clock,  
the usual mid-week prayer and  
praise service. You are invited to  
enjoy this hour of good Christian  
fellowship which will be an inspira-  
tion for you.

### BRIEF ITEMS from ABOUT TOWN

A recording dance will be conducted in the Sacred Heart School Sunday night.

The Palmyra High School band led the Riverside Memorial Day parade last Saturday morning. The procession was viewed by a large number from this area with the Palmyra Legion Bugle and Drum Corps and the high school Girl Bugle and Drum Corps also participating.

Palmyra High School will participate in the State Athletic Association track meet at Montclair this Saturday.

Every American Legion post in the county was well represented at the National Cemetery Saturday at Beverly. Colonel D. A. Wolverton, of Fort Dix was the principal speaker with music furnished by a 60 piece U. S. Army band. A floral tribute was placed at the monument by the D.A.R. of the county and the Daughters of America. Mrs. Charlotte Unland, of Riverton, represented the Daughters of the American Revolution. Some 300 soldiers took part in a parade that was held in the main streets of Beverly prior to the services.

Mrs. Joseph L. Hetzel and daughter Anne, of Waterbury, Connecticut, are visiting Mrs. Hetzel's sister, Mrs. C. Singleton Mears, this week.

Judge Thomas G. Siddall and mother, of Atlantic City, were guests of Mr. and Mrs. Joseph J. Siddall, of Lippincott avenue, on Memorial Day.

Mrs. Leo Hopkins and daughter Lillian, of 221 Cinnaminson street, Riverton, have returned from Seaside Park where they were vacationing for a week.

### FOODS LEAD COST OF LIVING RISE

The cost of living for the average New Jersey family, as reported bi-monthly by the New Jersey Department of Agriculture, was 2.0 per cent higher in April 1942 than during the preceding February.

Food which absorbs approximately 29.5 cents from each family dollar spent showed the largest relative increase of all commodity groups, and was 5.6 per cent higher during April than in February, 1942. All food sub-groups, except lamb and eggs, were reported higher.

Clothing advanced 1.6 per cent over the same period. Most of this advance was due to higher prices for clothing for males which rose 2.9 per cent. Miscellaneous items registered an advance of 0.3 per cent with all items steady in price except gasoline. Furniture and house furnishings after recording a relatively large increase in February as compared with December, showed a minor increase of 0.2 per cent in April as compared with February. Housing as represented by rent showed no change due to federal freezing regulations. Fuel and light was the only group to be reported lower with a seasonal decrease of 0.5 per cent.

The average New Jersey family spent 16.0 per cent more for living costs during April, 1942, than during March, 1941, the corresponding period a year ago. During the past year, food, with all groups higher, advanced 24.5 per cent, with the largest relative increase noted for fruits and vegetables up 64.8 per cent; fats and oils 53.0 per cent; and pork 43.7 per cent. Rent rose 7.2 per cent. Clothing cost 26.1 per cent more with clothing for males up 32.5 per cent and clothing for females 30.3 per cent more expensive than a

year ago. Fuel and light advanced 3.0 per cent. Furniture and house furnishings made the largest relative increase which amounted to 35.6 per cent. Miscellaneous items rose 8.8 per cent above the 1941 period.

In accordance with the new "price ceiling" regulation issued by OPA prices of individual clothing items which have advanced since March 1942, must, on May 18, revert to the highest March price. However, this ruling did not apply to April prices.

Of the 66 items included in all clothing, 455 remained steady while advanced in average retail price between February and April.

### CAMP NEWS

On Wednesday, June 10, at 8 p.m., there will be a pow wow for Camps Matolionequay and Ockanickon at the home of Mrs. Arthur H. Burns, 701 Thomas avenue.

Campers, parents and friends who are interested in learning more about the camps are welcome to come.

Miss Ann Troth, head of the girls camp, and William H. Douglas, in charge of both camps, will be present to answer questions.

### WIGGINS-BOWERS

Miss Mariella Bowers, daughter of Mr. and Mrs. Charles T. Bowers, of Hightstown, became the bride of Lieutenant Maurice Edwin Wiggins, son of Mr. and Mrs. Everett Frank Wiggins, of 604 Washington avenue, Palmyra, on Saturday, May 23, in the First Presbyterian Church, Hightstown.

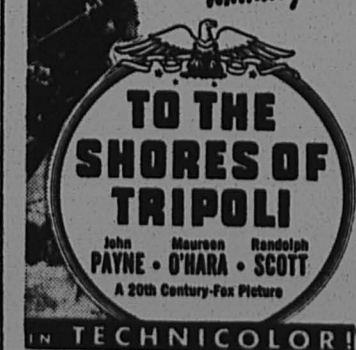

The Rev. Stanley K. Gambell, pastor of the church, performed the ceremony.

Miss Frances Bowers, sister of the bride, served as maid of honor. Lieutenant John Barry Mathews, of Riverton, served as best man and

### While Roses Bloom Plant Chrysanthemums for a Glorious Autumn Display

During the Chrysanthemum Festival last October, we asked our guests to choose among the hundreds of varieties of Chrysanthemums then in bloom, the twelve they liked best. The twelve that received the highest number of votes we listed in our Garden Book this season as the Favorite Dozen. There could be no finer collection to add to your garden for bloom this fall when other flowers have passed. The varieties are:

Food for Freedom

YOU'LL hear more and more about the

government's "Food for Freedom" program

as the war progresses. It is a plan for

assuring ample supplies of food to meet the

needs of America and its allies in the war,

and a large part of the world after the war.

It is an undertaking of tremendous proportions,

a challenge to American agriculture, and

an opportunity of service for America's

banks. Later in this series we will discuss this

program and deal specifically with the ways

that banks are helping make it a success.

### PALMYRA TAKES STATE TITLE

Adding another victory to their already impressive list of wins this season, the Palmyra track team took the New Jersey Group 2 title last Saturday at the Montclair meet, compiling a total of 41 1/2 points. Toms River was second with 29 and Burlington third with 24. The title was the first ever obtained by the Red and White.

In winning, the locals broke three meet records and, as a matter of fact, could have given any of the Group 4 teams a tough battle for the title in that class.

Flournoy won the 120 high hurdles in 15.7 seconds, a new meet record and also broke the mark in the 220 yard low hurdles, his time for this event being 25.6 seconds. Payton also took second in the broad jump.

Conwell Stars

Conwell also contributed materially to the win, breaking the meet record in the 100 yard dash when he sprinted the distance in 9.9 seconds. He also led the field in the 220 and won first in the high jump to annex a total of 15 points.

Conwell and Flournoy accounted for 29 markers between them, but it was the points picked up by the remainder of the cast that pushed the charges of Coach Melvin Kreps into first place.

These were taken by the following: Orlemann, fourth in the 440; Snow, fifth in the mile; Toy, fifth in the high hurdles; Toy, third in the low hurdles; Conover, tied for fifth in the pole vault; Burton, fourth in the same event and Lane, third in the discus.

The team was greeted by an enthusiastic crowd upon their return Saturday night.

### MARKERS SHOW AIR RAID WARDEN POSTS

During the past week, markers have been painted on the sidewalk in front of each air raid warden post in the Borough of Riverton.

The markers, which are three feet square, are done in color and depict the official insignia of the air raid warden force. Because of their size they are readily visible at night and should be of great aid in the event that any one needs to locate a post quickly during a blackout.

### NEW SPECIAL OFFICERS

Vincent Daley and Floyd Smith have been appointed special officers in Riverton, replacing two of the specials who are no longer able to serve because of their work in defense industries.

The new patrolmen will be on duty during the day each week when the regular officers are off.

### NOTICE

Harold B. Wells, Jr., of Borden-town, county radio quota authority, has advised the local radio quota board as follows: "No gas can be delivered by any dealer to a passenger car with commercial license plates unless the owner possesses and presents a ration card."

This order is self-explanatory to those in this category.

### BOY SCOUT UNIFORMS NEEDED BY TROOP 50

The members of Troop 50, Boy Scouts, of Riverton, are having difficulty in securing uniforms and other equipment necessary for Scout-ing activities.

The troop committee believes that many former Scouts in Riverton have uniforms or other items that can be used at the present time.

Anyone who has articles to donate for this purpose is asked to call A. T. Hewlett, phone 811-M, who will arrange to have them collected.

### U. S. O. CAMPAIGN OPENS MONDAY

The signal gun will be fired Monday to start the intensified drive for the \$45,000 which is Burlington County's quota in the 1942 USO War Fund Campaign.

Volunteer workers in every town and rural district of the county will swing into action with a spirited drive to raise the funds needed to continue to provide for America's fighting men that "Home away from Home" which is the function of the USO, so necessary to the morale of the men in service who will fight for freedom in every part of the world.

Although the county's quota is only \$45,000, the national USO budget provides \$80,000 will be spent during the year at Fort Dix, Burlington County's great encampment. The \$32,000,000 national goal represents but \$8.00 for each of the four million men who will be in service before the year is out, a small sum to provide for a whole year of the splendid services rendered by the USO.

### DEFER ACTION ON NEW POLICE OFFICER

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, action was deferred until the next meeting

regarding the appointment of a full time police officer to replace the late George Dorworth.

Charles E. Dorworth, son of the Chief Dorworth, has been acting as special officer and will continue in this capacity until a permanent appointment is made. He was tendered the position held so efficiently for many years by his father, but declined to accept the full time post.

At the Tuesday meeting, the building Inspector, William F. Kennard, reported that three permits had been issued during the month, the estimated cost of construction being \$4,430.

## BOY SCOUT NEWS

Over 150 Boy Scouts took part in the Annual Camporee that was held last Saturday and Sunday at the Boy Scout Reservation on the banks of the Ramocas Creek near Center-ton, New Jersey. Sixteen troops from all parts of the county entered the camporee. The objective of the camporee was to stimulate good camping throughout the Council. Previous to the Council Camporee, Scout troops held their own camporees which were judged by members of the troop committees. Ribbons are to be awarded to the various patrols following their next troop meetings according to the classifications which come under the heading of Proficient, Standard and Participating. Members of the Camp Staff were: Chief of the Camporee, Council Commissioner, V. Larwood Caldwell, Merchantville; Moral and Camp Activities, Dwight E. Tuttle, Riverton; and Scout Executive, George A. Darlington, Moorestown. Judges were: Logan Morris, Mt. Holly; Harry Parsons, Beverly; J. L. Moore, Jr., H. Franks, H. Salmon, Dr. W. S. Niederhauser and Bob Whiting, all of Moorestown; Henry DeHoll and Bill Gibson, and A. B. Branson, all of Palmyra; Harold Gray, Vincent-town; Jack Kolb, Pemberton; George Fish, Rancocas; Fred Linda, Roeb-ling; Herbert Scilly and Herbert Bloomer, Maple Shade. The First Aid tent fully equipped, was under the auspices of the First Aid squad of Troop 5, Palmyra and was directed by R. W. Read. Camp Bugler was Jack Fitzgerald, Troop 4, Moorestown, and the Aide to the Camp Chief was Nelson Hagan, Troop 7, Lenola.

