THE NEW ERA, THURSDAY, MAY 6, 1943

PRICE FIVE CENTS

REVISE AGE FOR KINDERGARTEN

At a meeting of the Riverton Board of Education held on Monday night of this week, upon recommendation of the education committee, it was voted to revise the age at which children may enter kindergarten. The former requirement was that a boy or girl be four years and three months of age on or before September 1.

In order to be eligible for admission now, the new ruling provides that a child must be five years of age before October 1, in order to be enrolled in September next year. It was further provided, however, that a boy or girl who reaches the age of five between October 1 and February 1 can be admitted in February.

Coal Bids

Only one bid was submitted to furnish coal for the school next season and H. B. Williams, of Palmyra, was awarded the contract following his proposal of \$10.84 for pea coal. Mr. Williams had the contract last year.

The education committee recommended the appointment of various part time teachers for the coming year, together with those for health officer, school nurses, etc. The personnel remains the same as formerly and the salaries were established at the same figure. All appointments were ratified as were the following bonuses: janitor, \$100; district clerk, \$50; part time teachers, \$40, these being on an annual basis.

When the recommendations of the education committee for teachers' salaries were brought up the board went into executive session.

THE PORCH CLUB

On Tuesday, May 11th, Joan Perry, of the Celanese Corporation of America, will speak to Club members at the regular weekly meeting at 2:30 p.m.

Those who heard Miss Perry at the Camden Forum recently are anticipating her instructive and interesting talk here.

Tea will be served by Mrs. Richard Hooper and her American Home Committee.

At the Annual Meeting of the Club the following executive board was elected for the coming year:

President, Mrs. Carvel Sparks; vice presidents, Mrs. Edward J. Lippincott, Mrs. Gilbert A. Coe, Mrs. Edward W. J. Hunn; recording secretary, Mrs. Edwin E. Ochs; corresponding secretary, Mrs. Theodore B. Hayward; treasurer, Mrs. Charles H. Yost; directors, Mrs. Edwin S. Weeks, Mrs. Porter B. Caldwell, Mrs. F. William Thacher, Mrs. Lewin W. Wickes, Mrs. G. Rex Showell, Mrs. George Bornet, Mrs. Lemuel Burhoe, Mrs. C. V. Devery, Mrs. W. Brooks Evert, Mrs. Herbert W. Stuart, The Admission Committee consists of Mrs. Joshua W. Atlee, chairman, Mrs. Morris DeCoursey, Mrs. John F. Hackett, Mrs. Roland Michener, Mrs. Luther Turner, Mrs. Henry Ashburner, Mrs. Charles Miller, Mrs. Herbert Morris.

RUMMAGE SALE

On Thursday, May 13th, from 9:30 a.m. to 2:00 p.m., a rummage sale will be held at the Riverton Porch Club, proceeds to be given to the Community Center in Palmyra.

The Club will be open Wednesday from 9:30 a.m. to 2 p.m. to receive articles, or call Mrs. Gilbert A. Coe, Chairman, Riverton 0523 for further information.

ATTENTION VOTERS

Members of the County Board of Elections will sit at Palmyra Borough Hall Tuesday evening, May 11, from 7 to 9 p.m. for the purpose of registering all voters in Palmyra, Riverton and Cinnaminson, who have

FIRE ON GOLF COURSE

The Parry, Palmyra and Riverton Fire Companies answered a call shortly before four o'clock on Saturday afternoon of last week for a fire in a plantation of evergreens on the course of the Riverton Country Club.

Fanned by a high wind, the flames had made considerable progress through the stand of trees before the firemen arrived, but the blaze was soon brought under control by the use of booster lines and Indian pumps.

The fire was located at some distance from any road, and this made it necessary to drive the apparatus over the course in order to get sufficiently close to bring the hose lines into service.

Boys attempting to burn tent cat-erpillar nests were said to have been responsible for the incident.

TWO CARS WRECKED

Walter Bartowski, 24, of Philadelphia, who is alleged to have imbibed too freely at a party in Riverside Sunday was arrested by Palmyra police Sunday evening following a crash in which the car driven by Bartowski plowed into a machine owned by Horace Rowland. The Rowland car was parked at the curb near Broad and Vine streets, Palmyra, at the time of the accident and was unoccupied.

Both machines were extensively damaged, but the driver, who was the sole occupant, was uninjured.

The auto driven by Bartowski is owned by John Holicks, of Camden, who is alleged to have denied giving the offender permission to drive it, since he had no license.

At a hearing before Mayor John F. Ward, of Palmyra, on Monday night of this week, Bartowski was found guilty on the charges of driving while under the influence of intoxicating liquor and without a driver's license.

He paid a total of \$227.50.

TOMATO PLANTS ARRIVE

The first southern grown tomato plants for farmers in this section and surrounding areas arrived on the Riverton siding last week, with another train of 13 cars coming in on Monday.

As usual, Broad street on the south side for several blocks was lined with trucks awaiting delivery of the plants. In former years the plants were generally packed in Railway Express cars, but due to the shortage of this type of equipment because of war needs, they now arrive in refrigerator cars. Since these do not have the capacity of the express equipment, the total number of carloads will probably exceed that of other years.

GARAGE FIRE

Extensive damage to the basement of the Olds Community Garage, Broad street, Riverton, was caused by fire shortly before 8 o'clock on Wednesday morning of this week but prompt work by the firemen prevented the flames from reaching the main floor of the building.

The blaze was discovered by the manager, Ted Bedell and had made considerable progress before being noticed although no evidence was observed from the outside since pedestrians had gone by only a few minutes before the alarm was sounded.

Several lines of hose were employed in extinguishing the fire and the apparatus remained on the scene until nearly 9 o'clock.

The Riverton and Palmyra companies responded to the call and East Riverton sent their truck to Palmyra to cover up in that community while the other equipment was engaged.

not been previously registered permanently.

Voters are reminded of the fact that they cannot vote at the Primary Election next September unless they are registered permanently.

ROTARY NEWS

Proper assimilation of minority and alien groups in our country must eventually bring a cultural contribution to America was the thought expressed by Dr. Glenn Kendall, speaking before members of the Palmyra-Riverton Rotary Club and their guests.

Dr. Kendall, who is the chief of the Immigration and Naturalization Bureau of the United States Government spoke on the topic, "This America of Ours."

Using various areas of the country as examples, Dr. Kendall traced the varied cultural patterns of each area and developed amusing stories and illustrations of the contributions each could make. In all the groups Dr. Kendall showed how a common thread of culture could be noticed running through indicating that some assimilation has been a reality. It is quite important that the American people understand and appreciate and accept the cultural contributions these varied groups have to offer.

Cultural Aspects

From our alien groups, of which 4 1/2 million of our population are a part, we can expect to receive certain cultural aspects which will eventually find their way into our ways of living and become a common part of our pattern of the future.

Dr. Kendall explained the method used by departments of our government in handling the alien question in this country and the philosophy back of the particular method used. Education and social adjustment and acceptance are important factors in providing proper assimilation of alien groups.

Club members were pleased to receive letters from Captain Dean LeFavor, in which he described his life and activities somewhere in Africa.

Interest in the District Conference to be held in Wilmington, Del., was evidenced by the proposed attendance of 14 members and their wives.

WOUNDED NEED SURGICAL DRESSINGS

Those who read the daily papers realize that action on the fighting fronts is increasing. This means that more surgical dressings are being needed all the time.

The surgical dressing group, Riverton Branch, American Red Cross, has 15,000 pieces of material on hand that must be made into dressings as soon as possible.

Those in charge of the work here state that Riverton is still far behind its quota and that if it had not been for the comparatively small number of faithful workers, the lag would be even greater.

As an example of what one person can do, it was pointed out that a single worker recently made 85 dressings in a day. The difficulty is that not enough people are willing to volunteer their services.

It is stated that the day workers have fallen far behind, but the night group is increasing all the time and is doing splendid work.

Don't let our boys down—come out each week even if for only a few hours.

The days are Tuesday, Wednesday and Thursday in the Riverton Public School from 9:30 to 4 o'clock and Thursday evening from 7:30-9:30.

Why Care Is Needed

Last week a letter was received from the county chairman stating that, in the future, Riverton will be allowed to pack and seal all dressings which are sent to Beverly. Only one other Branch in Burlington County is allowed to do this and this privilege is a decided tribute to local volunteers.

The dressings must be made exactly right, otherwise they cannot be used and the fact that the packages

NOTICE TO FIRST AIDERS!

On Monday, May 10, a regular Standard First Aid Course will be started at Cinnaminson Public School under the direction of Richard Oliver.

This course is open to all those wishing to participate, and also those who have taken it and want to keep in practice.

Please come prepared to go to work, dressed in slacks, old shoes, and bring pencil and note book and two triangle bandages (1 yd. square of unbleached muslin cut in half diagonally).

Chairlady.

Curtail Long Distance Telephone Calls

The New Jersey Bell Telephone Company appealed again today to telephone users to aid the war effort by staying off long distance lines to centers of military, governmental and industrial activity unless their calls are absolutely necessary.

"Circuits to war-busy areas have become so crowded," the company reports, "that delays on calls are more and more frequent. Keeping pace with the growth by adding more lines is out of the question because of lack of materials. The best way to make room for the rising volume of war messages is for everyone to avoid unnecessary calls and to be brief when making necessary ones."

"The growth of calling is particularly great to points in the south and midwest, the lines to Dayton, Ohio, right now being especially busy. Long distance calls from New Jersey to Norfolk, Virginia, have more than doubled in a year, and are over five times as many as two years ago; Atlanta calls are up 75 per cent over a year ago; Richmond, Virginia, calls more than 80 percent; calls to Washington, St. Louis and Cleveland over 50 per cent. These figures should be considered in the light of the fact that last year's traffic itself was record-breaking."

"More than 1,500,000 long distance connections were completed for New Jersey telephone users in the first three months of this year, nearly half a million more than in the first quarter of 1942, and over double the number in the first quarter of 1941."

"Telephones in service in New Jersey continued to increase in the first quarter of this year, the company states, despite restrictions on installations of some types of service. There was a net increase of 25,041 telephones in the quarter compared with an increase of 16,353 in the first three months of last year. Telephones in use at the end of March totaled 899,228. Average daily traffic exceeded 3,910,000 calls in the first quarter, 136,479 more calls per day than in the first quarter of 1942."

PALMYRA HIGH SCHOOL BUYS THREE JEEPS

Palmyra high school bought the equivalent of three jeeps through the sale of War Stamps and Bonds which amounted to \$2,700 above the normal sales. These sales took place during a campaign throughout United States between March 22 and May 1. New Jersey was asked to sell 410 jeeps through the schools alone.

SUMMER ROUND-UP

The annual Summer Round-Up of children will be conducted from May 4 to May 17. The Summer Round-Up is a major health project of the National Congress of Parents and Teachers and its purpose is to send children to the entering grades of school in good physical and mental condition. In this State it is sponsored by the New Jersey Congress of Parents and Teachers and the Medical Society.

The Round-Up group includes all children from two years of age to those eligible for School in September.

Names of children who will enter school in the fall for the first time have been secured through the school census.

Parents will be visited by a member of the local committee and will be advised to take their children to their family physician for examination.

A standard examination is used and each child's form is turned over to the school authorities, to serve as the initial unit of the child's permanent health record.

Hours

The local doctors and dentists have cooperated with us and will examine the children in their offices on the following days:

Dr. T. B. Dickson, Monday, May 17, 2 to 3 p.m.

Dr. H. B. Mark, Monday, May 10, 11 a.m.

Dr. C. S. Mills, Mon., Tues., Thurs., Fri., May 10, 11, 13, 14, 3 p.m.

Dr. C. F. Voorhis, Thursday, May 13, 12 noon.

Dr. J. C. Voss, Monday, May 10, 8-9 a.m.

Dr. H. B. Brady, Call any day except Thursday, May 13.

Dr. P. C. Hulse, Wednesday, May 12, 10 to 12 a.m.

Dr. Geo. J. White, Call for appointment.

The doctors are giving their time without remuneration. Will you not make an effort to take your preschool children to them?

Following the physical examination in the spring, homes of prospective pupils will be visited and parents urged to have remedial defects in the children corrected by the family physician and dentist.

Found In Woods

On Saturday afternoon of last week, while Chief Eric Veitenheimer of Cinnaminson, was on another case, Riverton police were notified that a dead woman had been seen lying near the highway in woods along S-41, near Parry. The discovery was made by a passing truck driver.

Officer John Robinson went to the scene and found that the woman, who later turned out to be Kathryn Kinsig, 27, of Richmond, Virginia, was alive, but unconscious. He rushed her to Zurbrugg Memorial Hospital, Riverside, where she soon responded to treatment and it was found that no serious injuries had been sustained.

She was later questioned by county officials, but no additional details regarding the incident were obtained.

The victim of the probable assault has been detained until further information regarding the incident has been secured.

CINNAMINSON CHILDREN REGISTER FOR SCHOOL

All children who will be five years of age on or before January 1, 1944, should be registered in the school office during the week of May 10th-14th, between 9:00 a.m. and 3:00 p.m. Parents are urged to have their children registered at this time if they expect to enter them in school next September. This registration may be done by calling Riverton 9508.

Only a Free Press Can Tell the Truth

FREEDOM to think, to talk, to publish, is a priceless boon to mankind. It is a privilege too many of us take for granted. We do not properly appreciate its importance.

There are those in this world, however, who risk their lives—those who die—that the truth may be told. In enslaved Europe Hitler's Gestapo cannot stamp out Free Press. They may

kill men and women but others spring up to carry on their underground journalism.

The retention of our Freedom of the Press, as well as Freedom of Speech, of Religion, of Assembly, and of Individual Enterprise, is essential to the preservation of this nation. And when the postwar era dawns we shall appreciate the value of these Freedoms in the rebuilding of a world torn by conflict.

Planting Tomatoes, Peppers, Eggplant; Sowing Lima Beans; Thinning Plants

When the first leaves of the Norway Maple are almost fully developed (about May 15) is the proper time to set out tomato, pepper, and egg plant. If you have not grown these plants yourself, you must purchase them.

In a small garden, it is better to grow the tomatoes on stakes. This keeps the plants off the ground, so the fruits are all clean, and the yield on a certain area will be just as good as that for unstaked plants.

When growing tomatoes on a single stake, set the plants about 2 feet apart in rows that are 2 1/2 to 3 feet apart. A good way to set out the plants is to open up a deep hole, 6 or 8 inches deep, or large enough so that the roots will spread out. Put the plant in place, draw the soil about the roots, and half fill the hole. Then pour in gently a quart or so of water.

After this has settled, dry soil may be drawn in to hold the plant upright. Do not press on this wet soil. The stakes should be set 10 to 12 inches deep and extend 4 to 6 feet above the ground.

If the tomato plants are to run on the ground, set them 4 feet apart in rows 5 feet distant.

training tomatoes. A tepee of 3 stakes may be made and 3 plants set about 2 feet apart in triangle fashion. Tomatoes may also be grown on a trellis, allowing 3 or 4 stems to grow on each trellis.

Planting Peppers and Eggplant
Pepper plants are spaced 2 feet apart in rows that are 2 1/2 feet from each other. This space gives ample room for full development. These may be planted in the same way as tomatoes, although usually the holes do not have to be so deep. Do not set out more than you need. Usually 3 or 4 plants will give all the peppers that a small family will require for table use.

If eggplants are desired, set the plants so that they will be spaced 4 feet by 4 feet. Only two or three plants will be needed for a family.

Lima Beans Warm Season Crop
Lima beans are a warm season crop, so the seeds should not be sown until the soil warms up (about May 10). Sometimes, if there are excessive rains, the seeds will not germinate and the gardener may have to resow.

With the bush type, there are several ways to sow them. One method is to open up a furrow about 1 inch deep and place the seeds singly about 4 inches apart. Later the plants are thinned to stand 8 to 10 inches apart. The best way to plant them is with the EYE DOWN. However, the farmer does not use as much care as this, and they do almost as well if planted on the side. Another method of sowing lima beans is to make the furrow wide enough so that the seeds may be placed side by side 2 inches apart, spacing the pairs 8 to 10 inches apart, later removing the extra plants.

Pole limas require a little more work to produce than do the bush type, but they continue to yield until frost. The poles, which need to be about 8 feet above the ground, may be set about 2 feet apart in the row. Plant 4 seeds around each pole and when the plants are 6 inches high, allow only 2 to each pole removing the remainder.

Thinning the Plants
For the new gardener, some advice on thinning is always necessary. There is an old saying that the successful farmer is one who can make two blades of grass grow where one grew before. There is a limit to this, however. The soil can support only so many plants. If more are left in, it is more trouble to care for them and the yields will be no greater and will often be less. For instance, it has already been recommended that lima beans stand 8 to 10 inches apart. At this distance, there will probably be a greater yield than if twice as

many plants were allowed to remain, due to the greater demands of the extra plants for soil, water and nutrients. With the wider spacing, it is easier to get between the plants with a hoe to kill weeds; while with close spacing, the weeding will have to be done by hand.

