ELECTION RESULTS

With the heaviest vote in years being recorded the eleven election districts in Riverton, Palmyra and Cinnaminson continued strongly in the Republican column on Tuesday of this week, backing the entire ticket. The G.O.P. majorities averaged at least 4 to 1 over their democratic opponents and even greater in the case of several candidates. The Democrats failed to make a close race for any position.

The successful Republican candidates were: H. Alexander Smith for United States Senate; Alfred E. Driscoll, Governor; Frank A. Mathews, Jr., Member of the House of Representatives; Albert McCay, General Assembly; George B. Bitting, Surrogate; Benjamin Houseworth, Coroner; Albert C. Jones and Stanley I. Russ, Board of Freeholders.

The total majority for Congressman Mathews in the three communities was 1201.

Riverton

In Riverton, Judge Mathews received a majority over Howell of 548.

Ralph H. Taylor was elected collector-treasurer when he carried two of the three districts to win by a count of 549 to 353 for Russell M. Bigelow and 96 for Robert E. Gowell. All three are Republicans, but Taylor and Gowell ran in the "nomination by petition" column. Taylor ran up a big vote in his home district, the second.

George T. Becton and John F. Jamison, Republicans, were elected members of the Borough Council, defeating E. Mercer Shreve, the lone Democratic candidate. Shreve ran well ahead of the rest of the Democratic ticket, but failed to carry a single district.

The State question was approved by a small majority, many voters failing to register an opinion.

Despite advance instructions many votes were discarded when citizens selected more candidates than were to be elected. One optimist voted for the Governor candidates in all three columns.

Palmyra

In Palmyra there was an exceptionally heavy Democratic vote in the 1st and 5th districts, but the Republicans in the other three rolled up substantial majorities for their candidates.

Paul Heisler and Joseph L. Stack were elected members of the Borough Council, defeating Edwin Redfield, Democrat. Heisler was the high man on the ticket with 1376 votes out of a total of 1754 polled. Stack had 1221 and Redfield 445.

The State question won by a small majority.

Cinnaminson

Earle Harder, Republican, defeated John O'Donnell, Democrat, for member of the Township Committee, the vote being Harder 500, O'Donnell 179.

The State question won by 20 votes.

The Republicans had big majorities in the 1st and 2nd districts, with the third being carried by a small majority.

COUNTRY CLUB THANKS RIVERTON VOTERS

The officers and trustees of the Riverton Country Club wish to thank all their friends and neighbors whose votes have helped so much in plans to put the club on a prosperous basis.

I look on that man as happy, who, when there is question of success, looks into his work for a reply.—Emerson.

REFERENDUM FAVORS COUNTRY CLUB LICENSE

By a vote of nearly two to one the citizens of Riverton went on record as favoring the issuance of a license, with certain restrictions, to the Riverton Country Club for the sale of alcoholic beverages. The count in the three districts was 594 in favor and 321 opposed.

Since the referendum was non-binding, it is now up to Borough Council to pass an ordinance which will enable the club to secure such a license.

A suitable ordinance was prepared several months ago when the matter was discussed previously and it is believed that this probably will be presented to Council for action in the near future.

All three election districts voted favorably on the proposal.

Yacht Club Awards

Members and friends of the Riverton Yacht Club gathered at dinner in the Riverton Country Club last Saturday evening to participate in the presentation of trophies to skippers who won various sailing series and regattas during the season. After greetings and remarks by retiring commodore E. K. Shivelhood, the trophies were awarded by A. H. Burns, chairman of the Regatta Committee.

The awards included the following perpetual trophies:

John P. Mudd, Star Class, Robert L. Lippincott.

S. N. Candy, Star Class Fall Series, Arthur R. Anderson.

Joseph T. Evans, Duster Class Championship, John D. Knight.

J. D. Homestead, Duster Class July 4th Regatta, John D. Knight.

Geo. C. Kimball Duster Class, Teen-Age, A. Gaynor Seither.

T. B. Hammond, Moth Class Championship, Robert S. Gary.

Knight Memorial, 1946 Award, John D. Knight.

Horizontal Club, 1946 Award, "Toby" Hunn.

