THE NEW ERA

RIVERTON :: PALMYRA :: CINNAMINSON

54th Year, No. 11

THE NEW ERA, THURSDAY, AUGUST 5, 1943

PRICE FIVE CENTS

ROTARY DISTRICT GOVERNOR HERE

Marvin E. Porch, president of the Gloucester Rotary Club and Superintendent of Schools of Gloucester City, made his first visit to the local Rotary Club last Thursday evening as District Governor of the 184th District of Rotary International.

Following an assembly of Club officers held in the afternoon, the newly-elected District Governor addressed the club at the regular evening meeting and inducted Anthony Greco into membership in the Palmyra-Riverton Club under the classification of Municipal Water Service.

In his official address as representative of Rotary International, Governor "Marvin" summarized the general service principles of the Rotary movement, and indicated that its uniqueness lay in its classification provisions and limitations. "In his own classification," the Governor declared, "a man is sovereign, but he can only keep his classification so long as he meets its requirements and does not abuse its privileges."

Addressing the men who have recently entered the local Rotary Club, the speaker then indicated what Rotary can do for society, and what a Club can do in its own community, in the four lanes of club service, vocational service, community service and International service.

Service

By way of illustration the district governor presented some very interesting facts showing how the Rotary movement, and its leaders, had contributed to the solidarity of Pan-American relations during the past year. In this respect Mr. Cordell Hull, Secretary of State, referred to Rotary International's past president as "a man of tremendous influence for good in the good-neighbor policy of the three Americas." During his year in office 125 new Rotary Clubs were constituted, with a net membership of over six thousand. Eighteen of these clubs were established in Mexico, 23 in Canada, 28 in the United States, and one in the Dominican Republic, which previously had never had a Rotary Club. "This," declared the Governor, "indicates conclusively that Rotary can grow and is growing in wartime."

Paying high tribute to all service clubs, the speaker reminded his listeners that there are five thousand communities in America without any Rotary Club, and fifty percent of these communities have no service club of any kind. "Here is a wonderful field for service," he concluded.

Concerning the post-war world, the speaker declared "the peace must be planned; it must be planned by an enlightened people; there must be an informed public opinion, and no group of people in America or elsewhere has yet had any real experience in peace. Public opinion still is sleeping, and Rotary can do its part to wake it up and become informed."

In closing the Governor offered some vital and helpful suggestions as to how the local Club can serve the local communities and contribute constructively to the consummation of an enduring peace.

STEINER NAMED AID OF DEFENSE COUNCIL

Frederick N. Steiner, 713 Main street, Riverton, has been appointed by the Riverton Civil Defense Council as the night deputy to receive the official warnings at his home in the event of an air raid alert.

Mr. Steiner very kindly volunteered to take over this most important position, which has, at various times, been assumed by several members of the Council.

The deputy must be available at all times during the night hours to receive the signals and to transmit them to the defense personnel.

APPRECIATES PAPER

From a station somewhere in Africa, The New Era has received the following letter from Second Lieutenant Burton K. Conway, U. S. Army Air Corps:

"To those concerned, I would like to take this opportunity to thank them for their faithful posting of your splendid paper. Every week I look forward to receiving the news of what happened in my home town. The accounts of the events and the names of friends bring sharp recollections of what we are fighting for and a home we love so well."

To Mrs. Harry E. May, Maple avenue, Palmyra, goes the credit for mailing The New Era each week to men in the service from Riverton and Cinnaminson. She not only keeps the extensive file up to date, no small task in view of the many changes of location, but also addresses every wrapper each week. Since the addresses are often quite lengthy, it often requires several hours to complete the work. All this is done on a purely volunteer basis and there has never been a week that the papers did not go out on time.

Habitual Offender

Early Monday morning of this week, Officer John Robinson, of the Riverton police noticed a car going through the intersection at Broad and Main streets at a high rate of speed. He immediately went in pursuit and the driver extinguished his lights in order to throw the officer off the trail, but to no avail. Seeing that he could not make a clean getaway, the driver stopped the car on Linden avenue, near Fourth and made off through the yards, leaving several passengers in the machine. Realizing that one man could not possibly scour the entire neighborhood, Robinson notified Palmyra police to be on the lookout for the offender. He gave himself up after an hour or two.

Arrested Before

Upon being arraigned before Recorder William H. Bottger on Monday night, the young man, who hails from Riverside and is employed at a defense plant in Trenton, admitted several other motor vehicle offenses, including one of speeding and another of passing a red light.

He was found guilty of careless driving, disorderly conduct and resisting arrest and promptly paid a fine and costs amounting to \$25.

Although not deserving of any consideration personally, his name is withheld because of the illness of his mother.

Recorder Bottger gave the man a severe reprimand in the matter of his conduct, but it is doubtful that he has learned a lesson.

DEADLINE FOR COPY

Due to existing conditions it is necessary that The New Era enforce rigidly the deadline for news and advertising copy. Effective this week, positively NO MATERIAL will be accepted after 12 o'clock noon on Wednesday of each week.

In this period of manpower shortage, the cooperation of our news contributors and advertisers will be most sincerely appreciated.

POSTMASTER 10 YEARS

This week Mrs. Mervil E. Haas, Riverton postmaster, completed her tenth year of service in that capacity. Under the capable management of Mrs. Haas, the Riverton office has maintained a most excellent record for efficient service.

RIVERTON EXPRESS

AGENT RETIRES

Fred Conway, Riverton manager for the Railway Express Agency retired recently, after having been an employee of the company for 50 years.

Mr. and Mrs. Conway are now residing at their home on Long Beach Island.

RECEIVES WINGS

Second Lieutenant Michael E. Faunce was one of the 140 members of the graduating class at Spence Field, Moultrie, Ga., on July 28, receiving his wings in the U. S. Army Air Force. The new pilot, who was awarded medals for pistol shooting and aerial gunnery, has been assigned to Hawaii for combat duty with a pursuit group. His squadron, while at gunnery school in Florida, broke all existing gunnery records.

Lieutenant Faunce, who is the son of Mr. and Mrs. Edward S. Faunce, 411 Seventh street, Riverton, attended Sacred Heart School, Riverton, and graduated from Palmyra High School, where he won letters in baseball and football. He attended Chamberlain Aircraft School before enlisting in May, 1942.

His father served with the 41st Division overseas in the last World War and his aunt, Miss A. N. Faunce, was the only nurse from Riverton who served abroad, being overseas for two years.

PUPILS AT SUMMER BAND SCHOOL PLAN CONCERT

The Summer Band School, which has been in session for the past seven weeks will climax the season with a concert to be given on Friday, August 13, at 8:15 p.m. in the High School Auditorium.

The program will include a cornet solo by Hubert Hauch, several numbers by the Brass Quartet composed of Hubert Hauch, Elmer Matting, George Hall and Neal Austin and selections by the Reserve Band.

The purpose of this program is to give the students an opportunity to show the results of their study and for their parents to observe them. The public is cordially invited to attend. There will be no admission charge.

The following students have attended during the summer:

Trumpets: Robert Farrow, John Quinton, Hubert Hauch, Elmer Matting, Lorraine Davis, Sam De Vece, Teddy D'autrechy.

Trombones: George Hall, Mildred Bauer, Leo Churchfield, Mary Doppler.

Alto Horn: William Price, Thelma Davis.

Saxophones: Alice Burgess, Sam Wagny, Alexander Roberts.

Baritones: Neal Austin, William Peterson.

Clarinets: Carol Yerkes, Royal Farrow, Claire Tuttle, Ray Koehler, Percussion: Robert Young, George Rotenbury, Franklin Perkins.

ON HONOR ROLL

At the present time, the Honor Roll published in the New Era, of men and women from Riverton and Cinnaminson, contains a total of 337 names.

Of this number, the Army leads with 231, while the Navy has 78, with 13 in the Marines. Miscellaneous services comprise the balance.

Residents are urged to read the Honor Roll carefully and notify The New Era of any additions or changes that should be made.

NAMED ASSISTANT POSTMASTER IN RIVERTON

Effective August 1, Stanley Carty, clerk at the Riverton post office has been promoted to the position of assistant postmaster. Mr. Carty, who has been a member of the staff at the local office for the past 22 years succeeds Lawton J. Steedle, who was retired recently because of ill health.

NOTICE

A dog that is surly or vicious is a neighborhood nuisance, and often is an actual menace to public safety. The man who owns such a dog owes it to his neighbors to keep it caged or tethered at all times.

If he fails to do so, he hardly can complain if his neighbors insist that the animal be destroyed—no matter how deserving of human affection the ordinary dog may be.

WILLIAM G. GOOTEE,
Pound Keeper,
Borough of Riverton.

WORKERS NEEDED TO PROCESS TOMATOES

EMPHASIS, spelled out in capital letters by U. S. Employment Service officials, was today placed on the need for husky male workers to hustle baskets of tomatoes in Burlington county's food processing plants as the annual caravans of high-stacked tomato trucks converged upon the canneries during this week's near-peak harvesting of the famous Jersey redskins.

Despite the willingness of soldiers and coast guardsmen to do a full shift job in the canneries in addition to their military duties, and the advent of many migrant workers from the South, there is still a rising demand for men to do the heavy jobs involved in the mammoth task of processing the state's bumper tomato harvest.

Women workers have responded splendidly to the government's pleas for their services in canning establishments, Galbraith declared. Thus far, through intensive recruitment activities which have now been under way for a fortnight, the demand for women has been substantially filled, he said, but added that all residents of Burlington county with any time at their disposal, should enlist for emergency service in the food processing plants. Hundreds of workers will be needed to adequately man the canneries if the packing concerns are to equal the outstanding job of food production that has been done by South Jersey farmers.

Housewives who have never before worked outside their own homes, business and professional men who can pool their time, high school boys and girls, even war workers on vacations, every American citizen who can possibly spare the time as a war service, while also earning extra pay, were urged today by Galbraith to join up for work in the food canning and processing industry.

Situation Changed

Heretofore canneries have relied upon surplus local labor and migrant labor for their busiest season operations. In the present manpower situation, the armed forces and war plants have absorbed practically all of the nation's surplus labor supply, and what little remains of migrant labor is now far less migratory because of transportation shortages.

Questioned as to what types of experience best suited workers for usefulness in the canning and food processing industry, Mr. Galbraith said that the desired labor need not be skilled in any particular line. He said the work in the canneries was "fairly simple and not too hard."

However, according to the government Employment Service official, housewives are particularly desirable, since they are America's champion canners. Canneries are just "big kitchens." Women who have never before worked outside the home will

URGES DISPLAY OF POINT VALUES

Local meat dealers and grocers were urged today by T. Curtis Flynn, Chairman of the Local Rationing Board, to post in a conspicuous place the current OPA official consumer table of point values for meats, fats, canned fish and dairy products.

"Surveys have shown that there is no more effective method of speeding up service and generally reducing the delays and inconveniences of rationing than to display the point table in a prominent place," Mr. Flynn stated. "Customers then may tell at a glance the point value of the various meats and other rationed items and determine beforehand just what items they desire. If the table is not available, housewives are obliged to obtain point values from clerks, with subsequent delays in service."

Mr. Flynn also suggested that food retailers keep the table of trade point values in a handy spot. Some meats sold at retail are listed only on the trade table and customers should be able to refer to it. In addition, the retailer needs the trade table to check the point value of purchases from his supplier.

The consumer table is available at both the local post offices and the local rationing board, while the trade table may be obtained at the local rationing board. The meats-fats rationing regulation (Ration Order 16) requires retailers to post the consumer table for each ration period.

ELIMINATE GAS CHEATERS URGES AUTO CLUB

Keystone Automobile Club believes "an aroused public opinion will back up any firm and drastic measures necessary to the extermination of chiseling gasoline parasites."

Trevor B. Mathews, manager of the Camden Division of the club, stated the club's view in making public a denunciation of gas chisellers and black market operators by J. Maxwell Smith, Keystone's President.

"On the threshold of a brighter era for Eastern motorists," the statement said, "Keystone Automobile Club takes this occasion to warn against cheating. Chiselers and cheaters can wreck the new program, if through underhanded and devious devices they contrive to get more gasoline than they are entitled to. The fact cannot be overlooked that the supply for civilian use must have a limit, and if the distribution through rationed channels is to be fair and equitable everybody must play the game honestly."

Stop Chiseling

"There is danger that the vast majority of law-abiding motorists once again will be denied the relief they expect unless a widespread, determined effort is made to stop the chiseling minority from illegally plundering vital supplies essentials to the rightful transportation needs of all."

find that skill developed in family kitchens can now prove vitally useful to the nation's kitchen.

Business and professional men can help too. Lawyers, salesmen, and many other types of businessmen can work at least half-a-day shift during the day or after regular work hours, for the short canning period. Two such businessmen, for example, may agree to keep a certain process in the plant going by alternating their services on the job.

Older boys and girls can help, too. Cannery work might well become the wartime vacation or part-time job for high school students. It is quickly learned, adaptable to short shifts, and is instructive to young people in a vital industry.

"All workers," Mr. Galbraith said, "will be paid prevailing wages. State and Federal labor laws, of course, will be observed."

The Rev. R. B. Stewart, Pastor

It doesn't really matter where you
live, whether it be in the fertile plain
or in the heart of the desert, if you
dig deep enough you will find re-
freshing, thirst-quenching water. It
doesn't matter in what city you live,
smoky Pittsburgh or bustling Wash-
ington, if you go high enough you
will find pure clear air. If you go
deep enough, or high enough you will
always find something that is good,
because it is just a little bit beyond
the reach of the destructive or pol-
luting hands of men. In other words,
always beyond the evil propensities
of men there is the eternal goodness
of God. It is beneath him, that he
may not fall to utter destruction, and
it is above him, that he may always
reach for it.

We live in the midst of the most
perplexing irrationalities, but if we
will only take the time to probe them
and pierce them as the airplane
pierces the mist, we shall discover
that we are surrounded and envel-
oped by a great Divine scheme of
goodness. Our worship theme next
Sunday morning will be "God's
Scheme of Goodness." You are cor-
dially invited to worship with us.
Church Schurch will convene at
ten o'clock, and there will be study
classes for children and adults. The
Men's Bible Class meets in the gym-
nasium and the teacher will be Mr.
Arthur Lewis.

With many Housewives
engaged in Wartime Activi-
ties, together with the
shortage of Domestic Help,
care of the home laundry is a
greater problem than ever
before.

Let us help you solve this
problem.

First Church of Christ, Scientist
Thomas Ave. at Seventh St.
Riverton, N. J.

"Spirit" is the Lesson-Sermon sub-
ject for Sunday, August 8, in all
Christian Science Churches and So-
cieties throughout the world.

The Golden Text is: "Teach me to
thy will; for thou art my God: thy
spirit is good; lead me into the land
of uprightness." (Psalms 143:10)

Among the Lesson-Sermon cita-
tions is the following from the Bible:
"Blessed are the poor in spirit: for
theirs is the kingdom of heaven." (Matt. 5:3)

The Lesson-Sermon also includes
the following passage from the Chris-
tian Science textbook, "Science and
Health with Key to the Scriptures":
by Mary Baker Eddy: "To discern
the rhythm of Spirit and to be holy,
though must be purely spiritual." (p.
510)

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra
Rev. S. Dan Morgan, Pastor
Sunday, August 8, 1943

Our Pastor will leave this week
for a visit with his mother and fam-
ily and will return for services Sun-
day, August 29th. Our thoughts and
prayers will go with him and his fam-
ily on their journey.

