BAD FIELD FIRE

On Friday afternoon of last week, the Riverton Fire Company answered a call for a bad field fire on the north side of River Road, Union Landing. The flames, which were roaring through brush 10 feet high were noticed by a passing motorist and an alarm turned in.

Prompt action by the firemen stopped the fire just as it was about to reach a series of sheds, hen houses, etc., which would have instantly become a raging conflagration. Several homes were also endangered. The contents of the booster and chemical tanks were used, in addition to all the Indian pumps.

The fire had all the earmarks of being a serious one and the Riverton men should be commended for their efficient action.

CARS CRASH

Early Monday morning a car driven by Stanley Jazowski, of Cambridge, crashed into the rear of a machine operated by Louis Taylor, of Palmyra, the accident occurring at Broad and Pleasant streets, East Riverton.

Alice King, a passenger in the Taylor car was taken to Zurburg Hospital suffering from cuts and concussion. Other riders in the Jazowski vehicle suffered bruises. Both machines were badly damaged.

Chief Erich Veitenheimer, of Cinnaminson and Officer Robinson of Riverton, aided those injured and assisted in clearing the highway.

A hearing will be held later.

LECTURE

At Westfield Friends Meeting House on March 12, at 7:30 p.m.

Amos J. Peaslee, expert on international law and author of the book, "A Permanent United Nations," will speak on: "What Are the Planners Planning?"

An invitation is extended to everyone who is interested in taking advantage of the opportunity to hear this widely traveled Friend speak on a subject of immediate importance.

Reported Missing

According to a report received this week, Corporal John J. Matthews, of Riverton, is reported as having been missing since January 26, during action in Italy.

Corporal Matthews, who has been in the Army since July, 1942, was wounded in an earlier engagement and received the Purple Heart. He returned to duty after recovering from his injuries and participated in the Sicilian and Salerno campaigns.

N. J. FLIER HONORED FOR 50 MISSIONS

A Riverton fighter pilot has been awarded the Distinguished Flying Cross after completing 50 sorties in four months of combat flying. He had previously won the Air Medal with three Oak Leaf Clusters for "meritorious achievement in aerial flight over enemy territory."

The air hero is Captain James N. Wood, flight commander and operations officer for a Thunderbolt fighter squadron with the Eighth Air Force in England. His wife, the former "Nordie" Hayward, and their son, James H., live with her parents, Mr. and Mrs. T. B. Hayward, at Sunny Knoll, here.

Captain Wood is a West Point graduate, class of 1942. He also attended the University of Arkansas and received his wings at Moore Field, Texas.

TO AID TAXPAYERS

A deputy collector from the Internal Revenue Department will be at the Riverton post office Friday, March 31, between the hours of 9 a.m. and 5 p.m. to assist residents in making out their income tax returns.

PAPER COLLECTIONS

The schedule for paper collections in Riverton for the next two weeks is as follows:

Saturday, March 4—Thomas avenue, full length.

Saturday, March 11—Linden avenue, Elm terrace and the north side of Elm avenue. Also Front, Second, Fourth, Broad, Harrison, Seventh and Midway between Elm and Thomas avenues.

YOUTHS SET FIRE

Two boys from this vicinity were arraigned before Recorder Cecil Boyers last Sunday on the charge of setting fire to a boathouse in East Riverton. Both were held for the Juvenile Court in the custody of their parents. They were apprehended after an investigation into the fire conducted by Chief Erich Veitenheimer of Cinnaminson and Officer John Robinson, of Riverton.

The blaze completely destroyed the structure and might have had even more serious consequences had it not been for the efforts of two volunteers who prevented the flames from spreading into nearby woods.

The boathouse was located at an isolated point along the river with no roads leading to it.

YACHT CLUB DANCE

The annual Spring Dance given by the Riverton Yacht Club will be held in the Riverton Golf and Country Club, Saturday evening, March 4.

Music will be by Tony Wood and his Orchestra. Tickets are \$2.50 per couple. Dress optional.

RED CROSS AIDS SERVICE MEN

The Red Cross at Tilton General Hospital, Fort Dix, New Jersey, reports excellent support and cooperation from the entire county. Mrs. Joanna W. Winfield, Field Director, and her staff of ten are responsible for all social work to the entire hospital population, and for providing a therapeutically approved recreation program to the patients.

During the year 1943 over \$13,000 in loans were made to servicemen and women of Tilton General Hospital, hundreds of letters and telegrams sent; and service on an individual basis; depending on the need, given by the Red Cross Unit in this hospital.

In planning the recreation program for Tilton patients, every effort is made to provide wholesome, leisure time activity. The program includes fostering of projects in arts and crafts, motion pictures for both bed and ambulatory patients, films provided by Red Cross, and many forms of entertainments are sponsored. Untiring assistance has been given by the Gray Ladies in ward visitations and in assisting with recreation projects.

Special mention has been made of the happiness brought to the many hundreds of patients (numerous of them wounded soldiers who have seen overseas duty) in the giving of the generously filled Christmas stockings by the Ladies' Garment Workers Union of South Jersey. On Christmas morning each patient awakened to find one of these filled stockings tied to the foot of his bed. Special entertainments and parties by the Burlington County Red Cross and other interested groups in Burlington County have been provided for hospital patients.

Furniture donated under the auspices of the Fort Dix Camp and Hospital Council have turned bare sunrooms in the hospital wards into attractive sitting rooms where patients may linger for a game of cards, listen to the radio or write letters to "loved ones."

To meet the ever increasing needs of the Armed Forces in this Country and overseas; to give adequate aid to families of servicemen and women in their home community, it is obvious that the funds needed by Red Cross are much greater than in previous years. All know that problems effecting our men and women in service naturally effect our homes. In your contribution to the War Fund Campaign you will, therefore, be serving perhaps your son, brother, husband, or some very close friend who is now a member of the Armed Forces.

FIRST AID CLASS

TO START TONIGHT

A twenty-hour Red Cross first aid course will start this (Thursday) evening at 7:30 o'clock, in Palmyra Borough Hall. The group will meet Tuesday and Thursday evenings each week. Mrs. Class will be the instructor.

Those eligible to attend are: Any resident of Palmyra, Riverton or Cinnaminson who desires to take the standard first aid course.

Anyone expecting to take the Motor Corps course (starting shortly) must have this first aid instruction.

Anyone who has not taken a first aid course in three years should enroll as a certificate issued then is void.

For further information contact Mrs. James Weart, phone Riverton 1097 or Mrs. R. M. Hollingshead, Jr., phone Riverton 0678.

KILLED IN CRASH

Sergeant Phillip R. Riddle, son of Mr. and Mrs. Harry E. Riddle, 115 Leconey Circle, Palmyra, is reported to have been killed in a plane accident last week, when the bomber of which he was a member of the crew crashed near Great Falls, N. C. Five other men were killed in the accident, while one was able to bail out before the plane hit the ground.

Sergeant Riddle was a graduate of Palmyra High School, where he was a prominent athlete, participating in all four major sports. He was attending Albright College when inducted into the service last March.

Two brothers are also in the service, First Lieutenant Harry E. Riddle, Jr., paratrooper officer and Aviation Cadet John H. Riddle.

Funeral services were held Wednesday morning with High Requiem Mass at the Sacred Heart Church, Riverton.

LIBRARY MEETING

At the annual meeting of the Riverton Free Library Association held last Thursday, the following officers were re-elected for the current year: Harry F. Jones, president; J. Carl DeLaCour, vice president; Mrs. W. W. Chalmers, secretary; Howard L. Rogers, treasurer.

The following trustees were also re-elected: Mrs. Victor Ritschard, J. Carl DeLaCour, Lt. Willis S. DeLaCour, Benjamin S. Mechling and Frederick W. Metzger.

President Jones made the following appointments:

Executive Committee: Mayor John F. Ward, Mrs. Ritschard and Messrs. DeLaCour and Rogers; Property Committee: Mrs. Ritschard, Mrs. Cornelia Coale and Mrs. John P. Abell.

President's Report

The annual report of the president follows:

"The year 1943 has neither brought us greater circulation nor broader use of the Riverton Free Library's facilities but there has been steady and continuous evidence of the part, even in these troublous times, which an institution of our kind can play in the lives of the people of our communities."

"Residents of Cinnaminson, Palmyra and Riverton have called upon our Librarians many thousands of times (17,826), for books of every kind and description and the knowledge that we have these volumes available for use is heartening indication of the real service we are able to render."

"As planned at the beginning of the year, our shelves have been augmented with more than the usual proportion of works of history, current affairs and biographies. The inevitable broadening of interest in world affairs will continue to influence our book selections as we strive to make available to the public those volumes which will give our readers more and more information about the countries to which the global war is carrying so many of their boys."

Particularly useful service has been given by the library staff to the Red Cross and to other residents of our communities by making the library headquarters for the receipt and dispatch of donated books that are distributed among the men in the service and which are so highly valued by them.

Continued Support

The continued support of other civic organizations, especially the Porch Club and Women's Club of Palmyra, contributes much to the satisfaction all of us have the right to derive from the work we are supervising.

As the Treasurer's report indicates the support of the residents of the community covers a substantial portion of the revenue required to continue the Library as a going and worthwhile activity but revenue cannot be mentioned without an expression of appreciation of the great

Adams Announces

County Clerk Palmer L. Adams this week announced his candidacy for renomination on the Republican ticket at the spring primary election.

Adams, who was born in Burlington and now lives in Cinnaminson Township, is 46 years old and a veteran of the first World War, during which he served almost 18 months overseas. His wife, Edna, also served in the Navy during the first war. Their 18-year-old son, Palmer L., Jr., is now in the Marine Aviation corps.

The war has brought many additional duties to the county clerk, are of the most important offices in the county. The manifold functions of the clerk's office require much experience for their proper management. In addition to his experience as County Clerk, Adams previously served six years on the board of Freeholders and for five years of that period was in charge of the Department of Public Buildings, under whose jurisdiction is the county clerk's office.

The county clerk records all important records and legal instruments such as deeds, mortgages, judgments, court records, election records. He administers oaths of office, discharges encumbrances and certifies important papers.

In this war the clerk's office has been charged with the responsibility for setting up the machinery for selective service and for rationing, and with distributing the supplies for these services without any additional appropriation.

Among the new wartime duties is the recording of service men's discharges and the obtaining of delayed birth certificates, of which thousands have been issued without charge to enable men and women to obtain jobs in defense industries, and handling all the details in connection with soldiers' ballots.

Clerk Adams has increased the efficiency of the office and reduced the costs of its operation by the introduction of the most modern equipment and methods. By such economies he has been able to meet the wartime cost of living for the employees by increasing their salaries an average of fifty percent and at the same time reducing the total amount of money spent to maintain the county clerk's office. He has kept the offices expenses within its budget every year and has usually had a surplus to turn back into the county treasury.

Adams, as Freeholder, before he became County Clerk, headed a group now known as "Good Government," which reduced the county tax rate from \$1.21, then the highest in the history of the county, to 65 cents, and at the same time paid off the county's bonded indebtedness of over one million dollars.

Throughout his term as County Clerk, Adams has continued to work for the interests of the taxpayers and only recently made a vigorous fight against this year's budget.

aid given us by the official bodies of Riverton, Palmyra and Cinnaminson.

"Librarian Miss Antoinette E. Campbell's task has been even more requiring than ever and in addition to efficient assistance from Mrs. Barklay and Mrs. Dickinson, we are deeply indebted and appreciative of the voluntary aid given by Mrs. Carl DeLaCour, Miss Anna Cole and Mrs. C. S. Somervell.

"In the year just closed we have lost the valued service of Miss Helen Woolman and Mrs. Joseph Morgan, and we know that the Library and all its friends greatly miss them.

I wish to express my gratification for the continued and helpful interest of all the members of the Board of Trustees and I want to express the feeling that all of us have that the future holds great promise for the advancement of the efforts which are being made to continue to serve our communities in a manner that redounds to the benefit of all.

ABOUT TOWN

Corporal Herbert P. Robinson, 211 Lippincott avenue, Riverton, has been promoted to the rank of Sergeant. He is stationed at Payne Field, Everett, Washington, at the air base headquarters, where he is a service record clerk.

A new recruit at the U. S. Naval Training Station, Great Lakes, Illinois, is George Henry Lathbury, 17, son of Mr. and Mrs. George Henry Lathbury, 603 Warrington avenue, Riverton, New Jersey.

Now undergoing "boot" training, he is being indoctrinated into Navy life, and is being instructed in seamanship, military drill, and naval procedure. Soon, he will be given a series of aptitude tests to determine whether he will be selected to attend one of the Navy's service schools, or will be assigned to active duty at sea.

Upon completion of his recruit training, he will be granted a nine-day leave.

Mr. and Mrs. Melvin Davis and

Mrs. Charles Stöwan of Dorchester, N. J., were the guests of Mr. and Mrs. J. E. Liming of 104 Memorial avenue, Palmyra, on Sunday.

Miss Elizabeth Sergeant Robinson, debutante daughter of Mr. and Mrs. Blight S. Robinson, of Chestnut Hill, will go to Annapolis on Friday where she will attend the play that evening at the U. S. Naval Academy and the hop on Saturday night as the guest of Midshipman R. M. Waters, son of Mr. and Mrs. Arthur B. Waters, of Riverton.

The K. of C. Auxiliary sewing group met on February 22, in the home of Mrs. E. K. Mattingly, Leconey avenue, Palmyra, to sew for the Needlework Guild.

Mrs. A. D. Styles, of Willow Grove, spent yesterday afternoon with his sister, Mrs. A. B. Powell, of West Broad street, Palmyra.

The Porch Club

Miss Constance Blaine will again appear at the Porch Club Tuesday evening, March 7th, at 8:30 p.m. Her

subject matter will consist of a talk on personality and various ways of changing your coiffure.

There were not very many who attended the last meeting when Miss Blaine was here, so please try to be present at next Tuesday's meeting as it will benefit you.

On Tuesday, March 7, the American Home Department, under the chairmanship of Mrs. J. Rowland Day, will present two moving pictures. The first, "Flower Arrangements in Technicolor," sponsored by the Coca Cola Company will be a recorded lecture, giving the comments of Laura Lee Burrows. Some of these arrangements have appeared in many current magazines.

The Chamber of Commerce of Holland, Michigan, will sponsor the second picture, "Tulip Time in Holland—Michigan."

Prior to this program the election of officers and directors for the coming year will take place. Following is the list of nominations:

Vice Presidents
Mrs. Gilbert Coe
Mrs. Henry W. Shreve
Recording Secretary
Mrs. William Shoemaker, Jr.

Announcement

LONG DISTANCE NIGHT RATES
NOW START AT 6 P.M.

In an effort to relieve some of the congestion on Long Distance telephone lines in the evening, and help service men and women and war workers away from home to get their calls through more quickly, the starting time of Long Distance Night Rates has been advanced one hour.

This means that on weekday evenings, Night Rates now start at 6 instead of 7 o'clock, continuing until 4:30 the next morning. The rates apply on calls of about 50 miles and over, and also are in effect all of Sunday.

Because of the tremendous volume of calls now on the lines, please continue to use Long Distance only when urgent. Every unnecessary call that is avoided helps to make room on the lines for calls that need to go through promptly.

Westfield Friends'

The First Grade's unit of interest for the last few weeks has been on boats, trains and airplanes. One can easily see the enthusiasm which would be aroused on such a theme at this time. It was unfortunate that it was impossible to actually see these at first hand, but circumstances made it unwise to go further than pictures and books. The children had much general information on the construction of these vehicles of travel—particularly airplanes, which set the group off to a good start and much of the discussion centered around the needs these supplied us, their development and possible expansion. Various boats, trains and airplanes were constructed which showed the types of each. The children also made a book and large frieze which were significant of their study.

We decided at the conclusion of our work that children as well as airplanes needed stabilizers to keep them steady. Children need to think before they act or speak, they need to be good listeners, to be neat and orderly, and to keep their minds on their jobs. By doing these things every day children should grow to be quite as steady as airplanes.