In addition, personal trophies were presented to each of the above winners and the following skippers who had won one or more first, second or third places in the season's racing series: Charles W. Knight, E. Thomas Meenan, Stanley B. Lippincott, V. Bertram Shoemaker, Robert F. Thomson, Ralph N. Hunn, Michael G. Crowell, John C. Molloy, Robert T. Andrews, Robert E. Stuart and Jeffrey K. Thompson. Honorable mention was also given to A. Gaynor Seither, winner of the Sea Scout Championship and Harry Pierce, winner of nondescript race held July 4th.

The guests of honor were Mr. and Mrs. Robert W. Knight. Mr. Knight, donor of the Robert W. Knight, Jr. Memorial Trophy, spoke briefly on the inspiration of the trophy presented in memory of his son who died in the service of his country and his appreciation of his son, John D. Knight winning the trophy this year. The presentations were followed by comments from J. Gardiner Crowell, commander-elect for 1947. The evening's activities were concluded with dancing which was thoroughly enjoyed by all present.

Since John D. Knight was unable to attend the presentation of trophies at the Country Club, Mr. and Mrs. A. G. Seither invited a large number of his friends to their home on Sunday afternoon so that he could receive his trophies in their presence. The hospitality of Mr. and Mrs. Seither and their son, Gaynor, was fully appreciated.

The Jeri Charm and Model School now being conducted by Miss Doris Jermon at the Porch Club, Riverton, wishes to announce that Mrs. Anne M. Mathews, 901 Main street, Riverton, was chosen as the pupil who had shown the most improvement last week and this week the pupil, Miss Betty Gulden, Melrose avenue, Palmyra. The pupils were awarded a model's handpainted sponge case.

Hallowe'en Prizes

The Hallowe'en Parade was a huge success and it is felt by the Committee it was the best ever. An estimated 15,000 people were lined up both sides of Broad street from Palmyra to Riverton. The parade started exactly at 8 p.m. as scheduled and moved down Broad street with music ringing in the air. Nearly 1,000 participated and brought many laughs to the bystanders.

The Committee wishes to thank all those who aided them in their duties. Each Committee did a fine job and special thanks goes to those who aided Russell Rivers in judging the winners.

They also wish to thank every person and businessman in Palmyra, Riverton and Cinnaminson for their most generous donations. A vote of thanks also goes to Millside Farms and Bishop's Dairies for donating all the milk for the refreshments. Without all these donations it would not have been possible to present this grand parade.

The Hallowe'en Committee will have their next meeting at 8:30 p.m., December 9th, at the Palmyra Borough Hall. Please attend, help us make our next Hallowe'en Parade a bigger success.

HOME COMING DAY

Nine pretty hostesses have been selected for Saturday's Homecoming Day at Palmyra High School.

They are Laura Nebel, Dottie Rhoads, Dorothy Lane, Ibbey Smith, Frances Measey, Jeanne Gowell, Phyllis Moffett, Elaine Cole, Norma Schwink, Phyllis Pierce and Betty Lou Martin.

Sponsored by the Palmyra High Graduate Group, it will be the first homecoming celebration since before the war.

Marvin Snow, homecoming chairman, predicts a capacity crowd of graduates to attend the traditional Palmyra-Moorestown football game.

A registry booth has been set up for alumni and homecoming buttons and the group's newspaper will be given to those attending.

Saturday night the group will hold a dance in the Riverton School. Unusual decorations and a smooth band, Phil Buxton's, will make this one of the best alumni events of the season. It will be an open affair and not restricted to the group's member's or graduates.

A committee of more than 40 has been kept busy for the past month planning the affair. According to Snow, a large number of alumni from Palmyra, Riverton, Delanco, Riverside, Cinnaminson, Pennsauken, Delair, Moorestown and Burlington have indicated they will turn out. To accommodate these, a special section of the grandstand has been reserved for alumni.

Snow said the dance will start at 8:30 p.m., and admission can be paid at the door.

Look upon every day as the whole of life, not merely as a section; and enjoy and improve the present without wishing, through haste, to rush on to another.—Richter.

\$1.00 Prizes—Mrs. Swan, Bill Steedle and C. Shippes, Ester Ann Gamtyn, Herbert Payang, Harry Meyers, Frank Taylor, John Patterson, Ronald Foulks.