Bible School, 10 a. m. Everyone,
young and old, are cordially invited
to come and enjoy an interesting and
profitable hour.

Morning Worship, 11:15 a. m. In
the absence of Pastor Morgan, the
Rev. Robert N. DeRemer, of Mer-
chantville, N. J., will be in charge of
this morning service. The choir will
sing, "The Lord Is My Shepherd," by
Wolcott. Miss Anne McConnell will
be the soloist.

The Grove Vesper Service, 7 p. m.,
will be in charge of Rev. Harold L.
Rowe.
Wednesday, 8 p. m., The Mid-Week
Prayer and Praise Service will be
conducted by the Board of Deacons
in the Pastor's absence.

BETHANY EVANGELICAL
LUTHERAN CHURCH
The Rev. Harold Lee Rowe, Pastor
Broad Street and Morgan Avenue
Riverton, N. J.

Sunday, August 8, 1943—7th Sun-
day After Trinity—
8:45 a. m.—Matins.
10:00—Church School.
11:00 a. m.—The Service.

The pastor's sermon for the morn-
ing services will be on the theme, "A
Personal God in an Impersonal
World." The Altar flowers will be
in memory of Mr. Harry Roben, pre-
sented by his wife and daughter.

7:00—Grove Vespers. Pastor Rowe
will speak on the theme, "David's
Temple."

Monday, August 9—The Church
Council will meet at the Buchholts
at 8:00 for the monthly meeting.

DON'T RELAX CIVILIAN

DEFENSE PROGRAM

Despite the cheering news from the
war fronts it would be the height of
folly "for us to relax a moment the
vigilant protection on the home
front," Leonard Dreyfus, State Ci-
vilian Defense Director, warned Lo-
cal Council chairman.

"The successful progress of the
war," he said, "seems to have raised
doubts in the minds of some as to
the value or necessity for the Ci-
vilian Defense organizations. Let us
look at this thing squarely. Our mil-
litary strategists tell us the enemy
will attack when expected.

There is always the likelihood of a
bombing when the German High
Command makes up its mind that it
is necessary to bolster cracking
German morale."

He said he had heard many coun-
cil chairmen and others say a "good
bombing would be a fine thing to
bolster the morale of civilian defense
volunteers."

Don't Need Bombing

"I don't think we need a bombing
to be good citizens," he said. "We
went into Civilian Defense to save
our country from a repetition of
Pearl Harbor—we resolved we would
never again be caught flat-footed. I
think the 600,000 persons in Civilian
Defense in New Jersey are steadfast
patriots and will see the job through
until the Axis surrenders uncondi-
tionally."

He declared that he believed Ci-
vilian Defense will pay lasting di-
vidends through "knowing our neigh-
bors better; because large industrial
plants have learned the value of the
air raid warden system and will nev-
er be without it in peace time; be-
cause auxiliary police and auxiliary
firemen will be asked and will con-
tinue to serve after the war and be-
cause the neighborly programs
sponsored by the Community War
Services Division will be continued
throughout the years to come."

He pointed out that under Com-
munity War Services various agen-

cies in many communities, working
toward the same end, are working to-
gether in harmony and in the fullest
cooperation, accomplishing things
with speed and efficiency.

The many friends of George A.
Gillilan, 606 Elm terrace, Riverton,
will be glad to know that he is re-
covering rapidly at his home follow-
ing a severe fall sustained several
weeks ago in which he suffered a
number of broken ribs.

Despite the fact that the local bank
is closed Saturday morning during
the summer months, a number of
people invariably try the doors every
week.

It matters not what you are
thought to be, but what you are—
Browning.

ABOUT TOWN

Polly May Mathews, the daughter
of Judge and Mrs. Frank A. Math-
ews, Jr., of Bank Avenue, Riverton,
will be a member of the large enter-
ing class of Cedar Crest College, Al-
lentown, Pa., this fall.

Miss Mathews, who was an honor
graduate of the Palmyra High School
with the class of '42, was very active
in extra-curricular affairs at the
school. She served as secretary of
her home room, the Assembly Com-
mittee, and of the Yearbook staff. She
was also the business manager of the
school paper, a member of the Stu-
dent Council, and a member of the
musical and dramatic organizations.

Miss Mathews was active in the
school athletics, and served as sports
manager.

At Cedar Crest, Miss Mathews has
enrolled in the liberal arts course.

COMMITTEE CANDIDATE

Norman F. S. Russell, prominent
Edgewater Park resident, will be a
candidate for the State Republican
Committee position vacated by the
recent death of George de Benneville
Keim. Russell revealed his candi-
dacy in a brief announcement this
week.
Russell, who is president of the
U. S. Pipe and Foundry Co., at Bur-
lington, is well-known as a leader in
civic and county affairs. He has
been an active member of the Re-
publican party for many years, and
has taken particular interest in State
and National affairs of the party. He
was closely associated with Keim,
who recently died.
The State Committee candidate is

active in many organizations. He is
president of the Board of Trustees
of Colgate University. He served as
chairman of the university's athletic
council for five years and presented
the institution with an athletic layout
consisting of 14 fields and covering
more than 27 acres.
He also is a member of the South
Jersey Port Commission, and is ac-
tive in this group's program.
Keim's term on the State Repub-
lican Committee would have expired
this year. He died several weeks ago
after a short illness.

OBITUARIES

CATHERINE HAMILTON

Miss Catherine Hamilton died at
her late residence, 510 Leconey ave-
nue, Palmyra, Wednesday, July 29.
Funeral services were held at the
Snover Funeral Home, Palmyra, at
2 p.m., Monday, August 2, the Rev.
Robert B. Stewart, pastor of Calvary
Presbyterian Church, Riverton, of-
ficiating.
Interment was in Mt. Moriah Cem-
etery, Philadelphia.

BRIEF ITEMS from ABOUT TOWN

Mr. and Mrs. Charles W. Knight,
of Woodside Lane, Riverton, enter-
tained members of the family and
friends at a picnic supper on Tuesday
night in honor of Mrs. Knight's
brother, Corp. Edwin S. McVaugh.

Corp. McVaugh, who is a member
of the Army Air Force, is home on
furlough and will return to his post
in Amarillo, Texas, the latter part of
this week.

Cinnaminson Township Committee
meets on Tuesday night of next
week. Riverton Borough Council
convenes next Thursday.

Mr. and Mrs. J. P. Reese of Elm
terrace, Riverton, have returned
home after spending the month of
July in Ocean City.

Petitions are being circulated lo-
cally for Arthur W. Lewis, candidate
for the Republican General Assembly
nomination. With a splendid record
during his first year at Trenton it
seems assured that he will be renom-
inated.

We waste our best years in distill-
ing the sweetest flowers of life into
potions, which, after all, do not im-
mortalize, but only intoxicate.—Long-
fellow.

Country Club Notes

Over 150 members attended the party held at the club last Wednesday night. The affair was one of the most successful held for some time.

According to those in charge, entries are coming in rapidly for the South Jersey Amateur Golf Tournament which will be played here on August 27.

The present champion, Private Jack Penrose, U. S. Army, expects to be on hand to defend his title, since he is due for a furlough at that time. Several past champions have already entered and competition is expected to be keen.

Golfers state that the course is in excellent condition and a considerable number of players were out over the week-end.

The new management of the club has already started making improvements in the club house which will do much to add to the appearance of the interior and provide added facilities for the members.

SOCIAL SERVICE CLUB NAMES OFFICERS

The following officers were elected at a meeting of the Social Service Club held recently in the residence of Mrs. Ada Kelly: Mrs. Beatrice Johnson, president; Mrs. Ethel Pratt, vice president; Mrs. Beatrice Person, sec'y; Miss Catherine Flournoy, assistant secretary; Mrs. Ada Kelly, treasurer; Mrs. Emma Gales, chairman; Mrs. Josephine Hilton, chairman of the sick committee; Mrs. Charlotte Cherry and Mrs. Florence Edmunds, publicity; Mrs. Ada Kelly, constitution and credentials; Mrs. Henson, program.

The club will hold a lawn party at the residence of Mrs. Anna Schockly, 321 Market street, Palmyra, on Saturday, August 14.

RIVERTON BLANKS MT.

HOLLY, LEAD INCREASED

Diffenbaugh pitched another shut-out game Sunday afternoon and Riverton's lead in the Burlington County League is now two games. The latest victim was Mt. Holly, the score being 5-0. Diff also contributed materially at the plate, getting two hits, one a double. Although the 'loop leaders got only seven hits, the same number as the opposition, they came at opportune times.

Palmyra will provide the opposition at Memorial Park this Sunday afternoon and when these two teams clash a good game can always be expected.

Although Palmyra is several games behind Riverton they can be certain to make the locals hustle to win the verdict.

There is between my will and all offences a guard of patience.—Shakespeare.

When the fight begins within himself, a man's worth something.—

TO DISCUSS JUDICIARY

The second session of the Speakers Bureau Institute of the New Jersey Constitution Foundation will be held at the Friends Meeting House in Burlington, on Thursday, August 12, at 8:00 p.m.

Miss Evelyn M. Seufert, Field Representative of the Foundation, will discuss the State judiciary. This is a training meeting, primarily for persons who are interested in learning more about the constitution and State government and who do not have legal background. Miss Seufert will explain the complicated structure of the courts and procedures of justice in New Jersey so that members of the Speakers Bureau will be informed in discussing the court system with the organizations to whom they are assigned during the coming months.

Anyone who wishes to perfect his understanding of our State constitution and the issues involved in revision is cordially invited to attend, whether or not he feels sure that he will be prepared to accept formal speaking engagements.

YOUR VICTORY GARDEN

Starting Fall Crops
By Dr. Charles H. Comoros,
N. J. College of Agriculture.

Sowing Fall Crops

The time has arrived for the final sowings in the garden. In the northern part of New Jersey these plantings should be completed promptly. In the central part of the state about August 15 would be the last date, while in the southern part a week or ten days later than that will allow sufficient time for growth to maturity of a few crops.

Looseleaf lettuce, head lettuce, spinach, kale, endive (both curly and broadleaved) and winter radishes are the latest sown crops.

There are certain precautions worth observing when sowing seeds at this season of the year as the weather is hot and the soil is apt to be dry.

Most of the summer sowings will be made in places from which crops have been removed, that is, they will follow peas, early beans, spinach and so on. Such soil should be dug, and, since it is apt to be dry, pains must be taken to break it up well and reduce it to the fineness necessary for a seed bed.

There are several methods of treatment that may be recommended. If you are going to depend upon natural existing conditions without using some special means of protection, the best method to use is to sow the seeds a little deeper than spring sowing if the soil is dry, then cover them with soil and tamp it down. Moisture is necessary for the germination of seeds and with this simple method it would be advisable to cover the planted row with straw.

NOTICE

The office hours of Dr. Robinet Cole, Jr., optometrist, 524 Main street, Riverton, are as follows:

Monday, Tuesday, Thursday,
Friday
9:00 a.m. to 11:00 a.m.
1:00 p.m. to 5:00 p.m.
7:00 p.m. to 9:00 p.m.
Wednesday and Saturday
9:00 a.m. to 12:00 m.

grass clippings or some other mulching material in order to hold what moisture is present and to encourage movement upward of the soil moisture.

A second method is to water the seeds in, either with plain water, or, preferably, with a starter solution made by putting a teaspoonful of Victory Garden fertilizer in 12 quarts of water. Open up the furrow or drill to the appropriate depth for the size of the seeds to be sown, sow the seeds, and then carefully water over the seeds with the starter solution using about a teaspoonful to a foot of drill. After this has soaked into the soil, draw in dry soil to fill the drill. If the soil is drawn in while water is still standing a crust will form on the surface on drying and seedlings will have a difficult time to emerge. Even with this method at this season, mulching material over the drill will assist the processes required for germination.

Careful watch should be kept, and as soon as the first seedlings emerge, the mulching material should be removed in order that the seedlings will not be "drawn up," as in this stage they may be killed by the sun or by drying winds.

Another method of seeding that can be practiced to good advantage with plants that have to be spaced several inches apart is what may be called spot seeding. Kale plants, for instance, should stand 16 inches apart in the row. Instead of sowing a continuous stream of seeds to be thinned later, two or three seeds are taken between the thumb and forefinger and placed at intervals of 16 inches. Lettuce may be spotted in the same way 12 inches apart. This can be done in the furrow or drill, or if the soil is well prepared, using a garden line as a guide, the seeds can be placed at the appropriate depth by thrusting the holding fingers into the loose soil, covering upon removal and giving gentle pressure.

TRAFFIC DEATHS

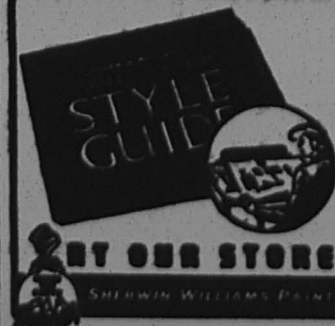

Reporting today on traffic casualties and enforcement during the first half of the current year, Motor Vehicle Commissioner Arthur W. Magee said that there were 301 lives lost, 24,099 arrests for violations and 5,914 driver's licenses revoked.

The fatality total was 99 less than in the corresponding months of last year, a reduction of 25 per cent. Fifteen counties ended the period with less deaths than last year while increases were reported in Burlington, Cumberland, Gloucester, Monmouth and Sussex while Ocean reported no change in the total.

Following is a comparative six months record of deaths by counties and the numerical change:

	1943	1942
Atlantic	4	21
Bergen	16	29
Burlington	17	15
Camden	23	32
Cape May	3	8
Cumberland	11	9
Essex	53	57
Gloucester	11	9
Hudson	27	36
Hunterdon	1	2
Mercer	13	25
Middlesex	21	24
Monmouth	16	15
Morris	7	16
Ocean	5	5
Passaic	24	27
Salem	3	11
Somerset	10	11
Sussex	7	5
Union	24	34

Among the most inane "programs" that radio listeners must put up with are the transcriptions that are becoming more frequently interspersed between the regular ones. Many of them are 100 percent commercials tagging along at the end of a popular quarter hour or just preceding another which has a good following. If the sponsors knew more about the public attitude it is possible that the situation might be remedied.

No political candidates have entered the field as yet in Riverton. Next Thursday is the deadline for filing petitions.

LEGAL ADVERTISEMENTS

The New Era is a Legal Newspaper. Commissioner's, Sheriff's and other Sales, Administrator's and Executor's Advertisements are solicited. The New Era will appreciate being remembered in this connection.

The American Red Cross now has a total of 2,568 workers in more than eighteen different areas outside the continental limits of the United States, it was reported today by Norman H. Davis, Chairman of the American Red Cross.

