50th ANNIVERSARY OF LOCAL CHURCH

Plans are now under way for the celebration of the Fiftieth anniversary of the building of the present Sacred Heart Church, at Fourth street and Linden avenue, Riverton. The jubilee event is to be held on September 24, 25, 26 and 27.

The celebration of the historic event of the parish will include several affairs including special services during the four days and the annual carnival to be held in the school. According to Rev. William F. Quinn, a Golden Jubilee Memorial booklet will be published for the occasion. It is also expected that the Most Reverend William A. Griffin, Bishop of the Trenton diocese will visit the Sacred Heart parish during its 50th anniversary celebration.

Cornerstone in 1892

The cornerstone of the present Catholic Church was laid August 6, 1892 by the Rt. Rev. Michael O'Farrell, D.D., first Bishop of the Trenton diocese. It was dedicated August 20, 1893 by Bishop O'Farrell, the sermon on the occasion being given by the Rev. James A. McFaul, Vicar General of the Trenton diocese at that time.

Prior to the year 1873, the Catholics of Palmyra and Riverton were accustomed to attend Mass at Riverside, Moorestown or Camden. In 1874 Mass was celebrated for the first time within this area at a home on Main street, Riverton.

During the time Holy Mass was being celebrated in homes the parishioners were making every effort to have a church constructed. The cornerstone of the first Catholic Church in this area was laid May 31, 1879 by the Rev. Peter Jacetti, O.M.C. who had charge of the Sacred Heart parish then which was known as a Mission. The church then was dedicated to divine worship on July 6th of the same year, by the Rt. Rev. M. A. Corrigan, Bishop of Newark.

Attend Mission

The Catholics of this area and vicinity attended services at this mission until the erection of the present edifice. Franciscan Fathers were in charge of the church from 1874 till 1888 while the Sacred Heart Church was then a mission of St. Joseph's Church, Beverly, from 1888 to 1901. Under the direction of Father McKernan, Father Degnan, and Father McCloskey plans were started and completed for the present Sacred Heart Church. The first pastor of the local parish was appointed in 1901, the Rev. J. F. Hendrick being transferred from Vineland. With the aid of the parishioners he was enabled to adorn the interior of the church, and made it one of the most beautiful houses of worship in the Trenton diocese.

The Rev. William A. Quinn is now pastor of the church assisted by a curate Rev. Francis J. Coan, with the parish rectory located on the corner of 4th and Thomas avenue.

MEETING FOR OBSERVERS POSTPONED TO LABOR DAY

A meeting of all the observers of the observation post of the local American Legion post being maintained at the Palmyra High School stadium will be held on Monday night at the Palmyra High School auditorium.

The meeting will get under way at 8 p.m. according to Avery Willis, chief observer at the post who will be in charge of the affair. Although being held on Labor Day, all observers are urged to attend as it is one of the few meetings held for the observers since the organization of the observation post. This session was previously listed for August 25, but was postponed.

SNOVER BOAT NOW IN COAST GUARD

The speedy cabin cruiser, Pearl S. III, owned by Frank A. Snover, of Palmyra, was accepted for service by the United States Coast Guard last Friday and is now being refitted prior to actual assignment to active duty.

In command of this new addition to the Coast Guard fleet is Chief Boatswain's Mate, 1st Class, Robert Snover, son of the owner, who seems destined to see interesting activity somewhere along the Atlantic Coast.

SAFEGUARD HEALTH

"Your health is a community asset and should be protected as such," says a statement issued this week by the Health and First Aid Committee of the Riverton Defense Council. This statement goes on to say, "With so many of our local doctors already in the service and still others planning to leave before long, the health of the community has become a very serious problem for this Committee. Before snow flies it is quite probable that Riverton's available doctors will be so reduced in number that those remaining will have a hard time serving the needs of the community."

"Therefore, don't take any chances with your health from now on. Ask your physician about inoculations against colds this winter and get him to give the family a complete check-up right away so that any minor ills may be uncovered and corrected before they become serious.

Fever Serious

"Always remember that a fever is a sign of distress and it means bed, right away. Never try to fight it off. Give in right away. Get warm and stay warm. Drink plenty of non-stimulating liquids. Bathe frequently to keep the pores open and healthy. Watch your food, get plenty of fresh vegetables. Cultivate regular sleeping habits. And don't forget, you, personally, are responsible to all the other hundreds of people in Riverton to keep any kind of disease out of the town. If you feel under the weather, get to bed. If it persists, call a doctor. Then do exactly what he tells you to do. Remember, his time is valuable. Don't ask him unnecessary questions. Don't keep him in long conversations. He has to treat many more patients than you, and many of them probably are sicker than you are!

"Riverton," concludes the Committee's statement, "can be kept healthy if we all make up our minds to work together. But if careless parents fail to consult a physician about a sickly child, they may be allowing an epidemic of scarlet fever or any other infectious disease to break loose on the whole town! Don't take a chance, it may kill a neighbor's child! Watch your health, watch your family's health for a healthy winter!"

LIBRARY RE-OPENS

The Riverton Free Library reopened on Tuesday of this week. Hours after Labor Day will be as follows:

Monday to Friday—4-6 p.m. and 7-8 p.m.
Saturday—10 a.m. to 12 noon and 7-9 p.m.
The library will be closed Labor Day.

this area, and recently elected Burlington County American Legion Commander will attend along with his assistant Harold Moore, of Florence. According to Avery Willis, several U. S. Army Air Corps officers will also be present.

C. B. Gardner, assistant observer at the local post, has also announced that there are still several periods open for individuals to act as spotters. It will take but two hours per week, being on the lookout for enemy aircraft. All those willing to help out may contact him at his residence, 421 Leconey avenue or call 521-M.

NEW MINISTER

The Rev. R. B. Stewart who, on Sunday, September 6, will preach his first sermon at Calvary Presbyterian Church, Riverton. Rev. Stewart, with Mrs. Stewart and her mother, Mrs. A. J. Clay, arrived here September 1 and will reside at the Manse, Lippincott avenue. The new pastor comes to Riverton from the Pitts Creek Presbyterian Church, of Pocomoke City, Maryland, where he has officiated since 1938. This church, incidentally, is one of the oldest Presbyterian churches in the United States, having been founded in 1683.

Of Scotch Descent

Rev. Stewart, who is 35 years of age, is of Scotch Descent and received his early education in Scotland and England. He was awarded a teachers diploma from the Pitman Institute of Bath, England, in 1920, and received first class diplomas from the Royal Society of Arts of London in 1927 and 1928, his major being commercial subjects.

Coming to the United States in 1930, he graduated from the college of the Ozarks, Arkansas, in 1935 and from Princeton Theological Seminary in 1938.

First Pastorate

His first pastorate was at Pocomoke City. He was a member of the Rotary Club in that community and was president-elect of the organization at the time of his departure. He was also chairman of the Council of the New Castle Presbytery.

In an article concerning his departure from Pocomoke City the local newspaper paid a fine tribute to the new residents of Riverton, saying in part, "Rev. Stewart's general work in the church and his special ability in the pulpit will make his place hard to fill. Mrs. Stewart and Mrs. Clay were his able assistants in the social life of the congregation and were equally valuable in church activities."

The New Era joins the members of Calvary Presbyterian Church and other residents of this section in welcoming the newcomers to Riverton and in wishing them all success in their endeavors.

RIVERTON SCHOOL OPENS MONDAY, SEPTEMBER 14

The Riverton Public School will open for the fall term Monday September 14.

According to Miss Caroline M. Staman, supervising principal, the school will be open for kindergarten registration Wednesday, Thursday and Friday, September 9, 10, 11, between the hours of 10 a.m. and 12 noon and from 1 to 3 p.m.

Children 4½ years old, that is those born before June 1, 1938 will be registered upon presentation of birth and vaccination certificates.

NARROW ESCAPE AT R.R. CROSSING

Robert Young, 11, of 707 Washington avenue, Palmyra, had a narrow escape from being run over by a train on Tuesday afternoon of this week at the Morgan avenue crossing, Palmyra.

The affair happened as the 5:40 eastbound pulled up at the station and a light engine approached the crossing from the opposite direction.

According to witnesses, the youth evidently believed the crossing lights were being activated by the east-bound train and did not see the engine until he had started to ride over the crossing, going from north to south.

Turns Wheel

Just in time, however, Young noticed the engine and turned his bike to the right. One wheel stuck in the guard rail and he was thrown clear of the tracks just as the train demolished the bike.

The lad was uninjured, having a most miraculous escape.

According to police, who investigated the affair, the engineer blew for the crossing according to regulations and this probably saved the boy's life.

NOTED LECTURER TO SPEAK AT YOUNG G.O.P. DINNER

The committee in charge of the pre-election dinner to be given by the Young Republicans, Saturday, September 12, at 6:30 in the Moorestown Community House has been most fortunate in securing Dr. Lena Madesin Phillips, of Westport, Connecticut and New York City as the guest speaker for the occasion.

Dr. Phillips, who is a native of Kentucky, is a speaker of international fame, having toured the United States and many foreign countries extensively.

She is a recognized authority on world affairs and has been heard on numerous occasions over nation-wide broadcasts. Dr. Phillips, who has received the honorary degree of doctor of laws from the University of Kentucky, is also the author of many publications and was formerly the editor of Pictorial Review. She has spoken in Burlington county on two previous occasions and was exceptionally well received.

The committee in charge of the dinner extends a cordial invitation to all those interested in hearing Dr. Phillips to attend the affair and urges that tickets be reserved promptly by calling either Palmer L. Adams or Frank A. Snover.

HISTORY NEGLECTS NEW JERSEY ACTS

Hugh Mehorter of Woodbury, president of Gloucester County Historical Society, in an address last Thursday evening told the local Rotarians that South Jersey's great contribution to the Nation's history is not sufficiently appreciated outside of the immediate vicinity. Before the speaker was presented by Walter Lamon, visitors were introduced including Rotarian W. Scott James of Moorestown. Two soldiers as guests of the club were presented by Bert Marple of the War time committee. The soldiers were privates B. F. Lee of Morristown, Tennessee, and H. M. Pace of Fruitland, Utah. The club's policy is to have service men as guests each week. Past President Joseph Seel read the communication from District Governor Ivan Culbertson, announcing his coming visit to the club assembly 4 p.m. Thursday, September 3, and to the dinner meeting of the club the same day. Charles S. Geelan appealed for binoculars for the armed forces.

Second to None

Mr. Mehorter, who is also past commander of the American Legion with a service record in the A.E.F. declared school books show far too little about the significant part of South New Jersey in the beginnings of the nation. "New Jersey was second to none in the American Revolution" he declared, but unfortunately the school children probably don't get that in their reading.

"Burlington County alone" he said, "is rich in Colonial history. There is a slight up-turn in interest in these things at present due to the war, but for some years a decadent group of intellectuals thought it smart to make mock of our national heroes and our institutions. They tried to pick to pieces everything we had and convince us of the superior merits of foreign isms. But thank God these pseudo-liberals are today waving the flag. There is a swing to solid Americanism which has been our salvation and will again be our security." Mr. Mehorter then gave a series of illustrations of great interest from South Jersey's history.

Tribute to Women

The speaker paid a tribute to the women of the colonial days in South Jersey.

He said soldiers today are occupying a battlefield in South Jersey where 600 militiamen routed 3,000 Hessians back to Philadelphia. The immediate result of this often overlooked victory was that the King of France was so impressed that he yielded to the suggestions that France be brought in on the side of the struggling colonials. And yet that significant victory gets about 3 sentences in the school textbooks on American history.

The speaker concluded by saying, "Let us believe in and contend for the preservation of this state's and this region's traditions, customs and form of government, for the home, the religion, the constitution and the way of life in which we have been brought up. With this nation confronted by its greatest crisis, we should demand unity and unanimous sacrifice by all, whether in civilian or military life. Let us not be blinded to any trick to subvert our American way and form of life. Let us be each for all and all for each."

Last Tuesday night the group finger-printed the members of the auxiliary police and the demolition squad. On Tuesday of this week the Junior Chamber fingerprinted the auxiliary firemen of Palmyra along with all the registered nurses in the borough.

It is planned to finger-print the members of the local decontamination squad and the first aid corps this Tuesday night, September 8th. Arrangements should be made to finger-print the various groups with Frank Class.

MANY PHONE MEN NOW IN SERVICES

New Jersey Bell Telephone men in all branches of the military service topped the 500 mark last week, more than twelve per cent of the male employees of the company. This week the service flag at telephone headquarters in Newark reads 518.

The largest proportion of telephone men represented by the flag are in the U. S. Army Signal Corps where their specialized communications training is being utilized to greatest advantage under a plan worked out by the Army with the telephone companies two years ago.

The plan reflects the War Department's view that men with specialized communications training should serve in the Signal Corps so that the Army can take full advantage of their knowledge and experience; and it also reflects military realization of the need to keep enough trained personnel on the job to provide the swift and plentiful telephone communication essential to the total war effort on the home front.

Under the plan adopted, the Signal Corps selects telephone men on a volunteer basis for specific Signal Corps assignment in small cadres, each of which forms the nucleus for a Signal Corps unit in active service. The New Jersey Bell Telephone Company has so far cooperated in forming a dozen such cadres, the personnel of which are enlisted as commissioned or non-commissioned officers, and as privates with technicians' ratings. Major General Dawson Olmstead, Chief Signal Officer of the Army, recently termed the response of telephone men to the requests of the Signal Corps for such cadres outstanding, and "an indication of the true spirit of the people of our nation during this great national emergency."

A former United States Marine Corps sergeant, James Conroy, was once awarded the Victoria Cross by Queen Victoria.

Palmyra had 26 motor vehicle accidents reported in 1941, six being on the state highway.

"SAVE FOR BABE"
VICTORY SLOGAN

War Not Won If We Don't
"Win For Posterity"

By B. Thrift

We don't have to be reminded that great sacrifices are being made by the youth and man power of our Country to win this war. Neither do we have to be told that the sacrifices of the "home front" will be growing daily. But we are Americans, and as such, we can face these facts with a determination and will power equal to the occasion. All any American wants to know is unadulterated facts. There are two that no one needs to question, even though there are many more we might doubt. Uncle Sam needs money to execute this war. It is the duty and privilege of every true American to buy War Stamps and Bonds. This is our first concern. Everyone knows that the future manhood and womanhood will have the responsibility of "carrying the torch." It is a massive job which will be saddled on the back of posterity.

This is where the second and great responsibility rests on those along the "home front." Don't let this Posterity grow into this responsibility without all the aid and assistance we can possibly give them. Yes, give them a start, and you may rest assured they will do the job well. They will need financial aid at times, just as we have needed it, then they will need the proper education so that their tasks may be effectually accomplished.

Here is where we can give them the lift they need. Start them now, it doesn't matter how young they may be, as shareholders in the Palmyra Building and Loan Association. You will not only give them a financial lift but you will encourage the thrift habit when they will have arrived at the age of realization. This will, as it has thousands of cases in the history of the Palmyra Building and Loan Association, be the stepping stone of success and life's achievement.

So don't leave them down when they cannot speak for themselves, start their success by subscribing for shares of stock in the new series of the Association which will be opened on Tuesday, September 8th, in P. O. S. of A. Hall, Palmyra. Hours, from 3:00 in the afternoon until 9:00 o'clock in the evening.

FOOTBALL MEETING

The Riverton Rascals football team will hold a meeting in the Riverton fire house Sunday, September 6, at 1 o'clock. All members or those who desire to play this season are requested to be present.

V-MAIL SYSTEM

The Navy Department today urged civilians to make use of the government's new Mail system—by which letters are photographed on miniature film—to speed up their correspondence with friends and relatives in the armed forces.

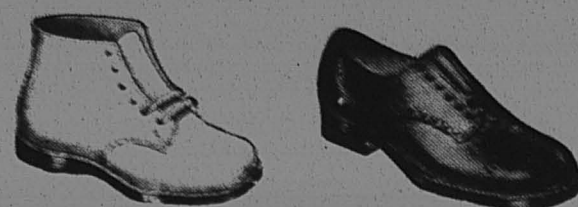

Letters, under the new system, are written on standard-sized blanks obtainable without charge at any post office, and these blanks then are assembled and photographed on a 16-millimeter microfilm spool. Fast mail trains and air transports speed the film spools to bases near the addressees' scene of duty, and there the film is projected onto letter-size blanks which are sent to the addressees.

The V-mail method, post office officials have explained, has proved quicker, easier to handle and no more expensive than ordinary mail and is given the highest priority in transit. One spool of film can accommodate as many letters as would normally fill half a mail sack—thus saving valuable cargo space in the train or air carrier.

Whereas regular air mail from West Coast points to the Hawaiian area often takes many days—even going by convoy when mails are unusually congested—V-Mail between these points averages only four days, the Navy Department pointed out in advocating use of the system.

Full instructions for use of V-Mail blanks are printed on the backs of the forms.

Look Over the Record**Republican Harmony Ticket**

Candidates Offer Burlington
County Voters the Best in

Efficient, Honest Government

*Their Records Prove
Their Sincerity*

Senator Howard Eastwood

Candidate for Republican re-nomination, has had an outstanding record of public service in the State Senate. His vote has always been cast for the best in Public Administration. He has honestly sought the betterment of his State and County. He has never failed to offer Legislation for the advancement of his constituents. A vote for Eastwood is a vote to retain Efficient Government.

