THE NEW ERA, THURSDAY, JUNE 3, 1943

PRICE FIVE CENTS

NEW COUNTY BOY SCOUT EXECUTIVE

Mr. Gerald W. Pontius, Scout Executive of the Ridgewood and Glen Rock Council, Boy Scouts of America, with headquarters in Ridgewood, New Jersey, has been chosen to fill the position of Scout Executive of the Burlington County Council, Boy Scouts of America. This announcement was made last Saturday morning by Edwin A. Russell, chairman of the local council's personnel committee. Mr. Pontius succeeds Mr. George A. Darlington, the former Scout Executive, who is well known throughout Burlington County. Mr. Darlington is now Scout Executive of the Dutchess County Council, Boy Scouts of America, with headquarters in Poughkeepsie, New York.

Mr. Pontius will move with his wife and two small children to Moorestown, where the council office is located, the latter part of June, and plans on taking over his new duties here in Burlington county on July 1st. In a recent visit here, he stated that he is looking forward very much to working with the Scouts and Scouters of Burlington county, and hopes to further the growth of Scouting which is now definitely on the upward trend.

Much Experience

Mr. Pontius is well acquainted with the Boy Scout Program, its problems and operation, having been connected with Scouting for the last ten years. He has come up through the ranks, having been a Scout, an Assistant Patrol Leader, a Junior Assistant Scoutmaster, an Assistant Scoutmaster, Scoutmaster and a Troop Committeeman. Mr. Pontius is a graduate of the 47th National Training School, has attended two National Conferences for Scout Executives, and has also taken the National Cubbing Course given at the Schiff Scout Reservation. As an executive his previous experience includes positions as Field Scout Executive of Columbus, Ohio, from 1936 to 1938, and Albany, New York, from 1938 to 1941. He has been serving as Scout Executive of the Ridgewood and Glen Rock Council since 1941.

EVENING SECTION OF WOMAN'S CLUB MEETS

The Evening Section of the Woman's Club of Palmyra will close a successful year with a box lunch supper on Monday, June 7 at 7:00 p.m. in the club rooms at 305 East Broad street, Palmyra. The Committee in charge of arrangements is composed of the new officers, Mrs. August H. Weber, Mrs. Joseph Higgins, Miss Lorraine Herridge, Miss Myrtle Warner, Mrs. Robert B. McCamy. All attending are requested to include a dessert in their lunch.

BALL GAMES HERE

Home games listed at Memorial Park for the Riverton A. A. baseball team are as follows:
Sunday, June 6, Mt. Holly.
Sunday, June 13, Riverside Metal.
Sunday, June 20, Beverly.
Wednesday, June 22, Medford (6:15 p.m.)
Sunday, July 4, Palmyra.
All are Burlington County League engagements. Sunday games will be called at 2:45.

LOCALS WIN SECOND

Al Duffenbaugh scattered four safeties Sunday as Riverton AC, of the Burlington County League, conquered Columbia AC, of Philadelphia. The final score was 6-0 as rain stopped play after six innings. Duffenbaugh was in rare form. He struck out 11 and walked two during the abbreviated game. Al was never in trouble. He also connected for a rousing three-bagger. Raff connected for the longest blow, a home run with the bases bare.

RAIN CURTAILS MEMORIAL DAY EXERCISES HERE

A downpour on Sunday afternoon curtailed the local Memorial Day exercises and prevented the parade from reaching Memorial Park, Riverton, where the principal address of the day was to have been made.

Forming at the Legion Home, Palmyra, the procession went to Morgan and Methodist Cemeteries where the graves of veterans were decorated and salutes fired in memory of the honored dead. Prayers were said by local clergymen.

After the return to the Grove, Palmyra, the honor roll was formally dedicated by Miss Mary King. At this point the rain forced cancellation of the remainder of the exercises.

Y BOARD MEETING

M. Albert Linton, of Moorestown, President of the Provident Mutual Life Insurance Company, addressed the recent annual meeting of the Burlington County YMCA at Camp Matollonequay, on the subject, "Safeguarding Our Democracy." Mr. Linton pointed out the importance of each individual and organization practicing democracy in all phases of our community and national life, because war tends to work against these very ideals for which we are fighting.

A Memorial Resolution was adopted regarding the late Wm. F. Overman, of Moorestown, who was one of the original members of the County Committee organized in the First Baptist Church, Mt. Holly, June 17, 1905. Mr. Overman served as president of the organization from 1913 to 1933 and was most enthusiastic for the all-around development of youth and particularly an advocate of physical education as an essential element of the school curriculum in the early days of the County Association.

Mr. Overman passed away at his home Christmas day, 1942. It was recently announced that the Burlington County Association was remembered in the Will.

All of last year's officers were re-elected to serve for the ensuing year. They are: John W. Thacher, Moorestown, President; E. Newbold Cooper, Moorestown and J. Cresswell Stuart, Beverly, Vice Presidents; Howard C. Darnell, Moorestown, Treasurer; Louis B. Forsyth, Bordentown, Recording Secretary.

A Engle Conrow, Rancocas, and Alphonso Adams, Florence, were elected as new members of the Board of Directors, and the following were re-elected to serve for a three-year period: Raymond Anderson, Beverly; Stewart Brush, Riverside; LeRoy Church, Bordentown; James Conroy, Moorestown; Louis B. Forsyth, Bordentown; Everett Haines, Medford; John Hutchinson, Bordentown; Cleon R. King, Burlington; John H. Lee, Bordentown; Charles Lester, Lumberton; Charles Marple, Palmyra; Roger Oliver, Burlington; Lawrence Parsons, Burlington; Ernest Saul, Mt. Holly, Thomas Stewart, Moorestown; H. F. Stockwell, Jr., Moorestown; J. Cresswell Stuart, Beverly; Howard Taylor, Jr., Riverton; John Thacher, Moorestown, and Roy Townsend, Columbus.

Annual reports were made by Mr. Cooper, as Chairman of the Program Committee, and Mr. Darnell, as Chairman of the Finance Committee. The last fiscal year showed a slight deficit but indications are that this year's finance campaign will provide enough for the current budget and to offset this deficit. Total reported to date is \$9,000, toward the \$10,900 goal. Members of the Nominating Committee were Everett Haines, Medford, Chairman; C. Wm. Haines, Masonville, and Wm. H. Heisler, Pemberton.

The locals connected for 13 hits with Durgin leading the attack with 3 for 3.

AT PEARL HARBOR

A saga of heroism, of remarkable valor and bravery of fighting men, of cooperation, efficiency and sacrifice of civilian population was told on Thursday to local Rotarians and their guests by one who experienced the indescribable fury of attack and the unbelievable destruction wreaked by the Japs at Pearl Harbor.

It was related dramatically, even passionately by Mrs. Marion Clark Hamilton who obviously would rather be arousing the home front to the danger of bombing, to insisting that civilians get to work and do their part as are the men on the fighting fronts, than to describing the horror of the sneak attack on American soil.

Mrs. Hamilton, whose husband is a naval officer located at Pearl Harbor at the time of the attack was directly on the Naval grounds when bombs started falling. During the first attack, which lasted some 30 minutes, she witnessed the sinking of American Naval vessels, saw acts of heroism on the part of the fighting forces that deserve a lasting tribute and saw Naval installations being blown to pieces.

Second Attack

In the second attack, Mrs. Hamilton witnessed time bombs literally lift buildings, planes, and vehicles from the Army field, destroying all; saw Jap pilots deliberately guide their falling planes, in suicidal attempts to destroy the air fields, on roof tops and barracks, saw fire, death, and destruction in what an hour before had been one of the most beautiful spots on earth.

"The story of Pearl Harbor, which means Peaceful Harbor, is one of lies, deceit and treachery. The Japs knew every vital spot," said Mrs. Hamilton.

After the raids, Mrs. Hamilton continued, there was total mobilization of all cars, trucks and other vehicles, evacuation of civilians from Pearl Harbor to Honolulu and partial mobilization of civilians for protection against further raids or an attempted landing on the island.

Warm tribute was paid by Mrs. Hamilton to the American Red Cross and women trained as Nurse's helpers for their aid to the injured and the homeless, to the Veteran organizations who in the space of two hours mobilized for aid in protection of the island, and to the sacrifices of the civilians to see that everyone was adequately cared for.

About Fear

"Fear in an air raid is indescribable," said Mrs. Hamilton, "and the more closely we come to defeating the Axis the more likely we, on the East Coast, are to be bombed." Pleading for civilian organization and cooperation in the war effort, Mrs. Hamilton closed her talk by stating: "War means much more than losing rights and privileges we have enjoyed for years. It means losing loved ones. We must be willing to relinquish those rights and privileges for the time being, buy more and more War Bonds, really go to work so that those who go away may live to come home again."

BIRTH

Dr. and Mrs. Robinet Cole, Jr., of Midway, Riverton, are receiving congratulations on the birth of a son, Jeffrey Robinet Cole, on June 1, in West Jersey Hospital.

SALVAGE COLLECTED

John Reinhardt, member of the Salvage Committee of the Riverton Defense Council, reports the following amounts of material collected in May:

Paper—1,700 pounds.
Tin—1,150 pounds.
Iron—1,550 pounds.
Books—2,000 pounds.

COMMENCEMENT AT HIGH SCHOOL NEXT WEEK

Commencement exercises of Palmyra High School will be held on Thursday evening of next week at 6:30 o'clock, in the school stadium providing the weather is clear. In the event of rain the program will be held in the auditorium.

The topics of the various speakers will be built around the theme "For This We Serve."

The complete program and the list of graduates will be announced in next week's issue of The New Era. The Baccalaureate Service will be held this Sunday morning in Calvary Presbyterian Church, Riverton. The pastor, Rev. Robert B. Stewart, will deliver the address.

FUEL OIL RATION

With local War Price and Rationing Boards scheduled to mail out fuel oil application forms directly to consumers beginning June 10, the District OPA office outlined the new fuel oil rationing program which goes into effect July 1.

The program has been extremely simplified, with the entire distribution of application forms and ration coupons accomplished by mail to spare consumers the time and inconvenience of waiting in line at schools or local boards. He said it was expected that distribution of all rations would be completed by July 31, and urged applicants to fill out the simple application forms as soon as they receive them and to return them to local rationing boards immediately.

While the majority of consumers will receive the same ration as last year, a feature of the new fuel oil program is a provision which automatically increases the rations of certain types of smaller homes of the bungalow type.

This provision, OPA explains, comes "as a result of careful study of representative rations, supported by valuable material submitted by local boards and field offices" which indicated that the heat loss is higher in such homes.

Application Form

The application form which boards will begin to mail on June 10 has only five questions which applicants will answer. These include, in addition to name and address of applicant, whether the ration will be used for the same premises as last year, whether the applicant for the premises is the same as last year's applicant, whether a smaller ration than last year's will be needed, and the name and address of the fuel oil supplier and the type of fuel oil used.

The back of the form contains instructions for filling out the application, and explains how the ration will be determined by the local board.

Mailing of ration coupons to consumers who return their applications promptly will commence early in July and will be completed by the end of that month. He explained that the first heating period during which Period One fuel oil coupons can be used to purchase fuel oil begins on July 1, 1943 and extends to January 4, 1944. The generous overlap period is provided so that customers can fill their tanks this summer.

Consumers will not be required to enter the serial number of the ration sheet on each coupon as was the case last year. They may deposit their coupon sheets with the dealers. Persons requiring larger rations than last year because of changed conditions in the house will not use the application form, but will go to local rationing boards after October 1.

CARD OF THANKS

We wish to express our appreciation to those who sent flowers and for the kind expressions of sympathy on the death of our mother, Mrs. Moore.

Mrs. Charles H. Yost
Pearl and Lillian Moore

PALMYRA DEFENSE COUNCIL

The Palmyra Defense Council met at the Borough Hall on May 27, 1943. It was decided that the air raid wardens will distribute the latest Kitchen Cards giving the most up-to-date information on behavior in case of air raids and during air raid drills.

Air raid wardens, Defense Police and Auxiliary Firemen and all others who are on the streets during blackouts are reminded that there should be absolutely no smoking of cigars, cigarettes or pipes during the red signal period of the blackout. The smallest light can be seen from the air during a blackout and none should be shown.

There is a special school of instruction being conducted for members of all civilian defense units by Russell Rivers who has taken a special course offered by the government which qualifies him to teach all defense units.

The following schedule has been arranged and members of all defense units are urged to take advantage of this training.

All classes are conducted at the Borough Hall at 8 p.m.

Air Raid Wardens—Mondays and Wednesdays.

Special Police—Tuesdays.

Medical Services—Thursdays.

Demolition and Decontamination—Fridays.

Auxiliary Firemen—Thursdays at the Firehouse.

SPEEDING RESEARCH

How research is being speeded up to help develop new chemical products and replacements for unavailable materials required in America's all-out war effort will be told by L. F. Livingston, manager, Du Pont Agricultural Extension Division, Wilmington, Delaware, at the meeting of the local Rotary Club this Thursday evening.

Mr. Livingston will give results of recent studies which have led to wider uses of farm products, as well as to the development of new chemical products to be used by the farmer in the production of food, feed, fats, and fiber, essential to the winning of the war.

He will emphasize the fact that young people just leaving the academic atmosphere of the schoolroom, as well as older folk of the country, must realize that the war is being fought not only on the fields of battle, but in the home, in the factory, and on the farm, as well.

WEST POINT EXAMS

Congressman D. Lane Powers announced today he would hold competitive examinations August 21st of this year for two vacancies for appointment to the United States Military Academy at West Point next year.

The Representative from Burlington and Mercer Counties states that the United States Civil Service Commission would, as usual, conduct the examinations for him. He pledged that the appointments would be made directly in accordance with the merits of the candidates as evidenced by their marks on the Civil Service Commission examinations.

The candidates who win appointments in the competitive will enter the Military Academy July 1st of next year.

Applicants who are bona fide residents of either Mercer or Burlington Counties may be authorized to take the competitive if they will make application in writing to Congressman Powers' Washington office, 1440 New House Office Building.

BRIEF ITEMS from ABOUT TOWN

Aviation Cadet William R. Leidy, son of Mr. and Mrs. P. S. Leidy, of Cinnaminson, was commissioned a second lieutenant today at graduation exercises of the Army Air Forces Technical Training Command School at Yale University. Rated as a technical officer in Communications, he is now prepared to assume duties with tactical units of the Army Air Forces.

According to Col. Charles T. Arnett, commanding officer of the post, the new technical officer has been thoroughly trained in the use and operation of transmitters, receivers, the radio compass, wire equipment and portable ground stations.

Aviation Cadet David F. Gould, 2nd, son of Mr. and Mrs. David P. Gould, Seventh street, Riverton, received his commission as Second Lt. last Sunday at graduation exercises of the Army Air Forces Technical Training Command School, Yale University.

Robert B. Bartley, son of Mr. and Mrs. Joshua S. Bartley, Elm terrace, Riverton, received his commission as Second Lieutenant at graduation exercises of the Officer Candidate School, Armed Force, Fort Knox, Kentucky. Lieutenant Bartley will remain at Fort Knox another month for advanced training.

SHERIFF'S SALE

By virtue of a Writ of Fieri Facias to me directed, issued out of Court of Chancery of the State of New Jersey, I will sell at public sale on THURSDAY, JUNE 24, A.D. 1943, between the hours of 12 and 2 o'clock in the afternoon of said day (to wit, at 2 o'clock) Standard Time or Eastern War Time, at the Court House, Mount Holly, New Jersey:

ALL the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being partly in the Township of Cinnaminson and partly in the Borough of Riverton, in the County of Burlington and State of New Jersey, and bounded and described as follows:

NO. 1. BEGINNING at a point in the middle of Thomas Avenue, distant nine hundred sixty-one and fifty-eight one-hundredths feet southeasterly from the intersection of said middle line of Thomas Avenue with the southeasterly line of the right of way of the Camden and Amboy Railroad Company, said point being also the point of intersection of the middle line of said Thomas Avenue with the middle line

of Park Street, a sixty feet wide street extending southeasterly at right angles to said Thomas Avenue to the line of lands of Ezra Lippincott, formerly of John Beckenbach; thence (1) along the middle line of said Park Street, at right angles to said Thomas Avenue, the distance of ten hundred forty and one-half feet, more or less, to a point in the line of land late of said Ezra Lippincott, thence (2) along the middle line of said Park Street, at right angles to said Thomas Avenue, the distance of twenty-one hundred forty feet, more or less, to a stone corner to said Robert Hunter, thence (3) along the middle line of said Park Street, at right angles to said Thomas Avenue, the distance of twenty-eight hundred and thirty-two and one-hundredths feet, more or less, to a stone corner to said Robert Hunter, thence (4) along said middle line of said Park Street and place of beginning.

BEING bounded Northwesterly by the middle line of said Park Street, Southwesterly by land late of the said Ezra Lippincott, Southwesterly by land late of said Robert Hunter, Catharine Coles, now of Riverton Country Club, and Northwesterly by the middle line of said Park Street.

