PRICE FIVE CENTS

4,000 OPERATIONS TO MAKE WATCH

It takes 211 parts, some so small that 50,000 can be placed in a thimble, and 4,000 separate operations to make a watch, Earnest A. Cramer told the members of the Rotary Club last week. The first division of time for the ancient peoples was night and day followed by other forms of passage of the seasons, hunts, battles, wars, phases of the moon and the like. The use of the shadow led to more accuracy in time keeping and later a rope made of dried grass was knotted and burned, each knot representing a period of time.

Probably the first timepiece as such was the Sun dial which was known in the Near East about 700 B.C., common in Rome as early as 300 B.C. with some evidence that it was known and used in China as early as 4,000 B.C. In the same period, about 100 B.C., the Calendar Stone was in common use in the Americas by the Aztecs and Incas and was most accurate. The clepsydra or water clock came into being about 200 B.C. but did not become popular until several centuries later and lasted well into the 18th century. Other time pieces such as the notched candle, lamp clock, sand or hour glass were used during this period.

About the 13th century clocks were made but were large clumsy affairs with huge weights. These were prevalent until the 16th century when the clock watch came into prominence. The clock watch, the original watch, was made by gunsmiths and locksmiths who were skilled artisans and were carried by guards or watchmen thus the name "watch" came into being. The first watches were not too accurate containing at first only the hour hand. The minute and second hands had been added by the 17th century. The first wrist watch was known as early as 1571, became popular in Europe about 1905 and was popularized by the American Doughboy in America during the first World War.

Extremely Accurate

Watches continued to gain in accuracy of time keeping until today we have a time piece at a low price that is extremely accurate. Styles and fashions influenced watch making during this period of perfecting them. According to Mr. Cramer, the 17th century watch was probably the most beautiful. The 18th century brought a fantastic period of designs, the 19th century was the Victorian period or period of classicism in design. The 20th century brought in a design that was more or less utilitarian with the older designs now gradually returning.

Prior to 1850 watches were expensive but with American ingenuity, machines and mass production techniques watches were made so that all could own one.

Time, "an unseen and noiseless traveler" was followed in its development by sound mechanisms. Mr. Cramer traced the "sentiment sound of time" from the early tomtom down to the well known alarm clock. Bella appeared on the old water clocks; the cuckoo was used as early as 1730 followed by spring type sound, and chimes which were first bell type and later, about 1875, were made in tube types.

Mr. Cramer had a large display of various time pieces with examples also of types of the earliest sound mechanisms.

Dr. P. Conner Hulse won the prize given by Mr. Cramer for Rotarian having oldest watch at the meeting with a watch over 140 years old.

NEW TEACHER

Walter Hulings, of Hainesport, has been named teacher of industrial arts at the Riverton Public School at a yearly salary of \$350 for one day's work per week.

ROTARY CLUB PLANS ATTENDANCE CONTEST

The Palmyra-Riverton Rotary Club has entered an attendance contest with the Woodbury and Gloucester City Rotary Clubs that starts this Thursday and ends at Thanksgiving.

The winner of the contest will be tendered a dinner by the two losing clubs at the Walt Whitman Hotel in Camden on Thursday evening, December 3rd, the regular meeting night of the local club.

A committee of three local Rotarians, consisting of C. B. Marple, J. W. Van Horn, and Joseph Seel, met with the committees from Woodbury and Gloucester Clubs last Friday evening to perfect the plans for the contest. Attendance records will be compiled weekly, and the score posted at the local club to keep the members informed of the progress of the race.

A. R. Gilmore, chairman of the attendance Committee, will be in charge of the contest for the Palmyra-Riverton Club, and a spirited race is contemplated.

DONATION DAY FOR HOSPITAL

Tuesday, October 31, has been designated as the annual Donation Day at Zurbrugg Memorial Hospital, Riverside. At this time both the Hospital and Nurses' Home will be open to the public and inspection of each is invited.

Donations from the various auxiliaries will be on display and there will be the usual food and apron sale. Bridge will be played during the afternoon, 35 cents a person and there will be a prize for each table. Any one wishing to make up a table is requested to notify Mrs. George C. W. Beck, Riverside 461 or call Mrs. Frederick Metzger, Riverton 0406.

As in former years, the Riverton Auxiliary will donate the winter supply of potatoes for the Hospital. Those wishing to give potatoes or money for their purchase is asked to contact any of the following officers of the Auxiliary: Mrs. Frederick W. Metzger, chairman; Mrs. Joseph J. Siddall and Mrs. Joshua W. Atlee, vice chairmen; Mrs. E. M. Carhart, Jr., treasurer and Mrs. Morris H. DeCoursey, secretary.

NAMED Y OFFICIAL

Lawrence R. Coolbaugh, teacher of social studies in the Palmyra High School, has been secured by the Burlington County Young Men's Christian association to act in a supervisory capacity for the work in the Palmyra, Riverton, Cinnaminson district. Mr. Coolbaugh has had considerable experience in Boys' Work, particularly in relation to the church and scouting. Mr. Coolbaugh resides at 1020 Columbia Ave., Palmyra. This announcement was made by County Secretary Clifford W. Ergood, to take effect immediately.

WOMAN'S EXCHANGE WILL BE STARTED

The Woman's Club of Palmyra will open a Woman's Exchange in the Club Room, 305 East Broad street, October 5.

The Exchange will be open the first and third Monday and the first and third Thursday of each month. Anyone interested is invited to sell through the Exchange. 20 per cent of the selling price goes to the Club. 80 per cent goes to the one selling. Food, handiwork, etc., will be sold.

Non-club members must have articles to be sold in the Club Room before 1:30 p.m.

Use paper plates and boxes wherever possible. The exchange will not be responsible for returning dishes.

Anyone selling through the Exchange must be responsible for getting articles to the Club Room, and for taking home unsold perishable

PORCH CLUB SPEAKER

Rev. Imre Kovacs

On Tuesday, October 6th, the Riverton Porch Club will hold its annual fall luncheon at 1:00 p.m. Members will please notify Mrs. Clarence Rodman, telephone 1153, for reservations.

After a short business meeting and musical selections by Marjorie Chloe Wilson, the club will hear a talk by the Rev. Imre Kovacs, pastor of the Hungarian Reformed Church in Phoenixville, Pa.

Mr. Kovacs is no stranger to the community. A great traveler, student, and nationally famous speaker, his subject, "The Challenge of being an American," should prove most interesting. Having been born in Hungary, now Yugoslavia, and having studied in Hungarian, Serbian, German, Rumanian, and American Schools, Mr. Kovacs is well prepared to make comparisons through his personal experiences and to show the true meaning of being an American, a privilege and a great challenge in the history of humanity.

HUGE PILE OF SCRAP COLLECTED IN PALMYRA

With all returns in, the Palmyra Salvage Committee, headed by Wesley P. Huyett, has collected between 40 and 60 tons of scrap metal. The large amount of material is stored in the rear of P.O.S. of A. Hall, Palmyra and the pile has reached vast proportions, articles ranging all the way from keys to auto engines, boilers and refrigerators.

Sealed bids were received Tuesday night from scrap dealers, who will cart the material away and process it for the steel mills.

The Giordano Waste Material Co., of Camden, purchased the scrap for the sum of \$400.

Church Anniversary

In the presence of the Most Reverend William A. Griffin, Bishop of Trenton, Solemn High Mass was celebrated at the Sacred Heart Church, Riverton, in honor of the Fiftieth Anniversary of the building of the present parish church.

The Mass was said by the present pastor, the Rev. William F. Quinn, assisted by the Rev. Stephen I. Buividas, former member of the parish; as deacon, the Rev. Edward A. Hayes, of St. Augustine's Church, Ossining, New York, as sub-deacon; and Monsignor P. J. Hart, V. F. of St. Peter's Cathedral, New Brunswick.

The Rev. Francis J. Coan, curate of the parish, and Rev. Emmett Monaghan, secretary to Bishop Griffin, were masters of ceremonies.

The members of the Knights of Columbus of St. Joseph's Council served as a guard of honor to the Bishop. The Girl and Boy Scouts of the parish also were present in uniform.

The Rev. Lewis Hayes, of St. Paul Catholic Church and Rev. M. A. Konopka, of All Saints Church, Burlington acted as deacons to the Bishop. The sermon was given by Fr. Athanasius Nolan, O.M.C., Franciscan Father at St. Peter's Church, Riverside.

Many Attend

A large number of priests and Sisters from Burlington county and from the Trenton diocese were present at the service. The clergymen from the county were headed by the Very Reverend Edward A. Cahill, Our Lady of Good Counsel Church, Moorestown; Rev. Walter T. Doyles, St. Joseph's Church, Beverly; Rev. James F. McGrath, Our Lady of Perpetual Help Church, Maple Shade; Rev. Adolph Bernholz, O.M.C., St. Peter's Church, Riverside; Rev. M. J. Basco, St. Joseph's Home, Beverly.

Also among the guests included Monsignor P. J. Hart, St. Peter's Cathedral, New Brunswick; Rev. John Sullivan, C. S. S. R., Sacred Heart Church, Baltimore, Maryland; and Rev. Arthur D. Hamilton, C. M., of St. Joseph's College at Princeton.

Bishop Griffin spoke of his previous visits to the parish and of the great work accomplished by the pastors and its parishioners of years ago. Father Nolan, in his sermon related many historical facts of the parish.

A memorial booklet has been issued in honor of the celebration of the event and being distributed. It includes many illustrations and a history of the parish and its organizations. It also contains photographs of 90 of the 106 members of the parish serving our country.

TIRE COMMITTEE WILL MEET THURSDAYS

Beginning in October, the Automobile and Tire Committees of the Burlington County War Price and Ration Board No. 4, Palmyra, will meet on Thursday evenings of each week instead of Friday as heretofore.

The first meeting of these two Committees will be held on Thursday, October 1, from 7:30 to 9:30 p.m. and on each Thursday evening thereafter.

FUEL OIL AND GASOLINE RATION

A general outline of the tentative plan for rationing fuel oil was given this week to War Price and Rationing Boards throughout the State. A bulletin from James Kerney, Jr., State Director of the Office of Price Administration, described the information as subject to change and "merely for the purpose of acquainting rationing boards with present information on the rationing of fuel oil."

According to Kerney's bulletin coupon rationing of fuel oil in 30 Eastern and Mid-western states and the District of Columbia probably will begin October 15, "but will cover all oil used after October 1."

Up to September 30, the bulletin points out, the householder was permitted to purchase up to 275 gallons of fuel oil without the use of coupons, but beginning October 1, a householder may buy oil only if he agrees to surrender to his supplier the necessary number of coupons when they become available.

When a plan for rationing registration is completed householders will secure coupon ration sheets from rationing boards, and will fill out application forms giving detailed information about their dwellings and furnaces. On the basis of this information and other relevant factors the board will decide how much fuel oil to allow to each applicant.

Kerney said a date for the distribution of fuel oil ration coupons would be announced as soon as the plan was ready to be put into operation.

Gasoline

State OPA headquarters also gave rationing boards a plan for the distribution of new supplemental B and C gasoline ration books to replace those which expire on October 22.

According to the distribution plan holders of B and C books which are due to expire on that date will receive by mail a simple one-page form entitled "Supplementary Information for Renewal of Gasoline Rations." On this form the applicant will be required to enter his speedometer reading, the number of occupational miles he has driven during the last 60 days, his estimated occupational mileage for the three months beginning October 22, and whether he has changed his address, occupation, or car-sharing plan since his original application.

Enclosed with this form will be a postal card on which the applicant must write his name and address, and an envelope addressed to the board in which he may return the application and the card. The card will be used by the board to notify the applicant when he may come and pick up his ration book. When he does so he will be reminded that the rationing regulations require him to return his old book five days after its expiration together with any unused stamps it contains. He will be permitted to return the old book by mail.

PALMYRA WOMAN'S CLUB

The Woman's Club of Palmyra will open its Fall season on October 5, with a luncheon at 1 p.m., in charge of Mrs. C. Francis Voorhis, after which Mrs. James Ryan, president, will preside at the business meeting. At the close of the business meeting the guest speaker will be Mrs. Esther Cole, Director, Consumers' Relations Bureau, Gimbel Brothers, will give a very interesting, as well as entertaining talk.

Members are asked to bring their last year's program with them at which time Mrs. Ryan will explain how this same book will be used for the 1942-1943 program.

Please make luncheon reservations with Mrs. Rowan not later than Friday, October 2.

PALMYRA SCORES FIRST BUT LOSES OPENING GAME

The Palmyra High School grid machine threw a real scare into Collinswood during the first quarter of the season's opener last Saturday afternoon when Stow passed 35 yards to Bauer, the latter going over for a touchdown.

This situation, however, seemed to touch off the spark needed to get the heavier and more experienced Irvine machine into high gear, since the opposition came back in the second period to score a brace of six-pointers and go on to win by the score of 31-6.

The charges of Coach Curtis, in view of the formidable nature of the opposition, got six first downs as compared with eight for the winners. Had the Red and White been able to stop Pims, enemy back, who romped into pay territory on two occasions after long runs, the picture would have been entirely different.

HOW TO CURE CASES OF "WAR JITTERS"

MISSING IN ACTION

"Good morning! How are your jitters today?"

There's a greeting many a neighbor might use these days. But that's to be expected. Psychologists—experts on what makes your brain work—will tell you that in war time people like you and me are much more inclined towards nervousness and irritability than in times of peace.

But every time you let the jitters get the best of you, you're doing the work of the enemy; you are helping Hitler and Hirohito. These jitters may affect different people in different fashions. Some grow quarrelsome, get angry quickly, continuously want to argue. Others grow sullen and quiet, imagine that they are being continuously insulted, want to get off by themselves, sulk like a baby. Still more find it hard to think coherently, have difficulty in selecting words, stammer and do not understand what is said to them; have to have the same things said to them three or four times before their mind seizes upon the idea.

They're crabbed, irritable and just plain-nasty. When you can see the jitters in somebody else, they're easy to understand—and you can pity that person for allowing his nerves to get the best of him. But can YOU see them in YOURSELF?

Music Best

If you can, what are you going to do about it? There are several things—and one of America's leading psychologists says that your own worst enemy is—yourself. You spend more time with yourself than anyone else.

If you're going to walk down the street, sit in the bus, stretch out in bed and think about all the unpleasant things you can imagine, then you're developing a swell attack of jitters. Yet there's one easy way to overcome all of this. It's music! You don't need a band or an orchestra, or even a radio, to supply that music. You hum it, or whistle it to yourself. The tune you like most. Hymns, songs, operas, and as soon as you can get your mind off your own private music you're feeling better! Try it!

And best of all—as the Health and First Aid Committee of the Riverton Defense Council points out—you are steering yourself away from an illness which may necessitate the valuable time of a doctor with hundreds of patients who are really far more physically sick than you. So start the fight against the jitters with music instead of calling on your doctor —add if you must call on him, either by phone or in person, do it in a hurry! He's busy.

RIVERTON DROPS FIRST GAME IN LOOP PLAYOFF

After leading for eight innings Riverton weakened in the ninth and dropped the first game in the Burlington County League playoff series to Riverside Sunday afternoon at Memorial Park, the final score being 4-3. The second engagement will be played on the winner's field this Sunday.

After Riverside had tabbed a marker in the initial stanza, the locals came back in the fifth to dent the rubber twice. There was no further scoring until the final ninth, when Bauer, Riverton hurler, issued three passes. A single brought in one run but another was nipped off at the plate. A triple by Dyer, Riverside catcher, brought in two more. Riverton nearly tied the affair in their last stand as Brewster doubled and came in on Walton's hit, but Heimach, winning pitcher, braced at this point and ended the rally.

The losers collected eight hits as compared with nine for Riverside. The next game should attract a large crowd, since Riverton must get the decision in order to stay in the running for the championship.

NAME SCHOOL JANITOR

At a special meeting of the Riverton Board of Education held on Monday night of this week, Hans P. Kjar, of Cinnaminson street, Riverton, was appointed janitor of the public school for the current year at the rate of \$1800 per annum. Mr. Kjar was employed for cleaning work at the school at the rate of 40 cents per hour on the basis of a 15 hour week.

The action of the board followed the recent resignation of the two former janitors, Walter Armstrong and George Carnie.

Be a Life Saver

Burlington County has an enviable
reputation. We are tops in volun-
teer accomplishments.The government is asking for
thousands of units of human blood
to be used in transfusions to save
lives of soldiers, sailors and civilians,
suffering from injuries, hemorrhage,
and burns. The Red Cross Blood
Donor Service is the answer to this
request. Let Riverton do her part

CONVERSION FROM OIL
TO ANTHRACITEQ. Why doesn't the government
prescribe prices which junk dealers
will pay for scrap?A. There are too many factors in-
volved to make this practical. The
value of junk in a house or on a farm
depends upon its condition and the
cost of transporting it to market.
Naturally, the price ceilings limit the
amount which junk dealers can af-
ford to pay.Q. Why doesn't the government
collect junk?A. The government is collecting
scrap iron and rubber on farms
where junk dealers are not normallyavailable. In most places the collec-
tion problem does not warrant es-
tablishing a government-operated
system.Q. Does the government want gifts
of scrap materials?A. The government prefers that
gifts of scrap be made to local chari-
ties, service organizations or De-
fense Councils. If you wish to help
the government with your scrap,
sell it to a junk dealer and buy War
Stamps or Bonds with the proceeds.

Q. Can anyone collect scrap?

A. The more people who collect,
the better. No one has an exclusive
right to collect. However, in order
to avoid conflict and confusion all
volunteer collections should be di-
rected by the Salvage Committee of
the Local Defense Council, or, if a
rural area, by the County U. S. De-
partment of Agriculture War Board.
Q. What is being done about aban-

doned trolley rails, bridges, etc.?

A. The Bureau of Industrial Con-
servation assists where legal or finan-
cial obstacles prevent scrapping. The
Bureau welcomes reports of aban-
doned materials, giving estimated
amount, location, ownership and
problems involved in scrapping.Q. Are there any scrap materials
that are not wanted for war produc-A. We must eliminate as much
waste as possible. However, it is
impractical to collect certain things
and from place to place, and time to
time, it is better not to burden trans-
portation facilities with some waste
products that can be better supplied
by regions near consuming plants.
The best criterion of whether to col-
lect a given material is whether or
not the local junk dealers can dis-
pose of it.WE WAR BONDS

BETHANY EVANGELICAL LUTHERAN CHURCH
Broad Street and Morgan Avenue
The Rev. Harold Lee Rowe, Pastor
Sunday, October 4—The 18th Sunday after Trinity.

Bethany's Sunday program begins with the Church School Session at 10 a.m. There is a class for every one who cares to come. The Young Men's Class will have its first meeting in the church at 10. A study of various books of the Bible with their meaning and message for the day will be studied. All the men of the church are invited to share in this study hour.

At 11:00—the Service. The chief worship service of the day, will begin. Holy Communion will be administered in keeping with World-Wide Communion Sunday in all Protestant churches. Every member should make an honest effort to receive the sacrament during this day. Bethany's Nursery will take care of your children during this hour. Bring them and spend the hour in communion while your child is taken care of by competent teachers.

At 6:45 The Intermediate Luther League will meet for the first meeting of the fall season. Mrs. Rowe will be the supervisor of this group and the sessions will be built around worship discussion and music. If your child is not enrolled in the Children of the Church, he should be coming to this group. The church is happy to offer you this opportunity for Christian development and training for your children and hopes that all parents will respond.

8:00—Vespers, at which time the pastor will speak on the sermon, theme, "Ways of Tempting Christ." The Holy Communion will be administered at the close of this service. Your church offers you an hour of rest, worship and refreshment. Will you accept and attend?

At 9:00 the Luther League will meet at the home of Mrs. Paul Calkin. Virginia Frank is leader. All young people are invited.

Coming Events—
Next Sunday, October 11—The Festival of Harvest. Gifts and donations of fruits and vegetables will be brought to the church and dedicated at this service for the Treasurer Orphan's Home, Louisville, Pa. All donations should be brought to the church Saturday afternoon or evening. The church will be open for your convenience. Give as you have received.

"Unreality" is the Lesson-Sermon subject for Sunday, October 4, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting." (Gal. 6:8)

Among the Lesson-Sermon citations is the following from the Bible: "Love not the world. If any man love the world, the love of the Father is not in him." (1 John 2:15)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Hold thought steadily to the enduring, the good, and the true, and you will bring these into your experience proportionably to their occupancy of your thoughts." (p. 261)

CENTRAL BAPTIST CHURCH
5th St. and Maple Ave., Palmyra
Rev. S. Dan Morgan, Pastor

World-wide Communion will be observed this Sunday, when every Christian of all denominations is asked to participate. This is a movement by the combined churches throughout the land in an effort to establish peace among individuals through a band of Christian fellowship united in the one purpose of rededicating themselves to the cause of righteousness and acknowledging the Divine Sacrifice made for them in order that they may be assured eternal life. It is very fitting that every Christian, whatever their creed may be, participate in this Holy Ordinance. If you are without church affiliations, Central Baptist invites you to join them.

Services, Sunday, October 4—Bible School, 10 a.m.—This Sunday will be promotion day which precedes Rally Day. Classes from the Cradle Roll to the Junior Department will be advanced and new classes formed.

Plans have been completed for Rally Day which is expected to be the largest in the history of the school. The school will convene at the usual hour of 10 o'clock. At 10:30 the school will adjourn to the church auditorium where the exercises will take place. This will be a combined Rally Day and church service, lasting until 11:30.

