THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

54th Year, No. 1

THE NEW ERA, THURSDAY, JANUARY 7, 1943

PRICE FIVE CENTS

169 RIVERTONIANS IN ARMED FORCES

Riverton's service flag, representing 169 men who are serving in the various armed forces of the country, was unfurled Sunday afternoon at Main and Howard streets, following exercises held in the auditorium of the Riverton Public School. Nearly three hundred relatives of service men and their friends attended the affair.

J. Russell Musser, member of Post Frederick M. Rodgers, 156, American Legion, of Palmyra and Riverton presided at the exercises.

Prayer was offered by the Rev. William F. Quinn, pastor of the Sacred Heart Church, Riverton.

Speakers included Colonel Frank Mathews, of Riverton and Mayor H. McIlvaine Biddle. The Roll of Honor was read by Councilman Robert Knight, who has two sons in the Army and one in the Navy.

Legionnaires went through a most impressive ritual and there were selections by the Palmyra High School Girls' Drum and Bugle Corps.

Those participating in the ritual were Legionnaires Mathews, Musser, Luce, Lippincott and VanSant.

The Porch Club

During the month of January there will be only one business and departmental meeting at the club. This program will be carried out in order to conserve fuel oil. The money intended for three other programs during the month will be invested in a War Bond.

Beginning with the session of this month and at meetings to follow, War Stamps will be sold at the club.

On Tuesday, January 12, the first business session of the year will be held at 2 p.m. Following this, Mrs. C. V. Devery, music chairman, has arranged for two talented artists from the Curtis Institute of Music to entertain during the afternoon.

Sol Ovcharov, violinist, is at present concert master of the Philadelphia Opera Company Orchestra and has made several appearances with the Philadelphia Civic Symphony Orchestra and at Robin Hood Dell this last summer. He is a man of exceptional violin talent, has a keen feeling for music and an excellent technique.

Seymour Lipkin, young pianist, has a remarkable appreciation of music and technical skill. He has studied music under many famous masters including Rudolph Serkin, now head of the piano department at Curtis. He won a contest in 1940 sponsored by Eugene Ormandy, conductor of the Philadelphia Orchestra and later made an appearance with the orchestra and in 1941 he was soloist with the Detroit Symphony Orchestra.

Keep this date, Tuesday, January 12th, in mind as the only meeting of the month.

On Thursday, January 21st, the departments of Literature and Education will hold a joint forum at the Woman's Club of Camden, 424-426 Linden St. At the morning session at 10:30, all Literature Chairmen will be asked to give a two minute report of their club activities.

During the afternoon, Mrs. Ada English, president of the State Library Association, will be the principal speaker, with others, and splendid music has been secured to make the day enjoyable.

Tea will be served to accompany box lunches brought by those attending. Any interested members of the Porch Club please contact Mrs. Stewart Berger, telephone Riverton 0683-W.

Sgt. Major John Quick, U. S. Marines, won a Medal of Honor for bravery in Cuba in 1898 and 20 years later almost to the day, won another one for heroism in France.

WHAT NOT TO TELL

On battle fronts every day men risk their lives to discover the location and strength of the military units of the enemy. Yet at home, too many of us are presenting the enemy with information of the same military value, the Office of Censorship says in a statement.

This is the information which newspapers and individuals are asked not to tell the enemy:

DO NOT TELL the names of ships upon which sailors serve.

DO NOT TELL the troop units in which soldiers serve overseas.

There is no objection to revealing that Pvt. John Jones is in Australia or that Seaman Tom Brown saw action in the Atlantic, but there is military information which endangers the lives of American fighting men in stating that Pvt. John Jones, "Company C, 600th Infantry," is in Australia, or Seaman Tom Brown, "Aboard the U.S.S. Wisconsin," is in the Atlantic.

The Office of Censorship says: "We ask editors not to publish these troop identifications, and we ask parents and relatives not to reveal them. Don't give the enemy anything that may lengthen the war!"

BONUS PROPOSED

At the meeting of the Riverton Board of Education held on Monday night of this week, the education committee recommended the payment of a bonus to the members of the school staff in the following amounts: \$100 to all full time employees, \$40 to all part time teachers, \$50 to the district clerk. The plan called for half the amount to be paid as of January 1 and the balance in June.

The matter was not put to a vote because the committee desired to have an expression from the full board and three members were absent Monday. A decision will probably be reached at an adjourned session that is scheduled for January 18.

Election February 9

The annual school election will be held Tuesday, February 9 and the last date for filing petitions for members of the board is January 20.

Terms expiring are those of Mrs. Charles H. Yost, Dr. J. Rowland Dey and Robert G. Adams. Certain of the incumbents have stated that they will not be candidates and it is reported that at least three new aspirants are planning to run for the vacancies.

FIELD FIRE IN EAST RIVERTON

The Riverton Fire Company answered a call at 12:30 Monday afternoon for a bad field fire in the vicinity of Bannard and Snowden streets, East Riverton, where several homes were menaced by the flames which were fanned by a high wind.

The blaze was extinguished with a booster line, aided by Indian pumps. No damage resulted due to the prompt work of the 14 men who answered the alarm.

SEAL SALE GOOD

The response to the annual Christmas Seal Sale of the Burlington County Tuberculosis League has been most gratifying according to a statement made by the campaign committee. Although the quota of \$9000 has not yet been reached, it is hoped that late returns will make it possible to achieve the desired goal.

Returns according to communities show Burlington City to be leading with a total of \$1525.00. Moorestown, which was the highest contributor last year, is second to Burlington. The honor of having the highest individual contributor goes to Maple Shade, with the second highest contributor a member of the Burlington County Negro Health Council.

The committee urges all who received seals to make returns as soon as possible. The program of the Burlington County Tuberculosis

Woods Takes Office

The organization meeting of the Cinnaminson Township Committee was held on the morning of New Year's Day in the Parry Fire House, the usual large number of residents of that community attending.

Robert J. Woods, recently elected member of the committee was sworn into office as was Harold R. West, who was re-elected township clerk last November.

Maurice Conrow was re-named chairman of the committee, a position that he has held for several years.

Other appointments were as follows:

Building Inspector—William F. Kennard.

Medical Inspector—Dr. T. Bruce Dickson.

Treasurer—William Schmierer.

Township engineers—Chedwick and Wills.

Attorney—Walter Carson.

Special police officer for seven months—Eric Veitenheimer.

Committeeman Elmer Mandeville was named chairman of the police committee, while the members of the township committee will each serve for four months as chairman of the highway committee.

All members were presented flowers by the Parry Fire Company and, after the meeting, these were sent to the Army Hospital at Fort Dix.

MARCH OF DIMES DRIVE PLANNED HERE

Albert Kenny, 616 Linder avenue, Riverton, has been appointed as chairman of the committee in that community for the annual March of Dimes drive which is conducted to secure funds to combat infantile paralysis. The campaign is held each year in conjunction with the President's birthday.

Mr. Kenny will be assisted by the Rev. William F. Quinn, pastor of the Sacred Heart Church, Archibald Bush, and Mrs. Mervil E. Haas.

All homes in Riverton will be canvassed and residents may contribute whatever they wish. However, as the name of the campaign indicates, a donation of at least a dime from every one will help greatly toward saving some poor invalid child.

CORRECT ADDRESSES OF MEN IN SERVICE

Each week The New Era sends copies of the paper to a considerable number of men in the armed forces who formerly resided in Riverton and Cinnaminson.

The New Era and Mrs. Harry May, of Palmyra, who addresses the paper wrappers are glad to render this service, but ask that correct addresses be furnished, since newspapers are not forwarded when a man is transferred.

Frequently a paper has been sent to a certain post long after the addressee has been sent elsewhere, because The New Era was not notified of the change.

Kindly keep us advised of correct addresses, otherwise your friend or relative will miss getting the paper.

I.O.O.F. LODGE TO HAVE GUEST OFFICER

Harry Fish, prominent local Palmyrian, will be the Guest Noble Grand and will preside at the meeting of Cinnaminson Lodge No. 201, I.O.O.F. this Thursday evening in P.O.S. of A. Hall. Mr. Fish is a Past Grand of this lodge and is known for the thoroughness in which he conducted his office. It is anticipated that he has planned a very interesting meeting for all those who attend.

This is one of the new features of the local lodge's activities for the year and it is proving to be most successful through the enthusiastic cooperation of its members.

League, which is being expanded to meet wartime demands, is supported entirely by the sale of Christmas Seals.

CHEW'S BAKERY TO CLOSE SATURDAY

After being in business in Riverton for the past 22 years, Chew's Bakery Main street, Riverton, will close on Saturday of this week. The proprietors, Mr. and Mrs. Ernest A. Chew, desire to express their sincere appreciation for the patronage accorded them during the long period that the bakery has been in operation here.

The closing marks the second that has occurred in Riverton during the past few days, the Blankenbush Drug Store having suspended for the duration last Saturday.

LEAVING JAN. 12

The following men from Riverton, Palmyra and Cinnaminson will leave on Tuesday morning of next week for Fort Dix where they will enter upon active duty with the United States Army:

P.H.S. STUDENTS SELL WAR STAMP CORSAGES

The War Activities Committee of Palmyra High School chose as a War project the making of patriotic corsages consisting of three 10 cent or three 25 cent War Stamps wrapped in cellophane with a background of red, white and blue leaves.

All the corsages were made by the girls and boys on the War Activities Committee and sold by them. The work was done mainly during activity periods and after school in the afternoon.

The three aims of the Committee are to SAVE, SERVE and CONSERVE and this work fits in perfectly with the Victory Corps Program, in the school, of which several are members.

Three weeks before Christmas sample corsages were made and then taken around to the home rooms where orders were taken for them and the corsages were delivered during the last two weeks.

Last two weeks, 20 of the 80 cent and one corsage at \$1.05. The total in stamps sold was \$40.65 in addition to the regular weekly sale of stamps.

The Committee has decided to continue the work as long as their is a demand for corsages.

The students who made and sold the most corsages, under the direction of Mr. Hughes were:

Barbara Rapp, Chairman; Dorothy Ott, Mildred Smith, Mary Bush, Elaine Friday, Dorothy Rhodes, Dorothy Leyshon, Blanche Beach, David Weiner, Joseph Schweizer, Shirley Pearson, Virginia Moyer, Betty Ann Wells, Mara Horan, Elva Scott, Ruth Gladney, Helen Schlichting.

Publicity Committee.

BAND PARENTS CLUB TO MEET MONDAY

The regular monthly meeting of the Band Parents Club will be held Monday evening at the High School at 8:15. All members are urged to attend and the Board issued a cordial invitation to all adults interested in the Senior and Junior Bands to attend this meeting.

PALMYRA COUNCIL ORGANIZED JAN.

Palmyra Borough Council organized for 1943 at 12 noon on New Year's Day, with the two newly elected councilmen, Charles R. Vine and W. Paul VanSant, taking the oath of office from the town clerk, George Spencer. Mr. VanSant is serving his first term as a member of the local governing body.

Mayor John F. Ward called the various municipal officials to marks and the informal remarks proved most interesting to those present.

ANNUAL MEETING OF COUNTY YWCA HERE

The Annual Meeting of the Burlington County Young Women's Christian Association will be held Monday, January 11, at 8:30 p.m. at the Riverton Porch Club.

Mrs. Carlton W. Tilly, of Burlington, county president, will preside at the meeting, and will present a report of the past year's work. New board members will be elected and action will be taken on the proposed program and budget for 1943.

The speaker of the evening will be Dr. K. Palmer Miller, who will speak as his subject, "Faith, the Master of Facts." Singing will be directed by Miss Margaret Carey of Moorestown, county music supervisor.

Tickets for the dinner-meeting will be obtained from Mrs. W. Hendrickson, of Riverton, phone Riverton 1123, chairman of the committee, or the following of the county board of directors: Mrs. Alexander C. Wood, Howard Coe and Miss Alexander of Riverton, and Alexander Sarks, of Palmyra.

Light is the symbol of the YWCA.

James Russell Lowell.

Among the business items covered are plans for the coming year, a report on the mill, director of the county, a short talk on the YWCA, on to band members, and will be on the YWCA, the business of the YWCA will be served.

BRIEF ITEMS from ABOUT TOWN

First Lieutenant Walter D. Lamon, Jr., son of Mr. and Mrs. Walter D. Lamon, Cinnaminson avenue, Palmyra, has been promoted to the rank of Captain.

E.F.C. Tyler, of Main street, Riverton, is spending a furlough with his parents, Mr. and Mrs. William Vile. Private Vile is stationed at a northern post.

William Baker, son of Mr. and Mrs. Leonard R. Baker, of Palmyra, has recently received his commission as Second Lieutenant. Lieutenant Baker spent a brief furlough at the home of his parents this week prior to leaving for a new assignment in the south. He was recently transferred from a post in Missouri.

Larry Mears, son of Mr. and Mrs. C. Singleton Mears, of Riverton, is now attending Bordentown Military Institute, having transferred there recently from Wentworth Military Institute, Lexington, Missouri.

Miss Nancy Coates, daughter of Mr. and Mrs. E. W. Coates, of Highland avenue, returned home Sunday after spending a week with her aunt and uncle, Mr. and Mrs. Frank Coates, of Yeadon, Pa.

Private Edward Morse, of Camp Greiner, Oklahoma, spent two weeks with his parents at East Riverton, returning Thursday night.

PROBASCO-DURBOROW

The marriage of Miss Charlotte Elizabeth Durborow, daughter of Mrs. Charles B. Durborow, of Lansdowne, Pa., to Samuel R. Probasco, Jr., son of Mr. and Mrs. Samuel R. Probasco, of Burlington, took place on Wednesday, December 30 at 6:30 p.m. in Calvary Presbyterian Church, Riverton.

The Durborows formerly resided here.

THANKS

We, the members of the Boys' A. C., of East Riverton, wish to thank everyone who gave a donation to our annual children's party.

Through your cooperation the affair was a big success.

The menu consisted of ice cream, cake, candy, apples, oranges, nuts, and door prizes.

To all we wish a very happy and prosperous New Year.

CHURCH RENAMED

FREEHOLDER LEADER

An offer by Lieut. Fred Norcross, now in the Army, to resign from the Burlington freeholders if his successor was chosen from the Good Government group was rejected last Saturday by the "Harmony" majority at

the board's reorganization.

Norcross, home on furlough, attended the meeting and said he would resign if the Good Government group were given consideration. Director Leroy Church, who was renominated to that post, said the question of a successor was up to the board and that he would not favor appointment of anyone Norcross might suggest. As a result, Norcross declined to resign. Freeholder John Chant, who was reelected with Church in November was absent because of illness.

Appointed

Freeholder Clarence G. Price, a member of the Good Government faction, who was renominated head of the finance department, was named acting director of public affairs in place of Norcross. Chant again heads institutions and agencies and Freeholder Stanley Russ was renominated head of buildings.

Church appointed former Freeholder Charles R. Stout to represent the Board in the State Association of Boards of Freeholders, despite Price's objection that an incumbent member should be named. Church also reappointed the following:

Louis A. MacFarland, road supervisor for five years; Mario Farias, institutions investigator; William J.

