## MANN NAMED NEW COUNCIL MEMBER

At the organization meeting of Riverton Borough Council held New Year's Day, Nathan Lane was sworn into office as Mayor and Richard Lippincott and Charles W. Coward as Councilmen.

Mayor Lane appointed Carl P. Mann, of Cherry Lane to fill the vacancy on Council caused by the recent resignation of David F. Gould. The appointment, which is for a one year period, was confirmed by the members of the governing body.

Mr. Mann, a resident of Riverton for the past 10 years is employed as an engineer with the Selas Corporation of America which is located in Philadelphia.

Also sworn into office for another term were C. Kenneth Davis, collector-treasurer and Robinet Cole, assessor.

There were few changes in the other appointments, a complete list of which will be published in next week's New Era.

### GOODFELLOWSHIP CLUB

The Good Fellowship Club members and friends were fortunate in having Miss Meridith Schefflin present her dramatization of The Robe for the Christmas program on Friday evening, December 21.

Miss Schefflin's dramatic talent was remarkable and the audience was most appreciative.

Mrs. Carol Swain, organist, assisted Miss Schefflin at the intermission with appropriate music.

A Christmas party complete with glowing fire place and Santa Claus followed the dramatic part of the program in the social hall of Calvary Church. It was attractively decorated and the Good Fellowship Orchestra played jolly Christmas music and carols, with Al McFall leading the singing.

Santa Claus distributed gifts to all the members and friends gathered for the delightful refreshment and a merry time was enjoyed.

The committee for the Xmas Program was:

Porter and Jo Caldwell, Chairmen.  
Laurence and Lorna Pray.  
Jimmy and Virginia Wright.  
Robert and Frances Wright.  
Robert and Muriel Stewart.  
Robert and Eleanor Gowell.  
Charles and Grace Yost.

The January Committee as announced is:

Harry and Alwina Williams, Chairmen.  
Oscar and Helen Wargny.  
Charles and Emma Dorworth.  
Allan and Marion Sinclair.  
Sam and Betty Wentworth.  
Bob and Esther Hullings.  
Gideon and Janice Horter.  
Norris and Ruth Westcott.

### CINNAMINSON P.T.A.

#### WILL HOLD BREAKFAST

The Cinnamonson P.T.A. will hold "Breakfast at Cinnamonson" at 8 p.m. on January 14, at the school. All local communities are to be invited.

A most enjoyable evening has been planned with a prize for the oldest person attending and a prize for the most outstanding person in our community.

Please drop a card to Mrs. Elwood H. Wurster, with your choice for the most outstanding person in Cinnamonson Township. Further details will be announced.

### NOTICE

C. Kenneth Davis, Jr., proprietor of the Amoco Service Station at Broad and Main Streets, was admitted to the Furberg Memorial Hospital on Friday, December 28th for an operation.

During his stay at the hospital and convalescence the station will be attended by George Keebler. George will welcome the opportunity to be of service.

### PRINCETON CHOIR TO SING HERE

The Princeton Theological Seminary Choir of some twenty-four voices, will be the guests of the Calvary Presbyterian Church of Riverton, on Sunday, January 6th, at 11 a.m. The Choir will present a program of the world's great choral music, including numbers from the great sixteenth century composers as well as considerable contemporary music.

They will be under the direction of Dr. David Hugh Jones, Director of Music at Princeton Seminary, and a member of the Westminster Choir College faculty since its founding in 1926 in Dayton, Ohio.

Dr. Henry Seymour Brown, Vice-President of the Seminary, will be the Guest Speaker, and will bring a brief message pertinent to Theological Education and the Christian Ministry. Besides Dr. Brown, six of the students will participate in various parts of the service.

During the past seven years, the Choir has sung over five hundred services in over four hundred and fifty churches in New Jersey, New York, Maryland, Del., Va., Mass., Conn., Penna., and the District of Columbia. Many states, colleges, and foreign lands are represented in the Choir. Each man is a regularly enrolled student in the Theological Seminary of the Presbyterian Church in the U.S.A. at Princeton and, as such, is preparing for full time service either at home or abroad.

## THE PORCH CLUB

Dr. Bruno Furst will demonstrate how many mental feats are based merely on a code and a good memory—an amusing program with lots of action—at the Porch Club, January 8, at 2:30 in the afternoon.

Dr. Furst was formerly assistant professor of psychology at Masaryk College in Prague. Although his lectures are amusing, they are helpful and enlightening, especially to those interested in improving their memories, and to those who are interested in psychic phenomena.

There will be a meeting of the Executive Board at 1:00 p.m.

### SACRED HEART

#### P.T.A. MEETING

The regular monthly meeting of the Sacred Heart P.T.A. will be held Thursday, January 10, at 8 o'clock. The executive board will meet at 7:30 p.m.

The Pennsylvania Railroad have graciously consented to give us the opportunity to view their moving pictures entitled, "Trails to Rainbows End" and "Life-Line of the Nation."

These pictures will be shown by Mr. Leonard Widmann.

The program committee has arranged a pleasant evening for everyone. Come out and try to win the attendance prize for your child's class. Refreshments will be served at the close of the meeting.

### MANY STUDENTS LEAVE

Many college students have resumed their studies after a festive holiday season in Riverton and Palmyra. Miss Betty Blackwell of Elm Terrace and Miss Elizabeth Laning of Morgan Avenue have returned to Wilson College, Chambersburg, Pa. Miss Marilyn L. Yost, Thomas Avenue, and Miss Barbara Borger, Park Avenue, to Beaver College, Jenkintown, Pa. Miss Betty Tull, Homewood Drive and Miss Virginia Gould, Main street, to Cedarcrest College, Allentown, Pa.; Miss Anne Sparks, Main street, to Drexel Institute, Philadelphia; Miss Peggy Ryan, Cinnamonson Avenue, Palmyra, to Bucknell University, Lewisburg, Pa.

## COMMUNITY CHEST-U. S. O. REPORT

We submit the following report of the Riverton-Cinnamonson Community Chest for the year 1945:

Total cash received	\$11,548.20
Pledges	28.00
Distributions	
Zurbrugg Hospital	\$ 513.55
Zurbrugg Hospital Special Gift	500.00
Burlington County Hospital	747.64
Cinnamonson Home	436.51
Visiting Nurse	1,797.41
Family Council	1,643.35
Young Women's Christian Association	400.00
National War Fund	5,404.74
Expense	105.00

Exclusive of the National War Fund, the requirements of all Community Chest organizations were fulfilled. We feel that the drive was a success and that the citizens of Riverton and Cinnamonson are to be commended for their cooperation and generosity.

I wish to thank Mr. James S. Coale and Mr. Harry F. Jones for their generous advice and assistance in administering the Drive. The Community Chest Fund as we know it today is the culmination of an idea conceived by a group under Mr. Coale's leadership many years ago, and he and the people of the two communities are to be congratulated for their fine record.

The success of any Drive of this nature is in large measure dependent upon the Captains of the districts and their workers, and we wish to thank them for a job well done.

JOHN V. HACKETT, Chairman  
Riverton-Cinnamonson Community Chest

## FRAUD TRIAL DATE

After nine months delay, the date of the trial of two Burlington county Freeholders, the county auditor, five county road department employees and four vendors on charges growing out of the purchase of county supplies at purported exorbitant prices, was set for February 4 by Common Pleas Judge Charles Rigg in Mount Holly last week.

Judge Rigg set the date which he announced would be pre-emptory, at the request of Nicholas A. Carella, a representative of John E. Selser, first assistant Bergen county prosecutor assigned to prosecute the accused by State Attorney General Walter D. Van Riper.

In making the trial date application, Carella, who is second assistant Bergen county prosecutor, made good Selser's previous threat to seek a pre-emptory trial to prevent future delays in the case which has been postponed five times since the indictments were handed up in April 1945.

Selser, in a statement three weeks

## CHURCH AGAIN HEADS FREEHOLDER BOARD

LeRoy Church, of Bordentown, director of the Burlington county board of freeholders, was unanimously reelected Tuesday at the organization meeting of the county body.

Church, a member of the board for nine years, has had the director post for the past six years.

Naming department heads for 1946, Church retained the county institutions and agencies for himself. Last year he headed the highway and bridge department to which Freeholder Russ, of Delanco, was named.

Freeholder Klauder was retained

ago, accused the defense attorneys of seeking unnecessary postponements of the case. John S. Conroy, 3rd, one of the four defense lawyers, in a statement on behalf of his colleagues, denied that they were delaying the trial and placed the blame on Selser. Conroy claimed that he has failed to issue a Bill of Particulars or act on a motion to quash the indictments, two moves he contended were required before the case could proceed.

## PLAN PURCHASE OF COUNTRY CLUB

Nearly seventy-five residents of Riverton, Palmyra, Cinnamonson and nearby communities attended a meeting in the Riverton Country Club on Wednesday night of this week to consider the purchase of the club and its facilities from the present owners, who plan to close it on January 15 for an indefinite period.

The meeting was prompted by the fact that a group of men from Camden have made a definite offer to purchase the club from the owners who state that they cannot continue its operation because of the losses entailed.

The affair was opened by C. Singleton Mears, who acted as chairman. He stated that when the offer of purchase by the Camden men had been made public, a small group convened to ascertain whether or not it would be possible to have the club bought by local residents which he and others felt would be in the best interests of the three communities.

### Can Get Option

He then turned the discussion over to James S. Coale, who briefly reviewed the situation and stated that the owners would give local residents an option for 30 days to purchase the club for \$75,000 or \$5,000 less than the present management is reported to have paid.

Mr. Coale stated that he felt the club was a decided asset to local communities and that it could be operated without loss if properly supported by local residents with a widened scope of membership and run as a non-profit organization.

After a lengthy discussion a motion was passed unanimously that it was the opinion of the meeting that steps be taken to consider purchase of the club and that the original committee be expanded to include representatives from all groups in the three communities. In addition, a substantial sum was pledged by those present towards its acquisition.

It was also decided to have another meeting on Friday night of next week at 8 o'clock in the auditorium of the Riverton Public School. All those present were urged to attend and bring others who might be interested in the proposition.

The original committee was composed of Mr. Mears, Dr. Harry Rogers, J. Douglas Clark, Stuart B. Clark and Herbert M. Kieckhefer. This was enlarged to include the following: M. B. Stokes, Dr. P. H. Scott, R. S. Charleton, E. A. Schuh, R. J. Woods, Henry L. Randall, Mayor John F. Ward, Howard Coe, F. Wallis Armstrong, Jr., George Hagstoz, J. Vincent Hackett, Harry F. Jones, Arthur W. Lewis, Walter K. Woolman, P. A. Ransome, James Coale, S. Robinson Coale, Frank Chambers, George L. Durgin, W. Shelley, J. K. Hiltner, F. G. Fox, Edward Lippincott, Richard Lippincott, Frank A. Snover and W. W. Chalmers.

Among those present at the meeting were the following members of the local governing bodies: Cinnamonson—Robert J. Woods, member of the Township Committee; Palmyra—Mayor John F. Ward and Councilman Arthur Wright; Riverton—Councilmen Charles W. Coward, Richard Lippincott and S. Robinson Coale. Former Mayor J. Wilson Sylvester was also present, but the present Mayor, Nathan Lane did not attend.

SACRED HEART JUNIORS  
WIN; SENIORS LOSE

The Sacred Heart Junior basketball team won a close contest against a Moorestown quintet on Sunday afternoon, December 30, the score being 21-19.

The game was not decided until the closing seconds of the final period. The score swayed from the opening gun and there was not a time during the entire game when

either team was ahead by more than a few points.

The second game of the afternoon was between the Senior teams of the above institutions. This contest was another thriller and was hotly contested all the way. The Moorestown aggregation has a fast breaking, snappy passing squad and they were just too much for the home team to cope with. Groff and Schaffer both played stand out ball for the home team and racked up 8 and 18 points

respectively.  
The third game of the day was between the men of the two Churches, and Sacred Heart was the victor by a one sided score of 47-14. This was the Moorestown team's initial contest and too much could not be expected, but this team shows the makings of a fine one and the next meeting of the two should show a much closer score.

The Sacred Heart teams will play every Sunday afternoon, games starting at 2:00 p.m. Thursday evenings there will be Tri-Borough League games, game time at 7:00 p.m.

The school has two junior teams entered in the league, Sacred Heart Reds and the Sacred Heart Golds,

and a senior team in the senior division of the same league.  
The Public is invited to attend any and all of the games, which are played at the school auditorium, admission is free. Try to attend at least a few of the games and give the boys your support.

The Tri-Borough League officials are doing a great job in making this league a possibility and the least the citizens of the town can do is attend the games.

**SARAH REBECCA SCHREINER**  
Sarah Rebecca Schreiner, a registered nurse, formerly of Riverton, died Monday, December 31.

Funeral services were held Thursday at eleven o'clock at the Snover Funeral Home, 313 E. Broad Street, Palmyra. Rev. John E. Crockett, of Christ Episcopal Church, officiated. Interment was in Friends Burial Ground.

**PIERCE—ROBINSON**  
Miss Phyllis Robinson, daughter of Sergeant and Mrs. John J. Robinson, 215 Cinnaminson street, Riverton, became the bride of Pfc. Albert Miller of Riverton, N. J., at six o'clock New Year's Eve, in the Epworth Methodist Church, Palmyra. Rev. W. Neal Raver performed the ceremony.