CALVARY PRESBYTERIAN CHURCH
Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor
A few weeks ago the pastor of the Calvary Church received a letter from a friend in the embattled British Isles. Among other things it contained this observation, "Everything here is getting worse and worse except the people—they are getting better and better. They are learning how to live together." That is a significant observation, and it is just as true of the people of America as it is of the people of Britain. We too are learning how to live together.

Next Sunday morning the church family of the Calvary Church will join with Protestants of all denominations throughout the world in the celebration of World Wide Communion. Many new members will be welcomed into our church fellowship, and all of our members are earnestly requested to be present to welcome them, and to receive the blessings of the Sacrament.

A communion preparatory service will be held in the church sanctuary on Friday evening, commencing at 8 o'clock.

Other times and dates that ought to be marked clearly on the calendars of all Presbyterians are as follows: Sunday morning at ten o'clock, church school and Ladies' Bible Class "Sunday at Seven" Meeting of the Junior, Intermediate and Senior C. E. Societies. (There was an excellent attendance last Sunday evening in spite of the stormy weather)

Wednesday, October 7, Meeting of the Women's Missionary Society at 3 p.m. Address by Mrs. Robert Carson, who is in charge of juvenile delinquency among young girls in Philadelphia. She will speak to the younger generation.

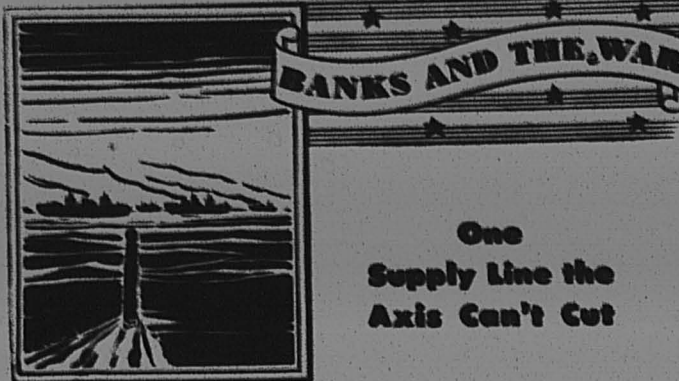

Friday, October 9, Installation of the Rev. Robert B. Stewart by the Presbytery of Monmouth. The service will commence at 8 p.m., and

attended by all who are interested, irrespective of denomination.
Wednesday, October 14, The monthly meeting of the Semper Fidelis Bible Class will be held at the home of Mrs. Minnie Kendall, 617 Thomas Avenue, commencing at 8 p.m.

The lowest tax rate for 1942 in Burlington County is that of Bordentown Township, \$2.14.

CARD OF THANKS

May we take this opportunity of expressing our sincere appreciation for the many acts of kindness shown during our recent bereavement, and especially to those who sent cars and flowers to the funeral.
Jacob D. Stroblein and Family
Mrs. Catherine Fowler and Family.

All the submarines in the German navy can't cut this supply line, even though they would very much like to. Credit, we're talking about. Direct lines of bank credit extend from America's banks into tens of thousands of business concerns engaged in war production. This credit keeps production rolling. It is vital to our entire war effort. You will find a plentiful stockpile of it at this bank, ready for use. What are your needs?

NIGHT EYES FOR ATTACK

Here is the Great Horned Owl, nocturnal bird of prey, lord high executioner among birds! His vision is keen in the dimness of night and he makes the most of it. He sights his quarry from his perch in a tree and swoops down upon it with uncanny silence and swiftness of flight. He needs little light to guide him.

"DAY EYES" AT WAR

Human eyes need GOOD LIGHT for clear vision. Now, probably more than ever before, eyes are used in prolonged close vision at night. Many of you are doing work at night which contributes to the war effort. It is important that you maintain good lighting in your home to safeguard eyesight. Good eyesight is a precious asset in war time. Do nothing that lowers the lighting standards you have established in your home!

BRIEF ITEMS from ABOUT TOWN

Mr. and Mrs. Charles Russell, of Elm avenue, Riverton, are receiving congratulations on the birth of a son, William Albert, on September 20, at the Zurburg Memorial Hospital, Riverside. Mrs. Russell is the former Margaret Holvick.

The newly elected cheerleaders at Palmyra High School are Jean Ferguson, Ida Craven, Dolores Stephens, Peggy Zwick, Mary Shroetter, Jack Messenger, Warren Guyes, Russell Farrell, William Engle and Maurice Allen.

Four new "K" class sailboats are at the Riverton Yacht Club, arriving here Friday. Two were overturned during the storm Sunday night and one broke away from the mooring.

A Card Party sponsored by the Cinnaminson P.T.A. will be held on Friday, October 2, at the East River Fire House. Refreshments will be served. Admission 35 cents.

The Ladies Aid Society of Calvary Presbyterian Church will hold a covered dish luncheon October 7th at 1 p.m. The dated plates are to be brought in at this time.

The Palmyra Junior Women's Club will hold its regular meeting on Monday, October 5, 8:15, at the Club House.

A very interesting program has been planned by Miss Marion Rapp of the Art Department. The speaker of the evening will be Mr. Metzler of the Eastman Kodak Company, who will speak on "Color Photography."

Lt. Richard L. Lilley has been visiting his parents, Mr. and Mrs. A. E. Lilley, of Thomas avenue. Lieutenant Lilley recently received his commission at Fort Benning, Georgia, and is now stationed at Camp House, Texas.

Mrs. John Frehafer returned to her home on Thomas avenue last week after spending the summer at Seaside Heights.

Robert Lilley, son of Mr. and Mrs. A. E. Lilley, of Thomas avenue, is attending the Millard School at Washington, D. C., where he is preparing for West Point.

W. H. Cooper and family, of 419 Thomas avenue, moved to Rancocas on Tuesday. The house will be occupied by its owner, George Willingmyre and daughter, following extensive alterations.

FREEHOLDERS FIRE WORTHINGTON, BUT KEEP STOUT JOB

Burlington County's three-man Board of Freeholders had a hectic session Monday.

The board has been reduced to three members by the induction into the Army of Norcross and Jones. The remaining membership is composed of the recently renominated "Harmony" Republicans Chant and Church and Good Government Freeholder Price.

At Monday's meeting, the Harmony Freeholders abolished the job of Irving R. Worthington, of Riverside, who worked for the Good Government ticket in the primary.

Worthington had been appointed Supervisor of Bridges back in the days before Freeholder Chant changed from the Good Government to the Harmony Group. In January the Harmony group put the bridge department under the road department and demoted Worthington to assistant to the Supervisor of Roads, Louis McFarland, one of the Har-

mony leaders. Worthington received \$2600 a year. Chant and Church voted for the resolution, with Price opposing.

Save Stout's Job

Freeholder Price then offered a resolution abolishing the position of Inspector of Highways and Bridges, held by Charles R. Stout, a Harmony appointee, who receives \$3200 a year. Stout's job was created in January of 1940 as part of a deal under which Stout had withdrawn his candidacy for freeholder in the fall of 1939. It has often been asserted that Stout performs virtually no services for his \$3200.

Price's resolution received no second from either of the two Harmony Freeholders and Stout remains on the payroll.

Price also offered a resolution that the salary of Mario Farias be withheld until an investigation be made as to whether he was giving the county the services his position calls for. Farias receives \$1500 a year and travelling expenses as special investigator and collector for the county institutions.

Denies Serving Clerkship Price alleged that Farias was serving a clerkship in the office of Powell and Parker, leading Mount Holly law firm, at which he was obligated to spend eight hours a day, and consequently could not be giving the county much of his time. Freeholder Church and Chant re-

used to consider this resolution also and Farias retains his job. After the meeting Farias appeared and denied he was serving a clerkship.

MANY DRIVERS IGNORE NEW SPEED LIMIT

The nation-wide appeal for reduction of motor vehicle speeds below 40 miles per hour has produced slower speeds on nearly all highways where tests have been made, but more than half the drivers in several states still exceed the recommended limit.

This conclusion, reported yesterday by the Keystone Automobile Club, is based on speed measurements made by the Public Roads Administration of the Federal Works Agency and by State highway departments in 10 States.

The studies show that average speeds of traffic are 2 to 5 miles an hour slower than before Pearl Harbor on sections of highway in Nebraska, South Dakota, Virginia, Wisconsin, Arizona, Maryland, Missouri and South Carolina. Reductions were greatest in the first four states.

More than half the drivers of vehicles exceed 40 miles per hour at the places studied in Arizona, California and Missouri. Illinois and South Dakota barely escape this classification.

After "War Speed 40" signs were posted on several sections of road in Arizona in June, average speeds dropped from 50 miles an hour down to 45.

In California, only 29 per cent of all vehicles were traveling within the

40-mile limit in November, 1941, compared with 48 per cent in May, 1942. This check was made "at numerous locations on the open highway."

A compilation of accident statistics made by the Club for the first six months of the year shows a decrease of 21 per cent in fatalities in Pennsylvania, a 17 per cent decrease in Maryland and no change in the number of killed in New Jersey. The totals for Jersey in the same period in 1941 and 1942 were identical, 401, although there was a reduction of five in the month of June.

WILL INSTALL CHURCH PASTOR

Rev. Robert B. Stuart, pastor-elect of the Calvary Presbyterian Church, of Riverton, will be officially installed by the authority of the Presbytery of Monmouth on Friday (tomorrow) evening.

The service of installation will be held in the Calvary Church auditorium.

The presiding officer will be the Rev. C. M. DeBoe, recently elected Moderator of the Presbytery of Monmouth, who will propound the constitutional questions.

Rev. Stanley K. Gambell, of Hightstown Presbyterian Church, will preach the sermon. His topic will be, "Foundations that have not crumbled." The charge to the congregation will be delivered by Dr. K. Palmer Miller of Delanco, while Dr. Willard G. Purdy, pastor of the First and Central Presbyterian Church of Wilmington, Del., will deliver the charge to the pastor.

Other ministers taking part in the service will be Rev. Wayne Walker of Long Branch, N. J., Dr. G. G. Horn, of Freehold, N. J., Dr. J. Shuckelford Daurey of Moorestown, Moderator of the Synod of New Jersey, and Dr. Alexander Mackie of Drexel Hill, Pa., president of the Presbyterian Ministers' Fund.

Dinner will be served to the visiting ministers and their wives at 7 o'clock.

All members of Calvary, and all interested friends are cordially invited to attend this service of installation tomorrow evening at 8 o'clock.

The Porch Club

On Tuesday, October 13, Mrs. George Emerson Barnes will be guest speaker at the Porch Club. Mrs. Barnes' book reviews and highlights on current plays have always proved most popular. This fall they will be particularly so, with the many new books written and plays produced recently.

Tea will be served by Mrs. John G. Abell, chairman of literature and her committee.

THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, OCTOBER 8, 1942

PRICE FIVE CENTS

ATTENTION, BICYCLE RIDERS

A State Law forbids more than one person riding on a bicycle. This prohibits carrying others on handle bars, luggage racks, etc.

Despite this law and frequent warnings by police, many juvenile cyclists persist in carrying one or more passengers.

Although no serious accidents have occurred recently, it can only be a question of time before one happens, unless cycle riders observe the law.

Police state that parents should cooperate in this matter by warning their children never to ride with any one else on their wheel.

If proper cooperation is not obtained, there is no other course open to law enforcement officials but to arrest the offenders. This, incidentally, might teach a lesson that would prevent a serious accident at a later date.

DONATION DAY OCTOBER 13

Tuesday, October 13, is the Annual Donation Day at the Zurburg Memorial Hospital. The Riverton Branch will again donate the winter supply of potatoes. Any one wishing to give potatoes or money, please contact Mrs. Frederick W. Metzger, chairman, telephone 0406 or Mrs. Joseph J. Siddall, telephone 624 and Mrs. Joshua Atlee, telephone 0613, vice chairman.

The Hospital will be open for inspection on October 13th and donations from various auxiliaries will be on display during the afternoon. There will be bridge, 35 cents a person, at 2:00 o'clock. Anyone wishing to play or to make up a table, please call Mrs. George C. W. Beck, Riverside 461 or Mrs. Metzger in Riverton.

Three pay heavy fines. Having participated in the arrest of W. F. Ash, of Bridgeboro, about two months ago and knowing that he had his driving license suspended for 90 days, Officer John Robinson, of the Riverton police was somewhat surprised to see Ash at the wheel of a car on Saturday evening of last week.

Ash upon being taken into custody, Ash produced a driver's license that had been loaned to him by E. C. Tompkins, also of Bridgeboro. This generosity put Tompkins into trouble as did that of C. W. Ogden, of Florence, who had loaned the car to Ash, although it was alleged he knew the latter had been denied the privilege of driving.

Robinson arrested Tompkins and Ogden on warrants Sunday and they with Ash were given a hearing before Recorder William H. Bottger, with the following results:

Ash was fined \$100 for driving a car after suspension of his license. Ogden was assessed \$50 for allowing Ash to drive his car and had his license suspended.

Tompkins was fined \$25 for loaning his license to Ash.

FATHER—SON BANQUET The Annual Father and Son Banquet of Boy Scout Troop No. 50, of Riverton, will be held in the Parish House of Christ Church Thursday evening, October 8, at 6:30 p.m.

A fine dinner will be followed by an interesting program. The principal speaker will be Commander J. B. Ryan, of Palmyra, who will bring a real message to the Scouts and their Dads.

Scout Officials expected to be present are: Chief Executive George Darlington, chairman of the Riverton-Palmyra district committee, Henry DeHoll, and District Commissioner Graham Lore.

This event is destined to become the biggest thing in the Riverton Troop's yearly program and the Troop Committee headed by Aubrey Hewlett has been doing a fine job in preparing the entire evening.

The first thing that will happen in Germany when Hitler is defeated will be the establishment of a free press.

MUSICAL REVUE HAS LARGE CAST

"Listen, Mr. Speaker" a patriotic is to be presented on October 16, 17, 21, 23, in the Palmyra High School Auditorium. The story and lyrics were written by Jean Byers, author of "On Our Way" which was so successfully presented in the Palmyra High School Auditorium two years ago. The music written for "Listen, Mr. Speaker," was composed by Ewing.

The cast includes faculty members, students and townspeople. The introduction is by Leonard R. Baker, president of the Board of Education, with the cast as follows: Mr. Candidate—Earl Rowe and Mr. Hughes; Henchman—Mr. Palmer; Mr. Smith—Edward Moore; Mrs. Smith—Ruth Seebler; Betty Smith—Lisa Stein; Johnny Smith—Larry Hewlett; Reporter—Florence Stephens, Robert Strahan; Man who prayed—Mayor Ward; Photographer—Fred Sisley.

The Plot

The plot develops when a public gathering breaks up and the people wander home as a very dull and boring political candidate finishes his speech on democracy. Only one family remains, each member of which offers his or her attitude toward democracy. The speaker becomes quite interested in this discussion and after it is over gives another speech. However his second speech is one that touches the hearts of the people and seems to satisfy their needs. Around this plot is built a stupendous production requiring time, patience and ability from those offering their assistance.

The entire theme is enlivened by colorful dances such as the Rhumba, a specialty and an interpretive dance, "We Want to March," "Song of America" and "My Home in My Little Hometown" are some songs found in the revue.

These, being rendered by the well-trained chorus of 100 voices, make the music an outstanding feature of the show.

This production has enlisted the services of many other individuals and committees who together are working toward what will undoubtedly be the largest production of the year. These are:

Director, Miss Diener; Dramatic Coaches, Miss Zeigler of the High School Faculty and Mrs. Strahan of the Footlight players; Scene Design, Miss Sawyer; Stage, Mr. Coolbaugh and Mr. Austin; Publicity, Mr. Miller and Mr. Emens; Tickets, Mr. Dare; Dances, Miss Mattison; Orchestra, Mr. Pew; Ushers, Miss McDonald; Programs, Miss

DREXEL OFFICIAL CALLED BY WAVES

Miss Anna Morgan Horner, assistant to the Dean of Women at Drexel Institute of Technology, has been commissioned an ensign in the WAVES.

She will report on October 6 to the Naval Training Station, Smith College, Northampton, Mass., for training. Miss Horner is a native of Palmyra, N. J., and the daughter of the late John G. Horner, of Burlington county. Miss Horner was graduated from Moorestown High School and received her B. A. degree from Wilson College, Chambersburg. She resided in Europe with her mother and sisters from 1931 until 1935 when she assumed her post at Drexel. Miss Horner's home in Philadelphia is at the Drake.

OUNCE OF PREVENTION WORTH POUND OF CURE

An ounce of prevention is worth a pound of cure is an old saying that has never been more important than today. This fact is being pointed out to the people of Riverton by the local Health and First Aid Committee of the Defense Council, in its drive to help take every possible burden off the shoulders of our remaining physicians.

Two weeks ago, the Council appealed to local residents to make a safety survey of their homes in an attempt to head off accidents before they happen so there may be no need to call in the doctor. And in this appeal, they very sensibly suggested that you and a friendly neighbor agree to survey each other's homes so that a stranger eye might pick up household hazards you yourself would overlook.

But in spite of that, suppose an accident does happen? Suppose someone falls down stairs or suffers a deep cut opening a can. Have you the knowledge and equipment to handle such an accident until the doctor gets there? It may be a long time, you know, before you can find a doctor. There aren't as many as there used to be. And every one of them is on the go from early morning until late at night. So, are you really prepared to render first aid for a broken limb, a severe cut? And do you know what to do for a sudden sharp stomach ache.

The local Red Cross is conducting training classes in First Aid for the home. Hadn't you better start assembling a First Aid kit that will be ready for an accident? Your doctor or druggist may be able to recommend such a kit already made up and which is so complete that it even includes a booklet of helpful instructions.

But above all else, try not to have any accidents which will necessitate calling in a doctor. He's so terribly busy these days that it's a patriotic duty to help stop him being called in to treat preventable cases. And if you must call upon him, don't make it a social call either at home, in his office or on the phone. He's in a hurry to get to the next patient—help him!

A soldier may die for lack of just one bullet, and it may be the scrap metal you didn't give which would have made that bullet.

GARY-CLARK

Mrs. Eleanor Miller Clark, daughter of Mr. and Mrs. Edgar W. Miller, of Riverton, was united in marriage with Mr. Marion Benjamin Gary, of Philadelphia, son of the late Marion B. Gary and Mrs. Gary of Richmond, Va., the ceremony being performed at the home of the bride's parents, 405 Lippincott avenue, on Saturday afternoon of last week.

The couple met a few years ago at a meeting of the Thursday evening group sponsored by the Second Presbyterian Church of Philadelphia and they naturally turned to the Rev. Hugh Bean Evans, pastor of that church to perform the wedding ceremony.

While the wedding was attended only by the immediate family, many friends were present at the marriage reception which followed at the Miller home.

After the reception, Mr. and Mrs. Gary left for a wedding trip to New York City. Upon their return they will reside in Germantown.

Mr. Gary, formerly of Richmond, Va., is connected with the Girard Trust Company, of Philadelphia.

ENGAGED

Mr. and Mrs. Ralph J. Lundrigan, of Greene street, Germantown, have announced the engagement of their daughter, Patricia, to Lieutenant (j.g.) Richard M. Barclay, son of (j.g.) Richard D. Barclay, of 205 Lippincott avenue, Riverton.

CARD PARTY

A card party will be held in the Riverton Fire House, Riverton, on Thursday, October 15, at 8:30 p.m., under the auspices of the Burlington County Firemen's Ladies Auxiliary.

The affair will be in charge of Miss Florence O. Saar, of Palmyra, president of the county firemen's auxiliary. Tickets for the annual event may be had at the Riverton fire house or from any member of the firemen's auxiliary throughout the county.

MACHINE WORKS OPENS PLANT IN RIVERTON

The garage building at Broad and Fulton streets, formerly occupied by the Koppenhaver Motor Co., has been purchased by Palmyra Machine and is already engaged in turning out parts for submarines and machine guns under government contracts.

The company has been in business for over a year in Palmyra but moved to the new location to permit room for expansion. Mr. Waters stated that he expects to employ two shifts of men numbering ten each.

In addition to its war contracts the company is equipped to make dies, tools, production, jigs and fixtures.

SURPRISE BLACKOUT TEST

All of New Jersey was blacked out last Friday evening in a surprise test and local civilian defense units swung into action for the first time since the latter part of August.

According to reports all phases of the test were handled smoothly in Riverton, Palmyra and Cinnaminson. There were few violations reported in

this section.

The blackout period was officially listed as lasting 24 minutes.

Some confusion was caused at the conclusion of the test by the fact that electric street lights were turned on before the all clear signal was received at control centers in this section.

Evidently Public Service officials received the signal at the proper time, but for some unknown reason the all clear did not reach Palmyra, Riverton or Cinnaminson until about 10 minutes after the street lights came on.

Many residents turned on their lights as soon as they saw the streets illuminated, without waiting for the sirens to sound.

HADDONFIELD HERE

Palmyra will play the second home game of the grid season on Saturday afternoon of this week with the affair getting under way in the local stadium at 2:30, Haddonfield being the opposition.

The charges of Coach Curtis seem to have a good chance of racking up their first win, since their next opponents were soundly trounced by Bridgeton last week.

The Red and White squad has shown a great deal of improvement since the season began and the experienced reserves are rapidly acquiring the smoothness of veterans.

RIVERSIDE WINS TITLE

Riverside A. C. won the Burlington County Baseball League championship Sunday afternoon, taking Riverton into camp by the score of 5-1. The game, the second in the series, was played at Riverside, the new champs having previously defeated Riverton at Memorial Park.