By far the largest number of these workers are with American soldiers in or near combat areas. Others are stationed in leave areas or at distant military outposts such as Greenland, Trinidad, and Puerto Rico.

Since the United States has had the greatest number of combatants in North Africa, the Red Cross has 627 personnel stationed there with the troops. Although no definite word has yet been received, it is probable that Red Cross field directors moved into Sicily with combat units to which they were assigned.

Approximately 560 workers are assigned to hospital and service club units in Great Britain, and 530 Red Cross people are in Australia and South Pacific battle areas, according to the report.

Large numbers of workers also are serving with units of the Army and Navy in Alaska and Canada, the Middle East, and India and China. Assigned to undisclosed locations are 161 personnel.

The report showed that the American Red Cross is now operating 181 clubs for the use of servicemen in leave areas outside the country. There are 76 such clubs in Great Britain, 34 in Australia, 26 in North Africa, 15 in Egypt, 11 in India and China, and 2 in Alaska.

dition to repeating the original application.

Applicants for ration books for babies must show a birth certificate, hospital statement, adoption papers, or physician's or minister's affidavit.

Persons discharged from the Army or from institutions of involuntary confinement must show discharge papers when applying.

The rationing board will send completed applications to the State War Ration Book Control Center at the Newark District Office. Here the application will be checked against the State files, and the ration books will be mailed directly to applicants. The only exception will be where the applicant claims non-delivery of all his books and the State file records show the books have been delivered. In such cases the books will be sent to the rationing board for direct issuance to the applicant to insure proper delivery.

At the Mailing Center here it was indicated that the last batch of ration books will be mailed out this week. More than four million of the new ration books have been issued with the assistance of approximately 5,000 Newark CDVO volunteers, 10,000 high school students, and 800 high school teachers.

LIFT PLEASURE DRIVING BAN, SAYS AUTO CLUB

Keystone Automobile Club believes the "pleasure" driving ban should be lifted and that motorists of Eastern United States should be permitted to use whatever gasoline can be allotted to them in the same manner they now use all other rationed commodities.

In making public a statement of Club policy issued by J. Maxwell Smith, Keystone's president, Trevor B. Mathews, Manager of the Camden Division of the club, said there is reason to expect a change for the better in motoring conditions.

"While," he said, "the supply of gasoline for the home front cannot possibly assume normal proportions in time of war, a more equitable distribution of fuel will give to Eastern motorists a share of available supplies they have long been denied."

The Club's program for relief of On and after August 2, all persons who have failed to receive all or some of the ration books applied for, and those who failed to mail an application card, should go to the local rationing board which serves the area in which they live.

All such persons will be required to file an "Application for War Ration Book Three" (OPA Form R-129), and will retain the identification stub. The application card can be procured at the local rationing board, and when completed should be returned to the local rationing board, not to the OPA Mailing Center.

Persons who have applied but who have not received all or some of the books should bring to the board the serially numbered identification stub retained when the application card was mailed. Such applicants will fill out a supplemental application in addition to repeating the original application.

Eastern motorists includes these principal points:

"1. Supply every military need, with a wide margin of safety, and apportion the remaining gasoline fairly to the motorists of the United States."

"2. Abandon the abortive 'pleasure' driving crusade and permit every motorist to use his rationed allotment in the same manner he uses other rationed commodities."

"3. Assure an adequate supply of gasoline and oil for war and home fronts by acceptance of Secretary Ickes' recommendation for an increase in the price of crude oil, to stimulate new explorations and increase production."

The Club feels, the statement added, that "a motorist would rather have a gallon of gasoline in his tank than an extra penny in his hand," explaining that a 35-cent-per-barrel increase in the price of crude would amount to approximately one-cent per gallon increase in the cost of gas. OPA has refused an increase, on the ground it would be inflationary. Secretary Ickes and the oil industry contend the increase is necessary to assure a continued supply of oil, through exploration of new sources and the operation of wells which at the present price of oil are unprofitable.

"REPLACE FUSES YOURSELF"

Says Reddy Kilowatt

If you're the type of woman that never could fix a thing around the house, it's time to change your ways. If the handy man has gone off to the wars, then be a brave little woman and fend for yourself.

"Don't call for help when a fuse blows out. We can no longer rush out to help you. Rubber, gas conservation and lack of manpower prevent our old-time courtesy. Know where the fuse panels are; keep extra fuses on hand. See that they are the correct amperage. The wrong size fuse is a menace to your wiring and likely to do damage to your electric appliances. Most branch circuits require 15 ampere fuses, main circuit a 30 ampere fuse."

Church Notices

WESLEYAN MEN'S BIBLE CLASS
EPWORTH METHODIST CHURCH

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths.

EPWORTH METHODIST CHURCH
Fifth Street and Morgan Avenue
Palmyra, N. J.

Sunday, August 8th—
Church School at 9:45. There are departments and organized classes for all members of the family from the Nursery Department to the Adult Classes under the leadership of trained teachers. If you are without a Church Home we extend a hearty welcome to you. The Church School is in session for only sixty minutes so be on time and get the most out of every minute. The special musical number as arranged by Mr. George Dyson will be a Duet by Mr. and Mrs. Robert Strahan. They have chosen for their number "Take Up Thy Cross and Follow Me."

Morning Church Worship at 11:00. The guest Preacher will be the Rev. Harry S. Henck, Pastor of the St. Paul's Methodist Church of New Brunswick. Rev. Henck joined the Conference in 1920 and has served Churches in Cliffwood, Highland Park, Wenonah, Gibbstown, and has been the Pastor in New Brunswick for the past seven years. We are sure he will bring us a fine message. Mrs. Lord's organ numbers will be "Morning Hymn" by Pearce, "Cantelene," by Faulkes and "Gothic March," by Foschine. Mrs. Earnest Barkel will be the soloist.

Union Church Services in the Municipal Grove at 7:00. The Bethany Lutheran Church will be in charge, and the Rev. Harold L. Rowe will use for his sermon topic, "David's Temple." Come and bring your friends to these outdoor Worship Services.

The Methodist Radio Hour will be 9:30-10:00 over Station WIBG. The Rev. Lynn H. Corson, Pastor of the Princeton Methodist Church will be the Speaker, and the Rev. James H. Brasher, of Olney, will preside.

Rev. Corson was our guest Preacher last Sunday and brought us many fine thoughts, and we are sure he will have a worthwhile talk for all who tune in.

Monday, 6:30—Regular monthly meeting of the Friendship Circle at the home of Mrs. Raymond Carson, 740 Highland Avenue. This will be in the form of a "Doggie Roast." Be sure and be on time.

7:30—Boy Scouts.

Tuesday, 7:30—Girl Scouts.

Wednesday, 8:00—Mid-week Prayer Meeting when the Rev. Edmund Turnock will deliver the message.

ROAD BUILDING IN NEAR EAST

James Whitesell, of Palmyra, gave a most interesting and instructive talk and showed pictures of his recent trip to Persia at last week's meeting of the local Rotary Club. He was a member of a construction crew that was sent to build a road from a port on the Gulf of Persia to Russia. The road is to be used as a supply route by the army.

His party left from a port on the Eastern Seaboard and went to a West African seaport. They were on a troopship and berthed on a deck 8 feet below the water line. A submarine was sighted when the convoy was a few hours out of Porto Rico but Mr. Whitesell does not know whether it was sunk or not. The convoy was well protected by naval vessels but the ship he was on developed trouble with its condenser when they were some days off the coast of Africa. They did not have any difficulty reaching port except that the convoy was slowed up.

After reaching their destination in West Africa they proceeded along the coast of Africa to Capetown. When they arrived the men had been 65 days without shore leave and it was a grand feeling to get on land and stretch their legs and get fresh food and water.

The Boers in South Africa have changed from being Pro-Nazi to Pro-Allies, the speaker said, and most all of the people, including the women, are working in the war effort.

In Cape Town they were transferred to an Indian troopship which was really a converted prison ship. This was a most unpleasant experience and after waiting for a number of days to sail they made such a protest that they were transferred to an American freighter. The contrast was so great that it was like going from a hovel to a palace. Being able to eat American food and talk to good Americans made it seem like Heaven. They were sixteen days going from Capetown to their destination in Persia.

In Sandstorm As their ship was going through the Gulf of Persia they ran into a sandstorm. It was a strange feeling to be surrounded by water, out of sight of land, and to have sand blowing so thick as to obscure the sun and make it very dark.

When the group at the port in Persia found a regular bottleneck as there were no good facilities for unloading and ships had to wait two and three months to unload. The first job they had to do was build wharves so that the cargoes could be unloaded. Their construction work was complicated and retarded because the vessel which had carried 85 percent of their equipment had been lost.

Most of the road is built in the desert. The temperature frequently goes up to 150 degrees, the highest recorded being 188 degrees.

It was necessary to hire hundreds of natives to do the laboring work that would normally have been done by the machines that had been lost. The native laborers had to be housed and fed whenever they were not near a native village. These natives were a strange people, for example, they usually lived in caves dug in the sides of hills or in mud houses where sanitary conditions were very bad. When they saw the Americans living in Bombay tents with beds and mosquito netting around them, the natives then had to have beds and mosquito netting. The camps where the construction crew lived had to be fenced in to keep the natives out as they were very light fingered.

The road was built with banks on each side so it could be followed because when one is in the desert it all looks the same and unless some way is provided travelers could easily get off the route and would need a com-

THE NEW ERA
RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, AUGUST 12, 1943

PRICE FIVE CENTS

FATHERS WILL BE RECLASSIFIED SOON

As has previously been announced, commencing October 1 of this year it will be necessary for local draft boards to be prepared to fill a portion of their calls from registrants now classified in Class 3-A because of a child or children.

Registrants in this class will be reclassified as fast as they are needed to fill quotas.

No registrant classified in Class 3-A who is reclassified in accordance with the above ruling will be inducted into the service prior to October 1, according to local draft board officials.

Registration Rules

With scarcely 50 percent of Burlington county voters permanently registered, the county Board of Elections is anticipating crowded district election board offices on primary day, when voters who are not permanently listed, must register before they can cast their ballots.

Despite repeated appeals to eligible voters to become permanently registered, only about 30,000 of 61,000 eligible have been listed. Mrs. Pearl Bridgum, chairman of the county election board, said yesterday.

Failure to become permanently registered will not prevent a person from voting, but his name must be on the registry list formed from the house-to-house canvass which will be made by district boards between Sept. 7 and 10.

A voter who is not permanently registered, but whose name is on the house-to-house canvass registry list, will go to the polls primary day, September 21, and must become permanently listed before he can vote. Mrs. Bridgum pointed out. Due to this procedure, considerable delay in casting ballots is anticipated.

The county election board has planned a series of meetings for instruction of district boards again this year. The first meeting will be held August 17, at Burlington. Other meetings are scheduled as follows: Aug. 24, Riverside; Aug. 26, Mt. Holly and Florence; Sept. 2, Wrightstown and Bordentown. District board members will be instructed to attend the meeting in their area.

THANKS

The Riverton Fire Company desires to express sincere appreciation to all those who recently became contributing members of the organization. The response was very good.

Any residents who have not become contributing members can still do so by mailing their checks to William Evans, president of the organization, 402 Lippincott avenue, Riverton.

pass to get to their destination.

There are many rivers along the route and it took from 12 to 15 hours longer to raise a span without machinery.

When building the road they worked 10 hours a day, seven days a week but took two hours for lunch. This was quite different from the usual native custom. The natives usually labor only in the early morning and late afternoon. They worked seven months in the desert building this road. The road and bridges had to be good as the average number of trucks using it was 4,000 per day.

The Russians certainly liked our aeroplanes and were very careful to test each of them before they used it in combat.

The construction work was mostly completed before our army arrived. On their way home Mr. Whitesell had an opportunity to stop along the coast of Africa and go into the interior and do some hunting.

The pictures he showed were views of many native villages and cities, some of which are mentioned in the Bible.

SLATE ENDORSED

Individual states must assume responsibility for post-war programs of public improvement and assistance to soldiers returning from war to obviate "disgraceful" conditions that followed the first World War, Walter E. Edge, Republican candidate for governor, told a large group of Burlington county Republican leaders and workers at the Moorestown Country Club, Wednesday night of last week.

The Republicans, representing the Harmony Group, endorsed the following slate of candidates for the primary election: Mrs. Pearl M. Bridgum, Hainesport, for re-election to State Republican Committee; Norman F. Russell, Edgewater Park, State Republican Committee to succeed the late George de Benneville Keim; Assemblyman Arthur W. Lewis, Riverton, for re-election; Freeholder Stanley I. Russ, and Louis T. Klauder, of Moorestown, for Board of Freeholders.

A post-war program of public improvements including extension of the state highway system, "airports for every town of 2,500," and recreation centers, all to be the responsibility of the states rather than the federal government, was proposed by Edge, who was governor of New Jersey during World War I.

Edge was endorsed for governor by the county group, led by Senator Howard Eastwood.

Sees State's Needs

Assemblyman Lewis told the Republicans that the result of the election in New Jersey this year will show the "trend in 1944" when a presidential election will be held. He added that a "Republican governor is needed by the state more today than ever before."

REPORT OF RIVERTON AUXILIARY OF ZURBRUGG

Mrs. Joseph J. Siddall, president of the Riverton Auxiliary of Zurbrugg Memorial Hospital, Riverside, has issued the following report concerning the recent membership drive:

"The committee wishes to thank all those who took part in the membership drive and our many subscribers who made it possible to donate the x-ray therapy apparatus to the hospital.

"To those who subscribed for magazines I wish to report that to date we have received \$13 from the Curtis Publishing Co., in commissions and by adding a small amount we were able to supply the hospital with an infant oxygen tent.

"There still remains on deposit in the Cinnaminson Bank a nice "nest egg" towards our potato fund and we hope when donation day comes our voluntary contributions will enable us to again supply the hospital with their winter potatoes as we did last year.

"No doubt we have missed a few of our members and if they so desire they may continue their membership by contacting any of the following solicitors: Mrs. Henry L. Randall, Mrs. Victor Ritschard, Mrs. Nathan Lane, Mrs. Bayard Brunt, Jr., Mrs. Carl Mann, Mrs. John Werner, Mrs. Maurice DeCoursey, Mrs. E. M. Carhart, Jr., Mrs. Joseph Siddall, Mrs. Porter Caldwell, Mrs. Lloyd Major, Mrs. Frederick W. Metzger, Mrs. P. C. Langenberg and Mrs. Walter Moyer.

The hospital is of great service to us and it is pleasant to report on the splendid cooperation.

Following are excerpts of a letter received by Mrs. Siddall from Florence C. Wagner, superintendent of the hospital:

"We are in receipt of check from your treasurer for \$125 to pay for the angulation device for the deep x-ray therapy apparatus. It is quite an improvement and help in giving the treatments and was really quite necessary as the old part was worn

SITUATION UNCERTAIN

Upon being interviewed on Wednesday night of this week, Elmer Manderville, member of the Cinnaminson Township Committee, stated that it was doubtful whether he would be a candidate for renomination to the post on the Republican ticket at the Primary Election.

