PRICE FIVE CENTS

REPORT OF LOCAL LIBRARY OFFICERS

Harry F. Jones, president of the Riverton Free Library Association, submitted the following report at the recent annual meeting of the organization:

Like many other organizations not finding their activities primarily associated with conduct of the War effort, the Riverton Free Library has pursued a course throughout the year which has not been marked with unusual experiences.

Our work of supplying our three communities of Cinnaminson, Palmyra and Riverton with books of educational and entertainment value has been carried on steadily. The volume of circulation, as the Librarian's report will show, has not been as great as in years gone by and this is attributable to reasons which have been apparent to all of you. The broadening demands on the time of our members for participation in war work activities of one kind or another has definitely lessened the opportunity for the leisurely enjoyment of books. In the more recent weeks the curtailment of automobile driving has also had its effect in reducing the calls on our facilities.

Comment on reduced circulation must be made but in this necessity I find no reason for discouragement. Instead I feel that we must prepare ourselves as best we can to meet the increased interest in reading that will probably come to us as it has to Canada in recent months. The New York Times commenting on the great increase there in the demand for books states—"the shortage and restriction on tires . . . has caused people . . . to spend more time indoors, with its consequent need of recreation, and less time in travel."

New Books

In our purchasing of new books for 1943 careful consideration will be given to augmenting our supply of works of biography, history and current affairs to further insure our effectiveness in fulfilling the likely call of the public during the present war days.

It is of particular importance that the members of the Board of Trustees continue to exercise influence in as great degree as possible among their friends to inspire interest in the Library's need for the necessary funds to carry on the educational work which we are doing. In making this comment I am not unmindful of the real assistance which has been given us by those of our subscribing members who have undertaken recommendation of Library membership to some of their friends and neighbors and I am hopeful this activity will broaden during the present year.

Book donations from private home libraries have not been as large this year as heretofore and this is no doubt attributable to the understandable interest in sending books to the men in the services. It will be gratifying to know that over 200 volumes have been sent to Fort Dix through our Librarian's office.

(Continued on Page 10)

The Porch Club

On Tuesday, February 9, at 2:30 p.m., the speaker of the afternoon will be Professor Beaumont Bruestle, instructor of English at Temple University. His topic will be "Women's Place in Literature."

Mrs. John P. Abell, chairman of the literature department, and her committee, will serve tea at the close of the meeting.

At the Time Quiz conducted on Tuesday of this week at the Club the winner was Mrs. Charles C. Carpenter. The prize, presented by Time magazine, is the choice of a \$5 book or a world globe inscribed with the winner's name.

HIGHWAY DEPARTMENT REMOVES SNOW QUICKLY

The Riverton highway department did a fine job of snow removal on local streets and sidewalks following the storm last Thursday.

Those who had occasion to drive through other municipalities in South Jersey appreciated the work done here, since many communities were unable to do anything on snow removal, the result being that operation of a motor vehicle was practically a nightmare.

The county and State road departments also did prompt and efficient removal of the snow on the highways under their jurisdiction.

DRIVING RULES

OFFICE OF PRICE ADMINISTRATION

Region II

Mileage Rationing—Gasoline

Subject: I. Eligibility and Ineligibility Under Pleasure Driving Ban. II. Pleasure Ban on Use of Boats.

The following are some examples of rulings that have been made in the Region covering some of the pleasure driving situations under the Amendment to Section 8161. The examples are generalized from a particular state of facts. It should be borne in mind, however, that particular circumstances of physical condition, age, or distance might produce an opposite result in certain borderline cases.

The cases listed below are not intended to broaden the eligibility for supplemental rations, but merely serve to clarify the use to which an "A" ration may be put, under the pleasure driving ban.

"B" and "C" rations are still restricted to the occupational use for which they were issued.

In borderline cases, before a board decides the question, the board should first ask the inquirer if, as a patriotic American citizen, and despite the emergency which makes necessary the ban on pleasure driving, he still feels that he must use gasoline. If the answer is in the affirmative, reference should then be made to the language of the Regulations, and the Amendment.

Eligibles

The following may be considered eligible even though other means of transportation are available:

Driving by military and naval personnel on furlough with proper leave papers, to visit relatives and pay social calls. While there are no restrictions on mileage, you should attempt to discourage long trips. Permits to sleep off military reservation, returning to duty each morning, are not sufficient as leave papers.

Soldiers and sailors, etc., who have proper leave credentials, may be picked up at station, or driven to station by family.

Driving by cripple for necessary shopping—transportation is not adequate as to him.

Organist at roller skating rink, dancer at night club, musician at restaurant. All may drive, as this is occupational for them, even though patrons of these places may not drive to them.

Driving car for dead storage to nearest available place of storage. May be extended to permit driving to place of free storage which is further away than nearest place of paid storage, provided distance is not unreasonable.

Driving for tire inspection.

*Driving by grocery and liquor salesmen.

*Driving by real estate broker to inspect properties under his management.

*Driving by members of a welfare organization to deliver essential clothing, food or medicine to shut-ins, if such work is regularly performed.

Driving to sell car to used car dealer.

Driving car to repair station to (Continued on Page 6)

CAPTAIN GUNNIS ROTARY SPEAKER

Speaking with all the caution that military men habitually assume today in their public utterances, Captain William Gunnis, U. S. Marine Corps, gave the local Rotary Club a thought provoking challenge at its meeting last Thursday. Captain Gunnis was introduced by the chairman of Rotary's War Service Committee, Walter Lamson.

Captain Gunnis, with a long background of newspaper work, has been for some time a resident of Palmyra and told why he selected it when ordered to this section. He said he had recalled coming there as a boy and always remembered it as an attractive spot, so when circumstances brought him to this area he found it possible to make his home there.

Enviably History

The Marine Corps, he said, had an enviable history upon which has been built an unusual esprit de corps. Marines look like soldiers and think in sailors' terms but they have a capacity to meet situations which sets them apart from other services. A new recruit in the course of six weeks of grueling training gains the stature of a Marine and acquires a uniform tailored to his measure and a morale thereby enhanced in remarkable degree.

We have a bigger job to do than most civilians realize, said Captain Gunnis, pleading for all out war effort on the home front where, he said, wars are won or lost. Government can not lead us in every particular and we must learn to do the right thing at the right time without compulsion. Make an end to complacency in every form, he urged.

Must Not Revert

His principal plea, however, was for us to agree that America must meet its responsibility in world affairs and not revert to the disastrous isolationism which followed the last war and gave rise to this one. We must, he said, guarantee the liberty and freedom for others which we demand for ourselves.

Guests of the club included Ross Mattis, for many years member of this group, and now a member of the Atlantic City Club, and Lieutenant Nathan Lane, Jr., of Engineers attached to the Richmond Air Base. Henry Naisby was presented with the usual birthday token at this meeting which was followed by a showing of the color sound film, "Cannon on Wings" through the courtesy of the Bell Aircraft Corporation, of Buffalo. The picture was run off by Jack Eck and Dick Rudolph, of the Palmyra High School Operators Club.

GEORGE SMALL NAMED COUNTY DETECTIVE

Sergeant George Small, a member of the state police for 15 years, stationed at the Mantua substation for the last six years, was sworn in as county detective on Monday of this week by Judge Elmer B. Wood.

He was appointed by Acting Prosecutor Charles C. Cotton to fill the vacancy caused by the resignation of Leon A. Shaffer a year ago.

Detective Small has resided in Riverton for a number of years and his many friends here wish him all success in his new position.

DRAFT BOARD HOURS

The hours at the local draft board, American Legion Home, Palmyra, are from 8:30 a.m. to 5:30 p.m. Monday to Saturday, inclusive.

Board officials wish to emphasize the fact that all young men are required to register on their 18th birthday, or the next business day following.

Prompt registration is most important and all those who become 18 are urged to comply with this regulation.

CINNAMINSON B. & L. TO MATURE 53RD SERIES

The Cinnaminson Building and Loan Association will mature its 53rd series of stock on February 8.

The series comprises 311½ shares of stock with a value of \$200 per share, a total of \$62,300. Of this amount there is \$41,200 of free shares which the shareholders will receive in cash, and \$20,100 will cancel real estate mortgages of that amount on local properties. The stockholders paid into the association for a period of 148 months.

Fred P. Hemphill, secretary of the association, announces that considerable mortgage money is available at this time.

Dues are payable the second Monday of each month at the Cinnaminson Bank and Trust Company, Riverton.

The officers of the association are: J. Wilson Sylvester, president; William H. Schmierer, treasurer; Fred P. Hemphill, secretary, and William D. Lippincott, solicitor.

THE HISTORY OF BLOOD PLASMA

During the past year more than 3,000 pints of blood have been collected in Burlington County to be made into plasma for our armed forces and used as transfusions.

Because the work of collecting and processing blood into plasma is new, and because Burlington County citizens have given generously, the following information is given in the hope that it will be of interest to those who have given and to those who will give.

Early in the 19th century a famous surgeon, Dr. Wm. Erlich, noted that transfusions of blood from one person to another were not always successful. Often the patient, although stronger after a transfusion, would have a convulsion which proved fatal.

After more experimentation Dr. Erlich found that blood was of different type. The injection of a type of blood different from the type already in the body, caused the two types to fight, thus causing a convulsion. Another experiment disclosed that the type existed in the cells.

Dr. Erlich passed on but other scientists took up the work. Some time later, Dr. Stewart Mudd and Dr. Earl Florsdorf, separated the cells from the blood and found the clear liquid remained. This liquid was used as a transfusion and found to have life sustaining qualities almost equal to whole blood. This, then, was the answer to the need for quick transfusions when time did not allow seeking and testing for a certain type.

War was already raging in Europe and war clouds were beginning to hover over our own country. The Surgeon General of our Army and Navy saw in this discovery of quick transfusions, a way to save hundreds of lives if great amounts of blood could be taken and stored until needed.

The next step was how to preserve the blood, provided it could be collected.

Can Be Frozen

Then came another scientist, Dr. Max Strumia, with the discovery that blood can be frozen and kept five years under proper refrigeration. Not content with this, he experimented further and found that blood could be vacuum dried into a powder and kept indefinitely.

Our military authorities, knowing that our country would be engulfed in this global conflict, asked the American Red Cross to collect huge quantities of blood for plasma, which they are now doing.

No one can say how much plasma will be needed before the war is over, but Red Cross quotas call for a minimum of 50,000 pints per week in 1943.

So we have the volunteer donors

SCHOOL ELECTIONS

School elections will hold the center of attention on Tuesday night of next week, when residents of local communities will vote for members of the boards of education in Riverton, Palmyra and Cinnaminson and also express their approval or disapproval of the proposed budgets for the coming fiscal year.

In Riverton the election is expected to be quiet with three candidates running for three vacancies. Those in the field are Mrs. E. M. Carhart, Jr., J. W. Van Horn and John M. Wright. No opposition is expected in respect to the budget.

Cinnaminson

Candidates for the full term are Howard G. Taylor, incumbent and president of the board and Elwood Haines.

Running for the unexpired two year term are Mrs. Christina M. Davidson, incumbent and Esther F. Githens.

There are two unexpired terms of one year with the following five candidates: Maurice F. Joyce, Mary S. Laning, Gladys Ricketts, Frances D. Shaw and Jonathan K. Taylor.

Palmyra

In Palmyra, the terms of William Donaghy, George F. Durgin and Leonard R. Baker expire. Mr. Baker has stated that he will not be a candidate for re-election and did not file a petition. Mr. Donaghy and Mr. Durgin will run again, but no petition has been filed for the third vacancy.

It was reported that one aspirant for the position filed a petition but that this was rejected since he had not resided in the community for a sufficient length of time to enable him to be a candidate.

SCHOOL BUDGET

At the regular meeting of the Cinnaminson Board of Education held January 19, the following budget was proposed for the school year 1943-1944, to be voted on at the annual school election to be held at the Westfield Public School on Tuesday, February 9. Polls are open from 7 to 9 p.m.

Several items in the budget have been increased to meet present-day conditions. Items in the Current Expense account showing increases are the following: teachers' salaries and bonuses, \$2,000; janitors' salaries and bonuses, \$360; district clerk bonus, \$50; office clerk bonus, \$100. Reduction in the fire insurance rate at school No. 4 has brought a saving of over \$100.00, and the amount expected to be needed for tuition at Palmyra High School is \$1,000 less than in the current year. The amount to be voted on for Current Expense is \$40,730.00, a reduction of \$795.00 over that in 1942.

The amount to be voted on for manual training is \$500.00 more than last year, although the budget is only \$100 more. This is due to the fact that the commissioner of education required a two-day program instead of one, as formerly.

The amount for bonds and interest (Continued on Page 10)

giving their blood, the Red Cross collecting it, the laboratory processing it into powder, placing it in glass containers, together with distilled water and proper medicants for a transfusion which can be given in a few minutes.

These precious packages are being sent to all base hospitals, all fighting fronts and aboard our ships, where it is available for all the wounded of our Armed Forces.

Down through the years there have been many spectacular medical discoveries, but plasma from blood promises to be the greatest discovery of the medical world in this era.

BERLIN COMMENTATOR TO SPEAK AT HIGH SCHOOL

Sigrid Schultz, Berlin Correspondent for the Chicago Tribune for 22 years and Mutual Broadcasting Company Commentator during recent years, will tell of her experience among the Nazis and of their war aims in a lecture here on Wednesday, February 17, at Palmyra High School under the auspices of The Victory Corps. Her subject will be "Nazi Germany."

Miss Schultz returned to America in the spring of 1941 and had planned to return to Germany last autumn but was prevented from doing so because of a taxicab accident in New York City in which she was injured so badly that she did not recover until after America's entry into the war last December.

The daughter of an internationally famous portrait painter who had been commissioned by a group of Germans in Chicago to do a portrait of the King of Wuertemberg, Miss Schultz was caught in Germany in World War I and stayed on in that country during the days of the time of the German Republic. She observed the rise of the Nazis to power and knew intimately many high-ranking Nazi officials. Her many clashes with government officials had brought her repeated warnings that she would eventually be asked to leave the country, but the Nazis had never been able to prove that her dispatches contained any inaccuracies and highly-placed connections had always intervened to prevent her ejection.

Lived in Berlin
Sigrid Schultz was born in Chicago of Norwegian-American parentage and received her early education in this country. Later, when her family moved to Europe, she went to school in Paris, Munich and later in Stuttgart, where her father was painting a portrait of the King of Wuertemberg. Then the family moved back to Paris, but moved to Berlin in 1914 just before the outbreak of World War I.

Her first job in the German capital was as secretary and translator for the Mayor of Bagdad, who wanted to study international law at the University of Berlin. This job continued until after the armistice and she then found a position with Richard Henry Little of the Chicago Tribune as a translator and this led eventually to an opportunity to write dispatches. In 1925 she was made director of the Chicago Tribune's Central European Bureau with headquarters in Berlin and held this post until her return to America in 1941.

During her years as Bureau Director, Miss Schultz always had at least

three assistants and sometimes as many as twelve, nearly always all men, working for her and in the only woman foreign correspondent to have held down the job of Bureau director for any considerable length of time. She scored many "beats" over her colleagues and her news sources were considered among the best in Central Europe.

Miss Schultz is now on leave of absence from the Chicago Tribune and is working on her autobiography. She expects to return to Europe as soon as the Second Front opens up again to American newspapers and syndicates the Central European region she knows so well.

CAR DRIVING RULES

(Continued from Page 1)

have necessary repairs made for necessary services, including battery charging.

Driving from one city to another in connection with bona fide change of residence.

Driving cripple or invalid around in cases where doctor certifies it is absolutely essential to patient's recovery. Should not be permitted if it is merely for diversion.

*Driving by storekeeper for pick-up and delivery.

*Driving as member of Draft Board or Local War Price and Rationing Board.

*Driving to court by lawyers, judges, bailiffs, etc.

*Driving to Red Cross work rooms or meetings of Red Cross committees, if such work is regularly performed, since this is occupational work performed by a person which contributes to the war effort or public welfare is occupational if regularly performed, and would include work carried on by persons engaged in community fund and Red Cross money-raising drives, and attending the necessary instructional meetings for canvassers.

Driving wife and newly born baby home from hospital.

Eligible Only If No Alternative Means of Transportation Available

The following may be considered eligible only if no adequate alternative means of transportation are available:

Driving by teachers of school system to lectures given on educational matters.

Driving to restaurants for purpose of eating a meal, if eating at a restaurant is necessary, and if no alternative means of transportation are available, is essential shopping, if the restaurant is within a reasonable distance from the driver's home or place of work or a reasonable distance from the direct route between home and work.

Driving to close summer home or to prevent freezing of pipes if no person nearby can attend to matter.

Driving to business meetings of labor organizations, farm cooperatives, or trade associations, by members, is essential driving, if attendance at such meetings is necessary to occupation or profession of the member.

Driving to defense council, air raid warden, etc., meetings.

Driving to doctors, dentists, etc.

Driving to pick up invalid and take him from his home to driver's home for medical attention or care.

Driving to procure living accommodations, i.e., to rent or buy house or apartment.

9. Driving to office of attorney for periodical meeting to discuss driver's business affairs.

10. Delivering clothes to laundry

(Continued on Page 7)

and picking up laundered clothes.

11. Driving to visit sick persons only under the following circumstances:

Visits to a seriously ill patient made by members of the immediate family are permissible as family necessity driving, if no adequate alternative means of transportation are available.

Visits to the seriously ill by persons who are not members of the family may be personal necessity driving, if no adequate alternative means of transportation are available, and if patient is living under circumstances where he cannot procure necessary supplies and adequate care without visits from friends.

10. Driving sick dog to and from veterinarian.

13. Driving to business meetings by directors and officers of corporations and other organizations, where such meetings are essential to the proper conduct of the business affairs of such corporations or organizations is permitted as personal necessity driving.

Driving to shop for food, if inadequacy of transportation would include necessity of bringing back packages too large to carry on available transportation facilities.

15. Driving to court as witness, litigant or juror.

16. Driving to cemetery for religious ceremonies, and in other cases, if custom of visiting grave amounts in a particular situation to a religious rite.

17. Boy Scouts—Driving by officers, delegates and executives of Local and Regional Councils of the Boy Scouts of America to business meetings of the Councils, where no adequate alternative means of transportation is available, is permissible, as this is deemed personal necessity driving. This would of course include the annual meetings of the Councils.

Driving by scout masters to their own troop meetings is occupational, and may be done, even if there is adequate alternative transportation.

