WANT NO AIRPORT IN EAST RIVERTON

At a public hearing held on Tuesday night of this week in the Delaware Co. Fire House nearly 100 residents of East Riverton were present to voice their objections to the establishment of an airport on the property formerly occupied by Greer's Riverview Nursery near Union Landing Road. Only a handful were in favor of the proposition.

The hearing was called by the Township Committee in order that they might obtain public opinion regarding the application presented to them by a private corporation regarding the establishment of an airport.

The committee will take official action on the matter at a later date.

SEVERE STORM

A brief but severe storm, during which the wind reached nearly to hurricane velocity, hit this vicinity late last Saturday afternoon. The gale was accompanied by torrential rain.

Damage hereabouts consisted of numerous trees being blown down in addition to branches, large and small. The highway departments were kept busy for several days cleaning away the debris.

THE PORCH CLUB

Harrison Forman, noted lecturer, will be guest speaker at the charter luncheon, April 17th. Mr. Forman has recently returned from four years in China with one of the greatest stories, including his own spectacular career.

He has all the latest information on China and will be glad to answer any questions.

GEORGE C. FRANK

George C. Frank, 87, a life-long resident of Cinnaminson, died at his home on Burlington Pike on Tuesday night of this week, following a brief illness.

He is survived by two daughters, Elizabeth M. Frank and Emma D. Frank, both of Cinnaminson; two sons, Karl G., of Palmyra and Paul W., of Delanco; a brother, George L., of Denver, Colorado. Nine grandchildren and two great grandchildren also survive.

Friends may call at the Snover Funeral Home Thursday evening between 7 and 9 o'clock. Funeral services which are to be held Friday will be private. Interment will be in Arlington Cemetery, Camden.

Mr. Frank, who was most active until just before his illness, was the last surviving charter member of the Board of Directors of the Cinnaminson Bank and Trust Co., of Riverton. He rarely missed a meeting of the board.

For forty years he conducted a general store in Cinnaminson during which time he took an active interest in civic affairs. He was township clerk for 40 years and served as a member of the Board of Education for a like period.

ROTARIANS VISIT HIGH SCHOOL

Last Thursday evening the members of the Palmyra-Riverton Rotary Club enjoyed a unique and interesting program. At the request of the Rotary program committee Paul Jones, supervising principal, arranged a specially conducted tour of the Palmyra High School. Teachers were on hand to explain equipment and educational procedures, while students conducted the five Rotary groups through the various class and study rooms of this finely equipped institution of learning.

Keen interest was shown by the Rotarian visitors in the visual education department, the "ceramics" workshop in the art department, the greenhouse of the agricultural department with its varied exhibit of botanical specimens and its up-to-date chemical procedures, the photography laboratory, the physics and chemistry "lab," and the well-equipped home economics room.

Mr. Jones, together with his teaching staff and students, are justly proud of this school. The Rotarians now share that pride, and take this opportunity of thanking the supervising principal, professors and students for the time that they so willingly and courteously placed at the disposal of their interested visitors.

Baseball Meeting

A meeting of the Tri-Borough Baseball League will be held in the Palmyra Borough Hall, Thursday evening, April 12, at 8 o'clock.

At this time officers will be elected and plans made for the coming season.

All those interested in sponsoring a team this year are urged to attend.

BAND CONCERT

Music of Allied Nations will be one of the many features of the third annual Varsity Band Concert to be held at Palmyra High School Friday evening, April 20. With flags of Russia, China, England and the United States in the foreground, the Band will introduce such numbers as "Prelude in C Sharp Minor" by Rachmaninoff, "Chinese War March" by Kurth, "Hail Britannia" arr. Briegel and "Columbia" by Barnard.

The Varsity Band has written their own arrangement of "Let Me Call You Sweetheart." Played by the entire Band this number includes a Melophone and Trombone duet (Thelma Davis and George Hall) and a Saxophone Quartet (Robert Gilmore, Alice Burgess, Samuel Wargny and Roland Werner).

Other Numbers

For comedy the program includes "Nell the Farmer's Daughter," a four act musical melodrama with its heroes, beautiful damsels and ruthless villains. No one can afford to miss this entertaining bit of musical nonsense.

And from the ridiculous to the sublime, the program includes two specialties, a clarinet trio composed of Edna Ashby, Alan Thompson and Ruth Holtz and a Saxophone solo by Robert Gilmore accompanied by Alan Thompson.

This year's concert promises to be the best—and all who attended last year's concert felt the boys and girls under the able direction of Mr. Kenneth Merrill put on a most entertaining show. Tickets will be on sale this week. Be sure to purchase yours early for a capacity crowd is expected to attend.

"WHAT CAN YOU SPARE THAT THEY CAN WEAR?"

Spare time, as well as spare clothing, shoes and bedding, is essential to the success of the United National Clothing Collection for overseas relief.

In assembling, sorting, and packing the 150,000,000 pounds of serviceable used apparel, which is the goal of the campaign, willing hands are needed in every community headquarters and receiving depot. When you come with your gift of clothing for the suffering and destitute war victims abroad, offer your spare time services to your local committee.

Harry K. Mansfield, of Palmyra, general chairman for Palmyra, Riverton and Cinnaminson, has called a meeting for this Thursday evening in the Community Center, when representatives of all churches, civic organizations, etc., will attend to formulate more definite plans regarding this most worthwhile project.

More details will be announced next week.

BLOOD DONORS

Many volunteers have made their appointment to visit the Blood Donor Unit at the Central Baptist Church, Palmyra, April 18th and 19th. Have you?

The time is getting short, it is possible if you wait too long, all the appointments will be filled and you will have missed this opportunity to give that pint of blood that gives to a wounded soldier or sailor the gift of life itself.

Blood plasma is defeating death wherever our men are fighting. Its value is beyond price. Don't put off any longer making your appointment. Call Riverton 1046 or 0398.

Don't let the wounded down. They need you. Your blood can save them.

JOSEPH R. CHEESMAN

Joseph R. Cheesman, 81, former president of the Enterprise Publishing Company, Burlington, and editor of the Daily Enterprise, Burlington, for many years, died Wednesday, March 28, in the Burlington County Hospital at Mount Holly, following an illness of three years.

Mr. Cheesman resided with his son, W. Emory Cheesman, until three years ago, at 704 Thomas avenue, Riverton, and enjoyed a large circle of friends in both Riverton and Palmyra.

Funeral services were held last Saturday afternoon, at 2:30 p.m. from Slachs Funeral Home, Burlington, and burial was in Odd Fellows Cemetery.

Among the outstanding civic projects for which Mr. Cheesman was highly instrumental in securing for Burlington was the Burlington-Bristol Bridge. Mr. Cheesman was the sponsor and prime organizer of this Bridge, and paralelled Mr. Wright's untiring efforts in fostering the construction of the Palmyra Bridge. Mr. Cheesman woredk a long time, going to Washington and Trenton, with the result that the span across the Delaware opened in May, 1931. Mr. Cheesman was president of the Burlington Daily Enterprise until it was sold in 1937.

He was a charter member of the Burlington Elks No. 996 and one of the oldest members of the Jr. O. A. Mechanics. He is survived by a son, W. Emory Cheesman, who now resides at 104 Morgan avenue, Riverton, a daughter, Mrs. J .Arthur Lowden, of Burlington, two granddaughters, Mrs. Stephen Lucas, of Burlington and Miss Evelyn Cheesman, of Mt. Holly and a grandson, William E. Cheesman, Jr.

TRI-BOROUGH YOUTH FUND

Widespread success of the Tri-Borough Youth Fund last year gives assurance of a further development in the cooperative plan which has long been the goal of workers among the young people of Riverton, Palmyra and Cinnaminson. This year for the first time the six organizations dedicated to the youth of the community will band in one finance campaign under the organization led by Paul R. Jones, supervising principal of Palmyra Schools.

Mr. Jones, building upon the framework of the able organization created last year for the Tri-Borough Youth Fund, and through the sponsorship of the Palmyra-Riverton Rotary Club, has set up a participating organization this year numbering 227 persons who will cooperate in the campaign starting April 19th. The organizations included in the 1945 Tri-Borough Youth Fund are the Community Center, the Civic Center, the Girl Scouts, the Boy Scouts, the Y.M.C.A. and the Y.W.C.A.

New Organizations

The three additional organizations included in the Fund this year are the Y.W.C.A., the Girl Scouts and the Civic Center.

The Young Women's Christian Association, while a part of the Burlington County organization, has an active Girl Reserve Club meeting in the Community Center each week under the direction of Miss Fern Gabel. This group of high school girls has given substantial support to the Red Cross drive and serve the Adult Committee at the Center in various ways. The wider county activities of the Y.W.C.A. has the active support and interest of many women in the Tri-Borough area.

The Civic Center, erected in East Riverton in 1940, is an outgrowth of the splendid work of the Civic Club which since 1927 has promoted the civic and cultural needs of the negroes of the community. Here the Junior Civic group enjoys a quality of guidance which follows a fine pattern of citizenship. The opportunity to develop mind and muscle is incorporated in a program which emphasizes all the qualities of that good citizenship. Funds to maintain and expand their activities are to be a part of the Tri-Borough Youth Fund budget.

Girl Scouts

Girl Scouts in the three communities are grouped by ages: Brownies—7 to 10, Seniors—girls in Senior High School and a large group of Intermediates—girls from 10 to 14 years of age. In all, about 125 girls are enrolled in the well-known Scout programs for better citizenship built around the Promise, Laws and Motto. Their contribution to worth while war activities has been substantial in addition to the usual Scout activities—music, crafts, camping, etc.

Last year the Tri-Borough Youth Fund included only the Boy Scouts, the Y.M.C.A. and the Community Center. The response of the Community to the appeal for one finance campaign for these activities instead of three was so marked that it is believed the present plan to include all six of the youth services in one grand campaign will be even more welcome.