My Trip
Last week I went to the University Museum. I saw an Indian Chief and an Indian Mother. Her dress was decorated with moose teeth. Some of the moose teeth were worn because the moose chewed branches off the trees. I also saw a big canoe. Irene Ochs dressed up like a squaw. Johnny Gelston dressed as a man. The Indians wrote their stories in pictures. They wrote on skins. Mary Ann Knight ground some corn. Philip Bright cut some wood for a wigwam. We saw some masks. The medicine men wore them when they went to make people well. The Indians thought that sick people had Evil Spirits in them and they tried to chase them out. But the medicine men could not cure the mumps or measles.

We arrived at Westfield just in time for lunch.

GRASS FIRE

On Friday afternoon of last week, the Palmyra and Riverton Fire Companies were called for a grass fire in the 100 block Garfield avenue, where a garage was threatened by the blaze. No damage resulted.

OIL BURNER FIRE

An early morning fire completely wrecked an oil burner in the residence of Frank Bua, W. Broad street, Palmyra, on Friday of last week.

Being awakened by smoke, Mr. Bua rushed to the cellar where he found that woodwork near the over-heated burner was becoming ignited. He was able to extinguish the blaze, however, without calling the fire department.

As all the parts of the burner were destroyed the cause of the fire cannot be determined. There was considerable damage by smoke to other portions of the house. But for its timely discovery the blaze would undoubtedly have been much more serious.

TIES WORLD RECORD

Ed Conwell, of Riverton, New York University student tied the world's record for the 60 yard dash last week, running the distance in 6.1 seconds.

By virtue of what officials there called a "perfect start," Ed finished a stride ahead of his nearest competitor.

Conwell, who starred on the track and football teams at Palmyra High School should turn in some other record breaking performances before the season is over.

SENIOR PLAY

"Best Foot Forward" is the title of the play to be given by the senior class at Palmyra High School on March 31 and April 1.

Among those in the cast are: Walter Holzer, Robert Latch, James Hamlin, James Marshall, Fred Bauer, Dick Carson, Joe Raphael, Phyllis

Robinson, T. Lou DeHoll, Bette Stiles, Barbara Rapp, Cecilia Sacca, well and the late Josiah C. Conwell, Sr., of Riverton.

GEISS-HIRES

The marriage of Miss June Phyllis Hires to John Christian Geiss, U. S. Army Air Forces, took place Saturday, February 26, in the Epworth Methodist Church, Palmyra, at 5 p.m. The Rev. W. Neal Raver performed the ceremony.

Miss Hires, who is the daughter of Mrs. J. K. Hires, 410 Cinnaminson avenue, Palmyra, was attended by her sister, Mrs. Harold Winkel, spect, of Delanco, and a cousin, Miss Dorothy Rogers, of Riverside.

Mr. Geiss, who is the son of Mrs. John Geiss, 405 Cinnaminson street, Riverton, had as his attendant, Robert Finney, of Riverton.

"Man" is the Lesson-Sermon subject for Sunday, March 5.
Golden Text: "God created man in his own image, in the image of God created he him; male and female created he them." (Gen. 1:27)
Sermon: Passages from the King James version of the Bible include: "The Spirit itself beareth witness with our spirit, that we are the children of God." (Rom. 8:16) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The Scriptures inform us that man is made in the image and likeness of God. Matter is not that likeness. The likeness of Spirit cannot be so unlike Spirit. Man is spiritual and perfect; and because he is spiritual, he must be so understood in Christian Science. Man is idea, the image of Love; he is not physical." (p. 475)

EPWORTH METHODIST CHURCH
Fifth Street and Morgan Avenue
Palmyra, N. J.
The Rev. William Neal Raver
Pastor

Services for worship for the Second Sunday in Lent will be conducted in Epworth Church at 11 in the morning and 7:45 in the evening. The ministry of music will be under the direction of Mrs. Rachel Lord. The choir will sing "God So Loved the World" by Moore and "Lord, I Believe" by Ashworth. In the evening service, Mr. Elwood Johnson will be heard in a bass solo. The Sacrament of Holy Communion will be celebrated in the morning service. The sermon theme in the evening will be "Judas, Nationalist." This Sunday is being celebrated throughout Methodism as the Day of Dedication. Our people are asked to give of self and substance to the total work of the church. A special offering will be taken for Overseas Relief, Missions, Camp Work, for our Chaplains and for new churches in defense areas. Last year one million dollars was raised on the Day of Dedication. The church has set a similar goal for this year. In Epworth Church the Communion offering will be used for this purpose.

The Church School convenes at 9:45. The Church Board of Education will meet at 3:00 o'clock in the Guild Room. The Youth Fellowship will meet at 7:00 o'clock.
The Church Calendar for the week of March 6th is as follows:
Monday at 7:30—Boy Scouts.
Tuesday at 7:30—Girl Scouts.
Tuesday at 8:00—Monthly Meeting of the Official Board in the Guild Room.
Wednesday at 2:00—Inasmuch Class Meeting.
Wednesday at 3:45 and 7:00 o'clock—Confirmation Classes.
Wednesday at 8:00—Mid-Week Lenten Service in the Fellowship Room with the Rev. Harold Rowe as the speaker.
Friday at 7:45—Choir Rehearsal.
Last Sunday afternoon the sacrament of Holy Baptism was administered to Terry Brent Althouse and Eleanor Francis Winkles.
The Altar Flowers last Sunday were given by Miss Eleanor Caprano in honor of her mother.

BETHANY EVANGELICAL LUTHERAN CHURCH
The Rev. Harold Lee Rowe, Pastor
Sunday, March 5, 2nd Sunday in Lent.
10:00—The Church School Sessions.
11:00—The Service. The pastor will speak on the theme, "Outside the Circle." The Choir will sing

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra
Rev. S. Dan Morgan, Pastor
Sunday, March 5, 1944

How do you think of your church? What are you doing for your church and what is the church doing for you? Do you count the hours you spend inside the building each week or the time spent in some activity and grudgingly say that is enough to give? What is enough?

"It seems a preposterous thing to think that one small person, even as you or I, can bring comfort to the heart of God. But we can. When for love of Him we lose ourselves in service for others, then I think God takes courage. To bring comfort to God! The very thought makes every thing we do and every thing we fail to do—burn with importance."

Sunday Service
Church School, 10:00 a.m. Every one is welcome to attend and bring his friends.
Morning Worship—11:15 a.m.
Sermon topic will be "Think On This." The choir will sing "Rock of Ages," by Matteo-Miles. The Ordinance of Holy Communion will be observed immediately following the sermon.

Senior B.Y.P.U., 6:45. Main School Room.
Junior B.Y.P.U., 6:45—Jr. School Room. This group will resume meeting this Sunday evening.

Evening Worship, 7:45 p.m.—"Come unto me when shadows darkly gather. When the sad heart is weary and distressed, seeking for comfort from your heavenly father. Come unto me and I will give you rest." Pastor Morgan's topic will be, "Two Questions." The choir will sing Stairs' Anthem, "Christ Beneath Thy Cross." There will be a selection by the male quartet.

Wednesday, 8 p.m.—Mid-week prayer and praise service, "The Lord Thy God, He it is that doth go with Thee."
Thursday, 8:00 p.m.—Choir rehearsal. All members are urged to be present to practice the Easter Cantata.

door marked "Closer to God." For life has a way of drifting away from God, until we may find ourselves like the Prodigal Son in the far country. Sin is at the heart of all of man's troubles and problems. God has found the way to deal with man's sin, the way of forgiveness through the Cross of Christ. Our first step in response to God's offer of forgiveness is repentance. The doctrine of repentance is prominent in Scripture, and is the keynote of all early preaching. Thus John the Baptist called men from every walk of life: "Repent ye, for the kingdom of heaven is at hand." Jesus, when He returned from the forty days in the wilderness where He was tempted of the devil, opened His first public ministry in Galilee, saying, "The time is fulfilled, and the kingdom of God is at hand; repent ye, and believe in the gospel." (Mark 1:15) Jesus looked for repentance. At Pentecost when in response to Peter's first sermon, men asked, "What shall we do?" Peter answered, "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins." Repentance means a complete turn about of life. Our will must be brought in subjection to God, and with our whole being we turn to God. We become convinced, convicted, and converted. Man converts. God regenerates through the applied blood of Christ. Repentance thus becomes the door to Christ our Saviour. To our Crucified Saviour we must come in true repentance. Here Christ waits to receive us. He has forgiveness, a new heart and life for us. Beyond the door of repentance lie the wide and glorious vistas of redeemed life.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lupton Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

For all Presbyterians in the Riverton-Palmyra area, young and old, next Sunday will be "Loyalty Day." We shall all be thinking of the new church year that lies before us, preparing ourselves to meet its challenge and to make the most of its spiritual possibilities. We shall be thinking of our own spiritual possibilities, and of our own personal opportunities for service in our church. This is the day when we shall re-consecrate ourselves, "time, talents, all" to the service of the Master.

The best way to preserve our privileges is to use them unsparsingly. One such privilege is that of freedom of worship. It has no meaning except as it is used. That is why our "Loyalty Day" challenges us to take advantage of the benefits and the opportunities for service that derive from our Church School, our service of Divine worship, and our Christian Endeavor meetings.

Here is our "Loyalty Day" program. At 9:55 we shall meet in the Church School auditorium for our morning assembly. Following this there will be the usual period of Bible study. To be loyal, of course, means to bring your children to church school, and to study the word of God while they study. The Semper Fidelis Class for women should be filled to capacity; the Bible Class for men, which meets in the gymnasium, should have a banner attendance, and there ought to be very few vacant seats in the various classes for boys and girls and young people. Mr. Kirk will teach the Men's Class.

Divine worship begins at eleven o'clock. Every member and adherent of our church family will want to be present to re-consecrate himself or herself to the service of God. The sermon message will be from the text, "As every man hath received the gift, so let him minister." Our choir will render two anthems, "Now Let Every Tongue Adore Thee," by Bach, and "Protect Us," by Nicolao. Babies and smaller children may be left in the Church Nursery during the hour of worship. Mrs. John E. Lowe and Miss Nancy Short will be in charge of the Nursery.

From two o'clock until six on Sunday afternoon our "Friendly Visitors" will be received by you in your homes. They will explain our church program and our church needs. They will give you the opportunity to enlist your talents, your services, and your substance in the work of your church, and your church school. They will help us all to translate our "faith, hope and love" into practical deeds and spiritual commitments. At 7:15 the Junior and Senior groups of Christian Endeavor will meet in the Church School auditorium for worship and study and discussion. "Calvary Echo" news reports will be received. Ruth Mason will lead the Senior discussion. The Evening Group of the Women's Missionary Society will meet on Tuesday evening at eight o'clock at the home of Mrs. Robert Finney, 208 Cinnaminson street, Riverton.

The March meeting of the Women's

Application blanks for the Army-Navy College Qualifying Test to be held on Wednesday, March 15, are now available through the high school.

The application blank is part of the leaflet, "Army-Navy College Qualifying Test," distributed by the War and Navy Department and the U. S. Office of Education. This leaflet describes the Army Specialized Training Program, the Navy College Program and outlines the requirements for both. The test provides a basis for the selection of students for the Army and Navy programs which send a continuing flow of officer candidates, specialists and technicians into the armed forces.

The test is open to male citizens between the ages of 17 and 21 years on July 1, 1944, who are in their final term of high school, who are recent graduates of high school or who are presently attending an accredited college without a certificate of graduation from high school. No one who is presently enrolled in any branch of the armed services is eligible, but those who took previous Army-Navy Qualifying Tests and are not now in the services are eligible.

Taking the test does not constitute enlistment in the armed forces and a student is not obligated to enter either program if accepted. However, those who take the test must express a preference, Army or Navy, so that test results may be forwarded to one service or the other. Those

MEMORIAL POST ACTIVITIES

The swift decisive action taken at the last meeting of the Riverton Memorial Post indicates that this newly formed Post has successfully passed through its formative stages and will soon take its place among the many other worth while organizations in Riverton and Cinnaminson.

It was voted that on March 24 the Post would invite the Mayor and Council of Riverton, the Township Committee of Cinnaminson and the Riverton Fire Company to be the guests of the Post in an informal evening of fun and food, during which the various organizations could meet the community's newest veterans organization and get to know its members.

The Honor Roll Committee of the Post reported that no less than twenty-two organizations in the neighborhood are to be contacted with the hopes of securing representation from all in developing final plans for the project. In another action, the Post voted upon creating a Life Membership Fund for its members with surplus proceeds from the Fund to go into a special Emergency Fund to be maintained by the Post for the help of needy veterans and their families or other worthy local movements. Ten percent of the Post's treasury is also being set aside in this Emergency Fund.

Good Citizen Award

A special resolution was passed by the Post creating a new committee to honor the outstanding public spirited citizen of Riverton each year on the anniversary of Pearl Harbor. This honor is to be known as the Riverton Good Citizenship Award and will go to that resident who, in the opinion of the Committee, has contributed the most of a voluntary nature to the welfare of the community.

The resolution was made retroactive to include the war years of 1942 and 1943 and the Committee is already at work screening the names of local residents who might deserve this Award. In another motion, the Post voted to instruct its Constitution and By-laws Committee to include in their work an article to prohibit any member of the Post from holding an office in the organization while occupying a political position of any nature whatsoever. This action was taken to prevent any accusations that the post is interested in political affairs.

Acting upon the request of A. B. Garwood, Chairman of the First Aid Corps of the Riverton Defense Council, the Post recommended that all of its members living in Riverton and having no other Civilian Defense affiliations be urged to become members of the First Aid Corps to replace stretcher-bearers who have now been inducted into the service. Mr. Garwood was requested to have the necessary identification cards and arm-bands at the next meeting of the Post when many of its members will be made full-fledged members of the First Aid group.

The Post also went on record as having an eager desire to entertain any of Riverton and Cinnaminson's Service Men who are now on leave. Primarily, the members of the Post feel that they have put together the organization for the benefit of the men now in the service and as fast as these men come home, the Post will be turned over to them for their use while the "old-timers" take a back seat until they are called upon to go to work.

Consequently, not only all ex-service men in Riverton and Cinnaminson who are not now actively identified with a veterans' organization are invited to attend the affair in the Riverton Fire House on Friday, March 24, but, in addition all of today's soldiers and sailors who are home on leave are cordially invited to be guests of the Post on that date.

LOCAL PASTOR

TO LEAVE PARISH

The Rev. Harold Lee Rowe, pastor of the Bethany Evangelical Lutheran Church has announced his resignation as effective the end of April, to accept a call to the Trinity Evangelical Lutheran Church, Johnstown, Pa.

Mr. Rowe came to the local parish in May, 1940. The new church offers a larger opportunity with 800 communicating members and a total confirmed membership of 1350. When Pastor Rowe and his family leave Palmyra for Johnstown they will occupy the parsonage in that city at 618 Wood Street.

A STATEMENT

By Norman H. Davis
Chairman, American Red Cross

The American Red Cross, conscious of its great accomplishments during the past year, awaits with complete confidence the response of the American people to its 1944 War Fund.

Over-subscription of last year's goal enabled the Red Cross to meet the greatest challenge in history. In response to the unprecedented demand for Red Cross services, we expanded our facilities, increased our domestic and overseas staffs and greatly intensified our activities. These services, which now girdle the globe, were undertaken at the specific request of the Army and Navy. What our work has meant to the armed forces in terms of morale is exemplified in the spirit of our troops. It would warm your hearts, as it did mine during a recent inspection abroad to see how our soldiers, sailors and airmen really appreciate what the American people are doing for them through the Red Cross. From commanding officers to privates enthusiasm for the Red Cross is universal.

While the Red Cross already has undergone the greatest expansion in its entire history, our world-wide program continues to grow and to keep pace with the armed forces. In recent months few days passed that we did not open a new service club, or extend our facilities and personnel in military hospitals and at camps, airfields and naval stations.

The American people have entrusted the Red Cross with the gravest responsibility since its inception. To discharge that responsibility it is essential that the 1944 Red Cross War Fund be fully subscribed.

Fateful days are ahead for our nation and our people. To keep faith with our men in uniform we on the home front must carry the Red Cross appeal through to a successful conclusion. No sacrifice is too great.

OFFICE HOURS

News contributors and advertisers are reminded that The New Era office hours are from 8 a.m. to noon and from 1 to 5 p.m. daily, except Saturday, when the hours are from 8 a.m. to noon.

