LIBRARY MEETING

At the recent annual meeting of the Riverton Free Library Association, Harry F. Jones, president, made the following report:

The Trustees of the Riverton Free Library:

During these days, like many of the normal activities, must be placed to the demands of various war efforts make upon time but there is still an unmistakable call for the service which the Riverton Free Library gives to the communities of Palmyra, Cinnaminson and Riverton.

Books of every kind and description have been loaned to our citizens. In all have been circulated during 1944. If we could be an insight into the pleasure and instruction which these volumes have carried into the homes of our fellow citizens I am certain the members of the Board of Trustees would well repaid for their interest in this while endeavor.

The support of our community members this highly important work could not go on in our communities and each and every contributor has good reason to feel proud of the assistance which he is giving. And all of you will join me in giving public expression of our appreciation to the official representatives of all three of our communities for the very material aid given through their recognition of our needs in making up their budgets.

Miss Campbell Resigns

It is not necessary of course for me to repeat to the Board that Miss Annette B. Campbell's resignation as Librarian was accepted on September 1, 1944 only with the understanding that she would continue as Assistant Librarian as long as her health would permit. We do, however, want to state to the Association's membership that Miss Campbell's long period of service, so efficiently and graciously rendered will in this manner continue to be one of our valued assets in the Library's contact with the public.

We are exceedingly fortunate in having secured the services of Mrs. Barclay as Librarian and the added assistance of Mrs. Dickinson and the volunteer Mrs. J. Carl de la Cour, Miss Coale and Mrs. C. S. Somers. Maintenance of the high standard of the Library service are in the capable hands.

Gifts of books from Mrs. Hollerith and Benjamin S. are gratefully acknowledged and the continued interest and financial aid of the members of the Porch Club, are a source of satisfaction.

We go into 1945 hopefully looking forward to early victory and peace let us renew our resolve to be constantly mindful of the community which the Riverton Free Library gives us to be of service and to all those who live in our neighborhood.

HARRY F. JONES,
President.

Report of the Treasurer, Howard Rogers, also submitted at the meeting.

THE PORCH CLUB

On Tuesday, February 6, the Porch Club is honored to present Mrs. J. Bertram Hervey, of Philadelphia, who will give a lecture, "The Romance of Sarah and Josiah Wedgwood," comprising a program of romance, pathos and humor and illustrated with a rare collection of the pottery and lantern slides of old steel engravings.

Mrs. Hervey has been a collector of Wedgwood for years and her books on this subject are well known. Mrs. Hervey was chairman of Fine Arts of Southeastern District of the State Federation of Pennsylvania Women and Chairman of Art of the state for 7 years; President, Federation of Women's Clubs and allied organizations.

Mrs. Hervey received the vote in 1938 of the women of Philadelphia as the outstanding woman who had done most for the city in citizenship.

This program will be of greatest interest to the members of the Porch Club. Mrs. G. Rex Showell, chairman of the Art Department, urges a large attendance to hear Mrs. Hervey.

PARISH CLUB'S

PRE-LENTEN PARTY AND DANCE

Final plans for a party and dance to be held the day before Lent, Tuesday evening, February 13th were discussed at the Parish Club's meeting last Tuesday.

The affair, to be held in the Christ Church Parish House Auditorium, Riverton, promises to be one of the outstanding social events of the current season. A four piece popular dance band will furnish the music for those who wish to practice the terpsichorean art, whether it be waltz or five. Comfortable chair and table arrangements around the dance floor will provide comfort for those who enjoy good music with or without dancing.

A clever snack bar will provide palatable refreshments during the course of the evening. Old-fashioned lucky-number dances will provide prizes and entertainment.

Card clubs and other small social organizations of a private nature are invited to turn out in a group for an enjoyable "round table" evening. A limited number of invitation-tickets are available and those interested are requested to contact Paul A. Musso, chairman of the social activities committee at his home, 209 Cinnaminson street, Riverton or call 0116-R for reservations. The price is 75 cents.

URGES FINAL RETURNS ON CHRISTMAS SEALS

Mayor John F. Ward, of Palmyra, chairman of the Tri-Borough Committee for the sale of Christmas Seals, urges that all who have failed to make returns to date do so at once.

Mr. Ward reports that sales to date in this area amount to \$1,803.30. Of this amount, \$786.55 came from Riverton and Cinnaminson and \$1,023.75 from Palmyra.

GOULD IN ACTION

Private First Class Robert Gould, son of Mr. and Mrs. David Gould, Main street, Riverton, came in on the fifth wave of the first day's invasion of Peleliu Island by the U. S. Marine Corps Division and remained until the third day when he was incapacitated by flying shrapnel that pierced his left arm. He was evacuated to a Naval Base Hospital somewhere in the Southwest Pacific area where he is recuperating.

The 23-year-old infantryman had seen previous service with the Marines when the invasion of Cape Gloucester was made on Christmas Day, 1943, but in comparison to what the Americans encountered at Peleliu, the former invasion of New Britain appeared like child's play, he said.

"I couldn't believe the Japs could keep up such a heavy barrage of artillery and mortar shell fire," he said, but whether I believed it or not, there it was. We invaded under the impression we could secure the island in 48 hours. After we landed and saw what we were up against, a shrewd, cunning enemy equipped with modern guns, tanks and fortifications that almost seemed impregnable we knew it couldn't be done.

"Everything seemed against us at first, even the weather was in favor of the Jap who could not be seen but was heard from, for the bright sunshiny day made us easy targets. And targets we were. Don't let anybody kid you into the belief the Jap is a crack-pot. He is more of a crack-shot than a crack-pot."

V.F.W. POST MEETS

The regular monthly meeting of the Tri-Borough Post, Dept. of New Jersey, Veterans of Foreign Wars of the United States, was held in the Riverton Fire House, Sunday afternoon, January 28th.

Dist. Commander W. L. Higgins, from Trineton Post, presided. Chaplain Worth of the same Post opened the meeting with prayer. Deputy Chief of Staff Oschman, of Mt. Holly, stressed the need of musical instruments, canes and crutches at the hospital in Fort Dix. Anyone desiring to donate any of the above articles could do so by contacting their local Red Cross, or Comrade Corson, 17 Graft street, Mt. Holly. These articles are urgently needed by the Red Cross for the use of the wounded men now being returned from the battlefields.

Commander Higgins gave an interesting talk on the organization, and the duties of the officers of a Post of the Veterans of Foreign Wars.

He then introduced Commander Llewellyn of the Burlington County Council, V. F. W., a member of the Post at Maple Shade.

The District Commander then called for the nomination of officers for the local Post. William W. Cook and Erich Veitenheimer were nominated for Commander; Albert S. Dilks, Senior Vice Commander; Robert W. Deuter, Jr. Vice Commander; Edward S. Faunce, Quartermaster; Chas. R. Austin, Chaplain; Atlee B. Donaghy, Judge Advocate; Delegates to the County Council, Erich Veitenheimer, Albert S. Dilks; Alternates, Chas. R. Austin, Louis C. Cleland; Trustees, Marius Kraacke, Archie Blau and Raymond Sultzbach.

Nominations remain open until the election at the next regular meeting.

The Commander then appointed Edward Faunce and Albert Dilks to attend a meeting at the Legion Home in Palmyra in response to a letter read by the Adjutant from the chairman of a committee to be formed to study service to the returning soldiers.

The election and the installation of the Post will be held Sunday afternoon, February 25th, at the Riverton Fire House. Plans are being formed for this affair by a special committee and are to include the induction of members now serving in the Armed Forces.

DOG OWNERS

All dog owners in Riverton are reminded of the fact that their pets must be registered for 1945 not later than January 31. A penalty will be imposed upon those who neglect to do this.

Daniel M. Clifton, borough clerk, Main street, from whom licenses can be obtained, states that only about 40 dogs have been registered to date, showing that many have failed to pay the necessary fee.

Legislators Plan Publicity Program

A plan to keep residents of Burlington County informed as to what transpires of importance to them during the current session of the State Legislature was formulated on Tuesday night of this week when the Editors of the several county newspapers were dinner guests of State Senator Arthur W. Lewis and Assemblyman Albert McCay. The affair was held in the Riverton Country Club.

Believing that too few residents of the county have been furnished with sufficient information regarding pending legislation, together with facts as to just exactly what their representatives are doing, Messrs. Lewis and McCay called the conference, which was in the nature of a round-table discussion.

The suggestion of the legislators met with the hearty approval of the newsmen and it is planned to run an article of current interest in each paper throughout the county.