NO. 2. DESCRIBED in accordance with a survey thereof made by Haines & Sherman, January 26 and 27, 1916, Robert Hunter, at a stone in the center line of Thomas Avenue, corner to land of J. Lawrence Lippincott, other land of said Riverton Country Club hereinbefore described, and land of David B. Coles; thence by said land of David B. Coles, South twenty degrees, thirty-two minutes and fifteen seconds East, the distance of eleven hundred eighty-nine and fifty-four one-hundredths feet to a stone corner to said Coles, in the line of land of Sarah Grooby; thence by said land of Sarah Grooby, South sixty-nine degrees, fifty-one minutes and forty-five seconds East, the distance of four hundred thirty and ninety-three one-hundredths feet to a stone, corner to the said land of Robert Hunter, North three degrees, twenty-one minutes and fifteen seconds East, the distance of five hundred one and sixty one-hundredths feet to a stone, corner to land of J. Lawrence Lippincott; thence by said land of J. Lawrence Lippincott, North sixty-one degrees and forty-five minutes East, the distance of sixteen hundred and eighty-eight and six one-hundredths feet to the place of beginning.

The premises will be sold subject to the fourth quarter of the 1942 taxes and the first half of the 1943 taxes due Cinnaminson Township, in the approximate amount of \$610.22, and to the fourth quarter of the 1942 taxes and the first half of the 1943 taxes due the Borough of Riverton, amounting approximately to \$248.49. Decees approximately \$117,906.50 besides interest, costs and fees.

Seized as the property of The Riverton Country Club, et al, defendants; taken in execution at the suit of Camden Trust Company, Trustee for holders of participation certificates, etc., complainant; and to be sold by
RAYMOND JOHNSON, Sheriff.
Solicitors: Carroll and Taylor.
Dated: May 26, A. D. 1943.
At 2:27—2:19
Printer's Fee—\$55.85

HAVE YOU HELPED?

All residents of Riverton have now received a notice asking that they become contributing members of the Riverton Fire Company and officials of the organization trust that the response on the part of the citizens will be as prompt as that of former years.

The firemen urgently need the funds that are obtained from contributing memberships to defray necessary expenses of the organization that are not covered by borough appropriations.

No matter what time of day or night the siren may blow, these volunteers are ready to protect lives and property of Riverton residents. They leave their homes at night to serve the community—getting no remuneration whatsoever.

Surely it is not asking too much to expect that you will become a contributing member.

Church Notices

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.
The Rev. R. B. Stewart, Pastor

The graduating class of the Palmyra High School will attend morning worship at Calvary Presbyterian Church next Sunday morning, June 6, when the pastor will deliver the Baccalaureate address.

The beginners and primary departments of the Sunday School will meet as usual in their regular places of meeting. Other departments (junior, senior, young people and adults) will dispense with the opening assembly and will go directly to their classes at ten o'clock. These departments will be dismissed at ten-forty a.m.

At the morning worship service the members of the graduating class will occupy reserved seats in the front of the nave. Friends and relatives of the graduates, and all other worshippers, may occupy seats either in the transepts or in the nave to the rear of the graduating class. As the Sunday School auditorium will be opened into the Sanctuary there will be seats for all who desire to attend this service of worship.

The Calvary choir will render the anthem, "O For a Closer Walk with God," by Forster.

During the morning worship period smaller children and babies will be cared for in the Church Nursery, located on the first floor of the educational unit. Mrs. Wm. J. Stevens and Miss Jo Ann Burger will be in charge of the nursery.

The Christian Endeavor groups will meet on Sunday evening at 7:15 for their final consecration meeting of the season.

On Friday evening, June 11, at 8:00 o'clock, the Communion Preparatory Service will be held in the Sanctuary. This will be the last preparatory meeting until October, and all communicant members are urged to be present.

The Sacrament of the Lord's Supper will be administered as part of the morning service of worship on Sunday, June 13. It is expected that the new memorial organ will be completely installed and ready for service on Sunday, June 6, and will be dedicated on Sunday morning, June 13.

The annual Children's Day exercises will be observed on the morning of Sunday, June 20, at 11:00 a.m. Women's Society of Calvary

The first stated monthly meeting of the newly organized Women's Society will be held on the afternoon of Wednesday, June 16, at 2:30 o'clock.

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

Christian J. Eulich will address the class this Sunday.

CHRIST CHURCH, EPISCOPAL
Riverton, N. J.
The Rev. Francis B. Downs, Rector
Sunday, June 6, Sunday Afternoon

8:00—Holy Communion.
11:00—Holy Communion and Sermon. Award of prizes and honors to the Sunday School.

The regular Sunday School Services will resume in September. Sunday School pupils are expected to attend the 8:00 or 11:00 o'clock service with their parents. There will be a short talk for the children before the adult sermon and the children may retire during the singing of a hymn. Cards will be presented to the children attending each service. Upon the presentation of a certain number of cards, prizes will be awarded.

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue
Palmyra, N. J.
Rev. D. Roe Haney, Minister

The Epworth Church will begin Sunday's program with Church School in the various departments at 9:45.

At the 11:00 Worship Communion will be administered to all people present and desiring to get closer to their Lord.

Church School Board of Education will meet at 3:30.
Youth Fellowship will meet at 7:00 with Jessie Lippincott as leader. Evening Worship will begin at 7:45. The Minister will preach on "Keep the Home Fires Burning."

Monday, 7:30—Boy Scouts.
Tuesday, 7:30, Girl Scouts.
Wednesday, 1:00, Picnic Luncheon of the Inasmuch Bible Class on the lawn of the parsonage.

8:00—Prayer Meeting when the Inasmuch Bible Class will have charge. Everyone is welcome.

Friday, 3:45—Junior Choir practice.

The Committee will be in the Primary Room Friday afternoons, June 11 and 18, from 3:30 to 4:30 to register girls and boys for the Daily Vacation Bible School which is to begin June 21st and continue for two weeks. The ages for registration will be from three to the early teens. Three divisions are planned which will include music and singing, Bible, recitation.

reaction, and perhaps some handicraft. The Fourth Quarterly Conference will be held in the Church Tuesday evening at 8:00, June 15th.

"STRAIGHTEN UP"

In the army there is an inelegant phrase used frequently by sergeants in addressing rookies (jeeps) whose abdomens protrude like a kangaroo's pouch. It is a blunt request for the jeep to tighten his abdominal muscles, raise his chest, lift his head, and straighten his legs. The result is good posture. Good posture is not important because of its eye appeal but because it promotes good health, conserves energy, and favors mental alertness.

If the abdomen sags, abdominal veins become distended with blood. This delays the digestion of food and favors constipation. It also robs blood from vital organs.

An uplifted and expanded chest permits the intake and output of more air and energy-giving oxygen in and out of the lungs.

A head erect, with chin up, promotes a mentally alert attitude and is a strong psychological boost to morale. It is hard to feel sorry for yourself when your head is up and your chin is out.

A straight back and legs prevent much of the tension on joint ligaments and surrounding muscles that is unnecessarily caused by a question mark posture, with rounded shoulders and half bent knees.

Good posture is as important in sitting as in the standing position. Writing into a semi-circle causes pressure on the abdominal organs and places ligaments and tendons under a strain. The result is increased fatigue. To put it briefly stand straight, and sit straight. Dr. A. L. Chapman.

Government Officials say fuel outlook is even darker for next winter!

Don't wait! Avoid the worry and discomfort of last winter's fuel scarcity. Insulate your home now with

GOLD BOND-GIMCO ROCK WOOL

You will save up to 30% in winter fuel and get an extra bonus of summer comfort. For the same blanket of fireproof Rock Wool that keeps winter's furnace heat in, keeps scorching summer heat out. Even on the hottest days rooms are 8° to 15° cooler. You sleep better—eat better—feel better.

Gold Bond-Gimco Rock Wool is quickly installed by expert workmen in a few hours from the outside—no muss or inconvenience—and the cost is moderate.

Interesting Dishes May Be Made of Variety Meats

THE tempting flavor of variety meats make them an important topic of conversation wherever good cooks gather. While liver and chicken giblets are old favorites, there is cookery magic to be made with kidney, tongue, sweetbreads, heart, ox-tail, brains and tripe.

Brains with Scrambled Eggs

Prepare by soaking brains in cold water. Remove the membrane. Simmer for 15 minutes in water to which 1 tsp. salt and 1 tsp. lemon juice or vinegar has been added for each quart of water. Drain and drop into cold water. The acid helps to keep them white. Break into small pieces and scramble with eggs.

Kidney DeLuxe

4 kidneys per person 3 medium sized onions, cubed
2 tbsp. butter Salt
1 bouillon cube 3 tbsp. flour

Brown sliced onions in butter, not crisp. Add kidneys quartered 4 to a portion. Simmer until brown, then cover. Total cooking time 20 minutes. Last 10 minutes add 1 bouillon cube to liquor, and 2 tbsp. flour to thicken gravy, and 2 or 3 tbsp. Sherry added just before serving add to flavor. Sprinkle generously with chopped parsley.

Broiled Lamb or Veal Kidneys

4 kidneys per person 4 tbsp. French butter 3 wooden skewers
4 tbsp. melted butter 4 tomatoes

Wash kidneys and remove outer membrane. Split through center and remove fat and heavy veins. Marinate 1 hour in French dressing or brush with melted butter. Put the split kidney onto skewer to "cold fat. Broil about 5 minutes on each side. Each half of kidney may be wrapped in bacon for broiling, or may be arranged alternately with bacon and tomato quarters on the skewers for broiling.

Cover with water, bring to the boiling point, and simmer for about

AN APPEAL
The Aircraft Warning Service of this locality needs stand-by observers, people who would be willing to fill a vacancy when an observer reports off from a regular shift on account of illness or other emergency.

The Observation Post at Palmyra has been manned around the clock every day for over eighteen months and enjoys a fine rating. We wish to maintain the standard, in fact, we must. The shifts are for two hour periods, long enough to be of great assistance to the defense effort, short enough that no hardship is placed on any individual. Citizens of Riverton, Palmyra, and Cinnaminson Township who are willing to assist the regular observers by standing ready for a call as relief observer, call one of the following committee, who will be pleased to answer any questions or explain the duties further. C. Kenneth Davis, Riv. 0307. Milton E. Jewett, Riv. 0554-M. Fred Hensler, Riv. 1034.

THE ELAND FUNERAL HOME 510 MAIN STREET RIVERTON Our Motto SATISFACTION SERVICE SAVING 24-Hour Personal Service Francis H. Eland FUNERAL DIRECTOR Phone Riverton 1298

THE PEOPLE'S COLUMN Editor, The New Era, Dear Sir: Regarding the attached clipping, regarding hoodlums destroying Riverton property at Hagstov, we too, had serious trouble, our fish pond was not only filled with rocks, etc., taken from some rocky, but masonry of our fishpond was destroyed and broken so that it cannot be restored to its original design. The water plants were destroyed, other plants on the property broken off and thrown into the fish pond. So far no one has been punished for the offense, and damage done. Perhaps a civic organization could be organized in the town, and by concerted action, maybe some relief to the taxpayers could be brought about. Write the Editor and express your views on the subject. "FAIR PLAY"

BETHANY EVANGELICAL LUTHERAN CHURCH Broad Street and Morgan Avenue The Rev. Harold Lee Rowe, Pastor Sunday, June 6—Sunday After the Ascension. 8:45 a.m.—Matins. The pastor will speak on the theme, "Christ For The Crisis." This sermon will be the first in a series dealing with texts from "The Acts of the Apostles." 10:30 a.m.—Children's Day Worship. This service will combine the Church School session and The Service into one worship period with songs, recitations and sermon. The Children's Choir will sing, and the pastor will have a short sermon on the theme, "A Piece of Coal Speaks." The Senior Luther League will meet at the parsonage at 8:00.

Monday—The teachers of the Beginner and Nursery Depts. of the Church School will meet at the parsonage to plan for the Daily Vacation Church School, 8:00. Wednesday—3:45, Children of the Church and Choir rehearsal for the Juniors. 7:30, The Social Missions Committee of the church will meet at the church.

With many Housewives engaged in Wartime Activities, together with the shortage of Domestic Help, care of the home laundry is a greater problem than ever before. Let us help you solve this problem. RIVERTON LAUNDRY Phone Riverton 0972 N. KUENSELL, Prop. Government Officials State That Laundries Are Essential to the War Effort.

Thursday, 7:30—Scolasts. Saturday, Catechetics, 11. Church. Next Sunday, June 13, Pentecost, Confirmation and Holy Communion. A class of eight persons will be confirmed and others received by church letters and renewal of faith. Holy Communion will be administered at 8:45 and 11:00.

Monday, June 21—Bethany's Vacation Church School begins. All children planning to attend the 3-week school period should register at the church on Saturday, June 19, between the hours of 10:00 and 12:00 noon. Children between the ages of 4-14 are welcome to attend.

CHRISTIAN SCIENCE CHURCH First Church of Christ, Scientist Thomas Ave., at Seventh St. Riverton, N. J. "God The Only Cause and Creator" is the Lesson-Sermon subject for Sunday, June 6, in all Christian Science Churches and Societies throughout the world. The Golden Text is: "Whatever

God doeth, it shall be for ever: nothing can be put to it, nor anything taken from it." (Ecclesiastes 3:14) Among the Lesson-Sermon citations is the following from the Bible: "In the beginning God created the heaven and the earth." (Gen. 1:1) The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God." (p. 503)

Monday, June 6, 1943—A cordial welcome awaits all at Central Baptist. The survival of Civilization is wholly dependent on Christianity.

CENTRAL BAPTIST CHURCH Fifth Street and Maple Avenue Palmyra Rev. S. Dan Morgan, Pastor Sunday, June 6, 1943—A cordial welcome awaits all at Central Baptist. The survival of Civilization is wholly dependent on Christianity.

Christianity's God, its Bible, Christ, its Church, its Conquests, Conversions and Heaven are all wonderful and important parts of that saving power. Christianity has been the great moral and spiritual force to hold up the torch and lead men again to the light. One of its wonders is its power to change man's lives.

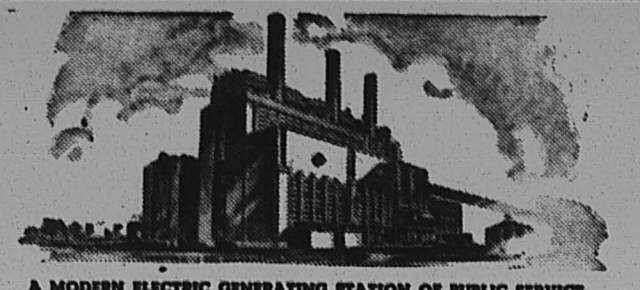

Many questions can be asked about Heaven, the answers of which we do not know. But isn't it sufficient assurance when Christ said, "I go to prepare a place for you that where I am, ye may be also."? This will be Communion Sunday. The observance of this Holy Ordinance will follow immediately after the morning sermon. Bible School, 10:00 a.m. Children's Day will very soon be here. But for children who always attend Sunday School, every Sunday is Children's day. Parents, bring your children. Children, bring your parents. There are classes for all.

Morning Worship, 11:15 a.m. The sermon for the morning will be, "Is Christianity True?" The choir will render Gounod's, "Send Out Thy

Light." Miss Anne McConnell, soprano, will be the soloist. She will sing, "How Lovely Are Thy Dwelling-places" by Liddle. Junior and Senior B.Y.P.U., 7:00 p.m. Boys and girls, bring your friends and stay to church.

Evening Worship, 7:45 p.m. Sunday may be a very busy day for you. You will obtain rest and quiet and gather new strength by attending this evening hour of worship. Mr. Morgan will have as his sermon topic, "Lost Opportunity." The choir will sing, "What of the Night," by Thompson. Mrs. Elsie Hughes and Mrs. Emma Will will sing a duet.

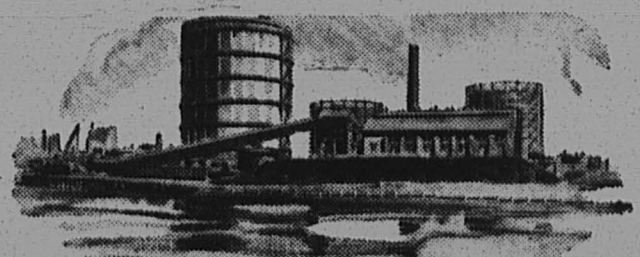

Wednesday, 8 p.m.—Mid-week Prayer and Praise Service. A soldier writing home said, "Tell everyone to pray." This is your privilege, your duty. Are you concerned? Sunday, June 13th, 7:45 p.m. A service in honor of our service men. It can not be stressed too strongly. They need to know we are pulling for them all the way.

A MODERN ELECTRIC GENERATING STATION OF PUBLIC SERVICE

MODERN GAS MANUFACTURING PLANT OF PUBLIC SERVICE

GAS MANUFACTURING PLANT OF AN EARLIER DAY

PUBLIC SERVICE FURNISHES MODERN STREET TRANSPORTATION

MODERN STREET TRANSPORTATION SCENE IN NEW JERSEY

WE'RE 40 YEARS OLD THIS MONTH

When Public Service Corporation of New Jersey was organized and began business forty years ago (June 1, 1903) no person could have predicted that today the United States and most of the great countries of the world would be engaged in the bitterest war in history. Certainly no one of the Corporation's founders could possibly have foreseen such a world catastrophe.

But the little group of far-seeing business men who conceived the Public Service enterprise realized that this State of New Jersey would become a great industrial commonwealth and they knew also that, in order to progress, the State would need sound public utilities—such as could produce an unending amount of gas and electricity and adequate transportation facilities. These men further knew that the success of these utilities would be dependent upon the growth and prosperity of the State.