Driving by Scout masters to troop meetings other than meetings of their own troops, may be done, only if there is no alternative transportation.

Boy Scouts themselves may not drive to their own scout meetings, or to scout meetings of other troops.

18. Driving to attend church services.

Driving to attend funerals.

Driving children to school.

Communication lines operated by our armed forces are vital to every military action on all our battlefronts. They must be kept ready for action at all times.

Here on the "home front," telephone communication service has the same objective... To keep the messages that speed war action moving promptly.

Long distance telephone lines now are crowded with calls of all kinds. More

lines can't be provided because the materials and equipment are needed on the battle fronts. The only way to make room on the wires at home for the growing number of war messages is for everyone to avoid "unnecessary" calls.

Especially make it a rule not to call Washington, D. C. and other war-active centers unless absolutely necessary. Your help will do much to speed the calls that speed the victory.

BRIEF ITEMS from ABOUT TOWN

P.F.C. Ellsworth L. Myers, who is stationed at Fort Devens, Massachusetts, is spending a furlough with his mother, Mrs. Gertrude Myers, 20 Randolph street, E. Riverton.

Sidney Lee Kuensell, son of Mr. and Mrs. N. Kuensell, of East Riverton, received his B.S. degree from Dickinson College at its exercises on January 24. Mr. Kuensell, who is a member of the U. S. Naval Reserve, with the classification H.V.P., will enter Jefferson Medical School in the near future.

Joelyn VanHorn and Lorraine Davis, pupils of Emma A. Price, played piano solos at the monthly recital given by pupils of members of the Philadelphia Music Teachers Association at Presser Auditorium, 1714 Chestnut street, Philadelphia, Saturday, January 30. Joelyn played the "Skaters' Waltz" arranged by John Thompson. Lorraine played "Soldiers' March," by Schumann, and the "Sky Pilot," by John Thompson.

Jane Conner Hulse, daughter of Dr. and Mrs. P. Conner Hulse, of Palmyra, was among the graduates from the Glassboro State Teacher College on Friday, January 29. She received a Bachelor of Science Degree in Education, completing a four year course in three and one-half years.

Private Norman P. Delaney, U. S. Army, son of Mrs. W. P. Foulke, Linden avenue, Riverton, is in the Fort Jay Hospital where he is being treated for injuries sustained when a car, driven by a civilian, ran into a column of 150 soldiers who were marching at a post near Patterson. Two other service men were also injured.

John G. Seemuller, son of Mr. and Mrs. Charles C. Seemuller, Fourth

CAR DRIVING RULES

(Continued from Page 6)

Driving to attend a recognized course of study.

Weddings—Driving to marriage ceremonies, whether religious or civil.

*Occupational
Ineligibles

Driving to banquets, dances, concerts, sporting events, of fund-raising amusements, etc., even though arrangements were made prior to restriction and even though held for admittedly worthy purposes such as Red Cross, Infantile Paralysis, etc.

Driving for purpose of attending church auxiliary or school auxiliary meetings, fraternal meetings, service club meetings, youth organization meetings, cultural or civic meetings, constitute non-essential driving.

Driving by doctor to place of amusement or on social call even though claim is made he must have car available for emergency.

Driving to take sick, crippled, or infirm person to movies, social visits, etc.

Driving to resort for rest after operation.

Driving to visit relatives even if other means of transportation are inadequate.

Driving to farm or summer home on weekend merely to inspect property generally is ineligible. However, if the driver actually performs or supervises necessary work regularly in connection with farm operations, driving for this purpose is eligible.

Driving to music and dancing lessons is ineligible unless they are given as a part of, or consist of, a regular and recognized course of study. The existence of a prior bona fide agreement for a series of such lessons would be evidence of a regular and recognized course of study.

Driving for vacation travel.

street, Riverton, who enlisted in the Army Air Corps some time ago, was called to active duty last Saturday and is now at the Pre-Flight School, Atlantic City.

Mary L. Kercher, who has been stationed at the WAVES training center at Bloomington, Indiana, is spending a few days with her parents, Mr. and Mrs. R. E. Kercher, of 10 Garfield avenue.

WOOD-BURNING STOVES NOW AVAILABLE

Householders who can use a small, low-priced wood-burning stove to enable them to cut down fuel oil consumption in heating their homes are urged by OPA to buy such stoves.

It was pointed out that these stoves, ranging in price from one dollar to 15 dollars, are arriving in stores

throughout the State in "plentiful quantities." The stoves are small, weighing less than 30 pounds, and can be used to good effect in heating single rooms, thus cutting down the amount of fuel oil used in heating the house generally.

Wood-burning stoves, unlike oil and coal heating stoves, are not rationed. Emergency manufacture of these types of heating equipment has been permitted by the War Production Board to help provide supplementary heat or entirely eliminate oil-heating where possible.

Stove piping to connect the wood stoves with flues or chimneys is also available at dealers.

So well constructed are these small stoves that a log will burn in them for many hours and provide a steady amount of heat through the day or night at small expense.

At the same time, OPA officials also urged persons who can do so, to replace oil-burning heating stoves with coal-burning stoves to help ease the critical fuel oil shortage. Certificates for the purchase of such coal burning stoves can be secured by applying to the ration board.

Many types of coal stoves of various sizes, and designed to meet almost every need, are being made available in stores throughout the State.

CHANGING STANDARDS

CHANGES IN THE AMERICAN STANDARD of living brought about by priorities and rationing were inevitable. But whatever sacrifices must be made to insure victory, we all know that we are helping to win what we must and shall win—a continuance of our democratic fellowship of freedom.

THE HIGH STANDARDS OF SERVICE, so long maintained by this organization, have not been lowered. The restrictions in the use of construction materials has not prevented the making of beautiful, durable caskets of distinguished craftsmanship. We continue to provide appropriate funerals of fine quality at prices set by the families when they make arrangements.

BANKING BY MAIL

Use this Corner Cutter

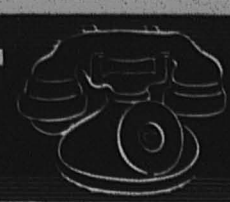

BANKING by Mail is a service that "cuts corners" by saving you much time and trouble. From your home, your place of business—from any place where a mail box is handy—you can mail your deposits to us. We give such deposits the same, careful attention as those brought in person. Checks should be endorsed "For Deposit"; currency should never be sent unless registered. Make it a point to ask us about our Banking by Mail service.

OBITUARIES

WILLIAM J. PHELAN

William J. Phelan, of Parry, died on Thursday, January 28. Services were held on Tuesday at 9 a.m. from the Snover Funeral Home, with High Mass at the Church of the Sacred Heart at 10 a.m. Interment was made in Mt. Carmel Cemetery, Moorestown. Mr. Phelan was one of the founders of Parry Volunteer Fire Company and has served as treasurer of the Company since its organization. He was employed by the Pennsylvania Railroad for 25 years. The deceased is survived by his wife, Anna, and seven children.

ANNA S. BECKER

Anna S. Becker, wife of Otto P. Becker, of 306 Midway, died suddenly on Thursday, January 28. Services were held on Tuesday at 2 p.m. from the Snover Funeral Home, the Rev. Francis B. Downs officiating. Interment was made in Morgan Cemetery.

Mrs. Becker is survived by her husband and three children, Mrs. James Wright, Charles and George Becker. A brother, Walter Becker, of Swedesboro, and four grandchildren, Jeanette Becker, Marilyn and Sandra Wright and Bobby Becker, also survive.

MODEL PLANE CONTEST

Prizes are to be awarded to winning contestants of the rubber band model airplane meet to be held Saturday, February 27, 10 a.m. or March 6 (alternate date) at the PHS stadium. All builders from Riverton, Palmyra and vicinity are invited to compete free of charge. This project is being sponsored to create interest and develop possibilities of the fliers of tomorrow by the Palmyra High Gas Bugs and YMCA group under the advisement of Robert K. Emens.

The contest rules are:
1. Any type fuselage permitted.
2. Ground launching (R.O.G.)
3. Three timed flights.
Best Average Wins
Groupings by Wing Span:
a. 25"-30" inclusive
b. 31"-36" inclusive
c. 37"-43" inclusive
d. 43"-51" inclusive

BUSINESS CLINIC

IS FORMED HERE

The Palmyra-Riverton-Cinnaminson Business Clinic, organized at a meeting held by the business men of the area at the Riverton Board Headquarters on Tuesday night, elected officers as follows: Frank E. Chambers, president; Clifton Taylor, vice president; Herbert Bracey, secretary and Walter D. Lamont, treasurer. The purpose of the clinic is to promote the various economies in operation desired by the OPA in its Economy for Victory campaign. Among the topics discussed was a plan for all local stores to close all day Wednesday.

Clifton Taylor was chosen chairman of the Food Dealers' Committee and Philip Shulman, chairman of the Dry Goods Dealers Committee to consider various steps in the campaign.

The next meeting of the clinic will be held on Tuesday, February 9, in the Riverton Board Headquarters at 8 p.m.

LIBRARY REPORT

(Continued from Page 1)
Thanks Porch Club
It is a privilege to again publicly thank the Porch Club for a splendid contribution to our Treasury. In 1942 the benefit which this organization gave for the Library yielded \$166.00—the largest amount ever obtained—and we cannot be too grateful in our expressions of appreciation to the individual members of this outstanding Civic institution.

The departure of Lieut. Willis S. DeLaCour and Mrs. Stuart B. Clark, due to necessities of war, and the decision of Francis B. Elwell to close his home in Riverton for the time being, has temporarily deprived our Board of the benefit of their valued counsel and unfailing interest in the

library affairs but I hope their absence will not be of long duration. The personnel of the Library has maintained its reputation for community service and it is hoped that in successfully continuing to supply the book needs of Cinnaminson, Palmyra and Riverton, we shall continue to merit the important financial support given us by the official bodies of these local governments.

SCHOOL BUDGET

(Continued from Page 1)
is decreased. Repairs, Replacements and Equipment item is \$3,000, the same as last year.

The total amount to be raised is \$47,547.50, which is \$180.00 less than last year. This decrease, in spite of bonuses and increased operating costs, is due to an accumulated surplus and additional receipts from the State.

The proposed budget is as follows:
School Elections \$ 25.00
Board of Ed. Expenses 25.00
District Clerk Sal. and Bonus 550.00
District Clerk Office Ex. 100.00
Custodian Salary 25.00
Legal Services 2,500.00
Supervisor Office Expense 25.00

NEW MEMBERS
ON YMCA BOARD

Henry G. Naisby and A. E. Fry, of Palmyra, and George T. Becton, of Riverton, were elected as members of the Board of Directors of the Palmyra-Riverton YMCA at the meeting of the board held Sunday afternoon in the Palmyra Borough Hall. Richard Woodward, of Riverton, was named chairman for the annual finance campaign which is expected to be launched in conjunction with other YMCA Campaigns of the county sometime in April.

Plans were presented by Mayor John Ward, chairman of the Father and Son Banquet Committee for this annual event, tentatively scheduled for March 16 in the Central Baptist Church under the auspices of the YMCA Board and the Women's Auxiliary. The committee working with Mayor Ward is as follows: Paul R. Jones, Henry Naisby, Richard Woodward, Lawrence Coolbaugh, with Mrs. L. Arthur Hoyt representing the Women's Auxiliary.

George Wimer, president of the board, was in the chair. Howard Darnell, treasurer and chairman of the finance committee of the county association, visited the board, along with Executive County Secretary Clifford W. Ergood.

The board received favorably the recommendation of the camp promotion committee that the Day Camp be continued in Palmyra again this summer. Responsibility for arranging it was placed in the hands of the group work committee, of which Nathan Lane, of Riverton, is chairman. They will also receive the cooperation of the Women's Auxiliary in carrying out this activity.

Others in attendance were: Howard B. Conover, Grover F. Fox, Robert O. Adams, Nathan Lane, Clifton P. Mayfield, Victor Richards, De-wees Shonell and Charles H. Yost.

The Porch Club

On Tuesday, February 16, at 2:00 p.m., the Porch Club will hold its Annual Bridge for the benefit of the Riverton Library. For tickets and further information please contact Mrs. Howard Coe, telephone Riverton 0211, chairman of the bridge department, or any of her committee. A pleasant afternoon is always anticipated at this annual affair. Each table please bring playing cards.

BURLINGTON COUNTY GIVES

GENEROUSLY TO RED

CROSS BLOOD BANK

Back in March, 1942, the first collection of blood, for our Armed Forces, began in Burlington county, at Palmyra, under the direction of Mrs. Ethel Hubbs.

The work grew with increased demands for larger amounts of blood plasma, from the Surgeons General of the Army and Navy. Soon a number of towns throughout the county made plans for Blood Donor Services, with local chairman and committee in charge, Mrs. Hubbs, supervising. From March 30 to August 24, the Mobile Unit from Philadelphia visited fourteen localities in the county and 1,619 pts. were collected. On a

VICTORY GARDENS

Six free lectures by leading New Jersey agricultural experts will be given in the Porch Club, Riverton, beginning some time in March (dates to be announced later). The series is being sponsored by the Porch Club and is offered to ALL interested people in Riverton and other neighboring communities as a patriotic move to help in relieving a possible food shortage.

The course will include talks on practical vegetable gardening in all its phases, soil tests, fertilization, new methods of home canning, freezing and storing of food and latest information on nutrition.

Watch this newspaper for further information on the course.

THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, FEBRUARY 11, 1943

PRICE FIVE CENTS

SIGRID SCHULTZ WILL
SPEAK HERE FEB. 17

Sigrid Schultz, Berlin correspondent of the Chicago Tribune for 22 years and commentator of the Mutual Broadcasting Company during recent years will speak in the auditorium of the Palmyra High School, Wednesday evening, February 17, at 8:15 o'clock.

A large audience is expected to attend the affair.

RESULTS OF LOCAL
SCHOOL ELECTIONS

In a spirited contest, Howard G. Taylor, Jr., was re-elected to the Cinnaminson Board of Education on Tuesday of this week, receiving 157 votes against 117 polled by his opponent, Elwood Haines.

Others elected by a substantial margin were Mrs. Christina M. Davidson for a term of two years and Francis D. Shaw and Maurice F. Joyce for terms of one year.

All proposals on the ballot were approved without serious opposition. Votes were cast as follows:

Davidson—165.
Githens—91.
Joyce—171.
Shaw—143.
Laning—88.
Ricketts—88.
J. K. Taylor—87.

Riverton

The election was quiet in Riverton, although the vote was heavy in view of the fact that all candidates were without opposition. The vote was as follows for members of the Board of Education: Ruth Carhart—99; J. W. Van Horn—99; John M. Wright—97.

All appropriation items were approved with only one or two votes cast against.

Palmyra

In Palmyra the results were: George M. Durgin—211; William Donaghy—207 and Leonard R. Baker—209. All questions on the ballot were approved with only scattering opposition. All those elected are incumbents.

Mr. Baker, previously had declined to run for re-election, but no other candidate filed a petition and Mr. Baker was re-elected on a write-in vote.

Rumors that one or more citizens intended to conduct a sticker campaign proved to be without foundation.

second visit around the county 1,394

pints were collected. Total collected

over a ten month period, 3,013 pints.

The city of Burlington donated 132

pints at a Service held there January

29, this being a record amount.

IMPORTANCE OF VITAMINS IN FOOD

In thirty minutes or so last Thursday evening, Colfax Sanderson, representing the U. S. Vitamin Corporation, brought more light and interest to the subject of vitamins in relation to health than most of his Rotary Club audience felt possible in a subject about which so much has been written and so little understood. Mr. Sanderson has an unusual ability to make his talk sparkle with humor while emphasizing the significant portions.

Starting with the statement that some 50 per cent of the food coming into New York City has its vitamins and minerals almost completely removed in processing, Mr. Sanderson pointed to the widespread prevalence of substandard health as the inevitable consequence. By way of illus-

tration he took his hearers course by course through a typical dinner, pointing out the wayside losses of vitamins and minerals as the meal was prepared.

Important Points

Out of a long list of cautions and precautions ten have been selected which seem to summarize the points most greatly influencing our home control of vitamin intake.

1. Avoid stale and wilted foods.
2. Choose colorful foods rather than pale ones.
3. Eat raw food as much as you can tolerate it.
4. Choose the cooking method that is shorter.
5. Undercook rather than overcook.
6. Cook for the meal you are about to eat.
7. Do not beat air into food.
8. Do not use cooking soda.
9. Do not discard cooking liquid.
10. Use butter liberally in cooking.

At the close of his talk Mr. Sanderson distributed a booklet which

covers the entire subject more clearly than anything he has yet seen or heard bearing on it. While Mr. Sanderson did not say so, we have no doubt that a request to the Educational Department of the U. S. Vitamin Corporation, 250 E. 43rd street, New York City, for the booklet "Vitamin-Mineral Highlights" will be honored.

PALMYRA BUDGET

The following explanatory statement was issued in connection with the publication of the Palmyra 1943 Budget:

"The financial condition of the Borough remained very good throughout the year 1942. In preparing the 1943 operating budget the Mayor and Council found it necessary to increase a few appropriations due to present day conditions. Other appropriations were either decreased or omitted, so that the result shows

a net decrease of \$1,252.00 in the 1943 operating appropriations under the 1942 budget. On the revenue side of the budget, the 1943 items of miscellaneous income show a decrease of \$3,525.00 under the 1942 amount.

"In view of the increases in Federal taxes, etc., the Borough officials deemed it advisable to appropriate Surplus Revenue—Cash, and thereby reduce that portion of the tax rate for Local Purposes by \$0.05 under the 1942 amount. The estimated rate is \$4.69 compared with \$4.74 in 1942. This, of course, is based on similar 1943 taxes for County, State and School purposes as was levied in 1942. These are outside the control of the Mayor and Council and should they be increased or reduced, the estimated rate herewith will be correspondingly affected.

"The Borough auditors report the tax collections for 1942 excellent and the taxpayers are urged to continue the policy of meeting their obligations promptly."

A public hearing on the budget will be held in the borough hall, Thursday, February 12, at 8 p.m.

OBITUARIES

MARY A. COX

Mrs. Mary A. Cox, widow of the late William C. Cox, died suddenly on Thursday, February 4, at the home of her daughter, Mrs. Rachel Lord, of Cinnaminson avenue, Palmyra.

Services were held on Monday at 2 p.m. from the Oliver Blair Funeral Parlor, in Philadelphia.