A few numbered cards were not returned after the parade and it will be appreciated if you will turn them in to Thomas Schwink at the Palmyra Borough Hall.

Money Management

There is an old saying that it is easier to make money than it is to hold it. And that saying is true. On every side, are hundreds of invitations to spend your money for every one that bids you lay it away. Money slips through fingers like quick-silver, especially in these days of high living costs. To know where your money goes is a good first step toward sound money management. By depositing all you earn in a checking account, and making accurate entries on the stubs, you will have a complete record. Then you can weed out the wasteful expenditures and plug future leaks. This is only one advantage a checking account affords. It will also save you time, trouble and trips.

PROFESSOR WHIZ

Hypnotism, one of the ancient and still baffling sciences, will be unfolded in all its mystic phases at the Riverton Country Club this Saturday night with a two-hour, fast moving show, featuring Professor Whiz, one of the world's best hypnotists. It will include demonstrations of telepathy and a climax of post-hypnotic suggestions. The affair is for club members and their guests.

Professor Whiz, who in private life is known as Gerald M. P. Fitzgibbon, is widely known to medical scientists and to students of the occult arts. In over 30 years of professional appearances, he has hypnotized four persons simultaneously by radio from a studio 200 miles distant in Springfield, Massachusetts. Prior to that he had amazed physicians and magicians, when he recorded a phonograph record that hypnotized listeners through means of his voice alone.

The show is not only mystifying, but is humorous and educational. Under Professor Whiz's amazing power,

came the bride of Mr. Robert Ver-
non Cooper, son of Mrs. Emma A.
Cooper, 731 Washington avenue, Pal-

a seven o'clock ceremony in the
Rosedale Baptist Church, Camden.
The ceremony was performed by
the Rev. M. H. Morgan, of Philadel-
phia. Mrs. John Hunter played the
organ, accompanying Mrs. Robert
Wescott in several vocal selections.
The bride who was given in mar-
riage by her brother, Mr. Harry C.
Holmes, wore a gown of Ivory bro-
cade satin fashioned on graceful
lines, with a fitted bodice, featuring
long tapering sleeves which formed
points extending over the hands, and
the full skirt flowed into a long train.
Her fingertip veil was arranged from
a tiera of orange blossoms and she
carried a shower bouquet of white
bridal roses with an orchid center.
Mrs. Paul Camann attended the
bride as matron of honor, in a pink
gown; the bodice being brocade
satin to match the bride's gown, with
a full net skirt and carried a bouquet
of pink roses and yellow pom-poms.
The bridesmaids were Miss Ruth
H. Cooper, sister of the groom, of
Palmyra, and Miss Ruth D. Myers,
of Camden. They wore gowns of
blue to match the matron of honor's
and carried similar bouquets.
Mr. Wesley N. Cooper, of Palmyra,
acted as best man for his brother.
The ushers were Mr. Robert W.
Holmes, of Camden, brother of the
bride and Mr. Henry R. Bennett, of
Collingswood.

Here Are Oldsmobile's Recommended COLD WEATHER SERVICES

CHECK COOLING SYSTEM—
The radiator and entire cooling system should be drained, flushed out, and thoroughly inspected. Hose connections should be tightened where necessary.

INSTALL ANTI-FREEZE—
Sufficient anti-freeze should be put in to protect your car from a damaging freeze in even the coldest weather that can be expected.

TUNE ENGINE— Your motor should be put in shape to assure you of quick, easy starting, and economical performance no matter how low the thermometer goes.

CHANGE ENGINE OIL— A lighter oil that will circulate freely at below-freezing temperatures is a necessity for easy starting and the prevention of excessive winter wear.

LUBRICATE CAR— The entire chassis should be scientifically lubricated to prevent

wear. The lubricants in standard transmission and differential should be changed to a winter grade. Hydra-Matic Drive fluid need not be changed unless necessary.

CHECK ELECTRICAL SYSTEM— There's a heavier load on battery, generator, starter and ignition system during cold weather. These should be inspected, put in good condition, and protected with a coating of PIB.

CHECK SAFETY FEATURES— Brakes should be adjusted and put in top-notch condition. Windshield wipers should be checked. Heater and defroster connections should be inspected.

PROTECT FINISH— Snow and ice and road-clearing chemicals are tough on the finish of your car. A wash and polish, or a Liquid Glass job—and touch-up treatment—will protect both paint and chrome.