Chairman Jones will launch this campaign on April 19th and looks forward with confidence to the generous response which the more limited appeal of 1944 seems to assure.

THE PEOPLE'S COLUMN

DOGS AT LARGE

Now that the time for planting victory gardens and fixing up lawns is at hand, will not Council see that the dog laws of the Borough and State be enforced about dogs running at large?

It is disgusting to have one's victory garden or lawn destroyed by some neighbor's dog, a party who doesn't give a hang about someone else's rights.

I've heard where our neighboring towns have put a quarantine on dogs at large for some months.

This quarantine should be put on and enforced for the growing season.

I am sure it would be appreciated by those without dogs and those with dogs who do know what's proper.

I have heard that it is legal to shoot or kill a dog if it destroys one's property, but who would want to kill or destroy someone's pet?

A CITIZEN OF RIVERTON

SOLID FUEL

T. Cattin Flynn, chairman of the Palmyra War Price and Rationing Board, announced this week that that Consumer Declarations of the Solid Fuel Administration for War, can be obtained by dealers at local War Price and Rationing Boards.

Mr. Flynn emphasized that this is in accordance with the recent order of the Solid Fuels Administration, requiring every consumer to file with his dealer a consumer declaration in order to obtain solid fuel for the 1945-46 heating season. He further emphasized that consumers cannot obtain these forms at Boards which will make them available only to dealers.

"Our Board," Mr. Flynn added, "is simply the place where the dealer can pick up as many forms as he needs for distribution to customers. OPA has no further authority or responsibility. We will not be in a position to answer detailed or technical questions regarding the regulations."

Sermon. Passages from the King James version of the Bible include: "Confess your faults one to another, that we may be healed. The effectual fervent prayer of a righteous man availeth much." (Jas. 5:16) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "If God heals not the sick, they are not healed, for no lesser power equals the infinite All-power; but God, Truth, Life, Love, does heal the sick through the prayer of the righteous." —o—

Ann Magowan spent Easter weekend in Harrisburg, Pa., during which time she acted as bridesmaid for Miss Jeanne Klinepeter. The bride's only other attendant was a maid of honor.

Jeanne and Ann became friends when they both attended the Bessie V. Hicks School of Dramatic Art at Philadelphia in 1942.

CENTRAL BAPTIST CHURCH
Palmyra, N. J.
Rev. S. Dan Morgan, Pastor

Sunday, April 8

Masons, architects, carpenters, teachers, whatever the calling may be, require a plan, a blueprint, a map to follow so that the work can be done exactly and with as few mistakes and as little loss of time and labor as possible. To draw up a plan and direct the work requires learning and the ability to lead and direct others, to do the work.

While Christ was with his disciples he taught them and trained them to carry the gospel to all the world. We have in the Bible the plan, the pattern He laid down for all His people to follow. Simple rules, all of them, by which peace, joy, everlasting happiness can be had. When a blueprint isn't followed to the letter, when substitutes are employed, the results are far from perfect. So with the Christian life. The Bible is the Guide Book. Putting that aside for a substitute can result in nothing but failure and lasting unhappiness and aimless living.

Bible School, 10:00 a.m. Building for the future; from cornerstone to the finished product. No one is too young or too old to attend this hour of study and fellowship.

Morning Worship, 11:15 a.m. For all our services we welcome the visitors. Sermon topic will be, "The Forty Days." Music by the choir will be "Gloria in Excelsis," by Mozart.

Junior and Senior B.Y.F., 6:45 p.m.

Evening Worship, 7:45 p.m. Prayer changes everything. Prayer is power. "How to Pray" will be Pastor Morgan's sermon topic. There will be appropriate music by the choir.

Wednesday, 8 p.m.—Mid-week Prayer and Praise Service.

Thursday, April 5th—There will be no choir rehearsal.

Thursday, April 19th, At 6:30 p.m. there will be a Fellowship dinner in the recreation hall after which will follow the quarterly church business meeting. All members are urged to attend.

PARISH CLUB DINNER

The Membership Drive Dinner of the Parish House auditorium of held next Wednesday at 6:45 p.m. in the aPrish House auditorium of Christ Episcopal Church, Riverton.

Applications for membership have been received from more than 60 new members and reservations made for the dinner through the present membership which numbers well over one hundred. From present indications the number of new members will exceed the present membership before the evening of the dinner.

A gala evening is planned by the various committees in charge of the affair. Starting with an old fashioned home-cooked turkey dinner, the evening will provide a complete program of entertainment winding up with two reels of old fashioned films from the silent days.

While reservation privileges closed one week prior to the dinner, there is a possibility of some last minute cancellations and the ticket committee, headed by Mrs. Edward C. Hoeflich, Sr., will arrange to parcel these out to late comers until they are exhausted.

Anyone interested may obtain information by calling Mrs. Hoeflich, Riverton 1089 before Saturday evening of this week after which no more reservations will be available. Admission to the affair will be by ticket only, on which a previous reservation has been made.

MALE CHORUS HERE THURSDAY, APRIL 12

The Campbell Male Chorus will appear at the Riverton Public School Auditorium Thursday, April 12, at 8:00 p.m.

Sponsored by the Civic Club of Palmyra, Riverton and East Riverton, the Chorus was originally scheduled to appear on the night of January 25, 1945. A large audience was disappointed when the directress, Miss Sue McDonell, did not appear. It was later determined that sickness and the severe winter weather deterred her coming.

The program will permit persons who hold tickets for the concert previously scheduled to use the tickets that they purchased earlier.

The excellence of the singers was appreciated when without their directress they rendered a few numbers on the night of January 25, 1945. Persons wishing to hear this fine group, who have not already purchased tickets, may be admitted by paying at the door on evening of the performance.

It takes 24,483 Freight Cars to put this War Materiel aboard a big Convoy

The figures relating to materiel—(from Army and Navy sources)—give a good idea of the enormous quantities carried by a big convoy on a crossing to one of the major war zones.

The other figures—those in *italics*—show the number of freight cars needed to transport those war supplies to port.

Collecting all that materiel—bringing it hundreds, even thousands of miles—delivering it to ship side on schedule, in a pre-arranged order—doing it day after day—is one of the biggest and most responsible jobs railroads have.

Yet, thanks to the magnificent cooperation of the Navy, the Army, port authorities, shippers and traveling Americans—the railroads are doing this vital job smoothly and methodically—and will continue to do so till Victory is won!

VETERANS WANT VOICE ON PEACE TERMS

America's overseas veterans believe the men who are required to do the actual fighting in time of war should have some voice at the peace conference tables after victory is won. According to Commander Cook, Post No. 1931, Veterans of Foreign Wars of the United States, the man who has survived combat service was asked to risk his life to protect America's future, therefore he should have something to say about the terms which should be imposed on the defeated enemies to preserve future peace.

These ideas reflect the direct wishes of those who compose the Veterans of Foreign Wars of the United States. They were expressed in a resolution which was adopted unanimously at the National Convention. It was this resolution which the Commander-in-Chief emphasized at a recent White House conference. The V.F.W. leader advised President Roosevelt that public opinion is rapidly being mobilized in support of this basic proposal.

"The people as a whole," says Commander Cook, "are in full sympathy with the thought that the men doing the fighting, on the high seas and in strange countries, should have some opportunity to say what kind of a peace we will have when this war is over.

"Our peace delegation should not be confined exclusively to diplomats and international experts. It should include representatives of the men who possess something more than an academic understanding of what Churchill meant when he warned that victory would only be won through 'blood, tears, sweat and toil.'

"Those four simple, dramatic words compose the biography of every man who earns a foreign service ribbon in this war. Who has a greater right to help dictate the peace terms?"

EASTER PARTY

Children of Christ Episcopal Church School were entertained last Saturday afternoon at a festive party arranged for them by the superintendent and teachers of the Church School assisted by several of the mothers and fathers of the Parish Club.

There was an egg rolling contest followed by a search for candy Easter eggs hidden over the spacious Church lawns. Prizes were awarded to the winners of these contests.

After the outdoor festivities were over, the children were entertained with several reels of appropriate talking films under the auspices of the Parish Club in the Parish House Auditorium. Ice Cream and cake were then served to the little folks by the teachers and mothers.

The splendid work of the Church School staff together with the assistance of the Parish Club members is beginning to show results in increased membership and attendance at the Church School sessions.

Time past and time present, both, may pain us, but time improved is eloquent in God's praise.

Here's a war record New Jersey helped to make...

NEW JERSEY'S telephone system is carrying heavy burdens these war days. More calls to handle . . . more service to supply . . . and with few additions to the System, because manufacturers are building almost entirely for the armed forces.

But, despite these wartime burdens, your telephone service in 1944 was good — in some respects *better* than in 1943!

You helped to accomplish this — and we are genuinely grateful to you for your cooperation.

...on your part...

YOU HELPED by keeping your telephone conversations brief, and by making few unnecessary calls.

YOU SPEEDED up service —by referring to your telephone directory instead of calling "Information" for listed numbers.

YOU UNDERSTOOD why it was not possible to supply all the new telephones requested, except for essential users.

...on our part...

WE WERE ABLE to handle most of your calls quickly and accurately—thanks to the help you gave us.

WE KEPT the system in good condition, and service troubles (except for the hurricane) were comparatively few.

WE TRIED our best in every way to give the friendly, courteous and effective service you expect and appreciate.

You can count on New Jersey telephone men and women to continue their efforts to serve you well, in 1945.

AMERICAN GENIUS AT WORK

100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts . . . seems to presage the arrival of that period when human improvement must end."

His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown.

The future holds many more. And America's 16,000 banks are ready to meet the credit needs of competent individuals and firms that will bring us the new and improved products to enjoy.