So, after forty years of expansion and conservative management, during which period millions of dollars of new capital have been invested in the business, Public Service operating utilities today are supplying electricity, gas and transportation not only to a vast residential and commercial area but to hundreds of thousands of workers in New Jersey's war production industries.

New Jersey, although comparatively small in area, today stands second among all the states in the value of its ship building and fifth in the value of its total war work, with contracts totalling \$7,733,277,000 as of February 1943. The very life blood of these war industries is an ample supply of electric, gas, and transportation services to keep their wheels moving.

PUBLIC SERVICE

RIVERTON SCHOOL NOTES

NEW JERSEY New Jersey's long black highways Go winding on and on. Its beautiful scenery passes But it is never gone.

New Jersey's many factories With full production ring The farmers give us turkeys And many fruits that cling Upon the trees in orchards Where different creatures sing.

New Jersey's oil refineries Are a very useful thing. And all its transportation On its miles of railroads bring From near and far off countries Goods worth a fortune of a king. Betty Jane Pack, Age 12 Grade 7, Riverton Public School

YOUR VICTORY GARDEN By Dr. Charles H. Connors N. J. College of Agriculture Success Planting, Fertilizing, and Insect Control

The time is fast approaching when the first harvest in your Victory Garden will begin. This means that preparations should be made for the planting of the late crop, supplementary fertilizing of the garden to aid vegetables not yet developed, control of weeds, especially quackgrass and dusting and spraying to rid the garden of insect pests.

Home gardeners who sowed early peas may be harvesting them within the next week or two. Keep them picked close and then just as soon as the last ones have been harvested and while the vines are still succu-

lent, apply a little fertilizer, one pound to 80 feet of row, and turn the soil over, digging the vines in. If they have not dried much, rotting will start almost at once if the soil is moist, and in a week or ten days it will be safe to plant late crops in the row. These plantings can be short season corn, snap beans, late cabbage, cauliflower, Brussels sprouts and rutabagas, and a few weeks hence, late spinach. It is by keeping all the land working that the greatest yield from the garden will be obtained.

Corn may now be sufficiently advanced so that we can begin the control of the corn earworm. A special oil containing pyrethrum is available for this purpose. It can be applied by a force either that has been adjusted, by means of a cork, that has been pierced, or the plunger, to deliver one-quarter a teaspoonful at each pressure on the plunger. The oil is applied at the opening of the buds through which the silks issue, about 5 to 7 days after the silks appear.

Next Week: What to Sow Now: More About Insect Control.

This may be a good time to add some supplementary fertilizer to the garden. If the soil was prepared according to the 1943 New Jersey Victory Garden Manual, sufficient fertilizer was recommended to carry the plants through the season. However, soil which has not been used as a garden for a number of years may be low in plant food materials and additional fertilizer will be needed. If the foliage takes on a yellowish cast, especially in the lower leaves, and there has been normal rainfall, this change in color will probably indicate the need for fertilizer. It is not wise to apply extra nitrogen to fruit bearing plants such as tomatoes, egg plants and peppers until after the fruits have been set.

The fertilizer may be applied dry by spreading it along the rows 4 to 6 inches from the plants, at the rate of 1 pound along each side of a row of 100 feet long. Just a sprinkling is helpful. This is then cultivated into the soil. If water is available, the fertilizer may be dissolved in water and put on with a sprinkling pot. For a liquid side dressing use two teacupfuls of Victory Garden fertilizer to 12 gallons of water. Apply this solution 6 to 8 inches away from the plants at the rate of a teacupful to a foot of row. Do not allow this solution to get on the foliage.

Keep the garden well tilled to control the weeds. If you keep them down now, while they are small, they will not be the discouraging element in the garden that they are apt to be in hot weather. A weed that needs special attention in gardens that may have been made on old sod is quackgrass. This is a very coarse leaved grass that develops long thick root stocks. When these root stocks are cut up, they create more plants, Keep the tops of the weeds cut off and the roots will eventually die.

About the first week in June is the proper time to sow seeds of late cabbage, broccoli, Brussels sprouts and cauliflower. A special seed-bed should be set aside for this purpose. All the insects to be mentioned today may not attack plants in all gardens. However, it is well to be on the lookout for them because early attention means better control. Cabbage worms will soon be appearing on cabbage, cauliflower, kohlrabi, Brussels sprouts, broccoli, mustard and collards. Dust or spray with rotenone. Potato beetles may appear upon potato, tomato and eggplant. Dust or spray with calcium arsenate. Spotted and striped cucumber beetles are almost bound to be found on cucumber, squash and melon, for these are present everywhere. Calcium arsenate hydrated lime dust will control them, and it is also wise to use Bordeaux mixture dust with this to control wilt. A spray of calcium arsenate and Bordeaux mixture may be used instead of the dust. In small gardens, the dusts will be much more convenient to apply and as effective as sprays applied with small equipment.

The Mexican bean beetle is another insect which abounds in most gardens. The first sign of these beetles is when holes appear through the leaves.

ABOUT TOWN

Aviation Cadet Walter J. Eck, son of Mr. and Mrs. William J. Eck, Sr., of 916 Columbia Ave., Palmyra, is now enrolled as an aviation cadet in the Army Air Forces Pre-Flight School for Pilots at Maxwell Field, located on the outskirts of Montgomery, the capital of Alabama.

Here the new class of cadets is receiving nine weeks of intensive military, physical and academic training preparatory to beginning their actual flight instruction at one of the many primary flying schools in the Army Air Forces Southeast Training Center.

Cadet Eck is a graduate of Camden Catholic High School, class of 1938, and St. Joseph's College, class of 1943, where he was awarded his B.S. degree in business. His brother William J. Eck, Jr., is a Tech. Sergeant in the 102nd Cavalry.

The former Vaughan property on Bank avenue, Riverton, has been purchased by Judge Frank A. Mathews, of Thomas avenue. The Mathews family will occupy their new home some time in July.

The annual picnic of the Palmyra Junior Women's Club will be held on Monday evening, June 7, at 7 o'clock, at the home of Mrs. Henry Naisby, 900 Parry avenue, Palmyra. Each girl is asked to bring one meat point and 25 cents.

David N. Blyler, of Riverton, has been promoted to Private First Class and is now attending the Army Administration School at Fargo, N. D.

Howard Powell, of W. Broad street, is confined to Jefferson Hospital, Philadelphia.

H. Walter Rowan, son of Mr. and Mrs. William H. Rowan, Thomas avenue, Riverton, has been commissioned Ensign in the U. S. Navy and will leave next week for a training course at Harvard University.

Pvt. Richard Payne is spending a furlough with his mother, Mrs. George Payne, of Riverton.

Mrs. James Dobbins and son, of Thomas avenue, returned home Sunday after spending two weeks in New York.

Mrs. Harry Kenny, of Thomas avenue, is spending the week in New York.

Mr. and Mrs. John McChesney and children, of Moorestown, spent the weekend with Mr. and Mrs. Harry C. Sims.

Walter Guertler and family moved last week from 402 Lippincott avenue to 407 Thomas avenue. The house was formerly occupied by Eli W. Brown, and has been purchased by Mr. Guertler.

Miss Clara L. Bishop spent the weekend in Camden at the home of Mr. and Mrs. Harry Riley.

Mrs. James Fitzgerald, of Drexel Hill, spent Monday with Mrs. James Dobbins, of Thomas avenue.

Mrs. W. H. Evert, of Merchantville, spent the weekend at the home of her son, Brooks Evert, of Thomas avenue.

Mr. and Mrs. Edward W. G. Borer, of Main street, will spend the weekend at New London, Connecticut. Miss Helen Louis Borer, their daughter, will be a member of the graduating class at Connecticut College for Women on June 6.

The Business and Professional Women's Club of Palmyra and vicinity will hold its meeting next Monday, June 7. The meeting, which is the annual club picnic, will be held at the home of the Misses Ida and

MORLEY-STEVENS

The marriage of Miss Ruth Stevens, daughter of Mr. and Mrs. Harold G. Stevens, of 420 Lippincott avenue, Riverton, and Mr. Raymond Henry Morley, son of Mr. and Mrs. Walter R. Morley, of Lansdowne, Pa., took place on Saturday afternoon at 4:30 in Christ Church Episcopal, Riverton, the Reverend Francis B. Downs performing the ceremony.

The bride, who was given in marriage by her father, selected a white satin gown made with a lace yoke, sweetheart neckline and long sleeves, pointed at the wrists. The skirt featured panels of lace and extended into a long train which ended in a lace flounce. Her net veil of matching length was edged with lace and held by a coronet of seed pearls. She carried a white Bible, the gift of her grandfather, and gardenias arranged in a shower effect.

Mrs. Paul Treadway, of Philadelphia, attended the bride as matron of honor. She wore a white tulle and tulle gown, the fitted bodice designed with a high round neckline and long full sleeves, gathered at the wrists. She wore a bow of matching mouseline in her hair.

The maid of honor, Miss Ruth Morley, sister of the bridegroom, chose a yellow model with heart shaped neckline and long sleeves, pointed at the wrists, with matching hair bow of mouseline.

Miss Jean Seiber, of Palmyra, and Mrs. Russell Lord, of Delanco, served as bridesmaids, and wore pink and aqua respectively. Their frocks combined lace bodices, fashioned with heart shaped necklines and bracelet length sleeves, and bouffant skirts of silk. The bows in their hair were of silk in matching shades. All the attendants carried contrasting bouquets of roses.

Mr. Harold A. Stevens, brother

of the bride, served as best man and Mr. Treadway, cousin of the bride, and Mr. William Moore and Mr. Theodore Layton, of Lansdowne, ushers.

Mrs. Stevens wore a gown of powder blue chiffon and tulle with a pink corsage was of pink roses. The groom's mother chose a pink chiffon dress with which she wore a white hat and corsage of deep pink roses.

A reception at the Riverton Porch Club followed the ceremony. On their return from a wedding trip, Mr. Morley and his bride will reside at 8600 Bustleton avenue, Philadelphia.

Canning Equipment

THE enthusiasm for Victory Gardens is high in New Jersey. Many homemakers have visions of home-grown fruits and vegetables for the table this summer and for canning and preserving for the winter.

Vegetables from home gardens are best for canning because not more than six hours should elapse between the time when the product is picked and when it is sealed in the can.

If you are going to do canning at home this year, it is best to start collecting the essential equipment now. This should not be elaborate or expensive. But it should be easy to handle, of convenient size, light weight, and easy to clean.

Besides jars, jar caps, rubber rings, and a proper canner the following equipment will make the canning job easier.

A fine-mesh wire basket or colander is needed for blanching. A stainless steel or silver knife is best for paring fruits and vegetables.

A long-handled wooden spoon and a spatula are helpful when stirring and packing.

A wide-mouthed funnel and ladle used to fill jars will save time and fuel.

A jar lifter will often prevent burns.

A quart measure, standard measuring cups, scales, vegetable brush, candy thermometer and bowls will help speed-up the work.

Jars are important. Old ones may be used by replacing rubbers and often caps. Test jars for leaks by filling with water, sealing and inverting.

Discard jars and caps that have cracks, chips or dents. Jar rims must be smooth. Wire clamps on lightning jars may be tightened by

With meat scarce and ration rules in effect, the homemaker will serve fish more often than ever before. This protein food is not rationed and Spring brings an interesting variety to the market.

Fish Is Not Rationed

This Protein Food Contains Valuable Vitamins and Minerals

WITH meat scarce and ration rules in effect, the homemaker will serve fish more often than ever before. This protein food is not rationed and Spring brings an interesting variety to the market.

Compared with other substantial foods fish is comparatively low in cost.

Talk to your butcher about fish. Ask him to tell you which fish are in season at this time of year. Try new methods of preparing them for the table.

SURGICAL DRESSINGS NEEDED IN SUMMER

In summer, as well as winter, surgical dressings are needed by the wounded of the armed forces of this country. Our fighting men do not get a vacation during the hot weather and, by the same token, all possible civilian assistance to them should continue.

SCHOOL MUSICAL

The annual Musical of the Sacred Heart School will be held in the school auditorium on Tuesday evening, June 15, at 8 o'clock. All are invited.

RECORDING DANCE

A recording dance will be given by the Blessed Virgin Sodality on Thursday, June 17, in the Sacred Heart School auditorium, Riverton, at 8:30 p.m. Admission is 15 cents single, couple 25 cents. Service men will be admitted free.

COMMENCEMENT AT SACRED HEART SCHOOL

The Commencement exercises of Sacred Heart School will be held on Wednesday evening of next week at 8 o'clock, in the school auditorium. The complete program and the list of graduates, as well as the winners of the various awards will appear in next week's issue of The New Era. All are welcome to be present.

SALARY SCHEDULE FOR TEACHERS

A new salary policy for teachers was recently adopted by a unanimous vote of the Riverton Board of Education. This policy, which will not increase the school budget calls for new base pay figures, but no bonus for full time teachers.

The principles underlying the adoption of this policy are as follows: A good salary guide should attract to the faculty teachers of excellent personality and character, broad viewpoint, keen professional interest and should provide a holding power similar to that which exists in other professions.

It should encourage the professional growth of teachers with the aim of giving every child teaching service comparable to the best professional, legal, medical or dental service.

It should foster a high morale in the teaching staff by recognizing exceptional teacher achievement. The salary guide should provide added increments above the maximum. These special maximums should be paid for classroom teaching that is superior, valuable contributions to the curriculum, sponsorship of special school activities, contributions to education through study, writing and research and contributions to community activities involving educational programs for children.

A good salary guide should offer salaries adequate to provide cultural advantages including professional study and growth, to maintain good standards of living, and to make possible sufficient savings to assure a self respecting living during old age and after retirement from active service.

Other Provisions Experience outside the Riverton School System will be evaluated at the rate of full credit for two years service, and one-half credit for each successive year's service, the total not to exceed six years.

Salary increases will take effect at the beginning of the school year. The guide does not apply to principals or supervisors.

Teachers now members of the staff will be considered for an increase from the present salary on the step indicated by the Board of Education. The guide is in no sense a contract and the Board reserves the right to revise or revoke it.

Increments will be granted only after full consideration of the facts of each individual case.

Two years' successful teaching experience shall be required for teachers to start on the salary guide.

Membership in the New Jersey State Teachers Pension and Annuity Fund shall be required for teachers to be eligible for consideration on the guide.

The salary guide is as follows: *Start, \$1400 5 years, \$1600 10 years, \$1800 15 years, \$1950 20 years, \$2100 25 years, \$2200 30 years, \$2300

*Providing there has been 2 years teaching experience. There is also a special adjustment period for a minimum retirement of \$100 per month when retirement age is reached.

PARK PLAYGROUND

"This summer, the most fun of all will be at the Memorial Park Playground!"—that's the news which is spreading like wildfire through the younger generation of Riverton. And many a parent, worried by the question, "What are we going to do with the children this summer?" will breathe a sigh of relief to know that the question has been answered by the Riverton Parent-Teacher Association in cooperation with Borough Council.

Beginning on June 28th and continuing for the next 10 weeks all through the summer, a program of organized play and instruction will be conducted at Memorial Park with the finest adult leadership that is available in South Jersey. Membership in the playground will be free and open to every family in Riverton.

Taylor Kirby of the faculty of the Palmyra High School has been appointed supervisor of the organization and Miss Sarah Lowden, of Moorestown, has accepted the position as assistant. Mr. Kirby has been identified with sports and boys' activities for years. He is head coach at Palmyra High School, assistant coach of the baseball team and, for seven years, before coming to Palmyra High, was one of the most popular instructors at Bordentown Military Institute.

Miss Lowden is a graduate of the Glassboro State Teachers College and for the past three years has taught in the second grade of the Haddon Heights Public School. For several summers she has taught in the Moorestown Daily Vacation Bible School and has a wide experience in crafts and teaching them.

Schedule Playground activities will be conducted five days a week, Monday through Friday, during which the following schedule will be observed: 10:00-12:00, Athletics; 12:00-1:00, Luncheon (at home); 1:00-2:30, Crafts and quiet hour; 2:30-4:00, Organized athletics.

Groups will be properly formed to care for every child from seniors to juniors and membership is open to all of kindergarten age and over.

Through the cooperation of Riverton Borough Council, sufficient funds have been made available to purchase or construct all of the equipment needed for a well-organized playground and any of the "Dads" of Riverton who would like to pitch in and help in building some of the equipment are cordially invited to phone to either Mr. Becton, the Chairman, or Mr. Van Horn.

Registration cards for the children will be distributed at an early date through the Riverton Public School, Sacred Heart Parochial School and the Friends' School.

The playground committee as sponsored by the Riverton P.T.A., consists of the following: George T. Becton, Chairman; Albert Farrow, Alexander B. Garwood, William Van Horn, Robert Knight, Rev. Francis Coan, together with Mrs. Ezra Carhart, Mrs. Brooks Evert and Mrs. Richard Hooper.

BACCALAUREATE SERVICE The Baccalaureate Service for the members of the graduating class at Palmyra High School was held Sunday morning in Calvary Presbyterian Church, Riverton, when the seating capacity of the church was taxed to the utmost to accommodate the large number who attended.

The members of the class made a most attractive appearance as they marched to their seats, the girls being attired in white caps and gowns and the boys in maroon.

