HEADS STATE BOARD OF AGRICULTURE

Clement B. Lewis, Riverton, Burlington County fruit grower, recently elected president of the State Board of Agriculture. A prominent apple grower, Lewis is a member of the board of directors of the National Apple Institute, and is president of the Jersey Fruit Cooperative Association, Inc., the New Jersey Agricultural Society, and the New Jersey Fruit Institute. Lewis succeeds James D. Holman, Whitesville cranberry grower.

Lewis operates several hundred acres of apple and peach orchards. He combines his farming activities with a real estate and insurance business in Riverton. He has served for many years on the executive committee of the New Jersey Farm Bureau. Other agricultural organizations in which Lewis has been active include the State Horticultural Society, Moorestown Grange, and the Burlington County Farm Bureau.

CLOSING CAMPFIRE AT BOY SCOUT CAMP

At the closing campfire for the second period of Camp Lenape, Boy Scout Reservation, Scouts Earnest R. Cobb, Troop 31, Burlington, and Wiley Wenger, Jr., Troop 58, Riverton, were "tapped out" for the Order of the Arrow, W/W/W, J. Holland Heck, Camp Director, announced. An election to the Order of the Arrow is the highest honor that can be paid to a Scout camper. This is a National Boy Scout camp honor society and only outstanding campers are elected to this membership. The ordeal and initiation ceremony, Mr. Heck stated, will be held at the end of the third period, August 9th and 10th. The third and final period opened last Sunday. Camp will close August 11th.

MOBILIAN CHURCH

T. M. Van Vels, pastor
Palmyra at Five Points

Great ships travel up and down the Delaware River guided at night by the lights placed here and there to mark the deep water channel. The skipper of every boat knows where these lights are and just how to steer his boat according to them. In His great mercy, God has provided His own Son to be a light in this dark world. He is the true light that lighteneth every man that cometh into the world. He has pointed out the straight and narrow path which leads to heaven. He is the light by which each one can find the course and safely reach port. Read in the gospel of John and you will find the light. Walk in it. The Palmist has written, "Thy word is a lamp unto my path and a light unto my feet." No one need miss the way when we have the Word, even The Son of God to be our Light.

9:30—Sunday School hour. Theme of sermon, the three great words of John's Gospel, Life, Light and Love. 7:00—The Union Service in the grove.

PALMYRA NEEDS NEW FIRE TRUCK. COUNCIL LEARNS

Palmyra will be buying a new pump for the fire department soon. It was indicated at the meeting of Borough Council last week. A letter from the Fire Underwriters was read in which the old Seagraves pump, bought in 1923, was considered as inadequate for the needs of the Borough. The book and ladder truck also is getting too old and soon will need replacement, the letter said.

LIBRARY CLOSED

The Riverton Library will be closed during the entire month of August.

It will reopen Tuesday, September 3, at 4 p.m. At that time the hours will be as follows:
Monday through Friday, 4 to 6 and 7 to 9 p.m.
Saturday, 10 a.m. to 12 noon, 7 to 9 p.m.

REV. JEROME M. PRISCO TO DIRECT CLERICS

The Rev. Jerome M. Prisco, O.F.M., of Palmyra, has been appointed master of clerics and procurator of St. Anthony's Seraphic College, Catabi, N. Y.

Father Jerome is the former Dominican Prisco, son of Mr. Carmela Prisco, 376 Arch street. He was graduated from the Palmyra Public Schools in 1928, and entered a seminary in 1933. Ordained on June 7, 1942, he celebrated his first Mass at Sacred Heart Church, Riverton, a week later.

Father Jerome has served as assistant pastor of Our Lady of Mt. Carmel Church, East Boston, and of Our Lady of Fiy Church, Bronx, N. Y. He studied philosophy at St. Anthony's, where his new appointment returns him in an administrative capacity in addition to teacher of ecclesiastical chant, art and science.

Father Jerome assumed his duties at the college July 19.

MATHEWS SPEAKS CONCERNING O.P.A.

Describing the administration of O.P.A. under Chester A. Bowles, and the progress of the recent legislation to continue O.P.A. with the uncertainty created in the Country, Congressman Frank A. Mathews, Jr., Fourth District of New Jersey, told the House on Friday, July 26, that it all amounted "to the most confused mess that has occurred in a long time."

Congressman Mathews said that when he came to Congress, O.P.A. was a going concern but that under Bowles it was going in the wrong direction. He stated that in his opinion the objectives to be accomplished were to avoid injury, especially to persons of low incomes, from the depredation of greedy gougers; to so administer the Act as to increase production and avoid diversion of food and other materials into the black market, and to remove all controls as fast as production justified that action.

He reviewed the complicated progress of the legislation through both Houses, the veto of the original Act by the President, the additional changes made in it and the statement from the President's message expressing his reluctance in signing the Act and that he might call Congress back into special session, not only to strengthen this price control law but "to enact such fiscal and monetary legislation as we needed to save us from the threat of economic disaster."

Congressman Mathews further called attention to a former message of the President, when he vetoed certain labor legislation, in which the

GROOME CITATION

The following citation has been presented to Mrs. Mary Groome, 2738 Cottage street, Philadelphia, posthumously honoring her husband, Harry V. Groome, son of Mr. and Mrs. Harry Groome, of Riverton. Groome was killed while on active duty with the United States Army Air Corps.

United States Pacific Fleet Commander First Carrier Task Force In the name of the President of the United States, the Commander First Carrier Task Force, Pacific, presents the AIR MEDAL to ENSIGN HARRY VINCENT GROOME United States Naval Reserve for service as set forth in the following CITATION:

"For meritorious acts while participating in aerial flights as pilot of a carrier based fighter aircraft in operations against the enemy. On 4 January 1945, under adverse weather conditions, he participated in an attack against an enemy convoy off the China Coast and personally set on fire a destroyer escort by skillful strafing. During the action intense enemy anti-aircraft fire hit his airplane. On 6 January 1945, under adverse weather conditions, he participated in a most successful coordinated attack against an enemy convoy off the French Indo-China coast in which he materially aided in its success by scoring a direct bomb hit on an important enemy ship which burst into flames and later sank. He then effectively strafed and damaged another enemy vessel. These missions were performed without regard for his own personal safety. He has participated in six hazardous missions since joining his present squadron. His courage and skill were at all times in keeping with the highest traditions of the United States Naval Service.

HIT BY AUTO

Shortly after 7:30 on Wednesday morning of this week, Claude Loper, 18, of 69 Broad street, East Riverton, was hit by a car driven by Thomas Meenan, of Riverside. The accident occurred at Broad and Race street, Palmyra, after Loper had alighted from a bus.

According to witnesses the victim went around the front of the halted bus directly into the path of the oncoming car. He was taken to Burlington Memorial Hospital where it was found he had sustained a broken shoulder, severe bruises and lacerations.

The proposed new State Office Building at Trenton will contain 275,000 square feet of floor space and the cost will average \$35 per square foot, according to present official estimates, the New Jersey Taxpayers Association notes.

Recent surveys show that 140,000 New Jersey families are planning to build or buy new homes, thus adding to the taxables of the State, the New Jersey Taxpayers Association points out.

President said: "I believe that the time has come to adopt a comprehensive labor policy which will tend to reduce the number of stoppages of work and other acts which injure labor, capital, and the whole population."

The Congressman pointed out emphatically that the deplorable conditions of O.P.A. legislation and the New Deal Democratic Party, which had had substantial majorities in both Houses and its own President in the White House for over thirteen years, and that these statements of the President proved that fact.

21. Bill Wisner

The three largest expenditure items in the State's annual appropriations bill for the 1946-47 fiscal year are: State aid to counties and municipalities, \$37,000,000; and State Government operation, \$35,000,000, reports the New Jersey Taxpayers Association.

NEW ROAD WORK

The advantages of a new type of treatment for the surface of secondary roads was outlined to the Board of Freeholders by Acting Road Supervisor Maurice E. Keating, at a recent meeting of the Board.

This new "Mixed in Place" method of construction has been used on portions of three roads within the county and has resulted in a better road surface than was obtained by the former surface treatment process. Parts of Sunset road, Wood-lane road, and the North Pemberton road have received the treatment.

The cost of the "Mixed in Place" process is \$1250 per mile of 20 feet width pavement, which is about the same as the cost of two applications of the old surface treatment. After two treatments the old type road usually lasted about two years, whereas the new surface will last six years. Thus a road which has at all times a better surface can be provided at no greater cost and will last three times as long by the use of the new method.

The new process was extensively employed during the war on airfields and military roads. Pennsylvania avenue, at Fort Dix, has stood up under extremely heavy traffic for three years, with no cost for maintenance, and the road is still in excellent condition.

A machine known as a Pulvi-Mixer is used to tear up the road to a depth of three inches. Oil is mixed with the material thus provided and the resultant mass is distributed evenly over the entire road surface, leaving a two and one-half inch thick covering. One Pulvi-Mixer has been purchased by the county and a second has been ordered.

Mr. Keating stated that with two Pulvi-Mixers and the regular road department employees it would be possible to resurface every secondary road in the county in less than three years. He said that on a secondary road with normal volume of traffic it was possible to resurface one and three-quarter miles in a working day, without closing the road. On high-travelled highways four miles per day could be treated.

BLAIR-BUCKLEY

The wedding of Miss Eleanor Buckley, daughter of Mr. and Mrs. J. G. Buckley, 1002 Perry avenue, Palmyra, to Mr. Hugh Blair, son of Mr. Archie Blair, of Trenton, N. J., will take place Saturday, August 3, at 6 p.m. in Christ Church, Palmyra.

The bride will be given in marriage by her father. Rev. Ferguson will perform the ceremony. Music will be furnished by Mrs. McElroy at the organ and Miss Jean Dalton, soloist.

Miss Blanche Buckley, sister of the bride, will act as maid of honor and the bridesmaids will be Miss Agnes Reice and Miss Ruth Reinhart of Philadelphia.

Mr. Ben Blair will serve as best man for his brother and the ushers will include Mr. Dick Colby and Mr. Walter Kasker of Trenton.

Following the ceremony a reception will be held at Union Hall, Philadelphia, after which the young couple will leave for a wedding trip to Niagara Falls, New York.

RETURN TO P.H.S.

A number of former faculty members in the Palmyra Public Schools who have been in the Service will return to their positions in September.

Matthew J. Curtis, Physical Education, will return to his duties late in September. The following teachers will be on hand for the opening of school in September: Meyer Miller, Commercial; Lionel Kavan, Junior School Science and Geography, and Miss Florence Cary, Fifth Grade.

THE PEOPLE'S COLUMN

To the Editor of The New Era, Riverton, N. J.

Dear Sir:

As the Commander of the Tri-Borough Post 1931, Veterans of Foreign Wars, I would like it to be known that our Post has neither sponsored nor are we in any way connected with the recent letter sent to a "very select number of persons" by a veteran's newspaper. This letter, according to the writers, was sent after complaints had been received from a few veterans of the community, regarding the "unpaid balance" on the War Memorial. We do not know who these veterans are or why they became involved.

The Committee in charge of the erection of the War Memorial was organized before our Post was chartered.

We know nothing about the financial status of the Honor Roll. Since it was erected in honor of those who served we feel we should not be involved in any way whatever.

CLEMENT A. HAAS, III
Commander,
Tri-Boro Post 1931,
V.F.W.