BACK AT FRONT

Private Kenneth R. Schwartz, 20, who had been reported missing in Luxembourg, December 30, has returned to duty, according to a War Department telegram received by his mother, Mrs. Christina Schwartz, of 801 Highland avenue, Palmyra. He attended Palmyra High School and was employed by R.C.A. before entering the service in March, 1943.

SACRED HEART P.T.A.

The regular monthly meeting of the Sacred Heart Parent-Teacher Association will be held in the school hall, Thursday, February 8 at 8:00 p.m.

The speaker for the evening will be Miss Doris Forebaugh, Home Consultant of Public Service. Miss Forebaugh's topic will be "War Time Food Planning," which covers nutrition, new food products, soy beans and utility beef. This subject will be of interest to all the members.

The Executive Meeting will take place at 7:30 p.m.

LET THE GYPERS

TAKE WARNING!

The Camden OPA District Office this week announced the filing of 32 suits against retailers in the United States District Court. The suits are for \$50.00 damages, based on overcharges in the sale of food items and for injunctions to restrain the dealers from future violations of OPA regulations.

In announcing the filing of these suits, the district director stated that the Enforcement Division in conjunction with the current OPA consumer anti-inflation campaign, is continuing a campaign of rigorous enforcement of price and rationing regulations against food dealers who have shown themselves to be chronic violators.

"We are anxious to help the honest dealer who is attempting to comply with the regulations," he stated, "this means we must take prompt and vigorous action against those dealers who show an inclination to continue to violate despite repeated warnings. These actions were instituted both to prevent the public from being overcharged and to protect the honest dealer."

WORLD OF BOOKS

The world of books was entertainingly described by Reverend Robert Stewart last week speaking to the Rotarians. "It is a world," he said, "very different from the one which so many regard as they would a game of cards."

"In this latter world," said Mr. Stewart, "one draws the cards, works at high tension to see how many tricks he can take from the other fellow—finds his health affected—takes an enforced vacation while others take tricks from him so that he must start all over or quit."

The better world of books, however, enables one to tap the finest thought of the world, both past and present. To find one's way in this world of such diverse and voluminous offerings, one needs a guide. Guidance in threading one's way through the world of books is as necessary as a route map for a long automobile trip into strange country. Like streets, some portions of the book world are dark, dismal, disappointing, for neither titles, jackets, nor publishers' blurbs are a safe guide.

Current Popularity

Current popularity in the book world can be equally misleading; as may the reputation of the author. But the judgment of the late William Lyon Phelps of Yale, who for so many years was a safe guide in the "Speaking of Books" column of the Rotarian Magazine and elsewhere, is the type of guidance which will bring pleasure and profit to one's reading.

The program on which Reverend Stewart spoke marked the 34th anniversary of the publications of the Rotarian Magazine. Other speakers on the program were C. P. Mayfield, who described the editorial and mechanical processes of the production of a modern magazine with particular reference to the Rotary publications, and E. Newbold Cooper, who discussed the influence of its circulation in creating better international understanding.

EXPLANATORY STATEMENT

The following budget for 1945 will show a substantial reduction in the county tax rate.

While there was a general request for a blanket increase in salaries and wages, the Board of Freeholders felt that it could not follow such policy. Therefore, there were only a few isolated cases of increases where necessary to keep within the bracket set by the New Jersey Civil Service Commission.

Again, there was no Cash Surplus appropriated and yet \$60,000 net anticipations for Pine Street bridge, Mt. Holly, N. J. will be paid during the current year, thereby reducing the Debt Service and eliminating future interest on this project.

Nurse's Aides Class Starts
The day class for Red Cross Nurse's Aides which was scheduled to start the last week in January will begin February 7th instead, Mrs. Peter V. O. Barkelew, County Chairman announced this week. The postponement was decided upon because of a failure to reach the desired quota of trainees by the end of January.

"We are receiving repeated calls from our military hospital for more Nurse's Aides," Mrs. Barkelew emphasized. "Those who are serving now are overworked and we need as many new Aides as possible to help care for the wounded men who are returning every week from overseas." Women and girls who wish to enter the class may register with the Riverton Branch Nurse's Aide Chairman, Mrs. George Bernet, telephone Riverton 0631. Receive Additional Red Cross Stripes
Mrs. Helene Bernet, of 309 Second street, and Mrs. Bertha Hines, of 407 Howard street, have been awarded their third stripe by the Burlington County Red Cross, signifying they have served more than 1000 hours each as nurse's aides.

Mrs. Josephine C. Hull, of 103 Thomas avenue, who has completed more than 500 hours, is the wearer of two stripes.

Red Cross workers in Burlington County never have made the type of surgical dressings now being offered for sale by the army medical depot in Louisville, Kentucky, Mrs. Harold C. Browning, of Mount Holly, production chairman of the county Red Cross said recently, when asked to comment on a recent report that 25,000,000 surgical dressings have been declared "surplus" by the Treasury Department. "I have been advised by the Red Cross area headquarters in New York that the bandages now being sold are not Red Cross bandages," Mrs. Browning continued. "They are commercially made and of a type no longer being used. They are cotton filled pads, larger than the ones we made in our workrooms."

TWO SCOUT TROOPS WIN DISTRICT AWARD

Last fall the Tri-Boro District of the Burlington County Council of the Boy Scouts of America inaugurated a year round Four Point Program. This program serves as a yard stick in measuring Scout Troops. It sets up a series of requirements which each Troop tries to fulfill and it involves extensive activity, not only on the part of the Scouts, but also by their leaders and sponsoring groups. This Four Point Program, as the name implies, is divided into four parts. The first part ran from last September to January 7th of this

year and was called the Fall Round-Up. Two Scout Troops in the Tri-Borough District fulfilled sufficient requirements to qualify for the Streamer Award. They are Troop No. 5 of Palmyra and Troop No. 50 of Riverton both of which are to be highly complimented for their well rounded program of activities. The Streamer Awards have been ordered and will be presented to the two Troops in the near future.

The second part of the Four Point Program has been under way for two weeks. It is called the Public Court of Honor and Investiture and will reach a climax right after Boy Scout Week in February. It is planned to hold a public affair on February 15th at which time Scouts who have joined Troops since November 1, 1944 will be honored with a special Investiture Ceremony. On the same evening all Scouts who have advanced in rank since January 7 will be presented with their badges. The program on February 15th will include other interesting features and it is hoped that all parents of

Scouts and others interested in Scouting will attend.
MAINS DOG, PAYS \$50 FINE AND COSTS

A Cinnaminson resident was fined \$50 and costs last week on the charge of maiming a small dog, which later died. The case was heard before Recorder Cecil Bowers and was prosecuted by Laura Broadhurst of the State S.P.C.A.

The offender, who pleaded guilty to the charge, shot the animal on his farm. It apparently was causing no trouble. The canine, leaving a trail of blood, ran home to its owner, Norman Caruthers, Route 25.

Recorder Bowers desires to point out that a dog can be shot while causing damage on a person's property and must be and buried by the man doing the shooting.

The YMCA held its fourth meeting in the Riverton School Auditorium, on January 1945. Tonight we played Our does and Basketball. We won we should give two dollars to March of Dimes out of our pockets. We then ended the gram with a sentence prayer. Richard Wa-

CENTRAL BAPTIST CHURCH
Palmyra, N. J.
Rev. S. Dan Morgan, Pastor

The war has brought about many changes in the populace of towns throughout our country due to the de-centralization of employment. And our communities have experienced these changes. So, to those who have recently made their abode in Riverton, Palmyra or Cinnaminson, Central Baptist wishes to welcome them in our communities and to invite them to the services of the church and Bible school. There is no better way to become acquainted than to attend the church of your faith and in our communities you will find churches of nearly all denominations. A visit to "Central Baptist" and you will know you are welcomed.

Sunday, February 4

Bible School, 10:00 a.m.—And truly it is as the name implies, for there were brought to the school more Bibles last year than in any previous year, in comparison with the attendance. A healthy condition for a school and incidentally, for the community.

Morning Worship, 11:15 a.m.—This service will be centered around the Ordinance of Communion to which an invitation is extended to all Christians. "I Am The Resurrection" by Parks, will be offered by the choir.

Sr. and Jr. B.Y.F., 6:45 p.m.—For a better tomorrow, train our boys and girls to be better Christians. Encourage that boy or girl of yours to attend these meetings and you will be doing your part.