In the case of root crops, like onions, carrots and beets, thinning out the plants at the proper time will permit those that are left to grow better and the roots will be more uniformly developed and of better shape. If left too close, they will be small and flattened and otherwise misshapen.

Gardeners should continue to look for cutworms and keep up the cultivation about their cabbages to control the maggot.

PALMYRA DOWNS QUAKERS

After suffering two reverses, the Palmyra High ball tossers broke into the win column last Friday afternoon when they took a 6-5 decision from Moorestown in a game that went 13 innings. Fred Bauer broke up the affair with a triple. Caldwell led the offense with three hits.

Weigand and Murray hurried for the Dimondmen.

FINANCE CAMPAIGN STARTED ON MAY 4

The Palmyra-Riverton YMCA Finance Campaign was launched Tuesday night, May 4, with a bean supper prepared by the "Y" Women's Auxiliary and contributed by a few of the "Y" Board members. Palmyra-Riverton's goal is \$1250.00 to carry on the Burlington County YMCA work in these two communities.

The Rev. J. Lansing Bennett, pastor of the Merchantville Presbyterian Church, gave the keynote message, pointing out that "the only thing from which a man can be made is a boy, so he is tremendously important for tomorrow." Mr. Bennett was student pastor of the Calvary

Presbyterian Church, Riverton, in 1923, following his graduation from Princeton. While at Princeton he was coxswain of the crew and used illustrations from this experience in his talk.

Richard Woodward, chairman of the local campaign, explained the organization and asked each man to do the job before May 13th.

Paul R. Jones, supervising principal of Palmyra schools and a division leader, says of the campaign: "although the war emergency is now most important in the minds of everyone, yet the youth of the community should not and cannot be neglected. It is therefore the obligation of all of us to provide, in so far as we can, the best opportunity in YMCA activity at all times."

The campaign organization is as follows: Palmyra Division I, Paul R. Jones, leader. Team 1, Roy S. Austin, captain; Robert Strahan, S. L. LeMons. Team 2, Robert K. Emens, captain; Thomas Courson, Harry Kennedy, A. R. Gilmore. Team 3, Lester A. Harker, captain; Earl Rohrbach, Taylor Kirby, Lawrence Coolbaugh. Team 4, Harold Hoch, captain; Kenneth Merrill, Melvin Kreps.

Palmyra Division II, Grover Fox, leader. Milton Koltz and Edward W. Fry, captains; Charles Stickney, J. J. Robinson, Howard Conover; Wesley Huyett, captain; George N. Wimer, Charles Dunbar.

Palmyra Division III. Hon. John F. Ward, Henry Naisby, captain. Riverton, Division I. George Beeton, leader; Victor Ritschard, captain; Nathan Lane, Charles F. Allen, Richard Hollerith; J. PEDESTRIAN PROBLEM

New Jersey's traffic accident fatalities would change from major to minor proportions if the pedestrian problem could be brought under control. Motor Vehicle Commissioner Arthur W. Magee said today in his report of traffic deaths for the first quarter.

Announcing a total of 161 persons killed during the period, a 36 percent decrease under the same quarter last year, Commissioner Magee said that 104 (nearly two-thirds) of the victims were pedestrians. He added that while pedestrians predominated in the populous regions, changing conditions have brought about higher pedestrian ratios in the less populated counties where heretofore accident deaths were more or less restricted to the violent type of collision.

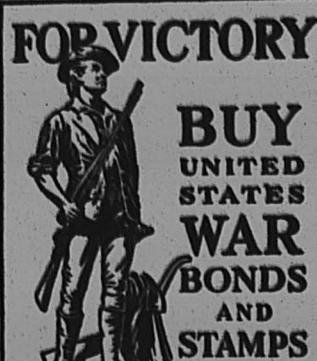

As an example, the Commissioner cited Morris County where all five fatalities this year involved pedestrians and rural Burlington County where walkers comprised 60 percent of the total. In Essex County, pedestrians constituted 90 percent of total deaths; in Hudson, 93 percent; Passaic, 79 percent and Mercer 100 percent. There were two exceptions among the high population counties, Camden and Union, where pedestrian death percentages ranked 38 and 44 respectively.

There follows a county record of

total deaths during the first quarter, along with pedestrian fatalities:

	Total Deaths	Pedestrian Deaths
Atlantic	3	2
Bergen	11	6
Burlington	10	5
Camden	13	5
Cape May	0	0
Cumberland	6	3
Essex	29	26

Charles R. Weart, son of Mr. and Mrs. James M. Weart, of Palmyra, has enlisted in the Navy and reported for active duty on Thursday of last week.

Dr. M. A. Todd, of Beach Haven, a former resident of Riverton, has been commissioned Lieutenant (j. g.) in the U. S. Naval Reserve.

Miss Marilyn Burr, daughter of Mr. and Mrs. Melvin Burr, of Seventh street, was a member of the Court of Honor attending the May Queen at Western Maryland College.

Joseph L. Yearly, son of Mr. and Mrs. Joseph F. Yearly, of Cinnaminson street, Riverton, has been promoted to the rank of Corporal in the U. S. Army.

Aviation Cadet Hilton M. Smith, Jr., is spending a furlough with his parents, Mr. and Mrs. Hilton M. Smith, Linden avenue, Riverton. Cadet Smith has been transferred to Corpus Christi, Texas, for advanced training in the Navy Air Corps.

Private George W. Bishop, of 601 Linden avenue, Riverton, was promoted to the rank of Private First Class upon his graduation from the Army Air Forces Technical School at Amarillo, Texas, last week.

Private Leo Terrell, of Elm avenue, Riverton, has been promoted to Private First Class. He is stationed at Camp Kilmer, in North Jersey.

The Semper Fidelis Bible Class, of Calvary Presbyterian Church, will give a covered dish supper for the congregation and their friends on Thursday evening, May 13, at 6.30. Reservations and suggestions may be made by calling 0769-J.

The Semper Fidelis Bible Class, of Calvary Presbyterian Church, will meet on Friday, May 7, at 8 p.m. at the home of Mrs. Zimmerman.

On Wednesday of this week Miss Christine Ridley, of Riverton, entered the Hunter College WAVE training school, New York City.

After four weeks of basic training at Hunter College Miss Ridley will be sent to one of 14 Naval schools at various colleges and universities throughout the country for specialist training.

Masters Bruce and Arthur Bent, of Brooklyn, spent the weekend at the home of their aunt, Mrs. James Dohins, of Thomas avenue.

Mrs. Harry Riley and mother, of Camden, spent Tuesday with Miss Clara Bishop.

Mr. and Mrs. William R. Hoffman, of Thomas avenue, entertained Dr. and Mrs. Arthur Bogart, and Mr. and Mrs. Eugene Harder, of Philadelphia, on Saturday.

Arrival at a British port of a big American freighter, in April, brought a long awaited "liberty" for Gunner's Mate Samuel J. Costa, 19, of Riverton, N. J.

Assigned to a Navy gun crew aboard the merchant vessel, Costa's last trip ashore was in Africa where he had an opportunity to see the results of the Allied landing there.

"It was very interesting," he said, "but I've always wanted to see the British Isles and I'm not going to miss the chance now."

Costa is the son of Mrs. Frances Martello, Burlington Pike, Riverton. His brother, Anthony, 20, is in the Army.

Nearly two hundred members of

over station WFIL.
 Alvin Holman, tuba, and Robert Latch, trombone, will be the soloists.

OBITUARIES

HARRY KAGEL

Harry Kagel, 73, died on Saturday of last week, in Zurburg Memorial Hospital, Riverside, following injuries sustained after being struck by a car on S-41.

Services were held at the Snover Funeral Home on Monday night, the Rev. Albert Harke, pastor of the Moravian Church, officiating. Interment was on Tuesday in Green Mountain Cemetery, Philadelphia. There were no survivors.

The Palmyra High School band will be heard in a half-hour concert on Saturday, May 8, at 10:15 a.m.

P.F.C. Robert B. Unland, son of Mrs. C. B. Unland, of Riverton, received his Corporal rating upon graduation from Scott Field recently. He has been transferred to an advance radio base.

The Palmyra High School band will be heard in a half-hour concert on Saturday, May 8, at 10:15 a.m.

IMPROVEMENT LEAGUE

The Tri-Borough Women's Improvement League met at the home of Mrs. Inez S. Green, Wednesday evening.

Observation Day will be observed May 16, with services in St. Paul Baptist Church at 11 a.m.

Plans were made for the District Meeting May 20, at Mt. Zion Church, Riverton.

Mrs. Camilla Lockwood, Pres.
Inez S. Green, Rec. Sec.

FIRE NEAR GROVES

Firemen were called to the Groves' estate, Riverton road, on Tuesday afternoon of this week, when a fire that started in an adjoining field threatened nearby buildings.

Indian pumps and the contents of booster and chemical tanks were used in extinguishing the blaze which was especially difficult to fight because of the tall grass and high wind.

Happiness consists in the attainment of our desires, and in having only right desires.—Augustine.

Time for Spring Salads

Soak gelatin in ¼ cup cold water. Combine 1½ cups water and vinegar and heat to boiling point. Pour over gelatin and stir until dissolved. Add chili sauce, lemon juice and seasonings; chill. When mixture is slightly thickened fold in vegetables. Pour into square pan and chill until firm. Cut in squares. Serve on crisp greens.

Vegetable Health Salad
1½ tbs. minced onion
2 cups cooked lima beans or left-over vegetable
4 flowerets cauliflower, sliced (raw or cooked)
1 cup celery, sliced
1 cup carrots, shredded
1 cup left-over meat, diced

Mix and toss lightly with French Dressing. Serve on lettuce or tomato.

Fruit Cottage Salad
2 cups cottage cheese
Salt and pepper
Light cream
6 lettuce leaves
French dressing
Season cottage cheese to taste with salt and pepper; add cream until of desired consistency. Make large cup with lettuce leaves and fill with cheese. Garnish with paprika. Place in center of salad plate. Arrange halves of pears and peaches, sections of oranges, and slices of pineapple around cottage cheese in star shape. Serve with French Dressing. If desired chopped ginger or grated orange rind may be added to cheese.

Macaroni Salad
8 cups chilled macaroni
1 cup diced celery
1 tbs. minced onion
1 tbs. minced green pepper
¼ cup cooked salt
¼ cup carrots, cooked or raw
1½ tbs. salt
¼ tbs. paprika
1 tbs. lemon juice
¼ cup mayonnaise

Combine all ingredients, mix with dressing. Serve in salad bowl lined with salad greens. Serves 8.

Jellied Vegetable Salad
1 tbs. gelatin
¼ cup cold water
¼ cup vinegar
¼ cup chili sauce
1 tbs. lemon juice
¼ tbs. salt
¼ tbs. pepper
¼ tbs. shredded carrot
¼ cup chopped green pepper
1 tbs. minced onion

"BLACK MARKETS"
Meat inspection in large slaughterhouses during normal times is so rigid that the fact that many diseases can be transmitted through meat products has almost been forgotten. Beef and pork tape worms, trichinosis, food poisoning, tuberculosis—all may be transmitted by meat cut from diseased animals and from meat improperly handled, stored and refrigerated.

That is the real danger of the black market in meats. In war times when overworked health departments are working with depleted personnel the racketeer who supplies or operates the black market, indirectly exposes the entire community to infection with dangerous diseases that may easily become epidemic.

It is the responsibility of each individual citizen to act as the monitor of his or her own meat supply and to report black market operations in meat to local police authorities.

It is safer and healthier to eat no meat at all than to eat diseased meat, handled under filthy and unsanitary conditions, improperly refrigerated, and not subject to inspection.

PRICE PANELS

Price panels, similar to the rationing panels which now administer the various rationing programs, will be formed immediately by each local rationing board in the State. This was announced here this week by James Kerney, Jr., State OPA Director, following receipt of an order from the Regional OPA office directing establishment of such panels.

The new price panels, designed to administer the price control program in each community, it was explained, gives to consumers themselves through their local boards "the means of keeping an eye on the price situation" in each community "and the opportunity to do something about 'holding the line.'"

Price and business specialists from the district OPA offices in the State will go into the field to assist the boards in setting up and operating the price panels and in training volunteer price assistants.

In general, price officials indicated, the price panel will be constituted of five members selected from representative groups in the community—

There was a large representation of members of school boards of sending districts at the annual dinner tendered them on Friday night of last week by the Palmyra Board of Education. The affair was held in the school cafeteria and a most delectable repast was served by the cafeteria staff and the home economics department.

The guests were welcomed by Leonard R. Baker, president of the Palmyra Board of Education, who spoke briefly. The invocation was pronounced by the Rev. Harold L. Rowe, pastor of Bethany Lutheran Church, Palmyra.

Following the dinner, those present attended the concert given by the high school band in the auditorium.

GOVERNMENT LIFTS RESTRICTIONS
ON RE-ROOFING AND RE-SIDING
WITH ASBESTOS SHINGLES

Special Ruling is Made to Meet
Critical War Problem

MANY home owners have been postponing re-roofing and repairs to their home because of their fear that only temporary materials would be available. Many others have gained the impression that to have such work done would be contrary to the interest of winning the war.

If your home needs re-roofing, if the sidewalls need painting or repair, a special W.P.B. ruling just issued removes the restrictions on the use of asbestos shingles for this purpose. There is no longer any reason for you to postpone having this work done.

Pre-War Quality—Pre-War Prices

Johns-Manville Asbestos Shingles are manufactured to the same fireproof, durable quality standards as before the war. They are available at pre-war prices, too.

If your home needs painting or repair, we recommend J-M Asbestos Siding Shingles. They need no preservative treatment—are fireproof—permanent as stone—and will completely transform the appearance of your home. If you need a new roof, we recommend J-M Asbestos Roofing Shingles. They have the same desirable maintenance-free qualities.

Protect your home for today and for the future. We will be glad to show you samples of the new styles and new textures of these colorful shingles.

Long asbestos spinning fibre is an essential material in many war products. In mining asbestos, for every ton of long asbestos fibre, many tons of shorter fibre must be produced. This shorter fibre must be utilized, and its principal use is in the manufacture of asbestos shingles. Restrictions were therefore lifted to increase the use of asbestos shingles and thereby insure an adequate supply of long asbestos fibre vitally needed for war.

BOY SCOUT NEWS

Last week-end the Scouts of Riverton Troop 50 went on an overnight hike. All Scouts except two were present for this important training activity. They left Headquarters Saturday morning and hiked with full packs to the camp site. After lunch camp was made in the proper Scout fashion with an eye to the health and safety of each boy.

The group was composed of three patrols, each of which made their own camp slightly apart from the others. At meal time, cooking was done by Patrols, each Patrol designating two of their Scouts to cook for their own group. Several game periods were in the program, each offering a different type of game and furnishing plenty of lively fun as well as Scoutcraft.

All through the week-end the Patrols were competing in their Inter-Patrol Contest. They were constantly being watched and judged in order to properly rate each Patrol. Principle items for which points were awarded were: camp lay-out, tents pitched properly, beds made right, proper fire place and fire prevention, garbage pit, refrigerator, latrine, commissary, wash stand, cooking, cleanliness, initiative, and leadership.

First place was won by the Beaver Patrol led by Star Scout Don Garwood, second place was taken by the Stag Patrol led by Star Scout Larry Hewlett, and in third place was the Cobra Patrol led by Rus Phelps.

It was decided afterwards that Dick Rudolph ate the most, Francis Huber worked the hardest, Monroe Steedle the least; Bob Lundstedt was the best stalker; Bob Farrow, the bugler, lost his bugle; Ed Snyder captured the flag; and Ken Lippincott the best cook.

Mr. Lovejoy, the new Assistant Scoutmaster, was with the Troop for the first time on Sunday when he joined the camping trip. All the boys like him and think he will be a fine addition to the Troop.

I AM AN AMERICAN DAY

A program of unusual calibre has been arranged for Burlington County's "I Am An American Day," to be held in Palmyra, Sunday, May 16. Mr. J. P. Hughes, county chairman, and Mr. Curtis Flynn, program chairman, report a novel program in that there will be little speaking but much action.

The celebration will begin at 2:00 o'clock with a parade in which several bands of the county will lead civilian defense and patriotic groups of all types in a colorful march to the high school stadium. There amid music and singing led by Mr. George Durgin, local song leader, the

crowd will be given an insight into what the home front has been doing for victory.

Among the high lights of the program will be a group of high school students going over the "obstacle course," a series of stumbling blocks designed to imitate the actual barriers encountered by commandos and Rangers. Fifty high school girls in costume under the direction of Miss Mattison, of PHS, will demonstrate the new and much more strenuous physical fitness program for girls.

