MAJOR ELLIOTT GETS CITATION

Major Frank Elliott, of 402 Fulton street, Riverton, has been awarded the Distinguished Flying Cross for extraordinary achievement in aerial combat it was announced recently by Major General William E. Kepner, commanding a Heavy Bomber Division.

He is a Squadron Commander and Pilot on a B-24, Liberator and has made 25 bombing missions over Germany and enemy occupied Europe.

The Group to which Major Elliott belongs is commanded by Colonel Luther J. Fairbanks, of Burt, Iowa, received official commendation from Lieutenant General James H. Doolittle, Commanding Eighth Air Force, for combat achievement on its first mission which was against Berlin. It was the longest initial attack ever flown by any unit in the history of the European Theater and one of the heaviest daylight bombardments of the German capital on record. Huge fires raged in the city for days afterwards.

His citation reads: "For extraordinary achievement, while serving as pilot of a B-24 airplane on many bombardment missions over enemy occupied Continental Europe. Displaying great courage and skill, Major Elliott has materially aided in the successful completion of each of these missions and his actions are an inspiring example for his fellow flyers. The courage, coolness and exceptional skill displayed by Major Elliott on all these occasions reflect the highest credit upon himself and The Armed Forces of the United States."

Major Elliott's wife, the former Constance Anderson, lives at 465 High street, Burlington, New Jersey.

In civilian life, he was a student at Lehigh University. He entered the Army on June 26, 1940, and has been overseas since March, 1944.

RALPH SCOTT

SPEAKS ON FUEL

Rotarians at their Club dinner last Thursday in Palmyra Women's Club rooms, heard Ralph Scott, Solid Fuels Administrator for this area, talk informally on the rationing of fuel. He spoke almost exclusively of solid fuels and even more specifically about anthracite. Rationing is necessary because, as with other commodities, there simply isn't enough anthracite to go around. At present anthracite is short six million tons and bituminous coal is short 30 million tons. Many people do not realize that soft coal is burned by 98 percent of the American nation. Sometimes we meet people who declare they must have anthracite as they cannot burn anything else. This winter the East won't need to worry about bituminous fuel; it can't be had.

Mr. Scott explained that a Solid Fuel Administration is set up to prevent a black market this winter. Regulations provide every dealer the same tonnage as he received in 1941-42-April to April. That is the base period. But due to shortage, induced by strikes and other causes, he was entitled to only 90 percent of the base allowance and could distribute 87½ percent to customers.

Small Cut

That means that a nine or ten ton customer is cut only about a ton. And you can supplement with alternate fuels. Anticipating there might be difficulties, regulations provide that 50 percent of requirements may be delivered before October 1. If production increases the allowance will increase. Some mines may increase production; others decrease. Regulations therefore permit distribution of this over production—in a period of thirty-five days—to producers who are under production.

"With full co-operation of all concerned" said Mr. Scott, "there will be unworried plenty." One of the problems has been to take up the lost tonnage as in instances of a dealer's quitting to work in the ship yards. Usually small dealers of course but regulations have a way of taking that up. It is important to get your consumer declaration in if you have not done so. It is your accurate statement of the amount of fuel you need. Give it to your dealer.

"In the S.F.A.W. all our workers have had five years or more of fuel experience. The problems are being handled by competent men. They do not like to see American ways of living cramped any more than anyone else likes it. They are not malicious men seeking to harm our liberties. They know that there will be shishers, and the cooperation of all citizens and neighborhoods is sought in catching up with such cases, so that everyone may have

WILSON COMPLETES COMBAT MISSIONS

Word has just been received from the headquarters of the Ninth Air Force of the completion of his tour of duty by Lieutenant Colonel James T. Wilson, of Riverton. Colonel Wilson has commanded one of the four squadrons of the famous Crusader Group and is a veteran pilot with seventy combat missions to his credit. He has been flying combat in Marauders (B-26 Medium Bombers) for more than a year in the European Theatre of Operations.

His first ship he named Man O' War. The one he is leaving with the squadron when he returns home is Man O' War IV. The first three were washed out in crash landings resulting from battle damage. Each time, although his ships were severely crippled, Colonel Wilson, through his outstanding skill as an airman, was able to bring them home and deliver his crew safely. And each time the skill required was greater than the last.

Ship Damaged

The first time, nearly a year ago, his ship was heavily damaged by flak over Amsterdam, Holland, and upon returning to base, he was unable to lower his landing gear, but made a successful belly-landing.

The second such experience started over Paris when he had an engine shot out and his ship set afire in two places. That, he said, was the only time he seriously considered giving orders for the crew to bail out. Two of his crewmen had been wounded, but not so seriously as to prevent their jumping. He had everyone standing by ready to jump in the event the fires could not be brought under control. But members of the crew managed to extinguish the fires, and he nursed his crippled ship back home across the channel on one engine. When he arrived back over his field, he found that his hydraulic system had been shot out and although he managed to get his two main wheels down, the nose wheel wouldn't go into place. But again through outstanding skill and coolness, he delivered his crew safely. That was the end of Man O' War II, and for his superb airmanship in bringing it home and returning his crew safely, he received the Silver Star. In addition to this high award, he holds the Distinguished Flying Cross and the Air Medal with twelve Oak Leaf Clusters.

The career of Man O' War III came to an end when the Colonel was obliged to land it with only the nose wheel. Again his ship had been shot up badly over the target, and the hydraulic system crippled so that he was unable to lower his main wheels and again by skillful handling he brought it in without injury to any member of the crew.

Gunners of his crew have been accredited with two German fighters shot down.

Before entering the service, Col. Wilson lived with his parents, Mr. and Mrs. Winfield Wilson, at South Strafford, Vermont. They now live on Golf Road, Riverton. He has three brothers in the service. In 1939, he was Captain of the Pennsylvania State College's ski team.

enough.

Much to Alaska

All of this is in the interest of our fighting men and their further effort in Europe where it will take a long time to re-open damaged bituminous mines and put them into production. The populations where our soldiers are taking over will be better handled and less hazardous for our boys if we can go in with adequate fuel and relieve their distress. We are shipping much solid fuel out of this country, including great amounts to Alaska. The post war period will continue to be a curtailed period for us all—for about a year.

We require 250,000 tons of anthra-

CHAS. K. MERVINE

NEW ASSESSOR

Borough Councilman Charles K. Mervine is Palmyra's new Assessor, succeeding James H. Hartley who recently resigned after 22 years of service.

Mr. Mervine, who was President of Council, resigned his Council position at a special meeting of that body last Tuesday evening. His resignation was accepted with regret and his name was immediately submitted by Mayor Ward for the Assessorship. The appointment was unanimously confirmed and he was sworn into his new office by Borough Clerk George J. Spencer.

Mr. Mervine served on Council for 12 years and was one of the outstanding members, devoting most of his efforts to the problems of the sewer department.

Council adopted a resolution praising Mr. Mervine for his many years of splendid service and expressing appreciation on behalf of the townspeople at large.

Mr. Mervine has also been active on the Board of Education and the Board of Health. He resides at 509 Leconey avenue.

cite to take the place of former oil burners. We know the oil is working elsewhere. We take another 250,000 to make up for mormer wood burners. We know where the wood is needed most. Former coke users have required a great amount of substitute hard fuel—around one and a quarter million tons. Without regulation—intelligent and sympathetic—it is easy to see that grave consequences could follow upon unbalanced and unfair distribution of available fuels.

IN FAMOUS DIVISION

Pfc. Edward Morze, of East Riverton, an ammunition bearer, is serving with the 351st Regiment in Italy, one of General Mark Clark's Fifth Army units that helped to drive the Germans from the Garigliano River to the Arno. Except for a brief rest period, the regiment marched and fought almost continuously for more than five months.

Part of the 88th Infantry Division, the first selective service infantry division to come overseas in World War II, the 351st was the first element of that division to enter combat. After two months of aggressive patrolling in the Minturno sector, the regiment participated in the smashing Fifth Army drive beginning May 11th. Three days later the regiment stormed into Santa Maria Infante, a key enemy bastion. Over rugged mountains and across broad valleys, the 351st pushed forward and helped to liberate Rome.