The bride, given in marriage by her father, wore a gown of white taffeta made en train. She carried a bridal bouquet.

The maid of honor, Miss Norma Schwink, of Palmyra, was attired in a blue taffeta gown.

The best man was Pfc. Lawrence Hansen, of Fort Dix, N. J., and the ushers were Elmer Mohrman and Alfred Mohrman, of Palmyra.

Following the ceremony a reception was held at the home of the bride's parents.

The bride is a graduate of the Palmyra High School where she is employed at the present time. The bridegroom recently returned from thirteen months overseas service.

**MATHEWS—MAGOWAN**  
The wedding of Miss Ann Magowan, daughter of Mr. and Mrs. Herbert F. Magowan, Main street, Riverton, and William George Mathews, son of Congressman and Mrs. Frank A. Mathews, Bank avenue, Riverton, took place Saturday evening at five-thirty in the Calvary Presbyterian Church. Rev. Robert B. Stewart performed the ceremony.

The bride, given in marriage by her father, was lovely in a gown of ivory satin and lace with a finger-tip veil and crown of seed pearls. She carried a bouquet of orchids, lilacs and white carnations with blue bow attached.

The bridegroom, a graduate of the National Safety Council reports.

Sixty-five per cent of the grade crossing accidents last year involved trains going less than 30 miles an hour, or standing still, the National Safety Council reports.

# THE LAST DAY

## FOR MEN NOW IN THE ARMY TO RETAIN THEIR PRESENT GRADES BY REENLISTING...

Men now in the Army who re-enlist before February 1 will be reenlisted in their present grade. Men honorably discharged can reenlist within 20 days after discharge in the grade they held at the time of discharge, provided they re-enlist before February 1, 1946.

There's a long list of attractive reenlistment privileges in the new Armed Forces Voluntary Recruitment Act of 1945. The ability to keep your present grade is only one of them, but this privilege expires on January 31.

There are plenty of other reasons why many thousands of men have enlisted, and more thousands are enlisting every day. You'll certainly want to know all of the opportunities open to you. If you'll read them carefully, you'll know why a job in the new peacetime Regular Army is being regarded today as "The Best Job in the World."

PAY PER MONTH—ENLISTED MEN	Starting Pay	MONTHLY INCOME AFTER 30 Years' Service

**CALVARY PRESBYTERIAN CHURCH**  
 The Rev. R. B. Stewart, Pastor  
 Fourth and Lippincott Ave.  
 Riverton, N. J.

Those who were privileged to hear the Princeton Theological Seminary Choir on their only previous visit to Riverton a few years ago will be hap-

py to know that Dr. Brown has been persuaded to bring his famous male voice choir once again to the Calvary Church. The choir sings a capella. In addition to rendering six anthems, the choir will sing a negro spiritual and a choral prayer. Morning worship begins at eleven o'clock. Our church school convenes each

On Sunday morning at 9:45 a.m. Following the opening assembly individual classes are conducted for each age group. The Men's Bible Class meets in the Social Hall, and the Semper Fidelis Bible Class for ladies meets in the Trustees' Room.

On Sunday evening the Junior C. E. meets at 6:15; The Junior Choir rehearsal commences at 6:35; the Senior C. E. meets at 7:15 in the Ladies' Parlor, and the Westminster Guild meets at 7:30 at the Manse.

The Church School Council will meet in the Ladies' Parlor on Monday evening, January 9, at 7:45 o'clock. All officers and members of the Church School faculty are urged to be present to conduct the business of the school.

The Session will meet at the Manse on Tuesday evening at eight o'clock. Also on Tuesday evening, at eight o'clock, the Evening Group of the Missionary Society will meet at the home of Mrs. Wm. J. Steen, 216 Fulton street, Riverton. Miss Tencate, recently returned from the missionary field in India, will be the speaker.

On Wednesday afternoon at 2:30 p.m. a joint meeting of the Women's Missionary Society and the Women's Society will be held in the Church School auditorium. An unusually fine motion picture depicting life in America as it was lived in the Eighteenth Century will be shown as part of the program. The scene is laid in the almost completely restored town of Williamsburg, Virginia. The subject will be of particular interest to ladies, and a cordial invitation is extended to the ladies of the church family to attend this special meeting.

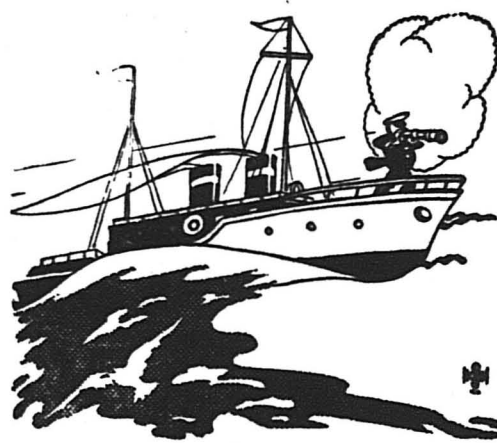

**ROTARY CLUB HOST TO MINISTERS**

The Ministerial Association of Palmyra and Riverton were guests of the Palmyra-Riverton Rotary Club at the last meeting of the year. It has been the practice of the Rotary Club to have as their guests the ministers of the community at their meeting following Christmas.

Dr. Cornelius M. DeBoe, Professor of Theology and Philosophy at Temple University and at the present time a resident of Palmyra, gave a very interesting and thought-provoking talk on the topic "A Portrait of Christ."

The Club was honored in having a number of guests present including Captain Thomas Asay, Cadet Philip Shulman and Nathan and John Lane in addition to the ministers who represented the various churches of the community.

Newbold Cooper spoke briefly about the departure of Paul Jones

**ARMY RECRUITING**

The Recruiting Officer, Captain Charles P. Seymour, Post Office Bldg., Room 407, Trenton, reports, "tremendous strides are expected of Mercer County—strides in the number of men enlisting and reenlisting in the Armed Forces."

"Headquarters of the Second Service Command anticipate Mercer County's contribution to be at least one hundred and fifty young men."

Captain Seymour also added, "there is a vast future for young men with new ideas in the peacetime Regular Army. A three year enlistment in the Regular Army entitles a young man to pick his branch of Service and theater of operations."

"Engineers of the Air Technical Service Command and Bell Aircraft Corporation have developed new equipment which makes possible remote radio control of high-speed, high-performance, operational-sized test aircraft and the simultaneous transmission of flight data to automatic recording instruments."

"As members of the Regular Army Air Forces, many men will play a part in experiments and developments such as this. Opportunities for earning while learning are theirs if they sign up for three years and enlist in the Army Air Forces now. They'll work with the very finest equipment that American industry can produce."

"Under recent legislation the Army offers not only liberal inducements for reenlistments but also an attractive and profitable career to a great many men. War Department Circular No. 310, dated October 6, 1945, as amended, sets forth these inducements and also points out that reenlistment in grade of those men now in the service terminates February 1, 1946."

MARCH OF DIMES  
JANUARY 14-31

In 1945 alone, the National Foundation for Infantile Paralysis, which conducts the annual March of Dimes, January 14-31, disbursed over \$1,000,000 in emergency aid to epidemic areas, supplementing the funds of local chapters, each of which retains for the care and treatment of polio patients one-half of all contributions to the March of Dimes in its locality.

Your support of the March of Dimes will carry on this program.

## MARCH OF DIMES

The National Foundation for Infantile Paralysis and its New Jersey Chapters have spent \$22,111.57 to care for polio patients in this State during 1945. Mr. Charles M. Jones, State "March of Dimes" Chairman, announced recently.

New Jersey suffered the second worst epidemic in its history this year, with 959 cases reported. The National Foundation forwarded \$52,500.00 to underwrite the salary of nurses through the New Jersey Crippled Children Commission.

In addition to this, local Chapters expended \$26,511.57 for hospitalization, special equipment, transportation of patients, and medical and nursing services.

In all, around \$5,500,000 was spent by the National Foundation and its Chapters throughout the country. Of this approximately \$5,000,000 was spent by Chapters and the balance of approximately \$1,500,000 was given out in emergency epidemic aid by the National Foundation.

Not only must treatment and care be assured for victims of current and recent epidemics, but also for patients carried over from previous years. The Burlington County Chapter spent \$7,512.04.

Half of all contributions to the annual March of Dimes, January 14-31, remain with local Chapters of the National Foundation. The other half goes to the national organization for scientific research, education and epidemic aid.

It is also the policy of the National Foundation that no infantile paralysis patient shall go without care and treatment for lack of money, regardless of age, race, creed or color.

Donation cards will be distributed locally this week and the house canvass will start next Monday. Residents are asked to have their envelopes ready when the collector calls.

The campaign here is being sponsored by the Palmyra-Riverton Rotary Club with Paul Schneider as general chairman. Mervil E. Haas is the Riverton chairman.

**ASKS SUPPORT FOR  
MARCH OF DIMES**  
827 Parry Avenue,  
Palmyra, N. J.  
January 4, 1946

To the People of Riverton, Palmyra and Cinnaminson  
Dear Friends:  
Since the annual March of Dimes Campaign is now in progress, I wish to thank those of you who contributed last year, because a very large percentage of your money was used to defray my hospital expenses—a total of over \$1,200.

The March of Dimes Campaign is the ONLY support of the National Foundation for Infantile Paralysis. In past years when I contributed to the fund, I had no idea that I would one day benefit from it.

Infantile Paralysis attacks adults as well as children, resulting in many months, if not several years, of enforced unemployment. Therefore, it is a wonderful thing to know that the March of Dimes will relieve you of the very large expense of necessary medical care as well as pay for such things as braces when they are needed.

These youngsters have put in many extra hours of work under the able direction of their director, Kenneth Merrill. Come out and support them—come early and get a good seat.

There have been a number of cases of infantile paralysis here during the last two years, resulting in the expenditure of large sums of money. Therefore our support is needed now.

Thank you for your support in past years, and thanks to The New Era for printing this letter.

Very sincerely yours,

PRICE FIVE CENTS

ORGANIZATION MEETING  
IN CINNAMINSON

The organization meeting of the Cinnaminson Township Committee was held last Thursday evening in the Parry Fire House. At that time the following were sworn into office for another term: Robert Woods, collector and Leslie Reeves, assessor. Maurice Conrow was re-elected chairman of the governing body and all appointed officials were re-named to their respective positions.

ANNUAL DINNER  
COUNTY YWCA HERE

Mrs. C. Douglas Mercer, of Brookline, Mass., who will be the principal speaker at the annual dinner meeting of the Burlington County Young Women's Christian Association, to be held Monday evening, January 14, at 7:00 p.m., at the Riverton Porch Club, has been a member of the National Board of the Y.W.C.A. for many years and is the fourth vice president of the board.

Mrs. Mercer recently was appointed chairman of national interpretation and support for the Y.W.C.A. Eastern Region, which includes eleven states. She is a former president of the Boston Y.W.C.A., and has long been recognized as one of the best informed workers on the home and foreign programs of this international association. She is a graduate of Wellesley College and is active in a number of educational and charitable organizations.

The election of members of the county board of directors and of the county nominating committee for 1946 will take place at the meeting Monday evening, January 14, at which time we propose to put our plans before the public and invite their participation in converting the Club into a community center for the benefit of us all.

"Former members of the Club and golfers all throughout South Jersey are cordially invited to attend this meeting and give us their applications for membership in the reorganized club so that we may know where we stand on the proposition and can plan accordingly."

The present Emergency Committee consists of C. S. Mears, Chairman; P. R. Ransome, T. M. Kieckhefer, S. B. Clark, H. F. Jones, John Ward, J. V. Hackett, George Hagstow, H. L. Randall and others.

There is comfort for the Christian in these dark days. Saint Paul in the book of Romans, chapter 8, and in Hebrews 12, explains how God uses suffering as a discipline for our souls. The life of faith here on earth leads directly on to the life in the Glory. Paul's hope was so real and true that he said one time, I have a great desire to depart from this life and to be with the Lord. No matter how dark the present, the future is bright with the promises of God.

The full work of Christ will not be completed for the Christian until our old bodies are raised and made like unto His glorious self. Saved at Calvary from the penalty of sin, being saved day by day from the power of sin, we shall be saved from the presence of sin. Our bodies now being subject to suffering and temptation shall be changed like to His body of glory. Loved ones who believed in Christ as their Saviour whose bodies lie on silent battlefields all over this globe or whose bodies were committed to the deep sea shall awake from their sleep and receive resurrection bodies and live in fellowship with Him. This is the Christian's hope.

Meeting Friday  
About Country Club

Reorganization of the Riverton Country Club by residents of the neighboring communities took giant forward steps this week when voluntary committees composed of friends and neighbors began a campaign to save the Club from being turned into a post-war real estate development.

In speaking of the reorganization, one member of the Committee said, "Now that the present owners of the Club have decided to place the property on the market, a large number of our local residents have agreed that the Club is too great an asset to the community to be lost without making an earnest effort to save it as a club for our own membership and neighbors who, we hope, will join the Club when its membership is broadened to make the organization a real community center for the social life of Palmyra, Riverton and Cinnaminson."