If You Have a New
Oldsmobile on the Way—

Materials shortages and unavoidable production delays are keeping our deliveries behind schedule. Better keep your present car up with regular service... until that style-leading new Oldsmobile arrives!

COUNTRY CLUB ASKS FOR LICENSE

The Riverton Country Club has petitioned Riverton Borough Council for a club license for the sale of alcoholic beverages, the move being made at the meeting of the local governing body held last Thursday. C. Singleton Mears, president of the club, spoke briefly concerning the petition.

He was advised by Mayor Nathan Lane that an ordinance would have to be prepared and adopted before a license could be issued. In order to accomplish this, a meeting has been arranged at which the borough attorney, Walter Carson, and the members of Council will confer with the directors of the Country Club.

GOOD FELLOWSHIP CLUB PRESENTS GAY NINETIES REVUE

On Friday night of last week the members of the Good Fellowship Club were taken on a retrospective trip to the turn of the century when the Good Fellowship Players presented a revue such as might have been seen in a music hall in the nineties.

Featuring such acts as the barber shop quartette, Floradora Sextette, and the Gibson Girl the musical numbers included old familiar songs that are just as popular today as they were in the good old days.

Before a backdrop scene, representing many hours of work in its handpainted, each successive act or skit was greeted with enthusiastic rounds of applause and curtain calls were numerous. All vocal selections were accompanied by the talented "Fellowship Philharmonic" Orchestra.

Between the acts concessionaires circulated through the audience while a very persuasive barker entreated the audience not to miss this chance to get the package with the "lucky number." It later developed that someone had neglected to put the numbers in the packages and there was no prize, anyway.

Following the final curtain bouquets and corsages were presented to Sally Dey, Sarah Bartholomew, Linda Swain, Ellen Parker and Jean Morrison for their work in the preparation of the show.

The performance was repeated on Saturday night under the auspices of the Ways and Means Committee. Its reception on both nights made the committee in charge and all those that participated feel that the many hours spent in locating costumes, providing settings, etc., were not wasted.

YACHT CLUB NEWS

Plans for the coming 1947 season will result in increased activities in all the various classes of boats, social events, regattas, also improved club facilities.

To carry out the plans, the board of directors has appointed a "Ways and Means Committee" with Fred Collings, chairman, and Commander Gardner Crowell, Bob Burns and Carl Mann.

This team will work with the newly formed "Engineering Survey Committee" and make recommendations, with special effort directed toward club improvements to appeal to all types of members; boat owners, both senior and junior, contributing, "Sit-down" as well as the "arm-chair skipper" membership.

The Riverton Yacht Club, one of the oldest on the Delaware River, will become more important as a yacht and boat club on the eastern seaboard, and with increased credit and benefit to the community. Watch The New Era for more yacht club news.

Mathews Explains Legislative Methods

At the meeting of the Palmyra-Riverton Lions Club held last Thursday night the speaker was Congressman Frank A. Mathews, Jr., of Riverton, whose topic was "The Mechanics of Legislation." Judge Mathews was made an honorary member of the club and presented a membership button by President Harry K. Mansfield.

In his talk, the Congressman described the method by which a bill becomes law, stating that, contrary to public opinion, the legislation does get a thorough going over.

In closing, Congressman Mathews said that we have the finest Constitution in the world and that we need have no fear for Democracy if we uphold this Constitution.

District Governor Jack Johansen presented achievements keys to the following Lions who have secured two new members during the past year: Harry K. Mansfield, Paul Heller, J. A. Chapman, Rowland Harris and Woodbourne MacCord.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Ave.

The extent to which a nation responds to the invitation, to give thanks to God is a good measure of the health of the nation. When people see only the things they do not have, they "think black" and their future is precarious. When people give thanks for the things they have, they are seeing straight, and their future no matter how dark it may appear to be on the surface, is tinged with a rosate hue. Our founding fathers did not have any superabundance of material wealth or comfort when they knelt down together on the first Thanksgiving Day in the history of our nation, but they did find plenty for which to give earnest thanks to God, and it is on what they had then that the superstructure of the nation has been built.