The pastor, the Rev. Robert B. Stewart, addressed the class on the subject "I am Debtor, I am Ready, I am not Ashamed." He developed his theme in a most interesting manner and his message left the entire assemblage thoroughly impressed with the practicality of his words.

HONORED AT COLUMBIA

Robert C. Stover, son of Mr. and Mrs. Evan W. Stover, Riverton road, was awarded outstanding honors at the recent commencement exercises, Columbia College, men's undergraduate school of Columbia University, New York City.

He was one of the 24 members of his class named to Phi Beta Kappa, National scholastic fraternity and also received honors in philosophy. He was one of the 15 seniors selected for membership in the Schemm, honorary senior society and Van Amringe, honorary campus service group. Mr. Stover also served on the class day committee and was active in the Debate Council.

Mr. Stover is a graduate of George School and held an honor scholarship while at Columbia. He enlisted in the Naval V-7 Naval program in April 1942 and has been ordered to report at Northwestern University, Chicago, for training on July 8.

PALMYRA WINS STATE TRACK TITLE AGAIN

Duplicating their performance of last year, Palmyra High School's track team, under the guidance of Coach Melvin Kreppe, took the New Jersey Group 2 title last Saturday at Montclair, annexing a total of 51 1/2 points. Cranford was second with 40.

In beating the best in the State, the locals took four first places and five seconds.
Shot put—Simple 2nd, Breuer, 3rd.
Pole vault—MacAnulty and Conover tied for fourth.
Broad jump—Morton, 2nd.
Javelin—Bauer, 2nd, Semple 5th.
High jump—Hubbs, 5th.
Discus—Semple, 2nd.
Mile—Morton, 1st.
120 high hurdles—Breuer, 1st, Alexander, 4th.
880—Morton, 1st.
440—Bauer, 2nd.
220 low hurdles—Breuer, 1st.

RIVERTON LOSES 2-1

Riverton lost a tough decision on Sunday afternoon at Memorial Park when Mr. Holly, the only unbeaten team in the Burlington Co. League handed the locals a 2-1 setback. Diffenbaugh hurled for the homesteam and allowed seven hits, the same number as his opponent and deserved a better fate. He fanned 11 of the invaders.

Both teams tabbed a marker in the initial stanza and the fracas was then scoreless until the ninth, when Mr. Holly pushed over the deciding run. Riverton plays Riverside Metal this Sunday afternoon at Memorial Park.

NOTICE

Take notice that John Andrew Hirschman intends to apply to Cinnaminson Township Committee of Cinnaminson for a Plenary Retail Consumption License for premises situated at Park Landing Road and 6-41 Highway, Cinnaminson Township.

Objections, if any, should be made immediately in writing to Harold E. West, 1108 Morgan Avenue, Palmyra, N. J., JOHN ANDREW HIRSCHMAN, Park Landing Road and 6-41 Highway, Cinnaminson Township.

Monday, June 14—The Church Council will meet at the Wynkoop's at 8:00.

Wednesday, June 16—Children's Choir rehearsal at the church at 3:45.

Monday, June 21—Bethany's Vacation Church School begins. Children ages 4-14 are welcome to attend.

Sunday, June 20—The first of the Summer Grove services will be conducted in the Community Park at 7:00 with the Rev. A. J. Harke of the Moravian Church, presiding.

EPWORTH METHODIST CHURCH Fifth Street and Morgan Avenue Palmyra, N. J.

Methodist Student Day, formerly called Children's Day will be emphasized in the services at Epworth Church Sunday.

An Offering will be taken for the Methodist Student Fund of the Methodist Board of Education to be used in helping worthy students through college.

Morning Church Worship will be at 11:00 when the Pastor will preach on "Let Us Forget." Infant Baptism will be administered during this service.

the Summer." The Senior Choir will sing "Lord In This Sacred Hour" by Walter. Mrs. D. Roe Haney will be the soloist.

Mrs. Lord's organ numbers for the day will be "Aria" by Gluck, "Cantata" by Flavel, "Postlude in A" by Battman, "An Old Song" by London, "Canonetta," by VonWilm, and "Praeludium" by Mozart.

Friday, 3:30, Registration for the Daily Vacation Bible School. 3:45, Junior Choir practice.

Monday, June 21—The first of the Summer Grove services will be conducted in the Community Park at 7:00 with the Rev. A. J. Harke of the Moravian Church, presiding.

CENTRAL BAPTIST CHURCH Fifth Street and Maple Avenue Palmyra

Rev. S. Dan Morgan, Pastor Welcome to Central Baptist Church. What the young people do today the world will do tomorrow.

This Sunday will be Children's Day. All classes will convene in the church at 10:00 o'clock a.m. for a program given by the children and young people.

Morning Worship, 11:15 a.m. After you have enjoyed the children's hour you are invited to attend this hour of service.

The choir will sing, "Great and Marvelous," by Turner. Miss Grace Horner and Mrs. Lawrence Schweizer will sing, "Oh, Let Him Whose Sorrow," by Rubinstein.

Junior and Senior B.Y.P.U., 7:00 p.m. Don't let the hot weather get you down, but let your evening meeting give you an "up-lift."

Evening Worship, 7:45 p.m. Since this will be our last evening service for the summer we will use it to especially remember the men in the Armed Service.

A TRIBUTE Riverton Red Cross has lost a faithful worker and staunch supporter in the passing of Miss Helen E. Woolman. She gave her time and

energy to many specific organizations devoted to the welfare of humankind. She served in several departments of Red Cross, but when the Surgical Dressings group was inaugurated in Riverton, she really found her forte.

Her constant observance of duty, and her capacity for taking infinite pains helped put Riverton among the first in quantity and quality of dressings. Her self-sacrificing labor sets a high goal for us who must carry on the unfinished work, and her sincerity of purpose will be an inspiration to her fellow workers, who join in paying tribute to a gallant lady.

OBITUARIES

JAMES C. EVERT

Private James Evert, 22, of Merchantville, was drowned last Wednesday in the Sabine River near Marysville, La., while attempting to save a companion's life on maneuvers with an armored division from Camp Polk, La.

Private Evert was inducted into the U. S. Army in November, and had recently been accepted for officers candidate school.

Funeral services were held at his home, 6119 Walnut avenue, Merchantville, Tuesday afternoon. Private Evert is survived by his mother, Mrs. Walter H. Evert and a brother, Brooks Evert, of Riverton.

HELEN E. WOOLMAN

Miss Helen E. Woolman died Wednesday, June 2, at her home, 601 Bank avenue, Riverton.

Services were held on Saturday, June 5, at her late residence, the Rev. Francis B. Downs, of Christ Church

Episcopal, Riverton, officiating. Interment was in Woodland Cemetery, Philadelphia.

Miss Woolman was a familiar figure in Riverton, aiding a number of civic and charitable enterprises. She was a member of the Board of Directors of the Burlington County Historical Society, the Burlington County YWCA and the Board of Managers of the Cinnaminson Home.

She was an untiring worker in the volunteer services of the American Red Cross, both in the Burlington County Chapter and the Riverton Branch, in addition to serving as instructor and inspector of surgical dressings for the local group.

Miss Woolman was also a member of Christ Church, the Porch Club and the Riverton Country Club. The deceased is survived by her sister, Mrs. C. S. Somervell, of Riverton; two brothers, Walter K. Woolman, of Riverton; Clarence Woolman, of Chicago; and her nephew, Lieutenant Philip A. Somervell, serving in the U. S. Navy.

ABOUT TOWN

The marriage of Miss Grace Dorothy Garver, daughter of Mr. and Mrs. Norman Edward Garver, of Crafton, Pa., and Mr. Charles Morse Rader, son of Mr. and Mrs. William John Rader, of 322 Leony avenue, Palmyra, will take place Friday evening, June 18, at 7:30 o'clock, in Trinity Lutheran church, Pittsburgh, Pa.

The bride-elect is a graduate of Margaret Morrison College for Women, Carnegie Institute of Technology, Pittsburg, and is a member of Alpha Theta Sigma sorority. Mr. Rader was graduated from the School of Engineering Management at Carnegie Institute of Technology. He is a member of Alpha Tau Omega fraternity.

A number of those stopped had no legitimate reason for being on the road and they will be summoned to appear before the local Ration Board.

ANNOUNCEMENT ON FUEL OIL RATION Allotments for next fall's fuel oil ration to home owners will be made automatically through the mails by the ration boards when the regular application for a renewal of rations are processed in June. T. Curtis Flynn, Chairman of the Palmyra War Price and Rationing Board, announced today.

This is how the adjustment will be made: 1. Household in the 33 fuel oil ration states will fill out a sample form sent them through the mail by their rationing boards early in June. These application forms, properly filled out, will be mailed to the boards as soon as possible.

2. In processing the application, the board will review the household's last year's application now on file for information necessary to issue the new ration. The amount of any increase will be determined by a revised table to be furnished the boards by OPA.

Need for larger rations for many modest-sized homes was demonstrated, Mr. Flynn pointed out, by a special nation wide analysis of more than 30,000 individual rations which showed that the method of determining rations, geared to curtailments of approximately one third of normal on the average, resulted in disproportionately large cuts for small homes.

LONG TEST BLACKOUT TUESDAY EVENING The longest test blackout staged in New Jersey took place on Tuesday night of this week, when over 90 minutes elapsed between the first blue signal and the all clear.

The test produced excellent results in the opinion of local civil defense officials. The planes which were to have caused a second red signal before the all clear evidently failed to put in an appearance, but there was a long interval between the second blue and the all clear.

DROWNED SUNDAY John Seaborn, 23, of 2820 Brown street, Philadelphia, was drowned in Pennsauken Creek, near 8-41 at 4:45

Sunday afternoon. The victim, who, with a party of friends had been visiting Mrs. Louise Cotton, of Parry, was in the water with several companions at the time of the incident. They saw him go under suddenly, come to the surface once and then disappear. He was not seen again.

A force of volunteer rescuers went to the scene and dove for Seaborn, but with negative results. The Palmyra ambulance also stood by. Men worked with grappling irons until 2 a.m. Monday, but did not recover the body.

The body was recovered Tuesday evening near the spot where the drowning occurred by members of the Parry Volunteer Fire Company.

RECEIVES DEGREE On Tuesday of this week, Mrs. Francis B. Downs, of Riverton, received the degree of Doctor of Philosophy in Biblical Literature at the Bryn Mawr College commencement.

The degree was awarded by Dr. Katherine McBride, president of the institution and Mrs. Downs was presented by Dr. Henry J. Cadbury, head of the Biblical Literature Department of Harvard.

The recipient received her A.B. degree at Mt. Holyoke, magna cum laude and her M. A. at Bryn Mawr. She was the holder of European and American Fellowships at Bryn Mawr and studied with Dr. Burditt at Cambridge University, England. Her dissertation will be published in the Journal of Biblical Literature.

Visiting Nurse Drive

The Visiting Nurse Association of Palmyra, Cinnaminson and Riverton will soon open the annual drive for funds in Palmyra. Miss Helen Blair and Miss Carolyn Cook represent the association and willingly offer their professional services to anyone who may need them.

They will come to your home for just one visit or to help give daily nursing care, to assist the doctor if necessary. There is a nominal fee for each visit. The association is supported by these fees, the work Miss Cook and Miss Blair do for the insurance agencies and voluntary contributions. It takes the three sources of income to keep the association financially solvent.

Miss Blair and Miss Cook, assisted by Dr. Voss and Mrs. Henderson, supervise the well baby clinic. These babies' weights are checked and milk formulas suggested which will best feed the baby. The clinic is held in a pleasant, warm comfortable room in the Palmyra Brough Hall.

Miss Helen Blair has given courses in Home Nursing at the Cinnaminson schools. The girls in each school, at the completion of the course, presented plays based on the work studied. Several of the girls have decided to prepare themselves to study nursing, so great was the interest shown in the material Miss Blair presented.

The Association as a whole maintains a continuous interest in Public Health Nursing throughout the State and nation. The members subscribe to Public Health publications whose articles are discussed during each meeting. One of the members recently attended a state convention in Newark of the New Jersey State Organization for Public Health Nursing.

Mrs. Albert McCay reported on three of the meetings she attended. The topics discussed were "Care of Pre-School Children of Defense Workers," "The Americas Face The Future," and "Maintaining Health in the Army."

ANNOUNCEMENT ON FUEL OIL RATION Allotments for next fall's fuel oil ration to home owners will be made automatically through the mails by the ration boards when the regular application for a renewal of rations are processed in June. T. Curtis Flynn, Chairman of the Palmyra War Price and Rationing Board, announced today.

meet in the gymnasium, and the teacher will be Mr. Arthur Lewis. Mrs. Cummings will teach the Women's Bible Class, and the subject of the lesson will be "The World's Great Loves." This is the second of a series of four special lessons to be presented by Mrs. Cummings.

The Sacrament of the Lord's Supper will be observed on Sunday morning as part of the regular service of Divine Worship. The choir will render the anthem, "O For a Closer Walk with God," by Forster.

The "James Paul Roney Memorial Organ" will be presented, received and dedicated at this service. The presentation will be made on behalf of Mrs. Roney by Dr. William E. Rink of Burlington, a close personal friend of the late Mr. Roney, and will be received by the pastor on behalf of the congregation. A solo, "Dedication," by Franz will be rendered by Mr. Alfred S. Van Osten, following which the organ will be dedicated.

On Wednesday, June 16, the newly organized Women's Society of Calvary will meet in the Church School auditorium at 2:30 o'clock. A "rose program" has been arranged, and each member is asked to wear a rose, of any color. This will be the first regular monthly meeting of the Society, and all members are requested to make a special effort to be present.

The annual picnic of the Good Fellowship Club will be held on the afternoon of Saturday, June 19. Members will leave via "Straw Wagon Express" from Calvary Presbyterian Church, the first unit leaving at 1:30 o'clock. Another unit will leave later, according to the convenience of those who will be unable to make the earlier trip. Members should bring their children along, and each member is expected to bring a box lunch. Coffee will be furnished by the Club. The picnic destination is Millside Farms, where provision has been made for swimming, sports, and other entertainment. Those who expect to attend the picnic must make their reservations not later than Friday, June 11. Call Riverton 0531 or 0533-J for reservations.

Christian J. Eurich will address the class this Sunday.

CHRISTIAN SCIENCE CHURCH
First Church of Christ, Scientist
Thomas Ave., at Seventh St. Riverton, N. J.
"God the Preserver of Man" is the Lesson-Sermon subject for Sunday, June 13, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "The name of the Lord is a strong tower: the righteous runneth into it, and is safe." (Prov. 18:10)
Among the Lesson-Sermon citations is the following from the Bible: "And we have known and believed the love that God hath to us. God is love; and he that dwelleth in God, the Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The sharp experiences of belief in the supposition of life of matter, as well as our disappointments and ceaseless woe, turn us like tired children to the arms of the love that God hath to us. God learn Life in divine Science." (p. 322)

War Action!
As clearly as in a mirror you can see the rise of our Nation's fighting power in the use of long distance telephone service. More and more—day and night—it is being used to speed action everywhere on the home front.
Now, more than ever, only the most urgent calls should be on long distance lines, especially those to Washington and other war-busy centers.
... When you call and all circuits are reported busy—think it over, maybe you could do without that particular call.
NEW JERSEY BELL TELEPHONE COMPANY

DUPONT OFFICIAL ROTARY SPEAKER

Numerous new products and new processes, most of which work unheralded and unseen by the general public, today contribute importantly to the unprecedented war effort on all Allied fronts.

Added to the array of products developed by industrial research for peacetime uses, a new contributing directly to the winning of the war are scores of new products and processes developed since Pearl Harbor, Mr. Livingston said.

"The list of contributions of the chemical industry alone is much too long even to enumerate, and, too, many remain in that mysterious realm of military secrets," he explained.

Mr. Livingston said that President Roosevelt's enumeration of American industry's accomplishments in the production of aircraft, tanks, machine guns, anti-tank guns, small arms ammunition, artillery ammunition—and so forth—in his annual message made it quite clear that modern war is a conflict of chemicals, and that without a highly developed chemical industry this country today would stand disarmed and helpless.

"Not a plane would fly, not a tank would move, not a gun would fire," Mr. Livingston said. "All explosives are chemicals, and are the high-test fuels that drive the motors, the tires on which our transport trains roll, the dyes that color uniforms, and the medicines that heal the sick and wounded."

Recent Developments Mr. Livingston stressed the importance of such contributions as are represented by recent developments in dyes, using new anthraquinone vat dyes colors as an example.

"And, nitrogen, drawn from the air in the form of ammonia, is flowing night and day to American industry for at least 2,000 industrial uses," he added.

Mr. Livingston said another new product, rayon tow, an untwisted rope made of thousands of continuous filaments of viscose rayon, braided and impregnated with lubricants, replaces imported flax in vital military equipment.

"Of military value are the new tapered nylon paintbrush bristles being used for painting of ships, tanks and planes. 'Bubblifl', a continuous chain of buoyant air-filled cellulose bubbles, may be used in life jackets, and interlining for flying suits and cold because of its insulating properties as weather jackets. 'Avitone' textile finishing agent, made from non-critical petroleum, releases fats for direct military needs, thus making talow available for glycerin recovery."