The second session of the training course for Scout Leaders, Troop Committees and men interested in Scouting, was held in the Episcopal Parish Hall, Riverside, on last Monday evening. The course is being conducted by Scout Executive, G. A. Darlington with Henry DeHoll, Chairman of District "D" Committee, acting as Scoutmaster. The opening ceremony was conducted by the Flaming Arrow Patrol with Joe Krager, Palmyra, as Patrol Leader. Talks and discussions on indoor and outdoor troop programs were conducted by Commissioner Caldwell, Scout Executive Darlington and District Commissioner Gibson. This course is open to men interested in Scouting from Burlington, Beverly, Delanco, Riverside, Riverside Park, Riverton and Parry.

The second session of the training course which is open to men from Bordentown, Florence and Roeboling was held on Tuesday evening at the Roeboling Scout Hut. Scout Executive George Darlington conducted the course with David Byer, Bordentown, Chairman of District "A" Committee, serving as Scoutmaster. The opening ceremony was conducted by Harold Blakelee and a discussion on troop programming was conducted by Earl Kerr, Sea Scout Skipper, and Scout Executive Darlington. These courses are organized as a regular Scout troop with patrol organization and leadership.

### PALMYRA WINS ANOTHER

Palmyra made it eight straight in the Burlington County Baseball League on Sunday by downing Bordentown 10-3.

The losers got off to a three run lead in the opening frame but Palmyra pushed six tallies over in the third and breezed along easily thereafter.

Murray tossed them up for the winners.

The Library of the Navy Department was organized and the first Librarian appointed in 1882.

### ROHLOFF, RIVERTON HURLER, GIVES TWO HITS

Behind the two hit pitching of Joe Rohloff, Riverton took the measure of R. D. Wood, of Florence in a hurling duel at the host's field last Sunday afternoon.

Both hurlers had nine strike-outs to their record with Rohloff walking four batters. Riverton scored the only tally of the contest in the fifth inning with hits by George Dargun, Franny Cole, and Johnny Walton. As Duffenbaugh was at bat Cole stole home to score.

Rohloff allowed one hit to Filiponi in the 2nd frame and one to edge in the 5th inning. Riverton only had two hits till the 8th inning off Ed Sweeney, R. D. Wood's pitcher.

Manager Jack Gotta, of Riverton, announced this week that Riverton will oppose Palmyra for the 2nd time this season at Riverton on 4th of July afternoon.

### BASEBALL PICTURE AT ARTISANS MEETING

The Palmyra Artisans will hold their Monthly Meeting Tuesday, June 16, at 8 p.m.

Every member is urged to attend this meeting as the assembly will dispense with all Sessions during July and August as has been done in past years.

After the short meeting those present will be entertained by seeing the new Baseball Picture. As the June meeting is for Junior Artisans, those in charge would like to see all the Junior Artisans attend, also the sons of the Senior Artisans.

The Boy Scouts of Palmyra and Riverton have been invited to be present. After the showing of the picture there will be prizes and Refreshments.

### GAME NEXT WEDNESDAY

Riverton A. A. will oppose Philadelphia in a twilight game scheduled for Wednesday, June 17, at Memorial Park. Hostilities will get under way at 6:15 p.m.

The locals have a splendid record thus far this year, their only defeat coming at the hands of Palmyra. The latter aggregation is now leading the Burlington County League.

### Country Club Notes

#### Amateur Tournament

A large field competed in the South Jersey Amateur Golf Tournament held last week on the course of the Riverton Country Club, the title being won by Al Besselin, of Merchantville, with a low gross of 71.

Local club members who won awards were as follows:

Class A—Second low net, J. E. Lippincott, 76-8-58.  
Class B—Second low net, Paul Burke, 85-16-59.  
Class C—Low gross, R. J. Woods, 86-19-57.  
Second low net, El Branson, 91-21-70.

Constant reports that the affair was one of the most successful in the history of the affair and paid high tribute to those in charge, who included Walter Brickley, pro at the local club.

#### GRASS FIRE

The Riverton Fire Department responded to an alarm at 3:45 Sunday afternoon for a grass fire off Main street near the borough line.

The blaze was extinguished without damage.

### About Town

Lieutenant John B. Mathews, son of Colonel and Mrs. Frank Mathews, of Riverton, writes that he has enjoyed receiving The New Era since he has been in the service and states "that there is nothing like the news from home." Lieutenant Mathews is now stationed at Camp Pickett, Virginia.

Lt. Charles Coddington, of Fort Benning, Georgia, is home on furlough. He will leave on Monday for Fort Carson, Colorado.

The K. of C. Auxiliary Sewing Group met at the home of Mrs. James Higgins, 130 Garfield avenue, last Tuesday to sew for the Burlington County Hospital and the Needlework Guild.

The dance committee at the Riverton Country Club has planned a dance at the club for Saturday evening, June 20, with the Maeda Lane Orchestra furnishing the music.

The Palmyra High School Junior Prom was held in the auditorium of the Riverton Public School on Tuesday night of this week.

Buddy De Laney and his orchestra, featuring Betty Parker, vocalist, will furnish the music for the South Philadelphia High School Senior Prom to be held at the Melrose Country Club on Friday evening. On Saturday the orchestra will play for a dance given by Department 14 of the New York Shipbuilding Company, to be held at Union Hall, Fairview.

Charles Wallace, son of Mr. and Mrs. Edward L. Wallace, of Riverton, who enlisted in the Navy several weeks ago, has been assigned to the Quartermaster School for advanced training.

new State officers with John McCrabe, of New Brunswick, named as president, took place in the morning and afternoon. It was reported that the Junior Chamber of Commerce chapters throughout the State now have 40 per cent of their members serving our nation.

Major Ernest Calligan, public relations officer of the U. S. Army at Washington, was the principal speaker at the session which included a banquet in the evening. Major Calligan represented General Hershey, head of the selective service, who was unable to attend. Other speakers at the conclave included John J. Shulman, Hoboken postmaster; James D. Connell, retiring president and the new head, James McCrabe.

The Henry Gaser DeBeer award was made to the New Brunswick Junior Chamber with respect to their accomplishments during the past year as the outstanding chamber in the State. The Atlantic City Chamber received a prize for traveling the longest distance to the convention in Hoboken.

### WEBSTER-KATES

The wedding of Miss Evelyn Helen Kates, daughter of Mr. and Mrs. Frank A. Kates, Jr., of 419 Garfield avenue, Palmyra, and Ensign William Stuart Webster, U.S.N.R., son of Mrs. Edith Webster, of New York City, took place Sunday at four o'clock in the Epworth Methodist Church, Palmyra.

The Rev. D. Roe Haney, pastor of the church, performed the ceremony. Mrs. Rachel Lord, of Palmyra, played the wedding march and accompanied Mrs. Foster Parker, of Philadelphia, in vocal solos.

The bride entered the church on the arm of her father and wore a gown of white marquisette. Her veil of tulle was arranged of self-material and she carried white orchids.

Miss Nancy Maxwell, of Springfield, Pa., as maid of honor, appeared in a dress of aqua taffeta and net and a halo of fresh flowers. She carried Talisman roses. The bridesmaid, Miss Jean Seiber, of Palmyra, cousin of the bride, wore a

ANNUAL MEETING OF THE  
FIRST CHURCH OF CHRIST,  
SCIENTIST, BOSTON, MASS.

MRS. ELISABETH F. NORWOOD  
Incoming President of the First  
Church of Christ, Scientist, in  
Boston, Massachusetts

The great task now confronting a liberated America, which more than three quarters of a century ago fought a four-years war to free the slaves, is to aid in working out the freedom of the whole world from slavery. The Christian Science Board of Directors told several thousand Christian Scientists gathered in annual meeting on Monday of this week.

Declaring that this would be the sentiment expressed by the Nation's martyred President, Abraham Lincoln, were he here today, the Directors pointed out that "through the ages tyrants have endeavored to govern and control men by engineering fear," and quoting from Mary Baker Eddy's work, "Miscellany" (p. 191), they further say, "Persecution is the weakness of tyrants engendered by their fear, and love will cast it out."

Meeting in their Mother Church under the world-enveloping shadow of what is probably the gravest threat to political and religious freedom since the advent of Christianity, the visitors were reminded in a report by The Christian Science Board of Lectureship that the union of Britain and America was foreseen forty-four years ago by Mary Baker Eddy. Discoverer and Founder of Christian Science, as the instrument through which the rights of free peoples everywhere might be permanently established and protected.

The Directors also announced the election of Mrs. Elisabeth F. Norwood of Brookline, Mass., as President of The Mother Church for the ensuing year.

The new President is the daughter of Isaac Paul Gragg, who served throughout the Civil War and was given the rank of Captain by Brevet for gallant and meritorious services. Her mother, Mrs. Eldora O. Gragg, C.S.D., was one of twelve students of Mrs. Eddy's chosen by her to form The Mother Church. She was also the first woman Reader in the Church.

Mrs. Norwood was born in Roxbury, Mass., and received her early education in the Girls Latin School of Boston and in private schools. She was a member of the Normal Class of the Board of Education of the Massachusetts Metaphysical College in 1922, thus becoming a teacher of Christian Science. She also served as Second Reader in The Mother Church from June, 1929, to June, 1932.

The report of the Treasurer for the fiscal year ending April 30, 1942, showed that the finances of The Mother Church were in sound condition, that aside from current bills and accrued taxes there was no indebtedness.

Other reports made to the meeting stressed the theme of greater opportunity in the emergency to base the future peace of the world upon a

higher platform of human rights, one dictated by recourse to divine rather than to human intelligence.

## TO CELEBRATE FIRST MASS HERE

The Reverend Fr. Jerome-Marie, formerly known as Dominique Prisco, son of Mrs. Carmela Prisco, of 327 Arch street, Palmyra, will celebrate his First Solemn Mass Sunday, in the Sacred Heart Church, Riverton, at 10:30 o'clock.

The assisting priests at the First Mass of Fr. Jerome-Marie will be the Rev. William F. Quinn, pastor of the church, archpriest; the Rev. Thomas B. Lawlor, of St. John's Seminary, Overbrook, Pa., and the Rev. Francis J. Coan, curate of the Sacred Heart Parish, as sub-deacon.  
Fr. Jerome-Marie was ordained to the Sacred priesthood in the order of Friars Minor on Sunday at St. Francis Seminary, Lowell, Massachusetts, by the Most Reverend Richard J. Cushing, D.D., L.L.D., Auxiliary to the Archbishop of Boston.  
Fr. Jerome-Marie is the first local man and a life member of the Sacred Heart Parish of Palmyra and Riverton, to have prepared for the Sacred priesthood, and the first to become a member of a religious order. Fr. Jerome-Marie was received into the order as a member of the Province of the Immaculate Conception at the Immaculate Conception Monastery, Troy, New York, in 1935.