In our time there are still many unsolved problems and many disappointed hopes, but let us "count our blessings, name them one by one" and we shall be agreeably surprised at the abundance of our wealth and the richness of our national and our

ZONING COMPLAINT

At the meeting of Riverton Borough Council held on Thursday night of last week a petition was presented to the governing body asking that Hunter Industries, Inc., Broad and Fulton streets, be compelled to desist from alleged violations of the zoning ordinance.

The petition, signed by about 50 residents in the vicinity of the plant, was presented by Harry E. Moyer, 506 Fulton street, who acted as spokesman for the delegation present. He stated that the building in which Hunter Industries is located is in the area designated as a business district, where manufacturing is prohibited by the zoning ordinance. He asserted further that the petitioners based their complaint upon undue noise as late as midnight, offensive odors and particles of irritating dust emanating from the plant which entered houses thus discoloring curtains and furniture. Mr. Moyer also said that the burning of rubbish caused an obnoxious odor and that such fires had ruined his hedge in addition to creating an unsightly condition.

Hunter Industries started operations last summer when they purchased the building formerly occupied by Riverton Machine. At the present time they are engaged in the manufacture of the new pipes with an aluminum bowl and stem.

Mayor Nathan Lane promised the petitioners that prompt action on the matter would be taken by Council and it was decided to arrange for a conference with the borough attorney, Walter Carson, at an early date.

Which interviewed concerning the situation on Friday of last week, Captain Blaine Hunter, of Riverton, head of the concern, stated that he regretted very much any unpleasantness caused by his firm. He stated that every effort has been and is being made to eliminate objectionable factors and that he will be glad to cooperate in every way possible to remedy such conditions.

He stated that shortage of materials, such as blowers, is partly responsible for the condition.

Judge Wells Speaker At Rotary Club

A strong plea for an intelligent and informed public opinion to support the work of the Court of Pardons of the State of New Jersey featured the address of Judge Harold B. Wells before the local Rotarians last Thursday evening.

Introduced by the Reverend W. Neal Raver as a man of sterling moral character and a consistent champion of all worthy causes, Judge Wells in turn paid high tribute to Mr. Raver and his distinguished father.

Interspersing his remarks with a wealth of illustration from personal experience, the popular judge of the Court of Errors and Appeals explained the composition, procedure and function of the Court of Pardons.

The Court is composed of the Governor, the Chancellor, and six special judges of the Court of Errors and Appeals. All criminals are entitled to come before this Court once in two years. This means that each year the Court of Pardons has to consider thousands of applications from criminals who have completed their minimum term, or who for some reason or other, believe that good grounds exist for the granting of a parole.

A carefully prepared report must be submitted to the Court, including a history of the case or the crime for which sentence was given, a prisoner's conduct sheet while in prison, a chaplain's report, and a recommendation of the Board of Managers.

One of the psychological principles on which the Court proceeds is that the prisoner must never be permitted to lose hope. Freedom—no matter how far in the future it may be—is the dream of every prisoner, and very often the worst criminals are the best behaved while in prison, because of this hope that they continue to cherish.

New Jersey prison institutions are understaffed and overcrowded. Many prisoners are permitted to work on the prison farm, and strange as it may seem, very few prisoners ever try to escape.

Judge Wells emphasized the necessity of mingling common sense with justice in dealing with the cases of young folks who have committed some indiscretion, or who have run sent to Jamesburg it is more than probable that they will become lifelong criminals, even although they may not have been of the criminal type.

Among the difficulties with which the Court of Pardons has to contend are the inequalities of statutory sentences for similar crimes in different counties of the State of New Jersey, and the clamor of newspapers for the elimination of secrecy in Court of Pardons procedure.

For manslaughter the sentence in Texas is five years imprisonment, in New Jersey ten years, in Indiana twenty-one years, and in one other State it is life imprisonment.

The Court finds that the greatest enemy of law and order is the use of intoxicating beverages. The recognition of this fact is reflected in the strictly enforced rule that no parolee may use liquor of any kind.

If a parolee is found at any time during his period of parole under the influence of liquor he is considered to have broken his parole. Another requirement is that no parolee may be married without the permission

of the parole agent.