Smith, county fire marshal; Elmer S. Gares, Jr., assistant fire marshal; Samuel A. French, superintendent of soldiers' and sailors' burials; David Styer, to the board of managers of Fairview Sanitarium, and John Hutchinson, to the county library commission.

PALMYRA OPPOSES QUAKERS THIS FRIDAY

After winning the first three games on the current court slate, the Palmyra varsity returns to action on the home floor Friday night of this week with Moorestown as the opposition. The affair will be the first league engagement for the Diamondmen and should prove whether or not the Red and White has a potential championship aggregation.

Merchantville will play here Tuesday evening, January 12.

Jayvee games start at 7:30 with the varsity affair getting under way an hour later.

SACRED HEART P.T.A. MEETS JANUARY 14

The regular monthly meeting of the Sacred Heart P.T.A. will be held in the School Hall, Thursday afternoon, January 14th, at 3 p.m. The executive body will meet at 2:30. There will be an interesting program arranged and refreshments will be served following the meeting.

A covered dish luncheon will be held in the School Hall Wednesday, January 13 at 1 p.m. Mrs. Elmer Mattingly will be the hostess. Admission—a covered dish and 25 cents. Publicity.

CAR ON FIRE

The only fire alarm in this section over New Year's was occasioned for a small blaze in a car at West Palmyra, shortly after noon last Friday. The flames were extinguished by Palmyra firemen with only a small loss.

Thanks Newspapers

The following letter has been received by The New Era from Leonard Dreyfus, Civilian Defense Director of New Jersey:

To the Newspaper Publishers of New Jersey:

Within a few days I will have completed a year of service to the State as Civilian Defense Director. It has been one of the most difficult tasks of my life because the War technique changes rapidly and Civilian Defense passed quickly in the early months from a peace-time effort to a war-time measure.

New Jersey, some six months ago, was declared a Military Area and we are unable to act without almost daily consultation with the Army and Navy.

What we have accomplished would not have been possible

without the wholehearted cooperation I have received from the Press of New Jersey. I say this to you in all sincerity.

During the past six months the Press throughout the State has minimized the human failings and given our Defense effort the dignity it deserves and the backing it had to have if the 500,000 citizens of our State in the volunteer forces were to be kept at their posts and enthusiastic about their work.

So, may I take this opportunity of thanking you for your fine cooperation and voice the hope that I will merit it again this coming year.

BIRTHS

Mr. and Mrs. Harry A. Jeffcott, Jr., of Middletown, Del., formerly of Riverton, are receiving congratulations on the birth of a daughter, December 16, in Bryn Mawr Hospital.

Lieut. and Mrs. J. Allen Hemphill, of 209 Lippincott avenue, Riverton,

are receiving congratulations on the birth of a son in Burlington County Hospital, Mount Holly.

CHANGING STANDARDS

CHANGES IN THE AMERICAN STANDARD of living brought about by priorities and rationing were inevitable. But whatever sacrifices must be made to insure victory, we all know that we are helping to win what we must and shall win—a continuance of our democratic fellowship of freedom.

THE HIGH STANDARDS OF SERVICE, so long maintained by this organization, have not been lowered. The restrictions in the use of construction materials has not prevented the making of beautiful, durable caskets of distinguished craftsmanship. We continue to provide appropriate funerals of fine quality at prices set by the families when they make arrangements.

BANKS AND THE WAR

If you haven't already protected your home and its contents with War Damage Insurance, we suggest that you do so without delay. Cost is very low and the protection you get can be had in no other way. The government requires an inventory of damaged property in case of a claim, so we also suggest that you make such an inventory now, in duplicate, storing one copy in a safe deposit box in this bank. Safe deposit rental cost is moderate and you can store many of your personal valuables in the box you rent.

ENGINES OF WAR!

Lined up here, in smart military formation, is a "squad" of the mighty locomotives that work night and day for Uncle Sam.

Passenger engines, their specific job is to move troops. And, with the aid of other locomotives, they are doing this at a rate of over a million troops a month!

To the right are their comrades-in-arms, freight locomotives. Their job is to haul war materials. And they are moving 1,250,000 tons of freight a mile every minute of a 24-hour day!

Of course, to keep up a war pace like this requires the railroads to give eight-of-way and a very large part of their passenger and freight equipment continuously to the war effort.

Naturally, under the circumstances, service to the public cannot be all that either you or we would like it to be. Trains may be late. Accommodations and seats may be hard to

get. But—with the cooperation of travelers and shippers, the Office of Defense Transportation, the Army, the Navy and Government agencies—the railroads are doing, and will continue to do, everything within their power to provide the best service possible to the public in the midst of the greatest war civilization has ever known.

Today's freight locomotives can haul much heavier loads than the engines that pulled the trains in the past.

BETHANY EVANGELICAL
LUTHERAN CHURCH
Broad Street and Morgan Avenue
The Rev. Harold Lee Rowe, Pastor

Sunday, January 10—The First Sunday After Epiphany.

Epiphany is one of the immovable feasts of the Christian Year because it always falls on the sixth day of January. In England it is often called Twelfth Night, for it is that many days after Christmas. This festival, which is perhaps the very oldest of all Christmas festivals, has sometimes been called the Feast of the Three Kings. Its proper name, however, is Epiphany, which is the manifestation of Christ to the Gentiles.

Children's Church, 9:30 a.m.—Pastor Rowe will speak to the children on the theme, "Some Habits We Can Scrap." All children are invited. The Church School session at 10 a.m.

The Service with Sermon at 11 a.m. Pastor Rowe will deliver an Epiphany sermon at this service on the theme, "The Lost Jesus," based on scripture dealing with Jesus in the temple at the age of twelve. The Choir will render Stainer's, "God So Loved the World" as the anthem for the day.

The Intermediate Luther League will meet at the parsonage at 7:00 p.m. The Senior League also at the parsonage at 8:00. The pastor will continue his study with the Leaguers of "The Acts of the Apostles."

Saturday—Catechetical classes at the parsonage at 10:00 and 11:00 a.m.

Monday, January 11—The monthly meeting of the church council will be held at the home of Mr. Howard Hutt, 605 N. Washington Street, Moorestown, at 8:00.

Wednesday—Social Missions committee will meet at the church at 7:30 p.m.

Friday—The Bible Study Class will resume its meetings again at 8 p.m. at the parsonage.

Wednesday, January 20—The Annual Dinner and congregational meeting at the church beginning at 6:30 p.m.

EPWORTH METHODIST
CHURCH

Rev. D. Roe Hanes, Minister

At 7:45 will be the installation of officers elected for the coming year by the Women's Society of Christian Service. The decorated part of the

service will be conducted by Mrs. Laura Mandeville, retiring president, who will give a short address. The Pastor will install the officers and Mrs. Chas. Geelan, the newly elected President, will have charge of the closing service.

Church School in the various classes and departments will begin at 9:45. A staff of trained teachers are glad to meet and classify any new pupils. Youth Fellowship will meet at 7 o'clock.

We are emphasizing Church Attendance on the part of delinquent Church members this month.

Monday—7:30, Boy Scouts; 8:15, Monthly meeting of the Friendship Circle.

Tuesday—10:30, Third Annual Spiritual Retreat of the Woman's Society of Christian Service. A special feature of this Retreat will be a Sacrificial Luncheon served by the Woman's Society of Christian Service of the host Church; 7:30, Girl Scouts.

Wednesday—1:00, Box Luncheon of the Inasmuch Bible Class in the Intermediate Room of the Church. 8:00—Prayer meeting when the 8th Chapter of First Corinthians will be considered.

Thursday—The regular meeting of the Official Board.

Friday—3:45, Junior Choir Practice; 7:45—Senior Choir practice.

CHRIST CHURCH, EPISCOPAL
Riverton, N. J.

The Rev. Francis B. Downs, Rector

Second Sunday in Advent—December 6, 1942.

First Sunday After Epiphany, January 10, 1943.

8:00—Holy Communion.

9:45—Sunday School.

11:00—Morning Prayer and Sermon with administration of the Sacrament of Baptism.

2:30—Junior Confirmation Instruction. Illustrated talk.

7:30—Young People's Fellowship. Illustrated talk.

Monday Evening

7:30—Adult Confirmation instruction.

Both the confirmation groups are meeting again after a recess during the holidays. There is quite a large group of adults and those interested in learning, or refreshing their knowledge of church teachings are welcome at any of the meetings.

After presenting excellently the play of the Church School Christmas entertainment the Young People's Fellowship had much business to transact last week, and plans to make for a dance the end of this month. They also discussed some plans for civic services they might render. This coming Sunday night they will be told tales of little known places and forgotten incidents in the life of this section, illustrated by a large number of pictures. Mr. A. B. Garwood will be the narrator.

All those of High School age are welcome to come to any of these meetings, either as visitors, or to seek membership.

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor

Yuletide was made most enjoyable at "Central Baptist" as it was attended by visits from many of its members who are either attending college or are in the service of their country. The home-like atmosphere that usually prevails was emphasized in a spirit of a "home-coming" week. The church and Bible School also enjoyed many visitors which is always pleasing as it affords a way of spreading the spirit of the Season.

If you are a visitor in our community, you will find a church of your denomination. But if you are without church affiliations, "Central Baptist" endeavors to meet your attendance. So come out and bring your friends.

Services, Sunday, January 10—Bible School, 10 a.m.—If the attendance for the past couple weeks is indicative of what is to be expected during the year 1943, it will be a bumper year. By the cooperation of every member and the thoughtful assistance of visiting those who do not attend a Bible School, great things may be accomplished.

Morning Worship, 11:30 a.m.—The Pastor will have as his subject "The Down of Egypt." Although their deliverance, Mr. Morgan has been obliged to emphasize his subject in this way.

At 7:45 will be the installation of officers elected for the coming year by the Women's Society of Christian Service. The decorated part of the

participation in the services and will contribute their anthem to the service.

Jr. B.Y.P.U., 7:00 p.m.—Meeting in the Jr. Department room with Pastor Morgan as their leader.

Sr. B.Y.P.U., 7:00 p.m.—Meeting in the Main School room. At a recent meeting of this group, the following officers were elected for the new year: President, James Seither, Jr., Vice President, Dan Morgan, Jr., Secretary and Treasurer, Miss Jean Walter.

Evening Worship, 7:45 p.m.—"God's Interest in All Men" will be the sermon subject for the evening service. Congregational singing prior to the sermon with an anthem by the choir.

Wednesday, 8 p.m.—Mid-week Prayer and Praise service in which everyone is invited to participate.

Wednesday, January 20—Advance notice is given for the Annual Meeting of the church. All members are asked to put this date down in their memory book and be present. It is the duty and prerogative of every member to attend.

OBITUARIES

MARIA M. CODDINGTON

Mrs. Maria M., widow of Silas J. Coddington, died Monday night after a short illness.

Mrs. Coddington was born November 2, 1854, married June 1, 1878, and came to Riverton. The next year they built the house at 435 Thomas avenue, where they lived for many years.

Mrs. Coddington was the oldest living member of Calvary Presbyterian Church, being present at the laying of the corner stone.

The deceased had three children: two sons, Jesse M. and Frank P., and a daughter, Mrs. Paul E. Good, with whom she made her home; also seven grandchildren and six great-grandchildren.

Services will be held at 2 o'clock Friday afternoon at the Snover funeral home. Friends may call Thursday evening 7 to 9.

Interment Methodist cemetery, Palmyra.

ANNA C. CLELLAND

Anna C. Clelland, wife of the late Robert H. Clelland, died on Sunday, January 3, at her home, 909 Main street, Riverton.

Services were held on Wednesday at 2:30 p.m. from Christ Church, Riverton, the Rev. Francis B. Downs officiating.

Interment was made in Morgan Cemetery, under the direction of the Snover Funeral Home.

Mrs. Clelland was a life-long resident of Riverton.

She is survived by a daughter, Mildred; a son, Louis and a brother, Louis Corner, of Philadelphia. Two Philadelphia. Two grandsons, Ted-grandsons, Teddy and Louis Clelland, Jr., also survive.

SALLIE C. WILLIAMS

Mrs. Sallie C. Williams, of 2243 Tulip street, Philadelphia, died on Sunday, January 3, after a week's illness.

Services were held on Wednesday,

with interment in East Cedar Hill Cemetery, Philadelphia.

The deceased is survived by her son, Captain Joseph M. Williams, of 302 Midway, Riverton.

THE KENNY METHOD

A new and somewhat revolutionary method of treating patients with infantile paralysis has been warmly received by American physicians.

Miss Elizabeth Kenny, a nurse, worked out the method in far away Australia. Instead of placing paralyzed limbs in rigid splints, Miss Kenny finds that she obtains better, quicker, and more permanent results by applying warm packs to the spastic muscles. Usually within 24 hours and with the spasm quite often goes the pain.

Miss Kenny then has an attendant move the paralyzed arm or leg in the direction the paralyzed muscles would normally move the limb.

The patient lies on a bed, the mattress of which is pulled up a short way from the foot of the bed, so that the heels or toes hang over the end of the mattress instead of resting on the bed itself.

This whole method of treatment is designed to maintain a good blood supply to the paralyzed muscles and to quickly re-educate these muscles to do their customary tasks.

Miss Kenny contends that muscle spasm is not relaxed by immobilization in a cast, that, in fact, immobilization over a long period of time causes the muscle to die from decreased blood and lymph circulation.

Infantile paralysis still remains with us, but the Kenny treatment or its modifications promise to diminish the number of cases permanently crippled.

How to keep cars fit during the winter

A twelve-point maintenance program to keep automobiles fit for operation in zero temperatures is offered by the Keystone Automobile Club, to prevent repetition of the freeze-ups which occurred in the recent cold wave.

The club lists the following principal causes of trouble:

1. Heavy oil, which congeals and wears down even a fully charged battery.

2. Heavy transmission grease, which retards operation.

3. Weak batteries. A battery showing only one-quarter charge will freeze at 13 degrees above zero; at half-charge it will freeze at zero, but it is good for 98 below when fully charged.

4. Insufficient anti-freeze. A gallon is not enough for zero or sub-zero temperatures.

5. Frozen lock tumblers in the ignition.

6. Grease on the Bendix starter spring, which prevents the starter from functioning.

7. Water freezing in gas strainer and gas lines, preventing flow to engine.

8. Poorly adjusted spark plug gaps, and, or, fouled plugs.

9. Brakes frozen to the drums.

10. Points in automatic voltage regulators sticking, not only preventing battery from charging, but causing a leakage of existing voltage.

11. Improperly fastened, corroded or dirty battery cable connections.

12. Improperly fastened, corroded or dirty battery cable connections.

13. Improperly fastened, corroded or dirty battery cable connections.

One hour of your time each week will aid us in doing our share. Come and help in this important work.

TWO FIELD FIRES

The Palmyra Fire Department was called out shortly after 12:30 Tuesday afternoon for a field fire at Spring Garden and New Jersey avenue and a little later for another at Park avenue. No damage resulted.

The siren for the first fire sounded at the same time the Riverton and East Riverton sirens were blowing for another fire, thus giving many the impression that a large blaze had broken out in this section.