**Freeholders John M. Chant
and LeRoy Church**

Candidates for Republican re-nomination, have helped to guide the activities of the county through trying times. Fearlessly and honestly, they have fought to bring about an improvement in county government. Cleaner and more efficient county institutions, better road and bridge maintenance and direction, economical administration of county affairs—all have been accomplished during their terms.

Chant and Church are entitled to your Vote. Give them the opportunity to retain Efficient Government in Burlington county.

Arthur W. Lewis

Candidate for nomination for State Assembly, has a long and enviable record of public service, but he has never before sought elective office. He will give experienced knowledge, sincerity of purpose and honesty of action to the county's representation in the Assembly.

John R. Coates

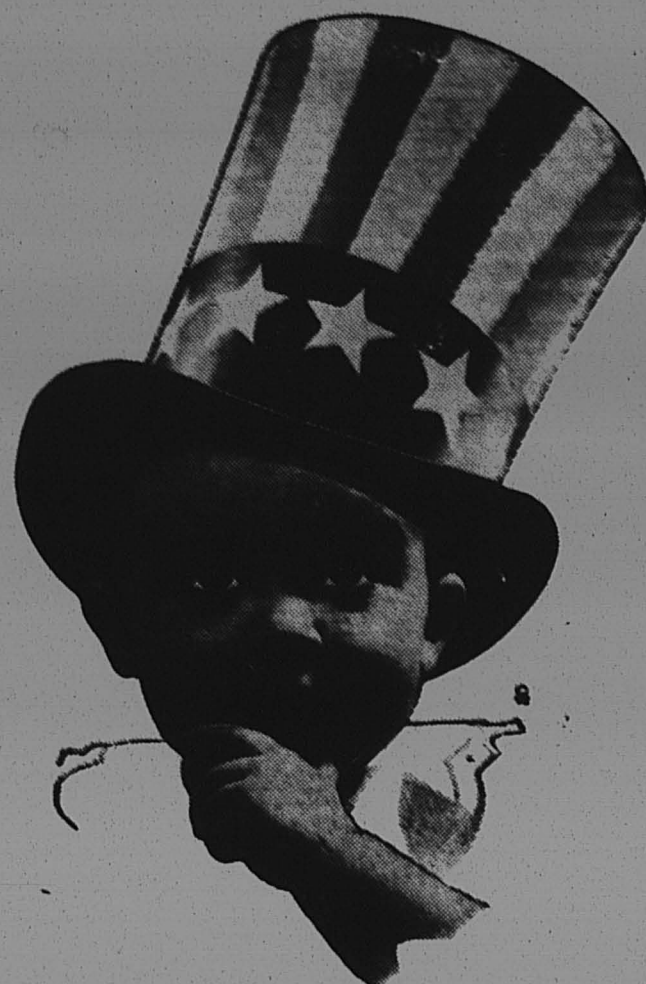

Candidate for the Coroner nomination, will fill the office of County Coroner honestly and efficiently. His record of service in his home town assures voters of an efficient Coroner.

Oven Meals Save Time and Fuel

Put the Complete Dinner in the Oven and Bake It All at the Same Time

OVEN meals are composed of a meat, two vegetables and a dessert that may be baked at the same temperature for approximately the same length of time. While they are cooking you have plenty of time to do other things.

Oven meals save fuel, too, for they use only one heating unit to cook the entire dinner. Here are recipes for a good oven meal. Bake the vegetables in pots with covers, the meat and the cheese cake in uncovered pans.

Oven Meal Menu

Barbecued Lamb Breast

Garlic Potatoes

Baked Peas

Tossed Salad

Cheese Cake

Barbecued Lamb Breast

1 to 2 lbs. lamb 1 1/2 lbs. lamb shoulder breast
Have breast trimmed and breast bone removed at market. Ask to have a pocket cut lengthwise, starting from shoulder end. Stuff breast pocket rather tightly with the ground meat. Brown meat; place in casserole; cover with Barbecue Sauce. Bake in covered pan in oven set at 350° for 1 to 1 1/2 hours.

Barbecue Sauce

1 medium onion 1 cup catsup
2 tbsp. butter 1/2 cup Worcestershire Sauce
2 tsp. vinegar 1 cup water
2 tsp. brown sugar 1/2 cup salt
4 tsp. lemon juice 1/2 cup red pepper

Brown chopped onion in butter; add remaining ingredients and pour over meat.

Baked Peas

Place peas in casserole with 1 or 2 lettuce hearts, and cover with

Garlic Potatoes

8 medium potatoes 1/2 cup salt
1/2 small bulb 1/2 cup pepper
1/2 cup butter 1/2 cup light cream
1/2 cup milk

Place potatoes in casserole with 1 inch water. Cover and cook 1 hour. Mash. Saute garlic (cut in half) in olive oil and butter in deep saucepan; add salt, paprika, pepper, celery seed and pour over potatoes. Beat, adding a dash of cream now and then, until potatoes are as light as fluff.

Cheese Cake

1 6-oz. package 1 cup cream
zwieback 1/2 cup salt
1/2 cup butter 1/2 cup lemon
1/2 cup sugar 1/2 cup juice
2 cups cottage cheese 1/2 cup grated lemon rind

Roll zwieback into fine crumbs and mix with melted butter and 1/2 cup of the sugar. Pack all but 1/2 cup of this mixture on the bottom and sides of a well buttered 8-inch spring form pan. Press the cottage cheese through a fine sieve. Combine the eggs and the remaining 1 cup of sugar, and beat until light. Add cream, salt, flour, lemon juice, lemon rind, and cottage cheese and mix well. Pour into crumb lined pan and sprinkle lightly with the remaining 1/2 cup of zwieback crumbs. Bake in a moderate oven (325°) for 1 hour. Turn off the heat and leave in oven for 1 hour. Remove from oven and allow to cool. Yields 8 to 10 servings. If a smaller cake is desired, make one-half of the recipe and use a 6-inch spring form pan. Bake in a slow oven (300°) for 1 hour. Will yield 4 to 6 servings.

**Know Your
Government****"CAN'T EAT YOUR CAKE
AND HAVE IT"**

Recall summers of previous years when, with a care-free foot on the accelerator, a fine disregard for the amount of gasoline burned or tires worn out, "mom, pop and the kids" in the family "bus" raced shoreward weekends and spent vacations traveling up Niagara Falls, the Skyline Drive of Virginia or visiting relatives in far-away cities?

Seems a long while ago—almost part of another world—amid present turmoil and tragedy of war with rationing and emergency demands sharply restricting use of automobiles, with boys entraining to fight for our country instead of traveling to enjoy the pleasures of its seashores, mountains and other vacationlands.

Changes in American everyday life since December 7 add up to a startling realization of a transformation of National outlook from a peacetime to a wartime basis—realization that you can't eat your cake and have it—that pleasant, but not essential features in life must be discarded until necessities of war and the sinews of victory are provided. Neither can government—national, state or local—escape the realization that times have changed; that the costly non-essentials must be eliminated and full public resources applied to the job of winning the war in

keeping with the American blueprint for victory. If elimination of non-essentials means chopping off useless arms and righting the belt of government, officials must realize that this is war—and start swinging and taking up the slack. Citizens, as a whole, is chopping peacetime pleasures and trills from wartime life. Government and political machines cannot hope to escape.

Throughout the country need for reduction of routine non-essential governmental costs has been realized by organized citizens and taxpayers. Utah taxpayers proclaim: "The Millstone of Non-Essential—Non-War Activities must be removed!" South Dakota citizens demand "war-time rations" in local government: "Sweat Off the Fat—Tax dollars must be rationed too," says Arizona. The New Jersey Taxpayers Association sponsors "Priorities on Public Spending" in this State to provide rationing of tax dollars in State government.

New York's Legislature has stopped talking and gone into action with a State Economy Commission, known as "the Little Byrd Committee." Comprising 15 members, including legislators, State finance experts and citizens, the Commission is empowered to investigate needs of State departments, recommend conservation of funds, and establish a system of war-time "priorities" for disbursement of public funds to provide for essential and wipe out costly frills and furbelows. In Washington, U. S. Senator Harry F. Byrd's Joint Committee on Reduction of Non-Essential Federal Expenditures recommended savings of \$1,301,075,000 in the Federal budget and Con-

gress overdid this by trimming \$1,333,983,208 from national non-war spending.

In this State the "Priorities on Public Spending" Bill has been passed by the House of Assembly. It is hoped that the Legislature will complete enactment of this measure, providing for rationing of tax dollars in State Government at its session on September 28. Then every State expenditure would be required to pass the test of "Will It Help Win the War?" to win approval.

Q. Why are so-called "automobile graveyards" permitted to exist when we need the scrap metals and rubber which abound in them?

A. Because every day cars are normally sold to graveyards for junking. It is desirable to keep auto graveyards in business as producers of scrap. The aim of the War Production Board is to keep this process moving, but to speed it up so that every graveyard will scrap each car it buys within 60 days.

Tuesday evening at 8 o'clock the Official Board of the Church will have their monthly meeting. It is hoped that all members will be present at this, the first Fall meeting.

Wednesday evening at 8 o'clock, the Pastor will conduct Prayer Meeting. Come out and enjoy this mid-week hour of prayer and devotion.

The Senior Choir will hold their first Fall rehearsal in the Church, Friday Evening, September 11, at 7:45 with Mrs. Lord directing. A glad welcome awaits all the members of the Choir, and it is hoped that many newcomers will take this opportunity to share their talents, and join this worthwhile organization.

SHERIFF JOHNSON
PRAISES HARMONY SLATE

Five outstanding citizens of Burlington County are candidates for Republican nominations on the Harmony Group ticket this year, it was pointed out today by Sheriff Raymond Johnson, GOP leader, who last year was elected to the important Sheriff position by a big majority.

Johnson announced his support of Senator Howard Eastwood, seeking re-nomination; Arthur W. Lewis, for the Assembly; John R. Coates, for Coroner, and Freeholders John M. Chant and LeRoy Church for re-nomination.

"The Harmony Group candidates are five of the leading citizens of Burlington County," Sheriff Johnson said. "All of them are eminently successful in their professions or businesses, and none approaches the voters with a plea for a 'soft job.' They are men who can well afford to serve their county honestly and fearlessly. Three of them have already proved that they will do this."

"There is only one issue in this year's Republican primary campaign, as I see it," Sheriff Johnson continued. "That is the question as to whether or not Senator Eastwood and Freeholders Chant and Church have served the taxpayers during the past three years, and whether or not the records of Lewis and Coates in public and private life entitles them to the voters' consideration."

No Doubt

"There can be no doubt in the voters' minds on these questions. Senator Eastwood has performed an outstanding service for the people of Burlington county during his three year term. He has always acted with the best interests of his constituents in mind. Fearlessly and honestly, he has held Burlington county and New Jersey welfare first."

"The same can be said of Freeholders Chant and Church. Their records for honest and efficient administration of county affairs are without blemish."

"I am particularly familiar with the principles and activities of Freeholder Chant. When he was Sheriff of Burlington county I had the privilege of serving as one of his under-sheriffs. I know that he at all time administered his position honestly and economically. When he became Freeholder, he carried the same principles of common-sense business administration into the county government."

Neither Freeholder Chant or Church have ever been accused of acting to the disadvantage of the taxpayers. All of their decisions and actions have been preceded by sober, sound-thinking of the problems at hand. Their decisions have been for the welfare of the taxpayers.

"Every man who is a candidate on the Harmony Ticket is successful in private life. Senator Eastwood is one of the best-known attorneys in this part of the state. Freeholder Chant is a well-known and successful farmer. His fellow-townsmen consider his integrity of the highest, to the extent that they made him president of their banking institution. Freeholder Church is a successful business man. Mr. Lewis is a successful and prominent attorney, and Mr. Coates is successful in his chosen business."

"These men have at heart the best interests of the taxpayers. They do not seek public office for personal financial gain—they do not need to live on the taxpayers. They seek office because their friends and supporters have insisted that they are best qualified to fill the responsible public positions."

"These men are truly efficient business men, who are anxious to regain and preserve the principles of harmony in the Republican party of Burlington county. They are not seeking petty personal gain when they ask the voters to nominate them September 15."

A BIG MAN for a BIG JOB

COMPARE ALL CANDIDATES for the Republican nomination for U. S. Senator. You will agree that the next six critical years call for a man like **ALBERT W. Mrs. Mary Malone, of Garfield avenue, Palmyra, received a cablegram from her son, Francis, that he arrived safely in England this week.

James Goochwin, of Riverton, has been stationed at the Henry Hotel, Miami Beach, Florida.

Reports show that only half the cars inspected in New Jersey passed the tests at the time of the initial examination. Over 3,500,000 cars were inspected during the two periods in 1941.

SNOVER'S CRAFT NOW IN NAVY

Freeholder candidate Frank A. Snover's cabin cruiser, the Pearl S., known to many a party of Burlington County fishermen, is now a patrol boat in the U. S. Navy. Mr. Snover turned the craft over to the government last Friday. It is being armed and fitted with two-way radio. The boat will be commanded by Mr. Snover's son, Robert, with a rank of Chief Boatswain's Mate. The crew will total six.

BOND SALE AT BROADWAY THEATRE NETS \$4,000

The War Bond sale conducted between performances on Tuesday night of this week netted a total sale and pledges of over \$4,000. The affair was conducted as part of a nation wide bond sale on that evening in theatres throughout the country. Mayor John F. Ward, of Palmyra, was in charge of the affair, being assisted by Manager Charles Shugars of the theatre. Postmaster Xavier Walters, of Palmyra and James Seither, of the post office staff, together with members of the Palmyra Motor Corps. Manager Shugars stated that bonds will be on sale at the theatre box office the remainder of the month.

"Man" is the Lesson-Sermon subject for Sunday, September 6, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "The steps of a good man are ordered by the Lord: and he delighteth in his way." (Psalms 37:23)

Among the Lesson-Sermon citations is the following from the Bible: "Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture." (Psalms 100:3)

The Lesson-Sermon also includes the following passage from the Christian Science Textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Immortal man is not and never was material, but always spiritual and eternal." (p. 336)

Weekdays—8 o'clock.
Confessions are held on Saturday 3:45 to 5:45 and 7:30 till 9 p.m.

This Sunday will be the Communion day for the members of the Holy Name Society of the Parish. All men of the parish, high school students along with the Knights of Columbus are invited to participate in the receiving of Holy Communion in a body.

Mass will be celebrated on Friday at 7:00 a.m. by Father Coan, in honor of the Sacred Heart of Jesus with confessions being heard on Thursday night. Holy Communion will also be distributed on Friday morning at 8 o'clock.

Mass is celebrated each Monday morning at 8 a.m. for the members of the parish now in the armed forces of our nation. According to the records of the parish Holy Name Society, almost 100 boys of the parish are now doing their bit.

The parish school will reopen on Wednesday, instead of Tuesday as reported last week. A number of improvements have been made in the school with the aid of a large number of men of the parish.

CENTRAL BAPTIST CHURCH
5th St. and Maple Ave., Palmyra
Rev. S. Dan Morgan, Pastor

Services, Sunday, September 6—
Bible School, 9 a.m.—Vacations are coming to a close and, as many are returning to their homes, it is anticipated that the attendance of the school will take on additional impetus and interest. Superintendent Walter and his staff of teachers have been consistently on duty through the summer, and are planning bigger activities for the fall. Every member will be asked to participate and it is hoped that the cooperation will be unanimous. The school particularly invites all visitors or newcomers in our communities to attend the exercises. You will find here a class to suit your age.

Morning Service, 11:15 a.m.—The Church will welcome back Pastor Morgan and his family from an extended vacation in the South, at the Morning Service. The Pastor will speak on "Borrowed Axes." The ordinance of Holy Communion will be observed following the Service. Every member of the Church and all visiting Christians are invited to participate. The choir's anthems will be appropriate for the Service.

first of the evenings services following the Union Services held in the Grove, will be resumed in the Church. "Nothing Without Christ" will be the subject of the Pastor's message. It will be very fitting, as a mark of respect to the Pastor, and in view of the Fall and Winter activities, that there will be a large attendance at the Services.

Wednesday, 8:00 p.m.—Midweek Prayer and Praise Service where you will receive renewed faith and strength to meet your daily tasks. Come out, and be a friend to your neighbor, by bringing him along too.

AID BY GIVING TO BLOOD BANK

The white ambulance of the Red Cross Blood Bank has become a familiar sight. On its way back to headquarters, it carries a precious freight donated by individuals eager to help save the lives of the boys at the front.

Home needs seem inconsiderable partly because of the comfortable belief that accident victims taken to the hospitals are accompanied by family and friends ready to supply blood for transfusion. Unfortunately family and friends are of little help in this situation. Family blood types vary and blood cells don't cross-match. A transfusion with a different type of blood or with the same type with cells that don't cross-match will bring death to the strongest and healthiest.

Human blood is of four types: A, B, AB, and O sometimes termed 1, 2, 3, and 4. The process of determining the blood type requires only two minutes; the process for discovering whether the same type blood cells will cross-match takes forty and blood cells are finicky, they seldom cross-match.