Interment was private.

True religion shows its influence in every part of our conduct; it is like the sap of a living tree, which penetrates the most distant boughs. —William Penn.

HONOR ROLL

The following is a partial list of the men from Riverton and Cinnaminson who are serving in the armed forces of the United States. The New Era asks that relatives of men who have been omitted from the Honor Roll communicate with this newspaper so that the roster can be made complete.

YMCA BRIEFS

"Y" Groups Leaders of the southern section of Burlington County met at the home of Nathan Lane, Riverton, Wednesday night, January 27, with members of the County Group Work Committee. Following introductions a discussion was led by George R. Keller, Assistant County secretary, on "Problems of Group Leadership." Mayor John Ward, of Palmyra, entertained with some vocal selections and refreshments were served by the Mrs. Lane's, Senior and Junior. Those present were Victor Ritschard, Riverton; Otto Mann, Beverly; Fred Barton, Sr., Riverside; Robert Emens, L. Arthur Hoyt, and Lawrence Coolbaugh, Palmyra; Wm. Thomson, Frank Anderson and Clifford Ergood, Moorestown and Clifford Irons, Medford.

About Town

Miss Yvonne Pennington, daughter of Mr. and Mrs. Albert Pennington, Front street, Riverton, has enlisted in the WAACS and has been assigned to Des Moines, Iowa, for training.

Hilton M. Smith, Jr., Air Cadet, was on a short furlough from Chapel Hill, N. C., just a few days too late to attend the graduation exercises of Glassboro State Teachers College, where he was president of the senior class.

The entire class completed the four year course in three and a half years. Cadet Smith left Tuesday for Greenville, Illinois, where he is now stationed.

Private Phillip A. Mingle, serving with the U. S. Army, has recently been promoted to the rank of Corporal Technician. He is the son of Mr. and Mrs. W. G. Mingle, of Linden avenue, Riverton.

NO MORE TROUBLE WITH UNEVEN SLICES!

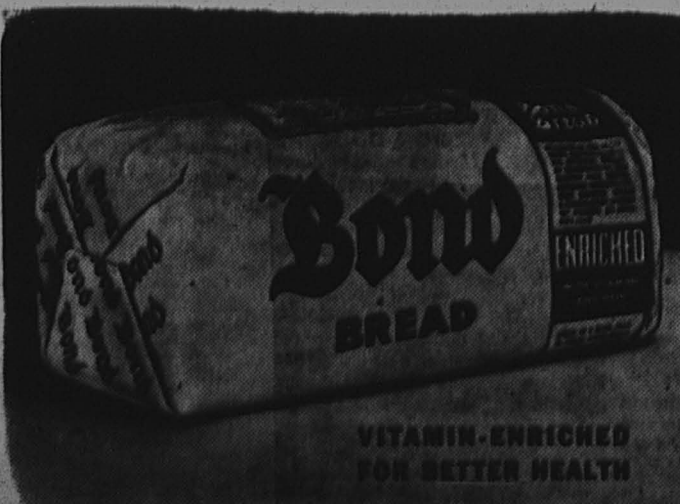

BOND BREAD
NOW "SLICE-MARKED" ★

for even, easy slicing

LOOK FOR THE
SLICE MARKS*

ON THE BOTTOM OF
EVERY LOAF

...EXCLUSIVE WITH BOND
Patent applied for.

Thousands of women have recently proved how much easier Bond Bread slices—no tearing or crumbling. Now comes still another important feature. Bond Bread is now "slice-marked".

The bottom of each Bond loaf is scored with tiny grooves or "slice-marks" for you to follow. Results in attractive, even slices. It's the same principle as using "ruled" paper to write straight, even lines.

This brand-new feature—exclusive with Bond Bread—makes it simple to get smooth, even slices throughout the loaf. No waste—because no uneven ends. Just lay loaf on side... follow the "slice-marks", using a sawing motion with your knife.

Always oven-fresh...old-time delicious flavor...vitamin-enriched—Bond Bread is finer bread in every way. That's why a million women buy it every day. Switch to Bond, yourself.

Sunday Services, 11:00 a.m.
Wednesday, 8:00 p.m.
Reading Room in Church Building,
Thomas Avenue and Seventh Street,
Riverton, open Friday, 2:30 to 4:30 p.m.

"Boul" is the Lesson-Sermon subject for Sunday, February 14, in all Christian Science Churches and Societies throughout the world.
The Golden Text is: "My soul shall make her boast in the Lord: the humble shall hear thereof, and be glad. O magnify the Lord with me, and let us exalt his name together." (Ps. 34:2, 3)

Among the Lesson-Sermon citations is the following from the Bible: "For it is God which worketh in you both to will and to do of his good pleasure." (Phil. 2:13)
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Having no other gods, turning to no other but the one perfect Mind to guide him, man is the likeness of God, pure and eternal, having that Mind which was also in Christ." (p. 467)

BETHANY EVANGELICAL LUTHERAN CHURCH

Broad Street and Morgan Avenue
The Rev. Harold Lee Rowe, Pastor
Sunday, February 14, The Transfiguration.

9:30 a.m., Children's Church—Pastor Rowe will speak to the children on the theme, "Pockets with Holes."
10:00 a.m.—The Service. The pastor will speak on the theme, "Mountain Top Assurances." The anthem by the choir will be Hopkin's "Lift Up Your Heads."

7:00—The Intermediate Luther League will meet at the parsonage.
8:00—The Sr. Luther League will meet at the Henslers' with William Howe, Jr., as leader.

Monday, February 15—The Koinonians will meet at Florence Calkin's home, at 8:00.

Thursday, February 18, The Missionary Society will meet at the Dons', 618 Garfield Avenue, at 2:00 p.m.

Friday, February 19, The Bible Study Class will resume its meetings at 8:00 at the parsonage.
Sunday, February 20, Pre-Lenten Holy Communion at The Service, 11 a.m.

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

This Sunday the speaker will be the Rev. Richard A. Conover, Rufus Green, from Tindley Temple, Philadelphia, will be the soloist.

CHRIST CHURCH, EPISCOPAL

Riverton, N. J.

The Rev. Francis B. Downe, Rector

Sixth Sunday After The Epiphany,

February 14, 1943—

8:00—Holy Communion.

9:45—Sunday School.

11:00—Morning Prayer & Sermon.

This service is for the devout who will take considerable part in the service. It is hoped that parents and those interested in boys will make a special effort to attend.

7:30—Young People's Fellowship.

The topic of the meeting will be our past and present relations with Mexico. All of high school age are welcome as members or guests.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.

Riverton, N. J.

The Rev. R. B. Stewart, Pastor

At the organizational meeting of the Calvary Mens' Bible Class held last Sunday morning, Mr. S. Reid Merley was elected president, Mr. Wm. Carson, vice-president, Mr. A. D. McFall, treasurer. This was a very encouraging attendance, and the charter members are developing plans to make the organization one of the finest on the Calvary program.

The class meets next Sunday morning at ten o'clock in the North transept of the Sanctuary with Mr. Arthur Lewis teaching and Mr. Oscar Wargny at the piano. The International Lessons will be taught. All men of the Calvary Church family are cordially invited to join the Class.

On Wednesday evening the "Calvary Forum Hour" was inaugurated. This attractive and instructive hour of religious discussion, study and song will be held each Wednesday evening from 8 to 9 o'clock. Bring your questions and discuss them with your fellow-Christians!

It is hoped that in the near future the gym may be opened on Wednesday evenings from six to eight for Young People, and from nine to ten for adults. Those interested in badminton, ping-pong, shuffleboard, etc., should make their interest known to the Pastor or to Mr. Fredrick Lovejoy, who will be in charge of Calvary's games and recreation program.

The following is the Calvary program of worship and study for the ensuing week:

Sunday, Feb. 14—Sunday School Classes and Men's Bible Class at 10 a.m. Everybody welcome!

Divine Worship at 11 a.m. Race Relations Sunday will be observed, and the sermon theme will be, Color—and The Kingdom of God in America. The choir will render the anthem, "I Am Alpha and Omega," by Stainer.

The Church Nursery (held during the hour of Divine Worship) will be supervised by Mrs. W. J. Stevens, assisted by Miss Elaine Friday.

The Junior, Intermediate and Senior Christian Endeavor Societies will meet at 7 o'clock Sunday evening. Selected members of the Junior C. E. will conduct the opening devotional. The Senior program leader is Ann Magowan and the Intermediate leader is Elaine Friday. Dian Kimbel and George Rotenbury will lead the Juniors.

Wednesday, February 17—The monthly stated meeting of the Golden Hour Circle will be held at 1:00 o'clock. Members will bring their own sandwiches.

The "Calvary Forum" will commence at 8:00 o'clock and will be held in the Sunday School Auditorium.

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue

Palmyra, N. J.

Rev. D. Roe Haney, Minister

Race Relations Day will be observed in Epworth Church this Sunday. John W. Gross of Tindley Temple will give an address in the Church School and Rufus Green of the same race and Church will sing for the Church School, Men's Bible Class, and Morning Church Worship. Mr. Gross will also have a part in the Morning Worship. Rev. Haney will preach on "The Right Way and the Wrong Way." The Senior Choir will sing "Holy, Holy, Holy, by Emerson, and the Junior Choir will render "My Friend of Calvary," while the organ numbers will be "Morning Hymns" by Lange, "Meditation" by Schultze and "Andante" by Smart.

Youth Fellowship will meet at 7 o'clock with Miss Doris Meyers as leader.

Evening Church Worship will begin at 7:45, and the Pastor will use for his sermon topic "A Glimpse of Hope." A song service will introduce the program of the evening.

The Choir under the direction of Mrs. Rachel Lord will render a special number, and Mrs. Harry Heimbaugh will be the soloist.

Monday, 7:30—Boy Scouts.

Tuesday, 7:30—Girl Scouts.

Wednesday, 10:00—Sewing for the Red Cross by the Woman's Society of Christian Service.

Wednesday, 8:00—Prayer Meeting will be conducted for all who have a desire to get closer to our Lord. The Pastor will bring thoughts from the twelfth Chapter of First Corinthians.

Friday, 3:45—Junior Choir Practice.

Friday, 7:45—Senior Choir Practice.

Saturday, 10:00—Latin-American Club for boys and girls between the ages of seven and twelve.

Spirit of Evangelism is being emphasized this month. Next Sunday, the twenty-first will be the reception of members.

CENTRAL BAPTIST CHURCH

Fifth Street and Maple Avenue

Palmyra

Rev. S. Dan Morgan, Pastor

Wars are only instigated by countries who are lacking in religious teaching or who are indifferent to the teachings of Christianity. And this indifference starts with the individual and ends very disastrously both for the individual, community or nation. We must ask ourselves this question. Am I a good representative of the United States of America which is supposed to be an example of a true Christian nation? Or are we guilty of this indifference? "Central Baptist" urges you to attend the church of your denomination but should you

have no affiliations, invited you to their house of worship.

Services, Sunday, February 14—Bible School, 10 a.m.—Don't become indifferent to the Bible School. It is the backbone of any nation, as it furnishes the leaders who accomplish things. Parents bring your children. Children bring your parents.

Morning Worship, 11:15 a.m.—We have heard so much about "Cooperation" of late. The Pastor will give us some idea what this means in his sermon of the morning. The choir will sing the anthem "Unfold Ye Portals" by Gounod. Miss Ann McConnell, soprano, will sing "The 23rd Psalm" by Little.

Sr. and Jr. B.Y.F.U., 7:00 p.m.—Meeting in the Main School room and the Jr. Department respectively. Both interesting meetings.

Evening Worship, 7:45 p.m.—Those who are not in the habit, will find the evening service very inspiring and enjoyable. Make it your plan to come out next Sunday. "The Kingdom Come" will be the subject of the evening message and the choir will render "Rock of Ages" by Mrs. Ruth Schweizer will sing "Lamb of God" by Bizet with Violin Oblato by Mr. Claude Barto.

Wednesday, 8 p.m.—Mid-week Prayer and Praise Service to which a cordial invitation is publicly extended. Come and enjoy a very profitable hour every week.

Give us to awake with smiles, give us to labour smiling; as the sun lightens the world, so let our loving kindness make bright this house of our habitation.—R. L. Stevenson.

BOY SCOUT WEEK — FEBRUARY 6 to 12

Reddy Kilowatt Salutes...

TODAY'S LEADERS OF TOMORROW

Yes Sirs, you fellows are the ones that will run this country in the years to come!

The training and friendships that develop out of being a Boy Scout will be a big help to you. You know how to build fires, cook your own meals, pitch a tent, and do a lot of other things too.

Many a night I sat in a light bulb and watched you make a "granny" instead of a "square knot," but you plugged along and the "bow line" and the "sheep shank" and all the rest sorta came as easy as pie.

I've watched many of you come in as Tenderfoots, then work up to Second Class Scouts, then First Class Scouts. You got ahead on your own merits.

That's the spirit of American Business—individual effort and free enterprise plus teamwork. That's the American Way!

It's the same way that the electrical industry grew! When it first started there was only electric light. Now there are all those other labor saving devices you have in your home. There is also plenty of electric power to build the ships, planes, tanks and guns needed to win this war.

It's all been the job of pioneering, planning, progress and achievement.

You too can grow the same way! You are on the way now... you are tomorrow's leaders!

Best O' Luck... and More POWER to You!

REV. STEWART SPEAKS
AT B. & P. CLUB

The Rev. Robert B. Stewart, pastor of Calvary Presbyterian Church, Riverton, was the speaker at the meeting of the local Business and Professional Men's Club held on Tuesday of this week. The speaker was introduced by Dr. J. Rowland Dey.

Rev. Stewart told of the reactions of various types of individuals toward

the war effort and said that we all must not be indifferent, must not be sowers of discontent but must all work together to win the war, and also to win the peace.

The vice president, Thomas Shorten, occupied the chair in the absence of the president, Arthur Lewis.

Herbert Bracey read a paper prepared by Dr. Hayes B. Brady on important characteristics of Abraham Lincoln. Dr. Brady was prevented from being present because of illness.

P.T.A. FATHERS' NIGHT PROGRAM HERE

The Riverton P.T.A. will celebrate its annual Founder's Day on Wednesday, February 17, at 3 p.m., in the

school auditorium. Mrs. Ezra Carhart will be in charge of the program. The topic "America Pitches In" will be continued from the last meeting.

Mrs. Robert Stewart will render violin selections.

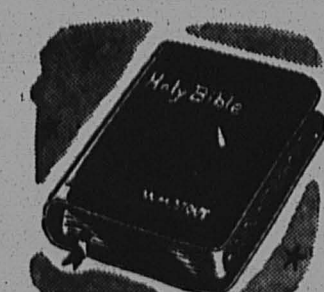

A food sale will be held at 2 p.m. It is hoped that all mothers will send food by their children. Due to no candy sale this year, we hope the food sale will help make up for it. Everyone is welcome!

The light of nature, the light of science, and the light of reason, are but as darkness, compared with the divine light which shines only from the word of God.—John R. Lord.

BOY SCOUT NEWS

The Finance Campaign of the Burlington County Council, Boy Scouts of America, was off to a good start this week in most of the communities in Burlington County. Arthur B. Harris, chairman of the finance committee of the Council, stated that it was being handled this year in conjunction with Boy Scout Anniversary Week, and that the general public would have ample opportunity to see the Boy Scouts through their activities in their communities.

The Executive Board meeting of the Council will be held on Tuesday evening, February 16th, at the home of Eugene E. Beyer in Mount Holly, N. J. President E. Newbold Cooper announced that each man would have in his hands the copy of the Council Survey Manual which will serve as the guide and program of the Council Committees for 1943. On Friday evening, February 19th, President Cooper has called a meeting to be held in the Council Office, of the Operating Committee Chairman, the Scout Commissioner, and the Vice President in charge of District Committees, for the purpose of outlining the Council objectives according to the plan of the Council Survey that was made by the Regional Boy Scout Office.

Boy Scouts in Burlington County will be very much in evidence during the next few weeks on their Anniversary Week activities, which will include demonstrations, Parent's Nights, and the collection of tin can salvage. During the past year, the Council had the greatest number of Scouts ever in its membership. The Organization & Extension Committee, under Mr. William G. Porter, are laying quite extensive plans to give more boys an opportunity to become Scouts through the organization of new Troops throughout the County.

A County Board of Review was held on Friday evening, at the Boy Scout Office in Moorestown, New Jersey. Scouts Reid Porter, Troop 4 of Moorestown, George Yanick, Troop 5, Palmyra, and Assistant Scoutmaster Franklin Vondy, Troop 13, of Bordertown, were advanced to the rank of Life Scout. In achieving this rank, these Scouts passed five specialized merit badges and five other merit badges. This is next to the highest rank in Scouting, that of Eagle Scout.

Scouts Edwin Hartley, Troop 4, Moorestown, John C. Nowen, Troop 3, of Palmyra, and Scoutmaster D. E. Tuttle, Troop 50 of Riverton, were advanced to the rank of Star Scout.

The County Board of Review was held under the direction of Vice Chairman, Alfred L. Deyo and County Scout Executive, George A. Darlington.

PALMYRIAN DANCE

On Saturday, February 13, at 8:30 p.m., the Palmyrian Staff of Palmyra High School will hold its annual Valentine dance in the school gymnasium.

The dance will feature the sensational music of the "Swingsters," the school's own orchestra, plus favorite recordings. This is the first time in the history of P.H.S. that a combination of this sort has been used.

The decoration committee, which is working out the Valentine theme consists of Joe Raphael, Dorothy Baker and Betty Blackwell. Dorothy Wallace, Betty Stiles, Eleanor Metzger and Lester Warner have charge of publicity, while Doris Massey and Helen Rowan secured the orchestra and recordings. Marilyn Yost and Bob Shaw are on the door committee.

From all indications, this dance as usual will be one of the outstanding dances of the school year.

WILL PAY DAMAGES

About two weeks ago Herbert Coles, of East Riverton, according to his story, ran into a car of an East Riverton resident, the accident occurring on Main street, Riverton. Coles promised to pay for the damage to the other car and is alleged to have admitted responsibility.

His memory proved short, however, and he failed to put in an appearance on the specified date. Investigation showed that he had departed from the address given to the police, but Officer John Robinson learned that Coles had moved to Riverside, where he was located and brought back to Riverton for a hearing. He was fined \$5 and costs for careless driving and again promised to pay the damages under penalty of a much more severe fine.

