PUBLIC HEALTH PROGRAM

The Visiting Nurse Association and the school children of the three local communities have selected April 6th as the day for their previously postponed Public Health Program. The Palmyra Women's Club has given their club room for the occasion, so come at 3:00 o'clock on Friday afternoon, April 6th, and give the children the support of your presence. This will also be an occasion to learn of public health work in your community, particularly the work of the Visiting Nurses.

The Riverton Grade School orchestra will play several selections.

The fourth grade of Palmyra Grammar School will give a health quiz.

The sixth grade of the Sacred Heart School will present choral speaking.

Cinnaminson School No. 4 will give a skit on the value of cooperation with a health program.

In the present nurse shortage crisis, it is important that we make the most of the nursing service available, in the Mount Holly area will be the

to come and learn of the help that your visiting nurses have to offer in times of sickness and emergency.

YWCA NOTES

To take the place of the National YWCA Convention which has been canceled as a war emergency, a Y.W.C.A. Week will be held by the Burlington County Young Women's Christian Association April 9 to 14.

Meetings have been planned for Mount Holly, Bordentown, Burlington, Riverton and Moorestown, and Y.W.C.A. members are invited to attend these affairs.

Special guests will be Miss Maud Russell, who served recently as American Secretary on the China Y.W.C.A. staff, and Miss Dorothy Sabiston, a member of the staff of the National Y.W.C.A. Board.

Of interest to Y.W.C.A. members in the Mount Holly area will be the

luncheon to be held at The Fireside, Mount Holly, Wednesday, April 12, at which both Miss Russell and Miss Sabiston will speak. On the same date, afternoon tea will be served at the home of Mrs. Howard Coe, of Riverton, for members and friends in that section, and a meeting will be held that evening at the Library building in Bordentown for Y.W.C.A. members in that part of the county.

Tea will be served Thursday afternoon, April 13, at St. Mary's Guild House, Burlington, for members in the Burlington area.

A feature of "Y.W.C.A. Week" will be the dinner to be held at the West End Community Center, Church street, Moorestown, Thursday evening, April 12. Both Miss Russell and Miss Sabiston will speak at these community affairs.

MOTORCYCLE CRASHES

Charles Wheeler, of Merchantville, came to grief early Monday night of this week while riding his motorcycle along Bank avenue, Riverton.

The machine struck a depression in front of the residence at 303, with

the result that the cyclist suffered a bad cut on the hip and hand. The machine was badly damaged, but able to be operated.

Be honest but hate no one; overturn a man's wrongdoing but do not overturn him unless it must be done in the overturning of the wrong.—Abraham Lincoln.

This, above all,—To thine own self be true
And it must follow as the night the day,
Thou canst not then be false to any man.
—Shakespeare.

AMERICAN GENIUS AT WORK

100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts . . . seems to presage the arrival of that period when human improvement must end."

His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown.

The future holds many more. And America's 16,000 banks are ready to meet the credit needs of competent individuals and firms that will bring us the new and improved products to enjoy.

According to a recent order, restaurants cannot serve jelly, marmalade, apple butter, etc., IF BUTTER IS AVAILABLE. Apparently, since most stores are advertising butter, this commodity is "available." We wonder, however, whether or not the restaurants have any more points to purchase it than the average family. Just as a matter of record—many, many, families have learned to like oleomargarine. Frankly, why aren't restaurants allowed to serve it? Also, why can't it be sold colored? These questions could bear answering—and soon!

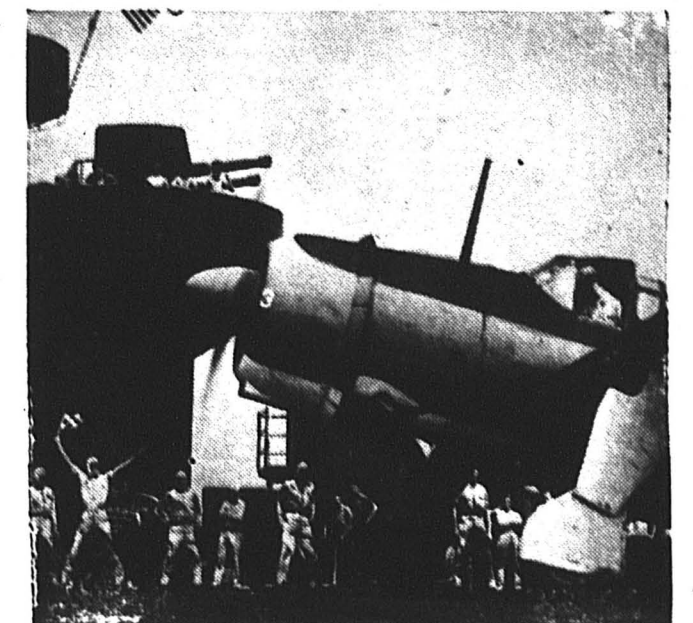

You only get rid of your enemies by making them your friends; and you can only do that by loving your enemies; that is one of the great "laws of life."—Sir Willfred Grenfell.

AMERICA'S GREATEST RESPONSIBILITY

Before a large and appreciative group of Rotarians and guests last Thursday evening, Sabbath Hurt, radio commentator and lecturer delivered for the 9th time his lecture on the subject of "America's Greatest Responsibility."

Selecting as his point of departure the well-known statement of the late Woodrow Wilson that "to conquer with arms is to make only temporary conquest," Mr. Hurt declared that America's greatest responsibility is "to conquer the world by earning its esteem."

The only paths open to us today are the paths leading to totalitarianism, which nobody really wants, or the path of democracy which leads to the cultural ends that people really want to enjoy. "Never had any people so much responsibility for the future welfare of the world than the American nation has today."

Mr. Hurt declared that we are most able to conquer the world by earning its esteem because we have the form of government that preserves and guards most efficiently the fundamental rights that are desired by mankind as a whole; because we have as a nation such a large reserve of economic wealth, because we have developed technological skills greater than any other nation; and because we are the only major nation to emerge from this war without the war having been fought on our soil.

To these might be added a fifth reason. We are the greatest nation militarily, having an air force, a merchant marine and a navy greater than those of all other nations combined.

Having illustrated our ability to assume this responsibility of earning

the world's esteem, the speaker then declared that we must assume this responsibility if we are to remain a free nation. "The policy of isolationism is no longer practical," he declared. Because of the progress of the physical sciences, such as aviation and radio, we are forced to live together as one community. "We must promote the establishment of some international organization if we are to live as a cultured people," he added.

THOMAS C. VAN OSTEN

Thomas C. VanOsten, 813 Lincoln avenue, Palmyra, died Friday, March 23. He was the husband of Matilda VanOsten. Funeral services were held Tuesday, at 2 p.m. from the Snover Funeral Home, the Rev. S. Dan Morgan, of the Central Baptist Church, officiating.

Mr. VanOsten was a member of the Baptist Church for many years and also Mount Horeb Lodge No. 528, F. and A.M. Interment was in Ivy Hill Cemetery.

ALFRED S. VAN OSTEN

Alfred S. VanOsten died suddenly Wednesday morning at his home, 810 Washington avenue, Palmyra. He was the husband of Harriet M. VanOsten.

Funeral services will be held Friday at 2 p.m., in Calvary Presbyterian Church, Riverton, under the direction of the Snover Funeral Home, the Rev. Robert B. Stewart officiating. Interment will be private.

Mr. VanOsten is survived by his wife, Harriet M. VanOsten and one son, Phillip VanOsten, of Philadelphia.

Mr. VanOsten had been director of the Presbyterian Church Choir for many years.

CHARLES B. JESSUP

Charles B. Jessup, 76, a resident of Cinnaminson and Riverton all his life, passed away Saturday, March 24, at his home, 624 Thomas avenue, Riverton.

He is survived by his wife, Maude M., a brother, George W. Jr., of Waltham, Mass., two daughters, Mrs. Helen M. Baker and Mrs. Elizabeth Lippincott, both of Riverton and four sons, Frank C., of Moorestown; Edward H., of Riverton; Walter L., of Mt. Holly and Amos S., of Maple Shade. Nine grandchildren also survive.

Interment was in the Westfield Friends Burying Ground on Wednesday of this week.

Mr. Jessup was a member of the Westfield Friends Meeting. For many years he took an active part in Cinnaminson civic affairs serving as a member of the Township Committee for several terms and later as Assessor. He also was a former member of the Burlington County Board of Chosen Freeholders.

He was also Past Master of Moorestown Grange and a member of the P. O. S. of A.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Aves.
Riverton, N. J.

In commemoration of the death of our Lord a service of worship will be held in the Sanctuary on Good Friday at 8 p.m. The choir will sing two choruses from Stainer's "Crucifixion," "The Appeal of the Crucified" and "God So Loved the World." All who are associated with the church family of Calvary Church are urged to be present in the House of God on the evening of the anniversary of the "Day of the Cross."

Easter Sunday Church School will convene at 9:35 a.m. In view of the necessity of using the auditorium for the morning congregation there will be no closing assembly.

Easter service of worship at 11 a.m. The topic of the Easter meditation will be, "Easter Through the Eyes of the Magdalene." The Choir will render the following Easter anthems, "The Magdalene," by Warren, "King of Kings," by Simper, and "Hosannah," by Granier.

Children will be cared for in the

Nursery during the worship hour by the Misses Mary Jane DeCoursey and Mabel Llewellyn.

The Session will meet after the Good Friday service, Sunday morning following the Easter service, and Tuesday evening at the Manse at 8 p.m. for the regular monthly meeting. The Evening Group of the Missionary Society will meet Tuesday at 6:45 p.m. at the home of Miss Grace Davis for a covered dish supper, followed by the regular monthly program.

The afternoon circles of the Women's Missionary Society will meet as follows Wednesday, April 4, at 2:30 o'clock: Westminster Circle, at the home of S. H. Young, 408 Linden; "Maude H. Cook" Circle, at the home of Mrs. Ralph Rivera, 807 Lincoln, and the Calvary Mission Circle in the Ladies' Parlor.

The annual Congregational and Corporation meetings of the Calvary Church will be held Wednesday evening, April 4 at 8 o'clock. There will be a period of fellowship in the Social Hall following the meetings. Refreshments will be served.

The annual meeting of the "Presbyterian" will be held at Long Branch Thursday, April 12. All members of

the Missionary Society are reminded to place their "Sacrificial Envelopes" in the hands of the local treasurer immediately, as these must be presented at this meeting of the "Presbyterian."

The Communion Preparatory Service will be held in the Church School auditorium Friday evening, April 6, at 8 o'clock. The Sacrament of the Lord's Supper will be observed as part of the morning worship Sunday, April 8.

REV. RAVER REVIEWS BOOK AT P.T.A.

Those who came to the meeting of the Riverton Parent Teachers in the school auditorium on March 21, were well repaid for Rev. W. Neal Raver, Pastor of the Epworth Methodist Church.

AMERICA'S GREATEST RESPONSIBILITY

Before a large and appreciative group of Rotarians and guests last Thursday evening, Sudduth Hurt, radio commentator and lecturer delivered for the 97th time his lecture on the subject of "America's Greatest Responsibility."

Selecting as his point of departure the well-known statement of the late Woodrow Wilson that "to conquer with arms is to make only temporary conquest," Mr. Hurt declared that America's greatest responsibility is "to conquer the world by earning its esteem."

The only paths open to us today are the paths leading to totalitarianism, which nobody really wants, or the path of democracy which leads to the cultural ends that people really want to enjoy. "Never had any people so much responsibility for the future welfare of the world than the American nation has today."

Mr. Hurt declared that we are most able to conquer the world by earning its esteem because we have the form of government that preserves and guards most efficiently the fundamental rights that are desired by mankind as a whole; because we have as a nation such a large reserve of economic wealth, because we have developed technological skills greater than any other nation; and because we are the only major nation to emerge from this war without the war having been fought on our soil.

To these might be added a fifth reason. We are the greatest nation militarily, having an air force, a merchant marine and a navy greater than those of all other nations combined.

Having illustrated our ability to assume this responsibility of earning

the world's esteem, the speaker then declared that we must assume this responsibility if we are to remain a free nation. "The policy of isolationism is no longer practical," he declared. Because of the progress of the physical sciences, such as aviation and radio, we are forced to live together as one community. "We must promote the establishment of some international organization if we are to live as a cultured people," he added.

THOMAS C. VAN OSTEN

Thomas C. VanOsten, 813 Lincoln avenue, Palmyra, died Friday, March 23. He was the husband of Matilda VanOsten. Funeral services were held Tuesday, at 2 p.m. from the Snover Funeral Home, the Rev. S. Dan Morgan, of the Central Baptist Church, officiating.

Mr. VanOsten was a member of the Baptist Church for many years and also Mount Horeb Lodge No. 528, F. and A.M. Interment was in Ivy Hill Cemetery.

ALFRED S. VAN OSTEN

Alfred S. VanOsten died suddenly Wednesday morning at his home, 810 Washington avenue, Palmyra. He was the husband of Harriet M. VanOsten.

Funeral services will be held Friday at 2 p.m., in Calvary Presbyterian Church, Riverton, under the direction of the Snover Funeral Home, the Rev. Robert B. Stewart officiating. Interment will be private.

Mr. VanOsten is survived by his wife, Harriet M. VanOsten and one son, Phillip VanOsten, of Philadelphia.

Mr. VanOsten had been director of the Presbyterian Church Choir for many years.

CHARLES B. JESSUP

Charles B. Jessup, 76, a resident of Cinnaminson and Riverton all his life passed away Saturday, March 24, at his home, 624 Thomas avenue, Riverton.

He is survived by his wife, Maude M., a brother, George W. Jr., of Waltham, Mass., two daughters, Mrs. Helen M. Baker and Mrs. Elizabeth Lippincott, both of Riverton and four sons, Frank C., of Moorestown; Edward H., of Riverton; Walter L., of Mt. Holly and Amos S., of Maple Shade. Nine grandchildren also survive.

Interment was in the Westfield Friends Burying Ground on Wednesday of this week.

Mr. Jessup was a member of the Westfield Friends Meeting. For many years he took an active part in Cinnaminson civic affairs serving as a member of the Township Committee for several terms and later as Assessor. He also was a former member of the Burlington County Board of Chosen Freeholders. He was also Past Master of Moorestown Grange and a member of the P. O. S. of A.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.
Riverton, N. J.

In commemoration of the death of our Lord a service of worship will be held in the Sanctuary on Good Friday at 8 p.m. The choir will sing two choruses from Stainer's "Crucifixion," "The Appeal of the Crucified" and "God So Loved the World." All who are associated with the church family of Calvary Church are urged to be present in the House of God on the evening of the anniversary of the "Day of the Cross."

Easter Sunday Church School will convene at 9:55 a.m. In view of the necessity of using the auditorium for the morning congregation there will be no closing assembly.

Easter service of worship at 11 a.m. The topic of the Easter meditation will be "Easter Through the Eyes of the Magdalene." The Choir will render the following Easter anthems, "The Magdalene," by Warren, "King of Kings," by Simper, and "Hosannah," by Granier.

Children will be cared for in the

Nursery during the worship hour by the Misses Mary Jane DeCoursey and Mabel Llewellyn.

The Session will meet after the Good Friday service, Sunday morning following the Easter service, and Tuesday evening at the Manse at 8 p.m. for the regular monthly meeting. The Evening Group of the Missionary Society will meet Tuesday at 6:45 p.m. at the home of Miss Grace Davis for a covered dish supper, followed by the regular monthly program.