Fire Takes Two Lives

Marilyn Hendrickson, 8, daughter of Mr. and Mrs. W. Lynn Hendrickson, 905 Thomas avenue, Riverton, and Edwin Redfield, Jr., Pennsylvania avenue, Palmyra, assistant chief of the Palmyra Fire Company, lost their lives Tuesday morning in a fire that caused extensive damage to the Hendrickson home. A son, Edmond Hendrickson, 6, suffered extensive burns and is in Zurbrugg Memorial Hospital. Several firemen were overcome by smoke, while others were cut by shattered glass. Dr. T. Bruce Dickson administered treatment at the scene.

Both casualties were diagnosed as caused by asphyxia, the Hendrickson girl's burns not being considered sufficiently serious to have caused death, while Redfield was practically untouched by the flames. Why his mask failed to function properly is unexplained.

Redfield is survived by his wife and three children. He was employed by Millside Farms.

The alarm for the blaze was sounded at 2:35 a.m. with all apparatus from Riverton and Palmyra responding. Upon arrival the firemen found smoke pouring from all sections of the brick structure. The fire, which started in a den on the first floor rear of the house had evidently spread into the main hall and up the stairway, thus cutting off the escape of the young girl, whose body was found in her room located at the front. The other occupants were sleeping on the south side and more distant from the staircase. She was carried out by Lawrence Betty and John Gnang and rushed at once to the hospital, but was pronounced dead upon arrival.

Had Smoke Mask

Before this happened, Redfield, who was equipped with a smoke mask, had started up the stairs in search of the child. He evidently made a wrong turn in the dense smoke and was found lying on the floor by Richard Graff, a Riverton fireman. He also was pronounced dead upon arrival at the hospital.

In extinguishing the fire it was necessary to use several lines of hose and the blaze itself was confined to the center portion of the structure.

Due to the nature of the construction, however, the intense heat generated by the flames caused very extensive damage throughout the building.

Firemen remained on the scene until 9 a.m.

Mr. Musser has just returned from 29 months of active service in the South Pacific, and Polly May is at present a student at Cedar Crest College, Allentown, Pa. No date has been set for the marriage.

FUND STARTED FOR REDFIELD'S FAMILY

At a meeting of the Cinnaminson Township Committee held on Tuesday night of this week it was voted to establish and sponsor a benefit fund for the family of Edwin Redfield, of Palmyra, who lost his life in a vain attempt to rescue Marilyn Hendrickson, who also died in the disastrous fire on Tuesday.

The Hendrickson home is located in Cinnaminson.

The fund, for which Robert J. Woods, Committee member is treasurer, got off to a fine start when the Committee voted an approrpiation of $100 toward it.

Mr. Woods, whose address is 1004 Columbia avenue, will be glad to receive any contributions, large or small, for this most worthy cause. Prompt action is essential.

RECEIVES CITATION

Howard Parry, crewman on the Naval Air Corps, recently spent a 30-day leave with his parents, Mr. and Mrs. T. Morrell Parry, after 7 months of action from an air-craft carrier in the Pacific. His unit, composed entirely of volunteers, was detailed for special duty which it performed in such a manner that it has been recommended for a Presidential Unit Citation. Each member of the unit received the Air Medal when they arrived in Seattle.

Howard is an aviation machinist's mate, 2nd Class, and ball-turret gunner on a TBM. He is now at Norman, Okla, taking a refresher course in gunnery.

WATERS PROMOTED

Arthur B. Waters, Jr., husband of Mrs. Arthur B. Waters, Jr., 209 Howard street, Riverton, has been promoted to the grade of sergeant, according to a recent announcement by his commanding officer in Italy. Sergeant Waters is the son of Mr. and Mrs. Arthur B. Waters, Sr., of Riverton.

An insurance engineer for the Franklin Fire Insurance Company of Philadelphia in civilian life, the Riverton soldier is now an airplane engine mechanic assigned to an air service squadron of the Fifteenth Air Force Service Command.

Entering the army three years ago, Sergeant Waters has been overseas since August, 1943, and has seen service in North Africa, Sicily, and Italy for which he wears the European-African-Middle East theatre ribbon and the airplane mechanic Army Air Forces Technician Badge.

WILLE WOUNDED AGAIN

Staff Sergeant Joseph Wille was seriously wounded in action on March 7th in Germany according to word received by his wife. He was wounded once before in Belgium on September 10th.

Wille is holder of the Purple Heart and Expert Infantry Combat badge. His wife, Lillian, and daughter, Carole, make their home in East Riverton. His mother, Mrs. Mary Wille, resides in Mt. Holly.

The YMCA met in the Riverton School auditorium April 10. The program was in the nature of a rally and members of several other Y groups attended. Movies were shown and refreshments served.

BLOOD DONORS

No calamity except the actual shortage of war supplies could be more serious than the failure to keep the Red Cross constantly supplied with blood for the life-saving plasma. Every man and woman should donate a pint of blood as often as possible.

Anyone in good health from 21 to 60, weighing 110 pounds or more, and from 18 to 21, with the written consent of parent or guardian, can donate. Donating is painless and has no harmful after effects.

A blood donor unit will be in the Central Baptist Church, Palmyra, on April 18th and 19th.

If you haven't made an appointment, do so at once. This is the last call for volunteers. Surely you want to be one of them.

Call Mrs. Harry Kenny, 1046 or Mrs. Arthur Burns 0398. If it is possible for you to give it is your duty to do so. For every drop of blood spilled on the battlefields more blood must be given here at home. Make your appointment now.

EDWIN W. REDFIELD

Edwin W. Redfield, 613 Pennsylvania avenue, Palmyra, died April 10. He was the husband of Hannah M. Redfield and the son of Edwin W. Redfield, Sr.

Funeral services will be held Saturday at 10:30 a.m. at the Snover Funeral Home. Relatives and friends of the family are invited to call Friday evening. Interment will be in Lakeview Memorial Park.

Besides his wife he is survived by three children, Lois, Diana and Edward.

GUEST CONDUCTOR AT BAND CONCERT

For the first time in its history the Palmyra High School Band will have a guest conductor at its Third Annual Concert, Friday evening, April 20 in the High School Auditorium. Dine Cortese, Bandmaster of the United States Coast Guard, and Conductor of a National Radio Show, after a private audition was so impressed with the quality of the Band that he consented to make a personal appearance as guest conductor.

As an added feature, Harold Fink also of the United States Coast Guard will play a piano solo, "Rhapsody in Blue," one of George Gershwin's outstanding musical compositions.

Kenneth Merrill, conductor of the High School Band, has reason to be proud of his sutdents. Residents of Palmyra and the sending districts feel that in their High School Band they have an outstanding organization. The tickets, now in the second week of sale is practically a sellout. If you haven't already purchased yours be sure to get one immediately for you can't afford to miss this grand entertainment.

CLOTHING DRIVE

The United National Clothing Collection, sponsored by the Palmyra-Riverton Lions Club, and assisted by the churches, clubs, and fraternal organizations of these communities, is now in full swing for this worthy enterprise.

Harry K. Mansfield, general chairman, of Palmyra, has appointed Miss Cornelia Murray for Riverton and Mrs. Leslie Reeves for Cinnaminson. Mr. Mansfield and Miss Murray have appointed for each section throughout Riverton and Palmyra an assistant who in turn has selected coworkers to collect the clothing by a door to door solicitation. When each co-worker has completed her collections, she will notify the assistant of her section who in turn will notify the chairman for collection.

In Cinnaminson

Under the leadership of Mrs. Reeves in Cinnaminson, the majority of the collection will be made through the Cinnaminson schools, under the direction of Mrs. Herbert F. Magowan. If anyone is missed throughout the territory will he kindly get in touch with the chairman of his community.

It is the wish of Mr. Mansfield that utmost cooperation is given to these workers who are taking their time to make this solicitation. He is very anxious that the donations be made as quickly as possible because of the amount of work involved in the sorting and the packing of these clothes.

Mr. Mansfield would welcome any volunteers for the sorting and packing to take place at the old Y.M.C.A. building, Broad and Garfield, Palmyra.

TRI-BOROUGH YOUTH FUND

Widespread approval of the announcement that six youth organizations will be included in the Tri-Borough Youth Fund campaign this year has given encouragement to the more than 200 sponsorf of the plan. The campaign which is scheduled to get under way on Thursday, April 19, will provide the budgets for the Y.M.C.A., the Boy Scouts and the Community Center as heretofore and also include the Girl Scouts, the Y.W.C.A. and the Civic Center.

Paul R. Jones, Supervising Principal of Palmyra Schools, as general chairman has enlisted three well-known co-workers to head respectively the Riverton, Palmyra and Cinnaminson workers: Robert Finney, Captain; James B. Ryan and Howard Humphreys.

On his staff Mr. Jones has appointed the following chairmen: publicity, Roy Austin; circulation of literature, A. T. Hewlett; and special gifts, Henry Naisby.

One of the finest by-products of the Tri-Borough youth movement is the co-operation between the various organizations and the coordination of their work. This inevitably led to the incorporation of the Girl Scouts, the Y.W.C.A. and the Junior Civic Group of the Civic Center into the 1945 program.

Scout Work

Scout work in the area serves over 300 boys, including Cubs, Boy Scouts and Senior Scouts. Henry T. DeHoll is chairman of the Tri-Borough District. But Scout work also includes 125 members of the Girl Scouts who are divided into Brownies, Intermediates and Seniors. Both girls and boys of the Scouting movement have rendered conspicuous service in many phases of war activities in the community.

All six of the youth organizations are dedicated to character building activities; all promote the mental, physical and spiritual well-being of their youthful members. Apart from the division by sex in some of them, the distinction between them is mainly one of emphasis on the activities embraced. Thus young people of both sexes may find the leadership and activity best adapted to his or her growth—mental, physical and spiritual.

For this reason, the boy and girl Scouts, the Y.M.C.A. and Y.W.C.A, the Community Center and the Civic Center each is deserving of the support Mr. Jones and his committees seek.

MARILYN HENDRICKSON

Marilyn Hendrickson, age 8, daughter of Mr. and Mrs. W. Lynn Hendrickson, 905 Thomas avenue, Riverton, died Tuesday, April 10.