NEW SIREN CONSIDERED

At the meeting of the Cinnaminson Township Committee held this week, the members went on record as approving an improvement in the air raid signals in the township, as suggested by F. C. Shill, chairman of the defense council.

Mr. Shill reported that the plan under consideration was for the Parry Fire Company to erect a 220 volt siren at the fire house in place of the 110 volt outfit used at present. The 110 volt siren would then be placed at a strategic point where no existing signal is usually audible.

The Defense Council would pay for the new siren, cost about \$245, and the result would be that the entire Township would have more adequate coverage in the event of an alarm.

Further information regarding the change will be announced later.

BRIEF ITEMS from ABOUT TOWN

The Palmyra Junior Womens Club will entertain the members of the Senior Club at the next regular meeting, Monday, February 15, at 8:30 in the Club House.

Olive R. Smith, daughter of Mr. and Mrs. O. R. Smith, 217 Cinnaminson St., Riverton, N. J., was a member of the first class of WAVES radio operators graduated from the U. S. Naval Training School on the University of Wisconsin campus here last week. She now awaits assignment to a Naval shore station where she will relieve a man for active duty with the fleet.

Commander L. K. Pollard, commanding officer of the school, awarded the diplomas at the graduation which marked the completion of 15 weeks of intensive study in the operation of Navy radio transmitting and receiving equipment.

WAVES in the Navy receive the same ratings, rate of pay, and privileges as men, and the course was the same as that given to men radio operators.

Ensign John H. Yost, son of Mr. and Mrs. Charles H. Yost, of 631 Thomas avenue, left Tuesday morning to report for active duty at the U. S. Naval Construction Training Center, Magruder, near Williamsburg, Virginia.

There are a few calendars left at the J. T. Evans Co. Anyone wishing a calendar may secure one by calling at the office while the supply lasts.

Bernard E. Goodwin, Thomas avenue, Riverton, has been promoted to the rank of Sergeant in the Army.

Among those from this section who attended the banquet last Friday in honor of the 80th birthday of Connie Mack were Father William F. Quinn, Thomas Shorten, Russell Blackburne, Harold Wagner, W. Rex McGeehan, Albert Smith and Fowler Schaeffer. The affair, which was held in the Bellevue-Stratford, Philadelphia, was attended by baseball celebrities from all over the country.

Among those placed on the Dean's List for scholastic achievement during the fall term at Drexel Institute, were Jean E. Hardy and Emanuel Rothbaum, of Palmyra.

Corporal Donald E. Powell, serving in the U. S. Army at Fort Ord, California, is spending a furlough with his parents, Mr. and Mrs. Edwin I. Powell, of Palmyra.

Louis C. Clelland, Jr., son of Mr. and Mrs. L. C. Clelland, Main street, Riverton, a member of the ski-paratroop corps has been spending a furlough at the home of his parents.

At the regular monthly meeting of the Woman's Society of Christian Service of the Epworth Methodist Church, fifteen Star Mothers of the Church were entertained at a tea. All the mothers were presented with a red, white and blue victory corsage.

BAND PARENTS CLUB

After a business meeting the Band Parents Club enjoyed an evening of fun supplied by Albert Farrow, program chairman, assisted by Aubrey Hewitt Monday evening.

Acting the part of a radio announcer and his stooge, the men began by commenting upon the hats worn by

the members of the club, particularly the fetching bonnets worn by Mrs. Wm. Burgess, Mrs. R. O. Young and Mrs. V. Jensen. Prizes were won by Mrs. Frederick Kelly, Mrs. Grant and Mrs. Wm. Burgess. A carnation boutonniere was presented to Mrs. Dwight Tuttle, president.

Refreshments were served by Mrs. Albert Farrow and Mrs. R. O. Young.

On Monday afternoon the Junior Band under the direction of Kenneth Merrill will play for the Riverton School Assembly.

Members of the band are: Alice Burgess, Sam DeVece, Robert Farrow, William Hall, Victor Jensen, Dick Price, Ray Koehler, John Zuinton, Frances Sacchetti, Dick Schwerling, Bea Thompson, Claire Tuttle, Carol Wargny, Carol Yerkes, Robert Young, John Valentine and Dick Edmonds.

RETAIL CLINIC SEEKS COUNTY COOPERATION

In an effort to secure county-wide cooperation in various phases of the Economy for Victory Program, the members of the Retail Clinic recently formed in Palmyra, Riverton and Cinnaminson, will ask merchants from Moorestown, Riverside and Burlington to meet with them next Tuesday night at 8:30 o'clock, in the ration board headquarters, Palmyra.

The Clinic is also working on the proposal of all-day closing of retail stores on Wednesday of each week and are asking various civic organizations to support the effort in order that certain chain stores may be induced to join in the move.

NURSES AVAILABLE

To help cope with the difficulty of securing nurses when needed, the Visiting Nurses Society of Palmyra, Riverton and Cinnaminson reminds residents that the services of their nurses, Miss Helen Blair and Miss Carolyn Cook are available at any time needed. There is a fixed fee for each of the different types of nursing care.

The telephone is Riverton 0277 and hours for phone calls are, 8 to 8:45

DO NOT USE TAPE ON CAR HEADLIGHTS

At the request of the War Production Board, Motor Vehicle Commissioner Arthur W. Magee today discouraged the use of electric friction tape as a method of blacking out motor vehicle headlights in the dim-out areas of the state.

The appeal is based upon the fact that reclaimed rubber is a principal ingredient in the manufacture of friction tape and when friction tape is used for dimming out head lamps it has the effect of diverting the commodity from those industrial uses where the properties imparted by the rubber are necessary.

And God said, Let there be light: and there was light.—Genesis 1:3.

hearted cooperation afforded the Red Cross in allocating space in their news columns to further the work of the organization.

The certificates were presented by Mrs. Stephanie McCarthy, executive secretary of the Chapter in the absence of James H. Rendall, chairman.

F. Wallis Armstrong, chairman of the War Fund, emphasized the importance of the part newspapers can play in publicizing the coming campaign and stated that, with the usual fine cooperation, the county goal would be attained.

The dinner was served by the Red Cross Canteen Corps under the direction of Mrs. A. H. Lippincott, Chairman.

TRENCH MOUTH

There has been a marked increase in the incidence of Trench Mouth in all part of the country in recent weeks according to Dr. J. M. Wisan, Dental Health Consultant of the New Jersey State Department of Health. Unclean drinking glasses and eating utensils are a prime hazard. Low body vitality, poor nutrition, and oral defects make infection more probable.

Dr. Wisan warns that Trench Mouth increases under wartime conditions. Precautions against its spread should be intensified at this time.

DR. A. L. CHAPMAN

POINT RATIONING

Point Rationing of canned and bottled fruits, vegetables and soups, fruit and vegetable juices, and processed fruits and vegetables begins on March 1.

Distribution of War Ration Book Two will take place in schools for six days beginning February 22. An adult member of your family can register for the entire family. He must bring to the school with him all copies of War Ration Book One in the possession of the family, a count of all 8-ounce or larger cans or bottles of fruit, vegetables, soups, and fruit and vegetable juices in the possession of the family. This does not include home-canned foods. He must also be prepared to state the number of pounds of coffee in the possession of the family as of November 28, when coffee rationing began.

Retail sales of these canned and processed foods will be "frozen" from midnight, February 20, until rationing begins on March 1.

DRIVING WITHOUT CARDS — Thomas Sutherland, Arch street, Palmyra, came to grief in Riverton last week when he was arrested by Officer John Robinson on several charges.

Sutherland, it appeared, had purchased a car from Arthur Birkhead. After the purchase, he installed a new engine, but neglected to have the ownership transferred. Unfortunately, also, he had no driver's license, but along with Birkhead, decided to take a ride, ostensibly to have the car registered under his name. At this point the law intervened and the trip came to an abrupt end.

given in the auditorium. During the soup drive that followed, we collected approximately 1,000 pounds of rubber and metal. Another drive has been planned for the spring.

Home Nursing Class — When our Junior Red Cross was organized, the girls of the seventh grade asked for a class in Home Nursing. Many problems had to be solved before the class could be organized. We were fortunate in securing an instructor, the necessary class room and equipment, and a satisfactory schedule which did not conflict with the other school activities. The girls have been very much interested in the work and have received valuable information through the various lectures, discussions, and demonstrations. They expect to finish the minimum 30 hours about the first of May and hope to receive the Red Cross Certificate upon the completion of the course.

Cookies for Soldiers — The fifth grade class, with the help of our Parent-Teacher Association president, Mrs. Elwood J. Haines, spent the morning of January 22 making cookies for the soldiers at Fort Dix. A delicious cookie was the result of a sugary recipe. The children had a delightful time working in the domestic science room. Boys and girls alike donned their white caps and aprons and went to work. It was a very enjoyable experience and resulted in about 200 cookies which were sent to our Junior Red Cross Chairman for distribution at Fort Dix.

Purchases War Bond — Miss Elizabeth C. Hassell and her seventh grade boys and girls have planned to make a substantial contribution to the Red Cross. To raise funds for this project, they have made and sold novelty lapel pins.

The Staff Assistance Corps of the American Red Cross of the Burlington County Chapter is planning a course of lectures to be given at the Chapter House, 103 Warren Street, Beverly, beginning Wednesday evening, February 24th, up to and including Wednesday evening, March 24, 1943. Roll call will be promptly at 7:45 and the lectures starting at 8:00 sharp. Each lecture period will be three hours.

The primary purpose of the Red Cross Staff Assistance Corps is to provide a staff trained to do the clerical, secretarial, and administrative work that is a necessary part of regular chapter activity. The objectives, training, organization, activities and uniforms of the services are carefully outlined and the relationship of this service to the other volunteer services is carefully explained in detail.

This course definitely outlines the origin and history of the National and Chapter organizations and also the various special services offered the public by the American Red Cross.

Anyone interested in taking this course, kindly get in touch with your local chairman who in turn will send application to Mrs. W. W. Weller, 428 Cooper St., Beverly, N. J., chairman of the Burlington County Staff Assistance Corps. Those desiring to take the course must register at the first meeting and must attend all lectures as this is a simplified course due to present day conditions.

BURLINGTON COUNTY HOSPITAL REPORT

Annual reports were given at the January meeting of the board of directors of the Burlington County Hospital. The sewing committee reported that 15 groups in the county had made a total of 3,500 new articles, and the mending group had repaired 17,500 articles.

The report of the Social Service department said in part: "Our survey discloses curtailments, postponements and limitations of service which we have never had to experience before and which spell not progress but a retardation of our services. It is our adaptation to the war effort. Instead of doing all we think should be done for those in need, we try to evaluate each situation and by comparison, determine which is the most in need of some particular service, because now we cannot give to all but to those whose need is most pressing."

"Heretofore, we have tried to see that our clinic patients for whom tonsil operations had been advised, were brought in to the hospital as promptly as possible and this service rendered them. This year, due to depletion of staff, we had to practically discontinue this service."

"We have also had to curtail our admissions on maternity ward. This was deemed necessary due to lack of space and the very definite increase in requested admissions. We are accepting all first confinement cases and all cases where hospital care is definitely indicated because of anticipated difficulty. We realize that this is far from our ideal and contrary to that which we previously recommended, but necessity does not allow for idealism."

Clinic Attendance
"Clinic attendance has also been gradually decreasing throughout the year. The reasons for this are easily understood. The increased income in many families enables them to have their own family doctor in attendance, and the other reason is the lack of transportation to and from the clinic, which cannot be remedied at this time."

"The demand to help adults in need of orthopedic appliances increased this year. In some cases our help has taken the form of a loan and the patient himself has been able to repay us when he has been able to return to work—work which was made possible for him through the use of the appliance."

"The service of supplying drugs and medications to those patients who

who cannot afford to buy them at the drug store has continued. Our outlay for drugs this year has been only a little less than last year and we feel this is indicative of the fact that most of our diabetic patients are those who will chronically need our help and will be dependent indefinitely upon us for this aid.

"The proximity of Fort Dix and the movement of troops has brought to our doors patients from different parts of the country—wives and families of men in the Service. Naturally, if they need our care and attention they get it. However, we usually ask the Red Cross to assist us in any of their social problems as this is the agency designated by the Government to follow them through wherever they go.

"We have had our ups and downs this past year and we are bracing ourselves for whatever may come, but with the support of the community, we can weather the storm."

POWERS WILL SERVE ON NEW COMMITTEE

Congressman D. Lane Powers has been appointed ranking Minority Member of the five-man subcommittee of the House Appropriations Committee which will determine the guilt or innocence of Government employees accused of un-American activities.

The appointment of the New Jersey Member was made by Congressman John Taber, of New York, who is ranking Minority Member of the entire Appropriations Committee. The complete sub-committee membership is: For the Majority—John H. Kerr, of North Carolina; Albert Gore, of Tennessee; Clinton P. Anderson, of New Mexico; For the Minority—Powers and Frank B. Keefe, of Wisconsin.

Because of the pressure of work Congressman D. Lane Powers had asked that he not be appointed to the new sub-committee. He is ranking Minority Member of the War Department Appropriations sub-committee, and also of the Legislative-Judiciary sub-committee. Both of these committees will begin hearings soon. The necessity of attending these hearings, together with an increase of his regular Congressional mail, was given by Powers as his reason for not wishing to serve. Congressman Taber had insisted Powers accept the appointment, because of his years of experience in Appropriations Committee work.

"I deeply appreciate the honor Congressman Taber has given me," Powers declared in a statement issued today, "and I shall make every effort to judicially discharge my new duties without neglecting my other committee and office work."

COUNTY SALVAGE DRIVE

Revamped plans for a county-wide concerted effort to salvage all war-time materials needed by industry, were announced this week by Royston D. Engle, of Moorestown, who has been appointed Burlington county salvage chairman.

Engle pointed out that the program will not interfere with efficient programs already under way in individual communities, where salvage chairmen of Local Defense Councils are heading drives for various needed materials. It is planned, however, to coordinate all activities in an effort to scour the county for tin, household fats, iron and steel scrap, rubber, paper, rags and silk—all needed in war production.

A county committee, composed of men and women who will head various phases of the continual drive for salvage materials, has been appointed by Engle.

George A. Darlington, of Moorestown, county Boy Scout executive, will head the tin drive, and Boy Scouts throughout the county will concentrate on this phase of the program. Mrs. Harry T. Perinich, of Mt. Holly, will head the drive for household fats, which will, as formerly, be taken by housekeepers to their grocery stores.

County Farm Agent Daniel L. Kessler, of Moorestown, will be in charge of the iron and steel scrap drive; Alexander Denbo, Burlington attorney, the rubber collection; and former Senator Emmor Roberts, of Vincentown, the paper, rags and silk collection.

The committee will work with local committees in planning methods of getting out the scrap materials, and encouraging those patients who

TWENTY-SIX five-man crews of "New Jersey Bell" telephone linemen have just returned from Upstate New York where for weeks they worked with crews from eight other States replacing telephone poles and lines torn down by sleet and snow.

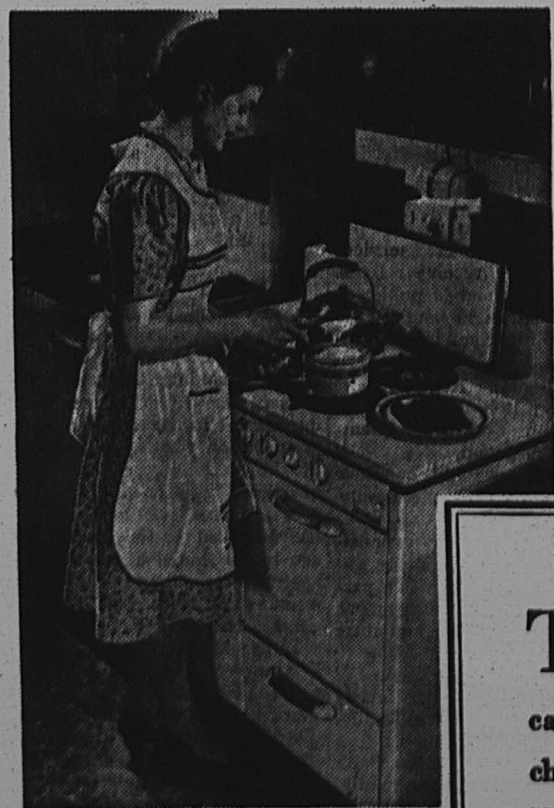

Skill FOR WARTIME SERVICE

SLEET STORMS, floods, even hurricanes as in 1938, have tested and proved the skill of the telephone lineman. This ability he is now using in the emergency created by war.

The telephone system is serving at or near capacity and cannot be enlarged because of war needs for materials. What lines there are must be cleared of troubles as quickly as possible and kept in condition to carry necessary calls.

This job the linemen are doing—working closely with test men, repairmen and central office technicians—to make the telephone do its utmost to speed the victory.

WAR BONDS ON SALE

About Town

Mr. and Mrs. David G. Symon, formerly of Riverton, who now reside in Miami, Florida, write that they enjoy getting The New Era and reading about the various activities in this section.

Corporal Harry F. Jones, Jr., son of Mr. and Mrs. Harry F. Jones, of 605 Bank avenue, Riverton, has been graduated from the Anti-Aircraft Artillery School, Officer Candidate Division, Camp Davis, N. C. and has been commissioned a Second Lieutenant.

Lieutenant Commander Howard Stackhouse, U. S. N., a former resident of Palmyra and Riverton, visited friends and relatives here over the past week-end.

Mr. and Mrs. Walter D. Lamon, of Palmyra, recently visited their son,

Captain Walter D. Lamon, Jr., at Fort Bragg, N. C.

Cadet Hilton Moore Smith, Jr., of 406 Linden avenue, Riverton, has completed the initial step in his training as a Naval Aviation cadet at the Navy Pre-Flight School here, and has been transferred to the Naval Reserve Aviation Base at Anacostia, D. C., for primary flight instruction.

Cadet Smith was one of 272 cadets to be graduated from the Chapel Hill school on February 3, 1943, after three months of intensive training designed to prepare the cadets for combat flying to come. In addition to the important physical toughening phase, the Pre-Flight course includes military drill, and instruction in Naval customs and basic ground school subjects.

Cadet Smith now faces three months of primary flight instruction and then three months of advanced training, before winning his wings in the Navy's air service.

CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist
Thomas Ave. at Seventh St.
Riverton, N. J.

Sunday School, 9:30 a.m.
Sunday Services, 11:00 a.m.
Wednesday, 8:00 p.m.