The afternoon circles of the Women's Missionary Society will meet as follows Wednesday, April 4, at 2:30 o'clock: Westminster Circle, at the home of S. H. Young, 408 Linden; "Maude H. Cook" Circle, at the home of Mrs. Ralph Rivers, 807 Lincoln, and the Calvary Mission Circle in the Ladies' Parlor.

The annual congregational and Corporation meetings of the Calvary Church will be held Wednesday evening, April 4 at 8 o'clock. There will be a period of fellowship in the Social Hall following the meetings. Refreshments will be served.

The annual meeting of the "Presbyterial" will be held at Long Branch Thursday, April 12. All members of

the Missionary Society are reminded to place their "Sacrificial Envelopes" in the hands of the local treasurer immediately, as these must be presented at this meeting of the "Presbyterial."

The Communion Preparatory Service will be held in the Church School auditorium Friday evening, April 6, at 8 o'clock. The Sacrament of the Lord's Supper will be observed as part of the morning worship Sunday, April 8.

odist Church, Palmyra, presented a splendid review of A. J. Cronin's book "The Green Years." He touched on a few highlights of the book and gave all the feeling that this should be on our "must" reading list. The informal tea which followed the meeting added to the enjoyment of the afternoon.

O.P.A. NEWS

"The job of calculating ceiling prices for apparel, dry goods and house furnishings will be greatly simplified by the pricing charts made in accordance with the new retail price regulation now being delivered to all local retailers. Mr. Flynn, chairman of the Palmyra War Price and Rationing Board, reports. Each retailer must prepare a pricing chart showing the costs and selling prices of goods he offered for sale on March 19, 1945.

Major commodities covered by the new pricing procedure include man's and boy's clothing and hats, shirts, underwear and sleeping garments; women's negligees, underwear foundation garments, numerous accessories, and millinery; men's, women's and children's shoes and footwear; all infant's wear; yard goods, linens, blankets and bedding; furniture, lamps, baby carriages and floor coverings.

A Merchants Committee has volunteered to help the Price Panel provide accurate information about how to make these charts.

Mr. Flynn said additional copies of the regulation are available at the office of the Board, 2 E. Broad St., Palmyra.

"Every clothing and house furnishings retailer is required to prepare three copies of the pricing chart," he said. "Two copies must be filed with the Camden OPA District Office, 300 Broadway, Camden, on or before April 20. The third copy must be kept in the store.

"We of OPA want to give the retailers all possible help.

"After his chart is made, each retailer will know exactly what his ceiling price is for each of his cost lines.

As result of the government's program, we believe that more of the clothing appearing in stores this Summer will be in the low and medium price ranges. Both retailer and consumers will benefit from the program because larger portions of the supplies retailers obtain will be made up of the kind of garments customers want, and the prices will be lower.

TOWNSHIP OF CINNAMINSON NOTICE

PUBLIC NOTICE is hereby given that an application has been made to the Township Committee of the Township of Cinnaminson, in the County of Burlington, for municipal consent to the construction and operation of an airport on a tract of land situated in the said Township on the North-easterly side of Union Landing Road and adjacent to the Southeastern line of the Pennsylvania Railroad right-of-way; and that before acting upon said application, the Township Committee, on
TUESDAY, APRIL 3, 1945,
at 8 O'CLOCK P. M.,
in the Fire House of Delaware Fire Company No. 2, located at the corner of Broad Street and Read Avenue, at East Riverton, will hold a public hearing for the purpose of affording to all interested residents and property owners of the said Township an opportunity to be heard with respect to the advisability of granting or refusing such municipal consent.

Interested persons that are not able to attend at the time and place above named may express their views by letter addressed to the Township Committee, in care of the undersigned.

By Order of the Township Committee of the Township of Cinnaminson in the County of Burlington.
HAROLD R. WEST,
Township Clerk.

LANE FOR MAYOR

With the deadline for filing petitions for nomination to municipal offices at the Primary Election, June 12, being tonight (Thursday) it is reported that Nathan Lane will file for the Republican nomination for Mayor, the incumbent, J. Wilson Sylvester, having announced that he will not be a candidate.

Mr. Lane, who has been president of Council since Mr. Sylvester assumed the Mayor's chair has served a number of terms on the local governing body and, in addition to other duties, is the present chairman of the finance committee.

Other Candidates

There are two vacancies for Council and Richard Lippincott, incumbent, has filed for one position and Charles Coward, Cherry Lane, for the other. Mr. Coward who is well-known throughout the community, is a newcomer in the political field, but has excellent qualifications to serve as a member of the governing body. C. Kenneth Davis and Robinet Cole will be candidates for nomination to the posts of collector and assessor, respectively. Both have served in the same capacity for a number of years.

G.O.P. Candidates

All Republican factions in Burlington County have reached an agreement to combine as a united Republican organization and support one slate of candidates at the June Primary election.

Three Republican groups are involved in the merger. They are known as the Powell group, headed by former State Senator Clifford R. Powell, of Delanco, who is now a Colonel in the Army in Europe; the Stokes group, led by Dr. S. Emilen Stokes, of Moorestown, and the Good Government group whose leadership includes former Assemblyman A. Matlack Stackhouse, former County Treasurer Frank A. Snover, and Freeholder Clarence G. Price.

The candidates for the June primary are: for State Senator, Arthur W. Lewis, incumbent; Assemblyman, Albert McCay, incumbent; Freeholders, LeRoy Church, incumbent, and Frank A. Snover.

Negotiations for the merger were begun early this year by Senator Lewis, Assemblyman McCay, State Committeeman Norman F. S. Russell, State Committeewoman Pearl Bridgman, Stackhouse, Snover and other Republican leaders and details were arranged in conferences by representatives of each group.

The avowed purpose of the combination is to promote better county government and to strengthen the county Republican organization which has been torn by dissension for more than a generation.

Final details of the merger were worked out at a meeting of five members from each group held last night at the Riverton Country Club. The following representatives from each group attended: Freeholder Price, Freeholder Church, Freeholder Ross, Freeholder George B. Bittling, Freeholder L. T. Klender, County Solicitor Thomas D. Begley, County Chairman William Leonard, Joseph Bartley, Jr., Frank E. Chambers, Frank A. Snover, A. M. Stackhouse, former County Auditor DeWitt Steele, Daniel R. Lemmon, Phillip S. Irons, Jr., Harold T. Parker, Assemblyman McCay and Senator Lewis.

A meeting of Republican workers and county committee members will be called within a few days to initiate the campaign. Prominent state leaders will attend.

SPEEDER ARRESTED ON MAIN STREET

Late Saturday night Officer John Robinson, of the Riverton Police, noticed a car traveling at a high rate of speed toward Route 25 and in the opposite direction from which the Police car was parked.

The car, a brown Chevrolet sedan was driven so fast that the number could not be discerned. The trunk had slight indentations and that was the only clue that police had to follow the speeder.

The chase ended near Denner's store, Cinnaminson.

The offender was Leroy Smith, colored, age 38. He admitted his guilt, but the only reason given for speeding was that he was very angry with his wife and his foot got heavy.

Recorder William H. Bottger made his foot lighter and also his pocket-book. Mr. Bottger also promised that in view of the many complaints recently received that many more purses will be lighter unless speeding is lessened on Main street.

BLOOD DONORS

As the tempo of the attack increases, the need for life-saving blood plasma becomes more and more urgent. It can be obtained from only one source, the gift of patriotic Americans like YOU.

Plasma is standard first-aid treatment on the battle-fields. More than any other factor, it is responsible for the remarkably low mortality rate among our wounded.

On April 18th and 19th a Blood Donor Unit will be in the Central Baptist Church, Palmyra, to serve you. The Red Cross needs you as a donor. Don't put it off any longer—good intentions are not enough.

Call your local chairman, Mrs. Harry Kenny, Riverton 1046 or the Vice Chairman, Mrs. Arthur Burris, Riverton 0398. Make an appointment today and send your blood on an errand of mercy.

VETERAN'S COUNCIL

Within the last two months an organization has been developed in this area which will operate under the name of "Veteran's Council of Cinnaminson, Palmyra and Riverton."

The purposes of this group, as stated in their By-Laws are as follows:

To study the problems of the returning veteran.

To organize and maintain a civilian organization to assist returning veterans.

To regulate and control this service so as to avoid confusion and duplication of effort so that all veterans and their dependents desiring information may receive it promptly through qualified advisors.

To accomplish these objectives many organizations in the area have banded themselves together in a single Council, a community cooperative group to stand with and for the returned veteran in an advisory capacity, to interpret the intentions of the G. I. Bill of Rights and New Laws; to explain the new laws and the best and quickest method of getting the benefits offered under these laws by the State and Federal Governments.

Formed in January this Council was formed at a meeting held in January, which was called by The Veteran's Council Committee of Post Rodgers American Legion. This meeting was attended by representatives from the following organizations and churches:

Palmyra High School, The Porch Club, The Compass Club, Sacred Heart Church, The Palmyra Ambulance Association, The Borough of Riverton, The Protestant Ministerial Union, Cinnaminson Township Committee, The Women's Club of Palmyra, Borough Council of Palmyra, Visiting Nurses Association, The Lion's Club, The American Legion, The Red Cross, The Rotary Club, The Red Cross, Palmyra.

DENNER TELLS OF PACIFIC BATTLES
It's a far cry from pruning rose bushes in New Jersey to killing Japs in the Southwest Pacific.

However, Corporal John L. Denner, proved himself just as tough an infantryman with the 77th Infantry Division on Guam and Leyte as he was an expert florist before the war in Riverton.

"I guess it's all a matter of mental attitude," he observed in an interview at a West Coast debarkation hospital. "No civilized person likes to kill another. However, as long as barbarians like the Japs and Nazis are on the loose we have to exterminate them as we would rats spreading a deadly disease. Personally, I thought no more of killing Japs than I did of spraying bugs on a rose bush back in New Jersey."

"Anyway, it was a question of killing or being killed, because most of these Nips fought to the death, and I had a sort of hankering to come back alive from the Southwest Pacific," he added with a grin.

Corporal Denner had his doubts about whether he would take up horticulture again one day on Leyte, while his outfit was storming a Jap-held hill near Ormoc.

"I was acting as a messenger that day and had just delivered an important communication to one of our platoons that was partly cut off, when I found myself face to face with three evil-looking Japs," he recalled. "They emerged from behind some brush and started up a slope after me, their rifles blazing away."

"The New Jersey Doughboy jumped into a ditch and returned the fire. He got one Jap when the trio was about 25 yards from him. The two remaining Japs spread out and rushed at him from opposite sides."

"A friend of mine who had heard the fire took care of one Nip in the nick of time," said the Infantryman. "I took care of the other."

One thing he will never forget about his combat experiences was the heroic action of Infantry company medical aid men, declared Corporal Denner.

Always Ready
"They were always Johnny-on-the-spot to take care of the wounded, oblivious of danger to themselves," he recalled. "It is difficult to single out one example of their courage, because those 'medics' were risking their lives every day to save ours. While we were on the beachhead on Leyte, a man in my outfit had his leg badly mangled by a mortar shell explosion. A captain in the Medical Corps amputated the leg right there on the beachhead under intense enemy fire and had the wounded man evacuated to a safe place. Then the officer calmly turned to another wounded soldier and continued his work."

Holder of the Combat Infantryman Badge for exemplary conduct in action, Corporal Denner is 38 years old. He has been in the Army three years and received basic training with the 77th Division at Fort Jackson, South Carolina, before going overseas 11 months ago.

The Doughboy, who plans to return to the florist business with his parents, Mr. and Mrs. William Denner of Riverton, after the war, was struck down by infantile paralysis late in January while on his way to his company mess hall in Leyte. Returned to the United States by air for special hospital care, he is well on the road to recovery.

Fine Record In War Fund Drive

Mrs. Edward C. Hughes, local chairman for the Red Cross War Fund Drive, has announced Riverton-Cinnaminson's collection for the War Fund as \$11,388.00. The quota was \$10,035.

With promised contributions, the quota was complete in the 2 weeks' original time of the Drive, and it is interesting to note that two-thirds of this was reached in the 4-day concentrated campaign tried out here for the first time.

Mrs. J. D. Clark, chairman of the Riverton-Cinnaminson Red Cross Branch, wishes to thank Mrs. Hughes, the captains, workers and special workers, for their splendid cooperation and untiring efforts in achieving this result throughout Riverton, East Riverton and Cinnaminson.

In Burlington County the total raised in the campaign was \$105,078.54, a splendid response, which enabled the Chapter to go over the top. A total of 16 branches exceeded their quota.

Hearing On Airport

The Cinnaminson Township Committee has been requested by a private corporation to grant permission to establish an airfield on the former Dreer Riverview Nursery site, River road, near Union Landing road, East Riverton.

The company proposes to develop an airfield, to sell, house and maintain small privately owned passenger planes.

A public hearing on the proposition has been arranged for Tuesday evening, April 3, in the East Riverton Fire House at 8 o'clock.

The members of the Township Committee are desirous of having as many interested people attend as possible, in order that the governing body can hear opinions as to whether or not this permission should be granted.

RED CROSS RECEIVES NEWS ON GERMAN PRISON CAMPS

The Burlington County Red Cross today received definite information that all of the prisoner-of-war camps in East Prussia, Poland and that part of Pomerania east of the Oder River are being moved westward, according to an announcement made by Miss Mildred Walton, Home Service director, and Mrs. Russell W. Mardin, prisoner of war chairman.

Four thousand six hundred Americans from Stalag IIIB reached Luckenwalde (Stalag IIA), between Berlin and Leipzig, late in February after a ten-day hike and continued on foot after a few days rest to a new camp being prepared about twelve miles west of Luckenwalde. Some American airmen from Stalag Luft III went to Luckenwalde also, but the majority of them were taken to Moosburg (Stalag VIIA), a few miles north of Munich, and to Nurnberg (Stalag XIIID).

Many of the officers from Oflag 64 were liberated by the Russians and Melf Walton and Mrs. Mardin believe them to be in Odessa awaiting transportation back to the United States. Some of them have already arrived home.

McVAUGH—EWING

A beautiful wedding by Friends' Ceremony took place Saturday, March 17, at Open Gates, Rydal, the home of Mr. and Mrs. George Newlin Ewing, when their daughter, Isabelle Fussell Ewing was married to Pfc. John Eastburn McVaugh, Jr., son of Mr. and Mrs. John E. McVaugh, of Riverton.

Miss Nancy Smith of Swarthmore, was Maid of Honor, Miss Elizabeth Hughes and Miss Katherine Steele were bridesmaids, Miss Carol Jean Knight, daughter of Mr. and Mrs. Charles W. Knight, of Riverton, was flower girl.

Mr. Knight served as best man for his brother-in-law. The bride's brothers, George Newlin Ewing and John T. Ewing were ushers.

The bride and groom left immediately for Amarillo, Texas, where they will visit the groom's brother, Corp. Edwin S. McVaugh and his wife.

From Amarillo they plan a short trip to New Mexico after which they will make their home in Nevada, Missouri, where Pfc. McVaugh is stationed.

DONALD GARWOOD IS EAGLE SCOUT
Scout Donald Garwood, Troop 50, Riverton, recently was awarded the rank of Eagle Scout at a County Board of Review held in the Boy Scout Office in Moorestown. Scout

Garwood, upon becoming an Eagle Scout, has received the highest award in Scouting. He has been a Scout for three years and attended Camp Lenape, the Burlington County Council Boy Scout Camp, the past two summers. Last year he was elected to the Order of the Arrow, a national honorary camp society, to which only outstanding campers may be elected. Only approximately one out of every 100 Boy Scouts ever reach the rank of Eagle Scout.

