Yacht Club Officers

An active interest in the Riverston Yacht Club was shown by its members in a well attended meeting held last Thursday for the election of officers for the year 1947. Candidates selected by the nominating committee together with nominations from the floor resulted in been comparatively even for each of the officers. In fact, there was an unusual condition of a three way tie in the first ballot for one of the positions out of four candidates. The final results were as follows:

Commodore, J. G. Cornell.
Vice Commodore, C. W. Knight.
Rear Commodore, E. Carhart.
Secretary-Treasurer, J. H. Thompson.

Board of Directors
O. H. Smith, 3 years.
E. K. Silverwood, 3 years.
C. P. Mann, unexpired term of C. W. Knight, for 1 year.

The final races of the Fall Star Class Series were held last Saturday and Sunday afternoon. With a fair breeze, both races were very interesting, but the finish of the Sunday race was one of those rare events in which the first three boats crossed the line over-lapped in less than the length of one boat. While Bob Lippholt won the race on Saturday and Stan Lippholt won on Sunday, Arthur Anderson was the Fall Series, Stan Lippholt was second and Charles Knight was third.

The "half-off" races for the Knight Trophy were also completed on Sunday with Bob Gary representing the South Class, John Knight the Duaster Class, and Bob Lippholt the Star Class. John Knight, while a Duaster skipper, won first place in each class of the half-off series, thus has a very comfortable point lead for the Knight Trophy.

GRADUATE GROUP WILL RE-ORGANIZE

The Palmyra High School Graduate Group will hold its reorganization meeting Thursday night, October 10, at the high school.

Jacob M. Weiner, president, said the meeting will begin at 8 p.m. Election of officers will be held and a program decided upon for the year.

This is the first meeting the group has held since June, 1942. It temporarily disbanded then because more than 75 percent of its membership served in the armed forces.

However, although disbanded, the group continued to send its graduates gifts, each commensurate to the high school all throughout the war.

Weiner hopes all former members attend the meeting so that the group's fall program can move into full swing.

Alumni of the school, who were graduated since the group disbanded in 1942, and were unable to join, are invited to attend the reorganization meeting.

Before the war, the group was one of the most popular alumni organizations in South Jersey. It includes members living in Palmyra, Riverton, Riverside, Delanco, Cambridge, Bridgeboro, Cinnamson, Pennsauken and Delair.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Samuel Chasman of Burlington announce the engagement of their daughter, Rosalie, to Mr. Stanley M. Lipkowitz, son of Mr. and Mrs. Morris S. Lipkowitz, of Palmyra.

Miss Chasman was graduated from Burlington High School and is attending Temple University. Mr. Lipkowitz was graduated from Palmyra High School and is attending Temple Dental College. No date has been set for the wedding.

NOTICE

Follow musicians who would like to form an orchestra, Mr. Kirby would like to see you at the Community Center at 7:30 p.m. Thursday night, October 3rd, for rehearsal.

SACRED HEART P.T.A.

The Sacred Heart P.T.A. will hold their monthly meeting Thursday, October 10, at 8 p.m. The executive board will meet at 7:30.

The program committee has been fortunate in securing Miss Doris Forbaugh, Home Economics adviser for Public Service Electric and Gas Company, as guest speaker.

Miss Forbaugh will give an illustrated lecture using colored slides, entitled, "Thick and Thin." The school nurses, Miss Cook and Miss Blah, have also graciously offered to give us a talk about teeth, with film illustration. This should prove interesting to our mothers with growing children.

Our capable refreshment committee will be on hand to serve refreshments. Everyone is invited to attend this program which promises to be a complete and interesting evening.

Field's Anniversary

Last Friday evening, Rev. R. B. Stewart, pastor of Calvary Presbyterian Church, conducted a unique and appropriate service in the sanctuary at which Mr. and Mrs. Stewart, L. W. Field, 2 Fourth street, Riverton, renewed their nuptial vows on the occasion of their 50th wedding anniversary in the presence of over 250 relatives and friends. Before the ceremony Mrs. Frank Bell, organist of the church, played a number of old-time favorite melodies, and there were vocal solos by Mrs. E. P. Greep and Mr. Albert Parker and a violin solo by Mrs. R. B. Stewart. As Mr. and Mrs. Field took their places at the altar to the strains of "Home, Sweet Home," they were preceded by eight members of the Board of Trustees and four members of the Church Session. Mrs. Field wore a light blue gown with white corsage and the sanctuary was beautifully decorated with palms, ferns, and yellow chrysanthemums.

Following this service there was a program of old-fashioned "Living Pictures" in the church school auditorium, and this was succeeded by an informal gathering in the Social Hall, at which opportunity was afforded for individual congratulations to the honored guests of the evening.

The pastor on behalf of the Trustees and congregation presented Mrs. Field with a gold brooch and Mr. Field with a pair of gold monogrammed cuff links.

The Seeger Field's Bible Class presented her with a gold thimble.

Delicious refreshments of ice cream, cake and coffee were served. A lovely wedding cake was the center of attraction, beautifully decorated with 50th wedding anniversary and a gold ball.

Among those present from out of town were: Mr. and Mrs. Harold E. Davis and Stewart; Field Davis, Brodheadville, Pa.; Misses Margaret and Ruth Anne Davis, East Stroudsburg, Pa.; Miss Margaret M. Field, Hyden, Ky.; Eugene Whitcraft, Jr., Stroudsburg, Pa.; Arthur Putnam, Dundee, N. Y.; Mrs. Benjamin Dabrow, Wayne, N. Y.; Mrs. Edith Hancock, Newington, Conn.; Rev. Abner J. Davies, Miss Dorothy Davies, Conshohocken, Pa.; Mrs. C. A. Adams, Miss Mabel Adams, Lansdowne, Pa.; Mrs. Albert Biber, East Falls, Philadelphia; Mr. and Mrs. P. L. Cooper, Mt. Airy, Philadelphia; Mrs. Olive Pettibone, Miss Hazel Pettibone, Upper Darby, Pa.; Mrs. Alma A. Patterman, Mrs. Laura Schwartz, Merchantville, N. J.; Mr. and Mrs. Christian Reed, Collingswood, N. J.; Miss Elizabeth Matthews and father, Dunlap Matthews, Bantrop, Pa. Mr. Matthews, a brother of Mrs. Field, was the only person present on this occasion who attended the wedding ceremony of 50 years ago.

Stewart L. W. Field and Laura Matthews were married September 29, 1896, at the home of the bride in Olmsted, N. Y., by Rev. Newton L.

Union Church Service

The Protestant Churches of the neighborhood will unite in a worship service, this Sunday, "Worldwide Communion Day," at 7:45 p.m. in Epworth Methodist Church. The Rev. Dr. G. Ernest Thomas, school-city and inspiring pastor of the Methodist Church in Haddonfield, will be the guest preacher. Dr. Thomas is the author of recent books on stewardship and the life of Christ. As this is the Sunday nearest the birthday anniversary of George Washington, founder of the YMCA, members of this Christian organization have been requested to attend church in groups. The YMCA Board, with Mr. Aubrey Hewitt, chairman, together with members and leaders of the various groups within our community will attend the service. The ubiquity of music for this service will be offered by the Senior Choir under the direction of Rachel M. Lord. The choir will sing, "Eye Hath Not Seen" by Gaud. The members and friends of the local churches are cordially invited to attend.

The next Union Service will be observed November 3rd in Bethany Lutheran Church and on November 26th, Thanksgiving Day, a service for giving thanks will be conducted in Central Baptist Church. The series of seven Union services sponsored by the Ministerial Association met with such a fine response last year that a similar group of worship opportunities has been provided this year. The service this Sunday evening in Epworth Methodist Church is the first in this series.

MANY PRIZES FOR HALLOWEEN PARADE

The Joint Halloween Jubilee Committee met Monday evening and the reports from committees were heard. The music committee headed by Mr. Thoren has engaged a number of fine musical organizations. Fancy Dress
Comic Section

Prizes for each of the five groups are:
1st, \$15.00.

Reed, pastor of the Presbyterian church of that city.

Mr. and Mrs. Field first made their home in Buffalo, N. Y., where Mr. Field was employed in the office of the Auditor of the Western New York & Pennsylvania Railroad Company. They lived four years in Buffalo, one year in West Philadelphia, six years in Palmyra, and for the past 39 years have been residents of Riverton, having built in 1894 the house which they now occupy.

Mr. Field retired May 1, 1945, from his position as Special Agent of the Accounting Department of the Pennsylvania Railroad, having been in railroad service for 53½ years.

Mr. and Mrs. Field have two daughters, Mrs. Helen E. Davis of Brodheadville, Pa., and Miss Margaret M. Field of the Frontier Nursing Service, Hyden, Ky., and three grandchildren.

