MEMORIAL DAY EXERCISES HELD

There was a large attendance at the Memorial Day exercises held here last week following the usual parade through Riverton and Palmyra.

STUDENTS IN SERVICE TO GET DIPLOMAS

The parents and friends of the students of the Class of 1944 who are in the Service, will receive their high school diplomas at the P.H.S. Commencement Exercises. These students include:

Charles H. Bailey, Jr.
Robert E. deGothsler
William A. Dorsey, III
George B. Dyson
Robert H. Hayes, Jr.
Mark Hoepfner
William A. Hopkins
Courtney P. Houston, Jr.
Richard D. Hunter
William P. Kemmerle
Francis La Barge
Harry Ward, Jr.
Lester F. Warner

MYSTERIOUS FIRE

Shortly after 4 o'clock on Thursday morning of this week, the Parry Fire Company answered a call for a car on fire at Church Road, Wrightsville.

Chief Erich Veitenheimer, of the Cinnaminson police, first on the scene, was unable to locate anyone in the vicinity and the ownership has not yet been established due to the fact that the vehicle was very badly damaged.

The flames had a terrific start before being discovered and the vehicle was ruined before the arrival of the firemen.

PROTEST TAX STAMP ON MOTOR VEHICLES

Congress again having ignored protests over continuance of the \$5 Federal "use" tax on motor vehicles, this annual headache for the motorists of the nation will start June 1, when stamps go on sale at the post-offices.

Keystone Automobile Club, which has fought the tax since its inception, announced that supplies of stamps are on hand in all postoffices and that regardless of the "justified indignation" of the motorists over continuance of the tax, the sensible thing to do is to comply with the law early in the month and avoid trouble in the last minute rush before the deadline July 1.

Terming the Federal levy "the most unpopular tax ever imposed on motorists," Keystone's statement declared the tax has been particularly obnoxious to car owners in the East, whose "use" of vehicles has been curtailed almost to the vanishing point.

"Particularly" the statement said, "is this true in the case of the A-rational motorist, whose allotment of two gallons per week permits minimum use of his car. To charge him \$5 for the privilege of driving some 1500 miles per year is unjust and inequitable."

Under the law the \$5 charge covers the car for the entire fiscal year. If a car which has not been in use is either put into operation or transferred to new ownership, the tax is paid on a pro rata basis—one-twelfth deducted for every month after July. In transactions involving cars for which stamps have been bought, the new owners are not obliged to buy new stamps. The rule is that "the stamp goes with the car."

NEEDED URGENTLY

Used furniture in good or repairable condition for recreation rooms at a nearby military camp. This furniture is a request from your Red Cross to help carry on one of its many services to the Armed Forces, the service of comfort and relaxation to the man who is off duty for a few hours.

Please note carefully the following list of articles, as they are the only ones that are needed and if you have any of these, contact the Camp and Hospital Chairman of your local chapter, Mrs. H. L. Unland, phone Riverton 1698.

Chairs
Settees
Tables
End Tables
Rugs
Lamps
Smoking Stands
Radios

Ping Pong Tables

LOCALS WIN AGAIN

Riverton A. A. continued its unbeaten course in the Burko League by defeating Mt. Holly 7-2 on Memorial Day on the latter's field.

L. Heisler hurried for the loop leaders and allowed only four hits. A big rally in the fifth frame that netted five runs clinched the verdict. Walton, of Riverton, hit for the circuit.

RED CROSS SURGICAL DRESSING

There is plenty of gauze now at the Surgical Dressing Room at the Public School. This gauze must be made quickly into dressings. Give a few hours of your spare time every Tuesday to this work. You will enjoy helping the cause. It is up to us to keep the hospitals supplied with dressings for the wounded soldiers.

Mrs. Joseph B. Tyler,
Chairman.

RECORDS NEEDED

Mr. and Mrs. Edward K. Merrill, of Main street, Riverton, have received word from their son, Lieutenant Owen P. Merrill, U.S.N.R., that the L.S.D. craft on which he is stationed has a record player—but no records.

Lieutenant Merrill stated that the men would appreciate donations of any kind of record, be it classical or jazz.

Look through your record collection and, if you have any to spare please phone E. K. Merrill, Riverton 0657-J and they will be called for.

KINDERGARTEN PUPILS AT RIVERTON SCHOOL

Children who will be 5 years of age before October 1st may register for Riverton Kindergarten any school day from June 5th to 16th, between the hours of 10 a.m. and 3 p.m. Birth and vaccination certificates should be presented.

As the time approaches for the in-
vasion of Europe by the Allies, peo-
ple all over the world are becoming
conscious of the fact that more than
the might of the sword will be need-
ed to bring about a victory and a
peace longed for by all. Doors of
churches are swung open through-
out the week to receive those who
wish a quiet moment to pray and
meditate. We may not all be able to
fight on the battle front but our ear-
nest prayers can bring our loved ones

back to us. Now, and at all times,
it is our supplication that those who
have been called to the front may
feel the presence of God always and
never falter.

Northern Baptist Convention which
was held in Atlantic City last week.

Five new members will be re-
ceived into the church. These are:
Mr. J. C. Noone, Mrs. J. C. Noone,
John Noone, Thelma Gray, and
Glady McCarrick. Following the
reception the Holy Ordinance of the
Lord's Supper will be observed.
Music by the choir will be the an-
them, "Great and Glorious," by
Haydn. Mrs. Anne Reid of Mer-

Sunday, June 4.

Golden Text: "He is the former of
all things, and Israel is the rod of
his inheritance: The Lord of hosts
is his name." (Jer. 10:16)
Sermon. Passages from the King
James version of the Bible include:
"Every good gift and every perfect
gift is from above, and cometh down
from the Father of lights, with whom
is no variableness, neither shadow of
turning." (James 1:17) Correlative
passages from "Science and Health
with Key to the Scriptures" by Mary
Baker Eddy include:

"He is divine Principle, Love, the
universal cause, the only creator, and
there is no other self-existence. He
is all-inclusive, and is reflected by all
that is real and eternal and by nothing
else." (p. 331)

Westfield Friends' School

Westfield has had a busy week.
On Monday, May 22, the Kinder-
garten celebrated seven birthdays.
Some of them were belated because
of absences. It was decided to make
a real party for all and invite the
mothers of the birthday children.
Cake, ice cream, and lollypops were
added to the regular luncheon and
with paper hats and party decora-
tions, the room was very festive and
gay. A very happy time was enjoyed
by all. The children whose birth-
days were celebrated were Connie
Chambers and Albert Rogers, of
Palmyra; Mary Conrow of Riverton;
Sue Stewart, Sammy Schurr, Lee
Gehring, and Richard Collier of
Merchantville.

On Monday also, the Nursery

IN "TUNISIAN VICTORY"
Many stirring front line stories are told of the 300 film technicians of the British and American Armies, Navies, Air Forces and Coast Guards who shot front line film for "Tunisian Victory," at the Fox Riverdale Theatre Tuesday Only, June 6. This picture, released by Metro-Goldwyn-Mayer, bears the significant main title, "The Governments of the United States and Great Britain present..." The film is the first joint presentation in history of the military action of two nations. It is the story of the Northwest Africa campaign.

Lt. Col. Hugh Stewart, commanding the British Army Northwest Africa film unit, was co-producer of the film with Col. Frank Capra, for the United States Army.

Lt. Col. Stewart relates this as one

incident of the filming, which covered the over 2000 miles of Africa battle line:

"While four of our men were killed, others had very narrow escapes. While with the Grenadier Guards at the vicious and vital battle of Longstop Hill, Sergeant J. West of my outfit, had a lens torn from the front of the camera by a piece of shrapnel. The rest of the camera was unhurt."

The gentlest thing in the world Will override the strongest... To remain gentle is to be invincible. —Lao Tze.

When angels visit us, we do not hear the rustle of wings, nor feel the feathery touch of the breast of a dove; but we know their presence by the love they create in our hearts. —Mary Baker Eddy.

BOND PREMIERE

Every American is expected to exert the last ounce of his financial and physical effort to make the Fighting Fifth Invasion Bond Loan Campaign a tremendous success for two extraordinarily good reasons. (a) It is hoped that the Fifth War Loan will be the last and (b) because General Eisenhower's forces will need so much more in ammunition and food during the invasion to guarantee freedom to free-loving people. No American—man, woman or child—can possibly be indifferent in this—the ninth inning of the world's greatest game.

The 5th War Loan, as it is called, begins June 12th and terminates July 8. The committee has obtained the co-operation of the Broadway Theatre management to hold another famous Bond Premiere on Thursday, June 22. Each purchaser of a 5th War Loan Bond, regardless of face value, is entitled to and will receive a special invitation to the premiere. The theatre box-office will not be open on June 22 for the purchase of a bond or an admission ticket.

Invitations will be available on June 12th to bond purchasers at the following issuing agencies: Cinnaminson Bank and Trust Company, Riverton and Palmyra Post Offices and at the office of the Palmyra Building and Loan Association, Broad and Cinnaminson.

Those Americans in this area who contemplate attending the Bond Premiere performance, must therefore purchase their bonds and get their invitations between June 12th and 6 p.m. on July 2.

During the fourth War Loan, one of the most significant sales contributions recorded was attributed to the school children of Palmyra. Inspired by American Legion Medals of Honor, accompanying citations and several names to the Broadway theatre, these youngsters turned in bond sales far in excess of all expectations.

Four Awards

As a result, the committee has prepared an even greater competitive incentive for the school children in connection with the 5th War Loan drive. Instead of only two awards, for the youngsters selling bonds to the greatest number of customers, there will be four. The Rotary Club Emblem Medal; the American Legion Medal of Honor; the Palmyra City Council Award and the Palmyra Business Men's Association Trophy. With each award will be given a 52-week pass. In other words, the winner of an award also receives from the Broadway Theatre an especially printed card entitling the holder to visit the theatre, once each week, for one full year.

Another new feature being introduced to expedite the sale of bonds during the current drive, is a special stage show and party at the Broadway Theatre, Saturday, July 1, which will be attended only by those children who sold at least one Bond. During this special performance talent prizes will also be awarded.

So much stress is laid upon the child selling angle because, it is believed, the youngsters of Palmyra will establish a new high in Bond salesmanship. It is therefore, hoped that when school children, sacrificing some of their vacation period, to solicit Bond sales from door-to-door, call upon potential buyers that these boys and girls will be courteously received and appropriately encouraged.

DOWNS THREE PLANES ON 1 MISSION

Captain James N. Wood, of Elm terrace, has become the second pilot in a P-47 Thunderbolt fighter group, commanded by Lieutenant Colonel Philip E. Tukey, Jr., to destroy three enemy planes in one mission, it was learned last week. The group is stationed at an Eighth Army Air Force base in England.

The 24-year-old pilot, a native of Rogers, Ark., and husband of the former Dorothy Haywood, of Riverton, was on his way home with his fighter group after a bomber escorting task, when the unit was attacked from above by about 40 Nazi planes. Catching a straggler in the Nazi force, Captain Wood destroyed the plane by firing into a cloud in which the German had sought refuge. He brought down his second in tackling an enemy plane that approached too close to the initial combat. To round out the day's activities, he outmaneuvered a Nazi pilot and forced him to crash into the ground, without firing a shot at him.

Captain Wood has been decorated with the Distinguished Flying Cross and one Oak Leaf Cluster, in addition to the Air Medal with three Oak Leaf Clusters.

Captain James N. Wood returned to the states May 29, after many months active service in Europe.

EVANS HONORED

On Monday night of this week, the members of the Riverton Fire Company held a farewell party for William Evans, president of the organization, who will leave Sunday with his family to reside in St. Petersburg, Florida.

In behalf of the organization, Edson Carhart, vice President of the company presented Mr. Evans with a handsome ring as a token of appreciation for his many years of service as a fireman.

Mr. Evans responded with a few well-chosen words and stated that while he was leaving Riverton, he would always remember with pleasure the time he had spent here.

Mr. Carhart will continue as head of the company until the next annual election.

K. O. C. PLANS CELEBRATION

St. Joseph's Council, Knights of Columbus, are now completing arrangements to celebrate the 25th anniversary of the organization of their council during the month of July.

The Council was organized on July 19th, 1919, with 52 charter members, with T. Austin Eadon then of Palmyra as the first Grand Knight.

A week's activities are planned beginning with a communion breakfast on July 16th.

Committee's appointed by W. Otis Myers, G. K., are now arranging the week's programs.

SCRAP COLLECTION SCHEDULE

Saturday, June 10
Linden and Elm ave; from railroad to river.
Cross streets: 4th, 2nd, and Front Streets.

D DAY ARRIVES

In local communities, as elsewhere throughout the entire Nation, the arrival of D-Day Tuesday was an occasion of solemnity, since there are doubtless many local citizens who rode the first boats to the beaches.

As soon as the invasion announcement was heard the church bells were rung and places of worship were open all day for prayers. Many availed themselves of this opportunity. In the evening, all churches held services and these were well attended.

So great was the interest here it appeared that every available radio was constantly in operation lest some important bit of news be missed.

Probably every family heard the President's Prayer at 10 p.m.

CEILING PRICES ON MEATS AT STORES

Local housewives who wish to secure a complete list of the retail ceiling prices of meats were advised today by Mr. Flynn, Chairman of the War Price and Rationing Board, that they can obtain these in the local stores.

This is the first time lists of meat ceiling prices have been available to consumers, Mr. Flynn stated. Their numerous consumer demands for meat prices when ceiling prices lists on groceries were distributed last March. At that time, scores of individuals and officers of women's organizations expressed the wish to receive the meat lists.

Housewives will use the listing in two ways judging from experience with the grocery list, Mr. Flynn said. A number of them will carry the lists in their handbags, but more of them will hang the list in the kitchen alongside the calendar. Mr. Flynn recommended the latter use.

"Naturally, any piece of paper carried in a purse will wear out in course of time," he explained. "Having the list in the kitchen will preserve it for reference for a long while. When the housewife is making up her marketing list, she can note alongside the meat items she expects to buy their maximum legal prices."