At his First Solemn Mass on Sunday in the Sacred Heart Church, John B. DeAngelis, a seminarian from the Immaculate Conception Seminary at Darlington, N. J., will act as master of ceremonies, with four other seminarians will serve as acolytes, Thurifer, and Naviarius.

The sermon at the Mass will be de-

### NOTICE TO OWNERS OF COMMERCIAL CARS

Persons operating vehicles for commercial purposes in New Jersey, including non-residents, are cautioned by the Keystone Automobile Club to comply with the requirements of the New Jersey Motor Vehicle Act relating to the display of the owner's name and address.

The law provides that every vehicle used for commercial purposes shall have conspicuously displayed thereon or on a name plate affixed thereto, the name of the owner of the vehicle and the name of the municipality in which the owner resides. The Act provides further that the sign or name plate shall be in plain view and in letters not less than three inches high.

This section has been construed to apply to any vehicle which is used for commercial purposes and it will, of course, apply to a passenger car which is equipped with commercial plates.

According to New Jersey authorities, designation of all commercial vehicles, or pleasure vehicles used commercially, will be strictly enforced. The penalty for each viola-

tion shall be a fine not exceeding \$10 or imprisonment for not more than ten days.

### THINGS TO WATCH FOR

"Strap-hanging" facilities for transport airplane passengers on short trips. One line is considering selling "standing room" because of the shortage of seat space . . . A new form of nylon which can be

used as "type metal," cast, printed, cleaned with benzene, melted and recast . . . A light-radiating walking stick of unbreakable plastic, for use in black-outs, emitting either red or blue rays . . . More "MacArthur" and fewer "Mikados" in trade names—a freight model locomotive by Baldwin is a case in point. Similarly, Eberhard-Faber changed its pencil trade name from Mikado to Mirado

## Really NEED a New Car?

Liberalized rules may let you get one

Who is Eligible to  
Buy a New Car?

There are seven major classifications for persons eligible to buy new cars under basic rationing rules

These include persons engaged in the production of war materials or in the prosecution of the war, directly or indirectly: physicians, nurses, clergymen, veterinarians; car-owners engaged in public service, such as fire departments, public health, highway maintenance, etc.; owners of taxicabs and other means of transportation; farmers; newspaper wholesalers; and traveling salesmen in certain fields.

Your Buick dealer will be very glad to help you determine whether you come under the rules of eligibility. He also will be glad to help you fill the proper applications.

Don't guess about your eligibility—see your Buick dealer now and make sure.

If your work is connected directly or indirectly with the prosecution of the war, you may be eligible to buy a new car—right now.

Under newly liberalized rationing rules it is easier than most people think to replace cars now in use with brand-new, long-lived, gas-thrifty 1942 Buicks.

Maybe you can wash out worries about tire-life by starting afresh with a complete new set—tires that will last longer, if they're on a Buick, because new Broadrim wheels both ease the ride and lengthen tire-life.

Remember, the 1942 models your Buick dealer now has ready for immediate delivery were built to serve you through the duration and beyond.

They are wartime tough, durable beauties built to last, built to go a long, long way with a minimum of upkeep.

So if you're eligible, you may be money ahead getting a new Buick now rather than trying to make an old car "do."

Why not drop in, talk it over and see if the new liberalized rules do not entitle you to a new automobile now?

If you're eligible for a new car—

## Westfield Friends' School

The weatherman was very kind to parents and friends of Westfield Friends' School for the closing events of the year.

The outdoor fete was held on May 27th when the children gave dances on the green. These were followed by a Pet Show which included dogs, cats, rabbits, a chicken, an alligator and a turtle. Ribbons were awarded to owners of the best trained, the best groomed, the most comical and the most unusual. The annual father and son baseball game followed the box supper.

The Music and Choric Speaking Recital and the Commencement Program were held on the evening of June 3rd. This was a very festive and delightful occasion and showed excellent training as well as a whole-hearted interest and enthusiasm on the part of teachers and pupils. The Commencement Speech entitled "Our Flag" by Nancy Ritchard, one of the graduates, was of timely interest.

The fall term for the 1942-43 season will open September 15th. Inquiries regarding registration may be made by contacting Miriam Diehl, the principal, at the school, by letter or telephone; or at her home at 36 E. Main street, Moorestown.

and play in this section will be at the Riverton Country Club.

Walter D. Lamon, of Palmyra, explained today that this year's play will go all-out for the nation's war effort, in line with the Government's physical fitness program. "Buck" privates in the U. S. Army and ordinary "gobs" in the U. S. Navy, said Mr. Lamon, will compete on equal terms with their gold-braided officers and with other guests invited by Indemnity agents. More than 10,000 golfers are expected to take part in the play.

Official Army or Navy rank won't count in the 538 prize awards, totaling \$4500 in face value in U. S. War Savings Bonds and Stamps, which Indemnity is offering to contestants. As usual, there will be no entrance fee. Last year, 9,983 golfers competed on 1052 courses in 34 states.

Entry blanks and further information can be obtained from Walter Brickley, pro at the local club.

### NO PENALTY FOR NOT USING ALL GAS RATION

Motorists who do not use all the units of their gasoline rationing cards before July 1 will not be "penalized" when they apply for new cards under the permanent rationing system.

That assurance has been given, the Keystone Automobile Club said yesterday, by Joel Dean, Chief of the Fuel Rationing Branch, Office of Price Administration. In urging motorists not to try to "live up" to their gas ration, but to stay under it to save both gasoline and tires, Mr. Dean, in a statement received by the club, said:

"Under no circumstances will such saving result in penalties for the card holder, or place him under any disadvantage when he applies for a new card."

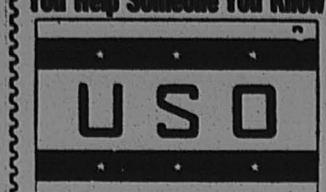

"It is intended that a card holder shall not spend a single unit of his ration merely to 'justify' his need for that card. Rather, it is hoped he will save as many units as possible by eliminating unnecessary miles."

The statement concluded with this observation: "The motorist must continue to do this (save) even though an improvement in the petroleum situation might make possible increased rations of gasoline."

If it be possible, as much as lieth in you, live peaceably with all men.—Romans 12:18.

"God the Preserver of Man" is the Lesson Sermon subject for Sunday, June 14, in all Christian Science Churches and Societies throughout the world.

The Golden Text is "The Lord is our defence, and the Holy One of Israel is our king." (Psalms 89:18). Among the Lesson-Sermon situations is the following from the Bible: "As the mountains are round about Jerusalem, so the Lord is round about his people from henceforth even for ever." (Psalms 125:2).

Quoting from the records, we find that one-third of the persons arrested for known or suspected offenses, are less than 25 years of age. The annual cost of crime to the nation is very large, but the most serious loss lies in misdirected lives. Daniel Webster once wrote: "Whatever makes men good Christians, makes them good citizens." The inference is obvious. The youth as well as the grown-ups need the teachings of practical Christianity. This may be found in your church and Sunday School. If you are unaffiliated, a welcome awaits you at "Central Baptist."

Services, Sunday, June 14th—Bible School, 10 a.m.—An all-inclusive program has been arranged for celebrating Children's Day. Classes will meet in their respective rooms and will proceed to the church auditorium where exercises will be held.

## Empty Bag Thoroughly After Each Cleaning

Give your electric cleaner the care and consideration it deserves—it will give you better and longer service in return.

There are practical ways to increase the life of your "Vac"—and to keep it working more efficiently. One, for example, is to empty the bag thoroughly after each cleaning!

The cleaner works best when dirt bag is empty. As the bag collects dust and dirt, the rapid flow of air through it is decreased, thereby reducing the effectiveness of your cleaner. It is wise, therefore, to empty the bag frequently for most satisfactory cleaning results.

# BRIEF ITEMS from ABOUT TOWN

Cadet Corporal Robert P. Cook, Jr., of Arlington, Massachusetts, is visiting Cadet Corporal Gordon P. Baigent, Jr., of Riverton, this week. Both are students at B.M.I.

Helen Carter, hairdresser, Riverton, announces that her place of business will be closed for vacation from June 27th until July 10th. Adv.

## CRISSEY RICHIE

Miss Ellen B. Richie, daughter of Mr. and Mrs. Arthur L. Richie, of "Sunny Slope Farm," Riverton, became the bride of Robert A. Crissey, son of Mr. and Mrs. Aaron B. Crissey, of Ridley Park, Pa., at a 3 p.m. ceremony last Saturday in the Mount Pleasant Friends Meeting House.

The bride wore a gown of white satin and lace, made of a bouquet of orange blossoms, and she carried a bouquet of gardenias and snapdragons.

Miss J. Sharpless Richie, sister-in-law of the bride was matron of honor. Her gown was of blue organza and lace and she carried a bouquet of pink roses and snapdragons. Bonnie Richie, niece of the bride, as flower girl, wore a frock of pink seersucker organza and lace and carried a basket of spring flowers.

## OBSERVATION POST

Wanted: Ladies for day shifts at the An Observation Post. Each shift is two hours. Donate two hours a week to defense. Call Mr. Gardner, 5521 M for information.

## Notice to Observers

Every observer must have an identification card with his or her picture on it. If you wish your picture taken here, report to the stadium between 2 and 4 p.m. Sunday, June 14. Also those who had pictures taken May 31, report again as they were unsatisfactory. Those who have not received their identification cards get in touch with Mr. Willis, 5521 N 3 or M. Gardner, 5521 M. Publicity Committee.

## NATION BOARD CAN REVIEW APPLICATIONS

Amendment No. 3 to the Gasoline Rationing Regulations, copies of which have been sent to rationing offices throughout the State, gives local rationing boards full legal authority to review applications for gasoline ration cards of all types.

The amendment also authorizes local boards to require holders of ration cards to appear before the board for examination "in order to determine whether such holder was entitled to receive such card." In the case of a holder of an N card, the board can check on the purposes for which any such individual is using his car "in order to determine whether such card is being used for the purpose for which it was issued." The board is required to give written notice to the card holder of the time and place fixed for his appearance at least five days in advance.

If it is found that the holder of the card is not entitled to a card of the class issued, the amendments require the local board is authorized to revoke it and issue one of the proper class instead.

If any card holder refuses to surrender an improper card, or fails to appear before the board for examination, then after the proper notice has been sent him, the board is directed to post his name as a person who "shall be prohibited from securing any gasoline ration card or book" under the provisions of any future gasoline rationing program. Moreover, if a person who fails to appear can show good cause for his failure, his eligibility

for a gasoline ration card will be reinstated.