Other chemical developments since Pearl Harbor, mentioned by Mr. Livingston, include special military

paints which, because of their dullness, help to conceal tanks, trucks, and planes; fine-grain industrial X-ray film which reveals surface invisible flaws in metal welds and castings before time-consuming machining has been done, or lives lost through failure of military equipment such as a gun mounting; fabrics coated with a vinyl plastic, lighter than rubber and having equal durability, for raincoats, life jackets, food bags, and hospital sheeting; use of vitamin C for combating heat prostration; 'Celas-tic' colloidal-treated fabric for speeding up military production in foundries by affording quick, easy repairs and alterations of patterns for metal castings; sabotage-proof 'acoustic fence' for protection of war plants.

He also discussed a number of new military applications of old products which, he said, were no less important than new products and processes. Among these he mentioned neoprene synthetic rubber used to coat fabrics for blimps and barrage balloons, as the veneer of de-icers for airplane wings, in military tires, and in numerous other important, but secret applications; high-tensacity 'Cordura' rayon, now finding application for the tire cord of military planes; cellophane for packaging emergency military rations; flameproofing chemicals; and such important items as nylon yarn, once used chiefly for fine hosiery and now restricted to parachutes and other essential war uses.

Mr. Livingston said another new product, rayon tow, an untwisted rope made of thousands of continuous filaments of viscose rayon, braided and impregnated with lubricants, replaces imported flax in vital military equipment.

"Of military value are the new tapered nylon paintbrush bristles being used for painting of ships, tanks and planes. 'Bubblifl', a continuous chain of buoyant air-filled cellulose bubbles, may be used in life jackets, and interlining for flying suits and cold because of its insulating properties as weather jackets. The Indian Problem

"There is enough ability amongst the Indian people to govern themselves once they can hammer out a Constitution. They are a law-abiding people, and once they have adopted an acceptable Constitution they will live up to it, and they will make it work after the war."

This was the conclusion of Dr. Douglas H. Forman in his address to the local Rotary Club last Thursday evening on the subject of "The Background of the Present Political Struggle in India."

Dr. Forman is well qualified to present an authoritative viewpoint on the present struggle in India. He was born in India, and for twenty years was Medical Director of Allahabad University. In his professional capacity he has met most of the native Indian leaders, including Jawahar Lal Nehru and Mohandas Ghandi.

Vastness and Variety To understand India, Dr. Forman declared, one must be intelligently aware of its vastness and variety. It presents the biggest governing job father visited India, carrying ice!

There are twelve basic languages in India, each one of which boasts a literature of its own. Economically, the country presents a paradoxical picture. There are 562 ruling chiefs, all of whom are wealthy, the Maharajah of Hyderabad being regarded as the richest man in the world.

Dr. Forman continued, "but very little religion in India." Hinduism is a federation of religions, comprising 240 million people divided into innumerable castes.

Concerning Gandhi, whom Dr. Forman has met several times, the speaker had some very enlightening remarks to make. He is peculiar, sincere and simple and though not a Christian, he is really a deeply spiritual man.

In view of all these paradoxical conditions and facts, Dr. Forman suggested the following conclusions: England in the past has exploited India, but for India's own good.

"The greatest divisive factor in all India," Dr. Forman declared, "is the political factor." The country is divided into two political sections, "British India" and the "India of the Ruling Chiefs."

There is an excellent chance of harmony in the future. Britain will not fail, but will do everything possible to make the Constitution work.

FIRE DRILL

The Riverton and Palmyra Fire Companies were among the nine organizations which sent equipment to Riverside last Sunday afternoon to participate in a test which also involved the mobilization of civil defense units in that community.

The Riverton pumper was hooked up in a relay that involved two other engines and the local organization used 800 feet of hose, four lengths of which blew out during the period of the test.

YMCA CAMPS

Word was received today at the Burlington County YMCA Headquarters that William Lair, Mount Holly, a graduate of the Trenton State Teachers College and Supervisor of Physical Education at the Mount Holly elementary schools, has accepted the position of Water Front Director at Camp Okanickon for the 1943 season.

According to Mr. Douglas, this is the last major camp staff position that it was necessary to fill and the Burlington County YMCA can now assure parents of a very capable and well-prepared group of campers to direct the activities of camp, which opens Saturday, June 26, for an eight week season.

Mr. and Mrs. Arthur C. Ladow of Woodbury, will be in charge of the Nature program and in addition are making a study of New Jersey wild life for the Newark museum.

Staff members of previous years are returning as Mrs. Anne W. Troth, Director of the Girls' Camp; Mrs. Mabel Ziegler, Horsemanship; Mrs. Frank Ramsey, in charge of dining room, and Miss Alma Deller, music and junior area.

There are many religions," Dr. Forman continued, "but very little religion in India." Hinduism is a federation of religions, comprising 240 million people divided into innumerable castes.

Concerning Gandhi, whom Dr. Forman has met several times, the speaker had some very enlightening remarks to make. He is peculiar, sincere and simple and though not a Christian, he is really a deeply spiritual man.

In view of all these paradoxical conditions and facts, Dr. Forman suggested the following conclusions: England in the past has exploited India, but for India's own good.

"The greatest divisive factor in all India," Dr. Forman declared, "is the political factor." The country is divided into two political sections, "British India" and the "India of the Ruling Chiefs."

THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

54th Year, No. 11 THE NEW ERA, THURSDAY, JUNE 17, 1943

COMMENCEMENT

"For This We Serve" was the theme developed by the speakers at the very colorful commencement exercises of Palmyra High School last Thursday night in the stadium, when over 2,000 people attended the ceremony.

With 22 members of the class already in the armed forces and many more slated to go in the near future the entire program held a serious note which made a deep impression upon every one who attended.

The following awards were made: American Legion: (presented by J. Russell Musser) George Downs, Laura Yerkes.

Graduate Group Service Award: (presented by Mr. Jones) Charles Conover, Eleanor Metzger.

Graduate Group Scholarship Award (from sending districts) (presented by Mr. Jones) Roland Laning (Cinnaminson), Vesta Evans (Daneco).

P.T.A. Scholarship Award—Palmyra student: (presented by Mrs. Fountain) Aluden Cooper.

Alumni Association English Award (presented by Russell Rivers) Vesta Evans.

Borough Council—Government and Citizenship: (presented by Mayor John Ward) George Steedle, Dorothy Leysbon.

Alumni Athletic Cup: (presented by Russell Rivers) Charles Conover, Marilyn Yost.

Junior Woman's Club Drama Award (4 years) (presented by Mrs. Robert Strahan) Deloris Stephens.

PLAYGROUND PLAN SHOWS PROGRESS

Every day, now, things are moving faster and faster at Memorial Park, Riverton, as more plans are completed for the summer playground which gets under way on Monday, June 28th.

Last Thursday evening members of the Playground Committee met with Borough Council where plans for the playground were explained in detail and received the enthusiastic approval of the Town Fathers who expressed keen delight at the way in which the Committee is functioning.

Last Monday all three of the local schools cooperated in sending registration cards for the playground home with every Riverton pupil so that these cards could be properly filled out by the parents and returned to the teachers in plenty of time for the playground people to arrange a warm welcome for the children.

Volunteer Services In the meantime, a large contingent of "Dads" have volunteered their services in constructing and installing much of the necessary equipment.

Registration in playground activities is restricted to the children of Riverton, although children of other communities will be accepted after special arrangements have been made with the Chairman, Mr. George Beaton.

BRIEF ITEMS from ABOUT TOWN

Second Lieutenant Victor B. Shoemaker, who is stationed at Camp Lee, Virginia, writes that he enjoys reading The New Era "even more than he did while at home" and states that service men appreciate news about the "old home town."

Wilton E. Mount, formerly local YMCA secretary, writes that he recently met Harry and Richard Deemer at the Portsmouth, Va., U.S.O., where he is director. He also reported seeing B. A. Kemp, of Palmyra, and asks that service men from this section drop in and seem him while in that vicinity.

The members of the Riverton Fire Company gave a testimonial dinner to E. M. Carhart, Jr., on Wednesday night of this week, the occasion being Mr. Carhart's retirement as chief of the organization following eight years of efficient and energetic service in that capacity. Fifty members and their wives attended the affair.

The Tri-Borough Women's Improvement League of Palmyra-Riverton is sponsoring a bus trip to Fort Dix, Saturday, June 19. The purpose of the trip is to entertain the boys in service.

The members are arranging a program for the boys with local talent. The bus will leave Broad St. and Union Landing Rd. at 6:30 p.m. Any donations of cakes and cigarettes will

be gladly accepted. Please secure reservation before Friday, June 18, by phoning Riverton 0839. Round trip fare is 50 cents.

MICKLE-WALKER

The marriage of Miss Katherine Ann Walker, daughter of Mrs. Stanton Clifford Walker, of Germantown, Pa., and Lt. James Douglas Mickle, of 214 East Fourth street, Palmyra, took place on Saturday afternoon at 2 o'clock in the Second Baptist Church, of Germantown. The Rev. Dr. V. Hargroves performed the ceremony.

The bride was given in marriage by her mother, but entered the church on the arm of her uncle, Mr. Edward Madison Hales, of Germantown. She wore a gown of white marquisette fashioned en train and with lace trimming at the neckline and on the cuffs of the long sleeves. Her fingertip veil was held by a coronet of orange blossoms and she carried an arm bouquet of gardenias.

Miss Jane Hales Walker, as her sister's maid of honor, wore white marquisette also, with a white calot and carried red peonies with small white flowers. The bridesmaids, Miss Mildred E. Mickle, sister of the bridegroom, and Miss Meredith Budd, of Pennsauken, wore similar frocks and calots but carried bouquets entirely of red peonies.

Private William D. Mickle, ACS, USA, served as his brother's best man and usher included Mr. G. Benjamin Metcalf, of Audubon, uncle of the bride; Mr. Louis Schable, of Shiloh; Mr. Franklin R. Ehmman, of Merchantville, and Mr. O. Louis Ehmman, of St. Davids, Pa., the last

ter two uncles of the bridegroom. A reception was held at the home of the bride's aunt, Mrs. Richard Woolsey, of Germantown, after which Lieutenant Mickle and his bride left for Pyote, Texas, where he is stationed.

The bride's mother chose a gown of dark blue sheer with touches of pink at the neckline and a matching hat trimmed in pink. Her corsage was of sweetheart roses. Mrs. Mickle wore poude blue crepe dress-suit sprinkled in pink roses with white hat and accessories and a corsage of pink roses.

The bride is a graduate of Drexel Institute of Technology, H. L. Mickle and also attended Drexel, where he is a member of Theta Kappa Epsilon fraternity.

ENGAGED

Mr. and Mrs. Evan W. Stover announce the engagement of their daughter, Gene, to Corporal Edwin H. Chambers, Jr., of Moorestown, N. J., presently stationed at Moody Field, Georgia. The wedding will take place early in July.

SHERIFF'S SALE

By virtue of a Writ of Fieri Facias to me directed, issued out of Court Chancery of the State of New Jersey, I will sell at public sale on

THURSDAY, JUNE 24, A.D., 1943, between the hours of 12 and 5 o'clock in the afternoon of said day (to wit, at 9 o'clock) Standard Time or Eastern War Time, at the Court House, Mount Holly, New Jersey—

ALL the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being partly in the Township of Cinnaminson and partly in the Borough of Riverton, in the County of Burlington and State of New Jersey, and bounded and described as follows:

NO. 1. BEGINS at a point in the middle line of Thomas Avenue, distant nineteen hundred sixty-one and fifty-eight one-hundredths feet southwesterly from the intersection of said middle line of Thomas Avenue with the southeasterly line of the right of way of the Camden and Amberg Railroad Company, said point being also the point of intersection of the middle line of said Thomas Avenue with the middle line of Park Street, a sixty feet wide street extending southwesterly at right angles to said Thomas Avenue to the line of lands late of Ezra Lippincott, formerly of John Beckenbach; thence (1) along the middle line of said Park Street, at right angles to said Thomas Avenue, the distance of ten hundred forty and one-half feet, more or less, to a point in the line of land late of Ezra Lippincott; thence (2) along the line of said land late of said Ezra Lippincott, South fifty-one degrees and five minutes East, twenty-one hundred forty three and twenty-seven one-hundredths feet, more or less, to a stone corner to said land late of Ezra Lippincott in line of land late of Catherine Coles, now of Riverton County

Club; thence (3) along the line of said land late of Catherine Coles, now of Riverton County Club, North Sixty-seven degrees and five minutes East, the distance of one-hundredth seven and seventy-eight one-hundredths feet, more or less, to a point in the middle line of said Thomas Avenue; thence (4) along said middle line of said Thomas Avenue, North fifty-five degrees West, the distance of twenty-eight hundred thirty-nine and thirty-two one-hundredths feet, more or less, to the middle line of said Park Street and place of beginning.

BEING bounded Northwesterly by the middle line of said Park Street, Southwestwardly by land late of the said Ezra Lippincott; Southeastwardly by land late of said Catherine Coles, now of Riverton County Club, and Northwesterly by the middle line of said Thomas Avenue.

NO. 2. DESCRIBED in accordance with a survey thereof made by Haines & Sherman, January 23 and 24, 1916, BEGINNING at a stone in the center line of Thomas Avenue, corner to land of J. Lawrence Lippincott, other land of said Riverton County Club hereinafter described, and land of David E. Coles; thence by said land of David E. Coles, South twenty degrees, thirty minutes and fifteen seconds East, the distance of eleven hundred eighty-eight and fifty-four one-hundredths feet to a stone corner to said Coles, in the line of land of Sarah Grooby; thence by said land of Sarah Grooby, South sixty-nine degrees, fifteen minutes and forty-five seconds West, the distance of four hundred thirty and ninety three one-hundredths feet to a stone, corner to the same; thence by the same, South nineteen degrees, twenty-one minutes and fifteen seconds East, the distance of five hundred one and sixty one-hundredths feet to a stone, corner to land of Elizabeth H.

BIRTH
Mr. and Mrs. William Jay Reed, of Sudbrook Park, Maryland, are being congratulated on the birth of a daughter, Sarah Lindsay. Mrs. Reed was the former Louise Lindsay Ayres.

THE PEOPLE'S COLUMN

Dear Editor: Last week "Fair Play" suggested that a civic association might be able to prevent destruction of property that is continually taking place in Riverton. I think that an organized group that would make both work and play available to children would be a tremendous help. Children could cut grass, pull weeds, straighten up yards, for which people would be glad to pay, and the money could be spent on war stamps, or if preferred, personal benefit. Perhaps the school could be used for play, and also work, as the children could take turns being "police" officers to keep it in order and govern the children. Memorial Park is no doubt a help, but not enough. I know that both boys and girls are turned out in the evenings until about 10, with nothing to do but race the streets and wonder what they can get in to. The same condition exists on Sundays. Just last week I watched a small group of boys wander up and down the street in the afternoon and complain that "there is nothing to do." I believe that they are entirely willing to keep out of mischief if they are given any other outlet for their energies. Can we oldsters give them an opportunity? Observer.

TIED FOR LEAD Riverton went into a tie for first place in the Burlington County Baseball League by virtue of a 7-4 win over Riverside Metal Co. at Memorial Park Sunday afternoon. Raff, of the locals hit a homer in the fifth with one aboard to knot the count at 3-1. Riverton sewed up the fracas with a four-run attack in the seventh. Diefenbach got two of the six hits made off the slants of Roberts, the Riverside hurler. The homesters, who play Beverly this Sunday afternoon at Memorial Park, now have a record of two wins against a single reverse in the loop standing.

CHRIST CHURCH, EPISCOPAL, Riverton, N. J. The Rev. Francis B. Downs, Rector Trinity Sunday June 20, 1943 8:00—Holy Communion 11:00—Morning Prayer and Sermon. Thursday, June 24 9:30—Holy Communion and Sermon.

CENTRAL BAPTIST CHURCH Fifth Street and Maple Avenue Palmyra Rev. S. Dan Morgan, Pastor June 20, 1943 To all who desire and feel a need of closer fellowship with God, Central Baptist extends a welcome to participate in its various services. Bible School, 10 a.m. Vacation time is here but the Sunday School is always open every Sunday of the year. It is a family institution, so see to it that all of your family come and those of your friends too. There are classes for all and all are welcome. Morning Worship, 11:15 a.m. The sermon topic will be, "The Law of Liberty." The choir will have for its selection, "Sing Alleluia Forth," by Buck. Mrs. Edward Hughes will be the soloist. Senior B.Y.P.U. 7:00 p.m. The Senior group will continue its meetings throughout the summer. The Juniors will discontinue until Fall. Community Vesper Service at 7 p.m. This Sunday evening will be the first of the Summer Union Vesper Services of the churches of the community. Pastor Harke, of the Moravian Church will be in charge this evening. Wednesday, 8:00 p.m. Mid-week prayer and praise service. Remember the fun you had last year at the Daily Vacation Bible School? Beginning July 6th this year children up to and including 14 year-olds are invited to attend this three week summer session. Mondays through Fridays from 9:30 to 11:30 a.m.