"God" is the Lesson-Sermon subject for Sunday, January 3, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "Unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever." (1 Tim. 1:17)
Among the Lesson-Sermon citations is the following from the Bible: "Great is the Lord, and greatly to be praised; and his greatness is unsearchable." (Ps. 145:3)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God. The great I am; the all-knowing, all-seeing, all-acting, all-wise, all-loving, and eternal; Principle; Mind; Soul; Spirit; Life; Truth; Love; all substance; Intelligence." (p. 587)

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.
The Rev. R. B. Stewart, Pastor
The Calvary Church family will no doubt be interested to know the results of the activity census taken at the worship service last Sunday morning. A total of ninety replies was received, representing somewhat less than fifty per cent of the worshipping congregation. Of these, thirty desired a mid-week service and

promised to attend it regularly; seventeen men were anxious to establish a men's Bible Class; fifteen men desired to have their names placed on the Ushers' List; thirteen ladies indicated a desire to assist with the work of the Nursery, while thirty members of the congregation expressed a desire to write to a Calvary boy in service at least once a month. In addition, several ladies wished to join the Ladies Aid Society, Women's Missionary Society, Golden Hour Circle, and Sunday School.

Appropriate action will be taken by the Session in the very near future to answer each of these requests in a constructive way. Meanwhile, we are wondering what are the desires of the seventy-five per cent of the Calvary membership that has not yet expressed itself. If you are interested in any of the opportunities for service, worship, study, and fellowship mentioned above, and are not now active in writing, and leave it with the Pastor at the close of the worship service Sunday morning. There is a Sunday School class for every age at Calvary. Plan to be with us next Sunday morning at 10 o'clock for the opening exercises. Divine worship begins at 11 o'clock.

The theme of the Pastor's message will be "The Christian and His City." The message should be especially helpful to all who desire to strengthen the community spirit of their towns, and to all who have recently moved to Riverton or Palmyra. The choir will assist in the service of worship and will render the anthem "The Lord's Prayer" by Malotte. The Church Nursery will be in charge of Mrs. W. Norris Westcott, assisted by Miss Martha Jane Daniels.

Christian Endeavor meets Sunday evening at 7. There is a place and program for everyone from fourth grade to age twenty-three. A special Men's Meeting is being arranged by the Trustees and Session for the evening of Friday, January 22. This promises to be an outstanding event. A prominent speaker has been secured, and all men of the Calvary family are asked to reserve this date.

Mr. and Mrs. Edward Dohan Rainsford, of Philadelphia, announce the engagement of their daughter, Miss Mary Helen Rainsford to Mr. Allan J. Porter, son of Mr. and Mrs. George J. Porter, of Palmyra. No date has been set for the wedding.

Walk in the light, and thou shalt see
Thy path, though thorny, bright;
For God by grace shall dwell with thee,
And God Himself is Light.—Bernard Barton.

SEWER BLOCKED

A blocked sewer under Main street between Second and Bank avenues caused considerable annoyance to residents in that vicinity on Saturday night of last week. It took workmen several hours to locate the stoppage and it was necessary to remove a fairly large section of the pavement in order to make the needed repairs.

BOY
SCOUT
NEWS

The Fall Inter-Patrol Contest of Troop No. 50, of Riverton, was won by the Beaver Patrol. This patrol has a splendid job of Scouting during the past three months having had the most advancement and having brought in two new Scouts. The patrol is led by Larry Hewlett, who has as his assistant Don Garwood. Other members of the patrol are Royal Farrow, Robert Farrow and Ed Snyder. The two new Scouts who are also members of the winning patrol and who were officially invested last Thursday are Francis Bailey and Ken Garwood.

Second place in the contest was won by the Flaming Arrow Patrol, led by the Moosehouse Patrol Leader; 3rd place went to the Elephant Patrol led by Gus Phelps.

A new contest starts at once and the two losing patrols have served notice on the winners that they are out to win. A hot contest is expected in view of the fact that all patrols have a chance to win the year's trophy.

At present all Scouts are busy on handicraft projects and plans for Boy Scout Week which is from February 1 to February 12. The highlight of this week will be the annual Parent's Night on Thursday, February 11. An unusual program will be presented— one that will give the parents a real insight to Scouting in all its phases.

ENGAGED

Mr. and Mrs. Frederick G. Hensler, of 45 West Charles street, Palmyra, have announced the engagement of their daughter, Miss Helen Hensler, to Master Sergeant Harold Lewis Mates, of Prospect Park, N. J. Miss Hensler is a graduate of Lan-

kenau Hospital Training School for Nurses, Philadelphia. Sergeant Mates is stationed at Camp Pickett, Virginia.

MORE GRASS FIRES

Field fires, which are becoming very prevalent of late, were the cause for two more alarms the first part of this week. The Palmyra Fire Department answered a call for one at Market near Broad, 10:30 Tuesday night and the Riverton firemen battled a blaze on Main near Shrewsbury road at 1 o'clock Wednesday. There was no loss at either location.

TRAFFIC DEATHS
DROP IN NOVEMBER

Total traffic fatalities decreased 40 per cent in New Jersey during November, as compared with the same month last year, but the ratio of pedestrian deaths jumped from one in every two to seven in every ten, Motor Vehicle Commissioner Arthur W. Magee announced today.

More people walking than ever before because of fuel and tire rationing, dim-out regulations and longer hours of darkness were the reasons advanced by the Commissioner for the sudden spurt in pedestrian fatalities. He predicts an even greater toll unless pedestrians radically change their walking habits and drivers give more consideration to the right of way of pedestrians at street intersections and crosswalks.

During November there were 65 traffic fatalities of all kinds in the state of which 45 were pedestrians while last November there were 109 deaths, including 56 pedestrians.

Over the period of the first eleven months this year there were 693 fatalities as compared with 859 last year, a decrease of 166, or 19 per cent.

RETAIL CLINIC
HERE TUESDAY

At the meeting of the Local Business and Professional Men's Club on Tuesday of this week, three O.P.A. representatives were present, these being John M. Woodside, Howard T. Head and Clifford J. Culbert.

Mr. Woodside told of the retail clinic that is to be held here next Tuesday evening and spoke as follows:

"The 'Economy for Victory' program is essentially a retailers assistance program. It was formulated by the Retail Trade and Service Division of O.P.A., solely for the purpose of enabling retailers to reduce expenses; eliminate 'frills' in order that the cost of doing business under O.P.A. plans may be lowered.

"The call as offered is the result of a meeting of O.P.A. representatives and representatives of 35 different retail businesses held at Washington. 'To make sure that all retailers have the opportunity to understand and discuss the plan, steps are now being taken to extend this opportunity through the united efforts of the Retail Trade and Service Division, the O.P.A. field offices, the Department of Commerce, business organizations, Chambers of Commerce, Retail Merchants Assn., and Distributive Educational Departments of the various States.

Clinics

"The plan calls for coast-to-coast clinics and is designed to reach every retailer, large and small in the metropolitan centers and in large and small towns.

"The acceptance of the plan is not mandatory upon retailers and its effectiveness, therefore, will be determined by their action individually and collectively. It thus becomes important that the retailers of each community meet together and in their own way put the plan in actual operation.

"It has been the experience that few communities lack a business or merchants organization of some character. This organization, whose guest it is our privilege to be today, is truly representative of these.

"Following the usual procedure, a committee of local merchants, representing five different businesses, has been selected to make arrangements for a clinic to be held at P.O.S. of A. Hall, the headquarters of the local War Price and Ration Board, on Tuesday evening, January 19, at 8 o'clock. Two members of the board, Mr. Lippincott and Mr. Armstrong, will give assistance in these arrangements.

Local Committee

"I think you will agree that every undertaking, regardless of its character, must have a leader; some one who must act as the driving force and who must assume certain responsibilities. In this particular instance your well known fellow citizen, Walter D. Lamont, has agreed to assume this burden. Mr. Lamont and the local committee, composed of Mr. Eberly, Mr. Swartz, Mr. Schulman, Mr. Whitmer and Mr. Scherwing, have been devoting much of their time in order that retailers of this community may have the fullest opportunity to learn of the benefits of the plan.

"Each member of this committee has been requested to prepare a series of questions for discussion at the clinic. This, however, does not debar anyone present at the clinic from asking a question, in fact, it is desirable that this be done and it is further desirable that each business man in this community consider himself a member of the committee as a whole and endeavor to see that no absentee exist, and that active participation of each in the clinic becomes a fact.

"Your community is one of the first in the country to enjoy this privilege. It has been arranged to have as a guest speaker an outstanding member of the Department of Commerce of the United States, and representative of O.P.A. who will explain the plan and other provisions having to do with rationing, etc.

"Give these men your support; you who are here today form but a small part of the total number of business men in the community. In the intervening time, use your best efforts, impress your fellows with the need of attendance at the meeting."

SCRAP COLLECTIONS
IN RIVERTON

John Reinhardt, member of the Salvage Committee of the Riverton Civil Defense Council, reports that residents in that community are continuing to aid the war effort by substantial contributions of material for salvage.

Nearly three tons of miscellaneous salvage was recently removed from the Riverton depot, in addition to over half a ton of paper.

ANNUAL MEETING
OF LOCAL BANK

The annual meeting of the Cinnaminson Bank and Trust Company was held on Tuesday of this week, at which time the following directors were elected by the stockholders: Howard B. Conover, George C. Frank, John F. Hackett, Arthur C. Haines, William A. Hendrickson, Arthur W. Lewis, Dr. Charles S. Mills, Henry L. Randall, Howard M. Rogers and James T. Weart. The only newcomer to the board is Assemblyman Lewis, the other members having been re-elected.

Following the stockholders' meeting the directors named the following officers for the current year: Dr. Charles S. Mills, president; William A. Hendrickson and George Frank, vice presidents; Howard B. Conover, secretary and treasurer; Morris H. DeCoursey, assistant secretary and Miss Marie I. Wiseman, trust officer.

Collectors, Mrs. Rebecca Trauger, Mrs. Wileta Jewett, Mrs. Myrtle Northrop, Mrs. Beulah Hynes, Mrs. Martha Gamble, Mrs. Florence Musser, Mrs. Nellie Gilmore, Mrs. Marion Kemmerle.

STAFF ASSISTANT'S COURSE

A Staff Assistant's course will be given at the Red Cross Chapter House in Beverly, in February. All persons interested in becoming Staff Assistants are requested to leave their name and phone number at the Riverton Red Cross office between 10 a.m. and 1 p.m.

ive of O.P.A. who will explain the plan and other provisions having to do with rationing, etc.

"Give these men your support; you who are here today form but a small part of the total number of business men in the community. In the intervening time, use your best efforts, impress your fellows with the need of attendance at the meeting."

P. T. A. FATHERS'
NIGHT PROGRAM

The Riverton Parent-Teacher Association will hold its annual Father's Night program Wednesday, January 20, at 8 p.m. in the Public School auditorium.

The speaker will be Dr. Wilbur E. Saunders, Headmaster at Peddie School, Hightstown, N. J.

On Wednesday, January 20, the Burlington County Council will meet at Florence and Roebeling.

The P.T.A. Board held a meeting on Thursday, January 14th, at the home of the president, Mrs. Richard Hooper.

HIGH SCHOOL PUPILS IN
ORATORICAL CONTEST

Five energetic students of the Palmyra High School are entered in the American Legion Oratorical Contest to be held in the High School Auditorium the evening of February 11.

"The pupils entered in this competition are: Beatrice Anderson, Doris Meyer, Thomas Cardea, Stanley Lippincott and George Luce. These entrants are being coached by Miss Zeigler of the English department.

Each student prepares a speech on some subject of his or her choice so that they may be prepared to speak at least 12 minutes on this prepared subject. The extreme test of their ability is when they speak extemporaneously on any one of the amendments making up the Bill of Rights.

This test is in addition to their prepared material. The student has no knowledge of the amendment on which he is asked to speak. Consequently he must be

About Town

The Ladies Auxiliary of the Delaware Fire Co. No. 2 of East Riverton, will hold a covered dish supper in the firehouse on Saturday evening January 16, 1943, from 5:00 to 7:30. Bring a covered dish and 35 cents. All are welcome.

Mr. and Mrs. Edward W. G. Borer, of Main street, have closed their home for the winter and taken an apartment in Philadelphia. Miss Helen L. Borer, who has been spending the holidays with her parents, has returned to Connecticut College, New London, Connecticut.

Wood Robinson, 22, son of Mrs. Dorothy K. Robinson, 210 Lippincott Ave., Riverton, has been advanced to the petty officer rating of Radioman, second class.

A graduate of Palmyra High School, Robinson enlisted in the Navy May 14, 1941, and was sent to Newport, R. I., for "boot training." After training in Newport he was sent to the Aviation Radio School here from which he graduated in November, 1941.

Parachutist Clement A. Haas, who has been spending a two weeks' furlough with his parents, Mr. and Mrs. Clement A. Haas, of Broad street, Riverton, has returned to Fort Bragg, N. C., where he is stationed.

P.H.S. STUDENTS
BUILD LINK TRAINER

The students of the aeronautics course in Palmyra High School have undertaken to build a "link trainer."

A "link trainer" is a type of model airplane large enough to hold one person, which shows the action of the control surfaces of a plane in relation to the "stick," the main device controls. The "link trainer" also shows linkage problems of physics, which are involved. Mr. Emoris, aeronautics teacher, will use the trainer, this year, only for demonstration purposes, however, next year he hopes that all students taking the aeronautics course will get individual experience in operating the "link trainer."

The trainer is simple to construct and only a few boards, wire and a few pulleys are essential. Warren Jensen and George Steedle, who built the trainer, spent about ten hours of outside work in order to complete the job.

The aeronautics course is part of the Victory Corps plan which has been inaugurated in Palmyra High School. This school is the leader of South Jersey in accepting the national plan, however, other schools in this area expect to institute it at the beginning of the second semester, some time in February.

Mr. Hughes, director of the corps in PHS, and Miss McDonnell, service coordinator, as well as other members of the faculty, have spent much time and work in rearranging schedules and beginning new courses which are required by the Victory Corps program.

So far about 60 per cent of the senior class has been enrolled and classified into the Corps, and Mr. Hughes has had personal interviews with over 100 students in relation to the Victory Corps.

WHAT IS INCOME TAX

The federal income tax is, as the name implies, a tax levied upon incomes, and it is payable in relation to the amount of income. Income, for Federal income tax purposes, means in general any compensation for one's services, whether the compensation be in money or in goods or other services; it includes also the net value received for the product of one's labor, as farm produce in the case of a farmer; income from investments; profit from business operations; and other gains from sales and exchanges of goods and property. Certain limited categories of income are, however, tax exempt, and to the extent of such exemption are excluded in computing the tax.

Because of exemptions from the tax given to persons having less than certain stated amounts of income, as well as because of various deductions and credits allowable, only a small portion of the number of persons

receiving income have until recently been subject to the tax. Thus, of the estimated 55 million persons in this country who received income in one form or another during the calendar year 1941, only some 25 million persons were required to file Federal income tax returns for that year, while of these some 25 million, more than 9 million were not taxable due to credits and deductions allowable.