Interment will be in Lakeview Memorial Park, the Rev. Robert B. Stewart officiaitng. Funeral will be under the direction of the Snover Funeral Home.

MRS. EMILY MITCHELL

Services for Mrs. Emily Mitchell, 51, of 220 Washington street, Parry, who died Sunday, will be held Friday at 10 a.m. in the Snover Funeral Home, Palmyra. A resident of Parry for 25 years, she is survived by her husband, Ernest, Sr., four sons, Ernest Jr., and Leon, in the Navy; Vetal, in the Marines; and Alfred, at home; a daughter, Mrs. Alfred Dockwell, of Philadelphia and three grandchildren.

Lt. Clark was a member of the University of Virginia, Charlottesville, Virginia, prior to entering the service. He received his flying training at Curtis Field, Brady, Texas; Majors Field, Greenville, Texas; Eagle Pass Army Air Field, Eagle Pass, Texas; and Altus Army Air Field, Altus, Oklahoma. He graduated from advanced training March 11, 1945.

RED CROSS NEWS

HOW BLOOD DONATIONS ARE USED

The function of the Red Cross in collecting blood donations from volunteers was explained this week by Mrs. Clarence N. Hubbs, of Palmyra, Blood Donor Chairman for Burlington County, who has arranged the two day blood donor service to be held April 18 and 19 at the Central Baptist Church, Palmyra.

"Some confusion still exists as to the place of the Red Cross in obtaining blood donations, especially with regard to transfusions for civilians at various hospitals," Mrs. Hubbs said. "The Red Cross is not an agency for obtaining blood for civilians except in cases of major disasters when normal medical facilities are prevented from operating."

In view of misunderstandings on the part of some citizens, Mrs. Hubbs gave the following full explanation of the Red Cross' work in its blood donor service:

"When it was established that blood could be made into the life saving plasma, the medical authorities of the Army and Navy requested that the American Red Cross undertake the work of collecting blood from volunteer donors. The understanding was that the blood so donated would be used for saving the lives of wounded service men. The Red Cross has been diong this work donors, with their blood types.

Sent to Military

"The Red Cross however, has no jurisdiction over the blood plasma other than collecting donations. The blood is delivered to a laboratory the same day it is collected and there made into plasma. From the laboratory it is sent to the military authorities. The same is true of whole blood except that it is not processed.

"A reserve supply of frozen plasma has been furnished by the Red Cross to nine hospitals in New Jersey, New York and Delaware, for storage as a supplemental supply, to be used only in case of a disaster. In event of a major disaster, the Red Cross would release these supplies to the Medical Emergency Service of the Office of Civilian Defense. That is the only way in which blood handled by the Red Cross could be made available to any civilian.

"For a time after the Blood Donor program was inaugurated the laboratory typed the blood of each donor. The Red Cross then notified each donor of his or her type. That was done for the donor's own benefit and not for publication. It is strictly against policy for the Red Cross to make public any list of Red Cross has been doing this work

"Because they had been notified of their type, many blood donors volunteered to go to hospitals and give transfusions to civilians. That gave rise, in some cases, to the mistaken idea that the Red Cross supplied the donors. That was entirely incorrect, as the volunteers acted on their own initiative.

"Lists of blood donors and their types are posted in many police stations. These lists were not made by the Red Cross, although it is possible some of the donors placed their names on them as a result of their experience in giving blood through our organization.

What Have You Done Today?

Please don't let up on saving waste paper, but double your efforts. Lack of manpower, poor transportation, and general weather conditions have seriously hampered paper mill production.

Paper is still No. 1 on the critical list. Our boys are being fed out of paper—receive their ammunition in paper—and blood plasma, packed in paper, is saving their lives. Keep up your work. Save paper for your regular collections, give it to school children, or call a dealer.

"Are Sin, Disease, and Death Real?" is the Lesson-Sermon subject for Sunday, April 15.

Golden Text: "Heal me, O Lord, and I shall be healed; save me, and I shall be saved: for thou are my praise." (Jer. 17:14)

Sermon: Passages from the King James version of the Bible include: "And God saw everything that he had made, and behold, it was very good." (Gen. 1:31) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"God is as incapable of producing sin, sickness, and death as He is of experiencing these errors. How then is it possible for Him to create man subject to this trial of errors, —man who is made in the divine likeness?" (p. 356)

SPECIAL NOTICE

This week the Fox Theatre is presenting one of those rare, once-in-a-while pictures which, without benefit of big names or extensive advance advertising(packs more real entertainment onto the screen than many of the so-called "Big Super Specials."

The picture is "MY PAL WOLF," a simple story of a little girl and a big dog. Simple, but tremendously told. A grown-up story. A definitely adult picture.

It's ten to one you'll fall in love immediately with 7-year-old Sharyn Moffett, the screen newcomer with stardom in her eyes, who is the central figure. And it's even more certain that you'll experience an emotional thrill that really "gets" you when you see this tender and thrilling drama of too-busy parents, a neglected child, and an almost human member of the Army's K-9 Corps.

"SELLING AMERICA"

If Benjamin Franklin were to come back today, could he teach the modern salesman anything about selling? This is the question that "General Motors" tries to answer in an interesting and instructive picture entitled "Selling America." This picture was shown before the local Rotary Club last Thursday by Rotarian George Luce.

From various writings of Franklin the following principles of selling are presented as being fundamental to all healthy human relationships. First — Don't talk too much, but get the prospect to ask questions. Second, never argue, for whether you are right or wrong, argument only undermines good feelings. Third—accept your prospects point of view, and then compare your own with his. Fourth, never contradict your prospect, but show him what he asks for, even when you do have something better. Fifth, don't waste time, but tell a complete story. The human qualities that are necessary to keep these five principles and apply them are the qualities that make for healthy human relationships in any generation.

The committee comprises George Becton, Russel Bigelow and Albert McFall, with Richard Woodward in charge of entertainment.

In appointing his committees, Edward Fry, President of the Y.M.C.A. called attention to the many years of successful Father and Son Banquets sponsored by the Y and emphasized the cooperation that has regularly been given by the Woman's Auxiliary which this year, under leadership of Mrs. Raymond Carson, will serve a turkey dinner.

Rev. S. Dan Morgan will speak on the program and the special entertainment for the young people will include a magician and a sport film. A section of the high school orchestra will supply music with George Dargin leading the group singing.

ABOUT TOWN

Mrs. Roland Michener, 307 Bank avenue, Riverton, is a patient at the Jefferson Hospital, Philadelphia, where she is under observation.

Mrs. L. L. Keating and Mrs. George Bornet, Riverton, had luncheon at the Warwick in Philadelphia, Wednesday and attended the theatre.

Miss Anne Sparks, Main street, Riverton, left Monday to resume her studies at Maryland College, Lutherville, Md., after a pleasant visit with her parents, Mr. and Mrs. Carvel Sparks.

SUSPICIOUS CHARACTER

While on duty early Tuesday evening of this week, Officer John Robinson, of the Riverton police noticed a stranger apparently wandering aimlessly at Broad street and Thomas avenue. Upon being questioned he could give no logical reason for being in the vicinity and, in addition, he had no draft card. His German accent further aroused the suspicions of the officer.

The man, one Charles Wittlinger, was taken to the police station for further investigation and later Chief William Gootee and Robinson went to Philadelphia with a set of his fingerprints to check up on his story.

It developed that Wittlinger had served a year in jail for alleged talk of a somewhat seditious nature.

He is still in the Riverton jail pending investigation by the F.B.I.

AMERICAN GENIUS AT WORK
100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts . . . seems to presage the arrival of that period when human improvement must end."
His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown.

CENTRAL BAPTIST CHURCH
Palmyra, N. J.
Rev. S. Dan Morgan, Pastor

To a large extent, the ills suffered by the people today are mental. Anxiety, worry, problems, "war jitters," all combined play havoc with the nerves and ultimately the whole physical body is affected.

Here we can take a lesson from those service boys of ours who are facing far greater problems and dangers than we can ever imagine. They are finding strength and courage to meet their daily needs from the encouraging and heartening words found in the Bible. We hear of testimonials every day from our boys to this effect. Then why should we, on the home front, neglect the reading and studying of this great book, with solutions for every problem we can expect to face. By attending our Bible School, with its teachers and departments covering every age, you will find this to be true. Strangers and newcomers in our midst are cordially invited and welcomed to any and all services of Central Baptist.

Services, Sunday, April 15th
Bible School, 10:00 a.m.
Morning Worship, 11:15 a.m. Pastor Morgan will speak on the subject, "Beginning With One" at this service. "Thine Is The Kingdom," an anthem by Gaul, will be offered by the choir. Miss Anne McConnell, soprano, and Mrs. Lawrence Schweiner will sing "The Lord Is My Shepherd" by Smart.
Jr. and Jr. B.Y.F., 6:45 p.m. A youth fellowship hour for two age groups which are always very interesting and helpful.
Evening Worship, 7:45 p.m. "Repentance, Confession, Forgiveness" is a very promising sermon to be delivered by the Pastor. Invite your friends and come out. Fortify yourself for the coming week with that stimulus that comes from enjoying a good sermon and a hear of Christian fellowship. The choir will sing "Something For Thee" by Cantace. Mrs. Edward Hughes, Soprano, will be the soloist of the evening.

Calendar for the week:
Tuesday, 6:30 p.m.—Fathers' and Sons' Banquet to be held in the social hall under the direction of the YMCA and the YWCA.

—o—

Wednesday and Thursday, 12:45 to 5:15 p.m. Blood Bank to be held in the Sunday School rooms.
Wednesday, 8:00 p.m.—Mid-week Prayer and Praise service.

—o—

Thursday, 8:00 p.m. Choir rehearsal under the direction of Mr. Claude Barto.