Back in Lines

Soon after the city's fall, the regiment was given a well-earned rest. Three weeks later, however, the driving 351st was again slashing enemy lines and backing the defeated Germans to the north. At times the infantryman had to move rapidly to keep up with the fleeing enemy. In other instances important points were captured only after bitter house-to-house fighting.

In addition to being the division's first regiment to enter combat, the 351st was its first regiment to arrive overseas, first to arrive in Italy, first to earn a Distinguished Service Cross, and first to receive a battlefield promotion.

YOUR GARDEN THIS WEEK

By A. C. McLean

Gladiolus corms and dahlia roots will not be harvested until October, of course, but the work will be much easier if the plants are kept clean and free of insects so that they can continue to make good growth throughout the early fall.

Narcissus, tulips, and other small bulbs should be planted early, for it is essential that they establish good root systems before cold weather sets in. If your iris, peony,

or perennial poppy plantings need division and transplanting, this is the time to take care of that chore, too. Annual Coreopsis and Cornflowers will winter well from fresh seed sown now, provided you are fortunate enough to have obtained fresh seed. Better blooms will be produced next spring than if the seed is delayed until late winter.

Annual larkspur gives better results from a mid-September sowing, since this plant needs a slightly cooler temperature for good germination. Annual poppies can also be sown in the middle of September. Broadcast the seed wherever you wish the plants to bloom next Spring, and thin them out later. Corn Poppy is the only variety available; although opium poppies are handsome additions to any garden, they have been removed from sale because of their opium content.

Bulb planting, transplanting, preparing for the harvesting of gladiolus and dahlias—these are the jobs that will occupy gardeners from now into the fall.

All perennials that bloom before July can be divided and moved now and still have sufficient time to be-

come well rooted and make strong crowns for next year's bloom. It is much more satisfactory to transplant and divide this material in early fall than to wait until next spring to do it. Later blooming perennials do better if they are divided and transplanted in the spring, however.

Peonies divided now will do well next season if they are cut into fairly sized pieces rather than very small ones. Any iris moved now, with the possible exception of Bearded Iris, will bloom well next spring. Day-lilies that have become too thick will be benefited by division and cutting back early this fall.

It is important that plants divided in the fall be well watered, so that they may become rooted and firmly established for winter. If the soil is well drained, no mulch will be necessary; but if the drainage is poor, this form of protection will do a lot to help the plants over the winter.

Price of Freedom

Our independence is no God-given right. It was won with blood. It is now being defended by gallant men who place love of country above love of life. Words of tribute are inadequate—only supreme devotion, work, unselfish sacrifice by all of us until and after victory, can ever in a measure repay the debt of our nation to those who have given their all.

"Substance" is the Lesson-Sermon subject for Sunday, September 10. Golden Text: "A good name is rather to be chosen than great riches, and loving favour rather than silver and gold." (Prov. 22:1)

Sermon. Passages from the King James version of the Bible include: "The glory of the Lord shall endure for ever." (Ps. 104:31) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"Substance is that which is eternal and incapable of discord and decay. Truth, Life, and Love are substance, as the Scriptures use this word in Hebrews: 'The substance of things hoped for, the evidence of things not seen.' Spirit, the synonym of Mind, Soul, or God, is the only real substance." (p. 468)

CENTRAL BAPTIST CHURCH

Rev. S. Dan Morgan, Pastor
Sunday, September 10, 1944

The wish to be beautiful is general. The ways of obtaining outward beauty are many and varied and sometimes costly. But there is no beautifier of complexion or form or behavior like the wish to scatter joy and not pain around us. The wish to do a kindness and the performing of it sheds a light that transforms the whole being. It brings a heavenly light into the eyes and brightens the face. It is a lasting, living, radiant beauty that increases with age.

Sunday Services
Church School, 10:00 a.m.—It is natural for a child to be joyful. And to have the background of Christian

training prepares him for a beautiful and useful life, to be a scatterer of joy. We may not all be teachers or helpers. We can be hearers and doers of God's work. The Church School is the training field for all.

Morning Worship, 11:15 a.m.—The observance of Communion will follow immediately after a short talk by our pastor, Rev. Morgan. The choir, led by C. Y. Barto, will sing, "Gloria in Excelsis," by Mozart. Visitors are especially invited to attend. If you have no other affiliation make Central Baptist your Service Centre.

Evening Worship, 7:45 p.m.—Fall activities are again commencing. Now is the time to form new habits if they aren't already set. One need not have to be convinced that going to church in the evening and joining in the singing and listening to an inspiring sermon is a fine way to get a lift for the trials of the coming week. "Christ's Unconditional Offer" will be the subject of the sermon. Appropriate music by the choir.

Wed., 8 p.m.—Mid-Week prayer and praise service.

Thursday, 8 p.m.—Choir rehearsal. Let us make this a successful year of music and service to the church. All members are urged to be present. Any others wishing to join will be welcomed.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

If ever the world needed the Church, and if ever the Church needed a loyal, consecrated body of adherents, intelligently aware of the Christian answer to the world's needs, this is the time when these requirements are paramount. The period that we are now entering promises to be one of the most significant in the long history of the Church of Christ on earth.

Before another period of summer relaxation arrives the war may be over, demobilization may have begun, the economic structure of our generation may again be tottering, and great moral and spiritual problems will be demanding an intelligent solution. These are some of the probabilities that have impelled the Presbyterian Church in the U.S.A. to suggest as the preaching theme for 1944-45 "The Life of Man in the Light of God." This will be the preaching and teaching theme of the Calvary Church during the church

season that begins next Sunday morning.

The first series of sermons bearing upon this vital subject will be from the Sermon On The Mount, and the title of the introductory message will be, "A Light on the Riddle of Life." You are cordially invited to worship with us and to share in the expository study of this greatest of all sermons.

As part of the morning service of worship the Choir will render the anthem, "Sanctuary of the Heart," by Ketelby. Children will be cared for in the Church Nursery during the worship hour.

Church School will convene at 9:55 a.m. with Bible study classes for all ages. The Men's Bible Class will meet in the gymnasium at the same hour. The Church School Council (faculty and officers) will meet in the Ladies' Parlor on Monday evening, September 11, at eight o'clock p.m.

In connection with the Cub Scout Pack for Riverton boys between the ages of nine and twelve years of age, the first of three meetings for the parents of these boys who are interested will be held in the gymnasium on Monday evening, September 11, at eight o'clock. The second and third meetings will follow on September 18 and 25. For further particulars call Mr. Robert G. Adams.

All young women of the church are cordially invited to attend the September party arranged by the Evening Group of the women's Missionary Society for next Tuesday evening, September 12, at eight o'clock. The Evening Group and interested friends will meet at the home of Mrs. W. Norris Westcott,

Calvary Church during the church

season that begins next Sunday morning.

The first fall meeting of the Women's Society will be held on Wednesday, September 13, at one o'clock. If the weather is favorable, lunch will be served on the lawn of the Manor. Cards with details will be sent to all members of the Women's Society.

An interesting program has been arranged by the Program Committee of Good Fellowship Club for the opening meeting on Friday evening, September 15. Mr. Charles Love, whose ability as speaker and entertainer has gained wide acceptance, will present a novel program on "Pigeons in War and Peace." Dinner will be served in the gymnasium at seven o'clock.

NEW JERSEY BELL TELEPHONE COMPANY

CAMDEN WRESTLING

STARTS SEPT. 18
Starting the thirteenth season of the Twin City Athletic Club, Promoter Ray Hanley has announced Monday evening, September 18, as his opening date for the 1944-45 catch-as-catch-can campaign at Camden Convention Hall.

Following trips to Chicago, Boston and New York, Hanley has arranged to sign up some of the leading wrestlers in the United States. Long distance calls to California also resulted in arrangements being made to have outstanding grapplers come from the coast for competition on the Camden canvas.

While deciding on the best mat-

men procurable for his opening program a week from Monday night, Promoter Hanley plans to have at least one of the celebrated Duseks on his initial card, possibly Ernie. The mat maestro also is dicker with Rudy, oldest of the Omaha brother bone-benders.

In addition to the Duseks, Hanley also is negotiating with George Becker, good-looking Chicago wrestler; the reputed villain Joe Cox, of Kansas City; popular Joe Martinelli, of Boston; Vic Christie and George Kovars; two of California's top-notchers; Boston's burly Bibber McCoy; Handsome Yvon Robert, heavyweight champion of Canada, and Gino Garibaldi, scrappy St. Louis

performer.