Another highlight of the occasion will be appropriate ceremonies for inducting 200 members into the victory corps.

Fifth Annual Celebration
This will be the fifth year Burlington County has celebrated "I Am An American Day," a day set aside by presidential proclamation to welcome into the community new citizens who become twenty-one years of age and those who have acquired citizenship by naturalization.

This year the committee has arranged to honor not only the new citizens but also those among us who are expressing their pride in American citizenship by serving in test air raids, first aid groups, the aircraft warning service and a multitude of other services so essential to our security.

In keeping with the increased activity of our times this patriotic occasion will be a demonstration of varied and entertaining action.

Thomas Ave., at Seventh St.
Riverton, N. J.

"Adam and Fallen Man" is the
Lesson-Sermon subject for Sunday,
May 9, in all Christian Science
Churches and Societies throughout
the world.
The Golden Text is: "As in Adam
all die, even so in Christ shall all
be made alive. (1 Cor. 15:22)"

Among the Lesson-Sermon cita-
tions is the following from the Bible:
"Wherefore he saith, Awake thou
that sleepest, and arise from the dead,
and Christ shall give thee light." (Eph. 5:14)

The Lesson-Sermon also includes
the following passage from the Chris-
tian Science textbook, "Science and
Health with Key to the Scriptures"
by Mary Baker Eddy: "Whatever in-
dicates the fall of man or the oppo-
site of God or God's absence, is the
Adam dream, which is neither Mind
nor man, for it is not begotten of the
Father." (p. 282)

**CHRISTIAN SCIENCE
WAR RELIEF WORK**

The Christian Science War Re-
lief Committee of The First Church
of Christ, Scientist, in Boston, Mas-
sachusetts, which was established in
September, 1940, has recently released
its second annual report. This shows
that it now has more than 1500
branch units active in the United
States of America besides many more
in Great Britain, Canada, Australia
and the Union of South Africa.

The Committee has assembled
since Pearl Harbor over 66,000
pounds of durable clothing and bed-
ding, in waterproof, mothproof,
wooden cases, at convenient loca-
tions on the Atlantic and Pacific
coasts, ready for instant use should
emergencies arise because of local
enemy action.

More than 32,800 garments have
been distributed, through military
distribution centers, to men in the
United States forces. A large Brit-
ish transport vessel which had ar-
rived from tropical waters and was
being repaired at Boston received 100
overcoats for officers. Folding cots
have been given to overcrowded sea-
men's clubs. Civilians arriving in the
United States suffering because of
war conditions or action have been
provided with clothing and other
forms of relief. Among them are
refugees from the Far East, who
landed in California; and merchant
seamen rescued from ships torpedoed
along the Atlantic coast have been
similarly cared for. This work is
carried on by the Committee without
regard to creed or race.

One of the most impressive branch-
es of the work from the start, before
America entered the war, has been
the distribution of clothing and com-
forts to bombed-out people in Great
Britain and to refugees from Holland,
Norway, Russia, Poland, Belgium,
and other European countries. Cloth-
ing has gone direct from Boston to

whom the Commandos brought back.

Throughout the entire Christian
Science movement workers are mak-
ing and collecting clothing of all
kinds and sending it to the depots,
where it is carefully inspected, sorted
and packed in waterproof cases
for shipment. One of the most re-
cent of the Committee's activities has
been the sending of weekly food
packages to British prisoners of war
in Germany and Italy. This can be
done according to the Geneva Con-
vention. Only an occasional pack-
age has gone astray. Correspondence
has been started with many of the
prisoners and with their families in
England. Some packages have been
sent to civilians in Occupied France.
It has not been possible to reach
prisoners in the Far East.

Figures presented for the two-year
period ending the first of October,
this year, include over 1,600,000
pounds of clothing and bedding sent
to the British Isles, more than 8,700
pounds to Russia, and more than 10-
500 pounds to Finland, previous to
that country's alliance with the Axis.

Yearly Shipment

The yearly shipment to England
from the Boston depot alone has to-
taled between 4,000 and 5,000 crates,
each containing about 200 garments.
The loss in shipping has been negli-
gible. During the first year of the
Committee's operation at least 30-
000 people in Great Britain received
clothing, food or other comforts, and
about 240 were assisted financially.
In addition to shipments from the
four depots in the States—at Boston,
New York, Los Angeles, and Port-
land, Oregon—crates have gone forth
from Christian Science workers in
Canada, Australia, and South Africa.
In Great Britain alone 300 almshouses
have been at work distributing relief.

The total value of material in cloth-
ing distributed is estimated at \$1,533-
000. In addition to this money gifts
have been sent to China and other
needy countries, and three motorized
canteens have been sent to England;
they are located in London, Sheffield,
and Rochester.

The Committee is ready to aid in
relieving human suffering caused by
war wherever it can; and it co-op-

erates with many other officially re-
cognized relief agencies when sudden
needs arise, readily contributing
whatever of its supplies are available.

KILLED BY CAR

The second death caused by a car
within the past two weeks occurred
in Cinnaminson Township early Sat-
urday morning of last week, when
Harry Kagle, 73, died in Zurburg
Memorial Hospital, Riverside, one
hour after he had been hit at 8-41
and Fork Landing road.

The driver of the machine, Dorothy
Holmes, of Philadelphia, was held on
the charge of manslaughter by auto-
mobile and given a hearing before
Recorder Cecil Bowers.

According to a report, Kagle, who
lived at Fork Landing road and
Pennaauken Creek, was crossing the
highway at the time of the accident.
He was taken to the hospital by a
passing motorist.

Chief Eric Veitenheimer, of the
Cinnaminson police investigated the
affair.

Prosecutor Speaks On Juvenile Delinquency

Daniel Lichtenthal, Burlington county prosecutor, was the speaker at the meeting of the local Business and Professional Men's Club on Tuesday of this week, his talk dealing with the problem of juvenile delinquency.

The speaker said that since the beginning of the war adult crime had decreased materially in the county and the same situation existed all over the county. On the other hand, the number of cases brought before the juvenile court has shown an increase. Of the most recent cases, 90 percent have involved boys.

While some authorities advocate an evening curfew to meet this situation, Mr. Lichtenthal stated that, in his opinion, such a move would not solve the problem, since most of the un-
lawful acts performed by those under 16 took place in the late afternoon or early evening.

Home Life Important
The speaker stressed the importance of a normal home, declaring that most delinquents come from families where the home life has been disrupted. Although the State Home for Girls, at Trenton and a similar institution for boys, at Jamesburg, are doing splendid work with delinquents, Mr. Lichtenthal said that many juveniles are never able to overcome the effects of a broken home life in their youth.

He paid high tribute to the work done by the Travelers Aid in cooper-
ating with county authorities with respect to wayward girls and stated that vice control in the vicinity of Fort Dix was the best in the entire county.

THE PORCH CLUB

On Tuesday, May 18th, the program of the afternoon will be sponsored by the Literary Department. Mrs. Hugh Morton, a well known figure in literature, and wife of the Episcopal rector in Palmyra, will review the current book, "The Robe," by Lloyd Douglas. Tea will be served at the end of the afternoon by Mrs. John Abell, chairman of the Literary Department, and her committee.

**EIGHTIETH ANNIVERSARY
SERVICES**

Next Sunday, May 16, the Palmyra Moravian congregation will observe the 80th anniversary of its organization with festive services. On May 17, 1863, the formal organization of the congregation took place. It was also the occasion of the dedication of the first church building, free of all indebtedness. This little stone church served the congregation until 1902, when it was replaced by the present building. The founder and first pastor was the Rev. Philip Gapp. Since its organization twelve pastors have served the congregation. The present pastor, the Rev. Albert J. Harko, began his pastorate here 18 years ago, on May 3, 1925.

Two festive services will be held next Sunday. The anniversary speaker will be Bishop S. H. Gapp, of Bethlehem, Pa., head of the Northern Province of the Moravian Church in America; who is also the son of the founder of the congregation.

10:45 a.m.—Anniversary Service with sermon by Bishop S. H. Gapp. 3:30 p.m.—Anniversary Lovefeast. Greetings from visiting pastors and address by Bishop Gapp.

The choir will render festive anthems at both services.

ZURBRUGG AUXILIARY MEMBERSHIP DRIVE

The members of the committee representing the Riverton Branch of the Zurburg Memorial Hospital Auxiliary wish to announce that the annual drive for membership will be held as usual during the month of May.

Mrs. Joseph J. Siddall,
Chairman.

ASK APPOINTMENT OF PARK BOARD

One of America's leading educators once said, "Juvenile delinquency is primarily a case of excessive youthful vigor going in the wrong direction purely through the lack of adult guidance." Consequently, with the thought of directing the vacation time activities of junior Riverton into the right direction, a special committee of the Parent-Teachers' Association of the Riverton Public School is recommending to tonight's meeting of the Riverton Borough Council, the creation of a Memorial Park Commission so that the fullest possible advantage may be taken of the park this summer.

During its informal discussion, the committee agreed that it did not seem wise to plan for one year alone as would be the result if a short-term organization were perfected. On the other hand, a self-perpetuating commission, with three new members taking office each year, would not only assure permanent activity, but also permit the creation of a program of advancement which would see the facilities of the park improved and extended each year.

Several suggestions were made regarding the presence of expert recreational directors at the Park during July and August of this year, but all definite organization was postponed pending tonight's action by Borough Council.

MOTHER-DAUGHTER

BANQUET TO BE HELD
The Palmyra Junior Women's Club will close a very successful year with the Mother-Daughter Banquet to be held at the Club House 7 p.m. Monday, May 17th.

"Their Husband" by Alice Gerstenberg, will be presented as the Club's entry in the Little Theatre Tournament. The play has been directed by Mrs. Robert H. Strahan and members of the cast are Miss Lisa Stein, Miss Florence Stephens, Mrs. Edward Florio, and Mrs. Edwin Moore. The judge of the plays, Mrs. Polly Neibling, and Miss Dorothea Love, State Chairman of the Drama Department, will be present.

Formal installation of officers for the coming year will be held at this time. They are: President, Miss Ruth Seebor; Vice-President, Mrs. Robert H. Strahan; Treasurer, Mrs. Louis Koppenhoefer; Corresponding Secretary, Mrs. Lawrence Schweizer; Recording Secretary, Miss Dorothy Wolcott.

WOMAN'S CLUB OF PALMYRA

Plans have been changed somewhat in regard to the annual breakfast for May 17th. The time, 11:30 a.m., remains the same, but members are requested to bring their sandwiches; coffee and dessert will be provided by the Music Department.

The regular annual meeting will follow when the yearly reports will be read and the new officers will be installed.

The club chorus will sing, with Mrs. D. Ros Haney directing.

**RED CROSS SEWING
DISCONTINUED FOR SUMMER**

There will be no further sewing for the Red Cross at the Riverton Public School on Monday of each week, this activity having been discontinued for the summer.

Those who have been engaged in this work are urged to devote their time in the surgical dressing project as additional help is greatly needed.

REPORT OF ROTARY DISTRICT MEETING

Last Thursday, Carl H. Thomas, president-elect of the Palmyra-Riverton-Rotary Club gave a summary of the activities of the District Conference of the 184th District, which was held in Wilmington, Del., May 2 and 3. Members of the local club who attended the conference with their wives, in addition to Mr. and Mrs. Thomas were Robert G. Adams, George T. Becton, George Friday and Harry B. Williams.

In his report, Mr. Thomas stated that membership in the district had increased materially during the year and that attendance at meetings averaged nearly 85 percent, a rise from 78 percent.

Marvin E. Porch, of the Gloucester Club, was nominated District Governor for the year 1943-44.

The Rev. Arthur H. Cleffman, of
Speakers

Wilmington, Presbyterian pastor, gave a most inspiring address on the topic "The American Citizen in the World of Today."
Other speakers were Milton Bacon, a nationally known humorist; Paul Burkholder, past district governor; K. H. Merritt, general manager of public relations, Railway Express; the Rev. Elwood Harrar, pastor of the First Baptist Church, Camden; Carl Bolte, of Slater, Missouri, a member of Rotary International Aims and Objectives committee and Wallace R. Deuel, foreign correspondent who spent over six years in Germany before and during the war representing the Chicago Daily News.

**FIRST AID COURSE STARTS
THURSDAY, MAY 13**

Thursday, May 13, a regular standard First Aid course will be given at the Riverton Country Club, under the direction of Richard Oliver, at 7:30 p.m. sharp.

This course is open to all those wishing to participate. Please come prepared to go to work, dressed in slacks and old shoes. Bring blanket, notebook and pencil, and two triangle bandages. (40" square of unbleached muslin cut in half diagonally).

BALLOON PRACTICE

On Monday afternoon a free balloon from a nearby Naval Training Station spent several hours in the vicinity of Riverton while a number of cadets were put through various exercises in landing and taking off. The balloon landed here after a trip from a starting point that was not announced.

Word of the incident passed about rapidly and a large crowd gathered to watch the proceedings.
While the tests were being conducted the large bag was anchored by a cable to a truck and after each ascent was brought back to earth by valving of gas.

Late in the afternoon the balloon was deflated and packed in the truck for transportation back to the base. Another balloon of the same type exploded near Erlon on Monday, killing three men who were aboard. This was evidently on the same type of maneuver as the one here.

**SPARKS MOTORS WILL
OPEN NEXT MONDAY**

On Monday of next week Carvel Sparks, of Riverton, will open the Sparks Motors in the garage opposite the freight station, Broad street, Riverton, where he will conduct a complete automobile business.

Mr. Sparks has had considerable experience in this field, having been a factory representative, a wholesale distributor and is thoroughly familiar with retail and repair operations.

The new establishment will buy and sell used cars, maintain a repair and official tire inspection service, together with free battery inspection.

TWENTY YEARS IN BUSINESS HERE

On Monday of this week, L. L. Keating's store at Broad and Main streets, Riverton, marked the twentieth anniversary of its opening, the inaugural taking place on May 10, 1923.

During this period, the genial proprietor has been assisted by Mrs. Keating and by Frank Curzie, until the latter joined the Army several months ago.
Mr. and Mrs. Keating wish to express their sincere appreciation for the patronage accorded them during the 20 year period. Their many friends in this section join in congratulating a local merchant who is never too busy to greet his customers with a cordial welcome and whose place of business renders an important service to the community.

SENIOR PLAY AT HIGH SCHOOL

"George Washington Slept Here" will be presented by a cast composed of members of the Senior class at Palmyra High School in the auditorium on Friday and Saturday nights of this week. The comedy, which is in three acts is by Moss Hart and George S. Kaufman.

The cast, under the direction of Miss Edna Ziegler, is as follows:

**HOODLUMS DESTROY
RIVERTON PROPERTY**

The loathsome activities of certain juveniles in Riverton reached a new low on Sunday of this week when they poisoned fish in a pool on the Hagatos property, Lippincott avenue, Riverton, in addition to destroying shrubs and flowers.

The police are investigating but, to date, have been unable to apprehend the offenders. Mr. Hagatos is offering a reward of \$25 for information leading to the arrest and conviction of those responsible for the damage.

The act is one of a series that have occurred locally of late and those who have caused the damage can be assured that more than a reprimand will await them when they are apprehended.

**RIVERTON PTA MEETS
WEDNESDAY, MAY 19**

The Riverton PTA will hold its last meeting of the year next Wednesday, May 19, at 3 p.m., in the school auditorium.

Movies of Camps Ockanickon and Matollionequay will be shown.
The children will entertain with some music under the direction of Mrs. Velma Comegys.
Business meeting and election of officers will take place.
Please come!

ENGAGED

Mrs. Myra Dilks, of East Riverton, announces the engagement of her daughter, Marie Anna, to Private John C. Adams, Jr., also of East Riverton. Private Adams is now stationed at Camp Wheeler, Georgia.
No date has been set for the wedding.

EXERCISES HERE SUNDAY MAY 16

In accordance with the Proclamation of the President of the United States, Burlington county will hold its annual celebration of "I Am An American Day," at Palmyra, Sunday, May 16. As in previous years patriotic groups from all parts of the county will take part in the parade and subsequent ceremonies. This year, the program will be one of action rather than words, as most of the time will be devoted to music and demonstrations. The parade will honor service men, newly naturalized citizens, and civilian defense groups. The stadium program will include band music, group singing and physical fitness demonstrations.

Donald R. Perry, assistant to the commissioner of immigration and naturalization will give the address of the day. Mr. Perry is also in charge of alien registration for the Philadelphia area.

Many students, parents and friends will witness the official induction of boys and girls into the Victory Corps.

The following program has been arranged:
Group Singing.
Drum and Bugle Corps Drill.
Band Drill.
"America."