Reading Room in Church Building,
Thomas Avenue and Seventh Street,
Riverton, open Friday, 2:30 to 4:30
p.m.

"Mind" is the Lesson-Sermon sub-
ject for Sunday, February 21, in all
Christian Science Churches and So-
cieties throughout the world.

The Golden Text is: "The Lord of
hosts hath sworn, saying, Surely as
I have thought, so shall it come to
pass; and as I have purposed, so shall
it stand." (Isaiah 46:4)

Among the Lesson-Sermon cita-
tions is the following from the Bible:
"Blessing unto the Lord; for he hath
done excellent things; this is known
in all the earth." (Isaiah 12:5)

The Lesson-Sermon also includes
the following passage from the Chris-
tian Science textbook, "Science and
Health with Key to the Scriptures,"
by Mary Baker Eddy: "Having one
God, one Mind, unfolds the power
that heals the sick, and fulfills these
sayings of Scripture, 'I am the Lord
that health thee,' and 'I have found
a ransom.'" p. 276)

BETHANY EVANGELICAL
LUTHERAN CHURCH

Broad Street and Morgan Avenue
The Rev. Harold Lee Rowe, Pastor

Sunday, February 21—Septuagesima
Sunday—Children's Church. Pastor
Rowe's sermonette for the chil-
dren will be, "A Lad and His
Lunch."

10:00—The Church School session.
11:00—The Service. The Pastor
will speak on the theme, "Creden-
tials for Greatness." The Choir will
sing Gounod's anthem, "Send Out
Thy Light."

7:00—The Intermediate Luther
League will meet at Florence Cal-
kin's home with Virginia Frank as
leader.

Next Sunday, February 28—Holy
Communion at The Service. Baptism
of Infants.

Monday, November 22, The
Church School Officers and Teach-
ers will meet at Ingrams' at 8:00.

GOOD FELLOWSHIP CLUB
WILL ENTERTAIN

The regular monthly meeting of
the Good Fellowship Club, of Cal-
vary Presbyterian Church, will be
held at the Palmyra Woman's Club
305 E. Broad Street, Palmyra, on
February 19th, at 8 p.m.

The committee in charge of the en-
tertainment is Mr. and Mrs. Robert
G. Adams, Mr. and Mrs. Archibald
G. Smith, Mr. and Mrs. Wm. Evans,
Mr. and Mrs. Harry R. Gail and Mr.
and Mrs. John Wright. The mem-
bers of the club are assured of the
usual evening of fun and fellowship.

CALVARY PRESBYTERIAN
CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

"Home Sunday" will be observed
at the Calvary Church next Sunday
morning.

All families associated with the
Church are requested to be on hand
at 10 o'clock. Opening devotional
exercises will be held in the Church
School auditorium, after which fam-
ily members will go to the Men's Bible Class
in the North Transept, mothers will
attend the Ladies Bible Class in the
Church Parlor, young people and
children will go to their regular
Church School classes in the various
Bible departments.

Following the Church School, fam-
ilies are asked to meet again and at-
tend Divine Worship in family
groups, as far as this is possible.
Smaller children will be cared for in
the Church Nursery, with Miss Har-
old Stevens and Miss Joan Bailey in
charge.

The "Home Sunday" sermon topic
will be "The Family Altar" while the
choir will render Wooler's anthem,
"Heaven is Not Far Away." The
Men's Bible Class will be taught by
Mr. James Wright.

At 7 o'clock Sunday evening the
three Christian Endeavor groups will
meet. Devotional exercises will be
conducted by Jean MacDaid, while
program leaders will be as follows:
Senior, William Good; Intermediate,
Joan Bailey; Junior, George King.
At 8:15 Sunday evening the Dis-
trict Captains of the Every Member
Participation program will meet in
the Manse. Every Member Visita-
tion has been set for Sunday, March
14.

The first full "Church Night" will
be held on Wednesday evening next,
February 24. The gymnasium will
be open from 7 to 8 for all young
people associated with the Church
School or Christian Endeavor. From
eight to nine the "Calvary Forum
Hour" will be observed, and the mid-
week hour of Christian fellowship,
song, prayer and discussion has al-
ready proved an outstanding success.
At the conclusion of the discussion
hour the gymnasium will again be
open to all adults. Mr. Fred Love-
joy, who is in charge of this part of
the program, has already laid out a
badminton court and a shuffleboard
court. Other games can also be
played. We are expecting everyone
who is free to take full advantage of
this Wednesday evening opportunity
for study, discussion, song, prayer,
fellowship and recreation.

The stated monthly meeting of the
Women's Missionary Society will be
held in the Church School auditorium
on Wednesday, March 3. Luncheon
will be served at 1 o'clock,
with Mrs. Charles Yost as chairman
of the luncheon committee. Follow-
ing the luncheon, Mrs. F. Cummings
will present a play entitled, "An
African Village Trial." All ladies of
the Calvary Church family are cor-
dially invited.

CENTRAL BAPTIST CHURCH

Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor

We are all looking forward to the
time when this war will be over and
when peace will be declared. How
to establish peace? By what method
may it become perpetual? What can
we as individuals do about it? So-
lutions to these questions and plans
are being offered by many today but
it all resolves itself down to one sim-
ple formula—let the individual live at
peace with his neighbor. This re-
quires tolerance, unselfishness and
service. This is accomplished when
the individual heart is made right,
and that only comes through a di-
vine source which should be recog-
nized by every individual. No mat-
ter how well a peace plan may be
laid, the individuals and countries in-
volved need that change of heart and
the sustaining influence to make it
work. Just as soon as we, as indi-
viduals, recognize this fact and learn
how to get along with our neighbors
world peace will become practical
and a reality. You can get the truth
about living at peace with your
neighbor by attending your church.
The doors of "Central Baptist" are
always open to visitors or for those
without church affiliations. Come
and it will do you good.

Services, Sunday, February 21.
Bible School, 10 a.m.

Morning Worship, 11:15 a.m.—A
timely subject has been selected by
the Pastor for the morning subject.
It will be "Challenge to the Soldiers."

"By the Waters of Babylon" by
Howell, will be the anthem to be ren-
dered by the choir. Mrs. James
Seither and Mr. Edward Hoyt will
sing a duet, "I Heard the Voice of
Jesus Say," by Rathburn.

B.Y.P.U.—Jr. and Sr. The Juniors
will meet in the Junior Department
room while the Seniors will convene
in the Main School room.

Evening Worship, 7:45 p.m.—A
special musical number has been ad-
ded to the evening program in the na-
ture of a quartette by Mrs. George
Mack, contralto, Mrs. Randolph
Woodard, soprano, and Mrs. James
Seither, soprano. They will sing
"Abide With Me."

The Pastor's subject will be "When
God Dares." The choir will sing the
anthem, "I Sought The Lord" by
Stevenson.

Wednesday, 8 p.m.—Mid-week
Prayer and Praise Service which you
will always find interesting and pro-
fitable. Come out and bring your
friends.

The "Home Sunday" sermon topic
will be "The Family Altar" while the
choir will render Wooler's anthem,
"Heaven is Not Far Away." The
Men's Bible Class will be taught by
Mr. James Wright.

At 7 o'clock Sunday evening the
three Christian Endeavor groups will
meet. Devotional exercises will be
conducted by Jean MacDaid, while

WESLEYAN MEN'S BIBLE
CLASS

EPWORTH METHODIST
CHURCH

Men of the community are invited
every Sunday morning at 9:45 and
for only one hour. The teaching staff
comprises men of various faiths.

Rev. Robert W. Matthews will ad-
dress the class this Sunday.

RED CROSS NOTES

Don't forget the Victory Book
Campaign. Bring your books for the
soldiers and sailors to the library or
to the Red Cross office on Main
Street. We need more books from
Riverton.

On February 10th a meeting was
held at Beverly for the workers in
the War Fund Drive. Those from
the Riverton Branch who attended
included Mrs. Nathan Lane, branch
chairman, Herbert Kieckhefer, chair-
man of the War Fund Drive and of
the special gifts committee, Mrs.
Richard Lippincott, chairman of
house to house canvases, and Mrs. R.
Hull, publicity. The Riverton
quota has been set at \$8,000.00. 65
per cent of this money goes to aid
the men in the Armed Forces and
their families. It is hoped everyone
in Riverton will contribute gener-
ously so we can make our usual good
showing.

A series of lectures for the Staff
Assistants Corps will be given at the
Chapter House in Beverly on Wed-
nesday nights from February 24 to
March 24, inclusive. The roll-call
will be at 7:45 and the lectures will
be from 8 to 11. This will be a sim-
plified course. More workers are ur-
gently needed, especially those who
can type. Leave your name, address
and telephone number at the Red
Cross office if you can attend. The
tentative schedule is as follows:

CHRIST CHURCH, EPISCOPAL

Riverton, N. J.
The Rev. Francis B. Downs, Rector

Septuagesima
February 21, 1943.
8:00—Holy Communion.
9:45—Sunday School.
11:00—Morning Prayer and Litany.
7:30—Young People's Fellowship,
continuation of the program on Latin
America.

Wednesday, February 24.
St. Matthias Day—
Holy Communion—9:30.

BISHOP GARDNER HERE
FOR CONFIRMATION

The Right Reverend Wallace J.
Gardner, bishop of the Episcopal
Diocese of New Jersey has again
selected Christ Church, Riverton, as
the place for Confirmation for this
district. The bishop will be present
to administer this rite of the Church
on Sunday afternoon, February 28, at
4:00 o'clock.

The confirmands will come from
St. Stephen's, Beverly, and Christ
Church, Palmyra, as well as the
home parish. Many will remember
from previous visits, what a brilliant
and forceful speaker the bishop is
and will therefore want to hear him
as well as to see, and participate in,
the service of confirmation. In or-
der to be sure of a place, as well as
to enjoy the organ prelude, it is urged
that the congregation come early.

SPEAKS ON CHRISTIAN
SCIENCE AT B. & P. CLUB

S. S. Ball, of East Orange, was the
speaker at the meeting of the local
Business and Professional Men's
Club on Tuesday of this week, his
topic being "Christian Science." Mr.
Ball, who is chairman of the Chris-
tian Science Committee on Publica-
tion in New Jersey, has also been a
Christian Science Practitioner for a
number of years. He was introduced
by George Becton, a member of the
First Church of Christ, Scientist,
Riverton and also a member of the
club.

In his talk, Mr. Ball defined Chris-
tian Science and told how it works,
explaining the tenets of the church.
He said that it was discovered by
Mary Baker Eddy in 1866 and that
the first church was founded in 1879.
Now there are 2,600 churches in all
parts of the world. These are branch-
es of the Mother Church, the First
Church of Christ, Scientist, of Bos-
ton, Massachusetts.

WESLEYAN MEN'S BIBLE
CLASS

EPWORTH METHODIST

SPECIAL NEWS!
Members of Washington Camp,
No. 23, are invited to attend services
at Epworth Methodist Church, Pal-
myra, Sunday evening, February 21.
It is wished that, as this is now a
time of war, that a large representa-
tion of members be present to hear
the message of the pastor.

Members will assemble in the lec-
ture room of the church at 7:30

This is the official declaration which consumers will be required to fill
out before they receive War Ration Book Two, the point rationing book.
To save time at registration, every applicant should clip this declaration out,
fill in the answers, and bring it with him to the registration site.

CONSUMER DECLARATION
Processed Foods and Coffee

I HEREBY CERTIFY that I am authorized to apply for and receive a
War Ration Book Two for each person listed below who is a
member of my family unit, or the other person or persons
for whom I am acting as agent, and who are entitled to the
benefits of the War Ration Book One I have submitted to the Board.

That the name of each person and number of his or her War
Ration Book One are accurately listed below:

That none of these persons is confined or resident in an institu-
tion, or is a member of the Armed Forces receiving subsistence
in kind or eating in separate messes under an officer's
command:

That no other application for War Ration Book Two for these
persons has been made:

That the following inventory statements are true and include
all indicated foods owned by all persons included in this
Declaration:

Coffee

1. Pounds of coffee owned on November 28, 1942,
minus 1 pound for each person included in this
Declaration whose age as stated on War Ration
Book One is 14 years or older.

2. Number of persons included in this
Declaration whose age as stated
on War Ration Book One is 14
years or older.

Canned Foods

Include all commercially canned fruits (including spiced)
canned vegetables, canned fruit and vegetable juices, canned
soups, chili sauce, and catsup.

Do not include canned olives, canned meat and fish, pickles,
relish, jellies, jams, and preserves; spaghetti, macaroni, and
noodles; or home-canned foods.

3. Number of cans, bottles, and jars (8-ounce size or
larger) of commercially packed fruits, vegeta-
bles, juices and soups, chili sauce and catsup
owned on February 21, 1943, minus 5 for
each person included in this Declaration.

4. Number of persons included in this
Declaration.

The name of each person included in this Declaration and the
number of his or her War Ration Book One is:

Print Name Number

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

If additional space is needed, attach separate sheet

NOTES—Section 2 (A) of the
United States Criminal Code makes
it a criminal offense, punishable by
maximum of 10 years imprisonment,
to make, or attempt to make, or
to aid another in making, or to
aid another in attempting to make,
any document or signature of
any department or agency of
the United States.

U. S. GOVERNMENT PRINTING OFFICE: 1942-4244-1

Paul P. Harris

Each year in February the Rotary
Clubs of the world pay homage to
the founder of this great international
organization, Paul P. Harris, its
President Emeritus. Born in Racine,
Wisconsin, Mr. Harris was educated
in the public schools and academies
of Vermont and attended the Uni-
versities of Vermont, Princeton and
Iowa, receiving the degrees Ph.B.,
LL.B., and, later, LL.D.

After completing his law course
in 1891, he spent the following five
years in seeing the world. He worked
as a reporter on daily papers in San
Francisco and Denver, rode the
range in the cow country, picked
oranges in southern Louisiana, sold
marble and granite, crossed the At-
lantic twice on cattle ships, and made
a third trip to Europe on business.

In 1896 he felt he had gained suf-
ficient knowledge to be of service to
his clients and opened a law office
in Chicago. He had neither friends
nor relatives in that city. He had
much time for reflection, and in 1905
as a result of his studies, he called
together a few of his friends, each
one of whom was engaged in a dif-
ferent line of business, and expounded
his theory to them. This group
was the nucleus of the Rotary Club
of Chicago, which was founded Feb-
ruary 23, 1905. Through the propa-
ganda of Paul Harris, this novel or-
ganization soon had counterparts in
other cities in the United States.

After a few years, the necessity for
some organization to bind together
these different clubs became appar-
ent. In 1910, Paul Harris, Chesley
Perry, and others organized the Na-
tional Association of Rotary Clubs,
composed of the 16 clubs then in ex-
istence in the United States. Paul
Harris was elected the first president
and Chesley Perry the first secretary.
In 1912 this was renamed the Inter-
national Association of Rotary Clubs,
and shortened in 1922 to Rotary In-
ternational.

FACTS ABOUT NEW
WAR RATION BOOK

With the date for the distribution
of War Ration Book Two to every
man, woman, and child in the State
set for the six-day period beginning
February 22, James Kerney, Jr., State
Director of OPA outlined plans for
the distribution procedure, and ad-
vised housewives on how Point Ra-
tioning operates.

Kerney pointed out that there
would be no retail sales of the ra-
tioned canned and processed foods
from midnight February 20 until
March 1, when sales would be re-
sumed under the Point Rationing
system. He emphasized that with
Point Rationing the housewives of
America would assume one of their
most important and vital wartime
jobs—that of food management and
budgeting in the interests of balanced
nutrition. He said:

"Food Is Potent Weapon
"Food is one of the most potent
weapons in this war. Fighting men
in North Africa, Guadalcanal, and
Russia need food to win; builders of
planes and tanks in the factories of
our Allies all over the world need
food for the strength to out-produce
the Axis. That's why we have to
have Point Rationing—to assure a
fair distribution of the foods left for
us at home.

"Point Rationing makes the house-
wife the high command and supreme
strategist in the use of this weapon
in each home. Points are her am-
munition—48 expendable points to
use each month to guard the health
and strength of each member of her

family. Every point she expends
must bring her maximum returns in
healthful nutrition and variety. The
points are expendable—but the health
and strength of our children, our war
production workers, all of us on the
home front, must be maintained. This
is the formidable responsibility of the
housewife under Point Rationing—
this she must achieve by carefully
planning and budgeting the use of
her points in purchasing the rationed
foods. This is her greatest contribu-
tion to the coming victory."

Use of Book
Registration procedure and use of
War Ration Book Two in Point Ra-
tioning were outlined as follows:
1. War Ration Book Two will be
used to purchase the rationed pro-
cessed foods under Point Rationing
which starts on March 1.

2. The new ration books will be
distributed in the schools through-
out the State from February 22 to
28. Every man, woman, and child
who possesses Ration Book One will
receive Ration Book Two. One per-
son may register for the entire fam-
ily. He must bring with him all the
War Ration Books One of the fam-
ily, a count of all 8-ounce and larger
cans or bottles (except home-canned)
over five per person, of fruit, vegeta-
bles, fruit and vegetable juices, and
soups in the possession of the family;
also a count of the number of pounds
of coffee in the possession of the fam-
ily on last November 28 when the
coffee rationing program began.

3. On and after March 1, take your
Ration Book Two with you when you
go to buy any kind of processed
foods (canned or bottled fruits, vege-
tables, fruit and vegetable juices, and
soups; frozen fruits and vegetables,
and dried fruits).

4. Each store will have a poster
listing the official point values of
each rationed food. It will be ex-
actly the same in every store in the
country.

5. The first three rows of stamps in
your book—the rows marked A,
B, and C—are good during the month
of March. (Only the blue stamps
will be used for canned goods and
processed foods. The red stamps will
be used later for meat.)

6. When you buy, take the right
amount of blue stamps out of the
book. Do this in front of your gro-
cer or delivery man and hand them
to him.

7. Do not use more stamps than
you need to make up the right am-
ount. For example, if the food you
buy calls for 13 points it is better
to tear out an 8-point and a 5-point
stamp than two 5-point and a 2 and
a 1-point stamp. Save your smaller
point stamps for low point food. You
can take the stamps from more than
one book belonging to your house-
hold if you need to.

8. You may use as many of the
blue A, B, and C stamps as you wish
at one time. When they are used
up you will not be able to buy any
more of these processed foods till
the next stamps are good.