The consumer meat price list is a duplicate of the official ceiling price list recently furnished meat retailers for store posting except that the consumer list includes the prices of all OPA store groups whereas the store posters show only prices applicable to the group of stores in which it is posted.

Consequently, the shopper may be certain she has the proper ceiling price on a particular meat cut by being sure to refer to the price that applies in the group of store where she is going to do her shopping.

BOARD OF RECREATION COMMISSIONERS

The first meeting of the new Board of Recreation Commissioners was held on Monday evening, June 5th, in the Firehouse. This board was formed as a result of a resolution passed at the May meeting of the Borough Council authorizing the formation of a Recreation Commission under the laws of the state of New Jersey. The new Commission is composed of five members appointed by the Mayor and confirmed by Council. They are:

Mrs. Betty Bisschard, 1 Year
Richard Woodward, 2 Years
J. W. VanHorn, 3 Years
Mrs. Dorothy Evert, 4 Years
Albert Farrow, 5 Years

The meeting was called to order by George Becton, Chairman of Memorial Park and Mr. Walter Carson, Attorney for the Borough, then addressed the Commission Members on the duties and responsibilities of the new organization as they are defined by the laws of the State.

J. W. Van Horn was elected chairman of the Recreation Commission and took over the chair immediately. Councilman Becton gave a detailed report to the members on the affairs

BALL GAME SUNDAY

After a long series of games played away from home, Riverton A. A. returns to Memorial Park on Sunday, when the locals will oppose Palmyra in a Burlington County League game. The affair will get under way at 2:45 p.m.

On the basis of performances thus far this season, Riverton should take the decision, since the homesters are undefeated in five starts thus far this year, their latest victim being Roebing last Sunday. Palmyra has won once in their five games.

The Palmyrians, however, realize that Riverton will doubtless be reversed sooner or later and figure that this Sunday may be the time.

A large crowd is expected to be on hand for the engagement.

In winning this week, Riverton came from behind in the seventh stanza to score four times and erase a 5-2 edge that Roebing had taken in the previous frame. Van Emburgh and L. Heisler were the mound artists for the loop leaders.

AIR TRAFFIC

At the meeting of the local Business and Professional Men's Club held on Tuesday of this week, the speaker was Lieutenant Charles P. Payton, assistant to Gil R. Wilson, State Aviation Director. His topic was "Air Traffic Control and Commercial Airports of the Future."

In view of the special significance of the day the Rev. W. Neal Raver said the invocation and the Rev. S. Dan Morgan offered a prayer for the success and safety of our Armed Forces who are participating in the invasion.

New members received included Leslie W. Reeves and Lester A. Drenk.

Guests were the Rev. Dr. Elmer Lewis, brother of Assemblyman Arthur W. Lewis and Councilman Paul Van Sant and T. Curtis Flynn, of Palmyra.

The speaker, who was introduced by Frank Snover, traced the progress made by civil aeronautics during the period from 1937 to 1940, when, from a modest beginning, the number of pilots rose to nearly 500,000, many of whom were civilians.

He also told of the progress made in aviation since the start of the war and described planes that can cross the Atlantic in eight hours and some that can carry 45 tons of cargo.

Lieutenant Payton expressed the opinion that, when hostilities are over, many of our flyers are going to still be intensely interested in aviation and predicted a great boom along this field of transportation. He asserted that every community, unless it wants to appear hopelessly antiquated, must make provision for an airport.

In conclusion, he stated that, with improved ships, new instruments, etc., private flying will become a most common type of transportation and that commercial flying will reach a point undreamed of a few years ago. The meeting was the last until next Fall.

MRS. ELIZABETH GROFF FRAELICH

Mrs. Elizabeth Groff Fraelich, wife of the late Samuel W. Fraelich, former residents of Camden, died at the home of her daughter, Mrs. William W. Smith, 301 Elm avenue, Palmyra, on Sunday, June 4.

Funeral was held Wednesday, June 7, at the Snover Funeral Home, with Reverend Stover, of Camden, officiating. Interment was in Harleigh Cemetery, Camden.

The deceased is survived by two daughters, Mrs. Wm. W. Smith, of Palmyra, Mrs. L. C. MacMahon of Camden, a son Walter Fraelich and one granddaughter, Mrs. Louisa Carpenter, of Lancaster, Pa.

HONOR ROLL FUNDS

In all the world last Tuesday was "D" Day—the day of the long awaited invasion of Europe. But for Riverton Tuesday was more than "D" Day. It was Honor Roll Day for the entire community. For appropriately enough, Tuesday, June 6, was the day that the Riverton Memorial Post, in conjunction with its cooperating Citizens Committee, put into the mail an invitation to every citizen of Riverton to contribute to the Honor Roll which soon is to rise in the heart of the town in tribute to our local men and women who are now in the armed forces.

After several months of negotiation with the Pennsylvania Railroad, the Riverton Memorial Post has arranged for the purchase of the ground between the railroad and the property of J. T. Evans Co. Through the friendly, sympathetic help of the railroad, the original price of \$1,000 was reduced to \$750 and the Evans Company, in a splendid gesture of helpfulness immediately offered the Post \$500 for a small 20 foot strip of the plot adjoining the company's property. Thus the purchase of the ground is practically paid for before the campaign has opened.

Other Donations
In the meantime another public spirited citizen has donated the necessary cement block, brick and cement for the construction of the Honor Roll while numerous other offers have come pouring in. In its letter of invitation to our citizens, the Post reported that its plans call for a more substantial Honor Roll than that commonly seen. "Gold stars," said the Post letter, "do not belong on a wooden signboard."

Consequently, a more permanent type of construction has been agreed upon with the feeling that the citizens of Riverton would give a most generous response to the appeal for funds. Herbert Evans, who is so well known in civic affairs, was appointed treasurer of the Honor Roll Fund and all donations should be mailed to him.

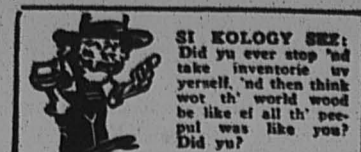

The joint Citizens Post Committee also agreed that if in the event of the fund being over subscribed, any remaining funds should be turned over to the Playground Committee of Riverton Memorial Park in order that more equipment should be purchased for the recreation of the children of the town.

A rough sketch of the proposed Honor Roll accompanied each letter and showed that the structure will be some 24 feet long and approximately 12 feet in height with accommodations for at least 300 names. At the time the Honor Roll is dedicated, the Riverton Memorial Post will transfer title to the plot to the Borough of Riverton to be maintained in perpetuity in honor of our men and women who served in the present conflict. A more complete report will be submitted to the Mayor and Council of Riverton by the Riverton Memorial Post this Thursday evening.

In the meantime a special invitation has been extended to the churches, schools, clubs, and other organizations of the town to participate in financing the project. It is earnestly hoped that every citizen, from the youngest to the oldest will willingly and eagerly cooperate with the Riverton Memorial Post in erecting an Honor Roll which will make our young people say, when they come home, "You folks did it right!"

The Post also hopes to have its charter formally approved by the American Legion in time to put the emblem of that organization on the structure.

The Business and Professional Women's Club of Palmyra and vicinity elected Miss Dorothy Hutchinson as president for the coming year. The club also voted to purchase ten packages for our Prisoners of War from the Red Cross at this time.

RIVERTON SCHOOL NOTES

Health—Two children were under quarantine for scarlet fever, but have returned to school (a pre-school child was the patient). One pupil was sent to Dr. Dickson's office, but was not excluded. Thirty-two pupils attended dental clinics.

All classes have held their parents' day sessions. The last ones (Miss Paulding) brought fourteen parents into the school. Miss Hulise had 25 visitors. We felt that individual classes having a demonstration or exhibit brings the parents and teachers into closer contact and gives parents a better understanding of the work of the school than one big school exhibit.

Our music festival demonstrated that our children enjoy their music, that they listen to it, and it has meaning to them. Efforts are directed toward finishing classroom work satisfactorily and we have two more activities before the term ends.

Wednesday, June 7th, "The Fair" was held in Memorial Park. The Parent-Teacher Association served supper at five o'clock. Our activities began at six.

The Junior Band of Palmyra played during the supper hour. Our own

"Midget Band" led our procession. The various classes did folk dances, some of the boys who thought they shouldn't be dancing at their time of life did stunts, and the older boys played baseball with their fathers—as many as could be enlisted.

Our art exhibit was given a place there. We had a table of things made in the school to be sold for the benefit of the library, a "White Elephant" table and a "Wishing Well" for the children.

Our closing exercises will consist of the final class meeting of the 8th grade, some music, and as the entertainment feature a puppet play that was entirely produced by the class. This is quite a nice school project. The stage was built and wired by the boys, the puppets made and dressed by girls, the scenery painted and script written by groups of both boys and girls. Puppets were manipulated and parts spoken by class members. We believe that you will find this (June 14th, at 8 p.m.) an interesting evening also.

ANNUAL MEETING OF THE FIRST CHURCH OF CHRIST, SCIENTIST, BOSTON, JUNE 5

While holding military might essential to the victory of allied nations over the anti-Christ claims of injustice and intolerance, The Christian Science Board of Directors today told the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, that freedom is essentially a spiritual gift "to be realized only through spiritual understanding and attainment."

Before an audience of several thousand Christian Scientists essentially local in character due to wartime restrictions upon transportation, the directors cited the universal determination to win the peace as advance evidence of a world-wide realization that "righteous victory under arms will not suffice to guarantee freedom to mankind."

Freedom from want and fear, freedom in worship and speech, the Directors stated, constitute much more than a political slogan or governmental ideology, "for our great Way-shower, Christ Jesus, proclaimed centuries ago that freedom accords with God's will and law, furthermore he gave simple, clear direction for the attainment of full freedom for the individual, and through the individual, for all humanity."

The Directors' statement highlighted reports to the third annual meeting of The Mother Church held under wartime conditions which cited increasing evidence of church growth and activity, and unprecedented demands for the works of Mary Baker Eddy and The Christian Science Monitor. Sales of Mrs. Eddy's works were said to have risen to twice the volume of the last pre-war year, indicating the increasing desire for spiritual progress in the wartime emergency.

Announcement was made by the Directors of the appointment of Paul Stark Seeley, of Cambridge, Massachusetts, as President of The Mother Church for the ensuing year, succeeding Mrs. Daisette D. S. McKenzie.

Tracing the growth of the Christian Science movement from the time of the erection of the original edifice of The Mother Church, 30 years next December, to the present day, the new President revealed an increase in the number of branch Christian Science churches from less than 100 a half century ago, located in two countries, to nearly 2,900 today located in 54 countries.

Reports from the field and from the various departments of the Christian Science movement indicated a sharp turn to religion as the mainstay of a war-torn world.

GOOD NEWS

"After two years of dire foreboding, good news looms on the motor horizon," declares the Keystone Automobile Club, in a statement attributing the change to a new attitude on the part of Federal government officials concerned with the transportation problem.

Pointing out that A-rationed motorists are promised new tires by Autumn and that B-rationed car owners may have their gas rations increased next month, J. Maxwell Smith, President of the Club, said: "Optimism, backed by action, has entirely supplanted the former defeatist attitude to which the Club has on many occasions taken vigorous exception. Our contention that the motor vehicle is an integral part of the every-day life of America is now fully accepted, and government officials, who thought the easiest way to solve the problem was to rule cars

off the highway are now working at top speed to keep them on. "With the prospect of new tires vehicles are expected to hold on to within a few months, thousands of their cars."

Why telephones are hard to get

There are two reasons why we cannot fill orders for telephone service today as fast as we'd like:

The reserve facilities which enabled us to meet the service needs of Army, Navy, war industry and most others since the start of the National Defense Program in 1940 are now exhausted, and no more equipment is being built for civilian use.

All telephone manufacturing facilities and manpower are devoted to making communication and other electrical equipment for our armed forces. Their entire capacity is converted to war production.

We've done all we can to serve as many as possible by—

Reconditioning and using every facility that will give good service.

Converting one-party lines to serve two or more families.

Operating central offices beyond their normal capacity.

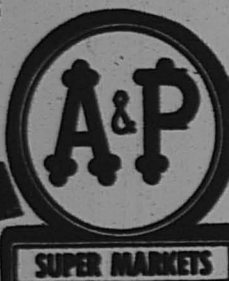

Taking extra-good care of equipment that can't be replaced.

If you are waiting for a telephone, we're sorry. The only facilities now available are those released when service is discontinued, and many of these are required for war purposes. We'd like you to know that we will take care of your needs at the earliest possible moment.

ARRESTED HERE

Early Wednesday evening, Officer John Robinson, of the Riverton police, arrested Dominico Mercurio, 70, who had been loitering about town for two days.

Investigation, police allege, showed him to have been arrested several times on various charges. In addition, he had no alien registration card.

Mercurio is being held in the Riverton jail pending an investigation by the Bureau of Immigration.

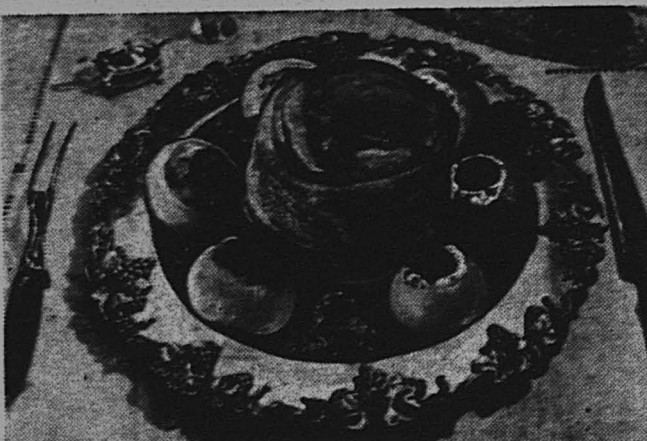

NO LICENSE

Robert Robinson, 17, 511 W. Sixth street, Palmyra, was arrested June 6 by Chief William Gootes, of the Riverton police on the charge of driving without a license.

Robinson was given a hearing before Recorder William H. Bottinger and paid costs. Sentence was suspended.