Evening Worship, 7:45 p.m.—The church has been very fortunate to have John C. Winston to occupy the pulpit at their evening service. Mr. Winston is a Co-Director of the Belgian Gospel Mission, having been in Belgium from 1922 to 1940 when the Germans invaded that country. He will tell of his experiences and the work which is being done there, and will illustrate his talk with pictures he has taken during the years he has worked in that field. The choir's selections will be "Still, Still With Thee" by Neidinger and "Draw Me to Thee" by Nevins. A duet, "Son of My Soul," a special arrangement by Clarence Kohlman, will be sung by Mrs. James Seither, soprano, and Mrs. Randolph Woodard, contralto.

Wednesday, 8:00 p.m.—Mid-week Prayer and Praise service.

Thursday, 8:00 p.m.—Choir rehearsal. There is still room for more voices in the Easter music which is now being rehearsed. So, if you enjoy participating in this part of the work of the church, you will be welcomed in the choir.

SCHOOL ELECTIONS

On Tuesday night of next week school elections will be held in all three local communities with contests for members of the Board of Education in both Cinnaminson and Palmyra. There is no opposition to the candidates in Riverton.

In Palmyra, where there are three vacancies, George M. Rivel and James B. Henson are candidates for re-election. Mr. Rivel has been a member of the board since 1935 and Mr. Henson has served since 1938.

Other candidates are William G. Seither, 816 Lincoln avenue, prominent business man and the Rev. F. L. Kelly, colored, 587 Jefferson street. Carl Luta, whose term expires will not be a candidate. The hours for the election in Palmyra are from 5 to 9 p.m.

Riverton
In Riverton, W. Brooks Evert and Thomas R. Taylor will be candidates for re-election. Richard M. Woodward, a member for many years, will not be a candidate and Mrs. Morris H. DeCoursey will doubtless be elected in his place.

George A. Gillilan, Jr., is a candidate for the unexpired term of John M. Wright, who recently resigned because of a change in residence to another community.

In Cinnaminson there is the usual contest with four candidates in the field for two vacancies.

These are: Maurice Conrow and Christina M. Davidson, incumbents and George D. Dyson and Elwood H. Wurster, newcomers into the field.

There are the usual questions concerning appropriations on the ballots in each community.

THE PORCH CLUB

The annual Bridge Party for the benefit of the Riverton Free Library will be held at the Porch Club, Tuesday, February 18th, at 2 p.m.

Mrs. Edgar Miller, bridge chairman, wishes prizes brought by those who are making up tables so that each table may have a prize.

Tickets are available at the Library and will also be sold at the club the day of the party. The price is 50 cents each.

This very worthy cause deserves every support, so do make up a foursome and make the benefit a success.

LEGISLATIVE COLUMN

Senator Lewis
Assemblyman McCay
ELECTION LAW: Senate Bill No. 47 was passed by the Senate on Monday and will probably become law later this week. This bill completes the program to provide Absentee Ballots to service men and women for the forthcoming Primary and General Elections. It enlarges and extends the voting laws to provide in substance: The Adjutant-General furnishes to the County Clerk the list of names of those in military service and their respective addresses according to the records. The same is to be certified to the Municipal Clerk who in turn will obtain and furnish the last known addresses of the Absentees.

Ballots are to be sent to all those in Military service, one ballot to contain both parties.

The Affidavit may be taken by a Sergeant or non-commissioned officer of a higher rank or any commissioned officer.

That if a service man or woman has been discharged, he may still have the benefits of the act if he is in a Veterans hospital outside of his voting district on Election Day.

Senate Bills 74-75 were passed last week. These bills are now enacted into law and by them the last filing date for the coming Primary Election is fixed at March 29, 1945. The Municipal Elections will be held on May 6, 1945 and the Primary Election will be on June 12, 1945.

RIVERTON P.T.A. OBSERVES FOUNDERS' DAY

The February Meeting of The Riverton Parent-Teacher Association will be held in the public school auditorium February 14, at 3 p.m.

Riverton residents may justly be proud of the fact that the N. J. P.T.A. grew out of a small group of people, known as The Mother's Circle which originated here.

This month the organization celebrates Founders' Day and the speaker on this occasion will be Mrs. Herbert L. Adams, a member of the County Council.

This month too, is the annual talent day and food sale so come and give your support.

Prior to this meeting, at 2 p.m. is the Parent Education group. Mrs. Robert Strahan will be in charge.

World Day of Prayer

A special committee, representing all the Protestant churches of Riverton, Palmyra, and Cinnaminson, has completed arrangements for the local observance of the "World Day of Prayer" on the afternoon of Friday, February 16, 1945.

On that day a Union Prayer Service for women will be held in the Calvary Presbyterian Church, Fourth and Lippincott, Riverton, at 2:30 o'clock. The 1945 "World Day of Prayer Program" has been prepared by a group of four writers in London on behalf of the Women's World Day of Prayer Central Committee for England, Wales, and Ireland.

This program, which will be used by thousands of groups of Christian women all over the world on February 16, will be presented in the local union service by the wives of the ministers of the local churches, and by other ladies from the various churches in our community.

The theme chosen for the 1945 "World Day of Prayer" is from I Peter, 2:5, "That ye should show forth the praises of Him who hath called you out of the darkness into His marvelous light."

It is doubtful if there ever was a time when it was more necessary for women everywhere to demonstrate their Christian solidarity and unity than now. In view of this need, and in view of the tremendous power that can be released by corporate prayer to God, all women in our three communities are urged to be present and to participate in the World Day of Prayer service on Friday, February 16 at 2:30 o'clock in the Calvary Presbyterian Church.

SCRAP DRIVE

Linden avenue, both sides of railroad. All cross streets from Thomas avenue to Elm avenue.

Starting time—8 a.m.

NARROW ESCAPE WHILE GOING ALONG TRACKS

Thelma Adams, 9, who lives with Mrs. Oscar McKim, East Riverton, while walking along the railroad near the Pompton Creek bridge Wednesday afternoon, for some unknown reason failed to see or hear the approach of the westbound Atlantic City Express.

Fortunately, she was clear of the tracks, but so close to the train that its suction knocked her over on the embankment. She was rushed to Zurburg Memorial Hospital, Riverton, by Officer John Robinson, of the Riverton police and detained overnight for observation. Her injuries consisted of bruises.

Apparently the train could not have struck her or the injuries would have been much more severe, if not fatal.

EDUCATION: Senate Bill No. 40 which creates a State Public School Fund to support the public school system and aid equalization for school districts, providing sources of such fund and formula for apportionment, will be the subject of a public hearing in the Senate Chambers Wednesday night, February 21, at 8:15 p.m.

ANNOUNCES ANNUAL RED CROSS DRIVE

MILTON C. BARBER
chairman of the Burlington County Chapter of the American Red Cross, today announced the program for the County's third War Fund campaign.

The annual drive for funds will start on March 1st and continue through March 15th—a two week period, instead of the 30 days devoted to the annual Roll Call in peace time.

The shorter campaign, Mr. Barber said, is symbolic of the necessity for making every day and every minute count in this critical time.

Mrs. William G. Porter of Moorestown, has accepted appointment as County Chairman for the 1945 campaign. She will head the following County-wide committee: Frederic S. Gordon of Edgewater Park, in charge of Corporate Gifts; Franklin P. Jones of Beverly, Finance; Paul E. Arnold of Delanco, House to House Collection; Adolphus D. Dyer, Burlington, Business District; Everett Smalley, Riverton, Special Gifts; Thomas Begley, Burlington, Treasurer; Milton C. Barber, Displayer.

Mrs. E. C. Hughes, 809 Thomas avenue, will be War Fund Chairman for the Riverton Branch.

UNION SERVICES

The Ministerial Association representing the Protestant Churches of the Tri-Boroughs will sponsor the second annual Pre-Lenten Service in Epworth Methodist Church, this Sunday evening at 7:45. The guest preacher will be Bishop Fred Pierce Corson, D.D., of The Methodist Church. Bishop Corson prior to his elevation to the office of Bishop was President of Dickinson College. The Ministerial Association is most fortunate in having secured such an able and distinguished leader to be the guest preacher at this service. An invitation is extended to not only the members of the Protestant Churches but also their friends to attend this service.

The ministry of music for this Community Service will be provided by Epworth's Senior Choir under the direction of Mrs. Rachel Lord.

Mauder's "A New Commandment" will be sung by Mrs. Elwood Johnson and the Senior Choir will offer "Gloria" by Farmer.

S/SGT R. H. BOTTOGER IN SO. PACIFIC 34 MONTHS; EXPECTS LEAVE

Mr. and Mrs. William H. Botgger, Linden avenue, Riverton, recently received two letters from their son, Staff Sergeant Robert H. Botgger, of the G-2 Section Advance Echelon USA, FFE.