9. In order to make certain you
use your stamps wisely, so that you
will have enough points to last
through the month, keep a record
of what quantities of the canned
goods you use each week. Then you
can make up a point budget on this
basis.

For example, suppose you find (for
a family of four) that you use two
cans of beans, two cans of tomatoes,
three cans of peas, three cans of fruit,
four cans of fruit and vegetable
juices, and six cans of soup a week.
That makes a total of twenty cans.
On a percentage basis this amounts
to: vegetables, 35 per cent; fruit, 15
per cent; soup, 30 per cent; and juices
20 per cent.

BOROUGH OF RIVERTON BUDGET, 1943

BE IT RESOLVED by the Mayor and Council of the Borough of Riverton, County of Burlington, that the budget shall constitute an appropriation for the purpose stated, of the sums therein set forth as appropriations, and an authorization of the amount of \$66,223.18 for local purposes to be raised by taxation and certification to the County Board of Taxation of the following summary of general revenues and appropriations:

| | 1943 |
|--|-------------|
| General Revenues | \$12,000.00 |
| Surplus Revenue Appropriated | 12,781.00 |
| Miscellaneous Revenue Anticipated | 15,000.00 |
| Receipts from Delinquent Taxes | 15,000.00 |
| Amount to be Raised by Taxation for Local Purposes not including School Debt Service | 26,223.18 |
| Total | \$65,974.18 |
| General Appropriations | \$44,428.80 |
| (a) Administration | 200.00 |
| (b) Contingent | 1,618.25 |
| (c) Interest and Debt Redemption Not Including School Debt Service | 1,518.12 |
| (d) Delinquent and Statutory Expenditures | 18,410.92 |
| Total | \$65,974.18 |

It is hereby certified that the budget annexed hereto and hereby made a part hereof is a true copy of the budget adopted by resolution of the governing body on the 11th day of February, 1943.

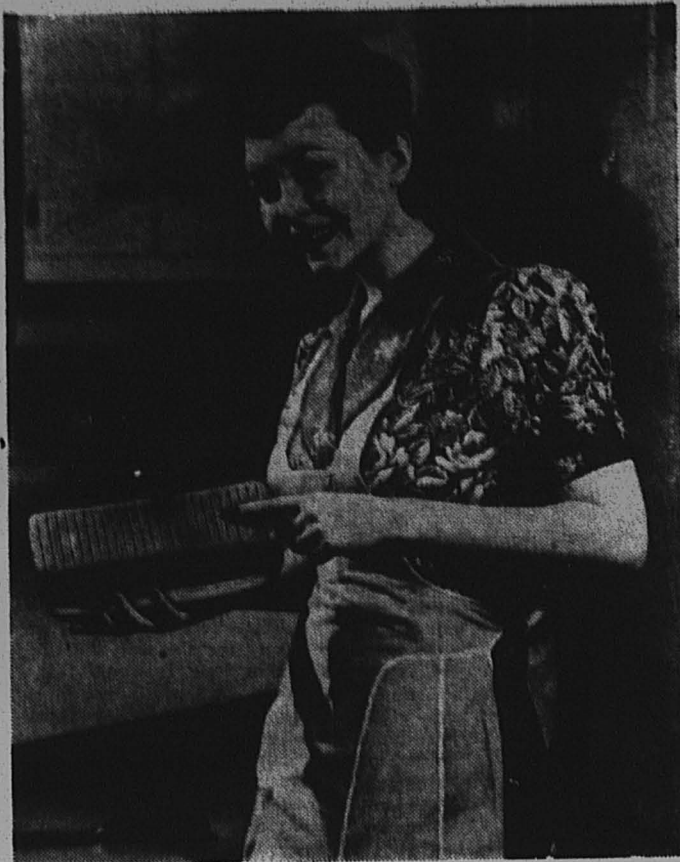

DANIEL M. CLIFTON, Clerk.

Certified by me

This 12th day of February, 1943.

PLAYING BROADWAY PALMYRA FRI. AND SAT., FEB. 19-20

BREAD SLICING MADE EASY

As a big help to housewives who must now slice the bread they use, a nationally known baking company has originated "slice-marking" of its bread. The young woman is pointing to a series of evenly spaced marks to guide the slicing knife. The result: slices of uniform size. The smooth texture of the bread prevents tearing or crumbling.

PUBLIC INVITED TO AIR WARDEN MEETINGS
The second of the new series of instructive and informational meetings sponsored by the Air Raid Wardens has been announced by J. W. Van Horn, Riverton Chief Air Raid Warden. This meeting will be held Friday evening, February 26.

The new program includes meetings to be held once a month in the auditorium of the public school with sessions scheduled for Friday nights as follows:
February 26
March 26
April 30
May 28

June 25

Features in this new series of programs will include speakers from important state and national government services connected with the war effort, pictures showing the operation of these services, films depicting news flashes and scenes released by the government on military and defense subjects and films showing the manufacture, production and operation of weapons for winning the war.

While the meetings are primarily arranged for the Warden Service other branches of the Civilian Defense Organization will find the programs of interest to them. Townspeople are cordially invited and urged to attend these affairs which will be general rather than restrictive in nature.

The March meeting will be under the direction of Charles T. Woolston, Zone Warden in charge of Zone 4. Russell M. Bigelow, Zone Warden in charge of Zone No. 2 will direct the one in April.

NOTICE

The annual meeting of the Palmyra Building & Loan Association will be held on Monday evening, March 1, 1943, at 9 p.m., in the office of the Association, 543 Cinnaminson Avenue, Palmyra, New Jersey, for the election of members of the Board of Directors and for the transaction of any other business that may come before the meeting. Polls open from 7 until 9 p.m.

WHAT MATTERS MOST
IS THAT HE GETS
THROUGH...

On Time!

He is Mr. America, 1943.

He is No. 1 man with us all.

Nothing we can do for him is too much, too good, compared with what he is doing for us.

That's why, with your railroads, he gets "priority rating" every time. Yes, and all the things he needs to help him bring back the Victory. Famous trains of peace days defer humbly to his troop trains, to the trains carrying his equipment—waiting on sidings while he and his buddies flash by... on time.

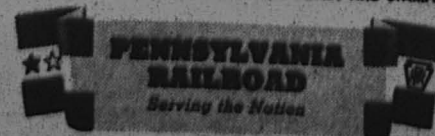

Every minute of night and day... twenty-four hours on twenty-four hours, the rails of America form a highway of Victory for him... to give right of way to millions of him, and his equipment, for the great job he is doing for us all.

For until that great hour of final victory comes, all

that matters now is that these splendid boys shall get through... ON TIME!

Meanwhile we shall continue to the limit of our ability and facilities to provide the best service possible under the circumstances for civilian passenger traffic, as well as freight traffic for civilian needs. The emergency task of hauling oil by rail continues as a job that must be met. If at times we do not match the fine job being done in moving troops, we believe all Americans will understand the circumstances, and will willingly subordinate personal interests to the imperative demands of war.

OBITUARIES

JEANNE G. PENNINGTON

Miss Jeanne G. Pennington, of 635 Thomas avenue, Riverton, died on Thursday, February 11.

Services were held on Saturday at 2:30 p.m. from the Snover Funeral Home.

Interment was made in Monument Cemetery, Beverly.

CHARLES T. O'REILLY

Charles T. O'Reilly, age 2, died on Saturday, February 13 in the Zurburg Memorial Hospital, Riverside.

Services were held on Tuesday at 11 a.m. from the Snover Funeral Home, the Rev. D. Roe Haney officiating.

Interment was made in Lakeview Memorial Park.

The deceased is survived by his mother, Mrs. Pauline O'Reilly, of Camden.

BRIEF ITEMS
from
ABOUT TOWN

P.F.C. Arthur L. Gowell, who joined the Marine Corps in August, 1942, and is stationed at Corpus Christi, Texas, is spending a 14 day furlough with his parents, Mr. and Mrs. Robert E. Gowell, 715 Main street, Riverton.

Miss Marie I. Wiseman, a member of the staff and Trust Officer of Cinnaminson Bank and Trust Company, left this week for duty with the WAACS.

Among the 63 students at the Philadelphia College of Pharmacy and Science receiving awards at a recent assembly for achievements in extra-curricular activities was Charles Robinson, of 211 Lippincott Avenue, Robinson, a freshman student majoring in chemistry, received recognition for participation in intercollegiate basketball and on Student Council.

The members of the board of directors of the Riverton-Cinnaminson Welfare Association meet in the office of the association on Tuesday night of this week.

A number of residents in this section are spending brief vacations in Florida where they are visiting friends or relatives in the various armed forces.

Air raid wardens in Riverton distributed notices of the new air raid test signals to residents of that community early this week.

ENGAGED

At a birthday dinner party on Wednesday evening, Mr. and Mrs. Clyde H. Horner, of 405 Elm avenue, Palmyra, announced the engagement of their daughter, Grace E. Horner, to P.F.C. Arthur Gowell, U.S.M.C., son of Mr. and Mrs. Robert E. Gowell, of Main street, Riverton. Mr. Gowell is stationed at Corpus Christi, Texas.

No date has been set for the wedding.

YMCA BRIEFS

Plans for Camps Ochanichon and Matolonequay at Medford, N. J., call for eight weeks this summer for the organized boys and girls camps instead of six, according to announcement by William H. Douglas, Executive Director. This was decided following several meetings in the interest of camp, including the Women's Committee and the Secretaries representing the four counties. It was also decided that the camp rate shall continue at \$14.00 per week and that the camp program be developed on a two-week basis.

The Burlington County Camp Promotion Committee also met recently and planned to make a special effort to have these camps more widely used by boys and girls of Burlington County since it is the desire of our government to have summer camps continue, for in the words of Paul V. McNutt, War Relocation Commissioner, they provide "Training in self-reliance, utilization of skills, love of nature and the outdoors—that no other institution in American life so adequately provides."

The Camp Promotion Committee also has recommended that YMCA Vacation Camps be organized in Burlington City besides continuing the one in Palmyra-Riverton.

Indications are that Camp Osceola will be continued again for colored boys at Green Bank, Burlington County.

The following people represent the Burlington County YMCA in relation to camp: J. Cresswell Stuart, Beverly; Louis Forsyth, Bordentown; L. R. Parsons, Mrs. S. Roger Oliver, Burlington; Miss Carolyn Gauntt, Jobstown; Howard M. Wills, Marlton; Everett H. Haines, Medford; Irving Hollingshead, Thomas J. R. Stewart, Henry F. Stockwell, John W. Thacher, Moorestown; Mrs. L. A. Hoyt, Mrs. R. O. Young, Palmyra-Riverton; Mrs. Charles S. Beckwith, Pemberton; John E. Kenney, Riverside and Clifford W. Ergood, County YMCA Executive Secretary.

LEARN ABOUT NEW AIR RAID SIGNALS

Air raid wardens and all members of the protective forces of Civilian Defense organizations have a task ahead of them in educating the public in the new system of air raid alarms and at the same time impressing upon every householder the necessity for preparing a blackout room within the home.

Leonard Dreyfuss, State Civilian Defense Director, said recently that under the new air raid alarm system issued by Major General Hugh A.

Men Wanted

Not subject to draft—for collecting, meter reading and field work. Experience not necessary. Must have driver's license. Permanent position. Riverton-Palmyra Water Co., 1 Morgan Avenue, Palmyra.

WANT ADS

WANTED TO BUY: Shotguns, revolvers, accordeons, musical instruments of all kinds. Kodaks, Radios and Binoculars. Joseph Rieder, 128 Market St., Phila. Lom. 3497. 1-14-2-18 6t

WANTED: clean wiping rags, free from lint. 5 cents per pound paid. The New Era, Inc., 609 Main St., Riverton.

PREPARE NOW! For that better job with better pay. Private shorthand instruction. Beginning and advanced. Repair and cleaning service for typewriters available. (Call Riverton 1441-W after 7 p.m.) 4t-2-4-3-4

WANTED: male or female clerk with bookkeeping experience. Permanent position. Apply Riverton-Palmyra Water Co., 1 Morgan Avenue, Palmyra, N. J.

INCOME TAX work done, all kinds. Also part time bookkeeping. 22 LeJune Road, Palmyra. Call Riverton 0301. 2-11-4t

WANTED TO BUY: Used washing machine. Phone Riverton 1494.

Drum of the Eastern Defense Command, which becomes effective February 17, the four million residents of the State will have to be educated, not only to distinguish between the two types of audible alarms but also what they must do when each is sounded.

"Every method of informing the public, including newspapers, radio, posters, will be used, but it will be primarily the duty of the Local Defense Council and its air raid wardens to see to it that every person within the community is acquainted with the new system and what to do when the sirens blow," Dreyfuss said.

New System

Under the new alarm system, a steady blast of two-minute duration will be sounded on the "blue" signal. This means that there is possibility of enemy plane attack. Lights in homes, office buildings and mercantile establishments must be blacked out on this alarm. Traffic will continue to move and pedestrians will also be permitted to travel. Street lights and traffic lights will also remain lighted as will the lights in essential war plants.

Traffic continues to move with lights on low beam. Civilian defense forces mobilize at mobilization centers.

When the "red" signal, indicating the immediate proximity of enemy planes, is received, a two-minute warbling blast of the sirens will be sounded. This means that all traffic ceases, pedestrians seek shelter, and all lights that were permitted to remain lighted when the first alarm was sounded, must be extinguished.

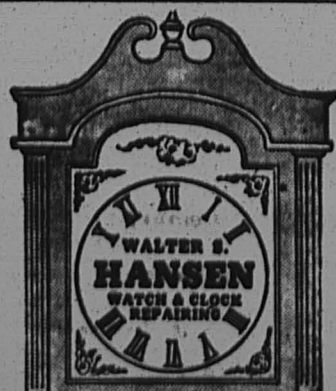

All Civilian Defense forces will mobilize on the first alarm and will aid pedestrians and others to seek shelter when the second alarm is sounded. They will also see that all lights are extinguished.

When the enemy planes have moved away from the immediate proximity the "blue" signal will again be given. This will again be the two-minute steady blast on the siren. A "blue" signal will always follow a "red." Hereafter the "all-clear" signal has been given.

When the steady, two-minute blast is heard after the two-minute warbling blast, street lights may go on.

again, pedestrians and traffic must move. Automobiles, however, must use the low or down beam headlights. Civilian defense units must remain mobilized until the "all-clear" signal is received.

Homes, offices and business places must remain blacked out but essential war plants may again turn on the lights or remove blackout curtains.

Homes, offices and business places must await an "all clear" signal which will come over the radio, before turning on their lights. Householders are advised to leave their radios turned on in order that they may receive word of the "all clear."

Telephone notice of the "all clear" will be sent from the control center to all mobilization centers.

Wardens suggest that under the new system householders should prepare at least one room in the house, properly blacked out, where they may remain in comfort while the blackout is underway. Under the new system, a practice blackout will probably last at least forty minutes and perhaps longer.

Under the new rules, however, certain types of controlled lighting is permitted in homes and buildings during a blackout, but "only when indoor incandescent lights are installed in accordance with directions, and are War Department standard."

Such lighting must conform to the following: Not more than fifteen watts; the bulb must have an opaque coating except for a circular spot at the bottom not more than 1 inch in diameter and this must be colored orange or orange-red. Only one such light will be permitted to each two hundred square feet of room space and

BAILS OUT OF PLANE

Machinists Mate Joseph L. Wallace parachuted to safety last week when the plane in which he was a member of the crew collided with another off Boston, according to a recent report. He is the son of Mr. and Mrs. Leon Wallace, of Palmyra.

Wallace floated down to the ocean where he was soon picked up and he suffered only minor injuries. Three others were killed in the crash.

He who believes in goodness has the essence of all faith. He is a man of "cheerful yesterdays and confident tomorrows."—J. F. Clarke.

There Are
NO PRIORITIES
On Our Personal Service

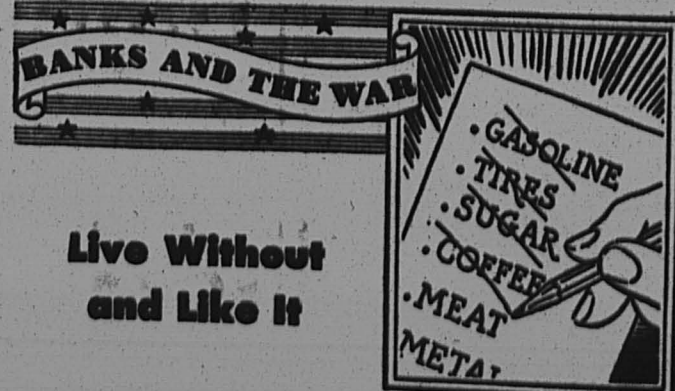

We show no favoritism in our impartial Service to the Living. Each family can select from a wide range of prices the amount to be spent.

We personally serve the family's needs with the utmost consideration, whether the highest or lowest price is paid and offer the unrestricted benefits of our professional experience and modern facilities.

BUY WAR BONDS AND STAMPS

Live Without
and Like It

THIS is the meaning of total war—that the home front and the fighting front pull together. It is not enough that men fight, and give their lives. This will be in vain unless the millions of Americans at home fight and give with them. Would you jeopardize Victory for a cup of coffee and another lump of sugar, for a fire and another gallon of gas? Would you want to hear again from some far-flung military outpost the words of defeat, "Too little and too late"? Or are you willing to drive less, drink less, eat less of certain foods, in the sure knowledge that we can achieve total victory only through total war?

HAS BAD DAY

Everett Morton, of East Riverton, unfortunately ran his car into a tree on Broad street, near Linden, on Thursday morning of last week, causing extensive damage to the machine. He was taken to Surbrugg Memorial Hospital but released shortly afterward when his injuries were found to be superficial.

Morton's troubles had only begun, however, for he was arrested by officer John Robinson of the Riverton police, who preferred the charges of reckless driving against him and also the one of operating a motor vehicle after revocation of driver's license.

The offender, it was brought out, had crashed into a Palmyra police car back in 1936, for which offense his license was lifted and had never been restored.

After a hearing Thursday night, Morton was assessed fines amounting to \$125 on both counts.

Altogether an unlucky day for Mr. Morton.

YWCA NOTES

The Burlington County Young Women's Christian Association opened its annual campaign for funds Tuesday under the general direction of Mrs. Alexander C. Wood, Jr., of Riverton. The drive will continue through March 2nd.