The first Naval dry docks were authorized by Congress on March 4, 1847.

FROM all sides the cry is "More ships! More planes! More tanks!" But America has learned that the miracle of mass production is not accomplished over night. It requires planning, building, tooling up—and financing. You haven't heard much about the financing end because it has been going smoothly. America's banks have been on the job every minute taking care of the credit needs of their communities, advancing the billions needed to get production rolling. This bank is on the alert for every opportunity to lend.

FINGER PRINTS TAKEN OF CIVILIAN DEFENSE AIDES

Chief William Gootee, of the Riverton police, announces that he will take fingerprints of members of the groups of the local Defense Council who have not yet had this done, any night next week at the police station between the hours of 7:30 and 10 o'clock.

According to the regulations of the State Defense Council, all workers such as air raid wardens, first aiders, etc., are required to have their fingerprints on file. Many in Riverton have had their prints taken, but Chief Gootee states that there still are a number who have not complied with the ruling.

PASS ORDINANCE

At an adjourned meeting of the Cinnaminson Township Committee held on Tuesday of this week an ordinance was passed at first reading, the title being, "An Ordinance Vacating and Extinguishing All Public Rights in Certain Undedicated Streets and Avenues in Cinnaminson Township."

This ordinance will be published in full in next week's issue of The New Era and a public hearing will be held at the next regular meeting of the committee in July.

"Savior" is "one who is mentally brilliant" according to U. S. Naval Academy Red Points.

## RESOLUTION PASSED BY WOMAN'S CLUB

At the last business meeting of The Woman's Club of Palmyra a resolution was passed in accordance with suggestions made by the National Consumer-Retail Council urging all members of the organization to pledge themselves to:

1. Refrain from buying anything—food, clothing, household equipment or furnishings in excess of current needs;
2. To take care of the things we now have so they will last as long as possible;
3. To carry packages whenever possible;
4. To adopt the use of a shopping bag for small packages;
5. To refrain from asking for special or emergency deliveries which require the use of trucks;
6. To buy carefully so that the need for returning merchandise to stores will be minimized.

## PLANS MADE FOR FOURTH OF JULY

At the meeting of Riverton Borough Council held on Thursday night of last week, Albert C. Farrow was appointed chairman of the Fourth of July Celebration committee in that community. The various members of the governing body and Daniel M. Clifton, borough clerk, were also requested by Mayor McIlvaine to assist Mr. Farrow in organizing the program of the day.

The chairman was authorized to appoint a citizens' committee and this group met in the fire house on Friday night of last week to formulate plans for the morning parade and other activities.

It was stated that the usual parade will be held in the morning with the children's section, and divisions of firemen and possibly defense council members. Other events contemplated are athletic races and a baseball game at Memorial Park, together with a regatta at the Riverton Yacht Club. There will be no fireworks display.

Among those named on the various committees are: Walter Armstrong, B. G. Cook, Clarence Mattis, Frank Coddington, Hilton Smith, William Anderson, Colonel Frank Mathews, William Cook, Dr. J. Rowland Dey, J. Russell Jernin, Ogden Mattis, Edward Wallace, Charles Knight, Richard M. Woodward, Earl Bishop and A. T. Hewlett.

A meeting of the committee will be held Friday evening of this week at 8 o'clock, in the fire house. All those interested in assisting those in charge are cordially invited to attend.

RED CROSS WILL OPEN RIVERTON OFFICE

The Riverton Branch of the American Red Cross will establish headquarters for information, literature, etc., in the Welfare office, Collins Building, Riverton.

This office will be open daily, except Saturdays, from 10 to 1 o'clock. Volunteers are needed to serve as members of the office force and a staff assistant's course will be given in Riverton on dates which will be announced later.

Any person willing to take this course and give at least three hours a week of her time can do so by calling Mrs. Nathan Lane, president of the Riverton Branch, phone Riverton 105, or Mrs. J. Douglas Clark, chairman of Volunteer Services, phone Riverton 243.

FIREMEN REPORT GOOD RESULTS IN CAMPAIGN

The Riverton firemen desire to express their appreciation for the fine results secured to date in their drive for contributing members of the organization. A number of new members have been secured and while the anticipated goal has not yet been reached, those in charge hope that

All planes are U. S. unless otherwise indicated.

GAME POSTPONED

The Riverton A.A. baseball game originally scheduled for June 19, at Memorial Park, has been postponed until Friday, June 26.

Those who have not sent in their contribution will do so in the near future.

The firemen need the support of every local resident.

## NO SUCCESSOR NAMED FOR CAPTAIN SHRADER

At the meeting of Riverton Borough Council held on Thursday night of last week, no action was taken to fill the Council post recently made vacant by the resignation of Captain Earl A. Shrader.

In the event that no appointment is made it will leave the field wide open when the Primary Election is held this fall.

Until a successor to Captain Shrader is appointed or elected, Councilman David F. Gould is acting as chairman of the police committee.

With the exception of routine committee reports, little business was transacted at the meeting last week and the session adjourned shortly before 10 p.m.

CLOSING EXERCISES

The following program was presented at the Palmyra School's Eighth Grade Exercises held on Friday of last week in the high school auditorium.

## About Town

Captain Joseph M. Williams, who is stationed at New Bern, North Carolina, spent a brief furlough recently at his home, 302 Midway, Riverton.

At the Commencement Exercises of Drexel Institute of Technology held last Saturday degrees were awarded to the following from Palmyra: Paul T. Martin, Bachelor of Science in Commerce and Engineering; John F. Gilbert, Bachelor of Science in Cooperative Business Administration.

Mrs. Louis des Cognets, of Riverton, is registered at the Hotel Grosvenor, New York City, where she will spend a week with her son.

The Palmyra Volunteer Fire Company is conducting its annual membership drive. The firemen are now collecting the envelopes and contribution cards that were distributed to all local residents last week.

The Palmyra Canteen Unit has completed its training and served an "emergency" meal last week to 43 people, including members of the Riverton Canteen Unit.

Lieutenant H. T. Theis, U. S. Army, spent the weekend with Mrs. Theis, prior to leaving for duty at Camp Claiborne, Louisiana.

Mrs. J. Edward Lippincott, Mrs. W. L. Hendrickson and Mrs. F. W. Thatcher represented the Riverton Country Club at the Ladies' Amateur Golf Tournament held Tuesday at the Seaview Country Club, Absecon.

## GRADUATED FROM THE MANLIUS SCHOOL

Richard Milton Hollingshead, III, son of Mr. and Mrs. R. M. Hollingshead, Jr., of 105 Midway, Riverton, was graduated from The Manlius School, Manlius, N. Y., at its annual commencement exercises, last Saturday morning, June 13. Brig. Gen. Asa L. Singleton, U. S. Army, retired, presided at the ceremonies and 55 cadets received their diplomas. Hollingshead has been at Manlius School, Manlius, N. Y., for four years. He is First Lieutenant of Company A of the Manlius School R.O.T.C. Battalion; has won the Military Merit and Good Conduct medals; has played on the Varsity football and golf teams and on his company softball, football, basketball and swimming teams; has won the Chapel Warden's and Athletic medals; has been a member of the Havensack (school annual) board, the famous Manlius "Ski Platoon," the Radio Club and Winter Carnival Committee. He is planning to enter Trinity College this fall.

A special point of interest attaches to Hollingshead's graduation as he is the third member of the family to attend this widely known military preparatory school, his father and uncle, W. Stewart Hollingshead, having preceded him.

Stackhouse Candidate for State Senate

Assemblyman A. Matlack Stackhouse of Moorestown has announced his candidacy for nomination to the State Senate in Burlington County. His announcement states:

"I am announcing my candidacy for nomination on the Republican ticket for the State Senate at the primary election to be held in September. In making this decision I am aware of the tremendous problems which face us in our State affairs. It is essential for the success of our democratic form of government that candidates for the Legislature should place before their constituents their attitude on all these current problems.

"Our all-out energies to win the war should not obscure our efforts to lay the basis for a better society which must follow the war. It is in this hope and ideal which is inspiring those who are carrying our burdens on the frontiers of world liberalism.

SPLENDID RESPONSE  
THROUGHOUT COUNTY

USO War Fund Campaign Committees throughout the county began their house to house solicitation early this week for Burlington County's \$45,000 share of the \$32,000,000 needed for this year's USO program.

Initial reports are most gratifying and team captains from many of the municipalities are confident of exceeding their quotas.

A USO emblem in every home, representing a contribution from every home for this great work among the nation's defenders is the aim of the campaign workers. It is hoped to complete the drive by July 1.

Burlington County has a particular interest in USO, because four of the service centers are located within the county, at Fort Dix.

There are more than 700 USO Service Centers in operation in 325 communities, covering 45 states, 9 territories and off-shore bases of the U.S. With the American overseas forces 33 centers are already functioning.

Before the end of the year there will be more than 4,500,000 American fighting men in service and the number of USO clubs will be increased to 900 to meet this vast expansion of the armed forces.

The national goal is \$32,000,000, less than \$8.00 per man, an average of 66 cents per month to assure some measure of friendly and homelike hospitality for those moments of leisure when our boys need a "Home Away from Home."

CAPTAIN H. F. MARSHALL  
LOCATED AT WRIGHT FIELD

Harold F. Marshall, of Palmyra, sales and advertising executive for Warren Webster & Company, Camden manufacturers of steam heating equipment, has been ordered to active duty in the U. S. Army Air Forces, with the rank of Captain.

Marshall served as a first lieutenant and pilot in World War I with the 88th Observation Squadron on the front from June 1918, until the Armistice, participating in the fighting in the Aisne, Champagne-Marne, Alame-Marne, Oise-Aisne, St. Mihiel and Meuse-Argonne offensives. He served as Deputy Flight Commander, Flight Commander and Transportation officer under Major Kenneth P. Littauer, until recently fiction editor of Collier's and now also on active service.

He was active in Air Corps Reserve work until 1928 when he was disqualified physically for further flying duty but continued as Captain, Inactive Reserve.

Marshall was ordered to active duty May 14 at the School for Special Service, Fort George B. Meade, Maryland, for a 30-day course of instruction. He graduated Monday, June 15th, and has been assigned to duty with the Army Air Force Materiel Command at Wright Field, Dayton, Ohio.

## BUS FOR CAMPERS

A special bus may be secured to transport campers to Ockanickon and Matollonequay at the beginning of each period, according to announcement by County Secretary Clifford W. Ergood. The bus, starting at Camp, will probably follow this route: Mount Holly, Bordentown, Florence, Burlington, Beverly, Delanco, Riverside, Riverton, Palmyra, Moorestown, Medford, to Camden. A ruling from the gas rationing board makes it possible to charter a bus for this purpose since it is felt that a camping experience is especially worthwhile in time of war. A number of parents have hesitated in enrolling their boy or girl because of the transportation problem. This information should help them in making their decisions.