Guests introduced and welcomed by Rotarian A. D. McFall were George Gieseke, of the Gloucester Rotary Club, Roy Conrow, Moorestown, Joseph Harrison, Lloyd Lippincott and Edward Hill, all of the Bordentown Rotary Club, "Jim" Wwart, former mayor of Palmyra, Leonard Baker, President of the Board of Education of Palmyra, and Morris Conrow, Chairman of the Council of Cinnaminson Township.

President Walter D. Lamon announced that the Club had compiled a one hundred percent attendance record for three successive weeks.

Family Service Council Praised

As part of its service to the community during World War II, the Family Service Council loaned its Executive Secretary for the important work described in the following letter:

Mrs. Eleanor S. Smith
Family Service Council
Riverton, N. J.

Dear Mrs. Smith:
Recent advice from National Headquarters states that the Medical Survey Program will be terminated effective November 1, 1946, as no longer required.

This headquarters is justly proud of the splendid record of this phase of Selective Service in New Jersey, even prior to the adoption of the plan on a national scale, and feels that considerable praise is due the social workers of this state who played such an important part in proving the value of this program.

I wish to take this opportunity to thank you for your long service and valued assistance in helping to select for the armed forces those men best fitted for the difficult task just completed.

Very truly yours,
(Signed) E. N. BLOOMER,
State Director, Selective Service

This work was done in addition to the regular work of the Family Service Council and covered the Boroughs of Palmyra and Riverton, as well as the Townships of Delran, Maple Shade and Cinnaminson, the area covered by Burlington County Draft Board No. 1.

BAZAAR NOVEMBER 30
The Tri-Borough Post No. 1931, Veterans of Foreign Wars, serving Riverton, Palmyra and Cinnaminson met Thursday evening in the Riverton Fire House.

One of the highlights of the evening was the report of the committee arranging the Grand Prize Bazaar, to be held in the P.O.S. of A. Hall, Saturday evening, November 30th.

This unique affair is attracting widespread attention and has the cooperation of over 75 merchants and business men of the three communities. Each have donated a prize to be presented to those participating.

The prizes are all very interesting and useful and of a wide variety.

After this part of the program is concluded the guests attending will be entertained by a popular nine piece all reed orchestra under the direction of Franz Mayer.

This orchestra is composed of members of the Junior Band of Post No. 491, one of the youth groups of the Veterans of Foreign Wars.

The proceeds from this affair are for the benefit of the Home Fund, as the Post is planning on securing their own home in the near future.

In appreciation of the cooperation and to thank those who so generously donated gifts to help out in this event the Post is placing an ad in this issue of the local paper acknowledging and thanking our friends.

Mr. John Coles, Burlington Pike, Riverton, has returned to his position at the American Store, after being ill for several weeks.

American Education Week

American Education Week. November 10-16, was observed last week in the Riverton Public School with an "Open House Week."

Parents visited all rooms according to their particular interests. The week ended with two assemblies on Friday afternoon. The lower grades, one, two and three gave their program from 1:30 to 2:00 p.m. The rest of the grades—four, five, six, seven and eight from 2:40 to 3:15 p.m.

The Upper Grade Assembly consisted of three parts:

First—A Book Pageant entitled "Dorothy's Dream."
Second—Selections by the Riverton Choir:

The Keeper—English Song
Thanksgiving Prayer
Netherlands Hymn

Third—An Old-Fashioned "Spelling Bee" conducted by the Principal, Mr. Thompson.

There were six contestants, two (a boy and a girl) from each of the three highest grades, six, seven and eight.

Much enthusiasm was displayed by the pupils of the school to see who'd be the winner.

Finally, as each missed, Hannah Booth, Eighth Grade student, was left. Hannah was presented with the first prize by Mr. Thompson, stating that it was a picture of her Uncle George. Hannah was surprised to find a dollar bill in her envelope.

CINNAMINSON SCHOOL NEWS

Cinnaminson children have been seeing as well as hearing this year. The school has purchased a sound movie projector which has been in use almost constantly since the first day of school. Mrs. Isabel Reese is doing a commendable job of ordering films for us. We feel that we have taken a big step in our visual-education program.

Another help in the visual education program has been the use of an endowment for Riverton and Moorestown libraries. This enables Cinnaminson children to use both libraries free of charge. The children are being made cognizant of the world of books through the combined efforts of teachers and librarians. A program has been arranged for book week which will further their familiarity with the Moorestown library's facilities.