For example, a patient dying from shock or loss of blood, arrives at the hospital. Imagine the improbable situation of a line of volunteers waiting to give blood for transfusion. First their physical fitness must be determined, time several minutes; next, their type of blood, two minutes. Those who qualify in the first two requirements must be tested for cross-matching of cells, time forty minutes. Probably none will cross-

match but don't send for more volunteers for the patient is dead.

Blood plasma is blood preserved and decelled. Without cells the lengthly and frequently unfruitful process of cross-matching is eliminated. Blood plasma can be pumped into veins as soon as the two minutes examination to ascertain the type of blood is completed.

Fortunate but few are the communities with blood banks stored with the various types of blood ready for use. \$2,155.45 will place a blood

bank in the Burlington County Hospital: A small sum for the county and quickly raised if every one would give only a little. Send contributions to the Burlington County Hospital Blood Bank Fund, care of The First National Bank and Trust Company, Beverly, N. J.

Mrs. G. C. Hughes, Chairman of the Burlington County Hospital Blood Bank Drive.

Only seven motor vehicle accidents occurred in Riverton during the past year.

BANKS AND THE WAR

"We will be waiting for you guys to help..."

THE LAST message from our boys on Corregidor, topped out on a wireless key by tired fingers, said in part "They have got us all around and from the skies... the jig is up... we will be waiting for you guys to help." Yes, it is up to us. We are fast preparing to return with compound interest the dirty blows dealt us by Japan, and to wipe aggression from the earth. Vast sums of money are needed, right now. Buy war bonds — all you can — from income. Get them at this bank.

What's Your Favorite Fruit?

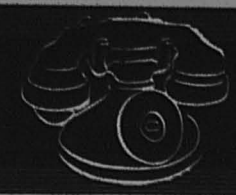

We haven't taken a Gallup poll, but we know there would be heavy voting for the peach, and when it comes to canned fruit, the peach is 'way up front. What fruit looks more luscious, served in its own golden syrup and what tastes better? Canning does not destroy its delicious flavor... While New Jersey peaches are in season, preserve them whatever way you like them best. Apply for extra sugar rations for canning and ask our Home Economics Department to give you directions for oven canning. We have a peach recipe folder that you will find useful. Be sure to ask for a copy.

If you cannot get enough sugar, we can give you recipes that use sugar substitutes.

REYNOLDS-MARSHALL

Announcement has been made of the marriage of Miss Liliane Marshall, daughter of Captain and Mrs. Harold F. Marshall, of Palmyra, and Lt. Harold Reynolds, son of Mr. and Mrs. Sydney Reynolds, which took place in the Rectory of the Sacred Heart Church, Riverton, on Sunday, August 30, the Rev. Father Coan officiating.

Miss Delores Kelly, of Philadelphia, was the bride's only attendant, and Budd Burgunder, U.S.C.G., acted as best man for the groom.

A dinner followed at Newlin's for the attendants and immediate families.

Lt. Reynolds graduated last week from officers candidate school, and is serving his country in the anti-

aircraft branch of the Coast Artillery.

OBITUARIES

CLARENCE O. MELCHER
Clarence O. Melcher, of 535 Walnut Lane, Roxborough, Pa., died on Monday, August 31.

Services were held on Wednesday at 2 p.m. from the Snover Funeral Home, the Rev. Harold Lee Rowe officiating.

Interment was made in West Laurel Hill Cemetery.

Mr. Melcher was formerly a resident of Palmyra.

THINGS TO WATCH FOR

Plastic fasteners of a type similar to, and intended to take the place of, the priority-struck metal slide fasteners... Flocks of plastic kitchen utensils, like potato knife, cheese grater, corn holder and dish-drying rack... (Post-war) Auto windows raised and lowered by the same kind of motor that now operates automatically the disappearing tops on roadsters... A "dunkin' glove" made of moisture-proof paper, to fit over forefinger and thumb when you're dipping doughnuts, or whatever you wish to dunk... Apple syrup, as a possible substitute for war-shortened glycerine in keeping tobacco products moist... A non-alcoholic cologne (on account of the war) that is snow-white in color and deliciously named "Ice Cream"... A new Decca album of hit tunes from "This Is the Army," with a royalty of two cents for each of the eight record sides going to the Army Relief Fund.

PRIMARY ELECTION
NEXT TUESDAY

Primary Election day is Tuesday of next week, September 15, with the polls open between the hours of 7 a.m. and 8 p.m. The principal contest in this section will be between the two rival Republican tickets, Harmony and Good Government, with both sides as usual, predicting a victory for their candidates. The Republicans also have three independents in the race, one being a candidate for assembly and the other two for county positions. Experts, who appear to have some knowledge of the situation, believe that the State Senate race between Senator Howard Eastwood and A. Matlack Stackhouse will be close. Most forecast a victory for Frank A. Snover, of Palmyra, Freeholder candidate, on the Good Government slate, but are wary about predicting who will win the other Freeholder nomination.

Assembly

The Assembly situation appears confused, Arthur W. Lewis, of Riverton, Harmony candidate and Margaret Warner of the Good Government group are running into unexpected opposition from John Conroy, 3rd, of Burlington, Republican independent.

Conroy, in fact, has been endorsed with other Harmony candidates by various groups, but Lewis is assured of the full weight of the Harmony organization behind his candidacy. The Coroner race appears to be wide open.

Republican Good Government
Slate
For State Senator—A. Matlack Stackhouse.
For Assembly—Margaret Warner.
For Freeholders—Frank Snover and Charles Y. Kniss.
For Coroner—Joseph L. Brown.
Republican Harmony Ticket
For State Senator—Howard Eastwood.
For Assembly—Arthur W. Lewis.
For Freeholders—LeRoy Church and John M. Chant.
For Coroner—John R. Coates.
Republican Independent
For Assembly—John S. Conroy, 3rd.
For Freeholder—J. Roland Rhodes.
For Coroner—Francis H. Eland.

Democratic

The Democratic slate, with no contests, is as follows:
U. S. Senator—William H. Smathers.
Congress—William Homer Thompson, Jr.
General Assembly—Edwin B. Perry.
State Senator—James M. Davis, Jr.
Freeholder—Clinton Cowperthwaite.

Palmyra

The only contest in Palmyra attracting attention is that for the two borough council nominations of the Republicans. Four candidates have filed for these posts, the two incumbents, Charles K. Mervine and John Landgraf, will be opposed by W. Paul VanSant and James B. Henson.

For the first time in several years, no Democrats are out for posts on the governing body.

Vernon L. Stone, Republican, is a candidate for justice of the peace.

County Committee

County committee candidates are as follows:

RIVERTON BALL TEAM
ENTERS RIVAL PLAYOFFS

Jack Gotta's Riverton club recorded two more Burlington county Baseball league victories over the weekend in defeating Palmyra and Bordentown. Riverton ended its season in 4th position, and will participate in the play-offs of the Burlington County League to get under way this weekend.

Riverside A.C. will visit Palmyra at 4:30 p.m. this Saturday while Sunday afternoon Palmyra will trek to Riverside. If a 3rd contest be necessary a tilt will be played at Riverside on Sunday, September 20.

Jack Gotta's Riverton A. A. will travel to Roeboling on Sunday afternoon in their first play-off tilt while Roeboling will play here in a double-header at Memorial Park on September 20th.

With the season concluded Roeboling had 28 wins and 6 losses, Riverside 22 wins and 12 losses; Palmyra 21 wins and 12 losses and Riverton 21 wins and 13 losses.

SCRAP COLLECTION
GOOD IN RIVERTON

According to John Reinhardt, member of the Riverton Salvage Committee, over 2,200 pounds of scrap iron was collected from the local salvage depot last week, in addition to 100 pounds of brass and aluminum. Paper collected amounted to nearly 500 pounds and cardboard to 400 pounds.

The salvage committee of the Riverton Defense Council wishes to express its appreciation for the splendid response on the part of the local residents in aiding the salvage drive and urges that this fine work be continued.

Sr. Anna Redfield, Elsie F. Robinson, Mrs. Beatrice Johnson. 2nd, no petitions filed. 3rd, R. C. Thomas, Eugenia K. Mattingly. 4th, no petitions filed. 5th, Howard E. Powell, Madeline Jenkins.

Riverton

In Riverton, a quiet election is certain, as far as local candidates are concerned, since there is no semblance of any competition. Those who are candidates are as follows:

For member of Borough council, full term, J. W. Sylvester and Nathan Lane. Both are Republicans and there are two vacancies. For member of Borough council, unexpired term, S. Robinson Coale. All are Republicans.

Republican—1st, G. Rex Showell, Mae Hopkins. 2nd, Alma M. Evans, Richard M. Woodward. 3rd, Hilton M. Smith, Mary Alloway.

Democratic—1st, William J. McDermott, Mae Lafferty. No petitions were filed in the two other districts.

Cinnaminson

In Cinnaminson there will be a contest for the Republican nomination for member of the Township Committee, since Robert J. Woods, and Charles E. Rynex, Republicans, oppose each other. No Democrats seek the office.

Harold R. West, present Township clerk, seeks the Republican nomination to this post. He is unopposed. Petitions filed for members of the County Committee on both parties are:

1st District
Republican—David B. Coles and Irene Y. Parsons.
Democratic—Anna T. Denner.
2nd District
No petitions filed by either party.
3rd District
Republican—William F. Kennard and Eleanor Adams.
Democratic—No petitions filed.

The Standard First Aid Course sponsored by the American Red Cross will start by the end of September or early in October.

Information concerning the course may be obtained by calling or writing to the Riverton Branch of the American Red Cross.

TWO BIKE ACCIDENTS

No auto crashes last week, stated Chief William Gootee, of the Riverton police, but two accidents involving the use of bicycles indicate the trend of wartime transportation.

The first occurred last Thursday, at Fifth and Howard streets, when a youth who was riding on the handle bars of a wheel operated by another boy got his foot tangled in the spokes and was thrown to the ground, suffering lacerations and bruises. He was treated by Dr. T. Bruce Dickson.

William Janoski, of East Riverton, sustained minor injuries when his wheel and a bus collided on River road. Janoski was treated by Dr. H. B. Mark. Chief Gootee investigated both incidents.

He also pointed out that those who operate bicycles must obey all motor vehicle laws and such riders should travel in a manner conducive to safety. The chief also stated that only one person is allowed to ride on a wheel and those who carry people on the handlebars not only are violating the law but are endangering the lives of themselves and others.

ROTARY DISTRICT
GOVERNOR HERE

Local Rotarians heard one of the most forceful and inspiring talks of the year when addressed by Ivan Culbertson of Wilmington, Delaware, at the regular monthly meeting. Mr. Culbertson, who is the new District Governor of the 184th Rotary District, held a club assembly in the afternoon followed by the evening meeting.

Bringing greetings from Rotary President Carbajal, of Lima, Peru, Governor Culbertson opened his address giving examples of the Rotary President's aim in developing Pan Americanism.

"Rotary," said Culbertson, "is spreading in South America, as seen by the addition of 114 new clubs there last year." "It is the earnest hope of President Carbajal that the months ahead will result in a cementing of friendships between the various countries of America, and that Rotarians will understand more deeply the significance of the great four object of Rotary so that they may put into effect in their own localities and later in a greater way in the world at large the theme of the Toronton Convention 'Learning How To Live Together.'"

Two ideas must predominate Rotary thinking in these times. First, Rotarians must get back the effort to Win the War. "Rotary faces the most challenging period of its history," said the governor, "and must return a service which allows it to survive and justifies its existence." "Local clubs must build up, become strong and active so that the ideal of service permeates the community and later becomes operative in International Relations. Rotary ideals must function in the after-war period if we are to have a peace devoid of greed and selfishness and one in the interest of liberty."

Post War Planning

The second idea Rotary cannot ignore is a demand for post war planning. That Rotary International is fully aware of the importance of a peace with understanding is shown by the appointment of Walter Head to lead an international committee to study the problems of peace. Stating that "the problems involved in planning for a permanent peace are as great as those for prosecuting the present war."

Governor Culbertson also strongly proposed that the peace when determined should include "the Rotary ideas of How to Live Together, of Fellowship, and of Spiritual Values." "While it is unlikely that Rotary will be asked to aid in the formation of the peace treaty," said Governor Cul-

PALMYRA RESIDENT
INJURED IN FALL

John Steinbecker, of Berkeley Avenue, Palmyra, is in Zurburg Memorial Hospital, Riverside, following a fall from a ladder while he was engaged in painting the roof of his home early Wednesday evening of last week.

According to reports, the gutter upon which Steinbecker's ladder was resting, gave way and precipitated him to the ground, where he landed upon a cement sidewalk.

He was taken to the hospital in the Palmyra ambulance and was found to be suffering from a back injury, broken ribs and concussion.

bertson, "the spirit of Rotary should sit at the peace table."

The new member admitted to the club, Henry Naisby, was inducted by the District Governor. Filling the classification of Storage Battery Manufacturing, Mr. Naisby, who is president of the Junior Chamber of Commerce, brings to the club a fine record of community service and activity.

Visitors at the club included Rotarian Robert B. Stewart, new pastor of the Presbyterian church; Fireman First Class John D. Knight, son of councilman Robert Knight; and Corporal Robert Burhoe, son of Rotarian Lem Burhoe.

About Town

Martin Williams and Frederick Woodward, of Riverton, have just returned from a weeks vacation in New York City, where they visited many places of interest.

Twelve radio programs were seen, which included such famous ones as, The Thin Man, Prescott Presents, Major Bowes' Amateur Hour, How 'm I Do', Death Valley Days, City Service Program, and Fred Waring. There was still time to see the Broadway hits, Life with Father and Junior Miss.

For several days, they were the guests of Mrs. A. Peter Ford, of Jackson Heights, Long Island, who entertained in their honor at the Rainbow Room.

Joseph Moorhouse, son of Mr. and Mrs. Edward Moorhouse, of Main street, Riverton, who is in the U. S. Navy, recently spent his first furlough in several months at the home of his parents.

John Knight, son of Councilman Robert Knight, of Riverton, a member of the U. S. Navy, is spending a furlough at home. The leave was the first he has had in several months due to the nature of his duties.

Lieutenant William de H. Washington, United States Army, is among those who will complete a Unit Gas Officers' Course at Edgewood Arsenal tomorrow. A resident of Riverton, Lieutenant Washington was a manufacturers' sales agent in civilian life.

A member of the Society of the Descendants of the Signers of the Declaration of Independence, Lieutenant Washington is an alumnus of Lehigh University, a member of Delta Sigma Phi, and of the Pennsylvania Society of the Sons of the Revolution.

Private John A. Downs, son of Mr. and Mrs. John A. Downs, 805 Lincoln Ave., Palmyra, New Jersey, recently began the Airplane Mechanics Course at the Army Air Base, Lincoln, Nebraska. Upon graduation, Private Downs will be rated as a fully qualified Airplane Mechanic and will be assigned to a permanent Air Force Squadron for active duty.

The Ladies Auxiliary of the Delaware Fire Company No. 2, East Riverton, will serve a Fried Chicken Supper in the firehouse on Saturday evening, September 12, from 5:30 until 8. Supper, Adults 75 cents, Children 50 cents.

Harry Kenney, of Thomas avenue, Riverton, is entertaining his father from Chicago, Illinois.

Mr. and Mrs. W. R. Hoffman, of Riverton, spent the weekend with relatives in Flemington.

Mrs. James Dobbins, of Thomas avenue, Riverton, entertained her sister from Brooklyn for several days.

Miss Clara L. Bishop, of Riverton, spent last Thursday and Friday with relatives in Trenton.

The American Red Cross will, for the balance of this month, conduct an intensive campaign designed to show the need for Volunteer Nurse's Aides in the Hospitals of Burlington County. The appeal is made to women between the ages of 18 and 50 years who can spare a minimum of ten hours out of every week.

Each volunteer attends classes under the direction of a graduate Red Cross nurse and then puts in 80 hours of practice nursing in some hospital under the guidance of a registered nurse. After completion of this course of instruction the Volunteer Nurse's Aide receives the official uniform and emblem, and is then expected to render a minimum of 10 hours service weekly.

Some of the duties of a volunteer Nurse's Aide are: bathe patients; give evening care; take temperature, pulse and respiration; prepare patients for meals and feed helpless patients; carry trays and serve between meals; help with admission and discharge of patients; chaperone and drape patients for doctor's examinations; answer lights to ascertain needs; make beds; assemble material for baths; take care of flowers, fruit, etc.; fill hot water bottles; help weigh and measure; assist in recording doctor's notes; take patients to and from X-ray rooms; undress and dress children and help with their care.

Shortage of Nurses

Each succeeding month in America's war effort finds the shortage in trained nurses for civilian needs more and more acute. Our present hospital nursing staffs are taxed to capacity. Should we experience any civil or military disaster it would undoubtedly throw an immediate and almost impossible burden upon our hospitals.

Burlington County people should not assume the "it can't happen here" attitude. Anything can happen here, and overnight, too. If it should, a large trained force of Volunteer Nurse's Aides could render a most important service. A service such as this cannot be built overnight after the need arises. It must be foreseen and organized in order to be ready and able to function efficiently in any emergency.