Top matches will be arranged over the marathon distance, two out of three falls, or occasionally one fall to a finish. Supporting scraps will be limited to half-hour one-fall contests; also, Promoter Hanley intends to arrange the highly exciting team matches; with four grapplers in action at the same time, in preliminary affairs.

There will be no change in admission prices. Promoter Hanley announced. Reservations are now being made. Phone Camden 4686, at \$1.50, \$1.35 and \$1.10. General admis-

sion tickets, at 85 cents, will be on sale at 7 o'clock the night of the show.

Promoter Hanley expects to have his opening 1944-45 windup signed and sealed before the end of the week.

ARTICLE IV—Section I, Paragraphs 1 through 11 (with part of Schedule*)

Revised Constitution FOR THE STATE OF NEW JERSEY

To Be Voted Upon as a Whole by the Voters of New Jersey at the General Election, Nov. 7, 1944

ARTICLE IV EXECUTIVE SECTION I

Governor 1. The executive power shall be vested in a Governor.

Governor: Qualifications, Election 2. The Governor shall be not less than thirty years of age, and shall have been for twenty years, at least, a citizen of the United States, and a resident of this State seven years next before his election, unless he shall have been absent during that time on the public business of the United States or of this State.

Governor: Disqualifications 3. No member of Congress or person holding any Federal or State office, or position, of profit shall exercise the office of Governor; and if the Governor shall become a member of Congress or shall accept any Federal or State office, or position, of profit, his office of Governor shall thereupon be vacant. No Governor shall be elected or appointed by the Legislature to any office during the term for which he shall have been elected Governor.

Governor: Election 4. The Governor shall be elected by the legally qualified voters of this State. The person having the highest number of votes shall be the Governor; but if two or more shall be equal and highest in votes, one of them shall be elected Governor by the vote of a majority of the members of both houses in joint meeting at the regular legislative session next following the election for Governor by the people. Contested elections for the office of Governor shall be determined in such manner as may be provided by law.

Governor: Term of Office 5. A Governor elected for a full term shall hold his office for four years beginning at noon on the second Tuesday of January next following the election for Governor by the people and ending at noon on the second Tuesday of January four years thereafter. The Governor, when elected for any full term, shall be incapable of holding the office again until the second Tuesday of January in the fourth year after the expiration of the term.

Governor: Succession to Office (6, 7)

6. In case of the death of the Governor-elect before he is qualified into office, in case of the death, resignation or removal from office of the Governor or in case of a vacancy in the office for any other cause, the powers, duties and emoluments of the office shall devolve upon the President of the Senate, and in case of his death, resignation or removal, then upon the Speaker of the General Assembly for the time being, until a Governor be elected and qualified.

7. In case of the impeachment of the Governor, his absence from the State or inability to discharge the duties of his office, the powers, duties and emoluments of the office shall devolve upon the President of the Senate, and in case of his death, resignation or removal, then upon the Speaker of the General Assembly for the time being, until the Governor be elected and qualified.

Governor: Filling Vacancy 8. In case of a vacancy in the office of Governor, a Governor shall be elected to fill the unexpired term at the next general election succeeding the vacancy unless the vacancy shall occur within sixty days immediately preceding a general election in which case he shall be elected at the second succeeding general election; but no election to fill an unexpired term shall be held in any year in which a Governor is to be elected for a full term. A Governor elected for an unexpired term may assume his office as soon as his election has been determined.

Governor: Compensation 9. The Governor shall, at stated times, receive for his services a salary, which shall be neither increased nor diminished during the period for which he shall have been elected.

Governor: General Powers and Duties 10. He shall be the commander-in-chief of the militia and all the military and naval forces of the State; he shall communicate by message to the Legislature at the opening of each regular session, and at such other times as he may deem necessary, the condition of the State,

and recommend such measures as he may deem expedient; he shall take care that the laws be faithfully executed, and grant commissions to all officers elected or appointed pursuant to the provisions of this Constitution. All officers whose election or appointment shall not otherwise be provided for by this Constitution or by law shall be nominated by the Governor and appointed by him with the advice and consent of the Senate. No vacancy in any office which is to be filled by the Governor with the advice and consent of the Senate or by the Senate and General Assembly in joint meeting may be filled by the Governor by a temporary or ad interim appointment at any time, except as may be provided by law.

Nominations and Confirmation 11. The Senate shall either confirm or reject each nomination to office within a period of six weeks after the same has been submitted to it by the Governor unless within that period the nomination is withdrawn by the Governor or returned to the Governor by the Senate; and any nomination not rejected, withdrawn or returned within the period shall be deemed confirmed at the expiration of that period. The withdrawal or return of a nomination before its confirmation shall render it of no effect. No appointment or nomination shall be made by the Governor during the last week of his term.

ARTICLE XI—SCHEDULE—SECTION III

"The 'Schedule' provides for orderly transition from the old to the new Constitution. In the official text it appears as a single Article (XI) at the end of the Revised Constitution. For ready reference, however, the schedule is being printed in appropriate parts with the Articles to which it relates."

1. The Governor in office at the time this constitution takes effect shall hold his office until noon on the second Tuesday in January, one thousand nine hundred and forty-seven. A Governor shall be elected for a full term at the general election held in the year one thousand nine hundred and forty-six and each fourth year thereafter.

2. If, on the second Tuesday in January, one thousand nine hundred and forty-five, no Governor shall be in office, the powers, duties and emoluments of the office shall devolve upon the President of the Senate, and, in case of his death, resignation or removal, upon the Speaker of the General Assembly for the time being, until a Governor be elected as required in this Constitution for the unexpired term and qualified.

In re: Boro of Riverton Truck Tires

On June 27th we received in this

office an application from the Boro

of Riverton dated June 19th.

Due to the fact this application

was incomplete, in that the tire num-

bers and condition of tires was not

noted, it was returned to the Boro

of Riverton for more complete in-

formation.

On August 24th we again received

the application, accompanied by a

letter from Robert W. Knight, Chair-

man of the Fire Committee. On this

date it was placed before our Tire

Panel and approved for four new 900

24 truck tires. We immediately

sent a form letter to Mr. Knight asking where these tires could be purchased and on August 28th the certificates were issued from this office.

The delay in the completion of this application was not due to inefficiency in this office but rather to the Boro of Riverton itself.

Very truly yours,
HANNAH P. FLYNN, Clerk.

FISHING TOURNAMENT

The Fourth Annual New Jersey Governor's Fishing Tournament has produced a champion black drum and a fluke of runner-up proportions thus far this year, the New Jersey Council, of the State Department of Economic Development, revealed today.

Among the large list of entries is a 92-pound black drum fish caught by Herbert F. Layton of Cape May Court House, from a rowboat, off Pivers Point, with clam bait. Records show that the entry breaks the world's record black drum catch of 90 pounds, caught in 1925 off Surf City. Last year's winning black drum fish entry weighed 82 pounds and was caught by Mrs. Calvin H. Kimble, of Rio Grande, N. J.

The fluke of near champion proportions was entered in the Governor's Fishing Tournament by Thomas Rawley of White Horse Station. It weighed seventeen and one-quarter pounds, which is one and three-quarters pounds short of the world's record of nineteen pounds.

Rawley caught the fluke with menhaden bait off Spring Lake from the party boat "White Squall" captained by Charles Piercey, of Brielle. On the same trip, John Shikobak, of Brielle, pulled in a thirteen and one-quarter pound fluke which was also entered in the contest. The winning fluke of the 1943 Governor's Fishing Tournament weighed 14 pounds and was caught by Mrs. Margie Clarke, of East Orange.