Each team tabbed a run in the fourth stanza, but Riverside came back in the following inning to score three more and added another for good measure in the sixth. Riverton got seven hits off Heisler, the winning hurler, Carty and Durgin accounting for two each. The winners touched Diefenbaugh for nine.

Although Riverton did not win the title, the locals deserve a great deal of credit for winning their way into the finals, a feat that no other local team has been able to accomplish, at least not for a great many years.

PALMYRA LOSES

Audubon proved to be too strong for Palmyra last Saturday afternoon in the local stadium and the Curtismen dropped their second game in the current grid campaign by the score of 18-0. The winners pushed over a brace of six-pointers in the first quarter and added another in the third.

The first tally came after a Palmyra kick was returned from the Red and White 40 to the 8. It was taken over on the last down after the homesters put up a game last ditch stand. The second score came after a march of 43 yards and the third was produced in much the same manner.

CHANGING STANDARDS

CHANGES IN THE AMERICAN STANDARD of living brought about by priorities and rationing were inevitable. But whatever sacrifices must be made to insure victory, we all know that we are helping to win what we must and shall win—a continuance of our democratic fellowship of freedom.

THE HIGH STANDARDS OF SERVICE, so long maintained by this organization, have not been lowered. The restrictions in the use of construction materials has not prevented the making of beautiful, durable caskets of distinguished craftsmanship. We continue to provide appropriate funerals of fine quality at prices set by the families when they make arrangements.

Church Notices

CENTRAL BAPTIST CHURCH
Fifth St. and Maple Ave., Palmyra
Rev. S. Dan Morgan, Pastor

Rally Day will be observed at "Central Baptist" this Sunday with a full program. The significance and object of this observance is the gathering together of the entire membership and its resources for a united effort in the furtherance of the Bible school and church and its principles, in order that not only the individual but the community may be benefited. So, if you are a member, consider it your privilege and duty to be present to do your part. If you have no church affiliations, an invitation is extended to you to participate with us. The services of the day will be:

Bible School, 10:00 a.m.—The school will convene for the opening exercises and the compilation of the records and then will proceed to the church service.

Morning Worship, 10:30 a.m.—This hour is called to your attention as it will, for this occasion, be called at 10:30 instead of at the usual hour of 11 o'clock. The Pastor's subject of the sermon will be "Following the Beam." The choir will render the anthem, "O Lord, Our Governor," by Gladys. Mr. J. Russell Jermon, bass, will be the soloist of the morning. The service will be of one hour's duration.

B.Y.P.U., 7 p.m.—The Senior group will have a meeting of unusual interest and importance. If you are one of them, come out, and bring a friend with you. Immediately after the evening service, the young people will travel to the Moorestown Baptist Church for a Hymn-sing. You will enjoy this, too!

Evening Worship, 7:45—Those not attending the evening service miss a great opportunity for their own spiritual enlightenment and help, as the Pastor brings his message filled with practical ways of keeping "fit" under the existing conditions. "The Gospel of Human Destiny" will be the sermon subject. The choir's selection will be Stones "Jesus Thou Art Standing."

Wednesday, 8 p.m.—A Mid-week Prayer and Praise service, where you will meet Christian friends whose fellowship will be of mutual benefit.

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue
Palmyra, N. J.
Rev. D. Roe Haney, D.D., Minister

The first Sunday of the new Conference year in Epworth Church will begin with Church School in all classes and departments at 9:45; Church Worship at 11:00 and 7:45; and Youth Fellowship at 7:00.

While last Sunday was fittingly observed as Rally Day and World Communion this Sunday will give opportunity to put into effect our renewed consecration, and for those not accustomed to attending Church who did not start last Sunday to make a new beginning.

In the Morning, the minister will preach on "Marks of Christianity." The subject of the evening sermon will be "Another Challenge of Joshua."

Monday evening at 8:30 the Friendship Circle will have their regular monthly business meeting and social. The program for the evening is being arranged by Mrs. Lydia Strang and her committee. Prayer Meeting for all will be conducted by the Pastor Wednesday evening at 8 o'clock. He will continue the discussion of the Book of Romans and those attending are asked to read the Fourteenth Chapter.

The Junior Choir will meet for their rehearsal Friday afternoon at 3:45, and the Senior Choir at 7:45.

The Rev. Robert W. Mathews will address the class this Sunday.

RED CROSS NEWS

Two important groups will begin a new year's work this month and everyone who possibly can is urged to come out for them.

Surgical Dressings
Every Tuesday and Wednesday beginning October 13th, the Surgical Dressing room at the Public School will be open for workers from 9:30 to 1:00. Workers will please note that cleanliness is of the utmost importance. Please bring coverall apron, scissors, ruler and covering for the hair.

Sewing
The Red Cross sewing will start Monday, October 19, from 10:00 to 4:00 at the Public School and will continue every first and third Monday. Bring scissors and thimble. Lunch will be served for 25 cents. After the summer vacation we hope there will be a large and enthusiastic attendance. If you can't come for the whole day, come when you can and stay as long as you can.

Day Room at Dix
The Riverton Branch of the Red Cross would like to furnish one of the twenty-eight Day Rooms to be done at Fort Dix. If you have lamps, chairs, tables, or anything suitable, please notify Mrs. Frederick W. Metzger, telephone 0406, and the article will be called for.

First Aid
The advance class in First Aid will start October 13, Thursday evening, at 7 o'clock, at the Porch Club. It is important for those who have taken the standard course to complete their first aid training by enrolling in the 10-hour advanced course.

Mr. Russell Horn will instruct the class. Please register at the Red Cross office, call 0858, or with Mrs. Stewart Borger, 83-W.

Save a Life
Blood donors are urgently needed. Won't you contribute a pint of your blood on Nov. 4th. Sign up at the Welfare Office or phone any of the following Committee:

Mrs. Joshua Atlee, 613;
Mrs. A. H. Burns, 398
Mrs. F. W. Metzger, 406
Mrs. Charles Sims, 618-W
Mrs. Robert Gowell, 796-J
Mrs. David Gould, 901

PRIZE AUCTION
Beginning Saturday, October 10 and continuing for 10 weeks, free gifts for boys and girls will be auctioned off each Saturday matinee at the Broadway Theatre, Palmyra. Auction "money" can be obtained when purchases are made at the stores of several local merchants.

OBITUARIES

MRS. WILLIAM H. TAPLIN

Mrs. William H. Taplin, a former resident of Riverton, passed away on Friday, September 25th, in the Brooklyn Hospital.

Funeral services were held at the home of her daughter, Mrs. Gary Ryerson, of 1808 Newkirk avenue, Brooklyn, on Monday, September 28, at 1:30 p.m.

Mrs. Taplin was the wife of the late William H. Taplin, who was for many years with the Deere Nurseries.

WILLIAM H. ASPINALL

William H. Aspinall, 67, died on Friday, October 2, at 204 Delaware avenue, Palmyra, the residence of his sister, Mrs. Emma Hubbs, with whom he made his home.

Funeral services were held at the Snover Funeral Home, Palmyra, on Monday morning of this week, followed by High Mass at the Sacred Heart Church, Riverton, the Rev. William E. Quinn, pastor of the church officiating.

Interment was in St. Peter's Cemetery, Riverside.

NEW SPEED LIMIT SIGNS BEING ERECTED

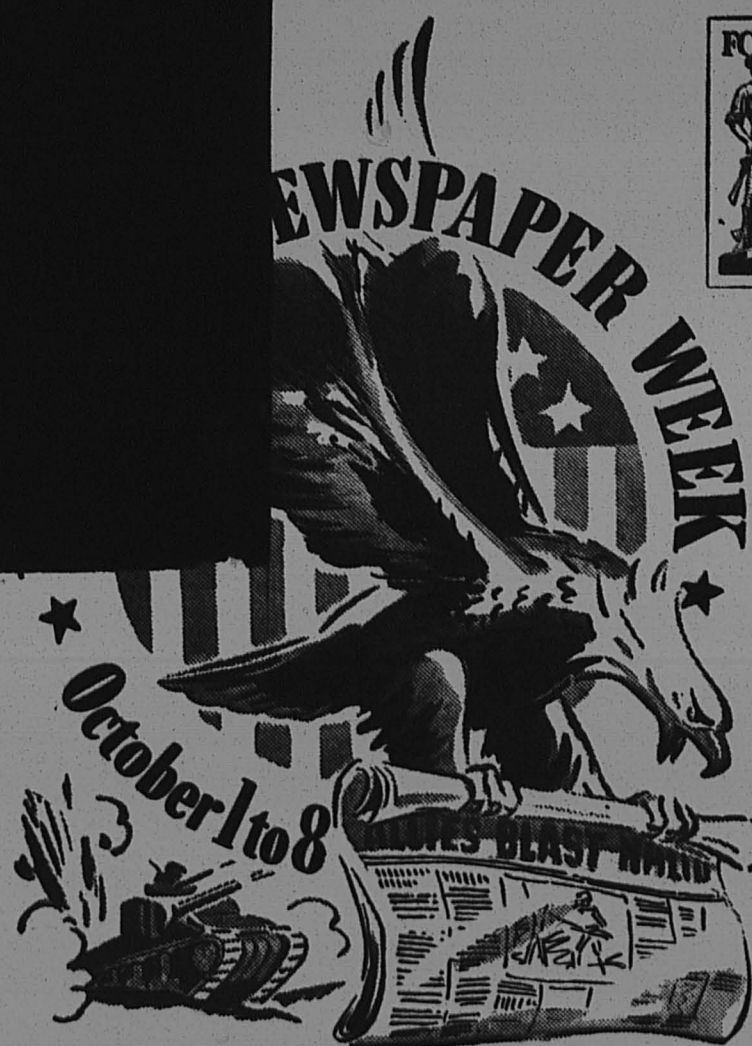

Erection of New Jersey's "War Speed—35 Miles Per Hour" signs was started this week by the State Highway Maintenance Department.

The warnings 18 inches by 24 inches, are of the design approved for State Highway Commissioner Spencer Miller, Jr., by Governor Charles Edison to enforce his regulations for rubber and gasoline conservation.

They will be placed at alternate locations on each side of the trunk highways and will be approximately one mile apart.

A total of 1630 placards will be required for the open country as they will not be carried into municipalities where local regulations compel slower speed.

"Despotism can no more exist in a nation until the liberty of the press be destroyed than the night can happen before the sun is set."—Colton.

We Salute the Press

In war as in peace, the newspaper is the guardian of America's Liberty. Americans will know the truth and the truth will keep them free so long as the newspapers of the nation retain their freedom.

In this world at war, American citizens are the best informed people on earth. With the exception of military information which might be of value to the enemy, you have in your newspaper all available important news in the world.

The newspapers are going all out for victory on every front. The help of the press in the sale of stamps and bonds has been of great importance. We are in a position to see the value of this work, as we have the privilege of serving our country by handling the sale of stamps and bonds at no cost to the United States Treasury.

"Are Sin, Disease, and Death Real?" is the Lesson-Sermon subject for Sunday, October 11, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "Salvation becometh unto the Lord: thy blessing is upon thy people." (Psalms 3:8)
Among the Lesson-Sermon citations is the following from the Bible: "For the Lord is our judge, the Lord is our king; he will save us." (Isaiah 33:22)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is the lawmaker, but He is not the author of barbarous codes. In infinite Life and Love there is no sickness, sin, nor death, and the Scriptures declare that we live, move, and have our being in the infinite God." (p. 381)

CALVARY PRESBYTERIAN CHURCH
Fourth and Lippincott Ave.
Riverton, N. J.
The Rev. R. B. Stewart, Pastor

The news from the Christian front is very heartening and inspiring this week. From all parts of the United States come glowing and enthusiastic reports of increased church attendance, a deepening spirit of consecration, and a growing desire on the part of Christians generally to identify themselves more actively with the labors and the mission of the Church of Jesus Christ.

Under the impetus of World-wide Communion an increase of twenty-five per cent in church attendance is reported, and we are glad to remember that Calvary was found in the vanguard of this forward movement towards God and Christ. Our task now, in common with all other churches, is to increase rather than diminish our Christian momentum, until the whole world can have no doubt as to where we stand and as to why we are willing to sacrifice for

ultimate victory.

The complete notice of the service of installation to be held in the Calvary Church on Friday at 8 o'clock will be found in another part of this issue of The New Era. All who are interested are invited to attend.

Next Sunday morning Sunday School will meet at 10 o'clock and there will be classes for children, young people, and adults of all ages. The three Christian Endeavor Societies will meet on Sunday evening at 7.

During the service of Divine worship at 11 o'clock the Sacrament of Infant Baptism will be administered. The pastor will preach on the question, "What Manner of Child Shall This Be?" and at the conclusion of the sermon the church school officers, teachers and substitute teachers will be installed to office, and will join with the congregation and pastor in a solemn covenant before God. All members of the Church School staff are requested to sit in the seats reserved for them. The choir will render the anthem, "On Life's Highway," by Brown. If you have no other active church home in town, you are invited to come and worship with us.

Masses—Sundays at 6, 7, 9, and 10:30 o'clock.
Weekdays—8 o'clock.
Confessions are held on Saturday 3:45 to 5:45 and 7:30 till 9 p.m.

This Sunday will be the monthly Communion Sunday for the Holy Name Society of the parish. All men of the parish, along with high school students and the Knights of Columbus, St. Joseph's Council, will receive Holy Communion in a body at the 7 o'clock Mass this Sunday. Holy Name Sunday is being observed throughout the entire Trenton Diocese, with Holy Name Men receiving Communion at Mass. Special affairs are being arranged by many parishes throughout the diocese.

Booklets for the 50th anniversary celebration may be obtained at the rectory along with the photographs of those in the service from the parish.

BETHANY EVANGELICAL LUTHERAN CHURCH
Broad Street and Morgan Avenue
The Rev. Harold Lee Rowe, Pastor
Sunday, October 11—The Nineteenth Sunday After Trinity.
10:00—Church School.
11:00—The Service. At this service donations of canned fruits and vegetables will be dedicated to be given to Tressler Orphans Home, Loysville, Pa. All persons should bring or send their donations to the church sometime Saturday. The pastor will speak on the theme, "Life—Things or Values?"
6:30—Intermediate Luther League will meet at the church.
8:00—Vespers. Pastor Rowe will speak on the first of a series of Sermons on the general theme, "Meeting Life's Problems." This meditation will be based on the Life Problem of "Trouble." Mr. James Ingram will be the soloist for this service. We hope more of our members will attend these services. Beginning this Sunday evening a special item of the worship period will be the several minutes given to a reading of the "News and Views" of our boys in the service. The pastor will pick items of interest from the many letters he receives from boys in the Army, Navy, and Marines. A few minutes of silent prayer for every boy in the service will conclude this part of the worship period. Parents and friends will want to know how their boys feel about the new life which they are experiencing.
9:00—The Senior Luther League will meet at the parsonage. Following a request from several of the Leaguers, the pastor will lead a four-week study of The Acts of the Apostles. Here is a nice chance for discussion and study of one of the most interesting books of the Bible.

Next Week:
Monday—The Church Council meets in its regular monthly meeting

at the home of Mr. and Mrs. Robert Gibson at 8:00.
Wednesday—3:45. The Children of the Church. This group has been growing splendidly in numbers and interest. We hope to enroll all the children of the parish soon.

7:30—The monthly meeting of the Social Missions Committee. Mrs. Thos. Miles and Mrs. Lester Lippincott will lead the discussion.
Thursday—Missionary Society meeting at the church at 8:00 p.m., Mrs. J. S. Wilcox, leader.

Since the famous Peter Zenger trial established the right of the newspaper to keep the public informed, newspapers have fought for the maintenance of this right, not for the newspapers, but for the public they serve.

It takes a LOT of Telephone Calls to equip and move our fighting forces

As the war effort speeds up, the load on telephone wires grows. We can't build more lines because copper, nickel and rubber are shooting, not talking materials right now. You can help to make the most of what service there is by avoiding unnecessary

calls, especially 'Long Distance', and being brief when you must call.

Every call you save helps make room on the lines for messages that may speed planes, tanks and munitions to our fighting forces.

You cook with gas, don't you? Then stop a moment and think of this: gas is used in factories to make bombs and shells and other fighting equipment. Gas is one of our weapons of war. DON'T WASTE IT.

BRIEF ITEMS from ABOUT TOWN

The Burlington County Boards of Education will convene at Palmyra High School for a dinner meeting on Wednesday, October 21. They will view the production "Listen, Mr. Speaker" following the dinner.

Miss Caroline M. Staman, supervising principal of the Riverton Public School, will attend a conference in Princeton tomorrow, the affair being called by Dr. Durell, State Commissioner in charge of elementary education.

This year marks the tenth anniversary of the Palmyra Business and Professional Women's Club. The first meeting for this year was held at Newlin's Dining Room in Moorestown, Monday evening, October 5, and was well attended. Six charter members were present. Following the business meeting, games were played.

On Monday of this week Mrs. Henry Ashburner, of 406 Fulton street, Riverton, gave a small tea for Mrs. Stuart B. Clark, of Golf road, who will leave for a trip to Florida in the near future where she will join her husband, Lieutenant Commander Stuart B. Clark, who is now serving in the Navy.

HEINBAUGH-BATES
Miss Carrie Ward Bates, daughter of Mr. and Mrs. Harry Bates, of Broad Street, Palmyra, was united in marriage with Private First Class Harry Franklin Heinbaugh, of Fort Benning, Georgia, at 8:30 p.m., Monday of this week, in the Methodist Church, Palmyra, the Rev. D. Roe Haney, pastor of the church, performing the ceremony.

The wedding march was played by Mrs. Rachel Lord, organist of the church and the bride was given in marriage by her father.

The maid of honor was Miss Bette Campbell, of Pleasantville, N. J., and the best man was Corporal Cavin L. Washburn, of New York City.

After a wedding trip at Atlantic City, Private Heinbaugh will return to his post at Fort Benning.

ON EXETER TEAM
Earnest L. Ransome intercepted a pass and ran 95 yards for a touchdown last Saturday in the game between Exeter Academy and the Dartmouth Junior Varsity, the score providing the margin of victory in a 13-6 win for Exeter.

Ransome, who played one of the halfback posts, is the son of Mr. and

Mrs. P. A. Ransome, of Golf road, Riverton.

STEINSIECK-ROBERTSON

Miss Emily Robertson, daughter of Mr. and Mrs. Robert Robertson, 307 Eighth street, Riverton, became the bride of Edward Steinsieck, son of Dr. and Mrs. E. C. Steinsieck, 22 West Union street, Burlington, in a ceremony performed last Saturday afternoon, at 4 o'clock, in Christ Church, Riverton, the Rev. Francis B. Downs, pastor of the church, officiating.

The matron of honor was Mrs. Harry G. McCloskey, of Beverly, N. J., and the bridesmaids were Miss Ethel Hahl, of Madison, N. J.; Mrs. J. Paul Walsh, of Providence, R. I.; Mrs. Mary McBride, a cousin of the bride, of Roxborough, Pa.; and Miss Margaret Heisler, of Riverton.

They were gowning in blue taffeta. The bridesmaids carried yellow pom-pom chrysanthemums and the matron of honor carried bronze chrysanthemums. All wore tiaras of yellow and bronze pom-pom chrysanthemums.

The bride wore white taffeta with marquisette yoke, a tiera of the same material and long veil. Her gown was fitted to just below the waist with full skirt and long train.

Mrs. Robert Robertson, mother of the bride, wore a purple crepe gown with hat to match. Mrs. Steinsieck, mother of the groom, wore a fuchsia crepe with a black hat. Both wore purple orchids.

The father of the groom was his

son's best man and the ushers were Harry G. McCloskey, of Beverly; Garrett Holmes, of Burlington; John M. Steinsieck, brother of the groom; and Robert Robertson, brother of the bride.

Following the ceremony, a reception was held at the home of the bride's parents.

Country Club Notes

The Fall Bowling Tournament in the Men's League started at the club on Monday night of this week, with eight teams being entered in the competition. The first half of the season's schedule ends on December 22.

Teams are captained as follows: J. D. Clark, R. Birch, G. S. Hagstoz, W. L. Hendrickson, R. J. Woods, W. S. Wilson, J. E. Lippincott and J. F. Jamison.

The bowling committee at the club is headed by R. C. Farrell, chairman, assisted by G. S. Hagstoz, J. V. Hackett, J. C. Anderson, J. E. Lippincott and H. S. Coe.

BLACKOUT

On Friday night, October 2, at about 10 o'clock, the air raid sirens sounded in New Jersey for a state wide air raid drill.

Most of the lights in Palmyra were immediately turned out but there are still some people who still go out in the evening and leave from one to three lights on. This must stop at once and altogether. Heavy fines will be inflicted upon any householders who leave lights on. The safety of the whole area is endangered by the thoughtlessness and carelessness of a very few. No one knows when a real raid might come.

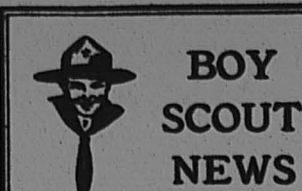

Most of the members of the defense services and the great majority of the citizens of Palmyra did an excellent job and cooperated 100 per cent.

Why must every drill be spoiled by a handful of people? —Publicity

WOODEN BUMPERS

George C. Kimball, of Riverton, an exponent of Westbrook Pegler's idea of turning in car bumpers for salvage, has donated the bumpers from his car and has replaced them with ones made of wood which appear entirely serviceable and do not detract greatly from the appearance of the car.