One nationally known radio commentator on women in the news stated that the training any woman received in this service might very well be the means of saving the life of someone near and dear to her as well as go a long way to help under the stress of present war conditions.

Mrs. Lavinia Theis, Chairman Nurse's Aid and Mrs. Peter Barke-tow, Vice Chairman of the Burlington County Chapter headquarters, urges capable women to at least investigate this opportunity for service. Many women are needed, and the larger the staff, the better prepared we will be.

TRUCKS COLLIDE

A truck driven by Kenneth Biggs, of Flemington, N. J., collided with another commercial vehicle operated by Hilton Smith, of Riverton, on Thursday of last week, Route 25, Parry. A car driven by a Rhode Island motorist was also involved in the crash and all machines were damaged.

Biggs was arrested by Chief Eric Veitenheimer, of the Cinnaminson police, on the charge of careless driving. The offender was fined at a hearing conducted before Recorder Cecil Bowers.

In another accident last week, on Route 25, near Lakeview Memorial Park, a car driven by William Wainwright, of Allentown, N. J., ran into a truck operated by Bernard Shorts, of Pennsgrove, N. J. Wainwright was arrested by Chief Veitenheimer on the charge of careless driving and found guilty at a subsequent hearing. He was assessed a fine, which was paid.

PRICE SCORES
DEEDS OF HARMONY
FREEHOLDERS

Good Government Freeholder Clarence G. Price, who was re-elected last year despite the concerted opposition of the "Harmony" Freeholders, issued a statement this week informing the public concerning the manner in which county affairs are being managed by the Harmony Freeholders who now control the Board of Freeholders. Mr. Price's statement follows:

"The people of the county will remember that the politicians did not, and still do not, want me on the Board of Chosen Freeholders. In the September, 1941, primary, the voters of Burlington County, against the wishes of the 'political bosses' of the county, nominated me by a splendid majority. This was your mandate to the 'bosses' that you expected Good Government in county business. Freeholder Jones, along with the two members of the Board of Freeholders who are now seeking re-election on their 'record,' decided that they would show you, the voters, that you do not know how the county should be run, and nullified your action by stripping me of all authority, responsibility and power when I began my new term in January of this year.

Refused to Save Money

"During the course of the year the majority members of the Board, two of whom are seeking re-election on their 'record,' refused to pay heed to any of my money saving measures, and in all cases over-ruled me even in the affairs of my own department. They have taken complete domination of your county government.

They refused to reduce the 1942 budget where it was possible, although urged to do so by Freeholder Norcross and myself. They have spent your money carelessly and recklessly.

They refused to save State Motor Vehicle Funds (gas tax money) when shown how it could be done.

They refused to show any spirit of patriotism.

Now what do I mean by all that? I'll tell you.

All money saving motions and resolutions I have introduced have been ignored. Those seeking re-election this year refused to live up to their promise to the people by liquidating road and bridge bonds and paying interest charges from gas tax money, thereby reducing the amount to be raised by real estate tax by \$43,600.00.

"The Freeholder now in charge of the bridge department, the one who seeks re-election on his 'record,' made a public statement to the effect that this year is the first since 1936 that the department has had efficient management. Let's look at the 'record.' This same Freeholder was the head of that department for 1937 and 1938. He, therefore, is admitting the department was mismanaged during his own administration.

"The Department has not built a single new bridge to date from the current budget appropriation. Yes, one was completed in February

which I started in November, and which was charged against the bond issue and two more were completed by an outside contractor, which contracts were let during my administration of the department. This is the efficiency 'record' which the Freeholder in charge so proudly boasts. Compare this with the department record of 1941 when with 25 employees, other than bridge tenders, under my direction constructed eleven entirely new timber bridges, erected five more by outside contractors and started another.

"Despite the lack of new construction and the reduction in number of employees, this year \$51,795.13 has been spent out of the total appropriation of \$88,641.60.

This will preclude the Board from issuing tires as promptly as heretofore and may reach the point where the Board will be forced to determine which applications are of greatest importance and refuse or defer the others.

However, the quota for rereads for passenger car tires is ample at present, but a number of applications are received which are eligible for rereads only, even when the inspection shows that the tires are beyond repair. These persons must accept reread or recap tire certificates and try to obtain reread or recapped tires, for the point is rapidly being reached where such applicants must do this or put up their cars.

SNOVER RAPS

Good Government Freeholder
candidate Frank A. Snover this week
answered aspersions cast upon his
record as County Treasurer by Free-
holder Albert C. Jones, of the Har-
mony Group. Jones ridiculed Snover's
100 per cent collection of county
taxes and said local municipal of-
ficers should receive credit, instead
of Snover.Snover, in his statement said, "I
might ask Mr. Jones, if it were so
easy to make a 100 per cent collec-
tion of taxes, why hadn't it been done
before? I believe a close investiga-
tion of the facts will show the col-
lection was accomplished by the ap-
plication of sound business principles
to the county treasurer's office and
by not yielding to political pressure,
as had happened so often in the past.
"This collection saved the county
thousands of dollars in interest
charges and enabled the school dis-
tricts to receive the money due them
from the state much earlier than
usual, thus aiding the local financing
of the school systems."While I was treasurer, I had the
opportunity to observe how the tax-
payer's money was being wasted by
the 'Harmony' Freeholders. Mate-
rials were bought at prices above the
market level and purchases were
made outside the county which could
have been made in the county, con-
trary to the pledges made by these
same Freeholders."This reckless spending of the tax-
payer's money must be stopped and
it can only be stopped by removing
the influence of Jones, Lemmon and
McFarland from county affairs. If
the voters will elect the Good Gov-
ernment candidates this fall, I and
my running mate, Charles Y. Kniss,
pledge ourselves to see that this is
done and also that all other drones
and holders of purely political jobs
are dismissed.
"I earnestly urge all voters to vote
and work for the entire Good Gov-
ernment ticket: A. Matlack Stackhouse
for State Senator, J. Margaret
Warner for the Assembly, Joseph L.
Brown for Coroner, and Snover and
Kniss for Freeholders."THE
PEOPLE'S
COLUMN

Editor, The New Era:

The candidates seeking to be re-
elected to office this year are, as has
been stated, running on their past
records, therefore, I think that the
voters should know something about
these records.The records show that Freeholder
Chant, retired farmer, has had charge
of your county farm for the years
1940—1942. The losses on the farmfor 1940 were \$4,769.04; for the year
1941 were \$1,651.18 and up to July
15, 1942, the farm showed a deficit
of \$2,768.84. In addition to these
losses, the farm pays no taxes or
debt service charges. At the same
time, milk is being sold to one of our
other county institutions from our
county farm, for four cents a quart
higher than can be purchased from
outside sources.The records show that the tax
rate of Good Government manage-
ment was 65 cents in 1937, fourth
lowest in the State and the lowest
in the County since 1914, and funds worth
of capital surplus funds, savedhad been provided to take care of
the entire County's bonded debt, with
the exception of \$21,000.00 which was
to be paid out of State Funds.The records show as of this date
the tax rate has been increased to
\$1.13 and that our bonded debt has
been again built up to \$472,000.00. At
the same time, our Surplus Fund
amounting to \$276,000.00, was entire-
ly used up in the year 1938, by Mr.
Chant and his colleagues, when the
Good Government Group lost con-
trol in the Board of Freeholders, and
since that time thousands of dollars
in addition to supporting Frank A.over a period of years have been
spent by Freeholders Chant and
Chant and those who have voted with
them on the Board.The records show that the follow-
ers of both Chant and Chant have
vigorously condemned one another
and their candidates, but are now
asking the public to support these
two men, under the pretense of hav-
ing "Harmony." If what they stat-
ed was the truth then, can people
depend upon their judgment now.
The Good Government Group, in
addition to supporting Frank A.

The Golden Text is: "Thy name, O Lord, endureth for ever; and thy memorial, O Lord, throughout all generations." (Psalms 135:13) Among the Lesson-Sermon citations is the following from the Bible: "Many, O Lord my God, are thy wonderful works which thou has done, and thy thoughts which are to us:ward: . . . they are more than can be numbered." (Psalms 40:5) The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Eternal things (verities) are God's thoughts as they exist in the spiritual realm of the real. Temporal things are the thoughts of mortals and are the unreal, being the opposite of the real or the spiritual and eternal." (p. 337)

11, at 7:45. All former members will be welcomed and it is hoped that there will be many new friends, who are willing to share their talents. The Sunday services will be as follows:

9:45—Church School in the various departments and organized classes. Start the day right by attending this first service and the following ones.
11:00—Morning Church Worship when the pastor will deliver the sermon.
3:00—Board of Education of the Church School meets for the election of officers and the appointments of the teachers.
7:45—Evening Church Worship when the Pastor will preach. The following Musical program has been arranged by Mrs. Lord:

Morning Worship
Organ Prelude—"Chanson Matinale."
Anthem—"I Am Alpha and Omega."
Offertory—"Adoration."
Organ Postlude—"Religieuse."
Evening Worship
Organ Prelude—"Vesper Bell."
Anthem—"Oh For A Closer Walk with God."
Bass Solo—Mr. Elwood Johnson.
Offertory—"Eventide."
Organ Postlude—"Lento."

Monday Evening at 8 o'clock, the Friendship Circle will meet. A large attendance is expected as there will be plans for future activities. Wednesday evening at 8 o'clock, the Pastor will conduct the mid-week hour of prayer. Come out and spend 45 minutes in devotion and prayer. During the Prayer Meeting there will be a pause when silent prayer will be offered for our representatives in the service of our Country, and for the world conditions.

TO ISSUE SOUVENIR BOOKLET OF ANNIVERSARY
The Sacred Heart Parish, in conjunction with the celebration of its 50th anniversary, will issue a souvenir booklet as a memento of the occasion. The booklet is to contain articles on the dedication of the parish churches in this area and the present church, history of the rectory, history of organizations in the parish, and facts on those in the service from the parish. It will also contain photographs of the various organizations of the parish, the parish buildings and its property, the various pastors, and Bishop Griffin of Trenton. The committee of the parish in charge of the booklet is headed by Christopher J. Davis, with Cyril V. Devery as adviser. He will be assisted by William B. Colsey, Christopher Davis, Harry V. Groome, Clovis Loreaux, Joseph McCombs, Frank Stroblein, Thomas Shorten, Joseph Yearly, Paul Schneider, Adolph Stroblein, Xavier Walter, and Horace Richman. Patrons—John Goodwin, Roy Bowers, Frank Stroblein, John Stroblein, James McDermott, and Joseph Early in Riverton, Lawrence Bradshaw, Branson Cook, William Sculley, Leo Wallace, Otis Myers, Mrs. Albert Smith, and Mrs. Anna Davis in Palmyra and Cinnaminson.

Photographs of those in the service in the parish will be used and will be obtained from the parents by Raymond Fichter, Harry V. Groome, Harry Stack, Edwin Collar, Robert May and William McDermott.

CALVARY PRESBYTERIAN CHURCH
Fourth and Lippincott Ave.
Riverton, N. J.
The Rev. R. B. Stewart, Pastor

There are many major questions that are engaging the attention of the Presbyterians of Riverton and Palmyra in these days. Here are some of them. Just how contemporary is the world's best seller—the Bible? How would people ever know the contents of this inspired Book of Books if it were not for the consistent and persistent service of

our Sunday Schools? How can the coming generation ever know the meaning and the benefits of practical Christian living unless they practice it now, under the guidance of their Church?

These are vital questions, and the people of the Calvary Church are not merely pondering them—they are seeking to answer them by thought and action. Next Sunday morning, at the 11 o'clock worship service, the Pastor will deliver the first of a series of three sermons on the general subject, "Contemporary Messages from Inspired Books." The particular message to be interpreted will be that of the Book of Genesis.

The second question referred to above will be considered by a small group of executive Church School leaders who will meet at the Manse on Friday evening at 8 o'clock. The fruits of their deliberations will be presented to an assembly of the Calvary Church School Council to be held in the Ladies' Parlor on Monday evening next at 8 o'clock. To obtain the complete answer you are invited to attend the Calvary Sunday School which convenes each Sunday morning at ten o'clock.

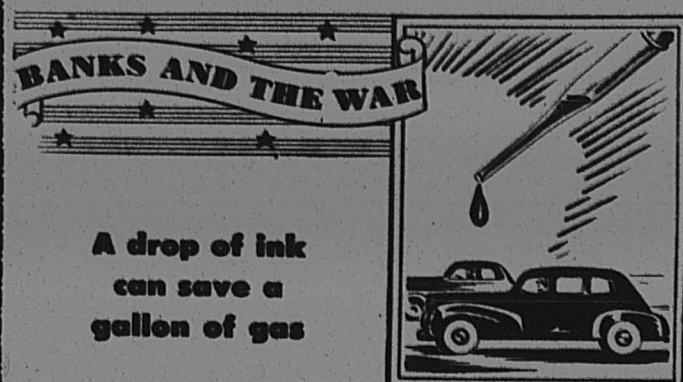

The third question referred to above will be answered by direct action. To be fitted for a Christian tomorrow, children and young people must be given the opportunity to talk together, think together, live together, and play together now under the spiritual guidance of the Church. That our children may have this opportunity, Calvary opens its doors to all Presbyterian children and young people and to all children and young people not at present affiliated with any other church organization, and invites them to attend an organizational meeting to be held in the Sunday School Auditorium on the evening of Sunday, September 20, at 7:30 o'clock. At that meeting there will be formed a Junior, an Intermediate, and a Senior Christian Endeavor Society. These Societies will provide an adventure in Christian thinking and living for all children and young people between the

ages of eight and nineteen. The Good Fellowship Club announces that its stated monthly meeting has been changed from the third Tuesday to the third Friday of each month.

U. S. Marines at Frederick, Md., guarded pirate and buccaneer prisoners captured along the Spanish Main during naval war with France in 1798.

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the Community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths. Harry J. Jaeger, of Elkins Park, Pa., will address the class.

A drop of ink
can save a
gallon of gas

Does that sound like an extravagant statement? Consider these facts. A drop of ink is enough to write at least one check—probably more. You can mail the check anywhere, and that's all there is to it. However, if you pay by cash you may have to drive quite a few miles, and a gallon of gas goes mighty fast. You save time too when you have a checking account at this bank. Start one.

HE
SPENDS HALF HIS LIFE
IN *Darkness*

His eyes are accustomed to darkness. His living is conditioned to long Arctic nights. The artificial illumination he uses is provided by blubber lamps—but it is sufficient for HIS seeing requirements. HE does not use a type-writer—or read the newspapers. HIS lighting needs are simple.

WE ARE DIFFERENT! Our visual tasks require a high level of electric light at night—for reading, for study, for sewing, for all the close seeing which civilization imposes. It is essential to national health—and vital to war morale—that Americans protect their eyes. Good eyesight is a precious asset in the war effort. Proper levels of lighting should be maintained in the home now more than ever. Do nothing that lowers your home lighting standards!

SERVICE FLAG UNFURLED

There was a large attendance at the unfurling of the Service Flag for the men in the armed forces of the country at the East Riverton fire house last Saturday afternoon.

Mrs. Norman Anderson introduced the speakers of the occasion, who were Mayor John F. Ward, of Palmyra and Leslie Reeves, of Cinnaminson. The invocation was asked by the Rev. Harold L. Rowe, of Palmyra, while the Rev. Francis J. Coan, of Riverton, pronounced the benediction.

Master Robert Cox, whose father is in the service unfurled the flag. Organizations participating were members of the Riverton and East Riverton Fire Companies, Girl and Boy Scouts from the Sacred Heart Parish and Boy Scouts from Palmyra.

Mrs. Howard Stockton accompanied on the piano for community singing and refreshments were

served at the close of the program.

The Ladies' Auxiliary of the East Riverton Fire Company, assisted by Victor Jensen, had charge of the arrangements.

LEWIS ENDORSED

Arthur W. Lewis, of Riverton, is the only candidate for the General Assembly endorsed by Senator Howard Eastwood and the entire Harmony Group. Efforts to create an impression by billboards, paid advertising, or other means, that any other candidate for the Assembly is endorsed by the Harmony Group, individually or collectively, are without the consent or approval of the Harmony Group or any of the candidates on the "Harmony" ticket, who are:

For Senator, Howard Eastwood; for Assembly, Arthur W. Lewis; for Freeholders, John M. Chant and LeRoy Church; for Coroner, John B. Coates.

Mr. Lewis' experience as a practicing lawyer and educator, and his activities in civic and business affairs in Burlington County and South Jersey, have well qualified him for public office, and the entire Harmony Group pledged support to him when he accepted to the request that he become a candidate for the Assembly on their ticket.

With Mr. Eastwood in the Senate and Mr. Lewis in the Assembly, Burlington County will be represented in the Legislature by experienced men who will cooperate with each other and who are motivated only to represent the highest standards in the government affairs.

CHURCH ANSWERS PRICE

Pertinent questions concerning Good Government politicians were asked today by Freeholder LeRoy Church, Harmony Group candidate for re-nomination to the Board of Freeholders. Church levels his attack at Freeholder Price, who recently made charges against the Harmony Group Freeholders.

"Much to my regret, Mr. Price and those associated with him could not let this year's primary campaign pass without their usual mudslinging," Freeholder Church said. "Mr. Price has seen fit to attack not only my political, but my personal life."