They have been actively interested in the affairs of Calvary Presbyterian Church since becoming members in February, 1902. Mr. Field has been a member of the Board of Trustees for 44 years, and also has served as Superintendent of Associate Stewardship of the church school for a considerable portion of the past 40 years. Mrs. Field, also an active member of the church, has devoted much time to the Seeger Field's Bible Class.

FORCH CLUB

A special bridge party to welcome new members is being planned for October 15th. Save the date!

The opening program, on Tuesday, at the Forch Club, was a great success. The luncheon itself was outstanding. In fact, a more delicious request has never been served in the Forch Club. Mrs. Edward Winters planned and directed this important part of the occasion. The result was a perfect luncheon and service to match.

The speaker, Special Agent (FBI) Joseph R. Connor, explained some of the work of his organization, clearly, and interestingly—ending by graciously answering questions from his audience.

In all, the day was a fitting prelude to the well-planned programs to come.

Students Lead Meeting

The age old saying "Children should be seen and not heard" was proved to be no longer true in this modern world. At least the members and friends of the Riverton Parent Teachers Association agreed on this fact at a meeting held in the school auditorium Wednesday, September 25.

Quite in tune with the times, the meeting took the form of a panel in which three eighth grade students presented and successfully upheld their views on the topic, "What Should Children and Parents Expect of Each Other?" The orators were Larry Parker, Hannah Booth, and Roger Wagner, while William Thompson, the school principal, acted as moderator.

After the mental picture was painted by these fine young speakers the question was thrown open for discussion by the entire group. Many questions were asked by the group and were clearly and honestly answered by the leaders.

Perhaps more of this frank and unvarnished type of discussions would make for a better understanding between parents and children. Let our children speak and be heard. Let us discuss things with our children and sponsor a more kindly relationship between us, instead of substituting them with an irritable "Quiet" or pretending to solve their problems by telling them how and what we did in our day.

Group 6 will be for the Non-commercial Floats and the prizes for these are: 1st, \$25.00; 2nd, \$20.00; 3rd, \$15.00. Group 7 is open to ALL GROUPS and is for the most outstanding in the parade. The prizes for this Group are: 1st, \$25.00 (Lions Club Award); 2nd, \$15.00; 3rd, \$7.50.

At the Riverton Fire House Run and his Committee will hand out numbered cards to all local participants and also place costumes in their respective Groups.

Russell Dilks has engaged several Burlington County Fire Companies and also has arranged for lighting Broad Street from Riverton Station to Morgan avenue thus enabling anyone to view the parade anywhere along the parade route which is from Riverton Fire House down Broad Street to Delaware avenue, thence back to Broad street to the Palmyra Grove via West Boulevard for the awarding of prizes. Street dancing on Cinnamson avenue and West Blvd. after the awarding of the prizes will be under the supervision of Mr. G. W. Wiegand. Contrary to poster around town, the parade will form at Riverton Fire House at 7:00 p.m. on Halloween Night and in the event of rain—Saturday Night.

The next meeting of this Committee will be Monday, 8:30 p.m., October 14, at Palmyra Borough Hall. Anyone wishing to make a donation to help finance this affair can do so by contacting any Committee Chairman or by mailing to Treasurer, P. J. Henselman, Jr., 415 Cinnamson avenue, Palmyra.

PARISH CLUB ACTIVITIES

The Parish Club of the Episcopal Church, Riverton, held its first fall meeting last Friday evening. The club members enjoyed a delicious supper that was followed by a two hour motion picture "King of Kings." The affair was most successful due to the splendid cooperation of Mr. and Mrs. Patterson, Mr. and Mrs. Watson, Mr. and Mrs. Reeves, and Mr. and Mrs. Stewart. We need volunteers to head the committees for our November and December entertainment. Please get in touch with any of the officers if you can help out in this work.

Beautiful Lighting

Doesn't "Just Happen"

It Must Be Planned

Lighting must, of course, be adequate for good vision—but it must also create an atmosphere of charm and beauty in the home. Better lighting doesn't "just happen". It must be planned—with the right lamps in the right places.

Think of lighting as part of the whole scheme of your home. You want lamps that "look right" where you place them. They should be attractively designed. The light they produce should be adequate, but SOFT.

Choose the right type of lamps for the right places in your home. There are many kinds—Table Lamps, 6-way Floor Lamps, Junior Floor Lamps, Swing-Arm Bridge Lamps, Straight Bridge Lamps and Torchere Lamps.

Better Lamps will give you Better Lighting. Better Lighting will protect your family's sight. See beautiful portable lamps at Public Service stores and at your dealer's.

IN CHANCERY OF NEW JERSEY
To the defendants Florence S. Dinges, Joseph T. Dinges, her husband, Stuart W. Longworth, Augusta Longworth, his wife, Alexander B. Arthur and Margaret Arthur, his wife:

By virtue of an order of the Court of Chancery of New Jersey, made on the day of the date hereof, in a cause wherein the Township of Cinnaminson in the County of Burlington is complainant and said Walter and others are defendants, you are required to appear and answer the bill of said complainant on or before the 27th day of November, 1946, or the said bill will be taken as confessed against you.

Said bill of complaint was filed to foreclose, in the second cause of action, a tax

sale certificate dated the 8th day of December, 1934, made by Joseph E. Keating, Collector of Taxes, to said Township of Cinnaminson, covering lots Nos. 9, 11, 13 and 15, in Section 3, lots Nos. 10, 12, 14 and 16, in Section 4, and lots Nos. 1, 3, 5, 7, 9, 11, 13, 15 and 16, in Section 5, on the Plan of Charles E. Price's Extension of Riverton, an estate in the Township of Cinnaminson in the County of Burlington and State of New Jersey, being part of the lands which Charles E. Price and wife by deed dated October 30, 1894, and recorded in the office of the Clerk of Burlington County in Book 314 of Deeds, Page 71, conveyed to Arthur Stewart.

And you Florence S. Dinges, Stuart W. Longworth and Alexander B. Arthur, are made parties defendant because as devisee or heirs of said Arthur Stewart, or of persons who were his devisees, you are each the owner of an undivided interest in said lands, and you Joseph T. Dinges are made a party defendant because as the husband of said Florence S. Dinges you have an inchoate right of curtesy in said lands; and you Augusta Longworth are made a party defendant because as the wife of said Stuart W. Longworth you have an inchoate right of dower in said lands; and you Margaret Arthur are made a party defendant because as the wife of said Alexander B. Arthur you may claim to have an inchoate right of dower in said lands; and all of you are made parties defendant because it is charged in said bill of complaint that any interest you may have in said lands is subject to complainant's tax sale certificate and to subsequent municipal liens.

Dated, September 26, 1946.

WALTER CARSON,
Solicitor of complainant,
Wilson Building,
Broadway and Cooper Street,
Camden, New Jersey.

Sermon. Passages from the King
James version of the Bible include:
"Hath a nation changed their Gods,
which are yet no gods? but my
people have changed their glory for
that which doth not profit." (Jer.
2: 11) Correlative passages from
"Science and Health with Key to the
Scriptures" by Mary Baker Eddy in-
clude:
"Jesus urged the commandment,
Thou shalt have no belief of Life
for me, 'which may be rendered:
Thou shalt have no belief of Life

the problems of the Service Men, not
only while in the Armed Forces, but
in their civilian difficulties now that
they are returning to become citizens
in the Community they know as
Home. If you miss this address—
"You will be sorry."

ROTARY CLUB VIEWS
FILM ON PT BOATS

At the Rotary Club meeting last
Thursday Al McFall, accompanied
by Jean Morrison, led the club sing-
ing. Al says he is willing to give
way to the leadership of the instru-

mental quintet composed of N. Ra-
ver, R. Morrison, M. Joyce, R. Fin-
ney and J. Morrison.

Howard Humphreys introduced
Paul Schneider, local Rotarian and
manager of the Firestone Store. He
presented an excellent film depicting
the part played by PT boats during
the war. Of interest was the skill-
ful and competent work done by the
Packard Motor Co. in the manufac-
turing of the engines.

During the war the requirements
for the motors were constantly
changing necessitating expansion of
manufacturing facilities and increas-
ed efficiency. Precision work
coupled with mass production meth-
ods produced the excellent motors
for those boats whose action proved
instrumental in shortening the war.

Jack Perry, George Luce and Joe
Lowe were the recipients of birthday
greetings. For Mr. Low this was
his 73rd and the evening marked his
99th attendance at a Rotary gath-
ering. The Club wholeheartedly
joined in extending best wishes to
him. Ed Smalley of Camden, Don
Kesser of Mount Holly, and Walt
Hansen, Jr., were guests of the eve-
ning.