BETHANY EVANGELICAL LUTHERAN CHURCH Broad Street and Morgan Avenue The Rev. Harold Lee Rowe, Pastor Sunday, June 20, 1943—Holy Trinity Sunday— 8:45, Matins—Sermon, "The Higher Manhood." 10:00—The Church School. 11:00 a.m.—The Service. Sermon—"The Higher Manhood." 7:00—Grove Vespers. The Rev. Albert J. Harke, presiding. Saturday, June 19—Bethany's Vacation Church School registration begins at the church, between the hours of 10 and 12 noon. Monday, June 21—Bethany's Vacation Church School will have its opening session at 9:30 a.m. All children ages 4-14 are invited to attend. There will be three groups, Beginner, Primary and Juniors. The Beginners will study, "This Is God's World." The Primary group will study, "We Learn of a Wonderful World" and the Juniors, "The World God Gives." All of these study units are in the program of The Children of the Church. They are based on a nature theme. The worship periods in the church will be conducted by Pastor and Mrs. Rowe and will be based on the Parables of Jesus. The other items of worship will be centered around this theme of Jesus'.

Parables. The School will continue for three weeks, Monday through Friday. Closing exercises will be held at the church Thursday evening, July 8, at 7:30. The Children will enjoy a picnic in Memorial Park, Riverton, Friday morning, July 9. YMCA EXECUTIVE ADDRESSES GRADUATES A host of relatives and friends were thoroughly inspired by the impressive program presented at the Closing Exercises of Cinnaminson School No. 4, Riverton, on Wednesday, June 9. Highlight of the evening was the address by Albert E. Flournoy of the YMCA, Camden. The speaker interpreted the "Four Freedoms" in the language of a high school student. Some points stressed were that serious war talk should be a part of the everyday life of young people. They must seek out and understand the true meaning of the freedoms if they expect to be able to discuss them intelligently. Since they are the ones who will work out the blue prints for a post war world it is more imperative than ever that they be able to weigh these matters wisely. This depends upon (1) their interest in their studies, (2) interest in current events and (3) interest in their fellow men. Boys and girls going out to start a new life must possess these things if they are to create a better world in which to live. The program was as follows: Professional—8th Grade Opening Sentences—8th Grade Prayer—Rev. Franklin Jones Chorus, "I Hear America Singing"—8th Grade Class Speaker, "What Westfield School Has Meant To Us"—William Sanders Vocal Solo, "Sylvia"—Virginia James Cornet Solo, "The World Is Waiting

ing for the Sunrise"—John Quinton. Vocal Solo, "Would God I Were an Apple Blossom"—William Sanders Main Address, "The Four Freedoms"—Mr. Albert Flournoy Chorus, "Springtime"—Grades 7 and 8 Awarding of Certificates—President of Board of Education. Presentations— Class Gift—John Quinton Jr. Red Cross—Mrs. John Abell Library Gift—Dorothy Thompson School Gift—Barbara Williams Chorus, "My Task"—Grades 7 and 8 Class Song Benediction The graduates were: William Bailey William Murray James Ransom William Sanders Harold Stanford Dorothy Thompson Samaria Turner Bette Williams Hannah Roberts Alvena Ricketts Geraldine Banks Virginia James Hattie Benson

HIGH SCHOOL GRADS GET VICTORY CORPS CERTIFICATES The graduates of the Class of 1943 from Palmyra High School were the first to receive certificates along with their diplomas marking membership in the Victory Corps. A total of 67 Seniors or over half the class received these certificates. If the whole class were here to graduate a number of other certificates would have been awarded, but of the original 80 Seniors who were members of the Victory Corps many have already entered the armed forces of the United States. Highlights of the Victory Corps Some of the outstanding features of the first year of the Victory Corps at Palmyra High were: The Curricula were streamlined to meet war needs by shortening three of the periods and making all periods of 42 minutes duration and adding an extra period in which sixteen new pre-induction courses were taught. On December 7, 1942, the first anniversary of the attack on Pearl Harbor, eighty seniors were sworn in by Mayor John F. Ward in a pre-induction ceremony. Later a total of 187 students from all classes became members of the Victory Corps. The Board of Education had an Obstacle Course constructed to meet the specifications of the War Department and the boys and girls were encouraged to take a special strenuous course in physical education. "Three courses in Morse Code were offered so that as many pupils as possible could learn this valuable means of communication. One course was called Morse Code, a course was offered in the Radio class and the code by blinker was taught in the Navigation class. As a result of the class in Radio, seven boys have passed the examination and obtained licenses as Third Class Radio Operators. A visiting night was held at one of the Parent-Teacher meetings at which time many parents visited all of the Victory Corps pre-induction classes. Many of the boys and girls of the Victory Corps staged a physical fitness demonstration as part of the I AM AN AMERICAN DAY program. A formal induction ceremony was staged at the same program. In addition to the regular map reading class, all boys and girls in the Agriculture class were taught map reading. A special course in agriculture was taught to non-ag students. As part of this program a number of boys and girls signed up for part-time and summer work on farms. Boys and girls in the Art classes made many beautiful posters of the Victory Corps for the I Am An American Day program and other occasions. A lecture by Sigrid Shultz, famous Berlin correspondent was staged to inform the public about our enemy and to raise funds for the Victory Corps. This program, sponsored by the Victory Corps, was a great success.

Pupils in the Pre-Flight Aeronautics class were given the regular Civilian Pilot Training Examination to see how well they could qualify for flight instruction. A six weeks unit in aeronautics, mathematics and social science courses to help make all students more air-minded. Several boys in the Victory Corps along with a few others staged some boxing bouts to increase interest in the Community Center. The V. C. Photography Class took many pictures around the school. Twenty-four boys of the Victory Corps engaged in a mile and a half mile relay. There were four boys from the Junior, Sophomore and Freshman classes in each race. Many senior boys did fine work in the qualifying physical tests in preparation for the service. Many pupils became aircraft observers as part of their service in the corps and they took the course in Observation and Decontamination to better qualify them for their work. Large charts of bodies of water in and near New Jersey were bought for and used by the Navigation class. The Student Council served also

as the Victory Council of the Victory Corps. Approximately 25 percent of all the boys and girls in the high school became members of the Corps. Palmyra High School was one of the first two high schools in the state to organize a Victory Corps. Thus ends the first year of the Victory Corps in Palmyra and it can be considered a real success. It is hoped that many more boys and girls will join the Victory Corps next year. J. P. HUGHES, Director

and songs by the younger members of the Church School, there will be two piano solos by children of the Beginners group.

Children will assemble in the Sunday School auditorium at 10:30, and will march in procession to the sanctuary at 11:00 o'clock. All who are interested in the spiritual welfare of our little ones, and who desire to encourage them in this expression of their religious experience are urged to attend this important service.

The Church Nursery will function as usual during the hour of worship, and will be in charge of Miss Elizabeth Rutz and Miss Ann Magowan. The Men's Bible Class will meet in the gymnasium at 10:00 o'clock Sunday morning. Mr. A. D. McFall will be the teacher.

The annual picnic of the Good Fellowship Club will be held on Saturday afternoon at Millside Farms. "The Straw Ride Express" will leave the corner of Fourth and Lippincott at 1:00, 2:00 and 3:00 o'clock. There will be room for the children of all members. For further information call Riverton 0531 or 0533-J.

You are reminded that the first annual "Union Grove Meetings," sponsored by the Palmyra-Riverton Ministerial Association, will be held on Sunday evening at 7:00 o'clock. The minister in charge will be the Reverend A. J. Harke. We are hoping to see great many Presbyterians present at this worship service, held in God's great out-of-doors.

CHRISTIAN SCIENCE CHURCH First Church of Christ, Scientist Thomas Ave. at Seventh St. Riverton, N. J.

"Is the Universe, Including Man, Evolved by Atomic Force?" is the Lesson-Sermon subject for Sunday, June 20, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "To us there is but one God, the Father, of whom are all things, and we in him." (I Cor. 8:6)

Among the Lesson-Sermon citations is the following from the Bible: "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth." (Ps. 33:6)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Keys to the Scriptures" by Mary Baker Eddy: "Spirit, God, has created all in and of Himself. Spirit never created matter. There is nothing in Spirit out of which matter could be made, for, as the Bible declares, without the Logos, the Aeon or Word of God, 'was not anything made.'" (p. 335)

MRS. DAISSETTE D. S. MCKENZIE Incoming President of The First Church of Christ, Scientist, in Boston, Massachusetts

The Christian Science Board of Directors today placed "prayer" at the top of the list of defensive and offensive weapons that free-thinking peoples are counting upon to win the global war against oppression and suppression.

In a statement to the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, the Directors first emphasized the word "prayer," then followed with the term "miracle of deliverance" which is to be accepted, they said, as the logical answer to righteous prayer.

Thus, deliverance from the hand of the oppressor was seen by the Directors to be no miracle at all, but rather a simple witnessing to the fact that power springs from the prayer of understanding.

"A praying people can never suffer defeat," summarized the Directors' remarks to several thousand Christian Scientists assembled in The Mother Church.

From the armed services and along the home front, the reports revealed unusual demands for church literature, hinging upon an increasing ef-

fect to bring prayer to bear upon the crucial tests of the times.

"Barriers are not won," the Directors said, "through trust alone, but through intelligent, scientific preparation and skillful execution. As we reach out to God through understanding prayer, the human footsteps to bring our deliverance from this cruel warfare and all evil will be revealed."

"Yes, the demands of the hour are crucial," the statement said, "they are imperative; they call upon us as Christian Scientists to be instant in prayer—not just prayer of affirmation and expectancy, but prayer that demands, through spiritual understanding, that the might of right prevail now."

"This is the method of prayer used by the master Christian. Our Leader, Mary Baker Eddy, tells us in 'Unity of Good' (p. 11) in speaking of the healing, by Jesus, of the withered hand, 'He demanded a change of consciousness and evidence, and effected this change through the higher laws

of God. The hand was restored whole." The Directors also announced the election of Mrs. Daisette D. S. McKenzie of Cambridge, Massachusetts, as President of The Mother Church for the ensuing year, succeeding Mrs. Elizabeth F. Norwood, of Brookline, Massachusetts.

The new President first became interested in Christian Science in 1897 during the very early days of the movement. Hence, Mrs. McKenzie became instrumental in the pioneering of this religion in the city of Cleveland. She served ultimately as Reader in First Church of Christ, Scientist, Cleveland, and as a member of its board of directors. In 1898 both Mr. and Mrs. McKenzie were called by Mrs. Eddy, the Discoverer and Founder of Christian Science, to become members of her last class taught in November of that year.

There is nothing more to be esteemed than a manly firmness and decision of character.—Hazlitt.

Stock Up for Next Winter

THERE ARE enormous demands on the nation's food supply. Food is needed for our army, for our allies, and for the hungry people in conquered countries. Home gardeners have met these demands with an enthusiastic and practical response. Now, the yields from their gardens will be canned and stored. A well stocked pantry shelf is not only a wise provision, it is patriotism.

Ask for a copy of our booklet on canning. With it to guide you, and your gas range to work with, you will find canning an easy and an interesting way of doing war work on the home front.

HELP NEEDED TO HARVEST CROPS

Farmers in this section are desperately in need of help to harvest their crops and an urgent appeal went out this week for volunteers to do this work—for boys and girls, men or women, for long or short periods of time. Work will be paid for at the prevailing rates for the various jobs.

Anyone desiring to help in assuring the nation's food supply is asked to contact Mr. Perry, Palmyra High School agricultural instructor, who will make the necessary arrangements. Boys or girls between the ages of 12 and 16 must have agricultural working permits. These can be obtained without charge at the high school upon presentation of a birth certificate.

All the agricultural students at the high school are already employed at various farms, but this supply is far inadequate to fill the need. Others have volunteered, but many more are required.

Crops harvested thus far include peas and cherries with beans being the major item at present.

If you can help, don't delay, phone Mr. Perry at once. The work is of such a nature that all can help.

BAND INSTRUCTION

Pupils in Palmyra schools, grades 5-12, or any of the sending districts who are interested in learning to play band instruments may receive this instruction at the Band School which will be in session this summer at the High School building. Certain instruments will be furnished to students as long as they are available. Music, which will cost about 50 cents per pupil, will be purchased by the students. The instruction cost will be paid by the Palmyra Board of Education. Pupils who already have instruments and who have had some training in music are especially urged to attend.

Classes will begin Tuesday, June 29, at 9:00 a.m. and will meet each Tuesday and Thursday morning thereafter.

Kenneth C. Merrill, director of the high school band, will be the instructor.

All persons interested, whether or not they do play instruments at the present time—and even though they do not have instruments—should report to the Palmyra High School Tuesday, June 29, at 9:00 a.m.

GEORGE S. WASHINGTON
George S. Washington, husband of May T. Washington, died at his home, 303 Main street, Riverton, on Thursday, June 17th, after a short illness.

Mr. Washington, who was 83 when he died, was descended from John Augustine Washington on his father's side and from Colonel Samuel Washington on his mother's side. John Augustine Washington and Col. Samuel Washington were full brothers of General George Washington, first President of the United States.

Born at Blakely, Va., in 1860, he came to Philadelphia in the Fall of 1876, and was married to May T. Alexander in St. James Episcopal Church, 22nd and Walnut Streets in the year of 1886. After his first two children were born, he and his family moved to Riverton in the Spring of 1891.

Mr. Washington served for several years on the Riverton School Board during which time the original school building, now being used, was built.

Mr. Washington was a member of Christ Episcopal Church of Riverton, N. J. and served as a vestryman for many years.

Mr. Washington was in the Wholesale Grocery and Food Brokerage business in Philadelphia for 67 years and was active until the first of this year. His business, George S. Washington & Sons, will be carried on by his son, Howard A. Washington.

Mr. Washington is survived by his wife, May T. Washington; two daughters, Mrs. Wm. H. Cumpston, of Lip, L. I., and Mrs. G. Lincoln Ridley, of Riverton; two sons, Howard A. Washington, of Riverton, and Lieut. William deH. Washington, of Fort Tilden, L. I.; four grand-daughters, May Cumpston, Elizabeth Ridley, Mrs. Robert Lippincott, and Christine Ridley; and one grand-son, George S. W. Cumpston.

Private funeral services were held at his late residence last Saturday. Interment was in Zion Episcopal Church Yard, Charles Town, Jefferson County, West Virginia.

NEW HOURS FOR SURGICAL DRESSINGS

Beginning next week, the hours for the Riverton Red Cross Surgical Dressing Group will be as follows:

Tuesday, Wednesday and Thursday—9:30 a.m. to 2:30 p.m. Workers are urged to bring a light lunch and to stay through the entire period. The dressings are now made on the first floor of the school and the room is cool.

The hours for Thursday evening, 7:30 to 9:30 o'clock, remain unchanged.

PARADE ON 4th

The Fourth of July celebration in Riverton will be started Monday morning at 10 o'clock with the usual parade from Memorial Park to the river bank. The committee in charge has provided more prizes this year than ever before and expects that there will be an unusually large number of entrants in the children's section. Prizes will be awarded after the exercises.

A new feature this year at the river will be the presentation of a series of patriotic tableaux.

Athletic events and the finals in the tennis tournament will be held at Memorial Park in the afternoon and Riverton A. C. will play Palmyra in baseball at 3 o'clock.

Evening Events

Several new features have been announced for the evening. These will be held at the park and will include a track exhibition by members of the State Champion Palmyra High School track team and efforts are being made to have Ed Conwell, N.Y.U. track star on hand also.

A series of movies will follow the exhibition.

The committee under the leadership of Albert Farrow is hard at work in an endeavor to make this year's celebration one of the best ever held here.

Twin Cities B. & L. Shareholders Receive \$104 Per \$100

At a meeting of the shareholders of the Twin Cities Building and Loan Association, of Palmyra, New Jersey held on June 15, the shareholders voted unanimously to convert their holdings in that association to insured shares of the Fidelity Mutual Savings and Loan Association of Camden, New Jersey.

The plan adopted provides for the transfer of all the assets of the Twin Cities Building and Loan Association to the Fidelity Mutual Savings and Loan Association by bulk sale. In exchange for the shares in the Twin Cities Association, each of the shareholders will receive an insured stock value plus an added dividend of 4 percent. The plan becomes effective on June 30, 1943, when the transfer of the accounts will be made at the Cinnaminson Bank and Trust Company from 3:00 to 9:00 p.m. A representative of the Fidelity Mutual Savings and Loan Association will be at the bank to make the transfer.

Insured Association

The board of directors of the Twin Cities Building and Loan Association has for a number of months been working on a plan to make available to its shareholders the advantages of an insured account. The Fidelity Mutual Savings and Loan Association of Camden, New Jersey, whose accounts are insured up to \$5,000 for each shareholder by the Federal Savings and Loan Insurance Corporation of Washington, D. C., a United States Government agency, worked out the plan in cooperation with the Twin Cities Building and Loan Association; and as a result each shareholder will receive an insured account equal to a dollar and four cents of his present holding in the Twin Cities Building and Loan Association. The Fidelity Mutual has assets in excess of \$1,000,000 and has been insured since 1936.

For the convenience of the local shareholders the Fidelity Mutual will continue to make collections on the third Monday of each month from 7:00 to 9:00 p.m. at 529 Cinnaminson Avenue, Palmyra, which is the present meeting place of the Twin Cities Association. Those who wish may mail their checks or money orders direct to the Fidelity Mutual at 423 Market Street, Camden, N. J. New insured accounts may be opened by mail or in person at any time by subscribing \$1.00 or more. Mr. Horace Houder, of 719 Lincoln Avenue, Palmyra, N. J., has been appointed Assistant Treasurer of the Fidelity Mutual Savings and Loan Association to make collections.