"For the record, I would like to ask Mr. Price some questions: 'Was Mr. Price present when the 1942 budget was being completed or did the director of the Board have to send for him, in order that he might vote on the budget. Did he raise any objection to the said budget while it was being formulated, or did he wait until it was read and then vote against it, in order to have some political ammunition for the campaign?'

"Did Mr. Price discharge faithful and honest county employees without notice and put at the head of the Bridge Department a man with no experience, at a high salary?'

"Did Mr. Price and the former county treasurer, now a candidate, not I, attend a meeting in Trenton and promise Charles R. Stout a job?'

"Did Mr. Price not vote to pay Lieutenant Norcross his salary of \$4,000 per year, for no service to the county?'

"Did Mr. Price, not I, have \$144,000 to spend on bridge repairs, out of the \$472,000 bond issue that now seems to be one of his chief arguments?'

"Does Mr. Price know that when I succeeded him as director of the bridge department we found unusable materials that had been purchased during his administration?'

"Mr. Price seeks to discredit my patriotism. At a time like this, only the most unscrupulous person would make such insinuations, when he knows them to be untrue."

TEN GAMES ON FOOTBALL SLATE

The Palmyra High School football season will open Saturday, September 26, when the Red and White will oppose Collingswood on the latter's field. The affair will open a 10-game slate, with five of the contests being carded for the local stadium.

Home engagements include those with Audubon, Haddonfield, Burlington, Moorestown and Mt. Holly. Other opponents are Haddon Heights, Merchantville, Camden Catholic and the traditional Thanksgiving clash with Riverside.

The schedule is not an easy one and the green squad now working out under the direction of Head Coach Mathew Curtis needs plenty of training before the opening whistle.

Few Veterans
The team lost heavily by graduation last year and it is yet too early to even hazard a guess as to the composition of the varsity squad.

Of the 50 some candidates there is only a sprinkling of veterans and many of these were not regular starters during the 1941 campaign.

Included on the list with previous experience are: Conover, Carter, Simpson, Tropes, Mozzo, Bauer, Brewster, Johnson, Laning, DeViney, Milroy, Noe, Rowan, Steele and Stowe. In addition, there are several members of last year's junior varsity who show considerable promise.

Practice sessions to date have consisted mainly of conditioning exercises and drills in fundamentals. The schedule follows:

Sept. 26, Collingswood, Away.
Oct. 3, Audubon, Home.
Oct. 10, Haddonfield, Home.
Oct. 17, Haddon Heights, Away.
Oct. 24, Burlington, Home.
Oct. 31, Merchantville, Away.
Nov. 7, Moorestown, Home.
Nov. 14, Camden Catholic, Away.
Nov. 21, Mt. Holly, Home.
Nov. 28, Riverside, Away.

Traffic Light
A communication was read from the State Motor Vehicle Department suggesting that all traffic lights be surveyed in order to determine whether or not the frequency of signal changes could be changed in order to avoid long waits by motorists.

The matter was referred to State authorities for investigation. Councilman Archibald Bush, chairman of the fire committee, stated that he had arranged to have all fire trucks inspected by an expert mechanic regularly at six month intervals.

Department bills in the amount of \$10,303.11 were approved and ordered paid.

ENGAGED
Mr. and Mrs. Harold J. Wheeler, of "The Farm," Masonville, N. J., announce the engagement of their daughter, Miss Elizabeth Marian Wheeler, and Sergeant Victor Bertram Shoemaker, son of Mr. and Mrs. William M. Shoemaker, Jr., of Riverton, N. J. Miss Wheeler is a graduate of Moorestown Friends School. Sergeant Shoemaker is stationed with the Quartermaster Cadre at Camp Lee, Va.

PATRIOTIC REVUE
"Listen Mister Speaker," a patriotic revue, will be presented in the auditorium of Palmyra High School, October 16, 17, 21, 22 and 23 by a cast of over 200.

The production, written by the author of "On Our Way," which was successfully produced here last year, will no doubt attract large audiences.

Members of the Footlight Players and musical groups from local communities, together with many others will comprise the cast.

Of course, if the cold hangs on more than three or four days, if it gets worse, then get to the doctor—and in the meantime, remember you are doing Hitler's work by carrying around a cold that may knock out a lot of other people! Get it cleared up as fast as you can. Help keep Riverton healthy so that the doctors we have left can take care of the seriously ill!

At the meeting of Riverton Borough Council held on Thursday night of last week, Mayor H. McIlvaine Biddle appointed Councilman Robert Knight chairman of a committee to arrange for the acquisition and unfurling of a Service Flag in honor of the men in the community who are serving in the various armed forces of the Nation.

Mr. Knight will probably render a definite report on the matter at the next meeting of the governing body. Councilman J. W. Sylvester, chairman of the highway committee, reported that the borough engineers were continuing their investigation of the problem of draining surface water from the area in the vicinity of Thomas avenue and Broad street that was flooded in a storm earlier in the year.

Riverton returned a fine majority for Arthur W. Lewis, Harmony candidate for the Assembly nomination. State Senator Howard Eastwood led Mr. Stackhouse by the count of 307 to 224 in the three districts.

Frank Snover, Good Government candidate, led the field with 309 votes. Church ran second with 263.

J. W. Sylvester and Nathan Lane, both unopposed for the Republican Council nominations for the full term polled 460 and 464 votes respectively. S. R. Coale, running for the unexpired term nomination, was accorded a total of 467.

THE NEW ERA, THURSDAY, SEPTEMBER 17, 1942

PRICE FIVE CENTS

GOOD NEXT TUESDAY

In a special bulletin issued by James Kerney Jr., State Director of the Office of Price Administration, passenger car owners are reminded that gasoline ration stamps number two in "A" ration books will become valid for use next Tuesday (September 22).

Stamp number one, the bulletin explains, expires on midnight next Monday (September 21), and may not be used for the purchase of gasoline after that date. The second page of stamps in the "A" ration book bearing the numeral two will be used between September 22 and November 21.

The latter slate, according to the unofficial returns from all 98 districts and the soldier vote won all along the line.

Eastwood Leads
Senator Eastwood piled up a surprising lead over his opponent, the Primary Election on Tuesday of this week was one of the quietest in years although the Republicans made a strong attempt to enliven the situation with a vigorous campaign between the Good Government and Harmony tickets.

The race was closest between Arthur W. Lewis, Harmony and Margaret Warner, Good Government candidates for Assembly. With all but one district heard from Lewis had a lead of over 300 and his nomination seemed assured. At one time he led by only 100 votes with six districts not reported.

Coates was an easy winner in the Coroner battle.

D. Lane Powers, running unopposed for the Republican nomination to the House of Representatives was accorded a fine vote. Wilson and Hawkes led the field of six for the Republican Senatorial nomination.

The Democratic situation was quiet in all departments.

YMCA BRIEFS

As school bells rang out once more, fifty boys of this area, members of the YMCA Riverfront Day Camp, reluctantly bid goodbye to four weeks of fun and comradeship when the Day Camp closed its largest and most active season on Friday, August 28.

The last week of camp, like the preceding three, was crammed full of activity. Tuesday, August 25, was spent getting ready for Exhibition Day on Wednesday. The boys busied about preparing exhibits of handicraft, preparing skits and games, and getting the Community Center auditorium ready for the big event.

After a few finishing touches had been added Wednesday morning, the big afternoon finally arrived. After the group of approximately sixty parents and friends had looked over the display of model planes, belts, rings, waistbands, pot-holders, egg-cups, etc., they were officially welcomed by Clifford W. Ergood, executive secretary of the Burlington County YMCA, sponsor of the camp.

The boys next presented three skits, which were received quite enthusiastically. John E. Stively, camp director, then presented the following awards: best sportsmanship—Matter Carhart; best in athletics—Collins Haines; best in handicraft—Wilmer Ripka; best all-around camper—George Rotenbury.

Games and contests in the gymnasium closed the very successful program.

Next morning, the boys assembled, loaded down with blankets and other camping paraphernalia for the "feature attraction" of the season—the overnight trip to "Y" Camp Ockanickon at Medford.

Arriving there by bus, the boys swam, hiked, ate hearty suppers, boated, and after a campfire, turned in that night—for many of them their first night in the open.

Next morning, after a dip, breakfast and a boater, the group returned to Palmyra to eat a quick lunch before setting off again on the windup trip—a visit to Shibe Park as guests of the Athletic management. There, in the afternoon, the boys watched St. Louis defeat the "A's", 5 to 4. Four of the parents of the boys also made the trip.

Thus, a tired but happy group arrived home about 6:15 p.m., and the 1942 Riverfront Day Camp season was ended in a blaze of glory.

Those in charge of the camp feel that the season has been quite a successful one. This is proven by the fact that the membership, originally set at thirty, was increased to fifty by popular demand. The program, which included sports, handicrafts, trips, inspirational talks, and hiking, was large and varied.

The reaction among the campers and their parents was universally enthusiastic.

Plans for another, even more extensive camp next year are already under way, since county and local YMCA leaders feel that one of the

PALMYRA DEFENSE COUNCIL ACTIVITIES

A number of important matters were discussed at the recent meeting of the Palmyra Defense Council held in the Borough Hall.

One important point is that there must be no smoking during blackouts. Even the light of a cigarette can be seen from the air in a total blackout. Anyone smoking on the street would endanger the lives of many people in a real raid. Mrs. Milton Klotz, head of the Palmyra Red Cross, stated that there are 7 trucks equipped with Red Cross First Aid Kits and a woman driver assigned to drive each truck. All these vehicles carry the Red Cross insignia so they can move quickly in blackouts.

Milton Klotz was appointed to serve with William Engle as director of the Emergency Medical Center located at the Community Center. Mr. Klotz will serve as Mr. Engle's deputy while Dr. Voorhis will continue as the Medical Director.

Violations
Chief Air Raid Warden William Miller reported on the violations and the trials of the violators in the recent blackout.

Mr. Miller stated that in all future blackouts all air raid wardens will sound their whistles as they take the street so that every one will realize that it is a blackout and not a fire alarm.

A scrap iron collection drive will be sponsored by the Defense Council. The collection center will be decided upon at an early date. In the meantime all citizens are urged to sort out all the scrap iron they can find and be prepared to give it to the collectors.

All able bodied men who are not already engaged in defense service work are urged to join the Auxiliary Fire Fighting Corps. This Corps is one of the most essential forces for home defense and it has already lost twenty men in the draft. More fighters are needed on the home front.

Councilman John Landgraf reported that over 300 landlords registered August 12, 13, 14, 1942 at the high school. The Defense Council thanks Miss Elizabeth McDonell and the nine volunteers who assisted her in the registering in this price rationing area. The nine volunteers were: Mr. F. D. MacCorkle, Mrs. Howard Marshall, Mrs. Eleanor Yerkes, Mrs. Andrew Barker, Mrs. William A. Branson, Mrs. Myrtle Henderson, Mrs. Morris Beck, Mrs. Sarah Price, Mr. A. B. Branson.

Mr. Budd Marter, of Beverly, Chairman of the Burlington County Rationing Board, reported on the Beverly Defense system.

Rationing
In speaking of rationing, Mr. Marter appealed to the patriotism of all citizens and urged them to cooperate with all rationing boards and local defense units. It is the duty of every citizen to report any person who attempts to sell any type of rationing stamps. Beware, they may be counterfeit and therefore worthless.

If rationing boards appear to be partial at times, it is not the fault of the instruction and leadership of youth.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

It has been said that a Sunday School is only as vital as its message and as efficient as its teachers.

Last Monday evening the Church School Council of Calvary selected for its curriculum the most vital message in the world—the study of the Life of Christ. To assure efficiency in the consistent presentation of that message a complete and competent faculty was appointed, with a general Superintendent, Associate Superintendents of Worship, Superintendents of Cradle, Beginners, Primary, Junior, Intermediate, Senior, Young People's, and Adults Departments. Also appointed were stated teachers and substitute teachers for all classes. Christian education for all people, young and old, is tremendously vital in these times. Come out next Sunday morning at ten o'clock. Help us to grow spiritually, and grow with us!

Rally Day exercises will be held on Sunday week, September 27. A fine program is being arranged and all departmental promotions will be made at that time. We want this to be the greatest Rally Day in the history of the Calvary Church School. On Sunday evening, September 20, at 7:30 o'clock an organizational meeting will be held in the Church School auditorium for the purpose of establishing three Christian Endeavor Societies for those of Junior, Intermediate and Senior age. If you are between the ages of eight and twenty, and wish to enter into a real adventure of Christian thinking and sharing and living, plan to be with us next Sunday evening. Charter members always enjoy a thrill that is denied to all others.

Next Sunday morning at the 11 o'clock worship service the pastor will share with you his second "Contemporary Message from Inspired Books." The message will be from the Book of Exodus, and the specific topic will be "Come Out for God!" The adult choir will render the anthem, "The King of Glory" by Roberts, and it is expected that the Junior Choir, which meets Thursday evening for practice, will also render a special number. There will also be a sermon for the Junior congregation. A hearty welcome awaits all members and friends of Calvary, and all not actively associated with any other church who feel the need of Christian fellowship and worship.

WESLEYAN MEN'S BIBLE CLASS

EPWORTH METHODIST CHURCH

Men of the Community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

The Rev. Frederick W. Mathews will address the class.

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue
Palmyra, N. J.

Rev. D. Roe Haney, B.D., Minister

The congregations last Sunday in Epworth were an indication that vacation problems were over and that people had minds and hearts to worship on the Sabbath. The Minister will preach both morning and evening with the services beginning at 10 o'clock and 7:45, using for his morning sermon subject "Christianity weighed in the Balance," and the evening subject will be "Assuming Responsibility." The Senior Choir will use for their anthem in the morning "Out of the Deep" by Marks, and in the evening "Lord, In

This Sacred Hour" by Walter. Mr. George Dyson will also render a baritone solo.

The Church School in its various departments and classes will meet at 9:45.

The Youth Fellowship will begin its fall program with Miss Dorothy Wolcott as leader at 7 o'clock.

Monday at 6:30 will be the annual get together supper for the Church School officers and teachers.

Boy Scouts will meet at 7:30 Monday evening, and the Girl Scouts at 7:30 Tuesday evening.

Wednesday morning at 11 o'clock the Friendship Circle will sell vegetable soup from the basement of the Church, at 25 cents a quart to those who bring containers for same.

Wednesday evening at 8 o'clock will be the regular Prayer Meeting which everyone is urged to attend. The Junior Choir will meet for rehearsal at 3:45, Friday, and the Senior Choir will have their practice at 7:45.

ALL FOOD PRICES SHOW AUGUST INCREASE
Items in each of the food groups cost the consumer more money during August than during the previous month, according to the September 1 report from the State Department of Agriculture, covering 103 of the principal foods. With a general average retail price rise of 1.71 per cent, all groups of food in New Jersey showed an upward movement for the first time since September, 1936.

All meats continued the advance which started last March and were 1.35 per cent higher in August than during July, 1942. The largest relative advance was noted for poultry meat. The housewife paid 1.70 and 1.61 cents per pound more for roasting and stewing chicken, respectively. Veal rose 1.36 per cent, with chops costing .84 cents more per pound in August and cutlets showing a rise in price of .75 cents. Lamb loin chops and rib chops rose 3.62 and .58 cents per pound, respectively. Beef was up .98 per cent and pork cost .73 per cent more.

NEWSPAPERS AID IN WAR EFFORTS

"Newspapers go all out for victory." This is the theme of National Newspaper Week, which will be observed throughout the country from October 1 to 8.

America couldn't win the war without the full force of the press, points out Wayne D. McMurray of the Asbury Park Press, who is chairman of the National Newspaper Week committee for the New Jersey Press Association, of which The New Era is a member.

"The newspaper stands today as always as the guardian of America's freedom," declares Edward H. Roemle, general manager of the Passaic Herald-News and president of the state newspaper association.

With large losses in personnel and increases in production and distribution problems and costs due to the effect of war, New Jersey newspapers are delivering their full force for the war effort, as is attested by words of praise from high officials, right on down to leaders of small local defense groups in every hometown in America.

Newspapers and newspapermen are doing much in addition to editorial, publicity, and advertising promotion for the war effort. Carrier boys on daily newspapers in New Jersey have already sold more than 15,000,000 War Stamps since Pearl Harbor. Newspapers absorb the cost of handling these stamps and newboys sell them without thought of reward.

May 12, 1912 in the birth date of Marine Corps aviation. The Leatherneck aviation muster roll for May, 1912, contained one name—1st Lt. Alfred A. Cunningham.

Vitamin-Rich Meals

Serve a Wholesome Vegetable Dinner to the Family at Least Once Each Week

NUTRITION experts tell us that everyone should eat both raw and cooked vegetables each day. In addition to potatoes, tomatoes are important for they contain vitamin C, the only vitamin that cannot be stored in the body and must be replenished every day.

Vegetables are good for health. They are inexpensive in season and good for the budget. Select vegetables that are plentiful and try to have variety in color, flavor, texture and temperature.

Here are suggestions for complete vegetable meals. Follow these rules so that your vegetable meals will have maximum interest.