Invocation—Father Coan.
Flag Salute—Led by Joe Kensler.
Welcome—Explanation of Victory Corps—James Hughes.
Induction of the Victory Corps—Mayor John Ward.
Speech—Donald R. Perry.
Group Singing.
Demonstration—Girls of the Victory Corps.
Demonstration—Boys of the Victory Corps.
Explanation of the Obstacle Course.
Benediction—Rev. Mr. S. Dan Morgan.
The Star Spangled Banner—Everybody.

YOUR VICTORY GARDEN By Dr. Charles H. Connors N. J. College of Agriculture

By this time the early plantings in
the garden are completed, and the
harvest of most things, except rad-
ishes, is not yet in sight. Some hard
work in gardening is at hand, and
yet these chores should not be too
much of a burden. They may even
bring pleasure and inspiration if ap-
proached in the right spirit.

Many persons are having a garden
for the first time. They have never
been intimately associated with
plants. The various operations per-
formed in maintaining the garden
should bring us closer to the plants
so that we might know them better.

The pleasure from learning how
plants develop and watching them
grow more than compensates for the
labor involved in raising them.

In the care of the garden, the first
job is cultivating. About once a
week the soil should be loosened, as
soon after a rain as it is possible to
do so without puddling. Various tools
may be used, the "right one" being
up to the operator. Many gardeners
use only a rake. Others stick to the
old-fashioned hoe, while still others
use the scuff-hoe or Dutch hoe. You
can use any implement that will keep
the top of the soil loose.

Cultivation does several things.
Foremost, it kills weeds before they
can make much growth. By loosening
the soil, it is possible for air to
enter and for gases to escape, for the
roots absorb oxygen and give off
noxious gases, in addition to the gas-
es formed by decomposition in the
soil. It also puts the soil in condi-
tion to absorb water when it falls.

If you did not apply fertilizer when
the soil was dug, a side-dressing
along the rows may be worked in by
cultivation. Do not cultivate deeper
than an inch or so, otherwise you
may cause injury to the roots of your
plants. Mulching, which will be ex-
plained next week, will save much
cultivating.

thinning plants. Today this impor-
tant garden practice will be explain-
ed. Take carrots as an example. To
secure fully developed roots, the in-
dividual plants should stand 2 to 3
inches apart. If you like to eat
young roots, the first thinning can be
to a distance of 1 inch. In thinning,
which should be done as soon as the
plants are 2 inches high, get the
fingers down into the soil a little so
that they can grasp the plant at the
base of the leaves. In this way the
whole plant will be pulled. Then, as
the roots come to size, the alternate
ones can be pulled for eating, allow-
ing the others to obtain better ma-
turity.

Beet tops make excellent greens.
The first thinning should be to a dis-
tance of an inch when the plants
are 2 or 3 inches high. If you have
thinned enough to cook, use them,
like spinach. Go over them again
when the beets are about one-quarter
to one-half inch in diameter, and
cook these. This should be the final
thinning. The plants should stand
about 3 inches apart. Use this same
procedure with the rest of your crops.
Snap beans should be thinned to
stand about 3 inches apart; sweet
corn, 12 inches for Golden Bantam
and 15 to 18 inches for taller vari-
eties.

Watch for Insects

Be on the lookout now for the
Mexican bean beetle. This is an al-
most circular insect, brownish with
16 spots, which eats holes through
the leaves of all kinds of beans. These
holes are the signs to watch for. Yel-
low eggs in clusters are laid on the
undersurface of the leaves. When
the holes appear, dust or spray with
rotenone. When the yellow spring
larvae hatch, they feed on the under-
surface of the leaf, skeletonizing it.
Any dust or spray used must be di-
rected upward so as to hit the sur-
face upon which the larvae are feed-
ing.

Watch for aphids on peas. As soon
as they appear, before they increase
too greatly in number, give them an
application of rotenone. With these
insects, the application must be
thorough, as the insecticide kills the
insect by contact and not through
feeding.

If any of your plants have small
"shot-holes," look for a tiny black
beetle that can jump. Such plants
as tomato, pepper, eggplant, turnip,
and cabbage may be the victims. Use
a dust of 1 part of calcium arsenate
and three parts of hydrated lime on
the foliage.

If you have planned your garden
properly, it may be time for the sec-
ond sowing of carrots, beets, snap
beans and corn. Repeated plantings
of these vegetables give a succession
of crops for use on the table.

PALMYRA BLANKED

Palmyra was defeated 7-0 last Fri-
day afternoon on the local field by a
smart club from Bordentown High
School. Weigand and Turner hurled
for the Diamondmen, with the latter

being particularly effective, only one
run being scored during his tenure.
This was of the unearned variety.

The homesters, who got only three
hits, had men on the paths during
several frames, but snappy twin-kil-
lings on the part of the visiting in-
field prevented any scoring activity.

The nearest Red and White
came to denting the rubber was in
the eighth when Caldwell was in
the next batter walked. The final Pal-
myra hit followed, but Caldwell was
out at the plate on a close decision.

Brown, of the opposition, poled a
homer in the general direction of
Parry, in the seventh, with one
aboard.

MORE GRASS FIRES

The usual epidemic of grass fires
occurred during the closing days of
last week and the rain on Saturday
night probably arrested the firemen
from having several additional runs
as a result of carelessness.

There were two calls Thursday
evening for fires at the westerly end
of Second street, Palmyra, another
Friday noon for one on Market, near
Fifth, and still another Saturday af-
ternoon for a blaze in the 900 Block,
Columbia avenue. No damage re-
sulted.

The Palmyra Company responded
to all calls and the Riverton firemen
went to three of the four, but their
services were not required.

BANKS AND THE WAR

After
We Win...

What will the new world be like? There will
be sweeping changes, beyond doubt. But
some things will not change. There will still
be homes, and families, and dreams. People
will marry, children will go to college, men
and women will engage in business. And
there will still be banks—ours and many
others—here to help people do these things,
to safeguard the funds of the thrifty, to lend
to the worthy, to give helpful advice and
counsel to all who seek it. Let's all work to-
gether for speedy Victory and hasten the day
when peace and plenty will be with us again.

YWCA NOTES

Miss Charlotte T. Niven, former executive secretary of the World's Council of the Young Women's Christian Association in Geneva, Switzerland, and until last year American member of the British YWCA staff, will speak at two teas to be held in the County next week for the general membership of the Burlington County YWCA.

The first tea will be held at the home of Mrs. G. Lloyd Cowan, Riverbank, Edgewater Park, Tuesday afternoon, May 18, at four o'clock. The second will be Wednesday, May 19, at four o'clock at the home of Mrs. B. Hubert Cooper, Haddonfield, Road, Moorestown. Members of the County association are offered an unusual opportunity of meeting one of the outstanding figures in the Young Women's Christian Association at these two affairs.

Within the past six years Miss Niven has visited most of the countries which constitute present or recent battlefields, including India, Burma and the Malay Peninsula. She also has traveled widely in this country and has lectured in many states and countries on international and religious subjects.

Miss Niven, from her international experience, believes that there is little hope of lasting cooperation among the nations of the world after the war unless there is plenty of give-and-take in the realm of practical affairs as well as in ideas. In making the peace, she believes that there must be a recognition that different races are at different stages of political and economic development. Nations like the United States, she feels, should interpret democracy to others in terms of underlying principles rather than in the forms which have been worked out here.

Miss Niven, whose home is in Dobbs Ferry, N. J., is an aunt of Thornton Wilder, nationally famous writer and playwright.

MISS CUMPTON SEES PRESIDENT AT AIR STATION

Ceremonies at one of the U. S. Naval Air Stations during the recent visit of President Franklin D. Roosevelt were described by May A. Cumpston, SP(T)3-c in a letter received recently by her parents. Miss Cumpston is a member of the WAVES and is assigned to duty as a Link Trainer operator.

"Today we reached the peak," she writes, "we formed a Guard of Honor for the President of the United States, and 27 of us drilled all by ourselves for him on the parade ground with several hundred WAVES. WAVE officers and 'boots' looking on. Mrs. Roosevelt was there too, and the President of Mexico and his wife, Sumner Welles, and I think, Admiral Leahy. Of course, we didn't know until we were all drawn up in formation in front of the Administration Building, just who was going to arrive. Rumor had been busy for two days. First we heard President and Mrs. Roosevelt. Then we heard just Mrs. Roosevelt, then one authority said it was all an idea from the Personnel Office and nobody was coming. We kept our fingers crossed and cleaned strenuously for two solid days.

"This morning at 11:30 we opened our immaculate lockers and stood beside them in our dress blues, white toppers and gloves. Two WAVE officers came in and inspected the barracks, wiping all likely spots with their white gloves. This was supposed to be a preliminary to the real thing, but actually nobody came.

"We then were told that all the ones on that side and all the ones on this side down to here would be in a special drill section and would fall out when told. By some miraculous stroke of luck, I was on this side before here, so was one of the appointed ones. We still were not told what we were to do after we fell out. When we walked out of the barracks there were two huge buses arriving. The special section then fell out and boarded a bus, still not knowing where we were going, or what we were expected to do. If they had put us on a ship and whisked us right off to Guadalcanal it would have been the same thing. We would never have known the difference. But such is Navy discipline that we all did

exactly the right thing at the right time.

Meet President

"By this time though, we did know that Mrs. Roosevelt was coming and was expected to have lunch in our chow hall. We were taken right to the Administration Building where 27 Seamen Guard and 27 Marines were lined up very beautifully facing the building, backs to the road. The Marines were in the Middle, the sailors on the right, and we were on the left. Of course we stood and stood and stood at 'Parade Rest' until we thought that they would never come. There were Marine Guards everywhere, even on the nest. All the windows were jammed. Two sailors and a Boatwain's Mate were on top of the tower ready to hoist the President's flag and the Mexican flag. The officers were all in their dress whites and looked beautiful. There were eight sideboys and another Boatwain's Mate at the end of the drive and a Bugler.

"Suddenly the Boatwain's Mate on the nest pointed down the road. We were 'at ease' so all turned around and gawked. Sure enough, there they were, a whole slew of cars led by a jeep. We were called to attention, the cars rolled up to the door. The bugler bugled, the chief by the drive piped shrilly—the most wonderful sound I've ever heard—and the President was officially 'aboard.' Of course we were supposed to keep our eyes straight ahead, but since they were pretty far away, we managed to pick them out, although we could see only the President's Panama hat and one eye. Mrs. Roosevelt was in a lovely shade of blue.

"Admirals and Sumner Welles and some lesser fry got out but the two presidents sat in the car. The band played the Mexican National Anthem and then the Star Spangled Banner. It was the most terrific sensation. Then it was all over and they drove off to lunch and a tour of the base. We went to lunch, too, but didn't manage to hear anything Mrs. Roosevelt said as we were too far back. She made a speech.

"We then went out on the 'Grinder' with our favorite Boatwain's Mate, First Class, and drilled for about an hour. All the Boots stood in formation and watched as did the other WAVES and a whole flock of WAVE officers. We thought the official party would never come and of course none of us could leave until they did. Finally they arrived and all the cars stopped. There was the President as large as life and right on our side. I, being one of the shortest was on the end and so when we marched to the rear we walked right toward the President and had a good look. They dashed off again and we were swept into the bus and back to the Administration Building to go through the same thing again in order to get them all off the stage.

"Of course we stood for just ages again in the same formation but we suddenly saw a whole cloud of planes coming down the coastline. They gave us all 'Left Face' and let us see the whole thing. It was wonderful. I don't know how many planes there were, but enough to make a gorgeous display. The big patrol bombers came first. It was like watching the wild geese come

in only more stately. They flew right past, then the dive bombers came back and actually dived, and some actually dropped bombs. We were so excited we couldn't keep quiet and all talked among ourselves.

"After this the whole entourage whisked back to the Administration building. We did the same ceremony with the bugle and the two National Anthems again, and they were off. We then went home and collapsed. I slept for two hours. Now I've seen everything I'm sure."

SPEAKERS FOR JERSEY BANKERS ASSOCIATION WAR CONFERENCE LISTED
With Senator Harry Flood Byrd of Virginia heading the list, F. Palmer Armstrong, President of the New Jersey Bankers Association, announced the speakers for the War Conference of the association to be held Friday and Saturday, May 14-15 at the Hotel Pennsylvania, New York City.

The meeting, which will be a streamlined, wartime substitute for the annual convention usually held at Atlantic City, will be dedicated to the problems of efficient bank service in war time and stimulating War Bond purchases by the public, according to President Armstrong, who is president of the Keyport Banking Co. New York was chosen as the meeting place because Atlantic City's larger hotels are now serving as Army training centers, and other Jersey cities are too crowded with war work to furnish suitable accommodations.

The speakers listed by President Armstrong, in addition to Senator Byrd include: Dr. Clark Eichelberger, director of the Commission to study the organization of Peace; Dr. E. E. Agger, Commissioner of Banking Insurance in New Jersey and head of the Bureau of Economic Research of Rutgers University; William H. Speer, General Counsel of the Public Service Corporation of New Jersey, Newark; Frederick W. Hetzel, Assistant Vice President of the Trust Company of New Jersey, Jersey City.

Officers of the Association, in addition to Mr. Armstrong, are vice-president Joseph G. Parr, who is President of the Trust Company of New Jersey, Jersey City; Treasurer Frank D. Abell, who is President of the First National Bank of Morristown, and Armit H. Coate, Secretary, Moorestown, N. J. The War Conference program is under direction of a committee headed by Frank H. Allen, Executive Vice-President of the Seacoast Trust Co., of Asbury Park.

THE PEOPLE'S COLUMN

The New Era, Gentlemen:

I am writing to tell you about what I believe is a magnificent tribute to the patriotism of the American people.

As you know, there has been considerable speculation and talk concerning the effect that increased taxes might have on the sale and redemption of United States Savings Bonds.

You will be delighted to know that during March, when the first Tax installment fell due, bond sales were 6.4 percent higher than in February, and more than 65 percent ahead of March, 1942.

The story on redemptions is equally encouraging. From May 1, 1941, when U. S. Savings Bonds (Series E, F, and G) were first offered for sale, through March 31, 1943, redemptions have been less than 3 1/2 percent of total sales. And redemptions during March this year were only eighty-seven one-hundredths of one percent of the total amount outstanding. That's a record that all Americans can well be proud of.

What it shows is that we as a Nation fully realize the privilege that is ours to do our part in helping to finance the tremendous costs of total war. It shows that as a people we understand the necessity not only for buying War Bonds but also for keeping them.

Many thanks for all you have done, and for your continuing efforts to make the War Savings program successful.

Sincerely,
(Signed) E. W. Sloan
Executive Director

Keystone Automobile Club's protest against "the laxity of an administrative system which facilitates the theft of ration coupons" has resulted in OPA ordering a check of the handling of ration materials, with a view to prevention of further thefts.

Trevor B. Mathews, Manager of the Camden Division of the Club, yesterday made public a reply received by Keystone from Prentiss M. Brown, OPA Administrator, to a telegram from J. Maxwell Smith, President of the Club, urging OPA to tighten administrative practices to

prevent theft of coupons, the loss of which completely neutralizes the savings effected through rationing.

Administrator Brown's letter said: "The recent theft of a large volume of gasoline and fuel oil ration coupons in Trenton, New Jersey, is indeed distressing. We are taking all possible steps to place the responsibility for conditions in the Trenton office which made this theft possible and are further checking the current handling of materials to be sure that the opportunities for such thefts do not occur in other places."

"You can appreciate, I am sure, that with the heavy demands made daily on local boards for ration currency for many commodities, and with the inadequate facilities which most of our boards have because of our reliance on contributed space, it has been exceedingly difficult to develop controls which will completely eliminate the possibility of theft. We are, however, carrying on a constant campaign on this point and have enlisted the aid of federal law enforcement agencies both in the safeguarding of these materials and in the apprehension and prosecution of those responsible for the thefts."

"TOO OLD TO EAT"

As the average life span is gradually extended more thought must be spent on making old age livable and enjoyable.

Loss of appetite, a dimming of life's flame, the slowing up of digestive functions and lack of exercise, all contribute to the state of chronic nutritional deficiency so often found among the aged.

Green vegetables, milk, and fruits are often shunned and too much reliance is placed on carbohydrate or starchy foods.

Fresh fruits at breakfast time with a glass of milk, soups and salads at lunchtime, and a tastily prepared green vegetable at the evening meal are not hard to take at any age, yet they go far towards supplying necessary protective food factors.

Another glass of warm milk at bedtime promotes sleep and insures the drinking of a pint of milk a day. A diet deficient in vitamins and minerals often causes irritability, insomnia and worry, and favors the occurrence of infection and the onset of degenerative diseases.

After 60, protective foods should constitute the bulk of the diet. Energy foods may then be added as needed and desired.

Dr. A. L. Chapman.

SACRED HEART P.T.A.