Sgt. Botgger has been in the South Pacific for 34 months; two and one half years in Australia and one month in New Guinea, and is now stationed somewhere in the Philippines with the Intelligence Headquarters of General MacArthur.

He informed his mother he has now five gold stripes, several citations and medals, and that he expects to receive his first furlough about April 1 at which time he will return to the States for 30 days. He also stated that his rating entitled him to a priority to travel by plane to the States.

FORD HONORED

A letter was recently received by Mrs. Isabel Ford, Cinnaminson street, Riverton, that her son, Thomas Joseph Ford, had been awarded the Navy and Marine Corps Medal for heroism. The citation follows: "In the name of the President of the United States, the Commanding General, Fleet Marine Force, Pacific, takes pleasure in awarding the Navy and Marine Corps Medal to Pharmacist's Mate 2-c, Thomas Joseph Ford, U. S. Naval Reserve, for service as set forth herein: For heroism while serving as a Medical Corpsman attached to a Marine Rifle Company during operations on July 16, 1944.

During an attack, the Company was pinned down in a crossfire of enemy machine guns which were producing heavy casualties. Despite this Ford continued to work calmly and efficiently while under constant enemy fire, administering first aid to our casualties, after, he, too, was wounded, until he was forced to be evacuated for treatment. His courage and conduct throughout were in keeping with the highest tradition of the U. S. Naval Service."

H. H. SMITH,
Lieut. General,
U. S. Marine Corps.

Ford has already been awarded the Purple Heart and the President's Unit Citation and has forwarded these medals to his mother.

Y DIRECTORS MEET

A report was made at the regular meeting of the Palmyra-Riverton YMCA Board of Directors held at the Palmyra Municipal Building, Sunday evening, February 4th, that the new Gray Club, the "Wildcat," had been organized in West Palmyra with Victor Washington as Adviser. This group comprises 24 boys and at present is meeting in homes on Sunday afternoon. The Board authorized the Group Work Committee to arrange for other facilities for their regular meetings and for recreational activities.

Additional reports were made by George Becton and Lawrence Coolbaugh that five other boys clubs are meeting weekly and two others were in the process of organization or reorganization. The Group Work Committee is planning a rally for these boys in the near future.

RECORD CROWD ANTICIPATED AT PARISH CLUB DANCE

Early ticket sale returns indicate a record attendance at the Pre-Lenten Dance and Party of the Parish Club next Tuesday evening in the Parish House auditorium of Christ Episcopal Church, Riverton.

No effort is being spared by the committee headed by Paul A. Munro to make this a long-to-be-remembered affair. In addition to a lively professional dance band, the evening is expected to be replete with amusing entertainment for those strictly wedded to the terpsichorean art.

There will be several worthy prizes (one of which will be a carton of much coveted cigarettes). Refreshments served from an attractive snack bar. Tables and chairs around the dance floor will provide a comfortable arrangement for small parties.

Invitation tickets are available through the Church School children or last minute reservations may be made by contacting Mr. Munro at his home, 200 Cinnaminson street, Riverton 0110-R. Dancing will start at 9 o'clock and end promptly at twelve.

Passages from the King James version of the Bible include: "And a woman having an issue of blood twelve years, which had spent all her living upon physicians, neither could be healed of any, Came behind him, and touched the border of his garment: and immediately her issue of blood stanch'd." (Luke 8: 43, 44) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Jesus did his own work by the one Spirit . . . Transportation Situation

A Word to All Users of Public Service
Street Cars and Buses

THE COMBINATION of record breaking traffic, wartime shortages of men and materials, severe cold and heavy snow has made operation of street cars and buses much more difficult than in the usual winter weather.

Snow piled at the curb has reduced street space by one half in many places so that the running time on many lines has been doubled. Icy ruts are tearing at springs, chassis and engines—crippling buses and seriously slowing service.

With the manpower shortage added to these difficulties, you can well understand why service in many cases seems so slow and uncomfortable.

We bring these facts to your attention with a sincere word of thanks for the good spirit in which you have taken the shortcomings of our service. We know it is no fun to wait on a cold corner for a bus and to be late for work or dinner. Yet we have had fewer complaints than in years when there was no war emergency and weather conditions were less severe.

For this understanding, the men who operate our buses are sincerely grateful. Every one of them is working overtime and it is going to take our very best efforts to keep all buses rolling through this winter.

Our transit system is the life blood of New Jersey's war industries. Three quarters of a million war workers depend upon us for their transportation.

We are fully aware of and sincerely regret the inconveniences you are enduring. We pledge our best efforts to overcome the current difficulties just as rapidly as conditions will permit.

Again we say "thanks for your patience!"

Vice President in Charge of Operation

About Town

Mr. and Mrs. E. Gray and daughter-in-law, Mrs. John Gray, of Plaza Park, Burlington, spent the weekend at the home of Mr. and Mrs. L. L. Keating.

Pvt. Robert Shaw, son of Mrs. Frances Shaw, of Cleveland avenue, Palmyra, left Monday for Fort Meade, Maryland, after spending a furlough at his home.

Mrs. F. W. Frei, Jr., and Mrs. John Umberger, president of the Palmyra Red Cross, attended the Regional Meeting held at Trenton last Friday.

Earl McCloskey, of the County Highway Department, Beverly, N. J., recently found a tax bill with money enclosed. He immediately returned same to the Cinnaminson Bank where he was commended for his courtesy.

Mrs. J. Douglas Clark and Mrs. C. H. Yost, of Thomas avenue, spent Friday in Trenton.

The Ladies Auxiliary of the Delaware Fire Co. No. 2 of East Riverton will hold a covered dish supper in the firehouse on Saturday evening, February 10, 1945, from 6 until 8. Bring a covered dish and 35 cents. All are welcome.

Mrs. Frank Clements, of the Hasburt Apartments, Main street, Riverton, left Monday to spend the week with her sister, Mrs. Brerton, in New York City.

ROBERT K. COWARD
Robert K. Coward, 74, died suddenly from a heart attack at his home in Windy Hill Farms, South Shore, Kentucky. He was a former resident of Riverton and his son, Charles W. Coward, lives at Cherry Lane here. He is also survived by two other sons, Captain Robert D. Coward, an Army Chaplain; Harold W. Cow-

ard, of Glen Rock, N. J.; and three daughters, Mrs. Wilbur S. Davidson, of Pennsylvania, N. J.; Mrs. William Scott McKell, Chillicothe, Ohio; Mrs. Marguerite Seelhorst, Windy Hill Farms, Ky. Interment was in Kentucky.

Mr. Coward was a Kentucky Colonel, being appointed by the Governor because of his outstanding achievements in agricultural fields.

MRS. MINNA BURGUNDER

Mrs. Minna T. Burgunder, of East Fourth street, Riverton, died Tuesday morning, January 30.

Funeral services were held Friday

with interment in Mount Moriah Cemetery.

Besides her husband the deceased is survived by a daughter, Mrs. Edwin S. Candy, of Riverton, and a son, Budd Burgunder, U.S.C.G.R., of Long Island, N. Y.

She is also survived by three sisters, Mrs. John S. Black, of Delanco, Miss Eleanor Davis, of Riverton, and Mrs. Grace Laws, of Philadelphia.

The massacre of over 100 Americans (who had already surrendered) by the Germans is one of the worst atrocities of the war. Many of the men were mowed down with their hands over their heads. (See last

week's "Life" magazine). After this, and many other brutal episodes—too numerous to mention—it is hard to wonder that few of the "poor" Germans are being taken prisoner. You very seldom try to capture a rat, especially after you have been bitten by one.

THE SAIPAN POST DISPATCH
A Newspaper for Saipan, Micronesia
Published by Andy Gutierrez Torres

THIS issue of the SAIPAN POST DISPATCH has been prepared for the purpose of showing the progress of the war in the Pacific. It contains a complete list of the names of the Japanese who have been killed in action, and a list of the names of the Japanese who have been captured. It also contains a list of the names of the Japanese who have been released, and a list of the names of the Japanese who have been repatriated.

making communications history on Saipan. The island is dotted with thousands of telephones and telephone poles. Hundreds of miles of wire are strung, and also underground conduit and cables. Telephone exchanges that would shame some operations in the States are busing 24 hours daily. In the transition from an island of dead standards of military activity, the communications miracle wired bow from A. T. & T. The Engineers have received many commendations.

The Communications Needed on Saipan

— are typical of the vast amounts our Armed Forces are using all over the world.

To meet such needs, Western Electric, manufacturer for the Bell Telephone System, is producing in a single year nearly twenty-four times its entire output for World War I. And it must keep on at much the same pace until the defeat of both Germany and Japan have become history.