1. Choose a variety of flavors, some mild and others more positive. Avoid combining onions, cabbage, turnips, cauliflower, Brussels sprouts, etc.; peas, green or wax beans, lima or butter beans, corn, etc.; squash, cucumber, melon, egg plant, etc.; spinach, beet or turnip greens, Swiss chard, etc. Flavors will complement each other best when one from each grouping is selected.

2. Choose a variety of colors. Avoid combinations such as carrots, sweet potatoes, squash, or peas, green beans, spinach and Brussels sprouts.

3. Choose a variety of textures. Avoid combining only root vegetables; or only leafy vegetables, etc. Preferably, a complete vegetable meal should include at least

one raw with the cooked, or vice versa.

4. Include a protein food in the form of milk in a cream sauce or scalloped dish; cheese, including cottage cheese, in a sauce or salad, or separate serving; eggs in sauces, poached, scrambled or hard-cooked in sauces, salads or as garnishes; cooked fish or meats in hot or cold combinations in stuffed tomatoes or peppers; or serve a protein-rich dessert, such as custard.

5. Give a vegetable meal more "stick-to-the-ribs" quality by combining at least one vegetable with a good rich sauce, or cheese; or preparing one vegetable by pan frying or deep fat frying; or serving bread and butter sandwiches, or a hot bread such as cornmeal muffins or biscuits; or serving a carbohydrate-rich dessert such as a cobler, cottage or bread pudding, etc.

6. On vegetable plates or platters (as indeed, in serving any meal) avoid duplication of finishing touches, sauces, seasoning, etc. A dash of paprika, for example, should not be repeated on more than one food on which it looks and tastes best. The same applies to cream sauce, grated cheese, bread crumbs, whipped cream, etc.

Opening the refrigerator door more than necessary will waste fuel.

YWCA NOTES

A county wide conference of Y. W. C. A. adult clubs will be held Thursday, September 24, at Maple Shade, according to an announcement by Miss Olga Allington, of Mount Holly, president of the Burlington County Y. W. C. A. Interclub Council.

The principal speaker at the conference will be Dr. Kathleen MacArthur, who is a specialist on religion on the National Y. W. C. A. staff. Miss Elizabeth Herring, secretary for

rural interests on the national staff, who is well known in Burlington County, will lead discussions on club work.

The Maple Shade Y. W. C. A. Club, which will be the hostess group for the conference, is in charge of arrangements for the supper, which will be held at the Maple Shade Lutheran Church. Mrs. Thomas Burkey is the club president. The program has been planned by a committee from the Mount Holly Business Girls Club, composed of Miss Kay Taylor, Miss Grace Haines and Miss Allington. The Business Girls Club of Medford, of which Mrs. Ruth Bunning is president, is in charge of recreation for the conference, and the music program is being arranged by the Moorestown Y. W. C. A. Club, headed by Mrs. Roland Rhodes.

"Matter" is the Lesson-Sermon subject for Sunday, September 20, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "What agreement hath the temple of God with idols?" (II Cor. 6:16)

Among the Lesson-Sermon citations is the following from the Bible: "God is our refuge and strength, a very present help in trouble. Therefore will not we fear." (Psalms 46:1-2)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Scripture indicates that all matter will disappear before supremacy of Spirit." (p. 97)

CENTRAL BAPTIST CHURCH

5th St. and Maple Ave., Palmyra
Rev. S. Dan Morgan, Pastor
In his article "Secret Weapons," Dr. Ray L. Smith, Editor of the Christian Advocate, states, "Among the priorities which are necessary for successful national defense is one we must not overlook. It has a fair claim upon the time of every American. We must make Sunday, not a holiday, but a holy day." Here is an admonition that is very applicable today and not only applies to countries of pagan religions but to our country and community as well.

You may properly observe Sunday by attending these Services:
Bible School, 10 a.m.—Plans are now being definitely arranged for Rally Day to be held next month. If you are not on the "ins," come out next Sunday and hear all about it, and what you can do to make it a success.

Morning Worship, 11:15 a.m.—"I Will Build My Church" will be Pastor Morgan's subject for his sermon. Miss Violet Seither, soprano, will be the soloist of the morning. "O, Divine Redeemer" will be the offering by the choir.
Senior B.Y.P.U. 7:00 p.m.—The Senior group will be led by Miss Sylvia Walter this Sunday evening. A fine group discussion. Come out and enjoy it too!

Evening Worship, 7:45—"Man's Need of the Gospel." This most timely subject will be dwelt on for the evening's Service. One that everyone should hear. Bring your friends with you. The choir will sing "Hide Not Thou Thy Face."
Wednesday, 8:00 p.m.—Mid-Week Prayer and Praise to which the public is always welcomed.

The Riverton Branch of the American Red Cross will hold an open meeting on Wednesday, September 23rd at 2 p.m. at the Porch Club. Reports on the work done this summer will be given and announcements for the coming season will be made. Mrs. Ephraim R. Mulford, chairman for surgical dressings of the Burlington Chapter will be the speaker. Please attend this meeting if you are planning to make surgical dressings. The Board of Education has kindly offered us a room at the Public School for this purpose. Further notice will be given of the exact date for the work to begin.

The Riverton Branch has offered to furnish one of the 28 day rooms at Fort Dix for the soldiers who have just been inducted and are awaiting transfer. If you have a bed, table, rug or lamp which you are willing to donate, call Mrs. F. W. Metzger, Riverton 0406, and she will arrange for a truck from the Port to pick it up.

Nutrition cards for those who have completed the course have been received and are at the office. Please call for them there. A new course will be started soon and those wishing to take it will please sign at the office. Hours are 10 to 1, Monday through Friday. Those wishing to take the First Aid course are also requested to sign up at the office. Both these courses will start some time next month.

The blood donor unit will make its second visit to Riverton on November 4th. Please sign up at the office if you are willing to give your blood and an appointment will be made for you.

Nine Red Cross branch work rooms operated by volunteer women workers are ready to swing into action throughout the county in an effort to meet the quota for surgical dressings set by the War Department for Burlington County.

The War Department has asked for and supplied the materials for 62,000 surgical sponges. This is the largest quota ever set for Burlington County, and the volunteer workers are going to try to meet it.

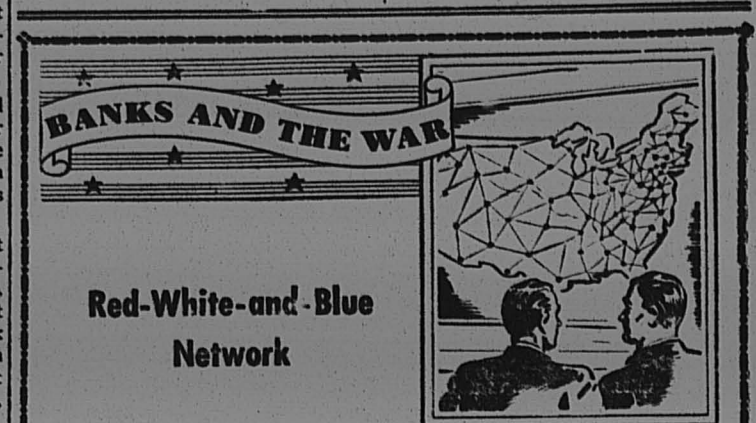

The nine work rooms already set up and working are in Beverly, Burlington, Florence, Marlton, Medford, Maple Shade, Moorestown, Mount Holly and Palmyra. New work rooms now being set up, and which will be in production within the next week, are located in Medford Lakes, Pemberton, Riverside and Roebing.

Women of all ages are asked to volunteer their services for this very vital work.

Work rooms in the various communities have been provided by boards of education, manufacturing plants, and in some cases private families have turned over a suitable room in their home for the work.

Local Chairmen
Women who will aid in this project are asked to contact the local chairman in their community. They are as follows:

HOUSEHOLD HINTS

The Family Front gathers and disseminates time-saving tips so wives can be more efficient in the home and spend more time on war work. It also wants tips on conserving materials on which Uncle Sam is short. Just address your hints to Miss Elizabeth C. Jacobsen, Home Management Supervisor, Farm Security Administration, Burlington, New Jersey.

Galoshes Better be nice to that rubber footwear, if you want it to be nice to you. Overheats and galoshes will last if you wash them in soap and water occasionally. Then dry them and stuff loosely with paper. Store all rubber in a dark, cool place.

Sugar Save sugar in canning by replacing up to half the needed amount by an equal quantity of honey. For a

thin syrup, use 2 and one-half cups of sugar and 2 and one-half cups of honey to one gallon of water. Farm Security has urged borrower families to raise bees, wherever feasible and economical.

Corn Syrup Use it to replace up to one-third of the sugar for canning. For a thin syrup, use 3 and one-third cups of sugar and 1 and two-thirds cups of corn syrup. For a good pack, pre-cook the fruit in the syrup, pack into jars, cover with hot syrup and process as for a hot pack.

Soap Be thrifty with this. Perforate the bottoms of soap dish so water will drain out. Or elevate on a grated surface—above contact with water.

Wool Don't throw away those good woolen socks when heels and toes are

too worn for more darning. Make mittens for the kids with the tops and a little needlework. Cut and sew up the foot end, reinforce the top with a binding stitch.

Cheese Another Victory Food Special between August 17 and 29. It contains the high-type protein as meat (remember that stuff butcher shops used to sell), lends itself to innumerable dishes, is rich in food value, contains excellent body "fuel" values and plenty of calcium, and its riboflavin is good for health & normal growth. 1 third of a pound is equal to 1 quart milk. FSA makes their own cheese.

Rubber Does your raincoat or apron get sticky and soil garments under it? To prevent that and its deterioration: Spread it over a table or bench; scrub gently with soap, water and a soft brush; dry well with cloth or in cool, airy place, fold, dust lightly with talcum before putting it away.

ROTARIANS HEAR ABOUT NEAR EAST

People who live in the Near East are neither pro-Axis or pro-Ally but are actually on the fence waiting to see how things come out. This interesting statement was made by Mr. Hermann A. Lun of Haddonfield in his talk to Palmyra-Riverton Rotarians last Thursday night. Mr. Lun, who is president of the Haddonfield Board of Education is also secretary of the American University at Cairo and its representative in the United States. At the conclusion of his talk he showed colored moving pictures of his most recent trip to Egypt including some very interesting shots of the country surrounding the pyramids.

Egypt, said Mr. Lun, is a most strategic spot and it would be a major tragedy if the Axis succeeding in securing control of the Suez Canal. The Egyptians generally have no love for either Germany or Italy. They have seen for instance how Italy conquered Libya and liquidated over 200,000 natives. Beyond another border they witnessed Mussolini's Ethiopian campaign with his heartless killing of unarmed men and women.

On the other hand the Arabs who form a large part of the Near East population have considerable feeling against the United Nations. During the last war, Colonel Lawrence promised the Arabs much in the way of independence which they never received, and in fact they have been greatly kicked around. These people are inclined to say "Why should we believe promises made, now when none were kept in 1919." The matter is further complicated by the feud between the Jews and Arabs to which there are distinctly two sides.

Good Will Policy Mr. Lun feels that we must see how we convince the native population that we are not going to walk out on the next peace conference and that we will continue the same sort of good will policy shown when we promoted Near East relief. The latter activity, in Mr. Lun's judgment, did more to promote good feeling between the United States and the Near East than any other series of acts.

Among interesting moving pictures shown was one showing the nephew of Haile Selassie as a student at the American University in Cairo. This young man escaped mysteriously from Ethiopia when his Uncle fled and just as mysteriously returned not long ago when the Lion of Judah regained his throne. The Rotarians were much impressed by the views of the University and the type of students who appeared in various activities upon the screen.

MAN WITH LONG PRISON RECORD ARRESTED HERE

Louis Woods, 45, of Chattanooga, Tenn., was arrested in Riverton on Thursday afternoon of last week by Officer John Robinson on the charge of vagrancy and loitering. He was sentenced to 25 days in jail at a hearing before Recorder William H. Botter.

Woods, who also is known to police of various cities by several other names, approached a man at Broad and Main streets and asked the fare to Trenton, after which he walked north on Main. Robinson, who had heard the conversation, followed Woods and, when he observed that he had no apparent destination, took him to the police station for questioning. It then became evident that he was present for no good and he was held for the subsequent hearing.

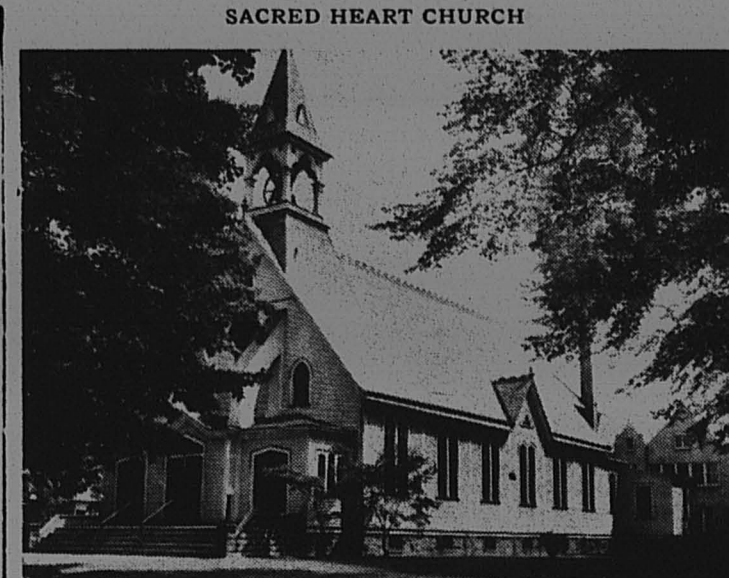

A checkup of his record by means of fingerprints revealed the fact that he had previously been sentenced to prison on such charges as robbery, larceny, forgery, highway robbery and felonious assault. His jail sentences, most of which he apparently never served, totalled over 20 years. Woods began his career of crime in 1918 and never reformed.

SACRED HEART CHURCH

The Sacred Heart Parish will celebrate the Fiftieth anniversary of the building of their present parish church, at Fourth and Linden, Riverton, Sunday with a Solemn High Mass to be said in the presence of the Most Reverend William A. Griffin, Bishop of the diocese of Trenton.

The Mass will start at 10:30 o'clock and will be said by the Rev. William F. Quinn, pastor of the church, assisted by two former members of the parish, the Rev. Stephan I. Buividas, as deacon, and the Rev. Jerome Prisco, O.P.M. as sub-deacon. The Rev. Francis J. Coan, curate of the local parish, will be the master of ceremonies.

The members of the Knights of Columbus of St. Joseph's Council will serve as a guard of honor to Bishop Griffin. The parish Boy and Girl Scouts will also be present in uniform. It is expected that a large number of Sisters and Priests from parishes throughout Burlington county and the Trenton diocese will be present.

A memorial booklet will be issued in commemoration of the event. It is dedicated to the increase of the spirit of helpfulness, respect and co-operation among the people of the community. It includes a history of the parish and photographs of more than ninety of the one hundred and six members of the parish serving in the armed forces of our country.

The corner stone of the present church was laid August 6, 1892 by the Rt. Rev. Michael O'Farrell, D.D., first Bishop of the diocese of Trenton. Catholic services were first celebrated in this vicinity in 1874. The cornerstone of the first church was laid May 31, 1879. The site for it was donated by Mr. Lemuel Davis, a Presbyterian. The Riverton parish was then a mission to Beverly which was in charge of the Franciscan Fathers from Trenton. The Rev. Athanasius Nolan, Franciscan Father stationed at St. Peter's Church, Riverside, will preach the sermon at the Mass Sunday.

In conjunction with the Fiftieth anniversary celebration, an outdoor and indoor carnival will be conducted on the parish property Wednesday, Thursday, Friday, and Saturday evenings of next week.

SCHOOL OF INSTRUCTION FOR MACHINISTS

About two years ago S. N. Candy, 4 Zeisner street, East Riverton, opened a school for instruction in lathe operation. It met with such success that he has enlarged his equipment to include all machine work, and has arranged day or night classes for both male and female pupils. A small number of pupils per instructor insures individual attention. There is no age limit. Several men well past middle life have taken these courses and are now holding lucrative positions. More than ninety per cent of the members of previous classes have secured work in the lines they learned at the Candy Machinist School.

If you want to improve your position, phone Riverton 112 for particulars.

OBITUARY

SARAH E. STROHLIN Sarah E. Strohlin, wife of Jacob Strohlin, 108 Linden avenue, Riverton, died Tuesday afternoon of this week at her late residence, following a brief illness.

In addition to her husband, she is survived by a daughter, Dolores, her mother, Mrs. Catherine Fowler, of Palmyra; three sisters, Mrs. George Downes, of Philadelphia; Mrs. Herbert Schneider, of Palmyra; and Mary, of Palmyra; three brothers, Richard and Thomas, who are serving in the Army and Daniel, of Palmyra.

The funeral will be from her late residence on Saturday morning of this week, with High Requiem Mass at 10 o'clock, in the Sacred Heart Church, Riverton, the Rev. William F. Quinn, pastor of the church officiating.

Interment will be in Calvary Cemetery, Camden, under the direction of John Swartz, of the Murray Funeral Home. Friends may call at her late residence on Friday evening of this week.