"Bull" is the middleman's name for the department of English, History and Government at the U. S. Naval Academy.

## JONES—KIMBERLY

Miss Margaret Kimberly, daughter of Mr. and Mrs. Daniel Lucius Kimberly, of Neenah, Wis., was married to Mr. Harry Fisher Jones, Jr., son of Mr. and Mrs. Jones, of Riverton, N. J., at 8:30 Saturday evening, in St. Thomas' Episcopal Church, Neenah.

Miss Nancy Kimberly, of New York, sister of the bride, was maid of honor, and the bridesmaids were the Misses Catherine Beale, Jeanne Sage, and Gertrude Kuehnmetz, of Neenah, and Mrs. Charles L. Dostal, of Elkins Park.

Mr. Charles L. Dostal was best man, and the ushers were Mr. Cornelius Bodine, Jr., of Washington; Ensign Robert Wiggins, of Baltimore; Mr. David H. Wells, of Evanston, Ill., and Mr. Ernest L. Estes, of Chicago.

A reception followed the ceremony at the home of the bride's grandmother in Neenah.

The bride was graduated from the Emma Willard School, Lawrence College, and Vassar College, class of '39.

Mr. Jones was graduated from the Moorestown Friends' School, and Amherst College, where he served as president of the senior class, and of his fraternity, Alpha Delta Phi. He

## EXETER GRADUATE

P. A. Ransome, Jr., son of Mr. and Mrs. P. A. Ransome, of Golf road, Riverton, was graduated last week from Phillips Exeter Academy, Exeter, New Hampshire. He will enter Princeton University next week as an engineering student.

While at Exeter Mr. Ransome was an honor student and captain of the lacrosse team that won the New England prep school title. He also won his letter in football.

BAND SCHOOL TO BE  
CONDUCTED THIS SUMMER

With the enthusiasm that only youth can display the boys and girls of Palmyra and surrounding districts are already responding to the invitation to attend a Band School to be conducted this summer by the Palmyra High School under supervision of Bandmaster Kenneth Merrill. A total of 29 beginners has already been enrolled. It is hoped that these pupils will continue on with their training after the summer and eventually win a regular chair in the Band.

Those already enrolled in the beginner's group include: Sam DeVece, Frances Sachetti, Stanley Griffith, Robert Farrow, Richard Edmonds, John Quinton, Victor Jensen, Joan Smith, Merta Horter, Grace Rose, Carol Yerkes, Raymond Koehler, Royal Farrow, Elaine Tuttle, Bea Thompson, Helen Ludwig, George Hall, Charles Candy, Sam Wagny, Alice Burgess, Joe Austin, Emanuel Pleasant, Dick Snow, Hubert Hauch.

## Schedule

It is planned to devote one evening a week to the High School Band, one morning a week to the drum and bugle corps, and two mornings a week to the beginner's group, which met for the first time Thursday morning. The band will have their first meeting Tuesday night, June 23, at 7:30 and the Drum and Bugle Corps will meet Wednesday morning, June 24 at 9:30. Certain instruments will be furnished to pupils as long as they are available. Music, which will cost about 50 cents per pupil, will be furnished by the pupil. The instruction cost will be paid by the Palmyra Board of Education.

This plan of the Board of Education to provide Band instruction during the summer over an eight week period offers an unusual opportunity to the children of this and surrounding communities. Any one not already enrolled, whether or not they do play instruments at the present time and even though they do not have instruments should report to the high school at 9:00 on Tuesday, June 23.

DURING PAST MONTH

The Camden office of the United States Employment Service announced today that 1,081 persons were placed in employment during May through that office. This announcement was made by Mr. A. E. Lilley, manager of the local office at 639 Cooper Street.

During May, 830 new claims and 10,665 continued claims were handled and a total of 20,701 visits were made to the Camden office by unemployed workers, claimants and employers desiring some service.

Positions filled for employers in the Camden area included trainees and mechanics in war production industries, restaurant and hotel workers, domestic and other service workers, truck drivers, construction and factory production workers, stenographers, typists, and all types of clerical workers.

The activities of the Camden office included 1,664 new applications of persons seeking employment—1,071 men and 593 women. A total of 1,310 applicants renewed previous applications.

The increased responsibilities of

the United States Employment Service in recruiting workers for war production made it necessary to modify the methods for giving service to employers seeking help for domestic and personal service jobs. Arrangements will be made for such employers to interview personally the available applicants at certain hours in the local Employment Service office. Telephone orders for domestic and personal service workers cannot be accepted. Employers are requested to cooperate in this program as a necessary contribution to their part to the war effort.

The local office is open regularly from 8:30 a.m. to 5:15 p.m., except Saturday when the hours are from 8:30 a.m. to 12:30 p.m. No charge of any kind is made to employers or applicants for employment.

## "KINGS ROW" AT FOX RIVERSIDE THU., FRI. AND SAT.

Claude Rains' discovery of the secret romance between his screen daughter Betty Field and Robert Cummings leads to a dramatic denouement in "Kings Row." Warner Bros. adapted the picture from the novel by Henry Bellamann.

The finest "treat" of fun and laughter given this town in many a summer moon is assured local residents on June 30th when a herd of the slyest-eyed, buckiest little burros ever to spill riders will be the mounts of outstanding local men in a fun-bristling game of softball which will be played under gigantic floodlights.

As fond of fun as their human playmates, these cute little rogues of animals will spill their riders all over the diamond, "ball-up" the game with their unexpected bucking and further add to the night's merriment with impromptu, side-splitting practical jokes of their own.

The game is sponsored by Independence Fire Co. No. 1 of Palmyra and will be played on the High School field (rear of High School building) beginning at 9 p.m.

Admission will be adults 30 cents and children 15 cents. Local merchants wishing to try their skill at this new kind of baseball may do so by notifying any fire company member.

MAY RETAIL FOOD  
PRICES DECLINE 1.67%

Welcome news to the New Jersey home-maker is the report from the State Department of Agriculture that retail food prices for May have shown a decline of 1.67 per cent as compared with April. According to the first downward movement that has appeared since November 1941. Lower prices were noted for all groups of foods with the exception of meats, dairy products and eggs. One reason for the decline is that many of the May prices for food items were included in the federal price ceiling order. There is also the seasonal factor to be considered, especially in the case of fresh fruits and vegetables which are more abundant as the season advances and consequently, their prices become lower.

more than in April, 1941, though fashioned shipments fell off by a fourth; huge increases in the seamless type more than made up for it. Single-thickness soap wrappers—with a vinyl resin coating making the waxed inner paper unnecessary. . . . Less cane sugars in candies, more use of molasses and corn syrup; one new confection, a "yam-yum nougat," uses sweet potato for 30 per cent of its sweetening. . . . A new radio-controlled relay device which automatically turns off the house lights when the local radio station goes off the air, as in a raid. . . . Wooden soles for shoes, chemically treated to give them almost leather-like flexibility. . . . "Victory Gardens" along railroad rights of way—the Chicago and Eastern Illinois has made available a total of 184 such acres to be worked free by the carrier's employees and the general public. . . .

## "The special signs," Commissioner Miller explained, "mark the routes to be taken by civilians to escape from congested areas during bombings. They will permit the dwellers in the cities to use the most direct roads in reaching the open country to the north and west. Other highways must be left open for the movement of troops and civilians must avoid them to prevent congestion and delay which hindered the armies in invaded European countries."

"New Jersey forms a unit with New York City, New York State and Connecticut in the uniform markings as many of the routes cross state boundaries. For this reason the numeral 500 was chosen to distinguish them from the regular state routes, and in numerical order they range as high as 535."

"The police departments have the assignment of directing civilians to the best route in emergencies and now that the marking has been finished they will have a better guide for the studies which they have been called upon to make."

## THINGS TO WATCH FOR

More seamless hose. Total shipments of women's hosiery in April were about a million dozen pairs.

"Is the Universe, Including Man, Evolved by Atomic Force?" is the Lesson-Sermon subject for Sunday, June 21, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "The Lord by wisdom hath founded the earth; by understanding hath he established the heavens." (Proverbs 3:19).

Among the Lesson-Sermon citations is the following from the Bible: "And God said, Let there be light: and there was light." (Genesis 1:3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In the universe of Truth, matter is unknown. No supposition of error enters there. Divine Science, the Word of God, saith to the darkness upon the face of error, 'God is All-in-all,' and the light of ever-present Love illumines the universe." In a recent Philadelphia paper, there appeared an article disclosing the fact that the laws of Australia, prohibiting amusements on Sunday, were set aside in deference to the boys in the U. S. Army because some insisted on having Sunday movies in as much as they have been accustomed to them at home. Quite a commentary on a country who is supposed to be setting an example of Christianity to the countries of the world.

However there are still thousands in Uncle Sam's Army and Navy and still more thousands in civilian life who are endeavoring to observe Sunday as it was by the founders of our nation, not as a day in which to do as they pleased, but on the basis of religious liberty, that of "Worshipping God according to the dictates of their own conscience." Until that truth is again established how can

## NAISBY RE-ELECTED JUNIOR C. OF C. LEADER

Henry Naisby was re-elected president of the Palmyra-Riverton Junior Chamber of Commerce at their monthly business meeting held in the Palmyra town hall last Tuesday night. Naisby was among those who organized the local chapter of the Junior Chamber and represented the organization at many civic affairs during the past year.

Other newly elected officers who will be installed in July, are Edward W. Miller, vice president; Myer L. Millman, treasurer and Robert Strahan, the latter was re-named secretary.  
Carl Landgraf was named chairman of the board of directors for a one-year period with Franklin Class, Graham Lore, and George Knouse named as members of the board of directors for one year.

## CEILING PRICES

Copies of a 44-page government pamphlet, "What Every Retailer Should Know About the General Maximum Price Regulation," have

been distributed among local rationing boards throughout the State for the convenience of business men and others who may wish to refer to it.

The booklet, OPA officials explained, tells the retailer in simple terms what the provisions of the General Maximum Price Regulation mean, and how he is expected to comply with them.

The contents of the booklet are divided into eight chapters which tell the retailer how to determine his maximum selling prices under both the general regulation and the Summer Seasonal Commodity Regulation, what records he must keep, how to display and report ceiling prices, how sales taxes and similar prices are to be considered, what data he must file with OPA, how and under what conditions he may apply for an adjustment of his maximum retail prices, and other pertinent information.

Each section of the pamphlet gives concrete every-day examples to illustrate the provisions of the regulation under discussion. To illustrate the fact that the retailer must take as his maximum price of an article the highest price at which he delivered the same article during March 1942, the following example is cited:

A man's shirt was sold and delivered early in the month of March at \$1.89. Later in the month the price was raised to \$2.00, and the same shirt was delivered during March at this higher price. The maximum price of the shirt is \$2.00. This was the highest price at which the shirt was delivered by that store during March.