**How Much Protein?**
This Important Food Element Is Needed in Amounts
Equal to 10% or 15% of the Diet

Meat may be superior in flavor to other protein foods, but it often has no greater nutritional value.

HERE is cheerful news for those who have been worrying about the predicted meat rationing program of 2 1/2 pounds per week per person. That amount is more than enough to cover the protein requirements per person.

Protein is an important food element. The child needs it for growth; the adult for body maintenance and repair. Tests show that the athlete and the growing child need more protein than those who are not so active. For most persons, 10% of the diet is a sufficient amount of protein.

Meats are not the only proteins. Others include chicken, fish, nuts, cheese, eggs, and dried beans and peas. The protein value of these foods make them good meat substitutes and they can be served on meatless days.

Dried beans and peas are known as incomplete proteins and should be served with a glass of milk when they are the main dish of a meal. Here are several excellent dishes which are rich in protein, yet contain no meat. Clip these out and plan to prepare them on Tuesdays.

Biscuit Ring with Creamed Eggs
Basic Biscuit 1 tbsp. melted butter
Recipe: 1 cup grated cheese

Roll out biscuit dough to 1/4 inch thickness. Brush with melted butter and sprinkle with grated cheese. Roll as jelly roll and place in heavily greased ring mold, being very careful to join both ends of dough smoothly. Bake at 425° F. for 25 minutes. When ready to serve fill centers with creamed eggs.

*This may be made in advance and stored in refrigerator until ready for use.

Creamed Eggs
1 1/2 cups milk 4 tbsp. flour
4 tbsp. butter 1 tsp. salt
6 hard-cooked eggs

Scald milk. Blend butter, flour and salt into fluffy mixture. Add scalded milk and cook until thickened. Add sliced hard-cooked eggs to sauce and serve with biscuit ring.

Cheese Bean Loaf
1 lb. cooked kidney beans 1 cup bread crumbs
1/2 lb. American cheese 2 eggs
1 onion, chopped Salt, pepper and paprika

Drain liquid from beans; run beans and cheese through the medium food chopper. Cook onion in butter. Combine ingredients. Add seasonings and eggs, beating thoroughly. Mold into a loaf and roll in bread crumbs. Spread top with melted butter or pack firmly in loaf pan and cover top with buttered bread crumbs. Bake in a moderate oven (350° F.) for 35 minutes. Serve with a tomato sauce.

Baked Stuffed Fish
1-4 lb. white fish Salt or shad 3 slices of bacon

Clean fish inside and out, sprinkle with salt. Note—when buying fish for stuffing, ask to have the back bone removed.

Stuffing
2 cups soft bread 1 onion, minced
crumbs 1/2 cup butter, melted
1/2 tsp. salt 1/2 cup parsley
Pepper 1 tsp. sage or thyme
1/2 cup hot water 1 tsp. sage or thyme

Mix all ingredients. Pack into fish. Sew opening. Place on buttered rack of pan and place bacon over top. Pour over fish enough water to just touch the bottom of fish. Bake at 350° F. for 45 to 60 minutes.

Do not use your gas range for heating but only for cooking.

"THE MIRACLE OF MORGAN'S CREEK" AT BROADWAY

Friday and Saturday, June 9-10, at the Broadway, "The Miracle of Morgan's Creek" brings heaps of laughter when Betty Hutton and Eddie Bracken go through their side splitting antics in the screen's most riotous comedy.

Services for worship for the Sec-
ond Sunday after Trinity will be held
at 11 in the morning and 7:45 in the
evening in Epworth Church. This
day is known as Methodist Students
Day, formerly Children's Day, and
recognition will be given to the chil-
dren and youth of the church. In
the morning service the Chancel
Choir will be heard in two anthems,
members of the Church School will
serve as ushers and the minister will

deliver a children's sermon. The
Sacrament of Holy Baptism will be
administered. The Senior Choir un-
der the direction of Mrs. Rachel
Lord will sing "Spirit of God," by
Humano. May all the members of
each household in Epworth parish
come to this children's worship ser-
vice. In the evening the Youth Fel-
lowship will be in charge of the ser-
vice. Miss Virginia Miles will be
the leader. A quartette composed of
Corinne Hansen, Eleanor Sauerwein,
Robert Gilmore and Franklin Per-
kins will sing "God So Loved the
World" by Stainer. Miss Eileen Rae
will offer a violin solo and the Fel-
lowship Choir will sing "Praise Ye
the Lord." Addresses on "Living
Creatively in a Destructive World"
will be given by Alan Thompson and
Richard Mallory. The scripture les-
son will be read by Miss Ruth Gar-
diner and the prayer offered by Miss
Stella McCay. The installation of the
newly elected officers of the Fel-
lowship will be conducted by the min-
ister. Those to be installed are Vir-
ginia Miles, President; Ruth Gardin-
er, Vice President; Stella McCay,
Secretary; Richard Mallory, Corres-
ponding Secretary; Alfred Rose,
Treasurer; Commissioners: Worship,
Alan Thompson; Community Service,

Eddy include:
"As the children of Israel were
guided triumphantly through the Red
Sea, the dark ebbing and flowing
tides of human fear—as they were
led through the wilderness, walking
wearily through the great desert of
human hopes, and anticipating the
promised joy,—so shall the spiritual
idea guide all right desires in their
passage from sense to Soul, from a
material sense of existence to the
spiritual, up to the glory prepared
for them who love God." (p. 566)

Treasury Department and War Advertising Council

This is the one that counts!

"... Ask the Joes in the front lines!"

"... Ask that kid on the stretcher!"

"... Ask those who bury our dead!"

THEY KNOW. Every G. I. Joe knows.
"This is the big show. This is the pay-off. This is
the one that counts.
"Sure, we're going to take 'em. But it's going to cost
us plenty . . . thousands and thousands of lives . . .

billions and billions of dollars.
"That's the price we must pay for a decent world—
a world in which we and all children can live in peace.
We G. I.'s will furnish the bodies. Will you furnish the
dough?"

..and it's going to cost us plenty!

NOBODY NEEDS to tell you that the fighting in this
war is reaching a crisis. But we've got to realize
also that we face a similar crisis in financing the war.
Make no mistake! The 5th War Loan is the biggest,
most vitally important financial effort of this war!
We can't afford to fail.
Now is the time for every American, soldier and
civilian, to go all-out . . . to make his supreme effort of
the war. Buy double the extra Bonds you bought last
time!

And here are 5 more reasons for buying
Extra Bonds in the 5th!
1. War Bonds are the best, the safest investment in the
world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing
purchasing power after the War.
5. War Bonds mean education for your children, se-
curity for you, funds for retirement.

Fresh Fruit Desserts

SUMMER fruits add color and flavor to desserts. The cooling taste of orange, lemon and raspberry is a joy on a hot day.

Dessert recipes that call for heavy cream may be changed by substituting evaporated milk for the cream. The evaporated milk must be chilled in the refrigerator for twelve hours before it can be whipped to the proper consistency.

Try these summer dessert recipes.

Raspberry Swirl Ice Cream

2 eggs well beaten
1 cup sugar
1 cup milk
1 tsp. vanilla
1 cup evaporated milk
1 pt. of raspberry-flavored strained syrup
1/2 cup corn syrup

Stir syrup, milk, and vanilla into eggs. Use evaporated milk that has been chilled in the refrigerator for 12 hours. Whip it to custard-like consistency, and fold into egg mixture. Pour into freezing tray of refrigerator and freeze for one hour. Meanwhile, add the syrup to strained berries. Cook ten minutes. Chill. Remove ice cream from refrigerator and beat until smooth. Then add raspberry syrup by drawing spoonfuls of the mixture lengthwise through the ice cream, creating a swirling effect. Return to refrigerator and continue freezing. Makes eight servings.

Orange Sparkles Cookies

1/2 cup wheat or rice sparkles
1/2 cup shortening
1/2 cup butter
1/2 cup brown sugar, firmly packed
1 egg well beaten
2 tps. orange juice
2 tps. grated orange rind
1/2 tsp. vanilla
1/2 cup sour milk
1/2 cup all purpose flour
1/2 tsp. salt
1/2 tsp. soda
1 tsp. baking powder

Spread sparkles in shallow pan and place in moderate oven (350° F.) for five minutes. Cream shortening, sugar, creaming thoroughly. Stir in beaten eggs, orange juice, rind, vanilla, and sour milk, beating well after each addition. Sift flour once; then measure. Sift again with salt, baking powder, and soda. Add to cream mixture; then add sparkles, mixing well. Drop from a teaspoon onto a greased cookie sheet. Bake 12 min.

utes in a moderate oven. Makes four dozen cookies.

Graham Apple Pudding

1 1/2 cups graham crackers
1 lb. butter or other shortening, melted
1/2 cup nut meat, chopped
1/2 cup sugar
2 tps. molasses
1/2 tsp. apple sauce
1/2 tsp. orange rind, grated

To the graham cracker crumbs add butter, nut, sugar, and molasses. Put two-thirds of the mixture into bottom of flat baking dish. Mix applesauce with orange rind and pour on cracker mixture. Top with remaining mixture. Bake for 30 minutes in a moderate oven (350° F.). May be served with cream.

Fruit Pie

1 pt. fresh strawberries, raspberries, or peaches
1/2 cup honey
1 pkg. strawberry gelatin
6 oz. (about 1/2 cup) cream cheese
1/2 cup cold evaporated milk

Method: Bake pastry shell. Cool. Wash berries. Add honey. Prepare strawberry gelatin following package directions. Cool until gelatin begins to thicken. Add berries. Combine cream cheese and cold, evaporated milk and beat until blended, then beat until it is like stiff whipped cream. Spread the bottom of pastry shell with this mixture, reserving half for garnish. Chill until firm. Put remaining mixture into a pastry bag. Pipe large rosettes around edge of pie, or cheese mixture may be dropped from a teaspoon to form a border. Makes one 8-inch pie.

PLAYING AT FOX RIVERSIDE SUNDAY AND MONDAY

Scene from "The Miracle of Morgan's Creek" starring Eddie Bracken and Betty Hutton at the Fox-Riverside this Sunday and Monday.

The battle for the World is on!

NOW THAT the chips are down... now that our men are writing decisive history with their blood... There can be no halfway measures for us.

The greatest battle in the history of the world must be matched by the greatest war loan in the history of the world. That's what Uncle Sam says... the same Uncle Sam for whom your brothers and sweethearts

and husbands are fighting and dying this very minute. They, in the front lines, are throwing in everything they have. We, behind the lines, must do the same.

Remember, this is the battle for the WORLD. Our world. And we've got to win it. That's why Uncle Sam expects every dollar, like every soldier, to do its duty. Put this Fifth War Loan over... buy more War Bonds than you think you can!

PALMYRA SCHOOL BAND

Climaxing a most successful season the Palmyra High School Band will play at Willow Grove Park, Pennsylvania Saturday evening, June 10. Believing this to be a great honor accorded the Band, and wishing to make this a gala day, the Band Parents Club under its new president, Mrs. C. Kenneth Davis, a number of its members will undertake the job of transporting instruments and uniforms to the Park. The Band will leave Saturday morning by bus, spend the day at the Park and join the Club members at a picnic supper. Under the capable leadership of their Band director, Kenneth Merrill, the High School Band gave a mid-season concert before a capacity crowd of some 500 townsfolk. They participated in the Memorial Day Parade at Riverside, and the Riverton-Palmyra Parade on Sunday, May 14. The Band played at the Dedication Services of Cinnaminson Township's Honor Roll.

The Junior Band brought to a close its winter season on June 7, when it played at Riverton Park for the Riverton P.T.A. picnic. This band composed of youngsters from the grade schools of Palmyra and all the sending districts has enjoyed a highly successful season. Following their usual custom they will have a summer season beginning the last week in June and ending in August. A new feature this season will be several short concerts to be given at the Band Shell in the Palmyra Grove.

Church Notices

CENTRAL BAPTIST CHURCH
Fifth Street and Maple Avenue
Palmyra
Rev. S. Dan Morgan, Pastor
Sunday, June 11, 1944

Having and giving joy is within the experience of everyone. A friendly smile, a cheery hello, will scatter a little sunshine to whomever one meets, whether friend or stranger. There is more than enough of sorrow and hardship to share your portion of gladness with those less fortunate.

This Sunday will be Children's Day. Happiness is a child's heritage and on this 2nd Sunday of June, the month of opening Spring beauty and freshness, the children of the land are given a time to express themselves in speech, sound and action. As stained glass windows make the light a song of beauty, so the light of God shines through these little ones. All classes will convene in the church at 10 o'clock, sharp, for the Children's Day Exercises. The various departments will take part. Parents and friends are invited to be present.

Morning Worship, 11:15 a.m.—Everyday we read about great leaders and conquerors, of force trying to bring about peace and right but the sword is always conquered by the Spirit. "The Undeclared Conqueror" will be Pastor Morgan's sermon topic. The Choir will render Simper's anthem, "Break Forth Unto Joy."

Jr. and Sr. B.Y.P.U.—6:45 p.m.—Evening Worship, 7:45 p.m.—The Liaison Committee will conduct a service honoring the boys and girls in the Armed Service. Their favorite hymns will be sung, excerpts from their letters will be read and a report of what the committee is doing and what they want to do in the future will be given. This is a vital connecting link between those far away and their home church and it needs the spiritual support of everyone. You will want to hear what has been done and what can be done by us all as time goes on. "Saviour, Breathe An Evening Blessing" with a violin obligato, by Ambrose-Felton.

Wednesday, 8:00 p.m.—Mid-Week prayer and praise service.

Thursday, 8 p.m.—Choir rehearsal. Sunday, June 18 at 7 p.m. begins the Combined Vesper Services in the Grove.

Central Baptist was glad to welcome the Y.M.C.A. groups of Palmyra and Riverton and East Riverton and their leaders. We hope they will come again and often.

About Town

The annual musical of the Sacred Heart School will take place in the school auditorium on Sunday afternoon, June 11th, at 3 p.m. All are cordially invited to be present.