Mr. Kimball is also displaying a sticker on his auto which reads "My BUMPERS HAVE GONE TO WAR. HAVE YOURS?" He will furnish a similar sticker to each car owner who follows a similar course.

At a staff meeting of Riverton No. 50 last week-end the next month's program was mapped out. This includes in addition to regular Troop meetings an overnight hike on October 17-18. A new Inter-Troop Contest was set up and a lively time is in store for the competing patrols.

The meeting was presided over by Scoutmaster D. E. Tuttle and was attended by Patrol Leader Larry Hewlett, of the Beaver Patrol, his assistant Don Garwood; Acting Senior Patrol Leader Dave Lashon; and Dick Rudolph representing the Mystery Patrol. The Elephant Patrol failed to have a member present.

BIRTH

Corporal and Mrs. Gilbert Robertson, Coe, of Audubon, are receiving congratulations on the birth of a daughter, Robertine, on October 5, in Cooper Hospital, Camden. Corporal Coe is the son of Mr. and Mrs. Gilbert R. Coe, of Thomas avenue, Riverton.

FIELD TRIALS

The Hound and Beagle Field Trials of the Burlington County Game League and the Capitol Rod and Gun Club will be held at Fieldsboro on Route 25, October 31 and November 1, starting at 8 a.m.

STUDENT LOAN FUND OF ROTARY

Thomas E. Armstrong, charter member of the Philadelphia Rotary Club and father of the Rotary Student Loan Fund, described how he became interested in helping young men and young women complete their educations to Palmyra-Riverton Rotarians last Thursday evening. Mr. Armstrong, who is president of the Conkling-Armstrong Terra Cotta Company, and a long time trustee of Temple University, outlined how an early opportunity to help a few students grew into what is almost big business.

Miss Marguerite Vernon, Assistant Secretary of the Philadelphia Rotary Club, who operates the details of the Loan Fund was present and introduced Mr. Armstrong. The club in addition heard that its last meeting was 100 per cent in attendance, that the Board of Directors had authorized the buying of a one-hundred dollar war bond in the name of the club and a subscription of \$25 to the Rotary Relief Fund. The War Service Committee, Mr. Van Horn, chairman, also submitted its report in the shape of a mimeographed bulletin.

Mr. Armstrong was born in South Amboy, New Jersey, and went to school in Perth Amboy. He was a skillful pitcher and in fact pitched some games for the Brooklyn Club long before they were known as the Dodgers. When he came to Philadelphia as a young business man he continued his interest in baseball and for a period of years made as high as \$1500 from the game. This money he used to educate poor boys and in the project grew to such an extent that he engaged a social worker to help him. Money came in from many interested friends who believed in the project.

Twenty-seven years ago the Rotary Club took up the idea under Dr. Gil Palen and Mr. Armstrong was made chairman of the committee. Twenty-seven thousand dollars was raised for the purpose and the project grew to such an extent that this has been overcome in recent years. Over \$18,000 in loans have been made yet the fund has not been depleted.

The Rotary Loan Fund does not confine itself to the district of Philadelphia but is governed solely by the need of the applicants. Seventeen students from foreign countries have received varying sums of money and their record for paying back their loans is almost 100 per cent. Out of 460 loans made only one has gone to the protégé of a Rotarian. Thus removing any possibility of favoritism. Mr. Armstrong paid high tribute to Miss Vernon who has interviewed more than a thousand students and handled the details of five hundred accounts.

Club members were reminded that their next meeting was the annual "Camden Night" when members of the Camden Club are entertained at Riverton. At this meeting Dr. Ivor Griffith, President of the Philadelphia College of Pharmacy and Science, and a member of the Philadelphia Rotary Club will speak on "Science in War." A Golf Tournament has been arranged at the Riverton Country Club for the afternoon.

A letter from Dr. Gil Palen thanking the Palmyra-Riverton Club for its card on his recent anniversary was read and very much appreciated. Dr. Palen was not only an outstanding president of the Philadelphia Rotary Club, but district governor when the Palmyra-Riverton Group was organized. He continues to hold a high place in the esteem and affection of the people who know him.

PATRIOTIC REVUE BEGINS FRIDAY

Preparation for "Listen, Mr. Speaker," the patriotic and musical revue, which is to be presented at the Palmyra High School October 16, 17, 21, 22, and 23, is well underway. The production, one of the most ambitious ever presented in this vicinity by a local cast, will include talent from the high school student body, faculty, churches and the Footlight Players.

The leading role will be played on alternate nights by Earl Rowe, former Palmyra High School student, who starred in "Death Takes a Holiday," and who has studied at the Hicks School of Dramatic Art, and James Hughes, teacher of social science. Mr. Hughes will be remembered for his performance in "On Our Way," produced in Palmyra High School in 1940.

Through the efforts of Miss Diener, Mr. Coolbaugh and Miss Sawyer, fourteen original and colorful scenes have been prepared to form charming backgrounds for as many novelty numbers. Dancing, orchestra, band, and glee club numbers enliven the revue throughout.

Listen, Mr. Speaker was presented to an audience of 12,000 persons for the American Association of School Administrators at their national convention last year.

Proceeds from tickets will be used to establish a scholarship fund for worthy students who wish to continue their education.

VETERAN OF TWO BATTLES HOME ON FURLOUGH

Sergeant L. Marshall Clement, son of Frank Clement, Main street, Riverton, is spending a brief furlough at his home following his return from the theatre of war in the Far East.

Sergeant Clement, who has served three years with the Army Air Corps, was stationed at Wheeler Field, Hawaii at the time hostilities were opened last December and saw considerable action there. He later participated in the Battle of Midway, being a member of a Fighter Group. The Sergeant, who is probably the first resident of this section to return from the Pacific war area, has been assigned to attend an Officer Candidate's School in Florida.

ANNUAL RECEPTION OF RIVERTON P.T.A.

The Riverton Parent-Teacher Association will hold its twenty-sixth Annual Reception for the parents and teachers on Wednesday night of next week, October 21, at 8 o'clock, in the auditorium of the Riverton Public School.

The speaker will be Dr. Charles Erdman, Jr., mayor of Princeton. His topic will be "Morale on the Home Front." Several musical numbers will also comprise the program and refreshments will be served.

All are welcome to attend.

WANTED
Surgical dressing workers are urgently needed by the Red Cross each Tuesday and Wednesday morning at 9:30.

The workers meet in the surgical dressing room, third floor, Riverton Public School.
There is a large quota to be filled. Will you help?

Today is the day—not tomorrow. That old metal gathering rust and dust in your cellar will bring victory sooner. Give it today in the salvage drive and tomorrow it will collect Japs.

Admission will be 10 pounds or more of scrap, the purchase of a War Savings Bond or Stamp at the stadium or a donation to the Red Cross kit bag fund. Players, officials, newspapermen and all others will be required to pay admission.

In order to make the contest as interesting as possible, no alumni will be allowed to play who are 21 years of age by November 1. Graduates who are members of college or semi-pro teams will also be eligible.

The affair promises to attract the largest crowd of the season. Further details will be announced later.

Dancers: J. Bailey, E. Birkenbach, T. De Hall, D. Massey, M. Perkins, A. Robinson, H. Rowan, E. Sauerwein, J. Stevenson, B. Stiles, E. Webster, V. Woodward.

SALVAGE NEWS

Nearly three and one-half tons of scrap metal was collected from the Riverton Salvage Depot last Wednesday, according to John Reinhardt, member of the salvage committee in that community.

This amount of material had been left at the depot by local residents within a period of two days. Since scrap metal was first collected for salvage in Riverton, beginning late last spring it is estimated that an average of approximately 75 pounds per family has been obtained, and the material is still coming in in large quantities.

The Salvage Depot is open daily, with the exception of Friday, from 7 a.m. to 6 p.m.

Riverton residents are asked to refrain from leaving loose papers at the salvage depot, since material of this type is not wanted at present. Newspapers and magazines are still needed, as are cardboard cartons. These should be broken down, if possible, before being left at the depot.

Those leaving tin cans are requested to "process" them in accordance with previous instructions. While the majority of local citizens are cooperating in a splendid manner, there are still a few who regard the salvage depot as a dump and leave all sorts of refuse which has absolutely no salvage value. Such a practice is most discouraging to those who have charge of the depot and it should be stopped at once.

BENEFIT GRID GAME

Announcement was made this week that the Palmyra High School varsity football team will oppose an Alumni eleven in the local stadium, Saturday, November 14, the affair being staged as a benefit for several worthy causes. The game will take the place of the contest originally slated with Camden Catholic, the latter having given up football.

Admission will be 10 pounds or more of scrap, the purchase of a War Savings Bond or Stamp at the stadium or a donation to the Red Cross kit bag fund. Players, officials, newspapermen and all others will be required to pay admission.

In order to make the contest as interesting as possible, no alumni will be allowed to play who are 21 years of age by November 1. Graduates who are members of college or semi-pro teams will also be eligible.

The affair promises to attract the largest crowd of the season. Further details will be announced later.

WATCH YOUR FASE

There's a new snap in the air these nights—a tang of woodsmoke in the breeze and distant hills are hazy as the trees switch to their brilliant fall colors of gold and red and green. It's an invigorating time of the year as it helps to renew the pep we lost through summer's exhausting heat.

But are you healthy enough to deliberately get out of doors and honestly enjoy these wonderful fall days? How long has it been since you made a health inventory—deliberately sat down and thought over your health and what you could do to feel better? Or are you one of those people who really enjoy poor health?

Why don't you genuinely think it over, hard and long? And start with that "key" word to health—"fase."

It means:
F resh
A ir
S leep
E xercise

Are you getting enough of all? Or, at the end of a day, are you too tired from housework or office duties to get out of doors and swing along for a snappy mile or two before you get to bed pleasantly tired and with many a lungful of fresh air?

Better health, you know, not only means happier living—but it means you are helping to take a load off our overworked doctors who right now are on the go day and night caring for the extra patients left them by other physicians now in the service.

Your health is a national asset these days—and plenty of fresh air, sleep and exercise will help start you off. So, suggests the Health and First Aid Committee of the Riverton Defense Council, these days watch your—FASE!

The Porch Club

Because of her enthusiastic audience last year, Miss Evelyn White, noted pianist, has been asked to play again at the meeting of Tuesday, October 20, at the Club. Miss White started her musical career in concert and radio at the age of 9 and for the past three seasons has played as soloist of the Philadelphia Piano Orchestra at Town Hall and the Academy of Music. Her repertoire on Tuesday will include selections from Mozart, Liszt, Gerstwin and Tchaikowsky.

Mrs. C. V. Devery, chairman of the music department, and her committee, will serve tea.

The Arts and Crafts section will hold its second meeting in a series of four lessons on Wednesday, October 21, at 9 a.m. Ceramic jewelry will be made. Mrs. Grace Duer, art supervisor of the Riverton Public School, will be the teacher. For details please contact Mrs. G. Rex Showell, telephone 107-M.

Charles E. Goren, bridge expert, will give his second of a series of four lectures this fall on Thursday, October 22, at 10:15 a.m.

RATION BOARD WARNS

The Tire Committee of the Palmyra Rationing Board were compelled by lack of quota to reject 40 of anials, newspapermen and all others will be required to pay admission. In order to make the contest as interesting as possible, no alumni will be allowed to play who are 21 years of age by November 1. Graduates who are members of college or semi-pro teams will also be eligible.

About Town

Private William J. Siddall, of Riverton, has been advanced to the rank of Corporal. At present he is stationed at the Coyne School of Radio, Chicago, Illinois.

Among the students enrolled this year in the freshman class at the Philadelphia College of Pharmacy and Science are Charles Robinson, 211 Lippincott avenue and Evelyn L. Schwartz, 439 Elm avenue, Riverton. The College commenced its 122nd annual term last month, with major studies in pharmacy, in chemistry, in bacteriology and in biology. Miss Schwartz and Robinson, who graduated from Palmyra High School last June are majoring in Pharmacy and Chemistry respectively.

Under the terms of the recently adopted wartime plan of acceleration of studies, this year's entering class will be able to qualify for graduation by June, 1945 through the curtailment of vacation and holiday periods, and without any sacrifice of academic standards.

The Ladies Auxiliary of Delaware Fire Co. No. 2 of East Riverton will hold a covered dish supper in the firehouse on Saturday evening, October 17, 1942, from 5:30 to 7:30. Bring a covered dish and 35 cents. All are welcome.

Russell Lloyd Musser, son of Mr. and Mrs. J. Russell Musser, 1104 Morgan avenue, Cinnaminson, has enlisted in the Navy and is receiving his basic training at the Naval Station, Great Lakes, Illinois.

Mrs. R. F. Correy, formerly of Riverton, now of New York, spent the weekend in Riverton visiting friends.

Miss Frances White, of Camden, spent the weekend with Miss Clara L. Bishop, of Thomas avenue, Riverton.

Mr. James Dobbins, of Thomas avenue, entertained his parents from New York on Sunday.

Mary L. Kercher, 10 Garfield avenue, Palmyra, who recently enlisted in the WAVES has been assigned to Indiana University for training.

Larry Mears, son of Captain and Mrs. C. Singleton Mears, is a member of the freshman class at Wentworth Military Institute, Lexington, Missouri.

DONATION DAY FOR AGED WOMEN'S HOME

The Board of Managers of the Aged Women's Home of Burlington, have set Thursday, October 29th, as the annual donation day at which the board will appreciate any donations of money, canned goods or items that will add to the pleasure and comfort of the guests of the Home which is located at Union and York Streets, a committee will be in charge all day.

The Board members will hold a meeting at 3 o'clock on donation day at the Home with Mrs. Howard Horner, President, presiding.

PLEDGE TO FLAG

The Golden Anniversary of the pledge of the citizenry of the nation to the Flag of the United States occurs on October 21 and in a proclamation today Governor Charles Edison calls upon the people of New Jersey to re-affirm allegiance to Flag and Country. In the proclamation the Governor states that during the past fifty years millions of citizens have pledged allegiance to the Flag, which symbolizes our representative form of government. The Governor observes that our nation has never been so ruthlessly assailed as during the present crisis.

Governor Edison urges the observance of the Allegiance Pledge in the cities, towns and villages throughout the State with appropriate ceremonies in schools and churches, with civic organizations and officials, with participating.

Miss Dorothy Frances Wright of Trenton, N. J., State Chairman of the National Committee for correct use of the Flag, National Society, Daughters of the American Revolution, is directing plans for the Golden Anniversary in this State.

LOCALS LOSE ANOTHER

Palmyra dropped its third game of the grid season last Saturday afternoon in the local stadium when Haddonfield took an 18-12 decision. It was the first win for the invading eleven.

The Curtismen started the scoring as the second period opened, having marched 37 yards to the enemy three during the waning minutes of the initial quarter. In two plays Cardea went over for the score. Haddonfield came right back to knot the count, however, a blocked kick on the Palmyra 12 being largely responsible.

This ended the scoring, with the final chukker when the invaders struck twice in rapid succession. One score came after a sustained march, while the other was produced following a pass interception.

The Red and White made a valiant attempt to even things up and succeeded in getting another six-pointer before hostilities ended. Figuring largely in this drive was a triple pass, Conover to Bauer to Johnson, that netted nearly 20 yards.

The locals travel to Haddon Heights on Saturday afternoon of this week. Their next opponents lost to Merchantville last week by a 13-0 score.

FIRE COMPANIES DRILL

Both the Riverton and Palmyra fire companies conducted intensive drills on Monday night of this week. The Riverton organization laid several lines of hose at the river bank and later conducted ladder practice at Memorial Park under the direction of Assistant Chiefs Lawrence Downs and William Anderson.

The Palmyra firefighters operated at the corner of Broad street and Garfield avenue near the old Y.M.C.A. building and had several streams of water in use, in addition to work with ladders and other equipment.

There are bullets in your cellar. Old brass door knobs, useless plumbing fixtures, bedsteads and springs are the stuff of which bullets for victory are made. Give them in your salvage drive.

WEST POINT EXAM

Competitive examinations for Congressman D. Lane Powers' appointment to the United States Military Academy, West Point, will be held by the United States Civil Service Commission in the New Trenton Post Office on December 12.

All young men who are bona fide residents of Burlington or Mercer Counties are eligible to compete. The appointments will enter the Academy on July 1, 1943. The vacancies for which the candidates will compete was occasioned by the fact that the West Point course was shortened from four to three years for the period of the War Emergency. Robert John MacMullin, who was scheduled to graduate in the 1944 class will graduate with his class when it leaves the Academy in 1943. The competitive examination is held to appoint his successor to West Point.

Under the Civil Service system used by Congressman Powers, the merit of the candidates as shown by the marks they receive, Congressman Powers appoints his principal and alternate directly in accordance with the marks received from the Commission. Any young man wishing to take the competitive should write the Congressman at his Washington office for authorization. Only young men who reside within the Fourth Congressional District of New Jersey are eligible.

NO "SPECIAL PRIVILEGE" GASOLINE RATIONS

OPA has definitely instructed Fuel Panels of Local War Price and Ration Boards, that no extra gasoline is to be rationed to members of the Armed Forces home on furlough for pleasure driving or to visit relatives, or persons to visit sick relatives, for driving to funerals.

These points were emphasized to Burlington County Fuel Rationing Panels when they attended a special conference on uniformity of enforcing gasoline rationing at the OPA district offices in Camden.

OPA spokesmen pointed out that while local boards are naturally sympathetic to the needs of persons in such instances, already depleted gasoline supplies are threatening the war effort, therefore regulations should be strongly enforced and "cutting corners" by issuing special rationing for unauthorized uses must be very carefully avoided.

The Camden meeting was attended by Harold B. Wells, Jr., of Bordertown, County Rationing Authority; E. Budd Marder, 3rd, of Edgewater Park, Administrative Assistant; the general chairman, executive secretaries, chairmen and members of the county's six consolidated War price and Ration Board's Fuel Panels, Mrs. Maude A. Silpath and Miss E. Fitz Gerald.

CALVARY PRESBYTERIAN CHURCH
Fourth and Lippincott Ave.
Riverton, N. J.
The Rev. R. B. Stewart, Pastor

The turbulent stream of world events has deposited many perplexing questions on the doorsteps of our hearts. One such question that is presenting itself before us with growing insistence is this—Is it really true that, according to the very nature of things, an army fighting for the right can be defeated, say in Libya, because of the moral or spiritual disobedience of someone else, say in Riverton or Palmyra? Just how broad, and how far-reaching, is our responsibility one to another in the plan of God? These are questions to which the Bible gives a very definite and explicit answer, an answer with which all of us ought to be familiar at all times, and especially in times such as these. Next Sunday morning the sermon theme at the Calvary Church will be "Our Corporate Responsibility." The choir will render two anthems, "I sought the Lord," by Stevenson, and "Still with Thee," by Neidlinger. There will be a sermon for the Junior congregation, and a special selection will be rendered by the Junior Choir. Morning worship begins at 11 o'clock.

Preceding the morning worship, Sunday School will convene at 10 o'clock. The opening assembly exercises will be conducted by Mr. Arthur Lewis, and the men of the church and church school are asked to be present on time, as Mr. Lewis has a matter of particular interest to discuss with them.

The Junior, intermediate and senior C. E. groups will meet at 7 o'clock Sunday evening. Devotional exercises will be in charge of the intermediates. All young people not associated with any other youth group in town are invited to attend these Sunday evening meetings.

The chairman of the Calvary Social Committee announces a reception in honor of the Rev. R. B. Stewart and Mrs. Stewart to be held on the evening of Friday, October 23, at 8 o'clock, in the Church School auditorium. All members and friends of Calvary are asked to reserve this date.

The Golden Hour Circle will hold its regular monthly meeting on Wednesday, October 21, at 1 o'clock.

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor
Central Baptist Church auditorium was filled to overflowing last Sunday at the exercises and sermon in celebration of Rally Day. Although the audience gave evidence of the war by the absence of the young men of the church and Sunday School, the service was exceptionally interesting as the pastor delivered a very unique sermon which kept the attention of the youngest to the oldest.

The spirit that prevailed at this service was only the enlargement of the spirit that always fills the atmosphere at "Central Baptist." So, if you are a visitor, a new-comer, or one who has never availed himself of the pleasure of attending the school or Church, a hearty welcome awaits you here.

Services, Sunday, October 18th—Bible School 10 a.m.—You are never too old or the tots never too young to attend this school. There are classes to meet all the needs.

Morning Worship, 11:15 a.m.—"The Religious Gesture of Gest" will be the sermon subject for the morning service. Mr. Edward N. Hoyt will be the soloist. "Lord Thou Hast Been Our Dwelling Place" by Wol-

cott is the selected anthem by the choir.
Senior B.Y.P.U., 7 p.m.—Four carloads of young people journeyed to the Moorestown Baptist Church and enjoyed the evening service last Sunday. They were accompanied by young people from the Methodist and Lutheran churches who all agreed that it was one of the best ever. You will always find the young people's meeting very instructive and alluring.

Evening Worship, 7:45 p.m.—The Pastor has selected a most timely subject and one which everyone, consciously or unconsciously, seeks for, and that is "The Gospel of Our Daily Lives." Come out and enjoy the congregational singing, the sermon by the Pastor, the Christian fellowship and the music by the choir. They will sing "Thy Will Be Done" by Ground-Sticks.

Wednesday, 8:00 p.m.—Mid-week Prayer and Praise service. All are invited. All should be there. All should bring others.