Similar examples are given to illustrate cases in which articles offered for sale were not actually delivered in March. In such cases, the booklet states, the retailer's maximum price will be his highest "offering price" for delivery of the same article during March. Other contingencies are also anticipated by the booklet and proper procedure illustrated by sample cases.

There is the case, for example, of an article which the retailer did not stock or sell during March. In such cases, he is advised, his price must not be higher than the highest March

price of the most closely competitive retailer of the same class for the same article.

Kindness in ourselves is the honey that blunts the sting of unkindness in another.—Landon.

## IT'S His LUNCH BOX

Naturally, he takes an interest in what goes into that box. He's the one who's going to eat it and he wants a meal he can work on. No fancy sandwiches: no monotonous routine of 'ham on rye', 'cheese on white'. He wants variety in his menus, wants his lunches to be as much like home meals as possible. It's just a matter of planning the lunch boxes as you plan the family meals. Then you can be sure he has a balanced and nourishing diet. Call our Home Economics Department, if you would like any suggestions for lunch box meals.

## CANTEEN UNIT FINISHES COURSE

The Canteen Unit of the Riverton Branch, American Red Cross, completed its course on Monday of this week when the members prepared an "emergency" luncheon for 55 people. The luncheon culminated a 20-hour course in nutrition that was followed by a course of equal length in canteen procedure. This included a study of the preparation of menus, sources of supply, practical work in the Palmyra High School cafeteria, etc. The instructor was Miss Sara Pennell, Public Service Company representative of Burlington. The members of the local unit had no knowledge of the nature of the menu they were to prepare on Monday until 10 a.m., when instructions were received by the officers. With this information at hand, the various departments started to function and the entire meal was ready at noon. Members of the Riverton Motor Corps transported the supplies from the stores.

### For 13 Cents

The menu consisted of spanish rice, cream cheese and pineapple salad, bread, butter and coffee. It was especially selected for nutritional value and was prepared at a cost of 13 cents per person. All those present were in hearty accord with the excellence of the meal.

Guests present included the following: Members of the Palmyra Canteen Unit, Mrs. Carl De La Cour, treasurer of the Riverton Branch; Mrs. Eric Warnick, secretary of the Riverton Branch; Miss Caroline M. Staman, supervising principal of the Riverton Public School; Miss Helen Blair and Miss Caroline Cook, visiting nurses; Mrs. Mary B. Sim, secretary of the Riverton-Cinnaminson Welfare Association; Mrs. Milton N. Klotz, chairman of the Palmyra Branch Red Cross; Mrs. H. M. Reiter, chairman of the Palmyra Canteen Unit; Mrs. Richard M. Hollingshead, chairman of the Riverton Motor Corps and Mrs. H. M. Kieckhefer, vice chairman of the same organization; Mrs. Stephanie McCarthy, executive secretary of the Burlington County Chapter; Mrs. Edith Cooper, county chairman of the Volunteer Special Services; Mrs. Nathan Lane, chairman of the Riverton Branch; Mrs. J. D. Clark, Riverton Chairman of the Volunteer Special Services.

### Members

The members of the Riverton Canteen Unit are Mrs. Edward K. Merrill, chairman; Mrs. C. H. Yost, Mrs. John Wright, Mrs. Charles Carpenter, Mrs. J. E. Daniels, Mrs. J. Douglas Clark, Mrs. Ralph Flower, Mrs. Nathan Lane, Mrs. C. E. Sims, Mrs. Stephen Wooten, Mrs. L. N. Burhoe, Mrs. C. J. K. Anderson, Mrs. Maurice Belknap, Mrs. G. Rex Showell, Mrs. Maurice Joyce, Mrs. August Weber, Mrs. P. A. Ransome, Mrs. Edward Faunce, Mrs. Stuart B. Clark, Mrs. D. M. Patterson, Mrs. Mary B. Sim, Mrs. Robert Ayres, Mrs. George Borne, Mrs. Marshall Kinsey, Mrs. C. B. Somerville, Mrs. Gorham P. Sargent and Miss Helen Woolman.

### Committee

The committee for the dinner comprises Carl Lutz, chairman, Paul R. Jones, Mayor John F. Ward, James

Mathews, Jr.

Invocation at the banquet will be given by the Rev. William F. Quinn, pastor of the Sacred Heart Church with Benediction by the Rev. S. Dan Morgan, of the Central Baptist Church. Music will also be played at the banquet.

Am I doing all I can to help the boys who are fighting for me?

Am I contributing as much as I can to give these boys some measure of friendly and home-like hospitality in their moments of leisure? Don't they deserve a little comfort, a place for relaxation and a touch of home?

Your answer may be "Yes" for a number of reasons but it will not be complete if you haven't given the U.S.O. solicitor a contribution for the national drive now being carried on—a contribution as generous as you can afford.

Last year, when the nation was still at peace, Riverton contributed generously to the U.S.O. Drive and now, with the nation plunged into war we are asked for double the amount—just as the entire nation is being asked for double its former contribution.

Please think this over carefully.

If your solicitor has been to see you and you did not double last year's subscription to U.S.O., think the matter over and, if you decide you can afford it, see him or telephone him that you want to give an additional amount.

If your solicitor comes this week, do your best for this great cause!

RIVERTON MUST MAKE ITS QUOTA. THE BOYS NEED OUR HELP AND WE CAN'T LET THEM DOWN.

The Riverton Committee.

Local contributions of rubber for salvage have been fairly good since the campaign opened, but officials in charge feel that there are many who have not yet responded.

To those, they urge that scrap rubber be left at any local service station as soon as possible.

# THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, JUNE 25, 1942

PRICE FIVE CENTS

## FIFTH REGISTRATION

The Fifth Registration will take place at Local Draft Board No. 1, of Palmyra, in the American Legion Home, on Tuesday, June 30, between the hours of 7 a.m. and 9 p.m.

This will include all men who have attained the anniversary of their 18th or 19th birthday on or before June 30, 1942, or the anniversary of their 20th birthday after December 31, 1941.

Those who must register thus include all men born on or after January 1, 1922, or before June 30, 1924.

## BANQUET TONIGHT FOR TRACK TEAM

The Palmyra High School track team will be honored by a testimonial dinner to-night (Thursday) at the P.O.S. of A. Hall, Palmyra. The affair is to get under way at 6:30 p.m.

The track squad won the first State title in the history of the school at the State meet held recently at Montclair.

The principal speaker at the occasion will be Robert Detweiler, Jr., chairman of the Middle Atlantic Division of the University of Pennsylvania, and held the Middle Atlantic Championship in weights in 1933, '34, and '35 and qualified for the 1936 American Olympic team.

Along with many civic officials, many sport writers, and college track coaches are expected to attend the banquet.

Leonard R. Baker, president of the board of education will be the toastmaster for the affair. The testimonial dinner is in charge of a committee of citizens headed by Carl Lutz, of the board of education.

Films of the 1942 Penn Relays held at Philadelphia will also be shown. The members of the track team and the coaching staff will receive a token of appreciation from the townspeople through the business men of Palmyra and Riverton. Awards will also be made by the Palmyra High School Alumni Association to members of the track squad and the coaches, being presented by Colonel Frank A. Mathews, Jr.

Invocation at the banquet will be given by the Rev. William F. Quinn, pastor of the Sacred Heart Church with Benediction by the Rev. S. Dan Morgan, of the Central Baptist Church. Music will also be played at the banquet.

Many residents went to the river bank to "view" the darkness across the Delaware.

The committee has worked a great deal toward making the affair a huge success and it is expected that many local officials, and civic organizations will be well represented at the affair.

Am I contributing as much as I can to give these boys some measure of friendly and home-like hospitality in their moments of leisure? Don't they deserve a little comfort, a place for relaxation and a touch of home?

To those, they urge that scrap rubber be left at any local service station as soon as possible.

## RIVERTON USO QUOTA IS \$2,500

Last year the USO drive in Riverton netted approximately \$1,750. Of this amount \$500 came from one subscription that cannot be duplicated in the present campaign. Riverton's quota this year is \$2,500, which is double the "normal" donations last year. This clearly indicates the need for the workers in the current campaign securing increases over 1941 subscriptions whenever possible, if the local goal is to be reached.

Campaign workers, under the leadership of Harry F. Jones, are now hard at work covering the community and those in charge ask the cooperation of every local resident in this worthwhile project for the men of our armed forces.

Those who are assisting in the Riverton campaign are as follows:

Charles H. Carpenter, Paul Barnhart, Filson Graff, S. R. Coale, Mrs. J. P. Abell, J. E. Lippincott, Howard M. Rogers, Walter L. Rogers, Herbert M. Kieckhefer, W. W. Chalmers, Victor Ritschard, A. B. Garwood, James H. Barker, Rev. Francis B. Downs, Ross T. Elliott, Edwin Ochs, Clarence W. Rodman, Powell Thatcher, Mrs. Archibald Bush, C. Lawrence Peterson, R. H. Hull, William P. Thatcher, A. G. Bush, Charles Woolston, Mrs. R. R. Hull, Mrs. Powell Thatcher, Walter Barclay, Russell M. Bigelow, Charles Earp, Jr., J. S. Bartley, Walter S. Blyler, John Willis, Richard M. Graff, Charles E. Sims, John F. Jamison, Harry E. Moyer, John Craig and Thomas R. Taylor.

SIRENS HEARD CLEARLY

The Philadelphia air raid sirens and whistles were very audible here on Tuesday night when the alarm was sounded for the total test blackout.

Many residents went to the river bank to "view" the darkness across the Delaware.

The committee has worked a great deal toward making the affair a huge success and it is expected that many local officials, and civic organizations will be well represented at the affair.

## FLAG PRESENTED TO DEFENSE POLICE

At a meeting held on Sunday, June 21, 1942, of the Captains of the Defense Police at the home of Richard E. Wilson, Chief of Defense Police, a beautiful black and white banner was formally presented to the Defense Police by Mr. Wilson.

This banner with the Defense Police Insignia on it was purchased by Mr. Wilson and was carried by the Defense Police in the "I Am An American Day" parade on May 17.

The banner was accepted on behalf of the Defense Police by David Christie, Deputy of Defense Police.

Mr. Wilson stated that he presented this banner in the interest of defense work and that he hoped the banner would be preserved after this war is over as a testimonial to the men who worked on the Defense Police Force.

John E. Manning, State Administrator for the United States War Savings Staff, announced today that 267 weekly and 33 daily New Jersey newspapers had agreed to join a committee to be known as the 'New Jersey Newspapers War Bond Sponsors.' The committee was organized to introduce the Payroll Savings Plan for the purchase of War Bonds into every employing unit in the State by a planned advertising campaign.