APPOINTMENT AS CADET MIDSHIPMAN TO THE PENNA. MARITIME ACADEMY

Congressman Frank A. Mathews, Jr., Representative of the Fourth Congressional District of New Jersey comprising Mercer and Burlington Counties, today announced he had received a communication from the Nautical Scholarship Committee of the Pennsylvania Maritime Academy to appoint one candidate for entrance to the Academy on September 1, 1946.

To qualify as a candidate the major requirements necessary are as follows: Must be a male citizen of the United States; unmarried; not less than 17 years old and shall not have reached his 21st birthday with the exception of veterans who shall not have reached their 24th birthday; must produce evidence of credits from accredited schools, consisting of 15 units—as follows: 2 in mathematics (including 1 in algebra and 1 in plane geometry), 3 in English, 1 in Physics and 9 electives; must pass the physical examination required by the Navy for appointment as Midshipman in the United States Naval Reserve; and must possess a firm desire to pursue a life-long career in the Merchant Marine.

The course of training covers 3

years, 36 months of continuous training, of which, at least, 9 months are spent at sea on foreign cruises aboard a training ship operated by the Pennsylvania Maritime Academy. Shore Training is provided at the Pennsylvania Maritime Academy, located on the Delaware River near Morrisville, Pennsylvania. The course covers both academic and practical subjects.

All appointees must deposit \$250.00 with the Finance Officer of the Academy upon admission. Each year, thereafter, on September 1st, he shall deposit \$100.00 additional to this fund. The fund is used for the express purpose of financing costs of uniforms, textbooks, linen, graduation fees, athletic and entertainment assessments, etc. Any balance remaining in the fund, upon graduation or separation, shall be refunded in full.

Cadet-Midshipmen receive \$65.00 per month pay from the War Shipping Administration.

Congressman Mathews requests that any boy interested write him immediately outlining his qualifications. Letters should be addressed to the Congressman, House of Representatives, Washington, D. C. The candidate will be selected on the basis of his qualifications.

N.A.A.C.P. MEETING
AT MT. HOLLY

The Burlington County Branch of the N.A.A.C.P. will hold a Convention Meeting at the Mt. Moriah Methodist Church, Mt. Holly, Sunday, August 4, at 3 p.m.

James Hillman Jensen, Trenton, Executive Secretary Carver Branch, Y.M.C.A., will address the meeting. Mr. Jensen is also director of Youth Council under the State Association N.A.A.C.P.

Another feature of the afternoon will be the report of the National Membership Drive.

Andrew J. Wise, president of the county organization, emphasized the great importance of the drive in a recent statement.

Total evaluated property in New Jersey in 1945 was \$6,787,485,142 of which \$1,317,823,297, or 19.5 per cent, was exempt from taxation, reports the New Jersey Taxpayers Association.

Parke's Flower Shop, 602 Parry avenue, Palmyra, will be closed from August 12 to August 23.

Radio Shop will be closed from August 10, to August 19. Long's, Cinnaminson avenue, Palmyra, N. J. 8-1-8-8

The first municipalities to operate under civil service in New Jersey were Newark and East Orange which adopted the system in 1910, says the New Jersey Taxpayers Association.

The proposed Federal government budget for the 1946-47 fiscal year totals in excess of 35 billion dollars—more than all America spends in a year for food, the New Jersey Taxpayers Association points out.

SAVE! UP TO 1/3 ON YOUR FUEL BILLS

FOR ONLY A FEW DOLLARS

(The U. S. Dept. of Commerce says that a coating of just one quarter inch of soot in a furnace reduces its efficiency by ONE-HALF)

- 1—Would you like to save up to 1/3 of your winter fuel bills? YOU CAN!
- 2—Stuffing a heater with fuel is no remedy for inefficiency, and an excess of fuel can and will spoil the best heating plant.
- 3—Many residence fires are caused by clogged heaters, flues and chimneys. Reduce the fire hazard in your home!
- 4—A clean heater or boiler means a cleaner house. If we clean your heating plant now you will know it is ready for the coming winter.
- 5—If you have warm air heat you will be interested to know that cleaning down inside the heat ducts (and on top of them too) is a feature of this service. Protect the health of the family by getting rid of dust and germs.
- 6—Dust and soot spalls wallpaper and paints and soils windows, rugs, furniture, curtains and clothing. Let us remove it for you electrically!

We Now Have

TWO new electric FURNACE VACUUM CLEANERS. They enable us to do the job quickly and easily which reduces the costs to the minimum and we pass this saving on to you; they enable us to do the job more efficiently—every last bit of soot is drawn from the flues and furnace.

This Process Is Clean! No Muss - No Fuss

Your heating plant is thoroughly cleaned—but nothing is disturbed!

COUNTRY CLUB SEEKS NEW MEMBERS

There are many reasons why you should belong to The Riverton Country Club, according to Carvel Sparks, chairman of the new membership committee. You may consider this as your invitation to join the club and enjoy all the privileges that it affords.

The Country Club gives you a place to entertain all your family and guests. We enjoy a dining room, managed by Mr. Peterson who has proven himself exceedingly capable of serving very fine dinners and making you feel very much at home.

We have one of the finest golf courses in South Jersey, good bowling alley, tennis courts, and hope in the near future to have a swimming pool.

Winter Program

The Winter Program, which is for your entertainment, is as follows, and may be expanded with the proper support:

- Sept. 7, Informal Dance.
- Sept. 20, Bridge Tournament.
- Sept. 28, Club Night.
- October 16, Bridge Tournament.
- Oct. 26, Halloween Dance—Costume optional.
- Nov. 9, Club Night.
- Nov. 15, Bridge Tournament.
- Nov. 30, Thanksgiving Dance.
- Dec. 6, Bridge Tournament.
- Dec. 21, Christmas Dance—Dress optional.
- Dec. 31, New Years Eve Dance—Dress optional.
- January 1, Open House.
- January 17, Bridge Tournament.
- January 23, Club Night.
- February 14, Bridge Tournament.
- February 22, Dinner Dance—Informal.
- March 14, Bridge Tournament.
- March 22, Spring Dance.

Further items currently under consideration are:

Dinner or Buffet to be followed by Movies.

Game nights during the week.

Several Children's parties at appropriate seasonal periods.

A Fashion Show for the women.

An exhibition, in the early Fall, by Arthur Murray Dancers to see if there is sufficient interest among the Club Members to start a series of lessons.

The Club needs your support, and you may obtain an application blank by telephoning Riverton 9-1581, giving your name and address. We will forward you an application.

The Club House Membership is \$30.00 per year, including tax. You cannot afford not to join, not only because you as an individual will miss a great deal, but because the Country Club is a great asset to the Boroughs of Riverton, Palmyra and Cinnaminson.

You are cordially invited to come up and inspect the Club at any time.

MOOSE LODGE PICNIC

The Moose Lodge of Riverside, N. J., No. 279, will hold their annual Picnic on Sunday, August 11th, 1946, at Dora's Grove, Delanco.

Members will meet at the Moose Home at 1:00 p.m. Cars will meet all buses at camp meeting ground after 1:00 p.m.

There will be games for men, women and children; a pie eating contest for girls and boys under 16 years.

Cash prizes will be awarded for all winners. In case of rain the affair will be held in the Moose Home.

Drinks and Music will be furnished free. Come out, bring your family and friends. Have a good time.

The present station at Riverton suits the railroad and the county on whose highway it abuts. It seems, therefore, that if any change is made the Borough must foot the bill—or at least a considerable portion of it. The question is "Will a new station be worth any appreciable expenditure?"

The President of the United States receives a salary of \$75,000 a year—which shrinks to \$37,950 after he pays his tax, reports the New Jersey Taxpayers Association.

Unemployment benefits in this State hit a record-breaking total of over \$36,000,000 in 1945, the New Jersey Taxpayers Association points out.

The Ladies Aid of the Asbury Methodist Church will hold its next covered dish luncheon at the East Riverton Firehouse, on Wednesday, August 14 at 1 p.m. Mrs. Anna Wolfshmidt and Mrs. Madeline Jones will serve as hostesses.

Unemployment benefits in this State hit a record-breaking total of over \$36,000,000 in 1945, the New Jersey Taxpayers Association points out.

The proposed 35 billion dollar Federal budget for next year carries an anticipated deficit of \$3,600,000,000 declares the New Jersey Taxpayers Association.

Campbell Soup Company unless the plant is unable to receive tomatoes as they are delivered by New Jersey farmers. It is my sincere wish that the two parties now concerned come to agreement today so that no work stoppage will result with consequent loss of food.

RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, AUGUST 8, 1946

PRICE FIVE CENTS

AMBULANCE DRIVE SEPTEMBER 16-21

The Palmyra Ambulance Association is preparing to launch its annual drive for funds.

Under the chairmanship of Walter Poulson, the drive will begin September 16, and end September 21. As in the past the association appeals to the generosity of the townspeople in this worthy cause. A new ambulance has been ordered and delivery is expected in the very near future. Funds received through the drive will be used to defray the expenses of purchasing the ambulance and also aid in its upkeep.

Vernon W. Stone, Sr., is president of the Ambulance Association, with Mrs. Margaret O'Neill as secretary.

ROTARY GOLF TOURNEY HERE

More than 80 Rotarians competed Thursday in the annual South Jersey Rotary Golf Association tournament at the Riverton Country Club course.

Clubs from Camden, Moorestown, Mt. Holly, Collingswood, Camden, Medford-Marion, Bridgeton, Woodbury, Mt. Ephraim and Salem had representatives in the event, sponsored by the Palmyra-Riverton Club.

Al McFall assisted Paul Schlieder in the 18-hole test of medal play and kicker's handicap.

Edward Smalley, Riverton, member of the Camden Club, won the last tournament with a 72, one under par at Riverton.

EDWARD K. MERRILL

Edward K. Merrill died Saturday at his home, 301 Main street, Riverton. He was 65.

He was assistant secretary of the Land Title Bank and Trust Co., Philadelphia.

Son of a shipyard owner, Mr. Merrill was born in Portland, Me., but was educated at Central High School in Philadelphia. He was employed by the bank for 47 years and has lived in Riverton for many years.

He was former commodore of the Riverton Yacht Club and a member of the Red Dragon Canoe Club, formerly of Vineland, but now at Edgewater Park, N. J.

Mr. Merrill was a member of the Riverton Borough Council during the period 1932-1937, inclusive, serving two full terms. He was president of Council from 1934 to 1937. He also served in a most efficient manner as Commander and Chairman of the Riverton Civil Defense Council for nearly the entire period of its existence.

A lifelong boating enthusiast, Mr. Merrill won his most important victories aboard Shuffy, a 16-foot Comet class sailboat which he built himself out of cedar and spruce. In 1938 he won the national title of the Comet Class Yacht Racing Association and he captured its mid-winter championship at San Juan, Puerto Rico, on Feb. 12, 1939. He was a frequent winner in other regattas on the Delaware River and Barnegat and Chesapeake Bays.

Surviving are his wife, Ella L.; a brother, George L.; and two sons, Owen P., of Riverton, and Rodman Merrill, of Wayne, Pa., and two grandchildren. Funeral services were held at 2 p.m. Tuesday at Oliver Blair's Funeral Home, Philadelphia. Burial was in West Laurel Hill Cemetery.

The amount of tax-exempt property in New Jersey now stands at the staggering total of \$1,317,827,000, or nearly one-fifth of the total property evaluation in the State.