The deadline for copy is 12 noon on Wednesday of each week. The cooperation of all our patrons in this respect will be greatly appreciated.

VARIED PROGRAM AT ROTARY CLUB

Palmyra-Riverton Rotarians enjoyed a varied program at their meeting last Thursday. It included the induction of two new members, a celebration of President Carl Thomas's birthday, and short talks by three men interested in the work of the American Red Cross; Rotarian Henry Naisby, local Red Cross leader, was in charge.

Henry C. Schwering, well known hardware merchant, and a former member of the Club, and Walter S. Hansen, whose classification is Jeweler-Retailing, were cordially welcomed into membership by Past President Clifton P. Mayfield. President Thomas received a birthday cake decorated with lighted candles as a token of appreciation for his hard work, and constructive leadership. Edward H. Jessup was presented with a gold, 15 year perfect attendance pin. He has never missed a meeting since his induction, a truly outstanding record.

After being introduced by Henry Naisby, Corporal Everett Bennett, Sergeant Charles Merrill and Red Cross Field Director Chester Sledzinski spoke briefly about their experiences. Corporal Bennett, twice wounded, during one and one-half years in the European theatre, stressed the service of the Red Cross in the little comforts, such as writing letters home, or furnishing cold drinks and cigarettes. Sergeant Merrill, veteran of 26 years in the army, and holder of eleven decorations, spoke for a longer period. The Red Cross, he feels, is much better than in the last war. It has made a home for young men away from home in Great Britain.

During the African invasion Sergeant Merrill was impressed by the steadfast effort of the Red Cross worker attached to their unit. He regularly went up to the front lines, and "didn't pick his days," said the veteran campaigner. Not long after the landing Red Cross supplies began moving up until they were present just behind the front, in abundance.

Value of Plasma

Following his serious wound, Sergeant Merrill was transferred from the field to the base hospital and from there across the Atlantic to the Tilton Hospital at Fort Dix. First, he praised blood plasma, which alone kept him alive, and is, in his judgment, the greatest single contribution of the Red Cross. Then he mentioned the writing of letters home, baths, toilet articles, and cigarettes in quantity, as things helpful in his personal experience. At each stage of his journey, the Red Cross was there to help in any way possible.

In closing, Sergeant Merrill emphasized the value of the service given by local volunteers at the Tilton Hospital. These Red Cross ladies, he said, are the most conscientious, efficient, and finest group of women he has ever met. They will do anything for the boys at Tilton.

Field Director Sledzinski, in charge of Red Cross activities at Fort Dix, made an appeal for men to join the Red Cross field service. He became interested in it through his original Boy Scout contact, and has been in it professionally since 1932. According to Director Sledzinski, the Red Cross will be found wherever there are troops. It tries to lift the burden of worry from soldiers, and will tackle any problem which affects them. Accompanying the group was Assistant Field Director Freeman Butts, who is also, stationed at Fort Dix.

WINDOWS BROKEN AT FATHER DIVINE HOME

On Wednesday night of last week, six small windows were broken at the residence recently purchased by the followers of the Rev. M. J. Divine (better known as Father Divine) Riverton road. The incident was reported to State Police at the Route 25 Barracks, who conducted an investigation.

It was reported that two crosses were also burned near the home. Father Divine, accompanied by a number of his followers, called at The New Era office Wednesday afternoon of this week and assured its publishers that his followers were law-abiding American citizens, and would observe law and order. He left a number of copies of his newspaper, The New Day, which may be seen by anyone interested.

COUNTY CLERK CANDIDATE

Sheriff Raymond Johnson of Riverside, this week made formal announcement that he will be a candidate for the Republican nomination for County Clerk. The Primary Election will be held May 16. In announcing his candidacy, Sheriff Johnson said that he would campaign on his past record in public office.

"The voters can decide my qualifications for the County Clerk's position on the basis of my service as Sheriff and Under-Sheriff of Burlington County," Johnson pointed out. For six years prior to his election as Sheriff, three years ago, Johnson served as Under-Sheriff. During his service he has attended to the responsible duties of the position daily, and has been a "working Sheriff" during the entire period. He has never taken a vacation, either from the office of Sheriff or Under-Sheriff.

Full Time Job

"I feel that a public position such as Sheriff or County Clerk requires full-time attention from its incumbent," Sheriff Johnson said. "I have had no outside business interests to interfere with my service as Sheriff, and I will have none if I become County Clerk."

"The duties of the Sheriff and County Clerk are principally centered in the offices of those officials in Mt. Holly. That is where I have been while Sheriff and where I will be if elected County Clerk. The business of the County Clerk's office is entirely transacted at his office at the county seat, and an efficient official should be available at all times to assist those of the public who have business to transact."

"During my service as Sheriff and as Under-Sheriff, I have had part of the responsibility of selecting juries for service in the county courts. I am particularly proud of the calibre of these juries and of the high type of individuals selected for them. Despite the war-time conditions, which have made it difficult to secure qualified jurors who are not engaged in war work, Burlington County has had able juries."

Miraculous Escape

The driver and four passengers in an auto escaped serious injury early Sunday morning when the car in which they were riding hit the west end of the station platform in Riverton.

The force of the impact and the slippery condition of the highway caused the vehicle to describe two complete circles, skidding across the intersection at Broad and Main. It then turned over twice and came to rest with the wheels in the air about two feet away from the plate glass window in the front of the American Store.

The car, as might be expected, was badly damaged, but those in it suffered nothing worse than bruises. The driver and owner was Edward Uetz, Camden. The party was going to Riverside at the time of the crash.

BUDGET ADOPTED

At a special meeting held on Monday night of this week, the 1944 budget for Cinnaminson was adopted by unanimous vote of the Township Committee.

The regular meeting of the governing body will be held next Tuesday, March 14.

HONOR ROLL CHANGES

Corrections for the Cinnaminson Honor Roll received too late to be added to the complete list published elsewhere in this issue are as follows: Wilbur D. Edmunds, N. Doris W. Shivers, Spars Richard L. Hutchinson, A. Melvin Harrison, N. John W. Jolly, A. Richard E. Choyce James Emanuel Morton

P.T.A. MEETING

The Riverton P.T.A. will meet next Wednesday, March 15 at 3 p.m. in the school auditorium. Mrs. Carvel Sparks will be the leader in a democratic discussion on "Problem Children" or "Problem Parents." Everyone is cordially invited to attend.

PAPER COLLECTIONS

The schedule for paper collections in Riverton for the next week is as follows:

Saturday, March 11—Linden avenue, Elm terrace and the north side of Elm avenue. Also Fort Second, Fourth, Broad, Harrison, Seventh and Midway between Elm and Thomas avenues.

There will be no collection the following week as the Scouts have arranged a hike for the day. The schedule will be resumed in two weeks.

A ton and a half of paper was collected last Saturday.

APACHE GRA-Y CLUB

The regular meeting of the Apache Gra-Y Club was held in the school auditorium on Tuesday evening, March 7. After the business meeting and devotions the boys played "Snatch the Bacon" and Elimination Basketball, and also participated in wrestling matches.

Next Tuesday, March 14th, the group plans to attend the Father and son banquet at Central Baptist Church. All sons and dads who can go, make reservations with Mr. Beaton before Friday night.

Coddy Clerk are closely similar in many respects, and as Sheriff I am not unfamiliar with the duties of the Clerk's office."

"I sincerely pledge to the voters of Burlington County, that if I am nominated and elected County Clerk, I will devote all of my time and interests to the welfare of the taxpayers. I will do my utmost to administer the office of County Clerk, as I have the office of Sheriff, on a full time, efficient and economical basis for the taxpayers of Burlington County."

EMERGENCY CABLE SERVICE NOW OPEN TO WAR PRISONERS

Worried families, who have not heard from soldier-relatives in German prison camps for several months, may now use Red Cross cable facilities to establish communication with them, it was announced today by Norman H. Davis, Chairman of the American Red Cross.

In some cases, months elapse between receipt of official notification that sons or husbands are in enemy hands and arrival of letters from the prisoners. Red Cross cables are now being used to help allay the anxiety augmented by such delays, providing a link between distraught families and prisoners of war in the European theater of war.

Transfer of prisoners from temporary to permanent camps, or their removal to hospitals when ill or wounded, at times may delay the notification of their families of correct addresses. An international agreement now permits the Red Cross to send and receive emergency cables concerning the welfare of men in enemy hands.

Regular postal channels are open for families' use in writing husbands and sons who have been taken prisoner. Only when there is an extreme emergency at home, when prisoners have been reported wounded or seriously ill, or when prisoners and their families can get in touch with each other through regular mail, it service, does the Red Cross make its cable facilities available to them.

For security reasons, cable messages sent by the Red Cross on behalf of prisoners or their families, must not mention business activities, nor contain numbers, codes or symbols. Emergency cables can be sent either from prisoners or from their families. While cable facilities are provided by the Red Cross, the families usually assume the cost.

BURK'S PT BOAT

PILOTS MacARTHUR

The PT boat that picked up General Douglas MacArthur after he witnessed the American landings on the Admiralty Islands and landed him at his New Guinea base was commanded by Lieutenant (J.G.) Joe Burk, of Beverly, N. J., who was twice the national single sculls champion in 1938 and 1939.

Burk's PT boat has the best record of any in his squadron with 13½ Japanese barges to its credit. The half-barge resulted from a simultaneous hit from his and another PT boat. Burk was a member of the football team at Penn in 1932 and '33.

AWARDED PASS

In a contest to give the Phillies baseball club a new emblem, C. H. Horner, 406 Elm avenue, Palmyra, was one of the six who received honor mention and was awarded a season's pass for his entry.

The winning emblem, a Blue Jay, was submitted by Mrs. Elizabeth Crooks, of Philadelphia, who also received a \$100 War Bond.

Originally the contest called for three winners, but the judges were so impressed with seven letters that the club awarded passes to all.

"A" TIRE INSPECTION

The deadline for tire inspections for a ration book holder is March 31, the Keystone Automobile Club points out in a bulletin advising motorists.

torists to meet this requirement in order to avoid complications with their rationing boards. Because of manpower shortage, the Club urges car owners to have the inspections made early this month, instead of waiting for the deadline.

"Although the relaxation of rules permitting motorists to have worn tires recapped without reference to ration boards would seem to obviate the necessity for continuance of the inspection program," the bulletin says, "OPA has not rescinded the regulation, and therefore inspections are still obligatory."

"Since A-rationed motorists constitute approximately 60 per cent of registered vehicle owners, the inspection job is quite formidable. No provision has been made for reporting to any central agency the number of vehicles inspected, so it is impossible to tell, now or later, how many cars actually have been submitted for inspection."

"OPA's punitive arm can reach owners of uninspected tires under two conditions—if application is made for permission to purchase new tires. The regulations provide for denial of both unless a tire inspection record is produced."

MORE ABOUT ENGLAND

S/Sgt. Robert B. Unland has written his mother, Mrs. Charlotte Unland, of Riverton, further accounts of trips through England, where he is stationed.

Excerpts from his letter follow:

"Will tell you more of my trip to London."

"When we entered the Abbey there was a group of three or four men being started on a tour of the place, conducted by a member of the Clergy. I don't know just what his title is. He's not a monk, yet that's all I can think of to call him. It just about describes him. He wore a long brown robe, with a rope band around his waist and he had the usual hood attached at the shoulders, though he didn't wear it. Do you get the picture? He had a sense of humor which belied his pious appearance."

"Starting out he gave a short history of the Abbey, and if I remember rightly it was first a chapel built in 603 A.D. Several centuries later, the King of Kent started the present Abbey. It has been added to since then, the most notable addition being

the Henry VIII Chapel. This Chapel is at present closed off to the public because of bomb damage. There were no direct hits on the Abbey, but enough close hits so that the famous stained glass windows on one side are all gone, and one dome was sent crashing down inside the place. The remaining windows are all dedicated to famous people and they are not very old either.

There are burial places all over the floor of the Abbey. No one pays any attention to them at all. Some have rows of seats over the top of them. Ben Johnson, the one buried upright, just misses being covered by a row of seats. Darwin and Newton share the same fate, though their plots are much larger and more prominent. One wing is reserved for famous statesmen and another for poets. They have even set aside a place in honor of our Longfellow. Chaucer is buried in the poet's wing of course.

The Monk gave us a little history of the "Canterbury Tales" which you probably know. However, to take up time and space and just in case you have forgotten, I'll tell you about it.

The story goes that Charles the First was leading a rather gay life, drinking and all that sort of thing, and the head of the church at that time, Thomas Becket, wrote him asking him to curtail his activities a bit and become a little better example for his people. It happened that the King was in France attending a fancy dinner when the letter reached him. He went into such a rage when he read it that he yelled "Who will rid me of this man, etc.?" Three of his knights immediately took off and "ridded" him of this man while he was praying at the altar. Charles, when he heard of it, was sorry his words had been taken so seriously, immediately returned to England and went to Canterbury where the murder had taken place and repented of his act.

Ever since that time people have made pilgrimages to Canterbury to do penance, and the custom of the olden days was to bring jewels and earthly possessions and place them on the altar. At least that was the fashion until Henry VIII came along

and seeing that there was a goodly pile of stuff he personally went along and bossed the job of hauling it away. Of course it all went into the private account of Henry VIII. He must have been quite a boy. I wish I had seen that picture.

Two of his children, Elizabeth, the famous Queen Elizabeth and her half sister "Bloody Mary" are buried in the same grave in the back section of the Abbey. According to the monk, though they fought all their lives they have been pretty quiet and have been getting along together very well for quite a while now.

On either side of the Coronation Altar are two huge candelabrae. They are a new addition to the Abbey, presented around 1933 or so. Each one represents a section of the Bible. One is the New Testament and the other the Old Testament. It starts out with Adam and Eve at the top and works out like a family tree showing many characters of the particular testament. Beautifully done pieces of work.

In discussing them the Monk merged his thoughts of the candelabrae, namely the Creation, with the Church's feeling toward the Darwin Theory. According to him the Church of England no longer takes the Bible word for word. During the past two decades it has changed its ideas and changed its interpretations of the Bible to fit Darwin's Theory of Evolution. Accordingly, he says they now believe that Man emerged from a lower form of life, (Monkey to you) and that the Creation the Bible speaks of is when God gave the thing a soul, transforming it from an animal to a human being. It is the first time I have heard that theory and I don't think much of it! It's a nice thing to be able to interpret the Bible to whatever fits the popular ideas of the day, isn't it?

I think that was about my most outstanding discovery on my trip to London.

BOY SCOUT NEWS

The Annual Scouters' Banquet of the Burlington County Council, Boy Scouts of America, was held Wednesday, March 1st, at the Palmyra High School Cafeteria.

One of the highlights of the evening was the awarding of the Silver Beaver awards. The recipients of this award were not known until the citations were made. They were: Alfred B. Branson, Scoutmaster of Troop 5, Palmyra, N. J.; V. Larwood Caldwell, Scout Commissioner;

and Captain James B. Ryan, U.S.N., Chairman of the Council Camping and Activities Committee. Mr. Branson is the first Scoutmaster in the history of the Council to receive the Silver Beaver Award. He has been Scoutmaster of Troop 5 since 1929, and through his sincere interest in boys and his deep insight has continued as one of the outstanding Scoutmasters in Burlington County since that time. In 1936, he was awarded the Scoutmaster's Key. Last summer he served as Camp Director of the Council's new camp, Camp Lenape.

Mr. Caldwell entered Scouting as a Tenderfoot Scout in 1925, and worked his way through the Scouting ranks up to Eagle Scout. His leadership qualities plus his striving for the high ideals of Scouting brought him into the rank of Scoutmaster in 1932, when he organized

Troop 11, Maple Shade. He also holds the Scouters' Key award. In 1936 he became a member of the Executive Board of the Burlington County Council, and in 1941 was appointed Scout Commissioner, which position he still holds.

Captain Ryan became a member of the Executive Board in 1937. In 1939 and 1940 he served as District Chairman of the Tri-Borough District. In 1943 he accepted the position as Chairman of the Council Camping and Activities Committee. His keen knowledge of camping, its requirements, how to provide the necessary facilities, were responsible for much that has been accomplished at Camp Lenape. His endless energy, his deep interest in Scouting and his business ability have made him a most valued member of the Burlington County Council. He also served as President of the Council in 1941.

ties 12 percent and personal injuries 30 percent.