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

The Rev. Robert W. Matthews will address the class.
Elwood Johnson will be the soloist.

MANY SOLDIERS AT DIX U.S.O. CLUBS

Attendance of nearly a million at the four U.S.O. Clubs in the Fort Dix Area has been announced by the U.S.O. Council in a report covering six months of operation. Soldier attendance was more than 927,000; and civilian visitors numbered 68,776.

The widely varied program in the clubs has included plays, dances, educational classes, religious activities, and musical entertainments. On the general program have been amateur nights and radio broadcasts as well as numerous other events. Short-hand, photography, dramatics, chess, and current events have been among the dozen different subjects offered in classes. Besides having hymn sings and weekly religious services, the U.S.O. clubs have distributed 3,020 Bibles. The musical program has ranged from jitterbug to grand opera.

Serving the soldiers in the various buildings there have been volunteers from miles around the fort. Attendance figures show that 24,384 dancing partners, 1,002 chaperones, and 6,452 hostesses.

Great Service
Besides the food and cigarettes given away at parties, the U.S.O. clubs have provided stationery to the extent of 793,517 sheets. Thousands of magazines and books have been made available. Opportunity for thousands of showers and shaves has also been made use of by the soldiers. Other services include the use of typewriters, electric irons, sewing equipment, and games; shopping, selling stamps, sending money orders, wrapping packages, sending of telegrams, and express of packages. Arrangements for home hospitality are made possible through the clubs; and over sixty-one thousand soldiers have enjoyed parties and week-ends in nearby and distant cities. In Pennsylvania and New York as well as in New Jersey. Housing location for service men and their families and friends numbers 2,455. Other individual services are location of persons and advice on travel resources.

Gifts such as stationery, books, games, and cigarettes are distributed not only in the clubs but also to men camped in isolated areas and to those camped for foreign service.

The four clubs in the Fort Dix Area are the Resall Road Club and the Cookstown Road Club, both in

Wrightstown; and the Fort Dix Community Service and the Rifle Range Road Club, both at Pointville.

John W. Thacher is chairman of the U.S.O. Council in this area. Other members are: Dr. Walter G. Alexander, Roland J. Beasley, C. Morris Cain, Mrs. Joseph Darlington, Francis P. Gerry, Mrs. William Grobler, Benjamin Hirschblond, Mrs. Robert Wood Johnson, Thomas Johnson, Mrs. Edward L. Katzenbach, Charles J. Krug, Daniel Lichtenthal, Rev. William A. Margum, Dr. Ellen C. Potter, Nelson D. Pomyea, Mark Reynolds, Canon Robert Smith, Francis Smith, Samuel Swern, Mrs. Carlton Tillinghast, Dr. W. R. Valentine, Charles Wilber, and Mrs. Alexander Wood.

G.O.P. CAMPAIGN STARTS

Burlington County's Republican general election campaign will officially get under way Thursday, when State and County candidates will attend eight meetings.

Albert W. Hawkes, former president of the U. S. Chamber of Commerce, who is the Republican candidate for U. S. Senate, will be one of those present at the meetings.

Congressman D. Lane Powers, seeking re-election as Representative of the Fourth District, will also attend the meetings and make a tour with Republican candidates and leaders.

State Senator Howard Eastwood, candidate for re-election, and Arthur W. Lewis, candidate for the Assembly, along with Freeholders John M. Chant and LeRoy Church, re-election candidates, and John R. Coates, seeking the coroner position, will also speak.

The meeting in this section will be held in the Riverton Country Club.

FUEL OIL DEALERS REGISTER NEXT WEEK
With the dates of dealer registration under the fuel rationing program set for next Tuesday and Wednesday (October 20 and 21), War Price and Rationing Boards throughout the State have been informed by State OPA headquarters of the general registration procedure and the subsequent distribution of application forms to consumers.

It was emphasized that anyone who sells either fuel oil or kerosene at retail must register with his rationing board on those dates. This includes grocery stores, hardware and paint stores, gasoline service stations and garages which sell kerosene at retail, as well as fuel oil dealers. Rationing officials also pointed out that in addition to those using fuel oil, consumers who use kerosene for such domestic, institutional, and agricultural uses as in stoves, ranges, lamps, farm machinery and equipment, brooders, and farm trucks, will have to fill out an application form in order to be able to purchase kerosene under the fuel rationing program.

The general procedure for the distribution of the fuel oil and kerosene ration application forms to consumers and the distribution of ration coupons was outlined as follows:
When fuel oil and kerosene dealers register and file inventory statements on October 20 and 21, they will be given sufficient consumer application forms to distribute among their customers.

There are different kinds of application forms for the different classes of consumer as follows:
Application for private dwellings. This includes all private dwellings designed for the occupancy of fewer than four families.

Application for multiple dwellings and premises other than private dwellings. This includes dwellings designed for the occupancy of four or more families, apartment houses, factories, government buildings, institutions, schools, stores, shops, and industrial establishments for heating purposes.

Application for domestic, institutional and agricultural uses, including stoves, ranges, lamps, farm machinery and equipment, farm trucks, etc. Dealers will distribute the proper type of form to each consumer, together with a certified statement of that consumer's fuel oil or kerosene used for heating purposes during the last season.

Each consumer will enter the required information on the application form and mail it, together with the

statement of last season's fuel consumption to the rationing board which has jurisdiction over his community.

The ration board will notify the consumer when to come to the board to get his ration coupons.

The consumer will be required to turn over to the dealer coupons for any fuel oil purchased since October 1.

CARE FOR YOUR CAR REGISTRATION PLATES

Motor Vehicle Commissioner Arthur W. Magee today called upon car owners to care for their registration plates, since there will be no new issue for 1943 due to war priorities.

"The present 1942 plates will have to do not only through 1943 but perhaps longer, depending upon war needs," said the Commissioner. "It behooves every car owner, therefore, to do everything possible to preserve his plates so that they will remain plainly legible for the duration. It is suggested that the plates be thoroughly cleaned of dirt, grease or other blurring matter and then given an application of ordinary body wax or polish which will protect the paint against the ravages of heat, dust, rain and snow. Proper care, as outlined, will preserve the plates indefinitely."

In place of new plates next year, the Department will issue an ivory colored metal tab, serially numbered, which will be attached to the lower end of the 1942 registration plate. It will be illegal to operate a motor vehicle on the highway after midnight, March 31, 1943, that does not display a metal tab attached to the 1942 plate. All cars that are operated without the attachment will be considered, in the eyes of the law, as unregistered vehicles and the owners subject to the customary heavy penalty of a fine not exceeding \$100.

OBITUARIES

MRS. MARY A. BROOKS
Mrs. Mary A. Brooks, of 220 Fourth street, Palmyra, died on Sunday, October 11.

Services will be held today (Thursday) from the Snover Funeral Home at 9 a.m., with High Mass at the Church of the Sacred Heart at 10 a.m.

Interment will be made in Northwood Cemetery, Philadelphia. The deceased is survived by her husband, Frank H. Brooks.

FRANK N. TROUTMAN

Frank N. Troutman, of 702 Main street, died on Saturday, October 10. Services were held on Wednesday from the Snover Funeral Home, the Rev. D. Roe Haney officiating.

Interment was made in Locustwood Cemetery, Camden. The deceased is survived by his wife, Anna, and four sons, Edward, Russell, George and Frank.

SUGAR STAMPS

The office of James Kerney, Jr., state director of the Office of Price Administration announced that sugar ration stamp number nine will be valid for the purchase of three pounds of sugar during the six week period from November 1 to December 15 inclusive.

The basic weekly ration of a half pound of sugar per person, it was pointed out, remains unchanged. Meanwhile, stamp number eight in the War Ration Book remains valid for the purchase of five pounds of sugar until midnight October 31. It was emphasized that the ninth stamp may not be used until November 1.

Have you looked through your yearbook to see whether or not you have scrap to give to the Salvage for Victory Campaign? Too many people just don't think they have any scrap metal, rubber or rags. They would be very much surprised if they bothered to look. If they did, Victory would come to the United Nations much sooner than otherwise.

"Doctrine of Atonement" is the
Lesson-Sermon subject for Sunday,
October 18, in all Christian Science
Churches and Societies throughout
the world.

The Golden Text is: "John seeth
Jesus coming unto him, and saith,
Behold the Lamb of God, which taketh
away the sin of the world." (John
1:29)

Among the Lesson-Sermon cita-
tions is the following from the Bible:
"The prayer of faith shall save the
sick, and the Lord shall raise him
up." (James 5:15)

The Lesson-Sermon also includes
the following passage from the Chris-
tian Science textbook, "Science and
Health with Key to the Scriptures,"
by Mary Baker Eddy: "The physical
healing of Christian Science results
now, as in Jesus' time, from the op-
eration of divine Principle, before
which sin and disease lose their real-
ity in human consciousness and dis-
appear as naturally and as necessar-
ily as darkness gives place to light
and sin to reformation." (Pref. xi)

of the Bible Study on The Acts. The
pastor will conduct the study. All
young people are invited.

Coming events—
Monday, October 19—The Koinon-
ians will meet at the home of Marie
Bettinger with Florence Henzler as
leader.

The pastor will begin a Leader-
ship Training course soon for church
school officers and teachers and all
others who would be interested. The
first meeting is planned for Friday
evening, October 23, at 8:30 at the
church. The group will study "The
Old Testament." Anyone interested
should see the pastor at once.

make a special effort to receive Holy
Communion during the Forty Hours
Devotion. A list of the periods of
adoration is being sent to the homes
of the members of the parish this
week.

Holy Mass is being said each Mon-
day morning at 7 o'clock for the
members of the parish now in our
armed forces. The novena devotions
to Our Lady of the Miraculous Med-
al will be resumed on Monday night
October 26, at 7:45 p.m.

The parish will join with Catholics
throughout the diocese in the obser-
vance of Mission Sunday, this Sun-
day. Mission Sunday is being held
upon the appeal of the Society for
the Propagation of the Faith. It is
to insure the continuation of the
work of the vast army of Catholic
missionaries, numbering over a quar-
ter million priests, brothers, Sisters,
and catechists that Mission Sunday
is being observed. Members of the
parish are asked to remember the
work of these individuals in their
prayers on Mission Sunday. The di-
ocesan director of the Society for the
Propagation of the Faith will visit
the parish in December.

DR. ALFRED W. WESTNEY
Dr. Alfred W. Westney, well-
known resort physician for over 40
years, collapsed and died from a
heart attack in the clubhouse of the
Atlantic City Country Club, in near-
by Northfield on Monday. He was
68.

Dr. Westney was born in Philadel-
phia June 9, 1874, and was graduated
from Central High School and from
Hahnemann Medical College, class of
1897. He served as senior house sur-
geon at Hahnemann Hospital in 1897.

CHANGING
STANDARDS

CHANGES IN THE AMERICAN STANDARD of living
brought about by priorities and rationing were inevitable. But
whatever sacrifices must be made to insure victory, we all know
that we are helping to win what we must and shall win—a con-
tinuance of our democratic fellowship of freedom.

THE HIGH STANDARDS OF SERVICE, so long main-
tained by this organization, have not been lowered. The restric-
tions in the use of construction materials has not prevented the
making of beautiful, durable caskets of distinguished craftsmanship.
We continue to provide appropriate funerals of fine quality
at prices set by the families when they make arrangements.

BRIEF ITEMS from ABOUT TOWN

The members of the executive board of the Riverton Parent-Teacher Association met on Tuesday of this week at the home of the president, Mrs. Richard Hooper. Delegates of the association will attend the annual convention of the New Jersey Congress of Parents and Teachers in New York City on October 28, 29, 30.

Miss Agnes Nichols, of Atlantic City, and Joseph Hylton, of Philadelphia, were married Saturday afternoon at 4 o'clock, at St. John's Church, Philadelphia. Mr. Hylton is a former Riverton resident.

Oscar Parsons, son of Mr. and Mrs. O. A. Parsons, 218 Linden avenue, Riverton, is enrolled at the College of South Jersey. He is taking the full college course.

In honor of Needlework Guild Week, the Palmyra Branch gave a covered dish luncheon at the home of Mrs. H. F. Marshall, 103 Morgan avenue.

Twenty-five guests were present from Palmyra, Riverton, Merchantville and Philadelphia. The proceeds will go to swell the fund used at ingathering time.

The last meeting of the Thrift Circle will be held at the home of Mrs. Parnell on October 20.

Mr. Ray Sack, of Broad and Vine street, Palmyra, and his niece, Mrs. George L. Durgin, are enjoying a month's trip to California.

Mrs. George Pancoast, of Philadelphia, spent the weekend in Palmyra visiting friends.

Buddy DeLaney's orchestra, featuring Betty Parker and Bob Houston, vocalists, will furnish the music for a dance given at the Woodbury Country Club on Saturday evening.

Lady driving to Florida alone would like couple or another lady to go along. Prefer someone able to drive not more than 2 to 3 hours daily. Riverton 0993. 10-15-11.

NAMED DOG WARDEN

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, R. H. Suydan, of Pennsauken, was named dog warden for the township. He holds a similar post in several other communities in this area.

Mr. Suydan will tour the township one day a month, for which he will be paid \$10 per day, plus an allowance for six gallons of gasoline. The appointment of a dog warden was made necessary by the fact that only 320 of the 500 dogs in Cinnaminson have been registered and marauding canines have caused considerable damage to property and livestock.

DO NOT RAKE LEAVES INTO LOCAL HIGHWAYS

Councilman J. W. Sylvester, chairman of the Riverton highway department asks that residents of that community refrain from raking large piles of leaves into the streets and leaving them there.

He points out that such a practice clogs the gutters and, in the event of a rain, surface water would be unable to run off and will doubtless cause serious flooding of certain areas.

Scrap metal collected in municipal salvage drives does not stay in idle mounds. Collections made in many towns have been thrown in reproposing plants within the week they were gathered up. Such speed spoils "urgency."

AN APPEAL TO THE YOUNGSTERS

In just a week or two Halloween and its team-mate, "Mischief Night" will be here, and this time, the Health and First Aid Committee of the Riverton Defense Council addresses a very honest appeal to the community's younger generation with the hopes that it will be read and stressed in every school room.

"Please," says the Committee, in addressing the youngsters, "this year put your patriotism ahead of your fun! Don't do anything which is likely to injure your playmates or grownups. Ordinarily, it's fun to turn out the remaining gas-lamps on the streets—but this year a dark corner may cause someone to fall and break a leg or arm. Of course you know that such an accident means sending for a doctor—but do you know that so many of our doctors are now in the Army or Navy that those who are left can scarcely take care of all the people who are sick? So if somebody takes a tumble because you have turned out a street light, the half hour the doctor will lose will mean that two or three other sick people will suffer longer. You don't want that to happen, do you?"

Leave Tires Alone!

"And don't do anything dangerous yourself because you may get hurt and take up a doctor's time. Please be very, very careful not to tamper with parked cars or their tires. It may be a doctor's car left outside a house while he is making a call and if you do anything to damage a car the doctor may not be able to rush somewhere else where a patient is dying."

"If you know that someone is sick in a certain house, stay away from there. The noise and worry you might cause could be the start of an unnecessary heart attack which will take up more of a doctor's time."

"This year, be real Americans. Prove that you are by your conduct. Don't do anything that will be dangerous to others or which will make older people do things they are not accustomed to doing. Just carrying home a porch chair you have moved might be too much for an elderly person. Let your actions show everybody you are a real American—and if you see another kid who isn't, get your gang together and convince him it's a smart idea to go along!"

BLOOD DONORS WANTED

On Wednesday, November 4th, from 1 to 7 p.m., a Red Cross Blood Donor Unit will be at the Riverton Porch Club. Anyone wishing to give their blood please call any of the following for appointments:

Mrs. Charles Sims, phone 618-W.
Mrs. Arthur Burns, phone 398
Mrs. Joshua Atlee, phone 413
Mrs. Frederick W. Metzger, phone 0406

The Army and Navy must have a reserve supply of plasma to be used in connection with shock, hemorrhage, and have requested 2,000,000 donations of blood.

Men and women between the ages of approximately 18 and 60 years. A physician and trained nurses are in charge to insure proper methods and procedure. Donors are asked to omit fats for four hours before their appointment.

If donors are accepted it is on the basis that they are capable of giving approximately one pint of blood. This takes about fifteen minutes, with a short rest after.

Our armed forces are doing their share. Civilians can help back up our men by giving a donation of blood.

PRICE FIVE CENTS

HELP THESE ORGANIZATIONS to Assist the Needy and Unfortunate Contribute Liberally to Your COMMUNITY CHEST The Visiting Nurse Society

Greater demands will be made upon our Visiting Nurses during the coming year. Hospital services will be curtailed because of the shortage of doctors and nurses. More babies will, of necessity, be born at home and less serious illnesses will be treated at home. This condition will increase the responsibility of the Public Health Nurses and they will carry the burden of keeping their Community up to standard.

The Visiting Nurses have carried on health programs in the local schools, established a Baby Clinic in Palmyra and assisted in a Venereal Disease Clinic at Zurbrugg Hospital.

Public health is of vital importance and a community's responsibility. With the pressure of war activities it is easy to forget the existing organizations which have served us for many years.

The Riverton-Cinnaminson Welfare Association

which provides "family service" that operates in advance of relief, supplements relief and follows relief, in order, first, that the need for relief may be deferred or avoided; second, that in deserving cases the arbitrary standards for relief may be supplemented, and finally that the job of maintaining morale and economic independence may be wisely supervised after relief is withdrawn. This is an insurance that is necessary to our Community.

The Burlington County Hospital

The emergency of war has greatly increased the difficulty of hospital administration. Doctors and nurses have been called to the colors in growing numbers and the challenge to such institutions as the Burlington County Hospital to hold the quality of service unimpaired, is indeed a serious one. It is a matter of pride that the challenge has been well met this year, in spite of the fact that the greatest number of patients in the institution's history have applied for and received care.

A splendid gift of radium, the installation of a deep therapy machine and the opening of a tumor clinic are developments which typify the hospital's growing capacity to serve.

It is vitally important that our citizens shall be aware of the necessity of helping to uphold, through their contributions, the service standards of this life-giving force in the Community. National defense and public morale require it.

The Cinnaminson Home

The Cinnaminson Home has a record of fifty-one years of valuable service in our Community. Sixty-four hospitals and social agencies, as well as doctors and ministers have learned to turn to The Home when problems of convalescent care or spiritual and physical rehabilitation for women and girls confront them. It is more than ever important, at this time, to render this service, which returns these people to their homes as useful members of society, and we hope that the generous support of our friends and neighbors will not fail us now.

Let us all give our support to these organizations and make our Community one of which we may be proud.

The Porch Club

Mrs. Howard Coe and her bridge committee has arranged a series of five duplicate bridges. The first will be held on Tuesday, October 27th, at 2:30. Bring your partner or team out and keep your score through all five afternoons. It is probable that Charles E. Goren, bridge expert and current lecturer at the Club will be present at this first meeting.

On Thursday, October 29th, at 10:30 a.m., the Club will welcome back Miss Bess Howard, popular commentator on current events, whose wealth of knowledge of international affairs is valued by every member of the Club.

TEACHERS' INSTITUTE HERE

The Teachers' Institute of Burlington County will hold sessions today (Thursday) in Palmyra High School, with about 900 members expected to be present.

The program includes talks by Rev. Imre Kovacs, well known speaker and C. J. Strahan, executive

FUEL OIL DEALERS REGISTER NEXT WEEK

Registration of dealers under the fuel oil and kerosene rationing program originally scheduled for October 20 and 21 has been put off until next Tuesday and Wednesday (October 27 and 28). This was announced by James Kerney, Jr., State Director of the Office of Price Administration.

Kerney emphasized that the postponement would not affect the registration and distribution procedures in any way, except for shifting forward the entire schedule by one week. Rationing of fuel oil and kerosene is still in effect as of October 1 and consumers who purchase fuel oil must do so with the understanding that they will turn over to their dealers sufficient rationing coupons to cover all such purchases.

Following dealer registration, consumers will receive application forms from their dealers together with certified statements of the quantity of fuel oil consumed during the twelve months which ended May 31, 1942.

IMPORTANT TO SERVICE STATION ATTENDANTS

Before you sell gasoline to a customer, be sure to do this first:

1. Ask for the Gasoline Ration Book.

2. Check sticker on windshield with book.

3. Check description on front cover with vehicle for which gasoline is being purchased.

4. Be sure the expiration date on front cover of ration book has not passed.

5. Be sure there are enough coupons good for current period to cover purchase.

6. Accept no coupons unless you detach them.

7. Follow all special instructions and regulations in checking and handing coupons.

Failure to observe these rules will violate the gasoline rationing regulations.

BENEFIT GAME NOVEMBER 14

Plans are moving rapidly ahead for the benefit Football Game that is scheduled for the Palmyra High School stadium on Saturday, November 14, at 2:30 p.m., when the school varsity will oppose the Alumni.

Several important war time activities will benefit from the contest, since admission will be only by one of the following methods:

10 pounds or more of scrap.

Purchase of a War Savings Bond or Stamp. (50 cents or more)

A donation to the Red Cross Kit Bag Fund. (50 cents or more)

Thus, an opportunity will be given to all grid fans in this section to see a fine football game and, at the same time, to aid in National Defense.

Those in charge of the affair have endeavored to even the strength of the two opposing teams and have restricted the Alumni to players under 21 and have also banned those playing on college or semi-pro teams. The grade will, however, be able to send sufficient stars into the fray to cause the charges of Coach Curtis considerable trouble before the afternoon is over.