No. 6 In a series of 12 installments

ARTICLE IV—Sections I (concluded) and II (with part of Schedule*)

Revised Constitution

FOR THE STATE OF NEW JERSEY

To Be Voted Upon as a Whole by
the Voters of New Jersey at the
General Election, Nov. 7, 1944

ARTICLE IV
EXECUTIVE

SECTION I (concluded)

Veto Power: 12. Every bill which shall have passed both houses shall be presented to the Governor; if he approve he shall sign it, but if not he shall return it, with his objections, to the house in which it shall have originated, who shall enter the objections at large on their journal and proceed to reconsider it; if, upon reconsideration on or after the third day following its return, three-fifths of all the members of that house shall agree to pass the bill, it shall be sent, together with the objections, to the other house, by which it shall be reconsidered and if approved of by three-fifths of all the members of that house, it shall become a law; and in all such cases the votes of both houses shall be determined by yeas and nays, and the names of the persons voting for and against the bill shall be entered on the journal of each house respectively. If any bill shall not be returned by the Governor within ten days, Sundays excepted, after it shall have been presented to him, the same shall become a law on the tenth day if the house of origin is not in adjournment on said day. If, on said tenth day, the house of origin is in adjournment in the course of a regular or special session, the bill shall become a law on the day on which the house of origin convenes after the adjournment unless the Governor shall return the bill to that house on that day. If, on said tenth day, the Legislature is in adjournment *sine die*, the Governor shall within thirty-five days after such adjournment sign the bill or return it to the house of origin at a special session of the Legislature called by him, to meet within the thirty-five days, for reconsideration of bills; otherwise, the bill shall become a law on said thirty-fifth day. If the Governor shall return any bill to the house of origin less than three days prior to the adjournment *sine die* of any session, the bill shall become a law thirty-five days after said adjournment unless the Gov-

ernor shall call a special session of the Legislature, to meet within said thirty-five days, for reconsideration of bills, and in such case such bill may be reconsidered.

Veto Power: 13. If any bill presented to the Governor shall contain one or more items of appropriation of money, he may object to one or more of such items while approving of the other portions of the bill. In such case he shall append to the bill, at the time of signing it, a statement of each item to which he objects, and each item so objected to shall not take effect. A copy of such statement shall be transmitted by him to the house in which the bill originated, and each item objected to shall be separately reconsidered. If, upon reconsideration on or after the third day following said transmittal, one or more of such items be approved by three-fifths of all the members of each house, the same shall become a part of the law, notwithstanding the objections of the Governor. All the provisions of the preceding paragraph in relation to bills not approved by the Governor shall apply to cases in which he shall withhold his approval from any item or items contained in a bill appropriating money.

Investigatory Power: 14. The Governor may cause an investigation to be made of the conduct in office of any State officer except a member of the Legislature or an officer elected by the Senate and General Assembly in joint meeting or a judicial officer. After notice, service of charges and an opportunity to be heard at a public hearing, the Governor may remove any such officer whenever in his opinion the hearing discloses misfeasance or malfeasance in office. Upon application on behalf of the Governor or officer under investigation or subject to charges, a Justice of the Superior Court may issue subpoenas and, under penalty of contempt of the Superior Court, may compel the attendance of witnesses, the giving of testimony, and the production of books and papers, in the investigation or at the hearing.

SECTION II

Board of Pardons

1. There shall be a board of pardons in the executive branch of the government, which shall consist of the Governor, or person administering the government, and of four other members who shall be nominated and appointed by the Governor by and with the advice and consent of the Senate for terms of four years and until their successors are qualified into office and who shall receive such annual salaries for their services as may be provided by law. At least one of said four members shall be an attorney-at-law of this State.

Pardons, etc. 2. The board of pardons, by a majority of all its members of which majority the Governor, or person administering the government, shall be one, may grant pardons, after conviction, in all cases except impeachment. The board of pardons, by a majority of all its members, may remit fines and forfeitures and suspend the collection of the same, but in proceedings as to these matters the Governor, or person administering the government, need not participate.

3. The board of pardons shall have no power to grant paroles except as provided by law.

Reprieves: 4. The Governor, or person administering the government, shall have the power to grant reprieves except in cases of impeachment.

ARTICLE XI—SCHEDULE—SECTION III

*The "Schedule" provides for orderly transition from the old to the new Constitution. In the official text it appears as a single Article (XX) at the end of the Revised Constitution. For ready reference, however, the Schedule is being printed in appropriate parts with the Articles to which it relates.

3. The first members appointed to the board of pardons established under this Constitution shall be appointed, one for a term of one year, one for a term of two years, one for a term of three years and one for a term of four years, and thereafter appointments shall be made for terms of four years.

POWERS Praised

An editorial in the Army and Navy Journal praising the Military Appropriations efforts of Congressman Lane Powers has been inserted in the Congressional Record by Representative Joseph W. Martin, Jr., the Minority Leader of the House of Representatives.

Mr. Martin's extension of remarks which included the editorial were prefaced with praise on his own behalf for Mr. Powers, who represents Mercer and Burlington Counties.

The Army and Navy Journal is the official publication of the Armed Services and the editorial sponsoring the Congressman for re-election mentioned that if the Republicans elect a majority in the House this November, Mr. Powers will become Chairman of the Sub-committee on War Department Appropriations.

Speaking of the Journal editorial, Mr. Martin said: "Those of us in the House who have long recognized the excellent work on the Appropriations Committee which Lane Powers did in preparing for the prosecution of the War, are delighted to see that recognition has been given Mr. Powers by the official magazine of the Armed Services."

In the editorial the Journal traced Congressman Powers' military history from his graduation from the Pennsylvania Military College in 1915, through his service on the fighting fronts in France during World War I. The Journal stressed the fact that Mr. Powers was appointed to the War Department Appropriations Sub-committee when first elected to Congress in 1933 and has served with outstanding merit ever since. Recently he has been ranking minority member of this Sub-committee which is charged with appropriating funds for the War Department Services.

The Journal's editorial also stressed the Congressman's effort to enlarge Camp Dix and credited him with first recognizing the strategic importance of Dix as a Reception Center and Staging Area for the Northeastern District in time of War.

In closing its editorial the Journal stated: "Mr. Powers is known in Washington as a leading civilian expert on Army requirements and is called by some of his colleagues, 'the Sponsor of Our Modern Army.' Mr.

Armed Services."

Powers' efforts in National Defense have been recognized by Republicans and Democrats alike. They consider him so valuable that everyone is anxious for his continuance in office, irrespective of politics. As Chairman of the War Department Appropriations Sub-committee, Mr. Powers would bring to the office a wealth of knowledge and experience in Military Appropriations matters that is surpassed by no one in either civilian or Military Service in the entire country. His constituents should re-elect him."

MODERNIZING YOUR STATE CONSTITUTION

Long drawn-out sessions of the New Jersey Legislature will be eliminated when citizens of the State adopt the revised Constitution, which will be voted on in the General Election next November 7.

The new Constitution limits regular sessions to 90 days—a time which veteran Legislators declare is sufficient for transacting all routine legislative business. Special sessions, which will be confined to special matters, specified in the call of message, will be limited to 15 days.

Special sessions must be called by the Governor on petition of a majority of each house. The Senate may be called by the President to act on nominations or impeachment, the Assembly by the Speaker to consider impeachment.

BECKER IN WINDUP

OF CAMDEN OPENER
George Becker conceded one of the cleverest heavyweight wrestlers in the world, has been signed by Promoter Ray Hanly for his opening windup of the 1944-45 season next Monday night at a Camden Convention Hall.

Among front flight challengers for world's honors, Becker has thrilled Camden customers of catch-as-catch-can for several years. He meets another popular performer with Hanly's patrons, Tony Martinelli, of Boston.

Toppling the inaugural program of the new campaign, Becker and Martinelli will clash in a two-out-of-three balls set to over the hour-and-a-half route, and they are expected to stage a sizzling scrap.

Since the announcement last week of the opening date, telephonic requests for ringside reservations have been pouring in, according to Promoter Hanly, who anticipates a capacity crowd for his initial offering of the grappling semester.

Gino Garibaldi, scrappy St. Louis heavyweight, has been given a spot in a special bout with Matros Kirilenko, reputed Cossack caveman, as his adversary. They are listed to go an hour with one fall to decide the issue.

From a spectator's standpoint, Garibaldi and Kirilenko attract almost as much attention as the wind-up between Becker and Martinelli. Gino and Matros may be expected to provide plenty of action.

HOMES DAMAGED AT SHORE POINTS

With scores of local residents owning property at various shore points hit by the hurricane, there was a general exodus to the beaches by those having interests there as soon as the storm subsided.