MORAVIAN CHURCH T. M. Van Vleck, pastor Palmyra at Five Points

"One of our good poets wrote, 'There are books in brooks, sermons in stones and good in everything.' Surely there are sermons in the serious news today. To all the world today, Tuesday, the news has gone out that the leading men in the Nazi party are condemned to die. A jury of men representing the great nations is sitting in judgment over another nation. Yet men are passing by and having no faith in The Word of God. In Matthew 25: 31, 32 it is written, 'When the Son of Man shall come in His glory, and all the holy angels with Him, then shall He sit upon the throne of His glory, and before Him shall be gathered all nations.' Saint Paul tells us in Hebrews 9:27 'And as it is appointed unto men once to die, but after this the judgment.' No one would want to be in the shoes of those men who are condemned to die but judgment and condemnation rest upon every one, because all have sinned and come short of the glory of God. But there is hope. Christ died for our sins ac-

A report to the Public on the Telephone Situation in New Jersey

BY CHESTER I. BARNARD, PRESIDENT NEW JERSEY BELL TELEPHONE COMPANY

WE ARE treating the present telephone service situation in New Jersey by methods much like those we use in the event of a great fire, a flood or a hurricane. In this situation we need your cooperation and understanding. I want to tell you why we have this situation, the extraordinary accomplishments already achieved and what is being done to establish normal telephone conditions.

MORE PEOPLE ARE USING THE TELEPHONE THAN EVER

Since V-J Day we have added 140,000 telephones to the number in use in New Jersey—double the total added in any previous year. The majority of those waiting for service a year ago now have it. Even so, the new demand has continued to be so great that 80,000 are waiting for service.

We are handling a million more calls each day than a year ago. This is an increase of 25%. The telephone calling habits of the people of New Jersey have changed materially and today we are receiving more and longer calls than ever before.

EFFECT OF THE WAR

For four years the necessities of the War prohibited the enlargement of our plant and facilities that we normally make in anticipation of demand. Consequently the unprecedented demand for telephones and the extraordinary increase in the use of telephones came upon us when we had no reserve to meet these conditions.

WHAT WE HAVE DONE ABOUT IT

In this situation we have connected to our switchboards every telephone that we could add. This, together with the extraordinary use of the telephone, has in some exchanges affected the quality of the service during some hours. This overloading is necessary for the utmost fair treatment of those waiting for service and it is important also to others already having service who want to communicate with them. Even with the heavy extra load, most calls are going through promptly.

WE ARE MAKING PROGRESS

In addition to the abnormally large number of telephones we have already added, we have enlarged 79 central offices and will complete additions to 84 more by the end of this year. Thousands of miles of wire in cable have been and are being installed each month.

Our chief supplier, the Western Electric Company, is working 'round the clock' and in this year will produce more new switchboard equipment

than in any previous year in history. This outstanding production record is being accomplished despite serious shortages of lead, steel and other basic materials affecting all industry.

NEW EMPLOYEES

Maintaining and operating the enlarged telephone system we are building requires many new employees. Within the past year we have secured and trained thousands of new people, most of them operators. Our force today numbers 22,000—nearly 7,000 more than a year ago—and is being further increased as we move forward.

TASKS STILL AHEAD

Our expansion program is well under way and exceptional progress has been made despite the difficulties. From now on we expect little difficulty in the supply of telephone instruments and before many months we hope that the central office equipment situation will be substantially improved. The world-wide shortage of lead, which is rationed, will probably plague our cable expansion for a much longer time. The program we have planned will take some time to accomplish and calls for an outlay of 150 million dollars before we reach our goal, which is to provide more and better service for every telephone user.

Our engineers and operating managers have been alert, ingenious and imaginative in meeting this situation and our employees have been cooperative and have worked long hours as their contribution to this vital public service.

WE APPRECIATE YOUR COOPERATION AND UNDERSTANDING

On behalf of our entire organization I express to our customers our deep appreciation of their fine cooperation and understanding in this difficult period of expansion.

This report adds up to one thing. We have been and are doing and shall continue to do our utmost to give more and better service to everyone who wants it, and to do it always with courtesy and understanding.

MAN MURDERED

Shortly after 10:45 last Saturday evening, Chief Erich Veitenheimer, of the Cinnaminson police, received a call that a man had been stabbed in East Riverton. Upon arriving at the scene he found Charles Hammond, colored, lying on Broad street dead from a severed jugular vein. From blood stains on the ground it was evident that Hammond, who resides in East Riverton, had crawled some distance from the point where he had been cut.

As a result of a quick investigation, police went to the home of Alfred Saunders, Route 25, Fairview and found him asleep. His clothes had bloodstains. Upon being questioned, Saunders is alleged to have admitted a fight with Hammond and to have stabbed him. He was held without bail on the charge of murder.

The weapon, a pen knife, was found by police. A number of East Riverton residents have been questioned by State Police, County detectives and Chief Veitenheimer to shed further light on the circumstances surrounding the affray, but the results have not been made public as yet.

Curbing Discussed

At a meeting of the Cinnaminson Township Committee held Tuesday night in their East Riverton Fire House the question of curbs on Warrington avenue was discussed at length. It was explained to the residents on that highway that the 4947 street program calls for a permanent paving on Warrington avenue and that this work can be done in a much more efficient manner if curbs have been installed.

Some of those present were in favor and others opposed. A survey will be made to determine the attitude of all residents who may be affected. It was pointed out that the present price of curbing is about \$1.20 per front foot.

Housing Project N. J. Kempf, of Camden, presented a comprehensive layout of a housing project which he contemplates starting for colored people on the old Dreer Nursery near Union Landing, Road. He proposes to erect six types of homes, the lots being 75x150 feet and the residences to sell for about \$6,500.

He stated that if the plan were approved he would construct 10 dwellings and that if these were sold more would be built rapidly. Since the matter had many legal angles Mr. Kempf was advised to take the matter up with the township attorney, Walter Carson.

Application Declined The Committee declined flatly to amend the existing ordinance to allow the operation of a package liquor store in Cinnaminson. The application for such a license had been made by a Palmyra resident.

Earle Harder, committee member stated that the proposed lighting improvement program had been held up because of shortage of materials.

PORCH CLUB

The Porch Club will welcome new members at a dessert party, on October 15, at 2:00 p.m. There has been a great deal of pleasant anticipation in waiting for this opportunity to meet the new members of the club.

The bridge committee is asking for wrapped "white elephants" as surprise bridge prizes. Mrs. Donald M. Patterson is chairman of this committee.

Mrs. J. P. Reese, of Fulton street, Riverton and Mrs. George Orford of Moorestown, left by motor the first of the week with Mrs. DeWitt Markham of Kings Highway, Haddonfield, to be guests at the latter's New England home in Worthington, Mass.

Judge Speaks Here

Judge Albert E. Burling, currently sitting at Mt. Holly told Palmyra-Riverton Rotarians at their meeting last Thursday that Service Clubs fit into the current pattern. A charter member of the Camden Lions Club, he has served as district governor of New Jersey and is thoroughly familiar with the topic on which he spoke.

After touching on the fact that acquaintance developed in Service Clubs frequently grows into lifelong friendship, Judge Burling pointed out that after 1918 large numbers of ex-G.I.'s became affiliated with Rotary, Lions, or Kiwanis Clubs. He stressed that there were undoubtedly would be the same trend at the present time and that it was all to the good. Ex-G.I.'s he feels have a distinct contribution to make to the Nation, and one way this can be done is through the unselfish public leadership of Service Clubs.

The well known jurist stated that the penalty for indifference is to exist in an unsatisfactory state of affairs. He cited many lost opportunities for instance, in housing, employment, health, recreation and other civic responsibilities. The attitude of citizens toward each other, local conditions, and affairs generally, could stand much improvement.

Judge Burling emphasized the need to work for our form of constitutional government. He feels that education of all kinds is necessary if the American way of life is to continue. The coming generation must be taught to assume responsibility so that they will appreciate the virtue of democracy, taking interest in civic affairs, and support good men for public office. Youth, good citizenship will pick good workers, and training in citizenship should certainly include the study of local government. He felt that this was not being well done by the schools.

In the closing section of his address, Judge Burling dealt with the need for good juries. He pointed out that too many citizens attempt to avoid jury duty rather than accept the responsibility. Qualified persons are needed not only on grand juries but petit juries as well, he said. The panels should be so good that no one would feel they were not satisfactory for trying his personal case. We must recapture goodwill said Mr. Burling and here individuals can play a good part. One person, for instance, may be responsible for the opinion formed of a great company employing thousands. Unselfish service in the light of the golden rule should be the sincere aim, not only of Service Clubs, but men of goodwill everywhere.

PALMYRA WINS OPENER

Palmyra High School's grid team got off to a good start last Saturday afternoon by taking the opening game of the season from Audubon by a score of 25-7, the game being played on the loser's field.

The Red and White got off to a fine start by scoring in the first period and added three more touchdowns before the half ended. Oliver, Steedle, Cherry and Clinton each had a share in crossing the goal of the opposition.