The regular meeting of the Sacred Heart P.T.A. will be held in the School Hall Thursday evening, May 13, 1943, at 8 o'clock.

Mrs. Wm. Thorne, Diocesan Regent of Parent-Teacher Associations from Trenton, will install the following officers at this annual May election of officers.

Mrs. Wm. O'Keefe—president, who succeeds Mrs. Herbert J. Kemmerle.

Mrs. Frank Hamlin, Recording secretary.

Mrs. Xavier Walters, treasurer. Other officers who will serve with Mrs. O'Keefe for the coming year are:

Mrs. Clovis Lereaux, corresponding secretary.

Mrs. Leo Wallace, 1st vice president.

Mrs. Charles Rossel, 2nd vice president.

Mrs. Edwin Collar, 3rd vice president.

How much easier our work would be if we put forth as much effort trying to improve the quality of it as most of us do trying to find excuses for not properly attending to it.—George W. Ballinger.

BULLETIN BOARD
To Users of Long Distance
Now! More than ever, unnecessary calls should be kept off the long distance telephone lines so that the rapidly rising volume of war calls can have clear passage.
Especially—avoid unnecessary calls to war-busy areas in the South and Mid-West—Washington, Atlanta, Norfolk, Richmond, Cleveland, Dayton and St. Louis.
Keep the lines clear for war calls!

Look! Listen! Live!

Tongues of the victims of the grade crossing accident shown here were wagging faster than the wig-wag warning signal as the car approached the grade crossing—wagging so fast the three occupants of the car didn't see the crossing watchman either, holding his STOP sign high.
Two of the talkers were killed when the train hit them, including the driver, the car was badly damaged and the train delayed one hour.

The surviving occupant of the car said all three had been conversing, diverting the driver's mind from concentration on what always should be a full-time job for a driver—driving his car.
The National Safety Council is conducting a special campaign to stop these accidents, which every day delay 28 trains a total of 22 hours—a blow at transportation facilities which the nation cannot afford, least of all in wartime.

Westfield Friends' School

Westfield Friends' will be the meeting place for the spring conference for the principals of the Friends' Elementary Schools of the Philadelphia and Baltimore areas. The conference will be held on Friday, May 14th. The main topic for discussion will be, "Are We Living Democracy in Our Schools?" Luncheon will be served out of doors by a committee of mothers of Westfield. A Meeting for Worship will follow luncheon after which other problems concerning the group will be considered.

YWCA OFFICIALS TO ENTERTAIN MEMBERS

The Board of Directors of the Burlington County Young Women's Christian Association is entertaining the membership at two teas on May 18th and 19th respectively. On May 18th at the home of Mrs. Lloyd Cowan at Edgewater Park, a committee composed of board members at that particular area will serve with Mrs. Cowan as hostesses for the tea. This committee includes: Mrs. Hen-

ry H. Albertson, Mrs. Walter R. Anderson, Mrs. Samuel R. Probasco, Miss Dorothy B. Sholl, Mrs. Carlton W. Tillinghast, of Burlington, Mrs. Howard S. Coe, Riverton, Mrs. Edwin S. Gernant, Riverside, Mrs. Mae B. Hendon, Bordentown, Mrs. James E. Hitchcock, Mrs. Otto P. Mann, Beverly, Mrs. G. Elliott Krusen, Delanco, Mrs. Jerre F. Moreland, Florence, Mrs. Alexander Sarka, Palmyra.

On May 19th, Mrs. B. Hubert Cooper, of Moorestown, will entertain the membership in that area at her home on Kings Highway. She will be assisted by Mrs. Alexander C. Wood, Jr., Mrs. William Matlack, Mrs. John W. Thacher, Mrs. Richard Rhoads and Mrs. Charles H. Wright, who are on the board of directors from Moorestown.

The guest speaker for the occasions is Miss Charlotte Niven of the World YWCA. Miss Niven's broad experience in various places in the world will add color to her interpretation of the work of the YWCA to the membership.

COMMUNITY CENTER

Palmyra, Riverton and Cinnaminson youth held a mass meeting Thursday evening, May 13, to elect a youth council who will aid in the administration and supervision of the Community building.

The citizens of the three communities have generously provided a center where the young people may go for recreation any evening during the week except Sunday. It is felt by the board of directors that this project, properly organized, will in some measure compensate for the lack of home influence caused by the war time activity of both fathers and mothers.

Many of the young people have expressed a willingness to help conduct their own affairs. However, it is necessary that an adult be in attendance at the center at all times. The present schedule calls for two adults regularly employed and one adult volunteer per week. The young people themselves will organize to dispense equipment and operate the record player for dances. The council will also draw up and enforce basic rules of conduct for games and dances. This system is expected not only to operate the center efficiently but to develop initiative and responsibility on the part of each youth.

NOTICE

The physicians of Riverton and Palmyra announce a new schedule of fees. An office visit is two dollars and a house call three dollars. After 10 p.m., five dollars will be charged for a house call.

LOCAL DOG WINS HONORS AT TRENTON SHOW

Last Sunday, Champion Token of Pocono C. D., a Shetland Sheep Dog, owned and showed by R. M. Entwistle, of Palmyra, won Best of Winners and the final points to complete his championship.

This is the second honor to be won by this outstanding dog. Last year he was awarded his C. D. degree for his performance in obedience trials. The completion of his championship proves that he possesses that rare combination—beauty and brains.

CALVARY PRESBYTERIAN CHURCH
Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor
Today, under the impact of war, many of us are becoming acquainted with the things that we once thought were altogether necessary, and that we now discover we can do very well without. On the home front, where all the veneer has been peeled off, and men in uniform stand face to face with reality, many are learning the nature of the things that we can not do without. Once it was believed by many sincere souls that prayer was nothing more than a religious luxury. Today, on the battlefronts of the world, it has the first priority. We at home are not learning so quickly nor so thoroughly as those in more dangerous places, yet we are slowly learning to distinguish more clearly between those realities

that are dispensable and those that are indispensable.

Next Sunday morning our worship theme will be, "The Indispensable Christ," the One that we can not do without. The choir will render the anthem, "Hark, Hark, My Soul," by Shelley. Children may be left in the Church Nursery during the hour of Divine worship. Mrs. Murray Kirkpatrick and Miss Mary Jane DeCoursey will be in charge of the nursery. The service of worship commences at eleven o'clock.

Another Christian "indispensable" is a working knowledge of the Bible.

They also expect to improve the lighting and general stage facilities. Help Wanted, Carpenters, Electricians, Designers, Needleworkers. Experience secondary to a willingness to work together. Apply any Sunday evening at the Parish House.

In an impressive ceremony at the 8:00 o'clock service last Sunday morning the rector of Christ Church, the Reverend F. B. Downs-admitted several new members to the Server's Guild and advanced three to become Altar Servers.

With over thirty of the former members of this organization now in our Country's forces, it has been found necessary to admit some at an earlier age than formerly so that the ranks may be kept full. Including the newly admitted there are now twenty-five active members.

Those who were admitted to the first step in membership were: Charles Earp, 3rd, Peter Evert, Thomas Hughes, and Jack Moorehouse, and Dewees Showell, Jr. Ted Clelland, Donald Garwood and Francis Huber, Jr., were made Altar Servers. Both groups were presented by John Rogers, the warden of the Guild, assisted by Walter Smith.

DAY TEST ALERT

Civilian Defense forces were mobilized in New Jersey shortly after 10 o'clock on Wednesday morning of

this week in a test alert that lasted until 10:50, when hts. all clear was sounded.

The test proceeded smoothly with the exception that communities in this section did not receive the all-clear until 11:20.

The alert afforded an opportunity for the day forces to man their posts for the first time in several months.

THE NEW ERA, THURSDAY, MAY 20, 1943

PRICE FIVE CENTS

RIVERTON A. A. TO PLAY SUNDAY

Organized baseball will start for the season on Sunday, May 23, at Memorial Park, Riverton, when the Riverton A. A. will oppose Beverly in a game that is slated to get under way at 2:45 o'clock. Both teams are members of the Burlington County League. The circuit also includes entries from Palmyra, Medford, Mt. Holly and the Riverside Metal Co. Jake Gotta, who successfully piloted the locals last year will manage the team during the current season. Mr. Gotta stated this week that the team will be fast and predicts that Riverton should be among the leaders in the loop.

Lineup
 On Sunday the team will probably lineup as follows:
 Bacon, 3b
 Raff, 1f
 Sutter, cf
 Shinn, ss
 Diffenbaugh, rf
 Walton, c
 Cole, 2b
 Christie, lb
 Van Emburgh, p
 Reserves include Foulkes, Durgin and Falkner.

Under the supervision of Dunbar Hilton of the Riverton highway department the diamond has been placed in excellent shape for the season and everything is in readiness for the ump's call "play ball." Local fans are urged to come out and give the team the support and they can be assured that a hustling aggregation will provide them a good ball game.

HOW FINGERPRINTING IS ACCOMPLISHED

A most interesting talk on fingerprinting was given to the members of the local Business and Professional Men's Club on Tuesday of this week by G. Clinton Zeller, assistant detective of Burlington county. Mr. Zeller illustrated his talk with an exhibit of the various materials used in this phase of criminal detection, including camera and the numerous substances used to bring out latent prints.

He stated that the Chinese first used fingerprints on legal documents over 4,000 years ago, but they were not able at that time to learn of their true significance.

Fingerprints were first used as a positive method of identification during the latter part of the 1800's when a Sir Henry of India employed such a procedure with native pensioners to prevent relatives from collecting after a pensioner had died.

Many in Washington
 Mr. Zeller said that there are over 15,000,000 sets of criminal prints on file in Washington, in addition to 10 to 15 million civilian prints.

The system of classifying these has reached a point that almost any print, after classification, can be identified within a period of three to five minutes if a copy is in the files. The speaker said that fingerprints have also proved most valuable in identifying dead people when other means fail, especially in the case of those who may have been drowned. Mr. Zeller answered a number of questions by the members at the conclusion of his talk.

GASOLINE FOR SERVICE MEN ON FURLOUGH

Orders have been received at the local ration board that service men presenting furlough papers for three days or longer can now receive up to five gallons of gasoline.

FIFTH ANNIVERSARY OF BETHANY LUTHERAN

Bethany Evangelical Lutheran Church, Palmyra, will celebrate the fifth anniversary of the congregation this Sunday, May 23, with services at 11:00 a.m. The Rev. Arthur E. M. Yeagy, pastor of Messiah Lutheran Church, Larchmont, Pa., will be the speaker.

The congregation was organized by Dr. Calvin P. Swank, Supt. of missions of Central Penna. Synod of the United Lutheran Church. The Rev. Oliver D. Powers was later sent by the Board of American Missions as the appointed pastor of the new congregation. Under Pastor Powers' wise and experienced leadership the congregation grew and soon found itself in a new building with excellent physical facilities. In May, 1940, the Rev. Harold Lee Rowe came to the congregation as pastor.

The congregation was organized in 1938 with 145 charter members. Today the congregation has 276 confirmed members. At the Anniversary service representatives of the various organizations of the church will present gifts to the congregation. Individuals of the congregation will present gifts also. Special musical numbers will be presented under the leadership of Mr. Dane C. Philo, of Delanco, who recently has been selected as choir director.

 Army men left 9 a.m. Tuesday of this week for Fort Dix.
 Bonham, Brown, Eck, Eckert, Fichter and Woodward go into the Navy, while Flournoy and VanEmburgh join the Marines. The others will enter the Army.

REV. E. A. HARRAR ADDRESSES ROTARY

The Rev. Elwood A. Harrar, pastor of the First Baptist Church in Camden and widely known as an inspirational speaker, addressed the local Rotary Club last week on the qualities which organizations must have if they expect to endure. He was introduced by Thomas Vanderveer, President of the Camden Rotary Club.

Institutions of all kinds, said Dr. Harrar, are being examined as never before to see if they are worth perpetuating and institutions are but the lengthened shadows of men. Hence we must examine the men which comprise the institutions.

Enterprise, he said, should be more social, less personal—ethics, not profits, create our standards,—service, not success, measure our worth. The business of life is to lift, strengthen and encourage others. Doing one's "bit" is not enough in these days. One should be ashamed of not doing his best.

Two new members were inducted in the club by Past District Governor Paul Engle, Harry Johnson, of Riverton, with the classification of Photo Engraving and Donald M. Patterson, with the classification of drugs manufacturing.

NEW RATION BOOK

With mailmen beginning this week to deliver to each family in the State an application card for War Ration Book Three, William H. McKenna, Chief Rationing Officer in the Newark District OPA office outlined instructions to guide applicants in filling out and mailing them.

Emphasizing that War Ration Book Three is merely a replacement book to be used when Ration Books One and Two are used up, McKenna said that OPA would notify the public when the new book can be used. He urged everyone to fill out the application card promptly and drop it into a mail box, retaining only the identification stub at the top of the card.

Mailmen will complete distribution of the cards by June 5, but distribution of the books is scheduled to begin on June 2, when 13,000 Newark High school students and 800 teachers supervised by OPA representatives will begin mailing the ration books based on the application cards returned by that date.

The instructions for filling in and mailing the application cards follow:
 1. Detach the narrow identification stub at the top of the card and keep it.

2. A family unit should use a single card to apply for its books.

(a) The name and address of the head of the family should be entered in the space provided for "person to whom books are to be mailed." Print clearly.

(b) The name and address of the head of the family should be entered a second time in the space indicated at the top of the lower part of the card.

(c) The name of the head of the family should be entered again on the first of the numbered lines provided at the bottom of the card for the names of members of the family eligible to receive Ration Book Three. List all eligible members of the family here, with their dates of birth. If there is not enough room here for all the names, use the additional space provided on the other side of the card.

3. Every man, woman, and child is eligible for Ration Book Three except persons in the Armed Forces Army, Navy, Marines, Coast Guard, and Women's Auxiliaries and inmates of institutions of involuntary confinement.

4. Persons living with a family unit, but not related by blood, marriage or adoption, and persons living away from home for more than six days must fill out a separate application card.

5. Place a stamp in the space indicated on the face of the card; a two-cent stamp if you live in Newark, otherwise a three-cent stamp, and drop the entire card (except the identification stub, which you detach and keep) in a mail box. The card is already addressed properly to OPA Mailing Center, Newark, N. J.

6. If you do not receive an application card in the mail by June 6 or 7, or if you spoil your card and need another, go to your local post office for one.

7. If you have mailed in your application card promptly you will receive your War Ration Book Three by June 20.

8. War Ration Book Three is not to be used until the government announces the date on which it can be used. It is intended to replace War Ration Book One and Two when they are used up.

HONOR ROLL

The names of 480 men from Palmyra who are serving in the various armed forces of the Nation were placed in the Honor Roll frame, near borough hall, during the early part of this week.

Three names are started for those reported missing in action, these being W. W. Graham, Jr., James T. Dougherty and George Zink, Jr.

TIRE INSPECTION

"C" gasoline holders must have tires inspected on May 31-1943.

The schedule of tire inspection periods is listed below for the convenience of motorists:
 "A" card holders second inspection must be made by September 30, 1943.
 "B" card holders second inspection must be made by June 30, 1943.
 "C" card holders second inspection must be made by May 31, 1943.

No supplemental gasoline will be issued after these dates unless inspections have been made.

COUNTY TOPS QUOTA

Burlington county exceeded its quota in the recent Red Cross War Fund campaign by nearly \$4,000 according to an announcement made this week. At the present time the sum of \$88,606.89 has already been turned over to the Burlington County Chapter and an additional \$7,678.88 has been definitely promised. This makes a total of \$96,285.77 against the quota of \$92,500.

Although several branches failed to meet their quotas, the fact that nearly \$16,000 was donated by civilian and enlisted personnel at Fort Dix enabled the county to go over the top in the drive.

FIRST ANNUAL PHS ORCHESTRA CONCERT

The Palmyra High School Orchestra, under the direction of Walter Pew, will give a concert on Friday, May 28, at 8:15 p.m. This is the first program given by the orchestra since Mr. Pew became instrumental instructor four years ago.

The program will include the Poet and Peasant Overture by Von Suppe, and the four Indian Love Lyrics of Finden. The members of the organization are as follows: Eileen Rae, Franklin Perkins, Elsie Kercher, Laura Nebel, John Malinowski, Dorothy Leyshon, Margaret Diles, Doris Myers, Corinne Hansen, David Leyshon, Caroline Haney, Larry Hewlett, Lillian Wells, Raymond Oram, Joan Dongahy, Robert Gilmore, Richard Durgin, Henry Smith, James Marshall, Russell Farrow, Georgia Haefer, Dorothy Lloyd, Herbert Lefferts, Courtney Houston, Alvin Holman, Jean Hogeland, Laura Yerkes, Beatrice Houston, Arthur Hoyt, Sam Avena, Jay Edwards, Antonette Eppolite, Robert Latch, Virginia Miles.