After victory, a similar job is required to meet all civilian needs for telephone service. The plans are made, the engineering is done, for a job that will take many months of skilful work by many thousands of people.

Those who have service, and those who are waiting for it, can rest assured that the work will be done with the same speed and effort being devoted to the war job—in telephone factories, in research laboratories, and in the telephone organization at home.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.
Riverton, N. J.

The events of the past weeks have indicated the existence of a strong and earnest desire on the part of the world's leaders to discover an adequate answer to our human tragedy. These leaders mean well. They are doing their best, by what they consider to be a judicious blending of realism and compromise, to establish the foundation of a just and durable peace. Their conclusions will be criticized, particularly by the people of the Church, but the burden rests upon all followers of the Christian way, to be informed and to be constructive. The Church is called for, to be not merely a watchman pointing to the darkness of the night, but rather a beacon in the twilight showing the way of God to the dawn. The Church of today must remember that while men wrestle and strive with their problems, God lives and God reigns and God is working out His eternal purpose.

Continuing our general theme of "Our Human Tragedy," we shall think together next Sunday morning on the subject of "Our Human Tragedy." The Choir will render the anthem, "Bless Ye The Lord," by Bartlett. The Sacrament of Infant Baptism will be administered. You are cordially invited to join us next Sunday at eleven o'clock for the corporate worship of our God.

During the morning worship hour

"Soul" is the Lesson-Sermon sub-

Golden Text: "Truly my soul
waiteth upon God: from him cometh
my salvation (Ps. 62:1)
Sermon. Passages from the King
James version of the Bible include:
"Beloved, I wish above all things
that thou mayest prosper and be in
health, even as thy soul prospereth."
(III John 1:2)
Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"Man is harmonious when gov-
erned by Soul" (p. 273) "A demon-
stration of the facts of Soul in Jesus'
way resolves the dark visions of ma-
terial sense into harmony and im-
mortality." (p. 428)

CENTRAL BAPTIST CHURCH
Palmyra, N. J.
Rev. S. Dan Morgan, Pastor
Sunday, February 18, 1945
Just a plain little post card reads,
"Be kind, every man you meet is
fighting a hard battle." We see a
person with a long, sad face, then
one with a cheery smile. If we were
to judge by the appearance our first
thought would be that the sad one
had burdens and much care; that the
other but little, thus the bright, sun-
ny countenance. No matter what
walk in life we travel each heart has
its share of grief and trouble. Whether
we smile or frown, complain or
rise above it depends upon our faith
in God and our willingness to help
ourselves. We do know that if we
groan we go it alone, smile and the
world smiles with us. Trusting in
God and going His way will help us
to smile and be kinder to those who
are unfamiliar to the love of God
and his mercies.

Wolcott.

Questions from Jesus' will be the
subject of Pastor Morgan's sermon

Books Are Friends

On Monday afternoon Mrs. Murtagh's class gave a program in assembly telling about some of the books they have been reading.

Mary Ermyr Eberly read the story which had been written by different pupils during English classes. As she read, the following pupils posed before appropriate backgrounds which had been painted in Art class, thus representing characters from stories:

Miss Mary — Dorothy Horner
Cinderella and the Prince — Delores Watson, Norman Call
Jack Be Nimble — Richard Townsend

Hansel and Gretel — Bernice Lewis
Ray Burns
Held — Barbara Walls
Alice in Wonderland — Sara Gaurier
Peter Rabbit — Kay Fritz
Robinson Crusoe — Gardner Burton

Tow Sawyer — Lewis Bell
Dr. Dolittle — Jack Watkins
Pinocchio — Harold Waters
Hiawatha — Thomas Long, Ruth Williams

Rip Van Winkle — John Robinson
Ted and Nina — Sue Gillilan and Richard Townsend
Carol Bird — Betty Lundstedt

During the change of pictures the Riverton School Orchestra contributed much to the pleasure of the audience. A number of visitors were present.

LEGISLATIVE COLUMN

By
Senator Lewis
Assemblyman McCay

Taxpayers of Burlington County have been extended a cordial invitation to show an interest in legislative activities by State Senator Arthur W. Lewis and Assemblyman Albert McCay, who have arranged to hold on February 22 at 8 p.m. in the Court House, Mt. Holly, the first of what is hoped will be a series of public forums for discussion of current legislation that is taking form at the State Capital.

Invitations have been issued by Burlington County's representatives at Trenton to legislative committees of the Association of Municipal Officials, Grange, Parent-Teacher Associations, Business and Professional Women, Sportsmen's organizations and school officials to attend the forum and voice their opinions and desires on legislative matter of interest to them and the community as a whole.

Both Senator Lewis and Assemblyman McCay have indicated a desire to cooperate with citizens of Burlington County, and will welcome criticism with the understanding that the community is the legislative body.

The idea of such an open public forum is a new one in Burlington County, and, although many persons are prone to shrug off the idea with a cynical "The People don't care and can't be bothered to waste their time attending such an affair," Senator Lewis and Assemblyman McCay believe enough civic-minded people in the county will avail themselves of the opportunity to express their desires in legislative matters to make the forum worthwhile.

One of the items for discussion at the forum session in the Court House on February 22 undoubtedly will be public school financing, with which Senate Bills 40, 41 and 42 are concerned. There is to be a public hearing on these bills on February 21 at 8:15 p.m. in the Senate Chamber at Trenton.

Sportsmen and many others in Burlington county will also be interested in discussing with their legislative representatives Senate Bill 96 which establishes a State Department of Conservation under which would be a Division of Water Policy and Supply; a Division of Fish and Game; a Division of Shell Fisheries; a Division of Natural Resources, Parks and Historic Sites, and a Division of Navigation.

The new department would be headed by a Commissioner appointed by the Governor at a salary of \$12,000 a year, and the present Departments of Fish and Game, Shell Fisheries and Navigation would have their present employees transferred into the new setups without diminution of salaries or civil service status.

Each of the five Divisions of the Department of Conservation would have a 9-member council serving without salary, but would receive expenses incurred in their work.

Formation of this new Department is designed by Governor Edge to promote efficiency by consolidating and coordinating the conservation activities of the State, and would, it is believed, result in economy.

BOY
SCOUT
NEWS

Four Scouts of Troop 5, which is sponsored by the Palmyra Methodist Church, were presented with the Eagle Scout award at the Troop's Father and Son banquet held last week. The Scouts who were created Eagle Scouts were: Sgt. George Kennedy, Richard Eberly, John C. Noone, Jr., and Joseph Kessler. This was a most unusual occasion, as rarely do four Scouts in one Troop receive this award at one time.

The Eagle presentation was made by E. Newbold Cooper, Council President of the Burlington County Council, Boy Scouts of America. He gave the badges to Scoutmaster A. B. Branson, who in turn pinned them on the Scouts. This was a very impressive ceremony. Following the awarding of the Eagle badges, themselves, the new Eagle Scouts presented their mothers with the miniature Eagle Scout pin.

Due to illness, Eagle Scout Kessler was unable to attend the banquet. However, last Sunday afternoon a special presentation ceremony was held at his bedside by the Senior Scouts of Troop 5. This was a complete surprise to Scout Kessler.

The Eagle Scout award is the highest that can be earned by Boy Scouts and the national average is only one out of every four ever reach this rank. In order to become an Eagle Scout, the boy must earn a minimum of 21 Merit Badges.

A & P OBSERVES

FOUNDER'S WEEK
The originator of straight-line food distribution will be honored this week by the Great Atlantic and Pacific Tea Company as it begins local observance of Founder's week.

"The event this year comes at a time when both our fighting forces and our home front enter the most decisive phase of the war," V. G. Perrin, sales manager for the company in this area, declared today. "It can be celebrated with pride in the knowledge that the business principles of George Huntington Hartford, who founded the A & P in 1859, have enabled the company to lend its full strength to the war effort."

At the outset of the fourth war since the establishment of the food chain, John A. Hartford, company president and son of the founder, is-

sued a signed statement pledging the A & P to continue efforts to cut the cost of bringing food from producer to consumer; to assist farmers in the orderly marketing of their products at fair prices; and to hold down living costs by selling food at the lowest margin of profit in the history of the retail grocery business.

Perrin declared that in addition to following the terms of its pledge, the company has kept faith with its founder by adhering strictly to government pricing and rationing programs, as well as cooperating in conservation and salvage campaigns.

"Every man sailing overseas," continues the Commander, "has his serial number checked. That same number appears on every document or order concerning him. Our military authorities can demonstrate many reasons for paying careful attention to these numbers."