"The course itself is not only one of the best known, but is also one of the finest in South Jersey, and if plans we have in mind can be put across, can be made the center for even more golfing activities than have taken place in the past. In addition, the tennis courts, bowling alleys, dining room and other club facilities are so well designed that we feel they should be preserved for local use."

"With this thought in mind, we have sent out more than five hundred invitations to people in the immediate neighborhood to join with us in a mass meeting in the Riverton Public School next Friday evening, January 11th, at which time we propose to put our plans before the public and invite their participation in converting the Club into a community center for the benefit of us all."

Haines, John F. Hackett, Walter D. Lamont, Arthur W. Lewis, Charles S. Mills, Henry L. Randall, Howard M. Rogers and James T. West.

The directors re-elected the following officers for the current year: Charles S. Mills, president; James T. West and Howard M. Rogers, vice presidents; Howard P. Conover, secretary and treasurer; Herbert J. Kemmerle, assistant treasurer; Morris H. DeCoursey, assistant secretary and Joseph S. Low, solicitor.

## PTA Fathers' Night

The Annual Fathers' Night Meeting of the Riverton Parent-Teachers Association will be held Wednesday, January 16, at 8 p.m., in the school auditorium.

An interesting and experienced speaker, in the person of Suddeth Hurt, has been engaged for this meeting. Mr. Hurt will speak on "America's Place in the New World," which is one of his favorite topics. He speaks with a freshness that is the result of a rare background, a combination of the academic and real experiences in what comprises American life. He is a keen student of the social scene with a clear delineation in his mind of pioneering America taking the lead in building a world based upon American Democratic ideology.

We heartily invite and encourage all members and friends to attend this evening meeting.

Refreshments will then be served during an informal get-together. Publicity Committee

NEW TAXI SERVICE  
STARTS HERE TODAY

Starting today (Friday) a new taxi service will be available for local residents under the management of David Baker and Peter DiVece, both of Palmyra.

Their office will be located on South Broad street, Palmyra, in the former police station and the stand will be at the Palmyra railroad station. The office can be reached by telephone.

The new business will start with two cabs and service will be available daily from 7 a.m. to 3 a.m.

For a number of years there has been no local cab service available and the new enterprise should fill a long felt need.

Prizes donated by local and Philadelphia merchants exceed last year's supply which was thought could not be improved on.

At a meeting held Monday night, the committee, comprising Mrs. L. C. Clelland, Mrs. E. B. Cole, Mrs. H. C. Schuck, Mrs. G. A. Lorenz, Mrs. T. A. Cashin, Mrs. D. M. Patterson, Mrs. Walter Moyer, and Mrs. H. F. Stein, worked on plans to accommodate a larger crowd than last year. They stated that, judging from advance ticket sales, that the building would be filled to capacity.

Many groups are making up tables and will be seated in the manner asked for by the group as near as possible.

Each couple is asked to bring a deck of cards which will be donated to the Tilton Hospital at Fort Dix. Door and table prizes will be awarded, while many gifts will be on hand for lucky ticket holders.

The party will be held Friday evening, January 25th, at eight o'clock.

FIRE DAMAGES  
FLORIST PROPERTY

Gaining considerable headway before being discovered, fire caused extensive damage early Tuesday evening to the headhouse attached to the greenhouses of Parker the Florist, Parry avenue, near Cinnaminson, Palmyra.

Believed to have been caused by a defect in the heater which is located at the East end of the one-story frame structure, the flames were leaping high into the air when the first apparatus arrived. Two booster lines, a 2½ inch and a 1½ inch line were quickly brought under control by Palmyra and Riverton firemen who answered the alarm.

The damage was confined to the headhouse, the interior of which was burned out in addition to a section of one wall and the roof. So efficient was the work of the firemen that the blaze was prevented from reaching the area where plants are under cultivation. A number of panes of glass in the greenhouse nearest the furnace were broken by intense heat, but the others were undamaged.

The loss to the growing stock caused by smoke and change in temperature, however, will probably be considerable.

The wedding of Miss Anita R. Jones, daughter of Mr. and Mrs. Harvey Jones, Sr., of South Church street, Moorestown, and John R. Parry, of "Beechwood Farm," Riverton, son of Mr. and Mrs. T. Morrell Parry, will take place on Saturday, January 12, at six o'clock in the Moorestown Friends Meeting House.

Mrs. Harvey Jones, Jr., of Moorestown, will attend the bride as matron-of-honor, and Miss Phillips Wilson, of Marlton, will be maid-of-honor. Bridesmaids are Miss Helena Gashill, of Moorestown, and Miss Barbara Willis, of Marlton.

Following the wedding a reception will be held.

## RED CROSS MEETING

On Thursday, January 17th, there will be a meeting of the Riverton Branch, American Red Cross at 10 a.m. in the Riverton Public School. This is an open meeting and the first of the current year.

Mrs. Howard S. Coe, chairman, urges that all members as well as executive board members attend.

Monthly reports on local work will be given at the meeting. Although the fighting has ceased there is still a great deal of Red Cross work ahead, aid, advice and loans to returning service men and their families being a part of it as well as work in the hospitals, which are crowded with wounded veterans.

Plans for the coming Annual Drive in March are under way and will be discussed at this meeting. SO COME OUT and bring your ideas and suggestions.

**WILLIAM I. BRODERSON**  
William I. Broderson, of 423 Cinnaminson avenue, Palmyra, died Thursday, January 3, at his late residence.

Funeral services were held Monday, January 7, at the Snover Funeral Home, 313 E. Broad street, Palmyra. Rev. John R. Crockett, of Christ Episcopal Church officiated. Interment was in the Odd Fellows Cemetery.

The deceased is survived by the following children, John H. Broderson, Palmyra, Mrs. William Watkins, Riverton, Mrs. William Cooper, Palmyra, and Mrs. Bertha Hirst, Palmyra.

Mr. Broderson was an employee of the Riverside Metal Company.

## CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor

Fourth and Lippincott Ave.  
Riverton, N. J.

One of the questions that each person born within the sphere and influence of Christendom must eventually be asked is this: "What thing of Christ?" The kind of answer that is given by the majority of people in any one generation determines largely what shall be the nature of the social order of that generation, and also what prospects will be for the succeeding generation. A question that is not asked quite so often, but that is equally important from the standpoint of our spiritual education is this: "What did Christ think of Himself?"

Commencing next Sunday morning January 13, and continuing through succeeding Sunday morning services of worship, a series of sermons on the "Self-Portraits of Jesus" will be presented as part of our morning worship. The subject of the first of these self-portraits of the Master will be, "I Am The Door." On the following Sunday, January 20, the subject will be, "The Son of Man." Before we can advance very far along the Christian highway we must have a clear understanding of the Person-

ality of Christ, as He is related in an eternal way to the social order, to the nation of the world, to the Father God, and to the individual member after Truth.

Morning worship Sunday at 11 a.m. Next Sunday the Calvary Choir will render the anthem, "One Sweetly Solenn Thought." A church nursery is conducted each Sunday morning during the worship hour.

Church school at 9:45 a.m. Bible study classes for all age groups. The Ladies' Bible Class meets in the Trustees' Room; the Men's Class meets in the Social Hall.

On Sunday evening the Junior C. E. will meet at 6:15 with Mrs. De-Courcy and Miss Ewald. Junior choir rehearsal will be held at 6:35 with Mr. Farrow. At 7:15 the Senior C. E. meets in the Ladies' Parlor. Jack Kirk will be the leader. The Westminster Guild meets at the

Manse at 7:30 p.m.

The monthly meeting of the Church School Council will be held in the Ladies' Parlor on Monday evening, January 14, at 7:45 p.m.

The Stewardship Council will meet at the home of Porter B. Caldwell on Wednesday evening, January 16, at eight o'clock.

A dinner meeting of the Good Fellowship Club will be held on Friday evening, January 18.

Rose Marie Krutski, daughter of Mr. and Mrs. Gustav Krutski, of 710 Pennsylvania avenue, Palmyra, died Friday, January 4.

Funeral services, under the direction of the Snover Funeral Home, 313 E. Broad street, were held Monday, at 11 a.m. Rev. T. M. Van Vleck of the Moravian Church, officiated.

Pastor paid a fine tribute to these "mothers" who have so ardently and untiringly lent their efforts to every need of the church and Sunday School for 36 years. And although these years have been full of helpfulness and an inspiration to other classes, their interest is still as keen as ever as was demonstrated when they presented to Pastor Morgan a check for \$200 to help defray the cost of re-constructing the stained glass windows. That is symbolic of the spirit of "Central Baptist" and this spirit is now being emulated by the classes of daughters of these mothers. Thus proving that, in the main, a parental example is what this country and the world needs. You are invited to bring your family to the Sunday Services—they will be interesting and beneficial to all.

Adult Men's Class, 10:00 a.m.—Meeting in the Church Auditorium.  
Bible School, 10:00 a.m.—Superintendent Edward Hoyt and his able Assistants are alert to making these exercises helpful to all ages.

Morning Worship, 11:15 a.m.—"Christian Fellowship" will be Pastor Morgan's subject for his sermon. The choir's selection will be "O, Light Eternal," by Miles. Mrs. James Seither, soprano, the soloist of the morning, will sing "Come Blessed Redeemer," by Bartlett.

B.Y.F., 6:45 p.m.—Meeting in the Sunday School auditorium.  
Evening Worship, 7:45 p.m.—Don't attend this service—unless you wish to receive a real inspirational message of help for the coming week. "Edify, Eat, Warn" is the unique subject of the sermon. Come out and reap the benefits of participating in this service and enjoy the Christian fellowship. The

## Country Club Plan Appeals To Many

The campaign to save the Riverton Country Club from becoming a post-war real estate development reached a new height of enthusiasm last Friday night when more than 250 residents of Riverton, Palmyra and Cinnaminson crowded into the auditorium of the Riverton Public School and unanimously endorsed the Emergency Committee's plan of action which calls for a reorganization program that will transform the club into a real community center for the social life of the three communities involved.

The reorganization committee, headed by C. S. Means, reported that they had secured a 30 day option to buy the property from the present owners and then proceeded to outline the plans by which the Committee hopes to make the Clubhouse and grounds the center for the social life of the three communities. Mr. Means was followed by State Senator Arthur Lewis who explained the planned reorganization of the organization. Briefly, this calls for the sale of Participating Ownership Certificates varying in denominations from \$100.00 to \$1000.00. Each purchaser will have vote in the conduct of the Club and will elect the officers of the organization, etc. The Committee plans to sell as many of these Certificates as possible with the hopes that such a widespread sale will end any talk which has been created about the attempts of a few members to dominate all club activities.

Walter K. Woolman, of Riverton, spoke in favor of the proposal, pointing out that the Club represented a total investment of more than double the amount called for in the purchase price while other speakers emphasized the future plans for the Club such as an active community dining room, increased use of the tennis courts, bowling alleys and other facilities. Before the meeting had adjourned approximately \$10,000 had been subscribed and it was unanimously decided to continue the canvass on a house to house basis in order that every resident in Riverton, Palmyra and Cinnaminson could have a voting share in the management of the Club. Residents of the three communities who could not attend the meeting are now being contacted by the Committee to make sure that these arrangements are carried out.

## Klauder Speaks Here

Lewis T. Klauder, Burlington County Freeholder, spoke to Palmyra Riverton Rotarians last Thursday night on the responsibilities of the individual citizen for government. He mentioned the good record of the Palmyra-Riverton-Cinnaminson area in the choice of its public servants and cited as examples four members of his audience—Rotarians Mayor Nathan Lane, Freeholder Frank A. Snover, State Senator Arthur Lewis, and ex-Freeholder Walter Lamson. Club members were much interested to learn that the week before had been a 100 percent attendance meeting, which was a good start for the drive of the Attendance Committee to achieve a 100 percent month.

Politics, said Mr. Klauder, who is a civil engineer and has taken graduate work at Harvard University in Business Administration, is rapidly becoming the most important thing in the United States. Almost every phase of our daily lives is being touched by it; therefore every citizen should, he thinks, become interested in an activity that so vitally affects his life.

In contrast to the need Mr. Klauder pointed out that almost a cult of indifference to politics exists among the able and better educated people. Operating on government and spending the huge sums of money necessary to do it, are therefore left to the less educated and those who become professional politicians. Mr. Klauder feels that many people shun politics because of the frequent attempts to slander both their private lives and their families.

As his interest in politics deepened, Mr. Klauder said that he had discovered many irregularities at all levels of political life. These creep in, he is sure, because the best people are in many cases not elected to office. Burlington County itself, has now a good example of how public money has been dishonestly spent. Mr. Klauder's answer to the need is for everyone to take an active interest in local, state, and national politics. For without such an interest candidates of ability will be unable to get elected, or if put in, to stay in office.

Training of Youth  
Mr. Klauder stressed the need for high schools and colleges to pay attention to the training of youth in local government. He stressed the development in some large universities of some courses designed to prepare people for careers in public office. He also cited the YMCA program of "Youth in Government." Finally he spoke of the great interest of returning veterans in how the government operates. We should, he believes, make every effort to give the G.I.'s an opportunity to use their youthful enthusiasm both in electing and keeping in office good men and women. If our country is to continue on an even keel, we must do more than our duty on Election Days, by informing ourselves about political questions and spreading the information where it will help men of ability and integrity to become elected. It should be, in Mr. Klauder's judgment, a personal responsibility.