According to reliable information it is reported that a petition is being circulated for Earle B. Harder, of Melrose avenue. Mr. Harder, a prominent business man in this vicinity is very well thought of throughout the community.

WIMER URGED TO RUN FOR MAYOR

According to an announcement made on Tuesday night of this week, George N. Wimer, former mayor of Palmyra, at the request of many prominent citizens, has consented to be a candidate for the Republican nomination for mayor in that community at the primary election in September. Since the incumbent Mayor John F. Ward, who is now serving his fourth term is also reported to be a candidate for the nomination, a lively contest can be anticipated with a considerable degree of certainty.

Mr. Wimer, who succeeded Mayor James T. Weart, served two terms and later became Sheriff of Burlington county. He has been a member of the Republican County Committee in the third Palmyra district for a number of years.

Mayor Ward has been identified with borough affairs since 1931, when he was first appointed a member of council. He served in the position until 1936, when he became mayor. His first important activity was the preparation of refunding plans which placed the borough on a sound financial basis. He has been most active in negotiating for several public projects which have added materially to the community. Mayor Ward is vice president of the N. J. State League of Municipalities and holds a similar position in the Municipal Association of South Jersey.

Other Candidates

It is stated that the remainder of Mayor Ward's ticket will be Councilman Arthur Wright and Joseph L. Stack for the two council nominations. Mr. Wright has served three terms as a member of council, while Mr. Stack has been prominently identified with several civic organizations over a period of years.

Mr. Wimer's slate will be composed of Councilman William F. Engle, who has served several terms and John C. Noone, of Spring Garden street.

ANN STOW RICHMAN

Mrs. Ann Stow Richman, widow of the late Charles W. Richman, died on Friday of last week at 620 Thomas avenue, Riverton.

Funeral services were held at her late residence on Wednesday afternoon of this week, the Rev. Richard A. Conover, acting minister of Epworth Methodist Church, Palmyra, officiating.

Interment was in Arlington Cemetery, Merchantville, under the direction of the Snover Funeral Home. Mrs. Richman is survived by a son Herbert W. Richman, of 620 Thomas avenue, Riverton.

All the distinctive features and superiority of our republican institutions are derived from the teachings of Scripture—Everett.

too much to be replaced. "We certainly appreciate your efforts in our behalf and want you to realize what a great help the group has been to the hospital.

SYLVESTER TO BE MAYOR CANDIDATE

According to reports circulated on Wednesday night of this week Mayor H. McIlvaine Biddle and Councilman Archibald Bush, of Riverton, will not be candidates for the Republican nomination for their respective positions at the coming Primary Election.

David F. Gould, a member of borough council for two terms has indicated his willingness to serve again.

Petitions are being circulated for J. W. Sylvester for the majority nomination. Mr. Sylvester, who has been a member of council for several years is the present president of the organization. He has served faithfully as chairman of the very important highway and lighting committees. If nominated and elected Mr. Sylvester will resign his councilman post before being inducted into the office of mayor and a successor will then be appointed until the next election.

For the other member of council, petitions are being signed for George Becton, of Elm terrace. Although a newcomer in the political field, Mr. Becton has been associated with numerous civic organizations. He is a member of the Civil Defense Council, where he has served on several important committees with a high degree of efficiency. Mr. Becton has also been most active in the Memorial Park recreation program this year. Many residents are enthusiastic that a man of Mr. Becton's ability has been secured as a candidate for the council post.

There is also a persistent rumor that another well-known Rivertonian will enter the field in opposition to Mr. Gould.

PLAYGROUND ACTIVITIES

Activities at Memorial Park, Riverton, continue to attract a goodly number of young people, Monday through Friday of each week.

Archery has proved very popular with the older group and interest in this sport increases daily.

A new supply of plaster of paris has been received and all those who enjoy this type of modeling will now be able to continue their work.

The playground directors are planning a doggie roast this Friday, August 15. The children are requested to bring their lunch, including weiners and rolls. The fires and dog roasting will be adequately supervised.

Plans are under way for a craft exhibit and athletic demonstration on Saturday, August 28. Parents and interested adults are asked to reserve this date and watch this column for further announcements concerning this event.

RECORD DRIVE EXTENDED

The Campaign of the American Legion to procure old Victrola or other phonograph records to be turned in for the purpose of supplying the men and women in the Armed Forces of our country with new records for their recreation and amusement has been extended until the end of August, 1943, according to announcement of the local Post of the Legion, Post Frederick M. Rodgers No. 156.

The records are badly needed and anybody who has old ones feel they would like to donate to this cause may do so by calling either H. B. Lippincott, the Post Commander elect, at Riverton 0148, or Dr. P. Conner Hulse, at Riverton 0643, and these men will call for the records and see that they are turned over to the proper people.

The Post further announces its gratitude to the Delta and Epsilon Chapters of the Chi Sigma Delta Sorority for their voluntary and helpful effort in this campaign for records.

That Laundries Are Essen-
tial to the War Effort.

my shepherd: I shall not want. He
maketh me to lie down in green pas-
tures; he leadeth me beside the still
waters. He restoreth my soul."
(Psalms 23:1-3)

Among the Lesson-Sermon cita-
tions is the following from the Bible:
"But rather seek ye the kingdom of
God; and all these things shall be
added unto you." (Luke 12:31)

The Lesson-Sermon also includes
the following passage from the Chris-
tian Science textbook, "Science and
Health with Key to the Scriptures"
by Mary Baker Eddy: "All nature
cannot love God supremely and set
his whole affections on spiritual
things, while loving the material or
trusting in it more than in the spiri-
tual." (p. 326)

preacher. Mrs. James Wright and
Miss Margaretta Smith will be in
charge of the Church Nursery.

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor

Sunday, August 8, 1943

Sunday, August 15, 1943—

These are the days that try our
souls. At times there seems to be no
hope, no joy or gladness in our liv-
ing. We are afraid of what may hap-
pen to us and our friends. Or we
may even feel there is no one, no
friend in whom to place our trust.
May we look upon the Lord as our
great Friend and with His guidance
may we become a shelter to those
who need rest; to hold steady when
others are afraid; and in their sorrow
may they find comfort and a sustain-
ing presence that they may discover
to be Himself.

Sunday Services

Bible School—10:00 a.m. The work
of the church school is important. It
is necessary. It is an inspiring and
stabilizing force in family and com-
munity life. It needs the support of
every individual. What are you do-
ing about it?

Morning Worship—11:15 a.m. In
the absence of Pastor Morgan the
Rev. Max W. Morgan, of Camden,
N. J., will be in charge of the morn-
ing service. "Sing Auld Unto God,"
by Peace, will be the selection by the
choir. Mrs. Emma Willi, of Phila-
delphia, will be the guest soloist.
The Grove Vesper Service will be
in charge of Rev. Morton of the
Riverton Episcopal Church.

Wednesday, 8:00 p.m.—Mid-week
prayer and praise service will be un-
der the direction of the Board of
Deacons.

BETHANY EVANGELICAL
LUTHERAN CHURCH
The Rev. Harold Lee Rowe, Pastor
Broad Street and Morgan Avenue

Sunday, August 15th—8th Sunday
After Trinity—

8:45—Matins.
10:00—Church School.
11:00 a.m.—The Service.

7:00—Grove Vespers. The Rev.
Hugh Morton, Christ Episcopal
Church, Palmyra.

The pastor will have for the theme
of his morning sermons, "New Eyes

For Old." Mr. William Burger will
sing "The Blind Pilgrim" at the
11:00 service.

YOUR VICTORY GARDEN
Starting Fall Crops
By Dr. Charles H. Connors,
N. J. College of Agriculture.

Final Plantings

Within the next few days the final
plantings of the season should be
made over the larger part of new
Jersey. Spinach and kale may be ex-
pected to mature their crops this
season if seeds are sown by August
15. Spinach requires about 50 days
to reach maturity while kale takes
70 days. Both of these crops are
hardy and some persons prefer to
eat kale after it has been subjected
to frost.

In the southern counties of the
state, spinach and kale may be plant-
ed a week or 10 days later than Aug-
ust 15 deadline.

Spinach can be planted in almost
any part of New Jersey up until late
August if gardeners want to harvest
it as young plants.

The Bloomsdale Savoy variety of
spinach is most satisfactory in most
Victory Gardens. However, espe-
cially where spinach has been grown
before, a variety that is resistant to
the spinach yellows should be select-
ed. This disease appears in the fall,
Virginia Savoy is one of the varieties
recommended for its resistance to
this disease.

The variety of kale for late sowing
in New Jersey is Siberian, and, as
the name implies, it is the variety
used "for wintering." As kale takes
from 70 days to reach its full growth,
it should be planted in sections of the
state. It is at its best for eating after
frost has touched it.

Head lettuce seed may be sown or
plants set in their permanent location
now. This type of lettuce requires
cool weather in order to mature prop-
erly. It is the cool nights that effect
the growth of this late variety.

If seeds are sown when the soil is
dry, be sure to moisten the seeds in
with plain water, a starter solution
or a dilute liquid fertilizer. Cover
the seeds with dry soil after the mois-
ture has soaked into the seed bed.
Mulching seeded rows is also a de-
sirable practice in hot, dry weather,
but do not allow the mulch to remain
after the first seedlings appear above
the ground.

Insects Still a Problem

There are still insects to combat
so we should not relax our vigilance
in this respect. Cucumber beetles,
the squash bug and the cabbage
worm are still here. Aphids or plant
lice may also be troublesome. If the
leaves of cucumber or melon plants
curl, look for aphids. We may find
infestations on tomatoes, cabbage,
Brussels sprouts, cauliflower and
broccoli.

The aphids multiply very rapidly
so it is wise to control them before
they take over a whole plant. Some-
times a cucumber or melon plant may
have all the leaves curled before the
insects are discovered. In such event
it may be wiser to dig the plant out
and destroy it rather than run the
risk of having it act as a source of
infestation.

When there is little or no curling

of the leaves, thorough spraying with
1½ teaspoonsful of 40 percent nicot-
ine sulfate and five teaspoonsful of
granulated soap to a gallon of water
will be effective. However, these in-
sects are not killed unless their
bodies are coated with the spray ma-
terial, so repeated applications may
be necessary.

When the leaves are curled, as on
cabbage and similar crops, a 4 per
cent nicotine dust will be more effec-
tive in the control of aphids, especial-
ly when the temperature may be over
75 degrees. Under these circum-
stances the nicotine is released as a
gas and a better spread of control is
possible.

If you have late potatoes, keep the
sprayer or duster going. Colorado
potato beetles may still be present,
for which calcium arsenate is the
best spray. Late blight is apt to at-
tack potato plants so use a copper-
calcium arsenate dust to get dual con-
trol. Keep the potato foliage healthy
and allow the plants to remain in the
ground to attain maximum yield. The
soil is also a good early storage.

Scholars may quote Plato in their
studies, but the hearts of millions will
quote the Bible at their daily toil, and
draw strength from its inspiration,
as the meadows draw it from the
brook.—Conway.

BAND SCHOOL NEWS

The Summer Band School which
has been in session for the past eight
weeks will present their annual pro-
gram this Friday evening, August 13,
at 8:15 in the high school auditorium.
All parents and friends of the school
are urged to attend and give their
support to these young musicians.
There will be no admission charge.
The following program, under the

direction of Kenneth C. Merrill, high
school band director will be present-
ed:

"America." Carey.

"Amethyst Overture." Buchtel.

March—"Promotion." Chenette-
Reserve Band.

Solo—"Neapolitan Nights." de Ca-
pua—Hubert Hauch, trumpet;
Franklin Perkins, accompanist.

March—"Recruits." Buchtel-
Reserve Band.

March—"Aya." Metcalf.

Waltz—"Franz Lehar Medley—Re-
serve Band.

Quartet—"Onward, Christian Sol-
diers." Sullivan—H. Hauch, E.
Perkins, accompanist.

Quartet—"Finlandia." Sibelius.

March—"Warming Up." Ribble-
Reserve Band.

FDR says:
Originally we
asked for 10 percent
in bonds; now we
need considerably
more.

BRIEF ITEMS from ABOUT TOWN

Corporal R. B. Unland, son of Mrs. H. L. Unland, Thomas avenue, Riverton, is spending a 10-day furlough at home. He is stationed at Boca Raton, Florida.

Ensign John Yost, son of Mr. and Mrs. Charles H. Yost, Thomas avenue, Riverton, left yesterday after spending a brief furlough here.

Master Sergeant Mildred S. Goodwin, a Palmyra High School graduate, has been assigned to duty in the office of the corps commander, Colonel O. C. Hobby, WAC in Washington. She holds the highest N.C.O. rank in the Woman's Army Corps.

Mrs. William Gootee, of Lippincott avenue, and Mrs. George Dorn, of Cinnaminson, have returned home after a week's stay in Atlantic City.

The board of directors of the Riverton Fire Company met on Tuesday night of this week.

Mr. and Mrs. Porter B. Caldwell, of Elm terrace, have returned home following a two week's stay at their camp near Swiftwater, in the Pocomo, Penna.

Mrs. H. L. Unland, of Riverton, recently visited her son, Harry L. Unland, in Providence, Rhode Island, while he was on a brief leave from Camp Endicott, R. I., where he is stationed as a member of the Seabees. Mrs. Unland was accompanied by another son, Corporal R. B. Unland.

Dr. and Mrs. J. Rowland Dey and daughter, Miss Valerie Dey, of Linden avenue, Riverton, returned recently from a two week's stay at Swiftwater, Penna.

Miss Miriam Diehl, Principal of Westfield Friends School, will attend a Reading Clinic at State College, Pennsylvania, August 9 to 13. The clinic is conducted by Dr. Emmett A. Betts, Research Professor in the field of reading.

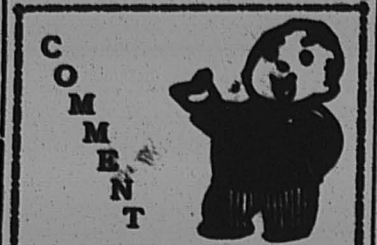

Mrs. W. E. Cheesman, of Thomas avenue, Riverton, is the guest of Mrs. Walter Moyer at her summer home in Ocean City.

Arthur Lewis Gowell, son of Mr. and Mrs. Robert E. Gowell, Main street, Riverton, has been promoted

from the rank of Corporal to that of Sergeant in the Marine Corps. Sergeant Gowell, who joined the Marines in August, 1942, is now stationed at Corpus Christi, Texas.

Attractively arranged on the balcony of the Cinnaminson Bank and Trust Company is a colorful display of all the flags of the United Nations.

Dr. T. Bruce Dickson has purchased the property on Golf Road owned by Mrs. Francis Ehle.

The harmony that prevails in the ranks of county Republicans this year is in decided contrast to the situation that has existed heretofore. Since the deadline for filing petitions is this (Thursday) evening it is still possible, however, for another slate to be formed in opposition to the Harmony Group.

With the gasoline supply again at a critical stage many are led to wonder where the pleasure drivers will obtain the precious fluid even if they are allowed to drive. It would appear that there have been too many premature announcements regarding the entire situation.

NOTICE

Dr. T. Bruce Dickson is closing his office from August 13 to August 28.