"The army serial number is a code from which the expert reads time saving information. A dozen other men in the same division or even regiment may have the same or similar name as your soldier son, brother or husband, but none will have the same serial number. Thus, for positive means of identification, or reference for any wanted information, the number is foolproof."

"In Washington every man or woman in service has a personal file. It tells where and when he served, what medical or dental treatment he received, shows his fingerprints, amount of National Service insurance, and other information. These files are divided into groups and catalogued. The expert, by looking at the soldier's serial number knows where the man's file is located. The serial number also tells him at a glance whether the man was in service before 1940, whether he served in the last war, whether he was in before December 7th, 1941, if he enlisted, was drafted or was inducted from the National Guard."

Concluding this timely piece of information, the Commander warns that wives or parents who do not have the serial numbers of their loved ones should write and get them without delay.

"Even where other information is correct," says the V.F.W. leader, "the serial number is the quickest and most dependable way to secure information of any kind pertaining to men or women in the armed forces."

When flying at certain high altitudes the oxygen tank must be used in order to keep the atmosphere inside the plane at a comfortable pressure. This equipment is vitally important. The slightest flaw in its design or performance can cause critical results. Failure in its operation can bring disaster to all the crew.... In making these oxygen tanks heat is required for a number of the manufacturing processes and GAS is used to produce that heat. Gas is the preferred fuel in many New Jersey war plants.

DAVID C. WILSON SLIGHTLY WOUNDED

Mr. and Mrs. Winfield S. Wilson, of Golf Road, Riverton, have been notified that their son, Private David C. Wilson, U. S. Army Paratrooper, 17th Air Borne Division, was slightly wounded in action in Belgium on January 6.

Private Wilson entered the service in July 1943 and was sent overseas

in August of last year. He attended Palmyra High School and was graduated from George School, Bucks County, Pa., in June 1943.

Mr. and Mrs. Wilson have received a letter from their son, who is in the service, in which he assured them that his wounds were slight and that he is receiving the best of care.

Private Wilson has three brothers in the armed forces, the oldest of which is Lt. Col. James T. Wilson, veteran of 70 combat missions with the Ninth Air Force's famous Crusader Group in the European Theatre. He is now stationed at Morris Field, Charlotte, N. C.

The other two brothers in service are BM 1-c Winfield S. Wilson, U. S. N., who is on a submarine "somewhere in the Pacific" and Aviation Cadet Richard T. Wilson, who is in San Antonio, Texas.

WILL SPEAK ABOUT TRANSFORMING FURNITURE

Miss Jeanne Seybold, of the DuPont Company, will lecture on the subject of transforming outdated furniture at a meeting of the woman's Club of Palmyra in the Club Room at 305 East Broad street at 8:15 p.m., Monday, February 19. The Woman's

Club will entertain the Juniors and the Evening Department.

Miss Seybold will also demonstrate designs originated by Peter Hunt, who is the artist of Provincetown on Cape Cod who developed the way of transforming outdated furniture and decorating it with peasant designs.

Mr. Hunt's creations have been illustrated in Life, House and Garden, American Home, and all the leading decoration magazines.

A graduate of the Philadelphia Museum School of Industrial Art, Miss Seybold is a member of the Philadelphia Art Alliance and specializes in lecture-demonstrations for the Finishes Division of the DuPont Company.

UNIT CITED

Pfc. Edward Moras, ammo bearer, 12 Randolph street, East Riverton, is a member of the 3rd Battalion, 351st Infantry Regiment, which has been awarded a War Department Distinguished Unit citation for a four-day battle which resulted in the capture of Laticio during the Fifth Army drive to the Arno River.

Laticio, a mountain town and key German stronghold south of the Arno River, fell to the 3rd Battalion

after the 58th "Blue Devil" Division unit had withstood three days of savage counterattacks before launching its own successful offensive.

Announced by Brigadier General Paul W. Kendall, 58th Division commander, the official citation stated that "during the attack on strongly fortified German positions in the vicinity of Laticio, the 3rd Battalion occupied all advanced position devoid of cover with both flanks exposed and for three days frustrated all enemy efforts to defend the town and surrounding strategic positions. On the fourth day, the 3rd Battalion launched a night attack and penetrated the German stronghold from the flanks and rear."

AIDS IN SINKING ENEMY CRUISER

From headquarters of the Twelfth Air Force in Italy comes word that the B-25 Mitchell bombardment group to which Corporal John Ross, Moorestown-Riverton Road, Riverton, is assigned as a gunner, has been cited again by the War Department as a Distinguished Unit, this time for the sinking of the Italian cruiser Taranto in La Spezia harbor September 25.

Carried out without loss of aircraft and with no casualties despite a formidable concentration of anti-aircraft guns, the brilliant attack frustrated German attempts to move the Taranto into position to block the entrance of his vital harbor. The group was previously cited as a Distinguished Unit for outstanding close support missions flown in Tunisia and Sicily in favor of the British Eighth and American Fifth and Seventh armies.

NEW SIGN

The County Highway Department has erected a fine sign on Broad street, west of the Riverton station, warning motorists of a bad curve and a dangerous intersection. The sign is of the type that is illuminated by approaching headlights.

Since most of the accidents at this intersection are caused by cars going in the opposite direction, it is to be hoped that a similar sign will be placed EAST of the station as well.

ANTI-LYNCHING BILL

For the seventh consecutive Congress Representative D. Lane Powers has introduced a bill to protect

persons within the United States from mob violence and lynching. Mr. Powers' Anti-Lynching Bill has been introduced each time at the request of the National Association for the Advancement of Colored People.

When the Representative of Mercer and Burlington Counties entered Congress in 1933, the Anti-Lynching Bill was the first piece of general legislation he presented to the Congress. Several times companion bills to the New Jersey Representative's measure have been passed by the House of Representatives but they have always been buried in Committee in the Senate.

Coincidentally with the introduction of the Anti-Lynching Bill in the 79th Congress, Mr. Powers wrote personally to the Honorable Hutton W. Summers, Chairman of the Judiciary Committee of the House, asking him to report out the measure as soon as possible.

"Many times in our battle to have this legislation passed by the Congress," Mr. Powers said today, "we have been stalemated by the weight of the Democratic Majority in the House and Senate. We have every hope that because of the slight majority now held by the Administration in the House, we can get this measure passed in the lower Chamber and have it sent to the Senate within the next few months."

SWISS ECONOMICS

Maurice J. Rohrbach, Swiss Consul for Pennsylvania, New Jersey and Delaware, speaking on "Switzerland, Today and Tomorrow" before the Rotary Club last week, threw interesting light on the conditions which have made difficult the relations between his country and the Allies.

"Although difficult of solution," said Mr. Rohrbach, "there is no doubt but that a solution will be found which will make ever stronger the historical friendship between Switzerland and the United States." He was introduced by Nathan Lane.

Tracing the 650 year history of his country, which is the oldest democracy in the world, Mr. Rohrbach asserted that it was probably the only country in which the principle of neutrality was embodied in a constitution. The constitution itself was patterned after that of the United States and shares with us the guiding principles of democracy, of liberty, respect for the individual, freedom of the press, of creed, of speech and of assembly.

Preparedness Preservation of the principle of neutrality has been possible only because its determined preparedness, the cost of which before the war was the lightest per capita of any nation, it involved the training of every man and placing equipment in homes ready for instant mobilization at predetermined battle stations.

Lying in the heart of Europe, with no direct access to the sea, Switzerland has practically no natural wealth nor raw materials, produces only a quarter of her essential food stuff and must import her fuel as well. Trade with France, Germany, and Italy was her very life blood. With these borders closed, she would be strangled economically.

Exchange So, throughout the war she has been bartering for her essential needs with the surrounding Axis powers trying to avoid the resulting complications with the Allies by severe limitations of the media of exchange. The present difficulties arise from the desire of the Allies further to limit these exchanges. Acceptable solutions are in the making, however, and the traditional friendship between the Swiss and the Americans is not likely to be strained.

Mr. Rohrbach told of the work his nationals are doing in care of the hordes of refugees and in help to the prisoners of war and the wounded. Governmental representatives of his country the world over are representing the countries at war with the Axis and greatly serving the Allied cause in these missions of mercy. The talk was concluded by a "Trip Through Switzerland," illustrated by colored slides.

USED PLAYING CARDS FOR BLIND SOLDIERS

At the present time there are over 200 blind soldiers at Valley Forge Hospital who would like to play cards. You can help them to pass away the long dark hours. Arrangements have been made by the Red Cross to treat a number of card decks according to the Braille system so that these men can indulge in the popular pastime. Only used cards can be employed for this purpose.