Palmyra gained largely through the clever use of aerials and also intercepted two Audubon passes both of which resulted in touchdowns following runs of 60 and 90 yards respectively.

This Saturday the charges of Coach Ehringer journey to Haddon Heights for their second engagement.

NEW TRUCK ARRIVES

The new pumper ordered by Delaware Fire Company No. 2, of East Riverton, arrived this week and has been undergoing a series of tests by members of the company.

The truck, which is of the latest closed cab type, is complete in every detail and is equipped with all the most modern fire-fighting devices, including a powerful portable lighting unit.

With its arrival the East Riverton fire fighters now have two pumps available for any emergency and are well equipped to handle any fire that may occur in the community.

Needlework Guild

The Needlework Guild of America is opening its 61st annual Membership Drive in an effort to enroll new members.

Membership in the Needlework Guild demands so little that anyone above the poverty line can help. All one needs to do to join is donate two new articles of clothing or linens, once a year to the nearest Needlework Guild Branch.

The contribution of two articles "one wash and one to wear" multiplied in a total of nearly 43 states brings in a total of nearly two million articles annually from the membership of women, men and children. The contributed articles are then donated to convalescent homes, orphanages, old peoples homes, welfare institutions and other social service agencies. This great national program which makes its home in Philadelphia during its 61 years of useful service has earned the name of "The Charity that helps other Charities."

The Riverton Branch ingathering will be held at the Porch Club Wednesday, October 23. Doors will be open at 9:30 to receive articles. For further information call Mrs. J. D. Clark, Riverton 9-0243.

LOCAL LEADERSHIP TRAINING SCHOOL

The Palmyra-Riverton Leadership Training School, sponsored by the Ministerial Association, will hold the first session of the Fall term this Wednesday evening, October 13. The of Beginners, Primaries and Juniors, School will meet in the Epworth Methodist Church and will begin at 7:45.

Four courses will be offered this year. Three courses are for teachers the instructors being Mrs. Charles P. Robshaw, Mrs. Erwin S. Speer and Miss Catherine Lantz. They will discuss the objectives and the methods of Christian education for each group.

A course in Bible study will be presented by Dr. Carl H. Morgan, dean of the Baptist Seminary of Philadelphia. He will analyze and discuss I. John.

All interested are invited and welcome to participate in these courses. The School will meet for six Wednesday evenings and credit cards given to those who successfully complete the course. The enrollment fee is \$1.00.

Further information may be secured from the dean, the Rev. George T. Miller, Mrs. Howard Humphreys, Registrar or any of the local pastors.

Their next rivals downed Paulsboro 19-0 last week.

The first home stand for Palmyra will be on Saturday, October 19, with Haddonfield as the opposition.

Keep it up! DON'T LET THEM DOWN!

Juvenile Delinquency

"Juvenile delinquency is a disease, not a crime." This was the central theme of an interesting talk delivered by Mr. Charles Weiler of the Bureau of Institutions and Agencies of the State of New Jersey, to the Palmyra, Riverton and Cinnaminson Lions Club at its weekly dinner meeting Thursday night, October 3, at Tim's Cinnaminson House on Route 25, Riverton.

Mr. Weiler stated that since juvenile delinquency was a disease it was, therefore, both curable and preventable, and that the basic responsibility for its prevention and cure lay with the school, the home, and the church. This responsibility was fixed as far back as the 17th Century, by the report of a commission appointed by the King of England to study juvenile delinquency in London.

As proof of the fact that juvenile delinquency, thriving in many places due to social neglect and inertia, can be prevented, Mr. Weiler pointed out that through the work of its own citizens, Hudson County has the lowest rate in New Jersey and that Jersey City had no juvenile delinquency whatsoever.

Mr. Weiler's non-political department of the Bureau of Institutions and Agencies has been in operation for only a year and in that time has aided in causing a decrease of 4.9 per cent in juvenile delinquency in New Jersey. The function of this department is to assist communities in curing juvenile delinquency by means of clinics, education, investigation and recommendation. This department, however, can only lend its aid in the event that it is invited by a county or community. Therefore, many of its benefits are lacking in communities wherein there is a need for them. This, Mr. Weiler pointed out, is why talks are given to service clubs. Service clubs, because of their influence on local government and upon public opinion, can help "swing the deal."

POLITICAL CANDIDATES
ANSWER QUESTIONS

Candidates of both major political parties explained their beliefs on government to 150 women, representing fifteen county-wide women's organizations, at a public affairs meeting held Monday night in the Court House at Mount Holly. The meeting was sponsored by the Burlington County Cooperating Women's Organizations, formed in the spring under the auspices of the Public Affairs Committee of the Y.W.C.A. to motivate women to take a greater interest in their government and to exert a stronger influence on it. It was the second meeting sponsored by the group, the first one having been held shortly before primary election.

All candidates for election to the offices of Congressman, Assemblyman, Board of Chosen Freeholders, Surrogate and Coroner, both Republican and Democratic, were invited to attend to speak in behalf of their candidacies and to answer questions submitted by member groups of the sponsoring organization. The candidates who attended were: Frank A. Mathews, Jr., and Charles R. Howell, Republican and Democratic candidates, respectively, for Congress; George B. Bittling, Republican nominee for re-election as surrogate; Benjamin Houseworth, Republican candidate for Coroner; Stanley Ryba and John M. Roush, Democratic candidates for Freeholder; and Albert C. Jones, one of the two Republican Freeholder candidates. Assemblyman Albert McCay was represented by Thomas D. Begley, county solicitor.

Mrs. Mary Rhoads of Moorestown, chairman of the Public Affairs Committee of the Y.W.C.A. and the executive committee of the cooperating women's organization, presided. Margaret Warner, of Burlington, first vice-president of the N. J. Federation of Business and Professional

Women's Clubs, introduced the various candidates who spoke briefly on their basic philosophy of public service.

MEMORIAL PLANNED
FOR DR. F. M. SCOTT

A movement has been launched by a group of Beverly and Edgewater Park residents to collect funds for establishing a suitable memorial to the late Dr. Percy M. Scott, whose sudden death in July of this year came as a shock to the community. Dr. Scott, who practiced here for 21 years, assumed a tremendous burden of work during the war, when as many physicians were called for service in the armed forces. While his physical condition was such as to bar him from military service, Dr. Scott never spared himself in ministering to the needs of the civilian population. The feeling is general in the community that overwork and strain due to the wartime burden which he cheerfully assumed, caused his untimely death at the age of 46. He is regarded as one of the war's unsung heroes—just as truly a war casualty as if he had fallen on the beaches of Normandy or in Okinawa. In order to perpetuate the memory of Dr. Scott and his service to the community, it is planned to donate to the Burlington County Hospital, in which he was deeply interested, some much needed equipment.

With this end in view a committee has been formed to collect a fund to be spent in accordance with what it is believed would have been Dr.

Scott's wishes. D. Birtney Stokes, of Edgewater Park, leads the committee in charge. Arrangements have been made with the First National Bank and Trust Company of Beverly to receive contributions which should be mailed or delivered to the Percy M. Scott Memorial Fund, First National Bank and Trust Company, Beverly, N. J., before November 1, 1946. Checks should be drawn payable to the fund.

EMOTIONAL DISTURBANCE MAY CAUSE COLIC

EVER hear of "spastic colitis"? The word colitis simply means an inflammation of the colon, that is the lower bowel. However, spastic colitis is not so much a disorder of the bowels as it is a disorder of the emotions—though the symptoms it produces are in the bowels. "Spastic" means "muscular" and "colitis" means "inflammation." Spastic colitis is manifested by diarrhea alternating with constipation and discomfort in the abdomen.

Unusual worry or anxiety often produces spastic colitis. The patient is wrong with them. Several meals are especially liable to trouble. Fatigue, various foods, laxatives and many other things bring on the attack. The patient is usually a nervous, sensitive person. Colic is not a disease, but a symptom. It is a condition of the bowels, but it is caused by emotional disturbance. Spastic colitis does not have any influence on the duration of life. The patient is usually a nervous, sensitive person. E. C. RAMSEY ADDRESSES
LOCAL ROTARY CLUB

E. C. Ramsey, noted author, traveler and lecturer, addressed the meeting of the local Rotary Club on Thursday, October 10th. Paul Jones, member of the Moorestown Club and formerly of the Palmyra-River-

ton Club, introduced Mr. Ramsey as our guest speaker. This has been the third time that we have had the pleasure of listening to Mr. Ramsey. A general, panoramic view of the whole world situation was given in Mr. Ramsey's talk, and according to him there is a very pessimistic out-

look for the future. Prior to the war he predicted our entrance into the war and approximately how long it would last. He again predicted that unless the American people begin to wake up we will be in another war in 10 or 15 years. Today's world is not one world but a divided world with the division not between the victors and the losers but between the victors.