Other Scouts who appeared at the County Board of Review and their advancements are: Warren Horton, Troop 2, Riverside, Star Scout; Harry W. Fry, Troop 12, Mt. Holly, Life Scout; Charles H. Rose, Troop 13, Bordertown, Eagle Gold Palm; Joseph W. MacMichael, Jr., Troop 29,

Maple Shade, Life Scout; and Robert Lundstedt and Robert Stuart, Troop 50, Star Scouts.

PALMYRA SOLDIER

WINS BRONZE STAR
Corp. Paul Chandler, son of Mrs. Ida Chandler, 724 Pennsylvania avenue, Palmyra, has been awarded the Bronze Star medal for meritorious service in France. He served as a

radio operator and driver for his battery commander in addition to his regular assignment as scout during the D-Day assault on Normandy.

The citation praises his "commendable manner in the performance of his duties, exhibiting exceptional

technical skill and perseverance and proving his resourcefulness on several occasions."

Chandler is now in Germany. He has two brothers in the service, Addison, in the Coast Guard, and George, in the Navy.

A COMPARISON FROM THE 1944 ANNUAL REPORT OF
THE NEW JERSEY BELL TELEPHONE COMPANY

1939

1944

In 1939, before war clouds broke, 734,000 telephones were in use in New Jersey, and this Company received for its services about 50 million dollars—\$50,456,965 to be exact.

In 1944, war-busy telephones totaled nearly 960,000, and revenues were proportionately larger. The Company received for its services \$74,341,184—which meant

Operating Revenues Up 47%

To Serve You, in 1939, there were 11,297 New Jersey Bell Telephone men and women throughout the state, and they earned \$23,059,655.

To Serve You, in 1944, the number of telephone people increased 28%—to 14,470...and their earnings increased to \$35,184,461. In other words

Payroll Increased 53%

Operating Costs, including taxes, salaries and everything needed to give you good service in 1939 totaled \$41,197,831.

Operating Costs, (including taxes which have more than doubled) increased in 1944 to \$67,285,362. This means

Operating Expenses Up 63%

The Result, in '39, was a net income of \$9,366,810, which represented an earning of 6 1/2 cents for every dollar invested.

The Result, in '44: Although operating revenue increased, as shown above, net income decreased to \$7,088,544. Only 4 1/2 cents was earned on each dollar invested...

Net Income Down 24%

Your Telephone Company has not profited by the war.
Earnings, low in peace time, are still lower in this war period.

PALMYRA SOLDIER

WINS BRONZE STAR
Corp. Paul Chandler, son of Mrs. Ida Chandler, 724 Pennsylvania avenue, Palmyra, has been awarded the Bronze Star medal for meritorious service in France. He served as a

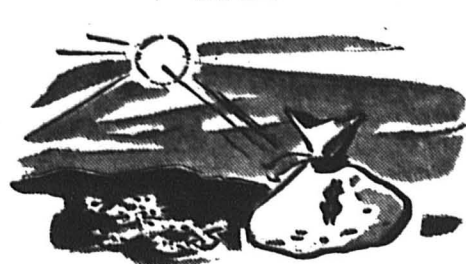

radio operator and driver for his battery commander in addition to his regular assignment as scout during the D-Day assault on Normandy. The citation praises his "commendable manner in the performance of his duties, exhibiting exceptional

technical skill and perseverance and proving his resourcefulness on several occasions." Chandler is now in Germany. He has two brothers in the service, Addison, in the Coast Guard, and George, in the Navy.

A year of Peace... ...and a year of War

A COMPARISON FROM THE 1944 ANNUAL REPORT OF
THE NEW JERSEY BELL TELEPHONE COMPANY

1939

In 1939, before war clouds broke, 734,000 telephones were in use in New Jersey, and this Company received for its services about 50 million dollars—\$50,456,965 to be exact.

1944

In 1944, war-busy telephones totaled nearly 960,000, and revenues were proportionately larger. The Company received for its services \$74,341,184—which meant

Operating Revenues Up 47%

To Serve You, in 1939, there were 11,297 New Jersey Bell Telephone men and women throughout the state, and they earned \$23,059,655.

To Serve You, in 1944, the number of telephone people increased 28%—to 14,470... and their earnings increased to \$35,184,461. In other words

Payroll Increased 53%

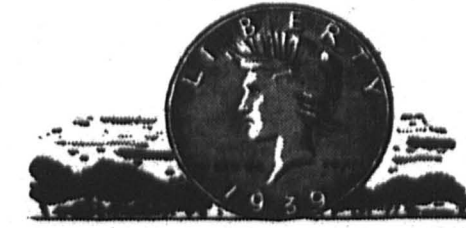

Operating Costs, including taxes, salaries and everything needed to give you good service in 1939 totaled \$41,197,831.

Operating Costs, (including taxes which were more than doubled) increased in 1944 to \$67,285,362. This means

Operating Expenses Up 63%

The Result, in '39, was a net income of \$9,366,810, which represented an earning of 6 1/2 cents for every dollar invested.

The Result, in '44: Although operating revenue increased, as shown above, net income decreased to \$7,088,544. Only 4 1/2 cents was earned on each dollar invested...

Net Income Down 24%

Your Telephone Company has not profited by the war.
Earnings, low in peace time, are still lower in this war period.

NEW JERSEY BELL TELEPHONE COMPANY

GETS COMMISSION

Stuart B. Clark, 22, son of Commander and Mrs. Stuart B. Clark, Golf Road, Riverton, was commissioned a second lieutenant and received the silver pilot's wings of the Army Air Forces today at the Altus (Okla.) Army Air Field.

From this advanced 2-engine pilot training school of the AAF Central Flying Training Command, with headquarters at Randolph Field, Tex., he will go to further advanced training at a multi-engine bomber or fighter school, or to the Central Instructors' School at Randolph Field.

After completing his advanced course he will be ready to carry the air attack over enemy territory, or return as an instructor to an advanced school.

All things whatsoever ye would that men should do to you, do ye even so to them.—Matthew 23:23
Do not make things comfortable for yourself in such a way as to make them uncomfortable for others.—Chinese Proverb.

Can Never Be
Reduced To A Pattern

When a Loved One passes away no perfunctory, standardized service can express the family's love and respect.

No Ready-Made Funeral, rendered in a matter-of-course fashion, can ever take the place of a conscientiously planned and personally directed service—one that especially meets a family's particular requirements.

Whatever Price the family chooses to pay, it receives the unrestricted benefits of our knowledge, experience and modern equipment.

AMERICAN GENIUS AT WORK

100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts... seems to presage the arrival of that period when human improvement must end."

His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown.

The future holds many more. And America's 16,000 banks are ready to meet the credit needs of competent individuals and firms that will bring us the new and improved products to enjoy.

ABOUT TOWN

Mr. and Mrs. James F. Dobbin and children have returned to their home, 410 Thomas avenue, Riverton, after spending the winter in Brookline with relatives.

Charles Elwell, son of Mr. and Mrs. Francis E. Elwell, 308 Main street, Riverton, is at home for the spring recess from The Choate School, Wallingford, Conn. Charles won his letter in Wrestling. He returns to school April 4th.

Mrs. A. G. Bush, 201 Main street, Riverton, has returned from spending several weeks in Mobile, Alabama.

The many friends of Miss Anne Leary, 616 Main street, Riverton, will be glad to know that she is recovering rapidly from an appendectomy at the Eubank Memorial Hospital, Riverside.

Mr. and Mrs. S. R. Laslochy and Mr. and Mrs. R. D. Laslochy, Mill Farm, Burlington Pike, attended the presentation ceremonies

at Bordentown Military Institute Sunday afternoon where a Posthumous Award, the Silver Star, conferred upon Second Lieut. Emory E. Laslochy, was formally presented to his brother, Cadet Russell Laslochy, who is enrolled at Bordentown.

L. T. G. L. DURGIN
LIBERATED FROM
GERMAN CAMP

Lt. George L. Durgin, 26 years old, who has been a Prisoner of War in the hands of the Germans since February 15, 1943, has now been liberated according to official notification received by his wife, the former Virginia M. Tees, of 303 West Broad street, Palmyra.

Lt. Durgin, who was in the Armored Division and the leader of a tank platoon, was taken prisoner at Faid Pass, Tunisia, North Africa. He was one of the very earliest prisoners of war to be captured from this section and is among the first to have been released.

WINNERS IN A.A.U. MEET SATURDAY
Palmyra High School's track stars, facing the stiffest possible competi-

tion, gained second place for New Jersey Schools in the A.A.U. meet held last Saturday in Convention Hall, Camden. Trenton Central won the title.

Sample, of the Red and White, won the shotgun while McAnulty took honors in the high hurdles. The freshman relay team also won its event, but this did not figure in the scoring.

SAVE WASTE FAT

Burlington County's 25,629 families can fill an entire day's medicine chest with 9, 573 bottles of camellia oil. If each home will save one tablespoon of waste when fried, it will save 25,629 gallons of waste. It will also contribute to the health of the state's single collector of this vital waste material.

"There are few direct ways a wife, mother or daughter can help safeguard the life of a loved one at the fighting front, and salvaging used cooking fats is one of them," said T. A. Conners, head of the Great Atlantic and Pacific Tea Company's national meat department. "The value of the 9 1/2, 128,000 pounds salvaged by our customers throughout the nation last year is evident in the fact that a six pound of fat will process about 260 quarts of life-giving plasma."

The increased tempo of the war has intensified the need for drugs, ointments and acids to ease pain and lessen mortality among our soldiers as well as for synthetic rubber, protective coatings and other vital materials in which waste has figured. Common sense pointed out that if, instead, the GFA has conserved for each of the millions of rationed items, and of millions of tons in its stores.

"The importance of used fats in the manufacture of the implements of war and of thousands of products for the home front is widely recognized," he said. "But little is known of the miracles being worked by military medicine with the aid of converted fats.

"The importance of the contribution that women, in making their contribution to this salvage drive, may take added satisfaction from the knowledge that used fat will help make enough maulpox vaccine for 3½ injections for 100 soldiers. (Other vital medications for the household are saved and produced in the same manner.)

Parker. A Church Nursery is con-
ducted during the morning worship
service enabling parents of young
children to attend the service. Su-
pervisors this Sunday will be Mrs.
Robert Read and her daughter, Ruth.
The Church School will celebrate
the Day of Palms in all the depart-
ments. There is a class under the
competent leadership for every age
group. The Methodist Youth Fel-
lowship will meet at 7 o'clock.
The Church Calendar for Holy
Week is as follows:

Wednesday at 3:45—Chancel Choir
Rehearsal.
Wednesday at 8:00—Service of
Worship in the Sanctuary.
Wednesday at 9:00—Those who
will join the church on Easter Sun-
day will meet with the Pastor in the
Chapel.

Maundy Thursday at 8:00—The
Holy Communion Service.
Good Friday from 1:30 until 3:00—
Devotional Service.

The Altar Flowers last Sunday
were given in memory of Mr. Joseph
H. Smith by Mrs. Grace Chambers.
The Sacrament of Holy Baptism

was administered last Sunday after-
noon to Mr. and Mrs. George B.

PROCLAMATION

At the request of the Riverton Honor Roll Committee, the Mayor of
Riverton has been asked to issue a proclamation setting aside the next
two weeks—March 18th to March 31st—as Riverton Honor Roll Weeks.

During these two weeks, the members of the Riverton Honor Roll
Committee plan to make a door to door canvass of the borough for the
purpose of collecting as many contributions from the residents as is pos-
sible.

The is a perfectly worthwhile project and merits the heartiest endorse-
ment of every resident in order to permit the Committee to complete the
Honor Roll and all of its decorations at Broad and Main Streets as prompt-
ly as possible.

A meeting of the Committee is scheduled for next Friday evening,
March 16, at 8:00 p.m., at the Riverton Golf and Country Club and is
expected to be well attended.

Get behind this movement!

WILLIAM W. COOK JR.
GETS AIR MEDAL

For meritorious service in aerial
combat against Germany Sgt. Wil-
liam W. Cook, Jr., of Riverton, has
been awarded the Air Medal. He is
an aerial gunner in a Ninth Air
Force light bombardment group in
France.

His unit, the 410th Light Bom-
bardment Group, played an impor-
tant role in the tactical air operations
which helped defeat the Germans in
the "Battle of the Bulge."

Operating in direct cooperation
with the Allied armies, the 410th has
dealt crippling blows against Nazi
supply lines and communication cen-
ters just behind the German lines—
harassing the enemy and blocking his
movement of supplies and reinforce-
ments to the front.

Prior to his entrance into the
Army in March, 1943, Sgt. Cook was
employed by the Pennsylvania Rail-
road. His parents, Mr. and Mrs.
William W. Cook, Sr., reside at 405
Howard street, Riverton.

GET CAR LICENSES!

Motor Vehicle Commissioner Arthur W. Magee today cautioned motorists that only a few days remain in which to renew their car and driver's licenses for the year 1945 before the deadline, at midnight, March 31.

LIONS CLUB WILL AID BLIND PEOPLE

In the near future, the Palmyra-Riverton Lions Club will inaugurate a sale of special stamps, the proceeds from which will be devoted to the aid of blind veterans and civilians.

These stamps come in sheets of 100 and cost \$1.00 per sheet. Each member of the club will have an allotment to sell and it is hoped that the public will cooperate generously.

BLOOD DONORS

Today, plasma voluntary donated through the Red Cross is saving the lives of thousands of wounded soldiers and sailors. The Red Cross needs volunteer donors. On April 18 and 19 a unit from the Blood Donor Center in Philadelphia will be in the Central Baptist Church, Palmyra, to serve the riverfront towns.

Anyone in good health from 21 to 60 weighing 110 pounds or more, and from 18 to 21 with the written consent of parent or guardian can donate. Those 18 to 21 must present a signed parental release form supplied by the Blood Donor Service. Have you made your appointment? Call Riverton 1046 or 0398. Don't let this opportunity go by. A pint of blood is so little to give to those who are giving their all for us.

BIBLE FILMS FOR CHURCH SCHOOL CHILDREN

Beginning Sunday, March 25, Church School children of Christ Episcopal Church, Riverton, will be shown a series of Bible films.

The films are part of a religious education. This modern method of teaching is being sponsored by the Parish Club as one of the first constructive moves in carrying out the club's purpose—to further the acceptance of religious training by the children of the Church School.

Several members will devote their time to the showing of these films which it is hoped will become a permanent part of the Church School curriculum.

The first picture will be in full technicolor and will depict important episodes in the Life of Christ. The showing will take about 20 minutes of the session and the balance of the time will be devoted to discussion of the film and regular class work.

SERIES OF FIRES

Local firemen had a busy week-end there being a number of calls for the companies in this section, most of them being for fires of the grass and field variety. Apparatus from Riverton, Palmyra, East Riverton and Parry saw action on one or more occasions.

There was damage at only two of the blazes, one location being in East Riverton where a chicken house was destroyed Sunday afternoon and the other at the Denecker farm, in Cinnaminson, where a field fire ruined a grape vineyard shortly after noon the same day.

Year has fallen below that of 1944 and the Commissioner feels that unless there is a sizeable increase in appearances in the immediate future the closing days of the month will see long lines at the agency windows.

Every agency is equipped to handle the increase in March business and is spread equitably through the month. Extra clerical help has been engaged and everywhere the business has been handled with a minimum of delay.

"However, if too many motorists put off their appearances until the last minute, that is the last week of the month, even this extra help will be unable to cope with the situation and there will be delays and long lines," warned the Commissioner.

Owners who drive after midnight, March 31 with 1944 plates and driver's licenses are subject to heavy penalties.