There were several interesting announcements including one from Paul Schneider about the campaign for Infantile Paralysis sufferers. Mr. Thompson, newly elected principal of the Riverton School attended and was presented to those among whom he will work in his new position.

## Testimonial Dinner For Paul R. Jones

A proclamation of appreciation of the work of Paul R. Jones who is leaving this community to accept a position as supervising principal of Moorestown Schools, signed by John Ward, Mayor of Palmyra; Nathan Lane, Mayor of Riverton; and Maurice Conrow of the Cinnaminson Township Committee was duly drawn up, printed and presented to Mr. Jones at a dinner in his honor held at the high school Wednesday evening, January 9. This proclamation elaborately printed on 18 by 20 paper contained statements made by the presidents of six organizations endorsing the work done by Mr. Jones during the ten years he has been supervising principal of Palmyra Schools. Organizations represented were: Rotary Club, Community Center, Y.M.C.A., Tri-Borough Council, Friends of Music and the Board of Education.

The farewell dinner, which was served by the Home Economics Department and the caterers under the supervision of Miss Grim, was attended by the members of the Board of Education, the teaching staff, their wives or husbands and several invited guests. Dr. Kaser, county superintendent of schools; Miss Veva M. Brower, former principal of P.H.S., and Mrs. Ciccone, formerly Miss Schocker who was school nurse before entering the armed services, were present.

Robert Emens, president of the "In-Service Club" acted as master of ceremonies and with the assistance of George M. Durgin, who led group singing, and Kenneth C. Merrill, who made a recording of a quiz program, entertained the group. In the course of the evening testimonials by Miss McDowell, Mrs. Thomas, Mr. Dare and Mr. Terrell were offered at the suggestion of which Mr. Jones was presented with a polished brass fireplace set for his new home, and a desk set in token of esteem.

Mr. Jones expects to move to Moorestown on January 25 and take up his duties there February 1.

### ENGAGED

Mr. and Mrs. Ross S. Evans, 613 Thomas avenue, Riverton, announce the engagement of their daughter, Natalie H. Evans, to Lieutenant Vernon S. McDougall, son of Mr. and Mrs. Roy McDougall, of Delanco, N. J.

No date has been set for the wedding.

### SCHOOL BUDGET HEARINGS

A public hearing will be held at the Cinnaminson Public School on Monday, January 21, at 7:30 p.m. on the proposed school budget of the Cinnaminson Board of Education. The hearing in Riverton on the school budget will be held Monday evening, January 28, in the public School auditorium between the hours of 7:30 and 9 o'clock.

**SCHOOL BOARD ELECTION**  
Monday, January 21, is the last date on which petitions can be filed by candidates for election to the Riverton Board of Education. The election will be held Wednesday, February 13.

Three vacancies on the board will exist for the full term.

Major Peter O. Sykora has arrived home from the European and Mediterranean Theatre of Operations after serving twenty-two months with the Troop Carrier Command, part of the First Allied Airborne Army. His wife resides at 405 Thomas avenue, Riverton.

Major Sykora is on terminal leave and will receive his honorary discharge on February 22nd.

The Rev. Robert S. Womer, secretary of the Sunday League, will speak on Sunday, January 20, at 10:45 in the Palmyra Moravian Church. You are invited to come and hear a message on the very important subject of Sunday Observance.

### NAMED ON LIONS CLUB COMMITTEE

At the meeting of the Palmyra-Riverton Lions Club held on Thursday night of last week, President Paul Heisler named George Weigand chairman of the program committee. Mr. Weigand will be assisted by J. A. Chapman.

The club is now meeting at Times Cinnaminson House each Thursday night at 6:15 o'clock.

## P. T. A. BREAKFAST

A "Breakfast at Hollywood" was held at Cinnaminson school when the P.T.A. entertained over 200 guests from Cinnaminson Township and surrounding communities, Monday night, January 14. Arrangements were made by Mrs. Elwood H. Wurster, and members of the Executive Committee.

Robert J. Mumford, of Woodbury, was "Master of Ceremonies." He presented the orchid that was sent from Hollywood via airmail from the Kellogg Cereal Co. to the oldest guest present, Mrs. Fanny Reeves, whose age is 88. Corages were presented to Mrs. Jessie Dorworth for winning the "Good Neighbor" award, and to Mr. and Mrs. Galloway, of Palmyra, married 50 years in July. Prizes were given for funny hats, Mother of Most Sons in Service, Mother of Most Children and many others. The "Wishing Ring" was won by Mrs. Through, mother of Mrs. Ethel Parker, Supervising Principal of Cinnaminson School.

Mrs. Isabelle Reese, 7th Grade teacher, told the parents about the new Library Club and the work the children have been doing. Paul Schneider, chairman of the Polio Drive in Palmyra made a request for funds. A generous collection was given by the audience. Kellogg Cereals were donated by the company.

### FRANK—LYNCH

The wedding of Miss Veronica Lynch, daughter of Mr. and Mrs. Timothy Lynch, of Lanesboro, Minnesota and Paul D. Frank, son of Mr. and Mrs. Karl Frank of Palmyra, took place Tuesday, January 8, in Rockford, Illinois.

The altar of Saint James Pro-Cathedral was decorated with Chrysanthemums, palms and candelabra. The marriage took place at 9 o'clock with the Rev. R. P. Gordon officiating at a double ring ceremony. Music was furnished by Miss M. Burke.

The bride wore a gown of white satin with sweetheart neckline, long sleeves and a full skirt train. She had a fingertip veil, outlined in lace and a crown of orange blossoms and seed pearls. She carried a white prayer book to which was fastened gardenias and streamers. Her only jewelry was a string of pearls, a gift of the groom.

Miss Mary Ries of Winona, Minnesota, was maid of honor. Her gown was of pink taffeta with a double net skirt and she carried a bouquet of pink carnations and white pom-poms.

John Lynch of Austin, Minnesota, was the best man. Mrs. Karl Frank, mother of the groom, wore a black wool suit with pink accessories and a corsage of gardenias.

A wedding breakfast was served in the Victory Room of the Lafayette Hotel.

The young couple left for a wedding trip to Chicago, Niagara Falls and New York City, after which they will return to Palmyra, where they will make their home.

Mr. Frank was recently discharged from the Army after serving in the China-Burma Theatre of Operations.

The Rev. Robert S. Womer, secretary of the Sunday League, will speak on Sunday, January 20, at 10:45 in the Palmyra Moravian Church. You are invited to come and hear a message on the very important subject of Sunday Observance.

## RIVERTON TAXES

At a meeting of Riverton Borough Council held on Thursday night of last week the budget for the current year was passed on first reading. The complete text of the budget with explanatory statement and date for the public hearing will be published in next week's issue of The New Era.

According to present indications there will be an appreciable increase in the tax rate for 1946 as compared with last year. This is due chiefly to increased appropriations for highways, police, shade trees and other items.

The need for the increase in the tax rate for 1946 as compared with last year is explained in the following letter:

December 20, 1945

Mayor and Council  
Borough of Riverton  
Gentlemen:

You will shortly be making up your budget for the year 1946. The Shade Tree Commission held a meeting last Monday night, and was authorized to make application to the borough for appropriations for 1946 for the use of the Shade Tree Commission of \$3,000.

We have asked for very small appropriations since the war started, because of our inability to get labor to do the work. This is now available, and there is a lot of work on our trees which should be done as follows:

Probably 15 or 20 removals of dead trees.

A very thorough trimming of all the trees. This has not been done for two or three years.

All of the oak trees will have to be sprayed thoroughly for scale, which is quite bad.

A number of the elm trees, probably 10 or 12 on Linden avenue will have to be cabled. These are the most valuable trees in our town and in our judgment it is most important that this work be done.

We will appreciate if you will advise us as soon as possible if we can count on this appropriation, so that plans can be made for the prosecution of all this essential work.

Riverton Shade Tree Commission  
Respectfully,  
James S. Coale, President.

### BRIDGE TOURNAMENT AT PORCH CLUB

A bridge tournament will be held at the Porch Club January 22nd, at two o'clock in the afternoon. All members are cordially invited to bring partners—as this is a duplicate tournament. However, if it is not convenient to bring your afternoon's partner, arrangements can be made for you. A very pleasant affair has been planned, and it is to be hoped that all who enjoy bridge will keep the date.

### CLOTHING COLLECTION

On Monday, January 21, St. Anne's Guild, of Christ Church, Riverton, will collect and receive clothing which will be sent to the needy people in liberated countries all over the world.

Articles may be left in the Parish House, Riverton, between the hours of 2 and 4 p.m. If donors are unable to leave the clothing, phone Mrs. E. A. Downing, Riverton 0984-R and they will be called for.

The collection is under the general supervision of the Church Committee on Overseas Relief and Reconstruction, a nation-wide organization.

All kinds of clothing are needed, men's, women's and children's. There is also a desperate need for shoes and quilts.

Those in charge of the project state that the clothing campaign presents a magnificent opportunity for the church to stand for material as well as spiritual aid in a war-torn world. A generous response will be greatly appreciated.

### CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor  
Fourth and Lippincott Ave.  
Riverton, N. J.

Most of us have a favorite name for Jesus of Nazareth. Some like to think of Him as the "Good Shepherd," others as "The Way," or "The Truth," or "The Life," still others as "The Light of the World," or "The Son of God," or "The Resurrection and the Life." But the name by which Jesus most often referred to Himself is not found among these well-known titles. The name by which Jesus most frequently referred to Himself is the humble but suggestive title, "The Son of Man." As we continue our study of the self-portraits of the Master, we shall pause next Sunday morning to look for a little while at this likeness in which He reveals Himself to us as the Servant, the Seeker, the Sower, the Sufferer, and the Searcher of the hearts of men.

Morning worship, 11 o'clock. The Calvary Choir, under the direction of Mrs. Mary B. Laird, will render the anthem, "Listen to the Lambs" by Dett. For the convenience of parents a church nursery for children is conducted each Sunday morning.

The Calvary Church School assembly at 9:45 a.m. Bible study classes are available for all age groups, including adults. It is a good and profitable practice to bring the little ones, and to remain for the study of the Word of God with the members of the Men's or the Ladies' Bible Classes.

Sunday evening the Junior Endeavor Group meets at 6:15 o'clock. Junior choir rehearsal at 6:35. The Senior Endeavor meets at 7:15 in the Ladies' Parlor. Next Sunday Miss

Barbara Stuart will lead, and members of the group are endeavoring to have 100 percent attendance. Be sure to do your part.

The Westminster Guild meets at the Manse Sunday at 7:30 p.m. The January meeting of the Good Fellowship Club will be held Friday, January 18. A turkey dinner will be served at 7:15 p.m. An interesting program will follow.

A special meeting of the Session will be held following morning worship for the purpose of electing a delegate and alternate to attend the meeting of the Presbytery of Monmouth on Tuesday, January 22, at Matawan.

The Intermediate Choir meets for rehearsal each Wednesday evening at 7 o'clock in the Ladies' Parlor.

**CENTRAL BAPTIST CHURCH**  
Rev. S. Dan Morgan, Pastor  
Palmyra, N. J.

To make it possible for parents to attend the Church Services following the Bible School, the Alpha Gamma Class has organized and is conducting a Nursery in the Cradle Roll Department where parents may leave their children in safety in the care of the members of this class. It is hoped that parents will make use of this Department and will accept the opportunity of attending the Morning

Don't let go now—when the battle against rising prices is almost won. Now is the time to hang on to your War Bonds, to keep buying new Bonds, to plan your spending and plan your saving.

Here is why. Prices are high today. Goods are scarce. Competitive buying of scarce commodities bids prices up, makes our dollars buy less.

Help the nation's efforts to keep your living costs DOWN, the buying power of your dollar UP.

"...If thine Enemy Hunger,  
Feed Him..."

## A Message to Men and Women of Goodwill

Fellow Americans, in our efforts this winter to feed the hungry in many war-stricken lands, let us not neglect the German children and all those who have been our enemies. They also must live if there is to be a new birth of hope and peace among the people of Europe. Not that we suggest any preference for Germans; all hungry people must be given food. But let the distribution of our help be impartial, according to need, to friend and foe alike.

In an unprecedented way, we Americans hold in our hands the fate of the German children. They and the children of Austria are in a desperate plight. Unless there is an outpouring of moral support for their relief and unless food is shipped from the United States, they will surely die in countless numbers as Central Europe sinks into starvation-driven chaos.

The official daily ration in Germany today is 1550 calories. This is about one half of a normal diet and means certain death if continued throughout the winter. Only the United States has the power and supplies to act in this crisis. Yet little or nothing is being done. Our Armed Forces and our Government seem to be awaiting a mandate from the American people to ship food into the shattered, foodless cities where millions are homeless and unemployed. No other power or agency can avert famine, especially in Germany, this winter. UNRRA is barred from aiding German nationals due to restrictions within its charter. There is no German government to beg or borrow funds with which to buy food abroad.