Liet. (j.g.) James Fitzgerald, wife and daughter, of Norfolk, Va., are visiting at the home of Mr. and Mrs. James F. Dobbins, 410 Thomas avenue, Riverton.

YMCA BRIEFS

The YMCA of Burlington County joined with Ten Thousand others throughout the World Tuesday in observing the Hundredth Anniversary of the founding of the movement by twelve men in a London edroom. Nearly two hundred fifty workers and friends of the YMCA participated in a special program and buffet supper at the Moorestown Field Club as the climax of meetings throughout Burlington County in Communities, Service Clubs and Churches during the past few months and especially the past week. The program was begun with a minute of silence in tribute to the boys overseas.

Among many tributes paid to the YMCA was one in a letter from Governor Walter E. Edge in which he extended on behalf of the citizens of New Jersey, his congratulations on the Centennial Celebration. Dr. Wilbur E. Saunders, headmaster of the Peddie School and President of the Hightstown YMCA brought the "Second Century Day" program to a close with a stirring address. "The YMCA is an organization which will help bring about the kind of a world our boys are fighting to make an opportunity for

said Dr. Saunders.
The whole group was led in a Ceremonial of Dedication to the Youth of the Second Century by Henry F. Stockwell, who has been associated with YMCA activities since its first year in the County. George Wimer of Palmyra, former County Sheriff, represented the First Century and passed on a torch to Harry Crosson, Moorestown Jr. Hi-Y member, who represented the Youth of the Second Century. Mr. Wimer is the oldest active director in point of years and has been active in the Palmyra-Riverton YMCA since World War 1. A brief skit based on a part of the YMCA emblem John 17:21. "That they all may be one," prepared by George R. Keller, Assistant County Secretary, preceded the Ceremonial and included Otto Mann of Beverly, and Maurice Umble, Moorestown Hi-Y; Ralph Graves, Moorestown Gra-Y and Franklin Childers, Moorestown Jr. Hi-Y Club.

SANITARY SURVEY

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week a survey of sanitary conditions was authorized by the members. This will be conducted by the State Board of Health at no cost to the municipality and is a move which has been contemplated for some time.

A representative of the State explained the procedure, saying that investigations would be made and where conditions were found to be unsanitary a notice would be sent to the occupant of the property. He would then be given a reasonable time to comply and relieve the condition after which a re-inspection would be made. If no action had been taken, a legal notice would then be served. Should the condition then still continue, it would then be up to the Township to bring the case before a court. The State will not assume this action.

The members of the committee are very pleased that such a plan can be put into operation at once and feel that it will do much to relieve situations which have been complained about many times.

Buy War Bonds
It was voted to purchase a \$10,000 Fifth War Loan Bond from funds on hand. The township already has one such bond.

Another step towards the development of the Township was taken when it was decided by a unanimous vote to proceed with the installation of curbs and gutters on Park avenue. Specifications will be prepared and bids asked at some future date.

This project contemplates the first permanent road surfacing in the township, but the curbs and gutters must be constructed before paving of this nature can be laid down. The step is the first in a long-term project for paving of the type which is laid on most of the highways in Riverton.

The evening classes will be resumed beginning next Tuesday, June 20. Come out and help—from 7:30 to 9 p.m.

MRS. JOSEPH B. TYLER
Chairman.

MANY CONTRIBUTIONS FOR HONOR ROLL

Even before half of the invitations to local residents to participate in the erection of the Riverton Honor Roll were put in the mail, gifts began to arrive at the home of treasurer Herbert Evans, who reports that more money is being received every day. In the meantime, the Riverton Memorial Post has announced more of the plans for the beautification of the plot at Main Street and the Railroad Station.

At the first possible opportunity, and at its own expense, the Pennsylvania Railroad is planning to put in a driveway for the entire length of the plot paralleling the station platform while further grading and planting will be done beside the tracks all the way up to the Cedar avenue crossing.

In addition, the firm of J. T. Evans Co. is planning on improving its buildings which face on the plot so that there will be a fitting background for the Honor Roll, while the Railroad hopes to be able to build a watchman's house which will be in keeping with the rest of the development. All in all, Riverton seems assured of having one of the most ungloriously lots in the center of the town turned into a beautiful little park.

Many of the principal details of the project were reported to Boro Council last Thursday evening and a few modifications were made at the suggestion of the members, who placed their stamp of approval on the major features of the plan, which was sponsored and developed by the Riverton Memorial Post.

At the present time, the committee working on the project consists of both members of the Riverton Memorial Post and local citizens with Councilman R. W. Knight as the honorary chairman. Other members include Herbert Evans, J. W. Carhart, Sr., Edward Fauce, Howard Hamelman, A. B. Garwood, George Allen, W. W. Cook, Howard A. Washington.

NAMES OF SERVICE MEN

New Jersey has assembled more than 280,000 names and addresses of service men and women by means of a house-to-house canvass by Civilian Defense volunteers. However, the names of some of those in the service undoubtedly have been missed and Governor Edge has appealed to municipal clerks of all communities to help in completing this canvass. Families of service men who feel that their relative may have been missed are urged to contact their municipal clerk and provide the necessary information. The clerks will then forward the data to Trenton.

FULL COMMUNITY SERVICE PANEL AT RATIONING BOARD

T. Curtis Flynn, chairman of the local rationing board, announces the formation of a full Community Service Panel serving the district covered by this board. The members are as follows: Mrs. Helen Andrews of Riverton, chairman; Mrs. Charles Stickney of Palmyra and Mrs. Franklin D. Elliott of Riverside. It is the duty of this committee to place before the general public all information and educational programs covering the entire rationing and price control programs. Any organization or group desiring speakers on rationing information should write to the Office of Price Administration, Palmyra, New Jersey, in care of the Community Service Panel.

RIVERTON SCHOOL NOTES

The fair held by the Riverton Public School at Memorial Park Wednesday evening proved most successful. More than 500 people attended.

A midge band, composed of Kindergarten pupils gave renditions and folk dancing by the upper grades was enjoyed. The girls of the seventh and eighth grades presented a May Pole dance and the sixth grade boys performed stunts.

The boys of the seventh and eighth grades played baseball with the Dads, the boys winning by the score of 25-15.

Supper was served by members of the P. T. A. and there was also a school art exhibit. Articles made at the school were sold and there was a white elephant table as well as a "Wishing Well" for the youngsters.

NAVY NEEDS YOUNG MEN FOR RADIO WORK

Due to the increased tempo of the war, now that our forces have stormed the Fortress Europe, the Navy is now in urgent need of young men of 17 to qualify as Radio Technicians.

To aid in recruiting young men in this field, which includes some of the most colorful and fascinating devel-

opments of the war, Petty Officer Paul J. Grant has been assigned to the staff of the Navy Recruiting Office, Room 307, Camden Post-Office Building. The office will be open every day, except Sunday, between the hours of 8:30 and 5:30 and personal interviews will be given anyone interested. Appointments may be made by calling Camden 9375.

A qualifying examination will be given to each applicant who desires to take it. Persons taking this examination are under no obligation, but those successfully completing it will have the opportunity of enlisting in the Navy as Seaman First Class and being sent to a Naval School for training. The examination is known as the Eddy Test and covers basic mathematics, fundamental electricity, elementary physics, practical shopwork and simple radio questions. The test is definitely not an I. Q. Test, but is used as a yardstick by which to judge the aptitude of the man for the course of training given. Each applicant is notified whether he passed the test satisfactorily within a week.

Men who successfully pass the Eddy Test will start training for the important job as Seaman First Class instead of Apprentice Seaman and will be sent to a Naval Training Center for indoctrination, then to a Radio School where they will study mathematics, fundamental electricity and shopwork for one month. From there, the men will proceed to a Primary School for further study in mathematics, electricity, radio, the slide rule and shop practice for a period of three months.

Upon successful completion of the primary course, the student will be promoted to the rating of Radio Technician Third Class and transferred to a Secondary School for five months for advanced training in radio and electronics. At this school the student will study radio and submarine sound equipment, in addition to various other devices.

Upon graduation from Secondary School, the student will be promoted to Radio Technician Second Class and transferred to active duty afloat or ashore.

The average man who completes this specialized training course in a period of ten months is able to qualify as Radio Technician First Class shortly after he graduates from the Secondary School.

Upon release from the Navy after the war, the radio technician will find countless new opportunities open to him.

RIVERTON, N. J.

His Cows are Contented...is HE?

This young farmer dreams of the future. He wants the privilege to buy and sell as it best benefits him. He knows that weather, markets and pestilence may ruin him.

That's his risk—and that's American. And as an American he asks nothing more than to be permitted to live his life free from regimentation.

came three new members to the Board of Directors at the meeting held Sunday evening, June 11th, at the Palmyra Municipal Hall, they were A. T. Hewlett, Maurice Joyce and Howard Humphreys, the latter two representing Cinnaminson Township which is now to be included in the area served by the Palmyra-Riverton YMCA.

Reports were made concerning the activities of the various groups and the rallies they had had at Riverton and Camp Ockanickon during the past month. Plans were mentioned concerning the Day Camp which is to be held July 31st to August 25th under the direction of Lawrence Coolbaugh, arrangements having been made for bus transportation for the programs to be held at Olympia Lake and Camp Ockanickon. Other reports were made on finances by Victor Ritschard of Riverton and Paul Jones of Palmyra and the Property Committee.

President Fry appointed new committees for the year on Camping, Property, Group Work, Finances and Spiritual.

County YMCA Secretary Clifford W. Ergood pointed out the great interest in camping at Ockanickon and Matollonequay and Osceola, the latter being at Green Bank for colored boys, also the cooperation of the YMCA with the U.S.O. at Fort Dix each Saturday night and the fine response on the part of the Churches and Service Clubs in recognition of the YMCA's Hundredth Anniversary.

Groups under Richard Mallory and Victor Washington, Palmyra and Timothy Johnson, Riverton, are continuing their activities during the summer months.

Despite the unprecedented early enrollment for Camps Ockanickon and Matollonequay, there are still openings for both boys and girls for

the 1944 Camping Season which opens June 28th for an eight week period. Camp Matollonequay being of smaller capacity has openings only in the last period, but there are openings for boys in the first, third and fourth. Transportation will be provided those campers desiring it by permission of the Office of the Community War Service Recreation Division.

The Staff for both camps is almost completed including counselors for Cabin Groups and things are almost in readiness for the boys and girls to start a glorious camping season. The kitchen has been renovated at Ockanickon and modern sanitary toilets have been installed throughout the Camp. The Midget Headquarters has been shifted nearer to the Pamona Cabin using the delightful camping area near the swimming beach on the South branch of the lake. Junior and Middle areas will continue as previously with a new play area being developed between them, and the Senior area will continue across the lake as formerly using tents with Arthur LaDow as the Area Director.

Registration blanks and information folders may be secured from the Burlington County YMCA Headquarters at Mt. Holly.

The following have registered during the past month:
Roger Wagner, Robert T. Andrews, Peter Evert, Abigail Wright, Jeannette Lowe, Susan Cobb Becton, Mary Ermyr Eberly, of Riverton; Edmund Leslie Reeves, John Gardner, Gerald Wilkins, Neil Austin, Rodney Coolbaugh, Leo Chiodo, Mary Jo Githens, of Palmyra.

About Town

Robert G. McCurdy, of Riverton, received his wings and commission

as a Second Lieutenant in the Army Air Force last Saturday at Selman Field, Monroe, La. He was a member of a class of aerial navigation cadets which represented 33 States. The group, the first to graduate since the invasion is known as the "invasion class."

Ensign Robert M. Waters, U.S.N., recently graduated from the Naval Academy at Annapolis, Md., is home on a thirty day leave, visiting his parents, Mr. and Mrs. Arthur B. Waters of Thomas Avenue, Riverton.

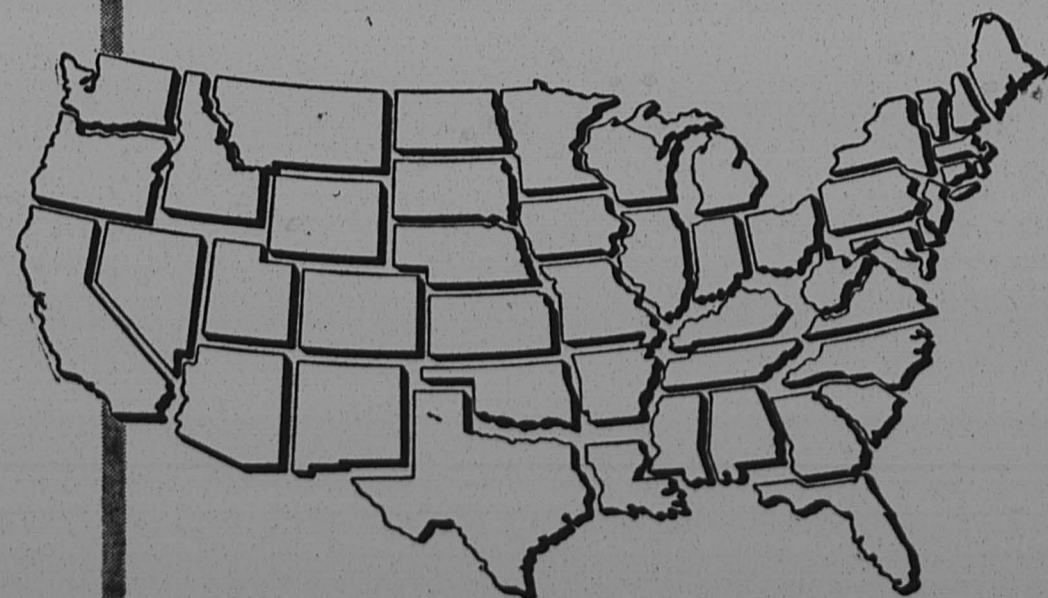

Virginia A. Armstrong, 2-c H.A., graduated from the Naval Hospital Corps School at Bethesda, Maryland, on Monday, June 12. Due to Virginia's superior work at the hospital she has been advanced to Pharmacist's Mate 3-c, having skipped the intermediate rank. After an eight-day furlough at the home of her parents Mr. and Mrs. Walter Armstrong, 409 Linden Ave., Virginia will be stationed at the Norfolk Naval Hospital, Norfolk, Va.