MANY ATTEND SACRED HEART PTA MEETING

At the meeting of the Sacred Heart P.T.A. held last Thursday in the school auditorium most interesting reports were read by the ladies who held various offices during the past year. These reports showed all present the wonderful work done by the association during the last 12 months.

Mrs. William Thorne, diocesan regent of P.T.A. associations, from Trenton, was present to install the following officers:
 Mrs. Wm. O'Keefe, president; Mrs. Frank Hamlin, recording secretary; Mrs. Xavier Walters, treasurer; Mrs. Clovis Loreaux, corresponding secretary; Mrs. Leo Wallace, 1st vice president; Mrs. Charles Rosell, 2nd vice president; Mrs. Edwin Collar, 3rd vice president.

After the business session Mrs. Herbert Kemmerle, retiring president, asked all new officers and past officers, the Rev. William F. Quinn, the Rev. Francis Coan, along with the captain and all the collectors of the P.T.A. Merchandise Club to be remain as her guests. Forty-five were served delicious refreshments.

BIRTH

Mr. and Mrs. Lawrence J. Downs, of East Riverton, are receiving congratulations on the birth of a son, Lawrence J., Jr., in Zurburg Memorial Hospital, Riverside, on Monday of last week.

A FRIEND IN NEED

You would "work your fingers to the bone" if your son came home a war casualty. We hope you have been spared that, but thousands of boys have already come back from active service and are in American hospitals.

The needs of these hospitals are legion, but one of the pressing and important ones is surgical dressings. To be sure the making of surgical dressings is not one of the most dramatic phases of volunteer service, but it is none the less vital, and is of tremendous importance.

Many of the volunteers have done fine work and some are continuing, but there are others who "have wearied in well doing."

Riverton's quota for dressings has been high but it is higher now because of the greatly increased number of patients in the service hospitals. More volunteers are needed.

If you are one of the women who made these dressings you know you can do it. Won't you pledge a definite number of hours each week to help? Even if it is only two hours a week the committee will be most grateful if they can count definitely on those two hours.

If you are one of the women who have not yet made them don't let anyone discourage you about trying. It becomes easier and you work more quickly with each effort.

You would want your friends to help if your boy needed them. Aren't you willing to be a friend to some other woman's son?

You can come to the Riverton school on Tuesday, Wednesday and Thursday during the day and on Thursday evening at 7:30.

SERVICE ORGANIZATION IS UNDER NEW NAME

At a meeting of the board of trustees of the Riverton-Cinnaminson Welfare Association held on Tuesday night of this week, it was voted to change the name of the organization to The Family Service Council of Riverton and Cinnaminson.

The resolution which authorized the change read in part:

"WHEREAS the welfare Association of Riverton and Cinnaminson has for some years suffered from a public misapprehension of its name, and
 "WHEREAS the term 'Welfare' does both denote and connote the administration of monies to the indigent, and,
 "WHEREAS the chief concern of the said association is the adjustment of individuals in their several social environments, now therefore,
 "BE IT RESOLVED that, the name of said Riverton-Cinnaminson Welfare Association be changed to The Family Service Council of Riverton and Cinnaminson . . ."

V-5 NAVAL CADETS

On Tuesday of this week, Ensign Henry W. Ries, Jr., member of the Naval Aviation Cadet Selection Board was a luncheon guest at Palmyra High School, following which he had a conference with six boys who are entered in the V-5 Naval Aviation School, which starts July 1. They will be enrolled as apprentice seamen and their course will lead to their being commissioned Ensign in the Navy Reserve or 2nd Lieutenant in the Marine Corps Reserve. They will spend one year in college and another in actual flight training, upon completion of which they will receive their wings.

William Bennett was named the group wing leader and the other members are Thomas Cardea, William Rodney Sims, George Steele, Jr., Warren Jensen and Frank Ely.

CONWELL PLACES SECOND

Ed Conwell, of Riverton, N. Y. U. freshman, placed second in the 100 yard dash Saturday at the ICAA meet which was held in New York City. Conwell also qualified for the finals in the 220.

MARTIN-JOHNSON

Miss Margaret Mary Johnson, daughter of Mr. and Mrs. Charles Johnson, 115 Fowler avenue, Haddonfield, became the bride of Corporal Bernard C. Martin, son of Mrs. Lillian R. Martin, formerly of 37 Rowland street, Palmyra, on Saturday, May 15th in R. C. Church of Christ the King, Haddonfield, Reverend Father Flannigan officiating.

The attendants were Miss Dolores Maguire, cousin of the bride, and Elmer A. Killian, brother of the groom.

After a reception at the home of the bride's parents, the couple left for Tacoma, Washington, where the groom is stationed.

RED CROSS NOTES

Following the usual procedure, the Burlington County Chapter, American Red Cross will again conduct a water safety program during a 10-week period this summer at the various swimming places throughout the county. This program is aimed

toward creating better and safer water recreation for all.

Those in charge of the project feel that there is a pressing need for swimming instruction this year because of the shortage of professional guards. This means that those indulging in this sport should be able to take care of themselves without reliance on others.

The Red Cross will provide an instructor to visit the various swimming places where swimming and life saving classes will be conducted.

Anyone interested in securing this position is asked to apply to Charles H. Wright, Jr., county water safety chairman, 103 Warren St., Beverly. The requirements are that the applicant shall be at least 18 years of age and have had life saving and swimming experience, preferably as an instructor. An automobile is required as are character references.

Prudence is a conformity to the rules of reason, truth, and decency, at all times and in all circumstances.—John Mason.

CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist
Thomas Ave., at Seventh St.
Riverton, N. J.

"Soul and Body" is the Lesson-
Sermon subject for Sunday, May 23,
in all Christian Science Churches and
Societies throughout the world.

The Golden Text is: "We all, with
open face beholding as in a glass the
glory of the Lord, are changed into
the same image from glory to glory,
even as by the Spirit of the Lord."
(11 Cor. 3:18)

Among the Lesson-Sermon cita-
tions is the following from the Bible:
"As for me, I will behold thy face
in righteousness: I shall be satisfied,
when I awake, with thy likeness."
(Ps. 17:15)

The Lesson-Sermon also includes
the following passage from the Chris-
tian Science textbook, "Science and
Health with Key to the Scriptures"
by Mary Baker Eddy: "Identity is the
reflection of Spirit, the reflection in
multifarious forms of the living
Principle, Love" (p. 477)

CENTRAL BAPTIST CHURCH

Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor

To the new residents and visitors
of Palmyra and Riverton, Central
Baptist extends a cordial welcome.

Alexander the Great lived 350 years
before Christ. He made a list of the
Seven Wonders of the World. All
those but the Pyramids of Egypt are
now dust. We might choose the ra-
dio, telephone, airplane, Radium, an-
esthesia, X-ray, and the Spectrum
Analysis as the Seven Wonders of
Modern Science. In this World of
today it would be easier to list sev-
enty times seven wonders but they,
as of old, are ever changing or will
pass away. Never changing, never
growing old or useless are the Seven
Wonders of Christianity. The first
of these is Christianity's God. He
is the Supreme Wonder, The Creator.
Not an image or an unknown but the
everpresent, living and loving God.
As is told in the first Chapter of
Genesis—"In the beginning God—"

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

The Good Fellowship Club will
meet on Friday evening, May 21, at
seven o'clock in the gymnasium,
when a turkey dinner will be served.
After dinner, there will be a program
of colored movies.

Church School will be held at ten
o'clock Sunday morning, with classes
for all ages. The Men's Bible Class
will meet in the gymnasium at ten.

We are looking forward expectant-
ly to the first Sunday in June, when
our new memorial pipe organ will be
installed and ready for use. The old
organ has now been removed, and
the work of installation is proceeding
rapidly. We hope to dedicate the
"James Paul Roney Memorial Or-
gan" at the service of Communion
on Sunday, June 13.

The following is the plan for the
morning services of Divine Worship
for the next few weeks:

Sunday, May 23: The Pastor will
deliver the first of a series of two
sermons on the much criticized con-
viction of the Apostle Paul, "All
things work together for good to
them that love God, to them who are
called according to His purpose."

The series topic is, A Great Chris-
tian Conviction. The choir will ren-
der the anthem, "Ninety and Nine"
by Gailbraith. Mrs. Loren Thompson
and Miss Elaine Friday will be in
charge of the Church Nursery.

Sunday, May 30: Pastor's topic, "A
Great Christian Conviction. Part II.
"It's Dangers and Its Relevance To
Life."

Sunday, June 6: Baccalaureate Ser-
vice. We shall be hosts to the grad-
uating class of the Palmyra High
School.

Sunday, June 13: The Sacrament
of the Lord's Supper will be admin-
istered. The Preparatory Service will
be held on Friday evening, June 11,
at 8:00 o'clock.

Sunday, June 20: The annual
Children's Day service will be held.
All of these services will commence
at 11:00 a.m.

The Christian Endeavor groups
will meet on Sunday evening, May
23, at 7:15 p.m. Our young people
are asked to note carefully the change
in the time of meeting. The last
C. E. meeting prior to the Summer
vacation will be held on Sunday eve-
ning, June 6, and will be a Consec-
ration Meeting conducted by the In-
termediate group.

On Wednesday evening, May 26,
the Calvary Forum Hour will be held,
commencing at 8:00 o'clock. The
subject of discussion will be based
on the findings of the Delaware Con-
ference, as these have been summa-
rized in the booklet, "The Churches
and a Just and Durable Peace."

"Flower Arrangements"
Mrs. Harry G. Reiger, a member

of the Roxborough Garden Club and
a well-known lecturer on the subject
of flower arrangements, will be the
guest speaker at an afternoon tea to
be held in the Social Hall on Satur-
day afternoon, May 22, from two to
four-thirty p.m. Mrs. Reiger will
speak at 2:30. This event is spon-
sored by the Evening Group of the
Women's Missionary Society, and
should be of interest to all garden
lovers in the twin cities. A cordial
invitation is extended to all ladies of
the communities. A silver offering
will be received.

WILL COOPERATE ON PARK ACTIVITIES

At the meeting of Riverton Bor-
ough Council held on Thursday night
of last week, the governing body
considered a request from the Parent-
Teacher Association that a recrea-
tion supervisor be appointed to serve
at Memorial Park during the sum-
mer months and that a park com-
mission be organized.

Council pledged full cooperation
with the P.T.A. in respect to hiring
a director, but held the matter of
naming a commission over pending
further consideration of the propo-
sal.

RED CROSS + NEWS

The first complete mobilization of
the Burlington County Red Cross
Motor Corps will take place on June
1, over 150 members of the organi-
zation are expected to convene at the
home of Miss Alice C. Jones, High
street, Mt. Holly for a program that
will begin at 5:30 p.m. Miss Jones
is the county Captain of the Corps.
Members will bring their supper,
which will be eaten on the grounds
of the Jones home.

A feature of the affair will be a
competitive first aid contest between
the 12 branches of the organization
which is one of the most active of
the Burlington County Chapter.

Junior Red Cross

The First Aid Class in the Junior
Red Cross Club of the Riverton Pub-
lic School finished their course and
were awarded certificates on Monday
of this week by Mrs. Nathan Lane,
chairman of the Riverton-Cinnamin-
son Branch. Mrs. Murgatroyd was
the very capable and helpful instruc-
tor for this class.

The Junior Red Cross is now giv-
ing its time to painting trays for the
County Canteen Service. The trays
were second hand trays somewhat
rusted and stained and in need of re-
finishing. The Juniors have accepted
the challenge of making these trays
useful for canteen work. They must
be cleaned, sanded and painted which
will be a real labor of love. The
trays will then be used in the Chap-
ter House.

Mrs. Brooks Evert, Chairman of
the Junior Red Cross work, has com-
mented with enthusiasm and grati-
tude about the work of the teacher-
sponsors in the schools of the
Branch. It is through their help and
co-operation that the Junior work
has progressed and so much has been ac-
complished.

The Teacher-Sponsors are:
Miss Eleanor Rush, Cinnaminson

with singing by the class followed by a bible reading by Marilyn Thompson. The announcer was Sue Bush.

The entire class had a part in the play. The leading characters were: first pig, Janet Burton; second pig, Gwen Lee Binderwald; third pig, Kenneth Koelle; mother pig, Marilyn Thompson, and the wolf, Teddy Flach.

The scenery was made by the pupils in this grade and the masks representing the different characters were designed and shellacked by them.

After the program, the children had a delightful time with a pet squirrel owned by Mrs. Koelle.

The class is proud to announce that almost one-hundred per cent of the mothers were present at their program in addition to friends.

YMCA BRIEFS

The YMCA camping program for 1943 is receiving a fine response. Already 40 percent of last year's total camp weeks enrollment has been registered for this summer. It is nearly two months to the opening day, June 26, so this is far ahead of last year's registrations.

The staff for both boys and girls camps are practically completed but there are still a number of opportunities for counselors. The staff personnel in Ockanickon is as follows: Executive Camp Director, William H. Douglass; Associate Directors, Frank Ramsey, of Cranford, in charge of program, George Guensch, of Englishtown, Middlers and Crafts; William Carey, Mount Holly, Junior Area and Music. Mr. and Mrs. Russell Brewer, of Wilmington, are Directors of the Midget Camp. Mr. Brewer is Director of Physical Education at the Wilmington High School and a graduate of Carnegie Tech. University. Mrs. Brewer has been director of the Hanover Presbyterian Church Vacation School for several years. Mrs. Marie Koons, W. Collingswood, is in charge of Tom's House, the infirmary, Harry Morehead, of Boonton, Director of Crafts, Frank Tittman, of Riverside, Director of Horsemanship, and the same Colored chefs.

Lewis Sharpless, of Millville, will be in charge of Senior activities and Rick Ferran, of Camden, a unit leader in the Junior Area. Mrs. Anne W. Troth will again be in charge of the Girls' Camp, Matolionequay. Mrs. Mabel Zieger, of Philadelphia, is in charge of horsemanship. Mrs. Frank Ramsey, of Cranford, will be in charge of the dining hall, and Miss Alma Deller, of Cranford, in charge of Junior Camp and singing. Miss Catherine Sears, a student at Wellesley, will be Junior Area Director, and Mrs. Betty Black, Temple University, Water Front Director.

The camps have been cleaned up and repaired for the new season. Stockwell Lake at Ockanickon, was drained and cleaned out; general brushing was done around the edges of beach on the lower and upper lakes so that air might circulate freely and the beauty of the lakes enjoyed. New tents have been secured for the Senior Girls Camp. The girls swimming dock has been refloored and the boys swimming dock completely rebuilt. The stage floor of the Camp Bowl has been replaced and boats and canoes have been repaired and replaced.

Burlington County YMCA groups such as Hi-Y and Gra-Y Clubs are to have a week-end at Camp Ockanickon May 22-23 and the Girl Reserves of the Burlington County YMCA have a special outing planned for the same week-end at Matolionequay.

Government Officials State That Laundries Are Essential to the War Effort.

MEET AN American!

The village blacksmith, prudent and cautious, like many other small business men, saves what he can from his limited earnings and reinvests most of it in his little shop so that his production in quantity and quality may be improved. He risks his capital that his operations may expand—creating more work for others.

This is the essence of the American system of Free Enterprise. Through its application over the years hundreds of small shops have expanded into giant factories producing the stuff needed to win this war.

This policy pursued by Americans has made this country great! How else could we be so well prepared to handle the tremendous jobs for war work? How else could we be at peak production seventeen months after Pearl Harbor?

This system of Free Enterprise—or Capitalism—call it what you will—is not ready for the discard. It is the only system that can rebuild this world, come Victory.

54th Year, No. 11

DO WE DESERVE A DEMOCRACY

"Do We Deserve Democracy" was the question put last Thursday night by Harry Butcher, Secretary of the Committee of Seventy, of Philadelphia, as he addressed the Palmyra-Riverton Rotary Club. He had the answer too. It was "No!" He also submitted illustrations to prove it. Prior to the address Joseph Seel presented a suggestion originating with Paul Jones, that the Rotarians get behind a Boy Scout movement and Maurice Joyce was appointed chairman of a committee to study the plan and present it at the next board meeting of the club.

Carl Thomas announced that on this coming Thursday night Miss Marion Clark Hamilton of the Personnel department of Lit Brothers would speak on "I Saw Pearl Harbor." That means she will tell us and saw the bombing on December 7, 1941. It will be a thrilling account by an eye-witness.

Mr. Butcher gave painful observations of the corruption of city government and the difficulties encountered when trying to get even the best areas of the great city populations to support efforts to punish and prevent fraud in politics and in the administration of city affairs. He likened the American situation in Philadelphia to that which he said was commonly observed in France just prior to the German invasion. Travelers in France a few months before the war found many people interested in wine, some interested in industries, some interested in the church, but nobody interested in France as such.