Mr. Ramsey gave some interesting sidelights on the Russian situation and said that Russia is continuing to arm at an alarming rate although at the present time she does not want physical combat. The Russian people are still under war time economy with 6,000,000 men under arms and they are working feverishly to keep this position. Mr. Stalin is a hard-headed, practical realist, although Mr. Ramsey believes that the other men on the ruling committee are suffering from an inferiority complex. The Third Internationale is not dead but its headquarters has been transferred from Moscow to Paris, and they are apparently very active in the United States and our people sooner or later will become conscious of this and cry out against their actions.

No nation today is willing to pay the price for peace, and unless the American people come to their senses we will certainly drift toward another conflict. The United Nations Security Council has been a disillusionment to Mr. Ramsey, who has sat in on a number of sessions, but he feels that this is the last hope for peace with the thought that at least the peoples of all nations are trying to get together.

Mr. Ramsey spoke somewhat on the China situation with respect to Russia, and apparently the Russian Communists are making a strong appeal to China who sooner or later will come under the Russian sphere of influence. China is a potential power but does not pack much weight at the present time. France can be scratched from the list as a potential power, and while they are coming back they will never regain their pre-war prestige.

The English above all nations are trying to make democracy work but the British Empire is having its troubles. Mr. Ramsey believes that the British at the present time have lost their prewar position and will never regain it.

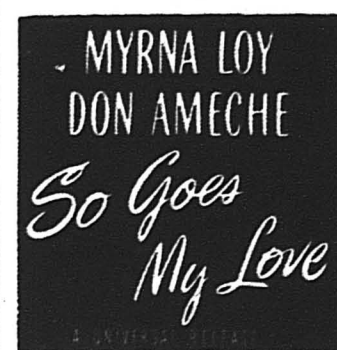

The divided world about which he spoke will be split between two great powers—United States and Russia; and the Western Hemisphere will be dominated by the United States and the Eastern Hemisphere by Russia. Determination should be made now as far as our Russian policy is concerned. Russia very definitely is moving into the Middle East and at the present time is trying very hard to get into Greece.

Italy, as well as Japan, will never play a political part in world affairs again. Germany, according to Mr. Ramsey, will never rise again and he predicted the end of German power with the German people being absorbed by other nations.

He concluded with a statement that America is standing on the threshold at the present time, and the American people had better do something about the whole situation since they fail to realize their responsibility for the benefits and privileges they enjoy.

the world-wide challenge of our day.

As part of our morning worship the
Calvary Choir, under the direction of

CENTRAL BAPTIST CHURCH
Rev. S. Dan Morgan, Pastor
Palmyra, N. J.

"Central Baptist" enjoyed a most successful Rally Day in both the Bible School and the church last Sunday. The school exercises were ably arranged and most capably executed by the Young Peoples' Group of the church which received the commendation of many. The attendance of both the school and the church climbed to a record for the past few years. It is only hoped that the interest manifested on this Rally Day will mark the beginning of a new era for "Central Baptist," and that its influence will be widespread. Have you ever attended "Central Baptist"? If not, you will always be welcomed. You will enjoy the home-like atmosphere and will also find pleasure in participating in the activities. Your contribution in the way of service will also be welcomed.

Services this Sunday.

MORAVIAN CHURCH
T. M. Van Vleck, pastor
Palmyra at Five Points

For days like the days we are living in, days when the pillars of civilization appear to be tottering, when the high standards of the old American way of life are fallen, people are wondering if there is anything remaining in which to hope or trust. Do any people have confidence in God and His Word? The name of Miss Helen Keller has been known for a generation; the woman who was born blind, deaf and mute. In spite of this insurmountable handicap, Miss Keller was educated and is well known throughout our country as a Christian leader. This is her testimony:

"In the Bible I find confidence mightier than the utmost evil. Also it has a vision which anticipates and passes beyond depth on depths of good as revealed by events. I lean on the Bible as a courage renewing power that embars all the catastrophes and upward trend of history. It is dynamic with an unflagging idealism which, if we follow it simply, will give momentum to match our soul's greatness with God's trust in us and our dominion over earth's destiny."

Saturday, 8 p.m.—Social evening with a Gospel team from Princeton Seminary.

Sunday, 9:30—Sunday School. 10:45—Morning Worship.

6:45—Young People's meeting. Thursday, 7:45—Choir rehearsal.

Friday, 6:30—Covered dish supper and social evening.

Next Sunday, Rev. R. Iobst from Nicaragua will speak.

In the evening union service with the Riverside Moravian Church at Riverside. Rev. Iobst will show pictures and tell of his work in Nicaragua.

FORD—GILL

The wedding of Miss Mary Elizabeth Gill, daughter of Mrs. William Percival Gill, 241 Knight avenue, Collingswood, and the late Mr. Gill, to Mr. Thomas Joseph Ford, Jr., son of Mr. Thomas Ford, 715 Cinnaminson street, Riverton, and the late Mr. Ford, took place on Saturday evening, at 6:30 o'clock in the rectory of Sacred Heart Church, Riverton. The ceremony was performed by Rev. William Quinn. The bride was given in marriage by her brother, Mr. William Percival.

val Gill, Jr. Her gown was of white crepe, the torso bodice designed with long tapering sleeves and square neckline outlined in seed pearls. The skirt extended into a train and her fingertip veil of illusion fell from a tiara of seed pearls. She carried a colonial bouquet of white roses and gardenias.

Miss Kathleen Ford, of Collingswood, attended the bride as maid of honor and Miss Helen Ford as bridesmaid. Both were gowned in Nile green taffeta, fashioned on torso lines and with off-shoulder necklines and full skirts. They wore long gloves of matching material and crowns of Tulleman roses on their hair to match their colonial bouquets.

John Ford, of Riverton, acted as best man for his brother and Mr. John McDermott, of Riverton, served as usher.

The bride's mother chose an aqua crepe dress, with matching hat trimmed with black ostrich tips. Her corsage was of gardenias. The bridegroom's mother wore pale blue crepe with a hat of the same shade trimmed with black feathers. Her corsage was of pink roses.

A reception was held at the Riverton Country Club after which the young couple left on a wedding trip. They will be at home after November 1 at the Collingswood address.

Mr. Clarence Terrie, Cleveland, Ohio, a hero pal of Mr. Ford when both were Naval Medical Corpsmen, kept a war promise to sing at his wedding. He rendered several selections, "At Dawning," "Thine Alone," and "Because." The two young men were among 22 survivors of Company C, Second Battalion, Fourth Division, 25th Marines, who went ashore at Iwo Jima. Ford won the Silver and Bronze Stars.

**Cinnaminson Home
Assists Many Women**

One of the organizations which benefits each year from the contributions made to the Riverton-Cinnaminson Community Chest is the Cinnaminson Home, an institution established 55 years ago to aid convalescent women and girls. Here, amid pleasant surroundings, during the period of years, thousands have been greatly speeded on the road to recovery following illness.

Practically the only home of its kind in the South Jersey-Philadelphia area, this worthy institution needs all the financial help it can receive in order to continue its humanitarian work.

Patients are accepted upon the recommendation of hospitals, welfare agencies, doctors, ministers and other responsible people in a number of communities, with those in need from this area always being given preference in case of emergency.

Applicants are charged, in addition to a nominal admission fee required of all patients, a weekly fee which is far below cost; but if they are unable to pay the usual sum, the charge is adjusted to meet their financial condition. The maximum period at the home is two weeks, although patients are kept longer if conditions warrant.

Due to the fact that patients are recovering from a wide variety of diseases, diet forms an important part of their care. Despite present conditions when many food items are scarce, diligent work on the part of Miss Carrie M. Garrison, superintendent, and Mrs. Matilda Bartow, dietitian, has made it possible to meet the special requirements of the various individuals.

Local doctors play an important part also in the care of the patients. Dr. T. Bruce Dickson, and Dr. Harry B. Mark, of Riverton, together with Dr. S. Emlen Stokes of Moorestown, are always most cooperative and cheerfully render their services without charge to those in need of medical attention.

In addition to Miss Garrison and Mrs. Bartow, the staff consists of a cook, handyman and a woman to clean. The patients, when able, make their own beds, help with the dishes and do other minor tasks. Many details of administration are handled by the board of managers, a group of women from Riverton, Cinnaminson, Moorestown and Haddonfield, who devote much of their time to this work.

The interior of the home has been newly painted and the kitchen has been renovated so that it presents a spotless appearance. The greatest need at present is that for new living room furniture.

The home has room for 27 patients and there have been many occasions when there are more applicants than there is space available.

A visit to the home cannot but convince one that here is a place where, in a homelike atmosphere with good food, convalescents who otherwise would be unable to afford such treatment are enabled to regain good health because of the thoughtfulness of those who are more fortunate.