BIRTH

Mr. and Mrs. Grandon Layton, of Cinnaminson street, Riverton, are receiving congratulations on the birth of a daughter, Doris Ellen, on Sunday, June 20, at Zurburg Memorial Hospital.

and with a wholesome respect for authority."

In concluding his talk Mr. Bradley expressed the opinion that the saving grace of the future of our country is the new emphasis on the American home now developing. In this new home humility rather than more homes were purchased during this period than during any similar period in our history. "But the preserving that great men are humble men, our American people will become greater in the future because of learning humility.

Dr. K. Palmer Miller, club chaplain, impressively included John M. to God, and the well-conducted home club. Mr. Wright takes the classification of Telephone Service.

NEW MANAGER AT BROADWAY

The Savar Amusement Corp. announces the appointment of H. Herbert Broke as manager of the Broadway Theatre, Palmyra, to succeed Nathaniel Cotler, who has been promoted to an important assignment in the office of the concern.

Mr. Broke, who comes here with a strong background of theatre management of many years' standing, has been connected with every branch of the theatrical profession as an actor on the stage and in the movies and more recently as radio commentator. He has spent the past two years in producing entertainment for the men of the armed forces all over the State.

Although traveling almost continuously, Mr. Broke, whose home is in Merchantville, is well known for his success in producing many legitimate plays for various organizations.

Acted with Hardy

Before coming to New Jersey, the new manager resided in New York where, with George Choos, the renowned producer, he presented the plays "Batling Butler" and "Early to Bed." This was followed by a most interesting venture in the movies with Pathe in which Oliver Hardy, of the famous team of Laurel and Hardy was the comedian and Mr. Broke the juvenile. In this work he acted as director and, in many instances, the leading man. This led to assuming the responsibilities of the management of two theatres in New York, part of a great movie chain.

Illness of his wife made it necessary for Mr. Broke to come to South Jersey and having made connections with the company that has as its slogan, "The Audience First," the most logical move for one with a record such as Mr. Broke's was to place him where he could be most valuable in a locality where the clientele was accustomed to the best in service.

While in this section, Mr. Broke has produced "The Trial of Mary Dugan" and "Candlight" for the Camden County Theatre Guild and has written a number of one-act plays.

The management of Victoria is to be congratulated in assigning a man of Mr. Broke's calibre to The Broadway.

Coursey and George Beeton.

The Playground group has been sponsored by a committee appointed by the Riverton Parent-Teacher Association, and approved by the Borough Council, which appropriated the (Continued on Page 8)

FUN AT PARK

Today is Thursday, then comes Friday, Saturday, Sunday and MONDAY IS FUNDAY at Memorial Park, where there will be Baseball, Basketball, Softball, Badminton, Tennis, Volleyball, Dodge Ball, Deck Tennis, High Jump, Broad Jump, Giant Sand Box, See-Saws, Swings.

Every youngster in Riverton from kindergarten age on up is cordially invited to be at Memorial Park next Monday morning by 10 o'clock in time for the flag raising which will officially open the season of the new Riverton Memorial Park Playground. In addition to the games listed above, all kinds of crafts (basketry, weaving, bead work, etc.) will be taught under the capable leadership of Miss Sarah Lowden, of Moorestown, who has had several years experience in teaching such activities at other vacation schools.

Record Card

Every child rolled for the playground will be required to turn in a personal record card, signed by a parent. These cards may be obtained from Taylor Kirby, the playground director, who has been appointed a special member of the Riverton Police force, so that he will have full power to maintain order at all times.

From Monday on through the next 10 weeks, the Park will be open every week day—Monday through Friday, except on rainy days, when activities will be postponed until the next clear day.

For children on the North (River) side of the town, arrangements are being made to have them cross the railroad only at the Riverton Station, where special police and traffic protection will be provided. Parents are especially requested to note this.

Every game listed will be ready for the children, with the possible exception of the tennis courts, which will soon be put in shape for what ever tennis the youngsters will want to play.

Work on building and installing all of the equipment is being done by a large group of the local "dads," including Ralph Townsend, Clarence Mattis, Gene Mervine, William Middleton, Eric Binsderwald, Porter Caldwell, William VanHorn, Charles Woolston, Jack Reynolds, Charles Earp, E. M. Carhart, Russell Bigelow, Albert Farrow, Morris De

The American Home

"The durable structure of a Democracy is a home. There is nothing in a Republic that compares in value with its homes." Such were the thoughts expressed by Vincent P. Bradley to local Rotarians at their regular meeting on Thursday.

Developing the subject, "The American Home," Mr. Bradley, who is a former president of the New Jersey Real Estate Commission, traced the growth of the home throughout history illustrating his points with well chosen quotations and poetical references.

Early in his talk Mr. Bradley drew a distinction between a house and a home stating that a house isn't a home until it has been lived in. Homes are enduring places, places where love is born, children are reared, character moulded and formed good manners and discipline developed. Homes may be impressive massive, attractive, structurally magnificent but they do not necessarily make homes. Some of the houses wouldn't be so lonely if they had a ghost or two in them for at least they would be lived in."

Away from Home

During the period of 1932-1940 there was a definite swing away from the home regardless of the fact that more homes were purchased during this period than during any similar period in our history. "But the preserving that great men are humble men, our American people will become greater in the future because of learning humility.

Arrangements are also being made to supply the kiddies with refreshments. A complete announcement of the program will be given in next week's paper.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave. Riverton, N. J. The Rev. R. B. Stewart, Pastor

Many centuries ago one of the greatest of our Church fathers referred to the Lord's Prayer as "a list of perfect desires."

No doubt it is much more than that, but the conclusion of this eminent churchman does suggest a very vital and realistic approach to the interpretation of this most perfect and most popular of all prayers.

Some time ago we studied the first of these perfect desires, "The Desire for Significance." Next Sunday morning, as part of our service of Divine Worship, we shall direct our atten-

tion to the second, "The Desire for Security." Most of the actions of our lives are motivated by the direct or indirect expression of this universal human desire, and if we interpret the prayer of Jesus aright, it is right and proper that we should desire to be secure, and that we should labor and believe and serve towards that end.

Morning worship begins at eleven o'clock. As part of the service of praise the choir will render the anthem, "Great Is Thy Love," by Bohm. Children may be left in the church nursery during the worship hour. Mrs. Murray Kirkpatrick will be in charge.

The Church School assembly will convene at ten o'clock, following which there will be study classes for all ages. Mr. S. Reid Merley will teach the Men's Bible Class, which meets in the gymnasium. Mrs. Cummings will teach the Semper Fidelis Bible Class. Church School will continue during the months of July and August.

Union Grove Service

The annual "Grove Services" were inaugurated last Sunday evening. All who were fortunate enough to be present found the union fellowship and the spiritual message to be alike pleasurable and profitable. The second service of the summer series will be conducted by Mr. Stewart of the Calvary Church, and the topic of the message will be, "The Quest for Freedom." The guest soloist will be Mr. Lorenze Bloomquist of Collingswood, who will sing two numbers, "The Day Is Ended," by Bartlett, and "The Stranger of Galilee," by Morris.

The service commences at seven o'clock. Join us in prayer and praise and Christian meditation. The basis of all unity and understanding, whether in a nation or a community is the gathering of the people around a common altar to magnify and to share the foundation beliefs that they hold in common. Denominations may divide, but faith in Christ unites!

CENTRAL BAPTIST CHURCH

Fifth Street and Maple Avenue Palmyra Rev. S. Dan Morgan, Pastor

Sunday, June 27, 1943 Life is a gift to be used every day. Not to be smothered and hidden away.

It isn't a thing to be stored in the chest. Where you gather your keepsakes and treasure your best; It isn't a joy to be sipped now and then

And promptly put back in a dark place again. Life is a gift that the humblest may boast of, And one that the humblest may well make the most of.

Get out and live it each hour of the day, Wear it and use it as much as you may; Don't keep it in niches and corners and grooves, You'll find that in service its beauty improves.

Pastor and Mrs. Rowe conduct the worship periods of each day. The school will close with a picnic in Riverton Park, Friday, July 9.

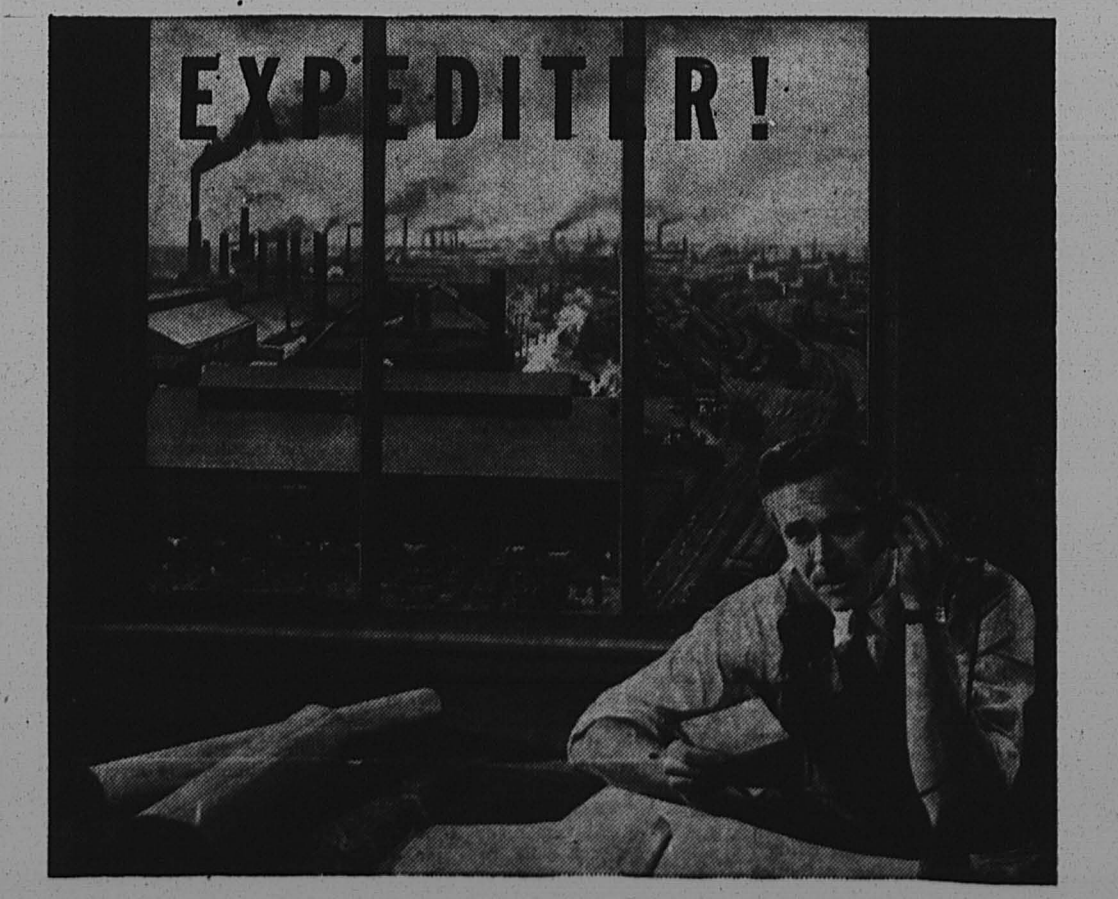

MAY FOOD PRICES UP 3.05 PERCENT

The average retail price of all foods in New Jersey during May, 1943 was 3.05 percent higher than in the preceding month, the New Jersey Department of Agriculture reported today.

The rise was caused almost entirely by a 16.61 percent increase in the average retail price of fresh fruits and vegetables. The total index would have shown practically no change if this group had been eliminated in both April and May.

Of the 15 food groups included in the index, one showed no change, five declined and nine advanced in average retail price. Breaking the index down into its 83 individual items, four remained unchanged, 32 declined and 47 were higher in average retail price.

Continuous Cropping; Some Common Weeds

This is about the last date for succession plantings of sweet corn in the central part of New Jersey or in places where killing frosts are apt to occur by September 25. This refers to varieties requiring 90 days to mature. For those who desire continuous cropping, sowing seeds of beets, carrots, turnips, snap beans and looseleaf lettuce may still be made.

If seeds of cabbage, broccoli, cauliflower, celery and Brussels sprouts were sown in a seed-bed, these should now be transplanted to flats or to a well prepared place in the garden, or thinned out in the seed-bed to stand two inches apart. Keep these young plants well cultivated and weeded so they will have the best opportunity to continue in growth, as a check at this stage may result in poor plants to go into their final positions. Use a little starter solution (one teaspoonful of Victory Garden fertilizer in 12 quarts of water, about one cupful of this mixture to a foot of row) to water the plants as they need it and to give them a little stimulant.

Keep systematically after the insects. Mexican bean beetles will ruin a row of beans in a few days unless they are sprayed or dusted regularly. Aphids or plant lice may be on many plants. These should be kept under control as they increase very rapidly. The larvae of the Colorado potato beetle may now be feeding voraciously upon potato, tomato and eggplant. Calcium arsenate is a good material for this type of chewing insect. It is safe to use this material on cabbage for the cabbage worm, but on broccoli, Brussels sprouts and cauliflower it is safer to use rotenone dust.

Weeds You Should Know

Since many persons are gardening for the first time, weeds, the competitors of the vegetables, may be unknown. To identify these weeds, a few of the more common ones are described.

Lambs-Quarters

This is a relative of beet and spinach, and is often cooked as a pot herb, especially in the late spring when young plants can be gathered. It is also called Pigweed and White Goosefoot. It is generally of a pale green color, growing to a height, finally, of 18 to 24 inches. The stems may be ridged almost to the appearance of a square in cross section and the flowers and seed pods appear in thick spikes at the end of the stem. One

Purslane

You have heard the expression "meaner'n pusley." Purslane is indeed a peaky annual weed. It is smooth, has thick, fleshy stems and leaves, the stems with a reddish cast. The flowers are small and yellow, opening for a few hours in the morning. The plant radiates from a

Redroot

Also known as Amaranth Pigweed, Rough Pigweed, Chinaman's greens and Carless weed, is an annual introduced from tropical America and is generally distributed throughout the United States. It is one of our most common weeds. The plants look rough and somewhat hairy. The flowers and seed pods appear in thick spikes at the end of the stem. One

Chickweed

Is a pernicious weed, sometimes called a winter annual because it may germinate in the fall and then start to grow in the spring. It roots at joints. The flowers are in terminal clusters. There are several kinds of Chickweed, some with slightly pointed leaves, some smooth. They are related to the pinks. Some species of the genus Stellaria, also called Chickweeds, have white flowers in the axils of the upper leaves.

2nd Class, U. S. Navy, recently spent a brief leave with his parents, Mr. and Mrs. Porter B. Caldwell, Elm terrace, Riverton. Seaman Caldwell is at the Sampson, N. Y., Station.

P.F.C. James W. Brown, of Riverton, is a member of the first unit of soldiers sent to Lehigh University to study advanced engineering under the Army Specialized Training Program.

Entering the Army February 4, 1943, Private Brown received his basic training at Camp Pickett, Virginia. At Lehigh he will study chemical engineering.

Private Brown graduated from Palmyra High School in 1940, attended Drexel Institute of Technology and the University of Pennsylvania. He is the son of Dr. and Mrs. James E. Brown, of Linden avenue, Riverton.

RETURN FUEL OIL APPLICATIONS SOON

Only occupants of oil heated homes who act promptly in returning applications for next year's fuel oil rations to their War Price & Rationing Board will benefit fully from plans to assure them adequate supplies in their fuel tanks before winter sets in, T. Curtis Flynn, chairman of the local Ration Board declared today. The Board has made special arrangements for renewing heating oil rations before July 1 to enable householders to get deliveries weeks, even months, in advance of cold weather, said Mr. Flynn. This cannot be ac-

complished, he warned, unless consumers fill out their forms at once and mail them back to the Board.

The application form, one of the simplest to be used by OPA, contains only five questions, all of which can be answered easily in a few minutes. Cooperation of the public in getting the application in quickly will be of inestimable value to the Board in getting new coupon sheets issued during June, according to the Chairman.

In order to make early tank fill ups possible, the OPA has made about one third of the coupons in each consumer's ration valid on July 1st, even though last year's heating period system will be continued in modified form.

Coupons valid on July 1 will include:

Period 1 coupons. Consumer's "reserve" coupons, constituting approximately one-sixth of the year's ration. These will remain valid throughout the year.

"Change making" coupons, which will make up a substantially larger proportion of the year's ration than last year. They will also remain valid throughout the year.

Mr. Flynn pointed out that ration holders in filling their tanks this summer should use their Period 1 coupons together with any Period 5 coupons remaining from the present ration. Householders with large storage facilities may also draw upon their "reserve" coupons on the new sheets. Otherwise, these "reserve" coupons, which will be valid through the year, should be held as a cushion for use later in the winter.

"Change making" coupons should also be used only after the Period 1 coupons are exhausted, so that the ration holder will at all times have some of these small denomination coupons on hand with which to "make change" when deliveries are made.

Retention of the periods will permit prompt and equitable upward and downward adjustment of rations in line with supply and weather conditions, Mr. Flynn said. The periods have also been found to assist consumers in budgeting their ration. By identifying a portion of their ration with a fixed period of time, consum-

ers have been better able to get maximum comfort under a rationing program to conserve fuel. The heating period plan was retained also because it limits coupon accumulation and prevents a run on supplies.