Mr. and Mrs. John C. Holtzapfle, of Cinnaminson have received word that their son, Calvin, has been promoted to Petty Officer Radioman 2-c.

George W. Cline fell from a ladder while hanging screens on Sunday, June 4, sustaining serious injuries. He was admitted to Zabrugg Memorial Hospital. Reports concerning his welfare are not too encouraging. Mr. and Mrs. Cline make their home with their son-in-law and daughter, Mr. and Mrs. Edward C. Hoeftick who have recently purchased the property located at 225 Thomas Avenue, Riverton.

Mrs. Harry Riley, of Camden, spent Friday with Miss Clara L. Bishop, of Thomas Avenue.

The members of Parry Volunteer Fire Company are giving a New England supper on Wednesday, June 21st. Supper will be served from 5:30 to 8 p.m. Adults tickets—75 cents. Children 50 cents.

BARN BURNS

Shortly after 6 o'clock Sunday afternoon, fire completely destroyed a large barn located on the Taylor farm, East Riverton, with a loss of 10 tons of hay and one horse. Another animal was removed to safety. Firemen from Riverton, Parry, East Riverton, Palmyra and Riverside Park went to the scene, but could do little more than prevent the flames from spreading to nearby buildings due to lack of water.

The blaze was discovered by a farm hand and the origin is unknown. About two years ago Mr. Taylor lost another barn located near the river. The structure destroyed recently is on the south side of the railroad near Taylor's lane. The spectacular blaze attracted a large crowd of spectators.

SCHOOL EXERCISES

Ten members of the eighth grade of Cinnaminson School No. 4, Mrs. Young, principal, were graduated at commencement exercises at the school on June 7. The Parent-Teacher Association, friends and members of the Board of Education attended.

Rev. Charles Lee, of Camden, N. J., was guest speaker. He gave the class several guiding rules to observe in its struggle for success. They were (1) Perseverance, (2) Profit by the Experience of Adults, (3) Choose friends carefully, (4) Never lose hope, (5) Let education show you how little you know. Other numbers on the Program were: Chorus—"Springtime", Grades 5, 6, 7, 8.

Class Speaker—Gratitude, Jason Arrington. Vocal Solo—"Who Knows", Violet Roberts. Saxophone Solo—"Auld Lang Syne", Alexander Roberts. Chorus—"Morning", Grades 5, 6, 7, 8. Those graduating were Jason Arrington, Alexander Roberts, Joseph Foster, Lester Perry, Horace James, Lucille Fortune, Anna Mae Coppin, Charles Edmonds, Violet Roberts and Alvin Turner. Diplomas were presented to all by Howard Taylor, President of the Board of Education. To Jason Arrington went the Mothers' Art Craft Club Award for outstanding scholarship.

NECESSITY OF SALVAGE
IN WAR EFFORT

This very vital subject was discussed last Thursday evening at the meeting of the Palmyra Riverton Rotary Club.

It was presented by Sidney Prichard, of the Salvage Branch, War Production Board. The speaker said "that one and a half years ago steel mills all over the country were closing down for want of scrap iron. Thanks to the effort of the people this was overcome in donating scrap. An example of this was when a lady called the office in Trenton and asked to have one of the men come to a scrap yard. When he arrived he saw a lady and a chauffeur standing beside a Rolls Royce car. She stated that she wanted to donate it to the scrap drive. The representative from the Salvage office explained that they did not want anything of value. She

said that she had a son in service and wanted to do her part by giving the car. The people did just as much in the scrap rubber and old silk stockings drives.

Paper Needed

The important item of waste needed at the present time is paper according to Mr. Prichard.

There are over 700,000 items used by the armed forces that are made from scrap paper. Mr. Prichard showed some of the items that are made from this material. A few of these are paper parachutes for dropping supplies, bomb bands used to ding, Arctic vests insulated with paper, cardboard boxes to hold cans of blood plasma, boxes and wrappers for Ration K, 30,000 tons of which are shipped every day, and paper shell cases.

The speaker stated that it took 40,000 tin cans from which to get 100 pounds of pure tin. It takes two tin cans for each syringe with which every man is equipped.

Mr. Prichard paid tribute to the

\$80 salvage chairmen in this state and said they were doing an excellent job and that New Jersey was the number one state in the collection of scrap. He felt it was due to the efforts of these men.

GROOMER-BRIMMER

Miss Mary M. Brimmer, daughter of Mr. and Mrs. Ewald J. Brimmer, of Mayfair, Philadelphia, became the bride of Ensign Harry V. Groome, Jr., U.S.N.R., son of Mr. and Mrs. Harry V. Groome, Sr., of 417 Linden avenue, Riverton, at a ten o'clock nuptial mass in St. Bernard's Church, Philadelphia, Saturday morning.

The bride, who was given in marriage by her father, was attended by her sister, Miss Regina Brimmer, as maid of honor. Miss Regina Groome, a cadet nurse at the University of Pennsylvania Hospital and sister of the bridegroom, and Miss Patricia Brimmer, sister of the bride, were bridesmaids. Elizabeth Anne Groome, another sister of the bridegroom and Jean Marie Donahue, of Elkins Park, niece of the bride, were flower girls. Sgt. William Ross, U. S. Army, of Baltimore, Md., formerly of Palmyra, was best man for Ensign Groome and ushers included Sgt. Jack Creque, of Philadelphia, cousin of the bride, and Thomas J. Groome, brother of the bridegroom.

A reception was held at Karpathian Hall, Philadelphia, following the ceremony and the couple are on a honeymoon trip to the Poconos, after which they will take up their residence on the West Coast.

The bride-elect is a graduate of Hallahan High School, Philadelphia, and the bridegroom was graduated from Palmyra High School. Both were formerly employed by the American Telephone and Telegraph Company in Philadelphia.

The Service Personnel, Harry Hough read a Digest of the Letters received by the Committee, James Weart outlined the future plans of the committee in respect to the continuing of this work, and Rev. S. Dan Morgan who is also a member of the committee, concluded with a brief talk on the "Challenge of and to the Church."

The function of this committee, as the name implies, is to be the intermediate between the service boys and girls and the church. Twice a month a letter of interest is mailed to every member of the personnel. They are now corresponding with 96, 82 of which represents members of the church or Sunday School and for each there appears a blue star in the service flag of the church.

FIRST REVERSE

Getting out to a bad start, Riverton A. A. was handed its first reverse in the Burlington County League last Sunday afternoon, the score being 8-6 in favor of the visiting Palmyra outfit. With no longer a perfect record to maintain, the tension will be eased for the locals and they expect to get back into a winning stride when they oppose Mt. Holy Sunday afternoon.

The game will be played at Memorial Park and will get under way at 2:45 p.m.

INDEPENDENCE DAY

Albert C. Farrow, general chairman of the Riverton Fourth of July Committee announces that the observance of the day will start with the usual morning parade at 10 o'clock, with special emphasis on the children's section.

There will be athletic games at Memorial Park starting at 1 p.m. and a tennis tournament at 1:30. The committee is hard at work planning as big a day as is possible under prevailing conditions.

CINNAMINSON BRANCH HOSPITAL AUXILIARY

At the annual meeting of the Cinnamonson Auxiliary of the Zurbrugg Memorial Hospital, held June 7th, the following reports were given:

During the past year the sewing group completed 290 pieces, such as Stretcher Covers, Towels, Bassinet Linings, etc., and mended 80 articles, at the hospital sewing room.

At Christmas time a check for \$100.00 was presented to the Hospital and baskets filled with home-made candy and cookies, nuts, fruit,

etc., donated by our members, were given to patients in the Men's Ward, which is the part of the hospital our group has been asked to help. There were six small parties held during the year to raise funds for

Property owners financing essential home repairs and insulation work through FHA-insured Title I loans were warned today by New Jersey FHA State Director Warren J. Lockwood to make a careful check of the prices charged and of the claims made by salesmen before signing contracts.

Numerous instances have been reported to the Federal Housing Administration recently in which loans insured under Title I for essential repairs and insulation work have been seriously out of proportion to the value of the work done, Mr. Lockwood said. In some cases the amount of the loan has been two to three times greater than the normal cost of labor and materials.

In other cases reported, according to Mr. Lockwood, the abuses involved such high pressure selling methods as promises to return part of the note proceeds, unfounded claims about the virtues of the product as well as inferences that because the FHA insured the loan the federal government guaranteed the materials and workmanship.

Mr. Lockwood cautioned property owners to make a thorough investigation of prices and salesmen's claims and to secure competing bids from reputable firms before committing themselves to contracts.

The FHA also has called upon local private lending institutions making loans under its Title I program to cooperate in checking abuses by taking steps to detect any notes based on inflated charges or arising from high pressure selling tactics which are offered to them for dis-

count by dealers.

In a communication to the lenders, institutions make a careful check of the reputation and responsibility of dealers in their communities and that they also check each Title I loan submitted to them to determine the reasonableness of the price charged in relation to the service performed.

HELL DIVING'S HIS JOB

..LENDING IS YOURS!

WITH guns blazing and a prayer in his stout heart, this American fighter is hell-bent on destruction of our enemies. HE is not thinking of how little or how much he's doing to help win the war. For him, the chips are down; but his fighting spirit is as high as the heavens from which his plane is diving.

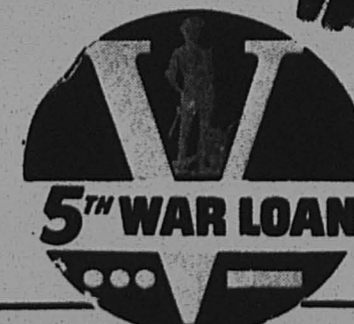

In cramped foxholes and disease-infested jungles, on sun-scorched beachheads—under and over the seven seas—other Americans are matching his courage. And their name is legion. They KNOW that

war is a bloody business; that their lives, as well as yours, are at stake.

Is it asking too much of you to back these men up by buying more, and still more, War Bonds? There can be but one answer. You'll find it in your own heart.

And remember, too, as you dig deeper than ever before into your pocketbook or cash surplus, that the Fifth War Loan MUST raise 16 billion dollars. It is the greatest financing drive the world has ever known... to back up the greatest invasion drive the world has ever known.

Back the Attack!—BUY MORE THAN BEFORE!

And Here Are 5 MORE Reasons for Buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.

"That's the way I like to see them," said Gen. MacArthur when he saw the rows of dead Japs in the Admiralty Islands. In this war—the costliest, cruelest war of all time—our boys must fight with savage fury. Kill or be killed! And on how well each plays his part depends the lives of many of his buddies. Here on the home front, too, just cheering the attack on isn't enough.

That's why there's a Fifth War Bond drive on now, a drive in which you're needed to support the men on the fighting fronts who are facing the most treacherous forces Americans have ever met in combat. We on the home front can't let them down—and we won't. So resolve now to at least double your bond buying in the 5th War Loan drive. This is the time to do better than your best.

Effective at once, cameras may again be brought into and used in ocean beach areas, it was announced today by Lieutenant General George Gruent, commanding the Eastern Defense Command.

Lifting of the restriction is announced in Public Proclamation No. 7 which is being distributed to military and civilian agencies along the Atlantic Coast.

The ban on cameras was ordered on September 7, 1942, in Public Proclamation No. 2. It was pointed out by the Eastern Defense Command that although the military restriction against taking photographs at the seashore has been lifted, there

are still Federal laws which prohibit photographing military and naval installations, equipment and places used for national defense purposes. Presidential Executive Order No. 8381, March 22, 1940, adopted pursuant to an Act of Congress passed January 12, 1938 defines certain military and naval installations and equipment which may NOT be photographed; and the Act of Congress passed June 25, 1942 prevents photographing places used for national defense purposes.

Between sunset and sunrise the general public is still barred from most Atlantic Coast beaches fronting on the ocean. Possession of radio transmitting sets, codes or ciphers, explosives, fire arms and instruments of war is prohibited at all times in these areas, as is the use of binoculars, field glasses and signal devices.

Public Proclamation No. 7 also designates certain additional prohibited and restricted zones, all of which will be appropriately posted. Included are certain industrial plants and other installations now engaged in war activities of such nature as to require the additional safeguards which zoning affords.

Church Notices

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

In view of the soul-stirring cycle of events inaugurated on "D-Day," and in view of the fact that these events are still unfolding, at great cost, it seems almost providential that we should have postponed our celebration of Communion until this time.

On "D-Day" we were all brought very close to God, and it is imperative for our own peace of mind and for our strengthening within that this intimate relationship should continue through these days of testing, and in the days and months that lie ahead. With the exception of these moments of national and personal crisis there is no time when a Christian comes closer to his God and to his Christ than in the fellowship of the Lord's Table.

In connection with the celebration of the Sacrament a preparatory service will be held in the Sanctuary on Friday evening, June 16, at eight o'clock. The subject of the meditation will be, "It Is No Sin to be Tempted." All communicant members, and all who intend to partake of the Sacrament are urged to attend this service of preparation. It is a good thing for us to draw near to God.

The Sacrament of the Lord's Supper will be celebrated on Sunday morning, June 18. The worship service commences at 11 a. m., and the subject of the Communion Meditation will be, "What Mean Ye By This Service?", a question first spoken by Moses to the children of Israel when they were in the midst of a great national crisis. As part of our worship of God, the choir will render two anthems, "On This Sabbath Morning," by Reichardt, and "Come Ye Disconsolate," by Wilson. Children may be left in the Church Nursery during the hour of morning worship.

The Church School will convene on Sunday morning at 9:55 a. m. There will be classes for children of all ages, and for adults. There is no better way of strengthening the Church School than that of bringing the little ones, and then staying to study the word of God in one of the adult classes. The Men's Bible Class will meet in the gym at 9:55 a. m., and Mr. A. D. McFall will teach the lesson.

On Saturday afternoon at 2 o'clock the members and families of the members of the Good Fellowship Club will meet at the Memorial Park in Riverton for their annual picnic outing.