Church Notices

EPWORTH METHODIST CHURCH
Fifth Street and Morgan Avenue
Palmyra, N. J.
Rev. Richard A. Conover,
Acting Minister

Church School in all departments will begin at 9:45. The attendance during this summer has been very gratifying to the officers and teachers. Let us keep up the good work. Mrs. Arthur Mandeville will be the soloist during the opening exercises of the Main School.

Morning Church Worship at 11:00. The guest preacher will be the Rev. W. Roland Raver, Superintendent of the Trenton District. Epworth Church is always happy to have Dr.

Red Tape

IN ENGLAND IN THE 18TH CENTURY, THE PRACTICE OF TYING LEGAL DOCUMENTS WITH RED RIBBON BROUGHT THE TERM "RED TAPE" INTO USE. THIS WAS, PERHAPS, SYMBOLIC OF EARLIER TIMES WHEN COVENANTS WERE SIGNED IN BLOOD.

Red tape is reduced to a minimum when you apply here for a Direct Reduction Loan. No premium, bonus or extra charges are made. Monthly payments include interest, reduction of the principal and the payment of 1-12th of the yearly taxes. This is the best type of mortgage possible to obtain.

Brainin at Palmyra. Besides hikes, crafts, sports and games, assemblies where challenges, songs, talks and stories are told there are special trips. Last week both Camps went to Philadelphia by train, took a brief tour of the food markets near the wharf and then took the boat to Riverview Beach. Monday both groups went to Olympia Lake and enjoyed bathing and Assembly following lunch. Mr. Coulbough told the boys a story and Bruce Ergood taught the boys some Camp songs.

The Camps will close with a week-end Camping trip to Camp Ockanickon August 21 and 22. Besides the boys of the towns in which the Camps are in they attend from River-side and Beverly.

A heart loyal to God is patient and strong. Justice waits, and is used to waiting; and right wins the everlasting victory.—Mary Baker Eddy.

Be ye therefore perfect, even as your Father which is in heaven is perfect.—Matthew 5:48.

There Are NO PRIORITIES On Our Personal Service

We show no favoritism in our impartial Service to the Living. Each family can select from a wide range of prices the amount to be spent.

We personally serve the family's needs with the utmost consideration, whether the highest or lowest price is paid and offer the unrestricted benefits of our professional experience and modern facilities.

Does your Bank still make Personal Loans?

THE ANSWER IS YES

True, the war has put an end to borrowing for non-essential purposes. But you can still obtain loans for numerous sensible reasons. Some of these are preserving health, saving fuel, home maintenance and repairs and consolidating various debts... **VICTORY VICTORY**

NEW NETHERLANDS COMMEMORATIVE STAMP

The 3-cent postage stamp honoring The Netherlands, the fifth of the Overrun Countries Series, will be placed on sale at Washington, D. C., on August 24, 1943. The central design of this stamp is a reproduction in colors of the flag of The Netherlands. The stamp will be of the special-delivery size, 0.84 by 1.44 inches in dimensions, arranged horizontally, and issued in sheets of 50 stamps each.

Stamp collectors desiring first-day cancellations of this stamp on August 24 may send addressed envelopes, not in excess of 10, to the Postmaster at Washington 13, D. C., with cash or money order to cover cost of the stamps. Postage stamps and personal checks will not be accepted in payment. Each cover should be pencil marked in the upper right hand corner to show the number of stamps to be affixed, and the name of the country. Covers for later stamps of the Overrun Countries Series should not be included with the order for The Netherlands first-day covers. Enclosures of medium weight should be of regular size, and not smaller than 3 by 6 inches. Request should not be made for unusual arrangements and special markings. If coins are submitted they should not be attached with glue or other adhesive, as such currency cannot be deposited without washing.

All requests for first-day cover service must be addressed: Postmaster, Washington 13, D. C.

Requests for uncanceled stamps must not be included with orders for first-day covers. For the benefit of collectors The Netherlands commemorative stamp will be placed on sale at the Philatelic Agency, Washington 25, D. C., on August 24, 1943. To insure prompt shipment, mail orders to the Agency should not include other stamp issues. Allowance must be made for return postage. The Philatelic Agency does not service first-day covers.

**COUNTY HOUSEWIVES
URGED TO INCREASE
DAILY FAT SAVINGS**
One tablespoonful of waste household fats saved every day by each of Burlington County's 25,529 families during the second year of the WPB fat salvage campaign would provide enough glycerine to make 1,225,392 anti-aircraft shells, it was estimated today by the largest single collector of this vitally-needed war material.

"Although only a fraction of this amount has been saved daily by the average family," said T. A. Conover, head of the Great Atlantic & Pacific Tea Company's national meat department, "the steady increase in contributions is very encouraging. During May and June housewives turned in at our company stores as much waste fat as they did during the drive's four opening months, and our total collection for the year were more than 4,000,000 pounds."

Indications are that nationwide results of the campaign's initial year, ending the first week in July, totaled more than 65,000,000 pounds of household fats, based on OWI reports for the first eleven months. This is one-third of the annual quota for the nation of 200,000,000 pounds. New Jersey is asked by the government to salvage 795,000 pounds of fats each month.

SENATOR EDGE STARTED WORK IN PRINT SHOP

Walter E. Edge had no financial backers and starting at scratch carved out his own career. He was not born with a silver spoon in his mouth. He made his own way in life by hard work in the true American fashion.

A "printer's devil" at the age of fourteen, Edge, who is now the Republican candidate for Governor of New Jersey, became a publisher, an international advertising executive, Governor of New Jersey during the first World War, United States Senator and Ambassador to France.

According to a brief biographical sketch now being distributed in connection with his gubernatorial campaign, Walter E. Edge attended public school in Pleasantville, Atlantic County, New Jersey, from which he graduated at the age of fourteen.

During vacations he worked as a newsboy and on conclusion of his modest education became a "printer's devil" on the Atlantic City Review at \$3.00 a week.

Edge resigned from that job when he was fifteen, walked across the street and went to work for the Dorland Advertising Agency, then a small concern handling accounts of local hotels. Two years later the proprietor died and Edge borrowed \$600 and bought the business.

At twenty, he founded a newspaper, the Atlantic City Guest, circulated among shore visitors. The next year he expanded it into an all year round publication as the Atlantic City Press, later purchasing the Evening Union and combining the two papers.

He started his political career just as humbly when he was twenty-three, by becoming Journal Clerk in the State Senate. His stock in both enterprises boomed along together. His

VICTORY CANNING

FOOD is a combatant in any war. Every pound of food we can at home means another pound released for our forces. The government's request that we do home canning appeals to our practical patriotism. We knew that New Jersey homemakers would want to use the most reliable methods of home canning, so we had our Home Economics Department compile a booklet. Ask for a copy of 'Can It'. There is no charge.

MORE MEN FOR
ARMY AND NAVY

The following men in the area of Local Draft Board No. 1, of Palmyra, have been accepted for service in the armed forces. The Army men will be inducted September 7.

R. W. Burger, Army.
Charles Cameron, Army.
O. E. Cannon, Army.
Charles A. Cox, Army.
Willard T. Dolby, Navy.
Jackson B. Ferren, Army.
J. W. Franzen, Navy.
Raymond L. Green, Navy.
F. G. Hagmaier, Jr., Army.
R. F. Harvey, Marines.
W. T. Hill, Jr., Army.
Courtney Houston, Jr., Army.
C. F. Husa, Navy.
F. L. James, Army.
Joseph Johnston, Army.
R. W. Keesh, Army.
L. C. Martino, Army.
Andrew J. McCarty, Navy.
F. M. Millman, Army.
Ernest A. Mitchell, Navy.
Percy P. Nixon, Navy.
G. A. Penneo, Army.
L. B. Ruffin, Army.
Alfonso A. Sacca, Navy.
Harold C. Schuck, Army.
Wm. B. Scott, Navy.
Herb May, of Spring Hill, Atlantic Coast champion in 1941 and Edward Lippincott, several times champion at the local club.
Riverton club members who have entered and have been turning in good scores of late include: Robert Farrell, R. S. Charleton, Dean Lenker, L. G. Rogers, Thomas Kern, Edward Inglesby and Samuel Hill.

WIMER STATEMENT

August 16th, 1943
To the Editor of the Riverton New Era, Riverton, N. J.

Thank you for your kindly notice of last week. However, before we go further let us get the record straight and remove considerable misunderstanding.

On the morning of Tuesday, August 10th, I was waited upon, and informed that at a conference held the night before by a number of citizens, it had been decided to ask me to stand as a candidate for Mayor. This invitation was an honor in itself.

After some discussion, and finding that there were no pledges expected of me, and that they considered it my civic duty to accept, I agreed to allow the use of my name.

There was no talk of a "Wimer Ticket" or of candidates for other offices, and none of politics, factions or plans. I followed the course I have always taken in political matters, and the only promise I made was, that if I was elected, I would do my full duty, as I saw it, at all times. I stand on my record.

Mr. Ward and Mr. Wimer are opposing candidates for MAYOR. The PEOPLE will decide.

Thank you.

George N. Wimer.

FIELD DAY

Plans are shaping up for a big time at Memorial Park Playground on Saturday, August 28th. Director Kirby has made tentative plans for the demonstration as follows:

1 p.m., Exhibit and Craft Display.
2 p.m., 100-yd. dash (Older Boys).
2:05 p.m., 50 yd. dash (Younger Boys).
2:10 p.m., 60-yd. dash (Older Girls).
2:15 p.m., 60-yd. dash (Younger Girls).
2:30 p.m., High Jump, Boys.
2:40, High Jump, Girls.
3:00 p.m., Broad Jump, Girls.
3:15 p.m. Soft Ball Game.
4:00 p.m., Archery Contest.
4:00, Foul Shooting Contest.
5:00-6:30, Picnic Supper.

6:30 'til dark, Soft Ball Game (Girls' Outing vs. Boys' Fathers).
The out-of-doors grill will be available for coffee making. Soft drinks

NAMED MEMBER OF
ASSISTANCE BOARD

Mayor H. McIlvaine Biddle, of Riverton, has appointed the Rev. Robert B. Stewart, pastor of Calvary Presbyterian Church, a member of the Local Assistance Board in that community. Rev. Stewart succeeds the Rev. Francis B. Downs, former rector of Christ Church, Riverton.

Borough Council ratified Rev. Stewart's appointment on Thursday night of last week.

S. J. AMATEUR

One of the big golf events in this section, the South Jersey Amateur Tournament, will be played over the course of the Riverton Country Club on Friday of next week, August 27.

Already 50 entries have been received for the affair and many more are expected during the coming week. Jack Penrose, Philadelphia and South Jersey amateur champion in 1941, who is now in the Army will be on hand for the tourney and it is possible that the 1942 champion, Albert Bessellink, also in the Army may be able to secure a furlough to play. Other prominent golfers who have entered include Sonny Fraser, of Seaview; Hi Goodfellow, who recently broke the course record at Tavistock; Herb May, of Spring Hill, Atlantic Coast champion in 1941 and Edward Lippincott, several times champion at the local club.

PETITIONS FILED

One of the quietest primary elections in years, at least so far as county politics are concerned, seems assured as the deadline for filing petitions became a thing of the past on Thursday of last week.

There is little opposition in the Republican ranks and the Democrats have placed hardly the semblance of a ticket in the field.

On the Republican side, Assemblyman Arthur W. Lewis, of Riverton, is unopposed for re-nomination. A last-minute candidate, Wilbur R. Rush, of Pemberton, entered the Freeholder race, with two nominations to be made. The other candidates, who had previously been endorsed by the Harmony Group are Stanley Russ, of Riverside, who is filling an unexpired term on the board and Louis T. Klaunder, of Moorestown, a newcomer in the field. Rush is an official of the Metropolitan Life Insurance Co.

Coroner

There are three candidates for the single coroner nomination, the aspirants being: Max Kaye, of Mt. Holly; Joseph Weber, also of Mt. Holly and Robert F. Meyers, of Hainesport. For the State Committee, Mrs. Pearl M. Bridgman, of Hainesport and Norman F. S. Russell, of Edgewater Park are unopposed.

Democrats

The only Democrat candidates are those in the race for members of the State Committee of that party. Those out for the male vacancy are George M. Hillman, of Moorestown; James Kenney, Jr., of Riverside and Howard E. Powell, of Palmyra.

The ladies are Mable E. Murphy, of Bordentown and Helen Rahn, of Maple Shade.

In Riverton

Last minute reports of a fight for the two Republican councilman nominations in Riverton failed to materialize and the candidates for the vacancies are David F. Gould, incumbent and George T. Becton. J. Willson Sylvester, a member of council for several terms filed for the Mayor nomination.

Candidates for the Republican County Committee are as follows: 1st district—May Hopkins and G. Rex Shewell; 2nd district—Alma T. Evans and Richard M. Woodward; 3rd district—Mary P. Alloway and Hilton M. Smith. All have been members for several years.

The only Democrats in the field are those for election as members of the County Committee of that party. They are: 1st district: May Laverty and William J. McDermott; 3rd district—Gertrude E. Hamlin. There were no petitions filed by Democrats in the second district.

Palmyra

In Palmyra the following Republican petitions have been filed:

For Mayor: John F. Ward and George N. Wimer.

For Council: William F. Engle, Arthur P. Wright, Joseph L. Stack and John C. Noone.

Justice of the Peace: Richard E. Wilson.

County Committee—1st district—Lawrence Bradshaw and Margaret R. O'Neill; 2nd district—Thomas Schwick and Mrs. Helen B. Reiter; 3rd district—George N. Wimer and Mary S. Kates; 4th district—Charles F. Fisher and Janice Horter; 5th district—Joseph L. Stack and Florence O. Saar.

Democratic candidates for nomination are:

Mayor: Howard E. Powell.

No petitions filed for Borough Council.

Justice of the Peace: Frank S. Holmes.

County Committee: 1st district—Edwin W. Redfield, Sr. and Mrs. Beatrice Johnson; 2nd district—No petition filed; 3rd district—Robert C.

PHONE ORDINANCE

The petition of the New Jersey Bell Telephone Company asking that Riverton Borough Council repeal certain sections of an ordinance passed in 1905 was heard on Thursday night of last week and the company will be allowed to present a new ordinance for first reading at the September meeting.

The entire affair is highly technical and a special committee of council, together with the borough attorney, Walter Carson and legal representatives of the utility company have spent much time in ironing out the legal phraseology of the matter.

It is sufficient to state, however, that the new ordinance, if passed will have little or no bearing on the telephone facilities in the community and that the general public can be assured that any rights the community enjoys will be well safeguarded.

BENEFIT GAME

A benefit baseball game will be played at Memorial Park, this (Thursday) evening between Riverton A. A. and the Beverly team in the county league. The engagement is slated to get under way at 6 p.m.

The proceeds of the affair will be used to defray medical and other expenses incurred by George Sutter, member of the Riverton team, as a result of a severe knee injury that he sustained when playing in the recent All-Star game.

Tickets for the game are being sold and the price is 30 cents, tax included.