—o—

Consider this one of your "musts" for this week and every other week during this world wide conflict—write the service man of the week, even if you only send him a card or picture of some of the town's views. This will help to keep up his morale. And here he is—

CALVARY PRESBYTERIAN CHURCH
The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.
Riverton, N. J.

In a few days the leaders of the victor nations of the earth will meet in San Francisco to formulate policies and arrive at decisions that will influence the history of the world, perhaps for centuries. The Church of Jesus Christ will not be officially represented at this conference, but every Christian in America can make his or her influence felt by offering to the whole world at this time a stirring testimony of their loyalty to the Christian plan for world brotherhood. The leaders who will represent our nation know, or ought to know, that the Christian Church in America stands for the literal fulfillment of the terms of the Atlantic Charter. They know, or ought to know, that the Christian Church will only support those doctrines that recognize the sanctity of human life, and that treat the peoples of other nations (including the people of Poland) as human beings who have a right to help determine the boundaries of their land. We as individual Christians, cannot go to San Francisco and express our convictions, but we can demonstrate to every delegate at San Francisco that we are very decidedly in favor of the Christian answer. If every church in America should be filled to overflowing during the next six weeks the representatives of the various nations meeting in our land would not be slow to understand the reason and to be influenced by this demonstration of our Christian solidarity would strengthen the hands of our American delegaiton.

Services at the Calvary Presbyterian Church next Sunday are as follows:

Church School at 9:55 a.m. Following the opening assembly there will be Bible study classes for all age groups from 2 to 18. A ladies' Bible class will meet at the morning hour in the Trustees' Room.

Divine worship at 11:00 a.m. The sermon topic will be, "The Church-Military or Militant?" The Calvary Choir will render the anthem "Send Out Thy Light," by Gounod. During the morning worship hour children will be cared for in the Church Nursery under the supervision of Mrs. Lawrence C. Pray.

The Junior C. E. will meet at 8:15 o'clock Sunday evening. Junior Choir rehearsal will follow at 6:45 p.m.

The Sunday evening worship period in the Sanctuary, beginning at 7:15 o'clock will be conducted by members of the Men's Bible Class.

YOUTH FUND GETS UNDER WAY

The opening gun in the Tri-Borough Youth Fund Campaign was fired tonight, Thursday, April 19, when Section Leaders and team captains met at the Rotary Club for final instructions from Paul R. Jones, who heads the campaign.

Robert Finney, Section Leader for Riverton, with captains of teams including Charles Woolston, Rev. Robert B. Stewart, Robinet Cole and Lemuel Burhoe will have 40 solicitors in his area. Captain James B. Ryan is Section Leader for Palmyra, with eight teams headed by William G. Seither, Anthony Greco, Howard Conover, Charles Seemuller, Edward Fry, Charles Stickney, Alfred Gilmore and Paul Schneider. The Palmyra area will be canvassed by 80 solicitors. In Cinnaminson, the drive will be headed by Section Leader Howard Humphreys with Maurice Joyce, Earle Harder, John Perry and Edward Jessup as captains for 40 solicitors.

This entire organization has been drawn from the Rotary membership who have long been interested in the six organizations for which the Campaign has been undertaken: The Boy Scouts, the Girl Scouts, the YMCA, the YWCA, the Community Center and the Civic Center. Of these, the Girl Scouts, YWCA and Civic Center are included in the Youth Fund for the first time.

SUNDAY OF PRAYER

Protestant leaders of the United States have joined in urging our people to observe Sunday, April 22, and Wednesday, April 25, as occasions for special prayers of intercession.

To Promote World-Cooperation

This request will be honoured, in the churches of our communities next Sunday morning at the regular worship services.

On Wednesday evening, April 25, a Union Prayer Service will be held in Central Baptist Church, Palmyra, at 8 o'clock. This is the opening day of the San Francisco Conference.

Our Representatives expect and need the under-girding of their efforts by the prayers of Christian people. Every one who really desires to promote an enduring peace is urged to be present and to take part in this most important service.

The call stated:

As the Conference of the United Nations convenes—

Let Us Give Thanks

That the opportunity is now given to make a new beginning in the development of effective world community for the maintenance of peace with justice.

Let Us Confess

That we have been concerned too much with our own affairs, at times indifferent to the needs of others and unready to make sacrifices to prevent war and to insure peace.

Let Us Pray

That out of the suffering and sacrifices of our war-torn world there may be born a new willingness among men to work together for the common good.

That the Holy Spirit may give to the conference delegates both the will and the wisdom to fashion an organization which shall bind the nations effectively together for mutual protection and benefit in one family of mankind.

That our government may be guided to accept its responsibilities to give the full support of the United States to all constructive agreements which the conference may achieve.

That the peoples may undergird their governments and the international organisation now projected in the development of world order, freedom and justice under law.

And that to the churches and nations God may give a deeper faith in the possibility of a better world order, based upon His holy and redeeming purposes as revealed in Christ, and a stronger will to persevere in its achievement.

THE PORCH CLUB

On May 1, Miss Sue Read will be the guest speaker at the Porch Club. Miss Read is a young, talented and attractive person who, although in her twenties, is well known to radio, television, motion picture and lecture audiences. She has earned the title "Most Televised Girl in America."

Miss Read was born in Philadelphia and is a descendent of George Read, a signer of the Declaration of Independence. As a child her talent was recognized early and her work attracted the attention of the noted radio singer Jessica Dragonette. Miss Dragonette arranged for her to study with the famous Estelle Liebling and the dramatic coach Arthur Allen.

Her concentrated work and study soon led to radio appearances and after a few years N.B.C. program arrangers gave her an audition for television, where she was chosen as the ideal television type.

Miss Read has since been featured with Fred Allen, Walter Winchell and many other well known artists. In addition to this she was chosen as the woman commentator for Paramount Newsreels and short subjects.

Miss Read is currently heard over WQXR on a radio program called "The Man About Town and Sue Read" which is broadcast five days a week from 5:45 to 6:00 p.m. E.W.T.

Miss Read's educational background fits her admirably for the work she is doing and we feel privileged in being able to present Miss Read to Porch Club members.

SCOUTING WITH TROOP 50

Thursday, April 5 eighteen boys, under the leadership of Al Farrow, with transportation furnished by Mr. Hoyt, Mr. Carhart and Mr. Farrow, traveled across the river to Phila. for a swim in the fine Broadwood pool.

A grand time was had by all, with two boys, Marter Carhart and Wilbur Stranahan passing 1st Class swimming requirements.

Saturday, April 14, a scheduled overnight hike with Scoutmaster Tuttle in charge, got off to a good start with a nice turn out and fine weather. Within an hour after the boys started making camp a 60 mile an hour wind and rain storm tested their Scouting abilities. All the boys enjoyed the campfire songs and games, particularly the initiation of George Rotenbury and Dewey Showell, these boys nearly wearing out the end of their noses in attaining membership in the O.W.A.G.I.A. club.

The boys arrived home tired but happy Sunday afternoon.

THANKS

We wish to express our very deep appreciation to the Fire Companies of Palmyra and Riverton, to the Palmyra Ambulance Association, to the Police Force and to all the people who were of such great help to us at the time of our tragic fire.

The W. Lynn Hendrickson.

What Have You Done Today?

Please don't let up on saving waste paper, but double your efforts. Lack of manpower, poor transportation, and general weather conditions have seriously hampered paper mill production.

Paper is still No. 1 on the critical list. Our boys are being fed out of paper—receive their ammunition in paper—and blood plasma, packed in paper, is saving their lives. Keep up your work. Save paper for your regular collections, give it to school children, or call a dealer.

V-E DAY

A service of Intercession, Remembrance and Dedication will be held on V-E Day evening at 8 o'clock in the following churches—Moravian, Christ Episcopal, Bethany Lutheran, Epworth Methodist, Calvary Presbyterian, Central Baptist.

Abraham Lincoln said, "It is rather for us to be here dedicated to the great task remaining before us." We are under obligation and responsibility, before God and man, to give thanks for what God has allowed us to accomplish and in addition to dedicate our energies to the task in the future.

Our blood grows cold when we see and hear what Adolph Hitler did to the youth of Germany. This, in itself, reveals to us the importance of finishing the task which lies before us. To do this requires that we seek the counsel and guidance of God. At the same time we must unite our prayers and efforts, as Christians, in helping to secure that which we know to be just and abiding. Therefore, let all people of these communities respond to the inner urge to give thanks and go forth prepared to win the Peace.

S. DAN MORGAN,
President of the Tri-Borough Ministerium.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.
Riverton, N. J.

Next Sunday we shall honor the request of our Protestant church leaders that Sunday, April 22, be dedicated to a consideration of the stake of the church in the world peace program. On Wednesday, April 25, representatives of 43 nations will meet in San Francisco to examine the Dumbarton Oaks proposals, and to formulate plans for the creation of stronger ties of world unity. The hands and hearts of our American representatives must be strengthened by the prayers of Christian America, and we have a responsibility to testify to the whole world as to the extent of our Christian solidarity. May each Christian feel a sense of personal responsibility to be present in the House of God in the spirit of prayer on the last Sunday before this momentous conference begins.

At the morning worship at 11 o'clock the sermon theme will be, "The Christian and the San Francisco Conference." The Calvary Choir under the direction of Edward Graepp will render the anthem, "O Lord Most Holy" by Franck. During the worship hour children will be cared for in the Church Nursery under the supervision of Mrs. Oscar Wargny.

On Sunday evening the Junior Christian Endeavor will meet at 6:15 p.m., with Junior Choir rehearsal following at 6:45 o'clock.

A brief worship service will be held in the Sanctuary from 7:15 to 7:30 for all evening groups. Following the worship service the Westminster Guild will meet in the Manse with Mrs. Stewart, the Senior Christian Endeavor will meet in the Junior Department room under the supervision of the Pastor, and the Men's Bible Class and Semper Fidelis Bible Class will meet together in the North Transept with A. D. McFall teaching.