Many More Subject

As a result of the lowering of exemptions, many more persons are now subject to the Federal income tax than before, and for the calendar year 1942 it is estimated that more than 35 million persons will file Federal income tax returns. To the large number of persons now subject to the Federal income tax who have never reported income before for Federal tax purposes, an understanding of the law and applicable regulations is of prime importance.

An income tax return is a declaration on the part of the taxpayer of his total taxable income for the year, together with the various deductions, exemptions, and credits to which he is entitled. It is in reliance upon voluntary disclosure, and the integrity of taxpayers generally, that the cost of administration of the income tax can be kept at a minimum. Though the return is a voluntary statement, any person who willfully makes a return which he does not believe to be true and correct in every material matter is subject to the penalties provided by law.

The first requirement of the law is the filing of an appropriate return. For individuals generally, this must be done by March 15 following the end of the calendar year. The return must be filed with the appropriate Collector of Internal Revenue for the district in which is located the legal residence or principal place of business of the person making the return. Under the present law every single person, and every married person not living with husband or wife, having a total income (earnings, together with other income) of \$500 or more, and married persons living with husband or wife throughout the taxable year, who have an aggregate income (total earnings of both husband and wife, together with other income) of \$1200 or more, regardless of the amount of net income, must file a return.

RATIONING NEWS

In order to avoid a last minute rush that might swamp the tire inspectors, James Kerney, Jr., State OPA Director urged all car owners to cooperate by having their tires inspected immediately.

Pointing out that only a small percentage of car owners had come to OPA Tire Inspection Stations since December 1, when the ruling went into effect, Kerney emphasized that unless motorists cooperate there will be a serious jam at the inspection stations at the end of the month. The deadline for the first tire inspection is January 31. After that time it will be illegal to operate a motor vehicle unless the tires have been approved.

Kerney said: "This is one of the important measures your government has instituted to save the valuable rubber on your tires—rubber that may mean the difference between success and failure on the home front. Cooperate with your government in this vital war measure. Have your tires inspected now! There are official OPA Tire Inspection Stations in every community. Take with you your Tire Inspection Record and your gasoline ration books."

He also stressed that applicants for supplemental gasoline rations must first pass the tire inspection before rationing boards will issue ration books.

Stamp number 28 in War Ration Book One is now valid for the purchase of one pound of roasted coffee, and remains good until February 7, rationing officials announced.

They also issued a reminder to those who do not have a copy of War Ration Book One (the sugar and coffee book) that they have until January 15 to apply for one at their local rationing boards. It was pointed out that only those consumers who have War Ration Book One will be given War Ration Book Two when it is distributed in February for use in purchasing rationed canned goods and other food commodities which may be rationed in the future.

It was indicated that more than four million copies of War Ration Book Two are now in the custody of county clerks throughout the State, awaiting completion of plans for their distribution next month.

The tentative program for distribution of the second ration book, it was said, provides for use of school sites and school teacher registrars just as in the original sugar registration last

May when 24,000 registrars processed approximately 4,222,352 applications, and issued 4,168,392 copies of the first ration book.

Registration

Applicants for Book Two will probably be asked to come to school registration sites some time in February, and will be required to bring along War Ration Book One. At the same time they will declare the quantity of canned goods on hand at home, and registrars will remove the appropriate number of point-value coupons from the ration book. Each consumer will also declare the quantity of coffee on hand as of November 29 when coffee rationing began, and a stamp will be removed from War Ration Book One for every pound over one pound per person.

All the coffee stamps will be removed from the copies of War Ration Book One belonging to consumers under 15 years of age. Any coffee stamps found missing from books of those consumers under 15 will be compensated for by the removal of an equal number of coffee stamps from the books of adult members of the same family.

Approximately a thousand fuel oil consumers of 10,000 gallons a year and over located in the northern counties of the State have received letters from the OPA Regional Office notifying them that they must convert their heating facilities from fuel oil to coal. Among those required to convert are industrial establishments, apartment houses, schools, churches, theatres, business premises, and municipal buildings.

PALMYRA QUINTET
DOWNS QUAKER FIVE

The Palmyra High School court outfit ran its string of wins to ten straight last Friday night on the local floor, when Moorestown was taken into camp by the score of 29-25. It was the first league engagement of the season for both teams.

Bauer was high man of the evening with five doubletons and three conversions for a total tally of 13. Kemmerle and Sims scored 8 and 6 points respectively.

Both teams battled on even terms during the first quarter, but Moorestown forged ahead during the next stanza and led 15-12 at intermission.

The Dimondmen came back in the third with nine markers and held the opposition to five thus boasting a slim margin of a single point.

The last period was fast and furious, but Moorestown was unable to close the gap and the Red and White won going away.

Palmyra plays Bordentown away on Saturday afternoon of this week and meets both Burlington and Paulsboro on foreign floors next week. They return to the local court Tuesday, January 26, in a contest with Mt. Holly.

Road Supervisor Louis A. Marland was granted a \$200 bonus by the Board of Freeholders, at the last meeting of 1942 last week. The bonus was granted due to the fact that Marland has for several months filled the position of bridge supervisor, as well as road supervisor. Resolution to allow the bonus was offered by Freeholder LeRoy Church, director of the road and bridge department, and was unanimously approved by the board.

CHANGING
STANDARDS

CHANGES IN THE AMERICAN STANDARD of living brought about by priorities and rationing were inevitable. But whatever sacrifices must be made to insure victory, we all know that we are helping to win what we must and shall win—a continuance of our democratic fellowship of freedom.

THE HIGH STANDARDS OF SERVICE, so long maintained by this organization; have not been lowered. The restrictions in the use of construction materials has not prevented the making of beautiful, durable caskets of distinguished craftsmanship. We continue to provide appropriate funerals of fine quality at prices set by the families when they make arrangements.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.
The Rev. R. B. Stewart, Pastor

It has been said that everyone prays, instinctively, because God created us as praying creatures. That may be true, but it is also true that there are millions of people who pray deliberately, regularly and intelligently, not as a response to instinct, but as a response to moral and spiritual need. They pray with understanding, knowing what they are doing, why they are doing it, and what they

may legitimately expect to happen as a result of the practice of prayer.

The number of these millions is growing today, and many who do not yet pray regularly would like to be convinced that they ought to do so, and would like to know how they can do so, effectively. Everyone today is interested in the subject of prayer, and this will be the theme subject of the divine service of worship at Calvary next Sunday morning and on the morning of Sunday, January 24. The general theme is, "The Power of Prayer," and the specific topics of the two Sundays are: January 17, "Prayer Quicken Power," and January 24, "Prayer Releases Power." You are cordially invited to worship with us if you have no regular church home in this community.

The anthem to be rendered by the choir on Sunday morning will be "The Lord Is My Shepherd," by MacFarren. There will be a sermon for the Junior congregation, and the Church Nursery will be in charge of Mrs. W. N. Westcott, assisted by Miss Jean MacDaid.

The Christian Endeavor Society will meet on Sunday evening at 7:00 o'clock. The devotional will be in charge of Will Good, and independent programs will be provided for each of the three age groups.

On Wednesday at 1:00 o'clock the Golden Hour Circle will meet. Each member will bring sandwiches and all ladies of the congregation are cordially invited.

The monthly meeting of the Good Fellowship Club will be held on Friday evening, January 15, at 7 o'clock. After the covered dish supper, there will be an interesting program.

A social meeting for the men of the Calvary congregation will be held on the evening of Friday, January 22, at 8 o'clock. The address will be delivered by a former Russian countess now resident in this country. Light refreshments will be served. All men of Calvary are asked to reserve this date.

YWCA NOTES

The Annual Meeting of the Burlington County Young Women's Christian Association was held at the Riverton Porch Club Monday night. Mrs. Carlton W. Tillinghast, of Burlington, county president, presided.

An inspiring address was given by Dr. K. Palmer Miller, Pastor of the Delanco Presbyterian Church, his subject being "Faith, the Master of Facts."

Reports of the president, the general secretary, Miss Mollie Heath Conn, and the various committee chairmen were presented at the meeting, indicating that the Y.W.C.A. had covered a wide field of activities in the county during 1942.

The 1943 budget was adopted at Monday night's meeting, and plans were announced for the program for the coming year. New board members were elected as follows:

Mrs. Edward S. Aaronson, Columbus; Mrs. Henry H. Alberson, Burlington; Mrs. Richard B. Eckman, Medford; Mrs. Edwin S. Gernant, Riverside; Mrs. G. Elliott Krusen, Delanco; Mrs. Alexander Sarka, Palmyra; Mrs. Frank D. Smith, Rancocas; Mrs. Ralph J. Steinhauer, Maple Shade; Mrs. Carlton W. Tillinghast, Burlington; Mrs. Alexander C. Wood, Jr., Riverton; and Mrs. Charles H. Wright, Jr., Moorestown.

BOY SCOUT NEWS

E. Newbold Cooper, Moorestown, New Jersey, was elected President of the Burlington County Council, Boy Scouts of America, at their 17th Annual Meeting that was held in Memorial Hall in Burlington, New Jersey, on Monday evening. Mr. Cooper, who is Supervisor of Elementary Grades in Girard College, Philadelphia, has been associated with the Burlington County Council for the past ten years. He succeeds Royston D. Engle, of Rancocas, as retiring President. Other officers elected were: Vice Presidents, C. B. Annett and Edwin A. Russell, Moorestown; and Stanley Coville, of New Lisbon; Treasurer, Harold V. Holmes, Burlington; Commissioner, V. Larwood Caldwell, Maple Shade; Chairman of District "A," David Styer, Bordentown; Chairman of District "D," Henry T. deHoll, Palmyra; Chairman of District "E," Edwin A. Russell, Moorestown; and National Council Representative, G. Lloyd Cowan, Jr., Edgewater Park. Members-at-Large to the Executive Board are: Royston D. Engle, Rancocas; Charles S. Beckwith, Pemberton; Warren A. Brown, Beverly; Eugene E. Beyer, Mount Holly; Walter Krall, Roeboling; Dean H. M. Smith, Bordentown; G. Lloyd Cowan, Jr., Edgewater Park; Commander James B. Ryan, USN, Palmyra; and F. W. Armstrong, Jr., William C. Avery, W. C. Coles, Jr., H. F. Hall and J. W. Thacher, all of Moorestown.

President Engle, in his report, announced that a new high had been reached in membership and in the recruitment of new boys into Scouting. He expressed his appreciation to the members of the Council and the Executive Board who had given such fine support to the Program, thus enabling the Council to reach its objectives.

Harold Holmes, of Burlington, Council Treasurer, in his report, showed a substantial balance in the Treasury at the close of the year.

Arthur B. Harris, Vice Chairman of Finance, gave an outline of the activities of the Finance Committee.

Edwin S. Flinn, retiring Chairman of the Organization and Extension Committee, reported an increase of 81 Scouts at the close of the year over the previous year.

Stanley Coville, New Lisbon, Chairman of the Camping and Activities Committee, reported that the new campsite had now been set up for Winter week-end camping and was being used by the Scout Troops of the County.

Dwight Tuttle, Riverton, retiring Leadership Training Chairman, reported that 30 per cent of the Scout Leaders had now received basic training in Programming.

The members of the Nominating Committee were: James B. Ryan, Palmyra; Arthur B. Harris, Moorestown; and Eugene E. Beyer, Mount Holly.

E. Newbold Cooper, in accepting the Presidency for 1943, expressed the appreciation of the Executive Board and the Council to retiring President Engle on the fine work and accomplishments he has had during 1942. President Cooper then made the following appointments: Chairman of Advancement, Dr. Donald H. Powers; Chairman of Camping and Activities, James B. Ryan; Chairman of Organization and Extension, William G. Porter; Chairman of Health and Safety, Dr. Walter M. Cluley; and Chairman of Finance, Arthur B. Harris.

V. Larwood Caldwell, Council Scout Commissioner, in his report, cited the many activities in the War Effort that have been done by the Boy Scouts in Burlington County, both in the collection of scrap and waste material, and in the distribution of posters and leaflets for the Government.

County Scout Executive, George A. Darlington, reported on the Scout Leaders who are now in the Armed Forces, and on the new Leaders that have been secured to lead the Troops. He further reported on the District organization.

The meeting was then adjourned.

MR. AND MRS. AMERICA—THIS IS UNITED NATIONS WEEK

This week, January 14 to 20, 15,000 theatres in America are celebrating United Nations Week.

One year ago, 25 nations from every far-flung corner of the globe were welded into a powerful group of Allies, pledged to smash Hitlerism. This pact followed Pearl Harbor. It signalled the end of a barbarous decade of history that staggered the world and plunged it into the bloodiest conflict of all time.

The theatres of America are celebrating the birth of the United Nations as all birthdays are celebrated—in a spirit of gaiety and hope. Nevertheless, this birthday has a deeper meaning for all of us. We and our allies are engaged in a titanic struggle. We know how vital is our stake in this war. We know how strong and unswerving is the cause of the United Nations.

We, Mr. and Mrs. America, must continue to keep this cause strong. Our hardships will grow. Our sacrifices will increase. We shall face many tough problems and many dark days. But, we and our Allies have been challenged by Nazi Kultur, with all its horrible indecency and all its pagan barbarism.

THEATRES

The members of Sigma Delta Kappa Sorority wish to express their thanks to all those who bought tickets for their recent movie benefit.

One half of the proceeds will be sent to the Greek War Relief Fund.

away from their homes and thus permitting children to shift for themselves. In our neighboring city of Philadelphia this condition has been so grave that authorities have made an urgent appeal to the churches to do their part in alleviating this terrible assault on youth. The best inoculation which will prevent the spread of this youthful crime wave will be found in the teachings of the Bible school and church, and in cultivating social interests in spiritual training through youth activities. This can only be accomplished by encouraging their offspring in this direction and exemplary living by the parents.

"Central Baptist" has classes for all ages in the Bible School where spiritual lessons of primary importance in everyday living are taught. Before this condition spreads in our communities it might be well that this remedial inoculation be applied.

While much attention is being given to inoculations in battling disease among our boys in the armed services who are exposed to the elements and germs prevalent in the different climes of countries in which they are operating, there has arisen at the home front another form of disease that threatened the very existence of the manhood of tomorrow.

And that is juvenile delinquency and crime. According to recent reports this alarming condition is growing by leaps and bounds due to the inadequacy of parental care.

This is the result of the activity of mothers in war industry, taking them

AMERICAN RECESSION

Thomas L. Kelley, Senior Administrator of the United States Employment Service, now stationed in Trenton, told the members of Post No. 156, American Legion, at their meeting in Palmyra on January 5, that he was optimistic about the employment situation after the present war because of the great demand there will be for goods which cannot now be bought or made and which will wear out. He talked interestingly on the various functions of the Employment Service and phases of its work. At the conclusion of his talk the members asked many questions.

Commander George Strabel was ill at the meeting, was presided over by Major Vice Commander Clinton

The delegates to the County Committee reported that the Post had been honored by having one of its members, Charles Yost, elected to the position of Department Executive Committee member from Burlington County to take the place of John A. Whelan, of Riverside, Past Department Commander, who is now a First Lieutenant in the Army.