An active committee, chaired by Miss Eleanor Rush and consisting of teachers, matrons, children, parents and a board member is cooperating to improve our lunchroom. This is our major project so far this year. The committee is striving to provide the children with a balanced lunch and to maintain a high standard of table manners. They are also giving their attention to the appearance of the room. Much improvement can be seen in the manner in which the children conduct themselves in entering and leaving the lunchroom daily as well as in special fire drills.

Mr. and Mrs. George W. Baker, formerly of Garfield avenue, Palmyra, have moved to 709 Main street, Riverton.

Money Management

There is an old saying that it is easier to make money than it is to hold it. And that saying is true. On every side, are hundreds of invitations to spend your money for every one that bids you lay it away. Money slips through fingers like quick-silver, especially in these days of high living costs. To know where your money goes is a good first step toward sound money management. By depositing all you earn in a checking account, and making accurate entries on the stubs, you will have a complete record. Then you can weed out the wasteful expenditures and plug future leaks. This is only one advantage a checking account affords. It will also save you time, trouble and trips.

UNITED STATES ECONOMY
AND AGRICULTURE

"The basic cycle of the years is not primarily a cycle of riches and poverty, but rather of peace and war, and the U. S. Government must formulate a policy that will fit into a peace economy and a war economy."

This was the conclusion of Willard F. Allen, Secretary of Agriculture, State of New Jersey, who addressed the local Rotary Club last Thursday evening.

KENNY-LAVERY

A very pretty wedding took place on Saturday morning at ten o'clock, in the Sacred Heart Church, Riverton, when Miss Mae Marjory Lavery, daughter of Mr. and Mrs. Joseph P. Lavery, Main street, Riverton, became the bride of Mr. William Michael Kenny, Jr., son of Mr. and Mrs. William M. Kenny, of River-

side. The ceremony was performed by Rev. William F. Quinn. Mr. Francis Brennan and Mr. Dante Mento, accompanied by Miss Lorraine Early at the console rendered several vocal selections. The bride, given in marriage by her father, wore her mother's wed-

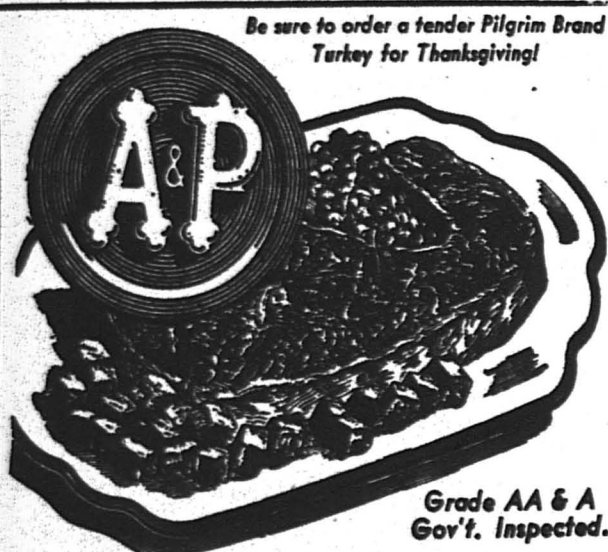

ding gown of french voile and inserted lace. Her veil of tulle and lace, was held in place by a crown of seed pearls. She carried white chrysanthemums.

Miss Rose F. Lavery was her sister's maid of honor and Miss Anne B. Lavery was her bridesmaid. They wore identical gowns of old rose taffeta with inserts of plum velvet. In their hair they wore matching ostrich plumes and carried gold pom-poms.

Mr. Thomas Kenny, of Camden, brother of the groom, acted as best man and the ushers included, Mr. John Kenny, Mr. Richard Harmon, of Riverside, and Mr. Richard Lavery, of Riverton.

The bride's mother chose a grey suit with gold accessories and wore a corsage of bronze button-hole chrysanthemums. The groom's mother selected a black dress with black and pale blue accessories and wore a corsage of red roses.

Following the ceremony, a breakfast was held at the Riverton Country Club, after which a reception was held at the bride's home. The couple left for a wedding trip to Maine and will be at home, temporarily, after November 24th, at 616 Main street, Riverton.