Each of the participating papers has agreed to donate to the Treasury Department an eighth of a page a week for eight consecutive weeks. This space will contain advertisements designed to induce those employers who have not yet introduced the Payroll Savings Plan in their firms, to offer it to their employees. The necessity for such a campaign became apparent, Mr. Manning said, when it was seen that the majority of smaller firms in this State were not setting up the Plan, although more than sixty per cent of the larger firms, representing 1,200 concerns, had done so. There are 2,000 firms in New Jersey with one hundred employees or more, but there are 7,000 potentially able to offer the plan, Mr. Manning emphasized.

### Direct Advertising

It also became evident, Mr. Manning added, that the success of the War Savings Staff in signing up the larger employers was primarily due to the fact that the Staff's committee operate through trade associations and local industrial organizations to which most of the smaller employers belong.

It was realized several weeks ago, Mr. Manning declared, that these smaller units could be reached only through a direct advertising program that would explain the purpose of the plan, its simplicity of installation, inexpensiveness of maintenance and the ready response of employees to its use. Pointing out that the Treasury Department has no operating budget for sales, advertising or propaganda work, all local offices and staffs being maintained by the contributions of local citizens and companies, Mr. Manning said he had been "most reluctant" to seek free space from Jersey newspapers because he appreciated that the war effort had posed many problems for them.

At this time, David R. Hochberg, Newark lawyer, who had just been appointed public relations counsel for the Newark-Exeter County and the State War Savings Staffs, proposed an advertising plan which would tie in expeditiously with the newspapers operations. Besides the space contribution, it called for the free services of a national advertising agency and of several other concerns doing work auxiliary to advertising.

### Many Cooperate

Mr. Manning laid the plan before all papers in New Jersey. The New Era was among the first to offer cooperation.

The Lewis Advertising Agency of 17 Academy Street, Newark, New Jersey, has agreed to give its services in designing a series of advertisements based on consultations with the Treasury Department.

Making up of the matrices has been contributed by the Central Electrotype Foundry Company of Newark, the type composition by the Kenyon-Baker Company of Newark, and the engraving by the Empire Photo Engraving Company of New Brunswick.

Mr. Manning said the response of all the newspapers in New Jersey as well as of the other contributors to the campaign was so noteworthy that a complete report is being transmitted to the Treasury Department in Washington and that the effort would receive national recognition.

## MODEL AIRCRAFT MADE IN PALMYRA HIGH SCHOOL

Accurate scale model aircraft have proved the most helpful training device for the recognition of aircraft. For this reason the United States Navy Department has asked for students in public and private schools to build many of the types of fighters, bombers and scout planes of the nation that are involved in the present world conflict.

Many students in Palmyra participated in this patriotic and most worthy cause at the request of the United States Navy Bureau of Aeronautics. The United States Office of Education prepared such educational material as was necessary to complete the models, templates and detailed assembly sheets.

Twenty students completed 26 model planes which met the accurate requirements of the Navy. Many other students took part, however, but their models did not pass inspection tests.

### Honors

The following received the United States Navy Scale Model Aircraft honorary rank of Aircraftman as a recognition of their war time service in making their models in accordance with specifications approved by the Bureau of Aeronautics of the United States Navy. The awards are as follows:

Lieutenant Junior Grade (Honors)—George Black.  
Ensign—Lester Yerkes.  
Ensign—George Yansick.  
Ensign—James Hamlin.  
Ensign—George Hansbury.  
Ensign—Richard Hubbs.  
Ensign—William Dorsey.  
Cadet—Harold Johnson.  
Cadet—Louis Foulke.  
Cadet—Albert Parker.  
Cadet—Holland Lippincott.  
Cadet—Richard Jones.  
Cadet—Arthur States.  
Cadet—Marilyn L. Yost.  
Cadet—Jack Sitzer.  
Cadet—Edward Berryann.  
Cadet—Francis Mitchell.  
Cadet—Lewis Wentz (8th Grade).  
Cadet—Jack Noone (7th Grade).  
A display of the scale model airplanes is arranged in Ward Lowden's windows, Broad Street, Palmyra.

## VICTORY GARDENS

Boys and girls of today, thinks John Perry, teacher of Agriculture at the Palmyra High School, are just as hard working as those of any other generation and, furthermore, are a great deal better prepared for farm jobs than their ancestors. Speaking to the Palmyra-Riverton Rotary Club on Thursday last, Mr. Perry outlined the work now being done by the local high school, and told how it carried over into their own home. "Youth in Victory Farming" was the title of the talk.

### Little Glamour

"Victory Farming," said Mr. Perry, "is quite different from the glamorous pictures one sees in magazines of beautiful girls riding gaily painted tractors and armies of young people marching across the page with shining tools over their shoulders. Rather it is a matter of dirty, grimy work, getting down on one's knees, or hoeing long lines of vegetables. Boys all spring have been hurrying home from school, getting into their overalls and harrowing by the aid of a tractor with lights, until 11 o'clock. They are doing vital defense work."

He further pointed out that many could make more money elsewhere. He cited one case in which a fifteen year old boy and a hired man are running a ninety acre farm, while the father is working in a defense plant. Mr. Perry thinks the modern boy has a knowledge of machinery which is remarkable, furthermore he is not a hick, but keen of mind and much better read than his predecessors. Outstanding also is his knowledge of complicated chemistry of fertilizers and other similar products used on the farm.

### Machine Repair

In addition to his regular class duties, Mr. Perry organized and supervised a class in farm machinery repair, which was held in a barn near Moorestown. Those attending it were mainly adults, but in some cases there were boys and fathers learning together. The greenhouse class at Palmyra High School was also touched upon by the speaker, who left his audience with the impression that a great deal of worthwhile work is being done by the Agriculture Department.

President Joseph Seel, who will retire July 1st, was much pleased over the fact that the club had a technical 100 per cent meeting last week, eleven members who were absent the week before made up their absence at nearby clubs. This is an unusual record.

## ANNUAL REPORT OF SCHOOL PRINCIPAL

At the meeting of the Riverton Board of Education held on Monday night of this week, Miss Caroline M. Staman, supervising principal, submitted her annual report for the year just finished.

This report summarized the activities and accomplishments of the year and clearly indicated that, in addition to regular school work, both teachers and students have actively participated in many projects pertaining to National defense and civic betterment. The average enrollment during the year was 217.

Mrs. Frank Mathews, chairman of the education committee, announced that Miss Anna Weiss, teacher of domestic science, had declined to sign a contract for next year. No action was taken to appoint a successor.

At an earlier meeting the board appointed a successor to Robert Emmens, industrial arts teacher, but rescinded this action at a special session held soon afterward. Thus, a vacancy still exists in this department also.

The Garrett-Buchanan Co. was awarded the contract for certain school supplies on their low bid of \$123.40.

The board decided to take out the proper amount of war risk insurance on the school property. The session was the last one for the present school year.

## DERANGED MAN PICKED UP IN RIVERTON

Officer John Robinson, of the Riverton police, observed a young man acting suspiciously in the vicinity of the Riverton freight station early Monday evening of this week and took him to the police station for questioning.

The man, whose positive identity has not yet been ascertained, was unable to talk coherently and was later examined by local physicians, who pronounced him deranged. Pending further investigation, he was committed to the Trenton State Hospital, being taken there Tuesday afternoon by Chief William Gootee.

While confined in a cell at police headquarters, he became violent and damaged the fittings to a considerable extent.

## RESTAURANT PROPRIETOR B. & P. CLUB SPEAKER

William H. Munn, restaurant owner, of Palmyra, was the speaker at the meeting of the local Business and Professional Men's Club, on Tuesday of this week.

Mr. Munn, in addition to having had considerable experience in the restaurant business has also had charge of feeding large numbers of men, having been supervisor of the culinary department on several large projects, among them being the Muscle Shoals Dam construction during the first World War.

The speaker gave a number of interesting sidelights taken from many projects on which he has been engaged.

Next week will mark the last meeting of the club until September. In place of the regular luncheon at the club, the members will journey to Shibe Park, where they will eat in the club dining room with Connie Mack and members of the Athletics, viewing the double-header after the luncheon.

Those making the trip will meet at Paul Schneider's Service Station at 11 a.m. Transportation will be furnished in private cars and those who have not made reservations are asked to notify Walter D. Lamon as soon as possible.

The board decided to take out the proper amount of war risk insurance on the school property.

The session was the last one for the present school year.

## RIVERTON BALL CLUB DROPS CLOSE DECISION

Riverside A. C. handed Riverton its fourth setback in the Burlington County League last Saturday afternoon when the locals dropped a 1-0 decision on the winner's field.

Bauer, of Riverton and Heimach, of Riverside, were the opposing hurlers and both did a fine job, allowing only five hits each.

Riverside got two of theirs in the eighth, one a triple by Elvert, and these coined the only run of the engagement.

Coming Games  
Future home games for Riverton are as follows:  
Friday, May 26. Beverly. (Twilight)  
Sunday, June 28. Riverside Metal. Saturday, July 4. Palmyra.

**PALMYRA WINS ANOTHER**  
Palmyra retained its firm hold on first place in the Burlington County Baseball League last Thursday night by defeating Medford 2-1 on the latter's pasture.

Len Baker hurled for the winners and limited the opposition to three hits. He fanned 13 and issued only one pass.

Medford tabbed their only run in the fourth, while singletons by Palmyra in the sixth and seventh clinched the battle.

Palmyra has lost only one game in 11 loop contests, this reverse coming last week at the hands of Riverside Metal.

**RECEIVES COMMISSION**  
William P. Kinsey, having successfully completed his three months course at the Air Forces Officer Candidate School at Miami Beach, Florida, has received his commission as 2nd Lieutenant in the Air Forces of the Army of the United States. His duties will be to direct vital administrative and supply operations of the rapidly expanding Army Air Forces ground forces, thus relieving trained pilots for full time flying duty.

As a civilian, Lt. Kinsey lived at 416 Lippincott Ave., Riverton.

**CHINESE COMMEMORATIVE**  
A special 5-cent commemorative postage stamp in recognition of the 5 years' resistance of the Chinese people to Japanese aggression will be first placed on sale at Denver, Colo., on July 9, 1942. The central motif of the stamp will be a contour map of China to the left and right of which in oval borders will appear portraits of Abraham Lincoln and Sun Yat-sen, founder of the Chinese Republic. The stamp will be of the special-definitive size, arranged horizontally, printed in blue by the rotary process, and issued 50 stamps to a sheet.

The new regulation permits the display of the new stamp on a windshield provided it is affixed on the inside at or near the middle of the upper margin of the windshield. On the great majority of vehicles, this will mean that the stamp will be in back of the interior rear view mirror as viewed from the driver's seat.

The new regulation results from the fact that the new Use Tax Stamp has spaces on the reverse side in which to enter information about the car. Furthermore, unlike the previous edition, the new stamp has adhesive on the face and thus is appropriate for display in the manner described in the regulation.