Community Chairmen and workers attended an open board meeting at the County YWCA office in Mount Holly Tuesday, when they received information and instructions for the campaign. A "Coffee Hour" preceding the meeting was in charge of Mrs. Richard Eckman, of Mount Holly.

SACRED HEART SCHOOL NOTES

Last Thursday, the monthly assembly of the pupils was conducted in the auditorium. Grade Five took part in the accompanying entertainment, which was opened with a salute to the flag, led by the Boy Scouts of the Parish. Recitations on Washington and Lincoln followed. The final number was a playlet entitled "The Lady of the Grotto." Sister Mary Angelus, Principal, presented honor roll certificates for highest merit marks in the mid-term examinations. Merit cards for diligence in study, punctuality and deportment were also awarded. The assembly closed with the Star Spangled Banner.

Pupils who received honor roll certificates were:

Grade 8—Lorraine Earley and Margaret Smith. Grade 7—Marie Arndt, Robert Steele. Grade 6—Alfred Hall, Virginia Hyton, Robert Montague, Mary Ellen Smith. Grade 5—Joan Coley, William Coley, Lillian Strohm, Robert Whaley. Grade 4—Margaret Haws, Henry Smith.

School Play
The annual school play will be presented April 15th and 16th. For the first time a printed program or year book will be issued. It will contain advertisements, a list of patrons and patronesses, criticisms and commendations by the parents of the children, photos of all graduates of the school now in the Service of our Country. It is hoped messages from those in the Service to the graduates may be incorporated in the year book. Arrangements will be under the direction of Sister Mary Angelus and Mr. Portie Wolfe.

Seven teams are entered in the Grammar School Boys' Basketball League, under the direction of Father Conn. They are using the court almost every day. Later games may be scheduled for the evenings in order that parents of the boys may see their sons in action.

CLARK-SCHNEIDER
Mr. and Mrs. Theobald Schneider, of Frankford, Philadelphia, formerly of Riverton, announce the marriage of their daughter, Miss Kathryn M. Schneider, to Robert J. Clark. The ceremony took place on Saturday, February 13, at the Frankford Memorial Methodist Church.

Millions of people believed in the political teachings of Thomas Jefferson, but when he advised farmers to contour their fields to stop soil waste, he didn't convince enough people to swing a township election. That is, he didn't until recently. Now farmers all over the country have begun to count up the cost of not following his advice.

TROOP 16 MAKES MOST OF BOY SCOUT WEEK

Troop 16 of Sacred Heart Parish was busy this past week keeping up with the plans made for it by the troop committee.

The troop consists of 22 boys who made an excellent record of attendance at each of the affairs planned for them.

Monday night was Dad's night. The fathers of the boys took them to moving pictures, wrestling bouts or other places of amusement, each according to his own desire. The boys and the Dads got more of a kick out of the evening than they expected.

Tuesday night, the boys were entertained by the management of the Broadway Theatre in Palmyra.

Wednesday night, a father and son dinner was served at the Riverton Country Club. This night there was a full attendance of the boys and their fathers. The speakers were Rev. Wm. F. Quinn, Pastor of the Sacred Heart Church; Rev. Francis J. Coan, Curate; Commander J. B. Ryan, charge of Civilian Personnel, Philadelphia Navy Yard; "Lena" Blackburne, coach of the Philadelphia Athletics; Mr. Lore, District Commissioner; Mr. Darlington, county executive secretary; and master of ceremonies was William B. Colsey, chairman of the troop committee.

William Gibson, Scoutmaster, awarded Tenderfoot pins to eight boys, and four boys received second class scout pins. Thirteen boys received one year's service stars. After dinner, movies were shown by Mr. Darlington, who also led the singing. William J. Lynch, Riverton, was the chairman of the banquet committee.

Thursday night, the troop basketball team played Riverside Park, the score being: Riverton, 23, Riverside Park, 21. The game was hotly contested. The parents were invited to attend the game and a good cheering section was the result.

Friday night, the boys were taken to the Broadwood Athletic Club Pool, for a swim. Several boys passed their swimming tests. The swim was so successful that the troop committee will endeavor to make this a regular feature.

The boys are intensely interested in their scout work and very enthusiastic about basketball and swimming.

The troop committee and scoutmaster meet the third Tuesday of each month at the homes of the members. Plans are being formulated to keep the boys busy throughout the year so that enthusiasm shall not lag.

The government will buy one-fourth of the nation's food production in 1943 for war purposes.

Soil erosion hurts crop yields. Agricultural workers at Beemerville, N. J., discovered that corn planted across the slope of a field in a manner that prevents erosion produced 16 tons of green silage feed for cattle per acre, while corn right next to it, that was planted without regard to erosion, produced only 13 tons.

WILL ESTABLISH NEW STORE HOURS

After meeting several weeks without arriving at a definite decision regarding retail store hours under the "Economy for Victory Program," members of the local Retail Dealers' Clinic decided Tuesday night to take definite action at a session to be held next Tuesday at 8:30 in the ration board headquarters, Palmyra. Local dealers favor such a voluntary move before OPA makes it compulsory.

In order to have something concrete to place before the members, it was planned to offer the following tentative plan in regard to hours that stores of various types will remain open. Retailers are reminded that this plan is subject to revision and are urged to be present next week in order to express their approval or disapproval.

The suggested hours are:

Food Stores—
9 a.m. to 6 p.m. Monday, Tuesday, Thursday.
Closed all day Wednesday.

9 a.m. to 9 p.m. Friday and Saturday.

Drug and confectionery—
9 a.m. to 10:30 p.m. Monday to Thursday.

9 a.m. to 11 p.m. Friday and Saturday.

Sunday hours to be decided.

General stores—
9 a.m. to 6 p.m. Monday, Tuesday, Thursday.

Close at noon Wednesday.
9 a.m. to 9 p.m. Friday and Saturday.

This schedule is similar to one recently adopted in Moorestown.

MORE HELP NEEDED

At the present time, the Riverton quota for surgical dressings is 2,340 per month and this will probably be increased in the near future as the need for dressings becomes greater as a result of the fighting in Africa.

To date, the Riverton workers have made an average of only 1,292 per month. This fact clearly indicates the need for more assistance.

The surgical dressing room in the Riverton Public School will be closed during the week of March 1, on account of vacation but work will be resumed March 9, when every effort will be made to increase the output. The hours for that week are 9:30 a.m. to 4 p.m. on Tuesday, Wednesday and Thursday.

Those in charge of the project state that there are many faithful workers who are giving much of their time, but they are unable to keep up to the quota. New volunteers are wanted urgently. Won't YOU help a few hours each week?

RIVERTON MOTOR CORPS GIVEN STATION WAGON

Through the generous gift of Richard M. Hollingshead, Sr., of Riverton, who is president of the R. M. Hollingshead Corp., the Red Cross Motor Corps, of Riverton, now owns and has in operation its own branch car, a Chevrolet station wagon.

The need for such equipment has been great with increased activity in all fields of Red Cross service. Here, the members of the Motor Corps have given not only of their time, but also the use of their private cars. However, with the tire and gasoline situation as it is, it has been impossible to take care of all the transportation work which is necessary.

This includes transportation of production materials, nurses aides, Gray Ladies, members of the Branch to various meetings in the county, collection and delivery of articles and

THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, FEBRUARY 25, 1943.

TO EXPLAIN POINT SYSTEM TO DEALERS

The new point system will be explained to customers in local food stores all next week, according to an announcement made this week by Mrs. R. G. Andrews, of Riverton, who is the community service representative of the local War Price and Ration Board.

Volunteer workers, who have been especially trained in learning about the system will be stationed in the larger local stores and will answer any questions that customers may have. This plan will relieve clerks from additional work at a time when they will probably be rushed with other duties.

AIR RAID TEST

The first air raid test using the new signal system was called by State defense officials last Thursday night and, while the results in general, were satisfactory, some details need to be ironed out, especially after the second "blue" signal was sounded.

Local civilian defense council members expressed themselves as entirely satisfied with the mobilization of their forces and agreed that the audible "blue" signal which preceded the "red" was an improvement over the system previously used.

When the second "blue" sounded, however, many residents turned on their lights, although this is not permitted until the "all clear."

Street Lights On
The confusion is apparently caused by the fact that street lights go on at the second "blue" and traffic is allowed to proceed.

Another difficulty was experienced in the reception of the "all-clear," since adequate coverage was evidently not secured by radio.

Other tests and additional information from State authorities will, it is hoped, remove many of these problems.

EX-PALMYRA MAN TO BE REAR ADMIRAL

President Roosevelt recently nominated Captain Calvin T. Durgin, 50, formerly of Palmyra, who is serving in the air branch of the Navy, to be a rear admiral. Durgin now has a sea command under the Navy's Bureau of Aeronautics.

Captain Durgin was graduated from Palmyra High School, where he was a member of the football team. He was graduated from Annapolis in 1916. His father, Frank L. Durgin, lives at 337 Leconey avenue, Palmyra.

Captain Durgin is one of five children. His brothers are Edward R. Durgin, a member of the Navy; George, of the Camden Rotary Club; and Charles, of Binghamton, N. Y.

REGISTRATION PROCEEDS SMOOTHLY AT SCHOOLS

Registration for War Ration Book No. 2 started in local schools on Monday of this week and is going along according to schedule, officials who have charge of the work stated.

The task will be concluded today (Thursday) when those whose names begin with the letters Z to Z register. Hours are from 2 to 5 p.m. in the public schools.

Residents are reminded that no one will be registered Friday, since the program here started one day earlier than in Camden and Pennsylvania.

Schools will have a full session Friday, having been dismissed at 12:30 earlier in the week.

CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist
Thomas Ave. at Seventh St.
Riverton, N. J.Sunday School, 9:30 a.m.
Sunday Services, 11:00 a.m.
Wednesday, 8:00 p.m.Reading Room in Church Building,
Thomas Avenue and Seventh Street,
Riverton, open Friday, 2:30 to 4:30 p.m.

"Christ Jesus" is the Lesson-Sermon subject for Sunday, February 28, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "Jesus Christ

the same yesterday, and today, and forever." (Heb. 13:8)

Among the Lesson-Sermon citations is the following from the Bible: "He shall be great, and shall be called the Son of the Highest." (Luke 1:32)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Throughout all generations both before and after the Christian Era, the Christ, as the spiritual idea—the reflection of God—has come with some measure of power and grace to all prepared to receive Christ, Truth." (p. 333)

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

The chairman of the American Red Cross has requested all denominations and all ministers of the gospel to cooperate next Sunday in the observance of "Red Cross Sunday."

Apart altogether from the merits and the needs of the Society itself (and it holds a cherished place in the hearts of all Americans and of all Christians the world over) it is a good thing for us in these times to turn our thoughts to the basic Christian requirement of mercy. In the days to come we shall have some very practical opportunities to prove just how merciful we really are; in these days we ought to understand very clearly all that is involved in the Christ-taught concept of "mercy."

Next Sunday will be "Red Cross Sunday at Calvary. The topic of the pastor's message will be, "Sympathy Plus," a topic that grows very naturally from the Saviour's parable of the Good Samaritan. The choir will render the anthem "Great and Marvellous" by Turner.

The Church Nursery will be in charge of Mrs. Lowe and Miss Ruth Zapp.

At ten o'clock Sunday morning the Men's Bible Class will meet in the

North transept of the Sanctuary. The Pastor will teach. Church School classes for all ages will be held at the same hour in the Church School rooms. Our Sunday School attendance last Sunday was the highest in several years, and this renewed and enlarged interest is very encouraging to the superintendent and to all Church School leaders.

Christian Endeavor groups meet at 7 o'clock Sunday evening. The leaders are as follows: Devotional, Ruth Zapp; Senior program, Richard Carson; Intermediate program, Joan Bailey.

On Wednesday evening "Church Night" will be observed. The gymnasium will be open to young people from 7 to 8 o'clock and to adults from 8 to 10:30. From 8 to 9 the popular and spiritually helpful "Calvary Forum Hour" will be held. This hour of Song, Prayer, Study and Fellowship is finding increasing favor among all the people of Calvary, and all who come are anxious to come again and bring someone with them to share in its benefits. Plan to be a part of the Calvary "Church Night."

The monthly meeting of the Women's Missionary Society will be held in the Church School Auditorium on the afternoon of Wednesday, March 3. Mrs. Charles Yost, chairman of the luncheon committee, announces that luncheon will be served at 1 o'clock. Following the luncheon Mrs. F. Cummings will present a play entitled, "An African Village Trial." All ladies are cordially invited.

The Ladies Aid Society monthly meeting will also be held on the afternoon of Wednesday, March 3. The report of the Nominating Committee will be received.

CHRIST CHURCH, EPISCOPAL

Riverton, N. J.
The Rev. Francis B. Downs, RectorSexagesima, February 28, 1943—8:00—Holy Communion.
9:45—Sunday School.

11:00—Morning Prayer and Sermon.

4:00—Group Confirmation Service for Christ Church, Palmyra, St. Stephen's, Beverly, and Christ Church, Riverton, will be held in the

latter church. The Right Reverend Wallace J. Gardner, Bishop of New Jersey, will administer the rite.

Christ Church, Riverton, is fortunate to be again designated as the local for the administration of the Apostolic Rite of Confirmation for the various churches of this district. Sixteen candidates will be presented by the home parish and about twenty from the other visiting parishes. A hearty welcome is extended to all to witness the ceremony and to hear the chief pastor of the diocese. As always he can be depended upon to bring a message of deep spiritual import, and one which all the churchmen who can possibly come, will be glad to hear.

The service of Confirmation proper will be preceded by a shortened form of Evening Prayer, and the choir will render special music for the occasion. It is most earnestly urged that all who come be prompt in attendance as there will be difficulty in seating those who come after the service has started.

WESLEYAN MEN'S BIBLE CLASS

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

A. Moulton McNutt will address the class this Sunday.

BETHANY EVANGELICAL LUTHERAN CHURCH

Broad Street and Morgan Avenue
The Rev. Harold Lee Rowe, PastorSunday, February 28—Sexagesima.
9:30—Children's Church. Pastor Rowe will speak to the children on the theme, "Pina."10:00—The Church School.
11:00—The Service and The Holy Communion. It is expected that many will come for this Pre-Lenten celebration of the Holy Communion.

7:00—Intermediate Luther League will meet at the parsonage.

8:00—Senior Luther League members will meet at the Schirmer's in East Riverton. Members will gather at Rogers at 7:45 preparatory to going

as a group. Elizabeth Schirmer is the leader.

Tuesday, March 2—The Ladies' Guild will meet at the home of Mrs. Young, 707 Washington avenue, for the monthly meeting.

Saturday—Catechetics, parsonage, 10:00 and 11:00 a.m.

Sunday, March 7—Pastor Rowe will be at St. Luke's Lutheran Church, Shickshinny, Pa., participating in the first anniversary services of that congregation. The pastor of St. Luke's is The Rev. Charles K. Wynkoop. In the absence of Pastor Rowe, The Rev. Charles D. Gelger of Upper Darby, will officiate at Bethany Church.

MRS. E. M. CARHART

P.T.A. SPEAKER
The Riverton P.T.A. held its annual Founder's Day Meeting last Wednesday in the school auditorium. Mrs. Ezra M. Carhart gave an interesting talk on "America Pitches In."

Mrs. Robert Stewart rendered several violin selections.

A food sale was held and the proceeds amounted to \$42.00.

The P.T.A. Board will entertain all the teachers with a luncheon next Thursday at the school.

George Stevens, of Eatontown, N. J., says that proper use of clover, fertilizer, and liming, together with contour strip-cropping, has definitely improved the fertility of his soil, and that his average yield has nearly doubled in the last five years.

HOSIERY WORKERS NEEDED

Wanted—Girls young or old, experienced or inexperienced, to work on government orders. Good pay, plenty of overtime.

King Hosiery Mills

Reed St., East Riverton, N. J.

They'll Take a Little Pampering

Keep your appliances in tip top condition. No new ones will be made for awhile. The materials that went into their manufacture are being used now on the war front. Check up on bent wires, frayed cords and loose connections. Brush the crumbs out of the toaster, remove the dirt that lodges around the plug of your electric iron. Take out the threads and hairs that have been caught in the brush of your electric cleaner. Read over and follow the manufacturers' instructions for oiling your appliances.

Reddy Kilowatt says:

"The speed and the thoroughness with which I work are conditioned by the appliances." Reddy is doing a gigantic task today. Though he works day and night at shipyards and war plants he remains on duty at every electric outlet in your home. Won't you help him by keeping your electric equipment in good running order?

FIRST AID MEETING

A meeting for all county Red Cross first aid instructors and all others who may be interested will be held in the Sunday School room of the Presbyterian Church, Beverly, on Thursday night of this week, at 8 o'clock.

The speaker will be Donald W. McLeon, director of first aid, water safety and accident prevention for the

North Atlantic area, American Red Cross.

He will assist in preparing the program for the current year and will also give valuable information for first aid workers.

There will be two demonstrations by first aid squads, those participating being the Palmyra group under the direction of Warren Lamon and one from Riverside under Charles Beck.

Church Notices

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor
A banner day was experienced last Sunday at "Central Baptist." With a record attendance at the Bible School, the morning service, and an increasing interest in the service of the evening, was evidence that many are realizing the importance and the uplifting influence of Divine worship. If you are one who is missing these benefits, you are cordially awaited at "Central Baptist."

Servants, Sunday, February 28th—Bible School, 10 a.m.—This is an hour devoted to bible study as it applies to the daily life of every age.

Morning Worship 11:15 a.m.—The Pastor will deliver, in his usual helpful way, a message on "In The Day of Trouble." The music of the service will be an anthem by the choir, "Christ Beneath The Cross" by Blair and a bass solo, "The Lord's Prayer" by Russell Jermon.

Jr. and Sr. B.Y.P.U., 7:00 p.m.—Interesting discourses for young people of these ages. An hour of real fellowship.

Evening Worship, 7:45 p.m.—"The Power of Stillness," a message vital to the life of everyone, will be delivered by the Pastor. The choir will render Pfleger's "How Long Will Thou Forget Me?" An added feature of the service will be a selection by a male quartette composed of members of the choir.

Wednesday, 8 p.m.—Mid-week Prayer and Praise service. Full of instruction, interest, together with the influence of Christian fellowship. Everyone is most cordially invited to participate.

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue
Palmyra, N. J.

Rev. D. Roe Haney, Minister
Epworth Church will begin Sunday's program with Church School in the various departments at 9:45.