All members and friends of the Calvary Church family are urged to make a special effort to be present at the Union Prayer Service to be held in the Baptist Church on the evening of Wednesday, April 25, at 8 o'clock. All Protestant churches in our communities are participating in this service, which will be held on the evening of the day on which the World Peace Conference convenes.

The annual meeting of the Good Fellowship Club will be hled on Friday evening, April 19, in the church school auditorium. At eight o'clock a concert will be presented by the R.C.A. Choral Society under the leadership of Fred Homer. This concert will begin promptly at the scheduled hour, and all members are asked to be present a few minutes before eight. The annual meeting, at which trustees will be elected to serve for one year will follow. A late supper will be served.

The Calvary Church School convenes each Sunday morning at 9:55 a.m. In addition to the Bible study classes for all age groups from two to eighteen years there is a Women's Bible Class in the morning which meets in the Board Room under the leadership of Miss Clara Bishop. A brief worship service is conducted in the assembly room for all members of the Junior, Intermediate, Senior and Adult departments under the direction of Murray M. Kirkpatrick, Superintendent of Worship.

BOYS ARRESTED FOR ENTERING RIVERFRONT PROPERTY

On Saturday, April 14, at 6:10 p.m. while on patrol on Bank avenue, Officer John Robinson noticed three grown lads emerging from the old King property at 205 Bank avenue, which is now owned by R. M. Hollingshead, Sr.

This house has been barricaded for several years against vandalism. In questioning these boys they admitted forcing an entrance into the house. They had started a fire in the fireplace and this act might have caused the property to burn down had the fire not been extinguished by the officer.

All three lads were from Philadelphia and it was revealed that they had hired a row boat in Tacony two hours previous. The boat was smashed against the stone wall and the boys had no way of getting home. A search of their person revealed several electric fixtures taken from the Hollingshead property.

Two of the boys were just preparing to enter the Navy. In order to prevent a criminal record they were allowed to leave a deposit for their appearance next day, this being deposited by the father of one of the boys.

...AND JERSEY CITY

More than 48,000 telephones were in use aboard the ships taking part in landing operations against a Jap-held island in the Pacific recently—nearly as many telephones as there are in Jersey City.

This was just one naval operation. When you multiply its needs by those of other naval units on both sides of the globe, and add the tremendous requirements of the Army—you realize why telephone manufacturers are building almost entirely for war needs. You realize, too, why so little new equipment is available here at home for new telephone connections, except for essential uses.

LOVE and RESPECT

Can Never Be Reduced To A Pattern

When a Loved One passes away no perfunctory, standardized service can express the family's love and respect.

No Ready-Made Funeral, rendered in a matter-of-course fashion, can ever take the place of a conscientiously planned and personally directed service—one that especially meets a family's particular requirements.

Whatever Price the family chooses to pay, it receives the unrestricted benefits of our knowledge, experience and modern equipment.

AMERICAN GENIUS AT WORK

100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts . . . seems to presage the arrival of that period when human improvement must end."

His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown.

The future holds many more. And America's 16,000 banks are ready to meet the credit needs of competent individuals and firms that will bring us the new and improved products to enjoy.

AMERICAN GENIUS AT WORK

100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts . . . seems to presage the arrival of that period when human improvement must end."

His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown. The future holds many more. And America's 16,000 banks are ready to meet the credit needs of competent individuals and firms that will bring us the new and improved products to enjoy.

CENTRAL BAPTIST CHURCH
Palmyra, N. J.
Rev. S. Dan Morgan, Pastor

Preparations are being formulated by churches throughout the country for the proper observance of V-Day when it arrives. The church doors of every denomination will be open to the public where they may enter and render to Almighty God their prayers of thanksgiving for His deliverance from one of the most tragic of all wars. This is as it should be. When that V-Day arrives no one can tell. We are certain of one thing however, that just as quickly as every individual in this and all other countries senses his or her privilege and obligation to their Maker for His every day guidance and blessings, and demonstrates it through rightful worship in their daily lives, Peace, which we all desire, will come. Indifference to the neglect of the individual's spiritual development is the chief cause of all wars. The lack of which makes it harder to be tolerant with our neighbors, and without this tolerance there springs up seeds of hate which ultimately grow into conflict. Central Baptist is planning for V-Day, but invites you to its weekly worship to hasten that day and to lay a foundation for permanent peace by attuning the heart of everyone to the right way of living.

CIRCUS AT BURLINGTON

The Hunt Brothers Circus, which has its winter quarters on Route 130 near Florence Station, will open its 1945 season at the Burlington High School Field, Thursday, April 19, and show for three successive days.

The shows are being sponsored by the Burlington Kiwanis Club and proceeds will go to benefit the School Lunch or Canteen, which was established last spring with funds derived from the 3-day showing of the same circus.

This year the show will be under flameproof canvas and the added space will make it possible to put on the complete circus, the same as will exhibit in the larger cities of the East during the summer.

Tickets will be on sale at the circus grounds.

A host of new acts has been added for the 1945 season, including a group of dancing horses and acrobatic roller skaters.

There will be a special elephant act in which three of the huge beasts will perform feats which require almost human intelligence.

The Hunt Circus is famous for its dog specialties and the acts of these intelligent animals are a feature of the program.

In addition there will be plenty of clowns, aerialists, acrobats, jugglers, magicians and all the circus favorites.

NEW IMPETUS TO YOUTH FUND

New impetus was given to the solicitations of 227 members of the Tri-Borough Youth Fund campaign with the announcement this week that one substantial contributor had offered to increase his contribution to $1,000 if ten donors would come forward with an average of $250 each. The Youth Fund campaign was launched last Thursday under the leadership of Paul R. Jones at a meeting of the campaign organization in Borough Hall, Palmyra.

Covering Riverton, Palmyra, and Cinnaminson, the Youth Fund will support the activities of six youth organizations in the area: Boy Scouts, Girl Scouts, YMCA, YWCA, Community Center and Civic Center. Success of the plan to reduce the number of financial appeals, by combining the Boy Scouts, YMCA and Community Center campaigns, was so outstanding last year that this year the Girl Scouts, YMCA and Civic Center have been added.

Groups Benefit

The benefits of the plan are not confined to the financial side, however. Integration of the sponsoring and administrative personnel of the several organizations has brought benefits to all of them—better understanding, elimination of duplicated effort, coordinated planning and greater benefits to the youth served with four of the interested organizations affiliated with widely known national bodies, public acceptance of the Boy Scuots, Girl Scouts, YMCA and YWCA is given as a matter of course. The Community Center and the Civic Center are strictly local in organization as well as operation. They fill needs, however, which no other Youth organization in the area supplies. Healthful recreation in a pleasant environment under proper leadership is offered by both.

hTe Community Center, located in Palmyra, is open three hours a day, six days a week. Basketball, pingpong, checkers, darts and billiards are among the facilities, while music is provided by pianos, radio and record player. Friday and Saturday night dances the year round attract some two hundred young people. The Center, guided by Taylor Kirby and William Lukens, is directed by a youth council of twenty-two members.

Civic Center

The Civic Center in East Riverton is an outgrowth of the Civic Club which, since 1927, has played an important part in the civic life of the area. One of its principal interests is the Junior Civic Club which was organized to train negro youth to be good citizens. Since 1940 the organization has had the advantage of the Civic Center, now owned free and clear. Here, young people have adequate provision for development of mind, spirit and body.

Mr. Jones and his committee are to be congratulated on the success the Youth Fund campaign is meeting as a result of their work.

ELWELL IN TROOP CARRIER GROUP

First Lieutenant Francis B. Elwell, Jr., the son of Mr. and Mrs. F. B. Elwell, Sr., 308 Main street, Riverton, has been promoted to his present rank with a veteran troop carrier group of the 12th Air Force.

The group, commanded by Colonel John Cerny, Harrison, Idaho, transports vital supplies to the front lines by air, evacuates the wounded to rear station hospitals, and hauls air-borne infantry and paratroopers to target areas. It participated in the invasions of North Africa, Sicily, Italy and southern France, and was awarded the distinguished Unit Citation for outstanding supply-by-air service in the Burma-India theater.

Lieutenant Elwell, Jr., was graduated from Phillips Exeter Academy, New Hampshire and Yale University, New Haven, Connecticut.

LEEDOM KILLED

Private First Class William J. Leedom, 23, son of Mr. and Mrs. Miles Leedom, 307 Pompess avenue, East Riverton, was killed April 3, his parents learned Saturday. He was graduated from Palmyra High School and prior to enlisting in December, 1942, was employed by the Kieckhefer Container Co., Delair.

He went overseas last February. Two brothers, Sgt. Kenneth Leedom and Sgt. Miles J. Leedom, are serving with the U. S. Army.

JUST WHAT DOES THE FAMILY SERVICE COUNCIL DO?

This is a frequent question. We are here to serve those who need and want help. Problems are the lot of all of us—sometimes we can solve them alone—at other times we seek the help of another who can listen with understanding and help us arrive at a wise solution. The Family Service Council of Riverton and Cinnaminson offers consultation about problems in family relationship such as difficulties between parents and children, husbands and wives; provides financial assistance when it is needed to ease the situation which caused the need; gives individualized help to children who are having difficulties in school or family. We work with the Visiting Nurses, schools, police, Red Cross and interested friends and neighbors.

But Why a Family Service Bureau?

Can't difficulties like these be straightened out in some other way? Yes—many find someone within their own circle of family and friends who can give the needed help. Some find help through church or school. But others have no one to whom they can turn—or, perhaps, they prefer an outsider who can give a new point of view. These people want the sympathetic guidance of someone trained to counsel troubled people—someone who both from experience and training is equipped to know the resources which may help.

Jobs Are Plentiful. Why Do People Need Help Today?