There were 60 accidents daily, on the average last year as against 92 in the previous year. Previous to the year 1938, New Jersey suffered an average of three traffic deaths daily. Last year the daily average was 1.8 per cent or nine every five days.

One out of every four accidental deaths in the State last year resulted from a motor vehicle accident. Although the totals of pedestrians killed and injured were lower than in the year 1942, the ratio was higher than any year of record. Last year 56 percent of all traffic fatalities involved pedestrians and 31 percent of the non-fatal injuries as compared with 52.6 percent of fatalities and 26 percent of injuries in 1942. The actual number of pedestrian deaths was 382 and pedestrians injured 4,460.

ARMY-NAVY TEST

The Army-Navy College Qualifying Test, described in the leaflet by that name available through high school principals and containing an application blank for the test, provides a basis for the selection of young men for the Army Specialized Training Program and the Navy College Program. Created as a result of a joint effort of the War and Navy

Departments and the U. S. Office of Education, it will be administered locally in high schools, preparatory schools and colleges throughout the nation at 9 o'clock, Wednesday morning, March 15.

The test is open to young men who will reach their 17th but not their 22nd birthday by July 1, 1944 and who are in the final term of their senior year of high school, recent high school or prep school graduates, or college students without certificates of graduation from high school and not now enrolled in any service program. Those who failed to qualify on previous Army-Navy College Qualifying Tests are also eligible provided they are not in the armed forces.

Candidates are required to designate a choice of service when they take the test. Men who designate a preference for the Navy, which includes Marine Corps and Coast Guard, must be between 17 and 19 year inclusive by July 1, 1944.

Those selected for the Navy College Program will attend colleges under contract to the Navy for a varying number of 16 week terms. They will be on active duty in uniform under military discipline and receive the pay of the lowest enlisted grade. The Navy pays all expenses and gives consideration to personal preference for colleges on the Navy list and courses to be pursued.

Seventeen year olds who designate Army preference and qualify on the test are offered military scholarships in the Army Specialized Training Reserve Program. They receive training at a selected college on inactive duty until the end of the term in which they reach their 18th birthday. At that time they are placed on active duty and sent to an Army installation for basic military training, after which, if still qualified, they are placed in the A.S.T.P.

Those between 18 and 22 years of age on July 1, 1944 who qualify and designate Army preference are earmarked for special consideration for the A.S.T.P. after induction.

Traditional Recipes for Fish

MANY of our most interesting fish recipes originated in the New England States. These have been tested and revised by several generations and come to us in a perfected arrangement. From New Jersey, famous for clams, we have a recipe for baked clams that is used throughout the nation.

When you prepare these recipes, think of their traditional significance.

New Jersey Baked Clams

2 cups parboiled potatoes, sliced thin
12 clams, chopped fine

1 cup diced celery
1 cup minced onion
1 cup butter or margarine
1 cup salt
1 cup pepper

Place layer of potatoes in buttered baking dish, add layer of clams. Sprinkle with salt and onion and continue alternating ingredients until all is used. Beat egg with milk and pour over layers. Cover with biscuit dough, and bake 30 minutes at 350°F.

Cape Cod Codfish Puffs

1 1/2 lb. salt codfish
2 egg yolks, well beaten
2 egg whites, stiffly beaten

Soak salt codfish in water for 1/2 hour; pour off water and soak in fresh water 1/2 hour. Drain. Cover with fresh water. Cook 20 minutes or until tender. Drain well. Flake and chop. Add potatoes, seasonings, and well-beaten yolks; mix thoroughly. Fold in egg whites; drop by teaspoons into deep hot fat. Sew up cavity and place in a large baking pan. Cover with milk and bake in a slow oven at 300°F. for about 6 1/2 hours. The bones will be completely soft and the entire fish tender and tasty.

Stuffing

1 cup diced celery
1 cup minced onion
1 cup butter or margarine
1 cup salt
1 cup pepper

Cook celery in 1 cup boiling water for 15-20 minutes, or until tender; drain and reserve 4 tbsp. liquid. Cook onion slowly in butter until transparent. Mix sage, bread crumbs, salt and pepper together; add celery, celery liquid, onions and butter; mix thoroughly with a fork. Cover and let stand for 5-10 minutes.

Place layer of potatoes in buttered baking dish, add layer of clams. Sprinkle with salt and onion and continue alternating ingredients until all is used. Beat egg with milk and pour over layers. Cover with biscuit dough, and bake 30 minutes at 350°F.

New England Baked Coneyhead Shad

1 1/2 lb. shad
2 cups milk

Order shad cleaned, trimmed and split for stuffing, with head removed. Fill cavity with stuffing. Sew up cavity and place in a large baking pan. Cover with milk and bake in a slow oven at 300°F. for about 6 1/2 hours. The bones will be completely soft and the entire fish tender and tasty.

Place layer of potatoes in buttered baking dish, add layer of clams. Sprinkle with salt and onion and continue alternating ingredients until all is used. Beat egg with milk and pour over layers. Cover with biscuit dough, and bake 30 minutes at 350°F.

"Substance" is the Lesson-Sermon subject for Sunday, March 12.
Golden Text: "The invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead." (Rom. 1:20)
Sermon: Passages from the King James version of the Bible include: "And ye shall seek me, and find me, when ye shall search for me with all your heart." (Jer. 29:13)
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Look away from the body into Truth and Love, the Principle of all happiness, harmony, and immortality. Hold thought steadfastly to the enduring, the good, and the true, and you will bring these into your experience proportionably to their occupancy of your thoughts." (p. 261)

Rev. S. Dan Morgan, Pastor

The dispositions of the masses today, as one can easily observe, are nervous, jittery and self-centered. This is almost universal and can be laid at the door of the war and its resultant effects. People were of the opinion that if one possessed money they could buy themselves into happiness and a contented mind. Our banks and our pockets, generally, are bulging with the "long green," while discontent, uneasiness, and irritability are rampant. Why? Just to prove to us that money is only worth something when it can buy what people desire. Realizing this disillusionment has made many discouraged, dissatisfied and oft-times despondent.

However, there is a way through which a person may learn to place the right values on the right things, and in spite of the war and the present unrest, find peace and contentment that they so desired through the "material." Attend your church regularly. Absorb the meat of the sermon and the inspiration of the music, and you will soon be ex-

YWCA NOTES

Plans for summer community projects were discussed by the camp committee of the Burlington County Young Women's Christian Association at a recent meeting at the home of Mrs. Charles H. Wright, Jr., of Moorestown.

The Y.W.C.A. wishes to provide interesting projects for girls of the age group which in former years attended Camp Shining Arrow, at New Lisbon, and enjoyed a program of sports and handicraft. Efforts will be made to locate the projects in the most easily accessible communities in the county, and to avoid date con-

Members of the county Y.W.C.A. board are to study available facilities in several communities and make recommendations at the next board meeting, to be held at the county Y.W.C.A. office in Mount Holly, March 21st.
It is felt that many parents will be interested in cooperating with the plans suggested and that in some cases community recreational facilities will be available. The Y.W.C.A. will provide leadership for the projects with a camp director and responsible counselors.

Members of the camp committee are: Mrs. Leason Brown, Medford; Miss Dorothy Elkinton, Moorestown; Mrs. James Hitchcock, Beverly; Mrs. Walter Reeder, Columbus; Miss Hannah Severns, Moorestown; and Mrs. Frank Smith, Rancocas.

BLACKOUT TEST
The first surprise blackout test in several months took place shortly after 9 o'clock on Sunday evening. Due to the local sirens were not as audible as usual, with the result that many homes were lighted until some time after the blue signal was sounded.
In a number of cases, air raid wardens were unaware that a test was under way until notified by zone leaders.

At an area near the river where Riverton and Palmyra join, few, if any, heard the signals.
Defense personnel did not turn out in as large numbers as heretofore, a fact that appeared general throughout the State.

OLYMPIC WRESTLER TO SPEAK AT BANQUET

John Erickson, former Olympic wrestler and coach of the Baltimore Y.M.C.A. wrestling team, will be the principal speaker at the YMCA Father and Son Banquet to be held at the Central Baptist Church on Tuesday, March 14 at 6:45 p.m. Mr. Erickson has been active in church and boys' work in Baltimore for quite some time and has traveled extensively all over the country in the interest of good living. He will present a short talk on "It's Great to be Alive" bringing together the physical and religious angles of living. At the conclusion of his short address, Mr. Erickson will put on a wrestling demonstration which should be of interest to everyone. Paramount News has made a picture of Mr. Erickson which is a one-mna

wrestling bout which is the highlight of his demonstration.

Other features of the banquet will be a short talk by E. Newbold Cooper, vice president of the Burlington County YMCA Board, on the YMCA Centennial, special musical numbers by a group of high school students and group singing.

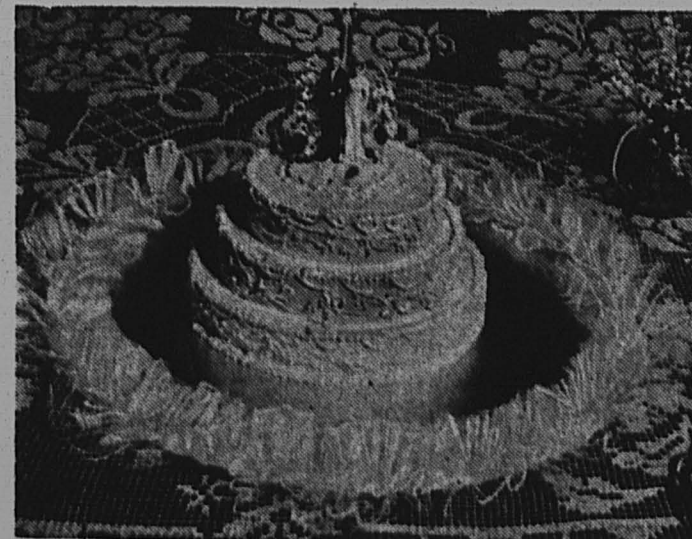

Since tickets are being sold quite rapidly, it is urged that all individuals desiring to attend this Father and Son dinner get their tickets as soon as possible by contacting any member of the YMCA Board or they can be obtained by contacting Paul R. Jones at the Palmyra High School.

I (Lord God) will overturn, overturn, overturn, it; and it shall be no more, until he come whose right it is; and I will give it him.—Ezekiel 21:27.

True wisdom is to know what is best worth knowing, and to do what is best worth doing.—Humphrey.

Wartime Wedding Cake

HERE comes the bride—and here is a beautiful wedding cake for the reception. This one is made from a wartime recipe.

The cake frosting is snow-white and is made with light corn syrup instead of sugar. Directions for decorations are included.

Bride's Cake
1/2 cup shortening 1 tsp. vanilla
1/2 cup sugar 2 tsp. baking
1/2 cup honey 2 tsp. powder
1 egg yolk, well 1 tsp. salt
beaten 1 cup milk
3 cups cake flour, 2 egg whites, slightly beaten
Cream shortening and sugar together and beat in honey, vanilla and egg yolks. Add flour, sifted with baking powder and salt alternately with milk. Fold in egg whites thoroughly. Turn into four greased round layer pans, graduated in size from 9 to 3 inches in diameter, and bake at 375° for 20-25 minutes.

Frosting
1 cup light corn 1 egg white
syrup 1 tsp. vanilla
1/2 tsp. salt
Warm corn syrup in double boiler until it will pour in a fine stream. Combine salt and egg white and add the corn syrup slowly, beating constantly. Beat until stiff enough to spread. Add vanilla and spread.

Ornamental
Use above recipe for frosting. When of consistency to spread, stir in 1/4-1/2 cup of confectioners' sugar. The mixture should be firm enough to hold its shape when

molded as flowers or other decorations through pastry tube.

Directions for Cake Decorating
Use of Pastry Tubes

The Leaf Point: When making leaves, hold the pastry bag in the right hand with the point almost parallel to the surface being decorated. Press out the icing to form the wide end of the leaf, then draw out the point by pulling the hand away, at the same time turning the wrist.

For tiny roses use the leaf point, holding it at right angles to the surface. Press out the icing in such a way that a circle is formed about 1/4" in width. Continue the circles, one on top of the other, making four thicknesses, the top one being smaller than the others.

The Tiny Rose Point, with 5 or 6 Prongs. For Forget-me-nots hold the tiny rose point at right angles to the surface and press out one drop at a time, raising it quickly to break it off. Arrange them in clusters.

To Make Orange Blossoms, use a tube with an opening like a new moon. Hold the tube straight up right angles from the surface. Press out icing, at same time raising the tube about 1/4 inch, drawing out the petal. Place 5 petals in a circle, close together. Make centers with small star tube and yellow icing. Arrange blossoms in clusters or sprays as desired. Place delicate green leaves under the flowers to accentuate them.

WESLEYAN MEN'S BIBLE CLASS

Epworth Methodist Church

Men of the community are invited every Sunday morning at 9:45 and for only one hour. The teaching staff comprises men of various faiths. Christian J. Eulich will address the class this Sunday.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.

Riverton, N. J.

The Rev. R. B. Stewart, Pastor

As the Easter season approaches, with its message of Christian hope, and its reminder that all that is worth while awaits only at the end of a road of selfless sacrifice, our thoughts turn more and more towards the mysterious Cross of Calvary, that we may learn anew something of the secret that only the Cross can reveal. Philosophies, ideas, institutions, generations may come and go; everything that has been may lose its relevance and become out-of-date, but the Cross remains eternally relevant, with a message and an emphasis that can never grow old. Next Sunday morning we shall direct our thought to the Cross, as we share together the first of a brief series of Lenten meditations on "The Relevance of the Cross." The first of these will deal with "The Cross As a Supreme Mark of Royalty."

The morning service of worship commences at eleven o'clock. As part of morning worship the choir will render an anthem, "Sweet The Moments," by Donizetti. The Church Nursery, to care for the little ones during the hour of worship, will be in charge of Mrs. W. J. Stevens and Miss Fay Meyer.

Church School convenes at 9:55 a.m. with Bible study classes for all ages. Next Sunday the Men's Bible Class will conduct the monthly discussion period under the direction of Mr. Wm. MacCord. The Men's Class meets in the gymnasium.

The Christian Endeavor meetings, for junior and senior groups of young people, meet on Sunday evening at 7:15 o'clock in the Church School room. All young people not associated with any other similar group are cordially invited to share in this hour of Christian fellowship and study.

The monthly meeting of the Good Fellowship Club will be held on Friday evening, March 17 in the Gymnasium. A "covered dish supper" will be served at seven o'clock. Following the supper there will be an unusual musical program entitled, "We Sing In The Dark." The artist in charge of the program is Miss Florence Campbell. All members of the Club who plan to be present should notify Mrs. Finney, phone 1059 or Mrs. Smith, phone 0337-W.

CAR PLATES IN REAR

Motor Vehicle Commissioner Arthur W. Magee advised motorists today that the single motor vehicle registration plate issued for the year 1944 must be placed in conformance with the law on the rear of the vehicle and not the front.

The warning was prompted by reports from different parts of the state that plates have been seen on the front of vehicles.

"Under all circumstances, whether commercial or passenger vehicle, the plate must be attached to the rear of the vehicle," said the Commissioner.

"Car owners doing otherwise provide grounds for prosecution under the motor vehicle law."

Although reports from the agencies have not yet been compiled, there is every indication that the early appearances for license renewals which became available March 1, have broken all previous records. Agencies all over the State report increased business.

Commissioner Magee repeats his advice as to the advisability of renewing car and drivers' licenses early in the month, thus helping to prevent the long lines that usually prevail at the agencies during the last week of March.

AN OPPORTUNITY

The Burlington Fire Insurance Company, the oldest mutual fire insurance company in this state (organized in 1821), has transferred its home office to Riverton and will occupy the old bank building, 611 Main Street, about April 1, 1944.

We have a position open for one who is experienced in general office work. A knowledge of fire insurance, policy writing and book-keeping is desirable but not required.

This is not a war job but an opportunity for the right person to create a position of responsibility for the future.