The President of the United States receives a salary of \$75,000 a year—which shrinks to \$37,950 after he pays his tax, reports the New Jersey Taxpayers Association.

HAL WAGNER DAY

This coming Tuesday evening, August 13th, the Twin Towns will do honor to Hal Wagner as he comes to Shibe Park with the fast stepping Boston Red Sox.

As a boy in Palmyra High School he caught for the Red and White teams. Now he has risen to the top of the ladder as number one catcher for the American League's coming champs.

As we could only obtain 250 box tickets it is too bad that all who would like to come will be unable to get there, but to be fair, the committee is selling on the first come—first serve basis.

The tickets will cost an additional fifty cents. This will go toward the gift Hal will receive, thus giving every one a chance to participate.

Cars will leave from the Palmyra station at 7:15 sharp. We will go over in a group with a police escort. Bring along your noise makers and signs.

Ticket headquarters will be the Firestone Store or you may see any member of the committee, Dr. Hayes B. Brady, Russell Rivers, Albert Farrow and Paul Schneider.

Everything points to a great evening for the local fans who will see a grand fellow and a grand team.

If the game should be cancelled because of rain the presentation will be made as part of a double header the next day.

NEW PRICE LIST IS
EFFECTIVE THURSDAY

District OPA issued the second of its weekly series of price lists on fresh fruits and vegetables, resumed when price controls were reinstated July 25. Among the changes instituted by the new listing is the addition of onions, and price reductions in lemons and peaches. The new prices are effective Thursday.

Price changes for the North Jersey counties of Essex, Bergen, Hudson, Passaic, Sussex, Morris and Union, and the Borough of North Plainfield are:

Small white onions, 11 cents a pound; small yellow onions, 5 cents a pound; large yellow onions, 6 1/2 cents a pound; large lemons, down 1 1/2 cents a pound to 13 cents; peaches, down a half cent a pound to 14 cents; honeydew melon, up a half cent a pound to 12 1/2 cents.

Price changes for the balance of the State are: small lemons, down a cent a pound to 10 1/2 cents; small white onions, 12 1/2 cents a pound; small yellow onions, 5 cents a pound; large yellow onions, 7 cents a pound.

Printed lists are mailed to every produce retailer in the State, and must be displayed where customers can consult them.

BARBER NEW GENERAL
MANAGER AT NEIDICH

Milton C. Barber, of Moorestown, has been appointed general manager of the Neidich Process Division Underwood Corporation of Burlington.

He succeeds E. W. Curtis, Jr., of Riverton, formerly of Moorestown, who retired July 31.

Barber, 44 years of age, is a graduate of the University of Michigan. He joined Neidich Process late in 1936 as sales manager and later was appointed assistant general manager.

Curtis has been with the Underwood Corporation in various capacities for more than 20 years.

Mr. Barber is well known in this section through his activities in the Burlington County Chapter, American Red Cross.

The Ladies Aid of the Asbury Methodist Church will hold its next covered dish luncheon at the East Riverton Firehouse, on Wednesday, August 14 at 1 p.m. Mrs. Anna Wolfshmidt and Mrs. Madeline Jones will serve as hostesses.

Did you know
 this fact about
 "E" bonds?

You make money faster the longer you hold your "E" War Bonds. If you study the redemption chart, printed on each bond, you will see that the last four years are the "harvest" years. Your bond increases in value during each of these years twice as fast as it did in any previous year. Holding your "E" Bonds until they come due is just another way of putting extra dollars in your own pocket.

"WANTON AND VICIOUS"

Branding as "wanton and vicious" the motorist who deliberately endangers fellow-drivers by refusing to use the lower headlight beam when approaching oncoming traffic, Keystone Automobile Club yesterday urged uniform compliance with the lower-beam requirement of motor vehicle law as a potent means of reducing night accidents.

"Under the best of conditions," said J. Maxwell Smith, President of the Club, "night driving is hazardous. But when this hazard is increased through what must be regarded as wanton disregard for the rights of others, it is time to enter vigorous protest. The shooting of stabbing rays of light into the eyes of oncoming motorists, is a vicious and deadly practice."

Mr. Smith said the country's night accident total is 10 per cent greater than the day total although admittedly fewer cars are in operation in hours of darkness. "Headlight glare must bear a major part of the blame for this appalling record," he asserted.

 CLOSED WEDNESDAYS

In further emphasis of the danger, he pointed out that night accidents usually are more serious than those which occur in daylight, citing figures compiled in New Jersey which show that deaths in traffic accidents were 130 per cent greater between the hours of 5 p.m. and midnight than in the hours of 10 a.m. to 3 p.m.

"Use of the lower beam approach of other cars obviously won't eliminate night accidents," he continued, "but just as obviously it will help to reduce the toll by creating more favorable driving conditions."

"While most states have regulations requiring the lower beam under the conditions described there has been little enforcement. But in this as in other matters vitally affecting the motorist, we believe common sense and a spirit of fair play should dictate compliance without the aid of a policeman's whistle."

IN CHANCERY OF NEW JERSEY
 156/83

TO: EVA JANE CYRUS COLEMAN: By virtue of an Order of the Court of Chancery of New Jersey, made on the day of the date hereof, in certain cause, wherein WILLIAM WRIGHTER COLEMAN, is the petitioner, and you are the defendant, you are required to answer the petitioner's petition on or before the 11th day of September, next, or in default thereof, such decree will be taken against you as the Chancellor shall think equitable and just.

The object of said suit is to obtain a decree of divorce, dissolving the marriage between you and the said petitioner, WORTH AND WORTH Solicitors of Petitioner

SET AUGUST 15 AS
APPEAL DEADLINE

All appeals for tax assessment for 1946 must be filed with the Burlington County Board of Taxation by August 15, and hearings will be conducted in September by members of the board, George M. Hillman of Moorestown announced this week.

The appellants must file one copy of the appeal with the board and another copy with either the clerk or the solicitor for the municipality in which the property is assessed.

The board will sit to hear appeals from 1946 assessments according to the following schedule:

Wednesday, September 18, municipal building, Palmyra, at 10.30 a.m.

for Cinnaminson township, and Palmyra and Riverton boroughs.

CHRISTIAN SCIENCE
BROADCAST

The Columbia Broadcasting System's "Church of the Air" will feature a Christian Science program on Sunday morning, August 11, at 10:00 o'clock. The subject of the address will be "True Understanding" and it may be heard over Station WABC and affiliated network stations.

New Jersey State Government pays an annual rent bill of \$100,850 for 28 motor vehicle inspection stations, points out the New Jersey Taxpayers Association.

There are words for today for every one in the Holy Scriptures, words that are of such practical value. A friendly tip can often do us a lot of good when we need help. How much more, God's Word can bring us a helpful message. Such a word is found in Psalm 46:10, "Be still and know that I am God." Dr. Archer Wallace wrote the following lines: "A very busy man

who had been laid up by sickness wrote me: 'I do not enjoy being confined to the house, and still less being compelled to remain in bed; but I do know now that it is a good thing for my soul to view life from a horizontal position.' In the quietness of the sickroom this man saw things from a new angle and was forced to revise many judgments. We who in our 'busyness' are cumbered with many things would do well to halt and heed this divine admonition, 'Be still, and know that I am God.'

OBITUARIES

CHARLES E. CHIDESTER
Charles E. Chidester, of Massillon, Ohio, former owner and editor of the Evening Independent newspaper of Massillon, died in Rosemont, Friday, August 2, while visiting at the home of Mr. and Mrs. Perot Nevins. He was 61.

Mr. Chidester began his newspaper career on the Evening Independent more than 40 years ago when he joined the staff as a reporter. He was editor and part owner of the newspaper when he retired a year ago. He is survived by his wife, Helen, and three daughters.

Mr. Chidester was a former resident of Riverton. His wife was the former Miss Helen Daniels, also of Riverton.

DAY CAMP CLOSES

After a successful season of four weeks, the Palmyra-Riverton Day Camp closed last Friday afternoon. It had started July 8 and operated five days each week for four weeks. While in session, the boys enjoyed

games, crafts, swimming, singing and other camping activities such as a trip to Shibe Park, Lebanon State Forest, and nearby points of interest. The Director, Lawrence Coulbough, had as his assistants, Jack Austin, William Howe, William Page, Richard Burr. Each Wednesday and Friday the boys enjoyed swimming at Olympia Lakes where many learned how to take care of themselves in water.

Although supervision was given by the Burlington County YMCA it was made possible through the efforts of the Day Camp Committee of the Palmyra-Riverton Board: Robert Finney, Aubrey Hewlett, and Edward W. Fry.

About Town

W. Brooks Evert and family, 430 Thomas avenue, are spending the month of August at Spray Beach.

Miss Clara Bishop, Thomas avenue, is at Ocean City for two weeks.

R. W. Davies and family, formerly of Thomas avenue, left for Spray Beach last Thursday for the balance of the summer.

Mr. and Mrs. Harry E. Kenny, Thomas avenue, and Mr. and Mrs. Frank Smith and sons, Berkeley avenue, Palmyra, are spending two weeks at Seaside Heights.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Charles E. Dunbar, of Palmyra, N. J., announce the engagement of their daughter, Margaret, to Major Morris E. Mager, Medical Corps, A. U. S. Reserve, son of Mr. and Mrs. S. I. D. Mager, of Gainesville, Texas. The wedding will take place in the fall.

Miss Dunbar returned from Hawaii last December where she served for 18 months as a secretary and later as administrative assistant with the American National Red Cross Pacific Ocean Areas Staff.

Major Mager, who was graduated from North Texas State College and Baylor University, College of Medicine, has recently returned to this country after 37 months of active service, 30 of which were spent in the Pacific Ocean Areas.

CENTRAL BAPTIST CHURCH

Rev. S. Dan Morgan, Pastor
Palmyra, N. J.

"Forsoke not the assembling of yourselves together." We are admonished, and justly so, for it is so easy to become indifferent to the vital things in life and adjusting ourselves to the ways of the world. Therefore, it becomes our major concern at this season of the year to attend the service of our church.

And who can say we don't need the encouragement and help that we receive when we are consistent with our religion? You are most respectfully invited to join in the participation in the services at "Central Baptist."

Adult Men's Bible Class and Bible School, 10:00 a.m.

Morning Worship, 11:15 a.m.—Pastor Morgan will speak on "Thine is the Kingdom." The guest soloist will be Miss Doris Todd, soprano, who has selected Taylor's "There is a Beautiful Land on High." The

choir will render a selected number. Evening Worship, 7:00 p.m.—Union Vesper Service in Palmyra Municipal Grove will be in charge of the Bethany Lutheran Church. The Pastor, Rev. George T. Miller, will bring the message.

Event of the Week
Wednesday, August 14th—Mid-week Prayer, Praise and Testimony meeting where you are invited at 8 p.m.

OBITUARY

ELIZABETH J. ALLARD

Mrs. Elizabeth J. Allard, 11 Bank avenue, Riverton, died Saturday, August 5. She was the wife of Edward J. Allard.

Funeral services were held Tuesday at 11 o'clock at the Snover Funeral Home, 313 East Broad street, Palmyra. Rev. Ferguson of Riverside officiated. Interment was in Lakeview Memorial Park.

Surviving is her husband, Edward J. Allard, one brother, Harry P. Allard, of Scranton, Pa., two sisters, Mrs. Anna Hannah, and Mrs. Sara Major of Scranton, Pa.