Reports of various committees were received, among them that of the committee in charge of the ceremonies at the presentation of the community service flag of Riverton on January 3. The Post appreciated the fact that Mayor and Council and Councilman Robert Knight, in charge of the affair, invited the Post to take charge of these ceremonies.

The Post ordered the purchase of 250 more of the "Fall In" booklets issued by National Headquarters. This little booklet is given by the Post to every man inducted into the service from Burlington County Selective Service Board No. 1, and contains invaluable information for the help and guidance of the new soldier, sailor or marine. The Post has already given out over 400 of them.

BAND PARENTS CLUB

Many important matters were decided upon by the members of the Band Parents Club at an informal meeting held Monday night in the high school.

A committee composed of Mrs. Charles Hech, of Riverside, Mrs. James Edmonds of East Riverton, and Mrs. G. E. Hall, of Palmyra, submitted their choice of the pin to be awarded to each member of the Junior Band at the close of the season for faithful attendance to the rehearsals.

The Executive board offer to purchase the beginnings of a Junior Band uniform was accepted by the club members.

New appointments made by the president include Albert Farrow, of Riverton, as program chairman. It was decided to have a short program at the conclusion of each business meeting. The hostess committee is now headed by Mrs. Albert Farrow and members include Mrs. Alvin Holman of Delanco, Mrs. Harold Marshall of Palmyra, Mrs. Joe Wells, of Palmyra, and Mrs. G. E. Hall, of Palmyra.

At the conclusion of the meeting refreshments were served by Mrs. M. J. Edwards, Mrs. Dwight Tuttle, both of Riverton and Mrs. Harold Marshall, of Palmyra.

DRIVE CHAIRMAN

Frank A. Snover, of Palmyra, has been named chairman of the Red Cross War Fund Drive in that community.

The campaign will start March 1.

4th Year, No. 3

RED CROSS WAR FUND MARCH 1

F. Wallis Armstrong, of Moorestown, has been appointed Burlington county chairman of the American Red Cross War Fund campaign that will be conducted in March, according to an announcement made last week at the January meeting of the County Chapter which was held in Beverly.

Branch chairmen will be appointed at an early date in the various communities.

The Red Cross did not hold its customary membership roll call last November. Instead, it decided upon one campaign in March which, barring emergencies, will finance the work of the organization until February 28, 1944.

The county quota has been established at \$92,500. Last year the Roll Call and War Fund contributions amounted to \$60,000 as compared with a peacetime total of \$9,000. Branch quotas will be set this week and announced at a later date.

A goal of \$125,000,000 has been set for the Nation and President Roosevelt has designated March as Red Cross month. The National chairman is Walter S. Gifford, president of the American Telephone and Telegraph Company, who will be assisted by thousands of workers in the 3,750 chapters and 6,154 branches of the American Red Cross.

RETAIL CLINIC

The first clinic for retail business houses in this section of the State was held in local ration board headquarters, Palmyra, on Tuesday night of this week, with 75 merchants from Riverton and Palmyra in attendance. The affair was sponsored by the O.P.A.

The meeting was opened by Walter D. Lamon, of Palmyra, who served as a very capable chairman and outlined the purpose of the affair.

He was followed by Leonard R. Drake, regional business consultant of the U. S. Department of Commerce, who emphasized the need for economies on the part of business houses and forecast what would happen during the current year, when many consumer goods would be off the market. He said that business should adopt the slogan "Peace-time Competition Must Give Way to War Time Cooperation."

Mr. Drake was followed by other government officials, who explained the joint rationing system, the ration plan and other regulations. All were asked numerous questions by those present.

At the close of the meeting it was decided to organize a permanent local clinic in the "Retailers Economy for Victory Program" with the Riverton-Palmyra Business and Professional Men's Club acting to formulate further plans.

Arthur W. Lewis, B. and P. president, extends a cordial invitation to all local business men to attend the next meeting of the club on Tuesday of next week, in the Riverton Country Club, at 12:30, when O.P.A. officials will be present to further the organization of the clinic.

CHANGES IN PALMYRA SCHOOL CALENDAR

The following changes in the calendar of Palmyra Public Schools were announced this week as a final saving measure:

The school will open on February 12, Lincoln's Birthday and April 26, Easter Monday.

The school will be closed for vacation during the period February 22 to 26, both inclusive.

School will close for the year on June 11 as previously announced.

Nothing else puts so much flavor and succulence into a couple of fish than chops as meat loaf of \$1.75.

THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

TIN CANS MUST BE SAVED

The War Production Board has decreed that hereafter "TIN CANS CANNOT BE MINGLED WITH ANY OTHER REFUSE, RUBBISH OR TRASH"

Used tin cans are vitally needed for the tin and steel scrap they contain. Every gross ton of tin cans contains 2,218 pounds of vital steel scrap and 22 pounds of equally vital tin. We cannot afford to waste an ounce of tin or a pound of steel. These metals are needed for the manufacture of instruments, equipment, bullets, tanks, planes and ships for our armed forces. Those who remain at home. We cannot gamble with their lives.

The lives of our boys now in the service depend upon the cooperation cannot be indifferent to the sacrifice they are making. We can and must do our part. It is our duty to conserve these vital metals.

Our government has decreed that hereafter the housewife must keep the used tin cans separate from other refuse and garbage. In addition, she must prepare these used tin cans. The proper preparation is as follows:

- (1) Remove both ends.
- (2) Remove the label.
- (3) Clean the can.
- (4) Step on the can and flatten it.

REMEMBER! UNLESS THE CAN IS CLEANED AND PREPARED IT IS OF NO USE WHATSOEVER!

The tin can salvage is not an intermittent "drive" or "campaign." It is a continuous, DAILY process that is necessary if we are to win the war. Every housewife in the Township should make the saving and preparation of the used tin cans a daily habit. The committee will see to it that these cans are conveyed to the detinning plants.

The wholehearted cooperation of every housewife will result in the salvaging of tons of tin and tons of steel which are now going to waste.

THEY ARE IN THE SCRAP OVER THERE
LET US GET IN THE SCRAP OVER HERE!

CALL FOR SUPPLEMENTAL GASOLINE APPLICATIONS

Holders of supplemental gasoline books which expire on January 22, must call at the Palmyra Ration Board office for new applications and bring their tire inspection record with them.

The gasoline panel meets on Monday evening of each week and applicants are asked to call at the board office after Wednesday in order to determine whether or not their application has been granted.

ROBERT MARSHALL KILLED BY AUTO

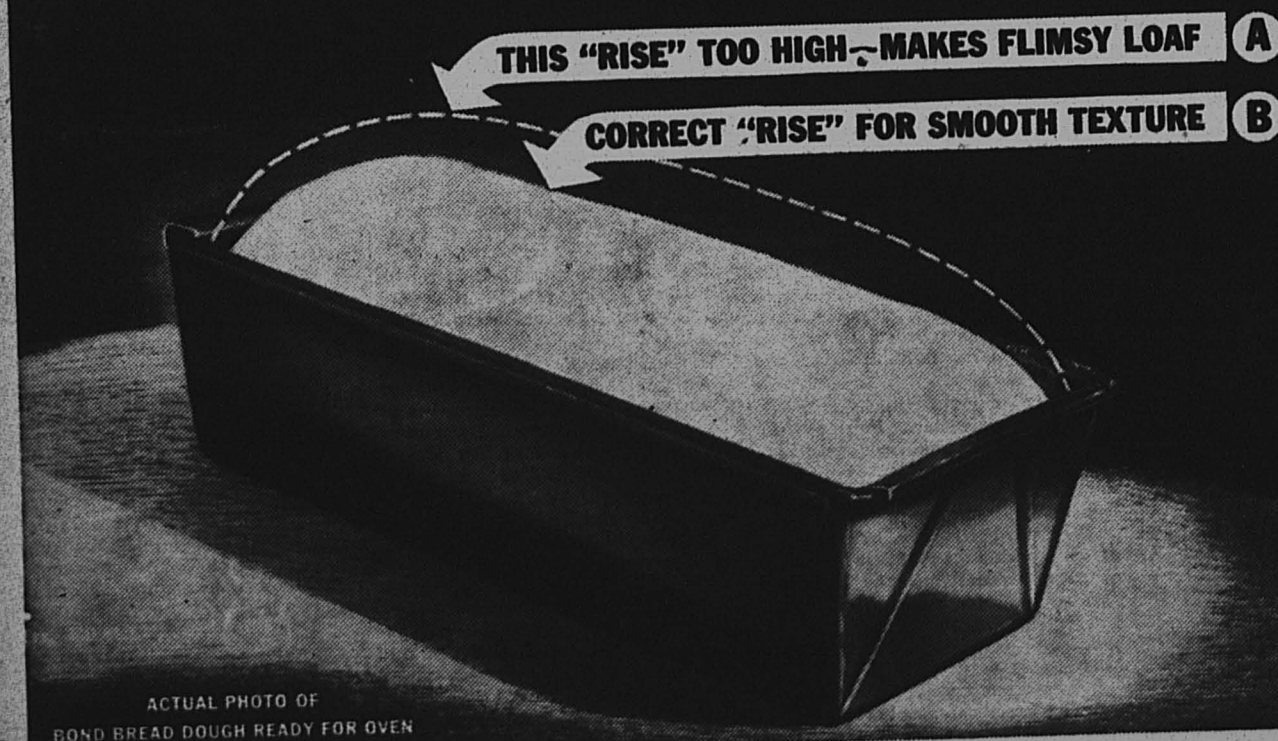

Robert A. Marshall, 73, 431 Thom- as avenue, Riverton, was fatally injured Thursday night of last week when struck by an auto in front of Eberly's Drug Store, Broad Street, Palmyra.

Mr. Marshall parked his car on the right side of the street and was crossing the highway when he was hit by a machine operated by Charles P. Dittman, 54, of Riverside. Police allege that this auto, which was going in the direction of Riverside was being operated without lights except a flashlight pointed through the windshield by Dittman's wife. The driver also had no operator's license.

The injured man was rushed to Zurburg Memorial Hospital, Riverton, in the Palmyra ambulance, but died soon after being admitted.

BOND BREAD SLICES EASIER

because of "Controlled Rising" to the Perfect Flavor Peak

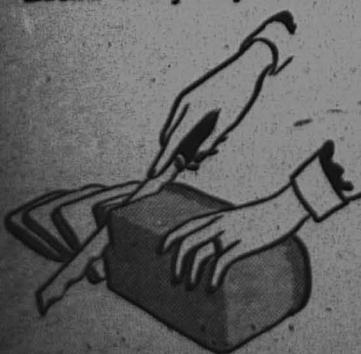

ACTUAL PHOTO OF
BOND BREAD DOUGH READY FOR OVEN

A Many breads are "puffed" ... allowed to rise too high in order to look larger (though the weight of bread is the same). The result is flimsy texture. They are hard to slice.

B Bond Bread is never "puffed". Every loaf is controlled to rise only to the perfect "flavor peak". Result: delicious taste and smooth, even texture that slices cleanly without tearing or crumbling.

NOW that the Government has ordered no more sliced bread, you may have trouble doing your own slicing, if you aren't using Bond Bread. You'll find the slices crumble, wad up, tear apart, come out ragged.

Try Vitamin-Enriched Bond Bread and notice the difference. How easily and smoothly it slices! How delicious it tastes. Better sandwiches, better toast! A million women who buy Bond Bread every day will tell you it's finer bread ... in every way.

Correct way to slice bread

Use sharp knife. Lay the loaf on side. Slice from a bottom edge, with sawing motion.

COUNTY LIBRARY ANNUAL REPORT

The following is the annual report of the Burlington County Library as submitted by Hazel C. Clark, librarian:

Like every organization in the country the Burlington County Library has been forced this past year to make many adjustments to fit in with the demands of the national situation. Since the beginning of the gasoline and rubber shortage the book car is used only when absolutely necessary. Naturally this makes contact with our custodians less frequent, a real loss in the effort to acquire an acquaintance with the reading interests of the different communities in the county, but it has saved the wear of material difficult or impossible to replace. Small shipments of books are sent by mail instead of delivering them by truck as was often done in the past. All large collections are still delivered by car, but we now plan our trips so as to use all available space on the shelves of the book car, and make as many stops as time will allow.

We have encouraged our custodians to recognize the difficulties the reader may have in getting to the station to return his library books and suggested that readers be allowed more books than was usual before the gas ration. The heating situation has caused problems in some localities where the station was in a public building that was not warm at all times, but in no place has the library been closed. Rather some substitute place has been found for the books during the winter months.

Buying Books

Selection and buying books has been very difficult during the past year. We are engaged in a total war and it is very important that we have a knowledge of the world and its people, both our allies and our enemies. This is a war of new weapons and new techniques and our readers need and want to be better informed about them. On the propaganda front our greatest weapon is the truth and an informed public. With all this in mind we have tried to buy books that would acquaint our readers with facts and make them unwilling to surrender the right to think and act for themselves. We have bought many books that we know will not have a permanent value, but they have seemed to depict at the time they were published a complete and dramatic picture of events as they were taking place. For the same reason we have duplicated many times some of the most popular titles, as their greatest value lies in

NOTICE

Notice is hereby given to the legal voters of the School District of the Borough of Riverton, in the County of Burlington, that the annual meeting for the election of three (3) members of the Board of Education will be held at the School House, on

TUESDAY, FEBRUARY 9, 1942
from 7:00 o'clock p.m. to 9:00 p.m. and as much longer as may be necessary, to enable all the legal voters present to cast their ballots.
At said meeting will be submitted the question of voting a tax for the following purposes:
For current expenses \$35,400.00
For repairs and replacements \$50.00
For manual training \$50.00
The total amount thought necessary is \$37,000.00
For bond redemption and interest on bonded indebtedness \$7,000.00
Dated this Eighteenth day of January, 1942
WILLIAM H. BUTLER
District Clerk

NOTE—The term "current expenses" includes principals' salaries, fuel, textbooks, school supplies, flags, transportation of pupils, tuition of pupils attending schools in other districts with the consent of the Board of Education, school libraries, compensation of the District Clerk, of the custodian of school moneys and of transient officers, transient teachers, insurance and the incidental expenses of the schools.

A member of the Board of Education, shall be at least 21 years of age, a citizen and resident of the school district, and shall have been such a citizen and resident for at least three years immediately preceding his or her becoming a member of such Board. Persons, legally qualifying candidates to be voted on at said meeting, must be filed with the District Clerk at least twenty days before the date of the meeting in order to have the names of such candidates printed on the official ballots to be used in voting. In calculating the above-mentioned twenty days either the filing day or the election day may not both be counted. Blank forms for this purpose may be obtained from the District Clerk.

Persons who may vote in addition to those reported for the last preceding general election and those whose names appear on the permanent registry list of the municipality are those who reside at the place shown on the Saturday evening preceding the election between the hours of 7 o'clock p.m. and 9 o'clock p.m. Any person may refuse who is qualified to vote in this district for a member of the legislature.

the timeliness of their contents.