Replies will be held in strict confidence and will be promptly considered.

PARK COMMISSION

At the meeting of Riverton Borough Council on Thursday night of last week, J. W. Van Horn and Albert C. Farrow were named members of a new Park Commission. Three others will be appointed at a later date.

Nathan Lane, who presided at the session in the absence of Mayor J. W. Sylvester, brought up the matter of buses leaving designated stops ahead of the advertised schedule. He cited two such cases and asserted that this has proved most inconvenient to those who are making close connections. The matter was referred to the transportation committee of council.

Councilman David F. Gould again brought up the matter of supporting the movement to secure the abolishment of the Philadelphia wage tax, but no action was taken since it was the consensus of opinion that the matter was not one which came within the jurisdiction of the governing body.

Mr. Farrow, reporting for the Boy Scouts, stated that over 35,000 pounds of paper had been collected in the salvage campaign.

He also inquired about the progress of the Honor Roll and was informed by Councilman Robert Knight that the Riverton Memorial Post was in charge of this project.

In reply to the questions of several council members concerning the delay in garbage collections, the clerk, Daniel M. Clifton, reported that the situation was caused by the fact that the truck owned by the contractor had broken down and repairs required several days. Collections were resumed the latter part of the week.

The Porch Club

The meeting last week, March 7, in charge of the Garden section with Mrs. J. Rowland Dey, chairman, was very well attended and the program was greatly enjoyed.

The picture "Tulip Time in Holland—Michigan," which was to have been shown, arrived too late for the meeting owing to mailing delay. The annual election of officers was held, and those elected were as follows:

Vice Presidents—Mrs. Gilbert Coe and Mrs. Henry W. Shreve.

Recording Secretary—Mrs. William Shoemaker, Jr.

Board of Directors—Mrs. Dewees Showell, Mrs. George Borset, Mrs. Raymond E. Hull, Mrs. Joseph Siddle, Mrs. Harold P. Warner.

Admissions Committee—Mrs. Charles C. Miller, Mrs. Henry Ashburner, Mrs. Herbert M. Morris, Mrs. James Wright.

The program for March 21st promises to be an outstanding event of the year. The Literature Department, headed by Mrs. J. Edward Lippincott, chairman, has obtained the well known Beaumont Bristle, the clever speaker who entertained the club last year with his unusual wit and clever remarks. His topic this year will be "Women In The Movies," which will appeal to everyone. Don't forget the date, March 21, at 2:30 p.m.

The First District spring conference will be held on Thursday, April 6th, at 10:30 a.m. in the North Baptist Church, 330 Linden avenue, Camden.

First District Home and Garden Forum on Thursday, March 16th, 10:30 a.m. at the Y.W.C.A. Building, Stevens street, Camden.

The Forum of the Dept. of Civics and Legislation will be held on Monday, March 27th, at 1:30 p.m. in the Contemporary Club, 176 West State street, Trenton.

Protest Conditions

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, a group of residents in the Parry section appeared to complain about the unsanitary conditions in certain sections of the community.

One case was cited where a colored family occupied a dwelling that contained only two bedrooms, although the number of occupants was quite large. In addition there were numerous dogs, cats and chickens, with an adjacent pig pen. Conditions in and about the house were alleged to be deplorable.

The matter was referred to the Board of Health for immediate investigation.

A complaint was also received concerning dog damage. In this instance dogs broke nearly 100 panes of glass in a hotbed. The borough solicitor, Walter Carson, was instructed to prepare an ordinance which would provide penalties for canines found running at large during certain periods of the year.

Highways

Robert Woods, member of the committee, stated that the township has spent \$45,000 in the last 10 years for highway maintenance. This figure does not include new construction and amounts to about \$150 per year for the 30 miles of roads.

He advocated a program of permanent improvement, asserting that it would pay in the long run and cited Riverton streets as an example of such planning.

It was agreed to confer with the township engineer to formulate for such a program whereby a small section of the roads would have such treatment each year.

ORCHESTRA CONCERT

The annual concert of the Palmyra High School orchestra will be presented in the school auditorium on Friday night of this week. The conductor will be Walter Pew, director of the organization.

Soloists will be Mary A. Baldwin, soprano and Eileen Rae, violinist, member of the class of 1944.

to veterans of either the past war, or the present conflict who have been discharged from the service and who are not now actively connected with other veterans' organizations in the vicinity.

ATTENTION, DOG OWNERS

Saturday, March 18, is positively the last day on which dog owners in Riverton can register their pets without payment of a fine.

On Monday, Chief of Police William Gootee will serve a summons to all delinquents to appear before the recorder.

Licenses can be obtained from Daniel M. Clifton, borough clerk.

PRAISES RED CROSS

Admiral William F. Halsey, Jr.
Commander, South Pacific Naval Force

The commendable work being accomplished by the American Red Cross in the South Pacific Area is of inestimable value. Serving in its own field of endeavor the American Red Cross contributes to the morale of our fighting forces through the many services it offers. Red Cross hospital services, clubs, rest homes, welfare services, recreation, entertainment programs and welfare comfort supplies are only a part of a large and broad service.

The Red Cross program in this area supplements the planned military programs of recreation, entertainment, welfare and morale. Here in the South Pacific as elsewhere the Red Cross alleviates human suffering and mental anxiety; it stands ready to help the men and women of the military forces who protect the American home.

"A few years ago steel was considered to be too heavy for use in the manufacture of aeroplanes, today due to new light weight steel alloys there are 5 tons of steel used in some planes. In World War I exhaust valves in airplane engines lasted for about 40 hours of flying, today they will last for 1,000 hours of flying. In the construction of a 45,000 ton warship, excluding guns and fittings, 35,000 tons of steel are required. Up to the outbreak of this war tanks lumbered along at from 3 to 5 miles per hour, today the average speed is 50 miles per hour."

"All of these improvements are due to the foresight of the steel companies who in 1920 began a program of rebuilding and research. The cost was many millions of dollars but if they had not done this work they would not have been able to meet the demands when it became necessary to arm the Allies."

BLOOD DONOR BULLETIN

Were you one of the nine faithful donors that left in the Red Cross Caravan yesterday to donate a pint of blood to save a life? Were you?

Importance of Steel

Last Thursday evening, at the meeting of the Palmyra-Riverton Rotary Club, the talk was on a subject of vital interest to all of the world. The speaker, L. H. Gardner, Eastern Representative of the Republic Steel Corp., was introduced by Rotarian E. N. Cooper. The subject of his talk was "Steel Serves a Nation at War." He said in part:

"Steel is the bone and sinew of our life. If steel was taken from us the world would regress 80 years and 632 articles, in everyday use, would be lost to us. Steel is the bulwark of our war effort. Without it we would have none of the modern implements of war."

The United States produces more steel than all of the rest of the world combined. It is the result of the refining of iron ore, most of it comes from the upper peninsula of Michigan, and is brought by steamers to the mills in the steel centers.

YMCA BRIEFS

"Christian character is caught as well as taught in YMCA groups" as pointed out in a group leaders' meeting held last Monday night in the home of Clifford W. Ergood, Moorestown. Stewart S. Brush, of Riverside, chairman of the Group Work and Leadership Training Committee, presided.

The meeting was opened by Geo. R. Keller, assistant county secretary, who led a devotional used in YMCA clubs throughout the county. Rev. H. H. McConnell, pastor of the Riverside Methodist Church and a leader of the Riverside Warriors, offered prayer. Discussion of various problems facing group leaders was led by Mr. Brush. Mr. Ergood, executive secretary, spoke on how character is changed in YMCA groups. After refreshments were served the meeting was adjourned.

Those present were: Sidney Jackson, Henry Graves, Moorestown; Howard Mason, Masonville; Rev. H. H. McConnell, Knole S. Beacon, Hoover Edwards, Stewart S. Brush, Riverside; Clifford Irons, Medford; L. Arthur Hoyt, L. R. Coolbaugh, George Weigand, Edward Hoyt, Dick Mallory, William Engle, Palmyra; and Mr. Ergood and Mr. Keller.

TWO FIRES

On Friday afternoon of last week, the Riverton Fire Company answered an alarm for a grass fire in the 400 block of Elm avenue. The blaze was extinguished without loss.

Both the Riverton and Palmyra companies responded to a call Sunday afternoon for a small fire under the trestle at the J. T. Evans Co. coal yard.

No damage resulted.

STORE SURVEY

Initial results of the Store Survey in this area were available today through the local War Price and Rationing Board as the educational and protective price control program swung into its fourth day of action.

Describing the program so far as "running according to schedule," Board Chairman Mr. T. Curtis Flynn said reports brought in by the price panel representatives surveying food stores here were "more than satisfactory."

He cited one section where 22 violations were found. "But with very few exceptions, these violations were cases where merchants were unaware of their errors," he said. Typical cases were instances where storekeepers failed to display their Community price lists, the dollar-and-cents ceiling prices for meats, groceries and soaps, or where the OPA price group classification was not in evidence.

The price panel representatives brought back reports that merchants appeared anxious to co-operate and were taking advantage of the representative's personal visit to their stores by requesting additional information relative to OPA price control regulations and asking for assistance.

Mr. Flynn said that several deliberate and flagrant violations already had been uncovered and that arrangements would be made to call the violators for a meeting with the

Price Panel should they still be in violation after the second survey check April 3 through 8.

"By the first of next week we should have a pretty conclusive picture of exactly how price control is working here," he declared, adding that the next step will be for Board officials to prepare the second survey schedule.

TREASURY DEPARTMENT

War Finance Committee

Editor, The New Era

Riverton, New Jersey.

Dear Sir:

Thank you for the cooperation you and your newspaper gave the United States Treasury Department and your local War Finance Committee during the Fourth War Loan campaign. Without the wholehearted cooperation of the newspapers, New Jersey would not have been able to compile the enviable record it did during the drive.

Our State finished among the leaders in overall sales and led all other States in the percentage of improvement in "E" Bond sales during the drive. We know you share with us our satisfaction over these achievements.

Again many thanks.

Sincerely yours,

JOHN E. MANNING,
State Administrator,
New Jersey State Division.

TO DEBATE BUDGET

At the next meeting of the Burlington County Municipal Association there will be a debate by County Clerk Palmer L. Adams and County Solicitor Thomas D. Begley, the subject to be the 1944 county budget. This action took place at the last meeting of the association and followed a lengthy discussion on the part of various members of the group and county officials.

The budget was criticized by many of those present and the association also passed a motion requesting the freeholders to postpone setting a definite tax rate until after the debate.

Mr. Adams has repeatedly stated that the budget can be reduced without sacrificing the efficiency of the various departments.

PATCHELL—STEPHENS

Miss Florence V. Stephens, daughter of Mr. and Mrs. James Jacob Stevens, of 110 Leconey avenue, Palmyra, and Corporal Robert Patchell, former instructor in the Palmyra High School, were married at 2 p.m. last Thursday, by the Rev. W. Neal Raver, in the Epworth Methodist Church, Palmyra.

The bride was given in marriage by her father and attended by her sister, Miss Dolores Ann Stephens. John Perry, of Palmyra, served as best man.

Mrs. Patchell, since her graduation from Palmyra High School, has been secretary to the school principal. Mr. Patchell is a graduate of the University of Pennsylvania and received his M. of Ed. at Rutgers. For several years he has taught Math and Science at Palmyra High.

After a honeymoon trip to C. J. Patchell will return to his station at Shreveport, La., and Mrs. Patchell will continue to make her home with her parents for the duration.

COUNTY COUNCIL MEETING

Mrs. Winfield Crossley, Burlington County Council Pres., announces one of its most important meetings to be held March 29th, at 10 a.m. in the Robert Stacy School, High St., Burlington. It is a school of instruction and Parent Education Conference. Mrs. Morris Foulke of Woodbury Heights, 2nd Vice Pres. of the State Congress is to be the instructor. Mrs. L. G. Stiles of Merchantville, Chairman of Parent Education will be in charge of the Question Box Conference. Mrs. W. Arthur Lofft, 5th Vice President of the New Jersey Congress, and director of the seven southern counties will be guest of honor and advisor.

Attendance at this meeting is the fulfillment of two goals. We urge attendance by every local association, President and Vice President particularly, or at least two delegates. Be sure your association has a representative to give a full report. Lunch will be served in Wilbur Watts High School.

PALMYRA ENTERS FINALS

The Palmyra High School basketball teams entered the final round in the South Jersey Group 2 Tournament by virtue of a 34-29 victory over Pennsgrove last Friday night in Convention Hall, Camden.

As a result of the win, the Dimondmen will clash with Lower Regional this Friday at 7:30 on the Convention Hall floor. A decision over Regional will send the Red and White against the winner from the northern

section of the State.

In last week's game the score was deadlocked at 27-all when the whistle sounded at the end of the second half. In the overtime period, Palmyra went into quick action and tabbed seven points in quick succession. Pennsgrove was able to counter with only a single field goal.

Haines was high scorer of the evening with 16 markers.

The engagement was close through out, with Palmyra holding a slight advantage that was erased in the last 10 seconds of play.

The extra period, however, proved that the Red and White had what it takes to bring home the decision.

PENNAANT PRESENTED

Riverton A.A. was honored last Saturday night at the annual dinner of the Burlington County Baseball League, when the local club was presented the loop pennant for winning the title during the regular season. The final championship was taken by Medford in the playoffs.

Leonard R. Baker, of Palmyra, was the general chairman for the affair and among the speakers were Russell Blackburne, of Palmyra, Athletics Coach and Hal Wagner, of Riverton, A's catcher.

A memorial for Sergeant Phillip E. Riddle, a member of the Riverton team, who was killed recently was given by Russell L. Hoffman.

In addition to the members of the team, Riverton was represented by Mr. and Mrs. Albert C. Farrow, Mr. Farrow, who is a business manager of the local organization was also a member of the banquet committee.

John VanEmburgh, Riverton pitcher, was awarded a plaque for being selected as the leading moundsman of the league.

OBITUARIES

FREDERICK W. FREI, SR.

Frederick W. Frei, Sr., died at his home, 804 Washington avenue, Palmyra, on March 10, at the age of 67.

Funeral services were held on Monday at 2 p.m. at Paterson, N. J. Interment was in Laurel Grove Cemetery, Paterson. The deceased is survived by his wife, Mrs. Louise M. Frei, a daughter, Miss Ruth M. Frei, and a son, Frederick W. Frei, Jr., all of Palmyra. He was a member of the I.O.O.F. James Ward Lodge No. 30 of Rhode Island.

FREDERICK W. HOEHN

Frederick W. Hoen, of 320 Delaware avenue, Palmyra, died on Saturday, March 11th.

Funeral services were held on Wednesday afternoon at 2 p.m. from the Snover Funeral Home with the Rev. Albert J. Harke officiating. Interment was in Morgan Cemetery.

The deceased is survived by his wife, Mrs. Mildred Hoen, a daughter, Mrs. Raymond Nitchman, of Rutherford, N. J. He also is survived by a brother, Charles Hoen, of Palmyra, two sisters, Mrs. Henry Frank, of Cinnaminson, and Mrs. Harry Shaffer, of Medford. He was a member of the Moravian Church and also a member of Washington Camp, P.O.S. of A.

BLOOD DONOR SERVICE

Due to the splendid cooperation of the people of Palmyra and Riverton on March 8th, the Blood Donor Service more than made its quota, which was 180 points. 187 points were taken. 28 of this came from Riverton donors. There were more donors

waiting but the registration was closed because of the lack of time. The committee wishes to thank all who helped to make the day a success, especially the Broadway Theatre and The New Era for publicity.

BEYER CANDIDATE FOR FREEHOLDER

Close cooperation and relationship between municipal governing bodies and the county administration, is advocated by Eugene E. Beyer, of Mt. Holly, who this week announced that he will be a candidate for the Republican nomination for Freeholder in the May 16 primary election.

Beyer, who is a member of the Mt. Holly Township Committee, and a county-seat resident for over 20 years, has been active in community, civic and charitable affairs for years. "There should at all times be a close relationship and cooperation between the county administrative

"As a candidate for member of the Board of Freeholders, I can not too strongly urge that an effort be made to encourage this cooperation. Furthermore, my experience as a township committeeman in Mt. Holly prompts me to believe that such a proposal is sound and workable."