Honor Roll Drive

Following Mayor Sylvester's Proclamation of the last two weeks of March, as Honor Roll Days in Riverton, teams of public spirited citizens were swift in organizing themselves as collectors to work with the joint Citizens and Veterans Committee in bringing the structure to a swift completion.

Each team of collectors has been supplied with stickers for the front door or window of every home contributing to the Honor Roll and it is the expectation of the committee that by Easter there will not be a home or business house in the entire town which will not display this symbol of cooperation.

At the organization meeting of team captains, many undisclosed details regarding the structure were released. The base of the Honor Roll was adapted from the insignia of the Army Air Force and includes a platform and rostrum for future public speakers in the event that the structure is used for patriotic gatherings.

All of this part of structure is in harmony with other proportions while the entire Honor Roll has been adapted from plans recommended by former Mayor Biddle.

The arched portion is taken from the home of Thomas Jefferson and the names of all Riverton's men and women in the service will appear in the window beneath the arch. In the space directly above the window, a granite block bearing the name of the town will be set as soon as it is received from the artist now cutting it. This same man, when pressure is applied, will also supply a replica of the western hemisphere to top off the construction in the now vacant crown at the top.

264 In Service

Research by a committee appointed by the Riverton Memorial Post shows that at the present time Riverton has in the service approximately 264 of its citizens. One hundred and forty-two individually hand lettered panels are now ready for insertion in the completed Honor Roll. Of these, three names of those killed in the service have been lettered in black and gold and will occupy a special place in the window. Information on 79 veterans has not been obtained by the Committee, but it is hoped that this data will be forthcoming soon.

At a suitable time after the conclusion of the war, it is proposed that present window be replaced by a granite block cut in the shape of an open book—Riverton's pages in the history of the United States—and on these pages be inscribed, in permanent form, the name of every resident of Riverton who has seen active service in the armed forces of the nation during any war in which the country has engaged.

Landscaping around the Honor Roll was renewed last week and as soon as it is completed, the committee expects a construction crew from the Pennsylvania railroad will work on that section of the plot which the firm of J. T. Evans Co. has advised the committee that they, too, expect to begin work beautifying the background for the Honor Roll and otherwise improving their grounds and buildings adjoining the structure.

Every effort has been made by the committee to give each home in Riverton an opportunity to contribute to the Honor Roll which pays such a splendid tribute to our young people now in uniform. If, by any chance, anyone is overlooked by a collector, they are asked to send their gifts to Herbert Evans, treasurer, who will see that a sticker is delivered to the home in question.

The Y.M.C.A. held its meeting at the Riverton Ball Park March 20. We had a hot dog roast, played a few games, then adjourned the meeting.

WHAT LABOR WANTS

"Management can only give Labor what it wants when workers have been encouraged to see Management's viewpoint. When employer and employee each sees the other's viewpoint and the other's problems, there can be harmony."

This was the conclusion presented by Henry G. Naisby, speaking last Thursday evening to the local Rotary Club on the subject of "Labor-Management Relationships."

He illustrated the validity of his conclusions by the experience of the well-known Lincoln Electric Company of Cleveland, Ohio. This company prides itself on having a satisfactory answer to the labor-management problem. It pays its workers an average salary of \$5,400; encourages incentive awards and produces its unit at a cost of seven thousand man-hours as compared with twenty-eight thousand man-hours for other similar concerns.

Mr. Naisby set forth the following as "the wants of labor": Above average pay; benefit of all for all (that is, management and labor should benefit mutually from each other's efficiency and initiative); co-operation between labor and management; efficiency of the highest type; expediency (Lincoln Electric encourages the "question box" for all workers, and payment for acceptable suggestions is made within a period of two weeks); fairness but firmness on the part of management; group benefit associations, such as life insurance for all workers and adequate health insurance; healthy government relations (the workers who are sympathetic to management and understand its problems do not want government interference or unfair government restrictions on management.)

Incentive Wanted

Labor also wants incentives, but only when the employees can trust the employer. Labor wants individualism; that is, the rewarding of the individual for special ability or special suggestions that advance efficiency, and the elimination of the old and unfair standard of seniority apart from ability. That harmony may exist, labor wants plenty of information and just one good boss. These are the wants that the management of Lincoln Electric has satisfied to the mutual advantage of both labor and management. There are no strikes at this plant, nor is there any unionization.

Preceding the main address of the evening, Ensign Harry Grooms, pilot of a "Helicat" spoke briefly on his flying experiences over the China Sea, French Indo-China, Iwo Jima, Formosa, and other parts of the Pacific area. Other guests and visitors were Lt. Ted Hunt, pilot of a B-17; Sgt. William Ross; Robert Atley, a Kiwanian from Dover, Delaware; William Thompson, a War Food Administrator; and Russell Rivers, of Riverton, who spoke briefly in the

MANY DISTINGUISHED MEN IN V.F.W.

From its earliest days the Veterans of Foreign Wars of the United States has numbered among its founders and leaders many of the nation's most distinguished military figures. These including Brigadier General Irving Hale, who was cited for gallantry in the offensive against Manila which resulted in its capture August 13th, 1898. Another Commander-in-Chief was General Arthur MacArthur, father of General Douglas MacArthur.

There was General Charles King, one of only three Regular Army officers who served in the Civil War and the Spanish-American War and World War I, Commander in Chief of the Army of the Philippines in 1903-1904; General Francis Greene, General Wilder S. Metcalf, Colonel Arthur S. Frost, Colonel Charles L. Jewett, Major Will S. White, Major P. H. J. Farrell and Captain H. A. Crow all with distinguished careers in the nation's military history.

The V.F.W. will hold its monthly meeting in the Riverton Fire House Sunday afternoon, March 25. Officers will be nominated and elected for 1944-45 term.

Election to membership for those making application before this date at this meeting.

Other matters will be discussed and plans for future activities considered.

Eligible veterans should consult with Edward S. Faunce, Lewis C. Clelland, Charles E. Austin, Marlin L. Krasche, Frank E. Jones, Albert S. Dilks, Atee B. Donaghy, Thomas H. Wilkins, Jr., Robert W. Deuter, Erich E. Velteneimer and William W. Cook for Charter Membership.

MEMBERSHIP DRIVE DINNER OF THE PARISH CLUB

A large number of reservations for the Membership Drive Dinner on Wednesday, April 11, have been reported by various members of the Parish Club. It was hoped this event would be instrumental in nearly doubling the present membership of over 100 and at present this looks probable.

A turkey dinner with all the "fixins" will be served, followed by an evening of door prize awards, and variety entertainment including old time movies from the silent days. The price of the dinner-entertainment is \$1.25 per plate.

The dinner is exclusively for members and those interested in joining this fast growing organization. Those who have not already been invited by a member may make reservations by calling Mrs. Edward C. Hofflich, Sr., Riverton 1089, co-president of the club, who is in charge of tickets and table arrangements. All reservations should be in early to insure a place as facilities are limited. Membership privileges will probably be closed for the balance of the current year following the Membership Drive Dinner.

Interests of the Palmyra Boy Scout Troop.
The Rotary speaker next week will be Sudduth Hunt, well known radio commentator and lecturer, who will speak on the subject of "America's Responsibility."

A man may have authority over others, but he can never have their heart, except by giving his own. —W. Wilson.

GET CAR LICENSES!

Motor Vehicle Commissioner Arthur W. Magee today cautioned motorists that only a few days remain in which to renew their car and driver's licenses for the year 1945 before the deadline, at midnight, March 31.

LIONS CLUB WILL AID BLIND PEOPLE

In the near future, the Palmyra-Riverton Lions Club will inaugurate a sale of special stamps, the proceeds from which will be devoted to the aid of blind veterans and civilians.

These stamps come in sheets of 100 and cost \$1.00 per sheet. Each member of the club will have an allotment to sell and it is hoped that the public will cooperate generously.

BLOOD DONORS

Today, plasma voluntary donated through the Red Cross is saving the lives of thousands of wounded soldiers and sailors. The Red Cross needs volunteer donors. On April 18 and 19 a unit from the Blood Donor Center in Philadelphia will be in the Central Baptist Church, Palmyra, to serve the riverfront towns.

Anyone in good health from 21 to 60 weighing 110 pounds or more, and from 18 to 21 with the written consent of parent or guardian can donate. Those 18 to 21 must present a signed parental release form supplied by the Blood Donor Service. Have you made your appointment? Call Riverton 1046 or 0398. Don't let this opportunity go by. A pint of blood is so little to give to those who are giving their all for us.

BIBLE FILMS FOR CHURCH SCHOOL CHILDREN

Beginning Sunday, March 25, Church School children of Christ Episcopal Church, Riverton, will be shown an interesting series of Bible films on subjects as part of their religious education. This modern method of teaching is being sponsored by the Parish Club as one of the first constructive moves in carrying out the club's purposes—to further the acceptance of religious training by the children of the Church School. Several members will devote their time to the showing of these films which it is hoped will become a permanent part of the Church School curriculum.

The first picture will be in full technicolor and will depict important episodes in the Life of Christ. The showing will take about 20 minutes of the session and the balance of the time will be devoted to discussion of the film and regular class work.

SERIES OF FIRES

Local firemen had a busy week-end there being a number of calls for the companies in this section, most of them being for fires of the grass and field variety. Apparatus from Riverton, Palmyra, East Riverton and Parry saw action on one or more occasions.

There was damage at only two of the blazes, one location being in East Riverton where a chicken house was destroyed Sunday afternoon and the other at the Demmeler farm, in Cinnaminson, where a field fire ruined a grape vineyard shortly after noon the same day.

year has fallen below that of 1944 and the Commissioner feels that unless there is a sizeable increase in appearances in the immediate future the closing days of the month will see long lines at the agency windows. Every agency is equipped to handle the increase in March business provided it is spread equitably through the month. Extra clerical help has been engaged and everywhere the business has been handled with a minimum of delay.

"However, if too many motorists put off their appearances until the last minute, that is the last week of the month, even this extra help will be unable to cope with the situation and there will be delays and long lines," warned the Commissioner. "Owners who drive after midnight, March 31 with 1944 plates and drivers' licenses are subject to heavy penalties."

Honor Roll Drive

Following Mayor Sylvester's Proclamation of the last two weeks of March, as Honor Roll Days in Riverton, teams of public spirited citizens were swift in organizing themselves as collectors to work with the joint Citizens and Veterans Committee in bringing the structure to a swift completion.

Each team of collectors has been supplied with stickers for the front door or window of every home contributing to the Honor Roll and it is the expectation of the committee that by Easter there will not be a home or business house in the entire town which will not display this symbol of cooperation.

At the organization meeting of team captains, many undisclosed details regarding the structure were released. The base of the Honor Roll was adapted from the insignia of the Army Air Force and includes a platform and rostrum for future public speakers in the event that the structure is used for patriotic gatherings. All of this part of structure is in harmony with other proportions while the entire Honor Roll has been adapted from plans recommended by former Mayor Biddle.

The arched portion is taken from the home of Thomas Jefferson and the names of all of Riverton's men and women in the service will appear in the window beneath the arch. In the space directly above the window, a granite block bearing the name of the town will be set as soon as it is received from the artist now cutting it. This same man, when pressure is applied, will also supply a replica of the western hemisphere to top off the construction in the now vacant crown at the top.

264 In Service

Research by a committee appointed by the Riverton Memorial Post shows that at the present time Riverton has in the service approximately 264 of its citizens. One hundred and forty-two individually hand lettered panels are now ready for insertion in the completed Honor Roll. Of these, three names of those killed in the service have been lettered in black and gold and will occupy a special place in the window. Information on 79 veterans has not been obtained by the Committee, but it is hoped that this data will be forthcoming soon.

At a suitable time after the conclusion of the war, it is proposed that present window be replaced by a granite block cut in the shape of an open book—Riverton's pages in the history of the United States—and on these pages be inscribed, in permanent form, the names of every resident of Riverton who has seen active service in the armed forces of the nation during any war in which the country has engaged.

Landscaping around the Honor Roll was renewed last week and as it is completed, the committee expects a construction crew from the Pennsylvania railroad will work on that section of the plot which the company has agreed to beautify. The firm of J. T. Evans Co. has advised the committee that they, too, expect to begin work beautifying the background for the Honor Roll and otherwise improving their grounds and buildings adjoining the structure.

Every effort has been made by the committee to give each home in Riverton an opportunity to pay such a splendid tribute to our young people now in uniform. If, by any chance, anyone is overlooked by a collector, they are asked to send their gifts to Herbert Evans, treasurer, who will see that a sticker is delivered to the home in question.

The Y.M.C.A. held its meeting at the Riverton Ball Park 26. We had a hot dog roast, played a few games, then adjourned the meeting.

WHAT LABOR WANTS

"Management can only give Labor what it wants when workers have been encouraged to see Management's viewpoint. When employer and employee each sees the other's viewpoint and the other's problems, there can be harmony."

This was the conclusion presented by Henry G. Naisby, speaking last Thursday evening to the local Rotary Club on the subject of "Labor-Management Relationships." He illustrated the validity of his conclusions by the experience of the well-known Lincoln Electric Company of Cleveland, Ohio. This company came to have a satisfactory answer to the labor-management problem. It pays its workers an average salary of \$5,400; encourages incentive awards and produces its unit at a cost of seven thousand man-hours as compared with twenty-eight thousand man-hours for other similar concerns.

Mr. Naisby set forth the following as "the wants of labor": Above average pay; benefit of all for all (that is, management and labor should benefit mutually from each other's efficiency and inventive genius); cooperation between labor and management; efficiency of the highest type; expediency (Lincoln Electric encourages the "question box" for all workers, and payment for acceptable suggestions is made within a period of two weeks); fairness but firmness on the part of management; group benefit associations, such as life insurance for all workers and adequate health assurance; healthy government relations (the workers who are sympathetic to management and understand its problems do not want government interference or unfair government restrictions on management.)

Incentive Wanted

Labor also wants incentives, but only when the employees can trust the employer. Labor wants individualism; that is, the rewarding of an individual for special ability or special suggestions. The advance official suggestions, the elimination of the old and unfair standard of seniority apart from ability. That harmony may exist, labor wants plenty of information and just one good boss!

These are the wants that the management of Lincoln Electric has satisfied to the mutual advantage of both labor and management. There are no strikes at this plant, nor is there any unionization.

Preceding the main address of the evening, Ensign Harry Grooms, pilot of a "Helicot" spoke briefly on his flying experiences over the China Sea, French Indo-China, two Juna, Samoa, and other parts of the Pacific zone. Other guests and visitors were Lt. Ted Hunt, pilot of a B-17; Sgt. William Ross; Robert Atley, a Kiwi from Dover, Delaware; William Thompson, a War Food Administrator; and Russell Rivers, of Riverton, who spoke briefly in the

MANY DISTINGUISHED MEN IN V.F.W.

From its earliest days the Veterans of Foreign Wars of the United States has numbered among its founders and leaders many of the nation's most distinguished military figures. These include Brigadier General Irving Hale, who was cited for gallantry in the offensive against Manila which resulted in its capture August 13th, 1898. Another Commander-in-Chief was General Arthur MacArthur, father of General Douglas MacArthur.

There was General Charles King, one of only three Regular Army officers who served in the Civil War and the Spanish-American War and the World War I, Commander in Chief of the Army of the Philippines in 1903-1904; General Francis Greene, General Wilder S. Metcalf, Colonel Arthur S. Frost, Colonel Charles L. Jewett, Major Will S. White, Major P. H. J. Farrell and Captain H. A. Crow all with distinguished careers in the nation's military history.