With great humility, we Quakers undertake to speak for the crushed and silent masses in Germany. We believe that millions of Americans share our conviction that they must be fed insofar as it is within our power. This is no humanitarian impulse merely. We

speak under a compelling sense of the power of love to heal our wounded universe. For in this world of ours there are certain moral laws which operate irresistibly whether we acknowledge them or not. If we Americans want a rightly ordered world, we must put in operation the methods that will build it. The feeding of starving children is a sure step toward peace. We must try to see their human faces and feel for them in their agony. We must realize clearly that starvation produces abnormality in character and that almost more important than food is the touch of a kindly human spirit with its creative power of hope and faith and courage.

We know whereof we speak. We have fed the children of many nationalities under many tragic circumstances. We have seen the hearts of embittered people grow warm and tender in response to such ministry. The fertilizing seeds of human friendship expressed in deeds of kindness are what Europe needs to remove violence, hate and the spirit of vengeance. This is both sound statesmanship and the essence of our Christian faith.

To make this possible there must come in America a burst of powerful sentiment in favor of inducing our Government to see that food is brought to the children of Central Europe, and with it those deeper springs of life which tend to restore hope and faith in men.

Specifically we urge that our Government mobilize foodstocks, transport and funds to raise the level of rations to at least 2000 calories daily in Germany, Austria and the other countries unable to procure food for themselves.

We urge the American Armed Forces to accept the assistance of American voluntary relief agencies in the specialized care of children, expectant and nursing mothers and the aged, or in whatever services they can render effectively.

Finally, we urge the speedy resumption of mail and parcel post service to Central Europe in order that persons in the United States can supplement rations by sending food and clothing to their friends and relatives.

These are essential steps to avert famine and wholesale death in Central Europe this winter. We encourage our fellow Americans to join us in supporting these recommendations. We urge you to press for action through your church, clubs and civic organizations. Let us make a beginning in the great task of building a world at peace and fit for children to live in.

## Local Draft Board Members Get Medal

Selective Service Medal Presentation Ceremonies were held in Trenton at the War Memorial Building on Wednesday at 3:30 p.m. Members of the local Board who attended from Riverton and Palmyra and received medals were: Leonard R. Baker, chairman, Charles H. Yost, secretary, Alfred M. Addison, Board member and George N. Winter, government appeal agent.

Congress authorized the presentation to certain members of the Selective Service System, of a bronze medal in the name of the Congress for faithful and loyal service. Accompanying the medal a service ribbon and a small metal lapel pin were awarded.

In addition a certificate of merit in color bearing the words "In the name of the Congress of the United States in appreciation of your loyal and faithful adherence to duty given voluntarily and without compensation to the impartial administration of the Selective Service System, the Government of the United States expresses its gratitude in this public recognition of your patriotic service."

Signed, Harry S. Truman, President of the United States.

The Governor of New Jersey, the Honorable Walter E. Edge initiated the presentation of the award to the members of the New Jersey Selective Service System.

Approximately one thousand presentations were made and over two thousand attended the ceremony.

**FIRE DAMAGES RESIDENCE ROOF**

Minor damage was caused by fire to the roof of the dwelling occupied by J. J. Robinson, 900 Highland avenue, early Saturday evening of last week.

When discovered, the fire was burning wooden shingles in several places, evidently having been caused by sparks from the chimney.

So efficiently did the firemen work, however, that the flames were extinguished before the shingles were burned through and there was no loss either by water or fire to the interior of the structure.

Both the Palmyra and Riverton companies responded to the alarm.

**CANDY, CANDY EVERYWHERE**

If a number of children in the Parry section of Cinnaminson and nearby Pennsauken are suffering from mild stomach disorders it is not surprising. The malady may also have been contracted by adults as well.

One night last week a large truck was involved in an accident on Route 25 in Pennsauken, just over the bridge from Parry. The truck turned over, the body was wrecked and the load scattered over the highway, whereby hangs the tale, since the contents consisted entirely of candy—chocolates, peanut brittle, marshmallows, etc., in considerable quantity.

News of the accident spread rapidly throughout the vicinity and the younger set, together with some not so young "salvaged" the unexpected gift from the skies.

The one police officer present was too busy straightening out the traffic tangle to avoid another accident to prevent the salvage operations.

Needless to relate, the candy disappeared almost as though by magic.

**DOG LICENSES IN CINNAMINSON**

Dog owners in Cinnaminson are warned that licenses must be obtained for their pets on or before February 1.

Licenses can be secured at the office of Cecil A. Bowers, Route 25, Parry.

## PAST DISTRICT GOVERNOR ADDRESSES LIONS CLUB

At a meeting held last Thursday in Times Cinnaminson House, the members of the Palmyra-Riverton Lions Club were privileged to hear an inspiring talk by Joseph Dillford, of Camden, Past District Governor of Lions.

In reviewing the principals and aims of Lionism, Mr. Dillford stressed the importance of fellowship, friendship and service.

The speaker pointed out that, at present, Lions International is composed of over 5,000 clubs in 15 countries, with a membership of over 250,000 and that the goal for 1946 is 300,000 members.

He also said that during 1944-45 Lions Clubs completed in round numbers 75,000 separate activities, all of them having direct bearing on winning the war or the welfare of the community, the state or the nation.

Maurice C. Johnson, of Palmyra, was a guest at the dinner-meeting.

**STORE SAFE STOLEN**

For the second time within a few years thieves removed a small safe from the American Store, Broad street, West Palmyra, the latest break occurring on Wednesday night of last week.

Nearby residents notified police of unusual activity on the premises and Captain Lawrence Betty on answering the call found the front door open, the safe gone and a quantity of sugar, butter, cigars and cigarettes piled near the entrance. His arrival prevented the marauder from making off with the merchandise. He found that the break was made by knocking off the lock on the front door of the building.

The safe, minus its contents of about \$200 was found Thursday in some bushes at the end of Washington avenue. The combination had been broken in order to gain access to the 300-lb. receptacle.

The theft was an especially daring one, taking place at about 9:30 p.m. The thieves apparently made their escape in a car just before the arrival of the police.

**MRS. FRANCES T. DeGRAW**

Mrs. Frances T. DeGraw died Saturday, January 19, at the home of her daughter, Mrs. Robert Hullings, of 418 Thomas avenue, Riverton. She was the widow of Charles H. DeGraw.

Funeral services were held Tuesday afternoon at 2 p.m. from the Snover Funeral Home, 315 E. Broad street, Palmyra, Rev. Floyd Millman of the Lutheran Church of Riverside, officiated. Interment was in Lakeview Memorial Park.

Surviving are two daughters, Mrs. Robert Hullings, Riverton, Mrs. F. E. Smith, Riverside, three sons, George H., of Chicago; Claude T., of Florida and Charles H., of Moorestown.

Mrs. DeGraw was a resident of this section for more than fifty years and was a member of the Lutheran Church of Riverside.

**SAMUEL P. LEEDS**

Samuel P. Leeds, nationally known hotelman and member of one of New Jersey's oldest Quaker families, died Monday at his home, 154 S. North Carolina avenue, Atlantic City, shortly after he was stricken with a heart attack.

Mr. Leeds, who was 73 and a native of Cinnaminson, had not been ill before he suffered the attack, members of his family said.

## Fort Dix Commander Rotary Speaker

Major General Lehard Hobbs, commanding officer of Fort Dix, and former commander of the 50th Infantry Division spoke to Palmyra-Riverton Rotarians last Thursday.

General Hobbs, who was accompanied by his aide, Capt. J. T. Leitch, stressed the need for discipline in American lives which he feels may best be secured through a period of compulsory military training.

Also present was E. Ross Martin, for many years treasurer of the Palmyra-Riverton Club and now an Atlantic City Rotarian. The second 100 percent meeting was called up in the drive toward a perfect attendance record for January.

General Hobbs was graduated from West Point in 1915, came out of World War I as a major. He led the 50th Infantry into France on D-Day plus 3. In addition to the usual displayed service ribbons he holds the Distinguished Service Medal, the Bronze Star, the Croix de Guerre and other foreign decorations. He has served in practically every command post in the United States and had several tours of foreign duty.

Introduced by Dr. LeFavor, who referred to the fine record of the 50th Division, General Hobbs began his remarks by stressing his great pride in his former command. He went on to point out that peace has always been rare in the world and that except for the pulling of triggers, we have a not dissimilar state to war at present. Our competition in ordinary life is a kind of war, said the General as he went on to point out that those who know the most about war should try to avoid it at any cost.

**Revolutionary Period**

We are, General Hobbs thinks, in the most revolutionary period of history. The great changes taking place call for educated minds, and a part of education is discipline. He defined this quality as "willing obedience to rightful authority." In no other place, he said, can discipline be applied as uniformly as in the armed services. Could it be done outside government service with the same facility that would be better, but the speaker thinks this is now impossible. To emphasize his position, General Hobbs quoted two sets of ABC's, one for civilian life and one for war. The latter he defined as A as alertness and aggressiveness, B as basic discipline, and C as courage.

For civilian life A stands for appreciation for what has been done, B for belief in our country and the big things it can still do, and C for co-operation and coordination.

The belief in the better things morally and spiritually and the willingness to pursue them, are in General Hobbs' judgment, worth more than dollars and cents. Men must learn to consider each others points and in the armed services, particularly officers, should try to improve in all ways those with whom they come in contact.

He closed his remarks by stating again his belief that some type of military training for young men is necessary; first, because the armed services are the best place to learn discipline, and secondly because the nucleus for defense of the country must be built of educated young Americans with the discipline behind them. The latter will be able to utilize in the best type of peace that our nation has enjoyed thus far.

General Hobbs answered questions at length and brought out that he found the Russians most cooperative as soldiers. They seemed to know what they wanted and were not swayed from any program they had decided upon. He also stated in answer to a question that he believed the Germans could be re-educated so that they would once more resume their place in the family of nations.

**HONOR ROLL PRAISED**

The New Era recently received the following letter from a Philadelphia resident. The communication is self-explanatory:

"While having lunch one day at Keating's, I happened to look out a window and saw the good looking memorial you people of Riverton erected to the boys in service."

"I have seen a lot of these Memorials and will say the one at Riverton is the best I have ever seen. It is not only well built, but attractive and ornamental."

"I feel that the people behind the project are to be commended."

**COOPER HEADS SCOUTS**

E. Newbold Cooper, Moorestown, was re-elected President of the Burlington County Council, Boy Scouts of America, at the 20th annual meeting held recently in the Mount Holly Municipal Building. Mr. Cooper is beginning his fourth year as head of the Boy Scout Council.

Other officers elected at the same time were: Vice President, Dean Harold M. Smith, Bordentown, and

The proposed 1946 budget for the Borough of Riverton is published in full in this issue of The New Era.

A public hearing on the budget will be held Thursday evening, February 14, at 8 o'clock in the Riverton Fire House.

## To Broaden Scope Of Club Membership

The campaign to save the Riverton Country Club from being turned into a post-war real estate development is fast turning itself into a local crusade to transform the Club into a center for the community life of Palmyra, Riverton and Cinnaminson.

Under the leadership of J. Edward Lippincott and Richard Woodward, teams of club representatives are beginning an extensive house to house campaign throughout the neighborhoods in a campaign to sell as many \$100.00 voting memberships in the club as possible.

In speaking of this canvass, the Chairman—who is well known in metropolitan golfing circles as "Ed" Lippincott—said yesterday, "Our Committee has figured that in the past the only thing which prevented the Riverton Country Club from becoming a tremendous success has been the impression held by many of our friends and neighbors that the Club has been operated solely for the benefit of a few members. Personally, I don't believe that this has ever been true, but now we're going into this thing in a way which we hope will break up this opinion once and for all. We want to visit every person in our neighborhood who would like to have a say in the policies and management of the Club. Then, by selling them a One Hundred Dollar Ownership Participation Certificate we can assure them of having a vote in everything the Club does. And naturally, the more Certificates we sell, the more democratic the Club will be."

"Frankly," Lippincott continued, "our committee is very much encouraged by the results so far, but we're not going to be satisfied until every possible prospect has been interviewed. And incidentally, if the people upon whom we are calling do not care to buy one of these Certificates, then we certainly hope they will agree to take a family membership so that they may be able to make full use of the Club house and its facilities."

With one of the best known and best kept courses in the Philadelphia area and an excellent clubhouse, the Riverton Country Club under the reorganization now planned should become even more prominent in the future.

**HONOR ROLL PRAISED**

## Five School Candidates

On Tuesday evening of this week five residents of Riverton had filed petitions as candidates for the Board of Education in that community at the coming election on February 12, according to the district clerk, William H. Dettmer. The deadline for filing was midnight Wednesday.

Those filing were Mrs. Ruth Carhart, George A. Gillman, Jr., both incumbents; Edward C. Hodrich, James R. Wright and Robert H. Strahan.

There are three vacancies to be filled for a full term and with at least five candidates in the field a lively election seems to be indicated.