The assets of the State Teachers' Pension and Annuity Funds amounted to \$128,582,749 in 1945, the New Jersey Taxpayers Association says.

STATION WILL
REMAIN AS IS

At the meeting of Riverton Borough Council held on Thursday night of last week a letter was received from the Pennsylvania Railroad regarding their attitude in moving the Riverton station.

The letter follows:

The Pennsylvania Railroad
New York Zone
July 28, 1946

Hon. Nathan Lane,
Mayor, Borough of Riverton,
Riverton, New Jersey.

Dear Mayor:
As outlined to you at meeting on the ground at Riverton, on July 19th, we wish to advise that review has been made of the proposal advanced by the Borough some time ago, concerning the change in passenger station facilities at Riverton.

The estimated cost of removing the present structure and rebuilding a suitable, but smaller facility, under present day labor and material costs, would amount to an expenditure of \$25,000. This estimate is based on an amount of approximately \$20,000 covering the new facility and about \$5,000 to remove the old station, fill in the basement and shifting telephone and signal equipment. This estimate does not include the paving of Broad street at the site of the present station, nor raising the station platform to standard height.

If this change is made it will provide a clear roadway of thirty-eight (38) ft. and remove, entirely, the present obstruction in Broad Street. It should be understood that the property released by the removal of our present station would necessarily have to be leased at nominal rental to the Borough for use in street widening.

As stated before, we do not feel that the railroad should be put to any expense in connection with this project and we will be pleased to consider any proposal as to division of the cost of the Borough of Riverton and the County of Burlington wish to consider.

Very truly yours,

P. W. TRIPLETT.

Mayor Lane's Reply

After a discussion it was agreed that nothing be done about changing the station and Mayor Lane's letter to the railroad explained Council's attitude as follows:

August 9, 1946

Dear Mr. Triplett:
Your favor of July 29th was presented at Borough Council meeting last evening. It was decided that no action will be taken in the matter of changing the Riverton passenger facilities by the Borough during the current year.

Again thanking you for your courtesy in attending the meeting arranged to discuss the proposed change on July 19th, and regretting the false report which was circulated at the time, I am,

Yours very truly,

NATHAN LANE,

Mayor.

WARRINGTON AVENUE

WILL BE IMPROVED

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, the South Jersey Construction Co. was the low bidder for improvements to Warrington avenue in East Riverton, their figure for the job being \$8,100. They were awarded the contract, but the original plans will have to be curtailed because the costs are over the amount provided in this year's budget.

The original plan called for necessary excavation, installation of bituminous concrete gutters and a mixed in place bituminous surface. Funds will allow only the first two phases of the project to be completed.

Rev. and Mrs. S. Dan Morgan, of 804 Elm avenue, Palmyra, are spending their vacation in North Carolina.

ANONYMOUS LETTERS

Of late, Mayor Nathan Lane, of Riverton, together with various members of the Borough Council, have been the recipients of a number of anonymous letters concerning a wide variety of complaints which included the garbage collection, dogs running at large, etc.

Last Thursday night, the members of the local governing body went on record to the effect that unless a letter is signed no attention will be paid to it.

They felt that residents with a complaint should at least have the good faith to sign their communications.

PAUL COFFEE WINS
ROTARY TOURNAMENT

The Riverton-Palmyra Rotary Club played host to the South Jersey Rotary Golf Association last Thursday at the Riverton Country Club. Following the golf tournament in the afternoon the members had a fine dinner arranged by Jack Peterson in the newly decorated ballroom of the club, nearly 100 Rotarians and their guests being present.

Paul Coffee won low gross honors with a 75. Second low net went to Howard Stiles, of Collingswood, who posted a score of 80.

The prize for low net was taken by William Seither, of Palmyra with 67. Ed Seaton, of Collingswood, was second with 69.

Altogether 21 prizes were distributed in the various classes.

WAGNER HONORED

Hal Wagner, of Piverton, catcher for the Boston Red Sox was honored by local fans on Tuesday night of this week at Shute Park, when a delegation of 250 attended the game. He was presented with a shogun, case of shells and other gunning accessories by Paul Schneider, of Palmyra, chairman of the committee which arranged the program and Dr. Hayes B. Brady, Albert Farrell and Russell M. Rivers.

Wagner did a fine job of catching in the contest, walked twice and drove out a single which brought in the winning run in his team's 7-5 win over the Athletics.

BOY SCOUT ACTIVITIES

The Camp Lenape Boy Scout Reservation brought to a close its fourth season last weekend.

Among the Scouts initiated into the Order of the Arrow, were Wiley Wenger, Jr., and Dwight Wenger, Troop 50, Riverton.

The Order of the Arrow is the highest honor that a Boy Scout camper may receive, as only 10 per cent of the campers at any one period are elected to its membership. It is a national Boy Scout Camp honorary organization.

The following were initiated into the Brotherhood of the Arrow, which is the Second Degree of the Order of the Arrow: A. Robert Harris, John B. Stokes, Jr., William C. Coles, Jr., E. Kirk Roberts and Gerald W. Pontius, Scout Executive, all of Moorestown; Herbert J. Scilly, Maple Shade; Captain J. B. Ryan, U.S.N. (Ret.), and John C. Noone, both of Palmyra; and Marvin Weiss, Beverly. This was the first Brotherhood Honor initiation to be put on by the local Lodge of the Order of the Arrow. Others in the Burlington County Council holding the Second Degree are: V. Larwood Caldwell, Merchantville; James L. Moore, Jr., Moorestown; and William B. Gibson, Palmyra.

Rev. and Mrs. S. Dan Morgan, of 804 Elm avenue, Palmyra, are spending their vacation in North Carolina.

COMPLAINS ABOUT
TRUCK SPEEDING

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, Charles Dorworth, of Parris, asked that some action be taken to curb the speeding of trucks on Route 25 in the vicinity of Five Points.

Mr. Dorworth stated, and there are countless others who, had they been present would have heartily agreed, that truck drivers are literally running wild on the highway. He complained especially of them running two abreast at the Party intersection and the speed at which they travel on the down grade. He also asserted that it is almost impossible to make a left turn from Route 25 with any degree of safety.

Mr. Dorworth suggested that a no-passing zone be created in the vicinity if no other remedy could be made available.

All Agree

The members of the committee heartily agreed with Mr. Dorworth's statements and will take the matter up with the State Highway Department to ascertain what can be done to relieve the situation.

Maurice Conrow, chairman of the committee, stated that the Cinnaminson police force is too small to adequately patrol the highway and added that this work has been done by State Police and Inspectors of the Motor Vehicle Department. Obviously they cannot be expected to be there 24 hours daily which is just about what is needed at the present time.

The situation is rapidly becoming worse, especially with the greatly increased truck traffic and all who have occasion to travel in the area in question agree that it is only a question of time before one or more fatal accidents occur unless immediate steps are taken to curb the reckless manner in which the huge vehicles are operated.

Y CAMP ACTIVITIES

Visiting YMCA Camp Oceanickon Monday morning, Burlington County YMCA Secretary Clifford W. Ergood found the campers had replaced the staff and counselors for the day in the annual Campers Day. Lynn Stringfellow of Mount Holly had been elected director representing the Nicksen Party which opposed the Ockin Party. Other positions filled by Burlington County boys were: Galt Siegman, Bordentown, Junior Director; Ben Davis, Mt. Holly, Midget Director and James Davis, Mt. Holly, Crafts Director. Dick Johnson, of Bordentown, representing the Ockin Party was the unsuccessful candidate for Program Director; Roger Wagner of Riverton was elected counselor of Middlers Cabin 3 where Kelsey Edwards of Riverside ordinarily is in charge.

Robert Roy of Burlington was elected counselor of Juniors 5 where Ed English, Bordentown, is regular counselor. The regular counselors acted as waiters in the Dining Hall throughout the day.

The Sunday Chapel services had as speakers Mrs. Agnes Stokes, of Moorestown, at Matollonequay, who spoke on the "Power of Prayer," and William H. Wells, of Bordentown, at Oceanickon, using as his subject, "Baseball and The Game of Life."

The YMCA Campers serve approximately 400 boys and girls each week during the season and providing the food is quite a job. Following are some of the materials used: for boys 125 pounds of potatoes per meal. The girls ate only 80 to 90 pounds. 54 dozen eggs for breakfast serve both boys and girls and 400 quarts of milk daily are used at the two camps. The midgets are served extra milk at

LOCAL PROS ENTER
HOLE-IN-ONE TOURNAMENT

Johnny Hayes, pro at the Riverton Country Club, Walter Brickley, of Riverton, pro at Burlington County Country Club and Paul Brickley, also of Riverton, pro at the Merchantville Country Club are all entered in the Hole-in-One Tournament slated for September 4-5 at Cooper River. Each entry will have three shots to try for an ace from the ninth tee. The hole measures slightly less than 180 yards.

Service Station Robbed

For the second time in two months the Bohs Service Station, Route 25 and Riverton road, has been burglarized, the latest break coming on Thursday of last week.

Entrance was gained from the rear and the loot consisted of a tire, four tubes, 15 cartons of cigarettes and some tools.

Since the offender who committed the first robbery was apprehended and is now serving a prison sentence police are hopeful of solving this case in the near future.

The investigation is in charge of Chief Erich Veitenheimer, of the Cinnaminson police.

WILLIAM L. HARE

William L. Hare, 19 West Charles street, Palmyra, died Wednesday, August 7. He was the husband of Mary L. Hare.

Funeral services were held on Monday, 2 p.m., at the Snover Funeral Home, 313 East Broad street, Palmyra. Interment was in Morgan Cemetery.

Besides his wife he is survived by two sisters, Mrs. Elizabeth McAdoo, of Philadelphia, and Mrs. Sarah Richards, Port Kennedy, Pa.

10 a.m. and at 3:30 p.m.: 120 loaves of bread daily besides biscuits baked by the camp chefs; 240 pounds of turkey are used for Sunday Dinner, this is also served at the closing banquets. 200 pounds of lamb and 180 pounds of beef are needed for one meal for both Camps. When green corn is served, 600 ears are necessary, while three cases of grapefruit and two cases of oranges are required for a meal. Fresh tomatoes, canteloupe, string beans, and other fresh vegetables are secured from nearby farmers.

In connection with the closing banquet marking the 10th anniversary of Matollonequay on Squaw Lake, the various feather awards were made as follows: for devotion, 10, crafts 12, riding 16, archery 10, Red Cross Swimming test, 12, boating, 13, Nature, 5. Special plans are also being made by the campers for a Canoe Carnival and movies were shown over the weekend entitled "Buffalo Bill." A special minstrel show is being arranged for Saturday evening. Saturday being Visitors Day, parents and friends are welcomed at the camp but are especially desired to visit between 3 and 6 p.m.

Edwin Bunner with his trombone and Bruce Ergood with his clarinet, both of Moorestown, are part of the special five-piece Jazz Orchestra under the direction of William Carey of Mt. Holly, who also plays the piano.

Phillip Mann of Beverly, reports 15 campers passed the intermediate Red Cross Test which is the basic requirement for those taking Life Saving Instructions, and J. Britt Davis, director of the Midget Camp reports that 15 of the 32 midgets have been able to pass the 25 yard swimming test.

Five boys who are outstanding in Nature are to accompany this week, Arthur Labou, Oceanickon's Nature Adviser and Roger Conant, curator of the Philadelphia Zoo, on a special reptile expedition.