The first of the Union Vesper Services sponsored by the Ministerial Association will be held in the Grove in Palmyra on Sunday evening, June 18, at 7:30 o'clock. Mr. Harke will speak, and the Moravian Church will have charge of the service. Let us express our faith in interchurch unity by worshipping together first of all in our own community. Church unity must begin at home, and it must begin in the united act of worship of God.

CENTRAL BAPTIST CHURCH

Fifth Street and Maple Avenue
Palmyra

Rev. S. Dan Morgan, Pastor

Sunday, June 18

Last Sunday evening's Service conducted by the Liaison Committee was very informative and interesting.

They are now contacting men and women in many lands. Of a total of 96 persons, 82 are members of the Central Baptist Sunday School and Church, and 14 are friends who wish to be remembered by our church.

Semi-Monthly each man and woman in the Service receives a letter of news and reassurance. Their responses give proof that these letters help greatly to buoy up their morale.

It is the endeavor of the church through this committee to keep those far from home in close fellowship with God and Man. Only the attitude and practice of loving those who hate you and doing good unto others will a lasting peace be brought about.

Violence, greed, force and hate only prolong and aggravate war. So it is our prayer that love will be instilled in the hearts of men.

Sunday Services

Church School, 10:00 a. m.—If you have friends vacationing with you bring them along.

Morning Worship, 11:15 a. m.—"The Challenge of Love," to the Church.

The subject of the meditation will be, "What Mean Ye By This Service?" by Thompson. Mrs. Violet Seither will be the soloist.

Jr. and Sr. B.Y.P.U.—6:45 p. m.

Evening Vespers in the Grove, 7 p. m. Rev. Harke of the Moravian Church will be in charge. This is a fine opportunity for the people of the three communities to join in fellowship and worship.

Wednesday Evening, 8 p. m.—Midweek prayer and praise service.

There will be no more choir rehearsals until September.

MORAVIAN CHURCH

Palmyra, N. J.

The Rev. Albert J. Harke, B. D. Pastor

Beginning this Sunday, the services go on summer schedule, with the Union Grove service taking the place of the Sunday evening service.

The services next Sunday, are as follows:

9:30 a. m.—Sunday School.

10:45 a. m.—Morning Worship with Liturgy and sermon. "The Only Life Worth Living."

7:00 p. m.—Union outdoor service in the Palmyra Grove. The pastor will be in charge of this, the opening service, assisted by the choir. "The Eternal Word of God" will be the theme of his message. These services are sponsored by the Ministerial Association, and supported by the Protestant churches of the community. A cordial invitation to attend is extended to all. In case of inclement weather the service will be held in the Bethany Lutheran Church.

"GOOD FELLOWSHIP CLUB" CONCLUDES SEASON

"The Good Fellowship Club," a rather unique organization sponsored by the Calvary Presbyterian Church of Riverton, will bring another successful season to a close next Saturday afternoon, when a family picnic outing will be held at the Memorial Park in Riverton.

This Club began in a humble way about five years ago, when half a dozen young married couples decided to meet once a month in the church gym in a social capacity. Today, the "Good Fellowship Club," with no initiation or membership fees, and with no denominational restrictions, has a membership of eighty-seven married couples.

With the exception of the summer months of July and August, a social meeting is held on the third Friday of each month. Newcomers to our communities receive invitations to attend and become acquainted with their neighbors. Members of the armed forces and their wives have found the Club to be a "home away from home," and many precious and enduring friendships have had their inception at one of these monthly gatherings.

The "Good Fellowship" picnic will begin at two o'clock on Saturday afternoon, June 17. Members of the Club will bring their entire families, and any friends who may be visiting them. A fine program of sports, recreation, games and entertainment has been arranged. Each family will bring a picnic lunch, while coffee and

dessert will be served by the Committee in charge of the picnic. This will be the last gathering of the "Good Fellowship Club" until the third Friday in September, when the monthly social meetings will be resumed.

PRAISE HONOR ROLL

Under the auspices of the Riverton Memorial Post, plans for the Riverton Honor Roll are proceeding according to schedule. Howard A. Washington reports that he has had his last meeting with the officials of the railroad concerning the purchase of the lot adjoining the Riverton Station and that formal transfer of the title will be made in due time.

In the meantime Herbert Evans, Treasurer of the joint Citizens and Veterans Honor Roll Committee reports that subscriptions are coming in every day. Due to the clerical work and expense involved in acknowledging each subscription, it is planned to refrain from making individual acknowledgments unless they are requested and instead, beginning with next week, to publish each week the names of the contributors to the fund.

Much Praise

Many of the contributions are accompanied by strongly encouraging letters of praise for the work of the Post and the Committee, with almost every letter commenting upon the fact that while many communities have spent \$1500 or \$2000 for a purely temporary Honor Roll, Riverton, instead, thanks to the far-sighted plans of the committee, will not only get a semi-permanent structure, but will, at the same time, succeed in turning one section of the town into an attractive small public plot which will change the entire aspect of the center of the community. As a matter of fact, several leading business organizations of the town have felt so strongly in favor of this improvement that they have been among the first to contribute. At the same time, endorsement is given to the project by others when they learn that at the conclusion of the War it is planned to replace the temporary list of names with a permanent bronze plaque to be set into the Honor Roll and bearing the names of those who gave their lives in defense of America.

This thought of a semi-permanent remembrance to Riverton's heroes has won wide approval and strong endorsement of the statement that "Gold Stars do not belong on a wooden signpost." To prevent any misunderstanding the committee has agreed to divide the construction of the Honor Roll into several progressive steps and not to contract for the next step until sufficient funds have been received to pay for that part of the project. Consequently, when the Honor Roll is completed every citizen of our community will have had an opportunity of taking a personal part in paying tribute to our boys and girls who are serving America so well.

YOUR VACATION

Plans for a trip to the beach are fun to make, aren't they? But consider the boys on the foreign beaches. They aren't basking in the sunshine. Many are suffering, many have died, and many will continue to die unless you are willing to share with them the very thing which they are losing every day—Blood. Make an appointment today. Call Riverton 0398.

MISSING IN ACTION

Lt. Richard M. Barclay, 203 Lippincott avenue, Riverton, was reported missing in action in the Atlantic theatre by the war department in a telegram received this month.

Lt. Barclay, serving in the Naval Air Corps, is the son of Mrs. Therese and the late Richard D. Barclay. He is a graduate of Moorestown High School, class of 1936, and Middlebury College, Vermont, 1940. He enlisted in the air service in December of 1940 at Jacksonville, Florida, and was called to duty in October, 1941.

The missing Lieutenant's wife is the former Patricia Lundrigan, now residing with her parents, Mr. and Mrs. Ralph Lundrigan, in Germantown.

According to a report received last Saturday his plane was observed to have landed somewhere in France.

Lt. Barclay was stationed on a cruiser and it is not known whether the flight he was making was on his own plane or from a naval base.

TENNIS TOURNAMENT

Play in the Riverton Public Parks Open Tennis Tournament will begin on Monday, June 26, the finals of which will be held on July 4 at 4 p. m.

Kenneth Merrill, Palmyra High School tennis coach, will attempt to defend his title for the third consecutive year.

Entries may be submitted by phone to Kenneth Merrill, Riverton 0292 or Jack Lewis, Riverton 0947 and must be received by 12 a. m. on Saturday, June 24.

FOURTH OF JULY

Plans for Riverton's annual Fourth of July celebration are rapidly nearing completion under the vigorous leadership of Committee Chairman Albert C. Farrow. However, due to the war, the celebration will be conducted on a smaller scale than in normal years and will be confined largely to events for children.

At 10 a. m., the traditional Parade will be held starting at the Fire House and proceeding down Main Street to the River Bank where a very short ceremony will be conducted. This year, the parade will be confined to children, but there will be a plentiful array of prizes for the best float, the best decorated bicycle, etc. And now is none too soon for everybody to start planning a novel and interesting entry in this parade.

Following the exercises at the Riverbank at the conclusion of the parade, there will be a noon-time lull followed by athletic events at Memorial Park starting at 1:30, with more prizes for all of the children who enter. An outstanding tennis match will also be played at the same time and then at 2:45 the championship Riverton team of the Burlington County League will be the hosts to the strong Mount Holly club who promise our league-leaders some hot competition.

SCOUT OFFICIALS MEET

The monthly meeting of the District Committee of the Tri-Boro District, Boy Scouts of America was held last week at the home of Thompson W. Coe.

Henry DeHoll, chairman of the Committee welcomed three new members. They were Lewis Wence, who is to head the finance committee, Paul Schneider who is to be a neighborhood Commissioner, and Dwight E. Tuttle, who is to be District Commissioner. All of these men have had Scouting experience in the past. Mr. Tuttle was until recently Scoutmaster of the Riverton Troop (No. 50) and brings to the District a wealth of experience gained through years of active relationship with Scouts.

Regrets were expressed that Mr. Coe was giving up the Commissioner-ship, however he will continue in Scouting as one of the leaders of the Sea Scout Ship in Riverton which is sponsored by the Riverton Yacht Club.

Mr. Rose, who is in charge of Cubbing in the District reported that progress was being made in starting a new Cub Pack in Riverton. The Pack is to be sponsored by the Presbyterian Church and parents having boys between the ages of 9 and 12 are asked to signify their interest by contacting Mr. Rose or D. E. Tuttle.

Mr. Hewitt, chairman of The Riverton Troop, reported that the Scouts of the Troop were planning to go to Camp Lenape for two weeks this summer. Camp Lenape is the new Council Camp which was started last year.

Mr. Noone stated that the District Camporee which was held two weeks ago was very successful. Eight Patrols of Scouts camped out overnight under their own boy leadership. A fine campfire was held and all Scouts had a good time.

The District Committee would like to ask that all requests for any of the Scouts of The Tri-Borough District to participate in any public appearances such as parades or Civic Duties or Good Turns, be made through District Commissioner D. E. Tuttle. In the past organizations and local authorities have been going directly to the Scoutmasters, Cubmasters, and Sea Scout Skippers for their requests. Now that the District Committee is at full strength, it will save time if all requests be placed through the District Committee who can in turn officially notify the Scout units concerned.

SCHOOL HISTORY

"A Story of the Public Schools of Burlington County" a 248 page book, illustrated with over 450 pictures, made its first appearance recently. It is a historical, narrative and pictorial review of education in the county with a foreword by Dr. Louis J. Kaser, county superintendent of schools. According to authorities, it is the first book of its kind to be published in the State and educators are most enthusiastic concerning it.

In addition to the various school districts in the county, all of which are given liberal space, the book contains accounts of various allied institutions and agencies, such as the Burlington County Council of Parent-Teacher Associations, Burlington County Library, Burlington County Colored P.T.A. Associations, Burlington County School Boards Association, the Burlington County Supervisors' and Teachers Association and several others.

Jones Heads Committee

The committee appointed by the Burlington County Supervisors' Association to compile the work is headed by Paul R. Jones, supervising principal of Palmyra Schools. Miss Caroline M. Staman, supervising principal of the Riverton Public School is also a member of the committee.

The data contained in the book were compiled by members of boards of education, faculty members and officials of the various organizations. An important feature is the complete listing of all teaching personnel, boards of education and parent-teacher officers. As a complete reference book for all phases of education in the county the publication leaves nothing to be desired.

Copies can be secured by writing the county superintendent of schools, Mr. Holly. The cost is very modest considering the size and makeup of the publication, being only \$1.50 per copy.

The history was printed by The New Era, Inc., Riverton.

YACHT CLUB ACTIVITIES

A dance will be held on Saturday, July 1st, at Riverton Country Club. Music will be by a popular orchestra from 9 p. m. to 1 a. m. Tickets \$2.50 a couple.

Sunday, July 2nd, the annual regatta. An affair all boat-minded Rivertonians will want to participate in, or otherwise enjoy. The ladies will serve supper in the evening from 5:30 to 7 p. m., well worth 75c, but please make your reservations by Friday, June 30, with Mrs. Thompson Coe, Riverton 1080. General public is cordially invited.

BUY EXTRA BONDS

This poster "Fire Away" shows a scene aboard the U. S. Submarine "Dorad." The artist, the celebrated American painter George Schreiner, has caught the action during the very tense moment before the passing craft is identified as friend or foe.

The painting is authentic in every detail for the artist was actually aboard the Submarine at sea. He ate and slept with the crew. He worked with the men and stood watch with the officers. A short time after leaving the Submarine, it was lost with all hands.

YACHT CLUB

Bob Lippincott was the season's first sailboat winner Sunday when the Riverton Yacht Club held its opening race of the club's delayed spring series on the upper Delaware at Riverton.

Lippincott sailed from behind on the second lap of the seven-mile race to snatch victory just two boat-lengths in a nip-and-tuck, marking the official start of the sailing year on the upper river. His boat was the Blue Star, No. 605, and sailing with him as crew-mate was Ed Shivelhood.

Battling nip-and-tuck with Lippincott was Tom Coe, whose boat Bon Air, has just been repaired following her collision two weeks ago in a practice event. He was second after having led most of the way, losing out in the light breezes. With him as crewmate was Howard Frome.

LAWRENCE ALTADONNA

High Requiem Mass was held at the Sacred Heart Church in Riverton, June 20th at 10 a.m., for Lawrence Altadonna, 76 years of age, 476 Market street, Palmyra, who died on June 17th. He was born in Italy and came to this country in 1906.

Interment was in St. Peter's Cemetery in Riverside, N. J.

The deceased is survived by Paul Altadonna, Mrs. Katherine Cuzzupe, Anthony Altadonna, Phillip Altadonna, all of Palmyra and Mrs. Rose Yugo, of Delaware Gardens, N. J.

RED CROSS NEWS

"At least one pint of blood for every man in service" is the goal the American Red Cross Blood Donor Service must reach by the end of 1944, it was announced by Mrs. Clarence Hubbs, Chairman, Blood Donor Service, Burlington County Chapter, if the Red Cross is to meet Army-Navy requests for more than 100,000 pints of blood each week.