Those in charge hope that there will be a large turnout on the part of local fans, who can thus help a most worthy cause in addition to seeing a good ball game.

PALMYRA SCHOOL CALENDAR FOR 1943-44

September 7 (Tuesday)—Faculty Meeting, 2 p.m.

September 8 (Wednesday)—Opening Day of School.

November 25, 26 (Thursday, Friday)—Thanksgiving Vacation.

May 30 (Tuesday), Memorial Day—Schools Closed.

June 4 (Sunday)—Baccalaureate Sermon.

June 8 (Thursday)—Commencement.

June 9 (Friday)—Grade School Closing Exercises.

FOOTBALL MEETING

Taylor R. Kirby the newly appointed coach of Palmyra High School is issuing a call of all applicants for the 1943 football team to meet Monday evening, August 23, at 8 o'clock, in the community center of Palmyra.

The schedule for the coming season is about complete with 9 games scheduled and one pending.

Thomas; 4th district—No petition filed; 5th district—Howard E. Powell and Madeline Jenkins.

In Cinnaminson Township, the only petition filed for the Republican nomination for member of the township committee was that of Earle B. Harder. The incumbent, Elmer Mander-ville decided not to be a candidate for re-election.

There were few petitions for member of the county committee of the two parties, those filed being as follows: Republican—1st district—Irene G. Parsons. 3rd district—William F. Kennard and Eleanor Adams. Democratic—1st district—Anna T. Denne-ler.

There are three vacancies for justice of the peace, with no petitions filed.

GARBAGE TROUBLE

The irregularity of garbage collections in Riverton of late has resulted in a flood of complaints being received by Daniel M. Clifton, borough clerk, and police. The matter was called to the attention of the collector, John Daedec. He was ordered to appear before borough council, together with the borough attorney, Walter Carson and legal representatives of the utility company have spent much time in ironing out the legal phraseology of the matter.

It was explained, however, that the difficulty has been caused by shortage of help and that the collector had, on one occasion, been assisted by a pair of small boys.

In order to bring the matter to a head, the clerk was authorized to withhold Daedec's check and to explain the reason to him.

Attorney Consulted

The borough attorney, Walter Carson, who was present at the meeting was consulted about Daedec's bond and stated that, in the event the garbage collector did not fulfill the contract, the borough could have the collections made and bring suit for the cost. Whether or not such course will be taken depends upon several factors, one of the most important being whom the borough would be able to hire.

It was reported that, on several streets, collections had not been made for two weeks.

FERTILIZER SALESMAN APPREHENDED HERE

Assisted by Clarence Mattis, of the County Weights and Measures Department, Officer John Robinson, of the Riverton police arrested Charles A. Riffert, of Philadelphia, Monday night, on the charge of selling fertilizer by measure in violation of the State law.

Robinson, who was off duty at the time was approached by Riffert who offered to sell him some of the material. Upon arrival at the police station, the salesman attempted to escape in his truck but was rounded up by Robinson and Mattis who had arrived on the scene after being notified by the officer.

Riffert was given a hearing before Recorder William H. Bottger and pleaded guilty to the weights charge and also to resisting arrest.

CHRISTIAN SCIENCE CHURCH
First Church of Christ, Scientist
Thomas Ave. at Seventh St.
Riverton, N. J.

"Mind" is the Lesson-Sermon sub-
ject for Sunday, August 22, in all
Christian Science Churches and So-
cieties throughout the world.

The Golden Text is: "Great is our
Lord and of great power: His under-
standing is infinite." (Psalms 147:5)

Among the Lesson-Sermon cita-
tions is the following from the Bible:
"Fear ye not, neither be afraid: have
not I told thee from that time, and
have declared it? ye are even my
witnesses. Is there a God beside me?
yea, there is no God: I know not
any." Isaiah 44:8

The Lesson-Sermon also includes
the following passages from the
Christian Science textbook, "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy: "God
the divine Principle of man, and man
in God's likeness are inseparable,
harmonious and eternal." "God and
man are not the same, but in the or-
der of divine Science God and man
coexist and are eternal. God is the
parent Mind, and man is God's spir-
itual offspring." (p. 336)

CALVARY PRESBYTERIAN
CHURCH

Fourth and Lippincott Ave.

The Rev. R. B. Stewart, Pastor
10:00 a.m.—Church School assem-
bly and classes.

Men's Bible Class in the gymna-
sium. Mr. S. Reid Merley will teach.
11:00 a.m.—Service of Divine Wor-
ship. The Reverend Melvin H. Dil-
lin of Bloomsbury, N. J., will teach in
the absence of the pastor.

The Church Nursery will be in
charge of Mrs. George King and
Miss Jean Gowell.
Welcome to Our "Home-Like
Church."

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor
Sunday, August 22, 1943

In this world of chaos, brought
about by greed and a disbelief in
Christ and an ignorance of God, the
human race is finding it hard to
strike a balance and a sure footing.
Where and to whom can it turn?
Anyone who is really concerned can
find a satisfying answer if he will
only turn to his Bible and read care-
fully and prayerfully. Whether weak
or strong we all need that help to
renew and bolster our faith. Attend
your church regularly, listen atten-
tively, "Seek and ye shall find." The
work of the church and the church
school is to build a stable and sound
foundation on which Christianity can

grow and bring Salvation to the
whole world.
Sunday Services—
Bible School—10 a.m.

Morning Worship—11:15 a.m. The
Rev. Max W. Morgan, of Camden,
will again be with us this Sunday
morning in the absence of our pas-
tor. The choir will, as usual, render
an anthem under the direction of Mr.
C. Y. Barto. The number will be,
"The Lord Is My Strength," by
Wooler. There will be other special
music.

7:00 to 8:00 p.m.—Community Ves-
per Service in the Grove. This Wor-
ship period will be under the direc-
tion of Rev. Harke of the Moravian
Church.

Wednesday, 8:00 p.m.—Mid-Week
prayer and praise service.
Remember the boys in the armed
service. The Central Baptist Liaison
will welcome and forward any com-
ment or news of interest to your
young men.

EPWORTH METHODIST
CHURCH
Fifth Street and Morgan Avenue
Palmyra, N. J.

Rev. Richard A. Conover,
Acting Minister

Sunday, August 22nd—
9:45—Church School in all depart-
ments under the leadership of trained
Superintendents and Teachers. If
you are a stranger without a Church
Home you will be welcome to attend
bringing the family with you where
they will be well provided for.

11:00—Morning Church Worship
when the Rev. William R. Guffick,
of Trenton will be the Speaker. Rev.
Guffick is Pastor of St. Paul's Meth-
odist Church of Trenton where he
has had a most successful pastorate.

He was recently the Speaker on the
Methodist Radio Hour over Station
WIBG. Rev. Guffick has chosen for
his theme "Live and Help Live." Mrs.
Lord's organ numbers will be "Prayer"
by Keteibey, "Berceuse," by
Fualkes and "Sortie," by Boelet. Mr.
Elwood Johnson will sing as a bass
solo "Publican," by VanDewater.

7:00—Union Church Services in the
Municipal Grove under the direction
of the Moravian Church with the
Rev. A. J. Harke bringing the mes-

sage.
9:30-10:00—Methodist Radio Hour
over Station WIBG when the Rev.
A. C. Brady, Superintendent of the
New Brunswick District will be the
Speaker.

Sunday afternoon, August 29th, at
4:00, will be the special baptismal
service conducted by the Rev. Rich-
ard A. Conover. A number of par-
ents have signified their desire to
have their babies baptised and if
there are other parents interested
please contact the Rev. Conover.

Monday, 7:30—Boy Scouts.
Wednesday, 8:00—Mid-week Pray-

YMCA BRIEFS

The eighth week of this year's camping season at YMCA Camp Ockanickon at Medford, is highlighted by athletic contests which will make it Olympic Week. Each cabin has taken an airplane insignia of one of the United Nations and winners will add points to the final score determining which nation wins. Monday's special event was a swimming meet; Tuesday, track and field meet; Wednesday, obstacle races; Thursday, boating and games, and Friday, nature contests.

The chapel speaker last Sunday was the director, Wm. H. Douglass, who took for his topic "The Founding of the YMCA and its Place in the Various Countries."

Jack Horner, of Palmyra, was awarded the Blue Feather for being

an outstanding camper.

The Matloneque campers enjoyed a novel experience last Saturday evening when the Director, Mrs. Anne W. Troth announced there would be a moonlight dip. A busy schedule is in operation this week including a Camper-Counselor Day on Monday when the campers become members of the staff and counselors and take over camp for the day, including entertaining at a party Monday night. Tuesday there was a canoe carnival entitled "United Nations in Review." Wednesday the campers competed against the counselors in a swimming meet in the afternoon, and participated in a horse show in the evening. The Boat and Canoe Meet postponed from last Thursday was held this Thursday. Friday is Senior Day, and in the evening the Senior Banquet and Honor Night. The chapel speaker on Sunday was Mrs. Emily Worrell Green, from Pemberton, who spoke on "Camping Experiences."

The camps close August 21 after an extremely worthwhile eight-weeks season. They have been well attended and an interesting and varied beneficial program has been planned for each period.

RATIONING DATES AND INFORMATION

PROCESSED FOODS (most canned vegetables, soups, fruits and fruit juices; dried beans, peas, and lentils, and frozen vegetables and fruits)—Blue Stamps R, S and T in War Ration Book 2 are valid through September 20.

MEATS AND FATS (including also butter, cheese, canned fish, edible oils and condensed and evaporated milk)—Red Stamp V in Book 2 became valid August 8 and W on August 15. Stamps T, U, V and W expire on August 31.

SUGAR—Stamp 14 became valid on August 16 and is good for 5 pounds of sugar apiece, for use in home canning through October 31. If more is needed for canning, an additional allotment may be granted on application to local rationing board.

SHOES—Stamp 18 in Book 1 is good for one pair of shoes through October 31. Families may pool the coupons of all members living in the same household. A loose No. 18 stamp is not valid except when used for mail order of shoes.

FUEL OIL—Period 1 coupons, good for 10 gallons for household use for the 1943-44 heating season may now be used. Application forms for the new ration are still mailed out and upon receipt are to be completed and sent back immediately. Period 5 coupons of the current heating year (1942-43) good for 10 gallons, may be redeemed through September 30.

GASOLINE—All A coupons are valued at 3 gallons. B and C unit coupons are valued at 2½ gallons. Coupon 6 in A book is valid through November 21. TT coupons have replaced T coupons. TT books bear their own expiration date.

YOUR VICTORY GARDEN
 By Dr. Charles H. Connor, N. J. College of Agriculture.

Diseases and Insects of Corn
 Corn smut and European corn borer are prevalent this year in many Victory Gardens. Corn smut appears

to the gardener as ugly, grayish white masses, later turning black, often completely overgrowing the tassels or popping out of the ear. Like most diseases of its type, the best control is eradication so as to reduce the infestation next year.

It is advisable to burn these masses as soon as they are observed, because when they change to a black color, the spores are being discharged. At any rate, as soon as the ears of corn are harvested, it would be advisable to pull the stalks, handling them as carefully as possible, in order not to distribute the spores too widely, and consign them to the fire pile. Burn them as soon as possible to diminish the spread of the disease.

This burning of corn stalks will perform another service as the European corn borer is carried over into the next growing season in old stalks. Destruction by fire is one of the best

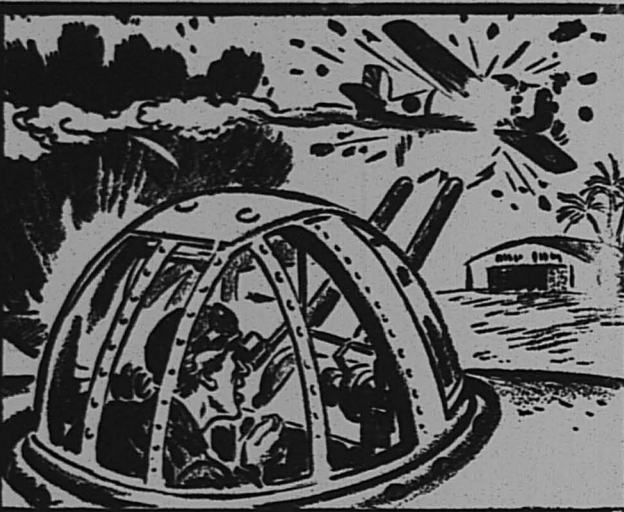

means to keep this insect pest in bounds.

Many gardens have been suffering through lack of organic matter. This is one of the most important constituents of the garden soil because it improves the physical condition by making it more friable, helps it to hold moisture and at the same time, in a heavy soil, helps to improve drainage. Organic matter also aids the bacteria and other micro-organisms that break down and make available plant food materials.

If your corn has not had smut or if the European corn borer is not present, corn stalks may be used in the compost pile along with all the other plant tops and waste vegetable matter free of disease and hard to control insects. It would be advisable, if possible, to cut the corn stalks up so they can be packed more tightly and thus speed decay.

AMERICAN HEROES

BY LEFF

Captain Anthony Hollub manned the top turret guns of his ground-level plane to return the fire of the Jap air attack on Clark Field in the Philippines. Exposed to strafing planes, the New Mexico captain ran across the field for more ammunition when it was exhausted. He was ready to sacrifice his life to keep his guns blazing. How much can you invest in Payroll Savings to help heroic fighters like Hollub to keep firing?

ABOUT TOWN

First Lieutenant Lawrence B. Parker, of Moorestown, a resident of Palmyra for many years, has recently been promoted to the rank of Captain in the Army. Captain Parker is stationed in foreign territory.

Mr. and Mrs. Richard Hooper, who formerly resided at 402 Midway, are now located in Chicago, Illinois. Mrs. Hooper was prominently connected with a number of civic projects while living here and was president of the Riverton Parent-Teacher Association.

P.F.C. Clement A. Haas has been promoted to the rank of Corporal, according to word received this week by his parents, Mr. and Mrs. Clement Haas, of Riverton. Corporal Haas was one of the first paratroopers to land in Sicily.

Assemblyman Arthur W. Lewis, of Riverton, was the guest speaker

at the meeting of the Pemberton Rotary Club last week.

Clement B. Lewis, Jr., son of Mr. and Mrs. Clement B. Lewis, Park avenue, Riverton, is now a member of the U.S. Navy Group and is stationed at the University of Pennsylvania for a 15-week training course.

RIVERTON DROPS GAME

Diffenbaugh, Riverton hurler, is seldom beaten in Burlington County League competition, but Beverly succeeding in turning the trick Sunday afternoon, at Memorial Park as the locals were sent down to an 8-3 reverse. As Mt. Holly took a twin bill from Medford, Riverton's lead in the circuit has been reduced to half a game.

Beverly started fast, tabbing a brace of markers in the opening frame. The invaders annexed five more in the fourth and the home out-fit was unable to put on a sustained offense.

Riverton travels to Medford this Sunday afternoon, while Palmyra meets Mt. Holly on the field of the former.

YACHT CLUB YARNS

Robert Lippincott won the 10-mile sailboat marathon and two other races, to sweep major honors on the Delaware Sunday in the Riverton Yacht Club's annual up-river races. Lippincott sailed his Star class boat Blue Star, to triple victories over the Riverton Yacht Club champion, Thompson W. Coe, sailing his Bon Air, and other prominent Delaware River craft.