Our circulation has dropped from the totals of last year, but of course this was to be expected. Preoccupation with the various forms of war work and volunteer services as well as the long working hours have prevented many readers from using the library as much as usual. Transportation difficulties have also contributed to this loss in circulation, especially in our work with the school. Many of our teachers used to stop in the library on their way home from school and get material which they wanted to use the next day. Now work must be planned in advance so that books may be mailed or delivered on a regular trip of the book car, or sent by some member of the Staff of the Burlington County Office of the Superintendent of Schools, all of whom have been very willing to help.

Books at Library

For the first time in the history of the County Library we have fewer books at the end of the year than we had at the beginning. We have discarded over five thousand books since January 1, 1942. That includes books that were burned at the Bordentown High School fire as well as the result of careful weeding of the shelves of some of our larger stations. Book prices have advanced considerably, so that we were unable to buy as many books this past year. An examination of our records show that in 1937 we paid an average of 96 cents for each book purchased, in 1942 we paid \$1.32 and in 1941 only \$1.12 or an increase of 47 per cent over five years ago and 15 per cent

over last year.

Burlington County Library along with the other libraries in the state has suffered a great loss this year in the death of Miss Sarah Askew, for many years the librarian of the Public Library Commission in Trenton. It will be difficult to replace the sympathetic understanding which Miss Askew gave to all who sought her advice. We should like to thank the staff of the Library Commission for the prompt and efficient manner with which they have filled all of our requests for books, even during the trying time of Miss Askew's illness and pay tribute again to the loyal and faithful custodians of our library stations.

SMALLPOX VACCINATION

Recovery from smallpox, with few exceptions, confers immunity. A much safer and more pleasant method of obtaining protection is to submit to vaccination with cowpox virus.

A successful vaccination confers immunity for from five to twenty years. When exposed to smallpox directly or indirectly all persons should be revaccinated.

In a susceptible (unprotected) person a typical vaccination takes the following course. After an incubation period of about 3 days a small pimple appears. At the end of 6 days the pimple begins to fill with a watery fluid which for 3 more days gradually becomes turbid and thick. A crust then forms which drops off toward the end of the third week.

If a person is immune to smallpox, the above course is speeded up. The greater the degree of protection, the shorter will be the course of the vac-

cinia eruption. In all successful vaccinations some reaction should be apparent in the skin. If no reaction occurs, another vaccination should be done.

Although uncomplicated vaccinations harm no one, those enfeebled or having skin infections should postpone vaccination unless they are exposed to smallpox.

Immunity to smallpox develops in about 8 to 10 days following vaccination with cowpox virus.

Next week smallpox itself will be discussed.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

The men of the Calvary congregation are reminded of the special meeting to be held on Friday evening at eight o'clock in the Sunday School auditorium. The speaker will be Miss

Alena D. Kastorsky, who spent the earlier years of her life in Russia, and who is well qualified to bring us an enlightening and revealing picture of the present day situation in that country. A period for questions and answers will be provided at the close of the speaker's address, after which refreshments will be served. This social evening is being sponsored by the Session and Trustees of Calvary, and a large turn-out of the men of the Calvary congregation is expected. Church School will convene at 10 o'clock Sunday morning. At present there are classes for all ages, with the exception of the Adult Class for men. A Men's Bible Class is now being organized, and will meet for the first time on the morning of Sunday, February 7. Competent and gifted teachers have been secured, and we trust that this class will adequately meet a need that has been felt for some time among the Calvary men.

Divine Worship will commence Sunday morning at eleven o'clock. The sermon message will be a continuation of the message of last Sunday, the specific topic being "Prayer Releases Power." Two anthems will be rendered by the choir, "O Taste and See" by Goss, and "God is Love" by Shelley. There will also be a sermon for the Junior Congregation.

The Christian Endeavor groups will meet in the Church School auditorium at 7 o'clock Sunday evening. Devotional exercises will be led by Gladys Good. There will be special discussion topics and leaders for those of junior, intermediate, and senior ages. A Christian Endeavor boys' basketball team is being organized by the Intermediate group.

The Church Nursery, held during the hour of Divine Worship Sunday morning, will be in charge of Mrs. Loren B. Thompson and Miss Ann Magowan.

WESLEYAN MEN'S BIBLE CLASS

EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

The Rev. Robert W. Matthews will address the class this Sunday.

A Moulton McNutt will address the class this Sunday.

CENTRAL BAPTIST CHURCH

Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor

Services, Sunday, January 24th.

Bible School, 10 a.m.—An hour in any one of the classes of the school will be one of the most profitable hours that anyone could spend during the course of the week, as it gives to the individual that something that is necessary to keep the faith and morale of the American people. Like-wise the messages from week to week in the worship services, are food for thought and consideration when dealing with the problems of this day and age.

Morning Worship, 11:15 a.m.—"It Cannot Be Done" will be the subject for the sermon by Pastor Morgan. "Sun of My Soul" by Turner will be the choir's rendition.

Jr. B.Y.P.U., 7:00 p.m.—This group meets in the Main School room.

Evening Worship, 7:45 p.m.—The message of the evening will be on the subject "Going to Fulfill Our Task." Congregational singing prior to the sermon and an anthem by the choir, "Spirit of God," by Humason. Bring your friends to this service and enjoy its helpfulness.

Wednesday, 8:00 p.m.—Mid-week Prayer and Praise Service. Every one invited who wishes and needs spiritual guidance and Christian fellowship.

WILLIAM A. HENDRICKSON

William A. Hendrickson, a prominent resident of Riverton for many years, died Sunday morning in Jefferson Hospital, Philadelphia, following a brief illness.

He is survived by his wife, Erma Cox Hendrickson, of Riverton; a daughter, Mrs. Joseph M. Freed, Jr., of Glenside; a son, W. Lynn Hendrickson, of Riverton; and two sisters, Marjorie Molnar and Mrs. A. H. Donnelly.

Mr. Hendrickson retired in 1925

as president of the McWhorter Manufacturing Co., makers of farm implements, East Riverton. He was vice president and a member of the board of directors of the Cinnaminson Bank and Trust Co., treasurer and a member of the board of trustees of the Riverton-Cinnaminson Welfare Association and a member of the Union League, Riverton Country Club and Quaker City Gun Club.

Funeral services were held at his late residence, 208 Lippincott avenue, Riverton, on Wednesday afternoon of this week.

The Rev. Francis B. Downs, rector of Christ Church, Episcopal, Riverton, officiated.

Interment was in West Laurel Hill Cemetery.

The Golden Text is: "Teach me thy way, O Lord; I will walk in thy truth: unite my heart to fear thy name." (ps. 86:11)

Among the Lesson-sermon citations is the following from the Bible: "Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free." (John 8:31, 32)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Truth, spiritually discerned, is scientifically understood. It casts our error and heals the sick." (p. 275)

Know Your Government

"PAY AS WE EARN"

New Year's resolutions pledging to keep out of debt will be strictly of the wishful thinking variety for 27,000,000 income tax paying citizens, who, unless some "pay-as-you-earn" plan of tax payment is adopted by Government, will start the New Year with a sizeable income tax debt.

Uncle Sam, in order to furnish funds to finance, in part, the titanic expenditures for war, must dig deeper into the lower income groups and take greater amounts from the middle and higher brackets. Apparently only a small percentage of American citizens realize the amount of their tax obligation—which becomes due early in 1942.

Everyone from the \$10-a-week office boy on up will be included in the new and larger tax army. An unmarried clerk who earned \$30 per week during 1942 will start 1943 with an income tax debt of \$192.04. A married man earning \$2,500 per year will pay approximately \$222. A \$10,000 a year man without dependents would pay more than \$2,000 in income tax. This will be in addition to the five per cent Victory tax also to be paid from 1943 incomes.

When the American Institute of Public Opinion, which conducts the famous "Gallup Poll" recently checked public income tax "knowledge," it found a large percentage of the American populace with but a vague

idea of their own impending tax debt. Less than one-quarter of those questioned claimed to know the amount of tax they will have to pay.

Spirit of 1943!

Modern methods, modern efficiency—but the same old flaming spirit of 1776. What else could give men the vitality to produce tanks, guns, planes, armaments in such enormous quantities? What else could enable the railroads of America to handle millions of troops with such precision and smoothness... to haul twice the tonnage of war materials pre-war experts estimated them capable of... to take over the great oil and miscellaneous cargoes of coastwise shipping, and yet keep war transportation rolling? That spirit, as much as mechanical excellence and natural resources, is America's strength. Its "secret weapon". Pennsylvania Railroad is proud to pay tribute to it, and to be a part of it.

Facts revealed through the survey and by other means have led to renewed consideration of the need for a "pay-as-you-earn" plan of taxation on incomes to avert disaster when America's tax collection machinery swings into high gear only to find many citizens with empty pockets.

Such a program has been proposed by Beardsley Ruml, chairman of the Federal Reserve Bank of New York. The "Ruml Plan" would neatly and "as simply as daylight saving time" permit America to "catch up" on its tax payments by "turning the tax clocks one year ahead." Instead of collecting taxes in 1943 on 1942 incomes, the 1942 incomes would be collected from citizens in 1943 as the money is earned, from pay envelopes and other income sources. Strange as it seems the Government would not suffer any loss by "skipping" 1942 tax collections but probably would gain through immediate and continuing payments on higher 1943 incomes.

Citizens, relieved of the problem of scraping up lump sum tax payments, would be in a better position to pay the income tax in easier "installment"

payments, and at the same time to provide the Victory Tax.

While the plan has been widely discussed among taxing authorities in Washington and throughout the country, the general public is not believed to be fully acquainted with it, to help crystallize public opinion, citizen organizations throughout the nation and the New Jersey Taxpayers Association in this State have undertaken to distribute information on the plan through the press and by other means.

PLEURISY

Pleurisy with effusion means the collection of fluid between the outer lining of the lungs and the inner lining of the chest wall or other chest structures.

Dry pleurisy usually comes first. A fibrin coating forms over a portion of the lung. This fibrin is sticky and the area which it covers is red, dry, and inflamed. Naturally every time a deep breath is taken, dry, inflamed surfaces rub together. This causes pain. A dry hacking cough often accompanies pleurisy and in the early stage at least aggravates the pain.

Those odds are high!

Every person having pleurisy should stop worrying about his pleurisy and should start thinking about tuberculosis.

A thorough physical examination by a physician followed by one or more chest x-rays is the only sure way to find out whether or not your pleurisy is caused by tuberculosis. If it is due to tuberculosis, there will still be ample time to do something about it.

In a few days the lining of the lungs manufactures a fluid which bathes the inflamed pleural lining and acts as a cushion to separate the inflamed surfaces. The dry pleurisy has then become pleurisy with effusion.

When pleurisy occurs for no obvious cause other than "the cold" or a "run down condition" the true cause is lung tuberculosis in over 80 per cent of the times.

In other words four out of every five who develop old fashioned pleurisy and who at the time are not apparently suffering from any serious disease, are actually suffering from lung tuberculosis.

CHANGING STANDARDS

CHANGES IN THE AMERICAN STANDARD of living brought about by priorities and rationing were inevitable. But whatever sacrifices must be made to insure victory, we all know that we are helping to win what we must and shall win—a continuance of our democratic fellowship of freedom.

THE HIGH STANDARDS OF SERVICE, so long maintained by this organization, have not been lowered. The restrictions in the use of construction materials have not prevented the making of beautiful, durable caskets of distinguished craftsmanship. We continue to provide appropriate funerals of fine quality at prices set by the families when they make arrangements.

RED CROSS NEWS

Those who are graduates of the Canteen course can receive their certificates by calling at the Riverton Red Cross office, Collins building, Main street.

VICTORY BOOK CAMPAIGN
The 1942 Victory Book Campaign, the second annual drive for the collection of books for men in all branches of the service, is now under way and will be carried on until Friday, March 5, 1942. The campaign is sponsored jointly by the American Library Association, the American Red Cross and the United Service Organizations. Mrs. S. R. Coale is chairman for Riverton.

Please go over your books and take those you can spare to the Free Library. Remember this is not a scrap collection and only good books in good condition are wanted. Books desired include current best-sellers and the more recently published popular fiction and non-fiction; technical books published since 1935; humorous books; and small-sized editions of popular titles, both current and classical.

These books, after accumulation at all libraries throughout the country, will be distributed to camp and naval base libraries, ship libraries, mobile libraries and all bases of field operations whether at home or abroad; also to USO centers outside the camps and the American Merchant Marine Library Association; and finally, in the event of an over-supply, for the men, women and children in defense areas where increased population has taxed the facilities of local libraries.

FOUR FREEDOMS COMMEMORATIVE STAMP

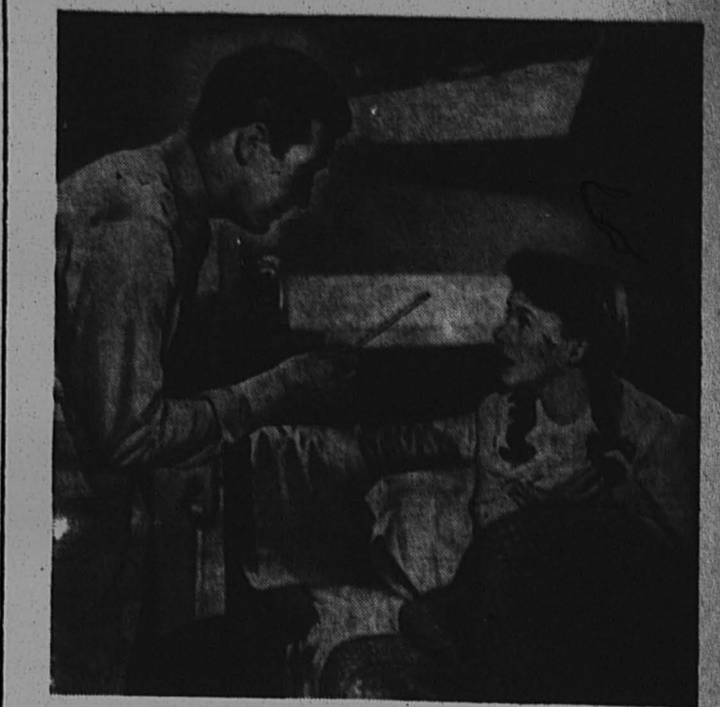

A special 1-cent Four Freedoms postage stamp will be placed on sale at Washington, D. C., on February 12, 1942. CHANGING
STANDARDS

CHANGES IN THE AMERICAN STANDARD of living brought about by priorities and rationing were inevitable. But whatever sacrifices must be made to insure victory, we all know that we are helping to win what we must and shall win—a continuance of our democratic fellowship of freedom.

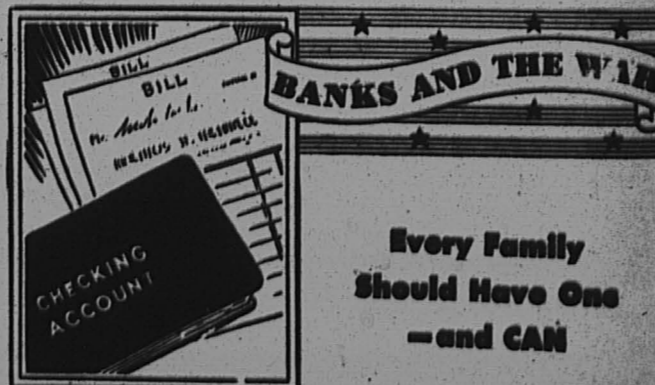

THE HIGH STANDARDS OF SERVICE, so long maintained by this organization, have not been lowered. The restrictions in the use of construction materials have not prevented the making of beautiful, durable caskets of distinguished craftsmanship. We continue to provide appropriate funerals of fine quality at prices set by the families when they make arrangements.