COMPLETE FIREMAN TRAINING COURSE

On Monday night of this week a number of new members of the Riverton Volunteer Fire Department completed a training course which has been conducted for the past several weeks by Assistant Chief Lawrence Downs. The course included all phases of fire fighting and the actual operation of all equipment at the disposal of the local organization.

Chief E. M. Carhart, Jr., presented the new firemen with badges at the conclusion of the last workout.

Those who comprised the class were: Richard Gaff, Frank Story, C. T. Woolston, Francis Cole, Earl Robertson, Paul Burke, George M. Friday, Jr. and F. W. Metzger.

CHAMPIONSHIP GAME HERE

Arrangements were completed last night for the finals of the play-offs of the Burlington County Baseball League, for the County championship.

Jack Gotta's Riverton ball club will be host to Riverside A.C. this Sunday at Memorial Park in the first of a three game series. The contest will get under way at 2:45 p.m. sharp and is expected to be close with both outfits using their best hurlers.

It was announced that Riverton will visit Riverside one week later, October 4th, for the second game, and if a third game is necessary it will probably be played on a neutral field.

A large crowd is expected to view the play-off game to be held Sunday, with Riverton's tossers standing a fine chance to cop the county title.

BAND PARENTS CLUB ORGANIZED IN P.H.S.

This newly formed group has already had two successful meetings at Palmyra High School. The Band Parent's Club is under the sponsorship of P. R. Jones, supervising principal of Palmyra High School and Mr. K. Merrill, director of the High School and Junior bands. The object of this organization is to stimulate interest among parents and children in the High School and Junior bands. It is also the purpose of the Band Parent's Club to help raise funds for the needs of the Bands.

The meetings of the club are held the first Monday of the month at 8:15 o'clock in the High School.

The officers are:

President—Mrs. Dwight E. Tuttle, of Riverton.

Vice President—Mrs. Courtney Houston of East Riverton.

First Vice President—Mrs. A. T. Hewlett of Palmyra.

Treasurer—Mrs. William Burgess of Palmyra.

Secretary—Mrs. M. T. Edwards, of Riverton.

Membership—Mrs. C. Kenneth Davis, of Riverton.

Program—Mrs. Harold Marshall, of Palmyra.

Charter Members—Mrs. Edson Carhart, Mrs. C. Kenneth Davis, Mrs. M. J. Edwards, Mrs. Victor Jensen, Mrs. Courtney Houston, Mrs. Kenneth Merrill, Mrs. Joseph Wells, Mrs. Harold Marshall, Mrs. George Hall, Mrs. Franklin Quinton, Mr. M. B. Ashby, Mrs. William Burgess, Mrs. A. T. Hewlett, Mrs. Dwight Tuttle.

MUCH SCRAP COLLECTED

The scrap collection in Palmyra this week has resulted in a vast amount of material being obtained for salvage. Borough trucks covered the community in four days and the total amount secured will probably exceed 75 tons.

The scrap is being stored in the rear of P.O.S. of A. Hall and will be sorted later.

DOCTORS BUSY MEN THESE DAYS

Your doctor is a busy man these days—and here in Riverton, with so many of our physicians in the service or planning soon to put on a uniform, our remaining doctors soon will be busier than ever. Upon them rests the health of the entire community and upon the community lies the responsibility of keeping those doctors healthy. If they break down from over work, from long hours, the entire health of the town is jeopardized.

There's much you can do to help. First, do everything in your power to stay so healthy you won't need to see the doctor. Secondly, if you must see him, don't take up his time with unnecessary conversations. State your symptoms. Answer his questions. Take the treatment he offers, thank him, and make room for the next patient. And if you want to make him mad—call on him to treat you for an avoidable accident—an injury caused by just plain lack of straight thinking.

Most accidents, you know, are avoidable. But usually we realize that after the accident has happened—after the injury has been done. And the queer part of it all is that it frequently takes outsiders to see the danger spots around our own home or cars. Drive a friend's car—and you'll be able to tell him something about its performance that needs attention. Its grown on him so slowly he doesn't know it. But you sense it quickly.

In Home, Too

That goes for your own home, too. You've been living in it so long that you've become used to accident causing surroundings. But bring a stranger "driver" into the house, tell him to survey it, and he'll make many a valuable suggestion that may save somebody a lot of pain and suffering! It will save a lot of the doctor's precious time, too!

Why don't you try it. You have a neighbor who's a fairly good friend. Ask him to go through your home and tell you what looks dangerous to him—and you do the same thing to his house! You'll be surprised to find out how closely you've been living on the edge of disaster! Maybe it's cellar steps that aren't properly lighted. Perhaps it's the children's habit of leaving toys and marbles on the floor. Possibly it's a worn spot in a rug. It might be unlighted porch steps. But they may mean pain, suffering and even death to somebody close to you! So, don't put it off! Go to your phone now—call that neighbor of yours, ask him if he's read about this idea in the paper and how about safety-checking your house tonight? And don't forget, your conscience is going to hurt tonight if you don't do this!

The above is one of a series of articles being issued by the Health and First Aid Committee of the Riverton Defense Council with the hopes that You will help in conserving the time of the few doctors left in this neighborhood.

REMOVING SECTIONS OF RAILS AT CROSSINGS

The Pennsylvania Railroad is doing its part in the nation-wide salvage campaign as was evidenced by the operations which took place along the local line this week.

About Town

Announcement is made of the marriage of Mrs. Nellie Durham, of Riverside, and Frank B. McCormick, of Palmyra, which took place Tuesday afternoon, September 15, at one o'clock in the parsonage of the Baptist church, the Rev. S. Dan Morgan, officiating.

Mr. and Mrs. Townsend, of Andalusia, Pa., were the couple's only attendants. Following a reception at Newlin's, Moorestown, Mr. and Mrs. McCormick left for a wedding trip.

Robert C. Stover, son of Mr. and Mrs. Evan Stover, of Cinnaminson, has resumed his studies at Columbia University, where he is a member of the Senior class. He has also enlisted in the Naval Reserve and subject to call to active duty at any time.

Miss Virginia Jacobs, daughter of Mr. and Mrs. William Manuel, 216 Penn St., Riverton, has started work as a member of the Freshman Class at the New Jersey State Teachers College at Glassboro.

Hilton M. Smith, Jr., son of Mr. and Mrs. Hilton M. Smith, 406 Linden Ave., Riverton, has resumed his studies as a Senior student at the New Jersey State Teachers College at Glassboro.

Bernard Coe, son of Mr. and Mrs. Gilbert Coe, of Thomas avenue, Riverton, left this week to resume his studies at Earlham College, Richmond, Indiana. He has enlisted in the Naval Reserve, but will complete his college course before being called to active duty.

Corporal Donald L. Clement, of Riverton, has arrived safely some, where overseas, according to word received by his father, Frank Clement. Corporal Clement is serving in the Army Air Forces.

Sergeant Frank K. Coates spent several days with Mr. and Mrs. Ellsworth Coates, of Highland avenue.

First Lieutenant William J. O'Keefe, former District Contract Manager of Mohawk Carpet Mills, New Jersey, is one of hundreds of executives of specialized businesses and industries now being trained at the new Air Forces Officer Training School, Miami Beach, Florida, to direct vital administrative and supply operations of the rapidly expanding ground forces.

In a six weeks course of military instruction and physical conditioning, Lt. O'Keefe and other specialists commissioned directly from civilian life will be prepared to take over executive duties in Air Forces maintenance that parallel the responsible positions they held in commerce and industry.

As a civilian, Lt. O'Keefe lived at 200 Linden Avenue, Riverton.

Charles S. Coddington, of Palmyra, has recently been promoted from First Lieutenant to the rank of Captain. He is stationed in Colorado at present.

Donald Powell, son of Mr. and Mrs. Elvin I. Powell, of Palmyra, is now stationed at Fort Ord, California.

MRS. C. N. HUBBS DIRECTOR RED CROSS BLOOD COLLECTION

Mrs. Clarence N. Hubbs, of Palmyra is directing the Red Cross blood collection in Burlington County. The county has reason to be proud of Mrs. Hubbs' work and its people's generosity which have made Burlington county the leading blood giver.

In April of this year, Mrs. Hubbs asked Dr. Ames McGinnis, technical adviser of the southeastern division of the Red Cross, if some of the plasma made from the county's blood might be returned for local use. Dr. McGinnis' answer was no, the government was taking for the armed forces all that the Red Cross could supply. Mrs. Hubbs wrote our representative in Congress asking if arrangements could be made to supply Burlington County with blood plasma.

With his customary promptitude, Mr. Powers started to investigate. Result: there is an unconfirmed statement that under some circumstances the Red Cross might spare plasma for civilian use but where it could be obtained, how long it would take to deliver it, and to whom it would be given are questions no attempt has been made to answer.

This serious situation can be remedied by placing the equipment for a blood bank in the Burlington County Hospital. Dr. Luis E. Vitter, of the hospital staff, gives \$2,155.45 as the cost. Save a life, possibly your life, by sending a contribution to The Burlington County Hospital Blood Bank Fund, care of The First National Bank and Trust Co., Beverly.

OBITUARIES

JOSEPH T. EVANS

Joseph T. Evans, a life-long resident of this section, died at his late residence, Burlington Pike, on Saturday of last week. He was 66 years of age.

He is survived by his wife, Hannah G.; a daughter, Marion, of Cinnaminson and a son, Howard G., of Lansdowne, Pa.

In 1905, Mr. Evans purchased the coal and lumber business at Broad and Main streets, Riverton from Samuel Rudderow and was the sole proprietor until its incorporation as the J. T. Evans Co. in 1938. From that time, until he retired in February of this year he was the president of the organization.

Mr. Evans was a charter member of the Palmyra-Riverton Rotary Club and maintained a record of perfect attendance for a period of 15 years. He was recently made an honorary member of the club. The deceased was also a member of the Masons and the Westfield Friends Meeting. Funeral services were held at the Westfield Friends Meeting House on Tuesday afternoon of this week. Interment was in the Westfield Friends Cemetery under the direction of the Snover Funeral Home.

ATHLETIC FIELD HUMS WITH ACTIVITY NOW

One of the busiest places in this section is the Palmyra High School athletic field after the cessation of classes each afternoon as a considerable portion of the student body participates in extra-curricular activities.

At one end of the field the varsity and junior varsity football squads are hard at work under the direction of Head Coach Curtis and his assistants. Behind the stadium the girls' hockey team is practicing.

The girls' drum and bugle corps marches up and down the center of the football field, while the band toots merrily away in another sector.

The grim note of war is introduced by the pair of air raid observers perched high up in the press box of the stadium.

RIVERTON ENTERS COUNTY BASEBALL LEAGUE FINALS

Making a courageous stand, Riverton's ball tossers took both games of a double-header from Roebing last Sunday afternoon at Memorial Park to enter the finals of the Burlington County League championship playoffs. The scores were 4-2 and 4-1. Since the locals had previously been defeated by Roebing, both wins were necessary in order for Riverton to have a chance at Riverside A. C., the other survivor of the post season tournament.

Robloff hurled the first game and allowed eight hits. The visitors tabbed two markers, one in the first and the other in the seventh. Riverton won the affair in the second, when Benbow cleared the bases after Walton, Durgin and Robloff had singled in succession. The homesters had a total of nine blows.

Bauer had things well under control in the second fray, giving up only four safeties. Roebing's only marker came in the eighth.

Riverton tabbed a run in the third, added two in the seventh and concluded the scoring with a singleton in the eighth. Brewster led the assault with three bingles, one a double. The locals played nice ball all afternoon and deserve plenty of credit for winning their way into the finals.

PALMYRA OPENS GRID CAMPAIGN SATURDAY

Palmyra High School will open the current grid campaign on Saturday afternoon of this week when the Red and White team journeys to Collingswood. The kickoff is slated for 2:30.

As usual, the Group 4 team is a top-heavy favorite to win, but the charges of Coach Curtis have been hard at work for several weeks and may give the Irvinemens plenty of trouble. Last year a supposedly weak Palmyra outfit held the opposition to a 7-6 score.

The Palmyra mentor has a light squad, the average weight being about 155 pounds. He stated, however, that what the lads lack in poundage and experience will be more than made up by the scrappy attitude of the players.

To Start

The starting lineup, according to Mr. Curtis, will probably be as follows: Brewster, qb; Cardea, fb; Conover and Stowe, hb; Madison and Bauer, ends; Tropea and Mozzo, tackles; Johnson and Devinney, guards; Ely, center.

Others who are certain to see action include: Mufalli, Laning, Piergrove, Wells, Veitenheimer, Bennet, Waters, Kessler, Steedle, Noe, Hoyt and Semple.

The kicking will be handled by Conover and Cardea.

YMCA BRIEFS

The Burlington County YMCA was represented at the Group Leaders' Institute and Hi-Y Officer's Training Conference held at Camp Ockanickon this past week-end by the following: John W. Thacher, E. Newbold Cooper, Henry Graves, Jr., and Clifford W. Ergood, of Moorestown; F. W. Holbein, Charles Smith and Paul Miller, Mount Holly; William H. Heisler, Donald Fort and LeRoy Ridgway, Pemberton; George Atkinson, Columbus and Lawrence Coolbaugh, Palmyra.

E. Newbold Cooper, chairman of the Burlington County YMCA Program Committee, presided at the Saturday afternoon session and led the discussion following presentations by Dr. Harry S. Hill, Mercer County Superintendent of Schools, and James L. Bethuns, Executive Secretary of the Central Atlantic Area, on the topic "Group Leadership in War-Time."

The regular meeting of the board of directors of the Burlington County YMCA is scheduled for Tuesday September 29, at the Moorestown Community House. Following dinner, the devotional period will be led by Rev. H. D. Hummer, of Pemberton, pastor of the Methodist Church, followed by a report of the County Secretary on the summer program. A presentation of a program policy for the Burlington County "Y" by the Program Committee will be made.

The Program Committee is E. Newbold Cooper, Moorestown, Chairman; Ernest Saul, Mt. Holly; R. J. Beazley, Jobstown; William Wells, Bordertown; Jerre T. Moreland, Florence, and Paul R. Jones, of Palmyra. President John W. Thacher is scheduled to preside and will take care of regular business matters to include the appointment of working committees for the year.

ENGAGED

Mr. and Mrs. G. Rex Showell, of 209 Howard Street, Riverton, announce the engagement of their daughter, Anna Josephine, to Thomas E. Veitenheimer, son of Mr. and Mrs. Eric Veitenheimer, of Parry.

Mr. Veitenheimer has enlisted in the Navy and leaves for active duty on Friday.

No date has been set for the wedding.

APPRECIATION

May I take this opportunity of expressing my sincere appreciation to the voters of Riverton, Palmyra and Cinnaminson for the splendid support they gave to my candidacy on Primary Election Day.

ARTHUR W. LEWIS

BIRTH

Mr. and Mrs. C. T. Woolston, of 626 Main street, Riverton, are receiving congratulations on the birth of a daughter, Margaret V., on Friday, September 18, in Zurburg Memorial Hospital, Riverside.

It Takes 12,000 Calls to Build a Bomber

THE nation's telephone lines are loaded with war calls. Routes to many centers of war activity are carrying the greatest flood of calls in history. As many as 12,000 calls go into the building of a single bomber—such vital calls must go through quickly.

Normally we would put in more long distance lines and central office equipment so that we could handle all calls without delay. But the materials now go into the fighting side of the war—"for the duration."

To meet military and civilian war needs with present telephone facilities requires the cooperation of all telephone users.

Please make fewer calls—both local and long distance—and keep them as brief as possible.

Don't call Washington, D. C., and other centers of war activity unless it is urgent.

When you must use long distance, call before 10 a. m.; between noon and 2 p. m.; 5 and 7 p. m.; after 9 p. m., when the lines are less busy.

About Town

Announcement is made of the marriage of Mrs. Nellie Durham, of Riverside, and Frank B. McCormick, of Palmyra, which took place Tuesday afternoon, September 15, at one o'clock in the parsonage of the Baptist church, the Rev. S. Dan Morgan, officiating.

Mr. and Mrs. Townsend, of Andalusia, Pa., were the couple's only attendants. Following a reception at Newlin's, Moorestown, Mr. and Mrs. McCormick left for a wedding trip.

Robert C. Stover, son of Mr. and Mrs. Robert Stover, of Cinnaminson, has resumed his studies at Columbia University, where he is a member of the Senior class. He has also enlisted in the Naval Reserve and subject to call to active duty at any time.

Miss Virginia Jacobs, daughter of Mr. and Mrs. William Manuel, 216 Penn St., Riverton, has started work as a member of the Freshman Class at the New Jersey State Teachers College at Glassboro.

Hilton M. Smith, Jr., son of Mr. and Mrs. Hilton M. Smith, 406 Linden Ave., Riverton, has resumed his studies as a Senior student at the New Jersey State Teachers College at Glassboro.

Bernard Coe, son of Mr. and Mrs. Gilbert Coe, of Thomas avenue, Riverton, left this week to resume his studies at Earlham College, Richmond, Indiana. He has enlisted in the Naval Reserve, but will complete his college course before being called to active duty.

Corporal Donald L. Clement, of Riverton, has arrived safely somewhere overseas, according to word received by his father, Frank Clement. Corporal Clement is serving in the Army Air Forces.