The Riverton-Cinnaminson Republican Club is sponsoring a Town Meeting in the auditorium of the Riverton Public School on Tuesday evening, October 29, promptly at 8 o'clock.

At this affair the important issues in the current political campaign will be ably discussed by Congressman Frank A. Mathews, Jr., of Riverton and State Senator Arthur W. Lewis, also of Riverton.

Everyone is welcome and the committee in charge is desirous that there be a large turnout to hear this important discussion.

The coming election is an important one and every effort is being made to get as large a Republican vote as possible.

Attend the meeting and learn "how to get out of this mess" by voting Republican.

We will also have on display some Knobby Kraters Jewelry. This jewelry will make an excellent Christmas gift for that special friend. On November 4th, the Executive Committee will meet at the home of Mrs. Allan Osmond, Zelman avenue, East Riverton, N. J. All members are urged to be present.

Republican Dinner

Burlington County's vigorous Republican campaign will reach a dramatic climax this Saturday night, October 26th when the annual pre-election dinner-dance of the County G.O.P. Committee is held at Medford Lakes. The event will commemorate Driscoll-Smith Day in Cinnaminson County.

With more than 500 tickets already sold, the dinner-dance is certain to be the largest and most enthusiastic rally yet held in the County which has seen a series of large and enthusiastic rallies this month.

The colorful affair, in addition to honoring U. S. Senator H. Alexander Smith, New Jersey's next Governor, Alfred E. Driscoll, Congressman Frank A. Mathews, Jr., and the other Republican candidates, will be a welcome home party to Gen. Clifford R. Powell.

Commissioner D. Lane Powers will be the speaker, with Senator Arthur W. Lewis as toastmaster. County Chairman Leon E. Todd, Mayor of Medford Lakes, will open the meeting.

Demands for tickets have been so unprecedentedly and unexpectedly heavy that quotas have had to be assigned each district. The festivities will begin at 7 p.m. in Log Cabin Lodge and every candidate will be present to meet the party workers—Senator Smith, Commissioner Driscoll, Congressman Mathews, Assemblyman Albert McCay, Surrogate George B. Bittling, Freeholder Stanley I. Ross and his running-mate, Albert C. Jones, former Director of the Board of Freeholders whose career of public service was interrupted by service in the war, and Benjamin H. Houseworth, candidate for coroner.

History Of Dentistry

"The Past and Present in Dentistry" was the topic discussed by Dr. Hayes B. Brady, club member, at the last meeting of the Palmyra-Riverton Lions Club.

In tracing the history of the profession his listeners were impressed by the fact that although the Chinese practiced dentistry, their methods would hardly come under the "painless" category.

During the early stages of dentistry in China students practised by pulling pegs from a wooden board with their fingers. As their education advanced the pegs were driven deeper, thus enabling them to acquire more strength and dexterity. Ultra stubborn molars were pried out by means of wedges.

At one time barbers did most of the dental work required, but they gradually faded from the picture with the advance of the years.

False Teeth

False teeth were not always the perfection we see today. As an extracted tooth, either from an animal or a person, was frequently used to fill the gap made by an extraction. Ivory carved to the proper shape became very popular. The dentures were held in place by means of springs so that the mouth was closed by means of pressure on the jaws.

When this was relaxed, the mouth would pop open. Many people had two sets, one with a weak spring for social purposes and one equipped with a stronger spring for eating.

Many Improvements
Dr. Brady stated that there had been many important improvements in dentistry, especially in the field of anesthetics, materials used in filling cavities and the substances employed for making plates.

He described the training necessary for all dental students, stating that the course now requires six years, of which two are pre-dental. During the last four years at college the student is required to take a wide variety of subjects all pertaining strictly to dentistry and must put in many hours of laboratory work which includes fillings of all types and extraction.

Needless to relate, the present dentist is a far cry from those of even a comparatively few years ago.

The Jeri Charm and Model School now being conducted by Miss Doris Jermon at the Porch Club in Riverton, wishes to announce that Mrs. Gertrude Miller, 804 Main street, was chosen as the pupil who has shown the most improvement this week. The prize given was a model's handpainted sponge case.

dancing will begin at both Weart Blvd. and Cinnaminson avenue and refreshments will be served from the P.O.S. of A. Hall.

The parade will POSITIVELY leave Riverton at 8:00 p.m.

HOW TO VOTE

In the past many ballots have been rejected because the persons voting them have, through carelessness or ignorance, failed to follow the simple instructions.

For the benefit of those who intend to vote at the coming election the following advice is offered:

Study your sample ballot carefully. It is an exact duplicate of the ballot you will receive at the polls on election day.

When you go to the polls indicate your choice in black ink or black lead pencil with a cross (X) or plus (+). No other mark is legal and ballots with checks, etc., will be rejected.

Do not vote for more candidates than are to be elected for any office. This may sound like elementary advice, but this mistake is a very common one. For example: since two freeholders are to be elected, if you vote for two in the Republican column, do not vote for Freeholder in the Democratic, Nomination by Petition or Personal Choice column.

If you desire to vote for a candidate whose name is not printed on the ballot (personal choice column) it is necessary to write the candidate's name and also place the required mark in the square before the name. Merely writing the name is not sufficient.

On the other hand, do not vote for a candidate in the Nomination by Petition column, for example, and for a candidate for the same position in the regular Republican or Democratic column when there is but one candidate to be elected. When such errors occur obviously the vote for neither candidate can be recorded.

JACKSON—BARCLAY

The marriage of Miss Emily Miller Barclay, daughter of Mrs. Richard D. Barclay, of Riverton, New Jersey, and Mr. Russell Wilson Jackson, son of Mr. and Mrs. William O. Jackson, of Clifton, New Jersey, took place on the afternoon of Saturday, October 19th, in the Calvary Presbyterian Church of Riverton.

The bride was attended by her sister, Miss Elizabeth Boyd Barclay; her sister-in-law, Mrs. Richard Miller Barclay; and Miss Lois Mary Jackson, sister of the groom.

Mr. Jackson's best man was his brother, Mr. George Jackson, of Clifton, New Jersey, and his ushers were Mr. Louis B. Eten and Mr. Joseph Humphrey, of New York City; Mr. Robert Cutler, of Clifton, New Jersey; and Mr. William Faxon Kinsey, of Moorestown, New Jersey.

When they return from their wedding trip, the Jacksons will live at 28 East 10th Street, New York City. Miss Barclay was graduated from Middlebury College, Vermont, and Mr. Jackson from Rutgers University and Harvard Law School.

and Star boats by the champion skipper of each class, that is Robert S. Gary, John D. Knight and Robert L. Lippincott, respectively. John Knight won first place in each of the sail-off series races.

After the meeting, refreshments were served by the Ladies Auxiliary and Kodachrome pictures were shown by Giles Knight. The pictures included sailing activities around the Yacht Club on the Fourth of July and during the National Duster Association Regatta together with beautiful scenes in the Alps taken by Giles Knight when he was in Switzerland.

The Yacht Club members and guests are now looking forward to the Annual Dinner and Dance to be held at the Riverton Country Club, November 2, 1946, at which time winners of the various sailing series will be announced and trophies awarded.

Arthur and Margaret Arthur, his wife are defendants, you are required to appear and answer the bill of complaint on or before the 28th day of November, 1946, or the said bill will be taken as confessed against you.

Said bill of complaint was filed to foreclose, in the second cause of action, a tax sale certificate dated the 28th day of December, 1944, made by Joseph E. Keating, Collector of Taxes, to said Township of Cinnaminson, covering lots Nos. 8, 10, 12 and 14, in Section 4, and lots Nos. 10, 12, 14, 16, 18 and 20, in Section 5, and lots Nos. 2, 4, 6, 8, 10, 12, 14, 16, 18 and 20, in Section 6, on the Plan of Charles E. GOOD FELLOWSHIP CLUB

HOLDS HALLOWEEN PARTY

A real old fashioned masquerade party—grand march and all—was the program for the October meeting of the Good Fellowship Club, held last Friday evening. Prizes were awarded to the winners in the various classes as follows:

Most Original—James Davidson and Chas. Bartholomew.
Fanciest—Ed Walther and Sarah Bartholomew.

Best Pair—Morris and Marie De-Courtesy.
Spookiest—Woody MacCord, Marty Walther.

Best Character—Bob Wilder and Jean Smith.
Fanciest—Bill Burton, Lorna Pray.

Following the unmasking those present were given the opportunity to partake of cider and pretzels and thus fortify themselves for the big contest of the evening, a scavenger hunt.

Among the more difficult items on the list to be obtained in one hour's time were: a coffee grinder, a "vegetation" softball, a wooden bucket, a white chicken feather, and a hair from a horse's tail.