The V.F.W. will hold its monthly meeting in the Riverton Fire House Sunday afternoon, March 25. Officers will be nominated and elected for 1945-46 term.

Election to membership for those making application before this date at this meeting. Other matters will be discussed and plans for future activities considered.

Eligible veterans should consult with Edward S. Faunce, Lewis C. Clelland, Charles R. Austin, Marlin L. Kracke, Frank E. Jones, Albert S. Dilks, Altee B. Donaghy, Thomas H. Wilkins, Jr., Robert W. Deuter, Erich E. Vetterheimer and William W. Cook for Charter Membership.

MEMBERSHIP DRIVE DINNER OF THE PARISH CLUB

A large number of reservations for the Membership Drive Dinner on Wednesday, April 11, have been reported by various members of the Parish Club. It was hoped this event would be instrumental in nearly doubling the present membership of over 100 and at present this looks probable.

A turkey dinner with all the "fixings" will be served, followed by an evening of door prize awards, and variety entertainment including old time movies from the silent days. The price of the dinner-entertainment is \$1.25 per plate.

The dinner is exclusively for members and those interested in joining this fast growing organization. Those who have not already been invited by a member may make reservations by calling Mrs. Edward C. Hofflich, Sr., Riverton 1089, co-president of the club, who is in charge of tickets and table arrangements. All reservations should be in early to insure a place as facilities are limited. Membership privileges will probably be closed for the balance of the current year following the Membership Drive Dinner.

Interests of the Palmyra Boy Scout Troop. The Rotary speaker next week will be Sudduth Hart, well known radio commentator and lecturer, who will speak on the subject of "America's Responsibility."

Love
and
Respect

Can Never Be
Reduced To A Pattern

When a Loved One passes away no perfect standardized service can express the family's love and respect.

No Ready-Made Funeral, rendered in a matter-of-course fashion, can ever take the place of a conscientiously planned and personally directed service—one that especially meets a family's particular requirements.

Whatever Price the family chooses to pay, it receives the unrestricted benefits of our knowledge, experience and modern equipment.

AMERICAN GENIUS AT WORK

100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts . . . seems to presage the arrival of that period when human improvement must end."

His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown.

The future holds many more. And America's 16,000 banks are ready to meet the credit needs of competent individuals and firms that will bring us the new and improved products to enjoy.

NEW JERSEY BELL TELEPHONE COMPANY

At the meeting of the Palmyra-Riverton Lions Club held on Tuesday night of this week, the speaker was Paul Musso, of the Kickhefer Container Corp., who stressed the need of salvaging waste paper. He complimented the workers in Palmyra and Riverton for their efforts in scrap paper collection and urged that the good work continue.

Following his talk, a movie was shown by the courtesy of Mr. Musso which depicted the complete scope of an actual large scale bombing operation over Germany. Those present agreed that it surpassed anything in this category that they had ever seen.

step was to buy \$25 or \$50 jalopies and obtain title certificates. After junking the jalopies, the certificates would be altered to correspond with descriptions of the stolen cars. Finally, the stolen cars would be sold in Southern and Western black markets.

THE HEADLIGHT HOG
Headlight glare again takes first position in highway hazards, according to Keystone Automobile Club, which warned drivers their own safety, as well as the safety of other highway users, demands use of the lower beam when approaching opposing traffic, either on streets or the open road.

"In recent weeks," said Edward P. Curran, Safety Director of the Club, "our own observations and those of motorists who have complained to us indicate there is a growing carelessness on the part of vehicle operators in the matter of headlight use."

"Blinding glare from upper beam lights assaults drivers everywhere, making it impossible to see pedestrians in the streets or along highways and rendering it extremely difficult to keep to the road."

"Some operators use the upper beam through carelessness or thoughtlessness, but in other cases the practice seems to be deliberate. Refusal of an operator to drop to the lower beam after an approaching driver has accorded this courtesy is an indication of unfriendliness for the driving privilege, because every holder of an operator's license should understand the vital relationship between visibility and highway safety."

"If for no other reason, the operator should use the lower beam for his own safety, because he never knows when a temporarily blinded fellow motorist may run into him, writing 'finis' to the chapter on road discourtesy."

"Incidentally, the laws of most States require use of the lower beam under the circumstances mentioned, but enforcement is difficult. The matter really is in the hands of the individual operator, who can contribute to the pleasure and safety of night driving by showing consideration for his fellows."

NOTICE
New Era Office Hours
The New Era office hours are as follows:
Monday - Friday:
8 a.m. to 12 noon.
1 p.m. to 5 p.m.
Saturday:
9 a.m. to 12 noon.
Please do not call at any other time. We are NOT open evenings or Saturday afternoons.

The morning worship service begins at 11 a.m. Next Sunday morning the Pastor will conduct a worship service (and Congregational meeting at Moorestown. In his absence the service of Presbytery, the pulpit will be occupied by the Pastor of the Moorestown Presbyterian Church, Dr. J. Shackelford Daury. As part of morning worship the Calvary Choir will render the anthem, "Still, Still With Thee," by Neidinger, and a trio will render Attwood's arrangement of the sacred number, "Teach Me, O Lord." Mrs. Murray M. Kirkpatrick will supervise the Church Nursery during the hour of morning worship.

The class of instruction for Young Communicants will be held in the Manse on Sunday at 5:15 p.m.

At 6:15 the Junior C. E. will meet with Mrs. DeCoursey and Miss Eval in the Junior Department room. Junior Choir rehearsal will follow at 6:45 under the direction of Mr. Farrow.

The Men's Bible Class will conduct the worship service in the Sanctuary at 7:15 o'clock.

At 7:30 o'clock the Sunday evening group will meet as follows: The Senior C. E. will meet in the Junior Department room. A program entitled "Why Bother About Religion," and arranged in the form of a court trial will be presented by Sam Wargny; Jean MacDaid and Ruth Mason, with other members of the Senior group assisting.

The Men's Bible Class and the Semper Fidelis Bible Class will meet in the North Transient for the study of the International S. S. Lesson. A. D. McFall will teach, and a cordial invitation is extended to all adults of the Calvary Church family and their friends to attend this Sunday evening fellowship of Bible study.

The Westminster Guild, for girls of post High School age, will meet in the Manse with Mrs. Stewart as sponsor.

The March meeting of the Good Fellowship Club is scheduled for Friday evening, March 16, in the Social Hall of the church. The committee on arrangements announces that a program entitled "The Old Family Album" will be presented. Following the presentation of the program refreshments will be served. The time of meeting has been set for 8:15 p.m. For reservations members should call Yost, Riv. 0051-M or Williams, Riv. 0938.

Alfred Van Osten, director of music at the Calvary Church, announces that the Calvary Choir, assisted by members of the other church choirs of Riverton and Palmyra, and by two well-known guest soloists, Harry L. Martin and Edgar S. Martin, will present Stainer's "Crucifixion" on the evening of Tuesday, March 27, at 8:15 o'clock. The choir will consist of approximately 50 trained voices.

LOCK CARS
"Lock your car," warns the Keystone Automobile Club, in a bulletin declaring that the increase in automobile thefts is, in some degree at least, attributable to the ease with which thieves can get away with motor vehicles.

In a high percentage of thefts reported to police along the Eastern Seaboard, it developed that motorists not only failed to lock car doors, but actually invited theft by leaving keys in the ignition.

Some thefts are the work of youthful joy-riders, who seize the opportunity of an unlocked car "borrowing" the vehicle for a ride, but others are the operation of professional thieves who do an interstate business in stolen automobiles. From members of a thieves' ring recently cornered by police, the methods and extent of the ring were revealed. The plan has been to steal cars in one state, take them into another where motor and serial numbers were changed and bodies repainted. Next

"KEYS OF THE KINGDOM" AT THE BROADWAY

Friday and Saturday, March 16-17, A. J. Cronin's famous story comes to the Broadway. "The Keys of the Kingdom" surpasses the success of his former triumph, "The Citadel" and the superb cast makes this new screen play an almost living symbol of a divine faith. Gregory Peck, Thomas Mitchell, Roddy McDowell, Vincent Price and many other notables are only a few of the artists who make "Keys of the Kingdom" a memorable event.

CALVARY PRESBYTERIAN CHURCH
The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.
Riverton, N. J.

For each one of us the observance of the Lord's Day ought to begin when we open our eyes to the beauty of a new day, and immediately seek God's blessing and companionship for the journey of that day. It ought to begin with a prayer, but before the day is over it ought to have taken us to the Word of God, to the House of God, and to the fellowship of the people of God.

Our church is open and waiting to receive you each Sunday morning at 9:45. Members of the Junior Choir should be present not later than 9:50, so that they may be ready to lead the praise in the Church School assembly which convenes at 9:55 a.m. All church school students should be in their places at 9:55, so that Bible study classes may convene promptly at 10:10. Church School, with Bible study classes for all ages, groups from 2 to 18, and with a special Bible Class, is dismissed at

budget, so as to further provide: "Nothing in this act shall be construed to change or affect in any way the payment or the amount of payment of moneys now or heretofore made under any items designated in former State highway appropriation acts as 'Mandatory dedications' or the payment or amount of payment of any moneys into or out of any dedicated fund."

Quoting from the Governor's statement concerning said bill: "This bill in no way, shape, form, or manner diverts one dollar from the Highway Fund. The bill simply provides for a modern bookkeeping system, and any appropriations dedicated to road funds will automatically be so distributed. This bill neither adds to nor takes away any highway money used for road purposes, and diversion of highway money remains a legislative function as it has been heretofore."

This bill will not in any way preclude or prevent the State of New Jersey from participating in post war

"Substance" is the Lesson-Sermon
subject for Sunday, March 18.
Golden Text: "For ever, O Lord,
thy word is settled in heaven." (Ps.
119:89)

Whatever is unjust is contrary to
the divine will; and from this it fol-
lows that no true and abiding hap-
piness can be gained by those who
are unjust.—Stretch.

Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"As God is substance and man is
the divine image and likeness, man
should wish for, and in reality has,
only the substance of good, the sub-
stance of Spirit, not matter." (p. 301)

YMCA BRIEFS

William H. Douglas, Executive
Director of YMCA Camps Oc-
nison and Matolonequay, spoke to
the leaders of the Burlington County
YMCA clubs who attended the Lead-
ership training dinner meeting at the
Broad St. Methodist Church, Bur-
lington, last Thursday evening. Ste-
wart S. Brush, Chairman of the Group
Work and Leadership Training Com-
mittee presided and the Devotional
period was led by Clifford W. Er-
good, Executive Secretary of the
YMCA. Mr. Douglas, who later
attended the work groups held after
the main part of the meeting, told
the leaders that programs must be
made for the boys rather than boys
for the program.

The committee members and lead-
ers present besides Mr. Brush were
Dr. J. F. Moreland and Wilbur Hen-
ry of Florence; Vincent Consolo and
David Griscorn of Marlton; Irving
Workman and C. Dixon Heyer of
Moorestown; Timothy Johnson of
Riverton; Lawrence Coolbaugh of

PALMYRA B. & L.

HONORARY SECRETARY

At the annual meeting of the Pal-
myra Building & Loan Association,
held on Monday evening, March 5,
Frank L. Dargin rounded out 25
years as its Secretary. In honor of
the occasion, the directors, following
the meeting gave him a fine testi-
monial. President Clarence T.
Verkes, who presided, called upon
the Solicitor, Joseph S. Low, who
retraced the years in which Mr. Dur-
gin held the office of Secretary. In
reminiscent, he eulogized the Sec-
retary for the capable manner and
his inextinguishable efforts in keeping
the records of the Association. This,

he stated, has been the cause of in-
numerable commendations by the
State Department of Banking and
Insurance and the Federal Home
Loan Bank of New York of which
the Association is a member.

Mr. Low also emphasized the fact
that through the conservative nature
of Mr. Dargin, many methods and
practices of management which have
been followed by the Association
were introduced by Mr. Dargin and
have naturally been reflected in the
financial and numerical growth that
Palmyra Building & Loan Associa-
tion enjoys.

In concluding his remarks, Mr.
Low, in behalf of the Association,
presented Mr. Dargin with a suitable
gift and offered the following Reso-
lution which was unanimously adopt-
ed:

Whereas, on March 1st, 1920,
Frank L. Dargin was elected Sec-
retary of the Palmyra Building &
Loan Association of Palmyra, New
Jersey; and

Whereas, Frank L. Dargin has
served in this office continuously for
the past twenty-five years and ren-
dered a distinguished service to the
Association and community;

Therefore, be it resolved by this
Association and each Director there-
of, that the untiring efforts of Frank
L. Dargin, his stimulating influence,
loyalty in his endeavor, and his fine
contribution to the success of this
Association be graciously recognized,
and as a token of appreciation, that
he be presented with a suitable gift;

And Be It Further Resolved, that
this Resolution be spread upon the
minutes of this Association and
copies sent to the New Jersey Build-
ing & Loan League, the Federal
Home Loan Bank of New York, and
the Department of Banking and In-
surance of the State of New Jersey.

FOOD STORE SURVEY

Price Panel Assistants of South
Jersey's thirty-five War Price and
Rationing Boards are now engaged
in making the first anniversary sur-
vey of the 2500 food stores in the
area. A 100 percent store check will
be made during the anniversary sur-
vey. The first 100 percent food store

survey was made last March.
The regular visits to stores by
Price Panel Assistants have been
largely responsible for holding food
prices down to one level during the
past year. Last March 34 percent
of South Jersey food stores were
found in violation.

In a recent statement, Price Ad-
ministrator Chester Bowles revealed
that food is being sold at prices over
ceiling in about 27 percent of the
stores. This indicates that we have
made no definite strides in our at-
tempt to solve the basic problem of
overcharges on food.

To Be Called In
Proprietors of all stores found in
violation will be called before Price
Panels of their local Board for com-
pliance conferences. This action is
necessary not only for the protection
of the public but also for the pro-
tection of the big majority of honest,
patriotic grocers and meat men who
support price control.

We wish to pay tribute to the pa-
triotic service rendered by Price
Panel Assistants. They are volun-
teers who under the direction of the
Price Panel go out into the stores
to distribute informational material,
to help the retailer understand his
support in price control and to sur-
vey compliance. They also check
compliance.

To overcome all wrong, it must
become unreal to us; and it is good
to know that wrong has no divine
authority; therefore man is its mas-
ter.—Mary Baker Eddy.

What Have You Done Today?

Please don't let up on saving waste paper, but double
your efforts. Lack of manpower, poor transportation, and
general weather conditions have seriously hampered paper
mill production.

Paper is still No. 1 on the critical list. Our boys are
being fed out of paper—receive their ammunition in paper
—and blood plasma, packed in paper, is saving their lives.
Keep up your work. Save paper for your regular collec-
tions, give it to school children, or call a dealer.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.
Riverton, N. J.

Next Sunday will be a day of rededication for all members and adherents of the Calvary Presbyterian Church. It will be a day on which we shall all seek to strengthen and make secure two of the silken cords by which we may be lifted up from the valley of despair and loneliness to the clear, pure atmosphere of God's loving purpose. It will be the day when, as a Christian family we shall seek to strengthen the silken cords of Christian Stewardship and Christian Fellowship.

Our Every Member Visitation will be completed between the hours of 2 and 6 p.m. on the afternoon of Sunday, March 4. In the morning, we shall all meet together for our family worship at 11 a.m. In concluding the brief series of sermons on "Our Human Tragedy," that have already viewed the subject "According to Man," "According to God," and "According to the Church Universal," the whole matter will be brought to a personal focus when it is considered in the light of the local or individual church. The sermon topic will be "Our Human Tragedy and the Generous Church."