EXPRESS OFFICE
MAY BE MOVED

According to an unofficial report the Riverton office of the Railway Express Agency is scheduled to be closed in the near future and moved to Philadelphia. The local office at present serves Riverton, Palmyra and Cinnaminson, an area with a population of over 10,000.

It is believed that officials from all three communities will register a strong protest with the company to prevent the move which, they believe, will greatly inconvenience local residents.

If the change is made, all express will be unloaded at Riverside and delivered made here by truck.

It is obvious that delays will be inevitable, shippers assert. Just what arrangement is to be made for picking up outgoing shipments has not been ascertained to date, but it is evident that the service will not be as prompt as if an office were located here.

Since Drer's left Riverton, business has fallen off substantially, but local officials point out that some of this loss has been absorbed by other industries moving here. They also feel that the three communities can best be served by an office in their midst rather than by one located at least five miles distant.

BOAT RECOVERED QUICKLY

Last Thursday night Paul Lloyd, of East Riverton, reported to Sergeant John Robinson of the Riverton police that his small 10-foot boat which he had anchored off the foot of Thomas avenue was missing. He went to the Riverton Yacht Club and questioned several boat owners there and one stated that he had recognized a boy who had been playing near the craft during the afternoon.

Upon questioning this lad, Robinson learned that he and two companions had "found the boat drifting during the day and had taken it home." They were invited to take the boat to police headquarters and the owner was notified. He declined to press charges, although police were skeptical concerning the drifting story.

AUTO HORN BLOWING

Campaigns to end the horn-blowing nuisance have the full support of the Keystone Automobile Club.

Russell C. Heimert, Manager of the Camden Division of the Club, said the efforts to abolish unnecessary horn blasts coincide with generally accepted highway safety principles. For years, he declared, Keystone has carried on an educational campaign to acquaint drivers with the dangers of relying on horns instead of brakes.

"Unnecessary horn blowing," said Mr. Heimert, "is a violation of the law of city, State and common sense. Generally speaking, the practice is an outward manifestation of inward impatience. The split-second drivers who feel it their duty to emit shrill blasts coincident with the change in traffic signal from red to green ought to have their heads examined."

"Properly used, the horn has a definite value as an aid to safe motoring. Improperly used, it is a nuisance and a potential menace."

While directing its fire mainly at drivers, the Club extends its criticism to parents who permit children to operate horns on parked automobiles, apparently in the belief the resulting din is "cute."

Mr. and Mrs. John McLaughlin, of Highland avenue, Palmyra, are spending two week's vacation at Wildwood, N. J.

Since 1936, more than 50 per cent of all livestock receipts at stockyards were hauled by motor trucks, the United States Department of Agriculture reports.

Did you know this fact about E-bonds?
You make money faster the longer you hold your E-bonds. If you study the redemption chart, printed on each bond, you will see that the last four years are the "harvest" years. Your bond increases in value during each of these years twice as fast as it did in any previous year. Holding your "E" Bonds until they come due is just another way of putting extra dollars in your own pocket.

CENTRAL BAPTIST CHURCH

Rev. S. Dan Morgan, Pastor
Palmyra, N. J.

The services at "Central Baptist"
this Sunday will be as follows:
Adult Men's Bible Class at 10:30
a.m.—This class meets in the church
auditorium.

Bible School, 10:00 a.m.—Classes
for all other ages, starting with the
Cradle Roll. This is a family hour
for every member of any family can
find a place for them and where their
presence will be welcomed.

Morning Worship, 11:00 a.m.—
Pastor and Mrs. Morgan are visit-
ing their parents in North Carolina
during a vacation which has been
truly earned. During the pastor's
absence, the pulpit will be occu-
pied by visiting speakers. The church
honored to have in the pulpit this
Sunday, H. Burton Entrieken, a stu-
dent of Colgate-Rochester Seminary.
Mr. Entrieken, a resident of Vineland,
N. J., is a nephew of Deacon John-
son and is well known to many of
the church members. His visit is
being looked forward to with great
anticipation. The choir will render
a selected number.

Evening Worship, 7:00 p.m.—The
Union Vesper service will be held in
the Palmyra Municipal Grove. This
is a community service to which
everyone is invited. You will find it
a very profitable hour in which to close
the Sabbath Day.

Event of the Week
Wednesday, August 21st—Mid-
week Prayer and Praise service. This
service is the only mid-week service
in the two communities. Here you
will also receive a spiritual refresh-
ing. Visitors always welcomed.

OBITUARY

MRS. ROBERT K. COWARD
Mrs. Robert K. Coward of Windy
Hill Farms, Southshore, Kentucky,
died Saturday, August 10, at her
home. She was the mother of
Charles W. Coward, of Cherry Lane,
Riverton.
Funeral services were held Tues-
day in Kentucky.

During the war years commercial
motor vehicles hauled approximately
3,640,000 tons of goods and ma-
terials from mines and factories to

fighting forces and civilian consum-
ers, the Office of Defense Transpor-
tation reports.

More than 35 per cent of New
Jersey families live in their own
homes and thereby are local prop-

erty taxpayers, the New Jersey Tax-
payers Association notes.

PRICE REDUCTIONS IN VEGETABLES

Price reductions are listed for five fresh fruits and vegetables on the new District OPA weekly ceiling price charts which are effective in New Jersey through next Wednesday.

Price changes for the North Jersey counties of Essex, Bergen, Hudson, Passaic, Sussex, Morris, and Union, and the Borough of North Plainfield are:

Peaches, down a cent a pound to 13 cents; honeydew melon down a cent a pound to 11½ cents, while cantaloupe and honeyball melons remain unchanged at 10½ cents a pound; apples decline a half cent a

pound to 13 cents; small yellow onions come down a cent a pound to 4 cents, while the large yellow variety remain at 6½ cents a pound, and small white onions at 11 cents a pound; and snap beans are down a half cent a pound to 17 cents.

Price changes for the balance of the State are:

Peaches down 1½ cents a pound to 13 cents; lettuce down a cent a pound to 16 cents; California and Arizona grapefruit up a cent a pound to 14 cents; bunched carrots weighing a minimum of a pound, up a half cent a bunch to 11 cents.

Retailers will receive the new printed lists in time to display them tomorrow morning, when the new prices are effective.

Prior to the war, 1,310,000 people were employed in automotive sales and servicing activities within the United States. This is over three times the number who held factory jobs in automobile plants.

An average of 2,740 passenger vehicles were retired from service each day during the past four years. Total number dropping out of service for the period amounts to about 4,000,000 cars.

NEW DODGE

"SMOOTHEST CAR AFLOAT"

While You're Waiting...

We Give You

Double Protection

Protect Your Safety and Comfort

From one end of the country to the other Dodge Dealers are now giving their friends and customers Double Protection.

This means that while new car production remains behind demand and schedule, every new Dodge buyer gets insured safety and comfort in the old car he is driving now.

It means that old engines, brakes, ignition, wheels and tires are carefully checked, adjusted and repaired so that there may be no risk — of either safety or comfort while waiting for the new car.

Protect Your Present Car Investment

In addition to insured safety and comfort the Double Protection program gives your present car a higher value when your time comes to turn it in.

It stands to reason that if your old car is in good condition we can allow you more than if you permit its qualities to run down.

Bring in your old car today. Let us give it a complete inspection and adjustment. Then you'll know where you stand, you'll have peace of mind, you'll be money ahead.

THANK YOU Double Protection FOR WAITING

Navy Cross Awarded Posthumously To Ensign Elliott

Mr. and Mrs. Ross T. Elliott, 402 Fulton Street, Riverton, received the Navy Cross posthumously awarded to their son, the late Ensign Ross T. Elliott, Jr., USNR, for heroism as assistant gunnery officer aboard the USS Emmons during operations against the Japanese forces off Okinawa Shima on April 6, 1945.

Ensign Elliott was cited for ably directing steady fire against an overwhelming number of Kamikaze planes attempting to crash dive the deck of his ship.

Aware that one of the attacking planes could not be deflected and would strike the ship, Elliott ordered his men to lie close together on the deck and then hurled himself across the prone men as the plane crashed the ship from the port side. Fatally wounded by the enemy's strafing bullets as a result of this heroic act, Ensign Elliott had succeeded in protecting his men from serious injury and probable death.

The secretary of the Navy said: "Ensign Elliott fought boldly and brilliantly in the defense of his gallant ship and his indomitable fortitude and valiant spirit of self-sacrifice on behalf of his crewmen sustained and enhanced the highest traditions of the U. S. Naval service. He gallantly gave his life in the service of his country."

Citation

"For extraordinary heroism as assistant gunnery and machine-gun officer on board the USS Emmons during operations against enemy Japanese forces off Okinawa Shima in the Ryukyu Chain, April 6, 1945. Stationed on the flying bridge, Ensign Elliott ably directed the steady fire of his weapons against an overwhelming number of Japanese kamikaze planes attempting to crash dive the deck of his ship, maintaining close control of his batteries and shooting down two of the six enemy aircraft destroyed by the Emmons' guns during a furiously waged battle which persisted for more than two and one-half hours. Suddenly aware that one of the attacking planes could not be deflected and would strike the Emmons in the vicinity of the bridge, he ordered all personnel on the flying bridge to lie close together on deck against the prone men as the plane crashed the ship from the port side.

Fatally wounded by the enemy's strafing bullets as a result of this heroic act, Ensign Elliott had succeeded in protecting his men from serious injury and probable death, all personnel concerned surviving without injuries despite violent explosions and fires which followed the crash.

Vigilant and determined in the performance of duty, Ensign Elliott fought boldly and brilliantly in defense of his gallant ship and his indomitable fortitude and valiant spirit of self-sacrifice on behalf of his crewmen sustained and enhanced the highest traditions of the United States Naval Service. He gallantly gave his life in the service of his country.

JURY DRAWING

According to Raymond Johnson, county clerk, the jury drawing for the September term of courts will be held Wednesday, August 28, at 10 a.m. in the court house, Mt. Holly. The opening day of the term is September 10 and trials begin October 7.

CINNAMINSON SCHOOLS OPEN SEPTEMBER 9

Cinaminson's Public Schools will resume regular day classes Monday, September 9. Buses will follow the regular schedule of last year. The morning session begins at 8:30.

There will be a general teachers' meeting Friday, September 6, at 10 a.m. in the office.

School No. 2 has some new members in its faculty. Josephine S. Williams will teach the subprimary, Marcia A. Russell, first grade; Lois F. Thorn, second grade; Elizabeth R. Hallock, sixth grade; and Marie L. Pettigrew, domestic arts.

Since there are single grades in the primary section this year an extra teacher was added to the staff.

X-RAY SERVICE PROVES POPULAR

State Health Director Mahaffey recently expressed appreciation of the public response to the free x-ray service being given in Burlington County, in cooperation with the Burlington County Tuberculosis League.

Surveys have been held thus far in Mt. Holly.

The free X-ray service in Maple Shade will be Monday, August 19, from 1-8 p.m. This day will be used for x-raying a small industry in Maple Shade, together with an opportunity for residents of Maple Shade to avail themselves of the free service.

Tuesday, August 20, the x-raying unit will be set up at Beaunit Mills in Beverly, and x-raying will be started at 8:00 a.m. and continue to 5:00 p.m. in that industry on Wednesday, August 21. Employees of the Florence Foundry will be x-rayed Tuesday, August 20 and Wednesday, August 21.