The stamps are now on sale at all post offices but the enforcement of the law is under the jurisdiction of the U. S. Bureau of Internal Revenue.

## HOME OWNERS SHOULD CONSIDER INSULATION

Although winter is a long way off, home owners should give immediate attention to the need for insulation, according to Joseph F. Yearly, of the J. T. Evans Co.

"The War Production Board has warned that it may be necessary to ration coal, because of transportation shortages," he said. "In such an event, the owner of an insulated home will be able to operate on from 25 to 50 per cent less fuel."

"Whether or not fuel rationing becomes an actuality, insulation is a good investment. It will pay for its cost in fuel saving in a few years, and from then on return a handsome dividend."

The materials used for insulation are considered non-critical and are still available, he said. One kind is especially useful, for it also can be used for a great variety of remodeling purposes. Known as insulating board, it comes in various size sheets and panels and in a number of thicknesses. The boards are ideal for building attic rooms, for resurfacing walls and ceilings and for use as a lath wherever there is any plastering to be done.

By insulating now, home owners will enjoy an extra bonus of summer comfort. An insulated home is many degrees cooler in summer than one which does not have its protection.

Although calf liver is more expensive than lamb, pork or beef liver, the food value is the same. When you buy calf liver, you are getting a slight difference in taste but not in nutritive value.

Broiling is considered a good method of cooking liver for it seals the juices and flavor in the meat. Do not cook too long, four minutes on each side is enough.

Here are several interesting recipes for cooking liver.

**Broiled Liver and Bacon**  
Liver should be one-half to three-fourths inch thick. Remove veins and skin. Brush with melted butter. Place strips of bacon over top. Broil just long enough to change the color, approximately four minutes to a side.

**Sautéed Liver and Bacon**  
Prepare liver in same way as for broiling. Season and dredge with flour. Dredging can best be done by putting the seasoning, flour and liver slices into a paper bag and then shaking well. Fry the bacon, remove from pan and keep hot while sautéing the liver in the fat. Remove liver and serve with the bacon. Do not over-cook liver.

**Variations**  
If a gravy is desired, add flour to the fat in the pan, allowing 1 1/2

tablespoons of flour to 1 cup of water and 2 tablespoons of fat, add hot water, stir until thickened, season, and serve over the liver. Milk in place of water will make a richer or gravy or tomato juice will give a desirable variation.

**Breaded Liver**

1 lb. liver (4 slices) 1 cup bread crumbs

2 eggs 2 tbsp. bacon fat

4 tbsp. lemon juice 1/2 tsp. salt

1/2 tsp. pepper

Wine and drain liver and remove any loose membrane or skin. Add lemon juice and seasonings to slightly beaten eggs. Dip liver in egg, roll in crumbs and again in egg. Place in shallow pan containing hot fat, set in oven of 375 degrees F. for 25 min. Turn liver once during baking. Four servings.

**Creamed Liver**

1 1/2 cups liver, 2 tbsp. fat

1 cup milk 2 tbsp. flour

1/2 tsp. salt 1/2 tsp. pepper

Make a cream sauce according to the method preferred, add cubed liver, salt and pepper. Cook gently for 12 to 15 minutes, or until liver is tender. Beef liver will take a little longer. Serve on toast or with baked potato. Four servings.

**Variations**

Finely cubed cooked liver may be added to a number of vegetables, creamed or escalloped. Add the liver to the sauce or arrange as a garnish over the top. About 1 1/2 to 2 cups of liver as vegetables is sufficient.

After you fill the ice tray of the refrigerator with water, wipe the bottom with a cloth before replacing tray in refrigerator. It is the freezing of excess water that makes trays stick.

To make Liver a la King, add to this recipe, 1 egg yolk slightly beaten and 3 tablespoons of pimento cut in strips.

For a darker sauce, sear the liver before adding it to the sauce.

Funeral services were held at the Waterman Chapel, in Boston.

Interment was made in Mt. Auburn Cemetery, Cambridge.

The deceased is survived by her husband, Charles J. McKenna, and a daughter, Mrs. Charles F. Voorhis.

## Eat Liver For Health

Many Interesting Ways of Preparing This Meat That Is Rich in Vitamins and Minerals

LIVER has a high food value. It is not only a source for vitamins, A, B, and G, but it is also rich in protein and contains iron and copper. Many doctors recommend liver for the treatment of anemia for its substance helps to build red corpuscles of the blood.

Although calf liver is more expensive than lamb, pork or beef liver, the food value is the same. When you buy calf liver, you are getting a slight difference in taste but not in nutritive value.

Broiling is considered a good method of cooking liver for it seals the juices and flavor in the meat. Do not cook too long, four minutes on each side is enough.

Here are several interesting recipes for cooking liver.

**Broiled Liver and Bacon**  
Liver should be one-half to three-fourths inch thick. Remove veins and skin. Brush with melted butter. Place strips of bacon over top. Broil just long enough to change the color, approximately four minutes to a side.

**Sautéed Liver and Bacon**  
Prepare liver in same way as for broiling. Season and dredge with flour. Dredging can best be done by putting the seasoning, flour and liver slices into a paper bag and then shaking well. Fry the bacon, remove from pan and keep hot while sautéing the liver in the fat. Remove liver and serve with the bacon. Do not over-cook liver.

"Christian Science" is the Lesson-Sermon subject for Sunday, June 28, in all Christian Science Churches and Societies throughout the world.  
The Golden Text is: "Laying aside all malice, and all guile, and hypocrisy, and envies, and all evil speakings, as newborn babes, desire the sincere milk of the word, that ye may grow thereby." (1 Peter 2: 1, 2).

Among the Lesson-Sermon citations is the following from the Bible: "And the darkness comprehended it not." (John 1:5).  
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christian Science is dawning upon a material age. The great spiritual facts of being, like rays of light, shine in the darkness, though the darkness, comprehending the moment, may deny their reality." (P. 546).

## About Town

Mrs. Charles H. Vost, of Thomas avenue, Riverton, has returned from Cincinnati, Ohio, where she attended the funeral of her aunt, Mrs. Benjamin Lewis, of that city. On her way home, Mrs. Vost visited friends at Washington Court House, Ohio.

L. C. Dickinson and John Denner, both of Riverton, are receiving their military training with the U. S. Army at Fort Jackson, S. C.  
They are now members of the 307th Infantry, 77th Division, which, together with other units of the Division, saw gallant and distinguished service in World War I. They are part of a team with a glorious history and the prospect of an equally glorious future. The spirit of their Regiment, Commanded by Colonel William H. Craig, is expressed in their manly and spirited motto "Clear the Way."

## CARE!

Care of your electric cleaner can produce longer, more efficient service. Here's how!—Empty dirt bag thoroughly after each cleaning—Keep brushes free of hair, threads, lint—Avoid running cleaner over pins, tacks, clips and other foreign objects.

Care of your electric refrigerator results in more efficient operation and may actually increase its life. Here's how!—Be sure to defrost regularly so that excessive ice does not cake on freezing unit. (This must be done more frequently in summer than in winter)—Avoid leaving door open because an open refrigerator door wastes electricity—Keep refrigerator clean by periodic washing inside with a weak baking soda or borax solution.

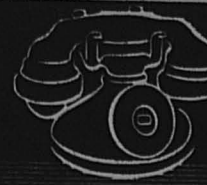

## SPARE FUSES

It is wise to keep an extra supply of fuses within easy reach of the fuse box. Know how to replace burned out fuses and never use a makeshift substitute. Ask electrician about type and size needed in your home and consult him if fuses blow out frequently.

### BRIEF ITEMS from ABOUT TOWN

William S. Webster, of 419 Garfield avenue, was recently commissioned an ensign at the U. S. Naval Air Station, Jacksonville, Florida.

The Sugar Rationing Committee will meet for Trade and Institutional registration for July and August on Thursday, June 25, from 12:30 to 4 p.m. at the Welfare office.

The Delaware River Yacht Racing Association will sponsor a dance in the Riverton Country Club on the evening of Independence Day, from 9:30 to 1:30. A buffet supper will be served.

Hilton M. Smith, Jr., of Linden avenue, Riverton, has recently been elected president of the Senior Class at Glassboro State Teachers College, where sessions are being continued throughout the summer because of the present emergency.

Approximately 15 girls from the Sodality of the Sacred Heart Church attended the opening of the new U.S.O. at 132 North Warren street, Trenton, on Monday night.

Robert C. Dunlap, of Garfield avenue, Palmyra, visited his family earlier this week. He is stationed with the 1559th Medical Detachment at Charleston, West Virginia.

The Senior and Junior Sodality of the Sacred Heart Parish gave a surprise farewell party in honor of Miss Helen Pfaff, of Elm avenue, last Friday night at the Sacred Heart School. Miss Pfaff, the daughter of Mr. and Mrs. Andrew Pfaff, was presented with a large number of gifts. She will be among the local girls to be a naval nurse, and will receive six weeks' training at the Philadelphia Naval Hospital, then being placed at a regular Navy post.

The Palmyra Borough Hall will be dedicated on July 4th afternoon with ceremonies.

The monthly social event of the Junior Chamber of Commerce was conducted Tuesday night at George Knouse's cabin, located at Rancocas.

Harold R. Reynolds, of Riverton, has been transferred to Camp Davis, North Carolina.

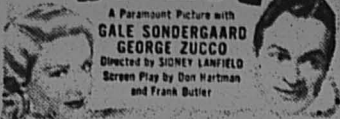

Misses Winifred and Theresa Brennan, of East Riverton, left Wednesday for Seattle, Washington, where they will visit their brother, Sergeant Patrick F. Brennan.

After all the hullabaloo he's been raising on his radio program about Madeleine Carroll being his favorite blonde it's hard to figure just why Bob Hope should play hard to get. But he does, and anybody can see his antic in "My Favorite Blonde," laugh-laden spy comedy.

## Still Time To Plant Roses

While Hybrid Tea Roses are practically sold out, there are still available some of the best Floribunda, Shrub and other types of Roses. Visitors to the nursery lately have been admiring the large mass of salmon-cerise flowers on a block of the everblooming Shrub Rose Lipstick . . . then there is that best of all the white Floribundas, White Lafayette (Dagmar Spath) . . . the startling beauty of Mermaid, a large cream single climber with petals 3 to 4 inches across and a big bunch of golden stamens . . . also the Memorial Rose (Wichuraiana) the best of all ground covers. Come see them at the nursery.

Why Banks  
Sell U. S. War Bonds  
Without  
Compensation  
or Profit

Do you realize that for the billions of dollars of U. S. War Bonds sold by banks not one cent of compensation has been paid to them? Banks have spent large sums to advertise and sell the Bonds. Yet they receive no fees, no commissions. That is as it should be. That is how the banks want it. Banks place their country's interest first. They do not wish to be paid for rendering a service which every loyal banker deems a patriotic duty and a privilege. We urge you to buy Bonds.