In general, few from this section sustained serious damage, although many homes in the Long Beach Island and Ocean City areas were wrecked including two that were formerly the property of Riverton residents.

The worst casualty was the summer home of Sidney Reynolds, of Riverton, which was totally destroyed near Beach Haven. It was the last house to remain standing in that particular section.

The home of Noah Kuensell at Beach Haven was slightly damaged by water.

The property of George Becton above Harvey Cedars was damaged slightly as was that of Stanley Carty at Ship Bottom. The Schwering home in the same vicinity was hit harder. The Coes at Spray Beach had their garage damaged while the nearby Flower home escaped.

Carty's garage was harmed. Others reporting practically no damage were Dewees Showell, of Surf City and Frank Chambers, of Beach Haven Gardens.

The cottage of C. C. Miller at Brant Beach had a chimney blown over but it fell away from the house. The home of George Gilliam, Jr., at Beach Haven, had the cellar filled with water and the foundation was damaged when a garage crashed into it.

P. B. Teeple, at Harvey Cedars, lost a garage and his house was hit by another nearby.

The residence of Joseph Yearly at Harvey Cedars was not harmed nor was that of Mrs. E. L. Williams at Ocean City.

Others whose cottages remained intact include John Hullings, at Ship Bottom, whose garage suffered; Daniel Cavanaugh, at Surf City; Dr. Harry L. Rogers, at Brant Beach.

SCRAP COLLECTION

Saturday, September 23
Main street both sides of railroad, Fulton street.

The need for paper is still very urgent and those in charge of the collection report that the response has been very poor of late.

All residents are urged to cooperate to the fullest extent by putting out their paper for collection.

REAL ESTATE ACTIVE

During the past month there have been more real estate transactions in Riverton than for several years, at least 15 properties having changed hands during that time.

Several old residents have sold their homes because of a change in the location of their business while others who rented were forced to seek new properties because of the sale of the ones which they occupied.

A number of additional moves are also being contemplated.

ON YALE SQUAD

Richard M. Hollingshead, Jr., of Riverton, is a member of the Yale University football squad, where he is a leading candidate for a tackle position.

He entered Yale last November from Lawrenceville Prep.

COMPLETION OF HONOR ROLL STILL HELD UP

Due to the non-arrival of certain essential parts work on the completion of Riverton's Honor Roll is still held up.

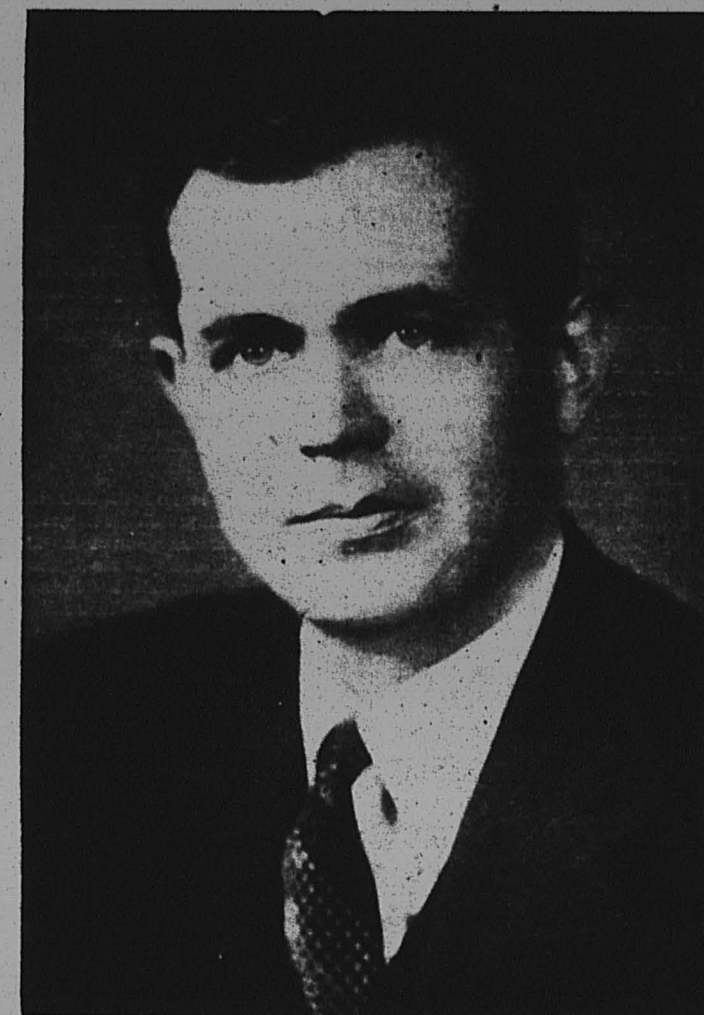

Arrangements are being made to have the necessary landscaping done in the near future.

PORCH CLUB SPEAKER

Pierre Clemenceau, courageous French patriot who aided the Americans in West Africa, will be the speaker at the Porch Club on October 3rd. Mr. Clemenceau was sent by the French National Committee to Washington as a member of the French Supply Council. He comes to speak to us in the interest of the Free French and his topic will be "France Today and Tomorrow."

Nurses' Aides Needed

The need for Volunteer Nurses' Aides to serve in the Hospitals of the County continues to be desperate, and it is hoped that many women will register for the new training course for Nurses' Aides which the Burlington County Chapter, American Red Cross, plans to open later this month.

Scarcity of regular nurses in civilian Hospitals will continue long after hostilities against Germany are over, officials say, as their services will be needed in military Hospitals. Assistance of Nurses' Aides is imperative at the Hospitals in the County to supplement the work of the regular nurses now available.

Women who wish to enroll for the new Nurses' Aide training course may register with Mrs. George Borner, Riverton 0621.

Letter of Appreciation
An indication of the appreciation felt by patients for the services of Nurses' Aides is given in the following letter sent to Mrs. Norma Barkelew, of Moorestown, Volunteer Nurses' Aide Chairman for Burlington County, by Mrs. Christine Anderson, of Manasquan, N. J.

"On June 11th I was admitted to Burlington County Hospital, Mt. Holly, as the result of an automobile accident, where I remained until about ten days ago.

"During my seven weeks stay there my admiration grew daily for the fine group of women serving as Nurses' Aides there.

Their efficiency and untiring efforts, coupled with their cheerful dispositions, maintained under often trying circumstances, are indeed to be admired.

"To these splendid women, to those teachers who trained them so well, and to the Burlington County Chapter, American Red Cross, I am very grateful."

NURSE SOCIETY HOLDS MEETING

The first meeting of the Visiting Nurse Committee of Palmyra, Riverton and Cinnaminson after the summer vacation was held on Monday, September 18, at the Palmyra Borough Hall to discuss plans for the coming winter months, to hear the reports of the various chairmen and the nurses on their activities this summer.

The reports clearly showed that the Visiting Nurses are needed every month in the year. Miss Blair carried the responsibility of the nursing visits during July while Miss Cook turned at Ocean City. Miss Cook in turn relieved Miss Blair in August permitting Miss Blair to have a needed vacation in Nantucket, Mass.

This summer found them comfortably settled in their new apartment at 402 Lippincott avenue, Riverton.

With great reluctance the Visiting Nurse Committee accepted the resignation of Mrs. Charles Evans. Mrs. Evans brought to the Committee a clear, penetrating, unbiased mind very willing to help with all problems. She is one of the original committee which established the Visiting Nurse Society thirty-two years ago. During these years as a layman she has acquired a wealth of information and experience in the field of Public Health Nursing which could be gotten only by active participation in the work of the committee during these years.

The committee hopes Mrs. Evans will continue to consider herself a part of the organization.

The next meeting will be held at Palmyra Borough Hall October 9th at 11 a.m.

The evening section of the Palmyra Women's Club will hold its annual supper in the club rooms Monday, September 25, at 7 p.m.

ADDITIONAL PROGRAMS AT PORCH CLUB

In last week's brief summary of the year's highlights of the Porch Club Program, the following celebrities were omitted:

Miss Flora Campbell Test, of Moorestown, who will present her novel portrayal of "Wild Songs of America."

Miss Sue Read will give her dramatic sketches of the "Actress of Today."

Dr. Howard W. Higgins will take us "Among The Spirits" in a spiritual seance and then debunk the entire performance.