Lippincott Leads
The regatta and distance race were jointly sponsored by the Riverton club and the Red Dragon Canoe Club, which latter club played host to the skippers at its headquarters at Edgewater Park, N. J. The distance race started at Riverton and finished at Red Dragon.

Lippincott led almost all the way to win the up-river race in a field of 14 sailing craft. Coe put up a battle much of the way to finish second, trailed by Commodore Charles

Knight in Quaker. Walter and Mrs. Hanson were fourth, as four Stars led the fleet on its chase. Edward K. Merrill, veteran Philadelphia banker, was fifth, in his new comet boat, Time Fly.

Summaries:

10-Mile Free for all—1, Star, Bob Lippincott and H. Skibold; 2, Star, Tom Coe and Bob Hurst; 3, Star, Commodore Charles Knight and De-wees Showell; 4, Star, Mr. and Mrs. Walter Hansen; 5, Comet, Edward K. Merrill and Lynn Hendrickson; 6, Comet, Howard Lippincott and Stan Lippincott.

Star Class (5 Miles)—1, Bob Lippincott; 2, Tom Coe; 3, Charles Knight; 4, Walter Hansen.

Comet Class (5 Miles)—1, Edward Merrill; 2, Howard Lippincott; 3, Ingo Stephan and Commodore August H. Wahl, Red Dragon; 4, H. Sever and Barney McFarland; 5, Hillery Lyons; 6, Bob Smith.

Duster Class (5 Miles)—1, Elmer Heinel, Riverton; 2, Knute Hunn, Riverton; 3, Martin Gennett, Red Dragon; 4, Barney Tool, Riverton.

Free for all (3 Miles)—1, Star, Bob Lippincott, Riverton; 2, Star, Charles Knight, Riverton; 3, Comet, Howard Lippincott, Riverton; 4, Comet, Ingo Stephan, Red Dragon; 5, Comet, Hil-

lery Lyons, Red Dragon; 6, Comet, Bob Smith, Riverton; 7, Duster, Knute Hunn, Riverton; 8, Duster, Elmer Heinel, Riverton.

Recently observed in Mt. Holly—a garbage truck with a female driver and two female helpers. Possibly a solution to the Riverton problem.

A female crossing tender knitting would have been an uncommon sight a few years ago, but not today.

Hardly a day by but what there is a report that the pleasure driving ban has definitely been lifted—it's still here, however, according to the O.P.A.

Things that dropped out of sight in a hurry—the local retail business men's clinic.

REVISED RULES FOR CIVILIAN DEFENSE

Revised rules and regulations for the conduct of Civilian Defense personnel and the public during an air raid alert and the present war emergency will be issued to Local Defense Councils in New Jersey on or about September 1. Leonard Dreyfuss, State Civilian Defense Director, disclosed today.

OLDS COMMUNITY GARAGE

Authorized Oldsmobile Sales and Service
10 E. Broad Street, Riverton
Phone 1212

A new rule has also been promulgated for the identification of emergency motor vehicles permitted to operate during blackouts or air raid alerts. The new rule provides for the use of pennants in addition to the present emergency vehicle cards that are displayed in the windshields of the vehicles.

The revised rules will be printed on yellow paper, instead of the blue paper on which the present rules are printed.

The revised rules are being issued, Dreyfuss said, because it was necessary to amend a number of the present rules governing procedure during air raid alerts and blackouts.

When the revised rules are ready for distribution, about September 1, Local Defense Councils will be advised to discard the present sets of rules on file and replace them with the complete new set, brought up to date.

ABOUT TOWN

Miss Elizabeth McChesney, of Moorestown, is spending some time with Mr. and Mrs. Harry C. Sim, Fourth and Thomas avenue.

Miss Clara Bishop spent several days this week in Camden with Mrs. Harry Riley.

Mrs. Brooks Evert and children, of Riverton, and Mrs. W. H. Evert, of Merchantville, are spending the week at Spray Beach.

Mr. and Mrs. John Wright and children, of Second street, Riverton, are at Spray Beach for the week.

Word has been received from 2nd Lt. Carl Weninger that he has taken part in the Sicily battle and has been promoted to a First Lieutenant. Lt.

Weninger is an Army Transport pilot.

A letter has been received from Jesse Perkins, with the Navy Seabees, that he has been promoted from 2nd Class Seaman to First Class. He is well and on duty somewhere in South Pacific.

HIS 1943 VACATION...

48 HOURS!

Just as long as a week-end pass.

That's all many of the boys get these days.

Not time enough for a few rounds of golf... or to flick a fly on a trout stream... or to loll on a beach.

For him, all that went out when the war came in.

Now, his vacation can be measured by the tick of a watch... just time enough for one of Mother's dinners... a long chat with Dad... a good night's sleep in his own bed... a glance at the Sunday morning paper... and back to camp.

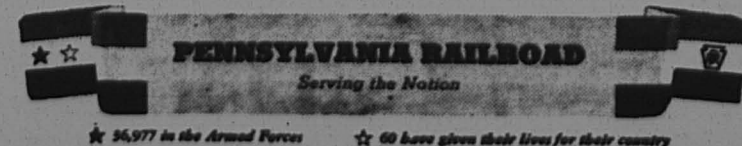

Please think of that young man when you plan YOUR vacation.

If you are going away for two weeks, start your vacation Tuesday, Wednesday or Thursday, so there will be seats and berths on week-end trains for him and his buddies. Try to time your travel to accommodate him!

You may not realize it, but right now more than 15 per cent of the total passenger traffic on the Pennsylvania Railroad is Service men traveling on leave. And most of it is over week-ends.

So please do your best to time your travel so that it doesn't interfere with theirs!

RUPERT E. TRICKER

Rupert E. Tricker, of Collingswood, died on Thursday, August 12, at his late residence, 101 Lawndale avenue.

Funeral services were held on Monday of this week in the Bible Presbyterian Church, Collingswood, of which Mr. Tricker was an elder. Mr. Tricker was the brother of Mrs. J. M. Coddington, Elm avenue, Riverton.

NEW PHONE DIRECTORY

The New Jersey Bell Telephone Company is distributing a new issue of the telephone directory for Camden, Burlington and Gloucester counties to replace the book issued last November. Slightly larger than the previous directory, the new book contains approximately 5,000 listings not appearing in the directory it displaces, the company states. All told, about 24,500 listing changes have occurred, including disconnections and new connections.

Nearly 70,000 copies of the new directory are being distributed and the company renews its appeal to telephone users to relieve the burden on "information" operators as much as possible, by looking in the directory first for numbers in the three counties.

THANKS

In behalf of the Riverton Athletic Association may I take this opportunity to thank all those who so generously assisted in making the recent benefit baseball game for George Sutters such a splendid success. Thanks are especially due to the Beverly team which came here gratis and the umpires who donated their services.

Albert C. Farrow,
Bus. Mgr. Riverton A. A.

BIRTH

The Rev. and Mrs. Francis B. Downs, of Providence, R. I., formerly of Riverton, are receiving congratulations on the birth of a son, Malcolm Townley, on Thursday, August 19.

AIR RAID TEST

There were no unusual incidents in the brief air raid test that was staged Monday evening in New Jersey. Local civil defense units were mobilized promptly and all posts manned.

RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, AUGUST 26, 1943

PRICE FIVE CENTS

FIRE THREATENS LOCAL MANUFACTURING PLANT

Shortly before 1 o'clock on Tuesday afternoon of this week, the Palmyra Fire Company responded to a call for a brick fire adjacent to the Jensen Manufacturing Co., West Palmyra.

The flames spread from a burning pile of trash to a large pile of lumber stored near the rear of the main building. Upon the arrival of the firemen, this was blazing briskly and the smoke covered a large section of the community.

A line of 2½ inch hose and two 1½ inch lines were quickly connected and the fire was soon brought under control, but the firemen remained on the scene for some time before the last embers were extinguished.

A corrugated iron building filled with sawdust was in the path of the fire, but prompt work on the part of the men prevented this from becoming ignited.

Damage was light, since the main building was only slightly scorched at one corner. The Riverton Company was not called.

Cited For Bravery

Richard Flynn, son of John Flynn, of Jacksonville, Fla., received the following letter from his commanding officer:

July 20, 1934

Dear Flynn:
As the commanding officer of this assault transport, I take great pride and pleasure in informing you that I have recommended you for the Legion of Merit Officers Class, for your courageous services in the amphibious assault on the beaches East of Scoglitti, Sicily, on the morning of July 10, 1943.

Sincerely and appreciatively,
Philip P. Welsh,
Captain, U. S. Navy,
Commanding.

Flynn was born in Riverton, and is the grandson of Mrs. James Flynn, 403 Thomas avenue.

MEN REPORT SEPT. 2

The men from Local Draft Board No. 1, of Palmyra, who were inducted into the Army on August 12, will report at the board headquarters on Thursday, September 2, at 9:15 a.m., from which place they will leave for active service.

FIRE DRILL

The Riverton and Palmyra Fire Companies staged a drill at the Riverton Public School on Tuesday night of this week. Several lines of hose were laid and the test included the use of a number of ladders and other equipment.

Second Period Opens
AT COUNTY SCOUT CAMP

Last Sunday marked the end of the first period at the Burlington County Council Boy Scout Reservation. 61 Scouts had a week of rich camping experiences entailing many varied activities. The second and final period started this past Sunday afternoon with 48 campers.

Many Scout requirements for 2nd Class and 1st Class ranks were met by the Boy Scout campers and a number of varied merit badges were passed. Emphasis is given by the Camp Staff, under the direction of A. B. Branson, Camp Director, to the Scouting program. Saturday afternoon all the campers participated in a water carnival and meet. Aquatic Director, Handley Diehl, supervised the meet with Activities Director, John Moore, and Camp Bugler, Jack Fitzgerald, assisting him. There were a number of swimming races. One of the exciting races was the six-man canoe race. The race was run without the use of canoe paddles. Another highlight of the afternoon was a scramble in the water for a

Workers Needed

The surgical dressing room is now open after two weeks vacation. There are 6,000 pieces of gauze to be made into dressings. Workers are badly needed.

We are in the midst of a terrible war. Thirteen hotels at Atlantic City have been turned into hospitals for the wounded soldiers returning from Europe, Africa, and the Pacific Isles.

The working hours are every Tuesday, Wednesday and Thursday from 9:30 a.m. to 2:30 p.m. and Thursday evening from 7:30 to 9:30. The dressings must be made. Twenty-four workers each day would turn out the work in short order.

Will you help? Will you give three or four hours of your time each week? In that way, help the wounded soldiers and bring victory nearer.

Josephine C. Tyler,
Chairman.

PENNANT REQUIRED FOR CIVILIAN DEFENSE CARS

Leonard Dreyfuss, State Civilian Defense Director, said today that after September 15 all Emergency Motor Vehicles, permitted to operate during an air raid alarm will be required to display a pennant bearing the Civilian Defense insignia, near the right front of the vehicle.

Only those persons who now hold the Emergency Vehicle cards which are displayed in the right hand corner of the windshield or those who are eligible to receive them in the future will be permitted to have the pennant, Dreyfuss said.

Under the new ruling, Emergency Motor Vehicles will be required to have both the emergency cards and the pennants. Dreyfuss said, will permit easier identification of vehicles by the air raid wardens and auxiliary police. The latter have complained that the emergency cards in the windshields could not be seen at night and resulted in the continual stopping of automobiles permitted to move.

The pennants are being manufactured by the State Use Division of the State Department of Institutions and Agencies and will be ready for distribution to Local Defense Councils during the latter part of August. Dreyfuss pointed out that all vehicles are permitted to move during the "blue" period of an air raid alert. However, only those cars bearing the pennant and emergency card will be permitted to move during the "red" period.

He asked all local Defense Councils to instruct the auxiliary police that vehicles are not to be stopped during the "blue" period. He said motorists had complained that in some communities the air raid wardens and auxiliary police halted all traffic on the sounding of the "blue" alarm.

EXCHANGE GAS BOOKS

B and C gasoline ration books must be exchanged for new ones before September 1 when the old coupons become invalid. Your new book will contain the same number of stamps that still remain in the old one. This exchange must be made at your local rationing board.

Saturday night there was a closing campfire. This was a very impressive Indian ceremony conducted at the Council ring.

One morning last week a number of campers got up early to go on a bird hike and they came upon a deer. Saturday evening, at the campfire, the ceremonies were almost interrupted by the dashing by of a deer just outside of the Council ring.

The campers have made many improvements at Camp, Mr. Branson stated. Each day they spend some time on camp improvement.

SALVAGE COLLECTED

John Reinhardt, member of the salvage committee of the Riverton Civil Defense Council reports that 3½ tons of material were collected from the salvage depot last week.

The lot consisted of tin, other metal, paper, magazines and cardboard.

Under Mr. Reinhardt's efficient supervision, Riverton has made an extremely good record in the matter of salvage collection.

GOLF TOURNAMENT

Final arrangements were made on Wednesday night of this week for the South Jersey Amateur Golf Tournament, which will be played over the course of the Riverton Country Club, Friday, August 27, with the first contestants teeing off at 9 o'clock.

The drawings for the various prizes were made late Wednesday and more than 100 of the best amateurs in South Jersey have already entered.

Play will be in three classes as follows:

- Those having handicaps from 1 to 10.
- Handicaps from 11 to 20.
- Handicaps over 20.

Prizes of War Bonds will be awarded to the low net and low gross in each class.

Officials in charge expect that a good-sized gallery will accompany several of the more prominent contestants.

DRAFTING OF FATHERS PRESENTS PROBLEM

With schools soon to reopen and with the increase in the number of fathers taken into the Armed services through Selective Service, Leonard Dreyfuss, State Director of Civilian Defense today urged the Child Care Committees of Local Defense Councils in all communities and particularly in industrial areas to redouble their efforts and to be "thinking very definitely of expanding their programs."

He made the appeal after Dr. Ellen Potter, Chairman of the Child Care Committee had made a report to him and Mrs. Richard S. Bethel, Deputy Director in charge of Community War Services.

Dr. Potter said in her report that "unless radical changes take place in the Selective Service program for the next several months, there is every reason to believe that large numbers of fathers of young children will be drafted into the Armed Services."

"In the industrial centers this will leave mothers with young children and the allotment from the government and from the soldier-husband will not be sufficient to maintain them as the cost of living and rents spiral upward. Many of these young mothers will seek employment to maintain themselves and their children."

Another Responsibility

Dr. Potter also pointed out that another responsibility that should rest upon both the Child Care Committees locally and the Parent-Teacher Associations, is to encourage adolescents to go back to school this fall. She pointed out that thousands of young people sixteen years old and younger have been gainfully employed this summer and are now unwilling to forego the income they have been receiving to return to their desks in school rooms.

"Failure to profit by educational opportunities now will certainly handicap these young people," Dreyfuss said. "To gain a comparatively few dollars now will not compensate for the loss they will suffer in the years to come through the lack of a basic education. All the education they can get now will be needed to meet the opportunities that lie ahead in the great industrial development of this country which certainly will take place when this war is over."