The contest will fill a date originally slated for Camden Catholic, but the Irish have given up the sport this year.

The committee in charge of arrangement is headed by George Durgin, member of the Palmyra Board of Education.

Sale at Stadium

The Palmyra and Riverton post office will have clerks at grounds to sell stamps or bonds and The Red Cross will have workers at gate to receive donations.

The Boy Scouts will receive and weigh the scrap which will be sold and funds divided between the U.S.O. and the Red Cross.

Everybody has to earn a ticket—players, game officials, school officials, newspaper men, etc.

Salvage Campaign will be conducted in Cinnaminson Township during the period October 19 to 26, according to an announcement made this week by Robert J. Woods, chairman of the salvage committee in that community.

All residents are asked to place all metal and rubber scrap articles in front of their homes on Mondays, October 26 and trucks will stop to pick it up.

Three salvage centers have been established as follows:

Parry Fire House.

East Riverton Fire House.

Northwest corner of Route 25 and Moorestown road.

The whole-hearted cooperation of all residents of the township is urgently requested.

ENGAGED

Walter L. Turner, of 436 Leconey Avenue, Palmyra, has announced the engagement of his daughter, Betty Anne, to Wesley Davies, son of Mr. and Mrs. Wesley W. Davies, of Morgan avenue, Palmyra. No date has been selected for the wedding.

Generosity has always been a characteristic of the "American Way." Now you can give to the American boys who need your help by giving your old scrap metal, scrap rubber and scrap textiles.

Note to Public: Do not ask gasoline Dealers to violate the regulations.

AT FOX RIVERSIDE FRIDAY AND SATURDAY

Hedy Lamarr and William Powell are co-starred for the first time in the stirring romantic drama of blackmail and intrigue, "Crossroads." The story is laid in Paris before the present war.

About Town

Mrs. Henry W. Shreve, of Penn Street, Riverton, left this week for Los Angeles, California, where she will spend several weeks with her granddaughter, Mrs. DeVer K. Warner. Mrs. Warner is the former Mrs. Dorothy Worcester Sargent, daughter of Mr. and Mrs. Gorman P. Sargent, Main street, Riverton.

Mrs. Thomas A. Cashin, of Elm Terrace, is convalescing at Zurburg Memorial Hospital, Riverside, following a recent operation.

Charles F. Leuner, son of Mr. and Mrs. Paul Leuner, of Cinnaminson, has recently been promoted to the rank of Corporal.

Corporal and Mrs. Harry Paul are receiving congratulations on the birth of a daughter, on Monday, October 19, at the Zurburg Memorial Hospital, Riverside. Mrs. Paul will be remembered as Miss Anne Cardea, of Elm avenue, Riverton.

Michael E. Faunce, son of Mr. and Mrs. Edward Faunce, of Seventh street, Riverton, left this week for Nashville, Tennessee, for training as an Army Air Force Cadet.

BIRTH

Sergeant and Mrs. O. S. White are receiving congratulations on the birth of a daughter, Patricia Helen, on Thursday, October 8, at the West Jersey Hospital. Mrs. White will be remembered as Miss Marion Speaker, of Cinnaminson.

BIRTH

Mr. and Mrs. George Fichter, of Delaware avenue, Palmyra, are receiving congratulations on the birth of a daughter, Marilyn, on Tuesday, October 13, at the Zurburg Memorial Hospital, Riverside.

Mrs. Fichter is the former Marion Hainer, of Riverside.

CARD OF THANKS

To our kind friends: We gratefully acknowledge and thank you for your expressions of sympathy in our great hour of need.

CO-OP ASSOCIATION OPENS OFFICE HERE

The Jersey Fruit Cooperative Association recently moved its office from Camden to the Collins Building, Riverton.

This organization of which Clement B. Lewis, of Riverton, is president, is composed of most of the leading apple growers in New Jersey and specializes in farm to store deliveries, thus insuring that consumers get the fruit in the best possible condition.

Jerre White is the manager of the Riverton office.

CAR CRASHES

A car driven by E. J. Feso, of Philadelphia, ran into a greenhouse at Park avenue and Park Landing road on Tuesday of this week, causing damage to the extent of \$500.

Chief Eric Velteneimer of the Cinnaminson police, conducted an investigation.

LOSE TO HADDON HEIGHTS

Palmyra lost another tough decision last Saturday afternoon on a rain-soaked field at Haddon Heights, a first period touchdown by the opposition providing the margin of victory in a 7-0 fracas.

Haddon Heights received the opening kickoff and started to a quick score. There were no other sustained offenses by either eleven and, due to the condition of the field, both teams confined themselves to straight football and waited for a break that never came.

The Red and White faces a difficult assignment in the local stadium on Saturday afternoon of this week when Burlington comes to town. The lads from up the river have the distinction of being the only Group 2 team in South Jersey with an unblemished record.

The Curtainsmen, sooner or later, are going to win one and it might be this Saturday.

PENNY MILK PROGRAM

What is known as the Penny Milk Program was started this week at the Riverton Public School, provision being made whereby pupils can purchase a half pint of milk each day for one cent.

This project is subsidized by the Agricultural Marketing Administration of the Federal Government and is sponsored locally by the Riverton P.T.A., the latter organization paying one quarter of a cent per bottle for the milk. The government thus pays the dealer the difference between 1 and one half cents and the market price of milk.

INTERESTING PROGRAM AT WOMAN'S CLUB

A program entitled "American Woman, Your Number Has Been Called," was enthusiastically received by a large number of club members and guests at the Woman's Club of Palmyra, Monday afternoon, October 19. The program was designed to show the various volunteer services available to women and included short resumes of the following: Red Cross services, each speaker wearing the uniform of her particular service:

Staff Assistants—Mrs. William Munro.

First Aid—Mrs. James Weart.

Canteen—Mrs. John Hoepfner.

Nurses' Aides—Mrs. Helen Reiter.

Motor Corps—Mrs. Julia Elsiey.

Home Nursing—Mrs. Charles Porter.

Blood Donor Service—Mrs. Clarence Hubbs.

Gray Ladies—Mrs. Ed. Hughes and Mrs. Ed. Black.

Production—Mrs. R. P. May and Mrs. Caroline Hirsch.

Mrs. Milton Klotz, Chairman of Palmyra Branch A.R.C., gave a short and interesting talk on further activities of the Red Cross.

Mrs. Hugh Morton described her work as an airplane spotter in a poem styled after "The Midnight Ride of Paul Revere."

The entire program was under the direction of Mrs. William T. Miller.

PROTECT THE HOME FRONT

Having confidence in the Government and in the leaders of the armed forces, I am content to leave the day of the Second Front to them.

But there is another Front for which you and I are individually responsible. About it we must ALL be concerned.

It is the Home Front. It is our personal responsibility to the nation and our duty as Americans to our sons in the armed forces to maintain the Home Front and guarantee that no part of the American way of life shall be forfeited.

This we can only do by living the American ideal and by freely and earnestly exercising our rights as citizens.

Tuesday, November 3, is Election Day when all qualified voters have the democratic privilege as freemen of exercising their franchise in helping to choose their legislative representatives.

Just as our battle-scarred marines in the Solomons must be ever watchful of the foe, so must all at home jealously guard the freedoms for which they are fighting.

Vote on November 3.

son, grandson and great grand-son, representing the parent club. Thomas L. Vanderslice, president of the Camden delegation, brought greetings, as did past district Governor Paul Engle. The speaker of the evening was Dr. Ivor Griffith, of the Philadelphia College of Pharmacy, who spoke of the amazing contributions being made to the war effort by science in the area of conquest of the air. Camden Rotary quartet sang a new arrangement of the old favorite "McNamara's Band."

Luke Eberly introduced the visiting speaker, to whom he had gone as a pharmacy student years ago. Robert Adams, president of the local club, in presenting Mr. Eberly to our sons in the armed forces, stated that Mr. Eberly had himself been a professor in Philadelphia College of Pharmacy, for period before entering business locally.

Dr. Griffith, a native son of Wales, came to this country at the age of 17, and is a member of the Royal Society of Arts in London, and of the American Society for the Advancement of Science, and is president of the Philadelphia St. David's Society. He referred to himself as

Help clear the lines
for the rising tide of War Calls

War use of the telephone is tremendous—and growing. But the present telephone system cannot be further enlarged—copper and other materials must go for munitions rather than for more telephone wires and switchboards.

What we now have must serve throughout the war emergency. Your help is needed to keep the rising volume of war messages moving promptly.

LONG DISTANCE... Make only necessary calls and avoid rush hours. If possible call before 10 a.m., between noon and 2 p.m., between 5 and 7 p.m., or after 9 p.m. Plan your call to make it brief and effective. Call by number when you can; it usually means a quicker connection.

LOCAL CALLS... Make it a family rule to avoid unnecessary calls and keep all conversations brief. Be sure you have the correct number. Consult your Telephone Directory before calling "Information." Answer promptly, and give persons you call time enough to get to the telephone. If you share a party line, be considerate of your neighbors on the line.

"RESPONSIBILITY DAY" SCHEDULED FOR PALMYRA

At the meeting of Palmyra Borough Council last week former Mayor George N. Wimer announced that the Palmyra Defense Council was planning a special demonstration for Armistice Day, November 11.

The theme of the day's celebration will be the duties of every citizen in the present World War and the name of the day will be "Responsibility Day."

Many people, said Mr. Wimer, are taking the present struggle too lightly. They do not know the tremendous dangers facing their country and are content to sit back and let the other fellow do it.

The aim of the program will be to arouse the enthusiasm of the people and make them conscious of the grave responsibility each citizen has. Save \$14,000

A new refunding plan, designed to save the taxpayers of the borough \$14,000 during the next 12 years, was approved on motion of Councilman Engle. Outstanding borough bonds in the amount of \$28,000, now bearing 4½ per cent interest, will be called and resold at a rate of interest that is not expected to be over 2½ per cent.

Councilman Huyett initiated a move to have a special plaque erected on Borough Hall grounds bearing the names of all Palmyra men in the service. Councilman Flynn had already prepared an attractive design for the plaque and work will be started immediately. A committee composed of Mr. Huyett, Mr. Flynn, Joseph L. Stack, Robert May and Frank Chambers, was named.

The Mayor made a Safe Driver award to the men who handle the

borough trucks, John Patterson, Harry Karn and Percy Grimes. They have driven commercial vehicles 11 years without accident.

Junk Money for Defense

Reporting on the recent junk drive, Councilman Huyett said the scrap had been sold to a junk dealer for \$400 and the money turned over to the Defense Council to help reduce taxes for that purpose next year.

Another junk pile has been started, Huyett said, and he urged the public to continue to contribute as much as possible. The Borough trucks will haul all accumulated scrap if the town headquarters are notified.

Receptacles are to be placed at tobacco and newspaper stores for the deposit of glass keys, which are badly needed for scrap brass.

Councilman Mervine protested the discontinuance of the Leconey avenue bus stop and an effort will be made to have Public Service readjust the stops for the greater convenience of the public.

BIG G.O.P. RALLY AT MOORESTOWN

Moorestown will borrow from the past the spirit to face the future. Undaunted by scarcity of rubber and gas the Republicans of Moorestown, have planned the most colossal rally and parade that Burlington county has seen in many a decade. Automobiles are out. No passenger cars will be permitted in the parade. Every Republican horse for miles around will live for, because on Wednesday night, October 28, at 7 o'clock, he will stretch his legs in a spectacular presentation of horse-and-buggy enthusiasm, through the streets of Moorestown, pulling wagon-loads of loyal Republicans to the Community House.

Here will be presented to the voters the town and county candidates for the November election and it is possible that some of the state candidates will be present. It is certain that one of New Jersey's ablest speakers will make this a memorable evening, for the guest speaker of the evening will be none other than Wheeler McMillen, dynamic six-foot farmer and journalist, present editor-in-chief of the Farm Journal and the Farmer's Wife and president of the National Farm Chemurgic Council.

Mr. McMillen is a writer and thinker in direct touch with two and a half million farm families, a man whose early life included real hog and sheep farming, a pioneer in the discovery of non-food markets as an outlet for agricultural expansion.

He will challenge the thinking of every farmer, and every man dependent upon the farmer, in the county of Burlington and far beyond.

There will be a cash prize for the largest crowd from outside Moorestown.

town that arrives on any one vehicle, buggy, boat, or balloon, and another cash prize for the group of five or more that comes the greatest distance without the use of gasoline. The cider barrel will be running free. There will be a band and flaming torches in the great parade.

SCHOOLS COLLECT SCRAP

The pupils of the Sacred Heart and Riverton Public Schools are aiding materially in the salvage campaign, several hundred pounds of scrap having been collected at each location. The drive is still in progress and the final total will probably be much larger.

Sunday's program in Epworth Church will be as follows.

9:45—Church School in all departments and organized classes.

11:00—Morning Church Worship when the Pastor will have for his sermon topic "The Means of Grace."

A cordial welcome is extended to all who attend.

7:00—Youth Fellowship devotional meeting with Miriam Pike as the leader and principal speaker.

7:45—Evening Church Worship. The Pastor will continue his series of short sermons on Joshua, using for his subject "The Extension of the Kingdom."

A fine musical program has been planned with the young people taking a prominent part. Come out and enjoy this fellowship.

Monday at 7:30 will be the beginning of Youth Fellowship Institute at Moorestown. The Institute will last for six successive Monday evenings. The first hour will be two Bible courses; one on the Old Testament, taught by the Rev. Nelson Moore; and the other on the Parables of the New Testament taught by the Rev. D. Roe Haney.

Tuesday at 12:30 the Friendship Circle will have a covered dish luncheon at the home of Mrs. Irene Parsons, 1120 Morgan Avenue.

Wednesday at 10 o'clock there will be sewing for the Red Cross under the direction of the Women's Society for Christian Service. At 8 o'clock Prayer Meeting will be conducted by the Pastor. We ask you to read the sixteenth chapter of the Book of Romans and come with prayerful hearts.

Thursday at 10:30, the Women's Society for Christian Service will observe a Day of Prayer. Following this meeting there will be a sacrificial luncheon. Mrs. Daisy Keach will give her Bible lesson on "The Highlights of the New Testament" following the luncheon. At 7:07 the Youth Division of the Church School will have a very mysterious and attractive Halloween Party.

Friday at 3:45 the Junior Choir rehearsal, and at 7:45 the Senior Choir rehearsal.

EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

A. Moulton McNutt will address the class this Sunday.

WOMAN'S CLUB TRIP

ON OCTOBER 29

On October 29th members of the Palmyra Women's Club will take a "Jaunt Through Old Philadelphia," with David I. Moore acting as guide.

The group will leave the Palmyra station by regular bus not later than 9:30 a.m. Members having other means of transportation to Philadel-

cott, of Morgan avenue, Palmyra, at a four o'clock ceremony in St. Paul's Evangelical Lutheran church, Mt. Holly, with the Rev. Charles E. Bix, pastor of the church, officiating.

Following the ceremony, a reception was held in Newlin's in Moorestown. On their return from a wedding trip, Mr. and Mrs. Lippincott will reside at 311 Bank avenue, Riverton.

The bride was given in marriage by her father and wore a gown of traditional white satin, designed on princess lines and with a long train. Her tulle veil was fingertip length and fell from a tiara of orange blossoms and she carried white roses.

Miss Elizabeth Janet Melcer, as maid of honor and her sister's only attendant, wore ice blue slipper satin and a matching short veil held by a tiara of yellow pom-pom chrysanthemums. Her bouquet was of yellow chrysanthemums.

Mr. Robert Lewis Lippincott, of Riverton, was best man for his

THIS CAR IN YOUR WARTIME SERVICE

If you Really Need a Car, you can—and should — get a New One NOW!

This car wants a wartime job!

It's ready and eager to get out helping someone do his part in the war effort—you'll be doing your country a patriotic service if you'll put it to work at a really needful job, instead of letting it stand idly by.

This is one of many brand-new, unused, 1942 models built before automobile production ceased—models that are safer, more dependable and, in many cases, more economical to run than older cars which have passed their prime.

That is why present car-buying regulations take into consideration the age and condition of your present car as well as the use you make of a car.

Thus if you are included in any of the seven major classifications of eligible buyers, chances are that you not only can but should replace your present car with a new one now.

You will ride on tires with their whole life before them. In this car, you'll travel behind a Buick FIREBALL valve-in-head straight-eight engine that makes the most of every single drop of fuel and oil.

Even the wheels in this Buick help get maximum mileage from tires, because the whole car is built to serve you through the duration.

If you NEED a new car...
"Better Buy Buick!"

MOORESTOWN MOTOR CO.
219 West Main Street Phone Moorestown 77
MOORESTOWN, N. J.

IF YOU ARE INCLUDED IN THIS LIST, YOU'RE ELIGIBLE TO BUY

There are seven major classifications for persons eligible to buy new cars under basic rationing rules.

These include: (1) persons engaged in the production of war materials or the prosecution of the war, directly or indirectly; (2) physicians, nurses, clergymen, veterinarians; (3) car-owners engaged in public service, such as fire departments, public health, highway maintenance, etc.; (4) owners of taxicabs and other means of transportation; (5) farmers; (6) newspaper wholesalers; and (7) traveling salesmen in certain fields.

Your Buick dealer will be very glad to help you determine whether you come under the rules of eligibility. He will also be glad to help you fill out the proper applications.

Don't guess about your eligibility—see your Buick dealer now and make sure.

The panel lists the seven major classifications of car-owners who are eligible to buy new cars now. If you are included—or think you might be—see your Buick dealer now about giving one of these eager beauties a wartime job to do.

Buick factories have been all-out on war production for months—but Buick dealers can make immediate deliveries from large and complete stocks.

"DIVIDE AND CONQUER"

NEW ANTI-AXIS FILM

France! Belgium! Norway! Holland! They were all victims of Hitler's Divide and Conquer propaganda. Set class against class, religion against religion, people against their government and the victim will be an easy prey.

Right now, Nazi agents (we call them fifth and sixth columnists) are trying to soften up America with their rumors and whisperings. It is everybody's job to see that Hitler's formula doesn't work here.

That's the message of Warner Brothers' outstanding short subject, "Divide and Conquer," coming to the Fox Riverside Theatre on Sunday and Monday.

ON THE FAMILY FRONT

Timely Ideas—from ways of preparing that now-seasonal good old American apple to storing summer clothes—flooded into the Farm Security Administration this week for use on the Family Front.

Apples—Apples, grown in every state except Florida, and with one-fourth of the nation's crop coming from North Atlantic states, will be a Victory Food Special between September 17 and 26. Use them. Don't let the late Summer or early Fall perishable varieties go to waste.

They can be made into salads, put up in apple sauce for winter months, cooked as baked apples, apple turn-

Gloves: Stop losing them by making a little glove holder. Attach it to the handbag—and sew your name inside, just in case—Make sure they fit well. They wear longer if they do. Work, don't pull them off. Ease, don't pull on. Wash washable gloves (chamois and doekskin excepted be-

cause they'd stretch) while they are on your hands; don't rub or brush them; shape them by blowing into fingers and putting them on just before they are dry. Mend promptly (always with cotton thread on leather, because silk cuts). Umbrellas: superstitious notwithstanding, leave 'em open to dry or they'll rust or mildew. Sunday Services, 11:00 a.m.
Wednesday, 8:00 p.m.
Reading Room in Church Building, Thomas Avenue and Seventh Street, Riverton, open Tuesday and Friday, 2:30 to 4:30 p.m.

"Probation After Death" is the Lesson-Sermon subject for Sunday, October 25, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "He that overcometh, the same shall be clothed in white raiment." (Rev. 3:5)
Among the Lesson-Sermon citations is the following from the Bible: "Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me." (Psalms 23:4)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Life is the origin and ultimate of man, never attainable through death, but gained by walking in the pathway of Truth both before and after that which is called death." (p. 487)

CHRISTIAN SCIENCE PROGRAM TO BE BROADCAST
The "Chapel of the Air" of the Mutual Broadcasting System will present a Christian Science program at its regular hour, 11:35 a.m., Sunday, October 25. Mr. John A. Meeker, a former First Reader of a Christian Science church, will conduct the program which can be heard over WOR, New York City, or WIP, Philadelphia.

CALVARY PRESBYTERIAN CHURCH
Fourth and Lippincott Ave.
Riverton, N. J.
The Rev. R. B. Stewart, Pastor

Tomorrow (Friday) evening at 8 o'clock, the members and adherents of the Calvary Church will gather in the church school auditorium to extend an official welcome to their new pastor and his family. Invitations have been mailed, but if you are an adherent of the Calvary Church and your name has been inadvertently overlooked, please accept this notice as your personal invitation.

The Calvary Church School is now organized in every department, and under the able leadership of Harold Stevens is deepening and broadening its Christian service to every age group. The Church School assembly opens each Sunday morning at 10 o'clock.

How do you account for the fact that so many people are praying today—for peace and security and a return to sanity among men, and yet so little is happening that would seem to indicate an affirmative answer to these prayers? How do you reconcile in your own heart the fact of the silence of God in times like these? At the service of divine worship next Sunday morning, beginning at 11 o'clock, the pastor's sermon theme will be, "The Silence of God." The choir will render the anthem, "Fear Not, O Israel," by Spicker. There will be a sermon for the junior congregation, and the junior choir will also provide special music.

The church nursery will be in charge of Mrs. Melvin Kreps, and all parents who wish to have their babies or children cared for during the hour of morning worship will take them to the primary department of the church school between 10:45 and 11:00.