As part of morning worship, the choir will render the anthem, "Consider And Hear Me," by Harker. For the convenience of parents desiring to worship together, children will be cared for in the Church Nursery by Mrs. Edward Fisher.

Church School convenes Sunday at 9:55 a.m. The assembly meditation will be a message from the events of the life of Jesus on Tuesday of Passion Week.

Sunday Evening
The Junior C. E. will meet at 6:15 with Mrs. DeCoursey and Miss Evans. Junior choir rehearsal follows at 6:45 with Mr. Farrow directing.

The evening devotional in the

Sanctuary at 7:15 will be conducted by the Pastor.

The Men's Bible Class and the Senior Fidelity Class will meet together in the North Transept following the evening devotional. A. D. McFall will teach. It is hoped that the excellent attendance of last Sunday evening will be maintained or surpassed.

ing with the Church at work in Latin America will constitute the program of the Senior Christian Endeavor group.

The Westminster Guild will meet at the Manse with Mrs. Stewart.

The monthly meeting of the Session will be held at the Manse, Tuesday evening, March 6, at 8 o'clock.

For a detailed announcement of the meeting on Wednesday evening to be addressed by Mr. Silliman of the Philippines see another page of this issue.

For those who are free on Thursday evening, March 1, a visit to the Arch Street Church, 18th and Arch, Philadelphia, is recommended. On that evening, at 8 o'clock, Dr. Emile Calles, noted scholar, and regarded by many as the world's leading authority on Pascal, will deliver a lecture on "Naturalism and the Christian Faith." This lecture will be given under the auspices of the McCarty Lectureship for the Defense of the Faith. No card of admission is required.

100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts... seems to preface the arrival of that period when human improvement must end."

His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown.

The future holds many more. And America's 16,000 banks are ready to meet the credit needs of competent individuals and firms that will bring us the new and improved products to enjoy.

ABOUT TOWN

Miss Margaret J. Heister, Main street, Riverton, returned home Friday, after spending seven weeks at La Osa Beach and Santa Barbara, California, and Mexico City, Mexico, where she was a guest of Mr. Edmund S. Holmes, formerly of Riverton, and his daughter.

A most delightful dinner was given Saturday evening at the home of Mr. and Mrs. Thomas Wood, Sr., Burlington Pike, in honor of Mrs. Wood's birthday. She was very happy to receive a Birthday Cablegram from her son, Sgt. Thomas W. Wood, Jr., who is serving in the Armed Forces overseas.

Andrew J. Pfaff, son of Mr. and Mrs. Andrew Pfaff, Elm avenue, Riverton, received his commission as Ensign, N.R.O.T.C., last Friday, at Duke University.

Arthur B. Waters, Jr. of Howard street, Riverton, has been promoted from Corporal to Sergeant according to word received by his wife, Mrs.

Elie S. Waters. Sergeant Waters has been overseas for two years and is at present stationed in Italy with the Army Air Force.

Mr. and Mrs. Samuel Van Sant, Jr., who won \$100,000 in a contest seven years ago are now living on their own farm in New Hampshire, according to an article which appeared Sunday in a metropolitan newspaper. Mr. Van Sant is the brother of Paul Van Sant, of Palmyra.

The Palmyra Junior Woman's Club will meet Monday evening, March 5th, at 8:15 in the club room. Miss Marion Fort, chairman of the Literature department will be in charge.

On Wednesday, March 7, there will be a sewing meeting at ten o'clock in The Riverton Christ Church Parish House. Bring a box luncheon. At 2:30 the regular meeting of St. Ann's Guild will be held.

Private Roy B. Heister, Jr., 410 Midway, Riverton, completed on February 17, the prescribed course of training in the Infantry Replacement Center, Camp Blanding, Fla.,

and is specially qualified for heavy weapons. Private Heister is now visiting his family for one week before proceeding to Fort Ord, California.

Red Cross Surgical Dressing room in Public School will open Tuesday, March 4, from 9:30 a.m. to 4:00 p.m. and each week thereafter. A different type of dressing will be made and these will be used exclusively at Fort Dix at Tilton Hospital.

COOK PROMOTED

William W. Cook, Jr., 20, a Riverton aerial gunner with the 410th Light Bomber Group, was recently promoted to sergeant. Flying with the "Raider" group in A-20 Havocs, Sergeant Cook is currently participating in a program of

tactical air co-ordination with Allied ground forces fighting on the western border of Germany.

His parents, Mr. and Mrs. William W. Cook, Sr., reside at 406 Howard street, Riverton.

BIRTH

Mr. and Mrs. Anthony Carugno, 508 W. Broad street, Palmyra, are receiving congratulations on the birth of a son, Nicholas, February 22 in the Zurburg Memorial Hospital, Riverside.

Mrs. Carugno is the former Virginia Blada, and is the popular proprietress of The Virginia Shop on Cinnaminson street, Palmyra.

To those leaning on the sustaining infinite, today is big with blessings. —Mary Baker Eddy.

Mrs. Thomas Veitenheimer, 209 Howard street, entertained at a shower on Friday, February 23, in honor of Miss Peggy Naisby, Parry avenue, Palmyra, whose engagement to Lt. Marcy Lippincott, U.S.A., has been announced.

There were thirty guests present from Riverton, Palmyra, Franklin, N. J., Montclair, N. J., and Narberth, Pa.

THE RED CROSS
Red as the blood of our heroes so brave,
Red as the blood we at home give to save
The lives of our dear ones on battle fields dear—
This is the Red Cross all people revere.

Out in the desert, or where the snows fall,
There Red Cross workers are always on call;
Gladly they answer with no thought of loss,
For they serve the white flag with the brilliant Red Cross.

So give all you can when the call comes for aid,
Keep giving and giving until your debt's paid
To the banner of service all over the world—
The white flag with the Red Cross that never is furled.

ANNA W. BELKNAP.

LOCAL CLERKS MUST SECURE G.I. ADDRESSES
Municipal Clerks of communities in Burlington county met at the Court House in Mount Holly recently in a session called by County Clerk Raymond Johnson for instructions in the methods to be used in securing correct addresses of service men and women to whom absentee ballots will be mailed for use in the June 12 primary election.

A recent change made in the election law by the State legislature places the responsibility for the absolute correctness of service persons' addresses squarely upon the municipal clerks. Johnson informed those attending the meeting.

Close to 9,000 addresses used to mail absentee ballots to persons in the services for the November election were photostated at a cost of approximately \$170. Johnson said, and certified photostatic copies of those addresses were given each municipal clerk at the meeting. These addresses must be checked by the various clerks, who must return the

corrected addresses to the County Clerk in time for mailing out ballots for the primary election.
Johnson said he hopes to be able to begin mailing out the service ballots by April 14, and will continue to mail them out up until five days before the June 12 primary election day.

In Riverton, Daniel M. Clifton, borough clerk, is mailing reply postals to the families of men and women who are in the service. He asks that these be filled out and returned to him promptly.
If you have someone in the service and do not receive one of these cards by March 15, please notify Mr. Clifton at once.

What Have You Done Today?

Please don't let up on saving waste paper, but double your efforts. Lack of manpower, poor transportation, and general weather conditions have seriously hampered paper mill production.

Paper is still No. 1 on the critical list. Our boys are being fed out of paper—receive their ammunition in paper—and blood plasma, packed in paper, is saving their lives. Keep up your work. Save paper for your regular collections, give it to school children, or call a dealer.

The Rev. William Neal Raver
Pastor

Services of worship for the Third Sunday in Lent will be held in Epworth Church at 11 a.m. and 7:45.

In the morning service the Sacrament of Holy Communion will be administered. In the evening the minister will speak on the theme "The Beloved Disciple." Ministry of music will be by the Chancel and Senior Choirs under the direction of Mrs. Rachel Lord. Anthems to be sung include "Bread of Holy Heaven" by Frank, "Jesu, Friend of Sinners" by Dickinson. Miss Virginia Miles will be heard in a soprano solo.

A Church Nursery is conducted during the morning worship service. Mrs. James Ballantyne and Miss Joan Schill will be the supervisors. The Church School convenes at 9:45 with departments for every age group. You are cordially invited to bring your children and attend one of the fine adult Bible classes.

The Church Board of Education under the supervision of Forrest MacCorkle will meet at 3 o'clock Sunday afternoon in the Guild Room. The Youth Fellowship will meet at 7 o'clock.

The Church Calendar for the week of March 4th is as follows:

Tuesday at 8 — Official Board Meeting in the Guild Room.

Wednesday at 12:30 — Woman's Society Luncheon to which all the ladies of the church are invited — 50 cents a plate. The regular meeting of the Society will follow the luncheon with Mrs. Robert Snow presiding and Miss Ruth Wolf, returned missionary from Algiers as the speaker.

Wednesday at 3:30 — Pastor's Confirmation Class.

Wednesday at 3:45 — Chancel Choir Rehearsal.

Wednesday at 8 — Community Lenten Service in Epworth Church. Rev. George T. Miller will be the preacher.

Church Notices

Wednesday at 9 — Senior Choir Rehearsal.

Thursday at 8 — Meeting of the Methodist Men in the Fellowship Room with Senator Arthur Lewis as the guest speaker. An invitation is extended to all the men of the church to be present at this meeting.

Sunday, March 11th — The Sacrament of Holy Baptism will be observed. Parents desiring this Sacrament for their children are asked to consult with the minister.

In the evening service of March 11th at 7:45 in the Church Temple the motion picture with sound "The Power of God" will be presented.

The Altar Flowers last Sunday were given in memory of Mrs. F. L. Jewett by Mr. and Mrs. Milton E. Jewett and Gladys.

Sunday, March 4, 1945

There are songs we sing time and time again because we like the tune. The words are beautiful too, but not until we have had some misfortune or disappointment do they strike us with force and meaning.

One hymn, "My Faith Looks Up to Thee," was written by Ray Palmer during a time of deep loneliness and sickness. He did not write it for the purpose of using it as a hymn but it was an outpouring of his soul to God as a means of assurance in his utter despondency. Later it was discovered by one who was making up a new hymnal. From that day to

THE NEW ERA, THURSDAY, MARCH 1, 1945

PRICE FIVE CENTS

LADIES' NIGHT AT ROTARY CLUB

With one hundred and twenty-six in attendance, members of the local Rotary Club, their wives and guests, enjoyed last week the annual Ladies' Night of that organization. A well balanced program of entertainment followed dinner at the Porch Club. Charles T. Woolston headed the committee which planned and directed the program of the evening and which included J. W. Van Horn, Donald M. Patterson, George T. Becton and Maurice F. Joyce and Mrs. Joyce.

Emmor Roberts, District Governor of Rotary and Mrs. Roberts with George Durgin, President of the Camden Club and Mrs. Durgin, were guests of honor introduced by President Harry B. Williams. Mr. Roberts made a brief talk outlining the place Rotary should hold in every community.

C. P. Mayfield spoke on the founding of the local club, pointing out that February 23, 1936, the date its charter was given, was the 21st anniversary of the founding of the first Rotary Club. The Riverton-Palmyra Club was the third to be organized in Burlington County and was the 2,228th club in the international organization now numbering well over 5,000 clubs.

Charter Members

There are in the Club now five members who were among the charter members: Luke K. Eberly, Joseph S. Low, Dr. Charles S. Mills, Henry C. Schwering and Harry B. Williams, now president of the Club. Dr. Mills had the distinction of being the first president. Two members of the club are sons of charter members: Robert J. Finney and Charles T. Woolston.

Entertainment features of the evening included the Philadelphia Quartette, which in three separate groups of songs provided most enjoyable music of exceptionally high quality. Harry Brown, magician, who added clairvoyance to a clever assortment of magical tricks, and monologist John Devlin, with a refreshing repertoire of new stories. The program was closed with the awarding of door prizes to eight of the ladies.

NEW WASTE PAPER DRIVE

The War Production Board has asked the Boy Scouts of America to collect 150,000 tons of waste paper between March 1st and April 30th.

In last year's waste paper campaign the Boy Scouts were asked to collect 100,000 tons and they came through. Now the call is for 150,000 tons and therefore much greater effort is required. Stepped-up offensives in the Pacific and Europe have placed our war material requirements at an all time peak. Our armed forces are pressing the attack relentlessly. In the face of this our most acute war material shortage at home remains waste paper. The efforts of the Boy Scouts in the past have helped to keep up our pressure on the enemy. Now their efforts at collecting waste paper are needed more than ever in a great, two-month, nationwide campaign—The Boy Scout-General Eisenhower Waste Paper Campaign.

All Kinds Needed

In the war effort all kinds of paper are used to make, wrap or tag the thousands of items sent to our armed forces. Waste paper is the raw material of blood plasma boxes, supply parachutes, helmet linings, shell and ration containers, etc.

The Scouts of the Riverton Troop No. 50 have been doing a fine job collecting paper. However, in this new crisis more paper must be collected than in the past. During March and April The Riverton Troop is called upon to collect a minimum of 25,000 lbs. of paper—this is an increase of 40 percent.

The Scouts are asking the people of Riverton to help more than ever. Every house should have a bundle of papers at the curb early Saturday

THE PORCH CLUB

The regular monthly business meeting of the Porch Club will be held on Tuesday, March 6th, 2:30 p.m.

Following the business meeting, Mrs. Harold Warner, chairman of American Home Department, will present Miss Elsie Cane, who will lecture on and show a display of George Jensen's silver.

This collection is well known as Mr. Jensen is an outstanding silversmith and has a large store on Fifth Avenue, New York, where his original patterns are shown.

This program will be most interesting and lovers of fine silver should not fail to attend the meeting.

SGT. YEARLY GETS HONORABLE DISCHARGE

Sgt. Joseph L. Yearly, Jr., husband of Mrs. Adele Yearly, and son of Mr. and Mrs. Joseph F. Yearly, Sr., 500 Cinnaminson street, Riverton, has been honorably discharged, for reasons of physical disability, from the United States Army at AAF Regional and Convalescent Hospital, Miami District.

Sgt. Yearly served with the AAF, and was awarded the Good Conduct Medal for exemplary behavior. Prior to his induction in October, 1942, he was employed at the post office in Riverton.

He is a graduate of Palmyra High School.

SACRED HEART P.T.A.

The regular monthly meeting of the Sacred Heart Parent Teachers Association will be held in the school hall Thursday evening, March 8, at 8 p.m.

The school children of the 5th, 6th, 7th and 8th grades will entertain.

Parents come out for this enjoyable evening and help your child win the attendance banner.

The executive meeting will take place at 7:30 p.m.

CINNAMINSON P.T.A.

Cinnaminson School will celebrate P.T.A. Founders Day, Wednesday evening, March 7, at 8 o'clock, in the School Auditorium.

The Cinnaminson Glee Club will sing and a chorus from Delanco will be heard. The Safety Patrol will give a report on their activities.

Mrs. Crossley, of Moorestown, will discuss P.T.A. problems.

Refreshments will be served followed by music and dancing. Busses will run.

NOTICE

Dr. J. Rowland Dey, osteopathic physician, has resumed practice at his office, 419 Linden avenue, Riverton.

For appointments telephone Riverton 0930.

morning. The Borough is divided into routes and the route to be collected each Saturday will be announced in the paper. Folders will be distributed to the homes from which paper will be collected each week.

Where there are large amounts of paper to be removed phone either of the following: Scoutmaster D. E. Tuttle at Riverton 0762-W or Troop Committeeman Albert Farrow at Riverton 0043.

RED CROSS WAR FUND

ARE YOU READY?

A collector will be at your home this Thursday, Friday, Saturday or Sunday, March 1-4.