First P. T. A. Session

The first meeting of the Riverton P.T.A. will be held Wednesday afternoon, September 27th, at 3:00 p.m. in the auditorium.

A democratic discussion on "Character—How Developed" will be led by our principal, Miss Caroline M. Staman.

All members and friends are invited to attend our meeting and join in this discussion and those of all subsequent monthly meetings. We have obtained very interesting speakers for each meeting and are looking forward to a good year.

Come to the meetings and become acquainted with your child's teacher and the mothers and fathers of Riverton; enter in the Parent Education group meetings and do your part to help make this year a year both you and your child will remember.

MORE ABOUT THE N. J. REVISION

Like an anxious bridegroom whose prospective bride has said "yes" but whose stubborn Pop has safely locked her in her room and refused his consent, more than one potential New Jersey office-holder has cooled his heels in the State House corridors, while a balky Senate has refused to consider his appointment by the Governor.

Thus, the appointment—safely locked in the desk of a Senator or tucked away in his inside-coat pocket—has gathered dust as the would-be office-holder went back home to mull over the intricacies of partisan politics, points out the New Jersey Committee for Constitutional Revision.

Such has often been the story under New Jersey's old-fashioned and sometimes unfair, state Constitution. With a Governor whose party politics differed from that of the Senate majority, many prospective office-holders have been "given the nod" by the chief executive, only to find that the politics-playing Senate wouldn't confirm.

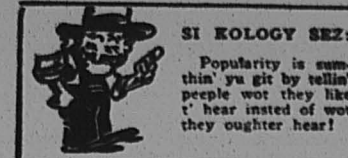

More than one good man has been wilfully tossed on the scrap-heap of tawdry partisan politics, simply because he happened to be the friend of the Governor—but no friend of the Senate majority.

A vicious evil in the old Constitution, which years ago appeared but has never been removed, was this power given the Senate majority to fail to consider any appointment by the Governor, and thus block the appointment, simply by handing it over to one stubborn-minded Senator, who stuck the document in his pocket and promptly proceeded to forget all about it.

All of that will be eliminated when New Jersey citizens approve the proposed revised Constitution, to be voted on in the General Election next November 7.

Article IV, Section I, Paragraph II will force the Senate to take definite action on an appointment, or such an appointment if not withdrawn by the Governor will be considered as confirmed at the end of six weeks.

This clause is one of the most important changes in Article IV, Section I of the proposed new charter. Another extends the term of the

STORM HITS HERE

Local communities were most fortunate in escaping severe damage from the fringes of the hurricane which struck here late Wednesday afternoon. The real storm started shortly after 3 p.m. and gradually increased in intensity until about 7 o'clock, when the worst was over.

Many sections were without electricity and phone service was interrupted due to falling branches and trees. Repairs were made by the utility companies as quickly as possible.

Several Trees Down

Several large trees were blown down, but houses generally escaped damage. Two large willows fell on Lippincott avenue, one narrowly missing a garage.

Branches littered the streets everywhere and a large tree was blown across Lippincott avenue near Fourth street. This was removed during the evening.

At the Riverton Yacht Club several small boats were swamped but the owners were able to salvage them.

NOMINATING COMMITTEE FOR RED CROSS

The following have been appointed as a Nominating Committee for the election of officers for the local Red Cross Branch for the year 1944-1945:

Mrs. John Wright, Chairman
Mrs. W. Brooks Evert
Mrs. A. B. Garwood
Mrs. Charles Ayres
Mrs. Clarence Rodman
Elections will be held in November but the selection by the Nominating Committee must be completed by October 11th. Suggestions for Chairman, Vice Chairman, Secretary or Treasurer will be welcome to any member of the committee.

MEDIA HERE SUNDAY

Riverton A. A. with an open date in the county league playoffs will meet Media here Sunday at Memorial Park. The game will start at 2:30 p.m.

The opposition is very strong, since the team from across the river won the title in the Delaware County League.

A brisk engagement can be expected.

DO NOT RAKE LEAVES ON STREETS

Mayor J. Wilson Sylvester, of Riverton, urges local residents NOT to rake leaves into the gutters.

With the highway department short of help it is impossible to remove the foliage. In the event of a severe rain, such as occurred last week, the leaves clog the drains and consequent flooding of the highways results.

All residents are asked to cooperate to the utmost in complying with this urgent request.

PEP RALLY AT LOCAL CENTER

The remodeling of the Community Center has been completed and a grand opening will be held Friday night, September 22 at 7:45. The remodeling has been going on for the past three weeks and with the help of the young people much improving has been done.

The grand opening will be in the form of a pep rally for the next day's game with Collingswood. There will be a dance following the rally. Come out and help cheer your team on to victory over Collingswood.

COMMENT

"G.I." Joe and Jane, who are war casualties, may telephone home the moment they arrive at a debarkation hospital in this country at Government expense if the Congress acts favorably on H. R. 5344 introduced by Congressman D. Lane Powers (Republican) 4th District of New Jersey.

Congressman Powers discovered that, although the War Department would willingly permit casualties arriving in this country to telephone home at Government expense, there is no authority for such permission vested in the War Department. Mr. Powers' Bill provides such authority.

The measure has been referred to the House Military Affairs Committee and Congressman Powers wired Honorable Andrew J. May, Chairman of the Committee requesting immediate hearings. The War Department is strongly supporting the measure. It is believed it will also meet with the approval of Congress.

"I know just how the young men and women feel when they arrive in this country as casualties," Congressman Powers declared today. "The first thing they want to do is to call home and talk to their folks. That is a very normal and human reaction. My Bill will permit them to make

this original call at the expense of the Government in whose service they become casualties. I have every hope of a speedy Congressional action on this measure when Congress reconvenes after the present recess. With the support of the War Department behind the Bill, its passage is practically assured."

Body of Man Found

The body of a middle-aged man, believed to have been murdered, was found Sunday morning in the Delaware River 20 feet from shore at the foot of Thomas avenue.

The body, badly decomposed, was found by a patrolman on duty at the time. It was taken to the coroner's office and a certificate of death due to drowning was issued. The man was identified by unknown persons and was thrown or pushed into the water.

Another fact which led police to express the theory the man was murdered was an old log wrapped around his neck. The log, which could have been used in an attempt to strangle the victim.

Fingerprints taken from the man's hands and ankles, he noted the state police barracks. The latter worked the identification bureau at West Trenton, Corp. Arthur H. Hunsaker, identification expert, came here from West Trenton to join in the investigation, along with Corp. Robert Armstrong, Delaware County detective, and County Detective Clifford Kane.

group is continued daily contact with the public. It is their first duty to the people of the state to endorse this proposition which, I feel, is in the best interests of public health and economy.

Revision of the Constitution is "the greatest advance in professional and social and political activities in the state in the past 100 years," Martini asserted. Every public-spirited pharmacist should advocate revision. It was also announced that pharmacist leaders in every county will serve on the state-wide committee for revision. During October the committee will hold a state-wide meeting at the Rutgers University School of Pharmacy at Newark.

PAPER SHORTAGE NOTES
While newspapers and publishers are suffering from paper shortages, New Deal agents are circulating a veritable Niagara Falls of literature and news releases. For example, Harold Lickes, has sufficient manuscript and paper to issue a release on how to serve coats Hasenpfeffer style, information on trumpeter swans, and the high mortality rate among albino skunks.

Here is ODT's contribution to the reading public:

BRIEF ITEMS

ABOUT TOWN

Ensign David W. Robbins, USNR, is home on leave after graduating from Midshipmen's School at Northwestern University in Chicago on September 14th.

His new station will be in Miami. Richard Robbins, who has been working at The Inn at Buck Hill Falls for the summer, has returned to George School for his senior year.

Both are sons of Mr. and Mrs. Lindley C. Robbins, of 107 Lippincott avenue.

Leon E. Gray has arrived in Camp Croft, S. C., for basic training. He is the son of Mr. and Mrs. Leon Gray, of 301 Harrison street, Riverton. He was inducted into the Army on August 23 at Camden. He attended Palmyra High School.