Edwin A. Russell, Moorestown; Treasurer, Harold V. Holmes, Burlington; Scout Commissioner, V. Larwood Caldwell, Merchantville; and National Council Representative, G. Lloyd Cowan, Jr., Edgewater Park, and Captain J. B. Ryan, U.S.N. (Ret.), Palmyra. Those elected as Members-at-large to the Executive Board were: C. B. Amett, John W. Thacher, H. F. Hall, Arthur B. Harris, Walter L. Molneux, Milton C. Barber, William C. Cotes, Jr., William T. Walker, Jr. and W. Patton Kinsey, all of Moorestown; J. Holland Heck, Edgewater Park; H. A. Thomson and L. S. Trostle, Beverly; Dwight E. Tuttle, Riverton; Dr. W. R. Valentine, Bordentown; Rev. Adolph Bernholz, Riverside; Dr. J. Horwitz, Burlington; Ephraim Tunlinson, II, Medford; and Hon. Frank A. Hendrickson, Mt. Holly.

Other members of the Executive Board are the following District Committee Chairmen: Northern District, David Styer, Bordentown; Riverfront District, Julian Dmochowski, Riverside; Tri-Borough District, Henry T. DeHoll, Palmyra; Mt. Laurel District, Mr. Russell. The Chairmen of the Council Operating Committees, Mr. Cooper announced, are: Camping and Activities, Captain Ryan; Advancement, Mr. Trostle; Finance, Mr. Harris; Leadership Training, Mr. Heck; Health and Safety, Mr. Kinsey; Organization and Extension, Mr. Molneux; and Inter-Racial Scouting, Dr. Valentine.

Mr. Cooper, in his annual report, spoke highly of the fine achievements during the year 1945 that were made in Scouting, stating that many of the objectives that were set up were realized, and in some cases surpassed. "When one hears of what is achieved by some of our Scouters, it revives his faith in human nature. They are the men who pull the lever which makes the program move. Scoutmasters, Troop Committeemen, Commissioners and Senior Leaders, these are the chief support of Scouting. Our annual thanks go out to them, losing nothing, we hope, from frequent repetition. The Council and Executive Board know who carries the ball and are deeply grateful. Your President acknowledges his debt to the Executive Board, some of whom are elected and some appointed. Nominating Committees have shown great acumen in their choices for Board members. Our Council has had the benefit of top-notchers, and this year they raised production levels." Mr. Cooper went on further to say: "Morale is on the way up and as long as it continues to be high, we shall boost our contribution to the boys of Burlington County. Whether a volunteer organization can ever reach the peak of united cooperation, I don't know, but we are pointing directly that way."

Frequently we have discussed leadership problems; actually each month has seen them lightened. More and more veterans of Government service are returning to all of our communities. Fortunately, they have seen and heard nothing but good about Scouting."

in Epworth Church at eleven a.m.  
and 7:45 p.m. The ministry of mu-  
sic will be by the Senior and Chan-  
cel Choirs under the direction of  
Rachel M. Lord. Anthems to be  
sung include, "Houses of Worship"  
and "How Lovely Are Thy Messen-  
gers." As a part of the morning ser-  
vice recognition will be accorded the  
eighty men and women who have re-  
cently been discharged from the  
armed forces. Token gifts of appre-  
ciation will be presented each one.  
The pastor has selected as his ser-  
mon theme "Spiritual Re-Enlight-  
enment."

A Church Nursery is conducted  
during the morning worship hour  
enabling parents of young children  
to attend service. Supervising this  
Sunday will be Mrs. G. D. Schill and  
Miss Jean Schill.

The evening worship hour is at  
7:45 when missionary slides will be  
presented in the Chapel and music  
will be offered by the Youth Choir.  
Epworth's growing Church School  
invites your attendance for the  
period of instruction at 9:45 Sunday  
morning. Classes are offered for all  
age groups. A social hour will be  
enjoyed by the members of the  
Youth Choir following the evening  
service.

"Truth" is the Lesson-Sermon sub-  
ject for Sunday, January 27.  
Golden Text: "The Lord is good;  
his mercy is everlasting; and his  
truth endureth to all generations."  
(Ps. 100:5)  
Sermon. Passages from the King  
James version of the Bible include:  
"In thee, O Lord, do I put my  
trust; let me never be ashamed: de-  
liver me in thy righteousness . . .  
Into thine hand I commit my spirit:  
thou hast redeemed me, O Lord God  
of truth." (Ps. 31:1, 5)  
Correlative passages from "Science  
and Health with Key to the Scrip-  
tures" by Mary Baker Eddy include:

"The spiritual sense of truth must  
be gained before Truth can be un-  
derstood. This sense is assimilated only  
as we are honest, unselfish, loving,  
and meek." (p. 272)

**SUDDUTH HURT SPEAKS TO RIVERTON P.T.A.**  
"America must assume leadership  
in this new world," said Sudduth  
Hurt in his recent talk to the Riv-  
erton Parent Teachers Association at  
their annual Fathers Night, Wednes-  
day, January 16, 1946.

Mr. Hurt went on to explain why  
America must take the lead in de-  
veloping universal democracy. In  
order to foster world peace Ameri-  
ca must indoctrinate all nations in a  
democratic mode of living so that she  
herself can assume her rightful lead-  
ership in such important factors as  
the development of technical skills  
and the installation and preservation  
of economic stability, according to  
Mr. Hurt.

The entire meeting was conducted  
by the husbands of the P.T.A. of-  
ficers.  
Three musical selections were ren-  
dered by members of the Palmyra  
High School Band, under the direc-  
tion of Mr. Merrill.  
Following this interesting program  
refreshments were served by the  
Fathers.

Appreciation has been expressed  
by one patient, J. S. Arbeny, who  
wrote in part as follows:  
" . . . Today I received a Christmas  
package from you, the people of Bur-  
lington county. I would like to thank  
you all, from the bottom of my heart,  
for your kind and sincere spirit, to  
take time out from your shopping  
and other holiday tasks, and think  
of us boys in Tilton . . ."

Congratulations are being received  
by Mr. and Mrs. Charles T. Wool-  
ston, of 626 Main street, Riverton, on  
the birth of a daughter, Caroline  
Mary, at the Zuerbrugg Hospital, Riv-  
erside, on Thursday, January 17.

**Evening School For Veterans Still Active**

The Palmyra Evening School for  
Veterans is still active with an en-  
rollment of 15. Thirteen are veterans  
and two are civilians. Classes con-  
tinue Monday, Tuesday and Wed-  
nesday evenings from 7:30 to 9:30.  
Registrations will close January 31.

Students are now taking courses  
in Diesel-Gas Motor Vehicle Engines,  
Mechanical Engineering, Practical  
Telephony, Junior Accountancy,  
Mathematics, English, and Building  
and Construction Estimation. Four  
students are completing their high  
school curriculum with the aim of  
securing their diplomas. Since the  
State Department of Education has  
broadened the requirements for se-  
curing diplomas, the liberalized re-  
quirements offer a high inducement  
for former secondary pupils to com-  
plete high school. Some students  
due to their limited tuitions, under  
the G.I. Bill of Rights, are prefer-  
ring to take courses which will di-  
rectly aid them in their employment.  
Under the present system, the em-  
ployers of these students are regu-  
larly notified of their progress in  
courses of study taken. This makes  
the student feel that his efforts are  
worthwhile, and it also makes the  
employer confident that the em-  
ployee is making an effort to better  
fit himself for the job.

Several students are preparing  
themselves for jobs which have bet-  
ter offerings in the way of promo-  
tions.

Some previous enrollees have had  
to drop the courses they were taking,  
but the main reason has been con-  
flicts with hours of employment.  
Students have enrolled with the an-  
ticipation that their work would con-  
tinue during day hours, only to find  
later that they have been put on shift  
work. So much school time would  
be lost that it was felt advisable to  
drop the formal class work. The  
courses, as set up, allow the student  
to take the work at home under a  
self-study plan.

The war has taught the veteran  
that his education is something not  
to be neglected. He is not only will-  
ing, but eager, to improve himself.  
It leads to higher success in his job  
situation and also to a higher stand-  
ard of living through increased pay  
envelopes. Realizing the effects of  
lack of education in his army career,  
he is applying himself more con-  
scientiously than he did while attend-  
ing high school.

No other nation in the world of-  
fers such a golden opportunity to its  
youth. No other nation in the world  
is more cognizant of the "adaptabil-  
ity" of the American people. No other  
nation in the world is more cognizant  
of the part universal education has  
played in its winning the war. No  
nation is more cognizant of its debt  
to youth, whose education and im-  
provement the war has interrupted.  
No youth are more cognizant of their  
responsibility in the World of To-  
morrow, nor more cognizant of the  
value of education to self-improve-  
ment or to world peace.

**NOTICE**  
From Wednesday, January 15, to  
Friday, February 1, Dr. John C.  
Voss will be out of town. During  
his absence, Dr. Masur and Dr. El-  
well, until recently Captains in the  
Army Medical Corps, will make calls  
for Dr. Voss.  
They will have office hours ONLY  
in the evening.

**APACHE GRAY Y**  
The seventh regular meeting of the  
Apache Gray Y was held in the Riv-  
erton auditorium on January 15 with  
Dewey Showell presiding. In the  
business meeting George King col-  
lected dues. We played commandos  
and basketball. We had a living cir-  
cle and were dismissed.

**DOG LICENSES**  
Daniel M. Clifton, Riverton Bor-  
ough Clerk, advises local residents  
that all dogs in the borough must  
be licensed before February 1.  
Owners are urged to have this  
done promptly in order to avoid pay-  
ment of a fine.  
Licenses can be obtained at Mr.  
Clifton's office, 504 Main street, Riv-  
erton.

**LOCAL BUDGET NOTICE**

Section 1.  
Local Budget of the Borough of Riverton, County of Burlington for the fiscal year 1946.  
BE IT RESOLVED, that the following statements of revenues and appropriations shall constitute the local budget for the year 1946:  
BE IT FURTHER RESOLVED, that said budget be published in The New Era in the issue of 24th day of January, 1946.  
Notice is hereby given that the budget and tax resolution was approved by the Mayor and Council of the Borough of Riverton, County of Burlington, on January 10th, 1946.  
A hearing on the budget and tax resolution will be held at the Fire House on the 14th of February, 1946, at 8:00 p.m. o'clock, at which time and place objections to said budget and tax resolution of the Borough of Riverton for the year 1946 may be presented by taxpayers or other interested persons.

**EXPLANATORY STATEMENT**  
The Borough of Riverton maintained its very good financial condition during the year 1945. The Borough officials appreciate the continued co-operation of the taxpayers in paying their taxes promptly.  
The Mayor and Council have deemed it advisable to appropriate the sum of \$12,500.00 from the Borough's cash surplus. This surplus has been accumulated over a period of years so that the funds would be available for street repairs and sewer disposal plant construction as appropriated for in this budget.  
Certain operating appropriations have been increased, such as police appropriation, in order to provide additional protection and the shade tree appropriation in order that much needed improvements may be made.

the Stag Patrol, and Robert Farrow, of the Panther Patrol, resigned as Patrol Leaders and accepted the positions of Junior Assistant Scoutmaster. Their assistant patrol leaders, Dick Burr and Jack Lundstedt, took over as Patrol Leaders.

The jobs of the new junior assistant scoutmasters will be publicity. Plans were made for the coming Scout Week. These included: Church attendance, window display, and other activities.

The schedules for troop meetings were discussed and the senior patrol leader, Don Garwood, was appointed to draw up plans for the coming Inter Patrol Contest.

## RUSSELL RIVERS HEADS COURT LOOP

On Monday evening, January 21, at the Palmyra Borough Hall, the Tri-Borough League elected officers for the year 1946. Russel Rivers was chosen to head the league for the coming year. Bill Wittemeyer was elected vice president; F. J. Hamelman, Secretary, and Edwin Griscom, Treasurer.

Six trustees were also elected. Half of these men will serve in this capacity for baseball only while the other half will serve only for basketball. Tommie Schwink, Jake Gotthall, and Charlie Pratt compose the basketball trustees and the basketball trustees are Jack Easley, Al Farrow and Frank Wolf. Lewis B. Wence was appointed to be in charge of publicity.

At several league games, comments have been made concerning the inefficiency of the time and score keepers. This inefficiency was admitted by the officers of the league and to correct this fault each senior team has been asked to assign two persons to serve on a committee. The members of this committee will have the job of taking turns keeping the time and the scores at the games. Joe Dietrich was appointed chairman of this committee.

With the exception of three more games to be played, the first half of the Tri-Borough basketball season is over. The senior teams stand as follows:

	Won	Lost
Penguins	6	6
Sacred Heart	6	1
Boy Scouts	3	3
Pratt's I.G.T.'s	3	3
Riverton	3	4
Jokers	2	3
Dukes	2	4
Freshmen	1	5

Once again because of incomplete records nothing can be said about the junior league.

Final players lists still have not yet been received from the Apache Gra Y team, the Junior Boy Scouts or the Rogers News team.

A schedule for the games to be played next week is as follows:

Wednesday, January 30—Riverton Public School Auditorium.

6:45—Boy Scouts (Jr.) vs. Apache Gra Y team.

7:45—Riverton Srs. vs. The Dukes.

8:45—High School Freshmen vs. Boy Scouts (Sr.).

Thursday, January 31—Sacred Heart School Auditorium.

7:00—Sacred Heart Golds vs. Palmyra Laundry.

8:00—Dukes vs. Penguins.

9:00—Sacred Heart Seniors vs. The Jokers.