Your Red Cross faces the greatest task in history—give now—give more.

The local Red Cross office for Riverton-Cinnaminson in the Collins Building will be open, with a staff assistant in charge, each day from 10:00 a.m. to 4:00 p.m., on Thursday, Friday, Saturday of this week and Monday of next week, for collections and reports. All workers please report to captains Sunday and captains please bring returns to Red Cross rooms Monday morning.

The quota of this year's Red Cross War Fund Drive for Riverton and Cinnaminson is \$10,035. The goal was reached last year and Mrs. Edward C. Hughes, chairman of the Drive, is confident that the quota will be reached again this year in the four day push drive.

MISS McDONELL ELECTED HIGH SCHOOL PRINCIPAL

Mr. Kreps Vice-Principal

At a recent meeting of the Palmyra Board of Education, Miss C. Elizabeth McDonell was elected High School Principal and Melvin H. Kreps was elected Vice-Principal in charge of Guidance work, to become effective July 1, 1945.

Miss McDonell has coordinated the Guidance work in the school until this time. Mr. Kreps will do some of this work along with his work as Coordinator in industry and business.

Miss McDonell comes well-prepared to act as High School Principal. She has been a teacher and Director of Guidance in the Palmyra Public Schools since 1923. She has also had experience in Grade School work and secretarial work.

She thoroughly understands the problems of high school youth and is well-known in this community and sending districts. During her service in Palmyra Schools she has always been willing to lend a hand in solving any community or school problems.

Miss McDonell's educational background prepares her unusually well for the position of High School Principal. She graduated from Lebanon, Pa., High School, Keystone State Teachers College in Pennsylvania, and the Pierce School of Business Administration, Philadelphia. She received a Bachelor of Science degree from the University of Pennsylvania and a Master of Science degree from Columbia University. She has also done graduate work at Temple University.

Outstanding Record

Mr. Kreps is very well-known in the community as a teacher and coach. His Track teams have been so unusual that they have been awarded the State Championship of New Jersey for the last three years. Mr. Kreps has proved himself to be a valuable member of the faculty and a friend of the students.

INFORMATION ON INCOME TAX

The Bureau of Internal Revenue has arranged to have their local Representatives appear at the following points for the purpose of rendering advice and assistance to taxpayers, in the preparation of 1944 Income Tax returns:

Schedule

March 10. Post Office, Riverton.
March 9. 1st National Bank, Riverside.
March 6. Burlington County Trust Co., Moorestown.

Mulford Decorated

For heroic actions in treating and evacuating wounded men under heavy fire on the flaming beaches of Saipan, Lt. William P. Mulford, (MC) USN, 31, of Riverton, was presented with the Bronze Star Medal recently in ceremonies at the Naval Air Station here. The presentation was made by Commodore L. T. Hundt, USN, Commander, Naval Air Training Bases.

Lt. Mulford, who was wounded himself at Saipan on June 16, 1944, was cited "for heroic achievement in action against the enemy while serving as medical officer of a Marine infantry battalion on Saipan on 15 and 16 June, 1944. While under constant enemy artillery and mortar fire, with utter disregard for his personal safety, Lt. Mulford constantly exposed himself to danger to treat and evacuate casualties from the beach.

Very Hazardous

His untiring efforts for a period of about 36 hours in which he worked under the most hazardous and difficult conditions was responsible for saving the lives of many men... and contributed to the fighting spirit of the entire battalion."

Lt. Mulford, a graduate of the University of Virginia School of Medicine with the class of 1939, was attached to the Fourth Marine Division at Saipan, one of the two divisions that made the first assault on Iwo Jima. He also saw action, in the Marshall Islands and at Tinian.

Now under instructions in the School of Aviation Medicine here, Lt. Mulford is the son of Mrs. E. R. Mulford, 100 E. Broad street, Burlington. His wife is the former Charlotte Parry, of Riverton, daughter of Mrs. Edwin S. Parry, 622 Thomas avenue, Riverton.

MRS. CECILIA A. KELLY

Mrs. Cecelia A. Kelly, died suddenly February 27, 1945, at her home, 404 Fourth street, Riverton. Funeral services will be held Saturday at 10 o'clock. Solemn Requiem Mass at The Sacred Heart Church, The Rev. William F. Quinn officiating.

Friends may call Friday evening at her late residence. Surviving are her daughter, Mrs. Elizabeth Wallace, Riverton, and a sister, Mrs. Mary Candida, of California.

CARD OF THANKS

I wish to thank my many friends for their kind expressions of sympathy and their floral tributes during my recent bereavement.

MRS. FRANCES LONG

Mr. Kreps graduated from Harrisburg Technical High School, and State Teachers College, at Shippensburg, Pa., from which institution he received a B. S. degree in Education. He was awarded an M. S. degree from Temple University. He has taken graduate work at Pennsylvania State College and Rutgers.

Before Mr. Kreps came to Palmyra he had experience in Pennsylvania as teacher and coach. He has also had considerable experience in camp work.

For the past few summers Mr. Kreps has acted as employment supervisor at Campbell's Soup Company.

Both Miss McDonell and Mr. Kreps will begin their new positions with the advantage of an excellent educational background and experience in many lines of work.

RETIREMENT OF SCHOOL PRINCIPAL

At a recent Board of Education meeting Miss Veva M. Brower, principal of the Palmyra High School, announced her retirement to take effect June 30, 1945.

Miss Brower has had a long and varied experience in the Palmyra Public Schools. In 1908 she came to Palmyra as a Commercial teacher. She continued in this capacity and was named as teaching-principal in 1910. In 1928 she was named as full-time High School Principal and she has continued in that capacity until now.

Besides this experience in the local schools, Miss Brower taught in the public schools of Seaford, Delaware, for several years.

Miss Brower was born in Michigan and graduated from Northwestern University at Evanston, Illinois, and has taken graduate work at Cornell University and the University of Virginia.

Enviably Record

During her principalship in Palmyra High School hundreds of students have graduated from this institution and they remember Miss Brower as their teacher, friend, adviser, and principal. During this period of years Miss Brower has always given unstintingly of her time and energy to make Palmyra High School an institution of which the community can be proud.

There has never been a time that she has not been willing and eager to cooperate with the student body in doing well all the worthwhile activities of the school. Miss Brower is always on the job and her first interest is the high school. The people of this community will regret Miss Brower's retirement, but they will wish her the best of a well-earned vacation.

DOG LICENSES

Residents of Cinnaminson Township are reminded that they must register their dogs AT ONCE. Tags can be obtained from Cecil Bowers, Route 25, Parry.

TYPISTS NEEDED

Typists are badly needed at the Red Cross Chapter House in Burlington, Mrs. Raymond E. Barnes of Palmyra, County Chairman of the Staff Assistance Corps announced this week.

Mrs. Barnes and Mrs. Paul Arnold of Delanco, Vice-Chairman of the Corps, work several days each, weekly, at the Chapter House, copying committee and corps reports and letters from County chairmen to the twenty-one Branches and fourteen Auxiliaries. They have a few typists who come in regularly to help them, but need many more, as both of them not infrequently are at their typewriters until far into the night. As the pace of the war increases and as more and more veterans and wives and widows of servicemen bring their problems to the Home Service department, there is more and more correspondence to be handled by the staff assistants, which formerly could be done almost entirely by Miss Elizabeth Ridley, of Riverton, secretary to Miss Mildred Walton of Moorestown, Home Service director. There are voluminous stacks of letters to Washington and to Red Cross Field Directors with the troops overseas.

Anyone in the county who can type and is willing to give one or more days a week at the Chapter House may telephone Mrs. Barnes at her home any evening—Riverton 0357-W, or the Chapter House in the daytime—Burlington 557, or drop her a card at the Red Cross Chapter House, 446 High Street, Burlington.

Build today, then, strong and sure,
With a firm and ample base;
And ascending and secure
Shall tomorrow find its place.
—Longfellow.

LOCAL V.F.W. POST
INSTITUTED SUNDAY
With an impressive and solemn ceremony conducted by Joseph Mead, Department Junior Vice Commander of New Jersey, Veterans of Foreign Wars of the United States, the Tri-Borough Post No. 1931, V.F.W., of Riverton, Cinnaminson and Palmyra, was instituted in the Riverton Fire House Sunday, February 25.

After the ceremony of institution the Post Officers elected at a meeting held earlier in the day, were installed. William W. Cook, Sr., as Commander; Albert S. Dika, Senior Vice Commander; Robert W. Deut, Junior Vice Commander; Edward B. Faunce, Quartermaster-Adjutant; Chas. R. Austin, Chaplain; Adie B. Donaghy, Judge Advocate; Marius Kracke, Erich E. Veitenheimer, Thomas H. Wilkins, Trustees.

Dept. Jr. Vice Commander Mead was assisted by County Commander Llewellyn, Asst. Deputy Chief of Staff Oschman, and District Commander Lee W. Higgins.

Membership buttons were presented at this time to 16 members of the new Post, and to the parents of Irwin Pierce Booth, MM 2-c, and Sergeant William W. Cook, Jr., A.A.F. in absentia.

When these services were concluded, the Dept. Vice Commander presented the gavel and turned the meeting over to Commander Cook.

Fifty three guests were present representing Mercer, Camden and Burlington County Councils V.F.W. and Posts from Trenton, Mt. Holly, Burlington, Riverside, Maple Shade, Camden and Philadelphia.

Speakers
Inspiring and informative talks were given by Howard Ross, Post Department Commander, Edward E. Oschman, Deputy Chief of Staff, Lee W. Higgins, District Commander, William E. Bucken, Commander Camden County Council, V.F.W., William Llewellyn, Commander Burlington County Council, V.F.W., Joseph Lovendanski, Commander Scully-Bosarth Post, Burlington, Samuel French, Supt. of Burial and Graves, and County Service Officer, Mrs. Lee W. Higgins, Past President Ladies Auxiliary, Trenton. Mrs. Worth, Past President, Ladies Auxiliary, Trenton. Mrs. Holland Auxiliary, Trenton. Mrs. Denby, Commander William Denby, William Denby, Moorestown. American Legion Lovendanski of the Scully-Bosarth Post, Burlington, at the conclusion of his talk presented the Commander of the new Post with a check for \$25 with the best wishes and congratulations of the officers and members of his Post to the officers and members of the Tri-Borough Post No. 1931, V.F.W. This gift was received with a vote of appreciation by the local members.

Dept. Jr. Vice Comm. Mead was the speaker of the day.

The guests and Post members then enjoyed a buffet supper served by the house committee of the Post and Riverton Fire Company. During this period applications were received from several World War I veterans and four from World War 2.

The regular meeting of the Post is held every fourth Sunday afternoon of the month in the Riverton Fire House.

SPEAKS ON LIFE
IN THE PHILIPPINES
Robert Silliman, recently returned from the Philippines after living for a time with the Filipino people, will speak at the Calvary Presbyterian Church Wednesday March 7.

Mr. Silliman, who was head of the History Department of the Silliman Institute at Damaguet, Philippines, in 1941 when war broke out, and who was also President of the Damaguet Rotary Club at that time, is a speaker of exceptional ability. Thoroughly cognizant of the educational problems, needs, progress, and opportunities of the Christian approach in all educational ventures, he thoroughly steeped in that first indispensable—genuine friendship for the people of the islands, Mr. Silliman is thoroughly able to bring to his hearers, not only an adequate and scholarly interpretation, but a fascinating and colorful picture of life in the Philippines out of 18 years' vital experience.

The speaker is brought to Riverton by the Women's Missionary Society of the Calvary Church. All missionary circles, including the regular group, have cancelled their regular meetings that they may attend the speaker's message will be of particular interest to men.

Following the service there will be a period of fellowship in the Social Hall to which all who attend will be welcomed.

LEEDOM-POWELL
The marriage of Miss Thekla Ruth Powell, daughter of Mr. and

Mrs. Clifford W. Powell, of 6085 Walnut avenue, Merchantville, and Tech. Sgt. Kenneth W. Leedom, USA, son of Mr. and Mrs. Miles Leedom, of Pomona avenue, East Rutherford, took place Saturday afternoon, at a four o'clock ceremony, in Epworth Methodist Church, Palmyra, with the Rev. W. Neal Raver, pastor of the church officiating.

The bride, who was given in marriage by her father, had chosen a gown of traditional white satin, the bodice fashioned with a square neckline and long sleeves ending in points over the hands. The skirt extended into a long train and her fingertip veil of net was held by clusters of white flowers. She carried an old fashioned bouquet of white roses.

Miss Roberta Leedom, sister of the bridegroom, as maid of honor and the bride's only attendant, appeared in a pink taffeta frock, designed with a V neckline, bracelet sleeves and full skirt. She wore a tiara of matching flowers, arranged with a brief veil, and pink rosettes comprised her old fashioned bouquet.

Mr. Herbert Leedom served as best man for his brother and Mr. John Chambers, of Cape May Court-house, a cousin of the bride, and Mr. Norman Curdian, of Merchantville, uncle of the bride, ushered. Following a reception, Sergeant Leedom and his bride left for a honeymoon, after which he will report to Atlantic City. The bridegroom recently returned from three years' service in Australia and New Guinea.

Grow old along with me.
The best is yet to be.
—Browning.

McCurdy Decorated

Second Lieutenant Robert G. McCurdy, 615 Elm terrace, Riverton, navigator on a B-17 Flying Fortress, has been awarded a third Oak Leaf Cluster to his Air Medal for "exceptionally meritorious achievement" while participating in sustained bomber combat operations over enemy occupied continental Europe, it was announced by the Commanding General of the Eighth Air Force.

The citation accompanying the award read in part: "The courage, skill and display by this officer upon these occasions reflect great credit upon himself and the Armed Forces of the United States."

He has flown on some of the Eighth Air Force's roughest missions over Germany, including Berlin, Merseburg, Stuttgart, Mannheim and Nurnberg. Other successful bombing assaults credited to Lt. McCurdy are those in the Ruhr Valley area where marshaling yards, bridges, and other lines of communication have been knocked out by our heavy bombers in coordination with the advances made by the U. S. Ground troops near the battle line. Expert navigation on the part of Lt. McCurdy and his fellow navigators have helped to save the life of a fighting man? You might have, if you had become a Blood Donor.

A Blood Donor Unit will be in the Central Baptist Church, Palmyra, for your appointment NOW. Call the chairman, Mrs. Harry Kuny, 1046 or vice chairman Mrs. Arthur Burns, 0398.

The wounded need you. A pint of blood is a small price to pay to save a life.

BLOOD DONORS
As you read the Casualty Lists stop and think. Could you have helped to save the life of a fighting man? You might have, if you had become a Blood Donor.

A Blood Donor Unit will be in the Central Baptist Church, Palmyra, for your appointment NOW. Call the chairman, Mrs. Harry Kuny, 1046 or vice chairman Mrs. Arthur Burns, 0398.

HAVE YOUR PAPERS
READY FOR SCOUTS
The Boy Scout-General Eisenhower or Scout Paper Drive, inaugurated by the W.P.B., is off to a good start in Riverton.

The community is divided into three sections. Each section is circumscribed before the Saturday collection. The New Era carries an announcement as to which locality will be covered each week. Look for your circular and watch for the notice in The New Era so you will know when to have your paper ready.

The Scouts are doing all they can to "get in the scrap." The rest is up to the people of Riverton. If the Scouts have to go into your house to get your paper, it takes up time that could be spent collecting material placed at the curb. Please tie your paper and place it where it can be seen from the street, better still, place it at the curb.