Eleven teams participated and the

winning one was composed of Morris and Marie De-Courtesy, Thomas Courtney, Fred Collins, Marie Stewart, Marjorie Burton, Grandson and Nellie Layton, Betty Adams and Bob Young. The prize awarded to the team was a stalk of bananas.

Other contestants, having mastered the art of scavenging during the evening, made off with a few of the boneless delicacies, but by virtue of some quick work on the part of team no. 6 the bulk of the prize was preserved.

Sandwiches and coffee climaxed the evening for which the following committee was responsible:

Al and Helen McFall, Chairmen, Frank and Carol Swain, Chas. and Emma Dorworth, Arthur and Maybelle Burns, Bill and Tully Cameron, Thomas and Eleanor Cahill.

The November meeting will see the Good Fellowship Players in a stupendous, colossal, gigantic "Gay Nineties Revue." The cast has devoted considerable time during the summer to rehearsals and other preparations so be prepared to see a revue such as might have been presented in those glorious days of fifteen cent sidewalks.

The December committee, as announced at the meeting, is composed

of Cornelius and Naomi DeBoe, Robert and Muriel Stewart, Ralph and Mary Davies, Sam and Betty Wentworth, James and Dorothy Davidson, Oscar and Helen Wargny, Walter and Florence Beddow.

Since we are the last stronghold of free men in the world, we must lead the way in fulfilling the promises made during the war to the suppressed nations so that they too may live amidst true freedom. If not, respect for us shall lessen, and fear of us shall increase.

"We WELCOME the challenge!"

More people want telephones—more people are making more calls than ever before!

These increased demands for service create for us the biggest job we've ever tackled—to catch up from the four-year war lag in construction, and to restore and improve upon pre-war service standards.

But it's a challenge that we welcome!

Our expansion program, calling for an outlay of \$150,000,000, is already under way to give better-than-ever service to every telephone user, and to bring service as quickly as possible to the 80,000 people still on our waiting list.

To All the Voters of Borough of Riverton

The office of Borough Tax Collector and Treasurer is to be filled by vote of the citizens at the General Election on Tuesday, November 5th. This position is one of the most important to the successful operation of our local government.

The present incumbent, Ralph H. Taylor, was appointed and unanimously confirmed by Council in May to fill the vacancy caused by the resignation of C. Kenneth Davis which became effective June 30th. Mr. Taylor was chosen, after thorough consideration, from a group of eight or ten men who were suggested for the position. He is a man who has had considerable experience in accounting work and whose references indicated that he was well qualified by character and demonstrated ability for the position.

It was further desired by Council that the appointee should be willing to run in the election in November for the unexpired term in order that the interruption in the conduct of the Borough's finances might be reduced to a minimum. Mr. Taylor agreed to this and the members of Council individually and collectively pledged their support to him in the election.

We further feel that he has fully justified our judgment of him by the way in which he has conducted the office of Tax Collector and Treasurer since the first of July, and the Borough is most fortunate to have been able to secure his services. We are happy, therefore, to recommend him to you as a voter and ask your support for him at the polls on November 5th.

Unfortunately, Mr. Taylor's appointment came too late for him to run in the Republican primary last Spring and his name will not appear under the Republican column on the ballot, but will be at the side under "Nominations by Petition." Mr. Taylor is, however, a good Republican and deserving of the support of voters on this score as well as on his merits and we commend him to you highly.

THE MAYOR AND COUNCIL OF THE BOROUGH OF RIVERTON

DUTIES OF COUNTY COMMITTEE

"To clear up a misconception which has arisen and been given rather wide publicity recently, a request has been made that before next Tuesday's General Election the duties of County Committeemen, as regards candidates for local offices, be defined.

"The members of the County Committee of a political party are the duly elected representatives of the party. They serve from the time of the Primary Election until the next Primary Election.

"When a vacancy occurs among municipal candidates nominated at the Primary Election the vacancy should be filled by the members of the County Committee. No other body has this right.

"When a vacancy, whether caused by death, resignation or otherwise, occurs after the Primary Election and before the General Election, the candidate of the party at the ensuing General Election is selected by the members of the County Committee and his name appears in the Republican Party column of the Election ballot."

Mrs. Arthur Burton, president of the Riverton P.T.A. and Mrs. Walter Phillips, of Riverton, are attending the New Jersey State P.T.A. convention in Atlantic City this week.

Red Cross Nominations

The regular meeting of the Riverton Branch American Red Cross was held on Thursday, October 24. Mrs. Howard S. Coe, chairman presiding. Mrs. Thomas A. Cashin was appointed vice president to fill the unexpired term of Mrs. Frederick W. Metzger.

The Nominating Committee submitted the following names as officers for 1946-1947.

Mrs. Howard S. Coe, Chairman.
Mrs. Thomas A. Cashin, 1st Vice Chairman.
Mrs. J. D. Clark, 2nd Vice Chairman.

Mrs. Edward K. Merrill, Treasurer.
Mrs. Robert G. Adams, Secretary.
Election to take place at the annual meeting in November. Anyone wishing to help with Red Cross work during the coming year may notify Mrs. Howard S. Coe, Chairman.

The Riverton Branch of the American Red Cross appreciates the cooperation of the people of Riverton during the busy war years. We wish to thank you for the many articles and equipment loaned for our use which made our working facilities easier.

We were grateful for the use of a room in the Riverton Public School in which to make our surgical dressings and a corner of the Family Council office to maintain an office to carry on the work of the different corps.

The Riverton Branch had a splendid record during the war years and measured up to the standards required. Since there are 5,000 sick and wounded at Tilton General Hospital the emergency has not been lifted. Therefore we must carry on as long as there is work to do.

RIVERTON SCHOOL NEWS
Seventh Grade Entertains Third Grade and Kindergarten.
On Friday, October 25th, the Seventh Grade Home Room Entertainment Committee gave the play, "The Witches Secret" for the entertainment of the Seventh Grade Home Room Club. The class enjoyed it very much. It was decided that the play would be repeated for other classes.

On Monday, October 28th, the play was repeated for the Third Grade Class. On Tuesday, October 29th, the Kindergarten Class was invited to come upstairs to the Seventh Grade room to see the Halloween play.

The characters were as follows:
Little Black Witch—Elizabeth Dutky
Black Cat—Redding Parker
Scarecrow—Wallace Hutzley
Ghost—Thomas Long
Boy—Gardner Burton
Girl—Dolores Watson

The Kindergarten especially liked the baby witch. Judging from the expression on both grades' faces, the play was very much enjoyed.
Kindergarten Goes Parading.
On Thursday morning, October 31st, the Kindergarten class paraded around all the classrooms in Halloween costumes. What fun we had trying to guess who everyone was!

When they unmasked we were surprised at what wrong guesses we had made.
The costumes were all very interesting. I am sure everyone had a very nice time.

Election to take place at the annual meeting in November. Anyone wishing to help with Red Cross work during the coming year may notify Mrs. Howard S. Coe, Chairman.

The Riverton Branch of the American Red Cross appreciates the cooperation of the people of Riverton during the busy war years. We wish to thank you for the many articles and equipment loaned for our use which made our working facilities easier.

We were grateful for the use of a room in the Riverton Public School in which to make our surgical dressings and a corner of the Family Council office to maintain an office to carry on the work of the different corps.

The Riverton Branch had a splendid record during the war years and measured up to the standards required. Since there are 5,000 sick and wounded at Tilton General Hospital the emergency has not been lifted. Therefore we must carry on as long as there is work to do.

CENTRAL BAPTIST CHURCH
Rev. S. Dan Morgan, Pastor
Palmyra, N. J.

The medical profession reveals that a person can be hungry but not have an appetite. In other words there is a distinct difference between hunger and an appetite. Hunger is a need of the body for food but an appetite is a desire for that food. How applicable is this to our spiritual nourishment. The world is actually hungry for spiritual food but as the signs speak for themselves, it does not have the appetite for this spiritual nourishment. Just as the appetite for food has to be developed to sustain physical life, the appetite for the spiritual has to be encouraged in order to avoid spiritual death. This encouragement and food can be found in the churches of all Christian denominations. Central Baptist invites you to enter and enjoy its services.

Adult Men's Bible Class, 10:00 a.m.—Meeting in the auditorium of the church.

Bible School, 10:00 a.m.—Classes to meet every age. If you are a "G.I." there is a class especially for you.

At a meeting of the State Association of County Election Boards, the policy was adopted which would permit all veterans discharged since November 6, 1945 who show proof of honorable discharge to register and vote in the General Election, November 5th by using an emergency voting form.

THE PEOPLE'S COLUMN

TO THE VOTERS OF RIVERTON:

The name of E. Mercer Shreve will appear on the ballot as Democratic Candidate for Borough Council.

Democrats, Republicans and Independents—sponsoring his election next Tuesday—believe that minority representation in our Municipal Government would prove beneficial.