The Red Cross went over the top by almost three hundred thousand pints in its drive to collect four million pints of blood during 1943, bringing to approximately 5,700,000 the number of pints which have been collected since the inception of the Blood Donor Service in February, 1941.

"But there is still a big job to be done," Mrs. Hubbs continued, "with the expansion of the war in the Pacific and the expected invasion of the European continent, many thousands of our fighting men will be falling in battle. Blood plasma and serum albumin can help the Army and Navy Medical Corps maintain their record of saving 97 per cent of the men wounded in action.

"Of the 5,700,000 pints collected to date," she said, "233,711 pints have been collected in and around Philadelphia during 1943. Of this, 113,163 pints were obtained at the Blood Donor Center, 1424 Walnut Street, and 120,548 through the three Mobile Units which visit nearby communities."

GOING TO WORK? HERE'S SOCIAL SECURITY DATA

With many high school pupils and other persons, who will be employed in summer jobs this season, applying for social security account number cards, Joseph M. Davis, Manager of the Social Security Board office at 300 Broadway, Camden, N. J., today issued a statement of advice on the use and care of the card.

He advised new workers to apply for social security cards only if "you go to work on a job that is covered by the Social Security Act—a job in a store, office, factory, hotel, filling station, telephone company, or other business or industry."

Persons who should not apply for a card are those working on farms, in private homes, in any nonprofit religious, charitable or educational organization, or for any city, county, State or Federal Government. These jobs are not covered by the Social

Security Act. Social Security cards may be obtained at any field office. "Your social security card has your number on it; no other person's card has the same number. Report your number to your employer, to every employer, part time or full time, provided it is a job covered by the Social Security Act," Davis advises new workers.

"You will need it whenever you take a job covered by the Social Security Act. You will need it when you file a claim for monthly payments. Keep it in a safe place. As a precautionary measure, take off the lower half or stub and put it some place where you can always find it. If you should lose your card, take or send the stub to any field office and get a duplicate card. Don't get a new number. Make sure you get the same number. One number lasts a lifetime," he pointed out.

BOY SCOUT NEWS

Camp Lenape, Burlington County Council Boy Scout Camp, opens July 2nd for its second season. The camp is located six miles south of Medford, down in the pines.

J. Paul Baldeagle will be the Camp Director, assisted by Franklin Vondy, Assistant Scoutmaster of Troop 13, Bordentown. Mr. Baldeagle, who is a Sioux Indian, has a wide camp experience, Captain J. B. Ryan, U.S.N., Chairman of the Council Camping and Activities Committee, stated. Mr. Baldeagle has had contacts with camps in New York, Massachusetts, and New Jersey, and was a Counselor for two years at Camp Red Cloud, Silver Lake, Pa. He has been a teacher for several years in the Bordentown High School.

Captain Ryan stated that camp applications from the Troops throughout the County are beginning to come into the Scout Office in Moorestown. The Council is anticipating a capacity camp. Camp will run five weeks through August 6th.

Other members of the Camp Staff who have been selected to date are:

Government Officials State That Laundries Are Essential to the War Effort.

Tom Morrissey and Jack Morrissey, Troop 8, Beverly, Quartermaster and Senior Patrol Leader, respectively; Naturalist, Robert Levy, Troop 29, Maple Shade; Aquatic Director, Donald Ulmer, Troop 8, Beverly; and Alfonso Francis, Chef, from New York City. Mr. Francis just recently returned from overseas.

POEM DEDICATED TO LOCAL SOLDIER

The following poem was written by a neighbor who dedicates it to the memory of P.F.C. John Adams, of East Riverton, who died in Italy in May.

MY LIVING MEMORIAL
As I lay here between the crosses,
After meeting the foe,
I can see Pompess Avenue,
Which I know you all know.

It's a lonely avenue now
With so many boys away;
Everything is fresh and green
Now that summer's on its way.

But as I lay here I can see
The corner store and beside it a tree;
A tree I planted in days gone by
At that time I didn't know why.

But now that I'm here far across the sea
I know and I hope you do too
Why I painted that tree.

It's in memory of we who went to meet
The foe and lost
A tree stands on Pompess Avenue
And my life was its cost.

When Victory is won and the boys
Are all back home;
I secretly pray they'll stop to see,
A living memorial that God is growing for me.

It is the temper of the highest
Hearts to strive most upwards when
They are most burdened.—Sir Philip Sidney.

Extraordinary afflictions are not always the punishment of extraordinary sins, but sometimes the trial of extraordinary graces.—M. Henry.

About Town

Mrs. C. S. Somervell, of 601 Bank Ave., is enjoying a visit from her son, Lieut. Phillip Somervell, U.S.N., who is home on a 10 day leave. Lt. Somervell is stationed at Boston Navy Yard.

A cake sale sponsored by the Evening Section of the Palmyra Women's Club will be held in the club rooms, 309 Broad St., Thursday, June 24, at 11:30 a.m.

At the regular meeting of the Annis Stockton Chapter of the Daughters of the American Revolution, the following officers were elected for the ensuing term—
Mrs. Charlotte B. Unland, Regent.
Mrs. Harry Kenney, Vice Regent.
Mrs. Mary Shadaker, 2nd Vice Regent.
Miss Hilda Slacker, Corresponding Secretary.
Miss Emily Grant, Treasurer.
Mrs. Georgiana Murray, Chaplain.
Miss Alice Connor—Historian.

Mr. and Mrs. Oliver R. Smith, of Riverton, announce the marriage of their daughter, Olive Rush, to Ensign Milton DeWitt George, U.S.N., son of Mrs. Lois Medus, of New Orleans, Louisiana.

The wedding was solemnized in the Church of the Good Shepherd, Episcopal, Corpus Christi, Texas. Ensign George, a fighter pilot in Naval Air Corps, is at present stationed at the Naval Air Base, Vero Beach, Florida, while Mrs. George, a radio operator in the Waves, is on

duty at the Naval Air Station, Corpus Christi, Texas.

Affliction is the wholesome soil of virtue, where patience, honor, sweet humility, and calm fortitude, take root and strongly flourish.—David Mallet.

Consider how much more you often suffer from your anger and grief, than from those very things for which you are angry and grieved.

SPOTTED FEVER

Occurrence of a case of Rocky Mountain Spotted Fever in Burlington County has brought a warning from the State District Health Office for all persons to guard themselves against ticks.
 "The disease, which is transmitted by the bite of an infected tick, is a serious one," stated Ralph T. Fisher, Burlington County District Health Officer, "and persons exposed to ticks should take care to avoid infection."
 He listed the following practical methods of protection against ticks and Rocky Mountain Spotted Fever:
 1. Remove tall grass, weeds, bushes, etc., from near home and from paths frequently used. This will help reduce the tick population.
 2. Destroy meadow mice and other small, wild animals around habitations as they are some of the hosts on which ticks feed.
 3. Examine your dog for ticks and use insect powder every two or three days or insect dip every five or six days—to prevent ticks attaching themselves to the animals and engorging with blood which is necessary for growth and reproduction.

ACADEMY EXAMS

Approximately 40 young men of Burlington and Mercer Counties have applied for the opportunity to compete for the three vacancies at Annapolis and one vacancy at West Point to be filled from the Fourth Congressional District of New Jersey in 1945.
 Congressman D. Lane Powers, Representative of the two districts, said today that practically every day's mail brings additional applications from young men who are anxious to become officers in either the Army or the Navy. Any young man who is a bona fide resident of either county will be authorized to compete, if he will make written application to the Congressman at Washington, D. C.
 The competitive examinations will be held on July 29, at the new Trenton Post Office and start at 9 o'clock in the morning. The examinations are conducted by the United States Civil Service Commission, which agency prepares the questions and marks the examination papers. Successful candidates will enter the respective academies in 1945.
 Prosperity is a great teacher; adversity is a greater. Possession pampers the mind; privation trains and strengthens it.—Hazlett.
 Envy, rivalry, hate need no temporary indulgence that they be destroyed through suffering; they should be stifled from lack of air and freedom.—Mary Baker Eddy.

The Rev. R. B. Stewart, Pastor

There are two distinct moments in the historical cycle when good people become the world's last strategic line of defense. The first is the moment when men of evil genius begin to organize themselves for conquest. If the good people of the earth at that moment hold fast to their moral and religious convictions, then there can be no war. The second is the moment, immediately following the cessation of hostilities, when a direction has to be chosen and a course set for the progress of the new world. If good people assert themselves at this moment, then there can be a lasting peace. This second moment in the history cycle is fast approaching once again. Are the good people of the earth, the people who hate brutality, and inequality, and conquest, preparing themselves to meet this strategic moment? Perhaps they are, and perhaps one of the best ways to prepare would be to consider, and ponder seriously what the word of God has to reveal concerning the sins of good people.

Next Sunday morning, at the 11 o'clock service, the sermon topic will be, "The Sins of Good People." This will be the last Sunday, until September 3, on which the Choir will lead us in our ministry of music. During the months of July and August special music will be rendered by baritone and soprano soloists. The anthem on Sunday morning will be "Thanks Be To God," by Dickinson.

The Church Nursery, in which children are cared for during the hour of Divine worship, will be continued during the months of July and August. Mothers and young people desiring to assist in the nursery should call Mrs. Melvin H. Kreps, who will be in charge of arrangements. You are cordially invited to attend the Vesper Grove Service on Sunday evening at seven o'clock. The music will be directed by Mr. Albert Parker, who will render one or more special solo numbers. Mr. Stewart will bring the evening message. The sermon topic will be, "Clearing Our Decks for Christian Action."

Please remember the date for the annual Church School picnic. The picnic is scheduled for Saturday afternoon, June 24, at the Memorial Park in Riverton. All church school members, together with their families and friends are cordially invited. Each family group will bring a picnic lunch. A magician will be on hand at three o'clock to entertain everyone. The picnic begins at two o'clock with sports, recreation, entertainment, peanut scramble, and many other enjoyable features.

The Calvary Church School will be continued during the summer months, with classes for all ages. On Sunday morning Mr. S. Reid Merley will teach the Men's Bible Class, which meets in the gymnasium at 9:55 a.m.

JUST RESTLESS

"Just because I am restless" was the explanation given by four Palmyra lads who pleaded guilty to smashing 17 gas lamps in Riverton at a hearing held before Recorder William H. Bottger, on Tuesday night of this week.

The quartette was arrested as a result of investigation on the part of Officers John Robinson and William Thomason, of Riverton and Chief Joseph Rodgers, of Palmyra. The arrests came after the damage to Public Service property had reached a staggering total, and while the four culprits were not responsible for all lamps that have been demolished, police have uncovered sufficient information to make additional arrests in the near future, and are confident that all offenders over the past three years will be dealt with promptly.

Pleaded Guilty

All four pleaded guilty and were given a severe reprimand by the Recorder. In addition, S. Robinson, chief of the police committee, who was present, gave the lads some very timely advice about their conduct.

The ringleader was fined \$20 and \$2.50 costs. He was also assessed \$5 and costs for driving a car without a license. The others were fined \$10 and \$2.50 costs each and placed on probation for a period of three months.

The boys admitted that they had started the light smashing on June 12. One of their latest demolitions was a lamp on Bank avenue which was completely wrecked by bricks. Those involved can thank Riverton officials for their attitude in the case and they can consider themselves fortunate that the penalty was not much more severe.

In addition to the fine, the offenders will be required to pay Public Service for the damage to their equipment.

GET OFF EASY

A boy of 16 and a man aged 24 were each fined \$50 on a serious morals charge involving two Parry girls 12 and 13 years of age.

Chief Erich Veltenheimer, of the Cinnaminson police and Trooper Lambert arrested the offender after an extensive investigation. The men in question can consider themselves very fortunate in escaping a prison sentence, the judge being very lenient in the case.

NOTICE

No office hours during the first two weeks of July.

25TH ANNIVERSARY
KNIGHTS OF COLUMBUS
RIVERTON-PALMYRA

Plans have been completed for the 25th anniversary of St. Joseph's Council Knights of Columbus according to Joseph Higgins, General Chairman of the week's celebration. A fine souvenir booklet is to be made up and will be distributed to all members of the Sacred Heart Parish and to all others who may attend any of the events during the week's activities. All business houses will have the opportunity of participating in this souvenir booklet.

The Knights of St. Joseph's council are very much encouraged by the splendid support given by their Pastor Reverend Father Quinn to make this celebration one long to be remembered.

A full text of the program will be outlined in next week's issue of this paper.

The celebration will open with a communion breakfast on Sunday, July 16th.

RECOVERING

Last week, Mrs. John O'Neill, of Parry, received word that her husband, Pfc. John O'Neill, 3rd, had been seriously wounded in France on June 8. He is in the First Division.

This week Mrs. O'Neill was overjoyed to receive a letter from her husband, stating that he is convalescing in England from his wounds which were in the back near the shoulder, being caused by a fragment from a shrapnel burst.

FIREMEN'S CARNIVAL

Don't forget to attend the Firemen's Carnival, Broad and Fulton streets, Riverton.

Every night except Sunday, until July 4.

Proceeds go to Soldiers' Fund of the organization.

DREAM GAME

Plans for the sixth annual "Dream Game" of the Burlington County Baseball League at Mill Dam Park, Mount Holly, on Sunday afternoon, July 9th, at 2 o'clock, are completed according to Albert C. Farrow of Riverton, who is general chairman of the committees in charge of the affair.

The game is an annual mid-summer 'must' for the sporting fans of the county, and not only is played for the injured players of the circuit, but displays most of the outstanding ball players in the county. So far this year, only one player in the league has suffered an injury. Leon Clevenger, crack first baseman of the 1943 champion Medford club, fractured one of his ankles in a game against Beverly at Medford on May 21st. Stephen Gnanndt of Roeboling, is chairman of the Injured Players Fund, and assisted by Farrow and William Berry of Mount Holly.