Collections on the last two Saturdays have been better than average but they were not large enough to meet the quota set for the March-April drive. This campaign is most important to the war effort. Hundreds of items essential to the armed forces, both in actual fighting and in caring for the injured, are made from the scrap paper that you save.

The Riverton Scouts have been enthusiastic about scrap collections for the past year and a half. To add to their enthusiasm the W.P.B. is awarding a General Dwight D. Eisenhower Medal to all Scouts who collect over 1000 pounds of paper during March and April. In addition the Scout Troops who collect an average of 1000 pounds of paper per Scout will receive a shell case from the battlefield inscribed with a message from General Eisenhower.

The Scouts are doing their part—how about YOU? Every house should have a bundle of paper ready.

DINER ROBBED
The Empire Diner, Five Points, Parry, was entered recently when the place was closed, and a number of articles taken.

Mrs. Follen and Chief Clerk Val. were taken.

Five things are requisite to a good dinner—ability, clean hands, clean dishes, clean conscience, and clean

SPONSORS AUXILIARY
The first organization meeting of Frederick M. Rodgers Post 156, Women's Auxiliary, was held at the Legion home March 15. A temporary president, secretary and treasurer were elected and plans suggested for a permanent organization.

It was decided to have Mrs. Clarence M. Bond, State Secretary of the Legion Auxiliary and Mrs. Mae Bond, president of Burlington auxiliary, as guests.

It is the first appearance of the Palmyra Junior School Glee Club this year and their program will be directed by Mary Baldwin Laird. The Orchestra will be directed by Walter Faw. Franklin Perkins will present three special numbers. Eileen Rae of the Class of 1944 will play in the first violin section.

Admission to the Concert—50c Adults, 25c for children under high school age, including tax. All members of Friends of Music will be admitted free by showing their membership card.

The last concert of the season will be the Annual Band Concert April 20th.

Three Homes Entered
Three Riverton homes were entered last Saturday night by thieves as yet unapprehended, although an investigation is being conducted by Riverton Police, under the direction of Chief William Gootee.

The most serious break occurred at the Gordon residence, 708 Thomas avenue, where entrance was gained through a kitchen window. Taken here was \$160 in cash, \$15 in change, several hundred dollars worth of jewelry and a revolver.

The home of Evan H. Thomas, 301 Highway, was entered by breaking glass in a door. The interior was ransacked, but apparently nothing of value was missing.

The third entrance reported was at 307 Highway, the Robert Biddle residence. Here again the place was given a going over, but nothing of value taken.

Police believe the robberies took place between the hours of 7 and 10 p.m.

HELP RIVERTON MEET QUOTA IN WAR FUND CAMPAIGN
Although returns to date in the Red Cross War Fund campaign have been most gratifying, the quota of \$10,035.00 for Riverton and Cinnaminson has not yet been reached, the total collected on Wednesday morning of this week being \$8,447.00.

Mrs. Edward C. Hughes, in charge of the drive urges that all who have not contributed or been contacted, phone her (Riv. 0970) and she will arrange to have a collector call.

Contributions from the East Riverton section have been particularly outstanding and it is hoped that the other districts will match this fine response.

PRISONERS RESCUED
Dr. Welling T. Cook and wife, Mrs. Maude Hemphill Cook, were rescued at the Japanese prison camp, Los Vayos, in the Philippines, by the American forces. Mrs. Cook is the sister of Fred P. Hemphill, 406 Lippincott avenue, Riverton.

Dr. and Mrs. Cook left for the missionary field in 1908, locating in Korea. In 1940 they were home on a furlough after which they returned to Korea. In a few months they were ordered by the Japanese government to evacuate and in September went to Shanghai but were unable to get home owing to war conditions. They went to Manila where they remained at the request of the Board of Foreign Missions of the Presbyterian Church.

They were at liberty in Manila until July, 1944, when they were interned by the Japanese.

It is welcome news to their family and host of friends that they are safe although their physical condition has been impaired by the ordeal which they have suffered.

JUNIOR RED CROSS WORK
The children in the Junior Red Cross in Cinnaminson Public School have finished 24 lap boards to be used in hospitals and on hospital ships. One side of the board is a checker board, designed by the boys and girls and the checkers and bags to hold them are made by them.

This work was done under the supervision of Walter Hullings, Manual Training instructor.

At the Riverton Public School traycovers have been made by the Junior Red Cross for the hospitals for Easter.

SURGICAL DRESSINGS
Surgical dressings, urgently needed at Tilton Hospital, Fort Dix, are being made in the Riverton Public School every Tuesday, between the hours of 9:30 a.m. and 3 p.m., under the direction of Mrs. Ralph Fower.

More workers are urgently needed for this most essential project.

Five things are requisite to a good dinner—ability, clean hands, clean dishes, clean conscience, and clean

SCRAP COLLECTION
Saturday, March 17
Lippincott, both sides of railroad. Thomas, both sides of railroad. Shrewsbury Lane.

All cross streets between these highways on both sides of railroad. Please have bundles tied up and at curb early as trucks start out collecting at 8 a.m. Place out night before if possible.

THE PORCH CLUB
The Bridge Committee, with Mrs. Edgar Miller chairman, announces a Bridge Tournament on March 20, at 2 p.m., at the Porch Club. The usual rules prevail. Bring partners. Prizes for high scores, North and South, East and West.

BOOK REVIEW AT RIVERTON P.T.A.
We have a special treat for the members and friends at the Riverton Parent Teacher meeting Wednesday, March 21st, at 3 p.m. in the school auditorium.

The Rev. W. Neal Raver, Pastor of the Epworth Methodist Church, Palmyra, will review for us A. J. Cronin's book, "The Green Years." Rev. Raver's book reviews are well known throughout the town and you won't want to miss his interpretation of this fine book.

Tea will be served to which all members and friends are most cordially invited.

For those of you who have little ones at home—bring them along, arrangements have been made to take care of them.

PALMYRA SERGEANT GIVEN BRONZE STAR
S-Sgt. Joseph F. Frisco, son of Mrs. Carmela Frisco, of 376 Arch street, has been awarded the Bronze Star, it was learned recently.

The citation points out that "during the time when his company participated in many hazardous engagements with the enemy, Sergeant Frisco performed his duties as a sergeant with great resourcefulness and devotion to duty. Constantly carrying food long distances, on roads mined by the enemy and under hostile observation and fire, he courageously helped serve out troops at the front at least two hot meals a day, often while subjected to hostile artillery and mortar bombardment. This great concern for the welfare of his fighting comrades helped maintain the morale of our men at a high level and facilitated the initial penetration of the Maginot Line, made by his regiment."

Anyone interested in joining the Parish Club and who has not as yet been approached to join may do so by calling Mrs. Edward C. Hoeflich, Sr., Riverton 1089, Co-President of the Club and arranging for membership as well as reservations at the dinner. Tickets are \$1.25 per plate. Committee chairmen in charge of the various functions of the dinner report splendid cooperation from the members who have been asked to help in the planning, and from all present accounts the affair will be one of the finest of its kind that Riverton has ever seen.

PROCLAMATION
At the request of the Riverton Honor Roll Committee, the Mayor of Riverton has been asked to issue a proclamation setting aside the next two weeks—March 18th to March 31st—as Riverton Honor Roll Week. During these two weeks, the members of the Riverton Honor Roll Committee plan to make a door to door canvass of the borough for the purpose of collecting as many contributions from the residents as is possible.

This is a perfectly worthwhile project and merits the heartiest endorsement of every resident in order to permit the Committee to complete the Honor Roll and all of its decorations at Broad and Main Streets as promptly as possible.

A meeting of the Committee is scheduled for next Friday evening, March 16, at 8:00 p.m., at the Riverton Golf and Country Club and is expected to be well attended.

"KEYS OF THE KINGDOM" AT THE BROADWAY

Friday and Saturday, March 16-17, A. J. Cronin's famous story comes to the Broadway. "The Keys of the Kingdom" surpasses the success of his former triumph, "The Citadel" and the superb cast makes this new screen play an almost living symbol of a divine faith. Gregory Peck, Thomas Mitchell, Roddy McDowell, Vincent Price and many other notables are only a few of the artists who make "Keys of the Kingdom" a memorable event.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.
Riverton, N. J.

For each one of us the observance of the Lord's Day ought to begin when we open our eyes to the beauty of a new day, and immediately seek God's blessing and companionship for the journey of that day. It ought to begin with a prayer, but before the day is over it ought to have taken us to the Word of God, to the House of God, and to the fellowship of the people of God.

Our church is open and waiting to receive you each Sunday morning at 9:45. Members of the Junior Choir should be present not later than 9:50, so that they may be ready to lead the praise in the Church School assembly which convenes at 9:55 a.m. All church school students should be in their places at 9:55, so that Bible study classes may convene promptly at 10:10. Church School, with Bible study classes for all age groups from 2 to 18, and with a 7:15 Bible Class, is dismissed at

budget, so as to further provide: "Nothing in this act shall be construed to change or affect in any way the payment or the amount of payment of moneys now or heretofore made under any items designated in former State highway appropriation acts as 'Mandatory dedications' or the payment or amount of payment of any moneys into or out of any dedicated fund." Quoting from the Governor's statement concerning said bill: "This bill in no way, shape, form, or manner diverts one dollar from the Highway Fund. The bill simply provides for a modern bookkeeping system, and any appropriations dedicated to road funds will automatically be so distributed. This bill neither adds to nor takes away any highway money used for road purposes, and diversion of highway money remains a legislative function as it has been heretofore." This bill will not in any way preclude or prevent the State of New Jersey from participating in post war

The morning worship service begins at 11 a.m. Next Sunday morning the Pastor will conduct a worship service and Congregational meeting at Moorestown. In his absence on this business of Presbytery, the pulpit will be occupied by the Pastor of the Moorestown Presbyterian Church, Dr. J. Shackleford Darnley. As part of morning worship the Calvary Choir will render the anthem, "Still, Still With Thee," by Neidlinger, and a trio will render Attwood's arrangement of the sacred number, "Teach Me, O Lord." Mrs. Murray M. Kirkpatrick will supervise the Church Nursery during the hour of morning worship.

The class of instruction for Young Communicants will be held in the Manse on Sunday at 5:15 p.m. At 6:15 the Junior C. E. will meet with Mrs. DeCoursey and Miss Eval in the Junior Department room. Junior Choir rehearsal will follow at 6:45 under the direction of Mr. Farrow.

The Men's Bible Class will conduct the worship service in the Sanctuary at 7:15 o'clock.

At 7:30 o'clock the Sunday evening groups will meet as follows: The Senior C. E. will meet in the Junior Department room. A program entitled "Why Bother About Religion," and arranged in the form of a court trial will be presented by Sam Wargny; Jean MacDonald and Ruth Mason, with other members of the Senior group assisting.

The Men's Bible Class and the Semper Fidelis Bible Class will meet in the Transient for the study of the International S. S. Lesson. A. D. McCall will teach, and a cordial invitation is extended to all adults of the Calvary Church family and their friends to attend this Sunday evening fellowship of Bible study.

The Westminster Guild, for girls of post High School age, will meet in the Manse with Mrs. Stewart as sponsor. The March meeting of the Good Fellowship Club is scheduled for Friday evening, March 16, in the Social Hall of the church. The committee on arrangements announces that a program entitled "The Old Family Album" will be presented. Following the presentation of the program refreshments will be served. The time of meeting has been set for 8:15 p.m. For reservations members should call Yost, Rv. 0051-M or Williams, Rv. 0938.

Alfred Van Osten, director of music at the Calvary Church, announces that the Calvary Choir, assisted by members of the other church choirs of Riverton and Palmyra, and by two well-known guest soloists, Harry L. Martin and Edgar S. Martin, will present Stainer's "Crucifixion" on the evening of Tuesday, March 27, at 8:15 o'clock. The choir will consist of approximately 50 trained voices.

LEGISLATIVE COLUMN

By Senator Lewis and Assemblyman McCay

The legislature on Monday of this week amended Senate Bill No. 172, which in effect creates a single state

purpose. Willard H. Allen, Secretary of the New Jersey State Board of Agriculture, and Herbert W. Voorhees, President of the New Jersey Farm Bureau, we understand, have submitted their approval of Senate Bill No. 172 as amended. The representatives in the Legislature from the southern counties of the State were insistent upon such an amendment before the bill was passed.

Another matter of considerable local and county importance was the report of the Joint Committee appointed at the beginning of the session to study mandatory legislation. The Committee's report was limited to one type of mandatory legislation, namely, state legislation fixing salaries and maximum and minimum limits on salaries of county and municipal officials and employees. The committee concluded that such mandatory legislation violated the principle of home rule as established by the Home Rule Act of 1917. Drafts of two proposed bills were introduced, and they provide in substance that the counties and municipalities, respectively, shall fix and determine the salaries and compensation payable to their respective officials and employees.

The report of the committee also recommends that before any action is taken on such proposed legislation, that there be a public hearing so that the pros and cons of the bills can be considered.

The Appropriations Committees of the Senate and Assembly have approved an appropriation of \$50,000 to the State Department of Agriculture for deficiency in amount required for indemnities for tuberculosis eradication for the fiscal year 1944-1945 and it has been included in the annual appropriations bill, Senate No. 200.

The Governor submitted the name of Harold T. Parker, of Mount Holly, as Prosecutor of Burlington County to succeed Daniel Lichtenthal, of Riverside, whose term will soon expire.

LOCK CARS

"Lock your car," warns the Keystone Automobile Club, in a bulletin declaring that the increase in automobile thefts is, in some degree at least, attributable to the ease with which thieves can get away with motor vehicles.

In a high percentage of thefts reported to police along the Eastern Seaboard, it developed that motorists not only failed to lock car doors, but actually invited theft by leaving keys in the ignition.

Some thefts are the work of youthful joy-riders, who seize the opportunity of an unlocked car "borrowing" the vehicle for a ride, but others are the operation of professional thieves who do an interstate business in stolen automobiles. From members of a thieves ring recently cornered by police, the methods and extent of the ring were revealed. The plan has been to steal cars in one state, take them into another where motor and serial numbers were changed and bodies repainted. Next

Gift Shop
531 Cinnaminson Ave.
Palmyra, N. J.

step was to buy \$25 or \$50 jalopies and obtain title certificates. After junking the jalopies, the certificates would be altered to correspond with descriptions of the stolen cars. Finally, the stolen cars would be sold in Southern and Western black markets.

THE HEADLIGHT HOG

Headlight glare again takes first position in highway hazards, according to Keystone Automobile Club, which warned drivers their own safety, as well as the safety of other highway users, demands use of the lower beam when approaching opposing traffic, either on streets or the open road.

"In recent weeks," said Edward P. Curran, Safety Director of the Club, "our own observations and those of motorists who have complained to us indicate there is a growing carelessness on the part of vehicle operators in the matter of headlight use."

"Blinding glare from upper beam lights assaults drivers everywhere, making it impossible to see pedestrians in the streets or along highways and rendering it extremely difficult to keep to the road."

Just Careless
"Some operators use the upper beam through carelessness or thoughtlessness, but in other cases the practice seems to be deliberate. Refusal of an operator to drop to the lower beam after an approaching driver has accorded this courtesy is an indication of unfriendliness for the driving privilege, because every holder of an operator's license should understand the vital relationship between visibility and highway safety."

"If for no other reason, the operator should use the lower beam for his own safety, because he never knows when a temporarily blinded fellow motorist may run into him, writing 'finis' to the chapter on road discourtesy."

"Incidentally, the laws of most States require use of the lower beam under the circumstances mentioned, but enforcement is difficult. The matter really is in the hands of the individual operator, who can contribute to the pleasure and safety of night driving by showing consideration for his fellows."