The Palmyra-Riverton Lions Club, with David Christie heading a special committee, is sponsoring the card collection project in this section.

Anyone having COMPLETELY packs of used playing cards, either straight or pinochle is asked to leave them at any one of the following places:

Mr. Christie's residence, 406 Cleveland avenue, Palmyra.

TAYLOR HEADS

SCHOOL BOARD

At the re-organization meeting of the Riverton Board of Education held on Monday night of this week, Thomas R. Taylor was re-elected president. He enters his third term as president of the board.

Other officials named were: W. Brooks Evert, vice president; William H. Bottinger, district clerk and C. Kenneth Davis, custodian.

Mr. Taylor will announce his committee appointments in the near future.

COMMITTEES FOR HONOR ROLL MEET

The second meeting of the Associated Honor Roll Committees of Riverton will be held Monday evening, February 20th, at a time and place which will be reported to each chairman by mail. At that time it is hoped that each church, club and other organization in the Associated Honor Roll Committee will be prepared to report its plans to help out in the completion and dedication of the Honor Roll.

Since the last report was published by the Joint Citizens' and Veterans' Committee, donations have been received from the following residents: Mrs. Philip T. Flach, Mr. and Mrs. E. L. Wolfenbarger, Leon W. Coles, Dorothy K. Robinson, Madge S. G. Bush, Lee Mitten, Alice E. Jones, Florence E. Peterson, Edith E. Lippincott, Sara L. Haberman, J. B. Webb, Nathan Lane and Palmer L. Adams.

The above report was submitted to the last regular meeting of the Riverton Memorial Post to which was entrusted the construction of the local Honor Roll about a year ago. Since then, the Post has, itself, purchased the ground on which the Honor Roll has been constructed and plans to dedicate the plot and finished structure to the Borough as a public park upon the completion of the project. The original plans to name the plot Legion Circle have not been carried through at the present time due to the fact that the American Legion has refused recognition to the Riverton Memorial Post, which leaves Riverton one of the very few towns in all of New Jersey without its own Legion Post.

VISITING NURSES

Who is the Public Health Nurse? She is the visiting nurse, the district nurse, the village nurse. She belongs, in our towns, to a two staff public health organization which helps families, individuals, and the entire community to combat disease and prevent it.

Does she nurse the community? Yes, she goes to all families, rich and poor, all races and religions. Why is the public health nurse needed more than ever today?

Due to wartime conditions patients are sent home sooner to convalesce. They are still needing professional care. The visiting nurse, working with the patient's doctor, can give nursing care required, thus often preventing setback.

What does a public health nurse cost? In our towns \$1.00 a visit. Families that can pay the full amount, others pay part. For some, unable to pay, there is no charge.

One third of the counties in the U. S. have no public health nurse. We are fortunate in having two.

The Government has declared that civilian nursing by full time nurses must be greatly curtailed because the wounded must have priority. This is the time for us all to put greater dependence on our visiting nurses, who are always anxious to serve.

The school children's program, which was scheduled for Public Health Day on January 26th had to be postponed because of weather conditions. It is now planned for April 6th.

SEA SCOUTS

The crew of the Sea Scout Ship No. 1, of Riverton, are constructing a model "Flying Cloud Clipper Ship" in the cabin of "Skipper" Tom Coe, 207 Main street, Riverton. The keel of this "clipper" has been laid and is about 3 feet long. Hundreds of details are being worked out with regard to the hull and rigging. The Sea Scouts will have this model ready for display at the Riverton Yacht Club during the coming season.

The present members of the crew are: George Pack, Robert Farrow, Harold Bauer, John Carhart, Royal Farrow and Don Garwood.

One of the illusions is that the present hour is not the critical, decisive hour.

Stewart Hollingshead, Mrs. Frank Hamlin, Mrs. G. Lloyd Major.

District 7 Mrs. Walter Moyer, Miss Elizabeth Ridley, Mrs. David Gould, Mrs. Thompson Coe, Mrs. Gorman F. Sargent, Mrs. Dewees Howell, Mrs. Arthur Waters, Mrs. Francis B. Elwell.

District 9 Mrs. Charles M. Biddle, 3rd, Miss Alice Harwell, Mrs. Lynn Hendrickson, Mrs. J. Edward Lippincott.

District 10 Mrs. Carrie Townes, Mrs. Ines Green, Mrs. Julia Hammond.

District 11 Mrs. V. F. Josen, Mrs. William Meats, Mrs. Arthur Anderson.

District 12 Miss Helen Hubbs.

BLOOD DONORS

The chairman of the Blood Donor service wishes to thank all who responded to her call for donors to go to the Center in Philadelphia, February 14.

At this time Mrs. R. M. Hollingshead, Jr., donated her 6th pint of blood and became a member of the gallon club. Congratulations to Mrs. Hollingshead and appreciation for her splendid co-operation in this service which is helping to save so many of the lives of our wounded soldiers and sailors.

Another caravan will go to Philadelphia sometime in March. The date will be announced later. Why not send in your name as a Blood Donor. If you cannot go one time you are called, perhaps you can another. Keep the Red Cross constantly supplied with blood for the life-saving plasma.

Call Riverton 1046 or 0398 and put your name on the Blood Donor List. Give a pint of blood to save a life.

Private Goodnow entered the service in January, 1944, and was sent overseas during October of last year.

BRIEF ITEMS
from
ABOUT TOWN

A most interesting letter was received by Mrs. Emerson Wolf-schmidt of 409 7th street, Riverton, from her daughter, Jane, "somewhere in Germany." She is an Army Nurse and has just received her promotion to First Lieutenant. She had a surprise visit from her cousin, William J. Wolf-schmidt, of Millville, N. J., during January, which was most pleasant for she had not met anyone from home since going overseas.

Miss Teresa Wilkins, of The Haselhurst Apts., Main street, Riverton, is spending several weeks in Schuyl-kill Haven, Pa., visiting Miss Det-weller, a former resident of Riverton.

Mr. and Mrs. Carvel Sparks, 900 Main street, Riverton, entertained at dinner and bridge Saturday evening in honor of Mr. and Mrs. Charles Sims. Covers were laid for twelve.

Mr. and Mrs. Albert Yost, of Tamaqua, Pa., visited at the home of Mr. and Mrs. Charles H. Yost on Sunday.

Mr. and Mrs. Fred E. Rudman, of New York City, have rented the Anderson home on Bank avenue, Riverton, and will occupy it on March 1.

Mr. and Mrs. Charles Sims, formerly of Thomas avenue, Riverton, left Sunday for their new home in New York City. Mr. Sims has been transferred to that vicinity.

Mrs. J. K. Claude Anderson, 1520 Spruce street, Philadelphia, spent

several days in Riverton last week, completing arrangements for renting her home on Bank avenue.

The Rev. John R. Crockett, Rector of Christ Church, 305 Main street, Riverton, is in The Episcopal Hospital, Philadelphia, where he recently underwent an operation. His many friends hope for a speedy recovery.

A number of local service men who have been, or are, stationed in California in the vicinity of Long Beach, have written home that they greatly enjoyed the hospitality of Mr. and Mrs. John L. Metzgar, former residents of Riverton for many years.

The snowfall last Saturday was of the nature that the younger generation throughout the community created a number of imposing snowmen, some of which reached the height of nearly 10 feet. The fall was the heaviest of the season and the streets re-assumed their familiar icy condition. The cold weather Monday didn't help the situation to any appreciable extent.

Captain Lawrence B. Parker, U. S. Army, Moorestown, formerly of Riverton, who recently returned from two years' duty in Greenland, is now stationed in Boston, Mass.

Miss Gladys Morgan, 300 7th street, spent the week-end in Riverton. Miss Morgan and her mother are spending the winter months in Philadelphia.

Please don't let up on saving waste paper, but double your efforts. Lack of manpower, poor transportation, and general weather conditions have seriously hampered paper mill production.

Paper is still No. 1 on the critical list. Our boys are being fed out of paper—receive their ammunition in paper—and blood plasma, packed in paper, is saving their lives. Keep up your work. Save paper for your regular collections, give it to school children, or call a dealer.

MORE TIN NEEDED

A critical shortage of tin now prevails in the country because available sources have failed to satisfy the demand.

Royston D. Engle, Burlington County Salvage Chairman, at a meeting with members of the War Production Board and representatives from the tinning plants in the state, learned that tin being imported into the United States has not only proved to be insufficient in quantity, but of an inferior quality, which creates a very serious problem.