The Station Hospital ball club from Fort Dix, headed by Captain D. M. Fleming, recreation officer, and Master Sergeant W. L. Berg, manager, will attend the game as guests of the league. Two different teams of the league make weekly visits to the Fort to play the Hospital team for the recreation of the L. C. Robbins. The Fort Dix nine played at Mount Holly Tuesday past, will play at the following towns in the league in the future: July 5th at Beverly; July 10th at Medford; July 19th at Riverton; July 27th at Roeboling; and August 17th at Palmyra. Each of the league clubs will make another visit to the Fort, accompanied by the league officials.

W. Carl Bowker, skipper of the Medford club, will pilot the American Division team, made up of Roeboling, Medford and Mount Holly; while George "Jake" Gotta, Riverton manager, will head the National Division stars who are composed of Beverly, Palmyra and Riverton. Outstanding players from all the clubs in the circuit will compete in the game. Leonard R. Baker of Palmyra, will be the master of ceremonies.

Tickets for the game may be purchased from any of the following: Stanley Gotsch and Stephen Gnanndt; of Roeboling; Clarence Blittiff and Frank Bertino, of Beverly; Charles Young, Otis Walker, Ed Westphal and Russ Hoffman, of Riverside; Al Farrow, of Riverton; Jim Rapp, John Broderson, George Gotta and Sherman Stockton, league president, of Palmyra; William Berry, of Mount Holly; Harry Bunning of Medford; Carl Bowker, of Vincentown; Horace MacNamara, of Camden; Colt Bonnell, of Collingswood; and Bill Kalmes at the New York Shipyard. Everyone must pay to gain entrance to the park with the exception of service men.

Mr. T. Curtis Flynn, chairman of the Local Rationing Board, wishes to notify the public that consumers grocery lists are now available in your local stores.

PLAYGROUND OPENS

Promptly on the dot of ten o'clock last Monday morning the Riverton playground opened for its second annual season of fun and laughter for Riverton's younger generation and under the able direction of Taylor Kirby and Miss Sally Lowden. It was only a matter of minutes before the younger generation had settled down to the serious business of having fun—great gobs of it!

Even before the first week has ended more than one hundred and fifty children have been registered at the Playground and more names have been added to the roll every day.

Work on the construction of the Crafts House is progressing rapidly and the Playground Committee expects to have the structure completed in time for the Fourth of July.

In order to prevent any confusion, the Committee has requested parents of pre-kindergarten children to accompany these youngsters at the playground. And good news from Washington! A report has been received stating that before the end of this week it is expected that the necessary priority will have been issued for all the new equipment at the Memorial Park Playground, and that it will soon be delivered and put to use.

DODGER TRYOUTS

A tryout camp offering young players an opportunity to determine whether they have the ability to play baseball professionally will be conducted at Dunn Field here by the Brooklyn Dodgers from Wednesday, July 5, through Saturday, July 8.

The tryouts were announced today by Branch Rickey, Jr., director of minor league clubs for the Dodgers, with whom the Trenton Packers of the Interstate League have a working agreement.

Boys 16 or older are invited to report at Dunn Field for trials, Rickey said. To receive tryouts they need only to present themselves at the field Wednesday, July 5, at 9 a.m., bringing their shoes, gloves and uniforms. No fee is charged; however, out-of-town boys must finance their trips to Trenton, and living expenses while here.

Boys showing sufficient ability to be signed to contracts will be refunded expenses incident to attending the trials.

Rickey urged that boys should not be deterred from attending tryouts because they expect shortly to be in the armed forces. The Dodgers, he said, are interested in determining the ability of such boys now, looking toward post-war baseball operations.

CANNING CENTER AT HIGH SCHOOL

The Palmyra High School Canning Center is now open. Any women of the community who wish to do canning and preserving are cordially invited to come to the Home Economics Laboratory any weekday from 9:00 a.m. to 4:00 p.m. Miss Beck, the instructor, will be glad to assist with information and help, and the facilities of the five kitchens are open to all. There is no charge for the use of the equipment (including pressure cookers). The only things the members of the class need bring are the jars, produce to be canned, and condiments.

This is a splendid opportunity for those who wish to learn the most up-to-date methods of preserving and at the same time utilize the products of their Victory Gardens. There is no limit set as to the number or variety of produce that a person may put up. All are welcome whether they have large amounts or small.

Some of the local farms have produce in the fields which, because of lack of pickers, will spoil. Occasionally these farmers will allow housewives to pick all they need at a very nominal charge. Persons interested in obtaining produce for canning under this arrangement may contact Mr. Perry, the Agriculture teacher at the High School.

The Rev. R. B. Stewart, Pastor
To most true Americans, the Independence Day anniversary will mean more this year than it has meant in any previous year of our generation. Generally, on "Independence Sunday," we look back, glorying in our past and thanking God for His goodness. This year we shall be looking forward, measuring ourselves against the problems of tomorrow, and seeking light from the God of our fathers who has led us in the past. At the morning worship service next Sunday at eleven o'clock the sermon topic will be, "Must America Dream Tomorrow?" Through Israel's greatest statesman, Isaiah, the answer to that question is given: (Isaiah 30:15 and 21), and it would be both profitable and enlightening if we could make this our theme text for Independence Day, 1944.

RIVERTON WINS TWO

Riverton A. A. took both ends of a double-header here Sunday afternoon when they blanked Beverly by the scores of 5-0 in each engagement. During the course of the afternoon the opposition was able to gather only seven hits. Van Emburgh, who worked the first game, allowed five while Heisler, the pitcher in the second fracas, gave only two. Riverton clinched both engagements in the opening stanza. The double win established the locals in first place by a comfortable margin.

Willie was the Riverton leader in the offense, getting three for three in the second game.

RED CROSS NEWS

A THREE DAY SERVICE

Owing to the shortage of doctors and since a doctor must accompany each Unit, it has become necessary to take two Units off the road and the personnel from these Units has been added to the remaining Units, making each Unit larger and, therefore, capable of taking larger quantity of blood in five hours than heretofore.

It also becomes necessary to set up the Service for at least three days in one spot. Red Cross Branches of the surrounding communities will be asked to bring donors to that point.

A three day service has been arranged for July 24th, 25th and 26th at Burlington. At this time the following places will participate and send donors to Burlington: Bordentown, Roebling, Florence, Beverly, Delanco, Riverside, Riverton, Palmyra, Moorestown and Maple Shade.

Tuesday, July 25th, is Riverton's day. Fifty donors are needed to fill our quota. Will you be one of these donors? Please call Mrs. Arthur Burns, Riverton 0396 or Mrs. John Mustard, Riverton 0411.

ARMY AIR FORCE WANTS 17 YEAR OLDS

It has often been said that flying is a young man's game. And the army has long realized it, but only very recently has the War Department been in a position to limit its embryo flying personnel to real youngsters who are mentally, physically and psychologically best suited for this daring and interesting business.

If you are a cracking older in your early twenties or a middle-aged man of 19, or even a mature and settled fellow of 18, you are too old! You might fill a very vital spot in the present-day fighting machine, but you will have to see your local board about that. You are passe for sky warfare.

The Army Air Forces, which now very properly calls itself the "Greatest Team in the World," wants 17-year-old boys. Not for immediate combat, but to enlist in the Air Corps Enlisted Reserve for active duty shortly after becoming 18.

At the present time the army is making one exception to the age rule. Negroes will be accepted up to and including 26 years. Apparently the AAF has decided to increase the number of its Negro air combat

crews after the splendid record made by the Ninety-ninth Fighter Group. The AAF Examining Board, with offices on the fourth floor of the Camden postoffice building, is the army agency designated to enlist young men from central and southern New Jersey and from the State of Delaware as future members of air combat crews.

Examination. There is no educational requirement except that the candidate must be able to pass a mental examination that is well within the capabilities of an average, alert high school youngster. He must have 20-20 vision without glasses and be otherwise sound physically.

The mental examinations are given twice weekly—Tuesday and Thursday at 9 a.m.—in the board offices. Similar mental tests are being conducted also for the Camden AAF Examining Board by Civil Air Patrol squadrons at Asbury Park, Trenton, Princeton and Woodbury, N. J., and in Delaware.

High school graduates under 17 years and nine months old at the time of enlistment will be given college training at government expense if they desire it before going into active service.

Students still in school on their 18th birthday are permitted to finish the semester in which enrolled at the time they turn 18 if they request it. And all under 18 years old must have their parents' consent in order to be accepted for enlistment.

N.A.A.C.P. MEETING

There will be a public meeting of the Burlington County Branch of the N.A.A.C.P. on Sunday afternoon, July 2nd, at 3:30 p.m. in Burlington Junior High School Auditorium. The guest speaker will be Ruby Hurley, Director of Youth Work, National Office, New York City. Final report of the Membership Campaign will be made. Have you joined? Contact Mrs. Inez Green or Peel Poindexter or Victor Washington.

BRIEF ITEMS from ABOUT TOWN

A letter written June 10 by Sgt. George G. Siddall, U. S. Army, to his parents, Mr. and Mrs. George G. Siddall, Jr., 604 Linden avenue, was received Tuesday, June 27.

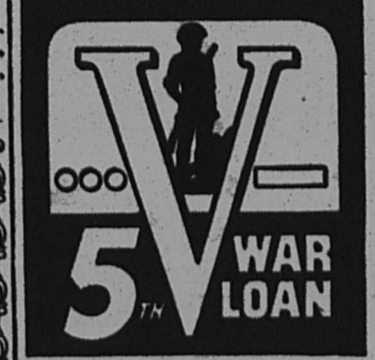

Sgt. Siddall is attached to the 26th Infantry, 1st Division—the outfit that took so much hardship during the first wave of the invasion. The letter spoke of the terrific struggle, and of the many casualties and of the weariness.

Sgt. Siddall was not wounded, which was most welcome news for his parents. "This can't be over too soon to suit us. We need mail and cigarettes. Remember me to everyone."

This is one of the first letters received from the battle front and by its very tone indicates the viewpoint of all our fighting men.

"The Ladies Auxiliary of the Delaware Fire Co. No. 2 of East Riverton will hold a covered dish supper in the firehouse on Saturday evening, July 1, 1944, from 5:30 until 7:30. Bring a covered dish and 35 cents. All are welcome.

Ralph Huna, of Howard street, Riverton, has returned home following a month's tour of the United States, during which time he attended his brother's graduation from one of the Army Air Force Schools in Texas.

HELL DIVING'S HIS JOB ..LENDING IS YOURS!

WITH guns blazing and a prayer in his stout heart, this American fighter is hell-bent on destruction of our enemies. HE is not thinking of how little or how much he's doing to help win the war. For him, the chips are down; but his fighting spirit is as high as the heavens from which his plane is diving.

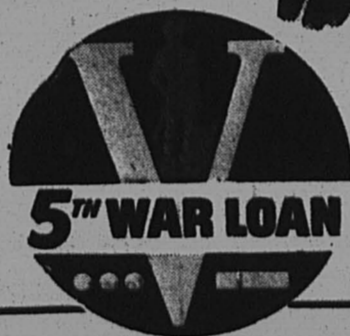

In cramped foxholes and disease-infested jungles, on sun-scorched beachheads—under and over the seven seas—other Americans are matching his courage. And their name is legion. They KNOW that

war is a bloody business; that their lives, as well as yours, are at stake.

Is it asking too much of you to back these men up by buying more, and still more, War Bonds? There can be but one answer. You'll find it in your own heart.

And remember, too, as you dig deeper than ever before into your pocketbook or cash surplus, that the Fifth War Loan MUST raise 16 billion dollars. It is the greatest financing drive the world has ever known... to back up the greatest invasion drive the world has ever known.

Back the Attack!—BUY MORE THAN BEFORE!

And Here Are 5 MORE Reasons for Buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.

McCLATCHY—GILBERT
Announcement is made of the mar-

riage of Miss Lorene McClatchy, daughter of Mr. and Mrs. Samuel McClatchy, of Bellevue avenue, East Riverton, to Staff Sergeant Paul E. Gilbert, son of Mr. and Mrs. Samuel Gilbert, 738 Parry avenue, Palmyra, which took place Saturday at 4 p.m. in Christ Church, Palmyra. The Rev. J. R. Crockett officiated.

The bride was given in marriage by her father. Miss Evelyn McClatchy, a sister of the bride, was maid of honor. John Gilbert, brother of the groom was best man.

The bridal couple are honeymooning at Atlantic City.

Staff Sergeant Gilbert enlisted in the Air Forces just after Pearl Harbor. He entered the service at Fort Dix, and underwent several months extensive training. Embarking at New Orleans for an unknown destination, finally arrived in Panama. The kind hand of fate entered here— a brother Samuel, who had been writing from "foreign parts" for three years—and John were brought together. The family of Gilberts is well represented—there are four sons and all are in the armed services.

returned after 2½ years in the Caribbean Defense Command, will, after 21 days, report for reassignment at Lincoln, Nebraska.

About Town

Lieut. Daniel C. Stewart, U.S.A., and Mrs. Stewart and baby daughter arrived from Ft. Benning, Ga., on Saturday, June 24. Lieut. Stewart has come North to await travel orders.

Mrs. Stewart will be remembered as Miss Alice Case, daughter of Mr. and Mrs. Harold Warner, Washington avenue, Palmyra.

Lieut. William F. Maher, Seabees, who has been on active duty 18 months in the South Pacific is home on leave.

Lieut. and Mrs. Maher make their home with Mrs. Harold Warner. Mrs. Maher is the former Miss Ruth Case.

Lt. Maher, having recovered from injuries sustained while on duty, will report for further duties at Camp Thomas, Davidville, Rhode Island, the latter part of the week.

PROMOTION FOR WOOD

Captain James Wood, of Riverton, who spoke at the War Bond Premiere in the local theatre last Thursday, has been promoted to the rank of major, it was announced this week.

Major Wood, the holder of several decorations as a result of his outstanding achievements in the U. S. Air Force, reported at Atlantic City today for further orders following a leave after active duty in the European area.

ON L.S.T.

Porter B. Caldwell, Jr., son of Mr. and Mrs. Porter B. Caldwell, Elm terrace, Riverton, participated in the D-Day invasion according to a letter received by his parents this week. Their son is a Signalman on an LST and he doubtless will have some very thrilling experiences to narrate about the part played by his boat during the landing on the beaches.