Beyer, who is a veteran of World War I, is in addition to being a member of the Mt. Holly Township Committee, district clerk of the Mt. Holly school board. He is a member of the Board of Visitors and the Board of Managers of the Agricultural Experiment Station and the College of Agriculture of Rutgers University. He is active in Boy Scout work and is a member of the Burlington County Boy Scout Council. Beyer also has been a member of the building committee of Burlington County Hospital. He is a graduate of Rutgers University and is a representative of a firm dealing in agricultural spray service and packing house equipment.

RIVERTON GIRL IS MOTHER OF HERO

A former Riverton girl, Lillian Jones, is mother of Tech. Sgt. Milton V. Lane, of Collingswood, radio-gunner on a bomber, who has just completed his fifty missions over Germany and other enemy territory, and who expects to be back in the United States soon.

Sgt. Lane is a nephew of Milton Vanciver, after whom he was named. His mother was raised by Albert Vanciver, Sr., who at that time occupied the railroad house at Broad and Main streets, since torn down.

CENTRAL BAPTIST CHURCH

Rev. S. Dan Morgan, Pastor
Don't Let Our Boys Down—Buy
War Bonds—Support the Red Cross
—Join the Blood Donors. These to
us are all familiar mottos urging us
to help win the war. But just as
essential is the urge to back up our
boys by supporting the 'cause for
which they are fighting—the right to
worship God and the upholding the
principles of Christianity. To back
them up in all of the former admoni-
tions and to neglect the latter, will
avail little, for even those in the ser-
vice who in the past have given little
attention to the spiritual in their
lives, are realizing that success de-
pends directly in proportion to the
emphasis placed on their faith in
their God. So, back them up with
this spiritual power which has proven
to be the source of courage and
strength as experienced by our boys
at the front. Neglect and indiffer-
ence by those on the home front is
one way you can "Let Them Down."

There are churches in our communi-
ties of nearly all denominations and
the opportunity is here for all to do
his or her part in keeping faith with
our boys, those who are making this
opportunity possible. Attend your
church regularly and let our boys

know that those at the home front
appreciate the cause for which they
so willingly are giving their lives.
"Central Baptist" invites your pres-
ence at their services if you are with-
out church affiliations.

Bible School, 10:00 a.m.—Those on
the membership roll of the school
range in age from six months to 90
years, so if you happen to fall in that
range you will be assured of a class
to suit your requirements with quali-
fied teachers to give you something
worthwhile to meditate over.

Morning Worship, 11:15 a.m.—The
Pastor will have as his subject for the
morning sermon, "Which Is The
Greater Sin?" The choir's contribu-
tion to the service will be Stainer's
"God So Loved The World."

B.Y.P.U., 6:45 p.m.—New impetus
has been given the Senior B.Y.P.U.
during the past week or so since
Mrs. Evelyn Weart has expressed
her willingness to act as counselor.
This group will be host to the Bur-
lington County Youth Federation on
Monday evening, March 20 (next
Monday) at a Rally to be held in the
church at 8:00 o'clock. Culbert G.
Rutenber, formerly Pastor of the
Linden Baptist Church of Camden
and now Professor at the Eastern
Baptist Seminary in Philadelphia,
will be the speaker for the evening.
"Everybody out" is the order from
the front.

Evening Worship, 7:45 p.m.—The
Pastor will deliver his sermon on the
topic "Grinding Gears for the Devil."
But his delivery only goes as far as
the church. You will have to come
to appreciate these fine messages of
help that Pastor Morgan brings to
his congregation. "Spirit of God" by
Humason will be sung by the choir.

Wednesday, 8:00 p.m.—Mid-week
Prayer and Praise service to which
you are always invited.

Thursday, 8:00 p.m.—Choir rehar-
sal, especially for the Easter Canta-
ta. Don't miss any rehearsals if you
can possibly do so. Come on time
and you can leave on time.

WESLEYAN MEN'S BIBLE CLASS
Epworth Methodist Church
Men of the community are invited

The Rev. Robert W. Matthews
will be the speaker next Sunday.

THE DIVINE CHARITY
The Lenten Season has its climax
in the great sacrifice of Good Friday,
Jesus' steadfast face was "set toward
Jerusalem." Nothing was to move
him from that cross which was
mapped out for him by the Father.
A Christian's belief is then not sim-
ply in a series of symbolic and spiri-
tual events. His belief centers in one
who was flesh and bone and nerve.
He was accessible to all the demands
of human nature and all the humilia-

tions of physical pain. To the world
He merely appeared as a local pro-
phet of somewhat limited appeal.
Having roused the hostility of official
religion by His generous freedom of
love. He was condemned by a com-
bination of political cowardice and
ecclesiastical malice to a barbarous
and degrading death. His was a Di-
vine charity reaching out unto all.

We do not "follow the blessed
steps of His most holy life" by the
exercise of a trained religious imagi-
nation. We must follow Him all the
way up and down the lanes of the
city and paths of the countryside, by
the lake, in the garden, in the tem-
ple, and up the stairway to Calvary.
This Divine charity is a love which
enters into life and shares the
struggles, darknesses and bewilder-
ment of all mortals. During this
season and indeed throughout life we
ought to strive for a steadfast faith
which will serve in humble self-obli-
vion up to the very end; meeting
every demand on our patience and
pity, and faithfully dispensing the
Water of Life which may pour
through us while leaving our own
thirst unquenched.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

The Good Fellowship Club meets

in the gymnasium of Friday evening,

March 17. A "covered dish supper"

will be served at 7:00 o'clock. Fol-

lowing the supper an unusual mu-

sical program entitled, "We Sing In

The Dark" will be presented by Miss

Flora Campbell Test.

Next Sunday morning the Men's

Bible Class, which meets in the gym-

nasium at 9:55 a.m. will study the

International lesson under the lead-

ership of Mr. S. Reid Merley. The

Church School assembly also con-

venes at 9:55 a.m. with study class-

es for all age groups.

At the morning service of worship,

commencing at 11:00 o'clock, the pas-

tor will continue his series of ser-

mons on "The Relevance of the

Cross." The sub-topic of the second

sermon of this series is "The Cross—

And Life's Irritations." Very often

our best Christian intentions break

down, not in the face of life's major

problems, but in the midst of people

who are able to irritate us. It is well

to reconsider, from the elevation of

the Cross, how these irritations have

been met in the past and with what

resources of thought and faith we

may meet them in our own day and

generation.

As part of the morning worship

the choir will render the anthem,

"Gloria," by Mozart. Children may

be left in the Church Nursery, under

the care of Mrs. Nick Beitz, and the

Misses Jean Gowell and Patricia

Stranahan.

On the evening of Friday, March

24, at 8:00 o'clock, a rather unique

and ambitious program will be pre-

sented by the ladies of the church

under the sponsorship of the Wom-

en's Society. The first part of this

church family night will be set apart

for the presentation of a musical

comedy entitled "The Church Fair."

Between forty and fifty young people

and adults will take part under the

direction of Mrs. A. J. Clay. The

scenes of the comedy will be laid

around various booths and stalls that

will later assume a practical signifi-

cance when the annual "Cake and

Apron Sale" begins. There will be

special "Grab Bag" attractions for

both young and old, while many

other unusual and interesting fea-

tures are being arranged. Tickets

for this family night may be ob-

tained from members of the Women's

Society.

In connection with the forthcom-

ing Easter season, the following dates

should be noted and reserved by all

members and adherents of the Cal-

vary Church family. Wednesday,

March 29, Annual Congregational

and Corporation Meetings at 8

o'clock; Friday, March 31, Commu-

nion Preparatory Service at 8:00

o'clock; Sunday, April 2, Palm Sun-

day service and observance of the

Sacrament of the Lord's Supper;

"The Seven Last Words" by Geibel,
by the Calvary Choir and some of
their friends, with guest soloists Fred
Homer, baritone, and William H.
Naylor, tenor; Good Friday, April 7,
special evening service at 8 o'clock
commemorating the death of our
Lord.

First Church of Christ, Scientist

Thomas Ave. at Seventh St.

Riverton, N. J.

"Matter" is the Lesson-Sermon

subject for Sunday, March 19.

Golden Text: "Turn ye not unto

idols, nor make to yourselves molten

gods: I am the Lord your God.

(Lev. 19:4)

Sermon. Passages from the King

James version of the Bible include:

"I am the Lord: that is my name;

and my glory will I not give to an-

other, neither my praise to graven

images." (Isa. 42:8) Correlative pas-

sages from "Science and Health with

Key to the Scriptures" by Mary

Baker Eddy include:

"The first idolatry was faith in

matter. The schools have rendered

faith in drugs the fashion, rather than

faith in Deity. By trusting matter to

destroy its own discord, health

and harmony have been sacrificed.

(p. 146) . . . Drugs and hygiene op-

pose the supremacy of the divine

Mind." (p. 484)

DUPONT REPRESENTATIVE SPEAKS HERE

A most delightful and instructive talk was given before the Women's Society of the Calvary Presbyterian Church last Wednesday afternoon, following the monthly business meeting.

The speaker, Miss Gertrude Dieken, Home Economics Consultant of the DuPont Company, described the latest chemical inventions that are of particular interest to women. Miss Dieken brought with her many interesting and beautiful samples of materials that are used not only in the home, but also by the Army and Navy in the manufacture of protective clothing for our fighting men. Her description of nylon was particularly fascinating, for she accompanied it with pieces of exquisite texture, and told her audience just how it was used in the making of parachutes.

In the morning Miss Dieken addressed a large and appreciative group of students, comprising the Marketing, Sociology and Office Practice classes at the Palmyra High School.

The girl students were particularly

Admiral C. W. Nimitz
Commander-in-Chief, U. S. Pacific Fleet

Wherever the Stars and Stripes fly over Pacific Islands, there also is found the symbol of the American Red Cross. Its representatives work tirelessly in the service of our fighting men. Recreational equipment given by the Red Cross is in our ships at sea. The friendly and merciful hands of the Red Cross have everywhere stretched out to our troops to give them courage in their dark hours of need. I urge all Americans to support the Red Cross War Fund Campaign. Your personal contributions are a direct help to every individual now wearing the uniform of his country. No matter where he may be, the Red Cross is with him.

REEVES STILL IN SHERIFF RACE

Despite current reports to the contrary, Leslie W. Reeves, of Cinnaminson, states emphatically that he is still a candidate for the Republican Sheriff nomination at the coming Primary Election.

Mr. Reeves announced his candidacy several weeks ago, being the first to declare himself in the race for the Sheriff nomination. He is not affiliated with either the Harmony or Good Government factions.

Fathers' Day Program

The annual fathers' day meeting of the Sacred Heart Parochial School Parent-Teacher Association of Riverton, held in the school hall, Sunday afternoon, March 19th, was most successful.

Program
Rev. John A. Enderbrock in his address emphasized the fact when parents place the responsibility of the child's education on the teachers, they should give the teacher the authority to discipline the child when necessary.

Mrs. Wm. Dolton, Regent, urged more fathers to take an active part in the P.T.A.

Surprise birthday greetings and a Spiritual Bouquet were presented to Rev. Wm. F. Quinn, Pastor, by Miss Mary Scully, 8th grade pupil, in the name of all the school children.

Call to order by Mrs. Wm. O'Keefe, Pres., P.T.A.
Prayer, Rev. Father F. Quinn, Pastor.

Allegiance to the Flag—Assembly. Greetings—Mrs. Wm. O'Keefe. Welcome—Rev. William F. Quinn, Pastor.

Vocal Selections—Glee Club of Christ the King Church, Haddonfield. Marching Along Together—Words and Music by Pola and Spellingberg. Star of the Sea—Helen Baldwin Smith, Director and Accompanist.

Reading of Paper—"Cooperation Between the Home and the School," Sister Mary Angelus.

Address—Mrs. Wm. Dolton, Regent of Trenton Region of P.T.A. The two Dorises—Hawaiian Strings (Farwell Blues, Drifting and Dreaming) Hilo March.

Address—Rev. John A. Enderbrock, M.A., Secretary of Education, Diocese of Trenton.

Vocal Selections—Glee Club. Neapolitan Nights. Star Spangled Banner—Assembly and Glee Club.

With each returning year, higher joys, holier aims, a purer peace and a diviner energy, should freshen the fragrance of being.—Mary Baker Eddy.

FOR FREEHOLDER

Clarence G. Price

Freeholder Clarence G. Price, of Beverly, this week announced his candidacy for renomination at the primary election.

The candidate was born in Burlington City 40 years ago and was graduated from Burlington High School. He then attended the University of Pennsylvania Evening School of Accounts and Finance four nights a week for four years, graduating from the course with high honors.

Freeholder Price's announcement follows:

"Having served the taxpayers of this county on the Board of Chosen Freeholders for the past six years, and now being urged by my many friends throughout the county to seek re-election, I am again announcing my candidacy for the Republican nomination for Freeholder at the Primary election May 16th.

"If nominated and re-elected, I pledge myself to continue to support to the best of my ability the principles and ideals of good, clean and honest government in Burlington County. I will cooperate fully with all members of the Board of Freeholders who will strive to promote the same ideals and who are willing to work to keep the tax rate low, reducing it whenever possible. I believe in keeping the County free of debt and will strive to accomplish this end.

"The people of this county are this year being saddled with the highest tax rate in the history of the county, (\$1.45). I worked diligently and sincerely with the members of the Board to give the people the lowest possible tax rate. Some of my recommendations, which made more money available to spend, were accepted, but the majority of my recommendations, reducing appropriations and eliminating others, were rejected.

"The combination of the recommendations offered, if accepted and applied, would have resulted in a much lower tax rate. I was the only member of the board of five to vote against the final adoption of the budget.

"My experience as Clerk of the Board of Freeholders from January, 1935, to January, 1938, coupled with my experience as a member of the Board of Freeholders qualifies me, I feel, to continue to serve you as a member of the Board and justifies me in soliciting your support at the coming Primary election.

"I have served three years as Director of both departments of Finance and Bridges; two years as Director of Public Affairs, but this, my sixth year, I have been stripped of the duties and responsibilities of the Director of the Department of Public Affairs. This department carries with it very few duties and little or no responsibility.

"During the time I have been privileged to serve the people of this county as a public official (nine years), I have devoted my entire time to the duties of my respective offices with the exception of the months of February and March of this year, and it

is on my record of sincerity and honesty that I seek and respectfully request your support for my re-election to the Board of Freeholders of Burlington County.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

For many weeks a cast of between forty and fifty has been rehearsing the musical comedy, "The Church Fair," which will be presented Friday evening, March 24. Mrs. A. J. Clay, director of the play, announces that the curtains will be drawn promptly at eight o'clock. Following the play, the ladies of the Women's Society will take over the "booths" for their annual "Cake and Apron Sale." In addition to the cake, candy and refreshment booths there will be a "grab bag" booth that will be of interest to young and old.

Sunday Services

Church School will commence at 9:55 a.m. with Bible classes for all age groups including the Women's and the Men's Bible Classes. The teacher of the Men's Class will be Mr. S. Reid Merley. At the morning service of worship at eleven o'clock the Choir will render two anthem numbers from Haydn's "Creation." They will be "The Heavens Are Telling" and "On Thee." Continuing the series of sermons on "The Revelation Of The Cross," the subject of the morning message will be "The Cross and the Quest for a Peaceful World."

The Church Nursery, in which children may be left during the hour of worship, will be in charge of Mrs. W. J. Zaun, assisted by Carol Lovejoy and Dorothy Wentworth.

The Christian Endeavor groups will meet in the Church School room on Sunday evening at 7:15 o'clock. Jay Branin and Jack Kirk will be in charge of the devotional, while Mary Hamelman will lead the Senior group discussion.

Communion Services

The fourth and last sermon of the series on "The Relevance of the Cross" will be presented on Friday evening, March 31, as part of the Communion Preparatory Service. The subject will be, "The Cross as a Personal Christian Experience." The Preparatory Service commences at eight o'clock and will be held in the Sanctuary. All communicant members, and all who plan to partake of the Sacrament, are urged to attend this service.