Mr. Flynn emphasized that any oil purchased this summer by a consumer with new coupons is a part of his ration for next year—October 1, 1943 to September 30, 1944. It should not be consumed for hot water or other purposes during this summer.

"MENINGITIS"
By meningitis is meant an inflammation of the membrane that sur-

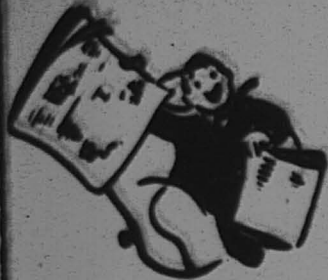

rounds the brain. This inflammation may be caused by injury, by poisons, but is usually associated with a germ infection. Almost any germ may cause meningitis. The germs that cause syphilis, tuberculosis, blood poisoning, pneumonia, and gonorrhea are frequently the cause. However, meningitis may be associated with any infectious disease.

In times when the population is moving about rapidly and living under new and not ideal conditions as in war time, epidemics, caused by the true epidemic meningitis germ, may occur. Fortunately, most adults and many children are immune to this germ,

and although they may carry the germ in their nose and throat and pass it on to others, they do not become ill themselves.

The new sulfa drugs have been successfully used to combat epidemic meningitis, so that less than 20 percent of those now taken ill die. Although there are no vaccines available to prevent epidemic meningitis it is wise, especially during the winter and spring months, when this disease is most prevalent, to call a physician immediately when fever is associated with severe headache or vomiting. A stiff neck or paralysis, particularly if a rash is present, should also serve as a warning signal.

Dr. A. L. Chapman.

BRIEF ITEMS from ABOUT TOWN

Graduation exercises were held last Tuesday at Laughlin Army Air Field for 98 student officers who completed a special course in piloting the Martin B-26 Marauder, world's fastest medium bomber.

Brig. Gen. James E. Parker, commanding general of the Third Bomber Command, MacDill Field, Fla., addressed the graduates, who had been especially selected to train as Marauder pilots. Also a distinguished guest at the ceremonies was Brig. Gen. Luther S. Smith, commanding general of the 33rd Flying Training Wing.

Among the graduates was Captain Frank B. Elliott, son of Mr. and Mrs. Ross T. Elliott, Sr., 402 Fulton street, Riverton. A graduate of Lehigh University, he was commissioned February 28, 1941, promoted to first lieutenant March 30, 1942, and to the rank of captain, August 7, 1942.

Mrs. William R. Hoffman has been operated on at the Womans Medical Hospital, Philadelphia, where she is making a satisfactory recovery.

Ensign James Fitzgerald and wife, of Drexel Hill, spent the week-end with Mr. and Mrs. James Dobbins, of Thomas Avenue.

Miss Ethel Cummings was operated on at Zurrugg Memorial Hospital for appendicitis. Miss Cummings is making a satisfactory recovery.

The annual commencement exercises at George School were held on Monday, June 14, in Woodland Dell. Among Riverton graduates were Lindley C. Robbins, Jr., who will enter Swarthmore College on July 1st, Roy V. Heisler, Jr., who will enter Harvard on June 30, and David C. Wilson who will enter the service in July.

MISS ELLEN F. SMITH BECOMES BRIDE OF WILLIAM J. McCAMY

The marriage of Miss Ellen F. Smith, daughter of Mr. and Mrs. Hilton M. Smith, of 406 Linden avenue, Riverton, and William J. McCamy, son of Mr. and Mrs. W. A. McCamy, of 745 Highland Avenue, Palmyra, took place Thursday, June 17, at 11 o'clock in the Sacred Heart Rectory with Rev. Francis Coan officiating.

The bride, who was given in marriage by her father, wore a bige street length dress with white accessories, and carried a prayer book and shower bouquet. Miss Margaretta Smith was maid of honor for her sister and wore a gray dress with yellow accessories, with a corsage of matching yellow roses.

Following the ceremony a small reception was held at the home of the bride's parents. After a short wedding trip the couple will reside in Philadelphia. Mr. McCamy is awaiting a commission in the U. S. Navy.

Both are graduates of the Palmyra High School. The groom received his degree of Bachelor of Science and Civil Engineering from Drexel Institute, and the bride is a graduate of the Presbyterian Hospital School of Nursing.

RIVERTON WINS ANOTHER

Behind the two-hit pitching of Difenbaugh, Riverton blanked Beverly 5-0 at Memorial Park Sunday afternoon in a Burlington County League baseball game. Mt. Holly also won and the two teams thus remain deadlocked for the top berth in the circuit.

Riverside Metal downed Palmyra 9-2. In the Riverton game, Difenbaugh fanned 13 and had perfect control, franking no batters.

His mates nudged the Beverly hurler for 11 blows with Bacon and Shinn each getting three. The locals scored a singleton in the

second and added four more for good measure in the eighth.

P.T.A. HOPES TO BUY AMBULANCE

During World War I, the members of the Burlington County Parent-Teacher Association purchased an ambulance and the organization is trying to buy another for this war.

The room mothers of the Riverton Public School have been contacting the mothers and already have collected \$25.

If you are a P.T.A. member or friend, or if you would like to have a part in sending an ambulance where it is most needed, please phone Mrs. Earl Stuart, Riverton 1014 or Mrs. Richard Hooper, Riverton 0983.

POWERS SEEKS NAMES ON ELECTION ADVERTISING

Congressman D. Lane Powers has introduced in the House of Representatives a bill which will require that all publications, advertisements, etc., published or distributed in a Federal election, bear the name of the person, association, committee or corporation responsible for such publications.

The measure was designed to establish the responsibility of all individuals or corporations inserting advertisements or issuing pamphlets in any Federal election so that if any candidate who is attacked by such publications may know the name of his attacker and can take proper legal action. The measure, H. R. 2973, has been referred to the House Committee on the Judiciary, of which Judge Hutton W. Sumners is Chairman. Congressman Powers has asked Judge Sumners to assign this measure to a sub-committee to give it consid-

eration and to hold immediate hearings on the bill.

Copies of the measure have been sent to State Senator C. Wesley Armstrong, Jr., of Mercer County and State Senator Howard Eastwood of Burlington County for any action they may care to take to make the provisions of the measure apply to State or Municipal elections.

Identity Not Known "Many times, during various elections, men or women who are seeking political office have been subjected to scurrilous attacks, either by advertisements or pamphlets, and many of the attacks have been such as to warrant legal action on the part of the victim if he or she knew the identity of the publisher," Congressman Powers, who represents Burlington and Mercer County, said today. "There is no rhyme or reason why men or women who seek to serve the public in an elected office should be subjected to personal attacks without having the right to sue their attacker if the statements

made against them are either libelous or damaging to their good name or character."

In the past, such statements have always been signed by "Committee" or something of that nature. "If my bill is enacted, any person, association, organization, committee or club must assume responsibility for such publications." The bill provides that anyone violating the provisions of the act be fined not more than \$1,000, or imprisoned for not more than one year. "My measure also provides that its provisions shall apply to any general or special election, any election by the Philippine Legislature in the case of a Resident Commissioner from the Philippine Islands and shall include primary elections or conventions of a political party."

DIES OF WOUNDS

Staff Sergeant Ernest A. Cellucci, of Camden, whose father, Nicholas Cellucci, resides in Palmyra, is reported to have died of wounds sustained in action during the recent African campaign.

CARD PARTY

The annual card party of the Sacred Heart Parish will be held Thursday evening, June 24th, at 8:30 o'clock sharp. The committee in-

charge is as follows: prizes, Mrs. S. Smith; card table and miscellaneous, Fr. F. Coan, Mrs. J. McAnulty and Mrs. J. Rapine. Refreshments, Mrs. William Hill; chance books and tickets, Mrs. E. Chance.

ENGAGED

Mr. and Mrs. Julius Sachetti, 724 Park avenue, Palmyra, have announced the engagement of their daughter, Miss Linda Sachetti, to Private Ralph Frank, son of Mr. and Mrs. Charles Frank, 590 Warrington avenue, East Riverton.

The engagement was announced at a party given June 10, after Miss Sachetti graduated from Palmyra High School. Private Frank is stationed at MacDonald Field, Florida.

DIES OF WOUNDS

Staff Sergeant Ernest A. Cellucci, of Camden, whose father, Nicholas Cellucci, resides in Palmyra, is reported to have died of wounds sustained in action during the recent African campaign.

WHAT TO WRITE TO SERVICEMEN
 Tell Him:
 How the family is doing every-
 thing possible to help in the war.
 How anxious the family is for the
 boy's return.

EXPERT REPAIR WORK
 On All Makes of Cars and Trucks

OLDS COMMUNITY GARAGE

Authorized Oldsmobile Sales and Service
 10 E. Broad Street, Riverton
 Phone 1212

How well and busy the family is. Give details.
 How the family is getting along financially.
 What's doing in the community: News about girls (single) he knows, doings of friends, who's marrying whom, exploits of the home team at other sports events, social doings, effects of the war on the home town. Reminisce a little about past events and places the boy used to visit. Enclose clippings from the hometown paper.

Don't Tell Him:
 Your troubles. He has troubles of his own.
 Your complaints. He can't do anything about them.
 About things you are deprived of. He can't supply them.
 Doleful predictions. He's fighting for that future—now.
 Unnecessary details about financial troubles. If there are things he should know about family finances, and he is in a position to do something about the situation, tell him. But don't string it out.

YMCA BRIEFS

Camp enrollments now total over 1700 camper weeks, which exceeds last year's enrollment at the close of the season. However, with two additional weeks of camp this season, there is ample room for all who we believe intend to enroll with the exception of the period July 10-24, which has been filled.

NURSING CLASS
 The Monday night class in Home Nursing completed its course and the members who received certificates were as follows: Mrs. Sarah Hill,

CHRISTIAN SCIENCE CHURCH
First Church of Christ, Scientist
Thomas Ave., at Seventh St.
Riverton, N. J.

"Christian Science" the Lesson-Sermon subject for Sunday, June 27, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee." (Isa. 60:1)

Among the Lesson-Sermon citations is the following from the Bible: "For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light!" (Eph. 5:8)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Beyond the frail premises of human beliefs, above the loosening grasp of creeds, the demonstration of Christian Mind-healing stands a revealed and practical Science. It is imperious throughout all ages as Christ's revelation of Truth, of Life, and of Love, which remains inviolate for every man to understand and to practise." (p. 98)

EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue
Palmyra, N. J.

On Sunday last a special session of the Official Board of Epworth Church was held at which time Wilbur Evald was elected the acting president. The Rev. Richard A. Conover suggested that until such time when a permanent pastor should be selected he would be happy to minister to the needs of the church and congregation and render such service

as might be asked of him. This suggestion was adopted unanimously by the official board with appreciation. Those desiring the service of a minister may communicate with Rev. Conover, 829 Morgan Avenue, Telephone 1461. In the event that you do not receive an answer call Mrs. Howard Humphries, 1110 Garfield Avenue, 1139-R, who will give him the request upon his return home. Church School will begin at 9:45 with departments and organized classes under the direction of trained leaders.

Morning Church Worship will be at 11 o'clock with the Rev. O. C. Appar, pastor of the State Street Methodist Church, Camden, in charge having for his sermon topic, "The Marks of Christian Living." The Senior Choir will sing "The Lord Is My Light," by Parker.

The Union Sunday Evening Service will be in the Municipal Grove at 7:00 and the speaker will be the Rev. R. B. Stewart.

Monday at 9:00 will be the beginning of another week of the Daily Vacation Bible School. The School is having a fine attendance under the leadership of Miss Ida Harman and her capable staff of teachers.

Monday, 7:30—Boy Scouts.

Tuesday, 7:30—Girl Scouts.

Wednesday, 8—Mid-Week Prayer Meeting when the Wesleyan Men's Bible Class will be responsible for the service. A. Moulton McNutt, superintendent of the Collingswood Methodist Church School will be the speaker. Mr. McNutt is a member of the teaching staff of the Class. Albert Parker will lead the singing with William Stephenson at the piano.

The Northeastern Jurisdiction School of Missions and Christian Service sponsored by the Woman's Society of Christian Service will be held at Ocean Grove, June 24 to July 1. Mrs. Arthur Mandeville is the Conference representative and Mrs. Charles Geelan from the local Society of Christian Service.

Do not forget the Methodist Radio Hour every Sunday evening from 9:30 to 10:00 over WIBG. The Rev. Harry Henry, Pastor of the First Methodist Church of Collingswood, will be the speaker.

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

SACRED HEART SCHOOL GRADUATION

The twelfth annual graduation of the Sacred Heart School took place on June 16. An inspiring address was given by Rev. William F. Quinn in which he congratulated the parents and children on their splendid achievements. Father also counseled the children to remember the words of their school pledge and to live up to it in their future lives.

The following awards were presented:

General Excellence, donated by Rev. William F. Quinn. Awarded to Lorraine Earley.

Religion, donated by Rev. William F. Quinn. Awarded to Elizabeth Esloa.

English, donated by Sacred Heart P.T.A. Awarded to Margaret Smith.

Arithmetic, donated by Rev. William F. Quinn. Awarded to Jean Schaeffer.

History, donated by St. Joseph's Council of K. of C. Awarded to Thomas Groome.

Mr. Musser presented the following medals in the name of the American Legion:

Boy—Joseph Dietrich.
Girl—Mary McGovern.

SCHOOL AWARDS

Miss Dolly Marshall and Joseph Nagle, Eighth Grade students in the Palmyra Public School were awarded American Legion Medals at the closing exercises held recently. The

presentation was made by J. Russell Musser of Frederick M. Rodgers Post.

Miss Marshall also received the Palmyra P.T.A. Scholarship Award while Helen de Gotsier was given the Women's Club Home Economics Prize.

The A. S. Griffiths Memorial Award for spelling was presented to Ann Morton, Grade 5 and to Frances LeCates, Grade 7.

HIGH SCHOOL HONORS
FOR MISS PHYLLIS BURR

Miss Phyllis A. Burr, daughter of Mr. and Mrs. Melvin Burr, Seventh street, Riverton, was awarded distinguished honors at the commencement exercises of Collingswood High School held last week.

In a class of 287, Miss Burr was tied with four other seniors for the highest academic standing during a four year period. She was also awarded a medal for being the most outstanding girl athlete during her high school career.

Miss Burr, in addition to her other honors, was awarded a scholarship at both Western Maryland and Juniata. She will enter the former institution next fall.

WIN MEDALS

American Legion Medals were awarded to Thelma C. Davis and Richard J. Eberly at the closing exercises of the Riverton Public School held last Wednesday evening.

4 FREEDOMS
YOU CAN HAVE
Right Now!

OPPORTUNITY!

OPPORTUNITY—what did it mean to this sister and brother twenty-five years ago? Held down by class distinction, buffeted by whims and fancies and isms of government in the old countries they found themselves on the shores of America, hopeful and with faith in freedom.

OPPORTUNITY—this sister and brother have changed. She is now an important teacher in America's school system and he is a builder of war material to help preserve the ideals they have learned to love in America.

OPPORTUNITY—where else except in America could this sister and brother find an answer to their hopes and visions?—where else except in the nation that has become great because of the initiative of the individual?

Let us preserve this chance for opportunity. Let us make safe our system of Free Enterprise so that at the end of this war America will be foremost in the job of rebuilding a broken world.

AUGUST WAGNER

August Wagner, 61, of Union Landing Road, died on Friday, June 18.

Services were held on Tuesday at 3 p.m. from the Snover Funeral Home, the Rev. A. J. Harke officiating.

Interment was made in Morgan Cemetery.

The deceased is survived by his wife, Louise Wagner.

RAYMOND S. HANCE

Raymond S. Hance, former district manager of the New Jersey Bell Telephone Company and later district public relations supervisor of the company, died Tuesday at his home, 99 Hobart street, Absecon.

Mr. Hance retired in 1941, after 33 years of service in the telephone commercial organization in South Jersey and Philadelphia. For 15 years he lived in Riverton at 712 1/2 Main street and had resided in Absecon for the last two years.

He began his telephone career in 1908 and became manager for Philadelphia in 1921.

He was district manager for 16 years before being named public relations supervisor. He was a graduate of Pierce Business School, in Philadelphia.

He was a former member of the Camden Rotary Club. He also was an active member of the Camden County Chamber of Commerce.

He is survived by his widow, Mrs. Lucie B. Hance, and a daughter, Elizabeth.

Protect Your Earnings From Loss Of Time Due To Sickness Or Accident

Did you ever stop to think what would happen, were you to become disabled through sickness or accident? Everything would be going out and nothing coming in. Even though your credit is excellent, bills would have to be paid when you recovered from your sickness or accident.

The largest exclusive health and accident organization in the world, licensed in all 48 States, the District of Columbia, Canada, Alaska, and Hawaii, is now offering protection from the first day of any sickness or disability and payable for a life time, to persons employed in all occupations.

Providing large benefits for accidental death, additional benefits for hospital, medical bills for non-disabling injuries and

protection for civilian policyholders within the continental limits of the United States against bombing and any other acts of war.

In these trying times, it is necessary that you take steps to defend yourself and family. The plan covers you completely, on or off the job, twenty-four hours a day. Age limits 18 to 70.

Also individual and family hospitalization policies. For complete information and details send a postcard or phone