Many of those who come have problems unrelated to money and ask no financial help. The war has provided opportunities for work and most employables are now self-supporting. But troubles, great and small, present in time of peace are accentuated in war. Families are separated, mothers are working and children are left to their own devices or "parked" with willing or unwilling relatives and neighbors. Among those asking help are the families of Service Men and "rejectees" who need guidance in readjusting to a useful civilian role. As men return from war in increasing numbers there will be greater opportunities for family counselling and service. It is our job to be ready.

Where?

The Family Service Council of Riverton and Cinnaminson is located at 602 Main Street, Riverton, N. J.

When?

The office hours are 9 a.m. to 1 p.m., Monday through Friday.

Who?

The present staff consists of only the Executive Secretary, Mrs. Eleanor S. Smith, and the Office Secretary. We have been grateful for the interest of individuals and organizations who have given generously of time and donations to further our work.

PORCH CLUB SPEAKER

On May 1, Miss Sue Read will be the guest speaker at the Porch Club. Miss Read is a young, talented and attractive person who, although in her twenties, is well known to radio, television, motion picture and lecture audiences. She has earned the title "Most Televised Girl in America."

Miss Read was born in Philadelphia and is a descendent of George Read, a signer of the Declaration of Independence. As a child her talent was recognized early and her work attracted the attention of the noted radio singer Jessica Dragonette. Miss Dragonette arranged for her to study with the famous Estelle Liebling and the dramatic coach Arthur Allen.

Her concentrated work and study soon led to radio appearances and after a few years N.B.C. program arrangers gave her an audition for television, where she was chosen as the ideal television type.

Miss Read has since been featured with Fred Allen, Walter Winchell and many other well known artists. In addition to this she was chosen as the woman commentator for Paramount Newsreels and short subjects.

Miss Read is currently heard over WQXR on a radio program called "The Man About Town and Sue Read" which is broadcast five days a week from 5:45 to 6:00 p.m. E.W.T.

Miss Read's educational background fits her admirably for the work she is doing and we feel privileged in being able to present Miss Read to Porch Club members.

Summer Round-Up

The annual Summer Round-Up of children will be conducted from April 30 to May 4. The Summer Round-up is a major health project of the National Congress of Parents and Teachers and its purpose is to send children to the entering grades of school in good physical and mental condition. In this State it is sponsored by the New Jersey Congress of Parents and Teachers and the Medical Society.

The Round-Up group includes all children from two years of age to those eligible for School in September.

Names of children who will enter school in the fall for the first time have been secured through the school census.

Parents will be visited by a member of the local committee and will be advised to take their children to their family physician for examination.

A standard examination is used and each child's form is turned over to the school authorities, to serve as the initial unit of the child's permanent health record.

The TRANSPORTS OF WAR Require Thousands of Lights
Every ship—every plane—every tank must have means of illumination. Some of these lights are of gigantic size and some are as diminutive as the tip of a finger. Gas is used to mold the glass. The uniformity of gas heat gives uniform results. Since the slightest irregularity is cause for rejection, and rejections slow production, gas is given preference in war plants making this equipment. Gas has made an outstanding contribution to New Jersey's fine record for war production work.

What Have You Done Today?

Please don't let up on saving waste paper, but double your efforts. Lack of manpower, poor transportation, and general weather conditions have seriously hampered paper mill production.

Paper is still No. 1 on the critical list. Our boys are being fed out of paper—receive their ammunition in paper—and blood plasma, packed in paper, is saving their lives. Keep up your work. Save paper for your regular collections, give it to school children, or call a dealer.

YMCA BRIEFS

Group work of the Young Men's Christian Association is now conducted in clubs led by George Weigand, Victor Washington, Timothy Johnson, Richard Mallory, George Becton, Dewees Showell and Lloyd Major, with E. Newbold Cooper serving as Mentor for the older group enrolled in Phalanx Fraternity. Conferences, camping and a variety of community activities supplement the group programs throughout the year, all under the supervision of the County Association.

Each of the six organizations plays a significant part in the character building influences directed toward the good citizenship of our youth. The Community Center and the Civic Center are unique in this respect as they provide, as their names imply, a meeting place as well, which all the organizations may share.

Charles Elwell, of 308 Main street, Riverton, is playing on the Choate baseball squad this year.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.
Riverton, N. J.

The times in which we are living are not times for easy optimism. We are all living under certain shadows, and they can not be escaped merely by closing our eyes. These are times when we must keep our eyes open that we may interpret the shadows under which we do live, and that we may understand their purpose. We know that our leaders at San Francisco are living under many shadows, just as we are in our humble daily contacts with the world. But sometimes we do not know that we can choose our shadows. In the first century the followers of Christ chose to live under the shadow of a Cross, and that made a difference to them and to the generation of which they were a part. The Psalmist chose to live under the shadow of the Almighty. That is the shadow under which we must all seek to live in these days of decision if we would bring peace out of destruction.

At the 11 a.m. service Sunday the sermon theme will be, "The Shadow of the Almighty." The choir, under the direction of Mr. Graepp, will render the anthem, "Evening and Morning," by Oakeley. A trio will render the sacred anthem, "Lead Us, O Father," by Coerne. During the hour of worship children will be cared for in the Church Nursery by Mrs. Parker H. Johnson.

Sunday Evening

The Junior C. E. meets at 6:15 with Mrs. DeCourcey and Miss Evaul. Junior Choir rehearsal follows at 6:45 under the direction of Mr. Farrow.

A brief service of worship will be held in the Sanctuary at 7:15 by the Westminster Guild. After the worship service the Senior C. E. will meet in the Junior Department room. Edgar DeMaris will be the leader. The Men's Bible Class and the Semper Fidelis Bible Class will meet together in the North Transpet. Mr. McFall will teach. The Westminster Guild will meet at the Manse with Mrs. Stewart.

—o—

A social meeting of the congregation, for all members and friends, is scheduled for Friday evening, April 27, at 8 o'clock. If you have not received a letter, please accept this notice as your invitation.

—o—

The Evening Group of the Missionary Society will meet at the home of Mrs. Bartholomew on Tuesday evening, May 1, at 8 o'clock. There will be two guest speakers, and the theme of the meeting will be "Mexico and Christianity."

The other circles of the Missionary Society will meet on Wednesday afternoon, May 2. Places of meeting will be announced in the Church calendar next Sunday morning. These afternoon circles will meet at 2:30 p.m.

—o—

The regular monthly meeting of the Session will be held at the Manse on Tuesday evening, May 1, at 8 o'clock.

—o—

On Friday evening, May 4, a joint supper meeting has been arranged for all members of the Men's Bible Class and the Semper Fidelis Bible Class. For reservations class members should contact their class officers.

GOOD FELLOWSHIP CLUB

The concert presented last Friday evening at the Calvary Presbyterian Church will long be remembered by the 60 couples of the Good Fellowship Club who heard it.

Forty artists constituted the membership of the R.C.A. Choral Society, directed by Fred Homer. This talented chorus presented four groups of three numbers each. A high standard of harmony and interpretation was maintained throughout. Each number had been carefully chosen to provide variety and to bring out the natural talents of the choir members. Among the numbers presented were "Ave Maria," by Shubert-Wilhelmj, and "Begin the Beguine," by Porter. The program concluded with a dramatic presentation of "Ole Man River." This number was presented as a baritone solo with chorus support and formed a fitting climax to one of the finest concerts presented in Riverton in recent years.

Following the program the annual meeting of the Club was held under the direction of the retiring president,

ROD AND GUN CLUB

The April meeting of the Twin City Rod and Gun Club found a large number in attendance ready to swing into the spring program.

The Trout season opened in the state Sunday, April 15th, and many of our fresh water enthusiasts were casting their lures on their favorite stream and lake.

This is also the season when our wild life are beginning to have their young and should be protected from varmints and predatory birds. The club is taking steps to see that food patches are planted on our gunning grounds to insure lowered mortality among the young birds and rabbits.

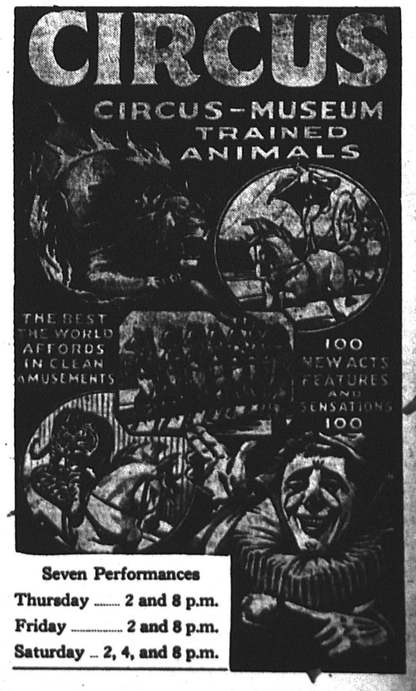

The field trials are under way at this time of the year. Several members entered their hounds in the Beagle Club trials last week and were very gratified at the showing of their dogs.

This Sunday, if the weather permits, the members and their families are going on a picnic. It is a good chance for the wives to come out and meet the fine group of fellows of which the club boasts. A good time is expected.

RIVERTON SCHOOL NOTES

The Eighth Grade Civic Club while discussing organizations deserving its support decided to include The Salvation Army when making contributions. The following letter of appreciation was received.

Miss Rosalie Lewis,
Secretary of 8th Grade Civic Club,
Riverton School,
Riverton, N. J.
Dear Rosalie:

We have received many gifts in the current Salvation Army Drive ranging from a few pennies to several thousand dollars, but none has pleased us more than the $3.25 donation sent to us by the 8th Grade Civic Club of the Riverton School.

It is the keen desire of all right-eous peoples to assist those who are less fortunate and I am sure such a desire prompted your class of 26 pupils to voluntarily send us your subscription. Your pennies, nickels, dimes and quarters may give some poor soul a new start in life or may supply a much-needed doughnut and a cup of coffee to a Servic'man on a farflung battle front.