Thursday, August 22, from 3-9 p.m. and Friday, August 23, from 10:00 a.m. to 4:00 p.m. the general public of Burlington County will be offered the x-raying services in the Burlington City High School gymnasium. Arrangements are being made to x-ray employees of several small industries in Burlington City on August 22 and 23.

The schedule for the final week of August follows: Monday, August 26, 1-8 p.m., Wall Rope Company, Beverly; Tuesday, August 27, hours to be announced, Florence Thread, The Century and Dalmar Dress Factories, Riverside; Wednesday, August 28, Thursday, August 29, and Friday, August 30, Keystone Watch Company and Riverside Metal Company at the plant of the Keystone Watch Company, in Riverside.

Wards of the Burlington County Welfare Home will be x-rayed Tuesday, September 3, 10:00 a.m.-4 p.m., and those of the Burlington County Mental Home, Wednesday, September 4, 10:00 a.m. to 4:00 p.m.

The State Health Director gave credit for the success of the survey to Dr. Marcus W. Newcomb, President, and Miss Marion E. Warren, Executive Secretary of the Burlington County Tuberculosis League.

Residents of Burlington County over 16 years of age are eligible for the free chest x-raying surveys. Those under 16 years, are not eligible for the surveying since a tuberculosis control program already in operation in the Burlington County schools takes care of this younger group.

LOCAL SPEAKERS AT ROTARY CLUB

On August 15th, local Rotarians had another of the enjoyable meetings which have proven so profitable to all members of the Club.

Raymond Bailey, local florist, and Walter Hansen, jeweler, gave extremely interesting talks concerning their particular vocations.

While Rotary is made up of men from various businesses with certain classifications, it happens quite often that we do not know much concerning their particular business other than its name, and these vocational talks proved most instructive.

Joe Varbelow, classification teacher, and Les Bell, classification moving and storage, were guests from the Camden Club; and Don McFall was the guest of his brother, Albert.

Next Thursday evening, the District Governor will make his annual visitation, and it is hoped that as many Rotarians as are home and not on vacation will come out to near the Governor. Remember that it is easy to miss a meeting but that, particularly during the summer months, it is difficult to make up. Remember our attendance record in the district, and make sure that you make up your attendance or attend your own club meetings.

GARRULOUS DRIVERS A TRAFFIC HAZARD

The talkative driver who turns his head to look at his traveling companions is sharply criticized by the Keystone Automobile Club.

"The number of such drivers," said Russell C. Heimert, Manager of the Camden Division of the Club, "is legion, and their deadlines has yet to be computed by statisticians. No one knows how many accidents have been caused by this foolhardy yet common practice."

After experiences with turn-head drivers, the Club official said, many people have made it a rule never again to ride with a driver who takes his eyes off the road to look at them.

Keystone Safety engineers emphasize the hazards involved in this practice by showing the distance covered at various speeds.

The driver who takes his eyes off the road to gaze at companions for "just a second" is actually driving blind over 58 feet of road at 40 miles per hour; 66 feet at 45, and 73 feet at 50.

Under present day traffic conditions, the Club contends the drivers should never lose sight of the road ahead. The many things happen in split seconds, it is pointed out, for any laxity in the driver's seat.

It is admitted that the head-turning habit, once formed, is hard to break, but the Club suggests at this point a legitimate function for the "back seat driver." Calling the driver's attention to the hazard may be effective in helping him overcome the habit.

CAMP SEASON ENDS

The 1946 season for organized camping came to a close at YMCA Camps Ockanickon and Matolionecquay Wednesday, August 21. The next day about 100 boys who had attended the YMCA Day Camps entered Ockanickon for a two day encampment, under the supervision of County Secretary Clifford W. Ergood, assisted by Lawrence Conday of Palmyra-Riverton Day Camp, and Rev. Schattschneider of Riverside. A Christian Endeavor group from Philadelphia will be entering Ockanickon for a four day encampment. The Maple Shade Girl Scouts and another group will be at Camp next week and so it will go until the end of September, with the Camp facilities under the direction of William H. Douglas, being used almost constantly.

On August 14, the girls camp had their Canoe Carnival and on Sunday.

MUCH TREE TRIMMING

Riverton's trees, one of the community's most valuable assets, are being placed in first class condition this summer after a lapse of several years when it was almost impossible to get the work done because of the manpower shortage.

When the project is completed there will be much less danger of falling branches during a storm, since a tremendous quantity of dead wood is being removed.

Country Club News

On Saturday, September 7, the club pro, Johnny Hayes, will resume his free golf lessons to children of club members. The age limit is up to 14 years.

Lessons start at 10 a.m.

Last week the Riverton Country Club golf team lost a match to Burlington County Country Club by the score of 77½ to 55½. The event was played on the course of the winners.

Riverton won a previous match by a 93½-50½ score. The final match in the series will be played later this fall.

Charles Coombs, of Merchantville, was the winner in the Sweepstakes tournament held last week at the club.

Mr. and Mrs. A. M. Smith, 405 Seventh street, Riverton, left Thursday to make their home in Wildwood, N. J.

NOTICE

During the month of September, Dr. Dean H. LeFavor will conduct his practice on Mondays and Thursdays ONLY.
8-22-9-26

Friends of Mrs. M. E. Brelsford, 601 Lincoln avenue, Palmyra, will be pleased to learn that she is recovering nicely after an operation performed at the Jefferson Hospital, Philadelphia, Pa.

August 18, the counsellors and staff all took part in a Minstrel Show. Tuesday night, August 20, was Senior Banquet Night, the theme of which was "950 Club." The girls had as their guest, Joe Grady from Station WPEN.

At Camp Ockanickon, the theme of the past week has been United Nations Week. This included track and field meets, swimming, Nature quest, etc. On August 12 the counsellors at Ockanickon put on a show including a glee club, amateur musicians, instrumental soloists and skits. Last Saturday night the Staffs of both Camps had a soft ball game which was won by Ockanickon. The same night they also had an archery tournament in which the campers also took part, this too was won by the Ockanickon campers and staff.

Galt Siegrist, of Bordentown, won a blue feather in his area and announced that it was the second time in his camping experience. He had also received this award when he was a midget camper a few years ago. The blue feather award is made to the best camper in the area.

MRS. MARGARET L. GREEN

Mrs. Margaret L. Green, wife of John W. Green died Saturday, August 17, in Philadelphia.

Funeral services were held Wednesday, at 11 a.m. at the Snover Funeral Home, 313 East Broad street, Palmyra. Rev. R. Q. Ferguson, of Riverside, officiating. Interment was in Morgan Cemetery.

Surviving are her husband, John W. Green, of Palmyra; her father, Robert Brown, of Palmyra; three brothers, Robert Brown, Jr., Camden, Christopher Brown, Palmyra, Frances Brown, Camden; two sisters, Emma Brown, Palmyra and Betty Stavelly, Palmyra.

NEW PRICE LIST

August 21—Further reductions of ceiling prices on fresh fruits and vegetables were announced this week by District OPA. The price changes are incorporated in the agency's weekly price ceiling list which becomes effective in New Jersey tomorrow, and remains through next Wednesday.

Apples, carrots, lemons, onions, and melons all show lower ceilings on the new list, while Eastern peaches carry an increase of a cent and a half a pound.

Price changes for the North Jersey counties of Essex, Bergen, Hudson, Passaic, Sussex, Morris, and Union, and the Borough of North Plainfield are:

All eastern apples, except McIntosh, down a cent a pound to 12 cents; loose topless carrots, down a cent a pound to 6 cents; small size lemons, down a cent a pound to 9½ cents; large yellow onions, down a cent a pound to 5½ cents; cantaloupe and honeyball melon, down a cent a pound to 9½ cents; honeydew melon down a half cent a pound to 11 cents. Eastern peaches rise 1½ cents a pound to 14½ cents.

Price changes for the balance of the State are:

All eastern apples, except McIntosh, 13 cents a pound—McIntosh, 14 cents a pound; large yellow onions, down a half cent a pound to 6½ cents; cantaloupe and honeyball melons, down a half cent a pound to 10½ cents; honeydew melon, down a cent a pound to 12 cents. Peaches are up a half cent a pound to 13½ cents.

Retailers receive copies of the revised list weekly, and are required to post the new prices each Thursday morning where customers can consult it.

PHONES ON FARMS

As part of its efforts to make telephone service readily available to as many farms and country homes as possible, the New Jersey Bell Telephone Company has liberalized construction charges for building rural lines from existing highway telephone facilities to new customers' homes. The new tariffs provide for placing, without cost to the customer, a maximum of five poles for telephone service on private property, and a mile of new pole line along a highway if necessary to connect a new subscriber.

The company points out that the changes will enable it, when facilities are available, to serve about 95 per cent of the families without telephones in the rural areas it serves, without construction charges to the customer.

Formerly the company's arrangements for rural service provided for construction of a half-mile of highway pole line free for a new customer, with a charge of \$15 per twentieth of a mile beyond that. The new tariffs extending the free range to a full mile reduces the charge for additional twentieths of a mile to \$10. The former charge for each pole set up on private property is now replaced by a provision for placing free up to five poles for telephone service on private property for each new main station telephone. These changes mean that about 95 per cent of the farms and country homes in the company's operating area which are still without service can have it with only the normal installation and monthly service charges applying.

Expansion and improvement of telephone service in rural areas is a part of a statewide construction program the Company now has under way which calls for an outlay of more than \$150,000,000. More than 2,400 farmers and other rural residents were provided service within the last year, and the number is steadily increasing. Well over half of the farms in the territory served by the New Jersey Bell Company now have telephones.

SUNDAY DINNER

Suggestions

APPLES are back to stay—for the remainder of 1946, at least—housewives will be pleased to learn.

Although this year's crop is still slightly below pre-war harvests, it will be nearly two-thirds larger than 1945, barring unforeseen circumstances. Cooking apples already are appearing in the markets in good supply.

One of the most adaptable of fruits, apples can be served raw or cooked and can be used to make vinegar, cider, juice, jam, jelly, butter and sirup. Commercial manufacturers of bottled cider and juice even find a ready market for the leftover pulp as a livestock feed.

A good source of B1, the energy vitamin, apple dishes provide cooks with an unusual opportunity to add variety as well as food value to the family diet, according to the A & P Service for Home-Makers. Some of the more popular methods of serving apples cooked are baked, as sauce, and in pie, turnovers, dumplings, cake and cobbler.

To bake, core and pare about an inch of skin from top of apple. Place in baking dish and fill center with two tablespoons of sugar, maple sirup or honey, to which raisins or chopped nuts may be added. Fill pan with one-quarter inch of water, cover and bake in moderate oven until apples are soft.

In preparing sauce, quarter apples after removing decayed spots and place in sauce pan with enough water to cover them. Place cover on pan and cook until fruit is soft, then force through sieve. Sugar to taste as a replacement on stove, stirring until sugar is dissolved.

For Sunday dinner, serve apple sauce with a meal of noodle soup, pork chops, sweet potatoes, green peas, beef and cucumber salad, spice cake and a beverage.

KIDNEYS NEED CARE

WHY do doctors insist on your taking to bed for many apparently trivial illnesses? And why do they sometimes prescribe long periods of bed rest after you have recovered? There are many reasons, and one of them is a desire to protect the kidneys. These organs have the job of filtering out of the blood which might prove injurious or poisonous. Their work is subject to interference when infections occur. Even a common cold, for instance, throws some extra labor on the kidneys. Normally this is nothing to be worried about, but the cautious physician wants your body to concentrate all its efforts on the elimination of disease and in certain conditions, activity impedes these efforts.