Sergeant Frank K. Coates spent several days with Mr. and Mrs. Ellsworth Coates, of Highland avenue.

First Lieutenant William J. O'Keefe, former District Contract Manager of Mohawk Carpet Mills, New Jersey, is one of hundreds of executives of specialized businesses and industries now being trained at the new Air Force Officer Training School, Miami Beach, Florida, to direct vital administrative and supply operations of the rapidly expanding ground forces.

In a six weeks course of military instruction and physical conditioning, Lt. O'Keefe and other specialists commissioned directly from civilian life will be prepared to take over executive duties in Air Forces maintenance that parallel the responsible positions they held in commerce and industry.

As a civilian, Lt. O'Keefe lived at 200 Linden Avenue, Riverton.

Charles S. Coddington, of Palmyra, has recently been promoted from First Lieutenant to the rank of Captain. He is stationed in Colorado at present.

MRS. C. N. HUBBS DIRECTOR RED CROSS BLOOD COLLECTION

Mrs. Clarence N. Hubbs, of Palmyra, is directing the Red Cross blood collection in Burlington County. The county has reason to be proud of Mrs. Hubbs' work and its people's generosity which have made Burlington county the leading blood giver.

In April of this year, Mrs. Hubbs asked Dr. Ames McGinnis, technical adviser of the southeastern division of the Red Cross, if some of the plasma made from the county's blood might be returned for local use. Dr. McGinnis' answer was no, the government was taking for the armed forces all that the Red Cross could supply. Mrs. Hubbs wrote our representative in Congress asking if arrangements could be made to supply Burlington County with blood plasma.

With his customary promptitude, Mr. Powers started to investigate. Result: there is an unconfirmed statement that under some circumstances the Red Cross might spare plasma for civilian use but where it could be obtained, how long it would take to deliver it, and to whom it would be given are questions no attempt has been made to answer.

This serious situation can be remedied by placing the equipment for a blood bank in the Burlington County Hospital. Dr. Luis E. Vitter, of the hospital staff, gives \$2,155.45 as the cost. Save a life, possibly your life, by sending a contribution to The Burlington County Hospital Blood Bank Fund, care of The First National Bank and Trust Co., Beverly.

The Riverton Branch has offered to furnish one of the 28 day rooms at Fort Dix for the soldiers who have just been inducted and are awaiting transfer. If you have a bed, table, rug or lamp which you are willing to donate, call Mrs. F. W. Metzger, Riverton 0406, and she will arrange for

OBITUARIES

JOSEPH T. EVANS

Joseph T. Evans, a life-long resident of this section, died at his late residence, Burlington Pike, on Saturday of last week. He was 66 years of age.

He is survived by his wife, Hannah G.; a daughter, Marion, of Cinnaminson and a son, Howard G., of Lansdowne, Pa.

In 1905, Mr. Evans purchased the coal and lumber business at Broad and Main streets, Riverton from Samuel Rudderow and was the sole proprietor until its incorporation as the J. T. Evans Co. in 1938. From that time, until he retired in February of this year he was the president of the organization.

Mr. Evans was a charter member of the Palmyra-Riverton Rotary Club and maintained a record of perfect attendance for a period of 15 years. He was recently made an honorary member of the club. The deceased was also a member of the Masons and the Westfield Friends Meeting. Funeral services were held at the Westfield Friends Meeting House on Tuesday afternoon of this week. Interment was in the Westfield Friends Cemetery under the direction of the Snover Funeral Home.

ROBERT C. AYRES

Robert Cox Ayres, 63, died on September 16 at the Pennsylvania Hospital, following a short illness. He is survived by his wife, Dora Lindsay Ayres and a daughter, Mrs. William Jay Reed, of Sudbrook Park, Maryland.

ATHLETIC FIELD HUMS WITH ACTIVITY NOW

One of the busiest places in this section is the Palmyra High School athletic field after the cessation of classes each afternoon as a considerable portion of the student body participates in extra-curricular activities.

At one end of the field the varsity and junior varsity football squads are hard at work under the direction of Head Coach Curtis and his assistants. Behind the stadium the girls' hockey team is practicing.

The girls' drum and bugle corps marches up and down the center of the football field, while the band toots merrily away in another sector.

The grim note of war is introduced by the pair of air raid observers perched high up in the press box of the stadium.

The Palmyra mentor has a light squad, the average weight being about 155 pounds. He stated, however, that what the lads lack in poundage and experience will be more than made up by the scrappy attitude of the players.

To Start

The starting lineup, according to Mr. Curtis, will probably be as follows: Brewster, qb; Cardea, fb; Conover and Stowe, hb.; Madison and Bauer, ends; Tropea and Mozzo, tackles; Johnson and Devinney, guards; Ely, center.

Others who are certain to see action include: Mufalli, Laning, Piergrass, Wells, Veitenheimer, Bennet, Winners, Kessler, Steedle, Noe, Hoyt and Semple.

The kicking will be handled by Conover and Cardea.

YMCA BRIEFS

The Burlington County YMCA was represented at the Group Leaders' Institute and Hi-Y Officer's Training Conference held at Camp Ocanickon this past week-end by the following: John W. Thacher, E. Newbold Cooper, Henry Graves, Jr., and Clifford W. Ergood, of Moorestown; F. W. Holbein, Charles Smith and Paul Miller, Mount Holly; William H. Heisler, Donald Fort and LeRoy Ridgway, Pemberton; George Atkinson, Columbus and Lawrence Coolbaugh, Palmyra.

E. Newbold Cooper, chairman of the Burlington County YMCA Program Committee, presided at the Saturday afternoon session and led the discussion following presentations by Dr. Harry S. Hill, Mercer County Superintendent of Schools, and James L. Bethuns, Executive Secretary of the Central Atlantic Area, on the topic "Group Leadership in Wartime."

The regular meeting of the board of directors of the Burlington County YMCA is scheduled for Tuesday September 29, at the Moorestown Community House. Following dinner, the devotional period will be led by Rev. H. D. Hummer, of Pemberton, pastor of the Methodist Church, followed by a report of the County Secretary on the summer program. A presentation of a program policy for the Burlington County "Y" by the Program Committee will be made. The Program Committee is E. Newbold Cooper, Moorestown, Chairman; Ernest Saul, Mt. Holly; R. J. Beazley, Jobstown; William Wells, Bordentown; Jerre T. Moreland, Florence, and Paul R. Jones, of Palmyra. President John W. Thacher is scheduled to preside and will take care of regular business matters to include the appointment of working committees for the year.

ENGAGED

Mr. and Mrs. G. Rex Showell, of 209 Howard Street, Riverton, announce the engagement of their daughter, Anna Josephine, to Thomas E. Veitenheimer, son of Mr. and Mrs. Eric Veitenheimer, of Parry.

Mr. Veitenheimer has enlisted in the Navy and leaves for active duty on Friday.

No date has been set for the wedding.

APPRECIATION

May I take this opportunity of expressing my sincere appreciation to the voters of Riverton, Palmyra and Cinnaminson for the splendid support they gave to my candidacy on Primary Election Day.

It Takes 12,000 Calls to Build a Bomber

THE nation's telephone lines are loaded with war calls. Routes to many centers of war activity are carrying the greatest flood of calls in history. As many as 12,000 calls go into the building of a single bomber—such vital calls must go through quickly.

Normally we would put in more long distance lines and central office equipment so that we could handle all calls without delay. But the materials now go into the fighting side of the war—"for the duration."

To meet military and civilian war needs with present telephone facilities requires the cooperation of all telephone users.

Please make fewer calls—both local and long distance—and keep them as brief as possible.

Don't call Washington, D. C., and other centers of war activity unless it is urgent.

When you must use long distance, call before 10 a. m.; between noon and 2 p. m.; 5 and 7 p. m.; after 9 p. m., when the lines are less busy.

The Rev. R. B. Stewart, Pastor

The big event at Calvary next Sun-

day is the Rally Day service to be

held in the Church School auditor-

ium at 10 o'clock. All members and

friends of the school, both young

and old, will be notified by Sunday

School Radiogram. These radio-

grams will be delivered towards the

close of the week by a corps of

volunteers from the Junior Christian

Endeavor Society. Next Sunday will

also be "Promotion Day" for the

Church School. An interesting and

inspiring program is being arranged

by our new general superintendent,

Mr. Harold G. Stevens. Plan to

join our rally!

On Sunday evening at 7 o'clock,

the three newly organized Christian

Endeavor groups will meet in the

Church School auditorium. There

was a fine response last Sunday eve-

ning, and next Sunday, after the de-

votional exercises, each group will

be ready to elect its officers for the

ensuing year. The Junior C. E. is

open to all children, not actively as-

sociated with any other church or-

ganization of the same nature who

are in the fourth, fifth, sixth and

seventh grades in school; the In-

termediate Society is limited to those

in the eighth, ninth and tenth grades,

while the Senior Society is for High

School juniors, seniors and graduates.

All to whom these requirements ap-

ply please accept this intimation as

a cordial invitation to become active

in one of these groups.

At the morning worship service

next Sunday, commencing at 11 o-

clock, the pastor will share with you

another contemporary message from

the inspired Books.

The message (the last of the series for the present) will be from the Book of Leviticus, and the theme will be one that is of vital importance to all of us in these times—"Get Right With God!" The adult choir will render the anthem, "Seek Ye the Lord" by Roberts. If you are a member or friend of Calvary, or if you are seeking a church home, come out and worship with us.

At the September meeting of the

Presbytery of Monmouth, held in

Cranbury last Tuesday and attended

by nine members of the Calvary

Church, the name of the new pas-

tor was placed upon the role of Pres-

bytery. The Presbytery of Mon-

mouth also arranged to install Mr.

Stewart on the evening of Friday,

October 9, at eight o'clock. An in-

vitation was extended to Dr. Will-

ard G. Purdy, of First and Central

Presbyterian Church of Wilmington,

Delaware, to deliver the charge to

the pastor. Further and more de-

tailed information concerning this

Installation Service will be given later.

Meanwhile, all members and friends

of Calvary are asked to keep this

interesting course. The camp was
held last weekend and was attended
by Patrol Leader Larry Hewlett of
the Beaver Patrol, his assistant, Don-
ald Garwood, and Patrol Leader
Russell Phelps of the Elephant Pa-
trol. Everyone had a swell time and
learned many fine points of overnight
camping and woodcraft.This coming week-end the entire
Troop will go out on an overnight
camp putting into practice the cam-
pcraft learned by the Patrol Leaders
last week.

The annual Father and Son Ban-

quet of the Troop will be held on
Thursday evening, October 8th, at
the Christ Church Parish House.
This event is the biggest of the Scout
year for this Troop. It marks the
beginning of a new year and the end
of the old and is the occasion for
the presenting of awards and promo-
tions earned by the individual Scouts
and the Patrols during the past year.A full program of Scouting is sched-

Mrs. Lavinia Miller Theis, of Riverton, is now living with her mother in Edgewater Park for the duration, while her husband, Captain H. T. Theis is serving with the U. S. Army Engineers in Alaska.

The members of the Women's Bible Class of the Calvary Presbyterian Church gave a surprise birthday party for Miss Clara L. Bishop last Thursday evening.

The many friends of Mrs. William H. Taplin, of Brooklyn, N. Y., formerly of Riverton, will regret to learn that she fell last week and broke her hip.

Ellsworth Stone, son of Mr. and Mrs. Vernon W. Stone, of West Broad Street, is attending Syracuse University.

Donald West, of Morgan avenue, entered the U. S. Marines on Wednesday.

Mr. and Mrs. Arthur Mandeville, Mr. and Mrs. Raymond Warner, Mr. and Mrs. Ezra M. Carhart, Jr., Mrs. Beulah Giles, Miss Dorothy Wolcott, and the Rev. and Mrs. Haney, will attend the Annual New Jersey Methodist Conference meeting at Ocean City, October 1st.

Buddy DeLaney's Orchestra, featuring Betty Parker and Bob Huston as vocalists, will play for the Victory Dance to be given by Department 46, New York Shipbuilding Corp., on Saturday evening at Local No. 1, Union Hall, Fairview, N. J. Mr. Huston was vocalist with Johnny Long's Orchestra until a few weeks ago.

Miss Jane Wolfachmidt and Miss Betty Hopper spent the last three weeks visiting relatives in Riverton, Dover and Millville, N. J. They have just returned to duty at West Jersey Hospital, where they are the first nurses in their class to graduate and wear white.

The K. of C. Auxiliary Sewing Group met on Tuesday at the home of Mrs. Herbert Schrank, of Linden avenue, to make layettes for the Needlework Guild.

WUNDER-THOMAS

Mr. and Mrs. Robert P. Thomas announce the marriage of their daughter, Margaret Parry Thomas, to Lieutenant Mark Benjamin Wunder, U.S.A., son of Mr. and Mrs. Benjamin L. Wunder, of Rochester, New York, on Tuesday, September 22.

The ceremony took place at the home of the Misses Susanna and Beulah Parry, 809 Main street, Riverton, and Dr. John D. Herr, pastor of Mt. Airy Methodist Church, of Philadelphia, officiated.

Miss Marion R. Hitchner and Mr. William M. Thomas were the couple's only attendants.

The bride graduated from Drexel Institute of Technology in June, 1942 and Lieutenant Wunder was graduated from Wharton School of Finance and Commerce, University of Pennsylvania, in June of this year.

CONVERSION FROM OIL TO ANTHRACITE

Q. What do I do if I want to convert from oil to anthracite?

A. Call in your local plumbing or heating contractor, or ask a coal dealer to recommend a contractor.

If you formerly burned coal and the grates are in the cellar, he will advise you the cost of removing the oil burner and installing the grates. In practically every case, this will be a very small item of expense.

If the old grates were not retained, he will take the name of the manufacturer and serial number of the boiler or furnace and order the grates and other parts.

Q. Can the manufacturer ship the grates promptly?

A. Immediate shipment can be made if ordered now. All boiler and furnace manufacturers report large inventories of grates.

Q. If my contractor advises me that the supports that hold up the grates were knocked off when the oil burner was installed, what can I do to convert?

If ordered immediately, your coal dealer or heating contractor can secure special grates and supports.

Q. Can I secure grates if I wait

until cold weather to convert?

A. There will be no assurance that you can secure immediate shipment of grates during the winter.

Metal priorities have been approved by the War Production Board, but if everyone waits, there will not be sufficient production facilities or labor available to make the installations.

Q. Can special oil burner furnace units be converted?

A. Your heating and plumbing contractor can determine whether the conversion can be made. Many boilers and furnaces were furnished for use with oil but provision was made for grates. 85 per cent of the total oil burner installations can be converted to coal.

Q. Can automatic thermostatic control be used with coal?

A. Yes. Thermostats and damper motors can be obtained from a coal dealer or heating and plumbing contractor, if ordered now. In some cases your present oil burner thermostat can be used with the addition of a damper motor.

Q. Can I have completely automatic heat with coal?

A. Yes. Some dealers have limited stocks of stokers available that can be obtained, if ordered immediately. Production of stokers was discontinued as of June 1, 1942.

Q. If I convert, what assurance is there that I can obtain coal?

A. An adequate supply of anthracite will be available before it is needed for heating purposes for oil burner customers who decide now to convert to anthracite. The delay in filling some consumer orders during the past few weeks has been due to the "buy now" coal campaign sponsored by the Government. These unprecedented shipments have moved to consumers' bins during the summer months a large part of the fuel usually purchased during the fall and early winter months.

Q. My bin was torn down when I installed oil. How much space is required to store a ton of coal?

A. Approximately 37 cubic feet for each ton of anthracite. In estimating storage for a season's require-

ments for anthracite, figure one ton of coal for each 200 gallons of oil consumed last year. Inasmuch as last year was 10 per cent warmer than an average year, add 10 per cent to your estimate.

Q. How do I find out the cost of converting?

A. From your plumbing or heating contractor.

Q. Can the cost of conversion and purchase of coal be financed?

A. Yes. Through finance companies or the F.H.A. Plan is available through many banks to finance the cost of conversion on a three-year payment plan basis, and a year's supply of coal can be financed over a one-year period.

Q. If I convert, what size anthracite should I use?

A. Stove, Egg, Chestnut or Pea, depending upon type and size of your furnace. Your coal dealer will advise you as to the proper size for your home.

Q. I have seen devices advertised to burn the small sizes of coal by using the oil burner blower for forced draft. Does the Anthracite Industry recommend this type of equipment?

A. No. On all equipment of this type tested to date, the grate area has been reduced to such a point that satisfactory heating results cannot be obtained. Furthermore, sufficient room is not allowed for ash accumulation and removal. Before purchasing specialized equipment to burn anthracite, home owners should make sure it has been approved by the Anthracite Industries Laboratory.

Q. Will conservation methods, such as: turning back my thermostat; increasing the efficiency of my heating equipment; installing weather stripping, storm-windows and insulation, reduce my fuel requirements sufficiently to insure healthful heat?

A. Weather conditions and other future unpredictable uncertainties of the emergency offer no guarantee that all possible conservation methods practiced can compensate for your reduced fuel oil supply. If you desire your home satisfactorily and healthfully heated, it can only safely be done by converting to coal.