The referees for the games on Wednesday night will be Rivers and Wittemeyer. Cahill, Foulke, and Easley will referee the game on

Thursday night. There is still a shortage of men to referee these basketball games. If there is anyone who would be willing to help out please contact anyone of the officers of the league.

There is a meeting of the officers and trustees of the league scheduled for Monday night, January 28, at the Borough Hall.

Religious thoughts and ideas are often discounted by the worldly wise-man because he expects the preacher to talk about such things. But please note what was printed in the New York Sun not long ago. "It looks as if man had better start harnessing the forces of the Spirit, the powers of Holy Wit, and the Ten Commandments. The only 'atomic bomb' that will save mankind from now on are to be found there."

A little 'splitting' of the rays of religion and a little 'releasing of the energy' of the Bible seems in order. If we would only spend some like \$2,000,000,000, to harness the forces of God's teachings, what a break it would be for the human race.

No uranium is needed for that. Just the medium of vital, crusading churches with the ablest, most forceful, most intelligent men in our citizenship aglow and aflame with the spirit of the prophets.

May we add, the spirit referred to by the writer of this little message must be the Holy Spirit, not the spirit of man's enthusiasm. Of Power needed, Saint Paul wrote, "I am not ashamed of the gospel of Christ for it is the Power of God unto Salvation to every one that believeth."

9:30—Sunday School.

## BRIEF ITEMS from ABOUT TOWN

Church, John S. Horn, A. Engle, Conrow, Fred E. Rein, Alec Boyd, and John F. Ward, Chairman.

the non-observance of stop signs, declaring that the lives of motorists on "through" streets and roads are constantly jeopardized by reckless drivers who ignore the mandate to come to a full stop.

The nation-wide trend, he said, is constantly toward "more and bigger" intersection crashes, due to failure of drivers to give heed to the signs erected for their protection.

"While it may be contended," he asserted, "that many of these signs, especially in smaller communities, have been erected on a hit-or-miss basis, and while drivers may think some of them are unnecessary, it is never safe to ignore them. It is in such circumstances that accidents frequently occur. Our own opinion is that wherever a sign is erected it should be obeyed, regardless of the personal views of the operator."

"In the matter of enforcement, we should like to see peace officers stationed at dangerous points to insure observance, rather than have them lurking in the background taking numbers of offending motorists. The safety factor should be more important than the financial returns to a community."

A trip to South America can be enjoyed by all who will come on Tuesday night, January 29, to the Palmyra Moravian Church located at Five Points on the Burlington Pike. Mrs. Ruth Stull has recently returned from a six months tour of the mission stations in the jungles of Brazil, where she and her husband had labored some years ago.

Mrs. Stull has been speaking on the Morning Cheer Broadcast this month. She has motion and still pictures to show of the Indians in their jungle places. Mr. and Mrs. Stull's work was among the Campa tribe of Indians who live in the upper regions of the Amazon River some 3,000 miles from the mouth of the river. Don't miss this opportunity of seeing and hearing of the pioneer work done among these primitive people. You will see and hear of the mighty power of the gospel to save and sanctify people uncivilized and uneducated. Remember, Tuesday night, January 29, 8 o'clock, Palmyra Moravian Church.

## What's ahead in Telephone Service?..

This advertisement has two purposes: First, to report what we are doing to improve telephone service and make it available for all who want it. Second, to ask your help in maintaining service while the telephone system is being enlarged.

The present system was planned for 1940 calling needs, and few additions have been made since then. Now it is overloaded daily with a million more calls than its switchboards

and circuits were built to handle.

We are doing our utmost to keep service good, despite this overload. At the same time we are continuing our new construction program which calls for an expenditure of well over \$100,000,000 in the next five years alone. Your understanding and cooperation in using your telephone sparingly during the months ahead will help us to help you to better telephone service.

## In the next 12 months...

### More telephones

... Switchboard additions will be made in nearly every exchange to provide service for practically all who are now waiting. In the last three months alone we've filled 18,000 "held orders" for telephone service.

### More operators

... Throughout the State, we plan to employ and train several thousand more operators to "man" the switchboards and provide faster, more efficient service for everyone.

### more circuits

... Thousands of miles of local and long distance lines will be put into service to handle the ever-increasing load of calls. They, too, will mean faster and better service.

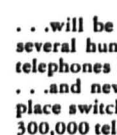

## In the next 5 years...

### New Buildings

... About 40 new buildings or additions to present buildings will be erected to house new switching systems. Many other additions will care for expansion of existing switchboards.

### New Equipment

... will be installed to care for several hundred thousand more telephones than are now in use ... and new dial systems to replace switchboards now serving 300,000 telephones.

### New Reserves

... More personnel, more equipment, more of everything will be added—so there'll again be a safe margin to insure good service even during emergencies. Then you can talk as often and as long as you like!

## Now...what can you do to help?..

While we're training new operators and installing new lines and switchboards, you can help us handle the present overload and keep service going by using local and long distance service sparingly ... and especially by being patient with your operator. She's trying hard to serve you—to live up to her reputation as "the Voice with the Smile."

CENTRAL BAPTIST CHURCH  
Rev. S. Dan Morgan, Pastor  
Palmyra, N. J.

The war has emphasized many truths in connection with our economic and physical laws. In the effort to "speed up" in the essential industries, twenty-four hours of the day were utilized and seven days a week. But it was soon discovered that the machinery couldn't "take it" and finally the human body slowed up and broke under the strain. Although it has been long recognized that a "rest period" for engines and machinery of all kinds was necessary, it was ignored when the war broke out. Likewise, the human body needs physical and mental "rest periods" and along with these, a spiritual refreshing so that life and the pursuit of happiness may be realized. So, it is up to the individual, if he desires to thoroughly enjoy this life, to see to it that his body, mind and soul are refreshed at least once a week. "That refreshing can be had at 'Central Baptist' where you will always be welcomed at the services."

Adult Men's Bible Class, 10:00 a.m.—Pastor Morgan has been presenting the lesson and much good comes out of the provoked discussions.

Bible School, 10:00 a.m.—Classes for all. Room for all the family with a nurse to take care of your child, while you attend the church services.

Morning Worship, 11:15 a.m.—A very unique subject has been announced by the Pastor. It is "As, and So." With the anthem by the choir, Mr. Edward Hoyt, tenor, will be the soloist at this service.

B.Y.P., 6:45 p.m.—For all young people of the high school group.

Evening Worship, 7:45 p.m.—"Where Thou Standest" will be the subject of the Pastor's message. Anthem by the choir.

Events of the Week

Monday, January 28th—The Adult Men's Bible Class will hold a short business meeting to be followed by a social and a "good time for all" at eight o'clock in the social hall.

Wednesday, January 30th—Mid-week Prayer and Praise service in the Sunday School auditorium at 8:00 o'clock.

Thursday, January 31st—The Philathea Class will hold their regular monthly meeting at the home of Mrs.

GOOD FELLOWSHIP CLUB  
HEARS DON ROSE SPEAK

The January meeting of the Good Fellowship Club was held Friday, January 18, in the Calvary Presbyterian Church Social Hall. A delicious fried oyster and Turkey salad dinner was prepared and served by the committee in charge composed of Harry and Alwina Williams, chairman; Allan and Marion Sinclair, Charles and Emma Dorworth, Oscar and Helen Wargny, Sam and Betty Wentworth, Morris and Ruth Westcott, Bob and Esther Hulings, Gladson and Janice Horter, Al and Vera Sarka.

Following the dinner the usual sing-song was enjoyed with Al McFall and Al Parker leading. Song sheets of popular songs were an added attraction.

Don Rose, well known newspaper writer and postwar correspondent was the speaker of the evening. Mr. Rose accompanied his amusing and interesting account of his recent trip to Post-War Europe with very unusual pictures of Nazi Germany taken before and after their defeat. The films he had "captured" undeveloped from the Nazi stronghold.

His recent book—"The Diary of a Post-War Correspondent," which describes his trip was on sale for members of the club to purchase. Over 150 members of the club were enthusiastic in their praise of the evening's entertainment.

A short business meeting followed with Al Swain, President, in charge. The committee for February was announced. It consists of: Ed and Thelma Fisher, chairman; Lou and Peg Markee, Taylor and Elsie Kirby, Bill and Tallie Cameron, for the Borough Commissioners.

## NO TAX INCREASE

One of the first Boroughs to report their Local Purpose budget for the year is the Borough of Medford Lakes, in Burlington County. Not only are they the first, but they lead the way in setting a pattern for other communities to follow.

Mayor Leon E. Todd in reporting to the Borough Commissioners

stresses that the past policy in adopting budgets, based on sound economic principles during the war period and for post-war problems, in creating healthy reserves, has now proven a present day financial advantage. The result of this policy now lowers the Local Purpose tax rate by \$1.00 for 1946. The actual 1946 tax rate cannot be established until both School and County, over which they have no control, is later determined. With the present Local Purpose tax, if the School and County tax remain stationary, their new rate will be \$4.25.

This will be good news to the many Colonists of this outstanding town, and the infant Borough of the State of New Jersey.

THANKS

The Family Service Council of Riverton and Cinnaminson wish to thank all those unknown contributors whose generosity made it possible for us to help others at Christmas time. More than one person would have had a lonely Christmas had it not been for your kindness. Again, we thank you!

Justice and truth make men free, injustice and error enslave him.

TOMATO GROWING  
A BIG INDUSTRY

The vast scope of the business of growing tomatoes was explained to the members of the Palmyra-Riverton Lions Club last Thursday night by J. C. Shivers, club member, who holds the position of superintendent of farms with the Campbell Soup Company. Mr. Shivers illustrated his most informative talk with colored slides which depicted the highlights of his subject.

The weather is the only factor which remains uncontrolled in tomato growing the speaker asserted, since scientific methods have removed all the guesswork from the time of planting to harvesting. To aid the farmer, Campbell's maintains a laboratory with 35 technicians where a soil sample from every field is completely analyzed. The result tells the grower just how much and what kind of fertilizer is needed, together with the organic requirements.

The earlier plants are grown from certified seed that is sent to Georgia where it is planted in ground which can be used for tomatoes only two years. This keeps disease and insect damage to a negligible point. The different varieties of seed are colored with a vegetable dye so that no mistake can be made in planting.

Millions of Plants

Last year, the soup company had under contract over 1,900 acres of tomato seedlings, which contained one hundred millions plants. In addition to these, and for the accommodation of those who plant later, Campbells also grows 26 acres of plants at their farm here in glass hothouses and 55 acres in the open. There are 100,000 plants per acre. The scope of this is exemplified when Mr. Shivers stated that 14,000 sash are required for the beds and that each one costs \$5.50.

The Georgia plants are pulled when they reach just the right size. They are carefully inspected and wrapped in moss that is soaked in liquid fertilizer. They are then packed, rushed north in solid express trains and distributed to the growers, the trip being made in 36 hours. They are then planted at the rate of 3,000 per acre, many of the farmers using a planting machine, which covers all operations including fertilizing and watering.

Inspection

The growers are paid on the basis of quality and when the crop is picked and taken to the cannery three baskets are selected for examination from each load. The government inspector takes one basket, the farmer a second and the cannery a third. The cost of this is five cents a ton, of which the farmer pays half, and the cannery the other half.

After a thorough washing and inspection which removes all inferior and damaged tomatoes the product is ready to be cooked ending the long chain of procedure.

According to Mr. Shivers, growers who can produce 10 tons or more of tomatoes per acre make a nice profit. Those who get a yield of five to six tons just about break even, so there is a big incentive for a large yield and good quality.

CINNAMINSON BUDGET  
HEARING FEBRUARY 12

A public hearing on the proposed budget of Cinnaminson Township for 1946 will be held in the Cinnaminson Public School on Tuesday evening, February 12, at 8 o'clock.

NEW BUSINESS TO  
LOCATE IN RIVERTON

According to information released this week, Riverton will soon have a new industry, The Automotive Gear and Transmission Exchange.

This firm, which is located in Philadelphia, plans to open a New Jersey branch about March 1, at 607 Main street in the property owned by the J. T. Evans Co., adjacent to the coal and lumber yard and have signed a lease for two years.

The organization repairs and rebuilds auto transmissions, etc. Members of the company are John MacDonald and Edward Weisman.

## THE PORCH CLUB

"Birds from the Gaspes to Florida"—a talk with colored moving pictures, will be of interest to everyone, and the date is February 5th, 2:30 p.m., at the Porch Club. Mr. and Mrs. Albert Linton, of Moorestown, will give us a glimpse of their hobby—their interest in birds. Those who have heard Mr. Linton, know the afternoon will be a very enjoyable one, and urge their friends to take advantage of this opportunity.

There will be the usual meeting of the Executive Board at 1:30 p.m.

Bridge Tournament

The Porch Club Bridge Tournament, held January 22, was a successful and pleasant occasion—quite a number of bridge enthusiasts turning out for the event. Miss Christine Ridley, only recently returned from the WAVES shared honors for first place with Mrs. Robert Miller, for the "East and West" position. The first place, "North and South," was won by Mrs. Edgar Miller and Mrs. Carvel Sparks. The second place winners, "East and West," were Mrs. Myron Edwards and Mrs. William Burgess, while the partners in the "North and South" position were Mrs. Henry Shreve and Mrs. Gorham Sargent.