Kidney disease can be serious, especially when the organs are acutely inflamed. Nature has generously provided us with two kidneys either one of which is capable of carrying the full load of eliminating fluid wastes from the body. This affords us some margin of safety. If one kidney is so diseased or injured that it doesn't function, or even has to be removed surgically, the other one will serve adequately. But this wipes out the margin of safety. If now, the remaining kidney is impaired, the patient may be in a serious position.

Unfortunately, treatment of kidney disease is not simply a matter of taking some patent medicine to "flush out" the organ. As a matter of fact, such drugs, throw extra work on the kidney and may do real harm. Kidneys are too important to be treated by amateurs, and your kidney is an individual organ and must be prescribed for individually. Incidentally, most persons who think they have kidney disease, actually don't. There is a popular idea that backache is a sign of kidney disease and many people assume that any backache is evidence of renal trouble. Happily, this is not true. Backache has a dozen causes and kidney infection is only one of them—and not the commonest either.

Best insurance against kidney disease is a regular annual physical examination by a conscientious family doctor.

THAT'S YOU, MRS. HOUSEWIFE!

In an average household there are six tons of dishes washed every year! To get enough soap for this staggering task, save every drop of used cooking fat. Turn it over to the meat dealer for four cents per pound so that industry can turn back to you the soap you need.

Lake Pine, Vincentown, Buddtown, Retreat, Medford Lakes, Indian Mills and Tabernacle; and Howard C. Darnell, Moorestown, District 8, comprising Moorestown and Maple Shade. Reverend Randall also stated that F. S. Gordon, Edgewater Park, has been selected to handle industry. The Burlington County Youth Agencies is a newly organized fund-raising organization for Burlington County, which has been set up to raise funds in the non-chest areas of the County for the three County youth agencies which make up this group—the Burlington County Council, Boy Scouts of America, the Burlington County Young Men's Christian Association, and the Burlington County Young Women's Christian Association. The United Service Organizations is also included in this campaign.

John W. Thacher, former chairman of the National War Fund drive in Burlington County, and President of the Y.M.C.A., is President of the Burlington County Youth Agencies. E. Newbold Cooper, President of the Boy Scout Council, is serving as Vice President, while Mrs. Henry H. Albertson, President of the Y.W.C.A., is serving as Secretary and Mr. Brush as Treasurer.

Reverend Randall further stated that plans are progressing in the securing of personnel for the campaign to be held this fall.

Reports still reach us from lands
across the sea of the suffering of
people of many nations. Surely we
have not done all when we have
given only money. One other thing
we can and should do and that is
to help with prayer. The scriptures
encourage us to pray for others.
Read again the words on prayer by
the poet, Tennyson.
"More things are wrought by
prayer than this world dreams of.
Wherefore let thy voice rise like a
fountain for me night and day. For
what are men better than sheep or
goats that nourish a blind life with-
in the brain, if, knowing God, they
lift not hands in prayer both for
themselves and those who call them
friends? For so the whole round
earth is every way bound by gold
chains about the feet of God."

TROUT SEASON WILL OPEN SEPTEMBER 1

Trout fishermen will again participate in their favorite sport when the thirty-day trout season opens on September 1 in New Jersey. The Fish and Game Council of the State Department of Conservation announced today.

For the past twelve years the September trout season has gained in popularity. Dry fly enthusiasts, as

well as other anglers, welcome the final chance of the year to take part in the sport before their attention is turned to the fall hunting season. Regulations prevailing during the regular trout season from April 15 to July 15 will be in effect during the thirty day September trout season. The State Fish and Game Council announced. The daily catch is limited to ten trout and the fish must be at least seven inches in length.

HEALTH HINTS

("Health Hints" is a regular contribution to this paper by The Medical Society of New Jersey. Questions should be addressed to the Office of the Society, 315 West State Street, Trenton 8, N. J.)

BED REST NOT ALWAYS GOOD FOR ELDERLY PERSONS

But it may be bad medicine for an elderly person. Even when he is sick, an older man is better off the shorter the length of time he has to stay in bed. When elderly people are confined to bed, they tend to lose the will to get up and move around. And they need some incentive to do so. Reasons for this are both medical and psychological. Medically, prolonged bed rest may be bad because it tends to cause a congestion in the lungs and blood clots in the veins. Psychologically it is bad because it suggests serious illness. Contrarywise, moving around is medically helpful because it improves circulation and discourages congestion; and psychologically it is desirable because it symbolizes the hopefulness of the patient's conditions.

Pneumonia may develop due to a collection of fluid in the lungs, favored by prolonged inactivity and bed rest. Long continued bed rest also may be harmful in elderly people with heart disease since it not only may lead to congestion in the lungs but also to weakening of the heart muscle. Due to the rapid strides made in the prevention of disease and death in younger age groups, more people are living to a ripe old age. Today in the United States there are more than 9,000,000 persons of 65 years or more, an increase of 36.5 per cent during the last ten years—during which time the total population increased only 7.2 per cent.

The decision as to how much bed confinement is necessary is often a difficult one. The specialist interested chiefly in one set of organs may think more of treating the particular disease than of treating the particular patient. That's why the commander-in-chief at any sick bed should always be the general practitioner or family doctor. He will call in the specialists for consultation and assistance. But for over-all care of the patient, the family doctor is still the man in charge.

LAMON HEADS NEW GUARD UNIT

Lieut.-Col. James F. Cantwell, commanding the 50th Armored Division Artillery, New Jersey National Guard, today announced re-organization of another of the state's historic military units, now known as the 228th Armored Field Artillery Battalion, with headquarters in Camden. The battalion will be located at the Field Artillery Armory, Haddon and Wright avenues, with Lieut. Col. Walter D. Lamon, Jr., of Palmyra, commanding.

Principal weapon of the battalion will be 105 howitzers mounted upon medium tank chassis, commonly known as the self-propelled 105mm howitzer.

Colonel Lamon enlisted as a private in the 157th Field Artillery, National Guard, at Camden, July 29, 1940. He was called to active duty with his unit September 16, 1940. His home is at 714 Cinnaminson avenue, Palmyra. He is engaged in the real estate and insurance business.

After enlisting, the new commander rose steadily through the ranks and was made a second lieutenant Jan. 14, 1941, and a first lieutenant Feb. 1, 1942. The First Battalion of the 157th Field Artillery was redesignated as the 228th Field Artillery Battalion on the 15th of the same month. Lamon rose to captain Dec. 14, 1942, and on Nov. 15, 1943 to major. He was promoted to lieutenant colonel Jan. 21 of this year and separated from active duty on Feb. 8, subsequently. Two days later he was assigned as lieutenant colonel in the Officers Reserve Corps.

For his service in Europe Lamon was awarded the Bronze Star medal with oak leaf cluster and the European theatre ribbon with four battle stars. He was on active duty five and a half years, 20 months of which were overseas.

EDWIN C. MARKLE

Edwin Clark Markle, a former resident of Palmyra, an attorney of the Drexel Court Apartments, Woodland avenue, Drexel Hill, died August 21 at his summer home, 4850 Asbury avenue, Ocean City, N. J. He was 63.

Mr. Markle was associated with the General Accident Fire and Life Assurance Corp., Ltd., with offices at 4th and Walnut streets.

He is survived by his wife, Sue, of Drexel Hill, Pa., a brother, John, of 507 Maple avenue, Palmyra. He was buried Saturday, August 24th, at Waterloo, N. Y.

PRATT'S MIDGETS WIN LEAGUE TITLE

Despite the stellar pitching of Tom Grooms, of Riverton, Pratt's Midgets won the Tri-Borough League championship last Saturday as they defeated Unity Shoes by a 1-0 count. After dropping the first contest Unity came back last Friday to win 5-0 and even the series. Grooms pitched a no-hitter.

In Saturday's game he allowed only one hit and lost a very tough decision.

RED DEVILS OPEN

The Palmyra Red Devils will open the local grid season Wednesday, September 11 when they oppose Norristown under the lights in the high school stadium. The kickoff is scheduled for 8:30.

The Palmyra team which is composed of former high school and college stars is rounding rapidly into shape under the direction of Coach Sacco and everything points to a most successful season.

The true grandeur of nations is in those qualities which constitute the true greatness of the individual.

THE NEW ERA, THURSDAY, AUGUST 23, 1946

PRICE FIVE CENTS

VETERANS' ADVISORY SERVICE CONTINUED AT COMMUNITY CENTER

The Advisory Center maintained by the Cinnaminson-Palmyra-Riverton Veterans Council is being continued in Palmyra although the Selective Service Board offices have been moved to Burlington and consolidated with the Selective Service Board offices there.

The Veterans' Council office is continued on the second floor of the Community Center Building and will be open regularly each Monday Evening from 7:30 to 9.

Veterans having urgent problems can get action by telephoning the chairman, A. H. Lippincott, Riverton 9-0146. Re-employment Committee, H. F. Marshall, Riverton 9-1002, or Board Secretary, Evan W. Stover, Riverton 9-1479-W. Service Committee, Joseph Brittain is available evenings at his home, 210 Garfield avenue, Palmyra.

Veterans' Council is prepared to have the Advisory Center opened other evenings whenever the need for it arises.

MEAT CEILINGS

As livestock ceilings became effective this week, District OPA Director Richard J. Tarrant advised New Jersey butchers and consumers that new official ceiling price lists will be in the hands of retailers around September 9, when the ceilings go into effect at retail. Dealers are required to display the lists where customers can consult them.

Tarrant also disclosed that he hopes to have available some pocket-size meat price lists for distribution among consumers, as part of the agency's double barreled drive—strict trade enforcement hand-in-hand with widespread price information for consumers—to prevent return of the meat black market.

Pledging an all-out effort by the District OPA enforcement division, whose personnel will be enlarged for the purpose, he called on shoppers to do their part by refusing to pay over-ceiling prices, and by reporting violations to local Price Control Boards.

"A thoroughly informed and alert body of consumers," he said, "is essential if an effective fight against black markets is to be waged. As to the talk in some quarters about removal of a widespread black market—such statements ignore the temper, spirit, and determination which the American public displayed in the past six weeks in resisting high prices. This District Office of Price Administration is prepared to throw every available investigator into the field to keep an eye on meat transactions at slaughterer, wholesaler, and retailer levels, as the price ceiling becomes effective at each level. The bulk of our efforts will be concentrated at first on the pre-retail levels. However, our 41 boards will make periodic thorough checkups of price compliance in all retail stores."

The schedule of recontrol will see ceilings at the slaughterer level on September 1, at the wholesale level on September 5, and at the retail level on September 9. Tarrant explained that this plan is to permit time for trade channels to be cleared of the over-ceiling meat accumulated during the free period, and to permit the ceiling meat to flow freely to market at ceiling prices.

REGISTRATION FOR HIGH SCHOOL STUDENTS

All new pupils registering for first time should register September 3, 4, 5 and 6. The office will be open from 9 to 12 and 1 to 4 p.m. No registrations will be made September 9th or the opening day of school, September 10.

ROTARY DISTRICT GOVERNOR HERE

Harold Stanton, of Pleasantville, New Jersey, District Governor of the 194th District Rotary International, was the honored guest at last week's Rotary meeting. Other visiting Rotarians were Jack Thatcher, of Moorestown, and Bill Zimmerman, of Camden.