CIVIC DAY AT MEMORIAL PARK

The celebration of Riverton Civic Day next Saturday at Memorial Park promises to be one of the biggest events ever held in this community according to plans now being rushed to completion by the Playground Committee which is sponsoring the celebration.

The program is scheduled to get under way at one o'clock Saturday afternoon and will continue without a stop until dusk. First will come a craft display and exhibit of the work done by the children under the direction of Miss Lowden. At two o'clock there will be athletic contests for boys and girls of varying ages with an interesting list of prizes for the winners. Later in the afternoon there will be a soft ball game for boys, an archery contest and basketball foul-shooting contests open to all boys and girls with adequate prizes for all.

At about 5:30 the guests will take time out for a supper which they will be asked to bring. The Committee is attempting to arrange for a supply of firewood for individual cooking fires. It is suggested that the picnickers bring their own grills for cooking. Soft drinks will be on sale. At half past six a soft ball game for the fathers of the children will be held with Dick Woodward's Terrors battling George Friday's Scrappers. A tremendously exciting game is anticipated.

The prizes for the boys and girls are now being assembled and promise to be well worth competing for. To make sure everyone is acquainted with the plans for the occasion and also has a table reserved for picnic supper, a telephone canvas of the town is now under way. It is going to be a good old-fashioned neighborhood gathering with everyone invited and expected. In the event of rain, the affair will be postponed for one week. The celebration is to mark the successful completion of the first playground season which was conducted so admirably by Mr. Taylor Kirby and Miss Lowden.

Athletic Events

- 1:00—Craft Exhibit.
- 2:00—100 yd. dash for boys 14-17.
- 2:15—100 yd. dash for boys 12-14.
- 2:25—60 yd. dash for boys 8-12.
- 2:35—50 yd. dash for boys under 8.
- 2:45—60 yd. dash for girls 12-14.
- 2:50—60 yd. dash for girls 12-14.
- 2:55—50 yd. dash for girls 8-12.
- 3:00—30 yd. dash for girls under 8.
- 3:10—High jump for boys over 13.
- 3:10—Broad jump for boys over 13.
- 3:30—High jump for boys under 13.
- 3:30—Broad jump for boys over 13.
- 3:50—Foul shooting contest (basketball) for boys over 13.
- 3:50—Foul shooting contest (basketball) for girls over 10.
- 4:05—Three-legged race
- 4:15—Softball game.
- 4:15—Archery.

If necessary races will be run in heats.

DATES FOR HIGH SCHOOL REGISTRATION

All new pupils who wish to register for high school are asked to do so on Friday, September 3, from 9 to 4 p.m. or on Tuesday, September 7, from 9 to 12 a.m.

Re-Examinations

Re-examinations will be given in the high school on Friday, September 3 at 9 a.m.

A pupil who received "D" in a subject is eligible for a re-examination, provided he presents written evidence from an approved tutor, of having done twenty hours of work during the summer.

V. M. Brower,
High School Principal.

be good. This structure, together with the door for entrance, should be built high enough to keep out heat.

The temperature in the room may be controlled by opening the window in such days as are not too cold. Of course, the best way to get ventilation would be to install in one of the windows a cool air shaft to reach nearly to the floor. This should be a snug-fitting pipe with a damper. In the absence of another pane there should be a hinged closure to allow for escape if warm air.

In such a storage closet, bins could be built for the storage of root and other crops in sand or soil. Such material should be kept moist. Another way to improve humidity would be to place a layer of sand, shavings or soil on the floor, to the sides of the closet, and set over this a duck-board or slat floor to walk upon.

It's impossible to know whether the grade crossing accident illustrated here resulted because "a crowd" or because the driver had only one hand on the wheel.

The official description of the accident says "a roadster, driven by a young man with two lady passengers, disregarded lowered crossing gates and drove through them into the side of a locomotive. Fortunately they were not injured, but the automobile was damaged."

The National Safety Council is conducting a special campaign to stop these accidents, which every day delay 48 trains a total of 22 hours—a heavy drain on the nation's transportation.

Driver-carelessness is the cause of almost all grade crossing accidents, according to the Council.

To help win the war—to save yourself and others needless suffering—the Council asks you to be sure the track is clear before you start across.

Heart Is Nutritious Meat.

Dice or slice heart and sprinkle with salt, pepper and flour. Melt shortening and sauté heart over low heat until delicate brown. Turn and cook until tender. Serve on

You have participated effectively in anti-tank warfare. You are mobile, mounted on automobile tires and can be rapidly withdrawn from place to place. Your purchase of War Bonds will help pay the cost of these field pieces so necessary for our Army in this War. Join the Payroll Savings Plan at your office or factory and let's "top that" by investing at least ten percent of your income in War Bonds. U. S. Treasury Department

NOTE: For pan gravy, add 2 tablespoons butter or tallow to 1 cup drippings and 1 cup water. Boil for five minutes. C ham mixture is thick.

Sweet-Sour Beef

1 beef heart 1 8-ounce package noodles	¹ / ₂ cup drippings Water Pepper
--	---

Wash and trim the heart. If it has been cut, sew into original shape. Cook noodles in boiling salted water. Drain and combine with one-half the melted drippings. Fill heart with cooked noodles and place skewers across opening during cooking. Brown on all sides in remaining drippings. Add salt amounting to taste. Simmer about 1½ hours, cover closely and continue cooking until tender. Add more water when necessary. The average size beef heart (¾ pounds) will require about four hours for cooking. Remove from liquid and make Sweet-Sour Sauce. Return to sauce to re-heat. Heat remaining noodles and serve with heart. A ¾ pound heart serves 12.

Sweet-Sour Sausage

2 tablespoons 2 tablespoons 4 tablespoons four brown sugar 1 brown sugar which heart was cooked	4 tablespoons 4 tablespoons 1 brown sugar 1 teaspoon thyme 3 whole cloves
--	---

Melt butter, add flour and stir until smooth. Gradually add the liquid, stirring constantly. Cook until thick. Add the vinegar, sugar and seasonings and allow to simmer for 15 minutes. Remove the bay leaf and cloves and serve in a gravy boat.

HEART is one of the most delicious and least frequently used parts of the pig. Variety Meats. Calf, lamb and pork hearts are tenderer than best heart but this less expensive one is very appetizing when properly cooked.

A Heart should be washed in warm water and the arteries and veins must be cut away. The heart should then be soaked in sour milk or vinegar-water to make it tender. Here are recipes for baked, fried and boiled heart. Try them.

Baked Stuffed Calves' Hearts

2 calves' hearts 2 eggs ¼ tsp salt ¼ tsp pepper 1 tsp. thyme or marjoram	¾ medium onion, finely minced Your favorite seasoning. ½ medium onion, finely minced
--	--

Remove veins and arteries from hearts and wash thoroughly. Wash and drain. Add ingredients and mix well. Stuff hearts, securing closely, tossing with fork until well blinded. Fill center of hearts with stuffing. Tie securely; roll in seasoned flour and sear in hot fat until well browned. Place in baking dish and add boiling water to one quarter cover the meat. Cover and bake at 350 degrees F. for about 2 hours. Serve green F. for about 2 hours. Serves 6.

Sautéed Heart

1 lb. calf heart Salt and pepper	
-------------------------------------	--

Plan to grow tomatoes and vegetables in your Victory Garden. You will eat them this summer.

ABOUT TOWN

Seaman I. C. Porter B. Caldwell, Jr., son of Mr. and Mrs. Porter B. Caldwell, Elm terrace, Riverton, who recently graduated from the Signalman's School, Sampson Naval Training Station, is spending a brief furlough here. When he resumes his duties he will be assigned to duty with the amphibious force.

Private Palmer L. Adams, Jr., U. S. Marine Corps, is spending a 10-day furlough with his parents, Mr. and Mrs. Palmer L. Adams, Cleveland avenue, Cinnaminson.

Aviation Cadet Frederick Steiner, Jr., of Main street, Riverton, has been called to active duty in the U. S. Naval Reserve and is now taking a pre-flight training course at the University of Pennsylvania.

Lieutenant Howard S. Barto, Jr., son of Mr. and Mrs. Claude Y. Barto,

625 Thomas avenue, Riverton, is attending the Anti-aircraft Artillery School, Camp Davis, North Carolina.

The Ladies' Auxiliary of the Delaware Fire Company No. 2, of East Riverton, will serve a creamed chicken supper in the firehouse, Saturday evening, August 28, from 5:30 until 8 o'clock. The prices for the supper are 75c adults, 50c children.

Sergeant Chandle Y. Wark, whose home is on the Riverton-Moorestown road, has been promoted to the rank of Staff Sergeant at the Carlisle Army Air Field, Carlisle, New Mexico.

Private Norman E. Oram, of Burlington Pike, Cinnaminson, has arrived at Davidson College, for a course of instruction as an Aviation Cadet in the Army Forces Flying Training Command. Upon completion of the course he will be classified as a navigator, pilot or bombardier and go on to schools of the Flying Training Command for training in these specialties.

Mrs. Earle Bishop, of Cinnaminson street, Riverton, and family, are spending the week at Wildwood.

AUTO PARTS

A piece of good news almost unnoticed in the welter of confusing rumors emanating from Washington recently was definite announcement by the War Production Board that enough new and reconditioned automotive parts will be made available to keep America's great fleet of civilian automobiles rolling in 1944.

In calling attention to WPB's action, the Keystone Automobile Club says the decision to make parts available is one of the most heartening aspects of the entire motoring situation.

"Without replacement parts," said Trevor B. Mathews, Manager of the Camden Division of the Club, "a great many automobiles now performing useful functions in both the war effort and the civilian economy would be forced off the highways. A transportation breakdown on a scale unprecedented in the country's his-

tory would be the inevitable result. Parts will be available not only for fairly new cars, but for the 5,000,000 or more vehicles which have passed the 10-year mark. More than \$400,000,000 worth of parts are being turned out by the automotive industry, in addition to nearly nine billions dollars' worth of war materials.

"Another item coming under the heading of 'good news' for motorists is the announcement by WPB that anti-freeze will be available for all vehicles this coming winter.

HEALTH HINTS

(Prepared by the American Red Cross for the Rural Press Section of OWI)

When caring for a case of communicable disease, keep your hands away from your face. This is for your own protection.

After giving care to the patient, wash your hands well with soap and water before attending to duties in any other part of the house. This is for the protection of others.

When diarrhea develops in babies or small children, all food should be stopped for twenty-four hours. Boiled water should be given in small

amounts at frequent intervals. No medicine should be given unless it is ordered by the doctor. If pus, blood, or a large amount of mucus is formed in stools, the doctor should be called at once. A bowel movement or two should be saved and shown to the doctor.

Keeping the skin clean, cool and dry is, of course, the best means of preventing "prickly heat." For relief of the condition, apply a solution or paste made up of ordinary baking soda and water. Starch, put into a small cheesecloth bag for easy handling, makes a soothing dusting powder.

To remove an insect from the ear, have the patient lie on the unaffected side and drop warm sweet, or mineral oil into the affected ear. The insect will usually float to the surface, where it can be removed. Afterwards, the patient should lie on the affected side to allow the oil to drain out.

PERMANENT REGISTRATION
According to an announcement made this week by Mrs. Pearl M. Bridgegum, chairman of the Burlington County Board of Elections, permanent registration closes on the fourth Tuesday (August 24) preceding Primary Election and reopens on the day after Primary Election (Wednesday, September 22). The authority cited is N. J. Election Laws 19:31-7.

RIVERTON DIVIDES

Riverton split a twin bill in the Burlington County League race, Sunday afternoon at Medford, taking the first from Medford by the score of 14-6 and dropping the nightcap by the one-sided count of 11-1.

Although hit freely in the opener, Van Emburgh managed to weather the storm and Diefenbaugh collaborated with four hits out of five trips to the plate, one being a homer.

In the second engagement, everything went along fine with Diefenbaugh hurling until the sixth stanza when the opposition tabbed a total of 10 runs, three being circuit clouts.

Palmyra divided a double header with Mt. Holly, leaving Riverton a half game in front of the remainder of the loop.

Mt. Holly comes here Sunday afternoon and the leadership will change hands unless the homesters can take the decision.

A large crowd is anticipated for this crucial tilt.

RATIONING DATES AND INFORMATION PROCESSED FOODS (most canned vegetables, soups, fruits and fruit juices; dried beans, peas, and lentils, and frozen vegetables and fruits)

Blue Stamps R, S and T in War Ration Book 2 are valid through September 20.

MEATS AND FATS (including also butter, cheese, canned fish, edible oils and condensed and evaporated milk)—Red Stamp V in Book 2 became valid August 8 and W on August 15. Stamps T, U, V and W expire on August 31.

SUGAR—Stamp 14 became valid on August 16 and is good for 5 pounds of sugar apiece, for use in home canning through October 31. If more is needed for canning, an additional allotment may be granted on application to local rationing board.

SHOES—Stamp 18 in Book 1 is

THE NEW ERA, THURSDAY, AUGUST 26, 1943

PAGE 7

good for one pair of shoes through October 31. Families may pool the coupons of all members living in the same household. A loose No. 18 stamp is not valid except when used for mail order of shoes.

FUEL OIL—Period 1 coupons, good for 10 gallons for household use for the 1943-44 heating season may now be used. Application forms for the new ration are still mailed out and upon receipt are to be completed and sent back immediately. Period 5 coupons of the current heating year (1942-43) good for 10 gallons, may be redeemed through September 30.

GASOLINE—All A coupons are valued at 3 gallons. B and C unit coupons are valued at 2 1/2 gallons. Coupon 6 in A book is valid through November 21. TT coupons have replaced T coupons. TT books bear their own expiration date.

BELGIAN COMMEMORATIVE STAMP

The 5-cent postage stamp honoring Belgium, the sixth of the Overrun Countries Series, will be placed on sale at Washington, D. C., on September 14, 1943. The central design of this stamp is a reproduction in colors of the flag of Belgium. The stamp will be of the special-delivery size, 0.84 by 1.44 inches in dimensions, arranged horizontally, and issued in sheets of 50 stamps each.

TIN CAN FACTS

Every submarine contains 3 tons of tin.

Tin encases the emergency sulphalintments which protect the wounded soldier from infection.

A total of 110,000 average tin cans will provide an amount of scrap steel normally required to produce the steel used in one medium tank or two light tanks.

Ten percent of all copper produced in the U. S. comes from the precipitation process of copper bearing mine water. Such precipitation depends upon salvaged tin cans.

A 37 mm. anti-aircraft gun can shoot about 1,000 pounds of copper in 10 minutes. Tin cans help supply copper.

If every housewife in the nation

saves as little as two tin cans in one week, it would mean enough scrap steel to make the steel used in the hulls of three heavy cruisers, and the tin used in 20 submarines.

Prepared tin cans take up one-fifth as much space in shipment as unprepared cans.

One hundred tin cans will provide the steel used in a 100 lb bomb.

Three hundred tin cans will provide the steel used in a 30 cal. machine gun.