This is not a new thought; it occupied the attention of the late Charles A. Wright, a stalwart Republican and organization builder. Mr. Wright advocated the idea that the Republican leadership should espouse the acceptance of minority representation and support at least one Democratic candidate in the elections. In his day he saw political intolerance spread out and into the Public School question—and it was through his forceful tactics, that members of his own party were beaten down—and the modern school buildings we now

have stand as a monument to his foresight.

We respectfully commend to your careful consideration the Candidate on the Democratic ticket, E. Mercer Shreve, a life long resident of Riverton. He attended Lawrenceville School, Palmyra High and University of Penna., and is engaged in technical practice in the engineering division of the Victor R.C.A.

"Three hundred World War II veterans waited in line at Camp Edison three days to buy 60 old scrap barracks, tent frames and wooden boxes. In two hours the supplies were all sold and many veterans went away disappointed." What suffering is caused by the lack of houses and we see no remedy in the near future for the bad situation. Surely it is time we are thinking of the opportunity to have a place in the glorious mansion above, of which Jesus spoke. He said, "In my Father's house are many mansions I go to prepare a place for you. And

if I go and prepare a place for you, I will come again and receive you unto myself."

First, Jesus came to provide a wonderful salvation for us by dying on the cross for our sins. Now he is in Heaven preparing a place for us. Will you choose Him as your Saviour? Make sure of a place above. Jesus is the way. The way of the cross leads Home.

LEWIS ASKS FOR OVERWHELMING

G.O.P. VICTORY

Alfred E. Driscoll, Sen. H. Alexander Smith, Rep. Frank A. Mathews and the other Republican candidates in Tuesday's election completely overshadow their opponents from the standpoint of ability, State Senator Arthur W. Lewis pointed out today in an appeal for an overwhelming Republican victory in the interests of good, sensible, progressive government.

Senator Lewis urged the people of Burlington County to keep the one paramount issue in sight when casting

their votes and not be diverted by extraneous issues raised in the heat of political campaigning.

"The one genuine issue," he asserted, "is this: which of the candidates are better equipped, by ability, by experience, by background to represent the people—all the people—in the offices to which they aspire?"

"When the party nominees are compared and measured by that standard, the answer presents itself with striking clarity."

"There can be no serious discussion of the respective merits of Alfred E. Driscoll and his opponent, the self-proclaimed obedient follower of Frank Hague. Our neighbor from Camden County has demonstrated his capacities as a member of the Haddonfield Board of Education, as a municipal official and finance director, as a member of the Legislature, as an administrative officer in the important Department of Alcohol Beverage Control, and finally by his constructive high level of campaigning for the office of Governor. Commissioner Driscoll's opponent simply doesn't measure up. He cannot offer such a background of proven experience, nor has he given any indication of possessing those qualities needed in our highest state officer. Contrariwise, his campaign would indicate the opposite is true. "Exactly the same situation prevails in the congressional competition. Senator Smith and Congressman Mathews both elected to fill unexpired terms, have made records unparalleled in the history of the Congress for 'freshmen.'"

"Everlasting Punishment" is the sermon subject for Sunday, November 3.

Golden Text: "The Lord is known by the judgment which he executeth: the wicked is snared in the work of his own hands." (Ps. 9:16)

Sermon. Passages from the King James version of the Bible include: "Let the wicked forsake his way, and the unrighteousness man his thoughts: and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon." (Isa. 55:7) Corollary passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The destruction of sin is the divine method of pardon. Divine Life destroys death. Truth destroys error, and Love destroys hate. Being destroyed, sin needs no other form of forgiveness." (p. 359)

LAMON DESCRIBES CAMPAIGN IN EUROPE

How an army corps headquarters functions was the topic discussed by Lt. Col. Walter Lamon, Jr., at the Palmyra-Riverton Rotary meeting last week. It was Col. Lamon's first appearance before the club this year, and the able young officer again captured the interest and imagination of his audience. The various responsibilities of a corps organization were illustrated by reference to the speaker's own experience in the XIXth Corps, which did so much toward ending the European phase of World War II.

The XIXth Corps, said Col. Lamon, landed in England in January, 1944. On D day plus four it was set up in France as a headquarters without any troops, but by D day plus seven had one division. Men were added rapidly as they came in and the job of taking St. Lo was given to the built up group. Major Gen. Hobbs, also a recent Rotary speaker, played a very prominent and important part in the work of the XIXth Corps. He commanded the 30th division which spearheaded several important attacks. After the fall of St. Lo the XIXth Corps coordinated the push that crossed the Seine, and ended only when it far outran its supplies.

Lack of Supplies. By this time all kinds of troops were attached to the XIXth Corps; they included such elements as armored divisions, paratroopers, engineers, infantry, etc. Col. Lamon stated that the fighting in Europe could have ended in the fall of 1944 had it not been for logistics. Despite super-human efforts by the 19th and other corps to keep things moving, it became impossible to transport troops and feed them at anything like the rate necessary to keep them going forward as fast as they wanted to go. Gasoline and ammunition were 200 miles away, and even though the former was flown in, the quantity was far too small. The Germans were unable to stop the G.I.'s but the lack of supplies did.

After getting as far as the German border the XIXth Corps had to sit and wait for the things it needed. From September 17th to October 5th men spent consolidating all phases of the group; food, ammunition, hospitals and other necessities were transported from 400 miles away to strategic locations. When all was ready the Germans postponed their fate by a clever ruse. All the population of a Dutch city was sent marching into the Allied lines, which prevented the jump off until October

21st. Gen. Hobbs' division made a breach in the line near the Ardennes forest area after fire bombs had been used to soften the opposition. By turning south instead of north the Siegfried line was attacked from the rear and proved a not too difficult objective. An entire army went through to the Ruhr river, when another halt and build up were staged.

The famous Battle of the Bulge held up operations two months. The G.I.'s said Col. Lamon, were great fighters under pressure; they simply would not give in. At that time the XIXth Corps had five divisions. Fifty-two battalions of field artillery softened up the Germans across the Rhine when the crossing was made there. Each hurled one hundred and sixty tons of steel during the preliminary barrage. Never before in the history of warfare had there been so much artillery massed in one spot. Air-Corps and paratroopers as usual, played an important part in this operation, and the Navy was present to handle the small boats. Once over the XIXth Corps moved forward much faster than had been anticipated; it even went 150 miles in one day. The end came when the Elbe River had been crossed and the group sat down to wait for the Russians.

At the conclusion of Col. Lamon's talk the President of the club remarked that it was the first definite "blow by blow" description he had heard of how a large military unit functions. Rotarians agreed and left the meeting with a much clearer impression of the vastness of an effort like the campaign through France into Germany. Corps were numerous, armies prevalent, divisions commonplace, a great tribute to the resourcefulness of the Allies who trained, equipped, and staffed the greatest fighting force ever known.

TWO NEW INVENTIONS AID HOME OWNERS

Two important improvements of great interest to home owners and gardeners were explained to members of the Palmyra-Riverton Lions Club last Thursday night by Albert McFall, of Palmyra, representative of the Sherwin-Williams Paint Company.

The speaker illustrated his talk with technicolor sound movies which presented the value of "Weed No More" and "Festroy" in a most graphic manner.

"Weed No More" is a material which, when applied in solution on lawns and in gardens destroys all weeds within a comparatively short period of time. It is harmless to animal vegetation and is non-toxic to animals.

"Festroy" is an insecticide containing D.D.T. and is effective for a wide variety of insects.

Mr. McFall, who is now leader for the local Rotary Club was asked to serve in the same capacity at the Lions meeting which he did in a most efficient manner.

**JUDGE MATHEWS SPEAKS
AT LOCAL MEETING**

A well attended Town Meeting sponsored by the Riverton Republican Club was held in the Riverton School auditorium on Tuesday night of this week with Donald M. Patterson, president of the club, presiding. Congressman Frank A. Mathews, Jr., of Riverton, and Leon Todd, chairman of the Burlington County Republican Committee, were the speakers. State Senator Arthur W. Lewis, also scheduled to speak, was

unable to be present because of illness. Both speakers gave most informative talks and urged that Republicans vote next Tuesday to help get rid of the waste and inefficiency of the present Democratic government in Washington.

**"We're building bigger, faster
TELEPHONE HIGHWAYS, too!"**

Alongside many of today's jam-packed roads—considered capable of handling the busiest motor traffic a few years ago—more spacious, modern highways are being built to speed up traffic.

It's the same with traffic-laden telephone circuits.

We're handling the greatest number of calls in our history—with equipment and space never intended for such volume. At the same time, we're steadily building an even more modern telephone system, capable of serving all the growing needs of this growing State.

We're well along on a construction program that calls for an outlay of \$150,000,000. This program is enabling us, daily, to place more telephones in the hands of more people.