Appointment of J. David Cathcart, well known advertising and market specialist, as Advertising Manager of the RCA Victor Home Instrument Division has been announced by Henry C. Baker, General Sales Manager of the Division. Mr. Cathcart, who lives at 208 Linden avenue, Riverton, was formerly assistant director of RCA Victor's Market Research Department.

Thomas J. Bernard, former Home Instrument Advertising Manager, has been appointed to the company's Public Relations Division under John K. West, Director, for work on special public relations assignments.

Before becoming associated with RCA Victor, Mr. Cathcart had served in various advertising and sales capacities with N. W. Ayer and Son, Philadelphia and Chicago; Al Paul Lefton Company, Philadelphia; Sterling Products International, Newark, N. J. and Station WDEL, Wilmington, Delaware.

Mr. Cathcart represented advertising media in the Philadelphia area over a seven-year period in addition to writing and lecturing. He at one time conducted four marketing courses at Temple University.

TWO IMPORTANT GAMES  
FOR LOCAL COURT FIVE

Greatly encouraged by the improved showing of late, Palmyra High School's basketball team faces three crucial tests in the Burlington County League within the next few days. Tonight the Dimondmen journey to Burlington where they tackle the league leaders. The Blue and White owned the locals in the first engagement played here, but Palmyra has advanced far since then as evidenced by their convincing win last Friday over Mt. Holly.

Next Tuesday Florence plays here and Pemberton comes to town on Friday evening. If the Red and White can maintain their present pace the future augurs well.

Spokesmen for the petitioners included Edward C. Hoeflich, Robert Finney, Walter Gertler, Phillip T. Flach, Jr. and Alex Garwood.

The petition also requested the opening of a February kindergarten class this year only in order to give the children excluded last fall an opportunity to enter and also to help in balancing the present small kindergarten class of 12 and the expected over-pupils of next fall when more than 45 entrants are anticipated.

The Riverton School  
Kindergarten Situation

Twenty-six mothers and fathers attended the January 28th meeting of the Riverton School Board to present a petition asking the Board to revise the present entrance age ruling which has been in effect for the past three years.

Under the present Board ruling, children are excluded from the Riverton Public School who are not five years of age by October 1 of their entrance year. The petitioners said that under this rule, some children would be less than one month from their sixth birthday before they were eligible for kindergarten.

The petitioners asked the Board to consider a minimum entrance age of four and one-half by October 1 of the entrance year, an age limit they believed more in conformance with the modern trend in public education. The petitioners outlined the following reasons for their requests:

State Laws

That the laws of New Jersey permitted the acceptance of children from four to seven years into its public school systems, requiring every local board to accept any child past the age of five years into the first grade if such child had previous kindergarten training or the equivalent.

That children nearing six (a very important milestone in the physical and mental development of the individual) suffered a particular disadvantage when excluded from the experience of directed group activity; that such children, in many instances have suffered a loss which may well effect at least two years of their school life, and in instances of unusual temperament, such children may never entirely recover from such disadvantage.

That the possibility of at least one year of compulsory military training may not be too remote and should be taken into consideration.

That the normal child benefits from kindergarten training during the last half of his fourth year and the first half of his fifth year, while the same training program may well be detrimental to a child between six and seven.

Quote from Report

"That a definite unfair advantage exists in favor of parents financially able to send their children to a private institution for kindergarten training when such children must be accepted in the Riverton school first grade as long as they are past their fifth birthday."

The petitioners quoted from a recent report of the Educational Policies Commission of the National Education Association advocating the extension of the public educational programs downward to include children as young as three years in the formal school program or in school sponsored nurseries and kindergartens. These recommendations were backed by such noted educators as Dr. Alexander J. Stoddard, superintendent of Philadelphia schools and chairman of the commission, Dr. William Carr, secretary of the National Education Association, Walter R. Douthett, superintendent of Darby schools, and Dr. H. V. Holloway, state superintendent of Delaware schools.

The petitioners claimed to represent about 80 percent of the parents of pre-school children within the age group affected by the five-year ruling. The signatures of these were affixed and there were signatures of a number of parents not affected by the ruling.

Spokesmen for the petitioners included Edward C. Hoeflich, Robert Finney, Walter Gertler, Phillip T. Flach, Jr. and Alex Garwood.

The petition also requested the opening of a February kindergarten class this year only in order to give the children excluded last fall an opportunity to enter and also to help in balancing the present small kindergarten class of 12 and the expected over-pupils of next fall when more than 45 entrants are anticipated.

SCHOOL ELECTIONS  
IN CINNAMINSON

The annual school election in Cinnaminson Township will be held Wednesday evening, February 13, between 7 and 9 o'clock in the public school. One member will be elected for a full term to the Board of Education.

There are three candidates for this position, namely: Lawrence R. Coolbaugh, Malinda Ransom and Delmar P. Thompson.

Howard Taylor, board member for several terms is not a candidate for re-election.

## CHECKING VOTERS

For the purpose of checking addresses, 20,000 postcards are being mailed by the Burlington County Election Board to those who did not vote in the 1945 General Election. It is assumed that many of these voters have moved since the 1945 Primaries and through failure to notify the County Board were unable to vote in the General Election.

The card given to each voter upon registering provides space for a new address. By forwarding this card to the office of the Burlington County Board of Elections, 117 High street, Mt. Holly, or calling at the office in person incorrect addresses will be changed.

Each voter's name and address are filed four ways under Permanent Registration: Geographically, alphabetically, in an original binder that always remains in the office and the duplicate binder that is used at the polls on election days. Upon receipt of an authorized change of address all of these files are corrected and the registration sheet placed in the binder of the district to which the voter has moved. If the voter has left the county his records are placed in an inactive file.

In order that the records of the County Board of Elections may be kept accurate the cooperation of the public is solicited in the immediate return of the postcards now being distributed.

garden class of 12 and the expected over-pupils of next fall when more than 45 entrants are anticipated.

The petitioners also pointed out that while the over-large kindergarten class problem can be solved without the services of an additional teacher by a morning and afternoon session, when this class progresses through the school system future boards may be confronted with the problem of extra teachers.

As an alternative the petitioners suggested the Board consider I.Q. or other recognized rating tests for children past 4½ as a means of determining the readiness of the child for school work.

After arguments had been presented by the petitioners, the Board retired for executive session. The petition was defeated and the Board rendered a decision which is presented in another article in this issue.

A poll of the Board was asked, the result showed a unanimous vote against the petition. Among the reasons given by Board spokesmen was that Palmyra claimed the Riverton children were entering Palmyra High School at too early an age which resulted in a social maladjustment of Riverton students. The petitioners said that such facts were not supported by the evidence. "Riverton students," one spokesman for the group said, "have always maintained a representative number of places on the honor roll of Palmyra High School despite the fact the entry age for Riverton children in kindergarten had been for many years four years and three months old. They have also held their own in sports."

Another spokesman pointed out that last year two Riverton students had been awarded scholarships in two of the country's leading colleges.

The Board also stated that its opinions were based on consultations with other local boards and super-

FINAL DRIVE FOR  
COUNTRY CLUB

The drive to preserve the Riverton Country Club for the use of its neighbors in Riverton, Palmyra and Cinnaminson slowed down a little last week to allow for a breathing space for the workers before the last intensive part of the campaign got under way.

During this little interlude, the final plans for a call upon four or five hundred families in the three communities were completed and gotten under way. The Committee hopes to get a large number of Ownership Certificates reserved in order that as many local residents as possible may become joint owners of the re-organized club.

At the same time, the Committee will attempt to receive as many applications for membership in the re-organized club as it can. No final decision has been made as yet regarding dues, but according to present plans, the more golfing memberships that can be sold, the more the Committee will be able to reduce the cost of such a membership—and of course this also applies to other types of proposed memberships.

The Committee was assisted in its proposed reorganization through the helpfulness of the present owners of the Club who were kind enough to extend the Committee's option to buy the property. In all, it is felt that while a great deal of headway has been made, still there is much more to be done, and it can only be completed successfully through the whole-hearted cooperation of every member of the Committee and all local residents who are interested in the preservation of the Club as it is now.

AGE REQUIREMENTS FOR  
KINDERGARTEN ADMISSION

An adjourned meeting of the Riverton School Board was held on January 28 for the purpose of holding a public hearing on adopting the budget for the coming school year, as well as to open bids for the placing of a new roof on the old section of the school building.

The Board, by a unanimous vote, passed favorably on the report of the Educational Committee which raised the base pay in the present salary schedule, \$200.00.

The meeting was held in the school library, and was attended by a group of interested citizens and parents who presented a petition to the Board requesting that the requirements for the admittance of pupils to the Riverton kindergarten be reconsidered. After consideration of the various factors the board unanimously adopted the following motion:

Children who will have attained the age of five on or before December 15 of any given year shall be eligible for admittance to the kindergarten in the Riverton Public School upon the opening of the school term in September of that year, or within 10 days thereafter.

The above motion was made retroactive for the present school term, so that any child who reached his fifth birthday on or before December 15, 1945 is eligible for admittance to kindergarten on February 1, 1946. Pupils may be entered on Friday morning provided they bring their birth certificate and vaccination certificate. Parents or guardians will kindly report to the school office preferably between 8:30 and 9:00 a.m.

Spokesmen for the petitioners included Edward C. Hoeflich, Robert Finney, Walter Gertler, Phillip T. Flach, Jr. and Alex Garwood.

The petition also requested the opening of a February kindergarten class this year only in order to give the children excluded last fall an opportunity to enter and also to help in balancing the present small kindergarten class of 12 and the expected over-pupils of next fall when more than 45 entrants are anticipated.

### Boy Scout Week February 8-14

Nearly 2,000,000 Cub Scouts, Boy Scouts, and Senior Scouts will mark the 30th anniversary of the Boy Scouts of America during Boy Scout Week, Feb. 8th to 14th. The theme of the celebration is "Scouts of the World—Building Together." The Scouts are sponsoring a series of projects and activities designed to bring the world's Scouts closer together. Their "World-Of-Our-Scouts" project of voluntary contributions and their "World-Of-Our-Scouts" project of donating Scout uniforms, hats, and equipment, will assist Scouters overseas and help develop understanding among the boys of the world. Above is the official poster marking the event.

### COUNTY FRAUD TRIALS

WILL BEGIN FEBRUARY 4

Trials of two Burlington county employees, five road department employees, the county auditor and four vendors accused in a mail fraud conspiracy will begin February 4, at the county court house. The trial is being held in the county court house, and the trial is being held in the county court house.

In making the announcement, Selser said that the trial had been again postponed despite the fact that Judge Charles A. Biggs had set a preliminary date a month ago after five previous delays.

Selser said he would telephone Sheriff Faunce today and instruct him to summon jurors for trial.

He also revealed that the State has been unable to apprehend Victor J. Bell, president of a New York firm, and his secretary, the case in which vendors, accused in the county was de-frauded of \$40,000 in road materials.

# CENTRAL BAPTIST CHURCH

Rev. S. Dan Morgan, Pastor  
Palmyra, N. J.

Even Hitler himself knew the value of training the youth of his country at an early age in his effort to build a country of superior military power. It was a farsighted program but in a comparatively short time he almost accomplished his purpose. However, his purpose resulted in his defeat. But it only goes to prove that youth, if taken at an early age and given the proper spiritual training, can change the world for good. It all lies in the hands of parents. Through their example, precepts and spiritual guidance, the world could be changed into a world of peace.

You are welcomed at "Central Baptist" where these truths are taught.

Adult Men's Bible Class, 10:00 a.m.

Bible School, 10:00 a.m.—The Intermediate Department under the Supervision of Mrs. Erikson, will have charge of the opening exercises at the school this Sunday.

# TEACHER'S NIGHT AT CINNAMINSON SCHOOL

"Teachers' Night" was the name of the delightful evening spent at the January meeting of the Phyllis Wheatley P.T.A. Held in the auditorium of School No. 4 the program was thoroughly enjoyed by many members and friends.

The entertainment consisted of two one-act comedies entitled "The Light Must Shine" and "Little Red Riding Hood." Following the plays a delicious supper was prepared and served by the faculty.

During the business session plans were made for procuring coats and blankets for the kindergarten. Many projects were suggested as to how the dishes and silver in the kitchen can be increased.

Committees were appointed to investigate these matters and report at the next meeting. The fourth grade class, under Mrs. Catherine Canty, was awarded the prize for having the largest number of parents present.

## IMPORTANT NOTICE

There will be a meeting of the Tri-Borough Basketball League officers and Coaches at Borough Hall, Palmyra, February 4, 7:30 p.m.

(b) Relief Fund		70.00	4.00

## EXPLANATORY STATEMENT

The estimated tax rate for 1946 is \$3.95 which is about .09 cents more than last year. It allows for the same amount of Local School, State, and County Taxes as last year. Of course if the Local School, State, and County Taxes are more, the rate will be increased proportionately.

The proposed Operating Budget or in other words the one for which the Township Committee is responsible for is about \$8,300.00 more than last year, which is caused by two new appropriations, one is \$2,000.00 for the purchasing of a lot for the purpose of having a place to keep the road truck and scraper.

The other is for \$3,500.00 as a down payment for the Sewer project, and \$2,500.00 increase in the Police Appropriation in order to provide additional protection.