Mr. and Mrs. Karl W. Latch and son, Robert, of Midway, Riverton, left last Saturday for Chicago, where they will reside in the future. Mr. Latch, who was advertising manager and vice president of The New Era for a number of years, is now connected with All-Vac, a product of Lord, Hawley and Hammett, of Philadelphia. Mr. Latch will be in charge of the mid-western territory.

Second Class Petty Officer Arthur H. Burns, Jr., son of Mr. and Mrs. A. H. Burns, of Thomas avenue, Riverton, has returned home on leave after 4½ months of sea duty in European waters. Burns is stationed on a destroyer, the type which is very

maneuverable and fast and one of a convoy which returned to the United States recently.

During the weeks of invasion U. S. destroyers played a most important part in providing our soldiers with comforts necessary to battle.

Burns relates of many rescued and wounded men, who might have died except for the liberal use of blood plasma. It is actual experience which impresses upon us the value of this life substance.

Mr. and Mrs. Arthur Burns, Jr., reside in Camden. Mrs. Burns, a Registered Nurse, is supervisor of maternity, Cooper Hospital, Camden.

Chief Petty Officer Garwood Bacon, son of Mr. and Mrs. Garwood Bacon, of Delanco, has returned to the U. S.

His ship was one of the first to cross the English Channel on D-Day. While approaching the Normandy coast they struck a mine, throwing the crew into the water. Those who escaped with their lives swam ashore where heavy enemy resistance was encountered. Bacon received serious shrapnel wounds and was removed to an Army Hospital in England where he remained until able to make the crossing home. He enjoyed the distinction of returning on the same ship as Winston Churchill who disembarked from the Queen Mary, in Canada. The ship then proceeded to N. Y.

Since arriving, C.P.O. Bacon has been at the St. Albans Hospital, St. Albans, L. I.

He returned to Delanco on September 23 to remain for ten days.

Pfc. Melvin S. Stebbins, formerly of 402 Lippincott avenue, Riverton, has graduated from Flexible Gunners School, Buckingham Army Air Field, Fort Myers, Florida, and has now reported to Laredo Army Air Field, Laredo, Texas, for training in Central Instructors School.

Two Riverton men were commissioned Ensigns in the U. S. Naval Reserve when they graduated from the Naval Reserve Midshipmen's School at Abbott Hall, Northwestern University, Chicago, Illinois.

The new officers completed a four-months course in navigation, seamanship, damage control, communications, ordnance and gunnery. The graduates who will now be assigned to duty with the fleet as deck offi-

cers are: Bernard Coe, 705 Thomas avenue, and David Robbins, 23, 107 Lippincott avenue.

adopted by the Scoutmaster at a meeting last Friday evening. The meeting was held at the home of District Commissioner D. E. Tuttle and those present were Scoutmaster A. B. Branson and Assistant Scoutmasters Reid and Schweizer, all of Troop 5; Scoutmaster William Gibson and Assistant Scoutmaster Frank Wolf, of Troop 16; Scoutmaster Scroggy, of the Parry Troop; Assistant District Commissioner Paul Schneider; and Henry deHoll, Chairman of the District Committee.

This program is divided into four parts and covers a period of one year, as follows:

1. Fall Round-Up from October 1st to December 27th featuring patrol system, troop organization, and troop sponsorship.

This will be climaxed with an outdoor District affair to be held Saturday afternoon, December 30th.

2. Public Investiture and Court of Honor from January 3 to Feb. 28. This is a program of recruiting and advancement and reaches its climax during Boy Scout week in February at a public affair at which Scouts' work is recognized. Activities will commemorate the great founders and leaders of our country.

3. Camporee from March 1st to June 15th. This is an outdoor program designed to develop boy leadership through use of the Patrol System. It ends with an outdoor overnight camp called the Camporee.

4. Summer activities from June 20th to September 10th. This program will be adapted to reduced summer attendance and will feature at least two outdoor District get-to-

gethers.

Troops will have to fulfill certain requirements in each part of the program. Those who qualify in all four parts will be awarded the Red Star Rating. This is the highest award a Troop can receive.

GILES KNIGHT WRITES
TO ROTARY CLUB

Councilman Knight's son, writing from the battlefield in France has expressed concern over the school children of Riverton who are instructed to cross Broad and Main streets, diagonally.

In a "V-Mail" letter that ended with the hope that he would "start a ball rolling," Giles Knight sent a lot of valuable suggestions to the Palmyra-Riverton Rotary Club, for practical hometown Christmas greetings and gifts that would appeal to the boys from Riverton that are in the service.

Private Knight's letter reads as follows:
Palmyra-Riverton Rotary Club
c-o Mr. Robert Adams
Dear Bob:

People have begun to ask what I would like to get for Christmas. If the other boys are like myself one thing that I think it would be nice to get would be a Christmas card in the shape of a special edition of the town paper showing what is going on and what the people are

PLACE your winter coal orders as early as you can. That's wise planning; but plan too to make that coal last as long as you can.

ARTICLE V—Sections I, II and III (with part of Schedule*)

Revised Constitution

FOR THE STATE OF NEW JERSEY

To Be Voted Upon as a Whole by the Voters of New Jersey at the General Election, Nov. 7, 1944

ARTICLE V
JUDICIAL
SECTION I

Court System 1. The judicial power shall be vested in a Supreme Court and in a Superior Court and in inferior courts of original limited jurisdiction, which inferior courts may from time to time be established, altered and abolished by law. Such inferior courts may be integrated with the Superior Court in any manner and to any extent, not inconsistent with this Constitution, as may be provided by law.

Law and Equity 2. In all matters in which there is any conflict or variance between equity and common law, equity shall prevail and, subject to rules of the Supreme Court, every controversy shall be fully determined by the court or justice hearing it.

Sittings and Terms of Courts (3, 4) 3. The Supreme Court shall sit at the seat of the State Government and the Superior Court shall sit in each county except the appellate divisions thereof which shall sit at the seat of the State Government and at such other places as the Chief Justice of the Supreme Court may designate.

4. The Supreme Court and the appellate divisions of the Superior Court shall hold continuous yearly terms, and the sections of the Superior Court shall hold such terms as may be fixed by rules of the Supreme Court.

SECTION II

Supreme Court 1. The Supreme Court shall consist of seven justices, namely: one Chief Justice and six Associate Justices. Five members of the court shall constitute a quorum. The Chief Justice or, in his absence, the justice of the court presiding as provided by law shall designate a justice or justices of the Superior Court to serve temporarily when necessary to constitute a quorum.

Supreme Court Jurisdiction 2. The Supreme Court shall exercise appellate jurisdiction in the last resort in all cases designated in this Constitution. The court may, by certiorari allowed by the court or any justice thereof, review any indictment, before trial, according to law. The court shall also have jurisdiction of the admission to the practice of law and the discipline of persons admitted.

Supreme Court Rules 3. The Supreme Court shall make rules governing the administration of all of the courts in this State. It shall have power, also, to make rules as to pleading, practice and evidence, which may be applicable to all of the courts in this State, and which shall have the force of law unless changed or abrogated by law.

SECTION III

Superior Court 1. The Superior Court shall consist of such number of justices as may be authorized by law, but not less than twenty-seven, each of whom may exercise the original jurisdiction of the court subject to rules of the Supreme Court. There shall be at least one Resident Justice of the Superior Court for each county who shall be appointed from the residents of the county and who shall reside in, and shall annually be assigned by the Chief Justice to sit in the law section of the Superior Court in said county, but who shall be subject to assignment, from time to time, to sit without the county, only, if and when his duties within the county shall not require his presence there.

Superior Court Jurisdiction, Parts (2, 3) 2. The Superior Court shall have original general jurisdiction throughout the State in all cases.

3. The Superior Court shall be divided into

- (1) a law section, to exercise civil and criminal jurisdiction at law; and matrimonial jurisdiction and jurisdiction in cases involving the allowance of alimony and maintenance and the custody of children, without jury trial; and
- (2) an equity and probate section, to exercise all other jurisdiction of the court,

but either section shall exercise the jurisdiction of the other when the ends of justice so require. Each section of the Superior Court shall have such parts as may be provided by rules of the Supreme Court.