The Sacrament of the Lord's Supper will be administered as part of the service of worship on Palm Sunday, April 2. All who desire to unite with the church at this service should contact the pastor immediately.

Easter Services

On Thursday evening, April 7, at 8 o'clock, the Calvary Choir, assisted by some of their friends, and with guest soloists Fred Homer, Baritone and William H. Naylor, Tenor, will present "The Seven Last Words" by DuBois. Lighting effects are being

tion. Time out to think of the other fellow. After a hard battle, after a busy, tiring day, time out for a little rest and recreation. Now that time is used determines the kind of fellow you are and will be.

Meditation is practically unknown in our age. We are rushed with work through the day and have pleasures galore to take up our time while off duty. We are crushed with duties and pleasures until we have no possible time in which to get acquainted with ourselves and our God.

Sam Walter Foss who wrote, "The House, by the Side of the Road" brought out the fact that it wasn't man's role to judge and criticize his fellow men but to go along with them and befriend them whether they be good or evil, courageous or faint or weary. His is a beautiful and workable creed for each of us to use to the extent of our ability. That doesn't necessarily need "time out."

Let us live in our house by the side of the road and be a friend to Man.

Sunday Services

Church School, 10:00 a.m.—Comes the Spring. With all new things, New life, let us put new life into our church school by regular attendance and playing an active part in it.

Morning Worship, 11:15 a.m.—True religious meditation is one of the most awe-inspiring experiences a man can dare. Your church is one place where you can truly meditate and get close to God. Think with Pastor Morgan as he presents his sermon, "Shall I Look For Another?" It will be presented in two parts.

EVERY TRUE PRAYER IS ANSWERED

As the Easter season approaches the prayer life of most Christians becomes just a little bit more intensified, and that means, of course, that a little bit more attention is given to the problems of prayer.

Jesus said, "And whatsoever ye shall ask in my name, that will I do." He also said, "Ask, and ye shall receive." But sometimes we ask, and do not receive, and we wonder! Is the promise valid, or is it possible that we have not quite understood the nature of the promise itself?

Surely the real answer to this particular problem of the prayer life is very simple. Just look at the last part of the statement of Jesus quoted above. This is how it ends—"that the Father may be glorified in the Son." The real purpose of prayer is to glorify God.

When we pray, we are asking God to give Jesus the opportunity to influence our hearts, our homes, our loved ones, our communities and our nation. But why? Simply that God may be glorified. When we are not quite sure whether or not our petitions are valid, let us just add one brief phrase to the petition, the phrase that was always used by Samuel Zeller of Mannedorf, "If it will glorify Thy name."

Here is one of Zeller's brief prayers, and it explains why it was that everything he asked for was granted. "Dear Father, If it will glorify Thy name, let these people remain sick, but if that be Thy will, give them power to glorify Thy name through their illness."

WHAT OF THEIR FUTURE?

A typical American boy and girl are pictured here—they may be yours or mine. What's ahead for them? Will they have the same opportunity for developing their ideas, ambitions, and dreams that we have had?

That they should have this blessing is paramount. That they should become men and women imbued with the American idea of life is essential to

the existence of this nation as we know and love it.

Let us not forget to protect for them those American institutions of Freedom of Speech, Freedom of Press, Freedom of Religion and Freedom of Enterprise that they may perpetuate the peace for which the Allied Nations are now struggling.

MADELINE PENNINGTON WAC TRUMPETER

An alarm clock shrills—a hand gropes out to silence its strident chatter. Silence for awhile. Then a figure reluctantly emerges from under a nest of G. I. blankets. It is 6:15. Fourteen minutes later a silhouette in khaki stands on a nearby hill. The waning moon glints on the gold of an uplit bugle. Reveille sounds. An Army day is born at Fort Oglethorpe, Ga.

Such is the early morning drama enacted by T-4 Madeline Pennington of Riverton, WAC trumpeter at Fort Oglethorpe. In sun or rain, heat or cold, she ushers in the new day as musical timekeeper of the training center.

As the GI day advances she punctuates its progress with the notes of her bugle. At 7:45 a brass-throated warning . . . First Call . . . notifies company commanders to prepare their troops for the march out. Successively she sounds school, drill and fatigue calls and at the final note of Assembly, the band strikes up and the regiment moves off down Pallas Avenue towards the reviewing officer and the class rooms.

At noon after a morning rehearsal with the 402nd Army Band, the dark-haired WAC emerges to sound off the ever welcome Mess Call. Then she repeats the morning bugle calls at 12:45 and the regiment moves to

At 4:30 on Sgt. Pennington's musical clock, her Recall sends the basic trainees back from classes. Twenty minutes later, First Call and Assembly sound again, followed by the four staccato notes of Attention. The cannon booms and in the absence of the band, Sgt. Pennington plays To the Color. The flag is lowered as the regiment salutes. An official Army day is through.

But Sgt. Pennington's work is not over yet. There still remains the warning of Tattoo at 9 a.m., the signal that lights will go out soon. At 10:45 she gives the call to quarters. At 11:00, the notes of Taps, bugled benediction of the Army, sound on the clear, night air. They float, endlessly sustained, over the darkened hills. There's a hush in your heart as you listen. Too soon, the last silver note dies away. Sgt. Pennington tucks her bugle underneath her arm and heads for home. The training center has gone to bed.

DAIRY TRAINING COURSE

Sylvan Leffmans, Jack Tait, Jack Bauer, and Edward Steedle, all of Palmyra, are now enrolled in a Dairy Training Course at Beemerville, New Jersey. This three weeks course, offered by the New Jersey Experiment Station, is designed to train the boys to take summer jobs on dairy farms in the state. Many dairy farmers are badly in need of help because of the loss of hired hands to the Armed Services and Industry.

The four Palmyra boys were driven to Beemerville by their Agricultural instructor John Perry on March 11. They will spend one week at the New Jersey Experiment Station receiving training in dairy work and

then spend two weeks on nearby dairy farms working under trained dairymen. This next summer, they will be placed by the State Commission on Student Service on selected dairy farms throughout the state.

For the convenience of the public at Mount Holly and surrounding localities the War Manpower Commission has decided to continue its Wednesday service at OPA headquarters in Main street, Mt. Holly.

Andrew J. Hill, WMC Area Director for the Trenton Area, said that the one-day-a-week service which was inaugurated two months ago seemed to be serving a useful purpose. Many persons desiring to accept proffered employment have used the local facilities at this place to expedite the issuance of statements of availability enabling them to start work without delay. The saving in

CHRISTIAN SCIENCE CHURCH
First Church of Christ, Scientist
Thomas Ave., at Seventh St.
Riverton, N. J.

"Reality" is the Lesson-Sermon
subject for Sunday, March 26.
Golden Text: "The counsel of the
Lord standeth for ever, the thoughts
of his heart to all generations."
(Psalms 33:11)

Sermon. Passages from the King
James version of the Bible include:
"He hath made the earth by his
power, he hath established the world
by his wisdom, and hath stretched
out the heaven by his understanding."
(Jer. 31:15) Correlative passages
from "Science and Health with Key
to the Scriptures" by Mary Baker
Eddy include:

"Divine metaphysics, as revealed
to spiritual understanding, shows
clearly that all is Mind, and that
Mind is God, omnipotence, omni-
presence, omniscience,—that is, all
power, all presence, all Science.
Hence all is in reality the manifesta-
tion of Mind." (p. 273)

**RED CROSS OPENS
NEW HEADQUARTERS**

The Burlington County Chapter,
American Red Cross, opened its new
headquarters recently in the former
Mary Hall Hare property, 446 High
street, having leased it for one year
from the new owners, Murrell C.
Price and Harold Del Phillips. Work
of moving records and equipment
from the former headquarters at
Warren and Farnum streets, Beverly,
started Monday.

Franklin P. Jones, Jr., of Edge-
water Park, sold his residence at 116
E. Warren st. to William C. Han-
num, of Chester, Pa., and informed
Red Cross officials that he would
have to use the chapter headquarters,
which he owns, as his new residence.
The headquarters formerly was in
Burlington.

PALMYRA LOSES

Palmyra High School's court team
was defeated last Friday night in
Convention Hall, Camden, by Lower
Regional in the finals of the South
Jersey Group 2 Tournament. The
score was 39-25.

Both teams were fairly evenly
matched during the first half but a
big third quarter for Regional proved
the deciding factor as the last quar-
ter was fought on even terms again.

HOW Women HELP TO KEEP THEM ROLLING ON THE PENNSYLVANIA RAILROAD

A WAR ROLE FOR WOMEN... as a trainman on the Pennsylvania Railroad. Women serve on short runs, as a rule.

RAILROADING has always been regarded as
a man's calling.

But when war reached deeply into railroad ranks
—taking from the Pennsylvania Railroad alone
more than 44,000 skilled and experienced workers
for the Armed Forces—women were employed to
help keep trains rolling.

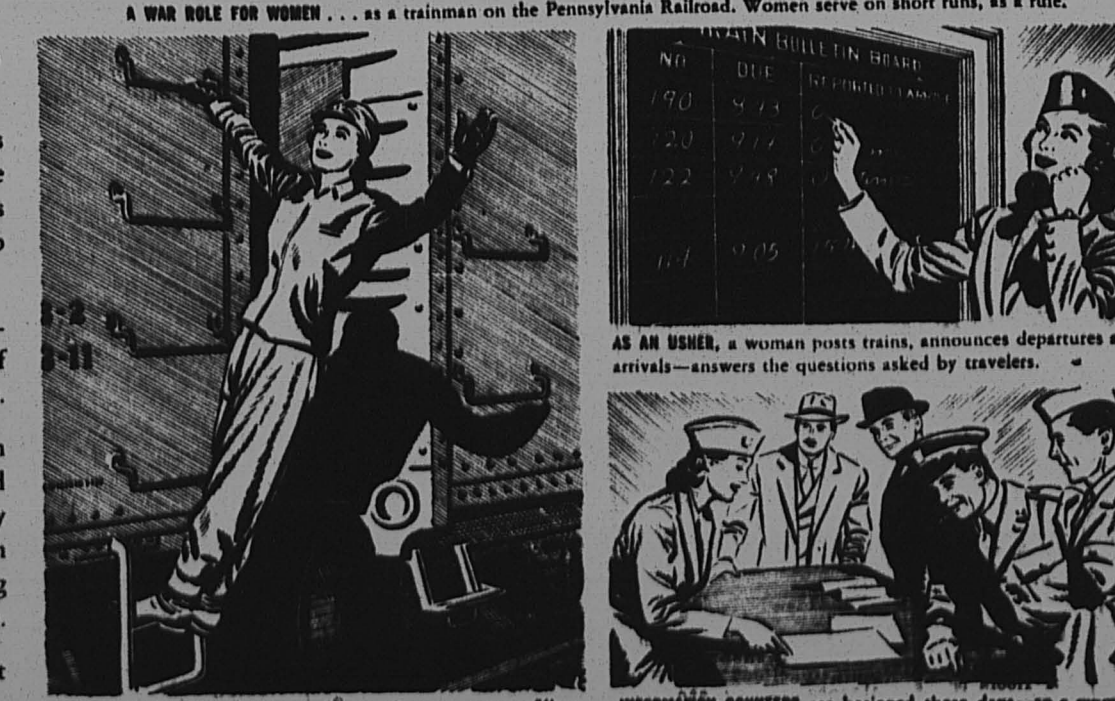

Today, on the Pennsylvania Railroad, approxi-
mately 22,000 women are serving in a wide variety of
occupations—four of which you see illustrated here.

Positions such as trainmen, ticket sellers, train
passenger representatives, ushers, information and
reservation personnel call for intelligence, courtesy
and a high degree of efficiency. Young women fresh
from college and high school—after intensive training
—have proved they can fill these roles most capably.

So, we're glad to have their help in the greatest
job railroads have ever been called upon to do,
moving men and materials to Victory!

MATHEWS DEPUTY ATTORNEY GENERAL

Former judge of the Burlington County District Court, Frank A. Mathews, Jr., of 203 Bank avenue, has received confirmation from the Attorney General of New Jersey, the Hon. Walter D. Van Riper, of his appointment as a Deputy Attorney General. Prior to the recent reorganization of the Legal Department of the State, Judge Mathews served for some years as Assistant Counsel for the State Highway Department; representing the State in cases involving the condemnation of properties for highway purposes under the State's Power of eminent domain. It is expected that the judge will continue in this work, in which he has had so much experience.

Judge Mathews will also continue private practice in the field of wills, estates, chancery matters, as special counsel, and in certain other matters in which his position as Deputy Attorney General will in no way conflict or interfere with his representation of the State. He is specializing in wills and estate matters, having begun this in 1940, when, after serving in the National Guard of the State of New Jersey for many years, he dissolved his twenty year partnership with the Hon. E. C. Waddington, former Judge of the Salem County Common Pleas Court.

He gave up his practice to be inducted into the Federal Service to serve his country during the present war, and was almost immediately discharged from the service because of an alleged physical disability. His numerous efforts to be returned to active duty were rebuffed by the Army. He was retired as a Lieutenant Colonel.

Temple Graduate

Judge, or Colonel, Mathews is a graduate of Palmyra High School, of the former Philadelphia Business College and of Temple University Law School with the degree of Bachelor of Laws. He is a Past Department Commander of the Department of New Jersey of the American Legion, having served nineteen months overseas in World War I. Past National Executive Committee member from New Jersey, three years chairman of the National Veterans' Preference Committee, and has been Chairman and a member of many State Committees of that organization. He is presently a member of the National World War II Liaison Committee.

Judge Mathews is nationally known for his stories and articles appearing in the American Legion Magazine over many years. He is a member of the Union League of Philadelphia, the Philadelphia Art Alliance and the Players & Players Club of Philadelphia. For many years he was active in amateur theatricals in Palmyra and Riverton. Carol B. Mathews, his wife, is a member of the Riverton Board of Education. They have five children, two of whom are in the Army. They are First Lieutenant John B. Mathews and Private William G. Mathews.

FILING PETITIONS

According to an announcement made this week by Palmer L. Adams, county clerk, the last day for filing petitions with the municipal clerk nominating candidates for municipal offices is Thursday, April 6.

BIRTH

Ensign and Mrs. William J. McCamy, of 745 Highland avenue, Palmyra, are receiving congratulations on the birth of a daughter, on March 23, at the Presbyterian Hospital, Philadelphia.

Ensign McCamy is expected home on leave shortly after April 1st, from New Orleans, his present location.

FIELD FIRE

The Riverton and Palmyra Fire Departments answered a call last Saturday afternoon for a very bad field fire between S-41 and Market street near the Tacony-Palmyra Bridge.

Several buildings and piggins were threatened by the flames which rose many feet into the air, but efficient work on the part of the firemen prevented any damage.

It took over an hour to bring the blaze under control.

WILSON RECEIVES AIR CORPS MEDAL

Award of the Distinguished Flying Cross to Captain James T. Wilson, of South Strafford, Vermont, has been announced by Air Force Headquarters. Captain Wilson, the 24-year-old pilot of a B-26 Marauder, has previously been awarded the Air Medal with three Oak Leaf Clusters.

Captain Wilson was cited for "extraordinary achievement while serving as pilot of a B-26 airplane on 25 bombardment missions over enemy occupied continental Europe. Captain Wilson's superior flying skill and untiring energy materially aided in the successful completion of these missions. His steadfast devotion to duty and his gallant courage reflect great credit on himself and upon the Military Forces of the United States."

"There is at least one of those 25 missions that I'll remember always," Captain Wilson says. "A Nazi air-drome in occupied France was the target. The flak was intense that day, and we had our hands full trying to maneuver through it. But we reached our target and laid our bombs squarely on it. Then we beat it for home, still getting flak. Before we got to the coast on our way out, we were attacked by enemy fighters, but we came through that, too. England and our own field looked good to us when we finally came in that day."

Before entering the Army in January, 1942, Captain Wilson farmed near South Strafford. His parents, Mr. and Mrs. Wilfred S. Wilson, live on Golf road, Riverton.

WORLD WAR II VETERANS TO BE INDUCTED BY LEGION

Commander A. H. Lippincott of the Frederick M. Rodgers Post, No. 156, announces that the Forty and Eight degree team of Burlington County will conduct the colorful ceremony of inducting a class of veterans of the present war, as members of the American Legion, at the Palmyra Borough Hall, on Tuesday, April 4, at 8 p.m.