The Governor gave a very interesting talk concerning the aspect of Rotary International for the coming year. Governor Stanton pointed out that the first Rotary International was the first service club in America and that all the other service clubs have followed the Rotary pattern. He called attention, also, to the advantages offered by Rotary in the sharing of lessons and experiences with our fellow members.

The aim of Rotary this year is advancement along international lines. Radio programs, round-table discussions and sermons today all seem to center around the international service question. Governor Stanton pointed out that there are three roads to travel which lead to world peace: 1. UNRRA; 2. UNESCO; and 3. UNO. As far as the first item is concerned, Governor Stanton stated he felt that we should take a very active part in UNRRA, as it is not possible to talk peace to a man who is hungry and whose family is not clothed. He stated that we should stand behind UNESCO because of the principles on which it is founded.

Thirty of the nations of the world are supporting this movement, and it is hoped to exchange thousands of students, as well as professional men and economists, between countries with the aim of fostering common thinking on international problems. The Rotary International heartily endorsed the UNO, and Governor Stanton expressed the hope that all Rotarians would back up the UNO and similar organizations devoted to world peace. The Governor concluded his remarks by stating that Rotarians should establish good will with each other and then spread this idea with their fellow men.

Next week's meeting should prove of interest, as an attractive program and dinner are being arranged by a special committee.

INDUSTRIAL CONFERENCE

The Annual Industrial Conference for foremen, supervisors, and managing representatives will again be held at Camp Ockanickon, Medford, New Jersey, after a lapse of four years, Saturday and Sunday, September 14 and 15, according to announcement by William P. Parteneiner, Jr., secretary of the executive committee and Executive Secretary of the Camden City YMCA. Committee arranging the conference represents industries in Camden, Wilmington, Delaware, and Salem. Industries of other communities have participated in the conference.

The program personnel of the conference includes: William Karpinsky, Mediator, New Jersey Board of Mediation and former Labor Advisor to General MacArthur in Tokyo; Arnold K. Weber, Personnel Director, RCA, Camden, N. J.; Dr. A. A. Stockdale, National Association of Manufacturers; Henry R. Huffman, Plant Manager, Armstrong Cork Co.; E. G. Hutale, Safety Supervisor, Campbell Soup Co.; James McLaughlin, Industrial Relations Manager, Kleckhefer Container Co.; Edward J. Kessler, Director of Industrial Relations, Armstrong Cork Co.

Information regarding the conference by Burlington County Industries may be secured from the Burlington County YMCA headquarters, through County Secretary, Clifford W. Ergood.

DEPRESSIONS ON BANK AVENUE FILLED IN

Having been the subject of much unfavorable comment on the part of motorists for many years, the three depressions on Bank avenue between Lippincott avenue and Penn street are now a thing of the past, having been filled in on Friday of last week.

No one seems to be curious as to what caused the improvement and another chapter in the famous Bank avenue controversy of a few years back has now been brought to a satisfactory conclusion.

TRAFFIC DEATHS

There were 50 traffic accident deaths in New Jersey during July, an increase of ten over June but one less than in July of last year, Motor Vehicle Commissioner Arthur W. Magee reported this week.

Total traffic deaths for the State during the first seven months were 392 as compared with 308 last year and 481 in the same period of 1941. The increase over 1945 was 27 per cent.

Five counties, namely, Bergen, Cumberland, Morris, Ocean and Warren went through July without a fatality, the Commissioner said. Burlington, with eight, had the most fatalities of all the counties.

HALLOWE'EN PARADE

The second annual Halloween celebration will be held Halloween evening, October 31, 1946. The parade will start at the Riverton Firehouse, taking a right turn down Broad street to Delaware avenue, turning down to Sixth street, up to Weart Boulevard and back to the Palmyra Grove, where the prizes will be awarded. This route is subject to change in compliance with the findings of the Parade Committee.

The election for the officers were held at the Borough Hall, Palmyra, August 12, 1946. Thomas Schwenk was elected chairman, Russell Rivers, vice-chairman and Roy Hamelman, Secretary-Treasurer. The committee have all been appointed from various organizations in the triple towns.

It has been decided that the prizes this year will be of larger amounts so as to encourage an even bigger affair than last year. The affair last year was an immense success both as a good time for the contestants and crowd. It was of immeasurable value to the three communities in that there was very little damage done by the mischief provokers. It is something done primarily to keep the children occupied and to keep up the tradition of Halloween which has been handed down from generation to generation. Let us all open our hearts and lend a helping hand to the committee so as to make this the biggest affair in the three communities' history. This is our children's affair. Let us not forget that they are our most prized possession and our children are the finest children in the world therefore let us all take part and show our love for them.

Watch your local newspapers for more news each week. We shall endeavor to keep you well posted at all times.

CELEBRATES 85th BIRTHDAY

A birthday dinner was tendered Mrs. Datis Reed, 716 Main street, Riverton, on Tuesday evening, August 27, in honor of her eighty-fifth birthday, by members of her family. Guests present were, Mr. and Mrs. J. Warren Reed, East Orange, N. J., Mr. and Mrs. Richard Reed, Rahway, N. J., Mr. George Scott, Philadelphia, Pa., Mrs. Raymond Haines, Jr., Palmyra, Mr. and Mrs. Frank F. Coddington, Mrs. Fredrick Cummings, Miss Ethel Cummings and Mr. and Mrs. Frank H. Swain of Riverton.

TO RESUME PAPER COLLECTIONS HERE

Riverton Troop 50 will resume regular collections of scrap paper Saturday morning, September 7th. As in previous years, and to assure the usual orderly coverage, the borough will be divided into three districts, the first of which will include Fulton, Cinnaminson, Howard, Main, and intersecting cross streets. Collections in this district will be handled by the Red Lion Patrol under Patrol Leader Robert Stuart.

The following Saturday, and at regular three week intervals thereafter, the second district covering Penn, Lippincott, Thomas, and included cross streets will be handled by the Silver Foxes under Patrol Leader Marjorie Carhart.

The Stags under Patrol Leader Richard Burr will begin collecting in the third district comprising Linden, Elm, and between streets on September 21st.

The Scouts are very appreciative of the typically fine response that the residents of Riverton have shown in their past efforts. It has enabled them to enjoy many activities which otherwise would not have been possible. Scrap paper shortages have seriously interfered with the production of many vitally needed paper items and Reconversion Authorities have accordingly urged that paper collections continue until the shortages disappear.

ENGAGED

The engagement of Miss Mary Elisabeth Gill, daughter of Mrs. William P. Gill, 241 Knight avenue, Collingswood, and the late Mr. Gill, to Mr. Thomas Joseph Ford, son of Mrs. Thomas Ford, 715 Cinnaminson street, Riverton and the late Mr. Ford has been announced. Miss Gill is a graduate of Collingswood High School and the Hahnemann Hospital School of Nursing. Mr. Ford is a graduate of Palmyra High School and served with distinction in the South Pacific. The wedding will take place on October 12.

Miss Gill is a graduate of Collingswood High School and the Hahnemann Hospital School of Nursing. Mr. Ford is a graduate of Palmyra High School and served with distinction in the South Pacific. The wedding will take place on October 12.

ENGAGEMENT ANNOUNCED

Mrs. Richard D. Barclay, of Riverton, N. J., announces the engagement of her daughter, Miss Emily Miller Barclay, and Mr. Russell W. Jackson, son of Mr. and Mrs. William O. Jackson, of Clifton, N. J. Miss Barclay is a graduate of Middlebury College, Vermont.

Mr. Jackson, who lives in New York, was graduated from Rutgers University and Harvard Law School. He is a member of the Harvard Club, the Bankers Club of America in New York and the Edgartown Yacht Club, Edgartown, Mass.

LEON LEONARDI

Leon Leonardi, of Cinnaminson Township, died Friday, August 23, at his home.

Funeral services were held Monday, August 26, from the Snover Funeral Home, 315 East Broad street, Palmyra, Rev. Q. Ferguson, of Riverside, officiating. Interment was in Morgan Cemetery.

He is survived by his father, Nick Leonardi, his mother, Razia Leonardi, two brothers, John and Anthony, at home, five sisters, Mrs. Margaret Maimone, Syracuse, N. Y., Mrs. Katherine Sipp, Maple Shade, N. J., Mildred Leonardi, Moorestown, N. J., and Mary and Anna, Cinnaminson Township.

Miss Marlow Kieckhefer, Park avenue, Riverton, has returned from spending a month in Wyoming and has joined her parents, Mr. and Mrs. Herbert M. Kieckhefer, at the Lake Placid Club, Essex county, New York, where they are vacationing.

Miss Mary and Harriet Egan, 719 Morgan avenue, Palmyra, were recent visitors at the Parliament Building in Victoria, British Columbia.

Mr. and Mrs. C. L. Beach, 203 Main street, Riverton, have returned from a vacation trip to Campbellford, Ontario and Canada.

Miss Tommie Lou De Holl, daughter of Mr. and Mrs. Henry De Holl, 714 Washington avenue, Palmyra, will leave Monday for Ashland, Kentucky, where she will act as maid of honor at the wedding of her cousin, Miss Ann Owing, on September 7th.

Mr. and Mrs. J. J. Robinson, 900 Morgan avenue, Palmyra, announce the marriage of their daughter, Miss Helen Claire Robinson and Mr. Robert Bruce Miller, son of Mr. and Mrs. Bruce M. Miller, Riverside, California, which took place Monday, August 5, in St. Francis DeSales Church, Riverside.

Mr. Miller and his bride will reside in Riverside, California.

TRI-BORO LOOP PLAYOFF

At a meeting of the league on Monday night the following dates, for the Junior League play-off were set.

1st game, Tuesday, September 3, 6 p.m.
2nd game, Thurs., Sept. 5, 6 p.m.
3rd game, Sat., Sept. 7, 2:30 p.m.
4th game (if necessary) Sat., Sept. 14, 2:30 p.m.

Four teams, Williams Fuel, Riverton, Sacred Heart and the 20 Club were the teams which, through the league season, won the right to participate in the finals. Riverton eliminated Williams Fuel on Monday night and will play either Sacred Heart or the 20 Club in the first

of the remaining games on Tuesday evening, Sept. 3, at 6 o'clock.

The participants in the various games will be announced later. All through the season the boys have played a good brand of ball and the wind-up is bound to be thrilling. Come out and encourage your boys thereby lending your support to a very deserving cause.

WINNER IN TOURNNEY AT WILDWOOD

A. B. Strohelein, Jr., 900 Washington avenue, Palmyra and Edward J. O'Neil, of New York City, won the Shuffleboard Tournament at Wildwood recently.

The affair was the first of its kind held at the South Jersey resort.

Until nations are generous they will never be wise; true policy is generous policy; all bitterness, selfishness, etc., may gain small ends, but lose great ones.—Washington Irving.

A COUNTY AUCTION

Thirty days hath September,
(Count them if you doubt.)
The twenty-fifth please remember,
(Our secret now will out.)

COUNTY AUCTION! Chairs and china,

Art work, plants and pies.
Pack a lunch and join the diners.
See with your own eyes.

COUNTY AUCTION! Man and maid,

See upon the lawn
At Green Hill Farm our wares displayed;
Going—going—gone!

Easier were it to hurl the rooted mountain from its base, than force the yoke of slavery upon men determined to be free.—Southey.

A nation is the unity of a people.
—Coleridge.