Prerogative Writ 4. Any Justice of the Superior Court or an appellate division thereof may allow prerogative writs returnable in an appellate division which shall determine, in such manner as the rules of the Supreme Court may prescribe, and without a jury, questions of fact arising therein; or, when so prescribed by rules of the Supreme Court, the hearing may be in the first instance before a single justice, whose determination, both as to law and fact, shall be reviewable by an appellate division. On an application for any prerogative writ, the appellate division or the Justice of the Superior Court shall allow such writ as the case shall warrant.

ARTICLE XI—SCHEDULE—SECTION IV

*The "Schedule" provides for orderly transition from the old to the new Constitution. In the official text it appears as a single Article (XI) at the end of the Revised Constitution. For ready reference, however, the Schedule is being printed in appropriate parts with the Articles to which it relates.

1. On or before June first, one thousand nine hundred and forty-five, the Governor shall nominate

and appoint, by and with the advice and consent of the Senate, a Chief Justice and six Associate Justices of the new Supreme Court from among the persons then being the Chancellor, the Chief Justice, the Justices of the Supreme Court, such Judges of the Court of Errors and Appeals as are attorneys-at-law of this State of ten years' standing, the Vice-Chancellors, and the Circuit Court Judges. The remaining judicial officers above enumerated and the Judges of the Courts of Common Pleas in office when the Judicial Article of this Constitution takes effect shall constitute the Justices of the new Superior Court. The Chief Justice and each Associate Justice of the new Supreme Court so appointed and each Justice of the new Superior Court so constituted shall serve during good behavior for the period of his term as Chancellor, Chief Justice, Justice of the Supreme Court, Judge of the Court of Errors and Appeals, Vice-Chancellor, Circuit Court Judge, or Judge of the Court of Common Pleas, as the case may be, which remains unexpired at the time the Judicial Article of this Constitution takes effect notwithstanding that he may then have attained or may attain the age of seventy-five years within said period. The Chief Justice and each Associate Justice of the new Supreme Court, if he has not attained the age of seventy-five years at the time of the expiration of his said term, shall continue to serve during good behavior after the expiration of his said term without limited term, except that his term as Chief Justice or Associate Justice of the new Supreme Court shall terminate when he attains the age of seventy-five years. Any Justice of the Superior Court so constituted may be reappointed at the expiration of his said term if, then, he shall have been an attorney-at-law of this State in good standing for at least ten years and shall not have attained the age of seventy-five years, and, if reappointed, such Justice shall hold office during good behavior for a term of seven years, except as hereinafter provided. At the expiration of said term of seven years any such Justice of the Superior Court may again be reappointed if, then, he shall not have attained the age of seventy-five years, and, if so reappointed, such Justice shall hold office during good behavior without limited term except as to age as hereinafter provided. No such Justice of the Superior Court who has been reappointed shall continue in office after he has attained the age of seventy-five years.

2. The compensation of any of the judicial officers named in the preceding paragraph, who is transferred to the new Superior Court pursuant to this Article, as fixed by law immediately prior to his said transfer, shall not be increased or diminished while he is serving on the term for which he was appointed as such judicial officer, except that the compensation of any Judge of the Court of Errors and Appeals or of any Common Pleas Judge, who is not required by law to devote his entire time to his judicial duties, who is transferred to the Superior Court, may be increased, as may be provided by law.

3. The Chief Justice shall annually assign a Common Pleas Judge, who is transferred to the Superior Court in accordance with this Article, to act as Resident Justice of the Superior Court, in the manner required by this Constitution, for the county of which he was Common Pleas Judge, so long as there shall be a Justice of the Superior Court in office who, prior to the taking effect of the Judicial Article of this Constitution, was a Common Pleas Judge of said county or until another Justice of the Superior Court is designated as Resident Justice of the Superior Court for said county.

YWCA NOTES

The Board of Directors of the Burlington County YWCA held its first Fall meeting Tuesday morning at the county YWCA office in Mount Holly. Mrs. Henry H. Albertson, of Burlington, county president, presided and opened the meeting with a devotional theme on "What Being a YWCA Board Member Means to Me."

Chairmen of standing committees who submitted reports were: "Mrs. Alexander C. Wood, Jr., of Riverton, personnel; Mrs. Richard Rhoads, of Moorestown, adult club work; Mrs. Albert T. Andrews, Jr., of Medford, finance; Mrs. Elliott Krusen, of Delanco, membership, and Mrs. John Thacher, of Moorestown, younger girls' work."

A review of the article "If I Were a U. S. Senator," written by Anne O'Hare McCormick for the September Woman's Press, was reviewed by Mrs. Hugh Pugh, of Burlington, public affairs chairman.

PALMYRA BOWS IN OPENING GRID GAME
Palmyra staved off Collingswood's attack for nearly two periods last Saturday, but the Group 1 team cashed a six-pointer near the end of the first half and registered a safety in the final quarter.

Dargis, of the Red and White, sparked on the defense, stopping at least four touchdown drives. He intercepted two passes and recovered two enemy fumbles at points when the attack of the winners was in full swing.

First downs were 15 to 5 in favor of Collingswood. They went into the air on eight occasions, completed three and had two intercepted. The Kirbymen hurried five and completed two.

Collingswood gained a total of 239 yards as compared with 67 for Palmyra.

The locals played a good game, but the opposition was a shade too strong.

FLEW 70 MISSIONS

Lt. Col. James T. Wilson, 26, of Riverton, returned from service outside the continental United States,

now is being processed at Army Air Forces Redistribution Station No. 2 in Miami Beach, where his next assignment will be determined.

This is one of the Redistribution Stations within the AAF Personnel Distribution Command. At an AAF Redistribution Station, AAF returnees from theaters of operations are examined by medical and classification officers whose findings are used in recommending new assignments. Theme of the AAF Redistribution program is designation of each man to duty for which he is best fitted. Returnees live at a Redistribution Station under conditions that encourage natural response to processing, the greater part of their two-week stay being devoted to rest and recreation.

AAF personnel, enlisted men and officers alike, are assigned to a Redistribution Station upon their return to the United States, but do not report to the station until completing a furlough or leave of three weeks.

Colonel Wilson, a B-26 pilot, flew 70 missions during 15 months in the European theater winning the Silver Star, the DFC and the Aid Medal with 12 clusters. He is the son of

Mr. and Mrs. Winfield F. Wilson, Golf Road, Riverton.

COMMENT

According to reports, all is not well in county G.O.P. ranks in respect to the selection of Albert McCay, of Palmyra, as the Assembly candidate.

Friends of John Conroy, of Burlington, feel that he should be the

nominee and are said to be very much disgruntled over the entire situation.

CENTRAL BAPTIST CHURCH
Palmyra, N. J.
Rev. S. Dan Morgan, Pastor
Sunday, October 1st

The feeling of insecurity is universal. Whether we live in a war-torn country or not, we do not know when or where or what doom will befall us. We hope for the war and its destruction to cease. We pray for the safety of our boys.

He is fortunate who can look to God for guidance, knowing that in Him he will find deliverance and un-failing love. To Him we owe our thanksgiving. There could then be no better way of showing our joy and gratitude for the deliverance of these countries out of strife and hatred than by going to the house of God to worship and give thanks.

Church School, 10:00 a.m.—The church school is the stepping stone along the path that leads to happiness and a full and useful life. This is Promotion Sunday, so don't miss it, so you can go up with your class.

11:15 a.m.—Morning Worship and Communion Service. Pastor Morgan will give a short sermon after which the Lord's Supper will be observed. Music by the choir will be "I Am Alpha and Omega," by Stainer. Mrs. Grace Gowell, soprano, will be the soloist.

6:45 p.m.—Junior and Senior B.Y.P.U. What to do on a Sunday evening? Did you ever try going to one of these meetings where you will meet your best friends. Maybe you have an idea that would aid the group that meets every Sunday evening in the Main School room. Bring it and your friends next Sunday to Central Baptist.

Evening Worship, 7:45 p.m.—Rest comes with peace of mind. Peace of mind comes with the knowledge that one has done his best, with God's help. Let the peace of God rest on you as you share in this service. "My Lord and I" will be the sermon topic. The choir will sing, "The Radiant Morn Hath Passed Away," by Woodward. Mrs. Edward Hughes will be the soloist.

Wednesday, 8:00 p.m.—Mid-week Prayer and Praise service.

Thursday, 8:00 p.m.—Choir rehearsal. All members are requested to be present.