VICTORY BOOK CAMPAIGN
The 1942 Victory Book Campaign, the second annual drive for the collection of books for men in all branches of the service, is now under way and will be carried on until Friday, March 5, 1942. The campaign is sponsored jointly by the American Library Association, the American Red Cross and the United Service Organizations. Mrs. S. R. Coale is chairman for Riverton.

Please go over your books and take those you can spare to the Free Library. Remember this is not a scrap collection and only good books in good condition are wanted. Books desired include current best-sellers and the more recently published popular fiction and non-fiction; technical books published since 1935; humorous books; and small-sized editions of popular titles, both current and classical.

These books, after accumulation at all libraries throughout the country, will be distributed to camp and naval base libraries, ship libraries, mobile libraries and all bases of field operations whether at home or abroad; also to USO centers outside the camps and the American Merchant Marine Library Association; and finally, in the event of an over-supply, for the men, women and children in defense areas where increased population has taxed the facilities of local libraries.

Francis H. Eland

Funeral director, who is opening today (Thursday) the Eland Funeral Home, 510 Main street, Riverton, complete with all modern facilities and automotive equipment.

Mr. Eland, who is a graduate of the Massachusetts School of Embalming, has been a funeral director for the past 32 years. He is a member of the Palmyra-Riverton Rotary Club.

Mr. Eland states that the motto of the new Home will always be Service, Satisfaction and Saving.

POINT RATIONING—WHAT, WHY AND HOW

Ration Book Number Two
We are rationing in the United States—to provide those who are fighting for us with everything they must have to win and to assure each of us at home his fair share.

We are already rationing food such as sugar and coffee. During 1943 it will be necessary to ration other food items.

We now have and will continue to use Ration Book No. 1 for sugar and coffee.

We will have Ration Book No. 2, which will be used for new rationing programs as they become necessary and this will be known as the point rationing system, which will cover group commodities such as foods which can be substituted one for another. It will not be used to replace straight coupon rationing, such as Book No. 1 for sugar and coffee.

Point Rationing System (Book No. 2)
Book No. 2 will be used for rationing by the "Point" system. This means rationing a group of similar commodities which can be substituted one for the other.

If these were to be rationed, on the point system each one would be given a point value (a low point value will be given to the commodity which is the most plentiful—high point value to commodity which is scarce.) It might work out as follows:

- 1 lb Cornflakes—1 point.
- 1 lb Wheatflakes—2 points.
- 1 lb Oatmeal—4 points.
- 1 lb Grits—8 points.
- 1 lb Branflakes—11 points.

Next, suppose the rationing order says—"The allowance of cereals per person for the first period will be 48 points (blue stamps)."

Ration Book No. 2 contains four pages of blue stamps (96 points) and four pages of red stamps (96 points). Each stamp has a number and a letter. The number signifies the number of points the stamp is worth and the letter signifies when the stamp may be used. There are 16 points under each letter, in the following denominations: 1, 2, 4, 8, 16, 32, 64, 128, 256, 512, 1024, 2048, 4096, 8192, 16384, 32768, 65536, 131072, 262144, 524288, 1048576, 2097152, JOINT MEETING OF
LOCAL SERVICE CLUBS

Two of the communities' Service Clubs met together for an evening of fellowship on Thursday night when a joint meeting of the Rotary Club and Junior Chamber of Commerce was held at the Porch Club. At the meeting President Henry Naisby of the Junior C. C. outlined some of the activities sponsored by this live organization during the past year. Although part of its membership has been lost through entrance into military and war work the Junior Chamber of Commerce has successfully sponsored the Community Center Drive, street dance in Palmyra, a beautification project, traffic survey and other worthwhile community projects.

The speaker of the evening was George Darlington, County Scout Commissioner and member of the Moorestown Rotary Club. Mr. Darlington gave a brief resume of the activities of the Burlington County Boy Scouts showing the progress and growth of this important work during the past year. He predicted a most successful year under the leadership of E. Newbold Cooper, local Scoutmaster. Following his talk Mr. Darlington showed a picture on Scouting which presented the activities of scouts from the Cub stage to the ultimate in this important boys work.

Willey Vetterman, of Palmyra, was impressively inducted into the club by Dr. Charles S. Mills, the club's first president. Mr. Vetterman fills the classification of hosiery manufacturing, being engaged in that business in Palmyra.

Next week's Rotary program under the chairmanship of Carl Thomas will feature a talk by Harold J. Bean, assistant subscription manager of the Saturday Evening Post, who will speak on "Making a Great Magazine."

Rotary's International President, Fernando Carbajal, whose home is in Lima, Peru, is making a visit to Rotary Clubs in the Eastern United States and Canada. Many members of the local club heard President Carbajal speak on his recent visit to Philadelphia. Rotary's "Ambassador of Goodwill" has recently been high decorations conferred upon him by the governments of Bolivia, Chile and Peru.

Last Link in Civil
Defense Program

What appears to be the final link in the local chain of protective plans developed by the Defense Council is the creation of the Cooperative Mothers' Association of Riverton. This organization, sponsored by the Parent-Teacher Association, and designed to accomplish the same results as the more pretentious Block Mothers' Association in larger communities, is headed by Mrs. Melvin Burr.

As a matter of fact the Cooperative Mothers' Association is a movement more than an organization, having no officers and no members in the usual sense. It is a movement through which the women of Riverton, it is hoped, will develop definite plans to provide care for children during day-time air raid alerts outside of school hours.

Purpose

Explaining in greater detail the purpose of the "Association" Mrs. Burr said, "Many parents have not instructed their children what to do if an air raid alert occurs before or after school while they are out playing. It is our hope that every parent will do these three things: arrange with friends or neighbors for the care of their children during an air raid alert in the absence of the

Need Nurses Aides

The ranks of the 100 Red Cross Nurse's Aides in Burlington County were augmented recently when 17 members of a class who had completed 80 hours of instruction were capped at a colorful ceremony held in the Presbyterian Church, Beverly.

Following the procession, the invocation was asked by the Rev. Henry McNulty, of Beverly. Mrs. Hilda Neidich, of Edgewater Park, county nurse's aide vice chairman, presented the class to Mrs. Norma Barklew, county chairman of the group and to Mrs. J. D. Clark, of Riverton, vice chairman of special services. They, in turn, presented the members of the class with their caps and pins.

Those who completed the course under the able instruction of Miss Sarah Van Silver, of Mt. Holly, were: Miss Barbara Heinrich, Miss Mary Jane Smith, of Beverly; Miss Mary Kathryn Long, Miss Marion Newbold, Miss Ann Purney and Miss Jeannette Walters, of Mt. Holly; Miss Margaret Dugan, Miss Louise McCullough and Mrs. Jean Ransom, of Moorestown; Miss Carol Riley and Miss Marie Riley, of Burlington; Miss Mary Sullivan of Maple Shade and Mrs. Florence Culbertson, of Marlton.

After completion of the training course, nurse's aides are expected to work at least 150 hours per year in nearby hospitals. In 1942 the aides spent 1,532 hours in the Burlington County and Zurburg Memorial Hospitals.

President Roosevelt recently wholeheartedly endorsed an intensive three months' campaign by the American Red Cross to recruit war nurses, nurse's aides, and home nursing students.

In a letter to Chairman Norman H. Davis, the President declared: "We all agree that in this war the health of the fighting men must come first. However, we also are aware that our great civilian army, our defense workers, our children, and our home

workers must remain healthy if this war is to be prosecuted to its fullest."

The campaign, launched by the Red Cross Nursing Service this month, will aim to recruit 36,000 graduate, registered nurses for the Army and Navy Nurse Corps; 100,000 Red Cross nurse's aides to assist professional nurses in civilian and government hospitals; and one million students in Red Cross Home Nursing classes, learning methods of protecting health and preventing illness in homes.

In this connection, a new class for nurse's aides in Burlington county is now being formed. Those interested in joining are asked to notify their local Red Cross branch chairman or to communicate with either Mrs. Barklew or Mrs. Neidich.

EPIDEMIC MENINGITIS (Spotted Fever)

By Meningitis is meant an inflammation of the lining of the brain and spinal cord. There are numerous germs that may cause meningitis, but the meningococcus alone causes epidemics of the disease.

This is the season in which epidemic meningitis, like colds and influenza, is more apt to appear, since the germs which cause all of these diseases pass from person to person in the discharges of the nose and throat. Unfortunately, there are from ten

to thirty healthy carriers of the meningitis germ to every person who actually becomes ill with the disease. This makes prevention difficult, but by no means impossible.

For example, since children and young adults are more susceptible to meningitis, a doctor should be called immediately for any "fever" disease. Headache, vomiting, chills, fever, convulsions, stiff neck, pain in the back and neck; these signs and symptoms warrant prompt medical care.

The doctor can give antitoxin or one of the sulfa drugs early enough to save the patient's life if he is called in time. The doctor can also advise the family how to disinfect clothing, dishes, and other objects to prevent the spread of the disease to other people.

Throughout this winter and spring everyone should recognize the need for getting ample rest especially after fatiguing work, for sleeping in a well ventilated room, for seeking early medical attention for all diseases attended by fever.

Finally, and perhaps most important, is the need for a "self-isolation" of sick people. When a respiratory infection with fever occurs, stay out of crowded places, stay home from the movies—don't give the meningitis germs a break.

Dr. A. L. Chapman.

FAIR DISTRIBUTION OF FOOD SUPPLIES

A committee has been appointed to handle food shortages. Consumers and retailers will soon be able to find some new answers to their questions regarding food shortages.

The membership of a temporary food industry committee for the Camden Area has been appointed in accordance with Secretary Wickard's order, it was announced this week by Joseph F. Flynn, Area Supervisor of the Food Distribution Administration.

The Camden Area will include the counties of Camden, Gloucester, Cumberland, Salem and that portion

of Burlington County as far north as and including Burlington City and all municipalities south of Burlington and west of Route 39. The remaining sections of Burlington County will be served by the Trenton Area Committee. The major job of this committee will be to facilitate fair distribution of food supplies until the rationing program is established. Mr. Joseph F. Flynn, of Riverside, New Jersey, will act as chairman of the group.

This committee will serve as a clearing house for complaints on food shortages which have occurred as a result of maldistribution or other

causes. Upon receiving a report of an existing shortage, this group will check the facts and if an actual shortage exists, they will seek to bring about an adjustment.

Consumers and retailers are asked to report critical shortages to the committee at the food information center, which temporarily will be located in the office of the Food Distribution Administration, Room 430, Post Office Building, Camden. Telephone number, Camden 1566.

The committee requests that individuals do not report minor shortages for example, meat should not be considered in short supply if a beef shortage exists, while pork, mutton, lamb or poultry are available. Do not complain because your favorite brand of canned goods is missing when other similar products are in stock, the speed and efficiency with which this food industry committee can operate will to a large extent depend on the sound judgment of the consumers and retailers in registering complaints.

When a genuine shortage is found to exist, immediate steps will be taken to relieve the shortage through voluntary cooperation of manufacturers and distributors where this is possible. If redistribution of local supplies does not provide a solution, the cooperation of the Washington office will be sought.

SMALLPOX

Smallpox first invaded the Americas in 1520 through Mexico when a negro slave infected with the disease landed with the troops of Cortez. From this single case an epidemic developed which killed over 3,500,000 people and exterminated whole tribes of Indians. Even today smallpox is a dangerous epidemic disease.

The onset of smallpox is sudden with chills, intense aching of the muscles of the back and legs, and high fever. These symptoms appear after an incubation period of 8 to 12 days. With the coming of the eruption the fever drops markedly but later reappears as the eruption takes on a "blistery" appearance and pus forms. Typically, the eruption first appears on the forehead at the hairline, then at

the wrists, on the face, and upper extremities. The abdomen and legs are affected last.

The skin eruption is never fatal. It is the damage done to the internal organs which causes death. When the disease is very severe, hemorrhage may appear in the skin causing "black smallpox." This form of the disease is usually fatal.

The death rate from smallpox varies tremendously, rising as high as 60 per cent and dropping as low as 21 per cent. In those who have one or two typical vaccination scars, the death rate is very low—from 1 to 7 per cent.

Smallpox is a disease that can definitely be prevented by immunization. Failure to be vaccinated endangers the entire community by furnishing fuel upon which the flames of an epidemic may feed.

PALMYRA WINS SECOND LEAGUE COURT GAME

Palmyra made it two and two in the South Jersey Basketball League when they dropped Paulsboro last Friday night by the score of 51-24. The losers were able to keep pace with the Dimondmen only during the first period when they boasted a one point lead with the score reading 10-9.

The Red and White went to town in the second quarter when they racked up 18 points and held the opposition to a mere two. Palmyra also doubled the count on the enemy during the final stages of the encounter.

Conover led the attack with a total of 12 points, while Sims followed with 12 points, while Sims followed with

SURPLUS COMMODITIES WILL BE DISTRIBUTED MONTHLY

Effective February 1, surplus commodities will be distributed to Cinnaminson and Riverton residents only once a month.

Until further notice, those entitled to these commodities are requested to call at the Welfare Office the first Tuesday of each month to receive them.

ARRESTED FOR SPEEDING

Albert Youdes, 812 Walnut street, Palmyra, paid a fine of \$10 and costs when arraigned before Mayor John F. Ward, of Palmyra, last week, the charge being for speeding.

Youdes was arrested by Palmyra police who charged that he was driving on S-41 at the rate of 60 miles per hour.

HI-Y NAMES OFFICERS

A meeting of the Palmyra YMCA was held last week in the local Community Center under the direction of Mr. Coolbaugh of the high school faculty.

The following officers were elected: Bertram Marple, president; Edward Stoops, vice president; Jack Taylor, secretary-treasurer and James Selther, Jr., reporter.

Plans were made for a swim in the Camden Y pool some time this week.

What is called liberality is often merely the vanity of giving.

"I'll say goodbye, now
...I don't want to tie up
my line too long".

It's important these days to avoid long sessions on the telephone.

The telephone system serving you is carrying a heavy and increasing wartime burden. It cannot be enlarged because necessary materials must go to make weapons, munitions and other supplies for our fighting forces.

If you share a party-line with other families, please make a special effort to answer calls promptly... keep conversations reasonably short... call only when necessary... and avoid a succession of calls that tie up the line a long time.

IT IS NO CHILD'S PLAY ...with MILLIONS of new passengers!

PUBLIC SERVICE buses and trolleys, serving 375 communities in New Jersey, are now carrying millions more passengers each week than they did before Pearl Harbor!

This is no child's play—it is a great responsibility. It requires complete planning—and continuous day-and-night work by thousands of employees—to provide adequate transportation service for war time demands.

This big job requires the all-out use of some 3,700 buses, all-service vehicles and trolley cars. We are keeping these "war wheels" turning—moving an army of war workers to and from production plants every day—getting

office workers to and from their places of business—taking care of shoppers' transportation needs.