Burlington county, declared Mr. Engle, has had an enviable record in the amount of waste paper collected in 1944. He gives credit for this success to the cooperation of the Local Salvage Committees, the Boy Scouts, the Y.M.C.A., and numerous organizations who have given of their time and effort.

The Salvage chairman pointed out that tin is used in the manufacture of many commodities of warfare.

Manager L. Marvin Cross has developed an interesting and colorful opening pageant for the Tenth Annual Stamp Exhibition of the Association of South Jersey Stamp Clubs, SOJEX 1945, to take place at 7:30 p.m. on Friday evening, February 23, the opening moment of the wonderful three-day stamp show of this organization to be held in the Walt Whitman Hotel in Camden, N. J. Just on the stroke of 7:30 the members of the association and their friends will assemble at the entrance doors of the Main Ball Room, where the show will be held, and Mayor Brunner of the City of Camden, will open the show with a very pretty ceremony that should not be missed by any who will attend the exhibition on its opening night. Details of the

event are being kept dark by the chairman of the show but those in the know say it will be one long to be remembered as an interesting and beautiful as well as unusual way to start off a stamp exhibition. It will well pay you to be on hand at just 7:30 to see the event. Among many other attractions at the exhibition the Camden Postoffice will open on the exhibition floor a special stamp window where late U. S. Stamps will be on sale. A special cachet envelope may be purchased at the association table and mailed at this stamp window where a special Exhibition Cancel will be used to show your cover came direct from the show floor.

POWERS NAMED ON ACADEMY BOARD

The number thirteen has proven lucky for Congressman D. Lane Powers and also for the United States Military Academy at West Point. For the thirteenth consecutive year the Honorable Sam Rayburn, Speaker of the House of Representatives, has appointed Congressman Powers to the West Point Board of Visitors. The Military Academy's Board functions in the same manner

as does the Board of Trustees of a civilian college.

SGT. WARREN LAMON WRITES PARENTS FROM GERMAN PRISON CAMP

The following letter was received recently by former Freeholder and Mrs. Walter D. Lamon, of Palmyra, from their son, Sgt. Warren H. Lamon, who has been a prisoner of war in German hands since the middle of September:

Sept. 22, 1944.

Dear Folks:

I am here in a prison camp and am in good health. I am making out all right, so please don't worry about me.

The Red Cross is really helping us out a great deal. I have enough clothes to keep warm and enough blankets to keep me warm in the night.

We have church services here on Sundays for all the different religions. We have different kinds of sports like baseball and football. They also have a library where we can get books to read. We have a few musical instruments, and some of the

fellows get together and we have music.

Hoping to see you soon,
WARREN.

N. KUENSELL, Prop.
Government Officials State That Laundries Are Essential to the War Effort.

The original cave men, who scientists assert, lived many thousands of years ago, were, according to all accounts a pretty crude crowd. The cave creature is supposed to have developed mentally and gone ahead, generally speaking, but one black-sheep branch of the race took up residence in a place called Japan. A number of their ancestors are still battling in caves. Let us hope that this bunch will soon become extinct.

The German communiques still dish out the same old malarkey—never a defeat—all attacks "sealed off," etc. We greatly anticipate reading the fairy tale on the day Berlin falls. Baron Munchausen was a mere amateur!

At the risk of arousing the ire of some ardent radio fans, we wish to go on record as totally disliking the alleged comedians who talk like no normal person ever enunciated. If this be humor, we'll have none of it. And, while on the subject of radio programs, we have a couple of other peevish about which to articulate.

One is the all too frequent mention of a singer who lays them in the aisles, so the younger folks assert.

The other is the utterly malodorous recurrence of the commercials that squeeze themselves in between the good programs. The other night one was from a record cracked so badly that even the announcer couldn't stand it.

Incidentally, some of the commercials on a few of the better programs could stand refurbishing. Can it be the agencies are slipping?

SCHOOL NO. 4 P.T.A. HOLDS MEETING
The February meeting of the Phyllis Wheatley P.T.A. was held Friday, February 9, in the auditorium of School No. 4. A feature of the evening was an address on "Progress of the Negro" by Ralph Phillips of New York City.

An avid student of the subject, having done much research at New York University, Mr. Phillips has continued his study as a hobby. Highly informative figures on the progress of the race since 1890 were given.

Other points stressed were the many fields in which the race has received recognition. Among them are politics, the theatre, medicine, aviation, industry, the professions and the armed forces. In no country has a minority group made equal progress in the same period of time. In closing the speaker quoted the French philosopher, David Henry Thoreau, "If one advances confidently in the direction of his dreams and

endeavors to live the life they have imagined they will meet with unexpected success in the days to come.

Another attraction of the evening was an original play, "The Value of Cooperation in a Health Program."

Points stressed by the play were:

The importance of the work of the district nurse in a community.

The need of a clinical thermometer in a home.

The importance of getting medical aid when anyone shows the first sign of illness.

The danger in visiting a sickroom.

The proper diet for a patient.

The need for caring for our bodies.

A reading, "That's Life," by Miss Dorothy McKim completed the entertainment.

Following the program a business session was conducted by the President, Mrs. Malinda Ransom.

Beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.

—II Peter 3:8

Dear Land to which Desire for ever flees:
Time doth no present to our grasp allow;
Say in the fix'd Eternal shall we seize
At last the fleeting Now?

...no shortage of courtesies...

We deeply appreciate the patience and understanding of those who are waiting for telephone service.

Today, about the only new connections that can be made must come through disconnections. "Essential" applications have first call on any facilities thus released.

Probably it will be some time after

victory before full-scale production can be started to meet the backed-up demand for telephone service throughout the State and Nation.

Your Service Representative in the telephone business office doesn't like to have to say "No," and does her best to explain these war time conditions to you clearly and courteously.

About Town

The Misses Virginia Gould, Joan Bailey, Virginia Collar, Lois Warren, Elaine Friday, and Jacqueline Stephenson are enjoying their mid-season vacation by spending several days at the Hotel Bristol, New York City.

2nd Lieut. Thomas M. Parry, Jr., son of Mr. and Mrs. T. M. Parry, of Riverton, has completed the course of instruction as a Flight Engineer on heavy bombardment planes.

His graduation from this school fits him for the duties of Flight Engineer on the big bombers. He will play an important part in helping the Army Air Forces carry the war to the enemies' homeland.

Before he entered the Army Air Forces, he was a student at Rutgers University.

Mrs. Gilbert Coe, Mr. and Mrs. Thompson Coe, Miss Joyce Thompson and Mr. Beresford Coe attended the final performance of the Mask and Wig Club, "Hep to the Beat" at the Erlanger Theater in Philadelphia, Saturday night.

Mrs. Claire Lippincott, of Palmyra, has been re-appointed a Republican member of the County Board of Elections by Governor Walter Edge.

Staff Sgt. John Lathbury, Warrenton avenue, East Riverton, was called home from Camp Downey, California, on account of the illness of his wife, Eleanor Lathbury, who is in the Zurbrugg Memorial Hospital, Riverside.

Bert Shoemaker, son of Mr. and Mrs. Wm. M. Shoemaker, Jr., 311 Bank avenue, Riverton, has received a promotion from First Lieutenant to Captain, U. S. Army.

Mrs. Donald Mount, Maple avenue, Palmyra, entertained her sorority on Wednesday evening.

Miss Jane Hulse, Highland avenue, Palmyra, spent the weekend at the

home of Miss Marjorie Nace in Chester, Pa.

Friends of Martin J. Welsh, former agent at the Pennsylvania Railroad Station, Riverton, will be sorry to learn that he is critically ill. He is in the Women's College Hospital Philadelphia.

At the meeting of the local Business and Professional Men's Club held on Tuesday of this week, the speaker was Albert McFall, of Palmyra, whose topic was "The Volunteer Port Security Force." This organization, a branch of the Coast Guard Reserve, is composed of men from all walks of life who spend a certain number of hours each week on duty which has relieved many younger men for active service. A number of people from this section are members.

Henceforth the club will meet the 1st and 3rd Tuesdays of each month. Plans are now being made for the annual banquet of the business and professional men. The affair will be held in the Riverton Country Club at a date to be determined later.

RIVERTON P.T.A.

The February meeting of the Riverton Parent Teachers Association was held in the school auditorium on February 14, at 3 p.m.

Mrs. Herbert L. Adams of the County Council reviewed for us the beginning of the Parent Teachers Association and showed how it has grown until the membership is now two and two-thirds millions.

After the meeting the annual food sale was held which was a very big success and we wish to take this opportunity to thank those who helped to make it so, particularly the membership chairman and the room mothers.