Started

"It startled me," said Mr. Butcher, "and I have since been looking for six men interested in the city of Philadelphia, not men interested only in a party or a business or a section of city life, but whose devotion is definite and strong in embracing the city." He declared that the corruption and complacency and carelessness of citizens who play loosely with the foundations of our democracy will likely now cost us 300 billion dollars and 2 million lives.

He paid his respects to the respectable church members and citizens whose communities have luxurious churches and elegant preachers and nobody scarcely in attendance to worship God, except at Easter and Christmas.

The chess variety of radio programs according to the speaker have gradually brought about a depraved taste which has crowded out the more meritorious programs. He spoke of one of the "nicest districts" in Philadelphia where three years ago he worked with a committee investigating fraud in the election. They found in that 10th District over 80 fraudulent ballots. For 18 months the committee tried to get court action in these cases and when they did the court sustained the crooked election and discharged the election board. "Freedom of election," said Mr. Butcher grimly, "is one of the things my kid is over there fighting for in the Solomons at this moment."

How to Stop It

The speaker related still worse examples of the breakdown of the Democracy insofar as we may judge by the corruption of politics, telling of one instance in which 295 fraudulent ballots were found in a district that had only about 600 voters. "People who had been dead for three years," he declared, "were counted as voters."

He said he was in Germany in the late 1930's during one of Hitler's "elections." Hitler got 95 percent of the votes. "The five percent who failed to vote for him were shot. We don't do that. We raise our tax assessment or hamper your garbage collection or do any one of a hundred things to punish the man who does

not behave politically." These are all illustrations of the answer I give to the question: "Do We Deserve Democracy?"

Three ways were suggested in which the trend toward the disintegration of democracy may be stopped: 1. Co-operate constantly with the school system. 2. Give the church a chance to influence you with its ideals and its persuasion. How much good is accomplished by the eloquent and sincere presentation of noble ideals that would save democracy, if such ideals are presented in your absence? 3. Practice democracy. Let no ward politicians run our country by remote control. It is when the people take no interest in the government, then it is that the ward politicians work at it hardest.

"We get 26 percent of our voters out at the primaries. Your situation is not better in Jersey. You have your Nucky Johnson and your Hague and the general conditions are the same. Democracy refuses to function. You can get people to buy a \$100 bond or give a pint of blood but you can't get them out to the primaries. Our only hope is to harness the enthusiasm and the intelligence of the youth. Maybe they will take hold and save a situation that the oldsters won't try to save because too 'set in their ways.'"

PLEASURE DRIVING PENALTIES TO BE HARSH

Local Rationing Boards were ordered by T. Harold Dempsey, district manager of OPA to get "tough" when drivers are held on violations of pleasure driving ban.

No penalty is to be less than 30 days revocation, and the charge is either guilty or not guilty of the rules governing same.

T. Curtis Flynn, chairman of the local Board said the gasoline situation has become so critical that military planes are grounded for want of gasoline, and civilian use is now drawing from the military reserve to an alarming danger point.

We at this Board are going to do all in our power to cooperate in this non-essential driving. All motorists have been warned and we intend to see that the enforcement regulations are carried out.

The local police are cooperating with the OPA inspectors to see that cars are now driven only on essential business.

Helen T. Andrews,
Community Service Member.

AN APPEAL

The Aircraft Warning Service of this locality needs stand-by observers, people who would be willing to fill a vacancy when an observer reports off from a regular shift on account of illness or other emergency.

The Observation Post at Palmyra has been manned around the clock every day for over eighteen months and enjoys a fine rating. We wish to maintain the standard, in fact, we must.

The shifts are for two hour periods, long enough to be of great assistance to the defense effort, short enough that no hardship is placed on any one individual.

Citizens of Riverton, Palmyra, and Cinnaminson Township who are willing to assist the regular observers by standing ready for a call as relief observer, call one of the following committees, who will be pleased to answer any questions or explain the duties further.

BIRTH

Mr. and Mrs. Archibald G. Bush, of Main street, Riverton, are receiving congratulations on the birth of a daughter, Elizabeth, on May 15th, at the Zurburg Memorial Hospital, Riverside.

Should you care to pay the fine and costs, and obtain a new license for the current year in advance of a warrant being issued for your arrest, you may do so at the office of Cecil A. Bowers, police recorder, on Route 25, Cinnaminson Township.

STATE LAW REQUIRES THIS PROCEDURE.

HAVE YOU HELPED?

All residents of Riverton have now received a notice asking that they become contributing members of the Riverton Fire Company and officials of the organization trust that the response on the part of the citizens will be as prompt as that of former years.

The firemen urgently need the funds that are obtained from contributing memberships to defray necessary expenses of the organization that are not covered by borough appropriations.

No matter what time of day or night the siren may blow, these volunteers are ready to protect lives and property of Riverton residents. They leave their work during the daytime and their homes at night to serve the community—getting no remuneration whatsoever.

Surely it is not asking too much to expect that you will become a contributing member.

LONG DISTANCE TELEPHONE CALLS

Beginning June 1, long distance telephone operators will ask users of the service to limit the length of their conversations when lines in the direction they are calling are so heavily loaded that traffic is jammed and calls are being delayed.

When long distance callers hear the operator say "Please limit your call to five minutes—others are waiting," the request will mean that the demand for service for the time being exceeds the supply of available circuits to the particular city or section of the country they wish to reach, the New Jersey Bell Telephone Company states.

NOTICE

On Saturday, March 22, 1943, at about 4:30 a.m., stray dogs killed 200 chickens weighing on an average of three to five pounds each, the property of John Markle in Cinnaminson Township. This bill will have to be paid by the township from monies secured from the licensing of dogs.

Approximately 178 persons in Cinnaminson Township have registered their dogs for the year of 1943 leaving a balance of delinquents approximately 322. Summons and warrants are being issued against all those that have failed to register their dogs for the year of 1943 AND WILL BE FINED THE SUM of not less than five dollars, plus the court costs and dog license, nor more than \$50. Those that also failed to register for the year 1942 will pay the major fine.

Should you care to pay the fine and costs, and obtain a new license for the current year in advance of a warrant being issued for your arrest, you may do so at the office of Cecil A. Bowers, police recorder, on Route 25, Cinnaminson Township.

STATE LAW REQUIRES THIS PROCEDURE.

THE PORCH CLUB

Starting with the first meeting next fall the Riverton Porch Club will sponsor a nursery hour during the periods when the club is holding various programs.

Mothers will thus be able to bring their children to the meetings and be assured that they will be taken care of while the sessions are in progress.

Mrs. Edwin S. Weeks is chairman of the committee in charge of this project.

NOTICE

On account of the observance of Memorial Day on Monday, May 31, the office of the Ration Board in Palmyra will be open Tuesday evening of that week for gas and tire applications instead of Monday.

PALMYRA MOTOR CORPS GETS STATION WAGON

A great big "Thank you" is due the many and generous contributors who made it possible for the Motor Corps of Palmyra Branch of Burlington County Chapter, American Red Cross, to procure the beautiful Super Deluxe Ford Station Wagon which was presented to the Palmyra Branch last Thursday evening at the regular meeting held in Borough Hall. The occasion was a gala one, since the presentation marked the end of a critical Motor Corps transportation problem.

The Motor Corps serves ten units of Red Cross Volunteer Workers, whose hours of service have been many, and whose efforts have been tireless. Mrs. George A. Woffor, Chairman of Motor Corps, feels that the interest and enthusiasm shown by the cause by the industrial

BRIEF ITEMS from ABOUT TOWN

Captain Charles Coddington, son of Mr. and Mrs. Millard Coddington of Riverton, has been promoted to the rank of Major in the U. S. Army.

At a special assembly held this week at the Philadelphia College of Pharmacy and Science, the E. T. Dobbins Scholarship was awarded to Miss Evelyn Schwartz, of 439 Elm avenue, Riverton. This award is made as a result of a competitive examination given to freshman students from New Jersey. Miss Schwartz is majoring in Pharmacy.

Joseph Shivers, son of Mr. and Mrs. J. C. Shivers, of Riverton, was awarded a Master's degree at the 91st commencement exercises, Duke University.

Mrs. John Karins, of Montclair, is spending two weeks with her daughter, Mrs. Frank Hamlin, Second street, Riverton.

Wendell R. Hanle, technical sergeant at the Army Air Forces advanced flying school, Moore Field, Texas, and head of this field's photographic unit, has been appointed warrant officer.

Warrant Officer Hanle is an old army man in that he enlisted in the Army in 1938. He was indoctrinated at Randolph Field, Texas, later sent to Foster Field, Victoria, Texas and when Moore Field was opened in 1941 Hanle was sent here to head the

field's photographic unit.

When Hanle first entered the Army he was assigned to radio work. He later became interested in photography and was sent to the Army Air Forces Photo School at Lower Field, Colo. A year ago Hanle was graduated from the Life Pictorial Journalism School in New York City. Warrant Officer Hanle is the son of Mr. and Mrs. C. E. Hanle, 400 8th Street, Riverton, N. J.

Mr. Richard C. Stevenson, formerly of 205 Elm avenue and the son of Mrs. B. Stevenson, of 317 East Broad street, Palmyra, has been accepted as Chief Store Keeper in the Merchant Marine. His rating is equal to a Warrant Officer in the Army and Navy. Dick is now stationed at New Orleans, La., and is waiting for his ship to leave for an unknown destination.

Mr. and Mrs. Milton Murphy, of Broad street, Riverton, are receiving congratulations on the birth of a daughter, Mary Margaret, on Wednesday, May 19th, at Zurburg Memorial Hospital.

Miss Murphy is the former Miss Peggy Faunce, of Riverton.

Mrs. Herbert J. Kemmerle, of Garfield avenue, is visiting her son, Herbert, in California.

Miss Lois Terry returned to duty last Thursday, after spending a few days at her home in Riverton. Miss Terry is serving with the WAVES in Washington, D. C.

First Lieutenant Lawrence B. Parker, formerly of Palmyra, is now stationed in Greenland, having been transferred there from a post in Porto Rico.

Seaman Robert May, U. S. Coast Guard, spent the week-end with his parents, Mr. and Mrs. Harry May, of Maple Avenue, Palmyra.

Private John Craig, U. S. Army, is spending a furlough with his parents, Mr. and Mrs. John Craig, Elm avenue, Riverton.

Thomas J. Ford, formerly Pharmacist Mate, U.S.N., has been transferred into the Medical Corps of the Marines and is now stationed in North Carolina.

Word has been received here from Jesse Perkins, of Riverton, who is now with the Seabees, that he has arrived overseas and is in the best of health. He is the son of Mr. and Mrs. I. Perkins, of Riverton.

Lieut. Carl Weninger, formerly of Riverton, a member of the U. S. Army Air Corps, is now on duty overseas. He received his pilot's license at Palmyra Airport and later received his wings in Texas.

CLUB SUSPENDS

The following announcement was made this week by officials of the local Business and Professional Men's Club.

"Owing to the Gas situation, we consider it our patriotic duty to suspend our Meetings until such time as these conditions shall change.

"Due and timely notice will be given to all of our members when we resume operations."

PALMYRA LOSES

Palmyra dropped a 3-1 verdict to Riverside Metal Sunday afternoon in a county league game. Yanick and Hrivnak were the hurlers for Palmyra. Kalmes, Riverside pitcher allowed only five hits.

SUGAR ALLOTMENTS

Clarification of sugar allotments for home canning was issued recently by the Newark OPA office.

According to the OPA instructions, every person desiring to can fruits or berries is permitted a maximum of 25 pounds of sugar at the rate of one pound for every four quarts of finished canned product. This includes a maximum of five pounds of sugar per person a year for making jams, jellies and fruit butters. Up to fifteen pounds will be issued

includes the sugar for home canned products for home consumption as well as for that which will be sold. Home canners of this class were warned that the foods processed under this arrangement may not be given away as point-free gifts. They are also required to keep a written record of names and addresses of their customers together with a notation of the quantity sold to each.

Pending announcement of details of the new plan, consumers who require home canning sugar immediately can get all but ten pounds of their allotment from local ration boards; but those who can wait to use the ration book stamps are advised to do so.

Home canners who are going to sell their product must take blue processed food point stamps from their customers at the rate of eight points per quart.

This class of home canner is entitled to a maximum of 250 pounds of sugar at the rate of one pound for every four quarts (or eight pounds) of finished product; and this amount

RIVERTON WINS OPENER

John Van Emburgh pitched Riv-
erton to a 4-1 win over Beverly Sunday
afternoon at Memorial Park in the
opening game of the Burlington
County Baseball League. The local
twirler limited the opposition to seven
hits and missed a shutout when the
visitors tabbed their lone marker in
the eighth frame.

The homesters climbed aboard
Schultz, Beverly hurler for 11 safe-
ties and tabbed one run in the fourth,
two in the seventh and added another
in the eighth. Shinn and Walton led
the attack with three apiece.

Riverton looked good in every de-
partment, several fielding gems being
turned in during the course of the
engagement, one being the catch of
a wicked drive into right by Durgin
and another by VanEmburgh when

he snared a tricky pop bunt with his
ungloved hand.

The crowd was rather disappoint-
ing, but those in charge trust that
attendance will pick up as the season
advances.

The first ball was tossed in by
Richard Wilson, an ardent supporter

SHIELD EXPERT HERE

H. M. Shevnan, widely known
expert of Chicago, will person-
ally be at Walt Whitman Hotel,
Camden, Sunday and Monday,
only, June 6-7, from 9 a.m. to 5
p.m.

Mr. Shevnan says: The Zoetic
Shield is a tremendous improvement
over all former methods, effecting
immediate results. It will not only
hold the rupture perfectly but in-
crease the circulation, strengthens the
weakened parts, thereby closing the
opening in ten days on the average
case, regardless of heavy lifting,
straining or any position the body
may assume no matter the size or
location. A nationally known sci-
entific method. No under straps or
cumbersome arrangements and ab-
solutely no medicines or medical
treatments.

Mr. Shevnan will be glad to
demonstrate without charge.

opposite Alice Faye and Lynn Bari
in 20th Century-Fox's new musical
extravaganza, "Hello, Frisco, Hello,"
which comes Thursday, Friday and
Saturday to the Broadway Theatre.

Filmed in Technicolor, the picture
is set in old San Francisco's Barbary
Coast. John plays the part of a young
man who although born on the
wrong side of the tracks manages to
pull himself up by his boot straps un-
til he is in a position to buy whatever
he wants—even the swanky part of
the town itself.

Lovely blonde Alice Faye is cast
as a belle of the Barbary Coast whose
rival for handsome Johnny's atten-
tions is the svelte brunette, Lynn
Bari. The picture abounds in song,
music and spectacular dance se-
quences. Jack Oakie is also starred

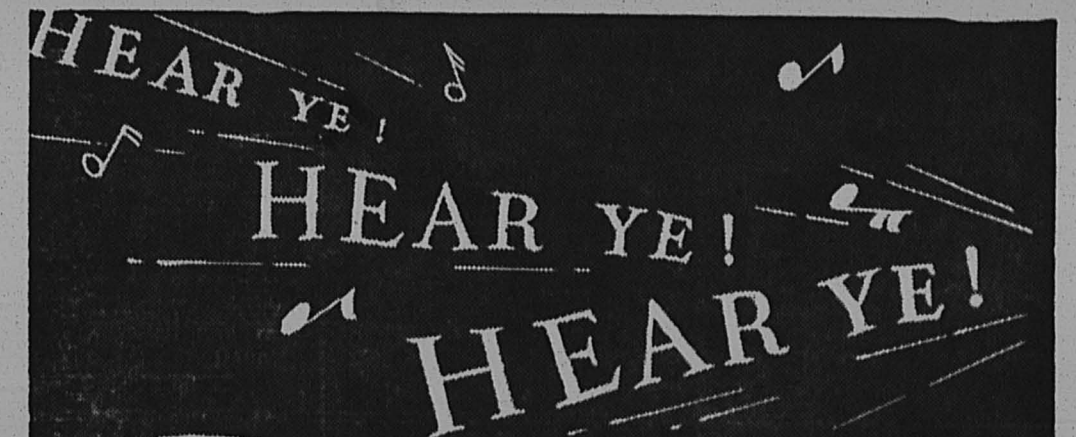

in the film which features Laird Cre-
gar, June Havoc, Ward Bond and
George Barbier.