All members of the Legion, in the communities of Riverton, Palmyra, and Cinnaminson, are earnestly invited and requested by the Commander to attend this meeting as the occasion affords to the veterans of World War I the opportunity to mingle, get to know and extend the usual helpful legionnaire hand of friendliness to those who have returned from service in World War II.

Every man who has served our country in World War II is cordially invited by the Post to attend this ceremony. On February 21st, as an illustration of why the task of aiding service men and women to return to civil life cannot wait, James F. Byrnes, director of the office of War Mobilization, disclosed that 1,220,036 persons had been discharged from the Armed Services since Pearl Harbor.

The Frederick M. Rodgers Post, in common with all the other posts of the American Legion has pledged itself to the accomplishment of two tasks—first, winning the war at the earliest possible moment; second, making certain that every legitimate interest of American service men and

WINS WINGS

Harry V. Groome, 20, son of Mr. and Mrs. Harry V. Groome of 417 Linden Ave., Riverton, won his navy "Wings of Gold" and was commissioned an Ensign in the Naval Reserve this week following completion of the prescribed flight training course at the Naval Air Training Center, Pensacola, Fla., the "Annapolis of the Air."

Having been designated a Naval Aviator, Ensign Groome will go on active duty as one of the Navy's air operational training centers before being assigned to a combat zone. Mrs. Groome and Lieutenant Groome's brother, Thomas, attended the exercises after which the Lieutenant came to Riverton on a two-day leave.

Honor Roll Progresses

Several impressive forward steps in the erection of the Riverton Honor Roll were taken in last week's meeting of the newly formed Citizens' Committee which was organized under the auspices of the Riverton Memorial Post. Present at the meeting were Mr. Donald Patterson of Christ Church, Mr. John Wright, of Calvary Presbyterian Church, Mrs. Eleanor Young of Zion A.M.E. Church, Mrs. Ezra Carhart of the P.T.A., Mr. Wm. B. Coley, Jr., of Sacred Heart Church, Mr. Richard Woodward of the Board of Education, Mr. Cook of the Riverton Police, Mr. Lawrence Downs of the Riverton Fire Company, Mrs. Ross Elliott of the Riverton Porch Club, Mr. Otis Myers of the Knights of Columbus, Mr. E. K. Merrill of the Civilian Defense Council and Mr. Donald Patterson, representing Rotary Club. In addition to the above organizations, eleven other local groups were not represented at the organization meeting, but expect to have representatives present at future meetings.

After a swift organization, four committees were organized to proceed with the necessary plans—grounds, structure, finances and names. This last committee has been offered the services of a group to make a house to house canvass of the town to be sure that the proper name of every man and woman from Riverton now in the service is obtained for the Honor Roll. Another meeting of the entire Citizens' Committee will be held shortly.

Last Friday evening, the Riverton Memorial Post continued its program by having the honor of entertaining the Riverton Borough Council, the Township Committee of Cinnaminson and the officers of the Riverton Fire Company. A most interesting get-together was held and many new friendships were created. Among the guests of honor were Mr. Palmer Adams, the County Clerk, who spoke briefly on the ur-

gent need of having discharges from the service registered at the County Clerk's office for future reference. The meeting was followed by refreshments. About forty men were in attendance. The next meeting of the

WORTHINGTON ENTERS SHERIFF RACE

Irvin R. Worthington, of Riverside, more familiarly known to the people of Burlington County as "Pud" has announced his candidacy for the office of Sheriff of Burlington county.

Mr. Worthington moved to Riverside in 1923, at which time he took an active part in sports, playing football with the then well known Riverside Big Green, when the public first became acquainted with his clean, sportsmanlike conduct both on and off the athletic field. He is a former member of the Board of Education of Riverside, having served as a member of that body for 16 years, and is now serving his ninth year as the local Police Recorder.

During 1939-40 and 41, in which years Burlington County suffered from the worst floods in the history of the County, Mr. Worthington was supervisor of Bridges, serving under Director Clarence G. Price, the Good Government Freeholder, and during this period the department was operated efficiently and always within the limit of the appropriation set up by the Board of Freeholders.

In 1942, Mr. Worthington secured a position with the Aluminum Company of America, at Burlington, New Jersey, immediately taking part in the various activities there, being selected as a member of the Labor-Management Committee, also the Safety Committee, which has just been awarded the Plaque for the least lost time accidents in the Aluminum Industry. He is also President of the Aluminum Workers Local, and as such has just recently returned from a conference in Pittsburgh with Company Officials, where he was successful in securing for the employees a week's vacation with pay.

EASTER SUNRISE SERVICE AT LAKEVIEW PARK

Plans are being completed for this unique all outdoor service at the dawn of Easter morning. It will again be conducted from the hillside altar in the Park. This will be the twelfth annual Sunrise service held under the auspices of the Palmyra Moravian church. The pastor, the Rev. Albert J. Harke announces that in spite of war conditions he hopes to be able to present a program similar to former years, including a brass ensemble. Vocal numbers will

also appear on the program. The service will begin at 6:30 a.m., preceded by music from the singing tower. Look for detailed announcement next week.

ABOUT TOWN

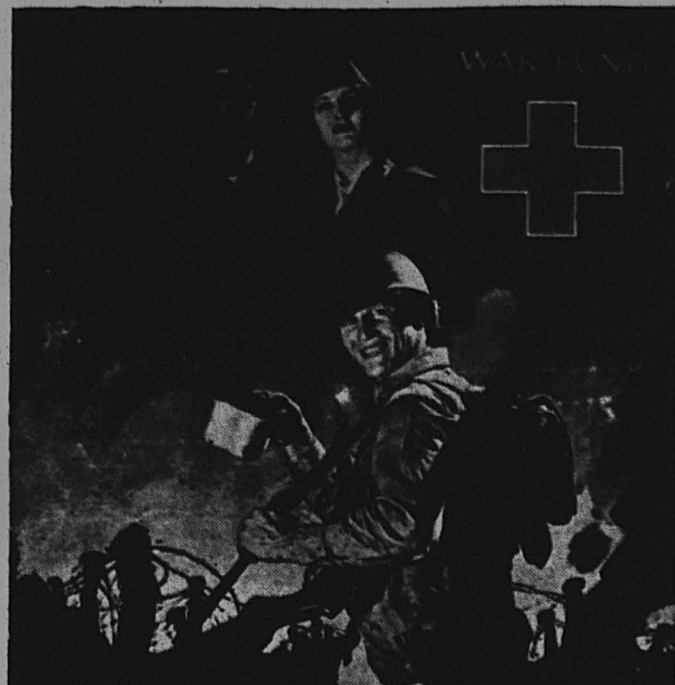

Barbara and Constance Evert, twin daughters of Mr. and Mrs. Brooks Evert, 430 Thomas avenue, Riverton, entertained a number of friends Saturday afternoon to celebrate their seventh birthday anniversary.

Earl Tanner, motor machinist mate 2-c, U. S. Navy, is spending a furlough here, after which he will return to duty on the West coast. He is in the submarine service and has seen considerable action in the Pacific.

ASSEMBLY CANDIDATE

Assemblyman Arthur W. Lewis, of Riverton, this week announced that he is a candidate for the Republican nomination for re-election to the New Jersey General Assembly. He is now serving his second one-year term.

If returned to the Assembly, Lewis pledges himself to represent "all of the people of the county, without commitment or obligation to any individual or clique."

"It is a pleasure to know and to the General Assembly, it is with a sense of pleasure and recognition of the responsibility that goes with the office," Assemblyman Lewis said.

"It is a pleasure to know and to work with many friends who are interested in the best in government, and we need only to review the problems now before the Legislature to appreciate the responsibility placed on the individual members of that body."

"I am confident, however, that

there are sufficient public-spirited and straight-thinking representatives to solve such problems for the best interest of all the people and their state government.

"If the voting citizens of Burlington county desire that I continue for another year, to represent them at Trenton, without commitment or obligation to any individual or clique, but only to all of the people of the county, I shall be glad to assume the responsibility."

Assemblyman Lewis was appointed by Governor Edge on the unofficial committee to study the proposed revision of the State Constitution, and later was named a member of the joint legislative committee to draft the revision. This work has now been completed and approved by the Legislature and the draft of the new constitution will be presented to the voters for their approval or disapproval in the general election in November.

Recently, Assemblyman Lewis was appointed a member of another important joint legislative committee, consisting of three Senators and three Assemblymen, delegated to study the pending labor, workmen's compensation and unemployment bills now before the Legislature.

He also is chairman of the Assembly standing committee on unemployment compensation and is a member of the committees on Banking, Corporations, Fiscal Control and State Library.

F. George Furth

F. George Furth, of Pemberton, former sheriff and auditor of Burlington county, has announced his candidacy for the Republican nomination for sheriff at the May primary.

In making his announcement Furth asked for the support of the county's Republican voters on the basis of his accomplishments and clean record as sheriff during the years 1936 to 1941.

"During the period of my incumbency," Furth said, "the county jail population" was probably greater than ever before in its more than 100-year history. At that time there was considerable agitation concerning the demolition of the old prison and the construction of a new building. I opposed this project for the reason that the county had just been through the expense of constructing a new Welfare House and hoped that we could emerge from what I felt was a temporary condition in the jail. With a comparatively negligible appropriation we improved sanitary facilities in the jail to the point where, even with over-crowding con-

ditions were greatly improved and have sufficed to date.

"Another innovation during my administration as sheriff was the formation of one of the first defense organizations in the State. A group of 100 members of county American Legion Posts were deputized by me for the suppression of subversive activities involving possible sabotage of essential war industries.

"Jurors who served in county courts during my administration as sheriff are well qualified to judge the methods of their selection and treatment within the jurisdiction of my office."

Until recently Furth resided in Moorestown Township for 23 years and since leaving public office in 1941 has operated a business on the outskirts of Pemberton. If elected he will retire from private business to devote his full time to the duties of sheriff.

Furth's participation in public of-

CENTRAL BAPTIST CHURCH

Rev. S. Dan Morgan, Pastor

Palm Sunday, April 2, 1944

Voices, glad voices proclaim the coming of Spring. Out of the dead of winter, the still sleep of nature, springs to life the myriad wonders that are making us conscious now that winter is passed and spring, with all its glories, is here.

Winter is but Nature's sleep. Know how you awaken after a night's good sleep, refreshed and ready for a new day.

Our life is not all winter, bare and desolate. Nor is it all summer warmth and pleasantness. After the chill wind comes the warm sun.

In the Son of God man finds new life, new hope, new warmth and a desire to go forward. In Him there is no desolation, but an everlasting life.

Sunday Services

Church School, 10:00 a.m.—A child is as a plant developing in your window. The more of God's sun it gets the more beautiful it will develop. Your church school is your child's window.

Morning Worship, 11:15 a.m.—The sermon, "The King's Arrival," will be preceded by anthem by the choir. They will be, "Hosanna! Blessed Is He," by Margott and "Christ Our Passover," by Chapple. Holy Communion will immediately follow the sermon and all are invited to partake.

Jr. and Sr. B.Y.P.U.—6:45 p.m.

Evening Worship, 7:45 p.m.—Palm Sunday evening Pastor Morgan will speak on, "Reaching For God." A violin solo entitled "The Palms," by Faure will be rendered by Mr. Claude Y. Barto, director of the choir. The choir's selection will be "Jerusalem," by Parker.

Wednesday, 8 p.m.—Mid-Week prayer and praise service.

Thursday, 8 p.m.—Choir rehearsal. Only a few more rehearsals before Easter. All members are urged to be present.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

The Communion Preparatory Service will be held in the Sanctuary on Friday evening, March 31, at 8:00 o'clock. The fourth and last of the present sermon series on "The Relevance of the Cross" will be presented by the Pastor. The particular subject of this message will be "The Cross As a Personal Christian Experience," and it is hoped that most of our communicant members will make a special effort to take advantage of this hour of preparation for one of the Christians most cherished experiences. Following the service the members of the Session will meet in the North Transept for a brief Session meeting.

On Sunday morning at 9:55 Church School will convene, with classes for all age groups from nursery to adult age. Mr. J. T. Kirk will teach the Men's Bible Class which meets in the gymnasium.

The Sacrament of the Lord's Sup-

per will be administered as part of the service of Divine Worship at eleven o'clock. The Sacrament of Infant Baptism will also be administered at this service. As this is also "Palm Sunday," the day on which Christians everywhere commemorate the Triumphal Entry of our Saviour into the city of Jerusalem, an appropriate message will be given. The subject of the Communion Meditation will be, "The Autobiography of the Master."

The Choir will render Robertson's beautiful sacred anthem, "All In the April Evening," and Mercandante's "When To The Lily Fair" will be rendered as a soprano solo. During the hour of worship children may be left in the church nursery under the care of Mrs. Wm. J. Brown and Miss Elizabeth Rotz, assisted by the Misses Isabelle Smith and Claire Burke.

The four afternoon circles of the Women's Missionary Society will meet at various homes on Wednesday afternoon, April 5, at 2:30 o'clock. The Calvary Mission Circle will meet at the home of Mrs. J. P. Roney, with Mrs. Albert Farrow in charge of the program. The subject will be "Brazil." The evening group will meet on Tuesday evening, April 4, at eight o'clock at the home of Mrs. Murray Kirkpatrick.

The announcement of the Sacred cantata to be given by the Choir on Thursday evening, April 6, will be found in another section of this paper.

On Friday evening, April 7, a Good Friday service will be held in the Sanctuary at 8:00 o'clock. The service will be developed around the seven words of Jesus from the Cross. The theme of this service will be, "The Seven Wonders of the Spirit of God." This evening hour has been chosen that all who work in the city may find it possible to attend the House of God on the anniversary of the day on which our Saviour died for us all. It will be good for all of us to set this hour apart for worship and quiet meditation.

On Friday, March 31, Mrs. Velma L. Comegys will sing the role of 'Mama Lucia' in Trenton Opera Company's production of the opera "Cavalleria Rusticana" by Mascagni. The title role will be sung by Carolina Segrera of the New Opera Company, New York City.

Mrs. Comegys, who is the teacher of music in the Riverton Public School, has been a member of Trenton Opera Company chorus for the past four seasons; and sang one role in the production of "Rigoletto" in which Robert Weede was the star.

A special number on a Red Cross benefit show presented by WACs at the Third WAC Training Center, Fort Oglethorpe, Ga., was a trumpet solo by T-4 Madeline Pennington, of Riverton, N. J. The show was given March 26, 27, and 28, and was a repetition, by request, of the "Bombshell Revue" that was given last month. New number included Sgt. Pennington's impersonation of Clyde McCoy's "Sugar Blues." The WAC musician is a member of the 402nd Army Band.

Mrs. Elsa Sutter, of 409 Thomas avenue, spent Wednesday of last week with her mother and father, Mr. and Mrs. Edwin S. Koehler, of Bethlehem, Pa.

Ensign Emilie Louise Moorhouse reported for active duty with the Navy Nurse Corps at Norfolk, Virginia, on March 28th, after spending a week with her parents, Mr. and Mrs. Edward Moorhouse, of Main

P.H.S. TUBA SOLOIST

Alvin Holman will again delight his listening audience with a difficult solo part in the 2nd annual band concert to be held at Palmyra High School on Friday evening, April 21st. Essentially a supporting instrument, his tuba adds a unique spot in a program that promises to be even more entertaining than last year's well received concert.

street. She is a graduate of New York University and Bellevue School of Nursing in New York City.

The many friends of Mrs. Caroline L. Rianhard, 609 Fourth street, Riverton, will regret to learn that she sustained a bad fall recently, incurring injuries that have confined her to her home.

On Tuesday evening, the Apache Gra-Y Club held its regular meeting in the school auditorium. The group

activities consisted of devotions, business meeting and a round of popular and exciting games. The boys were happy to welcome Mr. Middleton, who helped direct the sports activities.

The monthly meeting of the Business and Professional Women's Club of Palmyra and vicinity will be held on April 3 at the home of Miss Mary Green, 916 Highland avenue, at 8 p.m.

To be trusted is a greater compliment than to be loved.—George MacDonald.