At 7 o'clock Sunday evening, there will be a special candlelight service of consecration and installation. All officers of the junior, intermediate and senior Christian Endeavor groups will be installed at this time, and a hearty invitation is extended to all parents and interested adults

to be present at this very impressive service. It helps the children and young people to be loyal and enthusiastic when they have the assurance that older people are interested in their spiritual welfare and growth. This is their first C. E. installation. Do your part to make it memorable. The Calvary Missionary Society has been very fortunate in securing the services of Miss Francis Tencote, a missionary recently returned from India. She will be the speaker at the monthly meeting of the Society to be held on Wednesday, November 4. Her subject will be "India."

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra
Rev. S. Dan Morgan, Pastor

Arrangements are being made for the entertaining of a number of boys in the U. S. Service this Sunday when the members of the church will be their hosts. Through the efforts of Mrs. F. Easley, the Pastor, and the cooperation of the members, this fine piece of work continues. It is hoped that these boys will be welcomed by a large congregation.

Services, Sunday, October 25. Bible School, 10 a.m.—So much has to be crowded into the hour set aside for the school it is very essential that the opening exercises start promptly. Superintendent Wood made an appeal that every member make it convenient to be in his or her class so that this is made possible. The school is enjoying large attendances but there is still room for more. If you have a friend or neighbor who is not attending any school or church, consider it your privilege of inviting him to "Central Baptist."

Morning Worship, 11:15 a.m.—"The Radiant Athlete" will be the subject of Pastor Morgan's sermon, which will be preceded by an anthem to be sung by the choir, "I Am Alpha and Omega" by Stainer. Mrs. Elsie Hughes, soprano, will be soloist of the morning.

B.Y.P.U., 7:00 p.m.—The Senior group will meet at this hour in the Sunday school room for a very enthusiastic and interesting meeting. Evening Worship, 7:45 p.m.—An

increasing number are commencing to appreciate the value of attending the evening service. Last Sunday evening's attendance gave evidence of this fact. You, too, will find this a very helpful service. The Pastor will talk on "Paul's Gospel Our Guide." The choir will sing Andrew's "Build Thee More Stately Mansions."

Wednesday evening at 8 o'clock is the Mid-week Prayer and Praise service for the benefit of all who need a

spiritual uplift in these perplexing days.

NOTICE

Canning sugar will not be rationed after October 15, according to an announcement made this week by the rationing board in Palmyra.

Draw the curtain of night upon injuries; shut them up in the tower of oblivion and let them be as though they never had been.—Francis Bacon.

CHANGING STANDARDS

CHANGES IN THE AMERICAN STANDARD of living brought about by priorities and rationing were inevitable. But whatever sacrifices must be made to insure victory, we all know that we are helping to win what we must and shall win—a continuance of our democratic fellowship of freedom.

THE HIGH STANDARDS OF SERVICE, so long maintained by this organization, have not been lowered. The restrictions in the use of construction materials has not prevented the making of beautiful, durable caskets of distinguished craftsmanship. We continue to provide appropriate funerals of fine quality at prices set by the families when they make arrangements.

Keep Fit To Do Your Job

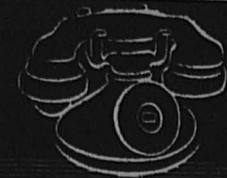

OFFICE WORKER, you list yourself, thinking it pretty unglamorous these days. But even if unconnected with a war industry, your work is important to the men behind the men behind the guns.

A day's absence, a week's lassitude, can set a schedule off keel. It's your business to keep as healthy as possible, so get the rest you need, take the exercise you require and eat the right foods. You may think you do that now, but do you really know what are the right kind of meals for you?

If you wish, our Home Economics Department will help you work out menus, give you recipes and suggest meals that are both nourishing and easy to prepare.

YMCA BRIEFS

There was a special meeting of the Board of Directors of the Palmyra-Riverton Y.M.C.A. on Sunday, October 18. The directors assembled to meet Lawrence R. Coolbaugh, of Palmyra, who will assist with the Y.M.C.A. activities in this community. Mr. Coolbaugh was presented to the Board by President George N. Wimer. Plans for the winter program were discussed and Mr. Wimer stressed the importance of leadership for younger boys in these troubled times. Due to war work, the Board has been working by committees for several months. The committees are as follows:

Spiritual Welfare, Floyd W. Spahr, chairman; Wilmer Swain, Emerson Gregory.
Office Contact, John F. Ward, chairman; Richard M. Woodward, Burton Conway.
Finance, Charles B. Marple, chairman; Victor Ritschard, Robert G.

GENERAL ELECTION NEXT TUESDAY

Interest in the General Election on Tuesday, November 3, seems to be centered on the outcome of the U. S. Senatorial race between Albert W. Hawkes, G.O.P. candidate and William H. Smathers, Democrat. Both have waged an intensive campaign and, while it appears certain that the Republican slate will receive a fine majority, Democratic strength will probably prove surprising, especially in the vote at the top of the ballot.

The Republican candidates, in addition to Hawkes, are: Member of the House of Representatives: D. Lane Powers; State Senator: Howard Eastwood; Member of the General Assembly: Arthur W. Lewis; Coroner: John R. Coates; Member of the Board of Chosen Freeholders: LeRoy Church and John M. Chant. The Democrats have Smathers for the U. S. Senate; William Homer Thompson, Jr., for the House; James M. Davis, Jr., for State Senator; Edwin B. Perry, for Member of the General Assembly; John E. McGoldrick for Coroner and Clinton M. Cowperthwaite for Freeholder.

No Local Contests
The local situation is a mere formality, since none of the Republican candidates are opposed and nomination was practically equivalent to election.

In Riverton, J. W. Sylvester and Nathan Lane will be re-elected members of the Borough Council for a full term and S. Robinson Coale for the unexpired term of Major Earl Shrader.

In Palmyra, Charles K. Mervine and Paul VanSant will be the choice of the voters for members of the governing body in that community, while Vernon Stone will be elected justice of the peace.

Robert Woods will be elected member of the Township Committee in Cinnaminson, while Harold R. West will be re-elected Township Clerk.

There are few municipalities in Burlington county where major local contests have developed and political leaders, fearing indifference on the part of the voters are making a strenuous effort to arouse the interest of the citizens in the county and State candidates.

The Porch Club

Janette H. Foster, M.A., B.F., B.S. in L.S., Ph.D., Associate Professor of Library Science at Drexel Institute of Technology, will speak at the Porch Club on Tuesday, November 3, at 2:30, following a short business meeting. Professor Foster's subject will be "What Reading Does to People."

Mrs. John Abell, chairman of literary program committee, will serve tea at the conclusion of the afternoon.

INSTRUCTION COURSE FOR AIR RAID WARDENS

Another instruction course for air raid wardens begins tomorrow (Friday, October 30) at 7:30 p.m., at the public school building, the Riverton Defense Council announced today.

The course will be held on successive Friday evenings through December 4 with the exception of November 20. Each session will be approximately two hours long.

Designed primarily for the education of recently appointed air raid wardens, the course will also serve as a refresher for those already enrolled, and the entire local air raid warden group is urged to attend.

There is nothing respecting which a man may be so long unconscious, as of the extent and strength of his prejudices.—Jeffrey.

THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, OCTOBER 29, 1942

PRICE FIVE CENTS

LOCAL ROTARIANS COLLECT OLD KEYS

There's fighting metal in your old keys, and the Navy needs twelve million pounds of nickel silver, which will be used by them in producing navigation precision instruments and in making big gun sites. Nickel silver is found in keys of the Yale and Corbin types, and is valuable scrap.

The War Activities Committee of the Palmyra-Riverton Rotary Club has placed red and white Victory Key-Kans in the local post offices and stores, and asks that you go over your old keys at once, and turn them into fighting power, by dropping them into the nearest Victory Key-Kan this week.

The collection campaign will be managed by Walter Lamon in Palmyra and by Charles Woolston in Riverton. The Rotary Club is co-operating with the Paper and Twine Club, a national organization of paper men, who are sponsoring this project.

CONSERVE HEALTH

These days we're being taught to conserve everything! Where once the electrical industry tried its best to sell us all kinds of new gadgets, now we're being told how to "Patch 'er up and make 'er run!" Motorists are being advised to have their cars checked once a month by an expert and to be sure that their tires are inspected as regularly. That's because few of us can get a new car or a new tire. But what about you—your body? What are you doing to keep it "on the road?" If you're so interested in taking care of your car, isn't it about time you started taking care of your body? Here again, you can't get a new one, you know!

That's the message sent to the people of Riverton this week by the Health and First Aid Committee of the local Defense Council! Working on the theory that "an ounce of prevention is worth a pound of cure," the Committee suggests that these Fall days are a splendid time for an annual check-up by your family physician, just to be sure that you are in good shape to come through the winter with flying colors.

It's like asking a mechanic to go over your car and tighten up a few bolts here and there—takes only a few moments, yet may save you paying for a big repair job later on. And you CAN get along without your car for a week or two—but you can't get along without your body!

So make a date with your family physician for a complete check-up of the family some time soon! It will help keep you healthier, and, best of all, it may prevent a serious illness that would take up a lot of the physician's precious time later on. Our remaining doctors are busy men, are working longer hours than many of us would imagine possible. We've got to keep them healthy, to keep our community healthy. For if they break down just as an unexpected epidemic arrives, we may see many an avoidable tragedy. So let him help keep you healthy and you'll help keep him healthy! And one of your biggest helps would be to see that he gets a good night's sleep. Don't call upon him for an after dark visit to your home unless it's absolutely necessary. Phone for him in the morning if you can.

Public Health is a community responsibility. With the pressure of war activities it is easy to forget the existing organizations which have served us for many years. So let's put our shoulders to the wheel and make our Community one of which we shall be proud.

A sound mind in a sound body is essential for civilians as well as the armed forces if our Democracy is to survive. Democracy must survive. Treasurer's Report

Annual Report Of Visiting Nurse Society

The following is the annual report of the Visiting Nurse Society of Riverton-Cinnaminson-Palmyra as submitted by Mrs. Elizabeth M. Ritschard, chairman of the organization:

Public Health is of vital importance. We, of the Visiting Nurse Association, are aware that greater demands are being made upon our physical and mental energies. It is the responsibility of every citizen to safeguard his health.

We, of the Visiting Nurse Association, are aware that greater demands are being made upon our physical and mental energies. It is the responsibility of every citizen to safeguard his health. We, of the Visiting Nurse Association, are aware that greater demands are being made upon our physical and mental energies. It is the responsibility of every citizen to safeguard his health.

The National Red Cross is making a great effort to help this situation by encouraging young women to study nursing, or to become Nurses' Aides. Women are urged to take courses in Home Nursing and Nutrition.

All of these efforts will promote better health in the Nation. We must become health conscious.

Many Visits
During the past year Miss Blair and Miss Cook carried on their work as usual. They made 2807 visits throughout the year. Their work consists of bed-side care, school nursing, teaching prevention of diseases, urging patients to attend hospital clinics and conducting a Well-Baby clinic every other week. Since the hospitals have been forced to curtail their clinics, we have had less patients to transport to Burlington County Hospital. 27 patients were taken in 19 cars by volunteers. We are most appreciative of the faithful service which these volunteers perform.

Because we are living in such a chaotic era, we Board Members of the Visiting Nurse Society have tried to take "account of stock," so to speak. We have decided to sell the Nurses' Home and thus lessen our overhead. It is increasingly difficult to care for the property. The nurses will live independently. The Palmyra Borough Council has arranged for our organization to have office space in its new Town Hall. We feel very grateful to the Council for its co-operation, and we shall do our utmost to make this new arrangement successful.

Public Health is a community responsibility. With the pressure of war activities it is easy to forget the existing organizations which have served us for many years. So let's put our shoulders to the wheel and make our Community one of which we shall be proud.

FUEL OIL RATIONING

Registration of fuel oil and kerosene dealers, scheduled for Tuesday and Wednesday (October 27 and 28), has been delayed once more due to lack of the dealer registration forms because of printing and transportation difficulties. State OPA headquarters told dealers, however, that they may come to the rationing boards for consumer application forms to distribute to their customers.

In this way, State rationing officials pointed out, consumers will not be held up in filing application forms with rationing boards. Consumers were urged to fill out the applications immediately and mail them together with the dealer's certified statement of their fuel purchases last heating season.

OPA indicated that the dealer registration forms were expected at any moment, and that an announcement of their availability would be made immediately upon receipt.

ALUMNI PRACTICE FOR BENEFIT GAME

The Alumni squad which will oppose the Palmyra High School varsity in the local stadium on Saturday, November 14, at 2:30 p.m., is rapidly setting into shape to give the scholastics a tough battle in the benefit clash slated for that date.

Although the Alumni is restricted to players under 21 and will not be allowed to use college or semi-professional players, Heister will have available such former lettermen as Brewster, Flournoy, Caldwell, Van Emburgh, Lippincott, Grimes, Washington, Fichter, Lamon, Freund, Dietz, Broehme, Mickie, Groome, O'Neil, Hoff, Sandos, Stickle and Villari.

The grads are holding strenuous workouts under the capable direction of K. C. Dimond.

Admission to the game will be by several methods, all aiding most worthy causes:

A contribution of 10 pounds or more of scrap metal or rubber.

The purchase of a War Savings Stamp in the amount of 50 cents or more, or the purchase of a War Savings Bond.

A donation of 50 cents or more to the Red Cross.

Pupils at the local schools can leave their scrap "admission" at the schools and receive their tickets there.

Proceeds from the sale of the scrap will be divided between the Red Cross and the U.S.O.

SCRAP DRIVE AND PARADE

On Friday, October 30, the boys and girls of the Spring Garden and Cinnaminson Avenue Schools will open their scrap drive with a parade. The children will form in line on the playground just preceding the afternoon session at one o'clock.

Each child is busy finding some scrap to bring for the parade. Those who find the load too heavy to carry are planning to use express wagons, doll carriages or some other form of transportation for it. In cases where the load is extremely heavy, arrangements are being made to have a truck call at the home for it.

Flags and banners will be displayed in the short parade and the children have been learning some lively songs for the occasion. The drive for scrap will be continued in the school until November 6.

Each child who contributes scrap to the drive will receive a ticket to the Victory Football Game November 14. If the child attends the game, parents should accompany the child in grades Kindergarten to Fifth, inclusive.

Money received for the scrap will be contributed to the Red Cross and the U.S.O.

Community Chest Drive Going On Now

The Advisory Committee of the Community Chest, representing the four charities usually included in the drive has decided to broaden the collection to include the Zurburg Hospital. The reason for this action is that a very large percentage of the charitable work done in these two communities is performed at the Zurburg Hospital and it seems only proper that it should be included in the collection.

In view of this fact, percentages of the funds collected, awarded to the various institutions, will be altered so as to include the Zurburg Hospital in the final distribution will be decided by the Advisory Committee which is composed of a representative of each one of five charities included in the Community Chest.

Representatives of the various organizations on the advisory committee are:

J. Carl De La Cour—Visiting Nurse Society.
Walter K. Woolman—Welfare.
Alexander C. Wood—Burlington County Hospital.

Henry L. Randall—Zurburg Hospital.

Harry F. Jones—Cinnaminson Home.

James S. Coale—Chairman.
In addition to the Zurburg Hospital, the organizations which will be aided by the drive are the Visiting Nurse Society, the Riverton-Cinnaminson Welfare Association, the Burlington County Hospital and the Cinnaminson Home.

The campaign, which got under way on Monday of this week, is headed by Douglas Beck Tyler as chairman.

Those collecting are:

1—Charles Carpenter, Captain; Richard Lippincott, Archibald Bush, Dewees Showell, Edward McVaugh, Paul Musso.

2—Walter S. Barclay, Captain; Mrs. Joseph Morgan, Mrs. James Barker, Mrs. T. Bruce Dickson.

About Town

Miss Elizabeth B. Barclay, daughter of Mrs. Richard D. Barclay, of Lippincott avenue, Riverton, a freshman at the Women's College of Middlebury, has been elected vice president of her class.

George C. Conover, of Elm terrace, Riverton, was presented a gold watch last week by the members of the Newspaper Publishers Association of Philadelphia in appreciation of his leadership in the drive to provide the steel mills with much needed scrap. The presentation was made at a testimonial luncheon held in honor of Mr. Conover.

Clement B. Lewis, son of Mr. and Mrs. C. B. Lewis, of Park avenue, Riverton, has been pledged by Alpha Sigma Phi at Middlebury College.

Ralph L. Johnston, of East Riverton, has been commissioned a Second Lieutenant in the Army of the United States at the Infantry Officer's School at Fort Benning, Ga.

Private and Mrs. Glen R. Grout spent last week as the guests of Mr. and Mrs. James Ballantyne, of Garfield avenue, Palmyra. Private Grout has returned to his post at Dalhart, Texas.

E. Reeves Morgan, of Palmyra, has been retained as the county adjutant by the new county legion commander J. Madison Whomley, of Burlington. Clinton B. Gardner, of Palmyra, will represent the executive committee for civilian defense. Charles Yost, of Riverton, Past County Commander, is chairman of the Internal organization committee, with Frank Mathews, of Riverton, as the legion friend for the veterans in the county.

The regular meeting of the Palmyra Junior Women's Club will be held at the club house Monday, November 2nd, at 8:15.

A program entitled "Clothes Clinic" has been arranged by Miss Lisa Stein. The speaker of the evening will be Miss Grace Evald. Now is the time to find out what to do with that dress you don't know what to do with, but hate to give up entirely. The American Home Department will appreciate old wool that can be used in knitting a blanket. Please bring what you have to the meeting.

Apprentice Seaman Frank J. Rusch, 20, son of Mr. Philip Rusch, of 268 Randolph Street, Riverton, has graduated from the Naval Training Station. He will be sent to a Navy trade or technical school for special instruction, a shore base or a ship of the fleet.

BIRTH

Mr. and Mrs. Jules Wery of Egg Harbor City are receiving congratulations on the birth of a daughter, Annabelle Holbrook, on Tuesday, October 20th, at the Atlantic City Hospital. Mrs. Wery is the former Virginia Beagle, daughter of Mr. and Mrs. C. R. Beagle, of Thomas avenue.

PALMYRA TIPS BURLINGTON FROM UNBEATEN RANKS

In a decided upset, the Palmyra High School girl machine downed Burlington 13-7 last Saturday afternoon in the local stadium and, incidentally, handed the Blue and White its first reverse of the season. It was the first win for the charges of Coach Curtis and the homesters seem destined to go to town in the remaining games on the slate.

Burlington started the scoring by pushing over a touchdown and making the conversion in the first period. In the second quarter, Palmyra began a drive from the 40 with Veitenheimer and Lanning picking up most of the necessary yardage. The try for the extra point was blocked and the locals trailed by one marker at intermission.

Johnson blocked a Burlington kick in the third period and Conover fell on the oval over the goal to put the Red and White out in front.

Outstanding in the win were Conover, Lanning, Veitenheimer, Johnson, Deveny, Steele, Bennett, Mozzo, Madison, Tropea, Brewster, Cardia, Hubbs, Noe and Muffali.

Palmyra travels to Merchantville on Saturday afternoon of this week.

P.T.A. RECEPTION

The Riverton P.T.A. held its twenty-sixth annual reception for parents and teachers on Wednesday night, October 21st.

The speaker was Dr. Charles Erdman, Jr., Mayor of Princeton. His topic was "Morale on the Home Front." He said that we all must do all we can behind the lines. The main things are to protect our children from all the dangers of war—physical, spiritual and mental. There are many more problems with children in war times than in peace times.

Refreshments were served at the close of the evening. Remember the chocolate sale sponsored by the P.T.A. for the Hannah Chew library fund!

The annual P.T.A. Convention is being held on the 28th, 29th, and 30th, at the Hotel New Yorker in New York City. Delegates from here are Mrs. Richard Hooper, president, and Mrs. R. G. Andrews.

With a national membership in excess of 14,000,000 the American Junior Red Cross is launching its Silver Anniversary Enrollment Drive in November. This extremely active branch of the National Red Cross has an enviable record of achievement down through the years. Their opportunities for service now are greater than they have ever been in the history of the organization. Miss Reba A. Troxell, county chairman, announced today that all children of school age in public, private or parochial schools are eligible to join.

The Burlington County member-

ship has made and is making many more that will assist our men in the service, bringing comfort and cheer in the far-flung theatres of action. They are making tap robes, afghans, ditty bags, ash trays, flower holders, etc. The activities of this young group are many and varied. Some students in the pine woods area collect pine cones and acorns for the wounded recovering in hospitals. These soldiers make many attractive articles from the collected materials and it provides them with a means of diversion badly needed in our military hospitals.

The activities of the "Juniors" extend beyond the field of service to our fighting forces. Some of them include raised art covers for Braille books sent to institutions for the blind. Christmas boxes for the underprivileged children in the South and the unhappy children of our allies all over the globe, some have made bulletin boards for hospitals and camps, and still others have aided materially in the salvage effort so vital to our production schedules.

The Junior Red Cross will no doubt make history in this, the biggest history making conflict ever to confront our nation.

The Junior Red Cross groups in the Riverton Branch are going "all out" in their war effort. The girls of the seventh and eighth grades at Cinnaminson Schools number two and four are organizing for a Home Nursing course under the instruction of Mrs. Charles Stewart. School number two has hit the 100 per cent mark in its enrollment.

Westfield Friends' School is also 100 per cent in its enrollment. Class-

VOTE!