Yes, Rosalie, such a gesture on the part of your Civic Club is the very breath of Liberty and Freedom with which we are all blessed in this free America. It is just such an impulse that has led your older brothers and friends to offer their very lives that our Democracy may continue to live and flourish.

We most heartily thank you and your classmates for your gift to help our Cause, and we thank God for the wholesome and genuine spirit of our coming generation.

Sincerely yours,
E. L. WORSTALL,
Chairman Banking Section,
1416 Chestnut St., Phila., Pa.

Looking toward the end of the term the following dates have been set for school events.

Wednesday, May 9, the Eighth Grade Girls will entertain the Board of Education and the faculty at dinner.

Wednesday, May 23, the annual Play Day will be held in Memorial Park.

Tuesday, June 12, closing exercises will be held by the Eighth Grade.

LETTER FROM SPICKLER

The following are excerpts from a letter received from Charles Spickler, S 1-c, by his grandmother, Mrs. Ella Fogarty, Main street, Riverton.

At Sea

My Dearest Grandmom:

Just a few lines to say "hello" and to let you know that I am well. I miss you more every day. How are you feeling? How is everything at home?

Well, at last I can tell you where I have been lately. First, when we left California, we went to Pearl Harbor and there I was put on my ship. From there I have been at Eniwetok, a small island. I have also been at Saipan and now I just came back from the invasion of Iwo Jima, which you have most likely read about.

We sure did give the Japs plenty of trouble. The Marines did a wonderful job of mopping them up. At one time our ship was so close to the island that we could see the Marines and Japs with our naked eye and also see Old Glory flying high. And don't you think our Navy didn't give those Japs plenty of headaches. We kept shelling them day and night. Boy, what a sight!

I have some news for you. I saw Florence's (Mrs. W. M. Riccio, of Riverton) husband's ship, but I couldn't get to see him.

Give my regards to all my friends and write real, real, soon.

Charly.

GUILD MEETING

The regular monthly meeting of St. Anne's Guild will be held in the Parish Hall of Christ Church, Riverton, Wednesday, May 2, at 2:30 p.m.

Midshipman George Conover, Jr., son of Mr. and Mrs. George Conover, 607 Elm terrace, Riverton, left Monday for Morrisville, Pa., where he will enter officer's training at the Pennsylvania Marine Academy.

RUNAWAYS CAUGHT

While on patrol at Broad and Fulton streets early Wednesday morning, Officer John Robinson, of the Riverton police picked up three boys 15 to 16 years of age. They were taken to the station and searched, where it was found that they had pilfered a quantity of produce, etc., from a roadside market on Route 25. They also had a sailor's pea jacket, which they claimed to have found.

All were from Camden and police learned that one was wanted in that community for a $3,000 robbery. The same three were arrested as runaways recently in Coatesville, Pa.

The offenders were turned over to the Camden police.

INDUCTED

The following were inducted into the armed forces during April:

Army

John R. Gering, Berwick, Pa., formerly of Palmyra.
Charles W. Hoffman, Maple Shade.
Russell O. Jones, Maple Shade.
John M. Laverty, Riverton.
Harry B. Mennel, Jr., Maple Shade.
Charles E. Morton, E. Riverton.

Navy

George Knight, E. Riverton.
Joseph Meizinger, Maple Shade.
Salvatore F. Sacca, Palmyra.

INTERIOR OF SHULMAN STORE GREATLY IMPROVED

The general public will note with interest the improvements which have recently been made at Shulman's Department Store, 13-15 West Broad street, Palmyra.

The entire interior of the establishment has been redecorated and repainted in a cheerful, light shade of green, giving the effect of a much larger store.

Counters have been rearranged and modernistic furniture and hardwood floors will soon be added to further enhance the already splendid appearance.

RECAP TIRES

"The American motorist is at the crossroads," the Keystone Automobile Club declares, in a statement pointing to the danger of a national transportation breakdown unless more care is taken of vehicles and tires.

"One road," says the Club, "will carry the motorist safely through to the time when new cars, tires and all other things essential to motoring will be available in generous quantity.

"The other will, as inevitably as death and taxes, take him to that mounting junk pile familiarly known as the 'automobile graveyard.' And when the car he now owns becomes part of the Nation's junk pile, his driving days may well be ended for the duration.

"Today the American motorist is faced with a problem of momentous importance. He can elect to continue driving on worn tires, with positive assurance that blowouts or punctures will destroy whatever chance he had of maintaining the tires' usefulness through recapping. Or he can follow the wise and prudent course of having his tires recapped before they reach the danger stage."

HONOR ROLL

The following is a partial list of the men from Riverton and Cinnaminson who are serving in the armed forces of the United States. The New Era asks that relatives of men who have been omitted from the Honor Roll communicate with this newspaper so that the roster can be made complete.

A NEIGHBOR'S PRAYER

In memory of Pfc. Wm. Leedom who died in action in Germany April 3, 1945. His parents, Mr. and Mrs. Miles Leedom, live in E. Riverton

A word of sympathy amid a tear
To we who have lost someone dear.
From far across the sea
Came this sadness to we.
This boy God has called Home
To take his place upon His mighty throne.
That boy is Our Bill who was loved by all;
God chose him and he was ready for his call.
In these days of grief and sorrow
Let's pray he did not die in vain;
He gave his life for our tomorrow,
So we all can live safe and sane.

—Emma Kahn Smith.

Miss Marilyn L. Yost and classmate Miss Pat Carnahan of Beaver College, Jenkintown, Pa., spent the week-end with Mrs. Charles H. Yost, 631 Thomas avenue, Riverton.

LOVE and RESPECT
Can Never Be Reduced To A Pattern

When a Loved One passes away no perfunctory, standardized service can express the family's love and respect.

No Ready-Made Funeral, rendered in a matter-of-course fashion, can ever take the place of a conscientiously planned and personally directed service—one that especially meets a family's particular requirements.

Whatever Price the family chooses to pay, it receives the unrestricted benefits of our knowledge, experience and modern equipment.

AMERICAN GENIUS AT WORK

100 years ago, the U. S. Commissioner of Patents said, "The advancement of the arts . . . seems to presage the arrival of that period when human improvement must end."

His statement was a challenge to American genius; for electricity, automobiles, airplanes and radio were among the wonders still unknown.

The future holds many more. And America's 16,000 banks are ready to meet the credit needs of competent individuals and firms that will bring us the new and improved products to enjoy.

CENTRAL BAPTIST CHURCH
Palmyra, N. J.
Rev. S. Dan Morgan, Pastor

We cannot violate the laws of our being and get away with it without suffering the inevitable. This not only applies to nations but to the individual. This has been born out in recent years by scientists who tell us that to live according to Christian principles tends to make our bodies function properly, and to harbor anger, fear, jealousy, worry, resentment, or a sense of guilt for some wrong doing, invites ill health and even sometimes produces organic diseases.

The manner in which our lives react to these two opposite kinds of environment is proof that the Christian way of living is the natural way. It is the normal way, and evil, the abnormal. Hate, anxiety, pessimism, sadness, doubt, and despair weigh us down. While love, confidence, hope, optimism, happiness and faith have the buoying effect on our lives.

Further than that, we cannot master life and develop Christian character in our own strength. We must look to a higher power and learn of his way of life. This can be done by direct contact through worship in our respective churches. The doors of "Central Baptist" are open to you, and we commend to you our services for this Sunday:

Bible School, 10 a.m.—An all-inclusive school with classes and departments for every age—cradle roll to the sage. An "every member of the family" school. No one has to stay home.

Morning Worship, 11:15 a.m.—"The Nazareth Program" will be the subject of the morning sermon by the Pastor. The choir will sing "The Woods and Every Sweet Smelling Tree" by West and Mrs. James Seither will be the soloist for the morning. Her selection will be "My Cathedral."

Sr. and Jr. B.Y.F., 6:45 p.m.—In these groups "Future America" will be found and the type of America will depend upon how many attend and what good they derive from this Christian training and leadership.

Evening Worship, 7:45 p.m.—Much has been said of the benefits that one derives from attending the evening service. This can only be proven by trying it out for yourself. Increasing numbers are doing so. Why not you? "Divine Partnership" will be the Pastor's topic. "God Is Love" by Shelley will be rendered by the choir.

Tonight, Friday, at 8 o'clock, there will be held a meeting for the organization of a Fellowship Group of married couples from the ages of 18 to 80 years. Everyone interested is urged to be present.

Wednesday, May 2, 8 p.m.—Mid-week Prayer and Praise Service.

Thursday, May 3, 8 p.m.—Choir rehearsal in the church.

He is not forgetting you—don't forget him! Write him a letter or send him a card and let him know how much you are appreciating what he is doing for you. Our Service Man of the Week is:

"The universal belief in death is of no advantage. It cannot make Life or Truth apparent." (p. 42)

ROTARY CLUB NEWS

At the meeting of the Palmyra-Riverton Rotary Club held last Thursday evening the club was host to five service men from Fort Dix. These men were S-Sgt. Robert Yeager, Pfc. Walter Halstead, Pfc. Jack Souder, Pfc. Julius Hlubb, and Pfc. John Bunn. They are attached to the Processing Center where the men released from service are interviewed and told many peritnent facts relative to return to civilian life.

Colonel C. V. Dickinson, A.U.S., retired, spoke of some of the things we should do when receiving men who have been released from service. He particularly stressed that we should not ask too many questions and not try to do too much for them. The men want to take up where they left off.

Three guests were present as representatives of the Tri-Borough Youth Fund: W. F. Engle, Roy S. Austin and A. T. Hewlett. The Tri-Borough Youth Fund is sponsored by the Rotary Club.

Other guests were John Swartz, formerly of Palmyra, and Frank Rue.

Lieut. William Dobbins, U. S. Navy Air Force, wife and son, "Billy," of Brooklyn, spent several days this week at the home of his brother, James F. Dobbins, 410 Thomas avenue, Riverton.