Everything that can be done is being done to provide the best transportation possible. New there are ways in which you, the public, can help. One is to save nickels for fares. Another is to always move to rear of bus or car. These things save time. Shoppers can help by using buses and cars between 10 a. m. and 4 p. m., and thereby relieve congestion during rush hours.

Intelligent use of transportation facilities is vital to victory!

Sunday, February 7—The men elected to the church council at the recent congregational meeting will be installed and church school officers and teachers and officers of other organizations of the church will be inducted.

At the annual congregational meeting held last week the following men were elected to the church council: Victor Jensen, Edgar Walther, Elmer Gauck, and James H. Ingram. The congregation heard reports from the pastor, the church school, the organizations of the church and received all these reports with a year financial statement in a mimeographed year book. Approval was given to the budget for the year 1942 which totals \$4,638.50. The congregation approved, subject to final action by the church council, the Ministerial Pension plan of the United Lutheran Church.

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.
The Rev. Robert W. Matthews will address the class this Sunday.
Roseanna Van Alostyne, soprano, will be the soloist.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor
We are all becoming more or less adjusted in thought and action to the idea of living under economic ceilings but it is doubtful if we can ever be completely reconciled to the idea as something permanent. Free people do not like walls, and they do not like ceilings. Perhaps the ceilings are an economic necessity at the present time, but they must never be permitted to become the thin end of a wedge of "ceiling psychology." There are many other things, both good and bad that could be said about ceilings.

As Christians, we ought to be interested in the theme of next Sunday's Calvary message, "A Way of Life That Has No Ceilings." In this service of worship, beginning at 11 o'clock, the choir will render the anthem, "Gloria," by Farmer.
The Church Nursery, to care for our little ones during the hour of Divine worship, will be in charge of Mrs. Melvin Kreps and Miss Ann Magowan.

The Calvary Sunday School convenes at 10 o'clock Sunday morning. There is a Bible study lesson, a welcome place, and a teacher for children of all ages.

The Calvary Men's Bible Class will meet for organizational purposes on Sunday, February 7, at 10 o'clock. Class officers will be elected, study material will be selected, and the teaching roster will be announced. Our goal, "Every man of Calvary a Student in the Men's Bible Class!"

On Sunday evening at 7, the Christian Endeavor groups will meet for study and discussion. The opening devotional exercises will be led by Jane Fisher. These three Christian groups offer a challenge to every boy or girl from fourth grade upwards.

The stated monthly meeting of the Ladies' Aid Society will be held on Wednesday afternoon at 2:15. A cordial invitation is extended to all the Calvary ladies to express their desire for Christian action through this organization.

The annual meeting of the Women's Missionary Society will be held on Wednesday, February 3, at 3:00 o'clock to hear the report of the Nominating Committee and the yearly reports of the Secretary and Treasurer. Following this the Pastor will present and lead a discussion on a new plan of organization which should interest every woman in the congregation. Tea will be served after the meeting.

The Communion Preparatory Service will be held in the Sanctuary on the evening of Friday, February 5, at 8 o'clock. Please note and reserve this evening.

The Sacrament of the Lord's Supper will be administered during the morning worship hour on Sunday, February 7.

EPWORTH METHODIST CHURCH

Club meeting in the Intermediate Room. All boys and girls between the ages of seven and twelve are cordially invited.

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor
"Don't let the boys at the front door." That is what is on every tongue. They are facing the realities of war for us and in order that they may have sustaining strength and courage, they eagerly seek divine guidance, realizing their need. Are we at home putting first things first? Are we aware that, although not facing the enemy, we need and should seek that same divine guidance that the boys have come to appreciate and acknowledge? These are important questions which we should ponder over and do something about. "Central Baptist" invites you to catch the spirit of the boys at the front and attend the services if you have no other church affiliations.

Services, Sunday, January 31.
Bible School, 10 a.m.—No one too old and none too young to enjoy this hour of instruction. Classes for all.
Morning Worship, 11:15 a.m.—"The Answer to Man's Needs" will be the subject of the message "My Father, My Father" by Thompson.

Mrs. Elsie Hughes, soprano, will be the soloist.
Jr. and Sr. B.Y.P.U., 7:00 p.m.—Juniors meet in the Jr. Department room with the Pastor as their leader. Seniors meet in the Main School room. Don't forget to bring your friends to these meetings. You will be doing them good.

Evening Worship, 7:45 p.m.—Come early and enter into the congregational singing. It will do you good. The choir will have as their offering "Now the Day is Over," by Wooler. Following the sermonette to the "Church of Tomorrow," the Pastor will deliver his sermon on "Belief and Confession."

Wednesday evenings at 8 o'clock—Mid-week Prayer and Praise service. All members of the church and friends who feel the need of the inspiration this service gives, are invited to attend. Visitors are always welcomed.

CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist
Thomas Ave. at Seventh St.
Riverton, N. J.

Sunday School, 9:30 a.m.
Sunday Services, 11:00 a.m.
Wednesday, 8:00 p.m.

Reading Room in Church Building, Thomas Avenue and Seventh Street, Riverton, open Friday, 2:30 to 4:30 p.m.

"Love" is the Lesson-Sermon subject for Sunday, January 31, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life." (Jude 1:21)

Among the Lesson-Sermon citations is the following from the Bible: "The Lord hath appeared of old unto me, saying, Yes, I have loved thee with an everlasting love; therefore with loving-kindness have I drawn thee." (Jer. 31:3)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Love is infinite. Therefore all that really exists is in and of God, and manifests His love." (p. 340)

20th, under the direction of the Snover Funeral Home. Services and interment private.

Dr. Stoddart was a practicing physician in Riverton for several years. She was associated with many charitable institutions in Philadelphia, and it was through her efforts that the Children's Summer Home was established at Cinnaminson in 1889. At that time it was devoted to the care of convalescent children and their mothers, and Dr. Stoddart was the Home physician.

The deceased is survived by two nephews, Byron Deacon, of New York City, and Eugene Deacon, of Maplewood, N. J.

MARY L. ELLSWORTH
Mary L. Ellsworth, wife of the late Augustus M. Ellsworth, of 700 Main street, Riverton, died on Monday, January 25.

Services will be held today (Thursday) at 11 a.m. from her late residence, the Rev. Robert B. Stewart officiating.

Interment will be private.
Mrs. Ellsworth was the oldest living member of Calvary Presbyterian Church, a member of the Porch Club, and active for many years in the work of the Red Cross. She also served as treasurer of the Riverton Branch, Zurburg Memorial Hospital

Auxiliary.

The deceased is survived by her daughter, Mrs. Eric Warnick, of Collingswood.

Charles Williams was taken ill at his work, Convention Hall, Camden, on Saturday, January 16.

He was taken to the home of his sister, Mrs. George Miller and his wife, Ethel Williams, was sent for. Before she arrived he had died.

Services were held from Wapel's Funeral Home, Camden, the Rev. Miles and others officiating.

Interment was made in Mt. Peace Cemetery, Barrington.

Mrs. Williams will continue to live at 511 Howard street, Riverton.

James F. Stockdale
James F. Stockdale, of 1025 Spring Garden street, Philadelphia, formerly of Palmyra, died on Sunday, January 24.

Services were held from the Snover Funeral Home on Tuesday evening, the Rev. D. Roe Haney officiating.

Interment was made in Morgan Cemetery on Wednesday morning at 11 o'clock.

The deceased is survived by his niece, Mrs. Margaret Higgins, of Palmyra.

CHANGING
STANDARDS

CHANGES IN THE AMERICAN STANDARD of living brought about by priorities and rationing were inevitable. But whatever sacrifices must be made to insure victory, we all know that we are helping to win what we must and shall win—a continuance of our democratic fellowship of freedom.

THE HIGH STANDARDS OF SERVICE, so long maintained by this organization, have not been lowered. The restrictions in the use of construction materials has not prevented the making of beautiful, durable caskets of distinguished craftsmanship. We continue to provide appropriate funerals of fine quality at prices set by the families when they make arrangements.

Good News
From the
Home Front

GOVERNMENT, business and the press all unite in approving the job banks are doing in financing war production. Quietly and efficiently, the process of financing goes on every day, in every community. The 15,000 American banks are seeing to it that the billions of dollars needed by business firms and individuals keep flowing smoothly in an endless procession of loans. All who need money are invited to apply for a loan at this bank.

RED CROSS
+ NEWS

Workers Needed

We appreciate the response to our appeals for workers on Surgical dressings. Let's keep up the good work. Come out Tuesday and Wednesday from 9:30 a.m. to 1 p.m. and from 2 p.m. to 4 p.m. We can all feel proud that our branch is the only one whose bandages are not opened for inspection at the chapter. That means they get to the boys that much quicker. The sewing group will meet on Monday, February 1, from 10 a.m. to 4 p.m. We are working on children's nightwear. Everyone who can please come.

Two New Courses

A Nurse's Aide Course will start at the Burlington County Hospital on February 9, if enough applicants volunteer. The need for this work increases as more nurses join the

armed forces. Please call Mrs. Bernet, Riverton 0521, if you are interested.

A course in home nursing is also being planned if there are twenty people interested. Miss Shockcor, the Palmyra High School nurse, will teach the course. Please sign up at the Red Cross office on Main street.

CARD OF THANKS

We wish to express our appreciation to all those who helped in any way during our recent bereavement, especially to those who sent cars and flowers to the funeral.
Family of the late
William Armstrong.

ODD FELLOW HEAD
APPEALS TO MEMBERS

Noble Grand Eula L. Roach appealed to the members of Cinnaminson Lodge, No. 201, I.O.O.F., to recognize their duty to the community in whatever capacity it may be needed by serving on committees, buying War Bonds and Stamps, or helping in the defense effort in whatever manner possible. He also expressed the sentiments of the Grand Master of the State of New Jersey when he made the following appeal: "Let us

resolve for the year 1943 that we will devote even greater effort to all those things which will help our boys serving in the Armed Forces, their loved ones they have left behind, our defense efforts and, above all, resolve that our individual lodge will be a real enthusiastic fraternal group which will hold interesting meetings to the extent that the Brother who fails to attend a meeting will feel that he has missed something vital."

The Noble Grand also announced that Alexander Murphy, the lodge's second oldest member, having joined in October, 1907, will be the Guest Noble Grand at their meeting, Thursday, February 4. Mr. Murphy will have full charge of the meeting, its plans and activities. Members of the lodge and all Odd Fellows in this vicinity are invited to attend.

ASSAULT SUSPECT
TAKEN INTO CUSTODY

An East Riverton youth was taken into custody this week on the charge of attempting to attack two women. The arrest followed an investigation on the part of Corporal F. C. Atkinson, of the State Police and Officer John Robinson, of Riverton. The culprit is alleged to have admitted both acts and is being held in

the local jail pending further investigation. One attack occurred early in the month and the other recently.

ROTARY NEWS

Last Thursday evening the members of the Rotary Club were treated to a double-feature program of unusual interest and merit. Lt. Robert Allen of the Philadelphia Air Defense Wing presented a graphic and instructive word picture of the activity of this Army department, and of the manner in which it coordinates and applies the reports of the million or more civilian observers now functioning in the Eastern seaboard area.

Following Lt. Allen's address Harold J. Bean, assistant subscription manager of the Saturday Evening Post was introduced by Rotary President Robert Adams, and gave the principal address of the evening. His subject was "Making a Great Magazine."

SAVE TIME SAVE TROUBLE SAVE WASTE BOND BREAD SLICES EASIER

"CONTROLLED RISING" IS THE SECRET

THIS "RISE" TOO HIGH
MAKES FLIMSY LOAF...
HARD TO SLICE

CORRECT RISE FOR
SMOOTH TEXTURE
... EASY TO SLICE

ACTUAL PHOTO OF
BOND BREAD DOUGH READY FOR OVEN

No trick at all to slice Bond Bread. The slices come off smooth and even. No tearing, no crumbling. No ragged, "waste" slices. That's because Bond Bread has such a smooth, even texture.

Every good cook will appreciate
the reason: "Controlled Rising"

Lots of breads are "puffed up"—allowed to rise too high so as to look larger (though the bread weighs no more). Result: flimsy,

loose texture : : : they are hard to slice. Bond Bread is controlled to rise only to the perfect flavor peak—never "puffed up". Result: smooth, even texture that slices easily. Finer flavor, too.

Now that you have to do your own slicing, switch to easy-slicing Bond Bread and save time, trouble and waste. It's such delicious, oven-fresh bread, too!

Correct way to slice bread

Use sharp knife. Lay the loaf on side. Slice from a bottom edge, with sawing motion.

ABOUT TOWN

Mrs. Margaret Weber, of Ventnor, spent Thursday and Friday of last week with her sister, Mrs. Albert Smith, of Broad street.

Mr. and Mrs. Thomas Palmer, of Lakewood, spent Saturday evening with Mrs. Palmer's mother, Mrs. Anna Rockhill, of West Broad street.

Mrs. Stanley Benson, of Greenwich, Connecticut, spent the weekend with her mother, Mrs. Anna Rockhill, of Broad street.

Captain Frank Bower Elliott, son of Mr. and Mrs. Ross T. Elliott, Sr., of Riverton, has commenced duty with the Flexible Gunnery School.

Captain Elliott was a student before his entrance into the army and has had 2 years and 11 months of service. He attended Lehigh Uni-

versity at Bethlehem, Pa., from 1936 to 1940, where he earned a B.S. in Chemical Engineering degree. His varsity athletics included football, wrestling and also track.

He received his commission on February 8, 1941. His last promotion came in August, 1942.

Before assignment to the Flexible Gunnery school he was stationed at the 55th AAFBD, at Bennettsville, S.C., and previous to that at the Advanced Flying School, at Maxwell Field, Florida.

Mrs. Leo Hopkins, of 221 Cinnaminson street, Riverton, is recuperating after an illness of several weeks.

Colonel George G. Lundberg, Commanding Officer of Middletown Air

Depot, announces the promotion of 2nd Lt. John R. Fuller, to the rank of 1st Lt. in an order effective as of January 16.

Lt. Fuller was formerly personnel manager for the Riverside Metal Company before entering the Army, and studied at Ohio State University, University of Pennsylvania and Temple University. He entered the Army as a 2nd Lt. on August 6, 1942 and went through Officer Training School at Miami Beach, Florida. Later he attended Engineering Maintenance School at Patterson Field, Ohio.

He was assigned to Middletown Air Depot in the Depot Supply section on December 1, 1942, and at the present time is assisting Major Lawrence Martin of the Headquarters Staff.

EXPLANATORY STATEMENT

The estimated tax rate for 1943 is \$4.11, which is 13 cents less than 1942. It allows for the same amount of Taxes raised in 1942 for Local School District, State, and County Taxes.

The operating Budget or in other words the one for which the Township Committee is responsible is about \$1,050 less than 1942 which is caused by a reduction in the Municipal Share State Aid Dirt Road Project, Poor Relief and Down Payment on Improvement with an increase in Assessment and Collection of Taxes, Police, and Roads or a net reduction of about \$1,050.