Church Worship will be at 11:00 and 7:45. In the morning hour of Worship the Minister will preach on "The Dedication of Self." The Junior Choir will sing "The Lord Is My Shepherd," and the Senior Choir "Lead Kindly Light" by Buck. The Nursery Department will be glad to take care of small children while the parents attend Church Worship.

The subject of the evening sermon will be "How Important Am I?" The Senior Choir will sing "When We Stand Before The King" by Nevins. Miss Mildred Turnock will sing a solo, Miss Ruth Fry will render a piano solo, and the Youth Fellowship Quartette will sing.

The Youth Fellowship will meet at 7 o'clock with Miss Delores Stephens as leader.

Monday, 7:30—Boy Scouts.
Tuesday, 7:30—Girl Scouts.

ENGAGED

Mr. and Mrs. William Carson, of Lincoln avenue, announced the engagement of their daughter, Phyllis M., to Mr. Wilbur McCoy Clem, son of Mrs. Frederick Clem, of Philadelphia, at a tea on Sunday, February 21.

NOTICE OF SETTLEMENT

Executors Account
Estate of Jane Hovey Allen Boyer, deceased
Notice is hereby given that the First Account of the subscriber, Executor, will be audited and stated by the Surrogate and reported for settlement and allowance to the Orphans' Court of the County of Burlington, at a session to be held Thursday, April 1, 1943, at ten o'clock in the forenoon.

Wednesday, 10:00—Sewing for the Red Cross by the Woman's Society of Christian Service. 2:00—Regular business meeting of the Woman's Society of Christian Service. The topic for consideration will be "Uprooted people."

8:00—For a number of Wednesday evenings at the Prayer Meeting Hour a special study will be made of South America and our Methodist work in these countries. As an introduction to this work, Mrs. Laura Mandeville will give a short talk on the Geography of South America. Mrs. Reba Gelan will speak on the Early Settlers of South America, while Mrs. Ruth Carhart will speak on the Development of South America Politically.

Friday, 3:45—Junior Choir practice. 7:45—Senior Choir practice.

Saturday, 10:00—Latin-American Club.

The Church was glad to welcome twenty-five new members into their fellowship last Sunday.

OPPORTUNITY TO LEASE HOMES TO GOVERNMENT

Citizens of Palmyra and Riverton are asked to lease their homes to the Federal Government to house incoming war workers and their families.

The houses that are wanted are those which can be converted into extra family accommodations, located in sections within reasonable transportation distance of war plants, it was announced by Frank J. Dworan, manager of the War Housing Center, 12th Floor, City Hall, Camden.

"War production is being held down in the Camden, Burlington and Gloucester area by lack of housing for war workers," Mr. Dworan declared, "and the only solution is the full use of existing housing."

The Government will lease the structures it finds suitable for conversion—homes, combination business and residential properties, small apartments and flats—remodel them and return them to their owners after the war. The owners not only will be adequately compensated for the use of their buildings, but will get back income-producing properties, Mr. Dworan explained. Owners will be permitted to occupy one of the units in the converted structure.

What Is Suitable
Mr. Dworan emphasized that by "suitable" he meant properties which "1. Can produce additional units out of vacant space or space which will be vacated by the owners;

2. Located in districts within reasonable transportation of war plants; and
3. Where zoning laws will permit conversion.

He said applications of property owners willing to lease their properties will be accepted at the Camden War Housing Center, 12th Floor, City Hall, Camden, N. J.

Further details on the program and application blanks may be obtained by contacting the War Housing Center, 12th Floor, City Hall, Camden or by telephoning Camden 8177.

ENGAGED

Mr. and Mrs. Melvin Burr, of Riverton, announce the engagement of their daughter, Marilyn Louise Burr, to Brinton Piez, son of Mr. and Mrs. Casper Piez, of Audubon.

Miss Burr is a graduate of Collingswood High School, and Mr. Piez, of Audubon High. Both Miss Burr and Mr. Piez are now attending Western Maryland College.

OBITUARIES

PAUL J. BRAUN

Paul J. Braun, 66, of 304 Horace avenue, died suddenly on Thursday, February 18.

Services were held on Monday at 9 a.m. from his late residence, with High Mass at the Church of the Sacred Heart at 10 a.m.

Interment was made in Holy Cross Cemetery, Philadelphia, under the direction of the Sinner Funeral Home.

The deceased is survived by his wife, Helena F. Braun, a daughter, Anna and a son, Francis.

MARY B. STELLWAG

Mary B. Stellwag, widow of the late Joseph Stellwag, died at her residence, 304 Filmore street, Riverton, on Tuesday, February 23.

side, on Tuesday of this week.

Funeral services will be held at her late home at 8 o'clock on Saturday morning of this week, followed by High Mass in St. Peter's Church, Riverside. Interment will be in St. Peter's Cemetery under the direction of the Sinner Funeral Home.

Friends may call Friday evening at 304 Filmore street, Riverside. The deceased is survived by nine children, Mrs. Paul Shaffer, of Medford Lakes; Mrs. Howard Davenport, of Riverside; Joseph Stellwag, of Riverside; Private Francis Stellwag, of Riverside; Mrs. William Alloway, of Mt. Holly; Mrs. Frank Hunter, of Riverside; Private Sylvester Stellwag, of Riverside and Albert Stellwag, of Riverside. Other survivors are three brothers, one sister and thirteen grand-children.

RED CROSS NEWS

(Continued from Page 1)

tarization of certain signatures necessary to registration, etc. No fee license tags were applied for and received. The garage space has been obtained and due to the effort of Ralph Flower, very satisfactory and complete insurance coverage has been obtained from the Maryland Casualty Insurance Co. The car is available to all departments of the Riverton Branch and arrangements for its use can be made by calling Mrs. H. M. Kieckhefer, Riv. 0584 and Mrs. J. C. Anderson, 0049.

The gift is accepted with sincere thanks to Mr. Hollingshead who, in giving it has helped so substantially in furthering the work of the Branch.

The Monthly Meeting of the Riverton-Cinnaminson Branch of the American Red Cross was held Wednesday, February 17, with Mrs. Nathan Lane, Chairman, presiding. Reports of Committees showed the enormous amount of work which is being done in this Branch—work

The "V" in Victory will be found in Sa "V" ing.

About Town

"Francis Bolton Elwell, Jr., son of Mr. and Mrs. F. B. Elwell, who enlisted in the Army Aviation Enlisted Reserve last Fall, has been ordered to report for active duty on February 24. During his sophomore year at Yale, just completed, Bolton was a three-letter man, winning his "Y" on the varsity baseball, football and basketball teams.

The regular meeting of the Palmyra Junior Women's Club will be held Monday evening, March 1.

Burke W. Jay, of Main Street, Riverton, who has been enlisted in the Army Air Corps Reserves, has been called to active service. He left Wednesday, February 24th, for Miami Beach, Florida. Mr. Jay is a graduate of Palmyra High School and, up to the time of his leaving for the service, he had been attending Drexel Institute of Technology as an engineering student.

Lawrence Downs, first assistant chief of the Riverton Fire Department, has been ill for the past week with a severe attack of influenza.

Mrs. John George Devitt is leaving this week to spend two weeks with her husband, Private John G. Devitt, of Linden avenue, Riverton, who is attending the Army Air Force Technical School at Chanute Field, Illinois.

Mr. Branson Cook, Sr., of Palmyra, and Miss Lillian Hopkins, of 221 Cinnaminson street, Riverton, visited Branson Cook, Jr., at the U. S. Naval Training Station, Sampson, New York, last Sunday.

Private H. P. Robinson is now stationed at Hammer Field, California. He is a member of the U. S. Army Air Force.

Private Miles Leedom has recently been promoted to the rank of Corporal Technician. He is now located at Fort Bragg, N. C.

Private L. H. Ransom, Jr., is now at Camp Tyson, Tenn.

Auxiliary Madeleine Yvonne Pennington, of 7 Front Street, Riverton, has begun training at the First Women's Army Auxiliary Corps Training Center at Fort Des Moines, Iowa.

For the following four weeks, she will be assigned to a Basic company for more detailed training preparing her to replace a man in a non-combat Army job.

STAMP EXHIBIT SUNDAY

All of the 21 clubs of the Association of South Jersey Stamp Clubs are showing club exhibits at the 8th Annual Stamp Exhibition being held in the Junior Ball Room of the Walt Whitman Hotel on Sunday, February 28. Beside these stamps will be an exhibit of the famous old Jenkins Camden Dispatch stamps and Stamped Envelopes that were used in Camden from 1853 on for the house to house delivery of letters before the advent of the letter carrier. Now such a familiar character in every town in the United States. These old stamps are of great historic interest and as such are being reprinted as card proofs by the Association as the annual seal of SOJEX 1943 in honor of the 90th anniversary of this local. These reprints have been printed from the original electro-types used to produce the Jenkins Stamped Envelopes and are being sold as a set for 50 cents post paid in a special envelope that tells the history of the issue and includes a label to be used in mounting them in an album with the label on one page. They may be had by addressing Elmer C. Pratt, P. O. Box 149, Camden, N. J., and enclosing 50 cents in cash or War Savings Stamps for the set of five of this historic reprint.

PUGILISTS?

At the meeting of the local Business and Professional Men's Club held on Tuesday of this week the program that had been previously scheduled was postponed. In place of this, the members were asked to give a short account of their most exciting fight encounter, not omitting to tell what happened to themselves as well as their opponents.

Needless to report, the tales which were all "true," covered a wide field. It was evident, however, that none of the participants had much aspiration for a pugilistic career.

The highlights of the program were the encounters narrated by James Weart, Frank Chambers, Dr.

J. Rowland Dey and President Arthur W. Lewis.

TWO GRASS FIRES

The Palmyra Fire Department was called out twice on Saturday afternoon of last week for grass fires in

various parts of the community. Residents are urged to be careful about burning trash during dry or windy weather when there is grass in

the vicinity as it may make unnecessary work for the firemen. Most of the calls in local communities are for grass fires.

"YANKEE DOODLE DANDY" AT FOX RIVERSIDE

"Over There," the song that swept the nation during the first World War, was first introduced at a soldiers' musical revue. Shown above in a re-enactment of that memorable day are Francis Langford and James Cagney as George M. Cohan in "Yankee Doodle Dandy" at the Fox Riverside 3 big days—Sunday, Monday and Tuesday.

CAR LIGHTS IN SHORE DIM-OUT TERRITORY

With the approval of Army authorities, Leonard Dreyfuss, State Civilian Defense Director, announced that low beam headlights with the upper half blacked out will be permitted along the Atlantic Coast, where, up to this time, only parking lights have been permitted, particularly in those areas where lights are visible from the sea.

The dim-out regulations, issued in November by Major General Thomas A. Terry, of the Second Service Command, required all automobiles driven in those areas where the lights were visible from the sea to use only parking lights.

Dreyfuss on several occasions requested the Army to relax the order and pointed to the alarming increase in the number of accidents in those areas, many of them fatal. Recently the Atlantic City Chamber of Commerce and other civic groups in municipalities along the Jersey coast appealed to Dreyfuss to renew his request to the Army.

Yesterday Dreyfuss received word from Army authorities that the rule is relaxed and automobiles may be driven anywhere in the dim-out zone with low beam headlights with the upper half of the lens blacked out.

Dreyfuss said that an order will be issued to all Local Defense Councils in the area, with Governor Edison's approval, carrying out the Army's relaxed regulation.

Police and other officials of Jersey shore municipalities have pointed out that the number of injuries and

deaths due to automobile accidents have increased many fold since the stringent dim-out regulations went into effect. It is believed that with the relaxing of the parking light rule the number of accidents will show a decided decrease.

HARMFUL ANTI-FREEZE MIXTURES NAMED BY A.A.A.

A listing of anti-freeze mixtures determined by the Federal government to be "deleterious" and accordingly subject to the ban on manufacture recently issued by the War Production Board was recently made public by H. E. Moyer, district manager of Burlington County, Automobile Club of Central New Jersey.

"Included in this listing, supplied by the U. S. Bureau of Standards on the basis of its own tests or on information supplied by manufacturers, were the following: All-Winter, Bird-A-Cool, Ever-Flo, Flexo, Pre-Zex, Frozone, Gold Seal, No-Freeze, Permazone, Security, 60 Below and Wonder-Solv," the A.A.A. official reported. "Tests are going forward to determine whether other anti-freezes may be subject to the manufacturing ban which prevents the making of anti-freeze solutions compounded of salts such as calcium chloride and petroleum fractions such as kerosene and fuel oil."

"Motorists having such anti-freezes in their cars should drain and thoroughly flush radiators at the earliest possible moment. Government tests, corroborating tests conducted by the A.A.A. Contest Board show that the salt-type anti-freezes corrode engine heads and working parts of motors, while kerosene or naphtha anti-

freezes tend to make engines overheat and deteriorate hose connections and create a fire hazard.

"Following presentation of evidence by A.A.A., and after Bureau of Standards tests, the Government not only has prevented manufacture of such anti-freezes but also, through the Office of Price Administration, has slashed prices to take the profit motive out of the substitute anti-freeze business.

"Government action on this subject was predicated on the fact that our irreplaceable fleet of passenger cars is vitally needed for wartime transportation and we cannot afford large-scale damage resulting from use of harmful anti-freezes. Only the permanent types of safe anti-freezes are virtually unobtainable because of wartime shortages, but there is an ample supply of radiator alcohols with which to replace the 'deleterious' anti-freezes which should be drained from radiators without delay. The longer salt or kerosene anti-freezes stay in the cooling system, the great-

er is the danger of serious damage. "According to the Bureau of Standards' advice and experience, too much emphasis can not be placed on the necessity for repeatedly flushing radiators and cooling systems which have been subjected to these solutions now banned by the government."

BIRTH

Mr. and Mrs. DeVer Knowlton Warner, of Los Angeles, Calif., are receiving congratulations upon the birth of a daughter, Caroline Shreve Warner, on Friday of last week. Mrs. Warner is the former Miss Dorothy Worcester Sargent, daughter of Mr. and Mrs. Gorham Parsons Sargent, of Riverton.

NOTICE

The office of Dr. H. B. Mark will be closed from noon, Thursday, March 4, until April 4, inclusive.

The Army, Navy and Lend-Lease will use 6 1/4 billion pounds of meat in 1943.

There Are NO PRIORITIES On Our Personal Service

We show no favoritism in our impartial Service to the Living. Each family can select from a wide range of prices the amount to be spent.

We personally serve the family's needs with the utmost consideration, whether the highest or lowest price is paid and offer the unrestricted benefits of our professional experience and modern facilities.

BUY WAR BONDS AND STAMPS

BANKS AND THE WAR

Antidote for Inflation

THE germ that causes inflation is spending. The antidote is thrift. Putting it another way, the dollars you bank fight on our side, the dollars you spend unnecessarily fight for the Axis. It's not quite as simple as that but the fact is that regular bank deposits, besides being very good for you and your family, are also very good for your country. We'd like to have you as a thrift depositor at this bank. Won't you start an account now?

YMCA BRIEFS

William H. Douglass, Director of Camp Ockanickon, and Clifford W. Ergood, County YMCA Executive Secretary, attended a meeting in Trenton last week concerning re-erecting of school youth to help harvest crops this summer. The YMCA is planning to cooperate in these plans to the best of its ability.

Group leaders and advisers of the Burlington County Young Men's Christian Association held a meeting last Friday night at the Broad Street Methodist Church, Burlington, at which Stewart Brush, Riverside, Chairman of the Group Work and Leadership Training Committee presided. Matters particularly concerning program were discussed and new material included in the YMCA Group Work Outfit distributed by County Secretary Clifford W. Ergood.

The Group Work outfit was de-

veloped by Guy C. Hendry, former

County Secretary, and adopted by

"Y" Secretaries of the state to help

leaders and officers in organizing and

carrying out "Y" programs. A num-

ber of other secretaries assisted Sec-

retary Ergood in a revision of this

outfit which has just been completed.

Those present were: Burlington, Lou-

is Brown, Edward Richards, Ralph

Rodman, George Keller; Columbus,

Charles Poinsett, and Harvey Wedel;

Bridgeboro, Donald Anderson; Riv-

erside, Charles Lehman and Mr.

Brush; Masonville, Claude Childers;

Moorestown, Mr. Ergood.

Plans were adopted to run Camp

Oseola at Green Bank, N. J., for

six weeks this summer for colored

boys under the direction of Clement

A. Duran. Representatives on the

Committee of Management from Bur-

lington County are Mr. William R.

Valentine and John H. Morrow, of

Bordentown, Everett H. Haines, of

Medford; and Clifford W. Ergood,

Moorestown.

Oseola was held at this site last

year and had a large attendance. A

number of boys present assisted in

harvesting blueberries on a part-time

basis.

"WHAT DID YOU SAY?"

Few people realize the number of

children and adults who suffer from

complete or partial deafness.

School examinations indicate that

about one out of every seven children

has some impairment of hearing.

About 6 per cent suffer from severe

hearing loss.

Foreign bodies such as beans, but-

tons, and seeds do not injure the ear

permanently if they are promptly re-

moved by a doctor. No attempt to

remove them should be made at

home.

Bar wax is a normal secretion and

only deadens hearing when excessive

amounts of it dry up and block the

outer ear canal. These occasional

hard accumulations should not be

poked at nor pried at or infection is

very likely to set in. A Doctor can

soften up these deposits and wash

them out gently and painlessly.

Repeated colds leading to an en-

largement of the tonsils and adenoids

may block the narrow tube which

leads from the back of the throat

into the inside of the ear, moreover,

this tube may be filled up with high-

ly infectious material by blowing the

nose violently. If this occurs some

degree of deafness, and occasionally

abscess formation results. No cold,

therefore, should be allowed to

smolder on indefinitely in the hope

that it will some day go away. When

adenoids and tonsils become so en-

larged that they impair the hearing,

they should come out.

Since over 75 per cent of preventable

deafness occurs before the fifth year,

and 90 per cent before the age of 20,

the testing of school children's hear-

ing is both sensible and practical. An

instrument called an audiometer is

now in common use in schools for

this purpose. Its widespread use

should be encouraged.

Many cases of impaired hearing

may be treated in such a way as to

prevent further damage if the im-

pairment is discovered early enough.

No child with impaired hearing

should be neglected, no matter what

the economic circumstances may be.

Continued support should be given

to school authorities undertaking

programs designed to discover chil-

drren with hearing loss.

Fifty million acres of once pro-

ductive cropland have been ruined

by erosion in the U. S.