Because we have been a democracy for over a century and a half, some of us have become indifferent to many of the virtues that distinguish democracy from other forms of government.

The merits of our form of government have become more apparent since the totalitarian gangsters set about their evil business. However, the form, including its freedoms and rights for every citizen, its adminis-

tration and its administrators are all dependent upon the ballot box. They all rest upon the citizen's right to vote.

Consequently, voting is a serious matter; it is one's obligation to himself and to his family and community. All registered voters are called upon to exercise their franchise next Tuesday, November 3rd. Thereby they will take their part in the machinery of management of the nation.

Our duty to vote is not to be held lightly or waived aside. It is a MUST if our nation is to survive. Don't let us ever again fail in that national obligation. If our sons can die on the battlefield for our freedom, let us at least do our part on the Home Front.

VOTE ON NOVEMBER 3RD.
B. HUBERT COOPER.

BUSINESS KEEPS POWERS IN WASHINGTON

Although he is a candidate for reelection on Tuesday, November 3rd, the pressure of Congressional business has made it impossible for Congressman D. Lane Powers to do any campaigning to date.

When the Congressman first took office he pledged the people of Burlington and Mercer counties which compose the Fourth District of New Jersey, that he would never permit his personal political welfare to interfere with his activities for the people he is representing in the House. The Congressman has been in session almost continuously for the last three years. During the 1940 campaign, he was able to devote only three weeks to campaign work and thus far in the present campaign he has been unable to take any active part himself.

During this period while Congressman Powers remains at Washington because of the constant sessions of the House and because of the work on his Appropriations Committee, friends of the Congressman throughout Burlington and Mercer Counties have volunteered to campaign in his behalf. All of them who have volunteered their efforts told the Congressman that he and the Fourth District were to be congratulated for his intense devotion to duty. Congressman Powers declared today:

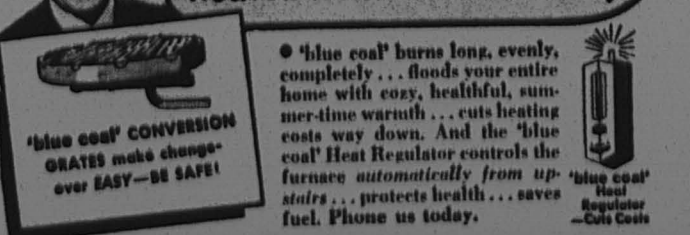

"It appears as if the House may take an informal recess starting either the latter part of this week or the first part of next week. If so, I shall leave Washington and come back to my district to actively campaign. If there is no recess, I shall have to continue to rely wholly upon the efforts of my friends. I want to publicly thank them for the interest they are showing in my campaign while I am here in Washington doing the job that the people of the Fourth District elected me to do."

Y AUXILIARY MEETS

The Women's Auxiliary of the Palmyra-Riverton YMCA met at the home of Mrs. Arthur L. Hoyt, Riverton, Friday afternoon, October 23. Following dessert, a report of the activities for the past year was made as follows: funds were provided for partitions at the Community Center to make group meeting rooms. Funds were provided to send two delegates from Palmyra-Riverton to the State Older Boys' conference. Dinner was served to the high school age boys "V" groups of the county at the Community Center. Fair was conducted for the community over a two-day period.

A talk on the value of the auxiliary to the Palmyra-Riverton YMCA was made by County Secretary Clifford W. Ergood, following which there was a discussion as to plans for the future. The Women's Auxiliary is primarily interested in helping the YMCA of the Palmyra-Riverton district, serving the boys and young men. It will welcome the help of parents of campers and group members, in carrying out this objective.

The following board members were present: Mrs. Claude Y. Barto, Riverton, Recording Secretary; Mrs. George D. Schill, Palmyra, Treasurer; Mrs. James B. Mickie, Palmyra; Mrs. William Burgess, Palmyra; and Mrs. William Foulke, Riverton.

URGES VOTERS NOT TO BE MISLED

Burlington County voters should not be misled by Democrat promises that candidates know they cannot fulfill, State Senator Howard Eastwood warned today in a pre-election statement.

Senator Eastwood leads the Republican county ticket running in the General Election next Tuesday. Arthur W. Lewis, of Riverton, is the Assembly candidate; John R. Coates, of Florence, the Coroner aspirant; while Freeholders John M. Chant, of Riverside, and LeRoy Church, of Bordentown, are candidates for reelection to the Board of Freeholders.

Full support of this Republican ticket, and of Albert W. Hawkes, candidate for the U. S. Senate, and Congressman D. Lane Powers, for reelection, was advocated by Senator Eastwood.

"The Republican party has brought prosperity and efficient administration of government to Burlington county, and the voters should not be misled by claims of rival candidates, who are making promises that they know they cannot fulfill," Senator Eastwood said.

Urges All to Vote

"Every person in the county who is qualified to vote should go to the polls next Tuesday," he added. The right to vote is a privilege that our boys in the service are fighting to maintain for us. If they value the privileges guaranteed by our Republic so much that they are willing to fight for them, we at home should at least exercise those rights.

"By voting the entire Republican ticket next week, Burlington County voters will be assuring themselves of a continued efficient administration of County affairs, and of State business. Every candidate on the Republican ticket is pledged to economical, honest and efficient government administration and all of us will fulfill that pledge.

"As for my own candidacy, I am content to allow my record to speak for itself. During the last three years I have sought to serve the people of Burlington County who sent me to the State Senate. I believe that I have accomplished this purpose.

"Mr. Lewis, the Assembly candidate, is a man of vision and experience in civic and community affairs. He offers the best type of citizenship to serve his County in a time of dire need. I am sure that he will be a successful member of the House of Assembly.

"Freeholders Chant and Church can certainly be judged on their records of public service. As members of the Board of Freeholders, they have at all times insisted on efficient administration of County affairs, seeking to provide the most good for the largest number of County residents. Their experience is needed by their County today.

"Mr. Coates, the candidate for Coroner, is well-known throughout the County. His record in business and in community affairs shows that he should be well qualified in the responsible position which he seeks.

"I cannot too strongly appeal to Burlington County voters to exercise their right of franchise next Tuesday. They must vote, and a vote for the Republican ticket will be assurance of continued good administration in the county, state and national government."

NEW MEMBERS ON DEFENSE COUNCIL

At the meeting of the Riverton Civil Defense Council held on Tuesday night of this week, Robinet Cole and Ralph Scott were named members of that organization to fill two vacancies.

Mr. Cole will assume the chairmanship of the consumer interest and salvage committee, while Mr. Scott will be chairman of the rescue, demolition and repair committee. S. R. Merley, former chairman of the latter committee, has been transferred as chairman of the decontamination section.

DOG "ENLISTS"

"King," a patriotic canine, the property of Mr. and Mrs. Louis Cleveland, Main Street, Riverton, has "joined" the United States Army and has been assigned to Fort Royal for training.

"King" is the first dog in this vicinity to sign up for the duration. The dog is a Belgian Shepherd.

FIRE DAMAGES HOME

The Lutts residence, foot of Zeisner avenue, East Riverton, was extensively damaged by fire shortly before noon on Wednesday of this week.

The blaze had a considerable start before the alarm was turned in, but the firemen, through prompt action, prevented the spread of the fire to other nearby homes.

The Riverton and East Riverton companies responded to the first alarm and Palmyra later sent equipment to the scene.

Both Riverton pumpers were in action and the firemen from that community used four lines of hose in extinguishing the blaze.

Two small dogs were suffocated by the smoke.

The cause of the fire is unknown.

INCENDIARY BOMBS

Yes—it's true—OCD did reverse its advice on fighting fire bombs. Why? Victory in this war will go to the side which never accepts present methods as "good enough." That's the reason OCD is conducting constant research—to bring home-defense techniques as near as possible to perfection.

Technicians of OCD and the Chemical Warfare Service of the U. S. Army conducted exhaustive experiments on the problem. Their results pointed toward the jet as a more effective extinguisher than the spray. British and New Zealand trials bore out their conclusions. Final research by the American experts conclusively established the jet method as the most effective for general civilian use.

Unfortunately, the extensive tests necessary to make sure that the jet method was the most effective for general civilian use resulted in pre-

mature reports in certain publications. These made it necessary to announce officially the new, improved method before there was time for advance notice to reach all local defense councils.

Jet Approved

The confusion resulting from the premature announcement is now cleared away and the superiority of the jet method has been publicly demonstrated and accepted. The Army Chemical Warfare Service proved the effectiveness of the jet over the spray in a public exhibition, July 30, before Mayor LaGuardia and New York fire and civilian defense officials. Fifteen seconds was the time required to extinguish a 4-pound fire bomb with a jet; 1 minute and 5 seconds by the old-fashioned spray. And the spray method re-

quired more than twice as much water. After the demonstration by the two army sergeants, two young girls volunteered from the crowd to fight an incendiary. They had never seen a fire bomb before, but they rapidly extinguished the incendiary with a jet as the crowd applauded.

The new recommendations minimize the use of sand in fighting fire bombs and emphasize that fire, rather than the bomb itself, is the real enemy. Since more than one bomb may have to be fought, they also emphasize the necessity of speed in attacking the incendiary with a jet.

The Springfield rifle was a good rifle; but, when the Garand was invented, it went into the discard. The "spray and sand" method of fighting incendiaries was also good—but the jet is at least four or five times as effective.

SALVAGE NEWS

"If we expect our boys to end this war victoriously we must give them the material with which to do the job and I urge every member of the Civilian Defense force to dig out every ounce of scrap, get it into the scrap pile and back into the implements of war," State Civilian Defense Director Leonard Dreyfuss said this week.

"New Jersey must be in the forefront in this scrap drive," he said. "We should lead all other states in the nation in the pounds per capita collected. We are well on the road to that goal but a greater effort must be put forth if we are to reach it."

"I appeal to every member of civilian defense organizations in every city, town, village and hamlet in New Jersey to devote their energies to this cause, which is their own cause. If the more than half million men and women enrolled in Civilian Defense get behind this effort nothing can stop New Jersey from topping the list of all the forty-eight states." Dreyfuss paid tribute to the work that has been done by Charles W. Eaton, Jr., chairman of the State Salvage Committee; Clinton White, executive secretary of the committee; the regional directors and the local chairmen of salvage committees. He also praised the newspapers of the state for the "time, effort, space and all-out support" they have given in the scrap campaign.

He pointed out, that he did not want the public to forget that it is a continuing campaign and not limited to a few weeks or days.

"The whole country is concentrating on the scrap drive now but we must not lose sight of the fact that scrap will be needed in months to come and it will be necessary to us to keep it moving to the mills as long as the war lasts," he said.

WHAT CAN I DO?

(This is the 2nd in a Series of Weekly Articles based on "The Citizens Handbook for War" Issued by the United States Office of Civilian Defense.)

Conservation

Did you know that:

The steel in the two million refrigerators we made in 1939 would have made 20,000 light tanks or 56,000 anti-aircraft guns?

Conservation is a war weapon in the hands of every man, woman and child.

Two rules for using your weapon are:

Get along with less.—Everytime you decide not to buy something you help to win the war.

Luxuries are out and lots of things we used to think of as necessities begin to look like luxuries as we get more and more war minded.

Take good care of the things you have.—Most of the comforts and conveniences you now enjoy will have to last you for the duration. Keep cool and don't get frantic about your possessions, this leads to hoarding.

Hoarders are on the same level as spies; both help the enemy.

Most people understand the why of conservation, but they want to know the how—how to get along with less.

Some "Hows"

Pleasure riding is out for the duration.

HOW ARE YOU SERVING AMERICA?

★ Conserving food and clothing?
★ Salvaging scarce materials?
★ Buying War Savings Stamps and Bonds?
★ Refusing to spread rumors?
★ Sharing your car with neighbors?

ation—Save rubber. Necessary driving—Drive slowly. Save gas and rubber. Share cars—Save rubber and gas. Walk more—Save your car. Keep belongings in good repair—Save materials. Put clothing high on list—Save wool and silk. Rotate your clothes—They will last longer. Turn out all unnecessary lights—Save electricity. Don't overheat home—Save coal and oil. Those that cheat the rationing boards or the government, cheat themselves.

Salvage

Did you know that: One old flatiron will provide enough scrap iron to make four hand grenades?

Salvage means saving the things that you cannot use any more and sending them back to the smelters and the mills to be remade. To date the Government has asked for paper, rags, scrap metals, fats and scrap rubber.

You can help by taking some of your scrap to the nearby collection depot. Make a thorough search of your closets, attic, cellar and garage.

Your War Budget

Did you know that: Germany is spending 7 out of 10 dollars of the national income for war?

Britain is spending 6 out of 10 dollars for war?

At the time of Pearl Harbor we were spending only 2 out of every 10 dollars for war?

The family budget must be put on a war basis.

Buy carefully. Spend wisely. Don't wait to be taxed, taxes alone will not pay for the war.

Here are two ways in which every one can and must help to foot the bill:

Buy Defense Bonds or Stamps today. Make every pay day Bond Pay by participating in the Payroll Savings Plan.

Bonds cost \$18.75 and up. Stamps are 10¢, 25¢ and up.

The help of every individual is needed.

Do your part by buying your share every pay day.

Pride is ignorance; those assume. If a man has a right to be proud most who have the least wisdom or of anything, it is of a good action experience; and they steal from their neighbor, because they have so little base interest lurking at the bottom of their own.—Mary Baker Eddy. of it.—Sterne.

"Pinch hitting" for Tankers

To provide the East with Gas and Oil!

Before submarines struck, railroads hauled less than 1 per cent of the 1,500,000 barrels of oil and gasoline used daily by home owners and motorists of the East.

It was a tanker's job pure and simple. Petroleum came by water. But the war stopped that. So a call for help went out to the railroads.

Although carrying a tremendous war load,

the railroads rallied promptly to the call. Soon solid trainloads of tank cars began to roll to the East.

In January 100,000 barrels a day went through . . . now it's over 800,000 a day . . . and soaring higher and higher. On the Pennsylvania Railroad alone, movement of petroleum products now represents one-sixth of its total freight car miles.

"... A truly amazing result." HAROLD L. ICKES, Secretary of the Interior and Petroleum Co-ordinator

Church Notices

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue
Palmyra, N. J.

Rev. D. Roe Haney, B. D., Minister

Church School will begin at 9:45.

Epworth, with comprehensive and

complete equipment, together with

trained teachers in the various de-

partments and classes, has a good

start in the "season's" work, but is

ready to welcome and classify new

pupils at any time. We give a special

invitation to people who do not

have church homes in town. The

Nursery Department, under the di-

rection of Miss Mary Green, is al-

ways on the job until the entire morn-

ing program is closed, training the

little ones, and taking care of babies

and small children while parents at-

tend Church Worship.

The principal morning service will

begin at 11 o'clock. Communion will

be administered by the Minister, who

is particularly anxious that all of his

constituency avail themselves of the

benefits to be derived from this

"means of grace."

The Board of Education of the

Church School meets at 3 o'clock.

Youth Fellowship meeting when

Dorothy Koppenhoffer will have

charge and give the address, will meet

at 7 o'clock. All young people from

the age of twelve to twenty-three, in-

clusive, are urged to attend.

At 7:45 will be the evening Church

Worship when the Pastor will bring

thoughts relative to the subject

"Cities of Refuge." Come out and

bring your friends.

A large group of young people are

attending the Youth Fellowship In-

stitute at Moorestown which contin-

ues for six successful Monday eve-

nings.

The Anniversary dinner of the In-

amuch Bible Class will be held in

the Intermediate Room, Monday eve-

ning at 7 o'clock.

The Women's Society for Chris-

tian Service meets Wednesday at 10

o'clock in the Intermediate Room for

seeing for the Red Cross. Their regu-

lar luncheon will be at 12:30. The

business meeting of the Society will

be held at 2 o'clock.

Wednesday evening at 8 o'clock

will be the Mid-Week Prayer Service.

You are asked to read the seven-

teenth chapter of Romans, and come

with prayerful hearts.

The District Stewards meet Fri-

day morning at 10 o'clock in the Bur-

lington Broad Street Methodist

Church. Reservations must be made

for luncheon. The afternoon will

be occupied with the Preachers' meeting

and the Women's Society for Chris-

tian Service meeting in separate

rooms.

Friday afternoon, the Junior Choir

meets at 3:45; and the Senior Choir

in the evening at 7:45.

Mrs. Arthur Mandeville is receiv-

ing contributions to be used in the

purchasing of Christmas gifts to be

sent to each of our boys and girls

in the "Service."

Each member of the congregation

is requested to send at least one card

to one of our representatives in the

service. In order that no soldier

will be missed you are requested to

get a name from Miss Dorothy Wol-

cott.

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the community are invited

every Sunday morning at 9:45 and

for only one hour. The teaching

staff comprises men of various faiths.

BRIEF ITEMS from ABOUT TOWN

Mrs. Arthur Burns, Mrs. Lewis Clelland, Mrs. Charles Simms, and Mrs. Porter Caldwell, all of Riverton, New Jersey, and Mrs. Harvey Fisher, of Palmyra, New Jersey, volunteered their services every other Monday for the operation of the Fort Dix Community Service, at Pointville, New Jersey.

Their duties consist of running the kitchen and serving refreshments which consist of coffee and cookies, etc., all of which are donated, and of operating the front desk.

Mrs. J. M. Coddington left Tuesday for Spokane, Washington, where she will visit her daughter.

Mrs. S. L. W. Field, of Fourth Street, Riverton, is visiting relatives in New York State.

Two Apprentice Seamen from Riverton, have been graduated from the Naval Training Station, and are now prepared for advanced duties. They are:

Robert H. Evalul, of 305 Harrison Street; and Thomas J. Ford, of 715 Cinnaminson Street. Both men attended Palmyra High School and will seek to qualify for different branches of the Navy. Evalul will work for the rating of Motor Machinists Mate, and Ford is ambitious to enter the Hospital Corps and study for the rating of Pharmacist's Mate.

The K. of C. Auxiliary Sewing Group met on Tuesday at the home of Mrs. Harold F. Marshall, 103 Morgan avenue, to sew for the Burlington County Hospital.

At the recent duplicate bridge tournament at the Porch Club the winners were: North and South—Mrs. W. Lynn Hendrickson and Mrs. Edward Lippincott; East and West—Mrs. Carvel Sparks and Mrs. Nichols.

ROTARY NEWS

F. Price Norris, Jr., district sales manager of the Allegheny Ludlum Steel Corporation and a prominent Philadelphia Rotarian, showed Palmyra-Riverton club members a film entitled "Steel for the Ages." This color picture showed the manufacture and fabrication of many of the stainless steel products in use up to the present time. So great has been the demand for this film that the company had decided upon a second one when priorities made it impossible to create it. All states in the Union and Canada have seen and appreciated "Steel for the Ages."

Rotarians were delighted to hear from their former member, Lieutenant-Commander David S. Little, who is now stationed in Washington with the Bureau of Aeronautics. Another former member, Earl Whitcraft, was present.

President Adams proudly announced the fact that the club had a run of three 100 per cent meetings since the start of the contest with Woodbury and Gloucester.

Members appreciated very much a letter from Mrs. Arthur Bowker. Mr. Bowker was a highly respected member of the Palmyra-Riverton Club. His interest and personality will long be remembered by his fellows.

President Adams announced the beginning of a key salvage campaign and on each table there was a box for the deposit of old keys. This opportunity to add to the nation's scrap pile will last for several weeks.

RECEPTION TENDERED THE REV. R. B. STEWART

The Rev. Robert Barr Stewart, new pastor of Calvary Presbyterian Church, Riverton, was tendered a reception last Friday evening in the church parlors, with nearly 300 present, the following program being presented:

Greetings—Arthur W. Lewis.
Introduction of Pastor—The Rev. K. Palmer Miller, D.D.
Response—The Rev. Robert B. Acknowledgment—Rev. Stewart.

Piano Solo—Miss Elaine Friday. Stewart.

Welcome by Church—William Carson.

Greetings from Palmyra-Riverton Ministerial Union.—The Rev. Albert J. Harke.

Vocal Solo—Mrs. Henry E. Gregg. Sketch—Miss Betty Chambers, Miss Betty Parker.

Piano Solo—Mrs. Harry R. Gail. Singing—Audience.

Refreshments were served at the conclusion of the program.

In the receiving line were Rev. and Mrs. Stewart, Mrs. A. J. Clay, Mrs. A. M. Ellsworth, H. P. Landis, Sr., George T. Dold, Mrs. Joseph Morgan, Mrs. Roland Price, Mrs. William Carson, S. R. Merley, Miss Mary Kirkpatrick, Harold Stevens and A. F. Van Osten.

BLACKOUTS!**

CUT OUT AND SAVE!

The sound of the Air
Raid Siren is a strict
warning to you . . .
**BLACKOUT YOUR
HOME!**

Even the faintest
glow on the outside
can serve as a beacon
and bull's-eye for
enemy planes!

"Oh," you say, "there's
nothing to a blackout . . .
all you do is put out the
lights!"

That isn't so bad for a few
minutes, but think how it
would be to sit in complete
darkness for hours! Would
you like to live in the dark
every night that blackouts
are ordered . . . not just in
summer but on long winter
nights?

You don't have to live in
the dark! Simply make the
preparations suggested in
illustrations (left) so that
the family can be complete-
ly comfortable. Arrange
for quick, complete black-
out . . . and check it from
the outside.

Don't be caught unpre-
pared. Find out how easy
it is to take it easy during
a blackout!