ENGAGED

Mr. and Mrs. Joseph Wilcox, of
New Jersey Avenue, Palmyra, an-
nounce the engagement of their
daughter, June Elaine, to Edgar Ed-
ward Eck, son of Mr. and Mrs. Wil-
liam J. Eck, of Columbia Avenue.
Edgar Eck was inducted into the
Navy last week. No date has been
set for the wedding.

for Use of Thy Telephone
in PARLOUS TIMES"

- ♦ ♦ ♦
- Q Make no telephone call that is unnecessary.
- Q Avoid messages to distant places, for truly the lines
are filled with an increasing multitude of messages of
grave importance.
- Q Pester not the "Information" operator to seek from
her numbers already in thy directory, for she is a most
busy damsel.
- Q Take great care of thy telephone instrument; let it
not drop and break, for repair parts are scarce as the
teeth upon a hen.
- Q Leave not thy receiver off the hook to cause a bottle-

TIN SALVAGE
After establishing an all-time high mark of 1,056 gross tons for the collection of tin cans in March, New Jersey fell from grace in April when 975 tons were turned in. Army and Navy posts contributed 127 gross tons and commercial establishments and institutions sent 42. The beverage industry's trucks carted 269 tons to the two detinning plants in this state.

Clinton M. White, executive secretary for the general salvage campaign in New Jersey, said he was considerably disappointed, notwithstanding some of the gloomy reports he had been receiving since point rationing and the packaging of processed fruits and vegetables in glass jars began. "While it is true that these things have had some effect on the collection of tin cans, we can't forget that some of the reports which I receive show that in some cases only a small percentage of the housewives are turning in processed cans. Some reports show this percentage to be as low as thirty percent. Look over the list of municipalities that are sending cans to the detinning plants and you will be surprised to discover that most of the municipalities of the state have not been credited with contributions since the campaign began. "It was to reach the smaller communities that we enlisted the services of the beverage industries, to whom we are greatly indebted. The detinning company reports show these concerns were responsible for getting 269 gross tons of cans to the 'reclamation' firm. "I am hoping for great results from the 'can-for-can' plan which has been introduced in several communities. Right now we are concentrating our efforts on this phase of the campaign in Hudson and Passaic counties. Here again we have to appeal to the housewives as well as to the storekeepers and beverage industries. If the purchase of canned

goods is placed in the category of the tooth paste tube plan, our scrap pile is going to grow by leaps and bounds. "The problem, after all, goes right down to every housewife's doorstep. Every kitchen is a tin mine. If we are to continue building reserve stocks of canned goods for armed services, civilian and land-lease need, it is up to every woman to see that not one single can is thrown away but is given to the government."

YOUR VICTORY GARDEN By Dr. Charles H. Connors N. J. College of Agriculture Staking Tomatoes and Mulching

Tomatoes should be in every garden because they are one of our most nutritious crops. Many persons will experience for the first time this year the added pleasure of eating right from the vines a freshly picked fruit of the vitamin-rich tomato.

In small gardens, especially, some method of training tomato plants is advisable to save space. The yield from trained plants will be the same as from untrained plants, covering a similar area, which are allowed to run on the ground. Staking is often used commercially because the fruits are well colored, free from soil stains and clean.

In staking, the plants are set 2 feet apart in the row with the rows 2½ to 3 feet apart. Natural stakes 1½ inches in diameter or sawed stakes 1½ inch square are driven a foot or so into the soil close to the plant or the stakes may be driven first and the plants set later. The stakes should extend 5 or 6 feet above the ground.

Gardeners should start tying the stems as soon as the plant grows up to a foot or so. A soft material, such as narrow strips of cotton cloth or a 3-ply jute twine is used. A good method of tying is to make a double wrap around the stake first to prevent slipping, and then a single wrap around the plant stem. The material around the stem should be wrapped loosely enough to support it but not to bind it too tightly to the stake.

Only a single stem should be allowed to grow. As soon as a leafy shoot appears in the axil of a leaf (the angle where the leaf joins the stem), snap it off with your fingers, be sure not to cut off the flower clusters. Continue tying the stem at one foot intervals, and removing the shoots until four clusters of fruit have formed. Then allow some of the shoots to develop in order to form a sort of umbrella over the plant. This will prevent scalding of the fruits by the sun.

If there is a fence on one side of the garden, the tomato vines may be trained on this, or a simple trellis might be constructed with the cross wires or bars about a foot apart. Three or four stems may be allowed to grow and these trained and fastened in fan shape. The teepee method of staking may also be used. This consists of 3 or 4 stakes or plaster lath fastened at the top to form a pyramid effect. A plant is set by each stake.

Mulching Desirable Practice
Mulching a garden is a desirable practice, and especially so when tomatoes are grown on stakes, in which case there is much tramping of the soil. Mulching should be done after the soil has been cultivated. If properly applied, the mulch will retain moisture in the soil, keep down

weeds, maintain cool conditions in the soil about the roots which improves growth and yield. It will do away with the need for cultivation.

The material used as a mulch should be loose and 3 or 4 inches deep to have effect against weeds. The ideal mulching material is straw, such as wheat or rye straw, or salt hay. Other materials that may be used are dry oak leaves, waste hay or grass clippings that have been allowed to dry or cure. In fact, any material that will not get soggy wet and compact so as to prevent proper soil aeration will prove satisfactory. Where a mulch is used, the soil should be well supplied with fertilizer as decay of the mulching material will take place, and this requires fertilizer, often at the expense of the needs of the plants. The whole garden may be covered with a mulch, thus saving much labor.

Next Week: Insects and Control.

SCHOOL PRESENTS ORIGINAL PLAY

A host of relatives and friends enjoyed an original play presented by the pupils of Westfield School No. 4 on Friday, May 14, in the school auditorium. This was the school's second annual Exhibition Night. Entitled "Calling All America," the play showed Uncle Sam in his private office contacting some of his helpers to check on progress which is being made toward victory. The program was as follows:

Introduction—Ruth Hammond.
Group I—Aircraft Industry.
Group II—Armed Forces.
Group III—Farmers.
Group IV—Morale Builders.
Group V—Production Lines.
Remarks—Mrs. Ransome, Pres. of Phyllis Wheatley P.T.A.

ROAD FUNDS

State Highway Commissioner Spencer Miller, Jr., today approved the schedule for the expenditure of \$75,000 in State aid for township and borough road construction in Burlington County.

The funds will be allocated from the automobilists' license fees and gasoline taxes for the improvement on the following thoroughfares:
Bass River Township, Old Atlantic City Road and South Maple Avenue; Chester Township, Coles Avenue; Cinnaminson Township, Fork-landing Road; Delran Township, Garwood Road; Evesham Township, Evans Road, Fieldsboro, Washington Street; Florence Township, Railroad Avenue.

Hainesport Township, Deacon Road, Section 2; Lumberton Township, Masonville Road, Section 2; Medford Township, Melrose Station Road; Medford Lakes, Tabernacle and McKendimen Road; Mount Laurel Township, Elbo Lane, Section 3; Pemberton Township, Browns Mills Junction Road.

Look upon each day as the whole of life, not merely a section; and enjoy and improve the present without wishing through haste to rush on to another.—Ruskin.

PUBLIC SERVICE BUSES

... More than 3,000 of them on the job every day!

GETTING WORKERS TO WAR PLANTS

GETTING BUSINESS PEOPLE TO OFFICES

GETTING SHOPPERS TO THE STORES.

TOTAL WAR demands the full use of transportation equipment. Public Service is operating some 3100 buses daily to carry war workers, business people and shoppers.

WAR WORKERS must have good bus service. They've got to be at their jobs on time. There must be no time lost in making planes, tanks, guns, and ships.

BUSINESS PEOPLE must have good bus service. They've got to be at their offices on time. They have an important part in keeping the war machine operating.

SHOPPERS must have good bus service. They've got to get to the stores. Families must be properly provided for.

Public Service buses are handling a war time traffic load of two million passengers daily—an increase of nearly three-quarters of a million riders daily since Pearl Harbor. Public Service transportation is doing its war job.

OBITUARIES

FANNIE MUSSER MOORE
Fannie Musser Moore, of 629 Thomas avenue, died on Tuesday, May 25.

Services were held on Wednesday evening from her late residence, the Rev. Robert B. Stewart officiating. Interment will be made on Friday at Clearfield, Pa.

Mrs. Moore is survived by three daughters, Mrs. Charles H. Yost, Miss Pearl Moore and Miss Lillian Moore, all of Riverton. Two grandchildren, Marilyn and Jack Yost also survive.

ABOUT TOWN

The Palmyra High School orchestra, under the direction of Walter Pew, will give its first annual concert on Friday evening of this week at 8:15 o'clock.

James Bradley MacMullin has received his commission as 2nd Lieutenant at the Officers' Training School, Camp Davis, N. C. Lieutenant MacMullin has been transferred to Camp Stewart, Ga. He is the son of S. Robinson MacMullin.

Frederick F. Woodward, who was listed last week as entering the Navy, is a resident of Riverton and not of Cinnaminson as was incorrectly stated in The New Era.

Miss A. Beatrice Matthews, of 433 Thomas Avenue, Riverton, received the degree of bachelor of arts on Wednesday, May 26, at the twenty-second annual commencement exercises at New Jersey College for Women. Miss Matthews is the daughter of Rev. and Mrs. Robert W. Matthews and is a graduate of Hammon High School.

ROGERS-SHEBLE

Miss Elaine Sheble, daughter of Mr. and Mrs. Harold Nichols Sheble, of Golf road, Riverton, became the bride of Second Lieutenant Abbott Rogers, son of Mrs. Robinson Rogers, of Lumberton, Saturday afternoon, May 15, at 4 o'clock. The ceremony took place at Christ Church, Riverton, with the Rev. Francis B. Downs officiating, assisted by the Rev. R. B. Stewart, of Calvary Presbyterian Church.

The bride, who was given in marriage by her father, was attired in a gown of white satin with lace and net yoke, and she wore a full length veil and headpiece of orange blossoms. She carried white orchids, Stephanotis and lilies of the valley. Miss Nancy Clark, of Miami, Florida, was maid of honor, and Mrs. Leonard Green, of Moorestown, and Miss B. Lonsdale, of Glenside, Pa., were the bridesmaids. They wore dresses of American Beauty taffeta and carried bouquets of mixed flowers.

Robinson Rogers, Jr., served as best man for his brother, and the ushers included Harold N. Sheble, Jr., brother of the bride; Douglas Adair, of Moorestown; Kenneth Harrison, USA, of Washington; J. Janney, USA, Fort Jackson, S. C.; Stuart B. Clark, Jr., USA, Miami, Fla., and Winfield S. Wilson, Jr., USN.

A reception at the home of the bride's parents immediately followed the ceremony. The couple left for Camp Croft, S. C., where Lt. Rogers is now stationed.

Mrs. Rogers is a graduate of the Friends' School, Moorestown, and of Bradford Junior College, Mass. Lt. Rogers was graduated from Westtown School, Westtown, Pa.

Church Notices

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

The Rev. D. Roe Haney will address the class this Sunday.

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue

Palmyra, N. J.

Rev. D. Roe Haney, Minister

Sunday's program in Epworth Church will begin with Church School at 9:45.

Church Worship will be at 11:00 and 7:45. The subject of the morning sermon will be "Well Placed Honor." The Junior Choir will sing "The Battle Hymn of the Republic," and the Senior Choir will sing "How Dear Are Thy Councils" by Wilkinson. Mr. Elwood Johnson will render as a Bass Solo, "There Is No Death" by Weber.

Youth Fellowship will meet at 7:00. There will be a special program in the evening. The Minister will preach on "The Right Discoveries." The musical program will include "I Waited For the Lord"—Mendelssohn, by the Women's Chorus; "Spring Song"—Mendelssohn, Misses Stella McCay, Eleanor Sauerwein and Carolyn Haney.

Monday, 7:30—Boy Scouts.

Tuesday, 7:30—Girl Scouts.

8:00—Regular Meeting of the Official Board.

Wednesday, 8:00—Mid-week Prayer Meeting will be conducted for all.

The Woman's Society for Christian Service will have a Lawn Party at the home of Mrs. Charles Geelan, 401 Midway, Riverton, with a box luncheon at 12:30. The regular business meeting will be held at 2:00 and the topic for discussion will be "Child Labor in War Time."

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue

Palmyra

Rev. S. Dan Morgan, Pastor

Central Baptist extends a welcome to all.

The everlasting and most marvelous of wonders are the Seven Wonders of Christianity. The first, Christianity's God, of which we spoke last week, is the Supreme Wonder. 2. Christianity's Bible. This Bible reveals God, explains Man, forecasts eternity and gives the only remedy for sin. Now, as never before, more and more people are reading the Bible. It is a light to humanity's path. 3. Christianity's Christ. He is the most unique character in history. He is the chief cornerstone of our civilization, the Redeemer of the race, the saviour of sinners.

Services, Sunday, May 30—Bible School, 10 a.m. There is a place for you in the Sunday School whatever your age may be. Morning Worship, 11:15 a.m. The morning sermon will be, "Are You Convinced?" The anthem by the choir will be, "Land of Hope and Glory," by Elgar Fagge. Mrs. Lawrence Schweizer will be the soloist.

Junior and Senior B.Y.P.U. will meet in their respective rooms at 7:00 p.m.

Evening Worship, 7:45 p.m. The American Legion Post 156 will attend this service. Pastor Morgan will have for his sermon, "Patriotism Expressed." "Recessional" by DeKoven and, "They That Trust in the Lord," by Wolcott will be sung by the choir.

Wednesday, 8 p.m. Mid-week Prayer and Praise Service.

Sunday, June 13th. The evening service will be in honor of the boys in the service. A number of their favorite hymns will be sung and excerpts from the letters received by

the Liaison Committee will be read at this time. Friends and relatives of these boys are urged to be present.

TWIN CITY BIBLE CLASS

Mrs. Harry Blanc, well known concert singer, who formerly sang over radio station KYW and a coast-to-coast network, will be guest singer of the Twin-City Bible Class, 305 East Broad St., Palmyra, Sunday, May 30. Mrs. Blanc will have as her accompanist Mrs. Herbert L. Ohrenberger, who is also a concert singer and has sung over station WHTM, Boston.

An appropriate musical program has been arranged for this occasion. The Class meets from 9:45 a.m. to 10:45 a.m. All are cordially invited.

SAVE KITCHEN FATS

The Junior Red Cross of Riverton and Cinnaminson School No. 2 will aid in a nation-wide canvass urging housewives in these communities to save waste kitchen fats.

Pamphlets will be distributed by the members, giving information as to how the fat which you usually throw away can be turned into valuable aid for the war effort.

At a later date, they will check on their survey, to determine how many housewives in these communities are cooperating.

MEMBERSHIP DRIVE

The Burlington County Branch of the National Association for the Advancement of Colored People wishes to announce that the 1943 membership campaign was inaugurated on

Monday, May 18th, at the St. Paul Baptist Church, E. Riverton. Att. J. Leroy Jordan of Elizabeth, N. J., headed the list of speakers and was followed by Dr. C. F. Gibson, the N.A.A.C.P. President and J. R. Rhodes, chairman of the One Thousand Member Drive.

It was stated the colored have enriched the plane of American life in

that we must help America win the war and the peace by assisting in ridding this land of racial hatred, all types of discrimination and economic subjugation. The U. S. will then be in a position to offer the democratic way of life to the millions of our dark skinned allies.

The branch held its regular convention meeting on Sunday, May 23, at the Wesley M. E. church on High Street, Burlington. At this time further plans were made for the current drive.

BOY SCOUT NEWS

Last week-end The Riverton Troop went out overnight on their Pre-Camporee. This is a dress rehearsal for the District Camporee which is to be held on June 12th.

Although there was adult leadership present, the Patrols were under their own leadership throughout the entire week-end. Troop leaders did not help the Scouts in any way nor did they offer suggestions—the Scouts were "on their own."

All during the week-end the Scouts were judged by the Committeemen of the Troop. The boys were judged as to their personal appearance and uniform, then their packs were inspected to see that they were made and carried properly. Later on the individual camp sites of each Patrol were judged with particular attention being given to sanitation, health and safety. The cooking too came in for strict appraisal as did the neatness and cleanliness of the camp sites after each meal.

At the end it was found to be a very close race. The Stag Patrol led by Larry Hewlett had beaten out the Beavers led by Don Garwood by 13 points. The Cobras led by Russ Phelps were in third place. As a result the Stags are in first place in the Inter-Patrol Contest and unless the Beavers pick up about 900 points before the month is out the Stags will have the Camporee Patrol Contest easily won.

Look upon each day as the whole of life, not merely a section; and enjoy and improve the present without wishing through haste to rush on to another.—Ruskin.

THE MOST WELCOME MUSICAL ROMANCE OF THE YEAR

Romance with a capital "R" is provided in "Hello, Frisco, Hello," by none other than Alice Faye and John Payne. The gay, new Technicolor musical due Thursday, Friday and Saturday, at the Broadway Theatre boasts a host of attractions, not the least of which is its cast which also stars Jack Oakie and Lynn Bari. Bruce Humberstone directed the picture, which was produced by Milton Sperling, 1st Lieutenant, U.S.M.C.R.
